

Dialogues from The Watchers to improve the vocabulary in English

1

00:00:26,728 --> 00:00:29,797

[rumbling]

2

00:00:39,507 --> 00:00:41,375

[woman] *<i>There's a forest</i>*

<i>in the west of Ireland...</i>

3

00:00:42,577 --> 00:00:44,378

<i>...that does not appear</i>

<i>on any map.</i>

4

00:00:46,581 --> 00:00:50,250

<i>They say it draws in lost souls,</i>

<i>like moths to a flame.</i>

5

00:00:50,284 --> 00:00:53,453

[panting]

6

00:00:54,121 --> 00:00:55,088

[grunts]

7

00:00:58,158 --> 00:01:00,260

[woman] <i>No one can say</i>
<i>exactly what lies inside.</i>

8

00:01:02,396 --> 00:01:03,531

[distant wailing]

9

00:01:03,565 --> 00:01:04,666

[woman]
<i>For those that wander in...</i>

10

00:01:06,199 --> 00:01:07,735

<i>...never come back out.</i>

11

00:01:07,769 --> 00:01:11,338

[panting]

12

00:01:20,548 --> 00:01:21,616

[exhales]

13

00:01:33,393 --> 00:01:35,830

[panting]

I'm gonna get help, honey.

14

00:01:41,769 --> 00:01:42,704

Sun's moved.

15

00:01:43,671 --> 00:01:45,105

Twenty-two minutes left.

16

00:01:47,609 --> 00:01:49,777

Come on. Follow the light.

[grunts loudly]

17

00:01:59,386 --> 00:02:01,254

[birds tweet faintly]

18

00:02:06,293 --> 00:02:09,530

No. [panting]

19

00:02:28,281 --> 00:02:29,282

Oh, my God.

20

00:02:30,952 --> 00:02:32,285

Oh, my God.

21

00:02:37,759 --> 00:02:39,292

[wings fluttering]

22

00:02:39,326 --> 00:02:41,194

[flock of birds cawing]

23

00:02:42,597 --> 00:02:44,498

[cawing echoes]

24

00:02:47,602 --> 00:02:49,537

[panting echoes]

25

00:02:54,709 --> 00:02:56,644

[grunting]

26

00:03:01,582 --> 00:03:05,318

[rumbling approaches]

27

00:03:11,659 --> 00:03:12,927

-[caws]

-[shouts]

28

00:03:12,960 --> 00:03:13,795

Shit!

29

00:03:20,702 --> 00:03:22,369

[grunting]

30

00:03:24,605 --> 00:03:26,306

[shouts]

31

00:03:26,774 --> 00:03:27,675

[thud]

32

00:03:34,381 --> 00:03:35,817

[coughs, gasps]

33

00:03:40,655 --> 00:03:42,557

[gasps, coughs]

34

00:03:48,495 --> 00:03:49,897

[cries out]

35

00:03:51,699 --> 00:03:54,001

[cries, coughs]

36

00:03:56,971 --> 00:04:00,641

[panting]

37

00:04:07,081 --> 00:04:10,017

[creature chittering]

38

00:04:10,051 --> 00:04:11,986

[panting]

39

00:04:15,089 --> 00:04:16,991

[guttural chittering]

40

00:04:21,495 --> 00:04:25,365

-[man gasping]

-[purring, chittering]

41

00:04:25,967 --> 00:04:27,835

[forest creaking]

42

00:04:31,539 --> 00:04:34,909

[creature grunting]

43

00:04:35,676 --> 00:04:36,878

That's impossible.

44

00:04:36,911 --> 00:04:38,513

-[loud chittering]

-[shouts]

45

00:04:39,647 --> 00:04:40,581

[man shouts]

46

00:04:41,414 --> 00:04:42,415

Please! Please!

47

00:04:43,818 --> 00:04:45,753

Oh, my God!

48

00:04:46,954 --> 00:04:49,690

Help! No, no! No, no!

49

00:04:49,724 --> 00:04:52,627

No, no, no, please! Please!

50

00:04:52,660 --> 00:04:55,630

Please! No!

[screams echoing]

51

00:05:11,813 --> 00:05:13,981

[newscaster] *It is*

a dreary day in Wicklow County

52

00:05:14,015 --> 00:05:16,717

where protestors have gathered

to refute the felling

53

00:05:16,751 --> 00:05:19,654

of one of Ireland's

largest remaining woodlands.

54

00:05:19,687 --> 00:05:21,856

<i>Over the last century,</i>

<i>nearly 70 percent</i>

55

00:05:21,889 --> 00:05:24,357

<i>of Ireland's sacred trees</i>

<i>have been cut down,</i>

56

00:05:24,391 --> 00:05:27,528

<i>stirring concerns</i>

<i>over ecological impact.</i>

57

00:05:27,562 --> 00:05:30,031

<i>One environmental activist</i>

<i>from Trinity College</i>

58

00:05:30,064 --> 00:05:32,465

<i>describes</i>

<i>the most pressing concern</i>

59

00:05:32,499 --> 00:05:35,670

<i>as the welfare of the animals</i>

<i>within these native forests.</i>

60

00:05:35,703 --> 00:05:37,505

<i>He questions</i>

<i>if whole ecosystems--</i>

61

00:05:38,873 --> 00:05:41,609

[salesman] The Aquazone Five
is the best in the market.

62

00:05:41,642 --> 00:05:44,912

64-liter capacity.

Self-cleaning.

63

00:05:44,946 --> 00:05:47,447

Moisture control

so you don't get mold.

64

00:05:47,480 --> 00:05:49,784

Even has

a high-tech feeding system.

65

00:05:49,817 --> 00:05:51,819

You won't have to lift a finger

to keep your critters happy.

66

00:05:52,887 --> 00:05:54,922

[birds chirping]

67

00:05:54,956 --> 00:05:56,858

[music plays in distance]

68

00:06:02,663 --> 00:06:03,965

[salesman] Mina.

69

00:06:05,266 --> 00:06:08,636

Sorry. But you know the animals
don't like it when you smoke.

70

00:06:08,669 --> 00:06:10,571

Right. My bad.

71

00:06:10,605 --> 00:06:12,106

Can you come inside
for a minute?

72

00:06:12,139 --> 00:06:13,774

There's someone
I want you to meet.

73

00:06:13,808 --> 00:06:15,710

[people chattering]

74

00:06:18,746 --> 00:06:20,047

[salesman] A golden conure.

75

00:06:20,081 --> 00:06:21,782

Beautiful breed.

76

00:06:21,816 --> 00:06:24,752

Intelligent. Fiercely loyal.

77

00:06:24,785 --> 00:06:26,087

[Mina] Can he talk?

78

00:06:26,120 --> 00:06:27,454

[salesman] I don't think so.

79

00:06:27,487 --> 00:06:28,556

[chirps]

80

00:06:28,589 --> 00:06:30,992

Anyways,

there's a zoo near Belfast

81

00:06:31,025 --> 00:06:32,627

that wants him within the week.

82

00:06:32,660 --> 00:06:33,995

It's about a day's journey.

83

00:06:35,229 --> 00:06:37,198

Sorry to have to ask right now.

84

00:06:37,231 --> 00:06:38,799

Well, I told you, I'm fine.

85

00:06:39,700 --> 00:06:40,735

I can take him tomorrow.

86

00:06:42,469 --> 00:06:44,772

[salesman] Might be nice
to get away, don't you think?

87

00:06:44,805 --> 00:06:45,973

See the Irish countryside.

88

00:06:46,641 --> 00:06:47,541

Yeah.

89

00:06:49,243 --> 00:06:51,145

[people chattering]

90

00:06:59,120 --> 00:07:00,521

[conure squawks]

91

00:07:07,962 --> 00:07:08,796

[conure squawks]

92

00:07:19,974 --> 00:07:21,441

My mom died.

93

00:07:22,143 --> 00:07:23,778

Fifteen years ago today.

94

00:07:24,712 --> 00:07:25,813

Did he tell you that?

95

00:07:26,614 --> 00:07:27,748

[conure chitters]

96

00:07:29,717 --> 00:07:32,887

I'm going out tonight.

Try not to die.

97

00:07:36,557 --> 00:07:38,693

[chitters]

I'm going out. Try not to die.

98

00:07:40,061 --> 00:07:42,129

I thought you couldn't talk,
you little shit.

99

00:07:44,765 --> 00:07:46,834

["Disco//Very" by Warpaint
plays on radio]

100

00:07:46,867 --> 00:07:49,236

[conure chirps]

101

00:07:53,908 --> 00:07:56,210

[shower running]

102

00:07:56,243 --> 00:07:58,579

-[spigot squeaks]

-[shower turns off]

103

00:08:11,325 --> 00:08:14,695

[music fades]

104

00:08:16,230 --> 00:08:18,132

[crowd chattering]

105

00:08:18,165 --> 00:08:21,569

["There's Whiskey in the Jar"

playing faintly]

106

00:08:22,770 --> 00:08:24,638

You're not from here.

107

00:08:25,339 --> 00:08:26,907

Is it that obvious?

108

00:08:26,941 --> 00:08:29,777

Ah. An American girl
in Galway's hard to miss.

109

00:08:30,644 --> 00:08:31,746

What's your name?

110

00:08:33,080 --> 00:08:34,015

It's Caroline.

111

00:08:35,616 --> 00:08:37,051

-Yours?

-Collin.

112

00:08:37,952 --> 00:08:39,253

What do you do, Caroline?

113

00:08:41,088 --> 00:08:43,057

-I'm a dancer.

-Really?

114

00:08:44,592 --> 00:08:46,060

Ballerina, actually.

115

00:08:46,994 --> 00:08:48,796

No way. That's class.

116

00:08:50,698 --> 00:08:52,900

You visiting for some kind
of performance?

117

00:08:54,201 --> 00:08:55,269

<i>Swan Lake.</i>

118

00:08:56,037 --> 00:08:57,772

Caroline the ballerina.

119

00:08:59,273 --> 00:09:01,308

[song swells in volume]

120

00:09:01,342 --> 00:09:03,244

[conversation fades]

121

00:09:04,345 --> 00:09:05,212

[music stops]

122

00:09:10,684 --> 00:09:11,619

[chirps]

123

00:09:16,891 --> 00:09:18,325

Don't look at me like that.

124

00:09:18,359 --> 00:09:19,126

[chirps]

125

00:09:20,127 --> 00:09:21,929

It's just something

I do sometimes, like...

126

00:09:23,097 --> 00:09:24,065

...playing dress-up.

127

00:09:26,400 --> 00:09:28,369

You wouldn't like me
if you knew the real me.

128

00:09:28,402 --> 00:09:29,203

[chirps]

129

00:09:55,162 --> 00:09:56,664

So, what's your story?

130

00:09:58,732 --> 00:10:00,000

What are you running from?

131

00:10:00,768 --> 00:10:01,302

[chirps]

132

00:10:16,083 --> 00:10:18,385

[cell phone rings]

133

00:10:20,121 --> 00:10:22,156

[through phone]

<i>Mina, it's Lucy. Remember me?</i>

134

00:10:24,024 --> 00:10:27,228

<i>So, I guess you decided</i>

<i>not to come to Mom's memorial.</i>

135

00:10:28,462 --> 00:10:30,364

<i>It was a beautiful ceremony.</i>

136

00:10:30,397 --> 00:10:32,299

<i>The choir sang "Ave Maria."</i>

137

00:10:33,300 --> 00:10:34,768

<i>There were white flowers</i>

<i>all over.</i>

138

00:10:35,803 --> 00:10:36,770

[kids laughing in background]

139

00:10:36,804 --> 00:10:38,172

<i>I wasn't sure how the boys</i>

<i>would handle it,</i>

140

00:10:38,205 --> 00:10:39,807

<i>but they're big now,</i>

141

00:10:39,840 --> 00:10:41,742

<i>and they're smart, too.</i>

142

00:10:41,775 --> 00:10:43,244

<i>You should see</i>

<i>how much they've grown.</i>

143

00:10:45,179 --> 00:10:46,714

<i>Listen, Meens, I know you</i>

<i>hate it when I lecture you,</i>

144

00:10:46,747 --> 00:10:48,716

<i>but I'm really worried</i>

<i>about you.</i>

145

00:10:50,184 --> 00:10:52,019

<i>I mean, it's been 15 years</i>

<i>since she died.</i>

146

00:10:53,120 --> 00:10:55,055

<i>At some point,</i>

<i>you just have to let it all go.</i>

147

00:10:56,323 --> 00:10:57,925

<i>Can you please</i>

<i>just call me back?</i>

148

00:10:57,958 --> 00:10:59,293

[line clicks]

149

00:10:59,326 --> 00:11:01,228

[sighs deeply]

150

00:11:19,813 --> 00:11:22,883

[female voice] <i>Proceed</i>

<i>on this road for 106 kilometers</i>

151

00:11:22,917 --> 00:11:24,251

<i>to reach your destination.</i>

152

00:11:29,957 --> 00:11:31,392

[Lucy] <i>I wasn't sure how</i>

<i>the boys would handle it,</i>

153

00:11:31,425 --> 00:11:33,327

<i>but they're big now...</i>

154

00:11:33,360 --> 00:11:34,261

<i>-and they're smart, too.</i>

-They're smart, too.

155

00:11:35,796 --> 00:11:37,231

You should see

how much they've grown.

156

00:11:39,166 --> 00:11:40,467

[Lucy] <i>Listen Meens, I know</i>

<i>you hate it when I lecture you,</i>

157

00:11:40,502 --> 00:11:43,070

<i>but I'm really worried</i>

<i>about you.</i>

158

00:11:44,205 --> 00:11:46,006

<i>I mean, it's been 15 years</i>

<i>since she died.</i>

159

00:11:47,208 --> 00:11:49,877

<i>At some point,</i>

<i>you just have to let it all go.</i>

160

00:12:12,299 --> 00:12:14,802

["514 376 9230" by Essaie Pas
playing on car stereo]

161

00:12:18,005 --> 00:12:19,173

What is this place?

162

00:12:28,282 --> 00:12:29,817

[music continues]

163

00:12:29,850 --> 00:12:32,152

This goddamn car. Come on.

164

00:12:32,186 --> 00:12:34,255

[engine faltering]

165

00:12:39,426 --> 00:12:41,295

[female voice, distorted]

166

00:12:45,600 --> 00:12:48,869

[music changes
to warbling static]

167

00:12:53,508 --> 00:12:56,410

[engine bangs, stops]

168

00:12:57,612 --> 00:12:59,480

-What happened?

-[chirps]

169

00:13:07,121 --> 00:13:09,456

[sighs]

170

00:13:18,966 --> 00:13:20,401

-[conure] Try not to die.

-Shh!

171

00:13:23,571 --> 00:13:24,938

[conure chirps]

172

00:13:56,437 --> 00:13:59,006

[sputtering, hissing]

173

00:14:04,211 --> 00:14:06,080

[squawking]

174

00:14:06,914 --> 00:14:08,248

I think someone lives nearby.

175

00:14:09,483 --> 00:14:10,384

[squawking]

176

00:14:12,186 --> 00:14:14,221

So we're in agreement, then?

177

00:14:14,254 --> 00:14:15,356

We'll walk. [sighs]

178

00:14:23,030 --> 00:14:24,131

[shouts] Hello?

179

00:14:27,535 --> 00:14:30,037

My car broke down.

I need some help.

180

00:14:32,172 --> 00:14:32,973

[squawking]

181

00:14:33,641 --> 00:14:34,875

[Mina] Hello?

182

00:14:35,442 --> 00:14:36,511

[squawks]

183

00:14:37,679 --> 00:14:38,646

[Mina] Hello?

184

00:14:45,953 --> 00:14:47,888

Let's just go back to the car.

185

00:14:56,598 --> 00:14:58,198

[breathes heavily]

186

00:15:09,744 --> 00:15:11,278

Where's the car?

187

00:15:18,285 --> 00:15:19,186

Where is it?

188

00:15:22,690 --> 00:15:23,658

What's happening?

189

00:15:36,103 --> 00:15:37,304

Shit.

190

00:15:43,511 --> 00:15:45,379

[branches rustling faintly]

191

00:15:48,182 --> 00:15:49,450

I think I'll call you Darwin.

192

00:15:51,051 --> 00:15:52,352

If we're gonna die here
together,

193

00:15:52,386 --> 00:15:53,420

you might as well have a name.

194

00:16:00,093 --> 00:16:01,428

[birds cawing]

195

00:16:01,462 --> 00:16:04,532

[wings fluttering]

196

00:16:11,104 --> 00:16:12,239

[Darwin squawks]

197

00:16:15,442 --> 00:16:16,977

[sighs]

198

00:16:18,245 --> 00:16:20,380

[ground rumbling]

199

00:16:25,687 --> 00:16:28,055

[guttural screeching]

200

00:16:28,088 --> 00:16:29,323

[panting]

201

00:16:36,363 --> 00:16:38,165

[grunts]

202

00:16:38,198 --> 00:16:40,234

[footsteps recede]

203

00:16:40,267 --> 00:16:41,268

[Mina] Hey!

204

00:16:47,775 --> 00:16:49,644

-[panting]

-[Darwin squawks]

205

00:16:53,180 --> 00:16:54,248

[Darwin chirps]

206

00:16:59,152 --> 00:17:00,087

Hey!

207

00:17:02,456 --> 00:17:03,658

Wait!

208

00:17:03,691 --> 00:17:05,459

Please, I need help!

209

00:17:05,492 --> 00:17:07,595

[panting]

210

00:17:07,629 --> 00:17:09,029

There's something out there!

211

00:17:10,230 --> 00:17:11,231

Wait!

212

00:17:13,768 --> 00:17:15,603

[metallic slam]

213

00:17:22,175 --> 00:17:24,478

If you care for your life,
you're going to have to run.

214

00:17:24,512 --> 00:17:26,380

-[gasps]

-[creatures shrieking]

215

00:17:26,413 --> 00:17:28,115

-Five...

-[gasps]

216

00:17:28,148 --> 00:17:29,082

Four...

217

00:17:29,784 --> 00:17:30,718

Three...

218

00:17:31,786 --> 00:17:32,554

Two...

219

00:17:33,320 --> 00:17:34,488

[door slams]

220

00:17:35,322 --> 00:17:36,624

[gasps]

221

00:17:37,792 --> 00:17:39,561

[young man] Who is she?

Where did she come from?

222

00:17:39,594 --> 00:17:40,595

[young woman] The poor bird.

223

00:17:40,628 --> 00:17:42,697

Who would bring a bird

into a place like this?

224

00:17:42,730 --> 00:17:45,065

[woman]

Mind your manners, both of you.

225

00:17:47,401 --> 00:17:49,102

What is happening?

What is this place?

226

00:17:49,871 --> 00:17:51,438

We call it the Coop.

227

00:17:53,240 --> 00:17:54,174

Who are you?

228

00:17:54,609 --> 00:17:56,176

My name is Madeline.

229

00:17:56,209 --> 00:17:58,880

The girl is Ciara,
and the boy is Daniel.

230

00:17:58,913 --> 00:18:01,181

We're just like you. Lost.

231

00:18:01,683 --> 00:18:02,517

And you?

232

00:18:03,918 --> 00:18:06,153

-What?

-Who are you?

233

00:18:06,186 --> 00:18:07,855

[panting]

234

00:18:07,889 --> 00:18:09,289

Mina.

235

00:18:09,323 --> 00:18:10,123

[Madeline]

Pleasure to meet you, Mina.

236

00:18:11,626 --> 00:18:13,493

I don't mean to scare you,
but we haven't much time.

237

00:18:14,261 --> 00:18:16,430

It's not wise
to keep them waiting.

238

00:18:16,463 --> 00:18:19,466

Ciara, will you stand by Mina?
Keep her calm?

239

00:18:19,934 --> 00:18:21,703

They'll be very interested
in someone new.

240

00:18:22,770 --> 00:18:24,505

[gasps] Wait. Wait.

241

00:18:25,172 --> 00:18:26,373

What's happening?

242

00:18:26,406 --> 00:18:27,909

[Ciara] Not to worry.

We'll stand together.

243

00:18:27,942 --> 00:18:29,309

Just stay very still.

244

00:18:29,343 --> 00:18:30,745

Everything's gonna be all right.

245

00:18:31,813 --> 00:18:33,380

Places, everyone.

246

00:18:33,413 --> 00:18:35,650

I don't understand.

Is someone coming here?

247

00:18:35,683 --> 00:18:36,517

[Darwin chirps]

248

00:18:36,551 --> 00:18:38,586

We call them the Watchers.

249

00:18:40,555 --> 00:18:42,456

[Watchers shrieking]

250

00:18:43,390 --> 00:18:44,826

They're coming.

251

00:18:45,560 --> 00:18:48,462

Mina, I know you must be
feeling very afraid,

252

00:18:48,495 --> 00:18:51,198

but I want you to know
that you'll be all right.

253

00:18:51,231 --> 00:18:52,834

You will survive this night.

254

00:18:52,867 --> 00:18:55,637

The Watchers cannot come in.

They just want to look at you.

255

00:18:55,670 --> 00:18:57,270

They're out there?

256

00:18:57,304 --> 00:18:59,707

[Ciara] Yes, they are.

It's a window on the other side.

257

00:19:00,842 --> 00:19:03,645

They come every night

just after sunset.

258

00:19:03,678 --> 00:19:05,880

And they watch us

until the sun rises again.

259

00:19:06,948 --> 00:19:08,916

It's strange at first, but

you'll get used to it in time.

260

00:19:13,286 --> 00:19:14,354

They're here.

261

00:19:16,390 --> 00:19:17,324

Mina.

262

00:19:18,793 --> 00:19:21,294

Mina, take a step forward.

263

00:19:23,564 --> 00:19:25,667

Go ahead. It's all right.

264

00:19:34,976 --> 00:19:37,244

[rustling, rattling]

265

00:19:37,277 --> 00:19:38,546

What is that?

What are they doing?

266

00:19:39,614 --> 00:19:40,682

[Madeline] Applause.

267

00:19:41,749 --> 00:19:43,383

For you, Mina.

268

00:19:43,417 --> 00:19:44,418

[rumbling, rattling continue]

269

00:19:44,451 --> 00:19:46,654

A welcome to the show.

270

00:19:49,389 --> 00:19:54,662

[rumbling continues]

271

00:20:09,677 --> 00:20:10,712

[Darwin chirps]

272

00:20:12,680 --> 00:20:14,982

[deep, mechanical rumble]

273

00:20:22,757 --> 00:20:24,592

-[latch clanks]

-[door creaks open]

274

00:20:26,894 --> 00:20:28,361

[whispers]

We're leaving, Darwin.

275

00:20:28,996 --> 00:20:30,330

[Darwin chirps]

276

00:20:35,036 --> 00:20:36,336

[Ciara] Where're you going?

277

00:20:36,369 --> 00:20:37,337

[Mina] Home.

278

00:20:38,539 --> 00:20:39,807

[Daniel] You won't make it.

279

00:20:39,841 --> 00:20:40,742

[Mina] I can't stay here.

280

00:20:41,642 --> 00:20:43,376

I'm sorry. Good luck.

281

00:20:44,846 --> 00:20:45,613

[Madeline] Let her go.

282

00:20:46,446 --> 00:20:47,582

[sighs]

283

00:20:48,983 --> 00:20:50,785

Those people are crazy.

284

00:20:50,818 --> 00:20:51,953

[chirps] Try not to die.

285

00:20:52,687 --> 00:20:53,487

[Mina] I'll find the car.

286

00:20:55,355 --> 00:20:59,292

We'll get it to work and we'll
be home before you know it.

287

00:20:59,326 --> 00:21:00,862

[sighs]

288

00:21:05,800 --> 00:21:06,901

[woman whispers] Mina.

289

00:21:10,071 --> 00:21:10,905

[Darwin chirps]

290

00:21:15,843 --> 00:21:17,712

[Mina breathes heavily]

291

00:21:20,815 --> 00:21:22,750

[rumbling]

292

00:21:23,785 --> 00:21:25,686

[chittering]

293

00:21:26,788 --> 00:21:28,355

[woman] Why did you do that?

294

00:21:28,388 --> 00:21:29,957

[gasps]

295

00:21:43,771 --> 00:21:47,008

[panting]

296

00:22:10,765 --> 00:22:13,433

[panting]

297

00:22:26,013 --> 00:22:27,548

[gasps]

298

00:22:28,448 --> 00:22:30,383

You're not the first
to have tried getting out.

299

00:22:31,686 --> 00:22:35,455

We've all tried, and failed,
at one time or another.

300

00:22:36,489 --> 00:22:37,457

Come with me.

301

00:22:39,060 --> 00:22:41,629

The forest has been known

to cause hallucinations.

302

00:22:42,663 --> 00:22:44,899

If you're not careful,
it can drive you mad.

303

00:22:46,167 --> 00:22:49,036

While in these woods,
we are prey.

304

00:22:50,972 --> 00:22:55,009

But if you open your eyes, you
can learn to master this place.

305

00:22:57,011 --> 00:22:58,779

They're landmarks,

306

00:22:58,813 --> 00:23:02,449

positioned all across the forest
in a nearly perfect circle.

307

00:23:02,482 --> 00:23:04,819

Each is about a half day's

journey from the Coop.

308

00:23:06,087 --> 00:23:07,722

If you stay within the boundary,

309

00:23:07,755 --> 00:23:09,657

there's hope of returning

by nightfall.

310

00:23:10,725 --> 00:23:13,794

But if you choose

to step over this line...

311

00:23:14,695 --> 00:23:15,630

There's no turning back.

312

00:23:17,832 --> 00:23:18,966

Who built them?

313

00:23:19,700 --> 00:23:21,903

Daniel and Ciara call him

"The Professor."

314

00:23:24,939 --> 00:23:26,007

Come along, Mina.

315

00:23:27,108 --> 00:23:28,876

The sun is passing its peak.

316

00:23:28,910 --> 00:23:32,113

[bird cawing]

317

00:23:32,146 --> 00:23:33,080

Come.

318

00:23:38,686 --> 00:23:40,521

Good evening.

319

00:23:40,554 --> 00:23:43,524

What a show

we have for you tonight.

320

00:23:43,557 --> 00:23:47,061

The stranger, Mina,

joins us again.

321

00:23:47,094 --> 00:23:49,697

We're all just buzzing
to see what she'll do.

322

00:23:49,730 --> 00:23:51,933

Will she eat her dinner?

323

00:23:51,966 --> 00:23:55,169

Or will she refuse her plate
like last night? [chuckles]

324

00:23:56,003 --> 00:23:58,172

Will she snore as she sleeps?

325

00:23:59,273 --> 00:24:02,109

And how many times will she
get up to piss in the bucket?

326

00:24:03,644 --> 00:24:06,247

Yeah. We're all
on the edge of our seats.

327

00:24:06,280 --> 00:24:08,115

[Watchers chittering outside]

328

00:24:09,150 --> 00:24:11,719

Right, then. Let's begin.

329

00:24:13,220 --> 00:24:15,022

[chuckles]

330

00:24:15,957 --> 00:24:17,558

What am I supposed to do?

331

00:24:17,992 --> 00:24:20,761

Just be yourself.

That's all they want.

332

00:24:25,066 --> 00:24:26,667

[Ciara]

They like it when I dance.

333

00:24:29,737 --> 00:24:33,874

["Carnival of the Animals"]

by Camille Saint-Saëns plays]

334

00:24:33,908 --> 00:24:34,976

[Daniel chuckles]

335

00:24:56,063 --> 00:24:59,633

[music continues faintly]

336

00:24:59,667 --> 00:25:01,569

[Watchers chittering]

337

00:25:02,803 --> 00:25:04,638

[music continues]

338

00:25:10,611 --> 00:25:11,512

[music stops]

339

00:25:13,014 --> 00:25:14,749

[female tv announcer]

<i>Twelve hot strangers,</i>

340

00:25:14,782 --> 00:25:15,850

<i>trapped in a house.</i>

341

00:25:16,917 --> 00:25:19,253

<i>The world will be watching</i>

<i>their every move.</i>

342

00:25:19,286 --> 00:25:22,089

<i>Who will find love?</i>

<i>Who will make it out?</i>

343

00:25:22,123 --> 00:25:24,058

<i>On this season of</i> Lair of Love.

344

00:25:24,091 --> 00:25:27,028

[contestants cheering]

345

00:25:30,364 --> 00:25:31,599

[woman] *<i>Hi!</i>*

346

00:25:33,134 --> 00:25:34,235

<i>-My name is Georgia.</i>

*<i>-</i> [man] *<i>Georgia.</i>**

347

00:25:34,268 --> 00:25:36,270

-[Georgia] <i>Nice to meet you.</i>

-[man] <i>Welcome.</i>

348

00:25:38,739 --> 00:25:42,810

[people chatter on tv]

349

00:25:43,778 --> 00:25:45,079

[oohing]

350

00:25:46,147 --> 00:25:46,914

<i>Where's the champers, eh?</i>

351

00:25:47,915 --> 00:25:50,117

<i>-My name's Georgia.</i>

<i>-Georgia?</i>

352

00:25:50,151 --> 00:25:51,652

<i>Nice to meet you.</i>

353

00:25:51,685 --> 00:25:55,056

[contestants cheering]

354

00:26:00,828 --> 00:26:02,863

[Madeline] Ten hours

and two minutes of sunlight.

355

00:26:03,931 --> 00:26:05,599

May we meet again before dark.

356

00:26:09,303 --> 00:26:10,738

[Ciara] You can come with me.

357

00:26:13,007 --> 00:26:14,075

I won't bite.

358

00:26:16,377 --> 00:26:17,711

<i>Prunella vulgaris.</i>

359

00:26:17,745 --> 00:26:18,846

[Darwin squawks] <i>Vulgaris.</i>

360

00:26:18,879 --> 00:26:22,216

[chuckles] I make a paste

from them. For pain relief.

361

00:26:24,752 --> 00:26:26,320

Daniel gets splitting headaches.

362

00:26:27,755 --> 00:26:29,957

He's a sweet boy. He just needs
someone to take care of him.

363

00:26:31,425 --> 00:26:33,060

[chuckles] It's funny.

364

00:26:33,094 --> 00:26:35,729

John always figured
that Danny might fancy me.

365

00:26:35,763 --> 00:26:37,264

Told him he was being silly.

366

00:26:37,298 --> 00:26:39,300

John's my husband, by the way.

367

00:26:39,333 --> 00:26:41,102

We came to the forest together.

368

00:26:41,135 --> 00:26:43,137

He's very handsome.

369

00:26:43,170 --> 00:26:44,705

You'll see when you meet him.

370

00:26:46,006 --> 00:26:48,909

-Where is he?

-He left six days ago.

371

00:26:48,943 --> 00:26:50,878

At first

I thought he sent you here.

372

00:26:51,779 --> 00:26:52,847

He hasn't come back?

373

00:26:55,082 --> 00:26:56,016

Not yet.

374

00:26:58,886 --> 00:27:00,154

<i>Stachys sylvatica.</i>

375

00:27:01,455 --> 00:27:02,990

Good for inflammation
and bleeding.

376

00:27:05,359 --> 00:27:08,129

What do they want from us?
The Watchers.

377

00:27:09,463 --> 00:27:10,364

We're not quite sure.

378

00:27:12,366 --> 00:27:13,767

Madeline has a theory

379

00:27:13,801 --> 00:27:15,836

that just seeing one
could drive a person mad.

380

00:27:18,906 --> 00:27:20,174

Come on.

I want to show you something.

381

00:27:21,242 --> 00:27:22,409

We'll keep this between us,
okay?

382

00:27:23,844 --> 00:27:25,779

We're not supposed to go
close to the burrows.

383

00:27:30,117 --> 00:27:31,719

They're all over the forest.

384

00:27:33,154 --> 00:27:35,256

Connected underground
like a system of tunnels.

385

00:27:37,024 --> 00:27:39,160

It's where the Watchers go
during the daylight hours.

386

00:27:42,263 --> 00:27:45,166

Sometimes I like to come
out here and remind myself...

387

00:27:45,966 --> 00:27:47,668

...that as long
as the sun's out,

388

00:27:48,869 --> 00:27:50,237

there's nothing to be afraid of.

389

00:27:53,407 --> 00:27:56,310

Ciara, how long
have you been here?

390

00:27:58,946 --> 00:27:59,813

I don't know.

391

00:28:00,681 --> 00:28:02,183

It's hard to keep track
of the days.

392

00:28:02,216 --> 00:28:03,717

But not long.

393

00:28:03,751 --> 00:28:05,319

John and I were the last
to arrive.

394

00:28:05,352 --> 00:28:06,720

Before you, that is.

395

00:28:08,122 --> 00:28:10,024

So if I had to guess, I'd say...

396

00:28:11,825 --> 00:28:13,027

...nearly five months.

397

00:28:16,130 --> 00:28:17,698

[inhales]

398

00:28:21,001 --> 00:28:22,236

[Madeline] Mina?

399

00:28:22,903 --> 00:28:25,072

You should know,

there are a few rules.

400

00:28:28,042 --> 00:28:30,477

[all three together] Do not
turn your back to the mirror.

401

00:28:31,045 --> 00:28:33,781

Do not open the door after dark.

402

00:28:34,148 --> 00:28:36,518

Do not go near the burrows.

403

00:28:36,551 --> 00:28:39,019

Always stay in the light.

404

00:28:39,053 --> 00:28:40,421

[Madeline]

It's important to remember

405

00:28:40,454 --> 00:28:42,089

that we are in their territory.

406

00:28:43,991 --> 00:28:46,894

The Watchers allow us to live
because we follow their rules.

407

00:28:48,162 --> 00:28:50,197

[pop music plays]

408

00:28:50,231 --> 00:28:52,967

<i>"Lips with two girls</i>

<i>you fancy most."</i>

409

00:28:53,000 --> 00:28:54,868

[contestants oohing]

410

00:28:55,803 --> 00:28:56,870

<i>Okay...</i>

411

00:28:56,904 --> 00:28:58,506

[hooting]

412

00:28:58,540 --> 00:29:00,941

<i>-God, they're going for it.</i>

-[woman] <i>I'm shocked!</i>

413

00:29:00,975 --> 00:29:04,144

[Romeo] *Like, Chloe's just like,*
so peng.

414

00:29:04,178 --> 00:29:05,513

Like, when we was locking lips,

415

00:29:05,547 --> 00:29:08,449

it felt like the universe

is just colliding.

416

00:29:08,482 --> 00:29:09,917

It felt right,

you know what I mean?

417

00:29:11,051 --> 00:29:13,787

And I bet she's just, like,

killer in the bedroom.

418

00:29:13,821 --> 00:29:15,256

Like, she's just got

that look about her,

419

00:29:15,289 --> 00:29:18,259

<i>that kind of like,</i>

<i>feral almost, look.</i>

420

00:29:18,292 --> 00:29:21,028

<i>And I think I could</i>

<i>match that toe to toe, so...</i>

421

00:29:21,996 --> 00:29:23,831

[continues, indistinct]

422

00:29:24,932 --> 00:29:26,267

[chitters]

423

00:29:31,038 --> 00:29:32,906

[footsteps tapping]

424

00:29:40,481 --> 00:29:41,849

[soft rustle]

425

00:29:43,217 --> 00:29:45,052

[Watchers chittering faintly]

426

00:29:50,024 --> 00:29:54,128

[Watchers chittering,
rustling]

427

00:29:56,997 --> 00:29:59,166

[woman on tv] <i>"Who is the most</i>
<i>annoying boy in the Lair?"</i>

428

00:30:01,536 --> 00:30:03,605

[insects buzzing]

429

00:30:03,638 --> 00:30:05,507

[Watchers chittering]

430

00:30:05,540 --> 00:30:06,807

[woman] <i>Sorry, babe.</i>

431

00:30:07,975 --> 00:30:09,076

-[woman on tv] <i>Oh, Georgia!</i>

-[contestants hooting]

432

00:30:11,278 --> 00:30:12,379

[woman 2] <i>Georgia!</i>

433

00:30:12,413 --> 00:30:13,847

[woman 3] <i>You know I love you.</i>

434

00:30:13,881 --> 00:30:15,816

[continues, faint]

435

00:30:44,546 --> 00:30:46,313

[hollow taps]

436

00:31:04,164 --> 00:31:05,366

[light growling]

437

00:31:07,267 --> 00:31:08,302

[light growling continues]

438

00:31:10,538 --> 00:31:12,239

[sighs]

439

00:31:19,581 --> 00:31:21,014

[light tap on glass]

440

00:31:24,619 --> 00:31:25,587

[three heavy thumps on glass]

441

00:31:25,620 --> 00:31:28,288

[Watchers shrieking]

442

00:31:28,322 --> 00:31:30,090

[thumping continues]

443

00:31:33,160 --> 00:31:35,229

-Hold still, Mina.

-[Watchers chittering]

444

00:31:35,262 --> 00:31:37,164

-Hold still.

-[banging on glass]

445

00:31:37,197 --> 00:31:39,333

-[three rapid thumps]

-Just let them see you.

446

00:31:39,366 --> 00:31:42,269

-[banging]

-[roaring]

447

00:31:42,302 --> 00:31:44,639

[caws]

448

00:31:44,672 --> 00:31:47,307

Ever since John left,

I've been hunting on my own.

449

00:31:48,475 --> 00:31:49,943

We all have a role to play.

450

00:31:50,978 --> 00:31:52,212

We work together to survive.

451

00:31:52,246 --> 00:31:53,147

-[bones snap]

-[crow squeals]

452

00:31:55,983 --> 00:31:58,720

Madeline used to teach
at some university.

453

00:31:58,753 --> 00:32:00,522

That's why she thinks
she knows everything.

454

00:32:03,157 --> 00:32:05,058

I know she can be
a bit intense, but...

455

00:32:06,160 --> 00:32:07,695

she's been here a lot longer
than any of us.

456

00:32:08,663 --> 00:32:10,665

[girls laughing, echoes]

457

00:32:20,040 --> 00:32:22,176

[bones rattle]

458

00:32:25,613 --> 00:32:27,347

How long have you been here,
Daniel?

459

00:32:28,415 --> 00:32:30,117

Eight months, three days.

460

00:32:31,586 --> 00:32:33,220

[Mina] Eight months,
and you've never seen one?

461

00:32:34,254 --> 00:32:35,557

You've never seen a Watcher?

462

00:32:36,290 --> 00:32:37,458

[Daniel] Of course not.

463

00:32:38,760 --> 00:32:40,595

No one sees a Watcher
and survives.

464

00:32:42,095 --> 00:32:43,330

Did Madeline tell you that?

465

00:32:46,568 --> 00:32:47,669

You don't believe her?

466

00:32:48,368 --> 00:32:49,303

No.

467

00:32:51,138 --> 00:32:52,540

I don't think you do, either.

468

00:32:57,679 --> 00:32:58,613

Mina.

469

00:33:00,147 --> 00:33:02,717

Mina. This is a bad idea.

470

00:33:04,051 --> 00:33:06,119

This is a really bad idea.

471

00:33:06,153 --> 00:33:08,222

Wait! It's against the rules!

472

00:33:09,323 --> 00:33:10,491

[Mina]

You can go back to the Coop.

473

00:33:12,059 --> 00:33:13,994

Tell Madeline

you lost me in the woods.

474

00:33:15,530 --> 00:33:17,097

Go on living by her rules.

475

00:33:20,501 --> 00:33:22,302

But don't you want to know
what they are?

476

00:33:24,404 --> 00:33:26,340

[sighs]

477

00:33:36,551 --> 00:33:40,020

[breathing heavily]

478

00:33:50,397 --> 00:33:52,700

[exhales]

479

00:33:52,734 --> 00:33:53,701

[Daniel] What do you see?

480

00:33:54,468 --> 00:33:55,637

Nothing yet.

481

00:34:00,542 --> 00:34:02,075

[exhales]

482

00:34:07,615 --> 00:34:11,051

[dirt rattling]

483

00:34:12,687 --> 00:34:16,189

[ragged breathing]

484

00:34:27,835 --> 00:34:29,837

[Daniel] Don't step
out of the sunlight, Mina.

485

00:34:29,871 --> 00:34:33,340

-[exhales]

-Seriously, stay in the light.

486

00:35:43,645 --> 00:35:44,712

[Mina shrieks]

487

00:35:45,813 --> 00:35:47,280

[metal object rattling]

488

00:35:53,688 --> 00:35:55,523

[creaking, rattling]

489

00:35:55,890 --> 00:35:56,624

[Mina] You got it?

490

00:35:57,391 --> 00:35:58,291

[Daniel] Got it.

491

00:36:02,697 --> 00:36:04,565

[bike rattling above]

492

00:36:07,835 --> 00:36:08,736

[faint guttural chittering]

493

00:36:27,387 --> 00:36:28,523

[trembling exhale]

494

00:36:29,824 --> 00:36:31,258

Daniel.

495

00:36:33,293 --> 00:36:35,362

[Mina panting]

496

00:36:35,395 --> 00:36:37,799

[footsteps approaching]

497

00:36:37,832 --> 00:36:38,933

Daniel!

498

00:36:39,767 --> 00:36:41,703

[rasping growl]

499

00:36:44,572 --> 00:36:45,873

[slow chittering]

500

00:36:48,943 --> 00:36:50,945

[low voice rumbling]

<i>Ainriochtán.</i>

501

00:36:50,978 --> 00:36:51,746

[shrieks] Daniel!

502

00:36:52,647 --> 00:36:53,781

[chittering echoes]

503

00:36:56,316 --> 00:36:58,586

[Madeline] Tell me again

where you found all this?

504

00:36:58,619 --> 00:37:01,455

[Mina] Out by Danny's spot,

stashed under a big rock.

505

00:37:03,423 --> 00:37:05,459

You said there was no chance

we could make it out by sunset.

506

00:37:05,492 --> 00:37:06,493

Not on foot.

507

00:37:07,327 --> 00:37:08,629

This changes everything,
doesn't it?

508

00:37:10,631 --> 00:37:11,699

Perhaps.

509

00:37:11,733 --> 00:37:13,366

[Daniel] Hey guys, come in here.

510

00:37:17,672 --> 00:37:19,239

You saw something today,
didn't you?

511

00:37:20,842 --> 00:37:22,342

Something that scared you.

512

00:37:24,779 --> 00:37:25,680

No.

513

00:37:27,014 --> 00:37:28,015

What was it?

514

00:37:29,784 --> 00:37:30,818

What did you see?

515

00:37:32,954 --> 00:37:33,988

Nothing.

516

00:37:35,422 --> 00:37:36,557

Honestly.

517

00:37:40,027 --> 00:37:41,863

The electronics

break down out there,

518

00:37:42,395 --> 00:37:43,497

somehow they work in here.

519

00:37:44,732 --> 00:37:46,701

The Professor must have created

some sort of power source.

520

00:37:48,035 --> 00:37:49,804

My best guess is
it's underneath us.

521

00:37:55,676 --> 00:37:56,944

[Ciara]

That's fantastic, Daniel.

522

00:37:57,845 --> 00:37:59,046

Surveillance.

523

00:38:00,548 --> 00:38:02,482

I figure if we
put it outside tonight...

524

00:38:03,885 --> 00:38:05,318

<i>We'll be able</i>

<i>to see the Watchers.</i>

525

00:38:07,822 --> 00:38:10,825

["Carnival of the Animals"
by Camille Saint-Saëns plays]

526

00:38:26,574 --> 00:38:28,475

Where are they?

They should be here by now.

527

00:38:29,911 --> 00:38:32,046

They'll come. They always come.

528

00:38:33,548 --> 00:38:36,851

[Madeline] Just act as if

everything is normal, all right?

529

00:38:39,486 --> 00:38:40,955

[light tap]

530

00:38:40,988 --> 00:38:44,025

[music ends]

531

00:38:48,029 --> 00:38:49,496

Did anyone hear that?

532

00:38:50,731 --> 00:38:51,666

Sounded like...

533

00:38:54,035 --> 00:38:55,570

[door handle rattles]

534

00:38:55,603 --> 00:38:56,838

[bang on door]

535

00:38:59,439 --> 00:39:00,575

[Ciara]

There's someone at the door.

536

00:39:01,542 --> 00:39:03,578

No one move a muscle.

537

00:39:03,611 --> 00:39:05,012

[knocking]

538

00:39:06,080 --> 00:39:07,815

[Daniel] Someone's out there.

539

00:39:07,849 --> 00:39:09,784

-Impossible.

-[tapping]

540

00:39:09,817 --> 00:39:11,886

No one can survive the forest
after sunset.

541

00:39:11,919 --> 00:39:12,987

This is a trick.

542

00:39:13,020 --> 00:39:14,956

[knocking]

543

00:39:16,190 --> 00:39:18,059

[Madeline]

Mina, I know you're lying

544

00:39:18,092 --> 00:39:20,393

about where you found that bike.

545

00:39:20,427 --> 00:39:21,963

I need you to be honest with me.

546

00:39:22,864 --> 00:39:24,397

Did you break the rules?

547

00:39:24,431 --> 00:39:27,001

-[man coughing]

-[knocking]

548

00:39:27,902 --> 00:39:29,503

[Ciara] Oh, my God.

549

00:39:30,671 --> 00:39:31,606

[Madeline] Wait.

550

00:39:32,540 --> 00:39:34,942

[light knocking]

551

00:39:34,976 --> 00:39:37,945

John? Is that you?

552

00:39:44,051 --> 00:39:46,754

[John] Yes, honey.

Please open the door.

553

00:39:46,787 --> 00:39:48,789

He's back. John's back.

554

00:39:49,690 --> 00:39:50,725

[John coughing]

555

00:39:50,758 --> 00:39:52,026

You're smarter than this, Ciara.

556

00:39:53,628 --> 00:39:55,763

-[John] Ciara.

-I told you he'd come back.

557

00:39:55,796 --> 00:39:57,899

-[John] They're coming, honey.

-[knocking, thumping]

558

00:39:57,932 --> 00:39:59,934

-You need to let me inside.

-John, I'm opening the doo--

559

00:40:01,468 --> 00:40:03,838

We do not open the door
after sunset.

560

00:40:03,871 --> 00:40:05,706

No matter what.
That is the rule.

561

00:40:05,740 --> 00:40:09,644

The rules don't matter anymore,
my husband is outside.

562

00:40:09,677 --> 00:40:13,581

[John] Darling, I don't mean
to scare you, but I'm hurt.

563

00:40:13,614 --> 00:40:15,016

Pretty bad. Please.

564

00:40:15,049 --> 00:40:17,652

The Watchers are
playing with us, baiting us.

565

00:40:17,685 --> 00:40:19,020

-No, I--

-[Madeline] This is a trick.

566

00:40:19,053 --> 00:40:20,922

No, I know my husband's voice.

It's him.

567

00:40:20,955 --> 00:40:22,223

Even if it's not John,

568

00:40:22,256 --> 00:40:23,591

if there's someone out there

we should help them.

569

00:40:23,624 --> 00:40:24,959

We do not open the door

for anyone.

570

00:40:25,927 --> 00:40:27,094

[urgent knocking]

571

00:40:27,128 --> 00:40:28,596

Mina?

572

00:40:29,130 --> 00:40:30,932

[Ciara] John,

just wait one second, honey.

573

00:40:30,965 --> 00:40:33,067

[Madeline] Tell me what you did.

Tell me where you went.

574

00:40:34,068 --> 00:40:36,170

I went down into a burrow.

575

00:40:36,203 --> 00:40:37,538

My God.

576

00:40:37,571 --> 00:40:39,607

[Daniel]

She wasn't alone. I helped her.

577

00:40:39,640 --> 00:40:41,542

[Madeline]

Daniel acts on impulse.

578

00:40:41,575 --> 00:40:43,978

You knew he would follow you.

You used him.

579

00:40:44,011 --> 00:40:45,146

You don't know me.

580

00:40:45,179 --> 00:40:47,248

[Madeline] I see you, Mina.

581

00:40:47,281 --> 00:40:49,850

You are angry,

and you are selfish.

582

00:40:49,884 --> 00:40:51,686

You behave like a child.

583

00:40:51,719 --> 00:40:54,121

I'm not supposed to be here,

and I'm not staying here.

584

00:40:54,155 --> 00:40:55,189

Do you get that?

585

00:40:56,123 --> 00:40:57,490

I'm the one that's getting out.

586

00:40:57,525 --> 00:40:59,193

[Ciara]

Shut up. Everyone just shut up.

587

00:40:59,226 --> 00:41:02,196

My husband is outside,
and I'm opening the door.

588

00:41:02,229 --> 00:41:03,731

Stop, wait.

589

00:41:04,765 --> 00:41:06,667

Wait just one second.

590

00:41:06,701 --> 00:41:08,970

Ask him something
only he would know.

591

00:41:09,003 --> 00:41:11,105

[John] Darling, please.

592

00:41:11,138 --> 00:41:12,640

Why?

593

00:41:12,673 --> 00:41:13,908

Now's not the time

to stop trusting me. Do it.

594

00:41:14,775 --> 00:41:16,777

[tapping]

595

00:41:18,145 --> 00:41:19,547

[sniffing]

596

00:41:20,915 --> 00:41:22,049

John?

597

00:41:22,083 --> 00:41:23,784

[panting]

598

00:41:23,818 --> 00:41:25,152

I'm so sorry, honey.

599

00:41:27,054 --> 00:41:29,056

[inhales]

What book am I reading?

600

00:41:33,060 --> 00:41:34,028

John?

601

00:41:36,630 --> 00:41:37,698

[John] Book?

602

00:41:40,234 --> 00:41:41,501

<i>I don't know.</i>

603

00:41:42,903 --> 00:41:47,174

Yes, you do. You do, baby.

[sobs]

604

00:41:47,208 --> 00:41:50,611

We bought it at that
beautiful bookshop in Dublin.

605

00:41:52,246 --> 00:41:53,714

You knew I'd love it.

606

00:41:53,748 --> 00:41:55,616

You told me
it reminded you of me.

607

00:41:56,283 --> 00:41:58,019

[John] Hold me, please.

608

00:41:58,052 --> 00:42:00,521

Just let me inside
so I can touch you.

609

00:42:01,956 --> 00:42:03,624

There's something wrong
with him.

610

00:42:03,657 --> 00:42:07,094

Ciara, the Watchers

do not spare human life.

611

00:42:07,128 --> 00:42:08,295

You don't know that.

612

00:42:08,329 --> 00:42:09,697

[Daniel] They're out there
with him, Ciara.

613

00:42:09,730 --> 00:42:10,765

The Watchers are out there.

614

00:42:10,798 --> 00:42:12,767

They come here
every night, Ciara.

615

00:42:12,800 --> 00:42:13,934

Every night.

616

00:42:13,968 --> 00:42:15,836

Why would tonight
be an exception?

617

00:42:15,870 --> 00:42:16,971

[John] I can hear them.

618

00:42:18,739 --> 00:42:19,540

They're coming.

619

00:42:22,943 --> 00:42:24,979

John, there's a camera
by your feet.

620

00:42:25,012 --> 00:42:26,113

[Madeline] Ciara.

621

00:42:26,147 --> 00:42:27,581

I need you to pick it up,

622

00:42:27,615 --> 00:42:29,784

I need you
to bring it to your face,

623

00:42:29,817 --> 00:42:31,886

so the others can see that

it's you and that you're alone.

624

00:42:33,187 --> 00:42:34,922

And then I can open the door,
and you can come inside.

625

00:42:34,955 --> 00:42:35,956

[Madeline] Ciara!

626

00:42:46,967 --> 00:42:49,770

[panting]

627

00:42:49,804 --> 00:42:50,771

<i>Help me--</i>

628

00:42:51,238 --> 00:42:52,673

John?

629

00:42:52,706 --> 00:42:54,075

-John, come back!

-[Madeline] Ciara.

630

00:42:55,276 --> 00:42:57,978

Let my husband go!

[sobbing]

631

00:42:58,012 --> 00:42:58,979

Johnny...

632

00:42:59,780 --> 00:43:01,248

I'm so sorry.

633

00:43:04,151 --> 00:43:05,920

[growl]

634

00:43:06,754 --> 00:43:07,822

[gasps]

635

00:43:07,855 --> 00:43:08,789

[Madeline]

They're coming. Places.

636

00:43:09,190 --> 00:43:10,724

-[static hisses]

-[cable snaps]

637

00:43:13,427 --> 00:43:15,963

[Watchers roaring]

638

00:43:15,996 --> 00:43:17,231

[heavy thud on glass]

639

00:43:20,835 --> 00:43:23,037

-[heavy banging]

-What are they doing?

640

00:43:23,070 --> 00:43:24,205

They're trying to get in.

641

00:43:24,872 --> 00:43:26,373

-[banging]

-[angry chittering]

642

00:43:26,407 --> 00:43:28,175

If the glass breaks,

this is over for us.

643

00:43:28,209 --> 00:43:29,210

Do you understand
what I'm saying?

644

00:43:29,243 --> 00:43:31,846

-[Watchers squealing]
-[thudding intensifies]

645

00:43:31,879 --> 00:43:32,980

Get behind me.

646

00:43:33,948 --> 00:43:35,716

[banging]

647

00:43:36,217 --> 00:43:39,019

[shrieking, growling]

648

00:43:39,053 --> 00:43:41,722

[growls fade]

649

00:44:00,207 --> 00:44:01,242

We'll find another way out.

650

00:44:05,146 --> 00:44:06,947

Are you done breaking the rules?

651

00:44:31,972 --> 00:44:34,341

[swirling, overlapping screams]

652

00:44:38,245 --> 00:44:41,115

[indistinct shouting, yelling]

653

00:44:41,148 --> 00:44:44,151

[screams echoing]

654

00:44:46,086 --> 00:44:48,022

[chittering]

655

00:44:49,524 --> 00:44:50,691

[Watcher shrieks]

656

00:44:51,892 --> 00:44:54,929

-[loud chittering]

-[rustling]

657

00:44:58,299 --> 00:45:00,367

[shrieks fade to silence]

658

00:45:04,772 --> 00:45:06,340

[woman] *<i>Mina! Lucy!</i>*

659

00:45:10,477 --> 00:45:15,082

Mina, isn't it

the most beautiful day?

660

00:45:15,115 --> 00:45:15,983

Yes, Mother.

661

00:45:16,951 --> 00:45:17,918

[mother] Where's your sister?

662

00:45:20,387 --> 00:45:21,855

I'm here.

663

00:45:21,889 --> 00:45:22,756

[mother] Come, girls.

664

00:45:23,891 --> 00:45:26,160

I'm feeling like a drive.

665

00:45:26,193 --> 00:45:31,999

["Four Boys" by Goldberg
plays on radio]

666

00:45:32,032 --> 00:45:34,201

[mother] Mina, please roll
your window up.

667

00:45:34,235 --> 00:45:35,436

My hair will get all messy.

668

00:45:39,173 --> 00:45:41,208

I don't understand why
you can't just follow the rules.

669

00:45:41,875 --> 00:45:43,077

[music continues]

670

00:45:43,110 --> 00:45:45,246

[window whirs]

671

00:45:45,279 --> 00:45:47,114

Are you trying to make me upset?

I asked you once.

672

00:45:47,147 --> 00:45:50,084

Are you trying to make me upset?

I asked you once.

673

00:45:50,117 --> 00:45:52,052

[stammers] You drive me crazy,

do you know that?

674

00:45:52,086 --> 00:45:53,787

You drive me crazy,

do you know that?

675

00:45:53,821 --> 00:45:55,022

-Enough!

-[thumps]

676

00:45:55,590 --> 00:45:56,991

[inhales]

677

00:45:57,024 --> 00:45:58,325

-I hate you, I hate you!

-[fingers crunching]

678

00:45:58,359 --> 00:46:00,060

What are you doing?

Are you insane?

679

00:46:00,094 --> 00:46:01,161

-[screaming]

-What's going on?

680

00:46:01,195 --> 00:46:02,296

[horn blares]

681

00:46:03,430 --> 00:46:05,499

[crash echoing]

682

00:46:09,537 --> 00:46:11,105

[birds squawking]

683

00:46:16,477 --> 00:46:17,911

[Mina narrating] *Winter came,*

684

00:46:17,945 --> 00:46:19,980

and the forest

was playing with our minds.

685

00:46:21,583 --> 00:46:23,884

Escape no longer seemed

like an option.

686

00:46:25,919 --> 00:46:28,088

The days were shorter,

the cold was brutal.

687

00:46:31,125 --> 00:46:32,926

We were all beginning to crack.

688

00:46:47,308 --> 00:46:49,310

[Madeline] Hurry up, Daniel.

The daylight's fading.

689

00:46:49,343 --> 00:46:51,245

[Daniel]

I'm going as fast as I can.

690

00:46:51,278 --> 00:46:53,981

[Madeline] You've become clumsy

and you've become weak.

691

00:46:54,014 --> 00:46:55,916

We'll all starve if you don't

catch something soon.

692

00:46:55,949 --> 00:46:56,884

[Daniel] Okay.

693

00:46:58,118 --> 00:46:59,219

-[Madeline] Daniel!

-Okay!

694

00:47:07,961 --> 00:47:08,896

[Madeline] Hurry up.

695

00:47:17,104 --> 00:47:18,172

[Mina] Are you all right?

696

00:47:19,406 --> 00:47:21,075

Have you eaten anything today?

697

00:47:22,644 --> 00:47:25,379

Danny and Madeline
were going at each other again.

698

00:47:25,412 --> 00:47:27,281

I can't stand
the sound of them fighting.

699

00:47:29,684 --> 00:47:35,356

<i>The couple who</i>
<i>we have decided to send home...</i>

700

00:47:36,457 --> 00:47:38,025

<i>...is Dom and Tanya.</i>

701

00:47:38,058 --> 00:47:40,127

[contestants gasp]

702

00:47:40,160 --> 00:47:41,529

<i>Oh, my God.</i>

703

00:47:41,563 --> 00:47:45,299

[Tanya] <i>Courtney, no, my head is</i>

<i>turned and screwed, I'm sorry.</i>

704

00:47:46,066 --> 00:47:48,536

[woman 2 crying] <i>It's never easy</i>

<i>to see someone go.</i>

705

00:47:48,570 --> 00:47:50,971

<i>But as much as this sucks...</i>

706

00:47:51,606 --> 00:47:52,873

<i>...I've shed my tears.</i>

707

00:47:54,408 --> 00:47:57,211

[with tv] You know how it is,
the show must go on.

708

00:47:57,244 --> 00:47:58,312

-[man] <i>We love you guys.</i>

-[Courtney] <i>So much.</i>

709

00:47:58,345 --> 00:47:59,480

-[man 2] <i>We love you.</i>

-[man 3] <i>Love you.</i>

710

00:47:59,514 --> 00:48:00,948

-[Courtney] <i>Love you.</i>

-[Daria] <i>I'm sorry, guys.</i>

711

00:48:01,816 --> 00:48:04,552

[contestants on tv hooting,
clapping]

712

00:48:07,287 --> 00:48:08,255

[Mina] Ciara!

713

00:48:10,090 --> 00:48:11,091

Ciara!

714

00:48:13,060 --> 00:48:14,294

Ciara, where are you?

715

00:48:15,229 --> 00:48:16,363

Ciara!

716

00:48:17,231 --> 00:48:19,400

[birds squawking]

717

00:48:21,268 --> 00:48:24,304

It's almost sunset, Ciara.

What are you doing?

718

00:48:28,108 --> 00:48:29,410

He was there that night.

719

00:48:30,745 --> 00:48:32,614

Centimeters from me.

720

00:48:34,616 --> 00:48:36,183

But I can feel it now.

721

00:48:37,117 --> 00:48:39,052

I know that he's gone.

722

00:48:41,121 --> 00:48:42,322

[Mina]

You're not thinking straight.

723

00:48:42,356 --> 00:48:43,390

None of us are.

724

00:48:43,424 --> 00:48:45,092

I should be with him,
shouldn't I?

725

00:48:46,160 --> 00:48:48,362

-If they dragged him down there.
-Don't be silly.

726

00:48:50,632 --> 00:48:52,266

I don't think I'm being silly.

727

00:48:53,367 --> 00:48:54,935

[Daniel screams]

728

00:48:56,538 --> 00:48:57,337

Daniel.

729

00:48:59,039 --> 00:49:00,407

[Mina]

He was hunting with Madeline.

730

00:49:00,441 --> 00:49:02,242

I shouldn't have

left them alone.

731

00:49:02,276 --> 00:49:03,243

Daniel!

732

00:49:04,344 --> 00:49:05,513

What are you doing?

733

00:49:06,514 --> 00:49:08,282

The boy has lost his mind.

734

00:49:08,716 --> 00:49:09,617

Untie me, Daniel.

735

00:49:11,485 --> 00:49:12,953

Our rules now.

736

00:49:14,221 --> 00:49:15,623

Wait, Danny.

737

00:49:15,657 --> 00:49:17,692

Just talk to me. Wait!

738

00:49:20,027 --> 00:49:23,397

I told you once that this forest
brings out the worst in us all.

739

00:49:24,632 --> 00:49:27,201

We need to get back
to the Coop, now.

740

00:49:32,574 --> 00:49:35,743

[Mina] Danny. Daniel!

741

00:49:35,777 --> 00:49:38,278

[Ciara]

Daniel, don't do this. Please.

742

00:49:38,312 --> 00:49:39,179

[whispers] Oh, my God.

743

00:49:40,147 --> 00:49:41,448

Open the door, Daniel.

744

00:49:41,482 --> 00:49:42,650

-[Ciara] Danny.

-[Daniel] No.

745

00:49:42,684 --> 00:49:44,351

Open the door, Daniel!

746

00:49:44,384 --> 00:49:46,588

[Daniel] We do not open the door
for anyone, no matter what.

747

00:49:46,621 --> 00:49:49,022

[birds squawk]

748

00:49:49,591 --> 00:49:51,325

The sun is going down, Daniel.

749

00:49:51,358 --> 00:49:52,560

[Daniel] You should have
left her out there, Mina.

750

00:49:52,594 --> 00:49:53,561

Let's go.

751

00:49:53,595 --> 00:49:55,262

[Watchers growling]

752

00:49:55,295 --> 00:49:57,164

[Mina] We should talk to him.
He's just trying to scare us.

753

00:49:57,197 --> 00:49:58,398

Do not underestimate his anger.

754

00:49:59,166 --> 00:50:00,300

-Danny.

-Hmm?

755

00:50:00,334 --> 00:50:01,401

Why did you do that?

756

00:50:02,504 --> 00:50:04,104

[Daniel]

Something had to change.

757

00:50:05,640 --> 00:50:08,342

Come on, Ciara.

The Watchers will be here soon.

758

00:50:08,375 --> 00:50:10,010

[panting]

759

00:50:12,346 --> 00:50:14,047

[panting]

760

00:50:16,416 --> 00:50:19,086

[panting] Look.

761

00:50:20,788 --> 00:50:21,756

It's rotting.

762

00:50:23,558 --> 00:50:25,392

[Madeline] Let's hope

it's enough to mask our scent.

763

00:50:28,563 --> 00:50:32,165

The rule is,

"Everyone inside by sunset.

764

00:50:32,199 --> 00:50:34,401

All of us, in the light."

765

00:50:38,873 --> 00:50:40,474

Where are they?

766

00:50:40,508 --> 00:50:42,175

They'll come, they always come.

767

00:50:59,694 --> 00:51:01,596

[fluttering]

768

00:51:04,331 --> 00:51:07,334

[chittering]

769

00:51:11,204 --> 00:51:14,776

[growling]

770

00:51:19,581 --> 00:51:21,081

[chittering]

771

00:51:24,451 --> 00:51:26,854

[snarling]

772

00:51:27,922 --> 00:51:29,456

[growls]

773

00:51:31,458 --> 00:51:32,727

[shrieks]

774

00:51:50,678 --> 00:51:53,615

[shrieks loudly]

775

00:51:58,385 --> 00:52:01,889

[Watchers chittering]

776

00:52:06,226 --> 00:52:10,197

-[footsteps thudding]

-[chittering]

777

00:52:24,545 --> 00:52:26,814

[squealing]

778

00:52:31,753 --> 00:52:33,286

Don't move, it will be okay.

779

00:52:34,454 --> 00:52:38,325

[Watchers growling, shrieking]

780

00:52:38,358 --> 00:52:41,228

They're not here!

They're not in here with us!

781

00:52:41,929 --> 00:52:44,431

[chittering, screeching]

782

00:52:51,839 --> 00:52:54,876

They're looking for us.

[panting]

783

00:52:55,777 --> 00:52:56,778

[whispers] Let's go.

784

00:52:58,980 --> 00:53:00,380

[Mina] Daniel!

785

00:53:00,414 --> 00:53:01,716

Danny!

786

00:53:01,749 --> 00:53:03,250

[Madeline]

Open the door, Daniel.

787

00:53:04,351 --> 00:53:05,720

Danny, please!

788

00:53:05,753 --> 00:53:08,288

[Madeline] We don't have

much time. Do you understand?

789

00:53:09,389 --> 00:53:11,559

-Daniel!

-Daniel, please listen to me.

790

00:53:11,592 --> 00:53:12,593

I know that you're angry.

791

00:53:14,327 --> 00:53:15,362

[Watchers growling faintly]

792

00:53:15,395 --> 00:53:16,964

Did I ever tell you
about my sister?

793

00:53:18,633 --> 00:53:19,867

Her name is Lucy.

794

00:53:20,935 --> 00:53:22,570

She tries calling.

795

00:53:23,805 --> 00:53:25,840

Our mom died when we were young.

796

00:53:27,274 --> 00:53:30,545

I've never told anyone,
but it was my fault.

797

00:53:33,346 --> 00:53:35,583

I don't think
I'm a good person, Daniel.

798

00:53:35,616 --> 00:53:36,517

But you are.

799

00:53:37,952 --> 00:53:39,987

And you don't know what a thing
like this will do to you.

800

00:53:40,021 --> 00:53:41,789

It'll haunt you
for the rest of your life.

801

00:53:43,825 --> 00:53:46,527

Please, Danny,

I don't want to die.

802

00:53:49,564 --> 00:53:50,363

Please.

803

00:53:51,833 --> 00:53:55,268

[shrieking approaches]

804

00:53:56,771 --> 00:53:58,338

[Mina sighs]

805

00:54:01,709 --> 00:54:02,877

How stupid can you be?

806

00:54:02,910 --> 00:54:03,978

Stay away from me.

807

00:54:04,011 --> 00:54:05,513

I should've killed you
months ago.

808

00:54:05,546 --> 00:54:06,814

Come on, leave him alone.

809

00:54:07,749 --> 00:54:08,850

They're coming!

810

00:54:08,883 --> 00:54:09,751

[Madeline]

We've broken too many rules.

811

00:54:10,651 --> 00:54:12,019

In front of the mirror now,
everybody.

812

00:54:15,056 --> 00:54:18,926

I told you I'd never lie to you
and I haven't, not really.

813

00:54:18,960 --> 00:54:21,963

But there are some truths that
I had hoped to protect you from.

814

00:54:23,564 --> 00:54:25,365

I taught history on the outside.

815

00:54:26,399 --> 00:54:28,435

Folklore, mythology,
that kind of thing.

816

00:54:29,804 --> 00:54:33,273

Unlike the rest of you,
I came here because I wanted to.

817

00:54:34,041 --> 00:54:36,343

I knew what was inside.

818

00:54:36,376 --> 00:54:38,913

It was only the night I saw one
for the first time

819

00:54:38,946 --> 00:54:42,482

that I knew how grave
the danger of this place.

820

00:54:42,917 --> 00:54:43,985

You've seen one?

821

00:54:45,620 --> 00:54:47,655

I hunted on my own
in those days.

822

00:54:49,724 --> 00:54:51,759

The sun was setting
as I rushed back to the Coop.

823

00:54:52,894 --> 00:54:54,427

I cut it too close.

824

00:54:55,395 --> 00:54:56,496

Then I heard something.

825

00:54:58,666 --> 00:55:03,070

When I pushed
through the trees, well...

826

00:55:04,705 --> 00:55:06,406

<i>I thought I'd finally</i>

<i>lost my mind.</i>

827

00:55:06,974 --> 00:55:08,676

[chittering]

828

00:55:08,709 --> 00:55:10,545

[Ciara]

<i>What was it? What did you see?</i>

829

00:55:11,478 --> 00:55:12,479

[Madeline] <i>I saw...</i>

830

00:55:13,614 --> 00:55:14,649

<i>...myself.</i>

831

00:55:20,655 --> 00:55:21,823

<i>Not a perfect replica.</i>

832

00:55:23,791 --> 00:55:25,893

<i>Everything was sort of... off.</i>

833

00:55:27,061 --> 00:55:29,931

<i>And it was longer, leaner.</i>

834

00:55:32,066 --> 00:55:33,835

[Ciara] That's not possible.

835

00:55:33,868 --> 00:55:37,004

The Watchers

are a very ancient species,

836

00:55:37,038 --> 00:55:39,372

the things of legend and lore.

837

00:55:39,406 --> 00:55:41,075

They go by many names...

838

00:55:41,843 --> 00:55:43,678

Changelings.

839

00:55:43,711 --> 00:55:44,879

The Winged People.

840

00:55:45,880 --> 00:55:47,114

Fairies.

841

00:55:48,583 --> 00:55:49,784

Fairies?

842

00:55:49,817 --> 00:55:52,419

Yes. This is why they watch us.

843

00:55:52,452 --> 00:55:53,453

[growling]

844

00:55:53,486 --> 00:55:55,056

<i>They're studying us</i>

845

00:55:55,089 --> 00:55:56,691

<i>so that they can become us.</i>

846

00:55:57,658 --> 00:55:59,994

<i>We are their playthings,</i>

<i>their muses.</i>

847

00:56:00,828 --> 00:56:02,964

And that is why

they will never let us leave.

848

00:56:02,997 --> 00:56:04,565

[banging on door]

849

00:56:05,766 --> 00:56:06,701

[Ciara's voice] John?

850

00:56:07,902 --> 00:56:09,469

I'm so sorry, honey.

851

00:56:09,502 --> 00:56:11,005

[heavy knocking]

852

00:56:11,038 --> 00:56:12,405

[Ciara's voice]

What book am I reading?

853

00:56:12,439 --> 00:56:13,975

[breathless]

Is that one of them?

854

00:56:14,008 --> 00:56:15,142

[Madeline]

Tricky beasts, aren't they?

855

00:56:15,176 --> 00:56:16,744

[thumping]

856

00:56:16,777 --> 00:56:19,513

[Madeline's voice] Nightmares.

We all get them here.

857

00:56:19,547 --> 00:56:20,715

-Come sleep by us.

-[thumps]

858

00:56:20,748 --> 00:56:22,717

[Daniel's voice] Good evening.

859

00:56:22,750 --> 00:56:24,619

What a show

we have for you tonight.

860

00:56:24,652 --> 00:56:26,988

Yeah. We're all

on the edge of our seats.

861

00:56:27,021 --> 00:56:30,124

-[feet tapping]

-[Watchers chittering]

862

00:56:31,192 --> 00:56:32,760

-[bangs]

-[gasps]

863

00:56:32,793 --> 00:56:33,861

[Mina's voice] Daniel.

864

00:56:34,595 --> 00:56:36,097

-Daniel.

-[rapid banging]

865

00:56:36,130 --> 00:56:37,397

Daniel!

866

00:56:37,999 --> 00:56:39,033

They're going to get in.

867

00:56:44,205 --> 00:56:45,539

[Madeline]

The door isn't going to hold.

868

00:56:45,573 --> 00:56:46,774

Try not to die. [chirps]

869

00:56:46,807 --> 00:56:48,142

[Romeo's voice] Like, she's
just got that look about her,

870

00:56:48,175 --> 00:56:50,544

that kind of like,
feral almost, look.

871

00:56:50,578 --> 00:56:51,679

[Ciara] What's that?

872

00:56:53,114 --> 00:56:56,651

[sniffing, scratching outside]

873

00:56:56,684 --> 00:56:57,551

[Mina] Oh, my God.

874

00:56:58,185 --> 00:57:00,453

[feet tapping]

875

00:57:00,487 --> 00:57:01,122

[Madeline] Be careful!

876

00:57:03,724 --> 00:57:04,592

There's something underneath.

877

00:57:04,625 --> 00:57:06,093

[Ciara]

Has anyone seen this before?

878

00:57:06,127 --> 00:57:07,128

[Madeline] No!

879

00:57:07,161 --> 00:57:08,562

[Mina] What do we do?

880

00:57:08,596 --> 00:57:10,164

[screeching,

banging continue]

881

00:57:10,731 --> 00:57:11,699

[Ciara] Oh, my God.

882

00:57:11,732 --> 00:57:13,000

They're going to

break the glass.

883

00:57:13,968 --> 00:57:15,002

[Madeline voice]

If you care for your life,

884

00:57:15,036 --> 00:57:15,970

you're going to have to run.

885

00:57:16,003 --> 00:57:17,171

[banging outside]

886

00:57:18,773 --> 00:57:19,874

[Mina's voice]

I'm not supposed to be here.

887

00:57:19,907 --> 00:57:21,208

I'm the one that's getting out.

888

00:57:21,242 --> 00:57:23,177

[screeching outside]

889

00:57:32,987 --> 00:57:33,788

It's a door!

890

00:57:34,956 --> 00:57:36,924

-Open it.

-[Madeline] Wait! Wait!

891

00:57:38,693 --> 00:57:40,661

-[banging continues]

-[human-like shouting outside]

892

00:57:40,695 --> 00:57:42,563

[overlapping screams outside]

893

00:57:48,135 --> 00:57:49,236

I'm going down.

894

00:57:49,270 --> 00:57:50,838

[heavy knocking]

895

00:57:52,773 --> 00:57:53,908

Hand me my bird.

896

00:57:57,144 --> 00:57:58,612

[Darwin chirps]

897

00:57:58,646 --> 00:58:00,715

[banging and shrieking outside]

898

00:58:02,950 --> 00:58:04,118

[Darwin chirps]

899

00:58:04,151 --> 00:58:06,120

-[banging on door]

-[Watchers shrieking]

900

00:58:08,322 --> 00:58:10,191

-[banging]

-[glass cracking]

901

00:58:11,892 --> 00:58:14,028

[metal creaking]

902

00:58:14,061 --> 00:58:15,830

[glass shatters]

903

00:58:30,811 --> 00:58:32,880

[panting]

904

00:58:32,913 --> 00:58:35,082

[Darwin chirping]

905

00:58:37,184 --> 00:58:38,285

[Daniel grunting]

906

00:58:44,792 --> 00:58:47,228

[Ciara] This was underneath us
the entire time!

907

00:58:47,261 --> 00:58:48,763

Look at all of this food!

908

00:58:49,764 --> 00:58:52,066

We can live like this for years.

No more hunting.

909

00:58:54,835 --> 00:58:56,704

[Ciara] It looks like

someone was studying them.

910

00:58:57,972 --> 00:58:59,640

[Daniel] I guess you didn't

know everything, Madeline.

911

00:59:07,214 --> 00:59:09,150

[computer clicks and whirs]

912

00:59:13,654 --> 00:59:14,722

[Ciara] Can you get a signal?

913

00:59:15,623 --> 00:59:16,690

[Mina] I don't think so.

914

00:59:20,995 --> 00:59:21,662

[clicks mouse]

915

00:59:26,367 --> 00:59:28,903

[man sighs]

916

00:59:32,740 --> 00:59:34,175

<i>Professor Rory Kilmartin.</i>

917

00:59:35,643 --> 00:59:37,845

<i>24th of September, 2009.</i>

918

00:59:37,878 --> 00:59:39,880

It's him. The Professor.

919

00:59:39,914 --> 00:59:40,781

[pouring drink]

920

00:59:40,815 --> 00:59:42,049

<i>Today marks the beginning</i>

921

00:59:42,083 --> 00:59:44,585

<i>of my greatest,</i>

<i>most singular achievement.</i>

922

00:59:45,653 --> 00:59:47,354

<i>My impenetrable fortress,</i>

923

00:59:47,388 --> 00:59:50,091

<i>here in the center</i>

<i>of their habitat.</i>

924

00:59:51,659 --> 00:59:54,028

<i>I call it, "Wonderland."</i>

925

00:59:56,297 --> 00:59:58,365

<i>They come and see me every night</i>

<i>as I thought they would.</i>

926

00:59:59,834 --> 01:00:02,236

<i>They just stand there</i>

<i>at the glass, watching.</i>

927

01:00:02,269 --> 01:00:03,304

<i>Completely still.</i>

928

01:00:05,106 --> 01:00:06,774

<i>It's almost as if</i>

<i>they can't help themselves.</i>

929

01:00:08,175 --> 01:00:10,044

<i>They are fascinated with me.</i>

930

01:00:12,179 --> 01:00:12,913

[monitor clicks]

931

01:00:15,049 --> 01:00:16,717

[mouse clicking]

932

01:00:18,185 --> 01:00:19,220

[breathes shakily]

933

01:00:19,253 --> 01:00:20,321

<i>0900.</i>

934

01:00:22,356 --> 01:00:24,125

<i>Last night</i>

<i>was the worst night yet.</i>

935

01:00:26,093 --> 01:00:27,728

<i>They are mastering me.</i>

936

01:00:30,197 --> 01:00:32,133

<i>At first,</i>

<i>they made sizeable mistakes.</i>

937

01:00:32,166 --> 01:00:33,834

<i>They got the proportions</i>

<i>of my eyes wrong.</i>

938

01:00:35,302 --> 01:00:36,937

<i>They miscounted</i>

<i>the number of my fingers.</i>

939

01:00:38,239 --> 01:00:40,407

<i>But the Watchers</i>

<i>are fast learners now.</i>

940

01:00:41,742 --> 01:00:43,410

[ragged breathing]

941

01:00:43,444 --> 01:00:45,312

<i>I think I might have to</i>

<i>treat the glass.</i>

942

01:00:52,419 --> 01:00:54,455

[Kilmartin] <i>For years,</i>

<i>my colleagues mocked me</i>

943

01:00:54,488 --> 01:00:57,158

<i>as I meticulously planned</i>

<i>the creation of Wonderland.</i>

944

01:00:58,859 --> 01:01:01,162

<i>Machines wouldn't work</i>

<i>until I had a generator.</i>

945

01:01:01,195 --> 01:01:02,997

<i>So, I had to rely</i>

<i>on manual labor.</i>

946

01:01:04,031 --> 01:01:05,399

<i>Thirteen a day.</i>

947

01:01:05,432 --> 01:01:07,201

<i>No more, no less.</i>

<i>That was the rule.</i>

948

01:01:08,736 --> 01:01:10,471

<i>Men from neighboring towns</i>

<i>and villages.</i>

949

01:01:10,505 --> 01:01:13,174

<i>Men with no money, no family.</i>

950

01:01:15,109 --> 01:01:16,410

<i>And the end of each day,</i>

951

01:01:16,443 --> 01:01:18,946

<i>I urged them</i>

<i>to eat supper outside as I...</i>

952

01:01:20,814 --> 01:01:22,816

<i>...quietly slipped</i>

<i>into the bunker,</i>

953

01:01:22,850 --> 01:01:23,951

<i>sealed the hatch,</i>

954

01:01:25,319 --> 01:01:27,421

<i>waited for their screams</i>

<i>to subside.</i>

955

01:01:29,256 --> 01:01:31,892

<i>This place was built</i>

<i>on the blood of innocent people.</i>

956

01:01:34,495 --> 01:01:37,798

<i>All in the pursuit of knowledge,</i>

<i>I suppose.</i>

957

01:01:38,966 --> 01:01:40,034

[Ciara] Oh, my God.

958

01:01:45,239 --> 01:01:48,809

<i>One of them appeared to me today</i>

<i>in the form of a child.</i>

959

01:01:49,910 --> 01:01:51,946

<i>A little girl with red hair.</i>

960

01:01:53,447 --> 01:01:56,050

<i>This creature was different</i>

<i>from the others.</i>

961

01:01:56,784 --> 01:01:58,485

<i>It was traveling on its own.</i>

962

01:01:58,520 --> 01:02:02,056

<i>It seemed curious,</i>

<i>innocent even.</i>

963

01:02:03,991 --> 01:02:07,228

<i>Imagine if you could access</i>

<i>all that perverted power.</i>

964

01:02:07,261 --> 01:02:09,263

<i>The power of duplication.</i>

965

01:02:10,431 --> 01:02:12,266

<i>Imagine what one could do.</i>

966

01:02:14,368 --> 01:02:15,970

<i>One could even cheat death.</i>

967

01:02:17,539 --> 01:02:19,039

[Daniel] "Cheat death"?

What does he mean?

968

01:02:19,073 --> 01:02:20,274

[Ciara] He's crazy.

969

01:02:21,375 --> 01:02:23,077

[clicks mouse]

970

01:02:23,110 --> 01:02:25,879

-[scraping]

-[Kilmartin] <i>Unbelievable.</i>

971

01:02:27,481 --> 01:02:29,083

<i>I've done the impossible.</i>

972

01:02:34,522 --> 01:02:37,157

[scraping]

973

01:02:37,191 --> 01:02:40,995

[faint chittering]

974

01:02:45,899 --> 01:02:47,901

[low growling]

975

01:02:47,935 --> 01:02:49,203

<i>I'm not going to hurt you.</i>

976

01:02:58,879 --> 01:03:00,281

[heavy bang]

977

01:03:00,314 --> 01:03:02,182

[Kilmartin] <i>Sh-sh-shhh.</i>

978

01:03:03,183 --> 01:03:04,218

<i>It's all right.</i>

979

01:03:07,321 --> 01:03:08,389

<i>It's all right.</i>

980

01:03:11,025 --> 01:03:13,193

<i>You and I</i>

<i>are going to be great friends.</i>

981

01:03:15,362 --> 01:03:17,264

<i>My God, you're magnificent.</i>

982

01:03:19,366 --> 01:03:21,468

[chitters and clicks]

983

01:03:26,273 --> 01:03:27,841

[whispers]

<i>What do they call you?</i>

984

01:03:30,244 --> 01:03:31,812

[shrieks]

985

01:03:34,148 --> 01:03:36,016

[shrieks, chitters loudly]

986

01:03:40,522 --> 01:03:41,955

[Ciara] Come on.

987

01:03:42,990 --> 01:03:44,425

We don't have to watch this.

988

01:03:56,638 --> 01:03:58,872

[mouse scrolling]

989

01:04:03,911 --> 01:04:05,112

<i>Three-hundred days here.</i>

990

01:04:06,280 --> 01:04:07,615

<i>I used to think of myself...</i>

991

01:04:08,949 --> 01:04:10,050

<i>...as some kind of visionary.</i>

992

01:04:11,385 --> 01:04:13,921

<i>But now, when I catch sight of</i>

<i>myself in the mirror upstairs,</i>

993

01:04:13,954 --> 01:04:15,889

<i>I'm repulsed at what I see.</i>

994

01:04:17,124 --> 01:04:18,459

<i>I've been stripped</i>

<i>of all humanity.</i>

995

01:04:19,927 --> 01:04:21,395

<i>The creature</i>

<i>I have grown so fond of</i>

996

01:04:21,428 --> 01:04:23,097

<i>is waiting for me upstairs.</i>

997

01:04:24,932 --> 01:04:27,134

<i>One bullet through the heart</i>

<i>should do the trick.</i>

998

01:04:27,167 --> 01:04:28,402

<i>Then one for myself.</i>

999

01:04:30,705 --> 01:04:33,040

<i>The boat should be</i>

<i>where I left it, shouldn't it?</i>

1000

01:04:33,575 --> 01:04:37,077

<i>On the river, past 134,</i>

1001

01:04:37,111 --> 01:04:38,613

<i>where the birds leave the woods.</i>

1002

01:04:40,280 --> 01:04:42,883

<i>I know now that</i>

<i>it was never meant for me.</i>

1003

01:04:44,184 --> 01:04:45,653

<i>If you found your way here,</i>

1004

01:04:47,020 --> 01:04:48,255

<i>get to the boat.</i>

1005

01:04:49,423 --> 01:04:50,224

<i>Follow the birds.</i>

1006

01:04:52,226 --> 01:04:55,462

<i>Go to my office</i>

<i>at the university</i>

1007

01:04:55,496 --> 01:04:57,532

<i>and destroy everything you find.</i>

1008

01:04:58,298 --> 01:05:01,402

<i>Some things are</i>

<i>meant to be left in the past.</i>

1009

01:05:03,337 --> 01:05:04,938

<i>As for me...</i>

1010

01:05:07,709 --> 01:05:09,544

<i>...there is someone</i>

<i>I should go and see.</i>

1011

01:05:13,046 --> 01:05:13,681

[clicks]

1012

01:05:33,367 --> 01:05:35,002

[quiet chittering]

1013

01:05:35,035 --> 01:05:36,270

[gunshot]

1014

01:05:38,338 --> 01:05:39,607

[gunshot]

1015

01:05:53,253 --> 01:05:55,222

[sighs] We'll leave tomorrow.

1016

01:06:02,362 --> 01:06:03,163

[Daniel] What are you doing?

1017

01:06:04,398 --> 01:06:06,233

Well, if this is

our last night here...

1018

01:06:07,569 --> 01:06:11,104

...we are going to dance.

1019

01:06:11,138 --> 01:06:12,105

[cassette tape rattles]

1020

01:06:12,139 --> 01:06:13,006

[chuckling] We're not.

1021

01:06:18,546 --> 01:06:22,216

["Young Hearts Run Free"

by Candi Staton plays]

1022

01:06:27,321 --> 01:06:28,255

Come on.

1023

01:06:29,456 --> 01:06:30,558

Come on!

1024

01:06:30,592 --> 01:06:32,560

[both laughing]

1025

01:06:32,594 --> 01:06:34,194

[Daniel] You're so lame.

1026

01:06:34,529 --> 01:06:35,329

[Ciara] Come on.

1027

01:06:36,598 --> 01:06:40,568

[music continues]

1028

01:06:43,136 --> 01:06:45,372

[Daniel]

No, I don't want to dance.

1029

01:06:45,405 --> 01:06:46,273

[Ciara] You're good.

1030

01:06:46,306 --> 01:06:47,642

[Daniel] Yeah.

1031

01:06:47,675 --> 01:06:48,776

[Ciara chuckles]

1032

01:06:58,318 --> 01:06:59,621

[music fades]

1033

01:06:59,654 --> 01:07:01,021

[Daniel] Daddy was a drunk.

1034

01:07:03,357 --> 01:07:04,526

Did you know that?

1035

01:07:07,695 --> 01:07:09,396

He shattered my nose twice.

1036

01:07:11,365 --> 01:07:12,767

Broke a couple of ribs.

1037

01:07:15,302 --> 01:07:17,639

He usually passed out cold
on the couch.

1038

01:07:19,439 --> 01:07:20,808

So one night I left.

1039

01:07:21,643 --> 01:07:24,211

I took the keys to his bike
and left.

1040

01:07:26,614 --> 01:07:28,516

I thought that if I stayed...

1041

01:07:29,316 --> 01:07:30,050

[murmurs]

1042

01:07:31,451 --> 01:07:32,754

...I think

I would have killed him.

1043

01:07:34,789 --> 01:07:36,591

-[music continues faintly]

-[murmurs]

1044

01:07:37,424 --> 01:07:38,425

[Ciara] Daniel.

1045

01:07:38,458 --> 01:07:39,594

Hey, hey.

1046

01:07:40,628 --> 01:07:42,730

Hey, if we get out of here,

1047

01:07:44,398 --> 01:07:45,800

then you can come
and stay with me.

1048

01:07:47,367 --> 01:07:48,235

Okay?

1049

01:08:02,684 --> 01:08:05,587

[rattling, squeaking]

1050

01:08:06,554 --> 01:08:08,255

-[loud thump]

-[air hisses]

1051

01:08:11,793 --> 01:08:12,827

[grunts]

1052

01:08:22,770 --> 01:08:24,104

Everyone ready?

1053

01:08:25,807 --> 01:08:27,140

It's time to go.

1054

01:08:47,394 --> 01:08:49,631

[Madeline] *<i>The forest will do</i>
*<i>everything in its power</i>**

1055

01:08:49,664 --> 01:08:50,798

<i>to keep us inside.</i>

1056

01:08:51,933 --> 01:08:53,735

<i>To distract us from our path.</i>

1057

01:08:54,869 --> 01:08:57,672

*<i>Remember what is real</i>
*<i>and what is not.</i>**

1058

01:08:58,806 --> 01:09:00,273

<i>We move together as one.</i>

1059

01:09:14,454 --> 01:09:15,422

[Madeline] This is it.

1060

01:09:17,592 --> 01:09:18,826

No turning back.

1061

01:09:23,531 --> 01:09:25,465

[Mina whispering]

Come on, Darwin.

1062

01:09:25,499 --> 01:09:26,768

We'll follow your lead.

1063

01:09:29,704 --> 01:09:30,404

[Darwin chirps]

1064

01:09:55,563 --> 01:09:57,598

[Daniel]

There's something there.

Up ahead.

1065

01:10:01,035 --> 01:10:02,369

[Mina] What is that?

1066

01:10:02,804 --> 01:10:03,805

[Madeline] Unbelievable.

1067

01:10:05,305 --> 01:10:07,542

This must be where
the fairies were imprisoned.

1068

01:10:09,010 --> 01:10:11,913

It is said that they once
lived among us as gods,

1069

01:10:11,946 --> 01:10:14,448

the bridge
between nature and man.

1070

01:10:14,481 --> 01:10:17,018

But over time,
the power of the changelings

1071

01:10:17,051 --> 01:10:18,853

began to frighten us.

1072

01:10:18,886 --> 01:10:21,388

Human and Fey were at war.

1073

01:10:22,857 --> 01:10:27,662

They were banished

to a tomb deep underground,

1074

01:10:28,930 --> 01:10:32,033

sealed in by a great door

1075

01:10:32,066 --> 01:10:35,603

that prevented them from ever
returning the way they came in.

1076

01:10:35,636 --> 01:10:37,337

[human-like screaming]

1077

01:10:37,370 --> 01:10:39,006

[screams stop, echoing]

1078

01:10:39,040 --> 01:10:42,375

[Madeline] For centuries,
they clawed towards the surface

1079

01:10:42,409 --> 01:10:45,847

only to discover they had
lost their wings, their magic,

1080

01:10:45,880 --> 01:10:47,548

and could never leave
this forest.

1081

01:10:48,348 --> 01:10:49,016

We need to keep moving.

1082

01:10:49,951 --> 01:10:51,318

[breathing heavily]

1083

01:11:07,367 --> 01:11:08,636

It's so cold.

1084

01:11:10,370 --> 01:11:12,006

We'll make it. Stay with us.

1085

01:11:12,907 --> 01:11:14,008

[Madeline] Stay with us.

1086

01:11:14,041 --> 01:11:15,510

[giggling]

1087

01:11:15,543 --> 01:11:17,477

[young Mina] Hey, Lucy,
you're going too fast.

1088

01:11:18,880 --> 01:11:19,714

[Darwin chirps]

1089

01:11:21,082 --> 01:11:22,717

It's getting dark, Madeline.

1090

01:11:22,750 --> 01:11:23,651

[Madeline] We still have time.

1091

01:11:24,417 --> 01:11:27,722

[rain pattering]

1092

01:11:30,423 --> 01:11:32,827

-We'll never make it in this.

-[Madeline] We have to.

1093

01:11:32,860 --> 01:11:34,929

Stay close, everyone.

Stay close.

1094

01:11:34,962 --> 01:11:36,697

[Darwin squawks]

1095

01:11:37,430 --> 01:11:38,298

Keep moving.

1096

01:11:39,667 --> 01:11:41,769

We'll be there any minute,

I can feel it.

1097

01:11:43,403 --> 01:11:44,505

Any minute.

1098

01:11:44,972 --> 01:11:48,308

[birds screeching]

1099

01:11:52,445 --> 01:11:54,782

[Watchers growling]

1100

01:11:54,816 --> 01:11:56,617

[Madeline]

We need to run. Let's go.

1101

01:11:57,852 --> 01:12:00,855

[growls, screeches]

1102

01:12:02,389 --> 01:12:03,691

-[Madeline] Keep moving!

-[Daniel grunts]

1103

01:12:04,725 --> 01:12:05,760

[screeching]

1104

01:12:06,861 --> 01:12:07,795

[Madeline] Don't look back.

1105

01:12:07,829 --> 01:12:09,730

[all panting]

1106

01:12:09,764 --> 01:12:10,531

[Madeline] We're almost there.

1107

01:12:14,802 --> 01:12:16,436

[Ciara] We're almost there.

[gasps]

1108

01:12:17,104 --> 01:12:18,806

-[Ciara] Danny, hurry up!

-[Madeline] Don't stop!

1109

01:12:24,078 --> 01:12:25,713

[Daniel] Oh, there it is.

1110

01:12:31,586 --> 01:12:32,954

[Daniel chuckles] We're out.

1111

01:12:32,987 --> 01:12:36,524

We actually made it out.

We made it out!

1112

01:12:36,557 --> 01:12:38,025

[Daniel, Ciara laughing]

1113

01:12:39,492 --> 01:12:40,728

[Mina] There's the boat.

1114

01:12:40,761 --> 01:12:42,462

[Watchers screeching]

1115

01:12:42,495 --> 01:12:43,598

[Madeline] Go! Go.

1116

01:12:46,734 --> 01:12:47,802

[man] Daniel!

1117

01:12:50,137 --> 01:12:51,072

Wait!

1118

01:12:53,174 --> 01:12:54,141

Hey!

1119

01:12:55,176 --> 01:12:55,943

Daniel.

1120

01:13:00,815 --> 01:13:02,683

[women gasping]

1121

01:13:05,119 --> 01:13:06,654

-[chain rattles]

-[all grunt]

1122

01:13:08,155 --> 01:13:10,057

-I can't get the chain.

-Coming.

1123

01:13:12,693 --> 01:13:13,794

[exhales]

1124

01:13:13,828 --> 01:13:15,596

Wait, where-- where's Daniel?

1125

01:13:16,731 --> 01:13:18,866

[Daniel grunting]

1126

01:13:24,939 --> 01:13:25,907

[Daniel groans]

1127

01:13:26,707 --> 01:13:28,042

[Daniel] John.

1128

01:13:29,243 --> 01:13:31,579

John, Ciara's worried.

1129

01:13:32,013 --> 01:13:34,548

Daniel, it's not John!

1130

01:13:34,582 --> 01:13:36,017

-Ciara's gonna be so happy.

-[Ciara] It's not him!

1131

01:13:36,050 --> 01:13:39,053

[John double] Daniel, please,
take me with you.

1132

01:13:39,086 --> 01:13:41,522

-Oh, my God, he can't hear us.

-I'm going to get him!

1133

01:13:41,555 --> 01:13:42,790

We don't have time.

1134

01:13:42,823 --> 01:13:44,225

[grunts]

1135

01:13:44,258 --> 01:13:46,761

Daniel! Run! It's not John!

1136

01:13:46,794 --> 01:13:48,195

[Daniel] Come on, John, get up.

1137

01:13:48,229 --> 01:13:49,931

-[screams]

-Daniel!

1138

01:13:51,666 --> 01:13:54,735

-Get in the boat!

-Daniel, run! Daniel!

1139

01:13:54,769 --> 01:13:55,603

Daniel!

1140

01:13:56,737 --> 01:14:00,041

[John double speaks

Old Gaelic]

1141

01:14:00,074 --> 01:14:02,510

[Daniel screams]

1142

01:14:03,911 --> 01:14:06,047

We'll wait as long as we can.

Get in the boat.

1143

01:14:07,114 --> 01:14:07,882

[Ciara gasps]

1144

01:14:09,183 --> 01:14:10,551

-[Watcher chittering]

-[gasps]

1145

01:14:10,985 --> 01:14:12,586

-Look away. Look away.

-[Ciara cries]

1146

01:14:12,620 --> 01:14:14,722

[gulps, groans]

1147

01:14:15,556 --> 01:14:16,090

[Ciara] Daniel!

1148

01:14:16,824 --> 01:14:17,825

[body thuds]

1149

01:14:33,975 --> 01:14:34,842

Can they swim?

1150

01:14:35,776 --> 01:14:37,745

[Madeline]

They cannot leave the forest.

1151

01:14:37,778 --> 01:14:39,981

-[Mina] Are you sure?

-[Madeline] I'm sure.

1152

01:14:48,789 --> 01:14:52,994

[screeching]

1153

01:14:54,028 --> 01:14:56,230

[screech echoes]

1154

01:15:00,034 --> 01:15:01,202

[birds tweeting]

1155

01:15:10,611 --> 01:15:11,612

[Darwin chirps]

1156

01:15:20,321 --> 01:15:22,189

[vehicle approaches]

1157

01:15:24,358 --> 01:15:25,526

[Mina] Wake up.

1158

01:15:26,260 --> 01:15:27,528

Wake up.

1159

01:15:38,339 --> 01:15:39,306

[horn honks]

1160

01:15:49,150 --> 01:15:50,217

Are you ladies all right?

1161

01:15:52,353 --> 01:15:53,888

Where is this bus going?

1162

01:15:54,388 --> 01:15:56,557

This bus goes

all the way to Galway.

1163

01:15:58,125 --> 01:15:59,827

Can you take us there?

1164

01:16:01,195 --> 01:16:03,964

[radio plays Celtic music
quietly]

1165

01:16:22,016 --> 01:16:23,951

[engine revs]

1166

01:16:27,054 --> 01:16:28,956

[music continues quietly]

1167

01:16:30,825 --> 01:16:31,725

Excuse me, sir.

1168

01:16:33,894 --> 01:16:35,029

Could you turn that up?

1169

01:16:38,132 --> 01:16:42,036

["School Days Over"

by The Chieftains playing]

1170

01:16:50,111 --> 01:16:51,946

[Mina] I'll go to the university

tomorrow,

1171

01:16:51,979 --> 01:16:54,148

and I'll do

as Kilmartin asked, and...

1172

01:16:55,716 --> 01:16:57,151

...we can just

put this all behind us.

1173

01:16:59,720 --> 01:17:00,654

Okay.

1174

01:17:04,258 --> 01:17:05,159

Okay.

1175

01:17:06,127 --> 01:17:07,027

Okay.

1176

01:17:09,730 --> 01:17:12,233

[music continues]

1177

01:17:13,033 --> 01:17:14,268

[horn honks]

1178

01:17:27,781 --> 01:17:29,049

[music fades]

1179

01:18:10,525 --> 01:18:13,360

[quiet crying]

1180

01:18:14,295 --> 01:18:15,229

[young Mina] Lucy.

1181

01:18:17,998 --> 01:18:19,099

What happened?

1182

01:18:23,404 --> 01:18:25,139

What's wrong with Mom?

1183

01:18:30,010 --> 01:18:31,412

[panting]

1184

01:18:31,445 --> 01:18:33,280

[young Lucy]

Mina, why did you do that?

1185

01:18:35,482 --> 01:18:37,851

[crying] Mommy. Mommy, please.

1186

01:18:39,353 --> 01:18:41,255

[birds tweeting]

1187

01:18:44,992 --> 01:18:46,493

[people chattering]

1188

01:18:48,495 --> 01:18:50,464

[young woman] <i>So, normally, they</i>
<i>would have vacated the office.</i>

1189

01:18:51,298 --> 01:18:53,234

Given it to a class
or something.

1190

01:18:53,267 --> 01:18:55,836

But a group of students
started a fund

1191

01:18:55,869 --> 01:18:57,304

to keep your uncle's research
as it was.

1192

01:19:04,478 --> 01:19:07,114

They say
he really believed it all.

1193

01:19:07,147 --> 01:19:08,249

He did.

1194

01:19:11,385 --> 01:19:12,453

Oh, there he is.

1195

01:19:13,988 --> 01:19:15,956

-Old Uncle Rory.

-[chuckles]

1196

01:19:17,191 --> 01:19:18,926

I'll be outside

if you need anything.

1197

01:20:11,412 --> 01:20:13,414

[Kilmartin through speaker]

<i>Article 14,</i>

1198

01:20:13,447 --> 01:20:16,350

<i>a scroll</i>

<i>from the university archives.</i>

1199

01:20:16,383 --> 01:20:19,053

<i>A detailed account</i>

<i>of the time before the war.</i>

1200

01:20:19,987 --> 01:20:23,457

*<i>A time before the Fey</i>
<i>were wingless, feral beasts.</i>*

1201

01:20:25,560 --> 01:20:29,463

*<i>Life with the fairies was</i>
<i>a golden era in the age of man.</i>*

1202

01:20:29,496 --> 01:20:33,568

*<i>They lived among us as</i>
<i>guardians, friends, even mates.</i>*

1203

01:20:35,002 --> 01:20:36,638

<i>Those half-blooded children,</i>

1204

01:20:36,671 --> 01:20:40,074

*<i>born of both man and fairy,</i>
<i>changed everything.</i>*

1205

01:20:41,509 --> 01:20:44,579

*<i>They were particularly skilled</i>
<i>in the art of transformation.</i>*

1206

01:20:44,612 --> 01:20:46,914

<i>Even replicating those</i>

<i>that had passed on.</i>

1207

01:20:48,550 --> 01:20:51,586

<i>But when the humans</i>

<i>cursed and banished the fairies,</i>

1208

01:20:51,619 --> 01:20:54,154

<i>what became of the halflings?</i>

1209

01:20:54,188 --> 01:20:56,990

<i>History has deemed</i>

<i>their bloodline extinct.</i>

1210

01:20:57,024 --> 01:20:58,859

<i>But it is yet to be proven.</i>

1211

01:21:01,261 --> 01:21:04,532

<i>With their power,</i>

<i>think of what we could create.</i>

1212

01:21:05,466 --> 01:21:07,034

<i>Who we could bring back.</i>

1213

01:21:08,570 --> 01:21:11,405

<i>I leave for the forest</i>

<i>one week from today.</i>

1214

01:22:25,613 --> 01:22:28,215

Yeah, I think this is it.

Thank you.

1215

01:22:43,197 --> 01:22:44,164

Hi.

1216

01:22:44,198 --> 01:22:45,132

[Mina] Hi.

1217

01:22:47,267 --> 01:22:48,435

I have to show you something.

1218

01:22:50,538 --> 01:22:51,438

Okay.

1219

01:22:53,474 --> 01:22:56,611

Kilmartin's office was left
completely as it was.

1220

01:22:56,644 --> 01:22:58,111

Totally untouched.

1221

01:22:59,413 --> 01:23:05,018

There were a lot of papers about
the Coop, Watchers, the forest.

1222

01:23:06,153 --> 01:23:07,488

I took as much of it as I could.

1223

01:23:09,490 --> 01:23:11,158

And I found these.

1224

01:23:34,381 --> 01:23:35,650

I don't understand, that's...

1225

01:23:36,551 --> 01:23:37,451

[whispers] Madeline.

1226

01:23:40,187 --> 01:23:41,656

I asked the front desk, and...

1227

01:23:43,257 --> 01:23:45,593

...Rory Kilmartin was married
to a woman.

1228

01:23:46,528 --> 01:23:47,595

Her name was Madeline.

1229

01:23:49,463 --> 01:23:52,199

She would have told us
if she was his wife.

1230

01:23:54,301 --> 01:23:55,603

There's one more thing.

1231

01:24:03,310 --> 01:24:04,712

What is this?

1232

01:24:04,746 --> 01:24:06,046

It's an obituary.

1233

01:24:07,749 --> 01:24:12,085

Madeline Kilmartin,
the woman in the photos...

1234

01:24:14,187 --> 01:24:15,188

She died.

1235

01:24:16,390 --> 01:24:19,092

In 2001, from lung cancer.

1236

01:24:19,794 --> 01:24:20,695

No.

1237

01:24:21,863 --> 01:24:24,164

He had one of them down there
in the bunker with him.

1238

01:24:24,197 --> 01:24:25,432

Maybe there was a reason.

1239

01:24:25,465 --> 01:24:26,801

It's impossible.

1240

01:24:26,834 --> 01:24:29,571

We heard him kill it, didn't we?

1241

01:24:29,604 --> 01:24:32,239

He knew what they could do,
that they could change form.

1242

01:24:33,808 --> 01:24:36,410

Maybe he thought that
he could bring his wife back.

1243

01:24:37,679 --> 01:24:38,813

That he could make
a new Madeline.

1244

01:24:40,247 --> 01:24:42,316

But they can't walk
in the sunlight.

1245

01:24:42,349 --> 01:24:43,851

Well, she must be different
from the others.

1246

01:24:46,754 --> 01:24:48,488

She's one of them, Ciara.

1247

01:24:50,792 --> 01:24:52,660

Madeline is a Watcher.

1248

01:25:01,168 --> 01:25:02,269

[Ciara] Where is she?

1249

01:25:02,302 --> 01:25:03,671

Shouldn't she be here by now?

1250

01:25:04,438 --> 01:25:05,506

She'll come.

1251

01:25:06,507 --> 01:25:07,742

They always come.

1252

01:25:09,844 --> 01:25:12,112

We brought a monster out here,

Ciara.

1253

01:25:13,514 --> 01:25:14,749

We have to send her back.

1254

01:25:21,823 --> 01:25:24,859

[fluttering, buzzing]

1255

01:25:43,845 --> 01:25:45,212

[Mina] It's so quiet.

1256

01:25:54,822 --> 01:25:58,458

[vehicle approaches]

1257

01:26:01,763 --> 01:26:03,163

[Ciara] Who is that?

1258

01:26:06,567 --> 01:26:07,635

[door closes]

1259

01:26:19,614 --> 01:26:20,715

You're not Ciara.

1260

01:26:27,354 --> 01:26:28,790

I haven't gotten it quite right.

1261

01:26:29,991 --> 01:26:30,958

But I will in time.

1262

01:26:33,628 --> 01:26:34,829

Are you here to kill us?

1263

01:26:35,495 --> 01:26:36,931

I'm here to become you.

1264

01:26:36,964 --> 01:26:38,331

[object thuds]

1265

01:26:40,267 --> 01:26:41,736

[Mina] Madeline.

[gasps]

1266

01:26:43,037 --> 01:26:44,739

-Mina?

-Run, Ciara!

1267

01:26:44,772 --> 01:26:46,440

-[soft thud]

-[gasps]

1268

01:26:49,376 --> 01:26:50,410

[John's voice] Honey.

1269

01:26:55,415 --> 01:26:56,416

[gasps]

1270

01:26:57,952 --> 01:26:59,554

We were like gods once.

1271

01:27:00,521 --> 01:27:01,823

It is because of humans

1272

01:27:01,856 --> 01:27:04,025

that we were smothered
under dirt for centuries.

1273

01:27:04,058 --> 01:27:07,260

Choking, breaking,

1274

01:27:07,294 --> 01:27:09,664

forced to claw

through the earth like bugs.

1275

01:27:12,466 --> 01:27:14,501

[Daniel's voice]

You are no different, Mina.

1276

01:27:14,535 --> 01:27:18,305

You are controlled

by your hatred, your jealousy.

1277

01:27:18,338 --> 01:27:20,708

You cannot be trusted

now that you know my secret.

1278

01:27:20,742 --> 01:27:22,643

[Mina] I won't tell anyone,

I promise.

1279

01:27:23,443 --> 01:27:25,479

I would never hurt you,
Madeline.

1280

01:27:25,513 --> 01:27:27,648

[Daniel's voice] Humans
have made me promises before.

1281

01:27:27,682 --> 01:27:30,651

[panting] You took care of us.
You protected us.

1282

01:27:31,719 --> 01:27:33,386

We were like a family
in the Coop.

1283

01:27:33,988 --> 01:27:35,489

You were my pets.

1284

01:27:36,090 --> 01:27:37,925

I was studying you up close.

1285

01:27:37,959 --> 01:27:39,560

That's not true.

1286

01:27:39,594 --> 01:27:40,661

I know you, Madeline.

1287

01:27:40,695 --> 01:27:42,429

I'm grateful to you, Mina.

1288

01:27:42,462 --> 01:27:43,965

Without you,

I would have been trapped

1289

01:27:43,998 --> 01:27:46,333

in that forest for an eternity.

1290

01:27:46,366 --> 01:27:47,702

A prisoner

just like the rest of youse.

1291

01:27:47,735 --> 01:27:50,938

[Mina gasps, grunts]

1292

01:27:55,643 --> 01:27:57,545

[Madeline] All my life
I dreamed of making it

1293
01:27:57,578 --> 01:27:59,781
to the world beyond the woods.

1294
01:27:59,814 --> 01:28:00,948
[Mina grunts]

1295
01:28:00,982 --> 01:28:02,850
[Madeline] You have no idea

1296
01:28:02,884 --> 01:28:04,786
how much the others
made me suffer.

1297
01:28:06,954 --> 01:28:10,992
<i>Ainriochtán</i> was the name
they gave me at my birth.

1298
01:28:12,126 --> 01:28:14,028
The Strange One.

1299

01:28:14,061 --> 01:28:15,696

The Daywalker.

1300

01:28:16,496 --> 01:28:18,032

The Deformity.

1301

01:28:18,065 --> 01:28:19,901

[stretching, bones cracking]

1302

01:28:19,934 --> 01:28:22,603

When the Professor
came to the forest,

1303

01:28:22,637 --> 01:28:24,872

I thought things
might finally change.

1304

01:28:26,774 --> 01:28:28,776

[voice distorting] He promised
he would show me the way out.

1305

01:28:29,911 --> 01:28:31,712

[Kilmartin's voice] Then
the bastard tried to shoot me.

1306
01:28:32,613 --> 01:28:35,049
I had no choice but to kill him.

1307
01:28:35,082 --> 01:28:37,118
I will not be betrayed again,
Mina.

1308
01:28:37,151 --> 01:28:37,952
[bones cracking]

1309
01:28:44,659 --> 01:28:45,726
Ciara!

1310
01:28:48,563 --> 01:28:49,797
[gasps]

1311
01:29:17,859 --> 01:29:19,492
[Mina's voice]
You can't run anymore, Mina.

1312

01:29:25,032 --> 01:29:26,567

Let's end this as equals.

1313

01:29:54,195 --> 01:29:56,197

-[growls]

-[gasps]

1314

01:29:56,230 --> 01:29:58,465

I am <i>Ainriochtán.</i>

1315

01:29:59,567 --> 01:30:00,701

The Daywalker.

1316

01:30:01,836 --> 01:30:03,137

The one to make it out.

1317

01:30:04,772 --> 01:30:06,807

I will walk amongst the humans
in your body.

1318

01:30:07,875 --> 01:30:09,543

No one

will notice the difference.

1319

01:30:10,845 --> 01:30:12,613

I can take away
all your suffering.

1320

01:30:13,714 --> 01:30:15,883

[Mina gasping]

1321

01:30:17,551 --> 01:30:19,553

You don't have to do this.

[gasps]

1322

01:30:19,587 --> 01:30:20,487

Look at yourself, Mina.

1323

01:30:21,622 --> 01:30:24,025

-You abandoned your sister.

-[gasps]

1324

01:30:24,058 --> 01:30:25,458

You killed your own mother.

1325

01:30:26,694 --> 01:30:28,729

Are you really worth saving?

1326

01:30:28,763 --> 01:30:31,098

[groans]

1327

01:30:35,903 --> 01:30:37,872

Kilmartin never told you,
did he?

1328

01:30:38,973 --> 01:30:39,840

What?

1329

01:30:40,975 --> 01:30:42,944

He never told you why
you can walk in the daylight.

1330

01:30:44,011 --> 01:30:46,047

Why you could leave the forest
when the others couldn't.

1331

01:30:47,682 --> 01:30:49,517

-[grunts]

-What are you talking about?

1332

01:30:51,252 --> 01:30:54,255

There was a recording
at the university.

1333

01:30:54,288 --> 01:30:55,790

I think I understand it now.

1334

01:30:57,024 --> 01:30:59,527

Our kinds used to live as one.

1335

01:30:59,560 --> 01:31:01,996

Some even fell in love
and had children.

1336

01:31:03,531 --> 01:31:04,732

Kilmartin called them halflings.

1337

01:31:06,634 --> 01:31:09,670

I think the reason that
you can walk in the daylight

1338

01:31:09,704 --> 01:31:12,773

is because you're not just
a Watcher, Madeline.

1339

01:31:12,807 --> 01:31:14,075

You're also part human.

1340

01:31:15,910 --> 01:31:17,011

I don't believe you.

1341

01:31:17,044 --> 01:31:18,913

You must have felt it.

1342

01:31:18,946 --> 01:31:20,681

That you never really belonged.

1343

01:31:22,650 --> 01:31:27,054

You know what it is to be human,
don't you? [panting]

1344

01:31:27,088 --> 01:31:29,090

It's jealousy and hatred.

1345

01:31:30,257 --> 01:31:33,194

But it's also love

and forgiveness.

1346

01:31:33,227 --> 01:31:34,228

[voice distorting]

Mina, stop it.

1347

01:31:36,664 --> 01:31:38,232

I know what it's like

to believe you're a monster.

1348

01:31:40,001 --> 01:31:43,771

I know what it's like to feel

that half of you is evil.

1349

01:31:43,804 --> 01:31:47,308

-[groaning]

-[bones cracking]

1350

01:31:47,341 --> 01:31:50,878

It can turn you into something
that you don't recognize.

1351

01:31:50,911 --> 01:31:53,047

[groans]

1352

01:31:53,080 --> 01:31:57,018

You don't know me.

[croaks]

1353

01:31:57,051 --> 01:31:59,520

I think there are others
like you out there.

1354

01:32:00,921 --> 01:32:02,256

What if you could find them?

1355

01:32:04,759 --> 01:32:06,260

[gasping]

1356

01:32:06,293 --> 01:32:08,029

[Mina] We don't have to
be alone anymore.

1357

01:32:09,363 --> 01:32:13,034

[low, howling shriek echoing]

1358

01:32:40,895 --> 01:32:42,797

[Madeline]

I hope you're right, Mina.

1359

01:32:47,701 --> 01:32:49,103

[chittering]

1360

01:32:57,044 --> 01:32:58,045

Ciara.

1361

01:32:58,079 --> 01:32:59,780

Ciara, wake up.

1362

01:32:59,814 --> 01:33:01,782

Please. Ciara.

1363

01:33:03,117 --> 01:33:05,619

[grunts]

1364

01:33:07,788 --> 01:33:09,657

I... I heard John's voice.

1365

01:33:11,025 --> 01:33:13,294

I know. I'm here.

1366

01:33:27,374 --> 01:33:29,176

[Mina] <i>Feels like a dream...</i>

1367

01:33:31,011 --> 01:33:33,214

<i>...those days we spent</i>

<i>in the forest.</i>

1368

01:33:36,383 --> 01:33:40,955

I think Madeline

still hangs around, watching me.

1369

01:33:43,457 --> 01:33:45,159

She takes different forms.

1370

01:33:47,795 --> 01:33:49,964

A little girl sometimes.

1371

01:33:51,432 --> 01:33:53,067

I see her in crowds.

1372

01:33:55,703 --> 01:33:58,105

Someone where something's
just a little off.

1373

01:34:00,207 --> 01:34:02,710

Sometimes

I think I'm going crazy.

1374

01:34:02,743 --> 01:34:04,311

Knowing there are others
like her out there.

1375

01:34:05,980 --> 01:34:08,215

I just hope she finds
what's she looking for.

1376

01:34:10,217 --> 01:34:12,119

Well, it's over now, Meens.

1377

01:34:13,921 --> 01:34:15,256

You went through
something traumatic,

1378

01:34:15,289 --> 01:34:17,258

it's normal to still be afraid.

1379

01:34:19,260 --> 01:34:20,694

But you're safe now.

1380

01:34:21,762 --> 01:34:22,930

[Mina] I know.

1381

01:34:22,963 --> 01:34:23,964

You're right.

1382

01:34:25,499 --> 01:34:27,935

I'm so glad you're here, Lucy.

1383

01:34:27,968 --> 01:34:29,937

[footsteps approach]

1384

01:34:29,970 --> 01:34:31,872

[giggling]

1385

01:34:31,906 --> 01:34:33,107

What is this?

1386

01:34:34,408 --> 01:34:36,377

Can you show Auntie Mina?

1387

01:34:39,813 --> 01:34:41,081

What is this?

1388

01:34:41,115 --> 01:34:42,249

It's a picture
of you and Darwin.

1389

01:34:44,852 --> 01:34:47,922

I love it. It's perfect.

1390

01:34:54,094 --> 01:34:56,161

[squawking]
