

Dialogues from Top Gun to improve the vocabulary in English

1

00:04:13,672 --> 00:04:15,173

- Morning, Scott.

- Morning, Vince.

2

00:04:15,257 --> 00:04:16,317

- Morning, Wells.

- Morning, sir.

3

00:04:16,341 --> 00:04:17,717

Hi.

4

00:04:20,971 --> 00:04:22,514

Ghost Rider, this is Strike.

5

00:04:22,597 --> 00:04:24,266

We have unknown aircraft.

6

00:04:24,349 --> 00:04:25,725

Inbound, Mustang.

7

00:04:25,809 --> 00:04:28,145

Your vector, 090 for bogey.

8

00:04:38,405 --> 00:04:39,531

Who's up there?

9

00:04:39,614 --> 00:04:42,033

Cougar and Merlin

and Maverick and Goose.

10

00:04:42,451 --> 00:04:43,452

Great.

11

00:04:44,286 --> 00:04:45,537

Maverick and Goose.

12

00:04:54,796 --> 00:04:56,089

Talk to me, Goose.

13

00:04:56,506 --> 00:04:59,092

Roger, I got him.

Contact, 20 left at 30 miles.

14

00:04:59,176 --> 00:05:00,385

Nine-hundred knots closure.

15

00:05:01,136 --> 00:05:03,930

- Cougar, you hear that?

- Roger.

16

00:05:04,389 --> 00:05:07,184

- Merlin, you got him?

- Roger, I've got radar contact.

17

00:05:07,559 --> 00:05:09,686

I'll get a visual ID.

Cougar, you hook him.

18

00:05:09,769 --> 00:05:11,646

Roger, and I'll clean him and fry him.

19

00:05:19,070 --> 00:05:22,824

<i>Mustang.

Mustang, this is Ghost Rider, 203.</i>

20

00:05:22,991 --> 00:05:26,244

<i>I've got him inbound,
bogey heading 270.</i>

21

00:05:26,328 --> 00:05:29,039

<i>We're at ten miles, 900 knots closure.</i>

22

00:05:29,289 --> 00:05:32,292

Ghost Rider, take Angels ten left, 30.

23

00:05:32,417 --> 00:05:33,936

Are we supposed to have visitors today?

24

00:05:33,960 --> 00:05:35,253

Negative, sir.

25

00:05:42,844 --> 00:05:44,971

- Merlin, see if he's a single.

- Roger.

26

00:05:47,349 --> 00:05:50,268

- Goose, you see a trailer?

<i>- Negative, Merlin.</i>

27

00:05:51,353 --> 00:05:52,771

Looks like he's a single.

28

00:05:53,146 --> 00:05:54,826

Cougar, I'm gonna go
head-to-head with him.

29

00:05:54,856 --> 00:05:57,275

Take it easy, Maverick.

I don't like this shit.

30

00:05:57,400 --> 00:06:00,195

I'm gonna break high and right,
see if he's really alone.

31

00:06:19,214 --> 00:06:20,799

We've got 1,000 knots closure, Mav.

32

00:06:20,882 --> 00:06:22,300

<i>He's coming right at us.</i>

33

00:06:22,509 --> 00:06:24,553

Okay, buddy, what's on your mind?

34

00:06:27,055 --> 00:06:28,431

Holy shit, there's two of them.

35

00:06:29,891 --> 00:06:31,810

<i>MiG-28s.

No one's been this close before.</i>

36

00:06:31,893 --> 00:06:34,563

What the hell are they doing here?

What's the position?

37

00:06:34,938 --> 00:06:36,332

Two hundred and fifty miles out, sir.

38

00:06:36,356 --> 00:06:38,400

Two hundred and fifty miles?

Get them out of here.

39

00:06:40,777 --> 00:06:43,217

Cougar, you've got MiG one.

I'm going after MiG two.

40

00:06:45,031 --> 00:06:46,616

I lost him in the sun.

41

00:06:48,076 --> 00:06:49,703

Shit. What's he doing?

42

00:06:50,161 --> 00:06:51,663

You got him, Merlin?

43

00:06:53,248 --> 00:06:55,834

He's coming around.

He's coming around on our tail.

44

00:06:56,668 --> 00:06:58,878

God damn it. This bogey's all over me.

45

00:07:02,757 --> 00:07:04,092

What's their range now?

46

00:07:04,175 --> 00:07:05,802

Two hundred miles, sir.

47

00:07:06,011 --> 00:07:07,262

If they break 150 miles,

48

00:07:07,345 --> 00:07:09,514

- launch the Alert Five aircraft.

- Yes, sir.

49

00:07:11,766 --> 00:07:13,310

Air speed, 300. Go get him, Mav.

50

00:07:13,810 --> 00:07:15,437

I'm going for missile lock.

51

00:07:16,187 --> 00:07:18,523

Let's see if we can scare
this guy out of here.

52

00:07:19,482 --> 00:07:20,734

Come on, lock up, baby.

53

00:07:21,693 --> 00:07:24,195

Lock up, baby. Lock up.

54

00:07:24,279 --> 00:07:26,531

I got him locked. Bingo.

55

00:07:31,661 --> 00:07:34,289

We got him, Mav.

He's bugging out and going home.

56

00:07:34,414 --> 00:07:37,042

Mustang, this is Maverick.

MiG two is headed home.

57

00:07:38,668 --> 00:07:39,988

All right, what's their position?

58

00:07:40,045 --> 00:07:42,714

A hundred and eighty miles

at bearing 010, sir.

59

00:07:46,509 --> 00:07:48,887

Cougar, he's got missile lock on us.

Get away from this guy.

60

00:07:48,970 --> 00:07:50,930

What the hell is this shit?

He's engaging me.

61

00:07:53,183 --> 00:07:55,393

God damn it, Mustang.

This is Ghost Rider,

62

00:07:55,477 --> 00:07:57,395

one, one, seven,

this bogey's all over me.

63

00:07:57,479 --> 00:07:59,582

He's got missile lock on me.

Do I have permission to fire?

64

00:07:59,606 --> 00:08:01,775

Do not fire until fired upon.

65

00:08:04,319 --> 00:08:05,839

Goose, there they are, right below us.

66

00:08:06,613 --> 00:08:09,282

The MiG's in perfect firing position.

He's right on Cougar's tail.

67

00:08:09,532 --> 00:08:12,869

No way, Goose. He'd have fired by now.

He's just trying to piss us off.

68

00:08:13,036 --> 00:08:15,538

Maverick, get down here
and get this asshole off me.

69

00:08:17,999 --> 00:08:19,250

Easy, Cougar.

70

00:08:20,126 --> 00:08:25,507

Bring it back, hard right.

Help me engage. I'm on my way.

71

00:08:42,899 --> 00:08:44,567

I can't shoot this son of a bitch.

72

00:08:44,651 --> 00:08:46,491

Let's see if we can have
a little fun with him.

73

00:08:51,866 --> 00:08:53,702

Is this your idea of fun, Mav?

74

00:08:57,122 --> 00:08:58,248

Greetings.

75

00:09:01,376 --> 00:09:02,961

Watch the birdie.

76

00:09:04,504 --> 00:09:06,381

Jeez, I crack myself up.

77

00:09:13,430 --> 00:09:16,850

This is a great shot, Mav.

I should be a photographer.

78

00:09:17,892 --> 00:09:18,893

Cougar,

79

00:09:19,477 --> 00:09:21,688

your tail is clear. MiG one's bugged out.

80

00:09:31,406 --> 00:09:33,408

Cougar, this is Maverick.

81

00:09:34,200 --> 00:09:36,202

We've had enough fun
for one day, don't you think?

82

00:09:37,078 --> 00:09:38,305

I'm getting a little low on fuel,

83

00:09:38,329 --> 00:09:39,539

so we're heading home.

84

00:09:42,917 --> 00:09:44,252

We'll see you on deck.

85

00:09:53,636 --> 00:09:56,556

Cougar, we're running low on gas,
we gotta get out of here.

86

00:09:58,808 --> 00:10:00,310

Cougar.

87

00:10:02,645 --> 00:10:04,272

We're on vapor, Cougar.

88

00:10:04,773 --> 00:10:06,232

Let's do it.

89

00:10:08,026 --> 00:10:10,028

Cougar. Come on, Cougar.

90

00:10:19,120 --> 00:10:21,122

<i>Let's take it
back to the ship, man.</i>

91

00:10:21,873 --> 00:10:23,208

<i>Come on, Cougar.</i>

92

00:10:23,458 --> 00:10:26,085

Get him on deck as soon as possible.

He's gotta be low on fuel.

93

00:10:28,046 --> 00:10:31,299

Cougar, we gotta land this thing.

We are way low on gas.

94

00:10:31,382 --> 00:10:32,801

You understand me?

95

00:10:33,802 --> 00:10:35,303

<i>You all right, man?</i>

96

00:10:41,810 --> 00:10:44,813

<i>Maverick, you're at
three-quarters of a mile, call the ball.</i>

97

00:10:45,480 --> 00:10:47,190

Roger. Maverick has the ball.

98

00:10:48,775 --> 00:10:52,070

- Cougar, it is time to land. Let's do it.

- Goose, Cougar's in trouble.

99

00:10:52,153 --> 00:10:54,239

Come on, Mav,

we're getting low on gas.

100

00:10:54,322 --> 00:10:55,782

Let's land this sucker.

101

00:10:57,575 --> 00:10:58,785

<i>Cougar!</i>

102

00:11:05,625 --> 00:11:06,918

God damn it, Maverick.

103

00:11:07,001 --> 00:11:09,128

What're you doing, Mav?

We've got no fuel for this.

104

00:11:09,212 --> 00:11:10,672

We're going after Cougar.

105

00:11:12,048 --> 00:11:15,009

You tell him to land that plane.

That's an order.

106

00:11:15,593 --> 00:11:17,738

<i>Ghost Rider,

you are instructed to land.</i>

107

00:11:17,762 --> 00:11:19,222

<i>Land immediately.</i>

108

00:11:24,227 --> 00:11:26,729

Any of you boys seen

an aircraft carrier around here?

109

00:11:28,106 --> 00:11:29,816

Mav, we got a little problem up here.

110

00:11:29,899 --> 00:11:33,194

That MiG really screwed him up.

I don't think he can make it back.

111

00:11:36,406 --> 00:11:39,492

You're okay, Cougar.

Just stay on my wing,

112

00:11:39,784 --> 00:11:41,327

I'll take you all the way in.

113

00:11:41,578 --> 00:11:42,871

Just stay with me.

114

00:11:57,802 --> 00:12:00,597

Easy, Cougar.

Just a walk in the park, buddy.

115

00:12:02,223 --> 00:12:05,184

<i>You're a little low.

You're a little low, Coug.</i>

116

00:12:06,603 --> 00:12:08,187

Come on, buddy, pull up.

117

00:12:09,898 --> 00:12:11,399

<i>Pull up, Cougar.</i>

118

00:12:12,734 --> 00:12:15,069

That's it. Almost there.

119

00:12:16,529 --> 00:12:18,382

<i>Cougar,
you're well below glide path,</i>

120

00:12:18,406 --> 00:12:20,575

<i>three-quarters of a mile. Call the ball.</i>

121

00:12:21,910 --> 00:12:23,369

<i>Roger, ball.</i>

122

00:12:33,546 --> 00:12:34,839

<i>We're too low, Cougar.</i>

123

00:12:34,923 --> 00:12:36,382

<i>We're too low, Cougar.</i>

124

00:12:36,758 --> 00:12:39,260

<i>Increase power. Some more power!</i>

125

00:12:39,344 --> 00:12:41,429

<i>Higher! Higher! Higher, damn it!</i>

126

00:12:51,773 --> 00:12:53,024

Come in.

127

00:12:55,777 --> 00:12:56,778

Sir.

128

00:12:57,654 --> 00:12:59,774

Cougar, you should be in sickbay.

What's on your mind?

129

00:13:00,365 --> 00:13:01,783

My wife and kid, sir.

130

00:13:02,659 --> 00:13:05,078

I almost orphaned him today,
and I've never even seen him.

131

00:13:08,122 --> 00:13:10,541

I don't know what happened
up there, but I was so scared.

132

00:13:10,625 --> 00:13:14,253

- Come on, we've seen this before.
- No, sir.

133

00:13:15,755 --> 00:13:17,298

I'm holding on too tight.

134

00:13:17,674 --> 00:13:19,133

I've lost the edge.

135

00:13:20,134 --> 00:13:21,427

I'm sorry, sir.

136

00:13:23,388 --> 00:13:24,722

I'm sorry.

137

00:13:31,312 --> 00:13:32,563

Cougar.

138

00:13:35,274 --> 00:13:36,943

Thanks, Maverick.

139

00:13:39,529 --> 00:13:41,447

Maverick, Goose, come in here.

140

00:13:41,990 --> 00:13:44,617

- What the hell's going on?

- I don't know.

141

00:13:45,827 --> 00:13:46,953

Shit.

142

00:13:51,290 --> 00:13:54,085

Maverick, you just did
an incredibly brave thing.

143

00:13:57,505 --> 00:14:00,133

What you should have done
was land your plane.

144

00:14:00,216 --> 00:14:02,719

You don't own that plane,
the taxpayers do.

145

00:14:02,885 --> 00:14:06,014

Son, your ego is writing checks
your body can't cash.

146

00:14:06,180 --> 00:14:07,557

You've been busted.

147

00:14:07,640 --> 00:14:10,893

You lost your qualifications
as section leader three times.

148

00:14:11,060 --> 00:14:13,312

Put in hack twice by me.

149

00:14:13,688 --> 00:14:15,690

With a history of high-speed passes

150

00:14:15,773 --> 00:14:18,109

over five air-control towers

151

00:14:18,192 --> 00:14:19,944

and one admiral's daughter.

152

00:14:20,361 --> 00:14:21,529

Penny Benjamin?

153

00:14:22,363 --> 00:14:23,531

And you, asshole.

154

00:14:24,198 --> 00:14:25,533

You're lucky to be here.

155

00:14:25,616 --> 00:14:26,909

Thank you, sir.

156

00:14:27,326 --> 00:14:28,387

And let's not bullshit, Maverick,

157

00:14:28,411 --> 00:14:30,872

your family name ain't

the best in the Navy.

158

00:14:31,080 --> 00:14:33,916

You need to be doing it better
and cleaner than the other guy.

159

00:14:34,000 --> 00:14:35,209

Now, what is it with you?

160

00:14:35,835 --> 00:14:38,963

Just wanna serve my country,
be the best fighter pilot in the Navy, sir!

161

00:14:39,047 --> 00:14:40,631

Don't screw around with me, Maverick.

162

00:14:40,882 --> 00:14:42,800

You're a hell of an instinctive pilot.

163

00:14:42,884 --> 00:14:44,177

Maybe too good.

164

00:14:44,385 --> 00:14:46,137

I'd like to bust your butt, but I can't.

165

00:14:46,220 --> 00:14:48,014

I got another problem here.

166

00:14:48,973 --> 00:14:51,768

I gotta send somebody
from this squadron to Miramar.

167

00:14:52,685 --> 00:14:53,704

I gotta do something here.

168

00:14:53,728 --> 00:14:55,688

I still can't believe it.

169

00:14:56,355 --> 00:14:57,815

I gotta give you your dream shot.

170

00:14:57,899 --> 00:14:59,901

I'm gonna send you up against the best.

171

00:15:00,234 --> 00:15:01,736

You two characters

172

00:15:02,445 --> 00:15:03,905

are going to Top Gun.

173

00:15:05,531 --> 00:15:08,910

For five weeks, you're gonna fly against
the best fighter pilots in the world.

174

00:15:09,243 --> 00:15:11,454

You were number two,
Cougar was number one.

175

00:15:11,537 --> 00:15:13,372

Cougar lost it, turned in his wings.

176

00:15:14,415 --> 00:15:15,833

You guys are number one.

177

00:15:17,627 --> 00:15:19,087

But you remember one thing.

178

00:15:19,796 --> 00:15:21,631

You screw up just this much,

179

00:15:22,256 --> 00:15:25,927

you'll be flying a cargo plane
full of rubber dog shit out of Hong Kong.

180

00:15:26,219 --> 00:15:27,303

Yes, sir!

181

00:15:31,349 --> 00:15:32,517

That is all.

182

00:15:33,267 --> 00:15:35,603

You can tell me about
the MiG some other time.

183

00:15:35,728 --> 00:15:36,813

Gentlemen.

184

00:15:37,772 --> 00:15:38,898

Good luck, gentlemen.

185

00:15:38,981 --> 00:15:40,608

- Thank you, sir.

- Thank you.

186

00:16:22,984 --> 00:16:25,653

During Korea,

the Navy kill ratio was 12-to-1.

187

00:16:26,112 --> 00:16:28,447

We shot down 12 of their jets

for every one of ours.

188

00:16:28,990 --> 00:16:31,284

During Vietnam, that ratio fell to 3-to-1.

189

00:16:31,367 --> 00:16:33,244

Our pilots become dependent

upon missiles.

190

00:16:33,327 --> 00:16:35,746

They had lost some

of their dogfighting skills.

191

00:16:36,247 --> 00:16:38,457

Now Top Gun was created
to teach A.C.M.

192

00:16:38,541 --> 00:16:39,959

Air Combat Maneuvering.

193

00:16:40,835 --> 00:16:41,961

Dogfighting.

194

00:16:42,044 --> 00:16:43,588

This gives me a hard-on.

195

00:16:43,671 --> 00:16:46,591

By the end of Vietnam,
that ratio was back up to 12-to-1.

196

00:16:46,674 --> 00:16:47,717

Don't tease me.

197

00:16:47,800 --> 00:16:49,051

Blinds, please.

198

00:16:49,719 --> 00:16:50,988

Now I'd like to take this opportunity

199

00:16:51,012 --> 00:16:53,347

to introduce you to

our commanding officer at Top Gun.

200

00:16:53,514 --> 00:16:55,892

The very first man

to win the Top Gun trophy.

201

00:16:56,058 --> 00:16:59,020

You will not find a finer fighter pilot

anywhere in the world.

202

00:16:59,896 --> 00:17:02,523

Commander Mike Metcalf.

Callsign, Viper.

203

00:17:03,316 --> 00:17:04,817

Gentlemen.

204

00:17:05,610 --> 00:17:09,989

You are the top one percent
of all naval aviators.

205

00:17:12,158 --> 00:17:13,242

The elite.

206

00:17:13,868 --> 00:17:15,703

The best of the best.

207

00:17:16,120 --> 00:17:17,705

We'll make you better.

208

00:17:18,998 --> 00:17:20,958

You'll fly at least
two combat missions a day,

209

00:17:21,042 --> 00:17:22,460

attend classes in between

210

00:17:22,543 --> 00:17:24,420

and evaluations of your performance.

211

00:17:24,837 --> 00:17:26,464

Now, on each combat sequence,

212

00:17:26,547 --> 00:17:28,591

you're gonna meet a different challenge.

213

00:17:28,758 --> 00:17:31,510

Every encounter is gonna be
much more difficult.

214

00:17:32,053 --> 00:17:33,533

We're gonna teach you to fly the F-14

215

00:17:33,596 --> 00:17:34,740

right to the edge of the envelope,

216

00:17:34,764 --> 00:17:36,432

faster than you've ever flown before

217

00:17:37,058 --> 00:17:38,559

and more dangerous.

218

00:17:39,518 --> 00:17:41,979

Now, we don't make
policy here, gentlemen.

219

00:17:42,897 --> 00:17:45,942

Elected officials, civilians do that.

220

00:17:46,025 --> 00:17:48,444

We are the instruments of that policy.

221

00:17:49,278 --> 00:17:53,616

And although we're not at war, we must
always act as though we are at war.

222

00:17:53,699 --> 00:17:54,784

What are you doing?

223

00:17:54,867 --> 00:17:56,720

- The tip of the spear...
- I'm just wondering...

224

00:17:56,744 --> 00:17:57,745

...best be sharp.

225

00:17:57,828 --> 00:17:59,121

...who's the best.

226

00:17:59,205 --> 00:18:01,916

In case some of you wonder
who the best is,

227

00:18:01,999 --> 00:18:04,168

they're up here
on this plaque on the wall.

228

00:18:04,252 --> 00:18:07,421

The best driver and his RIO
from each class has his name on it.

229

00:18:09,882 --> 00:18:13,261

And they have the option to come
back here to be Top Gun instructors.

230

00:18:16,097 --> 00:18:18,391

You think your name's

gonna be on that plaque?

231

00:18:20,226 --> 00:18:21,269

Yes, sir.

232

00:18:22,103 --> 00:18:24,981

That's pretty arrogant,
considering the company you're in.

233

00:18:28,359 --> 00:18:29,568

Yes, sir.

234

00:18:30,778 --> 00:18:32,655

I like that in a pilot.

235

00:18:34,031 --> 00:18:37,410

Just remember, when it's over out there,
we're all on the same team.

236

00:18:40,913 --> 00:18:43,207

Gentlemen, this school
is about combat.

237

00:18:43,916 --> 00:18:46,127

There are no points for second place.

238

00:18:47,670 --> 00:18:48,671

Dismissed.

239

00:18:48,754 --> 00:18:49,880

Nice going.

240

00:18:53,009 --> 00:18:56,679

The plaque for the alternates is
down in the ladies' room.

241

00:19:00,141 --> 00:19:03,144

Oh, Jesus. Oh, you kill me.

You really do.

242

00:19:06,230 --> 00:19:08,649

No, no, no, no.

There's two O's in "Goose," boys.

243

00:19:17,616 --> 00:19:18,909

Hi.

244

00:19:22,663 --> 00:19:25,166

This is what I call

a target-rich environment.

245

00:19:25,541 --> 00:19:27,668

You live your life

between your legs, Mav.

246

00:19:28,085 --> 00:19:30,546

Goose, even you could get laid

in a place like this.

247

00:19:30,963 --> 00:19:34,050

I'm telling you, I'd be happy to find a girl

who'd talk dirty to me.

248

00:19:39,180 --> 00:19:40,180

Mav,

249

00:19:40,222 --> 00:19:41,849

you want to know who the best is?

250

00:19:42,433 --> 00:19:43,851

That's him. Iceman.

251

00:19:45,436 --> 00:19:47,980

That's the way he flies,
ice-cold, no mistakes.

252

00:19:48,564 --> 00:19:50,649

Just wears you down.
You get bored, frustrated,

253

00:19:50,733 --> 00:19:52,693

do something stupid, and he's got you.

254

00:19:54,445 --> 00:19:55,821

Hey, hey, Slider.

255

00:19:56,697 --> 00:19:58,777

Thought you wanted to be a pilot, man.
What happened?

256

00:19:58,908 --> 00:20:00,242

Goose, you're such a dickhead.

257

00:20:00,326 --> 00:20:01,678

Whose butt did you kiss to get in here?

258

00:20:01,702 --> 00:20:03,788

Well, the list is long but distinguished.

259

00:20:03,871 --> 00:20:05,456

Yeah, well, so is my johnson.

260

00:20:05,915 --> 00:20:08,626

- So you're flying with Iceman?

- It's Mr. Iceman to you.

261

00:20:08,709 --> 00:20:11,337

- Hey, Mother Goose. How's it going?

- Good, Tom.

262

00:20:11,420 --> 00:20:14,090

This is Pete Mitchell. Tom Kazansky.

263

00:20:14,715 --> 00:20:16,717

- Congratulations on Top Gun.

- Thank you.

264

00:20:16,884 --> 00:20:18,135

Sorry to hear about Cougar.

265

00:20:18,219 --> 00:20:19,979

He and I were like brothers

in flight school.

266

00:20:20,221 --> 00:20:22,390

- He was a good man.

- Still is a good man.

267

00:20:22,473 --> 00:20:23,891

Yeah, that's what I meant.

268

00:20:24,975 --> 00:20:27,395

- Thought so.

- Say, you need any help?

269

00:20:29,063 --> 00:20:30,231

With what?

270

00:20:30,606 --> 00:20:31,941

You figured it out yet?

271

00:20:33,359 --> 00:20:34,485

What's that?

272

00:20:35,569 --> 00:20:36,737

Who's the best pilot.

273

00:20:37,363 --> 00:20:39,615

No, I think I can figure
that one out on my own.

274

00:20:40,783 --> 00:20:41,992

I heard that about you.

275

00:20:42,076 --> 00:20:43,244

You like to work alone.

276

00:20:46,414 --> 00:20:48,541

Mav, you must've soloed
under a lucky star?

277

00:20:48,666 --> 00:20:51,266

I mean, first the MiG, and then you guys
slide into Cougar's spot.

278

00:20:51,335 --> 00:20:53,838

We didn't slide into Cougar's spot.
It was ours, okay?

279

00:20:53,921 --> 00:20:56,881

Yeah, well, some pilots wait their
whole career just to see a MiG up close.

280

00:20:57,258 --> 00:20:59,135

Guess you guys are lucky and famous?

281

00:20:59,260 --> 00:21:00,678

No, you mean notorious.

282

00:21:01,762 --> 00:21:02,847

I'll see you later.

283

00:21:03,639 --> 00:21:04,849

You can count on it.

284

00:21:06,225 --> 00:21:07,726

They were abused children.

285

00:21:09,228 --> 00:21:11,981

- We're gonna have a good time.

- Always.

286

00:21:15,317 --> 00:21:18,070

Okay, I guess it's my turn,

isn't it?

287

00:21:18,154 --> 00:21:20,698

All right, the bet is \$20.

288

00:21:20,781 --> 00:21:21,991

- \$20.

- Right.

289

00:21:22,074 --> 00:21:23,826

You have to have carnal knowledge,

290

00:21:23,909 --> 00:21:25,453

of a lady this time

291

00:21:26,120 --> 00:21:28,205

- on the premises.

- On the premises.

292

00:21:30,166 --> 00:21:32,209

Come on, Mav. A bet's a bet.

293

00:21:32,960 --> 00:21:36,088

I don't know, it just...

It just doesn't seem fair.

294

00:21:36,172 --> 00:21:37,256

For you, I mean.

295

00:21:37,423 --> 00:21:38,507

But...

296

00:21:39,467 --> 00:21:41,302

...she's lost that loving feeling.

297

00:21:41,469 --> 00:21:42,511

She's lost...

298

00:21:42,595 --> 00:21:43,888

- No, she hasn't.

- Yes, she has.

299

00:21:43,971 --> 00:21:45,782

- She has not lost that...

- Goose, she's lost it.

300

00:21:45,806 --> 00:21:46,891

Mav. Come on.

301

00:21:47,641 --> 00:21:50,311

I hate it when she does that. Shit.

302

00:21:55,900 --> 00:21:57,776

- Excuse me, miss.

- Hey, hey, hey.

303

00:21:57,860 --> 00:21:59,570

Don't worry, I'll take care of this.

304

00:22:00,362 --> 00:22:04,408

<i>You never close your eyes anymore</i>

305

00:22:04,492 --> 00:22:07,328

<i>When I kiss your lips</i>

306

00:22:08,412 --> 00:22:11,540

<i>There's no tenderness like before</i>

307

00:22:11,624 --> 00:22:15,127

<i>In your fingertips</i>

308

00:22:15,503 --> 00:22:18,506

<i>You're trying hard not to show it</i>

309

00:22:18,589 --> 00:22:20,674

<i>Baby</i>

310

00:22:20,758 --> 00:22:22,718

<i>But, baby</i>

311

00:22:22,801 --> 00:22:26,388

<i>Believe me I know it</i>

312

00:22:26,472 --> 00:22:30,684

<i>You've lost that loving feeling</i>

313

00:22:31,227 --> 00:22:35,189

<i>Whoa, that loving feeling</i>

314

00:22:35,272 --> 00:22:38,359

<i>You've lost that loving feeling</i>

315

00:22:38,442 --> 00:22:42,196

<i>Now it's gone, gone, gone</i>

316

00:22:42,530 --> 00:22:44,657

<i>Whoa, whoa, whoa</i>

317

00:22:44,740 --> 00:22:49,370

<i>Ba-doom, ba-doom

ba-doom boom boom ba-doom</i>

318

00:22:49,662 --> 00:22:50,704

Sit down.

319

00:22:50,788 --> 00:22:51,932

<i>Ba-doom ba-doom boom boom

Ba-doom, ba-doom...</i>

320

00:22:51,956 --> 00:22:53,332

Thank you.

321

00:22:53,874 --> 00:22:55,000

<i>Baby, baby</i>

322

00:22:55,084 --> 00:22:58,879

<i>I get down on my knees for you</i>

323

00:22:58,963 --> 00:23:00,756

<i>Ba-doom, ba-doom

Ba-doom boom boom*</i>*

324

00:23:00,839 --> 00:23:02,633

I love that song.

325

00:23:02,716 --> 00:23:04,260

I've never seen that approach.

326

00:23:04,343 --> 00:23:05,803

<i>If you would only love me...</i>

327

00:23:05,886 --> 00:23:07,555

How long have you two
been doing this act?

328

00:23:07,638 --> 00:23:09,431

Oh, I don't know, since...

329

00:23:09,557 --> 00:23:11,725

- Puberty?

- Right, puberty.

330

00:23:12,851 --> 00:23:15,104

- I'm Charlotte Blackwood.

- I'm Maverick.

331

00:23:15,521 --> 00:23:16,522

Maverick?

332

00:23:17,523 --> 00:23:19,441

Did your mother not like you
or something?

333

00:23:19,525 --> 00:23:21,235

No, it's my callsign.

334

00:23:21,694 --> 00:23:24,697

- You're a pilot.

- That's right, a naval aviator.

335

00:23:25,322 --> 00:23:26,323

Oh.

336

00:23:26,407 --> 00:23:29,201

No, actually, we've only done this, twice.

337

00:23:29,285 --> 00:23:30,786

Oh, how'd you do?

338

00:23:32,079 --> 00:23:34,498

Crashed and burned on the first one.

It wasn't pretty.

339

00:23:35,916 --> 00:23:38,043

- And second?

- I don't know. I'll tell you tomorrow.

340

00:23:38,127 --> 00:23:40,045

But it's looking good so far.

341

00:23:43,424 --> 00:23:45,175

Well, uh, Maverick,

342

00:23:45,676 --> 00:23:48,762

my friend's just arrived,

so it's been great talking to you.

343

00:23:49,096 --> 00:23:50,264

- Perry.

- Hi.

344

00:23:50,347 --> 00:23:51,515

Hi. Here you go.

345

00:23:51,599 --> 00:23:54,018

Oh, I'll be with you

in just a second, okay?

346

00:23:56,186 --> 00:23:59,732

Listen, can I ask you

a personal question?

347

00:24:00,357 --> 00:24:01,609

That depends.

348

00:24:03,027 --> 00:24:05,988

Are you a good pilot?

349

00:24:07,114 --> 00:24:08,490

I can hold my own.

350

00:24:09,116 --> 00:24:10,117

Great.

351

00:24:11,285 --> 00:24:14,788

Then I won't have to worry about you
making your living as a singer.

352

00:24:21,795 --> 00:24:24,632

I'm gonna need a beer
to put these flames out. Yo!

353

00:24:25,758 --> 00:24:28,010

Great, Mav. Real slick.

354

00:24:52,409 --> 00:24:55,829

- It was a long cruise, was it, sailor?
- It was too long.

355

00:24:56,705 --> 00:25:00,000

What did you wanna do, just drop
right down on the tile and go for it?

356

00:25:00,751 --> 00:25:02,878

No, I actually had...

357

00:25:02,961 --> 00:25:04,672

Had this counter in mind.

358

00:25:05,631 --> 00:25:08,092

Great, that would be
very, very comfortable. Yeah.

359

00:25:08,175 --> 00:25:09,468

It could be.

360

00:25:12,471 --> 00:25:15,140

Actually, I came in here
to save you from

361

00:25:15,849 --> 00:25:18,686

making a big mistake
with that older guy.

362

00:25:19,353 --> 00:25:20,354

Really?

363

00:25:21,480 --> 00:25:25,192

So I could go on to a bigger one
with a young guy like yourself?

364

00:25:27,695 --> 00:25:28,696

Maybe.

365

00:25:29,738 --> 00:25:30,739

No?

366

00:25:30,823 --> 00:25:33,033

I've gotta be at work
very early in the morning.

367

00:25:33,117 --> 00:25:34,368

Then what are you doing here?

368

00:25:36,245 --> 00:25:37,871

Your friend was magnificent.

369

00:25:43,669 --> 00:25:45,504

Nah.

370

00:25:47,214 --> 00:25:50,759

Now, you'll also be trained and
evaluated by a few civilian specialists.

371

00:25:51,260 --> 00:25:53,613

The civilians are here because
they are our very best source

372

00:25:53,637 --> 00:25:55,389

of information on enemy aircraft.

373

00:25:56,056 --> 00:25:58,308

One of the most qualified
is our TAGREP,

374

00:25:58,392 --> 00:25:59,810

callsign, Charlie.

375

00:25:59,893 --> 00:26:02,062

She has a Ph.D. in astrophysics,

376

00:26:02,146 --> 00:26:03,814

and she's also a civilian contractor,

377

00:26:03,897 --> 00:26:05,566

so you do not salute her.

378

00:26:05,649 --> 00:26:06,809

But you better listen to her,

379

00:26:06,859 --> 00:26:09,236

because the Pentagon listens to her
about your proficiency.

380

00:26:09,528 --> 00:26:11,280

- It's all yours, Charlie.

- Thank you.

381

00:26:13,282 --> 00:26:14,283

Hello.

382

00:26:14,408 --> 00:26:17,619

We will be dealing with F-5s and A-4s

383

00:26:17,703 --> 00:26:19,246

as our MiG simulators.

384

00:26:19,496 --> 00:26:21,540

Now, then, as most of you know,

385

00:26:21,790 --> 00:26:24,418

the F-5 doesn't have

the thrust-to-weight ratio

386

00:26:24,501 --> 00:26:26,003

that the MiG-28 has.

387

00:26:26,670 --> 00:26:29,047

And it doesn't bleed energy

below 300 knots,

388

00:26:29,131 --> 00:26:30,466

like the MiG-28.

389

00:26:30,591 --> 00:26:31,717

However,

390

00:26:32,092 --> 00:26:36,221

the MiG-28 does have a problem
with its inverted flight tanks.

391

00:26:36,597 --> 00:26:39,183

It won't do a negative-G pushover.

392

00:26:39,266 --> 00:26:41,119

- The latest intelligence...

- Are you gonna tell her?

393

00:26:41,143 --> 00:26:42,954

- ...tells us that the most it will do...

- Nothing.

394

00:26:42,978 --> 00:26:44,688

...is one negative...

395

00:26:45,731 --> 00:26:47,316

Excuse me, lieutenant.

396

00:26:48,108 --> 00:26:49,485

Is there something wrong?

397

00:26:49,568 --> 00:26:52,196

Yes, ma'am, the data
on the MiG is inaccurate.

398

00:26:53,822 --> 00:26:55,240

How's that, lieutenant?

399

00:26:56,116 --> 00:26:57,951

Well, I just happened to see
a MiG-28 do...

400

00:26:58,035 --> 00:26:59,369

We, we.

401

00:26:59,453 --> 00:27:00,704

Sorry, Goose.

402

00:27:00,788 --> 00:27:04,958

We happened to see a MiG-28
do a four-G negative dive.

403

00:27:06,210 --> 00:27:07,961

Where did you see this?

404

00:27:09,087 --> 00:27:10,214

That's classified.

405

00:27:10,380 --> 00:27:11,465

It's what?

406

00:27:12,090 --> 00:27:13,467

It's classified.

407

00:27:13,967 --> 00:27:15,653

I could tell you,
but then I'd have to kill you.

408

00:27:15,677 --> 00:27:18,347

Lieutenant,
I have top-secret clearance.

409

00:27:18,931 --> 00:27:21,850

The Pentagon sees to it
that I know more than you.

410

00:27:23,560 --> 00:27:26,605

Well, ma'am, it doesn't seem so
in this case, now, does it?

411

00:27:27,439 --> 00:27:28,816

So, lieutenant,

412

00:27:29,525 --> 00:27:31,485

where exactly were you?

413

00:27:32,820 --> 00:27:34,696

- Well, we...

- Thank you.

414

00:27:35,072 --> 00:27:37,574

...started up on his 6
when he pulled through the clouds,

415

00:27:37,658 --> 00:27:38,802

and then I moved in above him.

416

00:27:38,826 --> 00:27:40,786

Well, if you were directly above him,

417

00:27:40,869 --> 00:27:42,496

how could you see him?

418

00:27:43,205 --> 00:27:44,414

Because I was inverted.

419

00:27:44,498 --> 00:27:45,707

Bullshit.

420

00:27:47,209 --> 00:27:49,211

No, he was, man.

It was a really great move.

421

00:27:49,294 --> 00:27:50,921

He was inverted.

422

00:27:51,839 --> 00:27:53,507

You were in a four-G

423

00:27:53,924 --> 00:27:56,426

inverted dive with a MiG-28?

424

00:27:56,802 --> 00:27:59,555

- Yes, ma'am.

- At what range?

425

00:27:59,638 --> 00:28:01,598

No. About two meters.

426

00:28:01,682 --> 00:28:03,600

It was actually about

one and a half, I think.

427

00:28:03,725 --> 00:28:05,578

It was one and a half.

I've got a great Polaroid of it.

428

00:28:05,602 --> 00:28:06,913

He's right there.

It must be one and a half.

429

00:28:06,937 --> 00:28:08,039

It was a nice picture.

430

00:28:08,063 --> 00:28:09,106

Lieutenant.

431

00:28:09,189 --> 00:28:10,549

Thanks, I like my pictures.

432

00:28:12,025 --> 00:28:13,610

What were you doing there?

433

00:28:14,820 --> 00:28:17,030

- Communicating.

- Communicating.

434

00:28:17,489 --> 00:28:20,158

Keeping up foreign relations. I was,

435

00:28:20,534 --> 00:28:22,369

you know, giving him the bird.

436

00:28:24,037 --> 00:28:26,748

- You know, the finger.

- Yes, I know the finger, Goose.

437

00:28:26,915 --> 00:28:29,293

I'm sorry, I hate it when it does that.

I'm sorry.

438

00:28:30,669 --> 00:28:31,753

Excuse me.

439

00:28:33,046 --> 00:28:34,339

So you're the one.

440

00:28:35,382 --> 00:28:36,508

Yes, ma'am.

441

00:28:37,843 --> 00:28:39,887

All right, gentlemen,

we have a hop to take.

442

00:28:40,721 --> 00:28:42,556

The hard deck on this hop
will be 10,000 feet.

443

00:28:42,639 --> 00:28:44,516

There'll be no engagement below that.

444

00:28:45,309 --> 00:28:46,560

Move it!

445

00:28:48,312 --> 00:28:49,897

...disappear like that.

446

00:28:51,565 --> 00:28:52,858

Lieutenant.

447

00:28:54,860 --> 00:28:56,570

Okay, well, don't be late again.

448

00:28:56,695 --> 00:28:58,255

- You look great, honey.

- Thanks, dear.

449

00:28:58,405 --> 00:28:59,698

See you in preflight.

450

00:29:00,198 --> 00:29:02,117

Lieutenant, why didn't you tell me

451

00:29:02,200 --> 00:29:04,161

that you were a famous MiG insulter?

452

00:29:04,620 --> 00:29:07,873

- Would it have made any difference?

- Not in the ladies' room, no.

453

00:29:08,457 --> 00:29:09,875

And what would've?

454

00:29:10,417 --> 00:29:12,002

I'm an instructor at this school.

455

00:29:12,085 --> 00:29:14,588

I see 20 new hotshots
every eight weeks.

456

00:29:14,671 --> 00:29:16,715

Now, I'm sure you can figure that out.

457

00:29:17,341 --> 00:29:18,717

Look, lieutenant.

458

00:29:19,760 --> 00:29:22,638

I'd just really like to hear
about the MiG sometime.

459

00:29:23,722 --> 00:29:25,599

You've got security clearance.

460

00:29:26,391 --> 00:29:28,143

You can read about it.

461

00:29:33,774 --> 00:29:35,025

Maverick.

462

00:29:36,902 --> 00:29:38,195

I'm curious.

463

00:29:39,404 --> 00:29:42,532

Who was covering Cougar

464

00:29:42,658 --> 00:29:45,077

while you were showboating

with this MiG?

465

00:29:45,911 --> 00:29:47,704

Cougar was doing just fine.

466

00:29:48,455 --> 00:29:49,456

Uh-huh.

467

00:29:50,040 --> 00:29:51,708

<i>Gentlemen, this is your first hop.</i>

468

00:29:51,792 --> 00:29:53,126

<i>The jets you are flying against</i>

469

00:29:53,210 --> 00:29:55,587

*<i>are smaller, faster
and more maneuverable,</i>*

470

00:29:55,671 --> 00:29:56,880

<i>just like the enemy MiGs.</i>

471

00:29:56,964 --> 00:29:59,800

*<i>The clock is ticking,
and as of now, we are keeping score.</i>*

472

00:30:00,842 --> 00:30:02,260

I lost him, Goose.

473

00:30:04,388 --> 00:30:05,806

Show me what you got, kid.

474

00:30:06,807 --> 00:30:09,184

- I lost him.

- I'm looking, I'm looking.

475

00:30:11,645 --> 00:30:13,689

I got him, I got him.

He's on our tail, coming hard.

476

00:30:13,772 --> 00:30:16,233

Yeah, I got him. I got him. Here we go.

477

00:30:29,162 --> 00:30:31,540

- All right, talk to me, Goose.

- He's still back there.

478

00:30:31,623 --> 00:30:33,333

<i>He's closing in on us. He's closing fast.</i>

479

00:30:34,251 --> 00:30:36,336

You can run, kid, but you can't hide.

480

00:30:40,716 --> 00:30:43,516

Come on, Jester. Let's see if I can
give you a run for your money here.

481

00:30:49,850 --> 00:30:51,351

Watch the mountains.

482

00:31:01,862 --> 00:31:03,822

I still got him. He's still back there.

483

00:31:03,905 --> 00:31:05,949

Come on, Mav.

Do some of that pilot shit.

484

00:31:06,033 --> 00:31:07,409

Yeah, I got him.

485

00:31:17,502 --> 00:31:19,171

Come on, bring it right.

486

00:31:20,380 --> 00:31:22,049

Goose, I've had about enough
of this shit.

487

00:31:24,176 --> 00:31:26,053

I'm gonna hit the brakes,
he'll fly right by.

488

00:31:26,136 --> 00:31:27,679

Okay, you're mine.

489

00:31:35,979 --> 00:31:37,230

Jesus Christ.

490

00:31:40,567 --> 00:31:42,402

Let's see what you've got now, Jester.

491

00:31:42,652 --> 00:31:44,905

Okay, Mav, let's turn and burn.

492

00:32:02,923 --> 00:32:04,591

He's going vertical, so am I.

493

00:32:04,674 --> 00:32:06,927

We're going ballistic, Mav. Go get him.

494

00:32:16,478 --> 00:32:17,580

He's going for the hard deck.

495

00:32:17,604 --> 00:32:19,731

Let's get down there first

and nail him, Mav.

496

00:32:19,815 --> 00:32:21,817

No way, Jester. You're mine.

497

00:32:38,834 --> 00:32:40,085

I got you now.

498

00:32:43,630 --> 00:32:44,881

Jester's dead.

499

00:32:45,632 --> 00:32:47,634

Jester's dead.

500

00:32:50,470 --> 00:32:53,265

Get your butts above the hard deck
and return to base immediately.

501

00:32:57,227 --> 00:32:58,812

Yes, sir.

502

00:33:05,026 --> 00:33:07,779

Tower, this is Ghost Rider

requesting a flyby.

503

00:33:08,947 --> 00:33:11,116

Negative, Ghost Rider,
the pattern is full.

504

00:33:11,324 --> 00:33:13,535

No. No, Mav. This is not a good idea.

505

00:33:14,119 --> 00:33:16,997

Sorry, Goose
but it's time to buzz the tower.

506

00:33:28,383 --> 00:33:30,886

Goddamn son of a bitch.

507

00:33:35,765 --> 00:33:37,350

<i>Great balls of fire!</i>

508

00:33:40,645 --> 00:33:41,771

Jester's dead.

509

00:33:41,855 --> 00:33:43,982

You won? That's bullshit.

510

00:33:44,065 --> 00:33:46,693

- Didn't everybody?

- Hell, no, man, we got our butts kicked.

511

00:33:47,110 --> 00:33:50,071

Thirty seconds.

We went like this, he went like that.

512

00:33:50,238 --> 00:33:51,990

I said to Hollywood, "Where'd he go?"

513

00:33:52,073 --> 00:33:54,868

Hollywood just said, "Where'd who go?"

514

00:33:55,202 --> 00:33:57,889

Yeah, and he's laughing at us,
right on the radio. He's laughing at us.

515

00:33:57,913 --> 00:33:59,581

No, it's me laughing, dickhead.

516

00:33:59,664 --> 00:34:00,665

We won.

517

00:34:00,749 --> 00:34:01,791

- All right!

- All right!

518

00:34:01,875 --> 00:34:03,102

- All right.

- All right.

519

00:34:03,126 --> 00:34:04,502

They won too, man.

520

00:34:05,045 --> 00:34:06,046

That's not what I heard.

521

00:34:06,129 --> 00:34:09,049

- No, we did, we got Jester.

- No, no.

522

00:34:09,132 --> 00:34:10,526

Below the hard deck does not count.

523

00:34:10,550 --> 00:34:11,801

Hard deck, my ass.

524

00:34:11,885 --> 00:34:13,470

We nailed that son of a bitch.

525

00:34:13,553 --> 00:34:14,971

You guys really are cowboys.

526

00:34:15,055 --> 00:34:16,932

What's your problem, Kazansky?

527

00:34:18,850 --> 00:34:20,268

You're everyone's problem.

528

00:34:20,936 --> 00:34:23,376

That's because every time
you go up in the air, you're unsafe.

529

00:34:23,772 --> 00:34:25,374

I don't like you

because you're dangerous.

530

00:34:25,398 --> 00:34:26,691

That's right.

531

00:34:27,442 --> 00:34:29,236

Iceman.

532

00:34:30,070 --> 00:34:31,404

I am dangerous.

533

00:34:34,407 --> 00:34:35,575

Maverick.

534

00:34:36,243 --> 00:34:37,887

You and Goose get your butts
out of that flight gear

535

00:34:37,911 --> 00:34:39,537

and up to Viper's office now.

536

00:34:43,500 --> 00:34:45,085

Remember, boys,

537

00:34:45,168 --> 00:34:46,920

no points for second place.

538

00:34:48,088 --> 00:34:50,191

- You're a lot brighter than you look.

- Oh, you shut up, okay?

539

00:34:50,215 --> 00:34:52,217

- Don't worry. Goose, don't worry.

- Okay, I will.

540

00:34:52,425 --> 00:34:55,262

Two of your snot-nosed jockeys

did a flyby on my tower

541

00:34:55,345 --> 00:34:56,721

at over 400 knots!

542

00:34:57,013 --> 00:35:00,016

I want somebody's butt. I want it now.

I've had it.

543

00:35:00,600 --> 00:35:03,103

- Oh!

- God damn it!

544

00:35:03,186 --> 00:35:04,688

That's twice.

545

00:35:04,771 --> 00:35:06,189

I want some butts!

546

00:35:07,899 --> 00:35:10,443

Well, that'll just about cover the flybys.

547

00:35:11,778 --> 00:35:13,113

Follow me.

548

00:35:17,617 --> 00:35:18,994

Gentlemen.

549

00:35:20,829 --> 00:35:23,081

You had a hell of a first day.

550

00:35:26,376 --> 00:35:29,254

The hard deck for this hop
was 10,000 feet.

551

00:35:29,796 --> 00:35:31,548

You knew it, you broke it.

552

00:35:32,132 --> 00:35:33,842

You followed
Commander Heatherly below

553

00:35:33,925 --> 00:35:36,469

after he lost sight of you
and called no joy.

554

00:35:38,596 --> 00:35:40,640

- Why?

- Sir!

555

00:35:41,391 --> 00:35:44,227

I had Commander Heatherly
in my sights.

556

00:35:45,186 --> 00:35:46,521

He saw me move in for the kill.

557

00:35:46,604 --> 00:35:49,274

He then proceeded
below the hard deck.

558

00:35:49,983 --> 00:35:52,986

We weren't below 10,000
for more than a few seconds.

559

00:35:53,486 --> 00:35:54,696

I had the shot,

560

00:35:54,779 --> 00:35:57,574

there was no danger, so I took it.

561

00:35:58,700 --> 00:35:59,868

You took it.

562

00:36:00,535 --> 00:36:02,746

And broke a major rule of engagement.

563

00:36:03,747 --> 00:36:04,914

Then you broke another one

564

00:36:04,998 --> 00:36:06,958

with that circus-stunt flyby.

565

00:36:09,753 --> 00:36:11,421

Lieutenant Mitchell.

566

00:36:11,504 --> 00:36:13,882

Top Gun rules of engagement
exist for your safety

567

00:36:13,965 --> 00:36:15,342

and for that of your team.

568

00:36:15,508 --> 00:36:17,510

They are not flexible, nor am I.

569

00:36:18,803 --> 00:36:21,556

Either obey them or you're history.

Is that clear?

570

00:36:23,892 --> 00:36:24,934

Yes, sir!

571

00:36:33,902 --> 00:36:35,028

Dismissed.

572

00:36:40,700 --> 00:36:42,744

I really enjoyed that, Mav, thanks a lot.

573

00:36:43,411 --> 00:36:44,746

Holy shit.

574

00:36:49,626 --> 00:36:51,544

Maybe I could learn how
to be a truck driver.

575

00:36:51,920 --> 00:36:54,148

Mav, you have the number of that

truck-driving school we saw on TV?

576

00:36:54,172 --> 00:36:55,590

Truck Master, I think it is.

577

00:36:55,965 --> 00:36:57,217

I might need that.

578

00:36:58,051 --> 00:37:00,011

His fitness report says it all.

579

00:37:00,345 --> 00:37:01,721

He's a wild card.

580

00:37:02,389 --> 00:37:03,449

Flies by the seat of his pants.

581

00:37:03,473 --> 00:37:04,724

Completely unpredictable.

582

00:37:06,142 --> 00:37:07,685

He got you, didn't he?

583

00:37:09,521 --> 00:37:10,522

Yeah.

584

00:37:11,022 --> 00:37:12,148

Maverick.

585

00:37:13,983 --> 00:37:15,402

I flew with his old man.

586

00:37:19,572 --> 00:37:20,990

Tell me one thing.

587

00:37:21,866 --> 00:37:24,160

If you had to go into battle,
would you want him with you?

588

00:37:24,244 --> 00:37:25,453

I don't know.

589

00:37:26,204 --> 00:37:27,414

I just don't know.

590

00:37:40,385 --> 00:37:43,346

- You still awake?

- Yeah.

591

00:37:46,433 --> 00:37:47,559

What's up?

592

00:37:48,601 --> 00:37:49,769

Can't sleep.

593

00:37:51,813 --> 00:37:54,208

You know, when I first realized
that we were going to Top Gun,

594

00:37:54,232 --> 00:37:56,443

all I could think about
was getting that trophy.

595

00:37:58,403 --> 00:38:00,905

I gotta be straight with you, Mav.

596

00:38:02,115 --> 00:38:04,284

Right now, I just hope we graduate.

597

00:38:06,453 --> 00:38:07,596

I got a family to think about.

598

00:38:07,620 --> 00:38:09,289

I can't afford to blow this.

599

00:38:13,543 --> 00:38:17,172

Yeah, I guess that flyby wasn't
such a big hit, huh?

600

00:38:21,342 --> 00:38:23,553

Look, man, I know it's tough for you.

601

00:38:24,137 --> 00:38:25,239

They wouldn't let you in the academy

602

00:38:25,263 --> 00:38:27,015

because you're Duke Mitchell's kid and

603

00:38:27,932 --> 00:38:29,893

you have to live with that reputation.

604

00:38:30,310 --> 00:38:31,936

But it's like every time we go up there,

605

00:38:32,020 --> 00:38:34,147

it's like you're flying against a ghost.

606

00:38:36,232 --> 00:38:38,026

It makes me nervous.

607

00:38:42,947 --> 00:38:44,532

You're the only family I've got.

608

00:38:45,658 --> 00:38:47,702

I'm not gonna let you down.

I promise you.

609

00:38:57,879 --> 00:38:59,130

Get out of here.

610

00:39:16,356 --> 00:39:19,150

A rolling reversal would work well
in that situation.

611

00:39:21,694 --> 00:39:24,822

But if I reversed on a hard cross,
I could immediately go to guns on them.

612

00:39:24,906 --> 00:39:27,033

Yeah, but at that speed, it's too fast.

613

00:39:28,535 --> 00:39:30,203

It's a little bit too aggressive.

614

00:39:31,538 --> 00:39:32,956

Too aggressive.

615

00:39:35,250 --> 00:39:36,560

Yeah, I guess when I see something,

616

00:39:36,584 --> 00:39:37,835

I go right after it.

617

00:39:39,963 --> 00:39:41,843

You didn't tell me who you were
the other night.

618

00:39:42,382 --> 00:39:44,509

You didn't give me a chance, did you?

619

00:39:45,176 --> 00:39:46,553

You deserved it.

620

00:39:47,845 --> 00:39:48,846

I know.

621

00:39:49,430 --> 00:39:50,557

But

622

00:39:51,140 --> 00:39:52,600

you were tempted

623

00:39:53,685 --> 00:39:55,395

to ask me out for dinner.

624

00:39:56,479 --> 00:39:58,147

- No.

- No?

625

00:39:58,231 --> 00:39:59,232

No.

626

00:39:59,649 --> 00:40:01,276

I don't date students.

627

00:40:10,910 --> 00:40:12,912

I can see it's dangerous for you.

628

00:40:13,454 --> 00:40:15,248

But if the government trusts me,

629

00:40:16,916 --> 00:40:18,710

maybe you could.

630

00:40:25,800 --> 00:40:28,261

It takes a lot more than just fancy flying.

631

00:40:42,525 --> 00:40:44,444

Crash and burn, huh, Mav?

632

00:40:48,656 --> 00:40:49,657

Slider,

633

00:40:53,036 --> 00:40:54,162

you stink.

634

00:41:04,589 --> 00:41:05,590

Let's go.

635

00:41:05,673 --> 00:41:07,133

Okay, Ice, yeah.

636

00:41:09,302 --> 00:41:10,303

All set.

637

00:41:11,971 --> 00:41:13,389

Yeah. Yeah, yeah.

638

00:41:13,473 --> 00:41:14,599

Back up, back up.

639

00:41:18,269 --> 00:41:19,312

Here it comes.

640

00:41:20,271 --> 00:41:21,271

That's good.

641

00:41:21,314 --> 00:41:22,357

Come on.

642

00:41:23,691 --> 00:41:24,692

Let's go, now.

643

00:41:35,161 --> 00:41:37,246

Come on, Mav, let's get them.

644

00:41:38,164 --> 00:41:39,791

Those guys are animals.

645

00:41:43,836 --> 00:41:45,004

Let's go!

646

00:41:46,172 --> 00:41:47,173

Go!

647

00:41:47,382 --> 00:41:48,782

Oh, good serve, good serve.

648

00:41:55,306 --> 00:41:56,349

All right!

649

00:41:57,517 --> 00:41:58,518

Yes!

650

00:42:00,103 --> 00:42:01,145

Yeah!

651

00:42:12,865 --> 00:42:14,283

That's game.

652

00:42:15,702 --> 00:42:18,538

Okay. Fake block.

Stay down. We'll just take them.

653

00:42:18,621 --> 00:42:19,789

Okay.

654

00:42:22,291 --> 00:42:24,460

Come on, where you guys going?

You walking away?

655

00:42:24,544 --> 00:42:26,379

We won, we won. Come on!

656

00:42:26,462 --> 00:42:28,047

Mav. Mav. Come on, man.

657

00:42:28,631 --> 00:42:29,900

Just one more game. That evens it up.

658

00:42:29,924 --> 00:42:31,467

- Come on, we can take them.

- No.

659

00:42:31,551 --> 00:42:32,593

No, we can, we got it.

660

00:42:32,677 --> 00:42:34,237

I got some things I gotta take care of.

661

00:42:34,303 --> 00:42:36,097

Take care of? Just one more game.

662

00:42:36,764 --> 00:42:38,141

Please? For me?

663

00:42:38,224 --> 00:42:39,284

- I'm sorry.

- You're sorry.

664

00:42:39,308 --> 00:42:40,351

- Come on.

- Come on!

665

00:42:40,435 --> 00:42:41,978

- Mother Goose, you pussy!

- For me?

666

00:43:15,052 --> 00:43:16,220

Damn it.

667

00:43:28,691 --> 00:43:29,817

Lieutenant?

668

00:43:34,739 --> 00:43:37,658

- Yeah...

- What, no singing?

669

00:43:39,202 --> 00:43:42,580

- Look, I'm... I'm...

- No apologies.

670

00:43:50,963 --> 00:43:51,964

If you don't mind, I'm...

671

00:43:52,048 --> 00:43:53,400

I'm gonna just take a quick shower

672

00:43:53,424 --> 00:43:55,927

while you're finishing up here.

673

00:43:57,804 --> 00:43:59,430

Yeah, I do mind.

674

00:44:00,890 --> 00:44:02,433

I'm hungry.

675

00:44:05,686 --> 00:44:06,813

And then

676

00:44:07,480 --> 00:44:08,981

I thought about it.

677

00:44:09,690 --> 00:44:10,858

I thought,

678

00:44:12,193 --> 00:44:14,403

"You know, Charlie, he's a smart guy.

679

00:44:15,488 --> 00:44:17,782

"Why don't you just tell him

why you've got him here."

680

00:44:19,450 --> 00:44:20,660

Well?

681

00:44:22,036 --> 00:44:23,538

It's the MiG.

682

00:44:27,708 --> 00:44:28,709

The MiG.

683

00:44:29,794 --> 00:44:32,755

You're the only pilot
who's been up against a MiG-28.

684

00:44:36,050 --> 00:44:37,730

I'm trying for this big promotion at work,

685

00:44:37,802 --> 00:44:39,971

and if I get it,
I'm not gonna be here much longer.

686

00:44:41,681 --> 00:44:44,058

It seems to me you've got it
all figured out.

687

00:44:44,517 --> 00:44:45,977

Yeah.

688

00:44:47,478 --> 00:44:49,397

Except you did forget the wine.

689

00:44:50,606 --> 00:44:51,691

Oh.

690

00:44:52,692 --> 00:44:54,360

Sorry.

691

00:44:55,486 --> 00:44:57,071

You always get what you want?

692

00:44:57,280 --> 00:44:58,573

No, not always.

693

00:44:59,782 --> 00:45:01,284

Yeah, maybe.

694

00:45:01,367 --> 00:45:03,077

Then relax about the MiG.

695

00:45:18,759 --> 00:45:19,886

This music.

696

00:45:22,722 --> 00:45:24,098

An old friend?

697

00:45:26,267 --> 00:45:27,310

My folks loved it.

698

00:45:28,644 --> 00:45:30,104

I haven't heard this in years.

699

00:45:32,440 --> 00:45:34,859

My mother used to

call down from her room

700

00:45:34,942 --> 00:45:37,653

and have me play this
over and over again.

701

00:45:37,737 --> 00:45:39,864

I got so sick of it.

702

00:45:42,325 --> 00:45:43,784

But not her, she...

703

00:45:44,869 --> 00:45:47,580

Just sit up there alone,
just listening, hours.

704

00:45:49,206 --> 00:45:50,499

Just listening.

705

00:45:53,085 --> 00:45:56,088

She died shortly after him.

706

00:45:56,672 --> 00:45:57,924

What happened to your father?

707

00:46:04,013 --> 00:46:07,099

I guess I kind of figured,
with your security clearance,

708

00:46:07,183 --> 00:46:09,727

you'd know more about him than I do.

709

00:46:11,437 --> 00:46:14,023

- Well, I didn't get that far.

- Oh.

710

00:46:16,525 --> 00:46:17,735

Well, it's a big mystery.

711

00:46:19,904 --> 00:46:24,283

He disappeared in an F-4,
November 5th, 1965.

712

00:46:27,370 --> 00:46:28,871

The stink of it was,

713

00:46:29,664 --> 00:46:31,582

he screwed up.

714

00:46:32,750 --> 00:46:33,751

No way.

715

00:46:34,961 --> 00:46:36,796

My old man was a great fighter pilot.

716

00:46:41,092 --> 00:46:44,303

But who the hell knows?

It's all classified.

717

00:46:47,390 --> 00:46:48,849

Somebody must know.

718

00:46:49,475 --> 00:46:51,477

Yeah, somebody knows everything.

719

00:46:52,395 --> 00:46:54,855

Is that why you're always
second best up there?

720

00:46:57,066 --> 00:46:58,359

You are direct, aren't you?

721

00:47:07,910 --> 00:47:09,161

I'm sorry I was late.

722

00:47:11,872 --> 00:47:13,749

I'm sorry for being direct.

723

00:47:14,625 --> 00:47:16,127

No apologies.

724

00:47:18,921 --> 00:47:20,798

This is gonna be complicated.

725

00:47:33,227 --> 00:47:34,729

Where are you going?

726

00:47:36,272 --> 00:47:37,773

I'm gonna take a shower.

727

00:47:42,028 --> 00:47:43,154

Thank you.

728

00:47:44,071 --> 00:47:45,823

I enjoyed being here.

729

00:48:24,153 --> 00:48:27,073

It looks like you need another shower.

730

00:48:29,033 --> 00:48:30,034

Right.

731

00:48:36,749 --> 00:48:38,292

I'm gonna be honest with you.

732

00:48:40,669 --> 00:48:43,756

Your MiG sighting is really
important to my work, but...

733

00:48:49,595 --> 00:48:52,306

I don't normally invite
students to my house.

734

00:48:53,432 --> 00:48:54,892

You're...

735

00:49:02,775 --> 00:49:05,444

But... Please understand,

I still have a job to do.

736

00:49:08,072 --> 00:49:09,073

- Morning.

- Sir.

737

00:49:09,156 --> 00:49:10,491

Morning.

738

00:49:32,555 --> 00:49:34,890

I'm glad we got that straight.

739

00:49:53,492 --> 00:49:55,494

I told her how tough it is here.

740

00:49:55,744 --> 00:49:58,622

You know, my ass dragging

like an old, tired dog.

741

00:49:58,706 --> 00:50:00,642

I told her that you didn't
even have a woman here.

742

00:50:00,666 --> 00:50:01,709

Oh, really.

743

00:50:01,876 --> 00:50:02,918

You know what she said?

744

00:50:03,002 --> 00:50:04,587

Said, "Oh, he probably
doesn't have one,

745

00:50:04,670 --> 00:50:05,838

"he's got eight."

746

00:50:13,012 --> 00:50:15,723

- Hi!

- Daddy!

747

00:50:21,979 --> 00:50:23,189

So, Maverick,

748

00:50:23,480 --> 00:50:26,775

Goose tells me you're in love
with one of your instructors.

749

00:50:26,859 --> 00:50:29,445

- Is that right?

- I didn't tell her that.

750

00:50:29,528 --> 00:50:30,988

- Yes, you did.

- I...

751

00:50:31,238 --> 00:50:32,757

- Yes, you did.

- I can't believe you said that.

752

00:50:32,781 --> 00:50:34,658

- That was a secret.

- No.

753

00:50:40,831 --> 00:50:43,000

The bogey has
good position right here.

754

00:50:43,083 --> 00:50:44,793

All right, freeze-frame.

755

00:50:45,127 --> 00:50:46,503

Moment of choice.

756

00:50:46,754 --> 00:50:48,547

The F-14 is defensive.

757

00:50:48,839 --> 00:50:50,716

He has a chance to bug out right here.

758

00:50:51,258 --> 00:50:54,470

Better to retire and save your aircraft

759

00:50:55,304 --> 00:50:57,056

than push a bad position.

760

00:50:57,640 --> 00:50:59,558

Charlie, jump in here anytime.

761

00:51:00,142 --> 00:51:02,394

Now, you stay in that diamond
another three seconds,

762

00:51:02,811 --> 00:51:05,272

the bogey's gonna blow you
out of the sky.

763

00:51:05,356 --> 00:51:08,359

You take a hard right, select zone five,

764

00:51:08,442 --> 00:51:10,402

you can extend an escape.

765

00:51:11,362 --> 00:51:13,530

You made a bad choice.

766

00:51:14,657 --> 00:51:15,783

Charlie.

767

00:51:18,244 --> 00:51:20,955

Aircraft one performs a split S?

768

00:51:21,413 --> 00:51:23,374

That's the last thing you should do.

769

00:51:23,582 --> 00:51:25,251

The MiG's right on your tail.

770

00:51:25,334 --> 00:51:26,877

Freeze there, please.

771

00:51:27,753 --> 00:51:31,048

The MiG has you in his gunsight.

What were you thinking at this point?

772

00:51:31,966 --> 00:51:34,051

You don't have time to think up there.

773

00:51:34,134 --> 00:51:35,552

If you think,

774

00:51:35,636 --> 00:51:36,804

you're dead.

775

00:51:36,971 --> 00:51:38,097

Well, that's a big gamble

776

00:51:38,180 --> 00:51:40,391

with a \$30 million plane, lieutenant.

777

00:51:47,940 --> 00:51:49,817

Unfortunately, the gamble worked.

778

00:51:49,942 --> 00:51:51,902

The MiG never got a clean shot.

779

00:51:53,195 --> 00:51:55,823

Maverick makes

an aggressive vertical move here,

780

00:51:55,906 --> 00:51:59,201

comes over the top, and he defeats

the bandit with a missile shot.

781

00:52:00,160 --> 00:52:01,870

The encounter was a victory,

782

00:52:01,996 --> 00:52:06,208

but I think that we've shown it
as an example of what not to do.

783

00:52:07,668 --> 00:52:08,794

Next.

784

00:52:09,962 --> 00:52:11,839

Gutsiest move I ever saw, man.

785

00:52:15,926 --> 00:52:20,139

Now, then, this is a perfect example
of a textbook maneuver.

786

00:52:33,360 --> 00:52:34,570

Lieutenant.

787

00:52:39,158 --> 00:52:40,659

Maverick.

788

00:52:43,120 --> 00:52:44,204

Lieutenant.

789

00:52:45,706 --> 00:52:47,166

Lieutenant.

790

00:52:48,000 --> 00:52:50,294

My review of your flight performance
in the TACTS

791

00:52:50,377 --> 00:52:52,338

was right on,
in my professional opinion.

792

00:52:53,172 --> 00:52:54,631

I can't hear you.

793

00:53:15,527 --> 00:53:16,945

Jesus Christ!

794

00:53:17,029 --> 00:53:18,280

And you think I'm reckless!

795

00:53:18,364 --> 00:53:19,507

When I fly, I'll have you know

796

00:53:19,531 --> 00:53:21,992

that my crew and my plane come first!

797

00:53:22,076 --> 00:53:24,495

Well, I'm going to finish
my sentence, lieutenant.

798

00:53:24,578 --> 00:53:27,122

My review of your flight
performance was right on.

799

00:53:27,206 --> 00:53:28,999

- Is that right?

- That is right.

800

00:53:29,291 --> 00:53:30,667

But I held something back.

801

00:53:31,043 --> 00:53:33,045

I see some real genius
in your flying, Maverick,

802

00:53:33,128 --> 00:53:34,630

but I can't say that in there.

803

00:53:34,755 --> 00:53:36,635

I was afraid that everyone
in that TACTS trailer

804

00:53:36,715 --> 00:53:38,300

would see right through me.

805

00:53:38,634 --> 00:53:41,553

And I just don't want anyone to know
that I've fallen for you.

806

00:55:28,035 --> 00:55:29,703

- Hey, Maverick.

- Yeah.

807

00:55:29,786 --> 00:55:31,038

You hear about Ice?

808

00:55:31,997 --> 00:55:34,041

- What's that?

- He won another one.

809

00:55:34,666 --> 00:55:36,126

- Really?

- Yeah.

810

00:55:37,252 --> 00:55:38,629

I feel the need,

811

00:55:39,463 --> 00:55:41,924

- the need for speed.

- The need for speed.

812

00:55:46,136 --> 00:55:48,222

<i>Gentlemen, this is hop 19.</i>

813

00:55:48,305 --> 00:55:50,557

<i>Multiple aircraft, multiple bogies.</i>

814

00:55:50,641 --> 00:55:52,267

<i>Your training is half over.</i>

815

00:55:52,351 --> 00:55:55,103

<i>The competition for the Top Gun trophy
remains tight.</i>

816

00:55:55,187 --> 00:55:56,522

<i>First place, Iceman.</i>

817

00:55:56,605 --> 00:55:59,066

<i>Second place, Maverick,
just two points behind.</i>

818

00:56:00,859 --> 00:56:03,403

There they are.

Three miles, left, 10 o'clock.

819

00:56:03,487 --> 00:56:04,506

<i>I don't think they see us yet.</i>

820

00:56:04,530 --> 00:56:05,739

Okay, I see them.

821

00:56:05,906 --> 00:56:08,825

<i>Two A-4s, left 10 o'clock level,
continue left turn.</i>

822

00:56:18,126 --> 00:56:20,671

Good morning, gentlemen.

The temperature's 110 degrees.

823

00:56:20,754 --> 00:56:22,297

Holy shit, it's Viper.

824

00:56:22,798 --> 00:56:24,424

Viper's up here, great.

825

00:56:24,967 --> 00:56:26,051

Oh, shit.

826

00:56:26,552 --> 00:56:29,721

Great. He's probably saying,

"Holy shit, it's Maverick and Goose."

827

00:56:29,805 --> 00:56:31,640

Yeah, I'm sure he's saying that.

828

00:56:35,227 --> 00:56:36,937

I've got my eye on the northern bogey.

829

00:56:37,020 --> 00:56:38,689

Roger. I got the southern guy.

830

00:56:41,108 --> 00:56:43,193

Hollywood, you've got the lead,
I'll cover you.

831

00:56:56,123 --> 00:56:57,541

Break now, Jester.

832

00:57:02,254 --> 00:57:04,590

Hollywood, we're losing Viper.
Let's just stay on Jester.

833

00:57:04,673 --> 00:57:05,799

Roger, I'm on him.

834

00:57:09,928 --> 00:57:12,764

Goose, find Viper.

He's out there somewhere.

835

00:57:12,931 --> 00:57:15,767

Stay with Hollywood, Mav,

we're covering his wing.

836

00:57:17,519 --> 00:57:19,938

Goose, there's Viper.

3 o'clock, low.

837

00:57:20,188 --> 00:57:22,357

Stay with Hollywood, Mav.

We're his cover.

838

00:57:22,441 --> 00:57:24,109

Don't you leave me, Maverick.

839

00:57:24,526 --> 00:57:26,361

Hollywood, you're looking good.

840

00:57:26,820 --> 00:57:28,363

I'm going after Viper.

841

00:57:31,408 --> 00:57:33,035

God damn you, Maverick.

842

00:57:33,118 --> 00:57:34,411

Mav, don't leave him.

843

00:57:34,494 --> 00:57:37,414

Goose, Hollywood's okay. I want Viper.

844

00:57:40,959 --> 00:57:43,420

Stand by. Viper's coming down.

845

00:57:49,885 --> 00:57:53,722

Holy shit, we're head-to-head.

I can't believe we're doing this.

846

00:58:08,320 --> 00:58:09,363

Rock 'n' roll.

847

00:58:09,446 --> 00:58:11,490

Here's our chance.

It's a big one, Goose.

848

00:58:13,575 --> 00:58:15,160

Come on, God damn it.

849

00:58:18,997 --> 00:58:20,624

Come on, Mav, keep coming.

850

00:58:24,836 --> 00:58:26,797

Okay. Sidewinder missile selected.

851

00:58:26,880 --> 00:58:28,882

<i>Come on, baby. Come on, baby.</i>

852

00:58:28,965 --> 00:58:31,968

Come around, come around.

That's it, that's it.

853

00:58:37,683 --> 00:58:38,975

Jesus, this guy's good.

854

00:58:39,309 --> 00:58:41,061

<i>Goose, where's he going?</i>

855

00:58:41,144 --> 00:58:42,854

Come on, come on, come on,
keep coming.

856

00:58:42,938 --> 00:58:44,690

<i>Keep coming!</i>

857

00:58:48,110 --> 00:58:49,361

Come on, baby.

858

00:58:55,033 --> 00:58:56,618

Damn, this kid's good.

859

00:58:58,036 --> 00:59:00,455

He's too close for missiles, Goose,
I'm switching to guns.

860

00:59:03,834 --> 00:59:05,544

Come on, come on, come on.

861

00:59:08,213 --> 00:59:10,716

Stick with me, stick with me.

862

00:59:14,094 --> 00:59:16,430

What... Hold it. Goose, check our tail.

863

00:59:16,513 --> 00:59:18,223

Shit. There's Jester.

864

00:59:18,557 --> 00:59:20,976

Bingo, Maverick's dead.

You're out of there, kid.

865

00:59:21,059 --> 00:59:22,060

Shit.

866

00:59:23,103 --> 00:59:25,105

The Defense Department

regrets to inform you

867

00:59:25,188 --> 00:59:27,816

that your sons are dead
because they were stupid.

868

00:59:28,608 --> 00:59:30,694

<i>Great balls of fire.</i>

869

00:59:31,236 --> 00:59:32,863

Okay, knock it off, gentlemen.

870

00:59:32,946 --> 00:59:34,698

Let's go home. Viper has the lead.

871

00:59:40,120 --> 00:59:42,414

Thirty seconds, Wolfman,
and I'm coming in.

872

00:59:43,373 --> 00:59:44,416

Shut up!

873

00:59:44,499 --> 00:59:45,751

God, buttnose!

874

00:59:46,668 --> 00:59:49,004

That was some of the best
flying I've seen yet,

875

00:59:49,087 --> 00:59:51,256

right up to the part where you got killed.

876

00:59:51,631 --> 00:59:53,967

You never, never leave your wingman.

877

01:00:01,516 --> 01:00:02,642

Maverick,

878

01:00:04,686 --> 01:00:06,104

it's not your flying,

879

01:00:06,438 --> 01:00:07,898

it's your attitude.

880

01:00:08,648 --> 01:00:10,275

The enemy's dangerous,

881

01:00:10,984 --> 01:00:13,445

but right now

you're worse than the enemy.

882

01:00:14,070 --> 01:00:16,281

You're dangerous and foolish.

883

01:00:16,698 --> 01:00:19,785

You may not like the guys

flying with you, they may not like you,

884

01:00:20,452 --> 01:00:22,204

but whose side are you on?

885

01:00:30,962 --> 01:00:33,965

Well, at least Viper got Iceman

before he got us.

886

01:00:35,008 --> 01:00:36,760

We still got a shot at it.

887

01:00:37,469 --> 01:00:40,180

That was stupid. I know better than that.

888

01:00:41,515 --> 01:00:43,350

It'll never happen again.

889

01:00:46,812 --> 01:00:48,146

I know.

890

01:00:53,485 --> 01:00:54,486

I know.

891

01:01:33,275 --> 01:01:36,027

*You shake
my nerves and you rattle my brain*

892

01:01:36,570 --> 01:01:38,864

*Thinking about your love
drives a man insane*

893

01:01:39,364 --> 01:01:40,365

You break my will

894

01:01:40,448 --> 01:01:41,908

<i>Oh, what a thrill</i>

895

01:01:42,117 --> 01:01:44,995

<i>Goodness gracious, great balls of fire</i>

896

01:01:45,787 --> 01:01:47,706

Maverick, would you go fetch him?

897

01:01:48,081 --> 01:01:51,126

- Doesn't he ever embarrass you?

- Goose? Hell, no.

898

01:01:51,376 --> 01:01:53,712

- Well, there was the time...

- Admiral's daughter.

899

01:01:53,879 --> 01:01:56,172

- What?

- Come on.

900

01:01:57,090 --> 01:02:00,760

He told me all about the time
you went ballistic with Penny Benjamin.

901

01:02:01,553 --> 01:02:03,722

Did he? Well, that's great.

902

01:02:03,889 --> 01:02:06,141

- He tells me about all of them, Maverick.
- Uh-huh.

903

01:02:06,224 --> 01:02:09,769

How my little angel, Goose,
goes home early for church,

904

01:02:09,853 --> 01:02:13,064

and you, you always go home
with the hot women.

905

01:02:13,148 --> 01:02:14,566

All right, thank you, Carole.

906

01:02:14,649 --> 01:02:17,444

I'm gonna go embarrass myself
with Goose for a while.

907

01:02:20,447 --> 01:02:21,698

Dancing!

908

01:02:23,658 --> 01:02:26,494

*<i>You shake my nerves
and you rattle my brain</i>*

909

01:02:26,578 --> 01:02:29,289

*<i>Thinking 'bout your love
drives a man insane</i>*

910

01:02:29,664 --> 01:02:32,250

<i>You broke my will, oh, what a thrill</i>

911

01:02:32,417 --> 01:02:35,337

<i>Goodness gracious, great balls of fire</i>

912

01:02:36,212 --> 01:02:38,372

I would love to be able
to warn you off about Maverick,

913

01:02:38,423 --> 01:02:40,425

but I just love him to death.

914

01:02:42,469 --> 01:02:45,096

You know, I've known Pete
for a lot of years now, and...

915

01:02:45,555 --> 01:02:47,599

I'm telling you, one thing's for certain.

916

01:02:47,682 --> 01:02:50,018

There are hearts breaking wide open

917

01:02:50,101 --> 01:02:51,937

all over the world tonight.

918

01:02:52,312 --> 01:02:53,313

Why?

919

01:02:53,438 --> 01:02:55,565

Because unless you are a fool,

920

01:02:56,149 --> 01:02:57,859

that boy is off the market.

921

01:02:58,151 --> 01:02:59,569

He is 100 percent,

922

01:02:59,694 --> 01:03:02,364

prime-time in love with you.

923

01:03:03,615 --> 01:03:05,784

Hey, Goose, you big stud!

924

01:03:05,992 --> 01:03:07,243

That's me, honey.

925

01:03:07,327 --> 01:03:09,412

Take me to bed or lose me forever.

926

01:03:09,579 --> 01:03:11,289

Show me the way home, honey.

927

01:03:13,333 --> 01:03:15,377

Come on, brother,
sing with the family.

928

01:03:19,005 --> 01:03:21,758

<i>You shake my nerves
and you rattle my brain</i>

929

01:03:22,133 --> 01:03:24,761

<i>Thinking about your love
drives a man insane</i>

930

01:03:25,053 --> 01:03:27,764

<i>You broke my will, oh, what a thrill</i>

931

01:03:27,889 --> 01:03:31,142

<i>Goodness gracious, great balls of fire</i>

932

01:03:48,076 --> 01:03:49,619

Maverick,

933

01:03:51,162 --> 01:03:52,539

you big stud,

934

01:03:52,622 --> 01:03:55,750

take me to bed or lose me forever.

935

01:04:09,389 --> 01:04:11,433

<i>Okay, gentlemen, this is hop 31.</i>

936

01:04:11,516 --> 01:04:13,351

<i>Two weeks to graduation.</i>

937

01:04:13,476 --> 01:04:16,730

<i>Top Gun trophy is still up for grabs,
so every point counts.</i>

938

01:05:00,065 --> 01:05:02,150

Well, it's bottom of the ninth,
the score is tied.

939

01:05:02,233 --> 01:05:03,777

It's time for the big one.

940

01:05:03,860 --> 01:05:05,320

You up for this one, Maverick?

941

01:05:05,403 --> 01:05:07,822

Just a walk in the park, Kazansky.

942

01:05:11,743 --> 01:05:14,579

Contact. Multiple bogies, 165.

943

01:05:14,746 --> 01:05:16,956

Two miles.

Looks like they're going away from us.

944

01:05:17,040 --> 01:05:19,751

Ho, I see them, tallyho, right 2 o'clock.

I'm in.

945

01:05:19,834 --> 01:05:21,127

I'm in.

946

01:05:41,106 --> 01:05:43,149

That son of a bitch cut me off.

947

01:05:51,282 --> 01:05:53,743

Come on, come on. Jesus Christ.

948

01:05:54,035 --> 01:05:55,411

Ice, take the shot.

949

01:05:55,495 --> 01:05:57,497

Come on, Ice, get the hell out of there.

950

01:05:57,580 --> 01:05:59,433

I can't get the angle.

I'm too close for missiles.

951

01:05:59,457 --> 01:06:00,792

I'm switching to guns.

952

01:06:01,376 --> 01:06:03,711

Ice, fire or clear.

953

01:06:10,093 --> 01:06:13,304

Look at this! Jesus Christ,

I can take a shot right here!

954

01:06:13,388 --> 01:06:15,640

I need another 20 seconds,
then I've got it.

955

01:06:21,229 --> 01:06:22,856

I'm moving in. I've got the shot.

956

01:06:22,939 --> 01:06:25,400

Come on, Mav, let's get in there!
Come on, Mav!

957

01:06:26,985 --> 01:06:29,266

Maverick's getting impatient, Ice.
Come on, take the shot.

958

01:06:29,320 --> 01:06:30,905

Ten more seconds, then I've got him.

959

01:06:32,740 --> 01:06:35,827

Come on, Ice, get the hell out of there!
Let's do it, Mav.

960

01:06:35,910 --> 01:06:37,620

Ice, come off high right. I'm in.

961

01:06:37,704 --> 01:06:40,498

- Five more seconds.

- Come off high right, Ice. I'm in.

962

01:06:40,915 --> 01:06:42,208

I'm off. Shit!

963

01:06:45,628 --> 01:06:46,838

We're in his jet wash!

964

01:06:46,921 --> 01:06:48,464

Ho! Holy shit!

965

01:06:51,676 --> 01:06:54,262

This is not good.

Shit, we got a flameout, Mav.

966

01:06:54,345 --> 01:06:55,972

Engine one is out.

967

01:06:56,055 --> 01:06:57,348

Engine two is out!

968

01:06:57,432 --> 01:06:59,076

Goose, I'm losing control.

I'm losing control.

969

01:06:59,100 --> 01:07:02,228

I can't control it. It won't recover. Shit.

970

01:07:04,856 --> 01:07:06,649

It's coupling up, Mav!

We're out of control.

971

01:07:06,733 --> 01:07:08,735

This is not good! This is not good!

972

01:07:08,818 --> 01:07:10,445

Mayday, mayday. Mav's in trouble.

973

01:07:10,528 --> 01:07:12,655

He's in a flat spin.

He's heading out to sea.

974

01:07:15,867 --> 01:07:18,786

Altitude 8,000, 7,000.

975

01:07:19,913 --> 01:07:22,957

Six. We're at six, Mav.

976

01:07:24,709 --> 01:07:27,545

I'm pinned forward, Goose.

I can't reach the ejection handle.

977

01:07:29,881 --> 01:07:31,966

Goose, you're gonna
have to punch us out.

978

01:07:32,050 --> 01:07:33,635

I can't reach the ejection handle.

979

01:07:33,718 --> 01:07:35,803

- Eject.

- I'm trying! I'm trying!

980

01:07:35,887 --> 01:07:37,388

Eject! Eject! Eject!

981

01:07:37,555 --> 01:07:39,224

Watch the canopy!

982

01:07:56,324 --> 01:07:59,118

Goose! Goose! Oh, no!

983

01:08:00,203 --> 01:08:01,329

Oh!

984

01:08:02,664 --> 01:08:05,208

Oh, God! Oh, God! Oh, God.

985

01:08:05,583 --> 01:08:07,293

Oh...

986

01:08:19,889 --> 01:08:21,099

Oh, God.

987

01:08:52,672 --> 01:08:54,590

Sir, let go of him.

988

01:08:54,674 --> 01:08:56,759

You gotta let him go, sir.

989

01:09:39,927 --> 01:09:41,179

How you doing?

990

01:09:41,846 --> 01:09:43,014

I'm all right.

991

01:09:45,850 --> 01:09:48,353

- Goose is dead.

- I know.

992

01:09:52,940 --> 01:09:56,110

You fly jets long enough,
something like this happens.

993

01:09:57,820 --> 01:10:01,032

He was my RIO, my responsibility.

994

01:10:04,035 --> 01:10:07,121

In my squadron in Vietnam,
we lost eight of 18 aircraft.

995

01:10:07,205 --> 01:10:08,706

Ten men.

996

01:10:10,166 --> 01:10:11,959

First one dies, you die too.

997

01:10:13,378 --> 01:10:14,879

But there will be others.

998

01:10:16,714 --> 01:10:18,508

You can count on it.

999

01:10:20,468 --> 01:10:22,053

You gotta let him go.

1000

01:10:25,598 --> 01:10:27,433

You gotta let him go.

1001

01:10:45,368 --> 01:10:47,245

I think maybe it was my fault.

1002

01:10:49,455 --> 01:10:51,290

Nah.

1003

01:10:53,042 --> 01:10:55,211

I don't know what the hell went wrong.

1004

01:10:58,423 --> 01:10:59,799

I'd like to help.

1005

01:11:01,175 --> 01:11:02,969

I know it's difficult.

1006

01:11:08,099 --> 01:11:10,017

God, I want him back.

1007

01:11:16,774 --> 01:11:19,235

I'll be here if you need me, okay?

1008

01:13:12,390 --> 01:13:14,976

God, he loved flying with you, Maverick.

1009

01:13:33,286 --> 01:13:35,204

But he'd have flown anyway

1010

01:13:35,913 --> 01:13:37,331

without you.

1011

01:13:39,375 --> 01:13:42,295

He'd have hated it,

but he would've done it.

1012

01:14:03,941 --> 01:14:08,821

We find that the F-14 flat spin

was induced by the disruption of airflow

1013

01:14:08,904 --> 01:14:10,364

into the starboard engine.

1014

01:14:11,115 --> 01:14:14,327

This disruption stalled the engine,

1015

01:14:14,827 --> 01:14:17,705

which produced enough yaw rate

1016

01:14:17,788 --> 01:14:22,168

to induce a spin

which was unrecoverable.

1017

01:14:22,585 --> 01:14:26,339

There was no way Lieutenant Mitchell
could either see or avoid the jet wash

1018

01:14:26,422 --> 01:14:28,132

which produced the engine stall.

1019

01:14:28,716 --> 01:14:30,301

Therefore, the board of inquiry finds

1020

01:14:30,384 --> 01:14:32,219

that Lieutenant Pete Mitchell
was not at fault

1021

01:14:32,303 --> 01:14:34,055

in the accident of 29 July.

1022

01:14:34,430 --> 01:14:36,870

Lieutenant Mitchell's record
will be cleared of this incident.

1023

01:14:37,433 --> 01:14:40,394

Lieutenant Mitchell is restored
to flight status without further delay.

1024

01:14:41,979 --> 01:14:43,648

These proceedings are closed.

1025

01:14:52,907 --> 01:14:54,909

Get him up flying, soon.

1026

01:15:21,936 --> 01:15:24,188

Come on, kid, come on.

Get in there. Engage.

1027

01:15:24,271 --> 01:15:26,440

All right, you got a bogey

at 2 o'clock low, Maverick.

1028

01:15:26,524 --> 01:15:28,526

<i>You got the angle. Piece of cake, pal.</i>

1029

01:15:32,238 --> 01:15:34,448

Take the shot, kid. Take the shot.

1030

01:15:35,991 --> 01:15:37,993

You can engage any time, Maverick.

1031

01:15:49,130 --> 01:15:51,424

- Hey, where the hell are you going?

- It's not good.

1032

01:15:51,549 --> 01:15:53,050

It... It doesn't look good.

1033

01:15:53,134 --> 01:15:54,528

What do you mean,

it doesn't look good?

1034

01:15:54,552 --> 01:15:56,272

It doesn't get to look
any better than that.

1035

01:16:09,066 --> 01:16:10,943

Hey, man, we could've had him.

1036

01:16:11,444 --> 01:16:13,320

Hey, we could've had him, man!

1037

01:16:15,072 --> 01:16:17,658

I will fire
when I am goddam good and ready!

1038

01:16:18,576 --> 01:16:19,827

You got that?

1039

01:16:38,471 --> 01:16:40,723

He can't get back in the saddle.
Won't engage.

1040

01:16:41,766 --> 01:16:43,225

It's only been a few days.

1041

01:16:44,143 --> 01:16:46,270

You know,

he just might not make it back.

1042

01:16:50,065 --> 01:16:51,484

Keep sending him up.

1043

01:17:11,045 --> 01:17:12,463

Mitchell.

1044

01:17:13,839 --> 01:17:15,883

I'm sorry about Goose.

1045

01:17:19,637 --> 01:17:21,472

Everybody liked him.

1046

01:17:27,269 --> 01:17:28,646

I'm sorry.

1047

01:17:48,457 --> 01:17:50,125

Hi, it's Wolfman.

1048

01:17:53,170 --> 01:17:55,172

Yeah, Maverick just quit.

1049

01:18:17,695 --> 01:18:18,821

Excuse me.

1050

01:18:22,950 --> 01:18:23,951

May I?

1051

01:18:24,535 --> 01:18:25,995

Please.

1052

01:18:34,211 --> 01:18:35,296

I'll...

1053

01:18:35,379 --> 01:18:37,423

I'll have what he's having.

1054

01:18:37,590 --> 01:18:38,883

Hemlock, is it?

1055

01:18:39,800 --> 01:18:41,302

Ice water.

1056

01:18:46,223 --> 01:18:48,475

You weren't gonna say goodbye?

1057

01:18:50,227 --> 01:18:53,188

I heard you got that job in Washington.

1058

01:18:54,106 --> 01:18:56,734

- Congratulations.

- Thanks.

1059

01:18:59,528 --> 01:19:02,239

But I wasn't gonna leave

without saying goodbye.

1060

01:19:02,781 --> 01:19:03,949

Well...

1061

01:19:06,243 --> 01:19:08,078

It's good to see you.

1062

01:19:08,913 --> 01:19:10,122

Thanks.

1063

01:19:12,291 --> 01:19:13,918

Where you going?

1064

01:19:15,127 --> 01:19:17,755

You don't even have a ticket, do you?

1065

01:19:18,631 --> 01:19:22,176

Listen, I've seen all the evidence,
and it's not your responsibility.

1066

01:19:23,594 --> 01:19:25,179

It's not your fault.

1067

01:19:27,097 --> 01:19:29,558

You're one of the best pilots
in the Navy.

1068

01:19:30,809 --> 01:19:34,063

What you do up there, it's dangerous.

1069

01:19:35,648 --> 01:19:37,608

But you've got to go on.

1070

01:19:38,651 --> 01:19:40,694

No, you don't understand.

1071

01:19:41,737 --> 01:19:43,280

When I first met you,

1072

01:19:44,698 --> 01:19:46,784

you were larger than life.

1073

01:19:48,994 --> 01:19:50,454

Look at you.

1074

01:19:52,498 --> 01:19:55,376

You're not gonna be happy
unless you're going Mach 2

1075

01:19:55,459 --> 01:19:57,461

with your hair on fire, you know that.

1076

01:19:57,544 --> 01:19:59,171

No, it's over.

1077

01:19:59,755 --> 01:20:02,466

- It's just over.

- To be the best of the best

1078

01:20:02,549 --> 01:20:05,427

means you make mistakes

and then you go on.

1079

01:20:05,511 --> 01:20:06,887

It's just like the rest of us.

1080

01:20:06,971 --> 01:20:08,973

Oh, you don't think I know that?

1081

01:20:11,433 --> 01:20:13,477

I'm here to help.

1082

01:20:14,687 --> 01:20:16,855

Look, thank you.

1083

01:20:18,482 --> 01:20:22,319

But if I wanted help, really,
I would have asked for it.

1084

01:20:28,659 --> 01:20:30,327

So I'm too late.

1085

01:20:32,413 --> 01:20:34,206

You've already left.

1086

01:20:36,333 --> 01:20:39,003

You didn't learn a damn thing, did you?

1087

01:20:39,670 --> 01:20:41,255

Except to quit.

1088

01:20:44,633 --> 01:20:47,344

You've got that maneuver down
real well.

1089

01:20:55,394 --> 01:20:57,354

So long, Pete Mitchell.

1090

01:21:23,630 --> 01:21:25,549

Well, hi, Maverick, come on in.

1091

01:21:26,175 --> 01:21:27,426

- How are you doing?

- Good.

1092

01:21:27,509 --> 01:21:28,695

Really? You sure?

You sure you're feeling

1093

01:21:28,719 --> 01:21:30,363

- okay with everything?

- Oh, I feel great.

1094

01:21:30,387 --> 01:21:32,431

Jamie, come on. Can I get you a drink

1095

01:21:32,514 --> 01:21:34,475

- or anything else like that?

- No, thank you.

1096

01:21:34,558 --> 01:21:35,702

Okay, well, why don't you just...

1097

01:21:35,726 --> 01:21:37,162

- Thank you very much.

- ...make yourself comfortable

1098

01:21:37,186 --> 01:21:39,546

- because Mike will be right down, okay?

- Great, thank you.

1099

01:21:59,166 --> 01:22:00,918

I flew with your old man.

1100

01:22:01,126 --> 01:22:03,670

VF-51, the <i>Oriskany.</i>

1101

01:22:06,465 --> 01:22:08,509

You're a lot like he was.

1102

01:22:08,926 --> 01:22:10,469

Only better

1103

01:22:11,804 --> 01:22:13,388

and worse.

1104

01:22:14,932 --> 01:22:17,768

He was a natural heroic
son of a bitch, that one.

1105

01:22:22,397 --> 01:22:23,982

So he did do it right.

1106

01:22:28,695 --> 01:22:30,531

Yeah, he did it right.

1107

01:22:40,874 --> 01:22:43,168

Is that why you fly the way you do?

1108

01:22:43,252 --> 01:22:45,295

Trying to prove something?

1109

01:22:47,381 --> 01:22:49,716

Yeah, your old man did it right.

1110

01:22:51,135 --> 01:22:53,554

What I'm about to tell you is classified.

1111

01:22:53,637 --> 01:22:55,305

It could end my career.

1112

01:22:55,430 --> 01:22:58,142

We were in the worst dogfight

I ever dreamed of.

1113

01:22:59,810 --> 01:23:02,354

Bogies like fireflies all over the sky.

1114

01:23:04,481 --> 01:23:07,484

His F-4 was hit, he was wounded,
but he could've made it back.

1115

01:23:07,568 --> 01:23:10,737

He stayed in it,

saved three planes before he bought it.

1116

01:23:13,991 --> 01:23:15,343

How come I never heard that before?

1117

01:23:15,367 --> 01:23:17,846

Now, that's not something

the State Department tells dependents

1118

01:23:17,870 --> 01:23:20,539

when the battle occurred

over the wrong line

1119

01:23:20,622 --> 01:23:21,790

on some map.

1120

01:23:23,208 --> 01:23:24,626

So you were there?

1121

01:23:25,252 --> 01:23:26,712

I was there.

1122

01:23:27,713 --> 01:23:29,506

What's on your mind?

1123

01:23:30,799 --> 01:23:32,509

My options, sir.

1124

01:23:33,844 --> 01:23:34,845

Simple.

1125

01:23:36,388 --> 01:23:38,849

First, you've acquired enough
points to show up tomorrow

1126

01:23:38,932 --> 01:23:41,143

and graduate with your Top Gun class.

1127

01:23:42,060 --> 01:23:43,478

Or you can quit.

1128

01:23:45,230 --> 01:23:46,690

There'd be no disgrace.

1129

01:23:46,815 --> 01:23:48,984

That spin was hell.

It would've shook me up.

1130

01:23:49,234 --> 01:23:50,903

So you think I should quit?

1131

01:23:51,278 --> 01:23:52,863

I didn't say that.

1132

01:23:54,656 --> 01:23:57,743

The simple fact is,
you feel responsible for Goose,

1133

01:23:57,826 --> 01:24:00,120

and you have a confidence problem.

1134

01:24:01,496 --> 01:24:04,333

Now, I'm not gonna sit here and blow
sunshine up your ass, lieutenant.

1135

01:24:04,750 --> 01:24:08,378

A good pilot is compelled to

always evaluate what's happened.

1136

01:24:09,546 --> 01:24:11,673

So he can apply what he's learned.

1137

01:24:12,841 --> 01:24:14,635

Up there, we gotta push it.

1138

01:24:16,136 --> 01:24:17,471

That's our job.

1139

01:24:19,973 --> 01:24:23,644

It's your option, lieutenant, all yours.

1140

01:24:35,948 --> 01:24:37,950

Sorry to bother you on a Sunday, sir,

1141

01:24:38,033 --> 01:24:39,993

but thank you very much for your time.

1142

01:24:40,077 --> 01:24:42,371

No problem. Good luck.

1143

01:25:31,795 --> 01:25:32,963

<i>Gentlemen...</i>

1144

01:25:33,213 --> 01:25:34,649

- Where's Maverick?

<i>- ...here at Top Gun,</i>

1145

01:25:34,673 --> 01:25:36,442

<i>we challenged you

to fly against the very best.</i>

1146

01:25:36,466 --> 01:25:37,634

I don't know where he is.

1147

01:25:37,718 --> 01:25:39,344

<i>Now, we ask you to take

that expertise...</i>

1148

01:25:39,428 --> 01:25:41,054

You know what he's planning to do?

1149

01:25:41,138 --> 01:25:43,223

<i>...and keep the tradition alive.</i>

1150

01:25:43,390 --> 01:25:44,826

Gotta be hard on the guy,
though, you know?

1151

01:25:44,850 --> 01:25:46,226

<i>Good luck.</i>

1152

01:26:17,382 --> 01:26:19,926

- Congratulations.
- Thank you.

1153

01:26:21,762 --> 01:26:23,764

- Congratulations.
- Thanks, Mav.

1154

01:26:24,181 --> 01:26:25,390

Sir.

1155

01:26:28,185 --> 01:26:29,186

Gentlemen.

1156

01:26:30,020 --> 01:26:32,939

I hate to break up the party
before it really gets out of hand,

1157

01:26:33,023 --> 01:26:34,358

but there is work to be done.

1158

01:26:34,441 --> 01:26:37,110

Some of you have to
depart immediately.

1159

01:26:37,194 --> 01:26:38,904

We have a crisis situation.

1160

01:26:39,654 --> 01:26:40,822

Ice, Slider.

1161

01:26:40,906 --> 01:26:42,115

Yo.

1162

01:26:42,199 --> 01:26:44,034

- Hollywood, Wolfman.

- Yes, sir.

1163

01:26:45,827 --> 01:26:47,245

Maverick.

1164

01:26:47,329 --> 01:26:48,705

Sir.

1165

01:26:52,459 --> 01:26:54,961

Maverick, you'll get your RIO
when you get to the ship.

1166

01:26:55,545 --> 01:26:57,047

And if you don't,

1167

01:26:58,006 --> 01:26:59,299

give me a call.

1168

01:26:59,383 --> 01:27:00,759

I'll fly with you.

1169

01:27:03,470 --> 01:27:04,596

Sir.

1170

01:27:13,897 --> 01:27:15,457

<i>Gentlemen, this is bull's-eye.</i>

1171

01:27:15,941 --> 01:27:19,486

The communication ship

<i>SS Layton</i> has become disabled

1172

01:27:19,569 --> 01:27:21,947

and has wandered into foreign territory.

1173

01:27:22,030 --> 01:27:24,324

A rescue operation is to begin
within the hour.

1174

01:27:24,408 --> 01:27:27,577

Your mission is to give
air support to that rescue.

1175

01:27:28,703 --> 01:27:30,664

There are MiGs in the area,

and tensions are high.

1176

01:27:30,747 --> 01:27:34,626

If you witness a hostile act,
you will return fire.

1177

01:27:35,794 --> 01:27:38,171

Those MiGs carry
the Exocet anti-ship missile.

1178

01:27:38,255 --> 01:27:40,924

They can fire that missile
from 100 miles away.

1179

01:27:41,299 --> 01:27:43,051

Gentlemen, this is the real thing.

1180

01:27:43,260 --> 01:27:45,429

This is what you've been trained for.

1181

01:27:45,554 --> 01:27:49,391

You are America's best. Make us proud.

1182

01:27:49,474 --> 01:27:51,059

- Ice.

- Yes, sir.

1183

01:27:51,143 --> 01:27:52,185

- Hollywood.

- Yes, sir.

1184

01:27:52,269 --> 01:27:53,353

Sector two.

1185

01:27:53,437 --> 01:27:55,897

And Maverick, you back them up
with Merlin on Ready Five.

1186

01:27:57,524 --> 01:27:59,234

Yes, sir.

1187

01:28:00,360 --> 01:28:01,361

Rise!

1188

01:28:02,779 --> 01:28:04,281

- Excuse me, sir.

- Yes.

1189

01:28:04,781 --> 01:28:07,617

This is not personal,
but with regard to Maverick,

1190

01:28:08,201 --> 01:28:09,494

is he the best backup that...

1191

01:28:09,578 --> 01:28:11,955

I know what's on your mind,
Kazansky, just get on it.

1192

01:29:28,823 --> 01:29:29,926

<i>Mustang,
when you get the chance,</i>

1193

01:29:29,950 --> 01:29:31,052

<i>can you give me a mode-four check?</i>

1194

01:29:31,076 --> 01:29:34,454

Voodoo one, you've got a pair

of bogies, 12 o'clock, 15 miles.

1195

01:29:34,538 --> 01:29:38,875

Voodoo one, Voodoo one,
090 radar contact 15 miles.

1196

01:29:38,959 --> 01:29:40,627

They're doing 500 knots.

1197

01:29:40,710 --> 01:29:42,003

Roger, that's your bogey.

1198

01:29:45,215 --> 01:29:48,343

<i>Got them dead ahead,
15 miles, air speed is 600 knots.</i>

1199

01:29:51,596 --> 01:29:53,723

<i>Bogies' air speed, 650.
We're a little close together.</i>

1200

01:29:53,807 --> 01:29:55,183

<i>Let's take a wider split.</i>

1201

01:29:57,060 --> 01:29:59,563

<i>They're at 15,000 feet now,
dead ahead, ten miles.</i>

1202

01:29:59,813 --> 01:30:01,147

<i>Air speed is still increasing.</i>

1203

01:30:01,231 --> 01:30:04,192

<i>Eight hundred knots.

Dead ahead, now, 8 miles.</i>

1204

01:30:04,401 --> 01:30:07,028

<i>- Dead ahead, now, 8 miles.</i>

- Wood, you got them?

1205

01:30:07,112 --> 01:30:08,321

Not yet, I can't see them.

1206

01:30:08,405 --> 01:30:10,240

They must be close,

I'm getting a hard-on.

1207

01:30:17,414 --> 01:30:19,666

Okay, Wood, I'm taking the lead.

Let's identify them.

1208

01:30:19,749 --> 01:30:21,501

<i>Roger, Ice, you got the lead.</i>

1209

01:30:21,585 --> 01:30:23,545

<i>I'm on your left side, a little low.</i>

1210

01:30:25,422 --> 01:30:27,924

- Maverick's up and ready in Alert Five.

- Good, good.

1211

01:30:30,343 --> 01:30:32,183

<i>Hollywood,

my bogey's still locked up.</i>

1212

01:30:32,596 --> 01:30:34,055

<i>He's drifting to the left.</i>

1213

01:30:35,265 --> 01:30:37,350

<i>Still maneuvering, course 090.</i>

1214

01:30:39,060 --> 01:30:40,663

<i>Okay, Wood,

let's bring it to the right,</i>

1215

01:30:40,687 --> 01:30:42,355

<i>and we'll get a better angle on them.</i>

1216

01:30:51,448 --> 01:30:52,866

Ice, we got a problem here.

1217

01:30:52,949 --> 01:30:54,468

Now I'm breaking out

four aircraft on the radar.

1218

01:30:54,492 --> 01:30:56,995

Not one pair, two pair.

Repeat, four bogies.

1219

01:30:57,078 --> 01:30:58,496

Wood, we've got four bogies.

1220

01:31:01,666 --> 01:31:02,834

Wrong! Make that five!

1221

01:31:02,917 --> 01:31:03,917

There's five, sir.

1222

01:31:03,960 --> 01:31:05,920

- That's five?

- Yes, sir.

1223

01:31:07,756 --> 01:31:09,132

Oh, shit!

1224

01:31:09,716 --> 01:31:11,301

He's got a radar lock on us!

1225

01:31:13,428 --> 01:31:16,348

Get out of there, Hollywood!

Get out of there, goddamn it!

1226

01:31:23,563 --> 01:31:24,689

Break left!

1227

01:31:24,898 --> 01:31:27,150

I'm hit! I'm hit! We're coming apart!

1228

01:31:27,233 --> 01:31:28,943

I can't control it! Hold on!

1229

01:31:29,027 --> 01:31:30,654

<i>Zero for twenty! We're going down!</i>

1230

01:31:30,737 --> 01:31:32,006

Wood's been hit! Wood's been hit!

1231

01:31:32,030 --> 01:31:33,490

Shit! Wood's been hit!

1232

01:31:33,573 --> 01:31:35,700

<i>Voodoo one! Wood's been hit!

Wood's been hit!</i>

1233

01:31:35,784 --> 01:31:37,994

<i>We've lost Hollywood!

Repeat, we've lost Hollywood!</i>

1234

01:31:38,078 --> 01:31:40,664

<i>- We've lost our wingman.</i>

- Launch Maverick on Alert Five.

1235

01:31:40,789 --> 01:31:42,707

<i>Get a bearing on

Hollywood and Wolfman</i>

1236

01:31:42,791 --> 01:31:45,168

<i>and launch the rescue

helicopter immediately.</i>

1237

01:32:11,903 --> 01:32:14,023

<i>- Maverick's airborne.</i>

- Iceman, what's your position?

1238

01:32:14,155 --> 01:32:16,449

<i>090 at 180 miles.</i>

1239

01:32:16,533 --> 01:32:18,326

Yeah, we're coming in left!

1240

01:32:18,660 --> 01:32:20,829

Three MiGs, dead ahead,
coming down the left side.

1241

01:32:23,039 --> 01:32:25,479

I'm going after them.
I'm bringing it around to the left.

1242

01:32:28,253 --> 01:32:30,880

We got four on our tail!
That makes six of them!

1243

01:32:30,964 --> 01:32:33,174

Who do you think is hooking
in the guns range?

1244

01:32:37,721 --> 01:32:39,305

He's firing! Break right!

1245

01:32:41,307 --> 01:32:43,202

Mustang, this is Voodoo one,
we are totally defensive.

1246

01:32:43,226 --> 01:32:44,310

<i>Launch the alert fighters.</i>

1247

01:32:44,394 --> 01:32:45,478

Where? Where are they?

1248

01:32:45,562 --> 01:32:47,605

A hundred and sixty miles
and closing in fast, sir.

1249

01:32:47,689 --> 01:32:50,066

Ready Willard and Simkin
off CATs three and four.

1250

01:32:52,819 --> 01:32:55,071

Maverick's supersonic.
I'll be there in 30 seconds.

1251

01:32:55,155 --> 01:32:56,966

Move your ass! Get up here!
I'm engaged with five.

1252

01:32:56,990 --> 01:32:58,742

Repeat, five. I'm in deep shit!

1253

01:33:01,327 --> 01:33:02,579

What about Willard and Simkin?

1254

01:33:03,371 --> 01:33:05,931

Both catapults are broken.

We can't launch any aircraft yet, sir.

1255

01:33:06,291 --> 01:33:07,834

- How long?

- It'll take ten minutes.

1256

01:33:07,917 --> 01:33:10,354

Bullshit, ten minutes.

This thing will be over in two minutes.

1257

01:33:10,378 --> 01:33:11,880

Get on it!

1258

01:33:13,506 --> 01:33:15,884

One MiG, 12 o'clock high!

One MiG, 12 o'clock high!

1259

01:33:16,551 --> 01:33:18,553

Watch your back! Watch your back!

1260

01:33:23,433 --> 01:33:24,601

Break right!

1261

01:33:26,895 --> 01:33:28,313

Shit, that was close!

1262

01:33:28,438 --> 01:33:29,623

<i>Maverick, how about
some help down here?</i>

1263

01:33:29,647 --> 01:33:31,900

<i>- Where the hell are you?</i>

- Come on, kid, hang in there.

1264

01:33:34,402 --> 01:33:35,945

Jesus Christ.

1265

01:33:37,947 --> 01:33:40,200

Maverick, how about some help?

Engage, goddamn it!

1266

01:33:42,327 --> 01:33:44,662

Maverick, we got a MiG on our tail.

1267

01:33:47,165 --> 01:33:48,708

Watch out! Watch out!

1268

01:33:51,127 --> 01:33:53,505

Shit, we just flew

right through his jet wash.

1269

01:33:55,715 --> 01:33:57,634

Get control, Mav! Get control!

1270

01:34:05,266 --> 01:34:06,643

Good recovery, Mav.

1271

01:34:07,101 --> 01:34:08,645

Okay, let's get in there.

1272

01:34:08,812 --> 01:34:10,563

Come on, we gotta help Ice.

1273

01:34:10,730 --> 01:34:12,732

Come on, let's get back
in the game, Maverick!

1274

01:34:12,816 --> 01:34:14,919

- Come on! Get in there, Maverick!
- No. It's no good.

1275

01:34:14,943 --> 01:34:16,444

It's no good.

1276

01:34:18,613 --> 01:34:20,573

God damn it!
Maverick's disengaging!

1277

01:34:20,657 --> 01:34:22,158

I knew it! Shit!

1278

01:34:22,242 --> 01:34:23,827

God damn it, Maverick!

1279

01:34:26,913 --> 01:34:28,633

<i>Get in there, Maverick!

You can't leave him!</i>

1280

01:34:29,791 --> 01:34:30,976

<i>Come on! Maverick!

What the hell are you doing?</i>

1281

01:34:31,000 --> 01:34:32,000

Talk to me, Goose.

1282

01:34:32,043 --> 01:34:33,229

<i>Maverick, get in there, for Christ's sake!</i>

1283

01:34:33,253 --> 01:34:35,255

<i>- Ice is in trouble!</i>

- Talk to me, Goose.

1284

01:34:35,338 --> 01:34:37,483

<i>Get in there, Maverick!

He won't last down there alone!</i>

1285

01:34:37,507 --> 01:34:38,967

<i>Get in the fight, for Christ's sake!</i>

1286

01:34:39,050 --> 01:34:41,052

<i>Maverick! Maverick!</i>

1287

01:34:44,347 --> 01:34:45,932

Maverick's reengaging, sir.

1288

01:34:51,729 --> 01:34:54,691

- I can't get him off my tail!

- Ice, I've got your MiG dead ahead.

1289

01:34:54,774 --> 01:34:56,192

<i>I've got him dead ahead.</i>

1290

01:34:57,777 --> 01:34:59,404

Good tone. I've got good tone.

1291

01:35:00,113 --> 01:35:02,031

I've got tone! I've got tone! Firing!

1292

01:35:13,084 --> 01:35:15,545

- Where? Where are they?

- A hundred and fifty-five miles.

1293

01:35:15,670 --> 01:35:17,964

Two MiGs, dead ahead.

Closing at 800 miles an hour.

1294

01:35:18,047 --> 01:35:20,527

I see them. I see them.

I'm gonna take them down the left side.

1295

01:35:22,802 --> 01:35:24,053

Oh, my God.

1296

01:35:27,181 --> 01:35:29,392

Ice is right below us.

He's got a MiG on his tail.

1297

01:35:31,769 --> 01:35:33,897

He's firing!

Break left! Break left!

1298

01:35:37,191 --> 01:35:39,319

He overshoot! He overshoot!

1299

01:35:39,986 --> 01:35:41,696

Coming in, Ice. I'm coming in.

1300

01:35:44,365 --> 01:35:45,867

I got two MiGs dead ahead.

1301

01:35:46,993 --> 01:35:49,203

I got him, Mav.

One MiG passing between us.

1302

01:35:53,666 --> 01:35:55,835

You got a MiG on your left. On your left!

3 o'clock!

1303

01:35:55,919 --> 01:35:57,629

<i>He's gonna fire, he's gonna fire!</i>

1304

01:36:04,802 --> 01:36:06,155

Maverick, check the guys to the north!

1305

01:36:06,179 --> 01:36:07,722

Check the guys to the north!

1306

01:36:10,433 --> 01:36:12,393

Banking left. Banking left.

1307

01:36:15,021 --> 01:36:17,106

There he is. Get him, Ice. Get him!

1308

01:36:17,273 --> 01:36:18,775

Okay, you guys, I'm coming in!

1309

01:36:23,738 --> 01:36:25,466

Maverick, we got a MiG
coming around on our tail!

1310

01:36:25,490 --> 01:36:28,034

- We gotta get out of here!

- I can't leave Ice.

1311

01:36:28,117 --> 01:36:30,620

He's still coming around!

He's gonna get behind us!

1312

01:36:31,037 --> 01:36:32,830

I'm not leaving my wingman.

1313

01:36:35,833 --> 01:36:38,044

I'm on his tail. I'm on his tail.

I'm going for it.

1314

01:36:38,127 --> 01:36:40,105

I'm going for it.

I'm going for the shot right now.

1315

01:36:40,129 --> 01:36:41,756

Roger. Engaged.

1316

01:36:43,925 --> 01:36:45,343

I've got radar lock.

1317

01:36:46,010 --> 01:36:47,804

Good tone. I'm taking a shot.

1318

01:36:47,929 --> 01:36:49,138

Fire!

1319

01:36:52,976 --> 01:36:55,269

Bingo! Wash that sucker, yeah!

1320

01:36:55,353 --> 01:36:57,039

Ice, watch out.

There's a MiG to your right.

1321

01:36:57,063 --> 01:36:58,231

He's firing!

1322

01:37:00,108 --> 01:37:01,484

I'm hit! I'm hit!

1323

01:37:03,653 --> 01:37:05,214

We're hit! We're hit in the right engine!

1324

01:37:05,238 --> 01:37:06,990

I'm shutting it down!

I'm shutting it down!

1325

01:37:11,494 --> 01:37:13,204

Coming in, Ice. Coming in.

1326

01:37:16,666 --> 01:37:19,460

Ice, that bogey's still behind you.

I'm maneuvering for a shot.

1327

01:37:19,711 --> 01:37:21,462

Stay with him, Mav, stay with him!

1328

01:37:21,546 --> 01:37:22,906

Take the shot! Nail him! Nail him!

1329

01:37:22,964 --> 01:37:24,799

Shit. Ice, I can't get a tone.

1330

01:37:24,882 --> 01:37:26,926

Shoot, Maverick!

I can't get him off my tail!

1331

01:37:31,556 --> 01:37:32,825

Maverick, we're hit! We're hit again!

1332

01:37:32,849 --> 01:37:35,101

It's okay. Both engines are functioning.

We're okay.

1333

01:37:35,184 --> 01:37:37,645

Ice, on the count of three,

break hard right.

1334

01:37:38,604 --> 01:37:39,605

Three,

1335

01:37:39,689 --> 01:37:40,690

two,

1336

01:37:40,773 --> 01:37:42,650

one. Break right!

1337

01:37:45,778 --> 01:37:46,779

Firing!

1338

01:37:50,533 --> 01:37:51,784

Damn it, I missed!

1339

01:37:51,868 --> 01:37:54,620

Don't let him go.

Keep on him, Mav. Keep on him.

1340

01:37:54,704 --> 01:37:56,289

I got him. I got him.

1341

01:37:57,832 --> 01:37:59,417

Here comes a shot.

1342

01:38:04,714 --> 01:38:05,965

Scratch three!

1343

01:38:08,051 --> 01:38:09,528

Maverick, move!

There's a MiG on your tail!

1344

01:38:09,552 --> 01:38:10,803

There's a MiG on your tail!

1345

01:38:10,887 --> 01:38:12,823

We've got a problem here.

We've only got one missile left.

1346

01:38:12,847 --> 01:38:14,557

Approaching 110 miles, sir.

1347

01:38:14,640 --> 01:38:15,808

God damn it.

1348

01:38:15,892 --> 01:38:17,244

I got him! I got him! He's right on us!

1349

01:38:17,268 --> 01:38:18,644

He's between our tails!

1350

01:38:21,564 --> 01:38:22,982

Shit.

1351

01:38:26,277 --> 01:38:27,917

You haven't lost him. He's still with us!

1352

01:38:32,033 --> 01:38:33,552

What are you doing?

You're slowing down!

1353

01:38:33,576 --> 01:38:34,660

You're slowing down!

1354

01:38:34,744 --> 01:38:36,162

I'm bringing him in closer, Merlin.

1355

01:38:36,245 --> 01:38:37,538

You're gonna do what?

1356

01:38:42,502 --> 01:38:44,087

This is it, Maverick!

1357

01:38:44,170 --> 01:38:45,898

I'm gonna hit the brakes,

he'll fly right by.

1358

01:38:45,922 --> 01:38:47,590

Shit! He's gonna get a lock on us!

1359

01:38:50,927 --> 01:38:52,303

Now!

1360

01:38:57,141 --> 01:38:59,393

I got a good lock. Firing.

1361

01:39:04,315 --> 01:39:05,608

Scratch four!

1362

01:39:09,737 --> 01:39:11,531

Mustang, this is Voodoo three.

1363

01:39:11,614 --> 01:39:13,366

<i>Remaining MiGs are bugging out.</i>

1364

01:39:28,339 --> 01:39:31,300

Mustang, this is Maverick
requesting flyby.

1365

01:39:32,343 --> 01:39:34,095

Negative, Ghost Rider.

The pattern is full.

1366

01:39:37,265 --> 01:39:38,975

Excuse me.

Something I should know about?

1367

01:39:51,612 --> 01:39:52,822

Thank you.

1368

01:39:58,244 --> 01:39:59,912

God damn that guy.

1369

01:40:23,936 --> 01:40:25,354

Yes!

1370

01:40:53,007 --> 01:40:55,384

What the hell happened
to you guys? Hollywood!

1371

01:40:55,927 --> 01:40:56,969

You!

1372

01:41:00,765 --> 01:41:02,391

You are still dangerous.

1373

01:41:06,729 --> 01:41:08,898

You can be my wingman anytime.

1374

01:41:10,149 --> 01:41:11,150

Bullshit.

1375

01:41:11,400 --> 01:41:12,735

You can be mine.

1376

01:42:04,829 --> 01:42:06,497

- Maverick.

- Sir.

1377

01:42:06,706 --> 01:42:08,267

How does it feel to be on the front page

1378

01:42:08,291 --> 01:42:10,211

of every newspaper

in the English-speaking world?

1379

01:42:10,876 --> 01:42:12,716

Even though the other side
denies the incident.

1380

01:42:12,753 --> 01:42:14,422

- Congratulations.

- Thank you, sir.

1381

01:42:14,714 --> 01:42:16,149

They gave you your choice of duty, son.

1382

01:42:16,173 --> 01:42:18,009

Anything, anywhere.

Do you believe that shit?

1383

01:42:18,676 --> 01:42:21,220

Where do you think you wanna go?

1384

01:42:21,595 --> 01:42:23,973

I thought of being an instructor, sir.

1385

01:42:25,057 --> 01:42:26,267

Top Gun?

1386

01:42:26,809 --> 01:42:27,893

Yes, sir.

1387

01:42:28,477 --> 01:42:29,645

God help us.

1388

01:43:50,142 --> 01:43:51,227

Hello, Pete Mitchell.

1389

01:43:56,816 --> 01:43:58,984

I heard the best of the best
were gonna be back here,

1390

01:43:59,068 --> 01:44:00,611

so...

1391

01:44:05,866 --> 01:44:07,576

This could be complicated.

1392

01:44:09,495 --> 01:44:13,416

You know, on the first one,
I crashed and burned.

1393

01:44:14,959 --> 01:44:16,043

And the second?

1394

01:44:23,467 --> 01:44:24,718

I don't know,

1395

01:44:25,928 --> 01:44:29,849

but it's looking good so far.
