

Dialogues from Toy Story 3 to improve the vocabulary in English

1

00:01:08,485 --> 00:01:10,570

Money, money, money. Hey!

2

00:01:17,494 --> 00:01:20,204

You got a date with justice,
one-Eyed Bart.

3

00:01:20,456 --> 00:01:23,207

Too bad, Sheriff. I 'm a married man.

4

00:01:25,377 --> 00:01:26,377

One-Eyed Betty!

5

00:01:42,019 --> 00:01:43,978

I think you dropped something, mister.

6

00:01:44,188 --> 00:01:45,855

- Jessie?

- Give it up, Bart!

7

00:01:45,939 --> 00:01:47,440

You've reached the end of the line!

8

00:01:47,733 --> 00:01:49,650

I always wanted to go out with a bang!

9

00:01:59,703 --> 00:02:01,078

- Oh, no!

- The orphans!

10

00:02:03,373 --> 00:02:06,042

Hate to leave early,

but our ride is here.

11

00:02:11,006 --> 00:02:14,091

It's me or the kiddies, Sheriff.

Take your pick.

12

00:02:17,554 --> 00:02:19,722

Ride like the wind, Bullseye!

13

00:02:25,312 --> 00:02:26,521

Hold him steady!

14

00:02:32,236 --> 00:02:33,236

Woody, hurry!

15

00:02:54,675 --> 00:02:55,758

No!

16

00:03:04,643 --> 00:03:06,477

Glad I could catch the train!

17

00:03:06,895 --> 00:03:08,813

Now let's catch some criminals.

18

00:03:09,231 --> 00:03:11,399

To infinity and beyond!

19

00:03:28,125 --> 00:03:30,084

Reach for the sky.

20

00:03:30,335 --> 00:03:31,460

You can't touch me, Sheriff!

21

00:03:31,587 --> 00:03:34,714

I brought my attack dog
with a built-in force field.

22

00:03:42,973 --> 00:03:46,475

Well, I brought my dinosaur
who eats force-field dogs.

23

00:04:06,413 --> 00:04:07,622

Evil Dr. Pork Chop!

24

00:04:10,208 --> 00:04:17,506

That's Mr. Evil Dr. Pork Chop to you.

25

00:04:55,212 --> 00:04:57,129

"Buzz, shoot your laser at my badge."

26

00:04:57,214 --> 00:04:59,090

"Woody, no. It'll kill you." "Just do it!"

27

00:05:03,804 --> 00:05:06,680

"You're going to jail, Bart."

"Watch out!"

28

00:05:08,892 --> 00:05:09,934

Mom!

29

00:05:10,018 --> 00:05:12,978

No, no, no. Just keep playing.

Just pretend I 'm not here.

30

00:05:13,063 --> 00:05:14,146

Oh, no, Molly!

31

00:05:14,231 --> 00:05:17,983

No, it's okay, Mom.

It's a 50-foot baby from outer space.

32

00:05:18,068 --> 00:05:20,778

And she's on a rampage.

Run for your lives!

33

00:05:20,862 --> 00:05:24,031

Buster, get out of there.

Does the red light mean it's going?

34

00:05:25,450 --> 00:05:27,451

Come on.

Say "Happy birthday" to Molly.

35

00:05:29,079 --> 00:05:31,330

- Happy birthday!

- Charming.

36

00:05:31,498 --> 00:05:33,040

Happy birthday!

37

00:05:34,126 --> 00:05:37,002

- Look how tall you're getting.

- Yeah!

38

00:05:44,803 --> 00:05:47,221

"I came as fast as I could.

Buzz, behind you!"

39

00:05:47,305 --> 00:05:48,931

"Got it, Woody."

40

00:05:49,599 --> 00:05:51,767

Buzz Lightyear to the rescue!

41

00:05:53,395 --> 00:05:55,020

"Good work, Buzz."

42

00:06:20,255 --> 00:06:22,965

Okay, places, everyone.

Come on, come on. Get in position.

43

00:06:23,049 --> 00:06:25,217

Wait! I can't find my other eye.

44

00:06:25,302 --> 00:06:27,887

- All right, whose foot's in my face?

- It's mine. Give it back.

45

00:06:27,971 --> 00:06:30,806

You have saved our lives.

We are eternally grateful.

46

00:06:31,057 --> 00:06:33,100

Buzz! Mind if I squeeze in next to ya?

47

00:06:33,185 --> 00:06:37,521

Yes. No. I mean, why would I mind
squeezing next to you?

48

00:06:38,398 --> 00:06:39,398

Is it hot in here?

49

00:06:39,483 --> 00:06:40,483

Here they come!

50

00:06:44,154 --> 00:06:45,237

Sarge, you got it?

51

00:06:45,322 --> 00:06:46,697

Mission accomplished.

52

00:06:46,781 --> 00:06:47,948

Hooray!

53

00:06:49,284 --> 00:06:51,202

Careful. Careful!

54

00:06:53,663 --> 00:06:56,707

All right, guys. We got one shot
at this. Everyone ready?

55

00:06:56,791 --> 00:06:58,584

We're ready, Woody. Let's do it!

56

00:06:58,793 --> 00:07:00,836

Okay, Buzz. Make the call.

57

00:07:13,683 --> 00:07:15,976

Target is on approach.

58

00:07:16,061 --> 00:07:18,395

Just like we rehearsed it, guys.

59

00:07:33,954 --> 00:07:35,037

Hello?

60

00:07:36,164 --> 00:07:38,541

Hello? Anyone there?

61

00:07:39,668 --> 00:07:41,335

Molly, stay out of my room!

62

00:07:41,419 --> 00:07:43,546

I wasn't in your room.

63

00:07:43,630 --> 00:07:45,589

Then who was messing with my stuff?

64

00:07:45,674 --> 00:07:47,049

It wasn't me.

65

00:07:53,557 --> 00:07:55,724

Well, that went well.

66

00:07:55,809 --> 00:07:58,769

He held me! He actually held me!

67

00:07:59,312 --> 00:08:00,813

This is just sad.

68

00:08:00,897 --> 00:08:03,315

Who we kiddin'?

The kid 's 17 years old.

69

00:08:03,400 --> 00:08:05,234

We ain't ever gettin' played with.

70

00:08:09,281 --> 00:08:10,656

Guys, hey, hold up.

71

00:08:10,907 --> 00:08:13,409

We need a staff meeting.

Everyone! A staff meeting!

72

00:08:13,493 --> 00:08:14,660

Not again!

73

00:08:15,078 --> 00:08:17,830

Come on. Slink, gather everyone up.

74

00:08:17,914 --> 00:08:19,248

We are gathered, Woody.

75

00:08:20,250 --> 00:08:21,834

Okay. First off,

76

00:08:22,335 --> 00:08:25,963

we all knew operation Playtime
was a long shot.

77

00:08:26,214 --> 00:08:27,464

More like a misfire.

78

00:08:27,591 --> 00:08:31,510

But we've always said this job isn't
about getting played with. It's about...

79

00:08:31,595 --> 00:08:33,721

Being there for Andy. We know.

80

00:08:33,805 --> 00:08:35,347

But we can try again! Right?

81

00:08:37,142 --> 00:08:39,768

I 'm callin' it, guys.

We're closing up shop.

82

00:08:39,853 --> 00:08:41,020

What?

83

00:08:41,104 --> 00:08:44,607

Andy's going to college any day now.

That was our last shot.

84

00:08:45,442 --> 00:08:46,984

We're going into attic mode, folks.

85

00:08:47,068 --> 00:08:48,902

Keep your accessories

with you at all times.

86

00:08:48,987 --> 00:08:52,031

Spare parts, batteries, anything
you need for an orderly transition.

87

00:08:52,115 --> 00:08:55,659

Orderly? Don't you get it? We're done!

Finished! Over the hill!

88

00:08:55,744 --> 00:08:58,454

Hey, hey, hey, now. Come on, guys.

We all knew this day was coming.

89

00:08:58,913 --> 00:09:00,623

Yeah, but now it's here.

90

00:09:00,707 --> 00:09:03,042

Look, every toy goes through this.

No one wants to see...

91

00:09:03,126 --> 00:09:04,460

Hey, Sarge! What are you doing?

92

00:09:05,337 --> 00:09:08,172

War's over, folks.

Me and the boys are moving on.

93

00:09:08,465 --> 00:09:10,299

- Moving on?

- You're going AWoL?

94

00:09:10,800 --> 00:09:13,177

We done our duty. Andy's grown up.

95

00:09:13,261 --> 00:09:15,512

And let's face it,

when the trash bags come out,

96

00:09:15,597 --> 00:09:17,264

we army guys are the first to go.

97

00:09:17,557 --> 00:09:19,892

- Trash bags?

- Who said anything about trash bags?

98

00:09:20,352 --> 00:09:24,104

It has been an honor serving with you.

Good luck, folks.

99

00:09:25,690 --> 00:09:27,232

You're gonna need it.

100

00:09:27,317 --> 00:09:29,068

No, no, no. Wait, wait, wait, wait!

101

00:09:29,152 --> 00:09:31,654

- We're getting thrown away?

- No. No one's getting thrown away.

102

00:09:31,905 --> 00:09:32,905

How do you know?

103

00:09:32,989 --> 00:09:35,032

- We're being abandoned!

- We'll be fine, Jessie.

104

00:09:35,116 --> 00:09:37,493

- So why did Sarge leave?

- Should we leave?

105

00:09:37,577 --> 00:09:40,788

- I thought we were goin' to the attic.

- I hate all this uncertainty!

106

00:09:40,872 --> 00:09:42,873

Whoa, whoa, whoa, whoa.

Hold on now. Wait a minute. Quiet!

107

00:09:42,957 --> 00:09:46,794

No one's getting thrown out, okay?

We're all still here.

108

00:09:46,878 --> 00:09:50,172

I mean, yeah,

we've lost friends along the way.

109

00:09:51,007 --> 00:09:53,842

- Wheezy and Etch and...

- Bo Peep?

110

00:09:55,845 --> 00:09:58,263

Yeah. Even Bo.

111

00:09:58,932 --> 00:10:01,600

All good toys

who've gone on to new owners.

112

00:10:01,685 --> 00:10:05,354

But through every yard sale, every
spring cleaning, Andy held on to us!

113

00:10:06,022 --> 00:10:08,857

He must care about us,
or we wouldn't be here.

114

00:10:09,359 --> 00:10:13,696

You wait. Andy's gonna tuck us in
the attic. It'll be safe and warm...

115

00:10:13,780 --> 00:10:16,156

- And we'll all be together.

- Exactly!

116

00:10:16,241 --> 00:10:18,117

There's games up there,
and books, and...

117

00:10:18,201 --> 00:10:21,161

- The racecar track!
- The racecar track. Thank you!

118

00:10:21,246 --> 00:10:24,623

- And the old TV.
- There you go, the old TV.

119

00:10:24,708 --> 00:10:28,877

And those guys from the Christmas decorations box. They're fun, right?

120

00:10:28,962 --> 00:10:30,379

Yeah.

121

00:10:30,463 --> 00:10:34,133

And someday, if we're lucky,
Andy may have kids of his own.

122

00:10:34,217 --> 00:10:36,760

And he'll play with us then, right?

123

00:10:36,845 --> 00:10:38,554

We'll always be there for him.

124

00:10:38,763 --> 00:10:41,890

Come on, guys.

Let's get our parts together, get ready,

125

00:10:41,975 --> 00:10:44,435

and go out on a high note.

126

00:10:44,519 --> 00:10:46,270

I 'd better find my other eye.

127

00:10:46,354 --> 00:10:48,313

Where'd you leave it this time?

128

00:10:48,398 --> 00:10:51,483

Someplace dark. And dusty.

129

00:10:51,568 --> 00:10:54,987

Come on. Let's see how much
we're going for on eBay.

130

00:10:55,071 --> 00:10:58,699

Don't worry. Andy's gonna
take care of us. I guarantee it!

131

00:11:23,808 --> 00:11:25,768

You guarantee it, huh?

132

00:11:25,852 --> 00:11:28,896

I don't know, Buzz.

What else could I say?

133

00:11:29,814 --> 00:11:32,649

Well, whatever happens,
at least we'll all be together.

134

00:11:34,068 --> 00:11:35,986

For infinity and beyond.

135

00:11:37,447 --> 00:11:38,947

- Can I have your stereo?

- No.

136

00:11:39,032 --> 00:11:41,200

- Why not?

- 'Cause I 'm taking it with me.

137

00:11:46,664 --> 00:11:48,373

- Can I have your computer?

- No.

138

00:11:48,458 --> 00:11:50,709

- Your video games?

- Forget it, Molly.

139

00:11:50,794 --> 00:11:52,503

Okay. Andy, let's get to work here.

140

00:11:52,629 --> 00:11:56,215

Anything you're not taking to college
either goes in the attic, or it's trash.

141

00:11:56,299 --> 00:11:59,301

- Mom, I 'm not leaving till Friday.

- Come on. It's garbage day.

142

00:11:59,385 --> 00:12:01,220

- Mom.

- Look, it's simple.

143

00:12:01,304 --> 00:12:05,599

Skateboard, college.

Little League trophy, probably attic.

144

00:12:05,683 --> 00:12:08,185

Apple core, trash. You can do the rest.

145

00:12:08,978 --> 00:12:10,646

Why do you still have these toys?

146

00:12:11,189 --> 00:12:12,731

Molly, out of my room!

147

00:12:12,816 --> 00:12:14,525

Three more days and it's mine!

148

00:12:14,609 --> 00:12:17,027

Molly, you're not off the hook either.

149

00:12:17,111 --> 00:12:18,946

You have more toys
than you know what to do with.

150

00:12:19,364 --> 00:12:21,198

Some of them could make
other kids really happy.

151

00:12:21,282 --> 00:12:22,407

What kids?

152

00:12:22,492 --> 00:12:25,327

The children at the daycare.
They're always asking for donations.

153

00:12:25,662 --> 00:12:26,745

What's daycare?

154

00:12:26,830 --> 00:12:27,955

- Mom.
- No buts.

155

00:12:28,081 --> 00:12:31,792

You choose the toys you want to

donate, I 'll drop them off at Sunnyside.

156

00:12:42,971 --> 00:12:44,304

Poor Barbie.

157

00:12:44,389 --> 00:12:45,681

I get the Corvette.

158

00:12:45,765 --> 00:12:48,225

Andy, come on.

You need to start making decisions.

159

00:12:48,309 --> 00:12:49,268

Like what?

160

00:12:49,352 --> 00:12:51,270

Like what are you gonna do
with these toys?

161

00:12:51,354 --> 00:12:52,771

Should we donate them
to Sunnyside?

162

00:12:52,856 --> 00:12:54,606

- No.

- Maybe sell them online?

163

00:12:54,691 --> 00:12:56,567

Mom, no one's gonna want
those old toys.

164

00:12:57,193 --> 00:12:58,610

They're junk.

165

00:12:58,695 --> 00:13:00,404

Fine. You have till Friday.

166

00:13:00,488 --> 00:13:03,115

Anything that's not packed for college
or in the attic

167

00:13:03,199 --> 00:13:10,581

- is getting thrown out.

- Whatever you say, Mom.

168

00:13:58,838 --> 00:14:00,797

- What's happening?

- We're getting thrown out, you idiot.

169

00:14:00,882 --> 00:14:01,882

That's what's happening.

170

00:14:16,439 --> 00:14:18,190

- You need a hand?

- I got it.

171

00:14:18,274 --> 00:14:19,691

Here.

172

00:14:19,776 --> 00:14:21,526

So, you gonna miss me

when I 'm gone?

173

00:14:21,611 --> 00:14:24,196

- Lf I say no, do I still get your room?

- Nope.

174

00:14:24,280 --> 00:14:25,906

Then, yes, I 'll miss you.

175

00:14:26,449 --> 00:14:27,741

I can't breathe!

176

00:14:27,825 --> 00:14:30,160

- This can't be happening!

- Quiet! What's that sound?

177

00:14:41,255 --> 00:14:42,339

Andy!

178

00:14:45,343 --> 00:14:47,386

That's not trash. That's not trash!

179

00:14:47,470 --> 00:14:49,680

Think, think, Woody.

Think, think, think.

180

00:14:50,640 --> 00:14:53,058

Buster! Come here, boy! Come here!

181

00:14:59,273 --> 00:15:00,691

Okay, boy. To the curb!

182

00:15:04,862 --> 00:15:06,488

No, Buster! No!

183

00:15:09,325 --> 00:15:11,326

Get up. Buster!

184

00:15:27,093 --> 00:15:29,386

- We're on the curb!

- I knew it would come to this!

185

00:15:29,470 --> 00:15:30,971

Pull, everyone! Pull!

186

00:15:41,357 --> 00:15:43,400

- It won't rip!

- Forget it!

187

00:15:43,484 --> 00:15:46,111

It's triple-ply,

high-density polyethylene!

188

00:15:46,195 --> 00:15:47,320

There's gotta be a way out!

189

00:15:47,405 --> 00:15:49,030

Andy doesn't want us.

What's the point?

190

00:15:49,407 --> 00:15:50,699

Point. Point. Point!

191

00:15:54,370 --> 00:15:55,787

Push! Push!

192

00:15:55,872 --> 00:15:57,372

I can hear the garbage truck!

193

00:15:58,708 --> 00:16:00,208

It's getting closer.

194

00:16:37,580 --> 00:16:39,080

Buzz! Jessie!

195

00:16:47,965 --> 00:16:50,342

- Andy threw us out.

- Like we were garbage.

196

00:16:50,426 --> 00:16:53,178

- Junk. He called us junk.

- How could he?

197

00:16:54,847 --> 00:16:56,097

This doesn't make any sense.

198

00:16:56,182 --> 00:16:59,684

I should have seen this coming.

It's Emily all over again.

199

00:16:59,769 --> 00:17:02,187

- Sarge was right.

- Yeah, and Woody was wrong.

200

00:17:02,271 --> 00:17:04,856

Wait a minute. Wait, hold on.

This is no time to be hysterical.

201

00:17:04,941 --> 00:17:06,650

It's the perfect time to be hysterical.

202

00:17:06,734 --> 00:17:08,443

- Should we be hysterical?

- No!

203

00:17:08,528 --> 00:17:10,570

- Yes!

- Maybe! But not right now!

204

00:17:12,031 --> 00:17:14,991

Fellas, I know what to do.

205

00:17:21,332 --> 00:17:22,958

What the heck?

206

00:17:23,626 --> 00:17:26,878

- We should 've done this years ago.

- Jessie, wait. What about Woody?

207

00:17:27,505 --> 00:17:30,006

He's fine, Buzz.

Andy's taking him to college.

208

00:17:30,633 --> 00:17:31,883

Now we need to go!

209

00:17:33,553 --> 00:17:34,886

You're right. Come on.

210

00:17:35,972 --> 00:17:37,222

- Buzz?

- Woody!

211

00:17:37,306 --> 00:17:40,392

What's going on? Don't you know
this box is being donated?

212

00:17:40,476 --> 00:17:42,477

It's under control, Woody.

We have a plan.

213

00:17:42,562 --> 00:17:43,812

We're going to daycare!

214

00:17:44,146 --> 00:17:46,523

Daycare?

What, have you all lost your marbles?

215

00:17:46,649 --> 00:17:49,442

Well, didn't you see?

Andy threw us away.

216

00:17:49,527 --> 00:17:51,903

No, no, no, no.

He was putting you in the attic.

217

00:17:51,988 --> 00:17:53,822

Attic? So how did we

end up on the curb?

218

00:17:53,948 --> 00:17:56,575

That was a mistake.

Andy's mom thought you were trash.

219

00:17:56,659 --> 00:17:58,827

Yeah. After he put us in a trash bag.

220

00:17:58,911 --> 00:18:00,495

And called us junk!

221

00:18:00,663 --> 00:18:03,748

Yeah, I know. It looks bad.

But, guys, you gotta believe me.

222

00:18:03,833 --> 00:18:05,750

Sure thing, college boy!

223

00:18:07,962 --> 00:18:09,546

Andy's moving on, Woody.

It's time we did the same.

224

00:18:10,756 --> 00:18:13,008

Okay. Out of the box.

Everyone, right now!

225

00:18:13,843 --> 00:18:16,011

Come on, Buzz. Give me a hand.

We gotta get this thing outta here.

226

00:18:16,095 --> 00:18:19,347

Woody, wait. We need to figure out
what's best for everyone.

227

00:18:25,229 --> 00:18:27,689

Great. Great! It's gonna take us
forever to get back here.

228

00:18:36,616 --> 00:18:39,451

It's all right, Barbie. You'll be okay.

229

00:18:39,535 --> 00:18:44,164

Well, Molly and I have been
growing apart for years.

230

00:18:44,248 --> 00:18:48,543

It's just... I can't believe
she would throw me away!

231

00:18:49,170 --> 00:18:51,671

- Welcome to the club, toots.
- Okay, everyone, listen up.

232

00:18:51,756 --> 00:18:54,299

We can get back to Andy's,
but we gotta move fast.

233

00:18:54,383 --> 00:18:56,092

We'll hide under the seats
till we get back home.

234

00:18:56,177 --> 00:18:57,719

Get it through your vinyl noggin,
Woody.

235

00:18:57,803 --> 00:18:58,970

Andy doesn't want us anymore.

236

00:18:59,347 --> 00:19:01,431

He was putting you in the attic!

237

00:19:01,515 --> 00:19:03,516

He left us on the curb!

238

00:19:03,601 --> 00:19:06,353

- All right, calm down! Both of you!

- Okay, fine. Fine.

239

00:19:06,437 --> 00:19:08,063

Just wait till you see

what daycare's like.

240

00:19:08,147 --> 00:19:11,775

- Why? What's it like?

- Daycare is a sad, lonely place

241

00:19:11,859 --> 00:19:15,028

for washed-up old toys

who have no owners.

242

00:19:18,199 --> 00:19:19,783

- Quite the charmer, aren't ya?

- You'll see.

243

00:19:19,867 --> 00:19:23,578

As soon as we get to daycare,

you'll be begging to go home.

244

00:19:38,135 --> 00:19:40,095

Can anyone see anything?

245

00:19:40,179 --> 00:19:42,138

- There's a playground!

- Wow!

246

00:19:42,223 --> 00:19:44,182

We hit the jackpot, Bullseye!

247

00:19:44,266 --> 00:19:46,351

So much for sad and lonely, huh?

248

00:19:46,435 --> 00:19:48,686

Okay. Calm down, guys.

Let's just keep this in perspective.

249

00:19:48,771 --> 00:19:50,647

Perspective? This place is perfect.

250

00:19:50,731 --> 00:19:54,776

Woody, it's nice! See?

The door has a rainbow on it.

251

00:19:58,447 --> 00:20:00,240

- Hey there!

- Wow!

252

00:20:00,324 --> 00:20:01,950

Haven't seen you in ages.

253

00:20:02,034 --> 00:20:04,494

I just wanted to drop these old toys off.

254

00:20:04,578 --> 00:20:08,164

Is this Bonnie? Look how big you are.

255

00:20:08,249 --> 00:20:10,417

- Say hi, sweetie.

- Hi.

256

00:20:10,501 --> 00:20:12,710

Hey, how are your kids?

Molly and Andy?

257

00:20:12,795 --> 00:20:16,047

Not kids anymore.

Andy's going to college on Friday.

258

00:20:16,132 --> 00:20:17,715

- What?

- Can you believe it?

259

00:20:17,800 --> 00:20:21,386

- You sure they won't miss these?

- No, they never get played with.

260

00:20:23,764 --> 00:20:25,849

- You see any kids?

- Where is she taking us?

261

00:20:33,482 --> 00:20:34,691

- Look!

- Wow!

262

00:20:34,775 --> 00:20:36,401

What? What is it?

263

00:20:41,824 --> 00:20:43,158

No, no, no.

264

00:20:43,701 --> 00:20:45,326

What's the matter with you?

265

00:20:46,829 --> 00:20:48,163

I can't see!

266

00:20:48,622 --> 00:20:50,999

Okay, everyone. Recess. Come on!

267

00:20:56,297 --> 00:20:58,465

- So now what do we do?

- We go back to Andy's.

268

00:20:58,549 --> 00:21:01,342

- Anyone see an exit?

- Exit, shmexit. Let's get played with.

269

00:21:01,427 --> 00:21:03,928

Careful. These toys might be jealous

of new arrivals.

270

00:21:04,180 --> 00:21:05,180

- I want to see!

- Hey!

271

00:21:05,264 --> 00:21:06,389

- Rex!

- It's my turn!

272

00:21:12,271 --> 00:21:13,521

New toys!

273

00:21:19,862 --> 00:21:21,738

Well, howdy! Glad to meet ya.

274

00:21:21,947 --> 00:21:23,656

Buzz Lightyear at your service.

275

00:21:24,200 --> 00:21:26,075

Boy, oh, boy, oh, boy.

276

00:21:29,205 --> 00:21:31,456

Thank you. May I?

277

00:21:35,169 --> 00:21:36,878

The claw!

278

00:21:43,594 --> 00:21:47,889

Well, hello there.

I thought I heard new voices.

279

00:21:48,349 --> 00:21:52,393

Welcome to Sunnyside, folks.

I 'm Lots-o'- Huggin' Bear.

280

00:21:52,937 --> 00:21:54,979

But please call me Lotso.

281

00:21:55,064 --> 00:21:56,940

Buzz Lightyear. We come in...

282

00:21:58,150 --> 00:22:01,069

First thing you gotta know about me,

I 'm a hugger.

283

00:22:02,029 --> 00:22:04,989

Look at you all. You've been through
a lot today, haven't ya?

284

00:22:05,074 --> 00:22:06,783

It's been horrible.

285

00:22:06,867 --> 00:22:09,827

Well, you're safe now.

We're all castoffs here.

286

00:22:09,912 --> 00:22:13,456

We been dumped, donated,
yard-saled, secondhanded

287

00:22:13,540 --> 00:22:16,834

and just plain thrown out.

But just you wait,

288

00:22:16,919 --> 00:22:20,505

you'll find being donated was the
best thing that ever happened to ya.

289

00:22:21,298 --> 00:22:24,926

Mr. Lotso, do toys here
get played with every day?

290

00:22:25,302 --> 00:22:27,637

All day long. Five days a week.

291

00:22:27,721 --> 00:22:29,639

But what happens
when the kids grow up?

292

00:22:29,723 --> 00:22:31,516

Well, now, I 'll tell ya.

293

00:22:31,600 --> 00:22:34,852

When the kids get old,
new ones come in.

294

00:22:34,937 --> 00:22:37,397

When they get old,
new ones replace them.

295

00:22:37,982 --> 00:22:42,443

You'll never be outgrown or neglected,
never abandoned or forgotten.

296

00:22:42,987 --> 00:22:45,947

No owners means no heartbreak.

297

00:22:47,533 --> 00:22:50,952

- It's a miracle.

- And you wanted us to stay at Andy's.

298

00:22:51,036 --> 00:22:52,495

Because we're Andy's toys!

299

00:22:52,579 --> 00:22:55,540

So you got donated by this Andy, huh?

300

00:22:55,624 --> 00:22:58,543

Well, it's his loss, Sheriff.

He can't hurt you no more.

301

00:22:58,627 --> 00:23:00,795

- Whoa, whoa, no, no, no...
- Now, let's get you all settled in.

302

00:23:01,088 --> 00:23:05,133

Ken? Where is that boy?

Ken? New toys!

303

00:23:05,217 --> 00:23:07,635

Far out! Down in a jiff, Lotso.

304

00:23:12,308 --> 00:23:14,892

So, who's ready for Ken's dream tour?

305

00:23:14,977 --> 00:23:17,562

Let's show our new friends

where they'll be staying.

306

00:23:17,646 --> 00:23:19,063

Folks, if you want to step
right this way...

307

00:23:28,490 --> 00:23:30,533

Hi, I 'm Ken.

308

00:23:30,617 --> 00:23:33,745

Barbie. Have we ever met?

309

00:23:34,496 --> 00:23:36,414

I would 've remembered.

310

00:23:36,498 --> 00:23:39,250

- Love your legwarmers.

- Nice ascot.

311

00:23:39,668 --> 00:23:42,295

Come on, Ken.

Recess don't last forever.

312

00:23:42,379 --> 00:23:45,340

Right on, Lotso. This way, everybody.

313

00:23:45,466 --> 00:23:50,136

You got a lot to look forward to, folks.

The little ones love new toys.

314

00:23:50,220 --> 00:23:53,890

- What a nice bear.

- And he smells like strawberries.

315

00:23:55,225 --> 00:23:57,977

Folks, if I can share,

here at Sunnyside, we've got,

316

00:23:58,062 --> 00:23:59,937

well, just about anything

a toy could ask for.

317

00:24:00,022 --> 00:24:01,814

Spare parts, superglue,

318

00:24:01,899 --> 00:24:05,360

and enough fresh batteries

to choke a Hungry Hungry Hippo.

319

00:24:06,195 --> 00:24:07,653

- Think you're gettin' old?

- Wow.

320

00:24:07,738 --> 00:24:09,280

Well, stop your worryin'.

321

00:24:09,365 --> 00:24:13,368

Our repair spa will keep you stuffed,
puffed, and lightly buffed.

322

00:24:14,870 --> 00:24:17,330

And this, well, this is where I live.

323

00:24:17,414 --> 00:24:20,208

It's Ken's Dream House.

It has a disco, it's got a dune buggy.

324

00:24:20,751 --> 00:24:23,669

And a whole room
just for trying on clothes.

325

00:24:24,213 --> 00:24:26,506

You have everything!

326

00:24:26,590 --> 00:24:29,467

Everything except

someone to share it with.

327

00:24:31,762 --> 00:24:35,807

You need anything at all,
you just come talk to me. Here we are.

328

00:24:39,395 --> 00:24:40,853

Well, thank you, Big Baby.

329

00:24:41,271 --> 00:24:44,023

Why don't you come meet
our new friends?

330

00:24:44,483 --> 00:24:47,944

Poor baby. We were thrown out
together, me and him.

331

00:24:48,028 --> 00:24:50,238

Abandoned by the same owner.

332

00:24:50,739 --> 00:24:53,157

But we don't need owners
at Sunnyside.

333

00:24:53,242 --> 00:24:56,536

We own ourselves.

We're masters of our own fate.

334

00:24:56,620 --> 00:24:58,746

We control our own destiny.

335

00:24:59,331 --> 00:25:00,748

Watch out for puddles.

336

00:25:01,708 --> 00:25:04,419

And here's where
you folks'll be stayin'.

337

00:25:04,503 --> 00:25:06,421

The Caterpillar Room.

338

00:25:07,756 --> 00:25:09,674

- Look at this place.

- Wow!

339

00:25:09,758 --> 00:25:11,801

Holy moly guacamole.

340

00:25:11,885 --> 00:25:13,386

Jackpot, baby.

341

00:25:13,804 --> 00:25:15,263

- Whoa, puppy!

- Hello.

342

00:25:15,347 --> 00:25:16,389

- Hello.

- Hello.

343

00:25:17,933 --> 00:25:20,268

It's so beautiful!

344

00:25:22,312 --> 00:25:25,565

What the... Hey, little guy.

345

00:25:25,649 --> 00:25:28,025

How long 's it been

since you all got played with?

346

00:25:28,110 --> 00:25:29,152

It's been years.

347

00:25:29,611 --> 00:25:33,448

Well, just you wait. In a few minutes,
that bell's gonna ring,

348

00:25:33,532 --> 00:25:36,367

and you'll get the playtime
that you've been dreamin' of.

349

00:25:36,452 --> 00:25:39,287

Play! Real play! I can't wait!

350

00:25:39,371 --> 00:25:42,248

Now, if you'll excuse us,
we best be headin' back.

351

00:25:42,332 --> 00:25:44,375

Welcome to Sunnyside, folks.

352

00:25:44,460 --> 00:25:45,501

- Thank you.

- Take care, pinky.

353

00:25:45,586 --> 00:25:47,128

- Goodbye, Mr. Lotso. Thank you.

- Thank you, buddy boy.

354

00:25:47,212 --> 00:25:50,381

- Will I see you again?

- I 'll see you tonight

355

00:25:50,466 --> 00:25:51,966

in my dreams.

356

00:25:52,634 --> 00:25:54,385

Ken, let's get a move on.

357

00:25:54,970 --> 00:25:56,888

Barbie, come with me.

Live in my dream house.

358

00:25:56,972 --> 00:25:58,848

I know it's crazy. I know we just met.

359

00:25:58,932 --> 00:26:00,725

Heck, you don't know me
from G.I. Joe,

360

00:26:00,809 --> 00:26:02,894

but when I look at you,
I feel like we were...

361

00:26:02,978 --> 00:26:05,229

- Made for each other.
...made for each other.

362

00:26:06,815 --> 00:26:07,982

- Yay!
- Yes.

363

00:26:08,066 --> 00:26:09,984

- Ken?
- Coming, Lotso.

364

00:26:12,237 --> 00:26:13,988

This is so exciting!

365

00:26:20,662 --> 00:26:21,829

Sounds like kids to me.

366

00:26:21,914 --> 00:26:25,374

I want to get played with.

Why can't time go faster?

367

00:26:25,459 --> 00:26:26,959

How many you reckon are out there?

368

00:26:27,044 --> 00:26:28,836

They sound so sweet.

369

00:26:35,761 --> 00:26:38,513

Look, everyone, it's nice here, I admit.

370

00:26:39,181 --> 00:26:41,098

But we need to go home.

371

00:26:41,183 --> 00:26:43,392

We can have
a whole new life here, Woody.

372

00:26:43,894 --> 00:26:46,437

A chance to make kids happy again.

373

00:26:46,522 --> 00:26:49,273

- Why don't you stay?
- Yeah, Woody. Stay with us.

374

00:26:49,358 --> 00:26:50,608

- Come on, Woodster!
- You'll get played with.

375

00:26:50,692 --> 00:26:51,776

- I can't. No.
- Stay here.

376

00:26:51,860 --> 00:26:53,861

- You can make a new kid happy.
- No, no. Guys, really. No!

377

00:26:54,863 --> 00:26:58,241

I have a kid. You have a kid. Andy!

378

00:26:58,867 --> 00:27:02,286

And if he wants us at college,
or in the attic,

379

00:27:02,371 --> 00:27:04,080

well, then, our job is
to be there for him.

380

00:27:05,040 --> 00:27:06,624

Now, I 'm going home.

381

00:27:06,708 --> 00:27:09,835

Anyone who wants to join me
is welcome. Come on, Buzz.

382

00:27:14,883 --> 00:27:15,967

Buzz?

383

00:27:19,179 --> 00:27:20,972

Our mission with Andy
is complete, Woody.

384

00:27:21,640 --> 00:27:22,723

What?

385

00:27:22,808 --> 00:27:24,850

And what's important now
is we stay together.

386

00:27:24,935 --> 00:27:28,104

We wouldn't even be together
if it weren't for Andy!

387

00:27:28,188 --> 00:27:30,648

Look under your boot, Buzz.
You, too, Jessie.

388

00:27:30,732 --> 00:27:31,941

Whose name is written there?

389

00:27:33,235 --> 00:27:36,237

Maybe Andy doesn't
care about us anymore.

390

00:27:36,572 --> 00:27:39,073

Of course he does.

He cares about all of you!

391

00:27:39,157 --> 00:27:40,825

He was putting you in the attic. I saw.

392

00:27:40,909 --> 00:27:42,827

You can't just turn your back
on him now!

393

00:27:42,911 --> 00:27:47,039

Woody, wake up! It's over!

Andy is all grown up!

394

00:27:49,960 --> 00:27:51,919

Okay, fine. Perfect.

395

00:27:52,796 --> 00:27:55,548

I can't believe how selfish you all are.

396

00:28:01,597 --> 00:28:05,766

So this is it?

After all we've been through.

397

00:28:22,492 --> 00:28:25,077

Bullseye, no. You need to stay.

398

00:28:28,123 --> 00:28:30,333

Bullseye, no, I said, "Stay!"

399

00:28:32,502 --> 00:28:33,502

Look,

400

00:28:34,254 --> 00:28:38,466

I don't want you left alone
in the attic, okay? Now, stay.

401

00:28:42,804 --> 00:28:45,890

Bonnie?

402

00:28:46,892 --> 00:28:48,059

I gotta go.

403

00:28:51,355 --> 00:28:53,230

Bonnie, you in here?

404

00:29:13,877 --> 00:29:16,545

Come on. Come on. Oh, no, no.

405

00:29:55,168 --> 00:29:57,878

What... What the heck?

406

00:30:00,465 --> 00:30:01,716

Now, that's better.

407

00:30:03,135 --> 00:30:05,428

- Bonnie!

- Bluebells, cockleshells...

408

00:30:05,512 --> 00:30:08,514

There you are. Come on, honey.

It's time to go home.

409

00:30:32,914 --> 00:30:34,498

No, no, no, no!

410

00:31:15,290 --> 00:31:18,125

Reach for the sky!

411

00:31:18,627 --> 00:31:22,546

Bluebells, cockleshells. Eenie, miny...

412

00:31:28,845 --> 00:31:31,430

You're my favorite deputy.

413

00:31:32,307 --> 00:31:33,808

- Bonnie!

- Coming!

414

00:31:37,646 --> 00:31:38,813

Great.

415

00:31:50,992 --> 00:31:52,868

It's gonna be okay, Bullseye.

416

00:31:52,994 --> 00:31:55,746

Woody's going to college with Andy.

It's what he's always wanted.

417

00:31:55,831 --> 00:31:58,415

He's crazy.

College is no place for a toy.

418

00:31:58,500 --> 00:32:00,167

Toys are for playtime.

419

00:32:00,502 --> 00:32:03,254

Speaking of playtime,
they're lining up out there!

420

00:32:03,338 --> 00:32:05,256

- How many?

- There must be dozens.

421

00:32:05,340 --> 00:32:06,590

I can hardly wait!

422

00:32:06,675 --> 00:32:08,092

Places, everyone!

423

00:32:22,858 --> 00:32:24,817

At last! I 'm gonna get played with!

424

00:32:25,819 --> 00:32:27,695

- Rex?

- Come to papa.

425

00:33:22,417 --> 00:33:24,084

'Here's a snake in my boot.

426

00:33:25,128 --> 00:33:29,465

I'd like to join your posse, boys,

but first I'm gonna sing a little song.

427

00:33:29,549 --> 00:33:30,549

A sheriff!

428

00:33:32,510 --> 00:33:34,094

Move over, Mr. Pricklepants.

429

00:33:34,179 --> 00:33:36,889

We have a guest.

You want some coffee?

430

00:33:38,058 --> 00:33:42,937

It's good for you. But don't drink
too much, or you'll have to...

431

00:33:43,480 --> 00:33:45,064

Be right back!

432

00:33:46,274 --> 00:33:48,108

Hey, hello? Hi. Excuse me.

433

00:33:49,110 --> 00:33:50,778

Can you tell me where I am?

434

00:33:50,862 --> 00:33:52,279

The guy's just asking a question.

435

00:33:52,364 --> 00:33:55,991

Well, excuse me.

I 'm trying to stay in character.

436

00:33:56,993 --> 00:34:00,037

My name's Buttercup.

You've met Baron von Shush.

437

00:34:00,121 --> 00:34:01,580

Hello, I 'm Trixie.

438

00:34:02,958 --> 00:34:04,959

Guys, hey. Guys, look,
I don't know where I am.

439

00:34:05,293 --> 00:34:08,295

We're either in a café in Paris
or a coffee shop in New Jersey.

440

00:34:08,588 --> 00:34:10,339

I 'm pretty sure
I just came back from the doctor

441

00:34:10,423 --> 00:34:12,299

with life-changing news.

442

00:34:12,384 --> 00:34:15,594

We do a lot of improv here. Just

stay loose, have fun, you'll be fine.

443

00:34:15,679 --> 00:34:18,722

- No, no, no, no. I...

- Who wants lunch?

444

00:34:21,142 --> 00:34:24,561

It has a secret ingredient. Jelly beans.

445

00:34:25,522 --> 00:34:27,731

Somebody's poisoned the water hole.

446

00:34:28,900 --> 00:34:31,360

Poison?

Who would do such a mean thing?

447

00:34:36,282 --> 00:34:40,452

The scary witch! Look out!

She's using her witch-y powers!

448

00:34:41,246 --> 00:34:42,496

"I know where to hide."

449

00:34:46,334 --> 00:34:48,502

She'll never find us in here.

450

00:34:49,379 --> 00:34:50,838

What's wrong?

451

00:34:52,090 --> 00:34:55,634

She found us! We need a spaceship
to get away from the witch!

452

00:34:55,719 --> 00:34:58,512

- You're doing great!

- Are you classically-trained?

453

00:34:58,596 --> 00:35:00,264

Look, I just need to know
how to get out of here!

454

00:35:00,348 --> 00:35:01,724

There is no way out.

455

00:35:02,976 --> 00:35:04,309

Just kidding. Door's right over there.

456

00:35:04,394 --> 00:35:07,438

Well, cowboy, you just
jumped right in, didn't ya? I 'm Dolly.

457

00:35:07,522 --> 00:35:08,856

- Woody.

- Woody?

458

00:35:09,065 --> 00:35:10,607

Really? You're gonna stick with that?

459

00:35:10,692 --> 00:35:13,360

'Cause now's your chance
to change it, new room and all.

460

00:35:13,445 --> 00:35:15,070

That's coming from a doll
named Dolly.

461

00:35:16,197 --> 00:35:18,699

- Who's the new guy?

- Are you a real cowboy?

462

00:35:18,950 --> 00:35:20,951

- Well, actually...

- 'Course he's not, pea brain.

463

00:35:21,036 --> 00:35:24,288

- He don't even have a hat.

- I do too have... My hat!

464

00:35:24,372 --> 00:35:26,582

- Told ya.

- I found a spaceship!

465

00:35:26,833 --> 00:35:27,958

Showtime.

466

00:35:28,043 --> 00:35:30,502

Quick, get in. Fasten your seat belts.

467

00:35:30,587 --> 00:35:34,214

Close your tray tables. Hold on.

It might get a little bumpy.

468

00:35:34,799 --> 00:35:37,551

Three, two, one, blastoff!

469

00:35:42,098 --> 00:35:45,559

You saved us, cowboy.

You're our hero.

470

00:35:54,736 --> 00:35:56,820

I got a kink in my slink.

471

00:35:59,824 --> 00:36:01,825

My tail! Where's my tail?

472

00:36:08,249 --> 00:36:09,583

Someone need a hand?

473

00:36:10,627 --> 00:36:12,044

- Where's my nose?

- Here it is.

474

00:36:12,128 --> 00:36:13,378

- Here's your arm.

- Give me that. That's mine.

475

00:36:13,463 --> 00:36:14,588

Honey, the mustache?

476

00:36:14,672 --> 00:36:17,466

I don't recall playtime being
quite that strenuous.

477

00:36:18,593 --> 00:36:20,844

Andy never played with us like that.

478

00:36:20,929 --> 00:36:22,805

We're just gonna have to
make the best of it.

479

00:36:22,931 --> 00:36:24,681

But these toddlers,
they don't know how to play with us.

480

00:36:24,766 --> 00:36:27,101

- They're too young!

- Yeah, they're sticky.

481

00:36:27,185 --> 00:36:28,769

Well, we should be
in the Butterfly Room.

482

00:36:28,853 --> 00:36:30,437

- With the big kids!

- That's right.

483

00:36:30,522 --> 00:36:32,523

- Yeah, you said it.

- We'll get this straightened out.

484

00:36:32,607 --> 00:36:35,275

I 'll go talk to Lotso
about moving us to the other room.

485

00:36:39,280 --> 00:36:40,697

Blast. Try that one.

486

00:36:41,741 --> 00:36:42,950

It's locked!

487

00:36:43,284 --> 00:36:45,035

- Same here.

- Try the windows.

488

00:36:45,453 --> 00:36:48,038

Negatory.

It's a Fenster-Schnecker 380.

489

00:36:48,123 --> 00:36:49,832

Finest childproof lock in the world.

490

00:36:49,916 --> 00:36:51,959

- We're trapped!

- Wait.

491

00:36:52,043 --> 00:36:53,377

Did anyone notice the transom?

492

00:36:54,796 --> 00:36:56,964

Oh, great. How do we get up there?

493

00:36:58,842 --> 00:37:02,469

All right, everyone. On three!

One, two...

494

00:37:03,054 --> 00:37:04,346

- Three!

- Whoa!

495

00:37:06,474 --> 00:37:07,641

Let go!

496

00:37:19,529 --> 00:37:20,571

Go!

497

00:37:25,493 --> 00:37:27,286

- He did it!

- Yes, sir!

498

00:37:28,246 --> 00:37:29,788

Way to go, Buzz!

499

00:37:32,083 --> 00:37:35,127

Yeah, you think

they had a fun playtime?

500

00:37:35,211 --> 00:37:36,336

They might hear you.

501

00:37:39,424 --> 00:37:40,924

- Okay, now you start.

- I...

502

00:37:41,009 --> 00:37:42,259

- Love...

- You.

503

00:37:42,343 --> 00:37:44,636

See? That time, I said "love."

Okay, now me first.

504

00:37:44,721 --> 00:37:45,762

- Okay, okay, okay.

- I...

505

00:37:45,847 --> 00:37:47,014

- Love...

- You.

506

00:37:47,348 --> 00:37:49,099

You see what I mean?

It changes every time.

507

00:37:49,184 --> 00:37:50,893

You are so smart.

508

00:37:50,977 --> 00:37:52,603

Come on, Romeo. We're late.

509

00:37:53,146 --> 00:37:54,980

- I 'll wait up for you.

- Kisses!

510

00:38:58,711 --> 00:39:00,337

All right, place your bets.

Come on, everybody.

511

00:39:00,421 --> 00:39:01,588

- Come on. Any splits?

- Heya. Bring it here.

512

00:39:01,673 --> 00:39:02,673

- All right.

- Here we go.

513

00:39:02,757 --> 00:39:04,841

- Come on, horsey, come on!

- Come on, turkey, come on, turkey.

514

00:39:04,926 --> 00:39:06,468

- Gobble, gobble, baby.

- Come on, horsey.

515

00:39:06,552 --> 00:39:07,511

Come on, duck.

516

00:39:07,595 --> 00:39:09,513

- All right, that's it. No more bets.

- Come on! Right here.

517

00:39:09,597 --> 00:39:11,682

Let me have the duck, let me have

the duck, let me have the duck!

518

00:39:11,766 --> 00:39:13,267

Here is a duck.

519

00:39:13,434 --> 00:39:15,519

- I won!

- Ah, man!

520

00:39:16,271 --> 00:39:18,814

- Well, Stretch takes the round.

- You lost!

521

00:39:18,898 --> 00:39:20,524

Okay, minimum bet, five Monopoly.

522

00:39:20,775 --> 00:39:22,109

- Coyote's wild.

- Here, here.

523

00:39:22,193 --> 00:39:23,694

- Two greens here.

- Changing two double A's.

524

00:39:23,778 --> 00:39:25,904

Hey, what do you guys think
of the new recruits? Any keepers?

525

00:39:25,989 --> 00:39:27,781

Oh, please! Landfill!

526

00:39:27,865 --> 00:39:30,367

- Cowgirl? Dinosaur?

- Toddler fodder.

527

00:39:30,451 --> 00:39:33,287

But that space guy, he could be useful.

528

00:39:33,371 --> 00:39:37,249

He ain't the sharpest knife in the
place where they keep the knives.

529

00:39:37,333 --> 00:39:39,376

Neither are you, Chunk.

530

00:39:39,711 --> 00:39:42,087

You got a little keeper yourself,
didn't you, Ken?

531

00:39:42,171 --> 00:39:44,673

Hey, lay off, Twitch. Barbie's different.

532

00:39:44,757 --> 00:39:46,675

Aw, Mr. Softy over here.

533

00:39:46,759 --> 00:39:48,802

What do you expect from a girl's toy?

534

00:39:48,886 --> 00:39:53,098

I 'm not a girl's toy! I 'm not!

Why do you guys keep saying that?

535

00:39:53,182 --> 00:39:54,808

All them toys are disposable.

536

00:39:55,143 --> 00:39:57,769

We'll be lucky if they last us a week.

537

00:40:03,109 --> 00:40:05,652

Well, well. Looky who we have here.

538

00:40:06,946 --> 00:40:08,071

Let me go!

539

00:40:08,364 --> 00:40:09,823

Take him to the library.

540

00:40:09,907 --> 00:40:10,949

No!

541

00:40:41,856 --> 00:40:43,899

1225 Sycamore.

542

00:40:44,484 --> 00:40:45,859

Woody, what are you doing?

543

00:40:46,861 --> 00:40:47,903

I gotta get outta here.

544

00:40:48,363 --> 00:40:50,947

- You're leaving?

- But didn't you have fun today?

545

00:40:51,032 --> 00:40:52,783

Well, of course I did,

more than I 've had in years,

546

00:40:52,867 --> 00:40:55,035

but, you see,

I belong to someone else.

547

00:40:55,244 --> 00:40:58,288

- Who's "Yid-nuh"?

- I believe it's pronounced "Yid-nay."

548

00:40:58,373 --> 00:41:00,290

Guys, it says "Andy."

549

00:41:00,375 --> 00:41:01,625

He's my Bonnie.

550

00:41:01,709 --> 00:41:03,794

And he's leaving soon.

I gotta get home.

551

00:41:03,878 --> 00:41:06,588

- Where's home?

- Elm Street. 234 Elm.

552

00:41:07,215 --> 00:41:09,966

- You guys have a map?

- We're on it, cowboy. Trixie?

553

00:41:10,760 --> 00:41:12,427

I 'll fire up the computer.

554

00:41:17,725 --> 00:41:21,019

Unhand me, you cowards!

I demand to talk to Lotso!

555

00:41:21,104 --> 00:41:22,687

Zip it, Buck Rogers.

556

00:41:22,772 --> 00:41:25,440

You don't talk to Lotso

till we say you can...

557

00:41:27,110 --> 00:41:31,321

Ken? What's goin' on here?

Why is this toy tied up?

558

00:41:31,739 --> 00:41:33,198

He got out, Lotso.

559

00:41:33,741 --> 00:41:39,704

"Got out"? No, no, no, no, no.

This isn't how we treat our guests.

560

00:41:39,789 --> 00:41:44,251

F- A-oh, my Schwarz.

There you go. I 'm so sorry.

561

00:41:44,669 --> 00:41:46,878

- Lotso, there's been a mistake.

- A mistake?

562

00:41:46,963 --> 00:41:49,172

The children in the Caterpillar Room
are not age-appropriate

563

00:41:49,257 --> 00:41:50,507

for me and my friends.

564

00:41:50,591 --> 00:41:53,552

We respectfully request
a transfer to the Butterfly Room.

565

00:41:53,636 --> 00:41:55,470

Well, request granted!

566

00:41:55,596 --> 00:41:57,973

- But, Lotso...

- Hush now, Kenneth.

567

00:41:58,057 --> 00:42:01,351

This toy's shown initiative, leadership.

568

00:42:01,436 --> 00:42:03,603

Why, I 'd say
we've found ourselves a keeper.

569

00:42:04,063 --> 00:42:06,606

Hear that, everyone? We got a keeper!

570

00:42:09,861 --> 00:42:12,529

We're calling you up
to the big leagues, son.

571

00:42:12,613 --> 00:42:15,449

From now on,
you'll have anything you want.

572

00:42:15,533 --> 00:42:17,576

Excellent. I 'll go get my friends.

573

00:42:17,660 --> 00:42:20,245

Whoa, whoa. Hold on there, boss.

574

00:42:20,329 --> 00:42:22,706

Those Caterpillar kids
need someone to play with.

575

00:42:22,790 --> 00:42:24,708

But my friends don't belong there.

576

00:42:24,792 --> 00:42:26,877

None of us do, I agree.

577

00:42:26,961 --> 00:42:30,380

Which is why,
for the good of our community,

578

00:42:30,465 --> 00:42:32,924

we ask the newer toys,
the stronger ones,

579

00:42:33,009 --> 00:42:36,720

to take on the hardships
the rest of us can't bear anymore.

580

00:42:37,722 --> 00:42:40,223

Well, I guess that makes sense.

581

00:42:41,642 --> 00:42:45,061

But I can't accept.
We're a family. We stay together.

582

00:42:45,146 --> 00:42:47,939

Family man, huh? I understand.

583

00:42:48,691 --> 00:42:50,233

Put him back in the timeout chair.

584

00:42:51,235 --> 00:42:53,695

What are ya... Unhand me!

585

00:42:55,239 --> 00:42:56,823

Bring in the Bookworm.

586

00:43:00,912 --> 00:43:02,287

Here it is.

587

00:43:02,830 --> 00:43:05,499

It was filed under "Lightyear."

588

00:43:10,505 --> 00:43:11,713

Let's see here.

589

00:43:12,381 --> 00:43:15,175

"Accessories. Maintenance."

Here we go.

590

00:43:15,760 --> 00:43:18,929

"Remove screws to access
battery compartment."

591

00:43:19,013 --> 00:43:20,180

What are you doing?

592

00:43:20,848 --> 00:43:21,848

Stop!

593

00:43:22,016 --> 00:43:23,475

Let go of me!

594

00:43:23,518 --> 00:43:28,897

"To return your Buzz Lightyear action
figure to its original factory settings..."

595

00:43:28,981 --> 00:43:29,940

No!

596

00:43:30,024 --> 00:43:32,943

"...slide the switch from

Play to Demo."

597

00:43:33,027 --> 00:43:36,530

Stop! No! No! No!

598

00:43:37,949 --> 00:43:40,283

- What was that?

- Sounds like it came from the hall.

599

00:43:40,368 --> 00:43:41,993

I 'll see what it was.

600

00:43:44,872 --> 00:43:46,289

What do you see? Anything?

601

00:43:46,374 --> 00:43:49,918

No, just a dark hallway and...

Wait. Wait!

602

00:43:50,336 --> 00:43:51,670

I see Andy!

603

00:43:52,004 --> 00:43:53,505

- What?

- That's impossible.

604

00:43:53,589 --> 00:43:56,049

No, no, I really see him. In his room.

605

00:43:56,968 --> 00:44:00,053

My other eye! The one I left behind.

606

00:44:02,807 --> 00:44:06,226

'His is so weird. He's packing up.

607

00:44:07,311 --> 00:44:11,815

Here comes Buster.

Out of the way! Get away!

608

00:44:12,858 --> 00:44:14,901

Okay, Andy's out in the hall.

609

00:44:15,486 --> 00:44:17,821

He's looking in the attic.

610

00:44:17,905 --> 00:44:21,241

Wait, there's Mom.

Why is he so upset?

611

00:44:22,326 --> 00:44:25,078

Oh, no! Oh, this is terrible!

612

00:44:26,581 --> 00:44:29,666

He's looking for us.

Andy's looking for us!

613

00:44:29,750 --> 00:44:31,251

He's looking for us?

614

00:44:31,335 --> 00:44:34,170

So Andy does want us.

I knew it! I just knew it!

615

00:44:34,255 --> 00:44:36,590

I think he did mean
to put us in the attic.

616

00:44:36,882 --> 00:44:38,425

Well, then,
Woody was telling the truth.

617

00:44:38,759 --> 00:44:40,677

- Holy cow!
- And you didn't believe him.

618

00:44:40,761 --> 00:44:42,304

Hey, you didn't believe him first!

619

00:44:42,388 --> 00:44:45,307

Guys, we gotta... We gotta go home!

620

00:44:47,768 --> 00:44:48,977

- Lotso!
- Hey, there.

621

00:44:49,645 --> 00:44:51,646

How y'all doin' this fine evenin'?

622

00:44:52,106 --> 00:44:54,024

Thank goodness! Have you seen Buzz?

623

00:44:54,108 --> 00:44:56,484

There's been a mistake.

We have to go.

624

00:44:56,569 --> 00:45:01,072

Go? Why, you just got here.

In the nick of time, too.

625

00:45:01,157 --> 00:45:04,117

We were runnin' low on volunteers
for the little ones.

626

00:45:04,201 --> 00:45:06,953

They just love new toys,
now, don't they?

627

00:45:07,121 --> 00:45:09,998

"Love"? We've been chewed,
kicked, drooled on.

628

00:45:10,082 --> 00:45:12,042

Just look at my pocketbook!

629

00:45:13,294 --> 00:45:17,464

Well, here's the thing, sweet potato.

You ain't leavin' Sunnyside.

630

00:45:17,798 --> 00:45:20,967

"Sweet potato"!

Who do you think you're talking to?

631

00:45:21,218 --> 00:45:25,847

I have over 30 accessories,
and I deserve more respect...

632

00:45:26,766 --> 00:45:28,391

That's better.

633

00:45:28,476 --> 00:45:31,061

Hey, no one takes my wife's mouth,
except me.

634

00:45:31,145 --> 00:45:33,188

Give it back, you furry air freshener!

635

00:45:33,272 --> 00:45:34,939

Come on, guys. We're goin' home.

636

00:45:35,024 --> 00:45:36,066

Whoa there, missy.

637

00:45:36,484 --> 00:45:38,151

You're not goin' anywhere.

638

00:45:38,402 --> 00:45:41,029

Oh, yeah? And who's gonna stop us?

639

00:45:43,324 --> 00:45:44,658

Buzz! You're back!

640

00:45:45,159 --> 00:45:46,201

Buzz?

641

00:45:47,244 --> 00:45:48,286

Hey!

642

00:45:49,330 --> 00:45:50,664

Look out!

643

00:45:50,998 --> 00:45:52,165

What are you, nuts?

644

00:45:52,375 --> 00:45:53,416

Buzz!

645

00:45:57,129 --> 00:45:59,464

Prisoners disabled,

Commander Lotso!

646

00:45:59,548 --> 00:46:01,758

- Buzz, what are you doing?

- Silence, minions of Zurg!

647

00:46:01,842 --> 00:46:03,927

You're in the custody

of the Galactic Alliance!

648

00:46:04,011 --> 00:46:05,470

- "Zurg"?

- "Galactic Alliance"?

649

00:46:05,554 --> 00:46:06,596

Oh, boy.

650

00:46:06,681 --> 00:46:09,432

Good work, Lightyear.

Now, lock 'em up!

651

00:46:09,517 --> 00:46:10,517

Yes, sir!

652

00:46:20,486 --> 00:46:22,779

Where do you think you're going?

653

00:46:24,115 --> 00:46:25,782

Buzz! We're your friends!

654

00:46:25,866 --> 00:46:27,826

Spare me your lies, temptress.

655

00:46:27,910 --> 00:46:29,369

Your emperor's defeated,

656

00:46:29,453 --> 00:46:32,580

and I 'm immune to

your bewitching good looks.

657

00:46:32,665 --> 00:46:35,291

Hey, Mongo!

Keep your paws off my wife!

658

00:46:35,376 --> 00:46:37,127

Hey! Let go of me,

you drooling doofus!

659

00:46:37,211 --> 00:46:38,169

Not him.

660

00:46:38,254 --> 00:46:41,798

I think this potato needs to

learn himself some manners.

661

00:46:41,882 --> 00:46:43,633

Take him to the box.

662

00:46:43,718 --> 00:46:46,469

Hey! Put me down, you moron!

Where are you taking me?

663

00:46:46,554 --> 00:46:47,971

Bad baby! Bad baby!

664

00:46:48,055 --> 00:46:49,597

Ken? What's going on?

665

00:46:49,932 --> 00:46:52,976

Barbie! I told you to wait

in the Dream House.

666

00:46:53,060 --> 00:46:54,352

What are you doing to my friends?

667

00:46:54,729 --> 00:46:56,229

Get in there!

668

00:46:57,732 --> 00:46:59,607

- Barbie, wait!

- Don't touch me.

669

00:46:59,692 --> 00:47:02,193

- We're through!

- Barbie! I did...

670

00:47:03,904 --> 00:47:05,905

And give me my scarf back!

671

00:47:07,867 --> 00:47:10,744

Lightyear! Explain our
overnight accommodations.

672

00:47:11,162 --> 00:47:13,955

Sir, yes, sir!

Prisoners sleep in their cells.

673

00:47:14,081 --> 00:47:17,792

Any prisoner caught outside their cell

spends the night in the box.

674

00:47:18,252 --> 00:47:20,044

Roll call at dusk and dawn.

675

00:47:20,463 --> 00:47:24,257

Any prisoner misses roll call,
spends the night in the box.

676

00:47:24,592 --> 00:47:27,343

Prisoners do not speak
unless spoken to.

677

00:47:27,428 --> 00:47:29,721

Any prisoner talks back,
spends the night...

678

00:47:29,805 --> 00:47:31,264

In the box! We get it.

679

00:47:32,641 --> 00:47:35,477

At ease, soldier. They're neutralized.

680

00:47:35,561 --> 00:47:39,022

But remember, they'll say anything
to make you doubt yourself.

681

00:47:39,106 --> 00:47:40,440

Don't worry, Commander.

682

00:47:40,524 --> 00:47:43,693

Any doubt I had got pounded
out of me at the academy.

683

00:47:44,403 --> 00:47:45,904

Listen up, folks.

684

00:47:45,988 --> 00:47:48,531

We got a way of doin' things
here at Sunnyside.

685

00:47:48,991 --> 00:47:51,659

If you start at the bottom,
pay your dues,

686

00:47:51,744 --> 00:47:54,037

life here can be a dream come true!

687

00:47:54,830 --> 00:47:57,916

But if you break our rules,
step outta line,

688

00:47:58,709 --> 00:48:04,339

try to check out early,
well, you're just hurtin' yourselves.

689

00:48:05,716 --> 00:48:07,967

Woody! What did you do to him?

690

00:48:08,469 --> 00:48:10,804

You all get a good night's rest.

691

00:48:11,472 --> 00:48:14,182

You got a full day
of playtime tomorrow.

692

00:48:20,189 --> 00:48:23,566

1225 Syca...

693

00:48:24,818 --> 00:48:27,111

Who's Velocistar237?

694

00:48:27,488 --> 00:48:29,739

That's just a dinosaur toy
down the street.

695

00:48:29,823 --> 00:48:32,242

That's nothing.

Let me just take care of that.

696

00:48:32,326 --> 00:48:34,118

- Just a dinosaur.

- All right.

697

00:48:34,578 --> 00:48:37,330

Sycamore. Okay, enter!

698

00:48:38,165 --> 00:48:40,208

Please don't be far. Please, please!

699

00:48:41,752 --> 00:48:45,046

Right around the corner?

It's right around the corner!

700

00:48:46,131 --> 00:48:50,468

I 'm going to college! Look at me!

I 'm big toy on campus! Hello!

701

00:48:50,553 --> 00:48:53,263

- Hey, I 'll see you at the sock hop.

- Okay, Potsie.

702

00:48:53,514 --> 00:48:56,933

Hey, listen. If any of you guys
ever get to Sunnyside Daycare,

703

00:48:57,017 --> 00:48:58,101

you tell 'em Woody made it home.

704

00:48:58,185 --> 00:49:01,396

- You came from Sunnyside?

- But how'd you escape?

705

00:49:01,480 --> 00:49:03,314

Well, it wasn't easy.

706

00:49:04,316 --> 00:49:05,525

What do you mean "escape"?

707

00:49:07,152 --> 00:49:10,238

Sunnyside is a place
of ruin and despair.

708

00:49:10,322 --> 00:49:13,866

Ruled by an evil bear
who smells of strawberries.

709

00:49:15,035 --> 00:49:16,202

Lotso?

710

00:49:16,287 --> 00:49:18,955

The guy may seem plush
and huggable on the outside,

711

00:49:19,039 --> 00:49:20,748

but inside, he's a monster.

712

00:49:21,041 --> 00:49:23,209

But... How do you know that?

713

00:49:23,877 --> 00:49:26,212

Chuckles. He'll tell you.

714

00:49:32,219 --> 00:49:33,970

Yeah, I knew Lotso.

715

00:49:35,389 --> 00:49:38,099

He was a good toy. A friend.

716

00:49:38,934 --> 00:49:42,604

Me and him,

we had the same kid, Daisy.

717

00:49:44,148 --> 00:49:47,066

A was there

when Lotso got unwrapped.

718

00:49:49,486 --> 00:49:51,237

Daisy loved us all.

719

00:49:51,739 --> 00:49:52,905

But Lotso,

720

00:49:53,365 --> 00:49:55,158

Lotso was special.

721

00:49:56,619 --> 00:49:58,828

'Hey did everything together.

722

00:49:59,913 --> 00:50:02,957

You've never seen

a kid and a toy more in love.

723

00:50:03,792 --> 00:50:05,793

One day, we took a drive.

724

00:50:06,879 --> 00:50:10,089

Hit a rest stop. Had a little playtime.

725

00:50:11,091 --> 00:50:13,176

After lunch, Daisy fell asleep.

726

00:50:22,353 --> 00:50:23,978

She never came back.

727

00:50:29,360 --> 00:50:31,444

Lotso wouldn't give up.

728

00:50:34,990 --> 00:50:38,368

It took forever,

but we finally made it back to Daisy's.

729

00:50:45,209 --> 00:50:47,960

But by then, it was too late.

730

00:50:59,515 --> 00:51:02,308

Something changed that day

inside Lotso.

731

00:51:03,018 --> 00:51:04,602

Something snapped.

732

00:51:04,687 --> 00:51:07,146

She replaced us. Come on!

733

00:51:07,231 --> 00:51:10,108

- No, she only replaced you!

- She replaced all of us.

734

00:51:10,818 --> 00:51:11,859

Didn't she?

735

00:51:14,988 --> 00:51:17,365

She don't love you no more!

736

00:51:17,700 --> 00:51:19,117

Now come on!

737

00:51:23,997 --> 00:51:29,627

We were lost. Cast off.

Unloved. Unwanted.

738

00:51:34,591 --> 00:51:36,551

'Hen we found Sunnyside.

739

00:51:47,396 --> 00:51:49,731

But Lotso wasn't my friend anymore.

740

00:51:51,442 --> 00:51:53,484

He wasn't anyone's friend.

741

00:51:56,196 --> 00:51:59,282

He took over Sunnyside
and rigged the whole system.

742

00:51:59,908 --> 00:52:01,826

So how'd you get out?

743

00:52:02,202 --> 00:52:05,580

I got broke.

Bonnie found me, took me home.

744

00:52:06,248 --> 00:52:08,332

Other toys, they weren't so lucky.

745

00:52:09,209 --> 00:52:12,545

It ain't right what Lotso done.

New toys,

746

00:52:13,380 --> 00:52:15,298

they don't stand a chance.

747

00:52:15,591 --> 00:52:17,884

- But my friends are in there.

- You can't go back.

748

00:52:17,968 --> 00:52:20,344

Returning now would be suicide!

749

00:52:20,429 --> 00:52:22,221

But what about your Andy?

750

00:52:22,306 --> 00:52:25,224

Isn't he leaving for college?

751

00:52:43,869 --> 00:52:46,162

Quiet, musical hog! Knock it off!

752

00:52:49,249 --> 00:52:52,293

Oh, Bullseye. I miss Woody, too.

753

00:52:54,505 --> 00:52:56,756

But he ain't ever comin' back.

754

00:53:18,529 --> 00:53:20,988

Rise and shine, campers!

755

00:53:21,073 --> 00:53:22,657

Commander Lotso, sir!

756

00:53:23,575 --> 00:53:25,034

All quiet, nothing to report.

757

00:53:25,118 --> 00:53:28,663

Excellent, Lightyear. Come on.

We need ya back at Star Command.

758

00:53:28,747 --> 00:53:31,123

Wait! What've you done

with my husband?

759

00:53:31,708 --> 00:53:32,708

Big Baby.

760

00:53:38,465 --> 00:53:39,632

Sweetheart!

761

00:53:41,134 --> 00:53:45,221

It was cold and dark. Nothing but sand
and a couple of Lincoln Logs.

762

00:53:46,014 --> 00:53:47,640

I don't think those were Lincoln Logs.

763

00:53:47,724 --> 00:53:51,477

You all get ready.

You got a play-date with destiny!

764

00:55:13,852 --> 00:55:14,852

Hello?

765

00:55:14,936 --> 00:55:16,646

You shouldn't have
come back, cowboy.

766

00:55:16,730 --> 00:55:21,108

'Hey've cracked down hard since
you left. More guards, more patrols.

767

00:55:21,193 --> 00:55:23,319

You and your friends
ain't ever getting out of here now.

768

00:55:23,403 --> 00:55:24,654

I made it out once.

769

00:55:24,738 --> 00:55:27,615

You got lucky once. Want my advice?

770

00:55:27,699 --> 00:55:30,117

Keep your heads down. You'll survive.

771

00:55:30,202 --> 00:55:31,827

Yeah, for how long?

772

00:55:31,912 --> 00:55:33,079

I've been here years.

773

00:55:33,580 --> 00:55:35,539

'Hey'Ill never break me.

774

00:55:35,624 --> 00:55:38,417

'Here's only one way

toys leave this place.

775

00:55:39,419 --> 00:55:42,046

Poor fella. Trash truck comes at dawn.

776

00:55:42,506 --> 00:55:44,382

Then it's off to the dump.

777

00:55:44,841 --> 00:55:47,176

Look, I appreciate

your concern, old-timer.

778

00:55:47,260 --> 00:55:50,346

But we have a kid waiting for us.

Now, we're leaving.

779

00:55:50,430 --> 00:55:53,683

If you'd help us, one toy to another,
I 'd sure be grateful.

780

00:55:55,560 --> 00:55:57,937

Well, if you're gonna get out,

781

00:55:58,021 --> 00:55:59,772

first thing you gotta get through's
the doors.

782

00:56:00,440 --> 00:56:04,694

Locked, every night. Inside and out.
Keys are left on a hook in the office.

783

00:56:04,778 --> 00:56:05,820

Got it. What else?

784

00:56:05,904 --> 00:56:08,114

Lotso has trucks
patrolling all night long.

785

00:56:08,615 --> 00:56:10,533

Hallway, lobby, playground.

786

00:56:10,617 --> 00:56:11,701

Yeah, yeah, yeah.

What about the wall?

787

00:56:11,785 --> 00:56:15,121

Eight-feet high. Cinder block.

No way through it.

788

00:56:15,205 --> 00:56:16,455

You go over or under.

789

00:56:16,832 --> 00:56:18,708

That's it? Doesn't seem so bad.

790

00:56:18,792 --> 00:56:21,460

It's not.

Your real problem's the monkey.

791

00:56:22,754 --> 00:56:25,381

The monkey's the eye in the sky.

792

00:56:25,465 --> 00:56:27,049

He sees everything.

793

00:56:27,884 --> 00:56:29,301

Classrooms.

794

00:56:40,147 --> 00:56:41,480

Hallways.

795

00:56:50,490 --> 00:56:52,074

Even the playground.

796

00:57:00,000 --> 00:57:03,753

You can unlock doors,
sneak past guards, climb the wall,

797

00:57:04,337 --> 00:57:07,465

but if you don't take out that monkey,
you ain't going nowhere.

798

00:57:08,049 --> 00:57:11,260

You wanna get out of here?

Get rid of that monkey!

799

00:57:12,471 --> 00:57:14,388

Recess! Come on, kids!

800

00:57:20,812 --> 00:57:21,937

Hey, guys.

801

00:57:22,898 --> 00:57:24,398

- Woody?

- Woody!

802

00:57:24,858 --> 00:57:25,858

Woody!

803

00:57:26,359 --> 00:57:28,736

- Hey, hey, hey, buddy!

- Thank goodness!

804

00:57:28,820 --> 00:57:31,071

- You're alive!

- 'Course I 'm alive!

805

00:57:32,324 --> 00:57:35,117

Hey, my hat! Wait, where's Buzz?

806

00:57:35,202 --> 00:57:36,869

Lotso did something to him!

807

00:57:36,953 --> 00:57:39,121

He thinks he's a real

Space Ranger again.

808

00:57:39,206 --> 00:57:40,623

- Oh, no.

- Oh, yes.

809

00:57:40,999 --> 00:57:42,583

Return of the astro-nut.

810

00:57:42,918 --> 00:57:47,421

Woody, we were wrong to leave Andy.

I was wrong.

811

00:57:47,756 --> 00:57:50,132

Jessie's right, Woody. She was wrong.

812

00:57:50,217 --> 00:57:53,469

No, no, it's my fault

for leaving you guys.

813

00:57:53,553 --> 00:57:55,805

From now on, we stick together.

814

00:57:55,889 --> 00:57:57,640

But Andy's leavin' for college.

815

00:57:57,724 --> 00:57:59,600

College? Hog-tie the mailman!

816

00:57:59,684 --> 00:58:02,311

We gotta get you home

before Andy leaves tomorrow!

817

00:58:02,395 --> 00:58:03,938

Tomorrow? But that means...

818

00:58:04,022 --> 00:58:06,023

It means

we're busting out of here, tonight.

819

00:58:06,107 --> 00:58:08,984

- What? Impossible!

- But there's no way out of here!

820

00:58:09,402 --> 00:58:11,403

No, there is one way out.

821

00:58:11,947 --> 00:58:12,947

One way.

822

00:58:15,492 --> 00:58:17,409

Okay, here's what we're gonna do.

823

00:58:23,083 --> 00:58:25,000

- Springy dog.

- Present.

824

00:58:25,585 --> 00:58:27,169

Green guys.

825

00:58:27,254 --> 00:58:29,380

- Cowgirl.

- Here.

826

00:58:29,798 --> 00:58:30,965

Horse.

827

00:58:32,092 --> 00:58:33,592

- Piggy bank.

- Y o.

828

00:58:34,177 --> 00:58:35,803

- Tyrannosaurus.

- Here.

829

00:58:36,513 --> 00:58:38,055

- Barbie.

- Here.

830

00:58:38,598 --> 00:58:40,015

Potato Head.

831

00:58:41,142 --> 00:58:42,560

Potato Head?

832

00:58:43,728 --> 00:58:46,480

Hey! Hey!

Tuberous root-man! Wake up!

833

00:58:47,482 --> 00:58:48,858

Impossible!

834

00:58:50,485 --> 00:58:51,527

Hey!

835

00:59:05,041 --> 00:59:06,917

Little late for a stroll, eh, Potato Head?

836

00:59:07,377 --> 00:59:09,587

That's Mr. Potato Head to you,
smoothie.

837

00:59:09,921 --> 00:59:13,340

Well, well, well. You're turning out to
be quite the troublemaker, aren't you?

838

00:59:13,466 --> 00:59:16,051

What did you think you were
gonna do? Waltz right out of here?

839

00:59:16,136 --> 00:59:17,386

Yeah, and I would 've got away
with it, too,

840

00:59:17,470 --> 00:59:19,054

if it weren't for you meddling toys!

841

00:59:19,139 --> 00:59:20,514

You ascot-wearing pink-noser!

842

00:59:20,891 --> 00:59:22,975

You're not a toy! You're an accessory!

843

00:59:23,059 --> 00:59:25,227

You're a purse with legs.

844

00:59:25,312 --> 00:59:26,645

Take him back to the box.

845

00:59:26,980 --> 00:59:31,066

No! No, not the box! I 'm sorry.

I didn't mean it! I like ascots.

846

00:59:31,401 --> 00:59:33,652

Really. No, no, no!

847

00:59:34,195 --> 00:59:35,237

Okay, check.

848

00:59:35,488 --> 00:59:39,408

Good work, Lightyear. All right,
resume your space-guy-thingy.

849

00:59:39,492 --> 00:59:41,869

Yes, sir, well-groomed man!

850

00:59:41,953 --> 00:59:44,079

Ken! Ken?

851

00:59:47,208 --> 00:59:48,542

What do you want?

852

00:59:48,627 --> 00:59:52,046

I can't take it here, Ken. I wanna go
to the Butterfly Room. With you!

853

00:59:52,130 --> 00:59:53,964

Yeah, well, you should 've
thought of that yesterday.

854

00:59:54,174 --> 00:59:55,424

I was wrong.

855

00:59:55,508 --> 00:59:58,636

I wanna be with you, Ken, I do.
In your Dream House.

856

00:59:58,720 --> 01:00:02,139

Please take me away from this!
Take me away!

857

01:00:03,558 --> 01:00:04,558

Darn it, Barbie!

858

01:00:05,101 --> 01:00:07,603

Okay, but things

are complicated around here.

859

01:00:07,687 --> 01:00:10,814

- You gotta do what I say.

- I will, Ken! I promise!

860

01:00:12,859 --> 01:00:15,653

Wait. I 'll do anything!

I 'll change your diapers!

861

01:01:02,659 --> 01:01:04,201

Go get the tape!

862

01:01:11,084 --> 01:01:13,585

And this is where the magic happens.

863

01:01:14,963 --> 01:01:16,296

Look at all your clothes!

864

01:01:16,381 --> 01:01:18,215

I can't believe

you never brought me up here!

865

01:01:18,591 --> 01:01:20,759

- Tennis whites? Mission to Mars!

- I know, I know, I know.

866

01:01:20,844 --> 01:01:22,553

Check this out! Kung fu fighting.

867

01:01:22,637 --> 01:01:25,806

Campus hero

with matching sports pennant, huh?

868

01:01:25,890 --> 01:01:28,475

Flower power! Oh, Ken!

869

01:01:29,936 --> 01:01:33,355

No one appreciates clothes

here, Barbie. No one.

870

01:01:34,107 --> 01:01:38,402

Ken, would you

model a few outfits for me?

871

01:01:38,945 --> 01:01:40,362

Just a few?

872

01:02:11,061 --> 01:02:12,144

Go get the key.

873

01:02:13,646 --> 01:02:14,772

Where is it, where is it?

874

01:02:14,856 --> 01:02:16,815

Where's the key?

Where's the key? Bingo!

875

01:02:27,494 --> 01:02:29,369

Hey! What do you think you're doing?

876

01:02:29,454 --> 01:02:32,372

I told you,
keep your hands off of my stuff!

877

01:02:32,749 --> 01:02:34,166

Make a move, porky!

878

01:02:35,293 --> 01:02:37,795

Hey, hey, hey! No fighting! Break it up!

879

01:02:40,006 --> 01:02:42,216

- Hey! Hey!

- Take that, walnut-brain.

880

01:02:42,300 --> 01:02:43,467

No wonder you're extinct.

881

01:02:44,260 --> 01:02:46,720

Hey, you can't hit each other.

That's my job!

882

01:02:50,642 --> 01:02:52,184

Help! Prison riot!

883

01:02:55,271 --> 01:02:56,814

Get the tortilla.

884

01:03:37,272 --> 01:03:38,772

- Ready?

- Ready.

885

01:03:46,739 --> 01:03:47,823

Barbie?

886

01:03:50,034 --> 01:03:52,703

No more games, Ken!

What did Lotso do to Buzz?

887

01:03:52,787 --> 01:03:54,037

And how do we switch him back?

888

01:03:54,122 --> 01:03:56,039

You can't make me talk. You can't!

889

01:03:57,750 --> 01:03:59,418

But I 'd like to see you try.

890

01:04:51,137 --> 01:04:53,889

Let's see. Hawaiian surf trunks.

891

01:04:54,891 --> 01:04:56,725

Barbie! Those were vintage!

892

01:04:56,809 --> 01:04:58,685

It's okay. All right, go ahead,
rip 'em, I don't care.

893

01:04:58,770 --> 01:05:00,229

They're a dime a dozen.

894

01:05:00,313 --> 01:05:01,647

Glitter tux.

895

01:05:03,274 --> 01:05:06,568

Who cares? Who cares?

Sequins are tacky. Who cares?

896

01:05:07,320 --> 01:05:08,862

A Nehru jacket.

897

01:05:09,239 --> 01:05:10,405

Barbie! Not the Nehru.

898

01:05:10,490 --> 01:05:13,242

This is from what, 1967?

899

01:05:13,326 --> 01:05:14,910

The groovy formal collection, yes!

900

01:05:15,203 --> 01:05:18,664

- What a shame.

- Oh, no, no, no! No!

901

01:05:18,998 --> 01:05:20,832

There's an instruction manual!

902

01:05:21,751 --> 01:05:24,294

Lotso switched Buzz to Demo mode!

903

01:05:25,463 --> 01:05:27,172

Where's that manual?

904

01:05:28,508 --> 01:05:31,260

I don't know why

this couldn't wait until morning, Ken,

905

01:05:31,886 --> 01:05:33,512

but here you go.

906

01:05:45,900 --> 01:05:48,151

What's takin' so doggone long?

907

01:05:52,407 --> 01:05:53,907

So how do we fix Buzz?

908

01:06:11,884 --> 01:06:13,302

What are you looking at, feathers?

909

01:06:15,555 --> 01:06:16,638

Hey!

910

01:06:22,228 --> 01:06:23,812

Yeah, fly away, you coward.

911

01:06:26,899 --> 01:06:28,900

Well, that's just great.

912

01:06:35,199 --> 01:06:36,491

Help! Prison riot!

913

01:06:36,826 --> 01:06:38,744

- Mayday! Mayday!

- Give it up. No one can hear you.

914

01:06:39,245 --> 01:06:42,247

- What?

- I said, "No one can hear you."

915

01:06:42,999 --> 01:06:45,250

- What?

- He said, "No one can..."

916

01:06:45,335 --> 01:06:46,960

Shush! Will you be quiet?

917

01:06:47,503 --> 01:06:48,587

Woody! You're back!

918

01:06:52,508 --> 01:06:53,800

Stop him! Don't let him get out!

919

01:06:53,885 --> 01:06:56,887

Star Command! I 've been
taken hostage by my own prisoners.

920

01:06:58,931 --> 01:07:00,724

Quick! Open his back.

There's a switch!

921

01:07:00,808 --> 01:07:02,392

Unhand me, Zurg scum!

922

01:07:02,643 --> 01:07:05,103

The Galactic Courts
will show you no mercy.

923

01:07:06,439 --> 01:07:08,690

It's not working. Why is it
not working? Where's the manual?

924

01:07:08,775 --> 01:07:11,360

Here we go! There should be
a little hole under the switch.

925

01:07:11,444 --> 01:07:14,071

- Little hole, got it!
- "To reset your Buzz Lightyear,

926

01:07:14,155 --> 01:07:16,239

- "insert paperclip..."
- Rex, use your finger!

927

01:07:16,324 --> 01:07:17,324

What?

928

01:07:18,117 --> 01:07:19,618

- Okay, now what?
- All right, let's see.

929

01:07:19,827 --> 01:07:22,954

"Caution. Do not hold button
for more than five seconds."

930

01:07:26,125 --> 01:07:27,459

It's not my fault!

931

01:07:37,178 --> 01:07:39,554

- Now what did you do?

- I just did what you told me!

932

01:07:47,480 --> 01:07:49,272

Amigos! We're all amigos.

933

01:07:56,823 --> 01:07:58,073

We gotta switch him back.

934

01:07:58,157 --> 01:08:01,243

- Well, how do we do that?

- I don't know. That part's in Spanish.

935

01:08:02,161 --> 01:08:04,037

We don't have time for this.

Come on, El Buzzo.

936

01:08:08,334 --> 01:08:09,835

Good luck, cowboy.

937

01:08:15,758 --> 01:08:17,134

Here they come.

938

01:08:19,512 --> 01:08:21,012

Come on, Buzz!

939

01:08:22,807 --> 01:08:24,266

What took you so long?

940

01:08:24,350 --> 01:08:26,601

Things got complicated.

Where's Potato Head?

941

01:08:26,686 --> 01:08:28,061

We haven't seen him.

942

01:08:30,523 --> 01:08:31,606

Buzz.

943

01:08:40,867 --> 01:08:42,200

Did you fix Buzz?

944

01:08:43,035 --> 01:08:44,494

- Sort of.

- Behind you.

945

01:08:44,829 --> 01:08:46,121

Someone's coming.

946

01:08:49,709 --> 01:08:52,627

You would not believe
what I 've been through tonight.

947

01:08:52,712 --> 01:08:54,462

Darling! Are you okay?

948

01:08:54,547 --> 01:08:57,048

I feel fresh. Healthy. It's terrible.

949

01:08:57,133 --> 01:09:00,260

You've lost weight. And so tall.

950

01:09:02,096 --> 01:09:04,389

You're a sight for detachable eyes.

951

01:09:09,937 --> 01:09:10,937

All clear.

952

01:09:14,609 --> 01:09:16,151

Come on. Come on.

953

01:09:18,279 --> 01:09:19,321

We're almost there.

954

01:09:24,076 --> 01:09:25,410

Back up. Back up!

955

01:09:32,084 --> 01:09:33,335

Come on.

956

01:10:51,580 --> 01:10:52,664

Woody!

957

01:10:54,834 --> 01:10:56,501

Come on. We're almost there.

958

01:11:05,428 --> 01:11:07,762

Buzz, come here. Give me a lift.

959

01:11:19,692 --> 01:11:21,484

Way to go, Buzz. Come on.

960

01:11:25,823 --> 01:11:28,950

- Is it safe?

- I guess I 'll find out.

961

01:11:35,374 --> 01:11:37,292

- Woody? You okay?

- Yeah.

962

01:11:37,877 --> 01:11:40,295

Come on down. But not all at once.

963

01:11:40,379 --> 01:11:42,255

- What did he say?

- I think he said, "All at once."

964

01:11:42,340 --> 01:11:43,631

No. No. No, no, no, no, no!

965

01:11:43,716 --> 01:11:45,133

- Geronimo!

- Look out!

966

01:11:48,888 --> 01:11:49,929

Thanks, Jess.

967

01:11:51,724 --> 01:11:52,724

Almost there, guys.

968

01:11:53,476 --> 01:11:55,393

Slink, you think you can make it?

969

01:11:55,478 --> 01:11:58,772

Well, I might be old,

but I still got a spring in my step.

970

01:12:01,150 --> 01:12:03,026

- He did it!

- All right, Slinkykins.

971

01:12:03,110 --> 01:12:04,819

Okay, climb across.

972

01:12:07,907 --> 01:12:09,282

You lost, little doggie?

973

01:12:13,245 --> 01:12:15,622

Well, well. Look who's back.

974

01:12:23,798 --> 01:12:25,256

I'm sorry, cowboy.

975

01:12:26,926 --> 01:12:28,218

They broke me.

976

01:12:28,302 --> 01:12:31,054

What are y'all doing?

Running back to your kid?

977

01:12:31,722 --> 01:12:33,765

He don't want you no more.

978

01:12:33,849 --> 01:12:35,058

- That's a lie.

- Is it?

979

01:12:35,601 --> 01:12:37,268

Tell me this, Sheriff.

980

01:12:37,353 --> 01:12:40,480

If your kid loves you so much,
why is he leaving?

981

01:12:40,940 --> 01:12:42,774

You think you're special, cowboy?

982

01:12:43,192 --> 01:12:47,445

You're a piece of plastic.

You were made to be thrown away.

983

01:12:48,948 --> 01:12:50,698

Speak of the devil.

984

01:12:56,539 --> 01:12:59,749

Now, we need toys

in our Caterpillar Room

985

01:12:59,834 --> 01:13:02,502

and you need to avoid that truck.

986

01:13:02,586 --> 01:13:06,464

Why don't you come on back,

join our family again?

987

01:13:06,549 --> 01:13:10,051

This isn't a family! It's a prison!

You're a liar and a bully!

988

01:13:10,511 --> 01:13:14,430

And I 'd rather rot in this dumpster

than join any family of yours!

989

01:13:14,557 --> 01:13:18,268

Jessie's right! Authority should derive
from the consent of the governed,

990

01:13:18,352 --> 01:13:19,644
not from the threat of force.

991

01:13:21,021 --> 01:13:22,939
If that's what you want.

992

01:13:24,859 --> 01:13:27,861
Barbie! Wait! Don't do this, Lotso.

993

01:13:27,987 --> 01:13:32,157
She's a Barbie doll, Ken.
There's a hundred million just like her.

994

01:13:33,075 --> 01:13:34,325
Not to me, there's not.

995

01:13:35,953 --> 01:13:38,496
Fine. Then why don't you join her!

996

01:13:41,542 --> 01:13:42,917

Oh, Ken!

997

01:13:43,002 --> 01:13:44,169

Everyone, listen!

998

01:13:44,253 --> 01:13:47,630

Sunnyside could be cool and groovy
if we treated each other fair.

999

01:13:48,132 --> 01:13:50,884

It's Lotso.

He's made us into a pyramid,

1000

01:13:50,968 --> 01:13:52,635

and he put himself on top!

1001

01:13:52,720 --> 01:13:54,721

Anyone concur with Ken?

1002

01:13:57,892 --> 01:14:00,602

I didn't throw you away. Your kid did.

1003

01:14:00,686 --> 01:14:03,271

Ain't one kid ever loved a toy, really.

1004

01:14:03,355 --> 01:14:05,273

Chew on that

when you're at the dump.

1005

01:14:05,357 --> 01:14:07,358

Wait! What about Daisy?

1006

01:14:09,612 --> 01:14:11,321

I don't know what you're talking about.

1007

01:14:11,405 --> 01:14:14,032

Daisy? You used to do

everything with her?

1008

01:14:14,116 --> 01:14:16,117

- Yeah? Then she threw us out.

- No.

1009

01:14:16,619 --> 01:14:18,953

- She lost you.
- She replaced us!

1010

01:14:19,038 --> 01:14:20,872

She replaced you.

1011

01:14:20,956 --> 01:14:22,790

And if you couldn't have her
then no one could.

1012

01:14:23,042 --> 01:14:25,460

You lied to Big Baby
and you've been lying ever since.

1013

01:14:26,879 --> 01:14:29,255

- Where'd you get that?
- She loved you, Lotso.

1014

01:14:29,340 --> 01:14:30,506

She never loved me.

1015

01:14:30,591 --> 01:14:32,467

As much as any kid ever loved a toy.

1016

01:14:36,805 --> 01:14:37,805

Mama.

1017

01:14:38,182 --> 01:14:40,683

What? You want your mommy back?

1018

01:14:40,768 --> 01:14:43,603

She never loved you.

Don't be such a baby!

1019

01:14:46,982 --> 01:14:48,316

Push 'em in. All of 'em!

1020

01:14:49,401 --> 01:14:52,403

This is what happens
when you dummies try to think.

1021

01:14:52,488 --> 01:14:57,116

We're all just trash, waiting to be
thrown away! That's all a toy is!

1022

01:14:58,869 --> 01:15:01,788

Hey, stop it! Put me down, you idiot!

1023

01:15:03,916 --> 01:15:06,417

No! No! Wait a minute! Big Baby, wait!

1024

01:15:09,463 --> 01:15:11,714

- He's gone!

- Holy cow.

1025

01:15:16,804 --> 01:15:18,054

Come on. Hurry!

1026

01:15:25,020 --> 01:15:26,062

For crying out loud!

1027

01:15:30,609 --> 01:15:31,609

Woody!

1028

01:15:36,156 --> 01:15:37,949

Oh, boy. Incoming!

1029

01:15:40,285 --> 01:15:41,369

Come on!

1030

01:15:42,830 --> 01:15:43,871

Barbie, no!

1031

01:15:48,460 --> 01:15:49,502

Woody!

1032

01:15:53,507 --> 01:15:54,632

No!

1033

01:15:59,096 --> 01:16:01,222

Can you hear me? Is everyone okay?

1034

01:16:01,306 --> 01:16:04,100

Of course not, you imbecile.

We're doomed!

1035

01:16:06,145 --> 01:16:07,603

Everyone, go to Buzz. Come on.

1036

01:16:10,107 --> 01:16:12,108

We all here? Slinky? Rex?

1037

01:16:16,405 --> 01:16:18,406

Against the wall, everybody. Quick!

1038

01:16:20,576 --> 01:16:21,576

Buzz!

1039

01:16:32,171 --> 01:16:33,171

They'll never make it!

1040

01:16:43,057 --> 01:16:44,098

Look out!

1041

01:16:48,854 --> 01:16:49,979

Buzz!

1042

01:16:56,945 --> 01:16:59,739

- Anyone see him?

- Over here, y'all. I found him.

1043

01:17:03,410 --> 01:17:04,994

Buzz, you okay?

1044

01:17:05,704 --> 01:17:08,164

Buzz! Buzz!

1045

01:17:18,634 --> 01:17:19,675

That wasn't me, was it?

1046

01:17:19,802 --> 01:17:23,805

Buzz, you're back! You're back,
you're back, you're back, you're back!

1047

01:17:23,889 --> 01:17:26,474

Yes, I 'm back. Where have I been?

1048

01:17:26,850 --> 01:17:28,810

Beyond infinity, Space Ranger.

1049

01:17:29,061 --> 01:17:32,063

Woody! So where are we now?

1050

01:17:32,314 --> 01:17:34,565

In a garbage truck

on the way to the dump!

1051

01:17:47,871 --> 01:17:49,872

Hold on, we're going in!

1052

01:18:05,389 --> 01:18:06,848

You got all your pieces?

1053

01:18:06,932 --> 01:18:08,516

The claw!

1054

01:18:09,309 --> 01:18:12,145

- My babies!

- Hey, guys! No! No!

1055

01:18:13,564 --> 01:18:14,605

No!

1056

01:18:21,280 --> 01:18:22,488

Hang on!

1057

01:18:35,627 --> 01:18:37,044

Woody! What do we do?

1058

01:18:37,129 --> 01:18:38,838

We'll be okay if we stay togeth...

1059

01:18:40,132 --> 01:18:41,757

- Woody!

- Slinky!

1060

01:18:43,302 --> 01:18:45,303

It's a magnet! Watch out!

1061

01:18:45,804 --> 01:18:48,181

Don't worry, Slink, we'll get you down.

1062

01:18:48,265 --> 01:18:49,932

You might wanna take a look at this.

1063

01:18:53,979 --> 01:18:55,521

Quick! Grab something metal!

1064

01:19:00,819 --> 01:19:02,195

You heard the guy.

1065

01:19:06,116 --> 01:19:07,825

It's not working!

1066

01:19:11,538 --> 01:19:14,707

Help! Help me. I 'm stuck!

1067

01:19:15,083 --> 01:19:17,585

Help, please! Help!

1068

01:19:18,337 --> 01:19:19,378

Woody!

1069

01:19:22,007 --> 01:19:23,674

- Thank you.

- Don't thank me yet.

1070

01:19:26,595 --> 01:19:27,595

Woody!

1071

01:19:37,397 --> 01:19:38,522

Go, go!

1072

01:19:44,529 --> 01:19:45,905

Thank you, Sheriff.

1073

01:19:45,989 --> 01:19:47,198

We're all in this together.

1074

01:19:47,491 --> 01:19:48,616

Right, guys?

1075

01:19:50,077 --> 01:19:51,118

Guys?

1076

01:19:51,370 --> 01:19:53,537

Woody! Down here!

1077

01:19:56,208 --> 01:19:58,209

- Woody!

- Oh, boy.

1078

01:20:00,295 --> 01:20:02,546

Woody, look. I can see daylight.

1079

01:20:02,631 --> 01:20:04,382

We're gonna be okay!

1080

01:20:05,259 --> 01:20:06,342

Hey!

1081

01:20:07,052 --> 01:20:08,678

I don't think that's daylight.

1082

01:20:14,893 --> 01:20:16,143

Run!

1083

01:20:32,786 --> 01:20:36,038

Sheriff! The button! Help me!

1084

01:20:36,123 --> 01:20:37,164

Come on!

1085

01:20:39,334 --> 01:20:41,377

Go. Go! Hit the button!

1086

01:20:48,969 --> 01:20:50,094

Hurry!

1087

01:20:53,348 --> 01:20:55,891

- Just push it! Push it!

- Push it!

1088

01:20:56,977 --> 01:20:59,353

Where's your kid now, Sheriff?

1089

01:20:59,896 --> 01:21:01,022

No. No!

1090

01:21:01,231 --> 01:21:02,273

Lotso!

1091

01:21:04,568 --> 01:21:05,735

No!

1092

01:21:22,919 --> 01:21:23,919

Rex!

1093

01:21:29,926 --> 01:21:32,094

Buzz! What do we do?

1094

01:22:52,509 --> 01:22:54,260

The claw.

1095

01:23:22,205 --> 01:23:25,082

You know all that bad stuff I said
about Andy's attic?

1096

01:23:25,167 --> 01:23:26,417

I take it all back.

1097

01:23:26,751 --> 01:23:28,502

- You're darn tootin'.

- You said it.

1098

01:23:34,885 --> 01:23:37,720

Oh, darling. You were so brave.

1099

01:23:39,222 --> 01:23:42,558

- You saved our lives.

- And we are eternally grateful.

1100

01:23:43,935 --> 01:23:45,227

My boys!

1101

01:23:45,312 --> 01:23:46,520

Daddy!

1102

01:23:46,980 --> 01:23:49,064

Hey! Where's that fur ball Lotso?

1103

01:23:49,149 --> 01:23:51,192

Yeah. I 'd like to loosen his stitchin'.

1104

01:23:51,443 --> 01:23:54,028

Forget it, guys. He's not worth it.

1105

01:24:03,413 --> 01:24:04,872

- Hey!

- What you got?

1106

01:24:04,956 --> 01:24:07,625

I had me one of these
when I was a kid.

1107

01:24:08,418 --> 01:24:09,877

Strawberries.

1108

01:24:13,924 --> 01:24:17,134

Hey, buddy. You might wanna
keep your mouth shut.

1109

01:24:23,266 --> 01:24:25,726

Come on, Woody.
We gotta get you home.

1110

01:24:25,810 --> 01:24:28,229

- That's right, college boy.
- Wait.

1111

01:24:29,105 --> 01:24:30,314

What about you guys? I mean,

1112

01:24:31,650 --> 01:24:33,984

maybe the attic's

not such a great idea.

1113

01:24:34,444 --> 01:24:39,073

- We're Andy's toys, Woody.

- We'll be there for him, together.

1114

01:24:40,825 --> 01:24:43,118

- I just hope he hasn't left yet.

- Wait a minute!

1115

01:24:43,203 --> 01:24:44,912

Wait, I 'll check!

1116

01:24:44,996 --> 01:24:48,958

Andy's still packing.

But he's almost done!

1117

01:24:49,042 --> 01:24:52,836

- He lives halfway across town.

- We'll never get there in time!

1118

01:25:08,603 --> 01:25:11,063

- Come on, Buster.

- Is that it, honey? You got everything?

1119

01:25:11,147 --> 01:25:12,815

Yeah. Just a few more boxes
in my room.

1120

01:25:12,899 --> 01:25:13,899

Okay. Come on.

1121

01:25:17,487 --> 01:25:18,696

That's enough. That's enough.

That's enough!

1122

01:25:18,780 --> 01:25:20,698

All right. Go. Go, go!

1123

01:25:29,124 --> 01:25:30,457

Okay. All clear.

1124

01:25:39,217 --> 01:25:40,759

There you are.

1125

01:25:46,891 --> 01:25:48,684

- There you go.

- Buzz.

1126

01:25:52,063 --> 01:25:56,108

- This isn't goodbye.

- Hey, Woody. Have fun at college.

1127

01:25:56,443 --> 01:25:58,068

Yeah, but not too much fun.

1128

01:25:59,612 --> 01:26:02,239

- Woody, take care of Andy.

- Yeah.

1129

01:26:02,324 --> 01:26:04,950

He's a good kid.

Tell him to get a haircut.

1130

01:26:05,785 --> 01:26:06,785

Sure thing.

1131

01:26:08,079 --> 01:26:10,873

Jessie, you'll be okay in the attic?

1132

01:26:11,291 --> 01:26:14,376

'Course I will. Besides, I know about

1133

01:26:14,461 --> 01:26:17,046

- Buzz's Spanish mode.

- My what?

1134

01:26:17,130 --> 01:26:18,714

Honey, you want some food
for the road?

1135

01:26:18,798 --> 01:26:19,882

I 'll get something on the way.

1136

01:26:21,843 --> 01:26:23,260

You know where to find us, cowboy.

1137

01:26:38,401 --> 01:26:39,777

Did you say goodbye to Molly?

1138

01:26:39,861 --> 01:26:42,488

Mom, we've said goodbye

like 10 times.

1139

01:26:46,201 --> 01:26:47,451

Andy.

1140

01:26:54,542 --> 01:26:56,668

Mom, it's okay.

1141

01:26:58,338 --> 01:27:00,297

I know. It's just...

1142

01:27:03,301 --> 01:27:05,761

I wish I could always be with you.

1143

01:27:08,014 --> 01:27:09,640

You will be, Mom.

1144

01:27:25,240 --> 01:27:27,157

Hey, aren't you gonna say goodbye
to Buster?

1145

01:27:27,242 --> 01:27:29,451

Of course I am. Who's a good doggy?

1146

01:27:29,536 --> 01:27:32,413

Who's a good doggy? I 'm gonna
miss you. I 'm gonna miss you.

1147

01:27:36,626 --> 01:27:40,170

- I 'm gonna miss you.

- Don't, Andy.

1148

01:27:41,756 --> 01:27:46,385

Good boy.

He's telling you to go already.

1149

01:27:46,469 --> 01:27:47,636

Come on. Get the rest of your things.

1150

01:27:48,012 --> 01:27:51,181

Okay, Buster.

Now don't let Molly near my stuff.

1151

01:27:57,730 --> 01:27:58,814

Hey.

1152

01:28:05,780 --> 01:28:09,741

Hey, Mom! So, you really think

I should donate these?

1153

01:28:10,118 --> 01:28:13,036

It's up to you, honey.

Whatever you wanna do.

1154

01:28:40,899 --> 01:28:43,734

"Don't go in there!

The bakery is haunted!"

1155

01:28:43,818 --> 01:28:47,112

"Are you crazy?

You'll wake up all the ghosts."

1156

01:28:47,197 --> 01:28:49,656

"Look out!

The ghosts are throwing pies!"

1157

01:28:52,118 --> 01:28:53,118

Mom.

1158

01:28:54,120 --> 01:28:55,496

- Andy?

- Hi.

1159

01:28:55,580 --> 01:28:57,372

Wow. Look at you.

1160

01:28:57,457 --> 01:28:59,333

Well, I hear you're off to college.

1161

01:28:59,417 --> 01:29:01,335

Yeah. Right now, actually.

1162

01:29:01,419 --> 01:29:03,545

So, what can we do for you?

1163

01:29:04,422 --> 01:29:05,839

I have some toys here.

1164

01:29:06,341 --> 01:29:07,925

You hear that, Bonnie?

1165

01:29:08,676 --> 01:29:10,469

So, you're Bonnie?

1166

01:29:11,638 --> 01:29:12,971

I 'm Andy.

1167

01:29:13,640 --> 01:29:16,767

Someone told me

you're really good with toys.

1168

01:29:17,393 --> 01:29:20,687

These are mine,

but I 'm going away now,

1169

01:29:21,648 --> 01:29:23,774

so I need someone really special

to play with them.

1170

01:29:32,075 --> 01:29:35,118

This is Jessie, the roughest,
toughest cowgirl in the whole West.

1171

01:29:35,787 --> 01:29:39,665

She loves critters, but none more
than her best pal, Bullseye.

1172

01:29:42,794 --> 01:29:43,794

Here.

1173

01:29:57,350 --> 01:30:02,062

This is Rex, the meanest, most
terrifying dinosaur who ever lived!

1174

01:30:07,986 --> 01:30:12,072

The Potato Heads. Mr. And Mrs.
You gotta keep 'em together,

1175

01:30:12,323 --> 01:30:14,324

'cause they're madly in love.

1176

01:30:14,784 --> 01:30:18,412

Now Slinky here is

as loyal as any dog you could want.

1177

01:30:18,496 --> 01:30:21,331

And Hamm,

he'll keep your money safe,

1178

01:30:21,791 --> 01:30:26,628

but he's also one of the most dastardly

villains of all time, evil Dr. Pork Chop.

1179

01:30:29,924 --> 01:30:32,843

These little dudes

are from a strange alien world.

1180

01:30:33,261 --> 01:30:34,594

Pizza Planet.

1181

01:30:36,264 --> 01:30:37,514

And this

1182

01:30:39,976 --> 01:30:43,312

is Buzz Lightyear, the coolest toy ever!

1183

01:30:43,688 --> 01:30:46,481

Look, he can fly and shoot lasers!

1184

01:30:47,025 --> 01:30:50,193

He's sworn to protect the galaxy
from the evil Emperor Zurg.

1185

01:30:52,113 --> 01:30:54,531

To infinity and beyond!

1186

01:30:55,867 --> 01:30:58,702

Now, you gotta promise
to take good care of these guys.

1187

01:31:00,872 --> 01:31:04,499

They mean a lot to me.

1188

01:31:10,381 --> 01:31:11,715

My cowboy!

1189

01:31:15,428 --> 01:31:17,763

Woody? What's he doing in there?

1190

01:31:18,890 --> 01:31:21,516

- "There's a snake in my boot."

- Wha?

1191

01:31:23,561 --> 01:31:25,687

There's a snake in my boot.

1192

01:31:39,869 --> 01:31:44,081

Now, Woody, he's been my pal
for as long as I can remember.

1193

01:31:45,375 --> 01:31:47,918

He's brave, like a cowboy should be.

1194

01:31:48,586 --> 01:31:49,961

And kind. And smart.

1195

01:31:51,589 --> 01:31:55,884

But the thing that makes Woody
special is he'll never give up on you.

1196

01:31:57,261 --> 01:31:58,387

Ever.

1197

01:31:59,263 --> 01:32:01,973

He'll be there for you, no matter what.

1198

01:32:05,812 --> 01:32:08,605

You think you can

take care of him for me?

1199

01:32:09,607 --> 01:32:10,732

Okay then.

1200

01:32:21,994 --> 01:32:25,539

Oh, no! Dr. Pork Chop's attacking

the haunted bakery!

1201

01:32:25,623 --> 01:32:28,333

The ghosts are getting away.

Woody'll stop 'em!

1202

01:32:28,418 --> 01:32:29,960

Buzz Lightyear to the rescue!

1203

01:32:31,087 --> 01:32:32,796

And we'll actually need the rocket.

1204

01:32:33,256 --> 01:32:35,799

They're getting away!

Come on, Bullseye!

1205

01:32:38,344 --> 01:32:41,888

We need to get in the spaceship.

The volcano is gonna erupt.

1206

01:32:41,973 --> 01:32:44,766

Look! They're being attacked

by a real dog!

1207

01:32:44,851 --> 01:32:46,226

You can eat my poisonous scones!

1208

01:32:46,310 --> 01:32:48,478

Mr. And Mrs. Potato Head

are in trouble.

1209

01:32:48,563 --> 01:32:50,105

Get on, Woody.

1210

01:32:51,941 --> 01:32:53,608

It's my friend Woody.

1211

01:32:54,444 --> 01:32:57,279

Buzz, hurry!

Get your extra turbo booster.

1212

01:33:24,724 --> 01:33:26,183

Thanks, guys.

1213

01:33:30,271 --> 01:33:32,772

Look, Mommy.

They're all playing together.

1214

01:33:32,857 --> 01:33:34,357

Come on. Let's get some lunch.

1215

01:33:48,539 --> 01:33:50,207

So long, partner.

1216

01:33:55,213 --> 01:33:58,590

Hey, Buzz. You haven't met

Bonnie's toys yet. Hey, come here.

1217

01:33:58,674 --> 01:34:01,384

You're gonna love them.

Buzz, this is Dolly.

1218

01:34:31,795 --> 01:34:33,206

New toys!

1219

01:34:45,684 --> 01:34:46,799

Noses.

1220

01:36:05,973 --> 01:36:10,267

"So I guess you could say

Sunnyside is sunny once again!

1221

01:36:10,394 --> 01:36:13,810

"Hope to hear from you soon. We're all

super excited about your new home.

1222

01:36:13,939 --> 01:36:16,477

"Hugs and kisses to everyone."

1223

01:36:18,402 --> 01:36:20,644

That Barbie has some
nice handwriting.

1224

01:36:21,363 --> 01:36:24,115

Buzz, Barbie didn't write this.

1225

01:36:26,702 --> 01:36:27,817

- Grab the sword!

- I got it!

1226

01:36:27,953 --> 01:36:29,068

- Okay, go for the...

- Triple bonus!

1227

01:36:29,204 --> 01:36:30,284

- Watch out!

- We got the cloak of darkness!

1228

01:36:30,414 --> 01:36:33,083

- Run, run!

- My arms are never long enough!

1229

01:36:33,209 --> 01:36:35,534

I'll do it! This is it! This is it!

1230

01:36:36,212 --> 01:36:37,754

- Yes!

- We did it!

1231

01:36:37,880 --> 01:36:39,789

High-five! Hold on.

1232

01:36:42,343 --> 01:36:45,297

Well, it's official.

You guys made the wall.

1233

01:36:45,429 --> 01:36:48,430

- Look at this!

- Golly bob howdy! That's me!

1234

01:36:48,557 --> 01:36:51,843

We're all up here!

Hey, Chuckles, lookin' good.

1235

01:36:51,977 --> 01:36:54,219

Yeah, she really got your smile.

1236

01:37:01,612 --> 01:37:02,987

What the...

1237

01:37:04,907 --> 01:37:07,694

I told you kids! Stay out of my butt!

1238

01:37:08,786 --> 01:37:12,202

But soft, what light

through yonder window breaks?

1239

01:37:12,581 --> 01:37:15,867

Romeo, o Romeo,

wherefore art thou Romeo?

1240

01:37:16,502 --> 01:37:18,542

Next season, we're doing Cats.

1241

01:37:18,671 --> 01:37:21,244

Or might I suggest Hamlet?

1242

01:37:22,341 --> 01:37:25,212

Yeah. Detached wing.

Cosmetic damage.

1243

01:37:25,594 --> 01:37:27,883

Nothing a little duct tape can't fix.

1244

01:37:38,691 --> 01:37:40,767

I don't know what came over me.

1245

01:37:42,111 --> 01:37:43,771

Just go with it, Buzz.
