

Dialogues from Whiskey Tango Foxtrot to improve the vocabulary in English

1

00:01:04,800 --> 00:01:06,450

That was a bomb.

2

00:01:11,680 --> 00:01:14,650

No word as to whether it was an IED
or a specific car bomb.

3

00:01:15,960 --> 00:01:17,900

Over 10 fatalities reported.

4

00:01:18,000 --> 00:01:23,086

Sources within ISAF suggest
that ISI may be involved.

5

00:01:23,200 --> 00:01:26,761

Did these phones just go down
or did that fucker hang up on me?

6

00:01:29,160 --> 00:01:32,243

Good thing that X was bodgy
or I'd be flying right now!

7

00:01:38,520 --> 00:01:40,124

I can't hear you, honey.

8

00:01:41,320 --> 00:01:43,209

I need to talk to Ed Faber.

9

00:01:44,640 --> 00:01:47,980

Well, then who is fronting the show?

10

00:01:48,080 --> 00:01:49,420

I can't hear you!

11

00:01:49,520 --> 00:01:52,364

Hey, that's my ass! Do you have a mother?

12

00:01:52,640 --> 00:01:54,340

Don't put your ass on my hand!

13

00:01:54,440 --> 00:01:56,700

Shut up, donkey pussy!

14

00:01:56,800 --> 00:01:58,404

Whore! Dog-washer!

15

00:01:58,520 --> 00:01:59,780

My cock in your ear!

16

00:01:59,880 --> 00:02:01,180

My cock in your ear! I shit on your lips!

17

00:02:01,280 --> 00:02:02,820

Eat a fart!

18

00:02:02,920 --> 00:02:04,100

Hello!

19

00:02:04,200 --> 00:02:05,201

Fu...

20

00:02:19,760 --> 00:02:23,460

Listen up. Iraq Two is happening.

21

00:02:23,560 --> 00:02:26,380

The network is stretched thin.

All our talent is going there.

22

00:02:26,480 --> 00:02:29,802

We need people, any people,
to fill the void in Afghanistan.

23

00:02:29,920 --> 00:02:34,968

And you folks here are all the unmarried,
childless personnel in this bureau.

24

00:02:40,520 --> 00:02:43,140

For those of you who are
behind the scenes, there are

25

00:02:43,240 --> 00:02:46,340

opportunities to be on camera.

26

00:02:46,440 --> 00:02:49,500

Kim, are you going to be joining in?

27

00:02:49,600 --> 00:02:51,762

The travel or the crying?

28

00:02:52,680 --> 00:02:55,140

Hopefully, the travel.

29

00:02:55,240 --> 00:02:56,860

I'll think about it.

30

00:02:56,960 --> 00:03:01,700

The success of Operation Mongoose has
overshadowed the real lesson to be learned,

31

00:03:01,800 --> 00:03:05,009

that the Taliban are far from vanquished.

32

00:03:05,120 --> 00:03:07,820

And as the drums of war
beat ever louder in Iraq,

33

00:03:07,920 --> 00:03:12,323

the NATO mission in Afghanistan
grows increasingly uncertain.

34

00:03:16,400 --> 00:03:19,220

Tanya Vanderpoel, outside
Lashkar Gah, Afghanistan,

35

00:03:19,320 --> 00:03:20,970

VBC World News.

36

00:03:23,960 --> 00:03:24,961

Hey.

37

00:03:25,440 --> 00:03:27,300

I got you! Hey.

38

00:03:27,400 --> 00:03:29,980

When do you get back from Houston?

39

00:03:30,080 --> 00:03:32,321

I think on Tuesday. Why?

40

00:03:32,440 --> 00:03:36,500

Because I'm going
to Afghanistan on Tuesday.

41

00:03:36,600 --> 00:03:39,540

You're going to Afghanistan on Tuesday?

42

00:03:39,640 --> 00:03:40,860

Yeah.

43

00:03:40,960 --> 00:03:42,820

But you write news copy.

44

00:03:42,920 --> 00:03:44,340

Wait. For how long?

45

00:03:44,440 --> 00:03:47,330

- Like, three months.

- What?

46

00:03:53,160 --> 00:03:54,321

Kim!

47

00:03:56,000 --> 00:03:57,161

Hey!

48

00:03:58,640 --> 00:04:00,404

I can't believe this worked out!

49

00:04:01,160 --> 00:04:03,845

Hey, you want to have a quickie
on the changing table in the bathroom?

50

00:04:04,320 --> 00:04:07,324

Yeah, I don't think I could get it up
with that little koala looking at me.

51

00:04:09,000 --> 00:04:10,580

Also, they're boarding already.

52

00:04:10,680 --> 00:04:12,220

Hey, don't worry. Just go. Go, go, go.

53

00:04:12,320 --> 00:04:15,620

Shoot, I... I copied a key for you, so...

54

00:04:15,720 --> 00:04:16,881

Plants, mail.

55

00:04:17,000 --> 00:04:18,764

- Anything else I'm forgetting?

- I think that's it.

56

00:04:19,640 --> 00:04:20,580

This is crazy.

57

00:04:20,680 --> 00:04:22,460

Listen, I think it's impressive.

58

00:04:22,560 --> 00:04:23,780

Start a new career?

59

00:04:23,880 --> 00:04:25,260

It's gonna be great.

60

00:04:25,360 --> 00:04:27,900

And listen, in three months...

61

00:04:28,000 --> 00:04:29,340

"I'll be back."

62

00:04:29,440 --> 00:04:30,740

No, that's terrible! No.

63

00:04:30,840 --> 00:04:32,808

Don't remember me like that. No.

64

00:04:34,080 --> 00:04:36,048

Bye. Okay. Okay.

65

00:04:39,480 --> 00:04:41,260

It's not my job. I'm a producer.

66

00:04:41,360 --> 00:04:42,820

General news. Enron.

67

00:04:42,920 --> 00:04:45,940

These coalminers in Pennsylvania,

but you probably didn't see that.

68

00:04:46,040 --> 00:04:50,100

'Cause we got two wars going on now,
so, I know how to set up a BGAN

69

00:04:50,200 --> 00:04:51,860

and no one will sue if I die

70

00:04:51,960 --> 00:04:55,780

so I got an expedited visa,
like, two days ago,

71

00:04:55,880 --> 00:04:58,724

and I guess now I'm a war reporter.

72

00:05:00,720 --> 00:05:02,529

Shit dick!

73

00:05:03,920 --> 00:05:05,251

Corkscrew landing.

74

00:05:05,360 --> 00:05:08,443

In case a missile is fired
at the aircraft!

75

00:05:10,760 --> 00:05:13,764

Kabul International Airport.

76

00:05:13,880 --> 00:05:16,281

K. I.A.! "Killed In Action."

77

00:05:17,200 --> 00:05:20,283

Once again,
we thank you for flying with us.

78

00:05:30,920 --> 00:05:31,967

Sorry.

79

00:05:32,600 --> 00:05:33,806

Sorry.

80

00:05:34,400 --> 00:05:35,481

Shit.

81

00:05:38,640 --> 00:05:40,847

No, thank you. No, thank you.

82

00:05:43,760 --> 00:05:44,921

Miss Baker?

83

00:05:45,760 --> 00:05:47,091

I am Fahim.

84

00:05:48,080 --> 00:05:50,500

Fahim, hi! Pleased to meet you.

85

00:05:50,600 --> 00:05:52,170

The car is over here and we go.

86

00:05:52,960 --> 00:05:55,361

Cover your head, shameless whore!

87

00:05:55,680 --> 00:05:58,445

She says... "Welcome to Afghanistan."

88

00:05:59,120 --> 00:06:00,340

Okay, let's go.

89

00:06:00,440 --> 00:06:03,620

Here is your local mobile.

The number is on the back.

90

00:06:03,720 --> 00:06:05,500

Yeah, I ordered some money

last week. Still in the post.

91

00:06:05,600 --> 00:06:07,284

- I'll fix you up next week.

- Okay.

92

00:06:08,600 --> 00:06:11,171

Yes, the air here

takes some getting used to.

93

00:06:11,280 --> 00:06:13,100

It's quite polluted with feces.

94

00:06:13,200 --> 00:06:15,340

Here she is! How are you, Kim?

95

00:06:15,440 --> 00:06:17,363

Welcome to the Stan. My name's Nic.

96

00:06:17,480 --> 00:06:18,860

I'll be doing your security.

I'll take your bag.

97

00:06:18,960 --> 00:06:21,611

Fahim. The police are giving
me shit for parking here.

98

00:06:21,960 --> 00:06:23,860

They just want money.

99

00:06:23,960 --> 00:06:28,020

Wait, oh, no. Do you need money?

Because the network gave me money.

100

00:06:28,120 --> 00:06:30,282

- No, keep that on you!

- No, no, no! Kim, please!

101

00:06:36,480 --> 00:06:38,608

Piss off, that's it! That's it! Hey! Hey!

102

00:06:39,520 --> 00:06:41,682

- I'm sorry. Sorry.

- Piss off!

103

00:06:54,720 --> 00:06:56,780

Remember that we are at altitude here,

104

00:06:56,880 --> 00:06:59,140

so drink plenty of water

while you acclimatize.

105

00:06:59,240 --> 00:07:00,900

Where did you learn English?

106

00:07:01,000 --> 00:07:03,367

At medical school. I was a doctor.

107

00:07:03,760 --> 00:07:05,620

Listen, rest up tonight.

108

00:07:05,720 --> 00:07:08,166

Tomorrow, I'll drive you
to the base for your embed.

109

00:07:09,160 --> 00:07:12,369

And just one bag, but make sure
you pack extra socks and knickers.

110

00:07:12,640 --> 00:07:15,530

That's like, it's like "panties," yeah?

111

00:07:18,640 --> 00:07:20,780

So, you've been embedded before, then?

112

00:07:20,880 --> 00:07:24,260

Not really. We all did
hostile-zone training in 2001.

113

00:07:24,360 --> 00:07:27,409

They taught us to open our
mouths if we get mortared...

114

00:07:27,880 --> 00:07:29,450

That kind of stuff.

115

00:07:29,960 --> 00:07:31,450

Okay.

116

00:07:41,240 --> 00:07:42,446

G'day, Qadar.

117

00:07:54,960 --> 00:07:57,566

The feces smell all the way to here.

118

00:08:04,320 --> 00:08:06,322

Your room, Kim, is upstairs.

119

00:08:12,000 --> 00:08:13,380

Yeah, they're bloody addicted.

120

00:08:13,480 --> 00:08:15,660

That one melted a laptop
downloading porno.

121

00:08:15,760 --> 00:08:19,780

Jaweed, yes, he likes
to watch men with donkeys.

122

00:08:19,880 --> 00:08:21,405

- Hi.

- Hi.

123

00:08:21,520 --> 00:08:23,329

It's unfortunate.

124

00:08:23,440 --> 00:08:25,602

Kim, this is Tall Brian.

125

00:08:25,720 --> 00:08:26,860

Brian Hooper. Tall Brian.

126

00:08:26,960 --> 00:08:27,980

- Hi.

- I'm your shooter.

127

00:08:28,080 --> 00:08:31,971

So, is there another Brian around here
somewhere that you're taller than?

128

00:08:32,840 --> 00:08:34,604

Short Brian. Works for Reuters.

129

00:08:34,960 --> 00:08:37,167

Couldn't one of you just be "Brian"?

130

00:08:37,960 --> 00:08:40,260

Fair enough. Didn't think of that.

131

00:08:40,360 --> 00:08:41,930

Also Short Brian's dead.

132

00:08:42,400 --> 00:08:44,801

- Fuck. Really?

- Yes.

133

00:08:45,720 --> 00:08:48,564

Anyway, welcome to the Fun House.

134

00:08:56,040 --> 00:08:57,530

Home sweet home.

135

00:08:58,680 --> 00:09:00,170

This is your room.

136

00:09:02,640 --> 00:09:04,130

Is there a shower?

137

00:09:33,520 --> 00:09:38,050

A nation accustomed to war
once again seeks a return to normality.

138

00:09:38,720 --> 00:09:42,361

And nothing symbolizes that
effort more than this place,

139

00:09:43,200 --> 00:09:44,780

the Kabul Zoo.

140

00:09:44,880 --> 00:09:46,660

No, he didn't. The zoo?

141

00:09:46,760 --> 00:09:49,491

- Go back to Wapping.

- You fucking tourist!

142

00:09:51,120 --> 00:09:53,460

Shit. Sorry.

I'm trying to find the shower?

143

00:09:53,560 --> 00:09:54,891

You're the new girl.

144

00:09:55,520 --> 00:09:58,126

My God. Kim Baker.

145

00:09:58,240 --> 00:10:00,004

Just got here from New York.

146

00:10:00,120 --> 00:10:04,180

I'm Tanya. Oh, my God, it's so nice
to have another woman in the house!

147

00:10:04,280 --> 00:10:06,540

I love that lippy color. What is that?

148

00:10:06,640 --> 00:10:07,940

No, they're just really chapped.

149

00:10:08,040 --> 00:10:11,100

You poor thing. Can I get you anything?

150

00:10:11,200 --> 00:10:15,140

I'm sorry, I'm freaking out

because I saw your

151

00:10:15,240 --> 00:10:18,562

special about your embed in

Korengal, and it was amazing.

152

00:10:18,680 --> 00:10:20,900

Thank you. That's so sweet.

153

00:10:21,000 --> 00:10:23,401

- Where's the shower?

- Yes. This way.

154

00:10:24,920 --> 00:10:27,048

Can I ask a favor, Kim?

155

00:10:27,160 --> 00:10:29,420

- And absolutely feel free to say no.

- Yeah, sure.

156

00:10:29,520 --> 00:10:30,700

I hate to even bring it up.

157

00:10:30,800 --> 00:10:33,140

- I feel so rude even asking this.

- No, it's fine.

158

00:10:33,240 --> 00:10:35,811

Can I fuck your security guys?

159

00:10:36,080 --> 00:10:37,923

What?

160

00:10:38,840 --> 00:10:40,500

By all means, yeah.

161

00:10:40,600 --> 00:10:43,580

Yeah? I mean, I wouldn't ask,
it's just that for some reason,

162

00:10:43,680 --> 00:10:45,820

the VBC use an American contractor

163

00:10:45,920 --> 00:10:49,780

and, I mean, no offense, but they're
all, like, goatees and "fat-strong".

164

00:10:49,880 --> 00:10:52,220

You know? But the Aussies
and Kiwis are so hot.

165

00:10:52,320 --> 00:10:54,300

Right. I get it. Be my guest.

166

00:10:54,400 --> 00:10:56,020

You sure?

Don't just say that to be polite.

167

00:10:56,120 --> 00:10:57,340

No, I wouldn't. I'm not.

168

00:10:57,440 --> 00:10:59,647

Even Nic? You don't want Nic for yourself?

169

00:10:59,760 --> 00:11:01,300

Nic?

170

00:11:01,400 --> 00:11:03,926

No. I don't. No.

171

00:11:04,040 --> 00:11:06,260

That's... No, that would never happen.

So you're good.

172

00:11:06,360 --> 00:11:10,100

Hey! No, Kim, don't say that.

You could have Nic.

173

00:11:10,200 --> 00:11:13,283

In Afghanistan,
you're a serious piece of ass.

174

00:11:13,400 --> 00:11:14,940

Thank you. That's nice.

175

00:11:15,040 --> 00:11:19,564

Because you're what, I mean, you're like,
a seven, a six or seven in New York?

176

00:11:19,760 --> 00:11:22,300

Here, you're a nine.

177

00:11:22,400 --> 00:11:24,420

Borderline ten.

178

00:11:24,520 --> 00:11:26,124

It's called "Kabul Cute."

179

00:11:27,920 --> 00:11:29,809

What are you here, like a 15?

180

00:11:31,560 --> 00:11:32,607

Yeah.

181

00:11:35,480 --> 00:11:37,940

The thing is, I have a very
serious boyfriend at home,

182

00:11:38,040 --> 00:11:39,540

so, you're good.

183

00:11:39,640 --> 00:11:40,940

All right, well, come talk
to me in two months

184

00:11:41,040 --> 00:11:43,725

when your pussy's eating your leg.
Shower's that way.

185

00:11:53,600 --> 00:11:54,900

How you doing?

186

00:11:55,000 --> 00:11:57,526

It's bananas here. It's...

187

00:11:58,720 --> 00:12:01,300

My nose is running.

There's shit in the air,

188

00:12:01,400 --> 00:12:02,740

literally.

189

00:12:02,840 --> 00:12:04,001

And

190

00:12:04,680 --> 00:12:06,648

I don't think I can do this.

191

00:12:06,760 --> 00:12:08,205

Do what?

192

00:12:08,680 --> 00:12:09,681

Kim?

193

00:12:10,880 --> 00:12:12,460

I don't think I can do this.

194

00:12:12,560 --> 00:12:14,562

Can you see... I don't... Hello?

195

00:12:15,720 --> 00:12:16,721

Shit.

196

00:12:31,840 --> 00:12:35,860

I'm sorry, Colonel,

I can't accept gifts as a journalist.

197

00:12:35,960 --> 00:12:37,140

Okay.

198

00:12:37,240 --> 00:12:41,460

So lodging, transport, chow

and protection, that's all you can accept?

199

00:12:41,560 --> 00:12:43,220

I'll do my best to stay objective.

200

00:12:43,320 --> 00:12:46,369

I don't care if you can do your job.

I care if my men can.

201

00:12:46,640 --> 00:12:49,689

Are you familiar with the term
"four-ten-four", Miss Baker?

202

00:12:49,840 --> 00:12:51,205

I am not, Colonel.

203

00:12:51,360 --> 00:12:56,020

It refers to women who are fours back
home become tens when they ship out

204

00:12:56,120 --> 00:12:59,044

and when they're back stateside,
they become fours again.

205

00:12:59,360 --> 00:13:00,566

Are you saying I'm a four?

206

00:13:00,920 --> 00:13:04,402

I'm saying you carry

an orange fucking backpack.

207

00:13:05,520 --> 00:13:09,300

I've seen people with actual experience
make bad decisions here.

208

00:13:09,400 --> 00:13:12,020

So while you're outside
the wire with my men,

209

00:13:12,120 --> 00:13:14,487

you will in no way
distract them, understood?

210

00:13:15,720 --> 00:13:17,900

Are you asking me not
to sleep with your soldiers?

211

00:13:18,000 --> 00:13:20,207

No, not "soldiers". Marines.

212

00:13:20,320 --> 00:13:24,769

You're not here to sleep with or perform

jobs of any type on my Marines.

213

00:13:24,880 --> 00:13:26,291

Clear copy, Miss Baker?

214

00:13:27,200 --> 00:13:28,850

- Copy that.

- Good.

215

00:13:29,240 --> 00:13:31,971

We'll get you out to a FOB

as soon as we find a ride for you.

216

00:13:32,080 --> 00:13:35,243

In the meantime, Captain Stern here

will see to it that you get a wet hootch.

217

00:13:36,240 --> 00:13:37,241

A what?

218

00:13:37,680 --> 00:13:39,250

It's a tent with a shower.

219

00:13:40,560 --> 00:13:42,580

Unless you'd prefer a dry hootch.

220

00:13:42,680 --> 00:13:44,170

I would not, sir.

221

00:14:43,400 --> 00:14:44,561

Sorry.

222

00:14:45,480 --> 00:14:47,926

Could you just...

State your name and rank?

223

00:14:48,320 --> 00:14:50,300

Gunnery Sergeant Clinton J. Hurd.

224

00:14:50,400 --> 00:14:52,940

All right. Dang it!

225

00:14:53,040 --> 00:14:57,409

So, do you believe the Afghani people
are happy about our presence here?

226

00:14:57,640 --> 00:14:59,380

No, Afghans are the people.

227

00:14:59,480 --> 00:15:02,700

Afghanis is the currency.

228

00:15:02,800 --> 00:15:04,580

That's right. I knew that. Thank you.

229

00:15:04,680 --> 00:15:06,728

What do you believe
your mission to be here?

230

00:15:06,840 --> 00:15:08,140

Ma'am, you got a sticker on your pants.

231

00:15:08,240 --> 00:15:10,322

It's bugging the shit out of me. Ma'am...

232

00:15:11,440 --> 00:15:12,380

Fahim.

233

00:15:12,480 --> 00:15:14,300

What inspired you to enlist originally?

234

00:15:14,400 --> 00:15:19,140

I'm a big fan of the movie Predator
with Arnold Schwarzenegger.

235

00:15:19,240 --> 00:15:20,651

We're the same height.

236

00:15:21,320 --> 00:15:24,740

Do you think the war in Iraq
has affected your resources here?

237

00:15:24,840 --> 00:15:27,605

I'm sorry, ma'am, I'm not authorized
to answer that question.

238

00:15:29,160 --> 00:15:32,460

I'd say we're both on the
wrong side of Persia, ma'am.

239

00:15:32,560 --> 00:15:33,900

Iraq is where you get some right now.

240

00:15:34,000 --> 00:15:35,180

Here just has shit all.

241

00:15:35,280 --> 00:15:37,860

Are you guys getting
outside the wire much?

242

00:15:37,960 --> 00:15:40,020

Yes, ma'am. Most days.

243

00:15:40,120 --> 00:15:42,740

You know, we help out with
community projects and all.

244

00:15:42,840 --> 00:15:45,002

And wells.

245

00:15:45,520 --> 00:15:48,460

And sometimes at night

we shoot the big gun,

246

00:15:48,560 --> 00:15:50,608

- but, you know, it's quiet here.

- Jesus!

247

00:15:50,720 --> 00:15:53,100

We don't wear IBAs on the FOB.

248

00:15:53,200 --> 00:15:56,100

I don't even chamber a round
in my weapon anymore, because,

249

00:15:56,200 --> 00:15:59,860

you know, I figure accidental discharge
is scarier than the Taliban.

250

00:15:59,960 --> 00:16:03,460

With Iraq, do you feel like people
have forgotten about Afghanistan?

251

00:16:03,560 --> 00:16:05,180

Well...

252

00:16:05,280 --> 00:16:08,124

Yes, ma'am. I'd say that
surely is the word for it.

253

00:16:09,640 --> 00:16:11,780

This here's a forgotten war.

254

00:16:11,880 --> 00:16:14,486

It's capital F, capital W.

255

00:16:14,640 --> 00:16:17,325

What's your... Your name and rank?

256

00:16:18,200 --> 00:16:21,807

I'm Lance Corporal Coughlin,
India Company 3-5.

257

00:16:23,480 --> 00:16:24,481

Thank you.

258

00:16:31,320 --> 00:16:33,322

Kim. Your hair.

259

00:16:35,760 --> 00:16:37,285

Thanks, Fahim.

260

00:16:38,760 --> 00:16:40,410

You really are a fixer.

261

00:16:45,240 --> 00:16:46,685

Moon's out.

262

00:16:49,840 --> 00:16:51,001

It's beautiful.

263

00:16:59,000 --> 00:17:00,411

Suck my dick!

264

00:17:01,760 --> 00:17:02,820

What does that mean?

265

00:17:02,920 --> 00:17:06,288

It means, "What a terrible event!"

266

00:17:06,400 --> 00:17:07,420

Miss Baker.

267

00:17:07,520 --> 00:17:10,940

Colonel Hollanek is coming to Norton
tomorrow to check on some of our PRT work.

268

00:17:11,040 --> 00:17:13,100

And you and your crew
are clear to tag along.

269

00:17:13,200 --> 00:17:15,885

- Great, thanks.

- Rolls out at zero-six.

270

00:17:16,960 --> 00:17:18,962

- That's 6:00 a.m.

- I know that, yeah.

271

00:17:20,120 --> 00:17:21,201

Fire!

272

00:17:23,000 --> 00:17:25,321

Come on, let's go!

Get this shit together! We gotta move!

273

00:17:25,440 --> 00:17:27,180

Fucking hands out of your pockets!

274

00:17:27,280 --> 00:17:28,805

You think you're in the fucking Army?

275

00:17:32,160 --> 00:17:33,207

What is this?

276

00:17:33,320 --> 00:17:34,860

That's my supplies. Camera stuff.

277

00:17:34,960 --> 00:17:36,700

You fucking kidding me?

278

00:17:36,800 --> 00:17:40,740

This is an orange ruck.

No, ma'am. Not on my vehicle.

279

00:17:40,840 --> 00:17:44,260

The girl at the North Face store
said it was, like, military grade.

280

00:17:44,360 --> 00:17:46,940

Well, where are you gonna hide it?
Inside a fucking sunset?

281

00:17:47,040 --> 00:17:50,380

I mean, even the Dutch Army
don't wear orange.

282

00:17:50,480 --> 00:17:51,845

Fix it.

283

00:17:52,720 --> 00:17:54,580

How do I fix it?

284

00:17:54,680 --> 00:17:55,886

Rapono!

285

00:18:12,800 --> 00:18:14,420

Got to stay hydrated, ma'am.

286

00:18:14,520 --> 00:18:16,727

Coughlin. I didn't recognize you.

287

00:18:17,040 --> 00:18:19,340

That's 'cause I'm in warrior mode.

288

00:18:19,440 --> 00:18:21,204

It makes me taller.

289

00:18:22,840 --> 00:18:24,842

Enjoy the ride, ma'am.

290

00:18:49,720 --> 00:18:51,740

I'm dying to know who blew up my well.

291

00:18:51,840 --> 00:18:53,171

Working on it, Colonel.

292

00:18:54,400 --> 00:18:56,289

That was a nice fucking well, Corporal.

293

00:19:01,040 --> 00:19:02,041

What'd he say?

294

00:19:06,600 --> 00:19:08,060

What's that mean?

295

00:19:08,160 --> 00:19:10,083

He wants to know if you are the Russians.

296

00:19:11,680 --> 00:19:13,091

The Russians?

297

00:19:14,200 --> 00:19:15,804

No!

298

00:19:15,920 --> 00:19:18,300

No, sir. That was 20 years ago.

299

00:19:18,400 --> 00:19:19,765

And we're here to help.

300

00:19:22,080 --> 00:19:23,809

And I'm black.

301

00:19:26,160 --> 00:19:28,766

The Russians are blacks now.

302

00:19:32,120 --> 00:19:34,646

If we fix the well, you can't blow it up.

303

00:19:36,440 --> 00:19:38,980

Kim, I was talking to some
of the younger men.

304

00:19:39,080 --> 00:19:41,340

They say the Taliban came at night.

305

00:19:41,440 --> 00:19:43,761

I don't care. No. I drank
too much water and I have to pee.

306

00:19:43,920 --> 00:19:46,764

Stop. Stop. I am engaged to be married.

307

00:19:47,240 --> 00:19:50,020

Okay, Fahim,

I know you like your women to be, like,

308

00:19:50,120 --> 00:19:52,380

beautiful, mysterious IKEA bags, okay?

309

00:19:52,480 --> 00:19:55,563

But we urinate, Doctor.

Out of our vaginas.

310

00:19:57,080 --> 00:19:58,540

You think you urinate out the...

311

00:19:58,640 --> 00:20:00,020

No. I know it's a separate thing!

312

00:20:00,120 --> 00:20:01,340

God! Just please help me.

313

00:20:01,440 --> 00:20:03,260

There is nowhere for you to go.

314

00:20:03,360 --> 00:20:05,060

I cannot ask these men about this.

315

00:20:05,160 --> 00:20:06,700

And I'm not allowed to talk to the women.

316

00:20:06,800 --> 00:20:09,963

Fine. Forget it. I'll hold it.

Women are tough, right?

317

00:20:19,080 --> 00:20:20,366

Are you okay, ma'am?

318

00:20:22,120 --> 00:20:23,849

Gosh, damn it, man. This is a new one.

319

00:20:24,600 --> 00:20:27,729

I was cursing your name at 0-stupid-30,
but I'm glad I came out today.

320

00:20:29,240 --> 00:20:31,740

Would you not have gone
on patrol today if I weren't here?

321

00:20:31,840 --> 00:20:33,842

No, I'd be back in Norton filling HESCOs.

322

00:20:34,160 --> 00:20:35,140

Copy that.

323

00:20:35,240 --> 00:20:38,260

We're still 5 mikes.

It must be one hairy dump.

324

00:20:38,360 --> 00:20:40,647

No, I'm just getting my pants on.

Damn it, Sergeant Hurd.

325

00:20:40,760 --> 00:20:41,980

Whatever.

326

00:20:42,080 --> 00:20:44,300

- Sorry. Sorry. Sorry. Sorry.

- Marine!

327

00:20:44,400 --> 00:20:46,084

Make a hole, Baker.

328

00:20:52,240 --> 00:20:53,605

Move out!

329

00:21:24,160 --> 00:21:25,660

Why are we stopping?

330

00:21:25,760 --> 00:21:27,380

The lead vehicle bottomed out.

331

00:21:27,480 --> 00:21:30,450

Okay! Heads on a swivel!

332

00:21:31,440 --> 00:21:33,044

Didn't we come this way?

333

00:21:33,640 --> 00:21:35,483

We most surely did.

334

00:21:39,400 --> 00:21:41,562

- Contact left!

- Stay in the vehicle!

335

00:21:44,840 --> 00:21:48,367

Shit! Hot! Hot bullet things!

336

00:21:52,760 --> 00:21:55,604

Kim, don't get out of the car! Kim!

337

00:22:02,040 --> 00:22:04,460

Get down behind the engine block!

338

00:22:04,560 --> 00:22:06,369

Stay there! Stay there!

339

00:22:08,040 --> 00:22:09,140

Kim.

340

00:22:09,240 --> 00:22:10,571

Get back in the car!

341

00:22:21,200 --> 00:22:23,248

No, please, Kim!

342

00:22:38,600 --> 00:22:40,420

Ma'am, I asked you to stay put!

343

00:22:40,520 --> 00:22:42,010

Those assholes tried to shoot us!

344

00:22:43,640 --> 00:22:44,721

Jesus!

345

00:22:44,840 --> 00:22:46,860

You have got to be shitting me!

346

00:22:46,960 --> 00:22:50,140

You just shot a Javelin at a fucking car!

347

00:22:50,240 --> 00:22:52,620

That's an \$80,000 piece of ordnance!

348

00:22:52,720 --> 00:22:55,780

Can any of you geniuses
tell me the Kelley Blue Book value

349

00:22:55,880 --> 00:22:58,724

of a 1989 Toyota pickup?

350

00:23:09,960 --> 00:23:13,169

Oorah, Baker. Get some.

351

00:23:18,120 --> 00:23:20,660

I hope you got all that on film, ma'am.

352

00:23:20,760 --> 00:23:22,900

'Cause that right there,
that's what we do best.

353

00:23:23,000 --> 00:23:24,380

Hearts and minds.

354

00:23:24,480 --> 00:23:27,324

That's the two best places
to shoot somebody.

355

00:23:31,480 --> 00:23:32,460

What?

356

00:23:32,560 --> 00:23:34,220

I told you to stay in the car.

357

00:23:34,320 --> 00:23:36,288

Okay, I'll get back in the car.

358

00:23:37,520 --> 00:23:38,681

The Marines don't have
much to say about Iraq.

359

00:23:40,160 --> 00:23:43,460

Their mantra is that they are
focused on doing the job here.

360

00:23:43,560 --> 00:23:48,900

And even though, as we saw firsthand,
attacks against coalition forces are up,

361

00:23:49,000 --> 00:23:52,129

Corporal Coughlin told me earlier
that he is still not planning

362

00:23:52,240 --> 00:23:55,540

to lock and load his weapon
when he is out on patrol.

363

00:23:55,640 --> 00:23:58,086

Our own Kim Baker reporting for us live.

364

00:24:02,040 --> 00:24:03,201

Welcome!

365

00:24:05,560 --> 00:24:08,370

Wow, good job, Kim! Ruthless!

366

00:24:10,840 --> 00:24:13,923

Bitch, we are going out tonight!

367

00:24:41,480 --> 00:24:43,244

It's okay. It's okay. Here.

368

00:24:46,760 --> 00:24:49,127

It's okay. It's all right.

369

00:24:58,920 --> 00:25:00,206

Why don't I know who you are?

370

00:25:01,720 --> 00:25:04,780

You're what, like, 42?

371

00:25:04,880 --> 00:25:05,860

Sold.

372

00:25:05,960 --> 00:25:07,291

Why have I never heard of you?

373

00:25:07,400 --> 00:25:10,740

Yeah, I haven't done

a lot of overseas reporting.

374

00:25:10,840 --> 00:25:14,049

I've done mostly domestic reportage.

375

00:25:15,400 --> 00:25:16,420

"Reportage"?

376

00:25:16,520 --> 00:25:19,364

Domestic reportage.

377

00:25:19,640 --> 00:25:22,740

Look, everyone in the Kabubble
is full of shit. It's okay.

378

00:25:22,840 --> 00:25:24,020

Half the accents are fake.

379

00:25:24,120 --> 00:25:28,125

The whole "I'm ex-Special Forces"
wankers are flat out lying.

380

00:25:28,440 --> 00:25:29,726

"Reportage"?

381

00:25:32,280 --> 00:25:34,980

Oh, Christ, what is this?

382

00:25:35,080 --> 00:25:36,780

I really shouldn't have
my back to the door.

383

00:25:36,880 --> 00:25:41,091

It's bad tradecraft, but it's worth it
to talk to you two ladies.

384

00:25:42,720 --> 00:25:44,085

Fuck off.

385

00:25:44,400 --> 00:25:45,765

You got it.

386

00:25:47,720 --> 00:25:49,290

Champagne?

387

00:25:49,400 --> 00:25:50,811

Thank you.

388

00:25:51,040 --> 00:25:54,460

Finish this, and then we'll go meet
some friends in Wazir Akbar Khan.

389

00:25:54,560 --> 00:25:57,260

And I am warning you now,
do not sleep with Iain.

390

00:25:57,360 --> 00:25:59,328

- Who is Iain?

- He's a proper asshole.

391

00:25:59,440 --> 00:26:01,408

- Shall we?

- Yeah.

392

00:26:02,000 --> 00:26:03,081

Is that a cab?

393

00:26:08,000 --> 00:26:09,540

Is your full name Shakira?

394

00:26:09,640 --> 00:26:12,020

'Cause I thought it was
a Colombian nickname.

395

00:26:12,120 --> 00:26:13,220

Why would you think that?

396

00:26:13,320 --> 00:26:14,380

Because of the singer.

397

00:26:14,480 --> 00:26:18,980

No, I know. I'm kidding.
No, it's Arabic for "thankful."

398

00:26:19,080 --> 00:26:20,923

Kim is American for "white lady".

399

00:26:21,920 --> 00:26:24,540

Actually, "Kim" means "who" in Turkish.

400

00:26:24,640 --> 00:26:26,180

"Who's that white lady?"

401

00:26:26,280 --> 00:26:27,700

It's Kim.

402

00:26:27,800 --> 00:26:30,280

That's so you can remember my name.

403

00:26:30,480 --> 00:26:33,086

So... This is Iain. Iain, Kim.

404

00:26:34,560 --> 00:26:37,962

Kim. Kim. Kim. Kim, nice work.

405

00:26:38,320 --> 00:26:41,140

You sit next to the only two women
in a country the size of Texas

406

00:26:41,240 --> 00:26:43,447

that remind a man that you're
really only okay looking.

407

00:26:44,800 --> 00:26:48,580

Well, she said you were an asshole,

but that's really above and beyond.

408

00:26:48,680 --> 00:26:49,740

- Who said that?

- Tanya.

409

00:26:49,840 --> 00:26:51,220

No. No. No. I don't think so.

410

00:26:51,320 --> 00:26:53,100

A lot of women find me very charming, Kim.

411

00:26:53,200 --> 00:26:55,820

- No, not biological women.

- Oh, really?

412

00:26:55,920 --> 00:26:59,900

Women who think that an accent is
the same thing as a personality, maybe.

413

00:27:00,000 --> 00:27:03,527

Nae, haud yer wheesht.

Go bile yer heid, ya wee bampot.

414

00:27:04,840 --> 00:27:08,003

I bet you're wetter than a submarine
with screen doors now.

415

00:27:09,560 --> 00:27:11,100

I got that from a pickup book.

416

00:27:11,200 --> 00:27:12,690

- Jesus.

- Oh, yeah.

417

00:27:14,360 --> 00:27:15,420

So what's your deal?

418

00:27:15,520 --> 00:27:18,740

You got chucked over by some guy
so you think, "Forget him.

419

00:27:18,840 --> 00:27:20,820

"I'm gonna go discover
the wonders of the East,

420

00:27:20,920 --> 00:27:23,220

"and I'm gonna fuck a Scottish guy
and write a book."

421

00:27:23,320 --> 00:27:24,924

I'm Scottish, by the way.

422

00:27:29,240 --> 00:27:31,846

Cheers.

423

00:27:36,280 --> 00:27:37,900

- Cheers.

- Salud.

424

00:27:38,000 --> 00:27:39,843

- Cheers.

- To Kim!

425

00:27:42,120 --> 00:27:45,329

- Is this your first night out?

- Yes.

426

00:27:45,520 --> 00:27:47,124

It is, actually.

427

00:27:48,720 --> 00:27:51,460

That little bastard!

428

00:27:51,560 --> 00:27:52,540

Oh, no, Kim.

429

00:27:52,640 --> 00:27:55,246

You didn't give Egg Boy money, did you?

430

00:27:55,800 --> 00:27:59,361

Hey! Egg Boy! Hey!

You're a little shitbird!

431

00:28:00,560 --> 00:28:02,244

I hope you get salmonella!

432

00:28:04,600 --> 00:28:06,140

I gave him, like, \$100!

433

00:28:06,240 --> 00:28:07,685

- \$100?

- What?

434

00:28:08,160 --> 00:28:10,686

I'd give you my eggs for \$100.

435

00:28:11,960 --> 00:28:13,020

Where are we going?

436

00:28:13,120 --> 00:28:15,600

A whorehouse. You're going to love it.

437

00:28:19,160 --> 00:28:20,286

You see that?

438

00:28:21,160 --> 00:28:23,288

It's a brothel and a Chinese restaurant.

439

00:28:36,720 --> 00:28:37,767

Do you remember this video?

440

00:28:39,800 --> 00:28:41,325

Everybody was drawings.

441

00:28:44,560 --> 00:28:46,801

Me? Oh, no, thank you.

442

00:28:47,560 --> 00:28:50,820

Look, a month ago,

I was writing a story about corn syrup.

443

00:28:50,920 --> 00:28:52,700

Okay? I was not happy.

444

00:28:52,800 --> 00:28:55,180

I didn't think there was anything else
out there for me.

445

00:28:55,280 --> 00:28:56,620

Just death.

446

00:28:56,720 --> 00:28:57,820

Then this came along and...

447

00:28:57,920 --> 00:28:59,580

I don't care

448

00:28:59,680 --> 00:29:03,366

Wenge, do you guys have
regular access to healthcare?

449

00:29:14,440 --> 00:29:15,420

He called me a Fenian bastard.

450

00:29:15,520 --> 00:29:18,820

I fuckin' showed him what for,
kicked his teeth in, the cunt.

451

00:29:18,920 --> 00:29:22,163

Oi, Tanya? What's her story?

452

00:29:22,280 --> 00:29:26,580

She has a boyfriend.
And she's unconscious, okay?

453

00:29:26,680 --> 00:29:29,140

Not that either of those things
have ever stopped you before.

454

00:29:29,240 --> 00:29:31,100

That's not true. That's not true.

455

00:29:31,200 --> 00:29:32,565

Firstly, I'm afraid of boyfriends.

456

00:29:33,320 --> 00:29:35,368

Secondly, I'm a gentleman.

457

00:29:36,560 --> 00:29:40,580

What? According to no less
an authority than Grace Mugabe.

458

00:29:40,680 --> 00:29:42,180

I held a door open for her once.

459

00:29:42,280 --> 00:29:44,460

Let me just have a little peekaboo.

460

00:29:44,560 --> 00:29:45,860

Get out!

461

00:29:45,960 --> 00:29:47,769

Actually, not bad.

462

00:29:48,440 --> 00:29:50,966

- I think I missed one.

- Stop!

463

00:29:51,880 --> 00:29:54,260

Il y a du monde au balcon. Pas mal.

464

00:29:54,360 --> 00:29:55,540

Kim?

465

00:29:55,640 --> 00:29:57,020

You all right there, mate?

466

00:29:57,120 --> 00:29:58,620

Wouldn't you like to know?

467

00:29:58,720 --> 00:30:00,380

Hey. I'm just talking about her safety.

468

00:30:00,480 --> 00:30:04,041

Nic here does security for Kim, Iain.

469

00:30:11,720 --> 00:30:13,085

Right, well!

470

00:30:14,160 --> 00:30:16,288

I'm off. Excuse me.

471

00:30:16,640 --> 00:30:17,620

- Excused.

- Good night.

472

00:30:17,720 --> 00:30:19,722

- Bye, darling!

- Good night.

473

00:30:22,440 --> 00:30:24,488

The best, Nic!

474

00:30:36,000 --> 00:30:39,004

Oh, that's Oprah.

475

00:30:51,280 --> 00:30:52,260

Hello.

476

00:30:52,360 --> 00:30:54,840

It's Fahim. Are you ready to go?

477

00:30:55,680 --> 00:30:57,842

Go where, dude? It's Saturday.

478

00:30:57,960 --> 00:31:00,300

Friday is the only day off
in the Islamic week.

479

00:31:00,400 --> 00:31:01,811

We have interviews.

480

00:31:01,920 --> 00:31:03,660

No! That was not made clear. That's... No.

481

00:31:03,760 --> 00:31:05,780

That's bullshit, Fahim. No.

482

00:31:05,880 --> 00:31:08,611

Kim, today we are meeting

Ali Massoud Sadiq.

483

00:31:08,720 --> 00:31:11,451

I sent research.

He's likely to be Attorney General.

484

00:31:17,960 --> 00:31:19,860

- Please hold.

- Please come outside.

485

00:31:19,960 --> 00:31:23,140

This is against what I believe

as an American.

486

00:31:23,240 --> 00:31:25,242

I am sorry, but we have to go.

487

00:31:25,360 --> 00:31:27,100

My shoes. Shit.

488

00:31:27,200 --> 00:31:29,726

You wish to interview me, Mr. Ahmadzai?

489

00:31:30,240 --> 00:31:33,164

I do, Mr. Sadiq. Yes, on camera.

490

00:31:33,560 --> 00:31:35,300

Mr. Ahmadzai,

491

00:31:35,400 --> 00:31:39,700

I am a person of, of no consequence.

492

00:31:39,800 --> 00:31:43,580

Well, you soon might be the second
most powerful person in Afghanistan.

493

00:31:43,680 --> 00:31:48,220

Mr. Ahmadzai, I run a small department
inside the Interior Ministry.

494

00:31:48,320 --> 00:31:51,420

What possible interest
could I be to the Americans?

495

00:31:51,520 --> 00:31:55,047

Because your Ministry
for the Prevention of Vice

496

00:31:55,160 --> 00:31:56,980

and the Encouragement of Virtue

497

00:31:57,080 --> 00:32:01,210

sounds a lot like the Taliban's old
Ministry of Vice and Virtue.

498

00:32:03,880 --> 00:32:05,211

Don't you think?

499

00:32:14,080 --> 00:32:15,923

Kim Baker.

500

00:32:19,720 --> 00:32:22,220

When the Taliban was in power,

501

00:32:22,320 --> 00:32:24,940

they enforced their version of sharia.

502

00:32:25,040 --> 00:32:29,051

One of their edicts was a rule that
all men must shave the hair of their pubis.

503

00:32:29,160 --> 00:32:32,900

They would walk the streets
carrying a small wooden rod,

504

00:32:33,000 --> 00:32:34,660

a dowel,

505

00:32:34,760 --> 00:32:38,020

which they would roll along
the front of a man's trousers.

506

00:32:38,120 --> 00:32:42,364

If a man's pubic hair was long enough
to curl around the dowel,

507

00:32:43,880 --> 00:32:45,723

they would beat him.

508

00:32:46,880 --> 00:32:47,961

Now, I ask you,

509

00:32:48,960 --> 00:32:54,131

do I look like a man to walk the streets
carrying a hair-of-the-pubis dowel?

510

00:32:55,320 --> 00:32:56,890

No, sir, you do not.

511

00:32:58,240 --> 00:33:02,245

I returned to this country to save it.

512

00:33:02,360 --> 00:33:04,580

I am a friend of America.

513

00:33:04,680 --> 00:33:08,402

Which is why you should let me interview

you, so people can understand that.

514

00:33:10,200 --> 00:33:11,645

I like you, Kim.

515

00:33:11,760 --> 00:33:13,740

I like your mouthiness.

516

00:33:13,840 --> 00:33:15,524

That is a word, yes?

517

00:33:16,920 --> 00:33:19,526

It reminds me of my time living in London.

518

00:33:19,640 --> 00:33:22,371

You make me feel like a young man again.

519

00:33:23,960 --> 00:33:25,962

But I do not know you.

520

00:33:27,080 --> 00:33:31,210

How can we get to know each other, Kim?

521

00:33:38,760 --> 00:33:40,922

Yes, excellent, Kim!

522

00:33:43,280 --> 00:33:45,726

Put a turban on her,
she'd make a very handsome boy.

523

00:34:22,320 --> 00:34:24,084

How are you? You okay there?

524

00:34:26,120 --> 00:34:27,220

What the hell was that?

525

00:34:27,320 --> 00:34:29,420

It's probably just
a wedding somewhere nearby.

526

00:34:29,520 --> 00:34:31,380

They like to shoot off guns
at weddings here.

527

00:34:31,480 --> 00:34:33,050

You get it, you're from Florida.

528

00:34:33,160 --> 00:34:34,580

Funny.

529

00:34:34,680 --> 00:34:36,060

When was the last time I saw you?

530

00:34:36,160 --> 00:34:37,540

Since June?

531

00:34:37,640 --> 00:34:40,166

I'm sorry that I didn't
get back last month.

532

00:34:41,160 --> 00:34:43,180

I can be in New York by Thursday.

533

00:34:43,280 --> 00:34:46,260

I miss you and I want to see you. And I...

534

00:34:46,360 --> 00:34:47,740

I have...

535

00:34:47,840 --> 00:34:49,808

Not again.

536

00:34:53,160 --> 00:34:54,900

I hate this fucking airport.

537

00:34:55,000 --> 00:34:57,580

Can I bring you guys

anything from New York?

538

00:34:57,680 --> 00:35:00,001

Just bring us back a six pack?

539

00:35:00,720 --> 00:35:02,563

- This is Kim.

- Kim Baker?

540

00:35:02,840 --> 00:35:04,683

It is Sadiq.

541

00:35:05,840 --> 00:35:08,002

Mr. Sadiq, hi.

542

00:35:08,560 --> 00:35:11,460

How about an interview with Pacha Khan?

543

00:35:11,560 --> 00:35:13,300

Pacha Khan, the warlord?

544

00:35:13,400 --> 00:35:15,084

Pacha Khan is a businessman.

545

00:35:15,800 --> 00:35:16,980

Would you like that?

546

00:35:17,080 --> 00:35:20,460

Yeah. Yeah. But I'm on my way
to New York to see my boyfriend.

547

00:35:20,560 --> 00:35:25,202

You will be the first Western journalist
to interview him since the Soviet War.

548

00:35:26,600 --> 00:35:28,409

Shall we say tomorrow?

549

00:35:34,240 --> 00:35:37,164

Okay, yes, of course. Thank you.

550

00:35:39,600 --> 00:35:41,011

- What?

- Back in the car.

551

00:35:43,920 --> 00:35:45,081

Wait here.

552

00:35:52,080 --> 00:35:53,525

It's okay, come.

553

00:36:19,600 --> 00:36:21,090

She is a Muslim?

554

00:36:28,560 --> 00:36:29,721

Yes

555

00:36:31,680 --> 00:36:33,569

Have her pray for me.

556

00:36:42,920 --> 00:36:44,445

She is Turkish.

557

00:36:46,280 --> 00:36:48,851

You wouldn't understand her anyway.

558

00:36:56,960 --> 00:36:58,300

- Okay. Yes.

- Yeah?

559

00:36:58,400 --> 00:36:59,447

Okay.

560

00:37:03,560 --> 00:37:06,291

Pacha Khan, thank you
for your kind hospitality.

561

00:37:07,240 --> 00:37:10,642

Put a turban on her and she
would make a handsome boy!

562

00:37:23,000 --> 00:37:24,126

What?

563

00:37:25,680 --> 00:37:26,886

No.

564

00:37:28,880 --> 00:37:31,580

- Kim. Cheers.

- Hi.

565

00:37:31,680 --> 00:37:32,700

What a rush, yeah?

566

00:37:32,800 --> 00:37:36,740

Pacha Khan, yeah.

It's like, adrenaline. Everyone was...

567

00:37:36,840 --> 00:37:38,180

Good job.

568

00:37:38,280 --> 00:37:39,580

Yeah, it went well.

569

00:37:39,680 --> 00:37:42,763

But, you know, I was... I was in the...

570

00:37:43,040 --> 00:37:44,724

The New Zealand SAS back home.

571

00:37:44,880 --> 00:37:47,326

And today felt like

jumping out of an airplane.

572

00:37:47,720 --> 00:37:50,769

Or like, you know, like having sex.

573

00:37:55,400 --> 00:37:56,561

Kim!

574

00:37:58,080 --> 00:38:00,731

Tanya's got scotch.

It won't last long, so...

575

00:38:01,560 --> 00:38:04,769

Nic, you're welcome, too, you big cunt!

576

00:38:04,880 --> 00:38:08,123

That's a term of affection, by the way.

577

00:38:09,720 --> 00:38:13,884

You were supposed to be
in New York, sneaky girl.

578

00:38:14,000 --> 00:38:17,020

Yeah, Chris is not super pleased.

579

00:38:17,120 --> 00:38:19,487

Chris can suck a fat one.

580

00:38:21,600 --> 00:38:25,810

I'm trying to see if they put my story up,
but this Internet connection is the worst!

581

00:38:26,800 --> 00:38:29,246

- Goddamn it, Jaweed!

- Christ!

582

00:38:29,800 --> 00:38:31,140

Really?

583

00:38:31,240 --> 00:38:33,811

Although, donkeys aside,

he's a good fixer.

584

00:38:35,080 --> 00:38:38,448

No, thanks. Morning shows.

585

00:38:38,560 --> 00:38:41,040

You have something

they want for the mornings?

586

00:38:42,520 --> 00:38:45,410

Maybe. I don't know. Maybe.

587

00:38:46,760 --> 00:38:48,410

That's what I'm trying to see.

588

00:38:49,880 --> 00:38:52,980

You know, I heard
that he has contacts in the Tribals.

589

00:38:53,080 --> 00:38:55,890

Like real Taliban contacts.

590

00:38:56,720 --> 00:38:58,051

- Jaweed?

- Jaweed.

591

00:38:58,360 --> 00:39:00,886

- No fucking way.

- Apparently.

592

00:39:01,080 --> 00:39:03,924

Would you do that?

Would you go down there?

593

00:39:07,920 --> 00:39:10,287

Yeah, sure, if it was the right call.

594

00:39:10,920 --> 00:39:12,763

Yeah, but how do you know
if it's the right call?

595

00:39:16,240 --> 00:39:18,340

Fuck, man, I don't know.

596

00:39:18,440 --> 00:39:23,080

That is why we drink, do drugs and shag
strangers in restaurant bathrooms.

597

00:39:45,320 --> 00:39:46,460

Kim, are you okay? What's going on?

598

00:39:46,560 --> 00:39:48,580

Oh, shoot. Sorry, what time is it?

599

00:39:48,680 --> 00:39:50,260

I don't know. I'm in Seattle.

600

00:39:50,360 --> 00:39:52,380

God, I thought you got shot
at a wedding or something.

601

00:39:52,480 --> 00:39:53,527

- Jesus, Kim!

- No.

602

00:39:53,640 --> 00:39:55,540

Sorry. So, just real quick...

603

00:39:55,640 --> 00:39:58,211

- I want you to come visit me.

- In Afghanistan? Really?

604

00:39:58,320 --> 00:40:00,340

I mean, I've got tons of miles.

I could fly you first class.

605

00:40:00,440 --> 00:40:02,580

I have to look at a calendar.

I don't think I can do it this month.

606

00:40:02,680 --> 00:40:05,020

I'm here until, like, at least the 15th.

But when I get back maybe...

607

00:40:05,120 --> 00:40:07,122

- Who is in your bed, Chris?

- What?

608

00:40:08,160 --> 00:40:09,740

No, that's my bag.

609

00:40:09,840 --> 00:40:12,002

Look in the mirror, dipshit.

610

00:40:13,920 --> 00:40:16,740

My God. You motherfucker.

Unbelievable. Unbelievable!

611

00:40:16,840 --> 00:40:18,140

You calm the fuck down!

612

00:40:18,240 --> 00:40:19,980

Listen, you haven't been home in months.

613

00:40:20,080 --> 00:40:21,220

You forgot my fucking birthday!

614

00:40:21,320 --> 00:40:22,900

Right, it's my fault.

Great, Chris. You're a genius.

615

00:40:23,000 --> 00:40:25,180

And I kept your stupid

fucking plants alive,

616

00:40:25,280 --> 00:40:27,851

but you let this relationship

wither and die!

617

00:40:30,000 --> 00:40:31,900

Did you have that prepared?

618

00:40:32,000 --> 00:40:32,980

- What?

- Pussy!

619

00:40:33,080 --> 00:40:34,380

You know what? Have fun in Seattle.

620

00:40:34,480 --> 00:40:35,580

You should go to the Rock 'n' Roll Museum.

621

00:40:35,680 --> 00:40:37,011

It sucks. You'll fit right in.

622

00:40:57,720 --> 00:40:59,449

Are you shitting me?

623

00:41:07,120 --> 00:41:08,246

Fahim.

624

00:41:08,400 --> 00:41:10,323

Let's apply for another embed.

625

00:41:10,960 --> 00:41:12,540

Because I want to get out of Kabul.

626

00:41:12,640 --> 00:41:15,883

I just need to get out of Kabul.

627

00:41:17,600 --> 00:41:19,780

I need "me time", exactly. That's...

628

00:41:19,880 --> 00:41:24,250

See? I told you that O magazine would
increase your understanding of women.

629

00:41:35,080 --> 00:41:37,526

Hey, you guys are 3-5, right?

630

00:41:37,640 --> 00:41:39,483

Do you know a Corporal Coughlin?

631

00:41:39,600 --> 00:41:40,580

No, ma'am.

632

00:41:40,680 --> 00:41:43,126

Sorry, but I've only been here
for a couple months.

633

00:41:44,000 --> 00:41:46,980

Ma'am, if you set one foot

in front of the other,

634

00:41:47,080 --> 00:41:50,084

there's less chance you lose

both feet if we hit an IED.

635

00:41:54,320 --> 00:41:55,765

Vides, make ready.

636

00:42:02,200 --> 00:42:06,603

Man, we are definitely losing the war

when it comes to this particular well.

637

00:42:07,120 --> 00:42:10,220

I swear to God, they blow up another well,

I take another pair of boots off.

638

00:42:10,320 --> 00:42:12,448

It's like fucking musical chairs.

639

00:42:14,200 --> 00:42:16,060

Hey, do I have to buy a dress

for your wedding?

640

00:42:16,160 --> 00:42:19,403

No. Whatever you wear in Kabul is fine.

641

00:42:20,240 --> 00:42:22,242

- Yeah?

- Yes.

642

00:42:23,280 --> 00:42:26,966

The only thing I ask is that
you make sure my friend is there.

643

00:42:28,880 --> 00:42:30,962

Your friend is me.

644

00:42:32,640 --> 00:42:34,051

I get it.

645

00:43:30,680 --> 00:43:32,762

- Mount up!

- Jesus, Stern!

646

00:43:32,960 --> 00:43:35,780

General, excuse me. Hey.

General, do you have a minute?

647

00:43:35,880 --> 00:43:38,281

- Not now, Baker.

- It's just...

648

00:43:38,960 --> 00:43:41,566

The Taliban haven't been
destroying the well here.

649

00:43:41,680 --> 00:43:44,220

The women of the village
are destroying it.

650

00:43:44,320 --> 00:43:45,970

Or so they tell me.

651

00:43:49,240 --> 00:43:51,500

We dug that well several times
for the women

652

00:43:51,600 --> 00:43:53,284

so they don't have to walk to the river.

653

00:43:53,400 --> 00:43:55,100

But they want to walk to the river.

654

00:43:55,200 --> 00:43:57,740

It's their only chance to be social

655

00:43:57,840 --> 00:44:00,127

and gossip and, you know, hang out.

656

00:44:00,240 --> 00:44:02,900

I think that they have a bunch
of old Soviet landmines,

657

00:44:03,000 --> 00:44:06,163

and they just prop one up
and throw rocks at it.

658

00:44:19,240 --> 00:44:21,607

Kim, did you ever feel like
you're manning that tollgate

659

00:44:21,720 --> 00:44:24,564

and the engineer's yelling,
"I got pig iron, I got pig iron"?

660

00:44:25,480 --> 00:44:28,220

No. I don't know what that means.
But it's very folksy.

661

00:44:28,320 --> 00:44:30,500

Also, the women, obviously,
they don't want the men

662

00:44:30,600 --> 00:44:32,140

to know about this, so they are hoping

663

00:44:32,240 --> 00:44:34,820

that you would just refuse
to repair the well this time.

664

00:44:34,920 --> 00:44:35,921

Well, they're in luck.

665

00:44:36,040 --> 00:44:38,407

That's exactly what

I told the mullah, so...

666

00:44:41,080 --> 00:44:42,605

Well done, Baker.

667

00:44:43,560 --> 00:44:44,891

Hooyah, General.

668

00:44:46,200 --> 00:44:48,500

Marines say "Oorah".

669

00:44:48,600 --> 00:44:50,780

The Navy says "Hooyah".

670

00:44:50,880 --> 00:44:52,882

- Don't mix those two up.

- Got it.

671

00:44:53,960 --> 00:44:55,689

Have a good... Have a good ride.

672

00:45:19,400 --> 00:45:20,447

Kim.

673

00:45:23,400 --> 00:45:24,401

Kim.

674

00:45:28,800 --> 00:45:29,801

Sorry.

675

00:45:43,200 --> 00:45:45,260

- You look beautiful!

- You look beautiful!

676

00:45:45,360 --> 00:45:46,361

Oh, my God.

677

00:45:51,480 --> 00:45:53,403

- Oh, my God.

- Oh, no!

678

00:45:53,520 --> 00:45:54,851

Kim!

679

00:45:56,680 --> 00:45:57,940

What the dick?

680

00:45:58,040 --> 00:46:00,060

Why did Fahim tell me

I could dress like this?

681

00:46:00,160 --> 00:46:02,660

Well, he didn't want you
to have to go buy something.

682

00:46:02,760 --> 00:46:04,540

Oh, my God. I only washed
the front of my hair.

683

00:46:04,640 --> 00:46:05,687

Here. You know what?

684

00:46:06,840 --> 00:46:09,525

- I'm going to let you have one of these.

- Thank you.

685

00:46:09,880 --> 00:46:12,460

- Now I look great.

- Now you're ready.

686

00:46:12,560 --> 00:46:14,767

- Now I'm ready to party.

- Oh, she likes it.

687

00:46:16,600 --> 00:46:17,681

- Sure.

- Oh, wow. Well...

688

00:46:36,560 --> 00:46:39,723

It was worse than a unibrow.

It went all the way into his hair.

689

00:46:40,800 --> 00:46:43,100

We all have some reason for being here.

690

00:46:43,200 --> 00:46:44,700

What's your reason?

691

00:46:44,800 --> 00:46:45,820

What is yours?

692

00:46:45,920 --> 00:46:47,220

I don't have a good one. I'm just here.

693

00:46:47,320 --> 00:46:49,140

Come on, she just told her unibrow story.

694

00:46:49,240 --> 00:46:50,580

I just... I don't have one.

695

00:46:50,680 --> 00:46:51,761

Come on.

696

00:46:54,080 --> 00:46:58,005

I was at the gym after work
one night. Stationary bike.

697

00:46:58,480 --> 00:47:01,300

Okay? The same bike every day.

698

00:47:01,400 --> 00:47:04,060

And I notice this

699

00:47:04,160 --> 00:47:06,810

indentation in the carpet,

it's, like, a foot in front of my bike.

700

00:47:07,640 --> 00:47:10,928

And I realize that it's from

where my bike used to be.

701

00:47:13,920 --> 00:47:17,527

I have done thousands of miles

on this bike

702

00:47:18,480 --> 00:47:20,580

and I have gone backwards.

703

00:47:20,680 --> 00:47:22,900

I have literally gone backwards.

704

00:47:23,000 --> 00:47:24,206

I just

705

00:47:24,800 --> 00:47:27,900

wanted to blow everything up.

I just wanted out of my job,

706

00:47:28,000 --> 00:47:31,780

writing news scripts for dumb

pretty people to read.

707

00:47:31,880 --> 00:47:33,245

I wanted...

708

00:47:34,200 --> 00:47:36,260

...out of having to decide whether

709

00:47:36,360 --> 00:47:39,603

I should just marry my mildly

depressive boyfriend.

710

00:47:39,720 --> 00:47:41,085

And that's it.

711

00:47:42,200 --> 00:47:46,444

I just... I couldn't look at that
fucking carpet anymore.

712

00:47:53,720 --> 00:47:56,940

Well, that is officially the most

713

00:47:57,040 --> 00:47:59,220

American white lady story I've ever heard.

714

00:47:59,320 --> 00:48:01,687

- Shut up.

- It is.

715

00:48:01,800 --> 00:48:07,620

You know what? Fuck that. You are
a battle-tested foreign correspondent.

716

00:48:07,720 --> 00:48:10,980

You're a solid Kabul 9.5.

717

00:48:11,080 --> 00:48:13,380

And you are fucking single, all right?

718

00:48:13,480 --> 00:48:16,404

So that lady back at the gym, she's dead.

719

00:48:17,240 --> 00:48:18,730

This is your life.

720

00:48:42,560 --> 00:48:44,660

Despite Taliban threats,
election observers

721

00:48:44,760 --> 00:48:47,900

are reporting high voter turnout,
especially in cities.

722

00:48:48,000 --> 00:48:51,860

A British fighter-bomber last week
reduced this compound to rubble.

723

00:48:51,960 --> 00:48:55,009

...not to cooperate.

Oh, God. Christ, there's a...

724

00:48:56,800 --> 00:48:59,260

Bahzo! There's a bahzo here!

725

00:48:59,360 --> 00:49:02,364

The surprise visit from
Secretary of Defense Donald Rumsfeld.

726

00:49:02,480 --> 00:49:05,220

Today, Kabul's
first licensed female driver,

727

00:49:05,320 --> 00:49:08,005

Gulbahar Yousofy, hits the road.

728

00:49:10,520 --> 00:49:13,126

That sucks. That sucks for women.

729

00:49:15,880 --> 00:49:17,041

Thank you.

730

00:49:20,040 --> 00:49:21,540

Congratulations on your promotion,

731

00:49:21,640 --> 00:49:23,220

- Mr. Attorney General.

- Thank you.

732

00:49:23,320 --> 00:49:24,860

As I said, we could have
done this over the phone.

733

00:49:24,960 --> 00:49:27,420

I'm just looking for a statement
on sharia in Kandahar.

734

00:49:27,520 --> 00:49:31,320

I understand that you are no longer
with your special friend Chris.

735

00:49:32,880 --> 00:49:33,900

Who told you that?

736

00:49:34,000 --> 00:49:38,820

Very little happens in Afghanistan that

Ali Massoud Sadiq does not know about.

737

00:49:38,920 --> 00:49:40,001

Very little.

738

00:49:40,560 --> 00:49:42,881

- May I show you something?

- Of course.

739

00:49:49,360 --> 00:49:50,820

You have a bed in your office.

740

00:49:50,920 --> 00:49:52,001

Yes.

741

00:49:52,840 --> 00:49:54,649

There is a bed here now.

742

00:49:57,480 --> 00:50:01,610

So, no comment on sharia in Kandahar or...

743

00:50:06,240 --> 00:50:07,660

No comment.

744

00:50:07,760 --> 00:50:10,206

- We are going to ISAF later, yes?

- I don't know.

745

00:50:10,360 --> 00:50:12,820

Pressers and "right of boom" crap.

Who cares?

746

00:50:12,920 --> 00:50:14,126

We need to enterprise something. Okay?

747

00:50:14,240 --> 00:50:16,288

We need to get out of the bubble.

748

00:50:16,840 --> 00:50:18,251

That hit the net.

749

00:50:18,680 --> 00:50:20,444

- The what?

- It hit the net.

750

00:50:20,760 --> 00:50:22,740

- The invisible net?

- Yes.

751

00:50:22,840 --> 00:50:24,500

- My point.

- Let's go. Bullshit.

752

00:50:24,600 --> 00:50:27,140

You know, Kim, the reason that
your village well story got traction is

753

00:50:27,240 --> 00:50:29,766

because it wasn't a bang-bang,
it was about women's rights.

754

00:50:29,920 --> 00:50:31,620

It was a brilliant piece, that.

755

00:50:31,720 --> 00:50:33,006

Oh, fucking hell.

756

00:50:34,200 --> 00:50:36,601

- We should go to Kandahar.

- No, too dangerous.

757

00:50:36,720 --> 00:50:40,100

No way. It's a wee bit fluid down there
these days, security-wise.

758

00:50:40,200 --> 00:50:41,940

Yeah, it might be a bit much for you, Nic?

759

00:50:42,040 --> 00:50:44,700

You're a bit late to the whole "Kandahar's
gone to shit" party. You know?

760

00:50:44,800 --> 00:50:46,740

What about the woman thing
where the sharia law is back?

761

00:50:46,840 --> 00:50:48,460

And there was a firebombing the other day.

762

00:50:48,560 --> 00:50:49,540

Yeah, I think it's worth the risk.

763

00:50:49,640 --> 00:50:51,380

That's easy for you to say, mate,

764

00:50:51,480 --> 00:50:54,260

sitting there in your cozzie

taking photos of the fucking garden.

765

00:50:54,360 --> 00:50:56,700

Look, Nicky, I know

you've been specially trained

766

00:50:56,800 --> 00:50:59,451

to protect New Zealand from,

what, fucking dolphins?

767

00:50:59,840 --> 00:51:01,860

But I'm not exactly

a war zone virgin, you know?

768

00:51:01,960 --> 00:51:04,580

I was kidnapped by the AIG

when they were still called that.

769

00:51:04,680 --> 00:51:06,170

Why dolphins?

770

00:51:07,000 --> 00:51:08,300

What do dolphins got to do
with New Zealand?

771

00:51:08,400 --> 00:51:09,380

Nothing to do with it. I'm just...

772

00:51:09,480 --> 00:51:11,700

White pointers and sharks,
but the dolphins never hurt anyone.

773

00:51:11,800 --> 00:51:14,220

I know they've not hurt anyone, mate.
I'm just making the point...

774

00:51:14,320 --> 00:51:17,380

I'm not gonna protect my country
from an animal that hasn't hurt anyone.

775

00:51:17,480 --> 00:51:18,641

Oh, Jesus Christ.

776

00:51:19,000 --> 00:51:21,660

Dolphins? What a joke.

777

00:51:21,760 --> 00:51:23,300

I'll come with you

in the car if there's room.

778

00:51:23,400 --> 00:51:25,129

Oh, great, we're all going to Kandahar!

779

00:51:27,560 --> 00:51:30,643

I can make some calls. We can take my car.

780

00:51:31,000 --> 00:51:35,727

Kim, if we are going to Kandahar,
you will need to buy some new clothes.

781

00:51:36,360 --> 00:51:37,521

I can't...

782

00:51:46,560 --> 00:51:49,689

It's so pretty, I don't even want to vote.

783

00:52:18,080 --> 00:52:20,940

I'm flipping you the bird

in here right now.

784

00:52:21,040 --> 00:52:22,300

- Is this your car, Fahim?

- Yes.

785

00:52:22,400 --> 00:52:23,780

This is a fucking piece of shit.

786

00:52:23,880 --> 00:52:25,609

I think it's very nice.

787

00:52:30,560 --> 00:52:32,260

No one is staring at me. It's weird.

788

00:52:32,360 --> 00:52:35,204

You are in the Blue Prison now.

789

00:53:08,960 --> 00:53:10,371

Fahim, what does the graffiti say?

790

00:53:10,880 --> 00:53:12,962

"No education for woman."

791

00:53:17,040 --> 00:53:18,769

Brian.

792

00:53:40,960 --> 00:53:42,325

Fahim, what's going on up there?

793

00:53:45,440 --> 00:53:46,646

The Taliban used to do this.

794

00:53:47,520 --> 00:53:50,000

Execute the radios and televisions.

795

00:53:54,200 --> 00:53:56,043

Oh, shit!

796

00:54:00,880 --> 00:54:01,881

Get out of the way!

797

00:54:02,000 --> 00:54:03,220

Move on! Move on!

798

00:54:03,320 --> 00:54:05,607

You guys can't go out there, but I can.

799

00:54:11,760 --> 00:54:13,922

- Kim, come back.

- Kim, wait! Come back.

800

00:54:56,560 --> 00:54:58,369

Kim, now. We must hurry. We must hurry.

801

00:55:13,920 --> 00:55:15,445

Get in the car!

802

00:55:18,240 --> 00:55:19,810

Get out of here!

803

00:55:22,480 --> 00:55:26,280

That was a men's park, Kim! Men only!

804

00:55:27,960 --> 00:55:29,121

Fuck!

805

00:55:31,440 --> 00:55:33,408

Bebakhshid, Fahim.

806

00:55:40,760 --> 00:55:43,765

...coalition capacity,
priorities and support.

807

00:55:44,080 --> 00:55:48,608

Let's look now at the 12 first-tier drivers
in the current COIN paradigm.

808

00:55:49,280 --> 00:55:50,220

Shit.

809

00:55:50,320 --> 00:55:52,163

Tactical and institutional...

810

00:55:52,280 --> 00:55:54,931

...is always in purple,
and noting as such...

811

00:55:55,760 --> 00:55:58,525

- Kim Baker.

- Sir, do you have a minute?

812

00:55:58,760 --> 00:56:02,260

If I'm understanding this briefing,
I have all the fucking time in the world.

813

00:56:02,360 --> 00:56:06,140

Okay. Well, I'm covering the girls' school
in Kandahar that was firebombed

814

00:56:06,240 --> 00:56:09,300

and I'm wondering if you could
give me something, on background,

815

00:56:09,400 --> 00:56:12,860

just about the security situation here

816

00:56:12,960 --> 00:56:14,780

and the state of the war in general.

817

00:56:14,880 --> 00:56:17,860

Yeah, I can give you something:

This war is like fucking a gorilla.

818

00:56:17,960 --> 00:56:20,122

You keep going till

the gorilla wants to stop.

819

00:56:21,160 --> 00:56:23,100

I think I can paraphrase that.

820

00:56:23,200 --> 00:56:24,565

Knock yourself out.

821

00:56:39,120 --> 00:56:44,340

You know, Afghanistan produces

90% of the world's narcotic opiates.

822

00:56:44,440 --> 00:56:45,885

So they say.

823

00:56:47,000 --> 00:56:49,860

When I worked in the hospital,

824

00:56:49,960 --> 00:56:52,940

these men, heroin addicts,

825

00:56:53,040 --> 00:56:55,780

would come in with a child.

826

00:56:55,880 --> 00:56:58,645

They'd say, "Oh, my son,

he broke his arm."

827

00:56:59,680 --> 00:57:04,527

And while we were tending to the child,

the men would steal our morphine.

828

00:57:05,160 --> 00:57:09,340

And we would wonder how
the arm got broken to begin with.

829

00:57:09,440 --> 00:57:11,602

What are we talking about, Fahim?

830

00:57:14,080 --> 00:57:18,244

The human body produces its own heroin.

831

00:57:18,360 --> 00:57:22,888

In fact, when the fight-or-flight instinct
is activated in the hypothalamus,

832

00:57:23,040 --> 00:57:28,046

your body releases endorphins,
dopamine and norepinephrine.

833

00:57:29,120 --> 00:57:33,780

That is heroin, cocaine
and amphetamine, all at once.

834

00:57:33,880 --> 00:57:37,340

Okay, great. Are we having

the Afghan version of this conversation,

835

00:57:37,440 --> 00:57:41,126

where in New York we would have
gotten to the point, like, five minutes ago?

836

00:57:44,480 --> 00:57:49,120

There is a reason to believe that a person
can get addicted to this type of high.

837

00:57:50,120 --> 00:57:52,620

Soldiers, athletes...

838

00:57:52,720 --> 00:57:54,643

War reporters. Got it.

839

00:57:55,480 --> 00:57:59,420

An addict always needs
a greater and greater dosage.

840

00:57:59,520 --> 00:58:03,380

And then people make mistakes,
people get hurt.

841

00:58:03,480 --> 00:58:06,380

I get it. You're a newlywed. I can

842

00:58:06,480 --> 00:58:09,086

probably get them to go up to \$125 a day.

843

00:58:16,840 --> 00:58:18,490

Let us have the

844

00:58:19,480 --> 00:58:23,166

American version of this conversation.

845

00:58:23,600 --> 00:58:24,681

Okay.

846

00:58:26,440 --> 00:58:29,220

I do not want to work with you anymore.

847

00:58:29,320 --> 00:58:31,580

No, okay, wait. Fahim, I know I fucked up.

848

00:58:31,680 --> 00:58:34,160

I do not think you do.

849

00:58:34,280 --> 00:58:36,408

- Hear me out.

- Kim, no.

850

00:58:37,080 --> 00:58:41,820

I am now married. I want to have children.

851

00:58:41,920 --> 00:58:43,922

It will not happen again.

It's not gonna...

852

00:58:44,040 --> 00:58:49,046

"I ride after a deer and find

myself chased by a hog.

853

00:58:49,760 --> 00:58:51,444

"I plot to get what I want

854

00:58:52,480 --> 00:58:54,260

"and I end up in prison.

855

00:58:54,360 --> 00:58:57,887

"I dig pits to trap others and I fall in.

856

00:58:58,800 --> 00:59:01,371

"I should be suspicious of what I want."

857

00:59:02,920 --> 00:59:04,922

I don't know what that means.

858

00:59:09,200 --> 00:59:10,565

You do.

859

00:59:17,720 --> 00:59:18,721

Fahim?

860

01:00:01,960 --> 01:00:03,610

I can't breathe in here.

861

01:00:04,560 --> 01:00:05,925

Time to take a walk.

862

01:00:06,440 --> 01:00:08,124

I have to go outside.

863

01:00:08,840 --> 01:00:10,763

I have to go home.

864

01:00:16,360 --> 01:00:19,091

Put on your headscarf

865

01:00:35,880 --> 01:00:37,100

Shit.

866

01:00:37,200 --> 01:00:38,565

It's the wrong house.

867

01:00:43,800 --> 01:00:45,165

Oh, shit.

868

01:01:08,600 --> 01:01:10,443

Kim?

869

01:01:10,600 --> 01:01:12,284

What the hell are you doing?

870

01:01:16,360 --> 01:01:17,540

Here.

871

01:01:17,640 --> 01:01:21,645

Kim, sip that. Okay? You all right?

872

01:01:22,920 --> 01:01:25,700

Keep sipping that.

You're all right. It's okay.

873

01:01:25,800 --> 01:01:27,165

It's okay. Hey.

874

01:01:28,120 --> 01:01:29,260

Hey, it's all right.

875

01:01:29,360 --> 01:01:32,420

Oi. Now, that there was a bit of fun.

876

01:01:32,520 --> 01:01:33,806

- Are you mental?

- Okay, mate...

877

01:01:33,960 --> 01:01:36,420

I'm not your mate. I'm gonna
ask you again, are you fucking mental?

878

01:01:36,520 --> 01:01:39,780

- Come on, Iain, it's not his fault.

- What's your job again?

879

01:01:39,880 --> 01:01:41,380

Because if I hadn't come back
to see you lot

880

01:01:41,480 --> 01:01:43,780

because I stole a bottle of sake
from a Japanese travel writer...

881

01:01:43,880 --> 01:01:44,900

Wait, you have sake?

882

01:01:45,000 --> 01:01:46,420

...you could've killed her, "mate!"

883

01:01:46,520 --> 01:01:48,124

Oh, fuck off.

884

01:01:49,320 --> 01:01:50,810

Jesus! What the fuck?

885

01:01:52,240 --> 01:01:53,810

Dude, what the fuck?

886

01:01:54,000 --> 01:01:56,002

Did you fucking sucker punch me?

887

01:01:56,120 --> 01:01:57,531

You broke my nose.

888

01:01:58,040 --> 01:02:00,202

- You fucking American?

- Are you a Yank?

889

01:02:00,320 --> 01:02:02,209

I'm Canadian, you asshole.

890

01:02:02,760 --> 01:02:04,300

I almost fucked a Canadian?

891

01:02:04,400 --> 01:02:07,300

I'd stay down if I were you, ya wee cunt.

892

01:02:07,400 --> 01:02:09,482

And that's not a term of affection.

893

01:02:10,600 --> 01:02:11,931

Fuck that.

894

01:02:22,720 --> 01:02:24,882

Oh, God!

895

01:02:28,400 --> 01:02:29,460

- Wait.

- Oh, fuck.

896

01:02:29,560 --> 01:02:33,246

Iain, don't carry me around.

I'm not a fucking baby.

897

01:02:34,440 --> 01:02:36,180

Goddamn it.

898

01:02:36,280 --> 01:02:37,964

What the fuck are you doing?

899

01:02:43,080 --> 01:02:45,162

- Take it off.

- I'm fucking trying to take it off!

900

01:02:45,280 --> 01:02:47,460

Oh, God, I'm gonna put it

in you so fucking hard,

901

01:02:47,560 --> 01:02:48,900

- you're gonna fucking get it.

- Don't talk.

902

01:02:49,000 --> 01:02:51,180

- I want everything in your mouth.

- Iain, just shut it.

903

01:02:51,280 --> 01:02:53,886

I'll take you lying down, come on.

904

01:02:54,040 --> 01:02:56,660

Do you have one of those
weird little penises?

905

01:02:56,760 --> 01:02:58,940

No! This is how I want to go.

906

01:02:59,040 --> 01:03:01,042

No, I don't want to see myself.

907

01:03:01,160 --> 01:03:02,650

Roll off!

908

01:03:02,760 --> 01:03:04,808

Okay, fuck it.

909

01:03:06,880 --> 01:03:09,460

Oh, God, I fucking...

910

01:03:09,560 --> 01:03:10,620

What are you doing?

911

01:03:10,720 --> 01:03:13,100

I'm just putting my fucking
finger in your mouth.

912

01:03:13,200 --> 01:03:14,180

No!

913

01:03:14,280 --> 01:03:16,282

Come on, just put everything
in your mouth.

914

01:03:17,800 --> 01:03:20,485

- Do you want me to go?

- No.

915

01:03:35,200 --> 01:03:36,884

There's aught like a good shag.

916

01:03:37,240 --> 01:03:39,402

Okay, let's try to be adults here.

917

01:03:39,560 --> 01:03:41,085

I think we were.

918

01:03:41,320 --> 01:03:44,180

Obviously this was just
a Kabubble thing, right?

919

01:03:44,280 --> 01:03:45,327

Just a

920

01:03:46,040 --> 01:03:49,283

fun mistake where one of us had an orgasm.

921

01:03:50,000 --> 01:03:55,322

I mean, we're both in a really bad place.
And then you punched Nic.

922

01:03:55,800 --> 01:03:57,529

I don't know. It's endorphins, right?

923

01:03:59,000 --> 01:04:00,460

Nope, that's not what this is.

924

01:04:00,560 --> 01:04:02,220

No, you don't need to be gallant.

925

01:04:02,320 --> 01:04:04,084

I'm serious.

926

01:04:05,080 --> 01:04:08,289

I fancy you, Kim Baker.

927

01:04:09,000 --> 01:04:10,206

I do.

928

01:04:10,760 --> 01:04:14,340

Of all the dozens of women
in this country, I chose you.

929

01:04:14,440 --> 01:04:16,220

No, you didn't, because this is not me.

930

01:04:16,320 --> 01:04:17,420

I would never do this.

931

01:04:17,520 --> 01:04:20,060

Precisely. Because you're not you anymore.

932

01:04:20,160 --> 01:04:22,100

You're in the Kabubble.

You said so yourself.

933

01:04:22,200 --> 01:04:24,521

Don't fucking hide.

934

01:04:25,880 --> 01:04:28,340

Kim, you know the frog

in the pot of water?

935

01:04:28,440 --> 01:04:31,569

You raise the temperature bit by bit,

936

01:04:31,680 --> 01:04:33,284

the frog doesn't notice?

937

01:04:34,360 --> 01:04:37,780

That's what this place and that's
what this job does to all of us.

938

01:04:37,880 --> 01:04:41,362

It changes your perception
of what's normal until...

939

01:04:43,280 --> 01:04:44,964

...until here we are.

940

01:04:46,480 --> 01:04:47,820

You know the frog boils to death

941

01:04:47,920 --> 01:04:49,500

- at the end of that, right?

- Nope.

942

01:04:49,600 --> 01:04:50,806

- Yeah.

- Nope.

943

01:04:57,920 --> 01:04:59,922

Is that my toothbrush?

944

01:05:02,640 --> 01:05:05,060

What's going on

with my Kandahar piece, Ed?

945

01:05:05,160 --> 01:05:06,620

Jerry killed it.

946

01:05:06,720 --> 01:05:07,721

Wait, who killed it?

947

01:05:07,840 --> 01:05:10,300

Jerry Taub, head of the network, Kim.

948

01:05:10,400 --> 01:05:12,140

- What happened to Angela?

- She left.

949

01:05:12,240 --> 01:05:15,460

She's running a website
for women or something.

950

01:05:15,560 --> 01:05:19,300

Look, I can't sell Afghanistan
in Monday meetings.

951

01:05:19,400 --> 01:05:22,740

Your war's got chronic
same-shit-different-day-itis.

952

01:05:22,840 --> 01:05:25,140

Great. What am I even doing here, Ed?

953

01:05:25,240 --> 01:05:28,500

I wouldn't ask that too loudly, Kim.

954

01:05:28,600 --> 01:05:32,161

Though I'd be thrilled to have
you back at your old desk.

955

01:05:38,000 --> 01:05:39,525

That's all I got.

956

01:05:43,000 --> 01:05:46,340

Hey, I heard that Nic quit
and you fucked Iain!

957

01:05:46,440 --> 01:05:47,460

Whoa, hold on.

958

01:05:47,560 --> 01:05:49,820

Listen, the Iain thing
is not a thing, okay?

959

01:05:49,920 --> 01:05:52,020

We have the same size hands. I can't.

960

01:05:52,120 --> 01:05:54,740

It's just work has been
a little frustrating.

961

01:05:54,840 --> 01:05:55,860

Yeah. I get it.

962

01:05:55,960 --> 01:05:57,700

Because Afghanistan doesn't rate anymore.

963

01:05:57,800 --> 01:05:59,180

That is bullshit.

964

01:05:59,280 --> 01:06:02,200

You've got to find your own
luck here, babe, you know that.

965

01:06:05,200 --> 01:06:06,440

What?

966

01:06:07,680 --> 01:06:09,100

What? What is that?

967

01:06:09,200 --> 01:06:11,580

Hey! You're hooking up
Tanya in the Tribals?

968

01:06:11,680 --> 01:06:13,060

What the fuck, Jaweed?

969

01:06:13,160 --> 01:06:14,844

Her network will pay me triple.

970

01:06:14,960 --> 01:06:16,780

I taught you how to clear
your Internet history, okay?

971

01:06:16,880 --> 01:06:18,460

What has Vanderpoel ever done for you?

972

01:06:18,560 --> 01:06:19,900

Give me a break, man.

973

01:06:20,000 --> 01:06:22,140

Whatever. You owe me.

What else do you have?

974

01:06:22,240 --> 01:06:23,300

You're Ghilzai, right?

975

01:06:23,400 --> 01:06:26,220

Do you have any other connections
to members of the Ghilzai family?

976

01:06:26,320 --> 01:06:27,980

- You mean Hekmatyar?

- Maybe.

977

01:06:28,080 --> 01:06:30,367

Are you fucking crazy, Kim? Please.

978

01:06:31,920 --> 01:06:33,580

Hey! Nabil! Hey.

979

01:06:33,680 --> 01:06:38,220

Are you still in touch with that ISI guy
who says he knows who killed Abdul Haq?

980

01:06:38,320 --> 01:06:41,085

That guy? He's dead two years.

981

01:06:54,600 --> 01:06:55,726

Hey.

982

01:07:04,760 --> 01:07:06,180

Oh, for fuck's sake.

983

01:07:06,280 --> 01:07:07,611

Mrs. MacKelpie.

984

01:07:12,080 --> 01:07:14,242

- Twice?

- Two and a half, actually.

985

01:07:15,960 --> 01:07:18,420

I don't remember what happened last night.

986

01:07:18,520 --> 01:07:20,860

Kabul happened, my wee froggy in the pot.

987

01:07:20,960 --> 01:07:23,440

Did I not wear a headscarf?

Where's my phone?

988

01:07:23,560 --> 01:07:24,620

I believe I threw your mobile
in my cupboard.

989

01:07:24,720 --> 01:07:25,780

Why?

990

01:07:25,880 --> 01:07:28,121

Because mid-coitus you tried to call Tanya

991

01:07:28,240 --> 01:07:30,288

about some bloody wild goose chase
in the Tribals.

992

01:07:30,400 --> 01:07:31,700

I told you about that?

993

01:07:31,800 --> 01:07:35,566

It was hard to understand you once you asked
me to stuff your knickers in your mouth.

994

01:07:37,000 --> 01:07:38,809

I'm joking, Kim. That didn't happen.

995

01:07:38,920 --> 01:07:40,700

Fuck. I am...

996

01:07:40,800 --> 01:07:42,643

I am fucking losing it.

997

01:07:43,240 --> 01:07:44,700

I need a win.

998

01:07:44,800 --> 01:07:47,700

Christ, if you're that hard up,
I'll share my Badakhshan thing with you.

999

01:07:47,800 --> 01:07:49,140

What Badakhshan thing?

1000

01:07:49,240 --> 01:07:51,811

You know China won the contract
to mine for gold up there.

1001

01:07:51,920 --> 01:07:54,380

They built roads, airport,

housing, all that.

1002

01:07:54,480 --> 01:07:58,500

Well, guess whose responsibility it is
to protect the investment of Red China

1003

01:07:58,600 --> 01:08:00,489

in this restive nation?

1004

01:08:01,000 --> 01:08:04,660

American troops, Chinese gold.
Oh, Iain, that's really good.

1005

01:08:04,760 --> 01:08:05,900

People are gonna get mad.

1006

01:08:06,000 --> 01:08:07,843

Just waiting for my guy
to give me the green light.

1007

01:08:07,960 --> 01:08:10,420

You pay for the trip,
I'll share the story with you. Easy peasy.

1008

01:08:10,520 --> 01:08:13,171

Really? Thank you. That's...

1009

01:08:14,160 --> 01:08:15,207

I owe you one.

1010

01:08:15,360 --> 01:08:18,100

Well, how about a half of one?

1011

01:08:18,200 --> 01:08:19,500

And then we can make it an even three.

1012

01:08:19,600 --> 01:08:21,728

Yeah. Or I could buy you breakfast.

1013

01:08:22,680 --> 01:08:25,001

Or a half of one and we can
make it an even three.

1014

01:08:25,120 --> 01:08:28,100

I think breakfast

is of equal monetary value.

1015

01:08:28,200 --> 01:08:30,100

My middle name is Eoghan.

1016

01:08:30,200 --> 01:08:32,260

Which is Erse... Shut up.

1017

01:08:32,360 --> 01:08:33,930

It's Erse for Owen.

1018

01:08:34,200 --> 01:08:35,420

"Oo-hee"?

1019

01:08:35,520 --> 01:08:37,420

- Iain "Oo-hee".

- Don't bother.

1020

01:08:37,520 --> 01:08:38,780

Where is Bin Laden?

1021

01:08:38,880 --> 01:08:39,860

People think he's in Pakistan, right?

1022

01:08:39,960 --> 01:08:40,940

Yeah.

1023

01:08:41,040 --> 01:08:42,780

You've got egg in your beard. Hang on.

1024

01:08:42,880 --> 01:08:43,940

Thank you.

1025

01:08:44,040 --> 01:08:46,700

Your national animal is the unicorn.

1026

01:08:46,800 --> 01:08:47,780

I think it's romantic.

1027

01:08:47,880 --> 01:08:51,020

That is the national animal of the kingdom

I ruled when I was eight.

1028

01:08:51,120 --> 01:08:53,122

Who's your favorite Three Stooge?

1029

01:08:54,560 --> 01:08:57,723

Larry. Because he's put upon
in a way that I identify with.

1030

01:08:58,560 --> 01:09:00,220

He's the Art Garfunkel, right?

1031

01:09:00,320 --> 01:09:01,660

Yeah.

1032

01:09:01,760 --> 01:09:04,740

So, I thought I might like to
hang out with you for a bit.

1033

01:09:04,840 --> 01:09:06,444

Yeah. Okay. Yeah.

1034

01:09:07,440 --> 01:09:08,930

Do you really want to know
what I want to do?

1035

01:09:09,040 --> 01:09:09,962

Yeah. Okay.

1036

01:09:10,080 --> 01:09:11,411

I'd like to kiss you.

1037

01:09:14,840 --> 01:09:16,046

Who knew?

1038

01:09:20,360 --> 01:09:21,540

Here's my little man.

1039

01:09:21,640 --> 01:09:23,780

No, Iain, don't. It's a scam.

1040

01:09:23,880 --> 01:09:26,100

Do you think so? Really?

1041

01:09:26,200 --> 01:09:28,820

I know it's a scam, Kim. So what?

1042

01:09:28,920 --> 01:09:30,922

He's still begging in the street.

Hey, Abrahaim.

1043

01:09:31,720 --> 01:09:33,210

There's my boy.

1044

01:09:43,960 --> 01:09:45,769

I knew I'd win you over.

1045

01:09:51,360 --> 01:09:52,486

Jesus!

1046

01:09:59,640 --> 01:10:02,564

What the fuck, Jaweed?

Are they coming or not?

1047

01:10:03,240 --> 01:10:04,287

Here they are.

1048

01:10:10,040 --> 01:10:11,180

There they are.

1049

01:10:11,280 --> 01:10:15,126

4-6800, line six north.

1050

01:10:19,920 --> 01:10:21,331

Standing by approval.

1051

01:10:21,520 --> 01:10:23,100

We are clear to engage target.

1052

01:10:23,200 --> 01:10:25,282

Roger. Clear to engage target.

1053

01:10:33,160 --> 01:10:34,730

It is him. That's my guy.

1054

01:10:35,640 --> 01:10:37,260

If we go anywhere,

Jaweed, we take our vehicle.

1055

01:10:37,360 --> 01:10:38,460

No carpooling.

1056

01:10:38,560 --> 01:10:39,721

All right. Okay.

1057

01:10:48,040 --> 01:10:49,883

Shit! Shit!

1058

01:10:50,800 --> 01:10:52,006

Stay calm.

1059

01:10:59,480 --> 01:11:00,460

Splash.

1060

01:11:00,560 --> 01:11:01,900

Cease laser. Safe laser.

1061

01:11:02,000 --> 01:11:03,684

Laser off. Laser safe.

1062

01:11:27,600 --> 01:11:29,967

I'm looking for someone. Excuse me.

1063

01:11:37,360 --> 01:11:39,180

- Oh, my God. Tanya.

- Hi.

1064

01:11:39,280 --> 01:11:40,691

- Jesus.

- Oy.

1065

01:11:42,280 --> 01:11:44,169

Jaweed's dead.

1066

01:11:44,320 --> 01:11:47,085

- Andy's in surgery.

- I know. Iain talked to Colin.

1067

01:11:47,240 --> 01:11:50,050

- Jesus!

- I know. It's fucked.

1068

01:11:52,480 --> 01:11:54,403

You know, Colin was rolling.

1069

01:11:55,800 --> 01:11:58,140

What, like, rolling-rolling?

You have tape?

1070

01:11:58,240 --> 01:12:00,380

He got the whole fucking thing.

1071

01:12:00,480 --> 01:12:03,324

I'm going to go live with it
as soon as they let me out of here.

1072

01:12:04,920 --> 01:12:07,161

Can you fucking believe it?

1073

01:12:07,480 --> 01:12:09,005

Hey.

1074

01:12:09,160 --> 01:12:10,321

Hi.

1075

01:12:10,760 --> 01:12:11,807

Aye.

1076

01:12:12,920 --> 01:12:14,285

- How are you?

- You doing all right?

1077

01:12:16,080 --> 01:12:17,740

Holy shit!

1078

01:12:17,840 --> 01:12:19,922

And as we watch it again there, Susanna,

1079

01:12:20,040 --> 01:12:23,601

you can actually see the Hellfire missile
right before it detonates.

1080

01:12:28,160 --> 01:12:29,660

What is going on with Badakhshan?

1081

01:12:29,760 --> 01:12:31,980

Snow's killing us.

1082

01:12:32,080 --> 01:12:34,900

So unless your network wants
to stump up the money for the helicopter,

1083

01:12:35,000 --> 01:12:37,380

we'll have to wait

till they clear the passes.

1084

01:12:37,480 --> 01:12:39,050

Kim, we have a bit of a situation outside.

1085

01:12:40,600 --> 01:12:41,740

What?

1086

01:12:41,840 --> 01:12:43,569

I just need you to see something.

1087

01:12:43,680 --> 01:12:45,100

Sorry to interrupt.

1088

01:12:45,200 --> 01:12:47,601

- Did he say what he wanted?

- I don't know.

1089

01:12:52,040 --> 01:12:53,371

Fuck.

1090

01:12:57,920 --> 01:13:00,020

Qadar. Qadar, it's okay. You can go in.

1091

01:13:00,120 --> 01:13:01,485

He just wants to talk to me.

1092

01:13:01,600 --> 01:13:03,284

- Okay. Okay.

- It's okay.

1093

01:13:03,640 --> 01:13:05,860

Please, do not cover
your hair on my account.

1094

01:13:05,960 --> 01:13:07,300

It's such beautiful hair.

1095

01:13:07,400 --> 01:13:09,580

It's like the hide of a fine horse.

1096

01:13:09,680 --> 01:13:12,126

Sadiq, what are you doing here?

1097

01:13:13,480 --> 01:13:16,860

I was just going home
from closing a woman brothel

1098

01:13:16,960 --> 01:13:19,060

when I told my driver,

1099

01:13:19,160 --> 01:13:23,500

"Mahboobullah, this is where
my best friend Kimberly lives!"

1100

01:13:23,600 --> 01:13:27,002

But she has been a bad friend lately.

1101

01:13:28,160 --> 01:13:29,844

She does not call.

1102

01:13:30,560 --> 01:13:33,245

She does not invite me to her party.

1103

01:13:33,560 --> 01:13:34,780

I'm sorry,

1104

01:13:34,880 --> 01:13:39,363

but I didn't think the Attorney General
of the Islamic Republic of Afghanistan

1105

01:13:39,480 --> 01:13:40,700

went to parties at guesthouses.

1106

01:13:40,800 --> 01:13:42,500

And why not?

1107

01:13:42,600 --> 01:13:44,660

I am still a man, no?

1108

01:13:44,760 --> 01:13:46,660

I love music.

1109

01:13:46,760 --> 01:13:49,161

I love to dance!

1110

01:13:59,600 --> 01:14:00,601

But

1111

01:14:01,680 --> 01:14:06,770

even though you have been a bad friend,

I want you to be happy.

1112

01:14:08,680 --> 01:14:10,569

Do you have a special friend?

1113

01:14:11,680 --> 01:14:13,045

Because

1114

01:14:14,960 --> 01:14:17,725

I would love to be your special friend.

1115

01:14:19,280 --> 01:14:20,805

Would you like that, Kim?

1116

01:14:23,800 --> 01:14:25,165

You're a bad friend.

1117

01:14:26,040 --> 01:14:28,100

You are a bad friend.

1118

01:14:28,200 --> 01:14:32,100

In America, I would get
a book deal out of this shit!

1119

01:14:32,200 --> 01:14:34,300

You can't just do this, okay?

1120

01:14:34,400 --> 01:14:36,540

I haven't been on the air in months!

1121

01:14:36,640 --> 01:14:40,406

My best friend here almost died,
and I am jealous of her!

1122

01:14:40,800 --> 01:14:42,325

And I am just...

1123

01:14:43,080 --> 01:14:45,731

Fuck this! All of it!

1124

01:15:09,920 --> 01:15:11,445

That was a bomb.

1125

01:15:13,240 --> 01:15:14,500

Hello! So, wait!

1126

01:15:14,600 --> 01:15:17,020

Who is fronting the show?

1127

01:15:17,120 --> 01:15:18,940

Tucker? No, I don't know who that is.

1128

01:15:19,040 --> 01:15:22,340

Okay, well, I could go live
for the overnights, but this is...

1129

01:15:22,440 --> 01:15:25,683

"Satellite time?"

No, I have a dedicated feed.

1130

01:15:27,040 --> 01:15:28,451

Since when?

1131

01:15:28,600 --> 01:15:29,601

This is Tucker Wang.

1132

01:15:29,720 --> 01:15:30,860

This is Kim Baker.

1133

01:15:30,960 --> 01:15:33,440

Why am I being told that

I don't have a sat hookup?

1134

01:15:33,600 --> 01:15:35,443

Because you're on the hourly plan now.

1135

01:15:35,560 --> 01:15:37,130

And either way, the show is full tonight.

1136

01:15:37,240 --> 01:15:38,420

No. Who is your boss?

1137

01:15:38,520 --> 01:15:40,921

I want to talk to this
Jerry whatever, Taub.

1138

01:15:41,080 --> 01:15:43,620
Okay, look, Jerry has mentioned
Afghanistan to me once,

1139

01:15:43,720 --> 01:15:45,540
and mentioned it to know why
the only good story to come

1140

01:15:45,640 --> 01:15:47,300
out of there in a year
was on another network.

1141

01:15:47,400 --> 01:15:49,700
What, Tanya's thing?
No, I've got shit like that.

1142

01:15:49,800 --> 01:15:51,500
I'm waiting for the snow to melt!

1143

01:15:51,600 --> 01:15:53,020

I want to talk to Jerry.

1144

01:15:53,120 --> 01:15:56,380

If I could just get you to get me a story
that somebody would care about,

1145

01:15:56,480 --> 01:15:58,020

it would be fine. But meanwhile...

1146

01:15:58,120 --> 01:16:01,220

Okay, what if I come to New York and I
burst into Jerry's office? How about that?

1147

01:16:01,320 --> 01:16:03,049

Well, that might look
like I hadn't done my job.

1148

01:16:03,160 --> 01:16:05,003

Perfect. See you Wednesday.

1149

01:16:05,120 --> 01:16:06,121

Cunt.

1150

01:16:10,080 --> 01:16:11,969

Kim.

1151

01:16:13,080 --> 01:16:15,003

Kim, look at these dogs.

1152

01:16:16,240 --> 01:16:17,860

How does this end?

1153

01:16:17,960 --> 01:16:19,962

A bucket of cold water, I suppose.

1154

01:16:23,680 --> 01:16:24,681

No.

1155

01:16:28,160 --> 01:16:29,685

How does this

1156

01:16:30,920 --> 01:16:32,160

end?

1157

01:16:34,520 --> 01:16:37,683

I don't really know, Kim.

1158

01:16:38,520 --> 01:16:42,260

We grow old together?

Get a cottage in the country?

1159

01:16:42,360 --> 01:16:44,010

Raise chickens?

1160

01:16:44,120 --> 01:16:45,724

Eat scrambled eggs off each other?

1161

01:16:45,840 --> 01:16:48,820

Look, we're good, aren't we?

We'll always have Kabul.

1162

01:16:48,920 --> 01:16:51,886

No, we won't. We won't "always have" it
because I have to go home.

1163

01:16:52,040 --> 01:16:53,580

No, this is home.

1164

01:16:53,680 --> 01:16:57,180

I have to go to New York City
and justify my life

1165

01:16:57,280 --> 01:17:01,727

to somebody named Jerry before
he takes it all away, and I

1166

01:17:03,440 --> 01:17:07,809

cannot go back to sitting
at a goddamn desk. I can't.

1167

01:17:08,120 --> 01:17:09,940

Aye. Listen...

1168

01:17:10,040 --> 01:17:12,260

No one can take it away from you.

1169

01:17:12,360 --> 01:17:13,600

Not all of it.

1170

01:17:13,720 --> 01:17:15,688

Whatever happens, you'll have me.

1171

01:17:16,200 --> 01:17:19,409

That's a very nice thing to say, but...

1172

01:17:19,560 --> 01:17:20,721

But what?

1173

01:17:32,600 --> 01:17:36,380

Following a fatal traffic accident
involving a coalition truck,

1174

01:17:36,480 --> 01:17:37,720

long simmering frustration

1175

01:17:37,880 --> 01:17:41,380

today boiled over
into violence and despair.

1176

01:17:41,480 --> 01:17:42,900

They kill us!

1177

01:17:43,000 --> 01:17:44,980

They kill us and they break our hearts!

1178

01:17:45,080 --> 01:17:47,660

And I also give this message

to President Hamid Karzai:

1179

01:17:47,760 --> 01:17:50,161

What the hell is happening here?

1180

01:18:11,080 --> 01:18:13,060

Okay, I don't care who the hell's in there.

I'm Kim Baker.

1181

01:18:13,160 --> 01:18:15,660

Go on in, Kim. Jerry's expecting you.

1182

01:18:15,760 --> 01:18:18,180

Well, that's fucking unsatisfying.

1183

01:18:18,280 --> 01:18:21,011

- Can I take your bag?

- Yes. Please.

1184

01:18:22,120 --> 01:18:24,282

- Would you care for some water?

- Yes.

1185

01:18:35,520 --> 01:18:36,500

I should've Googled you.

1186

01:18:36,600 --> 01:18:39,683

I've been... I've been using
all the wrong swear words.

1187

01:18:41,640 --> 01:18:43,700

Well, I hope
I didn't ruin your big moment.

1188

01:18:43,800 --> 01:18:46,540

Look, Geri, I don't know what
Tucker has been telling you.

1189

01:18:46,640 --> 01:18:49,041

He said that you're upset

about the air time you're getting.

1190

01:18:49,160 --> 01:18:52,420

That's just wrong,

because this is not about me.

1191

01:18:52,520 --> 01:18:56,650

My frustration is with our priorities

and what's best for the network.

1192

01:18:57,480 --> 01:19:00,006

Isn't deciding what's best

for the network my job?

1193

01:19:01,840 --> 01:19:06,180

I'm just saying, as journalists,

we have an obligation to this story.

1194

01:19:06,280 --> 01:19:09,820

And Afghanistan should be

on our air more, period.

1195

01:19:09,920 --> 01:19:11,580

With the resources we have over there,

1196

01:19:11,680 --> 01:19:14,140

Afghanistan should definitely
be on our air more.

1197

01:19:14,240 --> 01:19:18,370

But the problem is, as much as
everyone loves the troops,

1198

01:19:18,480 --> 01:19:21,860

they don't actually want to watch them
on the news anymore.

1199

01:19:21,960 --> 01:19:23,121

They just don't.

1200

01:19:23,440 --> 01:19:26,220

So I can't give Afghanistan more air.

1201

01:19:26,320 --> 01:19:30,260

Which means I need to give
Afghanistan fewer resources.

1202

01:19:30,360 --> 01:19:32,840

That's what's best for the network.

1203

01:19:33,760 --> 01:19:35,842

- Geri...

- You have that call now.

1204

01:19:38,960 --> 01:19:40,420

I'm not trying to be a bitch.

1205

01:19:40,520 --> 01:19:41,681

Okay, let me pitch you something.

1206

01:19:41,800 --> 01:19:43,020

All right, the Chinese

mining concession...

1207

01:19:43,120 --> 01:19:44,100

Jesus!

1208

01:19:44,200 --> 01:19:47,100

Look, the last person who got any
kind of bounce out of Afghanistan

1209

01:19:47,200 --> 01:19:48,940

was your friend Tanya Vanderpoel.

1210

01:19:49,040 --> 01:19:52,362

She's actually got me over a barrel
thanks to that drone story.

1211

01:19:52,840 --> 01:19:54,180

What do you mean, "over a barrel"?

1212

01:19:54,280 --> 01:19:55,645

She's London, Kim.

1213

01:19:57,360 --> 01:19:59,328

- You're hiring Tanya.

- Yes.

1214

01:20:00,800 --> 01:20:02,609

I assumed you two flew here together.

1215

01:20:04,560 --> 01:20:05,891

She's here.

1216

01:20:08,960 --> 01:20:13,180

I'm sorry, you started talking
to her before the UAV strike?

1217

01:20:13,280 --> 01:20:14,805

Is UAV a drone?

1218

01:20:16,880 --> 01:20:18,086

Hello! Where are you going?

1219

01:20:18,400 --> 01:20:20,801

No, I'm only here for a few days.

1220

01:20:21,320 --> 01:20:22,810

Oh, I know.

1221

01:20:24,920 --> 01:20:26,046

Fuck.

1222

01:20:26,680 --> 01:20:28,284

I don't know what to say.

1223

01:20:28,400 --> 01:20:30,420

Ducky, I'm sorry. I fucked up.

1224

01:20:30,520 --> 01:20:33,820

Did you go to the Tribals because
you were in a contract negotiation?

1225

01:20:33,920 --> 01:20:36,100

Dude, I'm not stealing your job, okay?

1226

01:20:36,200 --> 01:20:39,044

Tanya, this is not about my fucking job.

1227

01:20:40,200 --> 01:20:41,820

We have to make good calls, right?

1228

01:20:41,920 --> 01:20:44,740

And now Andy lost an eye
and Jaweed is dead.

1229

01:20:44,840 --> 01:20:47,460

Christ, man, we've both
fucking made mistakes!

1230

01:20:47,560 --> 01:20:50,609

No. Tell me you didn't go to the Tribals
because of a contract.

1231

01:20:51,760 --> 01:20:54,820

You would have done exactly what I did
if Jaweed had gone to you.

1232

01:20:54,920 --> 01:20:56,570

No. I'm not you.

1233

01:21:03,120 --> 01:21:05,122

Do you remember your first embed?

1234

01:21:06,440 --> 01:21:08,442

You interviewed a young Marine?

1235

01:21:08,560 --> 01:21:09,540

Coughlin? Yes. What?

1236

01:21:09,640 --> 01:21:13,140

Yeah, well, after they aired your story,

1237

01:21:13,240 --> 01:21:17,340

where you used his soundbite
about not loading his rifle,

1238

01:21:17,440 --> 01:21:19,408

they sent him to Helmand.

1239

01:21:20,120 --> 01:21:22,122

And he got his legs blown off.

1240

01:21:23,080 --> 01:21:24,445

So I hear.

1241

01:21:30,040 --> 01:21:31,565

See you in Kabul.

1242

01:22:01,760 --> 01:22:04,684

I'm not really surprised
she chased the story.

1243

01:22:04,840 --> 01:22:06,540

That's what we do. That's what you do.

1244

01:22:06,640 --> 01:22:07,687

I would do it.

1245

01:22:10,680 --> 01:22:12,170

Sorry.

1246

01:22:12,360 --> 01:22:14,980

Goddamn it, I'm tired.

1247

01:22:15,080 --> 01:22:16,380

You booked your return yet?

1248

01:22:16,480 --> 01:22:18,260

'Cause you could come through
Glasgow if you wanted.

1249

01:22:18,360 --> 01:22:19,300

- I'll meet you.

- What?

1250

01:22:19,400 --> 01:22:21,100

No. What about Badakhshan?

1251

01:22:21,200 --> 01:22:25,260

Badakhshan, that will keep because
the fucking pass is still snowed in.

1252

01:22:25,360 --> 01:22:28,100

I need that story.

I need a hit, all right?

1253

01:22:28,200 --> 01:22:30,300

I need something

so that Geri doesn't decide

1254

01:22:30,400 --> 01:22:32,687

I'm more useful as an ottoman
in her fucking office.

1255

01:22:32,800 --> 01:22:35,700

What you need, Kim,
is some time out of the bubble.

1256

01:22:35,800 --> 01:22:38,180

You'd better get ready.
I'm fucking making love to you

1257

01:22:38,280 --> 01:22:41,204

to bagpipe versions of Sade songs.

1258

01:22:43,360 --> 01:22:44,620

Yeah, okay.

1259

01:22:44,720 --> 01:22:46,529

Really? You'll meet me in Glasgow?

1260

01:22:47,280 --> 01:22:49,780

Yeah, I'll meet you in Glasgow.

1261

01:22:49,880 --> 01:22:51,530

- I'll get the next flight.

- Okay.

1262

01:22:51,880 --> 01:22:53,882

- Bye.

- Bye.

1263

01:23:03,560 --> 01:23:04,700

Hey, Antoine.

1264

01:23:04,800 --> 01:23:07,690

Where have you come from?

I thought you were in Badakhshan.

1265

01:23:08,080 --> 01:23:10,900

I was. Drove back overnight.

1266

01:23:11,000 --> 01:23:14,846

- Wait, what? The pass is open?

- Oui. For now.

1267

01:23:29,000 --> 01:23:30,081

Cheers.

1268

01:23:51,440 --> 01:23:52,771

Oh, Christ.

1269

01:23:55,800 --> 01:23:56,847

Excuse me.

1270

01:23:58,640 --> 01:23:59,721

Kunduz near?

1271

01:24:00,080 --> 01:24:01,127

Far?

1272

01:24:06,400 --> 01:24:08,846

I'd like to rent a car.

1273

01:24:15,040 --> 01:24:16,405

Aye, thank you.

1274

01:24:16,520 --> 01:24:18,966

Yeah, I get it. Thank you. Thanks a lot.

1275

01:24:43,240 --> 01:24:44,924

Oh, Jesus.

1276

01:24:45,480 --> 01:24:47,164

Oh, shit.

1277

01:24:56,160 --> 01:24:58,527

Welcome to Glasgow International Airport.

1278

01:24:59,480 --> 01:25:02,420

Outside temperature's 18 degrees Celsius.

1279

01:25:02,520 --> 01:25:04,580

Local time is 15 hours.

1280

01:25:04,680 --> 01:25:07,500

There will be an airline representative
to assist you to your luggage.

1281

01:25:07,600 --> 01:25:09,728

Once again, thank you
for flying with us...

1282

01:25:11,080 --> 01:25:12,605

Oh, my God.

1283

01:25:25,120 --> 01:25:26,380

Leaving a message for Susan.

1284

01:25:26,480 --> 01:25:28,620

Woodward, I'm back in Kabul again.

1285

01:25:28,720 --> 01:25:31,260

I'm trying to get information about
the disappearance of Iain MacKelpie,

1286

01:25:31,360 --> 01:25:33,500

so if someone at Reuters
can please call me back.

1287

01:25:33,600 --> 01:25:35,380

Call to let me know
that you've received this message.

1288

01:25:35,480 --> 01:25:36,686

Thank you.

1289

01:25:53,720 --> 01:25:55,940

Who kidnaps a Scottish
freelance photographer?

1290

01:25:56,040 --> 01:25:58,180

The whole point of kidnapping
is to get money, right?

1291

01:25:58,280 --> 01:26:01,460

As far as I understand, Iain was just
in the wrong place at the wrong time.

1292

01:26:01,560 --> 01:26:04,340

Can this half-assed country
not even do kidnapping right?

1293

01:26:04,440 --> 01:26:07,420

ISAF does not think this was
an upper-tier organization.

1294

01:26:07,520 --> 01:26:10,300

So these men will probably try
to sell him to someone else.

1295

01:26:10,400 --> 01:26:13,540

And then there will be some talking,
you know.

1296

01:26:13,640 --> 01:26:15,961

Oh, my God, Fahim. They're gonna kill him.

1297

01:26:16,600 --> 01:26:19,851

No, they will not, Kim, inshallah.

1298

01:26:22,120 --> 01:26:25,408

Now is when you're supposed
to say "I told you so".

1299

01:26:35,160 --> 01:26:36,446

Fuck!

1300

01:26:44,640 --> 01:26:47,962

Ramadan has ended.

They are slaughtering lambs.

1301

01:27:07,960 --> 01:27:10,167

- May I speak with him?

- The general's busy.

1302

01:27:14,120 --> 01:27:16,122

Really, General? The elliptical?

1303

01:27:16,640 --> 01:27:18,449

I have bad knees.

1304

01:27:20,800 --> 01:27:23,860

I'm guessing you didn't come
here for the smell of balls.

1305

01:27:23,960 --> 01:27:25,928

Everybody get the fuck out!

1306

01:27:31,480 --> 01:27:33,300

They believe that he may have been sold

1307

01:27:33,400 --> 01:27:36,883

to another organization
somewhere in that same region.

1308

01:27:41,000 --> 01:27:43,207

That's a pretty big ask, Baker.

1309

01:27:44,840 --> 01:27:47,002

There's a real-time clock on this.

1310

01:27:48,600 --> 01:27:50,523

I'm sorry, I can't help you.

1311

01:27:59,240 --> 01:28:01,340

You know, it's just a shame that

1312

01:28:01,440 --> 01:28:05,100

y'all don't get credit for all these
high-profile things that you do.

1313

01:28:05,200 --> 01:28:07,680

You know, especially with
SEALs and Delta out there.

1314

01:28:07,800 --> 01:28:11,441

I mean, what week goes by they don't
see those assholes on TV, am I right?

1315

01:28:12,840 --> 01:28:16,300

And then next time Congress votes
on a Pentagon budget

1316

01:28:16,400 --> 01:28:20,060

and there's this pesky little
10% line item for the Marines,

1317

01:28:20,160 --> 01:28:23,180

next thing you know,
you guys are just part of the Navy.

1318

01:28:23,280 --> 01:28:26,923

Although, sir, you would look spectacular
in one of those pretty white uniforms.

1319

01:28:31,760 --> 01:28:33,125

God, you know what?

1320

01:28:34,240 --> 01:28:36,620

It's just occurring to me
that, unlike JSOC,

1321

01:28:36,720 --> 01:28:38,927

you guys allow reporter embeds.

1322

01:28:39,080 --> 01:28:42,926

Which means that a cameraman
could go on a FORECON mission.

1323

01:28:43,560 --> 01:28:46,609

Don't you think that would be
great for the Corps, sir?

1324

01:28:47,080 --> 01:28:48,923

That kind of exposure?

1325

01:28:50,440 --> 01:28:51,965

Pretty good for you, too.

1326

01:28:53,560 --> 01:28:55,180

Look, we don't go in blind.

1327

01:28:55,280 --> 01:28:57,700

We have to know what we're
doing and where we're going.

1328

01:28:57,800 --> 01:28:59,180

It's the way we work.

1329

01:28:59,280 --> 01:29:01,940

We're not likely to get an address, but...

1330

01:29:02,040 --> 01:29:04,964

When you have something concrete,
come back and we'll get kinetic.

1331

01:29:15,760 --> 01:29:19,500

Please tell Mr. Sadiq
that his "special friend" is here.

1332

01:29:19,600 --> 01:29:21,980

What can I get for you?
Some tea? The new PlayStation?

1333

01:29:22,080 --> 01:29:24,970

No, thank you.

I just need a moment of your time.

1334

01:29:27,520 --> 01:29:29,100

We still friends, Sadiq?

1335

01:29:29,200 --> 01:29:32,260

Well, that is up to you, Kim.

1336

01:29:32,360 --> 01:29:37,020

Because you once told me that nothing
happens here that you don't know about.

1337

01:29:37,120 --> 01:29:41,300

So you must know about my friend
Iain MacKelpie getting kidnapped.

1338

01:29:41,400 --> 01:29:42,460

I did hear about this, yes.

1339

01:29:42,560 --> 01:29:43,740

Yeah, well, everybody heard about it,

1340

01:29:43,840 --> 01:29:48,300

but a powerful man such as yourself
must actually know something.

1341

01:29:48,400 --> 01:29:50,500

Or your friend Pacha Khan knows something.

1342

01:29:50,600 --> 01:29:53,126

- Or his friend does.

- Of course.

1343

01:29:53,240 --> 01:29:58,482

I could make some inquiries, but I can
only do this for a very special friend.

1344

01:30:17,160 --> 01:30:19,980

I have a video that I think
you should watch, Sadiq.

1345

01:30:20,080 --> 01:30:22,606

You push the little triangle.

1346

01:30:23,760 --> 01:30:26,081

You can watch video on the phone?

1347

01:30:29,840 --> 01:30:31,001

What is this?

1348

01:30:32,600 --> 01:30:36,500

It looks like the Attorney General
of the Islamic Republic of Afghanistan

1349

01:30:36,600 --> 01:30:37,886

dancing in the street

1350

01:30:38,000 --> 01:30:42,363

with a Western enemy of Islam
at a party where alcohol was served.

1351

01:30:43,440 --> 01:30:44,940

I've never touched alcohol in my life!

1352

01:30:45,040 --> 01:30:46,963

Well, I'm just saying how it looks.

1353

01:30:54,960 --> 01:30:56,883

It's a good idea, right?

1354

01:30:57,880 --> 01:30:59,723

It's a great idea!

1355

01:31:00,520 --> 01:31:01,681

It's fucking ace!

1356

01:31:04,360 --> 01:31:05,885

Good on ya, Kim!

1357

01:31:07,760 --> 01:31:11,003

Let's go, load up!

Let's go, move, move, move!

1358

01:31:24,160 --> 01:31:26,811

You drink Tennessee whiskey, Miss Baker?

1359

01:31:28,000 --> 01:31:29,001

Yeah.

1360

01:31:31,600 --> 01:31:33,125

Outstanding.

1361

01:33:20,280 --> 01:33:21,884

Tall Brian? What the fuck?

1362

01:33:35,200 --> 01:33:37,180

Hang tight, sir.

I'm gonna get you that ride.

1363

01:33:37,280 --> 01:33:38,725

Thank you.

1364

01:33:43,120 --> 01:33:45,646

What happened to the army, Dr. Brydon?

1365

01:33:48,560 --> 01:33:50,050

I am the army.

1366

01:33:55,200 --> 01:33:56,860

Thank you, Kim.

1367

01:33:56,960 --> 01:33:58,200

How are you?

1368

01:33:58,680 --> 01:33:59,841

I've had worse kidnappings.

1369

01:34:03,720 --> 01:34:04,801

Mackelpie is being
treated for minor injuries.

1370

01:34:06,280 --> 01:34:09,929

Again, this incredible footage was
produced by our very own Kim Baker.

1371

01:34:10,040 --> 01:34:12,327

Just incredible. Way to go, Kim!

1372

01:34:13,400 --> 01:34:18,100

If you want to kidnap someone
fucking twice, you do a Toyota.

1373

01:34:18,200 --> 01:34:21,860

Fucking not as interesting as it got
when they fucking pulled out a burqa.

1374

01:34:21,960 --> 01:34:23,500

It's too fucking long for me!

1375

01:34:23,600 --> 01:34:25,180

I don't know who
the woman was it belonged to.

1376

01:34:25,280 --> 01:34:26,860

I'm not fucking 6'2", right?

1377

01:34:26,960 --> 01:34:29,900

I'm dragging this fucking thing along,
thinking the only consolation is,

1378

01:34:30,000 --> 01:34:32,100

at least if I'm a fucking woman,

1379

01:34:32,200 --> 01:34:34,931

I'm not gonna get buggered,
you know what I'm saying?

1380

01:34:41,600 --> 01:34:43,740

So anyway, I took
a little something, actually.

1381

01:34:43,840 --> 01:34:45,340

I went to the gift shop at Taliban.

1382

01:34:45,440 --> 01:34:48,365

I'm afraid all I could get was that.

1383

01:35:12,440 --> 01:35:14,090

It's a shame you're going.

1384

01:35:15,120 --> 01:35:19,220

Well, I hope at least they're
flying you first class.

1385

01:35:19,320 --> 01:35:22,020

Geri doesn't like me that much.

But she does like me now,

1386

01:35:22,120 --> 01:35:26,164

so while I have this juice, I've got
to leverage it into something better.

1387

01:35:26,280 --> 01:35:27,500

Yes!

1388

01:35:27,600 --> 01:35:28,860

Yes, wait, Iraq.

1389

01:35:28,960 --> 01:35:30,580

I'll come with you.

1390

01:35:30,680 --> 01:35:33,460

No, actually, Pakistan.

That's where the real shooting shit is.

1391

01:35:33,560 --> 01:35:34,780

It's like the Wild West out there.

1392

01:35:34,880 --> 01:35:37,804

Actually, I told Geri
that I want New York or D.C.

1393

01:35:43,040 --> 01:35:44,280

No, I did.

1394

01:35:45,560 --> 01:35:46,940

No, really, where are you going?

1395

01:35:47,040 --> 01:35:48,451

New York or D.C.

1396

01:35:50,520 --> 01:35:51,681

Why?

1397

01:35:53,280 --> 01:35:55,009

You can still come with me.

1398

01:36:01,560 --> 01:36:03,460

Because I think
there's plenty of good work

1399

01:36:03,560 --> 01:36:07,128

to be done in the real world,
and the Kabubble is well-established.

1400

01:36:07,240 --> 01:36:09,820

Is this about me going
to Badakhshan without you?

1401

01:36:09,920 --> 01:36:12,460

'Cause you would have done
exactly the same thing.

1402

01:36:12,560 --> 01:36:14,449

And, hey, what, I forgive you!

1403

01:36:17,520 --> 01:36:19,204

This is not about you.

1404

01:36:19,320 --> 01:36:23,963

It's not about Badakhshan, or Glasgow,
or the cottage with the chickens.

1405

01:36:25,080 --> 01:36:26,206

What chickens?

1406

01:36:33,320 --> 01:36:35,129

It's okay. I know you're not gonna come.

1407

01:36:39,520 --> 01:36:41,363

I just have to get out of here
before it's too late.

1408

01:36:43,000 --> 01:36:44,365

What do you mean?

1409

01:36:46,440 --> 01:36:48,602

I started to feel like this was normal.

1410

01:36:51,680 --> 01:36:53,523

You know it's not, right?

1411

01:37:10,840 --> 01:37:12,490

Come to New York and get it.

1412

01:37:13,760 --> 01:37:16,604

Remember, you're like a six in Manhattan.

1413

01:37:49,680 --> 01:37:51,205

How's your baby?

1414

01:37:51,960 --> 01:37:53,200

Which one?

1415

01:37:53,800 --> 01:37:55,723

- You have two?

- Yes.

1416

01:37:57,800 --> 01:37:59,723

Irish twins.

1417

01:38:01,640 --> 01:38:04,260

No, they are very good.

1418

01:38:04,360 --> 01:38:07,125

The younger one, the boy,

he's very strong.

1419

01:38:08,880 --> 01:38:10,860

I bet the girl is strong, too.

1420

01:38:10,960 --> 01:38:12,325

She's stronger.

1421

01:38:41,680 --> 01:38:43,330

So,

1422

01:38:44,920 --> 01:38:47,321

those men in the hospital, the addicts...

1423

01:38:49,040 --> 01:38:51,060

Any of them ever get better?

1424

01:38:51,160 --> 01:38:53,845

Have a happy ending?

1425

01:39:05,440 --> 01:39:08,444

In my culture, we would hug.

1426

01:40:33,280 --> 01:40:34,361

Hey.

1427

01:40:35,600 --> 01:40:37,443

You know, I miss it. The Stan.

1428

01:40:38,040 --> 01:40:39,420

Yeah, I miss it, too.

1429

01:40:39,520 --> 01:40:41,602

Actually, I tried to go back

1430

01:40:42,640 --> 01:40:44,290

but even the Army wouldn't take me.

1431

01:40:44,960 --> 01:40:48,009

I mean, the Army!

I mean, that's just hurtful.

1432

01:40:51,200 --> 01:40:54,020

Well, I'm very sorry

for what happened to you.

1433

01:40:54,120 --> 01:40:58,041

So if there's anything that you want
to say to me, that's why I'm here.

1434

01:40:58,400 --> 01:41:00,050

That's why I came here.

1435

01:41:00,440 --> 01:41:01,487

Ma'am,

1436

01:41:03,280 --> 01:41:06,807

I lost my legs because of an IED,
not because of you.

1437

01:41:09,080 --> 01:41:11,220

I appreciate that,
but if I hadn't quoted you,

1438

01:41:11,320 --> 01:41:13,641

you wouldn't have been transferred.

1439

01:41:13,800 --> 01:41:15,500

No, really, you can say
whatever you want to me.

1440

01:41:15,600 --> 01:41:16,620

That's why I'm here.

1441

01:41:16,720 --> 01:41:18,020

Okay, well, then let's say you're right.

1442

01:41:18,120 --> 01:41:19,201

It's still not 'cause of you, ma'am.

1443

01:41:19,640 --> 01:41:23,820

Some 12-year-old haji
had to plant that bomb.

1444

01:41:23,920 --> 01:41:28,060

And, hell, you know, if Bin Laden's
parents hadn't have gotten divorced,

1445

01:41:28,160 --> 01:41:31,084

maybe none of us would've been
in the Stan to begin with.

1446

01:41:33,000 --> 01:41:36,540

And the Taliban, they wouldn't
have even been there for UBL

1447

01:41:36,640 --> 01:41:40,850

if Brezhnev hadn't have gone and fouled up
Afghanistan in the first place.

1448

01:41:41,760 --> 01:41:45,340

And the British Empire. Yeah.

1449

01:41:45,440 --> 01:41:46,580

And Kim Baker.

1450

01:41:46,680 --> 01:41:48,170

Okay, I deserve that.

1451

01:41:49,400 --> 01:41:53,644

Goddamn! Once you got no legs,
everyone takes everything so serious.

1452

01:41:55,000 --> 01:41:58,800

I mean, there's only so much
any of us have any control of,

1453

01:41:59,520 --> 01:42:02,100

good or bad.

1454

01:42:02,200 --> 01:42:05,340

If you didn't learn that in Afghanistan,
you were not paying attention.

1455

01:42:05,440 --> 01:42:07,660

So, you're not gonna yell at me?

1456

01:42:07,760 --> 01:42:10,081

I mean, ma'am...

1457

01:42:11,880 --> 01:42:13,644

Kim, you've got to move on.

1458

01:42:15,120 --> 01:42:17,202

You're giving yourself
way too much credit.

1459

01:42:17,960 --> 01:42:23,042

You embrace the suck,
you move the fuck forward.

1460

01:42:29,160 --> 01:42:31,401

What other fucking choice do we have?

1461

01:42:35,240 --> 01:42:36,571

Do I hear swearing over there?

1462

01:42:37,480 --> 01:42:39,980

How are you standing there
the one time I curse?

1463

01:42:40,080 --> 01:42:41,100

- "One time".

- I mean...

1464

01:42:41,200 --> 01:42:43,140

It's true. He had a good
long run in the military.

1465

01:42:43,240 --> 01:42:45,129

Don't cover up for him.

1466

01:42:45,840 --> 01:42:46,980

So, Kim, are you gonna stay for dinner?

1467

01:42:47,080 --> 01:42:48,844

Of course she will.

1468

01:43:09,760 --> 01:43:10,921

Bye!

1469

01:43:11,840 --> 01:43:15,049

Say bye to Kim. Say bye. Bye, Kim!

1470

01:43:35,120 --> 01:43:39,180

Colonel, the Afghan National Army missed
yet another benchmark for preparedness.

1471

01:43:39,280 --> 01:43:42,300

How do you think that will affect
our draw down in the region?

1472

01:43:42,400 --> 01:43:44,700

There needs to be a revision
to the previously announced draw down

1473

01:43:44,800 --> 01:43:46,820

or our future exit strategy.

1474

01:43:46,920 --> 01:43:49,048

- Thank you, Colonel Roberts.

- Thank you. My pleasure.

1475

01:43:49,160 --> 01:43:51,580

Coming up, a look at the war on terror

1476

01:43:51,680 --> 01:43:54,300

that's close to home
for those of us who cover it.

1477

01:43:54,400 --> 01:43:58,340

From London, I'll be joined by award-winning
combat photographer, Iain MacKelpie.

1478

01:43:58,440 --> 01:44:00,220

His new book, Conflict Zone,

1479

01:44:00,320 --> 01:44:04,220

chronicles a decade spent working

in the Middle East and Afghanistan.

1480

01:44:04,320 --> 01:44:06,060

That's when we return.

1481

01:44:06,160 --> 01:44:08,740

And we're clear. Back in 40.

1482

01:44:08,840 --> 01:44:09,820

Hi, Iain.

1483

01:44:09,920 --> 01:44:11,900

Hi. Was I supposed to say something then

1484

01:44:12,000 --> 01:44:13,220

- when you introduced me?

- Nope.

1485

01:44:13,320 --> 01:44:16,529

Nope. Just sit up, smile.

1486

01:44:17,960 --> 01:44:19,724

I can't smile. My face feels weird.

1487

01:44:19,840 --> 01:44:21,900

No, you're fine. You look good.

1488

01:44:22,000 --> 01:44:24,820

- Thank you for coming on the show.

- No, please. Thanks for having me.

1489

01:44:24,920 --> 01:44:26,922

I got it. Okay, yeah. Got it.

1490

01:44:27,840 --> 01:44:29,820

You know, they got me
on this book tour at the moment.

1491

01:44:29,920 --> 01:44:33,004

I'm gonna be in New York at the end
of the month, if you'd fancy a coffee.

1492

01:44:33,840 --> 01:44:37,845

We're back in five, four, three...
