And we are not gonna

be eating any slops.

516

00:22:52,672 --> 00:22:54,508

What are you doing?

517

00:22:54,541 --> 00:22:55,909

I'm making chocolate, o' course.

518

00:22:55,942 --> 00:22:57,343

How do you like it? Dark?

519

00:22:57,376 --> 00:22:59,846

White? Nutty?

Absolutely insane?

520

00:22:59,880 --> 00:23:01,347

I don't know.

521

00:23:01,380 --> 00:23:04,417

I've never had any.

522

00:23:04,451 --> 00:23:06,920

[gibbers] You've
never had chocolate?

523

00:23:06,953 --> 00:23:08,588

- No.

- [shouts] What?

524

00:23:08,622 --> 00:23:09,890

You've never had chocolate?

525

00:23:10,690 --> 00:23:12,659

Still no.

526

00:23:12,692 --> 00:23:15,361

Well, this is unbelievable.

I mean, this is outrageous.

527

00:23:15,394 --> 00:23:17,363

Well, lucky for you,

Noodle, I have a selection

528

00:23:17,396 --> 00:23:18,799

of the world's

finest ingredients

529

00:23:18,832 --> 00:23:20,600

right here in my travel factory.

530

00:23:20,634 --> 00:23:22,636

[gentle music playing]

531

00:23:25,772 --> 00:23:27,040

Whoa.

532

00:23:27,073 --> 00:23:28,909

Where to begin?

That's the question.

533

00:23:28,942 --> 00:23:30,477

I know!

534

00:23:30,510 --> 00:23:31,678

Silver Linings.

535

00:23:31,711 --> 00:23:33,747

Made of condensed thunder clouds

536

00:23:34,748 --> 00:23:37,349

and liquid sunlight.

537

00:23:37,383 --> 00:23:39,419

[sniffs] Helps you see

that faint ray o' hope

538

00:23:39,452 --> 00:23:41,353

beyond the shadow of despair.

539

00:23:41,387 --> 00:23:42,656

Just what we need,

540

00:23:42,689 --> 00:23:44,033

- wouldn't you say?

- [chuckles softly]

541

00:23:44,057 --> 00:23:45,725

Did you always wanna

make chocolate?

542

00:23:45,759 --> 00:23:47,694

[Willy] No. [chuckles]

543

00:23:47,727 --> 00:23:49,129

Back when I was your age,

544

00:23:49,162 --> 00:23:51,064

I wanted to be a magician.

545

00:23:51,097 --> 00:23:53,767

My mom was a cook.

546

00:23:53,800 --> 00:23:56,368

We lived on the river,
just the two of us.

547

00:23:56,403 --> 00:23:59,338

In a perfect little
world of our own.

548

00:24:01,675 --> 00:24:03,743

<i>The way I remember

it, I used to spend</i>

549

00:24:03,777 --> 00:24:05,445

<i>every waking hour

trying to come up</i>

550

00:24:05,478 --> 00:24:07,647

<i>with some new trick

to impress my mom.</i>

551

00:24:08,582 --> 00:24:11,051

Bravo!

552

00:24:11,084 --> 00:24:13,587

[Willy] <i>But the real

magic came from her.</i>

553

00:24:15,755 --> 00:24:18,491

<i>We didn't have a lotta

money, but each week,</i>

554

00:24:18,525 --> 00:24:20,627

<i>she brought home one cocoa bean.</i>

555

00:24:20,660 --> 00:24:22,495

<i>And by the time my
birthday came around,</i>

556

00:24:22,529 --> 00:24:24,731

<i>there was enough to make
a single bar o' chocolate.</i>

557

00:24:26,099 --> 00:24:28,802

<i>But it wasn't just
any old chocolate.</i>

558

00:24:28,835 --> 00:24:31,538

<i>Far from it.</i>

559

00:24:31,571 --> 00:24:34,074

This has to be the best
chocolate in the world.

560

00:24:34,107 --> 00:24:35,775

[Mamma] Oh, don't
know about that.

561

00:24:35,809 --> 00:24:38,078

They say the very best
comes from a place

562

00:24:38,111 --> 00:24:40,180

called the Galeries Gourmet.

563

00:24:40,213 --> 00:24:42,949

Theirs can't be any
better than yours, Mamma.

564

00:24:42,983 --> 00:24:44,584

It's impossible.

565

00:24:44,618 --> 00:24:47,854

Well, as it so happens,

566

00:24:47,888 --> 00:24:49,656

I do know a little secret

567

00:24:49,689 --> 00:24:51,958

that even those
fancy-pants don't.

568

00:24:52,993 --> 00:24:54,027

What is it?

569

00:24:54,060 --> 00:24:55,729

I'll tell ya.

570

00:24:55,762 --> 00:24:58,531

When you're older. Now
get to sleep. [chuckles]

571

00:25:02,535 --> 00:25:03,737

[exhales]

572

00:25:05,005 --> 00:25:06,606

We should go, Amma.

573

00:25:06,640 --> 00:25:08,108

Where's that, then?

574

00:25:08,141 --> 00:25:10,210

- To the Galeries Gourmet.

- What?

575

00:25:10,243 --> 00:25:12,212

- And start a shop?

- Yeah.

576

00:25:12,245 --> 00:25:14,915

With our name above the
door and everything.

577

00:25:14,948 --> 00:25:16,950

That's a wonderful dream, honey.

578

00:25:17,851 --> 00:25:19,653

Is that all it is?

579

00:25:20,887 --> 00:25:22,489

Just a dream?

580

00:25:23,924 --> 00:25:25,025

Hey now.

581

00:25:28,128 --> 00:25:32,232

Every good thing in this
world started with a dream.

582

00:25:32,265 --> 00:25:34,701

So you hold on to yours.

583

00:25:34,734 --> 00:25:36,937

And when you do share
chocolate with the world,

584

00:25:36,970 --> 00:25:40,540

oh, I'll be right
there beside ya.

585

00:25:40,573 --> 00:25:41,541

Promise?

586

00:25:41,574 --> 00:25:42,776

Do better than that.

587

00:25:42,809 --> 00:25:45,078

[chuckles] I pinkie promise.

588

00:25:47,113 --> 00:25:48,581

Now,

589

00:25:48,615 --> 00:25:49,616

sleep.

590

00:25:52,652 --> 00:25:54,955

[Noodle] *<i>So, what
was it, Willy?*

591

00:25:55,889 --> 00:25:57,958

<i>What was the secret?

592

00:25:57,991 --> 00:25:59,592

[Willy] *<i>I never found out.*

593

00:26:00,961 --> 00:26:04,164

<i>Soon after, she fell sick.

594

00:26:04,197 --> 00:26:07,534

<i>And before I knew it, all I had
left was her bar of chocolate.</i>

595

00:26:12,138 --> 00:26:14,274

That's why I'm here, Noodle.

596

00:26:14,307 --> 00:26:17,544

So I can feel the same
way I did back then,

597

00:26:17,577 --> 00:26:19,179

eating chocolate with her.

598

00:26:20,847 --> 00:26:22,916

What do you mean?

599

00:26:22,949 --> 00:26:25,127

My mom once promised that when I
share chocolate with the world,

600

00:26:25,151 --> 00:26:27,020

she'd be right there beside me.

601

00:26:27,053 --> 00:26:28,788

[machine clicking]

602

00:26:28,822 --> 00:26:31,024

I know it sounds crazy,

but I always hoped

603

00:26:31,057 --> 00:26:32,337

she'd somehow keep that promise.

604

00:26:34,294 --> 00:26:36,529

She might even

tell me her secret.

605

00:26:37,697 --> 00:26:38,932

[bell dings]

606

00:26:40,967 --> 00:26:42,035

[both chuckle]

607

00:26:42,802 --> 00:26:44,237

Here. Try one.

608

00:27:02,889 --> 00:27:05,091

Wish you hadn't done that.

609

00:27:05,125 --> 00:27:07,761

- You don't like it?

- No,

610

00:27:07,794 --> 00:27:10,163

I like it. It's just...

611

00:27:10,930 --> 00:27:13,033

What?

612

00:27:13,066 --> 00:27:17,604

Now each day I don't have
chocolate will be a little harder.

613

00:27:17,637 --> 00:27:21,207

Then how would you like to have all
the chocolate you can eat, every day,

614

00:27:21,241 --> 00:27:22,742

for the rest of your life?

615

00:27:22,776 --> 00:27:23,910

A lifetime supply?

616

00:27:23,943 --> 00:27:26,179

A lifetime supply.

617

00:27:26,212 --> 00:27:27,313

What would I have to do?

618

00:27:27,347 --> 00:27:29,182

Not much. Just get

me out of here.

619

00:27:29,215 --> 00:27:31,184

- [gasps] Are you crazy?

- Shh!

620

00:27:31,217 --> 00:27:33,186

It's easy. I'll get

someone to cover my shift,

621

00:27:33,219 --> 00:27:34,830

and you could smuggle me
out in your laundry cart.

622

00:27:34,854 --> 00:27:36,098

- But I...

- Just for a few hours, mind.

623

00:27:36,122 --> 00:27:37,791

No one will even
know I was gone.

624

00:27:37,824 --> 00:27:39,626

What's the point of that?

625

00:27:39,659 --> 00:27:41,303

To sell chocolate, o' course!
We'll split the profits

626

00:27:41,327 --> 00:27:42,671

and pay off Mrs.

Scrubitt in no time.

627

00:27:42,695 --> 00:27:44,097

It's a nice idea, Willy.

628

00:27:44,130 --> 00:27:46,099

- It's a great idea.

- But it'll never work.

629

00:27:46,132 --> 00:27:47,834

'Course it will.

Eat your chocolate.

630

00:27:47,867 --> 00:27:49,969

[Noodle] You don't understand.

631

00:27:50,003 --> 00:27:52,605

Mrs. Scrubitt's like a hawk. She
keeps her beady eye on everything

632

00:27:52,639 --> 00:27:54,874

that comes in and out of
the Wash House except...

633

00:27:55,909 --> 00:27:56,910

Huh.

634

00:27:57,677 --> 00:27:58,678

What is it?

635

00:27:59,279 --> 00:28:00,780

No, it's nothing.

636

00:28:00,814 --> 00:28:01,915

Oh, okay.

637

00:28:02,416 --> 00:28:03,817

Huh.

638

00:28:03,850 --> 00:28:05,285

Double-huh! That's
not nothing.

639

00:28:05,318 --> 00:28:07,029

That's the Silver Lining.

It's given you an idea.

640

00:28:07,053 --> 00:28:09,656

Okay. So, the one time
she dropped her guard

641

00:28:09,689 --> 00:28:11,624

was when this aristocrat
came to the laundry.

642

00:28:11,658 --> 00:28:13,393

He was only asking
for directions,

643

00:28:13,427 --> 00:28:15,628

but she was all over
him like a rash.

644

00:28:15,662 --> 00:28:16,996

It was disgusting.

645

00:28:17,030 --> 00:28:18,331

That's it, Noodle.

646

00:28:18,364 --> 00:28:19,899

All we have to do is
find an aristocrat

647

00:28:19,933 --> 00:28:21,768

and slip out while
she's distracted.

648

00:28:21,801 --> 00:28:23,404

Yeah, but...

649

00:28:23,437 --> 00:28:25,672

where are we going to
find an aristocrat?

650

00:28:26,873 --> 00:28:27,874

[ding]

651

00:28:28,741 --> 00:28:29,776

Huh.

652

00:28:29,809 --> 00:28:30,810

Huh?

653

00:28:31,811 --> 00:28:32,879

Huh.

654

00:28:32,912 --> 00:28:34,114

A double-huh.

655

00:28:34,147 --> 00:28:35,324

Do you have a pencil and paper?

656

00:28:35,348 --> 00:28:37,851

- Uh-huh.

- I got an idea.

657

00:28:41,221 --> 00:28:42,755

[distant singing]

658

00:28:46,726 --> 00:28:48,161

[soft music playing]

659

00:28:48,194 --> 00:28:50,396

- [male choir singing]

- [knocks along to song]

660

00:28:51,264 --> 00:28:52,732

[lock clicks]

661

00:28:57,438 --> 00:28:59,440

I've come to make a confession.

662

00:28:59,473 --> 00:29:01,841

[singing continues]

663

00:29:01,875 --> 00:29:04,144

You sound great,

fellas. Keep it up.

664

00:29:09,215 --> 00:29:11,418

Forgive me, Father,

for I have sinned.

665

00:29:13,420 --> 00:29:16,923

I have had 150 of these

since my last confession.

666

00:29:19,759 --> 00:29:22,228

Temptation is very
hard to resist.

667

00:29:25,732 --> 00:29:27,434

Mmm.

668

00:29:27,468 --> 00:29:28,935

[chief] Send me down.

669

00:29:30,236 --> 00:29:32,672

- [whirring]
- I'll see you later.

670

00:29:34,207 --> 00:29:35,409

[elevator dings]

671

00:29:37,944 --> 00:29:39,679

[woman] Good evening, Chief.

672

00:29:40,447 --> 00:29:41,482

They're all waiting.

673

00:29:41,515 --> 00:29:42,916

Thank you very much.

674

00:29:45,185 --> 00:29:47,787

Good evening, gentlemen.

I've brought my invoice.

675

00:29:47,820 --> 00:29:51,492

One chocolatier moved
on for the usual fee.

676

00:29:51,525 --> 00:29:53,059

Oh. [chuckles]

677

00:29:53,092 --> 00:29:54,394

Here we go, baby.

678

00:29:54,428 --> 00:29:56,095

There's the good stuff. Yeah.

679

00:29:56,129 --> 00:29:58,064

[Slugworth] Tell me, Chief...

[chief] Mm-hmm?

680

00:29:58,097 --> 00:30:00,042

How would you like to

earn a few more of those?

681

00:30:00,066 --> 00:30:01,435

Oh, I am listening.

682

00:30:01,468 --> 00:30:03,236

[Slugworth] We

think that Mr. Wonka

683

00:30:03,269 --> 00:30:07,207

might require a little

more than simply moving on.

684

00:30:07,240 --> 00:30:08,808

- Oh.

- [Slugworth] He's good.

685

00:30:08,841 --> 00:30:09,976

Too good.

686

00:30:10,009 --> 00:30:11,277

And what's more,

687

00:30:11,311 --> 00:30:13,813

he only charges a

sovereign a chocolate.

688

00:30:13,846 --> 00:30:16,249

So anyone can afford

them, even the...

689

00:30:18,117 --> 00:30:19,953

You know, the...

690

00:30:19,986 --> 00:30:22,489

- The poor?

- [gags] Oh, dear.

691

00:30:22,523 --> 00:30:25,325

I've just been a little
bit sick in my mouth.

692

00:30:25,358 --> 00:30:27,026

Could you please
refrain from mentioning

693

01:20:10,076 --> 01:20:11,421

- Oh, you did it again.

- [chair whirring]

1881

01:20:11,445 --> 01:20:12,955

Tell me what it is,

or I shall poke you

1882

01:20:12,979 --> 01:20:14,256

quite viciously with
a cocktail stick.

1883

01:20:14,280 --> 01:20:16,182

Look. Where Slugworth
shook my hand.

1884

01:20:16,216 --> 01:20:18,251

His ring left a mark. See?

1885

01:20:18,284 --> 01:20:20,253

It's an "A," surrounded by "S"s.

1886

01:20:20,286 --> 01:20:22,822

So what? His name
is Arthur Slugworth.

1887

01:20:22,855 --> 01:20:24,425

It's probably a family ring.

1888

01:20:24,458 --> 01:20:26,159

Yes, but Noodle has
one just like it.

1889

01:20:26,192 --> 01:20:28,027

- Noodle?
- Uh-huh.

1890

01:20:28,061 --> 01:20:31,798

Why would Noodle the orphan
have a Slugworth family ring?

1891

01:20:31,831 --> 01:20:33,467

There's only one
reason I can think of.

1892

01:20:33,500 --> 01:20:35,168

Which is?

1893

01:20:35,201 --> 01:20:36,779

And if I'm correct, Noodle
could be in grave danger.

1894

01:20:36,803 --> 01:20:38,871

Well, come on,
Wonka. Spit it out.

1895

01:20:38,905 --> 01:20:40,773

Produce your owl
pellet of wisdom.

1896

01:20:40,807 --> 01:20:42,242

There's no time.
I gotta get back.

1897

01:20:42,275 --> 01:20:44,177

- Captain!
- Wonka?

1898

01:20:44,210 --> 01:20:47,481

Come back here. Wonka!
I demand an explanation.

1899

01:20:47,514 --> 01:20:48,514

Captain?

1900

01:20:50,417 --> 01:20:54,220

On second thoughts, the
explanation can wait.

1901

01:20:54,254 --> 01:20:55,288

Good day to you.

1902

01:20:56,289 --> 01:20:57,290

[water splashes]

1903

01:20:59,259 --> 01:21:00,360

[water splashes]

1904

01:21:04,431 --> 01:21:05,898

[chief] Well, gentlemen,

1905

01:21:05,932 --> 01:21:08,535

one dead chocolatier,
as requested.

1906

01:21:10,370 --> 01:21:11,871

Miss Bon-Bon?

1907

01:21:11,904 --> 01:21:13,239

[Miss Bon-Bon]

<i>Yes, Mr. Slugworth?</i>

1908

01:21:13,273 --> 01:21:14,774

Give the chief his chocolate.

1909

01:21:23,316 --> 01:21:25,084

[Mrs. Scrubitt] <i>My, my.</i>

1910

01:21:25,118 --> 01:21:27,920

What a lot o' long
faces this morning.

1911

01:21:27,954 --> 01:21:30,923

It's almost as though you lot
had a sneaky little scheme

1912

01:21:30,957 --> 01:21:33,026

to try and wriggle
out of your contracts.

1913

01:21:33,059 --> 01:21:36,162

- Which spectacularly misfired.

- [Bleacher grunts, chuckles]

1914

01:21:36,195 --> 01:21:38,097

But I've got some

good news for you lot,

1915

01:21:38,131 --> 01:21:39,932

not that you deserve it.

1916

01:21:39,966 --> 01:21:43,202

Your friend, Mr. Wonka, done

a deal with Mr. Slugworth.

1917

01:21:43,236 --> 01:21:44,571

What?

1918

01:21:44,605 --> 01:21:47,907

Gave up on his dream to

settle your accounts.

1919

01:21:48,975 --> 01:21:50,343

- Mr. Crunch.

- Present.

1920

01:21:54,347 --> 01:21:55,416

You're free to go.

1921

01:21:57,016 --> 01:21:58,318

Scram, bookworm.

1922

01:21:58,351 --> 01:21:59,852

[Mrs. Scrubitt]

Bell. [Lottie] Hello.

1923

01:21:59,886 --> 01:22:01,030

[Mrs. Scrubitt] Sling yer hook.

1924

01:22:01,054 --> 01:22:02,388

Benz.

1925

01:22:02,423 --> 01:22:04,223

You ain't gotta tell

me twice. [chuckles]

1926

01:22:04,257 --> 01:22:05,559

[Mrs. Scrubitt] Chucklesworth.

1927

01:22:05,592 --> 01:22:07,193

You've been a terrible audience.

1928

01:22:07,226 --> 01:22:08,895

Good night!

1929

01:22:08,928 --> 01:22:10,072

Yeah, well, you ain't been
much of a comedian, mate.

1930

01:22:10,096 --> 01:22:12,365

- [Larry] I know.

- Hey, Larry.

1931

01:22:12,398 --> 01:22:15,134

Keep going. You've
got something.

1932

01:22:15,168 --> 01:22:16,437

You scare me.

1933

01:22:16,470 --> 01:22:19,440

[Mrs. Scrubitt] And

finally, Noodle.

1934

01:22:19,473 --> 01:22:22,175

Biggest pile o' the lot.

1935

01:22:22,208 --> 01:22:24,611

But this isn't to pay your bill.

1936

01:22:24,645 --> 01:22:27,080

- This is to keep you here.

- [door shuts]

1937

01:22:27,113 --> 01:22:28,482

- What do you mean?

- [door locks]

1938

01:22:28,515 --> 01:22:30,950

[Mrs. Scrubitt] My

friend, Mr. Slugworth,

1939

01:22:30,983 --> 01:22:32,985

doesn't think nasty

little urchins like you

1940

01:22:33,019 --> 01:22:34,187

should be out on the streets,

1941

01:22:34,220 --> 01:22:35,888

lowering the tone.

1942

01:22:35,922 --> 01:22:38,024

So, he gave me this money

1943

01:22:38,057 --> 01:22:41,495

to keep you down in the

Wash House for good.

1944

01:22:41,528 --> 01:22:44,297

And I'm only too

happy to oblige.

1945

01:22:44,330 --> 01:22:45,666

- I hate you!

- [Bleacher] Hey!

1946

01:22:45,699 --> 01:22:47,076

- Hey, hey, hey.

- [Mrs. Scrubitt laughs]

1947

01:22:47,100 --> 01:22:49,001

Look at her go,

Lord Bleachowitz.

1948

01:22:49,035 --> 01:22:50,671

- [both laugh]

- Lord Bleachowitz?

1949

01:22:50,704 --> 01:22:52,539

You don't still think

he's a lord, do you?

1950

01:22:52,573 --> 01:22:54,006

What?

1951

01:22:54,040 --> 01:22:56,142

We made it up, you
stupid old hag.

1952

01:22:56,175 --> 01:22:57,910

[Bleacher] She's...
she's lying.

1953

01:22:57,944 --> 01:23:00,279

Right, that's it, you
horrible little brat.

1954

01:23:00,313 --> 01:23:03,049

You're goin' in
the coop, my girl.

1955

01:23:03,082 --> 01:23:05,952

And you! Take them
dungarees off,

1956

01:23:05,985 --> 01:23:08,955

you... you peasant. [sobs]

1957

01:23:08,988 --> 01:23:10,691

But Puffy-wuffy.

1958

01:23:10,724 --> 01:23:12,158

I wuv you.

1959

01:23:13,259 --> 01:23:14,327

[Noodle gasps]

1960

01:23:15,962 --> 01:23:18,131

- [lock clicks]

- [breathing heavily]

1961

01:23:22,603 --> 01:23:24,605

[wings fluttering]

1962

01:23:26,339 --> 01:23:28,374

[cooing]

1963

01:23:30,744 --> 01:23:32,011

[thud]

1964

01:23:35,214 --> 01:23:36,214

[footsteps approaching]

1965

01:23:39,218 --> 01:23:40,654

Hello, Noodle.

1966

01:23:40,687 --> 01:23:43,557

[gasps] Willy. I

thought you'd gone.

1967

01:23:44,257 --> 01:23:45,526

I did.

1968

01:23:45,559 --> 01:23:47,293

Slugworth promised

you a better life,

1969

01:23:47,326 --> 01:23:49,630

but he didn't exactly keep

his side of the bargain.

1970

01:23:49,663 --> 01:23:51,498

So I came back. We all did.

1971

01:23:51,532 --> 01:23:53,065

[Piper] Hey, Noodle.

[Abacus] How do?

1972

01:23:53,099 --> 01:23:54,577

[Lottie] Hey. [Larry

gurgling] Surprise!

1973

01:23:54,601 --> 01:23:56,302

[Noodle] He wants me

locked up forever.

1974

01:23:56,335 --> 01:23:58,004

Yeah, well, that figures.

1975

01:23:58,037 --> 01:24:00,273

Why? What's he got against me?

1976

01:24:00,306 --> 01:24:02,308

I don't know,

Noodle. Not for sure.

1977

01:24:02,341 --> 01:24:04,521

All I know for certain is that
you won't be safe until Slugworth

1978

01:24:04,545 --> 01:24:07,514

- is behind bars.

- [footsteps approaching]

1979

01:24:07,548 --> 01:24:10,451

And how exactly is that
supposed to happen?

1980

01:24:10,484 --> 01:24:12,385

Abacus. You said
the Cartel keep

1981

01:24:12,419 --> 01:24:13,696

a record of all
their dirty deeds.

1982

01:24:13,720 --> 01:24:15,388

In the green ledger, yes.

1983

01:24:15,422 --> 01:24:16,989

[Willy] So if we can
get hold o' that,

1984

01:24:17,023 --> 01:24:18,300

we can prove that they
poisoned our chocolate.

1985

01:24:18,324 --> 01:24:19,636

Scrubitt and Bleacher
would go to jail,

1986

01:24:19,660 --> 01:24:20,993

and we'll all be free.

1987

01:24:21,027 --> 01:24:23,129

Uh, yes, but may I remind you,

1988

01:24:23,162 --> 01:24:25,064

they keep that
ledger in a vault.

1989

01:24:25,097 --> 01:24:26,533

Guarded by a corrupt cleric.

1990

01:24:26,567 --> 01:24:29,035

And 500 chocoholic monks.

1991

01:24:29,068 --> 01:24:31,404

- [group] Mm-hmm.

- That's all true.

1992

01:24:31,438 --> 01:24:34,040

But I went for a long,
cold swim this morning.

1993

01:24:34,073 --> 01:24:35,485

Cold water is very
good for the brain.

1994

01:24:35,509 --> 01:24:37,376

Stimulates the neural pathways.

1995

01:24:37,411 --> 01:24:39,413

And after just four
miles, it came to me.

1996

01:24:39,446 --> 01:24:41,214

How an ingenious orphan,

1997

01:24:41,247 --> 01:24:42,381

an accountant, a plumber,

1998

01:24:42,416 --> 01:24:44,418

a telephone exchange operator,

1999

01:24:44,451 --> 01:24:46,152

and a man who can

speak underwater,

2000

01:24:46,185 --> 01:24:47,488

could combine those talents,

2001

01:24:47,521 --> 01:24:49,355

and pull off the

heist of the century.

2002

01:24:49,388 --> 01:24:52,258

But even if we do get
our hands on that ledger,

2003

01:24:52,291 --> 01:24:55,127

the Cartel will simply bribe
their way out of trouble.

2004

01:24:55,161 --> 01:24:57,330

- It's what they do.

- [sighs]

2005

01:24:57,363 --> 01:24:59,098

[Noodle] The greedy
beat the needy, Willy.

2006

01:24:59,131 --> 01:25:01,067

It's just the way of the world.

2007

01:25:01,100 --> 01:25:02,569

[Willy] You're right, Noodle.

2008

01:25:02,603 --> 01:25:04,447

I guess that's why there's
one other thing to do.

2009

01:25:04,471 --> 01:25:06,773

- What's that?

- [softly] Change the world.

2010

01:25:10,276 --> 01:25:11,310

[Piper] Whoa!

2011

01:25:11,344 --> 01:25:12,646

[chuckles]

2012

01:25:12,679 --> 01:25:13,780

Where do we start?

2013

01:25:13,814 --> 01:25:16,315

[bell tolling]

2014

01:25:24,357 --> 01:25:26,359

[knocks rhythmically]

2015

01:25:26,392 --> 01:25:28,361

[in English accent]

'Scuse me, sir.

2016

01:25:28,394 --> 01:25:31,063

Could you spare a piece of
chocolate for a starvin' orphan?

2017

01:25:31,097 --> 01:25:34,568

I'm sorry, my child. I
don't have any on me.

2018

01:25:34,601 --> 01:25:36,102

[Noodle] Oh.

2019

01:25:37,838 --> 01:25:39,506

[whispers] Then have
some acacia mints.

2020

01:25:40,607 --> 01:25:41,608

Yes!

2021

01:25:42,576 --> 01:25:44,310

[door creaking]

2022

01:25:44,343 --> 01:25:47,213

[Basil] "To Basil Bond,
employee of the week."

2023

01:25:47,246 --> 01:25:48,515

[munches] Oh, that's lovely...

2024

01:25:48,549 --> 01:25:50,216

[groans drowsily]

2025

01:25:50,249 --> 01:25:51,785

[snoring]

2026

01:26:00,359 --> 01:26:02,361

Everything all right back there?

2027

01:26:02,395 --> 01:26:04,798

Everything's fine.

Isn't it, Abigail?

2028

01:26:04,831 --> 01:26:06,767

[snorts]

2029

01:26:06,800 --> 01:26:08,535

Tell her she might want to duck.

2030

01:26:08,569 --> 01:26:10,336

[Willy] Tell her she
might wanna what?

2031

01:26:10,369 --> 01:26:11,369

[Abacus] Duck!

2032

01:26:13,807 --> 01:26:15,341

[snorts]

2033

01:26:15,374 --> 01:26:16,653

[Father Julius] Good
morning, brethren.

2034

01:26:16,677 --> 01:26:18,177

[monks chant] Good

morning, Father.

2035

01:26:18,210 --> 01:26:19,780

[Father Julius] Now,

as you all know,

2036

01:26:19,813 --> 01:26:22,348

it's Baron von

Schmeichelhammer's funeral today.

2037

01:26:22,381 --> 01:26:25,752

And his widow is...

2038

01:26:25,786 --> 01:26:28,622

- a bit of a pious type.

- [monks] Ugh!

2039

01:26:28,655 --> 01:26:30,198

[Father Julius] So, I

don't want to see anyone

2040

01:26:30,222 --> 01:26:32,258

eating chocolate

during the service.

2041

01:26:32,291 --> 01:26:33,894

[monks chant] Yes, Father.

2042

01:26:33,927 --> 01:26:35,429

We all know that one day,

2043

01:26:35,462 --> 01:26:37,431

we shall be judged for our sins,

2044

01:26:37,464 --> 01:26:40,634

but it's not going to be today.

2045

01:26:40,667 --> 01:26:42,436

[monks chant] Amen.

2046

01:26:43,169 --> 01:26:44,403

[bell tolls]

2047

01:26:49,275 --> 01:26:50,744

[Abigail snorting]

2048

01:26:53,680 --> 01:26:56,349

[continues snorting]

2049

01:26:56,382 --> 01:26:57,918

[Father Julius] There, there.

2050

[Slugworth] Well, this
is all very touching,

2219

01:34:29,202 --> 01:34:30,904

but back to business.

2220

01:34:30,937 --> 01:34:33,139

We'll take that, thank you.

2221

01:34:33,173 --> 01:34:35,842

How much chocolate do you have at
your factory, Mr. Fickelgruber?

2222

01:34:35,875 --> 01:34:37,977

Oh, about 80,000 gallons.

2223

01:34:38,011 --> 01:34:40,013

- Prodnose?

- [mumbles]

2224

01:34:40,046 --> 01:34:41,114

[Prodnose] Seventy-five?

2225

01:34:41,147 --> 01:34:42,582

[Slugworth] And I've got 150.

2226

01:34:43,417 --> 01:34:45,051

That should be enough.

2227

01:34:45,085 --> 01:34:46,085

For what?

2228

01:34:47,020 --> 01:34:49,756

Death by chocolate.

2229

01:35:01,267 --> 01:35:02,836

[lights buzz]

2230

01:35:03,970 --> 01:35:04,971

[chocolate bubbles]

2231

01:35:07,974 --> 01:35:09,175

On you go.

2232

01:35:27,961 --> 01:35:28,962

Uh, gentlemen.

2233

01:35:30,363 --> 01:35:32,065

Considering the situation,

2234

01:35:32,098 --> 01:35:34,300

I wondered if you'd do a
good deed on my behalf.

2235

01:35:34,334 --> 01:35:35,436

A what?

2236

01:35:35,469 --> 01:35:37,103

"A good deed."

2237

01:35:37,137 --> 01:35:39,072

It's a sort of pointless
act of selflessness...

2238

01:35:39,105 --> 01:35:41,442

Yes, of course, Mr. Wonka.

2239

01:35:41,475 --> 01:35:43,743

What would you like us to do?

2240

01:35:43,776 --> 01:35:45,736

I was wondering if you
could give this to someone.

2241

01:35:46,946 --> 01:35:48,681

Only if you happen to see him.

2242

01:35:48,715 --> 01:35:49,816

And who is it?

2243

01:35:49,849 --> 01:35:52,152

- A little orange man.

- Eh?

2244

01:35:52,185 --> 01:35:53,786

A little orange man.

2245

01:35:53,820 --> 01:35:55,054

About eight inches high,

2246

01:35:55,088 --> 01:35:56,990

with orange skin and

bright green hair.

2247

01:35:57,023 --> 01:36:00,226

I owe him a jar of chocolates,

you see. And, well,

2248

01:36:00,260 --> 01:36:02,962

I think these might be

the best I ever made.

2249

01:36:02,996 --> 01:36:04,230

Well, in that case,

2250

01:36:04,264 --> 01:36:06,232

I'll make sure he

gets them personally.

2251

01:36:11,204 --> 01:36:12,705

Farewell, Mr. Wonka.

2252

01:36:14,073 --> 01:36:15,073

Urchin.

2253

01:36:21,080 --> 01:36:22,348

[whirring]

2254

01:36:27,287 --> 01:36:29,189

- [heavy thudding]

- [Noodle gasps] Willy...

2255

01:36:36,162 --> 01:36:37,764

[handles squeaking]

2256

01:36:39,098 --> 01:36:41,100

[chocolate gurgling]

2257

01:36:54,914 --> 01:36:56,950

What are we gonna do, Willy?

2258

01:36:56,983 --> 01:36:59,453

I don't know, Noodle.

I'll think of something.

2259

01:37:04,525 --> 01:37:06,793

[elevator dings]

2260

01:37:06,826 --> 01:37:08,795

Best chocolate he ever made, eh?

2261

01:37:08,828 --> 01:37:10,964

[Prodnose chuckling excitedly]

2262

01:37:10,997 --> 01:37:12,865

- Whoo-hoo.

- Oh!

2263

01:37:12,899 --> 01:37:14,133

[chocolate bubbling]

2264

01:37:14,167 --> 01:37:15,835

[Willy] I got it!

2265

01:37:15,868 --> 01:37:17,012

[Noodle] What is it? Did
you think of something?

2266

01:37:17,036 --> 01:37:18,404

[Willy] Yes, I did.

2267

01:37:18,439 --> 01:37:20,139

If we're gonna drown
in chocolate, Noodle,

2268

01:37:20,173 --> 01:37:22,375

and let's face it, we're
gonna drown in chocolate,

2269

01:37:22,409 --> 01:37:24,143

then it's gonna be
Wonka chocolate.

2270

01:37:24,177 --> 01:37:27,113

We're not gonna drown,
Willy. Look, there's a light.

2271

01:37:27,146 --> 01:37:29,048

We'll let the
chocolate lift us up,

2272

01:37:29,082 --> 01:37:30,383

we'll bang on the glass,

2273

01:37:30,417 --> 01:37:32,952

and pray somebody hears us.

2274

01:37:32,986 --> 01:37:34,287

That's a much better idea.

2275

01:37:35,855 --> 01:37:37,056

[elevator dings]

2276

01:37:37,090 --> 01:37:38,492

Ah, gentlemen.

2277

01:37:38,525 --> 01:37:40,393

It was a bit of a close
shave this morning,

2278

01:37:40,427 --> 01:37:42,128

and I was wondering if perhaps

2279

01:37:42,161 --> 01:37:44,797

we could rethink our
arrangement. Or...

2280

01:37:47,333 --> 01:37:51,137

Or... just leave
things as they are.

2281

01:37:51,170 --> 01:37:52,171

[Slugworth] Father.

2282

01:37:53,840 --> 01:37:55,808

Well, Wonka might be as
nutty as a fruitcake,

2283

01:37:55,842 --> 01:37:57,377

but he sure knew how
to make chocolate.

2284

01:37:57,411 --> 01:37:59,078

- [Father Julius] Mmm.

- But do you think

2285

01:37:59,112 --> 01:38:01,023

we should have saved some
for the Little Orange Man?

2286

01:38:01,047 --> 01:38:02,483

Tell me you're joking.

2287

01:38:02,516 --> 01:38:05,985

Uh, yes. Yes, I am.

Sorry, why am I?

2288

01:38:06,019 --> 01:38:07,329

[Slugworth] Because
there's no such thing

2289

01:38:07,353 --> 01:38:09,523

as a little orange
man, ya nincompoop.

2290

01:38:11,391 --> 01:38:12,892

[Willy grunting]

2291

01:38:12,925 --> 01:38:14,595

[Willy] Help! [Noodle] Help!

2292

01:38:14,628 --> 01:38:16,195

[Willy] Somebody help, please!

2293

01:38:16,229 --> 01:38:18,231

- Please help!

- Help!

2294

01:38:18,264 --> 01:38:20,567

Look. Look, somebody's

coming. Look.

2295

01:38:20,601 --> 01:38:22,268

Willy, we're saved!

2296

01:38:32,945 --> 01:38:33,945

[Noodle panting]

2297

01:38:35,549 --> 01:38:37,917

- I'm sorry, Noodle.

- Don't be.

2298

01:38:38,918 --> 01:38:41,120

You found my family.

2299

01:38:41,154 --> 01:38:43,089

A mom who loved me.

2300

01:38:44,057 --> 01:38:45,892

That's all I ever wanted.

2301

01:38:47,894 --> 01:38:49,062

Deep breath now.

2302

01:38:50,096 --> 01:38:52,098

[both inhale deeply]

2303

01:39:03,376 --> 01:39:07,146

[Father Julius] Mmm! Exquisite.

2304

01:39:07,180 --> 01:39:09,583

You mustn't let yourself
get so worked up.

2305

01:39:09,616 --> 01:39:12,085

It's just a bit of chocolate.

2306

01:39:12,118 --> 01:39:13,530

- [door opens]

- [Oompa Loompa] Correction.

2307

01:39:13,554 --> 01:39:16,856

It was actually my chocolate.

2308

01:39:21,361 --> 01:39:22,362

[elevator dings]

2309

01:39:24,097 --> 01:39:27,434

You have made a very
grave error, gentlemen.

2310

01:39:27,468 --> 01:39:29,302

You steal from an Oompa Loompa,

2311

01:39:29,335 --> 01:39:30,403

we take back

2312

01:39:30,437 --> 01:39:31,638

a thousandfold.

2313

01:39:33,339 --> 01:39:35,509

- [chocolate draining]

- [both gasping for air]

2314

01:39:39,646 --> 01:39:41,080

What's going on, Willy?

2315

01:39:42,081 --> 01:39:44,050

It's draining, Noodle.

2316

01:39:44,083 --> 01:39:46,052

We've been saved!

2317

01:39:46,085 --> 01:39:48,154

- By who?

- I don't know.

2318

01:39:49,523 --> 01:39:51,525

By the Little Orange

Man! [chuckling]

2319

01:39:51,558 --> 01:39:52,593

- Look.

- Wh...

2320

01:39:52,626 --> 01:39:55,027

[Willy] The Little Orange Man!

2321

01:39:55,061 --> 01:39:57,464

[screaming] Thank you,
Little Orange Man! Thank you!

2322

01:39:57,498 --> 01:39:59,932

- [Willy cheering]

- [Noodle squealing]

2323

01:39:59,966 --> 01:40:01,267

[both cheering]

2324

01:40:11,043 --> 01:40:13,045

[siren ringing]

2325

01:40:14,548 --> 01:40:16,349

[brakes screech]

2326

01:40:20,621 --> 01:40:23,156

Gentlemen. Thank
goodness you're okay.

2327

01:40:23,189 --> 01:40:24,491

I came as fast as I could.

2328

01:40:26,727 --> 01:40:28,394

[chief grunting]

2329

01:40:33,332 --> 01:40:35,201

Whew! Car shrunk.

2330

01:40:35,234 --> 01:40:36,570

[Slugworth] I'm sure it did.

2331

01:40:36,603 --> 01:40:38,180

And you've nothing to
worry about, Chief.

2332

01:40:38,204 --> 01:40:39,606

All under control.

2333

01:40:39,640 --> 01:40:40,983

A couple of thieves
broke in, but I'm afraid

2334

01:40:41,007 --> 01:40:44,043

they met with a

little... accident.

2335

01:40:44,076 --> 01:40:46,747

In which they died.

2336

01:40:46,780 --> 01:40:48,449

[Prodnose chuckling]

2337

01:40:48,482 --> 01:40:50,058

[chuckling] That's actually
rather good, Gerald.

2338

01:40:50,082 --> 01:40:51,628

[Willy] I wouldn't be
so sure about that.

2339

01:40:51,652 --> 01:40:53,487

Officer, would you kindly
take a look at this?

2340

01:40:53,520 --> 01:40:55,188

Wonka!

2341

01:40:55,221 --> 01:40:56,122

[Noodle] It details every
single illegal payment

2342

01:40:56,155 --> 01:40:58,024

these men have ever made.

2343

01:40:58,057 --> 01:40:59,560

Thousands of them.

2344

01:40:59,593 --> 01:41:02,161

[scoffs] Affable, don't
listen to her. She's lyin'.

2345

01:41:02,195 --> 01:41:03,740

Well, of course she is.

[chuckles nervously]

2346

01:41:03,764 --> 01:41:05,298

[Affable] She's not, sir.

2347

01:41:05,331 --> 01:41:06,633

She's absolutely right.

2348

01:41:07,434 --> 01:41:08,435

It's incredible.

2349

01:41:09,302 --> 01:41:10,637

Oh. Well.

2350

01:41:10,671 --> 01:41:12,606

Then that sounds like a case

2351

01:41:12,639 --> 01:41:15,007

for the Chief of

Police. [chuckles]

2352

01:41:15,041 --> 01:41:17,152

So you give it to me, Affable, I'll,

uh... I'll take it off your hands.

2353

01:41:17,176 --> 01:41:18,455

You know, save

you the paperwork.

2354

01:41:18,479 --> 01:41:20,213

I can't do that,

I'm afraid, sir.

2355

01:41:20,246 --> 01:41:21,582

[chuckles] Why's that?

2356

01:41:21,615 --> 01:41:23,484

Because your name is

written down here.

2357

01:41:23,517 --> 01:41:24,551

Huh?

2358

01:41:24,585 --> 01:41:26,520

- A lot.

- Gentlemen...

2359

01:41:26,553 --> 01:41:28,263

- [Affable] You're under arrest.

- [Slugworth] Run.

2360

01:41:28,287 --> 01:41:29,399

[chief] We puttin'
handcuffs on, here?

2361

01:41:29,423 --> 01:41:30,323

- [gasps]
- That's okay, Noodle.

2362

01:41:30,356 --> 01:41:32,091

Give it one second.

2363

01:41:32,124 --> 01:41:34,260

[Cartel exclaiming]

2364

01:41:34,293 --> 01:41:36,095

[Prodnose] What's happening?

2365

01:41:36,128 --> 01:41:37,498

Why are we airborne?

2366

01:41:37,531 --> 01:41:38,775

[Willy] You didn't eat
any of those chocolates,

2367

01:41:38,799 --> 01:41:41,033

- did you, Mr. Slugworth?

- Why?

2368

01:41:41,067 --> 01:41:42,311

[Willy] Because

they're Hoverchocs.

2369

01:41:42,335 --> 01:41:45,204

Delayed action,

but extra strong.

2370

01:41:45,238 --> 01:41:47,282

[Slugworth] You think you're

very clever, don't you, Wonka?

2371

01:41:47,306 --> 01:41:50,243

Well, there's a billion sovereigns

of chocolate beneath our feet.

2372

01:41:50,276 --> 01:41:51,612

We'll get the best lawyers,

2373

01:41:51,645 --> 01:41:54,046

bribe the judge, rig
the jury if we have to.

2374

01:41:54,080 --> 01:41:56,315

We'll be fine.

2375

01:41:56,349 --> 01:41:58,017

I wish I'd thought of that.

2376

01:42:01,421 --> 01:42:02,421

Hey, Noodle!

2377

01:42:03,790 --> 01:42:05,659

[metal banging]

2378

01:42:05,692 --> 01:42:08,529

[handles squeaking]

2379

01:42:08,562 --> 01:42:10,797

- [ground rumbling]

- [crowd exclaiming]

2380

01:42:19,105 --> 01:42:21,073

[all yell]

2381

01:42:21,107 --> 01:42:22,409

[Prodnose] What is that?

2382

01:42:22,442 --> 01:42:23,653

[Slugworth crying]

It's our chocolate!

2383

01:42:23,677 --> 01:42:25,378

[Fickelgruber]

All our chocolate!

2384

01:42:25,412 --> 01:42:26,613

[Prodnose] We're ruined!

2385

01:42:26,647 --> 01:42:27,857

[Willy] Hey, don't

worry, gentlemen.

2386

01:42:27,881 --> 01:42:30,383

You'll come down eventually.

2387

01:42:30,417 --> 01:42:33,386

Probably. I think.

2388

01:42:33,420 --> 01:42:34,721

But until then,

2389

01:42:35,722 --> 01:42:38,592

ladies and gentlemen,

2390

01:42:38,625 --> 01:42:42,261

- Willy Wonka and friends...

- [laughing]

2391
