I hate it when you call me that!

519

00:33:15,199 --> 00:33:18,159

I am not the man

you knew in college, Possible.

520

00:33:18,239 --> 00:33:21,479

Still can't get a date, though,

I bet.

521

00:33:21,559 --> 00:33:25,599

Why is it every Possible I capture

feels the need to give me lip?

522

00:33:25,679 --> 00:33:30,112

Doesn't anyone respect the traditional

captive-captor relationship any more?

523

00:33:30,136 --> 00:33:32,376

Has society just gone

completely to seed?!

524

00:33:32,456 --> 00:33:34,776

If I could interrupt your rant
to point out that

525

00:33:34,856 --> 00:33:37,536

I'm not telling you anything
about the project.

526

00:33:37,616 --> 00:33:39,816

Oh, I anticipated that.

527

00:33:39,896 --> 00:33:41,136

You know what they say.

528

00:33:41,216 --> 00:33:43,056

If you want to make an omelet,

529

00:33:43,136 --> 00:33:46,176

you've gotta break
a few eggheads.

530

00:33:46,915 --> 00:33:48,245

(BONES CRACK)

531

00:33:48,270 --> 00:33:50,350

Okay, hold the phone, here.

532

00:33:52,096 --> 00:33:54,576

COMPUTER: Do you wish
to delete File Hephaestus?

533

00:33:54,656 --> 00:33:56,736

- No!

- Yes.

534

00:33:56,816 --> 00:33:59,416

COMPUTER: Dr. Possible
voice print acknowledged.

535

00:33:59,496 --> 00:34:01,336

You deleted it. Are you mad?

536

00:34:01,416 --> 00:34:04,816

No worries. Got it all up here.

537

00:34:04,896 --> 00:34:08,936

Well, good news then, because

I have a brain-tap machine

538

00:34:09,016 --> 00:34:12,616

and I've been

just dying to use it.

539

00:34:14,176 --> 00:34:16,416

(PAGER BEEPS)

540

00:34:24,878 --> 00:34:26,998

- Dude, your clip-on tie.

- Clipped off.

541

00:34:27,078 --> 00:34:29,318

- But you're assistant manager.

- Not any more.

542

00:34:29,398 --> 00:34:31,478

- Lars is in charge.

- Lars?

543

00:34:31,558 --> 00:34:34,198

Home office sent him.

Change is in the air.

544

00:34:34,278 --> 00:34:36,838

Serious change. Kiddy meals.

545

00:34:36,918 --> 00:34:39,678

- With toys in them?

- Affirmative.

546

00:34:39,758 --> 00:34:41,918

Wait, I don't get...

What's wrong with that?

547

00:34:41,998 --> 00:34:45,038

Imagine the brat factor.

Next they'll add a playground.

548

00:34:45,118 --> 00:34:46,718

And then what?

549

00:34:46,798 --> 00:34:50,118

- A spokesclown?

- Really? What would that pay?

550

00:34:50,198 --> 00:34:53,118

(BEEPS AND BUZZES)

551

00:34:53,958 --> 00:34:55,798

RON: Kim? 911!

552

00:34:57,198 --> 00:34:59,478

Drakken has my dad.

553

00:35:04,398 --> 00:35:06,878

I don't like this.

It feels too...

554

00:35:06,958 --> 00:35:09,518

- Trappish?

- Not a word, but yes.

555

00:35:18,438 --> 00:35:22,918

Kim Possible and her sidekick,

whose name escapes me.

556

00:35:22,998 --> 00:35:26,518

After all our battles,
how can he not know my name?

557

00:35:26,598 --> 00:35:30,318

Miss Possible, you would do well
to save your energy.

558

00:35:30,398 --> 00:35:32,598

Your father
is in quite a pickle.

559

00:35:35,478 --> 00:35:37,438

Dad!

560

00:35:39,958 --> 00:35:44,198

I must warn you,
my latest death ray is killer.

561

00:35:44,278 --> 00:35:46,598

Isn't that redundant?

562

00:35:46,678 --> 00:35:48,238

KP!

563

00:35:58,238 --> 00:36:02,238

I wish I could be there but I'm
busy settling into my new lair,

564

00:36:02,358 --> 00:36:05,118

the lair from which I shall
take over the world.

565

00:36:05,198 --> 00:36:08,838

Farewell, Kim Possible.

Farewell...

566

00:36:08,918 --> 00:36:12,078

What's his name again?

Whatever, you know who you are.

567

00:36:12,198 --> 00:36:15,078

I mean, come on, it's really
not a hard name to remember.

568

00:36:15,158 --> 00:36:17,398

- Ron...

- Yes, thank you.

569

00:36:27,518 --> 00:36:28,958

Hey!

570

00:36:32,878 --> 00:36:34,998

Syntho-Drones. Gross!

571

00:36:35,078 --> 00:36:36,878

I'll have you

out of there in no time.

572

00:36:36,958 --> 00:36:38,758

- Ronald!

- What?

573

00:36:38,838 --> 00:36:42,598

- Look out.

- Oww! Oww! Oww!

574

00:36:48,438 --> 00:36:51,038

Ron, quit fooling around.

575

00:36:51,118 --> 00:36:53,078

Oww! Oww! Oww!

576

00:36:57,358 --> 00:36:58,678

Thanks, Rufus.

577

00:37:02,051 --> 00:37:03,851

Kim!

578

00:37:20,998 --> 00:37:23,398

(PUNCHES)

579

00:37:26,638 --> 00:37:29,798

- Dad, are you okay?

- Yep. Least, I think so.

580

00:37:29,878 --> 00:37:31,998

What exactly did

Drakken do to you?

581

00:37:32,078 --> 00:37:34,118

I... I have no idea.

582

00:37:34,198 --> 00:37:35,998

He captured you

in your lab, right?

583

00:37:36,118 --> 00:37:38,358

Did he? I don't remember.

584

00:37:38,438 --> 00:37:42,198

I remember wanting bacon

on my pizza. Then nothing.

585

00:37:42,278 --> 00:37:46,158

- Come on, better get you home.

- Which is where?

586

00:37:47,638 --> 00:37:49,318

You saved your dad?!

587

00:37:49,398 --> 00:37:51,918

- So not the drama.

- You know what this means.

588

00:37:51,998 --> 00:37:53,878

- You got it goin' on.

- I do?

589

00:37:53,958 --> 00:37:56,158

Yeah! You can never

be grounded, girl.

590

00:37:56,238 --> 00:37:58,718

Why did evil dude

pull the dad-napping anyway?

591

00:37:58,798 --> 00:38:02,118

To play me, I guess. Something's

off the road, here, though.

592

00:38:02,198 --> 00:38:05,358

Usually, I can crack Drakken's

sicko plots no prob.

593

00:38:05,478 --> 00:38:07,558

This time, it's all so random.

594

00:38:07,638 --> 00:38:11,638

I want something that says, "This
girl is too fine for you, baby boy."

595

00:38:11,718 --> 00:38:14,198

You think I can pull this off?

596

00:38:14,318 --> 00:38:16,518

Pull it off

and throw it away! Euch!

597

00:38:16,598 --> 00:38:18,678

Maybe I should

just raid my closet.

598

00:38:18,758 --> 00:38:21,478

Not for the prom.

You're gonna be Kimderella.

599

00:38:21,558 --> 00:38:23,478

- Kim, hey.

- Hey.

600

00:38:23,558 --> 00:38:26,678

- You should buy that dress.

- I should?

601

00:38:26,758 --> 00:38:31,158

Yeah. And I know I've only gone
to Middleton for five minutes,

602

00:38:31,238 --> 00:38:32,598

but, about this prom...

603

00:38:32,678 --> 00:38:34,238

Have you met Ron Stoppable?

604

00:38:34,318 --> 00:38:36,198

Kim and Ron
are, like, inseparable.

605

00:38:36,278 --> 00:38:39,558

Is that Brick out there, hitting
on the girl in Earring World?

606

00:38:39,678 --> 00:38:41,918

He's hypnotized
by her big hoops!

607

00:38:41,998 --> 00:38:43,078

(ALARM RINGS)

608

00:38:43,158 --> 00:38:45,198

What's the sitch?

609

00:38:45,278 --> 00:38:46,558

What? What?

610

00:38:46,638 --> 00:38:49,198

- Dude...

- XYZ?

611

00:38:55,398 --> 00:38:57,478

Wanna go get a bite?

612

00:38:57,558 --> 00:39:00,558

Hey, it's pretty weird to just
run into you here, isn't it?

613

00:39:01,718 --> 00:39:03,678

SHEGO: What is he up to?

614

00:39:03,758 --> 00:39:07,278

Toy design, top secret
cybertronic technology,

615

00:39:07,358 --> 00:39:10,998

Syntho-Drone personality
and performance upgrades,

616

00:39:11,078 --> 00:39:13,678

and teen-zine junk?

617

00:39:13,798 --> 00:39:17,358

What is he gonna do? Throw the
world's weirdest pajama party?

618

00:39:17,438 --> 00:39:20,038

You really haven't
figured it out, have you?

619

00:39:20,118 --> 00:39:23,038

There is no plan here, no way.

620

00:39:23,118 --> 00:39:25,198

Oh, but there is!

621

00:39:25,278 --> 00:39:26,638

Spill!

622

00:39:26,718 --> 00:39:29,558

- No.

- Why not?!

623

00:39:29,638 --> 00:39:33,598

Kim Possible is not smarter than you.

624

00:39:34,358 --> 00:39:35,518

True.

625

00:39:35,598 --> 00:39:39,798

If you can't figure it out,
she can't figure it out.

626

00:39:39,878 --> 00:39:42,118

And that means...

627

00:39:42,238 --> 00:39:46,838

- You just might win.
- Oh, I'm quite confident.

628

00:39:46,918 --> 00:39:50,158

If you'll excuse me, I'm due
at a board of directors meeting.

629

00:39:50,238 --> 00:39:51,998

You? At what company?

630

00:39:52,078 --> 00:39:56,878

The one I recently acquired
in a hostile takeover.

631

00:40:01,798 --> 00:40:03,998

That is my character.

632

00:40:04,078 --> 00:40:05,238

(EXCITED SHOUTS)

633

00:40:06,398 --> 00:40:07,758

(EXCITED SHOUTS)

634

00:40:08,718 --> 00:40:10,438

That is my character!

635

00:40:10,518 --> 00:40:11,958

(FRENCH ACCORDION MUSIC)

636

00:40:14,118 --> 00:40:15,638

(DIDGERIDOO)

637

00:40:17,998 --> 00:40:19,478

(PIPE MUSIC)

638

00:40:22,998 --> 00:40:24,958

(CRYING)

639

00:40:25,078 --> 00:40:28,358

I'm here at Bueno Nacho,
the home of Little Diablo.

640

00:40:28,438 --> 00:40:32,158

This tiny toy, this mini must-
have, this cute little devil,

641

00:40:32,238 --> 00:40:35,438

is the latest craze
for kids all over the world.

642

00:40:35,518 --> 00:40:38,038

Just one look around tells you
that Little Diablo...

643

00:40:38,118 --> 00:40:41,158

I can't even get
to the counter to order!

644

00:40:41,238 --> 00:40:43,318

This used to be my place, mine!

645

00:40:43,398 --> 00:40:47,478

I'm losing everything

I ever cared about!

646

00:40:47,558 --> 00:40:50,798

- Ron's on TV.

- And he's freaking out.

647

00:40:50,878 --> 00:40:52,958

Honey, I think

the boys are right.

648

00:40:53,038 --> 00:40:56,518

Hmm. Ronald? Freaking?

649

00:40:56,598 --> 00:40:58,558

Oh, so he is.

650

00:40:58,638 --> 00:41:01,318

- Can we go to Bueno Nacho?

- Please?

651

00:41:01,398 --> 00:41:05,518

I'm losing everything

I ever cared about!

652

00:41:05,598 --> 00:41:10,238

- I'd better talk to him.

- He's in the old tree house.

653

00:41:18,598 --> 00:41:20,198

I have a lethal weapon!

654

00:41:20,278 --> 00:41:22,798

Put the slingshot down,

Huck Finn. It's me.

655

00:41:22,878 --> 00:41:26,038

Oh, I always wanted

to use this on somebody.

656

00:41:26,118 --> 00:41:28,158

You did once,

don't you remember?

657

00:41:28,238 --> 00:41:30,078

- Arnie Custer?

- Arnie Custer.

658

00:41:30,158 --> 00:41:32,158

I was trying to stop him
from hurting you.

659

00:41:32,238 --> 00:41:35,678

I pulled him off you because you
beaned him with the slingshot.

660

00:41:35,758 --> 00:41:38,278

We were six, okay?

The details are sketchy.

661

00:41:39,998 --> 00:41:41,998

I never noticed
that sign before.

662

00:41:42,078 --> 00:41:44,678

Really?

It's been up there forever.

663

00:41:48,838 --> 00:41:52,318

Oh, it was fun!

When we were kids, I mean.

664

00:41:52,398 --> 00:41:54,718

Yeah, just the two of us.

665

00:41:54,798 --> 00:41:57,358

Hey, I remember this.

Ron the happy camper.

666

00:41:57,438 --> 00:41:59,878

Camp WannawEEP.

The worst summer of my life.

667

00:41:59,958 --> 00:42:03,438

I know, I know. The ticks,
the poison ivy, the toxic lake,

668

00:42:03,518 --> 00:42:05,798

your mom stopped

accepting your phone calls.

669

00:42:05,878 --> 00:42:10,763

Yeah, all that stuff was bad,
but you know what was worse?

670

00:42:10,787 --> 00:42:13,147

Spending a whole summer
away from you.

671

00:42:15,478 --> 00:42:17,838

You want any?
I only do "to go" now.

672

00:42:17,918 --> 00:42:19,838

Little Diablo's
ruined everything.

673

00:42:19,918 --> 00:42:24,078

Maybe something more than
Bueno Nacho is bothering you.

674

00:42:24,198 --> 00:42:26,638

Talking about Erik, why...

675

00:42:26,718 --> 00:42:29,918

No! Why would I have
a problem with Erik?

676

00:42:29,998 --> 00:42:32,518

No! I'm down with Erik.

677

00:42:32,598 --> 00:42:34,198

(WHEEZES)

678

00:42:34,278 --> 00:42:37,678

Erik's not gonna change
what we're all about.

679

00:42:37,758 --> 00:42:39,958

- We'll always be tight.
- Yeah.

680

00:42:40,038 --> 00:42:43,198

- Pretty words, Kim.
- We're not in pre-k any more.

681

00:42:43,278 --> 00:42:45,798

- Time to grow up.

- Maybe I don't wanna grow up.

682

00:42:45,878 --> 00:42:48,118

- If that means...

- ERIK: Kim?

683

00:42:49,438 --> 00:42:51,678

- He can't come up here.

- Ron!

684

00:42:51,758 --> 00:42:54,798

He really can't come up. This
tree house has a weight limit.

685

00:42:54,878 --> 00:42:58,798

While I'm holding the slingshot
we're already pushing it.

686

00:42:58,878 --> 00:43:00,758

We'll talk tomorrow.

687

00:43:04,278 --> 00:43:06,838

I'm not jealous.

688

00:43:06,918 --> 00:43:10,198

But I want Middleton online now.

857

00:52:49,647 --> 00:52:51,327

Oh, and Shego.

858

00:52:51,407 --> 00:52:55,847

I need you to run out
and pick up something for me.

859

00:52:58,797 --> 00:52:59,916

How'd it go there?

860

00:52:59,932 --> 00:53:04,424

That Drakken fellow stole my technology
to make those little Diablos.

861

00:53:04,448 --> 00:53:06,608

We're playing
with stolen technology.

862

00:53:06,681 --> 00:53:09,561

- Cool!

- The craze is off the chain.

863

00:53:09,586 --> 00:53:12,106

Every kid on the planet
must have one.

864

00:53:12,131 --> 00:53:14,091

Dad, you said
the Hephaestus Project,

865

00:53:14,116 --> 00:53:16,417

it was some kind
of living metal?

866

00:53:16,441 --> 00:53:18,481

That's how we sold it
to the board of directors.

867

00:53:18,506 --> 00:53:21,898

The cybertronic circuitry can
repair itself, modify itself.

868

00:53:21,922 --> 00:53:23,956

It can actually grow.

869

00:53:24,641 --> 00:53:28,241

Don't worry. It can't do anything
without a command signal.

870

00:53:32,362 --> 00:53:34,682

(SOUND WAVES RADIATE)

871

00:53:41,201 --> 00:53:43,441

- Move!
- Move it!

872

00:53:55,009 --> 00:53:57,529

Get Mom and the boys.
We'll distract the Diablos.

873

00:53:57,554 --> 00:53:59,274

Rufus, we're on.

874

00:54:03,042 --> 00:54:04,802

Head for the garage!

875

00:54:05,231 --> 00:54:08,951

Do you know how much baby-sitting
I had to do to pay for this dress?

876

00:54:23,401 --> 00:54:27,121

That would be so cool if it wasn't
the last thing we were ever gonna see.

877

00:54:34,281 --> 00:54:37,321

- DAD: Kimmie needs help.
- We're talking giant robots.

878

00:54:37,401 --> 00:54:39,281

Giant cybertronic robots.

879

00:54:39,361 --> 00:54:42,761

Giant cybertronic robots
with state-of-the-art weapons.

880

00:54:42,841 --> 00:54:44,560

Kim doesn't stand a chance.

881

00:54:44,617 --> 00:54:46,537

Boys, how many times
have I told you?

882

00:54:46,562 --> 00:54:48,642

Anything's possible
for a Possible.

883

00:54:50,193 --> 00:54:52,393

Jim, Tim, we need
to borrow your rockets.

884

00:55:06,481 --> 00:55:09,211

Hey, this is the J-200
rocket fuel I developed.

885

00:55:09,236 --> 00:55:11,258

I wondered
what happened to this.

886

00:55:11,282 --> 00:55:12,602

Boys?!

887

00:55:13,362 --> 00:55:14,962

Where's that help?

888

00:55:15,803 --> 00:55:17,763

Wade, we got a big problem.

889

00:55:19,478 --> 00:55:22,638

Does it have anything to do with a
giant robot? I think I can relate.

890

00:55:22,718 --> 00:55:24,758

Dad says they need
a command signal.

891

00:55:24,838 --> 00:55:27,758

If you take out the signal,
you shut down the robots.

892

00:55:27,838 --> 00:55:30,198

I'm not in a position
to track the signal for you.

893

00:55:30,318 --> 00:55:33,478

It must be coming from

the source of all things evil.

894

00:55:33,558 --> 00:55:35,718

- Pardon?

- Bueno Nacho.

895

00:55:38,438 --> 00:55:40,478

Kimmie! Think fast!

896

00:55:40,558 --> 00:55:42,758

BOTH: Blast off!

897

00:55:58,398 --> 00:56:01,198

How do we get the rockets to go faster?

898

00:56:10,430 --> 00:56:12,878

Look, he even changed

the giant taco sign.

899

00:56:12,958 --> 00:56:15,278

That's where the

command signal's coming from.

900

00:56:15,358 --> 00:56:16,798

How are we gonna take that out?

901

00:56:16,878 --> 00:56:18,678

Maybe we won't have to.

902

00:56:28,832 --> 00:56:31,718

Lookin' the wrong way, dude!

903

00:56:32,108 --> 00:56:33,748

(SCREAMS)

904

00:56:45,695 --> 00:56:46,465

(BEEPING)

905

00:56:46,490 --> 00:56:48,734

- Wade, you're okay?

- Yeah.

906

00:56:48,758 --> 00:56:51,718

The Diablo has shut down
and shrunk down. Thanks to you.

907

00:56:51,798 --> 00:56:53,438

We took out the command signal.

908

00:56:53,518 --> 00:56:56,358

Which sounds a lot like
a good thing, right?

909

00:56:56,438 --> 00:56:58,718

That's weird.

Just got a hit on the site.

910

00:56:58,798 --> 00:57:00,798

Congratulations, Miss Possible.

911

00:57:00,878 --> 00:57:04,238

You've already discovered
how to foil my evil scheme.

912

00:57:04,318 --> 00:57:06,158

In record time, I might add.

913

00:57:06,238 --> 00:57:07,878

It is most unfortunate, however,

914

00:57:07,998 --> 00:57:10,558

that this time

you will not stop me.

915

00:57:10,638 --> 00:57:13,558

- You will surrender.

- As if.

916

00:57:13,638 --> 00:57:14,878

As if if!

917

00:57:14,958 --> 00:57:17,078

Shego popped

by your school dance

918

00:57:17,158 --> 00:57:19,078

and met the nicest boy.

919

00:57:19,158 --> 00:57:22,518

Well, I don't have to tell you

how nice he is!

920

00:57:22,638 --> 00:57:26,278

- And cute.

- Kim, what's going on?

921

00:57:26,358 --> 00:57:29,038

- Erik!

- The choice is yours.

922

00:57:29,118 --> 00:57:31,318

If you care about

your dear Erik's safety,

923

00:57:31,398 --> 00:57:34,118

surrender is your only option.

924

00:57:47,478 --> 00:57:50,158

Kim, the battle suit

is still experimental.

925

00:57:50,237 --> 00:57:54,085

It's about to get a road test. How

far is Bueno Nacho headquarters?

926

00:57:54,110 --> 00:57:55,798

WADE:

About 100 miles west of here.

927

00:57:55,878 --> 00:58:01,358

I think I'd feel better about
this if I had a super suit too.

928

00:58:01,438 --> 00:58:03,438

- RON: I'm just saying!

- She's coming.

929

00:58:03,558 --> 00:58:05,718

Of course she is.

930

00:58:11,798 --> 00:58:14,878

- Okay, Wade. We're going in.

- Check your backpack.

931

00:58:14,958 --> 00:58:16,958

Knockout gas

that looks like lip gloss,

932

00:58:17,038 --> 00:58:20,958

or lip gloss that

looks like lip gloss?

933

00:58:21,038 --> 00:58:23,518

- Knockout gas.

- Thanks for checking on that.

934

00:58:23,598 --> 00:58:26,758

- Is this a coded message?

- History homework.

935

00:58:27,578 --> 00:58:29,358

KP, since when are you packing?

936

00:58:29,438 --> 00:58:31,878

It looks like a, uh... toy?

937

00:58:31,998 --> 00:58:36,078

Oh, this is no toy.

Well, not since I modified it.

938

00:58:36,158 --> 00:58:38,318

Electromagnetic scrambler.

939

00:58:38,398 --> 00:58:40,678

Let's pretend I have
no idea what that means.

940

00:58:40,798 --> 00:58:43,078

It'll shut down
Drakken's whole system.

941

00:58:46,278 --> 00:58:48,958

The original Bueno Nacho,
where it all started.

942

00:58:49,038 --> 00:58:50,958

Ron, keep your head in the game.

943

00:58:51,038 --> 00:58:53,838

Worry not,
I'm ready for anything.

944

00:58:59,718 --> 00:59:02,798

(HIGH SQUEAKY VOICE)

I shall be avenged.

945

00:59:04,741 --> 00:59:05,493

What?

946

00:59:05,518 --> 00:59:10,478

Dude, don't talk. The funny
voice kinda ruins your mystique.

947

00:59:10,558 --> 00:59:14,278

I am strong like the mountain.
I am swift like the wind.

948

00:59:14,358 --> 00:59:16,838

I am vengeance!

949

00:59:21,350 --> 00:59:23,918

Vengeance... will...

950

00:59:23,998 --> 00:59:25,558

...be...

951

00:59:25,678 --> 00:59:27,198

...ay...

952

00:59:32,798 --> 00:59:34,798

You know what I really hate?

953

00:59:34,878 --> 00:59:36,678

When somebody

kidnaps your boyfriend?

954

00:59:36,758 --> 00:59:40,158

When somebody doesn't know

when to give up.

955

00:59:49,638 --> 00:59:52,438

Ooh! Kimmie got an upgrade.

956

00:59:52,518 --> 00:59:53,958

Not bad, huh?

957

00:59:54,038 --> 00:59:56,918

Yeah,

but still not in my league.

958

01:00:04,518 --> 01:00:07,838

Like I said... What?!

959

01:00:10,078 --> 01:00:11,798

You were saying?

960

01:00:20,798 --> 01:00:23,278

Go super suit, Kim girl!

961

01:00:23,358 --> 01:00:26,358

Come on, KP, all right!

962

01:00:28,958 --> 01:00:30,398

Oh, yeah! Yeah...!

963

01:00:30,478 --> 01:00:32,198

Oh! Oh?

964

01:00:33,524 --> 01:00:35,764

Oops, sorry, dude, I...

965

01:00:35,931 --> 01:00:39,331

Wow! The Ron-dog came to play!

966

01:00:52,438 --> 01:00:54,038

Hey, Erik's cute.

967

01:00:54,118 --> 01:00:57,238

Once you're out of the picture,
maybe I'll date him.

968

01:01:07,238 --> 01:01:09,638

Wow. Didn't know
you cared that much.

969

01:01:09,718 --> 01:01:11,478

Erik! You're okay!

970

01:01:11,558 --> 01:01:13,918

- Kim.

- Erik.

971

01:01:14,038 --> 01:01:17,678

Actually, here,

I'm known as Syntho-Drone 901.

972

01:01:34,915 --> 01:01:36,995

(RON GROANS)

973

01:01:37,075 --> 01:01:38,715

Is this heaven?

974

01:01:38,795 --> 01:01:40,156

(GROANS)

975

01:01:40,181 --> 01:01:43,541

KP! I thought you

were down for the count.

976

01:01:43,566 --> 01:01:45,526

Why couldn't I see

that he was a fake?

977

01:01:45,551 --> 01:01:48,351

Yeah, it don't get much faker
than a Syntho-Drone...

978

01:01:48,380 --> 01:01:51,100

Oh, you kissed a Syntho-Drone!

979

01:01:51,180 --> 01:01:53,506

I never kissed him.

980

01:01:53,530 --> 01:01:55,749

But I wanted to.

981

01:01:55,773 --> 01:01:57,460

Okay, too much info.

982

01:01:57,540 --> 01:02:00,731

- So, what's the plan?

- Ron, I...

983

01:02:00,755 --> 01:02:02,116

I got nothing.

984

01:02:02,140 --> 01:02:05,020

That's my line. And what's
worse, that's quitter talk!

985

01:02:05,100 --> 01:02:08,420

Drakken finally won. I should
have stuck to baby-sitting.

986

01:02:08,500 --> 01:02:11,100

Okay, KP,
this pity fiesta is over.

987

01:02:11,180 --> 01:02:13,580

Drakken has not won.
He played you.

988

01:02:13,700 --> 01:02:17,140

Now it's payback time.
And, you know...

989

01:02:17,220 --> 01:02:20,140

There are guys out there that
are better for you than Erik.

990

01:02:20,220 --> 01:02:22,180

Guys that are real,
for one thing.

991

01:02:22,260 --> 01:02:24,460

You think there's a guy
out there for me?

992

01:02:24,540 --> 01:02:27,660

Out there... In here.

993

01:02:27,740 --> 01:02:29,620

Oh, really?

994

01:02:29,700 --> 01:02:32,620

Sure. You know,
guys like... Rufus?

995

01:02:32,700 --> 01:02:34,140

Rufus?

996

01:02:34,220 --> 01:02:36,422

Rufus! You can save us!

997

01:02:38,060 --> 01:02:40,940

- Uh-oh.

- My backpack!

998

01:02:41,900 --> 01:02:43,900

Use the lipstick, Rufus!

999

01:02:45,940 --> 01:02:47,740

The other lipstick.

1000

01:02:49,540 --> 01:02:51,340

Badical!

1001

01:02:55,437 --> 01:02:56,837

Let's go.

1002

01:03:42,916 --> 01:03:44,820

Nakasumi's toy design.

1003

01:03:44,900 --> 01:03:47,820

And dear Daddy Possible's
cybertronic breakthrough.

1004

01:03:47,900 --> 01:03:53,465

And to really stick a pin in it,
one made-to-order syntho-hottie.

1005

01:03:53,489 --> 01:03:56,500

Wait, so you weren't just
making it up as you went along?

1006

01:03:56,580 --> 01:04:00,340

- You questioned my research.
- The slumber parties?!

1007

01:04:00,420 --> 01:04:04,100

Ah! But I discovered
Kim Possible's weakness.

1008

01:04:04,180 --> 01:04:06,100

Boys, boys, boys!

1009

01:04:06,180 --> 01:04:07,940

"Who should I go
to the dance with?"

1010

01:04:08,020 --> 01:04:10,919

"Who's the perfect boy?"

1011

01:04:10,943 --> 01:04:14,835

You're right, Drakken.
Boys, dating, it's hard.

1012

01:04:14,860 --> 01:04:16,900

But this is easy!

1013

01:04:18,980 --> 01:04:20,540

Shego!

1014

01:04:30,875 --> 01:04:33,195

Syntho-dude, you are going down!

1015

01:04:44,740 --> 01:04:46,540

What's this?

1016

01:04:50,315 --> 01:04:52,155

I'm open!

1017

01:04:54,094 --> 01:04:56,420

Nice try, loser. And by the way,

1018

01:04:56,500 --> 01:04:59,580

a naked mole rat is not cool,
it's gross.

1019

01:04:59,700 --> 01:05:02,540

Don't be dissin' the Rufus.

1020

01:05:14,581 --> 01:05:16,140

SHEGO:

You don't know when to quit.

1021

01:05:16,220 --> 01:05:19,780

- KIM: Neither do you.

- SHEGO: Got that right.

1022

01:05:28,028 --> 01:05:29,708

Oww!

1023

01:05:29,788 --> 01:05:31,748

Kim!

1024

01:05:34,588 --> 01:05:36,148

Got it!

1025

01:05:40,073 --> 01:05:41,477

No.

1026

01:05:43,628 --> 01:05:44,788

So sorry.

1027

01:05:46,966 --> 01:05:50,604

You know, Rufus did not
appreciate that crack.

1028

01:05:50,628 --> 01:05:52,188

The little dude holds a grudge.

1029
