Dialogues from A Good Girl's Guide to Murder (Season 1)

Episode 1:

1

00:00:18,480 –> 00:00:20,480

[gentle, eerie music]

2

00:00:36,480 –> 00:00:38,080

[cat mews, bell tinkles]

3

00:00:43,800 –> 00:00:45,640

[dramatic music]

4

00:00:47,880 –> 00:00:50,600

[pulsating dramatic music]

5

00:01:04,240 –> 00:01:06,800

["The Feminine Urge"

by The Last Dinner Party plays]

6

00:01:40,640 –> 00:01:42,080

{\an8}[bell rings]

7

00:02:06,120 –> 00:02:07,800

[song fades]

8

00:02:12,000 –> 00:02:14,520

Why are you hiding?

You need to be eyes on Penton.

9

00:02:14,600 –> 00:02:17,920

Mrs. Penton is never gonna serve you

if she knows your birthday.

10

00:02:18,000 –> 00:02:22,720

Well, she's not currently on till,

and... I have this.

11

00:02:25,240 –> 00:02:26,960

This makes you 27!

12

00:02:27,040 –> 00:02:28,040

I can pull it off.

13

00:02:28,560 —> 00:02:30,840

Pip, you need to distract

Mrs. Penton, okay?

14

00:02:30,920 —> 00:02:32,880

Do not let her look at the till.

15

00:02:32,960 —> 00:02:34,760

-Why me?

-You got this!

16

00:02:34,840 —> 00:02:36,480

I don't want to be an accessory

to a crime!

17

00:02:36,560 —> 00:02:38,240

Well, don't fuck it up.

18

00:02:45,160 —> 00:02:46,680

[clears throat quietly]

19

00:02:51,960 —> 00:02:52,960

[girl] There we are.

20

00:02:54,800 —> 00:02:56,000

Hi!

21

00:02:57,000 —> 00:02:58,000

Hi.

22

00:03:04,200 —> 00:03:08,680

I just... I had a question

I wanted to ask you.

23

00:03:08,760 —> 00:03:10,040

Um...

24

00:03:13,680 —> 00:03:15,640

Are you here as some kind of a decoy?

25

00:03:18,640 —> 00:03:19,640

Yes.

26

00:03:20,360 —> 00:03:23,360

-Pippa Fitz-Amobi!

-Come on!

27

00:03:26,160 —> 00:03:28,240

Bye! Sorry!

28

00:03:28,880 —> 00:03:30,080

[boy] Let's go home.

29

00:03:33,600 —> 00:03:35,680

[chatting indistinctly]

30

00:03:45,240 —> 00:03:46,520

[bell tolls]

31

00:03:48,520 —> 00:03:49,760

[bell tolls]

32

00:03:51,840 —> 00:03:52,840

[bell tolls]

33

00:04:14,320 —> 00:04:17,400

[Victor] After everyone telling me there

wasn't a hope of getting him off,

34

00:04:17,480 —> 00:04:21,120

justice had finally been served.

And do you know why?

35

00:04:21,200 —> 00:04:23,600

-'Cause you followed due process.

-Exactly.

36

00:04:23,680 —> 00:04:26,800

Innocent until proven guilty. Unless...

37

00:04:26,880 —> 00:04:27,920

You're a Black man.

38

00:04:28,000 —> 00:04:29,160

Vic?

39

00:04:32,200 —> 00:04:34,200

Have we got any of the posh crisps?

40

00:04:34,280 —> 00:04:37,240

[Leanne] No, because they cost a fortune.

You can buy some when you get a job.

41

00:04:37,320 —> 00:04:40,640

Actually, in fact,

Linda Walker's catering company

42

00:04:40,720 —> 00:04:43,080

is looking for waitresses over the summer.

43

00:04:43,160 —> 00:04:45,920

She's organizing some big do

44

00:04:46,000 —> 00:04:49,960

for the Hastings' silver wedding

anniversary party or something.

45

00:04:51,280 —> 00:04:54,560

What's that? Vic's cooking dinner.

46

00:04:54,640 —> 00:04:58,400

It's a starter!

Got homework to do.

47

00:04:58,480 —> 00:05:01,640

It's the first day of the holidays.

What homework could you possibly have?

48

00:05:01,720 —> 00:05:05,200

Uh, my EPQ? It's really important, Dad.

49

00:05:05,280 —> 00:05:06,640

Ah.

50

00:05:06,720 —> 00:05:08,720

Well, first you need to walk the dog.

51

00:05:14,760 —> 00:05:16,800

-[commotion]

-[boy] Hurry up, man.

52

00:05:18,760 —> 00:05:19,760

Knock it loud.

53

00:05:22,000 —> 00:05:23,440

[pounding on door]

54

00:05:24,840 —> 00:05:28,280

Hey, idiots! You dropped

your communal brain cell!

55

00:05:28,360 —> 00:05:30,160

-[boy 2] Let's go!

-[boy 1] Go! Move!

56

00:05:30,240 —> 00:05:31,400

[boys laughing]

57

00:06:04,320 —> 00:06:06,280

-[Sal] Hey, Pip.

-Hi.

58

00:06:12,560 —> 00:06:14,120

Have you seen Andie?

59

00:06:17,400 —> 00:06:19,600

It's okay, I just...

60

00:06:19,680 —> 00:06:21,840

I just need to speak

to her about something.

61

00:06:42,640 —> 00:06:45,880

There better be a good reason why

I'm not watching Love Island right now.

62

00:06:46,720 —> 00:06:49,240

I've decided what I'm doing my EPQ on.

63

00:06:49,320 —> 00:06:51,560

I'm going to solve the Andie Bell case.

64

00:06:51,640 —> 00:06:55,160

Not this again.

The Andie Bell case is solved.

65

00:06:55,240 —> 00:06:57,000

Her boyfriend killed her, remember?

66

00:06:57,080 —> 00:07:00,480

The whole world thinks Sal Singh

is guilty, but he never had a trial

67

00:07:00,560 —> 00:07:02,360

and they never even found Andie's body.

68

00:07:02,440 —> 00:07:05,360

Except Sal confessed to her murder

and then killed himself.

69

00:07:05,440 —> 00:07:08,600

Do you know how many people confessed

to the murder of Charles Lindbergh Jr.?

70

00:07:08,680 —> 00:07:11,120

-I have no idea who that even is.

-Two hundred.

71

00:07:11,200 —> 00:07:13,920

That's 199 false confessions.

72

00:07:14,880 —> 00:07:16,960

Come on. You knew Sal, too.

73

00:07:17,040 —> 00:07:19,600

He was head boy,

he was going to Cambridge.

74

00:07:20,480 —> 00:07:22,320

And he was always really nice to me.

75

00:07:22,920 —> 00:07:24,600

Sal was a good guy.

76

00:07:24,680 —> 00:07:26,440

Good guys don't kill people.

77

00:07:26,520 —> 00:07:28,560

Well, actually, they do.

All the time.

78

00:07:29,200 —> 00:07:31,040

What is it with you and this case?

79

00:07:32,040 –> 00:07:33,800

And if Sal didn't do it, who did?

80

00:07:33,880 –> 00:07:37,600

I don't know yet. But whoever it was

might still be out there.

81

00:07:43,960 –> 00:07:47,200

["A New Error" by Moderat plays]

82

00:08:06,520 –> 00:08:09,280

[DI Hawkins] Andie was last seen

driving away

83

00:08:09,360 –> 00:08:13,960

{\an8}from her home on Church Street

at approximately 10:30 p.m.

84

00:08:14,960 –> 00:08:18,640

CCTV footage from Little Kilton Square

85

00:08:18,720 —> 00:08:23,440

shows Andie driving past at 10:38 p.m.

86

00:08:24,320 —> 00:08:28,360

[news reporter] When Andie Bell failed

to pick her parents up from a dinner party

87

00:08:28,440 —> 00:08:31,680

at the agreed time of 12:45 a.m.,

88

00:08:31,760 —> 00:08:35,000

{\an8}Jason and Dawn Bell became concerned.

89

00:08:37,560 —> 00:08:41,560

{\an8}It's been five days since Andie Bell

went missing from her home.

90

00:08:41,640 —> 00:08:45,840

{\an8}Late yesterday, a body

was discovered in woodland,

91

00:08:45,920 —> 00:08:48,720

{\an8}close to the village of Little Kilton.

92

00:08:48,800 —> 00:08:52,480

{\an8}It is believed to be that

of 18-year-old Salil Singh,

93

00:08:52,560 —> 00:08:55,600

the boyfriend of missing teenager

Andie Bell.

94

00:08:55,680 —> 00:08:57,840

[news reporter 1] It is believed

Salil took his own life

95

00:08:57,920 —> 00:09:00,040

after confessing to

the murder of his girlfriend.

96

00:09:00,120 —> 00:09:04,080

[female reporter] His younger brother Ravi

was the last person to see him alive.

97

00:09:04,160 —> 00:09:07,360

Jason and Dawn Bell remain

unable to bury their daughter,

98

00:09:07,440 –> 00:09:10,480

as the search continues for Andie's body.

99

00:09:12,800 –> 00:09:14,880

[bird cooing]

100

00:09:21,280 –> 00:09:23,680

[vehicle approaching]

101

00:09:48,800 –> 00:09:50,200

Hi.

102

00:09:50,280 –> 00:09:51,960

Do I know you?

103

00:09:53,080 –> 00:09:55,080

No. Just taking a walk.

104

00:09:59,440 –> 00:10:01,280

[chuckles] With muffins.

105

00:10:01,360 —> 00:10:02,520

[chuckles softly]

106

00:10:02,600 —> 00:10:03,840

Okay.

107

00:10:09,680 —> 00:10:11,400

Are you sure I can't help you

with something?

108

00:10:11,480 —> 00:10:14,040

Well, how do you know

I'm not just heading this way?

109

00:10:17,400 —> 00:10:18,880

Do I remember you from school?

110

00:10:18,960 —> 00:10:21,600

You did that assembly

dressed as Florence Nightingale.

111

00:10:21,680 —> 00:10:25,640
Ugh... Emmeline Pankhurst, but...
yes, that was me.

112
00:10:25,720 —> 00:10:27,440
That explains it.
I was wondering why

113
00:10:27,520 —> 00:10:29,960
Florence Nightingale would
chain herself to the gym apparatus.

114
00:10:30,040 —> 00:10:32,200
Yeah, that didn't quite go as planned.

115
00:10:32,280 —> 00:10:34,560
Took them two and a half hours
to cut me free.

116
00:10:38,760 —> 00:10:40,400
[Ravi] Who's this handsome boy?

117
00:10:40,480 —> 00:10:41,920

[Pip] His name's Barney.

118

00:10:43,400 —> 00:10:45,240

-Vanilla essence?

-Yes.

119

00:10:47,520 —> 00:10:50,720

-Hmm... Touch of nutmeg?

-[scoffs] You're good.

120

00:10:50,800 —> 00:10:53,240

Okay, did I use

fresh or frozen blueberries?

121

00:10:53,320 —> 00:10:56,240

-Both?

-Muffin genius.

122

00:10:56,320 —> 00:10:57,680

Why, thank you.

123

00:10:58,440 —> 00:11:00,080

So, pedestrian with muffins...

124

00:11:01,160 —> 00:11:03,080

-this is me.

-I'm Pip.

125

00:11:03,160 —> 00:11:05,840

I've actually been wanting to come by

and talk to you about my EPQ

126

00:11:05,920 —> 00:11:09,360

and so these are kind of...

bribery muffins.

127

00:11:09,920 —> 00:11:11,040

Your what?

128

00:11:11,120 —> 00:11:14,480

Yeah, I don't know if when you

were at school, if you had do an EPQ.

129

00:11:14,560 —> 00:11:17,960

Anyway, we do, which everyone's

really annoyed about apart from me.

130

00:11:18,040 —> 00:11:20,560

It's an Extended Project Qualification

I need to do

131

00:11:20,640 —> 00:11:22,000

for my university application.

132

00:11:22,720 —> 00:11:24,840

I was gonna do a feminist analysis

of the gothic novel,

133

00:11:24,920 —> 00:11:27,960

but then I thought,

"What's something that really matters?"

134

00:11:28,040 —> 00:11:31,720

Which is when I thought of

the Andie Bell case, and your brother.

135

00:11:31,800 —> 00:11:34,560

So, yeah, I guess that's what I'm doing,

136

00:11:34,640 —> 00:11:36,680

and I was wondering if

I could ask you some questions.

137

00:11:36,760 —> 00:11:38,360

-Oh, wow. I think you should go.

-But—

138

00:11:38,440 —> 00:11:39,480

My brother's dead.

139

00:11:44,240 —> 00:11:46,160

[door lock clicks, opens]

140

00:11:48,560 —> 00:11:51,120

[somber music]

141

00:12:24,240 —> 00:12:27,080

{\an8}[birds chittering]

142

00:12:33,920 —> 00:12:36,680

[ominous music]

143

00:13:00,440 –> 00:13:02,600

[music continues]

144

00:13:48,080 –> 00:13:49,720

[Barney barks]

145

00:13:53,880 –> 00:13:55,000

Come on.

146

00:13:58,880 –> 00:14:00,000

Hey!

147

00:14:02,440 –> 00:14:03,440

Hey!

148

00:14:05,840 –> 00:14:07,760

[tense music]

149

00:14:09,480 –> 00:14:11,760

[Barney continues barking]

150

00:14:16,280 —> 00:14:18,040

[panting]

151

00:14:31,400 —> 00:14:33,160

[Becca] Cute dog. [laughs]

152

00:14:36,680 —> 00:14:38,520

Sorry, did I scare you?

153

00:14:39,080 —> 00:14:40,880

Just thought you were someone else.

154

00:14:43,160 —> 00:14:44,560

Don't worry.

155

00:14:45,560 —> 00:14:47,320

People always get us confused.

156

00:14:59,960 —> 00:15:02,200

[Lauren sighs]

157

00:15:03,960 —> 00:15:06,320

So much for the summer of love.

158

00:15:11,000 —> 00:15:12,760

{\an8}Hey, Cara, is Naomi home?

159

00:15:14,000 —> 00:15:16,040

-Pip, no.

-[Pip] What?

160

00:15:16,120 —> 00:15:18,480

Please don't ask my sister about Sal.

161

00:15:18,560 —> 00:15:19,800

Why not?

162

00:15:20,200 —> 00:15:22,800

She was with him

the night Andie went missing.

163

00:15:22,880 —> 00:15:26,760

She's a key witness.

Max is in Italy and Jake moved away.

164

00:15:26,840 —> 00:15:28,200

No way.

165

00:15:29,560 —> 00:15:30,880

Okay.

166

00:15:30,960 —> 00:15:33,600

You do realize

how sensitive this still is, Pip?

167

00:15:35,560 —> 00:15:37,480

Yeah, 'course I do.

168

00:15:39,720 —> 00:15:41,760

[Lauren] Oh, my God.

169

00:15:41,840 —> 00:15:44,640

Ant Lowe has just asked me

to go to the Hastings' party with him.

170

00:15:44,720 —> 00:15:45,680

[Cara] No!

171

00:15:45,760 —> 00:15:47,840

-[both squeal]

-What will you say?

172

00:15:47,920 —> 00:15:50,640

Uh... yes, obviously!

173

00:15:51,400 —> 00:15:53,600

Ant's an idiot.

174

00:15:53,680 —> 00:15:57,080

He always says "pacifically"

when he means "specifically."

175

00:15:57,160 —> 00:15:58,400

Don't listen to Pip.

176

00:15:58,480 —> 00:16:01,800

The last guy she had a crush on

has been dead for, like, 200 years.

177

00:16:01,880 —> 00:16:03,800

-Who?

-[both] Nikola Tesla.

178

00:16:04,520 —> 00:16:06,680

Anyway, who wants snacks?

179

00:16:06,760 —> 00:16:09,120

-Um, okay.

-[Cara] Yes, please.

180

00:16:10,360 —> 00:16:13,800

[Cara and Lauren laughing,

chatting]

181

00:16:21,200 —> 00:16:22,760

[hinges squeak softly]

182

00:16:40,200 —> 00:16:41,880

[clock chimes softly]

183

00:16:41,960 —> 00:16:43,640

[gentle music playing]

184

00:16:46,320 —> 00:16:47,320

[clock chimes softly]

185

00:16:57,920 —> 00:16:59,000

[clock chimes softly]

186

00:17:09,280 —> 00:17:10,560

[clock chimes softly]

187

00:17:16,160 —> 00:17:17,800

-Hey, Gnome.

-Shit!

188

00:17:18,600 —> 00:17:20,920

-You okay?

-You scared me, that's all.

189

00:17:23,280 —> 00:17:24,760

How's the job hunt going?

190

00:17:24,840 —> 00:17:26,680

[Naomi] Still hunting.

191

00:17:31,640 —> 00:17:33,520

Did you guys take the Jammie Dodgers?

192

00:17:34,040 —> 00:17:35,080

No.

193

00:17:35,160 —> 00:17:38,160

I saw Dad unpacking them earlier,

but they've vanished.

194

00:17:38,480 —> 00:17:41,720

Things don't just vanish.

They must be here. Keep looking.

195

00:17:42,440 —> 00:17:46,800

Sometimes things do disappear.

Like hairbands, odd socks.

196

00:17:46,880 —> 00:17:50,120

Well, with socks, you simply check them

on the way into the washing machine

197

00:17:50,200 —> 00:17:52,240

and then you check them on the way out.

198

00:17:52,320 —> 00:17:53,680

It's not rocket science.

199

00:17:55,560 —> 00:17:57,680

You never give up on anything,

do you, Pip?

200

00:18:00,480 —> 00:18:02,480

-Hey, Naomi.

-Mm-hmm.

201

00:18:03,280 —> 00:18:08,280

Did Cara tell you I decided

to do my EPQ on the Andie Bell case?

202

00:18:12,480 —> 00:18:13,480

No.

203

00:18:13,560 —> 00:18:17,960

Well, I just wondered

if I could ask you some questions.

204

00:18:18,760 —> 00:18:21,800

Seeing as you and Sal

were so close and everything.

205

00:18:25,120 —> 00:18:28,160

Sure, if I can remember stuff.

206

00:18:29,560 —> 00:18:31,600

-Five years is a long time.

-[phone beeps]

207

00:18:32,720 —> 00:18:34,400

Is it okay if I record it?

208

00:18:38,120 —> 00:18:43,280

[clears throat] Interview one.

Naomi Ward, Sal's best friend.

209

00:18:44,720 —> 00:18:46,960
Could you tell me
everything that you remember

210
00:18:47,040 —> 00:18:50,640
about the events of the night
of Friday, the 19th of April 2019?

211
00:18:52,840 —> 00:18:54,280
Um...

212
00:18:54,360 —> 00:18:59,120
We were all at Max's playing
Super Mario Party, Sal left early.

213
00:19:00,160 —> 00:19:01,720
Who's "we"?

214
00:19:02,480 —> 00:19:04,120
Jake, Max, Sal, and me.

215
00:19:04,200 —> 00:19:06,600
And what time did Sal leave exactly?

216

00:19:06,680 —> 00:19:08,280

10:30 p.m.

217

00:19:08,960 —> 00:19:11,080

I remember 'cause we ordered a pizza.

218

00:19:11,160 —> 00:19:13,760

Sal left just as the delivery guy arrived.

219

00:19:14,400 —> 00:19:16,200

He said he was tired.

220

00:19:16,280 —> 00:19:17,800

[Cara] Pip! Where are you?

221

00:19:17,880 —> 00:19:19,400

Just coming!

222

00:19:20,640 —> 00:19:23,320

But he didn't get back home until 12:50.

223

00:19:27,280 —> 00:19:29,320

I don't know what you want me to say.

224

00:19:29,400 —> 00:19:31,240

Sal was a smart guy.

225

00:19:31,320 —> 00:19:33,360

If he'd killed Andie,

you'd have thought

226

00:19:33,440 —> 00:19:35,800

he would have at least

come up with an alibi.

227

00:19:36,600 —> 00:19:37,800

[Cara, yelling] Pip!

228

00:19:40,520 —> 00:19:41,960

Sal had an alibi.

229

00:19:44,400 —> 00:19:46,480

-[door opens]

-[Elliot] Hey, Pip.

230

00:19:46,560 —> 00:19:48,920

-Hi, Dad.

-[Elliot] Hi, my love.

231

00:19:50,520 —> 00:19:51,600

How's the Internet?

232

00:19:52,520 —> 00:19:54,000

Weird and depressing.

233

00:19:54,080 —> 00:19:56,120

So, no change there, then.

234

00:19:56,640 —> 00:19:57,920

How's tutoring?

235

00:19:58,480 —> 00:20:02,360

Boring... but a teacher's salary

only stretches so far.

236

00:20:03,000 —> 00:20:06,240

-Join us for dinner, Pip?

-Not for me, thanks.

237

00:20:06,320 —> 00:20:09,880

Victor's making tacos,

a whole Mexican feast.

238

00:20:09,960 —> 00:20:12,520

Okay. ¡Que, hombre!

239

00:20:16,400 —> 00:20:19,320

Hey, Pip, don't forget your notebook.

240

00:20:30,080 —> 00:20:32,640

[suspenseful music]

241

00:21:25,360 —> 00:21:27,720

[suspenseful music continues]

242

00:22:02,080 —> 00:22:06,320

Barney was awarded the Nobel Peace Prize

for services to humanity,

243

00:22:06,400 —> 00:22:08,760

the First Bearded Collie

ever to do so.

244

00:22:08,840 —> 00:22:15,280

That year he made the front cover

of Time magazine,

245

00:22:15,360 —> 00:22:19,360

and guess what three words

were printed underneath his picture?

246

00:22:19,440 —> 00:22:23,440

-"Stay beardy, folks."

-"Stay beardy, folks."

247

00:22:23,520 —> 00:22:25,480

Yes, you're asleep.

248

00:22:25,560 —> 00:22:29,520

Your dad used to tell you that one, only

it was Beetle the Wonderdog back then.

249

00:22:29,600 —> 00:22:31,600

Don't tell Josh.

250

00:22:31,680 —> 00:22:33,280

Don't remember.

251

00:22:33,360 —> 00:22:36,640

I've been thinking about

what you said about getting a job,

252

00:22:36,720 —> 00:22:39,960

and I think you're right.

Need to get out in the real world.

253

00:22:40,040 —> 00:22:42,080

Would you ask Linda

if she still needs waitresses

254

00:22:42,160 —> 00:22:43,960

for the Hastings' silver wedding party?

255

00:22:44,040 —> 00:22:46,760

Yeah, of course.

I am seeing her tomorrow at book club,

256

00:22:46,840 —> 00:22:48,080

so I'll ask her.

257

00:22:49,360 —> 00:22:54,040

Maybe ask if she needs two.

Cara's really keen as well.

258

00:22:54,120 —> 00:22:55,280

Great.

259

00:22:56,440 —> 00:22:58,800

-["In the Mood" by Glenn Miller playing]

-[chattering]

260

00:22:58,880 —> 00:23:01,040

There are people from school here.

261

00:23:01,120 —> 00:23:03,920

I didn't know there was a whole

Stars of the Silver Screen theme.

262

00:23:04,000 —> 00:23:05,680

Is yours chafing?

Mine's really chafing.

263

00:23:05,760 —> 00:23:08,400

I just need to ask Max one thing

and then we can go.

264

00:23:09,960 —> 00:23:13,200

Come on. It's fun.

We're undercover.

265

00:23:13,720 —> 00:23:14,920

Come on.

266

00:23:39,360 —> 00:23:41,280

[indistinct chatter]

267

00:23:45,960 —> 00:23:47,520

Oh...

268

00:23:47,600 —> 00:23:48,840

Thank you very much.

269

00:23:48,920 —> 00:23:50,560

Thank you very much!

270

00:23:51,200 —> 00:23:53,560

[music continues]

271

00:24:07,600 —> 00:24:08,960

[indistinct conversation]

272

00:24:09,040 —> 00:24:11,800

["Down South Camp Meetin'"

by Benny Goodman playing]

273

00:24:14,120 —> 00:24:16,280

[laughter]

274

00:24:25,960 —> 00:24:27,600

[man] Thank you very much.

275

00:24:29,880 —> 00:24:31,280

Thank you.

276

00:24:56,240 —> 00:24:59,480

[Naomi] We were all at Max's

playing Super Mario Party.

277

00:24:59,560 —> 00:25:01,400

[Pip] And what time did Sal leave exactly?

278

00:25:01,480 —> 00:25:03,120

[Naomi] 10:30 p.m.

279

00:25:15,480 —> 00:25:17,600

[Jason] You need to come here right now.

280

00:25:18,160 —> 00:25:20,120

Because I'm telling you, Becca.

281

00:25:20,760 —> 00:25:23,440

Becca! Fuck!

282

00:25:26,680 —> 00:25:28,360

Daughters, eh?

283

00:25:29,080 —> 00:25:30,160

[chuckles softly]

284

00:25:31,600 —> 00:25:34,360

[suspenseful music playing]

285

00:25:56,400 —> 00:25:57,760

-[soft thud]

-[gasps]

286

00:26:01,160 —> 00:26:02,960

[suspenseful music continues]

287

00:26:10,720 —> 00:26:11,840

[soft thud]

288

00:26:14,320 —> 00:26:15,360

[Pip] Hello?

289

00:26:19,960 —> 00:26:22,240

[soft thud continues]

290

00:26:28,120 —> 00:26:29,240

Hi.

291

00:26:31,440 —> 00:26:33,200

[Max] You've been stalking me.

292

00:26:34,560 —> 00:26:37,080

[Pip] I'd like to ask you

some questions.

293

00:26:38,640 —> 00:26:41,760

[laughs] It's time for the speeches.

294

00:26:42,520 —> 00:26:44,000

Won't take long.

295

00:26:50,520 —> 00:26:52,160

What are you gonna do for me?

296

00:26:52,960 —> 00:26:54,160

Sorry?

297

00:26:55,280 —> 00:26:57,200

Quid pro quo, you know?

298

00:26:57,880 —> 00:27:01,440

Tell you what. Every time I answer

a question, you have to take a shot.

299

00:27:02,560 —> 00:27:04,320

I don't drink.

300

00:27:04,400 —> 00:27:06,320

Well, that's boring.

301

00:27:09,480 —> 00:27:10,800

[Max grunts softly]

302

00:27:24,440 —> 00:27:26,000

What do you want to know?

303

00:27:26,080 —> 00:27:27,280

[phone beeps]

304

00:27:28,440 —> 00:27:31,280

August 3rd, interview with Max Hastings.

305

00:27:31,640 —> 00:27:33,640

Is this an interrogation?

306

00:27:34,280 —> 00:27:36,680

[Pip] On Friday,

the 19th of April 2019,

307

00:27:36,760 —> 00:27:40,120

Jake, Sal, and Naomi were all at yours

playing Super Mario Party.

308

00:27:40,200 —> 00:27:42,120

It was FIFA, but carry on.

309

00:27:42,200 —> 00:27:44,160

What time did Sal leave?

310

00:27:44,240 —> 00:27:46,680

Mm-mm. Down the hatch.

311

00:27:50,400 —> 00:27:51,680

[coughs]

312

00:27:53,120 —> 00:27:56,880

10:30 p.m.

Look, I don't know what you want.

313

00:27:56,960 —> 00:27:58,640

It was a standard Friday evening.

314

00:27:58,720 —> 00:28:00,840

Jake and I just played

Xbox and got pissed.

315

00:28:00,920 —> 00:28:02,800

What about Naomi?

316

00:28:02,880 —> 00:28:04,120

Naomi was MIA.

317

00:28:04,200 —> 00:28:05,520

What was she doing?

318

00:28:12,280 —> 00:28:15,000

I don't know. Taking a nap,

taking a dump. Fuck knows.

319

00:28:15,080 —> 00:28:17,640

Listen, I have to go watch

my parents pretend

320

00:28:17,720 —> 00:28:20,080

like they've been happily married

for 25 years.

321

00:28:20,840 —> 00:28:23,000

Naomi told me that Sal had an alibi.

322

00:28:26,280 —> 00:28:27,600

What was it?

323

00:28:46,520 —> 00:28:48,160

We were Sal's alibi.

324

00:28:48,840 —> 00:28:50,160

He made us lie for him.

325

00:28:52,720 —> 00:28:55,920

The day after Andie went missing,

Sal asked us to tell the police

326

00:28:56,000 —> 00:28:58,000

that he'd stayed round mine till 12:15.

327

00:28:58,080 —> 00:29:00,080

He said he didn't want them

wasting time on him

328

00:29:00,160 —> 00:29:02,400

when they should be

out there finding Andie.

329

00:29:02,480 —> 00:29:04,240

We went along with him.

330

00:29:05,000 —> 00:29:07,160

Then you told the police the truth?

331

00:29:08,000 —> 00:29:10,360

-Yeah.

-What changed your mind?

332

00:29:10,440 —> 00:29:12,680

It's a crime to lie to the police.

333

00:29:12,760 —> 00:29:16,520

Anyway, things were getting real.

Andie hadn't just shown up.

334

00:29:17,560 —> 00:29:19,280

Did you like Andie?

335

00:29:19,360 —> 00:29:22,200

I didn't know the girl.

Like, literally never spoke to her.

336

00:29:24,920 —> 00:29:27,160

What are you trying to prove

by doing this?

337

00:29:28,600 —> 00:29:30,000

That Sal's innocent.

338

00:29:30,840 —> 00:29:32,320

You really think that?

339

00:29:32,400 —> 00:29:34,080

Don't you?

340

00:29:34,960 —> 00:29:38,920

[scoffs] The Sal I knew,

no way he could have killed her.

341

00:29:41,480 —> 00:29:43,000

But he confessed to it.

342

00:29:44,120 —> 00:29:46,120

Then he went into the woods...

343

00:29:47,400 —> 00:29:49,480

and swallowed a bunch of pills.

344

00:29:50,960 —> 00:29:52,280

I mean...

345

00:29:54,000 —> 00:29:56,000

you don't do that for nothing, do you?

346

00:30:10,000 —> 00:30:13,160

[Toby] People say

money can't buy you love.

347

00:30:13,240 —> 00:30:16,080

Well, they clearly haven't met

my beautiful wife.

348

00:30:16,160 —> 00:30:18,000

-[guests laughing]

-[man] Well said.

349

00:30:18,080 —> 00:30:19,560

[Toby] Seriously, I'm a very...

350

00:30:19,640 —> 00:30:23,240

It's always nice to see true love,

isn't it? Bit of old-school romancing.

351

00:30:26,640 —> 00:30:28,440

I didn't mean to scare you.

352

00:30:29,200 —> 00:30:30,480

It's all right.

353

00:30:32,440 —> 00:30:33,960

A word to the wise.

354

00:30:35,000 —> 00:30:37,440

I've heard you're a bit of a nosy parker.

355

00:30:39,040 —> 00:30:41,720

And you know what happens

to nosy parkers, don't you?

356

00:30:52,160 —> 00:30:54,080

["It Had To Be You" plays]

357

00:30:54,160 —> 00:30:56,960

Naomi's wasted and acting weird.

I've put her in the car.

358

00:30:57,040 —> 00:30:59,240

Lauren's stormed off in tears.

We need to go.

359

00:30:59,320 —> 00:31:00,840

Dark forces are at work here.

360

00:31:00,920 —> 00:31:03,240

A good-looking man

just tried to steal my nose.

361

00:31:03,320 —> 00:31:04,760

What good-looking man?

362

00:31:06,240 —> 00:31:08,320

-Are you drunk?

-[Pip] What?

363

00:31:08,400 —> 00:31:12,960

No. No. I only had five teeny,

tiny drinks, like thimbles.

364

00:31:13,040 —> 00:31:14,960

[laughing] Okay, let's go.

365

00:31:17,680 —> 00:31:20,160

So, two key witnesses that say

366

00:31:20,240 —> 00:31:24,520

that Sal lied about his alibi,

which does not look great.

367

00:31:24,600 —> 00:31:27,200

But... it's just so weird.

368

00:31:27,280 —> 00:31:30,360

There are a million discrepancies

about their accounts of that night.

369

00:31:30,440 —> 00:31:34,000

Max says they were playing FIFA, but Naomi

says they were playing Super Mario Party.

370

00:31:34,080 —> 00:31:36,960

Naomi says she was there the whole

evening, but Max says she was MIA.

371

00:31:37,040 —> 00:31:38,560

You spoke to Naomi?

372

00:31:39,240 —> 00:31:40,880

-I'm sorry.

-I asked you not to.

373

00:31:40,960 —> 00:31:42,640

I specifically asked you not to.

374

00:31:42,720 —> 00:31:44,880

Did you know that Naomi

and the others lied for Sal?

375

00:31:44,960 —> 00:31:46,760

-Yes.

-So why wouldn't you tell me?

376

00:31:46,840 —> 00:31:50,280

It was five years ago, and everyone except

for you wants to forget it ever happened.

377

00:31:50,360 —> 00:31:52,680

It's a key piece of information,

and you're my best friend.

378

00:31:52,760 —> 00:31:53,760

Are you for real?

379

00:31:53,840 —> 00:31:56,600

I didn't tell you because I don't

want you stirring everything up again.

380

00:31:56,680 —> 00:31:57,800

-But it's important!

-To you.

381

00:31:57,880 —> 00:32:00,880

You're totally happy to fuck

everyone else's life up

382

00:32:00,960 —> 00:32:03,440

-just so you can carry on play detective.

-I am not playing!

383

00:32:13,240 —> 00:32:15,200

[gentle piano music]

384

00:32:36,960 —> 00:32:39,160

[music continues]

385

00:32:45,880 —> 00:32:47,320

-[Sal] Hey, Pip.

-Hi.

386

00:33:00,320 —> 00:33:01,840

Have you seen Andie?

387

00:33:05,120 —> 00:33:07,320

It's okay. I just...

388
00:33:07,400 —> 00:33:10,000
I just need to speak to her
about something.

389
00:33:13,040 —> 00:33:14,720
She went in there.

390
00:33:15,960 —> 00:33:17,120
Thanks.

391
00:33:38,000 —> 00:33:39,600
[knocking]

392
00:33:49,320 —> 00:33:50,440
Hi.

393
00:33:51,560 —> 00:33:52,760
Hi.

394
00:33:54,760 —> 00:33:58,120

I have important information for Ravi.

395

00:33:58,760 —> 00:34:01,040

From a galaxy far, far away?

396

00:34:02,600 —> 00:34:05,080

No, I live on Martinsend Way.

397

00:34:06,000 —> 00:34:07,160

Come in.

398

00:34:12,600 —> 00:34:13,720

Sorry.

399

00:34:23,320 —> 00:34:24,720

[Nisha] Ravi?

400

00:34:25,840 —> 00:34:27,680

[footsteps approaching]

401

00:34:32,320 —> 00:34:34,640

She says she has important information.

402

00:34:38,440 —> 00:34:39,600

[Pip] Hi.

403

00:34:41,800 —> 00:34:43,960

I came to tell you something.

404

00:34:44,560 —> 00:34:46,920

Is it that you've

completely lost your mind?

405

00:34:47,800 —> 00:34:49,000

What?

406

00:34:51,040 —> 00:34:52,800

Oh... [chuckles]

407

00:34:53,760 —> 00:34:55,000

But why are you here?

408

00:34:58,920 —> 00:35:01,440

I came to say that I'm sorry.

409

00:35:04,080 —> 00:35:07,360

I want you to know that it wasn't

just a school project for me.

410

00:35:07,440 —> 00:35:09,520

I always believed that Sal was innocent.

411

00:35:10,360 —> 00:35:13,800

So you thought you'd ride in like

some white knight come to save us.

412

00:35:13,880 —> 00:35:16,120

No! No, I didn't think that.

413

00:35:19,120 —> 00:35:22,480

It was just a stupid mistake.

I shouldn't have come.

414

00:35:26,920 —> 00:35:28,080

Hey.

415

00:35:34,640 —> 00:35:36,400
Why did you think he was innocent?

416
00:35:37,560 —> 00:35:40,920
I knew Sal.
He was always kind to me.

417
00:35:43,440 —> 00:35:46,000
He would never have done
anything to hurt her.

418
00:35:49,240 —> 00:35:50,560
Come with me.

419
00:36:18,760 —> 00:36:21,040
[somber music]

420
00:36:44,800 —> 00:36:45,920
It's Sal's.

421
00:36:59,680 —> 00:37:01,160
The confession.

422

00:37:02,920 —> 00:37:05,600

"It was me.

I did it. I'm so sorry."

423

00:37:15,280 —> 00:37:19,160

The grammar. The last text,

punctuation is perfect, but the others—

424

00:37:19,240 —> 00:37:22,720

Sal was the smartest person I knew,

but he texted like an illiterate.

425

00:37:28,640 —> 00:37:30,360

He didn't write the confession.

426

00:37:32,000 —> 00:37:33,720

So if he didn't write it, who did?

427

00:37:34,720 —> 00:37:36,720

I guess that's what we need to find out.

428

00:37:42,600 —> 00:37:45,160

["Gunshot" by Lykke Li plays]

429

00:38:38,280 —> 00:38:39,800

[rain falling]

430

00:38:39,880 —> 00:38:41,280

[no audible dialogue]

431

00:38:42,160 —> 00:38:45,640

[Sal] I can't. I can't... Andie, please.

Please just stop!

432

00:38:45,720 —> 00:38:48,320

[Andie, crying] No, wait.

No, I'm sorry. I love you.

433

00:38:51,120 —> 00:38:52,640

Sal!

434

00:38:56,880 —> 00:38:58,480

I'm sorry.

435

00:39:05,960 —> 00:39:07,400

I'm sorry.

436

00:39:07,480 —> 00:39:08,760

I love you.

437

00:39:08,840 —> 00:39:10,960

I won't say anything else... [indistinct]

okay.

438

00:39:11,040 —> 00:39:12,160

I'm sorry.

439

00:39:12,240 —> 00:39:15,560

["Gunshot" by Lykke Li continues]

440

00:39:27,520 —> 00:39:30,400

["Gunshot" by Lykke Li continues]

Episode 2:

1

00:00:06,000 —> 00:00:07,960

{\an8}["Seize the Power" by Yonaka plays]

2

00:01:04,800 –> 00:01:08,880

[Pip] Interview three.

Emma Hutton, Andie Bell's best friend.

3

00:01:09,440 –> 00:01:13,840

There were three of us always.

Me, Andie, and Nat.

4

00:01:14,680 –> 00:01:18,240

We met in primary school

and became completely inseparable.

5

00:01:18,320 –> 00:01:21,680

She was funny and kind.

6

00:01:21,760 –> 00:01:24,200

Just being around her

made you feel special.

7

00:01:25,200 –> 00:01:28,040

-What was Sal—

-Sal made her so happy.

8

00:01:28,680 —> 00:01:32,720

He was different to other guys our age,

like an old-fashioned romantic.

9

00:01:33,720 —> 00:01:35,920

I mean, they hadn't

even slept together yet.

10

00:01:36,000 —> 00:01:37,440

He wanted to wait.

11

00:01:37,520 —> 00:01:39,720

It's weird how you can

get someone so wrong.

12

00:01:43,120 —> 00:01:44,960

And they never even argued.

13

00:01:46,880 —> 00:01:49,520

I suppose Andie never did anything wrong.

14

00:01:50,200 —> 00:01:52,480

Would she have told you

if they were arguing?

15

00:01:52,560 —> 00:01:55,080

Of course. We told each other everything.

16

00:01:55,920 —> 00:01:58,800

Except, I've seen Sal's phone

and there were messages on it

17

00:01:58,880 —> 00:02:01,480

that showed that they were

definitely arguing.

18

00:02:02,520 —> 00:02:03,800

What are you saying?

19

00:02:05,840 —> 00:02:07,600

Maybe you got it wrong.

20

00:02:08,400 —> 00:02:12,920

I think either you're saying I'm lying,

or I didn't know my best friend.

21

00:02:13,000 —> 00:02:14,199

Which is it?

22

00:02:15,840 —> 00:02:18,200

I don't even know

why I'm telling you all this.

23

00:02:18,280 —> 00:02:20,440

All what? You've not told me anything.

24

00:02:20,520 —> 00:02:21,440

I'm done here.

25

00:02:22,160 —> 00:02:23,560

Oh, and, Pip?

26

00:02:25,000 —> 00:02:26,760

Don't ever contact me again.

27

00:02:31,360 —> 00:02:32,720

End of interview.

28

00:02:32,800 —> 00:02:34,880

-[phone beeps]

-Nice one, Pip.

29

00:02:37,600 —> 00:02:39,600

{\an8}["Seize the Power" by Yonaka continues]

30

00:03:18,800 —> 00:03:20,640

Pip Fitz-Amobi here.

31

00:03:20,720 —> 00:03:21,800

Remember?

32

00:03:21,880 —> 00:03:27,200

Muffins, star costume, EPQ, et cetera.

33

00:03:29,640 —> 00:03:32,320

There've been some developments

in the Andie Bell case

34

00:03:32,400 —> 00:03:33,600

you might be interested in.

35

00:03:33,680 —> 00:03:36,680

Perhaps there's a convenient time

I could visit you at home?

36

00:03:38,080 —> 00:03:40,320

I remember after they found Sal's body,

37

00:03:40,400 —> 00:03:44,720

you didn't sleep for a week,

and you did ask a million questions.

38

00:03:46,400 —> 00:03:48,440

Never made sense to me.

39

00:03:49,360 —> 00:03:51,800

You're not gonna tell me

I can't do it, are you?

40

00:03:52,280 —> 00:03:55,200

I am worried about it, to be honest.

[clears throat]

41

00:03:55,280 —> 00:03:57,200

You're always worried.

42

00:03:58,240 —> 00:04:01,480

Just promise me you won't speak

to the Bells or the Singhs, yeah?

43

00:04:01,560 —> 00:04:02,880

Sure.

44

00:04:02,960 —> 00:04:05,160

And don't let it

get in the way of anything else.

45

00:04:05,240 —> 00:04:07,680

-Like what?

-Like this little beauty here.

46

00:04:08,800 —> 00:04:10,120

So, it's a spreadsheet

47

00:04:10,200 —> 00:04:12,280

-of all the colleges in Cambridge.

-Mm-hmm.

48

00:04:12,360 —> 00:04:15,520

I've categorized them by age,

number of applicants per year,

49

00:04:15,600 —> 00:04:17,080

and future prospects of graduates.

50

00:04:17,160 —> 00:04:20,760

-Very good!

-Newnham looks nice.

51

00:04:20,840 —> 00:04:24,640

Alumni include Jane Goodall,

Emma Thompson, Clare Balding.

52

00:04:24,720 —> 00:04:27,360

What about Trinity, where your dad went?

53

00:04:28,600 —> 00:04:31,040

Yeah, Trinity's definitely on the list.

54

00:04:31,120 —> 00:04:32,400

[Leanne] Top of the list?

55

00:04:33,240 —> 00:04:34,360

Sure.

56

00:04:36,960 —> 00:04:39,000

He'd be really proud of you, sweetie.

57

00:04:42,120 —> 00:04:43,640

[phone buzzing]

58

00:05:04,400 —> 00:05:06,800

[Ravi] I can't believe

you've gone rogue already.

59

00:05:06,880 —> 00:05:09,440

You and I made a solemn pact

to be partners on this case,

60

00:05:09,520 —> 00:05:12,800

and the first thing you do is go

and interview Emma Hutton without me.

61

00:05:12,880 —> 00:05:15,360

[Pip] She barely said anything to me.

62

00:05:15,440 —> 00:05:18,720

According to Emma,

Sal and Andie never argued.

63

00:05:19,440 —> 00:05:21,800

[sighs] I wish Nat would reply

to my messages.

64

00:05:21,880 —> 00:05:25,280

-[Ravi] Who's Nat?

-Nat da Silva, Andie's other best friend.

65

00:05:25,360 —> 00:05:28,880

Oh, Nat da Silva. "Nude-gate" Nat.

66

00:05:29,400 —> 00:05:30,920

Nude-gate what?

67

00:05:31,000 —> 00:05:34,000

I— I didn't come up with that.

Someone leaked her nudes.

68

00:05:34,080 —> 00:05:36,840

It was this whole mystery

'cause no one knew who did it.

69

00:05:38,480 —> 00:05:41,000

What do you think

the messages to Andie are about?

70

00:05:41,080 —> 00:05:44,720

I don't know, but with Sal and Andie,

there was always some kind of drama.

71

00:05:44,800 —> 00:05:47,120

I think her dad hated Sal

and it caused issues at home.

00:17:52,760 —> 00:17:55,320

Ravi, this is Cara,

best friends since we were four.

239

00:17:55,400 —> 00:17:56,640

Cara, Ravi. Ravi, Cara.

240

00:17:57,760 —> 00:17:59,240

-Hey.

-[Ravi] Hey.

241

00:17:59,880 —> 00:18:03,400

-So, I should go, but enjoy your trip.

-Yeah, sure.

242

00:18:05,640 —> 00:18:06,960

[Cara] Okay.

243

00:18:08,040 —> 00:18:09,840

[Cara snorts, laughs]

244

00:18:15,880 —> 00:18:18,640

What's he doing now?

Didn't he drop out of school?

245

00:18:18,720 —> 00:18:21,200

Bill Gates dropped out of Harvard.

Look where he ended up.

246

00:18:21,280 —> 00:18:22,200

[both grunting]

247

00:18:22,280 —> 00:18:25,360

-This tent is enormous.

-I'd say it's tent-sized.

248

00:18:26,880 —> 00:18:29,320

Did your mom make you

sing the drive safety song?

249

00:18:29,400 —> 00:18:30,840
Of course.

250
00:18:30,920 —> 00:18:33,640
Is she still oblivious to the double
meaning of the words "strap on"?

251
00:18:33,720 —> 00:18:36,240
-Yeah.
-Let's go, campers!

252
00:18:36,320 —> 00:18:38,160
Hey!

253
00:18:38,240 —> 00:18:40,320
["Wet Dream" by Wet Leg plays]

254
00:18:42,560 —> 00:18:44,600
[Cara] You can take that!

255
00:18:45,960 —> 00:18:47,280
[laughter]

256

00:18:49,520 —> 00:18:51,040

What have you got in there?

257

00:18:59,560 —> 00:19:01,160

[voices inaudible]

258

00:19:01,240 —> 00:19:03,880

["Wet Dream" by Wet Leg continues]

259

00:19:14,760 —> 00:19:18,320

{\an8}["Wet Dream" by Wet Leg continues]

260

00:19:29,720 —> 00:19:34,040

{\an8}["Wet Dream" by Wet Leg continues]

261

00:19:55,200 —> 00:19:57,560

This one is for the birthday girl.

262

00:19:57,640 —> 00:19:59,160

-Nice!

-Yeah!

263

00:19:59,240 —> 00:20:02,040

And this... is for the rest of us.

264

00:20:02,120 —> 00:20:03,160

Yeah!

265

00:20:04,560 —> 00:20:06,920

I assumed you'd reversed

your no alcohol policy

266

00:20:07,000 —> 00:20:10,680

after Max Hastings

and the "tiny thimbles."

267

00:20:10,760 —> 00:20:15,120

I tested my hypothesis and came to

the conclusion I was right the first time.

268

00:20:15,200 —> 00:20:17,080

[Connor] Who's gonna tell a ghost story?

269

00:20:17,160 —> 00:20:19,080

Oh, Pip, come on.

270

00:20:19,160 —> 00:20:22,600

Give us your top five

Andie Bell killer suspects.

271

00:20:22,680 —> 00:20:23,800

You're on the list.

272

00:20:25,160 —> 00:20:27,920

Where were you on the 19th of April 2019?

273

00:20:30,880 —> 00:20:32,560

At a sleepover with you.

274

00:20:32,640 —> 00:20:34,200

Oh, yeah.

275

00:20:34,280 —> 00:20:35,800

Will you stop?

276

00:20:35,880 —> 00:20:38,720

The thing is, if you're right
and Sal didn't kill Andie,

277
00:20:38,800 —> 00:20:40,320
then whoever did is still out there.

278
00:20:40,400 —> 00:20:42,680
And if they find out
you're looking for them,

279
00:20:42,760 —> 00:20:45,480
isn't there a chance
they could come after you?

280
00:20:46,720 —> 00:20:48,400
-Don't say that!
-[Zach] I'm sorry.

281
00:20:48,480 —> 00:20:51,360
Nobody's gonna bother with
some schoolgirl doing a project.

282
00:20:51,440 —> 00:20:54,200

[Connor] Have you guys heard
about the Duct Tape Killer?

283
00:20:54,800 —> 00:20:56,360
He's a serial killer.

284
00:20:56,800 —> 00:21:00,840
Apparently, he wraps duct tape
round his victims' faces

285
00:21:00,920 —> 00:21:03,320
before he strangles them to death.

286
00:21:04,480 —> 00:21:06,240
-Gross.
-[Lauren] Okay.

287
00:21:08,080 —> 00:21:10,160
[Lauren vocalizes]

288
00:21:12,160 —> 00:21:13,440
Wait.

289

00:21:17,240 —> 00:21:18,640

What are we doing?

290

00:21:19,840 —> 00:21:21,520

We're playing Charlie, Charlie.

291

00:21:21,600 —> 00:21:24,560

-This is gonna end badly.

-[Connor] Who are we gonna summon?

292

00:21:24,640 —> 00:21:25,760

Oh, Andie Bell.

293

00:21:26,480 —> 00:21:28,680

[Cara exclaims]

294

00:21:35,520 —> 00:21:37,240

-[Connor laughs]

-[Lauren shushing]

295

00:21:39,880 —> 00:21:44,920

[spooky voice]

Andie... are you there?

296

00:21:48,040 —> 00:21:50,000

[Connor] Oh, well, that can't be real!

297

00:21:50,080 —> 00:21:51,680

-I think it's fake.

-Oh, come on!

298

00:21:51,760 —> 00:21:52,880

There was a breeze.

299

00:21:52,960 —> 00:21:56,160

Surely, if she says she's not there,

then she kind of has to be.

300

00:21:56,240 —> 00:21:57,560

Good point.

301

00:22:02,720 —> 00:22:06,600

[softly] Andie... Andie...

302

00:22:08,320 —> 00:22:10,440

Will you speak to us?

303

00:22:12,080 —> 00:22:13,680

-[gasps]

-[Connor] No way.

304

00:22:15,840 —> 00:22:19,040

Andie, are you buried here?

305

00:22:21,240 —> 00:22:22,480

What?

306

00:22:24,520 —> 00:22:25,960

They never found her body.

307

00:22:26,760 —> 00:22:28,080

She could be anywhere.

308

00:22:36,840 —> 00:22:38,520

[all screaming, laughing]

309

00:22:39,520 —> 00:22:40,600
Oh, my God.

310
00:22:41,760 —> 00:22:44,280
[birds cawing, squeals]

311
00:22:46,400 —> 00:22:48,520
[sleepers snoring]

312
00:22:58,960 —> 00:23:00,520
I need to pee.

313
00:23:07,600 —> 00:23:09,400
[Lauren] It's like we're pond life.

314
00:23:10,200 —> 00:23:13,120
You, me, and the rest of us
are the bottom feeders,

315
00:23:13,200 —> 00:23:17,760
flatworms and the tadpoles,
just sort of stuck in the sediment.

316

00:23:17,840 —> 00:23:22,160

Ant, Ruby, and the rest of them

exist on the surface,

317

00:23:22,520 —> 00:23:25,280

the boatman and the damselflies.

318

00:23:25,720 —> 00:23:29,160

All we can do is just

gaze up towards the light.

319

00:23:30,920 —> 00:23:32,200

Speak for yourself.

320

00:23:32,280 —> 00:23:34,560

-[Cara] And still they don't see us.

-[Lauren] Exactly.

321

00:23:34,640 —> 00:23:36,720

Why do you even care what they think?

322

00:23:36,800 —> 00:23:39,640

[Lauren] Duh. Because she wants
to hook up with Ruby.

323
00:23:39,720 —> 00:23:41,160
[Lauren laughs]

324
00:23:42,720 —> 00:23:45,320
Why do you want
to hook up with Ruby Foxcroft?

325
00:23:45,400 —> 00:23:48,520
-'Cause she's got perfect thighs.
-Yeah, but why Ruby Foxcroft?

326
00:23:48,600 —> 00:23:51,200
Well, you've been off having
secret assignations with Ravi Singh.

327
00:23:51,280 —> 00:23:52,640
What? Ravi Singh!

328
00:23:52,720 —> 00:23:55,040
That's why you're so interested

in Sal's case.

329

00:23:55,120 —> 00:23:56,760

-That's not why I'm doing it.

-Mm.

330

00:23:56,840 —> 00:23:59,560

[Lauren] I think we're gonna need

to unpack this tomorrow.

331

00:23:59,640 —> 00:24:01,040

Or we're not.

332

00:24:01,120 —> 00:24:02,720

Okay. Sorry.

333

00:24:03,720 —> 00:24:05,040

Oh.

334

00:24:06,320 —> 00:24:08,120

I peed on my leg.

335

00:24:08,200 –> 00:24:09,480

[laughing]

336

00:24:09,560 –> 00:24:11,000

-[twig snaps nearby]

-[yelps]

337

00:24:11,080 –> 00:24:12,360

[tense music]

338

00:24:13,000 –> 00:24:15,760

Shh... There's someone there.

339

00:24:15,840 –> 00:24:17,720

-[rustling]

-[Cara and Lauren scream]

340

00:24:18,760 –> 00:24:20,200

Pip!

341

00:24:20,960 –> 00:24:23,880

[dramatic music]

342

00:24:41,800 —> 00:24:43,680

[whirring]

343

00:24:44,760 —> 00:24:45,960

[sharp gasp]

344

00:24:51,200 —> 00:24:52,520

[screaming]

345

00:24:52,600 —> 00:24:54,160

It's okay!

346

00:24:54,240 —> 00:24:55,240

It's me.

347

00:24:55,320 —> 00:24:57,640

[both panting]

348

00:25:01,640 —> 00:25:03,640

It was a fucking serial killer.

349

00:25:04,200 —> 00:25:06,640
Statistically, you're more likely
to die in a bath

350
00:25:06,720 —> 00:25:08,560
than get murdered by a serial killer.

351
00:25:08,640 —> 00:25:09,920
Who was it, then?

352
00:25:10,840 —> 00:25:12,400
A hiker who got lost.

353
00:25:13,640 —> 00:25:15,480
Or it was the ghost of Andie Bell.

354
00:25:15,560 —> 00:25:17,920
Or it was just a hiker who got lost.

355
00:25:19,040 —> 00:25:20,240
It's okay, guys.

356

00:25:20,920 –> 00:25:23,080
Me and Zach will stay up and keep watch.

357
00:25:23,160 –> 00:25:25,600
{\an8}No offense, Con, but we all
saw when Dylan knocked

358
00:25:25,680 –> 00:25:27,560
{\an8}your physics books on the floor.

359
00:25:27,640 –> 00:25:29,240
{\an8}It's called the Fetus.

360
00:25:29,320 –> 00:25:32,280
{\an8}It's a defensive pose
used in a lot of combat situations.

361
00:26:00,960 –> 00:26:02,960
[suspenseful music]

362
00:26:37,520 –> 00:26:40,000
[gentle music]

363

00:26:43,960 —> 00:26:45,200

You okay?

364

00:26:46,200 —> 00:26:48,840

Yeah, I'm fine. Let's go home.

365

00:26:53,720 —> 00:26:55,960

No, it's fine. I got it. I got it.

Thank you.

366

00:26:56,640 —> 00:26:58,720

-Careful.

-My bag's open. Come here.

367

00:26:58,800 —> 00:27:00,320

Connor, my bag's open.

368

00:27:00,400 —> 00:27:03,120

[gentle music]

369

00:27:25,640 —> 00:27:27,240

[brakes squeal softly]

370

00:27:28,120 —> 00:27:29,480

[handbrake clicks]

371

00:27:30,440 —> 00:27:31,840

[phone buzzing]

372

00:27:37,440 —> 00:27:39,280

Can't believe summer's nearly over.

373

00:27:39,360 —> 00:27:41,160

Then it's our last year

at school, and then—

374

00:27:41,240 —> 00:27:42,760

I don't want to talk about it.

375

00:27:44,960 —> 00:27:47,080

You're not still upset

about the Ruby thing, are you?

376

00:27:47,160 —> 00:27:49,280

How come you only told Lauren
that you liked her?

377
00:27:49,360 —> 00:27:51,640
-I didn't tell her. She guessed.
-Well, why didn't I guess?

378
00:27:51,720 —> 00:27:54,360
'Cause you're not really
interested in all that stuff.

379
00:27:56,160 —> 00:27:57,960
Come on, it's just a stupid crush.

380
00:27:58,960 —> 00:28:02,320
She's a damselfly, remember?
And I'm a tadpole.

381
00:28:03,240 —> 00:28:05,040
You're a flatworm like me.

382
00:28:08,560 —> 00:28:10,200
What are you worried about?

383

00:28:12,480 —> 00:28:14,760

I just don't want anything to change.

384

00:28:16,040 —> 00:28:19,320

Come on! I've known you

since you were four.

385

00:28:19,400 —> 00:28:21,720

Nothing's ever gonna change between us.

386

00:28:21,800 —> 00:28:22,840

-Okay?

-Okay.

387

00:28:23,840 —> 00:28:24,840

Get off.

388

00:28:37,600 —> 00:28:40,440

[inaudible]

389

00:28:58,320 —> 00:28:59,640

[Pip] Hello?

390

00:29:03,120 –> 00:29:07,280

[tense music]

391

00:29:15,600 –> 00:29:17,360

[music builds]

392

00:29:21,440 –> 00:29:22,720

[music fades]

393

00:29:23,280 –> 00:29:24,280

[sighs]

394

00:29:30,240 –> 00:29:32,880

[tense music]

395

00:30:08,440 –> 00:30:12,320

[Nat's recording] You seem nice, Pippa.

You don't know what you're digging up.

396

00:30:13,040 –> 00:30:14,680

Digging up.

397

00:30:15,440 –> 00:30:16,880

Digging up.

398

00:30:18,720 –> 00:30:20,840

[music continues]

399

00:30:42,760 –> 00:30:44,920

[music takes lighter tone]

400

00:31:03,280 –> 00:31:06,320

[music fades]

401

00:31:12,040 –> 00:31:13,520

Do you think I'm crazy?

402

00:31:13,600 –> 00:31:15,480

Hundred percent.

403

00:31:15,560 –> 00:31:18,160

But that's not necessarily a bad thing.

404

00:31:18,240 —> 00:31:20,840

So, what have you got?

What am I looking at?

405

00:31:23,400 —> 00:31:26,120

It's Dan da Silva, Nat da Silva's brother.

406

00:31:26,200 —> 00:31:28,880

He's a police officer

who worked on the case.

407

00:31:28,960 —> 00:31:31,920

Oh, shit. I remember him.

He's a right prick.

408

00:31:32,000 —> 00:31:34,480

Yeah. He's the guy

that warned me off at the party.

409

00:31:35,160 —> 00:31:37,000

Could he be Secret Older Guy?

410

00:31:37,440 —> 00:31:38,560

Yeah.

411

00:31:39,080 —> 00:31:41,560

I don't know.

But then you have Nat being all,

412

00:31:41,640 —> 00:31:43,680

"You seem nice, Pippa, be careful."

413

00:31:44,640 —> 00:31:46,320

Could he be covering for Nat?

414

00:31:46,920 —> 00:31:48,240

Maybe.

415

00:31:53,280 —> 00:31:54,320

Hey!

416

00:31:54,400 —> 00:31:57,040

I'm just putting them

in chronological order.

417

00:31:57,120 —> 00:32:00,120

A little surprised you haven't

done it already, to be honest.

418

00:32:09,160 —> 00:32:11,720

Look. Andie, Emma, Nat.

419

00:32:11,800 —> 00:32:13,000

Andie, Emma, Nat.

420

00:32:13,080 —> 00:32:15,840

{\an8}Andie, Emma, Nat. All the way to here,

421

00:32:15,920 —> 00:32:18,280

{\an8}April, two weeks before

Andie went missing.

422

00:32:18,360 —> 00:32:21,760

From here on, it's just

Andie and Emma. No Nat.

423

00:32:21,840 —> 00:32:24,000
They definitely fell out about something.

424
00:32:26,080 —> 00:32:27,520
When were the nudes leaked?

425
00:32:27,600 —> 00:32:31,240
It was April. I remember 'cause
we'd lost 5-0 in the under 14s.

426
00:32:31,320 —> 00:32:33,400
Everyone was passing them
round on the coach back.

427
00:32:33,480 —> 00:32:35,600
You said it was a mystery who sent them.

428
00:32:36,160 —> 00:32:37,440
What if it was Andie?

429
00:32:38,440 —> 00:32:40,600
Would she do that to her best friend?

430

00:32:40,680 —> 00:32:43,840

I don't know. But if she did,

it gives Nat a pretty good motive.

431

00:32:46,400 —> 00:32:48,120

I'm gonna need your phone again.

432

00:32:49,520 —> 00:32:52,040

Next time, we need to get

the stakeout food right.

433

00:32:53,600 —> 00:32:55,160

What's wrong with crisps?

434

00:32:55,680 —> 00:32:58,280

Too noisy. We need something quiet.

435

00:33:00,480 —> 00:33:01,680

Like a donut.

436

00:33:02,560 —> 00:33:03,720

Too sticky.

437

00:33:04,520 —> 00:33:06,200

-Think of the fingerprints.

-Mm.

438

00:33:07,600 —> 00:33:08,720

True.

439

00:33:09,960 —> 00:33:11,440

What about marshmallows?

440

00:33:11,520 —> 00:33:13,840

That's gotta be the quietest food

in the world.

441

00:33:13,920 —> 00:33:15,480

-Perfect.

-[car door closes]

442

00:33:21,960 —> 00:33:22,920

Hi, Nat.

443

00:33:23,000 —> 00:33:25,440
Hi. I'm just meeting a friend,
so I can't really talk.

444
00:33:25,520 —> 00:33:26,760
[Pip] You mean Emma?

445
00:33:29,600 —> 00:33:30,840
Emma's us.

446
00:33:31,920 —> 00:33:33,160
What the fuck?

447
00:33:33,680 —> 00:33:36,200
[Pip] We know it was Andie
who shared your nudes.

448
00:33:37,160 —> 00:33:38,440
[Nat] I'm sorry?

449
00:33:42,320 —> 00:33:43,640
[scoffs]

450

00:33:45,040 —> 00:33:47,600

You think that Andie

released my nudes

451

00:33:47,680 —> 00:33:49,640

and I killed her in vengeance?

452

00:33:51,520 —> 00:33:53,000

Wow.

453

00:33:53,600 —> 00:33:55,360

That's so dark.

454

00:33:55,440 —> 00:33:57,040

Andie was my best friend.

455

00:33:57,120 —> 00:33:59,240

[Ravi] You and Andie fell out, didn't you?

456

00:34:00,760 —> 00:34:02,520

Just before she disappeared.

457

00:34:07,600 —> 00:34:10,240

I had a row with Sal

the night before he died.

458

00:34:11,160 —> 00:34:12,840

Still feels bad.

459

00:34:18,840 —> 00:34:20,199

She changed.

460

00:34:20,280 —> 00:34:21,280

[Ravi] How?

461

00:34:21,920 —> 00:34:23,360

I don't know.

462

00:34:23,760 —> 00:34:26,600

Before she died,

she'd just gone into self-destruct mode.

463

00:34:27,239 —> 00:34:30,840

She started hanging out with this guy

who was just a nasty piece of work.

464

00:34:31,440 —> 00:34:33,600

I told her to stay away from him, but...

465

00:34:35,120 —> 00:34:36,800

she didn't listen.

466

00:34:36,880 —> 00:34:38,360

Who?

467

00:34:41,040 —> 00:34:42,360

Max Hastings.

468

00:34:42,440 —> 00:34:44,040

He's twisted.

469

00:34:51,360 —> 00:34:53,639

[Pip] Could Max be Secret Older Guy?

470

00:34:53,719 —> 00:34:55,920

[Ravi] All Nat said was that

they were hanging out.

471

00:34:56,000 —> 00:34:58,600

Yeah, but Max said

he literally never spoke to her.

472

00:34:59,239 —> 00:35:01,440

-He lied.

-Well, maybe he just forgot.

473

00:35:01,520 —> 00:35:04,840

Max could be a dick, but he was

around our house all the time.

474

00:35:04,920 —> 00:35:07,040

He taught me how to do a rainbow flick.

475

00:35:07,920 —> 00:35:09,240

Do you still see him?

476

00:35:09,320 —> 00:35:11,760

Not really. Not since the funeral.

477

00:35:12,680 —> 00:35:14,520

Okay. I'm this way.

478

00:35:14,600 —> 00:35:16,200

Do you want me to walk you home?

479

00:35:16,280 —> 00:35:17,760

I'm fine, but thanks.

480

00:35:38,000 —> 00:35:39,160

Hello.

481

00:35:39,240 —> 00:35:40,240

Hi.

482

00:35:41,120 —> 00:35:43,200

I'm a friend of Max's.

483

00:35:44,440 —> 00:35:45,520

Lucky old Max.

484

00:35:49,400 –> 00:35:50,560

Is he in?

485

00:35:51,160 –> 00:35:52,240

[Rosie] Toby?

486

00:35:54,320 –> 00:35:56,480

We need more wine from the cellar.

487

00:35:58,120 –> 00:36:01,320

Max is upstairs.

Just follow the smell of Paco Rabanne.

488

00:36:01,400 –> 00:36:02,920

Thanks.

489

00:36:08,640 –> 00:36:09,840

[door closes]

490

00:36:56,120 –> 00:36:59,240

[shower running]

491

00:37:03,520 —> 00:37:06,400
["Me and the Devil"
by Gil Scott-Heron plays]

492
00:37:25,880 —> 00:37:29,000
["Me and the Devil"
by Gil Scott-Heron continues]

493
00:37:57,680 —> 00:37:59,000
Shit.

494
00:38:27,080 —> 00:38:30,080
-[camera shutter clicks]
-[Max] What the fuck are you doing?

495
00:38:34,040 —> 00:38:36,560
Did Sal know you were
sleeping with his girlfriend?

496
00:38:39,360 —> 00:38:40,760
You're funny...

497
00:38:40,840 —> 00:38:43,520

like some hysterical, avenging virgin.

498

00:38:43,600 —> 00:38:45,520

I take that as a compliment.

499

00:38:48,720 —> 00:38:50,720

I didn't sleep with Andie.

500

00:38:50,800 —> 00:38:52,680

I found it in a classroom in school.

501

00:38:52,760 —> 00:38:55,640

I keep it by my bed for... inspiration.

502

00:38:59,400 —> 00:39:01,520

Just 'cause I can appreciate

the female form

503

00:39:01,600 —> 00:39:04,120

doesn't mean I'd screw

my best friend's girlfriend.

504

00:39:10,960 —> 00:39:12,720

How do you explain these, then?

505

00:39:23,600 —> 00:39:26,360

Oh. So, he finally caught on.

506

00:39:30,320 —> 00:39:32,000

Andie sold drugs.

507

00:39:34,320 —> 00:39:35,880

How do you know?

508

00:39:35,960 —> 00:39:37,960

I was one of her customers.

509

00:39:38,040 —> 00:39:40,200

She sold them at Calamity parties mainly.

510

00:39:40,840 —> 00:39:42,120

Sal hated drugs.

511

00:39:43,000 —> 00:39:44,480

She was a dealer?

512

00:39:44,560 —> 00:39:46,600

She worked for a dealer.

513

00:39:46,680 —> 00:39:47,840

Who?

514

00:39:47,920 —> 00:39:50,080

-I don't know his name.

-How do I find him?

515

00:39:50,160 —> 00:39:52,120

At a Calamity, I guess.

516

00:39:57,000 —> 00:39:58,200

[soft chuckle]

517

00:39:59,720 —> 00:40:02,960

["Midnight" by Siobhan Sainte begins]

518

00:40:03,040 —> 00:40:06,960

A Calamity is hot and sweaty and noisy

519

00:40:07,040 —> 00:40:09,720

and just a little bit fucked up

in all the best ways.

520

00:40:11,240 —> 00:40:13,080

You're such a good girl, Pip.

521

00:40:15,680 —> 00:40:17,480

Are you really ready for that?

522

00:40:17,560 —> 00:40:19,520

["Midnight" by Siobhan Sainte plays]

523

00:40:27,000 —> 00:40:28,840

[mouths] Hi! I love you.

524

00:40:44,080 —> 00:40:46,960

["Midnight" by Siobhan Sainte continues]

Episode 3:

1

00:00:09,000 –> 00:00:10,920

{\an8}[Max] Andie sold drugs.

2

00:00:11,960 –> 00:00:13,200

{\an8}[Pip] How do you know?

3

00:00:14,400 –> 00:00:16,240

{\an8}[Max] I was one of her customers.

4

00:00:16,320 –> 00:00:20,200

{\an8}She sold them at Calamity parties mainly.

Sal hated drugs.

5

00:00:20,280 –> 00:00:22,200

{\an8}["Sail" by AWOLNATION plays]

6

00:00:30,800 –> 00:00:33,840

Calamity is hot and sweaty and noisy

7

00:00:33,920 –> 00:00:36,520

and just a little bit fucked up

in all the best ways.

8

00:00:40,520 —> 00:00:42,240

You're such a good girl, Pip.

9

00:00:43,920 —> 00:00:45,400

Are you really ready for that?

10

00:01:22,760 —> 00:01:25,520

[Pip] So, guys, I really want

to go to a Calamity party.

11

00:01:25,600 —> 00:01:27,440

[Cara] You want to what?

12

00:01:27,520 —> 00:01:29,720

I realize it's somewhat out of character.

13

00:01:29,800 —> 00:01:31,560

"Somewhat"? Try a-lot-what.

14

00:01:31,640 —> 00:01:35,320
Yes! I've been dying to go to a Calamity
since, like, year nine.

15
00:01:35,400 —> 00:01:37,560
-Pip, you hate parties.
-They say try everything once.

16
00:01:37,640 —> 00:01:39,320
I believe the acronym is "YOLO."

17
00:01:39,400 —> 00:01:42,880
Exactly. I can't go to film school
until I've been to a proper party.

18
00:01:42,960 —> 00:01:44,760
Plus, Ant will be there.

19
00:01:44,840 —> 00:01:46,760
[indistinct chatter, laughter]

20
00:01:46,840 —> 00:01:48,880
[Cara exclaims]

21

00:01:48,960 —> 00:01:50,240

As will Ruby Foxcroft.

22

00:01:50,320 —> 00:01:51,880

[Lauren exclaims]

23

00:01:51,960 —> 00:01:53,640

Shut up and eat your Müller Light.

24

00:01:53,720 —> 00:01:56,400

[Lauren] I heard there's a Calamity

at the start of every term.

25

00:01:56,480 —> 00:01:57,720

How do we find it?

26

00:01:57,800 —> 00:02:01,560

Guys, people like us don't get invited.

These things are super secret.

27

00:02:01,640 —> 00:02:04,080

Yeah, and not to mention
infamously debauched.

28
00:02:05,360 —> 00:02:07,640
Twelve down. "Acrimonious."

29
00:02:08,800 —> 00:02:11,240
Lucky we're such good
problem solvers, then.

30
00:02:11,320 —> 00:02:13,400
[bell rings]

31
00:02:13,479 —> 00:02:15,720
Right, our task is to work out
when and where

32
00:02:15,800 —> 00:02:18,560
the next Calamity will be
and how to gain access.

33
00:02:18,640 —> 00:02:20,880
["Guillotine" by Mansionair

and NoMBe plays]

34

00:02:50,080 —> 00:02:51,720

Ow. Sorry. Sorry.

35

00:02:57,120 —> 00:02:59,000

-[Pip] Ooh!

-[Lauren] What's wrong?

36

00:02:59,080 —> 00:03:00,400

It's fine, it's fine.

37

00:03:00,480 —> 00:03:02,520

I just liked Becca Bell's post.

38

00:03:03,040 —> 00:03:05,720

["Guillotine" by Mansionair continues]

39

00:03:24,040 —> 00:03:26,880

This is pointless.

No one's posted anything incriminating.

40

00:03:26,960 —> 00:03:30,040
The black ribbons are clearly a clue.
I've seen them in the woods.

41
00:03:30,120 —> 00:03:31,800
Wait. Look.

42
00:03:34,160 —> 00:03:35,680
{\an8}"Five more sleeps."

43
00:03:36,480 —> 00:03:38,320
-There's a party this Saturday.
-[phone chimes]

44
00:03:38,400 —> 00:03:40,360
-Guys, Naomi's just replied.
-Finally.

45
00:03:40,800 —> 00:03:42,880
Apparently, when she
used to go to Calamities,

46
00:03:42,960 —> 00:03:45,920

the location was shared at midday

the Monday before the party.

47

00:03:46,640 —> 00:03:49,480

-But that's like...

-Now!

48

00:03:57,960 —> 00:04:00,080

Love that dance challenge you posted.

49

00:04:00,640 —> 00:04:02,440

I'm surprised it didn't trend.

50

00:04:02,520 —> 00:04:04,760

It got 1,300 likes.

51

00:04:04,840 —> 00:04:05,760

It's not bad.

52

00:04:05,840 —> 00:04:09,560

But I suppose if you

really want to hit those FYPs,

53

00:04:09,640 —> 00:04:11,240

you have to game the algorithm.

54

00:04:12,160 —> 00:04:14,520

-Oh, yeah? Sounds complicated.

-No.

55

00:04:15,400 —> 00:04:17,680

Just have to adjust

your visibility settings.

56

00:04:19,360 —> 00:04:21,519

I could do it for you if you like.

57

00:04:23,680 —> 00:04:25,240

[scoffs] Fine.

58

00:04:37,640 —> 00:04:38,960

Come on, Pip-squeak.

59

00:04:39,040 —> 00:04:41,360

-I've gotta go to Spanish.

-Sí, por supuesto.

60

00:04:41,440 —> 00:04:43,040

One more second.

61

00:04:43,120 —> 00:04:44,520

[bell rings]

62

00:04:48,680 —> 00:04:49,840

Done! [chuckles]

63

00:04:52,200 —> 00:04:53,960

Prepare to viralize.

64

00:04:54,840 —> 00:04:56,400

[Pip chuckles]

65

00:04:57,120 —> 00:04:58,600

[groans]

66

00:05:02,040 —> 00:05:03,680

Did you just say "viralize"?

67

00:05:04,640 —> 00:05:06,160

[laughing]

68

00:05:07,160 —> 00:05:08,160

[bell rings]

69

00:05:08,240 —> 00:05:11,320

[Elliot] That's it, folks.

Read chapter two by next week.

70

00:05:17,400 —> 00:05:20,440

{\an8}I've tried it as a numerical code

in case they're coordinates,

71

00:05:20,520 —> 00:05:23,000

an anagram in case it's an address.

72

00:05:24,240 —> 00:05:26,520

That doesn't look like English.

73

00:05:26,600 —> 00:05:27,680

[Pip] I was listening.

74

00:05:28,360 —> 00:05:31,960

I thought your point on pathetic fallacy

in the Gothic novel was spot on.

75

00:05:33,000 —> 00:05:34,280

Thank you.

76

00:05:34,360 —> 00:05:36,080

It's a code-breaking game.

77

00:05:36,160 —> 00:05:39,320

We have to find a location using

the code "black banana bears."

78

00:05:40,280 —> 00:05:41,880

Oh, like What3words?

79

00:05:43,760 —> 00:05:46,840

Oh, of course! I'm so stupid!

80

00:05:47,880 —> 00:05:49,400
You are a certified genius.

81
00:05:52,560 —> 00:05:55,840
"Black banana bears."

82
00:05:58,360 —> 00:06:01,280
Shit. It's in the middle of nowhere.

83
00:06:02,040 —> 00:06:04,280
So, this guy Andie was selling for,

84
00:06:04,400 —> 00:06:06,480
we think he's Secret Older Guy?

85
00:06:06,560 —> 00:06:07,760
Could be.

86
00:06:07,840 —> 00:06:10,680
Or he could have nothing
to do with Secret Older Guy.

87

00:06:10,760 —> 00:06:13,800
Maybe Andie was just involved
in a drug deal gone wrong.

88
00:06:13,880 —> 00:06:16,000
Either way, we need to find this dealer.

89
00:06:16,080 —> 00:06:18,760
-How though?
-Elementary, my dear Watson.

90
00:06:18,840 —> 00:06:22,080
I'm not gonna get into this right now,
but I am not Watson.

91
00:06:22,160 —> 00:06:25,160
Okay, well, I am clearly Sherlock.

92
00:06:25,240 —> 00:06:27,480
Nah, I've got that
sexy Cumberbatch energy,

93
00:06:27,560 —> 00:06:29,440

and you're clearly Martin Freeman.

94

00:06:29,520 —> 00:06:31,680

That is ridiculous.

95

00:06:31,760 —> 00:06:33,720

Don't get sidetracked. What's the plan?

96

00:06:35,040 —> 00:06:37,360

Max said the dealer

could be at a Calamity,

97

00:06:37,440 —> 00:06:40,240

so I'll be attending one this Saturday.

98

00:06:40,320 —> 00:06:42,040

I need to follow the drugs.

99

00:06:42,120 —> 00:06:45,440

Pip, you can't just waltz up

to some dealer and be like,

100

00:06:45,520 —> 00:06:47,520

"Hey, what's the craic

with that murder?"

101

00:06:47,600 —> 00:06:48,920

You could come too.

102

00:06:54,280 —> 00:06:57,360

I know people were

awful to you after Sal died.

103

00:07:03,680 —> 00:07:07,400

You're on your own for this one.

Don't do anything rash.

104

00:07:07,480 —> 00:07:11,040

That, my friend, is classic Watson.

105

00:07:11,120 —> 00:07:12,440

[both chuckle]

106

00:07:19,560 —> 00:07:22,880

Which one says "party" to you more?

Fleece? The knit?

107

00:07:22,960 —> 00:07:24,320

Neither.

108

00:07:27,120 —> 00:07:28,800

All right, spill the tea.

109

00:07:29,760 —> 00:07:30,760

What tea?

110

00:07:30,840 —> 00:07:33,080

You obviously want to go

because of the case.

111

00:07:33,880 —> 00:07:35,640

Can't I just be trying to YOLO?

112

00:07:35,720 —> 00:07:37,480

That doesn't even make sense.

113

00:07:38,200 —> 00:07:41,400

Excited to see Ruby? [laughs]

114

00:07:42,600 —> 00:07:44,800

-Ugh. She's way out of my league.

-Says who?

115

00:07:45,280 —> 00:07:46,720

You're funny.

116

00:07:47,240 —> 00:07:48,760

You're kind.

117

00:07:48,840 —> 00:07:50,720

Hey, you've got great teeth.

118

00:07:51,160 —> 00:07:54,080

You won the bleep test

three years in a row.

119

00:07:54,280 —> 00:07:57,880

Go forth and conquer like a queer Boudica.

120

00:07:57,960 —> 00:07:59,920

All right, calm down.

121

00:08:00,600 —> 00:08:02,040

Let's not get there too late.

122

00:08:02,120 —> 00:08:05,120

I remember Naomi

saying Calamities can get dark.

123

00:08:06,920 —> 00:08:08,320

You two off out?

124

00:08:08,400 —> 00:08:10,640

Uh, yeah, just to a party.

125

00:08:10,720 —> 00:08:12,800

Since when do you two go to parties?

126

00:08:12,880 —> 00:08:14,360

[Victor] Party, huh?

127

00:08:15,480 —> 00:08:17,720
-What party?
-[Cara] It's not a "party" party,

128
00:08:17,800 —> 00:08:19,280
more like a social gathering.

129
00:08:19,360 —> 00:08:22,440
Well, take some money from
my wallet for a cab home, yeah?

130
00:08:22,520 —> 00:08:23,720
Will do.

131
00:08:23,800 —> 00:08:25,160
[Victor] Oh, and remember,

132
00:08:25,240 —> 00:08:28,200
if anyone offers you any drugs,
just take half first, okay?

133
00:08:28,280 —> 00:08:30,480
No. Shh... No.

Let's get rid of you. Come on.

134

00:08:30,560 —> 00:08:32,160

-[Victor] Maybe just a dab.

-No. No, no.

135

00:08:32,240 —> 00:08:33,600

-That's how we met.

-No, dear!

136

00:08:33,680 —> 00:08:35,200

-[Victor] Memories.

-[Leanne] Off we go.

137

00:08:35,280 —> 00:08:36,320

He's joking. That's not—

138

00:08:36,400 —> 00:08:37,840

-That's not real.

-[Victor vocalizing]

139

00:08:37,919 —> 00:08:39,200

[Leanne] Goodbye. Come on.

140

00:08:39,880 —> 00:08:42,559

I'm just saying your parents

are like the dream.

141

00:08:43,000 —> 00:08:46,280

They're fun, intellectual equals...

142

00:08:46,520 —> 00:08:48,039

hot for middle-aged people.

143

00:08:48,120 —> 00:08:50,480

-They're not hot.

-To be fair, they kind of are.

144

00:08:53,440 —> 00:08:56,160

It says this is it. Black Banana Bears.

145

00:08:56,920 —> 00:08:59,200

We could text the boys,

see if they're here.

146

00:09:00,800 —> 00:09:01,960
This way.

147
00:09:03,360 —> 00:09:07,120
-[Lauren] This is unreal.
-[Cara] Maybe we should go back.

148
00:09:07,200 —> 00:09:08,960
[Pip] We'll be fine once we go in.

149
00:09:09,040 —> 00:09:11,200
-Knock back a few piña coladas.
-[muffled music playing]

150
00:09:11,280 —> 00:09:14,160
Pip, it's a rave. They're not
gonna have piña coladas.

151
00:09:14,240 —> 00:09:17,080
Dad says a party's never a party
without piña coladas.

152
00:09:19,840 —> 00:09:21,120

Ready?

153

00:09:21,200 –> 00:09:22,800

Let's do this, bitches.

154

00:09:23,480 –> 00:09:24,640

Come on.

155

00:09:24,720 –> 00:09:26,960

["Patient Zero" by Starmaxx playing]

156

00:10:02,000 –> 00:10:04,120

[music continues]

157

00:10:11,280 –> 00:10:13,200

[Cara] It's like Dante's Inferno.

158

00:10:13,880 –> 00:10:16,400

-When can we leave?

-Not yet.

159

00:10:16,960 –> 00:10:20,360

I tried to do a Sex on the Beach,

but they only had vodka and orange,

160

00:10:20,520 —> 00:10:22,280

so it's mainly just... beach.

161

00:10:27,000 —> 00:10:30,200

-[groans] Let's go find the boys.

-Oh, yeah.

162

00:10:30,560 —> 00:10:31,640

Yep.

163

00:10:35,440 —> 00:10:36,840

[laughing]

164

00:10:38,840 —> 00:10:41,800

["The Bloody Beetroots"

by Steve Aoki playing distantly]

165

00:10:52,800 —> 00:10:54,680

[overlapping chatter]

166

00:10:59,200 —> 00:11:01,160

[all exclaim]

167

00:11:01,760 —> 00:11:03,160

Hey...

168

00:11:04,400 —> 00:11:06,360

[laughter]

169

00:11:12,360 —> 00:11:13,720

What the hell?

170

00:11:13,800 —> 00:11:15,000

I think it's a sex game.

171

00:11:16,080 —> 00:11:17,680

Cara Ward.

172

00:11:17,760 —> 00:11:19,400

Didn't know this was your scene.

173

00:11:19,480 —> 00:11:21,360

It's not... usually.

174

00:11:22,680 —> 00:11:23,960

Come and dance.

175

00:11:29,440 —> 00:11:31,240

[Dylan] Hey, girls. Wanna play?

176

00:11:32,200 —> 00:11:33,520

[girl 1] Disgusting.

177

00:11:34,160 —> 00:11:35,560

[girl 2] I don't think so.

178

00:11:36,480 —> 00:11:37,840

[girl 1] Yeah, yeah.

179

00:11:37,920 —> 00:11:40,200

Yeah, that's it. He's done.

180

00:11:40,280 —> 00:11:42,480

Come on. I'll wingwoman you.

181

00:11:45,720 —> 00:11:47,600

[all chattering]

182

00:11:50,200 —> 00:11:53,560

[indistinct chatter]

183

00:11:57,680 —> 00:12:00,880

[all exclaim, cheering]

184

00:12:01,560 —> 00:12:02,760

[boy] Score.

185

00:12:05,040 —> 00:12:07,200

You don't have to go if you don't want to.

186

00:12:08,400 —> 00:12:10,360

[boy 1] Only five minutes though, yeah?

187

00:12:11,200 —> 00:12:12,680

[girl] Yeah, put a timer on.

188

00:12:15,720 —> 00:12:17,800

It's fine. I'll go.

189

00:12:24,720 —> 00:12:26,800

[chatter continues]

190

00:12:27,560 —> 00:12:29,560

[tense music]

191

00:12:30,920 —> 00:12:32,160

[laughter]

192

00:12:45,160 —> 00:12:46,720

We just... talk?

193

00:12:47,800 —> 00:12:49,880

The point of the game isn't to talk.

194

00:12:50,760 —> 00:12:54,760

I'm way too sober.

I need something to get me going.

195

00:12:55,720 —> 00:12:56,920

[Dylan] Oh, yeah?

196

00:12:57,560 —> 00:13:02,120

[scoffs] Ant's got my Special K.

I could go get it if you want.

197

00:13:02,200 —> 00:13:04,240

[Pip] Oof, not for me.

198

00:13:05,880 —> 00:13:07,760

Makes me feel too special.

199

00:13:08,120 —> 00:13:09,000

[Dylan] Huh.

200

00:13:09,080 —> 00:13:12,360

Last Calamity,

I got these mad shrooms off my dealer.

201

00:13:13,040 —> 00:13:14,560

Shit got so fucked up.

202

00:13:17,320 —> 00:13:18,400

Is he here?

203

00:13:19,360 —> 00:13:21,880

-Your dealer.

-Why do you want to see my dealer?

204

00:13:22,560 —> 00:13:26,080

No offense,

but you don't seem like the type.

205

00:13:27,560 —> 00:13:31,240

Mmm... I suppose I've spent

my whole school career

206

00:13:31,320 —> 00:13:33,480

focused on work and getting into uni.

207

00:13:34,680 —> 00:13:37,880

Now I just want to... let loose.

208

00:13:39,560 —> 00:13:41,200

Go a bit wild.

209

00:13:41,280 —> 00:13:43,880

[chuckles] Wild sounds fun.

210

00:13:46,080 —> 00:13:47,480

I'll sort you out.

211

00:13:57,760 —> 00:14:00,240

[tense music]

212

00:14:06,240 —> 00:14:07,640

[girl moaning]

213

00:14:12,600 —> 00:14:14,600

-Where are we going?

-To meet Howie.

214

00:14:18,880 —> 00:14:20,040

In there.

215

00:14:23,680 —> 00:14:26,240

-Aren't you coming?

-[Dylan] Nah, I'll wait.

216

00:14:28,480 —> 00:14:31,080

-Careful, yeah?

-Of what?

217

00:14:33,400 —> 00:14:36,120

[tense music continues]

218

00:14:38,440 —> 00:14:40,440

[indistinct chatter]

219

00:14:45,840 —> 00:14:46,960

Yeah?

220

00:14:47,560 —> 00:14:48,880

Hi. [chuckles nervously]

221

00:14:51,040 —> 00:14:52,520

I'm a friend of Dylan's.

222

00:14:53,160 —> 00:14:55,000

That prick owes me 60 quid.

223

00:14:55,080 —> 00:14:56,600

[Pip] I could pay you back.

224

00:14:59,560 —> 00:15:01,920

I've got three questions for you.

225

00:15:02,680 —> 00:15:04,440

Twenty pounds per question.

226

00:15:05,520 —> 00:15:06,680

All right.

227

00:15:10,760 —> 00:15:11,840

Hi.

228

00:15:12,320 —> 00:15:15,680

Hi. Sorry. Excuse me. Excuse me.

229

00:15:29,320 —> 00:15:31,920

Is it true Andie Bell

used to deal drugs for you?

230

00:15:32,760 —> 00:15:33,920

Yeah.

231

00:15:38,080 —> 00:15:39,320

What kind?

232

00:15:39,400 —> 00:15:41,480

Weed. Ket. Rohypnol.

233

00:15:42,160 —> 00:15:43,280

Bit of mandy.

234

00:15:43,360 —> 00:15:44,680

Rohypnol?

235

00:15:46,480 —> 00:15:48,200

Isn't that a date rape drug?

236

00:15:50,280 —> 00:15:54,640

Ketamine's a horse tranquilizer.

People'll take anything for a buzz.

237

00:15:56,200 —> 00:15:57,800

[Martha] I liked Andie.

238

00:15:58,560 —> 00:15:59,800

She was cool.

239

00:16:00,480 —> 00:16:02,840

[Howie] Andie was the perfect decoy...

240

00:16:02,920 —> 00:16:04,640

till she wasn't.

241

00:16:04,720 —> 00:16:05,920

Why?

242

00:16:09,880 —> 00:16:11,520

Do you know where I got this?

243

00:16:13,320 —> 00:16:14,640

Belmarsh.

244

00:16:16,000 —> 00:16:17,600

Some bloke took against me.

245

00:16:18,840 —> 00:16:20,280

Filled a kettle with sugar,

246

00:16:21,000 —> 00:16:23,640

boiled it, threw it in my face.

247

00:16:26,000 —> 00:16:27,040

Just kidding.

248

00:16:27,120 —> 00:16:29,560

Your face.

Never been to Belmarsh.

249

00:16:29,640 —> 00:16:32,640

[laughs] Yeah. No, of course not.

250

00:16:32,720 —> 00:16:35,200

No, my brother did it. The wreckhead.

251

00:16:37,160 —> 00:16:39,440

Man who looks like me,

people assume the worst.

252

00:16:39,520 —> 00:16:43,320

A golden girl like Andie

who kept her stash in a toy bunny?

253

00:16:44,160 —> 00:16:45,720

No one suspected her.

254

00:16:48,680 —> 00:16:50,520

They never found her burner phone,

255

00:16:50,760 —> 00:16:52,280

never found me.

256

00:16:54,320 —> 00:16:57,360

One more question. Choose wisely.

257

00:17:05,760 —> 00:17:09,200

Where were you

on the 19th of April 2019?

258

00:17:13,599 —> 00:17:15,920

-Are you accusing me of something?

-[Pip] No.

259

00:17:16,000 —> 00:17:17,800

[Howie] Sounds like you are.

260

00:17:17,880 —> 00:17:19,079

Honestly not.

261

00:17:19,160 —> 00:17:22,839

[scoffs] You think 'cause I deal drugs

I go around murdering teenage girls?

262

00:17:22,920 —> 00:17:24,800

No! No, I didn't.

263

00:17:25,400 —> 00:17:26,960
What if I do?

264
00:17:28,560 —> 00:17:30,839
[Martha] Howie, leave her alone.

265
00:17:31,480 —> 00:17:33,440
[tense music]

266
00:17:34,640 —> 00:17:37,080
[panting]

267
00:17:40,760 —> 00:17:42,880
[music intensifies]

268
00:17:46,080 —> 00:17:48,000
-Hello. What's the matter?
-[music fades]

269
00:17:48,080 —> 00:17:49,320
Howie...

270

00:17:49,400 —> 00:17:51,480

Hey, hey, hey... you're safe now.

271

00:17:55,080 —> 00:17:58,960

You know, you actually

look cute when you're scared.

272

00:17:59,520 —> 00:18:01,080

-Come here.

-Stop.

273

00:18:01,760 —> 00:18:02,920

Dylan, no!

274

00:18:03,000 —> 00:18:05,360

-You said you wanted to loosen up.

-Stop— Stop!

275

00:18:05,440 —> 00:18:06,640

[Jesse] Everything okay?

276

00:18:11,560 —> 00:18:13,160

All right, you little creep.

277

00:18:14,640 —> 00:18:15,720

Piss off.

278

00:18:16,320 —> 00:18:18,080

[scoffs] Cockblocker.

279

00:18:25,400 —> 00:18:26,560

You good?

280

00:18:32,120 —> 00:18:34,320

Come on, I'll walk you back.

281

00:18:37,880 —> 00:18:41,200

["Reception" by Daniel Avery

playing faintly]

282

00:18:42,480 —> 00:18:44,960

-Are you okay to find your friends?

-Mm.

283

00:18:45,480 —> 00:18:48,400

Watch out, yeah?

Bad shit can happen at these parties.

284

00:18:48,480 —> 00:18:49,640

Bad shit?

285

00:18:52,080 —> 00:18:54,440

Just keep an eye on your drink.

286

00:18:57,800 —> 00:19:00,920

["Beyond Control"

by KAS-ST, Monolink, and NTO playing]

287

00:19:19,680 —> 00:19:22,000

[breathing heavily]

288

00:19:27,960 —> 00:19:30,520

[door opens, closes]

289

00:19:33,480 —> 00:19:35,160

[somber music playing]

290

00:20:14,400 –> 00:20:17,480

[phone buzzing]

291

00:20:28,720 –> 00:20:29,800

Hi.

292

00:20:30,120 –> 00:20:33,080

Sorry, it's late.

I thought you might still be out partying.

293

00:20:33,160 –> 00:20:34,880

No, I'm home now.

294

00:20:35,800 –> 00:20:36,880

What are you doing?

295

00:20:36,960 –> 00:20:39,360

Well, I'm thinking if I go

via the catacombs,

296

00:20:39,440 –> 00:20:41,520

I'm definitely gonna get

eaten by zombies.

297

00:20:42,360 —> 00:20:44,480

Don't go via the catacombs, then.

298

00:20:45,520 —> 00:20:48,120

But then if I go through

the center of the city,

299

00:20:48,200 —> 00:20:50,280

I'll probably get shot by the Resistance.

300

00:20:50,720 —> 00:20:53,040

That is a tough decision, isn't it?

301

00:20:53,120 —> 00:20:54,680

It's kind of life or death.

302

00:20:55,640 —> 00:20:57,520

So, is it as messed up as people say?

303

00:20:57,600 —> 00:20:59,480

It was actually pretty boring.

304

00:20:59,560 —> 00:21:02,040

I've been feeling bad

that I didn't come with you.

305

00:21:02,120 —> 00:21:03,080

Don't.

306

00:21:03,160 —> 00:21:06,080

We're a team. It's just...

307

00:21:06,160 —> 00:21:09,240

after Andie went missing,

people have treated me, my mom,

308

00:21:09,320 —> 00:21:10,960

and my dad like we're all guilty.

309

00:21:11,040 —> 00:21:13,680

So, sometimes I guess

it's just easier for me to hide

310

00:21:13,760 —> 00:21:16,320
in my room and kill zombies
than it is to face everyone.

311
00:21:17,200 —> 00:21:19,200
But I feel bad I wasn't there for you.

312
00:21:19,760 —> 00:21:21,520
Don't. I get it.

313
00:21:21,800 —> 00:21:24,400
Will you meet me tomorrow
and give me a full debrief?

314
00:21:24,480 —> 00:21:25,320
Yeah.

315
00:21:25,400 —> 00:21:28,080
I think I'll leave you to it,
and we'll talk tomorrow.

316
00:21:28,560 —> 00:21:30,360
Okay, Sarge. Good night.

317

00:21:31,160 —> 00:21:32,320

Bye.

318

00:21:39,480 —> 00:21:40,960

[phone buzzes]

319

00:21:45,520 —> 00:21:48,120

[tense music]

320

00:22:08,400 —> 00:22:10,960

[birds twittering]

321

00:22:15,600 —> 00:22:19,160

[bell dings]

322

00:22:33,280 —> 00:22:34,360

[Becca] Pip?

323

00:22:36,920 —> 00:22:38,040

Yeah?

324

00:22:42,400 —> 00:22:44,160

I know what you're doing.

325

00:22:45,520 —> 00:22:47,760

You're investigating Andie's case,

aren't you?

326

00:22:48,720 —> 00:22:49,960

I just have one question.

327

00:22:51,480 —> 00:22:52,720

Why?

328

00:22:52,800 —> 00:22:54,800

Firstly, I can understand

how difficult this must—

329

00:22:54,880 —> 00:22:56,440

No. You can't.

330

00:22:59,800 —> 00:23:01,680

They got her smile wrong.

331

00:23:04,960 —> 00:23:08,760

She... She had a dimple, just here.

332

00:23:11,880 —> 00:23:14,200

I'm just trying to find out the truth.

333

00:23:14,280 —> 00:23:15,960

[Becca] It's not about the truth.

334

00:23:19,200 —> 00:23:22,480

People act like this stuff

is for the dead person, but it's not.

335

00:23:24,280 —> 00:23:25,760

It's for them.

336

00:24:04,480 —> 00:24:06,880

[gentle music]

337

00:24:13,440 —> 00:24:15,120

[line ringing]

338

00:24:16,520 —> 00:24:18,200

[Ravi] Hello, Sarge.

339

00:24:18,280 —> 00:24:21,520

{\an8}I've just made you one of

my signature no-alcohol cocktails.

340

00:24:21,600 —> 00:24:25,840

It's called the "Pipsmopolitan."

It's like a Cosmopolitan, but with—

341

00:24:27,000 —> 00:24:28,800

Where are you anyway?

342

00:24:31,400 —> 00:24:33,960

I'm sorry, but I'm not

gonna be able to come today.

343

00:24:35,880 —> 00:24:38,200

I want to, I really do, but...

344

00:24:39,000 —> 00:24:41,680
something's just come up, so I can't.

345
00:24:41,760 —> 00:24:43,080
Hey. It's okay.

346
00:24:44,040 —> 00:24:45,240
You all right?

347
00:24:46,520 —> 00:24:47,680
Yeah, I'm fine.

348
00:24:48,720 —> 00:24:51,880
Don't worry. Just call me when
you can about the Calamity party.

349
00:24:52,680 —> 00:24:54,240
I still want to get the scoop.

350
00:24:57,320 —> 00:24:58,520
Thank you.

351

00:25:14,000 —> 00:25:17,440
And then Lauren said you'd disappeared
into some cave hole with Dylan.

352
00:25:17,520 —> 00:25:19,520
It was fine. I just went home.

353
00:25:22,080 —> 00:25:24,880
I do want to know
what happened with you and Ruby.

354
00:25:25,840 —> 00:25:31,040
Well, we danced for a bit,
and we kissed for a bit, and it was...

355
00:25:32,920 —> 00:25:35,840
Then I came back to the dance floor
and Lauren was freaking out

356
00:25:35,920 —> 00:25:38,000
'cause you'd gone,
and we didn't know where you were,

357

00:25:38,080 —> 00:25:40,400
and you weren't
answering texts, and I just...

358
00:25:42,120 —> 00:25:43,520
felt really bad.

359
00:25:45,200 —> 00:25:48,800
-I left a man behind and I'm really sorry.
-No. It was my fault.

360
00:25:49,000 —> 00:25:51,360
I was the one who left
without saying anything.

361
00:25:54,240 —> 00:25:55,680
So, what happened?

362
00:25:59,640 —> 00:26:02,520
I went to the party to talk
to a guy who knew Andie.

363
00:26:03,080 —> 00:26:04,720

-Suspect?

-Yeah.

364

00:26:07,480 —> 00:26:08,920

It was scary.

365

00:26:11,000 —> 00:26:12,520

Did he tell you anything?

366

00:26:13,640 —> 00:26:14,880

Yeah.

367

00:26:16,680 —> 00:26:17,880

It's just...

368

00:26:20,640 —> 00:26:22,200

Usually, I know what to do.

369

00:26:26,000 —> 00:26:30,120

Right now, I'm just kind of

like my head's all over the place.

370

00:26:53,520 —> 00:26:55,000

[door opens]

371

00:26:56,080 —> 00:26:58,760

Hello? Hello, Pip.

372

00:26:58,840 —> 00:27:00,720

Hi. What happened last night?

373

00:27:03,080 —> 00:27:04,160

In what way?

374

00:27:04,240 —> 00:27:08,160

Getting in with Josh.

He said that you hogged the duvet.

375

00:27:11,400 —> 00:27:14,240

Just didn't fancy sleeping alone.

376

00:27:14,320 —> 00:27:16,240

Can I talk to you, please?

377

00:27:16,400 —> 00:27:17,880
About what?

378
00:27:17,960 —> 00:27:20,280
I need to practice for my
mock Cambridge interview.

379
00:27:20,360 —> 00:27:21,920
So, I spoke to Elliot earlier,

380
00:27:22,000 —> 00:27:24,960
and he mentioned that you've
been hanging out with Ravi Singh.

381
00:27:25,640 —> 00:27:27,840
-No, I haven't.
-Don't lie to me.

382
00:27:29,160 —> 00:27:31,080
It's just EPQ stuff.

383
00:27:32,400 —> 00:27:37,040
You promised me that you would

not bother those families.

384
00:27:37,120 —> 00:27:39,040
Anyway,
Victor and I have discussed it,

385
00:27:39,120 —> 00:27:41,080
and we've decided
it's not an appropriate topic.

386
00:27:41,160 —> 00:27:44,160
So, Elliot's going to talk to you on
Monday about choosing a new topic,

387
00:27:44,240 —> 00:27:46,440
maybe go back to Gothic literature
or something.

388
00:27:46,520 —> 00:27:48,440
Find something else to write about.

389
00:27:49,440 —> 00:27:50,720
Okay?

390

00:27:51,640 —> 00:27:53,000

Okay.

391

00:27:55,120 —> 00:27:56,720

Vic's doing his minty lamb.

392

00:27:56,800 —> 00:27:59,720

Do you want to come

and help with chopping duties?

393

00:28:22,120 —> 00:28:25,760

["Osiris" by Matstubs and Rfen plays]

394

00:28:41,120 —> 00:28:42,840

[Becca] I know what you're doing.

395

00:28:42,920 —> 00:28:44,280

Just have one question.

396

00:28:46,000 —> 00:28:47,040

Why?

397

00:28:54,080 —> 00:28:57,760

[Howie] You think 'cause I deal drugs,

I go around murdering teenage girls?

398

00:28:57,840 —> 00:28:59,560

What if I do?

399

00:28:59,640 —> 00:29:01,880

["Osiris" by Matstubs and Rfen continues]

400

00:29:49,240 —> 00:29:50,920

I got you something.

401

00:29:53,360 —> 00:29:55,280

The quietest food in the world.

402

00:29:58,120 —> 00:30:00,720

So, are you gonna tell me

what we're doing here?

403

00:30:01,960 —> 00:30:04,880

Andie kept her drug stash
hidden in a toy rabbit

404
00:30:04,960 —> 00:30:06,440
and she had a burner phone,

405
00:30:06,520 —> 00:30:09,080
which probably contains
a load of secret contacts

406
00:30:09,160 —> 00:30:11,280
and messages
that we don't know about.

407
00:30:12,480 —> 00:30:15,200
And I'm willing to bet that both
are inside that house.

408
00:30:16,120 —> 00:30:19,480
So, sorry, you're suggesting
we break into the Bells'?

409
00:30:19,560 —> 00:30:21,440

Not break. Sneak.

410

00:30:21,520 —> 00:30:23,640

I just know there's something in there.

411

00:30:23,720 —> 00:30:25,440

Dawn and Jason have left for work.

412

00:30:26,480 —> 00:30:27,720

Just waiting on Becca.

413

00:30:29,000 —> 00:30:31,760

-Are you sure everything's okay?

-Why wouldn't it be?

414

00:30:35,760 —> 00:30:38,880

You can tell me I'm insane if you want.

I'm still doing it.

415

00:30:38,960 —> 00:30:41,200

I mean, you are insane.

416

00:30:41,640 —> 00:30:44,320

But that's why a Sherlock needs a Watson.

417

00:30:48,400 —> 00:30:49,640

I'll keep watch.

418

00:30:49,720 —> 00:30:52,840

A Brown man sneaking into

a White family's house is not a good look.

419

00:30:54,560 —> 00:30:55,560

Look.

420

00:31:02,560 —> 00:31:04,400

[engine starts]

421

00:31:20,320 —> 00:31:22,520

If I see danger,

I'll text you a code word.

422

00:31:22,600 —> 00:31:24,640

-What code word?

-Marshmallow.

423

00:31:34,520 —> 00:31:36,920

[suspenseful music]

424

00:32:38,680 —> 00:32:41,560

[suspenseful music continues

with upbeat tones]

425

00:34:09,640 —> 00:34:11,080

[camera shutter clicks]

426

00:34:40,199 —> 00:34:42,600

I'm afraid we're going to have to operate.

427

00:34:45,239 —> 00:34:46,239

[fabric rips]

428

00:34:49,880 —> 00:34:52,080

[vehicle approaching]

429

00:35:04,480 —> 00:35:06,520

{\an8}-[Pip] What?

-[phone beeps]

430

00:35:22,080 —> 00:35:23,960

[line ringing]

431

00:35:25,760 —> 00:35:28,000

[tense music]

432

00:35:51,800 —> 00:35:54,280

-[whispering] Oi.

-[Pip] What are you doing?

433

00:35:54,360 —> 00:35:58,040

I was marshmallowing you. Becca's back.

She must have forgotten something.

434

00:36:05,080 —> 00:36:06,440

[thudding]

435

00:36:06,520 —> 00:36:08,760

[footsteps approaching]

436

00:36:18,160 —> 00:36:19,520

[Becca] Monty?

437

00:36:20,920 —> 00:36:22,360

Are you in here?

438

00:36:47,920 —> 00:36:49,760

[tense music]

439

00:37:07,680 —> 00:37:09,680

[doorbell rings]

440

00:37:11,800 —> 00:37:14,240

[doorbell rings]

441

00:37:17,040 —> 00:37:19,960

[both breathing deeply]

442

00:37:20,040 —> 00:37:21,360

Oh, shit.

443

00:37:21,440 —> 00:37:23,640

I think I just had a coronary event.

444

00:37:27,880 —> 00:37:29,200

Wait.

445

00:37:32,280 —> 00:37:33,240

No!

446

00:37:40,080 —> 00:37:41,520

Oh, my God.

447

00:37:45,720 —> 00:37:46,840

Burner phone?

448

00:37:50,120 —> 00:37:51,720

-No.

-[door slams downstairs]

449

00:37:53,880 —> 00:37:55,960

Who is it? What do we do?

450

00:37:56,560 —> 00:37:58,920

Find a back window
and slide down the drainpipe.

451
00:37:59,000 —> 00:37:59,840
Are you mad?

452
00:37:59,920 —> 00:38:02,560
We went indoor rock climbing
for Cara's last birthday.

453
00:38:02,640 —> 00:38:04,760
Someone'll see.
Let's just listen and make a run for it.

454
00:38:05,200 —> 00:38:06,280
Fine.

455
00:38:07,600 —> 00:38:09,400
-What are you doing?
-There might be evidence!

456
00:38:09,480 —> 00:38:11,360
It's full of drugs, if we get caught—

457

00:38:12,560 —> 00:38:16,160

[man] The old girl across the road said

some youth was casing the joint.

458

00:38:16,240 —> 00:38:18,680

No sign of forced entry.

Shall I check the back?

459

00:38:18,760 —> 00:38:22,240

-[Becca] I'm late to a Pilates class.

-[man] Can't be too careful, Bex.

460

00:38:22,320 —> 00:38:24,360

A pretty girl like you home alone.

461

00:38:24,440 —> 00:38:25,880

How nice of you to care.

462

00:38:27,080 —> 00:38:29,280

Wouldn't mind a cuppa while I look around.

463

00:38:36,120 —> 00:38:38,800

[talking continues indistinctly]

464

00:38:43,320 —> 00:38:45,440

[Dan] The neighbor across the road...

465

00:38:49,120 —> 00:38:51,840

[Dan and Becca speaking indistinctly]

466

00:38:54,040 —> 00:38:56,720

-I need to leave soon.

-It's not too far.

467

00:38:57,560 —> 00:38:59,240

[mouths] On three.

468

00:39:03,960 —> 00:39:06,600

["Funnel of Love" by SQÜRL

and Jozef Van Wissem plays]

469

00:39:15,160 —> 00:39:17,680

-Go, go, go, go!

-I'm going, I'm going, I'm going!

470

00:39:19,600 —> 00:39:20,960

-Go!

-I'm going!

471

00:39:21,040 —> 00:39:22,320

[engine starts]

472

00:39:26,120 —> 00:39:28,200

-That was incredible.

-That was awful.

473

00:39:28,280 —> 00:39:29,720

We were amazing.

474

00:39:30,280 —> 00:39:32,960

Speak for yourself.

I think I might have wee'd myself.

Episode 4:

1

00:00:06,000 —> 00:00:08,280

["Sudan Archives"

by Selfish Soul playing]

2

00:00:48,160 —> 00:00:50,160

[atmospheric music]

3

00:01:08,680 —> 00:01:10,840

Someone else must've

taken the burner phone.

4

00:01:10,920 —> 00:01:13,440

But look at this.

It's a proper stash.

5

00:01:13,920 —> 00:01:15,520

Yeah, what is it all?

6

00:01:18,160 —> 00:01:19,920

Coke or ket.

7

00:01:20,000 —> 00:01:21,400

Pills, weed.

8

00:01:22,520 —> 00:01:23,600

A big, fat spliff.

9

00:01:24,720 —> 00:01:26,600

Who was Andie Bell?

10

00:01:29,920 —> 00:01:31,720

None of this makes any sense.

11

00:01:31,800 —> 00:01:33,600

Maybe she needed money?

12

00:01:34,080 —> 00:01:36,320

The Bells own three cars.

13

00:01:36,400 —> 00:01:38,520

Yeah, it's weird.

14

00:01:59,760 —> 00:02:01,000

Help.

15

00:02:01,080 —> 00:02:02,120
It's a tick list.

16
00:02:02,200 —> 00:02:05,120
{\an8}These are the buyers, that's the drug,
there's the amount.

17
00:02:05,720 —> 00:02:07,160
JL likes their coke.

18
00:02:07,240 —> 00:02:09,280
DW is a pothead.

19
00:02:09,760 —> 00:02:11,880
{\an8}And TT has a soft spot for Rohypnol.

20
00:02:14,680 —> 00:02:18,120
Any one of them could have killed Andie,
but who are they?

21
00:02:20,600 —> 00:02:23,040
I'll take it with me
and see if I can work it out.

22

00:02:23,720 —> 00:02:26,120

You get rid of all that.

23

00:02:26,720 —> 00:02:30,480

You know, I've always wanted to pursue

a career as a small-time drug dealer.

24

00:02:31,280 —> 00:02:32,880

Well, now's your chance.

25

00:02:33,520 —> 00:02:34,760

Wanna be my henchwoman?

26

00:02:35,240 —> 00:02:36,200

Definitely.

27

00:02:36,640 —> 00:02:38,360

But maybe after school, though.

28

00:02:47,200 —> 00:02:48,280

Rabbit guts.

29

00:02:52,560 —> 00:02:53,840

Take it away.

30

00:03:13,920 —> 00:03:15,120

I'm really sorry.

31

00:03:15,200 —> 00:03:17,200

It's okay, Pip. Just in time.

32

00:03:17,840 —> 00:03:19,480

This is Mrs. Bradshaw.

33

00:03:19,560 —> 00:03:23,480

She'll be conducting your

Cambridge University practice interview.

34

00:03:24,640 —> 00:03:25,960

Hi, I'm Pip.

35

00:03:28,080 —> 00:03:30,720

Neo-feminists might view Jane Eyre

as both progressive

36
00:03:30,800 —> 00:03:33,040
and limited in its feminist perspectives,

37
00:03:33,120 —> 00:03:35,320
but Jane's determination
to assert herself

38
00:03:35,400 —> 00:03:38,600
and pursue her own desires
despite societal expectations,

39
00:03:38,680 —> 00:03:41,640
surely has to be seen
as an example of feminist resistance.

40
00:03:43,720 —> 00:03:45,720
Your personal statement was interesting.

41
00:03:45,800 —> 00:03:49,840
I enjoyed your reference to Le Guin's
Carrier Bag Theory of Fiction very much.

42

00:03:49,920 —> 00:03:51,040

Thank you.

43

00:03:51,120 —> 00:03:53,360

"We are so much more

than hunters and warriors."

44

00:03:53,440 —> 00:03:55,640

"We are foragers and carriers too."

45

00:03:59,120 —> 00:04:02,200

And finally,

what is your chosen EPQ topic?

46

00:04:11,400 —> 00:04:13,760

It's on feminism and the gothic novel.

47

00:04:18,640 —> 00:04:20,920

[Elliot] Perhaps you want to

elaborate on that?

48

00:04:21,640 —> 00:04:23,880
No, thanks. I think I've got that covered.

49
00:04:24,519 —> 00:04:26,640
Uh, now, if that's everything...

50
00:04:27,280 —> 00:04:28,480
I'll be off.

51
00:04:35,320 —> 00:04:38,800
As the head of party committee,
I think we're gonna need more glitter.

52
00:04:38,880 —> 00:04:40,080
[Connor] More is more.

53
00:04:41,280 —> 00:04:44,120
{\an8}[Lauren] Is anyone even going
to show up to this reunion?

54
00:04:44,200 —> 00:04:47,600
Two of their year group are dead,
the rest have lost the plot.

55

00:04:48,920 —> 00:04:52,120

{\an8}For our five-year reunion,

I'll be living out in L.A.

56

00:04:52,200 —> 00:04:54,520

{\an8}But I'll come back for you guys. Maybe.

57

00:04:56,120 —> 00:04:58,240

Hey, you. How was the interview?

58

00:05:00,200 —> 00:05:02,000

Yeah. Went well.

59

00:05:02,080 —> 00:05:03,280

Oh, good.

60

00:05:03,360 —> 00:05:05,920

Dad came into the art room

looking for you.

61

00:05:06,000 —> 00:05:07,480

I was worried you'd missed it.

62

00:05:09,040 —> 00:05:11,720

Pip bunked off three lessons.

63

00:05:12,560 —> 00:05:13,760

You what?

64

00:05:15,440 —> 00:05:17,120

Bunking's a strong word.

65

00:05:18,880 —> 00:05:20,760

Who were you bunking with?

66

00:05:21,280 —> 00:05:23,120

{\an8}[Pip] I wasn't bunking with anyone.

67

00:05:23,680 —> 00:05:24,680

Hi.

68

00:05:28,280 —> 00:05:30,640

[Ruby] How's it going, Wards? Cute hat.

69

00:05:30,720 —> 00:05:32,600

[Cara] Do you think? I wasn't sure.

70

00:05:32,680 —> 00:05:35,720

{\an8}-[Ruby] You'd look cute in anything.

-[Cara] Thanks.

71

00:05:35,800 —> 00:05:38,440

{\an8}[Zach] I don't think I've ever seen

Cara flirt before.

72

00:05:38,520 —> 00:05:40,560

-[Connor] Are they a thing now?

-[Lauren] Oh, my God,

73

00:05:40,640 —> 00:05:43,640

how do you miss these things?

They hooked up at the Calamity.

74

00:05:43,720 —> 00:05:47,160

{\an8}-[Connor] Really?

-[Lauren] Razor-sharp insight as ever.

75

00:05:47,240 —> 00:05:48,320

[Connor] What?

76

00:05:51,120 —> 00:05:52,480

[spray paint hissing]

77

00:05:55,400 —> 00:05:57,120

[Lauren] Now where's she off to?

78

00:06:03,680 —> 00:06:05,760

[Leanne] Victor, could you get those bags?

79

00:06:06,760 —> 00:06:08,040

Hiya, how was school?

80

00:06:09,600 —> 00:06:10,920

[Pip] Boring.

81

00:06:11,000 —> 00:06:12,040

No, the interview.

82

00:06:13,320 —> 00:06:14,840

Oh, yeah, it was fine.

83

00:06:15,520 —> 00:06:17,040

[Leanne] Where are you off to?

84

00:06:17,800 —> 00:06:20,520

-Um... Cara's.

-To do what?

85

00:06:21,160 —> 00:06:23,000

She's got a school project.

86

00:06:24,040 —> 00:06:25,480

Was that a lie?

87

00:06:27,280 —> 00:06:28,360

Okay.

88

00:06:29,040 —> 00:06:32,640

Ravi and I have another lead on the case.

We're going to look into it.

89

00:06:32,720 —> 00:06:33,840

Sorry, what?

90

00:06:33,920 —> 00:06:35,360

Exploring a lead on the case.

91

00:06:35,440 —> 00:06:37,920

You're no longer doing the case.

92

00:06:38,000 —> 00:06:42,160

Well, I'm no longer doing the case

for my EPQ, but I'm still doing the case.

93

00:06:42,240 —> 00:06:44,280

Okay, well,

you're absolutely not going.

94

00:06:46,360 —> 00:06:48,000

But I am going.

95

00:06:48,800 —> 00:06:51,560

Well, I'm saying no, so it's a no.

96

00:07:06,640 —> 00:07:08,040

[Pip] So, I looked into it.

97

00:07:08,120 —> 00:07:10,040

The cheapest room is £200 a night.

98

00:07:10,120 —> 00:07:12,280

So she definitely

didn't come here with Sal.

99

00:07:12,360 —> 00:07:14,320

It's far enough away from Little Kilton

100

00:07:14,400 —> 00:07:16,760

that if she did come here

with Secret Older Guy,

101

00:07:16,840 —> 00:07:18,640

no one she knew would find out.

102

00:07:18,720 —> 00:07:21,520
So you're thinking his name
is somewhere in the records?

103
00:07:21,600 —> 00:07:23,240
That's what I'm hoping.

104
00:07:25,840 —> 00:07:27,560
What if Andie's not actually dead?

105
00:07:28,040 —> 00:07:31,120
If she and Secret Older Guy
have been holed up in a posh hotel,

106
00:07:31,200 —> 00:07:33,000
ordering room service
for five years.

107
00:07:34,120 —> 00:07:35,320
-What?
-[chuckles]

108
00:07:46,720 —> 00:07:48,720

[dramatic music]

109

00:08:19,880 —> 00:08:21,120

I hope you've got a plan.

110

00:08:22,120 —> 00:08:23,120

Not yet.

111

00:08:30,480 —> 00:08:32,440

[indistinct chatter]

112

00:08:41,240 —> 00:08:42,280

[mouse clicking]

113

00:08:43,120 —> 00:08:44,360

Hi, there.

114

00:08:50,760 —> 00:08:51,960

Henry, is it?

115

00:08:53,120 —> 00:08:56,080

I'm Pippa Fitz-Amobi,

and this is Ravi Singh.

116

00:08:56,160 —> 00:09:00,080

I don't know if you remember

the Andie Bell case.

117

00:09:00,160 —> 00:09:03,160

She went missing in April 2019

and hasn't been found since.

118

00:09:04,200 —> 00:09:05,360

I'm afraid not.

119

00:09:06,480 —> 00:09:08,480

You didn't take a proper look.

120

00:09:11,600 —> 00:09:14,000

Oh, yeah, she was here

a couple of weeks ago.

121

00:09:15,800 —> 00:09:17,440

That's not possible.

122

00:09:17,520 —> 00:09:20,400

Well, if it's not possible,

I must have made a mistake.

123

00:09:31,360 —> 00:09:35,360

We think she might have stayed here

shortly before she went missing.

124

00:09:36,360 —> 00:09:38,680

Can we take a look

at one of your guest books?

125

00:09:40,240 —> 00:09:42,800

All guest information is confidential.

126

00:09:42,880 —> 00:09:46,960

If you two aren't going to book a room,

then I suggest you leave.

127

00:09:54,920 —> 00:09:56,000

Wait!

128

00:09:57,320 —> 00:09:58,640
I've got an idea.

129
00:09:59,960 —> 00:10:02,040
[alarm ringing]

130
00:10:03,600 —> 00:10:04,840
[beeping]

131
00:10:04,920 —> 00:10:06,600
Don't panic, anyone. Don't panic.

132
00:10:06,680 —> 00:10:09,680
Please, just calmly to
the assembly point, thank you.

133
00:10:13,800 —> 00:10:15,000
This way.

134
00:10:24,000 —> 00:10:26,400
[alarm continues ringing]

135

00:10:28,080 —> 00:10:30,040

[suspenseful music]

136

00:10:37,600 —> 00:10:39,240

[alarm stops]

137

00:10:47,680 —> 00:10:48,880

[Ravi whistles]

138

00:10:56,520 —> 00:10:57,760

[Henry] False alarm.

139

00:10:58,160 —> 00:10:59,680

[Ravi] This one's empty.

140

00:11:07,960 —> 00:11:09,080

Did you get it?

141

00:11:11,000 —> 00:11:12,200

I got it.

142

00:11:12,680 —> 00:11:14,560

How did you set the fire alarm off?

143

00:11:14,640 —> 00:11:17,200

{\an8}[chuckles] I blazed this bad boy

up in the toilet.

144

00:11:17,280 —> 00:11:18,120

[Ravi laughs]

145

00:11:18,200 —> 00:11:19,360

Great.

146

00:11:20,000 —> 00:11:23,120

It just came to me like a flash of genius.

147

00:11:23,880 —> 00:11:25,120

Crack!

148

00:11:25,200 —> 00:11:27,040

You're such an idiot.

149

00:11:36,880 —> 00:11:39,640

Let's wait here a minute
and then we'll get out of here.

150
00:11:45,080 —> 00:11:47,960
Wasn't that the weirdest thing
when he said he'd seen her the other week?

151
00:11:48,040 —> 00:11:50,200
[Pip] A few months after
Andie went missing,

152
00:11:50,280 —> 00:11:53,120
there were loads of sightings,
but they were all fake.

153
00:11:53,640 —> 00:11:55,120
Got quiet after a while.

154
00:11:59,240 —> 00:12:00,360
Hmm.

155
00:12:04,720 —> 00:12:06,840
[soft suspenseful music]

156

00:12:23,280 —> 00:12:24,640

[shutter clicks]

157

00:12:27,920 —> 00:12:29,040

Look!

158

00:12:35,600 —> 00:12:36,800

[Ravi] Uh...

159

00:12:38,640 —> 00:12:40,200

You look great.

160

00:12:41,120 —> 00:12:42,440

[sighs]

161

00:12:44,040 —> 00:12:47,760

Max Hastings has this same exact photo

hidden in his bedroom.

162

00:12:52,840 —> 00:12:54,360

She was here.

163

00:12:54,440 —> 00:12:55,640

Yes.

164

00:12:56,720 —> 00:12:59,320

You're smarter than you look,

Pippa Fitz-Amobi.

165

00:13:01,840 —> 00:13:03,080

Well, thank you.

166

00:13:03,720 —> 00:13:05,320

[both chuckle]

167

00:13:10,440 —> 00:13:12,240

[door opens]

168

00:13:12,320 —> 00:13:14,960

["I'm Coming Home" by

Brandis and Tarlton playing]

169

00:13:30,920 —> 00:13:32,080

[music ends]

170

00:13:37,640 —> 00:13:39,560

The luxurious softness of the cream,

171

00:13:39,640 —> 00:13:41,720

with the delicate sharpness

of the berries,

172

00:13:41,800 —> 00:13:44,240

then the sudden surprising, sweetness

of the syrup.

173

00:13:44,760 —> 00:13:46,400

It's really very delicious.

174

00:13:47,080 —> 00:13:48,960

There's no Andie or mystery guy,

175

00:13:49,040 —> 00:13:53,240

but there is one entry on April 17th,

just before Andie went missing

176

00:13:53,320 —> 00:13:56,680

under the names Daisy Buchanan

and Jay Gatsby.

177

00:13:57,560 —> 00:14:00,200

Oh, hang on. I actually think I know them.

178

00:14:02,600 —> 00:14:03,920

They're fake names.

179

00:14:04,760 —> 00:14:06,160

The Great Gatsby.

180

00:14:06,840 —> 00:14:09,240

Honestly, I need you to stop being

such an idiot.

181

00:14:11,440 —> 00:14:12,480

Okay.

182

00:14:15,960 —> 00:14:18,680

That has to be them,

it's Andie's handwriting.

183

00:14:20,960 —> 00:14:22,160

Who else could it be?

184

00:14:48,440 —> 00:14:50,440

[birds twittering]

185

00:14:53,840 —> 00:14:55,800

[TV program plays indistinctly]

186

00:15:00,680 —> 00:15:01,840

[Leanne] Hiya.

187

00:15:06,680 —> 00:15:07,880

Love you.

188

00:15:10,800 —> 00:15:11,960

Me too.

189

00:15:41,120 —> 00:15:42,880

[tense music]

190

00:15:49,240 —> 00:15:52,360

[automated voice] The number you have

dialed cannot be reached.

191

00:15:52,440 —> 00:15:53,960

Please try again later.

192

00:16:33,960 —> 00:16:35,080

Dad?

193

00:16:45,480 —> 00:16:49,200

[Leanne] Victor, love, you fell asleep

as they were storming the embassy.

194

00:16:49,280 —> 00:16:52,160

-[Victor] No, no. No, I saw that bit.

-What, with your eyes closed?

195

00:16:52,240 —> 00:16:55,520

-I was just resting them.

-[Leanne] Oh, that's what that was.

196

00:16:55,600 —> 00:16:57,000

Right, I'm off.

197

00:16:57,080 —> 00:17:00,040

I'll get the streamers and balloons

on the way back tonight.

198

00:17:00,120 —> 00:17:01,680

[Leanne] Thank you, sweetheart.

199

00:17:02,560 —> 00:17:04,040

I'll see you later, chicken.

200

00:17:08,280 —> 00:17:09,440

[door closes]

201

00:17:09,520 —> 00:17:12,119

You know that time when Dad

went back to Nigeria

202

00:17:12,200 —> 00:17:14,760

to visit Granny for a week five years ago?

203

00:17:14,839 —> 00:17:15,960

Yeah?

204

00:17:17,599 —> 00:17:18,920

Why didn't we all go?

205

00:17:22,119 —> 00:17:23,560

Um...

206

00:17:25,560 —> 00:17:29,079

I think we just felt it was a very

long flight with two small children.

207

00:18:10,880 —> 00:18:12,280

[Dan] Morning, Pippa.

208

00:18:12,800 —> 00:18:15,600

Now, as an officer,

I'd usually warn a young woman

209

00:18:15,680 —> 00:18:17,920

about getting into a car

with a strange man,

210

00:18:18,000 —> 00:18:19,880

but there's something

I'd like to show you.

211

00:18:19,960 —> 00:18:21,360

I've got school.

212

00:18:21,440 —> 00:18:22,720

I'll give you this back.

213

00:18:22,800 —> 00:18:24,800

How old do you think I am?

214

00:18:24,880 —> 00:18:26,280

I'm kidding! Come on.

215

00:18:26,360 —> 00:18:29,040

No, thanks. Like I said, I have school.

216

00:18:30,200 —> 00:18:32,640
I promise to get you back
before first lesson.

217
00:18:34,760 —> 00:18:36,840
And that didn't bother you
the other day...

218
00:18:39,280 —> 00:18:41,320
when you broke into a dead girl's house.

219
00:19:02,880 —> 00:19:05,840
[Dan] Don't worry.
I'm not about to turn you in.

220
00:19:07,120 —> 00:19:10,880
Did you go round the back of the house
and find the key under the plant pot?

221
00:19:13,040 —> 00:19:15,240
Hey, I admire your nerve,

222
00:19:16,200 —> 00:19:19,000

even if your methods

are a little unconventional.

223

00:19:22,520 —> 00:19:24,280

You remind me of my sister.

224

00:19:26,520 —> 00:19:30,080

I'm not sure who my money would be on,

though, if you two came to blows.

225

00:19:31,560 —> 00:19:35,040

We sort of raised each other, Nat and I.

226

00:19:36,640 —> 00:19:39,480

It's why we're both still a little rough

around the edges.

227

00:19:41,360 —> 00:19:42,880

Where were your parents?

228

00:19:44,000 —> 00:19:45,600

They were terrible people.

229

00:19:47,800 —> 00:19:50,600

But we did all right.

We had each other.

230

00:19:54,720 —> 00:19:57,480

Andie must have been

round your house a lot.

231

00:19:58,680 —> 00:20:00,400

Her and Nat were really close.

232

00:20:00,760 —> 00:20:02,480

I don't want to talk about Andie.

233

00:20:06,360 —> 00:20:08,480

Nat and I had to fend for ourselves.

234

00:20:09,080 —> 00:20:13,240

We managed, but there were some

hairy moments with no money coming in

235

00:20:13,320 —> 00:20:15,120

and a little sister to support.

236
00:20:16,640 —> 00:20:18,760
Nat's small, but wow, she can eat.

237
00:20:22,160 —> 00:20:23,640
Jason Bell stepped up,

238
00:20:24,840 —> 00:20:27,400
took me under his wing, gave me a job.

239
00:20:28,360 —> 00:20:31,680
And later, he encouraged me
to join the police.

240
00:20:33,040 —> 00:20:35,720
I never would have dreamed
that for myself, but...

241
00:20:36,160 —> 00:20:38,080
he saw something in me.

242

00:20:39,080 –> 00:20:40,320
Then when he lost Andie,

243
00:20:41,880 –> 00:20:43,280
and the grief was terrible.

244
00:20:43,760 –> 00:20:46,920
Seeing a grown man taken down like that,

245
00:20:47,400 –> 00:20:48,560
it was humbling.

246
00:20:48,640 –> 00:20:50,040
Why am I here?

247
00:20:51,840 –> 00:20:53,280
You need to stop now.

248
00:20:54,280 –> 00:20:55,480
A girl died.

249
00:20:56,040 –> 00:20:58,800

Her parents are mourning.

It's still raw.

250

00:20:59,320 —> 00:21:01,000

Sal's parents are mourning.

251

00:21:01,080 —> 00:21:02,600

Of course,

252

00:21:02,680 —> 00:21:04,120

but that's on him.

253

00:21:04,200 —> 00:21:07,280

He made his own choices.

Andie had no choice.

254

00:21:11,120 —> 00:21:12,640

Look, Sal is guilty.

255

00:21:13,400 —> 00:21:14,640

I worked on the case.

256

00:21:15,520 —> 00:21:19,240
When Sal found out that Andie wasn't
the good girl he thought she was,

257
00:21:19,320 —> 00:21:20,480
he couldn't take it.

258
00:21:20,560 —> 00:21:21,920
I don't believe it.

259
00:21:22,000 —> 00:21:23,640
[scoffs]

260
00:21:25,160 —> 00:21:26,360
Of course you don't.

261
00:21:26,920 —> 00:21:28,520
I've seen your family.

262
00:21:31,440 —> 00:21:32,800
What does that mean?

263

00:21:35,640 —> 00:21:38,360
It means you want to see the world
in a certain way.

264
00:21:38,440 —> 00:21:39,680
I get that.

265
00:21:42,960 —> 00:21:45,200
There's one more thing
I think you should see.

266
00:21:48,720 —> 00:21:52,160
[DI Hawkins on phone] I know you left
Max's house at 10:30, not 12:15!

267
00:21:52,240 —> 00:21:53,240
[Sal] That's not true.

268
00:21:53,320 —> 00:21:55,320
You want me to believe
that you're telling the truth

269
00:21:55,400 —> 00:21:58,080

and all three of your friends are lying?

It doesn't make sense!

270

00:21:58,160 –> 00:22:00,800

You and Andie were arguing

the day she died, weren't you?

271

00:22:00,880 –> 00:22:02,000

[Sal] No!

272

00:22:02,080 –> 00:22:04,880

You left Max Hastings' at 10:30.

273

00:22:04,960 –> 00:22:08,320

And then you went to meet Andie!

What happened next, Salil?

274

00:22:08,400 –> 00:22:10,600

-What did you do to her?

-[Sal] Get off me!

275

00:22:10,680 –> 00:22:12,440

-Let me out of here!

-Hey! Hey, hey!

276

00:22:20,440 —> 00:22:23,800

I was there, up close with him.

277

00:22:25,160 —> 00:22:26,800

You could smell the rage on him.

278

00:22:38,160 —> 00:22:41,360

-Time to get you to school.

-[car starts]

279

00:22:42,360 —> 00:22:46,160

[tense music]

280

00:23:06,640 —> 00:23:07,840

[Sal] Hey, Pip.

281

00:23:14,240 —> 00:23:15,520

Have you seen Andie?

282

00:23:20,600 —> 00:23:23,560

It's okay, I just...

need to speak to her about something.

283

00:23:24,680 —> 00:23:26,960

[music continues]

284

00:23:30,080 —> 00:23:31,400

She went in there.

285

00:23:45,840 —> 00:23:47,440

Pip, can I have a word?

286

00:23:51,080 —> 00:23:52,160

Sure.

287

00:23:53,240 —> 00:23:54,400

[Elliot clears throat]

288

00:23:55,760 —> 00:23:58,280

I just want you to know

that I understand

289

00:23:58,360 —> 00:24:01,080
you must be disappointed
about your EPQ.

290
00:24:01,760 —> 00:24:04,560
But I also think
you're smart enough to understand

291
00:24:04,640 —> 00:24:09,000
why we felt perhaps it wasn't
the most appropriate subject matter,

292
00:24:09,080 —> 00:24:10,280
all things considered.

293
00:24:11,040 —> 00:24:12,240
It's okay.

294
00:24:14,320 —> 00:24:15,720
It's done now.

295
00:24:23,480 —> 00:24:25,000
How you feeling?

296

00:24:26,760 —> 00:24:28,080

Just a bit wobbly.

297

00:24:29,600 —> 00:24:32,320

Is this about what we were

talking about this morning,

298

00:24:32,400 —> 00:24:34,400

about Victor going to Nigeria?

299

00:24:38,440 —> 00:24:41,760

Victor checked himself into a hotel room

five years ago.

300

00:24:43,400 —> 00:24:45,240

I found his name in the guest book.

301

00:24:45,880 —> 00:24:48,200

He didn't go to Nigeria.

302

00:24:51,120 —> 00:24:55,280

Uh, no, yeah, okay.

That's, um... that's true.

303

00:24:59,200 —> 00:25:00,520

What was he doing?

304

00:25:02,400 —> 00:25:05,840

We were going through a rough patch

and he was at work the whole time,

305

00:25:05,920 —> 00:25:08,120

and I was stuck at home

looking after two children.

306

00:25:08,200 —> 00:25:11,640

So, of course, I jumped to the conclusion

that he was seeing somebody else,

307

00:25:11,720 —> 00:25:14,000

when actually,

he just needed to take a minute.

308

00:25:14,080 —> 00:25:18,280

Anyway, we did have a break,

but it was work stress.

309

00:25:19,240 —> 00:25:21,320

How do you know

he wasn't seeing someone else?

310

00:25:21,400 —> 00:25:22,880

Because he told me.

311

00:25:24,040 —> 00:25:25,440

[sighs]

312

00:25:25,520 —> 00:25:27,280

It's okay, Pip.

313

00:25:27,360 —> 00:25:28,840

It's not okay.

314

00:25:30,400 —> 00:25:33,240

He makes himself out to be this good guy

when he's just—

315

00:25:33,320 —> 00:25:35,400

He is a good guy. He really is.

316

00:25:35,480 —> 00:25:38,840

Do you know all relationships

go through tough times?

317

00:25:39,840 —> 00:25:41,640

And I can be a bit much sometimes.

318

00:25:41,720 —> 00:25:43,400

You're not a bit much.

319

00:25:44,600 —> 00:25:46,400

You're exactly the right amount.

320

00:25:46,920 —> 00:25:49,800

Anyway, the important thing is,

he wasn't having an affair.

321

00:25:49,880 —> 00:25:51,760

Yeah, so he said.

322

00:25:51,840 —> 00:25:52,960

So he said.

323

00:25:53,680 —> 00:25:55,320

And I chose to believe him.

324

00:25:57,000 —> 00:25:59,960

Well, if you choose to believe someone

when all the evidence

325

00:26:00,040 —> 00:26:02,600

points against them,

then you're just an idiot.

326

00:26:14,000 —> 00:26:16,640

[somber music playing]

327

00:26:18,040 —> 00:26:21,200

[phone buzzing]

328

00:26:34,920 —> 00:26:36,600

[knock on door]

329

00:26:40,640 —> 00:26:41,880

[door opens]

330

00:26:44,400 —> 00:26:45,680

[Victor] Can I come in?

331

00:26:47,200 —> 00:26:48,280

No.

332

00:26:51,800 —> 00:26:53,440

Nothing happened.

333

00:26:55,920 —> 00:26:57,280

How can I know that?

334

00:26:59,280 —> 00:27:01,160

Because you know me, chicken.

335

00:27:02,840 —> 00:27:05,440

And I respect you too much to lie to you.

336

00:27:09,000 —> 00:27:11,840

Just because I want that to be true

doesn't make it true.

337

00:27:34,760 —> 00:27:36,200

Hey, Sarge.

338

00:27:46,320 —> 00:27:48,000

I need to tell you something.

339

00:27:49,280 —> 00:27:50,440

Okay.

340

00:27:52,440 —> 00:27:55,800

Dan da Silva showed me the video

of Sal's police interview.

341

00:27:58,440 —> 00:27:59,840

Sal seemed...

342

00:28:01,000 —> 00:28:02,280

upset.

343

00:28:02,720 —> 00:28:06,200

So? He's being interviewed by the police.

He's going to be freaked out.

344

00:28:06,280 —> 00:28:07,640

Defensive.

345

00:28:07,720 —> 00:28:10,480

Yeah, maybe, but...

346

00:28:11,600 —> 00:28:12,880

But what?

347

00:28:15,000 —> 00:28:16,520

He lost his temper.

348

00:28:18,800 —> 00:28:24,280

He had this energy about him

that I haven't seen before.

349

00:28:26,200 —> 00:28:27,440
What, anger?

350
00:28:28,800 —> 00:28:30,080
Aggression?

351
00:28:30,800 —> 00:28:32,280
How would you react
if you were accused

352
00:28:32,360 —> 00:28:34,960
of having something to do
with your girlfriend disappearing?

353
00:28:35,040 —> 00:28:36,520
I wouldn't react like that.

354
00:28:38,040 —> 00:28:39,240
Sal loved Andie.

355
00:28:39,320 —> 00:28:41,880
And people in love do stupid things.

356

00:28:41,960 —> 00:28:45,000

-What does that even mean?

-I'm trying to look at it objectively.

357

00:28:45,760 —> 00:28:47,840

You think Sal was looked at objectively?

358

00:28:49,640 —> 00:28:52,240

A Brown guy going out

with a pretty blonde girl.

359

00:28:52,320 —> 00:28:54,440

The papers calling him

a beast and a monster?

360

00:28:54,520 —> 00:28:55,600

No!

361

00:28:56,960 —> 00:28:58,320

But Sal lied.

362

00:28:59,640 —> 00:29:02,320

He told them he wasn't arguing

with Andie the day she disappeared,

363

00:29:02,880 —> 00:29:04,280

but they were.

364

00:29:08,440 —> 00:29:10,360

There's something I haven't told you.

365

00:29:13,320 —> 00:29:16,920

I saw Andie and Sal in school.

366

00:29:18,000 —> 00:29:19,280

That day.

367

00:29:22,080 —> 00:29:23,920

She passed me in the corridor.

368

00:29:25,360 —> 00:29:27,520

She'd been crying.

369

00:29:28,840 —> 00:29:32,440

She put her finger to her lips,

like, "Don't tell anyone where I am,"

370

00:29:32,520 —> 00:29:36,920

and then... and then Sal came

and he asked me, had I seen Andie...

371

00:29:38,800 —> 00:29:40,040

and I told him.

372

00:29:42,680 —> 00:29:44,560

Then the next day she was gone.

373

00:29:48,480 —> 00:29:52,240

Sometimes I wonder

if I hadn't done it, then... maybe...

374

00:29:52,320 —> 00:29:54,120

Sal wouldn't have murdered her?

375

00:29:57,000 —> 00:29:58,320

What if we're wrong?

376

00:29:59,720 —> 00:30:01,560

Have you even considered it?

377

00:30:03,400 —> 00:30:04,720

So it's all about you?

378

00:30:06,040 —> 00:30:08,720

It's always been about you and your guilt.

379

00:30:09,240 —> 00:30:11,200

You needed Sal to be innocent.

380

00:30:11,280 —> 00:30:14,400

Oh, wow, poor little Pip.

381

00:30:14,480 —> 00:30:15,560

Stop it!

382

00:30:15,640 —> 00:30:18,640

That's not it. I knew Sal was innocent.

383

00:30:21,360 —> 00:30:22,960

At least I thought I did.

384

00:30:25,560 —> 00:30:27,400

Now I don't know what I think.

385

00:30:29,280 —> 00:30:31,480

I can't believe

I thought you were different.

386

00:30:32,120 —> 00:30:33,600

I actually liked you.

387

00:30:36,160 —> 00:30:37,840

You think you're this good person.

388

00:30:40,400 —> 00:30:41,600

What if you're not?

389

00:30:43,760 —> 00:30:45,240

I can't believe I trusted you.

390

00:30:47,640 —> 00:30:50,200

[somber music]

391

00:31:07,000 —> 00:31:09,960

[breath shuddering]

392

00:31:11,760 —> 00:31:13,560

[tense music]

393

00:31:13,640 —> 00:31:15,280

[accelerating]

394

00:31:39,760 —> 00:31:41,560

[revving]

395

00:31:44,560 —> 00:31:46,280

[brakes squeal]

396

00:31:55,280 —> 00:31:57,360

[gentle music]

397

00:32:16,720 —> 00:32:18,160

[knock on door]

398

00:32:18,880 –> 00:32:20,120

[Pip sobbing]

399

00:32:23,240 –> 00:32:24,480

Can I come in?

400

00:32:26,000 –> 00:32:27,400

'Course.

401

00:32:39,120 –> 00:32:40,800

When are you going to tell me

what's wrong?

402

00:32:40,880 –> 00:32:42,120

Nothing's wrong.

403

00:32:42,200 –> 00:32:44,040

Come on, please.

404

00:32:48,720 –> 00:32:51,080

Do you think you can ever really
know a person?

405
00:32:55,760 —> 00:32:56,880
No.

406
00:32:59,000 —> 00:33:00,240
But you know me.

407
00:33:01,120 —> 00:33:02,240
I know you.

408
00:33:03,320 —> 00:33:05,720
There are definitely parts of you
I don't know.

409
00:33:07,520 —> 00:33:08,760
No, there aren't.

410
00:33:09,800 —> 00:33:12,200
What about when you're doing
the case with Ravi?

411

00:33:13,040 —> 00:33:14,360

I don't see that Pip.

412

00:33:17,920 —> 00:33:19,360

That makes me sad.

413

00:33:20,000 —> 00:33:21,280

It's not meant to.

414

00:33:23,040 —> 00:33:24,720

I'm happy with the Pip I know.

415

00:33:29,000 —> 00:33:30,800

Is that Pip a good person?

416

00:33:33,280 —> 00:33:34,720

The very best.

417

00:33:41,240 —> 00:33:42,600

Can I stay here tonight?

418

00:33:43,280 —> 00:33:44,480
Of course.

419
00:33:46,320 —> 00:33:48,560
But I will need your help with something.

420
00:33:53,200 —> 00:33:56,360
Submit to my power.
I'm making you beautiful.

421
00:33:57,240 —> 00:33:58,440
Come on!

422
00:33:58,960 —> 00:34:00,360
[Elliot] We need to go.

423
00:34:00,440 —> 00:34:02,720
I have to make sure
no one's lacing the punch.

424
00:34:02,800 —> 00:34:06,800
Oh, and I regret to inform you
that the television is broken,

425

00:34:06,880 —> 00:34:09,760

so you'll have to entertain yourselves

the old-fashioned way.

426

00:34:09,840 —> 00:34:11,160

-Masturbation?

-Oh, stop.

427

00:34:11,240 —> 00:34:14,199

I was thinking maybe Pip could read aloud.

428

00:34:14,280 —> 00:34:15,840

Okay, Boomer.

429

00:34:15,920 —> 00:34:17,800

We'll watch a film on my phone.

430

00:34:17,880 —> 00:34:21,679

A film on your telephone!

What dark wizardry is this?

431

00:34:23,520 —> 00:34:25,400

-Right. Right.

-No.

432

00:34:26,239 —> 00:34:29,600

School reunions are for losers.

There's no one I want to see anyway.

433

00:34:29,679 —> 00:34:32,920

If nothing else, you have to admire

our banner. Pip and I spent hours on it.

434

00:34:33,000 —> 00:34:34,080

Did we?

435

00:34:34,159 —> 00:34:37,480

Plus, Jamie Reynolds

is going to be there...

436

00:34:38,159 —> 00:34:39,719

and I heard he's looking fine.

437

00:34:40,400 —> 00:34:43,199

Pip, do not release her.

I need to get the straighteners.

438

00:34:43,280 –> 00:34:47,040

["Since Last Wednesday" by Highasakites

playing faintly over radio]

439

00:34:47,120 –> 00:34:49,360

Run while you still have the chance.

440

00:34:56,120 –> 00:34:58,120

How are you getting on with the case?

441

00:34:59,679 –> 00:35:02,000

Cara doesn't want me

talking to you about it.

442

00:35:03,600 –> 00:35:05,400

She thinks it upsets you.

443

00:35:07,000 –> 00:35:08,240

I want to know.

444

00:35:09,400 —> 00:35:10,560

Not good.

445

00:35:12,920 —> 00:35:14,960

I'm pretty sure I've got it all wrong.

446

00:35:16,120 —> 00:35:17,320

What do you mean?

447

00:35:21,000 —> 00:35:22,680

I think Sal's guilty.

448

00:35:29,240 —> 00:35:31,560

Got them. Pip, man, you let her go!

449

00:35:31,640 —> 00:35:34,000

I'm done and it's fine. I'm going.

450

00:35:37,000 —> 00:35:39,720

You can borrow my laptop if you want,

to watch a movie.

451

00:35:39,800 –> 00:35:43,240

-Well, that's got to be a first.

-No, Pip can borrow my laptop.

452

00:35:44,200 –> 00:35:46,280

The password is "wardsrus."

453

00:35:46,360 –> 00:35:48,640

I highly recommend Tango Tits.

454

00:35:48,720 –> 00:35:50,800

Okay. Sounds like a '90s porno.

455

00:35:50,880 –> 00:35:52,680

More like 2019.

456

00:36:05,680 –> 00:36:07,400

Thanks for making me look pretty.

457

00:36:20,920 –> 00:36:22,720

{\an8}[tense music]

458

00:36:47,960 —> 00:36:50,320

Tango Tits.

459

00:37:08,440 —> 00:37:10,600

-[Cara] Pip!

-Coming!

460

00:37:29,840 —> 00:37:32,280

We were at Max's

playing Super Mario Party.

461

00:37:33,120 —> 00:37:34,360

Sal left early.

462

00:37:40,080 —> 00:37:42,080

[Pip] What time did Sal leave exactly?

463

00:37:42,720 —> 00:37:44,000

[Naomi] 10:30 p.m.

464

00:37:47,320 —> 00:37:49,360

Then who's taking the picture?

465

00:37:58,680 —> 00:37:59,920

Shit!

466

00:38:01,120 —> 00:38:02,160

Is it a porno?

467

00:38:03,400 —> 00:38:05,440

-I've got to go.

-You've always got to go.

468

00:38:05,520 —> 00:38:08,200

-I'm really sorry.

-It's okay. Call me tomorrow.

469

00:38:08,800 —> 00:38:11,240

[tense music rises]

470

00:38:25,600 —> 00:38:26,720

[music fades out]

471

00:38:27,280 —> 00:38:30,600

As we all know, Andie wouldn't have
missed this for the world.

472
00:38:31,240 —> 00:38:35,920
Being here, attending this school
was so important to my sister.

473
00:38:37,320 —> 00:38:39,040
It's where she made her friends,

474
00:38:39,920 —> 00:38:43,880
it's where she had dreams of what she was
going to do with the rest of her life.

475
00:38:44,640 —> 00:38:46,440
I know how happy that made her.

476
00:38:48,280 —> 00:38:51,280
She was always
the life and soul of any party.

477
00:38:52,000 —> 00:38:55,560
I just wish it was my beautiful sister

standing up here tonight,

478

00:38:56,800 —> 00:38:57,960

not me.

479

00:38:58,040 —> 00:39:00,280

[applause]

480

00:39:00,360 —> 00:39:02,840

["Take Care" by Beach House playing]

481

00:39:13,360 —> 00:39:15,280

We had such a hot year group.

482

00:39:17,320 —> 00:39:19,960

It's just a shame so many of us

ended up dead.

483

00:39:22,640 —> 00:39:24,240

How did you become so...

484

00:39:24,320 —> 00:39:25,800

Fucked up?

485

00:39:25,880 —> 00:39:26,920

I don't know.

486

00:39:27,680 —> 00:39:29,960

It's either 'cause my mother

doesn't love me

487

00:39:30,040 —> 00:39:32,240

or 'cause my father thinks I'm a failure.

488

00:39:34,160 —> 00:39:36,040

Probably both.

489

00:39:36,120 —> 00:39:38,680

["Take Care" continues playing]

490

00:39:51,640 —> 00:39:52,920

How could you?

491

00:39:53,920 —> 00:39:54,960

Not here.

492
00:40:13,240 —> 00:40:14,480
Sal's innocent.

493
00:40:15,680 —> 00:40:18,000
He didn't leave at 10:30,

494
00:40:18,080 —> 00:40:21,280
he was with you until 12:15,
just like he said.

495
00:40:24,760 —> 00:40:26,200
Why did you lie?

496
00:40:27,920 —> 00:40:31,680
-[whimpers] Maybe I can't do this.
-You can.

497
00:40:32,840 —> 00:40:34,400
You need to.

498

00:40:39,040 —> 00:40:40,440

We had to lie.

499

00:40:40,520 —> 00:40:41,600

Why?

500

00:40:45,320 —> 00:40:47,520

Because they found out what we did.

501

00:40:50,600 —> 00:40:53,320

["You Should See Me in a Crown"

by Billie Eilish plays]

502

00:41:19,760 —> 00:41:21,120

{\an8}[song fades out]

Episode 5:

1

00:00:06,000 —> 00:00:08,600

["Pump" by Chris Lorenzo playing]

2

00:00:09,920 —> 00:00:11,800

[Naomi] On New Year's

five years ago,

3

00:00:11,880 –> 00:00:13,320

{\an8}I was out with Max and Jake.

4

00:00:13,400 –> 00:00:14,560

{\an8}[cheering]

5

00:00:14,640 –> 00:00:16,120

[crowd]

Nine! Eight!

6

00:00:16,200 –> 00:00:21,440

Seven! Six! Five!

Four! Three! Two! One!

7

00:00:21,520 –> 00:00:24,280

{\an8}-[poppers popping]

-[crowd cheering]

8

00:00:34,800 –> 00:00:37,040

["5 in the Morning"

by Charli XCX playing]

9

00:00:38,080 —> 00:00:39,280

[tires squealing]

10

00:00:39,360 —> 00:00:41,040

[laughing]

11

00:00:42,160 —> 00:00:44,080

[both singing indistinctly]

12

00:00:51,400 —> 00:00:54,200

-[car horn blares]

-[tires squeal]

13

00:00:54,280 —> 00:00:55,560

-[loud crash]

-[gasps]

14

00:00:55,640 —> 00:00:58,400

-[music stops]

-[breathing shakily]

15

00:01:05,440 –> 00:01:07,560

[ominous music playing]

16

00:01:10,120 –> 00:01:12,040

[Naomi]

Shit, shit, shit.

17

00:01:16,720 –> 00:01:18,040

Get back in the car.

18

00:01:18,760 –> 00:01:19,960

[Naomi]

He's not moving.

19

00:01:27,000 –> 00:01:31,600

I said get back in the fucking car.

20

00:01:46,560 –> 00:01:47,880

Who did you call?

21

00:01:49,600 –> 00:01:50,600

A friend.

22

00:01:55,800 —> 00:01:57,680

[Naomi]

A few days later,

23

00:01:57,760 —> 00:01:59,200

it was in the papers.

24

00:02:00,440 —> 00:02:02,000

There'd been a hit-and-run.

25

00:02:02,080 —> 00:02:04,360

A man was seriously injured in hospital.

26

00:02:04,960 —> 00:02:06,560

There was no mention of us.

27

00:02:07,040 —> 00:02:08,960

I don't know who Max spoke to,

28

00:02:09,040 —> 00:02:11,600

but he basically made

our part in it disappear.

29

00:02:13,000 —> 00:02:14,880

We never told anyone.

30

00:02:14,960 —> 00:02:16,880

And then, months later,

31

00:02:17,560 —> 00:02:19,400

after Andie went missing,

32

00:02:19,480 —> 00:02:22,160

just after the police

interviewed us about Sal,

33

00:02:22,240 —> 00:02:25,040

we got a note delivered to Max's house.

34

00:02:25,920 —> 00:02:27,720

It had instructions on it.

35

00:02:27,800 —> 00:02:29,760

We had to tell the police that we lied,

36

00:02:30,360 —> 00:02:32,960

that Sal had left Max's at 10:30,

37

00:02:33,640 —> 00:02:36,200

delete any photos

taken of Sal after that time.

38

00:02:37,640 —> 00:02:38,800

And if you didn't?

39

00:02:40,680 —> 00:02:43,320

They'd tell the world

that we were in a hit-and-run...

40

00:02:45,400 —> 00:02:47,240

that we left a man to die.

41

00:02:48,320 —> 00:02:50,360

[ominous music playing]

42

00:02:50,800 —> 00:02:52,360

All this time,

43
00:02:52,440 –> 00:02:54,760
you've been letting people
believe that Sal's guilty

44
00:02:54,840 –> 00:02:56,400
when he couldn't have done it!

45
00:02:56,480 –> 00:02:58,040
It hasn't been easy.

46
00:03:00,120 –> 00:03:02,760
My best friend killed himself
because of what I did.

47
00:03:04,480 –> 00:03:08,000
I've held on to that for five years,
and it's almost killed me.

48
00:03:09,000 –> 00:03:10,160
[door opens]

49

00:03:13,000 —> 00:03:14,000

[door closes]

50

00:03:15,040 —> 00:03:16,560

Oh, dear.

51

00:03:17,560 —> 00:03:19,680

She having another one of her episodes?

52

00:03:21,640 —> 00:03:23,400

I've told her everything.

53

00:03:29,280 —> 00:03:30,760

Why would you do that?

54

00:03:32,040 —> 00:03:34,520

A man nearly died because of us.

55

00:03:35,240 —> 00:03:39,440

And because you were too much

of a coward to own up to it, Sal died!

56

00:03:45,440 —> 00:03:46,720

I'm sorry.

57

00:03:51,040 —> 00:03:52,520

I did it to protect us.

58

00:03:53,560 —> 00:03:55,480

[somber music playing]

59

00:04:01,120 —> 00:04:02,240

[sobs]

60

00:04:05,920 —> 00:04:07,600

[shakily] We can't bring him back.

61

00:04:11,520 —> 00:04:13,600

Come on. We made a pact.

62

00:04:17,000 —> 00:04:18,560

Don't do this, Gnomes.

63

00:04:21,160 —> 00:04:22,720
It's already done.

64
00:04:26,200 —> 00:04:27,480
I have proof.

65
00:04:28,120 —> 00:04:30,400
[sinister music playing]

66
00:04:37,200 —> 00:04:38,440
What proof?

67
00:04:42,240 —> 00:04:43,680
You missed this one.

68
00:04:45,400 —> 00:04:47,480
I knew it was there,
but I didn't tell you

69
00:04:47,560 —> 00:04:49,960
'cause I hoped one day
I'd be brave enough.

70

00:04:50,520 —> 00:04:52,680

It was taken at 12:06 a.m.

71

00:04:52,760 —> 00:04:54,320

on the night Andie disappeared.

72

00:04:55,200 —> 00:04:57,280

Sal's taking the picture.

73

00:05:03,800 —> 00:05:04,800

Fuck!

74

00:05:05,360 —> 00:05:08,080

What have you done,

you stupid, stupid bitch?

75

00:05:10,760 —> 00:05:13,720

It's not just me

that's gonna go down for this. Hm?

76

00:05:16,480 —> 00:05:19,160

You're gonna destroy her life,

you know that?

77

00:05:25,040 —> 00:05:27,320

[heavy breathing]

78

00:05:27,400 —> 00:05:29,680

[sinister music fades out]

79

00:05:31,640 —> 00:05:33,000

[door closes]

80

00:05:34,200 —> 00:05:35,360

Where are you going?

81

00:05:38,320 —> 00:05:39,480

Dance.

82

00:05:41,320 —> 00:05:44,120

["Concrete Over Water"

by Jockstrap playing]

83

00:06:27,480 —> 00:06:28,680

What's going on?

84

00:06:29,640 —> 00:06:30,960

We need to talk.

85

00:06:34,640 —> 00:06:38,040

["Concrete Over Water"

by Jockstrap continues]

86

00:07:04,640 —> 00:07:07,040

[muffled music playing]

87

00:07:08,120 —> 00:07:10,360

So, whoever blackmailed them killed Andie.

88

00:07:14,200 —> 00:07:17,480

Everything makes sense now.

She's been terrified this whole time.

89

00:07:21,240 —> 00:07:22,560

What's gonna happen to her?

90

00:07:25,200 —> 00:07:26,720
She lied to the police.

91
00:07:27,920 —> 00:07:29,840
I guess she could go to prison.

92
00:07:34,640 —> 00:07:36,320
Why didn't she tell me?

93
00:07:37,560 —> 00:07:40,360
Maybe it was just a part of herself
that she kept hidden.

94
00:07:42,240 —> 00:07:44,160
She was probably too ashamed.

95
00:07:45,480 —> 00:07:47,160
She should be.

96
00:07:51,000 —> 00:07:55,320
Just because she did this thing
does not mean she's not a good person.

97

00:07:58,880 —> 00:08:00,120

Don't.

98

00:08:03,240 —> 00:08:05,440

I'm just not sure I can lose anybody else.

99

00:08:10,720 —> 00:08:11,760

Wait.

100

00:08:13,800 —> 00:08:16,680

What if there's another way

we can prove Sal's innocence?

101

00:08:17,360 —> 00:08:18,480

How?

102

00:08:19,920 —> 00:08:21,760

I don't know yet, but...

103

00:08:22,880 —> 00:08:24,120

You'd do that for us?

104

00:08:26,480 —> 00:08:28,120

I'd do anything for you.

105

00:08:28,560 —> 00:08:30,880

[somber music playing]

106

00:08:37,320 —> 00:08:38,559

[Victor]

Who goes there?

107

00:08:42,000 —> 00:08:43,400

Come help me wrap.

108

00:08:45,280 —> 00:08:47,520

[somber music fades out]

109

00:08:47,919 —> 00:08:49,080

Okay.

110

00:08:55,960 —> 00:08:57,880

Your mother says you had a chat.

111

00:09:01,520 —> 00:09:04,440

You know, growing up,

I knew so clearly what I wanted.

112

00:09:05,960 —> 00:09:08,000

I wanted a family,

113

00:09:08,080 —> 00:09:10,280

and I wanted stability.

114

00:09:10,760 —> 00:09:12,440

Financial stability.

115

00:09:14,000 —> 00:09:15,280

But you had that.

116

00:09:16,720 —> 00:09:19,640

Yes. I had it all.

117

00:09:20,440 —> 00:09:22,040

But it came at a cost.

118

00:09:24,320 —> 00:09:28,320

I was working all the time,

119

00:09:28,400 —> 00:09:31,240

and while I had financial stability...

120

00:09:33,440 —> 00:09:35,480

I didn't feel stable.

121

You're joking.

162

00:14:41,000 —> 00:14:42,760

We know that Sal's innocent.

163

00:14:42,840 —> 00:14:45,040

But on its own,

I'm not sure the photo's enough

164

00:14:45,120 —> 00:14:46,520

to prove it to the police.

165

00:14:47,560 —> 00:14:50,400

We can try. I'm just asking
for a few more hours.

166
00:14:50,480 —> 00:14:51,480
To do what?

167
00:14:51,560 —> 00:14:54,120
See if the real killer
will reveal themselves.

168
00:14:54,600 —> 00:14:55,640
If we catch them,

169
00:14:55,720 —> 00:14:57,720
then maybe there's a way
to prove Sal's innocence

170
00:14:57,800 —> 00:15:00,200
without anybody finding out
about the hit-and-run.

171
00:15:00,280 —> 00:15:01,560
They're not that stupid.

172

00:15:01,640 —> 00:15:03,480

They've kept hidden for five years.

173

00:15:03,560 —> 00:15:05,920

Why would they risk

exposing themselves now?

174

00:15:07,720 —> 00:15:09,720

There's something I haven't told you.

175

-Barney!

295

00:24:43,560 —> 00:24:45,560

What if he got hit by a car?

296

00:24:45,640 —> 00:24:47,120

He's a sheep dog.

297

00:24:47,600 —> 00:24:49,640

He's number one on the list of smart dogs.

298

00:24:49,720 —> 00:24:52,640

But he was frightened of sheep,

and that's why we have him!

299

00:24:52,720 —> 00:24:54,360

[Victor]

We're going to find him.

300

00:24:54,440 —> 00:24:56,760

He'll just be on some kind of

epic squirrel hunt

301

00:24:56,840 —> 00:24:59,200

and have forgotten the time, or...

302

00:24:59,280 —> 00:25:00,680

[Victor] Barney!

303

00:25:01,680 —> 00:25:04,080

-[Josh] Barney!

-[Victor] Here, boy!

304

00:25:06,360 —> 00:25:08,120

Sweetie, I'm gonna take Joshy home

305

00:25:08,200 —> 00:25:10,200

and just hope that

Barney's made it back, okay?

306

00:25:10,280 —> 00:25:12,040

Right. I'll keep looking.

307

00:25:12,120 —> 00:25:14,400

Me too. But I think we need to split up.

308

00:25:15,040 —> 00:25:16,640

I'll call you if I find him.

309

00:25:16,720 —> 00:25:18,360

-Keep your phone on, okay?

-Okay.

310

00:25:18,440 —> 00:25:19,440

Okay.

311

00:25:19,520 —> 00:25:21,800

[dramatic music playing]

312

00:25:21,880 —> 00:25:23,400

Barney!

313

00:25:27,280 —> 00:25:28,320

Barney!

314

00:25:37,240 —> 00:25:38,440

Barney?

315

00:25:49,440 —> 00:25:50,640

Barney!

316

00:25:52,640 —> 00:25:54,080

[twigs snap nearby]

317

00:25:56,160 —> 00:25:57,920

[ominous beat]

318

00:26:34,440 —> 00:26:35,560

No, no.

319

00:26:35,640 —> 00:26:38,120

No, no, no! [crying]

320

00:26:38,920 —> 00:26:42,120

Barney! Barney, please! Barney!

321

00:26:54,840 —> 00:26:57,920

[Leanne] Someone must've hit him, Pip.

I'm so sorry.

322

00:27:02,560 —> 00:27:07,040

[Victor] Sixty-four tennis balls.

We counted them.

323

00:27:08,960 —> 00:27:11,640

All the balls you left

in the house and the garden.

324

00:27:12,400 —> 00:27:16,040

We hope you can take them with you

wherever you go.

325

00:27:34,360 —> 00:27:36,280
Why didn't anyone help him?

326
00:27:36,680 —> 00:27:38,760
Maybe there was no one around, sweetheart.

327
00:27:38,840 —> 00:27:41,440
[Josh] The person who hit him was around.
Why didn't they stop?

328
00:27:41,520 —> 00:27:43,000
[Victor]
I don't know, but hey...

329
00:27:43,800 —> 00:27:46,400
it's against the law
to not report hitting a dog.

330
00:27:46,920 —> 00:27:49,520
We just have to make sure
the police investigate properly.

331
00:28:16,040 —> 00:28:18,200

Hi, there.

My name's Pip Fitz-Amobi.

332

00:28:18,280 —> 00:28:20,600

I need to speak to

PC Dan da Silva, please.

333

00:28:20,680 —> 00:28:22,040

I'll see if he's available.

334

00:28:22,120 —> 00:28:23,440

Happy to wait.

335

00:28:33,520 —> 00:28:34,520

Pippa?

336

00:28:36,160 —> 00:28:37,520

What are you doing here?

337

00:28:38,600 —> 00:28:41,480

Uh, I have some information

about a hit-and-run

338

00:28:41,560 —> 00:28:45,080

that took place on January 1st, 2019.

339

00:28:47,040 —> 00:28:50,840

Well, if you'd like to make a statement,

we should find somewhere quiet to do it.

340

00:28:51,760 —> 00:28:53,000

Great.

341

00:29:00,240 —> 00:29:01,880

What do you want to talk about?

342

00:29:03,480 —> 00:29:05,360

I know who was driving the other car.

343

00:29:05,760 —> 00:29:07,240

I don't know what you mean.

344

00:29:08,440 —> 00:29:10,200

I've spoken to Max and Naomi.

345

00:29:10,800 —> 00:29:14,040

I know it was you Max called that night

and asked to cover it up.

346

00:29:14,120 —> 00:29:16,320

And I know that later

you blackmailed them

347

00:29:16,400 —> 00:29:18,640

and told them to change Sal's alibi.

348

00:29:19,240 —> 00:29:20,800

It had to be you.

349

00:29:21,720 —> 00:29:23,320

You were the first one there.

350

00:29:25,080 —> 00:29:27,560

All I did was move

some debris on the road.

351

00:29:27,640 —> 00:29:29,040

It wasn't a big deal.

352
00:29:29,120 —> 00:29:32,000
Either way, this has nothing to do
with Andie's death.

353
00:29:35,920 —> 00:29:38,400
I think DI Hawkins might disagree.

354
00:29:41,320 —> 00:29:43,640
[tense music playing]

355
00:29:51,560 —> 00:29:54,040
Andie and I had a thing,

356
00:29:54,880 —> 00:29:57,400
but it was two years before
she even went missing.

357
00:29:58,520 —> 00:30:00,200
How old was she?

358

00:30:04,280 —> 00:30:05,880
That's statutory rape.

359
00:30:05,960 —> 00:30:07,400
She was 15!

360
00:30:07,480 —> 00:30:10,560
Yeah. Not a good look
if you want to become a police officer.

361
00:30:11,440 —> 00:30:14,440
I could tell you she lied about her age,
said she was 16,

362
00:30:14,520 —> 00:30:17,000
but I'm not sure you'd believe me,
would you?

363
00:30:20,200 —> 00:30:23,600
Either way, Max found out about it

364
00:30:23,680 —> 00:30:26,200
and held it over me whenever he could.

365

00:30:26,880 —> 00:30:28,480

He knew I'd lose my job.

366

00:30:28,560 —> 00:30:31,920

Max was the one who blackmailed me,

not the other way round.

367

00:30:32,480 —> 00:30:34,880

So, if you didn't blackmail them, who did?

368

00:30:35,400 —> 00:30:38,080

It was the middle of the night,

the middle of nowhere.

369

00:30:38,160 —> 00:30:40,240

-No one else saw.

-Except someone did!

370

00:30:43,680 —> 00:30:45,760

I think it's time you gave this up, Pip.

371

00:30:55,160 —> 00:30:56,560
[Pip]
What's our next move?

372
00:30:57,920 —> 00:30:59,480
I think we need to stop.

373
00:30:59,560 —> 00:31:02,440
They came to your house
and killed your dog.

374
00:31:02,960 —> 00:31:05,440
I've already lost Sal,
I don't wanna lose you too.

375
00:31:05,520 —> 00:31:07,960
Yeah, but then we didn't do
what we set out to do.

376
00:31:09,120 —> 00:31:10,600
Things are never that neat.

377
00:31:10,680 —> 00:31:12,920

This will never have a happy ending.

378

00:31:14,120 —> 00:31:17,000

Sal's still dead, his friends still lied.

379

00:31:17,480 —> 00:31:19,960

-But the truth...

-What about it?

380

00:31:20,520 —> 00:31:22,080

It's important.

381

00:31:23,280 —> 00:31:25,320

People don't really care about the truth.

382

00:31:25,400 —> 00:31:27,320

They just believe

what they want to believe.

383

00:31:29,840 —> 00:31:31,080

I care.

384

00:31:33,520 —> 00:31:35,680
I know you do. But come on.

385
00:31:35,760 —> 00:31:38,200
You're going to go to Cambridge next year.

386
00:31:38,280 —> 00:31:40,760
Then you're going to be
prime minister of the world.

387
00:31:48,040 —> 00:31:49,560
Well, what will you do?

388
00:31:51,080 —> 00:31:52,320
What can I do?

389
00:31:53,640 —> 00:31:55,240
I can't leave my parents.

390
00:31:56,320 —> 00:31:57,640
I'm stuck here.

391

00:31:58,560 —> 00:32:01,040

[somber music playing]

392

00:32:09,840 —> 00:32:11,000

I've gotta go.

393

00:32:30,720 —> 00:32:32,520

What time does the exam start?

394

00:32:32,600 —> 00:32:33,920

[Pip] I'm not going.

395

00:32:34,680 —> 00:32:36,240

What are you talking about?

396

00:32:36,800 —> 00:32:38,200

Don't feel like it.

397

00:32:39,960 —> 00:32:41,440

Barney would want you to go.

398

00:32:41,520 —> 00:32:42,800

No, he wouldn't.

399

00:32:42,880 —> 00:32:45,440

He was always sad when I left for school.

400

00:32:45,520 —> 00:32:47,640

Fine. Old Pip would want you to go.

401

00:32:48,640 —> 00:32:50,520

Yeah, well, who is the old Pip?

402

00:32:52,520 —> 00:32:55,440

My brilliant, forthright,

intelligent daughter

403

00:32:55,520 —> 00:32:57,400

who loved exams.

404

00:33:08,480 —> 00:33:11,360

[indistinct chatter]

405

00:33:23,800 —> 00:33:25,640

Barney was an absolute gentleman.

406

00:33:26,840 —> 00:33:28,600

He was, wasn't he?

407

00:33:30,160 —> 00:33:31,560

Saw your post.

408

00:33:33,680 —> 00:33:35,680

Yeah, not my finest moment.

409

00:33:37,200 —> 00:33:39,160

At least you went viral, baby!

410

00:33:40,800 —> 00:33:43,520

Shall we go? Okay, bye.

411

00:33:46,640 —> 00:33:48,000

Good luck!

412

00:33:48,680 —> 00:33:50,000

Love you.

413

00:33:53,120 —> 00:33:54,800

Phones, please.

414

00:33:59,960 —> 00:34:01,320

You okay, Pip?

415

00:34:01,880 —> 00:34:04,920

-Mm.

-You've 100% got this.

416

00:34:05,880 —> 00:34:07,160

Thanks.

417

00:34:08,960 —> 00:34:10,800

Open your papers.

418

00:34:27,840 —> 00:34:30,000

[mellow music playing]

419

00:34:38,440 —> 00:34:39,520

How'd it go?

420

00:34:40,880 —> 00:34:42,000

It was okay.

421

00:34:42,320 —> 00:34:44,600

Comparisons between texts

on the theme of evil.

422

00:34:44,679 —> 00:34:46,400

Which two did you pick?

423

00:34:46,480 —> 00:34:48,120

Easton Ellis and Melville.

424

00:34:48,920 —> 00:34:51,120

-[clicks tongue] Oh, that's good.

-[Cara chuckles softly]

425

00:34:52,520 —> 00:34:53,639

How's Naomi?

426

00:34:54,920 —> 00:34:57,080

Yeah. She seems better now.

427

00:34:58,360 —> 00:34:59,600

That's good.

428

00:35:01,080 —> 00:35:03,480

Lauren's got a horror movie

marathon lined up.

429

00:35:03,560 —> 00:35:05,280

I've got pizzas,

430

00:35:05,360 —> 00:35:07,120

and Dad is driving us home.

431

00:35:07,200 —> 00:35:08,400

Let's go.

432

00:35:08,960 —> 00:35:12,840

Don't tell me, you picked

Melville and Easton Ellis.

433

00:35:12,920 —> 00:35:14,240

Yeah.

434

00:35:14,320 —> 00:35:15,680

Great choice.

435

00:35:19,080 —> 00:35:20,720

-[Lauren] Shotgun.

-[Cara] No.

436

00:35:20,800 —> 00:35:22,080

-[Lauren] Shotgun!

-[Cara] No!

437

00:35:22,160 —> 00:35:23,280

[phone rings]

438

00:35:23,360 —> 00:35:26,160

-[Lauren] You can't say no to shotgun.

-[Cara] He's my dad, okay?

439

00:35:27,720 —> 00:35:30,800

[ominous music playing]

440

00:35:36,920 –> 00:35:38,000

Hello?

441

00:35:38,080 –> 00:35:40,120

Hey, Pip. It's Naomi.

442

00:35:40,200 –> 00:35:43,120

Cara told me about Barney.

I'm so sorry.

443

00:35:43,880 –> 00:35:45,160

Whose number is this?

444

00:35:45,680 –> 00:35:47,560

Well, since Max smashed up my phone,

445

00:35:47,640 –> 00:35:50,920

I had to borrow some ancient brick

of my dad's I found in a drawer.

446

00:35:53,120 –> 00:35:54,560

Your dad's?

447

00:35:54,640 –> 00:35:55,880

Yeah.

448

00:35:55,960 –> 00:35:59,080

Anyway, I just wanted you to know

I was sad about Barney.

449

00:35:59,160 –> 00:36:00,440

Yeah.

450

00:36:19,720 –> 00:36:21,120

Come to Mama.

451

00:36:23,520 –> 00:36:26,160

[Zach] The duality is super obvious

in Stevenson's Jekyll and Hyde,

452

00:36:26,240 –> 00:36:28,880

but it had a forerunner

in Dostoevsky's The Double.

453

00:36:28,960 —> 00:36:32,280

Just want to let you know I've got zero

idea what you're talking about right now.

454

00:36:32,360 —> 00:36:35,560

It's the idea that good and evil

can coexist in a person at the same time.

455

00:36:35,640 —> 00:36:37,120

They are not opposites

456

00:36:37,200 —> 00:36:40,600

but instead indissoluble components

of the human psyche.

457

00:36:41,040 —> 00:36:43,600

Do you wanna watch

the horror movie with us tonight, Dad?

458

00:36:43,680 —> 00:36:46,120

We're gonna start with Onibaba.

459

00:36:46,200 —> 00:36:48,200
Not even a tiny bit.

460
00:36:48,280 —> 00:36:50,400
You know how I am with horrors.
[chuckles]

461
00:36:51,840 —> 00:36:54,880
Oh, and I've got tutoring tonight,
so I'll drop you guys and run.

462
00:36:54,960 —> 00:36:56,840
[Cara] How come you spend
so much time tutoring

463
00:36:56,920 —> 00:36:58,840
but we still don't have any money?

464
00:36:58,920 —> 00:37:01,400
[Elliot] Because I have
many mouths to feed.

465
00:37:01,480 —> 00:37:03,840

You have expensive tastes.

466

00:37:04,200 –> 00:37:05,360

[Cara, amused] What?

467

00:37:24,080 –> 00:37:25,640

Thanks for the lift.

468

00:37:25,720 –> 00:37:27,400

No problem. See you later.

469

00:37:27,480 –> 00:37:28,920

[engine starts]

470

00:37:43,520 –> 00:37:45,080

[Zach]

How scary is this film?

471

00:37:45,160 –> 00:37:46,920

[indistinct chatter]

472

00:38:08,880 –> 00:38:10,400

Cara's birthday.

473

00:38:38,200 —> 00:38:39,480

[Connor] Got any snacks?

474

00:38:40,400 —> 00:38:43,240

Yeah, I think there are some

Jammy Dodgers in the kitchen.

475

00:38:52,520 —> 00:38:53,920

Berners Lane.

476

00:38:54,560 —> 00:38:57,280

-Isn't that where you used to live?

-[thunder claps]

477

00:38:57,360 —> 00:39:00,000

Yeah, we sold it years ago. Why?

478

00:39:02,400 —> 00:39:03,720

No reason.

479

00:39:07,400 –> 00:39:09,160

[Connor]

The cupboard is bare.

480

00:39:09,240 –> 00:39:11,400

-Not a Jammy Dodger in sight.

-[Cara] What?

481

00:39:11,480 –> 00:39:13,520

{\an8}I swear there was a whole bag full.

482

00:39:16,400 –> 00:39:18,520

[screaming from film]

483

00:39:46,240 –> 00:39:48,440

[laughs] Get off!

You're strangling me!

484

00:39:49,480 –> 00:39:52,600

I've gotta go. I love you so much.

485

00:39:53,320 –> 00:39:54,560

Okay, weirdo.

486

00:39:54,640 —> 00:39:56,040

Love you too.

487

00:39:56,840 —> 00:39:59,320

["The Whole Universe Wants to Be Touched",

by Nils Frahm plays]

488

00:40:17,160 —> 00:40:19,280

[Elliot] I think you're

smart enough to understand

489

00:40:19,360 —> 00:40:21,200

why we felt perhaps

490

00:40:21,280 —> 00:40:23,480

it wasn't the most

appropriate subject matter.

491

00:40:23,560 —> 00:40:25,480

What if Andie's not actually dead?

492

00:40:25,560 —> 00:40:29,000

[reporter] Jason and Dawn Bell remain

unable to bury their daughter,

493

00:40:29,080 —> 00:40:31,400

as the search continues for Andie's body.

494

00:41:31,560 —> 00:41:33,840

-[car door handle rattles]

-Shit.

495

00:41:36,680 —> 00:41:37,880

[Elliot] Pip?

496

00:41:37,960 —> 00:41:40,760

-[tense music playing]

-What on earth are you doing here?

497

00:41:42,280 —> 00:41:43,840

I've called the police.

498

00:41:44,720 —> 00:41:46,200

Why would you do that?

499

00:41:46,280 —> 00:41:48,480

Because you have Andie Bell inside.

500

00:41:49,880 —> 00:41:51,040

Admit it.

501

00:41:51,800 —> 00:41:53,320

Andie Bell?

502

00:41:54,240 —> 00:41:55,960

Don't be absurd.

503

00:41:57,680 —> 00:41:59,080

Come on in.

504

00:42:08,720 —> 00:42:10,160

What's happened, Pip?

505

00:42:10,240 —> 00:42:11,800

-Are you okay?

-[door closes]

506

00:42:12,600 —> 00:42:15,440

You were sleeping with her.

I know you were!

507

00:42:15,960 —> 00:42:17,680

What would make you say that?

508

00:42:17,760 —> 00:42:20,240

Jay Gatsby? Daisy Buchanan?

509

00:42:20,320 —> 00:42:23,840

I really think you've let

all of this get to you, Pip.

510

00:42:25,880 —> 00:42:26,920

I'm fine!

511

00:42:27,000 —> 00:42:28,200

Andie!

512

00:42:28,560 —> 00:42:30,240

By all means, go on up.

513
00:42:30,320 —> 00:42:33,840
I promise you,
there's no one here but us.

514
00:42:36,160 —> 00:42:38,240
You put this in my sleeping bag.

515
00:42:38,320 —> 00:42:40,560
You were scared that I would
uncover what really happened,

516
00:42:40,640 —> 00:42:43,320
and poor Sal was accused
of a murder that you committed!

517
00:42:47,840 —> 00:42:49,120
Oh, Pip...

518
00:42:51,640 —> 00:42:53,280
I didn't kill her.

519

00:42:56,120 —> 00:42:59,080

Please, just let me

tell you what happened.

520

00:43:00,880 —> 00:43:02,480

Come and sit down.

521

00:43:04,960 —> 00:43:07,560

[tense music fades out]

522

00:43:19,440 —> 00:43:21,960

Andie was struggling at school.

523

00:43:23,600 —> 00:43:26,800

Her home life was not good,

524

00:43:26,880 —> 00:43:29,440

and her grades had started slipping.

525

00:43:30,120 —> 00:43:32,240

She came to me for help,

526

00:43:32,320 —> 00:43:33,960

just tutoring.

527

00:43:36,600 —> 00:43:40,800

This was not long

after Isabel had died and...

528

00:43:40,880 —> 00:43:42,760

I was in a dark place.

529

00:43:44,960 —> 00:43:47,600

Andie and I grew close and...

530

00:43:49,640 —> 00:43:51,240

started a relationship.

531

00:43:51,320 —> 00:43:52,840

You're disgusting.

532

00:43:59,200 —> 00:44:02,960

It only happened a few times,

and then she started seeing Sal.

533

00:44:04,680 —> 00:44:07,520

We limped on for a bit,

but then she called it off.

534

00:44:07,600 —> 00:44:09,400

She said she was in love with him.

535

00:44:10,840 —> 00:44:15,040

You were at the Ivy House Hotel with her

just days before she went missing.

536

00:44:17,200 —> 00:44:18,880

You're right, I was.

537

00:44:21,320 —> 00:44:23,240

She said she wanted to see me.

538

00:44:25,000 —> 00:44:29,000

At first, I thought

she'd had a change of heart, but...

539

00:44:30,560 —> 00:44:31,920
she wanted money.

540
00:44:34,080 —> 00:44:35,200
Why?

541
00:44:35,280 —> 00:44:37,360
I don't know, but I said no.

542
00:44:39,040 —> 00:44:42,840
Then she left, but a few days later,
she came to my house.

543
00:44:42,920 —> 00:44:45,800
She told me if I didn't give her £5,000,

544
00:44:45,880 —> 00:44:49,400
she would tell the world
that I'd taken advantage of her.

545
00:44:49,960 —> 00:44:53,160
Again, I said no,
I wouldn't be blackmailed.

546

00:44:53,240 —> 00:44:55,200

She went wild,

547

00:44:55,280 —> 00:44:57,280

screaming and slapping.

548

00:44:58,600 —> 00:45:00,200

I pushed her off.

549

00:45:01,600 —> 00:45:03,560

She fell, hard.

550

00:45:04,640 —> 00:45:06,520

Hit her head on the countertop.

551

00:45:06,600 —> 00:45:08,640

It was bad.

There was blood everywhere.

552

00:45:10,680 —> 00:45:12,880

I went to get my phone

to call an ambulance,

553

00:45:12,960 —> 00:45:15,880

and when I came back, she was gone.

554

00:45:17,480 —> 00:45:18,840

I never saw her again.

555

00:45:23,840 —> 00:45:25,360

So you didn't kill her.

556

00:45:25,440 —> 00:45:27,080

I didn't kill her.

557

00:45:28,520 —> 00:45:30,200

I cared about her.

558

00:45:35,200 —> 00:45:37,440

[pipes clanking]

559

00:45:41,120 —> 00:45:43,440

[ominous music playing]

560

00:45:45,320 —> 00:45:47,120

Let's get you home, Pip.

561

00:45:47,680 —> 00:45:48,680

Yeah?

562

00:45:50,200 —> 00:45:53,680

[steady clanking sound]

563

00:45:54,840 —> 00:45:56,560

It's nothing, it's-it's just...

564

00:45:56,640 —> 00:46:00,240

[urgent music playing]

565

00:46:04,200 —> 00:46:08,880

[steady clanking sound]

566

00:46:17,400 —> 00:46:18,560

Andie!

567

00:46:20,080 —> 00:46:21,120

Andie?

568

00:46:25,400 —> 00:46:26,640

Andie?

569

00:46:37,560 —> 00:46:38,800

I'm not Andie.

570

00:46:39,680 —> 00:46:40,840

[attic door slams shut]

571

00:46:40,920 —> 00:46:42,320

[attic lock clatters]

572

00:46:42,400 —> 00:46:44,320

[sharp gasps]

573

00:46:44,400 —> 00:46:47,280

["Organ Donor" by DJ Shadow playing]

Episode 6:

1

00:00:06,040 –> 00:00:08,720

[ominous music playing]

2

00:00:13,880 –> 00:00:15,960

I was living rough.

3

00:00:16,040 –> 00:00:18,080

Out near the old bus station...

4

00:00:19,080 –> 00:00:20,920

when he found me.

5

00:00:23,680 –> 00:00:26,560

{\an8}I'll never forget the look on his face

when he saw me.

6

00:00:27,560 –> 00:00:28,680

{\an8}Pure...

7

00:00:29,680 –> 00:00:32,840

{\an8}relief and joy...

8

00:00:32,920 –> 00:00:36,320

and then disappointment

when I wasn't who he thought I was.

9

00:00:38,480 –> 00:00:42,280

He said he was a teacher,

he had daughters.

10

00:00:42,360 –> 00:00:45,720

I could stay at his house a night,

and then in the morning,

11

00:00:45,800 –> 00:00:48,440

he'd find someone to help me.

12

00:00:48,520 –> 00:00:49,720

He seemed normal.

13

00:00:52,040 –> 00:00:54,360

Nice, you know?

14

00:00:56,240 —> 00:00:59,080

I went to sleep, and then later, I woke up

15

00:00:59,160 —> 00:01:02,800

and went downstairs for some water.

16

00:01:04,880 —> 00:01:08,800

He was there on the sofa, drinking...

17

00:01:09,840 —> 00:01:11,400

so I thanked him.

18

00:01:12,400 —> 00:01:14,040

Just told him he was a nice guy.

19

00:01:14,120 —> 00:01:15,480

Sir...

20

00:01:16,600 —> 00:01:19,000

That seemed to upset him.

21

00:01:19,080 —> 00:01:20,640

You're a good person.

22

00:01:23,400 —> 00:01:24,960

You don't know that.

23

00:01:31,480 —> 00:01:33,560

What if I told you I killed a person?

24

00:01:37,280 —> 00:01:38,720

Would you judge me then?

25

00:01:45,280 —> 00:01:48,040

I wish I'd run then, but I didn't.

26

00:01:52,480 —> 00:01:54,200

Then what happened?

27

00:01:57,920 —> 00:02:00,600

His name was Salil Singh.

28

00:02:01,560 —> 00:02:06,000

I drugged him first

before I smothered him.

29

00:02:08,160 —> 00:02:11,000

And as he was slipping away,

30

00:02:11,080 —> 00:02:14,520

I spoke to him about university,

31

00:02:15,560 —> 00:02:16,760

the future.

32

00:02:18,440 —> 00:02:21,920

Just so he would fall asleep

thinking about something good.

33

00:02:25,600 —> 00:02:28,680

But I could see in his eyes

that he was scared.

34

00:02:34,600 —> 00:02:36,520

Do you think I'm a monster?

35

00:02:43,520 —> 00:02:44,880

I think...

36

00:02:46,920 —> 00:02:49,000

you're a nice guy

37

00:02:49,080 —> 00:02:51,640

who must have found himself

in a bad situation.

38

00:02:55,240 —> 00:02:56,680

Thank you.

39

00:03:09,240 —> 00:03:11,240

But maybe I could have one of those?

40

00:03:14,360 —> 00:03:15,880

I'll get you a glass.

41

00:03:32,880 —> 00:03:34,160

No, no, no, no!

42

00:03:36,880 —> 00:03:38,680

He wouldn't let me go.

43

00:03:41,040 —> 00:03:43,680

["Keep the Streets Empty for Me"

by Fever Ray playing]

44

00:03:44,800 —> 00:03:47,800

[police sirens blaring outside]

45

00:03:54,200 —> 00:03:56,800

It's gonna be okay. I promise.

46

00:04:23,600 —> 00:04:26,720

Sal! How could you?

47

00:04:26,800 —> 00:04:29,360

Hey, hey, hey. It's over. It's over.

48

00:04:29,440 —> 00:04:31,000

You're safe now, chicken.

49

00:04:36,280 —> 00:04:38,640

["Keep the Streets Empty for Me"

by Fever Ray continues]

50

00:05:06,280 —> 00:05:09,120

[mellow music playing]

51

00:05:10,840 —> 00:05:13,840

[birdsong]

52

00:05:57,440 —> 00:05:59,640

[mellow music fades out]

53

00:06:06,320 —> 00:06:07,720

[Pip]

How are your parents?

54

00:06:08,240 —> 00:06:09,520

[Ravi] Emotional.

55

00:06:09,600 —> 00:06:12,000

Like happy one minute, sad the next.

56

00:06:12,600 —> 00:06:16,240

Everyone now knows that Sal isn't guilty

and that he didn't kill himself,

57

00:06:16,960 —> 00:06:19,680

but he was murdered by someone

he knew and trusted.

58

00:06:23,320 —> 00:06:24,680

And you?

59

00:06:26,440 —> 00:06:27,760

I feel different.

60

00:06:28,920 —> 00:06:30,560

I've got you to thank for that.

61

00:06:31,520 —> 00:06:34,360

Well, I didn't do it on my own.

62

00:06:35,400 —> 00:06:37,800

Nah. We were a good team.

63

00:06:46,480 —> 00:06:47,720

[sighs]

64

00:06:53,960 —> 00:06:55,320

You okay?

65

00:06:55,400 —> 00:06:58,120

Yeah, I'm just... [clears throat]

66

00:06:58,200 —> 00:07:01,160

...trying to say something.

67

00:07:01,240 —> 00:07:03,520

[mellow music playing]

68

00:07:04,880 —> 00:07:06,640

Saying something feels...

69

00:07:09,000 —> 00:07:11,760

Look, what...

What I wanted to say is that—

70

00:07:11,840 —> 00:07:13,440

Pip, I'm leaving.

71

00:07:16,960 —> 00:07:19,880

I feel like I've been

trapped here, frozen.

72

00:07:20,520 —> 00:07:22,040

My whole life on hold.

73

00:07:22,800 —> 00:07:24,960

I wanted to leave so badly,

and now I can.

74

00:07:26,240 —> 00:07:30,600

I'll get a job, apply to college...

you know, do life.

75

00:07:32,280 —> 00:07:34,040

You could do that here.

76

00:07:36,000 —> 00:07:37,160

I need to go.

77

00:08:21,200 —> 00:08:23,840

[mellow music fades out]

78

00:08:24,720 —> 00:08:27,160

They had a forensics team

going through the house

79

00:08:27,240 —> 00:08:29,360

looking for DNA and stuff.

80

00:08:29,440 —> 00:08:31,880

I just can't get over the fact

that he walked among us...

81

00:08:32,640 —> 00:08:35,200

like an ordinary, everyday guy.

82

00:08:35,280 —> 00:08:38,559

Taught his lessons,

drove us about, cooked,

83
00:08:38,640 –> 00:08:40,919
and he was harboring
the darkest secret ever.

84
00:08:41,000 –> 00:08:42,440
[Zach]
It wasn't just one secret.

85
00:08:42,520 –> 00:08:45,720
He had a woman trapped
in the attic of a secret house,

86
00:08:45,799 –> 00:08:47,720
he had a secret teenage lover,

87
00:08:47,799 –> 00:08:49,840
then murdered said secret teenage lover,

88
00:08:49,920 –> 00:08:53,160
hid her body, and then secretly
murdered her boyfriend.

89

00:08:53,240 —> 00:08:56,880

He broke into my house on my brother's

birthday, and he killed my dog.

90

00:08:56,960 —> 00:08:59,400

[somber music playing]

91

00:09:14,400 —> 00:09:15,720

So here I am.

92

00:09:21,960 —> 00:09:24,920

[bell rings]

93

00:09:33,560 —> 00:09:35,000

What can I do?

94

00:09:35,960 —> 00:09:37,240

What do you mean?

95

00:09:38,600 —> 00:09:40,200

I want to make it better.

96

00:09:42,120 —> 00:09:43,360

How can you?

97

00:09:59,440 —> 00:10:00,880

I can't do this.

98

00:10:17,400 —> 00:10:19,200

Right, the oven's ready, that can go in.

99

00:10:19,280 —> 00:10:22,280

You need to whisk it. You need

to whisk it properly, sweetheart.

100

00:10:26,880 —> 00:10:28,800

Oh. Oh, dear.

101

00:10:28,880 —> 00:10:30,520

I've ruined Cara's life.

102

00:10:31,880 —> 00:10:34,000

Elliot was all she had, now he's gone.

103

00:10:34,080 —> 00:10:37,760

No! No, no. That's on him, not you.

104

00:10:37,840 —> 00:10:39,880

If you hadn't done what you did,

105

00:10:39,960 —> 00:10:42,480

then this whole town would

still think that Sal killed Andie,

106

00:10:42,560 —> 00:10:44,800

and the Singhs would be

carrying around that shame.

107

00:10:44,880 —> 00:10:47,200

Plus, Andie's family would never

have seen the person

108

00:10:47,280 —> 00:10:49,200

responsible for their

daughter's death arrested.

109

00:10:49,280 —> 00:10:51,280

A girl would still be

locked in Elliot's attic.

110

00:10:51,360 —> 00:10:55,560

I know there were a million obstacles,

but you never gave up.

111

00:10:55,640 —> 00:10:57,080

Yes,

112

00:10:57,160 —> 00:11:01,480

everything seems strange and sad,

113

00:11:02,240 —> 00:11:06,480

but I need you to know that

you are the bee's knees, okay?

114

00:11:07,560 —> 00:11:10,120

I could not be more proud of my...

115

00:11:10,200 —> 00:11:15,160

[chuckles] ...insane

and determined daughter.

116

00:11:18,680 —> 00:11:20,000

Thank you.

117

00:11:23,000 —> 00:11:24,960

Where could I possibly get it from?

118

00:11:27,200 —> 00:11:29,520

It makes me cross, though.

119

00:11:29,600 —> 00:11:31,560

Elliot doesn't have the decency...

120

00:11:32,200 —> 00:11:34,040

to own up to killing Andie.

121

00:11:47,760 —> 00:11:50,080

[adventurous music playing]

122

00:12:40,640 —> 00:12:42,120

Josh's birthday.

123

00:13:10,120 —> 00:13:13,240

You've got five minutes.

I'll be here if you need me.

124

00:13:19,760 —> 00:13:22,040

[adventurous music fades out]

125

00:13:28,880 —> 00:13:30,360

-I'm sorry.

-No.

126

00:13:35,680 —> 00:13:37,000

Why did you come?

127

00:13:39,800 —> 00:13:42,960

You were gone the day Barney went missing.

128

00:13:46,000 —> 00:13:47,440

You couldn't have taken him.

129

00:13:49,680 —> 00:13:50,880

What do you mean?

130

00:13:51,320 —> 00:13:53,160

Someone took Barney and killed him.

131

00:13:54,200 —> 00:13:57,360

That same someone

sent me threats on the phone.

132

00:13:59,760 —> 00:14:02,760

-Which means...

-Someone else was hiding something.

133

00:14:05,160 —> 00:14:07,120

Someone else murdered Andie Bell.

134

00:14:08,920 —> 00:14:10,520

Who's gonna believe you?

135

00:14:12,480 —> 00:14:13,800

I'm the monster.

136

00:14:15,560 —> 00:14:17,960

The things I've done,

maybe I deserve the blame.

137

00:14:18,040 —> 00:14:19,360

You are to blame.

138

00:14:22,480 —> 00:14:24,440

You murdered Sal...

139

00:14:25,400 —> 00:14:27,320

and took advantage of Andie.

140

00:14:30,760 —> 00:14:32,720

She was 17.

141

00:14:33,640 —> 00:14:35,680

And you were her teacher.

142

00:14:35,760 —> 00:14:39,200

You kidnapped Isla,

and you kept her prisoner.

143

00:14:45,200 —> 00:14:47,840

Don't you want Cara and Naomi

144

00:14:47,920 —> 00:14:51,520

to know that you didn't kill Andie?

145

00:14:52,440 —> 00:14:54,720

You said Andie was looking for money.

146

00:14:54,800 —> 00:14:56,800

Can you think of any reason why?

147

00:15:00,000 —> 00:15:02,520

When I told her I wouldn't

give her the money...

148

00:15:04,480 —> 00:15:05,960

she went crazy.

149

00:15:06,040 —> 00:15:08,880

She said if she couldn't

leave that night...

150

00:15:09,840 —> 00:15:13,320

she was scared of what he might do.

151

00:15:14,400 —> 00:15:15,640

Who?

152

00:15:18,920 —> 00:15:20,640

When Andie and I were together...

153

00:15:21,800 —> 00:15:23,840

she told me that...

154

00:15:23,920 —> 00:15:25,240

Jason...

155

00:15:26,640 —> 00:15:28,480

was controlling...

156

00:15:29,360 —> 00:15:31,680

of all of them. Andie, Becca...

157

00:15:32,320 —> 00:15:34,360

He ran that house with fear.

158

00:15:34,440 —> 00:15:36,680

Didn't let her have boyfriends.

159

00:15:37,240 —> 00:15:39,160

And the night Andie went missing,

160

00:15:39,240 —> 00:15:42,040

he was out to dinner with friends,

supposedly all evening,

161

00:15:42,120 —> 00:15:44,240

only I know for a fact he wasn't.

162

00:15:45,440 —> 00:15:46,600

How?

163

00:15:48,040 —> 00:15:51,280

I was out looking for Andie by the woods.

164

00:15:51,960 —> 00:15:53,880

He drove past me in his van.

165

00:15:56,120 —> 00:15:58,040

He's lied about his alibi?

166

00:15:58,120 —> 00:16:00,080

Or didn't mention the flaw in it.

167

00:16:03,920 —> 00:16:06,920

Either way, he's not

going to admit to it now.

168

00:16:08,520 —> 00:16:10,400

It's Jason's word against mine.

169

00:16:12,560 —> 00:16:15,080

When Andie disappeared, I was desperate.

170

00:16:15,840 —> 00:16:17,880

As far as I knew, she was dead somewhere.

171

00:16:17,960 —> 00:16:19,880

And when they found her...

172

00:16:20,480 —> 00:16:22,640

everything would lead to me.

173

00:16:25,320 —> 00:16:28,040

And then I remembered,

a few months before,

174

00:16:29,400 —> 00:16:31,600

Naomi was struggling, and...

175

00:16:32,640 —> 00:16:36,320

she'd turned in on herself,

she wouldn't talk to me.

176

00:16:36,920 —> 00:16:40,600

I had to know why, so... I read her diary.

177

00:16:41,560 —> 00:16:43,280

The hit-and-run.

178

00:16:46,920 —> 00:16:48,400

When I remembered that...

179

00:16:49,440 —> 00:16:55,160

that's when this dark little

seed came into my head.

180

00:16:57,080 —> 00:17:00,000

I tried to make it go away, I did.

181

00:17:00,080 —> 00:17:03,120

But it took hold and it grew,

182

00:17:03,680 —> 00:17:06,680

and pretty soon,

it was all I could think about.

183

00:17:07,680 —> 00:17:09,960

Killing Sal...

184

00:17:10,040 —> 00:17:14,839
and blaming him became
the only way to protect my girls.

185
00:17:16,800 —> 00:17:20,560
You know, they'd already lost their mom,
I couldn't bear them lose me too.

186
00:17:20,640 —> 00:17:22,319
You're evil.

187
00:17:22,400 —> 00:17:23,520
Maybe.

188
00:17:24,400 —> 00:17:28,440
Or maybe it's that dark
little seed that's evil.

189
00:17:30,280 —> 00:17:35,960
You know, now I wonder if we don't
all have one somewhere in there.

190
00:17:36,040 —> 00:17:38,680

Even you, Pip. Even you!

191

00:17:39,680 —> 00:17:42,440

It just needs

the right conditions to grow.

192

00:17:47,760 —> 00:17:49,600

As metaphors go,

193

00:17:50,440 —> 00:17:52,880

I expected better from an English teacher.

194

00:17:56,880 —> 00:17:58,280

You had a choice...

195

00:18:00,080 —> 00:18:02,640

and you chose to murder Sal.

196

00:18:07,320 —> 00:18:08,800

Time's up.

197

00:18:11,000 —> 00:18:12,600

Have you seen the girls?

198

00:18:14,360 —> 00:18:15,600

Yeah.

199

00:18:26,720 —> 00:18:29,320

The van that Jason was driving...

200

00:18:30,640 —> 00:18:32,440

can you remember what color it was?

201

00:18:34,320 —> 00:18:36,880

Yeah, it was blue.

202

00:18:47,000 —> 00:18:48,000

Hey.

203

00:18:50,720 —> 00:18:51,920

[door closes]

204

00:18:54,520 —> 00:18:57,520

Don't go.

I just saw Elliot at the police station.

205

00:18:57,600 —> 00:18:59,480

He didn't kill Andie Bell.

206

00:19:00,400 —> 00:19:01,560

You saw who?

207

00:19:02,200 —> 00:19:03,920

Elliot Ward.

208

00:19:04,000 —> 00:19:08,080

Please listen. He was out by the woods.

He saw Jason driving a blue van.

209

00:19:08,160 —> 00:19:10,640

Do you remember the blue van

the police were looking for?

210

00:19:10,720 —> 00:19:12,200

Andie could've been in the back of it.

211

00:19:12,280 —> 00:19:14,720
I don't care what that man has to say,
and neither should you.

212
00:19:16,920 —> 00:19:19,080
Just because
he did something terrible

213
00:19:19,160 —> 00:19:22,400
does not mean
that everything he says is a lie.

214
00:19:22,480 —> 00:19:25,480
It's not even that. It's just... I'm done.

215
00:19:29,680 —> 00:19:31,800
We're supposed to be a team,

216
00:19:31,880 —> 00:19:33,840
the two of us.

217
00:19:33,920 —> 00:19:35,520
Sherlock and Watson.

218

00:19:37,040 —> 00:19:39,000

Well, I can't do it on my own.

219

00:19:40,720 —> 00:19:42,480

Pip, it's over.

220

00:19:46,280 —> 00:19:48,920

[tense music playing]

221

00:19:53,080 —> 00:19:55,760

[door opens, closes]

222

00:20:07,280 —> 00:20:09,320

{\an8}[suspenseful music]

223

00:20:35,520 —> 00:20:37,680

[indistinct conversation]

224

00:20:40,480 —> 00:20:43,160

[indistinct conversation continues]

225

00:20:44,640 —> 00:20:45,640

[Jason]

Hold on.

226

00:20:58,320 —> 00:20:59,920

[indistinct conversation resumes]

227

00:21:07,920 —> 00:21:10,520

[suspenseful music]

228

00:21:25,720 —> 00:21:28,320

[suspenseful music continues]

229

00:21:43,760 —> 00:21:46,360

[suspenseful music continues]

230

00:22:12,800 —> 00:22:14,600

[Jason] Hey. Have you

seen anyone round here?

231

00:22:14,680 —> 00:22:15,800

[Jesse]

I don't think so.

232

00:22:15,880 —> 00:22:18,080

[Jason] I could have sworn

I saw someone lurking about.

233

00:22:35,920 —> 00:22:38,360

[footsteps approach]

234

00:22:39,840 —> 00:22:41,440

[suspenseful music fades out]

235

00:22:41,520 —> 00:22:43,160

[Jesse] What the fuck are you doing?

236

00:22:44,000 —> 00:22:45,160

Why are you here?

237

00:22:45,240 —> 00:22:46,600

I work here.

238

00:22:46,680 —> 00:22:49,160

Surely the real question is,
why the fuck are you here?

239
00:22:53,880 —> 00:22:56,520
I thought you already
locked a dude up for that.

240
00:22:57,040 —> 00:23:00,000
He didn't kill Andie. It was Jason.

241
00:23:00,080 —> 00:23:01,080
[scoffs]

242
00:23:01,600 —> 00:23:04,360
He wasn't at the dinner party
all night like he said he was.

243
00:23:04,440 —> 00:23:06,640
His blue van was seen
driving out of Little Kilton

244
00:23:06,720 —> 00:23:08,520
exactly when Andie went missing.

245

00:23:08,600 —> 00:23:10,200

And nobody knows where he went.

246

00:23:11,160 —> 00:23:13,840

Yeah, except for me

and my dad and the police.

247

00:23:14,520 —> 00:23:16,560

Security alarms went off at the office.

248

00:23:16,640 —> 00:23:19,760

Jason came down and turned them off,

then he went back to his dinner.

249

00:23:19,840 —> 00:23:21,160

Sorry.

250

00:23:21,240 —> 00:23:22,800

How do you know?

251

00:23:22,880 —> 00:23:24,120

My dad used to work here.

252

00:23:24,560 —> 00:23:26,480

Jason told him about the alarms and...

253

00:23:26,960 —> 00:23:29,120

he checked out

the security footage on the gate.

254

00:23:29,200 —> 00:23:30,680

There was no break-in.

255

00:23:30,760 —> 00:23:33,400

The only person coming in was Jason,

coming in to turn them off.

256

00:23:33,920 —> 00:23:35,160

It all checked out.

257

00:23:36,360 —> 00:23:37,800

But the blue van.

258

00:23:37,880 —> 00:23:39,560
The police were searching for it.

259
00:23:39,640 —> 00:23:42,000
Yeah. Jason came forward,
explained it was his.

260
00:23:42,080 —> 00:23:43,760
They just didn't mention it on the news

261
00:23:43,840 —> 00:23:45,760
'cause they already
thought it was Sal by then.

262
00:23:48,000 —> 00:23:50,280
[somber music playing]

263
00:23:52,760 —> 00:23:55,400
Jason was controlling, but he had reason.

264
00:23:56,960 —> 00:23:59,920
Becca was my best friend,
but those girls were wild.

265

00:24:00,360 —> 00:24:01,880

Andie was a party girl,

266

00:24:01,960 —> 00:24:04,680

and Becca did everything

she could to be just like her.

267

00:24:05,200 —> 00:24:07,280

Jason knew those parties were bad news.

268

00:24:13,760 —> 00:24:15,600

Even then it didn't work.

269

00:24:17,720 —> 00:24:20,240

He couldn't know

what would happen to Andie.

270

00:24:24,040 —> 00:24:26,040

I wasn't talking about Andie.

271

00:24:30,840 —> 00:24:34,800

2019, Becca went to a Calamity party.

272

00:24:37,120 –> 00:24:40,280

["Out of Control"

by The Chemical Brothers playing]

273

00:24:42,360 –> 00:24:44,600

[music fading in and out]

274

00:24:54,240 –> 00:24:55,880

[inaudible]

275

00:25:00,560 –> 00:25:02,840

[music fading in and out]

276

00:25:11,240 –> 00:25:13,360

[music continues muffled]

277

00:25:14,000 –> 00:25:15,480

[panting]

278

00:25:31,600 –> 00:25:34,200

She had no idea where she was
when she woke up.

279
00:25:34,720 —> 00:25:35,920
She'd been raped.

280
00:25:36,440 —> 00:25:39,560
She called me. We went to go
and get the morning-after pill.

281
00:25:40,360 —> 00:25:43,800
She'd been drugged, no question.
Roofies in her drink.

282
00:25:46,200 —> 00:25:48,160
Does she know who did it?

283
00:25:48,240 —> 00:25:51,160
No. She couldn't remember anything.

284
00:25:52,480 —> 00:25:53,760
I better get back.

285

00:25:56,360 —> 00:25:57,480

Thank you.

286

00:25:59,320 —> 00:26:01,360

That's the second time you saved me.

287

00:26:03,280 —> 00:26:04,440

Ta-da.

288

00:26:23,760 —> 00:26:27,640

-[Jesse] She'd been drugged, no question.

-And TT has a soft spot for Rohypnol.

289

00:26:28,080 —> 00:26:29,800

[Jesse]

Roofies in her drink.

290

00:26:29,880 —> 00:26:33,280

Andie sold drugs.

I was one of her customers.

291

00:26:33,360 —> 00:26:34,840

Tango Tits.

292

00:26:46,920 —> 00:26:47,960

[line ringing]

293

00:26:51,000 —> 00:26:53,080

[Max] Hey, babe!

294

00:26:53,160 —> 00:26:56,080

I guess... you're ringing to apologize.

295

00:26:56,160 —> 00:26:57,560

What do you mean?

296

00:26:57,640 —> 00:27:00,240

Well, you've been trying

to pin this all on me,

297

00:27:00,320 —> 00:27:03,400

when all along it was your favorite

teacher who did the bad thing.

298

00:27:03,480 —> 00:27:05,840
Only you did a bad thing too.

299
00:27:05,920 —> 00:27:08,560
I haven't told the police about what
you did on the road that night,

300
00:27:08,640 —> 00:27:10,440
but I still can.

301
00:27:10,520 —> 00:27:13,200
And this time,
I have Naomi's diary to back it up.

302
00:27:14,760 —> 00:27:16,560
What the fuck is your problem?

303
00:27:16,640 —> 00:27:22,240
My problem is that you raped Becca Bell
at a Calamity party in March 2019

304
00:27:22,320 —> 00:27:24,920
with the drugs that Andie

sold to you, didn't you?

305

00:27:25,000 —> 00:27:28,360

Yeah, Becca and I slept together,

but it was consensual.

306

00:27:28,440 —> 00:27:31,240

-She never once said no.

-It's hard to say no when you can't speak!

307

00:27:37,080 —> 00:27:39,600

[suspenseful music playing]

308

00:27:40,240 —> 00:27:43,160

{\an8}[police officer]

CCTV footage from Little Kilton Square

309

00:27:43,240 —> 00:27:47,520

shows Andie driving past at 10:38 p.m.

310

00:27:52,080 —> 00:27:53,320

I know what you're doing.

311

00:27:54,800 —> 00:27:56,120

I just have one question.

312

00:27:57,240 —> 00:27:58,760

Why?

313

00:28:25,160 —> 00:28:26,280

[sighs]

314

00:28:33,080 —> 00:28:35,240

[suspenseful music stops]

315

00:28:36,480 —> 00:28:37,720

What do you want?

316

00:28:38,280 —> 00:28:39,520

Can we talk?

317

00:28:41,080 —> 00:28:43,520

-I'm on my way out.

-I know what Max did to you.

318

00:28:44,880 —> 00:28:47,400

I know it was you driving

Andie's car that night.

319

00:28:50,480 —> 00:28:52,040

Andie was already dead...

320

00:28:53,320 —> 00:28:54,720

wasn't she?

321

00:28:57,320 —> 00:28:58,320

Come in.

322

00:29:00,920 —> 00:29:03,760

[somber music playing]

323

00:29:40,360 —> 00:29:43,240

Hey, can you stop the bus, please?

324

00:29:46,840 —> 00:29:49,520

Jesse told me what happened

to you at the party.

325

00:29:50,080 —> 00:29:52,360

They stopped some guy

getting nasty with you.

326

00:29:54,040 —> 00:29:56,360

Yeah, it's... it's fine.

327

00:29:58,240 —> 00:29:59,640

Why is that fine?

328

00:30:01,280 —> 00:30:04,840

Why is it fine for some slimy little prick

329

00:30:04,920 —> 00:30:07,400

to put his hands on you

when you asked him not to?

330

00:30:08,760 —> 00:30:10,760

Why is that fine?

331

00:30:13,000 —> 00:30:14,280

You're right.

332

00:30:16,400 —> 00:30:17,800

-It's not.

-No.

333

00:30:18,920 —> 00:30:20,160

No, it's fucking not.

334

00:30:21,880 —> 00:30:24,600

["If I Had a Heart" by Fever Ray plays]

335

00:30:25,640 —> 00:30:27,680

And when you tell your sister about it...

336

00:30:28,240 —> 00:30:31,600

and you ask her to come to the police

with you, what should she say?

337

00:30:32,560 —> 00:30:33,720

Yes.

338

00:30:35,080 —> 00:30:36,200

Yeah.

339

00:30:40,040 —> 00:30:41,800

Except she tells you she can't...

340

00:30:43,840 —> 00:30:47,520

because she was the one

that sold Max Hastings

341

00:30:47,600 —> 00:30:50,000

the drugs that he used to rape you.

342

00:30:50,720 —> 00:30:52,240

[inaudible]

343

00:30:56,000 —> 00:30:57,560

Why'd she do it?

344

00:30:57,640 —> 00:30:59,640

She said she needed the money.

345

00:31:02,120 —> 00:31:04,720
She told me she was leaving
the next day.

346
00:31:06,520 —> 00:31:07,680
Where to?

347
00:31:08,320 —> 00:31:09,760
Don't know.

348
00:31:10,800 —> 00:31:12,560
She just said she had to go.

349
00:31:14,360 —> 00:31:16,720
She couldn't take Dad anymore.

350
00:31:18,200 —> 00:31:19,440
His temper.

351
00:31:22,080 —> 00:31:23,800
After all this time...

352

00:31:24,760 —> 00:31:28,840
of it being the two of us
together against him...

353
00:31:31,800 —> 00:31:33,360
she was gonna leave me.

354
00:31:38,520 —> 00:31:39,920
And then I...

355
00:31:42,080 —> 00:31:45,120
Then I guess I lashed out.

356
00:31:46,680 —> 00:31:47,960
I lost it. I...

357
00:31:56,840 —> 00:31:58,760
Then she was just lying there.

358
00:32:02,920 —> 00:32:04,520
She was just there.

359

00:32:06,240 –> 00:32:08,560

And-and-and she was...

she was vomiting

360

00:32:08,640 –> 00:32:11,000

and she was choking.

361

00:32:13,760 –> 00:32:15,480

And I just stood there.

362

00:32:18,440 –> 00:32:21,080

I just stood there, and I watched her die.

363

00:32:23,920 –> 00:32:25,320

It was awful.

364

00:32:32,320 –> 00:32:34,080

She was already injured.

365

00:32:35,800 –> 00:32:37,720

She and Elliott had fought.

366

00:32:40,880 —> 00:32:42,640

It wasn't your fault.

367

00:32:48,000 —> 00:32:49,880

Doesn't even matter now anyway.

368

00:33:09,080 —> 00:33:10,680

Do you want to see where she is?

369

00:33:12,560 —> 00:33:13,760

Yeah.

370

00:33:15,760 —> 00:33:17,080

Then drink up.

371

00:33:18,200 —> 00:33:19,560

Let's go.

372

00:33:38,880 —> 00:33:41,160

[suspenseful music playing]

373

00:33:52,280 —> 00:33:53,480

[knock on door]

374

00:34:01,480 —> 00:34:02,800

Pip!

375

00:34:17,840 —> 00:34:20,000

[tense music playing]

376

00:34:42,880 —> 00:34:44,120

Come on.

377

00:34:59,280 —> 00:35:00,600

[door opens]

378

00:35:15,440 —> 00:35:16,640

What can I say?

379

00:35:18,280 —> 00:35:19,440

I don't know.

380

00:35:20,920 —> 00:35:22,080

Why are you here?

381

00:35:22,680 —> 00:35:25,320

I'm looking for Pip.

I'm worried about her.

382

00:35:26,520 —> 00:35:27,880

Haven't seen her.

383

00:35:27,960 —> 00:35:31,680

It's just... the last thing she said to me

was that your dad didn't kill Andie,

384

00:35:31,760 —> 00:35:33,160

that it was Jason Bell.

385

00:35:33,240 —> 00:35:35,160

She wanted me to come,

but then I got on the bus,

386

00:35:35,240 —> 00:35:37,720

and then I got off the bus,

and then I went to the Bells',

387

00:35:37,800 —> 00:35:40,360

and her car was there,

but she wasn't in it.

388

00:35:44,360 —> 00:35:46,880

Pip was willing to lie to the police

to protect your family.

389

00:35:46,960 —> 00:35:48,800

You know that?

390

00:35:48,880 —> 00:35:50,280

It wasn't easy for her.

391

00:35:50,760 —> 00:35:54,000

She loved your dad,

and you know she loves you.

392

00:35:54,600 —> 00:35:57,000

But in the end, it was

the only choice she could make.

393

00:36:02,640 —> 00:36:03,840

I know where she is.

394

00:36:07,360 —> 00:36:08,840

I track her.

395

00:36:08,920 —> 00:36:11,120

I thought she didn't let anyone track her.

396

00:36:11,200 —> 00:36:13,520

Yeah, well, maybe she's

not as smart as she thinks.

397

00:36:23,440 —> 00:36:24,840

Where are we going?

398

00:36:26,560 —> 00:36:27,880

We're nearly there.

399

00:36:40,360 —> 00:36:41,520

We're here.

400

00:37:22,400 —> 00:37:23,720
This is where I put her.

401
00:37:26,240 —> 00:37:27,920
This is where I put my sister.

402
00:37:31,280 —> 00:37:33,960
Weirdly, Andie was the one
that showed me this place.

403
00:37:37,880 —> 00:37:39,240
The thing is, Pip...

404
00:37:41,440 —> 00:37:43,480
now I've shown you where she is.

405
00:37:45,200 —> 00:37:47,440
So, now I have to put you
in there with her too.

406
00:37:49,640 —> 00:37:50,880
No.

407

00:37:51,920 —> 00:37:53,560

No, you don't.

408

00:37:55,480 —> 00:37:57,320

[Pip panting]

409

00:37:57,400 —> 00:37:59,200

[sinister music playing]

410

00:37:59,960 —> 00:38:01,640

It's hitting you now, isn't it?

411

00:38:02,720 —> 00:38:05,040

That'll be the Rohypnol

I put in your tea.

412

00:38:05,800 —> 00:38:08,240

I got to Andie's bunny

before you did.

413

00:38:09,240 —> 00:38:10,800

Why are you doing this?

414

00:38:13,400 —> 00:38:15,440

It's not me you're angry with.

415

00:38:16,160 —> 00:38:17,880

It's Max Hastings.

416

00:38:18,960 —> 00:38:20,600

He caused all of this.

417

00:38:24,160 —> 00:38:26,840

We could go home right now,

418

00:38:26,920 —> 00:38:28,840

and I swear we could make it right.

419

00:38:34,200 —> 00:38:36,960

No. When will you realize, Pip,

420

00:38:37,040 —> 00:38:40,480

that nothing ever happens

to people like Max Hastings?

421

00:38:41,160 —> 00:38:42,520

I'm really sorry.

422

00:38:43,520 —> 00:38:46,400

None of this was meant to happen.

You understand that, don't you?

423

00:38:46,480 —> 00:38:48,120

[both grunt]

424

00:38:49,280 —> 00:38:51,760

[upbeat tense music playing]

425

00:38:56,800 —> 00:38:58,720

[heavy breathing]

426

00:39:28,240 —> 00:39:30,360

[suspenseful music playing]

427

00:39:33,400 —> 00:39:35,640

[Becca grunting]

428

00:39:52,720 —> 00:39:53,840

[Cara] Pip!

429

00:39:57,680 —> 00:39:58,800

Pip!

430

00:39:59,760 —> 00:40:01,280

[Pip] Get her.

431

00:40:01,360 —> 00:40:03,560

It's okay. The police are outside.

432

00:40:03,640 —> 00:40:04,880

They'll get her.

433

00:40:05,680 —> 00:40:07,120

Why did you come back?

434

00:40:08,080 —> 00:40:10,200

It had something to do with marshmallows.

435

00:40:11,480 —> 00:40:14,280

You're gonna be fine.

You're gonna be okay.

436

00:40:14,360 —> 00:40:16,640

[police sirens blaring outside]

437

00:40:16,720 —> 00:40:20,120

[shudders]

Come on! You're okay.

438

00:40:20,200 —> 00:40:22,680

[somber music playing]

439

00:40:23,560 —> 00:40:25,320

[Sal] Have you seen Andie?

440

00:40:25,920 —> 00:40:28,680

It's okay, I just need to speak

to her about something.

441

00:40:29,760 —> 00:40:31,200

She went that way.

442

00:40:32,120 —> 00:40:33,200

Thanks.

443

00:40:40,200 —> 00:40:41,520

My dad knows.

444

00:40:41,600 —> 00:40:44,280

I thought it was him following me.

445

00:40:45,400 —> 00:40:47,360

He's taken all the money that I saved.

446

00:40:47,440 —> 00:40:50,800

-Okay, we'll get more money.

-How?

447

00:40:50,880 —> 00:40:53,920

I have enough for a room,

I can come on the weekends.

448

00:40:54,000 —> 00:40:55,800

You can find a job. We will be fine.

449

00:40:55,880 —> 00:40:58,400

We're gonna need thousands of pounds.

450

00:40:58,480 —> 00:41:01,800

We will work something out. Yeah?

451

00:41:03,360 —> 00:41:04,880

-Okay.

-Yeah.

452

00:41:05,560 —> 00:41:08,400

There's a 10:00 a.m.

train tomorrow from Oxford.

453

00:41:08,480 —> 00:41:11,840

I'll get there early and get the tickets.

You meet me at the station?

454

00:41:11,920 —> 00:41:13,120

Okay. I'll bring coffee.

455

00:41:15,200 —> 00:41:16,680

Are you gonna tell your parents?

456

00:41:17,720 —> 00:41:19,440

-No.

-My God.

457

00:41:19,520 —> 00:41:21,240

They're gonna freak out.

458

00:41:21,680 —> 00:41:24,320

["Coffee" by Sylvan Esso plays]

459

00:41:25,160 —> 00:41:28,240

As long as I'm back in time

for school, they'll be fine.

460

00:41:30,440 —> 00:41:32,640

Are you scared

we're doing something stupid?

461

00:41:35,040 —> 00:41:36,640

Not for a second.

462

00:41:37,200 —> 00:41:38,960

[laughs] Fuck.

463

00:41:45,200 —> 00:41:46,600

I have to go.

464

00:41:51,640 —> 00:41:53,000

I love you.

465

00:41:56,080 —> 00:41:57,360

I love you too.

466

00:42:14,200 —> 00:42:15,600

9:30 tomorrow.

467

00:42:15,680 —> 00:42:17,520

Don't you dare change your mind.

468

00:42:17,600 —> 00:42:18,800

[soft chuckle]

469

00:42:47,920 —> 00:42:49,640

[music stops]

470

00:42:51,680 —> 00:42:52,960

So, what do you think?

471

00:42:53,040 —> 00:42:55,160

Well, it's the best EPQ

472

00:42:55,240 —> 00:42:58,760

in which a student solves

a murder case I've ever read, so...

473

00:42:58,840 —> 00:43:00,000

[laughs]

474

00:43:00,080 —> 00:43:01,680

So, they'll give me an "A"?

475

00:43:01,760 —> 00:43:04,880

Yeah. Oh, we might hear
about your interview soon.

476
00:43:11,280 —> 00:43:12,880
[sighs]

477
00:43:17,040 —> 00:43:19,880
I'm trying to remember whether
I wanted to go to Cambridge

478
00:43:19,960 —> 00:43:21,920
or whether you wanted me
to go to Cambridge

479
00:43:22,000 —> 00:43:24,080
because Dad went to Cambridge.

480
00:43:27,360 —> 00:43:31,640
And I'm wondering if there's a difference
between what you want and what I want.

481
00:43:36,480 —> 00:43:37,840
Is there?

482

00:43:39,360 —> 00:43:40,560

Maybe.

483

00:43:42,040 —> 00:43:44,720

[mellow music playing]

484

00:43:46,120 —> 00:43:49,560

Sometimes I think I have more

in common with Victor than I do my dad.

485

00:43:52,720 —> 00:43:54,320

I think that makes you sad.

486

00:43:57,120 —> 00:43:58,120

Uh...

487

00:44:00,280 —> 00:44:03,520

It does a bit,

but it also makes me really happy.

488

00:44:07,080 —> 00:44:08,800

So, what shall I do?

489
00:44:08,880 —> 00:44:10,560
Whatever you want to do.

490
00:44:12,840 —> 00:44:16,760
I have every faith that whatever
you decide to do, you will see it through.

491
00:44:44,400 —> 00:44:45,520
[Max] Hey, babe.

492
00:44:46,240 —> 00:44:48,160
Didn't expect to hear from you.

493
00:44:49,440 —> 00:44:52,840
You and I can never be a thing,
you know that?

494
00:44:52,920 —> 00:44:54,280
However much you want me.

495

00:44:55,240 —> 00:44:56,960
Go fuck yourself.

496
00:45:00,440 —> 00:45:03,160
I'm really sorry about
what happened with Becca Bell.

497
00:45:04,200 —> 00:45:07,040
I guess now you can see
what a fucking psycho she is.

498
00:45:07,640 —> 00:45:09,720
Really can't believe anything she says.

499
00:45:10,760 —> 00:45:12,320
But I do believe her.

500
00:45:13,120 —> 00:45:15,800
Of course you do.
Because you're a fucking psycho too.

501
00:45:15,880 —> 00:45:18,960
I'm not the one who has

to drug girls till they're unconscious

502

00:45:19,040 —> 00:45:20,720

to get them to sleep with me.

503

00:45:21,840 —> 00:45:24,280

I told you, it was consensual.

504

00:45:24,360 —> 00:45:26,720

Hm. Right.

505

00:45:30,960 —> 00:45:33,120

[tense music playing]

506

00:45:33,200 —> 00:45:34,760

What do you want, you stupid bitch?

507

00:45:36,920 —> 00:45:40,240

I want you to know that you're nothing,

508

00:45:41,120 —> 00:45:44,400

and I'm not going to stop

until every single person

509
00:45:44,480 —> 00:45:46,720
you have ever hurt gets justice.

510
00:45:49,720 —> 00:45:51,600
[tense music fades out]

511
00:45:51,680 —> 00:45:54,920
["Anyone Who Knows What Love Is
(Will Understand)" by Irma Thomas plays]

512
00:46:24,400 —> 00:46:25,720
-Hey.
-Hi.

513
00:46:25,800 —> 00:46:28,560
I was thinking we could drive
to that new pizza place.

514
00:46:29,160 —> 00:46:32,080
It does these weird topping combinations
like chocolate and artichoke.

515

00:46:32,160 —> 00:46:33,680

Then maybe go see that documentary

516

00:46:33,760 —> 00:46:36,120

on feminist post-whateverism

you keep going on about.

517

00:46:36,200 —> 00:46:37,480

Please stop talking.

518

00:47:23,720 —> 00:47:26,600

["Anyone Who Knows What Love Is (Will

Understand)" by Irma Thomas continues]
