Dialogues from Margo’s Got Money Troubles (Season 1)

S01EP1: The Hungry Ghost

1

00:00:14,014 —> 00:00:18,018

["Blow My Mind" playing]

2

00:01:22,291 —> 00:01:25,335

[child] We have Mr. Incognito,

3

00:01:26,461 —> 00:01:28,213

Mr. Fancy Pants.

4

00:01:28,297 —> 00:01:29,923

Who could possibly win?

5

00:01:30,007 —> 00:01:32,426

[narrator] When Margo was little,

she played with dolls

6

00:01:32,509 —> 00:01:34,720

- and practiced her make-believe...

- I'll destroy you.

7

00:01:34,803 —> 00:01:36,805

- ...with a vengeance.

- That's what you think, punk.

8

00:01:36,889 —> 00:01:38,640

You're a dead man.

9

00:01:38,724 —> 00:01:40,642

Try me, loser.

10

00:01:41,310 —> 00:01:42,936

[grunts] Die!

11

00:01:43,020 —> 00:01:45,189

Kill and crush!

12

00:01:45,772 —> 00:01:49,109

An only child needs to develop

a complex inner world,

13

00:01:49,193 —> 00:01:51,612

and this one could pretend

just about anything.

14

00:01:51,695 —> 00:01:54,698

...and they're still down,

and they're fighting. [yells]

15

00:01:54,781 —> 00:01:57,826

Eventually, her imagination became

her playmate.

16

00:01:58,785 —> 00:02:02,122

Entire alien worlds

bloomed inside her head.

17

00:02:02,915 —> 00:02:04,333

Lives she never lived.

18

00:02:04,917 —> 00:02:06,710

Impossible possibilities.

19

00:02:07,419 —> 00:02:10,214
Sometimes she wondered
if this was a curse.

20
00:02:10,839 —> 00:02:15,302
Was her father's carny lifestyle
and career as a fabulist in her blood?

21
00:02:15,385 —> 00:02:18,180
[phone ringing]

22
00:02:21,183 —> 00:02:24,353
Or was she just trying to avoid reality
by rewriting it?

23
00:02:33,904 —> 00:02:34,905
[bell rings]

24
00:02:34,988 —> 00:02:39,785
The beginning of a story, when you
start to read it, is like a first date.

25
00:02:39,868 —> 00:02:43,247

You hope that from the opening lines,
the magic will happen,

26
00:02:43,747 —> 00:02:46,667
and that you will sink
into the narrative like a hot bath,

27
00:02:46,750 —> 00:02:49,127
giving yourself over entirely.

28
00:02:50,587 —> 00:02:53,757
That's what you want,
for the author to come right up to you

29
00:02:53,841 —> 00:02:55,467
in the dark of your twisted mind

30
00:02:56,301 —> 00:02:58,387
and kiss you on the throat.

31
00:02:58,470 —> 00:03:00,180
[bell rings]

32

00:03:01,974 —> 00:03:02,975

[professor] Ms. Millet.

33

00:03:04,852 —> 00:03:06,228

Can you hold back a second?

34

00:03:09,273 —> 00:03:10,524

Did I write it?

35

00:03:11,108 —> 00:03:12,276

Of course I wrote it.

36

00:03:12,359 —> 00:03:14,111

I do not plagiarize.

37

00:03:14,611 —> 00:03:15,946

I wrote that.

38

00:03:16,029 —> 00:03:17,447

Okay, then, um, my...

39

00:03:18,323 —> 00:03:21,201
my second question is why are you here?

40
00:03:25,163 —> 00:03:26,415
This paper is excellent.

41
00:03:26,915 —> 00:03:29,293
Why are you at Fullerton College?
You can go anywhere.

42
00:03:29,376 —> 00:03:31,420
Yeah, right. Like Harvard?

43
00:03:32,087 —> 00:03:33,380
Yes, like Harvard.

44
00:03:34,089 —> 00:03:36,550
I don't think they let you in there
for writing a good English paper.

45
00:03:36,633 —> 00:03:39,052
Mmm. That is exactly why they let you in.

46

00:03:43,599 —> 00:03:44,600

Oh.

47

00:03:46,185 —> 00:03:47,477

[Margo] I'm meeting him for coffee.

48

00:03:48,103 —> 00:03:49,229

[friend] I'm sorry, what?

49

00:03:49,313 —> 00:03:50,439

- Why?

- Well...

50

00:03:50,522 —> 00:03:53,025

Uh, Margo, if a professor

asks a student to get coffee,

51

00:03:53,108 —> 00:03:54,693

it's because he wants to fuck her.

52

00:03:55,277 —> 00:03:56,361

They've actually done studies.

53

00:03:56,445 —> 00:03:58,947

- He's married.

- Oh, gee, then.

54

00:03:59,031 —> 00:04:01,742

I want to get coffee with him, okay?

55

00:04:01,825 —> 00:04:03,118

Why? Is he cute?

56

00:04:03,619 —> 00:04:05,704

He thinks my writing is brilliant.

57

00:04:06,830 —> 00:04:09,374

- And he meant it.

- Okay. Do you not see the irony here?

58

00:04:09,458 —> 00:04:12,044

[scoffs] He wows you with,

"The characters in books are not real.

59

00:04:12,127 —> 00:04:15,047
It's why the reader falls for them,"
and now here you are falling for him,

60
00:04:15,130 —> 00:04:16,255
who's equally unreal.

61
00:04:16,339 —> 00:04:19,051
In fact just the title "professor"
makes him mysteriously nonhuman

62
00:04:19,134 —> 00:04:21,678
- in your eyes.
- Can you for once not analyze me?

63
00:04:21,762 —> 00:04:24,306
I don't need to analyze you. I know you.

64
00:04:24,389 —> 00:04:26,642
And you're probably
a character in a book for him too.

65
00:04:27,601 —> 00:04:28,894

One with sticky pages.

66

00:04:28,977 —> 00:04:30,312

Ugh, don't be gross.

67

00:04:30,395 —> 00:04:31,605

I'm being your mother.

68

00:04:31,688 —> 00:04:33,357

- Do I need to call your mother?

- [sighs]

69

00:04:33,440 —> 00:04:36,068

I'm not gonna sleep with the guy, okay?

70

00:04:37,986 —> 00:04:39,154

I'm not.

71

00:04:39,988 —> 00:04:42,199

[professor]

It's possible that I might be a leg man.

72

00:04:44,535 —> 00:04:47,788
I always thought I was a forearm man
because of this little nook

73
00:04:47,871 —> 00:04:50,332
between the bicep and the forearm, but...

74
00:04:51,124 —> 00:04:53,043
my Lord, this leg.

75
00:04:53,126 —> 00:04:56,421
Oh, my mother has the best legs
in the history of the planet.

76
00:04:57,297 —> 00:04:59,800
I used to think
that I wanted to grow up to be them.

77
00:05:00,843 —> 00:05:02,553
- Her legs?
- And then I thought, no,

78
00:05:02,636 —> 00:05:05,097

I wanna be her sheer black pantyhose.

79

00:05:05,681 —> 00:05:07,307

She works at Bloomingdale's.

80

00:05:09,017 —> 00:05:12,813

I think maybe I was imprinted

like a baby duck to her stockings.

81

00:05:12,896 —> 00:05:15,440

I mean, can you imagine

wanting to grow up to be hose?

82

00:05:16,066 —> 00:05:17,818

[professor] Good that you reset

your aspirations.

83

00:05:17,901 —> 00:05:19,027

[Margo chuckles]

84

00:05:20,237 —> 00:05:22,489

You remember when

you first wanted to become a writer?

85

00:05:22,573 —> 00:05:24,116

Ever since I was little.

86

00:05:25,784 —> 00:05:27,494

Probably because of my father.

87

00:05:27,578 —> 00:05:29,246

He used to read to me when I was a baby.

88

00:05:29,329 —> 00:05:30,330

Really?

89

00:05:31,039 —> 00:05:34,710

- What does he think of your writing?

- Oh. He's never read me.

90

00:05:35,294 —> 00:05:39,131

I was raised by a single mom,

so he would pop in and out, but...

91

00:05:40,299 —> 00:05:43,135

[clicks tongue] ...oh, it's not like
I can really claim to know him.

92
00:05:43,218 —> 00:05:46,138
Well, I think you should
send him one of your pieces.

93
00:05:46,221 —> 00:05:48,223
- [scoffs]
- I think he would be quite proud

94
00:05:48,307 —> 00:05:49,516
to know you.

95
00:05:50,142 —> 00:05:53,020
So, I wrote you a poem.

96
00:05:53,520 —> 00:05:55,480
[Margo] "The Hungry Ghost."

97
00:05:56,940 —> 00:05:59,484
"In the dark, we turn to one another.

98

00:06:00,068 —> 00:06:02,070

Like deformed doves,

99

00:06:02,154 —> 00:06:04,114

confused that we have bodies.

100

00:06:05,073 —> 00:06:06,325

I feel nothing.

101

00:06:07,117 —> 00:06:08,619

Keep touching me.

102

00:06:09,286 —> 00:06:10,454

I feel nothing.

103

00:06:11,455 —> 00:06:13,248

I'm a hungry ghost."

104

00:06:18,670 —> 00:06:19,922

Isn't it amazing?

105

00:06:20,714 —> 00:06:23,425
- It's creepy.
- It's beautiful.

106
00:06:24,801 —> 00:06:26,303
Maybe your blood sugar is low.

107
00:06:26,386 —> 00:06:28,597
Go to the store right now and buy some OJ

108
00:06:28,680 —> 00:06:30,599
- and Harvest Cheddar Sun Chips.
- I'm fine.

109
00:06:30,682 —> 00:06:31,892
I don't want orange meal.

110
00:06:31,975 —> 00:06:34,978
Honestly, Margo, I think
you should get away from this douche.

111
00:06:35,062 —> 00:06:36,897
Get him to write a recommendation for you.

112

00:06:36,980 —> 00:06:38,273

Either that or you report him.

113

00:06:38,357 —> 00:06:41,276

Ooh, maybe he can shoehorn you into NYU.

114

00:06:41,360 —> 00:06:43,153

We have real professors here, by the way,

115

00:06:43,237 —> 00:06:45,614

who are more into teaching

than getting into their students' pants.

116

00:06:45,697 —> 00:06:47,199

Fuck off!

117

00:06:47,991 —> 00:06:50,452

Hello? Did you just throw me?

118

00:06:51,036 —> 00:06:52,496

Margo, pick up that phone.

119

00:06:52,996 —> 00:06:54,414

Stay away from him.

120

00:06:54,498 —> 00:06:56,875

Margo, stay away from him.

121

00:06:56,959 —> 00:06:58,252

[loud rock music playing]

122

00:06:58,335 —> 00:07:00,838

[Margo, professor grunting]

123

00:07:04,174 —> 00:07:06,385

- [Margo laughs, moaning]

- [moans]

124

00:07:08,929 —> 00:07:10,931

[organ playing]

125

00:07:14,059 —> 00:07:15,394

Thank you for coming.

126

00:07:18,397 —> 00:07:21,358

- Mmm.

- Uh-uh. No. Not here.

127

00:07:21,984 —> 00:07:23,819

This is a sacred place.

128

00:07:23,902 —> 00:07:28,198

That is actually

why I had you meet me here today.

129

00:07:31,827 —> 00:07:33,412

- [sighs]

- [churchgoer] So?

130

00:07:33,495 —> 00:07:36,748

So, this place is obviously

131

00:07:36,832 —> 00:07:39,501

- an important part of me.

- Mm-hmm.

132

00:07:40,502 —> 00:07:41,837

[gasps]

133

00:07:41,920 —> 00:07:44,715

As are you. As is God.

134

00:07:45,424 —> 00:07:50,179

I'd like to incorporate God

more into the equation of us.

135

00:07:50,262 —> 00:07:51,847

[organ stops abruptly]

136

00:07:53,849 —> 00:07:56,018

- Okay.

- It's great that you're with us

137

00:07:56,101 —> 00:07:57,186

on Sundays.

138

00:07:58,270 —> 00:08:00,439

I want you to be among us.

139

00:08:07,863 —> 00:08:08,864

Okay. [chuckles]

140

00:08:09,615 —> 00:08:10,616

[Margo] The choir?

141

00:08:10,699 —> 00:08:13,035

- [grunts]

- You agreed to be in the choir?

142

00:08:13,118 —> 00:08:16,038

Well, it would be less painful

than being on some committee.

143

00:08:16,121 —> 00:08:18,790

- Is it a cult, this church?

- [chuckles] No.

144

00:08:18,874 —> 00:08:24,046

Kenny wants me to, um,

be among the Episcopalians.

145

00:08:24,129 —> 00:08:25,881

[Margo snickering]

146

00:08:25,964 —> 00:08:27,299

How's school?

147

00:08:27,382 —> 00:08:30,302

- Any upticks in your intelligence?

- Mmm.

148

00:08:30,385 —> 00:08:31,970

- Some.

- Hmm.

149

00:08:32,971 —> 00:08:34,890

- Hold on.

- [groans] Mom!

150

00:08:35,390 —> 00:08:37,142

You can't just do this to somebody.

151

00:08:37,226 —> 00:08:40,062

I only do this to you.

You have such beautiful eyes,

152

00:08:40,145 —> 00:08:43,190

and I'm tired of being the only one

who thinks so.

153

00:08:43,273 —> 00:08:45,901

- What are you studying?

- Well, uh...

154

00:08:46,944 —> 00:08:48,070

my lit class.

155

00:08:49,154 —> 00:08:51,490

I have this amazing professor.

156

00:08:51,573 —> 00:08:54,618

Which, I mean, who knew,

at Fullerton College, right?

157

00:08:54,701 —> 00:08:57,371

He thinks that I could have

a real future as a writer.

158

00:08:58,038 —> 00:09:00,832

Could you imagine? Me as a real writer?

159

00:09:00,916 —> 00:09:03,126

Yes, I can imagine that.

160

00:09:03,877 —> 00:09:04,962

Tell me about him.

161

00:09:05,879 —> 00:09:06,880

Who?

162

00:09:08,382 —> 00:09:09,383

Your professor.

163

00:09:12,344 —> 00:09:15,138

Well, he's great.

164

00:09:16,807 —> 00:09:20,477

There's this contagion

in the way that he teaches.

165
00:09:21,061 —> 00:09:24,147
He has a way
of really making you feel the books.

166
00:09:24,982 —> 00:09:26,441
Feel the characters.

167
00:09:28,986 —> 00:09:30,279
Tell me more.

168
00:09:31,113 —> 00:09:34,992
That's it.
There's nothing really more to tell.

169
00:09:35,075 —> 00:09:37,035
- [chuckles]
- That isn't true, is it?

170
00:09:41,331 —> 00:09:43,750
- Oh, my God.
- [techno music playing]

171

00:09:43,834 —> 00:09:46,044

[Margo, professor moaning]

172

00:09:53,051 —> 00:09:55,012

[banging on wall]

173

00:09:55,095 —> 00:09:56,346

[roommate] Shut the fuck up!

174

00:09:56,430 —> 00:09:58,223

- Who's that?

- It's one of my roommates.

175

00:09:58,307 —> 00:10:00,225

- Roommates?

- Yeah, I told you I had roommates.

176

00:10:00,309 —> 00:10:02,853

- You didn't say they would be home.

- Well, seems one of them is.

177

00:10:02,936 —> 00:10:05,314
Here, let's go over there.
It's a stress-bearing wall.

178
00:10:05,397 —> 00:10:08,066
- [professor grunts]
- [yelps, chuckles]

179
00:10:08,150 —> 00:10:11,069
- [music continues]
- [professor] Wait. My pants.

180
00:10:11,153 —> 00:10:12,279
[laughing]

181
00:10:12,362 —> 00:10:16,283
- [music stops]
- He is tender and thoughtful and sweet.

182
00:10:16,950 —> 00:10:18,660
And he writes beautiful emails.

183
00:10:19,328 —> 00:10:20,537

- Let me read you one.

- Margo,

184

00:10:20,621 —> 00:10:24,208

he's a 30-something-year-old professor

schtupping a student.

185

00:10:25,375 —> 00:10:26,919

Do not be falling in love with him.

186

00:10:27,002 —> 00:10:29,046

I'm not gonna fall in love with him.

187

00:10:29,129 —> 00:10:31,632

But he's making you

fall in love with you some.

188

00:10:32,132 —> 00:10:33,800

And that's the oldest trick in the book.

189

00:10:34,885 —> 00:10:36,011

You're too smart for this.

190

00:10:36,094 —> 00:10:38,764

[mysterious music plays]

191

00:10:38,847 —> 00:10:40,849

[blowing]

192

00:10:45,604 —> 00:10:47,356

[grunting]

193

00:10:51,193 —> 00:10:53,153

[crowd chanting on TV] Jinx! Jinx! Jinx!

194

00:10:53,237 —> 00:10:54,446

[pants]

195

00:10:55,322 —> 00:10:57,407

[grunts, yells]

196

00:10:58,033 —> 00:10:59,493

- Oh, my God.

- [gasps]

197

00:10:59,576 —> 00:11:02,079

- [crowd cheering on TV]

- Oh, uh, sorry.

198

00:11:02,162 —> 00:11:03,330

Um... [grunts]

199

00:11:04,414 —> 00:11:05,707

- It's how I, uh...

- [TV stops]

200

00:11:05,791 —> 00:11:07,209

...how I exercise.

201

00:11:07,292 —> 00:11:09,461

- To that? To him?

- Yeah.

202

00:11:09,545 —> 00:11:12,673

I love wrestling, and he's my favorite.

203

00:11:14,299 —> 00:11:15,425

Isn't he retired?

204

00:11:16,301 —> 00:11:17,386

You follow wrestling?

205

00:11:19,263 —> 00:11:20,264

No.

206

00:11:21,014 —> 00:11:22,015

Oh, well, yeah.

207

00:11:22,099 —> 00:11:24,017

He has the most amazing bellow.

208

00:11:24,101 —> 00:11:25,185

It's like Tarzan.

209

00:11:25,269 —> 00:11:28,438

- [crowd chanting] Jinx! Jinx! Jinx!

- [bellowing]

210

00:11:28,981 —> 00:11:31,483

[grunting, panting]

211

00:11:37,739 —> 00:11:43,078

[patrons singing]

* Happy birthday to you *

212

00:11:43,161 —> 00:11:45,372

- [cheering]

- [coworker] So this bitch Becca,

213

00:11:45,455 —> 00:11:46,790

she's probably just jealous, you know?

214

00:11:46,874 —> 00:11:48,542

Friends can get envious that way.

215

00:11:48,625 —> 00:11:50,919

And what exactly

would she have to be envious of?

216

00:11:51,003 —> 00:11:54,298

Well, she's stuck in the Big Apple

studying at a major university,

217

00:11:54,381 —> 00:11:57,801

while you get to be here in Fullerton,

working a night shift.

218

00:11:57,885 —> 00:12:00,137

- With you.

- Exactly. With me.

219

00:12:00,929 —> 00:12:02,139

[groans]

220

00:12:02,222 —> 00:12:04,433

- Are you still nauseous?

- Ugh. It's just a...

221

00:12:04,516 —> 00:12:07,186

I don't know, a bad taco I think.

It's fine.

222

00:12:07,269 —> 00:12:09,563

- [retching]

- [coworker] Oh, oh.

223

00:12:10,772 —> 00:12:13,859

- Dude, that is not cool.

- [muffled] I'm so sorry.

224

00:12:13,942 —> 00:12:16,570

You've been nauseous for three days, dude.

225

00:12:16,653 —> 00:12:18,572

You think maybe you should take a test?

226

00:12:19,072 —> 00:12:21,617

- What do you mean a test?

- I mean a test.

227

00:12:21,700 —> 00:12:24,286

The kind you can't study for

at Fullerton College.

228

00:12:24,369 —> 00:12:26,371

[disquieting music playing]

229

00:12:31,835 —> 00:12:33,837
[urine trickling]

230
00:12:48,310 —> 00:12:49,811
[pregnancy test beeps]

231
00:12:51,146 —> 00:12:54,566
[disquieting music intensifies]

232
00:13:06,411 —> 00:13:08,038
Oh, my fuck.

233
00:13:10,123 —> 00:13:11,458
Holy shit.

234
00:13:12,334 —> 00:13:13,335
Um...

235
00:13:13,961 —> 00:13:15,546
[sighs] Okay.

236
00:13:17,256 —> 00:13:18,257

Okay.

237
00:13:20,092 —> 00:13:21,760
Well, um,

238
00:13:21,844 —> 00:13:25,472
I want to be there
to support you in any way possible.

239
00:13:26,849 —> 00:13:27,933
Yeah, like,

240
00:13:28,517 —> 00:13:30,853
I would start
by calling Planned Parenthood,

241
00:13:30,936 —> 00:13:33,564
but I don't know if a private doctor
does it or if it's nicer.

242
00:13:33,647 —> 00:13:35,941
I don't want you
to have to go to some cheap clinic.

243

00:13:36,441 —> 00:13:37,442

Um...

244

00:13:41,488 —> 00:13:44,199

- What?

- Sounds like you've made my decision.

245

00:13:45,117 —> 00:13:47,995

- Excuse me?

- That I should have an abortion.

246

00:13:48,078 —> 00:13:49,079

What?

247

00:13:50,914 —> 00:13:54,585

I would never make

such a decision for you.

248

00:13:54,668 —> 00:13:56,128

That is your decision to make.

249

00:13:56,920 —> 00:13:59,089
I mean, ours. Together.

250
00:13:59,173 —> 00:14:02,050
But, a woman's body,
your body, your right.

251
00:14:03,427 —> 00:14:05,137
I totally respect that.

252
00:14:05,220 —> 00:14:06,972
Of course. Obviously.

253
00:14:10,350 —> 00:14:12,436
- Are you Catholic?
- No.

254
00:14:14,897 —> 00:14:16,523
But terminating a life...

255
00:14:18,901 —> 00:14:20,235
that's something to think about.

256

00:14:20,861 —> 00:14:24,865

As is aborting your future, Margo.

Your promise.

257

00:14:25,699 —> 00:14:26,700

[sighs]

258

00:14:26,783 —> 00:14:28,452

[obstetrician]

Ever had one of these before?

259

00:14:28,535 —> 00:14:29,536

No.

260

00:14:30,078 —> 00:14:32,331

Well, when the fetus is this size,

261

00:14:32,414 —> 00:14:34,041

we can't see well enough

through the belly,

262

00:14:34,124 —> 00:14:36,793

so we have to take a peek internally.

263

00:14:36,877 —> 00:14:39,379

You're gonna stick that in me?

264

00:14:39,463 —> 00:14:41,965

Well, the-the gel is heated,

so it shouldn't be too bad.

265

00:14:42,049 —> 00:14:43,717

[scoffs] How could it not be bad?

266

00:14:43,800 —> 00:14:46,053

I'm about to be fucked by a robot.

267

00:14:47,804 —> 00:14:51,308

- Sorry, uh, that just came out.

- I've heard worse.

268

00:14:51,391 —> 00:14:52,392

Are we ready?

269

00:14:53,519 —> 00:14:55,395

"Are we ready?" Yeah.

270

00:14:55,479 —> 00:14:57,064

- Yeah, I guess we're ready.

- Mmm.

271

00:14:57,147 —> 00:14:58,482

Make yourself comfortable.

272

00:15:01,568 —> 00:15:02,611

Here we go.

273

00:15:03,820 —> 00:15:04,988

[winces]

274

00:15:10,953 —> 00:15:13,622

[heartbeat thumping]

275

00:15:15,415 —> 00:15:16,458

What's that?

276

00:15:17,292 —> 00:15:18,710

Oh, that's the heartbeat.

277

00:15:25,300 —> 00:15:27,261

- It is?

- I would say,

278

00:15:27,761 —> 00:15:29,471

based on these measurements,

279

00:15:29,555 —> 00:15:32,474

that you're about nine to ten weeks.

280

00:15:33,475 —> 00:15:35,018

- What?

- Oh, I... I should've asked.

281

00:15:35,602 —> 00:15:36,854

Do you want a copy of the photo?

282

00:15:38,188 —> 00:15:39,273

Yeah.

283

00:15:39,356 —> 00:15:41,108

[fingernails clicking, echoing]

284

00:15:49,992 —> 00:15:51,743

Do we know what we want to do

about the pregnancy?

285

00:15:51,827 —> 00:15:53,829

[heartbeat thumping]

286

00:16:01,670 —> 00:16:04,339

[melancholic music playing]

287

00:16:15,434 —> 00:16:16,685

I like your nails.

288

00:16:18,103 —> 00:16:20,022

[parent] Oh, thanks.

289

00:16:23,984 —> 00:16:24,985

Ten weeks.

290

00:16:25,819 —> 00:16:27,362

Do you want to see the picture?

291

00:16:28,071 —> 00:16:29,072

No.

292

00:16:31,533 —> 00:16:32,534

[Margo sighs]

293

00:16:33,869 —> 00:16:35,204

You wanna keep it, don't you?

294

00:16:38,415 —> 00:16:39,625

I don't know.

295

00:16:52,804 —> 00:16:54,806

You keep this baby,

you're taking care of it.

296

00:16:55,349 —> 00:16:57,100

- It would be your child.

- I know.

297

00:16:59,645 —> 00:17:01,980

Goddamn it. You were in college.

298

00:17:02,648 —> 00:17:03,774

You were gonna be somebody.

299

00:17:03,857 —> 00:17:05,776

- Who was I gonna be?

- You know what I mean.

300

00:17:05,858 —> 00:17:09,655

You were gonna have a career,

and you were gonna, like, do things.

301

00:17:09,738 —> 00:17:12,115

- What things?

- Whatever you wanted!

302

00:17:13,534 —> 00:17:14,785

[sighs] Oh, my God.

303

00:17:14,867 —> 00:17:16,118
[gasps] My God.

304
00:17:17,621 —> 00:17:19,915
- How do I tell Kenny?
- [scoffs] Kenny?

305
00:17:20,499 —> 00:17:21,791
He's religious!

306
00:17:23,126 —> 00:17:25,337
He'll either be shocked
that you're having an abortion,

307
00:17:25,420 —> 00:17:27,631
or that you got knocked up
in the first place.

308
00:17:27,714 —> 00:17:30,050
I don't really care what Kenny thinks.

309
00:17:30,133 —> 00:17:35,097
Well, you need to,

because he could end up your stepdad.

310

00:17:35,597 —> 00:17:38,475

Fuck! Fuck, fuck, fuck, fuck!

311

00:17:41,019 —> 00:17:42,020

I'm sorry.

312

00:17:45,774 —> 00:17:48,235

You know me well enough when I get scared.

313

00:17:48,318 —> 00:17:49,319

[sighs]

314

00:17:49,945 —> 00:17:52,698

God, when I got pregnant with you,

I was terrified.

315

00:17:52,781 —> 00:17:53,866

You kept me.

316

00:17:54,491 —> 00:17:56,827

A one-night stand from a guy

who picked you up at Hooters.

317

00:17:56,910 —> 00:17:58,161

I mean, what would possess you?

318

00:17:59,580 —> 00:18:00,664

[sighs]

319

00:18:02,708 —> 00:18:03,959

I thought he was the one.

320

00:18:04,960 —> 00:18:06,879

- Your dad.

- You didn't even know his name.

321

00:18:07,629 —> 00:18:09,673

I guess, I'm gonna have to tell Dad,

by the way,

322

00:18:09,756 —> 00:18:11,133

if I decide to keep it.

323

00:18:12,509 —> 00:18:15,220

Promised that I'd keep him in the loop

on the big stuff.

324

00:18:15,304 —> 00:18:17,639

Yeah, when was the last time

you talked to him?

325

00:18:19,600 —> 00:18:21,018

- Not in a while.

- Mmm.

326

00:18:21,101 —> 00:18:22,978

Closer to never than recently.

327

00:18:27,441 —> 00:18:30,027

How did you break the news

when you were pregnant?

328

00:18:33,322 —> 00:18:34,615

Um...

329

00:18:40,245 —> 00:18:45,792
One night, he and a few of his friends
came into the restaurant and, uh...

330
00:18:46,710 —> 00:18:48,378
Drunk off their asses...

331
00:18:48,462 —> 00:18:53,300
and after my shift,
he took me back to his hotel room,

332
00:18:53,383 —> 00:18:54,885
and, you know, I told him.

333
00:19:01,642 —> 00:19:05,270
He seemed really happy.

334
00:19:05,354 —> 00:19:07,147
It was weird.

335
00:19:07,231 —> 00:19:11,693
Like, he couldn't stop smiling
and he was rubbing my tummy.

336

00:19:11,777 —> 00:19:14,655

And then he told me he was married,

337

00:19:14,738 —> 00:19:19,451

and that kinda broke my heart.

338

00:19:19,535 —> 00:19:20,577

[chuckles]

339

00:19:20,661 —> 00:19:23,163

And, uh, I was crying,

340

00:19:23,247 —> 00:19:25,832

and, uh, he said,

341

00:19:27,209 —> 00:19:31,088

"I'm really glad that I met you."

342

00:19:31,672 —> 00:19:35,384

And I realized I was...

343

418

00:26:13,490 —> 00:26:14,825

I just found out.

419

00:26:17,911 —> 00:26:19,538

A little notice might have been nice.

420

00:26:19,621 —> 00:26:20,998

It came up pretty quickly.

421

00:26:21,915 —> 00:26:25,961

And of course, we can still be friends

and all of that and...

422

00:26:27,379 —> 00:26:28,380

Okay.

423

00:26:32,718 —> 00:26:34,011

[sighs]

424

00:26:38,515 —> 00:26:41,059

[screams]

425

00:26:41,143 —> 00:26:43,145

- [audience cheering]

- [grunts, groans]

426

00:26:44,021 —> 00:26:46,523

[audience chanting]

Jinx! Jinx! Jinx! Jinx!

427

00:26:46,607 —> 00:26:51,153

[Jinx] They say it's not about

how you fall, but how you get back up.

428

00:26:51,236 —> 00:26:53,238

[audience cheering]

429

00:26:53,322 —> 00:26:55,949

[audience chanting]

Jinx! Jinx! Jinx! Jinx!

430

00:26:56,033 —> 00:26:57,034

Bullshit.

431

00:26:57,910 —> 00:27:00,162

It's not just about popping back up.

432

00:27:01,455 —> 00:27:05,417

It's about beating the shit outta

whoever knocked you down!

433

00:27:07,336 —> 00:27:08,754

That's what character is!

434
00:27:08,837 —> 00:27:11,048
You bash the other guy's guts out.

435
00:27:11,757 —> 00:27:13,717
You turn him into goo.

436
00:27:13,800 —> 00:27:15,427
[dramatic music playing]

437
00:27:40,661 —> 00:27:41,662
Professor.

438
00:27:43,288 —> 00:27:44,289
Come in.

439
00:27:50,796 —> 00:27:53,215
Mark, meet Bodhi.

440
00:27:54,007 —> 00:27:56,093
- Bodhi, meet Mark.

- [sighs]

441
00:27:56,885 —> 00:27:58,178
Well, this has become very real.

442
00:27:58,762 —> 00:28:01,765
Oh... [chuckles] ...he's super real.

443
00:28:02,766 —> 00:28:07,187
Though I would imagine far less
interesting than if he were fictional.

444
00:28:07,271 —> 00:28:08,272
[Mark scoffs]

445
00:28:10,274 —> 00:28:11,692
[Bodhi babbles]

446
00:28:12,317 —> 00:28:13,902
[clicks tongue] Uh...

447
00:28:15,654 —> 00:28:16,822

Hello, little guy.

448
00:28:18,323 —> 00:28:23,328
Wow, Margo,
he's really beautiful, isn't he?

449
00:28:25,831 —> 00:28:27,666
I cannot afford a babysitter.

450
00:28:28,792 —> 00:28:32,796
Not being able to afford a babysitter
makes it difficult to work.

451
00:28:33,338 —> 00:28:35,215
Hence, I lost my job.

452
00:28:35,924 —> 00:28:38,969
Two of my roommates just moved out,
so my portion of the rent

453
00:28:39,052 —> 00:28:42,389
has now increased
by over a thousand dollars per month.

454

00:28:43,348 —> 00:28:47,853

I would rather snorkel in my own vomit

than come to you begging for money,

455

00:28:47,936 —> 00:28:51,064

so instead I've come to demand it.

456

00:28:51,148 —> 00:28:52,191

[whimsical music plays]

457

00:28:52,274 —> 00:28:54,109

I need $3,000.

458

00:28:54,818 —> 00:28:57,070

[chuckles] You're going to give it to me.

459

00:28:59,448 —> 00:29:00,782

Do you think I'm that liquid?

460

00:29:05,412 —> 00:29:09,416

You will give me $3,000.

461

00:29:13,504 —> 00:29:14,505

[door opens]

462

00:29:18,592 —> 00:29:20,260

- [music ends]

- [exhales heavily]

463

00:29:21,845 —> 00:29:22,930

[sighs]

464

00:29:29,895 —> 00:29:31,188

[Shyanne] What did he say?

465

00:29:31,271 —> 00:29:33,440

I just left before he could respond.

466

00:29:33,524 —> 00:29:34,525

No.

467

00:29:35,025 —> 00:29:36,527

[sighs] I just... [stammers] ...I don't know,

468

00:29:36,610 —> 00:29:39,488

I started to feel sorry for him

and, you know,

469

00:29:39,571 —> 00:29:42,324

I could see his face start to contort

and I didn't wanna soften,

470

00:29:42,407 —> 00:29:44,493

and him to try to negotiate me down.

471

00:29:44,576 —> 00:29:46,411

I must say, I'm impressed.

472

00:29:46,495 —> 00:29:48,372

And where's Bodhi?

I thought you were bringing him.

473

00:29:48,455 —> 00:29:49,540

Susie's watching him.

474

00:29:49,623 —> 00:29:52,709
So there,
progress on the babysitting front too.

475
00:29:52,793 —> 00:29:55,128
- Listen. What are you wearing?
- Progress all around.

476
00:29:55,963 —> 00:29:58,465
- Very nice. Okay.
- Thank you. Okay.

477
00:29:59,299 —> 00:30:04,555
Oh, my God. Just looking at the menu,
my mouth is flooding with saliva.

478
00:30:05,055 —> 00:30:06,306
Are we getting appetizers?

479
00:30:07,307 —> 00:30:09,434
- Well...
- The thing about nursing,

480

00:30:09,935 —> 00:30:11,395
I'm constantly starved.

481
00:30:11,478 —> 00:30:14,398
Margo, I want you know to know
this meal is my treat.

482
00:30:14,481 —> 00:30:19,194
And you're free to order whatever
you like, uh, no expense spared.

483
00:30:19,278 —> 00:30:20,696
We don't need an appetizer.

484
00:30:20,779 —> 00:30:21,822
[Margo] Well, maybe you don't.

485
00:30:21,905 —> 00:30:23,866
You're about to order a margarita
the size of your head.

486
00:30:24,449 —> 00:30:25,450
But I need one.

487

00:30:25,534 —> 00:30:27,744

Uh, you know I don't drink.

488

00:30:28,453 —> 00:30:29,663

[Shyanne scoffs]

489

00:30:30,622 —> 00:30:31,790

[chuckles]

490

00:30:35,210 —> 00:30:37,212

- Susan?

- Uh, no.

491

00:30:37,296 —> 00:30:39,047

Maybe it's the pediatrician's office.

492

00:30:39,631 —> 00:30:40,674

Just, um, hold on.

493

00:30:41,258 —> 00:30:42,843

Order me nachos.

494

00:30:44,845 —> 00:30:46,013

Hello?

495

00:30:46,096 —> 00:30:48,056

- Is this Margo Millet?

- Speaking.

496

00:30:48,140 —> 00:30:49,683

Elizabeth Gable calling.

497

00:30:50,309 —> 00:30:51,727

Uh... Elizabeth?

498

00:30:51,810 —> 00:30:53,145

Gable. As in the mother.

499

00:30:53,228 —> 00:30:54,229

His.

500

00:30:54,855 —> 00:30:56,356

Uh, hello.

501

00:30:57,149 —> 00:31:00,485

I thought we might schedule a meeting

to discuss your demands.

502

00:31:01,612 —> 00:31:03,197

What do you mean a meeting?

503

00:31:03,280 —> 00:31:07,075

A meeting, where two or more people

get together

504

00:31:07,159 —> 00:31:08,619

by chance or arrangement.

505

00:31:09,661 —> 00:31:13,165

Mark has given me your contacts.

I will email you an address.

506

00:31:13,916 —> 00:31:14,958

Is this a joke?

507

00:31:15,042 —> 00:31:16,043
A joke?

508
00:31:16,126 —> 00:31:19,213
You find extortion funny? I don't.

509
00:31:19,838 —> 00:31:22,299
I'm hoping that we can meet
and resolve this tomorrow.

510
00:31:22,382 —> 00:31:23,592
It would be best.

511
00:31:23,675 —> 00:31:25,677
[tense music playing]

512
00:31:27,930 —> 00:31:28,931
[Shyanne] You okay?

513
00:31:29,556 —> 00:31:30,557
I'm fine.

514

00:31:31,266 —> 00:31:32,476
You don't look fine.

515
00:31:32,559 —> 00:31:33,852
Well, I am.

516
00:31:34,645 —> 00:31:38,398
So, Mom says
you're a big deal in the church.

517
00:31:38,482 —> 00:31:41,860
Well, I'm the president
and the youth ministry director.

518
00:31:41,944 —> 00:31:43,111
That's really cool.

519
00:31:43,195 —> 00:31:48,200
They have really good programs
like plays and stuff.

520
00:31:48,283 —> 00:31:49,368
- [Kenny] Mm-hmm.

- Yeah...

521
00:31:49,451 —> 00:31:52,079
- They even put on, uh...
- Rent.

522
00:31:52,162 —> 00:31:53,106
- Rent.
- [Kenny] Rent.

523
00:31:53,121 —> 00:31:55,958
Yeah, we're much more liberal
than we're given credit for.

524
00:31:56,041 —> 00:31:57,042
Mm-hmm.

525
00:31:57,125 —> 00:32:01,088
Which is why it was so silly for Shyanne
to think that I-I would judge you

526
00:32:01,171 —> 00:32:02,840
for having a baby out of wedlock.

527

00:32:05,300 —> 00:32:07,469

- [Shyanne sniffles]

- You know, most people these days,

528

00:32:07,553 —> 00:32:12,307

they just, uh, don't wanna accept any

consequences for, you know, their actions.

529

00:32:12,391 —> 00:32:15,769

A lot of girls in your situation

they would have cried rape.

530

00:32:16,645 —> 00:32:19,606

They would've, uh... [stammers] ...you know,

said, "Well, he was my professor.

531

00:32:19,690 —> 00:32:22,025

He should've done this

or he shouldn't have done that."

532

00:32:22,109 —> 00:32:25,988

And... Uh, my point is-is

that we're all fallen creatures.

533
00:32:26,071 —> 00:32:30,951
The real test is what we do
when those chickens come home to roost.

534
00:32:35,998 —> 00:32:37,833
- Right.
- Yeah? [chuckles]

535
00:32:38,625 —> 00:32:41,086
- See? I-I told you we would get along.
- Mmm.

536
00:32:41,170 —> 00:32:45,007
Which is actually why I-I wanted to, uh,
ask you to this dinner,

537
00:32:45,090 —> 00:32:47,759
um, tonight, um...

538
00:32:48,886 —> 00:32:51,930
I-I'd like to ask, uh,

for your blessing, Margo.

539
00:32:52,931 —> 00:32:55,684
I would like to ask
for your mother's hand in marriage.

540
00:32:55,767 —> 00:32:57,019
[Shyanne gasps]

541
00:32:57,519 —> 00:32:59,438
Uh... Oh.

542
00:32:59,521 —> 00:33:00,522
Yeah.

543
00:33:01,648 —> 00:33:03,317
- Oh.
- [cries]

544
00:33:03,400 —> 00:33:05,027
So, we have... Um, do we have your blessing?

545

00:33:05,110 —> 00:33:06,612

[Margo stammers]

546

00:33:06,695 —> 00:33:09,489

- Yeah. Of course.

- [Kenny] Yeah? [chuckles] Okay.

547

00:33:12,910 —> 00:33:14,369

Oh, wow! [chuckles]

548

00:33:14,453 —> 00:33:15,454

[patron] What?

549

00:33:15,537 —> 00:33:16,538

Shyanne.

550

00:33:18,081 —> 00:33:21,668

You are the most beautiful wo...

beautiful woman I have ever met.

551

00:33:21,752 —> 00:33:23,587

- Yes! Yes! I say yes!

- [chuckles, shushes]

552

00:33:23,670 —> 00:33:26,173

- You gotta let me finish.

- [chuckles]

553

00:33:26,798 —> 00:33:28,008

[inhales deeply]

554

00:33:28,091 —> 00:33:33,096

I would be honored if

I could be the boring to your beautiful,

555

00:33:33,805 —> 00:33:37,893

the strong to your delicate...

556

00:33:37,976 —> 00:33:40,145

- [sniffles]

- ...the serious to your silly.

557

00:33:40,896 —> 00:33:43,065

Shyanne, will you be my wife?

558

00:33:44,233 —> 00:33:45,484
Yes. [chuckles]

559
00:33:45,567 —> 00:33:47,778
- [patrons cheering]
- Okay.

560
00:33:47,861 —> 00:33:49,821
- [sobs]
- Okay.

561
00:33:49,905 —> 00:33:50,989
[employee] Hey, everyone.

562
00:33:51,073 —> 00:33:52,950
Let's give a big Applebee's cheer
to the happy couple!

563
00:33:53,033 —> 00:33:55,118
- Oh! [chuckles]
- [cheering]

564
00:33:56,954 —> 00:33:59,498

["Mendelssohn's Wedding March" playing]

565

00:34:05,379 —> 00:34:07,381

[Margo] It was actually quite beautiful.

566

00:34:07,464 —> 00:34:09,216

And romantic.

567

00:34:09,925 —> 00:34:11,927

Maybe it's even possible

she really loves him.

568

00:34:12,010 —> 00:34:14,012

[Susie] Mmm. That's very affirming.

569

00:34:14,096 —> 00:34:16,764

I always find it so moving

when love works out in real life,

570

00:34:16,849 —> 00:34:19,601

as opposed to just books and movies.

571

00:34:19,685 —> 00:34:20,686
Yeah.

572
00:34:23,021 —> 00:34:25,232
Is that cabbage really working?

573
00:34:25,315 —> 00:34:27,943
I think so.
It's supposed to help with inflammation.

574
00:34:28,652 —> 00:34:32,531
And I gotta cram these milk bags
into a respectable outfit tomorrow

575
00:34:32,614 —> 00:34:33,782
to meet Mark's mom.

576
00:34:33,866 —> 00:34:35,158
[Susie] Ooh, yikes.

577
00:34:35,242 —> 00:34:37,578
Yeah. Yikes indeed. [sighs]

578

00:34:43,250 —> 00:34:44,585

- What?

- [inhales sharply]

579

00:34:45,878 —> 00:34:48,714

Look, I've never brought you

into this part of my life,

580

00:34:48,797 —> 00:34:51,884

but now the girls are gone,

I feel comfortable saying that...

581

00:34:53,260 —> 00:34:54,303

I'm into cosplay.

582

00:34:54,887 —> 00:34:56,054

Very into it.

583

00:34:56,679 —> 00:34:57,848

I'm a cosplayer.

584

00:34:58,807 —> 00:35:01,685

[clicks tongue] Yeah, I figured.

585

00:35:02,227 —> 00:35:03,604

[Susie] Anyway... [chuckles]

586

00:35:04,229 —> 00:35:07,983

...if you ever wanna model some looks,

I think you'd be a natural.

587

[scoffs] I didn't threaten him.

164

00:10:02,978 —> 00:10:04,479

[Elizabeth] Now, you listen to me.

165

00:10:04,563 —> 00:10:07,524

I have been accused

of looking like a racoon.

166

00:10:07,608 —> 00:10:10,777

Well, I actually have

the disposition of one as well.

167

00:10:10,861 —> 00:10:13,655

Cute and cuddly until I'm fucked with.

168

00:10:13,739 —> 00:10:16,033

All right, Elizabeth. Allow me.

169

00:10:18,202 —> 00:10:22,915

Margo, my approach to the practice of law

is a bit unconventional.

170

00:10:23,874 —> 00:10:27,544

I like to take the fastest path to happy.

171

00:10:29,129 —> 00:10:31,548

Now, does that seem like a path

that would appeal to you?

172

00:10:32,090 —> 00:10:33,425

It sounds lovely.

173

00:10:33,509 —> 00:10:34,635

It is.

174

00:10:35,177 —> 00:10:38,597

My client was quite unsettled when

you showed up at his office yesterday.

175

00:10:38,680 —> 00:10:40,349

He was, in fact, deeply unsettled.

176

00:10:40,933 —> 00:10:42,976
He detected a tenor of blackmail.

177
00:10:43,060 —> 00:10:44,061
Blackmail?

178
00:10:44,144 —> 00:10:45,646
[Elizabeth] Oh, you must think
you're so clever.

179
00:10:45,729 —> 00:10:48,482
- With your little trap.
- Elizabeth, please.

180
00:10:48,565 —> 00:10:52,402
Margo, we are prepared to tender a check.

181
00:10:52,986 —> 00:10:57,199
This would be $50,000 for your child
placed into a trust.

182
00:10:58,325 —> 00:11:00,327
Invested into a mutual fund.

183

00:11:00,410 —> 00:11:02,663

That money, of course,

would compound and grow.

184

00:11:03,205 —> 00:11:07,292

By the time the child turns 18,

it would have an approximate value of...

185

00:11:08,043 —> 00:11:09,753

around $300,000.

186

00:11:11,755 —> 00:11:14,299

That money would vest

and become his at that time.

187

00:11:16,301 —> 00:11:18,470

- Oh.

- In exchange...

188

00:11:19,763 —> 00:11:22,933

You will agree to not attend Fullerton

either now or in the future.

189

00:11:24,268 —> 00:11:27,437

You will further agree

not to contact Mark or his family.

190

00:11:27,521 —> 00:11:29,898

And you would need to sign

a nondisclosure agreement,

191

00:11:29,982 —> 00:11:32,860

along with a release of all future claims.

192

00:11:34,403 —> 00:11:35,654

[Bodhi babbles]

193

00:11:36,446 —> 00:11:37,447

[Elizabeth] So?

194

00:11:38,991 —> 00:11:40,117

Do you agree?

195

00:11:45,664 —> 00:11:46,832

I... I agree.

196

00:11:49,918 —> 00:11:50,919

[Susie] Are you sure?

197

00:11:51,003 —> 00:11:53,088

But that means you can't use that money.

198

00:11:53,172 —> 00:11:55,048

How are you gonna pay next month's rent?

199

00:11:55,549 —> 00:11:56,550

I know.

200

00:11:57,050 —> 00:11:58,510

But a trust fund for Bodhi?

201

00:11:59,178 —> 00:12:00,345

Yeah.

202

00:12:00,429 —> 00:12:02,389

Hey, uh, where are you now?

203

00:12:02,472 —> 00:12:04,224

I'm almost home. I'll see you in a sec.

204

00:12:04,308 —> 00:12:07,227

Oh, good. 'Cause, um...

205

00:12:07,728 —> 00:12:08,729

"Um," what?

206

00:12:11,398 —> 00:12:13,108

- Hey.

- Hey.

207

00:12:14,067 —> 00:12:16,111

[sighs] So, what's going on?

208

00:12:16,195 —> 00:12:20,490

Well, he's been cleaning all day.

Your dad.

209

00:12:20,574 —> 00:12:23,577

And he's in there right now...

[whispering] ...buffing out the appliances.

210

00:12:23,660 —> 00:12:24,661

What?

211

00:12:26,205 —> 00:12:28,874

Dad? What are you doing?

212

00:12:28,957 —> 00:12:31,126

[Jinx] It's an oven. Not a wok.

213

00:12:31,210 —> 00:12:34,838

[groans] You really

don't need to be doing that.

214

00:12:34,922 —> 00:12:37,674

I kinda do. It occupies me.

215

00:12:37,758 —> 00:12:41,553

[grunts, sighs] Hungry?

216

00:12:41,637 —> 00:12:42,721
[Jinx] How's my little man?

217
00:12:42,804 —> 00:12:44,223
[Margo sighs] He's good.

218
00:12:44,306 —> 00:12:47,809
Oh, you should probably switch
to the other so you don't get lopsided.

219
00:12:47,893 —> 00:12:49,228
[knocks on door]

220
00:12:49,811 —> 00:12:50,812
I got it.

221
00:12:52,356 —> 00:12:53,774
Don't get up, Susie.

222
00:13:00,197 —> 00:13:01,198
What the fuck?

223

00:13:03,700 —> 00:13:04,952
What are you doing here?

224
00:13:05,869 —> 00:13:09,373
Yeah, I-I was a little late
for the May Day party.

225
00:13:10,374 —> 00:13:11,583
I should say so.

226
00:13:12,835 —> 00:13:13,919
You look really good.

227
00:13:14,670 —> 00:13:16,672
Mom. [chuckles] Why are you here?

228
00:13:16,755 —> 00:13:19,675
Uh, my daughter lives here. My grandson.

229
00:13:19,758 —> 00:13:22,177
[Margo] Yeah, I know. Of course.
I mean, you're always welcome.

230

00:13:22,261 —> 00:13:24,346

It's just... [chuckles] You didn't tell me.

231

00:13:24,429 —> 00:13:26,348

[Shyanne] I wanted to surprise you.

232

00:13:26,431 —> 00:13:29,142

I, um, brought your dress.

233

00:13:29,726 —> 00:13:32,771

- Dress?

- Yeah. For my, um... my... my thing.

234

00:13:33,272 —> 00:13:34,273

What thing?

235

00:13:35,357 —> 00:13:36,775

It's your maid of honor dress.

236

00:13:36,859 —> 00:13:38,819

- [gasps] Oh, I'm your maid of honor?

- Mmm.

237

00:13:38,902 —> 00:13:40,404

Wait. You're getting married?

238

00:13:40,904 —> 00:13:45,951

Yes, um, I'm engaged to a very lovely man.

239

00:13:46,034 —> 00:13:47,244

W-Wow.

240

00:13:48,245 —> 00:13:49,454

Congratulations.

241

00:13:49,997 —> 00:13:51,248

Thank you.

242

00:13:51,832 —> 00:13:57,880

Uh, it's probably tight across the top,

but I think by wedding day and...

243

00:13:58,422 —> 00:14:00,591

We have a fitting.

Uh, 9:00 a.m. Wednesday.

244

00:14:00,674 —> 00:14:02,843

[squeals] My God, it's incredible.

245

00:14:02,926 —> 00:14:05,262

- Yeah? You really like it? You promise?

- [gasps]

246

00:14:05,345 —> 00:14:08,724

It's, like, one of the most

beautiful dresses I've ever seen.

247

00:14:08,807 —> 00:14:10,392

Yeah. It really is beautiful.

248

00:14:11,143 —> 00:14:12,144

[inhales deeply]

249

00:14:13,437 —> 00:14:15,314

You know, your hand... Oil.

250

00:14:16,023 —> 00:14:17,566
Um, okay.

251
00:14:17,649 —> 00:14:20,027
Well... [smacks lips]
...my shift starts in 30 minutes,

252
00:14:20,110 —> 00:14:23,947
so, I... [sighs] ...I guess I better be going.

253
00:14:24,031 —> 00:14:27,242
So, Jinx, it was really nice
to see you again.

254
00:14:27,326 —> 00:14:28,368
- Cool.
- And, um,

255
00:14:28,452 —> 00:14:30,537
I'll shoot you the address
for the fitting.

256
00:14:30,621 —> 00:14:32,831

Okay. Bye!

257

00:14:32,915 —> 00:14:33,957

[Margo] Bye.

258

00:14:34,583 —> 00:14:35,584

Yeah.

259

00:14:39,379 —> 00:14:41,173

Dad, you okay?

260

00:14:41,256 —> 00:14:42,549

Yeah. Yeah, I'm fine.

261

00:14:43,175 —> 00:14:46,053

Uh... [stammers] ...I gotta clean that...

Clean some stuff up.

262

00:14:51,850 —> 00:14:53,477

I gotta make a diaper run.

263

00:14:53,560 —> 00:14:55,562

Do you think you could watch him

for like, an hour?

264

00:14:56,230 —> 00:14:57,231

Oh, yeah. Sure.

265

00:14:57,314 —> 00:14:58,524

Thanks. [sighs]

266

00:15:04,988 —> 00:15:08,408

- [typing]

- [cash register beeping]

267

00:15:17,835 —> 00:15:20,170

[cashier] Your total comes out to $238.

268

00:15:32,683 —> 00:15:35,811

- [Bodhi crying]

- [announcer] Finishing kick!

269

00:15:35,894 —> 00:15:36,895

Oh, okay. Okay.

270

00:15:36,979 —> 00:15:38,981

- It's... [chuckles] ...a little dramatic.

- [chuckles] Little man.

271

00:15:39,064 —> 00:15:40,816

- Here. Give him to me.

- Oh.

272

00:15:40,899 —> 00:15:42,192

[grunts]

273

00:15:42,985 —> 00:15:45,112

You just gotta give him a little bounce.

274

00:15:45,195 —> 00:15:47,322

- Ooh. There he is.

- Oh.

275

00:15:47,906 —> 00:15:49,658

Yeah. He's okay.

276

00:15:49,741 —> 00:15:51,368

[babbling]

277

00:15:52,160 —> 00:15:53,495

- [Jinx] Hey, baby.

- Hey.

278

00:15:53,579 —> 00:15:56,081

Hey. [sighs] How's he doing?

279

00:15:56,164 —> 00:15:58,917

- Oh, he's doing just awesome.

- [kisses]

280

00:15:59,001 —> 00:16:01,086

Because you're an awesome little man.

281

00:16:01,170 —> 00:16:02,462

- [chuckles]

- All right.

282

00:16:02,963 —> 00:16:06,049

Just coming through.

Time for a little nap.

283

00:16:06,133 —> 00:16:09,928

Slo-mo body slam.

284

00:16:10,429 —> 00:16:12,431

[mimics explosion]

285

00:16:13,056 —> 00:16:15,184

Oh, wait. That's Arabella.

286

00:16:15,934 —> 00:16:17,936

I didn't know she went to AEW.

287

00:16:18,020 —> 00:16:19,354

Yeah, it happened months ago.

288

00:16:19,438 —> 00:16:23,442

Well, she was with WWE,

but then her contract got terminated

289

00:16:23,525 —> 00:16:24,526

because she...

290

00:16:25,194 —> 00:16:26,945

Uh, you heard of OnlyFans?

291

00:16:27,029 —> 00:16:30,115

Yeah, of course.

Everyone has. It's amateur porn.

292

00:16:30,199 —> 00:16:31,366

Well, it's not just porn.

293

00:16:31,450 —> 00:16:33,869

True. A lot of cosplayers

make bank on OnlyFans.

294

00:16:33,952 —> 00:16:36,997

Arabella had a following, I heard.

295

00:16:37,080 —> 00:16:40,042

But WWE didn't wanna be

associated with it.

296

00:16:40,125 —> 00:16:41,168
Like how much?

297
00:16:42,127 —> 00:16:43,504
Sorry?

298
00:16:43,587 —> 00:16:45,005
How much money did she make?

299
00:16:45,088 —> 00:16:48,008
She said she made more in one month
on OnlyFans

300
00:16:48,091 —> 00:16:49,801
than in a whole year of wrestling.

301
00:16:49,885 —> 00:16:50,886
- [chuckles]
- [Jinx] Oh.

302
00:16:50,969 —> 00:16:53,514
Hush, hush.
She's about to do her finisher.

303

00:16:57,309 —> 00:16:59,269

- Yes! Oh.

- [chuckles]

304

00:16:59,353 —> 00:17:02,731

Okay. If I were gonna kill a man,

that is how I would do it.

305

00:17:02,814 —> 00:17:03,815

Mmm.

306

00:17:05,233 —> 00:17:06,276

[grunts]

307

00:17:06,359 —> 00:17:07,486

Hey.

308

00:17:07,569 —> 00:17:08,694

[Jinx] Listen.

309

00:17:09,655 —> 00:17:14,076

Um, Susie mentioned that
you might be looking for a roommate.

310
00:17:14,617 —> 00:17:17,162
And I need a place to live.

311
00:17:19,248 —> 00:17:20,457
Oh. [gulps]

312
00:17:21,083 —> 00:17:22,917
Um... Well...

313
00:17:23,710 —> 00:17:26,338
I mean, look,
I can't contribute a ton for rent.

314
00:17:26,421 —> 00:17:30,175
The divorce wiped me out,
but I can cook and I can clean.

315
00:17:31,760 —> 00:17:35,681
And the idea of getting to
spend time with you. Lost time.

316

00:17:41,144 —> 00:17:42,938

[chuckles] Okay. I think I got my answer.

317

00:17:43,021 —> 00:17:44,815

It's not... Um...

318

00:17:45,816 —> 00:17:51,655

No, we do need a roommate and

it would be nice to spend time with you.

319

00:17:52,948 —> 00:17:53,949

But?

320

00:17:55,534 —> 00:17:57,870

I know the statistics on drug addicts.

321

00:17:58,912 —> 00:18:02,749

And if you were gonna stay here,

you would have to be clean...

322

00:18:04,918 —> 00:18:07,462

if you were gonna be around Bodhi.

323
00:18:08,922 —> 00:18:12,509
Margo... I am clean.

324
00:18:14,011 —> 00:18:17,472
I am the one
who checked myself into rehab.

325
00:18:18,932 —> 00:18:22,436
Why me? Why don't you ask Andrea
or one of the boys?

326
00:18:22,519 —> 00:18:25,522
I mean, I checked their Instagrams.
I know they're financially stable.

327
00:18:25,606 —> 00:18:28,233
My therapist thinks
that the stress of those relationships

328
00:18:28,317 —> 00:18:29,902
might cause me to relapse.

329

00:18:31,320 —> 00:18:33,363

And the idea of getting your own place?

330

00:18:33,447 —> 00:18:35,741

I would definitely relapse.

331

00:18:35,824 —> 00:18:38,744

I mean, there would be no one

to perform sanity for.

332

00:18:42,080 —> 00:18:43,415

[inhales deeply]

333

00:29:59,508 —> 00:30:03,428
Yes. A freshman getting knocked up
by her lit professor.

503
00:30:03,512 —> 00:30:05,597
- That's exactly what I'm talking about.
- Oh, fuck off.

504
00:30:05,681 —> 00:30:08,016
[gasps] What did you say?

505
00:30:08,100 —> 00:30:09,100
I said, "Fuck off!"

506
00:30:09,142 —> 00:30:12,229
I am your mother!
He was never your father.

507
00:30:12,312 —> 00:30:14,982
But no, you don't go telling him

to fuck off, do you?

508

00:30:15,065 —> 00:30:18,861

No, it's, "Oh, move in, Dad.

Share my Netflix password."

509

00:30:18,944 —> 00:30:23,156

Do you know hard it was

being a single mother?

510

00:30:23,240 —> 00:30:24,449

Yeah. I have an idea.

511

00:30:24,533 —> 00:30:25,701

An idea.

512

00:30:25,784 —> 00:30:28,829

'Cause I promise you, it gets harder.

513

00:30:28,912 —> 00:30:32,332

Seems like you want me to apologize

for my conception as well.

514

00:30:33,750 —> 00:30:35,252

This is so like him.

515

00:30:36,003 —> 00:30:42,009

He would swoop in every six months,

hand you a toy and be a hero.

516

00:30:42,551 —> 00:30:48,640

[sighs] Did you think

for one second to say,

517

00:30:48,724 —> 00:30:51,977

"Hey, Mom. Can we move back in with you?"

518

00:30:52,477 —> 00:30:53,562

[Margo] What?

519

00:30:53,645 —> 00:30:57,816

Y-You swallowed your whole house with, uh,

520

00:30:57,900 —> 00:31:00,527

your clothes and your shoes

and your serums.

521

00:31:00,611 —> 00:31:03,488

So, no, I don't think there's room

for a Pack and Play.

522

00:31:03,572 —> 00:31:05,324

It doesn't mean you couldn't ask!

523

00:31:13,999 —> 00:31:15,834

Oh, my fucking God!

524

00:31:23,050 —> 00:31:24,635

You got your own chest pack.

525

00:31:24,718 —> 00:31:26,470

Oh, yeah. It's better for my back.

526

00:31:26,553 —> 00:31:28,555

It doesn't put as much pressure on the L5.

527

00:31:28,639 —> 00:31:30,307

- [phone buzzing]

- It's Becca.

528

00:31:30,390 —> 00:31:31,391

Oh.

529

00:31:31,475 —> 00:31:32,476

Hey, girl.

530

00:31:32,559 —> 00:31:33,894

Hi, girl.

531

00:31:33,977 —> 00:31:35,562

[Margo] Twice in one week.

532

00:31:35,646 —> 00:31:37,856

Yeah, I was thinking... [sighs]

533

00:31:37,940 —> 00:31:38,941

Uh-oh.

534

00:31:39,483 —> 00:31:41,527

Mmm, college can do that to you.

535

00:31:41,610 —> 00:31:42,611

What's going on?

536

00:31:42,694 —> 00:31:45,447

Well, I'm just not sure

about Jinx moving in.

537

00:31:46,448 —> 00:31:48,283

It's wild, I know.

538

00:31:48,367 —> 00:31:49,368

[door closes]

539

00:31:49,451 —> 00:31:52,120

Well, he's maybe turned your mom

into a crazy person.

540

00:31:52,746 —> 00:31:56,166

[sighs] He's good with the baby

and he cleans the bathroom, so...

541

00:31:56,708 —> 00:31:58,377

- Okay.

- With a toothbrush.

542

00:31:59,461 —> 00:32:01,380

Margo, that's a lot.

543

00:32:01,463 —> 00:32:03,757

It's... It's so a lot. [sighs]

544

00:32:05,384 —> 00:32:06,385

[Susie] Two seconds.

545

00:32:06,468 —> 00:32:10,556

Can I make, like, a radical suggestion?

Please don't hate me for it.

546

00:32:10,639 —> 00:32:11,890

What?

547

00:32:11,974 —> 00:32:15,561

[inhales sharply] That professor of yours,

he was right about one thing.

548

00:32:16,061 —> 00:32:18,063

You can write. You have a future.

549

00:32:18,146 —> 00:32:19,439

[door opens]

550

00:32:19,523 —> 00:32:20,858

That's not a suggestion.

551

00:32:21,733 —> 00:32:23,402

You should be at university.

552

00:32:23,485 —> 00:32:25,279

[scoffs] Yeah,

like that's going to happen.

553

00:32:25,362 —> 00:32:28,782

It could happen.

Here's where the radical part comes in.

554

00:32:28,866 —> 00:32:32,619
Foster care. Just temporary
while you get your life together.

555
00:32:32,703 —> 00:32:34,872
You place Bodhi with
a loving foster family,

556
00:32:34,955 —> 00:32:36,206
one who lives close by...

557
00:32:36,290 —> 00:32:37,958
Have you lost your mind?

558
00:32:38,041 —> 00:32:40,586
Well, and then you
could see him every day.

559
00:32:41,253 —> 00:32:44,256
[stammers] How could you
even make that suggestion?

560
00:32:45,215 —> 00:32:47,426

Bodhi needs a mom
who has her act together.

561
00:32:47,509 —> 00:32:49,344
Yeah, well,
I have my fucking act together.

562
00:32:49,887 —> 00:32:51,221
You don't have to get mad.

563
00:32:51,305 —> 00:32:52,472
Well, I am mad.

564
00:32:52,556 —> 00:32:56,059
I mean, what kind of person just casually
places their kid in foster care?

565
00:32:56,143 —> 00:32:59,980
Don't get all high on me.
You were fucking somebody's husband.

566
00:33:04,443 —> 00:33:05,944
[toilet flushes]

567

00:33:06,028 —> 00:33:08,030

[whirring]

568

00:33:11,158 —> 00:33:13,243

Mmm. [clicks tongue]

569

00:33:13,327 —> 00:33:16,580

Can't say I haven't flushed

a few friends down the toilet myself.

570

00:33:16,663 —> 00:33:18,665

Hmm. Is it ruined?

571

00:33:18,749 —> 00:33:20,667

Nope. These things are pretty resilient.

572

00:33:20,751 —> 00:33:22,794

Good that your toilet has a small throat.

573

00:33:23,921 —> 00:33:25,339

[knocks on door]

574

00:33:31,011 —> 00:33:32,429

[sighs]

575

00:33:33,263 —> 00:33:35,098

I came to apologize.

576

00:33:36,099 —> 00:33:40,437

I shouldn't have got so upset with you.

577

00:33:45,567 —> 00:33:46,568

But with you.

578

00:33:47,569 —> 00:33:49,488

Could you excuse us for a second?

579

00:33:49,571 —> 00:33:51,490

What? This is my apartment.

580

00:33:51,573 —> 00:33:54,576

I'd like to have a word

with your father. Okay?

581

00:34:07,464 —> 00:34:09,299

This is a mistake.

582

00:34:09,382 —> 00:34:11,217

It's wrong.

583

00:34:12,135 —> 00:34:14,137

[clicks tongue] I'm sorry

you feel that way.

584

00:34:22,020 —> 00:34:25,607

How selfish can you be?

585

00:34:28,193 —> 00:34:31,196

You near destroyed her life

when you walked out.

586

00:34:32,656 —> 00:34:33,824

What now?

587

00:34:34,574 —> 00:34:38,161

You want to finish the job

and walk back in?

588

00:34:38,245 —> 00:34:41,456

From my observation,

our daughter is not near destroyed.

589

00:34:41,540 —> 00:34:44,376

Yeah, because I saw to it.

590

00:34:45,293 —> 00:34:47,795

And I will continue to see to it.

591

00:34:50,424 —> 00:34:53,927

Margo is still a child. She has a child.

592

00:34:54,011 —> 00:34:57,347

She doesn't need to be

taking on another one with you.

593

00:34:57,431 —> 00:35:00,017

Mom, I think that you've said enough.

594

00:35:00,851 —> 00:35:04,605

[Shyanne] You are hanging by a thread.

595

00:35:04,688 —> 00:35:08,567

It's not you, it's just the reality

of-of being a single mom

596

00:35:08,650 —> 00:35:11,653

with li-little money,

little help. A thread.

597

00:35:12,404 —> 00:35:14,865

I've been there. He hasn't.

598

00:35:14,948 —> 00:35:16,825

And him being here now...

599

00:35:16,909 —> 00:35:18,327

You've said enough.

600

00:35:19,536 —> 00:35:20,537

[sighs]

601

00:35:23,624 —> 00:35:24,625

Wow.

602

00:35:29,963 —> 00:35:31,632

[clicks tongue] Bye-bye, Daddy.

603

00:35:41,642 —> 00:35:42,643

[door closes]

604

00:35:42,726 —> 00:35:43,769

[Margo sighs] I'm sorry.

605

00:35:44,561 —> 00:35:46,980

That was... That was unfair.

606

00:35:48,440 —> 00:35:49,775

[Jinx] No, it wasn't.

607

00:35:50,275 —> 00:35:53,529

I've got-I've got no right

being seen in the light

608

00:35:53,612 —> 00:35:55,197

you evidently see me in.

609

00:35:55,989 —> 00:35:57,908

But I will earn it.

610

00:35:57,991 —> 00:36:03,080

I-I will become a person

you can be proud of, and my grandson.

611

00:36:03,747 —> 00:36:04,748

Yeah.

612

00:36:07,376 —> 00:36:10,045

It makes sense that

you should probably go, Dad.

613

00:36:11,296 —> 00:36:15,133

[chuckles, inhales deeply]

Please don't go.

614

00:36:24,226 —> 00:36:26,228
[crickets chirping]

615
00:36:28,939 —> 00:36:32,109
[typing]

616
00:36:39,825 —> 00:36:42,828
[Margo] Lonely, hot girl
in financial free fall.

617
00:36:44,621 —> 00:36:46,623
I also rate dicks.

618
00:36:48,166 —> 00:36:51,253
If you want to find out
what Pokémon your dick most resembles

619
00:36:51,336 —> 00:36:55,340
and what attacks it might have,
tip me $20.

620
00:36:59,761 —> 00:37:01,180
[sighs]

621

00:37:02,181 —> 00:37:03,682

[intriguing music playing]

622

00:37:37,382 —> 00:37:38,717

[Kenny] You weren't wrong.

623

00:37:38,800 —> 00:37:41,303

You're her mother and Bodhi's grandmother.

624

00:37:42,012 —> 00:37:45,182

You perceived him to be

a threat inside the home.

625

00:37:45,265 —> 00:37:46,433

I mean, you...

626

00:37:46,517 —> 00:37:48,936

you were duty bound to take issue.

627

00:37:49,520 —> 00:37:51,522

A drug addict? [scoffs]

628

00:37:52,481 —> 00:37:54,149

Out of rehab? [blows]

629

00:37:55,234 —> 00:38:00,155

I don't know,

but I probably could have been less...

630

00:38:00,239 —> 00:38:02,699

[Kenny] Less what? Hmm?

631

00:38:02,783 —> 00:38:04,868

Mother sow protects her cubs.

632

00:38:10,624 —> 00:38:12,292

You sow, you.

633

00:38:14,628 —> 00:38:16,380

[growls]

634

00:38:18,924 —> 00:38:20,008

Huh?

635

00:38:21,093 —> 00:38:22,177

[growling]

636

00:38:22,261 —> 00:38:23,262

[chuckles]

637

00:38:23,345 —> 00:38:26,598

[growling continues]

638

00:38:26,682 —> 00:38:28,350

- [Shyanne] Okay.

- [patron 1] What in the world?

639

00:38:28,433 —> 00:38:29,852

[patron 1]

What the hell is that guy's problem?

640

00:38:29,935 —> 00:38:31,353

[Shyanne] Okay. Stop it.

641

00:38:32,646 —> 00:38:33,647

[Kenny growls]

642

00:38:33,730 —> 00:38:35,440

[chuckles]

643

00:38:39,653 —> 00:38:41,905

[Margo] We like getting clean, huh?

644

00:38:42,573 —> 00:38:47,911

Yeah. Mr. Squeaky Clean.

Squeaky, squeaky clean.

645

00:38:48,871 —> 00:38:52,708

Squeaky, squeaky, squeaky clean. Mmm.

646

00:39:04,887 —> 00:39:05,971

You know what?

647

00:39:08,348 —> 00:39:10,601

Don't you be listening to the nonsense

648

00:39:10,684 —> 00:39:13,312

that's coming out

of people's mouths around here.

649

00:39:15,189 —> 00:39:19,693

The nonsense like how you ruined my life,

650

00:39:19,776 —> 00:39:22,863

or might have ruined it or...

651

00:39:27,326 —> 00:39:29,119

You made my life.

652

00:39:31,914 —> 00:39:34,166

Made it hard, but...

653

00:39:35,501 —> 00:39:37,628

made it just the same.

654

00:39:37,711 —> 00:39:39,379

[inhales deeply]

655

00:39:41,381 —> 00:39:43,383

And somehow you made me.

656

00:39:46,678 —> 00:39:47,679

Here I am.

657

00:39:50,849 —> 00:39:54,937

I'm on the precipice of utter greatness.

658

00:39:56,313 —> 00:39:58,732

Of which greatness I... [inhales deeply]

659

00:39:58,815 —> 00:40:01,818

...I do not yet know, but...

660

00:40:02,528 —> 00:40:04,238

[chuckles]

661

00:40:04,321 —> 00:40:05,322

...I can feel it.

662

00:40:07,741 —> 00:40:10,244

Our greatness bell is about to chime.

663

00:40:16,291 —> 00:40:17,292

[phone chimes]

664

00:40:24,174 —> 00:40:27,261

Oh, my fuck. [gasps]

665

00:40:27,344 —> 00:40:29,388

[gasps] I have a fan!

666

00:40:29,471 —> 00:40:31,473

["Let My Love Open The Door" playing]

S01EP4: Buddies

1

00:00:14,014 —> 00:00:18,018

["Blow My Mind" playing]

2

00:01:23,250 —> 00:01:25,252

[mystical music playing]

3

00:01:34,428 —> 00:01:36,138
[Margo] Congratulations!

4
00:01:36,221 —> 00:01:38,432
Your penis is a Tentacruel

5
00:01:38,515 —> 00:01:42,269
with bulging pink glans
and glittering mushroom blue veins.

6
00:01:42,853 —> 00:01:44,104
Your penis is filled with a...

7
00:01:44,188 —> 00:01:45,689
quiet menace.

8
00:01:50,444 —> 00:01:56,116

that an experienced person does.

179

00:10:53,862 —> 00:10:57,199

We could be human traffickers.

Skin suit people. You don't know.

180

00:10:57,282 —> 00:10:59,910

But you're not human traffickers.

181

00:11:00,577 —> 00:11:01,578

You don't know.

182

00:11:01,662 —> 00:11:03,330

What's skin suit people?

183

00:11:03,413 —> 00:11:05,916
Like the movie that we watched
the other day. Like Buffalo Bill.

184
00:11:05,999 —> 00:11:07,209
- Oh.
- [KC] Yeah.

185
00:11:07,292 —> 00:11:08,919
He was sweet
and he loved his little dog too.

186
00:11:09,545 —> 00:11:11,964
Either way, you're not ready.

187
00:11:12,047 —> 00:11:13,549
[Rose] I think she's right.

188
00:11:13,632 —> 00:11:16,635
You know, you risk being a liability.

189
00:11:17,177 —> 00:11:19,096
[chuckles]

190

00:11:21,515 —> 00:11:24,393

Guys, look, I know that I am new to this...

191

00:11:25,894 —> 00:11:30,315

[sighs] ...but I am so,

so eager to collaborate.

192

00:11:31,316 —> 00:11:36,572

And I've been told

that I'm a really good writer by people.

193

00:11:38,031 —> 00:11:41,243

I've got big ideas,

world-transforming concepts

194

00:11:41,326 —> 00:11:44,413

to drive your numbers up and up and up.

195

00:11:46,456 —> 00:11:47,708

[presenter on TV] There she goes.

196

00:11:47,791 —> 00:11:50,961
And listen to this crowd. Electric!

197
00:11:51,044 —> 00:11:54,506
As Leather and Lace take on Jinx.

198
00:11:54,590 —> 00:11:56,300
Oh, my goodness.

199
00:11:56,383 —> 00:12:00,053
See? You get him around.

200
00:12:00,137 —> 00:12:01,763
You see, how she's got him?

201
00:12:02,347 —> 00:12:03,557
[chattering on TV]

202
00:12:03,640 —> 00:12:05,517
- [knocks on door]
- [grunts]

203

00:12:07,644 —> 00:12:09,062
Guess again, ladies!

204
00:12:10,647 —> 00:12:12,232
[grunting]

205
00:12:12,316 —> 00:12:13,317
[presenter] Brutal...

206
00:12:16,028 —> 00:12:17,112
Hello.

207
00:12:18,655 —> 00:12:19,781
Hello.

208
00:12:23,660 —> 00:12:25,662
- Where's Margo?
- Job interview.

209
00:12:26,205 —> 00:12:27,831
Goddamn it.

210

00:12:29,208 —> 00:12:31,460
You watching yourself fight women, Jinx?

211
00:12:31,960 —> 00:12:36,381
No. It's just an old match
with Leather and Lace.

212
00:12:36,465 —> 00:12:39,426
She was supposed to do
wedding prep with me today.

213
00:12:39,510 —> 00:12:41,011
You can't reschedule?

214
00:12:41,094 —> 00:12:42,596
You can't unbake a cake.

215
00:12:44,056 —> 00:12:47,518
Marcy from the church
has a bakery in Yorba Linda...

216
00:12:47,601 —> 00:12:51,104
How is church, Shyanne?

Are you enjoying church?

217

00:12:51,188 —> 00:12:56,443

And she's doing our wedding cake for free,

but I have to pick the flavor.

218

00:12:57,027 —> 00:12:58,111

What's your favorite Psalm?

219

00:12:58,195 —> 00:13:00,906

Mmm. And there is no way

I am stuffing myself

220

00:13:00,989 —> 00:13:03,242

with all this sugar so close to the date.

221

00:13:03,325 —> 00:13:06,828

I happen to have developed

quite a refined palate.

222

00:13:07,871 —> 00:13:08,872

Mmm.

223

00:13:11,416 —> 00:13:13,335

- Fine. Go for it.

- Yeah?

224

00:13:13,418 —> 00:13:14,461

Mm-hmm.

225

00:13:15,045 —> 00:13:16,046

All right.

226

00:13:16,588 —> 00:13:18,006

[babbling]

227

00:13:19,216 —> 00:13:20,384

Hi, baby. Hmm.

228

00:13:21,718 —> 00:13:23,136

- You got him?

- Uh-huh.

229

00:13:23,220 —> 00:13:26,223

Hey. Hey, baby.

230

00:13:26,306 —> 00:13:27,975

[Bodhi crying]

231

00:13:28,058 —> 00:13:29,059

This one's...

232

00:13:29,810 —> 00:13:31,562

- [shushes]

- [Jinx] Mmm...

233

00:13:32,271 —> 00:13:34,314

Mmm. Mmm.

234

00:13:36,400 —> 00:13:37,484

Nice crumb.

235

00:13:39,027 —> 00:13:43,448

[chuckles] Mmm. Mmm.

236

00:13:43,532 —> 00:13:45,576

- What the fuck?

- Mmm.

237

00:13:45,659 —> 00:13:48,161

He just cries with me.

238

00:13:48,912 —> 00:13:50,914

[stammers] I pass him back and...

239

00:13:50,998 —> 00:13:52,249

Bend your knees.

240

00:13:53,584 —> 00:13:55,502

- I'm sorry?

- Go ahead. Bend 'em.

241

00:13:57,629 —> 00:14:00,299

[chuckles] I didn't say squat.

Just slightly.

242

00:14:01,008 —> 00:14:02,092

Okay.

243

00:14:02,968 —> 00:14:06,180
[exclaiming]

244
00:14:07,181 —> 00:14:08,515
- Mm-hmm.
- Mm-hmm.

245
00:14:08,599 —> 00:14:09,641
[Shyanne] Mm-hmm.

246
00:14:09,725 —> 00:14:11,894
- Yeah. It's all in the legs.
- Mm-hmm.

247
00:14:13,103 —> 00:14:16,315
When you bend the knees,
kinda works like a shock system.

248
00:14:16,398 —> 00:14:18,442
They feel safe. Mmm.

249
00:14:22,237 —> 00:14:23,238
What?

250

00:14:23,322 —> 00:14:28,952

I don't suppose you could've shared this

with me back then?

251

00:14:31,872 —> 00:14:34,875

When you walked out on her,

she was a baby, you know?

252

00:14:35,501 —> 00:14:40,839

Of all the times

when she would need to be held,

253

00:14:41,798 —> 00:14:45,219

would need to be made to feel safe,

and you?

254

00:14:45,302 —> 00:14:48,931

No, couldn't bother to say to me

just bend your fucking knees.

255

00:14:49,014 —> 00:14:50,724

What's your problem, Shyanne?

256

00:14:50,807 —> 00:14:55,812

My problem is that

she has always innately...

257

00:14:57,147 —> 00:14:58,774

I mean, you don't even know her.

258

00:14:58,857 —> 00:15:03,904

[stammering] And she doesn't have

the slightest idea of you.

259

00:15:03,987 —> 00:15:10,160

And yet, with you she feels held

and she feels safe.

260

00:15:11,703 —> 00:15:13,789

[groans] I'm sorry.

261

00:15:14,581 —> 00:15:19,002

I'm sorry.

Oh, just wedding stress and the planning.

262

00:15:19,086 —> 00:15:21,004

[groans] I'm just...

263

00:15:21,088 —> 00:15:22,089

[grunts]

264

00:15:23,882 —> 00:15:27,886

[sighs] Sometimes I think

the whole wedding industrial complex is...

265

00:15:27,970 —> 00:15:32,432

[chuckles] ...is designed to, uh,

make a woman feel like a failure.

266

00:15:36,103 —> 00:15:38,438

This one right here, is the one.

267

00:15:40,858 —> 00:15:42,150

It's pink champagne.

268

00:15:57,958 —> 00:15:59,042

[sniffs]

269

00:16:03,839 —> 00:16:05,841

[slow instrumental music playing]

270

00:16:25,819 —> 00:16:29,448

Ooh, hello, sexy Zelda.

You're born to cosplay, bitch.

271

00:16:29,531 —> 00:16:31,241

[shutter clicking]

272

00:16:31,325 —> 00:16:33,827

[Susie sighs] I still can't believe

they actually asked you to collab.

273

00:16:33,911 —> 00:16:37,372

Well, it's just a trial. A couple

photo shoots in their weird sex-loft.

274

00:16:37,456 —> 00:16:39,208

- Ooh.

- A mutually beneficial agreement.

275

00:16:40,167 —> 00:16:41,376

[Susie] Mm-hmm.

276

00:16:41,460 —> 00:16:43,545

They're worried

that they're gonna get stale.

277

00:16:43,629 —> 00:16:45,005

- And I'm fresh meat.

- Oh.

278

00:16:45,088 —> 00:16:46,256

High in Omega-3s.

279

00:16:46,340 —> 00:16:47,758

Oh, gobble, gobble.

280

00:16:48,550 —> 00:16:51,261

Think I might actually

make a real living out of this.

281

00:17:03,857 —> 00:17:06,276

- Hey, cool dad shirt.

- [chuckles]

282

00:17:08,862 —> 00:17:10,280

Listen, um...

283

00:17:12,491 —> 00:17:14,159

There's this fan expo.

284

00:17:15,327 —> 00:17:18,288

It's, uh, it's wrestlers, ex-wrestlers.

285

00:17:18,997 —> 00:17:21,165

Signing autographs, that sorta thing.

286

00:17:21,250 —> 00:17:25,921

I typically avoid 'em because

they're for somebody I used to be,

287

00:17:26,003 —> 00:17:27,506

which I'm not now.

288

00:17:33,053 —> 00:17:34,721
How would you feel about coming with me?

289
00:17:36,014 —> 00:17:39,101
- Everything okay?
- Your mother made a remark.

290
00:17:40,269 —> 00:17:44,273
How you don't have
the slightest idea of me.

291
00:17:44,356 —> 00:17:46,775
- [chuckles] That's not true.
- It's true enough.

292
00:17:47,317 —> 00:17:51,446
Anyway, it would be good for you
to get a glimpse of my prior life.

293
00:17:52,197 —> 00:17:53,282
The prior me.

294
00:17:55,367 —> 00:17:56,910

I'm-I'm trying.

295

00:17:58,787 —> 00:18:00,122

This is me trying.

296

00:18:01,957 —> 00:18:03,792

I think he might be depressed.

297

00:18:05,794 —> 00:18:07,045

Or it was what I said.

298

00:18:08,714 —> 00:18:10,591

Mm-hmm. Nice.

299

00:18:10,674 —> 00:18:12,217

Okay, um...

300

00:18:12,301 —> 00:18:15,470

Well, you know, it's natural

for a father to want to know his daughter

301

00:18:15,554 —> 00:18:20,142

and for said daughter to have feelings

if she doesn't actually know him.

302

00:18:20,726 —> 00:18:21,727

True.

303

00:18:22,519 —> 00:18:23,645

Mm-hmm.

304

00:18:23,729 —> 00:18:26,607

I think I might talk to him.

You know, clear the air.

305

00:18:27,733 —> 00:18:28,817

It'll be fine.

306

00:18:30,694 —> 00:18:33,113

- Girls, have you seen Bodhi's binky?

- [screams] No! No!

307

00:18:33,197 —> 00:18:34,698

[screams] Never mind!

308

00:18:36,783 —> 00:18:38,952

[panting]

309

00:18:39,995 —> 00:18:41,079

[Susie] Oh, my God.

310

00:18:43,332 —> 00:18:45,918

I'm sorry. Uh, I should've assumed.

311

00:18:47,252 —> 00:18:49,254

I mean, I guess it makes sense

that you and Susie

312

00:18:49,338 —> 00:18:51,798

would be in a romantic relationship

313

00:18:51,882 —> 00:18:54,009

- and decide not to tell me.

- Ugh. That's...

314

00:18:55,093 —> 00:18:56,345

That's not it at all.

315

00:18:56,428 —> 00:18:57,429

Okay.

316

00:18:59,348 —> 00:19:00,766

Then... Then what?

317

00:19:02,184 —> 00:19:03,435

[sighs] It's...

318

00:19:05,270 —> 00:19:06,271

my job.

319

00:19:07,773 —> 00:19:08,774

[Jinx] Your job?

320

00:19:10,234 —> 00:19:14,238

[inhales deeply, sighs] Um...

321

00:19:15,822 —> 00:19:17,074

I'm just gonna say it.

322

00:19:19,493 —> 00:19:23,747

I made an account on OnlyFans

and that's my job.

323

00:19:24,957 —> 00:19:26,458

You're on OnlyFans?

324

00:19:28,544 —> 00:19:29,545

[Margo] I am.

325

00:19:30,504 —> 00:19:32,881

It's, um... It's mainly writing.

326

00:19:33,382 —> 00:19:35,968

It's like descriptive prose, really.

327

00:19:36,677 —> 00:19:38,971

There are... There are

sometimes some images.

328

00:19:39,471 —> 00:19:41,723

Oh. May I see?

329

00:19:42,641 —> 00:19:45,102

Um, absolutely not. [laughs]

330

00:19:45,936 —> 00:19:48,146

So, it's pornography.

331

00:19:48,230 —> 00:19:50,983

[stammers] It's not pornography.

332

00:19:51,483 —> 00:19:53,026

Sometimes there's...

333

00:19:53,986 —> 00:19:55,737

some nudity.

334

00:19:55,821 —> 00:19:57,406

Oh, God. Margo.

335

00:19:58,490 —> 00:20:00,033

Oh, I hate this. I hate it.

336

00:20:00,117 —> 00:20:02,369

You don't wanna be

one of those kinds of girls.

337

00:20:05,289 —> 00:20:06,540

What kind of girls?

338

00:20:08,667 —> 00:20:10,210

Sluts? Those kind of girls?

339

00:20:10,294 —> 00:20:13,130

Girls who use sex and exhibitionism

to get what they want.

340

00:20:17,467 —> 00:20:19,303

[mutters] This is not you.

341

00:20:22,347 —> 00:20:23,348

So...

342

00:20:24,808 —> 00:20:25,809

what's me?

343

00:20:26,310 —> 00:20:27,853

Why don't you tell me what's me?

344

00:20:27,936 —> 00:20:31,064

Well, my mom worked at Hooters

and my father was a pro wrestler.

345

00:20:31,148 —> 00:20:34,109

So, tell me what's me.

346

00:20:35,027 —> 00:20:36,320

What about Bodhi's dad?

347

00:20:36,403 —> 00:20:38,822

- What does he think about this?

- No. He doesn't get a vote.

348

00:20:39,323 —> 00:20:41,325

- He's not in the picture.

- Well, he may one day

349

I need you to put this next to your heart.

214

00:12:06,143 —> 00:12:07,561

- [audience] Aw.

- That's right.

215

00:12:07,644 —> 00:12:08,729

Talk about cleavage, guys.

216

00:12:08,812 —> 00:12:09,855

- Kenny.

- [phone chimes]

217

00:12:09,938 —> 00:12:11,857

This is gonna test

the strength of the knot

218

00:12:11,940 —> 00:12:14,610

and thus the strength of your marriage.

219

00:12:14,693 —> 00:12:18,322

All right. A one, a two, three!

220

00:12:18,405 —> 00:12:19,489

Abracada...

221

00:12:19,573 —> 00:12:21,200

Bra!

222

00:12:21,283 —> 00:12:24,077

[Steve] Whoa! Whoa! What is...

223

00:12:24,161 —> 00:12:27,247

- Wow! Ta-da!

- Okay! All right! Oh, brother.

224

00:12:27,331 —> 00:12:28,582

Give me a break!

225

00:12:28,665 —> 00:12:30,876

Okay. Thank you so much. Thank you...

226

00:12:30,959 —> 00:12:33,086

Wait, you got a little thing

sticking out right here.

227

00:12:33,170 —> 00:12:35,422

- Whoops! Oh, no! Oh, no!

- [cheers]

228

00:12:35,506 —> 00:12:38,717

- Oh, no! Whoa!

- That's not mine. That's not mine.

229

00:12:38,800 —> 00:12:41,053

- That's called a prestige.

- [Shyanne] Kenny!

230

00:12:41,136 —> 00:12:43,013

Prestige. I guess it's, uh...

231

00:12:43,096 —> 00:12:44,932

I guess it's the right size

for that package.

232

00:12:45,516 —> 00:12:48,060

- [typing]

- [Margo sighs] I'm in Vegas.

233

00:12:48,143 —> 00:12:49,770

My mom's getting married.

234

00:12:49,853 —> 00:12:51,313

I may not survive.

235

00:12:51,897 —> 00:12:54,358

[Rose groans] Bummer.

We bought a bubble machine.

236

00:12:54,441 —> 00:12:56,818

Hurry on back. We'll get crazy.

237

00:12:56,902 —> 00:12:58,445

[Margo] Can't wait.

238

00:13:05,577 —> 00:13:07,955

- What?

- I have to cancel my mani-ped.

239

00:13:08,455 —> 00:13:12,167

- Why?

- Kenny's in a bad place right now.

240

00:13:16,463 —> 00:13:20,551

He's upset about that perverse magic show...

241

00:13:20,634 —> 00:13:25,347

[whispers] ...and just realized that he

forgot his tie for the ceremony.

242

00:13:26,348 —> 00:13:28,267

I have to help him find a new one,

243

00:13:29,518 —> 00:13:32,855

so I'll have bad nails on my wedding day.

244

00:13:32,938 —> 00:13:35,232

Kenny can't find a tie by himself?

245

00:13:35,315 —> 00:13:38,277

He's scared

that he'll get one I don't like.

246

00:13:42,322 —> 00:13:45,158

Mom, go get your manicure.

247

00:13:45,826 —> 00:13:47,661

- I'll find Kenny a tie.

- Oh.

248

00:13:47,744 —> 00:13:50,289

- I got it.

- I love you so much.

249

00:13:51,498 —> 00:13:55,711

Kenny, honey,

can Margo help you find a tie?

250

00:13:55,794 —> 00:13:59,381

The two of you

can spend some quality time together.

251

00:14:03,010 —> 00:14:05,429

[Kenny] That sounds really nice.

252

00:14:05,512 —> 00:14:06,513

You know, I...

253

00:14:08,056 —> 00:14:09,224

Oh, I would like that.

254

00:14:09,308 —> 00:14:11,643

Margo would too, wouldn't you?

255

00:14:12,269 —> 00:14:13,937

Yeah, of course.

256

00:14:15,397 —> 00:14:16,857

Okay, I'll meet you in the lobby.

257

00:14:16,940 —> 00:14:19,568

- It's a date.

- [Margo cheers]

258

00:14:28,869 —> 00:14:30,204

What about the shell-colored one?

259

00:14:30,287 —> 00:14:32,623

- Yeah. Right?

- Mm-hmm.

260

00:14:32,706 —> 00:14:33,832

Or maybe not. I ju...

261

00:14:33,916 —> 00:14:35,501

I don't know honestly.

262

00:14:35,584 —> 00:14:36,793

I just...

263
00:14:36,877 —> 00:14:39,505
Okay, maybe we should just
take a little break.

264
00:14:39,588 —> 00:14:41,089
No, no. I'm-I'm all right.

265
00:14:41,173 —> 00:14:42,174
I'm all right. It's just...

266
00:14:42,257 —> 00:14:45,427
I-I just can't believe
I made such a tactical error

267
00:14:45,511 —> 00:14:48,472
as forgetting part of my wardrobe.

268
00:14:48,555 —> 00:14:52,559
And I'm-I'm sorry, Margo,
about the magic show.

269

00:14:52,643 —> 00:14:54,019

I didn't know that it was gonna be...

270

00:14:55,604 —> 00:14:57,356

- vulgar.

- It was fine.

271

00:14:57,439 —> 00:14:59,733

No. No. It was dirty.

272

00:14:59,816 —> 00:15:01,109

Dirty, dirty.

273

00:15:01,610 —> 00:15:02,736

You know, those...

274

00:15:03,237 —> 00:15:05,531

I had some man... a guy just, like,

275

00:15:05,614 —> 00:15:09,368

degrading my future wife

in front of an audience.

276

00:15:09,451 —> 00:15:10,786

- I was...

- Kenny.

277

00:15:11,286 —> 00:15:14,498

- It wasn't fine.

- She was okay with it. I promise.

278

00:15:14,581 —> 00:15:16,208

You're such an excellent daughter.

279

00:15:18,669 —> 00:15:20,671

I see the way you are with your parents.

280

00:15:21,839 —> 00:15:23,173

Both of 'em.

281

00:15:24,967 —> 00:15:26,802

[stammers] I was very close to my parents.

282

00:15:27,678 —> 00:15:30,556

You know, they were my best friends.

283
00:15:30,639 —> 00:15:35,435
Mmm. Devoted my life to that concept of,

284
00:15:35,978 —> 00:15:40,107
you know, being of service to Mom and Dad.

285
00:15:40,899 —> 00:15:42,192
And then the church.

286
00:15:42,276 —> 00:15:45,445
To the exclusion of, you know...

287
00:15:46,989 —> 00:15:48,782
I was beginning to think I-I...

288
00:15:49,283 —> 00:15:50,784
missed out a little bit, you know?

289
00:15:50,868 —> 00:15:52,911
So many things that I was just never...

290

00:15:54,037 —> 00:15:55,873

gonna get to experience.

291

00:15:55,956 —> 00:15:59,877

And then I walked into...

292

00:16:01,879 —> 00:16:03,589

Bloomingdale's

293

00:16:04,173 —> 00:16:06,383

to buy a polo shirt.

294

00:16:08,177 —> 00:16:10,095

And my whole future just...

295

00:16:12,764 —> 00:16:14,683

just cracked... cracked open.

296

00:16:16,810 —> 00:16:19,396

You know, I just love your mother so much.

297

00:16:20,063 —> 00:16:21,356

More than anything.

298

00:16:22,983 —> 00:16:24,193

She changed my life.

299

00:16:25,777 —> 00:16:28,739

I'm the luckiest man in the world,

you know?

300

00:16:32,910 —> 00:16:33,911

Hey.

301

00:16:36,747 —> 00:16:37,748

This one.

302

00:16:38,248 —> 00:16:39,249

She'll love it.

303

00:16:40,584 —> 00:16:41,585

You think so?

304

00:16:42,544 —> 00:16:43,921

Pinky promise.

305

00:16:45,923 —> 00:16:47,633

- [chuckles]

- Okay.

306

00:16:47,716 —> 00:16:49,384

Okay, let's get back to the hotel.

307

00:16:49,468 —> 00:16:51,762

- We gotta get ready for dinner.

- Okay.

308

00:16:51,845 —> 00:16:53,055

We found one.

309

00:16:53,764 —> 00:16:54,973

Thank you, Margo.

310

00:17:02,523 —> 00:17:04,398

["Heaven or Las Vegas" playing]

311

00:17:32,719 —> 00:17:36,473

- [Shyanne] This is so elegant, Kenny.

- [Kenny] Yeah.

312

00:17:36,557 —> 00:17:39,184

And-And you know what? We're celebrating.

313

00:17:39,268 —> 00:17:43,981

So, as a matter of fact,

how about a round of piña coladas?

314

00:17:44,064 —> 00:17:46,108

- [server] Three piña coladas.

- [Kenny] Yeah.

315

00:17:46,984 —> 00:17:50,153

Three virgin piña coladas, please. Thanks.

316

00:17:51,780 —> 00:17:53,907

You gotta tell 'em,

or we'll all end up drunk.

317

00:17:53,991 —> 00:17:55,576

[chuckles] Yeah.

318

00:17:55,659 —> 00:17:57,661

Hey, I told Margo I wanted to apologize

319

00:17:57,744 —> 00:18:00,080

for, uh, getting a little

bent out of shape

320

00:18:00,163 —> 00:18:02,708

- about the magic show.

- [both] It's fine.

321

00:18:03,542 —> 00:18:04,543

Stereo.

322

00:18:05,043 —> 00:18:07,254

You know, I just felt like

I could have been a better sport

323

00:18:07,337 —> 00:18:10,132

- about the whole thing, and...

- [both] It's fine.

324

00:18:10,841 —> 00:18:13,677

[chuckles] Ground control to Kenny. Wow.

325

00:18:15,429 —> 00:18:17,264

You know, it does occur to me, Margo,

that...

326

00:18:18,223 —> 00:18:19,933

I'm not only marrying your mom,

327

00:18:21,476 —> 00:18:23,353

I'm also marrying the family.

328

00:18:26,690 —> 00:18:27,941

- Yeah.

- [Kenny] Yeah.

329

00:18:28,025 —> 00:18:30,986

Yeah, and I just want you to know

that I'm gonna be there for you.

330

00:18:32,112 —> 00:18:37,367

I am a dependable male figure

that you can count on...

331

00:18:38,952 —> 00:18:40,412

that doesn't have a second family...

332

00:18:40,495 —> 00:18:42,623

- Oh, Kenny, honey, no.

- ...and hasn't, well...

333

00:18:42,706 —> 00:18:46,376

Jinx is not a bad person, you know? It's...

334

00:18:46,460 —> 00:18:49,713

He's here to help out right now with...

335

00:18:50,380 —> 00:18:53,383

- Well, I know that. I'm sorry. I...

- Oh. Thank you so much.

336

00:18:53,467 —> 00:18:55,594

- I'm...

- [Shyanne] Wow. This is amazing.

337

00:18:55,677 —> 00:18:57,054

This drink is yummy.

338

00:18:57,137 —> 00:18:58,680

- It is. It's a work of art.

- It's that good?

339

00:18:58,764 —> 00:19:00,015

- Really good.

- Okay, well,

340

00:19:00,098 —> 00:19:01,934

maybe we should order anyway.

341

00:19:02,017 —> 00:19:05,896

Um, yeah, my bride-to-be will have, um,

342

00:19:05,979 —> 00:19:07,022

the scallops. She'll love 'em.

343

00:19:07,648 —> 00:19:10,275

- I'm sure I will.

- [server] Sounds good. Scallops.

344

00:19:11,026 —> 00:19:12,569

And I will have...

345

00:19:12,653 —> 00:19:15,072

- [Margo] Whee.

- [cooing]

346

00:19:15,781 —> 00:19:18,450

- Whee. [blows raspberry]

- [knocking on door]

347

00:19:18,534 —> 00:19:20,744

[Jinx] I'm performing my ablutions.

348

00:19:20,827 —> 00:19:21,828

I got it.

349

00:19:30,712 —> 00:19:34,591
You put those milk machines to good use
in a tight titty top or something.

350
00:19:35,133 —> 00:19:37,928
Kenny's asleep and we're going out.

351
00:19:38,929 —> 00:19:40,347
You too, Mr. Manny.

352
00:19:40,848 —> 00:19:41,890
Oh, I have...

353
00:19:41,974 —> 00:19:43,517
I have to watch Bodhi.

354
00:19:44,017 —> 00:19:47,437
Nah.
We'll just sneak him in the Bottom Dollar.

355
00:19:48,230 —> 00:19:50,524
- [Bodhi coos]
- The Bottom Dollar?

356

00:19:50,607 —> 00:19:51,692

You don't say.

357

00:19:52,484 —> 00:19:54,528

I'm pretty sure a baby can't go to a bar.

358

00:19:54,611 —> 00:19:58,282

Oh, just wear my coat

and hide the little dump lump in it.

359

00:19:59,157 —> 00:20:00,367

Oh. That's it.

360

00:20:00,909 —> 00:20:05,163

I want a real deal bachelorette party,

361

00:20:05,247 —> 00:20:07,583

and you will not deny me.

362

00:20:13,046 —> 00:20:15,716

- [Margo] Okay. There you go.

- [baby cooing]

363
00:20:15,799 —> 00:20:17,759
[kisses] Shh. Be quiet.

364
00:20:17,843 —> 00:20:19,887
[sighs]

365
00:20:26,018 —> 00:20:27,019
[sighs]

366
00:20:30,856 —> 00:20:33,442
- [chuckles] Oh. Beginner's luck.
- [Shyanne] Yes.

367
00:20:36,320 —> 00:20:39,448
- [groans]
- All right. That's how it goes sometimes.

368
00:20:41,783 —> 00:20:46,872
Hey, uh, I just wanna thank you
for having me out tonight.

369

00:20:47,372 —> 00:20:49,917

- This is... This is really fun.

- Mmm. Yeah. Well...

370

00:20:50,000 —> 00:20:52,085

I knew you'd be good for a wild night out.

371

00:20:52,169 —> 00:20:53,337

[both chuckle]

372

00:20:55,297 —> 00:20:56,548

You're really getting married.

373

00:20:57,382 —> 00:21:00,344

Yeah. I really am. Yeah.

374

00:21:02,596 —> 00:21:04,389

[sucks teeth] Goddamn.

375

00:21:05,516 —> 00:21:06,767

I missed out.

376

00:21:08,602 —> 00:21:09,645

A wedding night with you.

377

00:21:11,313 —> 00:21:14,024

Yeah, well, I am spoken for, sir.

378

00:21:20,948 —> 00:21:22,324

[baby coos]

379

00:21:24,993 —> 00:21:26,662

You remember that bathroom?

380

00:21:32,668 —> 00:21:35,003

[Jinx] It was the best

seven minutes of my life.

381

00:21:42,427 —> 00:21:43,470

You blew it.

I'll jump in.

538

00:30:09,268 —> 00:30:10,602

Just give me the signal.

539

00:30:21,905 —> 00:30:22,906

Where's Kenny?

540

00:30:23,657 —> 00:30:26,493

He's weeding out in the back yard.

I asked him to give us a second.

541

00:30:26,577 —> 00:30:28,871

- Mom.

- [Shyanne] It's all over my Facebook.

542

00:30:28,954 —> 00:30:31,164

My colleagues from Bloomingdale's.

543

00:30:31,248 —> 00:30:33,542

Hold on. Shame is not on the table.

544

00:30:33,625 —> 00:30:35,961

"Shame is not on the table."

545

00:30:36,044 —> 00:30:38,881

That's... on the table.

546

00:30:40,716 —> 00:30:42,509

Hey, everyone. Welcome.

547

00:30:43,093 —> 00:30:45,929

Hey, babe. We are still busy.

548

00:30:46,013 —> 00:30:48,098

No, Kenny, it's fine. You can stay.

549

00:30:48,182 —> 00:30:50,475

- Margo.

- Rip off the Band-Aid.

550

00:30:57,191 —> 00:30:58,192

Whoa.

551

00:31:00,736 —> 00:31:03,238

Uh-oh, this sounds... [mutters] ...ominous.

552

00:31:04,573 —> 00:31:05,824

Kenny... [sighs]

553

00:31:06,909 —> 00:31:10,037

...in order to earn income for my child,

554

00:31:10,746 —> 00:31:13,290

I have been doing some work

on the internet.

555

00:31:13,373 —> 00:31:15,876

[clicks tongue]

It's a site called OnlyFans.

556

00:31:16,877 —> 00:31:17,878

You have fans?

557

00:31:17,961 —> 00:31:19,630

It's a popular website.

558

00:31:20,297 —> 00:31:21,381

It's dirty pictures.

559

00:31:21,465 —> 00:31:25,677

But that's how I've been able to

keep my little family unit afloat

560

00:31:25,761 —> 00:31:27,095

without leaving the house.

561

00:31:27,596 —> 00:31:30,182

Well, I'm... [clears throat]

...a little confused, it's pi...

562

00:31:30,265 —> 00:31:33,727

of just you or are...

are there men involved?

563

00:31:33,810 —> 00:31:38,190

No. No. But I take photos

with two other girls. They're friends.

564

00:31:38,273 —> 00:31:41,026

It's more suggestive than overtly sexual.

565

00:31:42,528 —> 00:31:44,655

You look like you have questions.

566

00:31:44,738 —> 00:31:46,949

Look, I-I'm an open book.

567

00:31:47,032 —> 00:31:51,745

Well, I'm... I guess my question would be,

why-why do I need to know any of this?

568

00:31:52,246 —> 00:31:55,123

I-I'm your stepfather.

569

00:31:55,207 —> 00:31:57,334

But I-I didn't raise you.

570

00:31:57,960 —> 00:31:59,419

I mean, why tell me all this?

571

00:32:00,712 —> 00:32:02,548

My identity has been exposed.

572

00:32:03,131 —> 00:32:05,175

So, the internet knows my full name,

573

00:32:05,259 —> 00:32:08,303

they know where I live,

they know who I'm related to.

574

00:32:08,387 —> 00:32:12,933

A bump in the family road.

Which we will navigate as a family.

575

00:32:13,016 —> 00:32:16,019
And you might get asked about it
at church.

576
00:32:16,103 —> 00:32:19,273
Well... [stutters] ...you know, I mean,
maybe this is wrong-headed, Margo,

577
00:32:19,356 —> 00:32:20,440
but if that happened,

578
00:32:20,524 —> 00:32:25,404
I think if I got cornered
by Beth, or Marcy, Harold...

579
00:32:26,738 —> 00:32:30,200
and they said, "You know,
we've heard your stepdaughter

580
00:32:30,284 —> 00:32:35,330
is doing a little something-or-other,
and she's a this or that."

581

00:32:35,414 —> 00:32:37,207
I would probably say,

582
00:32:38,000 —> 00:32:39,835
"Mary Magdalene was a prostitute.

583
00:32:41,003 —> 00:32:43,672
She's kinda like a-a 'fans only' model."

584
00:32:44,590 —> 00:32:46,425
[Margo] Hmm. [stammers]

585
00:32:46,508 —> 00:32:49,094
- That-That doesn't feel great, Kenny.
- [Kenny] Oh.

586
00:32:49,178 —> 00:32:51,722
Maybe don't compare me to
a sex worker from the Bible.

587
00:32:51,805 —> 00:32:55,142
No... [chuckles] ...I know, I know, I just...
I-I... You're right, I won't.

588

00:32:56,393 —> 00:33:00,647

Margo, this is your personal business.

589

00:33:01,732 —> 00:33:05,569

And I-I'm so sorry, truly,

590

00:33:05,652 —> 00:33:09,656

that you're going through this,

and that somebody's tried to hurt you.

591

00:33:10,365 —> 00:33:13,994

And if there's anything

that I can do to step up,

592

00:33:15,120 —> 00:33:19,958

and help you, and protect this family,

I'll do it.

593

00:33:23,629 —> 00:33:24,671

Thanks, Kenny.

594

00:33:27,341 —> 00:33:28,342

Thank you, Kenny.

595

00:33:29,760 —> 00:33:30,761

Okay.

596

00:33:31,887 —> 00:33:34,014

[smacks lips] Great.

597

00:33:34,556 —> 00:33:36,683

[clears throat] All right. [clicks tongue]

598

00:33:37,809 —> 00:33:39,061

We'll be on our way.

599

00:33:39,144 —> 00:33:40,395

Well, I'll walk you out.

600

00:33:41,313 —> 00:33:42,731

Happy New Year, Mom.

601

00:33:51,990 —> 00:33:52,991

[chuckles]

602

00:33:53,784 —> 00:33:56,787

[rock music playing on car radio]

603

00:34:07,172 —> 00:34:09,174

[breathes heavily]

604

00:34:15,222 —> 00:34:16,473

Whoa.

605

00:34:16,556 —> 00:34:20,185

- Dad?

- [grunts, breathing heavily]

606

00:34:26,775 —> 00:34:29,027

[breathing heavily]

607

00:34:40,664 —> 00:34:43,166

["IPHONE" playing through phone speakers]

608

00:34:49,130 —> 00:34:50,132

[music stops]

609

00:34:50,841 —> 00:34:52,384

[exhales deeply]

610

00:35:03,020 —> 00:35:04,521

[door opens]

611

00:35:04,605 —> 00:35:05,606

[Elizabeth] Hi.

612

00:35:05,689 —> 00:35:08,400

[breathes heavily] Hello. [clears throat]

613

00:35:09,818 —> 00:35:10,819

[door closes]

614

00:35:11,486 —> 00:35:12,487

Whatcha doin'?

615

00:35:15,449 —> 00:35:16,783

[sucks teeth] Oh, just...

616

00:35:16,867 —> 00:35:18,160

Surfing the web.

617

00:35:19,244 —> 00:35:20,704

Did you watch anything good?

618

00:35:23,832 —> 00:35:25,083

What do you want, Mother?

619

00:35:25,167 —> 00:35:28,003

Well, wants tend to be fluid.

620

00:35:28,837 —> 00:35:32,966

When I was younger... [scoffs]

...I just wanted to find love and be happy.

621

00:35:33,592 —> 00:35:36,094

When I got older,

more about money and power.

622

00:35:36,762 —> 00:35:42,309

I'm at the age now where all I want
is to not be humiliated.

623
00:35:45,229 —> 00:35:47,856
Of all the little honey traps
to fall into,

624
00:35:48,482 —> 00:35:51,235
you sure picked a beauty, didn't ya?

625
00:35:52,194 —> 00:35:54,071
Was it worth it? Hmm?

626
00:35:54,154 —> 00:35:55,572
I don't need this right now.

627
00:35:55,656 —> 00:35:58,784
This will get traction,
and leave tracks back to me,

628
00:35:58,867 —> 00:36:01,078
to you, your wife.

629

00:36:01,161 —> 00:36:02,621

We need to get ahead of this.

630

00:36:03,413 —> 00:36:05,207

[clicks tongue, inhales sharply]

631

00:36:05,290 —> 00:36:06,542

[Elizabeth] Oh.

632

00:36:08,168 —> 00:36:09,461

You told Sarah.

633

00:36:09,545 —> 00:36:10,754

I didn't have a choice.

634

00:36:10,838 —> 00:36:12,673

There's always a choice, Mark.

635

00:36:12,756 —> 00:36:13,757

God.

636

00:36:14,591 —> 00:36:16,218

You are such a pussy.

637

00:36:16,301 —> 00:36:19,847

You know, culturally, we're really trying

to move away from that word. It's...

638

00:36:19,930 —> 00:36:23,892

I don't mean pussy like that.

I mean pussy like you.

639

00:36:23,976 —> 00:36:25,936

Like how you are a pussy.

640

00:36:27,688 —> 00:36:30,816

Okay. We change our strategy.

641

00:36:32,025 —> 00:36:33,026

It's over.

642

00:36:33,610 —> 00:36:36,405

You made her sign an NDA. You paid her.

643

00:36:36,488 —> 00:36:38,574

Well, that doesn't do us

any good now, does it?

644

00:36:38,657 —> 00:36:40,993

Not if she can drag you through the mud.

645

00:36:43,954 —> 00:36:48,166

There's a child involved, Mark.

Your child.

646

00:36:50,294 —> 00:36:51,295

[knocking on door]

647

00:36:51,378 —> 00:36:53,172

[indistinct chatter on TV]

648

00:36:53,255 —> 00:36:55,090

Me again. Happy New Year.

649

00:36:55,174 —> 00:36:56,175

My dad's not here.

650

00:36:56,842 —> 00:36:57,968

I can see him right there.

651

00:36:58,051 —> 00:36:59,595

But you're Margo Millet?

652

00:37:00,637 —> 00:37:03,348

- Yeah?

- Excellent. This bud's for you.

653

00:37:03,432 —> 00:37:06,894

So, if I can just have you sign,

I will be gone.

654

00:37:11,356 —> 00:37:13,317

- [courier] Here you go.

- [pen scribbling]

655

00:37:13,400 —> 00:37:16,653

Great. That's yours. Have a good one.

656

00:37:29,708 —> 00:37:30,751
What?

657
00:37:37,424 —> 00:37:39,259
Mark's seeking full custody.

658
00:37:39,343 —> 00:37:40,552
[Susie] What?

659
00:37:40,636 —> 00:37:42,095
On what grounds?

660
00:37:44,515 —> 00:37:46,141
That I'm an unfit mother.

661
00:37:46,850 —> 00:37:49,436
[commentator on TV]
Look at him. Oh, he's in!

662
00:37:49,520 —> 00:37:53,440
There's no getting out of this.
He is completely finished.

663

00:37:53,524 —> 00:37:56,276

One, two, three.

664

00:37:56,360 —> 00:37:57,778

[bell rings]

665

00:37:57,861 —> 00:37:59,780

["Supersad" playing]

S01EP7: Lariat Takedown

1

00:00:14,014 —> 00:00:18,018

["Blow My Mind" playing]

2

00:01:23,458 —> 00:01:26,503

- [Shyanne] When is this meeting?

- [Margo] Today.

3

00:01:26,587 —> 00:01:28,630

- Where is it?

- Her office. For God's sakes,

4

00:01:28,714 —> 00:01:30,966

- you don't even have to be there.

- Of course I have to be there.

5

00:01:31,049 —> 00:01:33,343

I'm your mother. Just text me the address.

6

00:01:34,595 —> 00:01:36,096

Cock.

7

00:01:36,180 —> 00:01:39,433

That little dick sued for custody.

8

00:01:40,642 —> 00:01:43,312

There's a meeting with the lawyer,

I need to go now.

9

00:01:44,104 —> 00:01:46,106

[tense music plays]

10

00:01:52,070 —> 00:01:53,071

[grunts]

11

00:01:56,658 —> 00:01:58,660

[engine cranks, starts]

12

00:02:00,412 —> 00:02:03,498

Can he even do that? Request full custody?

13

00:02:04,625 —> 00:02:07,711

He can try, but the California courts

favor 50-50...

14

00:02:07,794 —> 00:02:08,836

- [Margo] God.

- [Lace] ...so...

15

00:02:08,920 —> 00:02:11,006

[sighs] 50-50? How about zero?

16

00:02:11,089 —> 00:02:14,218

- Mom, just... calm.

- Don't tell me calm.

17

00:02:15,052 —> 00:02:17,179

He should be gelded.

18

00:02:17,262 —> 00:02:19,890

And this so-called father

didn't want anything to do with them.

19

00:02:19,973 —> 00:02:21,850

He-He even made her sign an NDA.

20

00:02:21,934 —> 00:02:23,894

He made her drop out of college

21

00:02:23,977 —> 00:02:28,065

halfway through the year

after we had spent $1,200 on tuition.

22

00:02:28,148 —> 00:02:32,569

Uh, not to mention all of those...

those pretentious books he assigned,

23

00:02:32,653 —> 00:02:35,614

likely for the sole purpose

of impressing the coeds

24

00:02:35,697 —> 00:02:40,911

he was planning to inoculate

with his college intellectual fuck juice.

25

00:02:42,037 —> 00:02:46,542

Okay. Uh, doesn't he lose parental rights

just based on moral decency grounds?

26

00:02:46,625 —> 00:02:51,672

The father has rights. I mean, he can be

disinterested for 15 years and suddenly...

27

00:02:51,755 —> 00:02:53,924

suddenly he wants a relationship

with the child

28

00:02:54,007 —> 00:02:56,218

and the state of California

is gonna recognize that right.

29

00:02:56,301 —> 00:02:58,387

Yeah, it's because

the state of California sucks.

30

00:02:58,470 —> 00:03:00,097

- Shyanne.

- Do not. Just...

31

00:03:01,139 —> 00:03:05,269

So, you have 30 days to respond

and you have three options.

32

00:03:05,352 —> 00:03:07,437

You could approve split custody,

33

00:03:07,521 —> 00:03:10,524

we counter to his request

for full custody.

34

00:03:10,607 —> 00:03:12,860

- God, no. Absolutely not.

- No. Never.

35

00:03:12,943 —> 00:03:15,863

Or you can challenge it in court,

36

00:03:15,946 —> 00:03:18,907

which is gonna cost

tens of thousands of dollars.

37

00:03:20,659 —> 00:03:23,120

Or you can choose mediation,

38

00:03:23,203 —> 00:03:27,499

which is cheaper, faster,

and invariably fairer.

39

00:03:28,458 —> 00:03:30,002

You don't want to go to court.

40

00:03:31,920 —> 00:03:35,966

Uh. Okay, fine, let's do that.

The... Uh, the mediation thing.

41

00:03:36,508 —> 00:03:38,135

Wonderful. I'll set it up.

42

00:03:38,218 —> 00:03:41,471
You can't go anywhere near the building.
That's gonna violate the court order.

43
00:03:41,555 —> 00:03:43,515
I'm sor... what-what-what court order?

44
00:03:43,599 —> 00:03:44,600
It's fine.

45
00:03:45,475 —> 00:03:48,812
Do you think he's gonna use
the OnlyFans against me?

46
00:03:48,896 —> 00:03:50,105
Oh, you think?

47
00:03:50,189 —> 00:03:53,233
You know, he doesn't even want Bodhi.
It's just a bluff.

48
00:03:53,317 —> 00:03:55,736
Okay. Margo... [scoffs] ...in my experience,

49

00:03:55,819 —> 00:03:59,114

people don't go to the trouble of filing

for custody unless they want custody.

50

00:03:59,198 —> 00:04:01,200

- [sighs]

- [Lace] This is gonna cost him money,

51

00:04:01,283 —> 00:04:03,035

could probably cost him his career.

52

00:04:03,118 —> 00:04:05,787

I mean... [scoffs]

...he's obviously told his wife.

53

00:04:05,871 —> 00:04:08,332

My God, this is really happening.

54

00:04:08,415 —> 00:04:10,250

I'll leave the state if necessary.

55

00:04:11,585 —> 00:04:13,378
There's no way I'm gonna lose my child.

56
00:04:14,880 —> 00:04:18,007
Child custody is war, Margo.

57
00:04:18,091 —> 00:04:22,053
It is long.
It is expensive, and it is ugly.

58
00:04:35,192 —> 00:04:39,905
[breathes heavily]

59
00:04:47,079 —> 00:04:48,080
Everything okay?

60
00:04:48,163 —> 00:04:50,332
What? Yeah. Yeah.

61
00:04:51,625 —> 00:04:54,628
Okay. Well, we've got the whole day
to ourselves.

62

00:04:54,711 —> 00:04:59,466

We could take Bodhi to the beach

or we could drive up to Hollywood,

63

00:04:59,550 —> 00:05:02,261

check out that GCW show. [grunts]

64

00:05:03,846 —> 00:05:08,058

Uh, I don't think I would enjoy myself.

65

00:05:12,980 —> 00:05:18,902

Hey, so remember back when you moved in

and you were like,

66

00:05:20,487 —> 00:05:24,992

[imitating Jinx] "I cook, I clean.

I'll look after the baby."

67

00:05:25,075 —> 00:05:29,371

[normal] And now you're just sitting

in your room in the dark all day.

68

00:05:29,955 —> 00:05:31,999

Do I need to bring out the chore chart?

69

00:05:32,082 —> 00:05:33,959

Yeah, I'm sorry to disappoint.

70

00:05:34,042 —> 00:05:36,378

No, you're not disappointing. I just... I'm...

71

00:05:38,297 —> 00:05:42,134

[sighs] Okay, never mind.

72

00:05:45,137 —> 00:05:46,138

What is that?

73

00:05:47,389 —> 00:05:48,599

This...

74

00:05:50,559 —> 00:05:52,269

- [chimes]

- ...is Shadowheart.

75

00:05:53,020 —> 00:05:57,524
Been working on it for six months. [hums]

76
00:05:58,275 —> 00:05:59,276
[grunts]

77
00:06:19,796 —> 00:06:22,007
[hopeful music plays]

78
00:06:28,764 —> 00:06:29,765
[door slams]

79
00:06:29,848 —> 00:06:31,517
Kind of looks like
you're still living here.

80
00:06:31,600 —> 00:06:34,186
- I'm living with Kenny, you know that.
- He's fine with you paying?

81
00:06:34,269 —> 00:06:36,146
Yeah. A rent-controlled storage unit?

82

00:06:36,230 —> 00:06:39,024

Mom.

No, this is what they call a fuck pad.

83

00:06:39,107 —> 00:06:41,944

It costs less than a storage unit,

therefore, it is a storage unit.

84

00:06:42,027 —> 00:06:46,532

So... [sighs] ...we want something

that says professional...

85

00:06:46,615 —> 00:06:50,327

[sighs] ...sweet, and breastfeeding.

86

00:06:50,994 —> 00:06:52,329

[Bodhi babbling]

87

00:06:52,412 —> 00:06:53,539

Here.

88

00:06:57,000 —> 00:06:59,211

- What do you think?
- [Bodhi coos]

89
00:06:59,294 —> 00:07:01,547
[country music playing]

90
00:07:03,674 —> 00:07:06,051
- You said he comes from money.
- Mm-hmm.

91
00:07:07,344 —> 00:07:13,350
Oh. I guarantee they will be
trying to "out-rich" us,

92
00:07:13,433 —> 00:07:17,688
as in they can better provide
for the child.

93
00:07:17,771 —> 00:07:20,482
Well, that is not happening.

94
00:07:21,775 —> 00:07:24,862
Nobody is "out-riching" us, okay?

95

00:07:26,530 —> 00:07:29,908

Affluence is a frame of mind.

96

00:07:31,034 —> 00:07:37,916

And he and his rich family

can fuck themselves raw.

97

00:07:43,463 —> 00:07:44,798

Can I just say one thing?

98

00:07:46,341 —> 00:07:47,342

What?

99

00:07:49,303 —> 00:07:50,304

[whimpers]

100

00:07:57,936 —> 00:07:58,937

[sighs]

101

00:08:02,107 —> 00:08:03,108

[whimpers]

102

00:08:09,406 —> 00:08:10,616

[Lace] How we doing?

103

00:08:11,700 —> 00:08:13,035

- Nervous.

- Mmm.

104

00:08:13,744 —> 00:08:15,287

Well, just like we talked about,

105

00:08:15,370 —> 00:08:19,458

she needs to get a feel for you,

who you are, so be yourself.

106

00:08:20,918 —> 00:08:22,544

[phone chimes]

107

00:08:22,628 —> 00:08:26,965

Oh, Kenny. [sighs]

Saying he said a prayer for you.

108

00:08:30,093 —> 00:08:31,303
[exhales deeply]

109
00:08:46,902 —> 00:08:47,903
[Mark clears throat]

110
00:08:47,986 —> 00:08:50,113
- [Lawrence] Linda.
- [Lace] Morning, Lawrence.

111
00:08:50,197 —> 00:08:51,198
[Elizabeth scoffs]

112
00:08:52,324 —> 00:08:54,117
Hello. Mark Gable.

113
00:08:55,244 —> 00:08:56,537
Yes.

114
00:08:56,620 —> 00:08:57,955
Good to see you again, Margo.

115

00:08:58,914 —> 00:09:00,082
Elizabeth Gable.

116
00:09:01,166 —> 00:09:02,167
So nice to meet you.

117
00:09:02,751 —> 00:09:04,294
And you as well.

118
00:09:05,003 —> 00:09:08,215
Hello. If we are all here, we can begin.

119
00:09:09,508 —> 00:09:12,344
I'm afraid only with interested parties
and attorneys.

120
00:09:13,136 —> 00:09:15,097
- Ah.
- I'm interested.

121
00:09:15,180 —> 00:09:16,181
As am I.

122

00:09:17,057 —> 00:09:20,644

Just Ms. Millet, Mr. Gable, and attorneys.

123

00:09:21,854 —> 00:09:23,021

- [Lace] Ready?

- [Lawrence] Good.

124

00:09:23,105 —> 00:09:24,106

You got this.

125

00:09:38,829 —> 00:09:42,624

Let's start by each of you

stating your goals for this mediation.

126

00:09:42,708 —> 00:09:44,251

Mark, you first.

127

00:09:46,795 —> 00:09:50,841

[sighs] My goal is to have full legal

and physical custody of Bodhi

128

00:09:51,592 —> 00:09:54,636

out of concerns

for Margo's fitness as a parent.

129

00:09:54,720 —> 00:09:56,680

[mediator]

And why do you doubt her fitness?

130

00:09:57,222 —> 00:10:02,603

Three reasons. One, financial insecurity.

She already turned to me for funds.

131

00:10:02,686 —> 00:10:05,314

Two, she's currently living

with her father, a violent man

132

00:10:05,397 —> 00:10:07,316

- with a history of using drugs.

- He's not violent.

133

00:10:07,399 —> 00:10:11,278

He broke my hand.

Three, she's a sex worker.

134

00:10:11,361 —> 00:10:13,739
I make web content that has some nudity.

135
00:10:13,822 —> 00:10:16,617
- You make porn.
- I'm not having sex on camera.

136
00:10:17,618 —> 00:10:20,162
Inappropriate.
That is completely inappropriate.

137
00:10:20,245 —> 00:10:22,748
My client is being harassed
and antagonized.

138
00:10:22,831 —> 00:10:25,626
I demand that you remove that photo
from the table immediately.

139
00:10:29,213 —> 00:10:30,380
Thank you.

140
00:10:31,131 —> 00:10:32,132

[scoffs]

141
00:10:36,678 —> 00:10:39,806
Margo, tell me,
what do you want for Bodhi?

142
00:10:39,890 —> 00:10:42,601
First of all, breast milk,
which he can't provide.

143
00:10:42,684 —> 00:10:44,561
Or I don't know, maybe he can.

144
00:10:44,645 —> 00:10:46,271
Meaning what? I don't get it.

145
00:10:46,355 —> 00:10:49,942
Like I'm a girlie man?
Okay, well, I'm not girlie, so...

146
00:10:50,984 —> 00:10:55,656
What parenting scenario
do you think would benefit Bodhi the most?

147

00:10:55,739 —> 00:11:00,619

Mark has shown zero interest in parenting.

I mean, not even a little.

148

00:11:01,578 —> 00:11:04,373

So I'm curious

as to what's suddenly changed.

149

00:11:04,998 —> 00:11:08,293

Uh, well, among other things,

you simulating sex acts with space aliens.

150

00:11:08,377 —> 00:11:11,755

- I am the alien, you fucking dumbass.

- Margo.

151

00:11:13,090 —> 00:11:15,133

- It's okay.

- [exhales sharply]

152

00:11:17,469 —> 00:11:20,389

Do you genuinely think

I'm an unfit parent?

153

00:11:22,266 —> 00:11:23,559

One hundred percent.

154

00:11:25,269 —> 00:11:26,603

Why?

155

00:11:27,521 —> 00:11:29,398

You have no money, you have no plans...

156

00:11:29,481 —> 00:11:31,692

- I have money. It's a job!

- ...and you're doing porn.

157

00:11:31,775 —> 00:11:32,943

[Mark] Right. Porn.

158

00:11:33,026 —> 00:11:34,611

W-W-What about when Bodhi grows up?

159

00:11:34,695 —> 00:11:37,614

When his friends find your account
and start masturbating to his mother?

160
00:11:37,698 —> 00:11:41,118
I'm sorry, it's gonna affect
every aspect of her life.

161
00:11:41,201 —> 00:11:43,537
She's never gonna get hired
for a respectable job.

162
00:11:43,620 —> 00:11:46,164
And what about other relationships?
Have you thought about that?

163
00:11:47,374 —> 00:11:52,629
What decent man will seriously consider
a romantic partner who does sex work?

164
00:11:52,713 —> 00:11:54,882
The guys you'll be bringing around
will be of what caliber?

165

00:11:54,965 —> 00:11:58,177
Your friends will also
most likely be sex workers

166
00:11:58,260 —> 00:12:00,637
and maybe they'll be in the house.
Who knows? Who the fuck knows?

167
00:12:00,721 —> 00:12:03,223
I mean, that... that... that kinda thing.

168
00:12:03,307 —> 00:12:04,975
I just, you know,

169
00:12:05,058 —> 00:12:09,271
the idea of Bodhi
being exposed to it all is...

170
00:12:12,316 —> 00:12:13,317
hideous.

171
00:12:13,400 —> 00:12:15,402
[tense music playing]

172

00:12:25,579 —> 00:12:26,580

[sighs]

173

00:12:29,833 —> 00:12:34,171

For the record, I raised my son

to be a good and honorable person.

174

00:12:38,133 —> 00:12:40,052

Oh, to be honest,

175

00:12:40,135 —> 00:12:43,555

I feel he was

a bit preyed upon, catfished.

176

00:12:45,098 —> 00:12:46,642

I beg your pardon?

177

00:12:46,725 —> 00:12:49,520

I realize this goes on in academia today.

178

00:12:49,603 —> 00:12:52,773

Professors being targeted
by opportunistic students.

179
00:12:56,235 —> 00:12:57,569
What did you say?

180
00:12:57,653 —> 00:12:59,613
Don't you stand up on me.

181
00:12:59,696 —> 00:13:03,534
I will not have you asserting
some sort of toxic dominion.

182
00:13:04,076 —> 00:13:05,702
I can stand up too.

183
00:13:07,538 —> 00:13:10,707
You think my daughter
preyed upon your son?

184
00:13:10,791 —> 00:13:13,293
Well, I'm just saying it happens.

185

00:13:13,377 —> 00:13:17,548

Girls arrive at college today

fully sexually baked,

186

00:13:17,631 —> 00:13:20,175

knowing the currency that it holds.

187

00:13:22,010 —> 00:13:26,640

I imagined you awful, but not this awful.

188

00:13:26,723 —> 00:13:28,225

Oh, talk about awful.

189

00:13:28,308 —> 00:13:32,729

What about your daughter

waving her snatty-ratty poon-muff

190

00:13:32,813 —> 00:13:34,606

in my son's face?

191

00:13:34,690 —> 00:13:36,733

Oh, I bet she got the idea from you.

192

00:13:36,817 —> 00:13:40,195

[chuckling] You worked at Hooters.

You think I don't know.

193

00:13:40,279 —> 00:13:42,656

She's just a chip

off the old ratty-snatty block.

194

00:13:42,739 —> 00:13:45,325

- [grunts]

- [gasps, groans]

195

00:13:45,409 —> 00:13:46,410

Oh.

196

00:13:51,248 —> 00:13:55,335

Her jaw's broken.

She might have to get surgery.

197

00:13:55,919 —> 00:13:58,714

- [sighs] I chose poorly.

- Yeah.

198

00:14:00,257 —> 00:14:02,342

But the things she said

about Margo and me,

199

00:14:02,426 —> 00:14:03,969

- I just... I just snapped.

- Honey.

200

00:14:08,390 —> 00:14:13,187

I guess you got more with me

than you thought you were signing up for.

201

00:14:15,981 —> 00:14:18,734

I got everything I signed up for.

202

00:14:21,862 —> 00:14:23,405

[Susie] She punched her?

203

00:14:23,488 —> 00:14:25,532

[Margo] Uh... [sighs] ...yeah.

204

00:14:26,283 —> 00:14:27,951
[sighs] I gotta tell Jinx.

205
00:14:29,286 —> 00:14:30,329
Where is he anyway?

206
00:14:31,038 —> 00:14:32,039
Bathroom.

207
00:14:32,122 —> 00:14:33,957
Probably trying to break
the Guinness World Record

208
00:14:34,041 —> 00:14:35,042
for longest meditation.

209
00:14:35,125 —> 00:14:36,668
He's been in there for like an hour.

210
00:14:37,294 —> 00:14:38,295
An hour?

211

00:14:45,093 —> 00:14:48,305

- Dad! I need to pee.

- [knocks on door]

212

00:14:50,766 —> 00:14:51,767

Dad?

213

00:14:53,810 —> 00:14:55,229

[doorknob rattling]

214

00:14:55,312 —> 00:14:56,313

Dad!

215

00:14:56,396 —> 00:14:58,357

[tense music plays]

216

00:15:00,609 —> 00:15:02,903

[Susie] Hey! Hey, Jinx!

217

00:15:02,986 —> 00:15:03,987

Dad!

218

00:15:05,364 —> 00:15:09,368

[grunting]

219

00:15:10,369 —> 00:15:12,996

- Dad! Dad!

- [Susie] Oh, my God. Jesus. He's like...

220

00:15:13,080 —> 00:15:15,415

- [Margo] Oh, my God! [whimpers]

- [grunts]

221

00:15:15,499 —> 00:15:19,127

Wake up! [breathes heavily]

222

00:15:19,670 —> 00:15:21,713

- Is he dead?

- I don't know.

223

00:15:21,797 —> 00:15:23,215

Check his pulse!

224

00:15:25,342 —> 00:15:27,261

- Yeah. Yeah, he has a pulse!

- Okay, okay, okay.

225

00:15:27,344 —> 00:15:28,595

We need to get him up.

226

00:15:28,679 —> 00:15:30,389

- Dad. Wake up!

- Hey. Hey!

227

00:15:30,472 —> 00:15:34,977

- Dad, wake up! Wake up. Wake up!

- Jinx! [grunting]

228

00:15:35,060 —> 00:15:36,979

- Dad! Wake up!

- [Susie] Come on!

229

00:15:37,062 —> 00:15:38,730

- [Jinx groans]

- Um. [grunts]

230

00:15:39,314 —> 00:15:41,191

- You need to stand up.

- [Susie] Come on!

231

00:15:41,275 —> 00:15:43,402

- Get on your fucking feet!

- Get him up.

232

00:15:43,485 —> 00:15:46,238

[all grunting, groaning]

233

00:15:46,321 —> 00:15:50,701

- Get up. There you go. Get up.

- I'm o... I'm okay.

234

00:15:50,784 —> 00:15:52,744

[all grunting, groaning]

235

00:15:52,828 —> 00:15:55,038

- Stand up! Come on. There you go.

- Yeah, that's it. That's it.

236

00:15:55,122 —> 00:15:56,123

- That's it. Okay.

- [Jinx mumbles]

237

00:15:56,206 —> 00:15:59,084

- No, no. No, no, no, no, no!

- [screams]

238

00:15:59,168 —> 00:16:00,544

- Step over.

- Get your foot up!

239

00:16:00,627 —> 00:16:02,629

- Step over! Come on, step...

- [Susie] That's it. That's...

240

00:16:02,713 —> 00:16:03,922

Hey, no, no, no!

241

00:16:07,301 —> 00:16:09,094

Marg! Hold on!

242

00:16:09,178 —> 00:16:10,637

[grunting]

243

00:16:11,346 —> 00:16:12,723

[screaming]

244

00:16:13,557 —> 00:16:16,435

[grunting]

245

00:16:18,812 —> 00:16:19,813

Come on!

246

00:16:19,897 —> 00:16:21,106

[grunting]

247

00:16:22,524 —> 00:16:24,359

[gasping]

248

00:16:24,860 —> 00:16:27,196

- [coughing]

- Are you good?

249

00:16:28,238 —> 00:16:30,365

Marg.

He's not breathing. He's not breathing.

250

00:16:30,449 —> 00:16:32,034

- Do you know CPR?

- Um, uh...

251

00:16:32,117 —> 00:16:34,077

- Just do it!

- Okay, okay, okay.

252

00:16:35,287 —> 00:16:37,372

- Um... [grunting]

- [Bodhi begins crying]

253

00:16:38,207 —> 00:16:39,333

- Marg!

- [exclaims]

254

00:16:40,250 —> 00:16:41,251

Margo!

255

00:16:41,335 —> 00:16:42,586

[Margo panting]

256

00:16:42,669 —> 00:16:43,712
Margo!

257
00:16:48,717 —> 00:16:50,594
- [grunts]
- [gasps]

258
00:16:51,637 —> 00:16:52,846
[coughing]

259
00:16:52,930 —> 00:16:54,515
[panting]

260
00:17:01,522 —> 00:17:04,775
- [all panting]
- [Bodhi continues crying]

261
00:17:50,487 —> 00:17:52,322
- [siren wailing]
- [Shyanne] All right.

262
00:17:52,406 —> 00:17:54,324
[tires screeching]

263

00:17:58,453 —> 00:18:00,080

[grunts] Good driving.

264

00:18:14,887 —> 00:18:15,888

Margo!

265

00:18:16,763 —> 00:18:19,975

He's okay. He's okay.

He's okay. He's okay.

266

00:18:20,058 —> 00:18:21,185

He's sleeping

267

00:18:21,268 —> 00:18:23,812

and they wanna keep him here

overnight for observation.

268

00:18:23,896 —> 00:18:24,980

What happened?

269

00:18:25,063 —> 00:18:29,484

[sighs] So he was... he was prescribed
these pills for when his back went out

270
00:18:29,568 —> 00:18:31,737
and I was in charge
of dosing them out to him,

271
00:18:31,820 —> 00:18:34,948
but I guess I didn't do a good enough job.
He's... He's been skimming them since Vegas.

272
00:18:35,032 —> 00:18:36,033
Painkillers?

273
00:18:36,116 —> 00:18:38,243
No, tonight it was heroin.

274
00:18:38,327 —> 00:18:39,369
Oh, my God.

275
00:18:39,453 —> 00:18:41,788
He said he hasn't used a needle
in over a year.

276

00:18:42,497 —> 00:18:44,124

He could have died, Mom.

277

00:18:44,208 —> 00:18:46,251

If I hadn't shot him with the naloxone.

278

00:18:46,335 —> 00:18:48,378

N-Naloxone? How did you have that?

279

00:18:48,462 —> 00:18:51,423

The drugstore. I just had it just in case.

280

00:18:53,091 —> 00:18:54,176

Ms. Millet.

281

00:18:55,135 —> 00:18:56,303

He's back awake.

282

00:19:19,243 —> 00:19:21,495

How can you be such a dope?

283

00:19:23,205 —> 00:19:25,290

- Because I can.

- Oh, for fuck's sake.

284

00:19:25,374 —> 00:19:26,375

All right, Mom.

285

00:19:29,002 —> 00:19:32,548

You look awful, like you're burning up.

Have you got a fever?

286

00:19:32,631 —> 00:19:33,674

Has he got a fever?

287

00:19:34,174 —> 00:19:35,509

They said it's normal.

288

00:19:39,304 —> 00:19:40,639

[footsteps approaching]

289

00:19:41,431 —> 00:19:43,183

Oh.

290

00:19:43,267 —> 00:19:44,476

- Hi.

- Hi.

291

00:19:45,018 —> 00:19:46,061

I'm okay.

292

00:19:46,144 —> 00:19:48,105

- Why is she here?

- I called her.

293

00:19:48,188 —> 00:19:49,565

What'd you take?

294

00:19:52,901 —> 00:19:53,902

Heroin.

295

00:19:54,611 —> 00:19:58,156

I'm gonna get myself to a methadone clinic

as soon as they let me out of here.

296

00:19:58,657 —> 00:20:00,576

Mmm. Sure you are.

297

00:20:00,659 —> 00:20:02,578

I am. I promise.

298

00:20:07,332 —> 00:20:09,084

Baby, I'm so, so sorry.

299

00:20:11,128 —> 00:20:13,380

I'm so, so happy you're okay.

300

00:20:17,676 —> 00:20:19,928

Uh, Margo, can I...

301

00:20:26,310 —> 00:20:27,561

[sighs]

302

00:20:28,979 —> 00:20:32,149

Okay, so Mark has ordered a 730 eval,

303

00:20:32,232 —> 00:20:34,860

which means you're gonna have to
meet with a psychiatrist

304
00:20:34,943 —> 00:20:36,862
who's gonna want to observe
you with Bodhi.

305
00:20:36,945 —> 00:20:39,031
They're also gonna likely want
a home inspection.

306
00:20:39,531 —> 00:20:40,574
Oh, okay.

307
00:20:40,657 —> 00:20:44,786
More important,
you get Jinx out of the home.

308
00:20:45,787 —> 00:20:46,872
Where's he gonna go?

309
00:20:46,955 —> 00:20:49,541
Well, I mean... [scoffs]

...it's not your problem.

310
00:20:50,167 —> 00:20:52,044
But as long as he resides with
you and Bodhi,

311
00:20:52,127 —> 00:20:53,712
that is very definitely a problem.

312
00:20:53,795 —> 00:20:55,255
So, you're just telling me to
throw him out?

313
00:20:55,339 —> 00:20:57,174
Mm-hmm.
That's exactly what I'm telling you.

314
00:20:57,257 —> 00:20:59,384
Well, he's hardly in
any condition to just...

315
00:20:59,468 —> 00:21:01,386
I don't care. I don't care.

316

00:21:01,470 —> 00:21:03,055

You're a 20-year-old sex worker.

317

00:21:03,555 —> 00:21:05,849

Your father broke a man's hand.

Your mother broke a jaw.

318

00:21:05,933 —> 00:21:09,019

You cannot add to that

by harboring a drug user.

319

00:21:13,315 —> 00:21:14,525

[sighs]

320

00:21:24,952 —> 00:21:27,871

I mean... it just...

It just feels so draconian.

321

00:21:27,955 —> 00:21:30,332

I mean, he's got to move out immediately?

322

00:21:30,415 —> 00:21:33,544
He doesn't have a job
or a-a security deposit.

323
00:21:33,627 —> 00:21:37,130
I mean, the rent in this... this...
this state is completely unaffordable.

324
00:21:37,214 —> 00:21:39,216
Like, what is he supposed to do?
What do they want him to do?

325
00:21:39,299 —> 00:21:40,634
- Just live on the street?
- I know.

326
00:21:40,717 —> 00:21:43,470
- Or just... just fucking disappear?
- Margo...

327
00:21:43,554 —> 00:21:45,180
God, this is... it's... it is fucked!

328

00:21:45,264 —> 00:21:47,015

- I know, Margo. Margo!

- It's fucked!

329

00:21:47,099 —> 00:21:49,309

Listen, okay? Jinx has to leave.

330

00:21:49,393 —> 00:21:53,772

- [sighs] But, Susie...

- No! No.

331

00:21:53,856 —> 00:21:55,607

I love him so much,

332

00:21:55,691 —> 00:21:58,318

and you know that

he is my favorite person on the planet.

333

00:21:59,361 —> 00:22:01,196

But he got high.

334

00:22:01,280 —> 00:22:04,867

In the house with the baby.

With Bodhi, Margo.

335

00:22:06,577 —> 00:22:07,703

He cannot stay.

336

00:22:16,170 —> 00:22:17,379

[sniffles]

337

00:22:23,051 —> 00:22:25,220

We can't fix this for him.

338

00:22:27,264 —> 00:22:28,765

You can't fix this for him.

339

00:22:28,849 —> 00:22:31,476

["Dawn Chorus" playing]

340

00:22:32,311 —> 00:22:33,312

I know.

341

00:22:34,438 —> 00:22:35,480

I'm sorry.

342

00:22:54,249 —> 00:22:56,502

[sobs]

343

00:23:15,646 —> 00:23:17,356

[crying]

344

00:23:35,749 —> 00:23:36,917

[person] James Millet.

345

00:23:39,336 —> 00:23:40,337

Yeah.

346

00:23:41,171 —> 00:23:42,172

[grunts]

347

00:23:44,007 —> 00:23:45,008

Right this way.

348

00:23:50,681 —> 00:23:52,474

[person]

And when did you start abusing opioids?

349

00:23:53,225 —> 00:23:54,518

2004.

350

00:23:55,602 —> 00:23:56,728

Work injury.

351

00:23:57,855 —> 00:23:59,898

Resulted in some back surgeries.

352

00:24:00,649 —> 00:24:01,984

And what caused the injury?

353

00:24:04,319 —> 00:24:05,404

Does that matter?

354

00:24:05,904 —> 00:24:07,698

If it didn't, I wouldn't ask.

355

00:24:12,035 —> 00:24:13,161

Lariat takedown.

356

00:24:17,124 —> 00:24:18,125

I used to wrestle.

357

00:24:19,126 —> 00:24:21,003

["Dawn Chorus" continues]

358

00:24:46,195 —> 00:24:47,321

Hey, Marg.

359

00:24:49,198 —> 00:24:50,199

[chuckles]

360

00:25:01,752 —> 00:25:03,128

[door opens]

361

00:25:05,214 —> 00:25:06,715

["Dawn Chorus" ends]

362

00:25:19,520 —> 00:25:20,604

You remember?

363

00:25:23,315 —> 00:25:24,483

Preserved in amber.

364

00:25:29,029 —> 00:25:31,448

Well, you can sleep in here. It's a full.

365

00:25:32,074 —> 00:25:34,785

Um. Or on the couch.

366

00:25:35,619 —> 00:25:39,206

Or Margo's old futon is in the spare room.

367

00:25:40,457 —> 00:25:42,084

How much stuff are you bringing?

368

00:25:43,377 —> 00:25:44,753

Uh, just some boxes.

369

00:25:45,754 —> 00:25:47,047

An old punching bag.

370

00:25:51,718 —> 00:25:52,928

I'm picking them up later.

371

00:25:53,011 —> 00:25:54,555

[fridge door opens, closes]

372

00:25:55,222 —> 00:25:56,557

[soda can opens]

373

00:25:58,433 —> 00:26:00,352

So, um...

374

00:26:01,770 —> 00:26:06,024

I'll come by, um, I don't know,

once a week or so

375

00:26:06,108 —> 00:26:08,235

to pick out the clothes

I keep at Kenny's house

376

00:26:08,318 —> 00:26:13,156

and I'll expect you to get lost

for an hour or two.

377

00:26:13,240 —> 00:26:14,449

Understood.

378

00:26:18,161 —> 00:26:20,455

No fireworks, okay?

379

00:26:20,539 —> 00:26:22,541

No loud music after dark.

380

00:13:00,781 —> 00:13:02,199

Olive branch.

209

00:13:02,282 —> 00:13:03,283

Nice-y nice.

210

00:13:10,123 —> 00:13:11,458

[mediator] Welcome back.

211

00:13:14,711 —> 00:13:18,048

Before we begin, a little bit of news.

212

00:13:18,799 —> 00:13:21,426

I have the eval results from Dr. Sharp.

213

00:13:23,303 —> 00:13:26,390

Turning to the highlighted section.

214

00:13:28,308 —> 00:13:29,351

[smacks lips]

215

00:13:29,434 —> 00:13:31,019

"From everything I've seen,

216

00:13:31,103 —> 00:13:33,605

Margo Millet is psychologically fit

217

00:13:33,689 —> 00:13:37,651

to retain full legal

and physical custody of Bodhi."

218

00:13:41,947 —> 00:13:43,740

- Great.

- [mediator] Okay then.

219

00:13:43,824 —> 00:13:46,618

This matter was precipitated

on the petitioner's belief

220

00:13:46,702 —> 00:13:49,663

that Margo was not psychologically fit.

221

00:13:50,664 —> 00:13:55,419

Based on the doctor's finding, do you

now choose to rescind your petition?

222

00:13:58,755 —> 00:13:59,882

I do not.

223

00:14:00,716 —> 00:14:01,717

Why not?

224

00:14:02,509 —> 00:14:05,596

I don't doubt your general fitness, Margo.

225

00:14:05,679 —> 00:14:07,472

Be it your ability to feed Bodhi,

226

00:14:07,556 —> 00:14:09,391

change his diaper, aspirate his nostrils...

227

00:14:09,474 —> 00:14:11,393

Great. Then what?

228

00:14:11,476 —> 00:14:16,023

Well, children today face moral challenges

like never before.

229

00:14:16,106 —> 00:14:18,025

They need ethical nurturing.

230

00:14:18,108 —> 00:14:19,109

[scoffs]

231

00:14:19,610 —> 00:14:20,694

You fucked a student.

232

00:14:20,777 —> 00:14:22,779

- Okay, um, Margo...

- Let me tell you something.

233

00:14:22,863 —> 00:14:24,573

You knew I was a married man,

234

00:14:24,656 —> 00:14:27,201

that there were children,

that there was a wife.

235

00:14:27,284 —> 00:14:29,536

Just because

you couldn't put faces onto them,

236

00:14:29,620 —> 00:14:32,080

it doesn't mean

that they weren't your victims as well.

237

00:14:32,164 —> 00:14:35,000

We were both complicit in my infidelity.

The difference was the stakes.

238

00:14:35,083 —> 00:14:37,794

I had everything to lose,

which I fucking did.

239

00:14:37,878 —> 00:14:40,005

But for you, it was a romp.

240

00:14:40,589 —> 00:14:42,758

I was stupid, but you were cruel.

241

00:14:42,841 —> 00:14:45,719

- How dare you?

- Anyway, this is not about blame.

242

00:14:45,802 —> 00:14:47,012

This is about moving forward.

243

00:14:47,095 —> 00:14:50,516

Right. And moving forward
requires a village,

244
00:14:50,599 —> 00:14:52,601
and hers is comprised of sex workers,

245
00:14:52,684 —> 00:14:55,854
parents who commit violence,
one of which is a heroin addict, mind you,

246
00:14:55,938 —> 00:14:59,274
and a roommate
who genuinely thinks that she's an elf.

247
00:14:59,358 —> 00:15:02,194
I would settle for joint custody.

248
00:15:02,778 —> 00:15:04,196
- [Margo breathes shakily]
- Great.

249
00:15:04,279 —> 00:15:06,657
Yes, but for the first two years,

250

00:15:06,740 —> 00:15:11,620

I would ask that all interactions

with Bodhi and Margo be supervised.

251

00:15:11,703 —> 00:15:13,372

[enraged music plays]

252

00:15:13,455 —> 00:15:15,082

You can go fuck yourself.

253

00:15:15,165 —> 00:15:17,376

Let's take a step back.

254

00:15:17,459 —> 00:15:19,419

[Margo] He's taken a giant leap back.

255

00:15:19,503 —> 00:15:23,090

First of all, you called

Child Protective Services on me.

256

00:15:23,173 —> 00:15:26,218

- Uh...

- Then you had me examined by a shrink.

257

00:15:26,301 —> 00:15:28,679

- [Lace] Margo.

- What are you so afraid of, Mark?

258

00:15:28,762 —> 00:15:31,306

- That Bodhi's gonna grow up to be me?

- [Lace whispers] Margo.

259

00:15:31,390 —> 00:15:33,350

What if he should grow up to be you?

260

00:15:33,433 —> 00:15:34,434

A coward.

261

00:15:34,518 —> 00:15:35,936

All right. Let's stop it now.

262

00:15:36,019 —> 00:15:37,563

- [Mark] I won't have my son...

- Right now.

263

00:15:37,646 —> 00:15:39,857

- ...raised by a pervert.

- [Lace] Margo.

264

00:15:39,940 —> 00:15:42,568

- [screaming]

- [screaming]

265

00:15:43,610 —> 00:15:45,988

I want it on record

that she launched at me.

266

00:15:46,071 —> 00:15:47,823

I mean, violence is in her DNA.

267

00:15:47,906 —> 00:15:49,491

[panting, growling]

268

00:15:49,575 —> 00:15:54,246

[Shyanne] She did the one thing

she was expressly told not to do.

269

00:15:54,913 —> 00:15:56,164

Inflame him.

270

00:15:57,749 —> 00:15:58,834

So what happens now?

271

00:15:58,917 —> 00:16:01,378

[sighs] Superior Court.

272

00:16:02,629 —> 00:16:05,132

And according to Lace,

she drew a nasty judge,

273

00:16:05,215 —> 00:16:08,844

who was

in his own custody battle and lost.

274

00:16:08,927 —> 00:16:10,179

It's not good.

275

00:16:10,262 —> 00:16:11,638

All she had to do was play nice.

276

00:16:11,722 —> 00:16:14,349

Lace told her, "Play nice. Don't react."

277

00:16:14,433 —> 00:16:15,434

And what does she do?

278

00:16:15,517 —> 00:16:17,477

She is her mother's daughter.

279

00:16:20,022 —> 00:16:22,191

We don't suffer bullies, this family.

280

00:16:25,152 —> 00:16:26,361

What are we gonna do?

281

00:16:27,696 —> 00:16:30,991

- She might...

- When's the hearing? The Superior Court.

282

00:16:31,074 —> 00:16:36,079

Next Tuesday. Lace wants all of us

to be there, the whole ex-extended...

283
00:16:37,956 —> 00:16:39,458
- thing.
- So we'll be there.

284
00:16:40,459 —> 00:16:41,668
Whole extended thing.

285
00:16:41,752 —> 00:16:45,839
Okay, you can't be strung out or show up,
like, with a needle in your neck or...

286
00:16:45,923 —> 00:16:47,799
[emotional music playing]

287
00:16:49,092 —> 00:16:50,093
I'm sorry.

288
00:16:53,138 —> 00:16:56,600
If this judge takes away this baby,
she will never get him back.

289

00:16:57,309 —> 00:16:58,769

She will never see him again.

290

00:17:00,521 —> 00:17:05,901

So, originally,

this room belonged to Katie and Katherine.

291

00:17:05,983 —> 00:17:07,778

And in this story we'll call them...

292

00:17:07,861 —> 00:17:10,864

[silly voice] ...the wicked stepsisters.

293

00:17:10,948 —> 00:17:13,742

They weren't wicked. Just judgmental.

294

00:17:13,825 —> 00:17:16,494

Uh, they were wicked.

295

00:17:16,578 —> 00:17:19,039

Don't be teaching him

unflattering stereotypes.

296

00:17:19,122 —> 00:17:20,123

[scoffs] Fine.

297

00:17:20,207 —> 00:17:23,335

Um, so then it belonged to your grandpa,

298

00:17:23,417 —> 00:17:25,503

and we'll call him...

299

00:17:25,587 —> 00:17:29,591

[silly voice]

...the enchanted bear, who can talk.

300

00:17:29,675 —> 00:17:31,760

- And you'll see him tomorrow.

- [Bodhi coos]

301

00:17:31,844 —> 00:17:34,513

- You'll see Grandpa and Susie.

- [Susie] Mm-hmm.

302

00:17:35,013 —> 00:17:36,014
Hey.

303
00:17:36,515 —> 00:17:37,558
- [Margo] Mom.
- [Susie] Oh, hi.

304
00:17:37,641 —> 00:17:40,060
- [Bodhi whines]
- And you, quiet, I'm not gonna touch you.

305
00:17:41,937 —> 00:17:43,105
Will you excuse us, Susie?

306
00:17:43,188 —> 00:17:44,982
Uh, yeah, yeah.

307
00:17:45,065 —> 00:17:48,944
We gotta write
the rest of this fairy tale, don't we?

308
00:17:49,027 —> 00:17:53,282
- Whoa. [vocalizing]

- [Bodhi babbling, giggling]

309

00:17:54,575 —> 00:17:56,785

- What's up?

- [sighs] Well...

310

00:17:58,412 —> 00:17:59,580

tomorrow's the big day.

311

00:18:00,831 —> 00:18:04,918

[smacks lips] I brought you

some shoes and a little Carti

312

00:18:05,419 —> 00:18:07,087

for your go-to-court outfit,

313

00:18:07,171 —> 00:18:12,634

so you can present

both smart and responsible

314

00:18:12,718 —> 00:18:15,304

and, uh, I got dump lump

a little ensemble too.

315

00:18:15,387 —> 00:18:18,056

What's, uh... What's going on here?

316

00:18:19,099 —> 00:18:21,101

Uh, well, it's a...

317

00:18:21,185 —> 00:18:24,521

a space alien photo shoot for my, uh...

318

00:18:24,605 —> 00:18:27,608

Yeah. Your... Your OnlyFans thing.

319

00:18:27,691 —> 00:18:28,775

- Yes.

- Yeah.

320

00:18:29,359 —> 00:18:30,360

Well,

321

00:18:30,944 —> 00:18:36,575

a lot of people seem to love

science fiction and, uh, space aliens, so...

322

00:18:37,492 —> 00:18:41,955

Yes, I, uh...

I expect it to be brilliantly written.

323

00:18:42,039 —> 00:18:43,040

[chuckles]

324

00:18:44,124 —> 00:18:45,125

Mom,

325

00:18:46,293 —> 00:18:49,129

best to just, uh, brace you for this now.

326

00:18:49,213 —> 00:18:50,964

It's not happening today or tomorrow

327

00:18:51,048 —> 00:18:54,510

or anytime before

the custody thing is settled.

328

00:18:54,593 —> 00:18:58,347
But at some point, in order to...

329
00:19:00,057 —> 00:19:06,188
fully realize my creative fulfillment
and financial security,

330
00:19:07,105 —> 00:19:09,691
I will be artfully... [sighs]

331
00:19:10,817 —> 00:19:12,486
[sighs]

332
00:19:12,569 —> 00:19:14,780
...rendering my tunnel of love.

333
00:19:21,370 —> 00:19:22,371
Okay.

334
00:19:23,121 —> 00:19:26,500
[inhales deeply] Well, um...

335

00:19:31,463 —> 00:19:32,464
Noodle,

336
00:19:34,424 —> 00:19:38,262
I will give up my old place,
all my face creams, everything.

337
00:19:38,345 —> 00:19:40,430
I... I can find money.

338
00:19:40,514 —> 00:19:42,015
[inhales shakily] Um,

339
00:19:43,016 —> 00:19:44,017
you know, we can...

340
00:19:45,060 —> 00:19:47,521
- we can figure this out together.
- I've done the math, Mom.

341
00:19:48,021 —> 00:19:50,482
This pays for health care,
childcare, rent.

342

00:19:50,566 —> 00:19:51,942

And I can do it from home.

343

00:19:53,318 —> 00:19:54,319

[stammers]

344

00:19:55,320 —> 00:19:58,448

[stammers] Honestly,

even if you did give me the money to stop,

345

00:20:00,117 —> 00:20:01,493

I'm not sure I'd want to.

346

00:20:04,496 —> 00:20:06,540

And this room is not done yet.

347

00:20:06,623 —> 00:20:08,417

But you have to trust me.

348

00:20:09,084 —> 00:20:11,795

What comes out of here is going to be art.

349

00:20:12,296 —> 00:20:16,383

Creative, science-fictional splendor.

350

00:20:17,885 —> 00:20:19,386

Ah,

351

00:20:20,095 —> 00:20:23,390

the splendor of your poon.

352

00:20:24,850 —> 00:20:28,896

[chuckles] Don't say it like that,

like it's something disgusting.

353

00:20:28,979 —> 00:20:29,980

[chuckles]

354

00:20:31,148 —> 00:20:34,943

Do you know where I heard that?

That bodies aren't disgusting?

355

00:20:35,986 —> 00:20:38,113

- Elmo?

- When I was three years old,

356

00:20:38,197 —> 00:20:40,490

- I walked in on you naked.

- Mm-mmm.

357

00:20:41,366 —> 00:20:42,618

In your full glory.

358

00:20:42,701 —> 00:20:44,786

And that's what you called it, your glory.

359

00:20:45,454 —> 00:20:46,997

- You remember?

- No.

360

00:20:47,080 —> 00:20:51,168

And you went on this whole diatribe about...

361

00:20:54,087 —> 00:20:56,298

human anatomy

362

00:20:56,381 —> 00:21:00,511

and how women shouldn't feel shame.

363

00:21:00,594 —> 00:21:01,803

And you weren't ashamed.

364

00:21:03,555 —> 00:21:06,892

And in fact, you said you had

the best vagina on the planet.

365

00:21:06,975 —> 00:21:09,853

- [chuckling] I did not say that.

- Mm-hmm.

366

00:21:09,937 —> 00:21:11,396

- I did not say that.

- Yep.

367

00:21:11,897 —> 00:21:14,191

- [groaning] Oh, my God.

- [chuckles]

368

00:21:14,274 —> 00:21:16,527

Well, I...

369

00:21:17,236 —> 00:21:19,196

- I maybe took it too far.

- [laughing]

370

00:21:19,279 —> 00:21:20,989

I was panicked.

371

00:21:21,073 —> 00:21:23,784

You just burst in

372

00:21:23,867 —> 00:21:27,454

- and-and... [stammers] I ad-libbed like...

- On the planet! [chuckling]

373

00:21:27,538 —> 00:21:30,916

[scoffs, chuckles] Okay.

You will not bring that up in court.

374

00:21:30,999 —> 00:21:33,252

[both laughing]

375

00:21:44,137 —> 00:21:47,891

[panting, crying]

376

00:21:56,859 —> 00:21:58,485

Oh, hey.

377

00:21:59,820 —> 00:22:01,530

Mama, I'm scared.

378

00:22:01,613 —> 00:22:02,865

[Shyanne] Hey, hey, hey, hey.

379

00:22:03,740 —> 00:22:05,200

Come, I know, I know.

380

00:22:05,742 —> 00:22:08,245

I know, I know, I know, okay, I know.

381

00:22:08,745 —> 00:22:10,747

I know, hon. I know, I know.

382

00:22:11,331 —> 00:22:14,710

- I'm so scared. [crying]

- I know, hon. I know you are, noodle.

383

00:22:14,793 —> 00:22:17,296

[emotional music playing]

384

00:22:20,257 —> 00:22:22,593

What if they take him from me?

385

00:22:22,676 —> 00:22:24,678

That's not gonna happen. No.

386

00:22:26,096 —> 00:22:27,556

We're gonna win this thing.

387

00:22:28,140 —> 00:22:29,808

[sniffles]

388

00:22:29,892 —> 00:22:32,519

[dramatic music plays]

389

00:23:08,805 —> 00:23:09,848

All set?

390

00:23:10,432 —> 00:23:12,059

- Pretty much.

- [Lace] Ah, good.

391

00:23:12,559 —> 00:23:14,394

Now, just like we talked about,

392

00:23:14,978 —> 00:23:16,355

firm but humble.

393

00:23:17,105 —> 00:23:18,357

I need to pee.

394

00:23:18,440 —> 00:23:19,566

[Lace] Sure. Over there.

395

00:23:20,317 —> 00:23:22,819

And a reminder about, uh, decorum.

396

00:23:23,612 —> 00:23:25,781

This judge can be a tyrant,

but he is fair, so...

397

00:23:26,365 —> 00:23:27,866

Will we be called to testify?

398

00:23:27,950 —> 00:23:31,203

I doubt it, but with him...

[scoffs] ...anything often goes.

399

00:23:31,286 —> 00:23:32,621

[elevator bell dings]

400

00:23:33,705 —> 00:23:36,375

[tense music playing]

401

00:23:43,757 —> 00:23:46,552

Okay, I'm gonna get you

to wait out here with Bodhi.

402

00:23:46,635 —> 00:23:49,012

If we need anything,

I'll let you know, okay?

403

00:23:49,847 —> 00:23:50,931

[babbling]

404

00:23:54,351 —> 00:23:55,352

[tender music playing]

405

00:23:55,435 —> 00:23:57,938

[breathing shakily]

406

00:24:04,027 —> 00:24:07,447

- [babbling]

- [chuckling, blowing]

407

00:24:09,116 —> 00:24:10,951

- [chuckles]

- [giggles]

408

00:24:11,493 —> 00:24:13,954

- [blowing]

- [babbling]

409

00:24:17,457 —> 00:24:21,461

[breathing shakily, blows]

410

00:24:31,597 —> 00:24:33,265

- [Lace] All set?

- [Shyanne] Set.

411

00:24:34,600 —> 00:24:35,726

Locked and loaded.

412

00:24:35,809 —> 00:24:36,977

Is that the expression?

413

00:24:38,187 —> 00:24:39,188

It is.

414

00:24:41,481 —> 00:24:43,317

You need to win this for my little girl.

415

00:24:43,984 —> 00:24:45,068

She needs to win it.

416

00:24:46,445 —> 00:24:48,780

- But I'm gonna be right by her side.

- [sighs]

417

00:24:50,532 —> 00:24:51,533

I'm sorry.

418

00:24:53,577 —> 00:24:55,037

- What for?

- I don't know.

419

00:24:55,621 —> 00:24:57,831

Maybe... [inhales shakily, sighs]

420

00:24:57,915 —> 00:24:58,916

Maybe all of it.

421

00:24:58,999 —> 00:25:00,792

Margo's plight. Jinx...

422

00:25:01,585 —> 00:25:03,337

Why would you be sorry for that?

423

00:25:03,420 —> 00:25:06,715

Well, yeah,

I probably shouldn't be. [chuckles]

424

00:25:07,299 —> 00:25:10,802

I've come across a lot of people in life

who need to apologize for themselves.

425

00:25:10,886 —> 00:25:12,721

You would not be one of them.

426

00:25:15,557 —> 00:25:16,558

Thank you.

427

00:25:17,142 —> 00:25:19,061

[tender music plays]

428

00:25:20,938 —> 00:25:23,357

Lock and load.

429

00:25:25,150 —> 00:25:26,151
Okay.

430
00:25:28,070 —> 00:25:30,948
[inhales deeply, sighs]

431
00:25:31,698 —> 00:25:33,242
Lock and load.

432
00:25:33,325 —> 00:25:34,660
Lock and load.

433
00:25:34,743 —> 00:25:36,745
[tense music playing]

434
00:25:40,499 —> 00:25:41,500
[whispers] Hi.

435
00:25:42,209 —> 00:25:43,710
Okay. There.

436
00:25:43,794 —> 00:25:45,754

[Margo] They subpoenaed KC and Rose.

437

00:25:45,838 —> 00:25:48,757

- Yes. Yes, I saw that.

- Why would he subpoena them?

438

00:25:50,175 —> 00:25:51,969

[whispers] Let's just focus. Hmm?

439

00:25:52,636 —> 00:25:54,012

- [door opens]

- [clerk] All rise.

440

00:25:55,097 —> 00:25:58,600

Case number 32643, in re: Millet,

441

00:25:59,184 —> 00:26:01,311

the Honorable Justice

Andrew Spence presiding,

442

00:26:01,395 —> 00:26:03,564

this case is now in session. Be seated.

443

00:26:03,647 —> 00:26:06,149

[Judge Spence] I read all the papers,

and this is nonsense.

444

00:26:06,233 —> 00:26:08,235

When a child custody dispute

reaches this point,

445

00:26:08,318 —> 00:26:11,697

when it comes to a Superior Court judge,

then nonsense has had its way.

446

00:26:11,780 —> 00:26:12,990

You, sir, on your feet.

447

00:26:16,618 —> 00:26:17,995

You impregnate a student,

448

00:26:18,579 —> 00:26:20,497

and now you dare

to seek custody of the child?

449

00:26:20,581 —> 00:26:22,583
I'll tell you now, right now,
Mr. Biological Father,

450
00:26:22,666 —> 00:26:23,834
this case has a stink,

451
00:26:23,917 —> 00:26:26,461
and I've good reason
to believe the waft starts with you.

452
00:26:27,254 —> 00:26:28,839
I-I deserve the blame.

453
00:26:29,423 —> 00:26:32,467
And yet you're here today
asking Ms. Millet to pay the price.

454
00:26:36,054 —> 00:26:37,973
Well, I also have paid the price.

455
00:26:38,056 —> 00:26:40,350
- Whose fault is that?

- [Mark clears throat] As I said, mine.

456
00:26:41,059 —> 00:26:45,147
Your Honor, it's been
very difficult for me to look at myself.

457
00:26:46,899 —> 00:26:50,819
But when I do,
when I stare into the mirror,

458
00:26:50,903 —> 00:26:52,863
the main question becomes,
"What about the child?"

459
00:26:53,572 —> 00:26:55,824
This isn't about who gets to win,

460
00:26:55,908 —> 00:26:59,703
it's-it's about preventing
an innocent child from losing.

461
00:27:01,705 —> 00:27:05,542
Margo's a sex worker. She's posted photos

online as recent as this week.

462
00:27:06,293 —> 00:27:08,253
I can provide a more stable home.

463
00:27:09,129 —> 00:27:10,589
And I'll do so.

464
00:27:12,299 —> 00:27:13,300
[Judge Spence] And you.

465
00:27:18,138 —> 00:27:20,057
You stand there proud of yourself,
young lady?

466
00:27:20,807 —> 00:27:23,602
I doubt anyone truly feels
proud of themselves, Your Honor.

467
00:27:23,685 —> 00:27:24,686
You think that's an answer?

468

00:27:25,896 —> 00:27:28,190
I've given Bodhi a good home.

469
00:27:29,525 —> 00:27:32,945
I've raised him with my love
and the love of his grandparents.

470
00:27:33,028 —> 00:27:34,821
I have provided for my son.

471
00:27:35,489 —> 00:27:38,951
And just because people find
what I do to be distasteful,

472
00:27:39,034 —> 00:27:43,622
it doesn't make it illegal or wrong
or disqualify me from being his parent.

473
00:27:44,456 —> 00:27:48,418
My answer? Yeah, I am proud.

474
00:27:49,127 —> 00:27:50,838
You disagree

the father should have custody.

475

00:27:52,381 —> 00:27:53,674

He's a stranger to Bodhi.

476

00:27:53,757 —> 00:27:55,217

You deem him unfit? Dangerous?

477

00:27:56,134 —> 00:27:57,803

I deem him to be a stranger.

478

00:28:01,431 —> 00:28:03,225

You, sir. You're the grandfather?

479

00:28:03,308 —> 00:28:06,061

- Uh, I am.

- Nice to meet you. Is it nice to meet me?

480

00:28:06,144 —> 00:28:08,522

You like meeting people? You like

shaking hands when you meet people?

481

00:28:08,605 —> 00:28:10,607
You wanna shake my hand
the way you shook his?

482
00:28:10,691 —> 00:28:12,150
I do not. [grunts]

483
00:28:12,234 —> 00:28:13,735
You apologize to this man?

484
00:28:13,819 —> 00:28:15,112
- I did not.
- Because?

485
00:28:15,195 —> 00:28:16,321
Restraining order.

486
00:28:18,574 —> 00:28:20,701
- [Judge Spence] You on drugs?
- [Jinx] Methadone.

487
00:28:20,784 —> 00:28:23,203
- [Judge Spence] You're an addict?

- Hundred percent.

488

00:28:23,287 —> 00:28:26,206

Caretaker of the child.

You were alone with him?

489

00:28:26,290 —> 00:28:30,127

Once I relapsed, I ceased being a

caretaker and moved out of the household.

490

00:28:32,546 —> 00:28:34,965

And the, uh, grandmother.

You chose to leave Grandmother at home?

491

00:28:35,048 —> 00:28:36,091

Uh...

492

00:28:36,967 —> 00:28:38,135

I'm the grandmother.

493

00:28:45,225 —> 00:28:47,603

You like to hit people,

punch 'em in the mouth?

494

00:28:48,854 —> 00:28:52,858

Only her, and I apologized.

495

00:28:53,859 —> 00:28:57,196

You, ma'am. What did you say to her?

496

00:28:58,030 —> 00:28:59,615

[Elizabeth] I don't really recall.

497

00:28:59,698 —> 00:29:02,075

You got punched in the mouth over it.

You don't recall?

498

00:29:04,745 —> 00:29:08,498

I objected to her daughter

sexually preying on my son.

499

00:29:08,582 —> 00:29:12,377

"Snatty-ratty." You spoke those words?

500

00:29:13,128 —> 00:29:14,838

[tense music playing]

501

00:29:16,840 —> 00:29:19,426

Well, we've got quite the collective here,

don't we?

502

00:29:22,513 —> 00:29:23,597

Who are you?

503

00:29:23,680 —> 00:29:25,182

I'm the step-grandfather.

504

00:29:25,265 —> 00:29:26,475

Did I ask you to stand?

505

00:29:26,558 —> 00:29:28,310

Uh... [clears throat]

506

00:29:29,895 —> 00:29:31,271

And those two back there.

507

00:29:32,231 —> 00:29:34,441

Those are the two sex worker colleagues
you subpoenaed?

508
00:29:34,525 —> 00:29:36,985
- [Lawrence] They are, Your Honor.
- There is no law

509
00:29:37,069 —> 00:29:39,488
that disqualifies sex workers
from being parents.

510
00:29:39,571 —> 00:29:43,534
Your Honor,
our argument is more about the totality,

511
00:29:44,034 —> 00:29:47,871
the sex work, the drug addict grandfather,
the vicious grandmother.

512
00:29:47,955 —> 00:29:49,456
- May I speak?
- [chuckles] Please.

513

00:29:49,540 —> 00:29:50,916

- No, Jinx...

- This-This person has

514

00:29:50,999 —> 00:29:52,501

- demeaned my family.

- Jinx, I have... Jinx!

515

00:29:52,584 —> 00:29:54,294

- [Shyanne] Sit down.

- [exhales heavily]

516

00:29:59,675 —> 00:30:01,260

- Bring the child in here.

- [Lace] Yes.

517

00:30:03,470 —> 00:30:05,305

Dad, you can't just jump up.

518

00:30:05,389 —> 00:30:07,057

He has to call on you.

519

00:30:07,140 —> 00:30:10,811

This isn't a ring where you get
to leap in off the turnbuckle.

520
00:30:11,979 —> 00:30:13,522
[door opens]

521
00:30:13,605 —> 00:30:15,732
[tense music playing]

522
00:30:18,277 —> 00:30:19,278
Step right up here.

523
00:30:22,906 —> 00:30:25,534
- You are the roommate?
- Yes, yeah.

524
00:30:25,617 —> 00:30:27,369
Uh, and this is little Bodhi.

525
00:30:35,752 —> 00:30:37,171
- [babbles]
- [Susie gasps]

526

00:30:38,130 —> 00:30:39,923

- [giggles]

- [gasps]

527

00:30:42,968 —> 00:30:44,344

Hand the baby to his mother, please.

528

00:30:45,804 —> 00:30:47,055

[Margo sighs]

529

00:30:48,265 —> 00:30:50,559

- [Bodhi cooing, giggling]

- Here's Mama.

530

00:30:50,642 —> 00:30:54,146

[chuckles, sighs]

531

00:30:55,647 —> 00:30:58,650

- [giggling continues]

- [chuckles]

532

00:30:58,734 —> 00:31:02,321

And the village, the family unit which

the petitioner disparages in his papers.

533

00:31:02,404 —> 00:31:05,324

- This here is the village?

- Yes, sir.

534

00:31:06,700 —> 00:31:07,993

Pass the baby to the grandfather.

535

00:31:09,286 —> 00:31:12,497

- [Bodhi coos, babbles]

- [sniffles, exhales heavily]

536

00:31:17,336 —> 00:31:18,462

Hey, little man.

537

00:31:19,546 —> 00:31:20,631

What's going on?

538

00:31:21,381 —> 00:31:25,219

- [Bodhi giggling]

- [Jinx] What's going on? [chuckles]

539

00:31:26,094 —> 00:31:28,555

[growls]

540

00:31:29,139 —> 00:31:30,307

Pass the baby to the grandmother.

541

00:31:33,477 —> 00:31:36,313

[Bodhi babbles]

542

00:31:39,274 —> 00:31:42,986

- [babbling]

- Hey.

543

00:31:45,155 —> 00:31:46,156

[chuckles]

544

00:31:50,953 —> 00:31:52,996

[Bodhi whines]

545

00:31:57,709 —> 00:31:59,461

There you go. [breathes shakily]

546

00:31:59,545 —> 00:32:01,046

[Bodhi babbling]

547

00:32:01,672 —> 00:32:04,675

- Hey... Hi. Hi.

- [babbling continues]

548

00:32:04,758 —> 00:32:06,176

[Shyanne sobbing]

549

00:32:06,260 —> 00:32:08,303

[tender music playing]

550

00:32:10,472 —> 00:32:11,473

Hi.

551

00:32:12,307 —> 00:32:13,308

Hi, baby.

552

00:32:14,268 —> 00:32:16,186

[Bodhi giggles]

553

00:32:16,895 —> 00:32:18,730

- What's with the tears?

- [sniffles]

554

00:32:20,566 —> 00:32:23,777

Hay fever. [chuckles, sobs]

555

00:32:24,778 —> 00:32:26,238

Take the boy to his father.

556

00:32:28,073 —> 00:32:29,449

[sniffles] Okay.

557

00:32:29,533 —> 00:32:30,826

[chuckles]

558

00:32:31,869 —> 00:32:32,953

[sobs, sniffles]

559

00:32:33,036 —> 00:32:34,830

[tense music playing]

560

00:32:40,711 —> 00:32:43,380

[breathing shakily]

561

00:32:48,385 —> 00:32:49,928

- [grunts]

- [Bodhi whines]

562

00:32:51,221 —> 00:32:52,598

[grunts]

563

00:32:52,681 —> 00:32:56,310

[Bodhi whines, wailing]

564

00:32:59,855 —> 00:33:01,106

[huffs]

565

00:33:01,732 —> 00:33:03,442

[crying]

566

00:33:05,110 —> 00:33:07,404

[cooing, babbling]

567

00:33:07,905 —> 00:33:11,241

[Mark sobbing]

568

00:33:11,325 —> 00:33:12,326

And why are you crying?

569

00:33:12,409 —> 00:33:16,038

[breathes shakily]

It's the first time I've held my son.

570

00:33:18,707 —> 00:33:21,376

As I look at her holding him...

571

00:33:22,419 —> 00:33:24,296

[sniffles, gulps] ...it could be argued

572

00:33:24,379 —> 00:33:28,800

that my poor judgment

has bestowed an incredible windfall.

573

00:33:30,969 —> 00:33:31,970

To them.

574

00:33:32,054 —> 00:33:34,598

[inhales shakily] To me.

575

00:33:35,891 —> 00:33:37,351

[breathing shakily]

576

00:33:39,353 —> 00:33:40,979

You see me holding him.

577

00:33:42,856 —> 00:33:45,234

Him being held by me.

578

00:33:47,236 —> 00:33:49,655

As a mother holds her child.

579

00:33:49,738 —> 00:33:50,739

[breathes shakily]

580

00:33:52,658 —> 00:33:54,034

This is my son.

581

00:33:54,910 —> 00:33:56,328

[Bodhi coos]

582

00:33:56,411 —> 00:33:57,412

I am his mother.

583

00:33:57,996 —> 00:33:59,331

[breathes shakily]

584

00:33:59,414 —> 00:34:00,666

I am his mother.

585

00:34:23,688 —> 00:34:25,399

This child should know his father.

586

00:34:25,482 —> 00:34:26,733

[attendees murmuring]

587

00:34:26,817 —> 00:34:29,527

Primary custody goes to the mother.

He gets the child two weekends a month.

588

00:34:29,610 —> 00:34:31,737

My clerk will draft

and issue the order. Adjourned.

589

00:34:32,322 —> 00:34:34,616

- [gasps] What just happened?

- What ju... What... What happened?

590

00:34:35,367 —> 00:34:36,784

[whispers] You just won.

591

00:34:36,869 —> 00:34:38,245

- [gasps, laughing]

- [gasping]

592

00:34:38,328 —> 00:34:39,580

[Lace] You won.

593

00:34:39,663 —> 00:34:41,415

Oh, my baby.

594

00:34:41,498 —> 00:34:43,208

[tender music playing]

595

00:34:46,837 —> 00:34:48,839

[Margo crying] Hi.

596

00:34:49,505 —> 00:34:52,009

Hey. Yeah. [chuckles]

597

00:34:52,092 —> 00:34:54,136

[exclaiming]

598

00:34:54,219 —> 00:34:55,762

- [Shyanne] Are you serious? Oh!

- [chuckles]

599

00:34:55,846 —> 00:34:56,847

[Susie whispers] Good job.

600

00:34:57,806 —> 00:34:59,725

[Shyanne, Margo crying]

601

00:35:00,642 —> 00:35:02,227

- [sniffles]

- Yeah.

602

00:35:03,145 —> 00:35:04,146

Yeah.

603

00:35:09,109 —> 00:35:10,903

I'm actually a really good father.

604

00:35:13,655 —> 00:35:15,407

You'll see once you get to know me.

605

00:35:15,490 —> 00:35:17,868

- [coos]

- [sniffles, chuckles]

606

00:35:17,951 —> 00:35:18,952

That's good.

607

00:35:19,745 —> 00:35:22,539

Because I really do

want you to get to know him.

608

00:35:24,458 —> 00:35:26,335

Now, not later.

609

00:35:29,755 —> 00:35:31,048

This is your dad.

610

00:35:31,131 —> 00:35:33,675

- [chuckles] Hi.

- [cooing]

611

00:35:33,759 —> 00:35:36,220

[sniffles, mumbles]

612

00:35:37,304 —> 00:35:39,806

[chuckles, kisses]

613

00:35:40,516 —> 00:35:43,268

All right, I'm making

my special celebratory lasagna tonight.

614

00:35:43,352 —> 00:35:44,561

- Everybody's invited.

- [cheers]

615

00:35:44,645 —> 00:35:47,105

And I will make my super margaritas.

616

00:35:47,189 —> 00:35:48,190

- Hi.

- Oh, there she is.

617

00:35:48,273 —> 00:35:49,816

- Congratulations! [laughs]

- Congrats.

618

00:35:49,900 —> 00:35:50,943

- Thank you.

- Oh! You won.

619

00:35:51,026 —> 00:35:52,361

- Hi, lil cutie.

- You won.

620

00:35:52,444 —> 00:35:54,738

- You won, Bodhi!

- Yes, you did! You did!

621

00:35:54,821 —> 00:35:56,073

- We did!

- Oh, my gosh.

622

00:35:56,156 —> 00:35:58,033

- That was pretty badass.

- Um, can I just say

623

00:35:58,116 —> 00:36:00,285

you guys... you guys look hot.

624

00:36:00,369 —> 00:36:02,704

Oh... [giggles] ...coming from you?

625

00:36:02,788 —> 00:36:04,081

- [both] Thank you.

- Oh.

626

00:36:04,164 —> 00:36:08,752

Uh, by the way,

I never called Child Protective Services.

627
00:36:10,045 —> 00:36:11,046
That wasn't me. [chuckles]

628
00:36:13,549 —> 00:36:14,716
Wow.

629
00:36:14,800 —> 00:36:16,885
They can't just respond
to anonymous complaints.

630
00:36:16,969 —> 00:36:18,846
I mean,
it has to come from a reliable source.

631
00:36:19,805 —> 00:36:23,141
If he didn't do it, then... who?

632
00:36:24,643 —> 00:36:25,853
Who would do that?

633

00:36:28,230 —> 00:36:30,691
I... just as...

634
00:36:32,234 —> 00:36:33,527
as a precaution.

635
00:36:34,111 —> 00:36:35,362
[tense music playing]

636
00:36:35,445 —> 00:36:39,449
Just to make sure Bodhi was safe.

637
00:36:46,290 —> 00:36:50,085
When I saw Jinx
just lying there in that hospital

638
00:36:50,169 —> 00:36:54,298
and everyone just standing around
refusing to hold him to account,

639
00:36:54,381 —> 00:36:57,593
I wasn't looking to cost Margo custody,
of course not.

640

00:36:58,510 —> 00:37:02,264

You brought the cops

into our family business.

641

00:37:02,347 —> 00:37:04,558

You brought me into this family, Shyanne.

642

00:37:06,685 —> 00:37:08,645

Isn't it my job to try to protect them?

643

00:37:08,729 —> 00:37:09,897

Behind my back?

644

00:37:10,439 —> 00:37:11,940

What other choice did I have?

645

00:37:12,024 —> 00:37:15,110

You know, maybe I was

just trying to insulate you from...

646

00:37:16,445 —> 00:37:20,616

Give you the gift of deniability

because you weren't gonna do it.

647

00:37:20,699 —> 00:37:23,827

You were not gonna report Margo, Shyanne.

648

00:37:24,578 —> 00:37:26,079

Because you love her too much.

649

00:37:27,789 —> 00:37:29,416

And you sure

wouldn't have done it to Jinx.

650

00:37:31,919 —> 00:37:33,587

'Cause you love him too much too.

651

00:37:39,343 —> 00:37:41,887

[tender music playing]

652

00:37:41,970 —> 00:37:45,474

[Margo] Margo came from

a messy, complicated clan.

653

00:37:46,850 —> 00:37:53,232

A group of people who loved so completely,

it at times presented as pain.

654

00:37:55,150 —> 00:37:57,986

And her son will

have to grow up in that tangle.

655

00:37:58,862 —> 00:38:03,742

But he will thrive

because what choice does he have?

656

00:38:04,868 —> 00:38:09,039

And he will innately know

that adversity begets love

657

00:38:09,122 —> 00:38:10,874

with a special kind of vigor

658

00:38:11,750 —> 00:38:14,962

that allows you

to trust the ground under your feet

659

00:38:15,045 —> 00:38:20,592

and then launch your ship into the wild,

unknowable sea to seek your fortune.

660

00:38:24,137 —> 00:38:25,305

And maybe...

661

00:38:28,600 —> 00:38:30,477

catch yourself a whale.

662

00:38:30,561 —> 00:38:32,145

Cha-ching.

663

00:38:32,855 —> 00:38:35,023

[tender music playing]

664

00:38:35,107 —> 00:38:37,401

[Bodhi cooing]

665

00:38:40,779 —> 00:38:42,614

Good night, my baby.

666

00:38:45,701 —> 00:38:47,703

[sultry pop music playing on speakers]

667

00:39:02,885 —> 00:39:04,094

[Susie] Labor of love.

668

00:39:04,887 —> 00:39:06,138

It's perfect, Susie.

669

00:39:06,221 —> 00:39:07,222

[Susie chuckles]

670

00:39:07,306 —> 00:39:08,891

Oh. And the remote.

671

00:39:10,392 —> 00:39:12,227

- [sighs]

- Whenever you're ready.

672

00:39:14,062 —> 00:39:15,063

I'm ready.

673

00:39:20,402 —> 00:39:22,571

[music continues]

674

00:39:25,032 —> 00:39:26,950

[Margo] I'm the hungry ghost.

675

00:39:28,035 —> 00:39:30,245

[distorted voice]

You crawled into my phone.

676

00:39:30,996 —> 00:39:32,122

You're trapped here.

677

00:39:33,290 —> 00:39:34,291

Forever.

678

00:39:36,084 —> 00:39:37,503

I will eat you all.

679

00:39:38,879 —> 00:39:41,423

There will be no survivors.

680

00:39:48,514 —> 00:39:49,515

[camera shutter clicks]
