Dialogues from Taylor Swift: The End of an Era to improve the vocabulary in English

EP1: Welcome to the Eras Tour

1

00:00:04,087 –> 00:00:06,089

[♪ Mellow music playing]

2

00:00:33,033 –> 00:00:37,913

I wanna say we have done something

that no one has ever done.

3

00:00:39,623 –> 00:00:42,876

We have performed

for over ten million people in person.

4

00:00:43,544 –> 00:00:45,880

That's not like, "Oh, ten million people

watched a TV show,"

5

00:00:45,963 –> 00:00:48,131

-which is pretty amazing, too.

-[laughter]

6

00:00:49,550 —> 00:00:53,553

We performed for ten million-plus people.

7

00:00:55,055 —> 00:00:56,265

And...

8

00:00:57,140 —> 00:01:01,687

I think about every single one of you

as little kids.

9

00:01:02,521 —> 00:01:07,234

I think about the moment that you decided

that dancing was your calling.

10

00:01:07,901 —> 00:01:11,572

And the moment

that you first saw a band and thought,

11

00:01:11,655 —> 00:01:14,366

"Man, I wanna...

I wanna save up for an instrument."

12

00:01:14,449 —> 00:01:17,786

Every single one of us

has picked professions that,

13

00:01:19,288 —> 00:01:22,833

categorically, people,

for the majority of the time,

14

00:01:22,916 —> 00:01:24,168

they tell you

you shouldn't do it.

15

00:01:24,251 —> 00:01:26,503

They tell you,

you should not try to do this.

16

00:01:26,587 —> 00:01:29,715

You have to love the thing so much

17

00:01:29,798 —> 00:01:34,011

that you override 85 to 95%

18

00:01:34,094 —> 00:01:36,597

of the advice you are given

along the way by, often times,

19

00:01:36,680 —> 00:01:41,310

people that you respect, people you trust,

people in the field.

20

00:01:41,393 —> 00:01:45,105

Everyone in dance, everyone in music

will tell everyone younger

21

00:01:45,188 —> 00:01:48,900

if there's anything else you can do,

do that.

22

00:01:48,984 —> 00:01:49,985

[laughter]

23

00:01:51,236 —> 00:01:54,948

And so I'll see you getting rejected,

24

00:01:55,032 —> 00:01:58,452
not getting the job, not getting the part,
not getting the solo.

25
00:01:58,535 —> 00:01:59,536
Yeah.

26
00:01:59,619 —> 00:02:03,040
I'll see all of those things
that happened all along the way.

27
00:02:03,123 —> 00:02:05,000
The doors that were shut,
the doors that were open,

28
00:02:05,083 —> 00:02:06,835
the windows you pried open.

29
00:02:08,211 —> 00:02:10,601
And then sometimes
I'll see you when you're older.

30
00:02:10,964 —> 00:02:13,013

[voice breaks]
And I'll think about what...

31
00:02:13,634 —> 00:02:17,471
What you're going to tell your family
or the people that you mentor

32
00:02:17,554 —> 00:02:19,431
because every single person in here

33
00:02:19,514 —> 00:02:22,976
has the spirit to mentor others
and to tell them,

34
00:02:23,060 —> 00:02:28,273
"Yes, do it. Try it. Go for it,
if you have that same love for it."

35
00:02:28,357 —> 00:02:30,901
And I think about whether
that's to your grandchildren,

36
00:02:30,984 —> 00:02:32,527

or to the little neighbor kid

37
00:02:32,611 —> 00:02:35,294
that just wants to talk to you
about what that was like.

38
00:02:38,950 —> 00:02:42,913
Everyone likes to talk about phenomenons,
like "The Eras Tour,"

39
00:02:42,996 —> 00:02:46,124
almost as if it was pieces
falling into place

40
00:02:46,208 —> 00:02:50,629
in some sort of accidental confluence
of events that just happened, right?

41
00:02:51,922 —> 00:02:54,751
When I'm thinking about the people
that are in this circle,

42
00:02:55,425 —> 00:02:58,679

I don't think about it
as pieces that fell into place,

43
00:02:58,762 —> 00:03:02,557
I think of each of you as, like,
tectonic plates on the earth

44
00:03:03,809 —> 00:03:09,189
that took millions of...
of micro decisions

45
00:03:09,272 —> 00:03:15,529
and forces of you pushing and pushing
inch by inch closer together.

46
00:03:15,612 —> 00:03:19,074
And "The Eras Tour" wasn't
when all the pieces fell into place.

47
00:03:19,157 —> 00:03:22,494
That was just when every single one of us
had done so much work

48

00:03:22,577 —> 00:03:25,414
to where this tour was just
when we all clicked together.

49
00:03:25,497 —> 00:03:26,498
[crew member] Mm.

50
00:03:28,625 —> 00:03:31,837
[Taylor] It is our job
to make this look accidental,

51
00:03:31,920 —> 00:03:35,006
and it is our job
to make this look effortless.

52
00:03:35,090 —> 00:03:38,719
But I just want every single one of you
to know that I, in no way, shape or form,

53
00:03:38,802 —> 00:03:41,847
look at this as the pieces
just falling into place.

54

00:03:41,930 —> 00:03:43,598
You put the pieces where they are.

55
00:03:45,642 —> 00:03:49,104
This is the biggest challenge
any of us have ever done.

56
00:03:49,187 —> 00:03:51,857
Tonight, we complete that challenge.

57
00:03:51,940 —> 00:03:53,942
[people cheering]

58
00:04:03,743 —> 00:04:04,744
[cheering fades]

59
00:04:07,789 —> 00:04:09,791
[♪ Mellow music playing]

60
00:04:15,213 —> 00:04:17,800
[Taylor] I think I came up with the idea
for "The Eras Tour"

61

00:04:17,883 —> 00:04:20,343

about two years before the tour started.

62

00:04:20,427 —> 00:04:24,514

There were two main factors

that culminated in "The Eras Tour."

63

00:04:24,598 —> 00:04:26,767

Both of them were unpleasant.

64

00:04:27,392 —> 00:04:31,897

We think that these bad things

are happening to me or to us.

65

00:04:31,980 —> 00:04:36,651

If you flip it around correctly

and you react in a certain way,

66

00:04:36,735 —> 00:04:38,589

those things can be happening for you.

67

00:04:41,615 —> 00:04:45,744

The first one being my entire catalogue
of my first six albums

68
00:04:46,411 —> 00:04:48,663
was sold out from under me
to somebody else,

69
00:04:49,247 —> 00:04:55,086
and I decided to, sort of,
defiantly re-record all of my music.

70
00:04:56,713 —> 00:04:59,341
You know, when you revisit something,
you go back into that world.

71
00:04:59,424 —> 00:05:03,970
All this work is so indicative
of the time I was in in my life.

72
00:05:04,054 —> 00:05:05,764
I feel like I'm reading my old diaries,

73
00:05:05,847 —> 00:05:10,352

thinking about all the different girls
I was until I was this one.

74
00:05:10,435 —> 00:05:13,897
So that planted a little seed, inherently,
in my mind,

75
00:05:13,980 —> 00:05:15,982
the idea of celebrating your past.

76
00:05:16,775 —> 00:05:19,361
I think the second factor
being the pandemic.

77
00:05:19,444 —> 00:05:22,197
We've built a home studio in my house.

78
00:05:22,280 —> 00:05:25,784
I clung to songwriting
as a sort of life raft.

79
00:05:25,867 —> 00:05:29,204
Stop it! Stop, stop! I'm recording vocals.

80

00:05:30,163 —> 00:05:32,833

Folklore came out three or four months

into the pandemic.

81

00:05:32,916 —> 00:05:35,043

We put out evermore four months later.

82

00:05:35,126 —> 00:05:36,837

I hadn't toured in five years,

83

00:05:36,920 —> 00:05:40,215

and the fans had created

such demand for it.

84

00:05:40,298 —> 00:05:43,969

[crying] I've been loving Taylor Swift

since I was 11-years-old.

85

00:05:44,052 —> 00:05:45,846

Is she ever gonna go on tour again?

86

00:05:46,555 —> 00:05:47,931
[Taylor] And I just thought to myself,

87
00:05:48,014 —> 00:05:50,433
"What if I did a tour that celebrated

88
00:05:50,517 —> 00:05:53,895
all of these different moments
in my life and career,

89
00:05:53,979 —> 00:05:57,899
where you have chapters
divided up by albums

90
00:05:58,525 —> 00:06:01,945
"and everything changes
when the chapter changes?"

91
00:06:02,737 —> 00:06:05,699
She had said to us,
"This is gonna be over three hours."

92
00:06:05,782 —> 00:06:08,785

And we were just like,

"Oh, my God, How do we do this?"

93

00:06:10,245 —> 00:06:15,876

Not just planning, but executing

a tour of this size is mind-boggling.

94

00:06:16,585 —> 00:06:19,045

[Taylor] The process

of putting together this tour

95

00:06:19,129 —> 00:06:22,549

happened in many different phases

all over the world,

96

00:06:22,632 —> 00:06:24,718

happening simultaneously all at once.

97

00:06:24,801 —> 00:06:27,262

You had me doing my physical training

98

00:06:27,345 —> 00:06:29,181

six months before

we even go into rehearsals.

99
00:06:29,264 —> 00:06:31,975
At this time, the choreographers
goes in with the dancers.

100
00:06:32,058 —> 00:06:33,977
We've got the staging
and the production design

101
00:06:34,060 —> 00:06:37,814
happening simultaneously,
all to coincide with the same start date.

102
00:06:39,065 —> 00:06:41,260
[Whyley Yoshimura]
The first day of rehearsal,

103
00:06:41,526 —> 00:06:44,112
she got out of her car
and had tears in her eyes already.

104
00:06:44,195 —> 00:06:47,115

I'm weirdly emotional right now.

It's so nice to meet you. I'm Taylor.

105

00:06:47,198 —> 00:06:49,952

-Hi, I'm Kevin. Nice to meet you.

-Hey. So nice to meet you. I'm Taylor.

106

00:06:50,035 —> 00:06:51,036

-Hey.

-Sam. Nice to meet you.

107

00:06:51,119 —> 00:06:53,455

I mean, I've been doing this

for almost 20 years,

108

00:06:53,538 —> 00:06:56,625

a bunch of different artists.

I have never seen that.

109

00:06:56,708 —> 00:06:59,336

I have never seen the boss

come into rehearsal,

110

00:06:59,419 —> 00:07:03,048
crying with tears of happiness and passion

111
00:07:03,131 —> 00:07:04,924
about their job. [chuckles]

112
00:07:05,008 —> 00:07:08,511
We haven't done what we love
on a stage in five years.

113
00:07:08,595 —> 00:07:09,804
Let's go do this.

114
00:07:09,888 —> 00:07:13,183
The fans have been so amazing
and are so excited for the tour...

115
00:07:13,266 —> 00:07:15,602
[Taylor] I wanted
to over-serve the fans.

116
00:07:15,685 —> 00:07:17,062
-That was my main goal.

-[squealing]

117
00:07:17,145 —> 00:07:18,980
[Taylor] I wanted to over-serve them

118
00:07:19,064 —> 00:07:21,316
in terms of the amount of songs
they were gonna hear,

119
00:07:21,399 —> 00:07:22,942
the length of the show,

120
00:07:23,526 —> 00:07:25,779
what kinds of production
they were gonna see.

121
00:07:25,862 —> 00:07:29,699
Different styles of dance,
different worlds of dance, wardrobe.

122
00:07:29,783 —> 00:07:31,993
How far I was gonna push myself?

123

00:07:33,328 —> 00:07:34,412

Oh, my God. Okay.

124

00:07:34,496 —> 00:07:35,998

-Let's do it, my friend. Here we go.

-Yep.

125

00:07:36,081 —> 00:07:38,333

[Taylor] When you come up

with a goal like that,

126

00:07:38,416 —> 00:07:42,337

you just have to make a choice and decide

there's no going back on that choice.

127

00:07:42,420 —> 00:07:43,713

[dancers cheering]

128

00:07:43,797 —> 00:07:45,257

-[dancer 1] Let's go!

-[dancer 2] Whoo!

129

00:07:45,340 —> 00:07:46,383
It can be done!

130
00:07:46,800 —> 00:07:48,259
It can be done!

131
00:07:48,343 —> 00:07:50,178
[all cheering]

132
00:07:51,346 —> 00:07:53,640
Good morning, America. It's Taylor.

133
00:07:53,723 —> 00:07:56,602
I wanted to tell you something
that I've been so excited about

134
00:07:56,685 —> 00:07:57,852
for a really long time.

135
00:07:57,936 —> 00:08:00,939
I've been planning for ages,
and I finally get to tell you

136

00:08:01,022 —> 00:08:02,144

I'm going back on tour.

137

00:08:02,649 —> 00:08:05,735

Oh, my God! [squeals] Yes!

138

00:08:05,819 —> 00:08:07,362

We're doing something

very stressful today.

139

00:08:07,445 —> 00:08:09,072

Today is "Eras'" presale day.

140

00:08:09,155 —> 00:08:10,907

[softly] Why isn't it letting us in?

141

00:08:10,990 —> 00:08:12,492

[gasps] One-ninety-two!

142

00:08:13,493 —> 00:08:16,037

[gasps, screams] Oh, my God!

143

00:08:16,121 —> 00:08:18,123

We got row five! [inhales deeply]

144

00:08:18,206 —> 00:08:19,666

Oh, my God. [chuckles]

145

00:08:21,960 —> 00:08:27,966

[screaming] Shut up! Shut up! Shut up!

You did that! You did that!

146

00:08:28,049 —> 00:08:31,136

[both crying, laughing]

147

00:08:32,220 —> 00:08:36,141

[Taylor] I think I thought fans would be

excited about the idea of "The Eras Tour."

148

00:08:36,224 —> 00:08:38,309

-[laughs]

-This is not real.

149

00:08:38,393 —> 00:08:41,271

-[mother] Yes. Yes!

-It is? Really?

150

00:08:41,855 —> 00:08:44,358

This was a completely different thing

than I've ever experienced.

151

00:08:44,441 —> 00:08:48,445

Fans of Taylor Swift

crashed the Ticketmaster website today.

152

00:08:48,528 —> 00:08:51,573

[Allen] The demand to see

Taylor at that point,

153

00:08:51,656 —> 00:08:54,409

I... I don't think

anybody in the industry,

154

00:08:54,492 —> 00:08:56,911

expert or otherwise, would comprehend

155

00:08:57,787 —> 00:09:02,500

there was enough demand
to do 255 stadiums.

156
00:09:03,668 —> 00:09:06,337
I'm actually not in Glendale.
I'm in Swift City.

157
00:09:06,421 —> 00:09:08,924
-Officials actually changed the name...
-[correspondent] Oh, yeah.

158
00:09:09,007 —> 00:09:10,925
...from Glendale to Swift City

159
00:09:11,009 —> 00:09:13,428
in honor of the megastar
kicking off her tour.

160
00:09:13,511 —> 00:09:19,601
[Taylor] So we go from a detail-oriented,
methodical, exhaustive process,

161
00:09:19,684 —> 00:09:22,270

and all of a sudden, in the last week
leading up to the first show,

162
00:09:22,353 —> 00:09:25,356
everybody is firing on all cylinders.

163
00:09:25,440 —> 00:09:27,067
And then we had opening night.
