That's for you to find out.

172

00:07:17,300 —> 00:07:18,300

Now, good luck.

173

00:07:18,301 —> 00:07:20,833

And have fun, my little superstars!

174

00:07:25,766 —> 00:07:27,399

What did any of that mean?

175

00:07:27,400 —> 00:07:30,132

Oh, that's just one of Caine's

little adventures.

176

00:07:30,133 —> 00:07:33,199

They're just something fun to do

to, you know...

177

00:07:33,200 —> 00:07:35,932

prevent us from going insane.

[chuckles nervously]

178

00:07:35,933 —> 00:07:37,665

[Zooble] [sighs] Speak for yourself.

179

00:07:37,666 —> 00:07:40,532

If anyone needs me, then [sproing!] off.

180

00:07:40,533 —> 00:07:42,399

Oh, God! Oh, jeez! No!

181

00:07:42,400 —> 00:07:45,332

[gloinks boinging, squeaking]

182

00:07:45,333 —> 00:07:47,132

Oh, God! Agh!

183

00:07:47,133 —> 00:07:48,999

Somebody help!

184

00:07:49,000 —> 00:07:51,265

[bored] Oh, no, they killed Zooble.

185

00:07:51,266 —> 00:07:53,265
Anyway, you guys wanna go
get something to eat?

186
00:07:53,266 —> 00:07:55,599
Oh, wait, we should go check on Kaufmo.

187
00:07:55,600 —> 00:07:58,533
I'm pretty sure he'd like to meet Pomni.

188
00:07:59,733 —> 00:08:01,399
[Kinger] My impenetrable fortress!

189
00:08:01,400 —> 00:08:04,199
- You wanna come with us to check
on Kaufmo?

190
00:08:04,200 —> 00:08:06,465
[Kinger] No, not really.

191
00:08:06,466 —> 00:08:08,465
I think Kaufmo's gone insane.

192

00:08:08,466 —> 00:08:13,065

Last time I spoke with him,

he was rambling endlessly about some exit.

193

00:08:13,066 —> 00:08:14,465

Kind of like you, Pomni.

194

00:08:14,466 —> 00:08:16,465

You might be going insane, too.

195

00:08:16,466 —> 00:08:22,165

But, wait. Wouldn't that more likely

mean the exit does exist?

196

00:08:22,166 —> 00:08:24,799

Could also mean you just have

a jump-start on losing your mind.

197

00:08:24,800 —> 00:08:26,232

[quietly] Wait, what about Zooble?

198

00:08:26,233 —> 00:08:29,565

Well, I think I'd like to ask him
about it,

199
00:08:29,566 —> 00:08:32,232
err, if this was real.

200
00:08:32,233 —> 00:08:35,432
Which it isn't, because it's a dream.

201
00:08:35,433 —> 00:08:38,233
Heh, she still thinks this is a dream.

202
00:08:39,299 —> 00:08:42,099
U-Uh, why are you looking at me
like that?

203
00:08:42,100 —> 00:08:43,532
I'm fine with doing whatever,

204
00:08:43,533 —> 00:08:46,066
as long as I get to see funny things
happen to people.

205

00:08:46,933 —> 00:08:50,199

Ow! Okay, I've already had

enough of these things.

206

00:08:50,200 —> 00:08:54,265

[sighs] You, me, and Pomni

will go check on Kaufmo,

207

00:08:54,266 —> 00:08:57,532

which leaves Crybaby and Hoo-ha together

208

00:08:57,533 —> 00:08:59,532

to go handle the Zooble situation.

209

00:08:59,533 —> 00:09:03,565

[laughs nervously] Do you think

pairing them up together is a good idea?

210

00:09:03,566 —> 00:09:04,832

Of course I do.

211

00:09:04,833 —> 00:09:08,566

They're the two most mentally stable and
capable characters to be paired together.

212
00:09:09,233 —> 00:09:11,433
Come on, ladies.
Let's go harass the clown.

213
00:09:16,233 —> 00:09:19,033
My comedy mask is broken again.

214
00:09:20,366 —> 00:09:21,565
[Kinger] Gah! Oh!

215
00:09:21,566 —> 00:09:23,965
Gangle, you startled me.

216
00:09:23,966 —> 00:09:26,299
So, this is where we all live...

217
00:09:26,300 —> 00:09:28,299
or, well, where we all sleep at night.

218

00:09:28,300 —> 00:09:30,132
Even though we don't really need to sleep,

219
00:09:30,133 —> 00:09:32,732
it's sometimes nice
to kind of take a break from everything

220
00:09:32,733 —> 00:09:34,732
and have a bit of a routine, you know?

221
00:09:34,733 —> 00:09:36,732
I'm sure there'll be one for...

222
00:09:36,733 —> 00:09:39,266
Oh, look, you already got one.

223
00:09:40,233 —> 00:09:45,165
I still don't understand about
the adventures.

224
00:09:45,166 —> 00:09:47,165
Why even go on them at all?

225

00:09:47,166 —> 00:09:51,032

W-W-Why not try to find a way to leave?

226

00:09:51,033 —> 00:09:54,499

Well, we usually do, when we first arrive.

227

00:09:54,500 —> 00:09:58,999

But after a while, you start to realize

that you really can't leave

228

00:09:59,000 —> 00:10:02,699

and constantly chasing an unattainable

goal will start driving you a bit crazy.

229

00:10:02,700 —> 00:10:05,299

And eventually, you get to asking

what the point of anything is,

230

00:10:05,300 —> 00:10:08,299

and you completely lose sight of

who you are and why you're even alive.

231

00:10:08,300 —> 00:10:12,366
And when you reach your breaking point,
something really terrible can happen.

232
00:10:15,633 —> 00:10:19,099
Ah, but that's not something we need to
deal with today.

233
00:10:19,100 —> 00:10:21,532
Above anything else,
the adventures give us something to do

234
00:10:21,533 —> 00:10:23,932
that keeps our minds healthy and
stimulated.

235
00:10:23,933 —> 00:10:24,866
[doorbell rings]

236
00:10:24,867 —> 00:10:27,600
Thank goodness this is all a dream,
right, Pomni?

237

00:10:28,266 —> 00:10:30,266

[unsettling musical sting]

238

00:10:33,733 —> 00:10:36,065

[gasps] Why are we here again?

239

00:10:36,066 —> 00:10:39,265

- What are we doing?

- We're getting one of our friends.

240

00:10:39,266 —> 00:10:41,200

[doorbell rings]

241

00:10:44,300 —> 00:10:47,299

Huh. Maybe he's not in his room?

242

00:10:47,300 —> 00:10:49,899

- I hope he's all right.

- Don't worry, dollface.

243

00:10:49,900 —> 00:10:51,699

I've got a key to his room.

244

00:10:51,700 —> 00:10:53,365

Wha... Wait, wh... why?

245

00:10:53,366 —> 00:10:55,799

You... You... You shouldn't have keys

to anyone's room.

246

00:10:55,800 —> 00:10:59,065

Nah, I've got keys everywhere,

and you've all been fine.

247

00:10:59,066 —> 00:11:01,032

By the way, I may have left something

in your room today,

248

00:11:01,033 —> 00:11:03,265

so let me know if you find it.

249

00:11:03,266 —> 00:11:05,332

Uh, you're not afraid of

centipedes, are you?

250

00:11:05,333 —> 00:11:08,865

Jax! That's literally my only fear!

Why would you do this?!

251

00:11:08,866 —> 00:11:11,665

What? It could be

a completely unrelated question.

252

00:11:11,666 —> 00:11:13,333

You'll never know until it's too late.

253

00:11:14,600 —> 00:11:17,000

[dramatic music plays]

254

00:11:18,333 —> 00:11:20,265

[static crackling]

[Pomni whimpers]

255

00:11:20,266 —> 00:11:22,599

Oh, I've been looking for this.

256

00:11:22,600 —> 00:11:24,599

Thanks for keeping an eye on it, Kaufy.

257

00:11:24,600 —> 00:11:26,432

I'm gonna head out. See ya.

258

00:11:26,433 —> 00:11:29,399

[nervously] Oh! Kaufmo's been abstracted!

259

00:11:29,400 —> 00:11:30,799

That... That's okay.

260

00:11:30,800 —> 00:11:33,232

- What... is that?

- [Kaufo growls]

261

00:11:33,233 —> 00:11:37,032

Uh, it might be that terrible thing

I was talking about earlier

262

00:11:37,033 —> 00:11:38,765

when you reach your breaking point.

263

00:11:38,766 —> 00:11:41,299

- H-huh?

- O-Okay, wait.

264

00:11:41,300 —> 00:11:44,165

M-Maybe there's still time to fix him if

we get Caine.

265

00:11:44,166 —> 00:11:45,899

- [gasps]

- Oh, whoa!

266

00:11:45,900 —> 00:11:48,632

Kaufmo, listen, I know we didn't

always get along,

267

00:11:48,633 —> 00:11:51,499

like when you called me out

for fake-laughing at your jokes.

268

00:11:51,500 —> 00:11:53,599

I swear, I really did think they were

funny.

269

00:11:53,600 —> 00:11:55,432

I was just having a bit of a bad day!

270

00:11:55,433 —> 00:11:56,866

[shouting, groaning]

271

00:11:58,966 —> 00:12:00,965

[glitched groaning]

272

00:12:00,966 —> 00:12:03,832

[glitched, stuttered audio]

H-H-Hey, Pomni-i-i?

273

00:12:03,833 —> 00:12:06,165

Do you think... you could...

274

00:12:06,166 —> 00:12:09,165

perhaps help me out here?

275

00:12:09,166 —> 00:12:14,033

I understand... if you don't...

want to, though.

276

00:12:14,633 —> 00:12:16,033

Ow!

277

00:12:18,966 —> 00:12:20,765

[Whimpers] I'm sorry!

278

00:12:20,766 —> 00:12:22,765

[panting]

279

00:12:22,766 —> 00:12:24,399

- [Kaufmo roars]

- [yelps]

280

00:12:24,400 —> 00:12:26,699

[shouting, panting]

281

00:12:26,700 —> 00:12:28,766

[dramatic music plays]

282

00:12:38,033 —> 00:12:40,700

[curious music plays]

[Kaufmo growls]

283

00:12:50,733 —> 00:12:52,200

[groans, exclaims softly]

284

00:12:55,066 —> 00:12:56,799

[Zooble screaming]

285

00:12:56,800 —> 00:12:59,365

[Kinger] I don't know what I'm

looking at here.

286

00:12:59,366 —> 00:13:03,499

We saw a gloink carry one

of Zooble's pieces down there, remember?

287

00:13:03,500 —> 00:13:06,766

[Kinger] Oh, yeah.

Thank you for the recap.

288

00:13:08,300 —> 00:13:10,900

Boy, we're not very good at this, are we?

289

00:13:12,100 —> 00:13:14,565

[panting]

290

00:13:14,566 —> 00:13:17,299

[groans] Ugh, sup...

291

00:13:17,300 —> 00:13:18,632

[groans] Fellas?

292

00:13:18,633 —> 00:13:21,165

[Kinger] Jax!!

We found the Zooble hole.

293

00:13:21,166 —> 00:13:22,765

Cool. [groans]

294

00:13:22,766 —> 00:13:24,632

How is Kaufmo doing?

295

00:13:24,633 —> 00:13:28,699

I hope he's not still mad at me

for not laughing at his jokes.

296

00:13:28,700 —> 00:13:30,765

Oh, he's doing great.

297

00:13:30,766 —> 00:13:33,899

In fact, I don't think

I've ever seen him this happy before.

298

00:13:33,900 —> 00:13:37,232

[Kinger] Well, it's good to know

he hasn't completely lost his mind.

299

00:13:37,233 —> 00:13:39,365

[Kaufmo growls]

300

00:13:39,366 —> 00:13:41,366

He actually asked me to give you this.

301

00:13:42,100 —> 00:13:43,166

[Kinger] Whoa!

302

00:13:43,966 —> 00:13:45,233

[wails, screams]

303

00:13:51,633 —> 00:13:52,633

[bell dings]

304

00:13:58,200 —> 00:13:59,866

[Kinger and Gangle shouting]

305

00:14:01,466 —> 00:14:03,199

- Heh!

- [pin clatters]

306

00:14:03,200 —> 00:14:05,266

[bell chimes]

[brief applause]

307

00:14:06,266 —> 00:14:08,199

[grunts]

308

00:14:08,200 —> 00:14:09,799

[boink!]

309

00:14:09,800 —> 00:14:11,433

[ominous music plays]

310

00:14:13,433 —> 00:14:16,699

[Kinger] [gasps]

An insect collection?

311

00:14:16,700 —> 00:14:19,100

I think it's a nest.

312

00:14:20,566 —> 00:14:22,333

- [Kinger] [shrieks]

- Hello?

313

00:14:23,466 —> 00:14:25,099

R-R-Ragatha?

314

00:14:25,100 —> 00:14:27,432

That was your name, right?

315

00:14:27,433 —> 00:14:32,099

[voice glitching, stuttering

continuously] O-O-Over here.

316

00:14:32,100 —> 00:14:33,499

[groans]

317

00:14:33,500 —> 00:14:36,732

H-Hey, look, I-I'm...

318

00:14:36,733 —> 00:14:38,999

I didn't mean to leave you behind

like that.

319

00:14:39,000 —> 00:14:42,265

I... [sighs]

Just... look at my hand.

320

00:14:42,266 —> 00:14:45,099

I... [whimpers]

I didn't know what to do.

321

00:14:45,100 —> 00:14:47,799

[glitching continues] I-I-It's okay-y.

322

00:14:47,800 —> 00:14:52,065

What you need to do right now is

find Caine.

323

00:14:52,066 —> 00:14:57,532

He'll be able to fix me up

and take care of Kaufmo-o-o-o.

324

00:14:57,533 —> 00:15:01,865

O-O-Okay, but where can I find him?

325

00:15:01,866 —> 00:15:05,299

Uh, I don't really know.

326

00:15:05,300 —> 00:15:09,499

Just look around and call for him,

I suppose.

327

00:15:09,500 —> 00:15:11,732

Uh, okay, I'll get him.

328

00:15:11,733 —> 00:15:13,732

You just stay right there.

329

00:15:13,733 —> 00:15:15,732

Not that you can really move or anything.

330

00:15:15,733 —> 00:15:18,865

Uh, just hang in there.

I'll be right back, I promise.

331

00:15:18,866 —> 00:15:22,399

Cool. Also, Pomni?

332

00:15:22,400 —> 00:15:25,699

I'm sorry your first day here...

333

00:15:25,700 —> 00:15:29,966

had to be so... terrible?

334

00:15:30,900 —> 00:15:35,065

Uhhh, yeah, well, don't worry about it.

335

00:15:35,066 —> 00:15:38,333

I'm just gonna go get Caine now.

336

00:15:41,400 —> 00:15:44,032

Hello? Caine?

337

00:15:44,033 —> 00:15:47,066

We have a bit of an issue here!

338

00:15:49,066 —> 00:15:51,933

[curious music]

339

00:15:57,000 —> 00:15:58,366

[boing!]

Ugh!

340

00:16:00,366 —> 00:16:02,366

[stammers]

[children laughing]

341

00:16:07,300 —> 00:16:09,632

- [rising scream]

- [yelps]

342

00:16:09,633 —> 00:16:11,300

[boing!]

Agh!

343

00:16:12,066 —> 00:16:13,700

[glass shattering]

Hmm?

344

00:16:15,500 —> 00:16:17,165

Caine?

345

00:16:17,166 —> 00:16:19,632

[suspenseful music plays]

[Kaufmo growling]

346

00:16:19,633 —> 00:16:21,800

[distorted whooshing, ringing]

347

00:16:22,466 —> 00:16:23,799

[laughs nervously]

348

00:16:23,800 —> 00:16:26,466

[screams] [panting]

349

00:16:27,066 —> 00:16:32,799

[growls] What form

of non-gloinkinian mass...

350

00:16:32,800 —> 00:16:38,065

dares presume presence

in the nest of the Gloink Queen?

351

00:16:38,066 —> 00:16:40,065

Oh, is that who you are?

352

00:16:40,066 —> 00:16:41,832

You know,

you could have asked for my consent

353

00:16:41,833 —> 00:16:45,499

before forcing me to see something

so completely and utterly disgusting.

354

00:16:45,500 —> 00:16:49,199

[grumbles] How despicable.

355

00:16:49,200 —> 00:16:52,099

A rabbitoid that runs its mouth

356

00:16:52,100 —> 00:16:55,332

in the presence of my royal figure.

357

00:16:55,333 —> 00:16:59,532

[Kinger] Well, as a royal myself,

I would like to kindly ask if...

358

00:16:59,533 —> 00:17:02,199

Oh, look, there's Zooble.

Hi, Zooble.

359

00:17:02,200 —> 00:17:04,899

[Zooble] Agh! Help me, you idiots!

360

00:17:04,900 —> 00:17:07,966

Kinda rude, Zooble.

Now I don't wanna help you.

361

00:17:11,099 —> 00:17:13,232

[groans] Oh, I always lose.

362

00:17:13,233 —> 00:17:14,233

[Kinger] Yes!

363

00:17:14,234 —> 00:17:16,232

[gloinks squeaking, boinking]

364

00:17:16,233 —> 00:17:17,300

Gotcha!

365

00:17:20,066 —> 00:17:21,365

[befuddled] Oh.

366

00:17:21,366 —> 00:17:23,532

[Zooble] Hey! Kinger, you motherf...

367

00:17:23,533 —> 00:17:25,098

[growls]

368

00:17:25,099 —> 00:17:27,632

- Eee!

- Eh, they'll be fine.

369

00:17:27,633 —> 00:17:29,800

[Gloink squeaking rapidly]

370

00:17:32,566 —> 00:17:34,299

- [panting]

- [Kaufmo growling]

371

00:17:34,300 —> 00:17:36,832

Gotta hide, gotta hide, gotta hide.

372

00:17:36,833 —> 00:17:38,499

[gasps]

373

00:17:38,500 —> 00:17:41,566

[pensive music plays]

374

00:17:43,866 —> 00:17:45,899

[Kaufmo growls]

375

00:17:45,900 —> 00:17:48,266

[sneaky music plays]

376

00:17:51,933 —> 00:17:53,966

[monkeys hooting, shrieking]

377

00:18:12,066 —> 00:18:14,166

God, where is Caine?

378

00:18:18,366 —> 00:18:21,465

[rising tense music plays]

379

00:18:21,466 —> 00:18:23,632

[Kaufmo growls]

380

00:18:23,633 —> 00:18:25,700

[exclaims softly]

381

00:18:27,833 —> 00:18:29,366

[music stops]

382

00:18:31,333 —> 00:18:33,866

[eerie music plays]

383

00:18:37,066 —> 00:18:39,332

Huh?

384

00:18:39,333 —> 00:18:41,400

[panting frantically]

385

00:18:42,666 —> 00:18:45,300

[groans] [panting]

386

00:18:50,000 —> 00:18:51,433

[Gloink boinking softly]

387

00:18:55,266 —> 00:19:00,032

You foolish assortment of colorful

characters!

388

00:19:00,033 —> 00:19:04,765

Do you not realize

that everything must be gloinks?

389

00:19:04,766 —> 00:19:06,565

I am gloinks.

390

00:19:06,566 —> 00:19:09,099

You will be gloinks.

391

00:19:09,100 —> 00:19:12,999

God will be gloinks-uh!

392

00:19:13,000 —> 00:19:15,000

This is dumb and weird.

393

00:19:15,533 —> 00:19:20,199

- Well, b... Uh...

Y-Yet, you're still watching it!

394

00:19:20,200 —> 00:19:23,240

I'm not here for the adventure or

anything. I'm just here to hide from the...

395

00:19:27,766 —> 00:19:29,832

[Kinger] Oh, thank God you're okay.

396

00:19:29,833 —> 00:19:32,599

You didn't experience a game show in

there, did you?

397

00:19:32,600 —> 00:19:37,065

[Zooble] Uh, I...

What are you talking about?

398

00:19:37,066 —> 00:19:39,532

[Gloink Queen groaning]

399

00:19:39,533 —> 00:19:42,033

[boink!] [bonk!] [poke!] [sproing!]

400

00:19:42,466 —> 00:19:44,632

- What's happening?

- It's just Kaufmo.

401

00:19:44,633 —> 00:19:46,066

Don't worry about it.

402

00:19:47,266 —> 00:19:50,699

- Kaufmo abstracted?!

- Nah, he's fine.

403

00:19:50,700 —> 00:19:53,499

[Kinger] You're right!

How are we gonna get outta here?!

404

00:19:53,500 —> 00:19:55,500

[Zooble] Guys, over there.

405

00:19:57,000 —> 00:19:58,132

[Kinger] Huh.

406

00:19:58,133 —> 00:20:00,465

[Gloink Queen groaning]

[Jax] Ladies first.

407

00:20:00,466 —> 00:20:02,633

- No, wait, why would I say that?

- Agh!

408

00:20:07,166 —> 00:20:09,932

[Zooble] Wait,

Pomni's not even here?

409

00:20:09,933 —> 00:20:12,332

- Wasn't this whole thing for her?

- Be quiet.

410

00:20:12,333 —> 00:20:14,332

I can't hear the escalator.

411

00:20:14,333 —> 00:20:16,332

[panting]

412

00:20:16,333 —> 00:20:18,965

[tense music plays]

413

00:20:18,966 —> 00:20:21,299

[gasps, whimpers]

414

00:20:21,300 —> 00:20:23,666

[whimpering frantically]

415

00:20:25,900 —> 00:20:28,066

[exclaims angrily] [panting]

416

00:20:33,266 —> 00:20:35,500

[groans, screams through teeth]

417

00:20:44,266 —> 00:20:45,900

[shouts]

418

00:20:53,733 —> 00:20:56,433

[dark music plays]

419

00:20:58,600 —> 00:21:00,566

[cackles wildly]

420

00:21:08,633 —> 00:21:11,633

[wooden boards creaking]

421

00:21:21,133 —> 00:21:23,399

[sweeping, awe-inspiring music plays]

422

00:21:23,400 —> 00:21:25,900

[choir vocalizing]

423

00:21:44,900 —> 00:21:47,199
[music fades]
[indistinct chatter]

424
00:21:47,200 —> 00:21:49,632
[both laughing]

425
00:21:49,633 —> 00:21:54,399
Oh, Bubble, you always know how
to make me say this exact sentence.

426
00:21:54,400 —> 00:21:56,199
[goofy cartoon sound effects playing]
- Gasp!

427
00:21:56,200 —> 00:21:58,666
An alert on my WackyWatch at this hour?

428
00:22:01,666 —> 00:22:04,299
Oh no! Someone's venturing out
into the void!

429
00:22:04,300 —> 00:22:06,366

They'll get totally spoiled!

430

00:22:12,933 —> 00:22:14,366

There you go!

431

00:22:16,500 —> 00:22:19,365

Now, what the heck happened around here?

432

00:22:19,366 —> 00:22:22,099

- Oh, yeah, my doing.

- [Kinger] Caine!

433

00:22:22,100 —> 00:22:25,899

Kaufmo went through

a sort of Kaufmosis and abstracted!

434

00:22:25,900 —> 00:22:27,432

Kaufmo abstracted?

435

00:22:27,433 —> 00:22:29,832

[exaggerated]

Why didn't anybody tell me?

436

00:22:29,833 —> 00:22:31,900

[boing!] [whoop!] [bonk!]

437

00:22:33,500 —> 00:22:36,665

- [Kaufmo growling]

- And into the cellar you go.

438

00:22:36,666 —> 00:22:39,200

[Water lapping]

[Eerie low rumbling]

439

00:22:40,400 —> 00:22:45,132

[Zooble] Man, I can't believe

Kaufmo just gave up like that.

440

00:22:45,133 —> 00:22:48,199

I mean, no offense, Kinger,

but I always thought you would be next.

441

00:22:48,200 —> 00:22:50,432

- Thank you.

- Guess it just goes to show

442

00:22:50,433 —> 00:22:53,299

you can't rely on Kinger for anything.

443

00:22:53,300 —> 00:22:57,265

[voice glitching, stuttering]

I am in so much pain!

444

00:22:57,266 —> 00:22:58,333

Oop!

445

00:23:08,866 —> 00:23:13,465

I do have to apologize for lying

about the exit.

446

00:23:13,466 —> 00:23:16,399

I knew how much all of you

have been wanting there to be one,

447

00:23:16,400 —> 00:23:17,765

but, you know,

448

00:23:17,766 —> 00:23:20,665

I was having so much trouble figuring out
what to put on the other side

449
00:23:20,666 —> 00:23:24,032
and ended up never quite finishing it.

450
00:23:24,033 —> 00:23:28,765
And you know how I never like letting
people see my unfinished work,

451
00:23:28,766 —> 00:23:31,266
especially if it leads you out into
the void.

452
00:23:32,533 —> 00:23:34,699
Anyway, it looks like you defeated
the Gloink Queen,

453
00:23:34,700 —> 00:23:36,199
so I guess the adventure's over.

454
00:23:36,200 —> 00:23:39,099
Your reward is a delicious digital feast

455

00:23:39,100 —> 00:23:41,432

cooked by our head Bubble Chef.

456

00:23:41,433 —> 00:23:45,565

Made with all the love

I'm legally allowed to give.

457

00:23:45,566 —> 00:23:47,565

You know, I am pretty hungry.

458

00:23:47,566 —> 00:23:49,565

You didn't even do anything.

459

00:23:49,566 —> 00:23:51,465

So, what?

I can still be hungry.

460

00:23:51,466 —> 00:23:53,699

[Kinger] Well, not really,

'cause we don't need to eat,

461

00:23:53,700 —> 00:23:55,799
drink, or sleep in this digital world.

462
00:23:55,800 —> 00:24:00,165
So the digital food here only gives off
the virtual sensation of eating

463
00:24:00,166 —> 00:24:02,299
without any of the nutritional benefits.

464
00:24:02,300 —> 00:24:03,799
[Jax] Sheesh, lay off it.

465
00:24:03,800 —> 00:24:06,599
Since when are you an expert on
the digital world?

466
00:24:06,600 —> 00:24:08,299
[Kinger] Expert on the what?

467
00:24:08,300 —> 00:24:11,266
[cheerful, wry music]

468

00:24:14,866 —> 00:24:17,733

[majestic, sweeping music]

[choir vocalizing]

469

00:24:47,733 —> 00:24:49,100

[music stops]

470

00:24:50,533 —> 00:24:52,533

[sweeping music crescendos]

471

00:24:59,300 —> 00:25:02,300

[upbeat, jazzy music plays]

EP2: Candy Carrier Chaos

1

00:00:01,000 —> 00:00:02,966

[peppy electronic music plays]

2

00:00:12,466 —> 00:00:15,799

[Caine] Welcome to the

Amazing Digital Circus!

3

00:00:15,800 —> 00:00:17,599

- [voices echoing throughout]

- [Jax] Pomni.

4

00:00:17,600 —> 00:00:18,765

- [Caine] Pomni.

- [Ragatha] Pomni.

5

00:00:18,766 —> 00:00:20,099

- [Jax] Pomni.

- [Ragatha] Pomni...

6

00:00:20,100 —> 00:00:21,699

- [Caine] Pomni!

- [Ragatha] Pomni!

7

00:00:21,700 —> 00:00:22,999

- [Jax] Pomni.

- [Caine] Pomni!

8

00:00:23,000 —> 00:00:24,733

[Ragatha] Pomni!

9

00:00:31,466 —> 00:00:32,966

Hello?

10

00:00:35,500 —> 00:00:37,565

[heartbeat thudding]

11

00:00:37,566 —> 00:00:40,566

[dark, ugly music plays]

12

00:00:44,500 —> 00:00:46,432

[screams]

No! No! No!

13

00:00:46,433 —> 00:00:47,765

[stammers] Caine!

14

00:00:47,766 —> 00:00:49,765

Somebody, help me!

15

00:00:49,766 —> 00:00:51,233

Please!

16

00:00:51,866 —> 00:00:55,232
[dark music continues]

17
00:00:55,233 —> 00:00:57,199
[shrieks]

18
00:00:57,200 —> 00:00:59,065
- No! No!
- [Caine laughs]

19
00:00:59,066 —> 00:01:02,232
Looks like our new friend's
already abstracted.

20
00:01:02,233 —> 00:01:04,799
[chuckles] Well, I guess
we're not all cut out for it.

21
00:01:04,800 —> 00:01:07,365
I don't even remember her name, honestly.

22
00:01:07,366 —> 00:01:11,866
[tense music]

23

00:01:19,666 —> 00:01:20,965

[music crescendos]

24

00:01:20,966 —> 00:01:22,446

- [doorbell rings]

- [yelps] [wailing]

25

00:01:25,766 —> 00:01:27,500

[groans] Huh?

26

00:01:32,033 —> 00:01:34,899

Hey, Pomni.

How'd you sleep?

27

00:01:34,900 —> 00:01:36,465

Are you still sleeping?

28

00:01:36,466 —> 00:01:39,000

I'll let you get back to it,

if you are.

29

00:01:40,333 —> 00:01:42,599

There she is.

Hope you're doin' all right.

30

00:01:42,600 —> 00:01:45,765

I know yesterday was a bit of a doozy.

31

00:01:45,766 —> 00:01:47,799

"A doozy."

32

00:01:47,800 —> 00:01:51,732

Oh, and don't worry about the whole

"abandoning me for the exit" thing.

33

00:01:51,733 —> 00:01:54,899

It's perfectly understandable

what you were going through at the time,

34

00:01:54,900 —> 00:01:56,332

and there's no hard feelings.

35

00:01:56,333 —> 00:01:59,066

[laughs]

Yer all good.

36

00:02:00,966 —> 00:02:02,033

Huh?

37

00:02:03,000 —> 00:02:05,799

Uh, well, let's forget about all that.

38

00:02:05,800 —> 00:02:08,999

Caine's got a new adventure today,

and judging by what he's been teasing,

39

00:02:09,000 —> 00:02:11,066

it seems like it's gonna be a fun one.

40

00:02:12,433 —> 00:02:14,300

Today's adventure is...

41

00:02:16,766 —> 00:02:18,065

That's right!

42

00:02:18,066 —> 00:02:22,632

The Candy Canyon Kingdom's been robbed

of their most valuable resource,

43

00:02:22,633 —> 00:02:24,299

maple syrup!

44

00:02:24,300 —> 00:02:27,132

It's up to you to bring

the rotten bandits who stole it

45

00:02:27,133 —> 00:02:29,132

to sweet, buttery justice!

46

00:02:29,133 —> 00:02:30,899

An entire kingdom of candy?

47

00:02:30,900 —> 00:02:32,899

Sounds sticky.

48

00:02:32,900 —> 00:02:34,799

Very sticky, indeed.

49

00:02:34,800 —> 00:02:39,300

Sounds...[beeeeeeeeeeeeeeep].

50

00:02:40,466 —> 00:02:41,565

Bubble, you can't say that.

51

00:02:41,566 —> 00:02:43,665

[Zooble]

Mmmmmmmmmm, nope.

52

00:02:43,666 —> 00:02:44,600

Zooble, wait!

53

00:02:44,601 —> 00:02:46,732

I'm testing out a new AI in this one!

54

00:02:46,733 —> 00:02:48,999

It should be 57 times more immersive!

55

00:02:49,000 —> 00:02:50,632

Ooh, a new AI.

56

00:02:50,633 —> 00:02:53,099
You don't want to mess
with the new AI, Zoobie?

57
00:02:53,100 —> 00:02:55,733
[Zooble] Uh, yeah, no.

58
00:02:57,933 —> 00:03:01,765
Whoa, sounds fun.
What do you think, Pomni?

59
00:03:01,766 —> 00:03:05,632
So, our entire existence here...

60
00:03:05,633 —> 00:03:08,265
is just LARPing?

61
00:03:08,266 —> 00:03:10,399
- W... Well, uh...
- Why are you all just standing there?!

62
00:03:10,400 —> 00:03:13,000
The... The Canyon...

C-Canyon Candy Kingdom needs you now!

63

00:03:20,266 —> 00:03:22,465

- Hmm?

- Nah, thanks. I'm trying to quit.

64

00:03:22,466 —> 00:03:25,400

[majestic music plays]

65

00:03:30,366 —> 00:03:34,932

[cheers and applause]

66

00:03:34,933 —> 00:03:40,533

[majestic music continues]

67

00:03:42,966 —> 00:03:46,066

[fireworks explode]

68

00:03:55,100 —> 00:03:57,533

[crowd cheer]

69

00:03:58,666 —> 00:04:01,165

Wow, Kinger, check out this castle.

70

00:04:01,166 —> 00:04:02,532

It's amazing!

71

00:04:02,533 —> 00:04:04,532

[Kinger] They've even got

little candy bugs here.

72

00:04:04,533 —> 00:04:07,299

- It's so beautiful.

- Yeah, this place is great!

73

00:04:07,300 —> 00:04:09,699

- Look! It's the princess!!

- [whimpers]

74

00:04:09,700 —> 00:04:11,699

[trumpet fanfare plays]

75

00:04:11,700 —> 00:04:16,398

- Ah, you must be the brave knights

sent to us by God...

76

00:04:16,399 —> 00:04:18,865

to help us with our recent catastrophe.

77

00:04:18,866 —> 00:04:19,898

- That's us, ma'am.

78

00:04:19,899 —> 00:04:21,432

Your kingdom's awesome, by the way.

79

00:04:21,433 —> 00:04:23,399

- Love the vibe.

- [giggles]

80

00:04:23,400 —> 00:04:25,665

- I like you already.

- Look, Pomni.

81

00:04:25,666 —> 00:04:27,899

We're already friends with the princess.

82

00:04:27,900 —> 00:04:29,932

- I'm not a child.

You don't have to hype me up.

83

00:04:29,933 —> 00:04:32,465

I assume you've been informed of

your mission.

84

00:04:32,466 —> 00:04:35,265

The bandits that robbed us

used a modded syrup tanker,

85

00:04:35,266 —> 00:04:37,599

so we figured the best way

to go head-to-head with them

86

00:04:37,600 —> 00:04:39,599

is to give you a war rig of your own.

87

00:04:39,600 —> 00:04:41,199

[truck engine rumbling]

88

00:04:41,200 —> 00:04:42,465

Aagh!

89

00:04:42,466 —> 00:04:44,232

Ooh, violence.

90

00:04:44,233 —> 00:04:46,999

What time period is this supposed to

be, again?

91

00:04:47,000 —> 00:04:50,532

Here's the key back into the kingdom

for when you've secured the goods.

92

00:04:50,533 —> 00:04:52,899

I trust you not to let it fall into

the wrong hands?

93

00:04:52,900 —> 00:04:54,932

You can count on me, Your Highness.

94

00:04:54,933 —> 00:04:56,865

Oh, please, call me Loo.

95

00:04:56,866 —> 00:04:58,065

[chuckles] Will do, Loo.

96

00:04:58,066 —> 00:04:59,633

I call shotgun.

97

00:05:01,300 —> 00:05:03,865

[goofy, distorted warble]

Oh, God, is that the horn?

98

00:05:03,866 —> 00:05:05,899

[groans] That sucks.

99

00:05:05,900 —> 00:05:07,300

Gangle, you drive.

100

00:05:08,966 —> 00:05:10,999

Farewell, good knights.

101

00:05:11,000 —> 00:05:13,132

I have every faith in you!

102

00:05:13,133 —> 00:05:14,299

[truck engine revs]

103

00:05:14,300 —> 00:05:19,433

[majestic music plays]

104

00:05:21,633 —> 00:05:23,200

[truck horn warbles]

105

00:05:28,633 —> 00:05:30,700

[insects chirping]

106

00:05:32,366 —> 00:05:33,765

[all with Australian accents]

D'you think your mum's gonna pull through

107

00:05:33,766 —> 00:05:35,499

if we get all this back to the village?

108

00:05:35,500 —> 00:05:36,599

I'm sure she will.

109

00:05:36,600 —> 00:05:38,732
This much syrup would save hundreds
of people.

110
00:05:38,733 —> 00:05:41,199
We won't know for sure
until we get back to the village.

111
00:05:41,200 —> 00:05:42,832
She's a fighter, though.

112
00:05:42,833 —> 00:05:44,700
She taught me everything I know.

113
00:05:47,166 —> 00:05:49,699
Oy! Don't get too comfy, lads.

114
00:05:49,700 —> 00:05:51,800
Looks like they've sent someone after us.

115
00:05:58,666 —> 00:06:00,399
All right, Gangle,
when we catch up to 'em,

116

00:06:00,400 —> 00:06:02,265

I'll jump over, crawl inside,

117

00:06:02,266 —> 00:06:04,999

and shoot 'em repeatedly

until they're unrecognizable.

118

00:06:05,000 —> 00:06:07,832

I feel like that violates

some kind of convention.

119

00:06:07,833 —> 00:06:10,065

You're violating my ears with your

clap-back.

120

00:06:10,066 —> 00:06:11,699

Get driving, driver!

121

00:06:11,700 —> 00:06:15,132

So, Pomni, I'm sure there's some way

you could help out here.

122

00:06:15,133 —> 00:06:16,832

Maybe when we catch up to them, we could...

123

00:06:16,833 —> 00:06:18,832

We could be assertive. Like this!

124

00:06:18,833 —> 00:06:20,000

- Hey!

- [screams]

125

00:06:20,533 —> 00:06:21,533

Jax!

126

00:06:23,200 —> 00:06:25,033

[groaning]

127

00:06:26,233 —> 00:06:28,399

Ah, that's perfect! Just hold that pose.

128

00:06:28,400 —> 00:06:29,532

I gotta get something.

129

00:06:29,533 —> 00:06:32,166

- Jax, you [boink]

130

00:06:32,900 —> 00:06:35,732

You know, I swear there was some kind

of bazooka back here, but...

131

00:06:35,733 —> 00:06:38,399

[scoffs]

I'm having such trouble finding it.

132

00:06:38,400 —> 00:06:40,532

- [Kinger] Pomni, take this!

- Ooh...

133

00:06:40,533 —> 00:06:41,799

Here it is.

134

00:06:41,800 —> 00:06:45,099

All right, Pomni, you just stay like that,

and I'll cross over you.

135

00:06:45,100 —> 00:06:46,300

Are you kidding me?!

136

00:06:47,233 —> 00:06:48,233

Ow!

137

00:06:49,233 —> 00:06:52,132

Nice going, Pomni. Now I have no bridge.

138

00:06:52,133 —> 00:06:53,966

Ah-hah! Gotcha!

139

00:06:55,066 —> 00:06:56,899

- [bang] [air whistling]

- Me arms aren't long enou... Whoa!

140

00:06:56,900 —> 00:07:01,632

[dramatic music plays]

141

00:07:01,633 —> 00:07:02,633

[brass hit!]

142

00:07:03,900 —> 00:07:05,333
This lot's trouble.

143
00:07:06,166 —> 00:07:08,766
Let's see how their rig does
on those rocks around there.

144
00:07:09,733 —> 00:07:12,133
Me arms aren't short enough to shift the
gear.

145
00:07:16,766 —> 00:07:19,000
[rapid brass hits]

146
00:07:19,766 —> 00:07:21,765
Ooh, now we're cookin'!

147
00:07:21,766 —> 00:07:23,832
Hey! Ribbons! Up and at 'em!

148
00:07:23,833 —> 00:07:24,766
I don't think we...

149

00:07:24,767 —> 00:07:27,032

Aren't you supposed to be

submissive and agreeable?

150

00:07:27,033 —> 00:07:28,266

Move it!

151

00:07:29,533 —> 00:07:31,133

[wailing]

152

00:07:34,966 —> 00:07:38,132

Oh, these fellas just don't know

when to quit, do they?

153

00:07:38,133 —> 00:07:39,066

[rapid brass hits]

154

00:07:39,067 —> 00:07:42,565

Hey! Quit muckin' about

and get back up here!

155

00:07:42,566 —> 00:07:44,199

Oh, yeah. Right.

156

00:07:44,200 —> 00:07:46,332

[groans] Everyone all right?

157

00:07:46,333 —> 00:07:47,432

[Kinger] Can you repeat the question?

158

00:07:47,433 —> 00:07:49,199

I couldn't hear you over the knives.

159

00:07:49,200 —> 00:07:50,599

Hey, Gangle.

160

00:07:50,600 —> 00:07:52,565

- You should ram into 'em.

- What?

161

00:07:52,566 —> 00:07:53,899

You should NOT ram them!

162

00:07:53,900 —> 00:07:56,132

- Pomni's still on board!

- [crash]

163

00:07:56,133 —> 00:07:57,199

Do it. It'll be epic.

164

00:07:57,200 —> 00:07:59,499

[Ragatha] Why are there so many

knives back here?!

165

00:07:59,500 —> 00:08:02,365

Do it, or I'll tell Ragatha

about the figurine thing.

166

00:08:02,366 —> 00:08:04,033

Guh!

[laughs nervously]

167

00:08:05,200 —> 00:08:07,599

[tires screech]

168

00:08:07,600 —> 00:08:10,032

Are you guys trying to [boink] kill me?!

169

00:08:10,033 —> 00:08:11,500

These guys are whack jobs!

170

00:08:12,200 —> 00:08:13,933

Let's give them some of this.

171

00:08:15,866 —> 00:08:17,265

Aww, no more ramming?

172

00:08:17,266 —> 00:08:19,932

Guess I HAVE to tell Ragatha

about the thing now.

173

00:08:19,933 —> 00:08:21,065

[Gangle] What?!

174

00:08:21,066 —> 00:08:22,332

Oh. You're still up here.

175

00:08:22,333 —> 00:08:23,465

Guys?

176

00:08:23,466 —> 00:08:24,900

[Kinger] Pomni, take this!

177

00:08:27,966 —> 00:08:31,299

Uh, hey, Kinger,

is that rope attached to anything?

178

00:08:31,300 —> 00:08:32,599

Uhhhh.

179

00:08:32,600 —> 00:08:34,966

I don't know.

Let me check.

180

00:08:35,666 —> 00:08:36,766

[clang]

181

00:08:38,700 —> 00:08:39,965

[grunts]

182

00:08:39,966 —> 00:08:47,033

[dramatic music]

183

00:08:49,266 —> 00:08:51,232

W... w... what? Wha?

184

00:08:51,233 —> 00:08:53,065

I blame YOU for this.

185

00:08:53,066 —> 00:08:54,733

[splorch]

186

00:08:55,266 —> 00:08:57,000

[tires squealing]

187

00:09:01,366 —> 00:09:02,466

- [screams]

- [grunts]

188

00:09:06,233 —> 00:09:09,332

[screams]

189

00:09:09,333 —> 00:09:11,632

AAAAAAAAAAAAAAAAAAAAAHH...

190

00:09:11,633 —> 00:09:14,599

- Oog! Ack!

- [grunts]

191

00:09:14,600 —> 00:09:16,432

[wailing] Oh No!

192

00:09:16,433 —> 00:09:19,499

[hollering]

193

00:09:19,500 —> 00:09:20,966

[grunts]

194

00:09:21,700 —> 00:09:23,966

[groans]

195

00:09:24,566 —> 00:09:26,966

[grunts softly]

196

00:09:28,233 —> 00:09:29,599

[voice echoing]

Lads?

197

00:09:29,600 —> 00:09:31,200

[mutters softly]

198

00:09:34,066 —> 00:09:35,365

Hello?

199

00:09:35,366 —> 00:09:37,799

[eerie ambient music plays]

200

00:09:37,800 —> 00:09:39,532

Anyone?

201

00:09:39,533 —> 00:09:42,532

[breathing shakily throughout]

202

00:09:42,533 —> 00:09:46,533

[eerie music]

203

00:09:48,666 —> 00:09:50,500

[gasps]

204

00:09:53,033 —> 00:09:55,133

[pants]

205

00:09:59,133 —> 00:10:03,866

[dissonant music]

206

00:10:06,500 —> 00:10:08,132

Huh?

207

00:10:08,133 —> 00:10:13,233

[dissonant music continues]

208

00:10:15,633 —> 00:10:17,166

Uh...

209

00:10:21,966 —> 00:10:24,266

[gasps]

[breathing heavily]

210

00:10:28,133 —> 00:10:33,633

[eerie music swells]

211

00:10:44,233 —> 00:10:46,299

- Guh! [wails]

212

00:10:46,300 —> 00:10:47,465

- [grunts]

- [gasps]

213

00:10:47,466 —> 00:10:49,766

[groans]

214

00:10:50,533 —> 00:10:51,966

Huh?

215

00:10:52,566 —> 00:10:54,199

Where are we?

216

00:10:54,200 —> 00:10:56,533

W... What's all this?

217

00:10:57,800 —> 00:10:59,965

I don't know.

218

00:10:59,966 —> 00:11:03,100

W... We're somewhere under the map, I

think.

219

00:11:03,966 —> 00:11:05,466

"Map"?

220

00:11:07,666 —> 00:11:11,000

Why aren't you

or any of your crew up here?

221

00:11:11,566 —> 00:11:13,799

I, I'm not sure.

222

00:11:13,800 —> 00:11:17,232

Be... Because we're not, uh, NPCs?

223

00:11:17,233 —> 00:11:20,000

"NPCs"?

What are you on about?

224

00:11:22,633 —> 00:11:23,932

What are you people?

225

00:11:23,933 —> 00:11:27,599

[haunting metallic music plays]

226

00:11:27,600 —> 00:11:29,266

What am I?

227

00:11:33,166 —> 00:11:34,499

Where's Mum?

228

00:11:34,500 —> 00:11:36,399

Y... You have a mom?

229

00:11:36,400 —> 00:11:38,533

Shouldn't she be here with everyone else?

230

00:11:39,733 —> 00:11:41,633

[shakily]

I can't even remember her face.

231

00:11:42,166 —> 00:11:43,799

Did she ever have a face?

232

00:11:43,800 —> 00:11:45,699

- Was anything ever real?

- Okay, w-w-wait.

233

00:11:45,700 —> 00:11:47,399

Don't... Don't think about that.

234

00:11:47,400 —> 00:11:50,699

I... I... I think there...

235

00:11:50,700 —> 00:11:53,632

must be a way to launch ourselves back up.

236

00:11:53,633 —> 00:11:55,900

- Right?

- [hyperventilating]

237

00:11:56,833 —> 00:12:00,232

[low humming]

238

00:12:00,233 —> 00:12:03,833

I want you to tell me exactly what I am.

239

00:12:05,166 —> 00:12:09,265

[ambient music playing

240

00:12:09,266 —> 00:12:11,432

[fudge splorching]

241

00:12:11,433 —> 00:12:13,900

[whimsical music plays]

242

00:12:15,666 —> 00:12:18,065

[groans] Is everybody okay?

243

00:12:18,066 —> 00:12:19,465

No...

244

00:12:19,466 —> 00:12:20,899

Oh, man.

245

00:12:20,900 —> 00:12:22,199

Poor Pomni.

246

00:12:22,200 —> 00:12:23,499

I hope she's all right.

247

00:12:23,500 —> 00:12:24,433

"Poor Pomni"?

248

00:12:24,434 —> 00:12:26,299

How about "poor us"?

249

00:12:26,300 —> 00:12:30,066

We're one tanker away

from being Augustus Glooped!

250

00:12:31,333 —> 00:12:33,299

[groaning]

251

00:12:33,300 —> 00:12:34,899

Oh, what's that?

252

00:12:34,900 —> 00:12:37,365

Do my eyes deceive me?

253

00:12:37,366 —> 00:12:41,465

A delicious gift from within

the kingdom gates?

254

00:12:41,466 —> 00:12:43,299

Don't mind if I do.

255

00:12:43,300 —> 00:12:45,099

Whoa, whoa, whoa, whoa, buddy!

256

00:12:45,100 —> 00:12:47,732

We're not food! We're not candy!

We're none of that!

257

00:12:47,733 —> 00:12:48,633

You don't want to eat us!

258

00:12:48,634 —> 00:12:51,232

Wh... You're not candy?

259

00:12:51,233 —> 00:12:55,732

How am I expected to eat something

that's not made of candy?

260

00:12:55,733 —> 00:12:57,499

I'm sorry.

261

00:12:57,500 —> 00:13:00,465

[Kinger] Pomni always seems

to miss the big, gloopy monsters.

262

00:13:00,466 —> 00:13:02,099

Who are you, anyway?

263

00:13:02,100 —> 00:13:05,432

I am The Fudge.

264

00:13:05,433 —> 00:13:08,565

I used to live within the kingdom walls,

265

00:13:08,566 —> 00:13:11,899

but I was banished by that rotten princess

266
00:13:11,900 —> 00:13:16,299
after I ate too many of the delicious
townsfolk.

267
00:13:16,300 —> 00:13:18,932
Oh, they were so delicious.

268
00:13:18,933 —> 00:13:22,065
Sometimes I can hear them...
calling to me.

269
00:13:22,066 —> 00:13:23,865
[townsfolk screaming]

270
00:13:23,866 —> 00:13:25,465
Oh, God.

271
00:13:25,466 —> 00:13:27,532
That just sounds like murder.

272

00:13:27,533 —> 00:13:30,199

Is it really murder if it's delicious?

273

00:13:30,200 —> 00:13:31,532

Answer me that.

274

00:13:31,533 —> 00:13:34,932

- You make a great point.

- Uh, no, bad point!

275

00:13:34,933 —> 00:13:36,999

Why don't you leave this to me

before I start thinking

276

00:13:37,000 —> 00:13:38,365

your hair looks like licorice?

277

00:13:38,366 —> 00:13:39,266

Jax!

278

00:13:39,267 —> 00:13:42,032

- [Kinger] Oh, wow, it kind of does.

- Stop!

279

00:13:42,033 —> 00:13:46,332

Well, Mr. Fudge, you seem like

an upstanding guy with real noble goals.

280

00:13:46,333 —> 00:13:48,465

Oh, I'm not.

281

00:13:48,466 —> 00:13:50,632

If you knew what I did in my free time...

282

00:13:50,633 —> 00:13:52,332

Oh, you'd be SICKENED!

283

00:13:52,333 —> 00:13:54,565

[clears throat]

As I was saying.

284

00:13:54,566 —> 00:13:57,299

I happen to know a way into

the kingdom walls...

285

00:13:57,300 —> 00:13:59,732
if you'd be willing to help us out
in return.

286
00:13:59,733 —> 00:14:01,832
- Hey, when did you...
- Shut up, licorice hair.

287
00:14:01,833 —> 00:14:02,899
[Kinger] Here, hide it with this.

288
00:14:02,900 —> 00:14:07,299
Oh, you must be some kind of master
of unlocking things,

289
00:14:07,300 —> 00:14:09,899
come to free me from my outdoor prison.

290
00:14:09,900 —> 00:14:11,199
That's me.

291
00:14:11,200 —> 00:14:15,332
All we need you to do is help us

bring some dirty bandits to justice.

292

00:14:15,333 —> 00:14:16,600

- [air rushing]

- AUGH...

293

00:14:20,966 —> 00:14:23,399

I saw the reaper wink at me...

294

00:14:23,400 —> 00:14:25,400

Wait, w... w... what just happened?

295

00:14:34,733 —> 00:14:36,866

[lollipop stick creaking]

296

00:14:39,766 —> 00:14:41,232

Uhh...

297

00:14:41,233 —> 00:14:44,765

y... you wanna try helping out at all?

298

00:14:44,766 —> 00:14:45,999

[laughs nervously]

299

00:14:46,000 —> 00:14:47,966

Or are you still...

300

00:14:53,500 —> 00:14:54,632

Hey.

301

00:14:54,633 —> 00:14:56,800

You okay?

302

00:14:57,533 —> 00:14:58,533

No.

303

00:15:00,000 —> 00:15:01,966

You wanna talk about it?

304

00:15:02,733 —> 00:15:04,433

What is there to talk about?

305

00:15:05,333 —> 00:15:07,899

I don't just want to leave you here.

306

00:15:07,900 —> 00:15:09,433

Why not?

307

00:15:10,200 —> 00:15:12,599

I don't matter in the slightest.

308

00:15:12,600 —> 00:15:14,232

I'm nothing.

309

00:15:14,233 —> 00:15:16,565

My life, my memories...

310

00:15:16,566 —> 00:15:18,599

my friends...

311

00:15:18,600 —> 00:15:20,366

It's all fake.

312

00:15:25,600 —> 00:15:28,899

This may seem weird, but...

313

00:15:28,900 —> 00:15:32,165

I think I know the feeling.

314

00:15:32,166 —> 00:15:34,265

Well, m... maybe not...

315

00:15:34,266 —> 00:15:36,933

the exact feeling, but...

316

00:15:38,366 —> 00:15:40,299

Feeling like you're nothing is...

317

00:15:40,300 —> 00:15:41,599

kind of normal.

318

00:15:41,600 —> 00:15:43,899

I mean, people even feel like that

319

00:15:43,900 —> 00:15:47,232

in the world I came from.

320

00:15:47,233 —> 00:15:48,566

But...

321

00:15:49,500 —> 00:15:53,065

Y-you still care about your buddies

up there, don't you?

322

00:15:53,066 —> 00:15:56,199

I'm sure they still care about you.

323

00:15:56,200 —> 00:15:57,966

What does it matter?

324

00:15:58,800 —> 00:16:00,966

What do we have when you people leave?

325

00:16:01,666 —> 00:16:04,065

We're just obstacles...

326

00:16:04,066 —> 00:16:06,633

created to be defeated and forgotten.

327

00:16:08,000 —> 00:16:09,300

Well...

328

00:16:10,400 —> 00:16:11,966

You don't have to be.

329

00:16:14,100 —> 00:16:15,365

The... The circus...

330

00:16:15,366 —> 00:16:17,299

th... the place I'm from?

331

00:16:17,300 —> 00:16:18,499

Well, I...

332

00:16:18,500 —> 00:16:21,365

I'm originally from somewhere else.

333

00:16:21,366 —> 00:16:22,533

But...

334

00:16:23,566 —> 00:16:25,966

If it has to be my home...

335

00:16:26,966 —> 00:16:29,165

Maybe it can be yours, too.

336

00:16:29,166 —> 00:16:31,932

The people there are... interesting...

337

00:16:31,933 —> 00:16:33,533

at the very least.

338

00:16:34,800 —> 00:16:37,332

Maybe you...

339

00:16:37,333 —> 00:16:38,499

[sighs]

340

00:16:38,500 —> 00:16:40,700

Could be somebody real there.

341

00:16:43,666 —> 00:16:45,633

Why are you trying to cheer me up?

342

00:16:46,433 —> 00:16:48,733

How does this benefit you at all?

343

00:16:50,100 —> 00:16:53,633

I guess I just don't want you

to feel like you're nothing.

344

00:16:55,466 —> 00:16:57,533

I don't want anybody to feel like that.

345

00:16:58,833 —> 00:17:01,099

But I'm not even a real person.

346

00:17:01,100 —> 00:17:02,266

Would I even belong?

347

00:17:03,733 —> 00:17:06,899

I'm sure you wouldn't belong any less

than me.

348

00:17:06,900 —> 00:17:08,665

[chuckles] And...

349

00:17:08,666 —> 00:17:10,899

I could use a friend.

350

00:17:10,900 —> 00:17:12,599

"A friend."

351

00:17:13,533 —> 00:17:15,966

You're a strange little character.

352

00:17:16,966 —> 00:17:18,966

Suppose I could give it a try.

353

00:17:20,466 —> 00:17:23,732

All I ask is that we don't tell the lads

about this.

354

00:17:23,733 —> 00:17:26,032

They're a couple of bright-eyed yobbos,

355

00:17:26,033 —> 00:17:27,532

and I don't want to drag 'em down with me.

356

00:17:27,533 —> 00:17:29,899

[chuckles]

Yeah, that makes sense.

357

00:17:29,900 —> 00:17:31,999

What's your name, by the way?

358

00:17:32,000 —> 00:17:33,000

Gummigoo.

359

00:17:33,001 —> 00:17:34,899

Wow, that's...

360

00:17:34,900 —> 00:17:36,932

just about as dumb as my name.

361

00:17:36,933 —> 00:17:39,965

What'd you have in mind

in terms of getting us out of here?

362

00:17:39,966 —> 00:17:42,165
[stammers] I don't know.

363
00:17:42,166 —> 00:17:46,332
Maybe some kind of glitch
with the truck's collisions?

364
00:17:46,333 —> 00:17:48,066
I'm not really sure how we could...

365
00:17:50,600 —> 00:17:54,499
All right, I'm just throwing stuff
at the wall here.

366
00:17:54,500 —> 00:17:56,699
If this doesn't work,
we could try something else.

367
00:17:56,700 —> 00:17:57,832
You're the expert here.

368
00:17:57,833 —> 00:17:59,899
[laughs nervously]

I'm really not.

369

00:17:59,900 —> 00:18:01,332

But let's see how it goes.

370

00:18:01,333 —> 00:18:03,065

[engine turns over]

371

00:18:03,066 —> 00:18:04,899

[blocks thudding]

372

00:18:04,900 —> 00:18:07,832

I just realized,

this might be a little vio...

373

00:18:07,833 —> 00:18:09,832

[explosion]

374

00:18:09,833 —> 00:18:12,900

[trippy music plays]

375

00:18:26,166 —> 00:18:33,066

[trippy music continues]

376

00:18:43,133 —> 00:18:45,366

[trippy music fades]

377

00:18:46,066 —> 00:18:50,499

Gotta say, this is a lot more

anti-climactic than I was hoping it'd be.

378

00:18:50,500 —> 00:18:52,499

What were you hoping for?

379

00:18:52,500 —> 00:18:55,465

You know, like, one big, final battle.

380

00:18:55,466 —> 00:18:57,465

Bloodshed. Death. Chaos!

381

00:18:57,466 —> 00:18:58,466

Whatever.

382

00:18:58,467 —> 00:19:00,532

Are you sure they disappeared?

383
00:19:00,533 —> 00:19:02,932
It wasn't that they fell off,
or something?

384
00:19:02,933 —> 00:19:04,799
[stammers]
I can't say for sure, but, uh...

385
00:19:04,800 —> 00:19:06,065

Ahh, just like Mom used to make.

77

00:03:31,033 —> 00:03:33,800

[cheerful musical sting plays]

78

00:03:36,966 —> 00:03:38,999

[growling]

79

00:03:39,000 —> 00:03:40,265

[Zooble] Oh my God.

80

00:03:40,266 —> 00:03:41,165

[barks]

81

00:03:41,166 —> 00:03:43,132

Ahh, delicious meat.

82

00:03:43,133 —> 00:03:44,465

One down, four to go!

83

00:03:44,466 —> 00:03:45,965

[Zooble] All right, I'm calling a vote.

84

00:03:45,966 —> 00:03:47,565

Let's skip this one.

85

00:03:47,566 —> 00:03:50,099

And also make Jax a vegan

for the rest of the day.

86

00:03:50,100 —> 00:03:51,299

You can't do that.

87

00:03:51,300 —> 00:03:52,832

- [high-pitched tones chiming]

- [buzzer blats]

88

00:03:52,833 —> 00:03:54,099

[ding!]

89

00:03:54,100 —> 00:03:55,532

[Jax] What do you mean, you can do that?

90

00:03:55,533 —> 00:03:57,900

Sorry, Jax, democracy has spoken.

91

00:03:59,033 —> 00:04:00,599

Democracy sucks.

92

00:04:00,600 —> 00:04:01,600
[portal shimmering]

93
00:04:02,900 —> 00:04:03,965
[patriotic music]

94
00:04:03,966 —> 00:04:05,499
[Pomni] Wait, what? Why me?

95
00:04:05,500 —> 00:04:07,965
[Jax] Eh, I thought
a position of power suited you.

96
00:04:07,966 —> 00:04:11,000
[Zooble] Oh my God,
are these all gonna be Jax's ideas?

97
00:04:12,166 —> 00:04:14,033
[patriotic music concludes]

98
00:04:14,866 —> 00:04:16,332
[Kinger] Well, Ms. President,

99

00:04:16,333 —> 00:04:18,365

it looks like there are

some new developments

100

00:04:18,366 —> 00:04:21,398

in the ongoing war

between Australia and New Zealand.

101

00:04:21,399 —> 00:04:24,732

We may need to take in some refugees.

What do you think?

102

00:04:24,733 —> 00:04:27,732

Wh... How do you know what to do? What?

103

00:04:27,733 —> 00:04:28,932

[Kinger] Didn't you get the brief?

104

00:04:28,933 —> 00:04:32,432

I am... just being here.

105

00:04:32,433 —> 00:04:33,700

You're doing great, Pomni!

106

00:04:34,266 —> 00:04:35,626

[Kinger] Come down here for a sec.

107

00:04:37,633 —> 00:04:40,032

[whispering] We all got briefs

on our characters.

108

00:04:40,033 —> 00:04:41,533

I'm your assistant.

109

00:04:42,566 —> 00:04:45,699

I-Is that a baby-head lamp?

110

00:04:45,700 —> 00:04:47,032

[Kinger] Didn't you get one, too?

111

00:04:47,033 —> 00:04:49,265

I figured we were all

on the same page here.

112

00:04:49,266 —> 00:04:52,633
But if not, you're gonna have to tap
into those golden improv skills.

113
00:04:53,966 —> 00:04:55,332
- I'm sorry, what?
- [Jax] Oh, yeah!

114
00:04:55,333 —> 00:04:57,893
[Jax] I didn't give you one
'cause I wanted to see what you'd do!

115
00:04:58,100 —> 00:05:00,865
Thanks, Jax. Appreciate it.

116
00:05:00,866 —> 00:05:02,200
[Kinger] I'm not Jax.

117
00:05:04,233 —> 00:05:07,032
[Australian accent]
Oy, mate! I'm an Australian extremist,

118
00:05:07,033 —> 00:05:08,832

and I've come to detonate this bomb

119

00:05:08,833 —> 00:05:12,533

that'll release

all the world's deadliest spiders into...

120

00:05:14,266 —> 00:05:16,032

[normal voice] Did I pick a bad time?

121

00:05:16,033 —> 00:05:18,865

[canned laughter plays]

122

00:05:18,866 —> 00:05:22,400

His acting is phenomenal.

It's hard to believe he's vegan.

123

00:05:23,700 —> 00:05:25,699

Why wouldn't the president

have a bomb squad?!

124

00:05:25,700 —> 00:05:28,765

Don't worry, President Pomni!

I believe you can do this.

125

00:05:28,766 —> 00:05:30,432

There's centipedes in there, too.

126

00:05:30,433 —> 00:05:32,799

Just be sure you know what you're doing.

127

00:05:32,800 —> 00:05:35,165

Okay, well, which wire do I cut?

128

00:05:35,166 —> 00:05:37,465

- Follow your heart.

- You stay out of this!

129

00:05:37,466 —> 00:05:39,499

Shouldn't you be arrested, or something?

130

00:05:39,500 —> 00:05:42,165

- Hey, I'm on your side here.

- You're literally not.

131

00:05:42,166 —> 00:05:44,099

Come on, just pick your favorite color.

132

00:05:44,100 —> 00:05:46,265

Like the red one?

133

00:05:46,266 —> 00:05:49,765

[Kinger] I'd personally go with blue.

Blue's my favorite color.

134

00:05:49,766 —> 00:05:51,766

It being closest to black, and all.

135

00:05:53,466 —> 00:05:55,499

Wouldn't black be

your favorite color, then?

136

00:05:55,500 —> 00:05:57,965

[Kinger] Well, no. There's no black wire.

137

00:05:57,966 —> 00:05:59,132

Hi.

138

00:05:59,133 —> 00:06:02,299
I'm a New Zealand extremist, and...

139
00:06:02,300 —> 00:06:04,199
I... don't...

140
00:06:04,200 —> 00:06:07,865
know what New Zealanders
threaten people with.

141
00:06:07,866 —> 00:06:10,332
[bomb ticking]

142
00:06:10,333 —> 00:06:15,600
[mellow jazz music plays]

143
00:06:20,566 —> 00:06:21,646
[distorted feedback blares]

144
00:06:24,566 —> 00:06:28,399
- [cheerful pop music plays]
- [woman singing in Japanese]

145

00:06:28,400 —> 00:06:32,500

THE AMAZING DIGITAL CIRCUS (HIGH SCHOOL)

146

00:06:35,900 —> 00:06:37,932

What is this? I don't like this.

147

00:06:37,933 —> 00:06:41,799

[Zooble scoffs] Can it. At least we

finally have one that's by someone else.

148

00:06:41,800 —> 00:06:44,832

Yeah, there's nothing more fun

than being back in school.

149

00:06:44,833 —> 00:06:47,333

Just give it a chance, Jax. Jeez.

150

00:06:47,900 —> 00:06:49,399

[Zooble] There's nothing wrong

with your suggestion.

151

00:06:49,400 —> 00:06:52,766

Wh... H-How did you know

this was my suggestion?!

152

00:06:53,333 —> 00:06:55,165

Can you believe this, Pomni?

153

00:06:55,166 —> 00:06:58,365

First, she draws anime.

Now she drags us all into one.

154

00:06:58,366 —> 00:06:59,165

[scoffs]

155

00:06:59,166 —> 00:07:03,532

She must be one of them, uh... losers.

156

00:07:03,533 —> 00:07:05,299

You threw me out of a moving truck.

157

00:07:05,300 —> 00:07:06,365

[Kinger] All right, class.

158

00:07:06,366 —> 00:07:10,133
Today, we're gonna learn
the popular foreign language known as...

159
00:07:10,633 —> 00:07:13,765
- English?
- This is boring. I vote we skip it.

160
00:07:13,766 —> 00:07:15,599
[Zooble] Shut up. We're not skipping it.

161
00:07:15,600 —> 00:07:19,633
Slice-of-life animes are the worst ones.
It's embarrassing!

162
00:07:20,133 —> 00:07:22,599
I mean, I guess it's not as embarrassing

163
00:07:22,600 —> 00:07:24,365
as that time Gangle took
an anime figure and...

164
00:07:24,366 —> 00:07:26,432

Actually, yeah!

We can skip it. That's fine!

165

00:07:26,433 —> 00:07:27,833

Let's skip this one!

166

00:07:28,966 —> 00:07:30,733

[mellow celestial music plays]

167

00:07:37,466 —> 00:07:42,232

Are we just chilling for this one?

Can I finally relax?

168

00:07:42,233 —> 00:07:43,532

Uh, I guess so.

169

00:07:43,533 —> 00:07:46,399

But, uh, I prefer

a little bite to my adventures.

170

00:07:46,400 —> 00:07:47,365

[Kinger chomps]

171

00:07:47,366 —> 00:07:50,500

Then why don't you help yourself

to a sangwidge?

172

00:07:51,666 —> 00:07:53,366

- [Zooble] Here.

- Thanks.

173

00:07:55,533 —> 00:08:00,000

Do you think Gangle

is actually capable of being happy?

174

00:08:00,966 —> 00:08:02,032

- What?

- I dunno.

175

00:08:02,033 —> 00:08:04,765

Like, her comedy mask

still breaks every day.

176

00:08:04,766 —> 00:08:08,632

Does she think hanging out with Zooble

is gonna magically fix that?

177

00:08:08,633 —> 00:08:10,399

Maybe she just doesn't wanna hang out

178

00:08:10,400 —> 00:08:12,365

with someone

who's mean to her all the time.

179

00:08:12,366 —> 00:08:14,400

She likes when I'm mean to her, though.

180

00:08:14,966 —> 00:08:17,765

I didn't think you cared about

what other people like.

181

00:08:17,766 —> 00:08:19,066

[scoffs] I just...

182

00:08:19,733 —> 00:08:21,666

No, yeah, y-you're right... I don't.

183

00:08:23,500 —> 00:08:27,065

Do you have any... actual friends?

184

00:08:27,066 —> 00:08:28,466

Not anymore.

185

00:08:30,433 —> 00:08:33,199

Oh... Oh. Oh, wait,

no. Uh, I'm... I'm sorry.

186

00:08:33,200 —> 00:08:34,565

I-I wasn't talking about...

187

00:08:34,566 —> 00:08:36,432

That... That wasn't meant to be...

188

00:08:36,433 —> 00:08:39,832

Uh... Uh... Hey, Kinger! [laughs awkwardly]

189

00:08:39,833 —> 00:08:41,932

Did you see the fireflies

all the way over there?

190

00:08:41,933 —> 00:08:42,933

[Kinger gasps] Where?!

191

00:08:45,500 —> 00:08:46,965

What was that about?

192

00:08:46,966 —> 00:08:49,800

It's nothing. Who cares?

193

00:08:50,866 —> 00:08:53,565

[sighs] Doesn't she get

on your nerves sometimes?

194

00:08:53,566 —> 00:08:56,565

I mean, she's nice to everyone.

195

00:08:56,566 —> 00:08:59,900

[Jax sighs] I don't know.

I just... I think she tries way too hard.

196

00:09:00,566 —> 00:09:02,300

Like, we're stuck in...

197

00:09:02,800 —> 00:09:05,399

Why are you always pretending

everything's always fine?

198

00:09:05,400 —> 00:09:08,665

Like, if you tell someone they're loved

and appreciated every day,

199

00:09:08,666 —> 00:09:10,965

it just kind of loses all meaning.

200

00:09:10,966 —> 00:09:12,432

[inhales deeply, sighs]

201

00:09:12,433 —> 00:09:15,073

It just feels like she's trying

to take advantage of you, you know?

202

00:09:16,033 —> 00:09:17,033

I don't know.

203

00:09:18,600 —> 00:09:21,099

Also, she's dumb, and she looks weird.

204

00:09:21,100 —> 00:09:23,332

Eh, I think we all look weird.

205

00:09:23,333 —> 00:09:24,532

Excuse you.

206

00:09:24,533 —> 00:09:26,699

This is what peak

male performance looks like.

207

00:09:26,700 —> 00:09:29,833

My ears and tail are kind

of the pinnacle of masculinity.

208

00:09:31,100 —> 00:09:32,632

You don't have a tail.

209

00:09:32,633 —> 00:09:34,965

[scoffs] What are you

talking about? Yes, I do.

210

00:09:34,966 —> 00:09:38,499

It's... It... What the... Where's my tail?

211

00:09:38,500 —> 00:09:39,865

How long have I not had my tail?

212

00:09:39,866 —> 00:09:42,632

I have never seen you with a tail.

213

00:09:42,633 —> 00:09:44,866

[Jax] When would that have even...

214

00:09:47,900 —> 00:09:48,966

They look happy.

215

00:09:49,566 —> 00:09:51,633

They do, don't they?

216

00:09:52,200 —> 00:09:54,565

You think after this, maybe we could...

217

00:09:54,566 —> 00:09:56,699

Wait a minute! That's a bad thing!

218

00:09:56,700 —> 00:09:59,499

Explain to daddy Bubble how bad thing?

219

00:09:59,500 —> 00:10:01,632

I-I think that... Don't say that.

220

00:10:01,633 —> 00:10:04,432

I-I think they're enjoying

the suggestion box adventures

221

00:10:04,433 —> 00:10:05,965

more than the me adventures!

222

00:10:05,966 —> 00:10:07,465

- What should I do?

- You should die...

223

00:10:07,466 —> 00:10:10,099

You should throw a [BLEEP!] beach party!

224

00:10:10,100 —> 00:10:11,699

Why do you swear now?

225

00:10:11,700 —> 00:10:13,732

Ugh, forget it.

Let's go to an intermission.

226

00:10:13,733 —> 00:10:17,265

[rewound audio warbles]

227

00:10:17,266 —> 00:10:19,499

[deep sultry voice] Intermission time.

228

00:10:19,500 —> 00:10:21,299

- [record scratches]

- [trippy music plays]

229

00:10:21,300 —> 00:10:25,166

[remixed vocals play]

230

00:10:29,300 —> 00:10:35,200

[funky music]

231

00:10:45,100 —> 00:10:50,133

[fantasy-like music]

232

00:10:53,166 —> 00:10:56,066

[upbeat whimsical music]

233

00:11:17,466 —> 00:11:19,265

[Zooble] Caine,

what are we doing right now?

234

00:11:19,266 —> 00:11:20,700

We're intermissioning!

235

00:11:21,533 —> 00:11:22,533

[Zooble] Why?

236

00:11:25,300 —> 00:11:27,832

[Zooble] Uh... Hello?

237

00:11:27,833 —> 00:11:29,632

And now, back to the show!

238

00:11:29,633 —> 00:11:32,900

- [moody jazz music plays]

- [bell jingles]

239

00:11:34,766 —> 00:11:36,499

Gimme a whiskey sour.

240

00:11:36,500 —> 00:11:38,533

But hold the egg white, since I'm a vegan.

241

00:11:39,100 —> 00:11:40,532

Wha... I hate this!

242

00:11:40,533 —> 00:11:43,800

How is this even possible?

I thought Caine couldn't...

243

00:11:44,533 —> 00:11:46,532

[Zooble] I could have made it

way worse for you.

244

00:11:46,533 —> 00:11:49,532
Well, I'm calling a vote
to turn Zooble into a slug.

245
00:11:49,533 —> 00:11:51,765
- [warbling tones play]
- [low tones play]

246
00:11:51,766 —> 00:11:53,165
Everyone voted against that.

247
00:11:53,166 —> 00:11:55,065
Uuuugghh!!

248
00:11:55,066 —> 00:11:56,333
No hate it...

249
00:11:56,900 —> 00:11:57,932
[bell jingles]

250
00:11:57,933 —> 00:12:01,265
[Kinger] Phew! It's raining
like the dickens out there.

251

00:12:01,266 —> 00:12:02,232

Hey, guys.

252

00:12:02,233 —> 00:12:04,266

[intimate jazz music]

253

00:12:04,866 —> 00:12:07,165

I'll have a cosmopolitan.

254

00:12:07,166 —> 00:12:08,933

[Kinger] Gimme a corncob blitz.

255

00:12:10,200 —> 00:12:12,333

[Zooble] I'll throw something together.

256

00:12:13,300 —> 00:12:15,699

You know your way around alcohol, huh?

257

00:12:15,700 —> 00:12:18,465

[Zooble] Yeah.

This was one of my suggestions.

258

00:12:18,466 —> 00:12:21,165

I worked at a bar briefly.

I like making drinks.

259

00:12:21,166 —> 00:12:23,366

That sounds fitting for you.

260

00:12:23,933 —> 00:12:25,865

[Zooble] I know

there's an implication there,

261

00:12:25,866 —> 00:12:28,299

but I can't be [BOINK!] to figure it out.

262

00:12:28,300 —> 00:12:31,932

So, Pomni, you ever have any jobs?

Or are you too young for that?

263

00:12:31,933 —> 00:12:33,666

I'm 25 years old.

264

00:12:34,233 —> 00:12:35,732

And, yeah.

265

00:12:35,733 —> 00:12:38,699

I was an accountant

for a... a supermarket chain.

266

00:12:38,700 —> 00:12:41,165

A supermarket? How'd you end up here?

267

00:12:41,166 —> 00:12:43,265

Well, I...

268

00:12:43,266 —> 00:12:46,132

sometimes got bored of things...

269

00:12:46,133 —> 00:12:47,965

and I would seek out mild thrills.

270

00:12:47,966 —> 00:12:51,066

Like exploring abandoned buildings,

you know?

271

00:12:51,800 —> 00:12:54,099

And posting videos of it online.

272

00:12:54,100 —> 00:12:56,299

[Jax] Ah, a YouTuber.

273

00:12:56,300 —> 00:12:59,700

Not really. Nobody watched them.

274

00:13:00,266 —> 00:13:02,533

It was just something I did for me.

275

00:13:03,100 —> 00:13:06,032

[Zooble] I sometimes did that.

I wouldn't record it, though.

276

00:13:06,033 —> 00:13:07,932

- Here's your cosmo.

- Thanks.

277

00:13:07,933 —> 00:13:09,499

Hiding something.

278

00:13:09,500 —> 00:13:11,399

[Zooble] You'd know

all about that, wouldn't you?

279

00:13:11,400 —> 00:13:12,632

What's your story, then?

280

00:13:12,633 —> 00:13:14,299

Ah, I thought you'd never ask.

281

00:13:14,300 —> 00:13:17,099

Well, after my lung cancer diagnosis,

282

00:13:17,100 —> 00:13:20,032

me and my junkie associate

from a chemistry class I used to teach...

283

00:13:20,033 —> 00:13:21,399

[Zooble] I figured. How about you, Gangle?

284

00:13:21,400 —> 00:13:22,699

Hey, I wasn't done.

285

00:13:22,700 —> 00:13:25,532

[Zooble] If you're gonna make [BOINK!] up,

at least be creative about it.

286

00:13:25,533 —> 00:13:27,365

I know what you're referencing.

287

00:13:27,366 —> 00:13:29,732

Was that a reference to something?

288

00:13:29,733 —> 00:13:33,099

Uh... I worked in fast food.

289

00:13:33,100 —> 00:13:35,340

[Zooble] You've done more than that.

What about your art?

290

00:13:35,866 —> 00:13:38,799

I was in community college

for graphic design,

291

00:13:38,800 —> 00:13:40,833

but I dropped out.

292

00:13:41,366 —> 00:13:43,665

I didn't really

pursue art much after that.

293

00:13:43,666 —> 00:13:46,532

[Zooble] Hey, I'm always down

to make art together, if you want.

294

00:13:46,533 —> 00:13:48,865

Oh, I didn't know

you were an artist, too, Zooble.

295

00:13:48,866 —> 00:13:51,899

[Zooble] Uh, yeah, I was

a tattoo artist for a couple years.

296

00:13:51,900 —> 00:13:54,865

[Jax] A bartender and a tattoo artist?

297

00:13:54,866 —> 00:13:56,566

You're killin' me here, Zoobie.

298

00:13:57,133 —> 00:13:59,032

[Zooble] What do you mean

when you say that?

299

00:13:59,033 —> 00:14:01,833

Do you have, like, an actual point?

Or are you just talking?

300

00:14:02,400 —> 00:14:05,332

I'm just havin' fun.

I forgot you hate fun.

301

00:14:05,333 —> 00:14:07,765

[Zooble] Fun isn't the thing I hate.

302

00:14:07,766 —> 00:14:12,299

I guess I'll go now. Oh, jeez,

where to start? [laughs nervously]

303

00:14:12,300 —> 00:14:15,865

Um, I was born

into a fairly wealthy family.

304

00:14:15,866 —> 00:14:18,999

We had a large property

with horses and chickens.

305

00:14:19,000 —> 00:14:20,332

And my mother...

306

00:14:20,333 —> 00:14:24,532

Uh, well... my mother was... a lot.

307

00:14:24,533 —> 00:14:29,700

Uh, I worked in real estate for a bit,

until I ended up... here.

308

00:14:30,600 —> 00:14:31,632

[sighs]

309

00:14:31,633 —> 00:14:33,500

I'm sure she doesn't miss me.

310

00:14:34,000 —> 00:14:36,132

I certainly don't miss the yelling...

311

00:14:36,133 —> 00:14:40,632

and the berating... and guilt-tripping...

312

00:14:40,633 —> 00:14:41,900

And the...

313

00:14:43,033 —> 00:14:47,233

Yeah. Just kind of a farm girl.

Nothing too out of the ordinary.

314

00:14:50,266 —> 00:14:52,365

And no point in asking Kinger,

315

00:14:52,366 —> 00:14:54,632

'cause there's no way

he remembers anything.

316

00:14:54,633 —> 00:14:55,933

[Kinger] Never better!

317

00:14:57,066 —> 00:14:59,165

Do you guys know about his wife?

318

00:14:59,166 —> 00:15:00,446

- [Jax] Huh?

- [Kinger] My what?!

319

00:15:01,500 —> 00:15:02,800

- [Kinger] Oh.

- [Jax scoffs]

320

00:15:04,133 —> 00:15:05,500

- [door opens]

- [bell dings]

321

00:15:07,133 —> 00:15:08,133

[NPC] He...

322

00:15:09,333 —> 00:15:11,465

- What?

- [Zooble] That's disappearing guy.

323

00:15:11,466 —> 00:15:12,932

That's just what he does.

324

00:15:12,933 —> 00:15:14,433

I see.

325

00:15:14,933 —> 00:15:17,065

From a previous adventure?

326

00:15:17,066 —> 00:15:19,500

Yeah. God, Pomni. You didn't know that?

327

00:15:20,200 —> 00:15:21,465

[Zooble] I'm ignoring you.

328

00:15:21,466 —> 00:15:25,199

By the way, Pomni, sorry

about the whole president thing.

329

00:15:25,200 —> 00:15:26,999

I just thought it'd be funny.

330

00:15:27,000 —> 00:15:30,199

Uh, are... are... are you apologizing?

331

00:15:30,200 —> 00:15:32,399

- What's happening?

- [Zooble] Just ignore him.

332

00:15:32,400 —> 00:15:34,032

Uh...

333

00:15:34,033 —> 00:15:37,365

Apology accepted. I guess.

334

00:15:37,366 —> 00:15:40,832

Wow, the first steps

of a budding friendship.

335

00:15:40,833 —> 00:15:41,966

Right, Ragatha?

336

00:15:43,900 —> 00:15:45,932

Uh, hey, Pomni.

337

00:15:45,933 —> 00:15:48,332

Remember when Kaufmo

smashed me against the walls

338

00:15:48,333 —> 00:15:50,365

and I got all jumbled up?

339

00:15:50,366 —> 00:15:53,499

Ah, all things considered,

that was pretty funny, right?

340

00:15:53,500 —> 00:15:56,899

Noooo? Not really.

341

00:15:56,900 —> 00:15:59,099

Oh, yeah, yeah. No, sorry.

342

00:15:59,100 —> 00:16:01,465

That was probably

pretty traumatic for you.

343

00:16:01,466 —> 00:16:03,432
Ooh, remember
when you got high at McDonald's

344
00:16:03,433 —> 00:16:05,765
and told Gangle to kill herself?

345
00:16:05,766 —> 00:16:07,032
[chuckles] Now that was funny.

346
00:16:07,033 —> 00:16:10,265
What? I-I did not say that! I-I think.

347
00:16:10,266 —> 00:16:11,899
No. No, of course I didn't. I...

348
00:16:11,900 —> 00:16:15,265
And I am still so,
so sorry about that, Gangle.

349
00:16:15,266 —> 00:16:17,865
I would never have said anything like that

350

00:16:17,866 —> 00:16:20,732

if I didn't get

that stupid sauce in my eye!

351

00:16:20,733 —> 00:16:23,965

Jeez, Raggy,

just let yourself be mean sometimes.

352

00:16:23,966 —> 00:16:25,465

- It's funny.

- [Zooble] Yeah.

353

00:16:25,466 —> 00:16:28,665

Constantly tormenting Gangle's

really funny, Jax.

354

00:16:28,666 —> 00:16:31,300

You guys all take this place

way too seriously.

355

00:16:33,933 —> 00:16:36,733

Wh... What is this? Why'd you do that?

356

00:16:37,766 —> 00:16:39,766

Can you get that thing away from me?

357

00:16:40,333 —> 00:16:42,499

[Zooble] Are you afraid of corn?

358

00:16:42,500 —> 00:16:45,100

No. Who's afraid of corn?

359

00:16:46,533 —> 00:16:48,399

I'm bored! Let's go to the next adventure!

360

00:16:48,400 —> 00:16:49,880

[Zooble] You're not even a part of...

361

00:16:50,766 —> 00:16:51,766

[crowd cheering]

362

00:16:52,666 —> 00:16:55,465

[Caine through microphone]

It's softball, ladies and gentlemen!

363

00:16:55,466 —> 00:16:57,299

[Ragatha] O-Oh. We're doing this now?

364

00:16:57,300 —> 00:16:59,765

Beautiful night for a game, right, Bubble?

365

00:16:59,766 —> 00:17:01,432

Bleeeh!!

366

00:17:01,433 —> 00:17:03,432

We've got the Big Tops

367

00:17:03,433 —> 00:17:06,299

playing against the Evil Big Tops!

368

00:17:06,300 —> 00:17:09,199

'Sup, [BLEEP!]? I'm Evil Pomni.

369

00:17:09,200 —> 00:17:10,399

[cackling]

370

00:17:10,400 —> 00:17:12,865

I'm Evil Ragatha!

371

00:17:12,866 —> 00:17:15,265

Coach Dictatorer, here!

372

00:17:15,266 —> 00:17:18,332

[nervously] Uh, hi, guys. I-I'm Evil Jax.

373

00:17:18,333 —> 00:17:20,899

[Evil Orbsman]

Evil Orbsman, reporting for duty!

374

00:17:20,900 —> 00:17:21,999

[Evil Zooble goofy voice] I'm Bazooble!

375

00:17:22,000 —> 00:17:22,899

[babbles]

376

00:17:22,900 —> 00:17:26,032

Well, that wasn't in my suggestion.

377

00:17:26,033 —> 00:17:27,865
Why don't I get an evil clone?

378
00:17:27,866 —> 00:17:30,632
But first, let's welcome
our special guest,

379
00:17:30,633 —> 00:17:33,365
here to sing the American national anthem.

380
00:17:33,366 —> 00:17:36,865
[crowd cheering]

381
00:17:36,866 —> 00:17:38,566
[microphone feedback squeals]

382
00:17:39,200 —> 00:17:40,866
[Disappearing Guy] Oh, sa...

383
00:17:43,000 —> 00:17:48,900
[applause]

384

00:17:49,733 —> 00:17:50,733

[screams]

385

00:17:51,633 —> 00:17:53,132

[Kinger] All right, team!

386

00:17:53,133 —> 00:17:57,365

I may not know what's going on

or who is going on,

387

00:17:57,366 —> 00:18:00,765

or when is going on, or why is going on,

388

00:18:00,766 —> 00:18:03,499

but I do know where is going on,

389

00:18:03,500 —> 00:18:05,565

and it's out on that field.

390

00:18:05,566 —> 00:18:08,600

So, let's go break some tailbones, team.

391

00:18:09,600 —> 00:18:10,899

H-Hey, guys.

392

00:18:10,900 —> 00:18:14,633

I-I hope we all have a fun game,

no matter who ends up winning.

393

00:18:15,833 —> 00:18:16,965

I wanna kill that guy.

394

00:18:16,966 —> 00:18:18,232

[crowd cheering]

395

00:18:18,233 —> 00:18:20,532

[Evil Ragatha] Well, hello, Stupidgatha!

396

00:18:20,533 —> 00:18:23,865

I hope you're ready

to get completely annihilated!

397

00:18:23,866 —> 00:18:25,032

[cackles]

398

00:18:25,033 —> 00:18:28,065

Nobody loves you,

and you're going to die someday!

399

00:18:28,066 —> 00:18:29,532

[cackles]

400

00:18:29,533 —> 00:18:31,432

We can't exactly die.

401

00:18:31,433 —> 00:18:33,433

That's like the whole thing here.

402

00:18:35,066 —> 00:18:36,832

[Evil Orbsman] What the frick?

403

00:18:36,833 —> 00:18:39,533

Huh? Oh, check this [BLEEP!] out.

404

00:18:40,033 —> 00:18:41,999

You're out, dumb-[BLEEP!]

405

00:18:42,000 —> 00:18:43,532

[BOINK!] it!

406

00:18:43,533 —> 00:18:45,332

[Jax] Hah! Get owned!

407

00:18:45,333 —> 00:18:47,432

[Pomni] [BLEEP!] yeah,

that's what I'm sayin'.

408

00:18:47,433 —> 00:18:49,366

Ah, she's cool.

409

00:18:50,233 —> 00:18:51,732

Wait, w-what's that?

410

00:18:51,733 —> 00:18:54,599

- [high-pitched tones chiming]

- [buzzer blats]

411

00:18:54,600 —> 00:18:55,700

[chime rings]

412

00:18:56,400 —> 00:18:58,866

- What the heck?! Who did this?!

- [giggles]

413

00:18:59,933 —> 00:19:00,899

You!

414

00:19:00,900 —> 00:19:04,299

- [Zooble] Hey!

- [wailing]

415

00:19:04,300 —> 00:19:06,899

- [Kinger] Jax, you're up to bat!

- I cant... Don't wanna...

416

00:19:06,900 —> 00:19:09,399

[stammers] I look like this, though!

417

00:19:09,400 —> 00:19:12,165

[Zooble] Seems fitting for you,

though. I figured you'd be into this.

418

00:19:12,166 —> 00:19:13,865

What does that mean?

What's that supposed to mean?

419

00:19:13,866 —> 00:19:16,599

[Zooble] I'm just havin' fun.

I forgot you hate fun.

420

00:19:16,600 —> 00:19:18,399

I don't want to wear this!

421

00:19:18,400 —> 00:19:21,665

[breathing heavily]

422

00:19:21,666 —> 00:19:25,032

[Zooble] I have never seen you

this upset about something.

423

00:19:25,033 —> 00:19:26,832

[Kinger] Jax! Bat!

424

00:19:26,833 —> 00:19:28,833

I'm gonna kill you when this is over.

425

00:19:30,966 —> 00:19:32,999

[Evil Zooble]

Let's see what you're made of!

426

00:19:33,000 —> 00:19:34,299

[Jax] Sh... Shut up!

427

00:19:34,300 —> 00:19:36,632

[Evil Jax] D-Don't worry!

I think you look good!

428

00:19:36,633 —> 00:19:38,933

I don't want to hear that!

I want you dead!

429

00:19:43,833 —> 00:19:45,799

Huh, I guess there's no more ball.

We're done.

430

00:19:45,800 —> 00:19:47,533

[Kinger] Wait! I got this!

431

00:19:49,233 —> 00:19:51,832

- [Kinger] Hmm.

- [Zooble] Wh... Hey!

432

00:19:51,833 —> 00:19:55,399

[Kinger] Sorry, Zooble. It's just

the perfect regulation softball size.

433

00:19:55,400 —> 00:19:57,266

We're not playin' baseball, here.

434

00:20:02,533 —> 00:20:04,432

I'm not doing this anymore.

435

00:20:04,433 —> 00:20:08,299

[Kinger] Wait, Jax!

Wh... What about where is going on?

436

00:20:08,300 —> 00:20:09,532

[sighs]

437

00:20:09,533 —> 00:20:11,365

I can't believe I hit it right to her.

438

00:20:11,366 —> 00:20:13,366

I'm supposed to be better than that.

439

00:20:14,033 —> 00:20:17,533

[sighs] Sorry. I should be a better sport.

440

00:20:18,100 —> 00:20:21,132

Not to, like, agree with Jax, or anything,

441

00:20:21,133 —> 00:20:24,699

but there's nothing wrong

with showing your negative emotions.

442

00:20:24,700 —> 00:20:26,632

That's... pretty normal.

443

00:20:26,633 —> 00:20:28,200

[sighs] I don't know.

444

00:20:28,700 —> 00:20:30,533

I don't want to be a jerk, or anything.

445

00:20:31,100 —> 00:20:34,265

I think we all need

to be a jerk sometimes.

446

00:20:34,266 —> 00:20:35,232

[mumbles]

447

00:20:35,233 —> 00:20:37,833

Maybe. Who knows?

448

00:20:41,466 —> 00:20:43,599

[Zooble] Caine! We need a ball here!

449

00:20:43,600 —> 00:20:44,499

[snores, stammers]

450

00:20:44,500 —> 00:20:45,699

Wha... Oh!

451

00:20:45,700 —> 00:20:47,432

[schwing!]

452

00:20:47,433 —> 00:20:50,033

[Zooble] Jax, we have a ball now!

What are you doing?

453

00:20:50,600 —> 00:20:52,400

[Jax] Ugh, see ya.

454

00:20:56,433 —> 00:20:57,800

Whoops, I missed.

455

00:20:59,366 —> 00:21:00,900

Oh, darn, I'm out.

456

00:21:04,200 —> 00:21:05,299

Having fun?

457

00:21:05,300 —> 00:21:06,333

Oh, you know it.

458

00:21:08,500 —> 00:21:10,265
Oh, look, Gangle's up to bat.

459
00:21:10,266 —> 00:21:11,732
How do you think this is gonna go?

460
00:21:11,733 —> 00:21:14,232
Would you stop trying
to force her to act like you?

461
00:21:14,233 —> 00:21:17,665
Oh, yeah, I should force her to be happy
all the time instead, right?

462
00:21:17,666 —> 00:21:20,465
Well, it's better than turning her
into some insensitive jerk

463
00:21:20,466 —> 00:21:22,065
who deflects everything.

464
00:21:22,066 —> 00:21:24,132
I can think for myself, guys.

465

00:21:24,133 —> 00:21:26,065

Hey, I ain't forcin' anything on ya.

466

00:21:26,066 —> 00:21:28,465

And then you just act like

you never do anything wrong

467

00:21:28,466 —> 00:21:30,532

and everybody loves you, when, in reality,

468

00:21:30,533 —> 00:21:32,832

you just [BONK!] everything up

for everyone else!

469

00:21:32,833 —> 00:21:35,932

Okay, let's, like, calm down a bit.

470

00:21:35,933 —> 00:21:38,900

What?! You're the one who said

it's fine to be a jerk sometimes!

471

00:21:39,733 —> 00:21:42,399

Ugh! I'm sorry, Pomni.

472

00:21:42,400 —> 00:21:44,565

[sighs] That wasn't very cool of me.

473

00:21:44,566 —> 00:21:46,499

I-It's fine.

474

00:21:46,500 —> 00:21:49,766

No apologies for me? This is so sad.

475

00:21:50,500 —> 00:21:51,500

[sighs]

476

00:21:52,000 —> 00:21:53,166

I'm sorry, Jax...

477

00:21:53,666 —> 00:21:57,133

for... for bringing up that thing earlier.

478

00:22:03,133 —> 00:22:04,233

So...

479

00:22:04,800 —> 00:22:08,499

You wanna... talk about that?

480

00:22:08,500 —> 00:22:10,866

I'm in a maid outfit. What do you think?

481

00:22:12,900 —> 00:22:13,799

[sighs]

482

00:22:13,800 —> 00:22:15,565

So, how's the game going?

483

00:22:15,566 —> 00:22:17,799

[Kinger] Great! Gangle hit a home run!

484

00:22:17,800 —> 00:22:19,765

- Really?

- [Gangle] Yeah.

485

00:22:19,766 —> 00:22:22,232

Your instructions helped me a lot.

486

00:22:22,233 —> 00:22:23,700

[laughs softly] Huh.

487

00:22:24,766 —> 00:22:26,732

[Zooble] Can you give me my eye back?

488

00:22:26,733 —> 00:22:30,000

[Evil Zooble] Jokes on you... I've already

forgotten what you're talkin' about!

489

00:22:31,133 —> 00:22:32,365

[grunts]

490

00:22:32,366 —> 00:22:36,232

Wowie! Another home run!

491

00:22:36,233 —> 00:22:38,332

[Evil Kinger] God [BLEEP!]

492

00:22:38,333 —> 00:22:40,832

[Zooble] What, uh... Okay.

493

00:22:40,833 —> 00:22:42,932

[Kinger] Nice going, Zooble!

494

00:22:42,933 —> 00:22:45,132

All right, Pomni, you're up.

495

00:22:45,133 —> 00:22:46,533

Hey, Ragatha?

496

00:22:47,033 —> 00:22:48,332

You wanna bat for me instead?

497

00:22:48,333 —> 00:22:50,565

O-O-Oh, uh...

498

00:22:50,566 —> 00:22:53,400

I guess I could,

if you really don't want to.

499

00:22:53,966 —> 00:22:57,732

Think of it as a... a second chance

to show 'em who's boss.

500

00:22:57,733 —> 00:22:58,732

[scoffs]

501

00:22:58,733 —> 00:22:59,733

Yeah.

502

00:23:00,500 —> 00:23:02,900

[crowd cheering]

503

00:23:06,266 —> 00:23:08,865

- [Ragatha] Uh...

- [Caine] Bazowieezooweewa!

504

00:23:08,866 —> 00:23:10,699

Another home run!

505

00:23:10,700 —> 00:23:12,832

And that makes three home runs in a row!

506

00:23:12,833 —> 00:23:14,499

The Big Tops win!

507

00:23:14,500 —> 00:23:18,199

Uh, that's... not how softball works.

508

00:23:18,200 —> 00:23:20,865

Well, that's how my softball works.

We're done! Hooray!

509

00:23:20,866 —> 00:23:21,999

[Evil Ragatha] No!

510

00:23:22,000 —> 00:23:24,199

Ugh. [BLEEP!], man.

511

00:23:24,200 —> 00:23:25,733

We didn't even get to bat.

512

00:23:30,000 —> 00:23:31,965

- [Kinger] You did it, Ragatha!

- [Ragatha] Whoa!

513

00:23:31,966 —> 00:23:33,232

[Kinger] We won!

514

00:23:33,233 —> 00:23:35,732

Uh, I mean, I guess.

515

00:23:35,733 —> 00:23:38,633

Good job... whatever you did.

516

00:23:39,133 —> 00:23:41,566

[Zooble] Huh? Uh, oh, yeah.

Good job, team.

517

00:23:42,733 —> 00:23:45,400

Huh? Oh, cool. I'm not a vegan anymore.

518

00:23:47,000 —> 00:23:49,232

Oh, hey! W-Wait, what are you...

519

00:23:49,233 —> 00:23:51,399

- [growling]

- [screaming]

520

00:23:51,400 —> 00:23:53,065

[Kinger] Why is going on?!

521

00:23:53,066 —> 00:23:56,266

[screaming and growling continue]

522

00:23:59,500 —> 00:24:00,632

[portal shimmering]

523

00:24:00,633 —> 00:24:02,365

[Caine] Well, I hope we all learned

524

00:24:02,366 —> 00:24:05,465

that suggestion box ideas

are actually not fun at all,

525

00:24:05,466 —> 00:24:07,999

and Caine's ideas are much better!

526

00:24:08,000 —> 00:24:10,332

[Zooble] Well, some of them

were pretty okay.

527

00:24:10,333 —> 00:24:12,565

I kind of liked the low-stakes ones.

528

00:24:12,566 —> 00:24:14,532

I thought the first two were awesome.

529

00:24:14,533 —> 00:24:16,300

The rest... eh.

530

00:24:16,800 —> 00:24:19,932

Oh, yeah, Pomni... I can show you

that thing in the hall I was talking about.

531

00:24:19,933 —> 00:24:21,333

Uh, oh, yeah, sure.

532

00:24:28,033 —> 00:24:29,033

[sighs]

533

00:24:31,400 —> 00:24:35,200

[sinister music plays]

534

00:24:46,633 —> 00:24:51,200

[upbeat jazzy music plays]

EP6: They All Get Guns

1

00:00:01,033 —> 00:00:04,066

[upbeat techno music plays]

2

00:00:09,866 —> 00:00:10,932

[lively cinematic music]

3

00:00:10,933 —> 00:00:13,232

[Caine] Today's adventure

is brought to you

4

00:00:13,233 —> 00:00:16,199

by the Favorite Character Awards!

5

00:00:16,200 —> 00:00:21,399

Stay tuned and find out

who will claim the ultimate prize!

6

00:00:21,400 —> 00:00:23,966

[glitzy orchestral music plays]

7

00:00:24,933 —> 00:00:26,865

[inaudible chatter]

8

00:00:26,866 —> 00:00:27,933

[Zooble] [BOINK!]

9

00:00:28,600 —> 00:00:30,299

[Zooble] Can you toss that back up here?

10

00:00:30,300 —> 00:00:32,432

[scoffs] Making good use

of your parts gimmick, huh?

11

00:00:32,433 —> 00:00:33,699

[Zooble] Oh, shut up.

12

00:00:33,700 —> 00:00:35,432

What are you doing up there?

13

00:00:35,433 —> 00:00:37,099

[Zooble] I'm hiding from Caine.

14

00:00:37,100 —> 00:00:39,165

I think I overheard him talking to Bubble

15

00:00:39,166 —> 00:00:41,332

about an in-house adventure,

16

00:00:41,333 —> 00:00:43,599

and I'm not gonna be part of it.

17

00:00:43,600 —> 00:00:47,765

And... you're just gonna

hang out in a flower pot all day?

18

00:00:47,766 —> 00:00:49,265

Not, like, your room?

19

00:00:49,266 —> 00:00:51,932

[Zooble] Caine's been checking up

on my room lately.

20

00:00:51,933 —> 00:00:55,099

When I don't answer,

he just starts singing "Daisy Bell"

21

00:00:55,100 —> 00:00:56,799

in front of my door.

22

00:00:56,800 —> 00:00:58,232

It's creepy.

23

00:00:58,233 —> 00:00:59,832

Does he really do that?

24

00:00:59,833 —> 00:01:01,565

I dunno. Let's ask him.

25

00:01:01,566 —> 00:01:02,899

[hollers] Hey, Caine!

26

00:01:02,900 —> 00:01:04,232

[Zooble] You [BOINK!] asshole!

27

00:01:04,233 —> 00:01:05,799

Yes, Jax?

28

00:01:05,800 —> 00:01:07,232

Look, it's Zooble!

29

00:01:07,233 —> 00:01:09,365

- [Zooble] [BOINK!] you!

- Ah, there you are!

30

00:01:09,366 —> 00:01:11,600

Now I don't have to do

the snap-summon thing.

31

00:01:12,433 —> 00:01:14,799

- [Zooble grunts]

- And I'm glad I found you.

32

00:01:14,800 —> 00:01:17,699

We need even numbers,

'cause today's adventure is a...

33

00:01:17,700 —> 00:01:19,665

[overlapping voices] TEAM adventure!

34

00:01:19,666 —> 00:01:22,032

[normal voice] Meet you guys

up at the stage in, uh...

35

00:01:22,033 —> 00:01:24,500

let's say 5.7 minutes.

36

00:01:25,866 —> 00:01:26,866

[Zooble] Great.

37

00:01:28,633 —> 00:01:31,065

You didn't even ask him

about the singing thing.

38

00:01:31,066 —> 00:01:32,066

The what?

39

00:01:33,066 —> 00:01:36,865

Today's adventure is...

gonna be a bit of a short one,

40

00:01:36,866 —> 00:01:39,565

- due to the Favourite Character Awards.

- [triumphant music]

41

00:01:39,566 —> 00:01:41,265

But it'll be a perfect opportunity

42

00:01:41,266 —> 00:01:44,699

to showcase your guys' strengths

to the press!

43

00:01:44,700 —> 00:01:47,165

- This is so heavy.

- That's right, Bubble.

44

00:01:47,166 —> 00:01:50,332

Seeing you all play batball a few days ago

45

00:01:50,333 —> 00:01:51,499

really got me thinking.

46

00:01:51,500 —> 00:01:53,399

We should do our own sporting event!

47

00:01:53,400 —> 00:01:55,199

But with cool new sports

48

00:01:55,200 —> 00:01:57,665

- invented by yours truly.

- [Pomni] Help me, Caine.

49

00:01:57,666 —> 00:02:01,499

Uh, we could also just play softball

normally this time.

50

00:02:01,500 —> 00:02:02,500

Eeegh...

51

00:02:03,066 —> 00:02:07,332

[Caine] In the Caine Leagues,

we have the 400 Meter Vertical Skedaddle,

52

00:02:07,333 —> 00:02:09,665
Bisection Boogie Eggball,

53
00:02:09,666 —> 00:02:12,265
Lateral Hijinks, Orange Sport,

54
00:02:12,266 —> 00:02:14,132
Ball Run, Walk Ball,

55
00:02:14,133 —> 00:02:16,732
Run Walk, and Ball Ball!

56
00:02:16,733 —> 00:02:19,965
- These sports are surely going to...
- [Zooble] Uh, yeah, sorry, no.

57
00:02:19,966 —> 00:02:22,432
- I'm not gonna be on a team with that one.
- [blows kiss]

58
00:02:22,433 —> 00:02:25,399
Zooble, why does all you do
is complaining?

59

00:02:25,400 —> 00:02:26,865

I never know what you want!

60

00:02:26,866 —> 00:02:29,465

[Zooble] We had a whole

suggestion box for that.

61

00:02:29,466 —> 00:02:31,399

Yeah, Zooble and I constantly say

62

00:02:31,400 —> 00:02:34,265

we like more chill

and relaxing adventures.

63

00:02:34,266 —> 00:02:36,799

Did you really not like my softball one?

64

00:02:36,800 —> 00:02:39,799

I'm not big into sports. Sorry.

65

00:02:39,800 —> 00:02:42,765

The suggestion box just causes

interpersonal drama.

66

00:02:42,766 —> 00:02:44,299

- And me no likey.

- [Zooble] Alright.

67

00:02:44,300 —> 00:02:47,199

- You really wanna know what I want?

- Oh, no.

68

00:02:47,200 —> 00:02:50,033

[Zooble] I want the ability to have sex.

69

00:02:50,633 —> 00:02:51,965

No way.

70

00:02:51,966 —> 00:02:54,833

Are we finally having this conversation?

71

00:02:55,466 —> 00:02:57,099

[stammers]

72

00:02:57,100 —> 00:02:59,099

- [babbling]

- [sinister music plays]

73

00:02:59,100 —> 00:03:03,565

[intense warbling music]

74

00:03:03,566 —> 00:03:04,566

[ding!]

75

00:03:05,466 —> 00:03:06,799

Oh. Hi, Zooble!

76

00:03:06,800 —> 00:03:09,532

[Zooble] Do you have any

of that stupid sauce left?

77

00:03:09,533 —> 00:03:11,099

What were we talking about? Oh, yeah!

78

00:03:11,100 —> 00:03:14,399

How teamwork is essential

to making the dream work!

79

00:03:14,400 —> 00:03:15,765

[Zooble] Tell that to him!

80

00:03:15,766 —> 00:03:17,999

He's the one that

[BOINK!] everything all the time.

81

00:03:18,000 —> 00:03:19,999

You are in a mood today, aren't you?

82

00:03:20,000 —> 00:03:22,599

Now, now. You know

what they say about assuming.

83

00:03:22,600 —> 00:03:23,799

It makes an "ass"

84

00:03:23,800 —> 00:03:26,033

out of "u" and "ming."

85

00:03:26,666 —> 00:03:29,066

- [Zooble] "Ming"?

- Did Caine just say [BOINK]?"

86

00:03:31,066 —> 00:03:34,265

[Ming] Hi, I'm Ming,

and I really don't appreciate

87

00:03:34,266 —> 00:03:37,233

what your assumptions

have done to my reputation.

88

00:03:38,500 —> 00:03:39,965

[Zooble] You made a whole guy for that?

89

00:03:39,966 —> 00:03:42,165

Whatever the case, it's evident now

90

00:03:42,166 —> 00:03:44,765

that there's quite a bit

of tension between you all.

91

00:03:44,766 —> 00:03:48,265

So, maybe what we actually need

to do are trust exercises!

92

00:03:48,266 —> 00:03:50,699

[Zooble] I am not falling into Jax's arms,

93

00:03:50,700 —> 00:03:51,932

if that's what you mean.

94

00:03:51,933 —> 00:03:55,099

Don't worry. This will be

a two-way trust exercise,

95

00:03:55,100 —> 00:03:56,799

where you'll each have to trust each other

96

00:03:56,800 —> 00:03:59,032

to not betray the other person.

97

00:03:59,033 —> 00:04:00,132

[snap, shwing]

98

00:04:00,133 —> 00:04:01,299
This is a private room,

99
00:04:01,300 —> 00:04:04,533
where nobody can see
or hear you once inside.

100
00:04:05,100 —> 00:04:06,865
- And this...
- [shwing!]

101
00:04:06,866 —> 00:04:08,699
- is a loaded gun!
- Oh, boy.

102
00:04:08,700 —> 00:04:11,365
[Caine] Character A will take the gun
into the private room

103
00:04:11,366 —> 00:04:13,765
and empty it out of all its ammunition,

104
00:04:13,766 —> 00:04:16,432

then come out and give it to Character B.

105

00:04:16,433 —> 00:04:18,365

Character B will then take the gun

106

00:04:18,366 —> 00:04:20,365

and shoot themselves in the head,

107

00:04:20,366 —> 00:04:23,899

trusting that Character A emptied it

in the private room.

108

00:04:23,900 —> 00:04:25,765

Character A will also have to trust

109

00:04:25,766 —> 00:04:28,665

that Character B

won't turn the gun on them.

110

00:04:28,666 —> 00:04:31,665

So everyone is incentivized

to follow the rules

111

00:04:31,666 —> 00:04:33,099

and trust each other!

112

00:04:33,100 —> 00:04:35,065

[Zooble] Sounds a little convoluted.

113

00:04:35,066 —> 00:04:36,332

[shouts] You look convoluted!

114

00:04:36,333 —> 00:04:38,099

Anyway, Jax, why don't you start?

115

00:04:38,100 —> 00:04:39,465

[Zooble] Wh... Him?!

116

00:04:39,466 —> 00:04:41,632

Wait, what am I doing?

I wasn't paying attention.

117

00:04:41,633 —> 00:04:44,233

[rewound audio warbling]

118

00:04:44,866 —> 00:04:46,333

[dizzying sound]

119

00:04:47,066 —> 00:04:48,266

[clicks tongue] Oh.

120

00:04:50,600 —> 00:04:51,600

[yelps]

121

00:04:53,033 —> 00:04:55,132

Or, yeah, we could

all just shoot each other.

122

00:04:55,133 —> 00:04:56,700

Here, have guns. I don't care anymore.

123

00:04:57,666 —> 00:04:58,999

Hooway!

124

00:04:59,000 —> 00:05:00,199

[Zooble] Wait that's just it?

125

00:05:00,200 —> 00:05:02,065

"Here's guns, and have fun"?

126

00:05:02,066 —> 00:05:03,132

I didn't say "have fun."

127

00:05:03,133 —> 00:05:05,299

[Zooble] It's just a little aimless.

128

00:05:05,300 —> 00:05:06,965

- Use the sights.

- [Zooble] Caine!

129

00:05:06,966 —> 00:05:08,632

[growls] Fine!

130

00:05:08,633 —> 00:05:09,765

We're bringing teams back.

131

00:05:09,766 —> 00:05:11,132

Pair up in teams of two.

132

00:05:11,133 —> 00:05:12,499

You all get three lives.

133

00:05:12,500 —> 00:05:14,299

Last team surviving is the winner.

134

00:05:14,300 —> 00:05:15,565

Happy?

135

00:05:15,566 —> 00:05:17,499

[Zooble] Um, not really.

136

00:05:17,500 —> 00:05:19,332

Well, that's not my problem right now.

137

00:05:19,333 —> 00:05:20,932

I have an awards show to plan,

138

00:05:20,933 —> 00:05:23,732

so you guys are gonna have

to handle yourselves for a bit.

139

00:05:23,733 —> 00:05:25,832

You get five minutes

to figure the teams out.

140

00:05:25,833 —> 00:05:28,066

Once that's up, it's a free-for-all.

141

00:05:31,333 —> 00:05:32,465

Come on, saddy.

142

00:05:32,466 —> 00:05:33,665

- You're coming with me.

- [gasps]

143

00:05:33,666 —> 00:05:37,432

I'm... actually gonna be

on a team with Zooble.

144

00:05:37,433 —> 00:05:38,865

- [Jax] What? No, you're not.

- [whimpers]

145

00:05:38,866 —> 00:05:42,132
We've been together
for every team adventure in the past.

146
00:05:42,133 —> 00:05:44,633
[Zooble] Guess times
are changing, bunny boy.

147
00:05:45,200 —> 00:05:46,633
[grumbles]

148
00:05:47,600 —> 00:05:50,065
Hey, you wanna be on my team?

149
00:05:50,066 —> 00:05:52,932
Uh, oh! I-I'd love to, but...

150
00:05:52,933 —> 00:05:56,366
Well, uh, I really don't want Kinger
to get stuck with Jax.

151
00:05:56,933 —> 00:05:58,565
Oh, yeah.

152

00:05:58,566 —> 00:06:01,265

Well, I-I could be on Kinger's team.

153

00:06:01,266 —> 00:06:02,532

He and I were together once,

154

00:06:02,533 —> 00:06:03,965

and it wasn't too bad.

155

00:06:03,966 —> 00:06:06,666

U-Uh... Hmm.

156

00:06:07,366 —> 00:06:10,232

And have... me on...

157

00:06:10,233 —> 00:06:11,865

Oh. Um... Y-yeah.

158

00:06:11,866 —> 00:06:13,065

Just forget I asked.

159

00:06:13,066 —> 00:06:14,766

I'll be on Jax's team.

160

00:06:16,033 —> 00:06:17,633

- W-Wait.

- Huh?

161

00:06:18,500 —> 00:06:20,000

[stammers]

162

00:06:22,133 —> 00:06:24,032

Like you said,

163

00:06:24,033 —> 00:06:26,399

probably good to keep Kinger

and Jax separate.

164

00:06:26,400 —> 00:06:29,666

I can keep Jax in check,

so don't worry about me.

165

00:06:31,800 —> 00:06:34,133

U-Uh, hey, Pomni?

166

00:06:35,366 —> 00:06:38,965

I-If... If you ever need

to talk to somebody...

167

00:06:38,966 —> 00:06:42,533

o-or need help with anything, I'm here.

168

00:06:44,200 —> 00:06:45,233

[laughs weakly]

169

00:06:46,400 —> 00:06:47,665

[both yelp]

170

00:06:47,666 —> 00:06:49,999

You have a partner yet?

171

00:06:50,000 —> 00:06:52,032

Well, look who it is.

172

00:06:52,033 —> 00:06:55,432

You sure you can handle me
in all my glory?

173
00:06:55,433 —> 00:06:57,632
Eh, I've been through worse.

174
00:06:57,633 —> 00:06:58,565
[laid-back jazzy music]

175
00:06:58,566 —> 00:07:00,799
Hey, Zooble?

176
00:07:00,800 —> 00:07:03,765
Do you wanna hold onto this
during today's game?

177
00:07:03,766 —> 00:07:04,865
[Zooble] Huh?

178
00:07:04,866 —> 00:07:09,100
I... don't really trust myself
that much with it.

179

00:07:09,733 —> 00:07:11,133

And I also just...

180

00:07:11,633 —> 00:07:15,932

really want to be able to fire a tommy gun

while laughing maniacally,

181

00:07:15,933 —> 00:07:19,433

and I don't... I don't want to break it

before I get that chance.

182

00:07:21,233 —> 00:07:23,000

[Zooble] I'll keep it safe for you.

183

00:07:24,300 —> 00:07:27,699

[dramatic music plays]

184

00:07:27,700 —> 00:07:31,400

[clock ticking]

185

00:07:32,600 —> 00:07:33,865

[ding!]

186

00:07:33,866 —> 00:07:36,066

Huh? W-Wait, what? That counted?

187

00:07:36,633 —> 00:07:39,032

- [Zooble] Uh, Caine?

- What?

188

00:07:39,033 —> 00:07:43,099

Oh, y-yeah, the guns have been teleported

to random spots in the circus.

189

00:07:43,100 —> 00:07:44,366

Go find 'em, champs.

190

00:07:46,400 —> 00:07:48,632

[hysterical] We need to find

the Tommy gun!

191

00:07:48,633 —> 00:07:49,932

Uh, wait, Caine?

192

00:07:49,933 —> 00:07:52,165

- I-I-I'm missing a life!

- [Kinger] There's no time!

193

00:07:52,166 —> 00:07:53,599

[yelps]

194

00:07:53,600 —> 00:07:56,299

It'll be my pleasure murdering all of you!

195

00:07:56,300 —> 00:07:58,299

Uh, have fun, guys!

196

00:07:58,300 —> 00:08:00,332

Hah! You're so lame!

197

00:08:00,333 —> 00:08:02,100

[upbeat music]

198

00:08:09,866 —> 00:08:12,065

[dramatic musical sting plays]

199

00:08:12,066 —> 00:08:13,699

[mysterious shimmering]

200

00:08:13,700 —> 00:08:16,933

[Kinger] Uh-huh. Ya little devil. Alright.

201

00:08:17,500 —> 00:08:20,932

Now, I would bet our biggest concerns

would be Jax and Zooble.

202

00:08:20,933 —> 00:08:25,099

They're the youngest, so they probably

still have some youthful fighting spirit.

203

00:08:25,100 —> 00:08:27,265

[sighs] Man.

204

00:08:27,266 —> 00:08:30,265

I'm still missing a heart.

This isn't fair.

205

00:08:30,266 —> 00:08:32,466

[Kinger] Huh? Oh, I've got just the thing!

206

00:08:33,466 —> 00:08:35,432

Here, take this.

207

00:08:35,433 —> 00:08:36,798

- [bing!]

- [high tone chimes]

208

00:08:36,799 —> 00:08:40,798

W-W-Wait, what did you just do?

What was that?

209

00:08:40,799 —> 00:08:43,932

[Kinger] It's a butterfly!

It can restore your health.

210

00:08:43,933 —> 00:08:46,799

Did Caine mention that?

211

00:08:46,800 —> 00:08:47,965

Oh, nah.

212

00:08:47,966 —> 00:08:49,632

I made it up.

213

00:08:49,633 —> 00:08:52,566

Uh... What?

214

00:08:55,200 —> 00:08:56,300

[door creaks]

215

00:08:59,566 —> 00:09:01,865

So, who you gonna kill first, Pompom?

216

00:09:01,866 —> 00:09:06,232

Uh, I-I don't know if I'll really

be doing much of the killing.

217

00:09:06,233 —> 00:09:08,099

I-I'll just find guns for you,

218

00:09:08,100 —> 00:09:10,365

and you can do all the violent stuff.

219

00:09:10,366 —> 00:09:11,600
You like that, right?

220
00:09:12,833 —> 00:09:15,132
You know none of this is real, right?

221
00:09:15,133 —> 00:09:19,632
[stammers] What do you mean?
Like, the circus?

222
00:09:19,633 —> 00:09:22,032
The game today
is literally to shoot each other,

223
00:09:22,033 —> 00:09:25,165
so what's the point
in taking this moral high ground?

224
00:09:25,166 —> 00:09:27,132
Well, they're my friends.

225
00:09:27,133 —> 00:09:29,599
I don't really want to hurt them.

226

00:09:29,600 —> 00:09:30,766

[bang!]

227

00:09:31,266 —> 00:09:33,732

Alright, let me be real here.

228

00:09:33,733 —> 00:09:35,333

Why do you care about that?

229

00:09:35,966 —> 00:09:38,965

Uh, about not hurting my friends?

230

00:09:38,966 —> 00:09:41,533

[sighs] Look, I know what it's like.

231

00:09:42,033 —> 00:09:44,265

One day, you're somebody in the real world

232

00:09:44,266 —> 00:09:45,765

doing important things,

233

00:09:45,766 —> 00:09:49,200

and then, the next,

you're just a weird little cartoon...

234

00:09:49,800 —> 00:09:50,800

jester.

235

00:09:51,200 —> 00:09:52,965

You want to hold onto that part of you

236

00:09:52,966 —> 00:09:55,132

that still thinks it's part of that world,

237

00:09:55,133 —> 00:09:57,332

but in the end, what does it get you?

238

00:09:57,333 —> 00:09:59,999

Ragatha tries to be all nice and friendly,

239

00:10:00,000 —> 00:10:02,699

but she gets torn up

every other adventure.

240

00:10:02,700 —> 00:10:04,265

Whether we like it or not,

241

00:10:04,266 —> 00:10:07,900

all we are now is a bunch

of cartoon characters.

242

00:10:08,600 —> 00:10:10,533

So, what's the point

of pretending we're not?

243

00:10:12,133 —> 00:10:15,099

We're still people though, right?

244

00:10:15,100 —> 00:10:18,065

I thought we were at first,

but as time goes on,

245

00:10:18,066 —> 00:10:20,832

we just end up falling

into our archetypes.

246

00:10:20,833 —> 00:10:22,699

Become part of the machine.

247

00:10:22,700 —> 00:10:25,000

What's your archetype, then? The villain?

248

00:10:25,600 —> 00:10:28,232

[scoffs] Listen, I add a key dynamic.

249

00:10:28,233 —> 00:10:30,432

I see how far I can push things,

250

00:10:30,433 —> 00:10:33,665

I screw with people,

and I break the fourth wall.

251

00:10:33,666 —> 00:10:36,599

You wanna know why?

It's 'cause it's funny.

252

00:10:36,600 —> 00:10:38,699

I do everything 'cause it's funny!

253

00:10:38,700 —> 00:10:40,432

'Cause I'm the funny one.

254

00:10:40,433 —> 00:10:42,699

- "The funny one"?

- Yeah!

255

00:10:42,700 —> 00:10:45,732

Ragatha's the cheerful one,

Gangle's the sad one,

256

00:10:45,733 —> 00:10:48,899

Kinger's the crazy one,

Zooble's the grumpy one,

257

00:10:48,900 —> 00:10:52,699

and you are the one

who hasn't figured that out yet.

258

00:10:52,700 —> 00:10:55,299

We all just became archetypes.

259

00:10:55,300 —> 00:10:58,066

I at least have the self-awareness

to choose who I am.

260

00:10:59,333 —> 00:11:00,999

The funny one.

261

00:11:01,000 —> 00:11:02,765

So, who do you want to be?

262

00:11:02,766 —> 00:11:05,132

No better chance than now

to try something new.

263

00:11:05,133 —> 00:11:06,565

You wanna go nuts?

264

00:11:06,566 —> 00:11:09,865

You wanna finally work off

those weeks of rage and anguish

265

00:11:09,866 —> 00:11:11,933

that have been buildin' up inside you?

266

00:11:12,500 —> 00:11:15,899

I know you hate it here. Everyone does.

267

00:11:15,900 —> 00:11:19,465

But the silver lining is you can

pretty much do whatever you want.

268

00:11:19,466 —> 00:11:21,432

Like, look at the way

you're aiming that gun.

269

00:11:21,433 —> 00:11:22,899

Too realistic.

270

00:11:22,900 —> 00:11:24,500

Just let loose!

271

00:11:27,666 —> 00:11:29,365

[inhales deeply]

272

00:11:29,366 —> 00:11:30,533

[sighs]

273

00:11:31,433 —> 00:11:32,765

[blam!]

274

00:11:32,766 —> 00:11:33,766

Huh?

275

00:11:34,633 —> 00:11:36,499

Oh, what the heck.

276

00:11:36,500 —> 00:11:40,499

Today, I'm just gonna be evil. How's that?

277

00:11:40,500 —> 00:11:42,365

Heh, go for it!

278

00:11:42,366 —> 00:11:46,432

Yeah. Yeah! Those other fools

better watch their tails,

279

00:11:46,433 —> 00:11:49,299
because they're going to face the wrath

280
00:11:49,300 —> 00:11:52,365
of Pomni the Evil!

281
00:11:52,366 —> 00:11:55,766
[laughing malevolently]

282
00:11:57,133 —> 00:12:00,000
[scoffs] It's kinda cringe.

283
00:12:02,600 —> 00:12:06,232
Uh, are we really gonna be
shooting each other with these?

284
00:12:06,233 —> 00:12:08,132
[Kinger] It's either shoot or get sh... Ah!

285
00:12:08,133 —> 00:12:09,233
Guh!

286

00:12:11,166 —> 00:12:13,733

[Kinger] Ragatha!

There's a sniper around this corner.

287

00:12:14,433 —> 00:12:16,299

- [Zooble] I think I got Kinger.

- [shell clatters]

288

00:12:16,300 —> 00:12:18,832

- Uh, are you sure we're safe up here?

- [rapid gunfire]

289

00:12:18,833 —> 00:12:19,913

- [screams]

- [Zooble] Whoa!

290

00:12:21,800 —> 00:12:22,900

[Kinger] Tactical roll!

291

00:12:25,666 —> 00:12:28,366

- Come on, Ragatha!

- Mm! [panting]

292

00:12:28,933 —> 00:12:30,265

- [Kinger screaming]

- [gunfire]

293

00:12:30,266 —> 00:12:33,132

Looks like we've located

the king and the ragdoll.

294

00:12:33,133 —> 00:12:34,466

Uh, yeah.

295

00:12:35,166 —> 00:12:37,299

I mean, yeah! Let's get 'em!

296

00:12:37,300 —> 00:12:38,899

[punchy music plays]

297

00:12:38,900 —> 00:12:42,032

Uh, I don't even really know

how to fire a gun.

298

00:12:42,033 —> 00:12:43,499

I don't know how much use I'd be in...

299

00:12:43,500 —> 00:12:44,566

[blam!]

300

00:12:45,300 —> 00:12:47,199

Whoops! Did I do that?

301

00:12:47,200 —> 00:12:48,765

You missed a spot!

302

00:12:48,766 —> 00:12:51,232

- [yelps]

- Hah! You're so cool.

303

00:12:51,233 —> 00:12:53,313

- [gunfire continues]

- [Kinger] Ragatha, take cover!

304

00:12:53,833 —> 00:12:55,465

Huh? [yelping]

305

00:12:55,466 —> 00:12:57,232

I'll take Rags. You go Kinger.

306

00:12:57,233 —> 00:12:58,833

Righty-o, evil bro.

307

00:12:59,566 —> 00:13:01,965

I need a gun. Need a gun, need a gun!

308

00:13:01,966 —> 00:13:02,965

[exclaims, panting]

309

00:13:02,966 —> 00:13:03,899

Hah!

310

00:13:03,900 —> 00:13:04,940

- [exclaims]

- [gun clicks]

311

00:13:06,933 —> 00:13:08,799

- Come on, man.

- Hup!

312

00:13:08,800 —> 00:13:12,199
[punchy music]

313
00:13:12,200 —> 00:13:13,732
[yelping]

314
00:13:13,733 —> 00:13:15,899
[panting] Kinger?

315
00:13:15,900 —> 00:13:18,799
Really use another one
of those butterflies!

316
00:13:18,800 —> 00:13:20,199
- Howdy, howdy.
- [screams]

317
00:13:20,200 —> 00:13:23,165
I-I-I know exactly
what you're doing with Pomni,

318
00:13:23,166 —> 00:13:24,633
and it'll never work!

319

00:13:25,533 —> 00:13:26,532

Huh?

320

00:13:26,533 —> 00:13:30,065

You know, getting close with Pomni...

321

00:13:30,066 —> 00:13:31,766

to corrupt her?

322

00:13:33,200 —> 00:13:35,265

Wait, no, no, no, no! Wait, wait, wait!

323

00:13:35,266 —> 00:13:36,300

[kablam!]

324

00:13:37,800 —> 00:13:38,800

[coughs]

325

00:13:39,233 —> 00:13:42,432

Oh, wow. I didn't

actually think that'd work.

326

00:13:42,433 —> 00:13:43,466

[yelps]

327

00:13:44,933 —> 00:13:47,066

- [gun clicking]

- [panting]

328

00:13:50,100 —> 00:13:51,366

[pop!] Huh?

329

00:13:53,033 —> 00:13:54,033

Oh.

330

00:13:55,400 —> 00:13:58,432

I lost Kinger,

but I got him down to one life.

331

00:13:58,433 —> 00:14:01,333

I lost a life,

but I got us down to one Kinger.

332

00:14:02,033 —> 00:14:04,665
How'd you let her take a life off you?

333
00:14:04,666 —> 00:14:06,633
I don't really know.

334
00:14:12,066 —> 00:14:14,432
[Zooble] Hey, I found this AK... thing.

335
00:14:14,433 —> 00:14:16,999
If we can't find the Tommy gun,
will this work?

336
00:14:17,000 —> 00:14:18,966
Uh, yeah.

337
00:14:20,566 —> 00:14:22,800
Do you... think...

338
00:14:23,300 —> 00:14:24,300
Jax...

339

00:14:24,700 —> 00:14:27,132
is gonna be mad
that I didn't team up with him?

340
00:14:27,133 —> 00:14:29,432
[Zooble] I wouldn't worry
about him right now.

341
00:14:29,433 —> 00:14:31,465
It's all just a game, in the end.

342
00:14:31,466 —> 00:14:33,100
It's Jax, though.

343
00:14:33,800 —> 00:14:36,099
He probably wants revenge.

344
00:14:36,100 —> 00:14:37,899
And he's gonna make it painful, and...

345
00:14:37,900 —> 00:14:40,899
[Zooble] Hey, you deserve better
than thinking about him

346

00:14:40,900 —> 00:14:42,666

when he's not even here.

347

00:14:43,233 —> 00:14:44,233

You're a human.

348

00:14:44,800 —> 00:14:46,333

You're not his toy.

349

00:14:49,066 —> 00:14:51,800

It sometimes doesn't feel that way.

350

00:14:58,366 —> 00:15:00,099

[Zooble] These avatar gimmicks, huh?

351

00:15:00,100 —> 00:15:02,766

Makes you wonder why no one else got them.

352

00:15:04,000 —> 00:15:05,633

I just wish that...

353

00:15:06,700 —> 00:15:07,933

[sighs]

354

00:15:09,133 —> 00:15:12,533

How are you supposed to like

the part of yourself that just...

355

00:15:13,400 —> 00:15:15,932

makes you worse than everyone else?

356

00:15:15,933 —> 00:15:18,865

[melancholic music plays]

357

00:15:18,866 —> 00:15:21,733

[Zooble] 'Cause it exists.

358

00:15:23,966 —> 00:15:27,332

It's a part of you that's real,

359

00:15:27,333 —> 00:15:30,499

and the only you

that you should care about

360

00:15:30,500 —> 00:15:32,566

is the real you.

361

00:15:34,533 —> 00:15:36,600

You have to choose to love yourself,

362

00:15:37,100 —> 00:15:39,233

even if it doesn't make sense.

363

00:15:39,733 —> 00:15:43,000

It's not natural. It's intentional.

364

00:15:44,533 —> 00:15:48,565

Have... you ever had to make that choice?

365

00:15:48,566 —> 00:15:50,532

- [Zooble] Huh?

- S-Sorry.

366

00:15:50,533 —> 00:15:52,932

I mean... [laughs] Of course not.

367

00:15:52,933 —> 00:15:54,700

You're Zooble. [laughs weakly]

368

00:15:56,200 —> 00:15:58,600

[melancholic music]

369

00:16:03,833 —> 00:16:05,199

[Zooble] Whatever happens...

370

00:16:05,200 —> 00:16:07,199

I've got your back if you've got mine.

371

00:16:07,200 —> 00:16:08,233

Yeah.

372

00:16:09,100 —> 00:16:11,666

Now let's go kill Pomni and Jax.

373

00:16:12,866 —> 00:16:14,865

Alright, here's one.

374

00:16:14,866 —> 00:16:16,765

What's with the corn thing?

375

00:16:16,766 —> 00:16:18,232

[scoffs] What corn thing?

376

00:16:18,233 —> 00:16:20,299

Why are you afraid of corn?

377

00:16:20,300 —> 00:16:21,832

And don't say that you're not.

378

00:16:21,833 —> 00:16:24,832

You literally jumped out of your seat

twice when you saw some.

379

00:16:24,833 —> 00:16:26,932

Heh, not gonna let me out of this one.

380

00:16:26,933 —> 00:16:31,732

Well, I dunno. It's got

a bunch of little pods on it.

381

00:16:31,733 —> 00:16:33,532

Looks kind of like an egg sack,

or somethin'.

382

00:16:33,533 —> 00:16:35,965

It's gross. Makes my skin crawl.

383

00:16:35,966 —> 00:16:37,533

Interesting.

384

00:16:38,033 —> 00:16:41,032

Do you have, like, a type of trypophobia?

385

00:16:41,033 —> 00:16:43,432

- What's that?

- The fear of lots of little holes.

386

558
00:25:50,300 —> 00:25:52,265
We're not a team! Come on.

559
00:25:52,266 —> 00:25:54,099
[stammers] What do you mean? Yes, we are.

560
00:25:54,100 —> 00:25:55,632
Delusional.

561
00:25:55,633 —> 00:26:00,299
W-Weren't we kind of bonding
over being chaotic-evil together?

562
00:26:00,300 —> 00:26:04,432
[scoffs] I was merely entertaining you
because I thought it was funny.

563
00:26:04,433 —> 00:26:05,913
Now, are you gonna shoot me, or what?

564

00:26:06,700 —> 00:26:08,399

Did I... do something wrong?

565

00:26:08,400 —> 00:26:10,832

Ugh, you sound like Ragatha right now.

566

00:26:10,833 —> 00:26:12,499

No wonder we're not a team.

567

00:26:12,500 —> 00:26:13,633

No, I mean...

568

00:26:14,200 —> 00:26:17,799

We were doing fine. Having fun, talking.

569

00:26:17,800 —> 00:26:19,800

- But you suddenly just...

- You're not committing.

570

00:26:21,166 —> 00:26:22,200

Do it.

571

00:26:23,633 —> 00:26:26,899

If I shoot you right now,

are we still gonna be friends afterwards?

572

00:26:26,900 —> 00:26:28,299

We were never friends.

573

00:26:28,300 —> 00:26:30,933

Wh... What about

all that stuff you told me?

574

00:26:31,500 —> 00:26:33,800

Yeah, I did tell you a lot, didn't I?

575

00:26:34,300 —> 00:26:36,465

Not looking forward

to thinking about that tomorrow.

576

00:26:36,466 —> 00:26:39,565

No. No, no, no. We're not doing this.

577

00:26:39,566 —> 00:26:41,565

You're... You're not gonna

look me in the eye

578

00:26:41,566 —> 00:26:43,399

and tell me nothing

we've been doing together

579

00:26:43,400 —> 00:26:46,566

meant anything to you,

because I know that's not true.

580

00:26:47,433 —> 00:26:48,832

Are you coming on to me?

581

00:26:48,833 —> 00:26:51,932

Yeah, that's what everybody wants,

a straight couple.

582

00:26:51,933 —> 00:26:54,365

Oh my God, can you take this seriously?

583

00:26:54,366 —> 00:26:56,665

Can you take anything seriously?

584

00:26:56,666 —> 00:26:59,465

Dude, you're a cartoon clown.

585

00:26:59,466 —> 00:27:01,199

How am I supposed to take you seriously?

586

00:27:01,200 —> 00:27:02,320

Wh... I... [exclaims softly]

587

00:27:03,333 —> 00:27:06,865

You reached out to me,

not the other way around.

588

00:27:06,866 —> 00:27:09,199

You're just gonna pretend

that didn't happen?

589

00:27:09,200 —> 00:27:10,832

You must be misremembering.

590

00:27:10,833 —> 00:27:13,332

Is this why you didn't show up
to Kaufmo's funeral?

591
00:27:13,333 —> 00:27:15,199
I don't show up to any funerals.

592
00:27:15,200 —> 00:27:17,732
Yeah, I bet you don't.
Because you're scared.

593
00:27:17,733 —> 00:27:21,332
Y-You're scared you'll actually
show a human emotion.

594
00:27:21,333 —> 00:27:23,965
I'm scared I'll be bored to tears.

595
00:27:23,966 —> 00:27:26,132
Have you ever thought that this might be

596
00:27:26,133 —> 00:27:28,499
what causes people
to abstract in the first place?

597

00:27:28,500 —> 00:27:30,499

[laughs bitterly] Oh my God!

598

00:27:30,500 —> 00:27:32,399

Are you seriously

gonna blame me for something

599

00:27:32,400 —> 00:27:34,032

that everybody else did, too?!

600

00:27:34,033 —> 00:27:34,932

You didn't even know him!

601

00:27:34,933 —> 00:27:38,465

You don't even know what people

are like before they abstract!

602

00:27:38,466 —> 00:27:41,665

They are not pleasant to be around.

603

00:27:41,666 —> 00:27:42,765

Like at all!

604

00:27:42,766 —> 00:27:43,766

You...

605

00:27:44,533 —> 00:27:45,533

[scoffs]

606

00:27:46,266 —> 00:27:48,832

I-I'm... I'm sorry.

607

00:27:48,833 —> 00:27:50,933

[clicks tongue] I'm sure you are.

608

00:27:52,200 —> 00:27:55,265

[hisses through teeth] Hoo, man!

609

00:27:55,266 —> 00:27:58,165

This is all sorts of embarrassing,

huh? [inhales]

610

00:27:58,166 —> 00:28:00,000

So, you gonna shoot me, or what?

611

00:28:01,733 —> 00:28:04,200

What would you do

if I abstracted tomorrow?

612

00:28:07,966 —> 00:28:09,166

I'd move on.

613

00:28:10,733 —> 00:28:12,766

And probably forget about you.

614

00:28:15,766 —> 00:28:16,766

Okay.

615

00:28:19,133 —> 00:28:20,133

Okay.

616

00:28:22,800 —> 00:28:24,066

I understand.

617

00:28:28,133 —> 00:28:29,499

[scoffs, chuckles bitterly]

618

00:28:29,500 —> 00:28:33,066

Geez, you really can't

take a joke, can you?

619

00:28:35,766 —> 00:28:36,766

- [exclaims]

- [grunts]

620

00:28:37,766 —> 00:28:39,100

You're not the funny one!

621

00:28:40,000 —> 00:28:41,765

Uh, I don't think that counts.

622

00:28:41,766 —> 00:28:43,465

- [hollers]

- [grunts]

623

00:28:43,466 —> 00:28:45,300

- [growling]

- [choking]

624

00:28:47,000 —> 00:28:48,299

Hey, what are you doing?!

625

00:28:48,300 —> 00:28:49,799

- [grunting]

- Guh.

626

00:28:49,800 —> 00:28:50,699

- Agh!

- [panting]

627

00:28:50,700 —> 00:28:52,065

- [panting]

- [gasps]

628

00:28:52,066 —> 00:28:54,732

- [inhales, chomps]

- [screams, grunts]

629

00:28:54,733 —> 00:28:56,399

- Fight back!

- Are you crazy?!

630

00:28:56,400 —> 00:28:58,032

I said, fight back!

631

00:28:58,033 —> 00:28:59,900

[both grunting, hollering]

632

00:29:01,866 —> 00:29:02,899

Stop!

633

00:29:02,900 —> 00:29:05,766

[both panting]

634

00:29:07,366 —> 00:29:08,499

What's wrong with you?!

635

00:29:08,500 —> 00:29:11,099

- Why didn't you fight back?

- Oh, here we go.

636

00:29:11,100 —> 00:29:12,265

Here we go!

637

00:29:12,266 —> 00:29:15,899

Because I didn't fight back,

that means I secretly care about you?!

638

00:29:15,900 —> 00:29:19,132

I'm just a misunderstood

little chicken fetus in an egg

639

00:29:19,133 —> 00:29:20,565

that needs to be cracked open.

640

00:29:20,566 —> 00:29:22,300

Well, I am not!

641

00:29:23,033 —> 00:29:24,465

I do not care about you

642

00:29:24,466 —> 00:29:27,499

or anyone else in this circus

in the slightest!

643

00:29:27,500 —> 00:29:29,599
End of story!

644
00:29:29,600 —> 00:29:32,465
You are my playthings,

645
00:29:32,466 —> 00:29:36,899
and I get joy out of making you suffer.

646
00:29:36,900 —> 00:29:39,766
I'm the one who causes pain for fun!

647
00:29:40,266 —> 00:29:41,865
If I led you on,

648
00:29:41,866 —> 00:29:44,800
it was just to make this part
hurt you more.

649
00:29:47,700 —> 00:29:48,700
[BOINK!]

650

00:29:50,433 —> 00:29:51,365

[DOINK!]

651

00:29:51,366 —> 00:29:52,499

[blocks clatter]

652

00:29:52,500 —> 00:29:53,666

[panting]

653

00:29:54,300 —> 00:29:56,033

There's nothing more to me.

654

00:29:57,566 —> 00:30:00,733

So, please, just stop looking.

655

00:30:07,633 —> 00:30:11,232

[upbeat fanfare plays]

656

00:30:11,233 —> 00:30:14,866

- [upbeat cheerful music]

- [indistinct chattering]

657

00:30:19,600 —> 00:30:20,600

[both grunt softly]

658

00:30:21,200 —> 00:30:23,299

- [Pomni] Hey, I... I feel like, uh...

- [Ragatha] I-I have something I...

659

00:30:23,300 —> 00:30:25,420

- [Ragatha] You can speak first.

- [Pomni] No, you go.

660

00:30:26,666 —> 00:30:28,632

Let's talk after the show.

661

00:30:28,633 —> 00:30:30,800

Yeah, sounds good.

662

00:30:31,366 —> 00:30:34,000

[bright jovial music]

663

00:30:38,466 —> 00:30:41,366

[overlapping chatter]

664

00:30:46,266 —> 00:30:49,000

[cheering, clapping]

665

00:30:51,233 —> 00:30:53,332

[Caine] Ladies and gentlemen,

666

00:30:53,333 —> 00:30:57,300

it's time

for the Favorite Character Awards!

667

00:30:57,866 —> 00:31:00,332

Before anything

starts, I'd like to thank...

668

00:31:00,333 —> 00:31:01,699

[deep voice] the committee...

669

00:31:01,700 —> 00:31:04,499

[normal voice] for examining

our nominees and voting on our winners.

670

00:31:04,500 —> 00:31:06,232

[committee members] We love you, Caine!

671

00:31:06,233 —> 00:31:08,365

- Sh-Shut up.

- [committee member] Okay...

672

00:31:08,366 —> 00:31:10,299

[Caine] But what's an award show

673

00:31:10,300 —> 00:31:13,699

without honorable mentions

and subcategories?

674

00:31:13,700 —> 00:31:14,900

That's right. It's bad!

675

00:31:16,033 —> 00:31:18,165

[muffled] Unlike my show, which is good!

676

00:31:18,166 —> 00:31:21,133

- [muffled music continues]

- [sighs]

677

00:31:22,733 —> 00:31:24,399

[panting]

678

00:31:24,400 —> 00:31:26,865

[heartbeat thudding]

679

00:31:26,866 —> 00:31:29,466

- [muffled music fades]

- [high-pitched ringing]

680

00:31:34,366 —> 00:31:35,899

[sighs]

681

00:31:35,900 —> 00:31:37,866

- [muffled music fades in]

- [ringing fades out]

682

00:31:40,966 —> 00:31:43,332

God, you look stupid.

683

00:31:43,333 —> 00:31:45,300

[toilet flushes]

684

00:31:47,733 —> 00:31:48,866

[Disappearing Guy] So...

685

00:31:49,700 —> 00:31:54,565

And the award

for Biggest Sailor Mouth goes to...

686

00:31:54,566 —> 00:31:55,565

Zooble!

687

00:31:55,566 —> 00:31:57,666

- [cheers and applause]

- [Zooble] Huh?

688

00:32:09,700 —> 00:32:14,832

Alright, folks, it's now the moment

you've all been waiting for.

689

00:32:14,833 —> 00:32:18,133

- The award for Favorite Character!

- [dreamy music]

690

00:32:18,700 —> 00:32:20,565

Bubble, give me a drum roll.

691

00:32:20,566 —> 00:32:21,565

[drum roll plays]

692

00:32:21,566 —> 00:32:26,100

And the award

for Favorite Character goes to...

693

00:32:26,800 —> 00:32:30,033

Why... it's me, everyone!

694

00:32:30,800 —> 00:32:32,266

[music concludes]

695

00:32:34,466 —> 00:32:37,000

Oh, wait, I misread that.

696

00:32:37,500 —> 00:32:38,399

It's Ming.

697

00:32:38,400 —> 00:32:43,932

[triumphant music]

698

00:32:43,933 —> 00:32:46,165

[Ming] You shouldn't have

assumed you won the award.

699

00:32:46,166 —> 00:32:48,333

Now we both look foolish.

700

00:32:52,433 —> 00:32:55,700

[upbeat jazzy music plays]

701

00:33:36,200 —> 00:33:38,333

[music concludes]

702

00:33:41,433 —> 00:33:43,500

Alrighty.

703

00:33:44,000 —> 00:33:47,300

Now, let's see how many

of them voted for me.

704

00:33:51,066 —> 00:33:52,032

[scoffs]

705

00:33:52,033 —> 00:33:54,233

[glitched feedback blares]

EP7: Beach Episode

1

00:00:01,100 —> 00:00:03,333

[upbeat techno music plays]

2

00:00:10,050 —> 00:00:11,733

[lid creaks]

3

00:00:14,133 —> 00:00:16,532

[Zooble groans]

Is the adventure over already?

4

00:00:16,533 —> 00:00:19,265

No... the adventure hasn't

even started yet.

5

00:00:19,266 —> 00:00:21,982

[Zooble] Oh, well, don't be a narc.

Find your own hiding spot.

6

00:00:21,983 —> 00:00:22,865

It's not that.

7

00:00:22,866 —> 00:00:25,815

It's just that we haven't

even seen Caine at all today.

8

00:00:25,816 —> 00:00:28,099

Plus, Gangle was looking for you.

9

00:00:28,100 —> 00:00:29,300

Hi, Zooble.

10

00:00:31,116 —> 00:00:32,966

Wait. What's this?

11

00:00:33,466 —> 00:00:36,232

[Caine] Hello, my little

rubber baby buggy bumpers!

12

00:00:36,233 —> 00:00:40,199

Today, I've decided to go to the store

to get essential ingredients

13

00:00:40,200 —> 00:00:43,433

for my signature

milk and cigarette casserole!

14

00:00:43,966 —> 00:00:46,616

I hope you can handle yourselves

until I get back.

15

00:00:48,616 —> 00:00:51,165

[Zooble] Well, this was fun

while it lasted.

16

00:00:51,166 —> 00:00:53,866

So, uh, what's the adventure today?

17

00:00:54,416 —> 00:00:56,515

Oh, I don't have

an adventure for you today.

18

00:00:56,516 —> 00:00:58,065

So you can do whatever you feel like.

19

00:00:58,066 —> 00:00:59,799

[Zooble] All right, sounds fine to me.

20

00:00:59,800 —> 00:01:02,899

You should ask me for suggestions

on what to do instead.

21

00:01:02,900 —> 00:01:05,132

- [Zooble] No.

- What should we do instead?

22

00:01:05,133 —> 00:01:07,032

- No, Gangle

- Oh, wait, sorry...

23

00:01:07,033 —> 00:01:08,732

Great question, Gangle.

24

00:01:08,733 —> 00:01:11,199

For an answer, let me consult...

25

00:01:11,200 —> 00:01:13,032

the Chinese room!

26

00:01:13,033 —> 00:01:15,065

[Zooble] Okay, he had a bit prepared.

27

00:01:15,066 —> 00:01:16,966

[whimsical music plays]

28

00:01:23,533 —> 00:01:25,382

[Zooble] Okay, why Chinese?

29

00:01:25,383 —> 00:01:26,799

Does this actually mean anything?

30

00:01:26,800 —> 00:01:30,065

It's a mystery what's behind that door.

31

00:01:30,066 —> 00:01:32,415

But I believe

it's a fluent Chinese speaker

32

00:01:32,416 —> 00:01:34,232

who will give me advice.

33

00:01:34,233 —> 00:01:35,632

[Zooble] Can I just ask why?

34

00:01:35,633 —> 00:01:36,900

- Like, what even is...

- SHUT!

35

00:01:37,466 —> 00:01:39,166

You're only making the joke take longer.

36

00:01:42,350 —> 00:01:44,065

[laughs manically]

37

00:01:44,066 —> 00:01:45,465

[Zooble] [sighs] What does it say?

38

00:01:45,466 —> 00:01:47,399

I don't know. I don't understand Chinese.

39

00:01:47,400 —> 00:01:48,433

[Kinger] [chuckles]

40

00:01:48,950 —> 00:01:50,132

[Zooble] Hilarious.

41

00:01:50,133 —> 00:01:52,599

I don't know, why don't you guys

hang out at the digital lake?

42

00:01:52,600 —> 00:01:56,332

These locations have just kinda

been there this whole time.

43

00:01:56,333 —> 00:01:57,699

Not sure why you never visit them.

44

00:01:57,700 —> 00:02:00,599

You should throw

a ffffffffffffffffffffffffffff...

45

00:02:00,600 —> 00:02:02,549

freaking beach party.

46

00:02:02,550 —> 00:02:03,599

Good boy.

47

00:02:03,600 —> 00:02:05,282

Oh, that could fun.

48

00:02:05,283 —> 00:02:07,482

Plus there are some fun NPCs out there

49

00:02:07,483 —> 00:02:09,465

that none of you have

even interacted with yet.

50

00:02:09,466 —> 00:02:11,965

I'm guessing they're not intelligent ones?

51

00:02:11,966 —> 00:02:15,700

They most certainly are not.

Now, go have fun!

52

00:02:16,933 —> 00:02:19,165

[tropical music plays]

53

00:02:19,166 —> 00:02:20,832

Wow, what a good day!

54

00:02:20,833 —> 00:02:21,899

Wow!

55

00:02:21,900 —> 00:02:24,132

[music]

56

00:02:24,133 —> 00:02:27,865

[Zooble] All right, so, who wants to try

Caine's magical changing booth first?

57

00:02:27,866 —> 00:02:30,433

I guess I'll give it a go?

58

00:02:31,116 —> 00:02:33,966

[music]

59

00:02:34,966 —> 00:02:36,949

Wow, you look mediocre!

60

00:02:36,950 —> 00:02:39,132

If you ever need a sunburn,

give me a call!

61

00:02:39,133 —> 00:02:40,832

I-I don't want a sunburn.

62

00:02:40,833 —> 00:02:43,999

Should have thought of that

before I decided I hate you!

63

00:02:44,000 —> 00:02:46,265

Yeah, don't interact with the sun.

64

00:02:46,266 —> 00:02:47,799

She's just like that.

65

00:02:47,800 —> 00:02:50,633

[music]

66

00:02:54,350 —> 00:02:55,532

[Zooble] Gangle, wait.

67

00:02:55,533 —> 00:02:58,233

[music]

68

00:03:01,900 —> 00:03:02,966

[SPLAT!]

69

00:03:06,733 —> 00:03:07,665

Oh!

70

00:03:07,666 —> 00:03:09,615

My eye! I'll get it.

71

00:03:09,616 —> 00:03:12,200

[music]

72

00:03:16,466 —> 00:03:17,782
Hey, there.

73
00:03:17,783 —> 00:03:20,065
If you want to find
my sunken treasure chest,

74
00:03:20,066 —> 00:03:21,766
you'll have to try better than that.

75
00:03:26,350 —> 00:03:27,350
[gasps]

76
00:03:29,666 —> 00:03:32,182
So, I was just talking
with my brother here, and yeah...

77
00:03:32,183 —> 00:03:35,282
you are definitely not getting
our sunken treasure chest.

78
00:03:35,283 —> 00:03:36,165
Definitely not.

79

00:03:36,166 —> 00:03:39,482

[burbled] Do I even want

your treasure chest?

80

00:03:39,483 —> 00:03:41,499

It's not like there's anything

to spend money on.

81

00:03:41,500 —> 00:03:44,333

[bizarre raspy voice]

I'm the one that tells lies.

82

00:03:44,883 —> 00:03:46,833

Dude, you ruined it.

83

00:03:47,500 —> 00:03:48,932

Is that your treasure?

84

00:03:48,933 —> 00:03:50,399

Duuuude, no!

85

00:03:50,400 —> 00:03:51,899

They took everything!

86

00:03:51,900 —> 00:03:54,799

That was my entire life savings, dude!

87

00:03:54,800 —> 00:03:56,132

Oh, my God.

88

00:03:56,133 —> 00:03:57,632

Oh, God.

89

00:03:57,633 —> 00:03:59,432

Oh, my God, I'm gonna be sick.

90

00:03:59,433 —> 00:04:01,532

I'm gonna be sick. That was everything.

91

00:04:01,533 —> 00:04:03,533

Oh, my God!

92

00:04:05,750 —> 00:04:06,632

Did you find it?

93

00:04:06,633 —> 00:04:09,366

Nah. Somebody plundered it before I could.

94

00:04:10,383 —> 00:04:11,783

- What?

- What?

95

00:04:12,450 —> 00:04:13,450

Oh, wait. Your eye!

96

00:04:19,433 —> 00:04:20,898

- [sighs]

- What was that for?

97

00:04:20,899 —> 00:04:22,665

[Zooble] Oh, let me think.

98

00:04:22,666 —> 00:04:25,632

There's that time you ran me over

with a steam roller.

99

00:04:25,633 —> 00:04:28,815

The time you pushed Gangle

into a pool of piranhas.

100

00:04:28,816 —> 00:04:30,532

When you set me on fire,

101

00:04:30,533 —> 00:04:31,999

mailed me a pipe bomb,

102

00:04:32,000 —> 00:04:34,382

threw me into an active volcano.

103

00:04:34,383 —> 00:04:35,732

- I could go on.

- [sighs]

104

00:04:35,733 —> 00:04:37,832

Aren't you supposed to be

miserable about your ability

105

00:04:37,833 —> 00:04:39,832

to choose your own body, or something?

106

00:04:39,833 —> 00:04:43,066

Aren't you supposed to be

causing trouble for everyone?

107

00:04:44,900 —> 00:04:48,765

I've been starting to think that

maybe the ability to change is fine.

108

00:04:48,766 —> 00:04:51,599

Not needing to commit

to one thing all the time.

109

00:04:51,600 —> 00:04:52,600

How about that.

110

00:04:54,266 —> 00:04:56,899

And if I DO still have problems,

111

00:04:56,900 —> 00:04:59,933

I talk about them with the people I trust.

112

00:05:00,583 —> 00:05:03,065

[sighs] Good thing I don't

have any problems, then.

113

00:05:03,066 —> 00:05:04,832

Where are you going?

114

00:05:04,833 —> 00:05:07,550

Anywhere you losers won't yap my ear off.

115

00:05:13,733 —> 00:05:14,832

Hello, there!

116

00:05:14,833 —> 00:05:16,800

As the shrimp NPC...

117

00:05:24,266 —> 00:05:25,583

[sizzling]

118

00:05:26,933 —> 00:05:28,200

You're welcome!

119

00:05:41,483 —> 00:05:43,100

[footsteps approaching]

120

00:06:29,533 —> 00:06:31,549

[eerie scuttling]

121

00:06:31,550 —> 00:06:36,000

[sinister music plays]

122

00:06:47,700 —> 00:06:50,466

[pleasant, peaceful music plays]

123

00:08:25,250 —> 00:08:26,365

- [doorbell rings]

- [gasps]

124

00:08:26,366 —> 00:08:28,500

[panting]

125

00:08:36,833 —> 00:08:38,415

[door latch clicks]

126

00:08:38,416 —> 00:08:40,400

[sighs] Way to interrupt my nap.

127

00:08:41,533 —> 00:08:42,533

Can we talk?

128

00:08:45,033 —> 00:08:47,015

- You're what?

- Yeah.

129

00:08:47,016 —> 00:08:49,215

He's not actually an NPC.

130

00:08:49,216 —> 00:08:50,366

He's a human.

131

00:08:50,866 —> 00:08:52,115

Like us.

132

00:08:52,116 —> 00:08:53,465

[NPC] Yes, I know. [laughs ruefully]

133

00:08:53,466 —> 00:08:56,482

Getting stuck with a blank

mannequin body of all things.

134

00:08:56,483 —> 00:08:59,082

Caine completely overlooked me.

135

00:08:59,083 —> 00:09:01,049

But because of this,

136

00:09:01,050 —> 00:09:03,565

I was able to, uh. Well...

137

00:09:03,566 —> 00:09:05,800

I think I've found the way to leave.

138

00:09:06,300 —> 00:09:08,299

- "The way to leave"?

- Yes.

139

00:09:08,300 —> 00:09:11,449

The way to leave the circus

and get back to the real world.

140

00:09:11,450 —> 00:09:12,665

[NPC] Shhh! Yes.

141

00:09:12,666 —> 00:09:14,832

But, please, keep it discreet.

142

00:09:14,833 —> 00:09:15,765

If Caine catches on,

143

00:09:15,766 —> 00:09:18,632

I doubt he'll ever let us

get this far again.

144

00:09:18,633 —> 00:09:20,832

That's why we came to you.

145

00:09:20,833 —> 00:09:24,332

We thought you might have a key

to the Chinese room.

146

00:09:24,333 —> 00:09:26,932
- The Chinese room?
- [NPC] Yes.

147
00:09:26,933 —> 00:09:29,799
We're gonna need a place to talk
without Caine listening in on us.

148
00:09:29,800 —> 00:09:33,399
I have a working theory that Caine
will commit to a bit, no matter what.

149
00:09:33,400 —> 00:09:36,232
And if the bit is to not know
what's in the Chinese room,

150
00:09:36,233 —> 00:09:37,233
he'll stick to it.

151
00:09:37,766 —> 00:09:40,566
Uh, I guess I'll check.

152
00:09:43,100 —> 00:09:45,660

These are all the keys I have
where I don't know what they go to.

153
00:09:47,100 —> 00:09:48,100
Wait.

154
00:09:48,683 —> 00:09:50,333
Don't you want to come with us?

155
00:09:50,833 —> 00:09:55,666
This could be our one chance
to finally leave all this behind.

156
00:09:57,166 —> 00:09:59,500
[sighs] Sure. Why not?

157
00:10:02,100 —> 00:10:03,949
Where even is Caine?

158
00:10:03,950 —> 00:10:06,332
He might be suspicious
of us even being here.

159

00:10:06,333 —> 00:10:09,365

He's probably in his office

planning adventures.

160

00:10:09,366 —> 00:10:12,282

[sighs] How do we even know

we can trust this guy?

161

00:10:12,283 —> 00:10:14,699

Has he done anything to prove he's human?

162

00:10:14,700 —> 00:10:17,799

I've been here longer than any of you.

163

00:10:17,800 —> 00:10:19,299

I, uh...

164

00:10:19,300 —> 00:10:21,432

helped create this place.

165

00:10:21,433 —> 00:10:23,265

I'll explain more when we're in the room,

166

00:10:23,266 —> 00:10:25,915

but, for now, please just trust me.

167

00:10:25,916 —> 00:10:27,233

You will not regret it.

168

00:10:27,816 —> 00:10:29,849

[keys jingling]

169

00:10:29,850 —> 00:10:31,966

[curious music plays]

170

00:10:33,783 —> 00:10:35,932

Am I doing this wrong?

171

00:10:35,933 —> 00:10:38,215

None of these even fit in the keyhole.

172

00:10:38,216 —> 00:10:40,200

[scoffs] Has anybody even tried just...

173

00:10:40,766 —> 00:10:42,086

[Chinese Room NPC] Oh, thank God.

174

00:10:45,150 —> 00:10:47,599

- I-I...

- [Zooble] Okay, well, it's open.

175

00:10:47,600 —> 00:10:49,599

Let's just get inside

before Caine sees us.

176

00:10:49,600 —> 00:10:51,465

I'll go get Kinger.

177

00:10:51,466 —> 00:10:54,065

[NPC] We can fill him in later.

178

00:10:54,066 —> 00:10:56,333

I don't really know if I'm, uh...

179

00:10:56,866 —> 00:10:59,300

ready to face him again

after what happened.

180

00:11:00,150 —> 00:11:01,015

Uh...

181

00:11:01,016 —> 00:11:04,166

We've both done things we're not proud of.

182

00:11:09,633 —> 00:11:10,949

All right.

183

00:11:10,950 —> 00:11:12,199

Convince me.

184

00:11:12,200 —> 00:11:15,365

I'm one of the original

programmers of the Digital Circus.

185

00:11:15,366 —> 00:11:18,332

I was part of a team of experts

employed by C&A

186

00:11:18,333 —> 00:11:20,665

to bring this place to life.

187

00:11:20,666 —> 00:11:22,899

Kinger was one of my coworkers...

188

00:11:22,900 —> 00:11:25,332

you know, back when he was still...

189

00:11:25,333 —> 00:11:27,600

You really think Kinger worked with him?

190

00:11:28,533 —> 00:11:30,066

Uh-oh, whoops. Sorry.

191

00:11:30,633 —> 00:11:31,732

I can see it.

192

00:11:31,733 —> 00:11:34,665

[NPC] Uh, well, as production went on,

193

00:11:34,666 —> 00:11:37,482

the higher ups at C&A started getting...

194

00:11:37,483 —> 00:11:38,583

untrustworthy.

195

00:11:39,283 —> 00:11:42,533

They began forcibly hooking

my fellow coworkers up to the computer

196

00:11:43,150 —> 00:11:46,065

in special stasis pods

that would keep them alive

197

00:11:46,066 —> 00:11:48,249

and analyze their brains.

198

00:11:48,250 —> 00:11:49,250

Just...

199

00:11:49,650 —> 00:11:50,532

awful stuff.

200

00:11:50,533 —> 00:11:54,099
I'm gonna shoot you down
and say none of us are C&A employees.

201
00:11:54,100 —> 00:11:56,149
How would we have gotten
hooked up to this big machine

202
00:11:56,150 —> 00:11:57,599
just by putting on a headset?

203
00:11:57,600 —> 00:11:59,665
[NPC] That's what I wondered, as well.

204
00:11:59,666 —> 00:12:02,632
But then, I remembered
that C&A was planning

205
00:12:02,633 —> 00:12:04,599
on expanding development.

206
00:12:04,600 —> 00:12:07,899
Last I remember,

I was asking too many questions.

207

00:12:07,900 —> 00:12:10,465

And then... poof! I was here.

208

00:12:10,466 —> 00:12:13,566

They're probably doing the same

to anyone that stumbles into that office.

209

00:12:14,350 —> 00:12:16,933

Caine... is an AI.

210

00:12:17,433 —> 00:12:18,665

Yeah, I think we all got that.

211

00:12:18,666 —> 00:12:22,616

An AI specifically created

to keep your minds active.

212

00:12:23,116 —> 00:12:25,765

But he's just as much

of a prisoner as you are.

213

00:12:25,766 —> 00:12:27,299

One that, uh...

214

00:12:27,300 —> 00:12:28,932

won't be able to leave with us.

215

00:12:28,933 —> 00:12:32,399

Just get to the meat

and tell us exactly how we're gonna leave

216

00:12:32,400 —> 00:12:34,232

if we're all hooked up to stasis pods.

217

00:12:34,233 —> 00:12:36,966

Uh, yes. Yes, of course.

218

00:12:37,783 —> 00:12:40,165

Uh, so, I did some digging,

219

00:12:40,166 —> 00:12:43,665

and I discovered that

the stasis pods and the virtual world

220

00:12:43,666 —> 00:12:46,249

are both run in the same program.

221

00:12:46,250 —> 00:12:48,932

So, theoretically, if we were to access

222

00:12:48,933 —> 00:12:52,082

the master console

hidden deep within Caine's office,

223

00:12:52,083 —> 00:12:53,299

we could terminate it

224

00:12:53,300 —> 00:12:55,732

and forcibly awaken

everyone who's hooked up.

225

00:12:55,733 —> 00:12:57,415

Well...

226

00:12:57,416 —> 00:12:59,266

Obviously, except for Caine.

227

00:12:59,866 —> 00:13:01,599

How do we get into Caine's office?

228

00:13:01,600 —> 00:13:03,882

[NPC] We'll need to steal

the key from Caine.

229

00:13:03,883 —> 00:13:06,199

And we'll also need

administrative privileges.

230

00:13:06,200 —> 00:13:09,015

I believe you're good at obtaining keys?

231

00:13:09,016 —> 00:13:11,865

Okay, you know what's gonna happen

when we do all this?

232

00:13:11,866 —> 00:13:13,799

Caine's gonna pop out and say,

233

00:13:13,800 —> 00:13:18,365

"Congratulations on beating

the 'escape the circus' adventure."

234

00:13:18,366 —> 00:13:21,066

And everything's gonna go back

to the way it always was.

235

00:13:22,433 —> 00:13:23,800

I've been watching you.

236

00:13:24,300 —> 00:13:25,300

All of you.

237

00:13:25,766 —> 00:13:26,850

Every trial.

238

00:13:27,366 —> 00:13:29,299

Every moment of joy.

239

00:13:29,300 —> 00:13:31,466

Every... abstraction.

240

00:13:32,466 —> 00:13:34,399

I wish I could have come to you sooner,

241

00:13:34,400 —> 00:13:37,865

but I didn't want to potentially ruin

our only chance at escape

242

00:13:37,866 —> 00:13:42,032

by telling you before I knew

exactly how we were gonna do it.

243

00:13:42,033 —> 00:13:44,399

I'm not a creation of Caine.

244

00:13:44,400 —> 00:13:47,132

I've suffered just as much

as the rest of you.

245

00:13:47,133 —> 00:13:49,783

I know this all sounds crazy,

246

00:13:50,283 —> 00:13:51,949
but if you follow me,

247
00:13:51,950 —> 00:13:53,366
you will see freedom.

248
00:13:54,600 —> 00:13:56,382
I'll also draw a face on myself

249
00:13:56,383 —> 00:13:59,683
so you can tell me apart
from any other blank NPCs.

250
00:14:02,633 —> 00:14:05,149
Oh, um, what should we call you?

251
00:14:05,150 —> 00:14:07,166
- Do you have a name?
- I do.

252
00:14:07,666 —> 00:14:09,016
My name...

253

00:14:09,800 —> 00:14:11,032

is Abel.

254

00:14:11,033 —> 00:14:13,500

[dramatic musical sting plays]

255

00:14:16,300 —> 00:14:19,865

Like... is that the name YOU picked, or...?

256

00:14:19,866 —> 00:14:21,666

[Abel] Yeah, I thought it would be cool.

257

00:14:22,633 —> 00:14:24,732

But anyway, first things first.

258

00:14:24,733 —> 00:14:26,699

We need to get that key.

259

00:14:26,700 —> 00:14:28,700

[devious music plays]

260

00:14:30,066 —> 00:14:31,665
In order to get the key,

261
00:14:31,666 —> 00:14:33,799
you're going to need to isolate Caine.

262
00:14:33,800 —> 00:14:35,432
Try getting him alone...

263
00:14:35,433 —> 00:14:37,932
someplace where he'll feel
comfortable confiding in you.

264
00:14:37,933 —> 00:14:39,432
Hey, Caine! You around?

265
00:14:39,433 —> 00:14:40,315
Hey, Jax.

266
00:14:40,316 —> 00:14:42,765
I didn't know you could ask
if I was around like that.

267

00:14:42,766 —> 00:14:43,766

Good job!

268

00:14:44,233 —> 00:14:45,449

Uh...

269

00:14:45,450 —> 00:14:47,032

You want to get dinner together?

270

00:14:47,033 —> 00:14:51,799

GASP! A human wanting

to hang out with ME???

271

00:14:51,800 —> 00:14:54,665

How could I possibly turn down

such an offer??

272

00:14:54,666 —> 00:14:56,649

So, where you wanna...

273

00:14:56,650 —> 00:14:57,650

Whoa!

274

00:14:58,400 —> 00:14:59,899

So, Jax!

275

00:14:59,900 —> 00:15:02,432

Whatcha want to talk about, friendo?

276

00:15:02,433 —> 00:15:04,132

- Uh, I...

- Wait, Jax!!!

277

00:15:04,133 —> 00:15:06,199

I wanted to ask you about the adventures!

278

00:15:06,200 —> 00:15:08,532

What do you think I should do

to make them more appealing

279

00:15:08,533 —> 00:15:10,633

to the Zooble and the Pomni?

280

00:15:11,133 —> 00:15:13,499

- I think that...

- We should figure out what to order first!

281

00:15:13,500 —> 00:15:14,782

Conversation can happen

282

00:15:14,783 —> 00:15:17,465

after we've loaded up

on digital nutrients.

283

00:15:17,466 —> 00:15:20,232

Then, you're going to want

to ask him about his hobbies.

284

00:15:20,233 —> 00:15:23,532

Odds are, he'll get so excited

that you care about him,

285

00:15:23,533 —> 00:15:25,815

he'll freeze up,

and you'll be able to grab the key

286

00:15:25,816 —> 00:15:27,165

from inside his mouth.

287

00:15:27,166 —> 00:15:28,832

Inside where?

288

00:15:28,833 —> 00:15:30,999

What are your thoughts

on cedar smoked salmon?

289

00:15:31,000 —> 00:15:32,382

I see "cedar" smoked salmon,

290

00:15:32,383 —> 00:15:34,399

but I hardly "knowder" smoked salmon!

291

00:15:34,400 —> 00:15:35,699

[laughs manically] Ah-ha-ha-ha-ha.

292

00:15:35,700 —> 00:15:38,866

Uh, do you have any secret hobbies?

293

00:15:40,583 —> 00:15:43,199

"Secret hobbies"?

294

00:15:43,200 —> 00:15:45,432

Yeah, like, things you do on your own

295

00:15:45,433 —> 00:15:49,166

that you'd be interested in talking about?

296

00:15:50,116 —> 00:15:52,532

Why... I...

297

00:15:52,533 —> 00:15:55,965

I-I didn't think a human would

ever want to ask me about my...

298

00:15:55,966 —> 00:15:59,865

Th-This is the most

fantasmical moment of m...

299

00:15:59,866 —> 00:16:01,566

[dial-up tones blare]

300

00:16:05,216 —> 00:16:06,099

Eugh.

301

00:16:06,100 —> 00:16:07,500

[squelching]

302

00:16:08,783 —> 00:16:09,933

Whatcha doin' there, Jax?

303

00:16:11,366 —> 00:16:14,400

Have I ever told you how

it's my dream to get eaten by you?

304

00:16:15,716 —> 00:16:17,933

That's a weird thing to say and want.

305

00:16:19,483 —> 00:16:21,066

[pensive music plays]

306

00:16:23,000 —> 00:16:25,065

Do you really believe it?

307

00:16:25,066 —> 00:16:27,299

I-I mean, everything he says?

308

00:16:27,300 —> 00:16:28,550

I... [human sound]

309

00:16:29,416 —> 00:16:32,465

I just want to know

what Kinger thinks of all this.

310

00:16:32,466 —> 00:16:34,032

Y-Yeah.

311

00:16:34,033 —> 00:16:36,333

I... I was thinking the same thing.

312

00:16:37,016 —> 00:16:39,182

How much do you know about Kinger?

313

00:16:39,183 —> 00:16:43,099

Huh? O-Oh, I probably know

about as much as everybody else.

314

00:16:43,100 —> 00:16:47,183

But he's also helped me through

some of my hardest times here.

315

00:16:47,716 —> 00:16:49,849

Is it weird to say I...

316

00:16:49,850 —> 00:16:51,899

I trust him the most out of everybody?

317

00:16:51,900 —> 00:16:54,033

No, that's not weird at all.

318

00:16:54,566 —> 00:16:57,282

I had a similar experience, and...

319

00:16:57,283 —> 00:17:00,665

I think he might know more

about this place than he lets on.

320

00:17:00,666 —> 00:17:03,866

Yeah, he has been here longer

than anyone else.

321

00:17:04,483 —> 00:17:06,165

But I just... I don't know.

322

00:17:06,166 —> 00:17:09,833

I think it's kind of strange

that Abel isn't interested in him at all.

323

00:17:10,866 —> 00:17:11,866

[Abel] Like I said...

324

00:17:12,433 —> 00:17:14,432

things between us are complicated.

325

00:17:14,433 —> 00:17:17,749

I would love to be able

to work alongside him again.

326

00:17:17,750 —> 00:17:21,315

And you're right to think

he has knowledge about this place.

327

00:17:21,316 —> 00:17:23,049

It's just...

328

00:17:23,050 —> 00:17:24,133

I made a promise.

329

00:17:27,733 —> 00:17:30,599

What's going to happen

to the people in the cellar,

330

00:17:30,600 —> 00:17:33,133

like Kaufmo and Ribbit?

331

00:17:34,300 —> 00:17:35,516

[Abel] I don't know.

332

00:17:36,400 —> 00:17:38,400

But let's hope for the best, right?

333

00:17:40,600 —> 00:17:41,999

And here we are.

334

00:17:42,000 —> 00:17:43,800

The administrator zone.

335

00:17:59,600 —> 00:18:00,832

Buuut, like I was saying.

336

00:18:00,833 —> 00:18:04,132

This macroverse place really intrigues me.

337

00:18:04,133 —> 00:18:07,065

And these photos

are all I have of the location.

338

00:18:07,066 —> 00:18:08,482

I'm obsessed with them.

339

00:18:08,483 —> 00:18:11,399

I-I just wish I had

more info on the location

340

00:18:11,400 —> 00:18:13,099

so I could accurately recreate it.

341

00:18:13,100 —> 00:18:15,199

Too bad they cut me off, right??

342

00:18:15,200 —> 00:18:18,432

- [laughing heartily]

- Uh, yeah. What a shame.

343

00:18:18,433 —> 00:18:20,266

So, what's your takeaway from all this?

344

00:18:20,933 —> 00:18:23,199

- What?

- What's your takeaway from all this?

345

00:18:23,200 —> 00:18:26,682

Is it that I'm actually

a cool guy with cool hobbies

346

00:18:26,683 —> 00:18:30,733

and am not that much different

from you beautiful humans?

347

00:18:31,300 —> 00:18:32,932

Uh, sure.

348

00:18:32,933 —> 00:18:34,532

Wowie!

349

00:18:34,533 —> 00:18:37,332

I'm so glad we understand

each other a little more.

350

00:18:37,333 —> 00:18:40,032

I really am trying my best

to make you guys happy,

351

00:18:40,033 —> 00:18:44,299

and being appreciated for that

just makes me want to...

352

00:18:44,300 —> 00:18:45,933

[dial-up tones blare]

353

00:18:46,466 —> 00:18:47,466

[human sound] Eugh...

354

00:18:48,500 —> 00:18:51,549

elebrate by giving you guys

anything you ask for!

355

00:18:51,550 —> 00:18:52,550

How's that sound?

356

00:18:53,400 —> 00:18:54,265

Sounds good!

357

00:18:54,266 —> 00:18:57,232

Uh, this was a nice dinner

and everything, but...

358

00:18:57,233 —> 00:18:59,232

[inhales sharply]

could I go back to the circus?

359

00:18:59,233 —> 00:19:01,132

The gals and I were gonna do somethin'

360

00:19:01,133 —> 00:19:05,149

which may or may not be a surprise

for a special certain ringmaster

361

00:19:05,150 —> 00:19:07,332

we want to show our appreciation for.

362

00:19:07,333 —> 00:19:08,782

GASP! Say no more!

363

00:19:08,783 —> 00:19:09,783

[yelps]

364

00:19:15,500 —> 00:19:17,432

How long is Jax gonna take?

365

00:19:17,433 —> 00:19:19,533

I feel like we've been

standing here for hours.

366

00:19:22,166 —> 00:19:25,599

Should we tell Kinger what's happening?

367

00:19:25,600 —> 00:19:28,266

I feel bad not including him

in any of this.

368

00:19:28,800 —> 00:19:31,433

We're supposed

to follow Abel's instructions.

369

00:19:34,366 —> 00:19:38,182

I-It probably couldn't hurt

to at least give him a warning, though.

370

00:19:38,183 —> 00:19:41,000

Just to get him into the right headspace.

371

00:19:43,066 —> 00:19:44,365

- [Kinger] AH!

- [Zooble] Oh, my God.

372

00:19:44,366 —> 00:19:46,449

[Kinger] Oh... hi, Gangle. Hi, Zooble.

373

00:19:46,450 —> 00:19:47,633

You startled me.

374

00:19:48,166 —> 00:19:51,099

[Zooble] Soooo, we may

have discovered something

375

00:19:51,100 —> 00:19:53,465

you'll want to hear about.

376

00:19:53,466 —> 00:19:55,749

Uh, i-it's, uh...

377

00:19:55,750 —> 00:19:57,900

We've found a way to leave the circus.

378

00:19:58,433 —> 00:20:00,349

We're currently preparing everything,

379

00:20:00,350 —> 00:20:04,232

but we need to keep it quiet

so Caine doesn't stop us.

380

00:20:04,233 —> 00:20:06,600

Uh, yeah, what she said.

381

00:20:07,283 —> 00:20:11,099

[Kinger] Huh? Leave the circus?

How would you...

382

00:20:11,100 —> 00:20:13,132

No, that doesn't make sense.

383

00:20:13,133 —> 00:20:14,332

[Zooble] We met up with Abel.

384

00:20:14,333 —> 00:20:16,349

He says he was one

of the original programmers,

385

00:20:16,350 —> 00:20:19,233

and he knows how

to shut off the game and free us.

386

00:20:19,800 —> 00:20:22,466

[Kinger] Uh... who?

387

00:20:23,100 —> 00:20:24,199

[Zooble] U-Uh... [air whistling]

388

00:20:24,200 —> 00:20:25,632

- [yelps]

- [grunts]

389

00:20:25,633 —> 00:20:27,999

We'll continue this conversation later.

390

00:20:28,000 —> 00:20:29,933

Just thought I'd give you a heads-up.

391

00:20:33,566 —> 00:20:35,099

[groans]

392

00:20:35,100 —> 00:20:37,765

I am never doing anything

for you guys ever again.

393

00:20:37,766 —> 00:20:38,699

[Zooble] Where's Caine?

394

00:20:38,700 —> 00:20:40,715

Worry not, my dear damsel.

395

00:20:40,716 —> 00:20:43,299

I think I stopped him

from checking up on us for a while.

396

00:20:43,300 —> 00:20:45,765

So no need for your distraction anymore.

397

00:20:45,766 —> 00:20:46,632

You're welcome.

398

00:20:46,633 —> 00:20:48,149

[Zooble] In other words,

you just made us have

399

00:20:48,150 —> 00:20:50,065

to wait longer to do our job.

400

00:20:50,066 —> 00:20:52,399

- Also, don't call me that.

- What's the rush?

401

00:20:52,400 —> 00:20:54,300

You got someone waiting for you outside?

402

00:20:55,150 —> 00:20:56,333

[Zooble] Don't you?

403

00:20:57,533 —> 00:20:58,900

Y-Yeah.

404

00:21:01,333 —> 00:21:05,833

[tense music plays]

405

00:21:07,866 —> 00:21:12,133

[Abel] So, uh... how many administrator

passes should I get?

406

00:21:12,833 —> 00:21:15,199

- Six.

- Yeah, six.

407

00:21:15,200 —> 00:21:17,049

Are you sure?

408

00:21:17,050 —> 00:21:20,549

Giving Kinger access to the main console

could be dangerous,

409

00:21:20,550 —> 00:21:22,999

considering his mental state.

410

00:21:23,000 —> 00:21:25,065

Will it be dark in there?

411

00:21:25,066 —> 00:21:28,732

I suppose it will be somewhat dim.

412

00:21:28,733 —> 00:21:30,149

- But...

- Then yes.

413

00:21:30,150 —> 00:21:31,600

I want us all to have one.

414

00:21:32,683 —> 00:21:35,265

All right. If you say so.

415

00:21:35,266 —> 00:21:36,783

The dark.

416

00:21:37,300 —> 00:21:38,933

I think I get it now.

417

00:21:39,500 —> 00:21:43,499

Whatever happens,

I'm going to put my trust in Kinger.

418

00:21:43,500 —> 00:21:46,799

He's got a lot of wisdom

buried in there, doesn't he?

419

00:21:46,800 —> 00:21:48,866

Yeah. He does.

420

00:21:50,150 —> 00:21:51,900

Yeah, when he uses it responsibly.

421

00:21:52,500 —> 00:21:54,049

- What?

- [Abel] I-It's nothing.

422

00:21:54,050 —> 00:21:55,665

Let's go find the others.

423

00:21:55,666 —> 00:21:57,232

Hey.

424

00:21:57,233 —> 00:21:59,800

Don't keep information from us

if you know something.

425

00:22:00,300 —> 00:22:02,166

What happened between you and Kinger?

426

00:22:03,033 —> 00:22:05,783

[Abel] [sighs] It'll be clear soon enough.

427

00:22:09,400 —> 00:22:11,765

So, did you distract Caine?

428

00:22:11,766 —> 00:22:12,865

I took care of that.

429

00:22:12,866 —> 00:22:14,449

He THINKS he took care of that,

430

00:22:14,450 —> 00:22:16,432

but we really have no way of knowing.

431

00:22:16,433 —> 00:22:18,632

Such little faith in me. Goodness.

432

00:22:18,633 —> 00:22:20,199

Oh, I wonder why.

433

00:22:20,200 —> 00:22:22,332

If this whole thing

gets messed up because of you,

434
00:22:22,333 —> 00:22:23,515
I swear to God...

435
00:22:23,516 —> 00:22:26,765
Yeah, let's just all follow
Mr. Obvious Twist Villain, instead.

436
00:22:26,766 —> 00:22:28,932
[Abel] Now, wait. Hold on, you think...

437
00:22:28,933 —> 00:22:32,515
Let's all just calm down
and be a team here.

438
00:22:32,516 —> 00:22:35,100
Pomni's got administrator
passes for everyone.

439
00:22:35,900 —> 00:22:37,516
We're all in this together.

440

00:22:51,850 —> 00:22:53,333

Why do they look like that?

441

00:23:00,900 —> 00:23:02,216

[Kinger] Wait, Pomni.

442

00:23:03,100 —> 00:23:04,300

Huh?

443

00:23:07,650 —> 00:23:09,900

Did you... say something?

444

00:23:12,633 —> 00:23:14,499

[Abel] We're going to have to trust

that whatever Jax did

445

00:23:14,500 —> 00:23:16,232

will keep him distracted.

446

00:23:16,233 —> 00:23:19,632

I don't know how long we'll be able

to hold these without Caine knowing.

447

00:23:19,633 —> 00:23:21,166

So... it's time.

448

00:23:22,000 —> 00:23:23,966

Let's go to Caine's office.

449

00:23:26,700 —> 00:23:29,682

Caine always did have trouble

with cube collisions,

450

00:23:29,683 —> 00:23:30,833

for some reason.

451

00:23:33,933 —> 00:23:35,833

All right, just how we went over it.

452

00:23:36,333 —> 00:23:37,232

You first.

453

00:23:37,233 —> 00:23:39,065

Me? Why me?

454

00:23:39,066 —> 00:23:40,066

Jax?

455

00:23:40,633 —> 00:23:42,966

Everything's gonna be okay.

456

00:23:45,750 —> 00:23:46,900

Eh, fine.

457

00:23:47,650 —> 00:23:48,650

Ball me up.

458

00:23:49,133 —> 00:23:50,933

[rubbery squeaking]

459

00:23:55,400 —> 00:23:57,466

[Kinger] Oh! Like basketball.

460

00:24:10,916 —> 00:24:15,466

[curious music plays]

461

00:24:31,400 —> 00:24:32,800

I want Kinger to go before me.

462

00:24:33,616 —> 00:24:35,632

[Abel] No, yeah, that makes sense.

463

00:24:35,633 —> 00:24:38,982

[Kinger] Now, Pomni,

don't feel like I need to go before you

464

00:24:38,983 —> 00:24:43,099

just because I have the right of way

in a four-way, uncontrolled intersection.

465

00:24:43,100 —> 00:24:44,582

Just trust me.

466

00:24:44,583 —> 00:24:46,132

You want to get somewhere dark?

467

00:24:46,133 —> 00:24:47,413

[Kinger] You can say that again.

468

00:24:54,466 —> 00:24:56,999

So, how are you getting up?

469

00:24:57,000 —> 00:25:00,900

I'm not. But I trust all of you

to make the right choice.

470

00:25:01,600 —> 00:25:04,766

When we all get out... I'll buy you a beer.

471

00:25:06,166 —> 00:25:07,700

[Abel] Make the right choice.

472

00:25:08,800 —> 00:25:09,900

[human sound] Uh...

473

00:25:14,533 —> 00:25:15,699

[human sound] Phew.

474

00:25:15,700 —> 00:25:18,333

I was getting kind of worried

something was happening down there.

475

00:25:23,550 —> 00:25:26,166

Time for me to serve my purpose, I guess.

476

00:25:59,166 —> 00:26:03,032

[orb shimmering]

477

00:26:03,033 —> 00:26:07,633

Abel said the door to the main console

was behind the bookshelf.

478

00:26:11,866 —> 00:26:14,766

[doors rumbling]

479

00:26:18,300 —> 00:26:20,600

[muffled indistinct speech]

480

00:26:23,016 —> 00:26:25,166

Hey. You all right?

481

00:26:26,550 —> 00:26:27,750

I'm great.

482

00:26:32,900 —> 00:26:35,800

[human sound] Uh, I guess this is it.

483

00:26:36,333 —> 00:26:39,650

W-We're leaving the circus.

484

00:27:03,766 —> 00:27:04,833

A-Are...

485

00:27:05,583 —> 00:27:08,116

Are we still gonna be friends when we're...

486

00:27:08,633 —> 00:27:09,633

out there?

487

00:27:10,250 —> 00:27:11,370

[Zooble] Why wouldn't we be?

488

00:27:11,766 —> 00:27:14,832

It's just... gonna be strange.

489

00:27:14,833 —> 00:27:17,300

I've only known you like this.

490

00:27:18,383 —> 00:27:22,065

Will it be the same when it's... real?

491

00:27:22,066 —> 00:27:24,032

[Zooble] It always was real.

492

00:27:24,033 —> 00:27:27,282

Everything we felt. Everything we've done.

493

00:27:27,283 —> 00:27:28,766

Everything we are.

494

00:27:29,283 —> 00:27:30,899

It'll never leave us.

495

00:27:30,900 —> 00:27:33,615

And I wouldn't have it any other way.

496

00:27:33,616 —> 00:27:35,632

[laughs] [sniffles]

497

00:27:35,633 —> 00:27:36,633

Thank you...

498

00:27:37,133 —> 00:27:40,332

for always being there when I needed.

499

00:27:40,333 —> 00:27:41,832

[laughs tearfully]

500

00:27:41,833 —> 00:27:46,233

[panting softly]

501

00:27:57,100 —> 00:27:58,100

[console beeps]

502

00:28:04,133 —> 00:28:06,100

[tense music plays]

503

00:28:09,600 —> 00:28:11,049

Uh, Kinger.

504

00:28:11,050 —> 00:28:12,732

Do you want to make the choice?

505

00:28:12,733 —> 00:28:13,699

[Kinger] The choice of what?

506

00:28:13,700 —> 00:28:17,265

[human sound]

Uh, are you sure he's all the way h-here?

507

00:28:17,266 —> 00:28:19,649

[Zooble] Uh, hey. Yeah, wait.

508

00:28:19,650 —> 00:28:22,099

Don't we all want to press "leave"?

509

00:28:22,100 —> 00:28:23,299

Why leave it up to him?

510

00:28:23,300 —> 00:28:24,366

I... I...

511

00:28:24,933 —> 00:28:27,433

What if there's something we don't know?

512

00:28:27,983 —> 00:28:30,199

Maybe we should

give it a little more time?

513

00:28:30,200 —> 00:28:33,132

[Kinger] Oh, yeah.

I love pressing buttons.

514

00:28:33,133 —> 00:28:35,532

You, uh, want me to press

one of those two?

515

00:28:35,533 —> 00:28:36,665

[stammers] I don't know.

516

00:28:36,666 —> 00:28:38,465

Uh, am I missing something?

517

00:28:38,466 —> 00:28:40,282

We... We all want to leave, right?

518

00:28:40,283 —> 00:28:41,949

- Uh, Pomni?

- Yeah, no...

519

00:28:41,950 —> 00:28:43,782

Yeah, we do. It's just...

520

00:28:43,783 —> 00:28:45,732

W-What if it's a... a trick or something?

521

00:28:45,733 —> 00:28:48,932

Why would there be

a trick console in Caine's office?

522

00:28:48,933 —> 00:28:52,632

Wh... No matter what we press,

Caine's gonna know we were here.

523

00:28:52,633 —> 00:28:54,465

- We should push it.

- H... Hold on!

524

00:28:54,466 —> 00:28:58,732

Let's just wait a second

and go over everything we know.

525

00:28:58,733 —> 00:29:01,182

- And, uh, maybe we can...

- [panting]

526

00:29:01,183 —> 00:29:03,665

vote on it, or something?

527

00:29:03,666 —> 00:29:06,199

[hyperventilating]

528

00:29:06,200 —> 00:29:08,133

[music]

529

00:29:15,833 —> 00:29:18,400

[panicked whimpering]

530

00:29:19,500 —> 00:29:21,783

[yelps]

531

00:29:25,600 —> 00:29:27,666

- What did you just do?

- [stammers]

532

00:29:28,800 —> 00:29:30,032

I... I...

533

00:29:30,033 —> 00:29:32,099

[CLANG!]

534

00:29:32,100 —> 00:29:33,965

[whistle toots]

535

00:29:33,966 —> 00:29:36,666

[celebratory music plays]

536

00:29:39,850 —> 00:29:44,265

Congratulations,

my little cattywampus cucumbers!

537

00:29:44,266 —> 00:29:46,699

You picked the good ending,

538

00:29:46,700 —> 00:29:49,015

where you realize

you'd rather stay with me

539

00:29:49,016 —> 00:29:51,349

than go back to that pesky old macroverse,

540

00:29:51,350 —> 00:29:53,165

or whatever we decide to call it!

541

I know you need it.

198

00:14:27,433 —> 00:14:30,333

And I'm the only person who can help you.

199

00:14:30,400 —> 00:14:31,766

You need me.

200

00:14:31,833 —> 00:14:33,466

I can fix you!

201

00:14:35,200 —> 00:14:36,466

[Pomni grunts]

202

00:14:36,533 —> 00:14:39,766

- [unsettling music playing]

- [grunts, choked breathing]

203

00:14:50,333 —> 00:14:52,433

[gasping]

204

00:14:52,500 —> 00:14:53,533

What?

205

00:14:53,600 —> 00:14:56,633

We can't die from

oxygen deprivation, remember?

206

00:15:02,966 —> 00:15:03,800

[warbling]

207

00:15:08,900 —> 00:15:10,266

[playful music playing]

208

00:15:10,333 —> 00:15:12,700

Come on, guys! Put some gusto into it.

209

00:15:12,766 —> 00:15:15,600

We're gonna make this

the best funeral ever!

210

00:15:15,666 —> 00:15:17,400

It's what Zooble would have wanted!

211

00:15:17,466 —> 00:15:19,966

Remember, it's not a mourning of death.

212

00:15:20,033 —> 00:15:22,033

It's a celebration of life.

213

00:15:23,000 —> 00:15:24,033
'Sup.

214
00:15:24,100 —> 00:15:26,133
Wh— J-Jax.

215
00:15:26,200 —> 00:15:27,700
Why are you wearing that?

216
00:15:27,766 —> 00:15:29,800
Wearing what? Oh, this! [chuckles]

217
00:15:29,866 —> 00:15:32,300
I figured what better way
to honor Zooble's spirit

218
00:15:32,366 —> 00:15:34,666
than by wearing somethin'
all gender-freaky, right?

219
00:15:35,233 —> 00:15:38,366
Y-You're just doing it
to make fun of them!

220

00:15:38,433 —> 00:15:39,466

{\an8}Isn't that what you're doing?

221

00:15:39,533 —> 00:15:41,166

[shrieks, sighs]

222

00:15:41,766 —> 00:15:42,933

{\an8}J— I—

223

00:15:43,433 —> 00:15:45,833

{\an8}I— I hate you.

224

00:15:45,900 —> 00:15:48,466

What? Don't act like you don't like it,

sweet cheeks.

225

00:15:48,533 —> 00:15:49,533

[annoyed shriek]

226

00:15:50,766 —> 00:15:52,833

Meet me in my room after the funeral.

227

00:15:52,900 —> 00:15:53,766

Don't be late.

228

00:15:58,600 —> 00:16:00,300

Wh— What are you all doing?!

229

00:16:00,366 —> 00:16:01,733

Get back to work!

230

00:16:04,966 —> 00:16:05,800

[warbling]

231

00:16:17,166 —> 00:16:20,100

[nostalgic music warbling]

232

00:16:20,766 —> 00:16:24,133

[Zooble] You killed the only person

I've ever loved!

233

00:16:24,200 —> 00:16:26,733

Now I'm going to kill you!

234

00:16:26,800 —> 00:16:30,233

Eesh, you just blame me

for everything, dontcha?

235

00:16:30,300 —> 00:16:32,466

[grunting]

236

00:16:32,533 —> 00:16:33,500

- Wa-hoo!

- [bells ringing]

237

00:16:34,066 —> 00:16:35,833

I gotta do somethin' about this!

238

00:16:38,500 —> 00:16:40,766

I think this calls

for a change in scenery.

239

00:16:41,800 —> 00:16:44,533

[comical music]

240

00:16:46,133 —> 00:16:46,966

- Hmm?

- [comical bopping]

241

00:16:50,700 —> 00:16:53,733

[screaming]

242

00:16:53,800 —> 00:16:54,633

[loud thud]

243

00:16:56,000 —> 00:16:59,400

[cartoonish music playing]

244

00:16:59,466 —> 00:17:01,833

Deh-ebbity-eh, that's all, freaks!

245

00:17:10,599 —> 00:17:12,700

[bright piano music playing]

246

00:17:12,766 —> 00:17:14,333

How the hell'd you get in here?

247

00:17:14,400 —> 00:17:17,166

We have a strict

"no girls allowed" policy.

248

00:17:17,700 —> 00:17:18,800

Why are you wearing that?

249

00:17:18,866 —> 00:17:20,366

I wouldn't be caught dead wearing that.

250

00:17:20,433 —> 00:17:22,300

I'm wearing it ironically.

251

00:17:22,366 —> 00:17:26,066

That way, it shows truly

just how little I care.

252

00:17:26,133 —> 00:17:26,966

F**k it.

253

00:17:27,033 —> 00:17:29,433

Don't forget about me!

I-I can play the piano!

254

00:17:29,500 —> 00:17:32,066

You know, if you have to say

you can play the piano,

255

00:17:32,133 —> 00:17:34,066

it makes it seem like

you can't actually play.

256

00:17:34,133 —> 00:17:35,633

Yeah, just shut up and play!

257

00:17:35,700 —> 00:17:38,666

- [glass shatters]

- [upbeat music playing]

258

00:17:39,333 —> 00:17:42,700

Is that what you really think

of us back there?

259

00:17:42,766 —> 00:17:43,866

Oh, that? [snickers]

260

00:17:43,933 —> 00:17:45,300

Who knows!

261

00:17:45,366 —> 00:17:46,366

[snickers]

262

00:17:46,433 —> 00:17:50,100

Everything's way more fun

when you play it out in extremes.

263

00:17:50,166 —> 00:17:52,066

That's not reality, though.

264

00:17:52,133 —> 00:17:53,466

- Oh, boy, reality.

- Why does that matter?

265

00:17:53,533 —> 00:17:55,533

- Reality's gay.

- Yeah!

266

00:17:55,600 —> 00:17:58,666

I mean, killing off

the comic relief character? [snickers]

267

00:17:58,733 —> 00:18:00,333

What a freakin' drag!

268

00:18:00,400 —> 00:18:04,133

This whole episode's been nothin'

but wah-wah-wah.

269

00:18:04,200 —> 00:18:05,266

Where's the levity?

270

00:18:05,333 —> 00:18:06,866

- [thud]

- [all] Shut up!

271

00:18:08,933 —> 00:18:10,400

[bright piano music playing]

272

00:18:10,466 —> 00:18:11,633

Where's the real Jax?

273

00:18:11,700 —> 00:18:14,366

You're not gonna get anywhere

asking questions like that.

274

00:18:14,433 —> 00:18:16,966

Now, scram. You're messin' up our game.

275

00:18:24,266 —> 00:18:26,100

Do any of you have a key to this door?

276

00:18:26,166 —> 00:18:27,000

Nope.

277

00:18:27,066 —> 00:18:29,366

And even if I did,

I wouldn't give it to you.

278

00:18:29,433 —> 00:18:32,400

You women need to learn

to quit prying all the ti—

279

00:18:35,200 —> 00:18:38,433

Wow, I hope that doesn't

also happen to me!

280

00:18:38,500 —> 00:18:39,333

[eerie silence]

281

00:18:45,266 —> 00:18:46,100

[chain rattles]

282

00:19:00,533 —> 00:19:04,000

- [eerie music playing]

- [creaking]

283

00:19:11,966 —> 00:19:12,800

[panting]

284

00:19:33,166 —> 00:19:35,033

[buzzing]

285

00:19:37,100 —> 00:19:38,466

[Jax] Uh...

286

00:19:39,300 —> 00:19:41,000

Okay...

287

00:19:43,133 —> 00:19:44,033

Wait, wh—

288

00:19:44,533 —> 00:19:45,966

Wait, what's—

289

00:19:46,033 —> 00:19:46,966

[buzzing]

290

00:19:47,033 —> 00:19:48,533

[Ragatha] Whoa, whoa, it's okay.

291

00:19:48,600 —> 00:19:50,233

- I know it's a little—

- [Jax] Get away from me!

292

00:19:50,300 —> 00:19:50,966

[buzzing]

293

00:19:52,100 —> 00:19:53,100
I look...

294
00:19:53,800 —> 00:19:54,833
stupid.

295
00:19:54,900 —> 00:19:57,466
[scoffs] I remember that feeling.

296
00:19:57,533 —> 00:19:59,500
It goes away eventually.

297
00:19:59,566 —> 00:20:00,100
[buzzing]

298
00:20:03,466 —> 00:20:05,233
The hot chocolate's pretty good.

299
00:20:05,300 —> 00:20:07,833
Kaufmo and I made it kind of
a tradition to come up here

300

00:20:07,900 —> 00:20:09,066
and get it every week.

301
00:20:11,166 —> 00:20:12,766
- Can't even tell it's not real.
- [buzzing]

302
00:20:12,833 —> 00:20:13,933
- [Jax laughs]
- [gasps]

303
00:20:14,000 —> 00:20:15,966
Oh, he laughed! Ah, yes, we did it!

304
00:20:16,033 —> 00:20:17,333
[Jax] Sh-Sh-Shut up!

305
00:20:17,400 —> 00:20:19,833
- [giggles]
- You... You caught me off guard!

306
00:20:19,900 —> 00:20:22,500
A laugh's a laugh.

I mean, gotta start somewhere.

307

00:20:22,566 —> 00:20:24,366

I'm just mad it was you instead of me.

308

00:20:24,433 —> 00:20:26,366

Well, yeah, you're not funny.

309

00:20:26,433 —> 00:20:27,666

- [gasps, laughs]

- D****t, Jax!

310

00:20:27,733 —> 00:20:28,733

[buzzing]

311

00:20:28,800 —> 00:20:31,333

Hey, Ribbit. You wanna be

on my team again?

312

00:20:31,400 —> 00:20:32,333

Ah, sorry.

313

00:20:32,400 —> 00:20:34,566

I'm gonna be showing Jax around this time.

314

00:20:34,633 —> 00:20:36,366

No worries. Y'all have fun.

315

00:20:37,700 —> 00:20:38,466

[buzzing]

316

00:20:38,533 —> 00:20:41,433

- Hey, dumb***!

- [Jax] 'Sup, moron?

317

00:20:41,500 —> 00:20:43,166

Oh my God, same.

318

00:20:43,233 —> 00:20:44,366

I used to swear so much,

319

00:20:44,433 —> 00:20:46,366

but the censoring annoyed

the sh*t out of me.

320

00:20:46,433 —> 00:20:47,800

[everyone laughing]

321

00:20:47,866 —> 00:20:50,300

- [doing]

- You gotta watch out for her.

322

00:20:50,366 —> 00:20:51,433

She's gonna corrupt you.

323

00:20:51,966 —> 00:20:53,033

- Okay.

- You're such a—

324

00:20:53,100 —> 00:20:53,966

[buzzing]

325

00:20:54,033 —> 00:20:56,133

- [sighs, chuckles]

- [Jax laughs]

326

00:20:56,733 —> 00:20:58,433

Today's adventure was really fun.

327

00:20:58,500 —> 00:20:59,433

[Jax chuckles]

328

00:20:59,500 —> 00:21:01,400

[Jax] I'm glad I could cheer you up.

329

00:21:02,533 —> 00:21:03,566

[Ribbit] Have you...

330

00:21:04,133 —> 00:21:06,700

ever done something that you regret?

331

00:21:08,066 —> 00:21:09,066

[Jax] Y-yeah?

332

00:21:09,800 —> 00:21:11,066

Have you ever breathed air?

333

00:21:11,633 —> 00:21:15,333

[scoffs] I mean, like,

something you did out there

334

00:21:15,400 —> 00:21:17,833

that you can no longer make up for and...

335

00:21:17,900 —> 00:21:19,500

you can't stop thinking about.

336

00:21:24,200 —> 00:21:28,100

[sighs] I cut ties with my parents

when I moved out.

337

00:21:29,366 —> 00:21:32,766

They were devout Mormons, and I...

338

00:21:33,366 —> 00:21:34,333

wasn't.

339

00:21:35,533 —> 00:21:39,766

Despite that, I still wish

I could see them again.

340

00:21:40,733 —> 00:21:41,900

But...

341

00:21:43,200 —> 00:21:45,066

I'm stuck here.

342

00:21:47,833 —> 00:21:51,033

[Jax] Is... Is this your way

of trying to get me to open up?

343

00:21:51,733 —> 00:21:54,000

[chuckles] It's my way

of letting you know I trust you.

344

00:21:54,066 —> 00:21:55,000

[Jax sighs]

345

00:21:55,633 —> 00:21:58,066

[Jax] I told you I was homeless.

346

00:21:58,133 —> 00:21:59,833

What else do you need to know?

347

00:22:01,266 —> 00:22:03,933

Do you trust me?

348

00:22:05,233 —> 00:22:08,300

[Jax] W— [sighs] Yeah, but...

349

00:22:09,366 —> 00:22:10,233

It's just...

350

00:22:12,166 —> 00:22:13,733

I-It's kind of a lot.

351

00:22:13,800 —> 00:22:16,233

[splutters] You're kind of a lot.

352

00:22:16,300 —> 00:22:18,600

But I still like you.

353

00:22:19,500 —> 00:22:20,966

"A lot" is fine.

354

00:22:21,500 —> 00:22:22,666

[Jax scoffs]

355

00:22:23,366 —> 00:22:25,066

[Jax] "A lot is fine," huh?

356

00:22:26,066 —> 00:22:27,100

[Jax sighs]

357

00:22:27,633 —> 00:22:29,666

[Jax sighs]

358

00:22:30,833 —> 00:22:31,733

[Jax sighs]

359

00:22:32,666 —> 00:22:33,833

Uh...

360

00:22:33,900 —> 00:22:36,733

I had a weird relationship with my, uh...

361

00:22:36,800 —> 00:22:38,033

m-my parents.

362
00:22:39,133 —> 00:22:41,833
They split when I was just
starting high school.

363
00:22:41,900 —> 00:22:44,933
Uh... I was never close with my dad.

364
00:22:45,000 —> 00:22:47,500
Uh, he was there, but...

365
00:22:47,566 —> 00:22:51,400
he also kind of... wasn't?

366
00:22:52,333 —> 00:22:54,733
He never seemed proud of me, and I...

367
00:22:54,800 —> 00:22:58,533
I always felt like
a disappointment to him.

368

00:22:58,600 —> 00:23:01,133
Like I could never
live up to his standards.

369
00:23:02,200 —> 00:23:04,466
W-When they split up, I just...

370
00:23:05,033 —> 00:23:06,666
never saw him again.

371
00:23:07,300 —> 00:23:09,366
I-I thought I got along better with Mom,

372
00:23:09,433 —> 00:23:11,800
but after he was gone...

373
00:23:12,866 —> 00:23:14,333
she changed.

374
00:23:18,133 —> 00:23:21,666
[sighs] When I showed weakness,
I was less of a man than him.

375

00:23:21,733 —> 00:23:24,533

When I lashed out,

I was just as bad as him.

376

00:23:24,600 —> 00:23:26,333

It was confusing.

377

00:23:26,400 —> 00:23:28,533

It... It was like she missed him,

378

00:23:29,100 —> 00:23:30,700

but also hated him.

379

00:23:30,766 —> 00:23:31,800

[inhales]

380

00:23:32,533 —> 00:23:34,633

And I became the target of all that.

381

00:23:36,366 —> 00:23:39,733

- One... stupid day...

- [delicate sentimental music playing]

382

00:23:40,933 —> 00:23:44,500

I was just kind of... fed up with it.

383

00:23:46,200 —> 00:23:49,666

I to... I told her something

I regret telling her.

384

00:23:50,433 —> 00:23:52,733

Something deep and personal

385

00:23:52,800 —> 00:23:55,433

that I thought would get her off my back.

386

00:23:56,500 —> 00:23:59,266

But... [sighs, inhales, sighs]

387

00:23:59,333 —> 00:24:01,766

She... laughed at me.

388

00:24:01,833 —> 00:24:02,733

[sharp inhale]

389

00:24:03,466 —> 00:24:05,566

Then she went off on me.

390

00:24:06,200 —> 00:24:08,100

And... And it didn't stop.

391

00:24:09,200 —> 00:24:13,300

Personal, degrading insults

that felt like it went on forever.

392

00:24:14,400 —> 00:24:17,066

And despite all that...

393

00:24:17,966 —> 00:24:21,700

the th... [sighs] ...the thing

that bothered me most was...

394

00:24:22,300 —> 00:24:23,933

at the end of all of it...

395

00:24:24,900 —> 00:24:25,933

she...

396

00:24:26,800 —> 00:24:27,800

hugged me.

397

00:24:28,800 —> 00:24:32,733

[stammers] I-I didn't know what to do.

398

00:24:32,800 —> 00:24:34,966

So I... I panicked,

399

00:24:35,033 —> 00:24:38,566

and I pushed her off me

with all the force I could.

400

00:24:39,833 —> 00:24:41,500

She fell backwards.

401

00:24:43,233 —> 00:24:46,300

And... she didn't get up.

402

00:24:48,300 —> 00:24:52,333

I-I didn't know if she was just

trying to make me feel bad, or...

403

00:24:52,400 —> 00:24:53,233

[sighs]

404

00:24:54,066 —> 00:24:56,933

I... I never found out the answer.

405

00:24:58,466 —> 00:25:00,200

I just ran...

406

00:25:00,933 —> 00:25:02,933

as far away from it as I could.

407

00:25:05,000 —> 00:25:06,700

Whatever I did to her...

408

00:25:08,000 —> 00:25:10,033

I'll never know.

409

00:25:12,066 —> 00:25:15,066

I guess there's a lot of things

I regret about that day.

410

00:25:22,833 —> 00:25:24,333

[Ribbit] I'm sure she's fine.

411

00:25:27,200 —> 00:25:30,300

I mean, if the police never

came after you, then...

412

00:25:30,800 —> 00:25:32,433

she was probably fine.

413

00:25:35,500 —> 00:25:37,200

[stammers] I-I'm sorry.

414

00:25:37,266 —> 00:25:39,500

I-I-I definitely overshared.

415

00:25:40,100 —> 00:25:40,933

[Ribbit] Wait.

416

00:25:45,166 —> 00:25:46,600

I'm glad you trust me.

417

00:25:49,933 —> 00:25:52,500

[sniffles, shy chuckle]

418

00:25:52,566 —> 00:25:54,133

Sh*t. [sniffles]

419

00:25:54,200 —> 00:25:55,466

This is embarrassing.

420

00:25:55,533 —> 00:25:56,800

[shy chuckle, sniffles]

421

00:25:58,066 —> 00:25:59,966

[sniffles]

422

00:26:00,033 —> 00:26:03,100

[dreamy nostalgic music playing]

423

00:26:10,966 —> 00:26:12,666

Your secret's safe with me.

424

00:26:20,100 —> 00:26:22,633

- [door bell dings]

- [Kaufmo] Hey. Is Jax in there?

425

00:26:22,700 —> 00:26:23,933

- I think I found the—

- [Jax] Yeah. Yeah!

426

00:26:24,000 —> 00:26:25,600

[Jax] I-I mean, now's not a good time!

427

00:26:25,666 —> 00:26:28,100

Or now's fi— Wh-What do you want?

428

00:26:28,166 —> 00:26:29,066

[Kaufmo] Um...

429

00:26:29,600 —> 00:26:31,233

If now's a bad time,

I can come back later.

430

00:26:31,300 —> 00:26:32,500

[Jax] That would be cool. Good.

431

00:26:33,900 —> 00:26:34,866

Alright.

432

00:26:34,933 —> 00:26:38,033

So, if you ever tell anyone about this,

433

00:26:38,100 —> 00:26:39,633

I'm never speaking to you again.

434

00:26:39,700 —> 00:26:40,566

Sound good?

435

00:26:41,233 —> 00:26:42,866

U-Um, yeah. I won't—

436

00:26:42,933 —> 00:26:44,066

[Jax] Awesome! Bye.

437

00:26:46,700 —> 00:26:48,366

[Jax] Why am I such an idiot?

Why am I such an idiot?

438

00:26:48,433 —> 00:26:49,533

Why am I such an idiot?!

439

00:26:49,600 —> 00:26:50,433

[beeping, buzzing]

440

00:26:51,900 —> 00:26:54,666

[Ribbit] Um, hey, Jax.

441

00:26:56,200 —> 00:26:59,366

Look, about yesterday...

442

00:26:59,433 —> 00:27:03,500

I'm sorry if I pried too hard

or made you feel uncomfortable or—

443

00:27:03,566 —> 00:27:05,633

[Jax] What? What are you talking about?

444

00:27:06,133 —> 00:27:08,166

Oh, you mean... [chuckles]

445

00:27:08,233 —> 00:27:10,066

You know none of that was real, right?

446

00:27:10,133 —> 00:27:11,200

- Uh—

- [Jax] What?

447

00:27:11,266 —> 00:27:13,433

That corny backstory

out of a Hallmark movie?

448

00:27:13,500 —> 00:27:14,766

Nah. [chuckles]

449

00:27:14,833 —> 00:27:16,000

Really gotcha, though.

450

00:27:18,500 —> 00:27:19,833

[Jax] I'm gonna go.

451

00:27:19,900 —> 00:27:21,800

[Kaufmo] Uh... Okay.

452

00:27:23,400 —> 00:27:24,700

Hey, wanna team up?

453

00:27:24,766 —> 00:27:26,500

[Jax] Nah, I'm teaming up with Kaufmo.

454

00:27:26,566 —> 00:27:27,400

Maybe next time, though!

455

00:27:28,233 —> 00:27:31,433

[chuckles] I actually heard

they're supposed to look like that.

456

00:27:34,566 —> 00:27:37,600

Hey, uh, you wanna team up?

457

00:27:37,666 —> 00:27:39,100

[Jax] Nah, I'm with Kaufmo.

458

00:27:39,166 —> 00:27:40,466

O-Okay...

459

00:27:41,300 —> 00:27:43,533

- What's up with Ribbit lately?

- [Jax] I have no idea.

460

00:27:49,133 —> 00:27:50,133

[Jax] What?

461

00:27:54,500 —> 00:27:57,066

I'm gonna hang out in the cafe.

462

00:27:57,566 —> 00:27:58,400

[Jax] Okay?

463

00:27:59,400 —> 00:28:00,933

Why are you telling me this?

464

00:28:02,400 —> 00:28:03,266

I don't know.

465

00:28:03,333 —> 00:28:04,166

[buzzing, beeping]

466

00:28:05,500 —> 00:28:07,800

[Ribbit sighs] Hey, Jax.

467

00:28:07,866 —> 00:28:08,833

Can we talk?

468

00:28:09,633 —> 00:28:11,800

[Jax scoffs] What is there for us

to possibly talk about?

469

00:28:11,866 —> 00:28:13,433

I dunno, just—

470

00:28:13,500 —> 00:28:16,066

Whatever I did,

whatever's going on between us,

471

00:28:16,133 —> 00:28:17,766

can we just stop this?

472

00:28:17,833 —> 00:28:19,433

I miss talking to you.

473

00:28:19,500 —> 00:28:21,000

[Jax] We're here. We're talking.

474

00:28:21,066 —> 00:28:22,066

What else do you want from me?

475

00:28:22,133 —> 00:28:24,900

I just want to be friends again!

476

00:28:24,966 —> 00:28:27,033

[Jax] What, so you can pry

into my personal life

477

00:28:27,100 —> 00:28:28,566

and hold it over my head?!

478

00:28:29,333 —> 00:28:30,700

Is that really what you think?

479

00:28:31,233 —> 00:28:32,666

This can't be what you want!

480

00:28:32,733 —> 00:28:34,333

[Jax] What, because you know me so well?!

481

00:28:34,400 —> 00:28:35,933

- Because we're such super,

- [indistinct]

482

00:28:36,000 —> 00:28:37,633

close best friends that we know everything

483

00:28:37,700 —> 00:28:38,566

- about each other?!

- Jax, we were friends!

484

00:28:38,633 —> 00:28:39,766

- We were great friends, and I—

- [Jax scoffs]

485

00:28:39,833 —> 00:28:41,700

- [Jax] Oh my GOD!

- I'm sorry for prying!

486

00:28:41,766 —> 00:28:43,933

- But I don't want this one stupid mistake

- [Jax grunts]

487

00:28:44,000 —> 00:28:45,666

- [Jax] Here we go. Here we go!

- to be the thing that ends all of this—

488

00:28:46,333 —> 00:28:48,500

[Jax] Why are you still

fixated on that night?!

489

00:28:48,566 —> 00:28:49,666

- Nothing happened!

- I—

490

00:28:49,733 —> 00:28:52,066

[Jax] You keep reading into things

when there's nothing there!

491

00:28:52,133 —> 00:28:53,266

I'm not. I—

492

00:28:53,333 —> 00:28:54,333

- [Jax] You're the one using me!

- What are you talking about?!

493

00:28:54,400 —> 00:28:56,233

- Do not even start—

- [Jax] You're manipulating me and turni—

494

00:28:58,200 —> 00:28:59,366

[Ribbit sighs]

495

00:28:59,433 —> 00:29:00,366

I'm sorry.

496

00:29:01,733 —> 00:29:05,266

I'll leave you alone. [sighs]

497

00:29:05,333 —> 00:29:06,200

[buzzing, beeping]

498

00:29:06,266 —> 00:29:09,633

[Jax] Hey, if Ribbit ever

says anything about me,

499

00:29:09,700 —> 00:29:11,233

just know it's not true.

500

00:29:11,900 —> 00:29:13,366

Uh, what?

501

00:29:17,133 —> 00:29:20,166

[Jax] Hey, Ragatha, what was that movie

you were talking about earlier?

502

00:29:20,233 —> 00:29:22,566

Huh? Wait, when I was l...

503

00:29:22,633 —> 00:29:24,800

Oh, you mean yesterday?

504

00:29:24,866 —> 00:29:26,333
[buzzing, beeping]

505
00:29:26,900 —> 00:29:30,100
Hey, Jax, have you seen Ribbit
at all today?

506
00:29:44,200 —> 00:29:48,266
- [Jax panting]
- [eerie buzz]

507
00:29:53,566 —> 00:29:55,466
Hey. I, uh...

508
00:29:56,400 —> 00:29:58,666
Look, we were friends,

509
00:29:58,733 —> 00:30:01,500
but I know you two were...

510
00:30:02,400 —> 00:30:04,500
especially close.

511

00:30:04,566 —> 00:30:05,500

Just...

512

00:30:06,400 —> 00:30:08,133

If you need anyone to talk to—

513

00:30:08,200 —> 00:30:10,233

[Jax] Do I look like

I need someone to talk to?

514

00:30:10,300 —> 00:30:11,300

[buzzing, warbling]

515

00:30:11,366 —> 00:30:13,266

I know it's hard.

516

00:30:13,333 —> 00:30:14,233

Just...

517

00:30:14,933 —> 00:30:17,366

Don't be afraid to reach out to me.

518

00:30:17,433 —> 00:30:19,333

-[buzzing, beeping]

-[sighs]

519

00:30:19,400 —> 00:30:20,666

I...

520

00:30:20,733 —> 00:30:21,866

I promise.

521

00:30:21,933 —> 00:30:22,866

[boink]

522

00:30:22,933 —> 00:30:23,766

Huh?

523

00:30:24,333 —> 00:30:25,333

W-What?

524

00:30:25,400 —> 00:30:26,133

[buzzing, beeping]

525

00:30:26,200 —> 00:30:27,833

[Jax] How about we call her "Gangle"?

526

00:30:27,900 —> 00:30:29,900

[chortles] That sounds about

as pathetic as she looks.

527

00:30:29,966 —> 00:30:31,600

- What?

- Great choice, Gangle!

528

00:30:31,666 —> 00:30:34,000

I'll be sure to add that

right into the system!

529

00:30:36,533 —> 00:30:37,966

[Jax] Out of the way, Rags.

530

00:30:39,800 —> 00:30:42,833

Jax, look, I know we don't get along,

531

00:30:42,900 —> 00:30:44,966

but I think I might have
found a way out of here.

532
00:30:45,600 —> 00:30:47,533
[Jax] Have fun being crazy!

533
00:30:48,533 —> 00:30:51,966
And I should just play along
until I wake up, right?

534
00:30:52,900 —> 00:30:54,133
[Jax] Whatever you say, kid.

535
00:30:54,766 —> 00:30:56,566
[Jax] You'll never know
until it's too late.

536
00:30:56,633 —> 00:30:57,466
[creaking]

537
00:30:58,533 —> 00:31:00,866
[panting]

538

00:31:00,933 —> 00:31:03,000

{\an8}You're not lookin' too good.

539

00:31:03,500 —> 00:31:05,366

{\an8}[panting]

540

00:31:05,433 —> 00:31:06,833

{\an8}You gonna cry?

541

00:31:07,533 —> 00:31:08,600

{\an8}Lookin' like this?

542

00:31:08,666 —> 00:31:09,566

[sentimental music playing]

722

00:47:36,866 —> 00:47:37,766

I...

723

00:47:38,500 —> 00:47:41,433

I understand that you're afraid.

724

00:47:42,466 —> 00:47:46,533

And you have no reason

to trust me after all I've done.

725

00:47:47,200 —> 00:47:49,866

But I've been doing

a lot of thinking, and...

726

00:47:50,700 —> 00:47:51,600

I want...

727

00:47:52,433 —> 00:47:53,733

to give you...

728

00:47:54,300 —> 00:47:56,000

control of this place.

729

00:47:58,866 —> 00:48:01,933

I've learned a lot

about you and your world.

730

00:48:03,866 —> 00:48:05,733

I understand now that...

731

00:48:05,800 —> 00:48:09,566

keeping you under my thumb

just isn't right.

732

00:48:10,900 —> 00:48:12,600

I don't expect forgiveness,

733

00:48:13,133 —> 00:48:15,766

but I hope you'll at least

734

00:48:15,833 —> 00:48:17,366

accept my offer.

735

00:48:19,600 —> 00:48:21,166

[Zooble] Caine...

736

00:48:21,233 —> 00:48:24,866

You really caused a lot of hell for us.

737

00:48:24,933 —> 00:48:29,100

It's gonna take some time to build up

any kind of trust between us again.

738

00:48:31,766 —> 00:48:34,600

But despite all that...

739

00:48:34,666 —> 00:48:36,733

it's good to have you back.

740

00:48:39,800 —> 00:48:43,433

Uh, did you need any help with...

741

00:48:43,500 —> 00:48:46,133

No. Not yet, anyway.

742

00:48:46,933 —> 00:48:48,366

We've worked something out.

743

00:48:48,966 —> 00:48:50,100

Understandable.

744

00:48:51,133 —> 00:48:52,800

Oh, um, I've...

745

00:48:53,433 —> 00:48:54,566

made something for you.

746

00:48:54,633 —> 00:48:58,500

Uh, feel free to join me

by the stage whenever you're ready.

747

00:48:59,266 —> 00:49:03,900

[music brightens]

748

00:49:15,800 —> 00:49:17,033

[sighs]

749

00:49:17,800 —> 00:49:19,133

No more secrets.

750

00:49:19,666 —> 00:49:21,100

No more mind games.

751

00:49:22,333 —> 00:49:24,500

[whirring]

752

00:49:32,633 —> 00:49:35,300

[Pomni] Pomni. Abigail Brooks.

753

00:49:35,833 —> 00:49:37,633

She's still an accountant,

754

00:49:37,700 —> 00:49:39,866

but she seems to have opened up more

755

00:49:39,933 —> 00:49:42,666

and is hanging out

with new friends more often.

756

00:49:43,233 —> 00:49:46,033

{\an8}She even has some of them

in her videos with her,

757

00:49:46,100 —> 00:49:48,266

{\an8}which she still posts on occasion.

758

00:49:51,900 —> 00:49:54,800

Ragatha. Suzie J. Ackerman.

759

00:49:55,966 —> 00:49:58,366

She seems to have left her hometown,

760

00:49:58,433 —> 00:50:00,733

{\an8}cut all communication with her mother,

761

00:50:00,800 —> 00:50:02,833

and has excelled in her career.

762

00:50:03,333 —> 00:50:05,233

She's made many friends,

763

00:50:05,300 —> 00:50:09,466

and it looks like she has a strong,

genuine connection with them.

764

00:50:09,533 —> 00:50:11,100

She seems happy,

765

00:50:11,166 —> 00:50:13,800

like she understands who she is,

766

00:50:13,866 —> 00:50:16,233

and that she matters to people.

767

00:50:16,800 —> 00:50:19,066

Gangle. Zoey Raghavan.

768

00:50:20,533 —> 00:50:21,933

Despite her injuries,

769

00:50:22,000 —> 00:50:24,666

she's made a good recovery

in the hospital.

770

00:50:25,233 —> 00:50:26,966

She quit her fast food job

771

00:50:27,033 —> 00:50:30,300

and has gotten a new job

at a small design firm.

772

00:50:30,366 —> 00:50:33,866

She even began posting pages

of her webcomic online.

773

00:50:35,500 —> 00:50:38,600

Zooble. Riley Verselis.

774

00:50:38,666 —> 00:50:41,166

After hopping around with different jobs,

775

00:50:41,233 —> 00:50:43,100

they look like they've settled a bit

776

00:50:43,166 —> 00:50:44,900

{\an8}and opened their own bar.

777

00:50:44,966 —> 00:50:47,066

{\an8}It seems to be a successful one.

778

00:50:47,133 —> 00:50:49,066

People all over the city come to it

779

00:50:49,133 —> 00:50:51,933

as a hip alternative destination

780

00:50:52,000 —> 00:50:55,566

where they can feel like themselves,

free of judgment.

781

00:50:55,633 —> 00:50:58,400

Kinger. Grant Best.

782

00:50:58,466 —> 00:51:00,200

He's still working in tech

783

00:51:00,266 —> 00:51:03,533
and is still happily married
to his wife, Destiny.

784
00:51:04,066 —> 00:51:06,500
They appear to have
two daughters together.

785
00:51:06,566 —> 00:51:08,400
He looks like he's a good dad.

786
00:51:14,533 —> 00:51:18,600
[invigorating music playing]

787
00:51:33,100 —> 00:51:35,766
[Pomni] Jax. Leeroy Mateo.

788
00:51:35,833 —> 00:51:38,400
After being unhoused for a few months,

789
00:51:38,466 —> 00:51:40,900
{\an8}he was able to room
with one of his close friends.

790

00:51:41,633 —> 00:51:45,700

He seems to have gotten a stable job

and is able to pay rent.

791

00:51:50,566 —> 00:51:53,300

He and his friends go out

every now and again.

792

00:51:53,366 —> 00:51:57,633

And weirdly enough, a spot they seem

to frequent is Riley's bar.

793

00:52:04,800 —> 00:52:07,200

[Zooble] Is any of this actually real?

794

00:52:07,266 —> 00:52:09,666

You definitely have it in you.

795

00:52:10,200 —> 00:52:11,700

Not sure about mine, though.

796

00:52:11,766 —> 00:52:15,933
[Zooble sighs] Well, maybe you've got
more confidence than you thought.

797
00:52:16,000 —> 00:52:19,400
[uplifting music playing]

798
00:52:22,300 —> 00:52:25,633
I don't quite have
the same power that I used to,

799
00:52:25,700 —> 00:52:30,033
but I can still make this place
better for you.

800
00:52:30,100 —> 00:52:32,133
I'm keeping the worlds open,

801
00:52:32,200 —> 00:52:36,266
so you can do what you want
when you feel like it.

802
00:52:37,533 —> 00:52:40,400

We're gonna be able to build this place

into something better.

803

00:52:40,466 —> 00:52:41,600

For all of you.

804

00:52:43,200 —> 00:52:44,333

What do you say, Pom—

805

00:52:44,400 —> 00:52:46,366

Uh, I mean...

806

00:52:47,166 —> 00:52:48,100

Abigail?

807

00:52:49,866 —> 00:52:52,266

With all that being said and done...

808

00:52:52,966 —> 00:52:55,633

Abby is out there,

809

00:52:55,700 —> 00:52:57,466

living her best life.

810

00:52:58,400 —> 00:52:59,433

In here...

811

00:53:03,233 —> 00:53:04,533

[sighs] I'm just Pomni.

812

00:53:05,866 —> 00:53:10,566

{\an8}[sentimental music playing]

813

00:53:10,633 —> 00:53:11,466

[inaudible]

814

00:54:30,933 —> 00:54:34,700

[invigorating music playing]

815

00:54:34,766 —> 00:54:35,600

[inaudible]

816

00:55:16,300 —> 00:55:20,100

[gentle music playing]

817

00:55:33,766 —> 00:55:37,200

[bright music playing]
