Oh, I'm glad you like it.

170
00:08:19,036 —> 00:08:20,419
Raj picked it out.

171

00:08:20,421 —> 00:08:24,456

Well, when you see him,

tell him I say thank you.

172

00:08:24,458 —> 00:08:26,174

Tell him yourself.

173

00:08:26,176 —> 00:08:28,009

Yoo-hoo!

174

00:08:28,011 —> 00:08:29,678

Over here!

175

00:08:31,431 —> 00:08:34,066

I don't understand.

What's he doing here?

176

00:08:34,068 —> 00:08:35,133

I invited him.

177

00:08:35,135 —> 00:08:37,302

On our date?

178

00:08:37,304 —> 00:08:39,137

Sheldon, that's not okay.

179

00:08:39,139 —> 00:08:40,689

Yes, it is.

180

00:08:40,691 —> 00:08:43,825

There's a loophole

in the Relationship Agreement.

181

00:08:43,827 —> 00:08:45,594

You found a loophole?

182

00:08:47,780 —> 00:08:50,682

Sorry I started without you.

I'm a little nervous.

183

00:08:50,684 —> 00:08:53,452

It's been a long time

since I've been on a date.

184

00:08:53,454 —> 00:08:57,906
I can't believe I bleached
my mustache for this.

185
00:08:57,908 —> 00:08:59,157
You should go
to my girl.

186
00:08:59,159 —> 00:09:01,293
She'll knock out
those sideburns for free.

187
00:09:11,375 —> 00:09:13,441
You know, Amy,
I don't even think

188
00:09:13,443 —> 00:09:15,710
you and I have had
a real conversation.

189
00:09:15,712 —> 00:09:18,830
Let's use tonight to get to know
each other a little better.

190

00:09:18,832 —> 00:09:20,532

You start.

191

00:09:23,402 —> 00:09:25,320

Go home.

192

00:09:25,322 —> 00:09:27,505

I don't understand.

193

00:09:27,507 —> 00:09:30,375

Sheldon, how could you do this?

It's our second anniversary.

194

00:09:30,377 —> 00:09:32,110

It's your anniversary?!

195

00:09:32,112 —> 00:09:35,113

Oh, my God, I had no idea.

196

00:09:35,115 —> 00:09:37,632

Amy, please,

let me make this right.

197

00:09:37,634 —> 00:09:38,783

Thank you.

198

00:09:38,785 —> 00:09:40,118

My pleasure.

Waiter?

199

00:09:40,120 —> 00:09:42,721

A bottle of champagne

and three glasses.

200

00:09:43,589 —> 00:09:44,789

Oh, boy,

201

00:09:44,791 —> 00:09:47,258

isn't this romantic?

202

00:09:47,260 —> 00:09:49,461

Oh, I hope that's

a rhetorical question,

203

00:09:49,463 —> 00:09:51,629
because I have no clue.

204
00:09:53,649 —> 00:09:55,934
This is great.
What's the occasion?

205
00:09:55,936 —> 00:09:57,769
No occasion. You know,
things have been

206
00:09:57,771 —> 00:10:00,605
a little weird between us,
so I wanted to throw together

207
00:10:00,607 —> 00:10:01,940
a fun night
just for you.

208
00:10:01,942 —> 00:10:04,192
That is so sweet.
I got all your favorites.

209

00:10:04,194 —> 00:10:05,360
Beer, wings, sliders.

210
00:10:05,362 —> 00:10:06,995
We can watch the
football game.

211
00:10:06,997 —> 00:10:09,197
I even painted my stomach.

212
00:10:10,833 —> 00:10:12,984
"Go sports"?
Well...

213
00:10:12,986 —> 00:10:15,003
in case you were in
the mood for baseball,

214
00:10:15,005 —> 00:10:17,922
I didn't want to
look ridiculous.

215
00:10:17,924 —> 00:10:19,323

This is awesome.

I love it!

216

00:10:19,325 —> 00:10:20,324

Good, I'm glad.

217

00:10:20,326 —> 00:10:21,910

Gosh, I worked

my ass off today.

218

00:10:21,912 —> 00:10:23,344

This is exactly

what I needed.

219

00:10:23,346 —> 00:10:25,096

Great. Just relax and enjoy.

220

00:10:25,098 —> 00:10:26,581

Tonight is all about you.

221

00:10:26,583 —> 00:10:28,216

Ah, thank you!

222

00:10:28,218 —> 00:10:30,819

(chuckles, sighs)

223

00:10:30,821 —> 00:10:34,606

So, where exactly are we

in this relationship?

224

00:10:35,441 —> 00:10:36,641

Oh, come on!

225

00:10:36,643 —> 00:10:38,810

I just told you

I had a hard day.

226

00:10:38,812 —> 00:10:40,562

You're right, I'm sorry.

Let's watch the game.

227

00:10:40,564 —> 00:10:41,913

Great.

228

00:10:41,915 —> 00:10:43,248

(sighs)

229
00:10:43,250 —> 00:10:46,117
I just know the longer
we wait to talk about it,

230
00:10:46,119 —> 00:10:48,186
the weirder it gets.

231
00:10:48,188 —> 00:10:51,873
Sweetie, can I just be
the girl tonight?

232
00:10:51,875 —> 00:10:53,875
Absolutely.
You're the girl, I'm the guy.

233
00:10:53,877 —> 00:10:55,393
Now, you watch
your football game

234
00:10:55,395 —> 00:10:57,395
while I make you a

little plate here.

235

00:10:57,397 —> 00:10:59,230

Thank you!

236

00:11:00,232 —> 00:11:01,466

(knocking)

237

00:11:01,468 —> 00:11:02,634

Oh, I'll get it.

238

00:11:02,636 —> 00:11:04,886

Go sports!

(chuckles)

239

00:11:06,422 —> 00:11:08,840

Hello-lo-lo.

240

00:11:08,842 —> 00:11:09,974

What are you doing here?

241

00:11:09,976 —> 00:11:11,760

I thought you were out
th Sheldon and Amy.

242
00:11:11,762 —> 00:11:12,894
I was, but it's
their anniversary

243
00:11:12,896 —> 00:11:14,779
and I didn't want
to be a third wheel,

244
00:11:14,781 —> 00:11:16,064
so I figured I'd come over here

245
00:11:16,066 —> 00:11:18,382
and hang out with you
and Penny on your date.

246
00:11:18,384 —> 00:11:20,769
Well, it's not really
a great time.

247
00:11:20,771 —> 00:11:22,654

Penny and I have some things
we need to talk about.

248
00:11:22,656 —> 00:11:24,439
No, we don't!
Come on in!

249
00:11:24,441 —> 00:11:26,224
Sweet!

250
00:11:26,226 —> 00:11:30,612
(quietly): I can't believe
I shaved my stomach for this.

251
00:11:36,051 —> 00:11:38,336
Hey, Froot Loops.

252
00:11:41,423 —> 00:11:43,458
You got a phone call.

253
00:11:43,460 —> 00:11:44,609
Who is it?

254

00:11:44,611 —> 00:11:46,594

A woman who says

she's your mother

255

00:11:46,596 —> 00:11:49,013

but sounds like

your father.

256

00:11:52,685 —> 00:11:54,752

Hey, Ma.

257

00:11:54,754 —> 00:11:56,855

You know, we could

see each other

258

00:11:56,857 —> 00:11:58,773

if you turn on the computer.

259

00:11:58,775 —> 00:12:01,109

I'm not going near

that fakakta thing.

260

00:12:01,111 —> 00:12:04,028
I'll catch a computer virus!

261
00:12:04,864 —> 00:12:08,116
You can't catch
a computer virus.

262
00:12:08,118 —> 00:12:12,954
Oh, so now you're an astronaut
and a doctor?

263
00:12:12,956 —> 00:12:16,241
(voice cracks):
What do you want, Ma?

264
00:12:16,243 —> 00:12:20,044
Your wife says you have
something important to tell me.

265
00:12:20,830 —> 00:12:23,882
Okay, here it is.

266
00:12:23,884 —> 00:12:28,336

Bernadette and I are starting

a life together and...

267

00:12:28,338 —> 00:12:31,289

Oh, God!

You are gonna leave me!

268

00:12:31,291 —> 00:12:32,456

Ma...

269

00:12:32,458 —> 00:12:33,791

It's okay.

270

00:12:33,793 —> 00:12:36,261

Your father left me,

you left me—

271

00:12:36,263 —> 00:12:39,814

I guess I'm just the kind

of person people like to leave.

272

00:12:41,433 —> 00:12:44,235

It's not... definite.

273

00:12:44,237 —> 00:12:46,404

I'll talk to Bernadette.

274

00:12:46,406 —> 00:12:47,572

Don't bother.

275

00:12:47,574 —> 00:12:49,858

I'll just go sit in a hole

in the ground

276

00:12:49,860 —> 00:12:52,643

so I'm no trouble when I die.

277

00:12:53,529 —> 00:12:55,246

Stop it, Ma.

278

00:12:55,248 —> 00:12:58,983

I'm sure I can get

Bernie to come around.

279

00:12:58,985 —> 00:13:00,652

I knew it!

280
00:13:00,654 —> 00:13:02,287
I knew she was behind this!

281
00:13:02,289 —> 00:13:04,923
You listen to me,
if you want to be a man,

282
00:13:04,925 —> 00:13:08,710
you can't let a woman
tell you what to do!

283
00:13:08,712 —> 00:13:09,878
Okay,

284
00:13:09,880 —> 00:13:11,763
okay.
(sighs)

285
00:13:11,765 —> 00:13:15,166
I can't believe these people
won the Cold War.

286

00:13:17,169 —> 00:13:20,471

Now, can we please

change the subject?

287

00:13:20,473 —> 00:13:21,606

Fine.

288

00:13:21,608 —> 00:13:23,741

Explain why

you've been gone so long

289

00:13:23,743 —> 00:13:25,810

and I haven't gotten

a single letter.

290

00:13:25,812 —> 00:13:29,280

Not even a lousy postcard!

291

00:13:30,432 —> 00:13:33,184

(TV sports announcer talking)

292

00:13:33,186 —> 00:13:37,021
You know, I'm growing to like
American football.

293
00:13:37,023 —> 00:13:39,057
Yeah, it's fun, isn't it?
Well...

294
00:13:39,059 —> 00:13:41,910
it's not the balls-to-the-wall
action of badminton or cricket,

295
00:13:41,912 —> 00:13:44,028
but hey...

296
00:13:44,030 —> 00:13:46,264
what is?

297
00:13:47,399 —> 00:13:48,866
All right, who's ready
for another beer?

298
00:13:48,868 —> 00:13:50,435

I'm good.

No, thank you.

299

00:13:50,437 —> 00:13:51,970

Girls.

300

00:13:52,805 —> 00:13:55,573

(sighs): I am having

the nicest time.

301

00:13:55,575 —> 00:13:57,709

You guys are like

family to me.

302

00:13:57,711 —> 00:13:58,910

You know that, right?

303

00:13:58,912 —> 00:14:00,895

That's great.

Get out.

304

00:14:00,897 —> 00:14:02,430

What? Why?

305

00:14:02,432 —> 00:14:04,682

Penny and I have some issues

we need to talk about.

306

00:14:04,684 —> 00:14:05,650

Oh...

307

00:14:05,652 —> 00:14:07,902

pish on your issues!

308

00:14:08,771 —> 00:14:10,838

You guys are fine.

309

00:14:10,840 —> 00:14:12,890

Yes, you hit some bumps

along the way.

310

00:14:12,892 —> 00:14:14,158

I mean, Penny,

311

00:14:14,160 —> 00:14:17,095

you've always known how this man
has felt about you,

312
00:14:17,097 —> 00:14:19,614
but you made him
grovel for affection.

313
00:14:19,616 —> 00:14:20,748
Okay, hold on...

314
00:14:20,750 —> 00:14:21,950
Now, don't blame yourself.

315
00:14:21,952 —> 00:14:24,252
He was a groveler from way back.

316
00:14:25,671 —> 00:14:29,641
But the point is,
the two of you got past it.

317
00:14:29,643 —> 00:14:31,442
And, Leonard,
you go and propose

318

00:14:31,444 —> 00:14:33,628

to this poor girl

in the middle of sex?

319

00:14:33,630 —> 00:14:36,464

That was some weak tea, dude.

320

00:14:37,299 —> 00:14:39,183

Some people might

say it was romantic.

321

00:14:39,185 —> 00:14:40,918

Yeah, no.

322

00:14:40,920 —> 00:14:45,256

But yet, here you two are,

still together.

323

00:14:45,258 —> 00:14:48,426

And that's even after you and I

had our crazy naked night.

324

00:14:48,428 —> 00:14:49,677

Okay...

That's enough.

325

00:14:49,679 —> 00:14:51,212

I'm just saying

326

00:14:51,214 —> 00:14:52,930

that after everything

you've been through,

327

00:14:52,932 —> 00:14:55,066

you get to look

into each other's eyes

328

00:14:55,068 —> 00:14:57,735

and say "I love you."

329

00:14:57,737 —> 00:14:59,754

And that's beautiful.

330

00:15:02,574 —> 00:15:05,793

Actually, to this day,

she's never really said it.

331

00:15:06,729 —> 00:15:09,263

Oh, Penny!

That's ridiculous!

332

00:15:10,299 —> 00:15:11,265

You know you love him!

333

00:15:11,267 —> 00:15:12,800

You look him in the eyes

and you say it.

334

00:15:12,802 —> 00:15:13,801

Raj...

Oh, come on,

335

00:15:13,803 —> 00:15:15,887

you know you want to say it.

Say it.

336

00:15:16,555 —> 00:15:18,823

Say you love him.

337

00:15:20,676 —> 00:15:23,127

Say it!

338

00:15:26,815 —> 00:15:29,367

I really thought

she would say it.

339

00:15:36,492 —> 00:15:41,295

Have I ever told you you're

like a sexy praying mantis?

340

00:15:42,147 —> 00:15:45,416

Every time you drink alcohol.

341

00:15:45,418 —> 00:15:48,486

You know what's wonderful

about the praying mantis?

342

00:15:49,288 —> 00:15:52,173

They devour their mate.

(mock laughing)

76

00:03:14,019 —> 00:03:15,452

Funny.

77

00:03:15,454 —> 00:03:16,486

We're always

78

00:03:16,488 —> 00:03:18,788

giving each other

a hard time up here.

79

00:03:18,790 —> 00:03:20,456

It's kind of like

being in a frat.

80

00:03:20,458 —> 00:03:25,194

You know, joking, kidding

around, hurting feelings.

81

00:03:25,196 —> 00:03:26,262

Okay, my turn.

82

00:03:26,264 —> 00:03:27,896

Let me talk to him.

Go ahead.

83

00:03:27,898 —> 00:03:29,798

2311 North Los Robles Avenue,

84

00:03:29,800 —> 00:03:33,235

Pasadena, California

to International Space Station.

85

00:03:33,237 —> 00:03:34,904

Can you read me? Over.

(imitates walkie-talkie static)

86

00:03:36,540 —> 00:03:39,208

Yes, I read you, Sheldon.

87

00:03:39,210 —> 00:03:40,576

Copy that. Over.

(imitates walkie-talkie static)

88

00:03:40,578 —> 00:03:42,612

What are you doing?

89

00:03:42,614 —> 00:03:44,780

I am talking to a man in space.

90

00:03:44,782 —> 00:03:46,282

If you don't have the

(walkie-talkie static)

91

00:03:46,284 —> 00:03:48,684

then he might as well be at the

Coffee Bean over on Lake Street.

92

00:03:49,953 —> 00:03:52,120

You're out of your mind,

Sheldon.

93

00:03:52,122 —> 00:03:54,790

That's a negative.

My mother had me tested. Over.

94

00:03:54,792 —> 00:03:56,458

(imitates walkie-talkie static)

95

00:03:56,460 —> 00:03:57,926

Come on, scrub it up, Loops.

96

00:03:57,928 —> 00:04:00,695

All right, all right.

97

00:04:00,697 —> 00:04:01,996

I gotta go.

98

00:04:01,998 —> 00:04:04,565

There's a meteor shower.

99

00:04:04,567 —> 00:04:06,267

You want to see a meteor shower?

100

00:04:06,269 —> 00:04:09,303

Take a look at what Dimitri

just left you in the toilet.

101

00:04:13,642 —> 00:04:15,410

Bye.

102

00:04:15,412 —> 00:04:17,745

Over and out.

(imitates walkie-talkie static)

103

00:04:17,747 —> 00:04:19,480

Bye, buddy!

104

00:04:19,482 —> 00:04:20,715

(knocking)

105

00:04:20,717 —> 00:04:21,783

Hello.

106

00:04:21,785 —> 00:04:23,151

Hey, Stuart, come on in.

107

00:04:23,153 —> 00:04:24,352

What are you doing here?

108

00:04:24,354 —> 00:04:27,722

Um, Raj invited me to go

to the movies with you guys.

109

00:04:27,724 —> 00:04:29,925

Excuse me.

110

00:04:30,960 —> 00:04:32,962

I didn't authorize this.

111

00:04:34,164 —> 00:04:36,099

Sheldon, you are not in charge.

112

00:04:36,101 —> 00:04:37,701

That's mighty sassy for a man

113

00:04:37,703 —> 00:04:39,970

with a roommate performance

review around the corner.

114

00:04:41,306 —> 00:04:42,539

What's the big deal?

115

00:04:42,541 —> 00:04:44,141

You guys are bringing

your girlfriends.

116

00:04:44,143 —> 00:04:45,375

I didn't want to sit by myself.

117

00:04:45,377 —> 00:04:47,845

The big deal is

I was expecting us

118

00:04:47,847 —> 00:04:49,747

to be an intimate group of five.

119

00:04:49,749 —> 00:04:50,914

Now, we're going to be a...

120

00:04:50,916 —> 00:04:53,117

faceless mass of six.

121

00:04:54,686 —> 00:04:57,087

It'll be fine.

Just, uh, pretend he's Wolowitz.

122

00:04:57,789 —> 00:04:59,023
Hmm.

123
00:05:01,460 —> 00:05:03,795
Do you like Raisinets?

124
00:05:03,797 —> 00:05:05,263
I can take them or leave them.

125
00:05:05,265 —> 00:05:07,498
At the movies, Wolowitz
always eats Raisinets.

126
00:05:07,500 —> 00:05:10,235
Would you feel more comfortable
if I ate Raisinets?

127
00:05:10,237 —> 00:05:13,472
Well, it's hardly my business
what you eat,

128
00:05:13,474 —> 00:05:14,974
as long as it doesn't crunch

during the film

129
00:05:14,976 —> 00:05:16,342
and it's Raisinets.

130
00:05:17,978 —> 00:05:19,245
Okay.

131
00:05:19,247 —> 00:05:20,212
Should we go?

132
00:05:20,214 —> 00:05:21,547
Yeah, but, one more question.

133
00:05:21,549 —> 00:05:22,582
If you're going
to replace Wolowitz,

134
00:05:22,584 —> 00:05:23,616
I need to know
a little more about you.

135

00:05:23,618 —> 00:05:24,617
All right.

136
00:05:24,619 —> 00:05:26,519
Wolowitz went to MIT.

137
00:05:26,521 —> 00:05:28,187
What's your educational
background?

138
00:05:28,189 —> 00:05:29,855
I went to art school.

139
00:05:29,857 —> 00:05:31,290
Equally ridiculous. Let's go.

140
00:05:53,482 —> 00:05:57,619
This insistence on hand-holding
is preposterous.

141
00:05:57,621 —> 00:05:58,754
Well, I like it.

142

00:05:58,756 —> 00:05:59,755

Yeah, of course you do.

143

00:05:59,757 —> 00:06:01,424

You're a girl.

144

00:06:01,426 —> 00:06:04,594

You like all kinds

of hippy-dippy things.

145

00:06:04,596 —> 00:06:07,264

Just watch the movie.

146

00:06:08,533 —> 00:06:10,767

It's not fair.

147

00:06:10,769 —> 00:06:13,637

Penny isn't making Leonard

hold hands.

148

00:06:13,639 —> 00:06:16,873

There might

be a reason for that.

149

00:06:16,875 —> 00:06:20,177

Sweaty?

150

00:06:20,179 —> 00:06:21,545

Unhygienic?

151

00:06:21,547 —> 00:06:22,880

Looks dumb?

152

00:06:22,882 —> 00:06:24,381

Take your pick.

153

00:06:24,383 —> 00:06:26,817

Penny said she's not sure

154

00:06:26,819 —> 00:06:28,718

she wants to be Leonard's

girlfriend anymore.

155

00:06:31,722 —> 00:06:36,491

Wrong. She just took a sip
from his Diet Dr. Pepper.

156
00:06:36,493 —> 00:06:37,693
So?

157
00:06:37,695 —> 00:06:40,896
So, if she wants to end
her pair-bond with Leonard,

158
00:06:40,898 —> 00:06:42,831
why on earth would she guzzle
a witches' brew

159
00:06:42,833 —> 00:06:45,234
of his soda and spit?

160
00:06:45,236 —> 00:06:48,070
It's complicated.

161
00:06:48,072 —> 00:06:51,506
String theory is complicated.

162

00:06:51,508 —> 00:06:53,275

That's just yucky.

163

00:06:56,213 —> 00:06:58,481

Don't get any ideas.

164

00:07:02,119 —> 00:07:04,754

All right, for the sake of

argument, let's say that's true.

165

00:07:04,756 —> 00:07:06,889

Why doesn't Penny

just end the relationship?

166

00:07:06,891 —> 00:07:08,692

She's not sure how she feels.

167

00:07:08,694 —> 00:07:12,062

How can she not be sure

how she feels?

168

00:07:12,064 —> 00:07:15,332

You know, when I have
a feeling, I know it.

169
00:07:15,334 —> 00:07:18,368
Trains? Love them.

170
00:07:18,370 —> 00:07:20,571
Swordfish?
I love them, too.

171
00:07:20,573 —> 00:07:24,241
They're fish with a sword
for a nose.

172
00:07:26,945 —> 00:07:29,280
Regardless, don't say anything
to Leonard.

173
00:07:29,282 —> 00:07:32,316
Now you're asking me
to keep a secret

174
00:07:32,318 —> 00:07:34,518

from my best friend,

colleague, and roommate?

175

00:07:34,520 —> 00:07:36,587

Yes, please, Penny will kill me.

176

00:07:36,589 —> 00:07:39,556

(sighs)

Fine.

177

00:07:39,558 —> 00:07:41,158

FYI: secret-keeping?

178

00:07:41,160 —> 00:07:43,661

Hate it.

179

00:07:43,663 —> 00:07:47,064

Hand-holding?

Not a fan.

180

00:07:47,066 —> 00:07:50,334

Hammerhead shark?

I love that thing.

181

00:07:50,336 —> 00:07:53,471

Yeah, it's another fish

with a tool on its head.

182

00:07:54,640 —> 00:07:55,873

Raisinet?

183

00:07:55,875 —> 00:07:58,676

Shh, we're trying

to watch the movie.

184

00:08:00,746 —> 00:08:04,983

This is not working out

with him.

185

00:08:06,152 —> 00:08:08,987

(slurping)

186

00:08:08,989 —> 00:08:12,791

(clicking tongue)

187

00:08:18,397 —> 00:08:19,698
What are you doing?

188
00:08:19,700 —> 00:08:21,500
I think I might
have tartar buildup.

189
00:08:24,437 —> 00:08:28,373
My tongue won't go as far
forward as it used to.

190
00:08:28,375 —> 00:08:31,409
Maybe your tongue is shrinking.

191
00:08:38,016 —> 00:08:39,249
Nope.

192
00:08:44,522 —> 00:08:46,957
Oh, you have no idea
how annoying this is.

193
00:08:46,959 —> 00:08:50,861
I'm starting

to get a sense of it.

194

00:08:52,097 —> 00:08:54,999

Don't worry. I'll take you

to the dentist tomorrow.

195

00:08:55,001 —> 00:08:56,867

Thank you.

196

00:08:56,869 —> 00:08:59,002

I appreciate that.

197

00:08:59,004 —> 00:09:00,704

You're good people, Leonard.

198

00:09:09,380 —> 00:09:10,780

There's something

I need to tell you.

199

00:09:10,782 —> 00:09:12,248

Okay.

200

00:09:14,317 —> 00:09:16,118
I can't tell you.

201
00:09:16,120 —> 00:09:18,388
Why?

202
00:09:18,390 —> 00:09:21,858
I can't tell you
why I can't tell you.

203
00:09:22,893 —> 00:09:26,496
So I guess there's two things
I can't tell you.

204
00:09:26,498 —> 00:09:28,899
I wish there were more.

205
00:09:28,901 —> 00:09:32,668
Good night.

206
00:09:33,237 —> 00:09:35,671
(sighs)

207

00:09:38,141 —> 00:09:39,175

I'm sorry.

208

00:09:39,177 —> 00:09:40,643

This is really important.

209

00:09:40,645 —> 00:09:42,211

What is it?

210

00:09:42,213 —> 00:09:43,813

(sighs)

211

00:09:43,815 —> 00:09:46,782

I like The Transformers.

212

00:09:48,251 —> 00:09:51,587

Do you like The Transformers?

213

00:09:51,589 —> 00:09:55,291

Where exactly did your mother

have you tested?

214

00:09:55,293 —> 00:09:57,726

Leonard,

215

00:09:57,728 —> 00:09:59,561

The Transformers teach us

216

00:09:59,563 —> 00:10:02,965

that things are not always

what they appear to be.

217

00:10:02,967 —> 00:10:04,433

You know, like, uh,

218

00:10:04,435 —> 00:10:08,269

a semi truck might

be an alien robot,

219

00:10:08,271 —> 00:10:13,142

or, uh, someone in a romantic

relationship, uh, might feel

220

00:10:13,144 —> 00:10:14,910

differently than they appear to.

221
00:10:14,912 —> 00:10:17,546
Or a conversation

222
00:10:17,548 —> 00:10:20,316
about The Transformers
might actually be

223
00:10:20,318 —> 00:10:22,719
about someone in this room.

224
00:10:28,326 —> 00:10:31,595
I'm going to pause
to let that sink in.

225
00:10:33,432 —> 00:10:34,465
Okay, I think I understand.

226
00:10:34,467 —> 00:10:35,700
You do?

227

00:10:35,702 —> 00:10:40,505
The guy who seems like
an emotionless robot is you...

228
00:10:42,308 —> 00:10:46,944
but your relationship with Amy
is causing you to transform

229
00:10:46,946 —> 00:10:51,315
into a red-blooded man
with sexual desires.

230
00:10:54,419 —> 00:10:58,589
That is literally the stupidest
thing I've ever heard.

231
00:11:07,465 —> 00:11:09,698
(sighs)

232
00:11:09,700 —> 00:11:10,999
Leonard?

233
00:11:11,001 —> 00:11:12,334

Leonard.

234
00:11:12,336 —> 00:11:14,102
Leonard?

235
00:11:14,104 —> 00:11:15,569
LEONARD:
What?

236
00:11:15,571 —> 00:11:17,705
Are you sleeping?

237
00:11:17,707 —> 00:11:19,840
I was. Now I'm having
a nightmare.

238
00:11:22,410 —> 00:11:23,610
What do you want?

239
00:11:26,079 —> 00:11:28,615
Never mind.
I still can't tell you.

240

00:11:31,085 —> 00:11:32,518

SHELDON (knocking):

Penny?

241

00:11:32,520 —> 00:11:34,787

Mmm.

242

00:11:40,160 —> 00:11:41,193

Penny.

243

00:11:41,195 —> 00:11:44,296

Mm-hmm, mmm.

244

00:11:44,298 —> 00:11:45,664

Penny.

(screams)

245

00:11:45,666 —> 00:11:46,865

(screams)

246

00:11:49,569 —> 00:11:50,736

Oh, my God.

247

00:11:50,738 —> 00:11:51,570

Sheldon?

248

00:11:51,572 —> 00:11:53,972

You frightened me.

249

00:11:57,343 —> 00:11:59,645

What are you doing

in my bedroom?

250

00:11:59,647 —> 00:12:01,146

Yeah, well, I knocked

on the front door,

251

00:12:01,148 —> 00:12:02,113

but you didn't hear it.

252

00:12:02,115 —> 00:12:04,149

How did you even get in,

you weirdo?

253

00:12:04,151 —> 00:12:05,784
Yeah, really?

254
00:12:05,786 —> 00:12:08,219
I've seen strange men traipsing
in and out of here for years,

255
00:12:08,221 —> 00:12:10,388
but when I do it, it's weird?

256
00:12:11,690 —> 00:12:12,823
What do you want, Sheldon?

257
00:12:12,825 —> 00:12:15,426
Oh, I was having a
little trouble sleeping

258
00:12:15,428 —> 00:12:16,560
and I just thought,

259
00:12:16,562 —> 00:12:19,764
uh, seeing as you're up,
we could talk.

260

00:12:20,966 —> 00:12:22,033

Talk about what?

261

00:12:22,035 —> 00:12:23,267

Oh, I don't know.

262

00:12:23,269 —> 00:12:27,371

Uh, weather, uh, fish

you could do carpentry with.

263

00:12:28,440 —> 00:12:30,108

Why Leonard is such

an attractive

264

00:12:30,110 —> 00:12:31,643

and desirable boyfriend.

265

00:12:31,645 —> 00:12:33,779

Yeah, pick one— your choice.

266

00:12:33,781 —> 00:12:35,414

Sheldon.

267
00:12:35,416 —> 00:12:37,917
Did you know that Leonard
has a perfect driving record

268
00:12:37,919 —> 00:12:40,419
and enjoys
the insurance discounts

269
00:12:40,421 —> 00:12:41,520
that go along with that?

270
00:12:41,522 —> 00:12:43,989
Hubba-hubba.

271
00:12:43,991 —> 00:12:47,192
Okay, go home, crazy man.

272
00:12:47,194 —> 00:12:49,428
Yeah. Did you know that

273

00:12:49,430 —> 00:12:52,264
while Leonard is not considered
a tall fellow in our country,

274
00:12:52,266 —> 00:12:55,134
in today's North Korea,
he's downright average.

275
00:12:56,336 —> 00:12:58,470
Talk about a keeper.

276
00:13:00,006 —> 00:13:01,373
Okay, what did Amy tell you?

277
00:13:01,375 —> 00:13:02,908
Oh, very well.

278
00:13:02,910 —> 00:13:04,977
I can't keep up
this clever charade any longer.

279
00:13:04,979 —> 00:13:07,579
She told me

280

00:13:07,581 —> 00:13:09,614

that you were thinking

of ending it with Leonard.

281

00:13:09,616 —> 00:13:12,383

Okay, you listen to me.

282

00:13:12,385 —> 00:13:14,953

I think it's really sweet you're

trying to protect your friend,

283

00:13:14,955 —> 00:13:16,487

but this is none

of your business. Got it?

284

00:13:16,489 —> 00:13:20,524

Excuse me. This is not

about protecting my friend.

285

00:13:21,393 —> 00:13:23,561

(sighs)

286

00:13:25,163 —> 00:13:28,333

I'm a big fan of homeostasis.

287

00:13:28,335 —> 00:13:29,434

Do you know what that is?

288

00:13:29,436 —> 00:13:31,970

Of course not.

Yeah.

289

00:13:31,972 —> 00:13:36,008

Homeostasis refers

to a system's ability

290

00:13:36,010 —> 00:13:37,876

to regulate

its internal environment

291

00:13:37,878 —> 00:13:40,746

and maintain a constant

condition of properties

292

00:13:40,748 —> 00:13:42,948
like temperature or pH.

293
00:13:42,950 —> 00:13:46,385
Worst bedtime story ever.

294
00:13:46,387 —> 00:13:49,989
My point is

295
00:13:49,991 —> 00:13:51,824
I don't like when things change.

296
00:13:51,826 —> 00:13:53,792
So, regardless of your feelings,

297
00:13:53,794 —> 00:13:56,161
I would like you
to continue dating Leonard.

298
00:13:57,197 —> 00:13:58,664
And also,

299

00:13:58,666 —> 00:14:01,534
while we're on the subject, you
recently changed your shampoo.

300
00:14:01,536 —> 00:14:04,003
I'm not comfortable
with the new scent.

301
00:14:05,238 —> 00:14:07,539
Please stop this madness
and go back to green apple.

302
00:14:09,543 —> 00:14:11,777
Okay, honey, I have
a lot to figure out,

303
00:14:11,779 —> 00:14:15,281
and until I do, you are not
to say a word to Leonard.

304
00:14:15,283 —> 00:14:16,516
Do you understand?

305

00:14:16,518 —> 00:14:17,885

I do.

306

00:14:17,887 —> 00:14:19,619

You clear

on the shampoo issue?

307

00:14:19,621 —> 00:14:21,054

Get out.

308

00:14:23,424 —> 00:14:25,792

(sighs)

309

00:14:25,794 —> 00:14:26,826

Penny?

310

00:14:26,828 —> 00:14:27,927

What?

311

00:14:27,929 —> 00:14:30,897

Please don't hurt my friend.

312

00:14:32,266 —> 00:14:34,267
That is the last thing
I want to do.

313
00:14:34,269 —> 00:14:35,235
Thank you.

314
00:14:36,637 —> 00:14:38,104
(sniffing)

315
00:14:38,106 —> 00:14:39,372
Coconut? What were you thinking?

316
00:14:39,374 —> 00:14:40,407
Are you a hula girl?

317
00:14:40,409 —> 00:14:42,643
Get out!

318
00:14:43,811 —> 00:14:46,246
(phone rings)

319

00:14:49,618 —> 00:14:52,053
Hello?

320
00:14:52,055 —> 00:14:54,023
What the hell is wrong with you?
You told Sheldon?

321
00:14:54,025 —> 00:14:55,892
Do you know what a terrible
position this puts me in?

322
00:14:55,894 —> 00:14:57,293
(call waiting beeps)

323
00:14:57,295 —> 00:14:58,495
Hang on, please.

324
00:15:00,464 —> 00:15:01,464
Hello?

325
00:15:01,466 —> 00:15:03,166
Yeah, just a heads-up:

326

00:15:03,168 —> 00:15:05,268

Penny knows that you blabbed

about Leonard.

327

00:15:05,270 —> 00:15:06,971

She's pretty mad.

328

00:15:06,973 —> 00:15:09,040

I know.

329

00:15:09,042 —> 00:15:10,976

She's yelling at me right now.

330

00:15:10,978 —> 00:15:15,081

All right then,

so we're all on the same page.

331

00:15:15,083 —> 00:15:17,951

Yeah.

332

00:15:19,120 —> 00:15:21,088

Hey, Bernie.

333

00:15:21,090 —> 00:15:22,289

There's my hubby.

334

00:15:22,291 —> 00:15:23,758

How's everything going up there?

335

00:15:23,760 —> 00:15:25,559

Oh, it's okay.

336

00:15:25,561 —> 00:15:27,895

Space is beautiful.

337

00:15:27,897 —> 00:15:31,765

Earth is beautiful.

Same old, same old.

338

00:15:31,767 —> 00:15:33,299

What's wrong?

339

00:15:33,301 —> 00:15:34,334

Nothing.

340

00:15:34,336 —> 00:15:35,868

Everything's fine.

341

00:15:35,870 —> 00:15:37,036

Howard.

342

00:15:39,707 —> 00:15:42,909

The other astronauts

are being mean to me.

343

00:15:45,546 —> 00:15:47,047

No, what are they doing?

344

00:15:47,049 —> 00:15:50,117

Well, like for instance, the

other day when I was asleep,

345

00:15:50,119 —> 00:15:53,720

one of the guys went

on a space walk and glued

346

00:15:53,722 —> 00:15:58,692
a big-eyed rubber alien mask
to the outside of my window.

347
00:16:00,128 —> 00:16:03,063
When I woke up, I screamed
for like nine minutes.

348
00:16:03,065 —> 00:16:05,165
Oh, Howie.

349
00:16:05,167 —> 00:16:07,534
You can see it if you want.
It's on YouTube.

350
00:16:07,536 —> 00:16:11,705
Google "astronaut screams
for nine minutes."

351
00:16:11,707 —> 00:16:14,008
Why don't you stand up to them?

352
00:16:14,010 —> 00:16:16,344

What am I supposed to say?

353
00:16:16,346 —> 00:16:18,513
I don't know.

354
00:16:18,515 —> 00:16:21,116
Say, "Being mean is lame.

355
00:16:21,118 —> 00:16:24,686
What's cool is being nice."

356
00:16:29,959 —> 00:16:32,895
Great, I'll do that when
I want to be the first guy

357
00:16:32,897 —> 00:16:35,864
in space to get a wedgie.

358
00:16:35,866 —> 00:16:38,600
Do you want me
to call somebody at NASA?

359

00:16:38,602 —> 00:16:40,302
No.

360
00:16:40,304 —> 00:16:41,770
My mom already tried that.

361
00:16:41,772 —> 00:16:44,573
It only made things worse.

362
00:16:45,741 —> 00:16:48,209
Gelatinous Sphere.

363
00:16:48,211 —> 00:16:50,911
Focused Locust.

364
00:16:50,913 —> 00:16:54,181
Temple of Yip.

365
00:16:54,183 —> 00:16:57,084
I'm sorry. Wolowitz
would never play that card.

366

00:16:57,919 —> 00:17:01,988
All right,
Lesser Demon Turtle.

367
00:17:01,990 —> 00:17:04,891
Fairy God Monster, I win.

368
00:17:04,893 —> 00:17:08,395
Your desperate need
for friendship makes you weak.

369
00:17:10,698 —> 00:17:12,032
So, what are you
guys doing later?

370
00:17:12,034 —> 00:17:14,501
Stuart and I were thinking
of going out for a drink.

371
00:17:14,503 —> 00:17:15,903
We're gonna try
to meet some girls.

372

00:17:15,905 —> 00:17:17,738
'Cause that's what we do.

373
00:17:19,474 —> 00:17:20,608
Watch out, ladies:

374
00:17:20,610 —> 00:17:25,079
a little coffee and cream
coming your way.

375
00:17:26,048 —> 00:17:29,717
In case you didn't follow that,
I'm the coffee.

376
00:17:30,319 —> 00:17:31,486
SHELDON:
Leonard?

377
00:17:31,488 —> 00:17:34,255
Maybe you'd like to go
with them to meet girls.

378
00:17:34,257 —> 00:17:36,525

Why would I be interested?

I have Penny.

379

00:17:36,527 —> 00:17:39,328

Yeah, for now.

380

00:17:40,263 —> 00:17:42,564

But that woman has

a death wish, Leonard.

381

00:17:42,566 —> 00:17:46,335

She talks to strangers;

she pets unfamiliar dogs;

382

00:17:46,337 —> 00:17:47,736

and it is ridiculously easy

383

00:17:47,738 —> 00:17:51,306

to break

into her apartment.

384

00:17:51,308 —> 00:17:53,108

If I were you,

385

00:17:53,110 —> 00:17:54,309

I'd get a back-up.

386

00:17:54,311 —> 00:17:56,845

You can't just replace

someone you care about

387

00:17:56,847 —> 00:17:58,747

with some other random person.

388

00:17:58,749 —> 00:18:02,250

No, please don't ruin this

for me.

389

00:18:03,586 —> 00:18:06,188

Do you remember

how upset I was

390

00:18:06,190 —> 00:18:08,890

when they replaced Edward Norton

as the Hulk?

391

00:18:08,892 —> 00:18:11,760

Yes, you walked around

for a week saying,

392

00:18:11,762 —> 00:18:14,763

"Sheldon unhappy

with casting choice."

393

00:18:15,998 —> 00:18:19,968

But, then Mark Ruffalo

was the Hulk in The Avengers,

394

00:18:19,970 —> 00:18:21,669

and he was even better.

395

00:18:21,671 —> 00:18:22,670

What's your point?

396

00:18:22,672 —> 00:18:24,139

Call me a romantic.

397

00:18:24,141 —> 00:18:25,874

I like to think

398
00:18:25,876 —> 00:18:29,711
that your Mark Ruffalo
is still out there somewhere.

399
00:18:31,180 —> 00:18:33,248
This is ridiculous.
Are we gonna play cards or not?

400
00:18:33,250 —> 00:18:35,517
I like Mark Ruffalo, too.

401
00:18:35,519 —> 00:18:39,053
Yeah, settle down there,
Fake Wolowitz.

402
00:18:39,055 —> 00:18:42,157
No one likes a kiss-up.

403
00:18:44,627 —> 00:18:47,796
So, I had to take Sheldon
to the dentist this morning.

404

00:18:47,798 —> 00:18:49,697

Really?

Yup.

405

00:18:49,699 —> 00:18:51,433

I told him if he didn't

bite the hygienist,

406

00:18:51,435 —> 00:18:53,968

I'd take him for ice cream.

407

00:18:53,970 —> 00:18:55,236

Mmm.

408

00:18:55,238 —> 00:18:58,574

I didn't have to take him

for ice cream.

409

00:18:58,576 —> 00:19:00,209

Uh-huh.

410

00:19:00,211 —> 00:19:01,377

You okay?

411

00:19:01,379 —> 00:19:02,578

You seem a little distracted.

412

00:19:04,981 —> 00:19:09,084

Look, there's something

I need to tell you.

413

00:19:09,086 —> 00:19:10,351

Oh.

414

00:19:10,353 —> 00:19:11,419

Yeah, okay.

415

00:19:11,421 —> 00:19:13,255

I don't really know

how to say this.

416

00:19:13,257 —> 00:19:14,356

Just say it.

417

00:19:14,358 —> 00:19:17,058

Okay. Here goes.

418

00:19:17,060 —> 00:19:18,826

Mm-hmm.

419

00:19:25,134 —> 00:19:27,735

You slept with him?

420

00:19:27,737 —> 00:19:29,404

I didn't know what else to do.

421

00:19:29,406 —> 00:19:31,773

He had those big, sad eyes.

422

00:19:31,775 —> 00:19:35,610

Oh, sure, you had no choice.

423

00:19:38,146 —> 00:19:39,947

He looked at me like this.

424

00:19:43,552 —> 00:19:44,752
Well, if that's all it takes,

425
00:19:44,754 —> 00:19:46,220
it's a good thing
you don't have a dog.

426
00:19:49,358 —> 00:19:51,726
Don't worry.

427
00:19:51,728 —> 00:19:53,728
You'll have plenty of chances

for that now.

154

00:06:31,802 —> 00:06:33,468

You're up.

155

00:06:33,470 —> 00:06:35,586

I'm Alex,

Dr. Cooper's new assistant.

156

00:06:35,588 —> 00:06:38,256

Ah, congratulations and may God
have mercy on your soul.

157
00:06:39,925 —> 00:06:41,259
I'm Leonard. This is Raj.

158
00:06:41,261 —> 00:06:42,560
It's nice to meet you.

159
00:06:42,562 —> 00:06:44,112
I'm so excited
to be working with Dr...

160
00:06:44,114 —> 00:06:45,113
Yeah, please reserve

161
00:06:45,115 —> 00:06:47,065
chitchat for your breaks,
Ms. Jenson.

162
00:06:47,067 —> 00:06:49,984
Yeah, FYI,
there will be no breaks.

163

00:06:51,320 —> 00:06:54,239

I should probably get to work.

164

00:06:56,158 —> 00:06:57,325

She seems nice.

165

00:06:57,327 —> 00:06:58,576

Hey, you already

got a girlfriend.

166

00:06:58,578 —> 00:07:00,278

I call dibs.

167

00:07:00,280 —> 00:07:03,064

All I said was,

"She seems nice."

168

00:07:03,066 —> 00:07:04,949

Yeah, well, I love her.

169

00:07:08,687 —> 00:07:10,889

(phone rings)

170

00:07:12,475 —> 00:07:14,826

Hey, I wasn't expecting

to hear from you today.

171

00:07:14,828 —> 00:07:16,010

Everything okay?

172

00:07:16,012 —> 00:07:18,730

Uh, no, not really.

173

00:07:19,882 —> 00:07:21,533

What's wrong?

174

00:07:21,535 —> 00:07:23,435

Well, remember the...

Soyuz capsule

175

00:07:23,437 —> 00:07:25,253

they were sending

to bring us home?

176

00:07:25,255 —> 00:07:26,221

Uh-huh.

177

00:07:26,223 —> 00:07:27,489

It's delayed.

178

00:07:27,491 —> 00:07:29,307

We're gonna be here

at least another week.

179

00:07:29,309 —> 00:07:30,608

Maybe ten days.

180

00:07:30,610 —> 00:07:33,411

It's the Russians,

so you don't know.

181

00:07:35,498 —> 00:07:38,700

They left dogs up here

in the '60s.

182

00:07:40,653 —> 00:07:42,203

Come on, Howard.

183

00:07:42,205 —> 00:07:44,289

No one's leaving you up there.

184

00:07:44,291 —> 00:07:46,541

I don't know how much longer

I can take this.

185

00:07:46,543 —> 00:07:50,428

I can't sleep, and zero gravity

is giving me crazy acid reflux.

186

00:07:50,430 —> 00:07:51,463

(inhales)

187

00:07:51,465 —> 00:07:54,215

I'm down to my last three Tums.

188

00:07:55,501 —> 00:07:57,302

You're going to be fine.

189

00:07:57,304 —> 00:07:59,938
You survived that Weight
Watchers cruise with your mom.

190
00:08:01,624 —> 00:08:04,809
And they ran out
of low-fat ice cream on day two.

191
00:08:06,245 —> 00:08:09,347
Just calm down and take
a few deep breaths.

192
00:08:09,349 —> 00:08:10,815
Okay, okay.

193
00:08:10,817 —> 00:08:14,035
(breathing deeply)

194
00:08:14,037 —> 00:08:17,322
What am I doing?
I'm using up all the oxygen.

195
00:08:20,743 —> 00:08:25,113

If I die, promise you'll never
have sex with another man.

196
00:08:30,319 —> 00:08:32,921
Oh, yeah.

197
00:08:34,440 —> 00:08:37,642
I'm a man-eater now.

198
00:08:37,644 —> 00:08:41,763
Okay, for the final touch,
this is an eyelash curler.

199
00:08:41,765 —> 00:08:45,517
You just place it on your lashes
and squeeze it closed.

200
00:08:45,519 —> 00:08:48,069
Oh, I don't know.

201
00:08:48,071 —> 00:08:50,855
Looks like something used
by Tinker Bell's gynecologist.

202

00:08:53,859 —> 00:08:57,061

Who I hope for her sake

is not Captain Hook, so...

203

00:09:02,067 —> 00:09:03,201

Who are you calling?

204

00:09:03,203 —> 00:09:04,669

I'm going to

video-chat Sheldon.

205

00:09:04,671 —> 00:09:05,587

Mmm.

206

00:09:05,589 —> 00:09:07,038

If my new look

leads to phone sex,

207

00:09:07,040 —> 00:09:09,157

I'm going to have to ask you

to leave the room.

208

00:09:10,259 —> 00:09:12,827

ALEX:

Dr. Cooper's office.

209

00:09:12,829 —> 00:09:14,762

Oh, hello. Who are you?

210

00:09:14,764 —> 00:09:17,031

I'm Alex,

Dr. Cooper's assistant.

211

00:09:17,033 —> 00:09:17,999

Can I help you?

212

00:09:18,001 —> 00:09:19,450

I'd like to speak to Sheldon.

213

00:09:19,452 —> 00:09:21,953

I'm sorry. He's asked me

to hold all calls

214

00:09:21,955 —> 00:09:24,255

unless you're Stephen Hawking,
his mother

215
00:09:24,257 —> 00:09:26,591
or himself from the future.

216
00:09:27,426 —> 00:09:28,693
All right.

217
00:09:28,695 —> 00:09:30,528
Well, tell him Amy called.
Last name?

218
00:09:30,530 —> 00:09:31,929
He knows my last name.

219
00:09:31,931 —> 00:09:33,598
I'm his girlfriend.

220
00:09:33,600 —> 00:09:35,533
We have a contract
and everything.

221

00:09:35,535 —> 00:09:37,785

I'll send you a PDF.

222

00:09:38,654 —> 00:09:41,539

All right, I will

tell him you called.

223

00:09:43,542 —> 00:09:45,660

Hmm, that's weird.

What?

224

00:09:45,662 —> 00:09:49,113

Sheldon told me he had

a new assistant named Alex.

225

00:09:49,115 —> 00:09:51,366

He didn't mention

that Alex was a girl.

226

00:09:51,368 —> 00:09:53,868

Maybe he didn't notice.

227

00:09:53,870 —> 00:09:55,136
You're right.

228
00:09:55,138 —> 00:09:56,754
I don't have to worry
about Sheldon.

229
00:09:56,756 —> 00:09:59,474
(laughing):
No, you do not.

230
00:10:00,726 —> 00:10:03,328
It's her I have to worry about.

231
00:10:03,330 —> 00:10:04,846
Oh, Amy, really?

232
00:10:04,848 —> 00:10:06,881
She is not going to come on
to Sheldon.

233
00:10:06,883 —> 00:10:08,266
Oh, really?

234

00:10:08,268 —> 00:10:10,685

Look at this face.

235

00:10:13,055 —> 00:10:15,573

How can any woman

spend eight hours a day

236

00:10:15,575 —> 00:10:19,060

alone with this face

and not fall in love with it?

237

00:10:19,062 —> 00:10:21,062

Well, for starters,

238

00:10:21,064 —> 00:10:24,198

at some point,

that face starts talking.

239

00:10:32,590 —> 00:10:34,006

Amy, this is crazy.

240

00:10:34,008 —> 00:10:35,874
You have nothing
to be suspicious about.

241
00:10:35,876 —> 00:10:37,092
I'm not suspicious.

242
00:10:37,094 —> 00:10:39,545
I just want to stop in,
say hi to my boyfriend

243
00:10:39,547 —> 00:10:40,963
and meet his new assistant.

244
00:10:40,965 —> 00:10:43,932
Aha!

245
00:10:47,420 —> 00:10:48,837
Can we go now?

246
00:10:48,839 —> 00:10:50,005
Hang on.

247

00:10:56,896 —> 00:10:57,913

What are you doing?

248

00:10:57,915 —> 00:10:59,448

Isn't it obvious?

249

00:10:59,450 —> 00:11:02,818

I'm spreading my scent

to mark my territory.

250

00:11:04,070 —> 00:11:07,239

Come on, Amy.

That is not gonna work.

251

00:11:07,241 —> 00:11:10,409

Really? Because just before you

became my best friend,

252

00:11:10,411 —> 00:11:13,412

I did this

all over your apartment.

253

00:11:18,051 —> 00:11:20,452
Has your, uh, assistant
said anything about me?

254
00:11:20,454 —> 00:11:22,170
In fact, she has.

255
00:11:22,172 —> 00:11:26,608
Uh, her exact words were,
"What is that guy's problem?"

256
00:11:27,427 —> 00:11:30,762
I'm in her head.
Let the dance begin.

257
00:11:33,466 —> 00:11:35,484
Here's your frozen yogurt,
Dr. Cooper.

258
00:11:35,486 —> 00:11:36,818
This should be fun.

259
00:11:36,820 —> 00:11:38,553

Half chocolate,

half vanilla,

260

00:11:38,555 —> 00:11:40,439

side by side, not swirled?

Yes.

261

00:11:40,441 —> 00:11:42,407

Half a teaspoon of sprinkles?

Rainbow, not chocolate.

262

00:11:42,409 —> 00:11:44,226

Two cherries?

One on top, one on the bottom.

263

00:11:44,228 —> 00:11:46,194

Stems removed?

Um...

264

00:11:46,196 —> 00:11:47,412

top one, yes.

265

00:11:47,414 —> 00:11:49,097

I didn't check the one

on the bottom.

266

00:11:49,099 —> 00:11:51,199

Oh...!

267

00:11:52,902 —> 00:11:54,820

I'm so sorry, Dr. Cooper.

268

00:11:54,822 —> 00:11:56,171

It's all right, Alex.

269

00:11:56,173 —> 00:11:58,974

I'm not mad at you;

I'm just disappointed.

270

00:12:00,793 —> 00:12:02,361

Wait, Alex.

Do you want to join us?

271

00:12:02,363 —> 00:12:03,378

Um...

272

00:12:03,380 —> 00:12:04,713

Uh, Alex, a moment.

273

00:12:04,715 —> 00:12:07,749

I need a word with

Dr. Hofstadter.

274

00:12:09,836 —> 00:12:11,186

Do you think it's appropriate

275

00:12:11,188 —> 00:12:13,722

for her to sit with us,

given her station?

276

00:12:14,707 —> 00:12:16,892

Given her what?

277

00:12:16,894 —> 00:12:20,145

If I've learned anything from

British television shows on PBS,

278

00:12:20,147 —> 00:12:24,983

it's that servants dine
downstairs with their own kind.

279
00:12:24,985 —> 00:12:27,769
What?

280
00:12:27,771 —> 00:12:30,271
It's a kindness, Leonard.

281
00:12:30,273 —> 00:12:33,041
Otherwise, you're cruelly
tempting them with a glimpse

282
00:12:33,043 —> 00:12:36,411
of a world that's just beyond
their soot-stained fingertips.

283
00:12:37,530 —> 00:12:39,447
Oh, sure.

284
00:12:39,449 —> 00:12:40,782
Please join us.

285

00:12:40,784 —> 00:12:44,169

Oh, okay. Thank you.

286

00:12:44,171 —> 00:12:45,971

So, Alex, what's the topic

of your dissertation?

287

00:12:45,973 —> 00:12:48,006

I'm looking

for Trojan asteroids

288

00:12:48,008 —> 00:12:49,574

at Earth's L-Five

Lagrange point.

289

00:12:49,576 —> 00:12:51,593

Oh, that happens to be

290

00:12:51,595 —> 00:12:53,729

Dr. Koothrappali's

field of expertise.

291

00:12:53,731 —> 00:12:56,431
You two have a lot
to talk about.

292
00:12:58,184 —> 00:12:59,952
Is that true?

293
00:13:11,247 —> 00:13:12,647
Is he all right?

294
00:13:12,649 —> 00:13:14,866
No.

295
00:13:17,737 —> 00:13:22,507
But compared to your boss,
he's the poster boy for sanity.

296
00:13:22,509 —> 00:13:25,160
It's okay, I've been around
scientists all my life.

297
00:13:25,162 —> 00:13:26,878
My dad's an astronomer at SETI.

298

00:13:26,880 —> 00:13:30,349

Oh, SETI— the Search for

Extraterrestrial Intelligence.

299

00:13:30,351 —> 00:13:33,051

You should introduce him

to Sheldon. The search is over.

300

00:13:33,053 —> 00:13:36,337

So, what kind of research

are you doing?

301

00:13:36,339 —> 00:13:37,589

High-energy lasers.

302

00:13:37,591 —> 00:13:38,774

Ooh. Military?

303

00:13:38,776 —> 00:13:40,776

Not yet, but I can remove

unwanted hair

304

00:13:40,778 —> 00:13:42,343

from two miles away.

305

00:13:42,345 —> 00:13:44,345

(both chuckle)

306

00:13:44,347 —> 00:13:45,313

You were right.

307

00:13:45,315 —> 00:13:46,848

I had nothing

to worry about.

308

00:13:46,850 —> 00:13:49,051

That skank's your

problem, not mine.

309

00:13:49,886 —> 00:13:52,353

You're very funny,

Dr. Hofstadter.

310

00:13:52,355 —> 00:13:53,288

LEONARD:

Thank you.

311

00:13:53,290 —> 00:13:55,857

Aah! Cherry stem!

Cherry stem!

312

00:13:55,859 —> 00:13:57,976

(coughing, gagging)

313

00:13:59,078 —> 00:14:02,264

How you doing, Howie?

You feeling a little better?

314

00:14:02,266 —> 00:14:06,852

Oh, a lot better, thanks.

One sec.

315

00:14:07,870 —> 00:14:10,922

Listen close.

I don't have a lot of time.

316

00:14:10,924 —> 00:14:12,224

I need you to go to my house.

317
00:14:12,226 —> 00:14:14,559
In my bedroom, you'll find
a model rocket.

318
00:14:14,561 —> 00:14:17,479
I want you to take it
and bring it back to your place.

319
00:14:17,481 —> 00:14:19,114
Okay...

320
00:14:19,116 —> 00:14:22,350
Step two: Build a version
roughly 14 stories high.

321
00:14:23,436 —> 00:14:25,687
Fill it full of rocket fuel
and come get me.

322
00:14:25,689 —> 00:14:28,056
(whispers):

I'll leave the door unlocked.

323
00:14:30,893 —> 00:14:32,894
Howie, honey, maybe you should
talk to someone,

324
00:14:32,896 —> 00:14:35,197
let them know you're having
a little anxiety.

325

Tonight, you belong to me.

77

00:03:16,420 —> 00:03:19,221

(loud sneeze)

78

00:03:19,223 —> 00:03:20,840
(groans)

79
00:03:20,842 —> 00:03:22,007
(giggles)

80
00:03:22,009 —> 00:03:24,059
Gesundheit.
You okay?

81
00:03:24,061 —> 00:03:26,211
I am now that you're back.

82
00:03:26,213 —> 00:03:27,580
Come on, let's go home

83
00:03:27,582 —> 00:03:29,732
so I can tear off
those little pants.

84
00:03:29,734 —> 00:03:30,988
Great. Just keep in mind

85

00:03:31,013 —> 00:03:33,698

astronauts lose a lot of

muscle tone in space,

86

00:03:33,798 —> 00:03:37,383

so you might have to do

most of the heavy lifting. (laughs)

87

00:03:38,742 —> 00:03:40,493

You know, I am

very disappointed

88

00:03:40,495 —> 00:03:42,444

that I won't be able

to celebrate

89

00:03:42,446 —> 00:03:44,330

Howard's accomplishment tonight.

90

00:03:44,332 —> 00:03:46,081

Me, too.

But we'll see him tomorrow.

91

00:03:46,083 —> 00:03:48,834

Yes, it's just that

in all the years I've known him,

92

00:03:48,836 —> 00:03:53,088

he's never had the opportunity

to receive my admiration.

93

00:03:54,107 —> 00:03:56,091

I was excited to see

the look on his face

94

00:03:56,093 —> 00:03:57,459

when it finally happened.

95

00:03:57,461 —> 00:03:59,645

You're unbelievable.

96

00:03:59,647 —> 00:04:01,463

I know.

97

00:04:01,465 —> 00:04:02,915

LEONARD:

All right,

98

00:04:02,917 —> 00:04:04,450

Pictionary— what are the teams?

99

00:04:04,452 —> 00:04:05,885

How about

boys versus girls?

100

00:04:05,887 —> 00:04:06,919

Oh!

101

00:04:06,921 —> 00:04:08,103

That hardly seems fair.

102

00:04:08,105 —> 00:04:10,773

But I guess

any team that I'm not on

103

00:04:10,775 —> 00:04:12,558

has a decided disadvantage.

104

00:04:14,144 —> 00:04:15,895

Once again, unbelievable.

Yeah,

105

00:04:15,897 —> 00:04:18,364

once again, I know.

106

00:04:18,366 —> 00:04:21,367

All right, round one.

107

00:04:21,369 —> 00:04:22,334

Here.

108

00:04:22,336 —> 00:04:24,370

Got it.

Okay.

109

00:04:24,372 —> 00:04:26,088

Ready, set,

110

00:04:26,090 —> 00:04:27,790

go.

111

00:04:29,209 —> 00:04:30,209

Uh, box?

112

00:04:30,211 —> 00:04:31,710

Uh,

113

00:04:31,712 —> 00:04:33,111

window?

114

00:04:34,113 —> 00:04:35,414

Batman.

115

00:04:36,800 —> 00:04:39,218

LEONARD:

Batman and Robin.

116

00:04:41,454 —> 00:04:43,422

Uh, Wonder Twins

plus the monkey.

117

00:04:45,141 —> 00:04:47,459

Wonder Twins plus

the monkey and Batman.

118

00:04:49,246 —> 00:04:50,462

A gift? Present!

119

00:04:50,464 —> 00:04:51,647

Present! Yeah!

120

00:04:51,649 —> 00:04:54,250

Oh...

Leonard.

121

00:04:54,252 —> 00:04:56,936

Now, how can you not get that?

122

00:04:56,938 —> 00:05:00,990

In what universe

is that a present?

123

00:05:00,992 —> 00:05:02,458

It's not a present,

124

00:05:02,460 —> 00:05:04,577

it's the present. Look.

125

00:05:04,579 —> 00:05:06,278

There's you and me.

126

00:05:06,280 —> 00:05:07,813

It's Penny and Amy.

127

00:05:07,815 —> 00:05:10,249

We're playing Pictionary.

128

00:05:10,251 —> 00:05:12,551

In the present.

129

00:05:16,806 —> 00:05:19,592

Oh, my God, we're

gonna kill them.

130

00:05:21,728 —> 00:05:24,096

It's a quark-gluon plasma.

131

00:05:24,981 —> 00:05:25,948

No.

132

00:05:25,950 —> 00:05:27,883

It's asymptotically free partons

133

00:05:27,885 —> 00:05:30,502

inside a quark-gluon plasma.

134

00:05:30,504 —> 00:05:32,972

Nothing with quarks.

135

00:05:32,974 —> 00:05:34,773

It's an observational rebuttal

136

00:05:34,775 —> 00:05:37,476

of the Lambda-CDM model

of the universe!

137

00:05:38,645 —> 00:05:39,628

No!

138

00:05:39,630 —> 00:05:40,729

It's a chocolate chip cookie!

139

00:05:40,731 —> 00:05:42,982

Yes!

140

00:05:44,668 —> 00:05:46,852

How could you miss that?

141

00:05:46,854 —> 00:05:50,122

Hey, if you want someone to

guess "chocolate chip cookie,"

142

00:05:50,124 —> 00:05:52,608

you draw a glass of milk

next to it.

143

00:05:52,610 —> 00:05:55,193

Penny got it.

Yeah, only after

144

00:05:55,195 —> 00:05:57,746

I eliminated

all the obvious answers.

145

00:05:58,698 —> 00:06:00,015

You're welcome.

146

00:06:02,702 —> 00:06:05,454

LEONARD:

Oh, uh, uh, uh, sausage.

147

00:06:05,456 —> 00:06:07,423

Uh, uh, uh, uh, bratwurst?

148

00:06:08,207 —> 00:06:10,142

Oh, oh, a hot dog.

149

00:06:11,044 —> 00:06:12,761

Penny, aren't you gonna

draw something?

150

00:06:12,763 —> 00:06:17,132

(chuckles): Relax, we got time,

this is so fun.

151

00:06:18,301 —> 00:06:20,052

There.

152

00:06:20,054 —> 00:06:21,403

A solar system.

153

00:06:21,405 —> 00:06:22,721

Uh, uh, uh,

154

00:06:22,723 —> 00:06:26,692

uh, um, unidentified

flying liverwurst? I don't...

155

00:06:27,727 —> 00:06:30,029

Now?

156

00:06:30,031 —> 00:06:31,897

Soon.

157

00:06:31,899 —> 00:06:33,699

Come on, Leonard,

158

00:06:33,701 —> 00:06:36,368

I am spoon-feeding this to you.

159

00:06:42,876 —> 00:06:44,243

I don't know,

160

00:06:44,245 —> 00:06:45,477

uh...

161

00:06:45,479 —> 00:06:48,180

Casper the alcoholic ghost?

162

00:06:49,416 —> 00:06:51,517

All right,

that's enough.

163

00:06:51,519 —> 00:06:52,768

(clears throat)

164

00:06:54,354 —> 00:06:55,949

AMY:

Uh, hand.

165

00:06:55,950 —> 00:06:57,333

Uh, nail...

polish?

166

00:06:57,358 —> 00:06:58,842

Yep!

167

00:06:58,843 —> 00:07:01,093

SHELDON:

Wait, no, no!

168

00:07:01,095 —> 00:07:02,978

No!

169

00:07:02,980 —> 00:07:05,263

The word is "Polish."

170

00:07:05,265 —> 00:07:07,432

See, look.

Polish sausage.

171

00:07:07,434 —> 00:07:10,069

And the-the model

of the solar system developed

172

00:07:10,071 —> 00:07:12,621

by Nicolaus Copernicus,

a Polish astronomer.

173

00:07:12,623 —> 00:07:14,206

And then, finally,

174

00:07:14,208 —> 00:07:15,741

if that wasn't enough—

which it should've been—

175

00:07:15,743 —> 00:07:18,160

this is Madame Curie

killing herself

176

00:07:18,162 —> 00:07:20,245

by discovering radium, who,

177

00:07:20,247 —> 00:07:22,280
although she was
a naturalized French citizen,

178
00:07:22,282 —> 00:07:25,217
was Polish by birth!

179
00:07:27,987 —> 00:07:30,639
Excuse me,
the word is "polish."

180
00:07:30,641 —> 00:07:32,591
See? Small "P."

181
00:07:34,427 —> 00:07:36,228
Ah!

182
00:07:37,680 —> 00:07:39,648
So it is.

183
00:07:39,650 —> 00:07:41,734
I guess we both
share blame on this one.

184

00:07:44,604 —> 00:07:47,072

Bernie, you okay?

185

00:07:47,074 —> 00:07:48,607

Yeah, I'll be

right there.

186

00:07:48,609 —> 00:07:51,393

(hacks, coughs, spits)

187

00:07:54,697 —> 00:07:59,651

Did you get a sea lion

while I was gone?

188

00:07:59,653 —> 00:08:02,154

It's just allergies.

189

00:08:02,156 —> 00:08:04,289

Okay. (chuckles)

190

00:08:04,291 —> 00:08:06,175

(congested): Took some Benadryl.

I'll be fine.

191

00:08:06,177 —> 00:08:07,876

(chuckles)

192

00:08:07,878 —> 00:08:08,927

So...

193

00:08:08,929 —> 00:08:10,179

did you miss me?

194

00:08:10,181 —> 00:08:12,147

Oh.

195

00:08:12,149 —> 00:08:14,166

Are you kidding?

Every minute of every...

196

00:08:14,168 —> 00:08:16,351

(phlegmy hacking)

197

00:08:17,937 —> 00:08:20,338
(groans)
Ew.

198
00:08:25,011 —> 00:08:26,945
Excuse me.

199
00:08:26,947 —> 00:08:29,648
Sweetie, we don't have
to do this now.

200
00:08:29,650 —> 00:08:32,284
Yes, we do.

201
00:08:32,286 —> 00:08:34,286
(awkward chuckle)

202
00:08:36,072 —> 00:08:39,524
You left right after
we got married.

203
00:08:39,526 —> 00:08:40,459
(chuckles)

204

00:08:40,461 —> 00:08:43,862

This is like

our honeymoon.

205

00:08:46,365 —> 00:08:47,532

(chuckles)

Now,

206

00:08:47,534 —> 00:08:49,751

hold on to your hat.

207

00:08:49,753 —> 00:08:52,254

Oh.

208

00:08:52,256 —> 00:08:53,672

Uh-oh.

209

00:08:53,674 —> 00:08:54,840

You okay?

210

00:08:54,842 —> 00:08:56,258

A little dizzy.

211

00:08:56,260 —> 00:08:57,876

Must be the Benadryl.

212

00:08:57,878 —> 00:09:00,813

(chuckles)

Switch places with me.

213

00:09:00,815 —> 00:09:02,981

Okay. (chuckles)

214

00:09:04,017 —> 00:09:05,267

(exhales)

215

00:09:05,269 —> 00:09:06,985

Now...

216

00:09:10,273 —> 00:09:13,158

...kiss me!

217

00:09:19,398 —> 00:09:21,867

(quiet snoring)

218

00:09:22,852 —> 00:09:24,569

Bernadette?

219

00:09:24,571 —> 00:09:27,623

(continues snoring)

220

00:09:27,625 —> 00:09:29,908

Bernie?

Bernie?

221

00:09:29,910 —> 00:09:31,376

(gasps)

222

00:09:31,378 —> 00:09:33,679

That was amazing.

223

00:09:36,950 —> 00:09:40,435

You made me feel things

I never...

224

00:09:45,758 —> 00:09:49,444
Well, that was quick
and a little gross.

225
00:09:49,446 —> 00:09:53,765
Now, I know how she feels.

226
00:09:54,934 —> 00:09:57,569
Hey, Sheldon, you're always

227
00:09:57,571 —> 00:09:59,437
full of fun little facts.

228
00:09:59,439 —> 00:10:00,539
Where did the expression

229
00:10:00,541 —> 00:10:03,859
"got your ass handed to you"
come from?

230
00:10:06,496 —> 00:10:08,864
Don't know.

231

00:10:08,866 —> 00:10:12,301

I wonder if it's from,

like, ancient Rome

232

00:10:12,303 —> 00:10:13,785

where they'd actually

chop somebody's ass off

233

00:10:13,787 —> 00:10:16,788

and then go, "Here."

234

00:10:18,007 —> 00:10:22,010

You know, to appease

Loseroneous, the god of losers.

235

00:10:23,162 —> 00:10:24,546

I am not a loser.

236

00:10:24,548 —> 00:10:28,466

Pictionary is not a true test of

any real intelligence or skill.

237

00:10:28,468 —> 00:10:30,185
Mmm, in all
fairness,

238
00:10:30,187 —> 00:10:33,322
Pictionary has verbal
skills, visual skills.

239
00:10:33,324 —> 00:10:34,773
It's a pretty well-rounded game.

240
00:10:34,775 —> 00:10:36,191
Lot of big talk
from a man

241
00:10:36,193 —> 00:10:37,859
who can't draw
a chocolate chip cookie.

242
00:10:39,078 —> 00:10:40,462
All right, fine,
pick another game.

243

00:10:40,464 —> 00:10:42,447
Amy and I will beat
you at anything.

244
00:10:42,449 —> 00:10:43,916
All right.

245
00:10:43,918 —> 00:10:45,650
Let's play...

246
00:10:45,652 —> 00:10:48,570
Physics Fiesta.

247
00:10:48,572 —> 00:10:50,756
Oh, come on, what is that?

248
00:10:50,758 —> 00:10:52,457
It's a game
that I just invented,

249
00:10:52,459 —> 00:10:55,093
in which the participants
answer physics questions

250

00:10:55,095 —> 00:10:56,929

in remedial Spanish.

251

00:10:56,931 —> 00:10:58,496

Um...

252

00:10:58,498 —> 00:11:01,433

¿Dónde está el boson de Higgs?

253

00:11:02,385 —> 00:11:04,486

En el acelerador

de particulares.

254

00:11:06,306 —> 00:11:08,523

Bueno, mi amigo.

255

00:11:10,860 —> 00:11:14,062

No, no, we're not playing

some dumb made-up game.

256

00:11:14,064 —> 00:11:16,014

All games
are made up.

257
00:11:16,016 —> 00:11:17,616
They're not found in nature.

258
00:11:17,618 —> 00:11:19,618
You don't just dig in
the ground, come across

259
00:11:19,620 —> 00:11:22,654
a rich vein
of Rock'em Sock'em Robots.

260
00:11:23,522 —> 00:11:24,906
Just pick
another game.

261
00:11:24,908 —> 00:11:26,325
Why don't we do
something athletic

262
00:11:26,327 —> 00:11:29,161

like go over to the university
pool and play water polo?

263
00:11:29,163 —> 00:11:32,264
No good—
Sheldon doesn't float.

264
00:11:32,266 —> 00:11:33,749
That is true.

265
00:11:33,751 —> 00:11:36,134
I have a higher than
normal body density.

266
00:11:36,136 —> 00:11:39,254
If I run too deep a bath,
I drown.

267
00:11:39,256 —> 00:11:41,039
All right,
let's keep it simple.

268
00:11:41,041 —> 00:11:42,007

How about darts?

269
00:11:42,009 —> 00:11:43,642
Oh, that's not fair either.

270
00:11:43,644 —> 00:11:44,676
Why not?

271
00:11:44,678 —> 00:11:46,228
Darts is a bar game.

272
00:11:46,230 —> 00:11:48,263
You've been frequenting
drinking establishments

273
00:11:48,265 —> 00:11:50,449
since you were of legal age.

274
00:11:50,451 —> 00:11:53,769
Yeah, that's
when it started.

275

00:11:53,771 —> 00:11:56,071
Well, regardless, she
has a distinct advantage

276
00:11:56,073 —> 00:11:57,555
in all tavern-
based competitions.

277
00:11:57,557 —> 00:12:02,160
Pool, beer pong, wet T-shirt
contests— they're all out.

278
00:12:02,162 —> 00:12:03,528
PENNY:
Okay.

279
00:12:03,530 —> 00:12:05,831
Just for the record,
I have never entered

280
00:12:05,833 —> 00:12:07,399
a wet T-shirt contest.

281

00:12:07,401 —> 00:12:10,002
I've won a few, but that's just
because I spill when I'm drunk,

282
00:12:10,004 —> 00:12:12,504
so...

283
00:12:12,506 —> 00:12:14,456
We could go
to the cadaver lab at UCLA

284
00:12:14,458 —> 00:12:18,293
and play real-life Operation.

285
00:12:18,295 —> 00:12:21,179
Uh-uh. No.
I don't think so.

286
00:12:21,181 —> 00:12:23,048
Are you sure? I mean,
the nose doesn't light up,

287
00:12:23,050 —> 00:12:24,282

but if the corpse
is fresh enough,

288
00:12:24,284 —> 00:12:27,719
sometimes you can get
the leg to jerk.

289
00:12:29,772 —> 00:12:34,643
Hey, Ma, twinkle, twinkle,
your little star is home!

290
00:12:36,145 —> 00:12:38,814
Ma, the chain's on the door!

291
00:12:38,816 —> 00:12:40,198
MRS. WOLOWITZ:
Howard?

292
00:12:40,200 —> 00:12:43,668
I thought I wasn't going
to see you till tomorrow!

293
00:12:43,670 —> 00:12:46,154

Yeah, well,

Bernie's not feeling well,

294

00:12:46,156 —> 00:12:47,823

so I thought I'd stop by,

295

00:12:47,825 —> 00:12:50,792

tell you about the greatest

adventure of my life,

296

00:12:50,794 —> 00:12:54,212

see if you can make me feel bad

about it.

297

00:12:54,214 —> 00:12:58,900

Uh, uh, okay, hold

on, I'm not decent!

298

00:12:58,902 —> 00:13:00,802

All right.

299

00:13:00,804 —> 00:13:02,721

Woman hasn't tied her robe

in 20 years.

300

00:13:02,723 —> 00:13:04,122

Suddenly she's not decent?

301

00:13:04,124 —> 00:13:08,727

MAN: You want me to hide in the

closet or go out the back?!

302

00:13:09,729 —> 00:13:12,714

MRS. WOLOWITZ:

Shh, you need to whisper.

303

00:13:12,716 —> 00:13:14,466

Ma, who is in there?

304

00:13:14,468 —> 00:13:15,634

Uh, nobody!

305

00:13:15,636 —> 00:13:17,853

The TV is on!

306

00:13:17,855 —> 00:13:19,071

MAN:

I only got one sock.

307

00:13:19,073 —> 00:13:21,873

Where's my

other sock?

308

00:13:21,875 —> 00:13:22,974

Who is that?

309

00:13:22,976 —> 00:13:24,409

MRS. WOLOWITZ:

I told you, it's the TV.

310

00:13:24,411 —> 00:13:28,947

Jay Leno lost a sock;

it's hilarious.

311

00:13:28,949 —> 00:13:31,649

If you're busy, I can come back.

312

00:13:31,651 —> 00:13:33,201

Just give me

a second!

313

00:13:33,203 —> 00:13:35,420

Go, go, go, go.

314

00:13:37,623 —> 00:13:39,824

(window opens)

315

00:13:44,797 —> 00:13:46,381

Dr. Schneider?

316

00:13:46,383 —> 00:13:49,184

Oh, hello, Howard.

317

00:13:50,019 —> 00:13:52,204

What are you doing here?

318

00:13:52,206 —> 00:13:55,474

Um, house call.

319

00:13:55,476 —> 00:13:57,642

You're a dentist.

320

00:13:58,945 —> 00:14:01,196

Yes, yes, I am.

321

00:14:01,198 —> 00:14:03,782

I think he's

on to us!

322

00:14:11,924 —> 00:14:13,624

Okay, glasses off.

323

00:14:13,626 —> 00:14:15,910

Find Waldo.

324

00:14:21,450 —> 00:14:23,201

Hurry up,

find him, find him.

325

00:14:23,203 —> 00:14:25,036

I'm trying!

Don't yell at me!

326

00:14:25,038 —> 00:14:26,170

For goodness' sake,

he's wearing

327

00:14:26,172 —> 00:14:28,873

a hat, glasses,

and a red striped shirt.

328

00:14:28,875 —> 00:14:30,074

I know what he looks like.

329

00:14:30,076 —> 00:14:31,476

Oh, there he

is, I got him.

330

00:14:31,478 —> 00:14:34,295

Yes, we

win again!

331

00:14:34,297 —> 00:14:36,130

How could you not find him?

332

00:14:36,132 —> 00:14:38,566
Because he's hard to find.

333
00:14:38,568 —> 00:14:39,684
If he was easy to find,

334
00:14:39,686 —> 00:14:42,720
the books would be called
There's Waldo.

335
00:14:43,972 —> 00:14:49,009
57, 58, 59,
that's one minute.

336
00:14:49,011 —> 00:14:51,195
(sputters)

337
00:14:52,214 —> 00:14:54,265
Long division,
long division.

338
00:14:54,267 —> 00:14:55,867
Go, go, go.

339

00:14:55,869 —> 00:14:58,185

Remember,

show your work.

340

00:14:59,020 —> 00:15:00,705

I'm okay.

341

00:15:00,707 —> 00:15:02,874

I'm okay.

342

00:15:03,492 —> 00:15:04,826

(thuds)

343

00:15:05,661 —> 00:15:07,695

I'm not okay.

344

00:15:07,697 —> 00:15:10,865

Get up, we can't lose in math.

345

00:15:10,867 —> 00:15:12,333

37!

Yes!

346

00:15:12,335 —> 00:15:14,285

Aah!

347

00:15:14,287 —> 00:15:16,370

Ready, set, wrestle.

348

00:15:16,372 —> 00:15:18,055

(screams)

349

00:15:18,057 —> 00:15:20,341

One, two, three, pin.

350

00:15:20,343 —> 00:15:21,559

Mwah!

351

00:15:22,394 —> 00:15:24,395

Stop that.

352

00:15:24,397 —> 00:15:25,396

Mwah!

353

00:15:25,398 —> 00:15:26,397

Amy, do something.

354

00:15:26,399 —> 00:15:27,398

Mwah.

355

00:15:27,400 —> 00:15:28,900

Amy, help.

356

00:15:28,902 —> 00:15:31,319

W— Amy, stop that.

357

00:15:31,321 —> 00:15:33,938

Amy, Penny,

both of you, stop it.

358

00:15:36,608 —> 00:15:39,577

One to beam aboard?

359

00:15:39,579 —> 00:15:41,579

Oh, my God, you're back.

360

00:15:41,581 —> 00:15:42,663

(laughs)

361

00:15:42,665 —> 00:15:43,731

Oh, look at you.

362

00:15:43,733 —> 00:15:45,666

You, you look

like you grew.

363

00:15:45,668 —> 00:15:48,503

(chuckling):

Yeah.

364

00:15:48,505 —> 00:15:50,838

The lack of gravity

did decompress my spine,

365

00:15:50,840 —> 00:15:53,207

so I'm like

an inch and a half taller.

366

00:15:53,209 —> 00:15:55,259

I'm going to the DMV tomorrow

to get my license changed

367

00:15:55,261 —> 00:15:56,911

before I shrink back.

368

00:15:56,913 —> 00:15:59,463

Oh, uh, come in, come in.

369

00:15:59,465 —> 00:16:01,516

Oh, I, uh, I didn't think

I was going to get

370

00:16:01,518 —> 00:16:02,733

to see you until tomorrow.

371

00:16:02,735 —> 00:16:05,136

Yeah, well,

Bernadette's a little

372

00:16:05,138 —> 00:16:06,270

under the weather

373
00:16:06,272 —> 00:16:10,441
and my mom's
kind of under my dentist.

374
00:16:10,443 —> 00:16:13,761
Wait, your, your mother
is sleeping with your dentist?

375
00:16:13,763 —> 00:16:15,062
Former dentist.

376
00:16:15,064 —> 00:16:17,865
I need a new one now that I know
where his hands have been.

377
00:16:17,867 —> 00:16:21,819
So you're wandering
all around by yourself?

378
00:16:21,821 —> 00:16:23,404
That's not the kind

of hero's welcome

379
00:16:23,406 —> 00:16:25,122
an astronaut should
come home to.

380
00:16:25,124 —> 00:16:27,742
It's okay, you know,
we space cowboys

381
00:16:27,744 —> 00:16:31,295
don't do what we do
for glory and fame.

382
00:16:31,297 —> 00:16:35,166
We leave that to your rock stars
and your athletes

383
00:16:35,168 —> 00:16:38,302
and your Howie Mandels.

384
00:16:39,137 —> 00:16:42,924
Oh, hey, man, welcome back.

385

00:16:42,926 —> 00:16:44,792

Oh, Stuart, thanks.

386

00:16:44,794 —> 00:16:46,277

What are you doing here?

387

00:16:46,279 —> 00:16:48,128

I, I kind of live here now.

388

00:16:48,130 —> 00:16:49,697

Just until he gets

back on his feet,

389

00:16:49,699 —> 00:16:51,015

which are looking pretty good

390

00:16:51,017 —> 00:16:53,901

in the boots I bought him

for his birthday.

391

00:16:53,903 —> 00:16:55,937

(imitates explosion)

392
00:16:56,939 —> 00:17:00,191
Ah, he's spoiling
me and I love it.

393
00:17:00,993 —> 00:17:05,496
Wow, so you guys
are like buds now?

394
00:17:05,498 —> 00:17:07,298
Oh, yeah, we hang out
all the time.

395
00:17:07,300 —> 00:17:08,566
Plus, he doesn't
have a girlfriend,

396
00:17:08,568 —> 00:17:09,750
I don't have
a girlfriend.

397
00:17:09,752 —> 00:17:11,118

It's like we both had
these holes

398
00:17:11,120 —> 00:17:15,006
in our lives, but now we fill
each other's holes.

399
00:17:19,361 —> 00:17:21,329
Uh...

400
00:17:21,331 —> 00:17:25,533
that sounds a little
funny to an American ear.

401
00:17:25,535 —> 00:17:26,834
Which part?

402
00:17:26,836 —> 00:17:29,670
Just all of it.

403
00:17:29,672 —> 00:17:31,171
Okay,

404

00:17:31,173 —> 00:17:33,691

so w-what do you guys

got going on tonight?

405

00:17:33,693 —> 00:17:37,078

Raj is taking me to the

Sound of Music sing-along.

406

00:17:37,080 —> 00:17:39,030

Sound of Music sing-along?

407

00:17:39,032 —> 00:17:41,449

That used to be our thing,

but that's cool.

408

00:17:41,451 —> 00:17:43,734

Oh, Howard,

it's still our thing.

409

00:17:43,736 —> 00:17:45,803

Come with us, we'll, we'll

get you a scalped ticket.

410

00:17:45,805 —> 00:17:48,673

So I'd be sitting by myself?

411

00:17:48,675 —> 00:17:49,790

We'll switch.

412

00:17:49,792 —> 00:17:51,592

You'll come sit with me

after intermission.

413

00:17:51,594 —> 00:17:55,212

So I-I-I'd be sitting by myself

during "Edelweiss"?

414

00:17:55,214 —> 00:17:56,847

No, no,

415

00:17:56,849 —> 00:17:58,182

you guys go.

416

00:17:58,184 —> 00:17:59,784

Have fun.

417

00:17:59,786 —> 00:18:01,385

Okay, uh, will I get

to see you tomorrow?

418

00:18:01,387 —> 00:18:02,219

Absolutely.

419

00:18:02,221 —> 00:18:03,370

See you, Stuart.

420

00:18:03,372 —> 00:18:05,723

Yeah, yeah.

421

00:18:05,725 —> 00:18:08,709

Is he taller?

422

00:18:10,679 —> 00:18:14,815

At least my mother made her

boyfriend climb out the window.

423

00:18:16,985 —> 00:18:21,388

All right, standard state fair
pie-eating contest rules are:

424
00:18:21,390 —> 00:18:24,325
no hands, first one
to clean the pan wins.

425
00:18:24,327 —> 00:18:25,493
(both exhale)

426
00:18:25,495 —> 00:18:27,311
On the count of three.

427
00:18:27,313 —> 00:18:29,447
One, two...

428
00:18:29,449 —> 00:18:31,682
Wait.

429
00:18:32,517 —> 00:18:34,669
I'm a little concerned.

430

Anybody home?

138
00:05:59,879 —> 00:06:01,879
Hey-hey-hey,
what are you doing here?

139
00:06:01,881 —> 00:06:04,382
I just thought I'd
stop by and say hello.

140
00:06:04,384 —> 00:06:06,217
Oh, what a nice surprise.
Oh.

141

00:06:06,219 —> 00:06:08,302

I don't think you've

ever seen my lab before.

142

00:06:08,304 —> 00:06:10,554

No, I know.

It's long overdue.

143

00:06:10,556 —> 00:06:12,006

So, what ya doing?

144

00:06:12,008 —> 00:06:14,892

Better not be building

a robot girlfriend.

145

00:06:14,894 —> 00:06:17,561

No. Although Howard was

making some real strides

146

00:06:17,563 —> 00:06:20,514

in that area until

he met Bernadette.

147

00:06:20,516 —> 00:06:22,266

You're kidding.

Nope.

148

00:06:22,268 —> 00:06:24,435

Now the Lisatronic 3000

just sits in a box

149

00:06:24,437 —> 00:06:26,070

waiting for the phone to ring.

150

00:06:29,491 —> 00:06:31,058

Ooh! What's going on in here?

151

00:06:31,060 —> 00:06:32,576

Oh, no, no, no,

don't look in there.

152

00:06:32,578 —> 00:06:33,727

What, is it secret?

153

00:06:33,729 —> 00:06:35,329
No, it's a nitrogen laser.

154
00:06:35,331 —> 00:06:38,416
It'll cook your eyeball
like a soft-boiled egg.

155
00:06:38,418 —> 00:06:40,785
Oh. You might want
to put a sign on it.

156
00:06:40,787 —> 00:06:44,038
Sign right there.

157
00:06:44,040 —> 00:06:47,091
Ah. "Danger," sure, sure.

158
00:06:47,093 —> 00:06:48,259
Yeah. What's, what's that?

159
00:06:48,261 —> 00:06:51,262
Uh, that is an
integrated ion trap

160

00:06:51,264 —> 00:06:53,013

and time-of-flight

mass spectrometer.

161

00:06:53,015 —> 00:06:55,516

Wow. High-techie-techie.

162

00:06:56,618 —> 00:06:58,719

What's this little box?

163

00:06:58,721 —> 00:07:02,890

That is a pencil

sharpener.

164

00:07:02,892 —> 00:07:04,809

Ooh, low-techie-techie.

165

00:07:04,811 —> 00:07:07,594

So, what are you

working on right now?

166

00:07:07,596 —> 00:07:10,114
It's actually pretty neat.
Yeah?

167
00:07:10,116 —> 00:07:12,616
Yeah. It's a front-projected
holographic display

168
00:07:12,618 —> 00:07:14,869
combined with laser-based
finger tracking.

169
00:07:14,871 —> 00:07:17,104
Here, I'll show you.

170
00:07:17,106 —> 00:07:20,291
We'll just put this
pencil over here.

171
00:07:20,293 —> 00:07:22,710
Sharp. Thanks to the machine
we saw earlier.

172

00:07:25,964 —> 00:07:27,465
Very good.

173
00:07:28,583 —> 00:07:33,504
And then a laser will map
the reflective surface...

174
00:07:33,506 —> 00:07:36,223
and voilà.

175
00:07:36,225 —> 00:07:40,561
Wow. That is amazing.

176
00:07:43,482 —> 00:07:45,933
You know, there's a foundational
idea in string theory

177
00:07:45,935 —> 00:07:48,736
that the whole universe
may be a hologram.

178
00:07:48,738 —> 00:07:50,654
What do you mean?

179

00:07:51,523 —> 00:07:52,639

(gasps)

180

00:07:52,641 —> 00:07:54,641

Oh!

181

00:07:54,643 —> 00:07:56,243

Wow.

182

00:07:56,245 —> 00:07:57,361

Uh-huh.

183

00:07:57,363 —> 00:07:58,979

Well, the holographic principle

suggests

184

00:07:58,981 —> 00:08:02,816

that what we all experience

every day in three dimensions

185

00:08:02,818 —> 00:08:08,289

may really just be information

186
00:08:08,291 —> 00:08:10,157
on a surface located

187
00:08:10,159 —> 00:08:13,260
at the farthest reaches
of our cosmos.

188
00:08:14,463 —> 00:08:18,665
So it's possible
that our lives are

189
00:08:18,667 —> 00:08:21,101
really just acting
out a painting

190
00:08:21,103 —> 00:08:24,388
on the largest canvas
in the universe.

191
00:08:24,390 —> 00:08:26,390
Hmm.

192

00:08:26,392 —> 00:08:27,775

What?

193

00:08:27,777 —> 00:08:31,729

Sometimes I forget

how smart you are.

194

00:08:31,731 —> 00:08:33,731

(chuckles)

195

00:08:38,320 —> 00:08:40,687

You should visit

more often.

196

00:08:43,375 —> 00:08:44,625

What are you doing?

197

00:08:46,411 —> 00:08:48,462

Take off your clothes.

198

00:08:48,464 —> 00:08:50,047

What? Here? Now?

199

00:08:50,049 —> 00:08:51,248

Yeah. You got a problem

with that?

200

00:08:51,250 —> 00:08:54,218

No, no. It's kind of crazy.

201

00:08:54,220 —> 00:08:56,387

I've never fooled around

in the lab before.

202

00:08:56,389 —> 00:08:57,671

Really? Never?

203

00:08:57,673 —> 00:08:59,390

No. I did have a shot

with the Lisatronic,

204

00:08:59,392 —> 00:09:02,810

but the extension cord

wasn't long enough.

205

00:09:07,682 —> 00:09:10,935

Before I forget, I'd like

your opinion on the menus

206

00:09:10,937 —> 00:09:13,270

I've prepared

for the Halloween party.

207

00:09:13,272 —> 00:09:17,724

The theme is "food

that goes bump in the night."

208

00:09:18,793 —> 00:09:22,947

"Creature from

the Black Forest Ham Lagoon."

209

00:09:22,949 —> 00:09:26,917

On Sesame seed Bunzillas.

210

00:09:27,919 —> 00:09:32,072

"Night of the Living

Garlic Bread"?

211

00:09:32,074 —> 00:09:36,343

It's funny because "bread"

sounds like "dead".

212

00:09:37,929 —> 00:09:40,798

I'm sorry, but these

are just ordinary foods

213

00:09:40,800 —> 00:09:43,417

with the names bent

into tortured puns.

214

00:09:43,419 —> 00:09:46,520

The dishes themselves

are in no way Halloweenie.

215

00:09:46,522 —> 00:09:49,089

Ooh, Hallow-weenies!

216

00:09:50,442 —> 00:09:51,758

That's a good one.

217

00:09:51,760 —> 00:09:55,429

They'll pair nicely

with my "Draculoni and Cheese."

218

00:09:56,464 —> 00:09:58,148

How do I do it?!

219

00:10:00,118 —> 00:10:01,368

That reminds me, I was thinking

220

00:10:01,370 —> 00:10:02,936

about wearing my NASA jumpsuit

as a costume.

221

00:10:02,938 —> 00:10:04,655

But then I realized everyone

would be, like,

222

00:10:04,657 —> 00:10:05,939

"Where's your costume?

223

00:10:05,941 —> 00:10:08,125

Why are you wearing your work
clothes, you nut?"

224
00:10:09,661 —> 00:10:11,996
Hello, boys.

225
00:10:15,734 —> 00:10:17,084
What are you smiling at?

226
00:10:17,086 —> 00:10:19,670
Nothing.

227
00:10:20,572 —> 00:10:22,122
You know where's there's
a lot of nothing.

228
00:10:22,124 —> 00:10:24,141
OTHERS:
Space.

229
00:10:28,630 —> 00:10:32,966
Boy, it's nice to sleep in
a bed with gravity again.

230

00:10:32,968 —> 00:10:34,768

Did I tell you

about the night

231

00:10:34,770 —> 00:10:35,686

my retainer floated out

232

00:10:35,688 —> 00:10:37,154

of my mouth

and into the air lock?

233

00:10:37,156 —> 00:10:41,992

Yeah, you mentioned it

once or twice.

234

00:10:41,994 —> 00:10:44,078

So, here we are,

235

00:10:44,080 —> 00:10:47,031

just a couple

of young newlyweds.

236

00:10:47,033 —> 00:10:48,666

What to do?

237

00:10:48,668 —> 00:10:51,251

What to do to you?

238

00:10:55,156 —> 00:10:59,710

Astronaut Wolowitz,

reporting for booty.

239

00:11:01,129 —> 00:11:03,764

Preparing thrusters.

240

00:11:04,666 —> 00:11:06,767

We have liftoff.

241

00:11:10,672 —> 00:11:13,006

Are we clear to jettison

that nightgown?

242

00:11:13,008 —> 00:11:15,059

Okay, we need to talk.

243

00:11:15,061 —> 00:11:17,111

What?

244

00:11:17,113 —> 00:11:18,979

Howie, I know you

went to space.

245

00:11:18,981 —> 00:11:20,948

I'm incredibly

proud of you.

246

00:11:20,950 —> 00:11:22,533

But you might want to try

247

00:11:22,535 —> 00:11:23,851

and not bring it up

every minute.

248

00:11:23,853 —> 00:11:26,537

I don't talk about it

every minute.

249

00:11:26,539 —> 00:11:29,690

Tonight at dinner you went on

about it for an hour straight.

250

00:11:29,692 —> 00:11:31,825

What was I supposed

to talk about?

251

00:11:31,827 —> 00:11:34,411

We were eating

at Johnny Rockets.

252

00:11:34,413 —> 00:11:36,880

I'm just saying,

253

00:11:36,882 —> 00:11:39,049

people are getting

a little tired of it.

254

00:11:39,051 —> 00:11:42,136

So, I did this

amazing thing

255

00:11:42,138 —> 00:11:45,055

and I'm never allowed

to mention it?

256

00:11:45,057 —> 00:11:46,540

Of course you can.

257

00:11:46,542 —> 00:11:48,875

But maybe a good

rule would be

258

00:11:48,877 —> 00:11:50,844

to wait for people

to bring it up.

259

00:11:50,846 —> 00:11:55,048

Okay, no problem.

260

00:11:55,050 —> 00:11:56,100

It won't happen again.

261

00:11:56,102 —> 00:11:57,884

I love you.

262

00:11:57,886 —> 00:11:59,386

I love you, too.

263

00:12:01,239 —> 00:12:04,608

I can't tell you how

many times I dreamed

264

00:12:04,610 —> 00:12:09,363

I was in bed here

with you when I was...

265

00:12:09,365 —> 00:12:11,949

you know.

(clicks tongue.)

266

00:12:11,951 —> 00:12:15,919

What, I can't even point?

267

00:12:24,158 —> 00:12:27,794

So, basically, this is what's

called mag-lev technology.

268

00:12:27,796 —> 00:12:30,830

It uses very powerful

electromagnets

269

00:12:30,832 —> 00:12:33,549

to create a force strong

enough to overcome gravity.

270

00:12:33,551 —> 00:12:35,551

Here, you hold this.

271

00:12:35,553 —> 00:12:37,670

Whoa! That's heavy.

272

00:12:37,672 —> 00:12:40,139

Yeah. Oh, uh, you don't have

on any jewelry, do you?

273

00:12:40,141 —> 00:12:42,291

No. Why?

274

00:12:42,293 —> 00:12:44,811
A grad student forgot to take
out one of his piercings.

275
00:12:44,813 —> 00:12:47,096
Now he's on a
transplant list

276
00:12:47,098 —> 00:12:48,931
waiting for a
nipple his size.

277
00:12:50,267 —> 00:12:52,902
Now watch this.

278
00:12:52,904 —> 00:12:55,471
(low buzzing)
(gasps)

279
00:12:55,473 —> 00:12:59,108
Whoa!
That is very cool.

280

00:12:59,110 —> 00:13:01,360
Sometimes I like
to turn this on

281
00:13:01,362 —> 00:13:04,497
and pretend I'm the
super villain Magneto.

282
00:13:05,783 —> 00:13:08,084
It's getting a little
less cool, Leonard.

283
00:13:08,086 —> 00:13:11,337
But what I really am is
a very smart scientist

284
00:13:11,339 —> 00:13:13,089
who understands the
mechanics of the universe

285
00:13:13,091 —> 00:13:15,441
and is wearing the sexy black
underwear you bought him.

286

00:13:15,443 —> 00:13:17,326

There we go.

287

00:13:19,830 —> 00:13:22,632

So, I thought the photo

booth for the party could

288

00:13:22,634 —> 00:13:24,717

either be creepy like

a mummy's tomb,

289

00:13:24,719 —> 00:13:27,687

or they also have the Tardis

from Doctor Who.

290

00:13:27,689 —> 00:13:29,639

A Tardis makes no sense.

291

00:13:29,641 —> 00:13:32,508

It's a time machine

from a science-fiction show.

292

00:13:32,510 —> 00:13:34,076
It has nothing to do
with Halloween.

293
00:13:34,078 —> 00:13:36,562
That being said,
if you don't get a Tardis,

294
00:13:36,564 —> 00:13:38,447
you stink
and your party stinks.

295
00:13:39,967 —> 00:13:41,567
Do you have a preference?

296
00:13:41,569 —> 00:13:43,069
I don't care. Get the Tardis.

297
00:13:43,071 —> 00:13:47,456
Yes! This party just
became a major rager.

298
00:13:48,408 —> 00:13:49,458

Oh, by the way,

299
00:13:49,460 —> 00:13:51,110
can I borrow your
bullwhip and fedora?

300
00:13:51,112 —> 00:13:53,246
Yeah, sure, whatever.

301
00:13:53,248 —> 00:13:56,332
I was thinking of dressing up
as Indiana Jones'

302
00:13:56,334 —> 00:13:58,084
mocha-skinned love child.

303
00:14:00,087 —> 00:14:02,672
"Indian" Jones.

304
00:14:04,141 —> 00:14:06,459
Clever.

305

00:14:06,461 —> 00:14:07,810
What's wrong with you?

306
00:14:07,812 —> 00:14:09,378
Nothing.

307
00:14:09,380 —> 00:14:11,314
Oh, Howard, I've got
a party to plan.

308
00:14:11,316 —> 00:14:14,116
Don't make me
pull it out of you.

309
00:14:14,118 —> 00:14:16,152
Okay, here it is.

310
00:14:16,154 —> 00:14:18,938
Bernadette said you guys are
all sick of me

00:08:54,961 —> 00:08:57,645
I was thinking of writing a
book called A Brief History of

217
00:08:57,647 —> 00:09:00,898
the Time I Made Stephen Hawking
Cry Like a Little Girl.

218
00:09:00,900 —> 00:09:03,518
There's the problem.

219
00:09:03,520 —> 00:09:05,302
You can't beat Hawking
like that.

220
00:09:05,304 —> 00:09:06,521

He hates to lose.

221
00:09:06,523 —> 00:09:08,689
Everyone knows the
guy's a big baby.

222
00:09:08,691 —> 00:09:12,527
I mean, forget the wheelchair,
he should be in a stroller.

223
00:09:14,746 —> 00:09:16,447
Really?

224
00:09:16,449 —> 00:09:18,332
One time when I was
working with him,

225
00:09:18,334 —> 00:09:21,335
he said that Johnny Depp
was in The Matrix.

226
00:09:21,337 —> 00:09:24,121
I told him he was wrong,

but he kept insisting.

227
00:09:24,123 —> 00:09:26,624
So I looked it up
online and showed him.

228
00:09:26,626 —> 00:09:29,510
Well, the next day,
he had a pizza party,

229
00:09:29,512 —> 00:09:33,464
and everyone got invited but me.

230
00:09:34,182 —> 00:09:35,550
And then he was all,

231
00:09:35,552 —> 00:09:37,602
(imitating Stephen Hawking):
"Your invitation must have

232
00:09:37,604 —> 00:09:41,105
gotten lost in the matrix."

233

00:09:43,742 —> 00:09:46,644

Good Lord,

what have I done?

234

00:09:46,646 —> 00:09:49,113

(American accent):

Good Lord, what have I done?

235

00:09:51,984 —> 00:09:54,285

Terrible.

236

00:09:54,287 —> 00:09:57,688

All right, hotshot,

let's hear your Indian.

237

00:09:57,690 —> 00:09:59,523

(Indian accent):

I can't sit on that elephant,

238

00:09:59,525 —> 00:10:03,694

ass is on fire

from eating all this curry.

239

00:10:07,132 —> 00:10:08,966

Okay, yeah, that's pretty good.

240

00:10:30,555 —> 00:10:32,523

Please be good.

241

00:10:32,525 —> 00:10:34,692

Please be good.

242

00:10:38,647 —> 00:10:40,531

Uh-huh.

243

00:10:42,367 —> 00:10:45,603

Uh-huh.

244

00:10:45,605 —> 00:10:47,605

Okay.

245

00:10:47,607 —> 00:10:50,808

She writes like she cooks.

246

00:10:59,002 —> 00:11:01,253

Play.

247

00:11:01,255 —> 00:11:03,705

Play. Play.

248

00:11:03,707 —> 00:11:05,340

Play.

249

00:11:05,342 —> 00:11:07,209

Play.

250

00:11:07,211 —> 00:11:08,626

What are you doing?

251

00:11:09,479 —> 00:11:11,430

Trying to use a Jedi mind trick

252

00:11:11,432 —> 00:11:13,682

to control Stephen Hawking.

253

00:11:14,517 —> 00:11:15,550

Play.

254
00:11:15,552 —> 00:11:17,569
Play.

255
00:11:17,571 —> 00:11:18,820
Oh...

256
00:11:18,822 —> 00:11:22,541
He must be wearing
a tinfoil hat or something.

257
00:11:22,543 —> 00:11:24,860
I did a bad thing.

258
00:11:24,862 —> 00:11:26,378
Does it affect me?

259
00:11:26,380 —> 00:11:27,329
No.

260
00:11:27,331 —> 00:11:29,647

Then suffer in silence.

261

00:11:29,649 —> 00:11:31,283

Play.

262

00:11:31,285 —> 00:11:34,786

Play. Play.

263

00:11:34,788 —> 00:11:36,654

(knocking)

Stephen Hawking...

264

00:11:36,656 —> 00:11:40,075

Stephen Hawking...

Stephen Hawking.

265

00:11:40,927 —> 00:11:43,211

Penny started taking a class.

266

00:11:43,213 —> 00:11:44,996

She wrote a paper,

she didn't want me to read it,

267

00:11:44,998 —> 00:11:46,664

I went behind her back

and I read it anyway.

268

00:11:46,666 —> 00:11:48,850

Stephen Hawking hates me.

269

00:11:49,686 —> 00:11:51,219

I don't know what to do.

270

00:11:51,221 —> 00:11:52,504

I mean, the paper's terrible.

271

00:11:52,506 —> 00:11:54,723

But if I tell her,

she'll know that I read it

272

00:11:54,725 —> 00:11:56,074

and she'll get really mad.

273

00:11:56,076 —> 00:11:57,342

I was beating him so bad,

274

00:11:57,344 —> 00:11:59,344

he doesn't want

to be friends anymore.

275

00:11:59,346 —> 00:12:02,781

Why does everyone love me

except Stephen Hawking?

276

00:12:02,783 —> 00:12:06,018

Is it possible we're having

two different conversations?

277

00:12:06,020 —> 00:12:07,319

How would I know?

278

00:12:07,321 —> 00:12:09,321

I'm not listening to you.

279

00:12:10,189 —> 00:12:11,456

Hang on.

280

00:12:13,242 —> 00:12:14,242
Okay.

281
00:12:14,244 —> 00:12:15,410
Here's what we're gonna do.

282
00:12:15,412 —> 00:12:16,645
Chess clock.

283
00:12:16,647 —> 00:12:19,131
We each get five minutes
to talk about our problems.

284
00:12:19,133 —> 00:12:20,165
We'll take turns.

285
00:12:20,167 —> 00:12:21,583
Each turn will consist of

286
00:12:21,585 —> 00:12:24,469
a statement and a helpful
response from the friend.

287

00:12:24,471 —> 00:12:25,954

Begin.

288

00:12:25,956 —> 00:12:28,807

I humiliated Stephen Hawking

289

00:12:28,809 —> 00:12:30,208

in a game of Words with Friends.

290

00:12:30,210 —> 00:12:31,309

He stopped playing.

291

00:12:31,311 —> 00:12:32,794

And now we're not

friends anymore.

292

00:12:32,796 —> 00:12:34,763

He's probably busy.

293

00:12:34,765 —> 00:12:36,214

You're worried about nothing.

294

00:12:36,216 —> 00:12:37,799

Give it

a couple more days.

295

00:12:37,801 —> 00:12:39,401

I'm sure he'll play, and you'll

see that everything's fine.

296

00:12:39,403 —> 00:12:41,887

My turn.

297

00:12:41,889 —> 00:12:43,772

I can't let Penny

hand in a bad paper,

298

00:12:43,774 —> 00:12:45,407

but how do I tell her it's bad

299

00:12:45,409 —> 00:12:47,092

without letting her know

that I read it?

300

00:12:47,094 —> 00:12:48,443
Hmm.

301
00:12:48,445 —> 00:12:49,894
Beats me. Now...

302
00:12:51,697 —> 00:12:53,415
I know Hawking's not busy

303
00:12:53,417 —> 00:12:56,034
because I can see he's playing
other people right now.

304
00:12:56,036 —> 00:12:58,420
Maybe since you're so good,

305
00:12:58,422 —> 00:13:00,872
he's taking his time
to meet the challenge.

306
00:13:00,874 —> 00:13:02,207
I want Penny to enjoy school...

307

00:13:02,209 —> 00:13:04,376

Wolowitz told me

he's a big baby!

308

00:13:04,378 —> 00:13:05,861

But I didn't know that,

309

00:13:05,863 —> 00:13:08,079

and I played "extract"

for 82 points.

310

00:13:08,081 —> 00:13:10,465

It's all Amy's fault.

She told me to play it.

311

00:13:10,467 —> 00:13:12,901

I have got to cut her loose.

312

00:13:13,770 —> 00:13:16,388

Sheldon, I wasn't done talking.

313

00:13:16,390 —> 00:13:18,140

She hands in the paper tomorrow.

314

00:13:18,142 —> 00:13:19,808

I know I could help her.

315

00:13:19,810 —> 00:13:21,526

And she's my girlfriend...

316

00:13:21,528 —> 00:13:22,978

I-I should be

allowed to help her.

317

00:13:22,980 —> 00:13:24,496

Why aren't I allowed

to help her?

318

00:13:24,498 —> 00:13:26,598

Yeah, I hear you, brother.

319

00:13:26,600 —> 00:13:28,784

No.

320

00:13:28,786 —> 00:13:30,102

You need to give me some advice.

321

00:13:30,104 —> 00:13:32,003

Fine. Women, huh?

322

00:13:32,005 —> 00:13:33,688

No...

323

00:13:34,757 —> 00:13:37,692

Specific to my situation.

324

00:13:37,694 —> 00:13:39,094

Blonde women, huh?

325

00:13:41,531 —> 00:13:43,048

Empathetic!

326

00:13:43,050 —> 00:13:45,283

It sucks to be you.

I quit.

327

00:13:45,285 —> 00:13:47,536
Leonard, wait. No.

328
00:13:47,538 —> 00:13:50,806
I listened to your dumb thing.

329
00:13:50,808 —> 00:13:52,207
Leonard, come back.

330
00:13:52,209 —> 00:13:53,458
Leonard,
come back.

331
00:13:53,460 —> 00:13:54,493
Leonard, come back.

332
00:13:54,495 —> 00:13:55,977
What?
Oh, of course,

333
00:13:55,979 —> 00:13:58,396
it only works
on the weak-minded.

334

00:14:07,306 —> 00:14:10,075

(singsongy): Good morning,

sunshine.

335

00:14:10,927 —> 00:14:12,477

Leonard.

336

00:14:12,479 —> 00:14:14,145

It's 8:00 a.m.

337

00:14:14,147 —> 00:14:16,648

It's like the middle

of the night.

338

00:14:17,416 —> 00:14:19,501

I know, but I have

to go to work,

339

00:14:19,503 —> 00:14:21,453

and I made you

breakfast.

340

00:14:21,455 —> 00:14:23,371

Oh, wow,

that's so sweet.

341

00:14:23,373 —> 00:14:24,956

Hey, what's this?

Uh,

342

00:14:24,958 —> 00:14:27,008

before you open that, um,

are you familiar

343

00:14:27,010 —> 00:14:29,678

with the story of

"The Shoemaker and the Elves"?

344

00:14:29,680 —> 00:14:30,995

Elves? Come on, Leonard.

345

00:14:30,997 —> 00:14:33,765

- It's too early for Lord of the Rings.

- No, no.

346

00:14:37,053 —> 00:14:38,270

Listen, um...

347

00:14:38,272 —> 00:14:40,171

Once upon a time,

there was this shoemaker

348

00:14:40,173 —> 00:14:42,023

and when he went

to bed at night,

349

00:14:42,025 —> 00:14:43,358

elves would sneak in

350

00:14:43,360 —> 00:14:45,677

and they would make

all these amazing

351

00:14:45,679 —> 00:14:46,811

shoes for him.

352

00:14:46,813 —> 00:14:48,530

And when the shoemaker

woke up in the morning,

353

00:14:48,532 —> 00:14:50,699

he-he would be super happy,

354

00:14:50,701 —> 00:14:53,785

not mad at the elves at all.

355

00:14:54,620 —> 00:14:56,388

Open it.

356

00:14:56,390 —> 00:14:58,540

Okay.

(clears throat)

357

00:14:58,542 —> 00:15:01,243

"An examination

of the economic, cultural,

358

00:15:01,245 —> 00:15:03,411

and political roots of slavery

359

00:15:03,413 —> 00:15:06,998

in the Old South:

1619 to 1865."

360

00:15:07,817 —> 00:15:10,302

What the hell is this?

361

00:15:10,304 —> 00:15:13,471

Don't ask me.

A little elf did it.

362

00:15:15,308 —> 00:15:17,092

So let me get this straight.

363

00:15:17,094 —> 00:15:19,594

You just assumed my paper

would be bad

364

00:15:19,596 —> 00:15:21,296

so you wrote one for me?

365

00:15:21,298 —> 00:15:22,914

No, I assumed it would be good.

Then I read it.

366

00:15:22,916 —> 00:15:24,633

What?!

No, I...

367

00:15:24,635 —> 00:15:26,651

I mean, it was good.

368

00:15:26,653 —> 00:15:29,354

There were just a few things

that needed a little polishing.

369

00:15:29,356 —> 00:15:32,157

W... You changed every word.

That's not true.

370

00:15:32,159 —> 00:15:33,224

Uh...

371

00:15:33,226 —> 00:15:34,492

"Slavery."

372

00:15:36,746 —> 00:15:38,863

"1619,"

373

00:15:38,865 —> 00:15:41,666

your name at the top—

that's all you.

374

00:15:42,501 —> 00:15:44,319

You are such an ass.

375

00:15:44,321 —> 00:15:45,737

This is exactly why

I didn't want to tell you

376

00:15:45,739 —> 00:15:47,572

I was taking a class

in the first place.

377

00:15:47,574 —> 00:15:49,257

Please don't be upset.

I-I just...

378

00:15:49,259 —> 00:15:51,543

I didn't want you ending up

with a bad grade

379

00:15:51,545 —> 00:15:53,578

and get discouraged

and give up on the idea

380

00:15:53,580 —> 00:15:54,679

of going back to school.

381

00:15:54,681 —> 00:15:56,881

Right, because me

being in school

382

00:15:56,883 —> 00:15:58,300

is so important to you.

383

00:15:58,302 —> 00:16:00,568

That way, you wouldn't have

to be dating someone

384

00:16:00,570 —> 00:16:01,886
who's only a waitress.

385
00:16:01,888 —> 00:16:03,588
Oh, come on, you know
that's not true.

386
00:16:03,590 —> 00:16:05,089
Do I? Listen to me.

387
00:16:05,091 —> 00:16:06,725
I need to do this on my own.

388
00:16:06,727 —> 00:16:08,926
If I fail, I fail.
If I pass, I pass.

389
00:16:08,928 —> 00:16:09,927
Do you get it?

390
00:16:09,929 —> 00:16:11,396
I'm sorry.
I was just trying

391

00:16:11,398 —> 00:16:13,615

to help.

Yeah, well, next time don't.

392

00:16:14,533 —> 00:16:16,584

Oh, and since

you like stories so much,

393

00:16:16,586 —> 00:16:18,303

this is not "The Shoemaker

and the Elves," okay?

394

00:16:18,305 —> 00:16:20,872

This is, "Give a man a fish,

he eats it.

395

00:16:20,874 —> 00:16:22,290

"Teach a man to fish, he...

396

00:16:22,292 —> 00:16:24,108

sells it or something."

Whatever, I don't know!

397

00:16:24,110 —> 00:16:26,261

It's just a lot better

than what you did, you big jerk!

398

00:16:27,697 —> 00:16:29,831

(door slams)

399

00:16:32,285 —> 00:16:34,869

You ever hear back

from Hawking?

400

00:16:34,871 —> 00:16:36,554

No.

401

00:16:36,556 —> 00:16:38,807

It would appear

as if I've lost him.

402

00:16:38,809 —> 00:16:40,792

Stupid brain.

403

00:16:42,628 —> 00:16:43,762
It'll be okay.

404
00:16:43,764 —> 00:16:45,814
How can it be okay?

405
00:16:45,816 —> 00:16:47,365
Stephen Hawking's a genius

406
00:16:47,367 —> 00:16:49,317
and he talks like a robot.

407
00:16:49,319 —> 00:16:52,470
It's everything I've ever wanted
in a friend.

408
00:16:53,272 —> 00:16:54,773
Yeah, but if he's
a sore loser,

409
00:16:54,775 —> 00:16:56,274
maybe you're better
off without him.

410

00:16:57,109 —> 00:16:58,660

You're right.

411

00:16:58,662 —> 00:17:01,813

I guess I just have to make

lemonade out of the two of you.

412

00:17:04,817 —> 00:17:05,784

(chime)

413

00:17:05,786 —> 00:17:07,752

(gasps) He played!

He played!

414

00:17:07,754 —> 00:17:11,456

Coop and Rolling Thunder

are together again.

415

00:17:12,274 —> 00:17:15,159

He was okay with that nickname.

416

00:17:15,161 —> 00:17:17,360
So, now all you have to do
is let him win.

417
00:17:17,385 —> 00:17:19,346
Yeah,
way ahead of you.

418
00:17:19,349 —> 00:17:21,716
I will play the word "at"

419
00:17:21,718 —> 00:17:24,619
for two measly points,
throwing the game

420
00:17:24,621 —> 00:17:26,137
and thus securing my friendship

421
00:17:26,139 —> 00:17:28,390
with the smartest man
in the world.

422
00:17:35,798 —> 00:17:37,849

What are you waiting for?

Hit "send."

423

00:17:37,851 —> 00:17:39,016

I can't.

424

00:17:39,018 —> 00:17:41,569

Losing on purpose

is intellectually dishonest.

425

00:17:41,571 —> 00:17:42,871

So don't do it.

426

00:17:42,873 —> 00:17:44,689

Oh, but I want

to be Hawking's friend.

427

00:17:44,691 —> 00:17:45,940

So do it.

428

00:17:45,942 —> 00:17:47,876

No, but if I do,

I'll be a phony,

429

00:17:47,878 —> 00:17:49,026

a sellout,

430

00:17:49,028 —> 00:17:51,329

a Hollywood poser.

431

00:17:52,164 —> 00:17:53,982

Then don't do it.

432

00:17:53,984 —> 00:17:55,617

I won't.

433

00:17:55,619 —> 00:17:57,052

This feels right.

434

00:17:57,054 —> 00:18:00,255

My mother always said,

"To thine own self be true."

435

00:18:00,257 —> 00:18:01,589

Good for you.

436

00:18:01,591 —> 00:18:03,258

'Course she also told me

that every animal in the world

437

00:18:03,260 —> 00:18:05,977

got on one boat, so what does

she know? And send.

438

00:18:12,318 —> 00:18:13,401

Oh, hey.

439

00:18:13,403 —> 00:18:14,819

Haven't heard from you

in a couple days.

440

00:18:14,821 —> 00:18:15,804

You still mad at me?

441

00:18:15,806 —> 00:18:17,054

Nope.

442

00:18:17,056 —> 00:18:19,074

I have no reason to...

443

00:18:19,076 —> 00:18:20,992

"B" mad at you.

444

00:18:22,227 —> 00:18:24,145

Minus.

445

00:18:24,147 —> 00:18:25,530

(chuckles)

446

00:18:25,532 —> 00:18:26,448

Wow.

447

00:18:26,450 —> 00:18:28,232

That's right.

On my paper.

448

00:18:28,234 —> 00:18:31,219

Not yours, mine,

you punk-ass elf.

449

00:18:32,988 —> 00:18:34,923

I don't know what to say.

450

00:18:34,925 —> 00:18:36,291

Hmm, how about,

451

00:18:36,293 —> 00:18:38,910

(mockingly): "Gee, Penny, you're smarter

than I thought.

452

00:18:38,912 —> 00:18:40,762

"You may be the one in school,

453

00:18:40,764 —> 00:18:42,881

"but I'm the one

who learned a lesson.

454

00:18:42,883 —> 00:18:46,918

I'm so stupid, Penny.

Duh..."

455

00:18:51,807 —> 00:18:54,926

She sounds exactly like you!

456
00:18:56,762 —> 00:18:58,780
How'd it go
with Leonard?

457
00:18:58,782 —> 00:19:02,033
(sighs) I don't think he'll be making
that mistake again.

458
00:19:02,035 —> 00:19:03,034
Good.

459
00:19:03,036 —> 00:19:04,035
So,

460
00:19:04,037 —> 00:19:05,102
I know this goes
without saying,

461
00:19:05,104 —> 00:19:06,371
but if either of you
tell Leonard

462

00:19:06,373 —> 00:19:07,605

you helped me rewrite

this paper,

463

00:19:07,607 —> 00:19:10,325

I will beat you both

with a bag of oranges.

464

00:19:11,143 —> 00:19:12,444

Got it.

Understood.

465

00:19:12,446 —> 00:19:15,130

Now, ladies, we got a

B-minus on this paper.

466

00:19:15,132 —> 00:19:16,831

I think if we put

our heads together,

467

00:19:16,833 —> 00:19:19,200

on the next one

we could get an "A."

468

00:19:19,202 —> 00:19:22,187

Uh, but we got you a B-minus on

purpose to make it believable.

469

00:19:22,189 —> 00:19:23,588

Believable?

470

00:19:24,540 —> 00:19:25,840

You saying I'm not smart?

471

00:19:25,842 —> 00:19:28,359

No, no!

You're smart.

472

00:19:29,178 —> 00:19:30,929

That's better.

473

00:19:32,314 —> 00:19:34,799

(quietly): I feel like I'm in

high school again.

474

00:19:34,801 —> 00:19:39,154

Yeah, doing the prom queen's

homework so she'll like us.

475

00:19:39,156 —> 00:19:41,138

I know.

476

00:19:41,140 —> 00:19:43,324

It's finally working.

477

00:19:51,641 —> 00:19:53,859

(phone rings)

478

00:19:57,063 —> 00:19:58,530

It's Stephen Hawking.

479

00:19:58,532 —> 00:20:00,399

(stutters)

Answer it.

480

00:20:00,401 —> 00:20:02,584

I want to hear.

481

00:20:03,586 —> 00:20:04,987

Professor Hawking,

482

00:20:04,989 —> 00:20:06,472

how nice of you to call.

483

00:20:06,474 —> 00:20:07,706

Hello.

484

00:20:07,708 —> 00:20:10,626

I really enjoyed our game,

Dr. Cooper.

485

00:20:10,628 —> 00:20:11,627

Oh,

486

00:20:11,629 —> 00:20:13,512

me, too.

487

00:20:13,514 —> 00:20:17,182

Or should I say Dr. Loser?

488

00:20:19,552 —> 00:20:21,086

Ha, ha, ha.

489

00:20:22,588 —> 00:20:24,540

Yes,

490

00:20:24,542 —> 00:20:25,808

congratulations.

491

00:20:25,810 —> 00:20:27,726

You won fair and square.

492

00:20:27,728 —> 00:20:29,645

Uh, very impressive, sir.

493

00:20:29,647 —> 00:20:31,647

Do you like brain teasers?

494

00:20:31,649 —> 00:20:34,099

Oh, I love brain teasers.

495

00:20:34,611 —> 00:20:36,995

What does Sheldon Cooper

496

00:20:36,997 —> 00:20:40,665

and a black hole have in common?

497

00:20:40,667 —> 00:20:42,834

They both suck.

498

00:20:49,570 —> 00:20:51,422

Neener neener.

S06EP7: The Habitation Configuration

1

00:00:02,577 —> 00:00:04,995

Hello, I'm Dr. Sheldon Cooper.

2

00:00:04,997 —> 00:00:08,765

Welcome to Sheldon Cooper

Presents: Fun with Flags.

3

00:00:10,335 —> 00:00:13,203

Before we get started,
I'd like to announce

4
00:00:13,205 —> 00:00:16,106
the winner of our design
your own flag competition.

5
00:00:16,108 —> 00:00:18,275
But I can't.

6
00:00:18,277 —> 00:00:20,944
The only entry
was from GameyGamer75,

7
00:00:20,946 —> 00:00:24,882
and I know that was a jpeg
of your buttocks.

8
00:00:24,884 —> 00:00:27,251
Now this week we have
a very special episode

9
00:00:27,253 —> 00:00:28,919

where we explore the flags

10
00:00:28,921 —> 00:00:32,222
of the popular entertainment
franchise, Star Trek.

11
00:00:32,224 —> 00:00:34,491
And to help me,
I'm pleased to introduce

12
00:00:34,493 —> 00:00:36,326
Internet personality,

13
00:00:36,328 —> 00:00:39,029
former star of Star Trek:
The Next Generation,

14
00:00:39,031 —> 00:00:42,533
and the only guy I know lucky
enough to be immortalized

15
00:00:42,535 —> 00:00:47,638
in 1/16 scale—

set phasers to "fun"...

16

00:00:49,874 —> 00:00:52,309

...for my friend, Wil Wheaton.

17

00:00:53,945 —> 00:00:55,679

Hi, Sheldon.

Thanks for having me.

18

00:00:55,681 —> 00:00:57,080

I'm happy to be here.

19

00:00:57,082 —> 00:00:58,599

Cut.

20

00:00:58,601 —> 00:00:59,700

What's wrong?

21

00:00:59,702 —> 00:01:01,969

Sorry, Sheldon, you were

brilliant as always.

22

00:01:01,971 —> 00:01:04,755
Wil, that was
a little wooden.

23
00:01:04,757 —> 00:01:07,307
Wooden?

24
00:01:07,309 —> 00:01:08,642
Don't worry,
it wasn't terrible.

25
00:01:08,644 —> 00:01:12,479
Just, this time, try to say it
the way people sound.

26
00:01:14,482 —> 00:01:15,816
And action.

27
00:01:15,818 —> 00:01:18,151
My friend, Wil Wheaton.

28
00:01:18,153 —> 00:01:19,820
Hi, Sheldon.

Thanks for having me.

29

00:01:19,822 —> 00:01:21,054

I'm excited to be here.

30

00:01:21,056 —> 00:01:23,740

So, Wil, what do you

have for us first?

31

00:01:23,742 —> 00:01:25,659

Well, this is

an exciting one.

32

00:01:25,661 —> 00:01:28,095

This is the flag of the

United Federation of Planets.

33

00:01:28,097 —> 00:01:30,063

Now what's interesting about this flag...

Cut.

34

00:01:31,332 —> 00:01:32,749

What was wrong with that?

35

00:01:32,751 —> 00:01:35,335

It's called "Fun with Flags."

36

00:01:35,337 —> 00:01:37,671

They're not at half-mast,

nobody died.

37

00:01:37,673 —> 00:01:39,840

Let's try and keep it upbeat.

38

00:01:40,725 —> 00:01:42,125

Um, no offense,

39

00:01:42,127 —> 00:01:43,894

but I've been acting

since I was a kid.

40

00:01:43,896 —> 00:01:45,596

I think I can

handle a Web show

41

00:01:45,598 —> 00:01:46,847
without a lot
of direction.

42
00:01:46,849 —> 00:01:48,098
SHELDON:
It's true.

43
00:01:48,100 —> 00:01:49,633
In 1982, Wil
played the voice

44
00:01:49,635 —> 00:01:52,302
of Martin the mouse
in The Secret of NIMH.

45
00:01:52,304 —> 00:01:54,438
You moved me.

46
00:01:55,657 —> 00:01:56,990
You'll have to forgive me.

47
00:01:56,992 —> 00:02:00,077

This is my first time directing,

I just want it to be good.

48

00:02:00,079 —> 00:02:01,478

So do I.

49

00:02:01,480 —> 00:02:03,363

Great. So, this time let's try

50

00:02:03,365 —> 00:02:05,165

more real boy, less Pinocchio.

51

00:02:06,868 —> 00:02:07,918

And action.

52

00:02:07,920 —> 00:02:09,303

And cut.

53

00:02:10,288 —> 00:02:12,422

You realize that I'm doing this

for free, right?

54

00:02:12,424 —> 00:02:16,510
Yes. And so far, we're still
not getting our money's worth.

55
00:02:18,829 —> 00:02:21,298
Let's try it again.

56
00:02:21,300 —> 00:02:23,166
Everybody's having fun.

57
00:02:23,168 —> 00:02:25,135
And action.

58
00:02:25,137 —> 00:02:27,337
So, Wil...

59
00:02:34,779 —> 00:02:37,080
...what do you have
for us first?

60
00:02:37,082 —> 00:02:41,318
Well, this is
an exciting one.

61

00:02:41,320 —> 00:02:42,886

This is the flag

62

00:02:42,888 —> 00:02:44,888

of the United

Federation of Planets.

63

00:02:44,890 —> 00:02:46,156

Cut.

64

00:02:46,158 —> 00:02:48,959

Problem,

first-time director?

65

00:02:48,961 —> 00:02:50,210

SHELDON:

Oh, none that I could see.

66

00:02:50,212 —> 00:02:53,664

I saw a man who loved flags

almost as much as I do.

67

00:02:53,666 —> 00:02:56,166

I got goose bumps.

68

00:02:56,168 —> 00:02:58,368

He was overacting on purpose.

69

00:10:28,389 —> 00:10:32,007
Wow, excuse me.

238
00:10:32,842 —> 00:10:34,510
That was just for her benefit.

239
00:10:34,512 —> 00:10:36,479
I'll move tomorrow. I love you.
Don't leave me.

240
00:10:41,318 —> 00:10:43,185
Amy.

241
00:10:43,187 —> 00:10:45,187
Amy.

242
00:10:45,189 —> 00:10:47,573
Angry Amy.

243

00:10:47,575 —> 00:10:49,792

What?

244

00:10:49,794 —> 00:10:52,244

I've been thinking about

what happened,

245

00:10:52,246 —> 00:10:54,497

and I hope this gift

246

00:10:54,499 —> 00:10:56,582

will make things better.

247

00:10:58,385 —> 00:11:01,637

Star Trek DVDs?

248

00:11:01,639 —> 00:11:02,888

Why would I want this?

249

00:11:02,890 —> 00:11:05,090

First of all, you're welcome.

250

00:11:06,092 —> 00:11:08,043

Furthermore, not being familiar

251

00:11:08,045 —> 00:11:09,478

with Wil Wheaton's body of work,

252

00:11:09,480 —> 00:11:11,063

there was no way for you to know

253

00:11:11,065 —> 00:11:12,932

you were being rude

to a national treasure.

254

00:11:14,267 —> 00:11:17,703

Get ready for 130 hours

of "I told you so."

255

00:11:21,174 —> 00:11:22,741

Fine.

256

00:11:22,743 —> 00:11:25,394

I'll just tell you what happens.

257

00:11:25,396 —> 00:11:28,397

Episode one,

"Encounter at Farpoint."

258

00:11:28,399 —> 00:11:29,698

Fade in.

259

00:11:29,700 —> 00:11:32,585

The new Enterprise heads out

on its maiden voyage

260

00:11:32,587 —> 00:11:35,287

to contact the Bandi people

of Deneb IV.

261

00:11:35,289 —> 00:11:38,374

Enter Wesley Crusher,

played by my buddy...

262

00:11:42,963 —> 00:11:45,181

She's hooked.

263

00:11:56,909 —> 00:11:57,943

Wow.

264

00:11:57,944 —> 00:11:59,693

An end of an era.

265

00:11:59,695 —> 00:12:00,861

(sighs)

266

00:12:00,863 —> 00:12:04,715

Boy, if these walls could talk.

267

00:12:04,717 —> 00:12:08,336

They'd say, "Why does he

touch himself so much?"

268

00:12:12,925 —> 00:12:14,642

Yeah.

269

00:12:16,979 —> 00:12:20,248

I can't believe I'm not going

to live here anymore.

270

00:12:20,250 —> 00:12:23,601

This has always been my bedroom.

271

00:12:23,603 —> 00:12:27,021

Right here is where my mom

used to mark my height.

272

00:12:27,023 —> 00:12:28,722

Oh, yeah.

273

00:12:28,724 —> 00:12:30,141

Fifth grade.

274

00:12:30,143 —> 00:12:31,576

Sixth grade.

275

00:12:31,578 —> 00:12:32,860

Seventh grade.

276

00:12:32,862 —> 00:12:33,995

Eighth grade.

277

00:12:33,997 —> 00:12:36,330

Ninth grade.

278

00:12:37,299 —> 00:12:39,534

I remember when I was five,

279

00:12:39,536 —> 00:12:43,538

hiding under this desk

with all my Halloween candy.

280

00:12:43,540 —> 00:12:44,905

Had some Peanut M&M'S,

281

00:12:44,907 —> 00:12:48,092

went into my first

anaphylactic shock

282

00:12:48,094 —> 00:12:51,796

and had to be rushed

to the hospital.

283

00:12:51,798 —> 00:12:53,798
Came home,
celebrated with a Snickers,

284
00:12:53,800 —> 00:12:55,716
went into my second
anaphylactic shock.

285
00:12:56,835 —> 00:12:59,887
When did you figure out
you were allergic to nuts?

286
00:12:59,889 —> 00:13:02,056
Sometime
around the third Almond Joy.

287
00:13:03,058 —> 00:13:04,425
Okay.

288
00:13:04,427 —> 00:13:06,561
You want to start loading
this stuff into the truck?

289

00:13:06,563 —> 00:13:08,262
Yeah, I guess.

290
00:13:08,264 —> 00:13:10,498
Hey, would you do me a favor?

291
00:13:10,500 —> 00:13:11,732
Go on ahead.

292
00:13:11,734 —> 00:13:16,270
I just want one last moment
alone in my old room.

293
00:13:16,272 —> 00:13:18,289
We're not standing outside
by the U-Haul

294
00:13:18,291 —> 00:13:20,458
while you fondle yourself.

295
00:13:20,460 —> 00:13:22,627
(scoffs)

296

00:13:22,629 —> 00:13:24,545

Fine, let's go.

297

00:13:31,053 —> 00:13:32,336

Hey.

298

00:13:32,338 —> 00:13:33,921

What brings you in?

299

00:13:33,923 —> 00:13:35,640

Penny, if you wouldn't mind,

300

00:13:35,642 —> 00:13:39,644

I'd like to have a conversation

about girls.

301

00:13:39,646 —> 00:13:43,197

I had a feeling we'd have a

talk like this sooner or later.

302

00:13:44,283 —> 00:13:48,302

Are you finally getting

fuzz in weird places?

303
00:13:48,304 —> 00:13:49,803
Penny, please,

304
00:13:49,805 —> 00:13:52,006
I'm on the horns
of a relationship dilemma.

305
00:13:52,008 —> 00:13:54,325
And for the record,
I had a full pubis of hair

306
00:13:54,327 —> 00:13:56,944
by the time I was 19.

307
00:13:56,946 —> 00:13:59,163
And for the record...

308
00:13:59,165 —> 00:14:01,382
(vomiting noises)

309

00:14:02,401 —> 00:14:03,784
So what are you drinking?

310
00:14:03,786 —> 00:14:05,536
Well, it's been a rough day.

311
00:14:05,538 —> 00:14:06,987
I usually go chamomile tea,

312
00:14:06,989 —> 00:14:08,856
but I don't think
that's going to cut it.

313
00:14:08,858 —> 00:14:12,076
You could have a
Long Island Iced Tea.

314
00:14:14,896 —> 00:14:18,366
Will that calm my nerves?

315
00:14:18,368 —> 00:14:21,969
It's calmed the pants
off me a couple of times.

316

00:14:21,971 —> 00:14:23,621

Sold.

317

00:14:23,623 —> 00:14:26,474

Oh.

318

00:14:26,476 —> 00:14:29,877

So, the heart you got from

the wizard giving you trouble?

319

00:14:29,879 —> 00:14:31,845

The trouble isn't with me,

Penny,

320

00:14:31,847 —> 00:14:33,364

it's with your gender.

321

00:14:33,366 —> 00:14:34,782

Someday,

scientists will discover

322

00:14:34,784 —> 00:14:36,784
that second X chromosome
contains nothing

323
00:14:36,786 —> 00:14:39,503
but nonsense and twaddle.

324
00:14:39,505 —> 00:14:41,656
Yeah, Amy told me what happened.

325
00:14:41,658 —> 00:14:43,040
Look, just apologize.

326
00:14:43,042 —> 00:14:44,659
It'll warm her twaddle.

327
00:14:44,661 —> 00:14:46,160
(groans)

328
00:14:46,162 —> 00:14:47,878
It's a Band-Aid at best.

329

00:14:47,880 —> 00:14:51,582
The core problem is that Amy
and Wil do not like each other.

330
00:14:51,584 —> 00:14:55,336
Which is baffling because
they're both crazy about me.

331
00:14:56,488 —> 00:14:57,705
And I like them,

332
00:14:57,707 —> 00:14:59,840
which indicates
they're bright and interesting

333
00:14:59,842 —> 00:15:02,426
and/or were on Star Trek.

334
00:15:02,428 —> 00:15:05,546
Honey, you can't make
people like each other.

335
00:15:05,548 —> 00:15:06,897

Not true.

336

00:15:06,899 —> 00:15:08,599

Leonard made me like you.

337

00:15:08,601 —> 00:15:11,569

And let me tell you,

that was a hard row to hoe.

338

00:15:12,821 —> 00:15:15,022

Cheers, pal.

339

00:15:16,692 —> 00:15:18,225

Ooh.

340

00:15:18,227 —> 00:15:22,079

Boy, that is a treat

that's hard to beat.

341

00:15:23,348 —> 00:15:26,567

Get the Mad Hatter on the horn,

I'm having a tea party.

342

00:15:32,090 —> 00:15:33,841

You might want to pace yourself.

343

00:15:33,843 —> 00:15:35,876

I drink tea all the time.

344

00:15:35,878 —> 00:15:38,546

I think I know what I'm doing.

345

00:15:38,548 —> 00:15:42,383

Far be it from me to criticize

a man with a full pubis.

346

00:15:43,952 —> 00:15:46,754

Look, Sheldon, your problem

is not Wil Wheaton, okay?

347

00:15:46,756 —> 00:15:48,539

Your problem is the way

you treated Amy.

348

00:15:48,541 —> 00:15:51,776

(slurps)
My problem is I'm out of tea.

349
00:15:53,094 —> 00:15:54,779
Come on, someone insulted

350
00:15:54,781 —> 00:15:56,731
your girlfriend and
you just let him do it.

351
00:15:56,733 —> 00:15:59,283
I thought you Texas guys
stood up for your womenfolk.

352
00:15:59,285 —> 00:16:01,202
Penny, please,

353
00:16:01,204 —> 00:16:04,388
I think I've evolved beyond
my simple rustic upbringing.

354
00:16:04,390 —> 00:16:06,106
Sorry.

355

00:16:06,108 —> 00:16:09,343

On the other hand, that low-down

polecat done wronged my woman.

356

00:16:12,748 —> 00:16:14,915

Welcome to Long Island, Tex.

357

00:16:16,551 —> 00:16:18,669

Amy deserves better.

358

00:16:18,671 —> 00:16:21,338

You know, when we buy

the Planter's deluxe mix,

359

00:16:21,340 —> 00:16:24,892

she eats all the Brazil nuts

so I don't have to look at them.

360

00:16:26,094 —> 00:16:29,830

She's a unique blend

of saint and squirrel.

361

00:16:29,832 —> 00:16:31,632

Yeah, that she is.

362

00:16:31,634 —> 00:16:32,616

Here you go.

363

00:16:32,618 —> 00:16:34,518

I'm a callous egomaniac.

364

00:16:34,520 —> 00:16:36,303

She's gonna leave me.

365

00:16:36,305 —> 00:16:37,421

No, she won't.

366

00:16:37,423 —> 00:16:39,640

No, she won't. I'm great.

367

00:16:46,981 —> 00:16:49,517

(exhales)

368

00:16:50,702 —> 00:16:52,953
Okay, I have now

369
00:16:52,955 —> 00:16:55,506
officially moved
out of my mother's house.

370
00:16:55,508 —> 00:16:57,541
You are now the only woman
in my life

371
00:16:57,543 —> 00:16:59,810
who I'll see naked
in the bathroom.

372
00:16:59,812 —> 00:17:02,129
I know this wasn't easy.

373
00:17:02,131 —> 00:17:03,414
You doing okay?

374
00:17:03,416 —> 00:17:04,998
Oh, I'm fine.

375

00:17:05,000 —> 00:17:06,851

It's just her I'm worried about.

376

00:17:06,853 —> 00:17:08,636

Aw, she'll be okay.

377

00:17:08,638 —> 00:17:10,588

She's a grown woman.

I know.

378

00:17:10,590 —> 00:17:12,673

It's just

ever since my dad left,

379

00:17:12,675 —> 00:17:15,142

I've felt responsible for her.

380

00:17:15,144 —> 00:17:17,728

That's a lot for a

kid to deal with.

381

00:17:17,730 —> 00:17:20,831
She was just so sad
all the time.

382
00:17:20,833 —> 00:17:24,068
Yeah, I was the only person
who could cheer her up.

383
00:17:24,070 —> 00:17:26,470
Well, me and Ben and Jerry.

384
00:17:26,472 —> 00:17:30,124
She's lucky you were there.

385
00:17:31,910 —> 00:17:34,962
You know, she's why
I first got into magic.

386
00:17:34,964 —> 00:17:36,714
I would do little shows
for her,

387
00:17:36,716 —> 00:17:40,417

hang up a bedsheet

like it was a curtain,

388

00:17:40,419 —> 00:17:42,753

put on a top hat and cape.

389

00:17:42,755 —> 00:17:44,171

And part way through the act,

390

00:17:44,173 —> 00:17:47,925

I would say I needed a volunteer

from the audience

391

00:17:47,927 —> 00:17:50,711

to be my beautiful assistant

392

00:17:50,713 —> 00:17:53,481

and invite her up on stage.

393

00:17:53,483 —> 00:17:57,217

I can still remember

the way she'd smile.

394

00:17:57,219 —> 00:17:59,904

For a few minutes,

she'd...

395

00:17:59,906 —> 00:18:02,773

forget how lonely she was.

396

00:18:02,775 —> 00:18:04,408

(sighs)

397

00:18:04,410 —> 00:18:06,327

Aw, crap.

398

00:18:06,329 —> 00:18:08,045

Let's go.

399

00:18:08,047 —> 00:18:10,230

Where we going?

400

00:18:10,232 —> 00:18:11,499

Grab a box.

401

00:18:11,501 —> 00:18:13,334

We'll sleep

at your mother's place tonight.

402

00:18:13,336 —> 00:18:15,186

No, but I want to live here.

403

00:18:15,188 —> 00:18:16,570

Well, you should've

thought of that

404

00:18:16,572 —> 00:18:19,423

before you told me

the stupid magic trick story.

405

00:18:19,425 —> 00:18:21,926

Can't we talk about this?

406

00:18:21,928 —> 00:18:25,546

No husband of mine is gonna

break his mother's heart!

407

00:18:33,221 —> 00:18:34,922

Wil Wheaton!

408

00:18:34,924 —> 00:18:37,925

Wil Wheaton!

409

00:18:37,927 —> 00:18:40,077

Wait, how many was that?

410

00:18:42,447 —> 00:18:43,898

Hey, Sheldon, what's up?

411

00:18:43,900 —> 00:18:47,651

Wouldn't you like to know?

412

"quieter pants."

128
00:05:02,020 —> 00:05:03,437
Come on.

129

00:05:03,439 —> 00:05:05,306

Boy, what I wouldn't give

130

00:05:05,308 —> 00:05:07,892

to get her out of those pants...

131

00:05:07,894 —> 00:05:10,344

and into something

a little more stylish.

132

00:05:20,489 —> 00:05:22,290

(door closes)

133

00:05:24,910 —> 00:05:26,694

This is where

he goes?

134

00:05:26,696 —> 00:05:28,496

What's in there?

135

00:05:28,498 —> 00:05:30,081

I think it's
an old storage room.

136
00:05:30,083 —> 00:05:34,468
What could he be doing in there
every day for 20 minutes?

137
00:05:34,470 —> 00:05:36,420
Well, he's not doing
20-minute abs,

138
00:05:36,422 —> 00:05:39,640
because if he were,
he would have way better abs.

139
00:05:42,311 —> 00:05:44,395
(quietly):
Can you hear anything?

140
00:05:44,397 —> 00:05:46,848
Not yet.

141
00:05:58,327 —> 00:06:00,928

(whispering):
What are you doing?

142
00:06:00,930 —> 00:06:03,197
I'm listening.

143
00:06:03,199 —> 00:06:06,534
Can't you face the
other way and listen?

144
00:06:06,536 —> 00:06:09,570
I can't do anything right
for you, can I?

145
00:06:09,572 —> 00:06:11,806
What the hell
is he up to?

146
00:06:11,808 —> 00:06:14,425
He is kind of a weirdo.

147
00:06:14,427 —> 00:06:17,044
Maybe he's got Leonard Nimoy

chained up in there.

148
00:06:17,046 —> 00:06:18,462
Or Bill Gates.

149
00:06:18,464 —> 00:06:20,598
Or Stephen Hawking.

150
00:06:20,600 —> 00:06:24,802
Why would he chain
up Stephen Hawking?

151
00:06:24,804 —> 00:06:27,305
Howard, please, you can't treat
the man differently

152
00:06:27,307 —> 00:06:30,057
just because he's disabled.
That's not okay.

153
00:06:32,694 —> 00:06:35,262
If you're wondering why

154

00:06:35,264 —> 00:06:36,597

I've been staring

through the peephole,

155

00:06:36,599 —> 00:06:38,316

I'm trying to get a look

at this guy

156

00:06:38,318 —> 00:06:39,951

who's coming over to Penny's.

157

00:06:39,953 —> 00:06:44,038

To be honest,

I didn't know you were here.

158

00:06:44,040 —> 00:06:46,274

It's not a big deal.

159

00:06:46,276 —> 00:06:47,541

He's just in her history class.

160

00:06:47,543 —> 00:06:49,076

They're working
on a project together.

161
00:06:49,078 —> 00:06:50,578
I don't even know why I care.

162
00:06:50,580 —> 00:06:51,746
You know what, I don't care.

163
00:06:51,748 —> 00:06:54,348
You think you don't care.

164
00:06:54,350 —> 00:06:56,801
This is silly.

165
00:06:56,803 —> 00:06:59,003
I have nothing
to worry about.

166
00:06:59,005 —> 00:07:02,957
Oh, I don't know.

167

00:07:02,959 —> 00:07:04,225
Statistically speaking,

168
00:07:04,227 —> 00:07:06,410
I'm sure you have something
to worry about.

169
00:07:06,412 —> 00:07:08,128
What do you mean?

170
00:07:08,130 —> 00:07:12,099
Well, if we assume
your looks are average,

171
00:07:12,101 —> 00:07:13,801
right off the bat,

172
00:07:13,803 —> 00:07:16,938
50% of men on Earth
are more attractive than you.

173
00:07:19,074 —> 00:07:22,476
That's 1.5 billion

handsome lads standing by,

174
00:07:22,478 —> 00:07:24,912
waiting to rain on your parade.

175
00:07:24,914 —> 00:07:28,833
Well, yeah, but this
isn't just about looks.

176
00:07:28,835 —> 00:07:32,286
I'm way above average
in a lot of other things.

177
00:07:32,288 —> 00:07:34,288
Not height, vision, athleticism,

178
00:07:34,290 —> 00:07:37,825
or ability
to digest dairy products.

179
00:07:37,827 —> 00:07:40,160
I'm talking
about important things

180

00:07:40,162 —> 00:07:43,014

like emotional maturity.

181

00:07:43,016 —> 00:07:46,434

You were just spying on your

girlfriend through a peephole.

182

00:07:46,436 —> 00:07:49,503

I liked it better

when you thought I wasn't here.

183

00:07:49,505 —> 00:07:53,391

I'm not saying you don't

have attractive qualities.

184

00:07:53,393 —> 00:07:55,860

Your choice of friends

is impeccable,

185

00:07:55,862 —> 00:07:57,812

you're a good sleeper.

186

00:07:57,814 —> 00:07:59,814

And last but not least,

187

00:07:59,816 —> 00:08:03,401

you buy the grapes I like.

188

00:08:03,403 —> 00:08:05,703

You're a real catch

189

00:08:05,705 —> 00:08:07,488

compared to some snoring guy

190

00:08:07,490 —> 00:08:10,624

with a fridge full

of lousy grapes.

191

00:08:10,626 —> 00:08:12,793

None of this matters.

192

00:08:12,795 —> 00:08:14,545

I trust that Penny cares

about me,

193

00:08:14,547 —> 00:08:16,630

and nothing's gonna happen

with this guy.

194

00:08:16,632 —> 00:08:20,001

Well, unless of course

he's a skilled hypnotist.

195

00:08:20,003 —> 00:08:22,720

What?

196

00:08:22,722 —> 00:08:26,073

While unlikely, it's still

a statistical possibility.

197

00:08:26,075 —> 00:08:27,241

She might be performing

198

00:08:27,243 —> 00:08:31,262

sexual acts with him

and not even know it.

199

00:08:31,264 —> 00:08:34,381

Now you're just being

ridiculous.

200

00:08:34,383 —> 00:08:35,816

Am I?

201

00:08:35,818 —> 00:08:38,069

The mind's

a mysterious thing, Leonard.

202

00:08:38,071 —> 00:08:40,671

He could be having

the time of his life

203

00:08:40,673 —> 00:08:43,908

while she thinks she's

a chicken pecking for corn.

204

00:08:54,503 —> 00:08:57,571

Look at us, sneaking around

in the middle of the night

205

00:08:57,573 —> 00:09:01,292

like a couple

of cat burglars.

206

00:09:01,294 —> 00:09:03,177

I think we're more

like ninjas.

207

00:09:03,179 —> 00:09:06,413

I don't want to be a ninja;

I want to be a cat burglar.

208

00:09:06,415 —> 00:09:09,884

Fine, I'll be a ninja,

you be a cat burglar.

209

00:09:09,886 —> 00:09:12,019

No, we both have to

be the same thing.

210

00:09:14,089 —> 00:09:16,590

Okay, we're ninjas.

211

00:09:16,592 —> 00:09:18,142

Thank you.

212

00:09:18,144 —> 00:09:21,062

But next time, we'll

be cat burglars.

213

00:09:27,285 —> 00:09:29,320

It's locked.

Are you sure?

214

00:09:29,322 —> 00:09:31,822

Yes, I'm sure.

215

00:09:31,824 —> 00:09:33,774

Now, you stand guard,

I'm going to...

216

00:09:36,995 —> 00:09:40,164

It's locked.

217

00:09:40,166 —> 00:09:41,949

Just keep an eye out.

218
00:09:41,951 —> 00:09:43,801
I'll have this open
in a minute.

219
00:09:43,803 —> 00:09:45,970
When did you learn
how to pick locks?

220
00:09:45,972 —> 00:09:48,556
When I was starting to do magic
in junior high,

221
00:09:48,558 —> 00:09:51,592
I thought I could be
an escape artist

222
00:09:51,594 —> 00:09:53,394
like Harry Houdini.

223
00:09:53,396 —> 00:09:54,395
How did that work out?

224

00:09:54,397 —> 00:09:55,513

Pretty good.

225

00:09:55,515 —> 00:09:57,264

I managed to escape friends,

popularity,

226

00:09:57,266 —> 00:10:00,634

and every party thrown

in a 12-mile radius.

227

00:10:00,636 —> 00:10:02,736

There. Ready?

228

00:10:02,738 —> 00:10:04,522

Hold on, hold on.

What?

229

00:10:04,524 —> 00:10:06,690

Sheldon is a very smart man,

230

00:10:06,692 —> 00:10:08,943
and he obviously wants
to keep this a secret.

231
00:10:08,945 —> 00:10:10,027
Yeah, so?

232
00:10:10,029 —> 00:10:12,830
What if it's
booby-trapped?

233
00:10:12,832 —> 00:10:16,834
Don't worry, I'm one
step ahead of him.

234
00:10:16,836 —> 00:10:18,652
Great, what's your pl...

235
00:10:23,675 —> 00:10:25,176
Are we good?

236
00:10:25,178 —> 00:10:27,645
(sadly):

Yeah.

237
00:10:34,386 —> 00:10:36,003
Huh.

238
00:10:36,005 —> 00:10:37,721
Forty-three.

239
00:10:37,723 —> 00:10:40,674
What the hell
does that mean?

240
00:10:40,676 —> 00:10:42,026
I don't know.

241
00:10:42,028 —> 00:10:44,011
The solution to an equation?

242
00:10:44,013 —> 00:10:45,446
Maybe.

243
00:10:45,448 —> 00:10:46,981

It's a prime number.

244

00:10:46,983 —> 00:10:50,951

Encryption systems

are built on prime numbers.

245

00:10:50,953 —> 00:10:53,904

What kind of secret does

Sheldon have to encrypt?

246

00:10:53,906 —> 00:10:55,122

He's always been

very cagey

247

00:10:55,124 —> 00:10:57,158

about what he puts

in his egg salad

248

00:10:57,160 —> 00:11:00,327

to make it so tasty.

249

00:11:02,147 —> 00:11:05,499

It's paprika.

250

00:11:05,501 —> 00:11:06,917

Really?

251

00:11:06,919 —> 00:11:09,086

Well, okay, one mystery solved.

252

00:11:11,973 —> 00:11:13,657

MAN (with English accent):

Okay, good night.

253

00:11:13,659 —> 00:11:14,808

PENNY:

Thanks, Cole.

254

00:11:14,810 —> 00:11:15,809

See you at school.

255

00:11:15,811 —> 00:11:17,144

COLE:

See you.

256

00:11:17,146 —> 00:11:18,412
(door closes)

257
00:11:18,414 —> 00:11:20,814
I'll be right back.

258
00:11:20,816 —> 00:11:23,417
I thought you left
a long time ago.

259
00:11:33,111 —> 00:11:34,728
What's up?

260
00:11:34,730 —> 00:11:37,031
Hey.

261
00:11:37,033 —> 00:11:41,418
You moving into the apartment
on the fifth floor?

262
00:11:41,420 —> 00:11:44,071
No, I was just visiting
a friend.

263

00:11:44,073 —> 00:11:45,339

Oh, cool.

264

00:11:45,341 —> 00:11:46,707

That cute blonde on four?

265

00:11:46,709 —> 00:11:48,092

Yeah. You know her?

266

00:11:48,094 —> 00:11:49,960

I, well,

I see her around.

267

00:11:49,962 —> 00:11:52,096

I like to keep my distance

268

00:11:52,098 —> 00:11:55,766

because her boyfriend

is a pretty scary dude.

269

00:11:55,768 —> 00:11:57,301

Really?

270

00:11:57,303 —> 00:11:59,086

Yeah.

271

00:11:59,088 —> 00:12:02,256

He's ganged up.

272

00:12:02,258 —> 00:12:04,308

She told me

he's a scientist.

273

00:12:04,310 —> 00:12:07,695

That's the name of his gang.

274

00:12:08,546 —> 00:12:12,316

The Scientists.

275

00:12:12,318 —> 00:12:15,653

They are crazy.

276

00:12:15,655 —> 00:12:17,538

Well, thanks for the tip.

277

00:12:17,540 —> 00:12:20,107

No problem, brother.

Stay frosty.

278

00:12:32,120 —> 00:12:34,238

We're still dating, right?

279

00:12:47,091 —> 00:12:48,241

Oh, hello, Dr. Hofstadter.

280

00:12:48,243 —> 00:12:50,293

Hey, Alex,

and call me Leonard.

281

00:12:50,295 —> 00:12:51,812

Dr. Hofstadter is my father.

282

00:12:51,814 —> 00:12:53,330

And my mother.

283

00:12:54,348 —> 00:12:55,849
And my sister.

284
00:12:55,851 —> 00:12:58,685
And our cat.

285
00:12:59,887 —> 00:13:01,388
Although, I'm pretty sure

286
00:13:01,390 —> 00:13:04,808
Dr. Boots Hofstadter's degree
was honorary.

287
00:13:04,810 —> 00:13:07,427
May I join you, Leonard?

288
00:13:07,429 —> 00:13:09,279
Sure.
Thanks.

289
00:13:09,281 —> 00:13:11,698
Hey, Alex,
let me ask you something.

290

00:13:11,700 —> 00:13:14,484

My girlfriend

knows this guy at school.

291

00:13:14,486 —> 00:13:16,486

He's got an English accent.

292

00:13:16,488 —> 00:13:18,455

Ooh, I love English accents.

293

00:13:18,457 —> 00:13:21,241

Yeah, you all do.

294

00:13:21,243 —> 00:13:24,044

Anyway, I feel like

he's hitting on her.

295

00:13:24,046 —> 00:13:27,113

She says he's just being nice

and that I should trust her.

296

00:13:27,115 —> 00:13:28,665
It's probably harmless.

297
00:13:28,667 —> 00:13:29,833
You know how it is.

298
00:13:29,835 —> 00:13:32,803
I'm sure you get hit on
all the time.

299
00:13:33,638 —> 00:13:36,356
Right.

300
00:13:36,358 —> 00:13:38,258
Because girls are always like,

301
00:13:38,260 —> 00:13:40,343
"Ooh, that guy owns
two Star Trek uniforms

302
00:13:40,345 —> 00:13:42,012
"and gets a lot
of ear infections.

303

00:13:42,014 —> 00:13:44,764

I got to get me some of that."

304

00:13:44,766 —> 00:13:46,933

I don't know,

305

00:13:46,935 —> 00:13:48,652

I bet it happens

more than you realize.

306

00:13:48,654 —> 00:13:50,070

Trust me, it doesn't.

307

00:13:50,072 —> 00:13:51,605

You sure?

308

00:13:51,607 —> 00:13:53,490

You're cute, you're funny.

309

00:13:53,492 —> 00:13:58,111

Maybe you're getting hit on,

and you don't even know it.

310

00:13:58,113 —> 00:13:59,579

Really?

311

00:13:59,581 —> 00:14:03,200

I'm pretty sure.

312

00:14:05,486 —> 00:14:07,654

(laughing)

313

00:14:08,923 —> 00:14:10,173

Okay, I got to get back to work.

314

00:14:10,175 —> 00:14:12,726

Thanks for listening.

315

00:14:12,728 —> 00:14:14,094

No problem.

316

00:14:14,096 —> 00:14:16,996

Hope-hope no girls rip my

clothes off on the way.

317
00:14:16,998 —> 00:14:19,182
(laughing)

318
00:14:20,384 —> 00:14:23,570
Come on,
we're smart guys.

319
00:14:23,572 —> 00:14:25,505
We can figure this out.
Forty-three.

320
00:14:25,507 —> 00:14:28,108
What is 43?

321
00:14:28,110 —> 00:14:32,028
Besides my mom's neck size.

322
00:14:33,948 —> 00:14:36,483
It's the atomic number
for technetium.

323

00:14:36,485 —> 00:14:38,685

That stuff's radioactive.

324

00:14:38,687 —> 00:14:41,071

Do you think

he's building a bomb?

325

00:14:41,073 —> 00:14:42,989

It took him two years

to put together

326

00:14:42,991 —> 00:14:44,624

that Lego Death Star;

I'm not worried.

327

00:14:46,377 —> 00:14:49,095

Ooh, this could be something.

328

00:14:49,097 —> 00:14:51,464

43 is the number of calories

329

00:14:51,466 —> 00:14:55,168

in half a cup

of fat-free yogurt.

330

00:14:55,170 —> 00:14:57,671

Why would you know that?

331

00:14:57,673 —> 00:14:59,038

I'm sorry.

332

00:14:59,040 —> 00:15:02,609

We can't all eat whatever

we want and still stay thin.

333

00:15:06,214 —> 00:15:08,515

Wait, in the Hitchhikers

Guide to the Galaxy,

334

00:15:08,517 —> 00:15:10,350

isn't 43 the answer

to the question

335

00:15:10,352 —> 00:15:12,552

of life, the universe,

and everything?

336

00:15:12,554 —> 00:15:15,488

That's 42, dumb-ass.

337

00:15:15,490 —> 00:15:17,023

Hey, hey.

338

00:15:17,025 —> 00:15:19,276

Feelings.

339

00:15:19,278 —> 00:15:22,062

We should stop.

340

00:15:22,064 —> 00:15:24,030

I'm exhausted.

Yeah, me, too.

341

00:15:24,032 —> 00:15:25,599

We've got more

important things to do.

342

00:15:25,601 —> 00:15:27,400
Who cares what
stupid 43 means?

343
00:15:27,402 —> 00:15:29,569
Not me.
Let's go home.

344
00:15:31,372 —> 00:15:32,973
You want
to get something to eat?

345
00:15:32,975 —> 00:15:35,041
Sounds good.

346
00:15:36,910 —> 00:15:38,795
What the balls is 43?!

347
00:15:38,797 —> 00:15:40,931
I have to know!

348
00:15:45,269 —> 00:15:46,603
Hi.

349

00:15:46,605 —> 00:15:49,723

Hey, shouldn't you be out

with your gang,

350

00:15:49,725 —> 00:15:53,026

spray painting equations

on the side of buildings?

351

00:15:53,028 —> 00:15:55,862

Come on, I'm sorry.

352

00:15:55,864 —> 00:15:57,530

I just can't believe

you don't trust me.

353

00:15:57,532 —> 00:15:58,902

I do, of course I do.

354

00:15:58,927 —> 00:16:01,027

Then why did you embarrass me

in front of my friend,

355

00:16:01,069 —> 00:16:03,119

who, by the way,

knew exactly who you were?

356

00:16:03,121 —> 00:16:06,790

Really?

Your picture's on my refrigerator.

357

00:16:08,609 —> 00:16:10,126

Oh.

358

00:16:10,128 —> 00:16:13,330

You know, I'm really starting

to not like this guy.

359

00:16:13,332 —> 00:16:14,947

What is your problem?

360

00:16:14,949 —> 00:16:16,883

Do you use up

all your thinking at work

361

00:16:16,885 —> 00:16:19,002
and then have none left over
for when you get home?

362
00:16:19,004 —> 00:16:20,553
I don't know.

363
00:16:20,555 —> 00:16:23,122
It's hard sometimes.

364
00:16:23,124 —> 00:16:24,474
Everywhere you go,

365
00:16:24,476 —> 00:16:27,394
guys hit on you, even if
I'm standing right there.

366
00:16:27,396 —> 00:16:28,595
And they're all taller than me.

367
00:16:28,597 —> 00:16:31,181
Why is everyone taller
than me?

368

00:16:31,183 —> 00:16:33,099

You know what,

369

00:16:33,101 —> 00:16:34,684

this is all in my head.

370

00:16:34,686 —> 00:16:36,519

It's my problem, not yours.

371

00:16:36,521 —> 00:16:38,071

Leonard, why do you

always do this?

372

00:16:38,073 —> 00:16:39,823

Listen to me,

you're the one I'm with.

373

00:16:39,825 —> 00:16:42,158

You know I love you,

so will you please relax

374

00:16:42,160 —> 00:16:43,994
because you're driving me crazy.

375
00:16:50,925 —> 00:16:53,894
You know that's the first time
you ever said that you love me.

376
00:16:55,680 —> 00:16:57,881
Yeah.

377
00:17:00,885 —> 00:17:04,538
We're just supposed to
pretend it's not a big deal?

378
00:17:06,474 —> 00:17:09,076
That's...

379
00:17:09,078 —> 00:17:12,812
exactly what we're gonna do
because...

380
00:17:12,814 —> 00:17:15,115
you're about to make me cry,

381

00:17:15,117 —> 00:17:18,035

and we both know

if I start crying,

382

00:17:18,037 —> 00:17:21,488

you're gonna start crying.

383

00:17:21,490 —> 00:17:23,924

(sniffling)

You're right, you should go.

384

00:17:23,926 —> 00:17:26,043

(crying):

All right.

385

00:17:32,717 —> 00:17:35,001

She loves me.

386

00:17:35,003 —> 00:17:37,187

(phone chimes)

387

00:17:39,023 —> 00:17:40,941

"Hey, it's Alex.

388

00:17:40,943 —> 00:17:42,259

"Nice having coffee with you.

389

00:17:42,261 —> 00:17:44,161

"If you want to talk more,

I'm always available.

390

00:17:44,163 —> 00:17:46,146

Smiley face, smiley face."

391

00:17:46,148 —> 00:17:48,348

What a friendly girl.

392

00:17:53,054 —> 00:17:55,238

Okay, picture's up.

393

00:17:55,240 —> 00:17:56,990

Looks like the camera's working.

394

00:17:56,992 —> 00:17:58,458
That's good quality video.

395
00:17:58,460 —> 00:18:01,778
It better be. It's the spare
camera for the Mars rover.

396
00:18:01,780 —> 00:18:04,081
How did you get
your hands on that?

397
00:18:04,083 —> 00:18:05,832
Million dollar camera—

398
00:18:05,834 —> 00:18:07,801
ten dollar lock.

399
00:18:08,753 —> 00:18:10,837
KOOTHRAPPALI: Oh, my God,
here he comes.

400
00:18:10,839 —> 00:18:12,723
This is it.

401

00:18:21,182 —> 00:18:22,816

What the hell

is that thing?

402

00:18:22,818 —> 00:18:24,000

I don't know.

403

00:18:24,002 —> 00:18:25,552

This is Dr. Sheldon Cooper.

404

00:18:25,554 —> 00:18:27,504

Experimental log.

405

00:18:27,506 —> 00:18:32,275

Wormhole generator test 44.

406

00:18:32,277 —> 00:18:35,278

Wormhole generator test?

407

00:18:38,332 —> 00:18:41,451

The first 43 parallel universes

408

00:18:41,453 —> 00:18:44,704

I've checked proved to be empty.

409

00:18:44,706 —> 00:18:46,373

I see no reason to suspect

410

00:18:46,375 —> 00:18:49,626

universe number 44

will be any different.

411

00:18:55,266 —> 00:18:57,083

Oh, my God!

412

00:18:57,085 —> 00:18:59,919

Holy crap!

413

00:18:59,921 —> 00:19:02,939

(screaming)

414

00:19:05,526 —> 00:19:08,311

Oh! It's eating my face!

415

00:19:08,313 —> 00:19:09,946

Aah! It's eating his face!

416

00:19:09,948 —> 00:19:12,199

(screaming)

417

00:19:16,442 —> 00:19:18,794

I found your Webcam

and replaced the video feed.

418

00:19:18,796 —> 00:19:21,330

You two should be ashamed

of yourselves.

419

00:19:21,332 —> 00:19:23,015

Sheldon, we're really sorry.

420

00:19:23,017 —> 00:19:24,300

Yeah, really sorry.

421

00:19:24,302 —> 00:19:25,534

Sorry?

422
00:19:25,536 —> 00:19:26,919
You may not realize it,

423
00:19:26,921 —> 00:19:30,472
but I have difficulty navigating
certain aspects of daily life.

424
00:19:30,474 —> 00:19:33,258
You know,
understanding sarcasm,

425
00:19:33,260 —> 00:19:34,760
feigning interest in others,

426
00:19:34,762 —> 00:19:38,731
not talking about trains
as much as I want to.

427
00:19:38,733 —> 00:19:40,316
It's exhausting.

428

00:19:40,318 —> 00:19:42,901

Which is why,

for 20 minutes a day,

429

00:19:42,903 —> 00:19:44,687

I like to go down to that room,

430

00:19:44,689 —> 00:19:45,971

turn my mind off

431

00:19:45,973 —> 00:19:48,390

and do what I need to do

to recharge.

432

00:19:48,392 —> 00:19:51,476

But what are you doing in there?

433

00:19:51,478 —> 00:19:53,145

And what does 43 mean?

434

00:19:53,147 —> 00:19:54,546

You don't need to know,

435
00:19:54,548 —> 00:19:56,081
you don't deserve to know,

436
00:19:56,083 —> 00:19:58,250
and you will never know.

437
00:20:26,793 —> 00:20:28,961
(sighs)

438
00:20:49,032 —> 00:20:52,334
One, two, three, four,

439
00:20:52,336 —> 00:20:56,222
five, six, seven, eight...

440
00:20:56,251 —> 00:20:59,219
Drat.

441
00:21:00,447 —> 00:21:02,664
I'm never going to get
to 43 again.

442

00:21:04,661 —> 00:21:06,969

One, two, three, four...

443

00:21:07,605 —> 00:21:08,897

Rats.

S06EP9: The Parking Spot Escalation

1

00:00:01,627 —> 00:00:02,761

They are not.

2

00:00:02,763 —> 00:00:03,895

They are, too.

3

00:00:03,897 —> 00:00:05,430

Your hypothesis is

completely disconfirmed

4

00:00:05,432 —> 00:00:07,032

by all the data.

5

00:00:07,034 —> 00:00:08,300
You're just clinging to it

6
00:00:08,302 —> 00:00:10,235
out of intellectual
stubbornness.

7
00:00:10,237 —> 00:00:11,903
No, you're displaying
a shocking ignorance

8
00:00:11,905 —> 00:00:13,438
of the subject matter.

9
00:00:13,440 —> 00:00:17,108
Mummies and zombies
are the exact same thing.

10
00:00:17,110 —> 00:00:19,477
Oh, yeah?

11
00:00:19,479 —> 00:00:21,813
Mummies are wrapped in bandages.

12

00:00:21,815 —> 00:00:24,566

That's called a fashion choice.

13

00:00:25,534 —> 00:00:28,486

All right,

you brought this on yourself.

14

00:00:28,488 —> 00:00:29,687

Sheldon, get him.

15

00:00:29,689 —> 00:00:31,539

If a zombie bites you,

16

00:00:31,541 —> 00:00:32,857

you turn into a zombie.

17

00:00:32,859 —> 00:00:35,193

However, if a mummy bites you,

18

00:00:35,195 —> 00:00:38,246

all you turn into is

some schmo with a mummy bite.

19
00:00:38,248 —> 00:00:40,081
So, like a zombie,

20
00:00:40,083 —> 00:00:42,133
that's been eaten
from the waist down,

21
00:00:42,135 —> 00:00:44,636
you, sir,
have no leg to stand on.

22
00:00:44,638 —> 00:00:46,087
Good boy.
Here's a cookie.

23
00:00:46,089 —> 00:00:47,889
Oh, thank you.

24
00:00:47,891 —> 00:00:50,208
Hey, fellas,
what's going on?

25

00:00:50,210 —> 00:00:51,976

Mummies and zombies again.

26

00:00:51,978 —> 00:00:55,263

Oh, they're not

the same thing.

27

00:00:55,265 —> 00:00:56,648

You get a cookie, too.

28

00:00:56,650 —> 00:00:58,316

Thanks.

29

00:00:58,318 —> 00:01:01,986

Guess who picked up his

new car this morning?

30

00:01:01,988 —> 00:01:03,554

KOOTHRAPPALI:

Congratulations.

31

00:01:03,556 —> 00:01:05,573
Does it have that new car smell?
Yep!

32
00:01:05,575 —> 00:01:07,742
For as long as I can keep
my mother out of it.

33
00:01:07,744 —> 00:01:09,944
If you want to check
it out later,

34
00:01:09,946 —> 00:01:12,563
it's parked right out front,
space 294.

35

If a zombie bites a vampire,

208
00:08:33,246 —> 00:08:36,114
and the vampire bites a human,

209
00:08:36,116 —> 00:08:39,217
does the human become
a vampire or a zombie?

210

00:08:39,219 —> 00:08:43,038

Or a zompire?

211

00:08:43,923 —> 00:08:46,091

Sheldon?

212

00:08:46,926 —> 00:08:49,227

Cookie.

213

00:08:49,229 —> 00:08:51,229

I don't have any.

214

00:08:51,231 —> 00:08:52,897

Well, I'm not giving it away.

215

00:08:55,484 —> 00:08:56,818

WOLOWITZ:

Hi, Sheldon.

216

00:08:56,820 —> 00:08:59,020

(screams)

217

00:09:02,425 —> 00:09:03,942

He's in my spot.

218

00:09:03,944 —> 00:09:06,611

Leonard, make him stop

being naked in my spot.

219

00:09:06,613 —> 00:09:09,748

(laughing): Howard,

what are you doing?

220

00:09:09,750 —> 00:09:12,283

He wasn't using it.

221

00:09:13,369 —> 00:09:15,754

And I needed a nice cool piece

of leather

222

00:09:15,756 —> 00:09:18,339

to wiggle my naked ass on.

223

00:09:19,208 —> 00:09:20,825

Get off there.

224

00:09:20,827 —> 00:09:22,560

Give me back my Iron Man helmet.

225

00:09:22,562 —> 00:09:24,012

Give me back my parking space.

226

00:09:24,014 —> 00:09:25,547

You don't need

a parking space.

227

00:09:25,549 —> 00:09:26,681

You don't have a car.

228

00:09:26,683 —> 00:09:28,183

You don't need

an Iron Man helmet.

229

00:09:28,185 —> 00:09:30,101

You're not Iron Man.

230

00:09:31,704 —> 00:09:33,905
Well, we appear
to have reached an impasse.

231
00:09:33,907 —> 00:09:35,023
And you know,

232
00:09:35,025 —> 00:09:36,157
I have to say, I thought

233
00:09:36,159 —> 00:09:37,559
you'd be more upset
that your laptop

234
00:09:37,561 —> 00:09:40,462
is sitting on my junk.

235
00:09:42,448 —> 00:09:43,731
I didn't pick up on that.

236
00:09:43,733 —> 00:09:44,949
That's a nice touch.

237

00:09:59,247 —> 00:10:00,541

This is so exciting.

238

00:10:00,542 —> 00:10:01,925

I'm feeling all tingly.

239

00:10:01,927 —> 00:10:05,011

Although that could just be

my newly defoliated bikini zone.

240

00:10:05,013 —> 00:10:07,214

Keep a lookout.

241

00:10:07,216 —> 00:10:09,999

This place is swarming

with campus security.

242

00:10:10,001 —> 00:10:12,686

They will not

hesitate to scold us.

243

00:10:12,688 —> 00:10:14,855

Freaking pigs.

244
00:10:19,510 —> 00:10:21,695
Oh, yeah.

245
00:10:22,980 —> 00:10:24,681
Okay, now,

246
00:10:24,683 —> 00:10:27,183
pull your car into the spot
and let's get out of here.

247
00:10:27,185 —> 00:10:28,985
Wait, I'm leaving my car here?

248
00:10:28,987 —> 00:10:31,538
Yes, and be sure and put
on the emergency brake.

249
00:10:31,540 —> 00:10:33,240
Really makes these
things tough to budge.

250

00:10:33,242 —> 00:10:36,827

Before I park,

come in the backseat.

251

00:10:36,829 —> 00:10:39,830

I want to show you something

I had done today.

252

00:10:39,832 —> 00:10:42,549

All right, color me intrigued.

253

00:10:47,255 —> 00:10:49,156

What do you think?

254

00:10:49,158 —> 00:10:52,175

I think you're high

on paint fumes.

255

00:10:52,177 —> 00:10:55,762

And boy, that's a lot

of Band-Aids.

256

00:10:56,981 —> 00:10:59,850
Okay, Howard's mother
is in, like,

257
00:10:59,852 —> 00:11:01,384
every one
of your wedding photos.

258
00:11:01,386 —> 00:11:04,771
What can I tell ya?
She's a big girl.

259
00:11:08,058 —> 00:11:11,060
Wherever you look,
there she is.

260
00:11:11,062 —> 00:11:12,228
More coffee?

261
00:11:12,230 —> 00:11:15,081
No, Leonard's taking me
to a physics lecture,

262

00:11:15,083 —> 00:11:17,584
and coffee'll
just keep me awake.

263
00:11:17,586 —> 00:11:18,702
(knocking on door)

264
00:11:18,704 —> 00:11:20,203
Oh, I'll get it.

265
00:11:24,458 —> 00:11:28,261
Oh, looks like someone's on
Team Bernadette.

266
00:11:29,630 —> 00:11:30,847
Where's Howard?

267
00:11:30,849 —> 00:11:32,799
He's not here. What's wrong?

268
00:11:32,801 —> 00:11:33,800
He had my car towed.

269

00:11:33,802 —> 00:11:35,552

It cost me $200

to get it back.

270

00:11:35,554 —> 00:11:37,103

Oh, no.

271

00:11:37,105 —> 00:11:39,439

Where was it parked?

272

00:11:40,975 —> 00:11:43,059

In Sheldon's spot.

273

00:11:43,061 —> 00:11:44,477

That doesn't make sense.

274

00:11:44,479 —> 00:11:46,262

Sheldon doesn't have a spot.

275

00:11:46,264 —> 00:11:49,316

Was it maybe in Howard's spot?

276

00:11:50,568 —> 00:11:52,402

Don't play dumb with me, sister.

277

00:11:52,404 —> 00:11:54,154

You tell your husband

he owes me $200.

278

00:11:54,156 —> 00:11:56,039

Well, that doesn't

make sense, either.

279

00:11:56,041 —> 00:11:57,123

Why not?

280

00:11:57,125 —> 00:12:00,160

Because I'm the one

who had it towed.

281

00:12:01,946 —> 00:12:03,413

You?

282

00:12:03,415 —> 00:12:06,666

Didn't see that one coming,
did ya?

283
00:12:06,668 —> 00:12:07,801
Oh, yeah?

284
00:12:07,803 —> 00:12:09,469
Well, you're not gonna see
this coming.

285
00:12:09,471 —> 00:12:10,804
Ow! Ow!

286
00:12:10,806 —> 00:12:13,340
Oh, my God,
are you okay?!

287
00:12:13,342 —> 00:12:14,474
(muffled shouting)

288
00:12:14,476 —> 00:12:16,476
What the hell
do you have in there?!

289

00:12:16,478 —> 00:12:18,762

Just my wallet, keys and

a coffee can full of change

290

00:12:18,764 —> 00:12:20,680

I've been meaning

to take to the bank.

291

00:12:21,799 —> 00:12:23,183

Don't move.

I'll get some ice.

292

00:12:23,185 —> 00:12:24,133

Are you okay?

293

00:12:24,135 —> 00:12:25,602

Get away from me

or I swear to God

294

00:12:25,604 —> 00:12:27,637

I will rip out what's left

of your pubes!

295

00:12:28,439 —> 00:12:30,807

Here.

Thanks. Ah!

296

00:12:30,809 —> 00:12:33,309

Amy, you think maybe this has

gotten a little out of hand?

297

00:12:33,311 —> 00:12:36,162

Gee, you think?!

298

00:12:36,164 —> 00:12:37,113

I do.

299

00:12:37,115 —> 00:12:39,499

Penny, Bernadette

and I are sorry.

300

00:12:39,501 —> 00:12:41,167

You hit her! What did I do?

301

00:12:41,169 —> 00:12:42,369
You had my car towed.

302
00:12:42,371 —> 00:12:44,287
You were parked in
Howard's spot!

303
00:12:44,289 —> 00:12:45,505
I was parked in Sheldon's spot!

304
00:12:45,507 —> 00:12:46,990
Sheldon doesn't have a spot!

305
00:12:46,992 —> 00:12:49,826
Guys, I think I need to go
to the emergency room.

306
00:12:49,828 —> 00:12:51,828
Okay, let's go.
I'll drive.

307
00:12:51,830 —> 00:12:54,297
You can see where the tow

truck scratched my car.

308

00:12:54,299 —> 00:12:56,165

The tow truck didn't scratch

your car.

309

00:12:56,167 —> 00:12:58,134

How do you know?

'Cause I did it!

310

00:13:08,145 —> 00:13:10,513

Morning, Professor Stevens.

311

00:13:10,515 —> 00:13:11,982

Don't look at that whiteboard.

312

00:13:11,984 —> 00:13:14,317

That's my math, not your math.

313

00:13:14,319 —> 00:13:15,702

Keep walking, nosey.

314

00:13:16,654 —> 00:13:19,322
What the hell
are you doing?

315
00:13:19,324 —> 00:13:21,074
Oh...

316
00:13:21,076 —> 00:13:25,128
You said I'm not using my space,
so... I'm using it.

317
00:13:27,999 —> 00:13:30,634
Okay, you need to move now.

318
00:13:30,636 —> 00:13:32,302
No, I don't.

319
00:13:32,304 —> 00:13:34,421
You can't stay there forever.

320
00:13:34,423 —> 00:13:37,340
Actually, I have a plastic baggy

321

00:13:37,342 —> 00:13:40,226

strapped to my leg

that says I can.

322

00:13:41,062 —> 00:13:42,646

Give up, Wolowitz.

323

00:13:42,648 —> 00:13:44,481

You've chosen to tangle

324

00:13:44,483 —> 00:13:46,516

with a superior intellect

you can't defeat.

325

00:13:46,518 —> 00:13:48,518

There is nothing you could

possibly do to...

326

00:13:48,520 —> 00:13:51,037

(horn blaring)

327

00:13:57,745 —> 00:13:59,896

Those aren't gonna help you,

Sheldon!

328

00:13:59,898 —> 00:14:01,498

Oh, yes, they are!

329

00:14:01,500 —> 00:14:03,583

I mean, what?!

330

00:14:03,585 —> 00:14:05,752

(horn stops)

I'm warning you, Sheldon!

331

00:14:05,754 —> 00:14:07,420

Your threats are empty!

332

00:14:07,422 —> 00:14:09,238

Nothing can move me!

333

00:14:10,508 —> 00:14:11,458

Stop that!

334

00:14:11,460 —> 00:14:12,842
Get out of my spot!

335
00:14:12,844 —> 00:14:13,760
That's it.

336
00:14:13,762 —> 00:14:15,578
I am calling campus security!

337
00:14:15,580 —> 00:14:19,265
You prepare for the
scolding of your life!

338
00:14:19,267 —> 00:14:21,084
What are you idiots doing?!

339
00:14:21,086 —> 00:14:23,186
He's trying to kill me, Leonard!

340
00:14:23,188 —> 00:14:24,888
Video games
and rock music

341

00:14:24,890 —> 00:14:26,723

have desensitized

him to violence!

342

00:14:28,142 —> 00:14:29,943

Would you please

talk some sense

343

00:14:29,945 —> 00:14:31,945

into your

lunatic roommate?

344

00:14:31,947 —> 00:14:33,530

You're both acting

like lunatics.

345

00:14:33,532 —> 00:14:36,533

It's just a parking spot.

It's not just a parking spot!

346

00:14:36,535 —> 00:14:37,734

He can't handle

the fact that

347

00:14:37,736 —> 00:14:39,703

I'm a bigger deal

than he is now.

348

00:14:39,705 —> 00:14:41,788

Oh, preposterous!

349

00:14:41,790 —> 00:14:43,373

I have been solely responsible

350

00:14:43,375 —> 00:14:46,275

for this university's six-loop

quantum gravity calculations;

351

00:14:46,277 —> 00:14:47,544

I have changed

the way we think

352

00:14:47,546 —> 00:14:50,880

about Bose-Einstein condensates,

and I am also the one

353

00:14:50,882 —> 00:14:54,134

who got Nutter Butters in

the cafeteria vending machine.

354

00:14:55,252 —> 00:14:57,170

Maybe you missed that news

while you were

355

00:14:57,172 —> 00:14:59,005

floating around like a goof

in outer space.

356

00:15:00,791 —> 00:15:03,510

Now, if you'll excuse me,

I have work to do.

357

00:15:04,294 —> 00:15:06,312

Can you believe this guy?

358

00:15:06,314 —> 00:15:08,648

What I don't believe is that you

tried to run him over.

359

00:15:08,650 —> 00:15:11,151

Oh, like you've never

thought of doing that.

360

00:15:12,186 —> 00:15:15,405

Don't hate me just because

I lived the dream.

361

00:15:15,407 —> 00:15:16,639

(horn beeps twice)

362

00:15:16,641 —> 00:15:17,774

Hey.

363

00:15:17,776 —> 00:15:19,642

Sweet ride!

364

00:15:22,179 —> 00:15:24,364

What are you doing

in there?!

365

00:15:24,366 —> 00:15:26,950

Just breaking in your new car.

366

00:15:29,820 —> 00:15:31,921

Stop that!

You stop that!

367

00:15:31,923 —> 00:15:33,322

You know what they say?

368

00:15:33,324 —> 00:15:37,326

Revenge is a dish

best served nude.

369

00:15:40,598 —> 00:15:41,765

(knocking on door)

370

00:15:41,767 —> 00:15:43,700

Hey, got a minute?

371

00:15:43,702 —> 00:15:44,884

Oh, of course, come in.

372

00:15:51,992 —> 00:15:53,943
This is an authentic Chinese
throwing star,

373
00:15:53,945 —> 00:15:55,195
and I must warn you,

374
00:15:55,197 —> 00:15:57,513
I have seen many people
throw them in movies.

375
00:15:58,199 —> 00:15:59,816
Calm down.

376
00:15:59,818 —> 00:16:01,751
Howard has something he
wants to say to you.

377
00:16:01,753 —> 00:16:03,352
WOLOWITZ:
All right.

378
00:16:03,354 —> 00:16:10,126

Sheldon, when this whole thing
with the parking space started,

379
00:16:10,128 —> 00:16:14,531
I had no idea just how much
of a crazy bastard...

380
00:16:14,533 —> 00:16:16,366
Howard...

381
00:16:16,368 —> 00:16:17,884
that's not how
we practiced it.

111

00:05:06,010 —> 00:05:08,595

(chuckles)

112

00:05:11,415 —> 00:05:16,453

You ever really think about

the Spider-Man theme song?

113

00:05:18,088 —> 00:05:20,423

How's that dinner coming?

114

00:05:20,425 —> 00:05:22,375

I just put it in.

It's gonna be a while.

115

00:05:22,377 —> 00:05:23,860

I like rare chicken.

116

00:05:23,862 —> 00:05:25,879

Let's do this.

117

00:05:25,881 —> 00:05:27,864

You could die.

118

00:05:31,836 —> 00:05:33,837

Death by chicken.

(chuckles)

119

00:05:33,839 —> 00:05:37,390

That's a pretty "fowl" way

to go.

120

00:05:42,263 —> 00:05:44,230

Here's another

beer, honey.

121

00:05:44,232 —> 00:05:46,048

Thank you.

122

00:05:46,050 —> 00:05:49,719

So, Mrs. Rostenkowski, you took

that trip to the Grand Canyon.

123

00:05:49,721 —> 00:05:50,887

How was it?

124

00:05:50,889 —> 00:05:54,557

It was good.

125

00:05:57,912 —> 00:06:00,747

Had no idea

you were the chatty one.

126

00:06:03,901 —> 00:06:06,085

(thermometer beeps)

127

00:06:08,789 —> 00:06:10,590

102.2.

128

00:06:10,592 —> 00:06:11,674

(coughs)

129

00:06:11,676 —> 00:06:15,178

Exactly what it was

half an hour ago.

130

00:06:15,180 —> 00:06:18,181

It's like you're not even

trying to get better.

131

00:06:20,050 —> 00:06:23,102

Sheldon, you don't get over
the flu in half an hour.

132
00:06:23,104 —> 00:06:25,021
Well, not with that attitude.

133
00:06:26,524 —> 00:06:30,443
I have to say, I'm finding your
bedside manner a little lacking.

134
00:06:30,445 —> 00:06:31,644
I'm sorry.

135
00:06:31,646 —> 00:06:33,746
I just want you to get better
as soon as possible.

136
00:06:33,748 —> 00:06:36,916
And with that goal in mind,
let me ask you a question.

137
00:06:36,918 —> 00:06:40,770
Do you believe in

the placebo effect?

138
00:06:40,772 —> 00:06:41,905
Of course I do.

139
00:06:41,907 —> 00:06:44,123
There have been many studies
proving its validity.

140
00:06:44,125 —> 00:06:45,325
Great.

141
00:06:45,327 —> 00:06:48,595
Now, this may look
like a Tic Tac...

142
00:06:50,281 —> 00:06:55,051
...but it is really a powerful
medication specifically designed

143
00:06:55,053 —> 00:06:58,721
to cure your illness as well as
freshen your breath.

144

00:06:58,723 —> 00:07:01,891

Sheldon, this isn't helping.

145

00:07:01,893 —> 00:07:03,943

Why don't you just let me

get some rest.

146

00:07:03,945 —> 00:07:05,011

How can you sleep?

147

00:07:05,013 —> 00:07:07,063

I'm not done

making you feel better.

148

00:07:07,065 —> 00:07:10,600

I still have to put a

cold rag on your head,

149

00:07:10,602 —> 00:07:14,354

sing to you and apply VapoRub

to your chest.

150

00:07:21,712 —> 00:07:25,214

Y-You want to rub something

on my chest?

151

00:07:25,216 —> 00:07:27,817

Yes.

152

00:07:27,819 —> 00:07:29,836

All over it.

153

00:07:32,590 —> 00:07:33,590

(coughs)

154

00:07:33,592 —> 00:07:35,425

Maybe we should start with that.

155

00:07:37,211 —> 00:07:39,596

Now you're being a

responsible patient.

156

00:07:49,640 —> 00:07:54,777

Now, you may notice

some tingling.

157
00:07:54,779 —> 00:07:57,697
Oh, I'm counting on it.

158
00:07:59,516 —> 00:08:02,685
(sighs):
Oh.

159
00:08:03,837 —> 00:08:06,022
Okay, dig in.

160
00:08:06,024 —> 00:08:09,191
Hold up.

161
00:08:09,193 —> 00:08:11,694
Bless us, O Lord
for these Thy gifts

162
00:08:11,696 —> 00:08:13,329
which we are about to receive

163

00:08:13,331 —> 00:08:14,497
from Thy bounty

164
00:08:14,499 —> 00:08:16,532
through Christ our Lord. Amen.

165
00:08:18,502 —> 00:08:21,754
Took the words
right out of my mouth.

166
00:08:23,841 —> 00:08:26,809
So, Dad, have you done
any fishing lately?

167
00:08:26,811 —> 00:08:28,261
I'm going next weekend.

168
00:08:28,263 —> 00:08:30,063
Oh, you like to fish?

169
00:08:30,065 —> 00:08:33,549
Yes.

170

00:08:35,352 —> 00:08:38,938

Sure. I can hear it

in your voice.

171

00:08:38,940 —> 00:08:43,660

Oh, if he didn't like it,

he wouldn't go.

172

00:08:43,662 —> 00:08:47,363

You know, I hadn't

thought of that.

173

00:08:47,365 —> 00:08:50,033

(whispers):

Help me.

174

00:08:50,035 —> 00:08:52,535

Hey, Dad, maybe you could take

Howard fishing sometime.

175

00:08:52,537 —> 00:08:54,754

Give you guys a chance to get

to know each other better.

176

00:08:54,756 —> 00:08:57,073

No, no.

177

00:08:57,075 —> 00:08:58,574

We know each other

well enough.

178

00:08:58,576 —> 00:09:01,594

He's been talking

my ear off all night.

179

00:09:01,596 —> 00:09:03,179

Howie, I think you'd have fun.

180

00:09:06,450 —> 00:09:09,469

Fine, you can tag along.

181

00:09:09,471 —> 00:09:10,853

Terrific.

182

00:09:10,855 —> 00:09:13,022

My two favorite fellas

gone fishin'.

183

00:09:13,024 —> 00:09:15,224

Well, hang on a

second, Bernie.

184

00:09:15,226 —> 00:09:17,827

Next weekend, we

have that thing.

185

00:09:17,829 —> 00:09:18,978

Whathing?

186

00:09:18,980 —> 00:09:21,948

You know, the thing.

187

00:09:21,950 —> 00:09:23,816

Oh, that thing.

188

00:09:23,818 —> 00:09:25,601

No, I cancelled that thing.

189

00:09:27,037 —> 00:09:28,621

All right, it's settled.

190

00:09:28,623 —> 00:09:30,406

You and I are going fishing.

191

00:09:30,408 —> 00:09:31,941

Great.

192

00:09:31,943 —> 00:09:34,327

(quietly):

Thanks for the help.

193

00:09:35,496 —> 00:09:37,163

I've never even

been fishing.

194

00:09:37,165 —> 00:09:38,881

This is gonna

be a disaster.

195

00:09:38,883 —> 00:09:41,084

If you don't want to look

foolish doing something,

196

00:09:41,086 —> 00:09:42,785

you should practice.

197

00:09:42,787 —> 00:09:45,805

Do you know how many beef

Wellingtons I made by myself

198

00:09:45,807 —> 00:09:47,840

before I invited you guys over?

199

00:09:49,009 —> 00:09:50,176

I'll give you a hint.

200

00:09:50,178 —> 00:09:55,131

You can see them

here, here... and here.

201

00:09:57,518 —> 00:09:59,018

Raj is probably right.

202

00:09:59,020 —> 00:10:01,137

You should get someone

to give you some pointers.

203

00:10:01,139 —> 00:10:02,955

Do either of you guys

know how to fish?

204

00:10:02,957 —> 00:10:05,858

BOTH (chuckle):

No.

205

00:10:05,860 —> 00:10:07,476

But if you

catch anything,

206

00:10:07,478 —> 00:10:10,646

I know how to steam

it in banana leaves.

207

00:10:10,648 —> 00:10:12,665

Come on, we must know somebody

208

00:10:12,667 —> 00:10:15,501

who can do manly stuff

like this.

209

00:10:18,422 —> 00:10:20,590

S'up?

210

00:10:29,076 —> 00:10:31,794

Step one: worms.

211

00:10:32,880 —> 00:10:35,248

Ew!

212

00:10:36,216 —> 00:10:38,301

Okay, right there,

"ew" is one of the things

213

00:10:38,303 —> 00:10:40,920

you're not gonna want to say

in front of your father-in-law.

214

00:10:40,922 —> 00:10:43,806

It's right up there with "icky"
and "get it away."

215
00:10:43,808 —> 00:10:45,758
Now pick one up.

216
00:10:45,760 —> 00:10:47,226
Really?

217
00:10:47,228 —> 00:10:49,012
You're gonna have to do it
when you're fishing.

218
00:10:49,014 —> 00:10:51,180
Okay.

219
00:10:54,685 —> 00:10:56,069
What are you waiting for?

220
00:10:56,071 —> 00:10:59,972
I don't know, for them
to die of natural causes.

221

00:10:59,974 —> 00:11:03,109

Just pick up a worm

and put him on this hook.

222

00:11:04,578 —> 00:11:06,946

Fine.

(clears throat)

223

00:11:17,441 —> 00:11:19,125

There.

224

00:11:19,127 —> 00:11:20,710

I'm no expert,

225

00:11:20,712 —> 00:11:23,546

but I think the hook has

to go through the worm.

226

00:11:23,548 —> 00:11:25,665

Fine.

227

00:11:25,667 —> 00:11:27,717

Sorry, Mr. Worm.

228

00:11:27,719 —> 00:11:30,136

Sherm.

Sherm the Worm.

229

00:11:31,021 —> 00:11:32,171

Hey, don't name him.

230

00:11:32,173 —> 00:11:34,057

Just jab a hook in his face.

231

00:11:36,009 —> 00:11:37,977

You got this, buddy.

Yeah, come on, Howard.

232

00:11:37,979 —> 00:11:39,646

Hook that worm.

You can do it.

233

00:11:39,648 —> 00:11:40,980

That's great.

234

00:11:40,982 —> 00:11:43,032

Cheerleading—

way to man things up.

235

00:11:46,403 —> 00:11:48,488

"And the control group displayed

236

00:11:48,490 —> 00:11:52,358

"significantly fewer

genetic abnormalities.

237

00:11:52,360 —> 00:11:56,362

"But, because of flaws

in the experimental design

238

00:11:56,364 —> 00:11:58,748

"relating to

environment and diet,

239

00:11:58,750 —> 00:12:01,351

they lived

inconclusively ever after."

240

00:12:01,353 —> 00:12:03,336

The end.

241

00:12:03,338 —> 00:12:04,821

That was great.

242

00:12:04,823 —> 00:12:06,239

Rub my chest again.

243

00:12:06,241 —> 00:12:07,457

(knock at door)

244

00:12:07,459 —> 00:12:08,841

No.

245

00:12:08,843 —> 00:12:10,693

I need to get you down

for a nap.

246

00:12:10,695 —> 00:12:14,230

For some reason, that VapoRub

gets you all fired up.

247

00:12:16,483 —> 00:12:17,984

How's the poor thing?

248

00:12:17,986 —> 00:12:20,903

Oh, I'm hanging in there.

Thanks for asking.

249

00:12:21,739 —> 00:12:23,406

Okay, Amy,

I brought you some drugs

250

00:12:23,408 —> 00:12:25,174

we were working

on in the lab.

251

00:12:25,176 —> 00:12:27,393

This is proving really

good for congestion,

252

00:12:27,395 —> 00:12:28,578

but there's a slight chance

253

00:12:28,580 —> 00:12:30,530

it can make your tears

burn like acid,

254

00:12:30,532 —> 00:12:32,515

so if you take it—

happy thoughts.

255

00:12:34,168 —> 00:12:36,786

Uh, I'm going to draw

you a soothing bath.

256

00:12:36,788 —> 00:12:38,538

Where's your bath thermometer?

257

00:12:38,540 —> 00:12:40,456

I don't have a bath thermometer.

258

00:12:40,458 —> 00:12:42,341

Fine. Then I'm going to draw you

259

00:12:42,343 —> 00:12:44,961

a nerve-wracking bath
of indeterminate temperature.

260
00:12:47,031 —> 00:12:49,132
This is a really
good expectorant.

261
00:12:49,134 —> 00:12:51,134
Although some
test subjects reported

262
00:12:51,136 —> 00:12:54,137
lactating uncontrollably
when they heard music.

263
00:12:55,088 —> 00:12:56,723
(quietly):
Okay, okay, here's the deal.

264
00:12:56,725 —> 00:12:58,758
I don't need your medicine.
I'm not sick.

265

00:12:58,760 —> 00:13:00,092
I don't understand.

266
00:13:00,094 —> 00:13:01,761
I got better two days ago.

267
00:13:01,763 —> 00:13:05,314
It's just been so nice
having Sheldon take care of me.

268
00:13:05,316 —> 00:13:06,866
So you've just
been lying to him?

269
00:13:06,868 —> 00:13:08,484
See the stuff in my nose?

270
00:13:08,486 —> 00:13:10,603
Rubber cement.

271
00:13:11,538 —> 00:13:13,740
I don't mean to be judgy,

272

00:13:13,742 —> 00:13:17,410

but this is the kind

of thing lunatics do.

273

00:13:18,278 —> 00:13:19,746

All right.

274

00:13:19,748 —> 00:13:21,781

I'll tell him.

275

00:13:21,783 —> 00:13:23,466

SHELDON: Amy, would you

be strong enough

276

00:13:23,468 —> 00:13:26,319

to bathe yourself,

or do you need my help?

277

00:13:29,239 —> 00:13:31,557

I'll tell him tomorrow.

278

00:13:33,510 —> 00:13:35,645

Mama needs a bath.

279
00:13:38,232 —> 00:13:39,982
Now, let's assume,
by some miracle,

280
00:13:39,984 —> 00:13:41,184
you actually catch a fish.

281
00:13:41,186 —> 00:13:43,236
You're going to have to know
how to gut it.

282
00:13:43,238 —> 00:13:44,904
So, what you're
going to do

283
00:13:44,906 —> 00:13:47,023
is you're going to take
your knife,

284

I'm touching his inner child.

86

00:03:08,627 —> 00:03:10,912

It's probably because

they were bullied growing up.

87

00:03:10,914 —> 00:03:12,664

In a world

where you can't fight back,

88
00:03:12,666 —> 00:03:15,216
superheroes provide
meaningful wish-fulfillment.

89
00:03:15,218 —> 00:03:16,384
(groans)

90
00:03:16,386 —> 00:03:18,553
Now I feel bad for picking
on all those kids.

91
00:03:18,555 —> 00:03:20,004
Although, in my defense,

92
00:03:20,006 —> 00:03:22,390
if Danny Biffle didn't want
to eat a mouthful of dirt,

93
00:03:22,392 —> 00:03:26,311
he shouldn't have shown up
to school wearing a bow tie.

94

00:03:26,313 —> 00:03:28,680

I've never even read

a comic book. You guys?

95

00:03:28,682 —> 00:03:29,814

Uh-uh.

No.

96

00:03:29,816 —> 00:03:30,849

I mean, it's such an important

97

00:03:30,851 —> 00:03:31,816

part of their lives.

98

00:03:31,818 —> 00:03:33,401

Maybe we should try

reading some.

99

00:03:33,403 —> 00:03:35,820

Seriously?

100

00:03:35,822 —> 00:03:38,239

The comic book store
isn't far from here.

101
00:03:38,241 —> 00:03:40,608
That is an amazing idea.

102
00:03:40,610 —> 00:03:43,912
Okay, how many of these
have I had?

103
00:03:48,200 —> 00:03:50,618
I think you should turn
on the GPS.

104
00:03:50,620 —> 00:03:52,253
It is on.

105
00:03:52,255 —> 00:03:55,507
But the turn-by-turn
voice option isn't on.

106
00:03:55,509 —> 00:03:56,791
I know I'd feel more safe

107

00:03:56,793 —> 00:03:58,710

if you turn on the turn-by-turn

voice option.

108

00:03:58,712 —> 00:04:01,262

I love the turn-by-turn

voice option.

109

00:04:01,264 —> 00:04:05,500

(quietly): Has it really only

been ten miles?

110

00:04:05,502 —> 00:04:08,136

I'm turning it on,

but just to shut you up.

111

00:04:09,671 —> 00:04:13,024

SHELDON'S VOICE (on GPS):

Leonard, bear left and continue

112

00:04:13,026 —> 00:04:15,310

on Interstate 210.

113

00:04:16,946 —> 00:04:19,364

Ooh, sounds like that fellow

knows what he's talking about.

114

00:04:19,366 —> 00:04:23,234

I'd put on my listening ears

if I were you.

115

00:04:23,236 —> 00:04:24,852

What did you do?

116

00:04:24,854 —> 00:04:26,738

I found a hack online.

117

00:04:26,740 —> 00:04:28,573

I was able to upload

MP3 recordings

118

00:04:28,575 —> 00:04:30,825

of my voice to your GPS.

119

00:04:30,827 —> 00:04:31,910
That is so cool.

120
00:04:31,912 —> 00:04:33,912
Counterpoint,
no, it's not.

121
00:04:33,914 —> 00:04:36,581
SHELDON'S VOICE:
Continue on Interstate 210

122
00:04:36,583 —> 00:04:38,082
for five miles.

123
00:04:38,084 —> 00:04:42,754
Here's an interesting fact
about interstates.

124
00:04:42,756 —> 00:04:44,756
Really?

125
00:04:44,758 —> 00:04:47,258
Shh,

he said it's interesting.

126
00:04:47,260 —> 00:04:50,728
Interstates are numbered
as follows.

127
00:04:50,730 —> 00:04:53,765
Even-numbered routes
run east and west,

128
00:04:53,767 —> 00:04:56,267
odd-numbered routes

129
00:04:56,269 —> 00:04:58,269
run north and south.

130
00:04:59,855 —> 00:05:02,390
Three-digit route numbers
indicate bypasses

131
00:05:02,392 —> 00:05:05,527
or spurs.
(Sheldon mouthing with audio)

132

00:05:05,529 —> 00:05:08,413

Look, Leonard,

there's a bridge.

133

00:05:08,415 —> 00:05:09,747

Drive off it.

134

00:05:09,749 —> 00:05:13,618

You know, we're not that far

from Vazquez Rocks.

135

00:05:13,620 —> 00:05:16,955

Oh, they shot a lot

of Star Trek episodes out there.

136

00:05:16,957 —> 00:05:19,123

We've got our costumes

in the trunk.

137

00:05:19,125 —> 00:05:21,709

We could go there

and have a little photo shoot.

138

00:05:21,711 —> 00:05:23,094

Great idea.

139

00:05:23,096 —> 00:05:25,463

I haven't had a carbohydrate

in two weeks.

140

00:05:25,465 —> 00:05:27,715

These cheekbones need

to be in front of a camera

141

00:05:27,717 —> 00:05:29,884

before I eat a pretzel

and they're gone.

142

00:05:30,686 —> 00:05:31,970

Yeah, that sounds fun.

143

00:05:31,972 —> 00:05:33,221

Oh, smashing.

144

00:05:33,223 —> 00:05:35,923
Now, Leonard,
do you know how to get there?

145
00:05:35,925 —> 00:05:36,523
No.

146
00:05:36,548 —> 00:05:38,727
Yeah, well luckily,
someone in the car does.

147
00:05:38,728 —> 00:05:40,528
SHELDON'S VOICE:
Recalculating.

148
00:05:40,530 —> 00:05:43,531
While we're waiting,

149
00:05:43,533 —> 00:05:46,067
do you know
which president signed

150
00:05:46,069 —> 00:05:49,270

the Intestate Highway System Act

into law?

151

00:05:49,272 —> 00:05:53,107

The answer,

coming up in 14 miles.

152

00:05:53,109 —> 00:05:55,994

None of you will get it.

153

00:05:55,996 —> 00:05:58,162

It's Eisenhower.

154

00:06:11,260 —> 00:06:13,177

Why are they staring?

155

00:06:13,179 —> 00:06:15,513

Who cares?

156

00:06:15,515 —> 00:06:18,182

Just soak it in.

157

00:06:18,184 —> 00:06:20,401
Hello, boys.

158
00:06:22,104 —> 00:06:25,240
Oh, hey.

159
00:06:26,926 —> 00:06:28,676
Could you please stop staring?
They're just girls.

160
00:06:28,678 —> 00:06:32,413
It's nothing you haven't seen
in movies or in drawings.

161
00:06:34,116 —> 00:06:35,700
Hey, Stuart.

162
00:06:35,702 —> 00:06:36,701
Wh-What brings you guys here?

163
00:06:36,703 —> 00:06:38,152
We were looking
for a recommendation

164

00:06:38,154 —> 00:06:39,504

about comic books.

165

00:06:39,506 —> 00:06:40,722

Oh, well, I recommend

166

00:06:40,724 —> 00:06:42,957

you don't open a store

and sell them.

167

00:06:42,959 —> 00:06:44,275

No, we were just wondering

168

00:06:44,277 —> 00:06:45,927

why the guys like

this stuff so much,

169

00:06:45,929 —> 00:06:47,629

so we thought we'd

give it a try.

170

00:06:47,631 —> 00:06:49,714
Oh, okay. What do you think
you might be into?

171
00:06:49,716 —> 00:06:51,266
Superhero, fantasy,
graphic novels, manga—

172
00:06:51,268 —> 00:06:55,670
I swear
I will turn a hose on you.

173
00:06:59,475 —> 00:07:01,943
What kind of comics
do the guys like?

174
00:07:01,945 —> 00:07:03,578
Um, a litt bit of everything.

175
00:07:03,580 —> 00:07:05,396
Mostly superhero stuff.

176
00:07:05,398 —> 00:07:07,315

All right, well,

who's the best superhero?

177

00:07:07,317 —> 00:07:08,499

Shh!

178

00:07:08,501 —> 00:07:10,451

You can't ask a question

like that in here.

179

00:07:10,453 —> 00:07:13,121

Are you trying

to start a rumble?

180

00:07:13,123 —> 00:07:15,990

Well, what do you recommend?

181

00:07:15,992 —> 00:07:17,358

Well, uh, let's see.

182

00:07:17,360 —> 00:07:19,294

You've got your basic

clean-cut good guys—

183

00:07:19,296 —> 00:07:21,079

Superman, Spider-Man,

Captain America.

184

00:07:21,081 —> 00:07:23,982

Then you have

your darker anti-heroes—

185

00:07:23,984 —> 00:07:26,617

your Batman, your Wolverine,

Punisher.

186

00:07:26,619 —> 00:07:30,088

Ooh, I do love a bad boy.

187

00:07:30,090 —> 00:07:33,975

As evidenced by your boyfriend

and his fear of hamsters.

188

00:07:35,344 —> 00:07:38,763

If I were you,

I'd go for Fables number one.

189

00:07:38,765 —> 00:07:40,214

The artwork

is sophisticated,

190

00:07:40,216 —> 00:07:41,399

it's intelligently written,

191

00:07:41,401 —> 00:07:43,401

and it doesn't objectify

or stereotype women.

192

00:07:43,403 —> 00:07:44,602

Ooh, Thor!

193

00:07:44,604 —> 00:07:47,238

He's hot.

194

00:07:47,240 —> 00:07:49,824

Yeah, he kind of is.

195

00:07:54,396 —> 00:07:56,497

KOOTHRAPPALI:

And we're blending,

196

00:07:56,499 —> 00:07:58,366

and we're blending,

197

00:07:58,368 —> 00:08:00,251

and we're done.

198

00:08:02,955 —> 00:08:06,457

I know Mr. Data

isn't supposed to smile,

199

00:08:06,459 —> 00:08:09,043

but here it comes.

200

00:08:11,630 —> 00:08:13,715

WOLOWITZ:

Come on, guys.

201

00:08:13,717 —> 00:08:15,299

Let's do this.

202

00:08:15,301 —> 00:08:18,603

Yeah, I'm sweating

my bald cap off.

203

00:08:22,107 —> 00:08:24,559

So what's our first

pose going to be?

204

00:08:24,561 —> 00:08:27,395

I say we begin with a classic

Star Trek fight scene.

205

00:08:27,397 —> 00:08:29,313

I'll set the timer.

206

00:08:34,953 —> 00:08:36,704

Sheldon,

how is that a fight pose?

207

00:08:36,706 —> 00:08:39,741

Mr. Data's weapon is his mind.

208

00:08:39,743 —> 00:08:41,376
I'm wielding it.

209
00:08:45,547 —> 00:08:49,100
(shutter clicks)

210
00:08:49,102 —> 00:08:51,452
Phasers on the Borg!

211
00:08:51,454 —> 00:08:53,938
(shutter clicks)

212
00:08:53,940 —> 00:08:55,723
Charlie's Angels.

213
00:08:55,725 —> 00:08:59,861
(shutter clicks)

214
00:08:59,863 —> 00:09:00,762
Okay, what's next?

215
00:09:00,764 —> 00:09:01,929

Now let's do

216

00:09:01,931 —> 00:09:03,464

some sexy glamour shots.

217

00:09:03,466 —> 00:09:04,632

I'll set the mood.

218

00:09:04,634 —> 00:09:06,851

(beat-boxing):

Oontz, oontz, oontz, oontz...

219

00:09:06,853 —> 00:09:10,521

oontz, oontz, oontz, oontz,

oontz, oontz, oontz, oontz...

220

00:09:10,523 —> 00:09:13,408

oontz, oontz, oontz,

oontz, oontz, oontz, oontz.

221

00:09:13,410 —> 00:09:15,576

Yeah, nice one.

222

00:09:15,578 —> 00:09:17,161

Oontz, oontz, oontz.

223

00:09:17,163 —> 00:09:18,863

That's right.

224

00:09:18,865 —> 00:09:19,864

Oontz, oontz, oontz.

225

00:09:19,866 —> 00:09:21,082

(car door slams)

226

00:09:21,084 —> 00:09:22,450

(engine revving)

Oh, my God.

227

00:09:22,452 —> 00:09:24,285

Leonard,

someone's stealing your car!

228

00:09:24,287 —> 00:09:26,487

What? Hey, hey!

229

00:09:26,489 —> 00:09:28,122

Come back here!

Stop!

230

00:09:28,124 —> 00:09:31,492

Stealing is against the law!

231

00:09:31,494 —> 00:09:34,545

I don't believe this.

232

00:09:34,547 —> 00:09:36,180

Son of a bitch.

233

00:09:36,182 —> 00:09:37,832

I'll call 911.

234

00:09:37,834 —> 00:09:38,933

Wha...

235

00:09:38,935 —> 00:09:41,135

Oh, no, my phone is

in my other pants.

236
00:09:41,137 —> 00:09:42,887
Oh, so is mine.
Mine, too.

237
00:09:42,889 —> 00:09:44,472
Anybody got any ideas?

238
00:09:44,474 —> 00:09:45,890
Nope.

239
00:09:45,892 —> 00:09:48,559
The only thing left to
do now is assign blame.

240
00:09:48,561 —> 00:09:50,728
Nice going.

241
00:09:59,906 —> 00:10:02,274
What kind of a person steals
another person's car

242

00:10:02,276 —> 00:10:03,742

in broad daylight?

243

00:10:03,744 —> 00:10:06,328

What kind of person

leaves his keys in the car?

244

00:10:06,330 —> 00:10:08,630

I thought we agreed this was

all Koothrappali's fault.

245

00:10:08,632 —> 00:10:09,882

You're right.

246

00:10:09,884 —> 00:10:12,301

Nice going.

247

00:10:12,303 —> 00:10:14,119

Car.

248

00:10:14,121 —> 00:10:15,838

(car approaches)

249

00:10:21,394 —> 00:10:22,544

What is wrong with people?

250

00:10:22,546 —> 00:10:23,679

Why don't they stop?

251

00:10:23,681 —> 00:10:25,147

Maybe we're better off.

252

00:10:25,149 —> 00:10:27,933

What if we were to get in a car

with a crazy person?

253

00:10:27,935 —> 00:10:29,601

Look at us, Sheldon.

254

00:10:29,603 —> 00:10:31,153

We're the crazy people.

255

00:10:33,907 —> 00:10:36,441

Well, perhaps we should

hold up a sign

256
00:10:36,443 —> 00:10:40,662
that assures passing motorists
of our mental competence.

257
00:10:40,664 —> 00:10:42,614
Good idea.

258
00:10:42,616 —> 00:10:44,917
Why don't you
get started on that?

259
00:10:45,752 —> 00:10:47,986
Come on,
let's just start walking.

260
00:10:47,988 —> 00:10:50,372
There's got to be a gas station
or something nearby.

261
00:10:50,374 —> 00:10:52,040
What, you think just

because you're wearing

262
00:10:52,042 —> 00:10:54,343
a captain's uniform,
you're in charge?

263
00:10:54,345 —> 00:10:56,428
Yes.

264
00:10:56,430 —> 00:10:58,413
All right.

265
00:11:08,441 —> 00:11:11,393
Hmm, okay, I'm done.

266
00:11:11,395 —> 00:11:13,362
How did you guys
finish so fast?

267
00:11:13,364 —> 00:11:15,447
I don't know,
there were a lot of pictures,

268

00:11:15,449 —> 00:11:19,568

and one page only had

the word "brakkadoom!"

269

00:11:19,570 —> 00:11:24,039

Yeah, well,

I have street smarts.

270

00:11:24,041 —> 00:11:26,058

So, what'd you guys think?

271

00:11:26,060 —> 00:11:29,211

Well, there was a lot of action,

Mmm.

272

00:11:29,213 —> 00:11:31,496

and the story moved along

at a brisk pace.

273

00:11:31,498 —> 00:11:33,415

It was, overall...

274

00:11:33,417 —> 00:11:35,533
what's the word I'm looking for?

275
00:11:35,535 —> 00:11:37,169
Stupid?
So stupid.

276
00:11:38,104 —> 00:11:39,304
I don't know how
Leonard can get

277
00:11:39,306 —> 00:11:40,422
so caught up in this.

278
00:11:40,424 —> 00:11:41,723
It's crazy; they spend hours

279
00:11:41,725 —> 00:11:43,875
arguing about things
that don't even exist.

280
00:11:43,877 —> 00:11:45,510
What a waste of time.

I know.

281
00:11:45,512 —> 00:11:48,080
A hammer so heavy that no
one else can pick it up?

282
00:11:48,082 —> 00:11:49,932
(chuckles)

283
00:11:49,934 —> 00:11:51,733
I don't think it's heavy.

284
00:11:51,735 —> 00:11:54,937
It's some sort of magic,
so only Thor can lift it.

285
00:11:54,939 —> 00:11:57,072
That makes even less
sense, I mean...

286
00:11:57,074 —> 00:12:01,660
No, no, no, it doesn't.

287

00:12:01,662 —> 00:12:02,811

Thor is a god.

288

00:12:02,813 —> 00:12:04,913

The hammer is his;

only he can use it.

289

00:12:04,915 —> 00:12:08,083

It's like Sheldon

and his toothbrush.

290

00:12:09,035 —> 00:12:11,753

Or his thin, beckoning lips.

291

00:12:13,072 —> 00:12:15,540

Okay, hang on, what if

Thor's hand is on the hammer?

292

00:12:15,542 —> 00:12:17,709

I mean, if he's touching it

with his god magic,

293

00:12:17,711 —> 00:12:19,244
does that mean I could lift it?

294
00:12:19,246 —> 00:12:21,964
No.
Yes.

295
00:12:21,966 —> 00:12:24,032
Well, which is it?

296
00:12:24,034 —> 00:12:26,435
Maybe we missed something.

297
00:12:26,437 —> 00:12:27,552
Let's read it again.

298
00:12:27,554 —> 00:12:29,821
Okay.
Yeah.

299
00:12:30,440 —> 00:12:34,059
(sighs)

300

00:12:34,061 —> 00:12:36,528

You want some tea?

301

00:12:36,530 —> 00:12:37,529

Good idea.

302

00:12:37,531 —> 00:12:39,481

I'll help you.

303

00:12:39,483 —> 00:12:41,316

Wait, I thought we were reading.

304

00:12:41,318 —> 00:12:42,618

We are.

305

00:12:42,620 —> 00:12:46,455

We're just, uh,

giving you a head start.

306

00:12:55,164 —> 00:12:57,633

I wish my mom was here.

307

00:12:57,635 —> 00:13:01,953

We could all hang out

in her shadow.

308

00:13:01,955 —> 00:13:04,139

Wool pants in the desert.

309

00:13:04,141 —> 00:13:07,476

I feel like I've got

poached testicles.

310

00:13:09,395 —> 00:13:10,646

Oh, you poor thing;

311

00:13:10,648 —> 00:13:12,114

you're sweating.

312

00:13:12,116 —> 00:13:14,933

That's so much worse than

having your car stolen.

313

00:13:14,935 —> 00:13:17,002

Insurance is gonna buy you
a new car.

314
00:13:17,004 —> 00:13:20,238
It's not gonna
de-funk my junk.

315
00:13:20,240 —> 00:13:22,407
Gentlemen,

316
00:13:22,409 —> 00:13:24,192
a little less bellyaching.

317
00:13:24,194 —> 00:13:25,610
We're Starfleet officers

318
00:13:25,612 —> 00:13:27,746
and a member
of the Borg Collective.

319
00:13:27,748 —> 00:13:30,699
Please, Sheldon,
I am so not in the mood.

320

00:13:30,701 —> 00:13:34,319

Leonard,

all our lives we have dreamed

321

00:13:34,321 —> 00:13:35,587

of finding ourselves

322

00:13:35,589 —> 00:13:38,423

inside one of

the fantasy worlds we love.

323

00:13:38,425 —> 00:13:40,509

And look at us.

324

00:13:40,511 —> 00:13:42,260

At this moment, we are, in fact,

325

00:13:42,262 —> 00:13:44,429

a Star Trek landing party

326

00:13:44,431 —> 00:13:48,066

stranded in an alien
and unforgiving environment,

327
00:13:48,068 —> 00:13:50,936
relying only on our wits,
our fortitude

328
00:13:50,938 —> 00:13:52,604
(car approaches)
and our moxie.

329
00:13:52,606 —> 00:13:55,006
As long as we have
those things,

330
00:13:55,008 —> 00:13:57,342
nothing can stop...
MAN: Nerds!

331
00:14:03,066 —> 00:14:05,233
I hate this planet.

332
00:14:10,907 —> 00:14:12,657

It says right here

on the hammer,

333

00:14:12,659 —> 00:14:15,293

"Whoever holds this hammer,

if he be worthy,

334

00:14:15,295 —> 00:14:17,079

shall possess

the power of Thor."

335

00:14:17,081 —> 00:14:18,797

Hold on,

who decides who's worthy?

336

00:14:18,799 —> 00:14:20,165

Does the hammer decide?

337

00:14:20,167 —> 00:14:21,500

Yes!

No!

338

00:14:23,252 —> 00:14:24,669

It can't decide.

339
00:14:24,671 —> 00:14:25,971
It's a hammer.

340
00:14:25,973 —> 00:14:27,539
You said it's a magic hammer.

341
00:14:27,541 —> 00:14:29,424
Yeah, it can't make decisions.

342
00:14:29,426 —> 00:14:31,009
If Harry Potter's wand
can make decisions,

343
00:14:31,011 —> 00:14:32,644
why can't Thor's hammer?

344
00:14:32,646 —> 00:14:35,347
Okay, if you're going to start
comparing wands and hammers,

345

00:14:35,349 —> 00:14:38,934
I can't even take you seriously.

346
00:14:56,085 —> 00:14:58,370
Hello.

347
00:14:58,372 —> 00:15:00,789
Hello.

348
00:15:01,707 —> 00:15:05,127
Uh, four glasses
of water, please.

349
00:15:05,129 —> 00:15:08,013
Anything for you guys?

350
00:15:08,015 —> 00:15:10,515
Can I use your phone?

351
00:15:10,517 —> 00:15:11,800
Our car got stolen.

352

00:15:11,802 —> 00:15:14,553
Why don't you ask Scotty
to beam you up?

353
00:15:14,555 —> 00:15:16,555
(laughter)

354
00:15:16,557 —> 00:15:19,775
Scotty was on the
original series,

355
00:15:19,777 —> 00:15:22,477
and we're Next Generation.

356
00:15:22,479 —> 00:15:26,364
So... joke's on you.

357
00:15:29,435 —> 00:15:32,154
We're not with him.

358
00:15:35,892 —> 00:15:38,210
You can't pick something up
in outer space.

359

00:15:38,212 —> 00:15:40,579

In space, there is no up.

360

00:15:40,581 —> 00:15:44,115

Oh, yeah? Then how does

the sun come "up" every day?

361

00:15:45,401 —> 00:15:48,453

Hard to argue with those kind

of street smarts.

362

00:15:53,342 —> 00:15:55,560

Leonard and Sheldon have boxes

of comics across the hall.

363

00:15:55,562 —> 00:15:56,845

Why don't we go look at those?

364

00:15:56,847 —> 00:15:58,680

Oh, great! Yes!

And then you will see.

365

00:15:58,682 —> 00:16:01,233

I am not wrong, because

if we were in outer space,

366

00:16:01,235 —> 00:16:03,018

then anyone

could pick up the hammer

367

00:16:03,020 —> 00:16:04,452

because it would be

floating around

368

00:16:04,454 —> 00:16:05,737

in a weightless environment.

369

00:16:05,739 —> 00:16:07,972

Yeah, that's right, the

slow reader used science.

370

00:16:07,974 —> 00:16:09,391

Suck on that.

371

00:16:12,111 —> 00:16:14,246
Was there anything
valuable in the car?

372
00:16:14,248 —> 00:16:17,115
Our clothes,
our wallets, phones.

373
00:16:17,117 —> 00:16:18,750
And about $300 worth of makeup,

374
00:16:18,752 —> 00:16:22,070
so this thief could look like
anyone right now.

375
00:16:22,072 —> 00:16:24,256
Makeup?

376
00:16:24,258 —> 00:16:26,491
Sure.

377
00:16:27,877 —> 00:16:30,929
Uh, we're going to the Comic-Con

in Bakersfield.

378

00:16:30,931 —> 00:16:32,997

They have a big costume contest.

379

00:16:33,666 —> 00:16:36,268

It's cooler than it sounds.

380

00:16:36,270 —> 00:16:40,272

I don't know,

sounds pretty cool.

381

00:16:40,274 —> 00:16:42,107

I-It is.

382

00:16:42,109 —> 00:16:43,308

It's not just comic books.

383

00:16:43,310 —> 00:16:44,893

They've got

action figures, toys,

384

00:16:44,895 —> 00:16:46,611

a Tron-themed dance party...

385

00:16:46,613 —> 00:16:48,230

Okay, he gets how cool it is.

386

00:16:49,282 —> 00:16:51,149

I think I have all I need here.

387

00:16:51,151 —> 00:16:52,850

You guys need me

to call someone?

388

00:16:52,852 —> 00:16:55,853

I'm guessing your moms?

389

00:16:57,006 —> 00:16:59,641

Thanks,

but we've got it covered.

390

00:16:59,643 —> 00:17:02,860

Okay,

I just talked to my mom.

391

00:17:05,915 —> 00:17:08,199

She arranged for us

to get a rental car.

392

00:17:08,201 —> 00:17:09,367

Great.

393

00:17:09,369 —> 00:17:11,002

We can still make it

to Comic-Con.

394

00:17:11,004 —> 00:17:12,304

Are you kidding me?

395

00:17:12,306 —> 00:17:14,506

After all we've been through,

I just want to go home.

396

00:17:14,508 —> 00:17:15,873

Don't be like that.

397

00:17:15,875 —> 00:17:17,225
Come on, Howard,
talk to him.

398
00:17:17,227 —> 00:17:18,727
I'm with Leonard.

399
00:17:18,729 —> 00:17:20,712
I'm done.

400
00:17:20,714 —> 00:17:23,398
Fine, then I guess
it's two against two.

401
00:17:23,400 —> 00:17:24,766
How do we decide?

402
00:17:24,768 —> 00:17:28,687
Actually,
it's three against one.

403
00:17:28,689 —> 00:17:30,054
What?!

404

00:17:30,056 —> 00:17:31,189

What about the mission?

405

00:17:31,191 —> 00:17:32,991

You said we were

a real-life landing party.

406

00:17:32,993 —> 00:17:34,809

Yeah, well, we're not.

407

00:17:34,811 —> 00:17:36,528

We're an imaginary landing party

408

00:17:36,530 —> 00:17:39,080

who had real-life garbage

thrown at us

409

00:17:39,082 —> 00:17:41,833

by real-life strangers

who think we're idiots.

410

00:17:43,035 —> 00:17:44,369
And to tell you the truth,

411
00:17:44,371 —> 00:17:46,671
I'm starting to feel like one.

412
00:17:46,673 —> 00:17:49,240
I want to go home now.

413
00:17:49,242 —> 00:17:51,543
Okay.

414
00:17:51,545 —> 00:17:55,297
Did we at least rent the car
from Enterprise?

415
00:17:58,384 —> 00:18:00,352
Get it? Enterprise?

416
00:18:01,587 —> 00:18:04,255
Screw you. That's funny.

417

00:18:06,859 —> 00:18:08,810
Well, what if the
Hulk picked up Thor

418
00:18:08,812 —> 00:18:10,762
while Thor is
holding the hammer?

419
00:18:10,764 —> 00:18:12,063
Yeah?

420
00:18:12,065 —> 00:18:13,264
Then by the transitive property

421
00:18:13,266 —> 00:18:16,401
of picking things up,
Hulk picked up the hammer.

422
00:18:17,453 —> 00:18:18,570
No.

423
00:18:18,572 —> 00:18:20,572
Hulk picked up Thor,

Thor picked up the hammer.

424
00:18:20,574 —> 00:18:21,656
Okay, hang on.

425
00:18:21,658 —> 00:18:23,625
If I go to a bar
and pick up a guy,

426
00:18:23,627 —> 00:18:25,744
and he picks up a girl,
and then we all leave together,

427
00:18:25,746 —> 00:18:27,779
did I pick up the girl?

428
00:18:31,367 —> 00:18:34,619
Did that ever happen?

429
00:18:34,621 —> 00:18:38,340
Hey, are we talking about me
or are we talking about Thor?

430

00:18:45,231 —> 00:18:49,067

Well, I say that's the last time

we ever go outside.

431

00:18:49,069 —> 00:18:50,352

AMY:

Look, right here.

with cinnamon sticks!

140

00:05:51,883 —> 00:05:53,984

What the frig, Cooper?

141

00:05:53,986 —> 00:05:54,952

We were

supposed to meet

142

00:05:54,954 —> 00:05:57,321
in my office
a half an hour ago.

143
00:05:57,323 —> 00:05:59,673
And yet,
now you're in my office.

144
00:05:59,675 —> 00:06:02,159
Point: Cooper.

145
00:06:02,161 —> 00:06:04,512
Welcome to the Thunderdome,
Kripke.

146
00:06:04,514 —> 00:06:07,681
We agreed to exchange
copies of our work.

147
00:06:07,683 —> 00:06:08,766
Let me see yours.

148
00:06:08,768 —> 00:06:11,936

Why don't you show me
yours first.

149
00:06:11,938 —> 00:06:14,972
You think I just fell
off the turnip truck?

150
00:06:16,191 —> 00:06:17,858
We exchange at the same time.

151
00:06:17,860 —> 00:06:20,628
How do I know you're not
going to take my ideas

152
00:06:20,630 —> 00:06:22,163
and publish them
as your own?

153
00:06:22,165 —> 00:06:24,064
How do I know you're not
going to do that with mine?

154
00:06:24,066 —> 00:06:25,182

Yeah, because I'm not interested

155
00:06:25,184 —> 00:06:26,867
in getting published
in Mad magazine.

156
00:06:29,070 —> 00:06:31,956
Zingers fly fast
in the Thunderdome, Barry.

157
00:06:31,958 —> 00:06:34,792
Are we going
to do this or not?

158
00:06:34,794 —> 00:06:36,327
Thank you.

159
00:06:36,329 —> 00:06:38,212
So, we read each other's work,
meet again tomorrow?

160
00:06:38,214 —> 00:06:40,364
Fine.

161

00:06:43,585 —> 00:06:46,220

Nice try.

This is blank paper.

162

00:06:46,222 —> 00:06:48,222

And I am sure it's

still more valuable

163

00:06:48,224 —> 00:06:49,706

than whatever's in here.

164

00:06:49,708 —> 00:06:52,593

Cough it up, Cooper.

165

00:06:52,595 —> 00:06:54,145

Very well.

166

00:06:59,184 —> 00:07:02,987

If this one's blank, too,

I'm going to be furious.

167

00:07:04,789 —> 00:07:06,323
Fine.

168
00:07:15,367 —> 00:07:16,734
You!

169
00:07:16,736 —> 00:07:19,003
Always bet on black.

170
00:07:19,005 —> 00:07:22,173
Get that waste of money
out of my face.

171
00:07:22,175 —> 00:07:23,924
It's only a
waste of money

172
00:07:23,926 —> 00:07:26,210
if we don't
play with them.

173
00:07:26,212 —> 00:07:27,744
He's right, dawg.

174

00:07:29,598 —> 00:07:31,048

Please, I'm working.

175

00:07:31,050 —> 00:07:34,385

You know, there is a way

we can get action figures

176

00:07:34,387 —> 00:07:35,936

to look exactly

like us.

177

00:07:35,938 —> 00:07:37,104

Oh, yeah?

How's that?

178

00:07:37,106 —> 00:07:38,189

Two words:

179

00:07:38,191 —> 00:07:40,357

3-D printer.

180

00:07:40,359 —> 00:07:41,942
Wait, maybe it's three words.

181
00:07:41,944 —> 00:07:43,394
No, hang on.

182
00:07:43,396 —> 00:07:46,697
Okay, one word, a letter
and a number and...

183
00:07:46,699 —> 00:07:48,232
maybe a hyphen.

184
00:07:48,234 —> 00:07:50,401
3-D printer.

185
00:07:50,403 —> 00:07:53,737
I have always wanted
a 3-D printer.

186
00:07:53,739 —> 00:07:55,122
Of course you have.

187

00:07:55,124 —> 00:07:56,240

They're an

engineer's dream.

188

00:07:56,242 —> 00:07:57,374

Anything you can design,

189

00:07:57,376 —> 00:07:59,610

a 3-D printer can make

out of plastic.

190

00:07:59,612 —> 00:08:01,912

Yeah, but they're so expensive.

191

00:08:01,914 —> 00:08:02,963

Oh, come on.

192

00:08:02,965 —> 00:08:04,048

You deserve one.

193

00:08:04,050 —> 00:08:05,499

You've worked hard

to find a woman

194
00:08:05,501 —> 00:08:07,051
who makes a lot of money.

195
00:08:09,087 —> 00:08:11,455
Well, the prices
have been coming down.

196
00:08:11,457 —> 00:08:12,623
Oh, true.

197
00:08:12,625 —> 00:08:14,758
They're practically
giving them away.

198
00:08:14,760 —> 00:08:17,745
You know, in exchange for money.

199
00:08:17,747 —> 00:08:20,797
And we can make stuff
we need for work with it.

200

00:08:20,799 —> 00:08:23,434

Prototypes

of my CAD/CAM designs,

201

00:08:23,436 —> 00:08:24,518

specialized tools...

202

00:08:24,520 —> 00:08:26,320

Not to mention

Malibu Koothrappali

203

00:08:26,322 —> 00:08:29,607

and his totally bitchin'

dream house.

204

00:08:29,609 —> 00:08:32,809

We don't need Malibu

Koothrappali's dream house.

205

00:08:32,811 —> 00:08:34,194

Really, smart guy?

206

00:08:34,196 —> 00:08:36,747
Where's he supposed to park
his sweet little Corvette?

207
00:08:39,034 —> 00:08:43,487
The monkey in my tobacco study
has taken to smoking a pipe.

208
00:08:43,489 —> 00:08:46,823
I'm supposed to remove
his brain to examine,

209
00:08:46,825 —> 00:08:49,677
but it's hard because now he
reminds me of my uncle.

210
00:08:52,297 —> 00:08:54,014
You've been
awfully quiet tonight.

211
00:08:54,016 —> 00:08:55,332
Is everything okay?

212

00:08:55,334 —> 00:08:57,601
I'm fine.

213
00:08:57,603 —> 00:09:00,387
All right, well,
how was work today?

214
00:09:00,389 —> 00:09:02,640
Did you exchange your research
with Kripke?

215
00:09:04,476 —> 00:09:06,360
Yes.

216
00:09:06,362 —> 00:09:08,845
Sheldon, what's going on?

217
00:09:10,231 —> 00:09:14,184
I read his research, and...

218
00:09:14,186 —> 00:09:17,521
it's leaps and bounds
ahead of mine.

219

00:09:17,523 —> 00:09:20,541

Which means the mommy

of the smartest physicist

220

00:09:20,543 —> 00:09:25,629

at the university is not

my mommy as I had thought.

221

00:09:25,631 —> 00:09:27,548

It's his mommy.

222

00:09:28,967 —> 00:09:31,135

Sheldon, I wish there was

something I could do

223

00:09:31,137 —> 00:09:32,636

to make you feel better.

224

00:09:34,255 —> 00:09:36,006

May I offer you a consoling hug?

225

00:09:37,208 —> 00:09:38,726
What do we have to lose?

226
00:09:45,433 —> 00:09:48,268
How's that?

227
00:09:48,270 —> 00:09:51,221
I feel like I'm being strangled
by a boa constrictor.

228
00:09:54,192 —> 00:09:57,027
Why'd you stop?

229
00:10:05,461 —> 00:10:08,796
Come on, Sheldon!
We're going to be late!

230
00:10:08,798 —> 00:10:11,682
I can't go in today.
I'm sick.

231
00:10:11,684 —> 00:10:12,784
You're not sick.

232

00:10:12,786 —> 00:10:14,001

You just don't want

to face Kripke.

233

00:10:14,003 —> 00:10:16,487

No, look.

234

00:10:18,190 —> 00:10:22,026

128.

235

00:10:23,695 —> 00:10:25,513

See?

236

00:10:25,515 —> 00:10:27,815

What did you do,

put this in your tea?

237

00:10:27,817 —> 00:10:29,700

Oh, dear.

238

00:10:29,702 —> 00:10:32,787

Now I'm not even smarter
than you.

239
00:10:32,789 —> 00:10:35,289
Sheldon, Kripke's not
smarter than you.

240
00:10:35,291 —> 00:10:37,041
You just got stuck
on a wrong path.

241
00:10:37,043 —> 00:10:38,276
Happened to Einstein.

242
00:10:38,278 —> 00:10:40,912
He got stuck on the unified
field theory for decades.

243
00:10:40,914 —> 00:10:42,863
Oh, don't play
the Einstein card.

244
00:10:42,865 —> 00:10:45,133

His great breakthroughs happened
when no one knew anything.

245
00:10:45,135 —> 00:10:47,635
So everything
was a great breakthrough.

246
00:10:47,637 —> 00:10:48,920
Sheldon Lee Cooper,

247
00:10:48,922 —> 00:10:50,638
I do not have time
for this nonsense.

248
00:10:50,640 —> 00:10:52,757
Now, go put your clothes on,
get in the car,

249
00:10:52,759 —> 00:10:54,342
and lets go to work.

250
00:10:55,210 —> 00:10:58,096
All right, geez.

251

00:10:58,098 —> 00:10:59,647

What a grouch.

252

00:11:02,551 —> 00:11:03,935

How did I do that?

253

00:11:03,937 —> 00:11:06,687

I got to remember

how I did that.

254

00:11:07,773 —> 00:11:10,158

Do you realize, by

owning a 3-D printer,

255

00:11:10,160 —> 00:11:13,077

we are reclaiming

the manufacturing process

256

00:11:13,079 —> 00:11:16,998

and taking jobs back

from sweatshops in China?

257

00:11:17,000 —> 00:11:20,401

I think this thing

was made in China.

258

00:11:21,236 —> 00:11:23,254

Eh, what can you do?

259

00:11:23,256 —> 00:11:25,923

Ooh, I-I think it's done.

260

00:11:27,176 —> 00:11:28,576

(gasps)

261

00:11:28,578 —> 00:11:29,760

It worked!

262

00:11:29,762 —> 00:11:32,763

We printed a whistle.

263

00:11:33,632 —> 00:11:35,216

Amazing.

264

00:11:35,218 —> 00:11:37,251

You realize these things

go for 25 cents a pop

265

00:11:37,253 —> 00:11:38,419

at a party store.

266

00:11:38,421 —> 00:11:40,721

And we made it

in only three hours.

267

00:11:40,723 —> 00:11:42,056

(whistles)

268

00:11:42,058 —> 00:11:43,141

(inhales)

269

00:11:43,143 —> 00:11:45,393

Sounds just like

store-bought.

270

00:11:46,395 —> 00:11:50,264

Okay, give me
a superhero pose,

271
00:11:50,266 —> 00:11:51,532
and I will scan you

272
00:11:51,534 —> 00:11:53,234
into the computer
for your action figure.

273
00:11:53,236 —> 00:11:54,318
(inhales)

274
00:11:54,320 —> 00:11:56,070
Oh, I wish I was
in better shape.

275
00:11:56,072 —> 00:11:57,038
(laughs)

276
00:11:58,540 —> 00:11:59,824
Stop holding
your stomach in.

277

00:11:59,826 —> 00:12:02,776

I'll give you a six-pack

with the computer.

278

00:12:02,778 —> 00:12:04,162

Oh, okay, great.

279

00:12:04,164 —> 00:12:06,497

Now I can look

like Val Kilmer as Batman

280

00:12:06,499 —> 00:12:09,283

instead of Val Kilmer

as he looks today.

281

00:12:09,285 —> 00:12:11,919

(exhales)

282

00:12:11,921 —> 00:12:14,472

All right, you can

suck it in a little bit.

283

00:12:17,809 —> 00:12:19,727

Cooper, we have a problem.

284

00:12:19,729 —> 00:12:21,479

Your work is really not

285

00:12:21,481 —> 00:12:23,514

at a level

I expected it to be.

286

00:12:23,516 —> 00:12:25,349

I know.

287

00:12:25,351 —> 00:12:26,934

Go ahead, mock me.

288

00:12:26,936 —> 00:12:29,904

Just use small words

so I understand.

289

00:12:30,772 —> 00:12:32,156

Don't play dumb

with me.

290

00:12:32,158 —> 00:12:34,075

We both know

what your problem is.

291

00:12:34,077 —> 00:12:35,676

We do?

292

00:12:35,678 —> 00:12:37,328

You have a girlfriend.

293

00:12:37,330 —> 00:12:38,979

So?

294

00:12:38,981 —> 00:12:40,915

So my work would suffer, too,

295

00:12:40,917 —> 00:12:44,252

if I was getting laid

all the time.

296

00:12:48,524 —> 00:12:50,258
Yes.

297
00:12:51,743 —> 00:12:53,945
That is the reason.

298
00:12:55,180 —> 00:12:58,516
My work is suffering
because of...

299
00:12:58,518 —> 00:13:00,935
all the laid I'm getting.

300
00:13:02,938 —> 00:13:05,022
You lucky bastard.

301
00:13:05,024 —> 00:13:07,558
What can I say, you know?

302
00:13:07,560 —> 00:13:10,177
She enjoys my genitals.

303

00:13:11,980 —> 00:13:14,699
I am giving them to her
on a nightly basis.

304
00:13:15,651 —> 00:13:18,069
Okay, stop bragging.

305
00:13:18,071 —> 00:13:20,238
You had some brilliant
insights in here,

306
00:13:20,240 —> 00:13:21,455
but if we're gonna
make this work,

307
00:13:21,457 —> 00:13:23,324
you need to buckle down
and focus.

308
00:13:23,326 —> 00:13:24,875
I'll do what I can.

309
00:13:24,877 —> 00:13:28,246

But it's not going to be easy,

because when I'm with Amy

310

00:13:28,248 —> 00:13:32,149

and our bathing suit areas

mush together...

311

00:13:32,151 —> 00:13:34,635

boy howdy, is it magic

312

00:13:41,827 —> 00:13:44,895

Oh, good,

you're home.

313

00:13:44,897 —> 00:13:47,131

Got a little

surprise for you.

314

00:13:47,133 —> 00:13:48,316

What?

315

00:13:48,318 —> 00:13:49,400

Say hello

316

00:13:49,402 —> 00:13:51,569

to my little friend.

317

00:13:54,072 —> 00:13:57,391

Oh, my God.

318

00:13:57,393 —> 00:13:58,743

That's so cute.

319

00:13:58,745 —> 00:14:01,562

I didn't think there could be

a smaller version of you.

320

00:14:01,564 —> 00:14:03,197

(laughs)

321

00:14:04,065 —> 00:14:05,750

I know, right?

322

00:14:05,752 —> 00:14:07,568

And, thanks

to photographs

323
00:14:07,570 —> 00:14:09,170
and a little
3-D modeling,

324
00:14:09,172 —> 00:14:11,872
here comes the bride.

325
00:14:12,674 —> 00:14:14,959
Oh, Howie,
I love these.

326
00:14:14,961 —> 00:14:15,960
I thought you might.

327
00:14:15,962 —> 00:14:17,678
Were they expensive?

328
00:14:17,680 —> 00:14:19,213
Didn't cost a thing.
I made them myself.

329

00:14:19,215 —> 00:14:20,765

How?

Koothrappali and I

330

00:14:20,767 —> 00:14:24,385

bought a used 3-D printer

for $5,000.

331

00:14:24,387 —> 00:14:25,469

(chuckles)

332

00:14:25,471 —> 00:14:27,921

$5,000 for a

couple of dolls?

333

00:14:27,923 —> 00:14:30,090

Are you out

of your mind?

334

00:14:30,925 —> 00:14:33,594

Not just

a couple of dolls.

335

00:14:33,596 —> 00:14:36,230

For as many dolls

as we want.

336

00:14:37,733 —> 00:14:40,234

And whistles.

337

00:14:40,236 —> 00:14:43,237

At any point, did it dawn

on you to talk to me

338

00:14:43,239 —> 00:14:45,039

about spending this

kind of money?

339

00:14:45,941 —> 00:14:48,109

It's kind of

dawning on me now.

340

00:14:48,960 —> 00:14:51,128

I don't believe you!

341

00:14:51,130 —> 00:14:54,131
Howie, we can't afford to waste
money on junk like this.

342
00:14:54,133 —> 00:14:56,083
What are you talking about?

343
00:14:56,085 —> 00:14:57,752
We make plenty
of money.

344
00:14:57,754 —> 00:14:59,053
I make plenty of money!

345
00:14:59,055 —> 00:15:00,954
You make peanuts!

346
00:15:00,956 —> 00:15:04,342
Yes, but we're married now.

347
00:15:04,344 —> 00:15:05,926
That means, when you

348

00:15:05,928 —> 00:15:08,679

get sick,

I take care of you.

349

00:15:08,681 —> 00:15:11,515

And when you make

a bunch of money,

350

00:15:11,517 —> 00:15:13,801

I get to buy stuff.

351

00:15:14,653 —> 00:15:17,154

Sorry if you

don't like it,

352

00:15:17,156 —> 00:15:19,824

but that's how

love works.

353

00:15:19,826 —> 00:15:22,476

No, here's how

love works.

354

00:15:22,478 —> 00:15:24,028

You're gonna return

the machine,

355

00:15:24,030 —> 00:15:26,364

or you can print out a

working set of lady parts

356

00:15:26,366 —> 00:15:27,815

and sleep with those.

357

00:15:29,868 —> 00:15:32,420

Oh, my God! Are you

actually thinking about it?

358

00:15:36,007 —> 00:15:37,324

All right, I don't understand.

359

00:15:37,326 —> 00:15:39,176

Why didn't you just

tell Kripke the truth?

360

00:15:39,178 —> 00:15:41,879
Because the truth
made me look bad,

361
00:15:41,881 —> 00:15:44,832
whereas a ridiculous bald-faced
lie makes me look good.

362
00:15:45,717 —> 00:15:46,717
Anyway,

363
00:15:46,719 —> 00:15:48,001
if Kripke asks,

364
00:15:48,003 —> 00:15:50,388
tell him my coitus with Amy
is frequent,

365
00:15:50,390 —> 00:15:53,407
intense and whimsically
inventive.

366
00:15:59,698 —> 00:16:02,283

Is my coitus
whimsically inventive?

367
00:16:03,235 —> 00:16:05,369
That is what I write
on the bathroom walls.

368
00:16:05,371 —> 00:16:07,121
"For a whimsically
inventive time,

369
00:16:07,123 —> 00:16:08,322
call Leonard Hofstadter."

370
00:16:08,324 —> 00:16:10,157
(laughs)

371
00:16:11,526 —> 00:16:13,461
I know you're joking,
but I'd be okay with that.

372
00:16:13,486 —> 00:16:14,877
Yeah.

373

00:16:15,630 —> 00:16:17,214

Sheldon, can I ask you

a question?

374

00:16:17,216 —> 00:16:19,333

Of course.

You ever going to sleep with Amy?

375

00:16:22,671 —> 00:16:24,271

That's awfully personal.

376

00:16:24,273 —> 00:16:25,840

We don't ask Sheldon

things like that.

377

00:16:25,842 —> 00:16:27,040

Maybe you don't; I do.

378

00:16:27,042 —> 00:16:28,208

What's the deal?

379

00:16:29,411 —> 00:16:31,879
Well, word around the university

380
00:16:31,881 —> 00:16:35,116
is I'm giving her sex organs
a proper jostling.

381
00:16:35,118 —> 00:16:36,767
All right, come on,
be serious.

382
00:16:36,769 —> 00:16:39,019
Look, you guys have been
going out a long time.

383
00:16:39,021 —> 00:16:40,488
She would clearly like

384
00:16:40,490 —> 00:16:42,239
to have a physical
relationship with you,

385
00:16:42,241 —> 00:16:43,858

so what are you doing?

386
00:16:43,860 —> 00:16:45,392
All right, we're down
the rabbit hole.

387
00:16:45,394 —> 00:16:47,027
What are you doing?

388
00:16:47,029 —> 00:16:50,698
Well, first of all,
I'm quite fond of Amy.

389
00:16:50,700 —> 00:16:52,199
Then what's
the problem?

390
00:16:52,201 —> 00:16:54,351
Penny...

391
00:16:54,353 —> 00:16:57,705
all my life,
I have been uncomfortable

392

00:16:57,707 —> 00:16:59,423

with the sort

of physical contact

393

00:16:59,425 —> 00:17:01,509

that comes easily

to others—

394

00:17:01,511 —> 00:17:04,145

hand-shaking, hugging,

395

00:17:04,147 —> 00:17:06,046

prostate exams.

396

00:17:09,851 —> 00:17:12,269

But I'm working on it,

you know?

397

00:17:12,271 —> 00:17:16,440

Just recently, I had to put

VapoRub on Amy's chest.

398

00:17:16,442 —> 00:17:19,143

A year ago, that would

have been unthinkable.

399

00:17:19,145 —> 00:17:22,730

Now you know how I feel

when I have to put it on you.

400

00:17:23,949 —> 00:17:25,950

Okay. Hang on.

401

00:17:25,952 —> 00:17:28,903

Are you saying someday

you and Amy might...

402

00:17:28,905 —> 00:17:32,289

actually get physical?

403

00:17:35,026 —> 00:17:36,610

It's a possibility.

404

00:17:39,464 —> 00:17:41,448

(quietly):

Oh, my God!

405

00:17:48,122 —> 00:17:49,673

Sheldon, I know this

wasn't easy for you,

406

00:17:49,675 —> 00:17:51,559

and I'm really glad we could

have this conversation.

407

00:17:51,561 —> 00:17:52,810

Oh, yeah.

408

00:17:53,795 —> 00:17:54,962

Ow!

409

00:18:04,228 —> 00:18:06,180

Are you sure you

want to do this?

410

00:18:06,182 —> 00:18:08,182

Give up your half

of the 3-D printer?

411
00:18:08,184 —> 00:18:09,517
Yes.

412
00:18:09,519 —> 00:18:11,803
And can you please make
that out to Bernadette?

413
00:18:11,805 —> 00:18:13,638
I was taken off
the joint account

414
00:18:13,640 —> 00:18:17,025
until I learn
the value of money.

415
00:18:18,561 —> 00:18:19,944
Wow, that's harsh.

416
00:18:19,946 —> 00:18:22,046
Tell me about it.

417

00:18:22,048 —> 00:18:24,115

(sighs)

Aren't you gonna eat lunch?

418

00:18:24,117 —> 00:18:28,102

Nah, I blew my food allowance

on Pokémon cards.

419

00:18:30,439 —> 00:18:34,092

Well, the equation

balances,

420

00:18:34,094 —> 00:18:35,827

but it's certainly

not elegant.

421

00:18:35,829 —> 00:18:37,945

Whatever.

You get any last night?

422

00:18:40,549 —> 00:18:42,133

Yes.

423

00:18:42,135 —> 00:18:44,552

Gave it to her good, huh?

424

00:18:45,387 —> 00:18:48,139

No, I gave it to her well.

425

00:18:50,626 —> 00:18:52,627

Now, over here,

I was thinking

426

00:18:52,629 —> 00:18:54,596

the turbulence could be

reduced if we just put...

427

00:18:54,598 —> 00:18:55,663

Yeah, yeah, yeah.

428

00:18:55,665 —> 00:18:58,650

Was she naked,

or was she wearing lingerie?

429

00:19:01,754 —> 00:19:03,438

I didn't notice.

430
00:19:04,273 —> 00:19:06,807
How could you
not notice?

431
00:19:06,809 —> 00:19:08,409
I was too busy

432
00:19:08,411 —> 00:19:11,479
squishing all the desirable
parts of her body.

433
00:19:11,481 —> 00:19:13,698
Ah, you're killing me, Cooper!

434
00:19:15,117 —> 00:19:17,001
Can we get back to work?

435
00:19:17,003 —> 00:19:19,754
Sure, sure, sure.

436

00:19:20,589 —> 00:19:22,457
You guys ever use any toys?

437
00:19:24,627 —> 00:19:26,160
Toys?

438
00:19:27,463 —> 00:19:30,765
I do have a model rocket
next to my bed.

439
00:19:30,767 —> 00:19:33,772
A rocket?
You're a freak! I love it!

S06EP15: The Spoiler-Alert Segmentation

1
00:00:02,631 —> 00:00:03,915
I don't know why I avoided

2
00:00:03,917 —> 00:00:05,500
the Harry Potter books
for so long.

3

00:00:05,502 —> 00:00:06,918
These are great.

4
00:00:06,920 —> 00:00:08,887
I just started number six.

5
00:00:08,889 —> 00:00:10,305
That's a good one.

6
00:00:10,307 —> 00:00:12,006
Dumbledore dies in that one.

7
00:00:14,393 —> 00:00:17,812
Yeah, I know,
I didn't see it coming, either.

8
00:00:17,814 —> 00:00:20,265
Why would you say that?

9
00:00:20,267 —> 00:00:21,499
You brought up
the subject.

10

00:00:21,501 —> 00:00:23,835

I contributed an interesting

fact on that subject.

11

00:00:23,837 —> 00:00:25,854

It's called the art

of conversation.

12

00:00:25,856 —> 00:00:27,405

Okay, your turn.

13

00:00:28,891 —> 00:00:30,909

That was a huge spoiler.

14

00:00:30,911 —> 00:00:32,677

Good.

15

00:00:32,679 —> 00:00:35,196

What is wrong with you?

16

00:00:35,198 —> 00:00:37,749

If I did that, you'd bitch

about it for weeks.

17

00:00:37,751 —> 00:00:39,200

Oh, really, Leonard?

Are you going to have

18

00:00:39,202 —> 00:00:40,151

another one of your hissy fits?

19

00:00:40,153 —> 00:00:43,154

Hissy fits?

I have hissy fits?

20

00:00:43,156 —> 00:00:45,540

Yes, and I have a theory why.

21

00:00:45,542 —> 00:00:47,926

Because of

your lactose intolerance,

22

00:00:47,928 —> 00:00:49,594

you switched over to soy milk.

23

00:00:49,596 —> 00:00:51,146

Soy contains

24

00:00:51,148 —> 00:00:53,164

estrogen-mimicking compounds.

25

00:00:53,166 —> 00:00:55,433

I think your morning Cocoa Puffs

26

00:00:55,435 —> 00:00:58,553

are turning you

into a hysterical woman.

27

00:01:02,091 —> 00:01:04,025

You are unbelievable.

28

00:01:04,027 —> 00:01:06,060

I don't know why

I put up with you.

29

00:01:06,062 —> 00:01:08,179

You're controlling,

you're irritating...

30

00:01:08,181 —> 00:01:10,565

There you go again—

nag, nag, nag.

31

00:01:11,617 —> 00:01:13,568

You're only proving my point,

little lady.

32

00:01:13,570 —> 00:01:16,521

You know what?

Screw you, Sheldon.

33

00:01:16,523 —> 00:01:19,124

You are the most annoying person

I have ever met.

34

00:01:19,126 —> 00:01:20,525

What? I'm annoying?

35

00:01:20,527 —> 00:01:22,794

You criticize my behavior

all the time.

36
00:01:22,796 —> 00:01:25,330
"Sheldon, don't talk
about your bowel movements

37
00:01:25,332 —> 00:01:26,864
over breakfast."

38
00:01:28,033 —> 00:01:29,667
"Sheldon, when the president
of the university

39
00:01:29,669 —> 00:01:31,553
"is giving a eulogy
at a funeral,

40
00:01:31,555 —> 00:01:33,838
don't yawn
and point at your watch."

41
00:01:33,840 —> 00:01:35,974
"Sheldon,

don't throw away my shirts

42

00:01:35,976 —> 00:01:37,225

'cause you think they're ugly."

43

00:01:37,227 —> 00:01:38,510

You're impossible.

44

00:01:38,512 —> 00:01:39,877

That's it. I don't...

45

00:01:39,879 —> 00:01:41,646

I don't have to

put up with this.

46

00:01:41,648 —> 00:01:43,965

Actually, I have your signature

on a roommate agreement

47

00:01:43,967 —> 00:01:45,383

that says you do.

48

00:01:45,385 —> 00:01:46,884
Aw.

49
00:01:46,886 —> 00:01:49,521
Here's what I think
of your roommate agreement.

50
00:01:49,523 —> 00:01:50,989
(gasps)

51

moving forward?

223

00:09:13,361 —> 00:09:16,962

Uh, suppose I'll have to find

and cultivate a new roommate.

224

00:09:16,964 —> 00:09:18,881

What a task

that will be.

225

00:09:18,883 —> 00:09:22,551

Do you know how uncivilized

Leonard was when I took him in?

226

00:09:22,553 —> 00:09:24,236

No.

227

00:09:24,238 —> 00:09:28,424

Oh, it took me forever to get

him on a bathroom schedule.

228

00:09:28,426 —> 00:09:32,044

He would just go

whenever the mood struck him.

229

00:09:32,046 —> 00:09:33,879

Like a dog-boy.

230

00:09:33,881 —> 00:09:35,881

Exactly.

231

00:09:35,883 —> 00:09:37,516

What if you could

find a roommate

232

00:09:37,518 —> 00:09:39,268

who was a scientist

233
00:09:39,270 —> 00:09:42,104
and already familiar
and comfortable with your ways?

234
00:09:42,106 —> 00:09:43,672
That would be ideal.

235
00:09:43,674 —> 00:09:45,341
If a person like that existed,

236
00:09:45,343 —> 00:09:48,027
I would sign on,
no further questions asked.

237
00:09:48,862 —> 00:09:51,447
Great. Here I am!

238
00:09:56,536 —> 00:09:58,254
Wait.

239

00:09:58,256 —> 00:10:00,239
Here who is where?

240
00:10:00,241 —> 00:10:02,291
Me.

241
00:10:02,293 —> 00:10:05,094
Aren't I your
perfect roommate?

242
00:10:05,096 —> 00:10:07,079
Um...

243
00:10:07,081 —> 00:10:08,381
Think about it, Sheldon.

244
00:10:08,383 —> 00:10:09,515
I'm not a stranger,

245
00:10:09,517 —> 00:10:11,133
we're intellectually
compatible,

246

00:10:11,135 —> 00:10:13,252

I'm willing to chauffeur

you around town,

247

00:10:13,254 —> 00:10:14,520

and your personality quirks,

248

00:10:14,522 —> 00:10:16,472

which others find abhorrent

or rage-inducing,

249

00:10:16,474 —> 00:10:18,224

I find cute as a button.

250

00:10:19,443 —> 00:10:21,360

What do you think?

251

00:10:27,150 —> 00:10:29,285

Um...

252

00:10:29,287 —> 00:10:32,571

Tell me one reason why this

isn't a fantastic idea.

253

00:10:32,573 —> 00:10:35,274

Um...

254

00:10:35,276 —> 00:10:37,326

See? You can't.

255

00:10:37,328 —> 00:10:38,794

I'm gonna go see

if Leonard's room

256

00:10:38,796 —> 00:10:41,213

is big enough for my water bed.

257

00:10:43,616 —> 00:10:46,001

Um...

258

00:10:47,104 —> 00:10:50,289

Good buddy Leonard.

Good buddy Leonard.

259

00:10:50,291 —> 00:10:53,476
Good buddy Leonard.

260
00:10:54,311 —> 00:10:55,728
What do you want?

261
00:10:55,730 —> 00:10:58,264
Hey, good buddy.

262
00:10:58,266 —> 00:10:59,348
So, uh, I was

263
00:10:59,350 —> 00:11:00,933
just talking to Amy,

264
00:11:00,935 —> 00:11:02,268
and she made me realize

265
00:11:02,270 —> 00:11:04,687
that this little dust-up
between you and me

266

00:11:04,689 —> 00:11:06,272
is much ado about nothing.

267
00:11:06,274 —> 00:11:07,523
Is that so?

268
00:11:07,525 —> 00:11:08,640
Yes.

269
00:11:08,642 —> 00:11:10,659
All is forgiven,
so come back home.

270
00:11:10,661 —> 00:11:12,945
I'll make you
some soy hot chocolate,

271
00:11:12,947 —> 00:11:15,414
and then I'll you tell you
about our exciting new

272
00:11:15,416 —> 00:11:18,083
devil-may-care bathroom policy.

273

00:11:21,505 —> 00:11:23,155

Cut to the chase, Sheldon.

274

00:11:23,157 —> 00:11:25,841

Okay. Amy's decided

she wants to move in with me,

275

00:11:25,843 —> 00:11:28,677

so I need you to come back home,

you lovable scamp.

276

00:11:30,163 —> 00:11:32,715

That's a lot of product.

277

00:11:32,717 —> 00:11:33,832

Hey.

278

00:11:33,834 —> 00:11:35,217

What's going on?

Oh, get this:

279

00:11:35,219 —> 00:11:36,635
Suddenly, Sheldon
wants me back

280
00:11:36,637 —> 00:11:39,171
because Amy wants
to move in with him.

281
00:11:39,173 —> 00:11:41,173
Really? Interesting.

282
00:11:41,175 —> 00:11:43,976
Well, too late, pal.
I'm not going anywhere.

283
00:11:43,978 —> 00:11:46,278
Penny and I are very happy
living together.

284
00:11:46,280 —> 00:11:47,446
Isn't that right?

285
00:11:47,448 —> 00:11:48,647

It's like the happiness

286
00:11:48,649 —> 00:11:51,317
won't ever leave
the apartment.

287
00:11:51,319 —> 00:11:52,485
Leonard, please.

288
00:11:52,487 —> 00:11:54,737
You know Amy moving in
marks a level of intimacy

289
00:11:54,739 —> 00:11:56,688
our relationship
isn't ready for.

290
00:11:56,690 —> 00:11:59,074
Yes! That is a real thing.

291
00:11:59,076 —> 00:12:01,193
And it doesn't mean you
don't care about each other;

292

00:12:01,195 —> 00:12:03,162

it just means things

are moving at a pace

293

00:12:03,164 —> 00:12:05,197

you're not comfortable with,

and that's fine.

294

00:12:05,199 —> 00:12:07,132

Well, if he doesn't

want to live with her,

295

00:12:07,134 —> 00:12:09,001

then he should

tell her how he feels.

296

00:12:09,003 —> 00:12:10,920

Well, maybe he doesn't

know how to say it

297

00:12:10,922 —> 00:12:12,087

without hurting

her feelings.

298
00:12:12,089 —> 00:12:13,138
Feelings?

299
00:12:13,140 —> 00:12:15,641
What am I, a hippie
at a love-in? No.

300
00:12:15,643 —> 00:12:17,042
The problem is,

301
00:12:17,044 —> 00:12:18,761
she laid out a series
of logical arguments

302
00:12:18,763 —> 00:12:19,845
that I couldn't refute.

303
00:12:19,847 —> 00:12:21,146
That is the worst,
isn't it?

304

00:12:21,148 —> 00:12:22,714

Yes.

305

00:12:22,716 —> 00:12:24,934

I'm sorry, Sheldon.

I can't help you.

306

00:12:24,936 —> 00:12:26,101

Oh, spoiler alert:

307

00:12:26,103 —> 00:12:28,571

This door's about

to slam in your face.

308

00:12:29,739 —> 00:12:31,073

Oh, there you are.

309

00:12:31,992 —> 00:12:34,960

When do I get a key

to our apartment?

310

00:12:36,780 —> 00:12:38,998

Um...

311

00:12:47,530 —> 00:12:49,697

(phone ringing)

312

00:12:55,520 —> 00:12:56,654

Hello?

313

00:12:56,656 —> 00:12:58,839

Hey. How'd it go last night

with my mom?

314

00:12:58,841 —> 00:13:00,758

Okay, I guess.

315

00:13:00,760 —> 00:13:02,076

What time did you leave?

316

00:13:02,078 —> 00:13:04,211

(yawns)

317

00:13:04,213 —> 00:13:07,531

Actually, I'm still here.

318

00:13:07,533 —> 00:13:10,200

What? You spent the night?

319

00:13:10,202 —> 00:13:12,019

Yeah. Uh...

320

00:13:12,021 —> 00:13:16,040

after dinner, we watched

a rerun of Rockford Files,

321

00:13:16,042 —> 00:13:17,642

and then she opened a bottle

322

00:13:17,644 —> 00:13:20,210

of, uh, cream sherry,

and the next thing I know,

323

00:13:20,212 —> 00:13:23,514

she was tucking me

into your bed.

324

00:13:23,516 —> 00:13:26,400

You wore my pajamas?

325

00:13:26,402 —> 00:13:27,551

Mm-hmm.

326

00:13:27,553 —> 00:13:29,403

How do you sleep

in these things?

327

00:13:29,405 —> 00:13:31,238

Silk pajamas on satin sheets?

328

00:13:31,240 —> 00:13:34,275

I slid out of the bed,

like, three times.

329

00:13:34,277 —> 00:13:36,661

MRS. WOLOWITZ:

Rajesh!

330

00:13:36,663 —> 00:13:37,795

You up?

331

00:13:37,797 —> 00:13:39,080

You ready for breakfast?

332

00:13:39,082 —> 00:13:41,032

Oh, boy. Breakfast.

333

00:13:41,900 —> 00:13:43,084

Okay, Raj, listen to me.

334

00:13:43,086 —> 00:13:44,568

You need to get out of there.

335

00:13:44,570 —> 00:13:49,707

But I have a cream sherry

hangover and I smell blintzes.

336

00:13:49,709 —> 00:13:52,426

If you don't leave now,

she'll use food and guilt

337

00:13:52,428 —> 00:13:54,595
to keep you there
for the rest of your life.

338
00:13:54,597 —> 00:13:56,430
Oh, Howard, stop.

339
00:13:56,432 —> 00:13:57,631
Trust me, you're not Jewish.

340
00:13:57,633 —> 00:13:58,883
That's how they get you.

341
00:13:58,885 —> 00:14:01,469
You're being silly.

342
00:14:01,471 —> 00:14:03,521
I can leave whenever I want.

343
00:14:03,523 —> 00:14:05,756
Oh, really? Where are
your clothes and your shoes?

344

00:14:05,758 —> 00:14:08,292

They're on the chair,

right over...

345

00:14:09,695 —> 00:14:12,463

Oy vey.

346

00:14:16,618 —> 00:14:18,719

Hello, home wrecker.

347

00:14:21,406 —> 00:14:22,990

What did I do?

348

00:14:22,992 —> 00:14:24,759

You gave Leonard

somewhere to go.

349

00:14:24,761 —> 00:14:28,145

Thanks to you, Amy's out buying

his and hers bath towels.

350

00:14:28,147 —> 00:14:30,214

Like I'd ever dry myself
with something

351
00:14:30,216 —> 00:14:32,466
that has a possessive pronoun
on it.

352
00:14:32,468 —> 00:14:34,135
Okay.

353
00:14:34,137 —> 00:14:37,121
Listen, the truth is

354
00:14:37,123 —> 00:14:38,506
I don't want him living with me.

355
00:14:38,508 —> 00:14:40,091
Great. Kick him out.

356
00:14:40,093 —> 00:14:42,309
Break his heart.
Everybody wins.

357

00:14:42,311 —> 00:14:43,978

No, I don't want

to break his heart.

358

00:14:43,980 —> 00:14:45,262

I love him.

359

00:14:45,264 —> 00:14:46,731

This is just happening too fast.

360

00:14:46,733 —> 00:14:47,965

You think this is fast?

361

00:14:47,967 —> 00:14:49,183

It's just a matter of time

362

00:14:49,185 —> 00:14:51,635

before I see Amy's leg stubble

in my shower.

363

00:14:51,637 —> 00:14:53,404

Yeah, and I've seen those legs.

364

00:14:53,406 —> 00:14:56,524

You might want

to get some Drano.

365

00:14:56,526 —> 00:14:58,109

Hold on.

366

00:14:58,111 —> 00:15:00,027

If you don't want

to live with Leonard,

367

00:15:00,029 —> 00:15:01,311

why don't you just tell him?

368

00:15:01,313 —> 00:15:02,663

Well, you know how he is.

369

00:15:02,665 —> 00:15:04,165

He's sensitive and emotional.

370

00:15:04,167 —> 00:15:08,202

That's because he drinks
too much soy milk.

371
00:15:08,204 —> 00:15:09,837
Well, I don't know
what else we can do

372
00:15:09,839 —> 00:15:11,038
but tell them the truth.

373
00:15:11,040 —> 00:15:12,757
I suppose there's no choice

374
00:15:12,759 —> 00:15:15,593
but to face the crying,
angry accusations

375
00:15:15,595 —> 00:15:17,645
and the high-pitched wails
of despair.

376
00:15:17,647 —> 00:15:18,946
Yeah.

377

00:15:18,948 —> 00:15:21,882

And who knows

how Amy will react.

378

00:15:25,303 —> 00:15:27,004

Here's some more ice.

379

00:15:27,006 —> 00:15:28,806

Oh, thanks.

380

00:15:28,808 —> 00:15:30,691

What were we thinking?

381

00:15:30,693 —> 00:15:34,228

We should have just done it

the regular way.

382

00:15:34,230 —> 00:15:36,513

Those Chinese acrobats

in Cirque du Soleil

383

00:15:36,515 —> 00:15:39,116
made it look so easy.

384
00:15:39,118 —> 00:15:41,986
Honestly,
if I could bend that far,

385
00:15:41,988 —> 00:15:44,822
what would I need with you?

386
00:15:46,241 —> 00:15:49,660
If you could bend that far,
you'd be doing us both a favor.

387
00:15:52,164 —> 00:15:54,331
(phone ringing)

388
00:15:57,169 —> 00:15:58,752
Hey, Raj. What's up?

389
00:15:58,754 —> 00:15:59,870
You were right!

390

00:15:59,872 —> 00:16:02,173

I can't get out of here!

391

00:16:02,175 —> 00:16:04,258

You're still

at my mother's?

392

00:16:04,260 —> 00:16:05,375

I'm trapped.

393

00:16:05,377 —> 00:16:07,478

My clothes have been

in the laundry all day,

394

00:16:07,480 —> 00:16:08,946

and she hid my keys.

395

00:16:08,948 —> 00:16:10,898

I think they might be

in her bra,

396

00:16:10,900 —> 00:16:13,350

because she jingles

when she walks.

397

00:16:13,352 —> 00:16:14,885

What do I do?

398

00:16:14,887 —> 00:16:16,604

Hey, you wanted a woman

in your life.

399

83

00:03:37,357 —> 00:03:40,274

to work at Fermilab

to take this job with you.

84

00:03:40,276 —> 00:03:43,978

Well, I guess those chaps

will have to have

85

00:03:43,980 —> 00:03:46,230

someone else buy

their girlfriends presents.

86

00:03:46,232 —> 00:03:47,448

Now, here is...

87

00:03:47,450 —> 00:03:50,151

Let's see.

88

00:03:50,153 —> 00:03:51,652

This is...

89

00:03:55,224 —> 00:03:57,358

This is about $2,000.

90

00:03:57,360 —> 00:03:58,960

Um, I think

91

00:03:58,962 —> 00:04:02,880

she likes monkeys

and the color gray.

92

00:04:09,004 —> 00:04:11,339

Contribute to my work.

(laughs)

93

00:04:13,091 —> 00:04:17,461

Ah, kids say

the darnedest things.

94

00:04:19,565 —> 00:04:20,848

Hey, you coming

to lunch?

95

00:04:20,850 —> 00:04:21,933

Yeah, one second.

96

00:04:21,935 —> 00:04:23,267

Come here. I want

to show you something.

97

00:04:23,269 —> 00:04:24,301

What you looking at?

98

00:04:24,303 —> 00:04:26,354

Well, I was trying

to come up with something

99

00:04:26,356 —> 00:04:28,639

really romantic

to give Bernadette

100

00:04:28,641 —> 00:04:29,991

for Valentine's Day

since she's been

101

00:04:29,993 —> 00:04:32,493

such a pain in the ass.

102

00:04:35,146 —> 00:04:37,698

You can't find a

card that says that?

103

00:04:37,700 —> 00:04:39,166

Check it out.

104

00:04:39,168 —> 00:04:40,835

I used the

atomic force microscope

105

00:04:40,837 —> 00:04:44,422

in the material science lab

and wrote our initials

106

00:04:44,424 —> 00:04:47,542

in a heart 1/1,000

the size of a grain of sand.

107

00:04:48,510 —> 00:04:50,678

(laughing):

Oh, that's cool.

108

00:04:50,680 —> 00:04:55,349

A micro-valentine

for a microbiologist.

109

00:04:55,351 —> 00:04:58,102

From her micro-husband.

110

00:05:01,673 —> 00:05:02,690

That is amazing.

111

00:05:02,692 —> 00:05:04,559

How long did this take you?

112

00:05:04,561 —> 00:05:06,811

Mmm, about 12 hours.

113

00:05:06,813 —> 00:05:08,279

I pulled an all-nighter.

114

00:05:08,281 —> 00:05:09,346

Oh, wow.

115

00:05:09,348 —> 00:05:11,198

Yeah, I know,

it really took a bite

116

00:05:11,200 —> 00:05:13,484

out of my video game time.

117

00:05:13,486 —> 00:05:15,319

What are you

and Penny doing?

118

00:05:15,321 —> 00:05:17,655

Oh, I'm going to take her to

a nice restaurant for dinner.

119

00:05:17,657 —> 00:05:21,025

Oh, that's not bad,

but as far as romance goes,

120

00:05:21,027 —> 00:05:23,544

I think my gift hits it

right out of...

121

00:05:27,382 —> 00:05:29,216

Want to come to

dinner with us?

122

00:05:29,218 —> 00:05:30,885

Yes, please.

123

00:05:32,971 —> 00:05:34,371

Okay.

124

00:05:34,373 —> 00:05:36,257

Amy will be

here shortly,

125

00:05:36,259 —> 00:05:39,677

expecting the perfect

Valentine's gift, so...

126

00:05:39,679 —> 00:05:41,012

you're up kid.

127

00:05:41,014 —> 00:05:43,097

Dazzle me. Go.

128

00:05:43,099 —> 00:05:45,683

Okay, I think I have
some really great choices.

129
00:05:45,685 —> 00:05:47,652
I went on Amy's
Facebook page

130
00:05:47,654 —> 00:05:49,353
and read up on her interests.

131
00:05:49,355 —> 00:05:52,023
Now, see, I never would have
thought to do that.

132
00:05:53,058 —> 00:05:54,492
Clearly, I made a good choice

133
00:05:54,494 —> 00:05:55,726
farming this out to you.

134
00:05:55,728 —> 00:05:58,412
But I am telling you,
Amy hit the boyfriend jackpot.

135

00:05:58,414 —> 00:06:01,198

Anyway, my socks are on.

136

00:06:01,200 —> 00:06:02,750

Let's knock them off.

137

00:06:07,589 —> 00:06:09,874

Well, um, I know she loves

playing the harp,

138

00:06:09,876 —> 00:06:14,929

so I found this

beautiful music box

139

00:06:14,931 —> 00:06:16,847

that plays one

of her favorite songs.

140

00:06:19,551 —> 00:06:21,953

Now, Amy already

has a real harp.

141

00:06:23,021 —> 00:06:25,756

And it can play any song.

142

00:06:25,758 —> 00:06:28,359

What are you trying

to pull here?

143

00:06:29,127 —> 00:06:30,645

No, I just thought

it would be...

144

00:06:30,647 —> 00:06:32,563

Next.

145

00:06:33,398 —> 00:06:34,732

Okay.

146

00:06:34,734 —> 00:06:37,068

Um, I know she's a fan

of The Canterbury Tales,

147

00:06:37,070 —> 00:06:40,321

Mmm.
so I found...

148
00:06:40,323 —> 00:06:41,906
this cool map

149
00:06:41,908 —> 00:06:43,908
that illustrates the character's
journey through England.

150
00:06:43,910 —> 00:06:46,276
I thought we could put it
in a really nice frame.

151
00:06:46,278 —> 00:06:50,631
But she's got Google Maps
on her phone.

152
00:06:54,369 —> 00:06:56,453
I don't know
how to respond to that.

153
00:06:57,839 —> 00:06:59,924

Well, I hope it's
with a third good option,

154
00:06:59,926 —> 00:07:02,593
because these first two... blah.

155
00:07:04,396 —> 00:07:06,313
Okay.

156
00:07:06,315 —> 00:07:09,233
Well, uh, luckily,
I saved the best for last.

157
00:07:10,301 —> 00:07:11,352
Since Amy's a neuroscientist,

158
00:07:11,354 —> 00:07:13,187
I did some research
and found out

159
00:07:13,189 —> 00:07:14,805
that Santiago Ramón y Cajal,

160

00:07:14,807 —> 00:07:16,807

the father

of modern neuroscience,

161

00:07:16,809 —> 00:07:19,360

did lots of hand drawings

of brain cells.

162

00:07:19,362 —> 00:07:22,146

And I managed

to find

163

00:07:22,148 —> 00:07:25,583

this signed print.

164

00:07:25,585 —> 00:07:27,835

Wow.

165

00:07:27,837 —> 00:07:29,620

Oh, this is truly remarkable.

166

00:07:29,622 —> 00:07:31,539

Thank you.

167

00:07:31,541 —> 00:07:33,007

I think I'll keep it for myself.

168

00:07:36,845 —> 00:07:38,328

What about your girlfriend?

169

00:07:38,330 —> 00:07:40,131

It's too late.

I call dibs.

170

00:07:44,352 —> 00:07:46,971

This place is

really beautiful.

171

00:07:46,973 —> 00:07:49,223

Wah... romance ninja.

172

00:07:49,225 —> 00:07:50,441

(laughing)

173

00:07:52,310 —> 00:07:53,360

Hey.

174

00:07:53,362 —> 00:07:55,062

Sorry we're late.

175

00:07:55,064 —> 00:07:56,447

No problem.

We just sat down.

176

00:07:56,449 —> 00:07:58,182

Mmm, would you like some wine?

177

00:07:58,184 —> 00:07:59,366

Yeah, fill her up.

178

00:08:01,686 —> 00:08:03,687

I'll tell you when to stop.

179

00:08:05,891 —> 00:08:07,291

Is everything okay?

180

00:08:07,293 —> 00:08:09,026
Terrific.
Couldn't be better.

181
00:08:09,028 —> 00:08:10,661
Oh, bite me.

182
00:08:12,497 —> 00:08:14,215
Look, we can still
have a nice night.

183
00:08:14,217 —> 00:08:15,499
Just tell me where it is.

184
00:08:15,501 —> 00:08:16,667
Maybe if you did what you said

185
00:08:16,669 —> 00:08:18,219
you were going to do,
I'd tell you.

186
00:08:19,004 —> 00:08:20,370
Uh, where what is?

187

00:08:20,372 —> 00:08:22,840

She hid my Xbox

like I'm a child.

188

00:08:24,059 —> 00:08:26,227

Yeah, and my mom got me

that for my birthday,

189

00:08:26,229 —> 00:08:28,712

so if you don't give

it back, I'm telling.

190

00:08:29,931 —> 00:08:31,548

I've been working

late every night.

191

00:08:31,550 —> 00:08:33,100

All I asked was that he

192

00:08:33,102 —> 00:08:34,852

clean the apartment

and do one load of laundry.

193

00:08:34,854 —> 00:08:36,070

But did he do it? No.

194

00:08:36,072 —> 00:08:37,888

He just kept on

playing that stupid game.

195

00:08:37,890 —> 00:08:39,523

You like pushing

buttons so much,

196

00:08:39,525 —> 00:08:41,992

try pushing them

on the washing machine.

197

00:08:43,728 —> 00:08:45,329

I said I'm sorry.

198

00:08:45,331 —> 00:08:48,415

Sorry doesn't clean

my underpants, buddy.

199

00:08:49,451 —> 00:08:52,670

I told you, turn

them inside out.

200

00:08:52,672 —> 00:08:55,906

And I told you to bite me.

201

00:08:55,908 —> 00:08:59,576

Trying to have

a magical night here, guys.

202

00:09:03,381 —> 00:09:04,581

Oh, son of a bitch.

203

00:09:04,583 —> 00:09:05,966

What?

204

00:09:05,968 —> 00:09:07,384

Nothing. Nothing.

205

00:09:07,386 —> 00:09:08,552

No, tell me.

206

00:09:08,554 —> 00:09:10,921

It's just this guy

I used to date.

207

00:09:11,756 —> 00:09:12,923

LEONARD:

Oh.

208

00:09:12,925 —> 00:09:14,942

Until he cheated on me

with my friend Gretchen,

209

00:09:14,944 —> 00:09:16,443

who's here with him now.

210

00:09:16,445 —> 00:09:17,695

You're kidding.

211

00:09:17,697 —> 00:09:20,748

And it looks like she lost

a lot of weight, damn it.

212

00:09:22,901 —> 00:09:24,285

I know it's not ideal,

213

00:09:24,287 —> 00:09:25,786

but don't let them

ruin our night.

214

00:09:25,788 —> 00:09:27,037

No, you're totally right.

215

00:09:27,039 —> 00:09:29,540

She could be skinny

'cause she's dying.

216

00:09:30,441 —> 00:09:32,609

That's the spirit.

217

00:09:32,611 —> 00:09:33,878

You know what, screw them.

218

00:09:33,880 —> 00:09:35,612

Our night is going to be

way more special than theirs.

219

00:09:35,614 —> 00:09:37,281

Yeah.

220

00:09:38,583 —> 00:09:39,750

Uh-oh.

221

00:09:40,719 —> 00:09:42,419

What?

222

00:09:43,288 —> 00:09:46,590

Oh, you got to be kidding me.

223

00:09:46,592 —> 00:09:47,558

Oh, my God, yes.

224

00:09:47,560 —> 00:09:48,843

Of course

I'll marry you.

225

00:09:48,845 —> 00:09:50,127

(applause)

226
00:09:51,263 —> 00:09:52,544
Two can play this game.

227
00:09:52,546 —> 00:09:53,457
Penny...
Get up.

228
00:09:53,458 —> 00:09:55,008
All right.

229
00:10:05,402 —> 00:10:06,936
It's nice that
all the people

230
00:10:06,938 —> 00:10:08,438
who are lonely
on Valentine's Day

231
00:10:08,440 —> 00:10:10,440
can come here tonight
and be together.

232

00:10:10,442 —> 00:10:13,109

Yeah, I'm really

looking forward to it.

233

00:10:13,111 —> 00:10:15,862

In fact, there's no place

I would rather be than here.

234

00:10:15,864 —> 00:10:17,646

Except on a date with anybody.

235

00:10:17,648 —> 00:10:19,365

Literally anybody.

236

00:10:20,817 —> 00:10:23,202

You know, you and I have

so much fun hanging out.

237

00:10:23,204 —> 00:10:24,337

If you were a girl,

238

00:10:24,339 —> 00:10:26,372
all our problems
would be solved.

239
00:10:29,777 —> 00:10:31,144
What?

240
00:10:31,146 —> 00:10:32,595
Oh, yeah, think about it.

241
00:10:32,597 —> 00:10:33,996
We'd hang out,

242
00:10:33,998 —> 00:10:36,049
we'd read comic books,
we'd see movies.

243
00:10:36,051 —> 00:10:38,667
It'd be like the best
relationship ever.

244
00:10:38,669 —> 00:10:41,220
That does sound nice.

245

00:10:41,222 —> 00:10:43,839

Then I'd take you home,

slip off your little black dress

246

00:10:43,841 —> 00:10:47,176

and just pile-drive you

into oblivion.

247

00:10:49,530 —> 00:10:51,330

What?

248

00:10:52,483 —> 00:10:54,233

PENNY:

Oh, I can't believe

249

00:10:54,235 —> 00:10:57,203

he's going to marry the girl

he cheated on me with.

250

00:10:57,205 —> 00:10:58,237

Isn't it kind of nice?

251

00:10:58,239 —> 00:10:59,855

I mean, he was with

the wrong person,

252

00:10:59,857 —> 00:11:01,240

and now he found

the right person.

253

00:11:01,242 —> 00:11:02,992

What, so I'm the wrong person?

254

00:11:02,994 —> 00:11:05,211

Maybe you want to be

with Gretchen, too.

255

00:11:06,630 —> 00:11:08,664

They do look happy.

256

00:11:08,666 —> 00:11:09,865

Yeah, maybe tonight.

257

00:11:09,867 —> 00:11:11,217

But a year from
now, he'll be

258
00:11:11,219 —> 00:11:13,836
crawling under the sink
looking for his Xbox.

259
00:11:14,704 —> 00:11:16,539
Well, he will.

260
00:11:17,707 —> 00:11:19,976
You know what? Why don't we
just forget about them

261
00:11:19,978 —> 00:11:21,544
and enjoy our Valentine's Day?

262
00:11:21,546 —> 00:11:23,262
Yes, absolutely.

263
00:11:23,264 —> 00:11:24,480
(clears throat)

264

00:11:27,901 —> 00:11:29,235

(Penny scoffs)

265

00:11:29,237 —> 00:11:30,603

Now they're doing that phony

266

00:11:30,605 —> 00:11:32,855

link-arm-drink thingy.

267

00:11:32,857 —> 00:11:35,908

I totally taught him that.

268

00:11:36,744 —> 00:11:38,494

I thought we were

letting it go.

269

00:11:38,496 —> 00:11:40,780

We were; it's just...

it's not fair, okay?

270

00:11:40,782 —> 00:11:41,998

They're bad people.

271

00:11:42,000 —> 00:11:43,366

It's not supposed to end

happy for them;

272

00:11:43,368 —> 00:11:44,751

it's supposed to end

happy for me.

273

00:11:44,753 —> 00:11:46,536

Um...

274

00:11:46,538 —> 00:11:47,954

it did end happy for you.

275

00:11:47,956 —> 00:11:48,921

You're here with me.

276

00:11:48,923 —> 00:11:51,507

Yeah, yeah, I know.

277

00:11:51,509 —> 00:11:54,043

Okay, this is getting a little
hard to not take personally.

278
00:11:54,045 —> 00:11:55,595
Oh, come on, don't
make this about you.

279
00:11:55,597 —> 00:11:57,180
Oh, I'm not.
It's about you.

280
00:11:57,182 —> 00:11:58,264
Yeah, well, whatever, okay?

281
00:11:58,266 —> 00:11:59,799
I told you,
Valentine's Day sucks.

282
00:11:59,801 —> 00:12:01,768
This one does,
and you're the reason why.

283
00:12:01,770 —> 00:12:03,186

What?

284
00:12:03,188 —> 00:12:05,471
You know, compared to them,

285
00:12:05,473 —> 00:12:06,806
I'm feeling
pretty good about us.

286
00:12:06,808 —> 00:12:08,391
Me, too.

287
00:12:08,393 —> 00:12:11,144
How about we blow off
dessert, go home early...

288
00:12:11,146 —> 00:12:12,228
I'll do that laundry.

289
00:12:12,230 —> 00:12:13,596
Thank you.

290

00:12:13,598 —> 00:12:14,564

I love you.

291

00:12:14,566 —> 00:12:16,599

Love you, too.

292

00:12:16,601 —> 00:12:18,701

So where'd you hide it?

293

00:12:18,703 —> 00:12:20,620

Where you'd never look.

294

00:12:20,622 —> 00:12:23,873

Damn it, it's in the

washing machine.

295

00:12:30,780 —> 00:12:31,780

Hello.

296

00:12:31,782 —> 00:12:33,466

Hello.

297

00:12:33,468 —> 00:12:35,051
Happy Valentine's Day.

298
00:12:35,053 —> 00:12:37,587
Okay.

299
00:12:39,556 —> 00:12:40,956
Shall we go to dinner?

300
00:12:40,958 —> 00:12:42,625
Hang on.

301
00:12:42,627 —> 00:12:44,927
As you know, I had planned
a traditional evening

302
00:12:44,929 —> 00:12:46,429
of romance and gifts.

303
00:12:46,431 —> 00:12:47,647
Yes,

304

00:12:47,649 —> 00:12:48,797
and as you know,

305
00:12:48,799 —> 00:12:51,434
I planned to pretend
to enjoy it.

306
00:12:52,569 —> 00:12:55,154
I've been working on
this facial expression all day.

307
00:12:57,441 —> 00:12:59,992
And I appreciate your effort,

308
00:12:59,994 —> 00:13:01,477
but upon contemplation,

309
00:13:01,479 —> 00:13:03,446
I decided I was being selfish.

310
00:13:03,448 —> 00:13:05,748
So, I canceled
our dinner reservations

311

00:13:05,750 —> 00:13:07,600

and came up

with an even better way

312

00:13:07,602 —> 00:13:09,168

to celebrate Valentine's Day.

313

00:13:09,170 —> 00:13:11,003

What is that?

314

00:13:11,005 —> 00:13:12,288

By doing none of it—

315

00:13:12,290 —> 00:13:13,456

no dinner,

316

00:13:13,458 —> 00:13:15,174

no romance, no gifts.

317

00:13:15,176 —> 00:13:17,793

We stay here,

order a pizza

318

00:13:17,795 —> 00:13:19,679

and watch one

of your beloved

319

00:13:19,681 —> 00:13:21,881

Star War Trek things.

320

00:13:23,050 —> 00:13:24,217

Really?

321

00:13:24,219 —> 00:13:25,568

Well, that's what

322

00:13:25,570 —> 00:13:26,702

you'd love, isn't it?

323

00:13:26,704 —> 00:13:28,337

More than anything.

324

00:13:28,339 —> 00:13:30,406

Well, then...

325
00:13:30,408 —> 00:13:32,341
that's what we're going to do.

326
00:13:34,228 —> 00:13:35,361
Well...

327
00:13:35,363 —> 00:13:37,313
I don't know what to say.

328
00:13:37,315 —> 00:13:39,848
This is the most thoughtful gift

329
00:13:39,850 —> 00:13:42,017
that anyone's ever given me.

330
00:13:42,019 —> 00:13:43,819
And that's including
an amazing gift

331
00:13:43,821 —> 00:13:45,738

that I gave myself
earlier today.

332
00:13:47,908 —> 00:13:50,326
I'm your girlfriend.
That's my job.

333
00:13:50,328 —> 00:13:53,963
And I know gift-giving
puts a lot of pressure on you,

334
00:13:53,965 —> 00:13:57,199
so whatever you got me,
you can return.

335
00:13:58,802 —> 00:14:00,419
No.

336
00:14:00,421 —> 00:14:03,222
No, after everything you
didn't do for me tonight,

337
00:14:03,224 —> 00:14:04,974

I want you to have it.

338

00:14:05,893 —> 00:14:06,826

What's this?

339

00:14:06,828 —> 00:14:08,544

Read it.

340

00:14:08,546 —> 00:14:09,845

"Sheldon Cooper,

341

00:14:09,847 —> 00:14:12,315

Caltech University

employee information"?

342

00:14:12,317 —> 00:14:13,516

At the bottom.

343

00:14:13,518 —> 00:14:17,436

"In case of emergency,

please contact...

344

00:14:17,438 —> 00:14:19,655
Amy Farrah Fowler."

345
00:14:21,775 —> 00:14:23,943
And there's my phone number.

346
00:14:26,914 —> 00:14:31,117
This is the most beautiful gift
you could've ever given me.

347
00:14:31,119 —> 00:14:32,618
Well, I thought,

348
00:14:32,620 —> 00:14:36,672
if I have a stroke
or a kidney stone,

349
00:14:36,674 —> 00:14:38,907
who would I want
to share that with?

350
00:14:42,429 —> 00:14:44,964
And you picked me.

351

00:14:44,966 —> 00:14:46,816

It's like you said—

352

00:14:46,818 —> 00:14:48,551

you're my girlfriend.

353

00:14:48,553 —> 00:14:49,885

Oh, Sheldon.

354

00:14:49,887 —> 00:14:51,687

Yeah...

355

00:14:54,608 —> 00:14:56,492

Okay.

356

00:14:56,494 —> 00:14:59,395

Stop ruining Valentine's Day

and order my pizza.

357

00:15:04,534 —> 00:15:05,601

Night.

358

00:15:05,603 —> 00:15:06,886

Yep.

359

00:15:10,207 —> 00:15:12,074

(sighs)

360

00:15:12,076 —> 00:15:13,275

(door shuts)

361

00:15:15,329 —> 00:15:16,945

You know what?

362

00:15:16,947 —> 00:15:18,297

That was pretty

crappy of you.

363

00:15:18,299 —> 00:15:21,634

I mean, all I wanted to do

was give you a great night,

364

00:15:21,636 —> 00:15:24,170

and it's like you-you went out
of your way to destroy it.

365
00:15:24,172 —> 00:15:25,421
Yeah, I know.

366
00:15:25,423 —> 00:15:26,756
I'm a total bitch.

367
00:15:26,758 —> 00:15:28,574
I'm not saying that.
Well, I am.

368
00:15:28,576 —> 00:15:30,593
Fine, you win.
You're a bitch.

369
00:15:32,596 —> 00:15:35,147
Why couldn't we
just have a nice time?

370
00:15:35,149 —> 00:15:37,600
I don't know. (sighs)

371

00:15:37,602 —> 00:15:40,353

Maybe 'cause things are going

so well between us lately

372

00:15:40,355 —> 00:15:42,304

and I've been really happy.

373

00:15:48,111 —> 00:15:51,831

Okay, you're gonna have to make

a lot more sense than that.

374

00:15:51,833 —> 00:15:55,651

Obviously, I have

some commitment issues.

375

00:15:55,653 —> 00:15:58,204

Glaringly obvious.

Go on.

376

00:15:58,206 —> 00:15:59,988

As long as things keep going

great between us,

377

00:15:59,990 —> 00:16:01,424

you'll keep asking me

to marry you,

378

00:16:01,426 —> 00:16:02,958

and eventually I'm gonna

end up saying yes,

379

00:16:02,960 —> 00:16:04,593

and then we're gonna be

married forever,

380

00:16:04,595 —> 00:16:07,430

and the whole thing

just freaks me out.

381

00:16:07,432 —> 00:16:09,348

(sighs)

382

00:16:09,350 —> 00:16:11,467

Okay.

383

00:16:11,469 —> 00:16:13,719

I know I propose a lot.

384

00:16:17,524 —> 00:16:19,725

So how about this?

385

00:16:21,311 —> 00:16:24,897

I promise I will never ask you

to marry me again.

386

00:16:24,899 —> 00:16:26,816

What... what do you mean?

387

00:16:26,818 —> 00:16:28,367

Are you breaking up with me?

388

00:16:28,369 —> 00:16:29,402

No.

389

00:16:29,404 —> 00:16:30,569

No, no, no, no.

390

00:16:30,571 —> 00:16:33,122

But if someday you decide

you want to get married,

391

00:16:33,124 —> 00:16:34,874

you have to propose to me.

392

00:16:35,675 —> 00:16:37,526

Really?

Yes.

393

00:16:37,528 —> 00:16:39,378

It's all on you.

394

00:16:39,380 —> 00:16:41,530

But I got to tell you,

when the time comes,

395

00:16:41,532 —> 00:16:42,715

I want the whole nine yards.

396

00:16:42,717 —> 00:16:44,417

I want you down

on one knee, flowers.

397

00:16:44,419 —> 00:16:46,502

I want to be swept off my feet.

398

00:16:48,772 —> 00:16:50,072

Yeah, you got it.

399

00:16:50,074 —> 00:16:51,257

And I'm cool with surprises.

400

00:16:51,259 —> 00:16:54,326

But nothing on a Jumbotron.

401

00:16:54,328 —> 00:16:57,063

I don't want to cry

on a big screen like that.

402

00:16:59,266 —> 00:17:00,483

Okay.

403

00:17:02,853 —> 00:17:04,320
You know what?

404
00:17:04,322 —> 00:17:06,221
This might be the wine talking,

405
00:17:06,223 —> 00:17:09,575
but I have a very important
question to ask you.

406
00:17:10,444 —> 00:17:11,927
You do?

407
00:17:12,763 —> 00:17:14,630
Leonard Hofstadter...

408
00:17:15,465 —> 00:17:16,665
Yes?

409
00:17:18,268 —> 00:17:20,903
...will you be my valentine?

410

00:17:22,839 —> 00:17:24,623
Sorry. Maybe next year.

411
00:17:27,794 —> 00:17:28,928
I'm just kidding!

412
00:17:28,930 —> 00:17:31,464
Romance ninja.
Let's have sex! Wah!

413
00:17:35,168 —> 00:17:36,135
(music playing)

414
00:17:36,137 —> 00:17:37,603
Thank you, guys,
for doing this.

415
00:17:37,605 —> 00:17:39,271
We're glad you
could make it.

416
00:17:39,273 —> 00:17:42,274
Usually I spend Valentine's Day

sad and alone.

417
00:17:42,276 —> 00:17:44,760
This year, I'm just sad.

418
00:17:47,096 —> 00:17:49,431
What is it about this holiday
that makes people so unhappy?

419
00:17:49,433 —> 00:17:50,399
I know.

420
00:17:50,401 —> 00:17:52,118
I hate myself
most of the time,

421
00:17:52,120 —> 00:17:55,738
but tonight's the night
I know everyone else does, too.

422
00:17:55,740 —> 00:17:57,957
I think you're cool.

423

00:17:58,792 —> 00:18:00,993

Great.

424

00:18:03,046 —> 00:18:04,547

I got to tell you,

425

00:18:04,549 —> 00:18:07,282

we've got to stop beating

ourselves up like this.

426

00:18:08,802 —> 00:18:10,703

Excuse me, everybody.

427

00:18:10,705 —> 00:18:12,271

Can I have your attention,

please?

428

00:18:12,273 —> 00:18:13,472

(music stops playing)

429

00:18:17,394 —> 00:18:19,595

We're all here tonight

because...

430
00:18:19,597 —> 00:18:22,181
we have no one to be with.

431
00:18:22,183 —> 00:18:26,986
But... that doesn't
make us mutants.

432
00:18:26,988 —> 00:18:29,989
The only mutants here
are in these comic books.

433
00:18:31,858 —> 00:18:35,077
We've got to stop defining
our self-worth

434
00:18:35,079 —> 00:18:37,663
by whether or not
we're in a relationship.

435

Why not?

142

00:07:10,500 —> 00:07:12,967

With online shopping

and overnight delivery,

143

00:07:12,969 —> 00:07:14,302

I can get anything I want.

144

00:07:14,304 —> 00:07:15,636

Look,

145

00:07:15,638 —> 00:07:16,971
I just ordered a case

146
00:07:16,973 —> 00:07:18,556
of Dinty Moore beef stew

147
00:07:18,558 —> 00:07:21,642
and two live lobsters on Amazon.

148
00:07:21,644 —> 00:07:23,061
Lobsters overnight?

149
00:07:23,063 —> 00:07:24,479
Oh, you're kidding.
Let me see.

150
00:07:24,481 —> 00:07:26,064
Well, I'll be.

151
00:07:26,066 —> 00:07:27,765
Look, you can throw
in a couple steaks

152

00:07:27,767 —> 00:07:29,550

and have a surf and turf.

153

00:07:30,335 —> 00:07:31,602

The surf and turf sounds good.

154

00:07:31,604 —> 00:07:34,355

See if they corn on the cob.

155

00:07:34,357 —> 00:07:35,857

Guys!

156

00:07:35,859 —> 00:07:37,442

We're trying to get him

out of here,

157

00:07:37,444 —> 00:07:38,943

not you in.

158

00:07:38,945 —> 00:07:40,778

You're wasting

your time.

159

00:07:40,780 —> 00:07:43,748

Just please,

leave me alone.

160

00:07:46,067 —> 00:07:47,902

(door closes)

161

00:07:47,904 —> 00:07:49,087

Now what?

162

00:07:49,089 —> 00:07:50,905

I don't know.

163

00:07:50,907 —> 00:07:54,241

We could go to Red Lobster

and talk about it.

164

00:07:55,243 —> 00:07:56,961

We're all thinking it.

165

00:07:56,963 —> 00:07:59,514

I just had the decency to wait
for him to leave.

166
00:08:04,036 —> 00:08:06,070
(line ringing)

167
00:08:06,072 —> 00:08:08,439
Hello, Sheldon.

168
00:08:08,441 —> 00:08:09,557
Hello.

169
00:08:09,559 —> 00:08:11,058
How's the final stage

170
00:08:11,060 —> 00:08:13,294
of your nicotine
addiction study going?

171
00:08:13,296 —> 00:08:14,862
(monkeys screeching)
Fine.

172

00:08:14,864 —> 00:08:16,864

Just hold on.

173

00:08:16,866 —> 00:08:19,033

Mommy's on the phone!

174

00:08:20,319 —> 00:08:21,819

Sorry.

175

00:08:21,821 —> 00:08:24,655

We've cut the monkeys down

to one cigarette a day,

176

00:08:24,657 —> 00:08:26,440

so things are a little intense.

177

00:08:27,526 —> 00:08:29,710

Makes me miss

my marijuana-abusing flatworms.

178

00:08:29,712 —> 00:08:32,380

Those guys were mellow.

179

00:08:32,382 —> 00:08:34,081

Good news.

180

00:08:34,083 —> 00:08:37,418

Uh, the latest episode

of Fun with Flags is online.

181

00:08:37,420 —> 00:08:39,337

Oh, that's right.

How'd it go with Penny?

182

00:08:39,339 —> 00:08:40,938

Much better than I expected.

183

00:08:40,940 —> 00:08:43,624

She even gave me

some helpful tips

184

00:08:43,626 —> 00:08:45,510

about acting and body language.

185

00:08:45,512 —> 00:08:47,461

Watch.

186

00:08:48,296 —> 00:08:50,648

Welcome to my world.

187

00:08:50,650 —> 00:08:53,534

Not welcome to my world.

188

00:08:54,753 —> 00:08:55,987

Welcome.

189

00:08:55,989 —> 00:08:58,306

Not welcome.

190

00:08:58,308 —> 00:09:01,075

Subtle, but powerful.

191

00:09:01,077 —> 00:09:02,310

I know.

192

00:09:02,312 —> 00:09:04,979

I'm still learning
to control it.

193
00:09:04,981 —> 00:09:07,198
Did you tell Penny
how helpful she was?

194
00:09:07,200 —> 00:09:08,816
Why would I do that?

195
00:09:08,818 —> 00:09:12,486
Because she's your friend,
and she did a nice job.

196
00:09:12,488 —> 00:09:14,038
I'm sure she'd like to hear it.

197
00:09:14,040 —> 00:09:16,924
All right.

198
00:09:17,793 —> 00:09:20,194
I didn't mean now. Hello?

199

00:09:20,196 —> 00:09:21,963

(monkeys screeching)

200

00:09:21,965 —> 00:09:23,731

Yeah, yeah,

you want a cigarette.

201

00:09:23,733 —> 00:09:25,032

Well,

I'd like a normal boyfriend.

202

00:09:25,034 —> 00:09:27,552

Deal with it.

203

00:09:29,805 —> 00:09:30,888

Oh, hi. What's up?

204

00:09:30,890 —> 00:09:33,507

Um...

205

00:09:33,509 —> 00:09:35,209

You need me to shut the door

206

00:09:35,211 —> 00:09:37,612

so you can do

your knocking thing?

207

00:09:38,397 —> 00:09:40,031

No.

208

00:09:40,033 —> 00:09:41,348

I didn't start yet; it's fine.

209

00:09:41,350 —> 00:09:43,451

Okay. So, what do you need?

210

00:09:43,453 —> 00:09:45,152

Well, I was thinking

211

00:09:45,154 —> 00:09:47,521

about you helping me

out last night...

212

00:09:47,523 —> 00:09:50,291

Penny.

213

00:09:52,160 —> 00:09:54,962

And I just wanted to tell you...

214

00:09:54,964 —> 00:09:56,214

Penny.

215

00:09:56,216 —> 00:10:00,001

...that the answer

to the question,

216

00:10:00,003 —> 00:10:02,587

"Who did a great job?" is you.

217

00:10:03,371 —> 00:10:05,840

Penny.

218

00:10:05,842 —> 00:10:07,592

Really?

219

00:10:07,594 —> 00:10:10,210

Yes, you were very natural
in front of the camera,

220
00:10:10,212 —> 00:10:13,064
and I found your suggestions
extremely helpful.

221
00:10:13,066 —> 00:10:16,216
Aw, sweetie,
you just made my day.

222
00:10:16,218 —> 00:10:17,718
Okay.

223
00:10:17,720 —> 00:10:21,522
Hey, my acting class is putting
on a play Friday night.

224
00:10:21,524 —> 00:10:23,608
I could put you and Amy
on the guest list.

225
00:10:23,610 —> 00:10:24,892

Oh, that sounds terrible.

226
00:10:24,894 —> 00:10:27,227
Why would I want to do that?

227
00:10:28,297 —> 00:10:29,730
(monkeys screeching)
That's right.

228
00:10:29,732 —> 00:10:33,701
They're no good
without the lighter.

229
00:10:33,703 —> 00:10:36,837
Well, so much for your advice
on complimenting Penny.

230
00:10:36,839 —> 00:10:38,572
Why? What happened?

231
00:10:38,574 —> 00:10:39,674
She tried to rope us into going

232

00:10:39,676 —> 00:10:41,408

to her acting class

to see a play.

233

00:10:41,410 —> 00:10:42,543

Don't worry.

234

00:10:42,545 —> 00:10:43,711

Luckily, I had the good sense

235

00:10:43,713 —> 00:10:47,098

to drown that kitten

in the river.

236

00:10:47,100 —> 00:10:50,301

Sheldon, that's very rude.

237

00:10:50,303 —> 00:10:51,752

She helped you with your show.

238

00:10:51,754 —> 00:10:53,421

The right thing to do

is reciprocate

239

00:10:53,423 —> 00:10:54,889

by going to see her play.

240

00:10:54,891 —> 00:10:56,885

Oh, so many crazy rules.

241

00:10:59,072 —> 00:11:00,372

(screeching resumes)

242

00:11:01,715 —> 00:11:03,044

That better be Tootsie Rolls

243

00:11:03,069 —> 00:11:04,241

you're throwing at me!

244

00:11:07,670 —> 00:11:09,453

Penny. Penny.

245

00:11:09,455 —> 00:11:11,038

Penny.

246

00:11:11,040 —> 00:11:12,673

Oh yeah, much better.

247

00:11:14,842 —> 00:11:15,825

What?

248

00:11:15,827 —> 00:11:17,160

Amy pointed out to me

249

00:11:17,162 —> 00:11:19,463

that since you did

something nice for me,

250

00:11:19,465 —> 00:11:22,216

I'm obligated to do

something nice for you.

251

00:11:22,218 —> 00:11:23,467

So...

252

00:11:23,469 —> 00:11:26,470

yes, I'll go
to your dopey play.

253
00:11:27,722 —> 00:11:29,339
Hey, I don't want you
to go anymore.

254
00:11:29,341 —> 00:11:30,807
Why not?

255
00:11:30,809 —> 00:11:31,892
You should go 'cause
you want to go,

256
00:11:31,894 —> 00:11:33,026
not because you have to.

257
00:11:33,028 —> 00:11:35,178
Oh, Dear Lord, more rules?
Where does it stop?

258
00:11:36,281 —> 00:11:38,815
Can I want to go

259

00:11:38,817 —> 00:11:41,902

because I have to want to go?

260

00:11:41,904 —> 00:11:43,620

Okay. Do whatever you want.

261

00:11:43,622 —> 00:11:45,322

Yeah, but now, wait.

262

00:11:45,324 —> 00:11:47,357

Do whatever I want...

263

00:11:47,359 —> 00:11:50,460

or whatever I have to want?

264

00:11:51,462 —> 00:11:53,463

Oh, for God's sake,

just come to the play.

265

00:11:53,465 —> 00:11:54,798

All right.

266

00:11:54,800 —> 00:11:57,251

I don't want to, but

at least that makes sense.

267

00:12:06,757 —> 00:12:10,353

You know, I haven't seen

Raj in several days.

268

00:12:10,354 —> 00:12:13,555

Is he no longer a part

of our social group?

269

00:12:13,557 —> 00:12:16,575

And if so, should we be

interviewing for a replacement?

270

00:12:18,044 —> 00:12:20,646

Perhaps, this time, we go Latin.

271

00:12:24,200 —> 00:12:27,419

He's just decided he's never

leaving his apartment again.

272

00:12:27,421 —> 00:12:28,870

Oh, brilliant.

273

00:12:28,872 —> 00:12:31,640

I've been itching

to pull that trigger.

274

00:12:31,642 —> 00:12:35,110

He's upset because he can't

get anywhere with women.

275

00:12:36,379 —> 00:12:38,580

Would it help if I gave

him some pointers?

276

00:12:43,420 —> 00:12:45,387

I'm just funnin' ya.

(laughs)

277

00:12:50,577 —> 00:12:51,660

Hi.

278

00:12:51,662 —> 00:12:52,945

I don't know if you remember me,

279

00:12:52,947 —> 00:12:55,114

but I was here the other night

at your party.

280

00:12:55,116 —> 00:12:57,666

Oh, yeah, you left with Raj.

281

00:12:57,668 —> 00:13:00,068

LUCY:

Uh, yeah.

282

00:13:00,070 —> 00:13:01,720

You're the one?

283

00:13:01,722 —> 00:13:03,071

Okay, let me tell you something.

284

00:13:03,073 —> 00:13:04,840

That guy you blew off

285

00:13:04,842 —> 00:13:07,259

happens to be my best friend.

286

00:13:07,261 —> 00:13:08,877

Okay?

He was devastated.

287

00:13:08,879 —> 00:13:11,046

Sorry.

288

00:13:11,048 —> 00:13:12,581

Can you just give him this?

289

00:13:12,583 —> 00:13:14,550

Okay.

290

00:13:14,552 —> 00:13:15,851

But I gotta warn you,

291

00:13:15,853 —> 00:13:19,304

Raj is a proud, passionate man.

292

00:13:19,306 —> 00:13:21,607

If you go running out

on him again,

293

00:13:21,609 —> 00:13:24,943

you're only gonna get, like,

three or four more chances

294

00:13:24,945 —> 00:13:26,445

before you are history.

295

00:13:28,865 —> 00:13:30,783

Come on, she came back.

296

00:13:30,785 —> 00:13:31,984

This is good news.

297

00:13:31,986 —> 00:13:33,285

You should celebrate.

298

00:13:33,287 —> 00:13:35,454

I don't want to celebrate.

299

00:13:40,326 —> 00:13:42,544

Not even a little?

300

00:13:42,546 —> 00:13:44,413

I mean... we could have

a pants party.

301

00:13:44,415 —> 00:13:45,798

Go put some on.

302

00:13:46,633 —> 00:13:48,116

Why would I want her number?

303

00:13:48,118 —> 00:13:49,835

I don't want anything to do

with this woman.

304

00:13:49,837 —> 00:13:51,587

Oh, come on, Raj...

No, you don't get it.

305

00:13:51,589 —> 00:13:53,889

I want nothing to

do with any woman.

306

00:13:53,891 —> 00:13:56,091

My heart is stone.

307

00:13:57,727 —> 00:13:59,595

From now on, I'm a monk.

308

00:13:59,597 —> 00:14:02,397

I renounce

all worldly pleasures.

309

00:14:02,399 —> 00:14:04,016

Except for lobster.

310

00:14:05,485 —> 00:14:07,653

And garlic butter.

311

00:14:07,655 —> 00:14:10,355

Boy, I want to tell you

it's her loss,

312
00:14:10,357 —> 00:14:13,025
but you are not making it easy.

313
00:14:14,527 —> 00:14:17,863
You're-you're a good friend
for trying to help, but...

314
00:14:17,865 —> 00:14:19,481
I've made my choice.

315
00:14:20,533 —> 00:14:21,650
All right.

316
00:14:21,652 —> 00:14:24,086
Well, I'll see you around.

317
00:14:24,088 —> 00:14:26,088
See you.

318
00:14:26,090 —> 00:14:28,140

Oh, wait—

take her number.

319

00:14:28,142 —> 00:14:30,158

I don't want the temptation.

320

00:14:30,160 —> 00:14:32,461

Okay.

321

00:14:32,463 —> 00:14:34,129

I must be strong

so I don't stray

322

00:14:34,131 —> 00:14:35,380

from my true purpose:

323

00:14:35,382 —> 00:14:37,599

the study of the universe.

324

00:14:39,469 —> 00:14:42,504

All right.

325

00:14:48,061 —> 00:14:50,395
Thanks for
ruining lobster for me.

326
00:14:55,685 —> 00:14:56,652
KOOTHRAPPALI:
Wait!

327
00:14:56,654 —> 00:14:58,019
Give me the number!

328
00:14:59,906 —> 00:15:01,456
Give me
the number!

329
00:15:01,458 —> 00:15:03,158
Give me the number!

330
00:15:04,377 —> 00:15:07,646
So, Amy, what's going on
with your addiction study?

331
00:15:07,648 —> 00:15:11,033

Sadly, I'm no longer associated
with that project.

332
00:15:11,035 —> 00:15:12,217
Why? What happened?

333
00:15:12,219 —> 00:15:14,169
Typical bureaucratic nonsense.

334
00:15:14,171 —> 00:15:16,705
You can get animals addicted
to a harmful substance,

335
00:15:16,707 —> 00:15:18,006
you can dissect their brains,

336
00:15:18,008 —> 00:15:19,975
but you throw their own feces
back at them

337
00:15:19,977 —> 00:15:21,876
and suddenly you're
"unprofessional."

338

00:15:24,063 —> 00:15:25,430

I'm sorry...

339

00:15:26,382 —> 00:15:27,983

...that I asked.

340

00:15:29,519 —> 00:15:32,571

All right, let's get

this stupid play over with.

341

00:15:32,573 —> 00:15:33,572

Uh, hang on.

342

00:15:33,574 —> 00:15:34,573

Empty your pockets.

343

00:15:34,575 —> 00:15:35,524

Why?

344

00:15:35,526 —> 00:15:36,558

You know why.

345

00:15:36,560 —> 00:15:37,726

The Nintendo DS.

346

00:15:37,728 —> 00:15:39,894

(sighs)

347

00:15:41,564 —> 00:15:43,532

And the PSP.

348

00:15:43,534 —> 00:15:44,733

(raspy exhale)

349

00:15:48,638 —> 00:15:49,788

Now the Gameboy.

350

00:15:50,707 —> 00:15:52,240

Aw, for Pete's sake.

351

00:15:53,543 —> 00:15:54,909

Can we go now?

352

00:15:54,911 —> 00:15:56,077

Well, is that all of it?

353

00:16:06,022 —> 00:16:07,489

Just set it down.

354

00:16:09,609 —> 00:16:11,727

Just so you know, this is

not a stupid play.

355

00:16:11,729 —> 00:16:14,196

A Streetcar Named Desire

is an American classic.

356

00:16:14,198 —> 00:16:16,465

It's about streetcars?

357

00:16:16,467 —> 00:16:19,234

Oh, great. I won't need this.

358

00:16:33,166 —> 00:16:34,800

Just a sec.

359

00:16:34,802 —> 00:16:36,969

Oh, who says "just a sec"?

360

00:16:36,971 —> 00:16:38,286

I hate myself!

361

00:16:43,009 —> 00:16:44,476

Hello.

362

00:16:44,478 —> 00:16:45,794

Hi.

363

00:16:45,796 —> 00:16:47,179

Uh, would you like to come in?

364

00:16:47,181 —> 00:16:49,982

Oh, no, I can't stay.

365

00:16:49,984 —> 00:16:51,650

Oh.

366

00:16:51,652 —> 00:16:53,852

I just wanted to say...

367

00:16:53,854 —> 00:16:56,238

I'm sorry for running

out of the coffee shop.

368

00:16:56,240 —> 00:16:57,305

That wasn't cool.

369

00:16:57,307 —> 00:16:58,440

So, uh...

370

00:16:58,442 —> 00:17:00,492

Yeah.

371

00:17:00,494 —> 00:17:02,611

I'm sorry.

372

00:17:03,446 —> 00:17:04,696

Wait.

373

00:17:06,115 —> 00:17:08,417

Can you at least tell me

what went wrong?

374

00:17:08,419 —> 00:17:09,818

It's okay.

375

00:17:09,820 —> 00:17:11,169

I can take anything.

376

00:17:11,171 —> 00:17:12,320

Unless it's something I did,

377

00:17:12,322 —> 00:17:13,372

or said, or am.

378

00:17:13,374 —> 00:17:14,790

'Cause those are,

like, my buttons.

379

00:17:17,377 —> 00:17:19,878

No, it's not any of that.

380

00:17:19,880 —> 00:17:21,463

It's just...

381

00:17:21,465 —> 00:17:23,432

I kind of have a hard time

382

00:17:23,434 —> 00:17:25,500

around people I don't know.

383

00:17:25,502 —> 00:17:26,718

Really?

384

00:17:26,720 —> 00:17:27,803

Then what were you doing

385

00:17:27,805 —> 00:17:29,187

at the comic book store

that night?

386

00:17:29,189 —> 00:17:32,607

I've been trying to force myself

into situations

387
00:17:32,609 —> 00:17:33,842
that I'm not comfortable with.

388
00:17:33,844 —> 00:17:36,228
I saw the flyer
in the store window,

389
00:17:36,230 —> 00:17:38,647
and I made myself go in.

390
00:17:38,649 —> 00:17:40,682
I don't even like comic books.
(laughs)

391
00:17:40,684 —> 00:17:42,016
Yeah, me neither.

392
00:17:42,018 —> 00:17:43,068
Then what were you doing there?

393

00:17:43,070 —> 00:17:45,070

I lied. I love them.

394

00:17:47,106 —> 00:17:48,957

I only said that

so you'd go out with me.

395

00:17:48,959 —> 00:17:51,710

Oh, you don't want to do that.

396

00:17:51,712 —> 00:17:53,128

I'm kind of broken.

397

00:17:53,130 —> 00:17:54,546

That's great.

398

00:17:54,548 —> 00:17:55,530

I'm broken, too.

399

00:17:55,532 —> 00:17:56,832

Oh, no, you're not.

400

00:17:56,834 —> 00:17:57,866
Oh, I totally am.

401
00:17:57,868 —> 00:17:59,167
If it wasn't
for this beer,

402
00:17:59,169 —> 00:18:00,702
I couldn't even talk
to you right now.

403
00:18:00,704 —> 00:18:01,870
I'm a wreck.

404
00:18:01,872 —> 00:18:04,756
There are many things
seriously wrong with me.

405
00:18:06,041 —> 00:18:07,592
And not quirks, either.

406
00:18:07,594 —> 00:18:12,431
Like... diagnosable

psychological problems.

407
00:18:13,516 —> 00:18:15,717
Maybe brain damage.

408
00:18:18,571 —> 00:18:21,890
Well, how do I know
you're not just saying that?

409
00:18:22,708 —> 00:18:25,226
Go out with me on one date,

410
00:18:25,228 —> 00:18:27,362
and I promise you, you'll see.

411
00:18:29,064 —> 00:18:30,064
Okay.

412
00:18:30,066 —> 00:18:30,999
(sighs with relief)

413
00:18:31,001 —> 00:18:32,334

Text me.

414
00:18:32,336 —> 00:18:33,752
Bye.

415
00:18:34,670 —> 00:18:35,954
You won't regret it.

416
00:18:35,956 —> 00:18:38,072
I'm the most pathetic
guy you've ever met.

417
00:18:39,909 —> 00:18:42,377
And that, boys and girls...

418
00:18:42,379 —> 00:18:44,546
is how it's done.

419
00:18:53,624 —> 00:18:56,557
You love her very much,
don't you?

420

00:18:56,559 —> 00:18:57,491
Yes.

421
00:18:57,493 —> 00:18:58,926
PENNY:
I think you have

422
00:18:58,928 —> 00:19:00,861
a great capacity for devotion.

423
00:19:00,863 —> 00:19:03,864
You'll be lonely when
she passes on, won't you?

424
00:19:06,101 —> 00:19:07,868
I understand
what that is.

425
00:19:07,870 —> 00:19:09,103
ACTOR:
To be lonely?

426
00:19:09,105 —> 00:19:10,587

(quietly): She's
pretty good, huh?

427
00:19:10,589 —> 00:19:12,039
She is.

428
00:19:12,041 —> 00:19:15,542
But when do they get
to the part about streetcars?

429
00:19:19,297 —> 00:19:20,948
...when I was a very young girl.

430
00:19:20,950 —> 00:19:25,085
When I was 16 years old,
I made the discovery...

431
00:19:25,087 —> 00:19:27,271
love.

432
00:19:28,756 —> 00:19:29,723
All at once,

433

00:19:29,725 —> 00:19:32,026

and much, much too completely.

434

00:19:33,461 —> 00:19:35,529

It was like you suddenly turned

a blinding light

435

00:19:35,531 —> 00:19:38,148

on something that had always

been half a shadow.

436

00:19:39,534 —> 00:19:41,769

That's how it struck

the world for me.

437

00:19:43,605 —> 00:19:46,156

But I was unlucky.

438

00:19:46,158 —> 00:19:48,075

Deluded.

439

00:19:48,077 —> 00:19:49,309

She's remarkable.

440

00:19:49,311 —> 00:19:50,494

She really is.

441

00:19:50,496 —> 00:19:51,745

Our Penny's a star.

442

00:19:51,747 —> 00:19:53,280

PENNY: ...and softness and

tenderness which...

443

00:19:53,282 —> 00:19:55,615

How can she remember

all those lines,

444

00:19:55,617 —> 00:19:57,668

but as a waitress,

she can't remember

445

00:19:57,670 —> 00:19:59,670

"no tomato" on my hamburger?

S06EP18: The Contractual Obligation Implementation

1

00:00:01,807 —> 00:00:04,008

Look, I know you guys don't want

to do this,

2

00:00:04,010 —> 00:00:05,142

but we have no choice.

3

00:00:05,144 —> 00:00:06,511

So, you can either

bitch and whine

4

00:00:06,513 —> 00:00:08,012

or we can

just get it over with.

5

00:00:08,014 —> 00:00:08,896

I got "whine."

6

00:00:08,898 —> 00:00:10,565
I got the "b word."

7
00:00:10,567 —> 00:00:12,717
Yeah, well,
it's in our contract

8
00:00:12,719 —> 00:00:14,402
to serve on a
university committee.

9
00:00:14,404 —> 00:00:15,403
And frankly,

10
00:00:15,405 —> 00:00:16,654
this is one I believe in.

11
00:00:16,656 —> 00:00:17,989
Okay, here we go.

12
00:00:17,991 —> 00:00:20,891
Encouraging more women to
pursue a career in the sciences.

13

00:00:20,893 —> 00:00:22,326

Come on,

if I was any good

14

00:00:22,328 —> 00:00:23,727

at convincing women to do stuff,

15

00:00:23,729 —> 00:00:26,497

I wouldn't have spent so much of

my 20s in the shower.

16

00:00:28,116 —> 00:00:29,183

If you ask me,

17

00:00:29,185 —> 00:00:31,002

this whole thing is a waste of

our time.

18

00:00:31,004 —> 00:00:32,253

Helping women?

19

00:00:32,255 —> 00:00:34,905
Yeah, helping anyone.

20
00:00:34,907 —> 00:00:37,291
People should take care
of themselves.

21
00:00:37,293 —> 00:00:38,843
Oh, like yesterday,

22
00:00:38,845 —> 00:00:41,045
when you made me drive you
to the dry cleaners,

23
00:00:41,047 —> 00:00:42,913
the pharmacy
and the post office?

24
00:00:42,915 —> 00:00:45,683
I'm not saying people
can't use tools.

25
00:00:47,286 —> 00:00:50,354

Even an otter picks up a rock
when he wants a clam.

26
00:00:51,773 –> 00:00:52,940
You don't think it's worthwhile

27
00:00:52,942 –> 00:00:55,026
to try to get more women
working in science.

28
00:00:55,028 –> 00:00:57,194
I think
that's incredibly sexist of you.

29
00:00:57,196 –> 00:00:59,530
I believe in a
gender-blind society

30
00:00:59,532 –> 00:01:02,533
like in Star Trek,
where women and men

31
00:01:02,535 –> 00:01:06,120

of all races and creeds
work side by side as equals.

32
00:01:06,122 —> 00:01:08,623
You mean
where they were advanced enough

33
00:01:08,625 —> 00:01:10,675
to invent
an interstellar warp drive,

34
00:01:10,677 —> 00:01:14,078
but a black lady still answered
the space phone?

35
00:01:15,080 —> 00:01:16,714
Oh, I did spend a lot of my

36
00:01:16,716 —> 00:01:18,666
shower time
with Lieutenant Uhura.

37
00:01:20,052 —> 00:01:23,454

Howard's
disturbing recollections aside,

38
00:01:23,456 —> 00:01:25,840
I don't appreciate
being forced to do

39
00:01:25,842 —> 00:01:26,974
banal committee work.

40
00:01:26,976 —> 00:01:28,893
Yes, I know,
you're too smart for this.

41
00:01:28,895 —> 00:01:29,877
Exactly.

42
00:01:29,879 —> 00:01:31,345
It's like
asking the Human Torch

43
00:01:31,347 —> 00:01:34,065
to heat up your frozen burrito.

44

00:01:34,067 —> 00:01:35,149

Got it.

45

00:01:35,151 —> 00:01:37,151

All right,

I'm thinking one way

46

00:01:37,153 —> 00:01:39,070

to counter bias

in the peer-review process,

47

00:01:39,072 —> 00:01:41,522

is for papers to be submitted

under gender-neutral names.

48

00:01:41,524 —> 00:01:42,907

Like S. Smith

49

00:01:42,909 —> 00:01:44,158

instead of Samantha Smith.

50

00:01:44,160 —> 00:01:46,944
I suppose there is a history of
professional women

51
00:01:46,946 —> 00:01:49,614
using their initials,
so as not to be pre-judged.

52

Yeah.

221

00:09:07,867 —> 00:09:09,033

(Amy chuckling)

222

00:09:09,035 —> 00:09:11,085

We can't all be Cinderella.

223

00:09:14,122 —> 00:09:15,422

Then how do we decide?

224

00:09:15,424 —> 00:09:16,540

Well, it's simple.

225

00:09:16,542 —> 00:09:17,824

This was my idea.

226

00:09:17,826 —> 00:09:18,843

I'm driving.

227

00:09:18,845 —> 00:09:19,760

I'm Cinderella.

228

00:09:19,762 —> 00:09:21,328

You bitches

got a problem with that,

229

00:09:21,330 —> 00:09:23,347

we could stop the car right now.

230

00:09:35,843 —> 00:09:39,680

(whispering): Excuse me,

I'm meeting a girl here.

231

00:09:39,682 —> 00:09:40,981

It's kind of our first date.

232

00:09:40,983 —> 00:09:43,534

(whispering):

In a library?

233

00:09:43,536 —> 00:09:46,520

She and I

are both a little awkward

234

00:09:46,522 —> 00:09:49,740

in social situations,

so this seemed like a good idea.

235

00:09:49,742 —> 00:09:54,795
People say
I'm a little awkward, too.

236
00:09:54,797 —> 00:09:56,680
May I join you?

237
00:09:56,682 —> 00:09:59,750
No, you can't join us.

238
00:09:59,752 —> 00:10:01,552
Just go-go climb back up

239
00:10:01,554 —> 00:10:04,004
whatever beanstalk you came
down from.

240
00:10:09,394 —> 00:10:11,228
You can do better.

241
00:10:15,967 —> 00:10:18,018
Oh, we're eating here?

242

00:10:24,159 —> 00:10:26,076

We're having

a texting date?

243

00:10:30,498 —> 00:10:31,916

LUCY:

I love that.

244

00:10:35,069 —> 00:10:38,238

KOOTHRAPPALI: As you're reading,

it will help to remember

245

00:10:38,240 —> 00:10:42,293

I have an adorable accent.

246

00:10:44,629 —> 00:10:49,600

Okay,

who's ready for some science?

247

00:10:53,087 —> 00:10:55,255

Me, too.

248

00:10:55,257 —> 00:10:57,391
Okay, I am
Dr. Leonard Hofstadter.

249
00:10:57,393 —> 00:10:59,143
I am here with my friends
Dr. Cooper

250
00:10:59,145 —> 00:11:02,529
and real-life astronaut
Howard Wolowitz,

251
00:11:02,531 —> 00:11:04,148
and we are going
to show you girls

252
00:11:04,150 —> 00:11:07,901
how cool a job
in science can be.

253
00:11:07,903 —> 00:11:09,119
How cool, you ask?

254

00:11:09,121 —> 00:11:12,156
Well, how about
negative 273 degrees,

255
00:11:12,158 —> 00:11:13,240
'cause that's the temperature

256
00:11:13,242 —> 00:11:16,927
at which entropy reaches
its minimum value.

257
00:11:18,947 —> 00:11:21,832
Did I just learn something new
and have fun doing it?

258
00:11:21,834 —> 00:11:24,134
What?

259
00:11:26,471 —> 00:11:29,073
All right!

260
00:11:29,075 —> 00:11:31,058
So now let's bring out

261

00:11:31,060 —> 00:11:32,959

theoretical physicist

262

00:11:32,961 —> 00:11:36,347

Dr. Sheldon Cooper.

263

00:11:40,769 —> 00:11:42,936

Hello, female children.

264

00:11:43,805 —> 00:11:46,874

Allow me to inspire you

265

00:11:46,876 —> 00:11:50,544

with a story

about a great female scientist.

266

00:11:50,546 —> 00:11:55,499

Polish-born, French-educated

Madame Curie.

267

00:11:55,501 —> 00:11:57,368

Codiscoverer of

radioactivity,

268

00:11:57,370 —> 00:11:59,336

she was a hero

269

00:11:59,338 —> 00:12:03,173

of science...

until her hair fell out;

270

00:12:03,175 —> 00:12:06,593

her vomit and stool became

filled with blood...

271

00:12:06,595 —> 00:12:08,228

and she was poisoned

272

00:12:08,230 —> 00:12:11,098

to death by her own discovery.

273

00:12:12,467 —> 00:12:14,018

With a little hard work,

274

00:12:14,020 —> 00:12:17,971

I see no reason why

that can't happen to any of you.

275

00:12:21,192 —> 00:12:22,643

Are we done?

276

00:12:22,645 —> 00:12:24,795

Can we go?

277

00:12:32,342 —> 00:12:34,542

The thing to remember is

278

00:12:34,544 —> 00:12:36,761

you can go to outer space, too.

279

00:12:36,763 —> 00:12:38,630

I mean, look at me.

280

00:12:38,632 —> 00:12:40,998

I went to this very school.

281

00:12:41,000 —> 00:12:43,718

Those desks you're sitting in,

282

00:12:43,720 —> 00:12:46,220

I was once superglued

to one of them.

283

00:12:49,007 —> 00:12:50,108

Did you go to the moon?

284

00:12:50,110 —> 00:12:52,193

No, but I did go

285

00:12:52,195 —> 00:12:55,313

to the

International Space Station.

286

00:12:55,315 —> 00:12:56,180

Did you fly the rocket?

287

00:12:56,182 —> 00:12:57,765

No,

288

00:12:57,767 —> 00:13:00,518

but I was in the rocket.

289

00:13:00,520 —> 00:13:02,186

I didn't actually...

290

00:13:02,188 —> 00:13:04,289

So you just flew around?

That's kind of like my uncle.

291

00:13:04,291 —> 00:13:05,690

He's a flight attendant.

292

00:13:10,129 —> 00:13:11,296

No... (chuckles)

293

00:13:11,298 —> 00:13:12,714

I'm an American hero.

294

00:13:12,716 —> 00:13:14,699

Your uncle

brings people nuts, okay?

295
00:13:14,701 —> 00:13:18,002
Boy, we are learning
a lot here, huh?

296
00:13:18,004 —> 00:13:20,221
Thank you, astronaut Howard.

297
00:13:20,223 —> 00:13:21,789
(clears throat)

298
00:13:21,791 —> 00:13:24,225
Um, I am what's called
an experimental physicist,

299
00:13:24,227 —> 00:13:28,146
which is super-fun,
because I get to test theories

300
00:13:28,148 —> 00:13:29,480
and work with lasers.

301

00:13:29,482 —> 00:13:30,782

Yes?

302

00:13:30,784 —> 00:13:32,900

How did you decide

to become a scientist?

303

00:13:32,902 —> 00:13:34,352

Uh, excellent question.

304

00:13:34,354 —> 00:13:38,222

Um, I suppose I've always been

into science, you know...

305

00:13:38,224 —> 00:13:40,057

My mother and father

are scientists,

306

00:13:40,059 —> 00:13:42,059

so I was kind of led

in that direction.

307

00:13:42,061 —> 00:13:44,862
Eh, pushed might be
a better way to describe it.

308
00:13:44,864 —> 00:13:46,614
To be honest
with you guys,

309
00:13:46,616 —> 00:13:47,915
when I was your age,

310
00:13:47,917 —> 00:13:49,784
I wanted to be a rap star.

311
00:13:51,003 —> 00:13:52,203
Like Snoop Dogg,

312
00:13:52,205 —> 00:13:54,405
but with a healthy respect
for the police.

313
00:13:56,508 —> 00:13:58,259
Yeah, no, sure, you laugh.

314

00:13:58,261 —> 00:14:00,795

Just like my mother did.

315

00:14:01,597 —> 00:14:04,081

After I confided,

I was derided

316

00:14:04,083 —> 00:14:05,667

and chided,

my moms and I collided.

317

00:14:05,669 —> 00:14:07,918

She said my dreams

were misguided.

318

00:14:13,225 —> 00:14:16,427

That's just a little freestyle.

319

00:14:19,064 —> 00:14:21,866

KOOTHRAPALI: My dad's a gynecologist

in India,

320

00:14:21,868 —> 00:14:24,435

so if you're over there

and need a check up,

321

00:14:24,437 —> 00:14:27,938

as he likes to say,

he's "at your cervix."

322

00:14:27,940 —> 00:14:29,741

(chuckles)

323

00:14:32,711 —> 00:14:34,829

LUCY:

That's terrible.

324

00:14:34,831 —> 00:14:37,598

Your dad should be sent

to the pun-itentiary.

325

00:14:42,137 —> 00:14:44,172

KOOTHRAPALI:

That's a fitting

326

00:14:44,174 —> 00:14:45,673

pun-ishment.

327

00:14:50,562 —> 00:14:52,930

I still don't know

what you do for a living.

328

00:14:54,633 —> 00:14:57,235

LUCY:

Web design.

329

00:14:59,805 —> 00:15:02,090

KOOTHRAPALI:

Anything I might have seen?

330

00:15:03,525 —> 00:15:05,610

LUCY:

I don't know.

331

00:15:05,612 —> 00:15:07,712

You ever look

at porn Web sites?

332

00:15:18,474 —> 00:15:20,508

KOOTHRAPALI:

(snickers) No, never.

333

00:15:20,510 —> 00:15:22,760

What is porn?

334

00:15:25,631 —> 00:15:27,749

LUCY:

Sorry. Autocorrect.

335

00:15:27,751 —> 00:15:29,767

That was supposed to say

336

00:15:29,769 —> 00:15:32,002

"prom Web sites."

337

00:15:35,691 —> 00:15:39,076

KOOTHRAPALI:

Ooh, fun. I love prom.

338

00:15:39,078 —> 00:15:40,545

The romance, the gowns,

339
00:15:40,547 —> 00:15:43,114
it's like a fairy tale come
to life.

340
00:15:51,290 —> 00:15:52,723
Sorry. Autocorrect.

341
00:15:52,725 —> 00:15:53,958
That was supposed to say,

342
00:15:53,960 —> 00:15:56,327
"I like sports."

343
00:15:59,214 —> 00:16:02,650
I never wanted to play
the cello.

344
00:16:03,886 —> 00:16:06,254
How do you meet girls
playing the cello?

345

00:16:06,256 —> 00:16:08,089

"Hey, you want

to come over to my house

346

00:16:08,091 —> 00:16:09,574

"and listen to me play

an instrument

347

00:16:09,576 —> 00:16:11,809

that sounds like

a suicidal bumblebee?"

348

00:16:12,978 —> 00:16:14,846

Quick,

pull the fire alarm.

349

00:16:14,848 —> 00:16:17,064

Let's get out of here.

350

00:16:17,066 —> 00:16:18,649

Uh, hello again.

351

00:16:18,651 —> 00:16:22,520
Um, yeah, I don't know
if women in general

352
00:16:22,522 —> 00:16:26,107
have been actively discouraged
from pursuing the sciences,

353
00:16:26,109 —> 00:16:31,061
but it's clear you young women
here, today, have been.

354
00:16:35,167 —> 00:16:38,419
While I was listening to
my colleagues waste your time,

355
00:16:38,421 —> 00:16:41,906
it occurred to me that it
might be much more meaningful

356
00:16:41,908 —> 00:16:44,208
to hear about women in science

357

00:16:44,210 —> 00:16:46,761
from actual women in science,

358
00:16:46,763 —> 00:16:49,764
and, uh, I happen to know
two brilliant examples

359
00:16:49,766 —> 00:16:53,050
who have agreed to speak
to you on the phone right now.

360
00:16:53,052 —> 00:16:56,554
Uh, Dr. Rostenkowski,
Dr. Fowler, are you there?

361
00:16:56,556 —> 00:16:58,689
AMY:
We're here.

362
00:16:58,691 —> 00:17:01,309
Thank you for taking time
out of your very busy schedule

363

00:17:01,311 —> 00:17:04,228
to enlighten these young women.

364
00:17:04,230 —> 00:17:06,931
It's our pleasure.

365
00:17:10,536 —> 00:17:12,904
I'm Dr. Fowler, and
I'm a neuroscientist.

366
00:17:12,906 —> 00:17:15,105
And I'm
Dr. Rostenkowski Wolowitz,

367
00:17:15,107 —> 00:17:16,707
and I'm a microbiologist.

368
00:17:16,709 —> 00:17:19,293
The world of science
needs more women,

369
00:17:19,295 —> 00:17:22,580
but from a young age, we

girls are encouraged to care

370
00:17:22,582 —> 00:17:24,215
more about the way we look

371
00:17:24,217 —> 00:17:27,552
than about the
power of our minds.

372
00:17:29,154 —> 00:17:30,788
That's true.

373
00:17:30,790 —> 00:17:32,673
Every one of you has
the capacity

374
00:17:32,675 —> 00:17:34,508
to be anything you want to be.

375
00:17:34,510 —> 00:17:37,962
Unless you want
to be Cinderella.

376

00:17:37,964 —> 00:17:39,513

Come at me.

377

00:17:39,515 —> 00:17:41,015

See what happens.

378

00:17:44,086 —> 00:17:46,470

KOOTHRAPALI:

This was really fun.

379

00:17:48,306 —> 00:17:52,109

My battery's dying,

so I'm just gonna talk.

380

00:17:52,111 —> 00:17:54,362

Thanks for today.

381

00:17:54,364 —> 00:17:56,981

I've been trying to do

more things that scare me,

382

00:17:56,983 —> 00:17:59,984

and coming here

was definitely one of them.

383

00:18:00,786 —> 00:18:02,420

But it was also really nice.

384

00:18:02,422 —> 00:18:05,423

So thanks, and, um,

385

00:18:05,425 —> 00:18:06,958

I'm gonna go.

386

00:18:11,013 —> 00:18:14,265

Maybe I could do

one more scary thing

387

00:18:14,267 —> 00:18:17,668

before I go

and give you a kiss good-bye?

388

00:18:17,670 —> 00:18:19,186

You know,

389

00:18:19,188 —> 00:18:21,272

if that's okay.

390

00:18:24,476 —> 00:18:27,278

Okay.

391

00:18:28,814 —> 00:18:30,998

Panic attack!

Maybe next time.

392

00:18:35,186 —> 00:18:37,354

I'm counting that as foreplay.

393

00:18:46,631 —> 00:18:47,871

Bernie,

394

00:18:47,872 —> 00:18:50,022

I'm home.

395

161
00:06:37,669 —> 00:06:38,786
(sighs)

162
00:06:38,788 —> 00:06:40,121
Feel better?

163
00:06:40,123 —> 00:06:41,922
I do.

164
00:06:41,924 —> 00:06:44,342
(smoke detector beeping)

165
00:06:45,777 —> 00:06:46,927
Great.

166
00:06:46,929 —> 00:06:50,247

Neither one of us is
tall enough to reach that.

167
00:06:55,887 —> 00:06:58,639
I can't believe
he set it on fire.

168
00:06:58,641 —> 00:07:01,475
Yeah, just seeing that letter
really freaked him out.

169
00:07:01,477 —> 00:07:03,527
And he was already
having a tough day

170
00:07:03,529 —> 00:07:06,697
'cause he accidentally wore
my pants to work.

171
00:07:11,203 —> 00:07:12,870
I don't know why he was upset.

172
00:07:12,872 —> 00:07:15,272

They were bigger on him than me.

173

00:07:17,542 —> 00:07:19,193

Boy, I'm really curious

what's in that letter.

174

00:07:19,195 —> 00:07:21,579

Me, too, but I guess

now we'll never know.

175

00:07:21,581 —> 00:07:22,913

Well, you said Sheldon read it.

176

00:07:22,915 —> 00:07:24,048

Why not ask him?

177

00:07:24,050 —> 00:07:25,082

I can't do that.

178

00:07:25,084 —> 00:07:26,550

What kind of wife would I be

179

00:07:26,552 —> 00:07:28,252
if I didn't respect
my husband's privacy?

180
00:07:28,254 —> 00:07:29,286
What if I ask Sheldon,

181
00:07:29,288 —> 00:07:30,755
you just happen to be
in the room?

182
00:07:30,757 —> 00:07:32,640
That works.
Okay.

183
00:07:39,848 —> 00:07:41,465
(sighs)

184
00:07:53,612 —> 00:07:55,229
Blech.

185
00:07:57,315 —> 00:08:00,484
Like cleaning out the entire

building's belly button.

186

00:08:02,320 —> 00:08:04,505

Hey, Sheldon.

187

00:08:04,507 —> 00:08:06,624

Oh, hello.

What can I do for you ladies?

188

00:08:06,626 —> 00:08:08,793

You have

something we want.

189

00:08:08,795 —> 00:08:10,994

Oh, dear.

190

00:08:10,996 —> 00:08:12,346

My mother warned me

191

00:08:12,348 —> 00:08:15,766

this is what happens

to pretty boys in the big city.

192

00:08:15,768 —> 00:08:18,853

No, we just

want information.

193

00:08:18,855 —> 00:08:19,904

Oh.

194

00:08:19,906 —> 00:08:21,355

Oh, I've got that in spades.

195

00:08:21,357 —> 00:08:22,857

Ravage me.

196

00:08:24,142 —> 00:08:26,610

We heard you read the letter

from Howard's father.

197

00:08:26,612 —> 00:08:27,645

I did.

198

00:08:27,647 —> 00:08:28,579

What did it say?

199

00:08:28,581 —> 00:08:29,563

Yeah...

200

00:08:29,565 —> 00:08:31,148

I can't tell you that.

201

00:08:31,150 —> 00:08:35,185

I'm bound by closet organizer/

organizee confidentiality.

202

00:08:36,621 —> 00:08:38,522

Sheldon, that's

not a real thing.

203

00:08:38,524 —> 00:08:40,374

Well, neither is the rule

that you have to

204

00:08:40,376 —> 00:08:41,909

hold your girlfriend's hand

at the movies.

205

00:08:41,911 —> 00:08:43,360

You know.

206

00:08:43,362 —> 00:08:45,246

That doesn't stop you

from pawing at me

207

00:08:45,248 —> 00:08:48,165

like you're a bear and I'm

a trash can full of sweets.

208

00:08:50,201 —> 00:08:52,035

Why do you even care?

209

00:08:52,037 —> 00:08:53,337

Just tell us what it says.

210

00:08:53,339 —> 00:08:55,806

Control over the information

contained in that letter

211

00:08:55,808 —> 00:08:56,841

belongs to Howard.

212
00:08:56,843 —> 00:08:58,275
By happenstance,

213
00:08:58,277 —> 00:08:59,760
I came to know it.

214
00:08:59,762 —> 00:09:02,212
That doesn't give me the right
to disseminate it freely.

215
00:09:02,214 —> 00:09:04,398
Come on. Look, the letter was
found in Bernadette's closet.

216
00:09:04,400 —> 00:09:05,850
Doesn't that count
for something?

217
00:09:07,602 —> 00:09:09,687
Are you pointing out
that California

218

00:09:09,689 —> 00:09:11,155

is a community property state,

219

00:09:11,157 —> 00:09:13,440

and since Howard and Bernadette

are married,

220

00:09:13,442 —> 00:09:15,659

the intellectual property

contained in that letter

221

00:09:15,661 —> 00:09:17,695

is jointly owned

by the two spouses?

222

00:09:23,535 —> 00:09:26,036

Yeah, obviously.

223

00:09:26,038 —> 00:09:28,706

Well played.

224

00:09:30,375 —> 00:09:33,594
Sometimes I don't give you
enough credit, Penny.

225
00:09:34,763 —> 00:09:36,630
Dude, you made
the right choice

226
00:09:36,632 —> 00:09:38,499
coming to me for help
with this party.

227
00:09:38,501 —> 00:09:41,418
Actually, all I did
was invite you.

228
00:09:41,420 —> 00:09:44,388
Well, put your mind at ease.

229
00:09:44,390 —> 00:09:46,273
I'm here to make sure
your dinner party

230

00:09:46,275 —> 00:09:48,058
kicks Howard's
dinner party's ass.

231
00:09:48,060 —> 00:09:49,259
Now, the first thing

232
00:09:49,261 —> 00:09:51,228
we need is a theme.

233
00:09:51,230 —> 00:09:52,730
I'm thinking...

234
00:09:52,732 —> 00:09:55,232
ah, turn-of-the-century
Moulin Rouge.

235
00:09:56,985 —> 00:10:01,455
I'm thinking you need
a testosterone patch.

236
00:10:01,457 —> 00:10:03,090
Penny and I

237

00:10:03,092 —> 00:10:04,658

just want to do

something low-key.

238

00:10:04,660 —> 00:10:06,126

You know, cocktails,

239

00:10:06,128 —> 00:10:07,711

light jazz music,

hors d'oeuvres.

240

00:10:07,713 —> 00:10:11,031

So your theme is

"I saw a rerun of Mad Men

241

00:10:11,033 —> 00:10:14,401

and bought some crab puffs

from Trader Joe's"?

242

00:10:15,804 —> 00:10:17,638

Hate to miss that.

243

00:10:18,890 —> 00:10:20,758

Hey, where have you been?

244

00:10:20,760 —> 00:10:23,510

Oh, Leonard.

245

00:10:23,512 —> 00:10:25,596

If I was prone to sarcasm,

246

00:10:25,598 —> 00:10:27,765

I'd say I was pulling off

a major heist

247

00:10:27,767 —> 00:10:30,768

at the museum

of laundry baskets.

248

00:10:30,770 —> 00:10:33,520

One, two, three, four, five,

249

00:10:33,522 —> 00:10:35,739

six, seven, eight, nine, ten.

250

00:10:35,741 —> 00:10:37,157

(exhales)

251

00:10:37,159 —> 00:10:40,244

I meant, "Golly, Sheldon,

you've been gone a long time."

252

00:10:40,246 —> 00:10:44,481

Oh. Yeah, well, I was waylaid

by Penny, Bernadette and Amy.

253

00:10:44,483 —> 00:10:46,617

They made me reveal

confidential information

254

00:10:46,619 —> 00:10:48,151

about Howard's father.

255

00:10:48,153 —> 00:10:49,319

What information?

256

00:10:49,321 —> 00:10:51,205
I can't tell you that.

257
00:10:51,207 —> 00:10:55,542
I am bound by closet organizer/
organizee confidentiality.

258
00:10:55,544 —> 00:10:57,878
Well, come on,
we won't tell anyone.

259
00:10:57,880 —> 00:10:59,329
Sorry, badgering me won't work.

260
00:10:59,331 —> 00:11:00,831
What you should have said is,

261
00:11:00,833 —> 00:11:02,299
"It's pointless
to keep this a secret

262
00:11:02,301 —> 00:11:03,517
because Penny will tell us."

263

00:11:03,519 —> 00:11:07,021

Fine, then that.

All right, I'll tell you.

264

00:11:07,023 —> 00:11:10,524

My goodness,

everyone's on their game today.

265

00:11:18,389 —> 00:11:20,440

(Latin jazz music playing)

This is really fun.

266

00:11:20,442 —> 00:11:22,892

Yeah, it's nice to get

dressed up once in a while.

267

00:11:22,894 —> 00:11:24,578

Yeah, and hors d'oeuvres

are delightful.

268

00:11:24,580 —> 00:11:26,780

As is the company.

Aw.

269
00:11:26,782 —> 00:11:29,616
My shirt is itchy
and I wish I were dead.

270
00:11:31,969 —> 00:11:34,004
Hey, uh, listen,
everybody.

271
00:11:34,006 —> 00:11:35,622
Before Howard gets here,
let's all just agree

272
00:11:35,624 —> 00:11:37,457
to not bring up the letter
from his father.

273
00:11:37,459 —> 00:11:38,675
Of course.
Sure. Absolutely.

274
00:11:38,677 —> 00:11:40,126

If I say yes,

275
00:11:40,128 —> 00:11:42,879
can we turn off
that Latin orgy music?

276
00:11:43,764 —> 00:11:45,632
Ridiculous that we
still have to walk

277
00:11:45,634 —> 00:11:47,551
up all these
flights of stairs.

278
00:11:47,553 —> 00:11:50,187
Yeah, try doing it
in heels.

279
00:11:50,189 —> 00:11:52,889
I am.
(chuckles)

280
00:11:53,757 —> 00:11:55,809

Wait.

281

00:11:55,811 —> 00:11:57,427

There's something

I have to tell you.

282

00:11:57,429 —> 00:11:58,528

What?

283

00:11:58,530 —> 00:12:01,281

I know what was

in your dad's letter.

284

00:12:05,269 —> 00:12:07,654

Sheldon, I swear to God,

I'm gonna kill you!

285

00:12:07,656 —> 00:12:09,523

Hey!

286

00:12:11,242 —> 00:12:12,659

I made him tell us.

287

00:12:12,661 —> 00:12:13,910

What? "Us"?

288

00:12:13,912 —> 00:12:15,245

Who else knows?

289

00:12:15,247 —> 00:12:16,546

I know.

Me, too.

290

00:12:16,548 —> 00:12:17,747

Same here.

291

00:12:17,749 —> 00:12:20,083

Shame on all of you.

292

00:12:20,085 —> 00:12:22,135

You know, too.

293

00:12:22,137 —> 00:12:25,088

Couldn't leave him

with one friend, could you?

294

00:12:25,806 —> 00:12:27,057

So everybody knows

295

00:12:27,059 —> 00:12:28,758

what's in that letter

except for me?

296

00:12:28,760 —> 00:12:30,010

Yes, it's six

against one.

297

00:12:30,012 —> 00:12:32,062

Stand down, sir.

298

00:12:32,064 —> 00:12:34,564

How could you do this?

299

00:12:34,566 —> 00:12:36,016

I'm sorry.

300

00:12:36,018 —> 00:12:37,967

If you want, we

could tell you.

301

00:12:37,969 —> 00:12:40,020

No, I don't

want to know!

302

00:12:40,022 —> 00:12:41,688

I mean,

303

00:12:41,690 —> 00:12:43,240

I do, but...

304

00:12:43,242 —> 00:12:44,941

I got to go.

305

00:12:49,146 —> 00:12:52,749

Used me as a human shield?

306

00:12:52,751 —> 00:12:54,584

I panicked.

307

00:12:54,586 —> 00:12:56,786

He looked taller than usual.

308

00:13:00,775 —> 00:13:02,492

BERNADETTE:

Howard?

309

00:13:02,494 —> 00:13:04,661

In here.

310

00:13:06,514 —> 00:13:07,881

I'm sorry.

311

00:13:07,883 —> 00:13:09,849

I should have left it alone.

312

00:13:09,851 —> 00:13:11,468

It's okay.

313

00:13:11,470 —> 00:13:13,386

Sorry I ran off like that.

314

00:13:13,388 —> 00:13:16,539
What are you looking at?

315
00:13:16,541 —> 00:13:19,109
Uh, pictures of my dad and me
when I was a kid.

316
00:13:19,111 —> 00:13:20,527
That's nice.
I got to tell you,

317
00:13:20,529 —> 00:13:23,563
as angry as I am
at Sheldon for blabbing,

318
00:13:23,565 —> 00:13:26,983
he did a hell of a job
organizing this closet.

319
00:13:26,985 —> 00:13:29,536
Look at this.

320
00:13:29,538 —> 00:13:33,540

"Photos of Wolowitz family
before father left forever."

321
00:13:36,544 —> 00:13:40,547
Check out nine-year-old Howie
with cornrows.

322
00:13:42,416 —> 00:13:46,820
Neither race was happy
to see me with those.

323
00:13:49,056 —> 00:13:50,473
Think you could take a break?

324
00:13:50,475 —> 00:13:51,474
Why?

325
00:13:51,476 —> 00:13:52,976
Got a little surprise for you.

326
00:13:52,978 —> 00:13:54,544
Come on.

327

00:13:54,546 —> 00:13:57,480

Oh, honey...

328

00:13:57,482 —> 00:14:00,049

I am in no mood

to have sex tonight.

329

00:14:02,820 —> 00:14:04,337

I'll lay there

if you absolutely

330

00:14:04,339 —> 00:14:07,023

have to have it, but... Oh.

331

00:14:07,842 —> 00:14:10,360

What are you guys doing here?

332

00:14:10,362 —> 00:14:12,195

When you left,

you weren't sure whether or not

333

00:14:12,197 —> 00:14:14,080

you wanted to know
what was in your dad's letter,

334
00:14:14,082 —> 00:14:16,833
so we came up with
kind of a cool solution.

335
00:14:16,835 —> 00:14:18,618
Oh, yeah, what's that?

of slavery in America.

238
00:10:01,513 —> 00:10:04,014
Fun for the whole family.

239
00:10:05,967 —> 00:10:08,652
Why would you think
this is an appropriate gift?

240
00:10:08,654 —> 00:10:10,988
Um...

241

00:10:10,990 —> 00:10:13,273

Well...

242

00:10:15,910 —> 00:10:18,111

You are black, right?

243

00:10:20,114 —> 00:10:22,516

This meeting has come to an end.

244

00:10:22,518 —> 00:10:24,818

Because you want to start

watching it right now.

245

00:10:24,820 —> 00:10:26,370

Copy that.

246

00:10:27,221 —> 00:10:29,589

Let's see.

247

00:10:29,591 —> 00:10:33,043

Up next

on the tenure committee is...

248

00:10:33,045 —> 00:10:35,145

Professor Wu.

249

00:10:35,147 —> 00:10:38,765

Well, get ready for the complete

works of Jackie Chan.

250

00:10:48,437 —> 00:10:50,438

Gentlemen.

251

00:10:50,440 —> 00:10:51,956

Where have

you been?

252

00:10:51,958 —> 00:10:54,092

Nurse's office.

253

00:10:55,244 —> 00:10:56,194

Asthma attack?

254

00:10:56,196 —> 00:10:58,112

Asthma, heart—

some kind of attack.

255

00:10:58,114 —> 00:10:59,748

I'm fine, though.

256

00:11:00,750 —> 00:11:01,949

You guys going

257

00:11:01,951 —> 00:11:03,117

to Professor Tupperman's

memorial?

258

00:11:03,119 —> 00:11:04,135

I don't know.

Probably not.

259

00:11:04,137 —> 00:11:05,220

Barely knew him.

260

00:11:05,222 —> 00:11:06,504

Yeah, you wouldn't want to look

261

00:11:06,506 —> 00:11:08,623

like you guys are brown-nosing

the tenure committee,

262

00:11:08,625 —> 00:11:10,124

who will all be there.

263

00:11:12,178 —> 00:11:15,313

Oh, yeah, that's what

I was hoping for— meerkats.

264

00:11:21,821 —> 00:11:25,356

I won't be able to make our

date night this Thursday, so...

265

00:11:25,358 —> 00:11:27,308

bad news for you.

266

00:11:28,194 —> 00:11:30,195

You better have a

good excuse this time,

267

00:11:30,197 —> 00:11:32,363
because "trimming Q-tips
to fit your ears right"

268
00:11:32,365 —> 00:11:34,148
is obvious nonsense.

269
00:11:35,000 —> 00:11:36,401
First of all,

270
00:11:36,403 —> 00:11:38,870
when you say things like that,
people think you're crazy.

271
00:11:38,872 —> 00:11:42,490
Second, the reason
I'm cancelling is because

272
00:11:42,492 —> 00:11:45,493
I have to attend a memorial
service for Professor Tupperman.

273
00:11:45,495 —> 00:11:47,829

It sounds like a long
and tedious evening.

274
00:11:47,831 —> 00:11:49,330
Eh, it will be.

275
00:11:49,332 —> 00:11:51,883
Honestly, if I must endure
a long and tedious evening,

276
00:11:51,885 —> 00:11:54,352
I'd rather it be
with you on date night.

277
00:11:54,354 —> 00:11:56,438
But I have no choice.

278
00:11:56,440 —> 00:11:58,940
The tenure committee's
going to be there.

279
00:11:58,942 —> 00:12:01,843
Oh! Well, in that case,

perhaps I should come along.

280
00:12:01,845 —> 00:12:04,679
Well, now that I think about it,
that would be most helpful.

281
00:12:04,681 —> 00:12:05,814
Of course it would.

282
00:12:05,816 —> 00:12:07,849
I'm well-versed in
academic politics,

283
00:12:07,851 —> 00:12:09,451
and as a respected scientist,

284
00:12:09,453 —> 00:12:11,870
I can only raise your
stock as a candidate.

285
00:12:11,872 —> 00:12:14,873
Actually, I meant
you could drive me.

286

00:12:16,992 —> 00:12:20,361

But if it makes you happy,

that other stuff, too.

287

00:12:22,832 —> 00:12:25,133

Do anything

interesting today?

288

00:12:25,135 —> 00:12:27,135

Oh, not really.

289

00:12:27,137 —> 00:12:28,553

I was out shopping with Amy.

290

00:12:28,555 —> 00:12:30,605

She wanted me

to help her find something

291

00:12:30,607 —> 00:12:31,706

for this memorial thing.

292

00:12:31,708 —> 00:12:33,174
Wait—
Sheldon's going to be there?

293
00:12:33,176 —> 00:12:35,209
We all promised
we weren't going to go.

294
00:12:35,211 —> 00:12:36,711
Oh, what a jerk.

295
00:12:36,713 —> 00:12:37,829
I know.

296
00:12:37,831 —> 00:12:39,931
I was hoping to go
without anyone finding out.

297
00:12:41,484 —> 00:12:43,234
Well, since Amy's going,
do you want me there?

298
00:12:43,236 —> 00:12:44,402

You know, to support you?

299
00:12:44,404 —> 00:12:45,687
Oh...

300
00:12:45,689 —> 00:12:47,238
that's nice,
but it-it's just gonna be

301
00:12:47,240 —> 00:12:48,890
a room full of boring old men

302
00:12:48,892 —> 00:12:50,692
and I'm not sure
how much help you'd be.

303
00:12:50,694 —> 00:12:52,226
Okay.

304
00:12:52,228 —> 00:12:54,529
I'm just gonna tie my shoe
while you think about that.

305

00:12:54,531 —> 00:12:56,731

(clears her throat)

306

00:13:02,004 —> 00:13:03,499

Oh, yeah. No.

Thanks, that would

307

00:13:03,500 —> 00:13:05,499

be great help.

308

00:13:06,584 —> 00:13:07,951

You realize

you might kill some of them.

309

00:13:07,953 —> 00:13:10,421

Oh, then you all can get tenure.

310

00:13:13,208 —> 00:13:14,658

Come on, Daddy.

311

00:13:14,660 —> 00:13:18,829

All the other scientists

have seat warmers.

312
00:13:18,831 —> 00:13:20,848
This is so humiliating.

313
00:13:20,850 —> 00:13:23,634
I've got to get tenure.

314
00:13:23,636 —> 00:13:25,335
Okay, I-let's meet halfway.

315
00:13:25,337 —> 00:13:28,505
How about I cut my cleaning
lady down to twice a week?

316
00:13:29,566 —> 00:13:33,568
Looks like we're both going
to be living like animals.

317
00:13:36,071 —> 00:13:38,524
Let's go over our emotional
responses one last time.

318

00:13:38,525 —> 00:13:39,957

Okay.

319

00:13:39,959 —> 00:13:43,527

Professor Tupperman is dead,

and that makes us...?

320

00:13:43,529 —> 00:13:45,996

Sad.

321

00:13:45,998 —> 00:13:48,082

The fact that there

are so many people

322

00:13:48,084 —> 00:13:49,249

here tonight doesn't make us

323

00:13:49,251 —> 00:13:50,718

cranky and claustrophobic.

324

00:13:50,720 —> 00:13:51,702

It makes us...?

325

00:13:51,704 —> 00:13:54,054

Glad.

326

00:13:54,056 —> 00:13:57,474

Giving Mrs. Davis the box set

of Roots was...?

327

00:13:57,476 —> 00:13:59,710

Bad.

328

00:13:59,712 —> 00:14:01,712

However...

No.

329

00:14:01,714 —> 00:14:03,314

Fine. Bad.

330

00:14:04,182 —> 00:14:06,517

Unbelievable.

331

00:14:06,519 —> 00:14:08,268

You have some nerve
showing up here

332
00:14:08,270 —> 00:14:10,104
just to schmooze
with the tenure committee.

333
00:14:10,106 —> 00:14:11,188
You're here.

334
00:14:11,190 —> 00:14:12,606
Excuse me.

335
00:14:12,608 —> 00:14:14,775
I'm here to pay my respects
to Professor... Tupperware,

336
00:14:14,777 —> 00:14:16,110
or whatever his name is.

337
00:14:16,112 —> 00:14:17,328
So am I.

338

00:14:17,330 —> 00:14:20,164

His passing makes

me feel... bad.

339

00:14:23,451 —> 00:14:26,670

Well, well, well, Sheldon,

fancy meeting you here.

340

00:14:26,672 —> 00:14:28,539

I guess the train store

in Glendale

341

00:14:28,541 —> 00:14:30,624

wasn't having a cotillion

after all.

342

00:14:31,793 —> 00:14:34,328

And you— you said

you weren't coming here, either.

343

00:14:34,330 —> 00:14:38,098

I have a thick accent.

You don't know what I said.

344

00:14:38,100 —> 00:14:40,134

I'd like to know

why Penny's here.

345

00:14:40,136 —> 00:14:42,919

I'm here to support

my man, just like you.

346

00:14:42,921 —> 00:14:44,471

What are you going to do?

347

00:14:44,473 —> 00:14:47,191

Take people's drink orders

and get them wrong?

348

00:14:48,043 —> 00:14:50,227

Do it.

349

00:15:04,108 —> 00:15:06,610

What? Did she do it yet?

350

00:15:09,113 —> 00:15:11,832
She plans on flirting with
members of the tenure committee

351
00:15:11,834 —> 00:15:13,884
to further
Leonard's cause.

352
00:15:13,886 —> 00:15:16,303
Well, that's a fine
how-do-you-do.

353
00:15:16,305 —> 00:15:18,672
Don't just stand there.
Take your breasts out.

354
00:15:22,143 —> 00:15:24,762
Ooh, meerkat fight!

355
00:15:24,764 —> 00:15:25,979
(laughs)

356
00:15:25,981 —> 00:15:27,731

You're all
wasting your time.

357
00:15:27,733 —> 00:15:29,933
Sheldon is the most
qualified for the job,

358
00:15:29,935 —> 00:15:33,687
and no amount of gravity-defying
bosom's going to change that.

359
00:15:34,989 —> 00:15:36,306
Seriously, is that tape?

360
00:15:36,308 —> 00:15:38,442
Like, how are they
staying up like that?

361
00:15:38,444 —> 00:15:40,444
Way to hit 'em
with both barrels.

362
00:15:40,446 —> 00:15:42,196

(clicks her tongue)

363
00:15:43,615 —> 00:15:45,949
You two should be
ashamed of yourselves.

364
00:15:45,951 —> 00:15:48,502
Using women to advance
your cause with sexuality,

365
00:15:48,504 —> 00:15:50,671
and whatever Amy plans on doing.

366
00:15:52,156 —> 00:15:53,064
Are you implying

367
00:15:53,065 —> 00:15:55,599
that my girlfriend has
no sexuality to exploit?

368
00:15:55,647 —> 00:15:56,401
Yes!

369

00:15:56,426 —> 00:15:58,129

Okay, because

that was not clear.

370

00:15:58,130 —> 00:15:59,296

Sheldon!

371

00:16:01,850 —> 00:16:03,383

What?

372

00:16:03,385 —> 00:16:04,852

That was ambiguous.

373

00:16:04,854 —> 00:16:07,554

Well, now it's biguous.

What are you gonna do about it?

374

00:16:07,556 —> 00:16:08,639

Um...

375

00:16:08,641 —> 00:16:09,940

You could talk some smack

about his mother.

376
00:16:09,942 —> 00:16:11,859
Well, yes, of course,
he wouldn't like that at all.

377
00:16:11,861 —> 00:16:14,144
Last night,

378
00:16:14,146 —> 00:16:16,313
I was feeling in need
of sexual release

379
00:16:16,315 —> 00:16:18,849
when I happened
to come across your mother.

380
00:16:20,318 —> 00:16:22,536
LEONARD:
Okay, okay.

381
00:16:22,538 —> 00:16:24,037
Guys, what are we doing here?

382

00:16:24,039 —> 00:16:25,205

I don't know what you're doing,

383

00:16:25,207 —> 00:16:26,657

but I was about to insinuate

384

00:16:26,659 —> 00:16:30,127

that I had coitus

with Raj's mother for a dollar.

385

00:16:31,463 —> 00:16:32,963

Oh, you do

what you want,

386

00:16:32,965 —> 00:16:35,382

but I don't want to lose

my friends over tenure.

387

00:16:35,384 —> 00:16:36,500

Friends are forever.

388

00:16:36,502 —> 00:16:37,668

(coughing):

So is tenure.

389

00:16:37,670 —> 00:16:39,269

Walk!

390

00:16:40,505 —> 00:16:44,224

I'm just gonna go home and

let my work speak for itself.

391

00:16:44,226 —> 00:16:46,477

You're right.

This is beneath me.

392

00:16:46,479 —> 00:16:49,513

Like your mother was last night.

393

00:16:50,715 —> 00:16:52,683

How about it, Sheldon?

394

00:16:52,685 —> 00:16:56,219

What do you think

I should do?

395
00:16:56,221 —> 00:16:59,323
Well, you'll always be
an academic success,

396
00:16:59,325 —> 00:17:00,724
but...

397
00:17:00,726 —> 00:17:02,025
I seriously question

398
00:17:02,027 —> 00:17:04,227
whether you'll make
any more friends.

399
00:17:06,564 —> 00:17:08,832
I don't want any more,
but let's go.

400
00:17:10,285 —> 00:17:12,920
Are you kidding? I would
"wove" to baby-sit for you.

401

00:17:12,922 —> 00:17:15,172

DAVIS: I could not ask

you to do that.

402

00:17:15,174 —> 00:17:16,573

Nonsense.

Children "wove" me.

403

00:17:16,575 —> 00:17:19,676

Something about me just makes

them "waugh" and "waugh."

404

00:17:26,885 —> 00:17:29,520

No. We cannot lose

to that jerk.

405

00:17:29,522 —> 00:17:31,555

Yeah, screw it.

406

00:17:31,557 —> 00:17:32,773

I'm going in.

407

00:17:32,775 —> 00:17:34,257

You... Wait. Hold on.

408

00:17:34,259 —> 00:17:36,193

I believe "Screw it,

I'm going in" is what

409

00:17:36,195 —> 00:17:37,978

I said to your

mother last night.

410

00:17:40,198 —> 00:17:42,950

Don't worry, I didn't

really say that.

411

come to your house?

70

00:02:45,892 —> 00:02:47,892

As Professor Proton

always says,

71

00:02:47,894 —> 00:02:50,144

"There is no problem

you can't solve

72

00:02:50,146 —> 00:02:51,813

if you use your noggin."

73

00:02:51,815 —> 00:02:54,181

And he wrote him a check.

Yeah, that, too. Big check.

74

00:02:57,453 —> 00:02:59,787

(singsong):

Uncle Howard!

75

00:03:03,859 —> 00:03:06,527

Cinnamon's here

for her sleepover party!

76

00:03:09,131 —> 00:03:12,266

You know if you had a stroke,

she'd eat you, right?

77

00:03:12,268 —> 00:03:16,004

And it would be my pleasure

to be her num-num.

78

00:03:18,640 —> 00:03:21,726

Okay, so what do I need to know

to take care of her?

79

00:03:21,728 —> 00:03:23,177

It's very simple.

80

00:03:23,179 —> 00:03:25,680

For breakfast, she has

an egg-white frittata.

81

00:03:25,682 —> 00:03:27,148

Feel free

to give her a choice

82

00:03:27,150 —> 00:03:29,383

of home fries or

an English muffin, but not both.

83

00:03:29,385 —> 00:03:31,552

We're watching our weight.

84

00:03:31,554 —> 00:03:33,271

Uh, for dinner,

something simple—

85

00:03:33,273 —> 00:03:36,691

a veal chop, some scampi,

whatever you like.

86

00:03:37,776 —> 00:03:39,527

Classy dog.

Yes.

87

00:03:39,529 —> 00:03:41,496

Also, don't forget

to close the toilet

88

00:03:41,498 —> 00:03:43,114

or she'll drink out of it.

89

00:03:43,116 —> 00:03:45,066

I feel for ya.

(chuckles)

90

00:03:45,068 —> 00:03:49,003

I've got a psychotic mommy, too.

91

00:03:54,043 —> 00:03:56,711

SHELDON:

Leonard, are you in bed?

92

00:03:58,213 —> 00:04:00,314

Yes.

93

00:04:00,316 —> 00:04:03,401

Me, too.

94

00:04:03,403 —> 00:04:05,720

Great.

95

00:04:05,722 —> 00:04:06,921

I can't sleep.

96

00:04:06,923 —> 00:04:08,106

(sighs)

97

00:04:08,108 —> 00:04:10,925

Well, I can, so shut up.

98

00:04:10,927 —> 00:04:14,378

Do you realize that

in less than nine hours,

99

00:04:14,380 —> 00:04:17,115

Arthur Jeffries,

aka Professor Proton,

100

00:04:17,117 —> 00:04:18,683

will be in our apartment?

101

00:04:18,685 —> 00:04:21,435

Sheldon, you know that
if you stay up all night,

102
00:04:21,437 —> 00:04:22,653
you're gonna be sleepy tomorrow.

103
00:04:22,655 —> 00:04:24,789
And a sleepy Sheldon
is a cranky Sheldon.

104
00:04:24,791 —> 00:04:26,157
And a cranky Sheldon...

105
00:04:26,159 —> 00:04:28,126
is actually no different than
a regular Sheldon.

106
00:04:28,128 —> 00:04:29,961
Good night!

107
00:04:33,549 —> 00:04:36,651
I'm thinking
of wearing a tuxedo.

108

00:04:36,653 —> 00:04:38,469

That's not ridiculous.

109

00:04:38,471 —> 00:04:40,922

Good night.

110

00:04:43,125 —> 00:04:46,144

Do you have cufflinks?

111

00:04:46,146 —> 00:04:47,311

No.

112

00:04:47,313 —> 00:04:49,464

Ah, just as well.

Where can you rent a tuxedo

113

00:04:49,466 —> 00:04:50,832

at 3:00 in the morning?

114

00:04:50,834 —> 00:04:53,317

Okay, good night.

115

00:04:56,121 —> 00:04:58,456

Nice to meet you,

Professor Proton.

116

00:04:59,958 —> 00:05:02,243

Nice to meet you,

Professor Proton.

117

00:05:03,028 —> 00:05:06,330

Nice to meet you,

Professor Proton.

118

00:05:07,199 —> 00:05:10,151

Nice to meet you,

Professor Proton.

119

00:05:10,153 —> 00:05:11,736

Nice to meet you, Prof...

120

00:05:11,738 —> 00:05:13,838

(slap)

Ow!

121

00:05:34,059 —> 00:05:37,345

Leonard?

122

00:05:37,347 —> 00:05:39,647

What?

123

00:05:39,649 —> 00:05:42,183

I still can't sleep.

124

00:05:44,403 —> 00:05:47,488

She really tuckered

herself out at the park, huh?

125

00:05:47,490 —> 00:05:49,357

Yeah, you two were so

cute playing together.

126

00:05:49,359 —> 00:05:51,409

It was kind of fun

throwing a ball

127

00:05:51,411 —> 00:05:54,712
and not having anyone
laugh at me.

128
00:05:54,714 —> 00:05:57,048
And you were sweet
not to throw it too far

129
00:05:57,050 —> 00:05:59,050
so she didn't wear out
her tiny legs.

130
00:05:59,052 —> 00:06:01,502
(chuckles):
Yeah, that's what I was doing.

131
00:06:02,921 —> 00:06:05,039
You know, there were
a few moments today

132
00:06:05,041 —> 00:06:07,308
when I almost felt like
we were a little family.

133

00:06:07,310 —> 00:06:08,809

Really?

Yeah.

134

00:06:08,811 —> 00:06:10,311

I never thought of

myself as a mom,

135

00:06:10,313 —> 00:06:12,313

but when the three of us

were out there having fun,

136

00:06:12,315 —> 00:06:14,098

I felt like maybe

someday we could do it.

137

00:06:14,100 —> 00:06:16,150

Of course we can.

138

00:06:17,636 —> 00:06:20,621

Especially if our baby's

as calm and quiet

139

00:06:20,623 —> 00:06:22,490

as little Cinna...

140

00:06:22,492 —> 00:06:24,792

Son of a bitch, she's gone!

141

00:06:24,794 —> 00:06:26,727

Where'd she go?!

142

00:06:26,729 —> 00:06:28,529

I don't know!

She didn't leave a note!

143

00:06:28,531 —> 00:06:30,164

You were the one

144

00:06:30,166 —> 00:06:32,566

who was supposed to put her

back in the stroller!

145

00:06:32,568 —> 00:06:33,751

No, I wasn't! You were!

146

00:06:33,753 —> 00:06:35,453

No, I wasn't!

Yes, you were!

147

00:06:35,455 —> 00:06:37,872

Yeah, well,

you throw like a girl!

148

00:06:45,080 —> 00:06:47,465

I'm getting worried.

149

00:06:47,467 —> 00:06:50,785

Relax, Sheldon, he's only

a few minutes late.

150

00:06:50,787 —> 00:06:53,688

Professor Proton was never late

when he was on TV.

151

00:06:53,690 —> 00:06:56,257

You know, every day, 4:00,

he was there.

152

00:06:57,759 —> 00:06:59,360

Unless tornadoes

were ripping apart East Texas,

153

00:06:59,362 —> 00:07:01,445

in which case,

we'd join him in progress.

154

00:07:02,564 —> 00:07:05,432

(cell phone ringing)

155

00:07:05,434 —> 00:07:07,618

It's him.

156

00:07:09,871 —> 00:07:12,573

Hello.

157

00:07:12,575 —> 00:07:14,158

Well, I see.

158

00:07:14,160 —> 00:07:15,960

Yes.

159

00:07:15,962 —> 00:07:18,779

All right, we can come get you.

160

00:07:18,781 —> 00:07:20,614

Yeah, well, see you soon.

161

00:07:20,616 —> 00:07:22,616

Bye.

Where is he?

162

00:07:22,618 —> 00:07:24,085

The third floor landing.

163

00:07:24,087 —> 00:07:27,255

The poor old guy's been walking

up the stairs for half an hour.

164

00:07:31,009 —> 00:07:32,643

It's really you.

165

00:07:37,399 —> 00:07:39,483
Mr. Jeffries, I am so sorry.

166
00:07:39,485 —> 00:07:41,819
We should've told you
about the broken elevator.

167
00:07:41,821 —> 00:07:43,738
I agree.

168
00:07:45,424 —> 00:07:49,160
Professor Proton,
it's an honor to meet you.

169
00:07:49,162 —> 00:07:51,145
Just-just call me Arthur.

170
00:07:51,147 —> 00:07:53,331
Leonard...

171
00:07:55,117 —> 00:07:56,367
...you hear that?

172

00:07:56,369 —> 00:07:57,568

Professor Proton said

173

00:07:57,570 —> 00:07:59,503

I should call him Arthur.

174

00:07:59,505 —> 00:08:01,505

That means we're friends.

175

00:08:01,507 —> 00:08:03,007

No.

176

00:08:03,009 —> 00:08:07,161

A friend would've-would've

told me about the elevator.

177

00:08:09,364 —> 00:08:11,432

Look at me.

178

00:08:13,168 —> 00:08:15,553

I can get as close

to you as I want

179

00:08:15,555 —> 00:08:18,306

without my mom saying

it's going to ruin my eyes.

180

00:08:21,777 —> 00:08:24,478

Is, uh, is he dangerous?

181

00:08:26,064 —> 00:08:28,399

Actually,

he's a genius.

182

00:08:28,401 —> 00:08:30,951

I am.

183

00:08:30,953 —> 00:08:34,688

Th-That doesn't answer

my question.

184

00:08:34,690 —> 00:08:37,291

Mr. Jeffries,

I'm-I'm Leonard.

185

00:08:37,293 —> 00:08:39,126

This is my

girlfriend, Penny.

186

00:08:39,128 —> 00:08:40,194

Hi.

187

00:08:40,196 —> 00:08:43,297

Hello.

188

00:08:44,383 —> 00:08:46,533

Well, I hope I haven't kept

189

00:08:46,535 —> 00:08:49,720

the kids waiting too long

for-for the show.

190

00:08:49,722 —> 00:08:51,505

Oh, no,

there are no kids.

191

00:08:51,507 —> 00:08:53,174

No, the-the show's for me.

192

00:08:54,542 —> 00:08:57,595

Come on. I'll race ya...

193

00:08:57,597 —> 00:08:58,979

Arthur.

194

00:09:02,734 —> 00:09:06,387

Is the, is the blonde girl

really your-your girlfriend?

195

00:09:06,389 —> 00:09:07,688

Yes, sir.

196

00:09:07,690 —> 00:09:10,074

You're the genius.

197

00:09:29,532 —> 00:09:32,067

So, do you do a lot

of appearances like this?

198

00:09:32,069 —> 00:09:33,835
It-It's hard to say.

199
00:09:33,837 —> 00:09:37,072
I'm-I'm still trying
to figure out what...

200
00:09:37,074 —> 00:09:40,425
what-what this is.

201
00:09:41,677 —> 00:09:43,678
We just wanted
to hang out with you

202
00:09:43,680 —> 00:09:45,764
and maybe learn
a little about your life.

203
00:09:45,766 —> 00:09:49,584
Well, there-there really isn't
too much to tell.

204
00:09:49,586 —> 00:09:52,521

After the TV show
was-was canceled,

205
00:09:52,523 —> 00:09:54,139
nobody in the scientific world

206
00:09:54,141 —> 00:09:56,525
would, uh, would take me
seriously.

207
00:09:56,527 —> 00:09:57,542
So I was forced

208
00:09:57,544 —> 00:10:00,779
to do these, uh,
children's parties

209
00:10:00,781 —> 00:10:03,448
to-to make a living.

210
00:10:03,450 —> 00:10:04,900
That's too bad.

211

00:10:04,902 —> 00:10:08,103

But still, working with kids—

it must be rewarding.

212

00:10:08,105 —> 00:10:11,156

You-you get bit a lot.

213

00:10:12,358 —> 00:10:15,276

Let me see

if-if I have this straight.

214

00:10:15,995 —> 00:10:18,463

You-you two are-are physicists,

215

00:10:18,465 —> 00:10:22,100

and-and you,

and you want me

216

00:10:22,102 —> 00:10:26,188

to do a children's...

science show?

217

00:10:26,190 —> 00:10:28,557
Yes.

218
00:10:29,542 —> 00:10:30,959
And if there's time,

219
00:10:30,961 —> 00:10:33,728
take 12 pictures with us
in seasonal clothing.

220
00:10:39,902 —> 00:10:41,336
You know,

221
00:10:41,338 —> 00:10:42,687
I'm a real scientist.

222
00:10:42,689 —> 00:10:46,408
I-I have a PhD
from Cornell University.

223
00:10:46,410 —> 00:10:47,409
Yeah, that's great.

224

00:10:47,411 —> 00:10:48,860

Did you bring

your puppet?

225

00:10:49,729 —> 00:10:53,231

No, no.

226

00:10:53,233 —> 00:10:56,701

I-I hate that puppet.

227

00:10:56,703 —> 00:10:59,004

Oh, no.

228

00:10:59,006 —> 00:11:01,323

How could anybody hate

229

00:11:01,325 —> 00:11:04,092

Gino the Neutrino?

230

00:11:04,094 —> 00:11:05,760

It's nice, huh?

231

00:11:05,762 —> 00:11:07,679

I got him for

20 bucks on eBay.

232

00:11:07,681 —> 00:11:10,331

(Italian accent):

Including a-shipping!

233

00:11:12,268 —> 00:11:15,437

I'm... I'm

awake, right?

234

00:11:18,691 —> 00:11:21,443

Th-This is happening?

235

00:11:24,280 —> 00:11:25,647

Cinnamon!

236

00:11:25,649 —> 00:11:27,182

Cinnamon!

237

00:11:27,184 —> 00:11:29,201

You know, maybe she doesn't
recognize her name

238
00:11:29,203 —> 00:11:31,820
because of Raj's accent.

239
00:11:31,822 —> 00:11:33,188
Good thinking.

240
00:11:33,190 —> 00:11:36,658
(Indian accent):
Cinnamon, come to Daddy!

241
00:11:37,793 —> 00:11:39,211
(Indian accent):
Cinnamon!

242
00:11:39,213 —> 00:11:41,663
Where are you,
my little lamb chop?

243
00:11:42,531 —> 00:11:43,582
Nice.

244

00:11:43,584 —> 00:11:45,217

(chuckles)

Thanks.

245

the lady who cuts my hair

143
00:05:40,577 —> 00:05:42,460
that I don't like bangs.

144
00:05:42,462 —> 00:05:44,913
I like your bangs.

145
00:05:44,915 —> 00:05:46,715
Oh, thanks, I
like 'em, too.

146
00:05:55,641 —> 00:05:56,841
What else?

147
00:05:56,843 —> 00:05:58,176
Mm...

148

00:05:58,178 —> 00:06:00,061

it's kind of a tie

between sending food back

149

00:06:00,063 —> 00:06:01,980

in a restaurant and

saying no to those kids

150

00:06:01,982 —> 00:06:03,464

who sell magazines

door-to-door.

151

00:06:03,466 —> 00:06:04,683

Mm, yeah.

152

00:06:04,685 —> 00:06:06,601

Those are both toughies.

I know.

153

00:06:06,603 —> 00:06:08,937

I have a two-year

subscription to Guns & Ammo.

154

00:06:12,008 —> 00:06:14,642

I push my shoulder

against the secret door

155

00:06:14,644 —> 00:06:16,194

to see if it gives way.

156

00:06:16,196 —> 00:06:17,312

Uh...

157

00:06:17,314 —> 00:06:18,446

it does.

158

00:06:18,448 —> 00:06:21,249

(makes creaking door sound)

159

00:06:21,251 —> 00:06:23,918

He does sound

effects, too!

160

00:06:25,037 —> 00:06:27,372

Hey, I always did sound effects.

161

00:06:27,374 —> 00:06:30,675

A-A swarm of bloodthirsty bats

fly through the dungeon.

162

00:06:30,677 —> 00:06:32,827

(makes flapping sound)

163

00:06:34,096 —> 00:06:36,765

Uh, uh, they attack

a nearby unicorn.

164

00:06:36,767 —> 00:06:38,833

(moaning)

165

00:06:38,835 —> 00:06:41,002

(makes flapping sound)

166

00:06:42,855 —> 00:06:45,707

Okay, well, I have a sound

effect for those sound effects.

167

00:06:45,709 —> 00:06:46,858
(blows raspberries)

168
00:06:48,811 —> 00:06:50,979
Guess who!

169
00:06:50,981 —> 00:06:52,280
What are you doing back?

170
00:06:52,282 —> 00:06:55,516
That's an excellent
question. Amy?

171
00:06:55,518 —> 00:06:57,986
Uh, well...

172
00:06:57,988 —> 00:06:59,788
when we were going
through security,

173
00:06:59,790 —> 00:07:02,207
I got pulled
out of line for a pat-down.

174

00:07:02,209 —> 00:07:03,425

The, uh,

175

00:07:03,427 —> 00:07:05,794

TSA agent got

a little handsy...

176

00:07:06,612 —> 00:07:08,129

I may have broken

177

00:07:08,131 —> 00:07:09,864

her nose with my elbow.

178

00:07:11,200 —> 00:07:13,051

Long story short,

she's on the No Fly List

179

00:07:13,053 —> 00:07:16,054

and we might have been

followed here by a drone.

180

00:07:16,056 —> 00:07:17,889
I'm sorry.

181
00:07:17,891 —> 00:07:19,841
I feel like such an idiot.

182
00:07:19,843 —> 00:07:20,875
Oh, it's not so bad.

183
00:07:20,877 —> 00:07:22,310
You lost money, you're
filled with shame

184
00:07:22,312 —> 00:07:23,845
and you got groped
by a stranger.

185
00:07:23,847 —> 00:07:26,314
I mean, that's Vegas,
you nailed it.

186
00:07:26,316 —> 00:07:28,566
You guys enjoy your evening.

187

00:07:28,568 —> 00:07:30,902

I'm gonna go before I ruin

anybody else's weekend.

188

00:07:30,904 —> 00:07:33,388

That's my girl.

189

00:07:33,390 —> 00:07:35,273

LEONARD:

No, no.

190

00:07:35,275 —> 00:07:37,275

Amy, wait. Uh, uh,

I know it's not

191

00:07:37,277 —> 00:07:38,443

the night you had in mind,

192

00:07:38,445 —> 00:07:40,195

but why don't you guys stay

and play with us?

193

00:07:40,197 —> 00:07:41,162

It'll be fun.

194

00:07:41,164 —> 00:07:42,364

It would— fun?

195

00:07:42,366 —> 00:07:43,615

Yeah, okay,

three weeks ago,

196

00:07:43,617 —> 00:07:44,783

you bought crunchy

peanut butter,

197

00:07:44,785 —> 00:07:47,035

but now you want the

girls to play D & D—

198

00:07:47,037 —> 00:07:48,970

do you have a

drug problem?

199

00:07:48,972 —> 00:07:50,588
What's the big deal?

200
00:07:50,590 —> 00:07:53,174
Raj bailed, so we could
use some extra players.

201
00:07:53,176 —> 00:07:54,909
Well, I've just never
played Dungeons & Dragons

202
00:07:54,911 —> 00:07:56,911
with girls before.

203
00:07:56,913 —> 00:07:57,879
Oh, don't worry, sweetie.

204
00:07:57,881 —> 00:08:00,031
No one has.

205
00:08:01,784 —> 00:08:03,885
So, what do you say?

206

00:08:05,554 —> 00:08:07,889

I'll leave it up to

the dungeon master.

207

00:08:07,891 —> 00:08:09,107

(chuckles)

208

00:08:09,109 —> 00:08:12,277

Yeah, a... satanic fungus

209

00:08:12,279 —> 00:08:15,280

that looks suspiciously

like Al Pacino

210

00:08:15,282 —> 00:08:18,867

rises from the forest floor

and says,

211

00:08:18,869 —> 00:08:21,236

(imitating Al Pacino):

"You're playing D & D.

212

00:08:21,238 —> 00:08:23,321
"You're playing
D & D.

213
00:08:23,323 —> 00:08:26,241
"This whole apartment...

214
00:08:27,426 —> 00:08:30,128
...is playing D & D."

215
00:08:41,090 —> 00:08:42,957
Okay, who wants a drink?

216
00:08:42,959 —> 00:08:46,260
Yeah, we— now, Penny,
we don't consume alcohol

217
00:08:46,262 —> 00:08:47,795
during Dungeons & Dragons.

218
00:08:47,797 —> 00:08:50,547
It impairs our judgment.

219

00:08:50,549 —> 00:08:52,433

Oh, this isn't alcohol.

220

00:08:52,435 —> 00:08:55,519

It's a magic potion

that makes me like you.

221

00:08:58,473 —> 00:09:01,358

Double potion, please.

222

00:09:01,360 —> 00:09:02,443

Okay, here we go.

223

00:09:02,445 —> 00:09:03,944

You find yourselves

224

00:09:03,946 —> 00:09:08,115

face-to-face

with two hulking ogres.

225

00:09:08,117 —> 00:09:10,150

(deep voice):

"What are you doing

226

00:09:10,152 —> 00:09:11,902

"in our dungeon?

227

00:09:13,855 —> 00:09:16,924

You shall die!"

228

00:09:16,926 —> 00:09:19,126

Okay, literal

goose bumps.

229

00:09:19,128 —> 00:09:21,295

Look.

230

00:09:21,297 —> 00:09:22,746

What do you do?

231

00:09:22,748 —> 00:09:24,197

I draw my broadsword.

232

00:09:24,199 —> 00:09:25,365

I ready my

quarter-staff.

233

00:09:25,367 —> 00:09:28,201

I drink my potion.

234

00:09:29,838 —> 00:09:31,872

I say we attack the big one.

PENNY: You know what?

235

00:09:31,874 —> 00:09:33,090

Give me the dice,

I want to roll.

236

00:09:33,092 —> 00:09:34,141

Well, the dungeon master's

237

00:09:34,143 —> 00:09:35,208

supposed to roll.

238

00:09:35,210 —> 00:09:36,560

Yeah, well I'm supposed

to be in Vegas

239

00:09:36,562 —> 00:09:38,545

throwing up on a shrimp buffet.

Now give it.

240

00:09:40,765 —> 00:09:42,399

All right,

what do I need?

241

00:09:42,401 —> 00:09:44,985

Uh, 15 or higher.

242

00:09:44,987 —> 00:09:46,820

15's the point, the point is 15.

243

00:09:46,822 —> 00:09:50,574

Give the little lady some room,

here it is, coming out.

244

00:09:50,576 —> 00:09:51,558

Sixteen!

245

00:09:51,560 —> 00:09:54,078
Yes!
(cheering)

246
00:09:54,080 —> 00:09:56,730
Oh, please tell me
we're playing for money.

247
00:09:56,732 —> 00:09:58,248
Oh, even better than money.

248
00:09:58,250 —> 00:10:01,001
You gained experience points.

249
00:10:01,003 —> 00:10:03,337
More potion, please.

250
00:10:03,339 —> 00:10:04,755
Yeah.

251
00:10:05,924 —> 00:10:08,125
How are
your crab cakes?

252

00:10:08,127 —> 00:10:09,543

Kind of funky.

253

00:10:09,545 —> 00:10:10,344

That's great.

254

00:10:10,346 —> 00:10:11,545

It is?

255

00:10:11,547 —> 00:10:14,932

Does "funky" mean

something different in India?

256

00:10:14,934 —> 00:10:17,434

No, no. Uh, you've always

wanted to send your food back

257

00:10:17,436 —> 00:10:19,019

in a restaurant;

here's your chance.

258

00:10:19,044 —> 00:10:19,888

Mm.

259

00:10:19,889 —> 00:10:21,438

It's okay. I just won't eat 'em.

260

00:10:21,440 —> 00:10:23,524

Don't be ridiculous. Waiter?

261

00:10:24,359 —> 00:10:26,110

Everything all right?

262

00:10:26,112 —> 00:10:28,696

Uh... yeah.

263

00:10:28,698 —> 00:10:31,098

Everything all right with you?

264

00:10:31,100 —> 00:10:32,449

Yes.

265

00:10:33,267 —> 00:10:34,735

'Kay, thanks, bye.

266
00:10:34,737 —> 00:10:36,904
Hold on.

267
00:10:36,906 —> 00:10:39,039
Isn't there something else
you wanted to tell him?

268
00:10:39,941 —> 00:10:42,292
N-No, it-it's fine. Uh...

269
00:10:42,294 —> 00:10:45,946
He's from a different country;
he doesn't understand our ways.

270
00:10:47,799 —> 00:10:49,950
Don't be silly. Just tell him.

271
00:10:50,785 —> 00:10:52,803
I have to go to the bathroom.

272

00:10:52,805 —> 00:10:53,971
And it's not because

273
00:10:53,973 —> 00:10:55,339
the crab cakes are funky.

274
00:10:57,142 —> 00:10:58,425
So you're okay here?

275
00:10:58,427 —> 00:10:59,626
Uh, yeah, sorry.

276
00:10:59,628 —> 00:11:01,645
She's just a little shy.

277
00:11:01,647 —> 00:11:04,014
The-the first time we met,
she was so nervous,

278
00:11:04,016 —> 00:11:06,984
she climbed out a bathroom
window to get away from me.

279

00:11:21,800 —> 00:11:23,650

Uh-oh.

280

00:11:27,622 —> 00:11:29,623

Hey, Raj.

281

00:11:29,625 —> 00:11:32,492

Funny story.

282

00:11:33,595 —> 00:11:36,847

Come on, mama wants a

pair of dead ogres!

283

00:11:37,682 —> 00:11:39,683

17! The larger ogre is dead!

284

00:11:39,685 —> 00:11:41,552

(cheering)

285

00:11:41,554 —> 00:11:43,103

The-the other ogre says,

286

00:11:43,105 —> 00:11:46,356

"You killed my brother.

287

00:11:46,358 —> 00:11:49,843

Now Ogre Thanksgiving

is ruined."

288

00:11:50,695 —> 00:11:52,646

That is amazing.

289

00:11:52,648 —> 00:11:55,199

He made me care

about the ogre!

290

00:11:56,117 —> 00:11:57,895

All right, Amy,

there's one ogre left.

291

00:11:57,896 —> 00:11:59,479

Take him out!

Okay.

292

00:11:59,481 —> 00:12:01,731
Pretend he's that
TSA agent. Come on.

293
00:12:03,734 —> 00:12:04,634
Nineteen!

294
00:12:04,636 —> 00:12:06,469
(cheering)

295
00:12:06,471 —> 00:12:08,104
Yes!

296
00:12:08,106 —> 00:12:10,490
This is turning out to be
even better than Vegas!

297
00:12:10,492 —> 00:12:13,109
(laughs)
No, it's not!

298
00:12:16,247 —> 00:12:17,364
Lucy?

299

00:12:17,366 —> 00:12:18,748

Oh, hey.

300

00:12:18,750 —> 00:12:20,700

Long time no see.

301

00:12:23,671 —> 00:12:24,821

You don't know me very well,

302

00:12:24,823 —> 00:12:26,756

but each time you crawl out

a bathroom window

303

00:12:26,758 —> 00:12:30,293

to escape my company,

it chips away at my masculinity.

304

00:12:30,295 —> 00:12:32,045

I'm sorry.

305

00:12:32,047 —> 00:12:33,680

Why would you leave like that?

306
00:12:33,682 —> 00:12:35,331
You were pushing me;
I clearly didn't want

307
00:12:35,333 —> 00:12:38,268
to send my food back, and you
tried to make me do it anyway.

308
00:12:38,270 —> 00:12:41,855
Okay, if I upset you, then why
didn't you just say something?

309
00:12:41,857 —> 00:12:44,441
Well, how can I tell you I'm
upset if I can't tell the woman

310
00:12:44,443 —> 00:12:47,277
at Supercuts that my forehead's
my best feature?

311
00:12:48,779 —> 00:12:49,896

It's scary.

312
00:12:49,898 —> 00:12:51,698
Yeah, well, I like you a lot,

313
00:12:51,700 —> 00:12:53,566
and that's scary for me.

314
00:12:53,568 —> 00:12:57,287
Mostly because
you're a proven flight risk.

315
00:12:57,289 —> 00:13:00,490
How could you like me a lot?

316
00:13:00,492 —> 00:13:03,243
Well, uh, for one thing,

317
00:13:03,245 —> 00:13:05,378
you have bigger
emotional problems than I do,

318

00:13:05,380 —> 00:13:08,298
and I find that
very attractive in a woman!

319
00:13:09,634 —> 00:13:13,086
I-I don't know. I just...
(sighs)

320
00:13:13,088 —> 00:13:15,255
I think you're wonderful.

321
00:13:22,013 —> 00:13:24,431
I'm sweating out of my head.

322
00:13:28,352 —> 00:13:33,273
The dragon falls from the sky,
crashing into the volcano!

323
00:13:33,275 —> 00:13:34,491
(cheering)

324
00:13:34,493 —> 00:13:36,026
But wait!

325

00:13:36,028 —> 00:13:37,243

He's not dead.

326

00:13:37,245 —> 00:13:38,695

He crawls out,

327

00:13:38,697 —> 00:13:43,416

spreads his wings

and prepares to attack.

328

00:13:43,418 —> 00:13:44,451

Yeah, uh, wait!

329

00:13:46,203 —> 00:13:48,571

Doesn't he say

something first?

330

00:13:48,573 —> 00:13:52,559

You know, maybe in the voice

of a beloved celebrity?

331

00:13:52,561 —> 00:13:54,377
Fine.

332
00:13:54,379 —> 00:13:58,214
(imitating Christopher Walken):
"You'd think, after all these years,

333
00:13:58,216 —> 00:14:03,770
"I'd know not to fly
over volcanoes.

334
00:14:03,772 —> 00:14:06,106
I'm a freaking idiot."

335
00:14:08,309 —> 00:14:10,143
The dragon's
Christopher Walken!

336
00:14:10,145 —> 00:14:12,645
That's perfect.

337
00:14:12,647 —> 00:14:13,947
All right, Amy,

it's your turn.

338

00:14:13,949 —> 00:14:15,031

We need one more hit.

339

00:14:15,033 —> 00:14:17,033

Finish him off!

Here we go.

340

00:14:17,035 —> 00:14:18,585

Fifteen?

341

00:14:18,587 —> 00:14:20,937

It's a hit. The dragon collapses

to the ground!

342

00:14:20,939 —> 00:14:22,655

(cheering)

Wait.

343

00:14:22,657 —> 00:14:23,990

Wait.

344

00:14:23,992 —> 00:14:26,826

And says...

345

00:14:26,828 —> 00:14:29,162

(imitating Christopher Walken):

"Mother?

346

00:14:29,164 —> 00:14:31,664

"Is that you?

347

00:14:32,800 —> 00:14:36,386

Your little boy is coming home."

348

00:14:38,172 —> 00:14:41,141

Oh, I don't know about you

guys, but I have been through

349

00:14:41,143 —> 00:14:43,343

the emotional

wringer tonight.

350

00:14:43,345 —> 00:14:45,562

This may be the potion
talking, but you are

351
00:14:45,564 —> 00:14:48,681
one fine-ass dungeon master.

352
00:14:48,683 —> 00:14:50,233
Oh, yeah?
Well, when we get home,

353
00:14:50,235 —> 00:14:52,102
I'm gonna take you
on a whole different adventure.

354
00:14:52,104 —> 00:14:54,154
SHELDON:
Another quest

355
00:14:54,156 —> 00:14:56,906
by Wolowitz?
Count me in.

356
00:14:58,542 —> 00:15:01,027

Sheldon, they're talking
about sex.

357
00:15:01,029 —> 00:15:04,147
Oh, then I'm out.

358
00:15:05,282 —> 00:15:06,983
Ooh! I have an idea.

359
00:15:06,985 —> 00:15:08,918
Since it's not happening
anytime soon,

360
00:15:08,920 —> 00:15:11,371
why don't your character
and your character

361
00:15:11,373 —> 00:15:13,339
do it in the game?

362
00:15:13,341 —> 00:15:15,341
Ooh!

363

00:15:16,026 —> 00:15:17,460

Come on, back

me up here.

364

00:15:17,462 —> 00:15:18,428

Oh.

365

00:15:18,430 —> 00:15:20,830

Ooh!

Ooh!

366

00:15:21,999 —> 00:15:26,102

Okay, I cast a love spell

on Sheldon and Amy.

367

00:15:26,104 —> 00:15:29,773

Oo... Sorry, I thought

you were gonna do that...

368

00:15:31,776 —> 00:15:33,977

The love spell takes effect.

369

00:15:33,979 —> 00:15:35,395
When Sheldon looks

370
00:15:35,397 —> 00:15:38,848
at Amy, she is the most
beautiful half-orc

371
00:15:38,850 —> 00:15:40,450
he's ever seen,

372
00:15:40,452 —> 00:15:42,318
and he's overcome

373
00:15:42,320 —> 00:15:44,687
with a desire
to rip her armor off

374
00:15:44,689 —> 00:15:48,575
and gaze fondly
at her four hairy breasts.

375
00:15:49,827 —> 00:15:53,797
When Amy sees Sheldon,

he looks...

376
00:15:53,799 —> 00:15:56,866
well, just like Sheldon, 'cause
apparently she's into that.

377
00:15:58,552 —> 00:15:59,886
What do you do?

378
00:16:01,589 —> 00:16:03,223
I don't like this.

379
00:16:11,165 —> 00:16:14,717
You see what happens
when you let girls play D & D?

380
00:16:17,771 —> 00:16:20,106
(knocks)
SHELDON: Amy.

381
00:16:20,108 —> 00:16:21,658
(knocks)
Amy.

382

00:16:21,660 —> 00:16:22,659

(knocks)

383

00:16:22,661 —> 00:16:24,444

Amy.

384

00:16:24,446 —> 00:16:26,663

What?

385

00:16:28,749 —> 00:16:31,234

I've never knocked

on my own door before.

386

00:16:32,620 —> 00:16:34,954

That was a wild ride.

387

00:16:34,956 —> 00:16:38,091

You don't have to come in here

and cheer me up.

388

00:16:38,093 —> 00:16:39,676

Thank you.

389
00:16:39,678 —> 00:16:41,427
Would you go tell
everyone else that?

390
00:16:41,429 —> 00:16:43,613
Because they sure think
otherwise.

391
00:16:44,515 —> 00:16:46,799
I'll tell you what they think.

392
00:16:46,801 —> 00:16:49,853
They think our relationship
is a joke.

393
00:16:50,971 —> 00:16:53,890
Well, I don't think
our relationship is a joke.

394
00:16:53,892 —> 00:16:55,642
I think

395

00:16:55,644 —> 00:16:57,093

"a horse goes into a bar,

396

00:16:57,095 —> 00:16:58,878

bartender says,

'Why the long face?'"

397

00:16:58,880 —> 00:17:00,914

That's a joke.

398

00:17:02,383 —> 00:17:06,186

It's a good one, too,

because a horse has a long face.

399

00:17:07,021 —> 00:17:09,605

Sheldon,

400

00:17:09,607 —> 00:17:12,825

are we ever going to have

an intimate relationship?

401

00:17:12,827 —> 00:17:14,878
Oh, my.

402
00:17:14,880 —> 00:17:16,880
That's an uncomfortable topic.

403
00:17:19,783 —> 00:17:22,518
Amy...

404
00:17:22,520 —> 00:17:24,721
fore I met you,

405
00:17:24,723 —> 00:17:28,942
I never had any interest
in being intimate with anyone.

406
00:17:29,777 —> 00:17:31,377
And now?

407
00:17:32,980 —> 00:17:35,531
And now what?

408

00:17:37,634 —> 00:17:40,353
Do you have any interest now?

409
00:17:42,106 —> 00:17:43,690
I have not ruled it out.

410
00:17:43,692 —> 00:17:45,091
Wow.

411
00:17:45,093 —> 00:17:47,327
Talk dirty to me.

412
00:17:47,329 —> 00:17:50,813
I know it doesn't seem
like it to you, but,

413
00:17:50,815 —> 00:17:53,199
for me, what we have

414
00:17:53,201 —> 00:17:56,419
is extremely intimate.

415

00:17:57,254 —> 00:17:59,989
I guess I know that.

416
00:17:59,991 —> 00:18:02,292
It's just...

417
00:18:02,294 —> 00:18:04,327
part of me wants more.

418
00:18:04,329 —> 00:18:06,346
More?

419
00:18:06,348 —> 00:18:07,931
I mean, look at us.

420
00:18:07,933 —> 00:18:10,717
It's only been three years;
here we are in bed together.

421
00:18:15,522 —> 00:18:17,924
Come on.

422

00:18:17,926 —> 00:18:19,525
Let's go back out there.

423
00:18:19,527 —> 00:18:22,678
Y... Well, no.
Hold on.

424
00:18:22,680 —> 00:18:27,984
My Elven magic-user
and your half-orc warrior

425
00:18:27,986 —> 00:18:31,020
did have a love spell
cast on them.

426
00:18:32,122 —> 00:18:34,123
We wouldn't really
be playing the game right

427
00:18:34,125 —> 00:18:36,359
if we didn't see that through.

428
00:18:37,177 —> 00:18:39,712

Okay.

429
00:18:41,732 —> 00:18:46,586
I believe that, uh,
we just killed a dragon.

430
00:18:48,422 —> 00:18:51,341
While the others
pillage the corpse,

431
00:18:51,343 —> 00:18:55,345
I lead you
to a secluded area

432
00:18:55,347 —> 00:19:00,549
where I attempt
to remove your leather armor.

433
00:19:05,389 —> 00:19:06,322
It comes off.

434
00:19:06,324 —> 00:19:09,275
Oh.

435

00:19:10,194 —> 00:19:11,744

What do you do?

436

00:19:14,398 —> 00:19:16,565

I...

437

00:19:17,751 —> 00:19:20,586

...kiss you... on the lips.

438

00:19:22,289 —> 00:19:26,459

I kiss you back on the...

439

00:19:28,796 —> 00:19:30,263

...lips as well.

440

00:19:31,882 —> 00:19:34,017

Your turn.

441

00:19:35,719 —> 00:19:38,388

I... remove your armor.

442

00:19:40,257 —> 00:19:42,225

What do you do?

443

00:19:42,227 —> 00:19:46,696

I... erotically caress your...

444

00:19:49,366 —> 00:19:50,400

...nose.

445

00:19:50,402 —> 00:19:51,951

Keep rolling.

446

00:20:04,426 —> 00:20:06,627

Hey, you guys have been

in there for a while.

447

00:20:06,629 —> 00:20:08,629

You doing okay?

SHELDON: We're fine, thank you.

448

00:20:08,631 —> 00:20:10,648

Okay, we just want to say,

we feel really bad about...

449

00:20:10,650 —> 00:20:13,768

AMY: Go away! Sheldon

is nibbling on my...

450

00:20:13,770 —> 00:20:15,636

(die rolls)

14! Yes!

S06EP24: The Bon Voyage Reaction

1

00:00:02,144 —> 00:00:04,945

So, anyway, last night on

video chat, I spent, like,

2

00:00:04,947 —> 00:00:07,381

20 minutes just staring

into Lucy's eyes.

3

00:00:07,383 —> 00:00:08,883

Oh, that sounds romantic.

4

00:00:08,885 —> 00:00:11,219
It was until I realized
the screen had frozen.

5
00:00:12,604 —> 00:00:15,122
Still one of my top three dates
of all time.

6
00:00:15,124 —> 00:00:17,475
So, are we ever gonna
hang out with this girl?

7
00:00:17,477 —> 00:00:18,843
I'd love that,

8
00:00:18,845 —> 00:00:20,845
but she's not really comfortable
around people.

9
00:00:20,847 —> 00:00:24,015
Yeah, I used to be
uncomfortable around people,

10

00:00:24,017 —> 00:00:25,733
but then I learned a trick.

11
00:00:25,735 —> 00:00:27,318
I pretend everyone I meet

12
00:00:27,320 —> 00:00:30,304
is a beloved character
from Star Trek.

13
00:00:31,323 —> 00:00:32,774
How's that been working
for you?

14
00:00:32,776 —> 00:00:36,277
Oh, like a charm, unnamed
crewman in a red shirt.

15
00:00:36,279 —> 00:00:40,531
Leonard, I may have
gotten you a job.

16
00:00:40,533 —> 00:00:41,949

I have a job.

17

00:00:41,951 —> 00:00:42,950

SHELDON:

Yes, he does.

18

00:00:42,952 —> 00:00:45,319

He caters to

my every whim.

19

00:00:45,321 —> 00:00:48,656

No, in a couple of weeks,

Stephen Hawking's team

20

00:00:48,658 —> 00:00:50,825

is sending an expedition

to the North Sea

21

00:00:50,827 —> 00:00:53,461

to test hydrodynamic

simulations of black holes.

22

00:00:53,463 —> 00:00:55,780

One of their experimental
physicists dropped out,

23
00:00:55,782 —> 00:00:57,665
and I recommended you.

24
00:00:57,667 —> 00:01:00,468
Well, do you really think
I have a shot?

25
00:01:00,470 —> 00:01:02,436
Yeah, I've worked with Hawking.
I talked you up.

26
00:01:02,438 —> 00:01:04,188
He knows your research.

27
00:01:04,190 —> 00:01:05,389
I think this could happen.

28
00:01:05,391 —> 00:01:07,508
He knows— Wow!

29

00:01:07,510 —> 00:01:11,178

Well, now, but do you

think that's a good idea?

30

00:01:11,947 —> 00:01:13,981

Uh, you know Star Trek.

31

00:01:13,983 —> 00:01:15,516

Should a guy

with no name

32

00:01:15,518 —> 00:01:18,119

and a red shirt really

go on an expedition?

33

00:01:19,454 —> 00:01:20,855

Hey, don't discourage him.

34

00:01:20,857 —> 00:01:22,490

This is a fantastic opportunity.

35

00:01:22,492 —> 00:01:23,825

No one asked you, Uhura.

36

00:01:28,547 —> 00:01:32,383

Would you like to hear a classic

Sheldon Cooper factoid?

37

00:01:32,385 —> 00:01:34,468

What do you think?

Great.

38

00:01:36,204 —> 00:01:39,223

I've been doing some reading

about vehicular safety.

39

00:01:39,225 —> 00:01:41,726

Did you know

that the highest number

40

00:01:41,728 —> 00:01:47,047

of drowning accidents happen

on or around boats?

41

00:01:47,049 —> 00:01:49,517

Interesting that you would
bring that up

42
00:01:49,519 —> 00:01:51,435
when I might go work on a boat.

43

216

00:08:56,145 —> 00:08:57,695

I was the outsider

to this group,

217

00:08:57,697 —> 00:08:59,864

and I know how frightening

that can be.

218

00:08:59,866 —> 00:09:02,900

But you guys took me in

and made me feel loved,

219

00:09:02,902 —> 00:09:05,119

like I was family.

220

00:09:08,206 —> 00:09:09,907

Fine, I'll do it.

221

00:09:12,694 —> 00:09:14,862

So, after I started

dating Sheldon,

222

00:09:14,864 —> 00:09:17,364

I met Leonard,

and then everybody else,

223

00:09:17,366 —> 00:09:19,834

and they've all been

so wonderful to me.

224

00:09:19,836 —> 00:09:21,218

That's really nice to hear.

225

00:09:21,220 —> 00:09:23,370

Maybe next week,

we could all get together.

226

00:09:23,372 —> 00:09:25,473
Oh, Lucy, you don't
have to answer that.

227
00:09:25,475 —> 00:09:27,975
Don't put her on the
spot. She hates that.

228
00:09:27,977 —> 00:09:30,043
Am I right? Tell her
how much you hate

229
00:09:30,045 —> 00:09:32,263
being put on the spot.
Go ahead, tell her.

230
00:09:32,265 —> 00:09:34,849
Ignore him. He's a little
nervous 'cause he doesn't think

231
00:09:34,851 —> 00:09:36,567
I understand the severity
of your social anxiety.

232

00:09:36,569 —> 00:09:38,652

What the...?

Are you crazy?

233

00:09:38,654 —> 00:09:39,720

You can't talk

about social anxiety

234

00:09:39,722 —> 00:09:41,272

to someone who has

social anxiety.

235

00:09:41,274 —> 00:09:44,275

It makes them

socially anxious!

236

00:09:44,277 —> 00:09:46,110

Excuse me, but I'm

a neurobiologist.

237

00:09:46,112 —> 00:09:48,362

I think I'm a little

more qualified than you

238

00:09:48,364 —> 00:09:51,615

to understand what's not working

in your girlfriend's brain!

239

00:09:51,617 —> 00:09:52,750

Don't call her my girlfriend.

240

00:09:52,752 —> 00:09:54,452

We haven't discussed

whether or not

241

00:09:54,454 —> 00:09:55,953

we're girlfriend

or boyfriend yet.

242

00:09:57,405 —> 00:09:58,956

Now that it's

out there...

243

00:10:00,792 —> 00:10:02,560

...are you my girlfriend?

244

00:10:02,562 —> 00:10:03,694

By the way,

if you say no,

245

00:10:03,696 —> 00:10:06,297

I'll never be happy again.

246

00:10:07,282 —> 00:10:09,283

Not to put you on the spot.

247

00:10:10,869 —> 00:10:13,604

I think I have to go

to the bathroom.

248

00:10:17,692 —> 00:10:19,109

We might as well

go ahead and eat.

249

00:10:19,111 —> 00:10:20,861

She's not coming back

anytime soon.

250

00:10:29,956 —> 00:10:31,173
This is ridiculous.

251
00:10:31,174 —> 00:10:32,906
We're shopping
for a party.

252
00:10:32,908 —> 00:10:34,709
This store doesn't even
have a party section.

253
00:10:34,711 —> 00:10:37,912
Yeah, it does,
and here we are.

254
00:10:39,264 —> 00:10:40,965
You know, I have to say, Penny,

255
00:10:40,967 —> 00:10:43,134
I don't understand
why you of all people

256
00:10:43,136 —> 00:10:45,519

are encouraging Leonard
to do this.

257
00:10:45,521 —> 00:10:47,921
Well, I'm his girlfriend;
of course I'm gonna support him.

258
00:10:47,923 —> 00:10:50,141
Yeah, well,
you're his girlfriend for now.

259
00:10:50,143 —> 00:10:51,926
You know, maybe
you're not aware of this,

260
00:10:51,928 —> 00:10:53,928
but there is
a rich tradition

261
00:10:53,930 —> 00:10:58,199
of men at sea finding comfort in
each other's arms and britches.

262

00:10:59,952 —> 00:11:02,703
Honey, this is a big
deal for Leonard, okay?

263
00:11:02,705 —> 00:11:04,538
He gets to work with
Stephen Hawking.

264
00:11:04,540 —> 00:11:06,707
Who, by the way,
will not be on the boat.

265
00:11:06,709 —> 00:11:07,775
I checked it out.

266
00:11:07,777 —> 00:11:10,110
It's not that big
of an opportunity.

267
00:11:10,112 —> 00:11:12,480
And even if Hawking's theories
are correct,

268

00:11:12,482 —> 00:11:15,049
all they prove is
where the universe came from,

269
00:11:15,051 —> 00:11:17,969
why everything exists and
what its ultimate end will be.

270
00:11:17,971 —> 00:11:19,820
I mean, me?

271
00:11:19,822 —> 00:11:22,390
I'm interested
in the big questions.

272
00:11:24,142 —> 00:11:27,795
Oh, my God, Sheldon the genius
is jealous of Leonard.

273
00:11:27,797 —> 00:11:29,513
I'm not jealous.

274
00:11:29,515 —> 00:11:31,182

I'm just very unhappy

275
00:11:31,184 —> 00:11:33,017
that good things
are happening for him

276
00:11:33,019 —> 00:11:34,935
and not happening for me.

277
00:11:34,937 —> 00:11:37,655
Look, sweetie, this is
a natural thing to feel, okay?

278
00:11:37,657 —> 00:11:39,640
But just because good things
are happening to Leonard

279
00:11:39,642 —> 00:11:41,492
doesn't take anything
away from you.

280
00:11:41,494 —> 00:11:43,411
You know what? Let me

tell you a little story.

281
00:11:43,413 —> 00:11:45,446
Once there was a girl who worked
at the Cheesecake Factory,

282
00:11:45,448 —> 00:11:46,998
and she wasn't very good
at her job.

283
00:11:47,000 —> 00:11:49,617
It was you.
It wasn't me.

284
00:11:50,619 —> 00:11:51,669
But she was also an actress,

285
00:11:51,671 —> 00:11:53,404
and we were both up
for the same part

286
00:11:53,406 —> 00:11:54,455
in a toothpaste commercial.

287

00:11:54,457 —> 00:11:56,757

She got it. Look,

I was so jealous.

288

00:11:56,759 —> 00:11:59,326

But instead of ripping out

her fake blonde hair...

289

00:11:59,328 —> 00:12:01,429

You ripped out

your own fake blonde hair.

290

00:12:01,431 —> 00:12:03,097

I...

291

00:12:03,099 —> 00:12:04,849

looked her in the eye,

292

00:12:04,851 —> 00:12:07,168

smiled and said,

"I'm happy for you."

293

00:12:07,170 —> 00:12:08,836

Because that's what friends do.

294

00:12:10,272 —> 00:12:12,473

They lie

so they don't look petty.

295

00:12:12,475 —> 00:12:13,607

Yeah.

296

00:12:13,609 —> 00:12:14,942

How?

297

00:12:14,944 —> 00:12:17,078

Like this.

298

00:12:17,080 —> 00:12:19,880

I am so happy for you.

299

00:12:22,284 —> 00:12:23,751

Wow.

300

00:12:23,753 —> 00:12:26,404

No wonder you didn't get

that toothpaste commercial.

301

00:12:30,075 —> 00:12:31,859

Hey.

302

00:12:31,861 —> 00:12:33,294

Hi.

303

00:12:33,296 —> 00:12:35,629

I want to apologize

for Amy last night.

304

00:12:35,631 —> 00:12:38,031

She was completely out of line.

305

00:12:43,171 —> 00:12:45,639

Are you... are you

not speaking to me

306

00:12:45,641 —> 00:12:47,475

or did the screen freeze again?

307

00:12:47,477 —> 00:12:49,744

Amy wasn't the problem.

308

00:12:49,746 —> 00:12:51,762

Okay. I know.

(sighs)

309

00:12:51,764 —> 00:12:53,397

It was me.

310

00:12:53,399 —> 00:12:55,366

I-I pushed too hard. I'm sorry.

311

00:12:55,368 —> 00:12:56,817

Thank you.

312

00:12:56,819 —> 00:12:59,770

You know,

I-I've been thinking that...

313

00:12:59,772 —> 00:13:03,140
maybe meeting somebody
one-on-one is too intense,

314
00:13:03,142 —> 00:13:04,341
so...

315
00:13:04,343 —> 00:13:06,177
Friday night, my friends
are having a party.

316
00:13:06,179 —> 00:13:07,878
A party?
A little one!

317
00:13:07,880 —> 00:13:10,448
It's-it's a farewell
for Leonard,

318
00:13:10,450 —> 00:13:12,666
so all the attention
will be on him.

319

00:13:12,668 —> 00:13:15,419
If you wear something brown
and sit on the couch,

320
00:13:15,421 —> 00:13:17,471
they won't even know
you're there.

321
00:13:18,290 —> 00:13:20,374
I'm not sure.

322
00:13:20,376 —> 00:13:21,509
Oh, please?

323
00:13:21,511 —> 00:13:22,777
Raj.
Come on.

324
00:13:22,779 —> 00:13:23,911
Don't make me beg.

325
00:13:23,913 —> 00:13:27,131
And I'm from India,

so I know how to do it.

326
00:13:28,900 —> 00:13:30,634
Okay.

327
00:13:30,636 —> 00:13:31,752
Y... Thank you!

328
00:13:31,754 —> 00:13:33,270
Th-This means a lot to me.

329
00:13:33,272 —> 00:13:35,022
My friends are like my family.

330
00:13:35,674 —> 00:13:36,941
Unless you don't like them;

331
00:13:36,943 —> 00:13:39,210
in which case,
they're dead to me.

332
00:13:40,395 —> 00:13:41,695

(rock music playing quietly)

333
00:13:41,697 —> 00:13:44,264
So, have you ever spent
a long time on a boat before?

334
00:13:44,266 —> 00:13:46,200
Yeah.
Are you referring to the time

335
00:13:46,202 —> 00:13:49,403
we got stuck on the Small World
ride at Disneyland?

336
00:13:50,238 —> 00:13:52,156
Yeah.

337
00:13:54,810 —> 00:13:56,327
I'm proud of you, Leonard.

338
00:13:56,329 —> 00:13:58,162
Working out
on the North Sea

339

00:13:58,164 —> 00:14:00,948

for months—

that's really something.

340

00:14:00,950 —> 00:14:02,833

I know. As far as science goes,

341

00:14:02,835 —> 00:14:05,118

this is the adventure

of a lifetime.

342

00:14:05,120 —> 00:14:06,954

(chuckles)

Maybe your lifetime.

343

00:14:06,956 —> 00:14:09,140

I went to space.

344

00:14:10,425 —> 00:14:12,309

It's not a competition.

345

00:14:12,311 —> 00:14:13,677
You're right, you're right.

346
00:14:13,679 —> 00:14:15,262
I'm really proud of you, and...

347
00:14:15,264 —> 00:14:17,148
I'm gonna miss you
when you're gone.

348
00:14:18,183 —> 00:14:20,701
And space beats water.

349
00:14:22,387 —> 00:14:25,406
Rajesh, I thought
Lucy was coming.

350
00:14:25,408 —> 00:14:27,408
She is. She's just running
a little late.

351
00:14:27,410 —> 00:14:29,743
You know how it is—

girls always fussing about

352
00:14:29,745 —> 00:14:30,978
their hair, their makeup.

353
00:14:30,980 —> 00:14:32,163
She'll be here.

354
00:14:32,165 —> 00:14:34,215
Just give it a rest, okay?

355
00:14:35,767 —> 00:14:37,117
(music stops)

356
00:14:37,119 —> 00:14:40,221
Um, can I have
your attention, everyone?

357
00:14:41,673 —> 00:14:44,925
That's, uh, B-flat, for those
who don't have perfect pitch.

358

00:14:46,344 —> 00:14:48,712
I would like
to propose a toast

359
00:14:48,714 —> 00:14:51,799
to my best friend,
Dr. Leonard Hofstadter.

360
00:14:51,801 —> 00:14:55,553
He has been presented with
a wonderful opportunity,

361
00:14:55,555 —> 00:14:58,772
and I couldn't
be happier for him.

362
00:15:01,476 —> 00:15:02,693
Thank you, Sheldon.

363
00:15:02,695 —> 00:15:04,812
That must've been
very hard for you to say.

364

00:15:04,814 —> 00:15:06,697
Well, I mean it.

365
00:15:06,699 —> 00:15:09,349
I'm really happy
for you.

366
00:15:09,351 —> 00:15:12,203
And that's how you get
a toothpaste commercial. Cheers.

367
00:15:13,021 —> 00:15:14,755
Cheers.
Cheers.

368
00:15:16,491 —> 00:15:19,994
It was really nice of you
to try to be happy for Leonard.

369
00:15:19,996 —> 00:15:21,495
Mm. Thank you.

370
00:15:21,497 —> 00:15:24,197

It must've killed you

when I went to space.

371

00:15:27,752 —> 00:15:29,453

Oh, no.

372

00:15:29,455 —> 00:15:31,672

Buddy, you okay?

373

00:15:33,842 —> 00:15:36,176

Oh, man.

374

00:15:36,178 —> 00:15:38,262

What's going on?

375

00:15:38,264 —> 00:15:40,147

Uh, go ahead. Read it.

376

00:15:40,149 —> 00:15:42,349

"Raj, I can't come

to the party.

377

00:15:42,351 —> 00:15:43,684

"This is all just

378

00:15:43,686 —> 00:15:45,352

"too much for me.

379

00:15:45,354 —> 00:15:48,239

"I don't think

we should see

380

00:15:48,241 —> 00:15:50,441

"each other anymore.

Sorry.

381

00:15:50,443 —> 00:15:52,443

Lucy."

382

00:15:52,445 —> 00:15:54,111

Excuse me.

383

00:15:54,113 —> 00:15:56,780

Raj, I'm so sorry.

384

00:15:56,782 —> 00:15:59,016

Me, too.

(sighs)

385

00:15:59,868 —> 00:16:01,702

(door closes)

386

00:16:01,704 —> 00:16:05,172

It did not kill me

when you went to space.

387

00:16:08,260 —> 00:16:10,761

Monkeys went to space.

388

00:16:13,848 —> 00:16:15,382

(sighs)

389

00:16:15,384 —> 00:16:16,884

Well, here we are.

390

00:16:16,886 —> 00:16:18,686

Yep.

391

00:16:18,688 —> 00:16:21,105

I'm really gonna miss you.

392

00:16:21,107 —> 00:16:22,806

I'm gonna miss you, too.

393

00:16:22,808 —> 00:16:25,109

Penny, we're

in the red zone.

394

00:16:26,061 —> 00:16:28,696

The white zone

is for loading and unloading.

395

00:16:28,698 —> 00:16:31,198

We're breaking the law.

396

00:16:31,200 —> 00:16:32,483

Okay, there's no space

397

00:16:32,485 —> 00:16:33,901

in the white zone, so...

Anyway,

398

00:16:33,903 —> 00:16:37,237

we can e-mail, and I-I think

the phone connections

399

00:16:37,239 —> 00:16:38,455

are pretty good.

400

00:16:38,457 —> 00:16:40,291

All right, you have to get

out of the car right now.

401

00:16:40,293 —> 00:16:41,575

I'm not going

to jail for you.

402

00:16:41,577 —> 00:16:42,609

Would you just relax?

403

00:16:42,611 —> 00:16:44,878

Oh, I see a space

in the white zone.

404

00:16:44,880 —> 00:16:47,381

Quick, circle the airport.

405

00:16:47,383 —> 00:16:49,249

Did you bring enough inhalers?

406

00:16:49,251 —> 00:16:50,551

Yeah.

407

00:16:50,553 —> 00:16:51,802

And, uh, extra Dramamine?

408

00:16:51,804 —> 00:16:54,421

You remember what happened

on It's a Small World.

409

00:16:54,423 —> 00:16:55,723

I'm covered.

410

00:16:55,725 —> 00:16:56,957

Okay.

411
00:16:56,959 —> 00:16:58,676
Oh, dear Lord,
a police officer's

412
00:16:58,678 —> 00:16:59,927
glancing in our direction.

413
00:16:59,929 —> 00:17:02,396
We've been made.

414
00:17:03,264 —> 00:17:05,683
Calm down.
I'm getting out.

415
00:17:05,685 —> 00:17:07,401
I have something
I want to give you.

416
00:17:07,403 —> 00:17:08,902
Oh, Leonard.

417

00:17:08,904 —> 00:17:10,387

It's just a heart-shaped

locket with a picture of

418

00:17:10,389 —> 00:17:12,406

Leonard's face in it. He got

it at the mall on clearance.

419

00:17:12,408 —> 00:17:14,274

Now move, move, move!

420

00:17:15,110 —> 00:17:17,194

I love you.

421

00:17:17,196 —> 00:17:19,363

I love you, too.

422

00:17:21,700 —> 00:17:23,701

Don't worry, Officer.

423

00:17:23,703 —> 00:17:25,318

They just love each other.

424

00:17:25,320 —> 00:17:27,871

We're not smuggling drugs.

425

00:17:34,512 —> 00:17:35,846

Raj, it's Penny.

426

00:17:35,848 —> 00:17:37,214

Are you in there?

427

00:17:37,216 —> 00:17:38,932

RAJ:

Hang on.

428

00:17:41,469 —> 00:17:43,520

Hey. I'm just coming back

from the airport.

429

00:17:43,522 —> 00:17:45,439

I wanted to see

how you're doing.

430

00:17:45,441 —> 00:17:46,974
That's-that's very nice of you.

431
00:17:46,976 —> 00:17:48,842
Uh, come, come. Come on in.

432
00:17:48,844 —> 00:17:50,444
Can't stay long.

433
00:17:50,446 —> 00:17:53,714
I left Sheldon in the car
with the window cracked open.

434
00:17:54,866 —> 00:17:57,651
He's gonna go through
that activity book

435
00:17:57,653 —> 00:17:59,820
in, like, 30 seconds, so...

436
00:18:00,805 —> 00:18:02,639
Are you okay?

437

00:18:04,142 —> 00:18:05,309

No.

438

00:18:05,311 —> 00:18:07,194

Oh.

439

00:18:07,196 —> 00:18:09,362

I'm so sorry.

440

00:18:09,364 —> 00:18:10,497

No.

441

00:18:10,499 —> 00:18:12,249

It's my fault.

442

00:18:12,251 —> 00:18:15,302

You know, I finally found

someone who was right for me,

443

00:18:15,304 —> 00:18:17,938

and I-I drove her away.

444

00:18:17,940 —> 00:18:21,341

Oh, Raj.

445

00:18:21,343 —> 00:18:23,427

Penny, I...

446

00:18:23,429 —> 00:18:25,479

I miss her already.

447

00:18:25,481 —> 00:18:26,947

I know how you feel.

448

00:18:26,949 —> 00:18:28,198

I miss Leonard, too.

449

00:18:28,200 —> 00:18:31,551

What's... what is

wrong with me?

450

00:18:31,553 —> 00:18:34,438

Why-why can't I

ever have love?

451

00:18:34,440 —> 00:18:35,722

You will.

452

00:18:35,724 —> 00:18:38,025

No, I... I won't.

453

00:18:38,027 —> 00:18:39,576

(sobbing):

I'm-I'm unlovable.

454

00:18:39,578 —> 00:18:42,579

(sighs) That's just

the booze talking.

455

00:18:42,581 —> 00:18:44,064

No, it's not.

456

00:18:44,066 —> 00:18:46,784

I haven't had a drink

since last night.

457

00:18:55,210 —> 00:18:57,211
You're talking to me.

458
00:18:57,213 —> 00:18:58,896
I am.

459
00:18:58,898 —> 00:19:00,214
(gasps)

460
00:19:00,216 —> 00:19:03,050
And now I'm crying for
a whole different reason!

461
00:19:03,052 —> 00:19:04,601
Me, too!

462
00:19:13,368 —> 00:19:14,988
So I-I guess
what I'm saying is.

463
00:19:15,013 —> 00:19:16,880
I get where Lucy's
coming from.

464

00:19:16,881 —> 00:19:18,631

That's great.

Do you want some wine?

465

00:19:18,633 —> 00:19:20,082

Uh, no, water's fine.

466

00:19:20,084 —> 00:19:22,852

Anyhow, I-I've been

thinking about it a lot,

467

00:19:22,854 —> 00:19:25,804

and-and I totally see

why Lucy did what she did.

468

00:19:25,806 —> 00:19:26,722

I pushed too hard.

469

00:19:26,724 —> 00:19:28,257

But you know what?

If I back off

470

00:19:28,259 —> 00:19:30,342

and give her enough space,

maybe there's still

471

00:19:30,344 —> 00:19:31,727

a future for us.

472

00:19:31,729 —> 00:19:34,013

Yeah, the funny thing about life

is that, you know, sometimes...

473

00:19:34,015 —> 00:19:37,149

(quietly):

Does he ever shut up?

474

00:19:37,151 —> 00:19:42,151

== sync, corrected by elderman ==

475

00:19:47,861 —> 00:19:49,762

KOOTHRAPPALI: ...at least

my heart is starting to heal.

476

00:19:49,764 —> 00:19:51,597
Slowly but surely.

477
00:19:51,599 —> 00:19:53,365
And (sighs) how I cried.

478
00:19:53,367 —> 00:19:56,268
It was like a little, uh,
thunderstorm on my face.

479
00:19:56,270 —> 00:19:58,003
But I'm a man, okay?

480
00:19:58,005 —> 00:20:00,172
So I need to pull myself
together, pick up a pen

481
00:20:00,174 —> 00:20:01,807
and get it all out
in my journal.

482
00:20:01,809 —> 00:20:03,609
I mean,

it's not all bad, right?

483

00:20:03,611 —> 00:20:04,877

Having my heart broken

484

00:20:04,879 —> 00:20:06,504

has allowed me to finally speak

in front of you...

485

00:20:06,529 —> 00:20:08,410

so, you know,

it was a silver lining.
