of autobiographical memory.

176

00:07:52,341 —> 00:07:54,291

Oh, brain lesions

are fascinating.

177

00:07:54,293 —> 00:07:57,378

Unless they're yours,

then they're a drag.

178

00:07:57,380 —> 00:07:59,913

To the advancement of science.

179

00:07:59,915 —> 00:08:03,016

And to the sick and dying

who make it possible.

180

00:08:05,136 —> 00:08:07,271

This is fun; we never

really get to talk shop

181

00:08:07,273 —> 00:08:08,305

with Penny around.

182

00:08:08,307 —> 00:08:10,057

We usually just end up

talking about boys.

183

00:08:10,059 —> 00:08:12,359

Which is fine,

but it's nice to mix it up

184

00:08:12,361 —> 00:08:14,261

with a little intellectual

conversation.

185

00:08:14,263 —> 00:08:16,880

From the two gentlemen

at the bar.

186

00:08:16,882 —> 00:08:18,482

Oh, my gosh, boys

bought us drinks!

187

00:08:18,484 —> 00:08:21,151

Boys bought us drinks!

(gibbering happily)

188

00:08:21,153 —> 00:08:23,020

Thank you, thank you,

thank you so much.

189

00:08:24,406 —> 00:08:26,123

Be cool.

You be cool!

190

00:08:26,125 —> 00:08:29,209

Guys are hitting on us, and

not just to get to Penny.

191

00:08:30,195 —> 00:08:31,962

You're right.

192

00:08:31,964 —> 00:08:33,414

Thank you.

193

00:08:38,002 —> 00:08:40,204

Ooh! Bad move.

194

00:08:40,206 —> 00:08:42,372

Really? Why?

195

00:08:42,374 —> 00:08:45,592

My queen can now take your rook

from below.

196

00:08:45,594 —> 00:08:47,678

So that means I lose, right?

197

00:08:47,680 —> 00:08:49,313

It's over!

198

00:08:49,315 —> 00:08:52,716

If I make this move...

199

00:08:52,718 —> 00:08:56,236

but I won't because we're having

too much fun.

200

00:08:57,038 —> 00:08:59,907

Okay, let's take a break.

201

00:08:59,909 —> 00:09:02,826

We're all out of alcohol.

202

00:09:02,828 —> 00:09:04,461

I wasn't going to get alcohol.

203

00:09:04,463 —> 00:09:06,997

(groans)

204

00:09:09,167 —> 00:09:10,951

(sighs)

205
00:09:10,953 —> 00:09:12,703
Gosh, I wonder what
Leonard's doing right now.

206
00:09:12,705 —> 00:09:15,005
I miss him so much.

207
00:09:15,007 —> 00:09:16,656
Well, if you'd like,

208
00:09:16,658 —> 00:09:18,041
we could call him.

209
00:09:18,043 —> 00:09:20,244
I-I mean that
you could call him.

210
00:09:20,246 —> 00:09:21,545
As I've explained,

211

00:09:21,547 —> 00:09:23,680
the absence of my friends
does not cause me pain.

212
00:09:23,682 —> 00:09:25,933
As rock and roll bad boy,
Paul Simon, once said,

213
00:09:25,935 —> 00:09:27,017
"I am a rock.

214
00:09:27,019 —> 00:09:29,269
I am an i-i-i-island."

215
00:09:30,438 —> 00:09:32,239
I'm calling him.

216
00:09:32,241 —> 00:09:34,107
Oh, goodie!
Put him on speakerphone!

217
00:09:35,527 —> 00:09:39,029
(dance music playing)

218

00:09:40,899 —> 00:09:42,533

(phone vibrating)

219

00:09:42,535 —> 00:09:43,867

Excuse me, ladies,

220

00:09:43,869 —> 00:09:45,486

but my pants are buzzing.

221

00:09:45,488 —> 00:09:47,120

(vibrating continues)

222

00:09:47,872 —> 00:09:50,357

North Sea, how can I "kelp" you?

223

00:09:52,443 —> 00:09:53,410

Leonard?

224

00:09:53,412 —> 00:09:54,545

Penny?

225

00:09:54,547 —> 00:09:55,662

Hey, it's Penny.

226

00:09:55,664 —> 00:09:56,863

Everybody say hi to Penny.

227

00:09:56,865 —> 00:09:58,549

ALL:

Hi, Penny!

228

00:09:58,551 —> 00:10:02,269

Wow, it sounds like

you're having a good time.

229

00:10:02,271 —> 00:10:05,155

Best time of my life!

230

00:10:06,758 —> 00:10:09,910

Isn't it 5:30

in the morning there?

231

00:10:09,912 —> 00:10:11,044

Is it?

232
00:10:11,046 —> 00:10:13,764
Hey, everybody,
it's 5:30 in the morning!

233
00:10:13,766 —> 00:10:15,799
(whooping)

234
00:10:15,801 —> 00:10:17,317
Uh...

235
00:10:17,319 —> 00:10:19,203
okay, well,
we were just calling you

236
00:10:19,205 —> 00:10:20,720
because we were missing you.

237
00:10:20,722 —> 00:10:21,939
Iceberg!

238

00:10:21,941 —> 00:10:23,023
Uh-oh, hang on.

239
00:10:23,025 —> 00:10:24,658
Are you in danger?

240
00:10:24,660 —> 00:10:26,193
No, it's a drinking game.

241
00:10:26,195 —> 00:10:28,228
Whenever we see an iceberg,
we take a shot!

242
00:10:28,230 —> 00:10:30,280
ALL:
Berg! Berg!

243
00:10:30,282 —> 00:10:32,699
Berg! Berg! Berg! Berg—
(phone cuts off)

244
00:10:33,418 —> 00:10:34,701
Leonard, Leonard?

245

00:10:34,703 —> 00:10:36,920

(scoffs)

246

00:10:37,839 —> 00:10:40,541

I cannot believe we were

missing that jerk.

247

00:10:40,543 —> 00:10:43,360

You were.

248

00:10:52,050 —> 00:10:53,934

So what happened?

How'd it go?

249

00:10:53,936 —> 00:10:56,336

It's fine. I thanked them again

and let them know

250

00:10:56,338 —> 00:10:57,270

we're not available.

251

00:10:57,272 —> 00:10:59,422
So I can drink this
without having

252
00:10:59,424 —> 00:11:01,358
to give up the goodies?

253
00:11:01,360 —> 00:11:02,475
Yes, it's all cool.

254
00:11:02,477 —> 00:11:05,378
Although, if you wanted
to talk to one of them,

255
00:11:05,380 —> 00:11:06,696
no one would blame you.

256
00:11:06,698 —> 00:11:09,482
And why would no one
blame me?

257
00:11:10,318 —> 00:11:13,770
I don't know

what I'm saying.

258

00:11:13,772 —> 00:11:16,289

Well, it sounds

like you're saying

259

00:11:16,291 —> 00:11:18,041

that I could do better

than Sheldon.

260

00:11:18,043 —> 00:11:20,410

Boy, these drinks are strong!

261

00:11:21,829 —> 00:11:26,066

Hoo, mama, I'm gonna be gginhu !

262

00:11:27,385 —> 00:11:29,252

No, tell me,

I want to know

263

00:11:29,254 —> 00:11:30,837

what you meant by that.

264

00:11:33,007 —> 00:11:35,342

I just meant

that you're not married

265

00:11:35,344 —> 00:11:37,260

and your boyfriend's kind of...

266

00:11:37,262 —> 00:11:39,229

Sheldon.

267

00:11:39,231 —> 00:11:42,265

And your husband

is extremely Howard.

268

00:11:42,267 —> 00:11:44,734

What's your point?

269

00:11:45,820 —> 00:11:47,654

Sorry.

I have no point.

270

00:11:47,656 —> 00:11:49,138

That was a stupid thing
to say.

271
00:11:49,140 —> 00:11:51,524
Can we please just go back
to having a nice time?

272
00:11:51,526 —> 00:11:54,828
We could, but unfortunately
my brain is lesion-free

273
00:11:54,830 —> 00:11:56,696
and I remember that
rotten thing

274
00:11:56,698 —> 00:11:58,949
you just said about
my sweet baboo.

275
00:11:58,951 —> 00:12:00,116
Come on. I apologize.

276
00:12:00,118 —> 00:12:02,085

Can we please
just let it go?

277
00:12:03,037 —> 00:12:05,288
Sure.
Thanks.

278
00:12:07,091 —> 00:12:09,993
Your husband's weird
and his clothes are ridiculous.

279
00:12:12,430 —> 00:12:13,480
I can't believe it!

280
00:12:13,482 —> 00:12:14,914
All this time
I've been doing nothing

281
00:12:14,916 —> 00:12:16,483
but sit around
and miss that guy.

282
00:12:16,485 —> 00:12:18,134

And you know what
the worst part is?

283
00:12:18,136 —> 00:12:19,669
That you're having to process

284
00:12:19,671 —> 00:12:21,771
your emotional pain
without vodka?

285
00:12:26,694 —> 00:12:28,695
No.

286
00:12:28,697 —> 00:12:30,780
Yes.

287
00:12:32,683 —> 00:12:34,684
But you know what
the second-worst part is?

288
00:12:34,686 —> 00:12:36,236
He does not miss me at all.

289

00:12:36,238 —> 00:12:39,139

Allow me to comfort you.

290

00:12:39,141 —> 00:12:42,309

At least you've got your health.

291

00:12:44,312 —> 00:12:46,930

Really? Tha-That's it?

That's comforting?

292

00:12:46,932 —> 00:12:51,001

Um, uh, in a hundred years,

293

00:12:51,003 —> 00:12:53,987

you'll both be dead

and it won't matter?

294

00:12:53,989 —> 00:12:56,139

No! Come on!

295

00:12:56,141 —> 00:12:58,925

You're supposed to say,

"Of course he misses you.

296
00:12:58,927 —> 00:13:01,878
The only reason he's partying is
to cover up his pain."

297
00:13:01,880 —> 00:13:04,531
Oh, no, I don't think
that's true at all.

298
00:13:07,051 —> 00:13:08,435
This is ridiculous.

299
00:13:08,437 —> 00:13:10,937
Why am I upset just because
he's off having a good time?

300
00:13:10,939 —> 00:13:15,158
Well... perhaps you're
obsessively picturing him

301
00:13:15,160 —> 00:13:19,496
engaged in drunken coitus

with another woman.

302

00:13:21,882 —> 00:13:25,518

Is that it?

Did I get it right?

303

00:13:27,038 —> 00:13:28,121

Okay, tha-that's great.

304

00:13:28,123 —> 00:13:30,407

You can stop trying to make me

feel better now.

305

00:13:30,409 —> 00:13:33,176

Actually, I can't.

Before Leonard left,

306

00:13:33,178 —> 00:13:35,662

he made me promise

that I'd take care of you.

307

00:13:35,664 —> 00:13:38,048

He did?

Yes.

308
00:13:38,050 —> 00:13:40,834
Oh, that's really sweet.

309
00:13:40,836 —> 00:13:42,519
Plus, if I do a good job,

310
00:13:42,521 —> 00:13:45,372
he said he'd bring me back
a sailor's cap.

311
00:13:47,274 —> 00:13:49,192
Now I miss him even more.

312
00:13:49,194 —> 00:13:53,780
Well, if it's any consolation,
I'm sure Leonard's tormented

313
00:13:53,782 —> 00:13:59,235
every moment he's away from your
warm embrace and cherry lips.

314

00:14:00,704 —> 00:14:01,671

Thanks.

315

00:14:01,673 —> 00:14:03,540

Oh, seriously?

316

00:14:06,143 —> 00:14:08,578

Uh, excuse me, Mrs. Davis?

317

00:14:08,580 —> 00:14:09,879

What?

318

00:14:09,881 —> 00:14:12,916

I'd like to apologize

for being insensitive.

319

00:14:12,918 —> 00:14:16,636

And for possibly making penguins

seem like jerks,

320

00:14:16,638 —> 00:14:20,140

'cause 99% of them

are stand-up guys.

321

00:14:20,142 —> 00:14:22,175

Forget about it.

322

00:14:23,561 —> 00:14:26,696

You know, you-you and I,

you and I have a lot in common.

323

00:14:26,698 —> 00:14:28,114

Is that right?

324

00:14:28,116 —> 00:14:29,816

Oh, yes, I-I, too,

325

00:14:29,818 —> 00:14:32,435

am in the throes of heartbreak.

326

00:14:32,437 —> 00:14:34,237

Okay, fine,

I'll tell you about it.

327

00:14:36,857 —> 00:14:41,327
Here is a hot beverage
to comfort you.

328
00:14:41,329 —> 00:14:43,229
It's in a to-go cup.

329
00:14:43,231 —> 00:14:45,081
Make of that
what you will.

330
00:14:46,817 —> 00:14:49,702
Come on. It's still early.

331
00:14:49,704 —> 00:14:51,087
Let's do something.

332
00:14:51,089 —> 00:14:56,676
Well, I have been toying around
with an idea for 4-D chess.

333
00:14:56,678 —> 00:14:58,394
How about we just talk?

334

00:14:58,396 —> 00:14:59,446

All right.

335

00:14:59,448 —> 00:15:01,714

In 4-D chess...

No.

336

00:15:02,883 —> 00:15:05,418

Come on, let's talk

about our lives.

337

00:15:05,420 —> 00:15:07,303

Tell me something

about you I don't know.

338

00:15:07,305 —> 00:15:08,721

Hmm.

339

00:15:10,774 —> 00:15:14,177

I own nine pairs of pants.

340

00:15:16,013 —> 00:15:18,014
Okay, that-that's a good start,

341
00:15:18,016 —> 00:15:19,365
but I was thinking
maybe something

342
00:15:19,367 —> 00:15:20,416
a little more personal.

343
00:15:20,418 —> 00:15:22,785
I see.
Hmm.

344
00:15:22,787 —> 00:15:27,190
I own nine pairs
of underpants.

345
00:15:29,493 —> 00:15:31,261
How about I go first?

346
00:15:31,263 —> 00:15:34,414
But I don't want to know

how many underpants you own.

347
00:15:34,416 —> 00:15:36,499
Although, based on the floor
of your bedroom,

348
00:15:36,501 —> 00:15:38,251
I'd say it's a thousand.

349

How rare is it?

65

00:02:51,481 —> 00:02:52,980

Oh, I shouldn't even

have mentioned it.

66

00:02:52,982 —> 00:02:55,650
How about a Batman
squirt gun?

67
00:02:55,652 —> 00:02:57,352
Don't try and trick me

68
00:02:57,354 —> 00:02:59,487
into buying something
I don't want.

69
00:02:59,489 —> 00:03:01,622
Now let's talk Aquaman.

70
00:03:02,758 —> 00:03:05,860
What were they thinking,
putting Doctor Octopus's mind

71
00:03:05,862 —> 00:03:07,562
in Spider-Man's body?

72
00:03:07,564 —> 00:03:09,564
Well, I've been

quite enjoying that.

73

00:03:09,566 —> 00:03:11,866

It combines all the

superhero fun of Spider-Man

74

00:03:11,868 —> 00:03:15,002

with all the body-switching

shenanigans of Freaky Friday.

75

00:03:15,804 —> 00:03:18,773

Both versions:

original and Lohan.

76

00:03:18,775 —> 00:03:21,209

(imitating Koothrappali):

"Both versions: original and Lohan."

77

00:03:21,211 —> 00:03:22,343

You're an idiot.

78

00:03:22,345 —> 00:03:24,545

Hey, what's your problem?

79

00:03:24,547 —> 00:03:26,814

I'm sorry, I've been

kind of snippy lately.

80

00:03:26,816 —> 00:03:29,150

It's probably this

stupid diet I'm on.

81

00:03:29,152 —> 00:03:30,184

Why are you on a diet?

82

00:03:30,186 —> 00:03:32,320

I've put on

a couple pounds.

83

00:03:33,355 —> 00:03:35,757

Had to buy these pants

in the men's section.

84

00:03:37,993 —> 00:03:40,294

Well, we've all

seen your mom.

85

00:03:41,697 —> 00:03:42,864

That Butterball turkey

86

00:03:42,866 —> 00:03:44,999

was bound to come

home to roost.

87

00:03:46,335 —> 00:03:49,036

$1,200!

That's my final offer!

88

00:03:50,305 —> 00:03:52,273

All right, Sheldon,

you win.

89

00:03:52,275 —> 00:03:54,442

I'm sure Leonard

is gonna love this.

90

00:03:54,444 —> 00:03:57,311

Oh, right,

a present for Leonard.

91

00:03:58,313 —> 00:04:00,815

You better throw in

that squirt gun.

92

00:04:00,817 —> 00:04:02,417

Yeah, I don't know.

93

00:04:02,419 —> 00:04:05,453

This squirt gun, it's,

uh, it's pretty rare.

94

00:04:06,288 —> 00:04:08,856

Ooh.

95

00:04:09,958 —> 00:04:13,661

And this is me doing

the Titanic pose on the boat.

96

00:04:13,663 —> 00:04:15,663

Ah.

97

00:04:15,665 —> 00:04:16,864
And... oh.

98
00:04:16,866 —> 00:04:18,766
That's me getting rescued
after I fell in.

99
00:04:18,768 —> 00:04:20,268
Oh.

100
00:04:20,270 —> 00:04:21,636
(knocking)

101
00:04:21,638 —> 00:04:22,537
Oh, that's the pizza.

102
00:04:22,539 —> 00:04:23,638
Yep.
(clears throat)

103
00:04:23,640 —> 00:04:25,373
Here's some money.
Thank you.

104

00:04:25,375 —> 00:04:26,641

And I'm gonna hit the head.

105

00:04:26,643 —> 00:04:28,443

That's what us

salty sea dogs say

106

00:04:28,445 —> 00:04:30,144

when we have to go pee-pee.

107

00:04:32,514 —> 00:04:34,282

Hey.

$22.50.

108

00:04:34,284 —> 00:04:36,217

Okay, here's, uh, $25.

Keep the change.

109

00:04:36,219 —> 00:04:37,418

Seriously?

110

00:04:37,420 —> 00:04:40,087
I just walked up, like,
four flights of stairs.

111
00:04:40,089 —> 00:04:41,088
Oh.

112
00:04:41,090 —> 00:04:42,623
Okay.

113
00:04:42,625 —> 00:04:44,192
Well, here's, um...

114
00:04:44,194 —> 00:04:46,327
30-something cents

115
00:04:46,329 —> 00:04:48,396
and a promise
I won't call your boss

116
00:04:48,398 —> 00:04:51,232
and tell him
you reek of marijuana.

117

00:04:52,768 —> 00:04:55,236

Oh, Penny, I see

you've ordered pizza.

118

00:04:55,238 —> 00:04:56,838

I have Chinese food.

119

00:04:56,840 —> 00:04:57,872

That's nice.

120

00:04:57,874 —> 00:05:01,509

Oh, that's

a rather earthy cologne.

121

00:05:03,445 —> 00:05:06,180

My uncle used

to wear that.

122

00:05:07,182 —> 00:05:09,083

Perhaps we can enjoy

one last meal together

123

00:05:09,085 —> 00:05:10,852

before Leonard returns.

Yeah, thanks,

124

00:05:10,854 —> 00:05:12,520

but I kind of feel like

eating alone tonight, so...

125

00:05:12,522 —> 00:05:13,721

Are you sure?

126

00:05:13,723 —> 00:05:16,390

With your Italian pizza

and my Chinese noodles,

127

00:05:16,392 —> 00:05:17,925

we could play Marco Polo.

128

00:05:17,927 —> 00:05:20,928

I mean, of course, a

reenactment of a meal

129

00:05:20,930 —> 00:05:23,297
in the life of Marco Polo
the Venetian explorer,

130
00:05:23,299 —> 00:05:26,901
not Marco Polo the
terrifying water sport.

131
00:05:26,903 —> 00:05:29,871
Uh, yeah, it sounds fun,
but no thanks.

132
00:05:29,873 —> 00:05:31,305
(toilet flushes)
Have a good night!

133
00:05:31,307 —> 00:05:33,174
What, now...
do you have company?

134
00:05:33,176 —> 00:05:34,909
No. No, no, no.

135

00:05:34,911 —> 00:05:36,577
You know what?
Th-The toilet's been doing that.

136
00:05:36,579 —> 00:05:38,012
I called
the building manager, so...

137
00:05:38,014 —> 00:05:40,147
Oh, I can take a look at it.
Well...

138
00:05:40,149 —> 00:05:41,415
I'm quite familiar
with plumbing.

139
00:05:41,417 —> 00:05:42,717
Not to brag,

140
00:05:42,719 —> 00:05:46,053
but I spent most of fifth grade
with my head in a toilet.

141

00:05:46,055 —> 00:05:47,555
Yeah, no, no, no.

142
00:05:47,557 —> 00:05:49,056
You know what,
Sheldon, it's okay.

143
00:05:49,058 —> 00:05:50,825
You don't have to go
into the bathroom.

144
00:05:50,827 —> 00:05:52,326
That's curious.

145
00:05:52,328 —> 00:05:53,661
If there's no one here,

146
00:05:53,663 —> 00:05:56,931
why are there two glasses
of wine on the table?

147
00:05:56,933 —> 00:05:58,432
Oh.

148

00:05:58,434 —> 00:06:00,301

Well, you know,

I-I've got two hands

149

00:06:00,303 —> 00:06:02,570

and a bit of a drinking problem.

150

00:06:02,572 —> 00:06:04,005

Of course.

151

00:06:04,007 —> 00:06:05,172

Ask a silly question.

152

00:06:05,174 —> 00:06:06,107

Oh. (chuckles)

153

00:06:06,975 —> 00:06:08,809

That's odd.

154

00:06:08,811 —> 00:06:09,610

Um, what?

155

00:06:09,612 —> 00:06:10,845

There are takeout containers

156

00:06:10,847 —> 00:06:12,113

in the trash can.

157

00:06:12,115 —> 00:06:14,649

So? That's my dinner

from last night.

158

00:06:14,651 —> 00:06:17,752

What's odd is

they're in the trash can.

159

00:06:17,754 —> 00:06:19,120

Okay.

160

00:06:19,122 —> 00:06:20,321

Look, honey,

I promise there's no one's here.

161

00:06:20,323 —> 00:06:21,455
I've had a long day.

162
00:06:21,457 —> 00:06:22,990
I just want to have
a quiet dinner by myself.

163
00:06:22,992 —> 00:06:25,426
Oh, very well.

164
00:06:25,428 —> 00:06:28,863
I'm no stranger to enjoying
the pleasures of solitude.

165
00:06:29,765 —> 00:06:32,233
Oh!
What?

166
00:06:32,235 —> 00:06:34,135
Have you gotten Leonard
a welcome-home gift yet?

167
00:06:34,137 —> 00:06:35,269

No.

Oh, great.

168

00:06:35,271 —> 00:06:36,737

Do you want

to go halfsies

169

00:06:36,739 —> 00:06:38,472

on a $200 squirt gun?

170

00:06:41,743 —> 00:06:42,643

Hi, honey.

171

00:06:42,645 —> 00:06:43,644

Hey.

172

00:06:43,646 —> 00:06:45,446

I made some brownies.

You want one?

173

00:06:46,315 —> 00:06:48,149

You're kidding, right?

174

00:06:49,084 —> 00:06:50,284

I mean, you know

175

00:06:50,286 —> 00:06:52,119

I'm trying to lose weight.

176

00:06:52,121 —> 00:06:55,756

God, I thought we were partners

in this marriage.

177

00:06:55,758 —> 00:06:57,391

We are. Stop it.

178

00:06:57,393 —> 00:06:59,226

And for the last time,

you're not fat.

179

00:06:59,228 —> 00:07:01,329

Really? Tell that

to the bathroom scale,

180

00:07:01,331 —> 00:07:03,664

'cause one of you is lying.

181

00:07:03,666 —> 00:07:06,000

Fine, forget I asked.

182

00:07:06,002 —> 00:07:08,169

How was dinner

at your mom's?

183

00:07:08,171 —> 00:07:09,236

Awful.

184

00:07:09,238 —> 00:07:11,706

I had to rub her ointment

all over her again.

185

00:07:11,708 —> 00:07:13,274

Why can't she do it?

186

00:07:13,276 —> 00:07:16,544

'Cause we've got a deeply

unhealthy relationship.

187

00:07:17,579 —> 00:07:19,046

Which reminds me,

188

00:07:19,048 —> 00:07:21,382

do you think you can get

any samples of this from work?

189

00:07:21,384 —> 00:07:23,017

This was supposed

to last her a month,

190

00:07:23,019 —> 00:07:24,251

but they didn't take

into account

191

00:07:24,253 —> 00:07:26,220

the square footage of her back.

192

00:07:28,056 —> 00:07:30,625

Let me see.

193

00:07:30,627 —> 00:07:32,326

How long have you been
putting this on her?

194
00:07:32,328 —> 00:07:33,494
I don't know.

195
00:07:33,496 —> 00:07:34,462
Few weeks. Why?

196
00:07:34,464 —> 00:07:37,264
This is really strong
estrogen cream.

197
00:07:37,266 —> 00:07:39,066
Please tell me
you've been wearing gloves.

198
00:07:39,068 —> 00:07:41,802
Like these swollen sausages
could fit in gloves.

199
00:07:43,505 —> 00:07:45,773
Howie, the estrogen's getting

absorbed by your skin.

200

00:07:45,775 —> 00:07:47,141

That's why you've been

201

00:07:47,143 —> 00:07:51,112

all bloated and moody

and a giant pain in the ass.

202

00:07:51,114 —> 00:07:54,482

You're full of estrogen

and you don't act like that.

203

00:07:54,484 —> 00:07:55,750

That's 'cause I'm a woman.

204

00:07:55,752 —> 00:07:59,353

I've had years of practice

riding the dragon.

205

00:08:00,722 —> 00:08:01,956

Fine.

206

00:08:01,958 —> 00:08:03,391

I'll wear gloves next time.

207

00:08:03,393 —> 00:08:04,892

It's still gonna take

a few weeks

208

00:08:04,894 —> 00:08:06,494

for the hormones

to leave your system.

209

00:08:06,496 —> 00:08:08,963

I feel so stupid.

210

00:08:08,965 —> 00:08:11,732

And fat.

211

00:08:11,734 —> 00:08:13,134

It's okay.

212

00:08:13,136 —> 00:08:15,202

You still look

great to me.

213
00:08:15,204 —> 00:08:17,271
In fact, why don't
we go in the bedroom

214
00:08:17,273 —> 00:08:19,306
and I'll prove
it to you?

215
00:08:19,308 —> 00:08:20,675
Sex? Really?

216
00:08:20,677 —> 00:08:23,077
I mean, that's just
your solution to everything!

217
00:08:25,447 —> 00:08:27,014
Oh, and here's
a fun thing.

218
00:08:27,016 —> 00:08:28,949
I worked it out

so that there are

219
00:08:28,951 —> 00:08:30,384
two different
words for spoon:

220
00:08:30,386 —> 00:08:32,987
"planko" and "janko."

221
00:08:32,989 —> 00:08:35,322
"Planko" is a spoon
with food,

222
00:08:35,324 —> 00:08:37,324
"janko" is a spoon
without food.

223
00:08:39,094 —> 00:08:41,228
"Janko" is spelled
with a silent "ptang."

224
00:08:43,298 —> 00:08:45,266
Sheldon, you're

not even listening

225
00:08:45,268 —> 00:08:47,635
to the rules of my
made-up language.

226
00:08:47,637 —> 00:08:49,036
Yes, I am.

227
00:08:49,038 —> 00:08:50,905
Then what does
"tweepadock" mean?

228
00:08:50,907 —> 00:08:52,606
Uh...

229
00:08:52,608 —> 00:08:53,974
elephant?

230
00:08:53,976 —> 00:08:56,243
Lucky guess.

231

00:08:58,847 —> 00:09:00,081
I'm sorry.

232
00:09:00,083 —> 00:09:01,749
I'm just distracted
by something

233
00:09:01,751 —> 00:09:03,250
that happened over at Penny's.

234
00:09:03,252 —> 00:09:04,385
What happened?

235
00:09:04,387 —> 00:09:07,288
I fear Penny is being
unfaithful to Leonard.

236
00:09:07,290 —> 00:09:08,355
What?

237
00:09:08,357 —> 00:09:10,291
She claimed to be alone

238

00:09:10,293 —> 00:09:13,294

when there was obviously

someone else in her apartment.

239

00:09:13,296 —> 00:09:15,796

I have no choice but

to assume the worst,

240

00:09:15,798 —> 00:09:18,232

given Leonard's

lengthy sea voyage

241

00:09:18,234 —> 00:09:21,602

and her famously

ravenous nether regions.

242

00:09:22,604 —> 00:09:24,605

I don't think Penny

would cheat on Leonard.

243

00:09:24,607 —> 00:09:25,840

Oh, really?

244

00:09:25,842 —> 00:09:27,208

(chuckles)

245

00:09:28,643 —> 00:09:31,445

She and I once had

a staring contest.

246

00:09:31,447 —> 00:09:34,482

She clapped really loud

and made me blink.

247

00:09:35,684 —> 00:09:38,953

It's a small leap from

there to sexual infidelity.

248

00:09:40,856 —> 00:09:42,890

You're being ridiculous.

249

00:09:42,892 —> 00:09:45,426

Amy, there were Chinese

food containers...

250

00:09:45,428 —> 00:09:47,661
in the trash can.

251
00:09:49,498 —> 00:09:51,198
Poor Leonard.

252
00:09:56,938 —> 00:09:58,439
Do you hear anything?

253
00:09:58,441 —> 00:10:00,441
I hear a woman's voice.

254
00:10:00,443 —> 00:10:01,675
Is it Penny?

255
00:10:01,677 —> 00:10:03,344
No, it's you.

256
00:10:05,914 —> 00:10:08,516
All right,
I hear whispering and giggling.

257

00:10:08,518 —> 00:10:10,017
Now I think
I hear kissing.

258
00:10:10,019 —> 00:10:12,987
Yeah, like you know
what kissing sounds like.

259
00:10:12,989 —> 00:10:16,524
There's kissing
in Star Trek, smarty-pants.

260
00:10:16,526 —> 00:10:18,359
Let me listen.

261
00:10:20,829 —> 00:10:22,196
(whispering):
Sounds like Leonard.

262
00:10:22,198 —> 00:10:23,531
Please.

263
00:10:23,533 —> 00:10:25,566

Why would Leonard
come home early

264
00:10:25,568 —> 00:10:27,568
and waste his time kissing Penny

265
00:10:27,570 —> 00:10:30,771
when he could be hanging out
with his best buddy?

266
00:10:31,973 —> 00:10:33,374
Yeah, that's it.

267
00:10:33,376 —> 00:10:35,042
I'm catching
her in the act.

268
00:10:35,044 —> 00:10:37,077
No, Sheldon, don't.

269
00:10:37,079 —> 00:10:38,412
Aha!

270

00:10:38,414 —> 00:10:39,780

What the hell?!

271

00:10:39,782 —> 00:10:41,048

Leonard?

272

00:10:41,050 —> 00:10:43,017

Sheldon, you cannot just

barge in here like that!

273

00:10:43,019 —> 00:10:45,219

Right.

274

00:10:47,556 —> 00:10:48,556

(knocking) Penny!

275

00:10:48,558 —> 00:10:51,125

(knocking) Penny!

(knocking) Penny!

276

00:10:53,995 —> 00:10:55,462

Are you going to

277

00:10:55,464 —> 00:10:58,532

answer the door or should I

open it and say "aha" again?

278

00:11:06,909 —> 00:11:08,510

I'm sorry, Sheldon.

279

00:11:08,512 —> 00:11:09,678

I should've told you I was back.

280

00:11:09,680 —> 00:11:11,580

I just wanted to have

a couple days alone with Penny.

281

00:11:11,582 —> 00:11:13,415

Oh, no, I should apologize.

282

00:11:13,417 —> 00:11:15,584

Uh, I never realized

to what extent

283

00:11:15,586 —> 00:11:17,619
our friendship was
a burden to you.

284
00:11:17,621 —> 00:11:19,287
(scoffs)
That is not fair.

285
00:11:19,289 —> 00:11:22,624
I complain about what a burden
it is at least once a month.

286
00:11:22,626 —> 00:11:24,225
Oh, no, no,
let's not sugarcoat this.

287
00:11:24,227 —> 00:11:28,196
You find me finicky,
pedantic and annoying.

288
00:11:28,198 —> 00:11:29,431
No, he doesn't.

289

00:11:29,433 —> 00:11:33,735
I actually have used
those exact words before.

290
00:11:33,737 —> 00:11:35,437
In that order.

291
00:11:36,739 —> 00:11:38,506
Well, Leonard,
I think it's high time

292
00:11:38,508 —> 00:11:42,010
you and I address
the "tweepadock" in the room.

293
00:11:42,012 —> 00:11:43,912
The what?

294
00:11:43,914 —> 00:11:45,714
Amy?
Please leave me out of this.

295
00:11:45,716 —> 00:11:47,515

Uh... fine.

296

00:11:47,517 —> 00:11:48,683

Leonard,

297

00:11:48,685 —> 00:11:49,985

there's no need for you

298

00:11:49,987 —> 00:11:51,453

to pretend to like me anymore.

299

00:11:51,455 —> 00:11:53,154

Come on, I said I was sorry.

300

00:11:53,156 —> 00:11:54,756

No, no, you save your apologies

301

00:11:54,758 —> 00:11:58,126

for after you've had

disappointing coitus with Penny.

302

00:12:00,129 —> 00:12:02,831

It was fine.

303
00:12:02,833 —> 00:12:04,499
Come on, this is silly.

304
00:12:04,501 —> 00:12:06,301
Hey, um, I brought you back

305
00:12:06,303 —> 00:12:09,638
a little present
from my trip, huh?

306
00:12:10,706 —> 00:12:12,507
It's that sailor cap
that you wanted.

307
00:12:12,509 —> 00:12:13,975
It's neat, huh?

308
00:12:15,011 —> 00:12:17,646
You honestly think you can
buy back my friendship

309

00:12:17,648 —> 00:12:19,047

with a cheap souvenir?

310

00:12:19,049 —> 00:12:20,882

I don't.

311

00:12:20,884 —> 00:12:21,950

No, I really don't.

312

00:12:21,952 —> 00:12:23,451

Just try it on.

313

00:12:26,622 —> 00:12:28,456

Oh, yeah.

314

00:12:28,458 —> 00:12:30,358

Hello, sailor.

Ooh, now we're talking.

315

00:12:30,360 —> 00:12:31,860

(whoops)

316

00:12:32,695 —> 00:12:34,629

Excuse me.

317

00:12:43,172 —> 00:12:45,240

This changes nothing.

318

00:12:46,175 —> 00:12:47,375

Except the Halloween costume

319

00:12:47,377 —> 00:12:48,710

I'm wearing this year.

320

00:12:49,879 —> 00:12:51,646

Amy, you're going

to be Olive Oyl.

321

00:12:51,648 —> 00:12:53,214

Lay off the donuts.

322

00:12:56,919 —> 00:12:58,853

Thanks for coming over.

323

00:12:58,855 —> 00:12:59,754

No problem.

324

00:12:59,756 —> 00:13:01,556

Ooh, you made

little sandwiches!

325

00:13:01,558 —> 00:13:04,259

Yeah, that's cucumber

and cream cheese.

326

00:13:04,261 —> 00:13:05,960

That's turkey and loganberry.

327

00:13:05,962 —> 00:13:09,764

And don't tell my hips, but I'm

warming up a brie in the oven.

328

00:13:09,766 —> 00:13:11,766

Nice. So...

329

00:13:11,768 —> 00:13:13,735

Mmm. What's up?

330

00:13:13,737 —> 00:13:16,805

Okay, well, I've been reading up

on all the side effects

331

00:13:16,807 —> 00:13:18,807

you can get from estrogen,

332

00:13:18,809 —> 00:13:20,141

and...

333

00:13:20,143 —> 00:13:22,844

I need you to be honest with me.

334

00:13:22,846 —> 00:13:26,347

Do my boobs look bigger to you?

335

00:13:26,349 —> 00:13:29,150

Well, it's kind of hard to tell.

336

00:13:29,152 —> 00:13:31,119

Come on, Raj,

it's a "yes or no" question.

337

00:13:31,121 —> 00:13:32,454

I'm not sure.

338

00:13:32,456 —> 00:13:34,456

Um, wait.

339

00:13:34,458 —> 00:13:37,125

Jump up and down—

let's see if they jiggle.

340

00:13:43,432 —> 00:13:45,333

Uh, no, I...

341

00:13:45,335 —> 00:13:47,068

I still can't tell, uh...

342

00:13:47,070 —> 00:13:49,971

Oh, you know what?

Okay, uh, give me some of this.

343

00:13:53,042 —> 00:13:54,209

Seriously?

344

00:13:54,211 —> 00:13:55,577

Do you want my help or not?

345

00:13:56,412 —> 00:13:58,613

Fine.

346

00:14:03,552 —> 00:14:05,019

Okay, yup.

347

00:14:05,021 —> 00:14:07,689

See, see, that-that

looks like...

348

00:14:07,691 —> 00:14:08,790

that looks like

they could be bigger.

349

00:14:08,792 —> 00:14:09,858

(sighs)

350

00:14:09,860 —> 00:14:11,826

But you know, I bet...

I bet when I do it,

351

00:14:11,828 —> 00:14:14,896

mine do the same thing.

352

00:14:18,601 —> 00:14:20,001

Yeah, they kind of do.

353

00:14:20,003 —> 00:14:21,803

Hmm. Uh, let me

see something.

354

00:14:21,805 —> 00:14:24,506

Hey, easy!

(chuckles)

355

00:14:24,508 —> 00:14:26,141

My nipples are sensitive.

356

00:14:26,143 —> 00:14:27,142

Oh.

357

00:14:27,144 —> 00:14:28,309

Sorry, sorry, uh...

358

00:14:28,311 —> 00:14:29,811

(exhaling)

359

00:14:29,813 —> 00:14:32,013

Okay.

360

00:14:36,752 —> 00:14:38,953

I mean...

361

00:14:40,790 —> 00:14:42,824

Yeah, m-maybe.

362

00:14:42,826 —> 00:14:44,993

Okay, let me feel.

363

00:14:52,768 —> 00:14:56,304

No, I am definitely

up a cup size.

364

00:14:56,306 —> 00:14:57,539

You know, b-but

they're very firm,

365

00:14:57,541 —> 00:14:59,207

so you've got that

going for you.

366

00:14:59,209 —> 00:15:00,241

You think?

367

00:15:00,243 —> 00:15:02,443

Yeah, yeah, yeah,

very perky.

368

00:15:03,379 —> 00:15:04,712

Thank you.

369

00:15:04,714 —> 00:15:06,714

I really needed

to hear that today.

370

00:15:09,652 —> 00:15:10,952

(bell dings)

Ooh, brie's ready!

371

00:15:10,954 —> 00:15:13,021

Yay!

372

00:15:16,992 —> 00:15:17,992

Good morning.

373

00:15:17,994 —> 00:15:19,294

Hello.

374

00:15:19,296 —> 00:15:21,896

So am I driving

you to work

375

00:15:21,898 —> 00:15:23,731

or are you still mad at me?

376

00:15:23,733 —> 00:15:25,400
I'd like a ride.

377
00:15:26,235 —> 00:15:27,569
Assuming you actually do

378
00:15:27,571 —> 00:15:28,970
take me to work.

379
00:15:28,972 —> 00:15:30,839
Where do you think
I would take you?

380
00:15:30,841 —> 00:15:32,874
Who knows?

381
00:15:32,876 —> 00:15:34,943
Uh, you said
you'd be home yesterday,

382
00:15:34,945 —> 00:15:37,045
but you came home
three days ago.

383

00:15:37,047 —> 00:15:38,379

You say you're

taking me

384

00:15:38,381 —> 00:15:40,615

to work, but for all I know,

385

00:15:40,617 —> 00:15:44,285

I'll end up

in a deserted amusement park.

386

00:15:44,287 —> 00:15:46,921

Or a cornfield maze.

387

00:15:46,923 —> 00:15:48,723

Or a back alley dog fight.

388

00:15:48,725 —> 00:15:50,491

You tell me.

389

00:15:51,360 —> 00:15:52,427

I'm going to work.

390

00:15:52,429 —> 00:15:53,862

You can come if you want.

391

00:15:53,864 —> 00:15:56,064

Okay.

392

00:15:56,066 —> 00:15:59,434

By the way, you have

something on your shirt.

393

00:15:59,436 —> 00:16:00,935

No, I don't.

394

00:16:00,937 —> 00:16:02,403

Hurts, doesn't it?

395

00:16:07,343 —> 00:16:09,477

You know, I find

myself wondering

396

00:16:09,479 —> 00:16:11,946
if anything you've
ever told me is true.

397
00:16:11,948 —> 00:16:13,481
I didn't make it back.

398
00:16:13,483 —> 00:16:15,683
The ship sank,
I'm in hell.

399
00:16:17,853 —> 00:16:21,823
You say you're from New Jersey,
but how can I believe you?

400
00:16:21,825 —> 00:16:24,692
Why would anyone claim
to be from New Jersey

401
00:16:24,694 —> 00:16:26,828
if they weren't?

402
00:16:28,664 —> 00:16:30,865

All right,

I'll give you that one.

403

00:16:30,867 —> 00:16:33,534

Hey, I said

I was sorry.

404

00:16:33,536 —> 00:16:35,169

What else

do you want from me?

405

00:16:35,171 —> 00:16:37,171

I want you to admit that

what you did was wrong.

406

00:16:37,173 —> 00:16:38,172

Fine.

407

00:16:38,174 —> 00:16:40,475

What I did was wrong.

408

00:16:40,477 —> 00:16:42,176

I wish I could

believe you.

409
00:16:42,178 —> 00:16:43,945
(groans)

410
00:16:43,947 —> 00:16:44,946
You know what?

411
00:16:44,948 —> 00:16:46,281
I'm not driving
you to work,

412
00:16:46,283 —> 00:16:47,916
because you're
incredibly annoying.

413
00:16:47,918 —> 00:16:50,718
You say one thing
and do the other,

414
00:16:50,720 —> 00:16:54,522
so then you are driving me
and you find me a delight.

00:05:00,304 —> 00:05:01,837
was because Indy
found it first.

106
00:05:01,839 —> 00:05:03,789
Actually, they were
only digging in the wrong place

107
00:05:03,791 —> 00:05:05,057
because Indy had
the medallion.

108
00:05:05,059 —> 00:05:06,625
Without him, they would have
had the medallion

109
00:05:06,627 —> 00:05:08,460
and dug in the right place.

110
00:05:10,330 —> 00:05:12,648
Aw! Aw!
Aw!

111

00:05:16,403 —> 00:05:17,803

Okay, I know you don't

112

00:05:17,805 —> 00:05:19,188

want to talk about it,

113

00:05:19,190 —> 00:05:21,724

but can I just ask you one

question about your mom's book?

114

00:05:21,726 —> 00:05:22,658

No.

115

00:05:22,660 —> 00:05:24,093

I just want to know

116

00:05:24,095 —> 00:05:26,428

why a five-year-old boy

puts on his mom's makeup

117

00:05:26,430 —> 00:05:29,115

and wears balloon boobies.

118

00:05:31,618 —> 00:05:34,286

They weren't boobies,

they were muscles.

119

00:05:34,288 —> 00:05:35,538

And the makeup was green.

120

00:05:35,540 —> 00:05:37,840

I was pretending

to be The Hulk.

121

00:05:37,842 —> 00:05:40,259

You were wearing

her bra.

122

00:05:40,261 —> 00:05:41,961

That was to keep my muscles

from sagging!

123

00:05:41,963 —> 00:05:44,597

Can we please stop talking

about this?!

124

00:05:44,599 —> 00:05:46,715

Okay, okay.

125

00:05:46,717 —> 00:05:48,050

But you know,

as a student of psychology

126

00:05:48,052 —> 00:05:52,221

who got a check-plus on

her first homework assignment...

127

00:05:52,223 —> 00:05:54,857

I think, sometimes, it's good

to open up about these things.

128

00:05:54,859 —> 00:05:56,025

Okay, fine.

129

00:05:56,027 —> 00:05:58,110

Do you want to know why

I dressed like The Hulk?

130

00:05:58,112 —> 00:05:59,812

Because I was always mad

at my mom

131

00:05:59,814 —> 00:06:02,214

and I wanted to smash

my way out of that house.

132

00:06:02,216 —> 00:06:04,216

Well, why were you so angry?

133

00:06:04,218 —> 00:06:06,702

Gee, I don't know.

Maybe it's because

134

00:06:06,704 —> 00:06:08,787

I was always the subject

of her little experiments.

135

00:06:08,789 —> 00:06:11,657

Did you get to the chapter where

she staged the Easter egg hunt

136

00:06:11,659 —> 00:06:14,326

with no eggs to see

how long I'd keep looking?

137

00:06:16,129 —> 00:06:18,664

The answer, by the way: June.

138

00:06:20,133 —> 00:06:22,384

Sweetie, I'm so sorry.

I wish there was something

139

00:06:22,386 —> 00:06:24,253

I could do to make you

feel better.

140

00:06:24,255 —> 00:06:26,055

I do, too, but there's not.

141

00:06:26,057 —> 00:06:28,641

Really?

Are you sure about that?

142

00:06:31,544 —> 00:06:34,513

Of course, who am I to argue

with a check-plus student?

143

00:06:35,465 —> 00:06:36,515

Mmm...

144

00:06:36,517 —> 00:06:37,983

Just warning you—

I'm gonna go right.

145

00:06:37,985 —> 00:06:39,885

Don't make a big deal

out of it.

146

00:06:48,445 —> 00:06:50,963

Is makeup really necessary?

147

00:06:50,965 —> 00:06:53,365

Well, when someone looks

at your dating profile,

148

00:06:53,367 —> 00:06:54,934
the first thing they see
is your picture.

149
00:06:54,936 —> 00:06:56,835
I just want to make
sure you look fun

150
00:06:56,837 —> 00:06:58,704
and full of life
and not like a body

151
00:06:58,706 —> 00:07:00,372
they just pulled out
of the river.

152
00:07:01,858 —> 00:07:05,244
All right,
here we go, and...

153
00:07:05,246 —> 00:07:06,428
smile.

154

00:07:11,251 —> 00:07:13,869
Okay, uh-uh,
that one's in the bank.

155
00:07:13,871 —> 00:07:15,854
How about this?

156
00:07:15,856 —> 00:07:18,390
Turn away,
and then turn back into it.

157
00:07:18,392 —> 00:07:19,892
But when you do,

158
00:07:19,894 —> 00:07:22,878
imagine the camera is the girl
you want to meet.

159
00:07:22,880 —> 00:07:24,863
You got it.

160
00:07:33,873 —> 00:07:35,090
Okay, uh,

161

00:07:35,092 —> 00:07:37,660

let's try it again.

162

00:07:37,662 —> 00:07:40,579

Uh, but this time, pretend

the girl you want to meet

163

00:07:40,581 —> 00:07:42,381

doesn't want to hurt you.

164

00:07:42,383 —> 00:07:45,935

I don't think

I can give you that.

165

00:07:45,937 —> 00:07:47,720

Come on. One more time.

166

00:07:57,097 —> 00:07:59,982

Yeah, it's,

it's a little blurry,

167

00:07:59,984 —> 00:08:02,418
but I think that works
in your favor.

168
00:08:02,420 —> 00:08:03,736
Do you want a beer?

169
00:08:03,738 —> 00:08:05,254
Sure.

170
00:08:05,256 —> 00:08:07,406
Hey, have you finished writing
your profile yet?

171
00:08:07,408 —> 00:08:08,907
Almost.

172
00:08:08,909 —> 00:08:10,025
Oh, what did you put

173
00:08:10,027 —> 00:08:12,027
as the one-word description
of yourself?

174

00:08:12,029 —> 00:08:14,646

I put: unobjectionable.

175

00:08:15,632 —> 00:08:17,199

But now that I hear it out loud,

176

00:08:17,201 —> 00:08:19,468

it just seems like

I'm being cocky.

177

00:08:19,470 —> 00:08:21,520

What did you put

for your best feature?

178

00:08:21,522 —> 00:08:23,172

My parents' money.

179

00:08:24,758 —> 00:08:27,126

Uh, what did you put

for your best feature?

180

00:08:27,128 —> 00:08:30,045
I put: not applicable.

181
00:08:30,047 —> 00:08:32,497
Come on, dude, you're being
too hard on yourself.

182
00:08:32,499 —> 00:08:34,499
You've got a lot
of good stuff going on.

183
00:08:34,501 —> 00:08:35,901
Really? Like what?

184
00:08:35,903 —> 00:08:38,537
Well, okay, you're a,
you're a talented artist,

185
00:08:38,539 —> 00:08:40,472
you own your own business.

186
00:08:40,474 —> 00:08:43,409
Neither of those things have

ever helped me meet a woman.

187

00:08:43,411 —> 00:08:47,129

Okay, well, can we imply

188

00:08:47,131 —> 00:08:49,448

that you're well-endowed?

189

00:08:49,450 —> 00:08:53,902

I do have one

oddly long testicle.

190

00:08:54,921 —> 00:08:58,190

Okay, now you're talking

like a winner!

191

00:09:01,828 —> 00:09:04,179

Whatcha doin'?

192

00:09:04,181 —> 00:09:06,865

Oh, it turns out Amy's beloved

Pride and Prejudice

193

00:09:06,867 —> 00:09:09,335

is a flawless masterpiece.

194

00:09:10,220 —> 00:09:11,670

He's got too much pride,

195

00:09:11,672 —> 00:09:14,640

she's got too much prejudice—

it just works.

196

00:09:14,642 —> 00:09:16,541

So you're looking

to ruin something for her

197

00:09:16,543 —> 00:09:17,760

in the funny pages?

198

00:09:17,762 —> 00:09:21,680

Amy has a fondness for

the comic strip Marmaduke.

199

00:09:21,682 —> 00:09:24,316

Mm-hmm. And...?

200
00:09:24,318 —> 00:09:26,902
And I think I've got it.
Consider:

201
00:09:26,904 —> 00:09:30,022
a family possesses a dog
that is so large

202
00:09:30,024 —> 00:09:33,725
and poorly disciplined,
he causes nothing but problems.

203
00:09:33,727 —> 00:09:36,445
Why do they keep him?!

204
00:09:36,447 —> 00:09:39,248
Maybe they fell in love with him
as a puppy

205
00:09:39,250 —> 00:09:41,333
and didn't know how big

he was gonna be.

206
00:09:41,335 —> 00:09:43,986
Of course.

207
00:09:43,988 —> 00:09:46,171
You know, why couldn't she
just like Ziggy?

208
00:09:46,173 —> 00:09:47,239
Yeah?

209
00:09:47,241 —> 00:09:49,358
That thing's riddled
with plot holes.

210
00:09:50,960 —> 00:09:52,795
Sorry, buddy.
Ooh!

211
00:09:52,797 —> 00:09:55,881
I think she's a fan
of Garfield as well.

212

00:09:55,883 —> 00:09:56,849

(laughs)

213

00:09:56,851 —> 00:09:59,768

Oh, darn it, now so am I.

214

00:09:59,770 —> 00:10:01,086

I'll see you later.

215

00:10:01,088 —> 00:10:02,988

I gotta go watch a stupid

football game with Penny.

216

00:10:02,990 —> 00:10:04,690

Wait— hang on.

217

00:10:04,692 —> 00:10:05,974

You've spent time with Amy.

218

00:10:05,976 —> 00:10:08,694

Can you think of anything

she's fond of

219
00:10:08,696 —> 00:10:12,731
that has a bunch of flaws
she hasn't noticed?

220
00:10:16,569 —> 00:10:18,770
I gotta go.

221
00:10:23,042 —> 00:10:24,393
You ready to go?

222
00:10:24,395 —> 00:10:26,578
Yep. Hey, and maybe this time

223
00:10:26,580 —> 00:10:29,465
you don't try and talk sports
with the guys.

224
00:10:29,467 —> 00:10:31,216
Some sports bar.

225

00:10:31,218 —> 00:10:33,385
It's like they never
even heard of Quidditch.

226
00:10:34,270 —> 00:10:35,554
Do we really have to go?

227
00:10:35,556 —> 00:10:36,955
Oh, come on.
Every time we're about

228
00:10:36,957 —> 00:10:38,574
to hang out with my friends,
you don't want to.

229
00:10:38,576 —> 00:10:39,741
It's like, "It's too loud,"

230
00:10:39,743 —> 00:10:41,626
or "the bathroom's too dirty,"

231
00:10:41,628 —> 00:10:44,229
or "they put a chicken wing

in my ear..." I mean...

232
00:10:44,231 —> 00:10:46,131
Well, you're-you're right.

233
00:10:46,133 —> 00:10:47,132
Let's just go.

234
00:10:47,134 —> 00:10:48,750
Hey, what's going on with you?

235
00:10:48,752 —> 00:10:49,634
Nothing, I'm fine.

236
00:10:49,636 —> 00:10:51,186
All right, hang on.

237
00:10:51,188 —> 00:10:52,721
is this still about
your mom's book?

238
00:10:52,723 —> 00:10:55,407

No. Not everything is
about my mom.

239
00:10:55,409 —> 00:10:56,808
'Cause if you're still
upset about that,

240
00:10:56,810 —> 00:10:57,876
we don't have to go.

241
00:10:57,878 —> 00:10:59,828
Except this is
totally about my mom.

242
00:11:01,814 —> 00:11:03,031
I'm so sorry.

243
00:11:03,033 —> 00:11:04,316
I never should have
read that book.

244
00:11:04,318 —> 00:11:05,751
You know what?

You want to just get dinner

245
00:11:05,753 —> 00:11:06,668
and watch the game here?

246
00:11:06,670 —> 00:11:09,838
That sounds nice. Yeah.
Okay.

247
00:11:09,840 —> 00:11:11,790
Or, you know,
we could get take-out

248
00:11:11,792 —> 00:11:12,991
and watch the Blu-ray
extended version

249
00:11:12,993 —> 00:11:15,761
of The Hobbit movie
with commentary track.

250
00:11:18,831 —> 00:11:21,750
On account of how sad

I am about my mom.

251

00:11:31,034 —> 00:11:32,468

Leonard, you ready for lunch?

252

00:11:32,470 —> 00:11:34,637

LEONARD:

One sec!

253

00:11:35,856 —> 00:11:36,589

Hey. Sorry.

254

00:11:36,591 —> 00:11:38,391

(panting)

255

00:11:38,393 —> 00:11:40,510

Hi, Penny.

256

00:11:40,512 —> 00:11:41,511

Hi.

257

00:11:41,513 —> 00:11:42,612

All right, sweetie.

258

00:11:42,614 —> 00:11:43,980

You hang in there today.

259

00:11:43,982 —> 00:11:45,815

I'll try, but I might

be sad again tonight.

260

00:11:45,817 —> 00:11:47,400

Okay.

261

00:11:49,686 —> 00:11:51,104

Wow!

262

00:11:51,106 —> 00:11:53,322

Sex at work?!

263

00:11:53,324 —> 00:11:54,357

Leave it alone.

264

00:11:54,359 —> 00:11:55,391

That's my girlfriend.

265
00:11:55,393 —> 00:11:56,392
Sorry.

266
00:11:56,394 —> 00:11:58,678
Who just had sex
with me at work!

267
00:11:58,680 —> 00:11:59,612
(laughing)

268
00:11:59,614 —> 00:12:01,464
Damn. How'd you
swing that?

269
00:12:01,466 —> 00:12:03,783
Well, whenever I
talk about how
awful my mom was,

270
00:12:03,785 —> 00:12:05,901
Penny will do anything

to make me feel better.

271
00:12:05,903 —> 00:12:07,303
Seriously?
Look, I mean...

272
00:12:07,305 —> 00:12:10,473
I'm not proud of it,
but it does work.

273
00:12:10,475 —> 00:12:11,507
I-I got her to watch

274
00:12:11,509 —> 00:12:14,761
a six-part documentary
on Monty Python.

275
00:12:15,745 —> 00:12:17,463
Even I was bored,
I just wanted to see

276
00:12:17,465 —> 00:12:18,914
if she'd make it

to the end.

277
00:12:18,916 —> 00:12:21,184
You sound kind of
proud of it.

278
00:12:21,186 —> 00:12:22,085
I am; I'm really proud.

279
00:12:22,087 —> 00:12:23,770
(laughs)
Yeah.

280
00:12:24,988 —> 00:12:26,572
Hello, Sheldon.

281
00:12:26,574 —> 00:12:27,573
Is everything okay?

282
00:12:27,575 —> 00:12:28,574
Yes.

283

00:12:28,576 —> 00:12:29,709
Why?

284
00:12:29,711 —> 00:12:30,927
Well, the last time you made

285
00:12:30,929 —> 00:12:32,061
an unscheduled video-chat,

286
00:12:32,063 —> 00:12:34,130
there was a curly fry
in your regular fries

287
00:12:34,132 —> 00:12:37,867
and you thought someone might be
trying to slip you a mickey.

288
00:12:38,936 —> 00:12:40,970
April 13...

289
00:12:40,972 —> 00:12:43,940
a dark night, indeed.

290

00:12:43,942 —> 00:12:45,641

So what can I do for you?

291

00:12:45,643 —> 00:12:47,743

I'm calling to invite you

292

00:12:47,745 —> 00:12:50,596

to a spontaneous date night

tomorrow evening.

293

00:12:50,598 —> 00:12:51,481

Really?

294

00:12:51,483 —> 00:12:52,781

Yes.

295

00:12:52,783 —> 00:12:54,050

You were kind enough

296

00:12:54,052 —> 00:12:55,968

to watch Raiders of

the Lost Ark with me.

297

00:12:55,970 —> 00:12:58,421

So I'd like to return the favor

298

00:12:58,423 —> 00:13:00,289

by inviting you

to watch an episode

299

00:13:00,291 —> 00:13:03,142

of your favorite childhood

television series,

300

00:13:03,144 —> 00:13:05,394

Little House on the Prairie.

301

00:13:07,130 —> 00:13:09,465

That sounds lovely.

302

00:13:09,467 —> 00:13:11,651

Why are you

rubbing your hands together?

303

00:13:14,221 —> 00:13:16,105

Um...

304

00:13:16,107 —> 00:13:17,240

I'm putting on lotion.

305

00:13:17,242 —> 00:13:18,741

Are you in or not?

306

00:13:18,743 —> 00:13:20,409

Of course I'm in.

307

00:13:20,411 —> 00:13:21,661

Excellent.

308

00:13:21,663 —> 00:13:23,579

Then I shall see you tomorrow.

309

00:13:23,581 —> 00:13:24,797

Good night, Dr. Fowler.

310

00:13:24,799 —> 00:13:26,349

Good night, Dr. Cooper.

311

00:13:26,351 —> 00:13:29,252

Good night, indeed.

312

00:13:30,621 —> 00:13:31,921

What a rube.

313

00:13:31,923 —> 00:13:34,874

Why would I put on lotion

when I have such soft hands?

314

00:13:37,160 —> 00:13:38,994

You were really

quiet during dinner.

315

00:13:38,996 —> 00:13:39,962

Is everything okay?

316

00:13:39,964 —> 00:13:41,013

Yeah.

317

00:13:41,015 —> 00:13:42,882
I guess I was just
thinking about my mom,

318
00:13:42,884 —> 00:13:45,167
and how sad
my childhood was.

319
00:13:48,088 —> 00:13:49,355
Yeah, I bet it sucked.

320
00:13:49,357 —> 00:13:50,723
I'm gonna take a bath;
you do the dishes.

321
00:13:50,725 —> 00:13:53,609
How about I take
a bath with you

322
00:13:53,611 —> 00:13:55,361
and see what happens.

323
00:13:56,363 —> 00:13:57,563

Here's what's gonna happen:

324

00:13:57,565 —> 00:13:58,614

I'm gonna take a bath,

325

00:13:58,616 —> 00:13:59,949

and you're gonna do the dishes.

326

00:13:59,951 —> 00:14:01,117

That's it?

327

00:14:01,119 —> 00:14:02,902

No compassion?

328

00:14:02,904 —> 00:14:04,120

Aw, poor Howie.

329

00:14:04,122 —> 00:14:05,271

We good?

I'm gonna take a bath.

330

00:14:05,273 —> 00:14:07,323

Bernie...

331

00:14:07,325 —> 00:14:09,492

God, what is going on with you?

332

00:14:09,494 —> 00:14:11,644

I'm sharing my pain.

333

00:14:12,629 —> 00:14:15,882

And I'm not buying it.

Try again.

334

00:14:17,234 —> 00:14:20,136

I'm learning to be

a man in a culture

335

00:14:20,138 —> 00:14:22,871

where it's increasingly

difficult to know how...?

336

00:14:22,873 —> 00:14:25,825

Strike two.

337

00:14:25,827 —> 00:14:27,894

I'm copying Leonard.

338

00:14:27,896 —> 00:14:29,044

When he does this to Penny,

339

00:14:29,046 —> 00:14:31,147

they have sex and

watch Monty Python.

340

00:14:31,149 —> 00:14:32,448

Howard!

I know.

341

00:14:32,450 —> 00:14:33,349

It was dumb,

342

00:14:33,351 —> 00:14:34,383

I shouldn't

have done it.

343

00:14:34,385 —> 00:14:36,903

And it's making
me feel sad...

344
00:14:36,905 —> 00:14:39,322
So sad.

345
00:14:41,057 —> 00:14:43,242
You know, why don't
you take a bath? I'll do the dishes.

346
00:14:47,264 —> 00:14:50,733
Three, two,
one...

347
00:14:50,735 —> 00:14:51,918
That's it.

348
00:14:51,920 —> 00:14:54,687
Our dating profiles are
live on the Internet.

349
00:14:54,689 —> 00:14:56,572
Attention all shoppers:

350

00:14:56,574 —> 00:15:00,259

my business is open

for business!

351

00:15:00,261 —> 00:15:02,929

That's right, ladies.

352

00:15:02,931 —> 00:15:04,580

For all you know,

353

00:15:04,582 —> 00:15:06,866

I'm confident

and fun to be around.

354

00:15:06,868 —> 00:15:08,768

(chuckles)

355

00:15:08,770 —> 00:15:10,019

(computer chimes)

356

00:15:10,021 —> 00:15:11,687

Oh, cool, it tells you

357

00:15:11,689 —> 00:15:13,339

when someone's reading

your profile.

358

00:15:13,341 —> 00:15:15,608

"Jenny309."

359

00:15:16,893 —> 00:15:19,195

I hope that's not her weight.

360

00:15:19,197 —> 00:15:21,614

If it is, I'll...

I'll take her.

361

00:15:22,783 —> 00:15:24,850

Good one.

362

00:15:24,852 —> 00:15:26,202

(chimes)

363

00:15:26,204 —> 00:15:28,654
Ooh, I got one, too.

364
00:15:28,656 —> 00:15:30,923
The ladies are
coming to us.

365
00:15:32,459 —> 00:15:34,710
Oh, man, if I'd started
this years ago,

366
00:15:34,712 —> 00:15:37,279
I'd be divorced two
or three times by now.

367
00:15:37,281 —> 00:15:38,914
(chimes)

368
00:15:38,916 —> 00:15:40,783
What...? Another one.

369
00:15:40,785 —> 00:15:42,785
You know,

it... it's weird.

370
00:15:42,787 —> 00:15:44,303
When they're reading
your profile, does it...

371
00:15:44,305 —> 00:15:45,972
does it make you
feel exposed?

372
00:15:45,974 —> 00:15:48,140
Like they see you naked?

373
00:15:49,326 —> 00:15:52,461
Well, they're not running
away screaming, so, no.

374
00:15:54,948 —> 00:15:56,565
I love Little House.

375
00:15:56,567 —> 00:15:58,951
It made me want to
live on a farm so much

376

00:15:58,953 —> 00:16:00,686

I tried to milk my cat.

377

00:16:04,140 —> 00:16:05,458

That tangy bowl of Cheerios

378

00:16:05,460 —> 00:16:06,909

was not worth the stitches.

379

00:16:08,945 —> 00:16:11,197

Well, you sit back, relax

380

00:16:11,199 —> 00:16:14,583

and enjoy a beloved

childhood memory.

381

00:16:14,585 —> 00:16:17,720

(Little House on the Prairie

theme music plays)

382

00:16:17,722 —> 00:16:21,007

(whispering):
You see that cabin there?

383
00:16:21,009 —> 00:16:24,293
I read they were illegally
squatting on Indian land.

384
00:16:24,295 —> 00:16:26,262
Yeah.

385
00:16:26,264 —> 00:16:28,547
Personally,
I think what we did

386
00:16:28,549 —> 00:16:30,933
to the Native
Americans was wrong,

387
00:16:30,935 —> 00:16:33,436
but this is your
favorite show, not mine.

388
00:16:33,438 —> 00:16:36,589

Oh, look at little

Laura Ingalls,

389

00:16:36,591 —> 00:16:39,125

eating that

peanut butter sandwich.

390

00:16:39,127 —> 00:16:40,676

Peanut butter?!

391

00:16:40,678 —> 00:16:43,396

Huh!

392

00:16:43,398 —> 00:16:45,681

That's strange,

since peanut butter

393

00:16:45,683 —> 00:16:48,684

wasn't introduced

until the early 1900s.

394

00:16:51,038 —> 00:16:53,205

If I knew this show

was about time travel,

395
00:16:53,207 —> 00:16:56,158
I would have watched it
much sooner.

396
00:16:58,745 —> 00:16:59,912
You're trying to get back at me

397
00:16:59,914 —> 00:17:02,064
for what I said about
Raiders of the Lost Ark.

398
00:17:02,066 —> 00:17:03,632
That's silly.

399
00:17:03,634 —> 00:17:06,585
Almost as silly as Dr. Baker
having a telephone,

400
00:17:06,587 —> 00:17:07,970
since telephones
only existed

401

00:17:07,972 —> 00:17:09,705

in large cities

at that time.

402

00:17:09,707 —> 00:17:12,508

This is more like

Little House on the Preposterous.

403

00:17:14,294 —> 00:17:17,045

Sheldon, we're

in a relationship.

404

00:17:17,047 —> 00:17:19,265

When you get angry,

just tell me.

405

00:17:19,267 —> 00:17:21,417

You don't need to seek revenge.

406

00:17:21,419 —> 00:17:24,120

Are you sure?

407

00:17:25,005 —> 00:17:26,739

Every time my dad

stayed out all night,

408

00:17:26,741 —> 00:17:30,359

my mom would put hamster poop

in his chewing tobacco.

409

00:17:32,061 —> 00:17:33,796

Well, that's not how

we're going to do it.

410

00:17:33,798 —> 00:17:35,998

Fine.

411

00:17:36,000 —> 00:17:37,283

I'm mad at you.

412

00:17:37,285 —> 00:17:39,835

Not only did you ruin

Raiders for me,

413

00:17:39,837 —> 00:17:41,754
you may have ruined
the whole franchise.

414
00:17:41,756 —> 00:17:43,789
Except for the fourth one,

415
00:17:43,791 —> 00:17:46,125
which was bad before
you got your mitts on it.

416
00:17:47,677 —> 00:17:48,961
I-I shouldn't have said it.

417
00:17:48,963 —> 00:17:49,979
I'm sorry.

418
00:17:49,981 —> 00:17:51,914
Thank you.

419
00:17:51,916 —> 00:17:53,282
Do you feel better?

420

00:17:53,284 —> 00:17:54,850

Yes.

421

00:17:54,852 —> 00:17:57,386

But not as good as

I'm going to when I tell you

422

00:17:57,388 —> 00:17:59,805

that your precious Garfield

has no reason to hate Mondays.

423

00:18:00,757 —> 00:18:03,258

He's a cat.

He doesn't have a job.

424

00:18:07,831 —> 00:18:11,484

Hey, I was just—

what is happening?

425

00:18:12,602 —> 00:18:14,320

Oh, just a little treat.

426

00:18:14,322 —> 00:18:16,071
I know you've been
feeling really bad

427
00:18:16,073 —> 00:18:17,523
about your mom lately.

428
00:18:17,525 —> 00:18:19,408
Oh, oh, I have.

429
00:18:19,410 —> 00:18:20,943
So bad.

430
00:18:20,945 —> 00:18:22,912
And I wanted
to make you feel better,

431
00:18:22,914 —> 00:18:25,131
so I planned something
very special for you.

432
00:18:25,133 —> 00:18:26,148
Uh-huh, uh-huh.

433

00:18:26,150 —> 00:18:29,084

I can already feel it working.

434

00:18:30,286 —> 00:18:32,655

Hello, Leonard.

435

00:18:34,257 —> 00:18:36,375

Mom?!

436

00:18:36,377 —> 00:18:39,912

I understand you have been

whining about my parenting

437

00:18:39,914 —> 00:18:42,515

in order to emotionally

manipulate your girlfriend.

438

00:18:42,517 —> 00:18:44,366

I... uh...

439

00:18:44,368 —> 00:18:45,684

Bernadette told me
everything.

440
00:18:45,686 —> 00:18:47,820
Now you don't get
the left or the right.

441
00:18:50,240 —> 00:18:51,590
BEVERLY:
Let's discuss

442
00:18:51,592 —> 00:18:53,642
why you continue to involve me

443
00:18:53,644 —> 00:18:55,044
in your sex life.

444
00:18:55,046 —> 00:18:56,245
Oh, please, Mommy.

445
00:18:56,247 —> 00:18:58,831
No, Mommy.

446

00:18:58,833 —> 00:19:00,065

When you were six years old,

447

00:19:00,067 —> 00:19:03,102

you walked in on me

and your father naked.

448

00:19:04,337 —> 00:19:05,738

I was swatting his bottom

449

00:19:05,740 —> 00:19:09,041

with your brand

new Ping Pong paddle.

450

00:19:11,478 —> 00:19:15,047

I didn't dream that?

451

00:19:15,049 —> 00:19:17,883

How did that make you feel?

452

00:19:17,885 —> 00:19:19,552

Penny, come back!

453

00:19:19,554 —> 00:19:22,188

I'm sad for real now!

454

brevity is your friend.

144
00:05:46,574 —> 00:05:48,742
So, are we good here?

145
00:05:48,744 —> 00:05:50,327
No, we're not good here.

146
00:05:50,329 —> 00:05:51,828

I am working on this project.

147

00:05:51,830 —> 00:05:54,081

Yeah, and you can't tell her

what she can and cannot do.

148

00:05:54,083 —> 00:05:56,099

Last week, you told Leonard

he couldn't wear

149

00:05:56,101 —> 00:05:58,301

his Wookiee jacket

out in public.

150

00:05:58,303 —> 00:05:59,519

That's different.

151

00:05:59,521 —> 00:06:01,455

I'm not going to the mall

with someone dressed

152

00:06:01,457 —> 00:06:03,540

dumb space bear.

153

00:06:05,576 —> 00:06:07,627

Sheldon, you don't have to worry

about me bothering you.

154

00:06:07,629 —> 00:06:08,879

I'll be in a different building.

155

00:06:08,881 —> 00:06:10,747

And we don't even have

to have lunch together.

156

00:06:10,749 —> 00:06:11,865

Really?

157

00:06:11,867 —> 00:06:14,518

Yes. Before all things,

I'm a scientist.

158

00:06:14,520 —> 00:06:16,970

I'm just there to do my work

and, with a little luck,

159

00:06:16,972 —> 00:06:19,606

scare the living crap

out of some monkeys.

160

00:06:19,608 —> 00:06:23,143

Hmm.

161

00:06:23,145 —> 00:06:25,812

You sure your mothlike

personality won't be drawn

162

00:06:25,814 —> 00:06:28,565

to this blazing fire

that is myself?

163

00:06:31,536 —> 00:06:33,787

More and more sure.

164

00:06:33,789 —> 00:06:36,873

Well, then, you

have my permission.

165

00:06:36,875 —> 00:06:37,958
I didn't ask
for your permission.

166
00:06:37,960 —> 00:06:39,159
Too late. No backsies.

167
00:06:41,612 —> 00:06:44,414
No, no, listen to me.
Sheldon misunderstood.

168
00:06:44,416 —> 00:06:45,382
What I meant was,

169
00:06:45,384 —> 00:06:46,449
if we worked together,

170
00:06:46,451 —> 00:06:48,118
there'd be too much
of me for you,

171
00:06:48,120 —> 00:06:50,253
not the other way around.

172

00:06:50,255 —> 00:06:52,723

Howard, if you're going

to lie to your wife,

173

00:06:52,725 —> 00:06:55,325

don't start the sentence

with "Sheldon misunderstood."

174

00:06:56,878 —> 00:06:58,011

That's a dead giveaway.

175

00:06:58,013 —> 00:06:59,930

Well?

176

00:06:59,932 —> 00:07:01,131

Okay, fine.

177

00:07:01,133 —> 00:07:02,899

I did say that,

and I think it's true.

178

00:07:02,901 —> 00:07:05,018
I think if we worked together
and lived together,

179
00:07:05,020 —> 00:07:06,520
we'd get sick of each other.

180
00:07:06,522 —> 00:07:08,105
Yeah, but to be fair,
he only said the part

181
00:07:08,107 —> 00:07:09,189
about him
getting sick of you.

182
00:07:09,191 —> 00:07:11,024
For the love of God, why?!

183
00:07:15,213 —> 00:07:17,864
What exactly do you
think you'd get sick of?

184
00:07:17,866 —> 00:07:20,016

His only options here
are to fake a heart attack

185
00:07:20,018 —> 00:07:22,385
or have a real one.

186
00:07:22,387 —> 00:07:25,655
It-it's nothing
in particular. I...

187
00:07:25,657 —> 00:07:27,824
Is it my voice?
Am I too bossy?

188
00:07:27,826 —> 00:07:28,959
(quietly):
What...?

189
00:07:28,961 —> 00:07:31,878
My arm is feeling numb.

190
00:07:32,797 —> 00:07:35,782
Nailed it.

191

00:07:35,784 —> 00:07:39,386

That's the wrong arm for

a heart attack, doofus.

192

00:07:41,222 —> 00:07:44,357

My point is, I'm sure

there are things about me

193

00:07:44,359 —> 00:07:46,643

that would drive you crazy

if you had to deal

194

00:07:46,645 —> 00:07:48,395

with them all day long.

195

00:07:48,397 —> 00:07:50,597

Like looking me in the

eye and lying to me?

196

00:07:50,599 —> 00:07:52,149

Oh, well, come on, I just...

197

00:07:52,151 —> 00:07:55,402

Where am I supposed to

look when I lie to you?

198

00:07:55,404 —> 00:07:57,754

Find somewhere else

to sleep tonight.

199

00:07:57,756 —> 00:07:59,906

Oh, Bernie...

200

00:08:06,864 —> 00:08:10,467

If it makes you feel any better,

Amy and I are fine.

201

00:08:13,070 —> 00:08:15,238

I mean, really good.

202

00:08:17,475 —> 00:08:19,843

So, boys, how was

the pajama party?

203

00:08:19,845 —> 00:08:23,730
You guys jump on the bed
and sing into hair brushes?

204
00:08:23,732 —> 00:08:25,932
It wasn't a pajama party.

205
00:08:25,934 —> 00:08:28,435
It was just a couple of bros
hanging out, giggling,

206
00:08:28,437 —> 00:08:31,521
eating cookie dough
and watching Princess Bride.

207
00:08:33,074 —> 00:08:34,608
Please, stop talking.

208
00:08:36,244 —> 00:08:38,862
As you wish.

209
00:08:42,667 —> 00:08:44,734
I mean, you know, Sheldon,

none of this would've happened

210
00:08:44,736 —> 00:08:46,203
if I hadn't tried
to help you.

211
00:08:46,205 —> 00:08:48,788
Uh, it also wouldn't
have happened

212
00:08:48,790 —> 00:08:50,290
if, in the early universe,

213
00:08:50,292 —> 00:08:53,793
hydrogen was a little more
common or a little less common.

214
00:08:53,795 —> 00:08:56,279
This is fun. Your turn.

215
00:08:57,265 —> 00:08:58,598
Gentlemen.
Hey, Amy.

216

00:08:58,600 —> 00:09:00,283

Hello.

217

00:09:00,285 —> 00:09:01,685

That was kind of icy.

218

00:09:01,687 —> 00:09:03,336

You two okay?

219

00:09:03,338 —> 00:09:04,354

Oh, we're fine.

220

00:09:04,356 —> 00:09:05,772

As Howard advised,

221

00:09:05,774 —> 00:09:07,974

she's merely respecting our

professional boundaries.

222

00:09:07,976 —> 00:09:08,942

Smart.

223

00:09:08,944 —> 00:09:10,544

Take relationship advice

from a man

224

00:09:10,546 —> 00:09:12,963

who spent last night

braiding Raj's hair.

225

00:09:15,432 —> 00:09:18,451

Yeah, you make

a good point.

226

00:09:18,453 —> 00:09:20,654

It would appear

I was worried for nothing.

227

00:09:20,656 —> 00:09:22,205

Look at her, desperately wishing

228

00:09:22,207 —> 00:09:24,157

she was over here

at the cool table.

229

00:09:26,577 —> 00:09:28,328

Don't worry, little moth.

230

00:09:28,330 —> 00:09:30,630

The flame will come to you.

231

00:09:32,833 —> 00:09:34,568

KOOTHRAPPALI:

Oh, uh...

232

00:09:34,570 —> 00:09:36,386

on the off chance that

Bernadette doesn't call back

233

00:09:36,388 —> 00:09:37,771

and apologize,

how do you feel

234

00:09:37,773 —> 00:09:39,673

about Mexican food

for dinner tonight?

235

00:09:39,675 —> 00:09:41,841

I-I don't know.

Sounds kind of heavy.

236

00:09:41,843 —> 00:09:44,811

That's 'cause you always

fill up on chips.

237

00:09:44,813 —> 00:09:47,480

And this is Dr. Gunderson

from Stockholm.

238

00:09:47,482 —> 00:09:49,032

Ah, Sweden.

239

00:09:49,034 —> 00:09:50,734

Yeah, home of my favorite Muppet

240

00:09:50,736 —> 00:09:53,720

and, uh,

second favorite meatball.

241

00:09:57,141 —> 00:10:01,344
Okay, the Nordic reputation for
lack of humor is well-founded.

242
00:10:02,813 —> 00:10:05,582
Boy, is his name Gunderson
or No-Funderson?

243
00:10:06,834 —> 00:10:09,069
Where are we going
with this, Dr. Cooper?

244
00:10:09,071 —> 00:10:11,104
Oh, please, I'm your boyfriend.

245
00:10:11,106 —> 00:10:13,556
You call me Sheldon.

246
00:10:13,558 —> 00:10:16,159
That's right,
I am in a boy-girl relationship

247
00:10:16,161 —> 00:10:18,929

with this cute little
lump of wool.

248
00:10:18,931 —> 00:10:20,046
Sheldon...

249
00:10:20,048 —> 00:10:21,765
It's a physical
relationship, too.

250
00:10:21,767 —> 00:10:25,518
Hand-holding, hugging...
even on hot days.

251
00:10:25,520 —> 00:10:27,387
Ow.

252
00:10:28,172 —> 00:10:29,539
Okay, here's a new one.

253
00:10:29,541 —> 00:10:31,141
Apparently now
we kick each other

254

00:10:31,143 —> 00:10:32,776

in the shin under the table.

255

00:10:34,478 —> 00:10:37,013

How do you like it

when I do it to you?

256

00:10:38,399 —> 00:10:41,067

Not so much, huh?

257

00:10:53,499 —> 00:10:55,884

Test subject D7,

258

00:10:55,886 —> 00:10:58,536

aka Betsy, fear response study.

259

00:10:58,538 —> 00:11:02,390

Image number one: Frenchman

on bicycle carrying baguettes.

260

00:11:05,394 —> 00:11:08,396

No visible reaction.

261

00:11:08,398 —> 00:11:10,765

Image number two: sousaphone.

262

00:11:13,235 —> 00:11:14,736

Still no reaction.

263

00:11:14,738 —> 00:11:15,737

Okay.

264

00:11:15,739 —> 00:11:17,372

Let's kick things up a notch.

265

00:11:17,374 —> 00:11:20,091

Image number three: crocodile

with a mouthful of monkeys.

266

00:11:20,093 —> 00:11:22,293

(screeching)

267

00:11:24,079 —> 00:11:27,132

Okay, now we're talking.

268

00:11:27,134 —> 00:11:29,067

Dr. Fowler?

269

00:11:29,069 —> 00:11:31,136

What do you want, Sheldon?

270

00:11:31,138 —> 00:11:33,221

Well, I'm done

with work, so...

271

00:11:33,223 —> 00:11:34,422

(gasps)

272

00:11:34,424 —> 00:11:36,358

Oh, sorry, sorry, sorry.

273

00:11:36,360 —> 00:11:39,093

Sorry. Uh...

274

00:11:39,095 —> 00:11:40,528

Better?

275
00:11:40,530 —> 00:11:41,696
Oh, baguettes.

276
00:11:41,698 —> 00:11:43,898
Yes, I like baguettes.

277
00:11:43,900 —> 00:11:46,100
What exactly
are you doing?

278
00:11:46,102 —> 00:11:48,536
Determining baseline fear levels
in capuchin monkeys

279
00:11:48,538 —> 00:11:50,872
by measuring their response
to visual stimuli.

280
00:11:50,874 —> 00:11:52,340
So, goofing off.

281

00:11:54,910 —> 00:11:57,579

As I was saying, I'm done

with work and Leonard's not.

282

00:11:57,581 —> 00:12:00,215

So good news,

you get to take me home.

283

00:12:00,217 —> 00:12:01,249

Play your cards right,

284

00:12:01,251 —> 00:12:02,751

I'll let you drive me

285

00:12:02,753 —> 00:12:05,837

past the lot

where the buses park at night.

286

00:12:05,839 —> 00:12:07,639

I can't leave now, Sheldon.

287

00:12:07,641 —> 00:12:08,757

I'm very busy.

288
00:12:08,759 —> 00:12:10,558
Besides, why would I want
to do you a favor

289
00:12:10,560 —> 00:12:12,577
after the way you treated
me in the cafeteria?

290
00:12:12,579 —> 00:12:15,129
Image number four:
boa constrictor.

291
00:12:15,648 —> 00:12:17,432
(shudders)

292
00:12:18,968 —> 00:12:21,936
What on earth
are you talking about?

293
00:12:21,938 —> 00:12:23,488
My behavior

in the cafeteria

294
00:12:23,490 —> 00:12:25,306
was delightful.

295
00:12:25,308 —> 00:12:27,492
Maybe your friend
Gunderson needs

296
00:12:27,494 —> 00:12:29,444
to head over
to IKEA and assemble

297
00:12:29,446 —> 00:12:32,380
a sense of humor.

298
00:12:32,382 —> 00:12:34,365
You embarrassed me
in front of my colleagues

299
00:12:34,367 —> 00:12:35,983
on my first day here.

300

00:12:36,685 —> 00:12:37,786

Image number five:

301

00:12:37,788 —> 00:12:39,187

kitten in a teacup.

302

00:12:39,189 —> 00:12:41,389

Oh.

303

00:12:44,960 —> 00:12:47,529

Oh... embarrassed you?

You know what?

304

00:12:47,531 —> 00:12:50,432

I don't have time for this.

Find another way home.

305

00:12:50,434 —> 00:12:53,451

I'm starting to get the sense

that you're angry with me.

306

00:12:53,453 —> 00:12:55,002

Really?

What tipped you off?

307

00:12:55,004 —> 00:12:56,054

Couple things, actually.

308

00:12:56,056 —> 00:12:57,171

Your tone of voice,

your body language...

309

00:12:57,173 —> 00:12:58,807

Get out.

Well, now, that.

310

00:13:00,676 —> 00:13:03,311

Image number six:

woman giving birth.

311

00:13:03,313 —> 00:13:05,613

(gags)

312

00:13:12,571 —> 00:13:14,188

It's 9:00.

Where you been?

313

00:13:14,190 —> 00:13:17,308

Oh, I had to take

the bus home.

314

00:13:17,310 —> 00:13:20,845

Fell asleep and missed my stop.

315

00:13:20,847 —> 00:13:22,647

Oh, no.

316

00:13:22,649 —> 00:13:26,634

Did you know that Los Angeles

has a Little Sri Lanka?

317

email address?"

83

00:03:55,117 —> 00:03:56,700

And...

84

00:03:56,702 —> 00:03:59,286

"Never mind, I found it."

85

00:04:00,288 —> 00:04:03,173

I can't believe

he picked you over me.

86

00:04:03,175 —> 00:04:05,809

You don't want to read a paper

by some old has-been

87

00:04:05,811 —> 00:04:09,480

who hasn't done any real

science in decades.

88

00:04:09,482 —> 00:04:11,115

Yeah, it's nothing

to cry about.

89

00:04:11,117 —> 00:04:13,851

Sheldon Cooper does not cry.

90

00:04:13,853 —> 00:04:16,970

It's true, you'd rust.

91

00:04:20,392 —> 00:04:23,827

And to think I idolized

that man.

92

00:04:23,829 —> 00:04:25,496

And why?

93

00:04:25,498 —> 00:04:29,283

At the end of the day he's just
another Hollywood phony.

94
00:04:29,285 —> 00:04:31,335
Is it really worth
getting upset about?

95
00:04:31,337 —> 00:04:33,087
They say don't meet your heroes.

96
00:04:33,089 —> 00:04:34,705
Don't peek behind

97
00:04:34,707 —> 00:04:36,590
that curtain of fame
and celebrity,

98
00:04:36,592 —> 00:04:39,043
because if you do, you'll see
them as they really are—

99
00:04:39,045 —> 00:04:43,047
degenerate carnival folk.

100

00:04:43,049 —> 00:04:45,766

Come on, he's a retired

kids show host.

101

00:04:45,768 —> 00:04:46,717

That's even worse.

102

00:04:46,719 —> 00:04:48,886

Using the sweet

candy of science

103

00:04:48,888 —> 00:04:51,305

to trick children

into loving him.

104

00:04:51,307 —> 00:04:53,507

Pervert.

105

00:04:55,226 —> 00:04:57,478

Have you ever thought about

106

00:04:57,480 —> 00:05:00,347
why Arthur didn't want you
to read his paper?

107
00:05:00,349 —> 00:05:01,815
Yes, I have.

108
00:05:01,817 —> 00:05:03,233
And my only conclusion

109
00:05:03,235 —> 00:05:05,486
is the prescription he was
picking up the other day

110
00:05:05,488 —> 00:05:08,021
was for cuckoo pills.

111
00:05:08,023 —> 00:05:11,408
Maybe he found you,
um, a bit much.

112
00:05:11,410 —> 00:05:13,877
That's kind of a stretch.

113

00:05:13,879 —> 00:05:15,529

Look, when it comes

114

00:05:15,531 —> 00:05:17,965

to social skills, I've

mastered the big three.

115

00:05:17,967 —> 00:05:19,833

There's the coy smile.

116

00:05:22,036 —> 00:05:23,470

There's the friendly

chuckle.

117

00:05:23,472 —> 00:05:25,339

(chuckles)

118

00:05:25,341 —> 00:05:28,892

There's the vocalization

of sympathy.

119

00:05:28,894 —> 00:05:30,728
Aw...

120
00:05:30,730 —> 00:05:35,382
That last one's tricky,
I'm still working on it.

121
00:05:35,384 —> 00:05:37,318
From what I saw the other day,

122
00:05:37,320 —> 00:05:39,937
I could understand
why he and...

123
00:05:39,939 —> 00:05:42,723
some people
might find you...

124
00:05:44,326 —> 00:05:46,060
What?

125
00:05:47,996 —> 00:05:48,996
Doesn't matter.

126

00:05:48,998 —> 00:05:52,065

No, go ahead, say it.

127

00:05:52,067 —> 00:05:54,001

I know what it is.

128

00:05:54,003 —> 00:05:55,502

I've heard it my whole life.

129

00:05:55,504 —> 00:05:56,587

The word's "annoying".

130

00:05:56,589 —> 00:05:57,755

Go ahead, say it.

131

00:05:57,757 —> 00:05:59,573

Say it.

Say I'm annoying.

132

00:05:59,575 —> 00:06:00,758

Sheldon...

133

00:06:00,760 —> 00:06:02,376

Oh, it won't hurt my feelings.

134

00:06:02,378 —> 00:06:03,761

Go ahead, Amy, say I'm annoying.

135

00:06:03,763 —> 00:06:06,263

I'm annoying.

I'm annoying.

136

00:06:06,265 —> 00:06:07,865

I'm annoying.

Yeah, now, uh...

137

00:06:07,867 —> 00:06:09,133

Now where

are you going?

138

00:06:09,135 —> 00:06:11,251

Look, you know

you want to say it— say it.

139

00:06:11,253 —> 00:06:13,637

Say I'm annoying.

Go ahead, say it.

140

00:06:13,639 —> 00:06:17,341

Say it. Say it.

Amy, say it.

141

00:06:20,111 —> 00:06:22,730

Well, she can't stand it

when I'm right.

142

00:06:23,898 —> 00:06:25,616

This is fun.

143

00:06:25,618 —> 00:06:27,901

I'm going to feel like

such a vixen wearing jewelry

144

00:06:27,903 —> 00:06:31,121

that doesn't have a list

of medications I'm allergic to.

145

00:06:31,123 —> 00:06:33,073

Penny, how's it

going over there?

146

00:06:33,075 —> 00:06:36,627

Good— I'm just having

little trouble with the glue.

147

00:06:37,612 —> 00:06:39,213

How do you not know

how to use glue?

148

00:06:39,215 —> 00:06:41,365

Did you ditch pre-school?

149

00:06:41,367 —> 00:06:44,968

Yeah, but only because I was

dating a second grader.

150

00:06:47,255 —> 00:06:48,789

Hello, everyone.

151

00:06:48,791 —> 00:06:50,724
Okay, let me have it.

152
00:06:50,726 —> 00:06:53,460
Let's hear all
the "Raj is a girl" jokes.

153
00:06:53,462 —> 00:06:54,812
Nope.

154
00:06:54,814 —> 00:06:57,631
Bernadette told me it isn't
nice and I'm not allowed.

155
00:06:57,633 —> 00:06:58,649
Thank you.

156
00:06:58,651 —> 00:07:00,067
So I won't be making
fun of you,

157
00:07:00,069 —> 00:07:01,268
or the things you like,

158

00:07:01,270 —> 00:07:03,737

or the fact that you

just want to have fun.

159

00:07:05,774 —> 00:07:08,192

Howie, stop.

160

00:07:08,194 —> 00:07:10,360

Come on,

look at what I'm making.

161

00:07:10,362 —> 00:07:13,197

Oh, that's actually pretty nice.

162

00:07:13,199 —> 00:07:14,314

I'm making a bracelet.

163

00:07:14,316 —> 00:07:16,116

Yeah, I'm just making a mess.

164

00:07:17,669 —> 00:07:21,388

You know, instead of
beads and glue,

165
00:07:21,390 —> 00:07:22,923
you guys can use
my soldering iron.

166
00:07:22,925 —> 00:07:24,591
You'd be able to make
much cooler stuff.

167
00:07:24,593 —> 00:07:28,161
Oh, I think we're doing
just fine, thank you.

168
00:07:28,163 —> 00:07:30,297
Actually, I'd kind of like to try that.
Me, too.

169
00:07:30,299 —> 00:07:31,432
Be right back.

170
00:07:33,000 —> 00:07:35,686

When did I have pistachios?

171

00:07:39,858 —> 00:07:40,858

(knocks)

172

00:07:40,860 —> 00:07:41,842

Arthur.

173

00:07:41,844 —> 00:07:43,343

(knocks)

Arthur.

174

00:07:43,345 —> 00:07:44,812

(knocks)

175

00:07:44,814 —> 00:07:46,480

Arthur.

176

00:07:46,482 —> 00:07:48,982

Door knocker.

177

00:07:48,984 —> 00:07:50,868

That's TV money.

178

00:07:53,288 —> 00:07:55,739

Sheldon,

what are you doing here?

179

00:07:55,741 —> 00:07:58,492

I'm sorry, did I wake you?

180

00:07:58,494 —> 00:08:01,295

Of course you woke me,

it's 7:30.

181

00:08:01,297 —> 00:08:04,364

Well, I would

have been here sooner,

182

00:08:04,366 —> 00:08:06,199

but for some reason your home

183

00:08:06,201 —> 00:08:09,503

isn't on this map

of Hollywood stars.

184

00:08:09,505 —> 00:08:11,505

What do you want, Sheldon?

185

00:08:11,507 —> 00:08:14,207

It's been pointed out

by my girlfriend

186

00:08:14,209 —> 00:08:17,478

that I may have been

annoying to you.

187

00:08:17,480 —> 00:08:20,047

She sounds like a keeper.

188

00:08:20,049 —> 00:08:22,816

Anyway, I wanted to apologize.

189

00:08:22,818 —> 00:08:24,985

I am truly sorry.

190

00:08:24,987 —> 00:08:27,154

All right, apology accepted.

Have a nice night.

191

00:08:27,156 —> 00:08:30,491

No, no, now that...

we've cleared the air,

192

00:08:30,493 —> 00:08:33,243

I wanted to discuss another

matter with you.

193

00:08:33,245 —> 00:08:35,245

Sheldon, in a couple hours,

I have to get up,

194

00:08:35,247 —> 00:08:39,833

pee and then wander

around the house.

195

00:08:44,238 —> 00:08:46,540

Well, then,

I'll make this quick.

196

00:08:46,542 —> 00:08:49,910
Um, I want to talk about
the paper you sent Leonard.

197
00:08:49,912 —> 00:08:51,845
Now, I know he said
it's promising

198
00:08:51,847 —> 00:08:53,597
and he's going
to collaborate on it,

199
00:08:53,599 —> 00:08:56,049
but now that you and I
are friends again,

200
00:08:56,051 —> 00:08:57,518
I am at your disposal.

201
00:08:57,520 —> 00:08:59,353
Frankly,
lending my name

202

00:08:59,355 —> 00:09:02,105
and reputation to it will help,
because a lot of people think

203
00:09:02,107 —> 00:09:04,474
that you're a washed-up
has-been.

204
00:09:04,476 —> 00:09:07,260
Or dead.

205
00:09:07,262 —> 00:09:10,898
I should be so lucky.

206
00:09:10,900 —> 00:09:13,099
So, uh, what do you say?

207
00:09:13,101 —> 00:09:15,202
You know, if it's
all the same with you,

208
00:09:15,204 —> 00:09:17,237
I think I'll stick with Leonard.

209

00:09:17,239 —> 00:09:19,373

It's because

I'm annoying, right?

210

00:09:19,375 —> 00:09:21,241

I know it is.

Say it.

211

00:09:21,243 —> 00:09:22,943

Say it.

Say I'm annoying.

212

00:09:22,945 —> 00:09:24,294

Good night.

Say it.

213

00:09:24,296 —> 00:09:26,446

Arthur, say it.

Say I'm annoying.

214

00:09:26,448 —> 00:09:28,114

Say it. Say it.

215

00:09:28,116 —> 00:09:30,467

I'm annoying.

Say it.

216

00:09:30,469 —> 00:09:33,053

You're annoying!

217

00:09:46,642 —> 00:09:48,692

If you would have told me

when I was a kid

218

00:09:48,694 —> 00:09:50,528

that someday I would

be doing science

219

00:09:50,530 —> 00:09:53,864

next to Professor Proton,

I would not have believed you.

220

00:09:53,866 —> 00:09:55,332

If someone had told me

221

00:09:55,334 —> 00:09:57,618

that people would still

call me Professor Proton

222

00:09:57,620 —> 00:09:59,453

when I was 83 years old,

223

00:09:59,455 —> 00:10:02,189

I never would have

quit smoking.

224

00:10:04,743 —> 00:10:07,378

I'm sorry, Dr. Jeffries,

I'm just excited.

225

00:10:07,380 —> 00:10:10,748

This nano vacuum tube idea of

yours is really interesting.

226

00:10:10,750 —> 00:10:11,749

Hello, Leonard.

227

00:10:11,751 —> 00:10:13,467
Oh, hello, Arthur.

228
00:10:13,469 —> 00:10:16,036
What an odd coincidence
that you're both here.

229
00:10:16,038 —> 00:10:17,388
Why is it odd?

230
00:10:17,390 —> 00:10:20,374
Because as it just so happens,
I'm also spending the day

231
00:10:20,376 —> 00:10:23,377
with a beloved children's
television science personality.

232
00:10:23,379 —> 00:10:25,596
Isn't that right,
new friend and colleague,

233
00:10:25,598 —> 00:10:27,731

Bill Nye the Science Guy.

234
00:10:32,387 —> 00:10:35,656
Sorry, I replaced you
with a newer model.

235
00:10:36,658 —> 00:10:38,275
Wow, Arthur Jeffries.

236
00:10:38,277 —> 00:10:39,559
It's an honor
to meet you.

237
00:10:39,561 —> 00:10:41,779
My show never would have
happened without yours.

238
00:10:41,781 —> 00:10:43,998
That's what
I told my lawyers.

239
00:10:45,566 —> 00:10:47,334
Mr. Nye, hello.

240

00:10:47,336 —> 00:10:50,087

I'm sorry he got you

involved in this nonsense.

241

00:10:50,089 —> 00:10:53,090

He said I'd be

speaking to a class.

242

00:10:53,092 —> 00:10:55,426

No, I said you were

teaching someone a lesson.

243

00:10:55,428 —> 00:10:56,627

Now let's go.

244

00:10:58,296 —> 00:10:59,763

What are you guys

working on?

245

00:10:59,765 —> 00:11:01,799

Oh, uh, we're making

nano vacuum tubes.

246

00:11:01,801 —> 00:11:03,050

Oh...

247

00:11:03,052 —> 00:11:04,584

That's interesting.

248

00:11:04,586 —> 00:11:06,303

Haven't you stolen

enough from me?

249

00:11:06,305 —> 00:11:08,806

Back off, bow tie!

250

00:11:13,895 —> 00:11:15,312

Hey, guys...

251

00:11:15,314 —> 00:11:16,947

What do you think?

252

00:11:16,949 —> 00:11:19,233

Wow, Penny,

good job.

253
00:11:19,235 —> 00:11:21,118
Thanks.
Target, $4.99.

254
00:11:21,120 —> 00:11:22,286
I'm getting a drink.

255
00:11:23,855 —> 00:11:24,922
What are you working on?

256
00:11:24,924 —> 00:11:26,824
Oh, I'm making
a necklace for my mom.

257
00:11:26,826 —> 00:11:27,908
That's sweet.

258
00:11:27,910 —> 00:11:29,109
Yeah, she and
my dad are

259

00:11:29,111 —> 00:11:30,577

going through a bit

of a rough patch,

260

00:11:30,579 —> 00:11:31,629

so I wanted to do

something to let her know

261

00:11:31,631 —> 00:11:32,796

I was thinking

about her.

262

00:11:32,798 —> 00:11:34,081

What's going on

with them?

263

00:11:34,083 —> 00:11:35,015

They're just having

264

00:11:35,017 —> 00:11:36,550

a little trouble

communicating.

265

00:11:36,552 —> 00:11:38,719

My dad says it's because

the sound of my mom's voice

266

00:11:38,721 —> 00:11:40,054

makes him want

to tear his ears off

267

00:11:40,056 —> 00:11:41,121

and sew them

over his eyes

268

00:11:41,123 —> 00:11:42,640

so he never has

to look at her again.

269

00:11:43,808 —> 00:11:44,808

(knocking at door)

270

00:11:44,810 —> 00:11:45,959

Hi.

271

00:11:45,961 —> 00:11:47,011
Hey, guys.
Hello.

272
00:11:47,013 —> 00:11:48,278
Look who's here to put

273
00:11:48,280 —> 00:11:51,565
the "Jew" in "Jewelry Night"!

274
00:11:53,902 —> 00:11:56,186
Oh, sure, so it's fine
when you say it.

275
00:11:57,272 —> 00:11:58,238
Sorry we're late.

276
00:11:58,240 —> 00:11:59,606
I wanted to swing by the lab

277
00:11:59,608 —> 00:12:02,259
and pick up some even
cooler tools for us to use.

278

00:12:02,261 —> 00:12:04,161

I didn't know you were coming again.

WOLOWITZ: Well, last week

279

00:12:04,163 —> 00:12:05,362

was a blast.

280

00:12:05,364 —> 00:12:08,582

Plus, I thought you might like

having a guy here.

281

00:12:08,584 —> 00:12:09,833

(laughs)

282

00:12:10,869 —> 00:12:13,420

It was not funny.

283

00:12:14,205 —> 00:12:16,090

AMY:

So, what tools did you bring?

284

00:12:16,092 —> 00:12:17,591
Everything we need
to make jewelry molds.

285
00:12:17,593 —> 00:12:19,360
Here's some silver,
a crucible

286
00:12:19,362 —> 00:12:21,378
and an acetylene torch
to melt it down.

287
00:12:21,380 —> 00:12:23,330
Ooh, that looks like fun.

288
00:12:23,332 —> 00:12:24,831
Maybe you should
master glue

289
00:12:24,833 —> 00:12:27,801
before you move
on to fire.

290

00:12:27,803 —> 00:12:29,219
Okay, who's up first?

291
00:12:29,221 —> 00:12:31,438
Rajesh, do you want to make
a bracelet for your mom

292
00:12:31,440 —> 00:12:32,556
to go with the necklace?

293
00:12:32,558 —> 00:12:34,058
No, thanks.

294
00:12:34,060 —> 00:12:35,693
I was gonna make
a necklace for my mom,

295
00:12:35,695 —> 00:12:38,112
but unfortunately,
she doesn't have a neck.

296
00:12:39,781 —> 00:12:43,016
She's just chins

and fat and feet.

297

00:12:47,489 —> 00:12:49,206

Okay, we're almost ready to go.

298

00:12:49,208 —> 00:12:51,542

Once we bond the wires,

we can test the tubes.

299

00:12:51,544 —> 00:12:54,828

This is so exciting,

I-I feel...

300

00:12:54,830 —> 00:12:57,581

like I'm 75 again.

301

00:12:57,583 —> 00:12:59,800

(phone buzzes)

302

00:13:01,019 —> 00:13:02,702

Oh, God.

303

00:13:02,704 —> 00:13:04,054
What... what is it?

304
00:13:04,056 —> 00:13:05,222
Sheldon just sent me a picture

305
00:13:05,224 —> 00:13:07,191
of him and Bill Nye
getting smoothies.

306
00:13:10,228 —> 00:13:12,379
Can-can I ask you
a question?

307
00:13:12,381 —> 00:13:13,480
Yeah, sure.

308
00:13:13,482 —> 00:13:16,166
W-Why do you put up
with Sheldon?

309
00:13:16,168 —> 00:13:20,070
Oh, uh, you know,

because we're friends.

310
00:13:21,489 —> 00:13:24,274
Why?

311
00:13:25,443 —> 00:13:27,277
Wow, you ask really
hard questions.

312
00:13:27,279 —> 00:13:28,562
Yeah.

313
00:13:28,564 —> 00:13:31,115
Look, I-I know
he can be aggravating,

314
00:13:31,117 —> 00:13:32,699
but what you have
to remember is that

315
00:13:32,701 —> 00:13:34,168
he's not doing it
on purpose.

316

00:13:34,170 —> 00:13:35,536

It's just how he is.

317

00:13:35,538 —> 00:13:38,722

But he's also loyal

and trustworthy

318

00:13:38,724 —> 00:13:40,257

and we have fun together...

319

00:13:40,259 —> 00:13:43,794

You... you know

you're describing a dog.

320

00:13:45,263 —> 00:13:47,097

He did bite me once.

321

00:13:48,516 —> 00:13:49,967

But in his defense,

322

00:13:49,969 —> 00:13:52,302

I came up behind him

while he was eating, so...

323

00:13:52,304 —> 00:13:54,521

Yeah, they-they hate that.

324

00:13:56,775 —> 00:14:00,394

You know what, Sheldon is the

smartest person I have ever met.

325

00:14:00,396 —> 00:14:03,647

And he's a little broken

and he needs me.

326

00:14:04,949 —> 00:14:07,117

I guess I need him, too.

327

00:14:07,119 —> 00:14:08,702

Why-why is that?

328

00:14:08,704 —> 00:14:11,455

Boy, you will not

let this go, will you?

329

00:14:11,457 —> 00:14:14,158

(phone buzzes)

330

00:14:14,160 —> 00:14:15,609

Oh, geez.

331

00:14:15,611 —> 00:14:17,327

Another photo from Sheldon?

332

00:14:17,329 —> 00:14:19,046

No, I have to go

pick him up.

333

00:14:19,048 —> 00:14:22,216

Bill Nye ditched him

at the smoothie place.

334

00:14:23,251 —> 00:14:26,286

He probably stole

his wallet, too.

335

00:14:30,175 —> 00:14:31,642
You know, if you guys
are interested,

336
00:14:31,644 —> 00:14:33,777
there's a technique where
I can take a lock of your hair,

337
00:14:33,779 —> 00:14:35,562
refine it into carbon dust,

338
00:14:35,564 —> 00:14:37,097
and use the hydraulic
press at work

339
00:14:37,099 —> 00:14:38,849
to turn it into
a tiny little diamond

340
00:14:38,851 —> 00:14:40,434
with your
DNA in it.

341

00:14:40,436 —> 00:14:42,136
Oh, that's amazing!

342
00:14:42,138 —> 00:14:43,654
Yeah. See Bernie's
engagement ring?

343
00:14:43,656 —> 00:14:46,156
That came right off
my mom's back.

344
00:14:46,158 —> 00:14:48,008
BERNADETTE:
He's kidding.

345
00:14:48,010 —> 00:14:50,911
If that were true,
it'd be so much bigger.

346
00:14:53,181 —> 00:14:54,248
(mocking):
"My name is Howard.

347

00:14:54,250 —> 00:14:55,482
"I can make your hair
into diamonds.

348
00:14:55,484 —> 00:14:57,084
"My mom is morbidly obese.

349
00:14:57,086 —> 00:14:59,419
Everybody love me."

350
00:14:59,421 —> 00:15:02,222
Whoa, where is that coming from?

351
00:15:02,224 —> 00:15:03,624
I'll tell you
where it's coming from.

352
00:15:03,626 —> 00:15:06,260
All you do is make fun of me
for coming to girls' night

353
00:15:06,262 —> 00:15:08,045
and now you're here

ruining it for everyone.

354
00:15:08,047 —> 00:15:09,329
Raj, cool it...

355
00:15:09,331 —> 00:15:12,049
he's gonna make us
hair diamonds.

356
00:15:13,051 —> 00:15:14,384
How am I ruining anything?

357
00:15:14,386 —> 00:15:16,153
I'm just trying to help you
make better jewelry.

358
00:15:16,155 —> 00:15:18,305
But this isn't
about the jewelry.

359
00:15:18,307 —> 00:15:19,690
This is about me having a place

360

00:15:19,692 —> 00:15:21,725

where I can open up

about my feelings.

361

00:15:21,727 —> 00:15:25,062

Since when can't you

open up with me?

362

00:15:25,064 —> 00:15:26,613

There are just some things

363

00:15:26,615 —> 00:15:28,732

that I feel more comfortable

sharing with the girls,

364

00:15:28,734 —> 00:15:30,300

because they won't

make fun of me

365

00:15:30,302 —> 00:15:32,119

or and call me names,

or ask me if my

366

00:15:32,121 —> 00:15:34,571

"Koothrapanties are in a bunch."

367

00:15:37,041 —> 00:15:40,677

Buddy, I was just

joking around.

368

00:15:40,679 —> 00:15:42,579

Yeah, well, sometimes

your jokes hurt.

369

00:15:42,581 —> 00:15:43,864

(sighs)

370

00:15:43,866 —> 00:15:45,215

Well, you're right.

371

00:15:45,217 —> 00:15:46,466

I didn't realize

372

00:15:46,468 —> 00:15:48,135

I was making you

feel that way.

373
00:15:49,504 —> 00:15:51,355
It was very brave
of you to tell me.

374
00:15:51,357 —> 00:15:53,307
(sniffs)
Thank you.

375
00:15:53,309 —> 00:15:54,808
It wasn't easy.

376
00:15:57,078 —> 00:15:58,378
They're gonna
have sex

377
00:15:58,380 —> 00:16:01,081
before Sheldon and
I do, I know it.

378
00:16:05,570 —> 00:16:06,737
Arthur.

379

00:16:06,739 —> 00:16:08,054

Hi, Sheldon.

380

00:16:08,056 —> 00:16:09,907

I'm surprised

to see you here.

381

00:16:09,909 —> 00:16:11,658

Yeah, me, too.

382

00:16:11,660 —> 00:16:13,744

Somewhere around

the third floor,

383

00:16:13,746 —> 00:16:17,230

I began to see

a white light.

384

00:16:19,450 —> 00:16:20,500

I'll get Leonard.

385

00:16:20,502 —> 00:16:22,219
No, no,
no, I'm...

386
00:16:22,221 —> 00:16:24,121
I'm here...
I'm here to see you.

387
00:16:24,123 —> 00:16:26,256
If you're hoping to get
in touch with Bill Nye,

388
00:16:26,258 —> 00:16:28,208
I can't help you.

389
00:16:28,210 —> 00:16:29,509
I've been informed
that he's now

390
00:16:29,511 —> 00:16:32,746
Bill Nye
the Restraining Order Guy.

391

00:16:33,932 —> 00:16:35,215
No, I'm...

392
00:16:35,217 —> 00:16:38,218
I-I was thinking,
if it isn't too much trouble,

393
00:16:38,220 —> 00:16:41,471
I'd like to get your opinion
about my-my paper.

394
00:16:41,473 —> 00:16:43,440
Thank you.

395
00:16:43,442 —> 00:16:44,691
It would be an honor.

396
00:16:44,693 —> 00:16:46,476
Oh. Uh, great.

397
00:16:46,478 —> 00:16:48,145
Well, actually,
I don't need that.

398

00:16:48,147 —> 00:16:50,731

I hacked into your e-mail

account and read it.

399

00:16:51,699 —> 00:16:54,568

And... what did you think?

400

00:16:54,570 —> 00:16:57,120

Well, first,

I think the fact that

401

00:16:57,122 —> 00:16:59,323

you use your birthday

as a password

402

00:16:59,325 —> 00:17:01,742

is embarrassing.

403

00:17:01,744 —> 00:17:03,910

Mmm. Thank you.

404

00:17:05,296 —> 00:17:07,414
Second, um...

405
00:17:07,416 —> 00:17:09,967
I thought your
paper was inspired.

406
00:17:09,969 —> 00:17:13,453
Oh, well, that...
that means a lot to me.

407
00:17:13,455 —> 00:17:15,639
Can I invite you
in for tea?

408
00:17:15,641 —> 00:17:17,641
Uh, no, no.
I-I really...

409
00:17:17,643 —> 00:17:19,125
I have...
I have to run.

410

00:17:19,127 —> 00:17:20,477
Hey, Arthur.
How are you?

411
00:17:20,479 —> 00:17:22,629
Well, I guess one cup
wouldn't hurt.

412
00:17:30,304 —> 00:17:32,572
Oh, hey, buddy,
what's up?

413
00:17:32,574 —> 00:17:33,973
Well, I was
feeling bad

414
00:17:33,975 —> 00:17:35,676
about how I acted
the other night

415
00:17:35,678 —> 00:17:37,644
so I made you
a little something.

416

00:17:37,646 —> 00:17:39,363

You didn't have

to do that.

417

00:17:39,365 —> 00:17:40,330

Well, it was fun.

418

00:17:40,332 —> 00:17:41,665

I used some of

the jewelry techniques

419

00:17:41,667 —> 00:17:42,833

you taught us.

420

00:17:45,670 —> 00:17:48,588

It's a lightsaber

belt buckle.

421

00:17:48,590 —> 00:17:50,990

Wow, this

is so cool,

422

00:17:50,992 —> 00:17:53,677
Thanks.
Oh gets better.

423
00:17:53,679 —> 00:17:56,346
(imitates lightsaber sound)

424
00:17:56,348 —> 00:17:58,348
(laughing):
Wow!

425
00:17:58,350 —> 00:17:59,666
And that's not even
the best part.

426
00:17:59,668 —> 00:18:01,167
See?

427
00:18:01,169 —> 00:18:03,553
I have one, too.

428

00:06:10,170 —> 00:06:13,171

No, but we knew that.

153

00:06:13,173 —> 00:06:15,473

Hey, can I start you off
with something to drink?

154
00:06:15,475 —> 00:06:16,875
Oh, water would be great.

155
00:06:16,877 —> 00:06:17,893
Okay.

156
00:06:17,895 —> 00:06:20,178
Um, you're Lucy, right?

157
00:06:20,180 —> 00:06:21,880
I'm a friend
of Raj Koothrappali's.

158
00:06:21,882 —> 00:06:23,598
Actually Amy recognized you.

159
00:06:29,856 —> 00:06:31,907
Wow.

160

00:06:31,909 —> 00:06:33,408
How's he doing?

161
00:06:33,410 —> 00:06:34,860
Oh, you know, he's good.

162
00:06:34,862 —> 00:06:36,027
Great.

163
00:06:36,029 —> 00:06:38,079
Yeah, this is none
of my business.

164
00:06:38,081 —> 00:06:41,449
But why did you break up
with him in an e-mail?

165
00:06:41,451 —> 00:06:43,067
Oh, I don't know.

166
00:06:43,069 —> 00:06:45,837
I guess I thought
it would be easier.

167

00:06:45,839 —> 00:06:47,539

Yeah, I get that.

168

00:06:47,541 —> 00:06:49,007

I'll go get you your water.

169

00:06:51,294 —> 00:06:54,346

When you say "easier,"

170

00:06:54,348 —> 00:06:56,014

you mean easier for you, right?

171

00:06:56,016 —> 00:06:58,266

'Cause it certainly didn't

make it easier for him.

172

00:06:58,268 —> 00:07:00,018

Any chance I can get

173

00:07:00,020 —> 00:07:02,554

a different waitress?

174

00:07:02,556 —> 00:07:03,638

I-I'm sorry, this is rude of me.

175

00:07:03,640 —> 00:07:04,856

I will go get that water.

176

00:07:06,425 —> 00:07:08,693

See, see, see, see.

177

00:07:08,695 —> 00:07:11,046

Just now you expressed

your feelings to my face.

178

00:07:11,048 —> 00:07:12,898

How come you could do that

with me, but not Raj?

179

00:07:12,900 —> 00:07:15,450

I don't know your e-mail.

180

00:07:16,752 —> 00:07:17,869

You know what the worst part is?

181
00:07:17,871 —> 00:07:19,204
You're sitting here,
perfectly happy

182
00:07:19,206 —> 00:07:21,156
and he's at home,
a blubbering mess.

183
00:07:21,158 —> 00:07:22,741
Oh, I thought you said
he was okay.

184
00:07:22,743 —> 00:07:23,959
Well, I also said
I was getting you water,

185
00:07:23,961 —> 00:07:25,877
but look at me
still standing here.

186
00:07:27,663 —> 00:07:28,747

You know, I may be

a bad waitress,

187

00:07:28,749 —> 00:07:30,448

but you are a bad person.

188

00:07:30,450 —> 00:07:33,919

Now, you want

to hear the specials?

189

00:07:52,071 —> 00:07:55,190

So, you can never take it off?

190

00:07:55,192 —> 00:07:56,908

No.

191

00:07:56,910 —> 00:07:58,193

Not even to sleep?

192

00:07:58,195 —> 00:07:59,577

No.

193

00:07:59,579 —> 00:08:01,613
So, you're just an idiot?

194
00:08:01,615 —> 00:08:04,816
It's called proving a point.

195
00:08:04,818 —> 00:08:07,018
Is the point you're an idiot?

196
00:08:07,954 —> 00:08:09,621
Gentlemen, please.

197
00:08:09,623 —> 00:08:13,491
Leonard is trying to walk a mile
in my metaphorical shoes.

198
00:08:13,493 —> 00:08:15,627
He can't walk
in my actual shoes.

199
00:08:15,629 —> 00:08:17,846
He has the feet of a toddler.

200

00:08:19,632 —> 00:08:21,499

So, how are you gonna

return the DVD

201

00:08:21,501 —> 00:08:22,834

if the store went

out of business?

202

00:08:22,836 —> 00:08:24,953

(groans)

Monday morning I'll go downtown

203

00:08:24,955 —> 00:08:27,188

look up the owner's information.

204

00:08:27,190 —> 00:08:31,026

And send him the DVD.

205

00:08:32,011 —> 00:08:34,446

Pay the late fee.

(grunts)

206

00:08:34,448 —> 00:08:36,247
And prove to Sheldon

207
00:08:36,249 —> 00:08:37,482
that you can have
a problem and solve it...

208
00:08:37,484 —> 00:08:39,367
(grunts)

209
00:08:39,369 —> 00:08:42,020
...without acting
like a complete lunatic.

210
00:08:42,022 —> 00:08:44,305
Ah!

211
00:08:44,307 —> 00:08:46,992
And the man impersonating
a bear would like everyone

212
00:08:46,994 —> 00:08:50,245
to know that "Only you can

prevent forest fires."

213

00:08:52,197 —> 00:08:54,049

I don't get it.

214

00:08:54,051 —> 00:08:55,917

You didn't have

Smokey the Bear in India?

215

00:08:55,919 —> 00:08:59,337

No. Oh, is he anything

like, uh, Mun-Mun the Mongoose?

216

00:09:00,639 —> 00:09:03,591

He taught us not

to play with cobras.

217

00:09:03,593 —> 00:09:07,429

You had to be taught

not to play with cobras?

218

00:09:08,330 —> 00:09:09,597

You had to be taught

219

00:09:09,599 —> 00:09:11,766

not to burn down the forest?

220

00:09:21,027 —> 00:09:22,560

Hey, if you guys were hungry,

why didn't you order

221

00:09:22,562 —> 00:09:23,912

something at the restaurant?

222

00:09:23,914 —> 00:09:25,947

We did, you never brought it.

223

00:09:27,366 —> 00:09:29,567

Oh, that's right.

224

00:09:29,569 —> 00:09:31,619

Nachos and a turkey club.

225

00:09:31,621 —> 00:09:34,238

Not even close.

226

00:09:34,240 —> 00:09:36,007

Well, I was too busy standing up

227

00:09:36,009 —> 00:09:38,710

for my friend to worry

about your...

228

00:09:38,712 —> 00:09:39,911

I want to say

229

00:09:39,913 —> 00:09:41,129

salmon.

230

00:09:41,131 —> 00:09:43,798

You want to say sorry.

231

00:09:47,887 —> 00:09:51,189

So, how are you gonna

tell Raj abut what you did?

232

00:09:51,191 —> 00:09:52,891

What do you mean "how"?

What's the big deal?

233

00:09:52,893 —> 00:09:54,976

You told Lucy

he was a pathetic mess.

234

00:09:54,978 —> 00:09:57,195

Then you made her cry and leave.

235

00:09:57,197 —> 00:09:59,030

Okay, you guys are overreacting.

236

00:09:59,032 —> 00:10:01,483

Raj is gonna appreciate

how I had his back.

237

00:10:01,485 —> 00:10:03,985

What is wrong

with you, Penny?!

238

00:10:03,987 —> 00:10:05,653

You ruined

any chance I had

239
00:10:05,655 —> 00:10:07,238
of getting back
with Lucy!

240
00:10:07,240 —> 00:10:09,457
(phone chimes) Now she knows
I'm a desperate mess

241
00:10:09,459 —> 00:10:11,960
instead of just
being pretty sure!

242
00:10:14,063 —> 00:10:15,613
It's Lucy.

243
00:10:15,615 —> 00:10:17,499
She wants to meet
for coffee.

244
00:10:17,501 —> 00:10:19,717
I love you, Penny!

245

00:10:24,690 —> 00:10:26,558

Hey, what're you working on?

246

00:10:26,560 —> 00:10:28,760

I'm thinking about

247

00:10:28,762 —> 00:10:30,562

how one could use the fact

248

00:10:30,564 —> 00:10:32,347

that a rapidly

rotating mirror

249

00:10:32,349 —> 00:10:34,566

turns virtual photons

into real ones

250

00:10:34,568 —> 00:10:37,569

as a method of

observing dark energy.

251

00:10:37,571 —> 00:10:39,237
That's a pretty cool idea.

252
00:10:39,239 —> 00:10:41,272
Yeah.
It's great you're here.

253
00:10:41,274 —> 00:10:42,891
I'd love to get
an engineer's opinion.

254
00:10:42,893 —> 00:10:44,159
Sure.

255
00:10:44,161 —> 00:10:46,661
This chair is squeaky.

256
00:10:49,331 —> 00:10:52,617
Now, do I fix it
or get a new one?

257
00:10:53,886 —> 00:10:56,437
Well, Sheldon,

it took me all morning,

258
00:10:56,439 —> 00:10:58,873
but I found the owner
of the video store.

259
00:10:58,875 —> 00:11:01,659
And I am happy to report that
he died peacefully in his sleep,

260
00:11:01,661 —> 00:11:03,795
drunk at the bottom of a pool.

261
00:11:05,598 —> 00:11:08,049
Anyway, there is no one
to return the DVD to,

262
00:11:08,051 —> 00:11:11,803
so this issue is resolved.

263
00:11:11,805 —> 00:11:14,055
Ah...

264

00:11:15,007 —> 00:11:16,858

And I'd just like

to point out that

265

00:11:16,860 —> 00:11:18,359

even though the sweater

was uncomfortable,

266

00:11:18,361 —> 00:11:19,861

I didn't use it as an excuse

267

00:11:19,863 —> 00:11:22,480

to antagonize

everyone around me.

268

00:11:22,482 —> 00:11:24,315

You know,

you could reimburse

269

00:11:24,317 —> 00:11:25,900

the video store owner's

next of kin.

270

00:11:25,902 —> 00:11:28,570

Or it's resolved!

271

00:11:30,322 —> 00:11:32,657

Hey, that next of kin thing

sounds pretty good.

272

00:11:34,026 —> 00:11:36,027

I believe

this is yours.

273

00:11:45,119 —> 00:11:47,337

Can I ask you guys

a question?

274

00:11:47,339 —> 00:11:49,289

So, I'm seeing Lucy

tomorrow night,

275

00:11:49,291 —> 00:11:51,090

and I've never hung out with

someone who broke up with me.

276

00:11:51,092 —> 00:11:52,375

How do you do it?

277

00:11:52,377 —> 00:11:53,860

You can't let her

know you're hurting.

278

00:11:53,862 —> 00:11:55,361

You know, the key

is confidence.

279

00:11:55,363 —> 00:11:57,797

Why is the key

always confidence?

280

00:11:57,799 —> 00:12:01,384

How come it's never

love handles and flop sweat?

281

00:12:03,420 —> 00:12:04,804

If this girl hurt you so much,

282

00:12:04,806 —> 00:12:06,272
are you sure you want
to see her again?

283
00:12:06,274 —> 00:12:07,640
Well, if I may...

284
00:12:07,642 —> 00:12:09,192
he has so little
self-respect

285
00:12:09,194 —> 00:12:11,778
and is so desperate

286
00:12:11,780 —> 00:12:13,646
she could literally sleep
with his own father

287
00:12:13,648 —> 00:12:15,732
in his own bed
and post the video to YouTube,

288
00:12:15,734 —> 00:12:17,033

and he'd still
buy her flowers

289
00:12:17,035 —> 00:12:19,152
and ask her
to be his bride.

290
00:12:22,072 —> 00:12:23,456
He's right.

291
00:12:25,993 —> 00:12:27,961
But in my defense,
if we could survive that,

292
00:12:27,963 —> 00:12:30,046
we could survive anything.

293
00:12:31,715 —> 00:12:33,082
Well, if you're sure
you want to do this,

294
00:12:33,084 —> 00:12:33,967
it's only coffee...

295

00:12:33,969 —> 00:12:36,169

just relax

and see what happens.

296

00:12:36,171 —> 00:12:38,254

Well, can I say

she looks nice?

297

00:12:38,256 —> 00:12:39,088

Sure.

298

00:12:39,090 —> 00:12:40,723

Can I tell her I miss her?

299

00:12:40,725 —> 00:12:42,642

Maybe, if she asks.

300

00:12:42,644 —> 00:12:44,477

Oh, can I show her

an oil painting I made

301

00:12:44,479 —> 00:12:47,347
of us surrounded by our
children and grandchildren?

302
00:12:48,465 —> 00:12:51,267
I'd save that
for the second date.

303
00:12:52,202 —> 00:12:53,519
Good, good.

304
00:12:53,521 —> 00:12:55,137
'Cause no matter how hard I try,

305
00:12:55,139 —> 00:12:57,824
I cannot get the twins
to look alike.

306
00:13:03,247 —> 00:13:05,198
What are you doing?

307
00:13:05,200 —> 00:13:08,084
Oh, I'm just trying to find

the stupid next of kin

308
00:13:08,086 —> 00:13:10,153
to this stupid video store owner

309
00:13:10,155 —> 00:13:11,854
so I can return the DVD

310
00:13:11,856 —> 00:13:14,424
and see the look
on Sheldon's stupid face

311
00:13:14,426 —> 00:13:16,459
when he sees that
I didn't let this get to me.

312
00:13:16,461 —> 00:13:17,710
(sobbing)

313
00:13:19,046 —> 00:13:20,096
Sheldon's not here.

314

00:13:20,098 —> 00:13:21,381
Why don't you take
the sweater off?

315
00:13:21,383 —> 00:13:23,165
Th-Th-There's a principle
at stake!

316
00:13:23,167 —> 00:13:24,634
Which is?
Oh, I don't know.

317
00:13:24,636 —> 00:13:26,936
Who cares? Look at me!

318
00:13:26,938 —> 00:13:28,471
Oh, my God!

319
00:13:28,473 —> 00:13:30,223
Is that sweater made of bees?

320
00:13:31,191 —> 00:13:33,192
Come on, take it off.

I won't tell.

321

00:13:33,194 —> 00:13:35,478

No, no, honey,

if I take it off, Sheldon wins.

322

00:13:35,480 —> 00:13:36,696

Sweetie...

323

00:13:36,698 —> 00:13:38,698

every night you don't

kill him in his sleep,

324

00:13:38,700 —> 00:13:40,616

he wins.

325

00:13:41,618 —> 00:13:43,703

Nah, i-it's... it's almost done.

326

00:13:43,705 —> 00:13:45,271

I just, I have to find...

(sighs)

327

00:13:45,273 —> 00:13:47,407

the next of kin,

and send 'em the DVD

328

00:13:47,409 —> 00:13:49,575

and then just wait for someone

with my complexion to die

329

00:13:49,577 —> 00:13:52,495

so I can get a skin graft.

330

00:13:52,497 —> 00:13:53,880

(sighs)

Smile.

331

00:13:53,882 —> 00:13:55,131

What-what is that?

332

00:13:55,133 —> 00:13:56,149

What is that for?

333

00:13:56,151 —> 00:13:57,667

So you can send it to Princeton

334
00:13:57,669 —> 00:13:59,419
and get your money back.

335
00:14:02,756 —> 00:14:04,724
AMY:
must say, Sheldon,

336
00:14:04,726 —> 00:14:06,459
you're handling
this DVD business

337
00:14:06,461 —> 00:14:08,127
with an impressive
amount of maturity.

338
00:14:08,129 —> 00:14:10,630
I don't know why
that surprises you.

339
00:14:10,632 —> 00:14:11,664
I'm a grown man.

340

00:14:11,666 —> 00:14:14,033

As should be evident

by this sport coat

341

00:14:14,035 —> 00:14:17,670

and very real flower

in my lapel.

342

00:14:17,672 —> 00:14:21,024

Is there some kind of new coping

mechanism you're employing?

343

00:14:21,026 —> 00:14:24,327

The more interesting question

you should be asking is,

344

00:14:24,329 —> 00:14:27,280

"What does this

flower smell like?"

345

00:14:28,532 —> 00:14:30,183

I'm gonna go with sad.

346

00:14:31,118 —> 00:14:32,602

So what's the story

347

00:14:32,604 —> 00:14:34,037

with you and this DVD?

348

00:14:34,039 —> 00:14:35,571

There's nothing to tell.

349

00:14:35,573 —> 00:14:37,573

Maybe I purchased

a book entitled,

350

00:14:37,575 —> 00:14:39,175

Don't Sweat

the Small Stuff

351

00:14:39,177 —> 00:14:41,911

and I followed

its wise suggestions,

352

00:14:41,913 —> 00:14:43,179
one of which was:

353
00:14:43,181 —> 00:14:45,348
stop and smell the flowers.

354
00:14:46,633 —> 00:14:48,101
Seriously?

355
00:14:48,103 —> 00:14:50,269
Please.

356
00:14:54,358 —> 00:14:55,608
(slight hiss)

357
00:14:55,610 —> 00:14:57,610
Ha-ha!

358
00:14:57,612 —> 00:14:59,529
Oh.

359
00:15:06,103 —> 00:15:07,787

Hi.

Hello.

360

00:15:07,789 —> 00:15:09,772

Oh, it's so good

to see you.

361

00:15:09,774 —> 00:15:10,957

You, too.

362

00:15:10,959 —> 00:15:11,941

Please, sit.

363

00:15:11,943 —> 00:15:14,577

I, uh, I got you

a cappuccino.

364

00:15:14,579 —> 00:15:15,795

I remembered

it was your favorite.

365

00:15:15,797 —> 00:15:17,580

Oh.

I also got crumb cake,

366
00:15:17,582 —> 00:15:20,083
but I remembered it was
my favorite and I ate it.

367
00:15:21,718 —> 00:15:23,953
Anyway, uh,
how are you?

368
00:15:23,955 —> 00:15:25,755
I'm pretty good.

369
00:15:25,757 —> 00:15:28,257
Listen, I just wanted
to apologize

370
00:15:28,259 —> 00:15:30,593
for breaking up
with you in an e-mail.

371
00:15:30,595 —> 00:15:31,761
Well, and I ate all the

crumb cake.

372
00:15:31,763 —> 00:15:33,513
we both made
mistakes.

373
00:15:33,515 —> 00:15:35,464
Okay.

374
00:15:35,466 —> 00:15:37,517
I'm so happy
you asked me here,

375
00:15:37,519 —> 00:15:39,352
and I hope we can
hang out again sometime.

376
00:15:39,354 —> 00:15:40,803
You know,
as friends,

377
00:15:40,805 —> 00:15:43,773
lovemaking partners,

whatever.

378
00:15:44,641 —> 00:15:46,826
Oh, uh...

379
00:15:46,828 —> 00:15:49,278
I'm kind of
seeing someone.

380
00:15:50,864 —> 00:15:52,782
I think I know
the answer to this,

381
00:15:52,784 —> 00:15:55,334
but just to be clear,
it's not me, right?

382
00:15:57,004 —> 00:15:58,921
This is all
your fault!

383
00:16:00,090 —> 00:16:01,323
I should've

listened to Mun-Mun

384
00:16:01,325 —> 00:16:02,842
because I've been
playing with a cobra

385
00:16:02,844 —> 00:16:04,544
and her name is Penny!

386
00:16:04,546 —> 00:16:06,429
Why are you so cruel?

387
00:16:06,431 —> 00:16:08,131
Do you enjoy my pain?

388
00:16:08,133 —> 00:16:10,266
There's a girl at the Cheesecake
Factory I can set you up with.

389
00:16:10,268 —> 00:16:12,468
I love you, Penny!

390

00:16:15,505 —> 00:16:18,474
How is it I can
conceptualize a methodology

391
00:16:18,476 —> 00:16:20,977
of examining dark matter
in the universe

392
00:16:20,979 —> 00:16:23,446
but can't figure out how
to fix a novelty squirt flower?

393
00:16:24,898 —> 00:16:26,349
I think the real
question is,

394
00:16:26,351 —> 00:16:29,735
why do you waste your time with cheap,
childish pranks?

395
00:16:29,737 —> 00:16:31,954
There's probably a deep reason.

396

00:16:31,956 —> 00:16:34,323
Which I'd be happy
to discuss with you

397
00:16:34,325 —> 00:16:36,542
over some peanut brittle
in a can.

398
00:16:37,928 —> 00:16:40,329
Okay, Sheldon,
I am out of options!

399
00:16:40,331 —> 00:16:41,363
(door slams)

400
00:16:41,365 —> 00:16:43,299
Video store owner,
Nursis Manookian,

401
00:16:43,301 —> 00:16:44,867
has no next of kin!

402
00:16:44,869 —> 00:16:47,920

Well, you seem hot
under the collar...

403
00:16:47,922 —> 00:16:50,039
or is that the sweater?

404
00:16:50,041 —> 00:16:51,424
Oh, oh, no, no.

405
00:16:51,426 —> 00:16:53,509
I-It's because
I spent all afternoon

406
00:16:53,511 —> 00:16:55,878
at the Armenian church where
his funeral mass was held.

407
00:16:55,880 —> 00:16:57,880
According to
Father Solakian,

408
00:16:57,882 —> 00:16:59,265
no one attended.

409

00:16:59,267 —> 00:17:01,234

Luckily, my trip

wasn't a complete waste.

410

00:17:01,236 —> 00:17:02,852

I lit a candle and

prayed for your death.

411

00:17:02,854 —> 00:17:05,521

But I'm not Armenian,

so it probably won't work!

412

00:17:06,823 —> 00:17:09,358

This is over, right?

413

00:17:09,360 —> 00:17:11,277

Oh, not necessarily.

414

00:17:11,279 —> 00:17:13,029

I suggest

415

00:17:13,031 —> 00:17:14,997
you look for long-lost relatives

416
00:17:14,999 —> 00:17:18,367
either in Armenia or Lebanon.

417
00:17:20,120 —> 00:17:21,921
Listen to me, Sheldon.

418
00:17:21,923 —> 00:17:24,006
I am not going to Lebanon

419
00:17:24,008 —> 00:17:27,910
to return Super Mario Bros.
the movie!

420
00:17:28,879 —> 00:17:31,430
You know, it might be fun.

421
00:17:31,432 —> 00:17:33,015
You love hummus.

422

00:17:34,751 —> 00:17:36,418
Why isn't this
bothering you?

423
00:17:36,420 —> 00:17:38,804
I-Isn't your brain
getting itchy?

424
00:17:38,806 —> 00:17:41,224
This is
on your card.

425
00:17:41,226 —> 00:17:43,592
This could be ruining
your credit score!

426
00:17:43,594 —> 00:17:46,279
Why isn't this
making you crazy?

427
00:17:47,531 —> 00:17:51,150
Leonard...

428

00:17:51,152 —> 00:17:53,435
I have something
to tell you,

429
00:17:53,437 —> 00:17:56,438
but I want you to promise
not to flip out.

430
00:17:56,440 —> 00:17:58,874
What?

431
00:17:58,876 —> 00:18:01,110
Seven years ago,

432
00:18:01,112 —> 00:18:03,079
I found out
the DVD was late

433
00:18:03,081 —> 00:18:04,413
and I paid for it.

434
00:18:12,506 —> 00:18:15,308
What?

435

00:18:15,310 —> 00:18:17,226

I was going to mention

it at the time,

436

00:18:17,228 —> 00:18:20,429

but then I thought,

some day,

437

00:18:20,431 —> 00:18:23,582

this might be

a teachable moment.

438

00:18:36,580 —> 00:18:38,781

Hah...

439

00:18:46,573 —> 00:18:48,207

I... You...

440

00:18:48,209 —> 00:18:49,625

How can...

441

00:18:49,627 —> 00:18:51,827
What?!

442
00:18:55,849 —> 00:18:57,717
Sheldon...

443
00:18:57,719 —> 00:19:00,303
that was diabolical.

444
00:19:00,305 —> 00:19:01,637
I know.

445
00:19:02,873 —> 00:19:04,357
And it wasn't easy.

446
00:19:04,359 —> 00:19:06,108
Do you have any idea
what it's like

447
00:19:06,110 —> 00:19:08,344
to wait for years and never know

448

00:19:08,346 —> 00:19:11,314
if you're going to finally
get satisfaction?

449
00:19:21,402 —> 00:19:22,852
Wow.

450
00:19:22,854 —> 00:19:24,720
You're even prettier
than Penny said.

451
00:19:24,722 —> 00:19:25,989
I can't believe

452
00:19:25,991 —> 00:19:27,574
a girl like you
doesn't have a boyfriend.

453
00:19:27,576 —> 00:19:28,825
Well, I don't.

454
00:19:28,827 —> 00:19:31,010
I don't believe you,

you're lying to me!

455
00:19:31,895 —> 00:19:33,062
What?

456
00:19:33,064 —> 00:19:34,364
Oh, it's okay.

457
00:19:34,366 —> 00:19:36,082
I have no morals and
I'm desperately lonely.

458
00:19:36,084 —> 00:19:37,283
I'll be the other man

459
00:19:37,285 —> 00:19:40,119
if you want a little
something-something on the side.

460
00:19:40,121 —> 00:19:42,005
What is wrong
with you?!

461

00:19:42,007 —> 00:19:43,673

What is wrong with you?!

462

00:19:43,675 —> 00:19:45,341

What is wrong with you?!

S07EP9: The Thanksgiving Decoupling

1

00:00:01,395 —> 00:00:03,296

The math is all there.

2

00:00:03,298 —> 00:00:05,314

It's not real.

Yes, it is.

3

00:00:05,316 —> 00:00:08,551

Yeah... uh, look.

It is scientifically impossible

4

00:00:08,553 —> 00:00:10,736

for a person to tip a cow.

5

00:00:11,721 —> 00:00:13,356
Even you, with your stocky build

6
00:00:13,358 —> 00:00:15,558
and lumberjack shoulders,
you couldn't do it.

7
00:00:16,726 —> 00:00:18,227
It's horrible. Why would
you push a cow over?

8
00:00:18,229 —> 00:00:19,195
They're sacred.

9
00:00:19,197 —> 00:00:20,446
Oh, stop it.

10
00:00:20,448 —> 00:00:22,415
I've seen you eat,
like, a million hamburgers.

11
00:00:22,417 —> 00:00:25,501
Hey, an animal can be both

sacred and delicious.

12

00:00:26,587 —> 00:00:28,170

Look, I'm telling you

I've done it, okay?

13

00:00:28,172 —> 00:00:29,905

I clearly remember

the cow standing up

14

00:00:29,907 —> 00:00:31,457

and then the cow on its side.

15

00:00:31,459 —> 00:00:33,376

Were you drunk?

16

00:00:33,378 —> 00:00:36,912

I was 16 in Nebraska.

What do you think?

17

00:00:36,914 —> 00:00:39,849

I think you're the one

who fell over.

18

00:00:39,851 —> 00:00:44,470

That would explain why the sky

was also on its side.

19

00:00:44,472 —> 00:00:45,638

Hey.

20

00:00:45,640 —> 00:00:48,090

Howard. Cow tipping:

real or not?

21

00:00:48,092 —> 00:00:50,476

Mmm. I'm gonna say... not.

22

00:00:50,478 —> 00:00:52,562

That's just based on me

trying to roll

23

00:00:52,564 —> 00:00:54,697

my mom over

when she's snoring.

24

00:00:55,899 —> 00:00:58,901

Speaking of that big

side of beef,

25

00:00:58,903 —> 00:01:02,204

uh, she's invited all of you

to Thanksgiving at her house.

26

00:01:02,206 —> 00:01:03,272

Aw.

27

00:01:03,274 —> 00:01:05,207

Mmm.

28

00:01:05,209 —> 00:01:07,126

You know, I've been told

that a bald refusal

29

00:01:07,128 —> 00:01:09,462

of an invitation is rude

and one must instead

30

00:01:09,464 —> 00:01:11,247
offer up a polite excuse, so...

31
00:01:11,249 —> 00:01:13,716
I'd love to go,
but, unfortunately,

32
00:01:13,718 —> 00:01:15,585
that sounds awful.

33
00:01:19,072 —> 00:01:21,040
Come on, it'll be fun.

34
00:01:21,042 —> 00:01:22,391
Uh, we were actually
gonna do it here.

35
00:01:22,393 —> 00:01:24,143
Please? Bernadette's
bringing her dad

36
00:01:24,145 —> 00:01:25,261
'cause her mom's out of town,

37

00:01:25,263 —> 00:01:27,396

and I never have anything

to say to that guy.

38

00:01:27,398 —> 00:01:29,798

whole thing behind us.

208

00:08:59,702 —> 00:09:00,668

Are you done?

209

00:09:00,670 —> 00:09:02,470

What?

Look, I get it, I screwed up.

210

00:09:02,472 —> 00:09:04,171

Is this all we're gonna talk

about the rest of the day?

211

00:09:04,173 —> 00:09:05,423

Why are you mad at me?

212

00:09:05,425 —> 00:09:07,091

You're the one that

did the stupid thing.

213

00:09:07,093 —> 00:09:08,726

I'm just trying to fix it.

Ugh!

214

00:09:08,728 —> 00:09:10,127

I need some air.

215

00:09:10,129 —> 00:09:11,679

Well... Penny.

216

00:09:11,681 —> 00:09:13,547

Now, I don't know the

first thing about women,

217

00:09:13,549 —> 00:09:15,383

but I would not follow her.

218
00:09:18,353 —> 00:09:20,571
Listen to Stretch.

219
00:09:29,632 —> 00:09:31,717
How am I
the bad guy?

220
00:09:31,719 —> 00:09:34,486
She's the one who married
someone else. I'm the victim.

221
00:09:34,488 —> 00:09:38,240
Sounds like Zack's the victim.
You're sleeping with his wife.

222
00:09:40,193 —> 00:09:43,328
I've kept my marriage
together for 35 years.

223
00:09:43,330 —> 00:09:44,813
Can I weigh in here?

224

00:09:44,815 —> 00:09:45,914

Sure.

225

00:09:45,916 —> 00:09:47,982

I'm trying to watch the game.

Shut up.

226

00:09:49,485 —> 00:09:51,019

Oh!

227

00:09:51,021 —> 00:09:54,022

How do you not make

a first down there?

228

00:09:54,024 —> 00:09:55,791

They passed against

a nickel defense.

229

00:09:55,793 —> 00:09:57,559

They should have run it

off-tackle.

230

00:10:00,296 —> 00:10:02,197

How the hell

do you know that?

231

00:10:02,199 —> 00:10:03,832

My father loved football.

232

00:10:03,834 —> 00:10:05,550

He always made me watch it

233

00:10:05,552 —> 00:10:08,320

before I was allowed

to do my homework.

234

00:10:08,322 —> 00:10:09,337

PENNY: Well, you'll

be happy

235

00:10:09,339 —> 00:10:10,839

to know I just

spoke to Zack

236

00:10:10,841 —> 00:10:12,524
and he's willing to
sign the court papers.

237
00:10:12,526 —> 00:10:13,842
He's on his way here now.

238
00:10:13,844 —> 00:10:16,678
Wait, you invited him here?
Yeah.

239
00:10:16,680 —> 00:10:18,513
I'm getting ready
to weigh in again.

240
00:10:18,515 —> 00:10:20,181
Come on.

241
00:10:21,117 —> 00:10:23,869
What do you think
they ought to do now?

242
00:10:23,871 —> 00:10:26,187

I would throw a quick slant
to a wideout,

243
00:10:26,189 —> 00:10:28,657
given that the defense
is showing blitz.

244
00:10:28,659 —> 00:10:31,793
Oh, I love a good blitz,
especially with sour cream.

245
00:10:34,380 —> 00:10:36,131
(laughing):
Get it?

246
00:10:36,133 —> 00:10:38,500
'Cause it sounds like "blintz."

247
00:10:39,385 —> 00:10:41,753
MRS. WOLOWITZ:
Did someone say "blintz"?!

248
00:10:42,922 —> 00:10:44,038

I just don't
understand

249
00:10:44,040 —> 00:10:45,540
why you invited
him here today.

250
00:10:45,542 —> 00:10:46,641
Because you wouldn't
shut up about it.

251
00:10:46,643 —> 00:10:48,143
When I called him,
he had nothing to do,

252
00:10:48,145 —> 00:10:49,177
so I just thought it would...

253
00:10:49,179 —> 00:10:50,979
Hey, guys, I'm trying
to cook in here.

254
00:10:50,981 —> 00:10:52,314

Oh, sorry.

We'll keep it down.

255

00:10:52,316 —> 00:10:55,066

No, no, speak up.

256

00:10:55,068 —> 00:10:56,518

I'm about to use the blender,

257

00:10:56,520 —> 00:10:58,320

and I don't want

to miss anything.

258

00:10:59,155 —> 00:11:01,222

Well, you might have

to cook for one more

259

00:11:01,224 —> 00:11:02,407

because she

invited Zack.

260

00:11:02,409 —> 00:11:04,242

BERNADETTE: What?

AMY: Ooh!

261
00:11:05,411 —> 00:11:07,228
My, my.

262
00:11:07,230 —> 00:11:10,832
The plot, like my gravy,
thickens.

263
00:11:15,188 —> 00:11:17,422
I don't care for your
mother's bathroom.

264
00:11:17,424 —> 00:11:19,624
There's not an angle
to do one's business

265
00:11:19,626 —> 00:11:22,243
without a clown figurine
staring at you.

266
00:11:23,629 —> 00:11:26,014
That's why I sit.

(chuckles)

267
00:11:26,016 —> 00:11:28,433
Yeah, that's why.

268
00:11:30,586 —> 00:11:32,771
You remember
the Thanksgiving game

269
00:11:32,773 —> 00:11:34,756
when it snowed
in Dallas?

270
00:11:34,758 —> 00:11:38,393
1993— Leon Lett blew the game
in the final seconds

271
00:11:38,395 —> 00:11:40,362
and the Dolphins
emerged victorious.

272
00:11:40,364 —> 00:11:43,365
Then I finally got to do

my calculus.

273

00:11:43,367 —> 00:11:46,818

I was so pissed,

I wanted to shoot my TV.

274

00:11:46,820 —> 00:11:48,737

So was my dad.

275

00:11:48,739 —> 00:11:51,039

And then he did.

276

00:11:51,958 —> 00:11:53,875

Anyone need a beer?

Yeah.

277

00:11:53,877 —> 00:11:56,277

Thank God.

278

00:11:56,279 —> 00:11:59,214

So, does your dad

still live in Texas?

279

00:11:59,216 —> 00:12:01,833

No. He died when I was 14.

280

00:12:03,019 —> 00:12:05,003

I'm sorry to hear that.

281

00:12:05,005 —> 00:12:07,722

So was the man who owned

the local liquor store.

282

00:12:09,008 —> 00:12:12,194

He cried and cried.

283

00:12:12,196 —> 00:12:13,895

Here you go.

284

00:12:13,897 —> 00:12:15,931

Oh, thanks.

285

00:12:15,933 —> 00:12:18,733

So, if your dad died

when you were 14,

286

00:12:18,735 —> 00:12:21,903

you were never old enough

to have a beer with the man.

287

00:12:21,905 —> 00:12:23,188

No, sir.

288

00:12:23,190 —> 00:12:26,157

He did try to give me one

for my high school graduation,

289

00:12:26,159 —> 00:12:29,494

but I was 11 and my mom said no.

290

00:12:33,633 —> 00:12:36,001

Well, you're having one with me.

291

00:12:40,756 —> 00:12:42,374

All right.

292

00:12:44,010 —> 00:12:45,677

To your dad.

293
00:12:49,465 —> 00:12:53,218
I never had a beer
with my dad, either.

294
00:12:56,505 —> 00:12:59,224
Do you mind?
We're having a moment here.

295
00:13:06,983 —> 00:13:09,234
I can't believe Penny's
married to Zack.

296
00:13:09,236 —> 00:13:10,936
Wonder what she saw
in that guy.

297
00:13:10,938 —> 00:13:12,437
I don't know.

298
00:13:12,439 —> 00:13:14,456
He's sweet, he's tall, handsome.

299

00:13:14,458 —> 00:13:16,374

Broad shoulders, good hair.

300

00:13:16,376 —> 00:13:18,910

Hmm. Wonder what she

sees in Leonard.

301

00:13:22,014 —> 00:13:23,498

How's it going out there?

302

00:13:23,500 —> 00:13:27,218

Sheldon and your dad are bonding

and completely ignoring me.

303

00:13:27,220 —> 00:13:29,304

I know how you feel.

304

00:13:29,306 —> 00:13:33,141

Sheldon ignored me for a week

when he got that Roomba vacuum.

305

00:13:34,543 —> 00:13:36,878
I kick it when he's not looking.

306
00:13:38,931 —> 00:13:40,231
What are they doing?

307
00:13:40,233 —> 00:13:44,686
They're drinking beer
and watching football.

308
00:13:44,688 —> 00:13:46,054
They don't want me.

309
00:13:46,056 —> 00:13:47,155
What do you mean?

310
00:13:47,157 —> 00:13:48,640
Well, Sheldon
started talking

311
00:13:48,642 —> 00:13:50,942
about how his dad
isn't alive anymore,

312

00:13:50,944 —> 00:13:52,393

and they were toasting,

and I tried

313

00:13:52,395 —> 00:13:53,862

to tell them about how sad I was

314

00:13:53,864 —> 00:13:54,996

when my dad abandoned...

(doorbell rings)

315

00:13:54,998 —> 00:13:56,848

AMY:

Zack's here!

316

00:13:56,850 —> 00:13:59,117

Stir the gravy.

317

00:14:01,370 —> 00:14:03,538

Sorry. I really want

to hear how sad you are.

318

00:14:03,540 —> 00:14:05,957

I'll be back in like five,

ten minutes.

319

00:14:10,012 —> 00:14:12,547

Sorry she made you come

over here on a holiday.

320

00:14:12,549 —> 00:14:14,599

It's all right.

I didn't have anything going on.

321

00:14:14,601 —> 00:14:16,217

Plus, Penny told me

we're married,

322

00:14:16,219 —> 00:14:18,837

and Thanksgiving's a time

to be with family.

323

00:14:19,722 —> 00:14:20,689

Yeah, okay, great.

324

00:14:20,691 —> 00:14:21,891

Can we just get

this over with?

325

00:14:21,892 —> 00:14:24,809

Yeah, uh, you guys

have to sign here and here.

326

00:14:24,811 —> 00:14:26,611

On Monday, we'll file

for the annulment,

327

00:14:26,613 —> 00:14:28,446

and this "marriage"

will be over.

328

00:14:28,448 —> 00:14:29,781

Okay.

329

00:14:29,783 —> 00:14:32,233

I don't know

if I want to sign it.

330

00:14:32,235 —> 00:14:34,452

Ooh. Ooh.

Ooh.

331

00:14:36,455 —> 00:14:37,872

Why won't you sign it?

332

00:14:37,874 —> 00:14:41,609

I just think splitting up

can be rough on kids.

333

00:14:42,495 —> 00:14:43,745

We don't have any kids.

334

00:14:43,747 —> 00:14:45,380

Are you sure?

'Cause you didn't know

335

00:14:45,382 —> 00:14:47,132

we were married

until this morning.

336

00:14:49,385 —> 00:14:50,835
Okay, look, Zack, come on.

337
00:14:50,837 —> 00:14:53,004
You know neither of us
thought this was real.

338
00:14:53,006 —> 00:14:55,974
I mean, we were married
by an Elvis impersonator.

339
00:14:55,976 —> 00:14:57,458
Of course it was
an impersonator.

340
00:14:57,460 —> 00:15:00,145
We could never afford
a real Elvis.

341
00:15:02,481 —> 00:15:04,849
You married him
instead of me?

342

00:15:04,851 —> 00:15:06,651
Good call.

343
00:15:06,653 —> 00:15:08,236
Sign the papers.

344
00:15:08,238 —> 00:15:09,521
Hang on.
You know what?

345
00:15:09,523 —> 00:15:11,406
You have been a jerk
about this all day.

346
00:15:11,408 —> 00:15:12,907
You always do this—
whenever I mess up,

347
00:15:12,909 —> 00:15:14,909
you're right there to make me
feel even worse about it.

348
00:15:14,911 —> 00:15:15,977

That is not true.

349
00:15:15,979 —> 00:15:17,145
Yeah, we could've
waited till Monday,

350
00:15:17,147 —> 00:15:18,697
signed the papers,
this all would have been over.

351
00:15:18,699 —> 00:15:20,281
You're the one who
invited him here.

352
00:15:20,283 —> 00:15:21,866
Oh, there you go again—
just another mistake

353
00:15:21,868 —> 00:15:22,917
you're throwing in my face.

354
00:15:22,919 —> 00:15:24,652
Not cool, bro.

355

00:15:26,455 —> 00:15:27,922

I'm starting to think

356

00:15:27,924 —> 00:15:30,542

you're not the kind of guy

I want dating my wife.

357

00:15:32,378 —> 00:15:34,328

LEONARD:

Yeah, well,

358

00:15:34,330 —> 00:15:35,930

she's not gonna be

your wife for long.

359

00:15:35,932 —> 00:15:38,833

Oh, no. Are you dying?

360

00:15:39,685 —> 00:15:41,886

I'm about to. Sign the paper.

361

00:15:43,672 —> 00:15:47,609
Know what they say:
"Happy wife, happy life."

362
00:15:48,811 —> 00:15:50,361
Let's eat.

363
00:15:53,783 —> 00:15:58,653
(burping): Two, three,
eight, four, six.

364
00:16:01,457 —> 00:16:03,491
That's all I can do
without throwing up.

365
00:16:03,493 —> 00:16:05,076
(gasping)

366
00:16:05,078 —> 00:16:06,694
That is not what I expected

367
00:16:06,696 —> 00:16:09,664
when you said you

were gonna burp "pie."

368
00:16:11,050 —> 00:16:13,585
MRS. WOLOWITZ:
Did somebody say "pie"?!

369
00:16:14,587 —> 00:16:16,171
I don't know what's scarier:

370
00:16:16,173 —> 00:16:17,672
the bathroom clowns

371
00:16:17,674 —> 00:16:20,475
or the woman
that put them there.

372
00:16:21,543 —> 00:16:25,213
All I know is you can only fit
one of her in a car.

373
00:16:25,215 —> 00:16:27,048
(laughing)

374

00:16:28,350 —> 00:16:30,068

And there's the clown

that came out of her.

375

00:16:30,070 —> 00:16:32,403

(laughing)

376

00:16:35,057 —> 00:16:37,525

I really didn't want

to come here,

377

00:16:37,527 —> 00:16:39,444

but this is shaping up to be

378

having a rough time,

130

00:05:04,561 —> 00:05:06,144

and I thought maybe

we could talk.

131

00:05:06,146 —> 00:05:07,011

Is that okay?

132

00:05:07,013 —> 00:05:08,646

Certainly.

133

00:05:08,648 —> 00:05:09,680

Although...

134

00:05:09,682 —> 00:05:11,232

right now,

I'm having a rough time

135

00:05:11,234 —> 00:05:12,900

because there's

three people in my room,

136

00:05:12,902 —> 00:05:15,920

and it's starting to feel

like a discotheque.

137

00:05:17,372 —> 00:05:19,574

Sheldon, you said you were
unhappy getting attention

138
00:05:19,576 —> 00:05:21,859
for something you wished
you never did.

139
00:05:21,861 —> 00:05:23,694
Yeah, I know a little
something about that.

140
00:05:23,696 —> 00:05:25,746
Oh, nonsense, Wil.

141
00:05:25,748 —> 00:05:29,300
Your endless tweets are
not that bad.

142
00:05:29,302 —> 00:05:31,719
I remember why
it's been a while.

143
00:05:31,721 —> 00:05:34,172

Sheldon, I was actually talking

144
00:05:34,174 —> 00:05:35,873
about when I was a kid
on Star Trek.

145
00:05:35,875 —> 00:05:38,392
How could you not
like getting attention

146
00:05:38,394 —> 00:05:39,877
for playing Wesley Crusher?

147
00:05:39,879 —> 00:05:41,996
You were wonderful.

148
00:05:41,998 —> 00:05:44,732
A know-it-all boy genius
with an eidetic memory.

149
00:05:44,734 —> 00:05:47,568
Who couldn't relate to that?

150

00:05:48,437 —> 00:05:50,238

Well, not everybody

felt that way.

151

00:05:50,240 —> 00:05:51,989

A lot of people

really hated the character,

152

00:05:51,991 —> 00:05:54,242

and some of them

hated me because of it.

153

00:05:54,244 —> 00:05:55,226

I would do interviews,

154

00:05:55,228 —> 00:05:56,894

and people would be mean to me.

155

00:05:56,896 —> 00:05:59,163

That just happened to me.

156

00:05:59,165 —> 00:06:00,915

Next time you're stuck
for a tweet,

157
00:06:00,917 —> 00:06:04,202
feel free to say
what a jerk Ira Flatow is.

158
00:06:04,204 —> 00:06:07,288
Sheldon, the point is
Wil learned to embrace

159
00:06:07,290 —> 00:06:10,574
that part of his life and moved
on to bigger and better things.

160
00:06:10,576 —> 00:06:12,076
WHEATON:
Yeah, I'm an author now,

161
00:06:12,078 —> 00:06:13,628
I do public speaking,

162
00:06:13,630 —> 00:06:15,796

and I have my own Web series
about board games.

163
00:06:15,798 —> 00:06:17,181
Uh...

164
00:06:17,183 —> 00:06:19,050
We're trying
to cheer him up, so...

165
00:06:19,052 —> 00:06:20,417
(clicks tongue)

166
00:06:24,056 —> 00:06:26,023
I'm just saying
that there was a time

167
00:06:26,025 —> 00:06:28,526
when I thought I would never get
out of Wesley Crusher's shadow.

168
00:06:28,528 —> 00:06:29,860
But now,

169

00:06:29,862 —> 00:06:32,313

it's just one small part

of a pretty great life,

170

00:06:32,315 —> 00:06:34,431

and it's a part

that I'm happy is there.

171

00:06:34,433 —> 00:06:36,734

I do see what you're saying.

172

00:06:36,736 —> 00:06:38,236

That helps.

173

00:06:38,238 —> 00:06:39,370

Good.

174

00:06:39,372 —> 00:06:40,605

Would you two like to stay

175

00:06:40,607 —> 00:06:41,639

and play trains with me?

176

00:06:41,641 —> 00:06:42,707

Sure.

Okay.

177

00:06:42,709 —> 00:06:43,774

Oh, great!

178

00:06:43,776 —> 00:06:47,111

Now...

(clears throat)

179

00:06:47,113 —> 00:06:48,112

I work the controls.

180

00:06:48,114 —> 00:06:49,297

I say "All aboard""

181

00:06:49,299 —> 00:06:52,283

You sit quietly and watch.

182

00:06:52,285 —> 00:06:54,385
Can I blow the whistle?

183
00:06:55,754 —> 00:06:57,755
You should probably go.

184
00:07:05,314 —> 00:07:07,415
You're gonna brush
your teeth on my couch?

185
00:07:07,417 —> 00:07:10,568
No, I'm gonna brush
Cinnamon's teeth.

186
00:07:10,570 —> 00:07:11,686
Why bother?

187
00:07:11,688 —> 00:07:12,820
She spends half the time

188
00:07:12,822 —> 00:07:14,322
licking her butt.

189

00:07:15,274 —> 00:07:16,741

And the other half

licking my face.

190

00:07:16,743 —> 00:07:18,809

That's why I'm brushing

her teeth.

191

00:07:20,645 —> 00:07:22,646

Hey, guys.

Sorry I'm so late.

192

00:07:22,648 —> 00:07:23,647

Did you already have dinner?

193

00:07:23,649 —> 00:07:25,249

No, we were waiting for you.

194

00:07:25,251 —> 00:07:26,500

Aw, that's so sweet.

195

00:07:26,502 —> 00:07:28,753

Yeah. So what do you
feel like making?

196
00:07:30,322 —> 00:07:31,505
Howard, the poor thing

197
00:07:31,507 —> 00:07:32,506
just got home from work.

198
00:07:32,508 —> 00:07:34,658
Let me get you a glass of wine.

199
00:07:34,660 —> 00:07:36,177
I'll cook dinner.

200
00:07:36,179 —> 00:07:38,129
Oh, Raj, you're our guest.
KOOTHRAPPALI: Don't be silly.

201
00:07:38,131 —> 00:07:40,164
Sit. You look
like you've had a long day.

202

00:07:40,166 —> 00:07:43,150

No, she always

looks like that.

203

00:07:45,554 —> 00:07:48,939

Because she married an idiot.

204

00:07:49,691 —> 00:07:51,592

Thank you, Raj.

205

00:07:51,594 —> 00:07:52,810

KOOTHRAPPALI:

Please, this is

206

00:07:52,812 —> 00:07:54,528

my way of thanking you

207

00:07:54,530 —> 00:07:56,364

for letting me stay here.

208

00:07:56,366 —> 00:07:59,317

Now, tell us all about your day.

209

00:07:59,319 —> 00:08:01,319

Okay, um, well, first,

210

00:08:01,321 —> 00:08:03,287

I was late to a meeting

'cause I was stuck in traffic.

211

00:08:03,289 —> 00:08:06,290

Well, I keep telling you to put

that traffic app on your phone.

212

00:08:06,292 —> 00:08:08,192

Hey, when you got home today

complaining that you felt sick

213

00:08:08,194 —> 00:08:09,526

from eating

too many jelly beans,

214

00:08:09,528 —> 00:08:10,661

did I tell you how to fix it?

215

00:08:10,663 —> 00:08:11,862

No.

216

00:08:13,548 —> 00:08:17,534

I said, "Aw, that must hurt,"

and I rubbed your belly.

217

00:08:20,872 —> 00:08:23,090

I thought of you

the whole time.

218

00:08:26,228 —> 00:08:28,179

All I'm saying is there's

a time to just listen.

219

00:08:28,181 —> 00:08:29,513

Thank you.

220

00:08:29,515 —> 00:08:30,598

There's also a time to stop

221

00:08:30,600 —> 00:08:31,682

eating too many jelly beans.

222

00:08:31,684 —> 00:08:33,851

And it's when you're ten.

223

00:08:36,655 —> 00:08:38,255

Hello, President Siebert.

224

00:08:38,257 —> 00:08:39,774

Thank you for taking my call.

225

00:08:39,776 —> 00:08:42,576

I just wanted you to know

that you can now expect

226

00:08:42,578 —> 00:08:46,414

enthusiastic participation

from me regarding my discovery.

227

00:08:46,416 —> 00:08:47,698

Oh, no, no, no, no.

228

00:08:47,700 —> 00:08:48,999
No need to thank me.

229
00:08:49,001 —> 00:08:51,786
Thank my friend, Wil Wheaton.

230
00:08:51,788 —> 00:08:55,005
For your information,
I have nine friends, hmm?

231
00:08:56,208 —> 00:08:59,410
Ten if we include you.

232
00:08:59,412 —> 00:09:01,595
Nine it is.

233
00:09:04,182 —> 00:09:06,183
Ah, it's ten.

234
00:09:06,185 —> 00:09:08,018
I'll count Wolowitz.

235

00:09:08,920 —> 00:09:10,771
Hello, friend Leonard.

236
00:09:10,773 —> 00:09:12,056
Hey, you're in a good mood.

237
00:09:12,058 —> 00:09:14,024
I'm in a great mood.

238
00:09:14,026 —> 00:09:15,893
Well, you're about to be
in an even better one.

239
00:09:15,895 —> 00:09:17,261
I didn't want
to say anything

240
00:09:17,263 —> 00:09:18,646
until I knew for sure, but...

241
00:09:18,648 —> 00:09:21,365
I've been re-running the tests
on your element in my lab

242

00:09:21,367 —> 00:09:22,900

and I disproved it.

243

00:09:22,902 —> 00:09:24,702

Your element does not exist!

244

00:09:25,737 —> 00:09:27,471

Yeah, but what about

the Chinese research team?

245

00:09:27,473 —> 00:09:28,572

They found it.

246

00:09:28,574 —> 00:09:29,957

Yeah, it turns out someone added

247

00:09:29,959 —> 00:09:32,443

simulated signals

to the data files.

248

00:09:32,445 —> 00:09:34,128

They faked the results.

249

00:09:34,130 —> 00:09:35,129

Really?

250

00:09:35,131 —> 00:09:36,864

Yes! Do you know

what that means?

251

00:09:36,866 —> 00:09:39,884

That means all of this attention

that you hate goes away.

252

00:09:39,886 —> 00:09:41,118

So no more interviews?

253

00:09:41,120 —> 00:09:42,119

No, it's all over.

254

00:09:42,121 —> 00:09:43,220

I can't believe it.

255

00:09:43,222 —> 00:09:44,121

Well, you're welcome.

256

00:09:44,123 —> 00:09:45,122

You robbed me

257

00:09:45,124 —> 00:09:47,057

of my greatest achievement!

258

00:09:48,043 —> 00:09:49,009

What?!

259

00:09:49,011 —> 00:09:51,812

I'm back down

to nine friends!

260

00:09:51,814 —> 00:09:55,232

Make it eight—

I'm sick of Wolowitz, too!

261

00:09:55,234 —> 00:09:57,735

I-I don't understand.

262

00:09:57,737 —> 00:09:59,353

All you've done

since you discovered

263

00:09:59,355 —> 00:10:00,771

this stupid element

was complain.

264

00:10:00,773 —> 00:10:02,106

I was trying to make you happy!

265

00:10:02,108 —> 00:10:04,742

By taking away

my only claim to fame?

266

00:10:04,744 —> 00:10:06,410

Well, if you wanted

to make me happy,

267

00:10:06,412 —> 00:10:07,828

you could have told me a joke.

268

00:10:07,830 —> 00:10:09,113
Or shown me a cute video

269
00:10:09,115 —> 00:10:11,148
of a koala and an otter

270
00:10:11,150 —> 00:10:12,649
becoming unlikely friends.

271
00:10:12,651 —> 00:10:16,036
Oh, there is
no winning with you.

272
00:10:16,038 —> 00:10:18,422
And koalas and otters don't
even live near each other!

273
00:10:18,424 —> 00:10:21,425
That's what makes
their friendship unlikely!

274
00:10:21,427 —> 00:10:23,043
Hey!

275

00:10:23,045 —> 00:10:24,345

What's with all the yelling?

276

00:10:24,347 —> 00:10:26,430

Leonard disproved my element.

277

00:10:26,432 —> 00:10:28,766

Now all the attention

is going to go away.

278

00:10:28,768 —> 00:10:30,267

Oh, that's great.

You must be thrilled!

279

00:10:30,269 —> 00:10:33,687

That's it!

I'm down to seven friends.

280

00:10:33,689 —> 00:10:37,391

He's counting hobbits

and superheroes, right?

281

00:10:37,393 —> 00:10:40,644

When I thought the element

was real, I didn't want it.

282

00:10:40,646 —> 00:10:42,480

But now that Leonard

made it not exist,

283

00:10:42,482 —> 00:10:44,982

I want it more

than anything in the world.

284

00:10:44,984 —> 00:10:46,567

The-the element never existed.

285

00:10:46,569 —> 00:10:48,352

I didn't take it away,

science took it away.

286

00:10:48,354 —> 00:10:49,453

Be mad at science.

287

00:10:49,455 —> 00:10:52,456
Don't you dare use
science against me.

288
00:10:52,458 —> 00:10:54,992
Science is my best friend!

289
00:10:54,994 —> 00:10:56,460
Oh, good,
I'm back up to eight.

290
00:10:57,829 —> 00:11:00,047
Will you tell him
he's out of his mind.

291
00:11:00,049 —> 00:11:01,348
Actually, I get
what he's saying.

292
00:11:01,350 —> 00:11:02,716
Oh, yes! Nine!

293
00:11:02,718 —> 00:11:03,717

Welcome back, buddy.

294
00:11:06,004 —> 00:11:08,038
It's like if you're dating
someone you're not that into,

295
00:11:08,040 —> 00:11:09,306
and then they break up with you

296
00:11:09,308 —> 00:11:10,724
and then you want them
more than ever.

297
00:11:10,726 —> 00:11:12,426
I have no idea what
she's talking about.

298
00:11:12,428 —> 00:11:15,813
but we're ganged up
on you so I agree.

299
00:11:16,714 —> 00:11:18,882
Okay, Sheldon, what do you

want me to do,

300
00:11:18,884 —> 00:11:20,484
hide the information?

301
00:11:20,486 —> 00:11:21,852
If I don't publish it,

302
00:11:21,854 —> 00:11:23,237
it's just a matter of time
before someone else does.

303
00:11:23,239 —> 00:11:25,022
No, no, of course
you have to publish.

304
00:11:25,024 —> 00:11:26,957
That's your responsibility
as a scientist.

305
00:11:26,959 —> 00:11:28,609
Doing otherwise
would be unethical.

306

00:11:28,611 —> 00:11:29,893

You have no choice.

307

00:11:29,895 —> 00:11:31,662

Fine, I'll publish.

308

00:11:31,664 —> 00:11:33,364

Can you believe this guy?

309

00:11:43,480 —> 00:11:45,481

Aw! Raj did the dishes.

310

00:11:45,483 —> 00:11:47,033

How do you know

I didn't do them?

311

00:11:47,035 —> 00:11:48,768

Because once, when all

the knives were dirty,

312

00:11:48,770 —> 00:11:51,604

you cut a bagel with your keys.

313
00:11:53,040 —> 00:11:54,874
Good morning, everybody.

314
00:11:54,876 —> 00:11:57,009
I picked up coffee
while I was out.

315
00:11:57,011 —> 00:11:59,629
Bernadette, here's
your soy peppermint mocha.

316
00:11:59,631 —> 00:12:01,798
Aw, you didn't have to do that.

317
00:12:01,800 —> 00:12:02,932
Oh, my pleasure, and don't worry

318
00:12:02,934 —> 00:12:04,000
about your presentation today.

319

00:12:04,002 —> 00:12:05,218
You're gonna be great.

320
00:12:05,220 —> 00:12:07,420
Yeah, you're gonna
knock it out of the park.

321
00:12:07,422 —> 00:12:09,622
What presentation
do I have today?

322
00:12:11,058 —> 00:12:12,675
Just go.

323
00:12:16,013 —> 00:12:18,181
He loves you.

324
00:12:18,183 —> 00:12:19,148
What are you doing?

325
00:12:19,150 —> 00:12:20,600
Are you trying
to make me look bad?

326

00:12:20,602 —> 00:12:22,134

I'm just being

a good house guest.

327

00:12:22,136 —> 00:12:23,603

No, you're being

a better husband than I am.

328

00:12:23,605 —> 00:12:25,354

Doing the dishes,

getting coffee,

329

00:12:25,356 —> 00:12:26,572

knowing about her life—

330

00:12:26,574 —> 00:12:28,474

who does that?

331

00:12:28,476 —> 00:12:31,110

Oh, come on,

I brought you one, too.

332

00:12:31,112 —> 00:12:32,795

I don't want coffee.

333

00:12:32,797 —> 00:12:34,247

That's why I got you

hot chocolate.

334

00:12:34,249 —> 00:12:36,332

Give me that.

335

00:12:36,334 —> 00:12:39,035

Just stop showing me up.

336

00:12:39,037 —> 00:12:40,586

Howard, listen to me.

337

00:12:40,588 —> 00:12:41,987

You're a great husband.

338

00:12:41,989 —> 00:12:44,590

Yes, your listening skills

could use some work.

339

00:12:44,592 —> 00:12:47,794

But it's amazing how far

you've come given that you're

340

00:12:47,796 —> 00:12:51,264

an only child raised

by an over-protective mom.

341

00:12:51,266 —> 00:12:53,883

Um, is this getting weird?

342

00:12:53,885 —> 00:12:54,934

Hang on.

343

00:12:59,389 —> 00:13:02,225

So, yes.

344

00:13:03,393 —> 00:13:05,595

(knocking on door)

LEONARD: Hey.

345

00:13:05,597 —> 00:13:07,947
I just wanted to let you know
that I-I posted my findings.

346
00:13:07,949 —> 00:13:09,181
I saw.

347
00:13:09,183 —> 00:13:10,533
And I just

348
00:13:10,535 —> 00:13:12,618
posted a retraction of my paper.

349
00:13:12,620 —> 00:13:15,621
Now the whole scientific
community knows I was wrong.

350
00:13:15,623 —> 00:13:18,291
These things happen
all the time, Sheldon.

351
00:13:18,293 —> 00:13:19,458
Not to me.

352

00:13:19,460 —> 00:13:21,544

The only other retraction

I ever had to issue

353

00:13:21,546 —> 00:13:24,213

was when I was seven

and I conceded that my brother

354

00:13:24,215 —> 00:13:26,916

was the greatest ninja

in East Texas.

355

00:13:28,168 —> 00:13:30,449

But that was just a ploy to get

my face out of his armpit.

356

00:13:31,722 —> 00:13:34,056

There he is!

357

00:13:35,208 —> 00:13:36,809

It's my favorite superhero—

358

00:13:36,811 —> 00:13:39,595

the Retractor!

359

00:13:40,731 —> 00:13:43,399

Come on, don't give him

a hard time.

360

00:13:43,401 —> 00:13:44,684

I'm sorry, Cooper.

361

00:13:44,686 —> 00:13:46,886

I retract it.

362

00:13:47,821 —> 00:13:49,655

By the way, Hofstadter,

363

00:13:49,657 —> 00:13:52,191

nice job disproving

the Chinese team.

364

00:13:52,193 —> 00:13:53,276

It's not a big deal.

365

00:13:53,278 —> 00:13:54,911

It's a huge deal.

366

00:13:54,913 —> 00:13:57,897

Cooper, maybe physics

just isn't your thing.

367

00:13:58,899 —> 00:14:00,750

Have you ever considered

a career in retail?

368

00:14:00,752 —> 00:14:04,003

That way you could take

things back for a living.

369

00:14:05,455 —> 00:14:06,505

Okay, Barry, that's enough.

370

00:14:06,507 —> 00:14:07,907

Oh, no, that's okay.

371

00:14:07,909 —> 00:14:09,876

I can fight my own battles.

372

00:14:09,878 —> 00:14:12,962

Isn't that right, "Bawwy."

373

00:14:14,581 —> 00:14:16,432

Is...?

374

00:14:16,434 —> 00:14:19,018

Is that a reference

to my speech impediment?

375

00:14:20,470 —> 00:14:23,055

That's pretty hurtful.

376

00:14:23,057 —> 00:14:24,473

I...

377

00:14:24,475 —> 00:14:26,475

I can't control it.

378

00:14:27,945 —> 00:14:29,028

You're right,

379

00:14:29,030 —> 00:14:31,063

That was uncalled for.

380

00:14:31,065 —> 00:14:32,481

I take it back.

381

00:14:32,483 —> 00:14:33,449

Of course you do.

382

00:14:33,451 —> 00:14:35,451

Because you're the Retractor!

383

00:14:39,823 —> 00:14:41,991

Raj, this dinner was amazing.

384

00:14:41,993 —> 00:14:43,108

If you're here much longer,

385

00:14:43,110 —> 00:14:45,127

I'm gonna have
to buy bigger clothes.

386
00:14:45,129 —> 00:14:46,111
Nonsense.

387
00:14:46,113 —> 00:14:47,296
You need
a little fattening up.

388
00:14:47,298 —> 00:14:49,281
You've been looking
too skinny lately.

389
00:14:49,283 —> 00:14:50,616
Aw.

390
00:14:50,618 —> 00:14:53,135
Howie, how come you never
say anything sweet like that?

391
00:14:53,137 —> 00:14:54,119
What are you talking about?

392

00:14:54,121 —> 00:14:55,338

Remember last week,

when I asked you

393

00:14:55,340 —> 00:14:56,722

if you were wearing Spanx

and you weren't?

394

00:14:56,724 —> 00:14:59,008

How's that different?

395

00:15:00,510 —> 00:15:02,011

Maybe you could try being

more thoughtful,

396

00:15:02,013 —> 00:15:03,629

like your friend Raj.

397

00:15:03,631 —> 00:15:06,148

Yeah, well, maybe you could

try being more like Raj.

398

00:15:06,150 —> 00:15:07,233

Oh, really?

399

00:15:07,235 —> 00:15:08,150

Yeah, yeah.

400

00:15:08,152 —> 00:15:09,568

He packed me

a lunch this morning.

401

00:15:09,570 —> 00:15:12,772

And there was a note inside

that said, "Go get 'em""

402

00:15:12,774 —> 00:15:15,358

Like I don't do enough

around here.

403

00:15:15,360 —> 00:15:16,659

Now I need

to pack your lunch?

404

00:15:16,661 —> 00:15:18,310
And by the way, why do you need
a note telling you

405
00:15:18,312 —> 00:15:19,745
to "go get 'em"?
You're a grown man!

406
00:15:19,747 —> 00:15:21,080
You should know to "go get 'em"!

407
00:15:21,982 —> 00:15:23,366
I do know to "go get 'em""

408
00:15:23,368 —> 00:15:25,051
but sometimes it's nice
to have emotional support

409
00:15:25,053 —> 00:15:27,486
when I'm going and getting them!

410
00:15:27,488 —> 00:15:29,922
Hey, hey, do you

hear yourselves?

411
00:15:29,924 —> 00:15:33,209
Let's just, you know, all calm
down and take a step back.

412
00:15:33,211 —> 00:15:35,311
This is stupid.

413
00:15:35,313 —> 00:15:36,512
Why are we fighting?

414
00:15:36,514 —> 00:15:37,546
I don't know.

415
00:15:37,548 —> 00:15:38,998
I guess I was just feeling

416
00:15:39,000 —> 00:15:40,833
like I'm a lousy husband.

417
00:15:40,835 —> 00:15:42,351

You're not a lousy husband.

418

00:15:42,353 —> 00:15:43,636

You're a great husband.

419

00:15:43,638 —> 00:15:45,888

I was the one feeling

like a lousy wife.

420

00:15:45,890 —> 00:15:48,140

Are you kidding?

You're the best.

421

00:15:48,142 —> 00:15:49,692

I know what the problem is.

422

00:15:49,694 —> 00:15:51,377

It's him!

423

00:15:52,195 —> 00:15:54,313

Oh, what did I do?

424

00:15:54,315 —> 00:15:56,682
You made us feel like we're
not trying hard enough.

425
00:15:56,684 —> 00:15:58,350
Yeah, we were totally fine
half-assing our marriage

426
00:15:58,352 —> 00:16:00,252
till you showed up.

427
00:16:00,254 —> 00:16:02,955
Look, I'm sorry
you're upset with me,

428
00:16:02,957 —> 00:16:04,657
but I just have to say
it's nice to see

429
00:16:04,659 —> 00:16:06,191
the two of you on the same page.

430
00:16:06,193 —> 00:16:07,860

Oh, it does feel good

431
00:16:07,862 —> 00:16:09,462
to have you backing
me up for once.

432
00:16:09,464 —> 00:16:11,779
I back you up all the time!
That is not...

433
00:16:11,780 —> 00:16:14,147
He's doing it again!
What is wrong with you?!

434
00:16:15,719 —> 00:16:17,420
I can't believe
they kicked you out.

435
00:16:17,422 —> 00:16:21,057
I can't believe
they're still married.

436
00:16:21,059 —> 00:16:24,560

Oh, no, I forgot Cinnamon's
toothbrush at Howard's.

437
00:16:24,562 —> 00:16:27,313
I guess you're sharing
with Daddy again.

438
00:16:32,352 —> 00:16:34,737
(whispering): Bark once if you need me
to call PETA.

439
00:16:37,607 —> 00:16:40,326
What's that animal doing
in our apartment?

440
00:16:40,328 —> 00:16:42,611
Oh, relax, she's in her crate.
She can't get out.

441
00:16:42,613 —> 00:16:44,330
I have two words for you:

442
00:16:44,332 —> 00:16:46,365

Jurassic Park.

443
00:16:46,367 —> 00:16:49,585
This day just keeps
getting worse and worse.

444
00:16:49,587 —> 00:16:51,120
You know, if it makes
you feel any better...

445
00:16:51,122 —> 00:16:52,088
It probably won't.

446
00:16:52,090 —> 00:16:53,205
You're probably right.

447
00:16:53,207 —> 00:16:56,258
Sheldon, it's a beautiful night.

448
00:16:56,260 —> 00:16:58,878
Why don't you and I
go for a nice walk together?

449

00:16:58,880 —> 00:17:01,430

Oh, everything is just sex

with you isn't it?

450

00:17:02,916 —> 00:17:05,518

Sheldon, I think

you might find the support

451

00:17:05,520 —> 00:17:07,086

you're looking for,

if you realize

452

00:17:07,088 —> 00:17:09,305

that relationships

are a give and take.

453

00:17:09,307 —> 00:17:10,756

She can only be there for you

454

00:17:10,758 —> 00:17:12,641

as much as you are for her.

455

00:17:12,643 —> 00:17:14,443
Thank you, Rajesh.

456
00:17:14,445 —> 00:17:16,762
And, Amy, you need
to be patient with Sheldon,

457
00:17:16,764 —> 00:17:20,483
instead of pressuring him to
accept intimacy on your terms.

458
00:17:21,434 —> 00:17:23,769
You should probably go.

459
00:17:33,391 —> 00:17:36,093
I'm Ira Flatow,
and this is Science Friday.

460
00:17:36,095 —> 00:17:38,195
I'd like to welcome back
Dr. Sheldon Cooper,

461
00:17:38,197 —> 00:17:40,281

who thought
he had discovered

462
00:17:40,283 —> 00:17:43,033
a new super-heavy element
only to have it disproved

463
00:17:43,035 —> 00:17:45,486
by my next guest,
Dr. Leonard Hofstadter.

464
00:17:45,488 —> 00:17:46,620
Welcome to Science Friday,
gentlemen.

465
00:17:46,622 —> 00:17:48,072
Thanks.
Thank you.

466
00:17:48,074 —> 00:17:50,708
Ira, if I may,
I'd like to apologize

467

00:17:50,710 —> 00:17:52,743
for my behavior last week.

468
00:17:52,745 —> 00:17:54,328
It's all right.

469
00:17:54,330 —> 00:17:57,715
Now, isn't there something
you'd like to say to me?

470
00:17:58,633 —> 00:18:00,668
No.

471
00:18:01,303 —> 00:18:03,170
Now, Dr. Hofstadter.

472
00:18:03,172 —> 00:18:04,555
Can you walk us
through the process

473
00:18:04,557 —> 00:18:06,423
you used to disprove his theory?

474

00:18:06,425 —> 00:18:09,143

Well...

I believe I can answer that.

475

No.

143

00:05:21,378 —> 00:05:22,911

Okay, sweetie,

let me tell you

144

00:05:22,913 —> 00:05:24,997

exactly how that

would have gone down.

145

00:05:27,834 —> 00:05:29,668

I'm gonna do it.

I'm gonna ask her out.

146

00:05:29,670 —> 00:05:34,172

I'm gonna squirt chocolate milk

out of my nipples.

147

00:05:34,174 —> 00:05:36,291

Sorry, I thought

we're saying things

148

00:05:36,293 —> 00:05:38,010

that are never

gonna happen.

149

00:05:38,012 —> 00:05:40,395

Maybe this time

he's going to do it.

150

00:05:40,397 —> 00:05:42,347

Hope you're thirsty,

here it comes.

151

00:05:45,018 —> 00:05:46,401

Watch me.

152

00:05:46,403 —> 00:05:49,771

Hey, you guys ready to order

or you need a few minutes?

153

00:05:49,773 —> 00:05:51,056

I, uh, ah, um, I...

154

00:05:51,058 —> 00:05:52,607

A few minutes it is.

155

00:05:53,976 —> 00:05:56,912

You didn't ask her out,

but that was a lot of sounds.

156

00:05:58,614 —> 00:06:00,365

You guys are

making me nervous.

157

00:06:00,367 —> 00:06:02,084

Fine, then go talk

to her on your own.

158

00:06:02,086 —> 00:06:04,119

I will.

159

00:06:06,655 —> 00:06:08,590

(exhales)

160

00:06:11,177 —> 00:06:12,377

Excuse me.

161

00:06:12,379 —> 00:06:13,628

Yeah?

162

00:06:13,630 —> 00:06:16,831

Hi, uh, um, I'm Leonard?

163

00:06:16,833 —> 00:06:19,834

Really? You don't

sound so sure.

164

00:06:19,836 —> 00:06:22,804

No, I am he.

165

00:06:25,191 —> 00:06:27,175

Uh, any-anyway, um,

166

00:06:27,177 —> 00:06:29,311

there's been something

I've wanted to ask you

167

00:06:29,313 —> 00:06:31,446

for a long time. Um...

168

00:06:31,448 —> 00:06:33,281

What's that?

Eh, uh, well,

169

00:06:33,283 —> 00:06:35,683

I was wondering—

if you're not too busy—

170

00:06:35,685 —> 00:06:37,102

um, uh, if,

171

00:06:37,104 —> 00:06:39,788
if you'd be interested in...

172
00:06:40,573 —> 00:06:44,076
...telling me where
the restroom is?

173
00:06:47,630 —> 00:06:49,247
I think you're too late.

174
00:06:49,249 —> 00:06:53,969
Come on, I would not
have peed my pants.

175
00:06:53,971 —> 00:06:55,870
She nailed it.
Sounds about right.

176
00:06:56,889 —> 00:06:59,508
But, you forget, I did
ask you out in real life.

177
00:06:59,510 —> 00:07:01,977

Which couldn't have happened if
you didn't live across the hall

178
00:07:01,979 —> 00:07:04,312
from her, which couldn't have
happened without Sheldon.

179
00:07:04,314 —> 00:07:05,814
Same goes
with you guys.

180
00:07:05,816 —> 00:07:07,182
If Leonard wasn't with Penny,

181
00:07:07,184 —> 00:07:08,683
she never would
have set you up.

182
00:07:08,685 —> 00:07:10,552
Doesn't matter. Bernadette
still would've been working

183
00:07:10,554 —> 00:07:11,853

at The Cheesecake Factory,

184
00:07:11,855 —> 00:07:14,889
and I still would've been
working this beefcake factory.

185
00:07:16,526 —> 00:07:18,994
You would've been all over me.

186
00:07:18,996 —> 00:07:20,695
Well...

187
00:07:23,116 —> 00:07:25,000
Hey, Penny, can
I take that table?

188
00:07:25,002 —> 00:07:26,118
Sure, why?

189
00:07:26,120 —> 00:07:28,253
The one in the turtleneck
is cute.

190

00:07:28,255 —> 00:07:29,737

Open wide,

191

00:07:29,739 —> 00:07:32,290

here comes the happy train.

192

00:07:33,843 —> 00:07:37,579

Mm-hmm, chug-a

chug-a, yum, yum.

193

00:07:38,914 —> 00:07:40,966

Oh.

194

00:07:40,968 —> 00:07:42,750

Hang on.

195

00:07:43,686 —> 00:07:46,188

You got a... you got

a little something.

196

00:07:49,475 —> 00:07:51,092

Never mind.

197

00:07:52,779 —> 00:07:54,646

(laughing)

Oh, man,

198

00:07:54,648 —> 00:07:57,098

that is so us.

199

00:08:01,154 —> 00:08:03,121

You know, maybe you and

I wouldn't be together,

200

00:08:03,123 —> 00:08:04,939

but you wouldn't have

done so great yourself.

201

00:08:04,941 —> 00:08:06,441

Why?

Because I know exactly

202

00:08:06,443 —> 00:08:08,610

the kind of guy you

would've ended up with.

203

00:08:11,380 —> 00:08:13,381

Hey, babe.

204

00:08:13,383 —> 00:08:15,050

Hey. Did you remember

to pay the rent?

205

00:08:15,052 —> 00:08:17,836

Better. I used the money

to buy these magic beans.

206

00:08:19,005 —> 00:08:21,089

Hey, he may be

an idiot, but at least

207

00:08:21,091 —> 00:08:22,841

he didn't pee himself.

208

00:08:24,627 —> 00:08:26,845

Oh, hold on.

209

00:08:27,814 —> 00:08:29,797

Aw, babe, I peed myself.

210

00:08:31,567 —> 00:08:33,819

(gasps):

Me, too.

211

00:08:40,076 —> 00:08:43,445

The end.

212

00:08:44,447 —> 00:08:46,448

(ringing)

213

00:08:47,450 —> 00:08:48,867

Hi, Sheldon.

214

00:08:48,869 —> 00:08:50,151

Everything okay?

215

00:08:50,153 —> 00:08:52,871

No, it's not.

216

00:08:52,873 —> 00:08:54,708
I've seen things.

217
00:08:55,889 —> 00:09:00,161
Lady things.

218
00:09:00,162 —> 00:09:01,829
Listen to me.

219
00:09:01,831 —> 00:09:04,666
That is not the way
they usually look.

220
00:09:07,487 —> 00:09:09,104
Doesn't matter.

221
00:09:09,106 —> 00:09:11,773
This is no way
to make new humans.

222
00:09:11,775 —> 00:09:14,059
People coming out of people.

223

00:09:15,561 —> 00:09:17,896

It's some kind

of dirty magic show.

224

00:09:17,898 —> 00:09:20,565

MARY:

Sheldon Lee Cooper.

225

00:09:20,567 —> 00:09:23,401

You get back

in this room right now.

226

00:09:23,403 —> 00:09:25,687

Bring a mop.

227

00:09:25,689 —> 00:09:27,021

Did you hear that?

228

00:09:27,023 —> 00:09:28,690

A mop.

229

00:09:28,692 —> 00:09:31,159

I have two PhDs yet somehow

I'm the janitor

230

00:09:31,161 —> 00:09:33,128

of my sister's birth canal.

231

00:09:42,674 —> 00:09:44,759

LEONARD:

Hey, Sheldon sent us all

232

00:09:44,761 —> 00:09:45,959

an e-mail.

233

00:09:45,961 —> 00:09:47,895

"Happy holidays from Texas."

Aw.

234

00:09:47,897 —> 00:09:49,096

And there's pictures.

235

00:09:49,098 —> 00:09:50,164

Aah!

236

00:09:50,166 —> 00:09:52,233

Don't open them.

Do not open them.

237

00:09:52,235 —> 00:09:54,185

Oh, come on.

238

00:09:54,187 —> 00:09:56,153

Childbirth is a

natural, beautiful...

239

00:09:56,155 —> 00:09:59,190

Oh, it's like someone

sawed a cow in half.

240

00:10:02,077 —> 00:10:05,863

My father's a gynecologist,

I think I can handle it.

241

00:10:06,498 —> 00:10:09,050

And, now, I'm gay.

242

00:10:11,370 —> 00:10:13,153
You know, I was thinking.
Without Sheldon,

243
00:10:13,155 —> 00:10:14,505
most of us would have never met,

244
00:10:14,507 —> 00:10:16,590
but Penny would still
live across from him.

245
00:10:16,592 —> 00:10:19,493
And with Leonard
out of the picture,

246
00:10:19,495 —> 00:10:21,095
we all know what
that would mean.

247
00:10:21,097 —> 00:10:22,730
We do?

248
00:10:25,984 —> 00:10:27,601

Hey, Sheldon.

249
00:10:27,603 —> 00:10:29,770
Hello.

250
00:10:30,672 —> 00:10:32,807
Doing laundry?

251
00:10:36,812 —> 00:10:38,979
Of course
I'm doing laundry.

252
00:10:38,981 —> 00:10:40,698
Saturday night is laundry night,

253
00:10:40,700 —> 00:10:43,183
and I'm in a laundry room, so...

254
00:10:43,185 —> 00:10:45,069
I believe your inference
is justified.

255

00:10:45,071 —> 00:10:47,621
(laughs): Oh, my
inference is justified.

256
00:10:47,623 —> 00:10:50,157
Sheldon, you
are so funny.

257
00:10:52,911 —> 00:10:55,463
Anyway, I need to
do my laundry, too,

258
00:10:55,465 —> 00:10:58,866
because these
clothes are so dirty.

259
00:10:58,868 —> 00:11:02,670
Almost as dirty as the dirty
girl who's wearing them.

260
00:11:05,206 —> 00:11:06,140
Okay, that's enough.

261

00:11:06,142 —> 00:11:08,693
Disagree.
Keep going. - More.

262
00:11:10,379 —> 00:11:13,180
So, what do you think?

263
00:11:13,182 —> 00:11:18,319
A tad asymmetrical, but nothing
to be concerned about.

264
00:11:19,654 —> 00:11:21,689
Please, Sheldon. I need you.

265
00:11:21,691 —> 00:11:25,059
To... what?

266
00:11:25,061 —> 00:11:27,161
To take me.

267
00:11:27,163 —> 00:11:30,698
I'm not taking you anywhere
till you put on a shirt.

268

00:11:31,867 —> 00:11:35,235

Come on, Sheldon.

You and me right here.

269

00:11:35,237 —> 00:11:37,922

Penny, for the thousandth time,

270

00:11:37,924 —> 00:11:41,074

I'm saving myself

for someone special.

271

00:11:41,076 —> 00:11:44,044

Perhaps a cute

bespectacled neuroscientist

272

00:11:44,046 —> 00:11:48,549

with hair

the color of mud.

273

00:11:48,551 —> 00:11:51,185

I think I know how

to change your mind.

274

00:11:52,754 —> 00:11:54,305

That's enough.

Ew...

275

00:11:55,190 —> 00:11:57,558

I was okay with it.

276

00:11:59,161 —> 00:12:01,862

(ringing)

277

00:12:01,864 —> 00:12:04,064

How's it going, Sheldon?

278

00:12:04,066 —> 00:12:05,483

Actually, much better.

279

00:12:05,485 —> 00:12:06,984

Oh, good.

Is the baby born yet?

280

00:12:06,986 —> 00:12:09,136

I don't know. I just got back.

281
00:12:09,138 —> 00:12:10,204
Where'd you go?

282
00:12:10,206 —> 00:12:13,207
My mother asked me
to get some towels.

283
00:12:13,209 —> 00:12:15,442
I took advantage
of the vague request

284
00:12:15,444 —> 00:12:18,012
and went to Bed,
Bath & Beyond.

285
00:12:19,381 —> 00:12:20,948
(Missy screams)

286
00:12:20,950 —> 00:12:23,951
Excuse me! I'm on the phone!

287

00:12:25,420 —> 00:12:28,355

So rude.

288

00:12:29,457 —> 00:12:31,709

Here's another one.

Penny,

289

00:12:31,711 —> 00:12:33,093

if it weren't for Sheldon,

290

00:12:33,095 —> 00:12:37,681

you never would have met

comic book legend Stan Lee.

291

00:12:38,817 —> 00:12:41,068

Great.

292

00:12:42,020 —> 00:12:43,137

At least Leonard,

293

00:12:43,139 —> 00:12:46,173

Howard and I would have

always been friends.

294
00:12:46,175 —> 00:12:48,909
Hey, how come you three never
got an apartment together?

295
00:12:48,911 —> 00:12:51,144
We talked about it,
but Howard was in

296
00:12:51,146 —> 00:12:54,331
a pretty serious
relationship with his mom.

297
00:12:54,333 —> 00:12:57,001
I lived with her to save money.

298
00:12:57,003 —> 00:12:58,385
Yeah, you didn't have
to buy groceries

299
00:12:58,387 —> 00:12:59,420
'cause you were breast-feeding.

300

00:12:59,422 —> 00:13:00,454

(laughs)

301

00:13:00,456 —> 00:13:03,757

Aw, so I guess

if it weren't for me,

302

00:13:03,759 —> 00:13:05,509

you'd still be living

with her, huh?

303

00:13:05,511 —> 00:13:07,511

Not exactly.

304

00:13:07,513 —> 00:13:08,762

What do you mean, "not exactly"?

305

00:13:08,764 —> 00:13:11,999

Well, things would be

a little different.

306

00:13:12,001 —> 00:13:15,002

MRS. WOLOWITZ:

Howard, where's my lunch?!

307

00:13:15,004 —> 00:13:18,138

I'm starving!

308

00:13:18,140 —> 00:13:19,607

I know you're starving.

309

00:13:19,609 —> 00:13:21,392

The neighbors know

you're starving.

310

00:13:21,394 —> 00:13:24,678

There's starving people in

Africa who know you're starving!

311

00:13:26,565 —> 00:13:29,250

That's it?!

There's not enough food!

312

00:13:29,252 —> 00:13:33,554

Well, you cleaned out Earth!

I don't know what else to do!

313

00:13:34,139 —> 00:13:36,807

How is this

any different?

314

00:13:36,809 —> 00:13:39,293

You didn't let me finish.

315

00:13:39,295 —> 00:13:41,795

Here you go, Mother.

316

00:13:41,797 —> 00:13:44,298

You're a good boy, Howard!

44

00:01:48,401 —> 00:01:51,353

So I-I read a study that

says a man with a dog

45
00:01:51,355 —> 00:01:53,905
is three times more likely
to get a woman's phone number.

46
00:01:53,907 —> 00:01:56,007
Is it true even when
the man lets his dog

47
00:01:56,009 —> 00:01:58,543
lick peanut butter
off his tongue?

48
00:01:58,545 —> 00:02:00,946
I don't see why not.

49
00:02:02,281 —> 00:02:03,682
If you're really
desperate to meet women

50
00:02:03,684 —> 00:02:05,784
and like having food

eaten out of your mouth,

51
00:02:05,786 —> 00:02:07,986
I could set you up
with my mom.

52
00:02:07,988 —> 00:02:09,320
(all but Sheldon laughing)

53
00:02:09,322 —> 00:02:11,322
Why is that funny?

54
00:02:12,508 —> 00:02:14,576
That's just unhygienic.

55
00:02:15,595 —> 00:02:16,545
It's a joke.

56
00:02:16,547 —> 00:02:18,380
I don't think so.

57
00:02:19,248 —> 00:02:20,766

I believe that a joke

58
00:02:20,768 —> 00:02:22,350
is a brief oral narrative

59
00:02:22,352 —> 00:02:24,553
with a climactic
humorous twist.

60
00:02:24,555 —> 00:02:27,556
For example, uh,
Wolowitz's mother is so fat

61
00:02:27,558 —> 00:02:29,775
that she decided
to go on a diet...

62
00:02:29,777 —> 00:02:33,011
or exercise, or both.

63
00:02:35,181 —> 00:02:36,648
See?

64

00:02:36,650 —> 00:02:39,985

The twist is that people

don't usually change.

65

00:02:39,987 —> 00:02:41,153

(laughs)

66

00:02:43,239 —> 00:02:46,208

Well, they don't.

67

00:02:46,210 —> 00:02:47,659

Hey, guys, don't forget,

68

00:02:47,661 —> 00:02:49,461

my episode's on TV

tomorrow night.

69

00:02:49,463 —> 00:02:50,796

We'll be there.

Can we bring anything?

70

00:02:50,798 —> 00:02:51,830

Oh, that's so sweet of you,

71
00:02:51,832 —> 00:02:53,381
but I was gonna steal food
from here.

72
00:02:53,383 —> 00:02:56,551
You know... my treat.

73
00:02:56,553 —> 00:02:58,503
Wait, if Howard's
mother is coming,

74
00:02:58,505 —> 00:03:00,538
then you should
also steal marbles.

75
00:03:00,540 —> 00:03:02,474
(laughs)

76
00:03:05,011 —> 00:03:06,428
Because she's obese,

77

00:03:06,430 —> 00:03:07,813

and hippos are obese,

78

00:03:07,815 —> 00:03:09,848

and in the popular board game

"Hungry Hungry Hippos,"

79

00:03:09,850 —> 00:03:11,683

they eat marbles.

80

00:03:16,489 —> 00:03:19,074

Maybe I need to dumb

these down for you.

81

00:03:21,611 —> 00:03:23,728

Leonard, do you

think I'm funny?

82

00:03:23,730 —> 00:03:24,913

No.

83

00:03:28,417 —> 00:03:29,951

Do you?

84

00:03:29,953 —> 00:03:32,170

I think I'm hysterical.

85

00:03:33,256 —> 00:03:34,789

I take it back.

86

00:03:34,791 —> 00:03:37,876

That was funny.

87

00:03:37,878 —> 00:03:39,928

The philosopher

Henri Bergson

88

00:03:39,930 —> 00:03:41,246

says it's funny

89

00:03:41,248 —> 00:03:44,266

when a human being

behaves like an object.

90

00:03:44,268 —> 00:03:46,918
I bet that bit killed
at The Chuckle Hut.

91
00:03:49,055 —> 00:03:50,939
Oh, he didn't perform
stand-up comedy,

92
00:03:50,941 —> 00:03:53,141
he was a philosopher.

93
00:03:54,593 —> 00:03:56,811
You know, I think
we're zeroing in on your problem.

94
00:03:58,397 —> 00:04:00,615
Perhaps I'll
spend some time

95
00:04:00,617 —> 00:04:02,984
developing a unified
theory of comedy,

96

00:04:02,986 —> 00:04:05,403
which will allow me
to elicit laughter

97
00:04:05,405 —> 00:04:06,821
from anyone
at any time.

98
00:04:06,823 —> 00:04:08,406
Unless they're German,

99
00:04:08,408 —> 00:04:11,243
'cause that's a tough crowd.

100
00:04:11,245 —> 00:04:14,829
Are you set on people
laughing with you?

101
00:04:14,831 —> 00:04:17,132
'Cause if you're
cool with at you...

102
00:04:23,723 —> 00:04:26,007

I don't get it.

103
00:04:27,059 —> 00:04:29,010
Raj, when you said you
were gonna bring a date

104
00:04:29,012 —> 00:04:30,145
to watch Penny's
thing tonight,

105
00:04:30,147 —> 00:04:31,680
I didn't think
you meant Stuart.

106
00:04:33,816 —> 00:04:35,100
Really?

107
00:04:35,102 —> 00:04:36,467
I never for a second

108
00:04:36,469 —> 00:04:38,970
thought it'd be
anything else.

109

00:04:38,972 —> 00:04:41,690

I almost met someone

last night, but I blew it.

110

00:04:41,692 —> 00:04:43,491

I was walking Cinnamon

111

00:04:43,493 —> 00:04:45,076

and this girl

introduced herself,

112

00:04:45,078 —> 00:04:47,195

but she was so cute I panicked

113

00:04:47,197 —> 00:04:48,947

and said,

"Wouldn't it be easier

114

00:04:48,949 —> 00:04:51,783

if instead of talking we could

just sniff each other's butts?"

115

00:04:52,919 —> 00:04:55,754

Well, Stuart's cute

in his own way.

116

00:04:55,756 —> 00:04:56,922

When I was a baby,

117

00:04:56,924 —> 00:04:59,124

my mother called me

her little possum.

118

00:04:59,126 —> 00:05:00,959

Are possums cute?

119

00:05:00,961 —> 00:05:02,994

Not at all.

120

00:05:04,013 —> 00:05:05,380

If you're so intimidated

121

00:05:05,382 —> 00:05:07,165

by talking to

attractive girls,

122
00:05:07,167 —> 00:05:08,550
maybe you should practice

123
00:05:08,552 —> 00:05:09,935
by talking to
regular people.

124
00:05:09,937 —> 00:05:12,971
You mean like fatties and uggos?

125
00:05:14,006 —> 00:05:16,441
Or maybe just stop talking.

126
00:05:16,443 —> 00:05:18,026
I'm serious.

127
00:05:18,028 —> 00:05:20,145
Go to the mall,
talk to anybody,

128

00:05:20,147 —> 00:05:21,229
practice— that way,

129
00:05:21,231 —> 00:05:22,897
when you eventually do
talk to a cute girl,

130
00:05:22,899 —> 00:05:24,032
it won't be so scary.

131
00:05:24,034 —> 00:05:26,568
Or just keep dating the possum.

132
00:05:29,405 —> 00:05:32,958
TONY (on TV): Parsa doesn't have
those kind of resources.

133
00:05:32,960 —> 00:05:35,860
McGEE: No, and that's why he had
Erin Pace rewire it...

134
00:05:35,862 —> 00:05:37,078
I'm so proud of you.

135

00:05:37,080 —> 00:05:38,438

We haven't even

gotten to my scene yet.

136

00:05:38,463 —> 00:05:40,205

I know,

but you're going to be a TV star

137

00:05:40,206 —> 00:05:42,559

and you haven't left me yet.

That takes guts.

138

00:05:44,804 —> 00:05:46,021

I don't know about you,

139

00:05:46,023 —> 00:05:47,672

but I'm very

uncomfortable with all this.

140

00:05:47,674 —> 00:05:50,942

Why?

I've never seen this show before

141

00:05:50,944 —> 00:05:53,711

and now I'm starting

with episode 246?

142

00:05:55,514 —> 00:05:57,732

It's unnatural.

143

00:05:57,734 —> 00:06:01,386

Just think of the first 245

as the prequel.

144

00:06:02,154 —> 00:06:04,155

All right.

145

00:06:05,574 —> 00:06:07,225

Okay, shh.

Guys, guys, this is it.

146

00:06:07,227 —> 00:06:09,611

I guess it's you and me, kid.

147

00:06:09,613 —> 00:06:11,279
What are you doing?

148
00:06:11,281 —> 00:06:12,897
I'm trying to make peace.

149
00:06:12,899 —> 00:06:13,999
We're good.
Good.

150
00:06:14,001 —> 00:06:15,834
Really? Because...
Are you kidding me?

151
00:06:15,836 —> 00:06:17,068
(TV shuts off)
What's wrong?

152
00:06:17,070 —> 00:06:18,920
Well... the diner scene.

153
00:06:18,922 —> 00:06:20,538
Where's my diner scene?

154

00:06:20,540 —> 00:06:21,589

Well, don't ask me.

155

00:06:21,591 —> 00:06:24,242

Until I see the prequel,

I'm lost.

156

00:06:24,244 —> 00:06:25,794

No, there was supposed

to be a big scene

157

00:06:25,796 —> 00:06:26,761

with me and Mark Harmon,

158

00:06:26,763 —> 00:06:28,713

but i-it's... gone.

159

00:06:28,715 —> 00:06:29,848

What happened?

160

00:06:29,850 —> 00:06:32,050

They must've cut it.

161

00:06:32,052 —> 00:06:34,219

Oh, Penny...

162

00:06:35,054 —> 00:06:36,721

I'm... I'm sorry.

163

00:06:36,723 —> 00:06:38,390

That stinks.

I'm sure you were great.

164

00:06:38,392 —> 00:06:39,858

This doesn't make any sense.

165

00:06:39,860 —> 00:06:41,026

I mean, I...

166

00:06:41,028 —> 00:06:43,478

I thought I did a...

a really good job, I...

167

00:06:45,731 —> 00:06:47,916
Excuse me.

168
00:06:52,405 —> 00:06:55,490
I've been studying how
to make people laugh.

169
00:06:58,911 —> 00:07:00,295
They say that comedy

170
00:07:00,297 —> 00:07:02,497
is tragedy plus time.

171
00:07:04,550 —> 00:07:05,834
Let's tickle some ribs.

172
00:07:10,139 —> 00:07:11,456
No, Dad,

173
00:07:11,458 —> 00:07:13,591
I don't think they
cut me out of the show

174

00:07:13,593 —> 00:07:15,593

because I was too pretty.

175

00:07:17,313 —> 00:07:19,013

No, I don't need

you to come out

176

00:07:19,015 —> 00:07:21,783

and kick Mark Harmon's ass.

177

00:07:23,402 —> 00:07:24,686

Daddy, I gotta go.

178

00:07:24,688 —> 00:07:26,287

I love you. Bye.

179

00:07:26,289 —> 00:07:28,106

How you doing?

180

00:07:28,108 —> 00:07:30,641

Ugh, this is

such a disaster.

181

00:07:30,643 —> 00:07:33,144

My parents had all

my relatives over.

182

00:07:33,146 —> 00:07:35,330

They got one of those

six-foot sandwiches,

183

00:07:35,332 —> 00:07:39,200

and got my brother

a day pass out of rehab and...

184

00:07:40,419 —> 00:07:41,669

...now he's missing

185

00:07:41,671 —> 00:07:44,255

and the sandwich

is missing, and...

186

00:07:44,257 —> 00:07:45,840

They're probably

in Mexico by now.

187

00:07:45,842 —> 00:07:48,426

So humiliating.

188

00:07:48,428 —> 00:07:50,178

You still got the part.

189

00:07:50,180 —> 00:07:52,180

That's a huge

accomplishment.

190

00:07:52,182 —> 00:07:53,664

Yeah, but this was

supposed to be my break, okay?

191

00:07:53,666 —> 00:07:54,849

People were gonna

see me in this show

192

00:07:54,851 —> 00:07:56,000

and it was gonna

lead to bigger things.

193

00:07:56,002 —> 00:07:57,385

More auditions,

more parts...

194

00:07:57,387 —> 00:07:59,504

Now none of that's

gonna happen.

195

00:07:59,506 —> 00:08:00,638

Honey, you only had,

like, three lines.

196

00:08:00,640 —> 00:08:02,006

That wasn't gonna

happen anyway.

197

00:08:06,695 —> 00:08:08,563

Unbelievable.

Oh...

198

00:08:08,565 —> 00:08:10,732

Come on... no,

that's not what I meant.

199

00:08:10,734 —> 00:08:11,983

Then what did you mean?

I don't...

200

00:08:11,985 —> 00:08:13,151

Look, you know, words don't

201

00:08:13,153 —> 00:08:15,370

always have to mean things.

202

00:08:15,372 —> 00:08:17,038

I think you meant

203

00:08:17,040 —> 00:08:18,406

that you don't believe in me.

Nope.

204

00:08:18,408 —> 00:08:21,459

Uh-uh... I might not

know what I-I meant,

205

00:08:21,461 —> 00:08:23,378
but I know that
I didn't mean that.

206
00:08:23,380 —> 00:08:25,663
Not this guy.
Oh, no way.

207
00:08:25,665 —> 00:08:27,315
I want you, right now,

208
00:08:27,317 —> 00:08:29,584
to give me your 100% honest opinion.
Right.

209
00:08:29,586 —> 00:08:31,636
Do you think I have
what it takes

210
00:08:31,638 —> 00:08:33,371
to really make it
as an actress?

211

00:08:33,373 —> 00:08:35,256

Yes.

So you think I'll be on TV

212

00:08:35,258 —> 00:08:36,891

and in movies

and win awards.

213

00:08:36,893 —> 00:08:38,810

Honestly?

Yes, honestly.

214

00:08:39,895 —> 00:08:40,912

I don't.

215

00:08:40,914 —> 00:08:43,681

How could you say that?

216

00:08:43,683 —> 00:08:44,849

I don't know...

217

00:08:44,851 —> 00:08:46,851

I got all confused when

you said "honestly".

218
00:08:46,853 —> 00:08:49,020
Oh!

219
00:08:50,406 —> 00:08:52,640
Look, do I think
that you are talented

220
00:08:52,642 —> 00:08:53,825
and that you are beautiful?

221
00:08:53,827 —> 00:08:55,243
Of course I do.

222
00:08:55,245 —> 00:08:57,662
But isn't Los Angeles
full of actresses

223
00:08:57,664 —> 00:08:58,997
who are just as talented,

224

00:08:58,999 —> 00:09:01,199
just as beautiful?

225
00:09:01,201 —> 00:09:03,701
All right, look...
we'll come back to that.

226
00:09:03,703 —> 00:09:05,236
No, please.
Don't stop, go on.

227
00:09:05,238 —> 00:09:06,588
Tell me how I'm
gonna be a waitress

228
00:09:06,590 —> 00:09:07,872
for the rest of my life.

229
00:09:07,874 —> 00:09:09,257
That is not what I said.

230
00:09:09,259 —> 00:09:11,676
Look, I think

you're really good.

231
00:09:11,678 —> 00:09:13,511
I truly do.

232
00:09:13,513 —> 00:09:14,913
But this is an
incredibly hard thing

233
00:09:14,914 —> 00:09:16,247
that you're shooting for.

234
00:09:16,249 —> 00:09:17,582
I mean, the odds

235
00:09:17,584 —> 00:09:19,634
of anyone becoming
a successful actor

236
00:09:19,636 —> 00:09:21,386
are like a million to one.

237

00:09:21,388 —> 00:09:23,588
Wow, thank you.

238
00:09:31,096 —> 00:09:34,449
Should've let Sheldon come.

239
00:09:40,901 —> 00:09:43,085
This is interesting.

240
00:09:43,087 —> 00:09:45,220
Apparently,
a key component

241
00:09:45,222 —> 00:09:46,739
in some forms of humor

242
00:09:46,741 —> 00:09:48,991
is the element of surprise.

243
00:09:48,993 —> 00:09:50,576
Well, that makes sense.

244

00:09:50,578 —> 00:09:52,061
The prefrontal cortex

245
00:09:52,063 —> 00:09:54,830
is responsible for
planning and anticipation,

246
00:09:54,832 —> 00:09:56,499
and patients with
brain lesions on their...

247
00:09:56,501 —> 00:09:59,118
Brain lesions!

248
00:10:03,874 —> 00:10:05,424
Sheldon, you scared me.

249
00:10:05,426 —> 00:10:06,626
That wasn't funny.

250
00:10:06,628 —> 00:10:08,410
Or maybe you have a stick

251

00:10:08,412 —> 00:10:09,929

up your prefrontal cortex.

252

00:10:11,965 —> 00:10:13,182

Okay, the notion that

253

00:10:13,184 —> 00:10:15,184

you can read a few

books and come up with

254

00:10:15,186 —> 00:10:17,853

a definitive theory

of comedy is absurd.

255

00:10:17,855 —> 00:10:19,272

I mean, humor is

256

00:10:19,274 —> 00:10:21,390

a complex neurological...

257

00:10:26,013 —> 00:10:27,780

(laughing):

Okay, that's pretty good.

258

00:10:27,782 —> 00:10:28,981

Excellent.

259

00:10:37,040 —> 00:10:38,491

How about her?

260

00:10:38,493 —> 00:10:39,792

No!

261

00:10:39,794 —> 00:10:41,443

No pretty girls!

262

00:10:41,445 —> 00:10:43,212

The point is to talk

to regular people

263

00:10:43,214 —> 00:10:44,830

and work our way up

to pretty girls.

264

00:10:44,832 —> 00:10:46,281
Fine.

265
00:10:46,283 —> 00:10:49,168
How about that old lady
with the walker?

266
00:10:50,470 —> 00:10:51,971
That depends.

267
00:10:51,973 —> 00:10:55,975
On any level,
do you think she's hot?

268
00:10:55,977 —> 00:10:58,177
We'll find somebody else.

269
00:11:00,998 —> 00:11:02,865
Kumquat?

270
00:11:04,801 —> 00:11:07,570
I guess.

271

00:11:08,805 —> 00:11:11,057

Ointment?

272

00:11:12,442 —> 00:11:14,777

Sure.

273

00:11:14,779 —> 00:11:17,413

Now, would you say

ointment

274

00:11:17,415 —> 00:11:22,301

is more, equal to,

or less funny than kumquat?

275

00:11:24,454 —> 00:11:27,957

I don't think I want

to go out with you anymore.

276

00:11:27,959 —> 00:11:29,875

Will you please

stop joking around?

277

00:11:29,877 —> 00:11:31,627
I'm trying to figure this out.

278
00:11:31,629 —> 00:11:34,597
Sheldon, how many words
are you gonna go through?

279
00:11:34,599 —> 00:11:36,732
All of them.

280
00:11:37,884 —> 00:11:40,603
You didn't get your part cut.

281
00:11:40,605 —> 00:11:41,904
(channel changes)

282
00:11:41,906 —> 00:11:43,439
WOMAN: All right, baby,
here's the deal.

283
00:11:43,441 —> 00:11:46,175
And you didn't get
your part cut.

284

00:11:46,177 —> 00:11:47,376

(rock music plays)

285

00:11:47,378 —> 00:11:50,246

Yep, bunch of old guys

rocking out in a band,

286

00:11:50,248 —> 00:11:51,380

all with erectile dysfunction,

287

00:11:51,382 —> 00:11:52,915

you didn't get

your part cut!

288

00:11:54,551 —> 00:11:56,085

(knocking on door)

289

00:11:56,920 —> 00:11:57,887

Hey.

290

00:11:57,889 —> 00:11:59,521

Can we talk?

291
00:11:59,523 —> 00:12:03,843
We can, but the part
of Penny might get cut.

292
00:12:04,961 —> 00:12:08,581
That was really
crappy of me.

293
00:12:08,583 —> 00:12:10,866
What you're trying
to do is hard,

294
00:12:10,868 —> 00:12:12,551
but people do make it,

295
00:12:12,553 —> 00:12:15,538
and I really do believe
you could be one of them.

296
00:12:15,540 —> 00:12:18,040
Thank you.

297

00:12:18,042 —> 00:12:19,091

And...

298

00:12:19,093 —> 00:12:22,311

to show you how much

I believe in you,

299

00:12:22,313 —> 00:12:25,097

I kind of got you an audition.

300

00:12:25,099 —> 00:12:26,816

Are you serious? For what?

301

00:12:26,818 —> 00:12:29,101

The new Star Wars movie.

What?!

302

00:12:29,103 —> 00:12:31,887

How did you manage that?!

303

00:12:31,889 —> 00:12:33,722

There's this thing online,
you put yourself on tape

304
00:12:33,724 —> 00:12:35,908
and just send it in—
anyone can do it.

305
00:12:37,411 —> 00:12:40,162
Come on Leonard,
this is just a PR stunt.

306
00:12:40,164 —> 00:12:43,449
So? Even if it is,
you have a huge advantage

307
00:12:43,451 —> 00:12:44,900
because you're
an actual actress.

308
00:12:44,902 —> 00:12:48,070
Most of the people doing this
are just weirdoes and nerds.

309

00:12:49,089 —> 00:12:52,508
Wolowitz sent his in
two days ago.

310
00:12:52,510 —> 00:12:54,743
Really, let it go.

311
00:12:54,745 —> 00:12:57,412
Look, maybe it
is a long shot,

312
00:12:57,414 —> 00:12:58,964
but sometimes
long shots happen.

313
00:12:58,966 —> 00:13:01,133
Luke Skywalker was
only given one chance

314
00:13:01,135 —> 00:13:02,468
to destroy the Death Star.

315
00:13:02,470 —> 00:13:05,254

He had to get a torpedo
into an exhaust port

316
00:13:05,256 —> 00:13:06,588
that was only
two meters wide,

317
00:13:06,590 —> 00:13:08,891
but with the help
of The Force, he...

318
00:13:08,893 —> 00:13:12,111
Wow, I can feel you
hating me right now.

319
00:13:14,047 —> 00:13:18,067
How about that lady
in the sweat suit, speed-walking?

320
00:13:18,069 —> 00:13:20,736
Yeah, she seems friendly
and easy to...

321

00:13:20,738 —> 00:13:22,604
Never mind, she's gone.

322
00:13:24,124 —> 00:13:28,277
Yeah, maybe talking
to people is too hard.

323
00:13:28,279 —> 00:13:30,629
We could go over to
that department store,

324
00:13:30,631 —> 00:13:32,948
practice on
the mannequins.

325
00:13:32,950 —> 00:13:33,983
I don't know.

326
00:13:33,985 —> 00:13:35,501
They're dressed
very stylishly.

327
00:13:35,503 —> 00:13:37,002

They're probably stuck-up.

328

00:13:39,289 —> 00:13:40,589

This is ridiculous.

329

00:13:40,591 —> 00:13:42,291

The next person

that walks by,

330

00:13:42,293 —> 00:13:45,261

no matter who it is,

they're the one.

331

00:13:48,582 —> 00:13:50,983

We're gonna die here.

332

00:13:53,220 —> 00:13:55,187

Hello.

Hey.

333

00:13:55,189 —> 00:13:56,471

Where's Sheldon?

334

00:13:56,473 —> 00:13:58,140

He's home trying to use science

335

00:13:58,142 —> 00:14:00,526

to determine the basis of humor.

336

00:14:00,528 —> 00:14:02,644

That's interesting.

It's exhausting.

337

00:14:02,646 —> 00:14:04,479

Do you have

any idea how hard it is

338

00:14:04,481 —> 00:14:06,615

to laugh at a knock-knock

joke that starts with,

339

00:14:06,617 —> 00:14:07,816

"Knock-knock-knock, Amy,

340

00:14:07,818 —> 00:14:10,336

knock-knock-knock, Amy,

knock-knock-knock, Amy"?

341

00:14:11,321 —> 00:14:13,038

If you want him to stop,

342

00:14:13,040 —> 00:14:15,424

sometimes the easiest thing

to do is just fake a laugh.

343

00:14:15,426 —> 00:14:18,761

Fake a laugh?

344

00:14:18,763 —> 00:14:20,763

Do you ever do that with me?

345

00:14:20,765 —> 00:14:24,383

No, of course not.

346

00:14:24,385 —> 00:14:26,886

Well, I'd be able

to tell anyway.

347

00:14:26,888 —> 00:14:29,188

I don't think you would.

348

00:14:29,190 —> 00:14:31,840

Please, I've made

plenty of girls laugh,

349

00:14:31,842 —> 00:14:34,026

sometimes just by

asking them out.

350

00:14:34,028 —> 00:14:35,945

(both laugh)

351

00:14:36,947 —> 00:14:40,566

(laughter continues)

352

00:15:06,309 —> 00:15:08,727

Yeah? Well, I fake my orgasms.

353

00:15:10,897 —> 00:15:14,984

Yes, how much for a hundred

long-stemmed red roses?

354
00:15:16,353 —> 00:15:18,587
Really?

355
00:15:18,589 —> 00:15:20,656
How much for three?

356
00:15:22,859 —> 00:15:23,826
Hey.

357
00:15:23,828 —> 00:15:25,661
Yeah, I'll call you back.

358
00:15:27,080 —> 00:15:30,065
Look, I know you were
just trying to help

359
00:15:30,067 —> 00:15:31,533
with your Star Wars thing.

360
00:15:31,535 —> 00:15:33,235

I didn't mean
to call it idiotic.

361
00:15:33,237 —> 00:15:35,671
Well, I don't think
you called it idiotic.

362
00:15:35,673 —> 00:15:36,672
Oh.

363
00:15:36,674 —> 00:15:38,607
Sorry, I meant to.

364
00:15:40,460 —> 00:15:44,380
Anyway, um, I was just upset
with myself.

365
00:15:44,382 —> 00:15:46,265
I wasn't mad at you.

366
00:15:47,384 —> 00:15:49,351
I just feel like everything
is falling apart.

367

00:15:49,353 —> 00:15:51,186

Come on. It's okay.

368

00:15:51,188 —> 00:15:53,222

No, it's not okay!

Look at me, okay?!

369

00:15:53,224 —> 00:15:55,724

I took a temp job

as a waitress forever ago,

370

00:15:55,726 —> 00:15:56,859

and I'm still doing it.

371

00:15:56,861 —> 00:15:58,527

I can't quit,

because guess what?

372

00:15:58,529 —> 00:16:00,595

I can't do anything else.

373

00:16:00,597 —> 00:16:03,399
And I finally get my big break,
and it goes away!

374
00:16:03,401 —> 00:16:04,533
I'm such a mess.

375
00:16:04,535 —> 00:16:06,268
No, you're not.
Really?!

376
00:16:06,270 —> 00:16:07,486
'Cause this morning
at Starbucks,

377
00:16:07,488 —> 00:16:10,789
a pair of old underwear
fell out of my pant leg!

378
00:16:12,909 —> 00:16:15,628
And it wasn't the only
one in there.

379

00:16:17,163 —> 00:16:20,966
Okay, listen to me,
this is just a minor setback.

380
00:16:20,968 —> 00:16:22,635
No, it's not, okay?!
I've been out here

381
00:16:22,637 —> 00:16:25,304
for, like, ten years!
I've nothing to show for it!

382
00:16:25,306 —> 00:16:27,389
Well, you have me.

383
00:16:28,224 —> 00:16:30,309
You're right.

384
00:16:30,311 —> 00:16:32,761
I do have you.

385
00:16:32,763 —> 00:16:34,013
(chuckles)

386

00:16:34,015 —> 00:16:35,597

Mm...

387

00:16:36,766 —> 00:16:38,517

Let's get married.

388

00:16:40,186 —> 00:16:41,520

What?

389

00:16:42,555 —> 00:16:44,139

(grunts)

390

00:16:44,908 —> 00:16:47,026

Ooh! (chuckles)

391

00:16:47,028 —> 00:16:50,312

Leonard Hofstadter...

392

00:16:50,314 —> 00:16:51,697

will you marry me?

393

00:16:51,699 —> 00:16:54,783

Um...

394

00:04:43,049 —> 00:04:44,966

Ooh, I was kind of

hoping to get it

115

00:04:44,968 —> 00:04:47,268

before Howie comes home from work.

Oh. What's the hurry?

116

00:04:47,270 —> 00:04:48,553

Well, he's always saying

117

00:04:48,555 —> 00:04:50,438

I should be more careful

with my curling iron,

118

00:04:50,440 —> 00:04:51,889

and it seems like

a dangerous precedent

119

00:04:51,891 —> 00:04:54,058

to let him think

he can be right.

120

00:04:54,060 —> 00:04:56,394

Well, I'll do what I can,

121

00:04:56,396 —> 00:04:58,546

but I can't make

any promises.

122

00:04:58,548 —> 00:05:02,400

You know, I do work

at a pharmaceutical company.

123

00:05:02,402 —> 00:05:04,619

If you can make this

happen today,

124

00:05:04,621 —> 00:05:07,872

I can hook you up with anxiety

medication, antidepressants.

125

00:05:07,874 —> 00:05:09,707

Really?

126

00:05:11,326 —> 00:05:13,711

Do you have

any of these?

127

00:05:17,966 —> 00:05:20,534

Hello, Mr. Rat Brain.

128

00:05:21,553 —> 00:05:24,005

Not so bitey

without the rest of the rat

129

00:05:24,007 —> 00:05:25,673

to back us up now, are we?

130

00:05:25,675 —> 00:05:26,908

(knocking)

131

00:05:26,910 —> 00:05:28,208

Anybody home?

132

00:05:28,210 —> 00:05:29,227

Hey, what brings

you guys here?

133

00:05:29,229 —> 00:05:30,328

Well, we were

just on our way

134

00:05:30,330 —> 00:05:31,345

to lunch and wanted to see

135

00:05:31,347 —> 00:05:32,430

if you'd like to join.

136

00:05:32,432 —> 00:05:33,564

Why?

137

00:05:33,566 —> 00:05:34,882
Because Sheldon's
not here this week,

138
00:05:34,884 —> 00:05:36,517
and you don't think
I have any other options?

139
00:05:36,519 —> 00:05:38,686
I'm just kidding.
I'll get my purse.

140
00:05:38,688 —> 00:05:41,239
Hi, Amy. I... Oh.

141
00:05:41,241 —> 00:05:43,257
I'm soy. I didn't know
you had any company.

142
00:05:43,259 —> 00:05:44,358
That's okay.

143
00:05:44,360 —> 00:05:45,726

Uh, Bert,

this is Howard and Rajesh.

144

00:05:45,728 —> 00:05:46,978

Guys, this is Bert.

145

00:05:46,980 —> 00:05:48,162

Hey. Good to see you.

Hey.

146

00:05:48,164 —> 00:05:49,664

Anyway, I wanted to show you

147

00:05:49,666 —> 00:05:52,083

this tourmalinated quartz

that we got in the lab.

148

00:05:52,085 —> 00:05:53,868

This is so pretty.

149

00:05:53,870 —> 00:05:55,753

Bert works for the

geology department.

150

00:05:55,755 —> 00:05:57,838

Yeah. You know what,

uh, geologists

151

00:05:57,840 —> 00:05:59,590

and Bon Jovi have in common?

152

00:05:59,592 —> 00:06:01,909

You're both

into rock?

153

00:06:03,712 —> 00:06:06,113

Yeah.

154

00:06:07,599 —> 00:06:09,934

Well, see ya.

155

00:06:09,936 —> 00:06:11,102

Oh, you forgot your quartz.

156

00:06:11,104 —> 00:06:12,803

Oh, it's okay.

157

00:06:12,805 —> 00:06:14,639

I want you to have it.

158

00:06:15,607 —> 00:06:17,008

Bye.

159

00:06:17,010 —> 00:06:18,392

He's nice.

160

00:06:18,394 —> 00:06:21,846

Yeah, he's nice

because he likes you.

161

00:06:21,848 —> 00:06:24,398

What?! No, he doesn't.

162

00:06:24,400 —> 00:06:26,117

He brought you

a pretty rock.

163

00:06:26,119 —> 00:06:27,818
So? He does that every day...

164
00:06:27,820 —> 00:06:29,487
Oh.

165
00:06:29,489 —> 00:06:31,822
You know, if you'd
rather skip lunch

166
00:06:31,824 —> 00:06:34,525
and hang out with your boyfriend
Bert, it's totally okay.

167
00:06:34,527 —> 00:06:36,160
He's not my boyfriend.

168
00:06:36,162 —> 00:06:38,245
Are you sure? He's tall,
pale and awkward.

169
00:06:38,247 —> 00:06:40,331
That sounds like your type.

170

00:06:40,333 —> 00:06:43,734

Should someone as lonely as you

really be making fun of me?

171

00:06:43,736 —> 00:06:45,553

Yeah, grow up, Howard. God.

172

00:06:47,172 —> 00:06:49,957

What do I do? I don't want

to hurt his feelings.

173

00:06:49,959 —> 00:06:52,393

Maybe the problem is

he thinks you're available.

174

00:06:52,395 —> 00:06:54,095

Does he know

you're dating Sheldon?

175

00:06:54,097 —> 00:06:56,430

I guess it hasn't come up.

176

00:06:56,432 —> 00:06:58,482

There you go.

177

00:06:58,484 —> 00:07:01,152

And does Sheldon know

you're dating Sheldon?

178

00:07:03,021 —> 00:07:06,040

I'm sorry. Who are you dating?

179

00:07:06,042 —> 00:07:08,242

Yeah, knock it off, Howard!

180

00:07:15,667 —> 00:07:17,668

(sighs)

181

00:07:17,670 —> 00:07:19,370

Oh. Hey, Sheldon.

182

00:07:19,372 —> 00:07:21,038

Hello.

183

00:07:26,595 —> 00:07:28,629

You okay?

184

00:07:28,631 —> 00:07:30,715

I'm on vacation.

185

00:07:30,717 —> 00:07:32,967

What do you think?

186

00:07:32,969 —> 00:07:35,502

Why are you sitting

in the stairwell?

187

00:07:36,504 —> 00:07:38,672

Leonard told me to stay.

188

00:07:39,758 —> 00:07:43,177

Oh. Well, good boy.

189

00:07:43,179 —> 00:07:45,345

Where are you going?

190

00:07:45,347 —> 00:07:46,697

Oh, I have a ton

of errands to run.

191

00:07:46,699 —> 00:07:48,015

I need to make copies

of my headshot,

192

00:07:48,017 —> 00:07:49,150

send them off to agents

193

00:07:49,152 —> 00:07:50,735

and sign up

for a new acting class and...

194

00:07:50,737 —> 00:07:52,536

Well, have fun.

195

00:07:52,538 —> 00:07:54,522

Okay.

196

00:07:54,524 —> 00:07:56,407

(whimpers)

197

00:07:59,077 —> 00:08:01,112

You want to come with me?

198

00:08:01,114 —> 00:08:03,530

Really?

199

00:08:03,532 —> 00:08:06,250

Come on, boy. Come on.

Let's go. Let's go.

200

00:08:06,252 —> 00:08:09,303

Get in the car. Come on.

201

00:08:10,505 —> 00:08:13,090

All right, thanks a lot.

202

00:08:13,092 —> 00:08:14,842

They have one at

Capital Comics.

203

00:08:14,844 —> 00:08:16,794
Oh, that's great.
No, it's not.

204
00:08:16,796 —> 00:08:18,378
I hate that place.

205
00:08:18,380 —> 00:08:20,431
Guy who owns it is a jerk.

206
00:08:20,433 —> 00:08:22,750
He's always making me
feel bad about myself.

207
00:08:22,752 —> 00:08:25,152
Oh, that's terrible.

208
00:08:25,154 —> 00:08:27,054
What's the address?

209
00:08:27,056 —> 00:08:29,056
You know, why don't
I just take you there?

210

00:08:29,058 —> 00:08:31,559

That way, I can make sure

he doesn't rip you off.

211

00:08:31,561 —> 00:08:33,244

Oh, thanks, but I don't

want you to close up.

212

00:08:33,246 —> 00:08:34,578

I mean, won't you lose business?

213

00:08:37,432 —> 00:08:39,750

Sorry. That was mean.

214

00:08:43,705 —> 00:08:45,773

Penny really quit

The Cheesecake Factory?

215

00:08:45,798 —> 00:08:46,258

Yeah.

216

00:08:46,259 —> 00:08:48,575
So, what is she doing today?
I don't know.

217
00:08:48,577 —> 00:08:50,044
She already thinks
I don't support this,

218
00:08:50,046 —> 00:08:52,680
so if I call, it might look like
I'm checking up on her.

219
00:08:52,682 —> 00:08:53,831
Well, do you support this?

220
00:08:53,833 —> 00:08:55,299
Of course I do.

221
00:08:55,301 —> 00:08:56,550
She's a great actress.

222
00:08:56,552 —> 00:08:58,252
I'm proud she's

taking this risk.

223

00:08:58,254 —> 00:08:59,770

That's nice.

224

00:08:59,772 —> 00:09:01,939

You bought that? Great!

225

00:09:04,576 —> 00:09:07,895

I got to call her before

I forget how I said it.

226

00:09:07,897 —> 00:09:09,847

Hey.

227

00:09:09,849 —> 00:09:10,865

Hi. What's up?

228

00:09:10,867 —> 00:09:11,849

Oh, how's it going?

229

00:09:11,851 —> 00:09:13,234

You taking Hollywood by storm?

230

00:09:13,236 —> 00:09:15,102

Actually,

I'm at The Cheesecake Factory.

231

00:09:15,104 —> 00:09:17,288

You got your job back.

That is great news.

232

00:09:17,290 —> 00:09:19,073

I didn't want

to say anything,

233

00:09:19,075 —> 00:09:20,574

but you are making

the right choice.

234

00:09:20,576 —> 00:09:21,625

To plunge yourself into debt

235

00:09:21,627 —> 00:09:22,943

right now would be

literally insane.

236
00:09:22,945 —> 00:09:24,128
Yeah.

237
00:09:24,130 —> 00:09:26,831
I'm just returning my uniform.

238
00:09:29,151 —> 00:09:31,669
And I support you.

239
00:09:40,330 —> 00:09:42,964
MALE VOICE: Before we begin
your guided meditation,

240
00:09:42,966 —> 00:09:44,332
close your eyes

241
00:09:44,334 —> 00:09:47,135
and picture yourself
in a peaceful environment.

242

00:09:47,137 —> 00:09:49,404
Okay.

243
00:09:50,773 —> 00:09:54,609
I'm inside
the CERN super collider.

244
00:09:55,411 —> 00:09:57,545
Now, take a deep,
relaxing breath

245
00:09:57,547 —> 00:09:59,114
in through your nose.

246
00:09:59,116 —> 00:10:01,182
(inhales deeply through nose)

247
00:10:01,184 —> 00:10:03,134
And let it out.

248
00:10:03,136 —> 00:10:05,437
Wow. Didn't see that coming.

249

00:10:06,805 —> 00:10:08,273

In.

250

00:10:08,275 —> 00:10:10,308

(inhales deeply through nose)

251

00:10:10,310 —> 00:10:11,642

Let me guess.

252

00:10:11,644 —> 00:10:13,361

And out.

253

00:10:13,363 —> 00:10:14,612

(exhales loudly)

254

00:10:14,614 —> 00:10:17,332

What was I gonna do?

Two "ins" in a row?

255

00:10:17,334 —> 00:10:18,833

(car door opens)

256

00:10:21,470 —> 00:10:23,304

Where's my lemonade?

257

00:10:23,306 —> 00:10:24,873

I didn't get it.

258

00:10:24,875 —> 00:10:27,876

A fitting swan song

to your career as a waitress

259

00:10:27,878 —> 00:10:30,795

to forget my order

one last time.

260

00:10:33,716 —> 00:10:36,000

(sighs)

261

00:10:36,002 —> 00:10:39,354

Do you think quitting

my job was a mistake?

262

00:10:39,356 —> 00:10:42,474

Do you see me drinking lemonade?

263

00:10:43,342 —> 00:10:45,727

No. I'm serious.

264

00:10:45,729 —> 00:10:47,312

Why do you ask?

265

00:10:47,314 —> 00:10:49,514

Because Leonard

just pissed me off.

266

00:10:49,516 —> 00:10:51,682

Am I being an idiot or not?

267

00:10:51,684 —> 00:10:54,152

No, I don't think you are.

268

00:10:54,154 —> 00:10:55,520

Really?

269

00:10:55,522 —> 00:10:58,456

The best way to achieve a goal
is to devote 100%

270
00:10:58,458 —> 00:11:00,458
of your time and energy to it.

271
00:11:00,460 —> 00:11:02,794
When I decided I was going
to be a physicist,

272
00:11:02,796 —> 00:11:04,195
I didn't take
some other job

273
00:11:04,197 —> 00:11:06,331
in case it didn't work out.

274
00:11:06,333 —> 00:11:08,533
Which wasn't easy because
there was a lot of pressure

275
00:11:08,535 —> 00:11:11,536
from Ms. Pierson for me

to be chalk monitor that year.

276

00:11:12,304 —> 00:11:15,507

Thank you.

I needed to hear that.

277

00:11:15,509 —> 00:11:17,708

Why can't Leonard understand it?

278

00:11:18,978 —> 00:11:21,262

Because he's not

like us, Penny.

279

00:11:21,264 —> 00:11:23,548

We're dreamers.

280

00:11:25,484 —> 00:11:27,268

Yeah, I need to start

cracking the window

281

00:11:27,270 —> 00:11:29,220

when I leave you in the car.

282

00:11:35,494 —> 00:11:37,512

Hey.

283

00:11:37,514 —> 00:11:38,830

Hello, Bert.

284

00:11:38,832 —> 00:11:40,782

So, anyway,

there's this big, uh,

285

00:11:40,784 —> 00:11:42,700

rock and mineral show next week

286

00:11:42,702 —> 00:11:44,402

in Santa Monica and...

Listen,

287

00:11:44,404 —> 00:11:47,805

um, Bert, before you say

anything else, I...

288

00:11:47,807 —> 00:11:49,824

I have a boyfriend.

289

Okay. Okay, thank you.

223
00:10:24,831 —> 00:10:26,764
Oh, if she's scared,
you can sing to her.

224
00:10:26,766 —> 00:10:28,783

She likes Katy Perry.

225

00:10:28,785 —> 00:10:29,951

Oh, but don't

do "Firework""

226

00:10:29,953 —> 00:10:31,786

That gets her all riled up.

227

00:10:31,788 —> 00:10:33,404

Got it.

228

00:10:33,406 —> 00:10:35,640

Should have been a dentist.

229

00:10:37,810 —> 00:10:40,645

Okay, what was

the best four-ten-four

230

00:10:40,647 —> 00:10:42,296

U.S. locomotive

ever built?

231

00:10:42,298 —> 00:10:44,632

Trick question.

There never was one.

232

00:10:44,634 —> 00:10:45,850

Or was there?

233

00:10:45,852 —> 00:10:48,069

What?!

234

00:10:49,355 —> 00:10:53,091

In 1944, the Pacific Railroad

built number 6131,

235

00:10:53,093 —> 00:10:54,943

which rearranged

the drivers and cylinders,

236

00:10:54,945 —> 00:10:56,811

solving the problem

of the Q-1,

237

00:10:56,813 —> 00:10:58,963
creating a duplex-drive
four-four-six-four.

238
00:10:58,965 —> 00:11:00,415
In what world is

239
00:11:00,417 —> 00:11:02,834
a four-four-six-four
a four-ten-four?

240
00:11:02,836 —> 00:11:04,586
A world I don't
want to live in!

241
00:11:05,955 —> 00:11:08,473
Seriously, I no longer want
to live in this world.

242
00:11:08,475 —> 00:11:11,259
Hold on to your
conductor's hat.

243

00:11:11,261 —> 00:11:13,127
You crank the second
and third axles,

244
00:11:13,129 —> 00:11:15,513
creating a pair
of internal connecting rods,

245
00:11:15,515 —> 00:11:17,164
and boom—
four-ten-four.

246
00:11:17,166 —> 00:11:19,100
If you think
about it, the Q-2

247
00:11:19,102 —> 00:11:21,269
was like the four-ten-four
America never made.

248
00:11:21,271 —> 00:11:23,955
I may never stop
thinking about it.

249

00:11:23,957 —> 00:11:26,624

Amy, what are the odds

we run into this guy?

250

00:11:26,626 —> 00:11:28,175

Better than you think.

251

00:11:31,363 —> 00:11:32,680

You know, if you ask nicely,

252

00:11:32,682 —> 00:11:34,282

they'll let you visit

the engine room.

253

00:11:34,284 —> 00:11:35,516

(gasps)

254

00:11:35,518 —> 00:11:37,118

I never want

this day to end.

255

00:11:37,120 —> 00:11:40,171

It's feeling like
it never will.

256
00:11:40,173 —> 00:11:41,456
Come on.

257
00:11:42,541 —> 00:11:45,660
Hey, did I tell you
what happened to me at UPS?

258
00:11:48,797 —> 00:11:52,483
As if Valentine's Day wasn't bad
enough, you try to kill my dog?!

259
00:11:52,485 —> 00:11:54,719
And with cheap chocolate,
no less?

260
00:11:54,721 —> 00:11:56,221
It wasn't cheap.

261
00:11:56,223 —> 00:11:58,223
It was free.

262

00:11:58,225 —> 00:12:00,091

We're really sorry.

It was an accident.

263

00:12:00,093 —> 00:12:02,493

Yeah, we weren't even out

of the room that long.

264

00:12:02,495 —> 00:12:05,230

Oh, no, come on.

It was a while.

265

00:12:05,232 —> 00:12:07,649

It was a while.

266

00:12:10,552 —> 00:12:12,070

Oh, is Cinnamon gonna be okay?

267

00:12:12,072 —> 00:12:13,387

She's responding well.

268

00:12:13,389 —> 00:12:16,090
We just want to keep her
a little longer for observation.

269
00:12:16,092 —> 00:12:18,409
All right. Uh, would-would
it be okay for me to see her?

270
00:12:18,411 —> 00:12:19,777
We're usually
in bed by now,

271
00:12:19,779 —> 00:12:22,313
and I want her to
know that I'm here.

272
00:12:22,315 —> 00:12:25,416
Yes, we sleep together,
and sometimes we spoon.

273
00:12:27,670 —> 00:12:29,837
It's okay.
I sleep with my dog, too.

274

00:12:29,839 —> 00:12:32,457

We're not supposed

to let people in back,

275

00:12:32,459 —> 00:12:34,809

but I think

I can make an exception.

276

00:12:34,811 —> 00:12:36,410

Thank you.

Come on.

277

00:12:36,412 —> 00:12:39,430

By the way, I sang her Katy Perry.

Oh, yeah?

278

00:12:39,432 —> 00:12:40,932

And I don't care

279

00:12:40,934 —> 00:12:42,934

what that obnoxious

parrot back there says.

280

00:12:42,936 —> 00:12:45,103

I crushed it.

281

00:12:45,105 —> 00:12:48,022

I think there's something going

on between the two of them.

282

00:12:48,024 —> 00:12:50,925

Maybe, but you also think

nine minutes isn't a while,

283

00:12:50,927 —> 00:12:53,695

so what do you know?

284

00:12:59,318 —> 00:13:00,685

You okay?

285

00:13:00,687 —> 00:13:03,621

Why? Because my boyfriend's off

playing choo-choo

286

00:13:03,623 —> 00:13:05,657

with some weirdo?

287
00:13:05,659 —> 00:13:09,927
Well, to be fair,
they're both weirdos.

288
00:13:09,929 —> 00:13:13,114
I don't know what made me think
tonight would be any different.

289
00:13:13,116 —> 00:13:16,617
Well, just the fact that you got
him up here still says a lot.

290
00:13:16,619 —> 00:13:19,554
To be honest, I bet Howie 200
bucks it wasn't gonna happen.

291
00:13:19,556 —> 00:13:23,308
I'm going to the Lego store
to get a big-ass R2-D2.

292
00:13:25,394 —> 00:13:27,312

See? It's not

just Sheldon.

293

00:13:27,314 —> 00:13:30,581

They're all idiots.

294

00:13:30,583 —> 00:13:32,433

She's right.

295

00:13:32,435 —> 00:13:33,868

BERNADETTE:

So, your boyfriend's

296

00:13:33,870 —> 00:13:35,069

a fixer-upper.

297

00:13:35,071 —> 00:13:36,237

Most of them are.

298

00:13:36,239 —> 00:13:37,405

I mean, look at this guy.

299

00:13:37,407 —> 00:13:38,606
You think he
came like this?

300
00:13:38,608 —> 00:13:41,075
When I met him,
he was a hot, goofy mess.

301
00:13:42,628 —> 00:13:44,579
Now, he's been to space.

302
00:13:44,581 —> 00:13:46,864
That's all me.

303
00:13:48,283 —> 00:13:50,351
I had a little
to do with it.

304
00:13:50,353 —> 00:13:52,003
Oh, sure you did.

305
00:13:52,005 —> 00:13:54,822
Who's Mama's

big space man?

306
00:13:55,991 —> 00:13:58,659
(giggling):
I am.

307
00:14:04,499 —> 00:14:06,751
They've been in there,
like, half an hour.

308
00:14:06,753 —> 00:14:09,854
Yeah, for future reference,
that's a while.

309
00:14:13,942 —> 00:14:16,194
How long should we stay?
I don't know.

310
00:14:16,196 —> 00:14:17,278
I'm kind of hungry.

311
00:14:17,280 —> 00:14:19,147
I saw a Thai place next door.

312

00:14:19,149 —> 00:14:20,865

Oh. Okay.

313

00:14:20,867 —> 00:14:22,700

Oh. Oh. Hey!

How's she doing?

314

00:14:22,702 —> 00:14:25,019

How is everything?

Yeah.

315

00:14:25,021 —> 00:14:27,138

She's gonna be okay; they're

gonna let me take her home.

316

00:14:27,140 —> 00:14:28,339

Oh, good.

So I want you

317

00:14:28,341 —> 00:14:29,707

to keep a close eye on her

318

00:14:29,709 —> 00:14:30,858

for the next 24 hours.

319

00:14:30,860 —> 00:14:33,444

Here are a few warning signs

to look out for,

320

00:14:33,446 —> 00:14:36,066

and if you see any of them,

don't hesitate to call.

321

00:14:36,067 —> 00:14:36,677

Oh.

322

00:14:36,683 —> 00:14:39,200

Thank you for taking such

good care of my little girl.

323

00:14:39,202 —> 00:14:41,352

My pleasure.

Have a nice night.

324

00:14:41,354 —> 00:14:43,154
Yes, thank you
for all your help.

325
00:14:43,156 —> 00:14:44,305
Yeah. I'm sorry if
you didn't think

326
00:14:44,307 —> 00:14:45,539
we were taking
it seriously.

327
00:14:45,541 —> 00:14:46,657
We love animals.

328
00:14:46,659 —> 00:14:48,142
Oh, do you guys own any pets?

329
00:14:48,144 —> 00:14:49,060
No.

330
00:14:49,062 —> 00:14:51,512
Good.

331

00:14:56,935 —> 00:14:59,236

I love you so much.

332

00:14:59,238 —> 00:15:01,438

I love you, too.

333

00:15:09,864 —> 00:15:12,383

Sorry.

Sorry.

334

00:15:12,385 —> 00:15:14,118

You guys missed

a pretty great time.

335

00:15:14,120 —> 00:15:18,122

The conductor and I have

the same pocket watch.

336

00:15:19,708 —> 00:15:20,708

It was crazy.

337

00:15:20,710 —> 00:15:23,910
Dare I say "loco"?

338
00:15:23,912 —> 00:15:25,429
Oh, and, Amy, guess what?

339
00:15:25,431 —> 00:15:27,631
The conductor said
as soon as he gets off work,

340
00:15:27,633 —> 00:15:29,516
he can come back
to the bed and breakfast

341
00:15:29,518 —> 00:15:30,768
and play his banjo for us.

342
00:15:30,770 —> 00:15:34,588
Okay. I need to speak to
my boyfriend in private,

343
00:15:34,590 —> 00:15:36,089
like, right now.

344

00:15:36,091 —> 00:15:37,725

There's a car

with a glass roof.

345

00:15:37,727 —> 00:15:39,393

Want to go look

at the stars?

346

00:15:39,395 —> 00:15:40,761

Oh, that sounds

so romantic.

347

00:15:40,763 —> 00:15:43,063

Oh, give it a rest!

348

00:15:43,065 —> 00:15:45,282

Let's go.

349

00:15:49,287 —> 00:15:50,504

Why are you still here?

350

00:15:50,506 —> 00:15:52,089
Excuse me.

351
00:15:52,091 —> 00:15:53,941
I think you're being
a little rude.

352
00:15:53,943 —> 00:15:55,159
I'm being rude?

353
00:15:55,161 —> 00:15:56,910
You've been rude to me
this entire evening.

354
00:15:56,912 —> 00:15:58,746
How is that possible?

355
00:15:58,748 —> 00:16:02,116
I've hardly spoken to you
since we got on the train.

356
00:16:02,118 —> 00:16:05,753
I'm detecting a little friction

between you two,

357
00:16:05,755 —> 00:16:08,172
and I don't want
to be a third rail.

358
00:16:08,174 —> 00:16:10,607
Get it?

359
00:16:10,609 —> 00:16:12,726
I get it.

360
00:16:14,112 —> 00:16:15,312
Leave!

361
00:16:17,182 —> 00:16:19,600
What is your problem?

362
00:16:19,602 —> 00:16:20,851
It's Valentine's Day.

363
00:16:20,853 —> 00:16:22,936

We're supposed
to be having a romantic weekend.

364
00:16:22,938 —> 00:16:25,072
Oh, really? Because
I remember you saying

365
00:16:25,074 —> 00:16:27,941
that this trip was going to be
something we could both enjoy.

366
00:16:27,943 —> 00:16:31,078
Did you mean that, or were you
just trying to trick me?

367
00:16:31,080 —> 00:16:33,330
Fine, it's true.

368
00:16:33,332 —> 00:16:35,249
I deserve romance,

369
00:16:35,251 —> 00:16:38,335
and I didn't know

how else to make it happen.

370

00:16:38,337 —> 00:16:42,373

Well, if you want romance,

then let's have romance!

371

00:16:42,375 —> 00:16:46,176

Oh, look, there's wine. Mmm.

372

00:16:46,178 —> 00:16:49,630

Grape juice that burns.

373

00:16:49,632 —> 00:16:52,349

Uh, now let's gaze

into each other's eyes, hmm?

374

00:16:52,351 —> 00:16:53,667

You blinked. I win.

375

00:16:53,669 —> 00:16:55,519

Sheldon...

Let's see. What's next?

376

00:16:55,521 —> 00:16:57,688

Oh, kissing's romantic.

377

00:17:14,406 —> 00:17:17,357

That was nice.

378

00:17:17,359 —> 00:17:19,960

Good.

379

00:17:22,831 —> 00:17:24,882

Um...

380

00:17:24,884 —> 00:17:28,635

the conductor said if I come

back to the engine room,

381

00:17:28,637 —> 00:17:32,172

he'd show me how to bring

the train through a crossing.

382

00:17:34,008 —> 00:17:36,176

Okay, have fun.

383

00:17:37,512 —> 00:17:39,513

Do you want to come with me?

384

00:17:39,515 —> 00:17:43,350

Really? I do.

385

00:17:46,738 —> 00:17:48,906

Hey, guys, wait up!

386

00:17:58,388 —> 00:18:00,339

There you go.

387

00:18:00,341 —> 00:18:03,976

(in silly voice):

All cozy wozy.

388

00:18:03,978 —> 00:18:08,881

Here, let's see what the doctor

says to keep an eye out for.

389

00:18:10,200 —> 00:18:13,019

Hmm. "Rajesh, I was dreading
Valentine's Day.

390
00:18:13,021 —> 00:18:16,823
Thank you for spending it
with me. Yvette."

391
00:18:18,609 —> 00:18:21,494
Cinnamon, she-she gave me
her phone number.

392
00:18:21,496 —> 00:18:23,446
If I knew it was that easy,

393

gonna need a minute.

139
00:06:27,274 —> 00:06:30,477
Fun fact: it's neither.

140

00:06:31,479 —> 00:06:32,679

They actually

141

00:06:32,681 —> 00:06:34,981

use the AAR type E coupler.

142

00:06:34,983 —> 00:06:37,683

If you listen carefully when

the locomotive disconnects,

143

00:06:37,685 —> 00:06:40,737

you'll hear the characteristic

click-pshht-thunk

144

00:06:40,739 —> 00:06:42,956

of the knuckle.

145

00:06:44,909 —> 00:06:47,410

Get out of town.

146

00:06:48,412 —> 00:06:52,031

Fun fact: I'm gonna
jump off this train.

147
00:06:55,970 —> 00:06:57,370
Hey, Cinnamon,

148
00:06:57,372 —> 00:07:00,039
guess who just did it
human style.

149
00:07:01,392 —> 00:07:03,042
Oh, my God!

150
00:07:03,044 —> 00:07:05,311
It's a little late,
but I'll take it.

151
00:07:05,313 —> 00:07:08,064
No, Cinnamon ate the chocolates.

152
00:07:08,066 —> 00:07:09,983
That's really bad for dogs.

153

00:07:09,985 —> 00:07:12,235

Oh, crap. What are we gonna do?

We gotta get her

154

00:07:12,237 —> 00:07:14,687

to a vet right now.

I don't have a vet.

155

00:07:14,689 —> 00:07:17,690

I have a podiatrist,

an optometrist, an allergist,

156

00:07:17,692 —> 00:07:21,528

a dermatologist, a urologist.

You'd think I'd have a vet.

157

00:07:21,530 —> 00:07:23,079

Okay. There's one not far

from here. Come on. Let's go.

158

00:07:23,081 —> 00:07:24,897

Okay. (groans)

Koothrappali was right.

159

00:07:24,899 —> 00:07:27,250

We should have

let her watch.

160

00:07:30,237 —> 00:07:32,122

(gasps) Do another one,

do another one!

161

00:07:32,124 —> 00:07:33,439

Okay.

162

00:07:33,441 —> 00:07:35,041

Here's my impression

of the Amtrak

163

00:07:35,043 —> 00:07:37,927

Acela barreling

down the Eastern Corridor.

164

00:07:37,929 —> 00:07:40,597

(imitates clank and whoosh

of train chugging)

165

00:07:45,603 —> 00:07:49,205

It's like there's a train

in your mouth.

166

00:07:49,207 —> 00:07:50,857

Oh, yeah.

167

00:07:50,859 —> 00:07:53,776

I've got one.

Um, the Amtrak Wolverine

168

00:07:53,778 —> 00:07:55,979

coming into Chicago.

(clears throat)

169

00:07:55,981 —> 00:07:58,281

(soft chugging)

170

00:07:59,600 —> 00:08:01,985

(imitates whistle blowing)

171

00:08:04,371 —> 00:08:05,989
I've been on that train.

172
00:08:05,991 —> 00:08:08,374
And I just was again.

173
00:08:10,161 —> 00:08:11,461
Hey, see if you guys
can guess this one.

174
00:08:11,463 —> 00:08:14,247
Bang! Splat! Thud.

175
00:08:16,116 —> 00:08:18,418
How many trains
have you been on?

176
00:08:18,420 —> 00:08:21,971
Tons. A box fell on my head
at UPS six years ago.

177
00:08:21,973 —> 00:08:25,275
Now I just collect disability

and ride trains.

178
00:08:26,677 —> 00:08:29,345
Wow. Your life's amazing.

179
00:08:29,347 —> 00:08:31,231
Not always.

180
00:08:31,233 —> 00:08:34,434
A box fell on my head
at UPS six years ago.

181
00:08:34,436 —> 00:08:37,904
Now I just collect disability
and ride trains.

182
00:08:42,142 —> 00:08:44,410
Why do I even try?

183
00:08:44,412 —> 00:08:46,029
I'm gonna fix
this right now.

184

00:08:46,031 —> 00:08:49,582

Okay. Just make it look

like an accident.

185

00:08:51,485 —> 00:08:53,536

Excuse me.

You are

186

00:08:53,538 —> 00:08:55,371

at Valentine's dinner

with your girlfriend.

187

00:08:55,373 —> 00:08:57,590

Now get back over there

and be with her.

188

00:08:58,826 —> 00:09:00,326

You're right.

189

00:09:00,328 —> 00:09:02,662

That was

insensitive of me.

190

00:09:02,664 —> 00:09:04,764

I have to go back

to my table now.

191

00:09:04,766 —> 00:09:06,099

You should join us.

192

00:09:06,101 —> 00:09:07,350

All right.

193

00:09:09,470 —> 00:09:10,803

Great.

194

00:09:10,805 —> 00:09:13,005

Now there's two of 'em.

195

00:09:22,151 —> 00:09:24,569

How much chocolate

did she eat?

196

00:09:24,571 —> 00:09:26,187

A whole box.

Well, to be fair,

197
00:09:26,189 —> 00:09:29,290
you ate a lot of it
before you gave it to me.

198
00:09:29,292 —> 00:09:31,676
So the point is I may
have saved her life.

199
00:09:31,678 —> 00:09:33,411
(both chuckle)

200
00:09:33,413 —> 00:09:35,447
I'm sorry,
is this a joke to you?

201
00:09:35,449 —> 00:09:37,398
No.

202
00:09:37,400 —> 00:09:39,584
Maybe to her.

203

00:09:41,871 —> 00:09:43,438

How big

a box of chocolate was it?

204

00:09:43,440 —> 00:09:44,956

Uh, something like

this. I don't know.

205

00:09:44,958 —> 00:09:47,959

It came free with

a full tank of gas.

206

00:09:47,961 —> 00:09:50,428

Really? Do you know how much

those Lakers tickets were?

207

00:09:50,430 —> 00:09:51,863

Do you know

how much gas is?

208

00:09:51,865 —> 00:09:52,714

Hey!

209

00:09:52,716 —> 00:09:55,433

Sorry.

Sorry.

210

00:09:55,435 —> 00:09:59,086

Oh, my God, Cinnamon,

are you okay?!

211

00:09:59,088 —> 00:10:00,355

I can't believe you two!

212

00:10:00,357 —> 00:10:02,140

You do whatever it takes

to save her life.

213

00:10:02,142 —> 00:10:04,425

If she needs new organs,

I'll buy any dog necessary

214

00:10:04,427 —> 00:10:06,427

and scrap them for parts!

215

00:10:06,429 —> 00:10:08,763
You're the owner?

216
00:10:08,765 —> 00:10:10,615
Owner, father, soul mate,

217
00:10:10,617 —> 00:10:13,952
and if anything happens to her,
your worst nightmare!

218
00:10:15,905 —> 00:10:17,922
Well, she's not
throwing up,

219
00:10:17,924 —> 00:10:19,207
which is a good sign.

220
00:10:19,209 —> 00:10:21,543
So, I'm gonna take her in back,
put her on fluids

221
00:10:21,545 —> 00:10:23,244
and give her something

to absorb the toxins.

222

00:10:23,246 —> 00:10:24,829

Okay?

Okay. Okay, thank you.

223

00:10:24,831 —> 00:10:26,764

Oh, if she's scared,

you can sing to her.

224

00:10:26,766 —> 00:10:28,783

She likes Katy Perry.

225

00:10:28,785 —> 00:10:29,951

Oh, but don't

do "Firework""

226

00:10:29,953 —> 00:10:31,786

That gets her all riled up.

227

00:10:31,788 —> 00:10:33,404

Got it.

228

00:10:33,406 —> 00:10:35,640

Should have been a dentist.

229

00:10:37,810 —> 00:10:40,645

Okay, what was

the best four-ten-four

230

00:10:40,647 —> 00:10:42,296

U.S. locomotive

ever built?

231

00:10:42,298 —> 00:10:44,632

Trick question.

There never was one.

232

00:10:44,634 —> 00:10:45,850

Or was there?

233

00:10:45,852 —> 00:10:48,069

What?!

234

00:10:49,355 —> 00:10:53,091

In 1944, the Pacific Railroad
built number 6131,

235
00:10:53,093 —> 00:10:54,943
which rearranged
the drivers and cylinders,

236
00:10:54,945 —> 00:10:56,811
solving the problem
of the Q-1,

237
00:10:56,813 —> 00:10:58,963
creating a duplex-drive
four-four-six-four.

238
00:10:58,965 —> 00:11:00,415
In what world is

239
00:11:00,417 —> 00:11:02,834
a four-four-six-four
a four-ten-four?

240
00:11:02,836 —> 00:11:04,586

A world I don't
want to live in!

241
00:11:05,955 —> 00:11:08,473
Seriously, I no longer want
to live in this world.

242
00:11:08,475 —> 00:11:11,259
Hold on to your
conductor's hat.

243
00:11:11,261 —> 00:11:13,127
You crank the second
and third axles,

244
00:11:13,129 —> 00:11:15,513
creating a pair
of internal connecting rods,

245
00:11:15,515 —> 00:11:17,164
and boom—
four-ten-four.

246

00:11:17,166 —> 00:11:19,100
If you think
about it, the Q-2

247
00:11:19,102 —> 00:11:21,269
was like the four-ten-four
America never made.

248
00:11:21,271 —> 00:11:23,955
I may never stop
thinking about it.

249
00:11:23,957 —> 00:11:26,624
Amy, what are the odds
we run into this guy?

250
00:11:26,626 —> 00:11:28,175
Better than you think.

251
00:11:31,363 —> 00:11:32,680
You know, if you ask nicely,

252
00:11:32,682 —> 00:11:34,282

they'll let you visit
the engine room.

253
00:11:34,284 —> 00:11:35,516
(gasps)

254
00:11:35,518 —> 00:11:37,118
I never want
this day to end.

255
00:11:37,120 —> 00:11:40,171
It's feeling like
it never will.

256
00:11:40,173 —> 00:11:41,456
Come on.

257
00:11:42,541 —> 00:11:45,660
Hey, did I tell you
what happened to me at UPS?

258
00:11:48,797 —> 00:11:52,483
As if Valentine's Day wasn't bad

enough, you try to kill my dog?!

259
00:11:52,485 —> 00:11:54,719
And with cheap chocolate,
no less?

260
00:11:54,721 —> 00:11:56,221
It wasn't cheap.

261
00:11:56,223 —> 00:11:58,223
It was free.

262
00:11:58,225 —> 00:12:00,091
We're really sorry.
It was an accident.

263
00:12:00,093 —> 00:12:02,493
Yeah, we weren't even out
of the room that long.

264
00:12:02,495 —> 00:12:05,230
Oh, no, come on.
It was a while.

265

00:12:05,232 —> 00:12:07,649

It was a while.

266

00:12:10,552 —> 00:12:12,070

Oh, is Cinnamon gonna be okay?

267

00:12:12,072 —> 00:12:13,387

She's responding well.

268

00:12:13,389 —> 00:12:16,090

We just want to keep her

a little longer for observation.

269

00:12:16,092 —> 00:12:18,409

All right. Uh, would-would

it be okay for me to see her?

270

00:12:18,411 —> 00:12:19,777

We're usually

in bed by now,

271

00:12:19,779 —> 00:12:22,313
and I want her to
know that I'm here.

272
00:12:22,315 —> 00:12:25,416
Yes, we sleep together,
and sometimes we spoon.

273
00:12:27,670 —> 00:12:29,837
It's okay.
I sleep with my dog, too.

274
00:12:29,839 —> 00:12:32,457
We're not supposed
to let people in back,

275
00:12:32,459 —> 00:12:34,809
but I think
I can make an exception.

276
00:12:34,811 —> 00:12:36,410
Thank you.
Come on.

277

00:12:36,412 —> 00:12:39,430

By the way, I sang her Katy Perry.

Oh, yeah?

278

00:12:39,432 —> 00:12:40,932

And I don't care

279

00:12:40,934 —> 00:12:42,934

what that obnoxious

parrot back there says.

280

00:12:42,936 —> 00:12:45,103

I crushed it.

281

00:12:45,105 —> 00:12:48,022

I think there's something going

on between the two of them.

282

00:12:48,024 —> 00:12:50,925

Maybe, but you also think

nine minutes isn't a while,

283

00:12:50,927 —> 00:12:53,695
so what do you know?

284
00:12:59,318 —> 00:13:00,685
You okay?

285
00:13:00,687 —> 00:13:03,621
Why? Because my boyfriend's off
playing choo-choo

286
00:13:03,623 —> 00:13:05,657
with some weirdo?

287
00:13:05,659 —> 00:13:09,927
Well, to be fair,
they're both weirdos.

288
00:13:09,929 —> 00:13:13,114
I don't know what made me think
tonight would be any different.

289
00:13:13,116 —> 00:13:16,617
Well, just the fact that you got

him up here still says a lot.

290
00:13:16,619 —> 00:13:19,554
To be honest, I bet Howie 200
bucks it wasn't gonna happen.

291
00:13:19,556 —> 00:13:23,308
I'm going to the Lego store
to get a big-ass R2-D2.

292
00:13:25,394 —> 00:13:27,312
See? It's not
just Sheldon.

293
00:13:27,314 —> 00:13:30,581
They're all idiots.

294
00:13:30,583 —> 00:13:32,433
She's right.

295
00:13:32,435 —> 00:13:33,868
BERNADETTE:
So, your boyfriend's

296

00:13:33,870 —> 00:13:35,069

a fixer-upper.

297

00:13:35,071 —> 00:13:36,237

Most of them are.

298

00:13:36,239 —> 00:13:37,405

I mean, look at this guy.

299

00:13:37,407 —> 00:13:38,606

You think he

came like this?

300

00:13:38,608 —> 00:13:41,075

When I met him,

he was a hot, goofy mess.

301

00:13:42,628 —> 00:13:44,579

Now, he's been to space.

302

00:13:44,581 —> 00:13:46,864

That's all me.

303
00:13:48,283 —> 00:13:50,351
I had a little
to do with it.

304
00:13:50,353 —> 00:13:52,003
Oh, sure you did.

305
00:13:52,005 —> 00:13:54,822
Who's Mama's
big space man?

306
00:13:55,991 —> 00:13:58,659
(giggling):
I am.

307
00:14:04,499 —> 00:14:06,751
They've been in there,
like, half an hour.

308

a lot of famous actors

56
00:02:10,484 —> 00:02:12,283
get their start
doing bad movies?

57
00:02:12,285 —> 00:02:14,786
Okay, I don't think Meryl Streep
ever had to say...

58
00:02:14,788 —> 00:02:16,588
(deep voice):
"Must keep gorilla hands

59
00:02:16,590 —> 00:02:18,790
from killing again!"

60
00:02:21,327 —> 00:02:22,894
If she did, it would be amazing.

61
00:02:22,896 —> 00:02:25,697
That woman can do no wrong.

62

00:02:26,766 —> 00:02:29,100

I-I don't know anything

about show business,

63

00:02:29,102 —> 00:02:31,836

so if you think it's reasonable

to turn down paid work

64

00:02:31,838 —> 00:02:33,204

and just burn through

your savings,

65

00:02:33,206 —> 00:02:34,839

I'm sure you know

what you're doing.

66

00:02:40,346 —> 00:02:43,081

I think we're gonna go.

67

00:02:43,083 —> 00:02:44,082

SHELDON:

Are you sure?

68

00:02:44,084 —> 00:02:46,618

We were making fun

of failed careers.

69

00:02:46,620 —> 00:02:49,587

We didn't get to tap

the juicy vein that is Howard's.

70

00:02:50,589 —> 00:02:53,692

Hey, I work

at the same university you do.

71

00:02:53,694 —> 00:02:56,027

Yes, and Hawkeye's

in the Avengers,

72

00:02:56,029 —> 00:02:58,730

but no one ever says,

"Help, Hawkeye!"

73

00:02:59,999 —> 00:03:01,833

Can I ask you

something?

74
00:03:01,835 —> 00:03:04,502
Why do you constantly feel
the need to put down my husband?

75
00:03:04,504 —> 00:03:05,537
PENNY:
Oh, I'm sure

76
00:03:05,539 —> 00:03:06,638
he does it out of love.

77
00:03:06,640 —> 00:03:08,673
The same way my boyfriend
makes me feel terrible

78
00:03:08,675 —> 00:03:11,476
about my life choices.

79
00:03:12,678 —> 00:03:15,480
I think we're gonna go.

80

00:03:15,482 —> 00:03:17,515

No, no, no. This is not a fight.

81

00:03:17,517 —> 00:03:20,585

I-I was just excited that

someone offered you a part

82

00:03:20,587 —> 00:03:22,220

and a little surprised

that you'd rather sit at home

83

00:03:22,222 —> 00:03:23,955

and do nothing than take it.

84

00:03:27,960 —> 00:03:29,694

Now it's a fight.

85

00:03:30,496 —> 00:03:32,464

Well, with

that sorted out,

86

00:03:32,466 —> 00:03:34,532

I'm happy to answer your
question, Bernadette.

87
00:03:34,534 —> 00:03:35,867
Howard started it.

88
00:03:35,869 —> 00:03:39,070
I didn't do anything.
I was just sitting here.

89
00:03:39,072 —> 00:03:40,238
I wasn't referring
to this evening.

90
00:03:40,240 —> 00:03:42,474
Ten years ago,
upon first seeing me,

91
00:03:42,476 —> 00:03:45,176
your husband claimed
that I looked like C-3PO

92
00:03:45,178 —> 00:03:47,545

and Pee-wee Herman.

93
00:03:49,115 —> 00:03:52,484
And he called me
C-3P-wee Herman.

94
00:03:54,453 —> 00:03:56,855
(chuckles, sighs)
Still funny.

95
00:03:56,857 —> 00:03:58,056
(chuckles)

96
00:03:59,458 —> 00:04:01,459
That was ten years ago.

97
00:04:01,461 —> 00:04:04,162
Nine years, 11 months
and three weeks ago,

98
00:04:04,164 —> 00:04:07,398
he followed that up by replacing
the slides for my lecture

99

00:04:07,400 —> 00:04:10,902

with photographs

of nude fat women bending over.

100

00:04:11,737 —> 00:04:13,538

Really?

101

00:04:13,540 —> 00:04:15,874

The lecture was

on cosmic gas clouds.

102

00:04:15,876 —> 00:04:17,408

That's funny!

103

00:04:19,145 —> 00:04:21,746

I was there. It was funny.

104

00:04:25,718 —> 00:04:28,653

In any event, that began

a decade-long progression

105

00:04:28,655 —> 00:04:32,457
of insults, pranks and
unwanted magazine subscriptions.

106
00:04:32,459 —> 00:04:34,759
To this day,
I still get a monthly copy

107
00:04:34,761 —> 00:04:37,328
of Granny on Granny.

108
00:04:38,664 —> 00:04:40,398
Which, other than its
surprisingly fun puzzle page,

109
00:04:40,400 —> 00:04:41,866
is complete filth.

110
00:04:44,804 —> 00:04:47,505
Thanks for walking me
to my car.

111
00:04:47,507 —> 00:04:49,808

Actually,

it's for both of us.

112

00:04:49,810 —> 00:04:51,342

Last night, I watched

West Side Story,

113

00:04:51,344 —> 00:04:54,345

and I'm a little freaked out

by street gangs.

114

00:04:54,347 —> 00:04:56,648

Why can't Raj find a girl?

115

00:04:56,650 —> 00:04:59,617

The mystery continues.

116

00:04:59,619 —> 00:05:02,353

I don't appreciate

your sarcasm,

117

00:05:02,355 —> 00:05:05,790

but we've still got two blocks

to go, so I'll put up with it.

118

00:05:06,859 —> 00:05:09,160

Whatever happened with

your online dating?

119

00:05:09,162 —> 00:05:12,630

(sighs) No one was writing me back, so

I stopped checking my profile.

120

00:05:12,632 —> 00:05:15,300

Before I met Sheldon,

I was ready to give up, too.

121

00:05:15,302 —> 00:05:17,368

Once, I even dropped

in on my OB/GYN

122

00:05:17,370 —> 00:05:20,338

just to get some

human contact.

123

00:05:20,340 —> 00:05:24,275

It has been a while
since I got my prostate checked.

124
00:05:24,277 —> 00:05:27,879
Then I met Sheldon and
look at where we are now.

125
00:05:27,881 —> 00:05:31,716
What? You've kissed, like,
once in three years.

126
00:05:32,651 —> 00:05:35,486
That's true.
Do whatever you want.

127
00:05:37,489 —> 00:05:38,756
Hey.

128
00:05:38,758 —> 00:05:40,058
Hello.

129
00:05:40,060 —> 00:05:42,527
Listen, I was thinking

130

00:05:42,529 —> 00:05:47,098

you and I could probably try

to be better friends.

131

00:05:47,100 —> 00:05:48,366

Really?

132

00:05:48,368 —> 00:05:51,669

I was thinking

what we have now is a bit much.

133

00:05:54,640 —> 00:05:59,444

Seriously, I was talking

to Bernadette last night and...

134

00:05:59,446 —> 00:06:01,412

she made some great points.

135

00:06:01,414 —> 00:06:04,382

You and I have known each other

a long time,

136

00:06:04,384 —> 00:06:08,653

and I didn't hear the rest

'cause she took her bra off.

137

00:06:10,890 —> 00:06:13,157

Very well.

(clears throat)

138

00:06:13,159 —> 00:06:15,326

How do you propose

we move forward?

139

00:06:15,328 —> 00:06:19,764

Uh, for starters, we could stop

insulting each other.

140

00:06:19,766 —> 00:06:21,232

That's a great idea.

141

00:06:21,234 —> 00:06:23,568

And in the spirit

of our new arrangement,

142

00:06:23,570 —> 00:06:27,338

I will mask my surprise

that you came up with it.

143

00:06:31,377 —> 00:06:34,479

Anyway, I got invited

to do a little talk at NASA

144

00:06:34,481 —> 00:06:36,114

in Houston this weekend.

145

00:06:36,116 —> 00:06:38,316

They gave me two tickets.

Bernadette can't go.

146

00:06:38,318 —> 00:06:39,817

You want to come with me?

147

00:06:39,819 —> 00:06:41,452

You can visit

your mom,

148

00:06:41,454 —> 00:06:43,721
and I'll show you
around the space center.

149
00:06:43,723 —> 00:06:46,724
I have one question.

150
00:06:46,726 —> 00:06:48,693
Is this a prank...

151
00:06:48,695 —> 00:06:50,662
where we land in Houston

152
00:06:50,664 —> 00:06:52,363
and you've made up
wanted posters

153
00:06:52,365 —> 00:06:55,333
that have my face with
a mustache and a Spanish name

154
00:06:55,335 —> 00:06:59,003
and then I get arrested

and deported to South America?

155
00:06:59,005 —> 00:07:01,139
No.

156
00:07:01,141 —> 00:07:03,808
I'm glad because I would not
have seen that coming.

157
00:07:07,546 —> 00:07:09,847
Amy, I could use
some help.

158
00:07:09,849 —> 00:07:11,516
Oh. Let me guess.
There's an...

159
00:07:11,518 —> 00:07:12,951
undergrad in a leather jacket

160
00:07:12,953 —> 00:07:15,320
snapping his fingers
by the water fountain.

161

00:07:16,221 —> 00:07:19,557

I thought about

what you said last night,

162

00:07:19,559 —> 00:07:21,125

and I went back

on the dating Web site

163

00:07:21,127 —> 00:07:22,927

and I was looking

at this girl's profile.

164

00:07:22,929 —> 00:07:24,929

She's amazing.

165

00:07:24,931 —> 00:07:27,498

Oh, she's cute.

166

00:07:27,500 —> 00:07:29,400

And smart. Phi Beta Kappa.

167

00:07:29,402 —> 00:07:30,902
And judging by her lack
of Adam's apple,

168
00:07:30,904 —> 00:07:33,438
she's been female
her entire life.

169
00:07:35,741 —> 00:07:38,543
I like that in a woman.

170
00:07:38,545 —> 00:07:41,379
Great,
so what do you need me for?

171
00:07:41,381 —> 00:07:42,947
Well, I was up all night trying
to write to her,

172
00:07:42,949 —> 00:07:44,482
but I wanted
to run it by you first.

173

00:07:44,484 —> 00:07:46,784
All right.
(clears throat)

174
00:07:47,619 —> 00:07:50,221
"Emily,

175
00:07:50,223 —> 00:07:53,424
your face is like
a precious dew-kissed flower..."

176
00:07:53,426 —> 00:07:55,059
Wow.

177
00:07:55,061 —> 00:07:57,528
I know.
Powerful stuff, huh?

178
00:07:57,530 —> 00:07:59,263
No.

179
00:07:59,265 —> 00:08:01,532
You're supposed to be yourself,

not all...

180
00:08:01,534 —> 00:08:03,501
desperate and creepy.

181
00:08:03,503 —> 00:08:07,205
Okay, I'm getting
some mixed messages here.

182
00:08:07,207 —> 00:08:10,975
Just say something normal
like, "I saw your profile.

183
00:08:10,977 —> 00:08:13,578
"Looks like we have a
lot in common; let's get

184
00:08:13,580 —> 00:08:16,547
a cup of coffee sometime."
Yes. "Where I can be

185
00:08:16,549 —> 00:08:20,318
jealous of the cup

touching your ruby lips."

186
00:08:22,154 —> 00:08:23,721
Or you just write it for me.

187
00:08:23,723 —> 00:08:25,289
I'm not gonna pretend to be you.

188
00:08:25,291 —> 00:08:26,858
I don't want you
to pretend to be me.

189
00:08:26,860 —> 00:08:29,060
You can be like my,
uh, online wingman.

190
00:08:29,062 —> 00:08:31,963
Like if we met her at a bar
and you talked me up.

191
00:08:31,965 —> 00:08:33,965
Well, what would I say to her?

192

00:08:33,967 —> 00:08:36,300

Just tell her

what I'm really like.

193

00:08:36,302 —> 00:08:39,570

And, if you think

it'll help,

194

00:08:39,572 —> 00:08:42,106

that you saw me changing once

and my package reminded you

195

00:08:42,108 —> 00:08:44,642

of the muscular tail

of a jaguar.

196

00:08:49,715 —> 00:08:52,183

Use your own words.

197

00:08:54,953 —> 00:08:57,655

Thanks again for taking me

to the pharmacy.

198

00:08:57,657 —> 00:08:59,957

Oh, it's no problem.

Is everything okay?

199

00:08:59,959 —> 00:09:01,659

Oh, I'm fine.

It's just some, uh,

200

00:09:01,661 —> 00:09:03,795

stomach medication for my trip.

201

00:09:03,797 —> 00:09:06,731

There's the remote

yet distinct possibility

202

00:09:06,733 —> 00:09:10,301

that I may end up

in South America.

203

00:09:11,470 —> 00:09:13,704

Remember the old days when I

would've said something dumb

204

00:09:13,706 —> 00:09:15,673

like "Why?"

205

00:09:15,675 —> 00:09:17,341

(clanking)

206

00:09:17,343 —> 00:09:19,544

(rhythmic whirring)

207

00:09:20,379 —> 00:09:22,213

Uh, that doesn't

sound good.

208

00:09:22,215 —> 00:09:25,083

Remember the old days

when I used to point out

209

00:09:25,085 —> 00:09:27,452

that your check engine light

was on?

210

00:09:28,120 —> 00:09:29,921

Yes.

Well, get ready

211

00:09:29,923 —> 00:09:32,390

to stroll down memory lane:

Penny, your check engine...

212

00:09:32,392 —> 00:09:34,025

Yeah, I know it's on, Sheldon!

213

00:09:34,027 —> 00:09:38,296

Oh, no, no, no, no, no.

I cannot afford this right now.

214

00:09:38,298 —> 00:09:40,231

Maybe it's just something minor.

215

00:09:40,233 —> 00:09:41,399

(engine clanks, sputters out)

216

00:09:41,401 —> 00:09:43,568

(steam hissing)

217

00:09:48,574 —> 00:09:50,842

Ooh, good news,

the light just went out.

218

00:10:00,475 —> 00:10:02,542

Are we playing

individual or teams?

219

00:10:02,544 —> 00:10:03,710

Teams are fun.

220

00:10:03,712 —> 00:10:05,812

Oh, in that case,

I'd like to be partnered

221

00:10:05,814 —> 00:10:07,347

with my good friend Howard.

222

00:10:07,349 —> 00:10:09,416

But I'm always on Howard's team.

223

00:10:09,418 —> 00:10:10,350

We're best friends.

224
00:10:10,352 —> 00:10:14,021
The kind who finish
each others...

225
00:10:16,691 —> 00:10:18,659
I really don't think
we do tha...

226
00:10:18,661 —> 00:10:19,926
...do that! See?

227
00:10:21,763 —> 00:10:23,764
Oh, hi.
Oh, how'd it go

228
00:10:23,766 —> 00:10:24,998
at the mechanic?

229
00:10:25,000 —> 00:10:26,600
Not great. Can I talk to you
for a sec?

230

00:10:26,602 —> 00:10:28,902

Yeah, sure.

231

00:10:28,904 —> 00:10:31,538

Maybe I can go with you

guys to Houston?

232

00:10:31,540 —> 00:10:33,573

Isn't it a little late

to get plane tick...

233

00:10:33,575 —> 00:10:35,609

...plane tickets? Yeah.

234

00:10:35,611 —> 00:10:37,711

Will you please sto...

235

00:10:37,713 —> 00:10:39,546

...stop that? Okay.

236

00:10:39,548 —> 00:10:41,782

PENNY:

I don't know what to do.

237

00:10:41,784 —> 00:10:44,284

My car threw a rod

and it's totaled.

238

00:10:44,286 —> 00:10:46,119

I can't afford a new one,

I have no job,

239

00:10:46,121 —> 00:10:47,487

and now I can't drive

to auditions.

240

00:10:47,489 —> 00:10:48,455

I'm so sorry.

241

00:10:48,457 —> 00:10:51,091

I know it's

a sensitive subject,

242

00:10:51,093 —> 00:10:53,460

but can you reconsider
that part in the movie?

243
00:10:53,462 —> 00:10:55,495
I did. I called them.
The part's gone.

244
00:10:55,497 —> 00:10:57,030
They gave it to someone else.

245
00:10:57,032 —> 00:10:59,066
Now that girl's gonna get
discovered and become famous

246
00:10:59,068 —> 00:11:02,302
and go on Letterman and talk
about how she got her big break

247
00:11:02,304 —> 00:11:03,603
on a cheap monkey movie

248
00:11:03,605 —> 00:11:06,840
all because some dumb girl

thought it was beneath her.

249
00:11:06,842 —> 00:11:10,277
At least they talked
about you on Letterman.

250
00:11:12,113 —> 00:11:15,015
Come on, I can drive you
wherever you need to go.

251
00:11:15,017 —> 00:11:17,084
How? Unlike me,
you have a job.

252
00:11:17,086 —> 00:11:19,953
I'm just gonna have to go back
to being a waitress... - Oh.

253
00:11:19,955 —> 00:11:22,589
(crying): ...like I will be
for the rest of my life.

254
00:11:22,591 —> 00:11:24,091

Leonard, would you wrap it up?

255

00:11:24,093 —> 00:11:25,759

We're waiting on you.

256

00:11:25,761 —> 00:11:27,994

I'm sorry, is the fact

that my life's falling apart

257

00:11:27,996 —> 00:11:29,663

interfering

with your board game?

258

00:11:29,665 —> 00:11:32,265

It is.

259

00:11:34,102 —> 00:11:36,236

You were wrong, friend Howard.

260

00:11:36,238 —> 00:11:38,438

She completely understood.

261

00:11:40,975 —> 00:11:42,509
(knocking)

262
00:11:42,511 —> 00:11:43,710
Hey, you busy?

263
00:11:43,712 —> 00:11:44,911
No. What's up?

264
00:11:44,913 —> 00:11:46,880
Have you heard
back from Emily?

265
00:11:46,882 —> 00:11:48,014
I have.

266
00:11:48,016 —> 00:11:49,182
Great! And?

267
00:11:49,184 —> 00:11:50,584
And I'm afraid

268

00:11:50,586 —> 00:11:52,853
she doesn't think
you're right for her.

269
00:11:54,655 —> 00:11:57,624
I give you
one simple thing to do—

270
00:11:57,626 —> 00:12:00,761
contact a complete stranger and
make her fall in love with me—

271
00:12:00,763 —> 00:12:02,562
and you blow it!

272
00:12:02,564 —> 00:12:05,799
I told her
what a good guy you are, but

273
00:12:05,801 —> 00:12:07,868
she thought it
was a bad sign

274

00:12:07,870 —> 00:12:09,870
that you didn't write
to her yourself.

275
00:12:09,872 —> 00:12:13,807
She thought it made you seem
too shy and passive.

276
00:12:13,809 —> 00:12:15,675
I'm not too shy and passive.

277
00:12:15,677 —> 00:12:18,311
You write her back
and tell her I said that.

278
00:12:18,313 —> 00:12:21,381
You know,
when you have a second.

279
00:12:21,383 —> 00:12:24,885
Look, I'll see if I can change
her mind tomorrow night.

280

00:12:24,887 —> 00:12:26,520
What's happening tomorrow night?

281
00:12:26,522 —> 00:12:28,054
I'm meeting her for coffee.

282
00:12:28,056 —> 00:12:29,489
What?!

283
00:12:29,491 —> 00:12:31,558
Well, we just... we e-mailed
back and forth a bit,

284
00:12:31,560 —> 00:12:33,059
and we kind of
hit it off.

285
00:12:33,061 —> 00:12:35,343
I find a girl I like,
and you're stealing her?!

286
00:12:35,368 —> 00:12:35,963
No.

287

00:12:35,964 —> 00:12:37,831

We just ended up

having a lot in common.

288

00:12:37,833 —> 00:12:39,933

We went to Harvard,

we like Chaucer,

289

00:12:39,935 —> 00:12:42,669

we're both hardcore

into quilting.

290

00:12:45,373 —> 00:12:47,407

Your words fall like acid rain

291

00:12:47,409 —> 00:12:49,643

on the wounded petals

of my heart.

292

00:12:51,913 —> 00:12:53,547

That's Sheldon.

293

00:12:53,549 —> 00:12:55,515

He says he'll be down

in a minute.

294

00:12:55,517 —> 00:12:57,517

What are you doing?

295

00:12:57,519 —> 00:13:00,153

Oh, he's not coming out

until he sees proof

296

00:13:00,155 —> 00:13:02,722

you don't have an air freshener

in your car.

297

00:13:03,758 —> 00:13:06,726

This is gonna be a long weekend

for you.

298

00:13:06,728 —> 00:13:09,396

You're the reason I'm doing it!

I said

299

00:13:09,398 —> 00:13:10,764

to stop insulting each other.

300

00:13:10,766 —> 00:13:13,867

I didn't tell you to take him

on a romantic getaway.

301

00:13:13,869 —> 00:13:16,670

How do I know

what you said?

302

00:13:16,672 —> 00:13:19,739

Damn you and your

noise-cancelling breasts.

303

00:13:21,142 —> 00:13:22,609

(car door opens)

304

00:13:22,611 —> 00:13:23,743

Hello.

305

00:13:23,745 —> 00:13:25,445

Hi.

Hey, buddy.

306

00:13:25,447 —> 00:13:27,547

(car door closes)

You excited for Texas?

307

00:13:27,549 —> 00:13:29,883

Oh, very much so.

308

00:13:29,885 —> 00:13:32,953

It's not every day you get to

tour NASA with a real astronaut.

309

00:13:32,955 —> 00:13:36,089

(gasps)

Who's the real astronaut?

310

00:13:37,558 —> 00:13:39,659

Buzz Aldrin.

311

00:13:39,661 —> 00:13:42,095

Oh. Yay!

312

00:13:45,399 —> 00:13:48,702

(bell dings)

313

00:13:54,208 —> 00:13:55,909

Howard?

314

00:13:55,911 —> 00:13:57,944

Howard?

315

00:13:57,946 —> 00:14:00,146

Howard?

316

00:14:01,849 —> 00:14:03,817

What now?

317

00:14:03,819 —> 00:14:06,119

I have to go

to the bathroom.

318

00:14:06,121 —> 00:14:07,654

You just went

to the bathroom.

319
00:14:07,656 —> 00:14:10,357
I didn't use it because
it didn't seem safe.

320
00:14:10,359 —> 00:14:14,461
Despite all my e-mails, the
toilet didn't have a seatbelt.

321
00:14:15,830 —> 00:14:17,764
Well, it still doesn't.

322
00:14:17,766 —> 00:14:19,299
I realize that,

323
00:14:19,301 —> 00:14:22,969
but safety concerns went out
the window two apple juices ago.

324
00:14:22,971 —> 00:14:25,071
Fine.

325

00:14:26,307 —> 00:14:28,441

Why are you

getting annoyed?

326

00:14:28,443 —> 00:14:31,011

I'm trying to be

a better friend,

327

00:14:31,013 —> 00:14:34,581

but you constantly say

and do irritating things.

328

00:14:34,583 —> 00:14:36,683

Like when?

When?!

329

00:14:36,685 —> 00:14:37,984

How about in the car?

330

00:14:37,986 —> 00:14:40,320

I'm an astronaut,

and you know it.

331

00:14:40,322 —> 00:14:43,356

You just don't like admitting

it, because you're jealous.

332

00:14:45,593 —> 00:14:48,561

Well, truth be told,

333

00:14:48,563 —> 00:14:51,164

as a child, I did dream

of going to space.

334

00:14:51,166 —> 00:14:53,133

Those astronauts

were my heroes.

335

00:14:53,135 —> 00:14:55,268

And...

336

00:14:55,270 —> 00:14:58,471

when you got to go,

it was hard for me.

337

00:14:59,340 —> 00:15:01,341
Thank you.

338
00:15:01,343 —> 00:15:03,443
Because it made me
realize they'll just

339
00:15:03,445 —> 00:15:05,645
send anyone up there.

340
00:15:06,948 —> 00:15:08,949
Aren't you going
to let me out?

341
00:15:08,951 —> 00:15:09,459
No.

342
00:15:09,484 —> 00:15:11,385
But I still need
to use the bathroom.

343
00:15:11,386 —> 00:15:14,654
Here you go. Be creative.

344

00:15:14,656 —> 00:15:16,022

(rumbling)

345

00:15:16,024 —> 00:15:17,390

(gasps)

346

00:15:17,392 —> 00:15:20,126

What's the matter?

Scared of a little turbulence?

347

00:15:20,128 —> 00:15:23,430

No, turbulence is

just the equalization

348

00:15:23,432 —> 00:15:25,532

of diurnal temperature

variations in the atmosphere.

349

00:15:25,534 —> 00:15:27,334

I'm not scared at all.

350

00:15:27,336 —> 00:15:28,702
(rumbling)

351
00:15:28,704 —> 00:15:30,937
Oh, apple juice,
stay where you are.

352
00:15:31,772 —> 00:15:33,373
Oh, this is nothing.

353
00:15:33,375 —> 00:15:35,041
I experienced way worse

354
00:15:35,043 —> 00:15:37,043
when I was plummeting
back to Earth,

355
00:15:37,045 —> 00:15:39,579
apparently not being
a real astronaut.

356
00:15:39,581 —> 00:15:41,915
(rumbling)

357

00:15:41,917 —> 00:15:44,884

Okay, that was a big one.

358

00:15:44,886 —> 00:15:46,987

I take it back. I'm

scared of turbulence!

359

00:15:46,989 —> 00:15:48,888

I'm gonna need

that bag back.

360

00:15:48,890 —> 00:15:51,524

(rumbling continues)

361

00:15:52,693 —> 00:15:54,194

You sure you want

to do this?

362

00:15:54,196 —> 00:15:56,629

Yeah. Why wouldn't I want

to get my old job back?

363

00:15:56,631 —> 00:15:58,098

It'll be fun to see everyone.

364

00:15:58,100 —> 00:16:00,066

I haven't talked to them

since I said,

365

00:16:00,068 —> 00:16:02,535

"I quit. See you

at the Oscars, bitches."

366

00:16:03,504 —> 00:16:05,638

Come on, let's just

get this over with.

367

00:16:05,640 —> 00:16:06,873

"Let's get this over with."

368

00:16:06,875 —> 00:16:08,808

Am I driving you

to the Cheesecake Factory,

369

00:16:08,810 —> 00:16:10,276
or are we having sex?

370
00:16:11,379 —> 00:16:13,680
I'm just... I'm trying
to lighten the mood.

371
00:16:13,682 —> 00:16:15,515
I know. Thank you.
Sorry.

372
00:16:15,517 —> 00:16:17,117
It's just so
humiliating.

373
00:16:17,119 —> 00:16:18,251
So humiliating?

374
00:16:18,253 —> 00:16:20,253
Am I driving you to
the Cheesecake Factory...?

375
00:16:20,255 —> 00:16:22,322

I'm sorry.

I'll-I'll stop. I'll stop.

376

00:16:25,204 —> 00:16:26,671

Come on, don't

look so sad.

377

00:16:26,673 —> 00:16:28,139

You never know

what's gonna happen.

378

00:16:28,141 —> 00:16:30,575

Maybe tonight will be great.

Sweetie, I know you're trying

379

00:16:30,577 —> 00:16:32,911

to make me feel better,

and I love you for that,

380

00:16:32,913 —> 00:16:36,748

but it's making me feel worse,

and I kind of hate you.

381

00:16:36,750 —> 00:16:39,517
This isn't your car.

382
00:16:39,519 —> 00:16:42,987
I know. I thought
we'd take yours.

383
00:16:44,323 —> 00:16:46,491
I don't understand.

384
00:16:47,693 —> 00:16:49,994
It's nothing fancy,
but it'll get you to auditions,

385
00:16:49,996 —> 00:16:53,598
and at least for now, you don't
have to go back to waitressing.

386
00:16:55,034 —> 00:16:57,535
I don't know what to say.

387
00:16:57,537 —> 00:17:00,171
Don't say anything.

388

00:17:00,173 —> 00:17:02,240

Oh, my God.

389

00:17:02,242 —> 00:17:04,542

I mean, you could say,

"Thank you."

390

00:17:04,544 —> 00:17:06,644

I did just buy you a car.

391

00:17:07,480 —> 00:17:09,948

Mmm.

392

00:17:11,083 —> 00:17:13,251

Look, I admit

that it's odd

393

00:17:13,253 —> 00:17:15,420

that Rajesh didn't

write to you himself,

394

00:17:15,422 —> 00:17:17,188
but if you get to know him,

395
00:17:17,190 —> 00:17:19,457
you'll see
he's just a sweet, regular guy.

396
00:17:19,459 —> 00:17:22,694
As a counterpoint, here he is,
uninvited and visibly sweaty.

397

00:05:30,520 —> 00:05:32,520

That is so sweet.

143

00:05:32,522 —> 00:05:34,288

I've seen old pictures of you.

144

00:05:34,290 —> 00:05:36,057

You were never a fat kid.

145

00:05:36,059 —> 00:05:37,825

No, I was svelte as a gazelle.

146

00:05:39,528 —> 00:05:42,430

A gazelle blessed with a flair

for storytelling.

147

00:05:42,432 —> 00:05:44,732

(dramatic music plays)

148

00:05:46,135 —> 00:05:48,870

Hey, what about this?

It looks like a receipt.

149

00:05:48,872 —> 00:05:49,804

What's it for?

150

00:05:49,806 —> 00:05:50,905

For a cup of coffee.

151

00:05:50,907 —> 00:05:52,907
But it's dated
20 years from now.

152
00:05:52,909 —> 00:05:54,342
From the future?!

153
00:05:54,344 —> 00:05:56,511
How fun and imaginative.

154
00:05:57,913 —> 00:06:00,448
So one of us came back
from the future

155
00:06:00,450 —> 00:06:02,216
to murder Stuart?
Correct.

156
00:06:02,218 —> 00:06:04,118
Does the gazelle with a flair
for storytelling

157
00:06:04,120 —> 00:06:06,654

know he's just ripping off
Terminator?

158
00:06:06,656 —> 00:06:09,123
Does the smart-ass know
that Terminator was actually

159
00:06:09,125 —> 00:06:10,858
ripped off from an Outer Limits
script called

160
00:06:10,860 —> 00:06:13,027
Demon With a Glass Hand,
by Harlan Ellison?

161
00:06:13,029 —> 00:06:16,330
Oh, does the gazelle know that
according to Harlan Ellison,

162
00:06:16,332 —> 00:06:18,733
it was not ripped off
from Demon With a Glass Hand,

163

00:06:18,735 —> 00:06:21,335
but was ripped off from another
Outer Limits script

164
00:06:21,337 —> 00:06:22,937
he wrote called The Soldier?

165
00:06:22,939 —> 00:06:25,173
I'm gonna need
another clue.

166
00:06:28,610 —> 00:06:30,144
Okay...

167
00:06:30,146 —> 00:06:32,113
give me
the flowers and pie.

168
00:06:32,115 —> 00:06:34,215
But if we show up
and you're holding them,

169
00:06:34,217 —> 00:06:36,150

she'll think

they're only from you.

170

00:06:36,152 —> 00:06:37,552

They are only from me.

171

00:06:37,554 —> 00:06:40,521

You said the gift

of you was enough.

172

00:06:40,523 —> 00:06:42,990

Yes... but now

173

00:06:42,992 —> 00:06:44,725

that I've seen

what the gift of me

174

00:06:44,727 —> 00:06:46,127

with flowers and pie looks like,

175

00:06:46,129 —> 00:06:47,662

there's no going back.

176

00:06:49,431 —> 00:06:53,000

Boy, I can't wait to see

the look on her face...

177

00:06:53,002 —> 00:06:54,202

We're leaving right now.

178

00:06:54,204 —> 00:06:55,369

What's wrong?

Nothing.

179

00:06:55,371 —> 00:06:57,772

What? Sheldon, tell me

what's going on!

180

00:06:57,774 —> 00:06:59,173

I saw my mommy with a naked man

181

00:06:59,175 —> 00:07:00,808

and she was trying

to be a mommy again.

182

00:07:13,552 —> 00:07:15,453

You ready to talk about it?

183

00:07:15,455 —> 00:07:17,588

I'm not nearly drunk enough.

184

00:07:20,092 —> 00:07:23,194

Okay.

185

00:07:25,166 —> 00:07:27,134

Do you have any idea

what it's like to see

186

00:07:27,136 —> 00:07:29,069

your mother ravaging someone?

187

00:07:29,071 —> 00:07:32,506

Does a brisket count?

188

00:07:35,376 —> 00:07:37,544

I'm sorry, buddy, that's rough.

189

00:07:37,546 —> 00:07:39,045
But didn't she know
we were coming?

190
00:07:39,047 —> 00:07:40,046
No.

191
00:07:40,048 —> 00:07:41,915
I wanted to surprise her.

192
00:07:41,917 —> 00:07:45,018
What am I supposed to say to
her after something like this?

193
00:07:45,020 —> 00:07:46,853
Well, did she see you
in the window?

194
00:07:46,855 —> 00:07:47,954
No.

195
00:07:47,956 —> 00:07:49,055
Then don't say anything.

196

00:07:49,057 —> 00:07:51,258

I have to.

197

00:07:51,260 —> 00:07:54,027

How can we ever hope to have

a healthy relationship

198

00:07:54,029 —> 00:07:56,429

if I don't tell her

how disappointed I am,

199

00:07:56,431 —> 00:07:58,798

and that I'll never forgive her?

200

00:07:58,800 —> 00:08:01,868

Well, don't do it on the phone.

201

00:08:01,870 —> 00:08:03,370

No, I'm just going

to tell her I'm coming

202

00:08:03,372 —> 00:08:06,740
so she can give that Good
Time Charlie the heave-ho.

203
00:08:06,742 —> 00:08:08,508
That's some tough talk.

204
00:08:08,510 —> 00:08:10,143
I may need to cut you off.

205
00:08:11,179 —> 00:08:12,279
Yeah, maybe you better.

206
00:08:12,281 —> 00:08:14,481
I took a pretty big sip.

207
00:08:17,585 —> 00:08:20,187
Look, she's a grown woman.

208
00:08:20,189 —> 00:08:23,857
And-and your dad's been
gone a long time.

209

00:08:23,859 —> 00:08:26,793

Maybe this is

none of your business.

210

00:08:26,795 —> 00:08:28,762

I beg to differ.

211

00:08:28,764 —> 00:08:31,231

I used to live in

those genitals.

212

00:08:32,867 —> 00:08:34,668

And if someone wants

to move into my old room,

213

00:08:34,670 —> 00:08:36,102

I should at least get a vote.

214

00:08:40,708 —> 00:08:42,909

KOOTHRAPPALI:

Okay, murder suspects,

215

00:08:42,911 —> 00:08:45,912
Leonard has found the time
machine the killer must've used.

216
00:08:45,914 —> 00:08:47,047
You're all inside it,

217
00:08:47,049 —> 00:08:49,683
and we hurtle
through the very fabric of time.

218
00:08:49,685 —> 00:08:52,953
(electronic
sound effects playing)

219
00:08:57,592 —> 00:09:01,094
And welcome
to 20 years in the future.

220
00:09:02,830 —> 00:09:04,731
Hey, you guys
just time-traveled.

221

00:09:04,733 —> 00:09:07,334
Stop looking so bored.

222
00:09:07,336 —> 00:09:09,803
Well, my beer isn't flat
and my rack's not saggy.

223
00:09:09,805 —> 00:09:11,938
So far, the future's great.

224
00:09:13,107 —> 00:09:16,176
Hey, can I go to the bathroom?

225
00:09:16,178 —> 00:09:18,345
Fine, just try not
to look too alive.

226
00:09:18,347 —> 00:09:19,446
That's my jam.

227
00:09:22,250 —> 00:09:25,252
So one of us went back
in time to kill Stuart?

228

00:09:25,254 —> 00:09:26,353

But why?

229

00:09:26,355 —> 00:09:28,188

Perhaps this will help.

230

00:09:28,190 —> 00:09:29,289

Here are some facts

231

00:09:29,291 —> 00:09:32,926

about yourselves in the future

232

00:09:32,928 —> 00:09:35,996

that might contain a clue.

233

00:09:35,998 —> 00:09:36,997

Hey, I-I won

234

00:09:36,999 —> 00:09:38,965

the Nobel Prize in physiology.

235

00:09:38,967 —> 00:09:41,701

Then I used the money to buy

Stuart's comic book store,

236

00:09:41,703 —> 00:09:45,438

and close it down so Sheldon

would pay attention to me.

237

00:09:47,642 —> 00:09:50,410

Not the worst idea.

238

00:09:51,579 —> 00:09:54,147

Hey, I'm a famous actress

living in London.

239

00:09:54,149 —> 00:09:56,082

Hmm! I'm a professor at Stanford.

Hmm!

240

00:09:56,084 —> 00:09:57,984

So I guess you two are

making it work long distance.

241

00:09:57,986 —> 00:09:59,252

KOOTHRAPPALI:

Oh, no.

242

00:09:59,254 —> 00:10:01,521

In this game,

as your careers both took off,

243

00:10:01,523 —> 00:10:02,355

you drifted apart.

244

00:10:02,357 —> 00:10:04,057

Kind of like how future me

245

00:10:04,059 —> 00:10:06,326

lost touch with you guys

after I became boy toy

246

00:10:06,328 —> 00:10:09,963

for the wrinkled,

but still flexible, Madonna.

247

00:10:11,198 —> 00:10:13,533
What does
your card say, Bernadette?

248
00:10:13,535 —> 00:10:14,634
LEONARD:
Eh, eh, eh, hang on.

249
00:10:14,636 —> 00:10:16,636
Do-do you think
we'd really drift apart

250
00:10:16,638 —> 00:10:18,204
if we both became successful?

251
00:10:18,206 —> 00:10:19,673
Of course not.

252
00:10:19,675 —> 00:10:21,341
If I became a famous actress
and had to move,

253
00:10:21,343 —> 00:10:22,776

you would just come with me.

254
00:10:24,111 —> 00:10:26,379
But if I get a chance
to be a tenured professor,

255
00:10:26,381 —> 00:10:28,948
I might not have that much
choice in where I end up.

256
00:10:28,950 —> 00:10:30,784
Yeah, but if I become
a successful actress,

257
00:10:30,786 —> 00:10:32,352
we wouldn't need the money.

258
00:10:32,354 —> 00:10:35,388
Well, you don't go
into science for the money.

259
00:10:35,390 —> 00:10:36,389
Speak for yourself.

260

00:10:36,391 —> 00:10:38,358

Last month,

my company both invented

261

00:10:38,360 —> 00:10:41,361

and cured

Restless Eye Syndrome.

262

00:10:43,698 —> 00:10:46,466

Ka-ching,

ya blinky chumps.

263

00:10:48,002 —> 00:10:50,003

So, wait, if my career

took me somewhere else,

264

00:10:50,005 —> 00:10:51,404

you might not go?

265

00:10:51,406 —> 00:10:52,872

Well...

266

00:10:52,874 —> 00:10:54,874

(sings dramatic stinger)

267

00:10:55,843 —> 00:10:58,511

He started it.

268

00:10:58,513 —> 00:11:01,047

Okay, okay, guys—

new back stories.

269

00:11:01,049 —> 00:11:04,184

Uh, Penny and Leonard,

you two lovebirds are

270

00:11:04,186 —> 00:11:06,453

super successful

and living in New York.

271

00:11:06,455 —> 00:11:08,254

Uh, you're an actress,

you're a professor

272

00:11:08,256 —> 00:11:09,756
and you have
three beautiful kids.

273
00:11:09,758 —> 00:11:10,790
Great.

274
00:11:10,792 —> 00:11:11,925
Really? You think I'm putting

275
00:11:11,927 —> 00:11:13,426
this body through three kids?

276
00:11:15,963 —> 00:11:17,864
Okay, let's do this.

277
00:11:17,866 —> 00:11:18,898
Good luck.

278
00:11:18,900 —> 00:11:20,033
You...

279

00:11:20,035 —> 00:11:21,701
Aren't you gonna come with me?

280
00:11:21,703 —> 00:11:24,204
While you confront your mother
about her sex life?

281
00:11:24,206 —> 00:11:27,774
I'd rather go back to that bar
in ass-less chaps.

282
00:11:33,414 —> 00:11:35,482
Mother?

283
00:11:35,484 —> 00:11:36,883
Mother.

284
00:11:36,885 —> 00:11:38,351
Mother?

285
00:11:38,353 —> 00:11:41,254
Shelly!
I'm so glad you're here!

286

00:11:41,256 —> 00:11:43,223

I saw you having naked sex.

287

00:11:46,060 —> 00:11:47,594

What are you talking about?

288

00:11:47,596 —> 00:11:49,796

Earlier, I came here

to surprise you.

289

00:11:49,798 —> 00:11:52,799

I looked in the window

and I saw you with a man.

290

00:11:52,801 —> 00:11:55,635

Oh, Shelly, I'm so sorry.

291

00:11:55,637 —> 00:11:57,270

Come in.

292

00:11:59,573 —> 00:12:00,907

Um...

293

00:12:00,909 —> 00:12:03,410

Maybe we should sit down

294

00:12:03,412 —> 00:12:05,111

and talk about this.

295

00:12:05,113 —> 00:12:07,380

Can you recommend a surface

296

00:12:07,382 —> 00:12:09,549

you haven't had coitus on?

297

00:12:11,452 —> 00:12:13,953

That's not funny.

298

00:12:16,957 —> 00:12:19,559

Maybe we should sit

at the table.

299

00:12:26,934 —> 00:12:29,135

Well, I'm sure that, uh,

300

00:12:29,137 —> 00:12:31,471

you...

301

00:12:31,473 —> 00:12:33,473

have a lot of questions.

302

00:12:33,475 —> 00:12:35,575

Who was he?

303

00:12:35,577 —> 00:12:36,543

His name is Ron.

304

00:12:36,545 —> 00:12:38,611

I met him at my prayer group.

305

00:12:39,613 —> 00:12:41,481

How long have you been

involved with him?

306

00:12:41,483 —> 00:12:42,682

A few months.

307
00:12:42,684 —> 00:12:44,684
And of those few months,

308
00:12:44,686 —> 00:12:48,121
how long have you been
a demented sex pervert?

309
00:12:51,058 —> 00:12:53,593
That is no way
to speak to your mother.

310
00:12:53,595 —> 00:12:55,161
Perhaps not.

311
00:12:55,163 —> 00:12:57,997
But it is a way to speak
to a woman who quoted the Bible

312
00:12:57,999 —> 00:13:00,066
to me my whole life,
and then desecrates

313

00:13:00,068 —> 00:13:02,936

one of Ethan Allen's

finest sofas.

314

00:13:02,938 —> 00:13:05,171

I will give you one opportunity,

315

00:13:05,173 —> 00:13:06,306

young man, to apologize.

316

00:13:06,308 —> 00:13:08,675

Or what?

317

00:13:08,677 —> 00:13:09,909

Or I will send you to your room.

318

00:13:09,911 —> 00:13:12,178

That's ridiculous.

319

00:13:12,180 —> 00:13:13,947

I am a grown man.

320

00:13:13,949 —> 00:13:15,782

I am a professional scientist.

321

00:13:15,784 —> 00:13:18,218

And I currently occupy

the moral high ground.

322

00:13:18,220 —> 00:13:19,252

Go to your room.

323

00:13:20,788 —> 00:13:24,624

But I occupy

the moral high ground.

324

00:13:24,626 —> 00:13:25,825

Go to your room.

325

00:13:25,827 —> 00:13:28,862

But I'm

a professional scientist.

326

00:13:28,864 —> 00:13:31,631
Go... to your room!

327
00:13:36,036 —> 00:13:38,371
I'm a grown man.

328
00:13:40,808 —> 00:13:42,742
Can we please get back
to the game?

329
00:13:42,744 —> 00:13:43,843
I-I-In a minute.

330
00:13:43,845 —> 00:13:45,311
I-I-I don't understand
why any success

331
00:13:45,313 —> 00:13:47,313
you have in acting
is more important

332
00:13:47,315 —> 00:13:49,082
than any I have in science.

333

00:13:49,084 —> 00:13:51,117

Okay, if you do

something cool in science,

334

00:13:51,119 —> 00:13:52,385

you might change the world.

335

00:13:52,387 —> 00:13:53,520

If I become

336

00:13:53,522 —> 00:13:55,221

a famous actress...

337

00:13:55,223 —> 00:13:57,524

I'm not gonna tell you

why movie stars are the best.

338

00:13:57,526 —> 00:13:59,158

They just are.

339

00:14:00,361 —> 00:14:02,962

I'm surprised you guys never
talked about this stuff.

340
00:14:02,964 —> 00:14:05,198
Like you and Sheldon have
everything figured out?

341
00:14:05,200 —> 00:14:06,299
Actually,

342
00:14:06,301 —> 00:14:07,267
our relationship agreement

343
00:14:07,269 —> 00:14:09,469
covers a wide array
of scenarios,

344
00:14:09,471 —> 00:14:12,038
including career changes,
financial instability,

345
00:14:12,040 —> 00:14:14,474
intelligent dog uprising...

346

00:14:15,175 —> 00:14:16,943

FYI, we plan on selling out

347

00:14:16,945 —> 00:14:19,112

the human race hard.

348

00:14:22,049 —> 00:14:25,018

In 20 years, who knows

what'll happen with any of us?

349

00:14:25,020 —> 00:14:27,487

I think you and Leonard

will be together.

350

00:14:27,489 —> 00:14:29,055

You do?

Yeah.

351

00:14:29,057 —> 00:14:31,224

I think you're

the best couple I know.

352

00:14:31,226 —> 00:14:32,825

Aw.

That's so sweet.

353

00:14:32,827 —> 00:14:35,228

What the hell?!

Excuse me?

354

00:14:35,230 —> 00:14:36,195

Ah-da-da-da-da!

355

00:14:36,197 —> 00:14:38,164

Let the dead man talk.

356

00:14:39,266 —> 00:14:40,400

So, why do you think that?

357

00:14:40,402 —> 00:14:42,201

Uh, well, I feel like

358

00:14:42,203 —> 00:14:45,271

you guys make each

other better.

359
00:14:45,273 —> 00:14:47,106
Penny brought Leonard
out of his shell.

360
00:14:47,108 —> 00:14:48,341
And it seems like Leonard

361
00:14:48,343 —> 00:14:50,443
makes Penny think more
deeply about the world.

362
00:14:50,445 —> 00:14:51,611
I don't know.

363
00:14:51,613 —> 00:14:54,681
Together, you two kind of
make one awesome person.

364
00:14:54,683 —> 00:14:56,883
Aw, Stuart.

365

00:14:56,885 —> 00:14:59,419

Now I feel bad

for murdering you.

366

00:14:59,421 —> 00:15:02,121

Oh, come on!

367

00:15:02,123 —> 00:15:03,590

Penny did it! I win!

368

00:15:03,592 —> 00:15:06,559

Suck it, jackasses!

369

00:15:10,564 —> 00:15:12,198

(knocking on door)

370

00:15:12,200 —> 00:15:14,867

Hey, can I come in?

371

00:15:14,869 —> 00:15:16,803

Apparently any man

is welcome in this house.

372

00:15:16,805 —> 00:15:18,938

Why not you?

373

00:15:20,741 —> 00:15:22,375

I thought you were waiting

in the car.

374

00:15:22,377 —> 00:15:24,377

That was an hour ago, Sheldon.

375

00:15:24,379 —> 00:15:26,980

A Jew sits in front of a house

in Texas that long,

376

00:15:26,982 —> 00:15:29,115

"For Sale" signs

start to go up.

377

00:15:31,986 —> 00:15:35,421

I take it things didn't

go smoothly with your mom.

378

00:15:35,423 —> 00:15:37,790

No.

379

00:15:37,792 —> 00:15:40,927

I'm not sure how we're going

to get past this.

380

00:15:40,929 —> 00:15:42,128

You know, I...

381

00:15:42,130 —> 00:15:44,797

I sort of went

through something

382

00:15:44,799 —> 00:15:46,599

like this myself.

383

00:15:46,601 —> 00:15:49,268

Howard, we've all seen

your mother naked.

384

00:15:51,572 —> 00:15:53,973

That woman needs to learn
how to tie a robe.

385
00:15:53,975 —> 00:15:57,543
I'm talking about when
my mom started seeing someone

386
00:15:57,545 —> 00:15:59,846
a couple years
after my dad left.

387
00:15:59,848 —> 00:16:02,682
I didn't know she did.

388
00:16:02,684 —> 00:16:06,252
Yeah, she was dating this guy,

389
00:16:06,254 —> 00:16:10,189
and I was kind of a jerk
to her about it.

390
00:16:10,191 —> 00:16:12,458
What did you do?

391

00:16:12,460 —> 00:16:14,527

Well, let's just say

it was the most vicious

392

00:16:14,529 —> 00:16:17,664

bar mitzvah speech in

the history of Temple Beth El.

393

00:16:18,632 —> 00:16:21,834

Anyway, she broke up with him.

394

00:16:21,836 —> 00:16:23,803

And she's basically

395

00:16:23,805 —> 00:16:26,039

been alone ever since.

396

00:16:27,174 —> 00:16:30,677

She never said it,

but I always felt

397

00:16:30,679 —> 00:16:33,880
I was the reason why.

398
00:16:33,882 —> 00:16:34,847
I'm sorry.

399
00:16:34,849 —> 00:16:36,315
Although,
based on your story,

400
00:16:36,317 —> 00:16:40,253
you absolutely
were the reason why.

401
00:16:41,188 —> 00:16:43,356
All I'm saying is
you might not want

402
00:16:43,358 —> 00:16:46,726
to get in the way
of your mom's happiness.

403
00:16:48,328 —> 00:16:50,563

You may have a point.

404

00:16:50,565 —> 00:16:53,399

I love my mother.

405

00:16:53,401 —> 00:16:57,537

Even if she fornicates

like a demonic weasel.

406

00:17:01,508 —> 00:17:04,510

And the healing begins.

407

00:17:08,882 —> 00:17:09,916

Hello.

408

00:17:09,918 —> 00:17:10,950

Hello.

409

00:17:10,952 —> 00:17:12,285

Are you ready to discuss

410

00:17:12,287 —> 00:17:14,020

this calmly, like adults?

411
00:17:14,022 —> 00:17:16,556
I am.

412
00:17:28,836 —> 00:17:32,038
Shelly, I'm sorry that
you saw what you saw.

413
00:17:32,040 —> 00:17:34,373
I know that this
is hard for you.

414
00:17:34,375 —> 00:17:36,709
I think what most upsets me
about it, Mother,

415
00:17:36,711 —> 00:17:38,478
is the hypocrisy.

416
00:17:38,480 —> 00:17:40,446
Doesn't this contradict

417

00:17:40,448 —> 00:17:43,649

all the religious rules you've

been espousing your whole life?

418

00:17:43,651 —> 00:17:45,151

You're right, it does,

and it's something

419

00:17:45,153 —> 00:17:47,453

that I'm struggling

with these days.

420

00:17:47,455 —> 00:17:49,155

Then why are you doing it?

421

00:17:49,157 —> 00:17:51,991

Because I'm not

perfect, Shelly.

422

00:17:51,993 —> 00:17:54,961

And that man's booty is.

423

00:18:00,033 —> 00:18:03,870
Well, this is confusing for me.

424
00:18:03,872 —> 00:18:06,372
But I don't want to stand
in the way of your happiness.

425
00:18:06,374 —> 00:18:08,341
So...

426
00:18:08,343 —> 00:18:11,010
I'll condemn you internally
while maintaining

427
00:18:11,012 —> 00:18:13,946
an outward appearance
of acceptance.

428
00:18:15,048 —> 00:18:18,518
That is very Christian of you.

429
00:18:20,788 —> 00:18:22,722
Mother, if you're going

to conduct your life

430
00:18:22,724 —> 00:18:25,124
in this fashion,
then I should let you know

431
00:18:25,126 —> 00:18:28,294
that the world has changed
since you were a young woman.

432
00:18:28,296 —> 00:18:29,662
You know,
it's not all sock hops,

433
00:18:29,664 —> 00:18:33,466
soda jerks
and segregation anymore.

434
00:18:33,468 —> 00:18:37,036
How old do you think I am?

435
00:18:37,038 —> 00:18:40,706
My point is that you're going

to need to be careful.

436
00:18:40,708 —> 00:18:42,041
You used to be protected

437
00:18:42,043 —> 00:18:44,811
by your pre-Enlightenment
mythology,

438
00:18:44,813 —> 00:18:47,513
but now you're going
to need a stronger friend

439
00:18:47,515 —> 00:18:50,550
named latex.

440
00:18:51,752 —> 00:18:55,755
Are you having the
sex talk with me?

441
00:18:55,757 —> 00:18:57,089
Well, someone has to.

442

00:18:57,091 —> 00:18:59,625

Oh, dear Lord!

Yeah, well...

443

00:18:59,627 —> 00:19:02,195

No, don't look to Him.

He's mad at you right now.

444

00:19:12,162 —> 00:19:13,763

Oh, come on, don't pout.

445

00:19:13,765 —> 00:19:15,465

I'm sorry I ruined your game.

446

00:19:15,467 —> 00:19:17,633

I'm not pouting, I'm brooding.

447

00:19:17,635 —> 00:19:20,837

Which is how sexy men pout.

448

00:19:22,406 —> 00:19:24,173

It actually was kind of fun.

449

00:19:24,175 —> 00:19:25,274

You're just saying that.

450

00:19:25,276 —> 00:19:27,410

Yeah.

451

00:19:30,014 —> 00:19:31,981

I liked the time travel element.

452

00:19:31,983 —> 00:19:34,183

Thank you.

I thought it was inspired.

453

00:19:34,185 —> 00:19:35,952

It was. By Terminator.

454

00:19:37,254 —> 00:19:38,654

Well, I hope 20 years from now,

455

00:19:38,656 —> 00:19:39,856

we really are all still together

456

00:19:39,858 —> 00:19:40,857

and still friends.

457

00:19:40,859 —> 00:19:42,291

Definitely.

Of course.

458

00:19:42,293 —> 00:19:43,626

Well, hey, how about this?

459

00:19:43,628 —> 00:19:46,129

Whether we're friends,

not friends,

460

00:19:46,131 —> 00:19:47,797

scattered around the world,

no matter what,

461

00:19:47,799 —> 00:19:49,932

let's all promise to meet

in front of this building

462

00:19:49,934 —> 00:19:52,235

exactly 20 years

from tonight at 8:00 p.m.

463

00:19:52,237 —> 00:19:53,903

and have dinner

like we always do.

464

00:19:53,905 —> 00:19:55,171

PENNY:

Aw! I love it.

465

00:19:55,173 —> 00:19:56,205

Okay?

466

00:19:56,207 —> 00:19:57,273

Putting it

in my phone right now.

467

00:19:57,275 —> 00:19:58,474

Yeah, me, too.

468

00:19:59,777 —> 00:20:02,078
My phone doesn't
have a calendar.

469
00:20:06,383 —> 00:20:08,618
It's all right, I'll just
write it on my hand.

470
00:20:10,854 —> 00:20:12,955
And it's done.

471
00:20:12,957 —> 00:20:14,290
Yup, we're all in.

472
00:20:14,292 —> 00:20:16,225
All right, I'll see you guys
in 20 years.

473
00:20:24,285 —> 00:20:25,986
I knew it.

S07EP19: The Indecition Amalgamation

1

00:00:04,194 —> 00:00:07,996
Boy, do I have to urinate.

2
00:00:07,998 —> 00:00:11,566
If only there were a solution
to that.

3
00:00:11,568 —> 00:00:15,437
Seriously. I feel like I've got
a fish tank in my pelvis.

4
00:00:16,272 —> 00:00:18,039
So go to the bathroom.

5
00:00:18,041 —> 00:00:19,307
I can't.

6
00:00:19,309 —> 00:00:21,810
Why not?

7
00:00:21,812 —> 00:00:23,445
Because I'm trying to decide
between getting

8

00:00:23,447 —> 00:00:26,081

an Xbox One or a PS4.

9

00:00:27,150 —> 00:00:30,685

Oh, "pee." Why'd I say that?

10

00:00:31,587 —> 00:00:33,955

Forgive me for asking

a stupid question,

11

00:00:33,957 —> 00:00:36,024

but why are you being stupid?

12

00:00:36,893 —> 00:00:38,593

I'm not being stupid.

13

00:00:38,595 —> 00:00:41,630

I'm employing the work

of Dutch researcher, Mirjam Tuk,

14

00:00:41,632 —> 00:00:45,567

who found that people with full
bladders make better decisions.

15
00:00:45,569 —> 00:00:49,304
Why did I pee before I decided
to move in here?

16
00:00:49,306 —> 00:00:51,106
(door opens)

17

So it's a family film.

190

00:07:46,198 —> 00:07:47,698

Thank you again for dinner.

191

00:07:47,700 —> 00:07:48,899

You're welcome.

192

00:07:48,901 —> 00:07:51,001

Good night.

Uh,

193
00:07:51,003 —> 00:07:52,403
it's date night.

194
00:07:52,405 —> 00:07:56,073
Aren't you, uh,
forgetting something?

195
00:07:56,075 —> 00:07:58,475
Oh, of course.

196
00:08:04,983 —> 00:08:09,253
Did I mention
the PS4 controllers light up?

197
00:08:11,256 —> 00:08:13,257
No.

198
00:08:13,259 —> 00:08:16,093
Well, they do.

199

00:08:19,431 —> 00:08:21,632
And then after coffee,
we went for a walk

200
00:08:21,634 —> 00:08:23,767
and she told me she always
thought people from India

201
00:08:23,769 —> 00:08:25,402
were exotic
and mysterious.

202
00:08:25,404 —> 00:08:28,505
So, with my mouth, I said,
"We're just like anybody else,"

203
00:08:28,507 —> 00:08:29,840
but with my eyes, I said,

204
00:08:29,842 —> 00:08:32,343
"Straight up, Red,
hop on my flying carpet."

205

00:08:34,746 —> 00:08:37,248
So, you gonna
see her again?

206
00:08:37,250 —> 00:08:38,616
Yeah, we have plans
this weekend.

207
00:08:38,618 —> 00:08:39,883
And if it's a clear night,

208
00:08:39,885 —> 00:08:42,786
I'm gonna lay
some romantic astronomy on her.

209
00:08:43,622 —> 00:08:45,322
Okay, like what?
Show me.

210
00:08:45,324 —> 00:08:47,191
I can't do that to Leonard.

211
00:08:47,193 —> 00:08:50,828

This is some powerful
panty-dropping stuff.

212
00:08:52,230 —> 00:08:54,832
You have my blessing. Go for it.

213
00:08:54,834 —> 00:08:57,868
Okay.
(clears throat)

214
00:08:57,870 —> 00:09:00,137
Penny,

215
00:09:00,139 —> 00:09:03,507
two of the brightest stars
in the night sky

216
00:09:03,509 —> 00:09:05,476
are Altair and Vega.

217
00:09:05,478 —> 00:09:08,679
And it is said
they were deeply in love

218

00:09:08,681 —> 00:09:10,481

but forever

separated

219

00:09:10,483 —> 00:09:12,950

by the celestial river

of the Milky Way.

220

00:09:12,952 —> 00:09:14,818

Oh, that's sad.

It is.

221

00:09:14,820 —> 00:09:17,121

But once a year,

222

00:09:17,123 —> 00:09:20,291

on the seventh day

of the seventh month,

223

00:09:20,293 —> 00:09:24,895

Vega cries so hard that all

the magpies in the world fly up

224

00:09:24,897 —> 00:09:26,864

and create a bridge

with their wings

225

00:09:26,866 —> 00:09:28,899

so the two lovers

can be together

226

00:09:28,901 —> 00:09:30,834

for a single night

227

00:09:30,836 —> 00:09:32,803

of passion.

228

00:09:32,805 —> 00:09:36,206

Wow.

229

00:09:37,842 —> 00:09:39,910

Okay, that's enough.

230

00:09:43,248 —> 00:09:46,083

Quick poll: PS4 or Xbox One?

231

00:09:46,085 —> 00:09:47,351

Raj.

232

00:09:47,353 —> 00:09:48,752

Uh, Xbox One.

Penny.

233

00:09:48,754 —> 00:09:49,787

Huh?

234

00:09:49,789 —> 00:09:52,122

Leonard.

PS4.

235

00:09:52,124 —> 00:09:54,024

Wolowitz.

Both great.

236

00:09:54,026 —> 00:09:56,694

Bernadette.

I like the Wii.

237

00:09:58,063 —> 00:10:00,197

Thanks, Grandma.

238

00:10:02,834 —> 00:10:05,169

Oh, my goodness.

What's up?

239

00:10:05,171 —> 00:10:07,771

I just got an e-mail

from my ex-girlfriend Lucy.

240

00:10:07,773 —> 00:10:10,307

She... misses me

and wants to get together.

241

00:10:10,309 —> 00:10:12,710

Two women at

the same time?

242

00:10:12,712 —> 00:10:15,512

Nice job, playa!

243

00:10:16,348 —> 00:10:18,082

Really?

244

00:10:19,184 —> 00:10:22,453

Was it the "two women"

thing or the "playa"?

245

00:10:23,021 —> 00:10:24,755

It was the "playa".

246

00:10:33,339 —> 00:10:35,006

What am I

supposed to do?

247

00:10:35,008 —> 00:10:37,642

How am I supposed to choose

between Emily and Lucy?

248

00:10:37,644 —> 00:10:40,078

Why do you have to choose?

Date both of them.

249

00:10:40,080 —> 00:10:42,180
KOOTHRAPPALI:
I can't date two women at once.

250
00:10:42,182 —> 00:10:44,416
Zero women—
that's my sweet spot.

251
00:10:44,418 —> 00:10:46,685
PENNY:
Unless you're sleeping

252
00:10:46,687 —> 00:10:49,220
with one of them, seeing
other people isn't a big deal.

253
00:10:49,222 —> 00:10:50,889
But what if one of them asks me

254
00:10:50,891 —> 00:10:52,557
what I was up to
the night before

255

00:10:52,559 —> 00:10:55,193
and I was with the other one?
Then, what, do I lie?

256
00:10:55,195 —> 00:10:56,761
Yes.
Yes.

257
00:10:59,031 —> 00:11:00,899
What do you mean, yes?

258
00:11:00,901 —> 00:11:02,567
What do you mean, yes?

259
00:11:02,569 —> 00:11:04,736
Were you seeing other women
when we started dating?

260
00:11:04,738 —> 00:11:06,404
No. Were you
seeing other men?

261
00:11:06,406 —> 00:11:07,339

No.

262
00:11:07,341 —> 00:11:09,007
Were you seeing
other men?

263
00:11:09,009 —> 00:11:10,675
No.

264
00:11:14,647 —> 00:11:16,815
Aren't you gonna ask me?

265
00:11:19,518 —> 00:11:21,820
Come on, really?

266
00:11:24,090 —> 00:11:26,191
Thank you so much
for letting us pick your brain.

267
00:11:26,193 —> 00:11:27,292
Yeah, happy to help.

268

00:11:27,294 —> 00:11:29,594
So, what's going on?
Well, I'm having

269
00:11:29,596 —> 00:11:31,529
an impossible time getting
my career off the ground,

270
00:11:31,531 —> 00:11:33,798
and I got offered a role
in this crappy horror movie,

271
00:11:33,800 —> 00:11:35,934
and I just don't know
if I should take it.

272
00:11:35,936 —> 00:11:37,902
Well, I have
certainly taken some jobs

273
00:11:37,904 —> 00:11:39,337
that I've been embarrassed by.

274

00:11:39,339 —> 00:11:43,141
(scoffs) I wouldn't exactly
call Star Trek embarrassing.

275
00:11:44,176 —> 00:11:46,511
I wasn't.

276
00:11:48,280 —> 00:11:50,615
Me, either.

277
00:11:50,617 —> 00:11:52,951
So, what do you think,

278
00:11:52,953 —> 00:11:55,286
is there a professional
downside to doing it?

279
00:11:55,288 —> 00:11:56,655
Well, it's tricky.

280
00:11:56,657 —> 00:11:59,524
You want to take projects
that you're excited about,

281

00:11:59,526 —> 00:12:01,926

but sometimes you also

have to pay the bills.

282

00:12:01,928 —> 00:12:04,462

When you're on the set

working on something

283

00:12:04,464 —> 00:12:07,932

that you just know in your heart

is bad— not Star Trek...

284

00:12:07,934 —> 00:12:09,501

(stammers)

285

00:12:09,503 —> 00:12:13,138

(chuckling):

Yeah, beam me up. I love it!

286

00:12:14,306 —> 00:12:17,776

Anyway, those jobs

can be soul-crushing.

287

00:12:17,778 —> 00:12:19,310

That's what I'm afraid of.

288

00:12:19,312 —> 00:12:21,980

Well, I was in Stand By Me

when I was a kid,

289

00:12:21,982 —> 00:12:23,448

and it was a

huge success.

290

00:12:23,450 —> 00:12:25,850

The terrible movies I did

came after that.

291

00:12:25,852 —> 00:12:27,619

I mean, imagine how that feels.

292

00:12:27,621 —> 00:12:29,354

LEONARD:

Sounds rough.

293

00:12:29,356 —> 00:12:31,589

I'm telling you,

this business is brutal.

294

00:12:31,591 —> 00:12:34,626

To this day,

I hate going on auditions.

295

00:12:34,628 —> 00:12:36,494

Okay, I walk in,

and I can just

296

00:12:36,496 —> 00:12:39,030

feel them thinking...

297

00:12:39,032 —> 00:12:42,867

"He was such a cute kid.

What happened to him?"

298

00:12:45,037 —> 00:12:46,571

And then I don't get the job,

299

00:12:46,573 —> 00:12:49,307
and I can never
find out why.

300
00:12:50,476 —> 00:12:53,545
Honestly, I get so depressed,
there are entire weeks

301
00:12:53,547 —> 00:12:56,681
that I can't even
get out of bed.

302
00:12:58,384 —> 00:13:00,652
Okay, this was helpful.

303
00:13:04,156 —> 00:13:06,858
Any news on your coworker
who's in the hospital?

304
00:13:06,860 —> 00:13:09,661
Poor thing, she was
in surgery for 18 hours.

305

00:13:09,663 —> 00:13:12,130
She's alive, but she's
still in critical condition.

306
00:13:12,132 —> 00:13:13,264
Oh, no.

307
00:13:13,266 —> 00:13:15,333
The one bit of good news
is they put her

308
00:13:15,335 —> 00:13:17,469
in a medically induced coma
before she read the card.

309
00:13:17,471 —> 00:13:19,871
So, you know,
silver linings.

310
00:13:22,875 —> 00:13:26,010
Were you like this
when I married you?

311

00:13:28,180 —> 00:13:30,515
Don't worry
about it, buddy.

312
00:13:30,517 —> 00:13:32,650
Okay, bye.

313
00:13:32,652 —> 00:13:34,285
That was Wil—
he's feeling a lot better.

314
00:13:34,287 —> 00:13:37,956
Apparently, he's 12-down in
the TV Guide crossword puzzle.

315
00:13:39,692 —> 00:13:41,726
Did he help you make a decision
about the movie?

316
00:13:41,728 —> 00:13:42,927
No. Did you figure out

317
00:13:42,929 —> 00:13:44,896

what you're gonna do
about the two girls?

318
00:13:44,898 —> 00:13:46,231
As a matter of fact, I did.

319
00:13:46,233 —> 00:13:47,699
I've spent
so many years

320
00:13:47,701 —> 00:13:50,735
living in fear,
saying no to new experiences,

321
00:13:50,737 —> 00:13:52,036
but from now on,

322
00:13:52,038 —> 00:13:53,805
I'm gonna say yes—
yes to love,

323
00:13:53,807 —> 00:13:56,307
yes to adventure, yes to life;

whatever it may be,

324
00:13:56,309 —> 00:13:58,009
the answer's going to be yes.

325
00:13:58,844 —> 00:14:00,478
He's gonna die alone, right?

326
00:14:00,480 —> 00:14:02,013
Yeah.
Yes.

327
00:14:04,483 —> 00:14:06,151
I'm proud of
you, Sheldon.

328
00:14:06,153 —> 00:14:07,919
You know, I'm proud of me, too.

329
00:14:07,921 —> 00:14:11,623
I've done all my research,
I conducted an informal poll,

330

00:14:11,625 —> 00:14:13,458

and I've arrived

at the rock-solid certainty

331

00:14:13,460 —> 00:14:14,793

I've made

the right choice.

332

00:14:14,795 —> 00:14:16,298

Well, that's got to be

a good feeling.

333

00:14:16,323 —> 00:14:17,930

Oh, it is.

334

00:14:17,931 —> 00:14:19,964

Although...

Oh, crap.

335

00:14:21,133 —> 00:14:24,836

I had the same feeling when

I made my dad buy a Betamax

336

00:14:24,838 —> 00:14:26,571

instead of a VHS.

337

00:14:26,573 —> 00:14:28,640

You were just a little kid.

338

00:14:28,642 —> 00:14:30,542

Yeah, a little kid

who picked the wrong format

339

00:14:30,544 —> 00:14:33,077

to record

The MacNeil/Lehrer Report.

340

00:14:34,146 —> 00:14:35,580

I also was certain

341

00:14:35,582 —> 00:14:38,449

that HD DVD would win out

over Blu-ray.

342

00:14:38,451 —> 00:14:40,718

How old were you then?

Old enough to know better.

343

00:14:42,688 —> 00:14:44,589

You know, and now that

I think about it,

344

00:14:44,591 —> 00:14:46,524

I stood in front of

a case of iPods

345

00:14:46,526 —> 00:14:49,460

and I bought a Zune.

346

00:14:50,963 —> 00:14:52,397

What's a Zune?

347

00:14:52,399 —> 00:14:54,332

Yeah, exactly.

348

00:14:55,401 —> 00:14:56,968

It's an MP3 player

349

00:14:56,970 —> 00:14:58,937

brought to us

by the makers of Xbox.

350

00:14:58,939 —> 00:15:01,239

What... no, what are you doing?

351

00:15:01,241 —> 00:15:02,440

No, no, pick

that back up.

352

00:15:02,442 —> 00:15:04,509

You know it's good.

You did the research.

353

00:15:04,511 —> 00:15:05,977

But what if I'm wrong?

354

00:15:05,979 —> 00:15:07,745

You know what?

355

00:15:07,747 —> 00:15:10,048

How about I buy
it for you?

356
00:15:10,050 —> 00:15:11,349
How about

357
00:15:11,351 —> 00:15:13,251
I buy you both?

358
00:15:13,253 —> 00:15:15,153
You know I only have
one slot available

359
00:15:15,155 —> 00:15:16,454
in my entertainment center.

360
00:15:16,456 —> 00:15:18,623
Then I'll buy you a new
entertainment center.

361

97
00:04:03,512 —> 00:04:05,713
(blows loudly)

98
00:04:06,915 —> 00:04:09,784
Hey, how's dating
two women going?

99
00:04:09,786 —> 00:04:11,786
Um, kind of hit a bump.

100
00:04:11,788 —> 00:04:14,889
When I was honest and told Emily
she wasn't the only person

101
00:04:14,891 —> 00:04:16,224
I was seeing, it went great.

102
00:04:16,226 —> 00:04:18,393
So I tried the same thing

with Lucy.

103
00:04:18,395 —> 00:04:19,627
And?

104
00:04:19,629 —> 00:04:22,597
She had mixed feelings.

105
00:04:22,599 —> 00:04:24,999
But when I said,
"Emily was cool with it.

106
00:04:25,001 —> 00:04:27,402
Emily's the best. Why can't you
be more like Emily?"...

107
00:04:29,238 —> 00:04:32,740
...those feelings
became less mixed.

108
00:04:33,942 —> 00:04:37,645
Women. Who knows
what'll set 'em off?

109

00:04:37,647 —> 00:04:41,582

At least now I can focus all

my energies on just one girl.

110

00:04:41,584 —> 00:04:43,584

I hope I get to meet her

as soon as possible.

111

00:04:43,586 —> 00:04:45,286

Why the rush?

She isn't going anywhere.

112

00:04:45,288 —> 00:04:47,922

(chuckles) She is. But I like

that attitude.

113

00:04:49,591 —> 00:04:53,461

Gentlemen, is anybody interested

in my old string theory books?

114

00:04:53,463 —> 00:04:55,196

You're really

going to do this?

115
00:04:55,198 —> 00:04:58,733
I am. Yeah, Penny pointed out
that what I'm going through

116
00:04:58,735 —> 00:04:59,934
is essentially a breakup.

117
00:04:59,936 —> 00:05:02,703
And according
to Cosmopolitan magazine,

118
00:05:02,705 —> 00:05:05,339
one of the most effective
techniques for moving on

119
00:05:05,341 —> 00:05:08,376
is to get rid of all reminders
of the relationship.

120
00:05:08,378 —> 00:05:10,378
You're reading Cosmo?

Yes.

121
00:05:10,380 —> 00:05:12,914
as it turns out,
there's an article,

122
00:05:12,916 —> 00:05:15,983
on how to get over a breakup
in literally every issue.

123
00:05:16,819 —> 00:05:18,219
Anyway,

124
00:05:18,221 —> 00:05:20,354
it suggests that I
set these on fire,

125
00:05:20,356 —> 00:05:22,457
but the smell of burning books

126
00:05:22,459 —> 00:05:25,660
reminds me of church picnics
in East Texas.

127

00:05:27,162 —> 00:05:29,163

What's this?

Oh,

128

00:05:29,165 —> 00:05:32,934

that's just a doodle of

a hyperelliptic Riemann surface.

129

00:05:32,936 —> 00:05:36,137

Oh, yeah. Wasn't that the basis

of your postdoc fellowship?

130

00:05:36,139 —> 00:05:37,371

It was.

131

00:05:37,373 —> 00:05:39,474

This seemed so elegant

at the time,

132

00:05:39,476 —> 00:05:40,641

but...

(chuckles)

133

00:05:40,643 —> 00:05:43,344

now I realize I was just

a simple country boy

134

00:05:43,346 —> 00:05:45,847

seduced by a big city theory

135

00:05:45,849 —> 00:05:48,683

with variables

in all the right places.

136

00:05:50,152 —> 00:05:52,453

It's going to be okay.

I know.

137

00:05:52,455 —> 00:05:54,689

As hard as this is,

I have to move on.

138

00:05:54,691 —> 00:05:57,525

I can't keep postulating

multidimensional entities

139

00:05:57,527 —> 00:05:59,327

and get nothing in return.

140

00:05:59,329 —> 00:06:01,095

(choking up):

I have needs, too.

141

00:06:06,068 —> 00:06:07,068

(sighs)

142

00:06:07,070 —> 00:06:08,769

So, you and Emily

still together?

143

00:06:08,771 —> 00:06:10,705

(Leonard and Wolowitz chuckle)

144

00:06:14,076 —> 00:06:16,043

(clanging, punching sounds

on TV)

145

00:06:16,045 —> 00:06:18,479
I spoke to Bernadette.
She's free tomorrow night.

146
00:06:18,481 —> 00:06:19,914
Oh, okay, great.

147
00:06:19,916 —> 00:06:22,183
But if we're really gonna do
a double date,

148
00:06:22,185 —> 00:06:24,619
then we have to go over
some ground rules about Emily.

149
00:06:24,621 —> 00:06:26,921
Like when it turns out
she's made of rubber,

150
00:06:26,923 —> 00:06:28,556
I don't say anything?

151
00:06:30,092 —> 00:06:32,026

She's very real.

152
00:06:32,028 —> 00:06:34,529
Oh, that's what it says
on the box.

153
00:06:35,697 —> 00:06:38,666
Right next to "dishwasher safe."

154
00:06:39,501 —> 00:06:40,501
See?

155
00:06:40,503 —> 00:06:41,836
This is exactly
the kind of thing

156
00:06:41,838 —> 00:06:43,571
I'm worried about you
saying in front of her.

157
00:06:43,573 —> 00:06:45,840
I promise I'll be
on my best behavior.

158

00:06:45,842 —> 00:06:49,377

You better be. No jokes about

how close I am with my dog.

159

00:06:49,379 —> 00:06:53,214

Or the truth about how close

I am with my dog.

160

00:06:53,216 —> 00:06:54,615

You got it.

161

00:06:54,617 —> 00:06:56,684

No jokes about the

year I took ballet.

162

00:06:56,686 —> 00:06:58,386

You took ballet?

163

00:06:59,221 —> 00:07:01,389

God, you never listen.

164

00:07:04,192 —> 00:07:06,360
Are you sure you
want to do this?

165
00:07:06,362 —> 00:07:08,829
The magazine articles suggest
that one of the ways

166
00:07:08,831 —> 00:07:11,432
to get over a breakup
is a new look.

167
00:07:11,434 —> 00:07:12,867
Mmm. What about your old look,

168
00:07:12,869 —> 00:07:15,603
well-groomed ventriloquist doll?

169
00:07:17,205 —> 00:07:20,441
"Oh, my God, I do look like that."
Stop it!

170
00:07:21,877 —> 00:07:25,046

So, how do you want me to cut it?
Oh,

171
00:07:25,048 —> 00:07:29,450
how about Bill Gates
meets Nikola Tesla?

172
00:07:30,252 —> 00:07:31,719
So, business in the front,

173
00:07:31,721 —> 00:07:33,621
science in the back.

174
00:07:33,623 —> 00:07:35,222
Or I don't cut it

175
00:07:35,224 —> 00:07:36,891
and maybe just style it
a little.

176
00:07:36,893 —> 00:07:38,559
Oh, I'm in
your hands.

177

00:07:38,561 —> 00:07:41,929

Do a good job and I'll tell you

Cosmo's ten dynamite tips

178

00:07:41,931 —> 00:07:44,265

to enjoy your PMS.

179

00:07:45,000 —> 00:07:46,267

Can you keep him quiet?

180

00:07:46,269 —> 00:07:47,835

Maybe jangle some keys

in front of him?

181

00:07:47,837 —> 00:07:49,036

That doesn't

work anymore.

182

00:07:49,038 —> 00:07:51,806

He just thinks I'm taking him

to the doctor.

183

00:07:53,008 —> 00:07:54,976

So, now that you're

no longer invested

184

00:07:54,978 —> 00:07:57,612

in string theory,

what are you gonna pursue?

185

00:07:57,614 —> 00:07:59,614

Oh, there are so

many exciting areas:

186

00:07:59,616 —> 00:08:02,650

black holes, dark matter...

Oh,

187

00:08:02,652 —> 00:08:04,118

Leonard was telling me

about dark matter,

188

00:08:04,120 —> 00:08:05,686

but I didn't

really understand it.

189

00:08:05,688 —> 00:08:08,756

Don't feel bad.

Neither does he.

190

00:08:12,127 —> 00:08:14,161

Okay...

191

00:08:14,163 —> 00:08:16,330

what do you think?

192

00:08:18,600 —> 00:08:21,268

Have you ever even seen

a picture of Tesla?

193

00:08:22,037 —> 00:08:23,804

It actually

looks good, Sheldon.

194

00:08:23,806 —> 00:08:26,007

Doesn't it?

Yeah.

195

00:08:26,009 —> 00:08:31,112

I suppose I could see myself

in a scientific boy band.

196

00:08:31,114 —> 00:08:33,514

Of course, I'd be the dreamy one

and the smart one.

197

00:08:33,516 —> 00:08:35,383

(door opens)

198

00:08:35,385 —> 00:08:36,951

Sorry I'm late.

199

00:08:37,719 —> 00:08:39,453

What did you do?

200

00:08:39,455 —> 00:08:41,722

I gave him a new look.

It's cute, huh?

201

00:08:41,724 —> 00:08:44,525

Yeah, it's cute.

That's the problem.

202

00:08:44,527 —> 00:08:46,827

I don't need other girls

to see him walking around

203

00:08:46,829 —> 00:08:48,963

like sex on a stick.

204

00:08:50,499 —> 00:08:53,634

She's right.

I'm too hot.

205

00:08:58,273 —> 00:08:59,874

I'm excited

to meet Emily.

206

00:08:59,876 —> 00:09:02,810

Me, too. I just hope

he doesn't blow it.

207

00:09:02,812 —> 00:09:04,745

Why would you
say that?

208
00:09:04,747 —> 00:09:08,516
Because he's Raj—
that's his thing. (chuckles)

209
00:09:08,518 —> 00:09:11,719
Beckham can bend it, Ralph
can wreck it, Raj can blow it.

210
00:09:13,055 —> 00:09:15,089
Look, I don't want it
to happen,

211
00:09:15,091 —> 00:09:17,825
but odds are he's gonna
find a way to...

212
00:09:18,660 —> 00:09:20,661
Oh, crap,
I know that girl.

213

00:09:20,663 —> 00:09:21,696
How?

214
00:09:21,698 —> 00:09:24,131
In a bad way, very bad.

215
00:09:24,133 —> 00:09:25,399
Hey, guys.

216
00:09:25,401 —> 00:09:27,001
Whatever you hear tonight,
just remember I love you.

217
00:09:27,003 —> 00:09:28,402
Hey!

218
00:09:36,788 —> 00:09:39,890
Emily, these are my good
friends, Howard and Bernadette.

219
00:09:39,892 —> 00:09:41,992
Guys, this is Emily.
Nice to meet you.

220

00:09:41,994 —> 00:09:43,193

Hi.

Hello.

221

00:09:43,195 —> 00:09:45,228

Have we met before?

222

00:09:45,997 —> 00:09:49,332

Uh... no.

(chuckles)

223

00:09:49,334 —> 00:09:50,133

I-I don't...

224

00:09:50,135 —> 00:09:51,868

I don't... think so.

225

00:09:51,870 —> 00:09:53,503

You sure? You look familiar.

226

00:09:53,505 —> 00:09:55,839

Well, you sure don't.

227

00:09:55,841 —> 00:09:57,741

You I know,

you I know, you?

228

00:09:57,743 —> 00:10:00,710

(stammers)

Total stranger.

229

00:10:00,712 —> 00:10:04,915

Even if you had yummy candy,

I would not get in your van.

230

00:10:04,917 —> 00:10:07,951

Did you go to that spin class

on Green Street?

231

00:10:07,953 —> 00:10:09,786

That must be it.

232

00:10:09,788 —> 00:10:12,122

Since when do you go

to spin class?

233
00:10:12,124 —> 00:10:14,457
Wow. Now who doesn't listen?

234
00:10:16,994 —> 00:10:18,495
Sheldon,
your food's getting cold.

235
00:10:18,497 —> 00:10:20,697
What are you doing?
Oh, looking through

236
00:10:20,699 —> 00:10:23,967
my textbooks
for a new field of inquiry.

237
00:10:23,969 —> 00:10:26,970
Why do we have a geology book?

238
00:10:26,972 —> 00:10:29,306
Leonard, did you throw

239

00:10:29,308 —> 00:10:31,808

a children's party

while I was in Texas?

240

00:10:32,910 —> 00:10:34,678

Wait. What's wrong with geology?

241

00:10:34,680 —> 00:10:37,213

Let me put this in a way

you'll understand, Penny.

242

00:10:37,215 —> 00:10:39,082

You remember

how you explained to me

243

00:10:39,084 —> 00:10:41,518

that the Kardashians

aren't real celebrities?

244

00:10:41,520 —> 00:10:43,153

Well, geology

245

00:10:43,155 —> 00:10:45,488
is the Kardashians of science.

246
00:10:46,490 —> 00:10:48,091
LEONARD:
Have you considered

247
00:10:48,093 —> 00:10:50,260
studying standard model physics?

248
00:10:50,262 —> 00:10:52,262
You want me
to give up string theory

249
00:10:52,264 —> 00:10:53,830
for something
that's less advanced?

250
00:10:53,832 —> 00:10:55,999
You know, why don't you break up
with Penny

251
00:10:56,001 —> 00:10:58,201

and start dating a brown bear?

252
00:10:59,470 —> 00:11:02,706
Like you could
get a brown bear.

253
00:11:02,708 —> 00:11:04,174
Hey, I've got a good job.

254
00:11:04,176 —> 00:11:06,376
I could buy salmon.
You don't know.

255
00:11:07,645 —> 00:11:09,612
Maybe you could make
your new field of study

256
00:11:09,614 —> 00:11:11,514
the calculation
of nuclear matrix elements.

257
00:11:11,516 —> 00:11:13,016
Oh, please.

258

00:11:13,018 —> 00:11:16,653

If I wanted to take up a fad,

I'd get a tramp stamp.

259

00:11:19,757 —> 00:11:21,891

What about loop quantum gravity?

260

00:11:21,893 —> 00:11:24,194

(in high-pitched, fancy British voice):

Oh, Duchess, look at me.

261

00:11:24,196 —> 00:11:27,030

My quantum gravity's

positively loopy.

262

00:11:28,432 —> 00:11:30,166

Who's the duchess?

263

00:11:30,168 —> 00:11:33,336

One of the people

that lives in his head.

264

00:11:33,338 —> 00:11:36,272

I hope he's this distraught

if he ever breaks up with me.

265

00:11:36,274 —> 00:11:39,042

Well, if he does, I'll see

if my bear has a friend.

266

00:11:41,278 —> 00:11:42,479

Sheldon, have you

ever considered

267

00:11:42,481 —> 00:11:43,546

not rushing into something new?

268

00:11:43,548 —> 00:11:45,181

I mean, why don't you

take your time,

269

00:11:45,183 —> 00:11:46,783

enjoy your freedom?

270

00:11:46,785 —> 00:11:50,186
Maybe something new
to study will find you.

271
00:11:51,288 —> 00:11:53,189
That's actually not bad advice.

272
00:11:53,191 —> 00:11:55,358
You know, I didn't seek out
string theory.

273
00:11:55,360 —> 00:11:57,961
It just hit me
over the head one day.

274
00:11:57,963 —> 00:11:59,662
How does that happen?

275
00:11:59,664 —> 00:12:01,765
A bully chased me through
the school library

276
00:12:01,767 —> 00:12:05,101

and hit me over the head with
the biggest book he could find.

277
00:12:06,837 —> 00:12:08,838
Okay, how about we toast
your newfound freedom?

278
00:12:08,840 —> 00:12:12,409
Ah, normally
I refrain from alcohol,

279
00:12:12,411 —> 00:12:15,678
but since my cerebral cortex is
twiddling its proverbial thumbs,

280
00:12:15,680 —> 00:12:17,480
why not soak it in grape juice

281
00:12:17,482 —> 00:12:19,949
that's been predigested
by a fungus?

282
00:12:21,152 —> 00:12:24,020

And you wonder why other
children beat you with books.

283
00:12:24,022 —> 00:12:25,522
Cheers!

284
00:12:28,059 —> 00:12:30,160
Emily, what
do you do?

285
00:12:30,162 —> 00:12:32,729
I'm a dermatology resident
at Huntington Hospital.

286
00:12:32,731 —> 00:12:34,597
Mmm, and you know
what that means.

287
00:12:34,599 —> 00:12:38,435
Someone's skin's about
to be softer than ever.

288
00:12:39,403 —> 00:12:40,837

This is making
me crazy.

289
00:12:40,839 —> 00:12:42,672
I know I know you
from somewhere.

290
00:12:42,674 —> 00:12:44,607
Oh, uh, Howard
was an astronaut.

291
00:12:44,609 —> 00:12:46,609
Maybe that's where you saw him.
Wow!

292
00:12:46,611 —> 00:12:48,078
That's amazing.

293
00:12:48,080 —> 00:12:49,379
What was that like?

294
00:12:49,381 —> 00:12:52,382
It was the most incredible

experience of my life.

295

00:12:52,384 —> 00:12:55,318

Up there

in the space station, you're...

296

00:12:55,320 —> 00:12:57,454

Oh, my God, I remember.

297

00:12:57,456 —> 00:13:00,490

Can I finish my astronaut story?

298

00:13:00,492 —> 00:13:01,991

It was four years ago.

299

00:13:01,993 —> 00:13:04,127

Please don't say it.

We were set up on a blind date.

300

00:13:04,129 —> 00:13:05,862

Please don't say it.

You came to my apartment.

301

00:13:05,864 —> 00:13:07,997

(whispers):

You're saying it.

302

00:13:07,999 —> 00:13:09,666

Well, wh-what happened?

303

00:13:09,668 —> 00:13:11,501

Yeah, what happened?

Okay, I'll say it.

304

00:13:11,503 —> 00:13:12,702

(clears his throat)

305

00:13:12,704 —> 00:13:16,072

I was on the way to pick her up.

306

00:13:16,074 —> 00:13:18,274

My stomach felt a little funny.

307

00:13:18,276 —> 00:13:21,644

When I got there, I asked

if I could use her bathroom.

308
00:13:21,646 —> 00:13:23,646
Please don't say it.

309
00:13:26,117 —> 00:13:28,685
One roll of toilet paper
and 20 minutes later,

310
00:13:28,687 —> 00:13:31,020
I was so humiliated,

311
00:13:31,022 —> 00:13:34,023
I snuck out the window
and never saw her again.

312
00:13:34,025 —> 00:13:35,992
You know what else
I never saw again—

313
00:13:35,994 —> 00:13:37,994
my security deposit.

314

00:13:37,996 —> 00:13:39,596

I'm sorry.

315

00:13:39,598 —> 00:13:42,765

I tried to unclog it,

but you didn't have a plunger,

316

00:13:42,767 —> 00:13:44,434

and water was

spilling out everywhere.

317

00:13:44,436 —> 00:13:46,369

Right, just water.

318

00:13:48,105 —> 00:13:50,540

Look, I have felt terrible

about this for years,

319

00:13:50,542 —> 00:13:52,275

and I'm glad

I have the opportunity

320

00:13:52,277 —> 00:13:54,911
to tell you
just how sorry I am.

321
00:13:54,913 —> 00:13:56,279
It's fine.

322
00:13:56,947 —> 00:13:58,548
All my friends love this story.

323
00:13:58,550 —> 00:14:00,783
They call you Clogzilla.

324
00:14:00,785 —> 00:14:02,652
KOOTHRAPPALI:
Get it?

325
00:14:02,654 —> 00:14:04,254
Because you clogged up
her bathroom

326
00:14:04,256 —> 00:14:05,822
like a radioactive monster!

327

00:14:05,824 —> 00:14:07,123

(both laughing)

328

00:14:07,125 —> 00:14:08,525

Yeah, yeah, I get it.

329

00:14:08,527 —> 00:14:09,692

Howie.

330

00:14:09,694 —> 00:14:11,161

Well, hey, it's not like

cotton candy

331

00:14:11,163 —> 00:14:12,529

comes out of you.

332

00:14:15,266 —> 00:14:16,633

Come on, let's

get you to bed.

333

00:14:16,635 —> 00:14:17,834

You've had a lot

to drink.

334

00:14:17,836 —> 00:14:19,302

No more than Penny.

335

00:14:19,304 —> 00:14:21,304

That's what I'm saying.

336

00:14:21,306 —> 00:14:23,573

Wait, wait, wait,

wait, wait.

337

00:14:24,708 —> 00:14:26,609

Empty room.

338

00:14:26,611 —> 00:14:28,278

Empty room.

339

00:14:28,280 —> 00:14:30,914

Empty room.

340

00:14:30,916 —> 00:14:33,316
If somebody says "Come in,"
I'm gonna freak out.

341
00:14:38,489 —> 00:14:40,023
So, Emily, why did you

342
00:14:40,025 —> 00:14:41,858
decide to specialize
in dermatology?

343
00:14:41,860 —> 00:14:43,960
I like cutting
people with knives,

344
00:14:43,962 —> 00:14:47,997
and all the other jobs where
you get to do that are illegal.

345
00:14:48,866 —> 00:14:50,266
You're kidding, right?

346
00:14:50,268 —> 00:14:51,568

(close-mouthed muttering)

347
00:14:51,570 —> 00:14:53,236
(laughs)

348
00:14:54,805 —> 00:14:56,539
She's scary,
but it's a cute scary.

349
00:14:56,541 —> 00:14:57,707
(laughter)

350
00:14:57,709 —> 00:14:59,976
Can I say just one more thing?

351
00:14:59,978 —> 00:15:02,946
I had some kind
of food poisoning that day.

352
00:15:02,948 —> 00:15:05,748
Sure, in retrospect,
gas station sushi—

353

00:15:05,750 —> 00:15:07,217

maybe not the best choice.

354

00:15:07,219 —> 00:15:09,118

Nor was climbing out

355

00:15:09,120 —> 00:15:10,186

your window and running away.

356

00:15:10,188 —> 00:15:11,654

But I think

we can all understand

357

00:15:11,656 —> 00:15:13,089

how humiliating that was,

and I'd really

358

00:15:13,091 —> 00:15:14,524

appreciate it

if we could move on.

359

00:15:14,526 —> 00:15:16,559

Howie, we moved on
a long time ago.

360
00:15:16,561 —> 00:15:18,962
I'm just saying...
We moved on.

361
00:15:20,364 —> 00:15:23,299
Okay. Fine.

362
00:15:25,703 —> 00:15:26,903
How's your soup?

363
00:15:26,905 —> 00:15:28,104
Ah, it's all right.

364
00:15:28,106 —> 00:15:30,106
They could've filled
the bowl a little more.

365
00:15:30,108 —> 00:15:32,242
(muffled laughter)

366

00:15:34,078 —> 00:15:35,478

Excuse me.

367

00:15:35,480 —> 00:15:36,813

Where are you going?

368

00:15:36,815 —> 00:15:38,081

I need some fresh air.

369

00:15:38,083 —> 00:15:39,949

Been there.

(laughs)

370

00:15:41,652 —> 00:15:44,587

(laughing)

371

00:16:00,671 —> 00:16:02,905

Oh, no.

372

00:16:02,907 —> 00:16:05,108

What have I done?

373

00:16:28,832 —> 00:16:30,600

How you feeling?

374

00:16:31,435 —> 00:16:33,336

Not so good.

375

00:16:35,105 —> 00:16:38,374

Are you gonna introduce me

to your friend?

376

00:16:39,476 —> 00:16:41,177

It's not my friend.

377

00:16:41,179 —> 00:16:43,379

Nothing happened.

378

00:16:43,381 —> 00:16:44,514

I don't know.

379

00:16:44,516 —> 00:16:48,117

I heard you reading pretty loud

last night.

380

00:16:48,952 —> 00:16:50,920

Oh, dear Lord.

381

00:16:50,922 —> 00:16:52,922

Where's Amy?

382

00:16:52,924 —> 00:16:55,058

After she put you to bed,

she went home.

383

00:16:55,060 —> 00:16:56,893

Oh.

384

00:16:56,895 —> 00:17:00,163

I should call her and apologize.

385

00:17:00,165 —> 00:17:02,365

Oh.

386

00:17:02,367 —> 00:17:05,301

Oh, no.

What?

387

00:17:05,303 —> 00:17:09,339

Apparently, I called

Stephen Hawking last night.

388

00:17:09,341 —> 00:17:11,641

FEMALE VOICE:

First new message.

389

00:17:11,643 —> 00:17:14,677

SHELDON:

Hawkman!

390

00:17:14,679 —> 00:17:18,314

It's your old buddy

Sheldonoscopy!

391

00:17:19,983 —> 00:17:22,418

How come you didn't

pick up the phone?!

392

00:17:22,420 —> 00:17:24,687

Oh, right. My bad.

393

00:17:29,760 —> 00:17:32,095

You're awful quiet.

Everything okay?

394

00:17:32,930 —> 00:17:34,630

Not really.

395

00:17:34,632 —> 00:17:37,834

I had a bit

of an embarrassing evening.

396

00:17:37,836 —> 00:17:40,403

Ugh. Me, too.

What happened?

397

00:17:40,405 —> 00:17:42,171

I drank alcohol

398

00:17:42,173 —> 00:17:47,310

and may have left an unfortunate

voice mail for Stephen Hawking.

399

00:17:47,312 —> 00:17:49,712

I wouldn't worry about it.

400

00:17:49,714 —> 00:17:51,881

He's got a pretty good

sense of humor.

401

00:17:51,883 —> 00:17:54,650

Oh, I hope so.

402

00:17:54,652 —> 00:17:56,886

What happened to you

last night?

403

00:17:56,888 —> 00:17:58,888

Oh, well, turns out

404

00:17:58,890 —> 00:18:01,591

I'd already met the girl

Raj is seeing

405

00:18:01,593 —> 00:18:04,927
when I did a number
on her bathroom.

406
00:18:08,298 —> 00:18:10,500
And that number was two.

407
00:18:12,836 —> 00:18:15,872
Well, you know,
I've always been a fan

408
00:18:15,874 —> 00:18:18,875
of a story told
by Attar of Nishapur,

409
00:18:18,877 —> 00:18:20,009
about a king

410
00:18:20,011 —> 00:18:22,979
who assembled a group
of wise men

411
00:18:22,981 —> 00:18:26,749

to create a ring that would

make him happy when he was sad.

412

00:18:26,751 —> 00:18:28,551

And that ring

413

00:18:28,553 —> 00:18:32,622

was inscribed with the phrase,

"This too shall pass."

414

00:18:34,224 —> 00:18:36,659

Hey, Cooper!

Oh, my God.

415

00:18:36,661 —> 00:18:40,263

I heard you drunk-dialed

Stephen Hawking last night?

416

00:18:40,265 —> 00:18:42,331

Classic!

417

00:18:42,333 —> 00:18:43,433

Get out of here, Barry.

418

00:18:43,435 —> 00:18:45,435

Whatever you say...

419

00:18:45,437 —> 00:18:47,637

Clogzilla.

420

00:18:51,208 —> 00:18:53,342

Clogzilla. That's pretty funny.

421

00:18:54,578 —> 00:18:57,814

I don't think

that's gonna pass.

422

00:19:06,224 —> 00:19:08,192

FEMALE VOICE:

Next message.

423

00:19:08,194 —> 00:19:10,027

SHELDON:

It's me again!

424

00:19:10,029 —> 00:19:12,429

I gave up string theory.

425

00:19:12,431 —> 00:19:14,298

You should give up black holes,

426

00:19:14,300 —> 00:19:17,100

and we can totally

solve crimes together!

427

00:19:18,703 —> 00:19:20,504

FEMALE VOICE:

Next message.

428

00:19:20,506 —> 00:19:22,039

SHELDON:

Do you know what's great?!

429

00:19:22,041 —> 00:19:25,476

Geology. Oh!

430

00:19:25,478 —> 00:19:28,378

Look at this geode!

431

00:19:28,380 —> 00:19:30,714

(gasps)

That's fun to say!

432

00:19:30,716 —> 00:19:35,018

Gee... ode! Gee... ode!

433

00:19:35,020 —> 00:19:36,854

FEMALE VOICE:

Next message.

434

00:19:36,856 —> 00:19:39,456

SHELDON:

Gee... ode!

435

00:19:39,458 —> 00:19:41,959

Gee... ode!

436

00:19:41,961 —> 00:19:44,194

I kiss girls now.

437

00:19:45,897 —> 00:19:47,764

FEMALE VOICE:

Next message.

438

00:19:47,766 —> 00:19:49,466

SHELDON:

Hey, guess who I am!

439

00:19:49,468 —> 00:19:50,834

Beep bop boop bop!

440

00:19:50,836 —> 00:19:53,170

I'm you! Get it?!

441

do great with this movie.

163

00:06:15,332 —> 00:06:16,731

(blows)

164

00:06:19,969 —> 00:06:22,671

You're not working late.

Why did you lie to me?

165

00:06:22,673 —> 00:06:24,939

And Amy, you told me

you were sick,

166

00:06:24,941 —> 00:06:27,842

but you look just as pale

and tired as always.

167

00:06:29,412 —> 00:06:31,179

I'm sorry.

I just needed a break

168

00:06:31,181 —> 00:06:34,182

from hearing you obsess about

what to do after string theory.

169

00:06:34,184 —> 00:06:36,351

And we kind of just

wanted one night

170

00:06:36,353 —> 00:06:38,720

where we didn't have to hear

about how miserable you are

171

00:06:38,722 —> 00:06:40,455

making this movie.

172

00:06:40,457 —> 00:06:42,557

But none of that means

we don't love you.

173

00:06:42,559 —> 00:06:45,193

I haven't been complaining

that much about the movie.

174

00:06:45,195 —> 00:06:47,762

Have I?

175

00:06:48,664 —> 00:06:50,031
I also love you.

176
00:06:53,436 —> 00:06:54,736
You know what?

177
00:06:54,738 —> 00:06:56,538
Maybe I need a break from
all of you.

178
00:06:56,540 —> 00:06:58,773
Come on, Sheldon.

179
00:06:58,775 —> 00:06:59,614
Where are we going?

180
00:06:59,639 —> 00:07:01,577
We're gonna have Anything Can
Happen Thursday, you're gonna

181
00:07:01,578 —> 00:07:03,545
tell me all about your science
stuff and I'm gonna complain

182

00:07:03,547 —> 00:07:05,280

about my movie, and we're gonna

support each other because

183

00:07:05,282 —> 00:07:06,448

that's what friends do.

184

00:07:06,450 —> 00:07:07,716

Okay.

185

00:07:07,718 —> 00:07:09,751

'Cause if I

had to pick now,

186

00:07:09,753 —> 00:07:10,681

I'd probably go with

dark matter because...

187

00:07:10,706 —> 00:07:12,706

PENNY: Shut up.

188

00:07:26,398 —> 00:07:28,766

(moans)

189

00:07:29,634 —> 00:07:30,768

What's wrong?

190

00:07:30,770 —> 00:07:33,637

I don't understand my food.

191

00:07:34,939 —> 00:07:39,009

Chinese noodles with

Korean barbecue...

192

00:07:39,011 —> 00:07:41,445

in a taco.

193

00:07:43,248 —> 00:07:45,115

It's fusion.

194

00:07:45,117 —> 00:07:47,618

Well, my mother would

lock her car doors

195

00:07:47,620 —> 00:07:51,522

if she had to drive through

this hodgepodge of ethnicity.

196

00:07:54,759 —> 00:07:56,994

Think I've been complaining

too much about the movie?

197

00:07:56,996 —> 00:07:58,796

Not at all.

198

00:07:58,798 —> 00:08:00,230

Thank you.

199

00:08:00,232 —> 00:08:02,399

But to be fair, when you talk,

most of what you say

200

00:08:02,401 —> 00:08:06,170

sounds like, "Wah,

wah, wah, clothes".

201

00:08:09,741 —> 00:08:12,042
Hey, I don't understand
why you're not upset with Amy.

202
00:08:12,044 —> 00:08:14,611
I am. So much so that
I'm gonna bring her here

203
00:08:14,613 —> 00:08:16,847
for dinner on our
next date night.

204
00:08:19,784 —> 00:08:21,985
(heavy metal soundtrack
plays on movie)

205
00:08:27,158 —> 00:08:29,159
Okay.

206
00:08:29,161 —> 00:08:31,862
So, in the last 20 minutes,

207
00:08:31,864 —> 00:08:34,665

we've seen a crazy woman
kissing a fetus in a jar.

208
00:08:36,067 —> 00:08:39,603
We've seen a guy
cut in half and sewn to a fish.

209
00:08:40,972 —> 00:08:43,807
And the brutal dismemberment
of a rotisserie chicken

210
00:08:43,809 —> 00:08:46,009
by my mother.

211
00:08:47,245 —> 00:08:51,582
On the bright side, she didn't
even notice the pill.

212
00:08:53,785 —> 00:08:56,453
Why does Emily like this stuff?

213
00:08:56,455 —> 00:08:58,655
Do you think there's something

psychologically wrong with her?

214
00:08:58,657 —> 00:09:01,125
What difference does it make?
What do you mean?

215
00:09:01,127 —> 00:09:02,759
Oh, come on— she could
have a freezer full of

216
00:09:02,761 —> 00:09:05,596
ex-boyfriend's body parts and
you'd still go out with her.

217
00:09:06,764 —> 00:09:08,398
I do like that
the ex-boyfriend's

218
00:09:08,400 —> 00:09:09,833
out of the picture.

219
00:09:13,938 —> 00:09:16,039
I feel so bad about

lying to Sheldon.

220
00:09:16,041 —> 00:09:17,808
How am I gonna
make it up to him?

221
00:09:17,810 —> 00:09:19,476
I'd tell you
what I do with Howard,

222
00:09:19,478 —> 00:09:21,778
but I don't think dressing up
like a Catholic schoolgirl

223
00:09:21,780 —> 00:09:24,848
is gonna work with Sheldon.

224
00:09:27,385 —> 00:09:29,486
He'd probably give you homework.

225
00:09:33,725 —> 00:09:35,926
Did you lie to Howard
about tonight?

226

00:09:35,928 —> 00:09:36,960

Of course.

227

00:09:36,962 —> 00:09:38,595

And you don't feel

guilty about it?

228

00:09:38,597 —> 00:09:39,863

Between Penny's gorilla movie

229

00:09:39,865 —> 00:09:43,367

and Howard's gorilla mother,

I had no choice.

230

00:09:44,435 —> 00:09:45,869

Thankfully Penny and I have

231

00:09:45,871 —> 00:09:47,304

a relationship based on honesty.

232

00:09:47,306 —> 00:09:48,805

(snorts)

233
00:09:48,807 —> 00:09:50,440
What?

234
00:09:50,442 —> 00:09:51,775
I don't lie to her.

235
00:09:51,777 —> 00:09:54,378
Oh, we know
you don't lie to her.

236
00:10:00,585 —> 00:10:02,085
Thank you.

237
00:10:02,087 —> 00:10:03,320
Hey, maybe the answer

238
00:10:03,322 —> 00:10:05,889
to your career question is
in one of these.

239

00:10:05,891 —> 00:10:08,659
Penny,
there's only one cookie

240
00:10:08,661 —> 00:10:11,094
with something in the middle
that solves life's problems,

241
00:10:11,096 —> 00:10:13,163
and that's an Oreo.

242
00:10:14,365 —> 00:10:18,335
Or a Nutter Butter,
if you're in a pinch.

243
00:10:18,337 —> 00:10:21,138
Come on, open it.
I bet it says something great.

244
00:10:21,140 —> 00:10:22,940
This is Asian fusion.

245
00:10:22,942 —> 00:10:27,144

For all you know, there's
a tiny Chihuahua in here.

246
00:10:27,146 —> 00:10:29,112
Fine, I'll go.

247
00:10:29,114 —> 00:10:31,014
Hmm.

248
00:10:31,016 —> 00:10:33,917
"People turn to you
for guidance and wisdom."

249
00:10:33,919 —> 00:10:35,219
Yeah, that's a good one.

250
00:10:35,221 —> 00:10:37,321
No, it's not.

251
00:10:37,323 —> 00:10:38,755
How is that not good?

252

00:10:38,757 —> 00:10:40,991
"Turn to you for wisdom"?

253
00:10:40,993 —> 00:10:43,694
Clearly,
that cookie is mocking you.

254
00:10:44,696 —> 00:10:46,296
You'd never hear
that kind of sass

255
00:10:46,298 —> 00:10:48,298
from a Nutter Butter.

256
00:10:48,300 —> 00:10:50,701
Uh, since you're paying for
dinner, I'll let that slide.

257
00:10:50,703 —> 00:10:52,135
Open yours.

258
00:10:53,771 —> 00:10:55,772
Have you ever paid for a meal?

259

00:10:55,774 —> 00:10:57,341

Not with money. Read.

260

00:11:00,278 —> 00:11:04,414

"Your warm and fun-loving nature

delights those around you."

261

00:11:04,416 —> 00:11:06,450

Oh, try again.

(clears her throat)

262

00:11:08,987 —> 00:11:11,455

(loud thudding on TV)

263

00:11:11,457 —> 00:11:13,857

(creaking on TV)

264

00:11:13,859 —> 00:11:15,125

(movie stops)

265

00:11:15,127 —> 00:11:16,493

(clears his throat)

266
00:11:17,328 —> 00:11:19,596
Let me get this straight.

267
00:11:19,598 —> 00:11:22,232
So, he kills this girl's father,

268
00:11:22,234 —> 00:11:24,434
cuts off the guy's face,

269
00:11:24,436 —> 00:11:26,536
and is wearing it as a mask

270
00:11:26,538 —> 00:11:29,406
while he makes out with her.

271
00:11:29,408 —> 00:11:31,308
I'm just gonna say it.

272
00:11:31,310 —> 00:11:34,044
That's not okay.

273

00:11:35,880 —> 00:11:37,781

Why can't I be in a relationship

274

00:11:37,783 —> 00:11:40,684

with a girl

who likes The Sound of Music?

275

00:11:40,686 —> 00:11:44,121

Raj, you are the girl

in the relationship

276

00:11:44,123 —> 00:11:46,323

who likes The Sound of Music.

277

00:11:47,158 —> 00:11:49,359

(ringtone playing)

278

00:11:50,561 —> 00:11:52,996

Hey, Penny. What's up?

279

00:11:54,065 —> 00:11:56,233

No, Bernie's working late.

280
00:11:58,069 —> 00:12:00,470
Really?

281
00:12:00,472 —> 00:12:02,205
Thanks for telling me.

282
00:12:02,207 —> 00:12:04,975
What?

283
00:12:04,977 —> 00:12:08,111
I'm having sex with a Catholic
schoolgirl tonight.

284
00:12:08,113 —> 00:12:10,280
(laughs)

285
00:12:12,383 —> 00:12:14,017
(Penny gasps)

286
00:12:14,019 —> 00:12:16,453

Oh, I think I see
our next stop.

287
00:12:16,455 —> 00:12:18,121
(shrieks happily)

288
00:12:18,123 —> 00:12:20,724
You can't be serious.

289
00:12:20,726 —> 00:12:22,492
If I wanted to waste my time
on nonsense,

290
00:12:22,494 —> 00:12:24,961
I'd follow Leonard
on Instagram.

291
00:12:25,997 —> 00:12:29,199
No, come on— tonight,
we are trying new things.

292
00:12:29,201 —> 00:12:30,967
(groans)

293

00:12:30,969 —> 00:12:33,437

Oh! That's a lot of incense.

294

00:12:33,439 —> 00:12:36,139

Or someone set a hippie on fire.

295

00:12:39,811 —> 00:12:41,978

Yeah, honey,

I'm still stuck at work.

296

00:12:43,247 —> 00:12:44,614

Really?

297

00:12:44,616 —> 00:12:45,849

Penny said that?

298

00:12:47,952 —> 00:12:50,854

Okay, it's true. I'm sorry.

299

00:12:50,856 —> 00:12:53,123

I'll see you at home.

300

00:12:53,125 —> 00:12:55,492

Yeah, yeah, I'll put it on.

301

00:12:56,828 —> 00:12:59,229

You and I never just

hang out like this.

302

00:12:59,231 —> 00:13:00,397

Why is that?

303

00:13:00,399 —> 00:13:02,199

I know, it's weird, right?

Yeah.

304

00:13:02,201 —> 00:13:03,367

We should do it more often.

305

00:13:03,369 —> 00:13:05,969

Oh, no. I mean, this

is weird right now.

306

00:13:05,971 —> 00:13:07,337
(phone chimes)

307
00:13:07,339 —> 00:13:09,005
Oh.

308
00:13:09,007 —> 00:13:10,507
Ah, it's Penny.

309
00:13:10,509 —> 00:13:11,842
Is she still mad?

310
00:13:11,844 —> 00:13:12,976
Oh, doesn't seem like it.

311
00:13:12,978 —> 00:13:15,679
She got Sheldon to go
to a psychic with her.

312
00:13:15,681 —> 00:13:16,980
A psychic?

313

00:13:16,982 —> 00:13:19,383
He considers them
not just mumbo jumbo,

314
00:13:19,385 —> 00:13:22,452
but extra-jumbo
mumbo jumbo.

315
00:13:22,454 —> 00:13:24,888
Well, Penny can be
pretty persuasive.

316
00:13:24,890 —> 00:13:27,924
She's gotten me to do a lot of
things I wouldn't normally do.

317
00:13:27,926 —> 00:13:29,860
Because she has
sex with you.

318
00:13:29,862 —> 00:13:32,896
Yeah, she does.

319

00:13:32,898 —> 00:13:35,265
Can I confess something?

320
00:13:35,267 —> 00:13:37,167
Once in a while,
I get a little jealous

321
00:13:37,169 —> 00:13:38,602
of how close Penny
and Sheldon are.

322
00:13:38,604 —> 00:13:39,668
Really?

323
00:13:39,693 —> 00:13:41,272
I mean, not in
a romantic way.

324
00:13:41,273 —> 00:13:44,741
It's just, she really has some
sort of connection with him.

325
00:13:44,743 —> 00:13:47,477

Well... Well, they've known
each other a long time,

326
00:13:47,479 —> 00:13:49,846
and Penny grew up around horses,

327
00:13:49,848 —> 00:13:53,650
so she knows how to approach him
without making him skittish.

328
00:13:53,652 —> 00:13:55,886
Don't get me wrong.
I'm glad they're friends.

329
00:13:55,888 —> 00:13:58,355
I just wish he'd be that
comfortable around me already.

330
00:13:58,357 —> 00:14:02,726
Well, it took him a long time to
get comfortable around me, too.

331
00:14:02,728 —> 00:14:05,028

Really? What did you do?

332

00:14:05,030 —> 00:14:08,498

Something terrible in a former life?

I don't know.

333

00:14:08,500 —> 00:14:11,034

I gotta go.

334

00:14:11,036 —> 00:14:12,636

Penny ratted me out.

335

00:14:12,638 —> 00:14:14,404

00:04:13,581 —> 00:04:17,767
Admiral Ackbar's Snack Bar
is open for business.

84

00:04:17,769 —> 00:04:20,086

No, thanks. Leonard and I

are just going to the funeral.

85

00:04:20,088 —> 00:04:22,254

You sure. Not even coffee?

86

00:04:22,256 —> 00:04:24,423

We have R2-Decaf.

87

00:04:25,109 —> 00:04:28,311

Maybe a nice Cafe Au Leia?

88

00:04:29,446 —> 00:04:31,097

And if you're not

in the mood for coffee,

89

00:04:31,099 —> 00:04:33,650

I can always make you

a Chai Tea-3PO.

90

00:04:33,652 —> 00:04:37,603

Oh, I get it— like C-3PO.

91

00:04:37,605 —> 00:04:39,572

What happened to me?

92

00:04:39,574 —> 00:04:42,441

Hey, uh, Sheldon,

you want anything?

93

00:04:42,443 —> 00:04:43,993

Uh, no, thank you.

94

00:04:43,995 —> 00:04:45,444

You're being so quiet.

95

00:04:45,446 —> 00:04:49,198

Are you upset

or are you just rebooting?

96

00:04:49,200 —> 00:04:50,967

I'm fine.

97

00:04:50,969 —> 00:04:52,335
Sweetie, are you sure

98
00:04:52,337 —> 00:04:54,620
you don't want to
come with us to the funeral?

99
00:04:54,622 —> 00:04:56,839
Oh, I appreciate the
offer, but Arthur is gone

100
00:04:56,841 —> 00:04:59,092
and there's nothing
I can do about it.

101
00:04:59,094 —> 00:05:01,644
When Darth Vader
struck down Obi-Wan,

102
00:05:01,646 —> 00:05:04,347
did Luke cry like a baby
and go to his funeral?

103

00:05:04,349 —> 00:05:05,348
No.

104
00:05:05,350 —> 00:05:06,566
He blew up the Death Star.

105
00:05:06,568 —> 00:05:08,318
Why do I know this?!

106
00:05:09,737 —> 00:05:11,804
Arthur Jeffries
was a scientist.

107
00:05:11,806 —> 00:05:13,272
I'm sure he didn't care about

108
00:05:13,274 —> 00:05:15,641
silly superstitions
like funerals.

109
00:05:15,643 —> 00:05:18,077
You know, if he were here,
I think he'd say,

110

00:05:18,079 —> 00:05:19,946

"Enjoy Star Wars Day."

111

00:05:19,948 —> 00:05:23,082

He was 84;

he'd say, "Where's my pudding?"

112

00:05:24,668 —> 00:05:27,070

Before you go, at least

let me pack you some

113

00:05:27,072 —> 00:05:30,089

Attack of the Scones

for the road.

114

00:05:30,091 —> 00:05:32,759

Oh, like Attack

of the Clones.

115

00:05:32,761 —> 00:05:34,927

We are leaving

right now.

116

00:05:36,797 —> 00:05:39,198

Arthur passing away

was harder on Sheldon

117

00:05:39,200 —> 00:05:40,850

than he's ready to admit.

118

00:05:40,852 —> 00:05:42,518

Really hoping

this will cheer him up.

119

00:05:42,520 —> 00:05:43,686

Me, too.

120

00:05:43,688 —> 00:05:45,054

Although, it

might've been

121

00:05:45,056 —> 00:05:47,440

thoughtless of us to

bake a Death Star cake.

122

00:05:48,642 —> 00:05:51,177

No, it combines two of

Sheldon's favorite things:

123

00:05:51,179 —> 00:05:52,645

chocolate chips

124

00:05:52,647 —> 00:05:56,115

and the ability to destroy a

planet at the push of a button.

125

00:05:56,117 —> 00:05:59,152

Well, anyway, it'll be a

nice surprise for the boys.

126

00:05:59,154 —> 00:06:01,571

And Howie doesn't think I

take his interests seriously,

127

00:06:01,573 —> 00:06:04,290

so hopefully this will keep

him fooled for a while.

128

00:06:04,292 —> 00:06:08,327

Okay, let's get the fondant

and start decorating.

129

00:06:08,329 —> 00:06:09,796

This is pretty cool.

130

00:06:09,798 —> 00:06:12,382

You don't see too many

spherical cakes.

131

00:06:15,119 —> 00:06:17,820

I wonder why that is.

132

00:06:24,094 —> 00:06:26,212

I have a confession to make.

Hmm?

133

00:06:26,214 —> 00:06:28,314

I've never been

to a funeral before.

134

00:06:28,316 —> 00:06:29,315
Really?

135
00:06:29,317 —> 00:06:31,217
I just never knew
anyone that died.

136
00:06:31,219 —> 00:06:33,653
I had a pet pig
when I was a kid.

137
00:06:33,655 —> 00:06:36,105
I mean, when he died,
we didn't have a funeral,

138
00:06:36,107 —> 00:06:38,191
we had a barbecue.

139
00:06:40,861 —> 00:06:43,663
Yeah, we won't be
eating Arthur tonight.

140
00:06:46,566 —> 00:06:50,402

I didn't know him very well,

but I still really liked him.

141

00:06:50,404 —> 00:06:53,539

It's weird that he's...

just gone.

142

00:06:53,541 —> 00:06:55,091

I know.

143

00:06:55,093 —> 00:06:57,593

I feel like I want to cry.

144

00:06:57,595 —> 00:06:59,578

Oh... that's-that's fine.

145

00:06:59,580 —> 00:07:01,097

Go ahead.

146

00:07:06,220 —> 00:07:07,720

I can't do it

with you staring at me.

147

00:07:07,722 —> 00:07:09,555

Sorry.

148

00:07:13,060 —> 00:07:15,094

(sighs)

No, I'm dry.

149

00:07:15,096 —> 00:07:17,647

You're a big crybaby—

you start, I'll join in.

150

00:07:18,732 —> 00:07:20,650

I am not a crybaby.

151

00:07:20,652 —> 00:07:21,934

Toy Story 3?

152

00:07:21,936 —> 00:07:25,238

The toys were holding hands

in a furnace!

153

00:07:30,160 —> 00:07:32,945

Look, A-Arthur lived
a full life.

154
00:07:32,947 —> 00:07:36,299
And he inspired
a lot of people.

155
00:07:36,301 —> 00:07:39,252
Sure, he-he was
my childhood hero,

156
00:07:39,254 —> 00:07:42,805
but... the fact that
I got to work with him,

157
00:07:42,807 —> 00:07:45,591
side by side,
before he...

158
00:07:45,593 —> 00:07:48,460
died was...

159
00:07:48,462 —> 00:07:51,597

it was... it was a gift.

160

00:07:51,599 —> 00:07:54,150

(choked up):

It was a gift.

161

00:07:54,152 —> 00:07:56,486

Thank you for being

the emotional one

162

00:07:56,488 —> 00:07:58,521

in this relationship.

163

00:07:58,523 —> 00:08:01,140

(sniffles)

I got your back.

164

00:08:01,142 —> 00:08:02,608

Yeah.

165

00:08:04,778 —> 00:08:06,946

Okay, here we go.

166

00:08:06,948 —> 00:08:09,248

Episode I—

The Phantom Menace.

167

00:08:09,250 —> 00:08:10,416

(groans)

168

00:08:10,418 —> 00:08:11,817

Let's get this over with.

169

00:08:11,819 —> 00:08:13,953

Since we all agree

Episode I isn't our favorite,

170

00:08:13,955 —> 00:08:15,371

maybe we just skip it this time.

171

00:08:15,373 —> 00:08:17,456

Yeah, Howard,

I think you of all people

172

00:08:17,458 —> 00:08:18,824

should avoid espousing
the principle

173
00:08:18,826 —> 00:08:20,626
that if something
is not our favorite

174
00:08:20,628 —> 00:08:22,512
we should just get rid of it.

175
00:08:25,432 —> 00:08:28,334
You know, I heard this way
of watching the movies

176
00:08:28,336 —> 00:08:31,637
called the Machete Order, where
you watch Episodes IV and V,

177
00:08:31,639 —> 00:08:33,389
then skip Episode I,

178
00:08:33,391 —> 00:08:35,775
watch II and III

as a flashback,

179
00:08:35,777 —> 00:08:37,310
and then finish with VI.

180
00:08:37,312 —> 00:08:39,445
Okay, so you'd lose
most of Jar Jar,

181
00:08:39,447 —> 00:08:42,281
all the trade route talk,
and the boring senate hearings,

182
00:08:42,283 —> 00:08:45,568
which are like watching C-SPAN
with monsters.

183
00:08:46,453 —> 00:08:48,170
Get rid of the
trade route part?

184
00:08:48,172 —> 00:08:50,406
Then how would Palpatine

get Chancellor Valorum

185
00:08:50,408 —> 00:08:51,807
kicked out of office?

186
00:08:51,809 —> 00:08:52,858
Eh.

187
00:08:52,860 —> 00:08:54,911
How would he get
himself elected? How?

188
00:08:54,913 —> 00:08:56,646
Can we get through one holiday

189
00:08:56,648 —> 00:08:59,832
without you saying
something ridiculous?

190
00:08:59,834 —> 00:09:01,133
It was just a suggestion.

191

00:09:01,135 —> 00:09:03,419
Well, you know what else
was just a suggestion?

192
00:09:03,421 —> 00:09:05,421
"Why don't we change
the Raisin Bran box?"

193
00:09:05,423 —> 00:09:08,341
Hmm? And you know
who got hurt by that?

194
00:09:08,343 —> 00:09:10,259
Every single person
who eats breakfast!

195
00:09:13,614 —> 00:09:15,014
Wow.

196
00:09:15,016 —> 00:09:16,065
I think he's taking

197
00:09:16,067 —> 00:09:18,100

this Professor Proton thing

pretty hard.

198

00:09:18,102 —> 00:09:21,487

Should we try to console him?

199

00:09:21,489 —> 00:09:24,774

Or... should we

respect his privacy

200

00:09:24,776 —> 00:09:27,059

in this moment of grief?

201

00:09:27,061 —> 00:09:29,745

By staying here

and watching the movie.

202

00:09:29,747 —> 00:09:32,248

That's what

good friends would do!

203

00:09:41,129 —> 00:09:42,262

(movie playing over TV)

204

00:09:42,264 —> 00:09:43,680

Well, at least

without Sheldon here,

205

00:09:43,682 —> 00:09:46,050

we got to start

with Episode IV.

206

00:09:46,052 —> 00:09:47,434

Mm, true.

207

00:09:49,404 —> 00:09:50,371

(TV clicks off)

208

00:09:50,373 —> 00:09:51,872

I do feel guilty about him.

209

00:09:51,874 —> 00:09:52,923

Me, too.

210

00:09:52,925 —> 00:09:53,974

Maybe we should see
how he's doing.

211
00:09:53,976 —> 00:09:55,008
Yeah.

212
00:09:55,010 —> 00:09:56,677
But after the cantina scene.
Obviously.

213
00:09:58,413 —> 00:10:01,115
(cantina scene music playing)

214
00:10:03,568 —> 00:10:05,502
Look at Arthur...

215
00:10:05,504 —> 00:10:08,605
cracking up at a joke
I told him.

216
00:10:11,409 —> 00:10:14,078
I'll never hear
that laugh again.

217

00:10:14,080 —> 00:10:16,713

ARTHUR: You never

heard it that time.

218

00:10:21,302 —> 00:10:22,636

Arthur!

219

00:10:22,638 —> 00:10:24,805

I thought you were dead.

220

00:10:24,807 —> 00:10:26,256

I am.

221

00:10:26,258 —> 00:10:29,459

Oh, it-it's fantastic.

222

00:10:30,228 —> 00:10:32,312

I mean, this is the longest

223

00:10:32,314 —> 00:10:36,633

that I've gone without

running into a men's room

224
00:10:36,635 —> 00:10:39,603
in-in years.

225
00:10:40,438 —> 00:10:42,439
Why are you here?

226
00:10:42,441 —> 00:10:44,691
I-I don't know.
I was...

227
00:10:44,693 —> 00:10:49,062
I was hoping I was going
to haunt my ex-wife.

228
00:10:49,864 —> 00:10:52,749
(gasps)
I know why.

229
00:10:52,751 —> 00:10:54,985
You've come
to me because

230

00:10:54,987 —> 00:10:58,505

you're my Obi-Wan.

231

00:10:58,507 —> 00:11:01,341

I'm-I'm not...

I'm not familiar with that.

232

00:11:01,343 —> 00:11:04,461

Is... is-is that an...

233

00:11:04,463 —> 00:11:07,281

an Internet?

234

00:11:09,117 —> 00:11:10,601

Wow.

235

00:11:10,603 —> 00:11:13,604

Uh, you're dead,

so I'm going to let that slide.

236

00:11:14,839 —> 00:11:18,358

Obi-Wan Kenobi is a character
from Star Wars.

237
00:11:18,360 —> 00:11:19,726
After his
physical demise,

238
00:11:19,728 —> 00:11:24,298
he comes to Luke Skywalker
as his mentor in spirit form.

239
00:11:24,300 —> 00:11:27,284
Well, that...
that clears that up.

240
00:11:27,286 —> 00:11:29,486
Yeah.

241
00:11:30,271 —> 00:11:32,973
You must be here
to give me advice.

242
00:11:38,296 —> 00:11:41,448

Well, this... this is weird.

243

00:11:42,200 —> 00:11:44,701

Most-most of my robes open in...

244

00:11:44,703 —> 00:11:46,870

in the back.

245

00:11:49,140 —> 00:11:51,708

Those are your Jedi robes.

246

00:11:52,577 —> 00:11:55,429

Oh, wait. What...?

247

00:11:55,431 —> 00:11:58,048

What-what... what is this?

248

00:11:58,050 —> 00:11:58,982

(lightsaber humming)

249

00:11:58,984 —> 00:12:00,434

Oh! Be careful

with that!

250

00:12:00,436 —> 00:12:02,853

Whoa!

251

00:12:02,855 —> 00:12:04,721

(lightsaber buzzing, humming)

252

00:12:09,894 —> 00:12:11,578

Whoa!

253

00:12:12,330 —> 00:12:13,230

(laughs)

254

00:12:13,232 —> 00:12:16,083

Oh, neato.

255

00:12:16,085 —> 00:12:17,084

(laughs)

256

00:12:17,086 —> 00:12:18,418

(buzzing)

257

00:12:20,421 —> 00:12:24,791

I'm, uh... I'm going

to need a Band-Aid.

258

00:12:27,578 —> 00:12:30,247

So...

259

00:12:30,249 —> 00:12:32,132

what did you think

of your first funeral?

260

00:12:32,134 —> 00:12:36,586

Well, I don't want to be a jerk,

but it was kind of a bummer.

261

00:12:36,588 —> 00:12:39,940

Yeah, well, when I die,

you can rent a bounce house.

262

00:12:39,942 —> 00:12:42,226

You think about dying?

263

00:12:42,228 —> 00:12:46,263

Mm. Well, I think more about

if I'd have any regrets.

264

00:12:46,265 —> 00:12:47,648

What would you regret?

265

00:12:47,650 —> 00:12:50,701

Mm, you know,

that I didn't travel more,

266

00:12:50,703 —> 00:12:53,453

take more risks,

learn another language.

267

00:12:53,455 —> 00:12:56,073

You know Klingon.

268

00:12:56,075 —> 00:12:57,624

That's true.

269

00:12:57,626 —> 00:12:59,793

No, I meant that
as a regret.

270
00:12:59,795 —> 00:13:01,328
(laughs)

271
00:13:03,948 —> 00:13:05,551
I just thought of one more.

272
00:13:05,552 —> 00:13:07,385
What's that?

273
00:13:07,387 —> 00:13:10,805
I regret not saying "yes"
when you asked me to marry you.

274
00:13:12,675 —> 00:13:14,893
Well, it just wasn't
the right time.

275
00:13:14,895 —> 00:13:16,845
Yeah.

276

00:13:16,847 —> 00:13:18,680

And this is also

not the right time.

277

00:13:18,682 —> 00:13:20,565

Do not propose.

278

00:13:20,567 —> 00:13:22,350

What?

279

00:13:22,352 —> 00:13:24,736

I know that face.

That's your propose face.

280

00:13:24,738 —> 00:13:26,768

I was not gonna propose.

It's already two to one.

281

00:13:26,769 —> 00:13:27,819

What's two to one?

282

00:13:27,844 —> 00:13:29,570

I proposed twice,

you proposed once. Two to one.

283

00:13:29,571 —> 00:13:31,404

Oh, my... It's

not a contest.

284

00:13:31,406 —> 00:13:32,789

I don't know what

you're upset about.

285

00:13:32,791 —> 00:13:35,107

I'm the one who's losing.

Okay.

286

00:13:35,109 —> 00:13:36,942

Fine. Would you feel

better if I propose

287

00:13:36,944 —> 00:13:38,661

so you could turn

me down again?

288

00:13:38,663 —> 00:13:40,046
Yeah, I think I would.
(scoffs)

289
00:13:40,048 —> 00:13:42,048
Okay. Leonard,
will you marry me?

290
00:13:42,050 —> 00:13:44,667
Hmm.

291
00:13:44,669 —> 00:13:45,968
No, don't you dare.

292
00:13:45,970 —> 00:13:48,471
You reject me right
now and tie things up.

293
00:13:50,424 —> 00:13:52,558
It's just such a big decision.

294
00:13:52,560 —> 00:13:54,677
I don't want

to have any regrets.

295
00:13:57,264 —> 00:13:59,932
Did you ever watch
Professor Proton

296
00:13:59,934 —> 00:14:01,150
when you were a kid?

297
00:14:01,152 —> 00:14:02,468
No.

298
00:14:02,470 —> 00:14:03,803
My dad controlled the TV,

299
00:14:03,805 —> 00:14:05,638
so unless someone
was a Texas Ranger,

300
00:14:05,640 —> 00:14:07,940
Jake or the Fatman,
we didn't see it.

301

00:14:09,159 —> 00:14:11,778

I never watched him, either,

but he seems to be the reason

302

00:14:11,780 —> 00:14:13,446

that Sheldon got interested

in science.

303

00:14:13,448 —> 00:14:14,947

Not me. I got

into science

304

00:14:14,949 —> 00:14:17,149

'cause I was always the

smallest kid in school,

305

00:14:17,151 —> 00:14:19,168

so I thought if I

became a scientist,

306

00:14:19,170 —> 00:14:21,921

I could invent a formula

that made me taller.

307

00:14:21,923 —> 00:14:23,673

That's cute.

308

00:14:23,675 —> 00:14:25,958

Yeah, I thought it was

working for a while,

309

00:14:25,960 —> 00:14:27,326

but then I found out

310

00:14:27,328 —> 00:14:31,130

my brother was just lowering the

pencil marks on the door frame.

311

00:14:31,132 —> 00:14:32,215

How about you?

312

00:14:32,217 —> 00:14:34,317

Oh, I guess

it must have been

313

00:14:34,319 —> 00:14:37,270
back when I was
in the Girl Sprouts.

314
00:14:37,272 —> 00:14:39,672
Girl Sprouts?

315
00:14:39,674 —> 00:14:42,475
My mom made it up as an
alternative to the Girl Scouts.

316
00:14:42,477 —> 00:14:44,560
She didn't want me
selling cookies

317
00:14:44,562 —> 00:14:47,113
on some street corner
"like a whore."

318
00:14:51,017 —> 00:14:53,319
How did that get
you into science?

319

00:14:53,321 —> 00:14:54,954
Oh, I went to the library

320
00:14:54,956 —> 00:14:58,207
and took out a book on biology
to see what whores did.

321
00:15:01,545 —> 00:15:05,030
On the one hand,
if I say yes...

322
00:15:05,032 —> 00:15:07,049
This isn't funny anymore.

323
00:15:07,051 —> 00:15:08,718
Just say no
so we're done with this.

324
00:15:08,720 —> 00:15:10,536
Will you marry me or not?

325
00:15:10,538 —> 00:15:14,106
Ooh, interesting. Did you just

propose to me again?

326
00:15:14,108 —> 00:15:16,375
No.
Really?

327
00:15:16,377 —> 00:15:18,311
Because I just heard,
"Will you marry me?"

328
00:15:18,313 —> 00:15:21,480
That's two
proposals, one day.

329
00:15:21,482 —> 00:15:24,049
Sounds like someone wants
to spend the rest of her life

330
00:15:24,051 —> 00:15:26,886
telling people how to spell
the name Hofstadter.

331
00:15:28,221 —> 00:15:30,940

You know what? Fine.

Do whatever you want.

332

00:15:30,942 —> 00:15:32,775

Hey.

333

00:15:32,777 —> 00:15:34,911

Penny, don't get upset.

334

00:15:34,913 —> 00:15:37,113

Here.

335

00:15:37,115 —> 00:15:41,083

I love you, but, no,

I will not marry you.

336

00:15:41,085 —> 00:15:42,702

Thank you.

337

00:15:42,704 —> 00:15:44,069

Now, about that

second proposal.

338

00:15:44,071 —> 00:15:46,789

On the one hand...

339

00:15:51,678 —> 00:15:53,846

(birds chirping)

340

00:15:57,801 —> 00:16:00,019

Where... where... where are we?

341

00:16:01,021 —> 00:16:04,190

This is the

swampland of Dagobah.

342

00:16:04,192 —> 00:16:07,059

It's where Luke was trained

in the ways of the Jedi.

343

00:16:07,061 —> 00:16:08,311

Oh.

344

00:16:08,313 —> 00:16:11,564

Too bad.

I thought it was Florida.

345
00:16:18,037 —> 00:16:22,241
When Obi-Wan came to Luke
on this very spot,

346
00:16:22,243 —> 00:16:25,610
he gave him all sorts
of helpful advice.

347
00:16:25,612 —> 00:16:28,113
So, um...

348
00:16:28,115 —> 00:16:31,033
what do you got for me?

349
00:16:31,035 —> 00:16:34,253
Um...

350
00:16:34,255 —> 00:16:36,455
always...

351

00:16:36,457 —> 00:16:38,741
get... get a prenup.

352
00:16:42,795 —> 00:16:44,730
That's it?

353
00:16:44,732 —> 00:16:48,484
I thought there'd be more
of a reason why you're here.

354
00:16:48,486 —> 00:16:52,020
Well, why-why do you think
I'm here?

355
00:16:52,022 —> 00:16:55,607
I suppose it has something to do
with your recent passing.

356
00:16:55,609 —> 00:16:58,577
Is-is this the...
the first time

357
00:16:58,579 —> 00:17:01,146

you've lost, you know,
someone close to you?

358
00:17:01,148 —> 00:17:03,282
Oh, no. No.

359
00:17:03,284 —> 00:17:06,702
I've already had to say good-bye
to 11 Dr. Whos.

360
00:17:10,006 —> 00:17:13,041
Yeah, I've-I've outlived
a few of my doctors, too.

361
00:17:15,795 —> 00:17:19,014
Of course, my grandfather
died when I was five.

362
00:17:19,016 —> 00:17:21,833
My father died when I was 14.

363
00:17:21,835 —> 00:17:24,553
I'm... I'm sorry about that.

364

00:17:24,555 —> 00:17:26,722

And now you're gone, too.

365

00:17:28,124 —> 00:17:31,360

It's like all the men I've

looked up to have gone away.

366

00:17:32,312 —> 00:17:34,396

Well, you know, it's...

367

00:17:34,398 —> 00:17:37,900

it's okay to...

to be sad about them.

368

00:17:37,902 —> 00:17:42,738

Just... just make sure,

you know, you appreciate

369

00:17:42,740 —> 00:17:45,707

those who... who are

still there for you.

370

00:17:45,709 —> 00:17:49,578

But I do appreciate them.

371

00:17:49,580 —> 00:17:52,581

Well, then,

372

00:17:52,583 —> 00:17:55,551

what am I doing in a swamp...

373

00:18:00,423 —> 00:18:03,392

...dressed like Friar Tuck?

374

00:18:08,932 —> 00:18:11,583

Appreciate them, Sheldon.

375

00:18:11,585 —> 00:18:14,386

(knocking)

376

00:18:14,388 —> 00:18:16,221

Hey, buddy.

377

00:18:16,223 —> 00:18:18,323
Heard you're having a rough day.
You all right?

378
00:18:18,325 —> 00:18:20,075
I'm okay.

379
00:18:20,944 —> 00:18:23,228
How was the funeral?

380
00:18:24,063 —> 00:18:26,915
It was nice, you know.

381
00:18:26,917 —> 00:18:29,084
A lot of people showed up,

382
00:18:29,086 —> 00:18:32,070
told some great stories
about him.

383
00:18:32,072 —> 00:18:35,424
Did you know that Arthur's son
is a high school sci...?

384

00:18:51,257 —> 00:18:53,775

Hey, the guys are about

to start Jedi.

385

00:18:53,777 —> 00:18:55,110

You want to go watch?

386

00:18:55,112 —> 00:18:56,761

I do.

387

00:18:58,114 —> 00:19:01,650

After I make them go back and

watch one through five first.

388

00:19:04,203 —> 00:19:06,805

Sheldon, that-that'll

take us all night.

389

00:19:06,807 —> 00:19:08,240

That's true.

390

00:19:08,242 —> 00:19:10,626
Oh, it's a good thing
I had a nap.

391
00:19:13,846 —> 00:19:16,982
(movie playing over TV)

392
00:19:16,984 —> 00:19:18,884
Boy, some of the
physical comedy

393
00:19:18,886 —> 00:19:21,887
with Jar Jar is a
little tough to watch.

394
00:19:23,673 —> 00:19:26,992
At least they toned him down
in the second one.

395
00:19:26,994 —> 00:19:29,511
Yeah, he is
pretty stupid.

396

00:19:32,282 —> 00:19:34,816
Hey, we can say it.
You can't.

397
00:19:36,152 —> 00:19:37,686
Hey, guys.

398
00:19:37,688 —> 00:19:39,237
Happy Star Wars Day!

399
00:19:39,239 —> 00:19:41,073
(Leonard laughs)
SHELDON: Wow!

400
00:19:41,075 —> 00:19:43,442
A Death Star cake!
AMY: Yeah.

401
00:19:43,444 —> 00:19:44,743
We were hoping
it might cheer you up.

402
00:19:44,745 —> 00:19:45,661

BERNADETTE:
And even though

403
00:19:45,663 —> 00:19:46,945
it meant we had to
miss the movies,

404
00:19:46,947 —> 00:19:48,196
we could still be
part of the fun.

405
00:19:48,198 —> 00:19:49,197
Well, you didn't
miss anything.

406
00:19:49,199 —> 00:19:50,315
We just started over.

407
00:19:50,317 —> 00:19:52,501
Son of a bitch.

408
00:20:01,161 —> 00:20:02,962
(movie playing over TV)

409

00:20:11,655 —> 00:20:13,172

You're back.

410

00:20:13,173 —> 00:20:15,340

Yeah, apparently, um,

411

00:20:15,342 —> 00:20:18,143

I'm here whenever...

when-whenever you need me.

412

00:20:18,145 —> 00:20:19,978

That's nice.

413

00:20:19,980 —> 00:20:22,898

May-Maybe for you.

414

00:20:25,151 —> 00:20:27,703

Why do I need you now?

415

00:20:27,705 —> 00:20:30,155

Well, as near as I could tell,

416

00:20:30,157 —> 00:20:33,542

you-you fell asleep

watching Star Wars,

417

00:20:33,544 —> 00:20:37,245

and now you're-you're dreaming

you're watching Star Wars.

418

00:20:37,247 —> 00:20:39,014

So?

419

00:20:39,016 —> 00:20:42,033

I mean, don't-don't you see

a problem there?

420

00:20:42,035 —> 00:20:43,368

I mean, how-how

421

00:20:43,370 —> 00:20:46,705

you're spending

your limited time on Earth?

422

00:20:48,452 —> 00:20:50,618

Not at all.

423

00:20:50,620 —> 00:20:53,055

Okay, good luck to you.

S07EP23: The Gorilla Dissolution

1

00:00:02,703 —> 00:00:05,105

Almost there.

You're doing great.

2

00:00:05,107 —> 00:00:06,873

(strained):

Thanks for lifting my spirits.

3

00:00:06,875 —> 00:00:08,775

Next time, try lifting the box.

4

00:00:09,644 —> 00:00:11,578

Please hurry.

5

00:00:11,580 —> 00:00:13,180

except cardamom seeds.

176

00:07:28,706 —> 00:07:31,307

Do you happen

to have any on you?

177

00:07:31,309 —> 00:07:34,577

Sorry, I left them in my turban.

178

00:07:37,181 —> 00:07:39,682

Oh, I'll make

English breakfast tea.

179

00:07:39,684 —> 00:07:41,084
They destroyed
your culture.

180
00:07:41,086 —> 00:07:42,618
That's close enough.

181
00:07:45,756 —> 00:07:47,957
You know, I'm curious,

182
00:07:47,959 —> 00:07:51,627
why are you so upset about
seeing Emily with another man?

183
00:07:51,629 —> 00:07:54,797
Wouldn't you be upset if you saw
Amy out with someone else?

184
00:07:54,799 —> 00:07:55,965
Can't happen.

185
00:07:55,967 —> 00:07:58,167
We have an ironclad

relationship agreement

186
00:07:58,169 —> 00:08:00,470
which precludes her
from physical contact

187
00:08:00,472 —> 00:08:02,905
with anyone other than me.

188
00:08:02,907 —> 00:08:05,508
But you don't have sex
with her, either.

189
00:08:05,510 —> 00:08:08,044
(chuckles) Slick, huh?

190
00:08:08,046 —> 00:08:11,314
To be truthful, Emily and I
haven't dated that long,

191
00:08:11,316 —> 00:08:13,816
and we never agreed to be
exclusive to each other.

192

00:08:13,818 —> 00:08:15,251

Have you had intercourse?

193

00:08:15,253 —> 00:08:16,385

No.

194

00:08:16,387 —> 00:08:17,687

Well, stick to your guns.

195

00:08:17,689 —> 00:08:19,322

There will be a lot of pressure.

196

00:08:25,162 —> 00:08:27,563

MRS. WOLOWITZ:

I'm hungry again!

197

00:08:29,666 —> 00:08:32,835

It's like the world's

fattest cuckoo clock.

198

00:08:36,773 —> 00:08:38,474

You know, you're
always talking about

199
00:08:38,476 —> 00:08:39,575
having a baby someday.

200
00:08:39,577 —> 00:08:41,611
This is exactly what
it's gonna be like.

201
00:08:41,613 —> 00:08:43,112
No, it's not.

202
00:08:43,114 —> 00:08:46,315
Come on. The constant
fussing, eating, pooping,

203
00:08:46,317 —> 00:08:47,316
burping, drooling.

204
00:08:47,318 —> 00:08:48,985
We're even waiting
for the day

205

00:08:48,987 —> 00:08:51,287

when she can finally

walk on her own.

206

00:08:52,422 —> 00:08:53,656

Maybe you're right.

207

00:08:53,658 —> 00:08:56,893

Anything she finds on the floor

goes right in her mouth.

208

00:09:01,932 —> 00:09:04,433

I'm just telling you now,

if we do have kids,

209

00:09:04,435 —> 00:09:06,636

don't expect me

to do all the work.

210

00:09:06,638 —> 00:09:09,505

Hey, I'm a very paternal person.

211

00:09:09,507 —> 00:09:12,575

I'd be excellent

at taking care of a baby.

212

00:09:12,577 —> 00:09:15,011

MRS. WOLOWITZ:

I'm still hungry!

213

00:09:15,013 —> 00:09:16,946

I'm coming, you big baby!

214

00:09:20,918 —> 00:09:23,686

You know, the only thing worse

than doing a movie

215

00:09:23,688 —> 00:09:26,722

where they glue monkey hair

to your ass

216

00:09:26,724 —> 00:09:28,090

is getting fired from a movie

217

00:09:28,092 —> 00:09:30,693
where they glue monkey hair
to your ass.

218
00:09:31,695 —> 00:09:34,363
Forget it, man,
it's crap.

219
00:09:34,365 —> 00:09:36,032
You just move on
to the next thing.

220
00:09:36,034 —> 00:09:37,767
Yeah, well, it's easy
for you to say.

221
00:09:37,769 —> 00:09:39,802
You used to be famous.

222
00:09:39,804 —> 00:09:42,872
Hey. I just lost
a job for you.

223

00:09:42,874 —> 00:09:45,708
You're right, I'm sorry,
you're famous.

224
00:09:45,710 —> 00:09:47,910
Penny, it's not
about being famous.

225
00:09:47,912 —> 00:09:49,946
It's about the art.

226
00:09:49,948 —> 00:09:51,981
It's about the passion
we have for our craft.

227
00:09:51,983 —> 00:09:53,916
(phone dings)

228
00:09:53,918 —> 00:09:56,219
I have an audition
for Sharknado 2!

229
00:09:56,221 —> 00:09:58,054

If I book this,

I am totally gonna

230

00:09:58,056 —> 00:09:59,589

pay you back

for this beer.

231

00:10:02,726 —> 00:10:06,329

God, what am I

doing with my life?

232

00:10:06,331 —> 00:10:08,064

You having second thoughts

about acting?

233

00:10:08,066 —> 00:10:09,999

You were on set, you

saw what it was like.

234

00:10:10,001 —> 00:10:12,368

Yeah, but it's not

always that bad.

235

00:10:12,370 —> 00:10:13,502
Oh, really?

236
00:10:13,504 —> 00:10:15,137
What about when you did, uh,

237
00:10:15,139 —> 00:10:16,872
Anne Frank at that
cute little theater?

238
00:10:16,874 —> 00:10:19,308
It was over a bowling alley.

239
00:10:20,410 —> 00:10:22,211
Yeah, but...

240
00:10:22,213 —> 00:10:25,781
there was ample parking.

241
00:10:25,783 —> 00:10:27,049
Are you done?

242

00:10:27,051 —> 00:10:29,151
And you were so good
in the TV commercial.

243
00:10:29,153 —> 00:10:32,154
It was for hemorrhoid cream.

244
00:10:32,156 —> 00:10:34,190
And I got itchy and swollen

245
00:10:34,192 —> 00:10:36,325
just watching you.

246
00:10:39,529 —> 00:10:41,664
Leonard, you are really
not cheering me up.

247
00:10:41,666 —> 00:10:42,798
Come on.

248
00:10:42,800 —> 00:10:44,734
How can you be sad
when you're going home

249

00:10:44,736 —> 00:10:47,503

with all five-foot-six of this?

250

00:10:47,505 —> 00:10:50,573

Hmm. You think you're

five-foot-six, that's funny.

251

00:10:53,910 —> 00:10:55,878

I don't understand it.

252

00:10:55,880 —> 00:10:56,912

I'm a nice guy,

253

00:10:56,914 —> 00:10:58,447

I have a great job,

254

00:10:58,449 —> 00:10:59,649

I'm well-educated,

255

00:10:59,651 —> 00:11:01,517

come from a good family...

256

00:11:01,519 —> 00:11:03,586

Why don't women

want to be with me?

257

00:11:03,588 —> 00:11:04,520

(sighs)

258

00:11:04,522 —> 00:11:06,789

An interesting

question.

259

00:11:08,191 —> 00:11:09,625

Well...

260

00:11:09,627 —> 00:11:11,761

good night.

261

00:11:11,763 —> 00:11:13,229

What?

262

00:11:13,231 —> 00:11:14,530

Don't send me home.

263
00:11:14,532 —> 00:11:15,931
I can't be alone
right now.

264
00:11:15,933 —> 00:11:17,800
That's your problem.

265
00:11:17,802 —> 00:11:19,001
You can't be alone.

266
00:11:19,003 —> 00:11:20,603
What do you mean?

267
00:11:22,606 —> 00:11:25,041
How many women have
you had dates with?

268
00:11:26,476 —> 00:11:27,443
Eleven.

269

00:11:27,445 —> 00:11:29,345
How many of
those women

270
00:11:29,347 —> 00:11:31,881
did you think would become
your perfect companion?

271
00:11:33,016 —> 00:11:34,183
Eleven.

272
00:11:35,252 —> 00:11:36,285
Wait.

273
00:11:36,287 —> 00:11:38,220
Do I count the 200-pound
Sailor Moon girl

274
00:11:38,222 —> 00:11:41,023
that Howard and I had
a threesome with at Comic Con?

275
00:11:43,960 —> 00:11:45,695

Sure.

276

00:11:46,530 —> 00:11:47,663

I'll stick with 11.

277

00:11:47,665 —> 00:11:50,032

She liked Howard better.

278

00:11:51,902 —> 00:11:54,236

Well, now do you

see the problem?

279

00:11:55,505 —> 00:11:56,772

Maybe.

280

00:11:56,774 —> 00:11:58,407

I... I don't know.

281

00:11:58,409 —> 00:11:59,642

You... It's late,

I-I should...

282

00:11:59,644 —> 00:12:01,844
I should go.

283
00:12:04,281 —> 00:12:05,414
(sighs)

284
00:12:05,416 —> 00:12:06,382
Look,

285
00:12:06,384 —> 00:12:08,184
I-I do get what you're saying.

286
00:12:08,186 —> 00:12:09,318
Instead of desperately clinging

287
00:12:09,320 —> 00:12:11,187
to any woman
who will go out with me,

288
00:12:11,189 —> 00:12:13,789
I need to work on
my fear of being alone.

289

00:12:14,958 —> 00:12:17,593

I was trying to suggest

chemical castration, but...

290

00:12:19,830 —> 00:12:21,097

...it's my bedtime,

291

00:12:21,099 —> 00:12:22,465

so whatever gets you

out the door.

292

00:12:22,467 —> 00:12:24,667

Good night.

293

00:12:27,637 —> 00:12:29,739

Howie, I'm back!

294

00:12:29,741 —> 00:12:32,074

Shh-shh-shh,

I just got her to sleep.

295

00:12:32,076 —> 00:12:33,342

Sorry.

296
00:12:33,344 —> 00:12:34,410
What took you so long?

297
00:12:34,412 —> 00:12:36,011
The grocery store
is a few blocks away.

298
00:12:36,013 —> 00:12:37,346
They only had
regular yogurt.

299
00:12:37,348 —> 00:12:39,115
I had to go to
a different store

300
00:12:39,117 —> 00:12:41,317
to get the extra-fat
kind your mom likes.

301
00:12:42,219 —> 00:12:44,353
Then why do I smell coffee

on your breath?

302
00:12:44,355 —> 00:12:45,554
So what?

303
00:12:45,556 —> 00:12:47,156
After two days of
taking care of her,

304
00:12:47,158 —> 00:12:49,058
excuse me for stopping
to get a mocha.

305
00:12:49,060 —> 00:12:50,326
A mocha?

306
00:12:50,328 —> 00:12:53,195
Well, it must be nice
to be queen.

307
00:12:53,197 —> 00:12:54,697
Queen?

308

00:12:54,699 —> 00:12:56,665

I've been killing

myself here!

309

00:12:56,667 —> 00:12:57,733

Well, whose fault is that?

310

00:12:57,735 —> 00:12:59,402

I wanted to get a nurse,

but you were all,

311

00:12:59,404 —> 00:13:01,924

(high-pitched voice): "I'm nice.

I want to take care of people."

312

00:13:03,707 —> 00:13:05,441

I'm glad I got that mocha.

313

00:13:05,443 —> 00:13:07,243

And you know what

else I'm glad about?

314

00:13:07,245 —> 00:13:11,447
I bought you a brownie
and I ate it in the car!

315
00:13:13,950 —> 00:13:15,851
MRS. WOLOWITZ (moaning):
Howard!

316
00:13:15,853 —> 00:13:17,386
Thanks a lot.

317
00:13:17,388 —> 00:13:19,488
Now I have to go
rub her belly again.

318
00:13:23,226 —> 00:13:25,428
(knocking at door)

319
00:13:27,531 —> 00:13:28,564
Hey.

320
00:13:28,566 —> 00:13:30,199
Thanks for letting me come over.

321

00:13:30,201 —> 00:13:31,434

Of course.

322

00:13:31,436 —> 00:13:33,602

Please, come in.

323

00:13:34,938 —> 00:13:36,172

I just wanted to say

324

00:13:36,174 —> 00:13:38,774

how sorry I am about tonight,

and...

325

00:13:38,776 —> 00:13:40,743

I want to make sure

that we're okay.

326

00:13:40,745 —> 00:13:42,912

Uh, look, you and I haven't made

327

00:13:42,914 —> 00:13:44,814

any commitments to each other.

I know.

328

00:13:44,816 —> 00:13:46,916

I just felt like

I needed to explain.

329

00:13:46,918 —> 00:13:48,818

The guy I was with

did my last tattoo,

330

00:13:48,820 —> 00:13:50,252

and he's been asking

me out for months.

331

00:13:50,254 —> 00:13:52,721

I finally said yes

just to get it over with.

332

00:13:52,723 —> 00:13:54,390

It's okay.

333

00:13:54,392 —> 00:13:55,691

Really?

334
00:13:55,693 —> 00:13:58,427
Well, I mean, yeah,
it freaked me out a little,

335
00:13:58,429 —> 00:14:01,030
but that's my issue, not yours.

336
00:14:01,032 —> 00:14:02,965
Wow.

337
00:14:02,967 —> 00:14:04,800
If I saw you out
with another woman,

338
00:14:04,802 —> 00:14:06,502
I'd be pretty upset.

339
00:14:06,504 —> 00:14:09,438
Thank you.

340

00:14:10,440 —> 00:14:11,774
Not just for being upset,

341
00:14:11,776 —> 00:14:14,043
but for believing
that could happen.

342
00:14:17,280 —> 00:14:19,949
Just so you know,
I'm not seeing anyone else.

343
00:14:19,951 —> 00:14:22,117
Well, me, neither.

344
00:14:22,119 —> 00:14:23,219
Okay.

345
00:14:23,221 —> 00:14:25,221
Okay.
(laughs)

346
00:14:25,223 —> 00:14:26,722
Please.

347

00:14:26,724 —> 00:14:29,291

So, uh... you...

you have tattoos?

348

00:14:29,293 —> 00:14:30,259

Yeah.

349

00:14:30,261 —> 00:14:32,595

I don't.

350

That's not helpful.

76

00:03:22,769 —> 00:03:25,703

Well, then, we may need

to get used to the idea

77

00:03:25,705 —> 00:03:29,207

that we're gonna be living

here the next few months.

78

00:03:29,209 —> 00:03:30,475

But we have jobs.

79

00:03:30,477 —> 00:03:32,610
We can't baby-sit her
24 hours a day.

80
00:03:32,612 —> 00:03:35,413
Well, what if we use
our vacation time?

81
00:03:35,415 —> 00:03:39,350
I wanted to go to Hawaii,
not Hell.

82
00:03:39,352 —> 00:03:41,419
I don't know
what else we can do.

83
00:03:41,421 —> 00:03:44,989
Howie, I love you,

84
00:03:44,991 —> 00:03:47,124
and as your wife, your
mother is every bit

85

00:03:47,126 —> 00:03:50,094
as much my problem as
she is yours, so...

86
00:03:50,096 —> 00:03:53,498
I want a divorce.

87
00:03:53,500 —> 00:03:55,666
(laughs)

88
00:03:56,869 —> 00:03:58,469
Hello, Leonard.

89
00:03:58,471 —> 00:03:59,937
Hi, Mom.

90
00:03:59,939 —> 00:04:02,006
I have some exciting news.

91
00:04:02,008 —> 00:04:04,775
I'm listening.

92

00:04:04,777 —> 00:04:07,578
Before I tell you,
will you promise to try

93
00:04:07,580 —> 00:04:11,582
and be happy for me and keep any
concerns you have to yourself?

94
00:04:11,584 —> 00:04:13,618
No.

95
00:04:13,620 —> 00:04:18,856
Let me save you
all of your hemming and hawing.

96
00:04:18,858 —> 00:04:22,293
Sheldon already told me
that you and Penny are engaged.

97
00:04:22,295 —> 00:04:26,564
I-I hate that you talk to him
more than you talk to me.

98

00:04:26,566 —> 00:04:29,433
Would you like for you and me
to talk more?

99
00:04:31,470 —> 00:04:33,804
You know what?
It's probably fine.

100
00:04:33,806 —> 00:04:37,842
In any event, while I've had
my misgivings about...

101
00:04:37,844 —> 00:04:40,044
Penny...

102
00:04:41,313 —> 00:04:43,381
...Sheldon spoke
very fondly of her,

103
00:04:43,383 —> 00:04:45,616
and if she is good enough
for him,

104

00:04:45,618 —> 00:04:47,885
then she's good enough for me.

105
00:04:49,755 —> 00:04:51,222
I'm your son.

106
00:04:51,224 —> 00:04:54,191
What about the fact
that she's good enough for me?

107
00:04:55,761 —> 00:04:57,662
Sure.

108
00:04:57,664 —> 00:04:59,664
Thanks, Mom.

109
00:04:59,666 —> 00:05:01,666
Leonard,
would it make you feel better

110
00:05:01,668 —> 00:05:06,504
to hear that your mother
approved of your life choices?

111

00:05:06,506 —> 00:05:09,473

Yes, it would.

112

00:05:09,475 —> 00:05:13,177

Yeah. Well,

you should work on that.

113

00:05:16,782 —> 00:05:18,649

No, Mom, it's the same guy

114

00:05:18,651 —> 00:05:21,385

I've been going out with

for the past two years.

115

00:05:21,387 —> 00:05:23,454

Yeah, the scientist.

116

00:05:23,456 —> 00:05:24,822

Well, it's complicated.

117

00:05:24,824 —> 00:05:28,326

I mean, he works with lasers
and atomic magnets.

118
00:05:30,262 —> 00:05:33,197
No, I did not see it coming.

119
00:05:33,199 —> 00:05:37,401
No, we did not set a date.

120
00:05:38,670 —> 00:05:40,705
Yeah, this is a first
for our family.

121
00:05:40,707 —> 00:05:42,573
All right, tell Dad I love him.

122
00:05:42,575 —> 00:05:43,608
I gotta go.

123
00:05:43,610 —> 00:05:44,709
All right, bye.

124

00:05:44,711 —> 00:05:45,810
Atomic magnets?

125
00:05:45,812 —> 00:05:46,944
Shut up.

126
00:05:46,946 —> 00:05:48,245
(knocking on door)

127
00:05:48,247 —> 00:05:50,081
Sorry I'm late.

128
00:05:50,083 —> 00:05:53,884
The leaf blower broke, so I had
to hand-dry my mother-in-law.

129
00:05:53,886 —> 00:05:56,387
You want some wine?

130
00:05:56,389 —> 00:05:57,321
Thanks.

131

00:05:57,323 —> 00:05:59,090
Little warning
before you jump into

132
00:05:59,092 —> 00:06:00,091
this marriage business:

133
00:06:00,093 —> 00:06:01,392
You're not just marrying him,

134
00:06:01,394 —> 00:06:02,660
you're marrying his family.

135
00:06:02,662 —> 00:06:05,062
I think Leonard's mom's okay
with me.

136
00:06:05,064 —> 00:06:06,397
It doesn't matter
if she's okay with you.

137
00:06:06,399 —> 00:06:08,833
The question is: Can she go

to the bathroom by herself?

138
00:06:13,538 —> 00:06:16,140
Hit me again.

139
00:06:17,576 —> 00:06:20,544
So, what are the living
arrangements gonna be?

140
00:06:20,546 —> 00:06:22,747
Well, haven't really talked
about it yet, but I figure,

141
00:06:22,749 —> 00:06:25,416
at some point, I'll move in with
him, or he'll move in with me.

142
00:06:25,418 —> 00:06:28,152
Well, with you not working,
that makes financial sense.

143
00:06:28,154 —> 00:06:29,487
You're not working!

144

00:06:29,489 —> 00:06:32,056

How would you like a job

in home health care?

145

00:06:32,058 —> 00:06:34,158

Not a chance.

146

00:06:34,160 —> 00:06:35,860

Please. I'm desperate.

No.

147

00:06:35,862 —> 00:06:38,295

I'll pay you anything you want.

Okay, then, yeah.

148

00:06:39,264 —> 00:06:41,999

No! Keep your money!

149

00:06:45,837 —> 00:06:48,973

I could've ridden a bull

longer than that.

150

00:06:51,376 —> 00:06:53,844

What you working on?

151

00:06:53,846 —> 00:06:55,846

I'm writing an appeal

152

00:06:55,848 —> 00:06:57,081

to the Faculty Senate,

153

00:06:57,083 —> 00:06:59,050

so that I can move on

from string theory.

154

00:06:59,052 —> 00:07:00,518

Oh. How's it going?

155

00:07:00,520 —> 00:07:02,987

You tell me.

156

00:07:02,989 —> 00:07:04,188

(clears throat)

157

00:07:04,190 —> 00:07:05,890

"Dear Esteemed Colleagues,

158

00:07:05,892 —> 00:07:07,658

"As you may know,

I have requested

159

00:07:07,660 —> 00:07:09,293

"to change my field of study.

160

00:07:09,295 —> 00:07:10,795

"My decision

to do so

161

00:07:10,797 —> 00:07:13,130

"is, I believe,

in the best interest of science.

162

00:07:13,132 —> 00:07:16,200

"At your convenience, I'd be

happy to explain it to you

163

00:07:16,202 —> 00:07:19,036
in words you'll understand."

164
00:07:20,072 —> 00:07:23,107
It's nice
that you called them "esteemed."

165
00:07:23,109 —> 00:07:25,743
You're right.
I'll take that out.

166
00:07:27,212 —> 00:07:30,648
So, listen, there was something
I was hoping to float past you.

167
00:07:30,650 —> 00:07:32,349
Mm.
Now that Penny and I are engaged,

168
00:07:32,351 —> 00:07:35,619
I thought we might want to talk
about our living arrangements.

169

00:07:35,621 —> 00:07:37,655
Of course.

170
00:07:37,657 —> 00:07:40,424
She's spent many nights here,
and you're worried

171
00:07:40,426 —> 00:07:45,029
about preserving the myth of her
virginity before the wedding.

172
00:07:46,898 —> 00:07:48,799
I'm not.

173
00:07:48,801 —> 00:07:50,735
Good, because not only has
that ship sailed,

174
00:07:50,737 —> 00:07:54,271
if it hit an iceberg,
countless men would perish.

175
00:07:54,273 —> 00:07:58,175

Actually, this is about where
she and I are going to live.

176
00:07:58,177 —> 00:07:59,677
What do you mean?

177
00:07:59,679 —> 00:08:02,747
Well... well, we might want
to live together.

178
00:08:02,749 —> 00:08:06,150
Oh, yeah, well, I've already
given this some thought,

179
00:08:06,152 —> 00:08:07,318
and...

180
00:08:07,320 —> 00:08:10,387
I'm willing
to let Penny live with us

181
00:08:10,389 —> 00:08:13,524
one day a week

for a trial period.

182

00:08:15,127 —> 00:08:18,129

Now, obviously,

not when she's made cranky

183

00:08:18,131 —> 00:08:21,332

by the shedding

of her uterine lining.

184

00:08:23,001 —> 00:08:24,368

That's very sweet.

185

00:08:25,937 —> 00:08:30,307

But we were thinking more of us

maybe living together with...

186

00:08:30,309 —> 00:08:32,510

not you.

187

00:08:35,213 —> 00:08:37,381

I don't understand.

188

00:08:38,550 —> 00:08:41,819

How could we all live together

if I'm not there?

189

00:08:42,721 —> 00:08:44,889

Look, I-I know

this is... this is change,

190

00:08:44,891 —> 00:08:46,891

and that sounds scary, but...

191

00:08:46,893 —> 00:08:48,526

Where are you going to go?

192

00:08:48,528 —> 00:08:50,094

I don't know.

193

00:08:50,096 —> 00:08:51,962

We just started

to think about this.

194

00:08:51,964 —> 00:08:53,497

Maybe I'll move
in with Penny,

195
00:08:53,499 —> 00:08:55,599
or maybe she and
I'll take this place,

196
00:08:55,601 —> 00:08:56,901
and you can move
across the hall.

197
00:08:56,903 —> 00:08:59,236
Move across the hall?!

198
00:08:59,838 —> 00:09:02,706
Did you take a marijuana?!

199
00:09:04,943 —> 00:09:06,911
No, I did not.

200
00:09:06,913 —> 00:09:09,647
Did you get hit
on the head with a coconut?

201

00:09:09,649 —> 00:09:11,482

No.

Well, then,

202

00:09:11,484 —> 00:09:12,917

I'm all out of guesses.

203

00:09:12,919 —> 00:09:14,285

What? Me move across the hall—

204

00:09:14,287 —> 00:09:16,420

Why would you even suggest

such a thing?

205

00:09:16,422 —> 00:09:17,788

Because I love Penny,

206

00:09:17,790 —> 00:09:20,224

and want to give her

the life she deserves.

207

00:09:20,226 —> 00:09:22,193
I see.

208
00:09:22,195 —> 00:09:25,462
You're putting your future
bride's happiness above mine.

209
00:09:27,365 —> 00:09:30,201
Well, yeah.

210
00:09:30,203 —> 00:09:32,636
Wow.

211
00:09:42,137 —> 00:09:46,040
How dare the university force me
to go back to string theory!

212
00:09:46,042 —> 00:09:47,775
They just don't appreciate you.

213
00:09:47,777 —> 00:09:50,245
Yeah, and on top of that,
Leonard has the audacity

214

00:09:50,247 —> 00:09:52,747

to suggest that now

that he and Penny are engaged,

215

00:09:52,749 —> 00:09:54,883

he may not want

to live with me anymore.

216

00:09:54,885 —> 00:09:57,051

Here, I made you some

Strawberry Quik.

217

00:09:57,053 —> 00:09:58,887

I have real problems here, Amy.

218

00:09:58,889 —> 00:10:01,756

I can't be mollified with a

beverage designed for children.

219

00:10:01,758 —> 00:10:02,724

(slurps)

220

00:10:02,726 —> 00:10:04,225

Mmm! Yummy.

221

00:10:05,594 —> 00:10:07,996

You know, this might

work out for the best.

222

00:10:07,998 —> 00:10:09,564

I mean, you're

always complaining

223

00:10:09,566 —> 00:10:11,499

about what a terrible

roommate Leonard is.

224

00:10:11,501 —> 00:10:12,800

Like how he turns up

225

00:10:12,802 —> 00:10:14,202

the thermostat when

you're not there.

226

00:10:14,204 —> 00:10:17,372
Ugh! It's like walking
into the Amazon.

227
00:10:17,374 —> 00:10:19,874
And not the good Amazon
with one-day shipping.

228
00:10:19,876 —> 00:10:23,144
The awful one
with birds and snakes.

229
00:10:23,146 —> 00:10:26,180
You hate the sound of all
those keys on his key chain.

230
00:10:26,182 —> 00:10:28,216
Four keys!

231
00:10:28,218 —> 00:10:30,351
Who does he think
he is, a warden?

232

00:10:31,453 —> 00:10:34,322
See? Maybe you'll
love living alone.

233
00:10:34,324 —> 00:10:37,025
I don't know. Perhaps.

234
00:10:37,027 —> 00:10:39,494
And if it turns
out you don't...

235
00:10:39,496 —> 00:10:41,396
you and I could
live together.

236
00:10:41,398 —> 00:10:43,831
You and... Oh, sure.

237
00:10:43,833 —> 00:10:45,266
And while we're at it,

238
00:10:45,268 —> 00:10:46,768
why don't we get engaged, too?

239

00:10:46,770 —> 00:10:49,003

Why don't we get a little house,

start a family?

240

00:10:49,005 —> 00:10:50,438

Enjoy our sunset years together?

241

00:10:50,440 —> 00:10:53,341

Do you hear yourself, woman?!

242

00:10:53,343 —> 00:10:56,177

Sheldon, it was just a thought.

No.

243

00:10:56,179 —> 00:10:57,178

Here's a thought.

244

00:10:57,180 —> 00:10:58,246

You're not moving in,

245

00:10:58,248 —> 00:10:59,347

Leonard's not moving out,

246
00:10:59,349 —> 00:11:05,186
everything stays
exactly the way it is.

247
00:11:05,188 —> 00:11:06,821
and you're supposed
to use the powder!

248
00:11:07,790 —> 00:11:09,190
It tastes the same.

249
00:11:09,192 —> 00:11:11,693
No. The syrup tastes better
and I don't like it.

250
00:11:15,264 —> 00:11:16,898
This is so sweet!

251
00:11:16,900 —> 00:11:18,666
You never cook for me.
Well...

252

00:11:18,668 —> 00:11:21,636

you cook for me

all the time and...

253

00:11:21,638 —> 00:11:24,172

Ugh.

254

00:11:24,174 —> 00:11:25,673

If you don't like my cooking,

255

00:11:25,675 —> 00:11:27,075

why haven't you ever

said anything?

256

00:11:27,077 —> 00:11:31,112

It's hard to talk with

so much heavy chewing to do.

257

00:11:31,114 —> 00:11:33,214

Sorry. I'll get better.

258

00:11:33,216 —> 00:11:37,018
I know you'll try.

259
00:11:37,020 —> 00:11:39,954
So, should we talk
about setting a date?

260
00:11:39,956 —> 00:11:41,623
Well, I'd like
to pick one that works

261
00:11:41,625 —> 00:11:42,690
with my brother's schedule.

262
00:11:42,692 —> 00:11:44,325
Okay.
And when would that be?

263
00:11:44,327 —> 00:11:47,729
Uh, 12 to 18 months from now,
depending on good behavior.

264
00:11:47,731 —> 00:11:49,564

(knocking on door)

265

00:11:49,566 —> 00:11:51,766

Hi, is Sheldon here?

266

00:11:51,768 —> 00:11:53,134

No, I thought he was with you.

267

00:11:53,136 —> 00:11:55,036

He was, but he stormed off

268

00:11:55,038 —> 00:11:57,472

and now he isn't answering his phone.

What happened?

269

00:11:57,474 —> 00:11:59,674

He was really angry

that you suggested he move out.

270

00:11:59,676 —> 00:12:01,075

Oh.

271

00:12:01,077 —> 00:12:02,644
I also mentioned that he and I
could live together

272
00:12:02,646 —> 00:12:04,178
but he was too mad at you
to realize

273
00:12:04,180 —> 00:12:06,080
what a great idea that is.

274
00:12:07,683 —> 00:12:10,485
Well, he's been having
a couple of tough days.

275
00:12:10,487 —> 00:12:11,686
I'm sure he's fine.
He probably just

276
00:12:11,688 —> 00:12:13,488
needs a little alone
time to decompress.

277

00:12:13,490 —> 00:12:15,490
You're probably right.

278
00:12:16,558 —> 00:12:18,092
So, what are you guys doing?

279
00:12:20,162 —> 00:12:22,897
Well, Leonard cooked for me
and now we're just having

280
00:12:22,899 —> 00:12:27,035
a nice dinner, you know,
as a newly engaged couple.

281
00:12:27,037 —> 00:12:29,437
That's nice.

282
00:12:34,209 —> 00:12:35,977
Anyway, as I was saying,

283
00:12:35,979 —> 00:12:39,280
Sheldon probably just needs
a little alone time.

284

00:12:40,315 —> 00:12:41,275

'Cause that's important.

285

00:12:45,487 —> 00:12:48,456

Not just for him, but for...

286

00:12:48,458 —> 00:12:50,725

most anybody, really.

287

00:12:50,727 —> 00:12:52,560

Don't I know it.

288

00:12:52,562 —> 00:12:53,695

What is that, polenta?

289

00:12:53,697 —> 00:12:55,329

Amy, get out.

Right.

290

00:13:01,437 —> 00:13:02,837

No.

291

00:13:05,808 —> 00:13:07,809

Hey, Sheldon.

292

00:13:07,811 —> 00:13:09,477

What happened?

293

00:13:09,479 —> 00:13:11,345

I was cooking

in the back room last night

294

00:13:11,347 —> 00:13:12,980

and the hot plate

caught on fire.

295

00:13:12,982 —> 00:13:15,683

And you couldn't put it out?

296

00:13:15,685 —> 00:13:16,918

I was across the street

297

00:13:16,920 —> 00:13:19,620

at the do-it-yourself car wash,

taking a shower.

298

00:13:22,991 —> 00:13:24,726

So when will you reopen?

299

00:13:24,728 —> 00:13:26,060

Um, I don't know.

300

00:13:26,062 —> 00:13:29,497

I'm waiting to hear back

from the insurance company.

301

00:13:29,499 —> 00:13:32,066

So, tomorrow?

302

00:13:32,068 —> 00:13:35,203

I don't mean to be rude,

Sheldon, but, uh,

303

00:13:35,205 —> 00:13:37,105

my life is kind of

falling apart right now.

304

00:13:37,107 —> 00:13:39,006

Your life?

305

00:13:39,008 —> 00:13:41,542

The university is making

me do string theory

306

00:13:41,544 —> 00:13:45,246

and my girlfriend loves me so

much she wants to live with me.

307

00:13:45,248 —> 00:13:46,948

And now,

308

00:13:46,950 —> 00:13:51,085

the place I need to go when I'm

sad is damp and smells funny.

309

00:13:52,755 —> 00:13:54,789

Well, sorry I let you down.

310

00:13:54,791 —> 00:13:56,090
No.

311
00:13:56,092 —> 00:13:57,525
I do not accept this.

312
00:13:57,527 —> 00:13:59,794
Everything is changing
and I hate it.

313
00:13:59,796 —> 00:14:01,028
It stops now.

314
00:14:01,030 —> 00:14:02,930
I'm helping you
get back on your feet.

315
00:14:04,967 —> 00:14:08,703
I would like to purchase
this comic book, please.

316
00:14:09,705 —> 00:14:11,072
That'll be $2.99.

317

00:14:11,074 —> 00:14:13,775

Really? It's soaking wet.

318

00:14:13,777 —> 00:14:15,977

Fine, a dollar.

319

00:14:19,181 —> 00:14:20,314

Can you break a 20?

320

00:14:20,316 —> 00:14:22,383

No, I only have hundreds.

321

00:14:23,852 —> 00:14:25,653

You know what?

322

00:14:25,655 —> 00:14:28,189

I don't always recognize

sarcasm, but I do right now,

323

00:14:28,191 —> 00:14:30,358

and I don't appreciate it.

324

00:14:30,360 —> 00:14:31,793

I'm sorry for your loss.

325

00:14:31,795 —> 00:14:34,562

But you're not the only one

whose day has been a disaster.

326

00:14:41,970 —> 00:14:44,872

That could have killed me.

327

00:14:44,874 —> 00:14:48,109

I can't catch a break.

328

00:14:50,379 —> 00:14:51,946

I haven't heard

from Sheldon in a while.

329

00:14:51,948 —> 00:14:53,147

(turns off TV)

You think he's okay?

330

00:14:53,149 —> 00:14:54,482
Oh, I'm sure he's fine.

331
00:14:54,484 —> 00:14:56,417
I'm gonna see where he is.

332
00:14:56,419 —> 00:14:58,519
How?

333
00:14:58,521 —> 00:15:00,922
Oh, I know his password,
so I can track his phone.

334
00:15:00,924 —> 00:15:02,523
(scoffs)
You do that?

335
00:15:02,525 —> 00:15:05,493
Not always, but ever since he
wandered off at the swap meet

336
00:15:05,495 —> 00:15:08,830
chasing a balloon,

I get worried.

337

00:15:08,832 —> 00:15:10,331

He can take care of himself.

338

00:15:10,333 —> 00:15:11,799

Look, we went over

stranger danger

339

00:15:11,801 —> 00:15:14,335

and gave him that whistle.

340

00:15:14,337 —> 00:15:16,470

That's weird.

341

00:15:16,472 —> 00:15:19,040

What?

He's at the train station.

342

00:15:19,042 —> 00:15:20,608

So? He loves trains.

343

00:15:20,610 —> 00:15:22,610
It's dark out and he's
alone, I don't like it.

344
00:15:22,612 —> 00:15:23,845
Let's go get him.

345
00:15:23,847 —> 00:15:26,013
Oh, it's sweet how you
look out for him.

346
00:15:26,015 —> 00:15:27,181
You're a good guy.

347
00:15:27,183 —> 00:15:28,449
It's not just that.

348
00:15:28,451 —> 00:15:31,152
My mother would kill me if I let
something happen to him.

349
00:15:35,390 —> 00:15:38,459
Dude, I'm so sorry.

350

00:15:38,461 —> 00:15:39,760

Don't take this

the wrong way,

351

00:15:39,762 —> 00:15:42,530

but did you do this

for the insurance money?

352

00:15:42,532 —> 00:15:45,867

No. God, you sound like

the police, the firemen,

353

00:15:45,869 —> 00:15:48,970

my parents, my therapist

and the insurance company.

354

00:15:50,372 —> 00:15:52,607

We're here for you, man.

Whatever you need, okay?

355

00:15:52,609 —> 00:15:53,908

Uh, actually, I was

wondering if I could

356
00:15:53,910 —> 00:15:55,610
crash at your place
for a few nights.

357
00:15:55,612 —> 00:15:57,044
Sure, of course.

358
00:15:57,046 —> 00:15:58,779
Oh, actually, Emily was
gonna spend the night.

359
00:15:58,781 —> 00:16:01,716
You slept with her? Nice.

360
00:16:01,718 —> 00:16:03,484
Well, I can't take
all the credit.

361
00:16:03,486 —> 00:16:05,653
She let me do it
to her, but...

362

00:16:06,922 —> 00:16:10,191

Uh, but I can always

call her and cancel.

363

00:16:10,193 —> 00:16:12,627

Hang on. I know

a place you can stay

364

00:16:12,629 —> 00:16:14,795

and earn some money

at the same time.

365

00:16:14,797 —> 00:16:16,898

Great.

I just have to warn you,

366

00:16:16,900 —> 00:16:21,068

it'll involve humiliation,

degradation and verbal abuse.

367

00:16:22,037 —> 00:16:24,438

So what's the catch?

368

00:16:30,012 —> 00:16:32,179

Sheldon.

369

00:16:32,181 —> 00:16:34,015

You tracked my phone?

370

00:16:34,017 —> 00:16:35,349

Yeah.

371

00:16:35,351 —> 00:16:39,353

Boy, you chase one balloon

for three miles.

372

00:16:41,356 —> 00:16:43,424

We were worried

about you.

373

00:16:43,426 —> 00:16:45,459

Don't be melodramatic.

374

00:16:45,461 —> 00:16:48,763

I'm just getting on a train
and leaving forever.

375
00:16:48,765 —> 00:16:50,765
Seriously?

376
00:16:50,767 —> 00:16:52,166
You don't even have
a change of clothes

377
00:16:52,168 —> 00:16:53,534
or a toothbrush.

378
00:16:53,536 —> 00:16:56,504
My plan is to stop at malls
and buy what I need.

379
00:16:56,506 —> 00:16:58,673
It's called
living off the land.

380
00:16:58,675 —> 00:17:01,042
Okay, I know you're upset

381

00:17:01,044 —> 00:17:03,010

and there's a lot

of stuff going on,

382

00:17:03,012 —> 00:17:04,645

but it's nothing

we can't work out.

383

00:17:04,647 —> 00:17:06,113

Come on, let's get you home.

384

00:17:06,115 —> 00:17:08,149

No. I've reached

my breaking point.

385

00:17:08,151 —> 00:17:10,117

I need to leave. Now.

386

00:17:10,119 —> 00:17:11,519

And go where?

387

00:17:11,521 —> 00:17:12,887
It doesn't matter.

388
00:17:12,889 —> 00:17:16,123
So a few things
don't go your way

389
00:17:16,125 —> 00:17:20,261
and your best decision is to
ride the rails like a hobo?

390
00:17:21,863 —> 00:17:23,798
I suppose it is.

391
00:17:23,800 —> 00:17:25,866
Except I have a credit card.

392
00:17:25,868 —> 00:17:29,337
And I refuse to carry
my laptop at the end of a stick.

393
00:17:31,239 —> 00:17:35,142
And I'd sooner die

than eat beans out of a can.

394
00:17:35,144 —> 00:17:37,611
Come on, come home with us

395
00:17:37,613 —> 00:17:39,347
and tomorrow I'll-I'll
take you to Legoland.

396
00:17:39,349 —> 00:17:42,350
Legoland is not
the solution to everything.

397
00:17:43,151 —> 00:17:44,552
And it's too much of a scene

398
00:17:44,554 —> 00:17:46,754
since that movie came out.

399
00:17:47,756 —> 00:17:49,790
Then what can I do?

400

00:17:49,792 —> 00:17:52,126
Leonard, I am overwhelmed.

401
00:17:52,128 —> 00:17:55,896
Everything is changing
and it's simply too much.

402
00:17:55,898 —> 00:17:57,498
I need to get away and think.

403
00:17:57,500 —> 00:17:59,433
Oh, c-come on, you know
you're overreacting.

404
00:17:59,435 —> 00:18:00,935
PENNY:
Leonard, hang on.

405
00:18:00,937 —> 00:18:04,105
Just... come here
for a second.

406
00:18:05,807 —> 00:18:07,341

Maybe we need to let him go.

407

00:18:07,343 —> 00:18:09,143

What?! Why?

408

00:18:09,145 —> 00:18:10,411

It might be good for him.

409

00:18:10,413 —> 00:18:11,345

Y-You know he can't

410

00:18:11,347 —> 00:18:13,347

take a trip like this

by himself.

411

00:18:13,349 —> 00:18:14,648

He's a grown man.

412

00:18:14,650 —> 00:18:17,218

No, he looks like a grown man.

413

00:18:18,887 —> 00:18:20,554

You've seen

Freaky Friday, sometimes

414

00:18:20,556 —> 00:18:23,657

little kids end up

in big person bodies.

415

00:18:24,726 —> 00:18:26,761

Leonard, we can't

protect him forever.

416

00:18:26,763 —> 00:18:28,262

I know, but...

417

00:18:28,264 —> 00:18:29,830

He'll be okay.

418

00:18:29,832 —> 00:18:31,198

You taught him

well, Padawan.

419

00:18:31,200 —> 00:18:32,900

SHELDON:

Good Lord!

420

00:18:32,902 —> 00:18:36,637

Padawan's the student,

not the teacher.

421

00:18:38,206 —> 00:18:40,207

Seriously, let him go.

422

00:18:45,347 —> 00:18:47,648

Sheldon, if you really

need to do this,

423

00:18:47,650 —> 00:18:49,183

I'm not gonna

stand in your way.

424

00:18:49,185 —> 00:18:51,552

I do.

425

00:18:51,554 —> 00:18:54,255

Okay.

426

00:18:54,257 —> 00:18:55,856

Good luck.

427

00:18:59,895 —> 00:19:02,897

Be safe and call us.

428

00:19:05,067 —> 00:19:06,534

I will.

429

00:19:07,836 —> 00:19:10,004

Bye, buddy.

430

00:19:14,209 —> 00:19:15,443

Sheldon...

431

00:19:15,445 —> 00:19:17,511

Yes?

432

00:19:17,513 —> 00:19:20,181

I'm gonna miss you.

433

00:19:21,416 —> 00:19:23,717
Of course you are.

434
00:19:25,754 —> 00:19:28,689
He just made that easier.
Mm.

435
00:19:37,751 —> 00:19:39,285
(music plays on TV)

436
00:19:39,287 —> 00:19:41,453
Hey!

437
00:19:43,056 —> 00:19:45,324
What are you guys
still doing here?

438
00:19:45,326 —> 00:19:46,992
I got this, go. Go home.

439
00:19:46,994 —> 00:19:48,560
(turns off TV)

440

00:19:48,562 —> 00:19:50,729

You sure?

(scoffs)

441

00:19:51,765 —> 00:19:53,232

Yeah, she's fed,

she took her pills,

442

00:19:53,234 —> 00:19:54,634

she's all tucked in

and watching TV.

443

00:19:54,635 —> 00:19:56,869

So, she's not

too much for you?

444

00:19:56,871 —> 00:19:59,805

Are you kidding?

I love her, she's great.

445

00:19:59,807 —> 00:20:02,374

MRS. WOLOWITZ:

Stewie, you gonna watch

446

00:20:02,376 —> 00:20:04,043

Wheel of Fortune with me?

447

00:20:04,045 —> 00:20:06,312

Coming, Debbie.

448

00:20:07,781 —> 00:20:09,415

You call her Debbie?

449

00:20:09,417 —> 00:20:10,849

She insisted.

450

00:20:10,851 —> 00:20:13,485

So, hey, guys,

thank you so much.

451

00:20:13,487 —> 00:20:15,688

This job is a dream come true.

452

00:20:22,128 —> 00:20:24,196

Was that a little weird?

453

00:20:24,198 —> 00:20:26,065

Yeah. I don't know why,

454

00:20:26,067 —> 00:20:28,901

but something

about it feels...

455

00:20:28,903 —> 00:20:32,838

unnatural.

456

00:20:32,840 —> 00:20:35,975

Okay, let's go.

Yep.

457

00:20:37,110 —> 00:20:39,645

Okay, Sheldon,

thanks for checking in.

458

00:20:39,647 —> 00:20:41,580

Talk to you tomorrow?

459

00:20:41,582 —> 00:20:44,283
O-Okay, bye.

460
00:20:44,285 —> 00:20:45,818
He's okay?

461
00:20:45,820 —> 00:20:47,820
Actually sounds like
he's doing pretty well.

462
00:20:47,822 —> 00:20:50,322
I really think
this is gonna be for the best.

463
00:20:50,324 —> 00:20:51,757
Me, too.

464
00:20:51,759 —> 00:20:53,792
And he was able
to take a sabbatical from...

465
00:20:53,794 —> 00:20:55,698
How could you let him go?!
