00:06:33,175 —> 00:06:35,342

was in trouble

and called you instead of me.

178

00:06:35,344 —> 00:06:36,560

I love that!

179

00:06:38,312 —> 00:06:42,732
Yeah, time's gonna fly by.

180
00:06:43,901 —> 00:06:46,903
I haven't been on a job
interview in years.

181
00:06:46,905 —> 00:06:47,988
I'm really nervous.

182
00:06:47,990 —> 00:06:49,072
Don't be.

183
00:06:49,074 —> 00:06:50,991
You are built for
pharmaceutical sales.

184
00:06:50,993 —> 00:06:53,777
You're cute,
you're flirty and...

185
00:06:53,779 —> 00:06:56,580
Started that like there

were gonna be three things.

186
00:06:57,698 —> 00:07:00,033
I don't have
any experience in sales.

187
00:07:00,035 —> 00:07:02,953
Unless you count the bikini
car wash I did in high school.

188
00:07:02,955 —> 00:07:05,705
But you already made me
take that off my résumé.

189
00:07:07,458 —> 00:07:09,376
This job is a lot
like being a waitress,

190
00:07:09,378 —> 00:07:10,877
except instead of
pushing the fish tacos

191
00:07:10,879 —> 00:07:12,128

'cause they're

about to go bad,

192

00:07:12,130 —> 00:07:14,214

you're just pushing

our antidepressants

193

00:07:14,216 —> 00:07:16,933

before the FDA finds out they

may cause rectal bleeding.

194

00:07:19,220 —> 00:07:20,203

They do?

195

00:07:20,205 —> 00:07:22,639

Maybe.

196

00:07:23,808 —> 00:07:26,142

But like our lawyers say,

the world is full of things

197

00:07:26,144 —> 00:07:28,645

that can cause a

rectum to bleed.

198

00:07:30,147 —> 00:07:31,364

Anyway, I talked

you up to Dan.

199

00:07:31,366 —> 00:07:32,949

He's the guy who'll

be interviewing you.

200

00:07:32,951 —> 00:07:34,317

Oh, I really appreciate this.

201

00:07:34,319 —> 00:07:35,986

I just hope I'm not

in over my head.

202

00:07:35,988 —> 00:07:37,904

You'll be fine.

Just be yourself.

203

00:07:37,906 —> 00:07:39,539

I wish I felt more confident.

Penny,

204
00:07:39,541 —> 00:07:41,157
I wouldn't have put
you up for this job

205
00:07:41,159 —> 00:07:42,325
if I didn't think
you could handle it.

206
00:07:42,327 —> 00:07:44,694
Oh, thank you,
but maybe I should cancel.

207
00:07:44,696 —> 00:07:46,546
It's too late to cancel.
You're going.

208
00:07:46,548 —> 00:07:48,448
But I don't know anything
about pharmaceuticals.

209
00:07:48,450 —> 00:07:49,833

Oh, I understand.

210

00:07:49,835 —> 00:07:51,801

You want to do something

you're already good at.

211

00:07:51,803 —> 00:07:53,053

I know.

212

00:07:53,055 —> 00:07:54,721

Why don't I get

you a job at

213

00:07:54,723 —> 00:07:57,641

the Sitting Around All Day

Wearing Yoga Pants Factory?

214

00:08:01,596 —> 00:08:03,813

They're comfortable.

215

00:08:05,933 —> 00:08:09,352

Ma, I hope you're decent.

Raj is here!

216

00:08:09,354 —> 00:08:10,737

You just started seeing

naked women again,

217

00:08:10,739 —> 00:08:12,405

and I don't want you

to be confused

218

00:08:12,407 —> 00:08:13,857

about where the boobs should be.

219

00:08:15,026 —> 00:08:16,576

Oh, hey, guys.

220

00:08:16,578 —> 00:08:18,028

What are you

doing here?

221

00:08:18,030 —> 00:08:20,780

Uh... w-what are you doing here?

222

00:08:20,782 —> 00:08:21,948
I thought you moved out.

223
00:08:21,950 —> 00:08:23,867
Oh, yeah, I was going to,

224
00:08:23,869 —> 00:08:25,869
and then Debbie
and I got to talking

225
00:08:25,871 —> 00:08:27,454
over dinner
the other night.

226
00:08:27,456 —> 00:08:28,705
I didn't have anyplace to go,

227
00:08:28,707 —> 00:08:30,006
she likes having me around,

228
00:08:30,008 —> 00:08:32,759
so we both said, “Why leave?”
at the same time.

229

00:08:32,761 —> 00:08:33,960

(laughs)

230

00:08:33,962 —> 00:08:36,179

It was precious.

231

00:08:37,265 —> 00:08:39,633

It's not that precious.

232

00:08:39,635 —> 00:08:41,051

I'd like to

back you up,

233

00:08:41,053 —> 00:08:43,103

but it sounds like it

was pretty precious.

234

00:08:47,391 —> 00:08:50,560

MRS. WOLOWITZ:

Stewie, I can't find my glasses!

235

00:08:50,562 —> 00:08:52,312
Be right there, Deb Deb!

236
00:08:54,031 —> 00:08:55,565
They're probably on her head.

237
00:08:56,901 —> 00:08:58,735
Or in her neck.
Listen.

238
00:08:59,987 —> 00:09:02,789
You staying here
seems like something

239
00:09:02,791 —> 00:09:04,908
she would've talked
to me about.

240
00:09:04,910 —> 00:09:07,577
Well, maybe if you called your
mother more often, you'd know.

241
00:09:11,132 —> 00:09:13,717

It wouldn't kill you
to pick up the phone.

242
00:09:29,166 —> 00:09:31,034
Any word on my
stolen items?

243
00:09:31,036 —> 00:09:33,169
We're doing everything we can.

244
00:09:34,005 —> 00:09:35,672
You know, Sherlock Holmes

245
00:09:35,674 —> 00:09:37,907
liked to use cocaine
to sharpen his focus.

246
00:09:40,878 —> 00:09:44,381
But I'm sure those Cool Ranch
Doritos are doing the trick.

247
00:09:45,816 —> 00:09:47,017
Sheldon.

248

00:09:47,019 —> 00:09:48,618

(gasps)

Leonard!

249

00:09:48,620 —> 00:09:50,971

Oh, I'm so happy

to see you.

250

00:09:50,973 —> 00:09:53,089

Are you okay?

Oh, I'm fine.

251

00:09:53,091 —> 00:09:54,958

Why did you come?

252

00:09:56,427 —> 00:09:58,094

What do you mean,

why did I come?

253

00:09:58,096 —> 00:09:59,179

You're my boyfriend.

254

00:09:59,181 —> 00:10:00,880

I haven't seen you

in over a month.

255

00:10:00,882 —> 00:10:02,882

I just drove six hours

to help you out.

256

00:10:02,884 —> 00:10:04,467

Don't you have

anything to say besides,

257

00:10:04,469 —> 00:10:05,685

“Why did you come?”

258

00:10:06,687 —> 00:10:08,438

I do, but...

259

00:10:08,440 —> 00:10:10,140

I feel uncomfortable

saying it out loud

260

00:10:10,142 —> 00:10:11,891
in front of these
police officers.

261
00:10:13,394 —> 00:10:14,394
Fine.

262
00:10:14,396 —> 00:10:15,612
Whisper it.

263
00:10:20,317 —> 00:10:21,534
Shotgun.

264
00:10:34,262 —> 00:10:36,597
So, Sheldon, tell
us about your trip.

265
00:10:36,599 —> 00:10:38,015
Where'd you go?

266
00:10:38,017 —> 00:10:39,516
Where didn't I go?

267

00:10:39,518 —> 00:10:40,601

I went to New York,

268

00:10:40,603 —> 00:10:43,854

Chicago, Atlanta, Denver,

269

00:10:43,856 —> 00:10:45,322

Seattle.

270

00:10:45,324 —> 00:10:46,824

How were they?

271

00:10:46,826 —> 00:10:48,242

Oh, I have no idea.

272

00:10:48,244 —> 00:10:49,910

I never left

the train station.

273

00:10:51,413 —> 00:10:53,781

Hang on. You traveled

across the entire country

274

00:10:53,783 —> 00:10:55,666

and never left a train station?

275

00:10:55,668 —> 00:10:56,917

Why would I?

276

00:10:56,919 —> 00:10:58,869

That's where

all the cool trains are.

277

00:11:00,338 —> 00:11:02,706

I'm sorry, so you

never went outside?

278

00:11:02,708 —> 00:11:05,426

Or had a single

piece of fruit.

279

00:11:08,847 —> 00:11:09,880

So...

280

00:11:09,882 —> 00:11:11,015
why do you think
you'd make

281
00:11:11,017 —> 00:11:14,268
a good pharmaceutical sales rep?

282
00:11:14,270 —> 00:11:16,303
Well, I'm a people person.
Mm-hmm.

283
00:11:16,305 —> 00:11:17,471
People like me.

284
00:11:17,473 —> 00:11:19,690
Some of my favorite people
are people.

285
00:11:20,692 —> 00:11:22,610
I feel like I'm saying
“people” a lot.

286
00:11:22,612 —> 00:11:25,279

People, people, people, PE...

Okay, I'm done.

287

00:11:25,281 —> 00:11:26,730

You sure?

288

00:11:26,732 —> 00:11:27,898

People.

289

00:11:27,900 —> 00:11:29,867

Yes.

290

00:11:29,869 —> 00:11:31,735

Good!

291

00:11:31,737 —> 00:11:32,870

So, how do you feel

292

00:11:32,872 —> 00:11:34,905

your previous job experience

has prepared you

293

00:11:34,907 —> 00:11:36,824
for a career like this?

294
00:11:36,826 —> 00:11:39,960
Uh, well, as a waitress,
sales was a big part of my job.

295
00:11:39,962 —> 00:11:42,496
I mean, believe me, I convinced
a lot of very large customers,

296
00:11:42,498 —> 00:11:44,048
who should not be
eating cheesecake,

297
00:11:44,050 —> 00:11:45,966
to have more cheesecake.

298
00:11:45,968 —> 00:11:47,251
I mean,

299
00:11:47,253 —> 00:11:49,386
one of those chubsters

even had an insulin pump!

300

00:11:49,388 —> 00:11:52,089

Uh-huh!

301

00:11:53,174 —> 00:11:56,210

I have an insulin pump.

302

00:11:58,396 —> 00:12:00,597

People.

(quiet laugh)

303

00:12:03,184 —> 00:12:04,652

It's weird, right?

304

00:12:04,654 —> 00:12:08,105

A grown man in his 30s

living with my mother.

305

00:12:08,107 —> 00:12:09,440

That is weird.

306

00:12:09,442 —> 00:12:12,576
I thought he was, like, 45.

307
00:12:12,578 —> 00:12:14,611
Come on, you don't think
it's a little odd?

308
00:12:14,613 —> 00:12:16,747
I don't know!
I mean, she's lonely.

309
00:12:16,749 —> 00:12:18,115
He needs a place to stay.

310
00:12:18,117 —> 00:12:20,084
I doubt there's
any funny business going on.

311
00:12:20,086 —> 00:12:21,335
And even if there was,

312
00:12:21,337 —> 00:12:22,703
who cares?

They're both adults.

313

00:12:22,705 —> 00:12:24,288

“Who cares”?!

You wouldn't care

314

00:12:24,290 —> 00:12:26,256

if I slept with your mom?

315

00:12:26,258 —> 00:12:27,958

You know what?

You're my best friend,

316

00:12:27,960 —> 00:12:29,293

and she's in a bad marriage.

317

00:12:29,295 —> 00:12:31,378

I give you my blessing.

318

00:12:31,380 —> 00:12:33,630

This is stupid.

319

00:12:33,632 —> 00:12:36,967
I'm just gonna call my mother
and be honest with her.

320
00:12:36,969 —> 00:12:39,770
'Cause that's
what little matzo balls do.

321
00:12:41,890 —> 00:12:43,857
(line ringing)

322
00:12:43,859 —> 00:12:44,975
STUART:
This is Debbie!

323
00:12:44,977 —> 00:12:46,310
MRS. WOLOWITZ:
And this is Stuart!

324
00:12:46,312 —> 00:12:49,980
BOTH:
Just kidding!

325

00:12:49,982 —> 00:12:52,950
STUART:
Leave a message!

326
00:12:52,952 —> 00:12:55,119
(beeps)

327
00:12:56,287 —> 00:12:59,373
(whispers):
This is the part where you talk.

328
00:13:01,743 —> 00:13:03,827
All right, let's say
a physician was prescribing

329
00:13:03,829 —> 00:13:06,246
one of our competitor's drugs.

330
00:13:06,248 —> 00:13:08,298
How would you convince them
to switch to ours?

331
00:13:12,921 —> 00:13:15,155

Um...

332
00:13:15,157 —> 00:13:16,890
any chance his car needs

333
00:13:16,892 —> 00:13:20,227
to be washed by a girl
in a bikini?

334
00:13:20,879 —> 00:13:23,230
(quietly):
No...

335
00:13:23,232 —> 00:13:25,566
Okay, I'm really sorry
for wasting your time.

336
00:13:25,568 —> 00:13:28,152
Don't worry about it.
Thanks for stopping by.

337
00:13:28,154 —> 00:13:30,354
Okay, thanks.

338

00:13:31,740 —> 00:13:34,658

Um, I'm sor...

Listen, could you do me a favor

339

00:13:34,660 —> 00:13:37,528

and not tell Bernadette

how badly I blew this interview?

340

00:13:37,530 —> 00:13:38,846

She'll get upset.

341

00:13:38,848 —> 00:13:42,616

And honestly I'm a...

a little terrified of her.

342

00:13:42,618 —> 00:13:46,086

Wait, wait.

You're scared of Bernadette?

343

00:13:46,088 —> 00:13:47,704

Yeah, kind of.

344

00:13:47,706 —> 00:13:51,208

I thought it was just me!

345

00:13:53,128 —> 00:13:54,678

E-Everyone thinks she's so nice

346

00:13:54,680 —> 00:13:58,015

with that squeaky little voice.

347

00:13:58,017 —> 00:13:59,900

I know, but she's

kind of a bully!

348

00:13:59,902 —> 00:14:01,969

(stammers)

She is!

349

00:14:01,971 —> 00:14:03,470

I-I didn't even want

to meet you,

350

00:14:03,472 —> 00:14:07,057

but, uh, I was too scared

to say no to her.

351

00:14:07,059 —> 00:14:08,692

Me, too!

352

00:14:08,694 —> 00:14:10,394

Yeah, yeah!

One-one time, I had...

353

00:14:10,396 —> 00:14:12,062

Oh! (laughs)

I had to tell her

354

00:14:12,064 —> 00:14:13,564

we were cutting

the-the research funding

355

00:14:13,566 —> 00:14:15,315

for one of the drugs

she was developing.

356

00:14:15,317 —> 00:14:16,567

What happened?

357

00:14:16,569 —> 00:14:18,152

I couldn't do it!

358

00:14:18,154 —> 00:14:20,237

She's still working on it!

(laughs)

359

00:14:20,239 —> 00:14:22,573

(laughing)

360

00:14:23,541 —> 00:14:24,708

Oh!

361

00:14:24,710 —> 00:14:26,577

We're not gonna tell her

about this, right?

362

00:14:26,579 —> 00:14:28,912

Oh, my God, no!

No, no...

363

00:14:30,081 —> 00:14:32,382

At the hot dog stand

in the Denver train station—

364

00:14:32,384 —> 00:14:34,051

Heinz ketchup.

365

00:14:34,053 —> 00:14:35,219

At the hot dog stand

366

00:14:35,221 —> 00:14:36,753

in the Salt Lake City

train station—

367

00:14:36,755 —> 00:14:38,172

Heinz ketchup.

368

00:14:38,174 —> 00:14:41,809

At the hot dog stand in the

Indianapolis train station...

369

00:14:43,144 —> 00:14:45,729

I don't care.

370

00:14:47,599 —> 00:14:49,266

Wrong! Hunt's!

371

00:14:50,685 —> 00:14:52,102

Hey, Amy!

What do you say?

372

00:14:52,104 —> 00:14:54,321

You ready to move on

to the mustard round?

373

00:14:54,323 —> 00:14:57,191

Have you not noticed that

I've been sitting back here

374

00:14:57,193 —> 00:14:59,693

quietly stewing for

the past two hours?

375

00:15:00,528 —> 00:15:02,996

I just thought

you were bad at the game.

376
00:15:04,249 —> 00:15:05,999
I'm mad at you!

377
00:15:06,868 —> 00:15:08,502
How could you just
go away like that

378
00:15:08,504 —> 00:15:09,703
without even
saying good-bye,

379
00:15:09,705 —> 00:15:12,122
and then call Leonard
for help instead of me?

380
00:15:14,843 —> 00:15:15,959
Amy?

381
00:15:15,961 —> 00:15:18,128
May I please have
a moment of privacy

382

00:15:18,130 —> 00:15:20,264

to speak with my roommate?

383

00:15:20,266 —> 00:15:23,517

We're in a moving car!

384

00:15:25,553 —> 00:15:26,970

What do you expect me to do?

385

00:15:26,972 —> 00:15:29,022

Stick my fingers in my ears?

386

00:15:29,024 —> 00:15:30,691

Well, I was thinking

put your head out the window

387

00:15:30,693 —> 00:15:32,192

like a dog, but that'll work.

388

00:15:33,311 —> 00:15:35,112

Please? This'll be quick.

389

00:15:39,951 —> 00:15:41,568

Leonard?

390

00:15:41,570 —> 00:15:43,036

As soon as we get home,

391

00:15:43,038 —> 00:15:45,405

I want to have coitus with Amy.

392

00:15:52,664 —> 00:15:54,381

Okay, she can't hear.

393

00:15:57,335 —> 00:15:59,336

The reason I called you

394

00:15:59,338 —> 00:16:01,755

is because I didn't want Amy

395

00:16:01,757 —> 00:16:04,391

to know I couldn't make it

on my own.

396

00:16:04,393 —> 00:16:06,426

What's the big deal?

397

00:16:06,428 —> 00:16:08,896

Oh, of course it's

no big deal to you.

398

00:16:08,898 —> 00:16:11,398

You idolize me,

and nothing could ever knock me

399

00:16:11,400 —> 00:16:13,600

off that pedestal you put me on.

400

00:16:13,602 —> 00:16:15,686

Well, yeah, it's true.

401

00:16:15,688 —> 00:16:17,571

You-you are a god to me.

402

00:16:18,773 —> 00:16:20,357

Can I stop now?

403
00:16:20,359 —> 00:16:23,193
Just tell her.

404
00:16:24,245 —> 00:16:26,580
I called Leonard because...

405
00:16:26,582 —> 00:16:28,582
I failed.

406
00:16:28,584 —> 00:16:31,919
And I didn't want you
to think less of me.

407
00:16:32,754 —> 00:16:34,922
You were worried about that?

408
00:16:36,257 —> 00:16:38,458
Yes.

409
00:16:40,511 —> 00:16:42,879

Sheldon...

410
00:16:42,881 —> 00:16:46,383
it's okay with me that
you're not perfect.

411
00:16:50,305 —> 00:16:53,807
Can I have one more moment
with Leonard?

412
00:16:53,809 —> 00:16:56,026
Sure.

413
00:17:03,067 —> 00:17:06,536
Amy just hurt my feelings.
I want to break up with her.

414
00:17:09,290 —> 00:17:12,042
Now, I never thought
I'd say this, but I'm

415
00:17:12,044 —> 00:17:15,245
kind of excited to see Sheldon.

416

00:17:15,247 —> 00:17:18,498

I never thought I'd say this,

but Penny got a job today.

417

00:17:19,384 —> 00:17:20,784

She did?

418

00:17:20,786 —> 00:17:22,252

Well, the only reason she got it

419

00:17:22,254 —> 00:17:25,222

is 'cause the guy

who interviewed her loves me.

420

00:17:25,224 —> 00:17:26,974

(knocking)

421

00:17:27,925 —> 00:17:30,093

(clears throat)

422

00:17:31,095 —> 00:17:33,263

What do you want?

423
00:17:33,265 —> 00:17:36,149
I, uh, kind of got the feeling

424
00:17:36,151 —> 00:17:39,102
you might not be okay with me
staying at your mom's.

425
00:17:39,104 —> 00:17:40,354
You're right, I'm not.

426
00:17:40,356 —> 00:17:41,738
I think it's weird.

427
00:17:41,740 —> 00:17:42,773
Howie?

428
00:17:42,775 —> 00:17:44,074
It is. He's a grown man.

429
00:17:44,076 —> 00:17:45,659

He's just gonna

live there rent-free?

430

00:17:45,661 —> 00:17:46,943

How is that gonna motivate him

431

00:17:46,945 —> 00:17:49,079

to get off his butt

and get a job?

432

00:17:49,081 —> 00:17:52,032

I mean, do you even have a plan?

433

00:17:52,034 —> 00:17:54,501

Hey, you're not my father, okay?

434

00:17:54,503 —> 00:17:56,620

And besides, your mother

and I were talking...

435

00:17:56,622 —> 00:17:58,789

“Your mother and I”?

You're not my father!

436

00:17:58,791 —> 00:17:59,956

I didn't say I was your father!

437

00:17:59,958 —> 00:18:01,008

Well, I didn't say

438

00:18:01,010 —> 00:18:02,709

I was your father!

Okay, calm down.

439

00:18:02,711 —> 00:18:04,678

You're not his father,

he's not your father!

440

00:18:04,680 —> 00:18:07,547

Nobody's anybody's father.

441

00:18:07,549 —> 00:18:09,266

I-I'm sorry

you don't like my life choices,

442

00:18:09,268 —> 00:18:10,634
but it's my life!

443
00:18:10,636 —> 00:18:12,936
Well, it's my house,
it's my rules!

444
00:18:12,938 —> 00:18:14,971
Oh-oh! Okay, Dad!

445
00:18:14,973 —> 00:18:17,607
If I mow the lawn,
can I have my allowance?

446
00:18:17,609 —> 00:18:19,693
Hey, don't you take that
sarcastic tone with him!

447
00:18:19,695 —> 00:18:21,061
I don't have
to listen to you!

448
00:18:21,063 —> 00:18:22,312

Don't talk to her like that!

449

00:18:22,314 —> 00:18:23,897

That is my mother... Wife!

450

00:18:23,899 —> 00:18:25,816

My wife! I said my wife!

451

00:18:25,818 —> 00:18:27,484

You know what?

452

00:18:27,486 —> 00:18:28,869

This isn't getting us anywhere.

453

00:18:28,871 —> 00:18:31,571

When you're ready to apologize,

you know where to find me.

454

00:18:31,573 —> 00:18:33,824

Well, yeah, in my house!

455

00:18:33,826 —> 00:18:35,992

That's right, sucka!

456
00:18:38,996 —> 00:18:41,548
I wish I'd never
gone on that trip.

457
00:18:41,550 —> 00:18:44,167
I feel no better now
than when I left.

458
00:18:44,169 —> 00:18:45,669
But you still
accomplished something.

459
00:18:45,671 —> 00:18:47,387
Yeah. If you had
told anyone

460
00:18:47,389 —> 00:18:49,556
that you were going away
on a train by yourself

461
00:18:49,558 —> 00:18:52,175

across the country, do you
know what they would have said?

462
00:18:52,177 —> 00:18:54,177
That I couldn't do it?
Exactly.

463
00:18:54,179 —> 00:18:56,897
Right after they said, “Yay!”

464
00:18:58,182 —> 00:18:59,766
But you did do it.

465
00:18:59,768 —> 00:19:01,852
So what if it didn't
all go your way?

466
00:19:01,854 —> 00:19:04,154
That's what makes it
an adventure.

467
00:19:04,156 —> 00:19:06,156
That's a good point.

468

00:19:06,158 —> 00:19:09,776

Yeah, I'm a lot like

Gandalf the Grey.

469

00:19:09,778 —> 00:19:11,995

He fought the Balrog and emerged

470

00:19:11,997 —> 00:19:14,614

stronger than ever

as Gandalf the White.

471

00:19:14,616 —> 00:19:17,200

I was robbed

of my phone and pants,

472

00:19:17,202 —> 00:19:19,536

and I, too,

came back stronger.

473

00:19:19,538 —> 00:19:21,421

And whiter, too,

'cause I wasn't

474

00:19:21,423 —> 00:19:24,291

in direct sunlight

for six weeks.

475

00:19:24,293 —> 00:19:27,544

See? This trip

was good for you.

476

00:19:27,546 —> 00:19:29,096

Indeed.

477

00:19:29,098 —> 00:19:32,382

I was the world's

smartest caterpillar.

478

00:19:32,384 —> 00:19:36,219

And then after pupating

in our nation's railway system,

479

00:19:36,221 —> 00:19:37,721

I've burst forth

480

00:19:37,723 —> 00:19:40,941

as the world's

smartest butterfly.

481

00:19:41,893 —> 00:19:43,059

Butterfly could've

gotten himself

482

00:19:43,061 —> 00:19:45,612

home from Arizona.

483

00:19:47,031 —> 00:19:48,565

Yeah, I feel renewed.

484

00:19:48,567 —> 00:19:49,567

I'm ready

485

00:19:49,568 —> 00:19:50,700

to deal with any changes

486

00:19:50,702 —> 00:19:52,068

that come my way.

487

00:19:52,553 —> 00:19:54,404

Hey!

Hey!

488

00:19:54,406 —> 00:19:55,906

Look who's back!

489

00:19:55,908 —> 00:19:57,491

Your hair is different.

You changed your hair.

490

00:19:57,493 —> 00:19:59,976

I can't take this.

I'm out.

491

00:20:07,850 —> 00:20:09,901

Would you like to see pictures

from my trip?

492

00:20:09,903 —> 00:20:11,435

I thought your

phone got stolen.

493

00:20:11,437 —> 00:20:13,321

Yeah, it did,

but luckily all my photos

494

00:20:13,323 —> 00:20:15,423

got backed up to the Cloud.

495

00:20:15,425 —> 00:20:18,693

And you thought they

all had a silver lining.

496

00:20:18,695 —> 00:20:20,111

Here— day one.

497

00:20:20,113 —> 00:20:21,462

Uh, this was the seat

498

00:20:21,464 —> 00:20:23,281

I was going to sit in but didn't

499

00:20:23,283 —> 00:20:26,033

because there were

cracker crumbs on it.

500

00:20:26,035 —> 00:20:29,387

As it was first class,

I suspect Ritz.

501

00:20:30,722 —> 00:20:33,908

This is the train bathroom.

502

00:20:33,910 —> 00:20:35,576

This is the Imodium I took

503

00:20:35,578 —> 00:20:38,312

so I would never have

to use the train bathroom.

504

00:20:38,314 —> 00:20:40,031

I cannot believe

505

00:20:40,033 —> 00:20:41,465

you traveled the

entire country

506

00:20:41,467 —> 00:20:42,934

and never left

the train station.

507

00:20:42,936 —> 00:20:44,886

I know.

You know, I almost died

508

00:20:44,888 —> 00:20:47,972

in a fire in Des Moines,

but I stayed put.

509

00:20:47,974 —> 00:20:49,640

FYI—

510

00:20:49,642 —> 00:20:51,409

that's when

the Imodium gave out.

S08EP2: The Junior Professor Solution

1

00:00:03,123 —> 00:00:06,158

I recently read

that during World War Two,

2

00:00:06,160 —> 00:00:08,544

Joseph Stalin had

a research program

3

00:00:08,546 —> 00:00:10,162

to create

supersoldiers

4

00:00:10,164 —> 00:00:13,732

by having women

impregnated by gorillas.

5

00:00:14,651 —> 00:00:17,169

What a sick use

of science.

6

00:00:17,171 —> 00:00:19,421

Hey, as long as

the baby's healthy.

7

00:00:20,974 —> 00:00:23,142
I wonder if Stalin considered
any other animals.

8
00:00:23,144 —> 00:00:25,177
Hippos are
the deadliest creature.

9
00:00:25,179 —> 00:00:28,263
A half-human, half-hippo soldier
would be pretty badass.

10
00:00:29,482 —> 00:00:31,433
Yes, but when they're
hungry-hungry,

11
00:00:31,435 —> 00:00:33,352
you can stop them
with marbles.

12
00:00:34,688 —> 00:00:35,771
Yeah, the correct animal

13

Okay.

85
00:03:27,867 —> 00:03:29,700
Well, if you want,
I could help you practice.

86
00:03:29,702 —> 00:03:31,368
I played a lot of softball
growing up.

87
00:03:31,370 —> 00:03:33,670
Thank you, that

would be great.

88

00:03:33,672 —> 00:03:34,955

Great.

And while we're at it,

89

00:03:34,957 —> 00:03:36,206

maybe we could butch up your run

90

00:03:36,208 —> 00:03:37,791

for when you head out

to the mound.

91

00:03:39,178 —> 00:03:41,094

What's wrong with the way I run?

92

00:03:41,096 —> 00:03:42,179

Oh, just kidding.

93

00:03:42,181 —> 00:03:43,380

Nothing.

94

00:03:51,557 —> 00:03:54,942
Sheldon, I'm surprised
you'd choose to go to a pub.

95
00:03:54,944 —> 00:03:56,643
At our committee meeting,

96
00:03:56,645 —> 00:03:59,196
Amy made a motion
for a picnic in a park,

97
00:03:59,198 —> 00:04:01,531
but I tacked so many amendments
on that thing

98
00:04:01,533 —> 00:04:03,867
it sank like a lead balloon.

99
00:04:03,869 —> 00:04:05,953
I then suggested a pub.

100
00:04:05,955 —> 00:04:08,238
Yeah, which I was

initially skeptical of until

101

00:04:08,240 —> 00:04:11,291

I saw online that they serve

Yorkshire pudding.

102

00:04:11,293 —> 00:04:13,410

You don't even like

Yorkshire pudding.

103

00:04:13,412 —> 00:04:14,544

No, it's yucky,

104

00:04:14,546 —> 00:04:17,247

but informing people about

the history of Yorkshire

105

00:04:17,249 —> 00:04:19,216

is yummy, yum-yum.

106

00:04:19,218 —> 00:04:21,919

After a lively debate,

107

00:04:21,921 —> 00:04:25,005

that proposal passed

by a two-zero margin.

108

00:04:25,007 —> 00:04:27,224

Nice to see a busy couple

109

00:04:27,226 —> 00:04:28,425

keep the spark

of bureaucracy alive.

110

00:04:28,427 —> 00:04:29,643

(quiet laugh)

111

00:04:31,180 —> 00:04:33,597

Ignore them, Amy.

They're just jealous

112

00:04:33,599 —> 00:04:36,767

because they'll never have

a relationship as good as ours.

113

00:04:38,187 —> 00:04:41,822
Isn't this when he says
“bazooka” or something?

114
00:04:41,824 —> 00:04:43,523
I wasn't
making a joke,

115
00:04:43,525 —> 00:04:45,492
I was merely
stating fact.

116
00:04:45,494 —> 00:04:49,363
Amy and I have a superior
relationship to yours.

117
00:04:49,365 —> 00:04:51,698
You don't honestly
think that, do you?

118
00:04:51,700 —> 00:04:53,333
Y... Leonard,

119

00:04:53,335 —> 00:04:55,669
I assumed you knew.

120
00:04:56,672 —> 00:04:58,505
The ranking of
relationships in our circle

121
00:04:58,507 —> 00:05:00,841
by quality is:
me and Amy,

122
00:05:00,843 —> 00:05:03,677
Howard and Bernadette,
Raj and his girlfriend,

123
00:05:03,679 —> 00:05:06,513
Penny and Chardonnay,
Penny and you.

124
00:05:09,134 —> 00:05:11,101
LEONARD:
There isn't any ranking.

125

00:05:11,103 —> 00:05:14,104
And if there were, we wouldn't
be at the bottom of it.

126
00:05:14,106 —> 00:05:16,940
Yeah, and actually,
I drink Sauvignon Blanc.

127
00:05:18,811 —> 00:05:20,811
That's the part
you have a problem with?

128
00:05:20,813 —> 00:05:22,729
Relax.

129
00:05:22,731 —> 00:05:25,649
AMY: There they go,
fighting again.

130
00:05:25,651 —> 00:05:28,485
You'd never hear her talk
that way to Sauvignon Blanc.

131

00:05:31,790 —> 00:05:34,074
So you never played
baseball as a kid,

132
00:05:34,076 —> 00:05:35,909
not even
Little League?

133
00:05:35,911 —> 00:05:37,995
Well, I was going to,
but the day of tryouts

134
00:05:37,997 —> 00:05:40,330
I found my dad's
Playboy collection.

135
00:05:42,384 —> 00:05:44,584
Threw my arm out.

136
00:05:46,672 —> 00:05:48,505
All right, the pitcher's mound
in Major League Baseball

137

00:05:48,507 —> 00:05:50,924
is 60 feet, six inches
away from home plate.

138
00:05:50,926 —> 00:05:53,093
Great. You take this

139
00:05:53,095 —> 00:05:55,262
and say when to stop

140
00:06:01,070 —> 00:06:02,402
How much further?

141
00:06:02,404 —> 00:06:04,404
Keep going.

142
00:06:06,108 —> 00:06:07,357
How about now?

143
00:06:07,359 —> 00:06:10,110
I'll let you know.

144

00:06:12,281 —> 00:06:15,449
Are you saying “stop” and we're
just too far away to hear you?

145
00:06:15,451 —> 00:06:17,534
Okay, stop.

146
00:06:21,390 —> 00:06:23,690
Are you kidding me?!

147
00:06:23,692 —> 00:06:25,142
That's 60 feet.

148
00:06:25,144 —> 00:06:27,778
There's no way
this is 60 feet.

149
00:06:27,780 —> 00:06:30,213
I'm looking at it.

150
00:06:31,216 —> 00:06:32,883
You realize this isn't
one of those times

151

00:06:32,885 —> 00:06:35,969

I want you to exaggerate

how long something is.

152

00:06:41,360 —> 00:06:43,310

Okay, I got to...

I-I just...

153

00:06:43,312 —> 00:06:45,395

I got to ask:

154

00:06:45,397 —> 00:06:47,364

what makes you think

that your relationship

155

00:06:47,366 —> 00:06:49,900

is so wonderful

and ours isn't?

156

00:06:49,902 —> 00:06:51,485

For starters,

157

00:06:51,487 —> 00:06:53,653

we enjoy spending time together.

158

00:06:57,626 —> 00:06:59,209

So do we.

159

00:06:59,211 —> 00:07:01,244

And I've seen you guys

ignore each other for hours

160

00:07:01,246 —> 00:07:03,130

doing totally

different things.

161

00:07:03,132 —> 00:07:06,633

It's called parallel play.

162

00:07:06,635 —> 00:07:08,335

Yeah, toddlers

do that.

163

00:07:08,337 —> 00:07:11,254

Not as well as we do.

(clicks tongue)

164

00:07:12,508 —> 00:07:15,258

You believe this guy? He has to

be the best at everything.

165

00:07:15,260 —> 00:07:17,477

So what?

Why do you even care?

166

00:07:17,479 —> 00:07:19,096

Oh, listen to them.

167

00:07:19,098 —> 00:07:22,182

Not even married

and the honeymoon's over.

168

00:07:22,184 —> 00:07:24,734

Whatever. You can't

even go on a date

169

00:07:24,736 —> 00:07:26,903

without checking your
relationship agreement.

170
00:07:26,905 —> 00:07:30,574
If you've got a problem basing
a relationship on a contract,

171
00:07:30,576 —> 00:07:33,777
I'd like to tell you
about 13 plucky colonies

172
00:07:33,779 —> 00:07:35,912
that entered
a “relationship agreement”

173
00:07:35,914 —> 00:07:38,532
called the U.S. Constitution.

174
00:07:38,534 —> 00:07:40,867
And it may not be cool
to say so,

175
00:07:40,869 —> 00:07:43,787

but I think that love affair
is still pretty hot today.

176
00:07:46,091 —> 00:07:48,091
It's a good thing I'm not
wearing flag underwear

177
00:07:48,093 —> 00:07:51,461
right now, 'cause there's
about to be a fire.

178
00:07:52,347 —> 00:07:54,548
(mouthing)

179
00:07:57,102 —> 00:07:59,302
Okay, it's not
that hard.

180
00:07:59,304 —> 00:08:00,971
You just look to where
you want to throw it,

181
00:08:00,973 —> 00:08:02,272

step towards where
you want to throw,

182
00:08:02,274 —> 00:08:03,640
and throw it.

183
00:08:06,562 —> 00:08:07,811
That's your help?

184
00:08:07,813 —> 00:08:11,148
That's like saying,
“Here's how you fly a plane:

185
00:08:11,150 —> 00:08:12,566
“get in the airplane,

186
00:08:12,568 —> 00:08:16,153
know where you want
to go and fly it.”

187
00:08:17,489 —> 00:08:19,990
Just throw the ball. Let's see what
we're working with.

188

00:08:30,252 —> 00:08:32,002

Come on Howard, fire it in.

189

00:08:57,029 —> 00:08:59,196

Throw the damn ball!

190

00:09:08,669 —> 00:09:10,953

So when do you guys

plan on getting married?

191

00:09:10,955 —> 00:09:13,255

Uh, we're not sure.

But I want to wait long enough

192

00:09:13,257 —> 00:09:15,507

to prove to my mother

I'm not pregnant.

193

00:09:17,345 —> 00:09:19,094

May I have

one of your fries?

194

00:09:19,096 —> 00:09:20,763

Of course.

195

00:09:20,765 —> 00:09:22,631

Can I have a bite

of your burger?

196

00:09:22,633 —> 00:09:24,633

Absolutely not.

197

00:09:24,635 —> 00:09:26,969

Some perfect couple.

198

00:09:26,971 —> 00:09:28,637

He won't even share

his food with her.

199

00:09:28,639 —> 00:09:30,439

It has avocado on it.

200

00:09:30,441 —> 00:09:32,641

She's allergic

to avocado.

201
00:09:32,643 —> 00:09:35,060
Are you so jealous
of our relationship

202
00:09:35,062 —> 00:09:37,730
you want Amy to die?

203
00:09:37,732 —> 00:09:40,032
I'm not jealous.

204
00:09:40,034 —> 00:09:42,318
I just think it's silly for
you to compare relationships

205
00:09:42,320 —> 00:09:44,870
like they're something
that can be quantified.

206
00:09:44,872 —> 00:09:46,705
Everything is quantifiable.

207

00:09:46,707 —> 00:09:49,575

That French fry? A seven.

208

00:09:49,577 —> 00:09:51,710

Spider-Man? A nine.

209

00:09:51,712 —> 00:09:55,047

The number nine—

oddly, only a four.

210

00:09:55,049 —> 00:09:56,999

How ridiculous is he?

211

00:09:57,001 —> 00:09:59,335

A hundred.

212

00:10:01,389 —> 00:10:03,555

Sheldon, you're just

assigning random numbers

213

00:10:03,557 —> 00:10:05,424

to things based on your opinion.

214

00:10:05,426 —> 00:10:06,809

No, I'm not.

215

00:10:06,811 —> 00:10:08,727

French fries have

three variables—

216

00:10:08,729 —> 00:10:10,729

crispiness, saltiness

and shape.

217

00:10:10,731 —> 00:10:12,097

Which is why a curly fry

218

00:10:12,099 —> 00:10:13,565

only gets a two.

219

00:10:13,567 —> 00:10:16,852

If I wanted curls for dinner,

I'd order a clown wig.

220

00:10:18,022 —> 00:10:21,740
Well, a relationship is more
complicated than a French fry.

221
00:10:21,742 —> 00:10:25,110
Not according to the work
of Berscheid, Snyder and Omoto.

222
00:10:25,112 —> 00:10:29,198
Oh, what did those
rascals do now?

223
00:10:29,200 —> 00:10:31,700
They developed the Relationship
Closeness Inventory,

224
00:10:31,702 —> 00:10:34,586
which predicts the stability
of a couple based on behavior.

225
00:10:34,588 —> 00:10:35,954
Yeah, not to be confused

226

00:10:35,956 —> 00:10:37,873
with the French Fry
Goodness Inventory.

227
00:10:37,875 —> 00:10:40,459
That's pure Cooper.

228
00:10:40,461 —> 00:10:42,261
So, this is accurate?

229
00:10:42,263 —> 00:10:44,046
It's been around for 25 years,

230
00:10:44,048 —> 00:10:45,714
and has been extensively
corroborated

231
00:10:45,716 —> 00:10:47,016
by other researchers.

232
00:10:47,018 —> 00:10:49,535
Well, kind of takes the romance
out of relationships.

233

00:10:49,537 —> 00:10:52,554

Kind of? It does it perfectly.

234

00:10:53,274 —> 00:10:54,606

Sheldon and I got

235

00:10:54,608 —> 00:10:56,058

an eight-point-two

out of ten.

236

00:10:56,060 —> 00:10:58,894

Fine. We'll take it

right now.

237

00:10:58,896 —> 00:11:00,229

No, don't.

What?

238

00:11:00,231 —> 00:11:01,363

Just don't take it.

239

00:11:01,365 —> 00:11:02,398
Why not?
'Cause it's stupid.

240
00:11:02,400 —> 00:11:04,066
Who cares what
number it is?

241
00:11:04,068 —> 00:11:06,402
Come on. It'll be fun.
I said I don't want you to.

242
00:11:06,404 —> 00:11:09,154
I'm getting
another drink.

243
00:11:10,991 —> 00:11:13,208
Sorry.

244
00:11:14,995 —> 00:11:17,946
I'm gonna let you
count this as two dates.

245

00:11:17,948 —> 00:11:20,115
They're a lot of work.

246
00:11:24,505 —> 00:11:26,939
Think he's getting
any better?

247
00:11:29,810 —> 00:11:32,010
Yup.

248
00:11:32,012 —> 00:11:34,279
WOLOWITZ:
That was a close one!

249
00:11:34,281 —> 00:11:36,899
Okay!

250
00:11:36,901 —> 00:11:39,101
Is it too late
for him to cancel?

251
00:11:39,103 —> 00:11:40,319
I think so.

252

00:11:40,321 —> 00:11:41,987

(hollow, metallic bang)

253

00:11:44,475 —> 00:11:47,342

WOLOWITZ:

Heads up! Watch out!

254

00:11:54,502 —> 00:11:56,618

Are you mad at me?

255

00:11:56,620 —> 00:11:58,871

No, stop being stupid.

256

00:11:58,873 —> 00:12:02,207

Um... whew?

257

00:12:03,260 —> 00:12:05,878

Is this about the test,

or is this about us?

258

00:12:05,880 —> 00:12:07,796

Look, I don't need
a score on a test

259
00:12:07,798 —> 00:12:10,215
to make me worry about something
I'm already worried about.

260
00:12:10,217 —> 00:12:11,967
What are you worried about?
(scoffs)

261
00:12:11,969 —> 00:12:14,970
That we're engaged and
have nothing in common,

262
00:12:14,972 —> 00:12:16,688
and it scares me.

263
00:12:16,690 —> 00:12:19,691
Yeah, that scares me, too.

264
00:12:19,693 —> 00:12:21,193
It does?

265

00:12:21,195 —> 00:12:22,694

Sometimes.

266

00:12:22,696 —> 00:12:25,364

Well, that's not good!

267

00:12:26,650 —> 00:12:29,151

You being blindly infatuated

with me was the rock

268

00:12:29,153 —> 00:12:32,237

we were building

this relationship on!

269

00:12:32,239 —> 00:12:35,824

Okay, well, this might

make you feel better.

270

00:12:35,826 —> 00:12:39,795

Uh, we're both scared that

our marriage will be a disaster,

271

00:12:39,797 —> 00:12:43,582

and so, that's something

that we have in common.

272

00:12:47,204 —> 00:12:50,055

Also, we both think

I'm not funny.

273

00:12:50,057 —> 00:12:52,224

(quiet, nervous laugh)

274

00:12:52,226 —> 00:12:55,010

Huh? See, you're not laughing.

275

00:12:57,231 —> 00:12:59,448

(Skype ringing)

276

00:12:59,450 —> 00:13:01,350

Hey, Froot Loops, what's up?

277

00:13:01,352 —> 00:13:03,869

Hey, Mike.

278

00:13:03,871 —> 00:13:06,038

Listen, NASA asked me to

279

00:13:06,040 —> 00:13:08,774

throw out the first pitch

at an Angels game.

280

00:13:08,776 —> 00:13:10,843

You got any advice?

281

00:13:10,845 —> 00:13:12,845

Yeah. Don't do it.

282

00:13:14,381 —> 00:13:15,948

What else you up to?

283

00:13:15,950 —> 00:13:18,183

Why shouldn't I do it?

284

00:13:18,185 —> 00:13:19,551

There's no upside.

285

00:13:19,553 —> 00:13:21,587

If you do well, no one cares.

286

00:13:21,589 —> 00:13:23,188

And if you screw up,

287

00:13:23,190 —> 00:13:26,124

you're an idiot

on YouTube forever.

288

00:13:27,161 —> 00:13:29,211

But it's for a good cause.

289

00:13:29,213 —> 00:13:31,513

What about all the kids

that'll be there?

290

00:13:31,515 —> 00:13:32,965

That's what I'm telling you.

291

00:13:32,967 —> 00:13:34,766

Kids are the worst.

292

00:13:36,287 —> 00:13:39,888

My own daughter tweeted

I have a giant nose.

293

00:13:41,275 —> 00:13:43,025

Well, maybe I'll do a good job.

294

00:13:43,027 —> 00:13:44,226

I don't know.

295

00:13:44,228 —> 00:13:46,728

In space,

you couldn't even toss me a pen,

296

00:13:46,730 —> 00:13:49,314

and that was in zero gravity.

297

00:13:50,651 —> 00:13:52,751

Okay, thanks for the pep talk.

298

00:13:52,753 —> 00:13:54,136
Anytime, Froot Loops.

299
00:13:55,072 —> 00:13:56,788
Give your wife a hug for me.

300
00:13:56,790 —> 00:13:59,908
She's so much cuter than you, I
don't know how you ever got her.

301
00:13:59,910 —> 00:14:01,977
(Skype blips off)

302
00:14:01,979 —> 00:14:04,162
He's so nice.

303
00:14:08,002 —> 00:14:10,219
Hey, sorry about that.

304
00:14:10,221 —> 00:14:11,837
No, we're sorry.

305

00:14:11,839 —> 00:14:13,755
We never should have been
comparing relationships

306
00:14:13,757 —> 00:14:15,173
in the first place.

307
00:14:15,175 —> 00:14:17,476
Why? We won.

308
00:14:18,646 —> 00:14:20,762
You know, I say, next, we take
on Koothrappali and his dog.

309
00:14:20,764 —> 00:14:23,932
Really give
ourselves a challenge.

310
00:14:23,934 —> 00:14:26,184
I just want to say
one more thing about this.

311
00:14:26,186 —> 00:14:28,270

Just because Penny
and I are very different people

312
00:14:28,272 —> 00:14:30,105
does not mean
that we're a bad couple.

313
00:14:30,107 —> 00:14:33,108
The answer is
one simple test away.

314
00:14:33,110 —> 00:14:34,409
Hmm? You know,
it's like

315
00:14:34,411 —> 00:14:36,778
when I thought there was
a possum in my closet.

316
00:14:36,780 —> 00:14:38,947
Did I sit around
wondering?

317

00:14:38,949 —> 00:14:42,784
No, I sent Leonard in with
a pointy stick and a bag.

318
00:14:42,786 —> 00:14:46,672
I killed
his Chewbacca slippers.

319
00:14:48,959 —> 00:14:50,175
Let's just
take the test.

320
00:14:50,177 —> 00:14:51,627
No, no, no,
I don't want to.

321
00:14:51,629 —> 00:14:53,345
Oh, well, 'cause you
know we're gonna do bad.

322
00:14:53,347 —> 00:14:54,680
Because it doesn't matter.

323

00:14:54,682 —> 00:14:57,466
I don't care
if we're a ten or a two.

324
00:14:57,468 —> 00:15:00,769
Or a one.
A one is possible.

325
00:15:00,771 —> 00:15:03,388
Marriage is scary.

326
00:15:03,390 —> 00:15:04,806
You're scared, I'm scared.

327
00:15:04,808 —> 00:15:07,476
But it doesn't make me
not want to do it.

328
00:15:07,478 —> 00:15:09,528
It-it just...

329
00:15:09,530 —> 00:15:12,898
makes me want to hold your hand

and do it with you.

330
00:15:14,335 —> 00:15:16,318
Leonard...

331
00:15:18,072 —> 00:15:21,490
It would make me so happy
if you said things like that.

332
00:15:21,492 —> 00:15:23,325
We got an
eight-point-two.

333
00:15:23,327 —> 00:15:25,494
Trust me, you're happy.

334
00:15:34,421 —> 00:15:37,806
Mm! I love how they put
a waterfall at center field.

335
00:15:37,808 —> 00:15:40,676
It really ties
the whole stadium together.

336

00:15:40,678 —> 00:15:42,978

Look at you, talking sports.

337

00:15:44,815 —> 00:15:46,098

This is fun, huh?

338

00:15:46,100 —> 00:15:48,350

We get to see our friend

throw out the first pitch,

339

00:15:48,352 —> 00:15:49,901

have a hot dog,

watch the game.

340

00:15:49,903 —> 00:15:51,770

Whoa.

341

00:15:51,772 —> 00:15:54,072

Nobody said anything

about watching the game.

342

00:15:55,159 —> 00:15:57,442
Sheldon, what
did you expect?

343
00:15:57,444 —> 00:16:01,697
I expected to see Howard throw
the baseball, finish my hot dog,

344
00:16:01,699 —> 00:16:04,082
and hightail it across
the street to Disneyland

345
00:16:04,084 —> 00:16:07,536
just in time for Mickey's
Soundsational Parade.

346
00:16:07,538 —> 00:16:09,121
I'll tell you what.

347
00:16:09,123 —> 00:16:13,291
If we stay, I'll buy you
cotton candy and a bobblehead.

348

00:16:13,293 —> 00:16:15,043
Who's the bobblehead of?

349
00:16:15,045 —> 00:16:16,678
Does it matter?

350
00:16:16,680 —> 00:16:19,548
No, as long as it bobbles.

351
00:16:20,884 —> 00:16:23,051
Howie, I am so proud of you.

352
00:16:23,053 —> 00:16:26,054
Thanks.
I'm proud of me, too.

353
00:16:26,056 —> 00:16:27,305
Mm-hmm.

354
00:16:27,307 —> 00:16:28,974
You ready?

355

00:16:28,976 —> 00:16:30,225
Let's do it.

356
00:16:30,227 —> 00:16:31,443
All right.

357
00:16:32,896 —> 00:16:34,946
Wish me luck.

358
00:16:34,948 —> 00:16:36,365
Go get 'em.

359
00:16:36,367 —> 00:16:37,783
ANNOUNCER (over P.A.):
Ladies and gentlemen,

360
00:16:37,785 —> 00:16:40,535
in honor of Space Day at
Angel Stadium, the first pitch

361
00:16:40,537 —> 00:16:45,240
will be thrown out by NASA
astronaut Howard Wolowitz.

362

00:16:45,242 —> 00:16:48,160

(applause, cheering

and whooping)

363

00:16:48,162 —> 00:16:49,411

Thank you.

364

00:16:49,413 —> 00:16:51,329

Thank you.

365

00:16:51,331 —> 00:16:52,914

Can he really

throw a ball?

366

00:16:52,916 —> 00:16:57,085

On our Quidditch team, he...

Yeah, that's a “no.”

367

00:16:57,087 —> 00:17:01,890

I have a message

for the young people here today.

368

00:17:01,892 —> 00:17:04,676

When I was asked

to throw the first pitch,

369

00:17:04,678 —> 00:17:09,848

a little voice in my head said

I couldn't do it.

370

00:17:09,850 —> 00:17:13,101

So, I practiced and practiced,

371

00:17:13,103 —> 00:17:15,187

and you know what?

372

00:17:15,189 —> 00:17:17,606

That little voice... (laughs)

373

00:17:17,608 —> 00:17:20,158

...was right, but...

374

00:17:21,662 —> 00:17:25,430

...then I remembered

that I'm not an athlete.

375
00:17:25,432 —> 00:17:27,716
I'm a scientist.

376
00:17:27,718 —> 00:17:29,117
So, today's

377
00:17:29,119 —> 00:17:31,453
first pitch will be delivered

378
00:17:31,455 —> 00:17:34,372
to home plate by science.

379
00:17:34,374 —> 00:17:35,874
Ladies and gentlemen,

380
00:17:35,876 —> 00:17:38,293
boys and girls, I present to you

381
00:17:38,295 —> 00:17:44,049
a working prototype

of the Mars Rover!

382
00:17:44,051 —> 00:17:46,301
(applause and cheering)

383
00:17:46,303 —> 00:17:47,719
(whoops)

384
00:17:48,605 —> 00:17:51,223
And here's the wind-up...

385
00:17:51,225 —> 00:17:53,058
and the pitch!

386
00:17:53,894 —> 00:17:56,478
(whirring)

387
00:18:04,655 —> 00:18:06,988
Why is it going so slow?!

388
00:18:06,990 —> 00:18:10,075
'Cause I'm an idiot

who didn't think this through!

389
00:18:10,994 —> 00:18:12,544
Okay, new plan.

390
00:18:12,546 —> 00:18:14,162
We go to Disneyland,

391
00:18:14,164 —> 00:18:16,581
play hide and seek
on Tom Sawyer's Island,

392
00:18:16,583 —> 00:18:20,001
and then come back
and see the end of the pitch.

393
00:18:21,672 —> 00:18:23,889
(crowd booing)

394
00:18:29,346 —> 00:18:32,147
Okay, while we're waiting
for the ball to arrive,

395

00:18:32,149 —> 00:18:34,149

here's some fun facts

about Mars.

396

00:18:34,151 —> 00:18:37,519

KOOTHRAPPALI:

You suck, Wolowitz!

397

00:18:38,739 —> 00:18:41,273

He makes a valid point!

398

00:18:54,582 —> 00:19:01,086

(crowd booing)

399

00:19:01,162 —> 00:19:03,812

Okay, booing isn't gonna make it

go any faster!

S08EP4: The Hook-Up Reverberation

1

00:00:02,528 —> 00:00:04,494

Have you guys heard

about this research team

2

00:00:04,496 —> 00:00:07,697

that's trying to transgenically

manipulate chicken DNA

3

00:00:07,699 —> 00:00:10,033

to create some sort

of chicken dinosaur?

4

00:00:10,035 —> 00:00:13,036

Oh, I think that

sounds wonderful.

5

00:00:14,373 —> 00:00:18,041

What? You're afraid

of both dinosaurs and chickens.

6

00:00:18,043 —> 00:00:19,043

Yes, but tell me

7

00:00:19,044 —> 00:00:21,244

a dinosaur

chicken salad sandwich

8

00:00:21,246 —> 00:00:22,946

wouldn't hit the Mesozoic spot.

9

00:00:26,385 —> 00:00:27,651

Hey, guys.

Hey. Hello.

10

00:00:27,653 —> 00:00:29,186

We still on for

tomorrow night?

11

00:00:29,188 —> 00:00:31,254

Yeah. I'm excited

to finally meet your girlfriend.

12

00:00:31,256 —> 00:00:33,390

Yeah, oh, and

speaking of which.

13

00:00:33,392 —> 00:00:36,159

According to a recent study

out of Oxford University,

14

00:00:36,161 —> 00:00:37,427

when someone takes on

15

00:00:37,429 —> 00:00:39,262

a new romantic

partner,

16

00:00:39,264 —> 00:00:42,132

that person loses one

or two close friends.

17

00:00:42,134 —> 00:00:44,901

Since when do you read

social science?

18

00:00:44,903 —> 00:00:47,871

I go to the bathroom

like everybody else.

19

00:00:47,873 —> 00:00:49,239

Why would I lose friends

20

00:00:49,241 —> 00:00:51,141

just because I

started dating someone?

21

00:00:51,143 —> 00:00:53,176

Yeah, you didn't lose anyone

when you met Amy.

22

00:00:53,178 —> 00:00:56,379

Yeah, well, no, the study

refers to romantic partners.

23

00:00:56,381 —> 00:00:59,616

Not the way I would

categorize the two of us.

24

00:00:59,618 —> 00:01:01,218

You guys kiss and hold hands.

25

00:01:01,220 —> 00:01:03,653

I've seen him do it.

It's not romantic.

26

00:01:03,655 —> 00:01:05,855

Look, I'm not the kind of guy

27

00:01:05,857 —> 00:01:08,658

who drops his friends just

because he's in a relationship.

28

00:01:08,660 —> 00:01:10,327

What happens

if she doesn't like us?

29

00:01:10,329 —> 00:01:11,695

Well, hey,

you're my dear friends.

30

to lure them in?

199

00:08:37,586 —> 00:08:40,120
We are now!

200
00:08:42,124 —> 00:08:44,391
You told Emily
we hooked up?!

201
00:08:44,393 —> 00:08:47,761
Um, well, in my defense,
I tell everybody.

202
00:08:47,763 —> 00:08:49,162
Why would you say that?!

203
00:08:49,164 —> 00:08:51,465
We were having a conversation
about past lovers.

204
00:08:51,467 —> 00:08:52,599
We weren't lovers! Come on.

205
00:08:52,601 —> 00:08:53,867
Everyone knows

we didn't sleep together.

206
00:08:53,869 —> 00:08:55,168
We got drunk
and fooled around.

207
00:08:55,170 —> 00:08:56,937
Why couldn't you just
leave me out of it?

208
00:08:56,939 —> 00:08:58,071
Well, we were being honest.

209
00:08:58,073 —> 00:08:59,840
You would leave me
out of the conversation

210
00:08:59,842 —> 00:09:01,708
with the next guy
if you dump Leonard?

211
00:09:01,710 —> 00:09:04,878
Why say it?

Yes!

212
00:09:04,880 —> 00:09:07,247
Well, I would never
leave you off my list,

213
00:09:07,249 —> 00:09:08,882
and not just

214
00:09:08,884 —> 00:09:10,183
because, without you,

215
00:09:10,185 —> 00:09:12,619
we're playing fast and loose
with the word “list.”

216
00:09:12,621 —> 00:09:14,654
Well, good job.
Now she hates me.

217
00:09:14,656 —> 00:09:16,823
Oh.

218

00:09:16,825 —> 00:09:19,092

Great.

219

00:09:19,094 —> 00:09:21,595

On the bright side,

that Oxford study was right.

220

00:09:21,597 —> 00:09:23,663

One friend down.

221

00:09:24,867 —> 00:09:28,935

I wonder who you're going

to lose next.

222

00:09:28,937 —> 00:09:31,338

You, okay? It's you.

You're-you're next!

223

00:09:33,208 —> 00:09:36,109

No. You're crazy about me.

224

00:09:40,581 —> 00:09:42,682

I feel pretty....oh so pretty.

225
00:09:44,810 —> 00:09:47,044
I don't know what Emily's
so upset about anyway.

226
00:09:47,046 —> 00:09:49,980
Even if I had slept with him,
so what? Everyone has a past.

227
00:09:49,982 —> 00:09:50,781
(clears throat)

228
00:09:50,783 —> 00:09:53,450
Almost everyone has a past.

229
00:09:53,452 —> 00:09:54,885
Come on, look
how pretty you are.

230
00:09:54,887 —> 00:09:56,987
I'm sure this isn't
the first girl to hate you.

231

00:09:56,989 —> 00:09:59,590

It's not.

232

00:09:59,592 —> 00:10:02,226

And I'm sure

you can turn it around.

233

00:10:02,228 —> 00:10:04,528

How? You can't force someone

to like you.

234

00:10:04,530 —> 00:10:05,596

AMY:

What if you just

235

00:10:05,598 —> 00:10:07,264

hang around and act

like her friend

236

00:10:07,266 —> 00:10:09,833

until you wear her down?

I mean, next thing you know,

237

00:10:09,835 —> 00:10:11,190

you're in her home,

you're eating her food,

238

00:10:11,214 —> 00:10:12,285

drinking her wine.

239

00:10:15,208 —> 00:10:16,807

No, that won't work.

240

00:10:16,809 —> 00:10:19,143

You're right. Cheers.

241

00:10:19,145 —> 00:10:20,411

Oh, I know.

242

00:10:20,413 —> 00:10:22,379

Why don't you use

your sales training

243

00:10:22,381 —> 00:10:24,615

to go back down there

and sell yourself?

244

00:10:24,617 —> 00:10:26,016

What?

Yeah.

245

00:10:26,018 —> 00:10:27,585

But instead of selling a drug,

246

00:10:27,587 —> 00:10:29,386

you'd be selling Penny—

it's cute.

247

00:10:29,388 —> 00:10:30,421

It's stupid.

248

00:10:30,423 —> 00:10:32,623

Well, maybe people

would like you more

249

00:10:32,625 —> 00:10:35,392

if you didn't crap

all over their ideas.

250

00:10:35,394 —> 00:10:37,995

I'm gonna go with

Penny on this one.

251

00:10:37,997 —> 00:10:41,632

Then again, why wouldn't I?

I mean, we go way back.

252

00:10:41,634 —> 00:10:44,668

Oh, my God.

I didn't used to like you.

253

00:10:44,670 —> 00:10:47,871

Shh. Amy's here now.

254

00:10:50,710 —> 00:10:53,210

You know, the more

I think about it,

255

00:10:53,212 —> 00:10:56,847

the more intrigued I am

about having our own store.

256
00:10:56,849 —> 00:10:58,849
We'll get to see
all the new stuff

257
00:10:58,851 —> 00:11:00,484
before it hits the shelves.

258
00:11:00,486 —> 00:11:02,386
And we'll get to have
fun interactions

259
00:11:02,388 —> 00:11:03,554
with our customers.

260
00:11:03,556 —> 00:11:07,191
“This isn't a library—
buy it or get out.”

261
00:11:07,193 —> 00:11:10,160
You say things like that
all the time.

262

00:11:10,162 —> 00:11:12,429

Yes, but as a store owner,

I'll finally have a good comeback

263

00:11:12,431 —> 00:11:14,898

to, “You don't work here—

shut up.”

264

00:11:16,235 —> 00:11:18,569

Uh, do you know how Penny

told Raj he should have

265

00:11:18,571 —> 00:11:20,404

left her off his list?

Yeah.

266

00:11:20,406 —> 00:11:22,906

Well, do you think when she

and I had that conversation,

267

00:11:22,908 —> 00:11:24,408

she left people off her list?

268

00:11:24,410 —> 00:11:25,743

I'm sure she did.

269

00:11:25,745 —> 00:11:27,778

Why?

270

00:11:27,780 —> 00:11:29,513

Because if she hadn't,

271

00:11:29,515 —> 00:11:33,217

she'd still be wading

through the list.

272

00:11:33,219 —> 00:11:34,918

Will you stay out of this?

273

00:11:34,920 —> 00:11:37,588

(chuckles) If only Penny

had said that once in a while.

274

00:11:39,692 —> 00:11:41,191

Hey, what difference
does it make?

275
00:11:41,193 —> 00:11:43,027
You're the one
she wants to marry.

276
00:11:43,029 —> 00:11:44,762
That's true.
Yeah, and I'm not sure

277
00:11:44,764 —> 00:11:47,731
that complete honesty
is always the best thing

278
00:11:47,733 —> 00:11:49,566
for a relationship.

279
00:11:49,568 —> 00:11:52,603
Yeah, he's right.
Once, in a moment of candor,

280
00:11:52,605 —> 00:11:55,439

I told Amy
that her hair reminded me

281
00:11:55,441 —> 00:11:58,609
of a duck caught
in an oil spill. Well...

282
00:11:58,611 —> 00:12:00,477
she stormed out.

283
00:12:00,479 —> 00:12:03,147
Which was sad, because
we were playing Scrabble,

284
00:12:03,149 —> 00:12:07,551
and I had all the letters
to spell “persimmon.”

285
00:12:10,690 —> 00:12:13,057
Why are you even part
of this conversation?

286
00:12:13,059 —> 00:12:14,925

You don't know
anything about women.

287
00:12:14,927 —> 00:12:17,628
I know that if I had
a wife or a fiancée,

288
00:12:17,630 —> 00:12:19,697
I'd ask her first
before I invested money

289
00:12:19,699 —> 00:12:21,532
in a comic book store.

290
00:12:21,534 —> 00:12:23,267
(sighs)
He's right.

291
00:12:23,269 —> 00:12:24,335
Yeah, well,

292
00:12:24,337 —> 00:12:25,602
of course I am.

293

00:12:25,604 —> 00:12:27,037

I was also right about her hair.

294

00:12:27,039 —> 00:12:29,106

It did everything but quack.

295

00:12:32,278 —> 00:12:34,511

There's something

I wanted to run past you.

296

00:12:34,513 —> 00:12:36,680

What's up?

Mm, the guys and I

297

00:12:36,682 —> 00:12:39,450

were thinking about investing

in Stuart's comic book store.

298

00:12:39,452 —> 00:12:41,985

Is that okay?

Why are you asking me?

299

00:12:41,987 —> 00:12:43,821

Well, you know,

we're engaged,

300

00:12:43,823 —> 00:12:46,323

and it's kind of

a big deal financially.

301

00:12:46,325 —> 00:12:48,625

It seems like something

we should talk about.

302

00:12:48,627 —> 00:12:49,893

Oh.

303

00:12:49,895 —> 00:12:52,329

Well, would you consider

mounds of credit card debt

304

00:12:52,331 —> 00:12:54,865

kind of a big deal

financially?

305

00:12:56,836 —> 00:12:58,869

Yeah.

306

00:12:58,871 —> 00:13:00,471

Huh.

307

00:13:02,641 —> 00:13:05,743

Mm. So, me and the guys

were talking about

308

00:13:05,745 —> 00:13:07,711

this great

investment opportunity...

309

00:13:07,713 —> 00:13:09,713

Nope.

310

00:13:09,715 —> 00:13:12,449

But you didn't hear what it was.

311

00:13:12,451 —> 00:13:15,219

I know.

312

00:13:16,088 —> 00:13:17,988

Oh, come on.

313

00:13:17,990 —> 00:13:19,456

Fine. What is it?

314

00:13:19,458 —> 00:13:21,558

It's to help reopen

the comic book store.

315

00:13:21,560 —> 00:13:23,327

Nope.

316

00:13:23,329 —> 00:13:25,429

Well, hear me out.

317

00:13:25,431 —> 00:13:27,631

Howard, you know

we're saving up for a house.

318

00:13:27,633 —> 00:13:29,967

I know, but all the guys
are doing it.

319
00:13:29,969 —> 00:13:32,870
We're splitting it four ways, so
it's really not that much money.

320
00:13:32,872 —> 00:13:35,639
(sighs) It just seems
like a risky investment.

321
00:13:35,641 —> 00:13:38,342
I get that. I...
(sighs)

322
00:13:39,245 —> 00:13:41,845
(chuckles):
Okay, look...

323
00:13:41,847 —> 00:13:43,380
(sighs)

324
00:13:43,382 —> 00:13:48,218

The reason this is important
is... (clears throat)

325
00:13:49,321 —> 00:13:52,956
...before my dad left
me and my mom...

326
00:13:52,958 —> 00:13:56,660
he used to... take me
to the comic book store.

327
00:13:57,596 —> 00:14:01,098
It was one of the few things
we did together.

328
00:14:01,100 —> 00:14:03,867
Oh. Howie, I had no idea.

329
00:14:03,869 —> 00:14:07,271
Well, I don't...
like to talk about it.

330
00:14:07,273 —> 00:14:09,973

Oh, baby.

331
00:14:09,975 —> 00:14:13,444
That story's made
up, isn't it?

332
00:14:14,647 —> 00:14:18,215
That's how much buying
a comic book store means to me.

333
00:14:21,187 —> 00:14:23,887
I'd like your honest
opinion on something.

334
00:14:23,889 —> 00:14:25,122
Of course.

335
00:14:25,124 —> 00:14:26,590
Now, before I start,

336
00:14:26,592 —> 00:14:30,594
I need you to know that
I'm very excited about this,

337

00:14:30,596 —> 00:14:32,696

and anything you say

338

00:14:32,698 —> 00:14:34,765

that isn't

enthusiastically supportive

339

00:14:34,767 —> 00:14:38,469

will throw our entire

relationship into question.

340

00:14:40,606 —> 00:14:42,306

So...

341

00:14:42,308 —> 00:14:45,075

keep an open mind.

342

00:14:45,077 —> 00:14:48,178

I'm feeling a little backed

into a corner, Sheldon.

343

00:14:48,180 —> 00:14:50,214
Perfect. Now...

344
00:14:51,484 —> 00:14:53,951
...I'm considering investing

345
00:14:53,953 —> 00:14:56,653
in Stuart's comic book store.

346
00:14:57,523 —> 00:14:58,989
Interesting.

347
00:15:01,093 —> 00:15:03,827
Can you see how
a grown man,

348
00:15:03,829 —> 00:15:05,429
an accomplished scientist,

349
00:15:05,431 —> 00:15:07,965
who invests in a store

350

00:15:07,967 —> 00:15:09,833
that sells picture books

351
00:15:09,835 —> 00:15:13,237
about flying men in
colorful underwear...

352
00:15:14,507 —> 00:15:16,673
...might be wasting
both his financial

353
00:15:16,675 —> 00:15:18,742
and intellectual
resources?

354
00:15:25,384 —> 00:15:27,584
No.

355
00:15:29,121 —> 00:15:31,755
Then I think it's
a terrific idea.

356
00:15:31,757 —> 00:15:33,624

Great.

357
00:15:33,626 —> 00:15:37,761
(gasps) Wait till you hear
about our van.

358
00:15:38,931 —> 00:15:40,797
(knocking)

359
00:15:42,067 —> 00:15:44,001
Hey. Thanks for inviting us over.
Hey.

360
00:15:44,003 —> 00:15:45,435
Oh, thank you
for coming.

361
00:15:45,437 —> 00:15:47,971
Uh, listen, Penny,
before you start,

362
00:15:47,973 —> 00:15:49,940
I just want to apologize

for being so rude

363
00:15:49,942 —> 00:15:51,275
the other day
in my office.

364
00:15:51,277 —> 00:15:52,743
No, no. No need to apologize.

365
00:15:52,745 —> 00:15:54,444
Excuse me,
can I say something?

366
00:15:54,446 —> 00:15:56,580
I just love both you guys,

367
00:15:56,582 —> 00:15:58,549
and I want you
to get along.

368
00:15:58,551 —> 00:16:01,151
And when I say “love”"
I meant as a friend.

369

00:16:02,121 —> 00:16:04,888

And, uh, way

too soon, right?

370

I'm gonna set this down now.

115

00:04:35,380 —> 00:04:37,097

Ah, here it is.

116

00:04:37,099 —> 00:04:38,765

(laughs)

Whoa.

117

00:04:38,767 —> 00:04:40,550

I haven't looked

at these in years.

118

00:04:40,552 —> 00:04:42,218

“Robot girlfriend.”

119

00:04:42,220 —> 00:04:44,521

Mm, that was mine.

120

00:04:44,523 —> 00:04:47,891

“Robot prostitute.”

121

00:04:47,893 —> 00:04:50,443

Also mine.

122

00:04:50,445 —> 00:04:51,711

SHELDON:

Wait. I'm confused.

123

00:04:51,713 —> 00:04:53,663

Why would you need

both a robot girlfriend

124

00:04:53,665 —> 00:04:55,231

and a robot prostitute?

125

00:04:55,233 —> 00:04:56,900

There's just some things

you don't do

126

00:04:56,902 —> 00:04:58,518

with your robot girlfriend.

127

00:05:00,739 —> 00:05:02,405

Boy, when you met Bernadette,

128

00:05:02,407 —> 00:05:05,158

the field of robotics

really took a hit.

129

00:05:06,077 —> 00:05:07,293

Okay, let's just skip

130

00:05:07,295 —> 00:05:09,913

all the inventions

you can have sex with.

131

00:05:15,754 —> 00:05:17,887

All right, no— here we go:

132

00:05:17,889 —> 00:05:19,722

“Ergonomic heated seat cushion”"

133

00:05:19,724 —> 00:05:21,257

No, it vibrates.

Keep going.

134

00:05:24,312 —> 00:05:26,729

You know, let's just come up

with something new.

135

00:05:26,731 —> 00:05:28,064

SHELDON:

You know,

136

00:05:28,066 —> 00:05:30,266

a number of significant

innovations have been inspired

137

00:05:30,268 —> 00:05:31,768

by science fiction.

138

00:05:31,770 —> 00:05:34,437

The-the geosynchronous satellite

from Arthur C. Clarke.

139

00:05:34,439 —> 00:05:37,607

The Motorola flip phone—

that came from Star Trek.

140

00:05:37,609 —> 00:05:39,943

Yeah, and I've long suspected

that the idea

141

00:05:39,945 —> 00:05:42,045

of an African-American president

was stolen

142

00:05:42,047 —> 00:05:44,797

from the movie Deep Impact.

143

00:05:45,784 —> 00:05:47,417

KOOTHRAPPALI:

Hey,

144

00:05:47,419 —> 00:05:49,936

the future they show

in Back to the Future II

145

00:05:49,938 —> 00:05:51,671

is only a year away.

146

00:05:51,673 —> 00:05:54,207

A lot of the things in that

movie haven't been invented yet.

147

00:05:54,209 —> 00:05:55,425

How cool would that be

148

00:05:55,427 —> 00:05:56,960
if we could make
one of those a reality?

149
00:05:56,962 —> 00:05:59,045
If we could figure out
the scientific basis

150
00:05:59,047 —> 00:06:00,296
for Marty's hover board,

151
00:06:00,298 —> 00:06:02,732
that would have
universal application.

152
00:06:02,734 —> 00:06:04,968
Well, it's-it's possible
at absolute zero,

153
00:06:04,970 —> 00:06:06,119
but we would
have to remove

154

00:06:06,121 —> 00:06:07,804
the temperature restrictions.

155
00:06:07,806 —> 00:06:09,088
Oh, I have an idea.

156
00:06:09,090 —> 00:06:10,356
I think I have the same one.

157
00:06:10,358 —> 00:06:12,492
We got to watch
Back to the Future II!

158
00:06:13,311 —> 00:06:16,529
I'll make the popcorn.

159
00:06:18,984 —> 00:06:20,533
So, where should
we go first?

160
00:06:20,535 —> 00:06:21,668
Ooh.

161

00:06:21,670 —> 00:06:23,319

There's a cover band

in the lounge.

162

00:06:23,321 —> 00:06:25,388

Nah.

But they play Barry Manilow.

163

00:06:25,390 —> 00:06:29,342

No.

But they're called “Fairly Manilow”"

164

00:06:30,245 —> 00:06:31,628

Oh. Okay.

165

00:06:31,630 —> 00:06:33,162

Great!

No!

166

00:06:34,082 —> 00:06:36,132

Well, what do you want

to do?

167

00:06:36,134 —> 00:06:37,467

Well, we're in Vegas.

168

00:06:37,469 —> 00:06:39,819

I want to go downstairs,

get a bucket of margaritas,

169

00:06:39,821 —> 00:06:42,005

dance until I vomit

all over a roulette wheel

170

00:06:42,007 —> 00:06:43,523

and watch it go everywhere.

171

00:06:44,843 —> 00:06:46,342

What if we don't want to vomit?

172

00:06:46,344 —> 00:06:49,262

Oh, you will. That's why

they give you the bucket.

173

00:06:50,432 —> 00:06:52,098

Uh-oh.

What?

174

00:06:52,100 —> 00:06:53,600

It's my boss.

175

00:06:53,602 —> 00:06:55,685

They moved my field ride

up to Monday.

176

00:06:55,687 —> 00:06:56,819

What does that mean?

177

00:06:56,821 —> 00:06:58,938

It means instead

of having a week to study,

178

00:06:58,940 —> 00:07:00,189

I only have two days.

179

00:07:00,191 —> 00:07:01,324

That sucks.

180

00:07:01,326 —> 00:07:02,976

Can you start

in the morning?

181

00:07:02,978 —> 00:07:04,027

Uh, it's kind of a lot.

182

00:07:04,029 —> 00:07:05,695

You know,

let me do a little tonight,

183

00:07:05,697 —> 00:07:07,363

and I'll catch up

with you guys later.

184

00:07:07,365 —> 00:07:09,699

You sure?

Yeah, it's okay. Go ahead.

185

00:07:11,536 —> 00:07:13,503

So, um, now that

Penny's not coming...

186

00:07:13,505 —> 00:07:15,755

We're not seeing Fairly Manilow.

Okay.

187

00:07:18,460 —> 00:07:20,727

(dramatic movie music

plays on TV)

188

00:07:23,298 —> 00:07:25,281

Hold on. Pause.

189

00:07:25,283 —> 00:07:27,467

Something doesn't make sense.

Look...

190

00:07:29,054 —> 00:07:31,688

In 2015, Biff steals

the sports almanac

191

00:07:31,690 —> 00:07:33,640

and takes the time machine

192

00:07:33,642 —> 00:07:37,477
back to 1955, to give it
to his younger self.

193
00:07:37,479 —> 00:07:40,647
But as soon as he does that,
he changes the future,

194
00:07:40,649 —> 00:07:42,982
so the 2015 he
returns to would be

195
00:07:42,984 —> 00:07:47,070
a different 2015, not the 2015
that Marty and Doc were in.

196
00:07:47,072 —> 00:07:50,089
This is Hot Tub Time Machine
all over again.

197
00:07:53,161 —> 00:07:55,411
If future Biff
goes back to 2015

198

00:07:55,413 —> 00:07:57,297

right after he gives

young Biff the almanac,

199

00:07:57,299 —> 00:08:00,416

he could get back to the 2015

with Marty and Doc in it.

200

00:08:00,418 —> 00:08:03,720

Because it wasn't until

his 21st birthday

201

00:08:03,722 —> 00:08:05,838

that 1955 Biff

placed his first bet.

202

00:08:05,840 —> 00:08:06,973

SHELDON:

Wait. Whoa, whoa.

203

00:08:06,975 —> 00:08:08,725

Is “placed” right?

204

00:08:08,727 —> 00:08:09,642

What do you mean?

205

00:08:09,644 —> 00:08:11,811

Is “placed” the right tense

206

00:08:11,813 —> 00:08:14,013

for something that would have

happened in the future

207

00:08:14,015 —> 00:08:17,100

of a past that was affected

by something from the future?

208

00:08:17,102 —> 00:08:21,070

Had will have placed?

209

00:08:21,072 —> 00:08:23,606

That's my boy.

210

00:08:24,776 —> 00:08:28,661

Okay, so, it wasn't until

his 21st birthday

211
00:08:28,663 —> 00:08:30,697
that Biff had will have
placed his first bet

212
00:08:30,699 —> 00:08:32,115
and made his millions.

213
00:08:32,117 —> 00:08:34,250
That's when
he altered the timeline.

214
00:08:34,252 —> 00:08:36,969
Yeah, but he had will
haven't placed it!

215
00:08:38,256 —> 00:08:41,457
What?!

216
00:08:41,459 —> 00:08:43,459
Unlike Hot Tub Time Machine,

217

00:08:43,461 —> 00:08:45,545

this couldn't be more simple.

218

00:08:45,547 —> 00:08:47,547

When Biff gets the almanac

in 1955,

219

00:08:47,549 —> 00:08:49,966

the alternate future

he creates isn't the one

220

00:08:49,968 —> 00:08:52,852

in which Marty and Doc Brown

ever use the time machine

221

00:08:52,854 —> 00:08:54,187

to travel to 2015.

222

00:08:54,189 —> 00:08:55,138

Therefore,

223

00:08:55,140 —> 00:08:56,606

in the new timeline,

224
00:08:56,608 —> 00:08:58,608
Marty and Doc never brought
the time machine...

225
00:08:58,610 —> 00:08:59,692
W-Wait.

226
00:08:59,694 —> 00:09:01,277
Is “brought” right?

227
00:09:05,166 —> 00:09:09,635
Marty and Doc never
had have had brought?

228
00:09:10,488 —> 00:09:12,789
I don't know.
You did it to me.

229
00:09:12,791 —> 00:09:15,375
Oh, I'm going with it.

230

00:09:15,377 —> 00:09:18,161

Marty and Doc never

had have had brought

231

00:09:18,163 —> 00:09:20,463

the time machine to 2015.

232

00:09:20,465 —> 00:09:23,049

That means 2015 Biff could also

233

00:09:23,051 —> 00:09:27,003

not had have had brought

the almanac to 1955 Biff.

234

00:09:27,005 —> 00:09:31,674

Therefore, the timeline in which

1955 Biff gets the almanac

235

00:09:31,676 —> 00:09:33,176

is also the timeline

236

00:09:33,178 —> 00:09:36,012

in which 1955 Biff

never gets the almanac.

237

00:09:36,014 —> 00:09:37,847

And not just “never gets.”

238

00:09:37,849 —> 00:09:41,834

Never have, never hasn't,

never had have hasn't.

239

00:09:46,891 —> 00:09:48,124

He's right.

240

00:09:50,028 —> 00:09:52,912

Also, what kind of name is Biff?

241

00:09:52,914 —> 00:09:55,481

Sounds like when you pop open

a can of Pillsbury dough.

242

00:09:55,483 —> 00:09:58,084

Biff.

243

00:09:59,587 —> 00:10:02,672

Oh, that stuff is so good

wrapped around cocktail weenies.

244

00:10:02,674 —> 00:10:03,623

Guys...

245

00:10:03,625 —> 00:10:04,841

Do you know that

the word “wiener”

246

00:10:04,843 —> 00:10:06,042

comes from the German name

247

00:10:06,044 —> 00:10:07,376

of the Austrian capital

Vienna, or “Wien”?

248

00:10:07,378 —> 00:10:09,712

Do you know if you look

at Austria on a map

249

00:10:09,714 —> 00:10:11,130
it actually looks like a wiener?

250
00:10:12,600 —> 00:10:13,800
Guys, what are
we doing?

251
00:10:13,802 —> 00:10:14,967
W-We sent the girls away

252
00:10:14,969 —> 00:10:16,185
so we could focus.

253
00:10:16,187 —> 00:10:19,305
I don't think it worked.

254
00:10:28,602 —> 00:10:30,819
(lively dance music playing)

255
00:10:34,708 —> 00:10:38,944
Maybe after this, you'll be
in the mood for some Manilow.

256

00:10:38,946 —> 00:10:42,030

I think after this,

I'll be dead.

257

00:10:42,032 —> 00:10:44,065

Look at us out,

258

00:10:44,067 —> 00:10:45,951

while Penny's in

the room studying.

259

00:10:45,953 —> 00:10:47,202

I'm proud of her.

260

00:10:47,204 —> 00:10:48,336

This is a great opportunity.

261

00:10:48,338 —> 00:10:50,205

It's nice to see her take it

seriously.

262

00:10:50,207 —> 00:10:51,207

It is.

263

00:10:51,208 —> 00:10:52,208

But enough about Penny.

264

00:10:52,209 —> 00:10:54,009

Let's talk about us.

265

00:10:54,011 —> 00:10:56,344

We're looking good.

266

00:10:56,346 —> 00:10:58,430

We are... (giggles)

267

00:10:58,432 —> 00:11:00,098

Better than good.

268

00:11:00,100 —> 00:11:03,518

I mean, look at you.

Your body's bangin'!

269

00:11:03,520 —> 00:11:05,303

Amy!

270

00:11:05,305 —> 00:11:06,638

Don't “Amy” me.

271

00:11:06,640 —> 00:11:07,639

We're always talking

about how hot Penny is.

272

00:11:07,641 —> 00:11:09,975

Come on— scientist

to scientist,

273

00:11:09,977 —> 00:11:13,645

how big are those

Hadron Colliders?

274

00:11:15,482 —> 00:11:17,899

You're embarrassing me.

275

00:11:17,901 —> 00:11:18,984

Oh, don't be embarrassed.

276

00:11:18,986 —> 00:11:21,319

I'll show you the divot

in my spine.

277

00:11:21,321 —> 00:11:21,930

What?

278

00:11:21,954 —> 00:11:23,873

No, no, it's okay.

I was born with it.

279

00:11:23,874 —> 00:11:26,074

If you put a double-A

battery in there,

280

00:11:26,076 —> 00:11:28,960

it makes my leg kick.

281

00:11:31,131 —> 00:11:32,163

All right.

282

00:11:32,165 —> 00:11:34,416

Oh, this is already better.

There are

283

00:11:34,418 —> 00:11:36,801

far fewer distractions in here.

284

00:11:36,803 —> 00:11:37,919

Plus, this is where our minds

285

00:11:37,921 —> 00:11:39,220

are conditioned

to focus on work.

286

00:14:59,980 —> 00:15:04,433

You guys doing okay down there?

349

00:15:04,435 —> 00:15:09,021

Please keep this channel clear

for emergencies. Thank you.

350

00:15:09,023 —> 00:15:12,741

I'm going to the vending

machine. Do you want anything?

351

00:15:12,743 —> 00:15:15,360

This is a simulation.

We have to survive

352

00:15:15,362 —> 00:15:16,695

on the supplies we brought.

353

00:15:16,697 —> 00:15:19,281

Okay, just checking.

354

00:15:19,283 —> 00:15:22,251

We should have asked her

to get some Funyuns.

355

00:15:22,253 —> 00:15:24,169

You're not going to have Funyuns

356

00:15:24,171 —> 00:15:26,505

when we're a mile

below the surface of the Earth.

357

00:15:26,507 —> 00:15:28,290

What if we brought them down

with us?

358

00:15:29,126 —> 00:15:31,793
We'll take some Funyuns.

359
00:15:31,795 —> 00:15:33,795
Anything else?

360
00:15:33,797 —> 00:15:36,465
Some York Peppermint Patties,

361
00:15:36,467 —> 00:15:38,133
a couple
of Dr. Peppers, and...

362
00:15:38,135 —> 00:15:40,886
run to Best Buy and see if
they have a portable DVD player

363
00:15:40,888 —> 00:15:44,523
and season one of a show
called Hannah Montana.

364
00:15:44,525 —> 00:15:46,892
Have her get season two.

365

00:15:46,894 —> 00:15:49,811

Season one,

it was still finding itself.

366

00:15:50,898 —> 00:15:53,315

Sorry you guys had to see that.

Oh,

367

00:15:53,317 —> 00:15:54,650

don't apologize.

Yeah.

368

00:15:54,652 —> 00:15:58,036

It just makes it a lot harder

to pretend it never happened.

369

00:15:58,038 —> 00:16:00,155

Money's a sensitive subject

for Howie

370

00:16:00,157 —> 00:16:02,124

because of the difference

in our income.

371

00:16:02,126 —> 00:16:03,375

It really bothers him?

372

00:16:03,377 —> 00:16:04,626

Well, sure.

There's still a lot of pressure

373

00:16:04,628 —> 00:16:05,994

on guys to be providers.

374

00:16:05,996 —> 00:16:07,963

So even though

he's happy for me,

375

00:16:07,965 —> 00:16:09,765

it's just a little tough on him.

376

00:16:09,767 —> 00:16:11,466

Uh-oh.

What?

377

00:16:11,468 —> 00:16:12,668

Well,

378

00:16:12,670 —> 00:16:13,835

if I do well in sales,

379

00:16:13,837 —> 00:16:15,671

I could end up making a

lot more money than you.

380

00:16:15,673 —> 00:16:17,673

Not a problem.

I grew up with a mother

381

00:16:17,675 —> 00:16:19,341

who emasculated

my father financially

382

00:16:19,343 —> 00:16:21,760

and in every other aspect

of his life, so...

383

00:16:23,030 —> 00:16:26,181
...really, it's what I think
love looks like.

384
00:16:27,618 —> 00:16:29,985
I'll be right back.
I'm gonna go check on him.

385
00:16:32,239 —> 00:16:33,893
Maybe it's a good
thing we came here.

386
00:16:33,894 —> 00:16:35,930
It's like a lesson
in what not to do.

387
00:16:35,931 —> 00:16:38,694
Yeah I don't want something dumb
like money to come between us.

388
00:16:38,696 —> 00:16:40,862
It won't. Let's just promise
to figure this kind of stuff out

389

00:16:40,864 —> 00:16:41,947

before we get married.

390

00:16:41,949 —> 00:16:44,333

WOLOWITZ: Why are you

being so bossy?!

391

00:16:44,335 —> 00:16:46,234

BERNADETTE: Why are you

being a baby?

392

00:16:46,236 —> 00:16:48,837

WOLOWITZ: I'm not a baby!

I'm a grown man,

393

00:16:48,839 —> 00:16:52,374

and I made the bed.

Now where's my star?

394

00:16:54,561 —> 00:16:56,595

Should we go?

Hang on.

395

00:16:56,597 —> 00:16:59,348

I want to see if

he gets the star.

396

00:17:01,518 —> 00:17:04,603

Oh, this heat is brutal.

397

00:17:04,605 —> 00:17:07,105

As someone from the tropical

subcontinent of India,

398

00:17:07,107 —> 00:17:09,608

you should know that fanning

yourself in a humid environment

399

00:17:09,610 —> 00:17:12,144

only raises

your body temperature.

400

00:17:12,146 —> 00:17:15,113

Huh. That does explain why

the servants used to look so hot

401

00:17:15,115 —> 00:17:16,865

while they were fanning me.

402

00:17:16,867 —> 00:17:20,619

Let's get our minds off

how uncomfortable we are.

403

00:17:20,621 —> 00:17:22,954

We could take some more

simulated instrument readings.

404

00:17:22,956 —> 00:17:24,239

My major focus

405

00:17:24,241 —> 00:17:26,958

at the moment is keeping

my claustrophobia at bay.

406

00:17:26,960 —> 00:17:28,543

How's that going?

You tell me.

407

00:17:28,545 —> 00:17:30,412
I feel like I can't breathe,

408
00:17:30,414 —> 00:17:33,081
and I am tempted
to crack you open

409
00:17:33,083 —> 00:17:36,051
and suck the air
right out of your lungs.

410
00:17:36,970 —> 00:17:39,638
Sheldon, if this is
too much, we can stop.

411
00:17:39,640 —> 00:17:40,722
We're not stopping.

412
00:17:40,724 —> 00:17:42,507
You don't have to
bite my head off.

413
00:17:42,509 —> 00:17:44,092

I apologize.

414
00:17:44,094 —> 00:17:45,477
I j...

415
00:17:45,479 —> 00:17:48,397
I'm plagued
by an internal struggle.

416
00:17:48,399 —> 00:17:50,098
If you would just use
the bucket,

417
00:17:50,100 —> 00:17:52,567
you'd be
so much more comfortable.

418
00:17:52,569 —> 00:17:55,687
My struggle is emotional.

419
00:17:55,689 —> 00:17:57,439
Oh. Is it Amy?

420

00:17:57,441 —> 00:17:59,608

It's dark matter.

421

00:17:59,610 —> 00:18:01,843

When I entered

the field

422

00:18:01,845 —> 00:18:04,279

of string theory,

I was a prodigy.

423

00:18:04,281 —> 00:18:08,366

I rose to a position of respect,

424

00:18:08,368 —> 00:18:10,752

and I assumed

my career would continue

425

00:18:10,754 —> 00:18:12,821

on that upward trajectory.

426

00:18:12,823 —> 00:18:15,624

Now here I am in my 30s,

427
00:18:15,626 —> 00:18:18,627
I'm back at square one.

428
00:18:18,629 —> 00:18:22,147
And, frankly, it's frightening.

429
00:18:23,250 —> 00:18:26,601
Sheldon, you know
what I think of when I'm scared?

430
00:18:26,603 —> 00:18:27,969
Voyager.

431
00:18:27,971 —> 00:18:30,188
Voyager the space probe

432
00:18:30,190 —> 00:18:33,975
or Voyager
the Star Trek TV show?

433

00:18:33,977 —> 00:18:35,444
The space probe.

434
00:18:35,446 —> 00:18:37,062
Good.
Because I am too hot and tired

435
00:18:37,064 —> 00:18:40,315
to go on about how much
I hate Voyager the TV show.

436
00:18:41,535 —> 00:18:43,318
By the time
I was born,

437
00:18:43,320 —> 00:18:45,737
Voyager 1's mission
was supposed to be over.

438
00:18:45,739 —> 00:18:46,872
It had seen

439
00:18:46,874 —> 00:18:49,958

Jupiter and Saturn
and all their moons,

440
00:18:49,960 —> 00:18:52,327
but it kept going.

441
00:18:53,497 —> 00:18:55,130
When I left India for America,

442
00:18:55,132 —> 00:18:57,799
I was never more scared
in my life.

443
00:18:57,801 —> 00:19:00,168
I had no idea
what lay ahead.

444
00:19:00,170 —> 00:19:02,938
Whenever I feel that way,
I think about how...

445
00:19:02,940 —> 00:19:06,842
Voyager is still out there

446

00:19:06,844 —> 00:19:09,478

somewhere

beyond our solar system,

447

00:19:09,480 —> 00:19:12,347

going further than anyone

ever thought it could.

448

00:19:15,652 —> 00:19:18,436

Don't leave!

You can do this!

449

00:19:20,274 —> 00:19:22,324

Sheldon,

is everything okay?

450

00:19:22,326 —> 00:19:23,859

It's too late for Koothrappali.

451

00:19:23,861 —> 00:19:24,876

Let's go!

452

00:19:27,331 —> 00:19:31,199

11 minutes.

That's longer than I thought.

453

00:19:32,035 —> 00:19:33,502

KOOTHRAPPALI:

They're in my shirt!

454

00:19:44,484 —> 00:19:46,818

Okay, this is definitely

the most fun thing we can do

455

00:19:46,820 —> 00:19:47,986

with the money.

456

00:19:50,824 —> 00:19:54,943

I've never done it on

a big old pile of cash before.

457

00:19:56,947 —> 00:20:01,533

(high-pitched): “Me neither, Leonard.

It's my first time, too.”

458

00:20:05,005 —> 00:20:08,123

I'm so sorry I made you feel bad

about the money stuff.

459

00:20:08,125 —> 00:20:11,309

It's okay.

No, it's not okay.

460

00:20:11,311 —> 00:20:13,628

I want us to be

partners, equals.

461

00:20:13,630 —> 00:20:16,381

Adults in a mature

relationship.

462

00:20:16,383 —> 00:20:18,550

I want that, too.

463

00:20:19,937 —> 00:20:22,137

Now, let's talk about

your birthday party.

464

00:20:22,139 —> 00:20:24,639

Ooh, laser tag, laser tag.

Oh!

465

00:20:26,693 —> 00:20:29,060

Do you really need me

to transcribe this?

466

00:20:29,062 —> 00:20:30,362

You're not doing it for me.

467

00:20:30,364 —> 00:20:32,364

You're doing it

for future generations

468

00:20:32,366 —> 00:20:35,033

who will benefit

from my struggle.

469

00:20:36,253 —> 00:20:38,737

Sheldon's Mine Simulation Log,

470

00:20:38,739 —> 00:20:41,239
entry four:

471
00:20:41,241 —> 00:20:45,076
my Kit Kat has melted.

472
00:20:45,078 —> 00:20:48,580
All is lost.

473
00:20:48,582 —> 00:20:51,132
You call yourself
a friend?!

474
00:20:51,134 —> 00:20:52,334
I was trying

475
00:20:52,336 —> 00:20:54,669
to help you!
And at the first sign of trouble

476
00:20:54,671 —> 00:20:59,841
you ran away, leaving me
to fend off a family of rats!

477

00:20:59,843 —> 00:21:02,077

You're a completely selfish

human being

478

00:21:02,079 —> 00:21:05,914

and a... and a physical

and a moral coward!

479

00:21:07,217 —> 00:21:09,317

His statements of the obvious

continue to annoy.

S08EP7: The Misinterpretation Agitation

1

00:00:02,254 —> 00:00:04,704

So, what are you

working on these days?

2

00:00:04,706 —> 00:00:06,639

I'm studying

one-celled organisms

3

00:00:06,641 —> 00:00:08,007
to try and find
the neurochemicals

4
00:00:08,009 —> 00:00:09,476
that lead to the feeling
of shame.

5
00:00:09,478 —> 00:00:12,879
What would a one-celled organism
have to be embarrassed about?

6
00:00:12,881 —> 00:00:16,383
Same as all of us, getting out
of a car without underwear.

7
00:00:17,285 —> 00:00:19,135
Speaking of underwear,

8
00:00:19,137 —> 00:00:20,937
I have some interesting news...

9
00:00:20,939 —> 00:00:22,939

Okay, if it's
sometimes Howie wears yours,

10
00:00:22,941 —> 00:00:24,274
Leonard already told us.

11
00:00:26,111 —> 00:00:28,495
He was being funny.

12
00:00:28,497 —> 00:00:30,230
I'm pretty sure.

13
00:00:31,583 —> 00:00:34,818
Anyway, I was asked to be
a part of a magazine article

14
00:00:34,820 —> 00:00:38,054
about the 50 sexiest female
scientists in California.

15
00:00:38,056 —> 00:00:39,189
Isn't that cool?

16

00:00:39,191 —> 00:00:40,724

I think it's awful.

17

00:00:40,726 —> 00:00:42,058

Why would you say that?

18

00:00:42,060 —> 00:00:44,894

Bernadette is a

successful microbiologist.

19

00:00:44,896 —> 00:00:47,697

She should be celebrated for

her achievements, not her looks.

20

00:00:47,699 —> 00:00:49,599

I mean, what kind of message

does that send?

21

00:00:49,601 —> 00:00:53,336

I think the message is— "check

out the rack on that scientist."

22

00:00:55,173 —> 00:00:58,725
Why can't someone be thought
of as both smart and pretty?

23
00:00:58,727 —> 00:01:01,127
I just don't think
a professional woman should have

24
00:01:01,129 —> 00:01:04,030
to flaunt her sexuality
in order to get ahead.

25
00:01:04,032 —> 00:01:05,148
Okay, what's the big deal?

26
00:01:05,150 —> 00:01:06,783
Look, if it helps me make
a sale with a physician,

27
00:01:06,785 —> 00:01:08,067
I don't think it hurts
to flirt a little.

28

00:01:08,069 —> 00:01:10,954
I mean, laugh at their joke,
touch their arm,

29
00:01:10,956 —> 00:01:14,073
maybe crank up the AC
in the car beforehand, you know,

30
00:01:14,075 —> 00:01:16,276
to wake up the girls.

31
00:01:17,379 —> 00:01:19,712
Maybe it's different
in the world of sales,

32
00:01:19,714 —> 00:01:20,947
but it's already hard enough

33
00:01:20,949 —> 00:01:23,049
for women to be taken seriously
in science.

34
00:01:23,051 —> 00:01:25,518

I was kind of excited
about the article,

35
00:01:25,520 —> 00:01:27,253
but now you're making me
feel bad.

36
00:01:27,255 —> 00:01:30,006
No, I think you should do
whatever you want.

37
00:01:30,008 —> 00:01:31,424
You know, maybe
if fashion magazines had

38
00:01:31,426 —> 00:01:32,592
female scientists
in them,

39

it's pretty cool.

213

00:09:39,211 —> 00:09:41,962

I-I would love to

see your collection.

214

00:09:41,964 —> 00:09:43,597

Anytime.

215

00:09:43,599 —> 00:09:44,881

Uh, I've got some cool stuff.

216

00:09:44,883 —> 00:09:46,349

When I first started,

217

00:09:46,351 —> 00:09:48,385

I thought it would be

a good way to meet women,

218

00:09:48,387 —> 00:09:51,304

but, well, you know...

219
00:09:51,306 —> 00:09:53,990
Sure. Preach.
SHELDON: We know.

220
00:09:53,992 —> 00:09:57,227
Can I ask you
a personal question?

221
00:09:57,229 —> 00:09:59,479
Sure.

222
00:09:59,481 —> 00:10:03,283
Um, I mean,
you're a guy like me,

223
00:10:03,285 —> 00:10:05,902
so how'd you get
a girl like Penny?

224
00:10:05,904 —> 00:10:07,521
Oh.

225

00:10:07,523 —> 00:10:10,123

Well, you know, just...

(sniffs)

226

00:10:10,125 —> 00:10:12,742

being myself, really.

227

00:10:12,744 —> 00:10:13,877

Oh, please!

228

00:10:13,879 —> 00:10:15,328

You know, I'll tell you

how he did it.

229

00:10:15,330 —> 00:10:18,298

Implacable,

relentless badgering.

230

00:10:19,384 —> 00:10:21,251

In urology terms,

231

00:10:21,253 —> 00:10:23,970
he was a drug-resistant
staph infection.

232
00:10:23,972 —> 00:10:28,091
And she was a urethra
that could not shake him.

233
00:10:29,745 —> 00:10:33,547
I don't know that I'd call
myself an infection.

234
00:10:33,549 —> 00:10:35,649
A gallant man would
defend his fiancée

235
00:10:35,651 —> 00:10:37,517
for being called a urethra.

236
00:10:37,519 —> 00:10:41,138
Can we please
change the subject?

237

00:10:41,140 —> 00:10:42,222
Hi.

238
00:10:42,224 —> 00:10:44,441
Well, that didn't
go your way.

239
00:10:46,278 —> 00:10:49,279
Dr. Lorvis,
what are you doing here?

240
00:10:49,281 —> 00:10:52,232
Uh, well, actually
I came to see you.

241
00:10:52,234 —> 00:10:53,667
Really? Why?

242
00:10:53,669 —> 00:10:56,870
Ah, that's a good question.

243
00:10:56,872 —> 00:10:59,706
Apparently someone was

being awfully flirty

244
00:10:59,708 —> 00:11:01,291
while not wearing
their engagement ring,

245
00:11:01,293 —> 00:11:02,792
causing another
someone to show up

246
00:11:02,794 —> 00:11:04,928
here thinking the first
someone might be available.

247
00:11:04,930 —> 00:11:06,963
Oh, God. Don't make it
so hard on her.

248
00:11:06,965 —> 00:11:09,749
Look, the first someone
is the deceitful you.

249
00:11:09,751 —> 00:11:11,434

The second someone

250
00:11:11,436 —> 00:11:14,804
is the delightful
Dr. Lorvis.

251
00:11:14,806 —> 00:11:16,356
Oh, this is very embarrassing.

252
00:11:16,358 —> 00:11:18,358
Dr. Lorvis, I am so sorry.

253
00:11:18,360 —> 00:11:20,360
I did not mean to lead you on.

254
00:11:20,362 —> 00:11:23,813
You touched my arm
for two Mississippis.

255
00:11:23,815 —> 00:11:25,065
Oh.

256

00:11:25,067 —> 00:11:28,652
That's why you were
mumbling "Mississippi."

257
00:11:28,654 —> 00:11:30,320
Can we talk in private?

258
00:11:30,322 —> 00:11:31,137
Please, yes.

259
00:11:31,139 —> 00:11:33,323
I'll be right back.

260
00:11:34,376 —> 00:11:35,909
So what other

261
00:11:35,911 —> 00:11:38,962
celebrity genitalia
have you handled?

262
00:11:40,048 —> 00:11:41,665
So, uh, what's the deal?

263

00:11:41,667 —> 00:11:43,750

You take off your ring

when you go to work?

264

00:11:43,752 —> 00:11:45,252

What? No! No!

265

00:11:45,254 —> 00:11:47,053

I just put it

on the other hand and...

266

00:11:47,055 —> 00:11:49,506

turn it around.

267

00:11:49,508 —> 00:11:52,008

Keep that hand in my pocket.

268

00:11:52,010 —> 00:11:53,393

Why?

269

00:11:53,395 —> 00:11:54,477

Well, what do you mean why?

270

00:11:54,479 —> 00:11:55,479

Look, I make more sales

271

00:11:55,480 —> 00:11:56,813

if these doctors

think I'm single.

272

00:11:56,815 —> 00:11:58,398

I did the same kind of

thing as a waitress.

273

00:11:58,400 —> 00:12:01,318

The real question is, what is

he doing in your apartment?

274

00:12:01,320 —> 00:12:02,485

Oh, he was upset.

275

00:12:02,487 —> 00:12:06,172

So Sheldon invited him

in for a hot beverage.

276

00:12:06,174 —> 00:12:07,440

You were okay with that?

277

00:12:07,442 —> 00:12:08,358

No. I got upset!

278

00:12:08,360 —> 00:12:11,528

And Sheldon made me

a beverage, too.

279

00:12:11,530 —> 00:12:13,697

Okay, he just

showed up at my door.

280

00:12:13,699 —> 00:12:14,998

Don't you think

that's a little weird?

281

00:12:15,000 —> 00:12:17,584

A little, but... he's

basically harmless.

282

00:12:17,586 —> 00:12:19,586
He's actually kind of a nice guy.
Okay.

283
00:12:19,588 —> 00:12:21,338
Whatever, look,
my company does not allow me

284
00:12:21,340 —> 00:12:22,789
to socialize with doctors
outside of work.

285
00:12:22,791 —> 00:12:23,957
You got to get rid of him.

286
00:12:23,959 —> 00:12:26,593
Why am I the one that
has to get rid of him?

287
00:12:26,595 —> 00:12:28,628
I can't do it!
He's my best client!

288

00:12:28,630 —> 00:12:30,964
All right, I'll
get rid of him.

289
00:12:30,966 —> 00:12:32,799
But you owe me one.

290
00:12:32,801 —> 00:12:35,101
Hey, we're going to Oliver's
house to see his collection.

291
00:12:35,103 —> 00:12:36,103
You want to go with us?

292
00:12:36,104 —> 00:12:38,188
Yeah, sure.

293
00:12:39,057 —> 00:12:40,857
You owe me.

294
00:12:50,464 —> 00:12:52,647
(buzzing, beeping and whirring)

295

00:12:54,985 —> 00:12:57,385

Oh, my God!

296

00:12:58,773 —> 00:13:01,007

Leonard, I was wrong.

297

00:13:01,009 —> 00:13:03,509

Heaven does exist.

298

00:13:03,511 —> 00:13:05,778

And it's in the basement

of a urologist's house

299

00:13:05,780 —> 00:13:07,380

in Sherman Oaks.

300

00:13:09,217 —> 00:13:12,368

Welcome to

my Fortress of Solitude.

301

00:13:12,370 —> 00:13:15,204

This is where I go

to get away from...

302
00:13:15,206 —> 00:13:18,074
all my other solitude.

303
00:13:19,627 —> 00:13:21,410
Oh, come on.
It's a replica.

304
00:13:21,412 —> 00:13:22,995
Original.

305
00:13:22,997 —> 00:13:27,150
Oh, I think I just
cheated on my wife.

306
00:13:28,736 —> 00:13:30,903
The gun from Hellboy?

307
00:13:30,905 —> 00:13:32,088
Yup.

308

00:13:32,090 —> 00:13:33,306
How did you get it?

309
00:13:33,308 —> 00:13:34,407
Bought it at auction.

310
00:13:34,409 —> 00:13:36,726
Oh, I was hoping
for a juicy tidbit

311
00:13:36,728 —> 00:13:39,595
about Ron Perlman's testicles.

312
00:13:39,597 —> 00:13:43,382
WOMAN:
Oliver! I'm going to play bingo!

313
00:13:43,384 —> 00:13:45,268
Okay, Mother. Have fun.

314
00:13:45,270 —> 00:13:46,519
Still lives with his mom.

315

00:13:46,521 —> 00:13:49,355

Yikes, right?

(laughs)

316

00:13:49,357 —> 00:13:53,176

Yeah, I'm not quite

sure how to respond.

317

00:13:54,512 —> 00:13:56,612

Wow, Donkey Kong!

318

00:13:56,614 —> 00:13:58,915

This-this was my game

when I was a kid!

319

00:13:58,917 —> 00:13:59,882

Because it's a story

320

00:13:59,884 —> 00:14:01,500

of a pretty blonde girl

321

00:14:01,502 —> 00:14:04,921

tirelessly pursued
by a small, oddly-shaped man?

322
00:14:06,191 —> 00:14:09,926
No, because I liked it.

323
00:14:09,928 —> 00:14:11,794
Well, now, don't get defensive.

324
00:14:11,796 —> 00:14:14,497
You're oddly-shaped,
but you got the girl.

325
00:14:15,967 —> 00:14:19,302
So, I've noticed Leonard
gets teased a lot

326
00:14:19,304 —> 00:14:20,887
about his relationship
with Penny.

327
00:14:20,889 —> 00:14:23,272
Yes. If you'd like to join in,

328

00:14:23,274 —> 00:14:26,642

the premise is their love seems

unlikely and doomed to failure.

329

00:14:28,196 —> 00:14:30,830

So, you think

she'll be single soon?

330

00:14:30,832 —> 00:14:33,065

Oh, if you want

to get in on the pool,

331

00:14:33,067 —> 00:14:34,317

you're too late...

332

00:14:34,319 —> 00:14:36,319

All the squares

have been purchased.

333

00:14:37,689 —> 00:14:38,988

Interesting.

334

00:14:38,990 —> 00:14:41,207

Excuse me, I have to

take care of something.

335

00:14:51,552 —> 00:14:53,135

Leonard, as your friend I feel

336

00:14:53,137 —> 00:14:55,688

I should tell you something.

What?

337

00:14:55,690 —> 00:14:58,257

I'm still upset

about that peanut sauce.

338

00:15:01,980 —> 00:15:03,179

Oh, could you

hold the door?

339

00:15:03,181 —> 00:15:05,431

Nice flowers.

Thank you.

340

00:15:05,433 —> 00:15:06,933

They're for a girl.

341

00:15:06,935 —> 00:15:10,937

Uh, I'm being implacable

and relentless.

342

00:15:10,939 —> 00:15:14,540

Isn't she lucky?

343

00:15:14,542 —> 00:15:16,659

She keeps sending me

mixed signals.

344

00:15:16,661 —> 00:15:19,078

But I-I think we both

want the same thing.

345

00:15:19,080 —> 00:15:20,329

What's that?

346

00:15:20,331 —> 00:15:23,165

Unconditional love.

347

00:15:23,167 —> 00:15:24,867

I guess that's

all anybody wants.

348

00:15:24,869 —> 00:15:26,452

I guess so.

349

00:15:26,454 —> 00:15:29,538

Well, I hope you get it.

350

00:15:29,540 —> 00:15:32,208

One Mississippi,

two Mississippi.

351

00:15:39,801 —> 00:15:41,751

Next game,

let's switch helmets.

352

00:15:41,753 —> 00:15:44,920

No, I'd look silly

in that helmet.

353

00:15:49,560 —> 00:15:51,394

I-I can't take these.

354

00:15:51,396 —> 00:15:53,396

Well, why not?

355

00:15:53,398 —> 00:15:54,814

I mean, you want what I want.

356

00:15:54,816 —> 00:15:57,900

And we had

two wonderful Mississippis.

357

00:15:59,654 —> 00:16:01,904

But what about

the other girl?

358

00:16:01,906 —> 00:16:03,656

Oh, right.

(stammers)

359

00:16:03,658 —> 00:16:04,824
I'll tell her

360
00:16:04,826 —> 00:16:07,043
we should just be friends.

361
00:16:12,333 —> 00:16:14,000
Dr. Lorvis?

362
00:16:14,002 —> 00:16:16,469
Penny, we should
just be friends.

363
00:16:17,305 —> 00:16:20,306
Happy?

364
00:16:29,734 —> 00:16:31,767
You think he bites?

365
00:16:31,769 —> 00:16:35,571
Stick your hand in there
and find out.

366

00:16:35,573 —> 00:16:37,940

You fooled me with that

goat at the petting zoo.

367

00:16:37,942 —> 00:16:41,444

You will not fool me again.

368

00:16:41,446 —> 00:16:43,446

I wonder where Dr. Lorvis is.

369

00:16:43,448 —> 00:16:44,613

He's been gone a while.

370

00:16:44,615 —> 00:16:48,200

Maybe he's playing

bingo with his mommy.

371

00:16:48,202 —> 00:16:50,252

It's sad how some guys

372

00:16:50,254 —> 00:16:53,089

can't cut the apron strings.

373

00:16:53,091 —> 00:16:55,991

Okay, now you're

messing with me.

374

00:16:57,128 —> 00:17:00,129

Uh, guys, we're locked in here.

375

00:17:01,299 —> 00:17:03,999

Oh, this day just

keeps getting better!

376

00:17:07,205 —> 00:17:10,673

So, you just left them alone

playing games in your house?

377

00:17:10,675 —> 00:17:12,625

Well, they seemed happy and...

378

00:17:12,627 —> 00:17:14,593

I thought

that would give me time

379

00:17:14,595 —> 00:17:17,713

for you and I to get

to know each other better.

380

00:17:19,600 —> 00:17:23,252

That was before we met.

381

00:17:24,322 —> 00:17:27,156

We all have a past.

382

00:17:27,158 —> 00:17:28,908

Doc, you've got to see what

you're doing

383

00:17:28,910 —> 00:17:30,593

is-is a little creepy.

384

00:17:30,595 —> 00:17:32,044

You sound just

like Sigourney Weaver

385

00:17:32,046 —> 00:17:34,814

when I followed her
into a restroom.

386
00:17:36,651 —> 00:17:38,000

130

00:05:05,840 —> 00:05:08,641

Let me guess, you think

the whole idea is lame?

131

00:05:08,643 —> 00:05:10,142

Well, who cares what I think?

What do you think?

132

00:05:10,144 —> 00:05:12,144
Hmm, to be honest,

133
00:05:12,146 —> 00:05:15,214
it's kind of a dream come true
to go to even a fake prom

134
00:05:15,216 —> 00:05:16,815
with a woman
as beautiful as you.

135
00:05:16,817 —> 00:05:19,485
Ugh, thanks a lot.

136
00:05:19,487 —> 00:05:21,287
What?

137
00:05:21,289 —> 00:05:25,424
Well, now I can't blow this
thing off without being a bitch.

138
00:05:25,426 —> 00:05:27,826
That sounds like a "yes"!

139

00:05:30,698 —> 00:05:34,066

Ooh, every single person

RSVP'd "yes."

140

00:05:34,068 —> 00:05:35,834

This is so exciting!

141

00:05:35,836 —> 00:05:38,170

(higher pitched):

Isn't this exciting?

142

00:05:38,172 —> 00:05:39,939

(dog howls)

143

00:05:41,275 —> 00:05:42,675

Yep.

144

00:05:42,677 —> 00:05:45,177

Look, even Stuart's

bringing a date.

145

00:05:45,179 —> 00:05:46,245
I wonder who it is.

146
00:05:46,247 —> 00:05:48,180
You know exactly
who it is.

147
00:05:48,182 —> 00:05:49,515
He's gonna bring my mom.

148
00:05:49,517 —> 00:05:51,050
Why did you even invite him?

149
00:05:51,052 —> 00:05:53,786
Because he's our friend,
and you two need to get along.

150
00:05:53,788 —> 00:05:55,221
And why can't
he take your mom?

151
00:05:55,223 —> 00:05:57,990
You took her

to your prom.

152

00:05:57,992 —> 00:06:01,894

I didn't "take" her;

she was a chaperone.

153

00:06:01,896 —> 00:06:05,030

I saw a picture of you two

dancing together.

154

00:06:05,032 —> 00:06:06,165

W-What was I gonna do?

155

00:06:06,167 —> 00:06:07,666

They were playing our song!

156

00:06:09,370 —> 00:06:11,670

I can't take

this anymore.

157

00:06:13,641 —> 00:06:15,374

(phone rings)

158

00:06:15,376 —> 00:06:16,342

Hello.

159

00:06:16,344 —> 00:06:17,610

WOLOWITZ:

Stuart, we have to talk.

160

00:06:17,612 —> 00:06:22,314

This thing with you and my mom,

I-I hate it.

161

00:06:22,316 —> 00:06:24,049

It's making me crazy.

162

00:06:24,051 —> 00:06:26,585

You and I were

friends for years,

163

00:06:26,587 —> 00:06:30,089

and now you're bringing my

mother to a party I'm going to?!

164

00:06:30,091 —> 00:06:31,557
What the hell?!

165
00:06:31,559 —> 00:06:34,126
I'm not bringing your mother,
I have a date.

166
00:06:34,128 —> 00:06:36,662
Oh, so now you're cheating
on my mother?

167
00:06:39,500 —> 00:06:41,500
Whoa, whoa, whoa, whoa, whoa.

168
00:06:41,502 —> 00:06:42,968
Wha-What are you talking about?

169
00:06:42,970 —> 00:06:45,971
There's nothing weird going on
with me and your mother.

170
00:06:45,973 —> 00:06:48,841
MRS. WOLOWITZ: Stewie,

your bath is getting cold!

171

00:06:50,011 —> 00:06:52,211

I got to go, bye.

172

00:06:55,149 —> 00:06:56,615

(knocking on door)

SHELDON: Penny?

173

00:06:56,617 —> 00:06:57,850

(knocks)

Penny.

174

00:06:57,852 —> 00:06:59,084

(knocks)

Penny.

175

00:06:59,086 —> 00:07:00,452

(knocks)

Penny.

176

00:07:00,454 —> 00:07:02,187

(knocks)

Penny.

177

00:07:02,189 —> 00:07:04,523

You knocked more than usual.

178

00:07:04,525 —> 00:07:05,724

Next time I might be in a rush,

179

00:07:05,726 —> 00:07:07,293

it's good to have

a few in the bank.

180

00:07:07,295 —> 00:07:09,094

Okay, what's up?

181

00:07:09,096 —> 00:07:11,463

I'd like to discuss this party

182

00:07:11,465 —> 00:07:12,998

that Amy and Bernadette

are throwing.

183

00:07:13,000 —> 00:07:16,168
Since you and I are both
reluctant to go,

184
00:07:16,170 —> 00:07:19,738
I think I've come up with a
perfect way for us to enjoy it.

185
00:07:19,740 —> 00:07:21,140
Great, how?

186
00:07:21,142 —> 00:07:23,275
We pretend we're aliens.

187
00:07:26,514 —> 00:07:28,147
I'm not the best
at reading facial cues,

188
00:07:28,149 —> 00:07:31,016
but I'm gonna say that you love
it and want to hear more.

189
00:07:32,853 —> 00:07:34,586

Now,
in the beloved novel

190
00:07:34,588 —> 00:07:36,488
Hitchhiker's Guide
to the Galaxy,

191
00:07:36,490 —> 00:07:39,992
an alien named Ford Prefect
pretended to be human

192
00:07:39,994 —> 00:07:43,228
in order to blend in so that he
could write an entry about Earth

193
00:07:43,230 —> 00:07:45,397
for The Hitchhiker's Guide
to the Galaxy,

194
00:07:45,399 —> 00:07:48,000
which is a travel book
within the actual book,

195

00:07:48,002 —> 00:07:49,201
which is also called

196
00:07:49,203 —> 00:07:52,004
The Hitchhiker's Guide
to the Galaxy.

197
00:07:52,006 —> 00:07:54,840
Okay, just one question.

198
00:07:54,842 —> 00:07:56,108
What?

199
00:07:57,511 —> 00:08:00,312
My point is,
pretending to be an alien is

200
00:08:00,314 —> 00:08:02,681
a valuable coping mechanism
I've used many times.

201
00:08:02,683 —> 00:08:05,818
I did it the first time

I went to see you in a play.

202
00:08:07,621 —> 00:08:09,988
You had no idea
Commander Umfrumf

203
00:08:09,990 —> 00:08:12,224
of Ceti Alpha Three
was in the audience.

204
00:08:13,260 —> 00:08:16,128
Oh, d-don't worry,
he gave you seven thumbs up.

205
00:08:17,098 —> 00:08:18,931
Here's a question—

206
00:08:18,933 —> 00:08:22,134
as an alien pretending to be
human, are you planning

207
00:08:22,136 —> 00:08:26,939
to engage in any post-prom

mating rituals with Amy?

208
00:08:30,077 —> 00:08:33,812
There are post-prom
mating rituals?

209
00:08:33,814 —> 00:08:35,114
Not always.

210
00:08:35,116 —> 00:08:37,282
Unless your date drives
a van with an air mattress,

211
00:08:37,284 —> 00:08:39,151
then always.

212
00:08:41,021 —> 00:08:44,189
Well, if it's part of the prom
experience, then I'm open to it.

213
00:08:44,191 —> 00:08:46,925
You're kidding.

214

00:08:46,927 —> 00:08:49,862

I may be an alien,

but I have urges.

215

00:08:51,966 —> 00:08:54,900

If Amy wants to copulate

by firing her eggs into space,

216

00:08:54,902 —> 00:08:56,635

well, then,

I will happily catch them

217

00:08:56,637 —> 00:08:59,805

with the reproductive sac

on my upper flermin.

218

00:09:03,944 —> 00:09:06,311

I'm not the best

at reading facial cues,

219

00:09:06,313 —> 00:09:09,114

but I can see that

you're a little turned on.

220

00:09:12,520 —> 00:09:14,887

You know, if you're not

gonna learn how to do this,

221

00:09:14,889 —> 00:09:16,555

they make some

pretty good clip-ons.

222

00:09:16,557 —> 00:09:19,958

Bruce Wayne doesn't

wear a clip-on.

223

00:09:19,960 —> 00:09:24,329

Bruce Wayne doesn't make

his roommate tie it for him.

224

00:09:24,331 —> 00:09:27,199

His name is Alfred,

and, yes, he does.

225

00:09:29,703 —> 00:09:31,670

There, perfect.

226

00:09:31,672 —> 00:09:32,938

What, are you sure?

227

00:09:32,940 —> 00:09:35,574

It's my first prom,

I want to do it correctly.

228

00:09:35,576 —> 00:09:37,810

I thought you were gonna

pretend to be an alien.

229

00:09:37,812 —> 00:09:40,279

I was, but Penny didn't want to.

230

00:09:40,281 —> 00:09:41,780

You didn't want to.

231

00:09:41,782 —> 00:09:45,684

Bernadette, Amy, Koothrappali

and Wolowitz didn't want to.

232

00:09:45,686 —> 00:09:48,954
And even I knew it was weird
to hire somebody.

233
00:09:53,661 —> 00:09:55,594
Was that a flask?

234
00:09:55,596 —> 00:09:56,995
Yes.

235
00:09:56,997 —> 00:09:59,031
I've decided to embrace
all of the traditions

236
00:09:59,033 —> 00:10:01,934
associated with prom,
including spiking the punch.

237
00:10:04,104 —> 00:10:06,371
You're gonna put alcohol
in the punch?

238
00:10:06,373 —> 00:10:09,074

Oh, no, this is
pomegranate juice.

239
00:10:09,076 —> 00:10:11,510
It's all the fun
of high school high jinks

240
00:10:11,512 —> 00:10:14,780
with the cell-protecting zip
of antioxidants.

241
00:10:16,550 —> 00:10:18,417
If you had ripped jeans
and a leather jacket,

242
00:10:18,419 —> 00:10:21,253
you'd be like the toughest kid
on the Disney Channel.

243
00:10:23,023 —> 00:10:25,991
So, anything else
planned for tonight?

244

00:10:25,993 —> 00:10:27,659
Oh, everything.

245
00:10:27,661 —> 00:10:30,395
Getting our picture taken,
slow-dancing,

246
00:10:30,397 —> 00:10:32,731
being elected prom king.

247
00:10:34,335 —> 00:10:36,802
Pointing out that
kings aren't elected.

248
00:10:38,772 —> 00:10:41,707
It's gonna be off the hook.

249
00:10:41,709 —> 00:10:44,276
And while you're at it,

250
00:10:44,278 —> 00:10:46,645
I know that at this age
your hormones are raging,

251

00:10:46,647 —> 00:10:48,614

but just because all

your friends are having sex

252

00:10:48,616 —> 00:10:49,915

doesn't mean you have to.

253

00:10:52,253 —> 00:10:53,785

Why would you say that?

254

00:10:53,787 —> 00:10:56,088

You know, 'cause...

255

00:10:56,090 —> 00:10:58,390

'cause a lot of people lose

their virginity on prom night.

256

00:10:58,392 —> 00:11:00,392

Penny implied the same thing.

257

00:11:00,394 —> 00:11:01,527

Is this true?

258

00:11:01,529 —> 00:11:03,462

Just relax, it's a joke.

259

00:11:03,464 —> 00:11:06,298

You don't have

hormones.

260

00:11:19,786 —> 00:11:21,734

Wow, you look amazing.

261

00:11:21,870 —> 00:11:24,437

Thank you, so do you.

262

00:11:24,768 —> 00:11:26,701

Sheldon,

you look so handsome.

263

00:11:26,703 —> 00:11:28,970

Thank you.

264

00:11:30,173 —> 00:11:32,207
Sheldon, doesn't Amy look hot?

265
00:11:32,209 —> 00:11:35,410
That's got to put some starch
in the upper flermin.

266
00:11:37,481 —> 00:11:38,446
What's that?

267
00:11:38,448 —> 00:11:40,281
Oh, it's a scaly
genital organ

268
00:11:40,283 —> 00:11:41,983
that grows between
his shoulder blades.

269
00:11:41,985 —> 00:11:45,053
Try not to touch it
when you're dancing.

270
00:11:46,022 —> 00:11:47,255

Excuse me.

271
00:11:47,257 —> 00:11:48,556
Where are you going?

272
00:11:48,558 —> 00:11:49,824
I can't do this.

273
00:11:49,826 —> 00:11:51,326
And for your information,
Leonard,

274
00:11:51,328 —> 00:11:53,194
the upper flermin doesn't grow
between my shoulder blades,

275
00:11:53,196 —> 00:11:55,497
it grows out of the belly button
on my neck.

276
00:11:59,269 —> 00:12:02,404
He's right, I was thinking
of the lower flermin.

277

00:12:04,574 —> 00:12:08,309

Ooh, I'll, uh, text Stuart,

let him know we're close.

278

00:12:08,311 —> 00:12:09,911

That's a neat tattoo.

279

00:12:09,913 —> 00:12:13,314

Oh, thanks, it's Sally from

Nightmare before Christmas.

280

00:12:13,316 —> 00:12:14,549

Aw, that movie's

so cute.

281

00:12:14,551 —> 00:12:16,651

Do you like her because

you both have red hair?

282

00:12:16,653 —> 00:12:19,421

Uh, a little, but more

that she's covered in scars

283

00:12:19,423 —> 00:12:22,390

and can pull her own limbs off

and sew them back on.

284

00:12:24,194 —> 00:12:27,195

I like Cinderella.

285

00:12:28,632 —> 00:12:30,165

Did you know,

in the original book,

286

00:12:30,167 —> 00:12:32,200

the sisters cut off

their toes with knives

287

00:12:32,202 —> 00:12:34,102

in order to fit

in the glass slipper?

288

00:12:35,372 —> 00:12:38,239

I like "Bibbidi-Bobbidi-Boo."

289

00:12:39,609 —> 00:12:41,676

Hey, here comes

Stuart and his date.

290

00:12:41,678 —> 00:12:42,811

Oh, she's cute.

291

00:12:43,914 —> 00:12:45,647

Oh, my God.

292

00:12:45,649 —> 00:12:46,748

What?

293

00:12:46,750 —> 00:12:47,682

That's Jeanie.

294

00:12:47,684 —> 00:12:48,650

That's Jeanie?!

295

00:12:48,652 —> 00:12:50,418

Who's Jeanie?

Don't say it.

296

00:12:50,420 —> 00:12:52,587

That's Howard's cousin

that he had sex with.

297

00:12:55,926 —> 00:12:57,892

She is my second cousin.

298

00:12:57,894 —> 00:13:00,562

We were 15... I just said,

"Don't say it."

299

00:13:00,564 —> 00:13:02,230

No, it's okay.

300

00:13:02,232 —> 00:13:04,098

He told me that story

a long time ago.

301

00:13:04,100 —> 00:13:05,166

Raj!

302

00:13:05,168 —> 00:13:06,301
It was our first date,

303
00:13:06,303 —> 00:13:07,402
there was an
awkward silence.

304
00:13:07,404 —> 00:13:10,004
What was I
supposed to say?

305
00:13:14,244 —> 00:13:15,810
(gasps)

306
00:13:15,812 —> 00:13:17,979
Oh, it's beautiful.

307
00:13:17,981 —> 00:13:20,248
Oh, the girls really
did a nice job.

308
00:13:20,250 —> 00:13:21,349
Aw...

309

00:13:21,351 —> 00:13:22,817

I know I wasn't

into this before,

310

00:13:22,819 —> 00:13:25,353

but I'm so glad I get

to take you to your first prom.

311

00:13:25,355 —> 00:13:27,355

What makes you think

I didn't go to my prom?

312

00:13:27,357 —> 00:13:29,357

I went.

Well, who'd you go with?

313

00:13:29,359 —> 00:13:33,328

I took a little lady

I like to call loneliness.

314

00:13:33,330 —> 00:13:34,496

Aw...

315

00:13:34,498 —> 00:13:35,864

Aw, it's all right.

316

00:13:35,866 —> 00:13:37,165

We ended up having a threesome

317

00:13:37,167 —> 00:13:39,133

with her friend humiliation,

so...

318

00:13:41,438 —> 00:13:43,738

Well, if I would have been

there and saw you alone,

319

00:13:43,740 —> 00:13:45,006

I would've asked you

to dance.

320

00:13:45,008 —> 00:13:46,107

No, you wouldn't have.

321

00:13:46,109 —> 00:13:47,208
Well, you don't
know that.

322
00:13:47,210 —> 00:13:48,676
It was before
my growth spurt.

323
00:13:48,678 —> 00:13:49,811
What, that already happened?

324
00:13:49,813 —> 00:13:51,813
(imitates laughter)

325
00:13:51,815 —> 00:13:53,781
Very funny.

326
00:13:53,783 —> 00:13:55,350
Well, you wouldn't
have asked me either.

327
00:13:55,352 —> 00:13:56,584
I would have asked you.

328

00:13:56,586 —> 00:13:57,452

(scoffs)

329

00:13:57,454 —> 00:13:58,620

In my head.

330

00:13:58,622 —> 00:14:00,388

(chuckles)

331

00:14:00,390 —> 00:14:02,790

On the way home.

332

00:14:02,792 —> 00:14:05,059

While I was having a good cry.

333

00:14:09,399 —> 00:14:11,599

(knocking on door)

334

00:14:11,601 —> 00:14:12,867

Sheldon, can I come in?

335

00:14:12,869 —> 00:14:15,203

I don't think

that's a good idea.

336

00:14:15,205 —> 00:14:16,437

Why not?

337

00:14:16,439 —> 00:14:18,573

According to an online

message board,

338

00:14:18,575 —> 00:14:20,742

I may be having a panic attack.

339

00:14:20,744 —> 00:14:22,977

SoccerMom09 had

similar symptoms.

340

00:14:24,814 —> 00:14:29,117

But to be fair, the twins were

a real handful that day.

341

00:14:29,119 —> 00:14:30,518
You're making me worry.

342
00:14:30,520 —> 00:14:31,653
What's going on?

343
00:14:31,655 —> 00:14:35,557
What's going on is we're
about to go to a prom.

344
00:14:35,559 —> 00:14:36,691
And there's
a great deal of pressure

345
00:14:36,693 —> 00:14:38,660
on young couples
like us to engage in

346
00:14:38,662 —> 00:14:42,997
what Mr. Bob Eubanks
called making whoopee.

347
00:14:42,999 —> 00:14:44,632

What pressure?

348

00:14:44,634 —> 00:14:46,434

All I said was

you look handsome.

349

00:14:46,436 —> 00:14:49,170

Can you please

open the door?

350

00:14:49,172 —> 00:14:51,005

It's not just that.

351

00:14:51,007 —> 00:14:53,575

Leonard and Penny also

made comments about it.

352

00:14:53,577 —> 00:14:55,209

And I'm not blind.

353

00:14:55,211 —> 00:14:57,745

Even I looked twice

when I saw my posterior

354

00:14:57,747 —> 00:14:59,781

in these tuxedo pants.

355

00:15:01,952 —> 00:15:04,552

So, I met Jeanie

at your Aunt Gladys'.

356

00:15:04,554 —> 00:15:06,054

She passed me

the Manischewitz,

357

00:15:06,056 —> 00:15:07,755

I took one look

at this punim,

358

00:15:07,757 —> 00:15:10,925

and I almost plotzed

on the kugel.

359

00:15:12,729 —> 00:15:15,296

Is this what I sound like

when I talk about India?

360

00:15:18,168 —> 00:15:20,201

So, my mother's okay

with this?

361

00:15:20,203 —> 00:15:22,670

Why would your mother have

a problem with me and Stuart?

362

00:15:22,672 —> 00:15:25,773

'Cause they have a weird,

inappropriate relationship.

363

00:15:25,775 —> 00:15:29,210

Weirder than what you and I

did in my dad's Corolla?

364

00:15:32,182 —> 00:15:33,681

This is so messed up.

365

00:15:33,683 —> 00:15:36,784

I know, I'm having

the best time.

366

00:15:36,786 —> 00:15:39,621

Why would you even come to this?

367

00:15:39,623 —> 00:15:41,122

Didn't you know I'd be here?

368

00:15:41,124 —> 00:15:43,091

It was a long

time ago, Howard.

369

00:15:43,093 —> 00:15:45,259

And you're only second

cousins, who cares?

370

00:15:45,261 —> 00:15:47,729

So, you knew and you

brought her anyway?

371

00:15:47,731 —> 00:15:50,732

Oh, so she's good enough

for Howard, but not for me?!

372

00:15:50,734 —> 00:15:51,699

Yeah.

373

00:15:51,701 —> 00:15:52,700

Yeah, go have weird

relationships

374

00:15:52,702 —> 00:15:53,801

with your own

mother and cousin.

375

00:15:53,803 —> 00:15:54,803

This is his turf.

376

00:15:54,804 —> 00:15:56,004

Yeah.

377

00:15:59,476 —> 00:16:02,610

Well, I might not have

asked you to dance then,

378

00:16:02,612 —> 00:16:05,079

but I will ask you now.

There's no music.

379

00:16:05,081 —> 00:16:06,314

I don't care.

380

00:16:06,316 —> 00:16:07,515

We'll make

our own music.

381

00:16:07,517 —> 00:16:09,517

My God, who's the dork now?

382

00:16:09,519 —> 00:16:10,685

(scoffs)

383

00:16:11,521 —> 00:16:13,721

(giggles)

384

00:16:17,460 —> 00:16:19,894

Thank you for

wearing your flats.

385

00:16:19,896 —> 00:16:22,096

Thank you for

wearing your heels.

386

00:16:24,501 —> 00:16:26,034

Mmm.

387

00:16:26,036 —> 00:16:27,368

Look at me.

388

00:16:27,370 —> 00:16:30,605

Dancing with the prettiest

girl at the prom.

389

00:16:30,607 —> 00:16:32,674

Want to take a picture

of us and send it

390

00:16:32,676 —> 00:16:35,410

to your old friends

in the chess club?

391

00:16:35,412 —> 00:16:38,312
I sent them a bikini shot
of you years ago.

392
00:16:41,484 —> 00:16:43,918
This is nice.

393
00:16:43,920 —> 00:16:45,887
I kind of wish
no one else was coming.

394
00:16:45,889 —> 00:16:48,956
I know, me, too.

395
00:16:48,958 —> 00:16:52,794
But it will be fun to have a
prom without all the drama.

396
00:16:55,799 —> 00:16:57,265
Howie, get off of him!

397
00:16:57,267 —> 00:17:00,702
Not until he stops humping

his way up my family tree!

398

00:17:02,706 —> 00:17:05,306

Sheldon, this is silly.

399

00:17:05,308 —> 00:17:06,774

I'm not missing another prom.

400

00:17:06,776 —> 00:17:07,875

I'm going upstairs now.

401

00:17:07,877 —> 00:17:09,410

Good-bye.

402

00:17:09,412 —> 00:17:12,513

I really did think

you looked pretty.

403

00:17:12,515 —> 00:17:14,348

You did?

404

00:17:14,350 —> 00:17:16,684

Yes.

405
00:17:16,686 —> 00:17:19,087
So much so that
I started to panic.

406
00:17:19,089 —> 00:17:21,022
Well, you can relax.

407
00:17:21,991 —> 00:17:24,525
Just because you think
I look pretty

408
00:17:24,527 —> 00:17:26,961
doesn't mean we have
to spend the night together.

409
00:17:26,963 —> 00:17:30,598
Were you hoping we would
because it's prom?

410
00:17:30,600 —> 00:17:32,934
I'm always hoping.

411

00:17:34,170 —> 00:17:38,506

But tonight I just wanted

to have a nice time with you.

412

00:17:38,508 —> 00:17:41,676

And maybe dance

with someone who has arms.

413

00:17:43,646 —> 00:17:45,413

Thank you for understanding.

414

00:17:45,415 —> 00:17:47,749

Of course I understand.

415

00:17:49,719 —> 00:17:52,286

Sheldon,

416

00:17:52,288 —> 00:17:54,288

there's something else

I've been wanting to say,

417

00:17:54,290 —> 00:17:56,257
but before I do,
I just...

418
00:17:56,259 —> 00:17:59,994
I want you to know that you
don't have to say it back.

419
00:17:59,996 —> 00:18:01,963
I know you're not ready,

420
00:18:01,965 —> 00:18:03,498
and I don't want you to say it

421
00:18:03,500 —> 00:18:05,099
just because
social convention dictates...

422
00:18:05,101 —> 00:18:07,068
I love you, too.

423
00:18:10,573 —> 00:18:12,573
You said it.

424

00:18:12,575 —> 00:18:15,243

There's no denying

I have feelings for you

425

00:18:15,245 —> 00:18:17,612

that can't be explained

in any other way.

426

00:18:18,648 —> 00:18:22,650

I briefly considered

that I had a brain parasite.

427

00:18:25,121 —> 00:18:27,789

But that seems even

more farfetched.

428

00:18:30,760 —> 00:18:32,794

The only conclusion was love.

429

00:18:36,800 —> 00:18:38,432

I know what's happening.

430

00:18:39,769 —> 00:18:42,203

This is a panic attack.

431

00:18:42,205 —> 00:18:44,806

SoccerMom09 says to lie down

with your feet elevated.

432

00:18:44,808 —> 00:18:45,973

Okay.

433

00:18:45,975 —> 00:18:47,809

Whoa, whoa,

whoa, whoa.

434

00:18:47,811 —> 00:18:49,410

Just because I love you

doesn't mean

435

00:18:49,412 —> 00:18:51,345

girls are allowed in my room.

436

00:19:07,074 —> 00:19:08,974

Okay.

437
00:19:08,976 —> 00:19:10,676
Here we go...

438
00:19:10,678 —> 00:19:13,245
Say "Cheese"!

439
00:19:15,649 —> 00:19:18,150
Say "Cheese"!

440
00:19:20,654 —> 00:19:23,288
Say "Cousin"!

441
00:19:25,926 —> 00:19:27,626
Say...

442
00:19:27,628 —> 00:19:28,628
(cell phone rings)

443
00:19:28,629 —> 00:19:29,629
Oh, sorry.

444

00:19:29,630 —> 00:19:31,830

Hang on, sorry.

445

00:19:33,799 —> 00:19:35,567

Hey, Debbie.

446

00:19:35,569 —> 00:19:37,602

I... Yeah, yeah, I'm

here with Jeanie.

447

00:19:38,331 —> 00:19:40,473

Okay, but we're just friends.

448

00:19:40,682 —> 00:19:44,041

It's... Yeah. I got to go.

S08EP9: The Septum Deviation

1

00:00:02,674 —> 00:00:05,908

This is an easy one.

You love this guy.

2

00:00:05,910 —> 00:00:07,677

Me.

3

00:00:08,813 —> 00:00:12,215

Come on, he's an

underappreciated genius.

4

00:00:12,217 —> 00:00:14,684

Still think it's me.

5

00:00:14,686 —> 00:00:16,285

It's not you.

6

00:00:16,287 —> 00:00:18,988

Now think, there's

a car named after him.

7

00:00:18,990 —> 00:00:20,223

Of course there is.

8

00:00:20,225 —> 00:00:22,325

The Mini Cooper,

'cause it's me.

9

00:00:24,562 —> 00:00:26,429

How about this:

10

00:00:26,431 —> 00:00:28,564

he's a poor man's

Sheldon Cooper.

11

00:00:28,566 —> 00:00:30,199

Oh, Tesla.

12

00:00:31,002 —> 00:00:32,068

- Hi.

- Hey! - Hello.

13

00:00:32,070 —> 00:00:33,603

How'd it go?

Oh, not fun.

14

00:00:33,605 —> 00:00:36,772

The doctor shoved a camera

up into my sinuses.

15

00:00:36,774 —> 00:00:38,908

Yeah, I watched. It was like

the scary boat tunnel

16

00:00:38,910 —> 00:00:41,010

in Willy Wonka.

17

00:00:42,313 —> 00:00:44,380

Did they figure out what's wrong?

Yeah.

18

00:00:44,382 —> 00:00:45,348

It's a deviated septum.

19

00:00:45,350 —> 00:00:46,482

The surgery

to correct it is simple.

20

00:00:46,484 —> 00:00:47,683

He's gonna do it next week.

21

00:00:47,685 —> 00:00:49,619
Why would you have surgery?

22
00:00:49,621 —> 00:00:51,320
Because I can't breathe.

23
00:00:51,322 —> 00:00:53,823
I snore, I get sinus
infections...

24
00:00:53,825 —> 00:00:56,325
Yeah, back off,
he's all mine.

25
00:00:56,327 —> 00:00:58,594
But you don't have
a life-threatening condition.

Just last night,

195
00:08:39,857 —> 00:08:42,992
I tried to see how many fava
beans I could fit in my mouth.

196
00:08:44,462 —> 00:08:45,661
Tell me the truth.

197
00:08:45,663 —> 00:08:48,264
28.
Come on.

198

00:08:48,266 —> 00:08:51,000

Fifty-six.

199

00:08:51,002 —> 00:08:52,234

Amy!

200

00:08:52,236 —> 00:08:54,703

What's going on?

201

00:08:54,705 —> 00:08:56,639

All right.

202

00:08:56,641 —> 00:08:57,807

Don't get upset, but...

203

00:08:57,809 —> 00:09:01,110

an earlier appointment

opened up for Leonard

204

00:09:01,112 —> 00:09:04,780

and he's getting

the surgery right now.

205

00:09:08,419 —> 00:09:10,619

I see.

206

00:09:15,693 —> 00:09:17,126

Take me to Leonard.

207

00:09:17,128 —> 00:09:19,228

Just go to work,

he'll be fine.

208

00:09:19,230 —> 00:09:22,064

Amy, he's my best friend,

and if you don't take me,

209

00:09:22,066 —> 00:09:23,632

I'm going there anyway.

210

00:09:23,634 —> 00:09:26,735

Fine.

211

00:09:26,737 —> 00:09:29,338

It's sweet that you
care about him so much.

212
00:09:29,340 —> 00:09:30,573
I do.

213
00:09:30,575 —> 00:09:32,241
And I wouldn't
be able to forgive myself,

214
00:09:32,243 —> 00:09:34,543
if something happened to him
and I wasn't at his bedside

215
00:09:34,545 —> 00:09:36,812
to say, “I told you so.”

216
00:09:53,504 —> 00:09:54,770
Hello.

217
00:09:54,772 —> 00:09:56,538
We had a really nice swim.

218

00:09:56,540 —> 00:09:57,806

Oh, stop it.

219

00:09:57,808 —> 00:10:01,243

I assume this medical

center's already treated

220

00:10:01,245 —> 00:10:04,279

the burns on your bottom

from the recent pants fire.

221

00:10:05,516 —> 00:10:07,716

'Cause I'm a liar, liar?

222

00:10:07,718 —> 00:10:09,818

That's for the fire marshal

to determine.

223

00:10:11,822 —> 00:10:12,854

You had to tell him?

224

00:10:12,856 —> 00:10:14,389

He wore me down.

225

00:10:14,391 —> 00:10:15,724

And I was distracted.

226

00:10:15,726 —> 00:10:18,727

He has on

extra baby powder today.

227

00:10:18,729 —> 00:10:20,195

Is he okay?

228

00:10:20,197 —> 00:10:22,197

He's still in surgery.

229

00:10:22,199 —> 00:10:23,532

(exhales)

230

00:10:23,534 —> 00:10:25,400

Very well.

231

00:10:25,402 —> 00:10:27,836

He's gonna be all right.

232
00:10:27,838 —> 00:10:30,005
That is sticky.

233
00:10:31,842 —> 00:10:33,508
Come on,
let's talk about something

234
00:10:33,510 —> 00:10:34,676
other than the surgery.

235
00:10:34,678 —> 00:10:36,278
That's a good idea.
(sighs)

236
00:10:36,280 —> 00:10:40,649
Penny, did you and Leonard ever
discuss funeral arrangements?

237
00:10:41,885 —> 00:10:44,620
I think she meant
something a little happier.

238

00:10:44,622 —> 00:10:49,057

I suppose we could try

to make it a celebration,

239

00:10:49,059 —> 00:10:51,393

but he died so young.

240

00:10:54,198 —> 00:10:55,130

(knocking on door)

241

00:10:55,132 —> 00:10:56,732

Knock, knock.

Hi.

242

00:10:56,734 —> 00:10:57,733

Hey.

What brings you by?

243

00:10:57,735 —> 00:10:59,401

Oh...

244

00:10:59,403 —> 00:11:02,237
muffin much.

245
00:11:03,073 —> 00:11:05,173
Told you— not funny.

246
00:11:05,175 —> 00:11:07,175
He's just not laughing

247
00:11:07,177 —> 00:11:11,747
because he's feeling...
blue berry.

248
00:11:12,750 —> 00:11:16,318
Tough crowd.

249
00:11:16,320 —> 00:11:17,853
I'm sorry.

250
00:11:17,855 —> 00:11:19,588
This is very sweet. Thanks.

251

00:11:19,590 —> 00:11:20,722
So, how you doing?

252
00:11:20,724 —> 00:11:21,957
Better. I guess

253
00:11:21,959 —> 00:11:24,292
the news just hit me
a lot harder than I expected.

254
00:11:24,294 —> 00:11:25,661
Well, of course.

255
00:11:25,663 —> 00:11:28,096
I would be devastated
if my parents split up.

256
00:11:28,098 —> 00:11:31,533
Why? Your father barely
speaks to your mother.

257
00:11:31,535 —> 00:11:32,968
Well, at least

he stuck around,

258
00:11:32,970 —> 00:11:34,803
not like your dad,
who just took off.

259
00:11:34,805 —> 00:11:38,106
As you can see, we're
here to cheer you up.

260
00:11:39,176 —> 00:11:40,809
Sorry, Raj.

261
00:11:40,811 —> 00:11:42,511
Do you have any sense of
what happened with your folks?

262
00:11:42,513 —> 00:11:46,481
I think, over time, they started
to resent each other,

263
00:11:46,483 —> 00:11:47,983
and instead of talking

about the things

264
00:11:47,985 —> 00:11:49,951
that bothered them,
they kept it bottled up,

265
00:11:49,953 —> 00:11:51,953
and the hate just grew.

266
00:11:51,955 —> 00:11:54,790
It's a shame they spent
all that time unhappy.

267
00:11:54,792 —> 00:11:56,692
But sometimes,

268
00:11:56,694 —> 00:11:59,327
there's muffin
you can do about it.

269
00:12:01,131 —> 00:12:03,498
You get it, right?

270

00:12:07,237 —> 00:12:09,438

Oh, it's nice

you got him that.

271

00:12:09,440 —> 00:12:11,206

Oh, this isn't

for Leonard, no.

272

00:12:11,208 —> 00:12:13,809

Amy bought it for me.

273

00:12:15,379 —> 00:12:18,947

Stubbed his toe on the

revolving door on the way in.

274

00:12:18,949 —> 00:12:21,717

You know those confounded

things make me dizzy.

275

00:12:21,719 —> 00:12:24,886

Who told you

to keep going around?

276

00:12:24,888 —> 00:12:26,855

There was a large

plant in the lobby.

277

00:12:26,857 —> 00:12:28,824

It kept looking

like the outside.

278

00:12:29,827 —> 00:12:31,493

Okay, listen,

when Leonard comes out,

279

00:12:31,495 —> 00:12:33,061

he is not gonna feel great,

280

00:12:33,063 —> 00:12:35,230

so, please don't

give him a hard time.

281

00:12:35,232 —> 00:12:36,431

Penny has a good point.

282

00:12:36,433 —> 00:12:38,467
This is like the man
in the supermarket

283
00:12:38,469 —> 00:12:40,135
with the goiter on his neck.

284
00:12:40,137 —> 00:12:43,038
Whatever you're thinking,
just keep it to yourself.

285
00:12:43,040 —> 00:12:46,508
It was like a grapefruit.

286
00:12:46,510 —> 00:12:48,343
And I'm sure he knew that

287
00:12:48,345 —> 00:12:51,346
before you held
a grapefruit up next to it.

288
00:12:51,348 —> 00:12:53,115
Well, I'm not

making any promises.

289
00:12:53,117 —> 00:12:56,084
Not only did Leonard take what
I feel is an unnecessary risk,

290
00:12:56,086 —> 00:12:57,319
he deceived me.

291
00:12:57,321 —> 00:12:58,820
Okay, the reason
he deceived you is

292
00:12:58,822 —> 00:13:00,489
you were being
a pain in the ass.

293
00:13:00,491 —> 00:13:02,724
The reason I was being
a pain in the B is

294
00:13:02,726 —> 00:13:04,960
because I was worried about

him, and no one else was.

295
00:13:04,962 —> 00:13:06,728
Really? You won't
even say “A”?

296
00:13:06,730 —> 00:13:08,730
You bet your
sweet B I won't.

297
00:13:08,732 —> 00:13:10,499
Obviously, I care
about Leonard.

298
00:13:10,501 —> 00:13:13,034
I'm gonna spend the rest
of my life with him.

299
00:13:13,036 —> 00:13:14,736
And I'm not?

300
00:13:14,738 —> 00:13:17,572
(rumbling)

301

00:13:17,574 —> 00:13:19,040

(gasps)

It's an earthquake.

302

00:13:19,042 —> 00:13:20,275

I knew it.

303

00:13:20,277 —> 00:13:21,977

Sheldon, it was

just a little tremor.

304

00:13:21,979 —> 00:13:24,880

A little tremor that turns

routine sinus surgery

305

00:13:24,882 —> 00:13:27,816

into a frontal

lobotomy.

306

00:13:30,320 —> 00:13:32,721

Oh, I don't care

for this at all.

307

00:13:32,723 —> 00:13:35,423

Oh, I need to

see he's okay.

308

00:13:35,425 —> 00:13:37,225

Sheldon, you can't

go back there.

309

00:13:37,227 —> 00:13:39,027

Try and stop me!

310

00:13:39,029 —> 00:13:40,262

(thud)

311

00:13:41,098 —> 00:13:42,964

Are you okay?

312

00:13:42,966 —> 00:13:45,100

Why didn't you stop me?!

313

00:13:47,638 —> 00:13:49,471

Can I tell you
something?

314
00:13:49,473 —> 00:13:51,807
This whole thing
with Raj's parents

315
00:13:51,809 —> 00:13:54,342
just got me
a little worried about us.

316
00:13:54,344 —> 00:13:56,945
What are you talking about?
We're fine.

317
00:13:56,947 —> 00:13:57,979
And Raj's parents

318
00:13:57,981 —> 00:14:00,949
probably split up
because of Raj.

319
00:14:00,951 —> 00:14:02,617

What?!

320
00:14:02,619 —> 00:14:05,320
They always say the children
aren't to blame, but...

321
00:14:05,322 —> 00:14:08,223
(laughing):
Come on.

322
00:14:10,661 —> 00:14:12,627
I'm not joking, Howie.

323
00:14:12,629 —> 00:14:14,262
You heard what he said
about his parents.

324
00:14:14,264 —> 00:14:16,464
It was the little things
they kept bottled up.

325
00:14:16,466 —> 00:14:18,934
I don't want that

to happen to us.

326

00:14:18,936 —> 00:14:21,069

How can I convince you it won't?

327

00:14:21,071 —> 00:14:24,673

Well, is there anything about me

you're keeping inside?

328

00:14:24,675 —> 00:14:26,575

(chuckles)

I'm not answering that.

329

00:14:26,577 —> 00:14:29,644

It's a trap.

330

00:14:31,014 —> 00:14:33,114

So there are things

you don't like.

331

00:14:33,116 —> 00:14:36,117

And here I am in the trap.

332

00:14:37,621 —> 00:14:39,521

You just keep talking.

333

00:14:39,523 —> 00:14:42,023

I'm gonna chew my leg off.

334

00:14:42,025 —> 00:14:44,226

Just tell me one thing

that bothers you,

335

00:14:44,228 —> 00:14:45,794

and I promise I won't get mad.

336

00:14:45,796 —> 00:14:48,964

Okay. The truth is...

337

00:14:48,966 —> 00:14:51,099

sometimes... you're too...

338

00:14:51,101 —> 00:14:53,101

beautiful.

339

00:14:53,103 —> 00:14:54,703

Oh.

340

00:14:54,705 —> 00:14:57,138

Howie, be serious.

341

00:14:57,140 —> 00:14:59,107

Okay, okay.

342

00:14:59,109 —> 00:15:01,376

I really don't like

343

00:15:01,378 —> 00:15:03,612

how your wings poke me

when we sleep

344

00:15:03,614 —> 00:15:06,448

'cause you're an angel.

345

00:15:07,985 —> 00:15:10,118

Okay, fine,

maybe it was a bad idea.

346

00:15:10,120 —> 00:15:12,854

I just don't think the secret

to a happy marriage

347

00:15:12,856 —> 00:15:15,390

is going out of our way

to criticize each other.

348

00:15:15,392 —> 00:15:18,693

Although, there are ways

to improve our communication.

349

00:15:18,695 —> 00:15:21,630

One thing I learned when

I was in couples therapy was...

350

00:15:21,632 —> 00:15:22,864

Who were you

351

00:15:22,866 —> 00:15:24,032

in couples therapy with?

352

00:15:24,034 —> 00:15:26,201

Not important.

353

00:15:26,203 —> 00:15:28,436

Was it your mom?

354

00:15:28,438 —> 00:15:30,038

Not important.

355

00:15:30,040 —> 00:15:32,574

It was your mom.

356

00:15:32,576 —> 00:15:35,810

Anyway, the therapist had us

tell each other

357

00:15:35,812 —> 00:15:38,480

what we loved about one another.

358

00:15:38,482 —> 00:15:40,215

Oh, that's so sweet!

359

00:15:40,217 —> 00:15:41,883

I want to do that.

360

00:15:41,885 —> 00:15:43,218

All right.

361

00:15:43,220 —> 00:15:45,153

Okay, um...

362

00:15:45,155 —> 00:15:48,156

I love that you make me laugh.

363

00:15:48,158 —> 00:15:49,891

Thank you.

364

00:15:49,893 —> 00:15:54,729

And I love that you're strong

and independent.

365

00:15:54,731 —> 00:15:57,799

And yet, I still love

when you hold a door for me.

366

00:15:57,801 —> 00:16:01,703

I love that I'm kind of a slob

around here, and...

367

00:16:01,705 —> 00:16:03,939

(laughing):

you're okay with that.

368

00:16:06,743 —> 00:16:08,944

Uh-huh.

369

00:16:10,213 —> 00:16:13,148

And I love that I work

Fourth of July spectacular

98

00:04:37,401 —> 00:04:40,369
and it doesn't
get recorded.

99
00:04:40,371 —> 00:04:43,405
How many times do I have
to say I'm sorry?

100
00:04:43,407 —> 00:04:46,375
How about 4,000.

101
00:04:46,377 —> 00:04:49,445
One for every domino I set up
to make that American flag.

102
00:04:50,547 —> 00:04:53,782
Please enjoy
these highlights.

103
00:04:55,185 —> 00:04:58,487
(Australian accent): Crikey! What flag
do we have today?

104

00:05:01,925 —> 00:05:04,159
(Australian accent):
Australia, mate!

105
00:05:07,531 —> 00:05:11,901
And now it's time for the speed
round of Flag or Not a Flag.

106
00:05:11,903 —> 00:05:14,703
Flag.
Flag. (dinging)

107
00:05:14,705 —> 00:05:16,739
Not a flag.
Flag.

108
00:05:16,741 —> 00:05:19,408
I am crushing this.

109
00:05:23,713 —> 00:05:27,516
Say, Betsy Ross,
what you working on?

110

00:05:27,518 —> 00:05:31,120
(high-pitched):
I have no idea.

111
00:05:31,122 —> 00:05:34,590
Because the story of me
sewing the first American flag

112
00:05:34,592 —> 00:05:37,626
is unsupported
poppycock.

113
00:05:37,628 —> 00:05:40,462
Then who did sew it, hmm?

114
00:05:40,464 —> 00:05:42,197
Don't ask me.

115
00:05:42,199 —> 00:05:45,634
I'm just a simple seamstress
whose descendants are...

116
00:05:45,636 —> 00:05:49,038

(normal voice):

out to make a quick buck!

117

00:05:49,040 —> 00:05:51,240

(old-timey music playing)

118

00:05:55,612 —> 00:05:57,379

Fancy a dip, my dear?

119

00:05:57,381 —> 00:05:59,014

I do.

120

00:05:59,016 —> 00:06:01,016

(gasps)

121

00:06:01,018 —> 00:06:03,752

Wait, that purple

flag indicates

122

00:06:03,754 —> 00:06:06,422

that marine pests, such

as jellyfish, are present.

123

00:06:06,424 —> 00:06:09,758

Wow, that flag

is a lifesaver.

124

00:06:09,760 —> 00:06:12,094

No.

125

00:06:12,096 —> 00:06:14,296

This is.

126

00:06:15,799 —> 00:06:17,967

Stop looking at my legs.

127

00:06:19,035 —> 00:06:21,370

Not a flag.

Flag. (dinging)

128

00:06:21,372 —> 00:06:23,672

Flag.

Not a flag.

129

00:06:23,674 —> 00:06:25,374

Flag.

(buzz)

130

00:06:25,376 —> 00:06:28,210

(groans)

Crap.

131

00:06:29,346 —> 00:06:30,846

When stuff

like this gets me down,

132

00:06:30,848 —> 00:06:32,181

you know what I like to do?

133

00:06:32,183 —> 00:06:35,217

Sing "Hakuna Matata"

like an eight-year-old girl?

134

00:06:35,219 —> 00:06:37,052

Wrong, smarty-pants.

135

00:06:37,054 —> 00:06:40,756

It's "Everything Is Awesome"

from The Lego Movie.

136
00:06:42,392 —> 00:06:43,626
Look at these notebooks.

137
00:06:43,628 —> 00:06:45,661
They're full of pages and pages
of data.

138
00:06:45,663 —> 00:06:47,396
He clearly spent years on this.

139
00:06:47,398 —> 00:06:50,232
Mmm. Oh, it's just columns
of random numbers. Toss it.

140
00:06:50,234 —> 00:06:53,135
Well, but what if this was a
potential breakthrough for him?

141
00:06:53,137 —> 00:06:54,803
What if...
what if this is the thing

142

00:06:54,805 —> 00:06:57,473

that would've finally let him

open that bottle of champagne?

143

00:06:57,475 —> 00:06:59,808

Maybe he didn't know what

to pair champagne with.

144

00:06:59,810 —> 00:07:03,679

Strawberries, caviar, oysters.

All good choices.

145

00:07:05,215 —> 00:07:06,415

Yeah, that look right there

146

00:07:06,417 —> 00:07:09,818

is why people eat before

they come to your parties.

147

00:07:09,820 —> 00:07:11,854

This has to mean something.

148
00:07:11,856 —> 00:07:15,991
Well, there's no discernible
pattern that I can see,

149
00:07:15,993 —> 00:07:18,360
but it shouldn't be too hard
to run the numbers and check.

150
00:07:18,362 —> 00:07:20,996
Well, maybe we can get
some time on the supercomputer.

151
00:07:20,998 —> 00:07:22,898
Sure. We could try
multiple regressions

152
00:07:22,900 —> 00:07:25,401
with varying physical and
experimental constants.

153
00:07:25,403 —> 00:07:28,003
Oh, we could run
a pattern-matching algorithm

154
00:07:28,005 —> 00:07:30,139
against well-known
unsolved physics problems.

155
00:07:30,141 —> 00:07:32,608
Ooh, it might be
a substitution cipher.

156
00:07:32,610 —> 00:07:34,576
We could start
with basic cryptanalysis.

157
00:07:34,578 —> 00:07:38,280
Or we could talk to this guy
he used to share an office with.

158
00:07:39,115 —> 00:07:42,685
Oh, let's do that.

159
00:07:42,687 —> 00:07:45,220
Because you don't know how
to do cryptanalysis, do you?

160

00:07:45,222 —> 00:07:47,723

I'm not even sure if

it's the right word.

161

00:07:54,964 —> 00:07:56,465

PENNY:

So,

162

00:07:56,467 —> 00:07:59,101

Dan, you have a grandson.

How old is he?

163

00:07:59,103 —> 00:08:00,502

Seven.

BERNADETTE: Oh, yeah.

164

00:08:00,504 —> 00:08:02,438

I remember him from the picnic.

165

00:08:03,506 —> 00:08:06,408

He was the one crying

like a wuss the whole time.

166

00:08:07,310 —> 00:08:10,779

I heard he was being picked on

by a mean kid.

167

00:08:10,781 —> 00:08:12,181

Just builds character.

168

00:08:12,183 —> 00:08:14,183

Like my dad said,

"Nobody likes a crybaby

169

00:08:14,185 —> 00:08:16,652

except their mommies

and Democrats."

170

00:08:17,487 —> 00:08:18,887

I need another drink.

171

00:08:20,857 —> 00:08:22,758

What's his problem?

Oh.

172

00:08:22,760 —> 00:08:24,593

I don't know.

Maybe he didn't like the fact

173

00:08:24,595 —> 00:08:26,395

that you called his grandson

a wuss.

174

00:08:26,397 —> 00:08:29,598

Well, I didn't think you were

supposed to say "sissy" anymore.

175

00:08:29,600 —> 00:08:33,135

Okay, look, I know

what a good person you are,

176

00:08:33,137 —> 00:08:36,572

but sometimes people think you

might come off a little harsh.

177

00:08:36,574 —> 00:08:37,639

What?

178

00:08:37,641 —> 00:08:40,242

I'm, like, the sweetest person

I know.

179

00:08:41,277 —> 00:08:45,347

Look at me. I should be

in a tree baking cookies.

180

00:08:45,349 —> 00:08:47,316

Yes, but once in a while,

181

00:08:47,318 —> 00:08:50,619

people think

you're a little mean.

182

00:08:50,621 —> 00:08:51,854

Oh, yeah?

183

00:08:51,856 —> 00:08:53,622

You one of those people?

184

00:08:54,457 —> 00:08:56,325

No. No, no, no.

185

00:08:56,327 —> 00:08:59,294

I-I think the cookie thing.

186

00:09:03,299 —> 00:09:04,833

Action.

187

00:09:04,835 —> 00:09:06,468

Welcome back.

188

00:09:06,470 —> 00:09:09,204

Our guest today

is a returning fan favorite.

189

00:09:09,206 —> 00:09:11,573

He puts the reading

in your rainbow,

190

00:09:11,575 —> 00:09:13,108

the Geordi in your La Forge,

191

00:09:13,110 —> 00:09:15,043
and the Kunta in your Kinte,

192
00:09:15,045 —> 00:09:17,246
Mr. LeVar Burton.

193
00:09:21,518 —> 00:09:24,219
Thank you, Sheldon.
Now, remember our deal...

194
00:09:24,221 —> 00:09:28,657
You do this, I delete
your contact information.

195
00:09:28,659 —> 00:09:29,792
While...

196
00:09:29,794 —> 00:09:31,860
While you watch me do it.

197
00:09:31,862 —> 00:09:33,896
Great. Happy to be back.

198

00:09:33,898 —> 00:09:35,497

Well, since you're here,

199

00:09:35,499 —> 00:09:37,966

I'd like to get your

opinion on something.

200

00:09:37,968 —> 00:09:40,035

In honor of Black

History Month,

201

00:09:40,037 —> 00:09:42,070

I portrayed George

Washington Carver

202

00:09:42,072 —> 00:09:46,675

in a loving tribute that my

roommate called "wildly racist""

203

00:09:46,677 —> 00:09:48,744

What do you think?

204

00:09:48,746 —> 00:09:50,979
SHELDON:
Hi. My name is George.

205
00:09:50,981 —> 00:09:53,148
Oh, hell, no!

206
00:09:55,785 —> 00:09:57,686
You heard him, Leonard.

207
00:09:57,688 —> 00:09:59,855
No, it's not racist.

208
00:10:09,110 —> 00:10:11,278
Are we sure this is the place?

209
00:10:11,280 —> 00:10:13,347
The doorman said this
is the right building.

210
00:10:13,349 —> 00:10:15,282
I think if you're pulling up
your pants,

211

00:10:15,284 —> 00:10:17,651

you're not a doorman.

212

00:10:17,653 —> 00:10:19,086

MAN:

Who is it?

213

00:10:19,088 —> 00:10:21,221

Uh, I'm looking

for a Professor Sharpe?

214

00:10:21,223 —> 00:10:24,157

Hold on.

215

00:10:24,159 —> 00:10:25,726

Can I help you?

Hi.

216

00:10:25,728 —> 00:10:27,928

We're from the university. We're

trying to get some information

217

00:10:27,930 —> 00:10:29,196

about Professor Abbott.

218

00:10:29,198 —> 00:10:30,631

We were cleaning

out his office

219

00:10:30,633 —> 00:10:32,366

and found these books

full of numbers.

220

00:10:32,368 —> 00:10:34,001

Any chance you

know what it is?

221

00:10:34,003 —> 00:10:35,802

Yes, he was always working on this.

Oh.

222

00:10:35,804 —> 00:10:37,204

I was thinking

it might be

223
00:10:37,206 —> 00:10:39,206
some sort of interstellar
coordinate system,

224
00:10:39,208 —> 00:10:41,041
maybe an updated version
of Hubble's law.

225
00:10:41,043 —> 00:10:42,442
I keep seeing the
number 90 repeating.

226
00:10:42,444 —> 00:10:44,444
That could be the angle
of perturbation

227
00:10:44,446 —> 00:10:46,413
of a distant galaxy.

228
00:10:46,415 —> 00:10:49,216
It's the number
of calories in a yogurt.

229

00:10:49,951 —> 00:10:51,318

That's his food diary.

230

00:10:51,320 —> 00:10:52,753

Really?

231

00:10:52,755 —> 00:10:54,621

Yeah, he wrote down

everything he ever ate.

232

00:10:54,623 —> 00:10:56,823

He was convinced that calorie

restriction was the key

233

00:10:56,825 —> 00:10:58,225

to living forever.

234

00:10:58,227 —> 00:10:59,893

Does it work?

235

00:10:59,895 —> 00:11:01,328

Seriously?

236

00:11:01,330 —> 00:11:04,231

Well, he could have been hit

by a bus. You don't know.

237

00:11:05,733 —> 00:11:07,434

Sorry it's not more interesting.

238

00:11:07,436 —> 00:11:09,536

On the bright side,

you didn't have to listen

239

00:11:09,538 —> 00:11:12,272

to his stomach growl

for 35 years.

240

00:11:12,274 —> 00:11:14,541

So, was there anything

that Professor Abbott worked on

241

00:11:14,543 —> 00:11:17,511

during his life that came close

to an accomplishment?

242

00:11:17,513 —> 00:11:20,981

To be honest, his research

never amounted to anything.

243

00:11:20,983 —> 00:11:23,050

Oh.

You were his colleague.

244

00:11:23,052 —> 00:11:24,051

How did your research turn out?

245

00:11:24,053 —> 00:11:26,086

Great. Hey, this is

the apartment you get

246

00:11:26,088 —> 00:11:28,288

when you win a Nobel.

247

00:11:29,323 —> 00:11:31,358

Well, you could be very frugal.

248

00:11:31,360 —> 00:11:33,760
I'm getting a little tired
of everybody's sarcasm.

249
00:11:37,131 —> 00:11:39,266
I'm not a bully.

250
00:11:39,268 —> 00:11:41,368
I mean, maybe I come
off a little strong,

251
00:11:41,370 —> 00:11:43,370
but that's only because my
dad raised me to be tough

252
00:11:43,372 —> 00:11:44,938
and not to take
crap from anybody.

253
00:11:44,940 —> 00:11:48,241
No. That's fine, but there's
a difference between being tough

254

00:11:48,243 —> 00:11:51,611
and telling your friend her new
pants look like a saggy diaper.

255
00:11:53,648 —> 00:11:55,782
I did say that, didn't I?

256
00:11:55,784 —> 00:11:57,084
Yeah, you did.

257
00:11:57,086 —> 00:12:00,020
I felt so self-conscious,
I had to return them.

258
00:12:00,022 —> 00:12:02,989
Where? To Babies R Us?

259
00:12:02,991 —> 00:12:05,659
You're doing it again!

260
00:12:05,661 —> 00:12:07,027
Okay, sorry.
Can we just go?

261

00:12:07,029 —> 00:12:08,495

I feel like

everybody hates me.

262

00:12:08,497 —> 00:12:10,497

Oh, come on,

they don't hate you, all right?

263

00:12:10,499 —> 00:12:11,631

They're just

a little intimidated.

264

00:12:11,633 —> 00:12:13,200

All you need to do

is show everyone

265

00:12:13,202 —> 00:12:14,367

how sweet you really are.

266

00:12:14,369 —> 00:12:16,369

I think I'd rather go.

No, come on.

267

00:12:16,371 —> 00:12:18,004

You are not going anywhere,

all right?

268

00:12:18,006 —> 00:12:20,340

I am here for you, and we are

gonna fix this together.

269

00:12:20,342 —> 00:12:21,742

Thank you.

270

00:12:21,744 —> 00:12:23,677

Even though your dress is ugly.

271

00:12:26,481 —> 00:12:28,882

Well, my little Flag-keteers,

272

00:12:28,884 —> 00:12:32,886

it looks like the last episode

of Fun with Flags is at an end.

273

00:12:32,888 —> 00:12:34,788
If I could,

274
00:12:34,790 —> 00:12:38,892
I would run each and every one
of you viewers up a flagpole

275
00:12:38,894 —> 00:12:41,795
and salute you.

276
00:12:41,797 —> 00:12:44,297
And if you touched the ground,
burn you.

277
00:12:45,867 —> 00:12:47,300
I'd like to take a moment

278
00:12:47,302 —> 00:12:49,469
to personally thank
Dr. Amy Farrah Fowler,

279
00:12:49,471 —> 00:12:51,471
who you may

or may not know

280
00:12:51,473 —> 00:12:55,842
is the first woman to co-host
a flag or banner-related

281
00:12:55,844 —> 00:12:58,678
Internet info-tainment show.

282
00:12:58,680 —> 00:13:01,148
Take that, glass ceiling.

283
00:13:02,817 —> 00:13:06,820
And if I may get serious
for a moment,

284
00:13:06,822 —> 00:13:10,791
hosting this show has been...

285
00:13:10,793 —> 00:13:12,993
one crazy ride.

286

00:13:14,195 —> 00:13:16,730
With all its ups and downs,

287
00:13:16,732 —> 00:13:19,599
I wouldn't give it up
for the world.

288
00:13:21,002 —> 00:13:23,236
Except for now,
when I'm giving it up.

289
00:13:26,574 —> 00:13:28,842
Before I sign off, I'd, uh...

290
00:13:28,844 —> 00:13:33,246
I'd like to share with you all
one last use for a white flag.

291
00:13:34,849 —> 00:13:37,250
(voice breaking):
It's good for times like this.

292
00:13:38,553 —> 00:13:39,953

(sniffles)

293
00:13:39,955 —> 00:13:42,088
Good night.

294
00:13:42,090 —> 00:13:43,290
Cut.

295
00:13:45,126 —> 00:13:47,694
Sheldon...

296
00:13:47,696 —> 00:13:49,863
that was beautiful.

297
00:13:49,865 —> 00:13:51,031
If you didn't press record...

298
00:13:51,033 —> 00:13:53,200
I pressed it!

299
00:13:57,238 —> 00:14:00,340
Well, that's it.

300

00:14:00,342 —> 00:14:03,043

That's the end of Roger Abbott.

301

00:14:05,613 —> 00:14:07,914

And we still don't know

who framed him.

302

00:14:10,384 —> 00:14:12,052

I still keep thinking

303

00:14:12,054 —> 00:14:14,654

about how an entire life can

seemingly amount to nothing.

304

00:14:14,656 —> 00:14:17,390

I guess the

sad truth is,

305

00:14:17,392 —> 00:14:20,961

not everyone will

accomplish something great.

306

00:14:20,963 —> 00:14:22,462

Some of us

307

00:14:22,464 —> 00:14:24,431

may just have to find meaning

308

00:14:24,433 —> 00:14:28,034

in the little moments

that make up life.

309

00:14:28,036 —> 00:14:31,137

That's a nice way

of looking at it.

310

00:14:31,139 —> 00:14:33,106

Yeah for you, not for me.

311

00:14:33,108 —> 00:14:35,175

I went to space. I'm covered.

312

00:14:37,812 —> 00:14:39,446

You know what?

313

00:14:39,448 —> 00:14:42,649

This bottle was meant

to celebrate an achievement.

314

00:14:42,651 —> 00:14:44,017

Let's make a pact.

315

00:14:44,019 —> 00:14:46,319

When one of us gets their

first big breakthrough,

316

00:14:46,321 —> 00:14:48,955

we'll celebrate by opening

this bottle of champagne

317

00:14:48,957 —> 00:14:50,957

and toasting

Professor Abbott.

318

00:14:50,959 —> 00:14:52,158

I love that.

319

00:14:52,160 —> 00:14:53,226

Yeah, me, too.

320

00:14:53,228 —> 00:14:55,028

Then, of course,

321

00:14:55,030 —> 00:14:56,796

rubbing our success

in Sheldon's face.

322

00:14:56,798 —> 00:14:59,132

Oh, well, that's the best part.

Oh, yeah.

323

00:15:00,234 —> 00:15:03,803

Dan, could I talk

to you for a minute?

324

00:15:07,008 —> 00:15:08,975

Sure, go ahead.

325

00:15:08,977 —> 00:15:10,744

Just want you to know

I didn't mean

326

00:15:10,746 —> 00:15:12,012

to be rude about your grandson.

327

00:15:12,014 —> 00:15:13,680

No, it's okay.

328

00:15:13,682 —> 00:15:15,548

No, it's not.

329

00:15:15,550 —> 00:15:17,117

Penny told me

that everyone's scared of me.

330

00:15:17,119 —> 00:15:19,386

(laughing):

What? What?

331

00:15:19,388 —> 00:15:21,288

Why would she say that?

332

00:15:21,290 —> 00:15:22,956

You know she drinks, right?

333

00:15:22,958 —> 00:15:24,891

What?

334

00:15:24,893 —> 00:15:27,294

No, she's right,

and I just want you to know

335

00:15:27,296 —> 00:15:29,696

that from now on, I'm gonna be

much more sensitive.

336

00:15:29,698 —> 00:15:31,731

I don't want anyone walking

on eggshells around me.

337

00:15:31,733 —> 00:15:34,267

Oh, well, okay, then, uh,

338

00:15:34,269 —> 00:15:36,202

one thing
I've been meaning to tell you

339
00:15:36,204 —> 00:15:39,005
is that the company is gonna
stop paying for our coffee.

340
00:15:39,007 —> 00:15:40,907
No problem. When
does that start?

341
00:15:40,909 —> 00:15:43,043
Five months ago.

342
00:15:43,045 —> 00:15:44,311
What?!
Yeah.

343
00:15:44,313 —> 00:15:46,012
Who's been paying
for my coffee?

344
00:15:46,014 —> 00:15:47,014

All of us.

345

00:15:47,015 —> 00:15:48,715

Yeah. It comes

from the swear jar

346

00:15:48,717 —> 00:15:50,483

we put money in when you curse.

347

00:15:53,788 —> 00:15:55,422

What else don't I know about?

348

00:15:55,424 —> 00:15:58,258

Uh, well, you know

your private bathroom?

349

00:15:58,260 —> 00:15:58,915

Yeah?

350

00:15:58,939 —> 00:16:00,695

That was supposed to

be for the whole floor.

351

00:16:00,696 —> 00:16:02,829

You're kidding.

DAN: No, no.

352

00:16:02,831 —> 00:16:05,298

It's okay. It only really

affected Wheelchair Kathy,

353

00:16:05,300 —> 00:16:07,667

and she's back

in the hospital now,

354

00:16:07,669 —> 00:16:09,669

so it all worked out.

355

00:16:09,671 —> 00:16:12,872

I feel so bad.

Yeah.

356

00:16:12,874 —> 00:16:14,140

Well, then, maybe

357

00:16:14,142 —> 00:16:16,042
you shouldn't have named her
"Wheelchair Kathy."

358
00:16:17,411 —> 00:16:19,012
Oh, my God!

359
00:16:19,014 —> 00:16:22,482
I thought everybody liked me,
but I'm just a monster.

360
00:16:22,484 —> 00:16:26,353
But a cute one, like that, uh,
eyeball guy in Monsters, Inc.

361
00:16:26,355 —> 00:16:29,022
No, I'm the worst.

362
00:16:29,024 —> 00:16:30,690
I'm a terrible person.

363
00:16:30,692 —> 00:16:33,159
Come on, don't cry.

It's okay.

364

00:16:33,161 —> 00:16:34,394

(crying):

It's not okay.

365

00:16:34,396 —> 00:16:37,063

How can I even work here anymore?

Oh.

366

00:16:37,065 —> 00:16:38,698

Because this company needs you.

DAN: It's fine.

367

00:16:38,700 —> 00:16:40,433

We don't mind paying

for the coffee.

368

00:16:40,435 —> 00:16:42,836

I can't let you do that.

369

00:16:42,838 —> 00:16:44,471

Maybe we could get you

370

00:16:44,473 —> 00:16:46,706

an espresso machine

for your office.

371

00:16:46,708 —> 00:16:48,742

(crying):

I guess that would be all right.

372

00:16:48,744 —> 00:16:50,744

All right.

373

00:16:50,746 —> 00:16:53,146

(crying)

See? You don't have

374

00:16:53,148 —> 00:16:54,714

to be mean

to get what you want.

375

00:16:54,716 —> 00:16:56,750

(sniffles)

You're right.

376

00:16:56,752 —> 00:16:59,619

Now where did we land

on my bathroom?

377

00:17:02,823 —> 00:17:04,257

(door opening)

378

00:17:04,259 —> 00:17:05,759

Hey.

379

00:17:05,761 —> 00:17:06,960

Hello.

380

00:17:06,962 —> 00:17:08,294

How come you're up so late?

381

00:17:08,296 —> 00:17:10,196

I posted the last episode

382

00:17:10,198 —> 00:17:12,232

of Fun with Flags hours ago,

383

00:17:12,234 —> 00:17:15,001

and not a single person

cared enough to comment.

384

00:17:16,837 —> 00:17:19,139

All that effort for nothing.

385

00:17:19,141 —> 00:17:21,107

Mm. I know how you feel.

386

00:17:21,109 —> 00:17:23,843

I spent the day throwing out

a man's entire career,

387

00:17:23,845 —> 00:17:25,678

and all that's left is

an old bottle of champagne

388

00:17:25,680 —> 00:17:28,048

and a naked lady pen

that Raj took

389

00:17:28,050 —> 00:17:30,650

when he thought

no one was looking.

390

00:17:30,652 —> 00:17:33,486

It's not the same thing.

391

00:17:33,488 —> 00:17:36,156

I don't think you know

how I feel at all.

392

00:17:36,158 —> 00:17:38,625

Sad?

393

00:17:38,627 —> 00:17:41,795

Hmm. You do get me.

394

00:17:42,963 —> 00:17:44,998

(computer chimes)

395

00:17:45,000 —> 00:17:46,833

Someone left a comment.

396

00:17:46,835 —> 00:17:48,101

Yeah. What did they say?

397

00:17:48,103 —> 00:17:50,103

"Too bad your show is done.

398

00:17:50,105 —> 00:17:52,105

I kind of liked it."

399

00:17:52,107 —> 00:17:54,307

Leonard, did you hear that?

400

00:17:55,476 —> 00:17:57,644

Oh, the people are heartbroken!

401

00:17:59,447 —> 00:18:02,048

I can't take this away

from the world!

402

00:18:02,050 —> 00:18:04,984

Fun with Flags is back!

403

00:18:04,986 —> 00:18:06,986

Congratulations.

404

00:18:06,988 —> 00:18:08,855

Let's celebrate!

405

00:18:08,857 —> 00:18:10,390

(cork pops)

406

00:18:10,392 —> 00:18:13,059

Sheldon,

407

00:18:13,061 —> 00:18:14,761

that wasn't for you!

408

00:18:14,763 —> 00:18:16,296

Oh, no, I'm not going

to drink it.

409

00:18:16,298 —> 00:18:17,797

I just wanted to hear the pop.

410

00:18:18,766 —> 00:18:22,335

Yeah, I knew it was coming.

Still scary.

411

00:18:34,104 —> 00:18:36,239

LeVar Burton?

412

00:18:36,241 —> 00:18:38,041

LeVar Burton!

413

00:18:38,043 —> 00:18:39,642

LeVar Burton!

414

00:18:39,644 —> 00:18:43,179

Ugh. What are you doing here?

415

00:18:43,181 —> 00:18:44,514

You told me not to call,

416

00:18:44,516 —> 00:18:46,950

and I didn't know how else

to give you the good news.

417
00:18:46,952 —> 00:18:50,653
Fun with Flags is back, and
you can be in the next episode.

418
00:18:50,655 —> 00:18:52,055
Wil Wheaton said, get a gate.

419
00:18:52,057 —> 00:18:53,527
I don't know why
I didn't get a gate.

420
00:18:53,551 —> 00:18:54,658
You...

421
00:18:54,961 —> 00:18:57,395
At least listen
to the premise.

422
00:18:57,398 —> 00:18:58,964
Since you were born
in Germany,

423

00:18:58,966 —> 00:19:01,900

I thought we could talk

about German flags.

424

00:19:01,901 —> 00:19:04,944

How do you feel about

dressing up like a swastika?

S08EP11: The Clean Room Infiltration

1

00:00:02,961 —> 00:00:04,874

Hey, how are things going

with your parents?

2

00:00:04,875 —> 00:00:07,676

Not great.

They hired divorce attorneys.

3

00:00:07,678 —> 00:00:09,378

You know, speaking

of attorneys,

4

00:00:09,380 —> 00:00:11,647
if I ever needed
a lawyer,

5
00:00:11,649 —> 00:00:14,950
I would not hire
She-Hulk.

6
00:00:15,853 —> 00:00:17,786
You know what?
That was almost on topic.

7
00:00:17,788 —> 00:00:20,289
I'm gonna say,
"Good job, Sheldon."

8
00:00:21,192 —> 00:00:23,292
Wait, She-Hulk's
a lawyer?

9
00:00:23,294 —> 00:00:25,127
Yeah, she works at
a law firm in New York.

10

00:00:25,129 —> 00:00:28,397

Yes, but she's the only

monster at the firm.

11

00:00:28,399 —> 00:00:30,299

Between you, me

and the wall,

12

00:00:30,301 —> 00:00:33,736

I think she's an

affirmative action hire.

13

00:00:34,939 —> 00:00:36,939

Anyway, Dad's gonna

be here in town,

14

00:00:36,941 —> 00:00:39,475

so I won't be able to do

Christmas dinner this year.

15

00:00:39,477 —> 00:00:41,477

If you're not up

to hosting Christmas dinner,

16

00:00:41,479 —> 00:00:42,711

I'm happy to do it.

17

00:08:29,108 —> 00:08:31,108

Why? Do you know someone?

203

00:08:31,110 —> 00:08:34,178

No, but if things don't

work out with me and Leonard,

204

00:08:34,180 —> 00:08:35,780

I'll give you a call.

205

00:08:35,782 —> 00:08:38,916

Wait. How much do you talk

about Star Trek?

206

00:08:40,553 —> 00:08:44,155

Okay, let's get this

Victorian party started.

207

00:08:44,157 —> 00:08:45,489

I've done some research

208

00:08:45,491 —> 00:08:47,758

about some traditional

parlor games we can play.

209

00:08:47,760 —> 00:08:48,993
Like what?

210
00:08:48,995 —> 00:08:53,464
Well, there's a fun one
called Ball of Wool.

211
00:08:54,634 —> 00:08:56,667
You take a ball of wool,

212
00:08:56,669 —> 00:08:59,170
and you put it right
in the center of the table.

213
00:08:59,172 —> 00:09:00,338
Then people sit

214
00:09:00,340 —> 00:09:01,672
on opposite sides of the table

215
00:09:01,674 —> 00:09:03,874
and try to blow the wool off.

216

00:09:06,446 —> 00:09:09,347

Sorry.

She's taken, too.

217

00:09:11,751 —> 00:09:13,584

You know what I think

your problem is?

218

00:09:13,586 —> 00:09:14,452

You're jealous

219

00:09:14,454 —> 00:09:16,053

because you and I

used to be

220

00:09:16,055 —> 00:09:18,789

best friends until

Koothrappali came along.

221

00:09:18,791 —> 00:09:21,292

And you found somebody

you could push around?

222

00:09:21,294 —> 00:09:22,593

Hey!

Stay out of this.

223

00:09:50,757 —> 00:09:53,858

Well, if you're so smart,

you get the bird out.

236

00:09:53,860 —> 00:09:55,092

No, you're the one

who let him in.

237

00:09:55,094 —> 00:09:57,128

How do you know

it wasn't Leonard?

238

00:09:57,130 —> 00:09:59,096

Come on.

239

00:10:02,802 —> 00:10:04,669

What about that sweater?

240

00:10:04,671 —> 00:10:06,137

No, it's not good enough.

241

00:10:06,139 —> 00:10:08,439

It has to be perfect.

242

00:10:08,441 —> 00:10:10,408

I think the nicest gifts

I've got from Howie

243

00:10:10,410 —> 00:10:12,143

show how well

he knows me.

244

00:10:12,145 —> 00:10:13,244

Hmm.

245

00:10:13,246 —> 00:10:15,980

Let's see,

what do I know about Amy?

246

00:10:15,982 —> 00:10:19,917

She loves medieval literature;

Chaucer's her favorite.

247

00:10:19,919 —> 00:10:23,754

And her eyes sparkle when

she watches old French movies.

248

00:10:23,756 —> 00:10:28,159

I enjoy how harp music causes

her fingers to dance

249

00:10:28,161 —> 00:10:30,261

as if she's playing along.

250

00:10:30,263 —> 00:10:33,264

Wow, you really do love her.

251

00:10:34,267 —> 00:10:35,933

I do.

252

00:10:36,936 —> 00:10:38,903

Now, let's find

the kind of gift

253

00:10:38,905 —> 00:10:42,206

that makes her feel

small and worthless.

254

00:11:11,137 —> 00:11:12,570

You won!

255

00:11:14,807 —> 00:11:17,842

Certainly doesn't

feel like it, does it?

256

00:11:18,711 —> 00:11:20,411

You know, my wife used to throw

257

00:11:20,413 —> 00:11:22,646

theme parties like this

all the time.

258

00:11:22,648 —> 00:11:24,982

Oh, I guess that's

where Raj gets it from.

259

00:11:24,984 —> 00:11:27,651

Well, he and his mother

spent a lot of time together

Ah, interesting—

108
00:04:32,685 —> 00:04:34,652
we're being accused of
making you do things

109
00:04:34,654 —> 00:04:36,053
you don't like,
and here you are,

110
00:04:36,055 —> 00:04:37,722

doing the same
thing to poor Amy.

111
00:04:37,724 —> 00:04:40,424
You should point out
the hypocrisy of that.

112
00:04:44,229 —> 00:04:45,663
That's what I was doing.

113
00:04:46,865 —> 00:04:49,367
Oh, that wasn't clear.

114
00:04:49,369 —> 00:04:51,168
Try it again, but this time
drive it home

115
00:04:51,170 —> 00:04:54,772
with, “How do you like
them apples, Missy?”

116
00:04:54,774 —> 00:04:56,474
All right,

keep thinking.

117
00:04:56,476 —> 00:04:58,776
You're making it
too complicated.

118
00:04:58,778 —> 00:04:59,910
Why not stick
to the basics?

119
00:04:59,912 —> 00:05:01,412
Go shopping for clothes

120
00:05:01,414 —> 00:05:02,780
while Leonard and I sit in those

121
00:05:02,782 —> 00:05:05,349
uncomfortable chairs
and hold your purses, hmm?

122
00:05:05,351 —> 00:05:06,617
I know I'd hate that.

123

00:05:06,619 —> 00:05:07,785

Leonard?

124

00:05:07,787 —> 00:05:10,120

Well, yeah.

125

00:05:10,122 —> 00:05:13,224

Well, then, it's settled?

126

00:05:13,226 —> 00:05:15,259

What do you say?

Sounds kind of perfect.

127

00:05:15,261 —> 00:05:16,861

It does— somehow he managed

128

00:05:16,863 —> 00:05:19,430

to take all the fun out of it.

129

00:05:19,432 —> 00:05:21,599

Well, once again,

it's what I do.

130

00:05:24,102 —> 00:05:26,804

Oh, another two hours to go.

131

00:05:26,806 —> 00:05:28,505

The wait

is killing me.

132

00:05:28,507 —> 00:05:31,308

I know. I get it. When I was

in the Soyuz capsule

133

00:05:31,310 —> 00:05:33,944

returning from the space

station, plummeting toward Earth

134

00:05:33,946 —> 00:05:36,080

at 17,000 miles per hour...

Before you finish,

135

00:05:36,082 —> 00:05:39,016

is this a story about

patience and waiting

136

00:05:39,018 —> 00:05:42,152

or just another reminder

that you went to space?

137

00:05:44,088 —> 00:05:46,323

A story can

do two things.

138

00:05:46,325 —> 00:05:48,258

Ugh, I feel like I'm gonna

have a heart attack.

139

00:05:48,260 —> 00:05:50,260

You work in

pharmaceuticals—

140

00:05:50,262 —> 00:05:52,829

don't you have

anything you can give him?

141

00:05:52,831 —> 00:05:55,832

All I have is our new

urine flow drug.

142
00:05:57,201 —> 00:06:00,037
Won't help with his anxiety,
but it's so strong, when he pees

143
00:06:00,039 —> 00:06:02,539
he'll fly around the room
like he's got a jet pack.

144
00:06:04,208 —> 00:06:06,943
I can't stop thinking about it.

145
00:06:06,945 —> 00:06:09,405
You know, worrying won't
have any effect on what happens.

146
00:06:09,406 —> 00:06:10,409
I know.

147
00:06:10,433 —> 00:06:12,505
Maybe you need to do
something more productive.

148

00:06:13,152 —> 00:06:15,318

(sighs)

Okay.

149

00:06:15,320 —> 00:06:17,320

Ah.

150

00:06:17,322 —> 00:06:20,223

If I make this shot

151

00:06:20,225 —> 00:06:21,558

in the trash can,

152

00:06:21,560 —> 00:06:23,793

the probe will have arrived

153

00:06:23,795 —> 00:06:26,930

in perfect working order.

154

00:06:26,932 —> 00:06:28,832

So, in addition to being crazy,

you're resting the fate

155
00:06:28,834 —> 00:06:32,168
of the mission
on your athletic prowess.

156
00:06:32,170 —> 00:06:33,670
Yes.

157
00:06:33,672 —> 00:06:36,439
The man who crashed
his stationary bike.

158
00:06:37,641 —> 00:06:39,743
I didn't crash it, okay?

159
00:06:39,745 —> 00:06:41,277
My playlist was too up-tempo,

160
00:06:41,279 —> 00:06:43,713
I got light-headed
and I fell off.

161

00:06:45,116 —> 00:06:46,916

Okay.

162

00:06:47,751 —> 00:06:49,319

It all...

163

00:06:49,321 —> 00:06:51,488

comes down...

164

00:06:51,490 —> 00:06:53,523

to this.

165

00:06:55,793 —> 00:06:58,761

You happy? Now you can relax.

166

00:06:58,763 —> 00:07:00,296

What kind of scientist are you?

Everyone knows

167

00:07:00,298 —> 00:07:02,065

you got to make

two out of three.

168

00:07:09,707 —> 00:07:12,041

This isn't so bad.

169

00:07:12,043 —> 00:07:14,076

That's easy for you to say.

170

00:07:14,078 —> 00:07:17,079

Your chair's not

facing the lingerie section.

171

00:07:18,048 —> 00:07:21,184

Boy, that's a lot of panties.

172

00:07:21,186 —> 00:07:24,186

You guys comfy?

This might take a while.

173

00:07:24,188 —> 00:07:25,688

You know, I don't

understand why women

174

00:07:25,690 —> 00:07:27,456
insist on making
a big production

175
00:07:27,458 —> 00:07:28,824
out of buying clothes.

176
00:07:28,826 —> 00:07:30,560
No, you're right,
we should do what you do.

177
00:07:30,562 —> 00:07:34,096
Have our mom send us pants
from the Walmart in Houston.

178
00:07:35,232 —> 00:07:36,599
They have a man there

179
00:07:36,601 —> 00:07:38,968
who understands
my personal style.

180
00:07:40,037 —> 00:07:41,237

Bye.

181

00:07:41,239 —> 00:07:43,472

Uh, I've got some bad news.

182

00:07:43,474 —> 00:07:45,408

There's no cell service in here.

183

00:07:45,410 —> 00:07:47,376

Oh.

184

00:07:47,378 —> 00:07:49,011

Well, that's all right.

185

00:07:49,013 —> 00:07:50,880

There were plenty of ways

to pass the time

186

00:07:50,882 —> 00:07:52,748

before smart phones

were invented.

187

00:07:52,750 —> 00:07:54,316
That's true.

188
00:07:54,318 —> 00:07:56,519
I'll look them up.

189
00:07:59,022 —> 00:08:01,624
Son of a biscuit.

190
00:08:01,626 —> 00:08:03,626
Sheldon, it's fine.

191
00:08:03,628 —> 00:08:04,827
No, it's not fine.

192
00:08:04,829 —> 00:08:06,328
What kind of store
in the 21st century

193
00:08:06,330 —> 00:08:07,730
doesn't at least have Wi-Fi?

194

00:08:07,732 —> 00:08:09,264
I'm going to call
their corporate office...

195
00:08:09,266 —> 00:08:11,166
Son of a biscuit!

196
00:08:19,942 —> 00:08:23,044
Let's see, my armies

197
00:08:23,046 —> 00:08:25,546
are going
to attack the Shire

198
00:08:25,548 —> 00:08:26,914
from Buckland.

199
00:08:26,916 —> 00:08:29,083
And I roll...

200
00:08:33,856 —> 00:08:35,556
a five and a three.

201

00:08:35,558 —> 00:08:36,991

Okay.

202

00:08:36,993 —> 00:08:41,495

And to defend, I roll...

203

00:08:41,497 —> 00:08:43,698

two sixes. I win.

204

00:08:43,700 —> 00:08:46,901

Boy, double-sixes again.

205

00:08:46,903 —> 00:08:48,369

You know...

if I hadn't seen it

206

00:08:48,371 —> 00:08:50,338

with my own eyes,

I wouldn't believe it.

207

00:08:51,640 —> 00:08:54,608

I wonder how long

we're gonna be stuck here.

208
00:08:54,610 —> 00:08:56,310
I don't know, but the girls
do a lot for us.

209
00:08:56,312 —> 00:08:57,711
It's the least we can do.

210
00:08:57,713 —> 00:08:59,713
Oh, that's true.
I suppose it's only fair

211
00:08:59,715 —> 00:09:01,248
we make compromises.

212
00:09:01,250 —> 00:09:03,684
Look at you,
being all mature.

213
00:09:03,686 —> 00:09:07,721
I don't know why
you're so surprised.

214

00:09:07,723 —> 00:09:09,523

If there's one thing I know

about after living with you

215

00:09:09,525 —> 00:09:12,626

for so many years,

it's how to compromise.

216

00:09:13,561 —> 00:09:15,429

I-I'm sorry?

217

00:09:15,431 —> 00:09:17,698

You make compromises for me?

218

00:09:19,034 —> 00:09:20,968

All the time.

219

00:09:22,037 —> 00:09:23,804

On Earth?

220

00:09:26,307 —> 00:09:28,308

In our lives?

221

00:09:29,310 —> 00:09:31,845

That-That we're living?

222

00:09:31,847 —> 00:09:34,381

Oh, yes. I...

223

00:09:34,383 —> 00:09:37,451

Just yesterday, you had

a-a big piece of lettuce

224

00:09:37,453 —> 00:09:39,119

stuck in your teeth at lunch.

225

00:09:39,121 —> 00:09:42,689

Did I say anything? No.

226

00:09:43,858 —> 00:09:45,626

I compromised

227

00:09:45,628 —> 00:09:47,861

and kept my mouth shut.

228
00:09:47,863 —> 00:09:51,465
Like you should've, because
everyone was laughing at you.

229
00:09:51,467 —> 00:09:54,468
That is not
a compromise.

230
00:09:54,470 —> 00:09:56,570
A compromise is me
driving you everywhere

231
00:09:56,572 —> 00:09:58,171
because you refuse to learn how.

232
00:09:58,173 —> 00:10:00,574
Oh, I learned how.
Amy taught me.

233
00:10:00,576 —> 00:10:02,609
What? Then-Then why

don't you do it?

234
00:10:02,611 —> 00:10:05,745
Uh, well, it's scary.

235
00:10:05,747 —> 00:10:09,916
And sometimes
I get the pedals mixed up.

236
00:10:10,818 —> 00:10:13,687
But, more importantly,
driving me to work

237
00:10:13,689 —> 00:10:16,623
is one of the things
that gives your life purpose.

238
00:10:18,459 —> 00:10:20,093
I can't take that away from you,

239
00:10:20,095 —> 00:10:23,063
so... what do I do?

240

00:10:24,565 —> 00:10:26,866

Oh, come on, I'm practically

feeding you the answer.

241

00:10:26,868 —> 00:10:29,836

I compromise.

242

00:10:31,972 —> 00:10:34,419

Hey, uh, thanks for

keeping me company.

243

00:10:34,443 —> 00:10:35,409

I'm happy to.

244

00:10:35,410 —> 00:10:37,944

I think getting out of

the apartment will do you good.

245

00:10:37,946 —> 00:10:40,513

So... where we headed?

246

00:10:40,515 —> 00:10:43,082

If it's okay with you,

I'd like to go to temple.

247

00:10:43,084 —> 00:10:47,854

Buddy, trust me, you don't want

to convert to Judaism.

248

00:10:48,622 —> 00:10:50,223

I mean, I know I make it

look cool,

249

00:10:50,225 —> 00:10:55,094

but... it's not all briskets

and dreidels.

250

00:10:55,096 —> 00:10:57,530

I meant a Hindu temple.

251

00:10:57,532 —> 00:11:00,400

Oh. Okay.

252

00:11:00,402 —> 00:11:03,035

It's not like Indiana Jones

and the Temple of Doom, right?

253
00:11:03,037 —> 00:11:07,006
Some bald guy with horns
isn't gonna rip my heart out.

254
00:11:07,008 —> 00:11:09,375
Dude, that movie's
an imperialist fantasy

255
00:11:09,377 —> 00:11:12,812
that makes the followers of a
beautiful and peaceful religion

256
00:11:12,814 —> 00:11:15,248
look like a bunch
of bloodthirsty barbarians.

257
00:11:15,250 —> 00:11:16,215
You love that movie.

258
00:11:16,217 —> 00:11:18,985
Yeah, it's pretty great.

259

00:11:21,588 —> 00:11:24,457

I'm surprised to see you

suddenly get religious.

260

00:11:24,459 —> 00:11:25,725

Why?

261

00:11:25,727 —> 00:11:28,494

Well, because I've known you

for ten years

262

00:11:28,496 —> 00:11:30,196

and you've never gone to temple,

263

00:11:30,198 —> 00:11:31,997

you never talked

about believing in God,

264

00:11:31,999 —> 00:11:36,268

and last Diwali I watched you

eat two pounds of sacred cow

265

00:11:36,270 —> 00:11:39,438

at a Brazilian steak house.

266

00:11:39,440 —> 00:11:42,274

Religion is

a very personal thing.

267

00:11:42,276 —> 00:11:44,877

I do go to temple—

I just... I don't talk about it.

268

00:11:44,879 —> 00:11:46,412

Yeah, but you're

a scientist.

269

00:11:46,414 —> 00:11:47,479

So?

270

00:11:47,481 —> 00:11:48,881

So, as a scientist,

you believe the way

271

00:11:48,883 —> 00:11:51,016
to understand the universe
is through facts and evidence,

272
00:11:51,018 —> 00:11:52,084
and now
you're counting

273
00:11:52,086 —> 00:11:53,786
on some blue chick

274
00:11:53,788 —> 00:11:55,988
with a hundred arms to help you?

275
00:11:55,990 —> 00:11:58,324
That is so offensive.
Does everything you know

276
00:11:58,326 —> 00:11:59,925
about Hinduism come
from Indiana Jones?

277
00:11:59,927 —> 00:12:03,362

No. There's also Apu
from The Simpsons.

278
00:12:04,230 —> 00:12:07,866
Well, lots of scientists
believe in God.

279
00:12:07,868 —> 00:12:10,702
Okay? Newton,
uh, Faraday,

280
00:12:10,704 —> 00:12:12,371
uh, Pascal— all were believers.

281
00:12:12,373 —> 00:12:15,140
Even Einstein was famous
for attacking quantum theory

282
00:12:15,142 —> 00:12:17,509
on the grounds
that “God does not play dice

283
00:12:17,511 —> 00:12:18,844

with the universe."

Well, of course

284

00:12:18,846 —> 00:12:22,648

he believed in God—

he slept with Marilyn Monroe.

285

00:12:22,650 —> 00:12:24,449

Actually

there's no proof of that.

286

00:12:24,451 —> 00:12:27,185

You believe in your religion,

I'll believe in mine.

287

00:12:29,923 —> 00:12:31,490

How's it going

in there?

288

00:12:31,492 —> 00:12:32,492

Eh.

289

00:12:32,493 —> 00:12:35,360

Not really a great outfit
for work,

290
00:12:35,362 —> 00:12:39,898
unless something opens up in
the hookers and whores division.

291
00:12:39,900 —> 00:12:42,868
Hey, can I ask you something?
Sure.

292
00:12:42,870 —> 00:12:45,637
Do I really force you
to do things you don't want to?

293
00:12:45,639 —> 00:12:47,572
Yeah, but it's okay.

294
00:12:47,574 —> 00:12:48,807
How is it okay?

295
00:12:48,809 —> 00:12:51,209
I promised myself,

if I ever got friends,

296
00:12:51,211 —> 00:12:53,445
I'd do whatever they said.

297
00:12:54,480 —> 00:12:57,716
Really, I'm lucky you found me
before a cult did.

298
00:12:57,718 —> 00:13:00,552
Well, you know,
that was a long time ago.

299
00:13:00,554 —> 00:13:03,321
You're a different woman now.
You're smart,

300
00:13:03,323 —> 00:13:06,024
you've got great friends,
you've got a boyfriend,

301
00:13:06,026 —> 00:13:09,994
you're pretty, you have

zero fashion sense, but...

302

00:13:09,996 —> 00:13:12,464

Anyway, tonight we're gonna do

whatever you want.

303

00:13:12,466 —> 00:13:13,498

Really?

304

00:13:13,500 —> 00:13:15,767

Absolutely.

You name it, we're doing it.

305

00:13:16,569 —> 00:13:19,971

Basket weaving

at the craft museum.

306

00:13:19,973 —> 00:13:23,708

Well, you named it.

307

00:13:27,446 —> 00:13:29,280

Oh, here's another one.

308

00:13:29,282 —> 00:13:33,251

I wish that the apple pancake

mix was on the top shelf

309

00:13:33,253 —> 00:13:34,952

because it starts with an “A,”

310

00:13:34,954 —> 00:13:36,754

but I don't put it there

311

00:13:36,756 —> 00:13:38,956

because I don't want you

breaking one of your little legs

312

00:13:38,958 —> 00:13:41,392

when you're supposed

to be making my breakfast.

313

00:13:42,695 —> 00:13:46,764

Is it my turn to talk

about the compromises I make?

314

00:13:46,766 —> 00:13:51,169
I wasn't done, but go ahead.

315
00:13:51,171 —> 00:13:54,839
He said, compromising.

316
00:13:54,841 —> 00:13:56,774
Because of you, I'm not allowed

317
00:13:56,776 —> 00:13:58,809
to adjust the temperature
in my own home.

318
00:13:58,811 —> 00:14:00,278
I'm not allowed to whistle.

319
00:14:00,280 —> 00:14:02,580
I don't wear shoes
that might squeak.

320
00:14:02,582 —> 00:14:05,249
Well, you're a physicist,
not a circus clown.

321

00:14:05,251 —> 00:14:09,654

Sheldon, do you realize I don't

live with the woman I love

322

00:14:09,656 —> 00:14:11,288

because of you?

323

00:14:12,224 —> 00:14:13,624

No other reason. Just you.

324

00:14:13,626 —> 00:14:16,093

Is that true?

Yes, it's true. The last time

325

00:14:16,095 —> 00:14:17,495

I brought it up,

you had an emotional breakdown

326

00:14:17,497 —> 00:14:20,498

and got on a train and ran away.

327

00:14:20,500 —> 00:14:22,266
Well, given my history
on the subject,

328
00:14:22,268 —> 00:14:25,136
it seems a little reckless
to bring it up now.

329
00:14:25,138 —> 00:14:29,440
You have no idea
how much you inconvenience

330
00:14:29,442 —> 00:14:31,075
the lives of everyone
around you.

331
00:14:31,077 —> 00:14:33,010
It's exhausting!

332
00:14:33,012 —> 00:14:34,478
You know what?

333
00:14:34,480 —> 00:14:36,480

You think you're so tolerant,

334
00:14:36,482 —> 00:14:38,449
but the truth is...

335
00:14:38,451 —> 00:14:40,517
you're mean to me a lot.

336
00:14:40,519 —> 00:14:41,919
Yeah,
you think

337
00:14:41,921 —> 00:14:43,587
that I don't notice
all those sarcastic comments

338
00:14:43,589 —> 00:14:45,989
and those eye rolls,
but I do. Hmm?

339
00:14:45,991 —> 00:14:48,625
I have
excellent peripheral vision.

340

00:14:49,928 —> 00:14:53,864

On a good day,

I can see my ears.

341

00:14:54,866 —> 00:14:57,568

Sheldon, I-I'm sorry

if I hurt your feelings.

342

00:14:57,570 —> 00:15:00,370

I've been holding a lot

of this in for a while.

343

00:15:00,372 —> 00:15:02,039

Well, I'm sorry, too.

And if you want

344

00:15:02,041 —> 00:15:04,708

to live with Penny,

then I think you should.

345

00:15:04,710 —> 00:15:06,143

Do you mean that?

346

00:15:06,145 —> 00:15:08,512

Yes. Yeah, just put

on your squeaky shoes and...

347

00:15:08,514 —> 00:15:11,181

(mimics squeaking)

your way out of my life.

348

00:15:13,818 —> 00:15:15,819

Come on, don't get upset.

349

00:15:15,821 —> 00:15:17,954

I'm not upset.

350

00:15:17,956 —> 00:15:23,226

I'm just imagining a world

without my best friend in it.

351

00:15:24,328 —> 00:15:25,562

Sheldon.

352

00:15:25,564 —> 00:15:26,530
It's okay.

353
00:15:26,532 —> 00:15:29,366
I-I'm not leaving your world.

354
00:15:29,368 —> 00:15:32,202
I'm just talking
about living across the hall.

355
00:15:32,204 —> 00:15:33,470
I understand.

356
00:15:33,472 —> 00:15:36,072
Either way,
I want you to know that...

357
00:15:36,074 —> 00:15:38,208
I'm aware of how difficult
I can be.

358
00:15:38,210 —> 00:15:39,843
So I just want

to say...

359
00:15:39,845 —> 00:15:44,147
thank you
for putting up with me.

360
00:15:44,149 —> 00:15:46,583
Buddy...

361
00:15:50,154 —> 00:15:51,488
How are you guys
getting alo...?

362
00:15:51,490 —> 00:15:53,890
What? Why are
there tears?

363
00:15:53,892 —> 00:15:55,525
Everything's fine.

364
00:15:55,527 —> 00:15:58,194
We just started talking
about living arrangements.

365

00:15:58,196 —> 00:16:01,931

Are you crazy? You know

he's a flight risk.

366

00:16:01,933 —> 00:16:05,802

That's exactly

what I told him.

367

00:16:05,804 —> 00:16:07,904

Sheldon, we know this

is a sensitive subject,

368

00:16:07,906 —> 00:16:10,406

and Leonard's not gonna

move out until you're ready.

369

00:16:12,176 —> 00:16:15,378

Well, what if you did it

gradually?

370

00:16:16,246 —> 00:16:18,214

All right. Well...

371

00:16:18,216 —> 00:16:21,584

how about we start

with two nights a week

372

00:16:21,586 —> 00:16:23,052

I live with Penny?

373

00:16:23,054 —> 00:16:27,190

How about one night and...

374

00:16:27,192 —> 00:16:29,392

I let you whistle?

375

00:16:32,996 —> 00:16:34,797

Okay.

376

00:16:34,799 —> 00:16:36,766

When I'm not home.

377

00:16:37,601 —> 00:16:39,869

You got it.

378

00:16:40,737 —> 00:16:42,605

There we go,

379

00:16:42,607 —> 00:16:45,308

compromising again.

380

00:16:45,310 —> 00:16:48,477

We really are the best.

381

00:16:55,485 —> 00:16:57,453

Here we go,

382

00:16:57,455 —> 00:16:59,088

my first

Hindu temple.

383

00:16:59,090 —> 00:17:01,624

You see behind the

fountain, that tower

384

00:17:01,626 —> 00:17:03,425

that looks like a pyramid?

385
00:17:03,427 —> 00:17:05,428
It's called a Sikhara.
It symbolizes

386
00:17:05,430 —> 00:17:08,397
the-the connection between
the human and the divine.

387
00:17:08,399 —> 00:17:09,365
Huh.

388
00:17:09,367 —> 00:17:11,834
I always thought
it was mini golf.

389
00:17:12,669 —> 00:17:14,536
All right. Shall we?

390
00:17:14,538 —> 00:17:18,307
Yeah. Just, uh, is there
anything I should know

391

00:17:18,309 —> 00:17:19,608

before I go in?

392

00:17:19,610 —> 00:17:20,809

Like what?

393

00:17:20,811 —> 00:17:23,579

Like am I dressed okay?

394

00:17:23,581 —> 00:17:25,647

Really? So every other place

you've been,

395

00:17:25,649 —> 00:17:27,883

you thought this was fine?

396

00:17:27,885 —> 00:17:30,786

I know you're under a lot

of pressure,

397

00:17:30,788 —> 00:17:32,087

so I'm gonna let that pass.

398
00:17:32,089 —> 00:17:33,956
(sighs)
Sorry. You're right.

399
00:17:33,958 —> 00:17:35,791
I'm so stressed.

400
00:17:35,793 —> 00:17:37,559
But you know what,

401
00:17:37,561 —> 00:17:39,761
whenever I walk
into that temple

402
00:17:39,763 —> 00:17:42,130
I realize that whatever happens,
it's okay.

403
00:17:42,132 —> 00:17:44,266
We're all part of
an immense pattern,

404

00:17:44,268 —> 00:17:47,169

and though we can't understand

it, we can be happy to know

405

00:17:47,171 —> 00:17:49,671

that it's-it's working its will

through us.

406

00:17:49,673 —> 00:17:52,741

That's nice.

(chuckles)

407

00:17:52,743 —> 00:17:54,977

Whether you call it God

or the universe or the self,

408

00:17:54,979 —> 00:17:58,347

we're all interconnected,

and that's just a beautiful...

409

00:17:58,349 —> 00:18:02,284

Son of a bitch!

That guy just dinged my car!

410
00:18:03,086 —> 00:18:05,387
(gasps)
S-Seriously?

411
00:18:05,389 —> 00:18:07,255
Y-You were
just gonna drive away?

412
00:18:07,257 —> 00:18:08,490
Like my life

413
00:18:08,492 —> 00:18:09,891
isn't hard enough right now.

414
00:18:09,893 —> 00:18:12,561
A space probe
might be destroyed,

415
00:18:12,563 —> 00:18:14,563
my parents are going
through an awful divorce,

416

00:18:14,565 —> 00:18:18,099

the guy who cuts my dog's hair

just gave her bangs!

417

00:18:18,101 —> 00:18:20,168

Raj.

418

00:18:20,170 —> 00:18:23,471

You saw her. She looks like

Jim Carrey from Dumb and Dumber!

419

00:18:23,473 —> 00:18:26,174

Raj, you just

got a text.

420

00:18:26,176 —> 00:18:28,610

The probe turned

on. It's fine.

421

00:18:29,378 —> 00:18:32,113

(sighs)

Oh, good.

422

00:18:32,948 —> 00:18:35,750

Namaste, Grandpa.

423

00:18:43,526 —> 00:18:45,760

I thought

this was gonna be boring,

424

00:18:45,762 —> 00:18:47,362

but it's actually kind of fun.

425

00:18:47,364 —> 00:18:51,399

Don't tell Amy that. We'll

be here every Sunday.

426

00:18:51,401 —> 00:18:54,068

Sheldon, that really is

an excellent basket.

427

00:18:54,070 —> 00:18:55,837

It's not a basket.

428

00:18:55,839 —> 00:18:59,440
It's a soldier's helmet
from 16th century China.

429
00:19:02,778 —> 00:19:04,345
Very nice.

430
00:19:04,347 —> 00:19:07,548
Yeah, it
looks great.

431
00:19:08,884 —> 00:19:12,053
I saw that.

432
00:19:22,223 —> 00:19:25,592
Well, roomie,
it's only one night a week,

433
00:19:25,594 —> 00:19:26,694
but it's a start.

434
00:19:26,696 —> 00:19:28,729
I know. I'm really

proud of Sheldon.

435
00:19:28,731 —> 00:19:30,597
Yeah, I'm proud of him, too.

436
00:19:30,599 —> 00:19:32,299
SHELDON: Can you keep it
down? Some of us

437
00:19:32,301 —> 00:19:33,599
are trying
to sleep out here.

S08EP13: The Anxiety Optimization

1
00:00:04,587 —> 00:00:06,754
Okay, we're headed out—
See you later.

2
00:00:06,756 —> 00:00:07,921
Before you leave,

3
00:00:07,923 —> 00:00:10,290

could you test these
noise-cancelling headphones?

4
00:00:10,292 —> 00:00:11,292
Yeah, sure.

5
00:00:11,293 —> 00:00:12,459
Okay.

6
00:00:14,263 —> 00:00:15,263
Go ahead.

7
00:00:15,264 —> 00:00:18,265
Hello, can you
hear me?

8
00:00:21,137 —> 00:00:22,803
Sheldon, I haven't changed
the filter

9
00:00:22,805 —> 00:00:24,905
in the water pitcher
in two years.

10

00:00:27,510 —> 00:00:31,612

Uh, Bernadette's nickname for

you is the virgin piña colada.

11

00:00:34,483 —> 00:00:38,752

Your George Lucas autograph

is really a “me” autograph.

12

00:00:40,890 —> 00:00:43,891

Yeah, well, once I was too lazy

to walk across the hall,

13

00:00:43,893 —> 00:00:45,626

so I used your toothbrush.

14

Oh, that's fantastic.

188

00:08:43,006 —> 00:08:44,272

N-Now, wait,

they're dropping.

189

00:08:44,274 —> 00:08:45,406

Why are they dropping?

190

00:08:45,408 —> 00:08:47,375

Because you're happy

they're elevated.

191

00:08:47,377 —> 00:08:49,177

Oh, that is infuriating!

192

00:08:49,179 —> 00:08:50,712

Ooh, look, they went

back up again.

193

00:08:50,714 —> 00:08:51,679

Terrific.

194

00:08:51,681 —> 00:08:53,481

Oh, no, they went

back down!

195

00:08:55,652 —> 00:08:59,654

All right, guys, what game

do you want to play?

196

00:08:59,656 —> 00:09:00,889

E'

Let's see.

197

00:09:00,891 —> 00:09:04,626

How about

“Emily or Cinnamon”"

198

00:09:05,695 —> 00:09:07,562

You know what? I think

it's a little weird

199

00:09:07,564 —> 00:09:09,397

that you remember me

saying all these things.E'

200

00:09:09,399 —> 00:09:12,901

Maybe the truth is— you're

jealous of all my relationships.

201

00:09:13,703 —> 00:09:15,737

Oh, maybe I am.

202

00:09:15,739 —> 00:09:17,438

Who wouldn't want

to be the girl,

203

00:09:17,440 —> 00:09:20,441

or possibly dog,

to hear the words:

204

00:09:20,443 —> 00:09:22,410

“You're so lucky.

205

00:09:22,412 —> 00:09:24,512
You have the
shiniest hair".

206
00:09:28,018 —> 00:09:29,984
That is a tough one.

207
00:09:29,986 —> 00:09:32,220
Uh, I-I know he brushes
both of them.

208
00:09:34,090 —> 00:09:36,457
Gentlemen...
Yeah.

209
00:09:36,459 —> 00:09:39,627
I have figured out the perfect
way for you to irritate me.

210
00:09:39,629 —> 00:09:43,498
I'd like you to be my
intellectual sparring partners.

211

00:09:43,500 —> 00:09:45,900
From now on,
when I make an assertion,

212
00:09:45,902 —> 00:09:47,335
I need you to challenge it.

213
00:09:47,337 —> 00:09:50,805
So you just want us to disagree
with whatever you say?

214
00:09:50,807 —> 00:09:51,973
Yes.

215
00:09:51,975 —> 00:09:54,842
And you think that's going to help?
Yes.

216
00:09:54,844 —> 00:09:57,445
Well, I don't think
that's gonna help at all.

217
00:09:57,447 —> 00:09:58,880

Oh, no, it will.

218
00:09:58,882 —> 00:10:02,383
See, by keeping my mind engaged,
I'll become more focused.

219
00:10:02,385 —> 00:10:04,786
Howard's right—
that'll never work.

220
00:10:04,788 —> 00:10:06,421
Stop fighting me on the premise.

221
00:10:06,423 —> 00:10:08,022
It's scientifically valid.

222
00:10:08,024 —> 00:10:09,624
I'm going to advance
propositions,

223
00:10:09,626 —> 00:10:11,192
I just want you to challenge me.

224

00:10:11,194 —> 00:10:14,062

I don't think that's

what you want at all.

225

00:10:15,131 —> 00:10:16,764

Why, of course it's what I want.

226

00:10:16,766 —> 00:10:19,300

Why would I say it's what I want

if it's not what I want?

227

00:10:19,302 —> 00:10:22,537

Because it is what you want,

and it's not what you said.

228

00:10:24,341 —> 00:10:27,041

I ask you for one simple thing,

and you can't even do it.

229

00:10:27,043 —> 00:10:28,610

Yes, we can.

Yeah, well, then do it.

230

00:10:28,612 —> 00:10:30,244

Nah.

231

00:10:31,114 —> 00:10:33,047

You guys are the worst.

232

00:10:35,285 —> 00:10:38,086

Thank you,

I think that was helpful.

233

00:10:46,814 —> 00:10:49,682

So, whichever rep has

the best sales for the quarter

234

00:10:49,684 —> 00:10:51,250

gets a trip for two to Hawaii.

235

00:10:51,252 —> 00:10:53,819

That would be so romantic

for you and Leonard.

236

00:10:53,821 —> 00:10:56,188

Yeah, clearly you haven't
seen him on the beach

237
00:10:56,190 —> 00:10:58,090
walking around
with his metal detector.

238
00:10:59,427 —> 00:11:00,726
If I were going to Hawaii,

239
00:11:00,728 —> 00:11:03,395
I'd spend all my time
at the Keck Observatory.

240
00:11:03,397 —> 00:11:05,064
Did you know that
the telescopes there have

241
00:11:05,066 —> 00:11:06,599
better resolution
than the Hubble?

242
00:11:06,601 —> 00:11:08,033

Really?

243

00:11:08,035 —> 00:11:10,102

Want to go to Hawaii?

244

00:11:11,072 —> 00:11:12,071

(knocking on door)

SHELDON: Ladies?

245

00:11:12,073 —> 00:11:13,806

(knocks on door)

Ladies...

246

00:11:13,808 —> 00:11:15,541

(knocks on door)

Ladies?

247

00:11:15,543 —> 00:11:17,076

Come in.

248

00:11:17,945 —> 00:11:19,445

Ladies.

249

00:11:19,447 —> 00:11:20,946

What's up?

250

00:11:20,948 —> 00:11:23,282

As you may know,

I've been experimenting

251

00:11:23,284 —> 00:11:25,017

with elevated anxiety levels,

252

00:11:25,019 —> 00:11:26,252

and I thought,

253

00:11:26,254 —> 00:11:28,220

what better way

to increase my discomfort

254

00:11:28,222 —> 00:11:29,922

than to subject myself

to an evening

255

00:11:29,924 —> 00:11:32,491

of tasteless
uncensored crotch talk?

256
00:11:35,129 —> 00:11:38,130
What exactly do you think
goes on here?

257
00:11:38,132 —> 00:11:39,732
Well...

258
00:11:39,734 —> 00:11:41,433
conversations that you wouldn't
be comfortable having

259
00:11:41,435 —> 00:11:43,068
in front of the opposite sex.

260
00:11:43,070 —> 00:11:44,870
You know, who has
the best cervix.

261
00:11:46,540 —> 00:11:49,108
Which sanitary napkin

is all the rage right now.

262
00:11:49,110 —> 00:11:52,645
Men's buttocks, and how you want
to pat and squeeze them.

263
00:11:54,282 —> 00:11:56,715
We were talking
about Penny's job.

264
00:11:56,717 —> 00:11:58,651
And how difficult it is to do

265
00:11:58,653 —> 00:12:00,719
when she's bloated,
cranky and crampy?

266
00:12:00,721 —> 00:12:02,821
Continue.

267
00:12:04,659 —> 00:12:06,592
Sheldon, we are just people.

268

00:12:06,594 —> 00:12:08,794

We talk about the same things

you guys talk about.

269

00:12:08,796 —> 00:12:11,563

You talk about

if werewolves can swim?

270

00:12:11,565 —> 00:12:13,232

See, Leonard says yes,

271

00:12:13,234 —> 00:12:15,935

but I say it depends on

if the human could swim

272

00:12:15,937 —> 00:12:16,902

before he was bitten.

273

00:12:16,904 —> 00:12:18,570

What do you think?

274

00:12:19,573 —> 00:12:22,441

Let's just talk
about our periods.

275
00:12:22,443 —> 00:12:24,043
No, hold on.

276
00:12:24,045 —> 00:12:27,046
All canines instinctively know
how to swim.

277
00:12:27,048 —> 00:12:29,748
Why wouldn't a werewolf have
the same abilities?

278
00:12:29,750 —> 00:12:32,418
Well, they're not
a hundred percent wolf.

279
00:12:32,420 —> 00:12:35,187
They're a werewolf—
that's only part wolf.

280
00:12:35,189 —> 00:12:37,289

It's like comparing
apples to oranges.

281
00:12:37,291 —> 00:12:39,091
Thank you.

282
00:12:39,093 —> 00:12:41,794
Oh, and technically, it's apples
that turn into were-oranges

283
00:12:41,796 —> 00:12:43,495
when the moon is full.

284
00:12:44,598 —> 00:12:46,832
Hey, this is fun.

285
00:12:46,834 —> 00:12:48,934
We should do it sometime
when you aren't all PMS'ing.

286
00:12:48,936 —> 00:12:50,502
Bye.

287

00:12:53,541 —> 00:12:57,810

(Darth Vader breathes, the Joker
laughs, Godzilla roars)

288

00:12:58,980 —> 00:13:00,546

What is going on?

289

00:13:00,548 —> 00:13:01,814

Oh.

290

00:13:01,816 —> 00:13:04,483

Uh, I need to keep my anxiety
at the right level,

291

00:13:04,485 —> 00:13:08,253

so I'm using Darth Vader,
the Joker, and Godzilla's roar

292

00:13:08,255 —> 00:13:10,022

to keep me in that sweet spot.

293

00:13:12,093 —> 00:13:14,460

Uh, I tried including
Taylor Swift in the mix,

294
00:13:14,462 —> 00:13:16,662
but turns out I love her.

295
00:13:18,966 —> 00:13:21,667
Well, at least listen to it
through headphones.

296
00:13:21,669 —> 00:13:23,669
I'm trying to sleep.
Good night.

297
00:13:24,505 —> 00:13:26,205
Boy!

298
00:13:27,475 —> 00:13:30,709
Taylor was right— haters gonna
hate, hate, hate, hate, hate.

299
00:13:33,914 —> 00:13:36,548
You've been working

so much lately,

300
00:13:36,550 —> 00:13:38,617
I'm glad you didn't forget
about date night.

301
00:13:38,619 —> 00:13:40,152
Of course.

302
00:13:42,423 —> 00:13:43,423
Sheldon.

303
00:13:43,424 —> 00:13:44,990
Yeah.

304
00:13:44,992 —> 00:13:47,893
Maybe you want to put the
notebook away and talk to me.

305
00:13:47,895 —> 00:13:49,928
(stammers)
I can do both.

306

00:13:49,930 —> 00:13:52,598

No, my brain is working

at optimal capacity.

307

00:13:52,600 —> 00:13:54,633

No, I can have

a conversation with you

308

00:13:54,635 —> 00:13:58,771

and solve the dark matter proton

decay problem at the same time.

309

00:13:59,874 —> 00:14:01,240

Fine.

How was your day?

310

00:14:01,242 —> 00:14:02,741

Oh, you said it.

311

00:14:05,279 —> 00:14:06,578

Sheldon.

312

00:14:06,580 —> 00:14:08,247
Sheldon, I'm
worried about you.

313
00:14:08,249 —> 00:14:09,982
You're not eating,

314
00:14:09,984 —> 00:14:11,984
you haven't
slept in days,

315
00:14:11,986 —> 00:14:14,753
and, to be honest, that
cap is starting to smell.

316
00:14:15,956 —> 00:14:17,556
I know.

317
00:14:17,558 —> 00:14:20,259
It's replaced Godzilla as
my principle source of anxiety.

318
00:14:25,633 —> 00:14:27,933

Okay, so it's one vote Emily,

one vote Cinnamon.

319

00:14:27,935 —> 00:14:30,035

Penny, you're

the tiebreaker.

320

00:14:33,007 —> 00:14:34,473

Say the quote again.

321

00:14:34,475 —> 00:14:38,777

“It's just so perfect

that we're both Libras.”

322

00:14:43,918 —> 00:14:46,218

Wow, this is hard.

323

00:14:46,220 —> 00:14:47,252

I'm gonna say

Cinnamon.

324

00:14:47,254 —> 00:14:49,354

Yes! Yes!

Come on!

325

00:14:50,691 —> 00:14:52,391

That was the last one,

I promise.

326

00:14:52,393 —> 00:14:53,625

We won't play anymore.

327

00:14:53,627 —> 00:14:55,060

Thank you.

328

00:14:55,062 —> 00:14:57,296

'Cause if she ever found out,

it would hurt her feelings.

329

00:14:57,298 —> 00:15:00,132

Emily's feelings?

330

00:15:00,134 —> 00:15:02,000

Yes, Emily.

331

00:15:02,002 —> 00:15:03,969
Nice! - Yay!
Good job!

332
00:15:05,706 —> 00:15:07,406
Whatever.
Where's Sheldon?

333
00:15:07,408 —> 00:15:08,640
Date night.

334
00:15:08,642 —> 00:15:10,342
Mmm, that can't be
much fun for Amy.

335
00:15:10,344 —> 00:15:12,845
You know, at work today,
he tried his first Red Bull.

336
00:15:12,847 —> 00:15:13,879
What happened?

337
00:15:13,881 —> 00:15:15,214

He chased a squirrel

338
00:15:15,216 —> 00:15:17,216
around the quad
for a while and...

339
00:15:18,185 —> 00:15:20,352
...then threw up in my car.

340
00:15:22,089 —> 00:15:24,490
Don't you think you should
make him stop all this?

341
00:15:24,492 —> 00:15:26,925
I don't know— he's not
really hurting anybody.

342
00:15:26,927 —> 00:15:30,996
You didn't have to scoop vomit
out of your glove compartment.

343
00:15:30,998 —> 00:15:32,764
He is getting

a lot of work done.

344
00:15:32,766 —> 00:15:35,501
He had a pretty interesting
take on proton decay.

345
00:15:35,503 —> 00:15:39,171
Wow, if he cracks that,
it's a game changer, guys.

346
00:15:39,173 —> 00:15:41,206
It'll completely redefine
our understanding

347
00:15:41,208 —> 00:15:42,875
of the physical universe.

348
00:15:44,044 —> 00:15:46,612
Hmm, it would.

349
00:15:46,614 —> 00:15:49,181
Okay, back to
“Emily or Cinnamon”"

350

00:15:50,451 —> 00:15:55,120

“How can such a little girl

eat such a big steak”"

351

00:15:59,693 —> 00:16:00,826

Sheldon,

352

00:16:00,828 —> 00:16:02,661

I want you to take

that cap off.

353

00:16:02,663 —> 00:16:06,698

That nagging tone is

helping my anxiety, yeah.

354

00:16:06,700 —> 00:16:09,034

But if you could maybe just go

ten percent less shrill,

355

00:16:09,036 —> 00:16:11,670

that'd really put the zip-a-Dee

in my doo-dah.

356

00:16:11,672 —> 00:16:14,206

I'm sorry, but

you know we agreed

357

00:16:14,208 —> 00:16:15,941

not to bring work

to date night.

358

on my idea?

95

00:03:51,372 —> 00:03:54,407
I wrote a paper
on our idea.

96
00:03:54,409 —> 00:03:57,476
When did my idea
become our idea?

97
00:03:57,478 —> 00:03:59,478
When I mixed it with
Sheldony goodness

98
00:03:59,480 —> 00:04:02,848
and cooked it in the
Easy-Bake Oven of my mind.

99
00:04:04,885 —> 00:04:06,886
This is good.

100
00:04:06,888 —> 00:04:08,487
Our idea is really good.

101
00:04:08,489 —> 00:04:11,724

Well, the lightbulb in this
oven is ridiculously bright.

102
00:04:14,194 —> 00:04:16,162
You know, if no one's
thought of this, yet,

103
00:04:16,164 —> 00:04:17,463
this could be a big deal.

104
00:04:17,465 —> 00:04:18,931
Only way we'll
know for sure is

105
00:04:18,933 —> 00:04:21,300
if we post it online to
the pre-print server.

106
00:04:21,302 —> 00:04:24,870
I have it ready to go, but I
wasn't gonna do it without you.

107
00:04:26,707 —> 00:04:29,108

Wow, it's all
happening so fast.

108
00:04:29,943 —> 00:04:31,644
Should we just sleep on it?

109
00:04:31,646 —> 00:04:34,313
We could, but we
always run the risk

110
00:04:34,315 —> 00:04:36,315
of someone else beating
us to the punch.

111
00:04:37,451 —> 00:04:38,718
You're sure it's good?

112
00:04:38,720 —> 00:04:41,420
My name is right on
there with yours.

113
00:04:41,422 —> 00:04:44,957
That is a surefire

mark of quality.

114

00:04:46,259 —> 00:04:48,594

That might as well say

"Directed by Joss Whedon".

115

00:04:51,665 —> 00:04:53,366

Okay, partner, let's do it.

116

00:04:56,236 —> 00:04:57,803

Come on.

117

00:04:57,805 —> 00:04:59,739

Click the

mouse with me.

118

00:05:03,510 —> 00:05:05,511

One...

119

00:05:05,513 —> 00:05:07,013

two...

120

00:05:07,015 —> 00:05:08,247
three...

121
00:05:08,249 —> 00:05:09,849
BOTH:
Click.

122
00:05:13,186 —> 00:05:14,320
Well, we did it.

123
00:05:14,322 —> 00:05:16,355
Yes, we did,
my friend.

124
00:05:16,357 —> 00:05:17,490
Is your tongue blue?

125
00:05:17,492 —> 00:05:20,393
I don't want to
talk about it.

126
00:05:21,495 —> 00:05:23,295
Okay, movie night—

what do you want to watch?

127

00:05:23,297 —> 00:05:25,297

Whatever happened

to that ape movie you were in?

128

00:05:25,299 —> 00:05:26,432

Oh, God.

129

00:05:26,434 —> 00:05:27,566

Probably nothing.

130

00:05:27,568 —> 00:05:29,502

I think I saw the director

twirling a sign

131

00:05:29,504 —> 00:05:31,637

outside the Verizon store.

132

00:05:31,639 —> 00:05:33,005

Search for it.

133

00:05:33,007 —> 00:05:34,040

PENNY:

Wha... no.

134

00:05:34,042 —> 00:05:35,007

No! Why?

135

00:05:35,009 —> 00:05:36,308

'Cause it would be

fun to watch.

136

00:05:36,310 —> 00:05:37,877

It would be humiliating.

137

00:05:37,879 —> 00:05:40,446

Well, now we have

two reasons.

138

00:05:42,215 —> 00:05:43,215

They have it.

139

00:05:43,217 —> 00:05:44,183

Please,

can we watch it?

140
00:05:44,185 —> 00:05:45,317
(sighs)
Please?

141
00:05:45,319 —> 00:05:47,720
Fine, but I'm telling you—
it's terrible.

142
00:05:47,722 —> 00:05:50,122
Have you even seen it?
No.

143
00:05:50,124 —> 00:05:51,657
Well, maybe it turned out
better than you think.

144
00:05:51,659 —> 00:05:52,825
(bike bell rings on TV)

145
00:05:52,827 —> 00:05:54,727
MAN: Bananas,

get your fresh bananas.

146
00:05:55,529 —> 00:05:57,563
(laughing):
It really didn't.

147
00:06:02,335 —> 00:06:05,971
Sheldon, this is
superfluid helium.

148
00:06:05,973 —> 00:06:07,339
Put this in
your mouth,

149
00:06:07,341 —> 00:06:09,241
your tongue will
freeze and break off.

150
00:06:10,977 —> 00:06:13,813
Does it smell like blueberries?

151
00:06:13,815 —> 00:06:14,815
No.

152

00:06:14,816 —> 00:06:16,882

Then we're probably okay.

153

00:06:16,884 —> 00:06:18,818

Hey, your paper

got mentioned

154

00:06:18,820 —> 00:06:20,319

on the Quantum Diaries

physics blog.

155

00:06:20,321 —> 00:06:21,554

(gasps)

Really?

156

00:06:21,556 —> 00:06:23,222

Wh-What'd they say?

157

00:06:23,224 —> 00:06:24,890

Uh, it's basically

a summary of the theory,

158

00:06:24,892 —> 00:06:26,592

but there's a bunch of positive

comments on the message board.

159

00:06:26,594 —> 00:06:28,928

Let me see,

let me see.

160

00:06:28,930 —> 00:06:32,298

One calls it "insightful

and innovative".

161

00:06:32,300 —> 00:06:34,133

We're insightful

and innovative.

162

00:06:34,135 —> 00:06:36,669

Ooh, nice to meet you,

Mr. Insightful.

163

00:06:36,671 —> 00:06:38,771

Oh, the pleasure is mine,

Mr. Innovative.

164

00:06:40,407 —> 00:06:42,408

Uh, another one says,

"The concept shows

165

00:06:42,410 —> 00:06:44,410

some real out-of-the-box

thinking".

166

00:06:44,412 —> 00:06:46,979

Do you hear that,

Mr. Out-Of-The?

167

00:06:46,981 —> 00:06:50,182

I do, indeed,

Mr. Box-Thinking.

168

00:06:50,184 —> 00:06:51,484

How are you today,

169

00:06:51,486 —> 00:06:54,353

Mr. Can-You-Believe-

These-Jack-Asses?

170

00:06:54,355 —> 00:06:56,655

Just dandy, Mr....

171

00:06:56,657 —> 00:07:00,292

I-Wish-I-Was-

Better-At-Improv.

172

00:07:00,294 —> 00:07:02,461

Read another one.

Okay, okay. Uh...

173

00:07:02,463 —> 00:07:04,997

"The analogy

between space-time

174

00:07:04,999 —> 00:07:08,267

and a supercooled fluid is

either meaningless or... false".

175

00:07:08,269 —> 00:07:12,104

"I wish this blog would

devote itself to real science

176

00:07:12,106 —> 00:07:14,373

"instead of wasting

our time with crackpot,

177

00:07:14,375 —> 00:07:17,510

wannabe theoreticians

in a rush to publish".

178

00:07:17,512 —> 00:07:18,644

Who wrote that?

179

00:07:18,646 —> 00:07:19,945

It's anonymous,

180

00:07:19,947 —> 00:07:22,782

and user name

"General Relativity."

181

00:07:22,784 —> 00:07:25,317

Well... I'm responding to it.

182

00:07:25,319 —> 00:07:27,019
Uh, don't lower yourself
to their level.

183
00:07:27,021 —> 00:07:28,454
Look, I am simply

184
00:07:28,456 —> 00:07:30,990
going to defend our work,
scientist to scientist.

185
00:07:30,992 —> 00:07:32,525
And failing that,

186
00:07:32,527 —> 00:07:34,326
suggest that his mother enjoys
a string

187
00:07:34,328 —> 00:07:37,263
of both human
and non-human lovers.

188
00:07:37,265 —> 00:07:40,466

Sheldon, my name's
on that paper, too.

189
00:07:40,468 —> 00:07:42,034
There's no upside to doing this.

190
00:07:42,036 —> 00:07:43,435
He just left another comment.

191
00:07:43,437 —> 00:07:45,304
What does it say?

192
00:07:45,306 —> 00:07:48,507
"Upon review, I've
changed my mind about

193
00:07:48,509 —> 00:07:49,909
"the Cooper-Hofstadter
hypothesis

194
00:07:49,911 —> 00:07:52,311
"that space-time is like
a superfluid. In fact,

195

00:07:52,313 —> 00:07:55,614

"it's inspired me to come up

with my own theory.

196

00:07:55,616 —> 00:07:57,483

"Maybe space-time is like

two clowns

197

00:07:57,485 —> 00:07:58,784

"with their heads in a bucket,

198

00:07:58,786 —> 00:08:02,755

much like Cooper

and Hofstadter."

199

00:08:02,757 —> 00:08:04,490

Can I respond now?

200

00:08:04,492 —> 00:08:06,125

Do it.

201

00:08:06,127 —> 00:08:09,495
You mess with the bull,
you get the horns.

202
00:08:09,497 —> 00:08:13,065
I'm about to show this guy
just how horny I can be.

203
00:08:17,537 —> 00:08:19,705
Somebody else do it.

204
00:08:21,708 —> 00:08:23,876
PENNY (on TV):
Doctor, please help me.

205
00:08:23,878 —> 00:08:27,713
I think I might be turning
into a killer gorilla.

206
00:08:27,715 —> 00:08:30,516
DOCTOR: Why do you think you're turning
into a killer gorilla

207

00:08:30,518 —> 00:08:32,218
and not just a regular gorilla?

208
00:08:32,220 —> 00:08:35,821
PENNY: Because regular gorillas
are vegetarians,

209
00:08:35,823 —> 00:08:38,123
and I just bit the fingers
off your receptionist!

210
00:08:38,125 —> 00:08:39,391
(Penny screeching like an ape;
chaotic clattering)

211
00:08:39,393 —> 00:08:42,628
Okay, we've seen plenty.
No!

212
00:08:42,630 —> 00:08:43,729
Give me the remote.

213
00:08:43,731 —> 00:08:46,298

Careful. She'll bite
your fingers off.

214
00:08:46,300 —> 00:08:48,400
Okay, well, I've been
poking around the internet,

215
00:08:48,402 —> 00:08:51,437
and I think I found something
we'll enjoy watching even more.

216
00:08:51,439 —> 00:08:52,471
What is it?

217
00:08:52,473 —> 00:08:53,572
Oh, just a video

218
00:08:53,574 —> 00:08:55,541
of Bernadette
in a beauty pageant.

219
00:08:55,543 —> 00:08:56,642
What?!

220

00:08:56,644 —> 00:08:58,244

Okay, I learned my lesson.

221

00:08:58,246 —> 00:09:00,479

Making fun of people is wrong!

222

00:09:01,248 —> 00:09:02,815

I haven't learned

my lesson.

223

00:09:02,817 —> 00:09:05,017

Play it! Play it!

224

00:09:06,953 —> 00:09:10,422

(applause)

225

00:09:10,424 —> 00:09:14,193

Hi. I'm Bernadette Maryann

Rostenkowski

226

00:09:14,195 —> 00:09:17,730

from Yorba Linda, California.

227

00:09:18,798 —> 00:09:23,002

(laughing): You look like

a talking cupcake!

228

00:09:23,004 —> 00:09:24,403

And you should pick me

229

00:09:24,405 —> 00:09:27,439

for Miss California Quiznos

1999, because I want to...

230

00:09:27,441 —> 00:09:29,642

(rhythmically): Tell you what I want,

what I really really want

231

00:09:29,644 —> 00:09:31,510

I'll tell you what I want,

what I really really want

232

00:09:31,512 —> 00:09:33,679

I wanna, I wanna,

I wanna, I wanna

233

00:09:33,681 —> 00:09:38,851

Really, really, really be

Miss California Quiznos 1999!

234

00:09:42,756 —> 00:09:44,857

Play it again!

Play it again!

235

00:09:44,859 —> 00:09:47,192

(laughing)

236

00:09:54,924 —> 00:09:57,560

KOOTHRAPPALI:

Did he respond yet?

237

00:09:57,561 —> 00:09:58,719

Hmm. No, not yet.

238

00:09:58,720 —> 00:10:00,052

Well,

239

00:10:00,054 —> 00:10:01,721

maybe we shouldn't have sunk

to his level.

240

00:10:01,723 —> 00:10:03,422

It wasn't that bad.

241

00:10:03,424 —> 00:10:05,091

Read it back one more time.

242

00:10:05,093 —> 00:10:06,425

(clears throat)

243

00:10:06,427 —> 00:10:10,129

"My good sir, we are neither

crackpots nor wannabes.

244

00:10:10,131 —> 00:10:13,032

"In fact, we are

experts in our fields.

245

00:10:13,034 —> 00:10:15,334

"And while you hide
behind your anonymity,

246
00:10:15,336 —> 00:10:17,370
"we stand behind our paper.

247
00:10:17,372 —> 00:10:19,772
And later tonight, your mother".

248
00:10:23,143 —> 00:10:25,244
And you don't think
that's too rough?

249
00:10:25,246 —> 00:10:27,847
We're just standing behind her.

250
00:10:27,849 —> 00:10:30,916
It's not like we're gonna say
"boo" and scare her.

251
00:10:33,587 —> 00:10:36,355
How could you not tell us
you were in beauty pageants?

252

00:10:36,357 —> 00:10:38,157

'Cause it's

embarrassing.

253

00:10:38,159 —> 00:10:40,760

(laughing):

It is; it truly is.

254

00:10:42,095 —> 00:10:43,429

Yeah, well...

255

00:10:43,431 —> 00:10:46,132

Amy writes Little House

on the Prairie fan fiction

256

00:10:46,134 —> 00:10:48,668

about herself

and posts it on the Internet.

257

00:10:51,305 —> 00:10:53,205

No!

258

00:10:53,207 —> 00:10:56,409

Why? What did I do?!

259

00:10:56,411 —> 00:10:58,644

Sorry, I had to get

the spotlight off me,

260

00:10:58,646 —> 00:11:01,414

and tearing down other women

is part of my pageant training.

261

00:11:01,416 —> 00:11:04,116

Okay. We are

reading that right now.

262

00:11:04,118 —> 00:11:05,184

No, please don't.

263

00:11:05,186 —> 00:11:07,353

We got embarrassed

tonight. Come on.

264

00:11:07,355 —> 00:11:08,521
But it's personal.

265
00:11:08,523 —> 00:11:10,222
Why? Is it about you
and Sheldon?

266
00:11:10,224 —> 00:11:11,957
(chuckles):
No.

267
00:11:12,859 —> 00:11:14,760
Oh, my God, it's
about her and Sheldon.

268
00:11:14,762 —> 00:11:16,462
It's not about me and Sheldon.

269
00:11:16,464 —> 00:11:20,466
It's about a young woman
in the 1800s named Amelia...

270
00:11:20,468 —> 00:11:22,835

and the time-traveling physicist

named Cooper

271

00:11:22,837 —> 00:11:24,937

she falls in love with.

272

00:11:24,939 —> 00:11:26,939

Please show us?

Please?

273

00:11:26,941 —> 00:11:29,108

No.

You know I'm gonna read it either way.

274

00:11:29,110 —> 00:11:31,010

AMY (scoffs):

Good luck finding it.

275

00:11:31,012 —> 00:11:32,244

(gasps)

276

00:11:32,246 —> 00:11:34,113

Amelia and...

277

00:11:34,115 —> 00:11:35,781

the time-trav...

278

00:11:35,783 —> 00:11:38,351

Found it!

(chuckles)

279

00:11:38,353 —> 00:11:40,453

"It was just past dawn

on the prairie,

280

00:11:40,455 —> 00:11:41,954

"and like every morning,

281

00:11:41,956 —> 00:11:43,856

"Amelia prepared

to do her chores.

282

00:11:43,858 —> 00:11:46,859

Except something about

this morning felt different."

283

00:11:46,861 —> 00:11:48,327

Why?

284

00:11:50,163 —> 00:11:53,199

Why did it

feel different?

285

00:11:54,501 —> 00:11:57,269

"Maybe it was the first whisper

of winter in the air,

286

00:11:57,271 —> 00:11:59,638

"or maybe it was

the unconscious handsome man

287

00:11:59,640 —> 00:12:01,640

"with porcelain skin

and curious clothing

288

00:12:01,642 —> 00:12:04,443

"she was about to discover

lying in the field.

289

00:12:04,445 —> 00:12:06,045

"A man who would

open her mind

290

00:12:06,047 —> 00:12:07,580

"to new possibilities

291

00:12:07,582 —> 00:12:10,683

and her body to new feelings."

292

00:12:12,686 —> 00:12:15,855

(Penny and Bernadette squealing)

293

00:12:15,857 —> 00:12:20,192

You know, there was a time when

I was alone and had no friends.

294

00:12:20,194 —> 00:12:22,495

I'm starting to miss that.

295

00:12:24,931 —> 00:12:26,599

He still hasn't responded.

296

00:12:26,601 —> 00:12:28,234

What's taking him so long?

297

00:12:28,236 —> 00:12:30,369

Do you really want

him to write back?

298

00:12:30,371 —> 00:12:32,571

Yeah, I do.

No matter how he responds,

299

00:12:32,573 —> 00:12:36,842

I am going to destroy him

with a picture of a bored cat

300

00:12:36,844 —> 00:12:39,612

saying, "Oh, really?"

301

00:12:43,950 —> 00:12:45,818

Me-wow.

302

00:12:47,921 —> 00:12:49,021
What are you doing?

303
00:12:49,023 —> 00:12:51,924
I've, uh, created some
other user accounts

304
00:12:51,926 —> 00:12:54,827
so I can post positive
comments about their paper.

305
00:12:54,829 —> 00:12:57,696
"This wee li'l bairn
of a theory

306
00:12:57,698 —> 00:12:59,698
nearly blew my kilt off"?

307
00:12:59,700 —> 00:13:02,868
No. You have to read it
how Dr. Angus McDoogal

308
00:13:02,870 —> 00:13:05,438

of the University

of Edinburgh would.

309

00:13:05,440 —> 00:13:07,640

(Scottish accent):

"This wee li'l bairn of a theory

310

00:13:07,642 —> 00:13:10,276

nearly blew me kilt off."

311

00:13:12,045 —> 00:13:14,079

(gasps)

He wrote back!

312

00:13:14,081 —> 00:13:18,050

"Cooper and Hofstadter resorting

to juvenile attempts at humor

313

00:13:18,052 —> 00:13:21,353

"is proof they have nothing to

back up their ridiculous paper.

314

00:13:21,355 —> 00:13:22,922

"It should come
as no surprise

315
00:13:22,924 —> 00:13:26,759
"given they work at Cal Tech,
essentially a technical school,

316
00:13:26,761 —> 00:13:30,329
where even the physicists
are basically engineers."

317
00:13:30,331 —> 00:13:32,598
(gasps)
"Engineers"!

318
00:13:34,134 —> 00:13:37,136
Do you know
how insulting that is?

319
00:13:37,138 —> 00:13:38,971
Yes.

320
00:13:38,973 —> 00:13:41,707

Guys, this person's
just going out of their way

321
00:13:41,709 —> 00:13:43,542
to get a rise out of you.

322
00:13:43,544 —> 00:13:45,811
Yeah, but it's still so aggravating.
Yeah, well,

323
00:13:45,813 —> 00:13:47,746
all the other comments
said really nice things.

324
00:13:47,748 —> 00:13:49,515
Focus on those.
Yeah.

325
00:13:49,517 —> 00:13:51,817
Dr. Dmitri Plancovik

326
00:13:51,819 —> 00:13:53,752
of Moscow

University said,

327
00:13:53,754 —> 00:13:55,721
(Russian accent):
"Dis paper great.

328
00:13:55,723 —> 00:13:58,624
I love it more
than 'wodka.".

329
00:14:00,026 —> 00:14:02,261
See? Better
with the accent.

330
00:14:02,263 —> 00:14:03,596
SHELDON:
And...

331
00:14:03,598 —> 00:14:04,864
send.

332
00:14:04,866 —> 00:14:06,332
What did you write?

333

00:14:06,334 —> 00:14:07,733

I'm done hiding from bullies.

334

00:14:07,735 —> 00:14:09,635

I'm taking this

into the real world.

335

00:14:09,637 —> 00:14:11,871

What does that mean?

I told him we'll meet him

336

00:14:11,873 —> 00:14:13,739

face-to-face anytime, anywhere.

337

00:14:13,741 —> 00:14:15,774

Are you crazy?

You don't know who this person is.

338

00:14:15,776 —> 00:14:16,842

Delete that!

Come on, Sheldon!

339

00:14:16,844 —> 00:14:17,977

Oh, okay,

340

00:14:17,979 —> 00:14:20,179

okay, calm down.

341

00:14:20,181 —> 00:14:21,847

(electronic tones play)

342

00:14:21,849 —> 00:14:23,816

(gasps)

It's him!

343

00:14:23,818 —> 00:14:26,118

He's trying to video chat.

344

00:14:29,689 —> 00:14:33,325

Perhaps I shouldn't have

taken this into the real world.

345

00:14:33,327 —> 00:14:35,461

Oh, really?

346

00:14:38,098 —> 00:14:40,065

PENNY: "'Time travel?

I don't understand,'

347

00:14:40,067 —> 00:14:42,067

"said Amelia.

Cooper stared at her.

348

00:14:42,069 —> 00:14:46,205

'Which rd don't you

understand, time or travel?'"

349

00:14:46,207 —> 00:14:50,075

Wow, even in your fantasies

Sheldon's kind of exhausting.

350

00:14:50,977 —> 00:14:53,112

He's like that

in the beginning,

351

00:14:53,114 —> 00:14:54,513

so she can change him.

352

00:14:54,515 —> 00:14:56,115

It's called good writing.

353

00:14:57,017 —> 00:14:59,118

And wishful thinking.

354

00:14:59,120 —> 00:15:00,619

"It stung Amelia

355

00:15:00,621 —> 00:15:02,388

"when he spoke to her this way.

356

00:15:02,390 —> 00:15:03,822

"In her little

one-room schoolhouse,

357

00:15:03,824 —> 00:15:05,591

"she was always

the smartest student,

358

00:15:05,593 —> 00:15:07,259

"regularly besting the boys
in her class,

359
00:15:07,261 —> 00:15:09,528
"but this was no boy
in front of her—

360
00:15:09,530 —> 00:15:10,763
"this was a man.

361
00:15:10,765 —> 00:15:12,665
Here we go.

362
00:15:12,667 —> 00:15:14,166
"Cooper told Amelia

363
00:15:14,168 —> 00:15:15,834
"about all the strange
and incredible things

364
00:15:15,836 —> 00:15:17,336
"the future would hold,
like computers

365

00:15:17,338 —> 00:15:18,871

"and living past 30.

366

00:15:18,873 —> 00:15:21,006

"He asked her

if she had any questions.

367

00:15:21,008 —> 00:15:22,608

"All she longed to ask was

368

00:15:22,610 —> 00:15:24,944

"if his heart was beating

as fast as hers,

369

00:15:24,946 —> 00:15:26,111

"but she was too afraid

370

00:15:26,113 —> 00:15:27,479

to hear the answer."

371

00:15:27,481 —> 00:15:28,881

Oh, Amelia.

372
00:15:28,883 —> 00:15:30,916
"So instead she asked if,
in the future,

373
00:15:30,918 —> 00:15:34,520
Montana ever became a state."

374
00:15:37,324 —> 00:15:41,527
In the 1800s
that was considered flirting.

375
00:15:42,696 —> 00:15:45,965
I'm so sick of people
being mean on the Internet.

376
00:15:45,967 —> 00:15:48,500
Well, I think the anonymity
makes everyone feel like

377
00:15:48,502 —> 00:15:51,403
they can say things

they'd never say to your face.

378
00:15:51,405 —> 00:15:53,172
Interesting.

379
00:15:53,174 —> 00:15:55,207
I can't think of a single thing

380
00:15:55,209 —> 00:15:58,010
I wouldn't say
to someone's face.

381
00:15:58,012 —> 00:16:01,480
Never noticed that about you.

382
00:16:02,582 —> 00:16:05,951
You know what? A-At least
you guys did something.

383
00:16:05,953 —> 00:16:08,020
You know, you-you had a theory,

384

00:16:08,022 —> 00:16:09,388
you wrote a paper,

385
00:16:09,390 —> 00:16:11,290
you made
an actual contribution.

386
00:16:11,292 —> 00:16:15,027
All guys like this do is just
stand on other people's work.

387
00:16:15,862 —> 00:16:18,397
He's right.

388
00:16:18,399 —> 00:16:21,667
I say we call this person back.

389
00:16:21,669 —> 00:16:24,203
We've got no reason to hide.

390
00:16:25,605 —> 00:16:27,840
All right, do it.
Call him.

391

00:16:27,842 —> 00:16:30,576

Let's find out what this loser's

ever accomplished.

392

00:16:34,114 —> 00:16:36,315

Click it with me.

393

00:16:37,384 —> 00:16:38,884

One, two, three...

394

00:16:38,886 —> 00:16:40,352

Click.

click.

395

00:16:40,354 —> 00:16:43,022

(line ringing)

396

00:16:43,024 —> 00:16:44,923

(mechanized voice):

Well, hello there.

397

00:16:44,925 —> 00:16:47,493
Professor Hawking?

398
00:16:47,495 —> 00:16:51,363
Oh, brother, you should see
the look on your faces.

399
00:16:53,199 —> 00:16:55,601
You really
didn't like our paper?

400
00:16:55,603 —> 00:16:58,303
I like your paper very much.

401
00:16:58,305 —> 00:17:00,539
The premise is intriguing.

402
00:17:00,541 —> 00:17:03,976
Then why are you
attacking us?

403
00:17:03,978 —> 00:17:06,745
If you were sitting in a chair

for 40 years,

404
00:17:06,747 —> 00:17:08,781
you'd get bored, too.

405
00:17:10,350 —> 00:17:11,917
Anyway,

406
00:17:11,919 —> 00:17:13,285
got to go.

407
00:17:13,287 —> 00:17:17,289
I promised to help the neighbor
kid with his math homework.

408
00:17:18,491 —> 00:17:20,092
Ciao.

409
00:17:22,962 —> 00:17:25,764
Stephen Hawking
liked our paper.

410

00:17:25,766 —> 00:17:26,865
(chuckles softly)

411
00:17:26,867 —> 00:17:29,902
Said the premise
is intriguing.

412
00:17:29,904 —> 00:17:31,804
Good to see you again,

413
00:17:31,806 —> 00:17:34,973
Mr. Stephen-Hawking-
Liked-Our-Paper.

414
00:17:36,443 —> 00:17:40,379
And you as well,
Mr. Our-Premise-Is-Intriguing.

415
00:17:40,381 —> 00:17:44,316
How do you do, Mr. I'll-
Admit-That's-Pretty-Cool?

416
00:17:45,151 —> 00:17:48,754

Yeah, you keep
setting me up for failure.

417
00:17:51,324 —> 00:17:52,558
"With a heavy heart,

418
00:17:52,560 —> 00:17:54,827
"Amelia stood before
the newly repaired time machine.

419
00:17:54,829 —> 00:17:57,362
She regretted giving Cooper
the part he needed."

420
00:17:57,364 —> 00:18:01,133
Because she wanted him
to give her the part she needed.

421
00:18:02,869 —> 00:18:04,303
Okay, that's enough.
What?

422
00:18:04,305 —> 00:18:07,005

No! I really want to know

what happens— and Bernadette

423

00:18:07,007 —> 00:18:10,008

really, really, really wants

to know what happens.

424

00:18:11,311 —> 00:18:13,278

You're just making fun of me.

425

00:18:13,280 —> 00:18:15,013

I was just kidding.

I'm sorry.

426

00:18:15,015 —> 00:18:16,682

And the story's

really good!

427

00:18:16,684 —> 00:18:18,450

No, it is!

Does he stay?

428

00:18:18,452 —> 00:18:22,454

Do they kiss?

Does she find out about Montana?

429

00:18:23,389 —> 00:18:24,389

Please?

430

00:18:24,391 —> 00:18:25,991

Fine.

431

00:18:28,294 —> 00:18:30,429

"As Cooper prepared to depart,

432

00:18:30,431 —> 00:18:33,031

"tears filled Amelia's eyes.

433

00:18:33,033 —> 00:18:36,735

"He took her hand in his

and said, 'I can't stay,

434

00:18:36,737 —> 00:18:38,771

"but I will never forget you.'

435

00:18:38,773 —> 00:18:41,774
"He brushed his fingers
against her cheek,

436
00:18:41,776 —> 00:18:44,409
"then quickly stepped
into the machine.

437
00:18:44,411 —> 00:18:46,678
"'Please don't go,'

looks great.

128

00:05:15,578 —> 00:05:18,045

Yeah, you should have

burned it down years ago.

129

00:05:18,047 —> 00:05:21,415

I keep telling you

I didn't burn it down.

130

00:05:21,417 —> 00:05:23,083

We know, we know—

because burning something down

131

00:05:23,085 —> 00:05:25,920

for the insurance money

is a "crime."

132

00:05:27,088 —> 00:05:30,157

Stuart, this place

looks amazing.

133

00:05:30,159 —> 00:05:31,125

(chuckles)

Thanks.

134

00:05:31,127 —> 00:05:33,394

You really did
a nice job.

135
00:05:33,396 —> 00:05:35,729
And thank you
for putting up with me

136
00:05:35,731 —> 00:05:37,398
staying at your mom's
through all this.

137
00:05:37,400 —> 00:05:39,400
I-I couldn't have done it
otherwise.

138
00:05:39,402 —> 00:05:42,403
I appreciate that,
and I'm glad you were able to...

139
00:05:44,272 —> 00:05:45,606
Is that my mother's furniture?

140
00:05:48,944 —> 00:05:50,244

Yeah, she said
I could use it.

141
00:05:50,246 —> 00:05:51,612
Doesn't it look
great?

142
00:05:51,614 —> 00:05:54,748
Not as great as it looks in
the den where it belongs.

143
00:05:54,750 —> 00:05:56,450
Howie.

144
00:05:56,452 —> 00:05:59,553
Why don't you just clean out
the whole room?

145
00:05:59,555 —> 00:06:01,889
Take the string art clown
I made her in third grade

146
00:06:01,891 —> 00:06:03,490

and the ribbon I got
in swim class

147
00:06:03,492 —> 00:06:04,925
for putting my face
in the water.

148
00:06:04,927 —> 00:06:06,260
What is your problem?

149
00:06:06,262 —> 00:06:07,595
She said it was okay.

150
00:06:07,597 —> 00:06:10,197
Well, I'm her son,
and I say it's not okay.

151
00:06:10,199 —> 00:06:13,567
Some son— looks like you spent
ten minutes on that clown art.

152
00:06:15,503 —> 00:06:17,972
Well, maybe I should've gone

to a fancy art school like you.

153
00:06:17,974 —> 00:06:19,607
Then I could run
a failed comic shop

154
00:06:19,609 —> 00:06:20,908
and mooch off
some guy's mother.

155
00:06:22,277 —> 00:06:23,844
Why don't we leave
so you can cool off?

156
00:06:23,846 —> 00:06:25,846
I think that's
a good idea.

157
00:06:25,848 —> 00:06:27,114
Take him out
of my store.

158
00:06:27,116 —> 00:06:28,215

Your store?!

159

00:06:28,217 —> 00:06:30,217

My mother gave you

the money to reopen.

160

00:06:30,219 —> 00:06:31,819

I'm not going anywhere.

161

00:06:31,821 —> 00:06:33,520

Why don't we go get

the food for the party.

162

00:06:33,522 —> 00:06:34,622

Thank you.

163

00:06:34,624 —> 00:06:36,624

Smart— looks like

we're being helpful.

164

00:06:36,626 —> 00:06:38,292

Mmm, when really

we're just exiting

165

00:06:38,294 —> 00:06:39,960

an uncomfortable

situation.

166

00:06:43,064 —> 00:06:45,866

Kripke, you know, of all

the people— Barry Kripke.

167

00:06:45,868 —> 00:06:48,035

I'm so... Are you folding

it like a crazy person

168

00:06:48,037 —> 00:06:49,703

to get me to

do it for you?!

169

00:06:50,839 —> 00:06:52,006

No.

170

00:06:54,542 —> 00:06:55,876

Oh, give me that.

171

00:07:01,483 —> 00:07:03,817

Just out of curiosity,

172

00:07:03,819 —> 00:07:06,487

if I were to let something go,

173

00:07:06,489 —> 00:07:07,888

how would I do that?

174

00:07:07,890 —> 00:07:10,858

I don't know— just think

about something else.

175

00:07:12,327 —> 00:07:14,328

Can I think

about the spiny anteater?

176

00:07:14,330 —> 00:07:15,496

Sure.

177

00:07:15,498 —> 00:07:18,165

The spiny anteater...

178

00:07:18,167 —> 00:07:21,168

never went behind my back

and worked with Barry Kripke.

179

00:07:22,871 —> 00:07:25,539

That didn't help at all.

180

00:07:25,541 —> 00:07:28,509

You know, some people

try visualization.

181

00:07:28,511 —> 00:07:30,010

How does that work?

182

00:07:32,047 —> 00:07:33,847

Okay,

183

00:07:33,849 —> 00:07:36,884

imagine your problems

are a pen.

184

00:07:38,219 —> 00:07:39,753
Okay.

185
00:07:39,755 —> 00:07:42,323
Now imagine
you're holding that pen.

186
00:07:46,962 —> 00:07:48,963
Okay.

187
00:07:48,965 —> 00:07:52,199
Now open your hand
and let it go.

188
00:07:52,201 —> 00:07:54,268
But I just got this pen.

189
00:07:55,637 —> 00:07:58,238
It's got my initials on it
and everything.

190
00:07:58,240 —> 00:07:59,907
Look.

191

00:08:01,710 —> 00:08:04,445

Sheldon, this isn't

that hard.

192

00:08:06,815 —> 00:08:09,283

I may have a better way

that you can teach me.

193

00:08:09,285 —> 00:08:10,718

How?

194

00:08:10,720 —> 00:08:14,388

What if I told you

that over the past few months

195

00:08:14,390 —> 00:08:17,391

Amy has secretly been giving you

little puzzles

196

00:08:17,393 —> 00:08:20,394

to test your intelligence

against chimpanzees in her lab?

197

00:08:22,597 —> 00:08:24,098

What? She didn't

give me any puzzles.

198

00:08:24,100 —> 00:08:26,233

Are you sure?

199

00:08:29,137 —> 00:08:32,573

Boy, I just can't seem to get

these scissors back together.

200

00:08:32,575 —> 00:08:34,375

Can you do it?

201

00:08:35,844 —> 00:08:37,177

Darn it.

202

00:08:37,179 —> 00:08:38,579

There's something

in my eye,

203

00:08:38,581 —> 00:08:42,249
and I need to sort
these coins by size.

204
00:08:42,251 —> 00:08:43,584
Can you help?

205
00:08:48,757 —> 00:08:51,025
Penny?

206
00:08:51,027 —> 00:08:53,027
I really want to
eat this banana,

207
00:08:53,029 —> 00:08:56,030
but it's stuck inside
this bamboo puzzle box.

208
00:08:59,100 —> 00:09:02,169
Son of a bitch!

209
00:09:02,171 —> 00:09:03,570
Okay, that's great.

210

00:09:03,572 —> 00:09:05,406

Now, let it go.

211

00:09:14,649 —> 00:09:17,718

I can't believe you were

testing me against a chimp!

212

00:09:17,720 —> 00:09:20,387

Well, excuse me,

Amy was testing you.

213

00:09:20,389 —> 00:09:22,656

I was rooting for you.

214

00:09:23,992 —> 00:09:27,227

Good job on that banana box,

by the way.

215

00:09:27,229 —> 00:09:29,997

Why would she

even do this?

216

00:09:29,999 —> 00:09:31,999

She's been conducting

an experiment on apes

217

00:09:32,001 —> 00:09:33,901

where they're given

various puzzles to solve.

218

00:09:33,903 —> 00:09:36,570

I was surprised

at the complexity of the puzzles

219

00:09:36,572 —> 00:09:38,906

and thought some humans wouldn't

be able to solve them.

220

00:09:38,908 —> 00:09:42,276

That's when Amy said,

"Want to make this interesting?"

221

00:09:43,311 —> 00:09:44,812

"Make this interesting"?

222

00:09:44,814 —> 00:09:46,413

You bet money on me?

223

00:09:46,415 —> 00:09:47,748

No, no.

224

00:09:47,750 —> 00:09:50,417

We designed an experiment

involving you.

225

00:09:50,419 —> 00:09:52,853

See? Now, isn't that

interesting?

226

00:09:52,855 —> 00:09:55,189

It's not interesting.

227

00:09:55,191 —> 00:09:57,057

It's incredibly insulting.

228

00:09:57,059 —> 00:09:59,393

Okay, (stammers)

maybe this will help—

229
00:09:59,395 —> 00:10:01,795
imagine you're holding a pen.

230
00:10:03,832 —> 00:10:06,333
Before you go too far,
not a special pen

231
00:10:06,335 —> 00:10:07,835
with your initials
engraved on it—

232
00:10:07,837 —> 00:10:09,403
that'll make the next part
really hard.

233
00:10:09,405 —> 00:10:10,405
Oh...

234
00:10:10,406 —> 00:10:11,406
That's it.

235

00:10:11,407 —> 00:10:12,407

Get out!

236

00:10:12,408 —> 00:10:14,408

I don't understand

why you're mad at me.

237

00:10:14,410 —> 00:10:16,076

You should be mad

at Amy.

238

00:10:16,078 —> 00:10:18,045

Like I was

this afternoon.

239

00:10:18,047 —> 00:10:19,713

Hey, look at that—

I let it go.

240

00:10:19,715 —> 00:10:21,148

Get out!

241

00:10:23,852 —> 00:10:25,219
SHELDON: Penny?
What?

242
00:10:25,221 —> 00:10:28,188
I think I left
my pen in there.

243
00:10:31,459 —> 00:10:33,460
I understand
why you're upset,

244
00:10:33,462 —> 00:10:35,929
but he worked really hard
to get the store ready.

245
00:10:35,931 —> 00:10:38,399
And it's just furniture.

246
00:10:38,401 —> 00:10:40,234
It's my mom's furniture.

247
00:10:40,236 —> 00:10:42,236

It belongs in the house

I grew up in—

248

00:10:42,238 —> 00:10:43,737

next to that pile of TV Guides

249

00:10:43,739 —> 00:10:46,740

and in plain view of what,

for a ten-year-old, was

250

00:10:46,742 —> 00:10:48,409

a quality piece

of string art!

251

00:10:51,780 —> 00:10:54,314

Howie, if the store succeeds,

Stuart has a source of income,

252

00:10:54,316 —> 00:10:56,650

and he can move out

of your mother's house.

253

00:10:56,652 —> 00:10:58,585

Seems like some old furniture

is a reasonable price

254

00:10:58,587 —> 00:10:59,653

to pay for that.

255

00:11:01,022 —> 00:11:02,423

That is a good point.

256

00:11:02,425 —> 00:11:04,058

But I didn't marry you

for good points.

257

00:11:04,060 —> 00:11:05,492

I married you

to blindly support me

258

00:11:05,494 —> 00:11:07,461

no matter how ridiculous

I'm being!

259

00:11:09,497 —> 00:11:11,632

This is why I had

to rewrite our wedding vows.

260
00:11:16,104 —> 00:11:19,339
Hi, we're here to pick up
an order for Comic Center.

261
00:11:19,341 —> 00:11:20,808
Sure, let me go check on that.

262
00:11:22,510 —> 00:11:25,779
Dude, I-I think
that's Nathan Fillion.

263
00:11:26,915 —> 00:11:28,916
Oh yeah,
look at that.

264
00:11:28,918 —> 00:11:31,351
(gasps) And he's picking
the tomatoes out of his salad

265
00:11:31,353 —> 00:11:33,353
just like I do.

266

00:11:33,355 —> 00:11:35,389

I always did feel

a connection with him.

267

00:11:37,358 —> 00:11:39,159

Oh, I have got

an idea.

268

00:11:39,161 —> 00:11:42,096

We're not selling

his tomatoes on eBay.

269

00:11:42,098 —> 00:11:46,100

No, if we got Captain Reynolds

from Firefly

270

00:11:46,102 —> 00:11:48,435

to do a signing

at Stuart's store,

271

00:11:48,437 —> 00:11:49,870

that would be

amazing.

272

00:11:49,872 —> 00:11:51,205

That would be great.

273

00:11:51,207 —> 00:11:52,973

So should we go

talk to him?

274

00:11:52,975 —> 00:11:54,374

I don't know.

275

00:11:54,376 —> 00:11:57,044

I mean, if he's not nice,

it's gonna make it hard for me

276

00:11:57,046 —> 00:11:59,213

to watch him in anything again.

What?!

277

00:11:59,215 —> 00:12:02,216

The-the guy who plays

Jon Snow was a jerk.

278

00:12:02,218 —> 00:12:03,684

We still watch

Game of Thrones.

279

00:12:03,686 —> 00:12:06,286

He was a jerk because

you rear-ended him.

280

00:12:07,322 —> 00:12:08,989

I was distracted.

281

00:12:08,991 —> 00:12:10,991

It's weird seeing a member

of the Night's Watch

282

00:12:10,993 —> 00:12:12,526

with a kayak strapped

to his car.

283

00:12:14,229 —> 00:12:15,229

Come on.

284

00:12:15,231 —> 00:12:16,231

(groans)

285

00:12:20,335 —> 00:12:22,136

KOOTHRAPPALI: Hi,

excuse me, s-s...

286

00:12:22,138 —> 00:12:23,470

I-I don't mean

to bother you,

287

00:12:23,472 —> 00:12:25,806

but we're just really

big fans of Firefly.

288

00:12:25,808 —> 00:12:27,374

A-And Dr. Horrible.

289

00:12:27,376 —> 00:12:29,309

Oh, uh, I think

you made a mistake.

290

00:12:29,311 —> 00:12:30,644
I'm not an actor.

291
00:12:30,646 —> 00:12:32,980
Don't say that.

292
00:12:32,982 —> 00:12:34,481
I mean, you're not
Dame Judi Dench,

293
00:12:34,483 —> 00:12:36,150
but you're
pretty great.

294
00:12:39,387 —> 00:12:41,555
Oh, yeah, I get it—
you think I'm Nathan Fillion,

295
00:12:41,557 —> 00:12:43,056
but I'm not.

296
00:12:43,058 —> 00:12:45,492
So if you don't mind, I would

just love to eat my lunch.

297

00:12:46,861 —> 00:12:47,861

Come on.

298

00:12:47,863 —> 00:12:49,696

Sorry to bother you.

299

00:12:49,698 —> 00:12:51,698

Don't know why

he's so grumpy.

300

00:12:51,700 —> 00:12:54,034

I got mistaken for that guy

in Life of Pi once,

301

00:12:54,036 —> 00:12:56,403

and I'm still

floating.

302

00:12:59,107 —> 00:13:01,909

Sheldon, it's me.

303

00:13:01,911 —> 00:13:02,911

Oh, hey.

304

00:13:02,912 —> 00:13:04,745

D-Did you see that?

305

00:13:04,747 —> 00:13:08,315

I-I figured out how to open

the door all by myself.

306

00:13:09,951 —> 00:13:13,787

Maybe I'll fling some feces

around my cage to celebrate.

307

00:13:15,123 —> 00:13:17,291

What are you talking about?

308

00:13:17,293 —> 00:13:19,560

I know you've been giving me

secret puzzle tests.

309

00:13:22,564 —> 00:13:24,231

Sheldon, open

the door.

310

00:13:24,233 —> 00:13:25,899

SHELDON:

I can't.

311

00:13:25,901 —> 00:13:28,902

I'm naked.

312

00:13:28,904 —> 00:13:30,904

I just saw you.

313

00:13:30,906 —> 00:13:33,207

Hang on.

314

00:13:33,209 —> 00:13:35,776

Open the door now.

(door opens)

315

00:13:35,778 —> 00:13:37,444

- Oh, hey.

- Pull up your pants!

316

00:13:37,446 —> 00:13:39,580

(door closes)

317

00:13:40,615 —> 00:13:41,949

It's not a big deal.

318

00:13:41,951 —> 00:13:45,152

I run tests like this on

undergrads all the time.

319

00:13:45,154 —> 00:13:46,820

If you fill out some

paperwork at the university,

320

00:13:46,822 —> 00:13:49,122

I can get you $5.

321

00:13:49,124 —> 00:13:50,791

I don't want $5.

322

00:13:50,793 —> 00:13:52,359

I want my dignity.

323

00:13:53,728 —> 00:13:55,395

So what are we talking,

like, ten bucks?

324

00:13:57,865 —> 00:13:59,433

Thank you.

Thanks.

325

00:14:01,603 —> 00:14:03,503

Sorry again.

No problem.

326

00:14:03,505 —> 00:14:06,673

A-Are you sure

you're not him?

327

00:14:06,675 —> 00:14:07,841

Uh, you can tell us.

328

00:14:07,843 —> 00:14:10,444

We're scientists,

not crazy fanboys.

329
00:14:12,480 —> 00:14:13,981
All right, fine.

330
00:14:13,983 —> 00:14:15,449
I'm him.

331
00:14:15,451 —> 00:14:18,785
And you're eating
alone at a deli.

332
00:14:18,787 —> 00:14:20,988
I don't buy it—
you're not him.

333
00:14:20,990 —> 00:14:22,322
(chuckles)

334
00:14:22,324 —> 00:14:24,157
I just wanted
to eat my lunch in peace.

335

00:14:24,159 —> 00:14:25,325

But I really am him.

336

00:14:25,327 —> 00:14:27,427

And thank you very much

for being a fan.

337

00:14:27,429 —> 00:14:28,962

If you want, uh,

let's take a picture.

338

00:14:28,964 —> 00:14:30,297

That would be great.

339

00:14:30,299 —> 00:14:31,431

Great.

Yeah, thank you.

340

00:14:31,433 —> 00:14:32,766

You bet.

341

00:14:36,504 —> 00:14:38,839

Wait, hang on.

342

00:14:38,841 —> 00:14:41,208

If you're really

Nathan Fillion,

343

00:14:41,210 —> 00:14:44,244

what's the line from Firefly

about your bonnet?

344

00:14:45,647 —> 00:14:47,981

"I swear by my pretty floral

bonnet, I will end you."

345

00:14:50,285 —> 00:14:51,785

That's it,

that's the line.

346

00:14:51,787 —> 00:14:53,787

Although...

347

00:14:53,789 —> 00:14:56,490

I knew the line—

doesn't make me Nathan Fillion.

348
00:14:57,625 —> 00:14:59,893
Do you want the picture or not?

349
00:14:59,895 —> 00:15:02,729
I want a picture
with Nathan Fillion.

350
00:15:02,731 —> 00:15:06,066
How about a picture with a guy
who looks like Nathan Fillion

351
00:15:06,068 —> 00:15:09,303
but a little more annoyed
than Nathan Fillion usually is?

352
00:15:11,906 —> 00:15:12,939
What do you think?

353
00:15:14,309 —> 00:15:15,642
Eh, it's good enough
for Facebook.

354

00:15:23,651 —> 00:15:25,218

I can't believe

they did that.

355

00:15:25,220 —> 00:15:27,220

I know— it's so insulting.

356

00:15:27,222 —> 00:15:28,889

At one point,

they had me figure out

357

00:15:28,891 —> 00:15:31,858

how to get a banana

out of a puzzle box.

358

00:15:31,860 —> 00:15:34,861

Wait, Sheldon gave me

a banana in a box.

359

00:15:34,863 —> 00:15:37,064

He was testing me, too.

360

00:15:37,066 —> 00:15:39,066

Unbelievable.

361

00:15:39,068 —> 00:15:40,901

And how could a chimp

even solve that?

362

00:15:40,903 —> 00:15:42,402

That was impossible.

363

00:15:42,404 —> 00:15:44,771

Really? You couldn't get it out?

364

00:15:48,376 —> 00:15:49,710

Thank you.

365

00:15:49,712 —> 00:15:51,712

AMY: Wow, the

store looks great.

366

00:15:51,714 —> 00:15:53,714

So you guys were

testing us both?

367
00:15:53,716 —> 00:15:54,748
What is the
matter with you?

368
00:15:54,750 —> 00:15:56,249
PENNY: Eh, what's
the matter with them is

369
00:15:56,251 —> 00:15:57,851
they think they're so smart
they don't care

370
00:15:57,853 —> 00:15:59,519
if they hurt
other people's feelings.

371
00:15:59,521 —> 00:16:01,188
Sounds like us.
That's not true.

372
00:16:03,858 —> 00:16:06,526

I still don't understand
why you're upset.

373
00:16:06,528 —> 00:16:09,529
You solved every puzzle faster
than all of the chimps.

374
00:16:09,531 —> 00:16:12,199
Well, except Barnabas,
but he was on Adderall.

375
00:16:13,701 —> 00:16:16,203
I'm sorry, but it's
making me crazy.

376
00:16:16,205 —> 00:16:18,538
Can you please
just let it go?

377
00:16:18,540 —> 00:16:20,507
Oh, I can help
you with that.

378

00:16:21,876 —> 00:16:24,311
Imagine you're holding
an ordinary pen.

379
00:16:26,381 —> 00:16:29,383
While your favorite pen is
safe and secure in your pocket.

380
00:16:30,685 —> 00:16:32,018
(cell phone rings)

381
00:16:32,020 —> 00:16:33,787
Hold that thought.

382
00:16:33,789 —> 00:16:34,789
Hello?

383
00:16:34,790 —> 00:16:37,057
How can I make this up
to you?

384
00:16:37,059 —> 00:16:39,726
The answer's

in this puzzle box.

385
00:16:39,728 —> 00:16:41,895
Let's see
if you can open it.

386
00:16:45,199 —> 00:16:47,734
You could have at least warned
him about the furniture.

387
00:16:47,736 —> 00:16:49,803
That's what I said
when we moved it.

388
00:16:49,805 —> 00:16:51,304
You helped him?!

389
00:16:51,306 —> 00:16:54,307
No, Stuart picked out those
throw pillows all on his own.

390
00:16:58,513 —> 00:17:00,514
Hey, you okay?

391

00:17:00,516 —> 00:17:01,948

Uh, no.

392

00:17:01,950 —> 00:17:03,116

What's wrong?

393

00:17:03,118 —> 00:17:05,118

Um...

394

00:17:05,120 —> 00:17:07,621

my mom died.

395

00:17:07,623 —> 00:17:09,723

What?

396

00:17:09,725 —> 00:17:12,058

Uh...

(clears throat)

397

00:17:12,060 —> 00:17:15,061

that was my aunt.

398

00:17:15,063 —> 00:17:18,064

Ma took a nap.

399

00:17:18,066 —> 00:17:19,399

She never woke up.

400

00:17:20,435 —> 00:17:22,436

Oh, my God, Howie.

401

00:17:24,939 —> 00:17:26,807

I'm so sorry.

402

00:17:28,075 —> 00:17:29,409

What can we do?

403

00:17:32,113 —> 00:17:34,114

I don't know.

404

00:17:38,519 —> 00:17:40,320

May I say something?

405

00:17:40,322 —> 00:17:41,655

Not right

now, Sheldon.

406

00:17:41,657 —> 00:17:42,989

But I think it would

be comforting.

407

00:17:42,991 —> 00:17:44,925

Buddy...

No, it's okay.

408

00:17:44,927 —> 00:17:46,827

What?

409

00:17:47,862 —> 00:17:50,530

When I lost my own father,

410

00:17:50,532 —> 00:17:52,732

I didn't have any friends

to help me through it.

411

00:17:54,001 —> 00:17:55,635
You do.

412
00:18:01,142 —> 00:18:04,211
(choked up): I really thought
he was gonna say, "Let it go."

413
00:18:16,095 —> 00:18:17,694
Okay, thanks, Bernadette.

414
00:18:17,696 —> 00:18:19,362
Travel safe.

415
00:18:19,364 —> 00:18:22,032
Okay, bye.

416
00:18:22,034 —> 00:18:23,366
(sighs)

417
00:18:23,368 —> 00:18:24,534
They booked a flight.

418

00:18:24,536 —> 00:18:25,769
They're heading
to the airport now.

419
00:18:25,771 —> 00:18:27,571
How's Howard holding up?

420
00:18:27,573 —> 00:18:28,905
He's hanging in there.

421
00:18:28,907 —> 00:18:30,540
How are you doing, Stuart?

422
00:18:32,577 —> 00:18:33,910
Still can't believe she's gone.

423
00:18:33,912 —> 00:18:36,880
I mean, that woman took me in.

424
00:18:36,882 —> 00:18:39,616
If it wasn't for her,
I-I would have been homeless.

425

00:18:39,618 —> 00:18:41,618

One of us would

have taken you in.

426

00:18:41,620 —> 00:18:43,920

Yeah, I don't recall any offers.

427

00:18:45,723 —> 00:18:48,391

But, you know, uh, I-I'm glad

it worked out the way it did

428

00:18:48,393 —> 00:18:52,462

because I got to know

this wonderful person.

429

00:18:52,464 —> 00:18:54,131

Yeah.

430

00:18:54,133 —> 00:18:56,032

Mrs. Wolowitz was

pretty special.

431

00:18:56,034 —> 00:18:58,301
When I first moved to America,

432
00:18:58,303 —> 00:19:00,837
Howard was my only friend.

433
00:19:00,839 —> 00:19:04,074
She made me feel
so welcome in her home.

434
00:19:04,076 —> 00:19:07,077
Which says a lot,
because, those first few years,

435
00:19:07,079 —> 00:19:09,746
she thought I was the gardener.

436
00:19:10,882 —> 00:19:12,549
Whenever I saw her,

437
00:19:12,551 —> 00:19:15,552
she'd say I was too skinny
and try and feed me.

438

00:19:15,554 —> 00:19:17,154

(chuckles)

439

00:19:17,156 —> 00:19:19,089

She did that to me, too.

440

00:19:19,091 —> 00:19:21,458

Don't take this away from me.

441

00:19:22,593 —> 00:19:25,095

I didn't care

for her yelling.

442

00:19:25,097 —> 00:19:28,098

But now that I'm not going

to hear it again,

443

00:19:28,100 —> 00:19:29,666

I'm sad.

444

00:19:29,668 —> 00:19:31,668

If you want,

I can yell at you later.

445

00:19:34,505 —> 00:19:35,805

It won't be as good.

446

00:19:38,843 —> 00:19:40,243

Let's have a toast.

447

00:19:42,346 —> 00:19:44,014

To Mrs. Wolowitz.

448

00:19:44,893 —> 00:19:46,859

A loving mother...

449

00:19:49,863 —> 00:19:51,864

...to all of us.

450

00:19:51,866 —> 00:19:53,733

We'll miss you.

S08EP16: The Intimacy Acceleration

1
00:00:02,574 —> 00:00:04,875
I just read about
an experiment designed

2
00:00:04,877 —> 00:00:06,209
to see if you could
make two people fall

3
00:00:06,211 —> 00:00:08,145
in love in a matter of hours.

4
00:00:08,147 —> 00:00:09,713
That doesn't sound right.

5
00:00:09,715 —> 00:00:11,982
My research has shown that
it takes three to five years

6
00:00:11,984 —> 00:00:14,584
of shameless begging.

7

00:00:14,586 —> 00:00:17,621

Honey, neither of us comes off

good in that story.

8

00:00:17,623 —> 00:00:18,956

KOOTHRAPPALI:

Yeah, I-I...

9

00:00:18,958 —> 00:00:21,158

I saw that article

you're talking about.

10

00:00:21,160 —> 00:00:23,193

Uh, the participants

ask each other a series

11

00:00:23,195 —> 00:00:25,829

of questions designed

to promote intimacy.

12

00:00:25,831 —> 00:00:27,197

And then they finish it off

by staring

13

00:00:27,199 —> 00:00:28,999

into each other's eyes

for four minutes.

14

00:00:29,001 —> 00:00:30,434

Oh, that's nonsense.

15

00:00:30,436 —> 00:00:32,569

I proclaimed my

love for you.

16

00:00:32,571 —> 00:00:34,171

And the last time I

looked into your eyes

17

00:00:34,173 —> 00:00:37,174

was when you thought

you had conjunctivitis.

18

00:00:37,176 —> 00:00:39,443

Other than the fact

that I had it,

19
00:00:39,445 —> 00:00:41,244
that was a magical night.

20
00:00:42,414 —> 00:00:45,148
Raj, would you ever try an
experiment like that with Emily?

21
00:00:45,150 —> 00:00:47,484
What? I don't need
science to win her heart.

22
00:00:47,486 —> 00:00:50,387

You didn't mention Leonard.

196

00:07:12,470 —> 00:07:14,904

He's there.

197

00:07:14,906 —> 00:07:17,339
I don't think so.

198
00:07:17,341 —> 00:07:18,607
(stammers)
Leonard can't stand

199
00:07:18,609 —> 00:07:22,111
yoga, the beach,
massages or dancing.

200
00:07:22,113 —> 00:07:23,179
Yeah, well,
he brought a book, okay?

201
00:07:23,181 —> 00:07:25,414
What's yours?
Yeah...

202
00:07:25,416 —> 00:07:28,417
Uh, I wake up.

203
00:07:28,419 —> 00:07:31,587

Uh, I enjoy some French
toast with butter and syrup.

204
00:07:31,589 —> 00:07:34,657
Uh, then a wormhole opens,

205
00:07:34,659 —> 00:07:38,160
and whisks me millions of years

206
00:07:38,162 —> 00:07:40,796
into the future where
my towering intellect

207
00:07:40,798 —> 00:07:44,300
is used to save the last
remnants of mankind

208
00:07:44,302 —> 00:07:46,802
from a predatory alien race.

209
00:07:48,606 —> 00:07:51,240
Interesting,
you didn't mention Amy.

210

00:07:52,443 —> 00:07:55,911

Who do you think made the French

toast with butter and syrup?

211

00:07:57,148 —> 00:07:58,547

You're about to enter the lab

212

00:07:58,549 —> 00:08:00,916

of the late Dr. David Saltzberg.

213

00:08:00,918 —> 00:08:02,751

While conducting studies

on slowing

214

00:08:02,753 —> 00:08:05,621

the aging process, there was

a catastrophic accident

215

00:08:05,623 —> 00:08:07,456

and he died.

216

00:08:08,526 —> 00:08:10,860
Or did he?

217
00:08:10,862 —> 00:08:13,229
Ladies?

218
00:08:13,231 —> 00:08:14,930
Are you being polite or scared?

219
00:08:16,000 —> 00:08:18,100
Yup.

220
00:08:20,304 —> 00:08:22,605
Ah, what a room!

221
00:08:22,607 —> 00:08:24,874
Oh-oh!
Oh!

222
00:08:26,911 —> 00:08:28,444
This is cool.

223

00:08:28,446 —> 00:08:29,845
So, how do we start?

224
00:08:29,847 —> 00:08:32,248
We have to look for the clues
hidden around the room.

225
00:08:32,250 —> 00:08:33,716
Uh, wasn't there
supposed to be a zombie?

226
00:08:33,718 —> 00:08:35,851
(growling)
(yelling)

227
00:08:35,853 —> 00:08:37,219
Ooh!

228
00:08:38,389 —> 00:08:40,222
Okay, let's hope
one of the clues

229
00:08:40,224 —> 00:08:42,558

is written on a pair
of clean underwear.

230
00:08:44,896 —> 00:08:46,328
Mr. and Mrs. Wolowitz?

231
00:08:46,330 —> 00:08:49,565
As far as I can tell,
your bag arrived in Los Angeles.

232
00:08:49,567 —> 00:08:51,166
So, where is it?

233
00:08:51,168 —> 00:08:52,868
I don't know, perhaps somebody

234
00:08:52,870 —> 00:08:54,803
took it off the carousel
by mistake?

235
00:08:54,805 —> 00:08:58,040
So, some stranger has my mom?

236

00:08:58,042 —> 00:08:59,842

Is that what you're telling me?

237

00:08:59,844 —> 00:09:03,612

My poor mother can be anywhere

in Los Angeles right now?

238

00:09:03,614 —> 00:09:06,215

I-I wish I was telling you that.

239

00:09:06,217 —> 00:09:07,650

Um...

240

00:09:07,652 —> 00:09:08,817

but the passenger

could've gotten

241

00:09:08,819 —> 00:09:10,719

on an international flight.

242

00:09:10,721 —> 00:09:12,788

Oh, okay, great!

243

00:09:12,790 —> 00:09:15,357

So, your entire job is

to find lost luggage,

244

00:09:15,359 —> 00:09:16,892

and you've narrowed

down the location

245

00:09:16,894 —> 00:09:20,162

of my mother to

the planet Earth!

246

00:09:20,164 —> 00:09:21,497

I'm sorry!

247

00:09:21,499 —> 00:09:23,933

W-Would 500

frequent-flyer miles help?

248

00:09:23,935 —> 00:09:26,335

That could get you

to Sacramento.

249

00:09:29,140 —> 00:09:31,307

"If you could

wake up tomorrow

250

00:09:31,309 —> 00:09:34,643

"having gained any

one quality or ability,

251

00:09:34,645 —> 00:09:36,111

what would it be?"

252

00:09:36,113 —> 00:09:38,614

Well, not to steal

from the Bible,

253

00:09:38,616 —> 00:09:42,384

but turning water into wine

sounds pretty good.

254

00:09:45,156 —> 00:09:48,424

I don't think you're

taking this seriously.

255

00:09:48,426 —> 00:09:50,092

Come on, I'm just having

some fun with you.

256

00:09:50,094 —> 00:09:51,226

I believe

257

00:09:51,228 —> 00:09:53,329

what you're doing is using humor

258

00:09:53,331 —> 00:09:55,397

to avoid vulnerability.

259

00:09:55,399 —> 00:09:57,566

Fine.

260

00:09:59,103 —> 00:10:00,202

Honestly...

261

00:10:00,204 —> 00:10:03,038

if I could have one quality...

262

00:10:03,040 —> 00:10:06,809

I wish I could be

as smart as you guys.

263

00:10:06,811 —> 00:10:10,145

Ha! Keep dreaming.

264

00:10:10,147 —> 00:10:11,747

Sheldon!

265

00:10:11,749 —> 00:10:12,815

I'm sorry.

266

00:10:12,817 —> 00:10:14,617

That was me having

fun with you.

267

00:10:14,619 —> 00:10:16,185

Look.

268

00:10:16,187 —> 00:10:18,354

You may not be as...

269

00:10:18,356 —> 00:10:21,657

academically inclined as are we.

270

00:10:21,659 —> 00:10:23,826

Yes, that's how you say it.

271

00:10:23,828 —> 00:10:25,761

But...

272

00:10:25,763 —> 00:10:29,598

You possess an

intelligence I envy.

273

00:10:29,600 —> 00:10:32,034

Which leads me to my answer.

274

00:10:32,036 —> 00:10:33,769

I would choose the ability

275

00:10:33,771 —> 00:10:36,338

to read people's minds.

276
00:10:36,340 —> 00:10:39,575
Well, I can't read
people's minds.

277
00:10:39,577 —> 00:10:41,043
Actually, that's not true.

278
00:10:41,045 —> 00:10:42,378
I can read men's minds.

279
00:10:42,380 —> 00:10:44,847
But only 'cause it's
usually the one thing.

280
00:10:45,683 —> 00:10:49,251
When are we going
to get robot eyes?

281
00:10:49,253 —> 00:10:52,955
You're all alike.

282

00:10:52,957 —> 00:10:55,324

Well, what I meant was...

283

00:10:55,326 —> 00:10:57,693

I often misinterpret

284

00:10:57,695 —> 00:10:59,395

how others are feeling.

285

00:10:59,397 —> 00:11:02,331

Like, I can't always tell

if someone is only joking

286

00:11:02,333 —> 00:11:04,333

or laughing at me.

287

00:11:04,335 —> 00:11:06,769

You know, like, uh, if they're

mad at something I've done

288

00:11:06,771 —> 00:11:08,737

or just in a bad mood.

289

00:11:08,739 —> 00:11:10,639

It-it's incredibly stressful.

290

00:11:10,641 —> 00:11:13,509

Really? You always

seem so confident.

291

00:11:13,511 —> 00:11:14,743

Well, I'm not.

292

00:11:14,745 —> 00:11:16,578

And if I could read

people's minds,

293

00:11:16,580 —> 00:11:19,815

life would be so much simpler.

294

00:11:19,817 —> 00:11:22,751

Well, now I wish I had

295

00:11:22,753 —> 00:11:25,554

the ability to make

that stuff easier for you.

296

00:11:27,692 —> 00:11:28,757

Thank you.

297

00:11:28,759 —> 00:11:31,427

(quiet laugh)

298

00:11:31,429 —> 00:11:34,396

Wow, I just felt this wave

299

00:11:34,398 —> 00:11:37,966

of affection for you.

300

00:11:37,968 —> 00:11:41,637

You sure it's not

too much Bible juice?

301

00:11:43,974 —> 00:11:46,308

And the wave is gone.

302

00:11:54,245 —> 00:11:55,445
Brains!

303
00:11:55,447 —> 00:11:59,015
Keep it down!
We're working here.

304
00:11:59,017 —> 00:12:00,450
Okay, we've got
the cipher decoded!

305
00:12:00,452 —> 00:12:01,651
How's it going
with the globe?

306
00:12:01,653 —> 00:12:03,619
We used the coordinates
to locate the cities.

307
00:12:03,621 —> 00:12:05,188
I'm putting the city names
in the grid now.

308

00:12:05,190 —> 00:12:06,956
I'm sure that'll give us
the code to the safe.

309
00:12:06,958 —> 00:12:08,624
Solve puzzle too fast!

310
00:12:08,626 —> 00:12:10,226
Slow down!

311
00:12:11,029 —> 00:12:11,828
Yup! Got the code.

312
00:12:11,830 —> 00:12:13,463
Just saying...

313
00:12:13,465 —> 00:12:16,632
no refund for finish early!

314
00:12:20,438 —> 00:12:22,572
Sure you don't want to go home?

315

00:12:22,574 —> 00:12:25,141
When the bag's returned,
they'll deliver it to us.

316
00:12:25,143 —> 00:12:28,111
No, I'm not leaving without her.

317
00:12:28,113 —> 00:12:30,279
All right, we'll wait.

318
00:12:33,885 —> 00:12:35,818
I could've driven her.

319
00:12:35,820 —> 00:12:37,487
What?

320
00:12:37,489 —> 00:12:40,757
The day she left for Florida.

321
00:12:40,759 —> 00:12:43,726
She asked me to drive her
to the airport.

322

00:12:45,897 —> 00:12:47,964

I-I was too busy.

323

00:12:47,966 —> 00:12:49,665

And...

324

00:12:49,667 —> 00:12:53,369

I made her take a cab.

325

00:12:55,006 —> 00:12:57,707

I was too busy.

326

00:12:57,709 —> 00:13:00,543

There's no way

you could've known.

327

00:13:02,714 —> 00:13:04,347

Be right back.

328

00:13:07,185 —> 00:13:09,118

Excuse me?

329

00:13:09,120 —> 00:13:10,520

Yes?

330

00:13:11,956 —> 00:13:13,856

You better find

my husband's mother

331

00:13:13,858 —> 00:13:15,224

'cause one way or another,

332

00:13:15,226 —> 00:13:18,694

we're walking out of this

airport with a dead woman!

333

00:13:22,200 —> 00:13:23,432

(moaning)

334

00:13:23,434 —> 00:13:25,368

Which book are we looking for?

Uh...

335

00:13:25,370 —> 00:13:27,136

Origin of Species.

336

00:13:27,138 —> 00:13:29,338

Here it is.

337

00:13:29,340 —> 00:13:30,373

There's a black light.

338

00:13:30,375 —> 00:13:32,675

Oh, hang on.

(zombie moaning)

339

00:13:33,812 —> 00:13:35,578

Oh, okay.

340

00:13:35,580 —> 00:13:37,113

Uh, "Brothers and sisters

341

00:13:37,115 —> 00:13:38,781

"I have none,

but this man's father

342

00:13:38,783 —> 00:13:42,151
is my father's son.
Who am I looking at?"

343
00:13:43,388 —> 00:13:44,654
(yells)

344
00:13:44,656 —> 00:13:47,023
Yeah, yeah, we get it—
you want brains. Calm down.

345
00:13:47,025 —> 00:13:48,991
Well, if I don't have a brother,

346
00:13:48,993 —> 00:13:51,561
my father's son is me.

347
00:13:51,563 —> 00:13:54,096
And if I'm this man's father,
then he's my son.

348
00:13:54,098 —> 00:13:55,398
The answer's "son."

349

00:13:55,400 —> 00:13:56,632

Ooh! There's a picture

of the sun over there.

350

00:13:56,634 —> 00:13:58,234

I bet the key's behind it.

351

00:13:58,236 —> 00:14:01,037

Could be somewhere else!

352

00:14:01,039 —> 00:14:02,405

Oh, got the key!

353

00:14:02,407 —> 00:14:04,140

So, that's the key to the door?

354

00:14:04,142 —> 00:14:05,274

That's it?

355

00:14:05,276 —> 00:14:08,411

We spent $200

on six minutes of fun?

356
00:14:08,413 —> 00:14:10,746
It's like when you bought that
remote-controlled helicopter,

357
00:14:10,748 —> 00:14:13,516
and it just... flew away.

358
00:14:15,119 —> 00:14:18,154
Sorry, guys. Really thought
the puzzles would be better.

359
00:14:18,156 —> 00:14:21,524
Well, to be fair, we do all
have advanced degrees.

360
00:14:21,526 —> 00:14:25,394
Remember that
before you post on Yelp!

361
00:14:27,599 —> 00:14:30,433
"If you were to die this evening

with no opportunity

362
00:14:30,435 —> 00:14:31,968
"to communicate with anyone,

363
00:14:31,970 —> 00:14:34,904
what would you most regret
not having told someone?"

364
00:14:34,906 —> 00:14:37,673
So, it would be today?

365
00:14:37,675 —> 00:14:39,675
Huh.

366
00:14:39,677 —> 00:14:41,677
Well, I suppose there's
something satisfying

367
00:14:41,679 —> 00:14:44,480
about dying on my birthday.

368

00:14:44,482 —> 00:14:46,816
Today's your birthday?

369
00:14:46,818 —> 00:14:47,950
Yes.

370
00:14:47,952 —> 00:14:49,986
Well, that's
always been a secret!

371
00:14:49,988 —> 00:14:51,954
Not even Amy knows!

372

while I'm here alone, right?

76

00:03:22,722 —> 00:03:24,488

'Cause that'll be awkward.

77

00:03:24,490 —> 00:03:26,088

Oh, don't worry.

She's in Palm Springs.

78

00:03:26,090 —> 00:03:27,056

Oh, good.

79

00:03:27,058 —> 00:03:29,560

Well, her torso is.

80

00:03:30,731 —> 00:03:32,329

Just kidding.

81

00:03:33,267 —> 00:03:35,528

I put her in a wood chipper.

82

00:03:38,498 —> 00:03:40,834

Oh, dear Lord.

Oh, dear Lord.

83

00:03:40,836 —> 00:03:42,370

It's okay.

84

00:03:42,372 —> 00:03:44,378

You made it.

We're fine.

85

00:03:44,380 —> 00:03:48,944

That was a lot of puppies.

86

00:03:48,946 —> 00:03:51,111

Let's forget about them, and...

87

00:03:51,113 —> 00:03:52,911

pick ourselves out

a nice turtle.

88

00:03:52,913 —> 00:03:55,318

Yeah.

Oh, how about this one up on the log?

89

00:03:55,320 —> 00:03:57,086

Oh, I don't know.

90

00:03:57,088 —> 00:03:59,087

He kind of looks

like a jerk.

91

00:04:01,361 —> 00:04:03,421

How about this one?

92

00:04:03,423 —> 00:04:05,955
Well, he's barely moving.
He looks half dead.

93
00:04:05,957 —> 00:04:08,627
I know. I like him, too.

94
00:04:10,459 —> 00:04:12,360
Hi, little guy.

95
00:04:12,362 —> 00:04:14,834
How'd you like
to come home with us?

96
00:04:14,836 —> 00:04:19,267
You'll be living with me because
we don't live in the same house.

97
00:04:19,269 —> 00:04:20,907
But that's not your fault.

98
00:04:20,909 —> 00:04:24,214
Like you, we're taking it

ridiculously slow.

99
00:04:25,712 —> 00:04:30,252
You'll stay with me when he's
at Comic-Con or away for work.

100
00:04:30,254 —> 00:04:35,384
Or if they accept Daddy's
application to live on Mars.

101
00:04:35,386 —> 00:04:37,183
What are you talking about?

102
00:04:37,185 —> 00:04:38,855
Oh, there's this company

103
00:04:38,857 —> 00:04:41,394
that's attempting
to establish a colony on Mars,

104
00:04:41,396 —> 00:04:43,965
and I applied
to be among the first to go.

105

00:04:43,967 —> 00:04:45,661

What should

we name him?

106

00:04:45,663 —> 00:04:50,373

You know, I came in

thinking “Seth,” but...

107

00:04:50,375 —> 00:04:53,003

he kind of looks Italian.

108

00:04:53,005 —> 00:04:55,305

You applied for a mission

109

00:04:55,307 —> 00:04:57,442

to be a colonist

on another planet,

110

00:04:57,444 —> 00:04:59,674

and couldn't be bothered

to tell me?

111

00:05:01,442 —> 00:05:03,112

Would you have approved?

112

00:05:03,114 —> 00:05:04,449

Of course not.

113

00:05:04,451 —> 00:05:06,513

Well, based on

your reaction,

114

00:05:06,515 —> 00:05:08,683

it looks like I made

the right choice.

115

00:05:09,956 —> 00:05:11,786

Isn't that right, Giuseppe?

116

00:05:15,766 —> 00:05:17,900

Hey, hey.

117

00:05:17,902 —> 00:05:20,871

Listen, I-I have a little

confession to make.

118

00:05:20,873 —> 00:05:23,809

Aw, is this your first time?

119

00:05:25,610 —> 00:05:28,410

No, I got you something

for Valentine's Day,

120

00:05:28,412 —> 00:05:30,587

and I was too embarrassed

to give it to you.

121

00:05:30,589 —> 00:05:31,955

Well, why?

122

00:05:31,957 —> 00:05:36,158

Well, 'cause I got it

at the dirty store.

123

00:05:36,160 —> 00:05:38,359

You went to the dirty store

without me?!

124

00:05:38,361 —> 00:05:39,759

(laughs)

125

00:05:39,761 —> 00:05:43,933

In sunglasses and a hat after

I parked two blocks away.

126

00:05:43,935 —> 00:05:46,163

Well, get it! Get it for me!

Yeah?

127

00:05:46,165 —> 00:05:48,698

Yeah.

Okay, uh, well, I hope it's fun.

128

00:05:48,700 —> 00:05:51,434

I mean, it-it comes

with paints, and-and

129

00:05:51,436 —> 00:05:53,305

it's kind of creative

and artistic.

130

00:05:53,307 —> 00:05:56,875

Okay, did you go to

the dirty store or Michaels?

131

00:05:57,709 —> 00:05:59,515

No, no.

132

00:05:59,517 —> 00:06:01,650

We cover ourselves

in body paint,

133

00:06:01,652 —> 00:06:05,184

and then-then we get on this

big canvas and do our thing.

134

00:06:05,186 —> 00:06:07,888

Whoa, that's kind of

a big step for a guy

135

00:06:07,890 —> 00:06:10,857

who only recently agreed

to take his socks off.

136

00:06:10,859 —> 00:06:13,285

You're making fun of me.

Forget it.

137

00:06:13,287 —> 00:06:15,254

No! No, come on, I want to do it.

Really?

138

00:06:15,256 —> 00:06:17,127

Yeah, let's you, me,

139

00:06:17,129 —> 00:06:19,830

and your very, very pale feet

make some art.

140

00:06:19,832 —> 00:06:21,165

(chuckles)

141

00:06:21,167 —> 00:06:23,663

Hey, when you got back to this

store, I want to go with you.

142

00:06:23,665 —> 00:06:27,706

Okay, but it's a drive— the

one I went to is in San Diego.

143

00:06:28,909 —> 00:06:31,179

How are the taxes going?

144

00:06:31,181 —> 00:06:32,778

Okay.

145

00:06:32,780 —> 00:06:36,347

But you got a lot of receipts

for the Lego store in here.

146

00:06:37,853 —> 00:06:39,221

Those are business expenses.

147

00:06:39,223 —> 00:06:41,758

You can write those off.

148

00:06:41,760 —> 00:06:45,463

A $200 R2-D2 is

a business expense?

149
00:06:46,264 —> 00:06:47,533
Oh, Bernie,

150
00:06:47,535 —> 00:06:49,596
you're gonna have to sound
a lot more confident

151
00:06:49,598 —> 00:06:51,468
when we get audited.

152
00:06:53,404 —> 00:06:55,434
(cell phone rings)

153
00:06:55,436 —> 00:06:58,002
Hey, what's up?

154
00:06:58,004 —> 00:07:00,011
Eh, Emily ran back
to the hospital,

155

00:07:00,013 —> 00:07:01,978
so I'm just hanging out
at her place.

156
00:07:01,980 —> 00:07:03,704
What are you, uh,
what are you doing?

157
00:07:03,706 —> 00:07:07,575
Just playing video games
while Bernie does the taxes.

158
00:07:07,577 —> 00:07:10,215
What are you, a little kid?

159
00:07:10,217 —> 00:07:13,012
Is she gonna cut your dinner
into little pieces, too?

160
00:07:13,014 —> 00:07:17,583
She doesn't have to—
I filled up on jelly beans.

161

00:07:17,585 —> 00:07:20,917
So, uh, what game are you...

162
00:07:20,919 —> 00:07:22,242
Oh.

163
00:07:22,244 —> 00:07:23,912
Crap.

164
00:07:23,914 —> 00:07:24,808
What's wrong?

165
00:07:24,832 —> 00:07:27,102
I can't get Emily's
nightstand to close.

166
00:07:27,181 —> 00:07:28,046
So?

167
00:07:28,070 —> 00:07:30,109
She's gonna know
I was looking in it.

168

00:07:30,147 —> 00:07:32,347

Why were you looking in it?

169

00:07:32,349 —> 00:07:33,589

Well, there's a question

170

00:07:33,591 —> 00:07:36,456

I better have a good answer to

before she gets back.

171

00:07:36,458 —> 00:07:37,695

Okay, calm down.

172

00:07:37,697 —> 00:07:39,191

There's probably something

jammed behind it.

173

00:07:39,193 —> 00:07:41,159

Just, uh, pull it out

and see what's there.

174

00:07:41,161 —> 00:07:42,327

Hang on.

175

00:07:46,303 —> 00:07:48,933

Oh... no. Oh, no.

176

00:07:48,935 —> 00:07:50,468

Oh, God, no!

177

00:07:51,902 —> 00:07:54,140

You know what, you sound busy—

I'm gonna let you go.

178

00:07:55,310 —> 00:07:57,244

Dude, the whole front came off.

179

00:07:57,246 —> 00:07:58,907

Now she's gonna know

I was snooping.

180

00:07:58,909 —> 00:08:00,242

What's happening?

181

00:08:00,244 —> 00:08:03,244
Raj was snooping through
Emily's drawers and broke one.

182
00:08:03,246 —> 00:08:04,579
Aw.

183
00:08:04,581 —> 00:08:07,312
I'm gonna miss her.

184
00:08:08,482 —> 00:08:10,886
So what do you think?

185
00:08:10,888 —> 00:08:12,516
(sighs)

186
00:08:12,518 —> 00:08:16,353
I thought it'd be
a little more... just more.

187
00:08:20,457 —> 00:08:23,358
I'm not even sure
why we were out of breath.

188

00:08:25,128 —> 00:08:28,190

Uh, I mean, d-did

we move at all?

189

00:08:28,192 —> 00:08:30,126

Maybe along the z-axis,

190

00:08:30,128 —> 00:08:32,862

but x and y are looking

pretty sad.

191

00:08:33,664 —> 00:08:34,935

Okay, come on.

192

00:08:34,937 —> 00:08:36,638

We are not old

boring people.

193

00:08:36,640 —> 00:08:37,966

We can do better

than this.

194

00:08:37,968 —> 00:08:38,901

Uh, Th-that's true.

195

00:08:38,903 —> 00:08:40,802

How late did we stay up

last night?

196

00:08:40,804 —> 00:08:43,504

Almost 1:00 a.m.

197

00:08:43,506 —> 00:08:46,776

Damn straight, almost 1:00 a.m.

198

00:08:48,578 —> 00:08:49,809

And we weren't even watching TV.

199

00:08:49,811 —> 00:08:53,177

We were watching Netflix,

like the kids do.

200

00:08:53,179 —> 00:08:54,481

Yeah, is it a comedy?

201

00:08:54,483 —> 00:08:55,817

Is it a drama?

202

00:08:55,819 —> 00:08:57,321

Nobody knows.

203

00:08:57,323 —> 00:08:59,122

Now, come on.

204

00:08:59,124 —> 00:09:00,819

We are gonna do this.

Yeah.

205

00:09:00,821 —> 00:09:02,723

You get the paint,

I'll rest for 30-40 minutes,

206

00:09:02,725 —> 00:09:04,888

and then we do this!

207

00:09:05,993 —> 00:09:08,327

I can't believe you

almost had me bring

208

00:09:08,329 —> 00:09:11,693

a wild animal

into my home.

209

00:09:11,695 —> 00:09:14,459

No one told you to poke

the turtle's face.

210

00:09:15,260 —> 00:09:18,956

I was playing

“Got Your Nose”"

211

00:09:18,958 —> 00:09:21,057

That's how you get

children to like you.

212

00:09:22,994 —> 00:09:24,959

I'm surprised you even care

if he likes you,

213

00:09:24,961 —> 00:09:26,527
since you're planning
on leaving the planet

214
00:09:26,529 —> 00:09:28,167
the first chance you get.

215
00:09:28,169 —> 00:09:29,567
Ugh, this again.

216
00:09:29,569 —> 00:09:32,639
Amy, I've already had one new
hole torn in my body today.

217
00:09:32,641 —> 00:09:35,007
I don't need another one.

218
00:09:35,009 —> 00:09:37,241
Sheldon, I know the odds

219
00:09:37,243 —> 00:09:39,482
of you even going to Mars
are incredibly small,

220

00:09:39,484 —> 00:09:42,149

but it still hurts

that you would volunteer

221

00:09:42,151 —> 00:09:44,886

for something that would

take you away from me forever.

222

00:09:44,888 —> 00:09:47,222

So you're saying you

wouldn't leave me

223

00:09:47,224 —> 00:09:49,389

for the chance to be

one of the first humans

224

00:09:49,391 —> 00:09:51,059

to colonize

another planet?

225

00:09:51,061 —> 00:09:53,025

I would at least mention it

226

00:09:53,027 —> 00:09:54,856

before filling out

the application.

227

00:09:54,858 —> 00:09:58,160

Huh, that's exactly what

Leonard, Wolowitz, Koothrappali,

228

00:09:58,162 —> 00:09:59,561

Bernadette and

Penny said.

229

00:10:01,234 —> 00:10:02,736

And who says

you could even survive

230

00:10:02,738 —> 00:10:04,568

an interplanetary

mission, anyway?

231

00:10:04,570 —> 00:10:06,904

You could barely survive

a tiny turtle bite.

232

00:10:06,906 —> 00:10:08,903

First of all, this...

233

00:10:08,905 —> 00:10:11,608

has only made me stronger.

234

00:10:11,610 —> 00:10:13,608

But beyond that, all I did

235

00:10:13,610 —> 00:10:15,246

was fill out an application.

236

00:10:15,248 —> 00:10:17,245

You know what?

237

00:10:17,247 —> 00:10:19,414

Go to Mars, Sheldon.

238

00:10:22,056 —> 00:10:24,716

Is there anything I can

do to cheer you up?

239

00:10:24,718 —> 00:10:26,283

No. Forget it.

240

00:10:27,357 —> 00:10:29,658

What if I play the Star Trek

theme on my nose?

241

00:10:29,660 —> 00:10:32,829

Please don't.

(humming the Star Trek theme)

242

00:10:38,770 —> 00:10:40,536

Yep, you're mad.

243

00:10:48,475 —> 00:10:50,209

Okay, let me see the damage.

244

00:10:50,211 —> 00:10:51,712

KOOTHRAPPALI:

Hang on.

245

00:10:52,849 —> 00:10:54,880

Well, I think you

broke the dowels.

246

00:10:54,882 —> 00:10:56,312

You're not gonna

have time to glue it

247

00:10:56,314 —> 00:10:57,617

back on—

you'll have to nail it.

248

00:10:57,619 —> 00:10:58,753

With what?

249

00:10:58,755 —> 00:11:01,423

Does she have any

pillows or wine glasses?

250

00:11:01,425 —> 00:11:02,550

She does.

251

00:11:02,552 —> 00:11:03,589
Great.

252
00:11:03,591 —> 00:11:06,485
Neither of those.
Try a hammer!

253
00:11:09,022 —> 00:11:10,523
Did that feel good?

254
00:11:10,525 —> 00:11:12,627
You feel like a big man now?

255
00:11:16,195 —> 00:11:18,727
I was going to make you
red zinger,

256
00:11:18,729 —> 00:11:21,696
but since Mars
is the red planet,

257
00:11:21,698 —> 00:11:24,471
I went with peppermint.

258

00:11:26,809 —> 00:11:28,671

Why do you even want to do this?

259

00:11:28,673 —> 00:11:30,838

Actually...

260

00:11:30,840 —> 00:11:33,606

as part of the application,

261

00:11:33,608 —> 00:11:36,385

I was required

to make a short video

262

00:11:36,387 —> 00:11:38,819

answering that very question.

263

00:11:38,821 —> 00:11:40,589

You want to see it?

264

00:11:40,591 —> 00:11:41,821

Can't you just tell me?

265

00:11:41,823 —> 00:11:44,029

But I made a video.

266

00:11:45,863 —> 00:11:48,365

I'm Dr. Sheldon Cooper,

267

00:11:48,367 —> 00:11:51,603

and I'd like to tell you

why I should be chosen to...

268

00:11:53,468 —> 00:11:55,936

(echoing):

go to Mars!

269

00:11:57,073 —> 00:11:58,534

I'm exceedingly smart.

270

00:11:58,536 —> 00:12:00,702

I graduated college at 14.

271

00:12:00,704 —> 00:12:02,470

While my brother

was getting an STD

272

00:12:02,472 —> 00:12:04,837

I was getting a PhD.

273

00:12:07,015 —> 00:12:10,446

Penicillin can't take this away.

274

00:12:10,448 —> 00:12:14,254

Being in close quarters,

cleanliness is important

275

00:12:14,256 —> 00:12:17,518

and... my hygiene is impeccable.

276

00:12:17,520 —> 00:12:19,621

In fact, animals don't trust me

277

00:12:19,623 —> 00:12:21,663

because I smell like nothing.

278

00:12:21,665 —> 00:12:22,632
Yeah...

279
00:12:22,634 —> 00:12:23,497
(inhales)

280
00:12:23,499 —> 00:12:25,835
Literally nothing.

281
00:12:28,606 —> 00:12:30,173
During the seven-month
space flight,

282
00:12:30,175 —> 00:12:33,812
I can keep up morale
with my wacky sense of humor.

283
00:12:35,953 —> 00:12:37,687
Hey, Leonard...

284
00:12:37,689 —> 00:12:40,425
is there any peanut brittle
left in that can?

285

00:12:40,427 —> 00:12:43,689

You mean this weirdly

suspicious one?

286

00:12:43,691 —> 00:12:46,361

Yes. Open it and check.

287

00:12:50,833 —> 00:12:52,998

I don't get it.

288

00:12:53,000 —> 00:12:55,966

There's actually

peanut brittle in...

289

00:13:01,175 —> 00:13:03,372

Please go to Mars.

290

00:13:05,341 —> 00:13:07,378

But on a more serious note:

291

00:13:07,380 —> 00:13:08,842

The most important reason I want

292
00:13:08,844 —> 00:13:11,881
to go to Mars is that
I believe, as a scientist,

293
00:13:11,883 —> 00:13:14,746
it's my duty
to push the boundaries

294
00:13:14,748 —> 00:13:17,123
of human knowledge forward.

295
00:13:17,125 —> 00:13:19,857
Now, I know that life on Mars
will be difficult.

296
00:13:19,859 —> 00:13:23,022
But life here on Earth
is no picnic.

297
00:13:23,024 —> 00:13:25,523
Also, picnics are no picnic.

298

00:13:26,892 —> 00:13:28,323

Where should we go for lunch?

299

00:13:28,325 —> 00:13:30,596

Oh, I know, the ground.

300

00:13:31,631 —> 00:13:32,888

In conclusion,

301

00:13:32,890 —> 00:13:34,455

thank you for considering me

302

00:13:34,457 —> 00:13:37,327

for this journey of a lifetime.

303

00:13:38,666 —> 00:13:40,897

(echoing):

To Mars!

304

00:13:43,004 —> 00:13:45,643

Afterwards,

Leonard blew his nose,

305
00:13:45,645 —> 00:13:48,110
and pie came out.

306
00:13:51,084 —> 00:13:53,846
LEONARD:
Right there, right there,

307
00:13:53,848 —> 00:13:55,677
Oh, God, that's it!

308
00:13:58,843 —> 00:14:00,608
How did you get paint
in your eye?

309
00:14:00,610 —> 00:14:04,513
Because you wouldn't let me
wear safety goggles!

310
00:14:07,889 —> 00:14:10,024
(sighs heavily)
This looks terrible.

311

00:14:10,026 —> 00:14:11,257

She-she's gonna know.

312

00:14:11,259 —> 00:14:12,289

It's fine.

313

00:14:12,291 —> 00:14:13,890

You just need two more nails.

314

00:14:13,892 —> 00:14:14,930

Okay, where should I put them?

315

00:14:14,932 —> 00:14:16,363

In Emily's eyes.

316

00:14:19,036 —> 00:14:20,330

You're not helping.

317

00:14:20,332 —> 00:14:23,033

Well, maybe this is

what you get for snooping.

318

00:14:23,035 —> 00:14:24,472

You know, it-it's bad enough

that I have to deal with this...

319

00:14:24,474 —> 00:14:26,407

EMILY: Raj? I'm back.

(door closes)

320

00:14:26,409 —> 00:14:28,574

Oh, no.

321

00:14:29,007 —> 00:14:30,708

Hey.

Hi.

322

00:14:30,710 —> 00:14:34,078

(stammering):

How was the hospital?

323

00:14:34,080 —> 00:14:35,615

Fine.

324

00:14:35,617 —> 00:14:37,280

What were you doing in there?

325

00:14:38,586 —> 00:14:40,952

Uh... w-well...

326

00:14:41,986 —> 00:14:43,319

Okay, look, I-I don't

want to lie to you.

327

00:14:43,321 —> 00:14:45,823

I-I got curious,

I was looking around...

328

00:14:45,825 —> 00:14:48,423

and I broke the drawer

on your night stand.

329

00:14:48,425 —> 00:14:50,391

You were looking

in my night stand?

330

00:14:50,393 —> 00:14:51,663
Yeah.

331
00:14:51,665 —> 00:14:53,630
So, the first time
I leave you alone,

332
00:14:53,632 —> 00:14:55,367
you snoop on me?

333
00:14:55,369 —> 00:14:58,241
You've never snooped
around my apartment?

334
00:14:58,243 —> 00:15:01,208
No!
Come on, think back.

335
00:15:01,210 —> 00:15:04,376
It would really help if you had!

336
00:15:04,378 —> 00:15:06,208
EMILY: I can't believe

you don't trust me!

337

00:15:06,210 —> 00:15:09,217

She sounds really mad.

338

00:15:09,219 —> 00:15:11,250

We should hang up.

339

00:15:11,252 —> 00:15:12,851

Yeah, we should.

340

00:15:12,853 —> 00:15:14,589

But we're not

going to, are we?

341

00:15:14,591 —> 00:15:17,064

Not a chance.

342

00:15:17,066 —> 00:15:19,466

What happened to

“snooping is wrong”?

343

00:15:19,468 —> 00:15:21,508
Howard, you're going
to jail for tax fraud.

344
00:15:21,510 —> 00:15:24,174
Who cares?

345
00:15:25,383 —> 00:15:26,947
Well, we did it.

346
00:15:26,949 —> 00:15:30,715
We sure did.

347
00:15:30,717 —> 00:15:32,016
I mean, I was on fire!

348
00:15:32,018 —> 00:15:34,309
I-I was in the zone,
like an athlete.

349
00:15:34,311 —> 00:15:36,872
Sweetie, I beat
you at this, too.

350

00:15:36,874 —> 00:15:39,141

So, where do we

want to hang it?

351

00:15:39,143 —> 00:15:40,277

What? Are you kidding?

352

00:15:40,279 —> 00:15:41,740

We're not hanging it!

353

00:15:41,742 —> 00:15:43,810

But it's an expression

of our love.

354

00:15:43,812 —> 00:15:46,481

And our butts!

Not hanging it!

355

00:15:47,852 —> 00:15:49,819

Seems a shame to throw it away.

356

00:15:49,821 —> 00:15:51,556
Yeah.

357
00:15:51,558 —> 00:15:52,653
(gasps)

358
00:15:52,655 —> 00:15:53,895
We could give it to Sheldon,

359
00:15:53,897 —> 00:15:56,864
and tell him William
Shatner painted it.

360
00:15:58,634 —> 00:16:01,830
God, I love you.
I love you so much.

361
00:16:04,000 —> 00:16:07,237
I think I'm gonna go home.

362
00:16:07,239 —> 00:16:09,669
Why?

363

00:16:09,671 —> 00:16:12,644

I really don't understand

what's happening here.

364

00:16:12,646 —> 00:16:15,380

You know, Sheldon,

at any other time,

365

00:16:15,382 —> 00:16:17,812

learning that you had plans

to go live on Mars

366

00:16:17,814 —> 00:16:19,547

would be a slow news day.

367

00:16:19,549 —> 00:16:21,546

But a couple of hours ago,

368

00:16:21,548 —> 00:16:23,449

we were getting a turtle.

369

00:16:23,451 —> 00:16:26,016

And silly as it sounds,

370

00:16:26,018 —> 00:16:28,454

I thought that meant something.

371

00:16:30,151 —> 00:16:32,085

Amy!

372

00:16:32,087 —> 00:16:35,058

Oh, why didn't I give her

Sleepy Time tea?

373

00:16:37,322 —> 00:16:38,991

Amy, wait!

374

00:16:38,993 —> 00:16:41,494

Getting a turtle meant

a great deal to me, too.

375

00:16:41,496 —> 00:16:42,959

Sure.

376

00:16:42,961 —> 00:16:44,758
Unless something
better comes along.

377
00:16:44,760 —> 00:16:48,532
Do you want me
to withdraw my application?

378
00:16:48,534 —> 00:16:51,228
What I want is for us

379
00:16:51,230 —> 00:16:54,268
to be planning our
future together.

380
00:16:56,176 —> 00:16:58,917
And in that future,

381
00:16:58,918 —> 00:17:00,900
are we on the same planet?

382
00:17:01,744 —> 00:17:03,278
Yeah, because I've seen people

383

00:17:03,280 —> 00:17:04,981

make the long-distance

thing work.

384

00:17:04,983 —> 00:17:06,916

We're on the same planet!

Okay!

385

00:17:09,382 —> 00:17:13,018

Does that planet have

to be Earth?

386

00:17:13,923 —> 00:17:16,488

Are you asking me to go

to Mars with you?

387

00:17:16,490 —> 00:17:18,090

I am.

388

00:17:18,092 —> 00:17:19,722

Yeah, if I'm going

to a barren,

389

00:17:19,724 —> 00:17:21,658

lifeless environment,

390

00:17:21,660 —> 00:17:25,065

where the chances of survival

are slim to none,

391

00:17:25,067 —> 00:17:28,460

I want you there with me.

392

00:17:32,700 —> 00:17:34,632

Why don't we go back

to the apartment,

393

00:17:34,634 —> 00:17:36,430

and fill out your application?

394

00:17:37,263 —> 00:17:39,994

Okay.

395

00:17:39,996 —> 00:17:42,832

I suppose being
the first people

396
00:17:42,834 —> 00:17:45,133
on a new planet would
be incredibly exciting.

397
00:17:45,135 —> 00:17:46,827
Oh, I know.

398
00:17:46,829 —> 00:17:50,500
We could be the first
to plant a flag on Mars.

399
00:17:50,502 —> 00:17:54,267
We could be the first to
watch Mars Attacks! on Mars.

400
00:17:54,269 —> 00:17:57,043
We could be the first
to say “Good Lord,

401
00:17:57,045 —> 00:17:59,740

what on Mars are

you talking about”"

402

00:17:59,742 —> 00:18:02,043

You know,

403

00:18:02,045 —> 00:18:04,377

we could also be

the first people

404

00:18:04,379 —> 00:18:07,616

to procreate on Mars.

405

00:18:07,618 —> 00:18:11,485

You just can't keep it in

your space pants, can you?

406

00:18:13,382 —> 00:18:14,180

Think about it.

407

00:18:14,182 —> 00:18:15,388

If we had a family there,

408

00:18:15,390 —> 00:18:17,956

our kids would be Martians.

409

00:18:18,926 —> 00:18:22,557

They would, wouldn't they?

410

00:18:22,559 —> 00:18:25,429

We could give them

cool Martian names.

411

00:18:25,431 —> 00:18:28,196

And we could teach them

about Martian history.

412

00:18:28,198 —> 00:18:30,035

Like, who planted those flags?

413

00:18:30,037 —> 00:18:31,531

And, uh, where did that copy

414

00:18:31,533 —> 00:18:34,139

of Mars Attacks! come from?

415

00:18:34,141 —> 00:18:35,475

I guess we'll have to make

416

00:18:35,477 —> 00:18:37,675

a new video together,

as a couple.

417

00:18:37,677 —> 00:18:39,843

(gasps)

Good idea.

418

00:18:41,477 —> 00:18:43,346

And since you've had

such a rough day,

419

00:18:43,348 —> 00:18:46,714

I'm gonna let you throw

the pie in Leonard's face.

420

00:18:56,446 —> 00:18:58,044

Thank you for forgiving me.

421

00:18:58,046 —> 00:18:59,444

It's okay.

422

00:18:59,446 —> 00:19:02,316

At some point, we were bound

removes moisture,

162

00:06:49,504 —> 00:06:51,805

but it creates ice crystals

in the fibers of the meat

163

00:06:51,807 —> 00:06:54,708

that can compromise

its taste and texture.

164

00:06:56,046 —> 00:06:57,443

What? I saw a teachable moment.

165

00:06:57,445 —> 00:06:59,875

I dropped some culinary science.

166

00:07:01,916 —> 00:07:03,747
What should we do?

167
00:07:03,749 —> 00:07:06,083
I'll tell you exactly
what we're gonna do.

168
00:07:06,085 —> 00:07:07,924
We're gonna eat it.

169
00:07:07,926 —> 00:07:09,820
There's, like, 20 pounds
of food in there.

170
00:07:09,822 —> 00:07:10,924
All you said

171
00:07:10,926 —> 00:07:12,493
was I had to get rid of things.

172
00:07:12,495 —> 00:07:15,495
You didn't say they couldn't
pass through my colon first.

173

00:07:15,497 —> 00:07:18,767

Howie...

174

00:07:18,769 —> 00:07:20,400

Okay.

175

00:07:20,402 —> 00:07:22,872

Then how about this?

176

00:07:22,874 —> 00:07:25,042

Let's invite everyone

over to dinner.

177

00:07:25,044 —> 00:07:29,050

It'll be like Ma's feeding us

one last time.

178

00:07:29,052 —> 00:07:31,954

I love that.

179

00:07:33,156 —> 00:07:35,586

Me, too.

180
00:07:35,588 —> 00:07:37,586
Oh, look,
we've got enough ketchup

181
00:07:37,588 —> 00:07:39,922
to cover every ounce of it.

182
00:07:42,331 —> 00:07:46,064
I mean, who even reads
Scientific American?

183
00:07:47,330 —> 00:07:50,934
It's kind of
a big deal.

184
00:07:50,936 —> 00:07:53,332
If it's such a big deal,
how come the biggest celebrity

185
00:07:53,334 —> 00:07:56,066
they could get for the cover

is a molecule?

186

00:07:57,740 —> 00:07:59,802

Can we please just

stop talking about it?

187

00:07:59,804 —> 00:08:01,674

I'm sorry.

What can I do?

188

00:08:01,676 —> 00:08:03,842

Nothing, I'm fine.

(sighs)

189

00:08:03,844 —> 00:08:06,146

No, no.

I'm gonna cheer you up.

190

00:08:06,148 —> 00:08:07,882

(clears throat)

191

00:08:07,884 —> 00:08:09,780

Here we go.

192

00:08:09,782 —> 00:08:11,052

What are we doing?

193

00:08:11,054 —> 00:08:12,852

I am taking you shopping.

Oh.

194

00:08:12,854 —> 00:08:16,524

My baby is sad, and I'm gonna

make him happy again.

195

00:08:16,526 —> 00:08:18,388

Look, I know shopping

cheers you up,

196

00:08:18,390 —> 00:08:20,395

but it's just not

really my thing.

197

00:08:20,397 —> 00:08:22,060

Well, what about

this helicopter

198

00:08:22,062 —> 00:08:23,731

you control with an iPad?

199

00:08:23,733 —> 00:08:26,634

Does it have

a camera in it?

200

00:08:26,636 —> 00:08:30,032

It does have

a camera in it.

201

00:08:30,034 —> 00:08:32,798

Baby's listening.

202

00:08:32,800 —> 00:08:34,565

(knocks)

SHELDON: Leonard?

203

00:08:34,567 —> 00:08:36,499

(knocks) Leonard?

(knocks) Leonard?

204

00:08:36,501 —> 00:08:37,602

What?

205

00:08:37,604 —> 00:08:39,873

I spoke to the reporter

at the magazine.

206

00:08:41,970 —> 00:08:44,273

What happened?

Did you tell him it was my idea?

207

00:08:44,275 —> 00:08:45,305

I did.

208

00:08:45,307 —> 00:08:47,145

Thank you. What did he say?

209

00:08:47,147 —> 00:08:49,977

He said they made

the editorial decision

210

00:08:49,979 —> 00:08:52,017

to only cite the lead scientist.

211
00:08:52,019 —> 00:08:54,521
Why did he think
you're the lead scientist?

212
00:08:54,523 —> 00:08:56,417
It was my idea!

213
00:08:56,419 —> 00:08:57,655
You know,
for an extra four bucks,

214
00:08:57,657 —> 00:08:59,590
I can have this thing
here tomorrow.

215
00:08:59,592 —> 00:09:01,758
Well, I know it
was your idea,

216
00:09:01,760 —> 00:09:04,926
but the reporter said he's been

following my work for a while,

217
00:09:04,928 —> 00:09:06,926
and the only reason they even
mentioned it in the magazine

218
00:09:06,928 —> 00:09:08,198
is 'cause my name is on it.

219
00:09:08,200 —> 00:09:11,030
You know what? I did it.
What's four bucks?

220
00:09:11,032 —> 00:09:12,965
If you're trying
to make me feel better,

221
00:09:12,967 —> 00:09:14,436
it's not working.

222
00:09:14,438 —> 00:09:17,171
Well... then what if I told you

223

00:09:17,173 —> 00:09:20,475

that I added your name

to the cable bill?

224

00:09:22,245 —> 00:09:24,676

No.

Oh.

225

00:09:24,678 —> 00:09:26,181

That's just as well.

They had me on hold

226

00:09:26,183 —> 00:09:28,211

for 20 minutes and I hung up.

I...

227

00:09:29,245 —> 00:09:32,022

(knocks) Leonard?

(knocks) Leonard?

228

00:09:32,024 —> 00:09:33,821

(knocks) Leonard?

229

00:09:35,959 —> 00:09:40,597

Also, Wolowitz invited us all

to dinner, so...

230

00:09:40,599 —> 00:09:43,333

I'm ready whenever you are.

231

00:09:51,655 —> 00:09:54,156

All he had was an idea.

232

00:09:54,158 —> 00:09:55,891

Well, that is an important part.

233

00:09:55,893 —> 00:09:57,156

Oh, please!

234

00:09:57,158 —> 00:09:59,093

I have ideas all day long.

235

00:09:59,095 —> 00:10:02,932

Reverse SeaWorld where dolphins

are allowed to pet people.

236

00:10:04,261 —> 00:10:08,697

A new clothing size between

medium and large called Marge.

237

00:10:09,698 —> 00:10:12,430

Snow White retold from

the point of view of Sneezy.

238

00:10:12,432 —> 00:10:14,500

Why won't Doc

prescribe him something?

239

00:10:14,502 —> 00:10:16,971

We finally find out.

240

00:10:16,973 —> 00:10:19,003

But Leonard's idea was good.

241

00:10:20,836 —> 00:10:24,104

Fine. Then Grumpy—

what's he so grumpy about?

242

00:10:24,106 —> 00:10:26,842

Maybe his girlfriend

won't take his side.

243

00:10:28,444 —> 00:10:30,948

I'm the one

who thought of it!

244

00:10:30,950 —> 00:10:33,018

Well, didn't he do

a lot of the work?

245

00:10:33,020 —> 00:10:35,154

But now he's happy

to let people think

246

00:10:35,156 —> 00:10:37,889

he's responsible for everything.

247

00:10:37,891 —> 00:10:41,120

And that's why you get

an iPad helicopter!

248

00:10:42,523 —> 00:10:46,129

Is it my fault I have a much

bigger reputation than he does?

249

00:10:46,131 —> 00:10:47,328

It's not your fault.

250

00:10:47,330 —> 00:10:49,231

Is it my fault

that my name came first

251

00:10:49,233 —> 00:10:50,894

on the paper alphabetically?

252

00:10:50,896 —> 00:10:52,102

Not your fault.

253

00:10:52,104 —> 00:10:53,933

Is it my fault

that when the reporter cited me

254

00:10:53,935 —> 00:10:56,035

as the lead scientist

I didn't correct him?

255

00:10:56,037 —> 00:10:58,801

Hey, look at that pretty bird.

256

00:11:00,339 —> 00:11:02,072

He always needs

all the attention.

257

00:11:02,074 —> 00:11:03,239

He's such a baby.

258

00:11:03,241 —> 00:11:04,806

I know, I know.

259

00:11:04,808 —> 00:11:07,406

I swear, he is never ever

playing with my helicopter.

260

00:11:10,975 —> 00:11:14,245

Okay, I'll start heating

some of this stuff up.

261

00:11:14,247 —> 00:11:15,517

Thanks.

262

00:11:15,519 —> 00:11:17,014

Oh, man.

263

00:11:17,016 —> 00:11:20,883

This is the boutonniere

from my high school prom...

264

00:11:20,885 —> 00:11:21,849

(chuckles)

265

00:11:21,851 —> 00:11:25,615

...a piece of cake

from my Bar Mitzvah.

266

00:11:25,617 —> 00:11:27,151

Did she throw

anything away?

267

00:11:27,153 —> 00:11:28,319
No.

268
00:11:28,321 —> 00:11:31,724
If I find my foreskin,
I'm gonna kill myself.

269
00:11:33,619 —> 00:11:36,822
Okay, so we've got, um,

270
00:11:36,824 —> 00:11:39,723
three briskets, four
meatloafs, one lasagna...

271
00:11:39,725 —> 00:11:41,522
No, that's noodle kugel.

272
00:11:41,524 —> 00:11:43,654
One Jewish lasagna...

273
00:11:44,721 —> 00:11:47,725
...two pound cakes that are
about eight pounds each,

274

00:11:47,727 —> 00:11:50,860

and one giant container

of matzah ball soup.

275

00:11:50,862 —> 00:11:55,228

Ma always kept it on hand,

276

00:11:55,230 —> 00:11:58,027

in case I got sick.

277

00:11:58,029 —> 00:12:02,834

She thought she could cure

anything with her cooking.

278

00:12:02,836 —> 00:12:05,937

Even the time

I got food poisoning.

279

00:12:07,772 —> 00:12:09,779

From her cooking.

280

00:12:11,614 —> 00:12:13,444
You okay?

281
00:12:13,446 —> 00:12:16,451
Yeah, I'm okay.

282
00:12:16,453 —> 00:12:17,987
Let's get started.

283
00:12:17,989 —> 00:12:19,649
You got it.

284
00:12:24,427 —> 00:12:27,623
(voice breaking): I'm never
gonna talk to her again.

285
00:12:35,652 —> 00:12:37,584
Should we tell
everyone not to come?

286
00:12:37,586 —> 00:12:40,683
No. I want to do this.

287

00:12:40,685 —> 00:12:43,754

Okay. Well, I'll keep

it together if you can.

288

00:12:43,756 —> 00:12:46,018

Okay. (chuckles)

289

00:12:46,988 —> 00:12:49,458

(voice breaking):

I'm not making any promises!

290

00:12:52,533 —> 00:12:54,227

Glad you guys

could make it.

291

00:12:54,229 —> 00:12:55,194

Of course.

292

00:12:55,196 —> 00:12:56,698

Wow, it looks really

pretty in here.

293

00:12:56,700 —> 00:13:00,234
Yeah, turns out half a dozen
menorahs really sets a mood.

294
00:13:02,307 —> 00:13:03,568
So, Stuart,
have you thought about

295
00:13:03,570 —> 00:13:05,441
what you'd do
if Howard sells the house?

296
00:13:05,443 —> 00:13:07,576
And there goes the mood.

297
00:13:07,578 —> 00:13:09,639
Hi. Hello.

298
00:13:09,641 —> 00:13:11,573
Oh, and a special
hello to Leonard,

299
00:13:11,575 —> 00:13:15,306

who needs to be
mentioned by name.

300
00:13:15,308 —> 00:13:16,944
Subtle.

301
00:13:16,946 —> 00:13:18,440
But you got it, right?

302
00:13:20,081 —> 00:13:21,246
Hey, guys.

303
00:13:21,248 —> 00:13:22,676
Hey.
Hi. Hello.

304
00:13:22,678 —> 00:13:23,947
I just want
everyone to know,

305
00:13:23,949 —> 00:13:27,084
uh, tonight's not
a sad occasion.

306

00:13:27,086 —> 00:13:28,980

Yeah, we just want to have

the kind of dinner

307

00:13:28,982 —> 00:13:30,651

that we've all had here

so many times before.

308

00:13:30,653 —> 00:13:33,418

Good food, good friends, and

sometime around midnight,

309

00:13:33,420 —> 00:13:36,149

heartburn that makes

you pray for death.

310

00:13:37,118 —> 00:13:39,155

Do you need any help

in the kitchen?

311

00:13:39,157 —> 00:13:41,753

No, we got it. You guys

make yourselves comfortable.

312

00:13:43,219 —> 00:13:46,320

All right, hey, you two, we're

here for Howard right now, okay?

313

00:13:46,322 —> 00:13:48,361

Yes, so please

behave yourselves.

314

00:13:48,363 —> 00:13:50,257

Fine.

Of course.

315

00:13:52,961 —> 00:13:55,860

So I heard you two, uh,

wrote a paper together.

316

00:13:55,862 —> 00:13:57,227

How's that going?

317

00:14:01,003 —> 00:14:03,033

This food is amazing.

318

00:14:03,035 —> 00:14:05,666

Mm, and not

a vegetable in sight.

319

00:14:05,668 —> 00:14:06,906

That's not true.

320

00:14:06,908 —> 00:14:08,505

We've got tomatoes right here.

321

00:14:10,876 —> 00:14:14,282

All these bright people sitting

around a table by candlelight.

322

00:14:14,284 —> 00:14:17,577

Feels like we could be an

18th century French salon.

323

00:14:17,579 —> 00:14:19,017

Indeed.

324

00:14:19,019 —> 00:14:22,123
Penny, a salon is a gathering

325
00:14:22,125 —> 00:14:24,258
where intellectuals
entertained each other

326
00:14:24,260 —> 00:14:26,625
with sparkling conversations
about issues of the day.

327
00:14:26,627 —> 00:14:28,960
Oh, so it's like The View.

328
00:14:31,362 —> 00:14:35,801
Sheldon, The View is a daytime
talk show hosted by women.

329
00:14:36,540 —> 00:14:37,908
Oh, I'm aware.

330
00:14:37,910 —> 00:14:39,508
It features Whoopi Goldberg.

331

00:14:39,510 —> 00:14:42,412

She played Guinan on

Star Trek: Next Gen.

332

00:14:42,414 —> 00:14:44,814

Penny, Next Gen

refers to Star Trek...

333

And that's how it's done.

237

00:10:47,500 —> 00:10:51,599

All right, we've defeated

the first challenge.

238

00:10:52,969 —> 00:10:55,671

Now we must steel ourselves

to face the monster

239

00:10:55,673 —> 00:10:57,935

who defends the gate.

240

00:10:57,937 —> 00:11:00,503

We're trying to get past

a security guard,

241

00:11:00,505 —> 00:11:02,374

not rescue Zelda.

242

00:11:03,878 —> 00:11:06,579

I think what really needs to be

rescued is your sense of whimsy,

243

00:11:06,581 —> 00:11:08,579

but one quest at a time.

244

00:11:10,517 —> 00:11:12,250

So what's the plan?

245
00:11:12,252 —> 00:11:14,546
Uh, I'm just gonna be honest
with the guy.

246
00:11:14,548 —> 00:11:16,921
Honesty will never
get us in.

247
00:11:16,923 —> 00:11:18,554
Well, what's
your plan?

248
00:11:18,556 —> 00:11:21,924
All right, my plan is
predicated on the assumption

249
00:11:21,926 —> 00:11:23,892
that they have
a nurse's office

250
00:11:23,894 —> 00:11:26,764

and your willingness
to be lightly stabbed.

251
00:11:34,710 —> 00:11:36,205
Who are you here to see?

252
00:11:36,207 —> 00:11:37,774
Uh, I'm just gonna
tell you the truth.

253
00:11:37,776 —> 00:11:40,310
Oh, you are killing me.

254
00:11:40,312 —> 00:11:42,350
We don't have
an appointment.

255
00:11:42,352 —> 00:11:44,350
We-we're just fans
of Mr. Lucas's work,

256
00:11:44,352 —> 00:11:45,615
and we thought

we'd take a shot

257
00:11:45,617 —> 00:11:47,654
and see if we could get in
and look around.

258
00:11:47,656 —> 00:11:49,086
Sorry, guys, we get this a lot.

259
00:11:49,088 —> 00:11:50,189
Can't let you in.

260
00:11:50,191 —> 00:11:54,089
What if I told you
that I was the voice of Yoda?

261
00:11:55,195 —> 00:11:59,295
(imitating Yoda): A recording
session I must attend.

262
00:12:00,097 —> 00:12:01,988
I'm sorry, don't
listen to him.

263

00:12:01,990 —> 00:12:03,692

We're actually

physicists.

264

00:12:03,694 —> 00:12:05,594

We're giving a lecture

at Berkeley later today.

265

00:12:05,596 —> 00:12:07,594

We just... we had

some time to kill.

266

00:12:07,596 —> 00:12:09,865

GUARD: Hey, listen, you

seem like decent guys.

267

00:12:09,867 —> 00:12:11,160

I can't let you in,

268

00:12:11,162 —> 00:12:13,695

but I got some hats and T-shirts

I can give you.

269

00:12:13,697 —> 00:12:15,566

Thank you so much.

270

00:12:15,568 —> 00:12:17,134

See?

271

00:12:17,136 —> 00:12:18,439

Maybe honesty is the best...

(door opens)

272

00:12:18,441 —> 00:12:19,439

What are you doing?

273

00:12:19,441 —> 00:12:21,102

Shedding the yoke

of my oppressors,

274

00:12:21,104 —> 00:12:23,310

you blind,

sad little man.

275

00:12:24,143 —> 00:12:25,478
Don't move!

276
00:12:25,480 —> 00:12:27,510
Code A-A-23, A-A-23.

277
00:12:27,512 —> 00:12:28,878
GUARD 2:
Copy.

278
00:12:28,880 —> 00:12:31,013
SHELDON (gasps):
I can see the ranch, Leonard!

279
00:12:31,015 —> 00:12:33,580
Oh, it's rustic,
it's lovely.

280
00:12:33,582 —> 00:12:36,419
I'd take a picture,
but people are chasing me.

281
00:12:37,957 —> 00:12:39,282

I'm gonna make it...!

282
00:12:39,284 —> 00:12:40,585
I'm gonna make it!

283
00:12:40,587 —> 00:12:42,919
They have Tasers,
but they wouldn't dare use...

284
00:12:42,921 —> 00:12:44,255
(Sheldon screams)

285
00:12:44,257 —> 00:12:45,822
(thuds)

286
00:12:46,959 —> 00:12:49,421
Come on, Raj.

287
00:12:49,423 —> 00:12:53,125
You are the King Kong
of Ping-Pong.

288

00:12:53,127 —> 00:12:56,899
You are the menace
of table tennis.

289
00:12:56,901 —> 00:13:00,001
Put her away,
'cause I don't have a third one.

290
00:13:00,003 —> 00:13:01,768
Yes!
Yes!

291
00:13:01,770 —> 00:13:02,736
(whoops)

292
00:13:02,738 —> 00:13:05,232
Rajesh eight, Penny four.

293
00:13:05,234 —> 00:13:07,202
Sorry,
he's really good.

294
00:13:07,204 —> 00:13:09,335

Hey, Raj.

295
00:13:09,337 —> 00:13:10,504
if Howard can't
keep the TARDIS,

296
00:13:10,506 —> 00:13:12,206
how great would it
look at your place?

297
00:13:12,208 —> 00:13:13,237
What?

298
00:13:13,239 —> 00:13:14,676
Yeah, what?

299
00:13:14,678 —> 00:13:17,104
I don't know much
about Doctor Who,

300
00:13:17,106 —> 00:13:19,004
but if, um, you were to put this

301

00:13:19,006 —> 00:13:23,037

right outside your front door

and open up the back,

302

00:13:23,039 —> 00:13:26,066

it would be like

your entire apartment was

303

00:13:26,068 —> 00:13:27,833

the inside of the TARDIS,

304

00:13:27,835 —> 00:13:29,569

which is pretty cool

305

00:13:29,571 —> 00:13:31,901

'cause on the show,

the inside of the TARDIS

306

00:13:31,903 —> 00:13:34,835

is bigger than the outside.

307

00:13:34,837 —> 00:13:38,759

But then again, I don't know

much about Doctor Who.

308

00:13:39,928 —> 00:13:41,597

Don't listen to her.

309

00:13:41,599 —> 00:13:44,332

You and I go way back—

we're like brothers.

310

00:13:45,165 —> 00:13:46,835

We are. We are.

311

00:13:46,837 —> 00:13:48,130

(clears throat)

312

00:13:48,132 —> 00:13:50,066

Oh, no!

313

00:13:50,068 —> 00:13:51,465

What a terrible serve!

314

00:13:53,541 —> 00:13:55,007
Sorry, brother.

315
00:13:55,009 —> 00:13:56,372
Eight-five.
This is ridiculous.

316
00:13:56,374 —> 00:13:57,634
I want a new champion.

317
00:13:57,636 —> 00:14:00,399
Amy, were you serious
about being able to serve?

318
00:14:00,401 —> 00:14:02,733
Uh, it-it's been
a long time.

319
00:14:02,735 —> 00:14:04,700
I don't know.

320
00:14:04,702 —> 00:14:06,637
I'm probably

pretty rusty.

321
00:14:10,142 —> 00:14:11,444
Wow.

322
00:14:11,446 —> 00:14:12,476
She's my champion!

323
00:14:12,478 —> 00:14:14,515
Well, if you can switch
champions, so can I.

324
00:14:14,517 —> 00:14:15,916
I want Raj.
Hey.

325
00:14:15,918 —> 00:14:17,780
Oh, come on, like
you even care.

326
00:14:17,782 —> 00:14:19,117
I care!

327

00:14:19,119 —> 00:14:20,957

Oh, wait, no, I don't.

Good luck, Raj.

328

00:14:23,456 —> 00:14:25,536

You know, I thought our

friendship meant more to you.

329

00:14:26,264 —> 00:14:27,925

So did I.

330

00:14:35,667 —> 00:14:37,936

Do you think

they're gonna call the police?

331

00:14:37,938 —> 00:14:39,865

I don't know.

332

00:14:39,867 —> 00:14:42,168

Maybe they'll call Imperial

Officers to take us

333

00:14:42,170 —> 00:14:44,440
to a holding cell
on the Death Star.

334
00:14:47,242 —> 00:14:50,544
Oh, I think that's below the pay
grade of an Imperial Officer.

335
00:14:50,546 —> 00:14:51,911
Stormtroopers are really
the ones who...

336
00:14:51,913 —> 00:14:53,543
Oh, shut up.

337
00:14:54,552 —> 00:14:56,350
He's right.

338
00:14:56,352 —> 00:14:58,454
Uh, Stormtroopers actually
combine both the function

339
00:14:58,456 —> 00:15:00,620

of infantry and military police.

340
00:15:02,820 —> 00:15:04,817
Uh-huh, I'm normally
very nice,

341
00:15:04,819 —> 00:15:06,552
but you shut up, too.

342
00:15:13,296 —> 00:15:14,789
So...

343
00:15:14,791 —> 00:15:17,596
what are you in for?

344
00:15:17,598 —> 00:15:21,266
Honestly, I just wanted to meet
Mr. Lucas and say thank you.

345
00:15:21,268 —> 00:15:24,762
You know, growing up, the movies
had such an impact on my life.

346

00:15:24,764 —> 00:15:27,067

I never really fit in anywhere.

347

00:15:27,069 —> 00:15:29,107

Till I discovered

the worlds he created

348

00:15:29,109 —> 00:15:31,905

and finally found a place

where I belong.

349

00:15:33,106 —> 00:15:35,207

But why are you here?

350

00:15:35,209 —> 00:15:36,839

Oh, I, uh, I hopped a fence,

351

00:15:36,841 —> 00:15:38,510

and they caught me

in the sculpture gallery

352

00:15:38,512 —> 00:15:41,276

making out
with a Chewbacca statue.

353
00:15:47,343 —> 00:15:48,875
Excuse me.

354
00:15:57,148 —> 00:15:59,050
Leonard,

355
00:15:59,052 —> 00:16:01,321
they have a
sculpture gallery.

356
00:16:05,425 —> 00:16:07,687
All right, I talked
to my supervisor,

357
00:16:07,689 —> 00:16:08,895
and we're gonna let you go
with a warning.

358
00:16:08,897 —> 00:16:10,696
(sighs in relief) But if you ever

come back,

359
00:16:10,698 —> 00:16:12,360
we will call the police
and press charges.

360
00:16:12,362 —> 00:16:13,360
We understand.

361
00:16:13,362 —> 00:16:14,328
Thank you so much.

362
00:16:14,330 —> 00:16:15,935
Uh, what about me?

363
00:16:15,937 —> 00:16:17,366
No, you're not going
anywhere, kissy face.

364
00:16:17,368 —> 00:16:18,934
Let's go.

365

00:16:18,936 —> 00:16:22,037
I have to take your picture
to post at the guard gate.

366
00:16:22,039 —> 00:16:23,005
Uh, one question

367
00:16:23,007 —> 00:16:24,500
about that picture.

368
00:16:24,502 —> 00:16:26,307
Can it be with
George Lucas?

369
00:16:27,973 —> 00:16:30,107
(imitating Yoda):
Ooh, grumpy you are.

370
00:16:35,051 —> 00:16:38,082
Okay, this is the match
that decides it all.

371
00:16:38,084 —> 00:16:39,355

First to 11 wins.

372
00:16:39,357 —> 00:16:42,186
Serve switches
every five points.

373
00:16:42,188 —> 00:16:43,723
And just so you know,
when this started,

374
00:16:43,725 —> 00:16:46,492
I was going to put the TARDIS in
a discreet corner of the house,

375
00:16:46,494 —> 00:16:48,028
but I've since turned
mean, and now it's going

376
00:16:48,030 —> 00:16:49,531
right in the middle
of the living room

377
00:16:49,533 —> 00:16:51,298

on a rotating platform with

a sign that says "suck it."

378

00:16:51,300 —> 00:16:52,466

Game on.

379

00:16:54,867 —> 00:16:56,169

Except...

380

00:16:56,171 —> 00:16:58,537

Raj is gonna win.

381

00:16:58,539 —> 00:16:59,832

Isn't that right, Raj?

382

00:16:59,834 —> 00:17:02,302

Uh, yeah, I mean,

her serve was pretty good.

383

00:17:02,304 —> 00:17:03,836

Come on, get

in her head.

384

00:17:03,838 —> 00:17:05,002

Be intimidating.

385

00:17:05,004 —> 00:17:07,034

Okay, uh...

386

00:17:07,036 —> 00:17:08,201

I'm gonna own you, bitch!

387

00:17:08,203 —> 00:17:09,872

Whoa!

Hey!

388

00:17:09,874 —> 00:17:11,376

That's not nice.

389

00:17:12,642 —> 00:17:14,280

Let's just play.

390

00:17:18,282 —> 00:17:19,584

One-zero.

391

00:17:19,586 —> 00:17:21,152

WOLOWITZ:

Two.

392

00:17:21,154 —> 00:17:22,817

Three.

393

00:17:22,819 —> 00:17:24,687

Four.

394

00:17:24,689 —> 00:17:26,487

Five-nothing.

395

00:17:26,489 —> 00:17:27,887

(chuckles)

Wait,

396

00:17:27,889 —> 00:17:29,223

did you play badminton

397

00:17:29,225 —> 00:17:31,863

or sad-minton?

398

00:17:31,865 —> 00:17:33,862

Don't listen to him—

all she's got is a serve.

399

00:17:33,864 —> 00:17:37,334

Now, grab a fresh tampon

and put her away.

400

00:17:37,336 —> 00:17:38,334

Wha...?

401

00:17:38,336 —> 00:17:39,832

A-And that's not offensive?

402

00:17:39,834 —> 00:17:40,874

Where's the line?

403

00:17:40,876 —> 00:17:43,010

It's in your purse. Play.

404

00:17:45,213 —> 00:17:46,916

BERNADETTE:

One-five.

405

00:17:48,382 —> 00:17:49,884

Two-five.

406

00:17:49,886 —> 00:17:51,019

Three-five.

407

00:17:51,021 —> 00:17:52,682

Four-five.

408

00:17:53,652 —> 00:17:54,881

Five-five!

409

00:17:56,555 —> 00:17:58,154

Six.

410

00:17:58,156 —> 00:17:59,458

Seven.

411

No one's knocking anything down.

114
00:04:40,544 —> 00:04:42,177
Okay, okay.

115
00:04:42,179 —> 00:04:43,512
When he's at Comic-Con,

116
00:04:43,514 —> 00:04:46,348
I'm bringing in
a wrecking ball.

117
00:04:48,786 —> 00:04:49,751
Can I help you?

118
00:04:49,753 —> 00:04:52,087
Hi. Are you Howard Wolowitz?

119

00:04:52,089 —> 00:04:53,655

Yes.

120

00:04:53,657 —> 00:04:55,357

Um, this is a little weird,

121

00:04:55,359 —> 00:04:57,492

but a lawyer was trying

to contact my father,

122

00:04:57,494 —> 00:05:00,095

because his name was still

on the title for this house.

123

00:05:00,097 —> 00:05:02,531

W... uh, who's your father?

124

00:05:02,533 —> 00:05:04,399

Sam Wolowitz.

125

00:05:04,401 —> 00:05:05,901

(chuckles)

126

00:05:05,903 —> 00:05:08,370

S-Sam Wolowitz is my father.

127

00:05:08,372 —> 00:05:10,272

I know.

128

00:05:10,274 —> 00:05:14,242

Well, wait, so if we have

the same father...

129

00:05:14,244 —> 00:05:15,277

I mean,

130

00:05:15,279 —> 00:05:16,545

are you saying

131

00:05:16,547 —> 00:05:17,547

you're my half-brother?

132

00:05:17,548 —> 00:05:19,381

I think so.

133

00:05:19,383 —> 00:05:20,649

(chuckles)

134

00:05:20,651 —> 00:05:23,685

Bernadette, weird things

are happening out here!

135

00:05:26,657 —> 00:05:28,990

I think I started to suspect

it was a bad movie

136

00:05:28,992 —> 00:05:32,894

when I looked at the script

and saw the title,

137

00:05:32,896 —> 00:05:35,530

Serial Ape-ist 2:

138

00:05:35,532 —> 00:05:38,533

Monkey See, Monkey Kill.

139

00:05:38,535 —> 00:05:39,868
Uh, spoiler alert:

140
00:05:39,870 —> 00:05:42,571
after the monkey sees, it kills.

141
00:05:42,573 —> 00:05:44,773
Psst.

142
00:05:44,775 —> 00:05:46,508
I've just been handed a note.

143
00:05:46,510 —> 00:05:48,777
I'm going to read it.

144
00:05:48,779 —> 00:05:52,114
"Wil, do you want
more Diet Coke?

145
00:05:53,050 —> 00:05:56,151
Also, we have juice."

146

00:05:57,588 —> 00:06:00,155
I-I didn't want to interrupt.

147
00:06:01,258 —> 00:06:02,791
Uh, that voice you just heard

148
00:06:02,793 —> 00:06:04,626
belongs to Leonard,
Penny's fiancé.

149
00:06:04,628 —> 00:06:06,628
Uh, Leonard, why don't you grab
some headphones and join us?

150
00:06:06,630 —> 00:06:08,163
Really?
Yeah.

151
00:06:08,165 —> 00:06:09,498
(chuckles) Yeah, great.

152
00:06:09,500 —> 00:06:11,333
So, while Leonard

gets set up,

153
00:06:11,335 —> 00:06:12,901
let's take a call.

154
00:06:12,903 —> 00:06:14,469
Hello, caller, you are on

155
00:06:14,471 —> 00:06:16,905
with Penny and Wil
from Serial Ape-ist 2.

156
00:06:16,907 —> 00:06:18,173
WOMAN:
I don't have a question.

157
00:06:18,175 —> 00:06:20,308
I just want to say
I'm a big fan of the movie.

158
00:06:20,310 —> 00:06:21,877
I've seen it, like, ten times.

159

00:06:21,879 —> 00:06:24,312

Okay, well, I'll apologize

for the first time,

160

00:06:24,314 —> 00:06:26,581

but the other nine are on you.

161

00:06:26,583 —> 00:06:28,150

(chuckles)

162

00:06:28,152 —> 00:06:29,518

Thanks a lot, caller.

163

00:06:29,520 —> 00:06:30,920

You know that the movie

actually has

164

00:06:30,921 —> 00:06:32,053

a little bit

of a cult following.

165

00:06:32,055 —> 00:06:33,221

Really?

Yeah.

166

00:06:33,223 —> 00:06:34,556

I was at

a science-fiction convention,

167

00:06:34,558 —> 00:06:37,893

and I saw a woman dressed

as your half-ape character.

168

00:06:37,895 —> 00:06:39,294

Oh, if she was

169

00:06:39,296 —> 00:06:41,463

with an Indian guy dressed

like a banana,

170

00:06:41,465 —> 00:06:44,199

that was just my friends,

Howard and Raj.

171

00:06:45,335 —> 00:06:47,769

All right, it's time
for a very special guest caller,

172
00:06:47,771 —> 00:06:49,371
a friend of mine,
who you probably know

173
00:06:49,373 —> 00:06:51,773
as the director
of such movies as Clerks,

174
00:06:51,775 —> 00:06:53,441
or from podcasts and books

175
00:06:53,443 —> 00:06:55,210
where he often reminds you
that he's the guy

176
00:06:55,212 —> 00:06:56,378
who directed Clerks.

177
00:06:56,380 —> 00:06:57,746
Hello, Kevin Smith.

178

00:06:57,748 —> 00:06:59,681

KEVIN: Hey, man,

yo, is everything okay, Wil?

179

00:06:59,683 —> 00:07:01,750

'Cause it's been,

like, two minutes

180

00:07:01,752 —> 00:07:04,653

and you haven't even brought up

Stand By Me.

181

00:07:06,290 —> 00:07:07,556

Hey, Kevin!

182

00:07:07,558 —> 00:07:09,157

It's really exciting

to talk to you.

183

00:07:09,159 —> 00:07:10,325

It really is.

184

00:07:10,327 —> 00:07:12,360

Oh, you guys are very sweet.

So, Penny, listen,

185

00:07:12,362 —> 00:07:13,695

I saw your movie.

186

00:07:13,697 —> 00:07:15,831

Oh, wow. I wish it was better.

187

00:07:15,833 —> 00:07:16,898

Oh, don't worry about it.

188

00:07:16,900 —> 00:07:18,867

Have you seen some

of Kevin's films?

189

00:07:19,970 —> 00:07:22,637

You're cruisin'

for a beatin', Wheaton.

190

00:07:24,174 —> 00:07:25,907

Anyway, man,

I dug the ape movie, Penny.

191

00:07:25,909 —> 00:07:27,876

And I thought you were, like,

really great in it.

192

00:07:27,878 —> 00:07:29,044

Aw.

193

00:07:29,046 —> 00:07:30,212

You know, I'm in the movie, too.

194

00:07:30,214 —> 00:07:31,813

Yeah, whatever. Penny!

195

00:07:31,815 —> 00:07:35,317

Penny, how come you're not

in more stuff, man?

196

00:07:35,319 —> 00:07:36,518

I'd cast you in a minute.

197

00:07:36,520 —> 00:07:38,420

Seriously?

Oh, yeah, man.

198

00:07:38,422 —> 00:07:40,255

I'm actually in pre-production

on a movie right now.

199

00:07:40,257 —> 00:07:41,356

Way different

200

00:07:41,358 —> 00:07:42,724

than anything I've ever

done before.

201

00:07:42,726 —> 00:07:45,060

It's called Clerks 3.

202

00:07:45,062 —> 00:07:46,595

You should come over

203

00:07:46,597 —> 00:07:48,396

and read for a part.

204

00:07:48,398 —> 00:07:50,599

Oh, my, I would love that.

205

00:07:50,601 —> 00:07:52,000

You have a new job.

206

00:07:52,002 —> 00:07:53,635

Well, maybe I can do both.

207

00:07:53,637 —> 00:07:56,104

I don't think you can do both.

208

00:07:56,106 —> 00:07:58,440

I don't think I asked you.

209

00:07:58,442 —> 00:08:00,275

Yeah, you tell him, Penny.

210

00:08:01,578 —> 00:08:04,679

Stay out of it, Kevin Smith.

211

00:08:05,849 —> 00:08:08,149

Do you think there comes

a point in life

212

00:08:08,151 —> 00:08:11,353

when it stops feeling bad

to be left out of things?

213

00:08:11,355 —> 00:08:12,754

Probably not.

214

00:08:12,756 —> 00:08:14,856

It's an evolutionary advantage

215

00:08:14,858 —> 00:08:17,025

to be included

in group activities.

216

00:08:17,027 —> 00:08:18,593

You know what?

217

00:08:18,595 —> 00:08:20,595
I used to be a fan of evolution,

218
00:08:20,597 —> 00:08:22,330
but I've since evolved,

219
00:08:22,332 —> 00:08:24,900
and now I think it's dumb.

220
00:08:26,003 —> 00:08:27,702
Being left out
is a terrible feeling.

221
00:08:27,704 —> 00:08:29,804
No one understands that
better than I do.

222
00:08:29,806 —> 00:08:31,640
Hey, look at that.

223
00:08:31,642 —> 00:08:34,743
Even in your example,
you're all by yourself.

224

00:08:36,513 —> 00:08:38,747

When there was

a lice epidemic at my school,

225

00:08:38,749 —> 00:08:40,582

everybody got it except me.

226

00:08:40,584 —> 00:08:43,418

I tried to fool everyone

by sprinkling sugar in my hair,

227

00:08:43,420 —> 00:08:46,821

but I just got attacked by bees.

228

00:08:47,925 —> 00:08:49,891

I can just picture

them all right now

229

00:08:49,893 —> 00:08:51,126

at Feynman's house,

230

00:08:51,128 —> 00:08:52,327
probably discussing Schrodinger

231
00:08:52,329 —> 00:08:54,329
and at the same time,

232
00:08:54,331 —> 00:08:56,665
not discussing Schrodinger.

233
00:08:56,667 —> 00:08:58,233
See?

234
00:08:58,235 —> 00:09:02,170
They're missing out
on hilarious jokes like that.

235
00:09:02,172 —> 00:09:04,372
And at the same time, not.

236
00:09:06,009 —> 00:09:08,076
It reminds me of when
my stupid brother and sister

237

00:09:08,078 —> 00:09:09,711

would build forts

in the living room

238

00:09:09,713 —> 00:09:11,313

and wouldn't let me in.

239

00:09:11,315 —> 00:09:13,949

I hated that so much.

240

00:09:13,951 —> 00:09:16,184

You know,

241

00:09:16,186 —> 00:09:17,385

there's nothing I can do

242

00:09:17,387 —> 00:09:19,287

about getting you invited

to the symposium,

243

00:09:19,289 —> 00:09:21,456

but if you wanted...

244

00:09:21,458 —> 00:09:23,358

we could build a fort.

245

00:09:24,194 —> 00:09:26,294

Isn't that a little juvenile?

246

00:09:26,296 —> 00:09:28,463

More juvenile than this?

247

00:09:32,035 —> 00:09:33,168

I'll get the blankets.

248

00:09:33,170 —> 00:09:34,869

You Google how

to have childlike fun.

249

00:09:38,275 —> 00:09:40,075

You know what,

I'm being a bad host.

250

00:09:40,077 —> 00:09:41,276

Let me get some more coffee.

251

00:09:41,278 —> 00:09:43,678

Oh, let me do it, Howard.

No, I got it.

252

00:09:46,016 —> 00:09:47,615

So, Josh, what do you do?

253

00:09:47,617 —> 00:09:49,951

I'm studying oceanography

down in San Diego.

254

00:09:49,953 —> 00:09:52,153

Oh, how nice.

255

00:09:55,892 —> 00:09:58,560

I loved Finding Nemo.

256

00:09:59,496 —> 00:10:00,562

Enough chitchat.

257

00:10:00,564 —> 00:10:02,263
How do we know you are
who you say you are?

258
00:10:02,265 —> 00:10:04,599
Why would I lie?

259
00:10:04,601 —> 00:10:06,901
Okay, you got me there.

260
00:10:08,005 —> 00:10:10,572
You here looking for money?
No.

261
00:10:10,574 —> 00:10:13,041
A kidney, cornea,
piece of his liver?

262
00:10:13,043 —> 00:10:14,409
No.

263
00:10:14,411 —> 00:10:16,277
You're in a Beatles cover band

264

00:10:16,279 —> 00:10:19,547

and you need Howard to replace

your dad as Ringo.

265

00:10:20,984 —> 00:10:22,851

Why don't you help

with the coffee?

266

00:10:22,853 —> 00:10:25,820

Okay, but something

smells fishy.

267

00:10:25,822 —> 00:10:26,855

And not just because

268

00:10:26,857 —> 00:10:28,323

you work around sea animals.

269

00:10:29,292 —> 00:10:30,458

That actually

sounds interesting,

270

00:10:30,460 —> 00:10:32,160

and I'd like

to learn more about it.

271

00:10:34,831 —> 00:10:36,364

Hey, you okay?

272

00:10:36,366 —> 00:10:37,899

Not really.

273

00:10:37,901 —> 00:10:40,502

This guy shows up

out of the blue,

274

00:10:40,504 —> 00:10:42,070

and now I have a brother?

275

00:10:42,072 —> 00:10:45,340

My father has another family?

276

00:10:45,342 —> 00:10:47,175

I get it.

277

00:10:47,177 —> 00:10:48,977

What do you want to do?

278

00:10:48,979 —> 00:10:50,979

I don't know. I...

279

00:10:50,981 —> 00:10:52,814

I'd just like him to go away.

280

00:10:52,816 —> 00:10:54,482

I can't deal with this.

281

00:10:54,484 —> 00:10:56,451

All right, I've got your back.

282

00:10:56,453 —> 00:10:58,620

Thank you. Come on.

283

00:11:00,023 —> 00:11:01,189

And I'd like to point out

284

00:11:01,191 —> 00:11:04,526

this wall just provided

a lot of privacy!

285

00:11:06,463 —> 00:11:08,063

I can't believe

my brother's an astronaut.

286

00:11:08,065 —> 00:11:09,964

That's amazing. What was it like?

Listen, dude,

287

00:11:09,966 —> 00:11:11,266

it's time for you

to hit the road.

288

00:11:11,268 —> 00:11:13,735

Hey, hey, the young man asked

a good question.

289

00:11:22,709 —> 00:11:24,242

So, for those of you

just tuning in,

290

00:11:24,244 —> 00:11:25,576

we are listening

291

00:11:25,578 —> 00:11:27,945

to a really fun fight between my costar...

No, no, no.

292

00:11:27,947 —> 00:11:29,180

We're not fighting;

we're just...

293

00:11:29,182 —> 00:11:30,615

having a conversation.

294

00:11:30,617 —> 00:11:32,316

All right.

295

00:11:32,318 —> 00:11:35,186

We're listening

to a really fun conversation

296

00:11:35,188 —> 00:11:38,356
between my costar
from Serial Ape-ist 2

297
00:11:38,358 —> 00:11:40,024
and her fiancé,
who doesn't believe

298
00:11:40,026 —> 00:11:42,526
women should have dreams.

299
00:11:44,430 —> 00:11:47,632
Give me back that juice.

300
00:11:48,568 —> 00:11:50,434
What is the harm
if I audition?

301
00:11:50,436 —> 00:11:51,836
Well, what if you get it?

302
00:11:51,838 —> 00:11:53,938
I don't know, I make a movie,

303

00:11:53,940 —> 00:11:55,573

become rich and famous,

304

00:11:55,575 —> 00:11:56,774

win an Oscar, a Golden Globe

305

00:11:56,776 —> 00:11:58,809

and live an incredibly

wonderful life.

306

00:11:58,811 —> 00:12:01,512

From a Kevin Smith movie?

307

00:12:02,582 —> 00:12:04,882

KEVIN:

Oh, I'm hanging up now.

308

00:12:04,884 —> 00:12:06,250

Don't you listen

to him, buddy.

309

00:12:06,252 —> 00:12:07,485
You're awesome.

310
00:12:07,487 —> 00:12:09,487
You're one of the greatest
directors of our time.

311
00:12:09,489 —> 00:12:12,189
I don't have
a part for you, Wheaton.

312
00:12:12,992 —> 00:12:14,992
And that was Kevin Smith.

313
00:12:14,994 —> 00:12:17,361
Thanks a lot.

314
00:12:17,363 —> 00:12:18,963
I'm just trying to protect you.

315
00:12:18,965 —> 00:12:21,232
How many times did I see you
get your heart broken

316

00:12:21,234 —> 00:12:23,067

trying to make it

as an actress?

317

00:12:23,069 —> 00:12:24,702

Okay, instead of protecting me,

why don't you try

318

00:12:24,704 —> 00:12:26,504

being excited when

something good happens?

319

00:12:26,506 —> 00:12:28,773

I'm always excited for you!

320

00:12:28,775 —> 00:12:30,508

I'm excited that you found

this new job

321

00:12:30,510 —> 00:12:31,976

where you're making

decent money.

322

00:12:31,978 —> 00:12:34,178

Decent? I make twice

what you make.

323

00:12:34,180 —> 00:12:35,880

Wait, twice?!

324

00:12:35,882 —> 00:12:37,548

Yeah.

325

00:12:37,550 —> 00:12:41,218

Like, "times two" twice?

326

00:12:42,288 —> 00:12:44,355

For those of you at home,

Leonard just found out

327

00:12:44,357 —> 00:12:47,591

his fiancée makes

way more money than he does.

328

00:12:47,593 —> 00:12:49,994
Let's listen.

329
00:12:49,996 —> 00:12:51,963
I went to school
for half my life.

330
00:12:51,965 —> 00:12:53,030
I have a doctorate.

331
00:12:53,032 —> 00:12:55,700
I'm still paying off
college loans.

332
00:12:55,702 —> 00:12:56,801
Well, how much do you owe?

333
00:12:56,803 —> 00:12:58,903
Maybe I can help you out.

334
00:13:00,640 —> 00:13:03,908
Wil, can we just turn off
the podcast for a little bit?

335

00:13:03,910 —> 00:13:05,376

For those of you at home,

336

00:13:05,378 —> 00:13:07,678

I am shaking my head "no."

337

00:13:15,088 —> 00:13:16,487

How's it going, Sheldon?

338

00:13:16,489 —> 00:13:19,190

Wonderful!

339

00:13:20,026 —> 00:13:22,193

I just finished

hanging the lights.

340

00:13:22,195 —> 00:13:23,394

Can I come in?

341

00:13:23,396 —> 00:13:25,262

Yes, oh,

but enter through the side.

342

00:13:25,264 —> 00:13:28,332

Batman is

a load-bearing blanket.

343

00:13:32,538 —> 00:13:34,638

Amazing.

344

00:13:34,640 —> 00:13:36,140

I know.

345

00:13:36,142 —> 00:13:37,508

This isn't the printout.

346

00:13:37,510 —> 00:13:39,410

This is my real face.

347

00:13:40,513 —> 00:13:42,013

What are we doing?

348

00:13:42,015 —> 00:13:43,314

This is a fort.

349

00:13:43,316 —> 00:13:45,783

Let's sit on the floor.

350

00:13:45,785 —> 00:13:47,952

Roughing it? Okay.

351

00:13:50,189 —> 00:13:51,689

(gasps)

352

00:13:51,691 —> 00:13:54,892

Everything looks

so big from down here.

353

00:13:56,162 —> 00:13:59,397

This must be

how Leonard feels.

354

00:14:02,769 —> 00:14:04,335

I'm surprised

you could hear me

355

00:14:04,337 —> 00:14:06,404

with this Thin Mint

in your ear!

356

00:14:06,406 —> 00:14:07,805

(laughs)

357

00:14:07,807 —> 00:14:09,473

Yeah, pretty cool, huh?

358

00:14:09,475 —> 00:14:10,441

Yeah.

359

00:14:10,443 —> 00:14:14,378

Anyway,

I should probably get going.

360

00:14:14,380 —> 00:14:15,713

Howie, have you

noticed how often

361

00:14:15,715 —> 00:14:18,482

people say that
when you start to do magic?

362
00:14:19,152 —> 00:14:21,685
Sorry, I have a long drive.

363
00:14:21,687 —> 00:14:24,522
Well, I hope I get
to see you again.

364
00:14:24,524 —> 00:14:26,123
(chuckles)
I hope so, too.

365
00:14:26,125 —> 00:14:29,960
I've always dreamed of having
a brother to play catch with.

366
00:14:30,797 —> 00:14:32,630
Keep dreaming.

367
00:14:33,332 —> 00:14:34,665
Hey, I threw out the first pitch

368

00:14:34,667 —> 00:14:36,534

at an Angels game.

Wow.

369

00:14:36,536 —> 00:14:39,270

He did it with a robot.

370

00:14:40,073 —> 00:14:42,973

You had sex with a robot?

371

00:14:42,975 —> 00:14:45,142

That's not what she meant.

372

00:14:45,144 —> 00:14:46,777

But technically, yes.

373

00:14:49,482 —> 00:14:50,981

Hang on, if you're making

all this money,

374

00:14:50,983 —> 00:14:52,616

where is it?

375
00:14:52,618 —> 00:14:53,751
In a safe place.

376
00:14:53,753 —> 00:14:55,286
What does that mean,
under your bed?

377
00:14:55,288 —> 00:14:56,654
No, it means

378
00:14:56,656 —> 00:14:59,023
a diversified portfolio
of stocks and bonds.

379
00:14:59,025 —> 00:15:00,424
I'm not overly conservative.

380
00:15:00,426 —> 00:15:04,061
I'm young, so my guy said I
can afford to take some risks.

381

00:15:04,063 —> 00:15:06,664

Wait a minute, you have "a guy"?

382

00:15:06,666 —> 00:15:07,965

Don't you have a guy?

383

00:15:07,967 —> 00:15:11,202

Why would I have a guy?

I don't have any money!

384

00:15:11,871 —> 00:15:13,170

Oh, sweetie,

385

00:15:13,172 —> 00:15:15,606

you should really

get some money.

386

00:15:15,608 —> 00:15:17,842

For those of you listening

at home,

387

00:15:17,844 —> 00:15:20,845

how great is this?

388

00:15:20,847 —> 00:15:23,647

Wil, I'm begging you,

just please turn that off.

389

00:15:23,649 —> 00:15:26,283

Sure.

390

00:15:26,285 —> 00:15:28,352

And we're back.

391

00:15:28,354 —> 00:15:31,755

Leonard, why are you making

such a big deal out of this?

392

00:15:31,757 —> 00:15:34,391

So our roles have changed a bit

over the last couple years.

393

00:15:34,393 —> 00:15:35,759

This is the way life is.

394

00:15:35,761 —> 00:15:38,028

And I'm sure in time

they'll change again.

395

00:15:38,030 —> 00:15:41,298

Great, you're not only

more successful than me,

396

00:15:41,300 —> 00:15:43,367

now you're more mature.

397

00:15:43,369 —> 00:15:45,569

Okay, look, would it

make you feel better

398

00:15:45,571 —> 00:15:48,873

if I did something dumb like

sneak out of work one day

399

00:15:48,875 —> 00:15:51,509

to go audition for

a Kevin Smith movie?

400

00:15:51,511 —> 00:15:53,844

That would be great, thank you!

401

00:15:55,047 —> 00:15:56,413

I'm just gonna jump

in here real quick.

402

00:15:56,415 —> 00:15:57,882

Leonard, a moment ago,

403

00:15:57,884 —> 00:16:01,118

you were dead set against Penny

resuming her acting career,

404

00:16:01,120 —> 00:16:02,620

but now you're all for it.

405

00:16:02,622 —> 00:16:05,990

Is it fair to say that

she played you like a violin?

406

00:16:07,193 —> 00:16:09,493

Yes, it is, Wil.

407
00:16:12,131 —> 00:16:14,165
So, I have to ask,

408
00:16:14,167 —> 00:16:16,567
was the robot sexy?

409
00:16:16,569 —> 00:16:18,669
(chuckles)
It was actually

410
00:16:18,671 —> 00:16:21,438
just a mechanical hand.

411
00:16:21,440 —> 00:16:24,708
'Cause that's all
you need, right?

412
00:16:25,845 —> 00:16:27,178
You are my brother.

413

00:16:29,315 —> 00:16:31,882
Okay, so the final four forts

414
00:16:31,884 —> 00:16:34,451
in the first annual
best fort ever contest,

415
00:16:34,453 —> 00:16:36,520
or "fort off," are...

416
00:16:37,657 —> 00:16:38,956
...Fort Knox,

417
00:16:38,958 —> 00:16:40,424
Fort Ticonderoga,

418
00:16:40,426 —> 00:16:42,927
Fort Sumter and...

419
00:16:42,929 —> 00:16:45,196
Fort Cozy McBlanket.

420

00:16:46,532 —> 00:16:47,798
I'd say...

421
00:16:47,800 —> 00:16:49,767
Knox over Ticonderoga

422
00:16:49,769 —> 00:16:50,868
'cause it's got the gold.

423
00:16:50,870 —> 00:16:52,770
Mm-hmm.
And McBlanket over Sumter

424
00:16:52,772 —> 00:16:55,573
'cause it has
a higher thread count.

425
00:16:56,309 —> 00:16:58,275
(phone rings)
Oh.

426
00:16:58,277 —> 00:17:00,978
10:00.

427

00:17:00,980 —> 00:17:02,146

Date night's over.

428

00:17:02,148 —> 00:17:03,414

Wait, no.

429

00:17:03,416 —> 00:17:04,915

We haven't picked a winner.

430

00:17:04,917 —> 00:17:07,384

We both know

this one's gonna win.

431

00:17:07,386 —> 00:17:09,153

Well, of course we do.

432

00:17:09,155 —> 00:17:10,921

Fort Knox doesn't have a secret

433

00:17:10,923 —> 00:17:13,090

physics lending library.

434

00:17:14,660 —> 00:17:16,227

Come on, I'll help

you take this down.

435

00:17:16,229 —> 00:17:17,294

Well, wait.

436

00:17:17,296 —> 00:17:19,363

What if, just this once,

437

00:17:19,365 —> 00:17:21,699

we suspend

the date night parameters

438

00:17:21,701 —> 00:17:24,468

and you stay later?

439

00:17:26,305 —> 00:17:30,341

Well, as long as we're

suspending the parameters,

440

00:17:30,343 —> 00:17:31,942
I could stay really late

441
00:17:31,944 —> 00:17:35,312
and we could have
our first sleepover.

442
00:17:35,314 —> 00:17:37,615
That's a big step.

443
00:17:37,617 —> 00:17:40,784
It's a big fort.

444
00:17:42,388 —> 00:17:43,988
Very well.

445
00:17:43,990 —> 00:17:46,824
I will agree
to a family-friendly,

446
00:17:46,826 —> 00:17:49,627
G-rated, boy-girl sleepover.

447

00:17:51,664 —> 00:17:52,963

PG.

448

00:17:52,965 —> 00:17:56,400

Some scenes may be too intense

for younger viewers.

449

00:17:56,402 —> 00:17:58,636

G-rated,

450

00:17:58,638 —> 00:18:01,739

with a warning for families

with babies and toddlers.

451

00:18:04,043 —> 00:18:05,876

You got yourself a sleepover.

452

00:18:07,146 —> 00:18:08,412

Do you need to borrow

453

00:18:08,414 —> 00:18:09,780

a toothbrush or pajamas?

454

00:18:09,782 —> 00:18:11,749

Would it alarm you to know

455

00:18:11,751 —> 00:18:14,485

that I hid those things here

two years ago

456

00:18:14,487 —> 00:18:16,720

just in case this ever came up?

457

00:18:18,958 —> 00:18:20,190

It would,

458

00:18:20,192 —> 00:18:23,127

but you know how much

I admire preparedness.

459

00:18:24,864 —> 00:18:26,530

How did you know we'd be

in the living room?

460

00:18:26,532 —> 00:18:29,366
Who says this is
the only one I hid?

461
00:18:42,877 —> 00:18:45,043
Hello? What is this?

462
00:18:45,045 —> 00:18:47,679
We built a fort!

463
00:18:47,681 —> 00:18:49,882
Are those my sheets?

464

It gets a bad rap from shows

56

00:02:11,884 —> 00:02:14,050

like Jersey Shore

and Real Housewives.

57

00:02:14,052 —> 00:02:15,685

So it's not

really like that?

58

00:02:15,687 —> 00:02:17,854

No, it's like that.

59

00:02:18,856 —> 00:02:20,624

Well, I'm excited

to show you around.

60

00:02:20,626 —> 00:02:22,726
You think we'll have time
to visit your mom over there?

61
00:02:22,728 —> 00:02:25,796
Yes. We'll also have time to put
my junk in a garlic press,

62
00:02:25,798 —> 00:02:28,165
but I'm not
doing that either.

63
00:02:28,167 —> 00:02:30,934
(phone chimes)

64
00:02:30,936 —> 00:02:32,436
Uh-oh.

65
00:02:32,438 —> 00:02:34,171
I just got an alert.

66
00:02:34,173 —> 00:02:35,372
Our flight's

been canceled.

67
00:02:35,374 —> 00:02:36,406
What?

68
00:02:36,408 —> 00:02:37,841
Yeah, looks like
there's a big storm

69
00:02:37,843 —> 00:02:39,376
all up the East Coast.

70
00:02:39,378 —> 00:02:41,278
Well, can we get
on another airline?

71
00:02:41,280 —> 00:02:42,646
I don't think so.

72
00:02:42,648 —> 00:02:43,947
So, that's it?

73

00:02:43,949 —> 00:02:44,949
We're not going?

74
00:02:44,950 —> 00:02:47,217
I guess not.
(scoffs)

75
00:02:47,219 —> 00:02:48,251
Well, that sucks.

76
00:02:48,253 —> 00:02:49,352
Yeah.

77
00:02:49,354 —> 00:02:50,620
I worked hard on
that speech, too.

78
00:02:50,622 —> 00:02:52,823
Oh. You could tell it to me.

79
00:02:52,825 —> 00:02:54,458
Oh, thank you,
but I'm okay.

80

00:02:54,460 —> 00:02:55,859

Are you sure?

81

00:02:55,861 —> 00:02:57,494

I could pretend I'm a

high school cheerleader

82

00:02:57,496 —> 00:02:59,830

who can't control herself

around esteemed alumni.

83

00:03:01,866 —> 00:03:03,934

Greetings, distinguished

cheerleaders.

84

00:03:03,936 —> 00:03:06,203

Ooh!

85

00:03:07,338 —> 00:03:09,840

Okay, the WiFi extender

is on, the camera's on,

86

00:03:09,842 —> 00:03:11,174

they're both on

the same network;

87

00:03:11,176 —> 00:03:12,509

we should be

getting an image.

88

00:03:12,511 —> 00:03:14,911

All I see is a black screen.

89

00:03:14,913 —> 00:03:16,546

And my own reflection.

90

00:03:18,015 —> 00:03:19,082

I look sad.

91

00:03:21,252 —> 00:03:22,986

Maybe we should

recalibrate it.

92

00:03:22,988 —> 00:03:24,688

All right.

Step one:

93

00:03:24,690 —> 00:03:26,723

rapidly flip

the calibration switch

94

00:03:26,725 —> 00:03:28,758

from the fully up

to the fully down positions

95

00:03:28,760 —> 00:03:30,427

for at least ten times.

96

00:03:30,429 —> 00:03:33,330

It actually says "at least"?

97

00:03:33,332 —> 00:03:34,965

Yeah.

98

00:03:34,967 —> 00:03:36,533

Why would they say "at least"?

99

00:03:36,535 —> 00:03:37,968

Is it ten toggles?

100

00:03:37,970 —> 00:03:39,903

Is it 100 toggles? You know?

101

00:03:39,905 —> 00:03:41,771

Is it 1,000 toggles?

102

00:03:41,773 —> 00:03:43,573

10,000 toggles?

100,000 toggles?

103

00:03:43,575 —> 00:03:46,076

Sheldon!

104

00:03:46,078 —> 00:03:48,979

You see where

I'm going with this.

105

00:03:48,981 —> 00:03:51,081

Just flip the switch

106

00:03:51,083 —> 00:03:54,217

until the lights on the drone

change to solid yellow.

107

00:03:54,219 —> 00:03:56,419

All right,

that seems simple enough.

108

00:03:56,421 —> 00:03:59,489

Initiating calibration sequence.

109

00:03:59,491 —> 00:04:01,558

One, two, three, four,

110

00:04:01,560 —> 00:04:05,328

five, six, seven,

eight, nine, ten.

111

00:04:07,865 —> 00:04:11,301

Well, I suppose ten

is technically "at least ten."

112

00:04:13,204 —> 00:04:16,072

But they're still getting

at least one angry letter.

113

00:04:18,209 —> 00:04:20,744

Now I rotate

it horizontally

114

00:04:20,746 —> 00:04:24,781

on its center axis until

the lights turn green.

115

00:04:24,783 —> 00:04:26,950

Initiating rotation sequence.

116

00:04:28,920 —> 00:04:31,922

Don't look at me, initiate.

117

00:04:34,892 —> 00:04:36,459

Oh...

What does red and yellow mean?

118

00:04:36,461 —> 00:04:38,094
It means the
calibration failed.

119
00:04:38,096 —> 00:04:39,529
We have to start over.

120
00:04:39,531 —> 00:04:40,463
Oh. Very well.

121
00:04:40,465 —> 00:04:43,567
Reinitiating
calibration sequence.

122
00:04:43,569 —> 00:04:45,302
One, two, three, four,

123
00:04:45,304 —> 00:04:48,738
five, six,
seven, eight, nine, ten...

124
00:04:51,108 —> 00:04:53,944
...eleven.

125

00:04:55,179 —> 00:04:58,648

It's a good thing

I didn't send that letter.

126

00:05:01,319 —> 00:05:03,520

(Skype ringtone plays)

127

00:05:04,789 —> 00:05:07,190

Mm. Hello, Daddy. What's up?

128

00:05:07,192 —> 00:05:09,626

Not much, just wanted to see

how my son's doing.

129

00:05:09,628 —> 00:05:11,561

Very well, thank you.

130

00:05:11,563 —> 00:05:13,663

Are you still dating

that dermatologist?

131

00:05:13,665 —> 00:05:16,366
If you could feel
how soft my skin is,

132
00:05:16,368 —> 00:05:19,035
you wouldn't have to ask.

133
00:05:19,037 —> 00:05:22,172
Oh, and there's something else
I wanted to ask you.

134
00:05:22,174 —> 00:05:26,409
Why did you spend a month's rent
on a toy helicopter?!

135
00:05:26,411 —> 00:05:30,180
Oh, you're where that bill goes.

136
00:05:30,182 —> 00:05:33,316
I'm tired of indulging
your foolish lifestyle.

137
00:05:33,318 —> 00:05:34,884

It's time you learned
responsibility.

138
00:05:34,886 —> 00:05:36,453
And the only way
to teach you that

139
00:05:36,455 —> 00:05:37,921
is to cut off your allowance.

140
00:05:37,923 —> 00:05:39,723
No, Daddy, no!

141
00:05:39,725 —> 00:05:41,992
There are lots of other ways
to teach me responsibility.

142
00:05:41,994 —> 00:05:43,660
I know, you can give me an egg

143
00:05:43,662 —> 00:05:46,363
and make me take care of it
for a week!

144

00:05:46,365 —> 00:05:48,665

No, my mind is made up.

145

00:05:48,667 —> 00:05:49,966

Starting now,

you're on your own.

146

00:05:49,968 —> 00:05:53,837

But, Daddy,

I-I miss my family so much,

147

00:05:53,839 —> 00:05:56,106

and with you and Mummy

getting a divorce,

148

00:05:56,108 —> 00:05:57,907

I feel sad and empty.

149

00:05:57,909 —> 00:05:59,476

Buying a little toy

150

00:05:59,478 —> 00:06:02,212
every now and then
helps me fill that void.

151
00:06:02,214 —> 00:06:04,447
So while I can't
hug you every day,

152
00:06:04,449 —> 00:06:06,116
flying that helicopter...

153
00:06:06,118 —> 00:06:07,283
I'm cutting you off.

154
00:06:07,285 —> 00:06:11,454
Just to be clear,
financially or mid-sentence?

155
00:06:14,125 —> 00:06:15,759
No red and yellow,

156
00:06:15,761 —> 00:06:17,227
no red and yellow.

157

00:06:17,928 —> 00:06:18,995

Yay!

It's green!

158

00:06:18,997 —> 00:06:20,463

We did it!

159

00:06:20,465 —> 00:06:21,898

Oh!

160

00:06:21,900 —> 00:06:26,236

God, if it's this much fun to

rotate, imagine when we fly it.

161

00:06:26,238 —> 00:06:29,039

Okay, now all I have to do

is rotate it vertically

162

00:06:29,041 —> 00:06:32,275

until the lights turn off.

163

00:06:32,277 —> 00:06:34,110
Oh, no!
Oh!

164
00:06:34,112 —> 00:06:37,213
All right,
playtime's over.

165
00:06:37,215 —> 00:06:38,948
Let's open
this baby up.

166
00:06:38,950 —> 00:06:41,217
Won't that void the warranty?

167
00:06:41,219 —> 00:06:45,355
Sheldon, I have a master's
degree in engineering.

168
00:06:45,357 —> 00:06:48,992
I wipe my bottom
with warranties.

169

00:06:50,127 —> 00:06:51,828
Except for AppleCare.

170
00:06:51,830 —> 00:06:54,798
That pays for itself
in the long run.

171
00:06:57,068 —> 00:06:58,001
Hi.

172
00:06:58,003 —> 00:06:59,235
Hey, where'd you go?

173
00:06:59,237 —> 00:07:02,305
I got you a little something
to cheer you up.

174
00:07:02,307 —> 00:07:03,273
Really?

175
00:07:03,275 —> 00:07:04,908
Sex last night,
pancakes this morning—

176

00:07:04,910 —> 00:07:07,677

Am I dying?

(chuckles)

177

00:07:07,679 —> 00:07:10,346

Just open it.

178

00:07:10,348 —> 00:07:11,514

A cap and gown?

179

00:07:11,516 —> 00:07:13,116

Why do I need a cap and gown?

180

00:07:13,118 —> 00:07:16,152

Because you are giving

your commencement speech.

181

00:07:16,154 —> 00:07:17,153

What are you talking about?

182

00:07:17,155 —> 00:07:18,521

I called your old high school

183
00:07:18,523 —> 00:07:21,958
and convinced them to let you
give your speech over Skype.

184
00:07:21,960 —> 00:07:22,992
Really?

185
00:07:22,994 —> 00:07:23,994
That's amazing!

186
00:07:23,995 —> 00:07:26,096
And you gave me the robes
to give it in.

187
00:07:26,098 —> 00:07:27,297
Thank you.

188
00:07:27,299 —> 00:07:28,231
Yeah, now about those—

189

00:07:28,233 —> 00:07:29,766
uh, they came from
a costume shop,

190
00:07:29,768 —> 00:07:32,268
and all they had left
was sexy graduate,

191
00:07:32,270 —> 00:07:33,336
so they...

192
00:07:33,338 —> 00:07:36,139
might be a little short.

193
00:07:36,141 —> 00:07:39,008
Short and sexy,
that's my wheelhouse.

194
00:07:39,010 —> 00:07:40,810
Yeah!

195
00:07:49,420 —> 00:07:52,789
Boy, oh, boy,

that's a lot of pieces.

196

00:07:52,791 —> 00:07:54,691

You know

what they all do, right?

197

00:07:54,693 —> 00:07:56,860

Yes, of course.

198

00:07:56,862 —> 00:07:58,128

What about this one?

199

00:07:58,130 —> 00:08:00,930

Well, I...

how familiar are you

200

00:08:00,932 —> 00:08:03,366

with miniaturized

integrated logic circuits?

201

00:08:03,368 —> 00:08:04,501

Not very.

202

00:08:04,503 —> 00:08:05,668

That right there

is a miniaturized

203

00:08:05,670 —> 00:08:06,870

integrated logic circuit.

204

00:08:10,241 —> 00:08:12,075

So, can you

get it working?

205

00:08:12,077 —> 00:08:14,744

I'm an MIT-trained engineer.

206

00:08:14,746 —> 00:08:17,147

I've built components

for the space station.

207

00:08:17,149 —> 00:08:20,850

I thought the zero-gravity

toilet didn't work.

208

00:08:20,852 —> 00:08:22,552
It worked fine,

209
00:08:22,554 —> 00:08:25,355
it just wasn't designed
for Russian cosmonauts

210
00:08:25,357 —> 00:08:28,024
and their potato-based diet.

211
00:08:28,026 —> 00:08:29,692
Hey, guys.

212
00:08:29,694 —> 00:08:31,127
Hey.
Hello.

213
00:08:31,129 —> 00:08:33,096
I have to return the helicopter.
My father...

214
00:08:33,098 —> 00:08:36,332
What did you do?!

215

00:08:37,635 —> 00:08:38,701

Well, don't worry.

216

00:08:38,703 —> 00:08:40,069

He went to MIT.

217

00:08:40,071 —> 00:08:41,871

He can solve any problem,

218

00:08:41,873 —> 00:08:45,308

as long as it doesn't originate

in a Russian man's colon.

219

00:08:55,017 —> 00:08:56,617

I don't freaking

believe this!

220

00:08:56,619 —> 00:08:57,985

Relax, it'll be fine.

221

00:08:57,987 —> 00:08:59,620

No, you have to put
this back together

222
00:08:59,622 —> 00:09:01,455
right now,
so I can return it!

223
00:09:01,457 —> 00:09:03,124
You can't return it.

224
00:09:03,126 —> 00:09:06,127
Howard wiped his bottom
with the warranty.

225
00:09:06,129 —> 00:09:07,962
What?!

226
00:09:07,964 —> 00:09:09,697
I think metaphorically.

227
00:09:09,699 —> 00:09:12,133
But he was in the bathroom
for a while.

228

00:09:14,403 —> 00:09:15,770

Howard, my father cut me off.

229

00:09:15,772 —> 00:09:17,438

I have to get my money back

for this!

230

00:09:17,440 —> 00:09:18,739

Calm down.

231

00:09:18,741 —> 00:09:19,974

Okay.

232

00:09:19,976 —> 00:09:21,709

Okay, you're right.

233

00:09:21,711 —> 00:09:23,611

It's time for me to step up

234

00:09:23,613 —> 00:09:25,580

and take responsibility

for my life.

235

00:09:26,515 —> 00:09:27,982

Be a man.

236

00:09:30,285 —> 00:09:33,321

Hello, Mummy.

237

00:09:33,323 —> 00:09:34,689

Hello, Rajesh.

238

00:09:34,691 —> 00:09:36,624

What a nice surprise.

239

00:09:36,626 —> 00:09:37,925

Well, I've been

thinking about you.

240

00:09:37,927 —> 00:09:39,060

How are you doing?

241

00:09:39,062 —> 00:09:40,661

Are you happy, Mummy?

242
00:09:41,296 —> 00:09:43,297
Such a sweet boy for asking.

243
00:09:43,299 —> 00:09:47,368
Can't believe you come from
the poison seed of your father.

244
00:09:47,370 —> 00:09:49,837
Well, I like to think
I take mostly after you.

245
00:09:49,839 —> 00:09:51,272
Anyway,
speaking of Daddy,

246
00:09:51,274 —> 00:09:53,608
I had a very strange
conversation with him.

247
00:09:53,610 —> 00:09:55,943
He said he couldn't afford

to send me money anymore

248
00:09:55,945 —> 00:09:58,179
because of
his active social life.

249
00:09:58,181 —> 00:10:02,817
What does that mean,
"active social life"?

250
00:10:02,819 —> 00:10:04,185
Well, let's not talk about him

251
00:10:04,187 —> 00:10:06,487
or whatever shenanigans
he may or may not be up to.

252
00:10:06,489 —> 00:10:07,588
Let's talk about you.

253
00:10:07,590 —> 00:10:10,925
Rajesh, is your father
seeing someone?

254

00:10:10,927 —> 00:10:12,426

All I know, Mummy, is that

255

00:10:12,428 —> 00:10:15,596

he's a single wealthy doctor,

and now, for some reason,

256

00:10:15,598 —> 00:10:18,866

there's no money

for your little boy.

257

00:10:20,469 —> 00:10:23,204

Well, however much money

your father was giving you,

258

00:10:23,206 —> 00:10:24,338

I'll give you more.

259

00:10:24,340 —> 00:10:26,273

Thank you, Mummy, I love you!

260

00:10:26,275 —> 00:10:28,442
(quietly):
Helicopters for everybody!

261
00:10:30,912 —> 00:10:33,214
What's taking so long?

262
00:10:33,216 —> 00:10:34,682
LEONARD: I don't think
this is gonna work.

263
00:10:34,684 —> 00:10:36,050
Just let me see.

264
00:10:41,490 —> 00:10:44,191
Sweetie, you know
you're supposed to wear clothes

265
00:10:44,193 —> 00:10:45,860
underneath a graduation gown.

266
00:10:45,862 —> 00:10:47,895
A: surprised you know that.

267

00:10:49,031 —> 00:10:52,199

B: I wanted to look like

a sexy graduate for you.

268

00:10:52,201 —> 00:10:53,167

Oh.

269

00:10:53,169 —> 00:10:54,301

Well, you do.

270

00:10:54,303 —> 00:10:55,736

Oh. Thank you.

271

00:10:55,738 —> 00:10:57,505

Yeah.

272

00:10:57,507 —> 00:11:00,241

You're gonna be on Skype;

they're not gonna see your legs.

273

00:11:00,243 —> 00:11:02,143

Well, I'm gonna go put on
some pants just in case.

274
00:11:02,145 —> 00:11:04,879
But I have to say,
this is very freeing.

275
00:11:04,881 —> 00:11:06,681
(chuckles)

276
00:11:06,683 —> 00:11:10,084
Add a belt and I'll take you
someplace nice.

277
00:11:10,086 —> 00:11:11,086
Oh.

278
00:11:11,087 —> 00:11:13,287
Done and done.

279
00:11:19,528 —> 00:11:21,996
Okay, I think
I've narrowed it down

280

00:11:21,998 —> 00:11:25,032

to a faulty pin on

the onboard communication chip.

281

00:11:25,034 —> 00:11:27,668

Very impressive.

282

00:11:27,670 —> 00:11:29,770

You know, when you're

done with that,

283

00:11:29,772 —> 00:11:32,606

can you look at this?

284

00:11:33,975 —> 00:11:36,210

It doesn't make smoke anymore.

285

00:11:36,212 —> 00:11:38,279

One toy at a time.

286

00:11:38,281 —> 00:11:39,814

Mm. Sorry.

287
00:11:39,816 —> 00:11:41,182
Ah, maybe it's for the best.

288
00:11:41,184 —> 00:11:43,217
I hear locomotive smoke

289
00:11:43,219 —> 00:11:47,321
is the second leading cause of
death among train aficionados.

290
00:11:47,323 —> 00:11:48,589
What's the first one?

291
00:11:48,591 —> 00:11:50,825
Suicide.

292
00:11:50,827 —> 00:11:52,259
Wrong.

293
00:11:52,261 —> 00:11:53,594

Obesity.

294
00:11:55,564 —> 00:11:57,832
I have the tool you wanted.

295
00:11:57,834 —> 00:11:59,200
Thank you.

296
00:11:59,202 —> 00:12:01,102
You guys don't have
to go to the trouble.

297
00:12:01,104 —> 00:12:02,303
I'm back in the money now;

298
00:12:02,305 —> 00:12:03,604
I can just buy
another helicopter.

299
00:12:03,606 —> 00:12:04,872
It's not about the money.

300

00:12:04,874 —> 00:12:06,240
It's about solving a problem.

301
00:12:06,242 —> 00:12:07,808
It's why I became an engineer.

302
00:12:07,810 —> 00:12:10,144
It's what I like to do,
it's what I'm trained to do.

303
00:12:10,146 —> 00:12:12,113
It's who I am.

304
00:12:12,115 —> 00:12:15,082
Oh, look at you—
the little engineer that could.

305
00:12:16,752 —> 00:12:18,619
Why don't you just
call tech support?

306
00:12:18,621 —> 00:12:21,388
Hey! Whoa!

Not cool!

307
00:12:21,390 —> 00:12:22,556
What?

308
00:12:22,558 —> 00:12:24,125
There's two kinds of
people in this world:

309
00:12:24,127 —> 00:12:25,559
those who call
tech support

310
00:12:25,561 —> 00:12:29,063
and those who make fun of the
people who call tech support.

311
00:12:29,065 —> 00:12:30,698
I call tech support
all the time.

312
00:12:30,700 —> 00:12:32,066
Ha-ha!

You call tech support!

313
00:12:32,068 —> 00:12:33,734
What a baby!

314
00:12:34,903 —> 00:12:37,738
And now, for our
commencement address,

315
00:12:37,740 —> 00:12:40,207
one of our
most distinguished alumni,

316
00:12:40,209 —> 00:12:45,312
noted Caltech physicist
Dr. Leonard Hofstadter.

317
00:12:48,984 —> 00:12:51,285
Members of the faculty,
students,

318
00:12:51,287 —> 00:12:54,121
I'm excited to speak

to you today.

319

00:12:54,123 —> 00:12:55,389

I can't help but remember

320

00:12:55,391 —> 00:12:57,525

the last time

I was in this auditorium.

321

00:12:57,527 —> 00:12:59,059

Two guys from the lacrosse team

322

00:12:59,061 —> 00:13:02,329

played keep-away

with my asthma inhaler.

323

00:13:02,331 —> 00:13:05,966

But enough about

my ten-year reunion.

324

00:13:05,968 —> 00:13:08,469

I'd also like

to take a moment

325

00:13:08,471 —> 00:13:10,437

to thank

my beautiful fiancée

326

00:13:10,439 —> 00:13:12,039

for to helping make

this speech possible,

327

00:13:12,041 —> 00:13:14,008

even though weather

nearly prevented it.

328

00:13:14,010 —> 00:13:16,477

Oh. Hello.

329

00:13:16,479 —> 00:13:18,345

I-I didn't know

he was gonna point it at me,

330

00:13:18,347 —> 00:13:21,415

so... don't do drugs

and stay in school.

331

00:13:21,417 —> 00:13:22,216

They're graduating.

332

00:13:22,218 —> 00:13:23,617

Okay, bye!

333

00:13:26,087 —> 00:13:28,355

All right, the power

supply is reconnected.

334

00:13:28,357 —> 00:13:29,757

I think we're

back in business.

335

00:13:29,759 —> 00:13:32,493

Let's just run a few tests

before we take it outside.

336

00:13:32,495 —> 00:13:34,195

Sheldon, we got WiFi?

Check.

337

00:13:34,197 —> 00:13:35,362

GPS?

Check.

338

00:13:35,364 —> 00:13:37,064

Battery charged?

Check.

339

00:13:37,066 —> 00:13:40,501

Four hours of our lives gone?

Check.

340

00:13:40,503 —> 00:13:41,869

All right.

341

00:13:41,871 —> 00:13:43,037

All systems go.

342

00:13:43,039 —> 00:13:44,039

In five...

343

00:13:44,040 —> 00:13:46,841

...four, three, two, one.

344

00:13:46,843 —> 00:13:48,542

(electrical crackle)

345

00:13:52,547 —> 00:13:54,582

That's what my

train used to do.

346

00:13:57,986 —> 00:14:00,621

Ready to call

tech support?

347

00:14:00,623 —> 00:14:03,190

Give me the number.

348

00:14:03,192 —> 00:14:04,491

Probably wind up

349

00:14:04,493 —> 00:14:07,194

talking to some foreign guy

350

00:14:07,196 —> 00:14:11,332
who's reading from
the same manual I have.

351
00:14:12,767 —> 00:14:15,102
(phone ringing)

352
00:14:18,273 —> 00:14:20,274
It's my father, you jerks.

353
00:14:24,479 —> 00:14:25,679
Hello, Daddy.

354
00:14:25,681 —> 00:14:26,914
What did you say to your mother?

355
00:14:26,916 —> 00:14:27,916
Nothing.

356
00:14:27,917 —> 00:14:29,850
I was just calling to check in,

357

00:14:29,852 —> 00:14:31,185
make sure she's doing okay.

358
00:14:31,187 —> 00:14:32,486
Well, after talking to you,

359
00:14:32,488 —> 00:14:35,856
she seems to think
I'm some sort of playboy.

360
00:14:35,858 —> 00:14:37,191
Really?

361
00:14:37,193 —> 00:14:40,094
I don't know where
she'd get an idea like that.

362
00:14:40,096 —> 00:14:42,696
You know Mummy
and her crazy imagination.

363
00:14:42,698 —> 00:14:45,966
I'm so lucky I take after you.

364

00:14:45,968 —> 00:14:49,603

You think you take after me?

365

00:14:49,605 —> 00:14:50,971

Well, I try to.

366

00:14:50,973 —> 00:14:52,640

I certainly wouldn't

be a scientist

367

00:14:52,642 —> 00:14:56,477

if you hadn't been

my role model.

368

00:14:56,479 —> 00:15:00,347

Who wants to go to Vegas

in a real helicopter?!

369

00:15:03,852 —> 00:15:05,886

It was L. Frank Baum who said,

370

00:15:05,888 —> 00:15:11,025
"No thief, however skillful,
can rob one of knowledge,

371
00:15:11,027 —> 00:15:16,230
and that is why knowledge is
the best and safest treasure."

372
00:15:16,232 —> 00:15:19,433
Wow, I'm boring myself.

373
00:15:19,435 —> 00:15:21,268
(sighs)

374
00:15:21,270 —> 00:15:23,837
Sorry, I can't see
any of your faces right now,

375
00:15:23,839 —> 00:15:25,739
but I bet they look like this.

376
00:15:30,211 —> 00:15:34,248
Uh, you know,

I-I wrote an entire speech

377
00:15:34,250 —> 00:15:36,617
to say how high school
prepares you

378
00:15:36,619 —> 00:15:39,687
and what a wonderful
place it is,

379
00:15:39,689 —> 00:15:41,989
but I hated it.

380
00:15:41,991 —> 00:15:44,591
Maybe high school's great
if you look like this...

381
00:15:46,594 —> 00:15:51,498
...but I didn't even feel like
I existed at that school.

382
00:15:51,500 —> 00:15:54,101
And now that I think about it,

383

00:15:54,103 —> 00:15:56,670

I bet a lot of you

feel the same way.

384

00:15:56,672 —> 00:16:00,207

So, for the remainder

of my speech,

385

00:16:00,209 —> 00:16:03,510

this is for the invisible kids.

386

00:16:03,512 —> 00:16:06,814

Uh, maybe you never fit in.

387

00:16:06,816 —> 00:16:09,283

Or maybe you're

the smallest kid in the school,

388

00:16:09,285 —> 00:16:11,485

or the heaviest or the weirdest.

389

00:16:11,487 —> 00:16:12,686
Maybe you're graduating

390
00:16:12,688 —> 00:16:14,955
and you still haven't had
your first kiss.

391
00:16:14,957 —> 00:16:16,991
By the way, 19;

392
00:16:16,993 —> 00:16:20,427
and Geraldine Coco,
wherever you are, thank you.

393
00:16:22,097 —> 00:16:24,198
Maybe you don't have
any friends.

394
00:16:24,200 —> 00:16:27,034
And guess what? That's okay.

395
00:16:27,036 —> 00:16:29,303
While all the popular kids

are off doing—

396
00:16:29,305 —> 00:16:31,238
whatever, I don't know
what they were doing

397
00:16:31,240 —> 00:16:32,539
'cause I was never there...

398
00:16:32,541 —> 00:16:35,075
I'll-I'll tell you later.

399
00:16:35,077 —> 00:16:37,911
My point is,

400
00:16:37,913 —> 00:16:40,014
while you're spending
all this time on your own,

401
00:16:40,016 —> 00:16:44,018
building computers
or practicing your cello,

402

00:16:44,020 —> 00:16:47,888

what you're really doing

is becoming interesting.

403

00:16:47,890 —> 00:16:50,991

And when people finally

do notice you,

404

00:16:50,993 —> 00:16:54,061

they're gonna find someone

a lot cooler than they thought.

405

00:05:34,886 —> 00:05:36,453

And the only way
to teach you that

139
00:05:36,455 —> 00:05:37,921
is to cut off your allowance.

140
00:05:37,923 —> 00:05:39,723
No, Daddy, no!

141
00:05:39,725 —> 00:05:41,992
There are lots of other ways
to teach me responsibility.

142
00:05:41,994 —> 00:05:43,660
I know, you can give me an egg

143
00:05:43,662 —> 00:05:46,363
and make me take care of it
for a week!

144
00:05:46,365 —> 00:05:48,665
No, my mind is made up.

145

00:05:48,667 —> 00:05:49,966

Starting now,

you're on your own.

146

00:05:49,968 —> 00:05:53,837

But, Daddy,

I-I miss my family so much,

147

00:05:53,839 —> 00:05:56,106

and with you and Mummy

getting a divorce,

148

00:05:56,108 —> 00:05:57,907

I feel sad and empty.

149

00:05:57,909 —> 00:05:59,476

Buying a little toy

150

00:05:59,478 —> 00:06:02,212

every now and then

helps me fill that void.

151

00:06:02,214 —> 00:06:04,447
So while I can't
hug you every day,

152
00:06:04,449 —> 00:06:06,116
flying that helicopter...

153
00:06:06,118 —> 00:06:07,283
I'm cutting you off.

154
00:06:07,285 —> 00:06:11,454
Just to be clear,
financially or mid-sentence?

155
00:06:14,125 —> 00:06:15,759
No red and yellow,

156
00:06:15,761 —> 00:06:17,227
no red and yellow.

157
00:06:17,928 —> 00:06:18,995
Yay!
It's green!

158

00:06:18,997 —> 00:06:20,463

We did it!

159

00:06:20,465 —> 00:06:21,898

Oh!

160

00:06:21,900 —> 00:06:26,236

God, if it's this much fun to

rotate, imagine when we fly it.

161

00:06:26,238 —> 00:06:29,039

Okay, now all I have to do

is rotate it vertically

162

00:06:29,041 —> 00:06:32,275

until the lights turn off.

163

00:06:32,277 —> 00:06:34,110

Oh, no!

Oh!

164

00:06:34,112 —> 00:06:37,213
All right,
playtime's over.

165
00:06:37,215 —> 00:06:38,948
Let's open
this baby up.

166
00:06:38,950 —> 00:06:41,217
Won't that void the warranty?

167
00:06:41,219 —> 00:06:45,355
Sheldon, I have a master's
degree in engineering.

168
00:06:45,357 —> 00:06:48,992
I wipe my bottom
with warranties.

169
00:06:50,127 —> 00:06:51,828
Except for AppleCare.

170
00:06:51,830 —> 00:06:54,798

That pays for itself
in the long run.

171
00:06:57,068 —> 00:06:58,001
Hi.

172
00:06:58,003 —> 00:06:59,235
Hey, where'd you go?

173
00:06:59,237 —> 00:07:02,305
I got you a little something
to cheer you up.

174
00:07:02,307 —> 00:07:03,273
Really?

175
00:07:03,275 —> 00:07:04,908
Sex last night,
pancakes this morning—

176
00:07:04,910 —> 00:07:07,677
Am I dying?
(chuckles)

177

00:07:07,679 —> 00:07:10,346

Just open it.

178

00:07:10,348 —> 00:07:11,514

A cap and gown?

179

00:07:11,516 —> 00:07:13,116

Why do I need a cap and gown?

180

00:07:13,118 —> 00:07:16,152

Because you are giving

your commencement speech.

181

00:07:16,154 —> 00:07:17,153

What are you talking about?

182

00:07:17,155 —> 00:07:18,521

I called your old high school

183

00:07:18,523 —> 00:07:21,958

and convinced them to let you

give your speech over Skype.

184

00:07:21,960 —> 00:07:22,992

Really?

185

00:07:22,994 —> 00:07:23,994

That's amazing!

186

00:07:23,995 —> 00:07:26,096

And you gave me the robes

to give it in.

187

00:07:26,098 —> 00:07:27,297

Thank you.

188

00:07:27,299 —> 00:07:28,231

Yeah, now about those—

189

00:07:28,233 —> 00:07:29,766

uh, they came from

a costume shop,

190

00:07:29,768 —> 00:07:32,268
and all they had left
was sexy graduate,

191
00:07:32,270 —> 00:07:33,336
so they...

192
00:07:33,338 —> 00:07:36,139
might be a little short.

193
00:07:36,141 —> 00:07:39,008
Short and sexy,
that's my wheelhouse.

194
00:07:39,010 —> 00:07:40,810
Yeah!

195
00:07:49,420 —> 00:07:52,789
Boy, oh, boy,
that's a lot of pieces.

196
00:07:52,791 —> 00:07:54,691
You know

what they all do, right?

197

00:07:54,693 —> 00:07:56,860

Yes, of course.

198

00:07:56,862 —> 00:07:58,128

What about this one?

199

00:07:58,130 —> 00:08:00,930

Well, I...

how familiar are you

200

00:08:00,932 —> 00:08:03,366

with miniaturized

integrated logic circuits?

201

00:08:03,368 —> 00:08:04,501

Not very.

202

00:08:04,503 —> 00:08:05,668

That right there

is a miniaturized

203

00:08:05,670 —> 00:08:06,870

integrated logic circuit.

204

00:08:10,241 —> 00:08:12,075

So, can you

get it working?

205

00:08:12,077 —> 00:08:14,744

I'm an MIT-trained engineer.

206

00:08:14,746 —> 00:08:17,147

I've built components

for the space station.

207

00:08:17,149 —> 00:08:20,850

I thought the zero-gravity

toilet didn't work.

208

00:08:20,852 —> 00:08:22,552

It worked fine,

209

00:08:22,554 —> 00:08:25,355

it just wasn't designed

for Russian cosmonauts

210

00:08:25,357 —> 00:08:28,024

and their potato-based diet.

211

00:08:28,026 —> 00:08:29,692

Hey, guys.

212

00:08:29,694 —> 00:08:31,127

Hey.

Hello.

213

00:08:31,129 —> 00:08:33,096

I have to return the helicopter.

My father...

214

00:08:33,098 —> 00:08:36,332

What did you do?!

215

00:08:37,635 —> 00:08:38,701

Well, don't worry.

216

00:08:38,703 —> 00:08:40,069

He went to MIT.

217

00:08:40,071 —> 00:08:41,871

He can solve any problem,

218

00:08:41,873 —> 00:08:45,308

as long as it doesn't originate

in a Russian man's colon.

219

00:08:55,017 —> 00:08:56,617

I don't freaking

believe this!

220

00:08:56,619 —> 00:08:57,985

Relax, it'll be fine.

221

00:08:57,987 —> 00:08:59,620

No, you have to put

this back together

222

00:08:59,622 —> 00:09:01,455

right now,

so I can return it!

223

00:09:01,457 —> 00:09:03,124

You can't return it.

224

00:09:03,126 —> 00:09:06,127

Howard wiped his bottom

with the warranty.

225

00:09:06,129 —> 00:09:07,962

What?!

226

00:09:07,964 —> 00:09:09,697

I think metaphorically.

227

00:09:09,699 —> 00:09:12,133

But he was in the bathroom

for a while.

228

00:09:14,403 —> 00:09:15,770

Howard, my father cut me off.

229

00:09:15,772 —> 00:09:17,438

I have to get my money back

for this!

230

00:09:17,440 —> 00:09:18,739

Calm down.

231

00:09:18,741 —> 00:09:19,974

Okay.

232

00:09:19,976 —> 00:09:21,709

Okay, you're right.

233

00:09:21,711 —> 00:09:23,611

It's time for me to step up

234

00:09:23,613 —> 00:09:25,580

and take responsibility

for my life.

235

00:09:26,515 —> 00:09:27,982

Be a man.

236

00:09:30,285 —> 00:09:33,321

Hello, Mummy.

237

00:09:33,323 —> 00:09:34,689

Hello, Rajesh.

238

00:09:34,691 —> 00:09:36,624

What a nice surprise.

239

00:09:36,626 —> 00:09:37,925

Well, I've been

thinking about you.

240

00:09:37,927 —> 00:09:39,060

How are you doing?

241

00:09:39,062 —> 00:09:40,661

Are you happy, Mummy?

242

00:09:41,296 —> 00:09:43,297

Such a sweet boy for asking.

243

00:09:43,299 —> 00:09:47,368

Can't believe you come from

the poison seed of your father.

244

00:09:47,370 —> 00:09:49,837

Well, I like to think

I take mostly after you.

245

00:09:49,839 —> 00:09:51,272

Anyway,

speaking of Daddy,

246

00:09:51,274 —> 00:09:53,608

I had a very strange

conversation with him.

247

00:09:53,610 —> 00:09:55,943

He said he couldn't afford

to send me money anymore

248

00:09:55,945 —> 00:09:58,179

because of

his active social life.

249
00:09:58,181 —> 00:10:02,817
What does that mean,
"active social life"?

250
00:10:02,819 —> 00:10:04,185
Well, let's not talk about him

251
00:10:04,187 —> 00:10:06,487
or whatever shenanigans
he may or may not be up to.

252
00:10:06,489 —> 00:10:07,588
Let's talk about you.

253
00:10:07,590 —> 00:10:10,925
Rajesh, is your father
seeing someone?

254
00:10:10,927 —> 00:10:12,426
All I know, Mummy, is that

255

00:10:12,428 —> 00:10:15,596

he's a single wealthy doctor,

and now, for some reason,

256

00:10:15,598 —> 00:10:18,866

there's no money

for your little boy.

257

00:10:20,469 —> 00:10:23,204

Well, however much money

your father was giving you,

258

00:10:23,206 —> 00:10:24,338

I'll give you more.

259

00:10:24,340 —> 00:10:26,273

Thank you, Mummy, I love you!

260

00:10:26,275 —> 00:10:28,442

(quietly):

Helicopters for everybody!

261

00:10:30,912 —> 00:10:33,214
What's taking so long?

262
00:10:33,216 —> 00:10:34,682
LEONARD: I don't think
this is gonna work.

263
00:10:34,684 —> 00:10:36,050
Just let me see.

264
00:10:41,490 —> 00:10:44,191
Sweetie, you know
you're supposed to wear clothes

265
00:10:44,193 —> 00:10:45,860
underneath a graduation gown.

266
00:10:45,862 —> 00:10:47,895
A: surprised you know that.

267
00:10:49,031 —> 00:10:52,199
B: I wanted to look like
a sexy graduate for you.

268

00:10:52,201 —> 00:10:53,167

Oh.

269

00:10:53,169 —> 00:10:54,301

Well, you do.

270

00:10:54,303 —> 00:10:55,736

Oh. Thank you.

271

00:10:55,738 —> 00:10:57,505

Yeah.

272

00:10:57,507 —> 00:11:00,241

You're gonna be on Skype;

they're not gonna see your legs.

273

00:11:00,243 —> 00:11:02,143

Well, I'm gonna go put on

some pants just in case.

274

00:11:02,145 —> 00:11:04,879

But I have to say,
this is very freeing.

275
00:11:04,881 —> 00:11:06,681
(chuckles)

276
00:11:06,683 —> 00:11:10,084
Add a belt and I'll take you
someplace nice.

277
00:11:10,086 —> 00:11:11,086
Oh.

278
00:11:11,087 —> 00:11:13,287
Done and done.

279
00:11:19,528 —> 00:11:21,996
Okay, I think
I've narrowed it down

280
00:11:21,998 —> 00:11:25,032
to a faulty pin on
the onboard communication chip.

281

00:11:25,034 —> 00:11:27,668

Very impressive.

282

00:11:27,670 —> 00:11:29,770

You know, when you're

done with that,

283

00:11:29,772 —> 00:11:32,606

can you look at this?

284

00:11:33,975 —> 00:11:36,210

It doesn't make smoke anymore.

285

00:11:36,212 —> 00:11:38,279

One toy at a time.

286

00:11:38,281 —> 00:11:39,814

Mm. Sorry.

287

00:11:39,816 —> 00:11:41,182

Ah, maybe it's for the best.

288

00:11:41,184 —> 00:11:43,217

I hear locomotive smoke

289

00:11:43,219 —> 00:11:47,321

is the second leading cause of

death among train aficionados.

290

00:11:47,323 —> 00:11:48,589

What's the first one?

291

00:11:48,591 —> 00:11:50,825

Suicide.

292

00:11:50,827 —> 00:11:52,259

Wrong.

293

00:11:52,261 —> 00:11:53,594

Obesity.

294

00:11:55,564 —> 00:11:57,832

I have the tool you wanted.

295

00:11:57,834 —> 00:11:59,200

Thank you.

296

00:11:59,202 —> 00:12:01,102

You guys don't have

to go to the trouble.

297

00:12:01,104 —> 00:12:02,303

I'm back in the money now;

298

00:12:02,305 —> 00:12:03,604

I can just buy

another helicopter.

299

00:12:03,606 —> 00:12:04,872

It's not about the money.

300

00:12:04,874 —> 00:12:06,240

It's about solving a problem.

301

00:12:06,242 —> 00:12:07,808

It's why I became an engineer.

302

00:12:07,810 —> 00:12:10,144

It's what I like to do,

it's what I'm trained to do.

303

00:12:10,146 —> 00:12:12,113

It's who I am.

304

00:12:12,115 —> 00:12:15,082

Oh, look at you—

the little engineer that could.

305

00:12:16,752 —> 00:12:18,619

Why don't you just

call tech support?

306

00:12:18,621 —> 00:12:21,388

Hey! Whoa!

Not cool!

307

00:12:21,390 —> 00:12:22,556

What?

308

00:12:22,558 —> 00:12:24,125

There's two kinds of

people in this world:

309

00:12:24,127 —> 00:12:25,559

those who call

tech support

310

00:12:25,561 —> 00:12:29,063

and those who make fun of the

people who call tech support.

311

00:12:29,065 —> 00:12:30,698

I call tech support

all the time.

312

00:12:30,700 —> 00:12:32,066

Ha-ha!

You call tech support!

313

00:12:32,068 —> 00:12:33,734

What a baby!

Ooh. Hot date?

46

00:02:07,441 —> 00:02:09,975

Uh, no. I overheard

Bernadette tell Howard

47

00:02:09,977 —> 00:02:11,443

she was making him a meat loaf,

48

00:02:11,445 —> 00:02:14,045

and you don't have

to not ask me twice.

49

00:02:15,449 —> 00:02:18,817

If I stick a lightbulb on this,

wouldn't it make a great lamp

50

00:02:18,819 —> 00:02:21,186

for my bedroom?

51

00:02:21,188 —> 00:02:23,955
You're kidding, right?

52
00:02:23,957 —> 00:02:25,924
Oh. Is this freaking you out?

53
00:02:25,926 —> 00:02:28,927
I guess I'm just more
of a Pottery Barn,

54
00:02:28,929 —> 00:02:30,962
Crate and Barrel kind of guy.

55
00:02:32,132 —> 00:02:34,799
Maybe Pier 1
if I really want to cut loose.

56
00:02:34,801 —> 00:02:37,469
All right. Never mind.

57
00:02:37,471 —> 00:02:39,504
No, no, no.
Hey, you should totally get it.

58

00:02:39,506 —> 00:02:40,972

In fact, I'll buy it for you.

59

00:02:40,974 —> 00:02:42,407

Sold!

60

00:02:44,344 —> 00:02:46,277

Raj, you don't have to do that.

61

00:02:46,279 —> 00:02:48,246

Too late!

No returns!

62

00:02:50,550 —> 00:02:53,385

That was really intense.

63

00:02:53,387 —> 00:02:56,187

Well, now we know, next time

we go to the farmers' market,

64

00:02:56,189 —> 00:03:00,392

the order is petting zoo first,

then buy vegetables.

65

00:03:03,096 —> 00:03:04,729

Hey.

66

00:03:04,731 —> 00:03:07,399

Oh, good. You're here.

I need your assistance.

67

00:03:07,401 —> 00:03:10,168

Can it wait until I put

a Band-Aid on a goat bite?

68

00:03:11,638 —> 00:03:13,271

What happened?

Oh.

69

00:03:13,273 —> 00:03:15,907

Your buddy got mugged

by some baby farm animals.

70

00:03:16,710 —> 00:03:18,777

Been there.

Mmm.

71

00:03:18,779 —> 00:03:20,678

So what do you need help with?

72

00:03:20,680 —> 00:03:23,815

Amy's mad at me,

and I'm not clear why.

73

00:03:23,817 —> 00:03:26,151

Okay. Were you talking

before she got upset?

74

00:03:26,153 —> 00:03:27,886

Yes.

That's probably it.

75

00:03:28,722 —> 00:03:30,855

What'd you say to her?

76

00:03:30,857 —> 00:03:32,750

Well, I just asked her

if I should start watching

77

00:03:32,751 —> 00:03:34,517

the new Flash TV series.

78

00:03:34,519 —> 00:03:36,019

And that made her angry?

79

00:03:36,021 —> 00:03:37,921

Baffling, right? We were necking

80

00:03:37,923 —> 00:03:40,824

like a couple of hooligans

under the school bleachers.

81

00:03:40,826 —> 00:03:43,393

I stopped so I could ask

the question.

82

00:03:43,395 —> 00:03:48,131

Next thing I know, good-bye,

kissy face. Hello, yelly face.

83

00:03:48,133 —> 00:03:50,266

Well, Sheldon, when

you're kissing a girl,

84

00:03:50,268 —> 00:03:52,735

she expects the

attention to be on her.

85

00:03:52,737 —> 00:03:54,237

It was. I asked her

86

00:03:54,239 —> 00:03:57,040

if she thought

I should watch The Flash.

87

00:03:57,042 —> 00:04:00,243

Yeah. I'm tapping out.

Leonard?

88

00:04:00,245 —> 00:04:02,579

I'm gonna guess that your main

concern is the time commitment

89

00:04:02,581 —> 00:04:05,014

of watching an entire season

of a new show.

90

00:04:05,016 —> 00:04:06,282

Oh, no, not just a season.

91

00:04:06,284 —> 00:04:08,351

If I'm in,

I'm in for the whole run,

92

00:04:08,353 —> 00:04:11,154

even if the quality declines.

93

00:04:11,156 —> 00:04:13,957

I get it.

Smallville almost wrecked you.

94

00:04:13,959 —> 00:04:16,659

Yeah. Exactly.

95

00:04:16,661 —> 00:04:17,927

You know, I waited ten years

96
00:04:17,929 —> 00:04:20,430
to see a guy
everyone knows can fly, fly.

97
00:04:20,432 —> 00:04:22,832
Wait, what is wrong
with you two?

98
00:04:22,834 —> 00:04:25,335
He was talking about television
during their date night.

99
00:04:25,337 —> 00:04:28,404
Oh, not just date night—
our fifth anniversary.

100
00:04:28,406 —> 00:04:30,206
Okay, see, that's even dumber
than you wondering

101
00:04:30,208 —> 00:04:33,910

if being bitten by a goat would
give you the powers of a goat.

102
00:04:35,847 —> 00:04:38,214
If that happens,
don't make me wait ten years

103
00:04:38,216 —> 00:04:40,483
to watch you eat a tin can.

104
00:04:42,621 —> 00:04:45,788
You guys ever notice that Emily
has a bit of a twisted side?

105
00:04:45,790 —> 00:04:47,757
You mean
'cause she has weird tattoos?

106
00:04:47,759 —> 00:04:50,860
No, because she wants to have
sex with me in a graveyard.

107
00:04:52,731 —> 00:04:55,732

One more time?

108

00:04:55,734 —> 00:04:57,600

She and I were supposed to watch

109

00:04:57,602 —> 00:04:59,636

the new Avengers movie tonight,

but it was sold out.

110

00:04:59,638 —> 00:05:01,804

So I said,

“What else do you want to do?”

111

00:05:01,806 —> 00:05:03,439

She said,

“Let's go to a cemetery

112

00:05:03,441 —> 00:05:05,909

and do it on somebody's grave.”

113

00:05:05,911 —> 00:05:10,480

Like, a random person

or somebody she knew?

114

00:05:10,482 —> 00:05:13,349

What difference

does it make?

115

00:05:13,351 —> 00:05:14,884

Well, if it's

116

00:05:14,886 —> 00:05:16,686

her father's grave

and they didn't get along,

117

00:05:16,688 —> 00:05:19,122

then you know

she holds a grudge.

118

00:05:20,392 —> 00:05:22,792

The only issue is that everybody

has their own thing.

119

00:05:22,794 —> 00:05:24,460

And as long

as it's two consenting adults,

120

00:05:24,462 —> 00:05:26,329

I guess

I don't see the harm in it.

121

00:05:26,331 —> 00:05:27,897

Well, what if it's

one consenting adult

122

00:05:27,899 —> 00:05:29,532

and one adult who

pretends to consent

123

00:05:29,534 —> 00:05:31,401

because he's afraid

of being alone?

124

00:05:32,904 —> 00:05:34,771

Well, then I guess

bring a blanket.

125

00:05:34,773 —> 00:05:36,773

The grass gets damp at night.

126

00:05:38,877 —> 00:05:40,276

I don't know, guys.

127

00:05:40,278 —> 00:05:42,245

Maybe this relationship

isn't for me.

128

00:05:42,247 —> 00:05:44,414

Maybe I should break up

with her.

129

00:05:44,416 —> 00:05:46,316

(chuckles) Right. You're gonna

break up with a girl

130

00:05:46,318 —> 00:05:48,918

who has sex with you.

Can you believe this guy?

131

00:05:48,920 —> 00:05:53,056

I think if Raj wants to break up

with a girl, he can do it.

132

00:05:53,058 —> 00:05:54,824

How are you saying that

with a straight face?

133

00:05:54,826 —> 00:05:57,060

(chuckling):

I don't know.

134

00:05:58,496 —> 00:06:00,096

You guys are being jerks.

135

00:06:00,098 —> 00:06:02,265

Buddy, other than Jenny Craig,

136

00:06:02,267 —> 00:06:05,001

you've never broken up

with a girl in your life.

137

00:06:05,003 —> 00:06:06,202

You're one

to talk.

138

00:06:06,204 —> 00:06:07,437

You've been complaining

about Stuart

139

00:06:07,439 —> 00:06:08,705

living here for the past year.

140

00:06:08,707 —> 00:06:10,340

I don't see you showing him

the door.

141

00:06:10,342 —> 00:06:11,641

That's not the

same thing.

142

00:06:11,643 —> 00:06:12,976

Emily's a person.

143

00:06:12,978 —> 00:06:14,711

Stuart's more like

an infestation,

144

00:06:14,713 —> 00:06:16,179
something you spray for.

145
00:06:17,015 —> 00:06:18,948
Baloney, okay?
You two are

146
00:06:18,950 —> 00:06:21,784
as afraid of hurting
someone's feelings as I am.

147
00:06:21,786 —> 00:06:24,320
That's not true. We were just
laughing right in your face.

148
00:06:27,292 —> 00:06:29,492
Thanks for cooking.
Mmm. My pleasure.

149
00:06:29,494 —> 00:06:32,595
That carrot was delicious.
Yeah.

150

00:06:32,597 —> 00:06:35,164
I wish I'd fought harder
for the rest of 'em.

151
00:06:38,937 —> 00:06:40,937
Still haven't heard
from her?

152
00:06:40,939 —> 00:06:43,473
No, and I'm confused.

153
00:06:43,475 —> 00:06:45,541
It's been nearly 24 hours.

154
00:06:45,543 —> 00:06:49,379
Amy should have figured out
she's wrong by now.

155
00:06:50,582 —> 00:06:52,081
Hey, I don't think she's wrong

156
00:06:52,083 —> 00:06:54,317
about you going too slow

in the relationship.

157

00:06:54,319 —> 00:06:55,651

Too slow?

158

00:06:55,653 —> 00:06:56,786

Yeah, you've been

going out

159

00:06:56,788 —> 00:06:58,721

for years.

You haven't even slept together.

160

00:06:58,723 —> 00:07:02,025

That's right.

It's called foreplay.

161

00:07:03,628 —> 00:07:05,228

And I could make the case

162

00:07:05,230 —> 00:07:07,897

that you two aren't moving

forward in your relationship.

163

00:07:07,899 —> 00:07:08,998

(scoffs)

Uh,

164

00:07:09,000 —> 00:07:10,867

hello.

165

00:07:11,703 —> 00:07:13,403

Hello.

166

00:07:17,909 —> 00:07:20,276

No. Sheldon,

we're getting married.

167

00:07:20,278 —> 00:07:22,678

But you've been engaged

for over a year now,

168

00:07:22,680 —> 00:07:24,213

and you don't even have

a wedding date.

169

00:07:24,215 —> 00:07:26,315

Well, we will. We're

just not in a rush.

170

00:07:26,317 —> 00:07:28,384

Okay.

171

00:07:30,021 —> 00:07:31,988

We're gonna set a date.

172

00:07:31,990 —> 00:07:34,624

Okay. If you say so.

173

00:07:34,626 —> 00:07:36,392

Yeah, it's just, things are good right now.

Really good.

174

00:07:36,394 —> 00:07:38,628

I'm focusing on my job.

And we've been busy with our paper.

175

00:07:38,630 —> 00:07:39,682

So busy.

176

00:07:39,706 —> 00:07:40,864

Yeah, we'll pick a date

when we pick a date.

177

00:07:40,865 —> 00:07:41,931

Yeah.

178

00:07:41,933 —> 00:07:45,034

Okay.

179

00:07:45,036 —> 00:07:47,170

You know, I can see

why Amy's mad at you.

180

00:07:47,172 —> 00:07:48,771

Yeah, shut up,

Sheldon!

181

00:07:51,376 —> 00:07:53,476

Did you eat

all my yogurt?

182

00:07:53,478 —> 00:07:55,611

You mean the one that

makes ladies do the thing

183

00:07:55,613 —> 00:07:57,080

that ladies pretend

they don't do

184

00:07:57,082 —> 00:07:59,882

even though they do?

185

00:08:01,686 —> 00:08:03,753

You know...

186

00:08:03,755 —> 00:08:06,322

which yogurt I mean.

187

00:08:06,324 —> 00:08:09,225

I didn't touch it.

Must have been Stuart.

188

00:08:09,227 —> 00:08:11,094
(sighs)
Maybe Raj is right.

189
00:08:11,096 —> 00:08:13,429
Maybe it's time we tell him
he needs to move out.

190
00:08:13,431 —> 00:08:15,364
We should have done
it months ago.

191
00:08:15,366 —> 00:08:16,966
I know, but his store
was reopening,

192
00:08:16,968 —> 00:08:19,469
and then there were the
holidays, and then he was sick.

193
00:08:19,471 —> 00:08:20,937
(groans)
Yeah, right.

194

00:08:20,939 —> 00:08:23,172

Sick. He didn't have jaundice.

195

00:08:23,174 —> 00:08:25,541

He just looks like that.

196

00:08:30,548 —> 00:08:33,216

All right.

Tonight's the night.

197

00:08:33,218 —> 00:08:34,383

Agreed.

198

00:08:34,385 —> 00:08:36,919

When he gets home, I'm

dropping the hammer.

199

00:08:36,921 —> 00:08:38,855

Ooh, I like

when you take charge.

200

00:08:38,857 —> 00:08:41,290

Oh, I'm not taking charge—

you're the hammer.

201

00:08:48,032 —> 00:08:49,932

So...

202

00:08:49,934 —> 00:08:52,301

why haven't we

picked a date?

203

00:08:52,303 —> 00:08:53,336

You know why.

204

00:08:53,338 —> 00:08:54,837

Well, of course I know why.

205

00:08:54,839 —> 00:08:56,672

But just for fun... why?

206

00:08:58,009 —> 00:09:00,610

Not in a rush, busy with work...

207

00:09:00,612 —> 00:09:03,179
Things are good right now.
Really good.

208
00:09:04,048 —> 00:09:05,781
You still want
to get married, right?

209
00:09:05,783 —> 00:09:08,050
Oh, my God. Yes.
Why would you even ask that?

210
00:09:08,052 —> 00:09:09,919
I don't know.
Because we don't have a date?

211
00:09:09,921 —> 00:09:12,221
Well, you want a date,
pick a date.

212
00:09:12,223 —> 00:09:13,422
It's not just the date.

213

00:09:13,424 —> 00:09:14,824
We haven't talked
about anything.

214
00:09:14,826 —> 00:09:16,726
Big wedding, small wedding,
indoor, outdoor...

215

Right.

386
00:17:28,311 —> 00:17:30,778
Just kissing.

387
00:17:30,780 —> 00:17:32,780
It wasn't even very good.

388
00:17:32,782 —> 00:17:34,615
She was a smoker.
I'd just been seasick...

389
00:17:34,617 —> 00:17:36,116
Okay, that's enough.
Stop talking.

390

00:17:40,556 —> 00:17:43,390
So...

391
00:17:43,392 —> 00:17:46,360
we're still
getting married?

392
00:17:46,362 —> 00:17:48,028
Yes.

393
00:17:49,765 —> 00:17:51,265
Because we love each other.

394
00:17:51,267 —> 00:17:52,967
Yes.

395
00:17:52,969 —> 00:17:56,237
And it's the happiest day
of our lives.

396
00:17:56,239 —> 00:17:57,705
(short laugh)
Don't push it.

397

00:18:07,203 —> 00:18:09,871

(line ringing)

398

00:18:09,873 —> 00:18:10,972

Hello.

399

00:18:10,974 —> 00:18:12,140

SHELDON:

Hello.

400

00:18:12,142 —> 00:18:14,742

Listen, I've been

thinking a lot

401

00:18:14,744 —> 00:18:16,077

about relationships

402

00:18:16,079 —> 00:18:19,347

and how difficult they can be,

and I think...

403

00:18:19,349 —> 00:18:21,582
I've been thinking
about them, too, Sheldon.

404
00:18:23,086 —> 00:18:26,154
Being your girlfriend
is so challenging.

405
00:18:26,156 —> 00:18:27,555
Emotionally,

406
00:18:27,557 —> 00:18:29,657
physically.

407
00:18:29,659 —> 00:18:33,194
I've been incredibly patient
for years.

408
00:18:34,030 —> 00:18:35,730
Strongly disagree.

409
00:18:35,732 —> 00:18:37,498
Go on.

410

00:18:37,500 —> 00:18:40,868

Okay, well...

411

00:18:40,870 —> 00:18:44,939

this isn't easy to say,

because I love you,

412

00:18:44,941 —> 00:18:46,674

but...

413

00:18:46,676 —> 00:18:50,445

I need some time

to take a step back

414

00:18:50,447 —> 00:18:53,581

and reevaluate our situation.

415

00:18:55,118 —> 00:18:56,718

Oh.

416

00:18:56,720 —> 00:18:59,954

I hope you understand.

417

00:19:02,792 —> 00:19:04,058

Okay.

418

00:19:05,295 —> 00:19:07,495

Bye, Sheldon.

419

00:19:25,749 —> 00:19:27,915

Well, Gollum...

420

00:19:29,719 —> 00:19:33,054

...you're an expert on rings.

421

00:19:33,056 —> 00:19:34,789

What do I do with this one?
