Dialogues from The First Lady to improve the vocabulary in English

EP1: That White House

1

00:00:03,712 —> 00:00:06,840

[Michelle] My husband was

considering you for his portrait

2

00:00:06,881 —> 00:00:10,343

but you took yourself

out of contention. Why?

3

00:00:10,385 —> 00:00:12,012

I was only interested

in painting you.

4

00:00:12,053 —> 00:00:14,139

[both chuckle]

5

00:00:14,180 —> 00:00:16,683

I'm sure he'll be

glad to hear that.

6

00:00:16,725 —> 00:00:18,184

[Amy] Well, the

thing is, the president,

7

00:00:18,226 —> 00:00:20,311

even a Black president,

is the institution.

8

00:00:20,353 —> 00:00:22,480

I don't wanna just

paint the official.

9

00:00:22,522 —> 00:00:24,691

I am interested in the real.

10

00:00:26,401 —> 00:00:28,028

[news reporter] ...across

America starting at—

11

00:00:28,069 —> 00:00:29,654

- [static]

- [indistinct]

12

00:00:29,696 —> 00:00:32,198

Washington can be

an awfully tough town,

13

00:00:32,240 —> 00:00:34,075

on a political wife.

Would you agree?

14

00:00:35,118 —> 00:00:37,370

[Betty] Well, I agree.

15

00:00:37,412 —> 00:00:40,707

But I had, you see,

26 years experience...

16

00:00:40,749 —> 00:00:42,792

as the wife of a congressman.

17

00:00:43,710 —> 00:00:46,880

But I think a congressional wife

18

00:00:46,921 —> 00:00:50,759

has to be a special

kind of woman.

19

00:00:50,800 —> 00:00:53,762

I don't think all women really

20

00:00:53,803 —> 00:00:57,265

can adjust to this type of life.

21

00:01:11,112 —> 00:01:14,491

[Eleanor] "The battle for

individual rights of women

22

00:01:14,532 —> 00:01:16,409

is one of long standing,

23

00:01:16,451 —> 00:01:18,828

and none of us

should countenance

24

00:01:18,870 —> 00:01:21,331

anything which undermines it."

25
00:01:22,207 —> 00:01:25,919
"People say, no
woman could stand

26
00:01:25,960 —> 00:01:30,256
the physical strain
a man endures.

27
00:01:30,298 —> 00:01:33,384
But that, I think is nonsense.

28
00:01:33,426 —> 00:01:37,097
A woman is like a tea bag,

29
00:01:37,138 —> 00:01:40,058
you never know how strong it is

30
00:01:40,100 —> 00:01:42,685
until it's in hot water."

31

00:01:47,524 —> 00:01:49,609
This land is your land

32
00:01:52,612 —> 00:01:54,906
This land is my land

33
00:01:57,909 —> 00:02:00,411
From California

34
00:02:01,663 —> 00:02:05,667
Well, to the New York Island

35
00:02:06,835 —> 00:02:10,296
From the Redwood Forest

36
00:02:11,923 —> 00:02:15,802
To the Gulf Stream Waters

37
00:02:16,970 —> 00:02:21,641
I tell you this land

38
00:02:21,683 —> 00:02:24,811

Was made for you and me

39

00:02:24,853 —> 00:02:26,020

Yeah

40

00:02:27,355 —> 00:02:30,567

Mmm

41

00:02:31,609 —> 00:02:36,281

One bright, sunny morning

42

00:02:36,322 —> 00:02:40,160

Well, in the shadow of a steeple

43

00:02:41,202 —> 00:02:45,456

Down by the welfare office

44

00:02:45,498 —> 00:02:49,627

I saw my people

45

00:02:50,628 —> 00:02:55,383

I was wondering if this land

46

00:02:55,425 —> 00:03:00,305

Was made for you and me

47

00:03:04,434 —> 00:03:08,146

[ship horn blares]

48

00:03:08,188 —> 00:03:11,024

Sasha, stop it. You

can't have any more. No—

49

00:03:11,566 —> 00:03:13,151

[laughs]

50

00:03:13,193 —> 00:03:15,445

[grunts] Listen, this

is how it's gonna go.

51

00:03:16,404 —> 00:03:18,489

When we get to Washington,

52

00:03:18,531 —> 00:03:21,159

Grandma's gonna
meet us at the hotel,

53
00:03:21,201 —> 00:03:22,660
and then Daddy and
I are gonna go see

54
00:03:22,702 —> 00:03:25,538
the Bushes at the
White House. Okay?

55
00:03:26,414 —> 00:03:27,874
[gasps] Look!

56
00:03:28,875 —> 00:03:31,419
- [shutters clicking]
- [reporters clamoring]

57
00:03:33,421 —> 00:03:34,714
It's Dad.

58
00:03:34,756 —> 00:03:36,299
- Uh-huh.

- [chuckles]

59

00:03:37,258 —> 00:03:39,010

Let's go see Daddy.

60

00:03:39,052 —> 00:03:41,721

- [sirens blaring]

- [chattering]

61

00:03:45,600 —> 00:03:48,186

- [reporter 1] Michelle!

- [reporter 2] Mrs. Obama!

62

00:03:48,228 —> 00:03:50,396

- [reporter 3] Michelle!

- [reporter 2] Mrs. Obama!

63

00:03:51,606 —> 00:03:54,108

[reporters clamoring]

64

00:03:54,150 —> 00:03:56,569

- [Young Sasha giggling]

- [reporter 4] Mrs. President!

65

00:04:00,240 —> 00:04:02,992

- Thank you.

- [crowd cheering, clamoring]

66

00:04:03,034 —> 00:04:04,744

There they are.

Come on, come on.

67

00:04:05,453 —> 00:04:08,706

Oh! [chuckles]

68

00:04:08,748 —> 00:04:11,626

Look at you! You look so pretty.

69

00:04:11,668 —> 00:04:14,796

- The fuck?

- Yeah, it's a lot. It's a lot.

70

00:04:15,964 —> 00:04:17,590

All right. You ready?

71

00:04:17,632 —> 00:04:20,843
We're gonna go on a
little ride. You good? Okay.

72
00:04:20,885 —> 00:04:22,178
[shutters clicking]

73
00:04:22,220 —> 00:04:23,429
- Huh?
- [Young Sasha] Very cool.

74
00:04:23,471 —> 00:04:24,514
[Barack] I know.

75
00:04:26,474 —> 00:04:28,184
For the first time
an African-American

76
00:04:28,226 —> 00:04:30,561
has been elected president
of the United States.

77
00:04:30,603 —> 00:04:32,730

A day many thought
would never come,

78
00:04:32,772 —> 00:04:35,275
a night this country
will never forget.

79
00:04:35,316 —> 00:04:38,444
Barack Obama, the 47-year-old
junior senator from Illinois

80
00:04:38,486 —> 00:04:41,072
will be sworn in
on January 20th.

81
00:04:41,114 —> 00:04:45,118
Obama! Obama! Obama! Yeah!

82
00:04:45,159 —> 00:04:47,495
[cheering]

83
00:04:47,537 —> 00:04:49,330
[sniffling]

84

00:04:52,417 —> 00:04:54,794

[sirens wailing]

85

00:05:09,100 —> 00:05:11,728

[reporters clamoring]

86

00:05:11,769 —> 00:05:14,188

[reporter] Barack! Mr. Obama!

87

00:05:14,230 —> 00:05:16,107

- You doing all right?

- No.

88

00:05:16,149 —> 00:05:18,026

[Barack chuckles]

89

00:05:18,067 —> 00:05:19,652

Welcome, welcome, welcome.

90

00:05:19,694 —> 00:05:21,237

[Laura] Michelle,

great to see you.

91

00:05:21,279 —> 00:05:22,822

Thank you for having us.

92

00:05:22,864 —> 00:05:24,907

Constitution doesn't

give us much choice.

93

00:05:24,949 —> 00:05:26,826

- Barack. How are the girls?

- [Barack chuckles] Laura.

94

00:05:26,868 —> 00:05:29,912

Okay, I think. We left them

with my mom at the Hay-Adams.

95

00:05:31,122 —> 00:05:33,333

[cheering]

96

00:05:37,837 —> 00:05:40,673

[George] Well, come on

in. It's one hell of a tour.

97

00:05:42,175 —> 00:05:43,343

[sighs]

98

00:05:43,384 —> 00:05:45,011

[inhales, exhales]

99

00:05:45,053 —> 00:05:47,138

[George W.] Good folks.

People draw art. [chuckles]

100

00:05:47,180 —> 00:05:48,598

[Barack] Hey, how you doing?

101

00:05:48,639 —> 00:05:50,391

- Sir.

- Good to meet you.

102

00:05:50,433 —> 00:05:52,018

- Ma'am.

- Ma'am?

103

00:05:52,060 —> 00:05:53,728
That's going to take
some getting used to.

104
00:05:53,770 —> 00:05:55,813
Well, it's my honor, ma'am.

105
00:05:55,855 —> 00:05:58,816
Wilson has been at the
White House since 1957.

106
00:05:58,858 —> 00:06:00,276
- [Michelle] Incredible.
- [Laura] Mm-hmm.

107
00:06:00,318 —> 00:06:02,904
He knows everything
about everything.

108
00:06:02,945 —> 00:06:05,281
[Laura] Now,
anything in particular

109

00:06:05,323 —> 00:06:07,033
you'd like to see first?

110
00:06:08,826 —> 00:06:10,411
[Michelle] The bar. [chuckles]

111
00:06:10,453 —> 00:06:11,996
- Start at the bar.
- Yeah.

112
00:06:12,038 —> 00:06:14,207
I think that's a
grand idea. [chuckles]

113
00:06:14,957 —> 00:06:16,709
[inhales shakily]

114
00:06:17,627 —> 00:06:20,421
And this is the center hall.

115
00:06:20,463 —> 00:06:22,673
- [gasps] Beautiful.
- Mm-hmm.

116

00:06:24,217 —> 00:06:25,718

[Michelle chuckles] Whew.

117

00:06:25,760 —> 00:06:26,844

[Laura] Oh, no. I'm

not gonna lie to you.

118

00:06:26,886 —> 00:06:28,721

It'll never seem normal.

119

00:06:30,598 —> 00:06:35,186

But you will find a way

to make it comfortable.

120

00:06:35,228 —> 00:06:36,270

How you doin'?

121

00:06:39,524 —> 00:06:41,067

[plays piano]

122

00:06:41,109 —> 00:06:42,318

[Laura chuckles]

123

00:06:44,070 —> 00:06:46,072

You'll find your reading nook

124

00:06:46,114 —> 00:06:50,743

or that special place where

you can be still and quiet.

125

00:06:51,411 —> 00:06:52,829

Oh, please.

126

00:06:55,081 —> 00:06:57,875

It was always a battle

but I tried to make sure

127

00:06:57,917 —> 00:07:01,921

we started every

day together, in here.

128

00:07:03,214 —> 00:07:04,632

I'm already worried

about someone

129

00:07:04,674 —> 00:07:06,926

spilling juice on

the upholstery.

130

00:07:06,968 —> 00:07:10,763

- [both chuckle]

- You'll get over that. Sort of.

131

00:07:11,722 —> 00:07:13,099

How you doing today?

132

00:07:16,310 —> 00:07:17,562

Ooh, I love it.

133

00:07:17,603 —> 00:07:19,605

[Laura] Oh, that is my favorite.

134

00:07:41,836 —> 00:07:45,631

Luckily, you get to

choose your own art.

135

00:07:49,677 —> 00:07:52,805
Let me show you
my favorite spot.

136
00:07:58,478 —> 00:08:01,606
Even with all the
Secret Service agents...

137
00:08:01,647 —> 00:08:05,067
[helicopter whirring]

138
00:08:05,109 —> 00:08:07,320
there's a comfort
knowing he's down there.

139
00:08:13,951 —> 00:08:16,704
[chuckles] Does
that sound silly?

140
00:08:17,955 —> 00:08:20,249
No. Not at all.

141
00:08:20,291 —> 00:08:23,252

It's not going to
be easy for you.

142
00:08:23,294 —> 00:08:26,881
I don't imagine it's an
easy transition for anybody.

143
00:08:26,923 —> 00:08:29,091
Oh, of course.

144
00:08:29,133 —> 00:08:32,220
But the level of
scrutiny on you,

145
00:08:32,970 —> 00:08:34,847
on your husband.

146
00:08:34,889 —> 00:08:38,893
Everybody's gonna have
an opinion on your decorum.

147
00:08:38,935 —> 00:08:42,647
On your clothes, on how

you raise your children.

148
00:08:42,688 —> 00:08:45,858
On whether your graduate
degree is too feminist,

149
00:08:45,900 —> 00:08:49,529
or if your causes aren't
feminist enough. [chuckles]

150
00:08:49,570 —> 00:08:51,155
I learned a long time ago,

151
00:08:51,197 —> 00:08:53,157
that there's some
people I'll never please.

152
00:08:53,199 —> 00:08:56,035
All I can do is what
I believe is right.

153
00:08:59,622 —> 00:09:03,292
You'll figure out what kind

of First Lady you wanna be.

154

00:09:05,419 —> 00:09:06,546

Thank you, Laura.

155

00:09:10,800 —> 00:09:12,343

[Laura] You're

gonna be terrific.

156

00:09:12,385 —> 00:09:14,762

Hmm. I'm looking forward to it.

157

00:09:14,804 —> 00:09:16,222

Thank you.

158

00:09:16,264 —> 00:09:18,057

- Now can we see the bar?

- [Laura laughs]

159

00:09:19,433 —> 00:09:23,062

[birds chirping]

160

00:09:24,647 —> 00:09:27,066
[Walter Cronkite] This is a
CBS News Special Report.

161
00:09:27,108 —> 00:09:29,068
The Vice President resigns.

162
00:09:29,110 —> 00:09:30,861
The big question tonight,

163
00:09:30,903 —> 00:09:33,698
who will succeed Spiro
Agnew as vice president?

164
00:09:33,739 —> 00:09:35,825
President Nixon pledged
to be open-minded

165
00:09:35,866 —> 00:09:37,618
in picking a nominee.

166
00:09:37,660 —> 00:09:39,328
Some of the names being

mentioned as possibilitis

167

00:09:39,370 —> 00:09:41,455

are republican house

and senate leaders,

168

00:09:41,497 —> 00:09:43,332

Gerald Ford and Hugh Scott.

169

00:09:43,374 —> 00:09:45,876

Former Secretary of

State, William Rogers.

170

00:09:45,918 —> 00:09:49,589

She put de lime in de

coconut She drank 'em bot' up

171

00:09:49,630 —> 00:09:51,591

She put de lime in de coconut

172

00:09:51,632 —> 00:09:53,926

She called de

doctor, woke him up

173

00:09:53,968 —> 00:09:56,721

And said, "Doctor ain't

there nothin' I can take?"

174

00:09:56,762 —> 00:10:00,725

I said, "Doctor, to

relieve This bellyache?"

175

00:10:00,766 —> 00:10:03,019

Now, let me get this straight

176

00:10:03,060 —> 00:10:05,855

You put de lime in de

coconut You drank 'em bot' up

177

00:10:05,896 —> 00:10:07,773

Put de lime in de coconut

178

00:10:07,815 —> 00:10:09,942

You called your

doctor, woke him up

179

00:10:09,984 —> 00:10:12,945

Said, "Doctor, ain't

there nothin' I can take?"

180

00:10:12,987 —> 00:10:16,240

I said, "Doctor, to

relieve This bellyache?"

181

00:10:16,282 —> 00:10:19,744

I said, "Doctor, ain't

there nothin' I can take?"

182

00:10:19,785 —> 00:10:23,623

You put de lime in de coconut

You drink 'em bot' togedder

183

00:10:23,664 —> 00:10:25,791

Put de lime in de coconut

184

00:10:25,833 —> 00:10:27,752

You called your doctor,

woke him up, I said,

185

00:10:27,793 —> 00:10:30,296

"Doctor, to relieve

this bellyache?"

186

00:10:30,338 —> 00:10:31,631

Hi.

187

00:10:31,672 —> 00:10:33,424

Doctor

188

00:10:33,466 —> 00:10:35,760

Oh. Why aren't you at

school? Is everything okay?

189

00:10:35,801 —> 00:10:38,512

Yeah, everything is fine.

They just let us out early.

190

00:10:38,554 —> 00:10:41,599

There's, uh, leftover

mashed potatoes

191

00:10:41,641 —> 00:10:43,934
and meat loaf in
the oven if you like.

192
00:10:43,976 —> 00:10:46,646
[bottles, ice rattling]

193
00:10:46,687 —> 00:10:48,439
[Walter Cronkite] ...of
leaking information.

194
00:10:48,481 —> 00:10:50,441
Thomson said tonight
that he had reviewed

195
00:10:50,483 —> 00:10:52,360
the evidence against
the Vice President,

196
00:10:52,401 —> 00:10:56,781
and quote, "The man is a crook,
no question about that at all."

197

00:10:56,822 —> 00:10:59,116
Thomson said he
was certain Agnew

198
00:10:59,158 —> 00:11:01,077
would've been convicted
if brought to trial...

199
00:11:01,118 —> 00:11:02,662
What did Agnew do again?

200
00:11:02,703 —> 00:11:06,832
Let's see... Bribery,
extortion, tax fraud,

201
00:11:06,874 —> 00:11:09,335
all very disappointing politics.

202
00:11:09,377 —> 00:11:11,671
Well, thank goodness Dad
is retiring in a few years.

203
00:11:11,712 —> 00:11:13,297

[sighs] Amen to that.

204
00:11:13,339 —> 00:11:14,632
[Walter Cronkite] The
case against Agnew...

205
00:11:14,674 —> 00:11:16,509
Would you mind switching it off?

206
00:11:16,550 —> 00:11:20,012
in a detailed 40-page
recitatin of the evidence that—

207
00:11:20,054 —> 00:11:22,765
Come on, baby, let
the good times roll

208
00:11:22,807 —> 00:11:25,518
Come on, baby Let
me thrill your soul

209
00:11:25,559 —> 00:11:27,978
Sunset Magazine. [sighs]

210

00:11:28,020 —> 00:11:30,022

You really are counting

the days aren't you, Mom?

211

00:11:30,064 —> 00:11:32,066

This is where

we're going to build.

212

00:11:33,192 —> 00:11:35,695

[sighs] I just wanna be warm.

213

00:11:35,736 —> 00:11:40,324

I approve. You've served your

time. Go West, young woman.

214

00:11:40,366 —> 00:11:42,368

Maybe you can start

dancing for real again.

215

00:11:42,410 —> 00:11:45,079

Oh. [chuckles] I think

it's a little late for that,

216

00:11:45,121 —> 00:11:48,207

but I love you for saying so.

217

00:11:49,750 —> 00:11:51,544

- [Susan chuckles]

- [Betty moans]

218

00:11:51,585 —> 00:11:53,546

Ladies and gentlemen,

219

00:11:53,587 —> 00:11:58,008

a new interpretive piece by

Martha Graham dancer Betty Ford.

220

00:11:58,050 —> 00:12:00,720

- Unchained!

- Oh!

221

00:12:00,761 —> 00:12:01,929

Palm Springs, sprung!

222

00:12:03,097 —> 00:12:05,975
[both laugh]

223
00:12:06,016 —> 00:12:08,310
Maybe you'll make
friends with the Sinatras.

224
00:12:08,352 —> 00:12:10,229
Oh, I think the Sinatras

225
00:12:10,271 —> 00:12:13,065
have much more exciting
people to spend time with.

226
00:12:13,107 —> 00:12:15,901
- [phone ringing]
- That'll be Lisa looking for me.

227
00:12:15,943 —> 00:12:17,903
- Are you here?
- Yes. [chuckles]

228
00:12:20,448 —> 00:12:22,950

- Ford residence this is Bet—

- [phone continues ringing]

229

00:12:24,785 —> 00:12:27,580

Oh, that's the bedroom line.

230

00:12:34,295 —> 00:12:35,504

Mom, answer it.

231

00:12:37,965 —> 00:12:39,467

Hello?

232

00:12:39,508 —> 00:12:41,093

[operator] Connecting

you to the West Win.

233

00:12:41,135 —> 00:12:42,845

[whispers] Oh, my

God, the West Wing.

234

00:12:53,063 —> 00:12:55,399

- [tires screech]

- [brake rattles]

235

00:12:59,987 —> 00:13:01,071

This way, ma'am.

236

00:13:01,113 —> 00:13:03,115

[thunder rumbling]

237

00:13:04,200 —> 00:13:05,659

Uh, Angela will take your coat.

238

00:13:06,452 —> 00:13:08,120

Thank you.

239

00:13:08,162 —> 00:13:09,371

Right. Just this way.

They've already started.

240

00:13:11,081 —> 00:13:12,708

[Richard] I've gathered

you all here today

241

00:13:12,750 —> 00:13:14,752

so that I may proudly

present to you the man...

242

00:13:14,794 —> 00:13:16,253

Go sit with Mrs. Nixon.

243

00:13:16,295 —> 00:13:18,214

...whose name I will

submit to the congress

244

00:13:18,255 —> 00:13:21,050

for the vice president

of the United States.

245

00:13:21,091 —> 00:13:24,136

Congressmen Gerald

Ford of Michigan.

246

00:13:24,178 —> 00:13:28,599

[Gerald] Thank you.

Thank you. Please. Please.

247

00:13:28,641 —> 00:13:33,646

Mr. President, I am

deeply honored...

248

00:13:33,687 —> 00:13:35,773

- This is for you.

- Thank you.

249

00:13:35,815 —> 00:13:38,567

...and I am

extremely grateful...

250

00:13:41,987 —> 00:13:46,492

and I am terribly humbled.

251

00:13:47,868 —> 00:13:52,873

And I pledge to you my

colleagues and the Congress.

252

00:13:52,915 —> 00:13:55,501

And I pledge to the

American people.

253

00:13:56,794 —> 00:14:01,173

[Gerald] That to the best
of my ability, if confirmed

254
00:14:02,341 —> 00:14:03,717
I'll be your honorable

255
00:14:04,969 —> 00:14:08,222
and devoted vice president.

256
00:14:10,516 —> 00:14:12,184
What are you doing up so early?

257
00:14:14,854 —> 00:14:18,774
I can't believe I shared a seat
with the First Lady, honestly.

258
00:14:18,816 —> 00:14:21,861
[chuckles] It was cute.

259
00:14:24,655 —> 00:14:26,532
So much for sunshine.

260

00:14:29,660 —> 00:14:30,786
[moans]

261
00:14:34,915 —> 00:14:37,293
- It's only two years.
- Hmm.

262
00:14:38,502 —> 00:14:41,005
I'll get you your
sunshine, I promise.

263
00:14:41,046 —> 00:14:42,882
- You promise?
- Mm-hmm.

264
00:14:54,685 —> 00:14:56,478
[Franklin] One beer coming up.

265
00:14:56,520 —> 00:14:58,272
[Louis] All right, it's
my turn. Quit cheating.

266
00:14:58,314 —> 00:15:00,774

- Umpire. I was just practicing.

- Quit cheating, quit cheating.

267

00:15:00,816 —> 00:15:02,693

Play by the rules, Eleanor.

268

00:15:02,735 —> 00:15:04,445

- Oh! My turn.

- [Louis groans]

269

00:15:04,486 —> 00:15:06,739

Really hard. Oh,

that was too hard!

270

00:15:06,780 —> 00:15:09,533

- I've made it harder for myself.

- [Louis] Now look at Franklin.

271

00:15:09,575 —> 00:15:11,535

- Just look at him.

- [Eleanor] Yes.

272

00:15:11,577 —> 00:15:14,413

If I didn't know him better, I
would think he's a film star.

273
00:15:14,455 —> 00:15:18,334
Oh, don't say that too loud.
His ego is large enough as it is.

274
00:15:18,375 —> 00:15:20,085
[Louis] Well, it's what will
get him elected governor

275
00:15:20,127 —> 00:15:21,879
and who knows after that?

276
00:15:21,921 —> 00:15:24,048
[Franklin] Oh. It's only
been a year since my defeat

277
00:15:24,089 —> 00:15:26,759
in my bid for the
vice presidency.

278
00:15:26,800 —> 00:15:28,928

- You don't think it's too soon?

- Not in the slightest.

279

00:15:28,969 —> 00:15:31,180

- You're at your peak.

- [Franklin] Hmm.

280

00:15:31,221 —> 00:15:33,557

- Did you hear that, Eleanor?

- Yes, I heard it,

281

00:15:33,599 —> 00:15:35,351

and all I know is you

need to take a shower

282

00:15:35,392 —> 00:15:37,186

and get dressed for

dinner, golden boy.

283

00:15:37,227 —> 00:15:39,188

Franklin, you're fresh

on everyone's mind

284

00:15:39,229 —> 00:15:41,023
and the two of you, together,

285
00:15:41,065 —> 00:15:43,150
present a truly
irresistible team.

286
00:15:46,987 —> 00:15:48,656
Yes, we do make a good team.

287
00:15:49,907 —> 00:15:50,908
Hmm.

288
00:15:52,326 —> 00:15:53,869
[Franklin] Thank you.

289
00:15:53,911 —> 00:15:56,080
- Croquet?
- No, I'd rather be a spectator.

290
00:15:56,121 —> 00:15:57,915
- Cheers.
- Cheers.

291

00:15:57,957 —> 00:15:59,792

Right, Eleanor, you're up!

292

00:15:59,833 —> 00:16:01,835

My turn. I believe I'm winning.

293

00:16:01,877 —> 00:16:05,130

- [Louis] Well, you keep missing.

- Watch out, Louis. Ha-ha!

294

00:16:12,012 —> 00:16:15,432

- [thuds]

- [Franklin groaning]

295

00:16:15,474 —> 00:16:16,642

[Franklin] Help!

296

00:16:18,852 —> 00:16:20,145

Franklin?

297

00:16:22,147 —> 00:16:24,775

[groaning continues]

298

00:16:24,817 —> 00:16:27,945

- [Eleanor] Oh! What happened?

- My legs. They won't work.

299

00:16:28,862 —> 00:16:30,739

I don't know what's

going on. Please!

300

00:16:30,781 —> 00:16:32,157

I'll lift you up onto the bed.

301

00:16:32,199 —> 00:16:35,285

Ow! No, no, no, no! Ow! Ow! Ow!

302

00:16:35,327 —> 00:16:37,413

Oh, God. What's going on?

303

00:16:37,454 —> 00:16:38,998

Call Dr. Keen.

304

00:16:39,039 —> 00:16:43,919

- Oh. Ooh. Oh, you're burning up.

- [groaning]

305

00:16:43,961 —> 00:16:46,797

- Franklin.

- [sobbing] Ow!

306

00:16:46,839 —> 00:16:51,802

Oh, Franklin. It's

all right. It's all right.

307

00:16:51,844 —> 00:16:55,389

[Franklin groaning] Oh.

For God's sake, stop.

308

00:16:55,431 —> 00:16:57,725

Oh, but Dr. Keen said

this would help, Franklin.

309

00:16:57,766 —> 00:17:00,352

Well, it's not. It's making

it worse. Please, stop!

310

00:17:00,394 —> 00:17:03,689

Let's stop. Stop.

I'll call Dr. Keen.

311

00:17:03,731 —> 00:17:04,815

[Franklin groans]

312

00:17:04,857 —> 00:17:06,316

I want a second opinion.

313

00:17:07,109 —> 00:17:11,238

This isn't all right, Louis.

It shouldn't be this painful.

314

00:17:14,366 —> 00:17:17,202

- I'm sorry, Franklin.

- I'm sorry.

315

00:17:17,244 —> 00:17:18,370

[groans]

316

00:17:19,621 —> 00:17:21,707

[groaning continues]

317

00:17:40,934 —> 00:17:42,102

Louis?

318

00:17:44,730 —> 00:17:45,898

Louis!

319

00:17:48,525 —> 00:17:49,568

[Louis clears throat]

320

00:17:50,277 —> 00:17:51,612

Eleanor. What is it?

321

00:17:51,653 —> 00:17:53,697

- It's polio.

- What?

322

00:17:53,739 —> 00:17:56,241

- It's polio.

- [stammers] What?

323

00:17:56,283 —> 00:17:59,536
Eleanor. Franklin is resting.

324
00:17:59,578 —> 00:18:00,662
Sara.

325
00:18:01,330 —> 00:18:04,708
All of the specialists
confirmed that it's polio.

326
00:18:06,043 —> 00:18:07,669
Well, that's not possible.

327
00:18:08,587 —> 00:18:10,547
They say that it is.

328
00:18:10,589 —> 00:18:14,051
- [Sara] But he's not a child.
- That it can affect adults.

329
00:18:14,093 —> 00:18:17,930
Well— How? Well, what are
you looking at here? Um...

330

00:18:17,971 —> 00:18:21,225

It was the standing

water in the cove.

331

00:18:21,266 —> 00:18:24,311

The virus was just

sitting there, apparently.

332

00:18:24,353 —> 00:18:28,065

He must've contracted it

when they swam that day.

333

00:18:28,107 —> 00:18:29,399

What? No.

334

00:18:29,441 —> 00:18:31,985

[Sara] My son can't have polio.

335

00:18:32,027 —> 00:18:34,071

No, no, I don't believe it.

336

00:18:34,696 —> 00:18:36,115

I don't believe it. No.

337

00:18:37,991 —> 00:18:41,662

[door opens, closes]

338

00:18:46,458 —> 00:18:48,502

[Louis] Oh. Oh, my God.

339

00:18:51,630 —> 00:18:53,590

Oh, my God.

340

00:18:56,260 —> 00:18:57,636

Eleanor.

341

00:19:02,516 —> 00:19:04,143

Eleanor...

342

00:19:06,728 —> 00:19:08,981

[Eleanor] No one can find out.

343

00:19:09,022 —> 00:19:12,943

They must protect
him. Give him purpose.

344
00:19:12,985 —> 00:19:15,612
[Louis] If anyone can rise
above tragedy, it's Franklin.

345
00:19:16,780 —> 00:19:19,491
Well, I'm sure glad
you're here, Louis.

346
00:19:28,041 —> 00:19:30,627
[bell tolling]

347
00:19:37,426 —> 00:19:39,511
[chattering]

348
00:19:41,555 —> 00:19:42,848
[sobs]

349
00:19:46,476 —> 00:19:48,061
[Theodore] Nell, dear...

350

00:19:51,064 —> 00:19:55,194

I wanted to tell you. I'm sorry

your mother was taken so soon.

351

00:19:57,154 —> 00:19:59,531

You and your brother,

you're going to be all right.

352

00:20:00,574 —> 00:20:01,867

I promise you that.

353

00:20:03,076 —> 00:20:05,037

You're a good girl, Eleanor.

354

00:20:06,413 —> 00:20:07,915

Thanks, Uncle Teddy.

355

00:20:14,087 —> 00:20:16,882

Daddy, can we go home now?

356

00:20:16,924 —> 00:20:20,219

[sobbing] Grandma Mary will

take you and your baby brother

357

00:20:20,260 —> 00:20:22,012

to her house for a while.

358

00:20:22,930 —> 00:20:24,723

I need to go away for a rest.

359

00:20:25,599 —> 00:20:27,893

But then we'll go with you.

360

00:20:27,935 —> 00:20:30,812

[sniffles] It's not that

kind of a rest, now.

361

00:20:32,481 —> 00:20:34,900

Your Uncle Teddy has a

plan to get me well again.

362

00:20:34,942 —> 00:20:37,110

And as soon as I get

better, I will come see you.

363

00:20:37,152 —> 00:20:38,403

No, but I can help you.

364

00:20:38,445 —> 00:20:42,366

I know you can. [sniffs]

365

00:20:42,407 —> 00:20:43,784

And I need your help.

366

00:20:43,825 —> 00:20:46,119

I need you to go

with your grandmother

367

00:20:46,161 —> 00:20:48,247

and take care of

your baby brother,

368

00:20:48,288 —> 00:20:50,040

just the way your mother would.

369

00:20:50,082 —> 00:20:51,500

Can you do that for me,

370

00:20:51,541 —> 00:20:53,418

just till I come

back good as new?

371

00:20:54,795 —> 00:20:56,088

[sobbing]

372

00:21:23,991 —> 00:21:26,743

[Walter Cronkite] Good evening.

Under heavy pressure to resign,

373

00:21:26,785 —> 00:21:29,454

some of it coming from

strong supporters of the past.

374

00:21:29,496 —> 00:21:31,957

President Nixon headed

for Washington without,

375

00:21:31,999 —> 00:21:33,583

according to a spokesman,

376

00:21:33,625 —> 00:21:35,460

talking to his two

Watergate lawyers,

377

00:21:35,502 —> 00:21:37,004

whom he had summoned to Florida.

378

00:21:37,045 —> 00:21:38,755

Meantime, the man

Mr. Nixon chose

379

00:21:38,797 —> 00:21:40,799

to be vice president,

Gerald Ford,

380

00:21:40,841 —> 00:21:43,635

faced his own pressure before

the Senate Rules Committee.

381

00:21:43,677 —> 00:21:45,137

[male reporter]

Transparency and honesty

382

00:21:45,178 —> 00:21:46,972

are at a premium right now.

383

00:21:47,014 —> 00:21:49,308

Facing questions over

his use of a psychiatrist,

384

00:21:49,349 —> 00:21:51,476

Congressman Ford

failed to deliver either.

385

00:21:51,518 —> 00:21:53,270

[committee member]

Congressman Ford, do you deny

386

00:21:53,312 —> 00:21:55,272

meeting with this psychiatrist?

387

00:21:55,314 —> 00:21:59,985

Maybe I've met with him

once or twice, uh, socially.

388

00:22:00,027 —> 00:22:03,322
Ran into him at the,
uh— The club or—

389
00:22:03,363 —> 00:22:05,115
[committee member] He is
in your appointments calendar

390
00:22:05,157 —> 00:22:07,576
at least, uh, twice
that we can find.

391
00:22:09,202 —> 00:22:11,747
[male reporter] His
silence spoke volumes.

392
00:22:11,788 —> 00:22:15,167
- In other Watergate news...
- Oh, fuck a duck, Jerry.

393
00:22:15,208 —> 00:22:17,252
Well, he's screwed now.

394

00:22:17,294 —> 00:22:19,338
...first jail sentence
against Donald Segretti,

395
00:22:19,379 —> 00:22:22,299
the man known as
"dirty-trick" Donald...

396
00:22:22,341 —> 00:22:23,383
Sorry.

397
00:22:26,219 —> 00:22:28,013
- Betty, congratulations.
- Thank you so much.

398
00:22:28,055 —> 00:22:30,098
I'm so happy for you.
They're ready for you.

399
00:22:31,725 —> 00:22:36,021
Today, the Congressional Club
has a very special opportunity

400

00:22:36,063 —> 00:22:38,065
to honor one of our own.

401
00:22:38,106 —> 00:22:40,692
On the eve of her
being officially named

402
00:22:40,734 —> 00:22:44,363
our new Second Lady, Betty Ford.

403
00:22:44,404 —> 00:22:45,447
[applause]

404
00:22:50,786 —> 00:22:51,870
Thank you, Jill.

405
00:22:55,165 —> 00:22:56,166
[chuckles]

406
00:23:04,883 —> 00:23:06,468
[sighs] Thank you, Jill.

407

00:23:06,510 —> 00:23:08,929
- [audience laughs]
- And thank you, ladies.

408
00:23:09,888 —> 00:23:11,056
[microphone feedback]

409
00:23:11,098 —> 00:23:12,974
[clears throat]

410
00:23:13,016 —> 00:23:15,894
It's wonderful to
be up here after

411
00:23:15,936 —> 00:23:19,689
over a decade as a
member of this group.

412
00:23:19,731 —> 00:23:21,525
[audience murmurs]

413
00:23:21,566 —> 00:23:22,901
[clears throat]

414

00:23:25,028 —> 00:23:26,863

I know what

you're all thinking...

415

00:23:26,905 —> 00:23:30,033

- [audience chuckling]

- [chuckles]

416

00:23:30,075 —> 00:23:32,536

The way her husband's

hearing went today,

417

00:23:32,577 —> 00:23:36,039

is she even going

to be Second Lady?

418

00:23:36,081 —> 00:23:38,959

- [all chuckling]

- [audience member] Yes.

419

00:23:45,006 —> 00:23:47,801

Well, let me tell you

about something.

420

00:23:50,011 —> 00:23:52,264

Uh, nearly ten years ago,

421

00:23:52,305 —> 00:23:55,225

I pinched a nerve in my neck.

422

00:23:55,267 —> 00:23:57,936

During the course

of treatment...

423

00:23:59,646 —> 00:24:03,191

my doctor, uh, advised me

424

00:24:03,233 —> 00:24:05,777

that the source of my pain...

425

00:24:08,405 —> 00:24:12,159

It was actually much deeper

426

00:24:12,200 —> 00:24:15,120

than any injury.

427
00:24:16,455 —> 00:24:19,207
And he thought

428
00:24:20,167 —> 00:24:23,503
it might be a good
idea for me to see...

429
00:24:25,589 —> 00:24:26,631
a psychiatrist.

430
00:24:26,673 —> 00:24:28,967
[audience gasping, murmuring]

431
00:24:33,013 —> 00:24:37,142
And it was a good
idea. [chuckles]

432
00:24:37,184 —> 00:24:40,061
[audience murmuring]

433

00:24:46,526 —> 00:24:50,572
For the first time, I
was able to verbalize...

434
00:24:55,452 —> 00:24:57,120
We love our husbands, right?

435
00:24:59,080 —> 00:25:02,250
- [audience] Yes.
- [Betty] Right? Okay.

436
00:25:02,292 —> 00:25:07,214
But every night
he's at a fundraiser

437
00:25:07,255 —> 00:25:12,302
or a speech in
some faraway city.

438
00:25:12,344 —> 00:25:15,847
Then he comes home
right at the kids' bedtime,

439

00:25:15,889 —> 00:25:19,142
disrupts the entire household,

440
00:25:19,184 —> 00:25:21,269
then he heads into the bedroom,

441
00:25:21,311 —> 00:25:25,941
and you go downstairs
to heat up some dinner,

442
00:25:25,982 —> 00:25:29,945
and mix cocktails, but
when you come back up...

443
00:25:31,071 —> 00:25:32,197
he's snoring.

444
00:25:32,239 —> 00:25:34,449
[audience chuckling]

445
00:25:36,243 —> 00:25:39,204
And you're left
holding two cocktails.

446

00:25:39,246 —> 00:25:41,498

[laughter]

447

00:25:41,540 —> 00:25:44,626

But this is what we

signed up for ladies...

448

00:25:45,752 —> 00:25:48,713

when we married politicians.

449

00:25:51,800 —> 00:25:56,304

But that psychiatrist

reminded me...

450

00:25:57,931 —> 00:26:02,102

that my life isn't only

about those days.

451

00:26:05,063 —> 00:26:09,025

There is a Betty

without Jerry Ford.

452

00:26:11,653 —> 00:26:14,990

And that Betty

needs to make sure

453

00:26:15,031 —> 00:26:17,117

that she's healthy,

454

00:26:17,158 —> 00:26:20,245

before she can do anything else.

455

00:26:24,082 —> 00:26:27,752

It was my psychiatrist

Jerry met with twice.

456

00:26:27,794 —> 00:26:29,671

My psychiatrist...

457

00:26:30,463 —> 00:26:32,090

you heard discussed

458

00:26:32,132 —> 00:26:35,802

in his confirmation

hearings this morning.

459

00:26:36,803 —> 00:26:40,932

He met with my

psychiatrist, to support me.

460

00:26:40,974 —> 00:26:43,935

And I love him for that.

461

00:26:43,977 —> 00:26:47,147

[applause, cheering]

462

00:26:50,817 —> 00:26:55,447

And for letting me be

the one to explain that...

463

00:26:55,488 —> 00:26:58,158

- Yes! Absolutely. Well done!

- ...to the American people.

464

00:26:58,199 —> 00:26:59,701

[club member] Well done!

465

00:27:00,285 —> 00:27:01,453

[mouthing] Yes.

466

00:27:13,798 —> 00:27:15,050

[applause]

467

00:27:15,091 —> 00:27:16,259

[Louis] That's great, Franklin.

468

00:27:16,301 —> 00:27:17,802

Wave to the crowd.

469

00:27:20,513 —> 00:27:21,556

Whoo!

470

00:27:21,598 —> 00:27:23,308

[Franklin chuckling]

471

00:27:25,977 —> 00:27:28,021

[groans, screams]

472

00:27:28,063 —> 00:27:30,732

- [Franklin groans]

- [James] Father, are you okay?

473

00:27:30,774 —> 00:27:35,487

Oh. Oh. Better than okay.

He made it nine steps this time.

474

00:27:35,528 —> 00:27:37,155

[Franklin chuckles]

475

00:27:37,197 —> 00:27:38,990

- I'll get there.

- Oh, of course, you will.

476

00:27:39,032 —> 00:27:41,326

- Can't we just move the podium?

- [Franklin groans]

477

00:27:41,368 —> 00:27:43,995

I can't control the proportions

of the room, James.

478

00:27:44,037 —> 00:27:45,205
I wish I could.

479
00:27:48,708 —> 00:27:50,752
We'll try it again.

480
00:27:50,794 —> 00:27:53,338
Don't you think he needs a break
Mother? Jesus, he's bleeding.

481
00:27:56,216 —> 00:27:59,010
And so I am. James, I am fine.

482
00:27:59,052 —> 00:28:03,139
All I need is a glass of water
and we will do this again.

483
00:28:03,181 —> 00:28:06,059
- I'll get it.
- That's the spirit.

484
00:28:06,101 —> 00:28:07,769
- [Franklin groans]

- Right, let's take a break.

485
00:28:07,811 —> 00:28:09,270
Louis. Louis, hold on.

486
00:28:09,312 —> 00:28:11,398
Just give me a moment, boys.

487
00:28:11,439 —> 00:28:13,525
- Please, just a moment.
- [Louis] Yes, yes.

488
00:28:17,320 —> 00:28:21,408
I hope you never have to
see your son in such pain.

489
00:28:22,325 —> 00:28:23,827
[sighs]

490
00:28:23,868 —> 00:28:26,329
Sara, you know that
he's wanted to run

491

00:28:26,371 —> 00:28:28,164

for governor for a decade now.

492

00:28:28,206 —> 00:28:30,250

Maybe longer.

493

00:28:30,291 —> 00:28:33,962

And with these braces,

he's finally got his chance.

494

00:28:34,003 —> 00:28:37,424

As I told you before

many years ago

495

00:28:37,465 —> 00:28:40,468

when this nightmare began,

496

00:28:40,510 —> 00:28:43,138

he should be retired and living

497

00:28:43,179 —> 00:28:46,015

at Hyde Park in a

dignified manner.

498

00:28:46,057 —> 00:28:49,394

Not falling and— And bleeding,

499

00:28:49,436 —> 00:28:53,690

and being humiliated

for an impossible idea.

500

00:28:53,732 —> 00:28:58,653

Unprecedented. Not impossible.

501

00:28:58,695 —> 00:29:00,155

Oh...

502

00:29:00,196 —> 00:29:03,533

People admire resilience.

503

00:29:03,575 —> 00:29:05,869

They are inspired by it.

504

00:29:05,910 —> 00:29:09,205

It shows them that
they too can overcome

505
00:29:09,247 —> 00:29:13,168
the most unspeakable setbacks.

506
00:29:14,377 —> 00:29:16,212
And you know,

507
00:29:16,254 —> 00:29:18,673
Governor was always
on the next step

508
00:29:18,715 —> 00:29:20,383
of the ladder to
the White House.

509
00:29:20,425 —> 00:29:22,135
The White House!

510
00:29:22,177 —> 00:29:26,639
You're so cruel when you
encourage these pipe dreams.

511

00:29:27,724 —> 00:29:30,602

Franklin had a-a bright future.

512

00:29:30,643 —> 00:29:32,437

Impossibly bright.

513

00:29:32,479 —> 00:29:35,690

There was nothing my son

couldn't have accomplished.

514

00:29:35,732 —> 00:29:40,612

But that was before.

It is no longer, Eleanor.

515

00:29:40,653 —> 00:29:45,700

I'm sorry, Sara, but I

respectfully disagree.

516

00:29:45,742 —> 00:29:49,913

I think there is nothing

that Franklin can't do.

517

00:29:50,914 —> 00:29:53,958

So, you'll keep at it then?

518

00:29:54,000 —> 00:29:56,461

It's what he wants, Sara.

519

00:29:56,503 —> 00:30:01,257

I think you better

think up a backup plan

520

00:30:01,299 —> 00:30:03,134

for when he loses.

521

00:30:06,596 —> 00:30:09,641

He's not going to lose.

522

00:30:09,682 —> 00:30:12,393

So Mrs. R with all her trimmin's

523

00:30:12,435 —> 00:30:14,395

Can broadcast a bed from Simmons

524

00:30:14,437 —> 00:30:17,232

'Cause Franklin knows

525

00:30:17,273 —> 00:30:20,193

Anything goes

526

00:30:38,336 —> 00:30:40,672

[reporter] Mrs. Alberta

King sat at the organ

527

00:30:40,713 —> 00:30:42,549

in the Ebenezer Baptist Church

528

00:30:42,590 —> 00:30:45,218

when a young man

sprang to his feet and yelled,

529

00:30:45,260 —> 00:30:47,846

"I'm going to kill

everyone in here."

530

00:30:47,887 —> 00:30:50,306

And shot Mrs. King three times.

531
00:30:50,348 —> 00:30:52,475
Well, it's as if the King
family is being tested.

532
00:30:52,517 —> 00:30:55,478
I've never seen a family suffer
so much tragedy in my life.

533
00:31:09,909 —> 00:31:12,203
- Mr. Cheney.
- He's available?

534
00:31:12,245 —> 00:31:13,371
Of course.

535
00:31:16,708 —> 00:31:17,876
[knocking]

536
00:31:19,419 —> 00:31:21,421
- Mr. Rumsfeld, sir.
- Yes?

537

00:31:23,256 —> 00:31:25,383

Are you aware the

vice president's wife

538

00:31:25,425 —> 00:31:27,927

has requested the jet

for Alberta King's funeral?

539

00:31:29,470 —> 00:31:31,055

- Has she?

- Yeah.

540

00:31:31,806 —> 00:31:33,266

[phone ringing]

541

00:31:33,308 —> 00:31:35,310

Well, thank you, Dick.

542

00:31:35,894 —> 00:31:37,061

Thank you, sir.

543

00:31:57,790 —> 00:31:59,375
Mr. Rumsfeld.

544
00:32:00,543 —> 00:32:02,420
Are you joining us today?

545
00:32:03,630 —> 00:32:06,215
I had to warn you
when I heard, ma'am.

546
00:32:06,257 —> 00:32:09,260
It is not appropriate for you
to represent the administration

547
00:32:09,302 —> 00:32:10,720
at Mrs. King's funeral.

548
00:32:10,762 —> 00:32:12,013
I wasn't aware
the administration

549
00:32:12,055 —> 00:32:16,351
found compassion inappropriate.

550

00:32:16,392 —> 00:32:18,603

Well, we both know

that's not accurate.

551

00:32:18,645 —> 00:32:23,107

I guess that explains why

I'll be the only person there

552

00:32:23,149 —> 00:32:25,026

representing the White House.

553

00:32:26,486 —> 00:32:28,071

It was a tragic event.

554

00:32:28,112 —> 00:32:30,907

No, the tragedy is that

this kind of thing happens

555

00:32:30,949 —> 00:32:34,160

every day in this country

556

00:32:34,202 —> 00:32:36,329
and no one bats an eye.

557
00:32:36,371 —> 00:32:40,416
Have you given any
thought to what's coming?

558
00:32:42,627 —> 00:32:46,756
We both know Nixon won't
survive this Watergate mess.

559
00:32:46,798 —> 00:32:48,967
You'll be walking into ten times

560
00:32:49,008 —> 00:32:50,802
the scrutiny that
you've ever faced.

561
00:32:50,843 —> 00:32:53,304
Scrutiny of every
skeleton. Every closet.

562
00:32:54,722 —> 00:32:56,516

Scrutiny of your first husband.

563
00:33:00,561 —> 00:33:01,646
[door opens]

564
00:33:04,607 —> 00:33:05,692
Susie.

565
00:33:06,693 —> 00:33:08,069
It's Susan.

566
00:33:09,696 —> 00:33:13,116
Jerry's already asked
me to be his chief of staff.

567
00:33:13,157 —> 00:33:16,035
So that means I'll be
everywhere all of the time.

568
00:33:17,036 —> 00:33:20,123
And, uh, if anyone...

569

00:33:20,164 —> 00:33:22,625
And I mean anyone,

570
00:33:22,667 —> 00:33:24,919
says things to the press
or the congressional club,

571
00:33:24,961 —> 00:33:26,504
or to whomever
that might jeopardize

572
00:33:26,546 —> 00:33:28,756
him staying in the White House,

573
00:33:28,798 —> 00:33:30,842
I have to stop them.

574
00:33:30,883 —> 00:33:35,847
My goodness, Don.
What happened to you?

575
00:33:35,888 —> 00:33:37,181
[scoffs]

576

00:33:39,225 —> 00:33:42,687

I take my position

very seriously.

577

00:33:48,192 —> 00:33:50,028

Let's get this plane in the air.

578

00:33:55,992 —> 00:33:59,370

[Martin] Senseless violence

took not only my wife...

579

00:34:01,497 —> 00:34:05,835

but my son, Martin

Luther King Jr.

580

00:34:09,505 —> 00:34:11,507

My heart is wounded.

581

00:34:13,593 —> 00:34:17,138

My heart is bruised.

582

00:34:17,180 —> 00:34:19,766

[church organ playing]

583

00:34:26,939 —> 00:34:28,733

But it is not broken!

584

00:34:28,775 —> 00:34:30,651

- [man] Yes, Lord. Yes, Lord.

- [woman] No!

585

00:34:30,693 —> 00:34:35,281

[choir singing] Amazing Grace

586

00:34:37,241 —> 00:34:42,288

- [attendees wailing]

- How sweet the sound

587

00:34:45,291 —> 00:34:50,421

That saved a wretch

588

00:34:53,424 —> 00:34:58,471

like me

589

00:35:01,349 —> 00:35:05,436

I once

590

00:35:05,478 —> 00:35:09,315

was lost

591

00:35:09,357 —> 00:35:13,361

But now

592

00:35:13,402 —> 00:35:17,406

am found

593

00:35:17,448 —> 00:35:21,369

Was blind

594

00:35:21,410 —> 00:35:25,456

but now

595

00:35:25,498 —> 00:35:30,628

I see

596

00:35:31,337 —> 00:35:33,881
[church organ continues]

597
00:35:33,923 —> 00:35:38,803
Through many

598
00:35:38,845 —> 00:35:41,472
dangers...

599
00:35:41,514 —> 00:35:44,392
[Michelle] With the South
Side Healthcare Collaborative

600
00:35:44,433 —> 00:35:47,895
any patient who shows
up in our emergency room

601
00:35:47,937 —> 00:35:50,064
who can't afford a
primary care doctor

602
00:35:50,106 —> 00:35:52,150
will instantly be

connected to one.

603
00:35:52,191 —> 00:35:54,068
[attendees muttering] Mmm.

604
00:35:54,110 —> 00:35:57,113
I'm talking about people
who live outside these walls.

605
00:35:57,155 —> 00:36:01,951
Who sweep our floors, drive
our city's buses, collect our trash.

606
00:36:01,993 —> 00:36:04,078
These are our neighbors.

607
00:36:04,120 —> 00:36:05,872
And if we believe
that health care

608
00:36:05,913 —> 00:36:07,623
is not just for the
privileged few,

609

00:36:08,541 —> 00:36:10,376

then it's time we

served them too.

610

00:36:11,085 —> 00:36:12,545

All right, thank you.

611

00:36:12,587 —> 00:36:15,298

- Thanks, everyone.

- [Susan Sher] Mm-hmm.

612

00:36:15,339 —> 00:36:18,050

[council member] I think making

you VP of Community Affairs

613

00:36:18,092 —> 00:36:19,635

might be the best

decision I ever made.

614

00:36:19,677 —> 00:36:21,512

Oh, I'm sorry. Your decision?

615

00:36:21,554 —> 00:36:22,638

[Michelle chuckles]

616

00:36:22,680 —> 00:36:24,265

Okay, fine. That was all Susan.

617

00:36:24,307 —> 00:36:26,434

- But, what I'm trying

to say is,

- [chuckles]

618

00:36:26,475 —> 00:36:28,936

I hired an amazing person

who hired an amazing person.

619

00:36:28,978 —> 00:36:30,855

So, I think I

deserve a little credit.

620

00:36:30,897 —> 00:36:32,857

[sniffs, clears throat]

621

00:36:32,899 —> 00:36:34,275
[council member]
Thanks, Michelle.

622
00:36:36,319 —> 00:36:39,488
I gotta say, you are on a
hell of a roll here, Michelle.

623
00:36:39,530 —> 00:36:41,365
- [Michelle] Mm-hmm.
- And... [clears throat]

624
00:36:41,407 —> 00:36:45,119
the noticeable increase in R &
B soul music playing in the ER

625
00:36:45,161 —> 00:36:46,871
is my favorite part.

626
00:36:46,913 —> 00:36:49,540
We gotta sound like we're
on the South Side too.

627

00:36:49,582 —> 00:36:51,209
- [chuckles] Mmm.
- [chuckles]

628
00:36:51,250 —> 00:36:53,002
And word on the street is,

629
00:36:53,044 —> 00:36:56,088
your life away from work
might start getting a little busy.

630
00:36:56,130 —> 00:36:59,842
You mean Barack's campaign?
That's his thing, not mine.

631
00:36:59,884 —> 00:37:03,512
His thing is running for
president of the United States.

632
00:37:03,554 —> 00:37:07,141
Which, I imagine, could
eventually mean everybody

633

00:37:07,183 —> 00:37:09,143
in his life kind of thing.

634
00:37:09,185 —> 00:37:12,521
Yeah, but we still don't know
how far the campaign will go.

635
00:37:12,563 —> 00:37:14,774
And Barack knows I've
got my own thing going on—

636
00:37:14,815 —> 00:37:16,275
Yeah, and I love
that about you guys.

637
00:37:16,317 —> 00:37:18,778
I'm just saying
it's a possibility.

638
00:37:18,819 —> 00:37:20,947
I have Sasha on the phone,

639
00:37:20,988 —> 00:37:22,949

calling mummy

for the first time.

640

00:37:22,990 —> 00:37:25,034

Oh! We'll pick up on this later.

641

00:37:25,076 —> 00:37:26,118

[phone beeps]

642

00:37:26,160 —> 00:37:28,037

Hi, bug. How you doing?

643

00:37:29,121 —> 00:37:30,748

Who?

644

00:37:30,790 —> 00:37:32,291

What do you mean,

there are secret people

645

00:37:32,333 —> 00:37:33,584

all over the house?

646

00:37:44,971 —> 00:37:47,431

- [indistinct radio chatter]

- Renaissance has landed.

647

00:37:47,473 —> 00:37:48,849

Ma'am.

648

00:37:48,891 —> 00:37:51,394

Hey, brother. Who

the hell are you?

649

00:37:51,435 —> 00:37:53,062

Agent Allen Taylor, ma'am.

650

00:37:53,104 —> 00:37:54,981

Sorry for the inconvenience.

651

00:37:55,022 —> 00:37:57,692

Your protective

detail starts today.

652

00:37:58,526 —> 00:38:00,152

Shit!

653

00:38:00,194 —> 00:38:01,946

[voice over radio]

Protection unit on scene.

654

00:38:04,573 —> 00:38:07,994

- [voice on radio] ... received.

- Hey, honey. You're home early.

655

00:38:08,035 —> 00:38:09,829

[Michelle] Protective detail?

656

00:38:09,870 —> 00:38:11,580

- You're not even a nominee yet.

- I know, right. It's—

657

00:38:11,622 —> 00:38:12,999

Where are the girls?

658

00:38:13,040 —> 00:38:14,375

[indistinct radio

chatter continues]

659

00:38:14,417 —> 00:38:16,002

[upbeat music

playing on speaker]

660

00:38:16,043 —> 00:38:17,920

- You're okay?

- [singsongy] Good morning!

661

00:38:17,962 —> 00:38:19,630

[normal] Hmm? Mm-hmm.

662

00:38:19,672 —> 00:38:21,507

- Mommy's here.

- [Young Malia] We're fine.

663

00:38:21,549 —> 00:38:23,384

Hi.

664

00:38:23,426 —> 00:38:24,468

[Young Malia] That's why

the secret people are here.

665

00:38:24,510 —> 00:38:26,304
To protect us.

666
00:38:26,345 —> 00:38:28,014
Well, that's what Dad said.

667
00:38:29,098 —> 00:38:31,309
- One of them gave me candy.
- Spit it out.

668
00:38:31,350 —> 00:38:33,227
- [Young Sasha] But, Mom.
- No candy from strangers,

669
00:38:33,269 —> 00:38:34,186
you know that.

670
00:38:35,396 —> 00:38:36,439
Give it to me.

671
00:38:36,480 —> 00:38:37,815
[Young Sasha] Mm-mmm.

672

00:38:39,483 —> 00:38:40,526

I told you.

673

00:38:44,447 —> 00:38:45,489

Come here.

674

00:38:47,033 —> 00:38:48,200

- Be good.

- Mm-hmm.

675

00:38:49,535 —> 00:38:50,578

[sighs]

676

00:38:54,206 —> 00:38:57,001

[indistinct radio chatter]

677

00:39:01,380 —> 00:39:05,593

Boom. Your man kicked the

Secret Service out of the house.

678

00:39:05,634 —> 00:39:07,887

I said, "Look,

fellas..." [chuckles]

679
00:39:07,928 —> 00:39:09,597
"...I don't care how
many guns you got.

680
00:39:09,638 —> 00:39:11,724
My wife doesn't like
it. Get to steppin'."

681
00:39:11,766 —> 00:39:14,685
Now, strictly speaking,
they can't leave the property,

682
00:39:15,227 —> 00:39:16,562
but— [laughs]

683
00:39:16,604 —> 00:39:18,689
- Come on.
- It's not funny, Barack.

684
00:39:19,732 —> 00:39:22,693
There are men with

guns outside our home.

685

00:39:24,195 —> 00:39:26,113

Did they say why now?

686

00:39:26,155 —> 00:39:28,866

Well, look, there-there—

There have been some threats.

687

00:39:28,908 —> 00:39:32,536

- Some letters, message boards.

- There are death threats?

688

00:39:33,579 —> 00:39:34,663

[exhales sharply]

689

00:39:38,167 —> 00:39:41,587

[sighs] Well, hey, look,

baby, we always knew there—

690

00:39:41,629 —> 00:39:42,922

There would be some crazies.

691

00:39:42,963 —> 00:39:45,508

Yeah. When did you

plan on telling me?

692

00:39:47,009 —> 00:39:50,054

Uh. Well, uh, I-I was gonna,

693

00:39:50,096 —> 00:39:51,847

but I-I didn't want

you to freak out.

694

00:39:51,889 —> 00:39:53,891

Well, you certainly

failed at that.

695

00:39:55,059 —> 00:39:57,853

[scoffs] Well, look—

696

00:39:57,895 —> 00:40:00,815

I mean, Mich, th-this kind

of thing happens at this level.

697

00:40:00,856 —> 00:40:02,149
Really?

698
00:40:02,191 —> 00:40:04,318
John Edwards
have Secret Service?

699
00:40:04,360 —> 00:40:06,654
What about John
McCain? Mitt Romney?

700
00:40:06,695 —> 00:40:10,408
- Probably not.
- Yeah. You know why?

701
00:40:11,575 —> 00:40:13,077
- You're a coon.
- [sighs]

702
00:40:13,119 —> 00:40:15,204
You're a nigga,

703
00:40:15,246 —> 00:40:18,249

running for president
of the United States.

704
00:40:18,290 —> 00:40:21,252
So, yeah, there's a little
difference between you and those

705
00:40:21,293 —> 00:40:23,170
- other candidates, Barack.
- Just—

706
00:40:24,964 —> 00:40:28,759
Um, I could be president
of the United States.

707
00:40:28,801 —> 00:40:31,762
Can you find it in yourself
to be a little excited for me?

708
00:40:31,804 —> 00:40:33,931
Excuse me if I can't
share in the excitement

709

00:40:33,973 —> 00:40:36,267
of my husband
potentially being shot.

710
00:40:36,308 —> 00:40:38,978
It is interesting to me
that you're more willing

711
00:40:39,019 —> 00:40:40,563
to believe in me being—

712
00:40:40,604 —> 00:40:42,940
It be me being shot,
than me being president.

713
00:40:42,982 —> 00:40:44,942
Oh, no. I think it's interesting

714
00:40:44,984 —> 00:40:47,611
that you're willing to put your
family in harm's way because of

715
00:40:47,653 —> 00:40:49,613

- your insatiable ambition.

- Don't do it. Don't do that.

716

00:40:49,655 —> 00:40:50,698

Don't do that.

717

00:40:52,491 —> 00:40:54,160

- [sighs]

- You know what?

718

00:40:54,827 —> 00:40:56,579

Remember Jackie Kennedy?

719

00:40:56,620 —> 00:40:58,080

[scoffs]

720

00:40:58,122 —> 00:41:00,291

Her blood-splattered,

pink Chanel suit?

721

00:41:01,292 —> 00:41:02,960

[snaps fingers] Her

kids had to see that.

722

00:41:03,002 —> 00:41:05,713

Someone had to explain

that to them, Barack.

723

00:41:05,754 —> 00:41:07,590

- Jackie Kennedy?

- Yeah.

724

00:41:07,631 —> 00:41:11,093

Martin, Malcolm, all of the

above, this is not about that.

725

00:41:11,135 —> 00:41:14,555

This is about the fact that

you don't want me in politics.

726

00:41:14,597 —> 00:41:17,641

You have never

wanted me in politics.

727

00:41:17,683 —> 00:41:20,728

So, just own up to

that, hold that, all right?

728

00:41:20,769 —> 00:41:24,607

Because we've been through

the security details meticulously

729

00:41:24,648 —> 00:41:26,484

at your request, right?

730

00:41:26,525 —> 00:41:29,153

You came in here

with open eyes, so...

731

00:41:35,075 —> 00:41:36,160

Mich?

732

00:41:37,536 —> 00:41:39,038

Mich?

733

00:41:39,079 —> 00:41:41,332

Make sure the girls

brush their teeth later.

734

00:41:46,504 —> 00:41:48,214

[train racks rumbling]

735

00:41:48,255 —> 00:41:50,549

[dogs barking]

736

00:42:06,732 —> 00:42:09,527

Just needed some

daddy-chair time.

737

00:42:09,568 —> 00:42:11,278

He used to love that old thing.

738

00:42:12,488 —> 00:42:14,198

Still smells of him.

739

00:42:14,240 —> 00:42:15,366

Yeah.

740

00:42:17,201 —> 00:42:18,244

Yeah.

741

00:42:20,829 —> 00:42:22,456

- Mama.

- [chuckles]

742

00:42:29,421 —> 00:42:32,508

- [Young Michelle screaming]

- [paper rustles]

743

00:42:32,550 —> 00:42:35,386

Oh, my God! Oh, my God!

Oh, my God! Oh, my God!

744

00:42:35,427 —> 00:42:37,555

- Are you okay, baby?

- What's got into you?

745

00:42:37,596 —> 00:42:40,558

- I got into Princeton! [laughs]

- Oh, honey! That's wonderful!

746

00:42:40,599 —> 00:42:42,226

- That's amazing.

- They would've been fools

747

00:42:42,268 —> 00:42:43,852

not to accept you.

748

00:42:43,894 —> 00:42:45,354

I'm gonna scare all

the boys away from you.

749

00:42:45,396 —> 00:42:47,898

- Oh, you would do that! [laughs]

- [Craig laughs]

750

00:42:47,940 —> 00:42:49,984

Oh, what is it, Mommy?

751

00:42:54,363 —> 00:42:56,115

Oh.

752

00:42:56,156 —> 00:42:58,576

They're not offering

any financial aid?

753

00:43:00,536 —> 00:43:03,205
I'm sorry. I got so
excited when I saw,

754
00:43:03,247 —> 00:43:04,915
"Congratulations,
you're admitted."

755
00:43:04,957 —> 00:43:06,417
- I stopped reading right there.
- Don't be sorry.

756
00:43:06,458 —> 00:43:08,419
This is a big deal.
You should be happy.

757
00:43:08,460 —> 00:43:10,588
[chuckles] But how
are we gonna pay for it?

758
00:43:10,629 —> 00:43:14,508
You did the work to get in.
You leave this part up to us.

759

00:43:14,550 —> 00:43:16,510

We got room to

take on another loan.

760

00:43:16,552 —> 00:43:18,846

- [Young Michelle] You guys—

- Uh-uh-uh. Listen to me.

761

00:43:18,887 —> 00:43:20,014

You belong there.

762

00:43:20,055 —> 00:43:21,432

Just do your thing.

763

00:43:24,893 —> 00:43:26,270

- Thank you.

- [Marian] Mmm.

764

00:43:28,480 —> 00:43:29,607

[Marian sighs]

765

00:43:31,775 —> 00:43:34,778

So, what's going on?

766
00:43:39,158 —> 00:43:40,409
It's nothing.

767
00:43:43,537 —> 00:43:46,081
Does "nothing" mean
you married a tornado

768
00:43:46,123 —> 00:43:50,961
that turned everything you
ever planned for in your life,

769
00:43:51,003 —> 00:43:52,588
upside down?

770
00:43:55,966 —> 00:43:59,595
I'm just terrified my
girls are gonna see

771
00:43:59,637 —> 00:44:03,641
their daddy's picture hanging
on someone's wall, like a—

772

00:44:03,682 —> 00:44:06,101

Another dead Black hero.

773

00:44:06,143 —> 00:44:07,519

[inhales sharply] Baby...

774

00:44:08,771 —> 00:44:12,191

it seems you got two choices.

775

00:44:13,525 —> 00:44:17,404

Both of them ending with that

man doing what he's gonna do.

776

00:44:19,698 —> 00:44:21,825

Well, what— What should I do?

777

00:44:27,039 —> 00:44:31,168

You know what your

daddy used to say about you.

778

00:44:37,216 —> 00:44:40,010

[imitating Fraser] Mich? Shit.

779

00:44:40,052 —> 00:44:41,595

[laughing]

780

00:44:41,637 —> 00:44:43,681

You can't tell

that girl nothin'!

781

00:44:43,722 —> 00:44:46,725

- [Marian continues laughing]

- [laughs]

782

00:44:56,318 —> 00:44:57,361

Mmm.

783

00:44:58,278 —> 00:44:59,363

Yeah.

784

00:45:12,334 —> 00:45:14,545

[news anchor] Still, with

the election 18 months away,

785

00:45:14,586 —> 00:45:16,088

it is notable that Obama is

786

00:45:16,130 —> 00:45:18,006

the earliest candidate

to ever receive

787

00:45:18,048 —> 00:45:20,384

- a government security detail.

- [reporters clamoring]

788

00:45:23,262 —> 00:45:24,304

Hey.

789

00:45:25,723 —> 00:45:26,765

Mmm.

790

00:45:29,268 —> 00:45:30,352

You're still at it?

791

00:45:30,394 —> 00:45:31,562

[groans]

792

00:45:32,896 —> 00:45:35,482

Ninety percent of

running for president

793

00:45:35,524 —> 00:45:36,900

- is reading memos

- [sighs]

794

00:45:36,942 —> 00:45:38,402

and the other ten is wondering

795

00:45:38,444 —> 00:45:40,904

why the fuck you

ran in the first place.

796

00:45:45,534 —> 00:45:47,244

So, how are we?

797

00:45:54,293 —> 00:45:55,377

I—

798

00:45:57,129 —> 00:46:00,048
I-I met this little, old lady, she
grabbed a hold of me, says,

799
00:46:00,090 —> 00:46:03,093
[imitating old lady] "Mr. Obama, I
sure hope you become president

800
00:46:03,844 —> 00:46:07,973
because I'm sick and tired
of lying to my grandchildren

801
00:46:08,015 —> 00:46:10,309
that they can be anything".

802
00:46:17,733 —> 00:46:18,776
Yeah...

803
00:46:19,693 —> 00:46:21,111
- [normal] All right?
- Yeah.

804
00:46:22,613 —> 00:46:23,781

I get that.

805
00:46:27,326 —> 00:46:32,372
It's so much bigger
than us at this point,

806
00:46:32,414 —> 00:46:35,334
and I'm scared.

807
00:46:39,004 —> 00:46:40,047
[chuckles]

808
00:46:42,633 —> 00:46:43,842
I need you.

809
00:46:50,849 —> 00:46:51,892
Okay.

810
00:46:51,934 —> 00:46:53,393
[Barack chuckles]

811
00:46:53,435 —> 00:46:54,478

I got you.

812

00:46:58,482 —> 00:46:59,566

I got you.

813

00:47:00,192 —> 00:47:01,276

You always got me.

814

00:47:02,069 —> 00:47:03,695

- Yes, I did.

- It's a bad habit.

815

00:47:03,737 —> 00:47:06,114

- Thank God I got you.

- [chuckles]

816

00:47:07,324 —> 00:47:09,493

Lucky old me. Come on.

817

00:47:09,535 —> 00:47:13,330

[grunts] I-I know— I know

what this position means.

818

00:47:13,372 —> 00:47:14,623

[Michelle groans]

819

00:47:15,833 —> 00:47:17,000

[chuckles]

820

00:47:18,335 —> 00:47:19,378

[sighs]

821

00:47:32,057 —> 00:47:33,517

[knocking]

822

00:47:33,559 —> 00:47:34,601

Come in.

823

00:47:35,978 —> 00:47:38,689

Mrs. R, we were

supposed to leave

824

00:47:38,730 —> 00:47:41,275

for your tour 20 minutes ago.

825

00:47:42,067 —> 00:47:43,944

The First Lady is waiting.

826

00:47:43,986 —> 00:47:47,990

I don't need a tour. Uncle

Teddy lived there for eight years.

827

00:47:48,031 —> 00:47:49,867

[Malvina] I know,

but it's part of the—

828

00:47:49,908 —> 00:47:51,535

Charade?

829

00:47:52,202 —> 00:47:53,620

Protocol.

830

00:47:53,662 —> 00:47:56,373

Why can't it wait till

after the inauguration?

831

00:47:56,415 —> 00:47:59,042

There's plenty of
time to reschedule.

832
00:47:59,084 —> 00:48:00,627
My appointment is a four-year—

833
00:48:00,669 —> 00:48:01,879
Sentence?

834
00:48:02,880 —> 00:48:03,964
Term.

835
00:48:05,173 —> 00:48:07,509
From your former
students, wishing you luck.

836
00:48:07,551 —> 00:48:08,927
Oh.

837
00:48:08,969 —> 00:48:10,053
You haven't touched
your breakfast.

838

00:48:10,095 —> 00:48:11,388

I had coffee.

839

00:48:11,430 —> 00:48:13,515

Mrs. R, you have an

impossibly long day

840

00:48:13,557 —> 00:48:16,727

and your lunch isn't until 1:30,

you have to eat something.

841

00:48:16,768 —> 00:48:19,771

[chuckles] Coffee is just fine.

842

00:48:19,813 —> 00:48:22,399

It's more than most

Americans will have all day.

843

00:48:22,441 —> 00:48:24,318

All right, well, we don't

have time to argue about it.

844

00:48:24,359 —> 00:48:25,944
Okay, let's get going.

845
00:48:25,986 —> 00:48:28,322
So, immediately
following your tour,

846
00:48:28,363 —> 00:48:30,324
we're meeting with Edith
Helm about the State dinner.

847
00:48:30,365 —> 00:48:32,993
Oh, is she staying
on as social secretary?

848
00:48:33,035 —> 00:48:34,870
Mmm, better her than me.

849
00:48:34,912 —> 00:48:37,956
Then, we have decorators
to meet with at noon.

850
00:48:37,998 —> 00:48:41,001

From shaping young
minds to decorating.

851
00:48:41,043 —> 00:48:43,170
And I need to shift
your meeting with Hick

852
00:48:43,211 —> 00:48:45,047
- for the APP's.
- Oh, no.

853
00:48:45,088 —> 00:48:47,674
We'll give it an hour, probably
sometime after 3:00 and—

854
00:48:47,716 —> 00:48:49,760
[Eleanor] Oh, we'll need
much more than an hour.

855
00:48:49,801 —> 00:48:51,762
It's just a few quotes
about the inauguration.

856

00:48:51,803 —> 00:48:54,306
Oh, that's if you want
it to be a pop piece.

857
00:48:54,348 —> 00:48:56,600
- [phone ringing]
- [employees chatting]

858
00:48:59,853 —> 00:49:02,481
[Franklin] Senator.
Senator, I understand all of it.

859
00:49:02,522 —> 00:49:04,900
All I am saying is that
the democratic party

860
00:49:04,942 —> 00:49:08,403
has to be a united
front from day one.

861
00:49:08,445 —> 00:49:10,322
Yes, thank you.

862

00:49:10,364 —> 00:49:13,283
Eleanor, aren't you supposed
to be with the retiring First Lady?

863
00:49:13,325 —> 00:49:15,535
We're on our way.

864
00:49:15,577 —> 00:49:17,537
Will you make sure
that he reads this?

865
00:49:17,579 —> 00:49:19,247
Uh, yes. Of course. What is it?

866
00:49:19,289 —> 00:49:21,124
It's my suggestions for
cabinet appointments.

867
00:49:21,166 —> 00:49:23,126
- [Louis] Okay. Both. [grunts]
- [overlapping] Female ones.

868
00:49:23,168 —> 00:49:25,629

- Where are we with the speech?

- Well, not as far as we would be

869

00:49:25,671 —> 00:49:27,255

were there not 40

other things to do.

870

00:49:27,297 —> 00:49:29,383

What's more important

than the speech, Louis?

871

00:49:29,424 —> 00:49:32,177

- It's tomorrow.

- I know. We'll get to it.

872

00:49:32,219 —> 00:49:35,097

Well, let me see a draft of

it. I can cancel the First Lady.

873

00:49:35,138 —> 00:49:37,015

You can't cancel the First Lady.

874

00:49:37,057 —> 00:49:39,184

- I can cancel the First Lady.

- I told her she couldn't.

875

00:49:39,226 —> 00:49:42,396

It's important that he lead

with the cold, hard truth.

876

00:49:42,437 —> 00:49:44,022

Add some hope to it,

877

00:49:44,064 —> 00:49:46,483

but he needs to state

the facts, plain and simple.

878

00:49:46,525 —> 00:49:48,944

There are 30 million

Americans out of work

879

00:49:48,986 —> 00:49:50,237

and they don't want

to be pandered to.

880

00:49:50,278 —> 00:49:51,405

[Louis] Couldn't agree more.

881
00:49:51,446 —> 00:49:53,156
Left to his own devices,

882
00:49:53,198 —> 00:49:55,659
Franklin always errs on the
side of optimism but we need to

883
00:49:55,701 —> 00:49:57,661
- strike the balance—
- Mrs. R.

884
00:49:57,703 —> 00:50:00,122
Earl and the car have been
outside for over an hour.

885
00:50:00,163 —> 00:50:02,624
- [Louis] Oh, goodness.
- That's entirely unnecessary.

886
00:50:02,666 —> 00:50:04,167
I'm going to walk.

887

00:50:04,209 —> 00:50:05,585

- You're not walking.

- You can't walk.

888

00:50:05,627 —> 00:50:07,170

I most certainly am.

889

00:50:07,212 —> 00:50:09,006

- [Louis] Mm-mmm.

- Mrs. R, Lou Hoover is waiting,

890

00:50:09,047 —> 00:50:10,841

we really need to go.

891

00:50:10,882 —> 00:50:12,342

Yes, let's not keep her waiting.

892

00:50:12,384 —> 00:50:13,760

Louis, when can we

talk about the speech?

893

00:50:13,802 —> 00:50:15,804
We will get to
it this afternoon.

894
00:50:15,846 —> 00:50:17,597
Well, I'm all booked
up this afternoon.

895
00:50:17,639 —> 00:50:19,016
Yes, I'm aware.

896
00:50:21,351 —> 00:50:23,020
Oh, I see.

897
00:50:23,061 —> 00:50:24,563
I'm good enough to get him here,

898
00:50:24,604 —> 00:50:26,356
but not good
enough to keep going.

899
00:50:26,398 —> 00:50:28,900
You have your own

schedule to worry about.

900

00:50:28,942 —> 00:50:30,861

- Your own duties.

- Oh, good.

901

00:50:30,902 —> 00:50:35,407

So, he's finally decided on

my job in the administration.

902

00:50:36,908 —> 00:50:38,869

Y-Yes, uh, First Lady.

903

00:50:38,910 —> 00:50:39,995

[scoffs]

904

00:50:43,457 —> 00:50:48,086

That's not a job, Louis.

That's my circumstance.

905

00:50:51,298 —> 00:50:52,549

Shall we, Tommy?

906

00:50:53,759 —> 00:50:55,427

I need some fresh air.

907

00:50:56,553 —> 00:50:58,597

[pan sizzling]

908

00:51:07,731 —> 00:51:08,774

[grunts]

909

00:51:10,108 —> 00:51:11,151

[groans]

910

00:51:18,575 —> 00:51:19,826

[grunts]

911

00:51:20,744 —> 00:51:22,204

Is that terribly uncomfortable?

912

00:51:22,245 —> 00:51:23,288

[groans]

913

00:51:24,414 —> 00:51:26,833
I don't know. It's all
pretty uncomfortable.

914
00:51:28,126 —> 00:51:30,378
- Can I help you in any way?
- Hmm?

915
00:51:30,420 —> 00:51:32,464
Let me finish making
breakfast for you.

916
00:51:33,090 —> 00:51:35,133
[chuckles] Okay...

917
00:51:36,259 —> 00:51:37,469
What is it?

918
00:51:39,513 —> 00:51:43,391
[inhales, exhales deeply]

919
00:51:46,144 —> 00:51:48,897
The Supreme court is

ordering the president

920
00:51:48,939 —> 00:51:50,440
to release all the tapes.

921
00:51:52,818 —> 00:51:54,903
He'll have no
choice but to resign.

922
00:52:00,283 —> 00:52:02,744
Well, that is news.

923
00:52:02,786 —> 00:52:04,287
Impeachment would
only add to the pain

924
00:52:04,329 —> 00:52:05,789
the country is already in,

925
00:52:05,831 —> 00:52:07,958
resignation will be
swift and definite.

926

00:52:09,835 —> 00:52:11,128

Betty...

927

00:52:12,921 —> 00:52:15,632

you must understand,

the country needs me.

928

00:52:15,674 —> 00:52:18,135

- These last few months—

- Oh, would you fucking spare me!

929

00:52:18,176 —> 00:52:19,386

Just for once.

930

00:52:21,304 —> 00:52:22,889

Thirteen campaigns...

931

00:52:24,099 —> 00:52:25,142

[sighs]

932

00:52:26,184 —> 00:52:28,145

First the people of

Grand Rapids need you,

933
00:52:28,186 —> 00:52:31,106
then the country needs you
to take the vice presidency

934
00:52:31,148 —> 00:52:34,818
and now you're desperately
needed as President.

935
00:52:34,860 —> 00:52:37,487
Can't you just be
man enough to admit

936
00:52:37,529 —> 00:52:39,698
that you've always wanted this?

937
00:52:39,739 —> 00:52:42,159
I am a man of
ambitions, Elizabeth. Yes.

938
00:52:42,200 —> 00:52:43,451
I want to succeed.

939

00:52:44,035 —> 00:52:45,620

I want to provide.

940

00:52:45,662 —> 00:52:47,455

But if you think I want

941

00:52:47,497 —> 00:52:49,124

what's being handed to

me from this administration,

942

00:52:49,166 —> 00:52:52,043

and I realize my ambitions

have made life hard for you.

943

00:52:52,085 —> 00:52:53,503

[scoffs]

944

00:52:53,545 —> 00:52:54,629

But you knew what

you were getting into.

945

00:52:54,671 —> 00:52:56,006

- No!

- [cloth rustling]

946

00:52:56,047 —> 00:52:58,633

I did not know what

I was getting into.

947

00:52:58,675 —> 00:52:59,718

[crockery clangs]

948

00:53:05,390 —> 00:53:07,726

[smacks lips] But here I am.

949

00:53:10,896 —> 00:53:12,022

[sighs]

950

00:53:15,025 —> 00:53:16,735

And I will be here for you.

951

00:53:19,905 —> 00:53:21,698

But I am going to be myself.

952

00:53:21,740 —> 00:53:24,367

I am going to do and

say things that I believe in.

953

00:53:24,409 —> 00:53:26,369

I think I've earned that right.

954

00:53:28,079 —> 00:53:30,999

I'm going to take a shower.

You can finish up here.

955

00:53:31,041 —> 00:53:32,375

Betty...

956

00:53:39,591 —> 00:53:40,675

Thank you.

957

00:53:42,260 —> 00:53:43,887

Are Pat and Julie okay?

958

00:53:43,929 —> 00:53:44,971

I don't—

959

00:53:45,764 —> 00:53:46,890

[sighing] I—

960

00:53:48,058 —> 00:53:49,684

[normal] I'm

sure it's difficult.

961

00:53:54,022 —> 00:53:55,065

Yes, it is.

962

00:53:55,106 —> 00:53:58,401

["Life Line" playing]

EP2: Voices Carry

1

00:00:42,409 —> 00:00:44,786

In all the decisions I have

made in my public life,

2

00:00:45,662 —> 00:00:48,498

I have always tried to do

what was best for the nation.

3
00:00:49,499 —> 00:00:53,045
In the past few days, however,
it has become evident to me

4
00:00:53,879 —> 00:00:56,798
that I no longer have a
strong enough political base

5
00:00:57,507 —> 00:01:01,803
in the Congress to justify
continuing that effort.

6
00:01:03,180 —> 00:01:06,433
Therefore, I shall
resign the presidency

7
00:01:06,892 —> 00:01:08,393
effective at noon tomorrow.

8
00:01:09,728 —> 00:01:13,732
Vice President Ford will

be sworn in as president

9

00:01:14,232 —> 00:01:16,777

at that hour in this office.

10

00:01:18,236 —> 00:01:20,280

As I recall the high

hopes for America

11

00:01:21,114 —> 00:01:23,241

with which we began

this second term,

12

00:01:24,076 —> 00:01:25,327

I feel a great sadness

13

00:01:26,745 —> 00:01:29,456

that I will not be here in

this office working on...

14

00:01:29,748 —> 00:01:32,084

[voice fades]

15

00:01:34,795 —> 00:01:36,338

[commentator] Mr. and Mrs.

Ford have joined the Nixons

16

00:01:37,255 —> 00:01:41,510

as they make the last walk

out to Army One, the helicopter.

17

00:01:41,802 —> 00:01:42,761

Congratulations.

18

00:01:43,470 —> 00:01:45,388

- Congratulations or condolences?

- [Richard chuckles]

19

00:01:46,306 —> 00:01:49,142

[Richard] She's

all yours. Be safe.

20

00:01:51,603 —> 00:01:53,480

[commentator] There is

the President waving goodbye.

21

00:01:53,939 —> 00:01:55,398

Can you hear the applause?

22

00:02:00,112 —> 00:02:02,531

President Nixon's helicopter

going over the fountains

23

00:02:03,115 —> 00:02:04,157

of the White House south lawn.

24

00:02:04,950 —> 00:02:08,245

[Gerald] I am acutely aware

that you have not elected me

25

00:02:08,829 —> 00:02:11,706

as your president

by your ballots,

26

00:02:12,415 —> 00:02:17,170

so I ask you to confirm

me as your president

27

00:02:17,963 —> 00:02:19,214
with your prayers.

28
00:02:19,840 —> 00:02:23,426
I have not campaigned
either for the presidency

29
00:02:23,802 —> 00:02:24,719
or the vice presidency.

30
00:02:25,345 —> 00:02:30,350
I am indebted to no man
and only to one woman,

31
00:02:31,184 —> 00:02:32,477
my dear wife...

32
00:02:33,311 —> 00:02:34,980
[camera shutters clicking]

33
00:02:35,647 —> 00:02:38,275
...as I begin this
very difficult job.

34

00:02:39,860 —> 00:02:44,197

I have not sought this

enormous responsibility,

35

00:02:45,657 —> 00:02:47,200

but I will not shirk it.

36

00:02:48,160 —> 00:02:50,453

This land is your land

37

00:02:52,873 —> 00:02:55,333

This land is my land

38

00:02:58,336 —> 00:03:01,173

From California

39

00:03:02,174 —> 00:03:06,344

Well to the New York Island

40

00:03:07,345 —> 00:03:10,891

From the Redwood Forest

41

00:03:12,309 —> 00:03:16,396

To the Gulf Stream Waters

42

00:03:17,355 —> 00:03:21,234

I tell you this land

43

00:03:21,818 —> 00:03:25,488

Was made for you and me

44

00:03:25,697 —> 00:03:27,199

Yeah

45

00:03:27,866 —> 00:03:31,244

Mmm

46

00:03:32,037 —> 00:03:35,957

One bright sunny morning

47

00:03:36,583 —> 00:03:40,545

Well, in the shadow of a steeple

48

00:03:41,421 —> 00:03:45,842

Down by the welfare office

49

00:03:46,384 —> 00:03:50,305

I saw my people

50

00:03:51,264 —> 00:03:55,310

I was wondering if this land

51

00:03:55,894 —> 00:04:01,274

Was made for you and me

52

00:04:04,945 —> 00:04:06,947

- [trainer] Yes, push!

- [grunting]

53

00:04:07,447 —> 00:04:09,241

One, two. One, two. One, two.

54

00:04:09,741 —> 00:04:11,618

Come on! One, two. Push!

55

00:04:12,244 —> 00:04:13,703

[grunting]

56

00:04:14,579 —> 00:04:16,998

Come on. Push

through. Five more.

57

00:04:17,582 —> 00:04:18,583

Hard as you can. You got this.

58

00:04:18,959 —> 00:04:20,460

Don't stop. Come on.

59

00:04:20,752 —> 00:04:23,129

Come on. Come on.

60

00:04:23,588 —> 00:04:24,798

Four! Five!

61

00:04:25,257 —> 00:04:26,049

[both grunting]

62

00:04:26,758 —> 00:04:28,969

Senator Hillary Clinton

has opened up a huge lead

63

00:04:29,552 —> 00:04:30,345

over her democratic challengers

64

00:04:31,263 —> 00:04:32,597

according to a new Washington

Post ABC News poll.

65

00:04:33,473 —> 00:04:35,308

Senator Hillary Clinton is

still the Democrat to beat.

66

00:04:36,268 —> 00:04:39,145

The poll shows support for both

Barack Obama and John Edwards

67

00:04:39,604 —> 00:04:40,647

is dropping off.

68

00:04:50,407 —> 00:04:53,159
[sighs] Can't say
I've taken that route.

69
00:04:53,660 —> 00:04:55,537
[bodyguard] Safest way, ma'am.

70
00:04:55,829 —> 00:04:57,289
[Michelle] Great.

71
00:04:58,498 —> 00:05:00,333
[Barack] I know. Packed.

72
00:05:02,294 —> 00:05:04,337
Mmm. And you're finally on time.

73
00:05:04,963 —> 00:05:06,756
Well, you know, I
didn't wanna miss out

74
00:05:07,340 —> 00:05:08,633
on some one-on-one
time with you.

75

00:05:09,592 —> 00:05:12,053

[chuckles] Yeah, we can't

miss our date night tradition,

76

00:05:12,679 —> 00:05:14,806

even if we have to shut

the whole place down.

77

00:05:15,432 —> 00:05:16,599

- Oh, yeah. Thank you.

- Thank you.

78

00:05:17,475 —> 00:05:18,893

You may not have to

worry about it much longer.

79

00:05:19,519 —> 00:05:22,981

I— I'm still trailing

Hillary by double digits.

80

00:05:23,606 —> 00:05:27,360

Yeah, well, she

seems to really want it.

81
00:05:27,986 —> 00:05:32,324
Yeah, she's whopping
my ass in every debate.

82
00:05:32,782 —> 00:05:33,992
Sorry.

83
00:05:35,785 —> 00:05:39,998
You know, my— my
team thinks that I have

84
00:05:40,540 —> 00:05:42,292
- a relatability issue.
- Mm-hmm.

85
00:05:43,001 —> 00:05:47,172
But they've got this idea
on how to ameliorate that.

86
00:05:47,839 —> 00:05:49,966
Is it to stop you from

casually using words

87

00:05:50,550 —> 00:05:52,844

like relatability

and ameliorate?

88

00:05:54,512 —> 00:05:55,722

Actually, it's you.

89

00:05:56,181 —> 00:05:58,266

- [laughs]

- All right. Look,

90

00:05:58,725 —> 00:05:59,934

you're stunning.

91

00:06:00,518 —> 00:06:01,936

- No, you are, and you're—

- Ugh.

92

00:06:02,520 —> 00:06:05,273

You're brilliant and relatable—

93

00:06:05,899 —> 00:06:07,192

I don't know, it's

the best word for it.

94

00:06:07,901 —> 00:06:10,904

You are relatable and

certainly more relatable than—

95

00:06:11,529 —> 00:06:13,073

I don't know, some

half-Kenyan brother

96

00:06:13,573 —> 00:06:14,908

from fucking Hawaii, you know?

97

00:06:15,533 —> 00:06:18,536

Okay, then what

does all of this entail?

98

00:06:19,913 —> 00:06:21,373

Well...

99

00:06:22,540 —> 00:06:23,875
- a few speaking engagements—
- [groans]

100
00:06:24,501 —> 00:06:25,502
- No, no, listen. But we'll—
- Barack...

101
00:06:26,544 —> 00:06:28,421
We'll work the schedule
around the kids. It'll be family first.

102
00:06:28,922 —> 00:06:30,215
I don't know, you know?

103
00:06:30,882 —> 00:06:32,384
And you know I don't
love public speaking.

104
00:06:33,009 —> 00:06:36,679
I get it, but you're
an amazing speaker.

105

00:06:37,055 —> 00:06:39,557
And it'd be a chance

106
00:06:40,392 —> 00:06:42,852
for us to work
together as a team.

107
00:06:44,437 —> 00:06:45,897
And I miss you.

108
00:06:47,107 —> 00:06:49,401
There you go with
that sweet talking.

109
00:06:52,529 —> 00:06:54,406
So you'll think about it?

110
00:06:56,116 —> 00:06:57,617
I'll think about it.

111
00:06:58,743 —> 00:06:59,244
All right.

112

00:06:59,744 —> 00:07:00,620

["Yes We Can Can" playing]

113

00:07:01,454 —> 00:07:02,205

- I'll take that as a win.

- Thank you.

114

00:07:02,914 —> 00:07:05,250

After you give me

dessert, I'll think about it.

115

00:07:05,917 —> 00:07:08,711

- Oh, you're gonna get dessert.

- Yeah.

116

00:07:09,587 —> 00:07:12,006

No one knows more about

the character, the heart

117

00:07:12,549 —> 00:07:14,092

or the intention of Barack Obama

118

00:07:14,801 —> 00:07:17,303
than the woman who agreed
to take this journey with him.

119
00:07:17,929 —> 00:07:20,223
She's gonna make
some kind of tremendous

120
00:07:20,807 —> 00:07:23,101
- First Lady of this nation.
- [cheering]

121
00:07:23,643 —> 00:07:25,311
Ladies and gentlemen,
Michelle Obama!

122
00:07:26,104 —> 00:07:30,150
The next First Lady of the
United States, Michelle Obama.

123
00:07:30,775 —> 00:07:32,152
We got to make
this land a better land

124

00:07:32,777 —> 00:07:34,487

Than the world in which we live

125

00:07:35,280 —> 00:07:37,323

And we got to help each

man Be a better man

126

00:07:37,949 —> 00:07:41,369

With the kindness that we give

127

00:07:42,078 —> 00:07:46,583

I feel privileged to be a

part of even witnessing this.

128

00:07:47,459 —> 00:07:48,918

Traveling around states

129

00:07:49,502 —> 00:07:51,546

and being reminded

that there's more

130

00:07:52,130 —> 00:07:53,840

that unites us than divides us.

131

00:07:54,799 —> 00:07:57,302

- I know we can make it

- I know we can

132

00:07:57,969 —> 00:07:59,596

I know darn well

That we can work it out

133

00:08:00,638 —> 00:08:03,600

Yes we can, I know we can can

Yes we can can, why can't we?

134

00:08:04,184 —> 00:08:05,560

If you wanna yes we can can

135

00:08:06,144 —> 00:08:07,729

I know we can make it work

136

00:08:08,521 —> 00:08:11,816

I know we can make it if we try

137

00:08:12,859 —> 00:08:14,486

Thank you.

138

00:08:16,112 —> 00:08:17,071

Thank you so much.

139

00:08:17,614 —> 00:08:19,491

[supporter] We

love you, Michelle!

140

00:08:19,949 —> 00:08:20,867

Thank you.

141

00:08:21,868 —> 00:08:24,370

I am honored and

excited to be here.

142

00:08:24,996 —> 00:08:27,165

This has been an

amazing year for us.

143

00:08:27,790 —> 00:08:30,210

Just think where we
were one year ago.

144
00:08:31,002 —> 00:08:35,131
Barack was standing in front
of the State Capitol in Illinois

145
00:08:35,840 —> 00:08:38,551
to announce that he
was running for president.

146
00:08:42,847 —> 00:08:45,767
What we have
learned over this year

147
00:08:46,684 —> 00:08:48,937
is that hope is
making a comeback.

148
00:08:49,521 —> 00:08:50,355
And let me tell you something,

149
00:08:50,980 —> 00:08:54,943

for the first time

in my adult lifetime,

150

00:08:55,527 —> 00:08:57,362

I am really proud of my country.

151

00:08:58,196 —> 00:09:00,532

- I know we can make it

- I know that we can

152

00:09:01,533 —> 00:09:04,869

I know darn well that we

can Work it out, work it out...

153

00:09:08,706 —> 00:09:10,750

Thank you! Thank you!

154

00:09:12,210 —> 00:09:15,463

I know darn well that we

can Work it out, work it out

155

00:09:15,922 —> 00:09:18,633

[phones vibrating]

156

00:09:20,093 —> 00:09:21,761

- I know we can make it

- I know that we can

157

00:09:22,720 —> 00:09:24,180

I know darn well that we

can Work it out, work it out

158

00:09:24,847 —> 00:09:26,558

There's so many

needy So many poor

159

00:09:27,267 —> 00:09:30,603

But love and understanding

Is the key to the door

160

00:09:31,104 —> 00:09:33,898

[phones ringing, vibrating]

161

00:09:34,774 —> 00:09:35,733

We better get going.

162

00:09:35,942 —> 00:09:36,442

[song ends]

163

00:09:36,943 —> 00:09:39,654

- Mel?

- Fucking racist fucks.

164

00:09:40,238 —> 00:09:41,990

- What's going on?

- Sorry.

165

00:09:42,865 —> 00:09:43,950

They— They twisted your words.

166

00:09:44,909 —> 00:09:46,202

- [Michelle] What? What?

- [Mel] They twisted your words.

167

00:09:46,911 —> 00:09:50,290

"I'm proud of my

country for the first time."

168

00:09:51,791 —> 00:09:55,628
Shit. "I never
loved my country."

169
00:09:56,087 —> 00:09:57,213
Right.

170
00:09:57,797 —> 00:09:58,756
- Okay.
- Come on. Let's keep moving.

171
00:09:59,591 —> 00:10:00,341
[commentator] Now
that her husband

172
00:10:00,967 —> 00:10:02,176
is the Democrats'
presumptive nominee,

173
00:10:02,802 —> 00:10:04,596
Michelle Obama is
expected to come under

174

00:10:05,221 —> 00:10:06,764
ever greater scrutiny
from the media.

175
00:10:07,640 —> 00:10:09,309
She's always angry every
time she gets on television.

176
00:10:10,101 —> 00:10:13,271
I think the American people
deserve a thorough examination

177
00:10:13,771 —> 00:10:14,397
of everything about her.

178
00:10:14,981 —> 00:10:16,983
The angry Black
woman First Lady?

179
00:10:40,006 —> 00:10:40,715
[Young Malia] Ready?

180
00:10:41,341 —> 00:10:42,592

Ma'am, we believe it's
best you take the car.

181
00:10:43,176 —> 00:10:44,761
I wanna walk my
girls to school today.

182
00:10:45,637 —> 00:10:47,388
It's a beautiful morning,
and we need the fresh air

183
00:10:48,014 —> 00:10:49,349
and a break from all
of this. Right, girls?

184
00:10:49,974 —> 00:10:51,476
- [Young Sasha] Yeah.
- [Young Malia] Yes.

185
00:10:52,852 —> 00:10:53,811
- [reporter 1] Michelle!
- [reporter 2] Michelle!

186

00:10:54,771 —> 00:10:56,439
[reporter 1] Michelle, do you
have any terrorist affiliations?

187
00:10:56,981 —> 00:10:58,441
Do you hate America
or Americans?

188
00:10:59,108 —> 00:11:01,152
[reporter 3] Why are you
not proud to be an American?

189
00:11:01,653 —> 00:11:02,654
[reporters clamoring]

190
00:11:03,321 —> 00:11:04,739
What do you think about
your father running for office?

191
00:11:05,657 —> 00:11:07,241
How is the campaign
impacting your children's lives?

192

00:11:07,867 —> 00:11:09,327
[reporter 4] Just one
more question. Did any—

193
00:11:09,702 —> 00:11:11,120
[clamoring]

194
00:11:11,704 —> 00:11:16,501
I will not respond
to these lies,

195
00:11:17,877 —> 00:11:22,090
nor will I stand for you
bringing my girls into all this.

196
00:11:22,674 —> 00:11:24,133
That's what we're not gonna do.

197
00:11:24,676 —> 00:11:27,679
But I will say this.

198
00:11:28,304 —> 00:11:31,641
I am genuinely proud

of all the excitement

199
00:11:32,225 —> 00:11:34,936
building around
Barack's campaign.

200
00:11:35,353 —> 00:11:36,854
It makes me hopeful.

201
00:11:37,855 —> 00:11:42,318
People of all shades
and— and ages

202
00:11:42,902 —> 00:11:47,407
and— and creeds
all working together.

203
00:11:48,700 —> 00:11:49,409
Now, if you don't mind,

204
00:11:50,034 —> 00:11:52,870
I'm gonna walk my
daughters to school.

205

00:11:55,707 —> 00:11:57,041

Come on, girls.

206

00:12:04,757 —> 00:12:06,926

[no audible dialogue]

207

00:12:29,282 —> 00:12:29,991

[Eleanor] Why, thank you.

208

00:12:30,867 —> 00:12:32,076

- [doorman] Ma'am.

- [Earl] Mrs. Roosevelt.

209

00:12:32,243 —> 00:12:33,286

Earl!

210

00:12:33,911 —> 00:12:34,704

I'll be escorting you

to the White House.

211

00:12:35,413 —> 00:12:39,751

Yes, I think I'm going
to take the long way.

212
00:12:40,543 —> 00:12:41,753
Clear the cobwebs.

213
00:12:42,253 —> 00:12:43,379
[Malvina] Don't ask.

214
00:12:44,088 —> 00:12:45,173
Mrs. Roosevelt, ma'am,

215
00:12:46,132 —> 00:12:47,800
I must insist you get in the
car. It's for your own safety.

216
00:12:48,468 —> 00:12:51,637
No one wants to hurt me.
I'm not important enough.

217
00:12:52,263 —> 00:12:53,347
[Malvina] Oh, I
don't know, Mrs. R.

218

00:12:53,973 —> 00:12:56,809

I might hurt you if

you keep it up like this.

219

00:13:00,813 —> 00:13:04,817

Oh. Oh, that's wonderful.

220

00:13:07,320 —> 00:13:09,113

Hello. What's your name?

221

00:13:09,489 —> 00:13:11,115

- I'm Eleanor.

- Oh, no.

222

00:13:11,324 —> 00:13:12,116

You're, uh—

223

00:13:12,617 —> 00:13:13,618

Eleanor. Eleanor Roosevelt.

224

00:13:14,243 —> 00:13:17,079

So nice to meet you.

What's your name?

225

00:13:17,246 —> 00:13:18,039

John.

226

00:13:18,831 —> 00:13:19,707

- Hello, John.

- Mrs. R., we should really—

227

00:13:20,500 —> 00:13:23,211

[Eleanor] That is one hardy

handshake. What work do you do?

228

00:13:23,795 —> 00:13:26,964

I don't do any work. I'm busted.

229

00:13:27,173 —> 00:13:27,882

Of course.

230

00:13:28,508 —> 00:13:32,428

I'm— I'm so sorry.

What work did you do?

231

00:13:33,137 —> 00:13:35,515

[John] I forged steel. Built

skyscrapers in New York.

232

00:13:36,140 —> 00:13:39,227

[Eleanor] Oh, what

a wonderful skill.

233

00:13:39,977 —> 00:13:41,354

You must be so proud.

234

00:13:42,355 —> 00:13:45,817

Well, you're a part

of history, John.

235

00:13:46,359 —> 00:13:48,194

Such a pleasure to meet you.

236

00:13:49,278 —> 00:13:50,154

And you, all of you.

237

00:13:51,113 —> 00:13:52,615

- Thank you so much. Thank you.

- Thank you, ma'am.

238

00:13:53,199 —> 00:13:54,575

[Eleanor] Oh, I

do like your hat.

239

00:13:55,201 —> 00:13:57,870

-Oh, that's very nice.

- [man] Thank you though!

240

00:13:59,497 —> 00:14:00,832

[chuckles]

241

00:14:07,463 —> 00:14:08,673

- [Lou] There you are.

- [Eleanor] So sorry.

242

00:14:09,215 —> 00:14:10,716

I feared you weren't coming.

243

00:14:12,009 —> 00:14:13,803

Well, it's a pleasure
to see you, Eleanor.

244
00:14:14,387 —> 00:14:16,722
And you too, Lou.
Shall we make a start?

245
00:14:17,390 —> 00:14:19,225
I thought we'd have
tea and a light breakfast

246
00:14:19,684 —> 00:14:20,601
before I give you the tour.

247
00:14:21,185 —> 00:14:24,063
Of course. That would be lovely.

248
00:14:29,360 —> 00:14:32,989
I'm sure you're excited to
begin the decorating process.

249
00:14:33,906 —> 00:14:36,576
Oh, yes. Mrs.

Roosevelt certainly is.

250

00:14:37,201 —> 00:14:39,912

You can't go wrong

with an oriental silk.

251

00:14:40,413 —> 00:14:42,498

No, you most certainly cannot.

252

00:14:43,040 —> 00:14:43,583

[whispering] Sorry.

253

00:14:44,166 —> 00:14:47,086

And this is the master bedroom.

254

00:14:51,173 —> 00:14:53,885

That door over there

is your dressing room.

255

00:14:54,385 —> 00:14:55,261

I used it as my study,

256

00:14:56,220 —> 00:14:59,891
but they always called it
the dressing room regardless.

257
00:15:01,225 —> 00:15:04,061
The Wilsons used it
as a private dining room.

258
00:15:13,571 —> 00:15:15,281
What on Earth?

259
00:15:26,125 —> 00:15:29,170
Nine presidents
brought their slaves here.

260
00:15:29,629 —> 00:15:31,339
I never knew...

261
00:15:32,298 —> 00:15:35,343
It wasn't recorded how many
of them required their slaves

262
00:15:35,927 —> 00:15:38,596

to have access

to their bedrooms.

263

00:15:48,272 —> 00:15:49,273

[Eleanor] Well, I hope

you're making me sound

264

00:15:49,774 —> 00:15:51,442

interesting and intelligent.

265

00:15:52,068 —> 00:15:55,321

- And possibly even fascinating.

- Oh!

266

00:15:56,113 —> 00:15:57,657

I'll do what I can.

267

00:16:00,743 —> 00:16:01,577

Can I ask you something

268

00:16:02,119 —> 00:16:04,455

- Of course. Always.

- off the record?

269

00:16:05,581 —> 00:16:10,294

How do you really feel

about being First Lady?

270

00:16:11,587 —> 00:16:13,005

Oh.

271

00:16:14,632 —> 00:16:16,092

Well...

272

00:16:17,301 —> 00:16:19,720

I'm not thrilled about the fact

273

00:16:20,429 —> 00:16:25,226

that my title refers to my

sex rather than my skills.

274

00:16:25,518 —> 00:16:27,061

- Yeah.

- Mmm.

275

00:16:27,979 —> 00:16:31,315
Does sound like a crude term
a man might use for his ex-wife.

276
00:16:32,191 —> 00:16:33,776
[chuckles]

277
00:16:35,027 —> 00:16:37,780
And it's recently been
made very clear to me

278
00:16:38,489 —> 00:16:42,743
that I'm to smile, nod, and
gaze adoringly at Franklin

279
00:16:43,452 —> 00:16:46,414
every time we happen to
be in the same room together.

280
00:16:46,539 —> 00:16:48,416
Mmm...

281
00:16:49,000 —> 00:16:50,501

Well, what does that look like?

282

00:16:50,835 —> 00:16:53,462

Oh. Well...

283

00:16:54,797 —> 00:16:57,299

[laughs] That's awful.

284

00:17:02,346 —> 00:17:04,181

Oh, that's my daughter Anna.

285

00:17:05,016 —> 00:17:07,059

She's just gone

through a divorce.

286

00:17:08,019 —> 00:17:09,478

Off the record.

287

00:17:10,354 —> 00:17:11,689

It was the right thing to do,

288

00:17:12,231 —> 00:17:15,693

but her grandmother

is apoplectic.

289

00:17:16,235 —> 00:17:19,363

So, she's a

Progressive like you?

290

00:17:19,739 —> 00:17:23,075

Yes, I suppose she is.

291

00:17:24,035 —> 00:17:26,037

Good for her.

292

00:17:27,538 —> 00:17:28,748

Well, thank you, Hick.

293

00:17:29,707 —> 00:17:33,335

[sighs] Always. Now get to it.

294

00:17:38,591 —> 00:17:39,592

[Anna] Hello!

295

00:17:40,217 —> 00:17:42,011

- Hello, darling. How are you?

- I'm good.

296

00:17:42,553 —> 00:17:44,180

Sis, come say hello.

297

00:17:45,931 —> 00:17:46,891

Little Anna. [blows raspberry]

298

00:17:47,391 —> 00:17:48,642

Oh, Louis. [blows raspberry]

299

00:17:49,101 —> 00:17:50,269

Look who's growing.

300

00:17:51,103 —> 00:17:51,812

How is the speech coming along?

301

00:17:52,396 —> 00:17:53,439

The President would

like your thoughts.

302

00:17:54,398 —> 00:17:56,317

Well, Sis and I are going to

grab sundaes at the restaurant.

303

00:17:57,234 —> 00:18:00,863

We were wondering if you could

come but seems like a busy one.

304

00:18:01,363 —> 00:18:02,281

Oh, it's a busy one.

305

00:18:03,115 —> 00:18:04,366

Well, you'll have to

get a scoop on me.

306

00:18:05,242 —> 00:18:06,577

All right, more for us.

Let's go, chickadee.

307

00:18:07,078 —> 00:18:09,413

- Have fun.

- Bye. Bye.

308

00:18:11,082 —> 00:18:13,125

He asked for me himself?

309

00:18:13,542 —> 00:18:14,752

Almost.

310

00:18:15,795 —> 00:18:17,588

All right.

311

00:18:31,435 —> 00:18:33,145

[door opens]

312

00:18:36,107 —> 00:18:37,566

[door closes]

313

00:18:38,818 —> 00:18:40,152

Hello, Missus.

314

00:18:44,406 —> 00:18:46,826

Have you been calling?

I was out for meetings.

315

00:18:47,326 —> 00:18:49,495

No, no. I've been wrapped up.

316

00:18:51,288 —> 00:18:53,165

What do you have so far?

317

00:18:55,501 —> 00:18:56,669

A slippery fish.

318

00:18:56,961 —> 00:18:59,255

Mm-mmm. May I?

319

00:18:59,964 —> 00:19:01,841

No, it's not ready yet.

320

00:19:04,343 —> 00:19:06,887

Is it true that I am not to have

321

00:19:07,471 —> 00:19:09,682

a proper job in

your administration?

322

00:19:10,266 —> 00:19:11,600

Will you stop

listening to Louis?

323

00:19:12,184 —> 00:19:14,270

Well, give me

something else to hear.

324

00:19:14,520 —> 00:19:15,646

Fine.

325

00:19:19,358 —> 00:19:21,318

I am not entirely comfortable.

326

00:19:22,153 —> 00:19:23,654

Nobody else is getting

two appointments.

327

00:19:24,196 —> 00:19:26,866

I'm not asking for

two appointments.

328

00:19:31,328 —> 00:19:31,912
I'll think about it.

329
00:19:32,496 —> 00:19:33,873
Don't push me off, Franklin.

330
00:19:34,540 —> 00:19:38,377
I am your wife, not
one of your girlfriends.

331
00:19:44,884 —> 00:19:45,926
And I need to work.

332
00:19:46,468 —> 00:19:47,386
- You know that.
- [door opens]

333
00:19:48,179 —> 00:19:49,680
You have made
yourself abundantly clear.

334
00:19:50,306 —> 00:19:53,184
- You will work.

- [people chattering]

335
00:19:53,684 —> 00:19:54,560
[Franklin] What is it?

336
00:19:56,020 —> 00:19:58,898
Sir, if you're not busy, we'd
better get back to the speech.

337
00:19:59,690 —> 00:20:02,109
Not busy at all, boys.
Come on. Let's get back to it.

338
00:20:02,735 —> 00:20:05,738
Let's start with this
wording right here.

339
00:20:06,405 —> 00:20:07,990
"Attempts by the
previous administration

340
00:20:08,574 —> 00:20:10,826
were lost on tired

and old tradition,

341
00:20:11,243 —> 00:20:12,036
leaving you fearful."

342
00:20:12,703 —> 00:20:14,205
Now, I like the idea
of that, the sentiment,

343
00:20:14,705 —> 00:20:16,081
but it's lacking punch.

344
00:20:16,582 —> 00:20:18,709
It— It feels passive this way.

345
00:20:37,436 —> 00:20:41,607
[clicks tongue,
exhales] Oh, yeah.

346
00:20:49,531 —> 00:20:51,909
Could someone please
come collect something

347

00:20:52,576 —> 00:20:54,954

and take it to the

president-elect?

348

00:21:00,459 —> 00:21:03,754

"Nothing is so

much to be feared...

349

00:21:05,256 —> 00:21:06,590

as fear".

350

00:21:11,303 —> 00:21:12,304

[crowd cheering]

351

00:21:13,264 —> 00:21:16,725

[Franklin] I am certain that

my fellow Americans expect

352

00:21:17,101 —> 00:21:18,018

that on my induction,

353

00:21:18,644 —> 00:21:21,021

this is preeminently the
time to speak the truth.

354
00:21:21,605 —> 00:21:24,817
The whole truth,
frankly and boldly.

355
00:21:25,442 —> 00:21:26,402
Nor need we shrink

356
00:21:27,278 —> 00:21:31,240
from honestly facing
conditions in our country today.

357
00:21:31,949 —> 00:21:35,911
This great nation will
endure as it has endured.

358
00:21:36,787 —> 00:21:39,581
We'll revive and we'll prosper.

359
00:21:39,957 —> 00:21:42,293
[applause, cheering]

360

00:21:49,300 —> 00:21:51,010

So, first of all,

361

00:21:52,136 —> 00:21:54,138

let me assert my firm belief

362

00:21:54,847 —> 00:21:58,934

that the only thing we

have to fear is fear itself.

363

00:21:59,518 —> 00:22:02,813

- [applause, cheering]

- Oh, yes.

364

00:22:06,817 —> 00:22:09,403

May God protect each

and every one of you

365

00:22:09,945 —> 00:22:12,156

and guide me in the coming days.

366

00:22:12,531 —> 00:22:13,032
Thank you.

367
00:22:13,615 —> 00:22:15,784
- [applause, cheering]
- Come.

368
00:22:18,329 —> 00:22:21,790
Oh, that was a very
powerful speech, wasn't it?

369
00:22:22,333 —> 00:22:23,208
Mmm, yes, it was brilliant.

370
00:22:24,001 —> 00:22:28,088
Yes, Franklin always knows
just the right thing to say.

371
00:22:28,672 —> 00:22:30,049
It's one of his many gifts.

372
00:22:30,674 —> 00:22:32,092
One of the great

pleasures of marriage

373
00:22:32,718 —> 00:22:35,387
is savoring your
husband's finest moments.

374
00:22:36,013 —> 00:22:38,098
Second only to savoring
that of your sons.

375
00:22:38,557 —> 00:22:39,850
[Franklin] Thank you!

376
00:22:40,809 —> 00:22:42,061
Yes.

377
00:22:43,854 —> 00:22:46,899
[Eleanor] I don't
believe I've ever smiled

378
00:22:47,399 —> 00:22:49,735
for so many hours in a row.

379

00:22:50,194 —> 00:22:51,653

[music plays on record player]

380

00:22:51,820 —> 00:22:52,571

[groans]

381

00:22:53,405 —> 00:22:56,950

I do think they

should issue warnings.

382

00:22:57,576 —> 00:23:01,080

Inauguration festivities

may cause frozen face.

383

00:23:01,497 —> 00:23:02,956

[both chuckle]

384

00:23:03,665 —> 00:23:06,752

Is it stuck? Am I doomed

to be a grinning fool?

385

00:23:07,711 —> 00:23:11,423

You are the farthest thing
from a fool I have ever known.

386
00:23:13,759 —> 00:23:16,929
I think your speech went
over very well, Franklin.

387
00:23:17,554 —> 00:23:19,765
- Thanks to you.
- Oh, don't be silly.

388
00:23:21,725 —> 00:23:26,397
You really are so good at
conveying hope, you know.

389
00:23:28,023 —> 00:23:30,234
You think you've
always been that way?

390
00:23:31,068 —> 00:23:34,905
My mother says even as a
child I had a soothing presence.

391

00:23:35,406 —> 00:23:36,365
Oh, soothing is one thing.

392
00:23:37,241 —> 00:23:41,328
It's quite another to lead a
country out of its darkest hour.

393
00:23:42,204 —> 00:23:45,124
Well, you were instrumental
in helping crafting my message.

394
00:23:45,624 —> 00:23:47,751
So I'm grateful for you.

395
00:23:49,086 —> 00:23:50,921
We make a good team.

396
00:23:53,757 —> 00:23:54,925
Yes, we do.

397
00:23:58,137 —> 00:23:59,638
Should we go to bed?

398

00:24:00,973 —> 00:24:05,769

Oh, I cannot think of

anything I'd like to do more.

399

00:24:09,481 —> 00:24:12,568

- Good night, Franklin.

- [chuckles]

400

00:24:13,485 —> 00:24:15,946

[chuckles] Sweet dreams.

401

00:24:17,156 —> 00:24:21,785

Congratulations! You

so deserve it. [giggles]

402

00:24:22,953 —> 00:24:23,912

Here we are!

403

00:24:24,288 —> 00:24:26,665

Yes. Here we are indeed.

404

00:24:27,499 —> 00:24:28,208

[Eleanor] Oh! Hello.

What's your name?

405

00:24:28,792 —> 00:24:31,003

- Charles.

- Charles, I'm Eleanor.

406

00:24:31,670 —> 00:24:33,881

I'll be seeing quite

a lot of you I think.

407

00:24:34,465 —> 00:24:35,841

[music plays on record player]

408

00:24:38,093 —> 00:24:39,553

[Charles] More champagne, sir?

409

00:24:40,971 —> 00:24:43,724

I think we should move over

to the whiskey. Don't you?

410

00:24:44,016 —> 00:24:45,476

Very well, sir.

411

00:24:57,362 —> 00:24:59,531

[distant police siren blaring]

412

00:25:06,705 —> 00:25:08,874

[blaring continues]

413

00:25:19,843 —> 00:25:21,220

Bob, a lot has been

written about the fact

414

00:25:21,845 —> 00:25:23,639

that president-elect

Obama is looking

415

00:25:24,640 —> 00:25:29,061

into ways to reverse various

Bush administration policies.

416

00:25:29,728 —> 00:25:31,522

Is there danger in

doing that too quickly?

417

00:25:32,147 —> 00:25:33,732

- They're asleep.

- [news reporters continue]

418

00:25:35,067 —> 00:25:38,153

Oh. I don't wanna

keep missing bedtime.

419

00:25:38,862 —> 00:25:40,155

- ...these are things the, uh,

- [Michelle] Mmm.

420

00:25:40,822 —> 00:25:43,200

president has, uh,

done by executive order,

421

00:25:43,825 —> 00:25:45,077

and they can be,

uh, easily undone.

422

00:25:45,744 —> 00:25:47,162

I think that's

some of the first—

423

00:25:47,538 —> 00:25:48,705

[clicks]

424

00:25:50,541 —> 00:25:53,377

In four years, I don't want

to look back and think,

425

00:25:54,586 —> 00:25:57,839

"What did I become

living in that house?"

426

00:25:59,758 —> 00:26:03,428

Well, you know, in—

in eight years, uh,

427

00:26:04,096 —> 00:26:08,016

I think you are still gonna

be that bougie lawyer

428

00:26:08,559 —> 00:26:10,185

with that Audi [laughs]

429

00:26:10,894 —> 00:26:13,897

and that fucking attitude

that I fell in love with.

430

00:26:14,565 —> 00:26:16,275

[both laughing]

431

00:26:17,067 —> 00:26:21,280

- South Side forever! [chuckles]

- That's right. Mm-hmm.

432

00:26:21,780 —> 00:26:25,742

Mmm. We need a road map, Barack.

433

00:26:26,577 —> 00:26:27,661

I will not miss the

girls growing up.

434

00:26:28,287 —> 00:26:32,040

Mmm, no. Me neither.

We won't let that happen.

435

00:26:32,624 —> 00:26:34,710

- Mm-hmm.

- All right? I promise you.

436

00:26:35,085 —> 00:26:36,044

Mmm.

437

00:26:36,628 —> 00:26:39,298

You are gonna be

a dope First Lady.

438

00:26:39,881 —> 00:26:43,135

Michelle Obama née Robinson

439

00:26:43,719 —> 00:26:46,054

has never failed

a test. [laughs]

440

00:26:46,638 —> 00:26:47,556

- You're right.

- That's right.

441

00:26:48,223 —> 00:26:50,642

- I got this. [hums]

- Yeah, you do. Shake it girl!

442

00:26:51,602 —> 00:26:54,479

What I don't got is all those

clothes you got on the floor,

443

00:26:55,105 —> 00:26:57,983

Barack Obama, President

of the United Sta—

444

00:26:58,942 —> 00:27:00,944

- Pick up your clothes!

- I got it. I got it. I got you.

445

00:27:01,153 —> 00:27:02,195

Mm-hmm.

446

00:27:02,654 —> 00:27:03,572

[Michelle] Mmm.

447

00:27:04,114 —> 00:27:04,823

[Barack] I got this.

448

00:27:05,657 —> 00:27:07,159

- [Michelle] Clothes all over.

- [Barack laughs]

449

00:27:07,826 —> 00:27:08,535

I should really have

somebody to help me

450

00:27:09,161 —> 00:27:10,537

- tidy this thing up, right?

- [Michelle] Mmm.

451

00:27:11,121 —> 00:27:13,206

I got nuclear codes

to think about.

452

00:27:13,332 —> 00:27:14,833

Mmm.

453

00:27:22,924 —> 00:27:23,467

You okay?

454

00:27:24,134 —> 00:27:26,428

- How do we feel about Gwen?

- [laughs]

455

00:27:26,970 —> 00:27:29,181

- Morning, Gwen. Hi.

- Hi, Gwen.

456

00:27:29,806 —> 00:27:32,017

- [people chattering]

- Madam First Lady.

457

00:27:32,267 —> 00:27:34,353

[applause]

458

00:27:36,313 —> 00:27:37,397

We're already behind schedule.

459

00:27:38,148 —> 00:27:40,400

I had to drop the girls off

for their first day at school.

460

00:27:40,984 —> 00:27:42,277
[Gwen] Oh! I thought
Mrs. Robinson

461
00:27:42,861 —> 00:27:43,570
and Secret Service
were handling that.

462
00:27:44,279 —> 00:27:46,156
My daughters are not
a matter to be handled.

463
00:27:46,782 —> 00:27:48,325
I had to ensure
that they settled in.

464
00:27:48,700 —> 00:27:49,493
Of course.

465
00:27:50,118 —> 00:27:52,037
So, we want to hit
the ground running.

466

00:27:52,496 —> 00:27:53,372
And with Rahm's approval,

467
00:27:54,122 —> 00:27:56,041
my team and I have come
up with several ideas for you.

468
00:27:56,375 —> 00:27:58,377
Rahm has approved...

469
00:27:59,211 —> 00:28:01,004
Okay. Let me hear 'em.

470
00:28:02,839 —> 00:28:07,219
He feels, and we all feel, that
a White House garden project

471
00:28:07,719 —> 00:28:08,845
could be a great opportunity

472
00:28:09,680 —> 00:28:11,848
for people to see
a new side of you.

473
00:28:13,725 —> 00:28:14,935
The First Lady
tending the garden,

474
00:28:15,852 —> 00:28:18,397
growing fruits and
vegetables with local kids.

475
00:28:19,064 —> 00:28:20,607
Great photo ops.

476
00:28:21,024 —> 00:28:21,525
Good news, team.

477
00:28:22,150 —> 00:28:23,193
The men in the West
Wing have given us

478
00:28:23,735 —> 00:28:25,237
the green light to
plant some carrots.

479

00:28:25,696 —> 00:28:26,446

[all chuckling]

480

00:28:27,072 —> 00:28:28,365

Uh, that's not— that's

not what I meant.

481

00:28:29,032 —> 00:28:31,201

Um, all right. This,

uh, this is for you.

482

00:28:33,161 —> 00:28:34,663

Mrs. Ford won't be able

to attend the inauguration.

483

00:28:35,372 —> 00:28:38,208

She's almost 90, but

she wanted to write to you.

484

00:28:38,709 —> 00:28:40,919

Betty Ford wrote me a letter.

485

00:28:41,336 —> 00:28:42,212
Wow.

486
00:28:42,421 —> 00:28:43,547
[exhales]

487
00:28:44,214 —> 00:28:45,674
[Gwen] We have a fitting
for your inauguration gown.

488
00:28:46,383 —> 00:28:49,720
And this is great, Vogue
has offered a feature

489
00:28:50,345 —> 00:28:52,389
with Annie Leibovitz
to shoot the cover.

490
00:28:52,848 —> 00:28:53,682
Amazing, right?

491
00:28:54,391 —> 00:28:58,103
Sure. Excellent opportunity

to talk about rutabagas.

492
00:28:58,437 —> 00:28:59,980
[all chuckling]

493
00:29:00,731 —> 00:29:01,523
What's a rutabaga?

494
00:29:02,232 —> 00:29:04,234
- A turnip, I believe.
- [Michelle] Come on, Gwen.

495
00:29:04,776 —> 00:29:05,402
I spoke throughout the campaign

496
00:29:05,944 —> 00:29:06,903
about civic duty,
unemployment and—

497
00:29:07,863 —> 00:29:10,574
And you were incredible. And
now we're in the White House.

498

00:29:11,199 —> 00:29:13,201

And the team in the

West Wing wanna shape

499

00:29:13,785 —> 00:29:14,494

and help you grow

into your new role.

500

00:29:15,203 —> 00:29:17,372

I'm a lawyer and an

expert in health care.

501

00:29:18,081 —> 00:29:19,624

They wanna turn me into

a Black Martha Stewart?

502

00:29:20,292 —> 00:29:22,335

I meant no disrespect,

but Rahm feels that—

503

00:29:22,919 —> 00:29:24,546

You know, I'm looking forward

504

00:29:25,130 —> 00:29:26,506

to hearing all about

Rahm's feelings,

505

00:29:27,090 —> 00:29:27,924

so why don't you let him know

506

00:29:28,759 —> 00:29:29,843

that I would like

some time with him.

507

00:29:30,469 —> 00:29:34,473

- [Gwen chuckles] I'll do that.

- Okay. Okay.

508

00:29:36,391 —> 00:29:39,853

We have a very important meeting

coming up next Tuesday that is—

509

00:29:40,437 —> 00:29:41,480

[Betty narrates]

Dear Mrs. Obama,

510

00:29:42,105 —> 00:29:45,484

you probably feel so

overwhelmed today.

511

00:29:46,109 —> 00:29:49,279

You can't imagine

how unprepared I felt.

512

00:29:49,780 —> 00:29:51,490

But the job will find you.

513

00:29:51,990 —> 00:29:53,617

It has a way of doing that.

514

00:29:54,284 —> 00:29:56,453

You are forever a

part of history now

515

00:29:57,078 —> 00:29:59,581

but will always

be one of a kind.

516

00:30:00,457 —> 00:30:02,709
Today, you'll probably feel
like you have nothing in common

517
00:30:03,502 —> 00:30:06,588
with all of the women who
were First Ladies before you.

518
00:30:07,255 —> 00:30:10,634
Trust me when I say
we all felt that way.

519
00:30:11,176 —> 00:30:12,928
[Gerald] Gonna miss this place.

520
00:30:21,978 —> 00:30:23,230
We'll have fun in our new house.

521
00:30:23,438 —> 00:30:24,439
Mm-hmm.

522
00:30:25,023 —> 00:30:25,899
Sleeping in our

separate bedrooms,

523
00:30:26,525 —> 00:30:29,861
like a proper presidential
husband and his wife.

524
00:30:30,445 —> 00:30:31,404
[Gerald] That's not happening.

525
00:30:31,863 —> 00:30:32,697
Better not be.

526
00:30:33,323 —> 00:30:35,408
Though, after this week,
I might change my mind.

527
00:30:35,826 —> 00:30:37,285
Don't you dare.

528
00:30:39,454 —> 00:30:42,123
You're gonna make
a terrific First Lady.

529

00:30:43,375 —> 00:30:45,544

[phone ringing]

530

00:30:54,886 —> 00:30:56,680

Ford residence. This is Betty.

531

00:30:57,180 —> 00:30:58,139

[woman] Madam First Lady?

532

00:30:59,057 —> 00:31:03,311

No, uh— Y-Yes, yes. I

mean, that's me. [chuckles]

533

00:31:04,187 —> 00:31:05,730

My name is Debbie Winthrop.

534

00:31:06,356 —> 00:31:08,900

I was Mrs. Nixon's

social secretary.

535

00:31:09,484 —> 00:31:11,695

Of course. Yes, I remember you.

536

00:31:12,237 —> 00:31:14,281

We were wondering

what you wanted to do

537

00:31:14,739 —> 00:31:16,575

for the upcoming State Dinner.

538

00:31:17,158 —> 00:31:17,909

The what?

539

00:31:18,869 —> 00:31:22,998

Uh, King Hussein of Jordan

is coming in four days, ma'am.

540

00:31:25,375 —> 00:31:28,587

I see. I see.

541

00:31:29,212 —> 00:31:32,299

And the idea is he'll

want something to eat

542

00:31:32,757 —> 00:31:34,885
after that long trip. [chuckles]

543
00:31:35,719 —> 00:31:37,053
And the queen, ma'am.

544
00:31:38,555 —> 00:31:40,056
Of course.

545
00:31:41,892 —> 00:31:43,602
Uh, well...

546
00:31:45,061 —> 00:31:46,688
I wish someone would've
told me about this.

547
00:31:47,397 —> 00:31:51,610
We told Pat Nixon, ma'am.
The former First Lady.

548
00:31:52,110 —> 00:31:54,112
Yes, I know who Pat Nixon is.

549

00:31:54,529 —> 00:31:55,280

Of course.

550

00:31:55,739 —> 00:31:56,531

Let me give it some thought,

551

00:31:57,115 —> 00:32:00,160

and I'll get back to

you as soon as I can.

552

00:32:01,202 —> 00:32:02,746

Okay. Thank you

very much, ma'am.

553

00:32:03,246 —> 00:32:05,790

Okay. Thank you for calling.

554

00:32:06,249 —> 00:32:07,292

[Debbie] Goodbye.

555

00:32:10,295 —> 00:32:12,047

[sighs]

556

00:32:17,218 —> 00:32:18,970

I'll move into the White House.

557

00:32:19,471 —> 00:32:21,389

I'll do the best I can.

558

00:32:22,599 —> 00:32:26,519

And if they don't like it,

then they can kick me out,

559

00:32:27,145 —> 00:32:29,397

but they can't make

me somebody I'm not.

560

00:32:29,773 —> 00:32:31,399

[applause from TV]

561

00:32:34,235 —> 00:32:35,737

She's totally

unsuited for the role.

562

00:32:36,321 —> 00:32:38,615
Well, she seems
very confident to me.

563
00:32:39,115 —> 00:32:40,283
That's the problem.

564
00:32:41,284 —> 00:32:42,243
I don't wanna get
into details, but, um,

565
00:32:43,119 —> 00:32:44,788
she's had her fair share
of personal struggles.

566
00:32:45,330 —> 00:32:46,414
We all know the lights in here,

567
00:32:47,332 —> 00:32:49,042
they tend to flush that sort
of thing right out into the open,

568
00:32:49,584 —> 00:32:50,669

so that's where you come in.

569
00:32:51,461 —> 00:32:55,298
We want you to stay on. Keep
the East Wing running smoothly.

570
00:32:55,757 —> 00:32:56,758
Of course. That's my job.

571
00:32:57,634 —> 00:32:59,386
[Donald] But we're counting on
you to guide the First Lady into

572
00:33:00,303 —> 00:33:03,807
taking a more reserved Pat-
Nixon-type approach to things.

573
00:33:04,349 —> 00:33:06,267
Oh, show her the art of facade.

574
00:33:06,643 —> 00:33:07,811
Encourage discretion.

575

00:33:09,020 —> 00:33:11,773

Have you met the

First Lady? [chuckles]

576

00:33:12,482 —> 00:33:15,610

You can start by limiting,

preferably canceling,

577

00:33:16,194 —> 00:33:17,487

any upcoming

events and gatherings,

578

00:33:18,029 —> 00:33:18,738

starting with the State Dinner.

579

00:33:19,364 —> 00:33:20,532

Well, I already told

her that was happening.

580

00:33:21,157 —> 00:33:22,534

We have a meeting

about it, uh, shortly.

581

00:33:23,201 —> 00:33:25,662

I know you can steer

her towards canceling.

582

00:33:26,371 —> 00:33:27,163

And if I can't?

583

00:33:28,039 —> 00:33:31,209

We're confident. You can

convince her woman-to-woman.

584

00:33:33,211 —> 00:33:37,674

You know, Mrs. Ford's

good nature and candor

585

00:33:38,383 —> 00:33:40,719

might be just the thing the

White House needs right now.

586

00:33:41,302 —> 00:33:42,178

She really seems quite capable.

587

00:33:42,721 —> 00:33:44,055
Debbie. I know
that you understand

588
00:33:44,639 —> 00:33:45,598
how vitally important it is

589
00:33:46,224 —> 00:33:47,892
that this party hold the
reigns of this country.

590
00:33:48,518 —> 00:33:49,477
In less than two
years, the president's

591
00:33:50,061 —> 00:33:50,937
gonna have to
run for his office.

592
00:33:51,563 —> 00:33:54,024
And so, the smaller
that Mrs. Ford's role is

593

00:33:54,733 —> 00:33:58,319
and the less that we hear
about her thoughts, opinions—

594
00:33:58,695 —> 00:34:01,364
The less noise she makes.

595
00:34:02,365 —> 00:34:03,408
Thank you.

596
00:34:06,536 —> 00:34:07,871
- [person] Madam First Lady.
- Good morning.

597
00:34:08,496 —> 00:34:09,581
Welcome to the
White House, ma'am.

598
00:34:10,248 —> 00:34:11,166
- Madam First Lady.
- Welcome Madam First Lady.

599
00:34:12,083 —> 00:34:13,793

Good morning, Donald. I'm
so, so sorry I'm late, Debbie.

600
00:34:14,669 —> 00:34:16,880
- I tend to run a little behind.
- Let me show you to your office.

601
00:34:17,547 —> 00:34:20,675
Donald, so nice of you to
greet me on my first day.

602
00:34:21,259 —> 00:34:22,177
- [reporter 1] Betty Ford.
- Good morning.

603
00:34:22,761 —> 00:34:23,762
You don't have to
speak with them.

604
00:34:24,262 —> 00:34:24,929
What's your first day been like?

605
00:34:25,597 —> 00:34:27,057

Well, I don't know
yet. I just got here.

606
00:34:27,682 —> 00:34:29,768
But it's all very
exciting, isn't it?

607
00:34:30,268 —> 00:34:31,019
Just keep walking, ma'am.

608
00:34:31,728 —> 00:34:32,604
What's your opinion on
whether your husband

609
00:34:33,104 —> 00:34:33,813
will pardon President Nixon?

610
00:34:34,397 —> 00:34:35,565
"No comment." "No
comment" is fine.

611
00:34:36,107 —> 00:34:38,860
I know my husband,

or the president,

612
00:34:39,277 —> 00:34:40,904
is eager to move forward

613
00:34:41,404 —> 00:34:42,739
with his new administration,

614
00:34:43,573 —> 00:34:47,911
and which I'm sure will be
very different from the last.

615
00:34:48,411 —> 00:34:49,245
Right this way, ma'am.

616
00:34:49,788 —> 00:34:50,830
Your office is
through these doors.

617
00:34:51,289 —> 00:34:51,831
[reporter 2] Mrs. Ford—

618

00:34:52,415 —> 00:34:53,166
[reporter 1] One last question.

619
00:34:53,792 —> 00:34:55,460
Do you'll know if he'll
pardon or convict?

620
00:34:56,711 —> 00:35:01,091
I'm confident the president
will do the right thing.

621
00:35:01,591 —> 00:35:02,967
Now, if you'll excuse me.

622
00:35:03,802 —> 00:35:05,637
- Thanks, ladies and gentlemen.
- [reporter 3] One more question.

623
00:35:06,262 —> 00:35:08,139
[reporters] Thank you,
Mr. Rumsfeld. Thank you.

624
00:35:13,311 —> 00:35:15,313

- [Debbie] Here we are.

- [people chattering]

625

00:35:16,439 —> 00:35:18,399

I do apologize for

the state of the room.

626

00:35:19,275 —> 00:35:22,278

Uh, we had to turn things

around rather quickly.

627

00:35:22,487 —> 00:35:23,571

Yeah.

628

00:35:24,781 —> 00:35:27,325

I suppose I have some

decorating to do. [chuckles]

629

00:35:28,159 —> 00:35:30,870

Mm-hmm. Uh, this is

your schedule, ma'am.

630

00:35:31,287 —> 00:35:31,871

Oh.

631
00:35:32,580 —> 00:35:34,499
I'll see you shortly
for the staff meeting.

632
00:35:34,791 —> 00:35:35,834
Oh, Debbie.

633
00:35:36,584 —> 00:35:37,961
Um, could you tell me
where my husband's office is?

634
00:35:38,628 —> 00:35:40,797
I'd love to stop
in and say hello.

635
00:35:41,339 —> 00:35:42,632
The president has
a full schedule today.

636
00:35:43,299 —> 00:35:45,844
- Oh, I see. Well—

- Is there anything else?

637

00:35:46,511 —> 00:35:48,346

No. Thank you.

638

00:35:54,811 —> 00:35:56,437

[sighs]

639

00:36:41,858 —> 00:36:43,693

[people chattering]

640

00:36:45,695 —> 00:36:47,530

[door knocks]

641

00:36:51,993 —> 00:36:54,078

[muffled voices chattering]

642

00:36:54,537 —> 00:36:55,663

[door knocks]

643

00:36:56,706 —> 00:36:59,959

[Betty] Oh! Oh,

dear, I— [chuckles]

644

00:37:00,585 —> 00:37:04,964

Oh, I hope I didn't keep

you waiting too long. I—

645

00:37:05,590 —> 00:37:08,092

I'm still getting my

bearing— I'm so sorry. I—

646

00:37:08,718 —> 00:37:11,554

As I was telling

Debbie earlier, I'm—

647

00:37:12,555 —> 00:37:14,933

- Anyway, hello.

- [staff] Hello.

648

00:37:15,600 —> 00:37:17,936

Everyone, the First

Lady of the United States.

649

00:37:18,519 —> 00:37:20,438

- [applause]

- [staff] Welcome.

650

00:37:21,564 —> 00:37:22,649

[staff member] So wonderful.

651

00:37:22,941 —> 00:37:24,275

[applause stops]

652

00:37:26,694 —> 00:37:29,155

[Debbie] I was just

informing the staff that, uh,

653

00:37:29,864 —> 00:37:33,284

because of the unusual

and last-minute nature

654

00:37:33,785 —> 00:37:34,619

of you becoming First Lady,

655

00:37:35,578 —> 00:37:37,789

we'd probably be canceling

the upcoming State Dinner.

656

00:37:38,456 —> 00:37:40,792

Oh. I don't think

that's necessary.

657

00:37:41,292 —> 00:37:42,210

Everyone completely understands.

658

00:37:43,086 —> 00:37:46,005

Well, on the contrary, I love a

good dinner party. [chuckles]

659

00:37:46,589 —> 00:37:48,758

The bigger the

better. [chuckles]

660

00:37:49,926 —> 00:37:53,012

And if you'd like to

do what you've done

661

00:37:53,888 —> 00:37:57,642

for the Nixon's State Dinners,

that would be fine with me.

662

00:37:58,101 —> 00:38:00,687

We don't really have time

663

00:38:01,271 —> 00:38:03,523

to do what we've always done.

664

00:38:03,898 —> 00:38:05,316

Not with three days.

665

00:38:05,900 —> 00:38:07,026

I see.

666

00:38:07,652 —> 00:38:08,903

[Debbie] Ma'am.

667

00:38:09,404 —> 00:38:11,197

If I may be so bold,

668

00:38:11,781 —> 00:38:14,117

surely the president,

surely everyone,

669

00:38:14,659 —> 00:38:17,787

would understand if

you had to postpone.

670

00:38:18,830 —> 00:38:21,040

Everyone knows how

this whole situation

671

00:38:21,666 —> 00:38:24,544

has been sprung on

you, even King Hussein.

672

00:38:24,919 —> 00:38:26,004

Are you sure? It—

673

00:38:26,629 —> 00:38:29,382

It seems awfully

last minute to cancel.

674

00:38:30,008 —> 00:38:33,303

Not at all. It's completely

understandable.

675

00:38:36,973 —> 00:38:42,520

Well then, I suppose

that's what we'll do.

676

00:38:56,993 —> 00:38:59,370

[jazz playing on speaker]

677

00:39:06,544 —> 00:39:10,006

- [typing]

- [typewriter bell dings]

678

00:39:16,804 —> 00:39:18,556

[groans]

679

00:39:19,557 —> 00:39:20,433

- Oh, my gosh!

- Oh!

680

00:39:21,059 —> 00:39:24,937

Betty? I'm sorry. Excuse

me, Madam First Lady.

681

00:39:25,063 —> 00:39:25,980

Nancy.

682

00:39:26,522 —> 00:39:28,066

- Yeah. Nancy Howe.

- Nancy Howe!

683

00:39:28,858 —> 00:39:31,110

The last time I saw you was

at that dreadful PTA meeting.

684

00:39:31,694 —> 00:39:33,863

And that woman

was talking about—

685

00:39:34,489 —> 00:39:35,365

- The history of education...

- [sighs]

686

00:39:36,199 —> 00:39:38,493

- ...in pre-colonial Virginia.

- I thought it would never end.

687

00:39:39,077 —> 00:39:41,913

Three hours

seared into my brain.

688

00:39:42,372 —> 00:39:43,539

[chuckles]

689

00:39:47,585 —> 00:39:49,504

It's so nice to

know you're here.

690

00:39:50,088 —> 00:39:53,800

An actual person

that I know and like.

691

00:39:54,092 —> 00:39:55,176

[Nancy] Yeah.

692

00:39:55,593 —> 00:39:56,594

Hmm?

693

00:39:57,428 —> 00:39:59,514

Take it. It's on the house.

694

00:40:00,056 —> 00:40:01,099

Thank you.

695

00:40:01,933 —> 00:40:04,894

Hey, how's it going? Are the

aides overwhelming you yet?

696

00:40:06,771 —> 00:40:07,730

Not yet.

697

00:40:07,897 —> 00:40:09,107

[chuckles]

698

00:40:09,774 —> 00:40:10,650

And thanks for this.

699

00:40:11,067 —> 00:40:12,527

Don't tell anyone.

700

00:40:13,903 —> 00:40:14,737

Oh.

701
00:40:15,696 —> 00:40:19,867
Uh, do you by chance know
how I get back to my office?

702
00:40:20,868 —> 00:40:22,120
I do.

703
00:40:22,912 —> 00:40:23,663
[Betty] Mm-hmm, yeah.

704
00:40:24,539 —> 00:40:29,043
It's hard to believe
that just last week

705
00:40:29,544 —> 00:40:30,795
this was Pat's office,

706
00:40:31,129 —> 00:40:32,213
and now she's...

707

00:40:32,797 —> 00:40:35,133
Helping her husband
pack for prison.

708
00:40:40,430 —> 00:40:41,389
It does seem likely, doesn't it?

709
00:40:42,098 —> 00:40:44,976
He said he wasn't a crook,
turns out he is a crook.

710
00:40:45,435 —> 00:40:46,811
Crooks go to jail.

711
00:40:49,439 —> 00:40:52,150
So what's the first First Lady
thing they have you doing?

712
00:40:52,942 —> 00:40:56,487
Well, there was a State
Dinner, but I'm canceling it.

713
00:40:57,280 —> 00:40:58,072

What? No, you're not.

714

00:40:58,656 —> 00:41:00,992

It was supposed to

be three days from now

715

00:41:01,617 —> 00:41:04,162

and, well, my secretary

said it was fine.

716

00:41:04,787 —> 00:41:08,291

No, no, no, no, no.

You can't do that, Betty.

717

00:41:08,958 —> 00:41:11,961

No, it was actually my

secretary's idea, so...

718

00:41:12,587 —> 00:41:13,671

Well, I don't care

whose idea it was.

719

00:41:14,505 —> 00:41:16,299

This is your house.

You get to decide.

720

00:41:16,924 —> 00:41:19,260

You really think one

State Dinner matters?

721

00:41:19,969 —> 00:41:22,430

Let's see, did the

Roosevelts showing support

722

00:41:22,972 —> 00:41:25,057

for every exiled

European government

723

00:41:25,683 —> 00:41:28,019

after the Nazis took over

their homeland matter?

724

00:41:28,644 —> 00:41:30,104

How about the

Eisenhowers breaking bread

725

00:41:30,521 —> 00:41:31,481
with the Khrushchevs?

726
00:41:32,190 —> 00:41:35,234
The Nixons and the Brezhnevs
may be the only cordial moment

727
00:41:35,818 —> 00:41:37,278
of this whole Cold War we're in.

728
00:41:37,695 —> 00:41:40,364
And maybe I'm biased

729
00:41:40,990 —> 00:41:42,575
because I spout out
White House trivia

730
00:41:43,159 —> 00:41:44,285
in that gift shop all day long,

731
00:41:44,994 —> 00:41:47,538
but it seems to me like
these are the moments

732

00:41:48,122 —> 00:41:49,916

that really, truly mattered.

733

00:41:50,875 —> 00:41:54,212

And they were State Dinners

that First Ladies made happen.

734

00:41:55,671 —> 00:41:58,716

You just— You— You can't

cancel your first State Dinner.

735

00:41:59,550 —> 00:42:02,720

This is your chance

to start making history.

736

00:42:06,349 —> 00:42:08,726

- You wanted to see me, ma'am?

- [Betty] Oh! Yes, thank you.

737

00:42:09,018 —> 00:42:10,228

Please come in.

738

00:42:15,733 —> 00:42:17,860

How do you like what

I've done with the place?

739

00:42:21,197 —> 00:42:22,031

Um.

740

00:42:22,573 —> 00:42:23,950

It's a joke, Debbie.

741

00:42:24,909 —> 00:42:25,952

- [chuckles]

- About the State Dinner,

742

00:42:26,911 —> 00:42:29,872

you'll be happy to know

that I've decided not to cancel.

743

00:42:31,999 —> 00:42:34,043

- What?

- I've come up with a plan

744

00:42:34,669 —> 00:42:37,088
I think you'll agree
is very doable.

745
00:42:37,713 —> 00:42:39,340
Marrying some of
Mrs. Nixon's traditions

746
00:42:40,049 —> 00:42:45,263
with my less formal,
but no less festive, ideas.

747
00:42:49,058 —> 00:42:52,061
Oh... barbecue.

748
00:42:52,603 —> 00:42:54,772
[chuckling] Doesn't
that sound fun?

749
00:42:55,690 —> 00:42:57,733
Be sure to let everyone know

750
00:42:58,276 —> 00:43:00,236

the president is

counting on this.

751

00:43:00,861 —> 00:43:03,281

He's even more

excited than I am.

752

00:43:05,616 —> 00:43:06,951

Thank you, Debbie.

753

00:43:09,245 —> 00:43:10,788

Thank you, ma'am.

754

00:43:18,296 —> 00:43:20,131

[John Roberts] Good morning.

Thanks for being with us.

755

00:43:20,631 —> 00:43:21,299

Monday, the 12th of January.

756

00:43:21,924 —> 00:43:22,800

Just eight days

until the inauguration,

757

00:43:23,634 —> 00:43:24,302

the new administration,

new president.

758

00:43:24,969 —> 00:43:25,803

Everybody's trying

to get an angle here.

759

00:43:26,637 —> 00:43:28,598

Absolutely. A lot

going on this morning.

760

00:43:32,602 —> 00:43:33,352

- Can I get you anything else?

- No.

761

00:43:33,936 —> 00:43:35,771

- We're fine, thank you.

- Okay.

762

00:43:38,232 —> 00:43:39,400

- Too bridal?

- No.

763

00:43:40,276 —> 00:43:42,069

No. I see "hope" and "glory."

764

00:43:42,653 —> 00:43:43,696

- I see "elegance..."

- [chuckles]

765

00:43:44,280 —> 00:43:45,364

..."timeless" and "victorious."

766

00:43:45,948 —> 00:43:48,618

[chuckles] Oh,

Jason is a genius,

767

00:43:49,160 —> 00:43:51,287

and you look exquisite.

768

00:43:51,829 —> 00:43:52,955

- I love you, Mel.

- [knocking]

769

00:43:53,331 —> 00:43:55,666

I love you too. Come in.

770

00:43:57,168 —> 00:43:58,085

[both gasp]

771

00:43:58,669 —> 00:44:01,005

- Valerie, you're here.

- [chuckles]

772

00:44:01,672 —> 00:44:02,340

Girl, that dress...

773

00:44:02,965 —> 00:44:04,300

- [stylist] Careful, Mrs. Obama.

- Okay.

774

00:44:04,967 —> 00:44:07,303

- [Valerie chuckles]

- [Michelle moans]

775

00:44:08,471 —> 00:44:10,973

- Hmm? Hmm?

- Wow.

776

00:44:12,475 —> 00:44:13,476

Can we talk for a minute?

777

00:44:14,101 —> 00:44:15,227

Could you all give

us a few minutes?

778

00:44:15,936 —> 00:44:18,147

- [Mel] Yeah, sure.

- I promise I'll be careful.

779

00:44:19,148 —> 00:44:21,692

Thanks, ladies. [sighs]

780

00:44:24,320 —> 00:44:27,990

[both chuckling]

781

00:44:28,866 —> 00:44:30,868

- So beautiful.

- Oh.

782

00:44:31,702 —> 00:44:33,496

But that's not why you're here.

783

00:44:33,996 —> 00:44:35,956

Rahm thought we should talk.

784

00:44:36,957 —> 00:44:39,168

Rahm wants. Rahm

feels. Rahm thought.

785

00:44:39,669 —> 00:44:40,544

He just simply suggested

786

00:44:41,337 —> 00:44:43,714

that I be the liaison between

the East Wing and the West.

787

00:44:44,340 —> 00:44:46,550

Great. So how do I

get Rahm to understand

788

00:44:47,176 —> 00:44:48,636
that I'm not here to
be a glorified hostess?

789
00:44:49,345 —> 00:44:53,182
Michelle, we want to ease
you into complex areas.

790
00:44:53,724 —> 00:44:55,101
Val? Hello?

791
00:44:55,518 —> 00:44:56,602
- Hello?
- [chuckles]

792
00:44:57,186 —> 00:44:58,229
You sound just
like them right now.

793
00:44:58,854 —> 00:45:00,439
- Michelle...
- Fashion shoots? Gardening?

794

00:45:01,023 —> 00:45:02,274
You want me to be roasted alive

795
00:45:02,817 —> 00:45:05,152
as being elitist
and out of touch?

796
00:45:06,696 —> 00:45:09,156
Valerie. You're my friend.

797
00:45:09,907 —> 00:45:11,117
You know what I can do.

798
00:45:11,575 —> 00:45:13,202
It's complicated right now.

799
00:45:14,370 —> 00:45:18,040
We, of all people, we can't
rock the boat too much.

800
00:45:20,042 —> 00:45:22,002
Yeah. I know.

801

00:45:25,881 —> 00:45:28,426

- [distant horns honking]

- [distant siren wailing]

802

00:45:30,761 —> 00:45:32,179

[footsteps approaching]

803

00:45:32,763 —> 00:45:34,181

- [Michelle] Morning, Mom.

- Mm-hmm.

804

00:45:34,765 —> 00:45:36,684

I was talking

garden all morning.

805

00:45:37,268 —> 00:45:40,855

Nothing like a curly

kale master class.

806

00:45:41,063 —> 00:45:42,106

Hmm.

807

00:45:45,526 —> 00:45:47,069
I'm gonna need help.

808
00:45:48,279 —> 00:45:49,363
Can you stay here?

809
00:45:50,072 —> 00:45:53,200
The girls are gonna need
some stability and continuity.

810
00:45:53,784 —> 00:45:54,493
They're gonna need their grandma

811
00:45:55,077 —> 00:45:56,996
to keep their feet
on the ground.

812
00:45:57,580 —> 00:45:59,039
The girls need me?

813
00:46:03,377 —> 00:46:06,464
You need me. Hmm.

814

00:46:10,926 —> 00:46:12,970

Then I am here.

815

00:46:19,769 —> 00:46:22,104

- [whimpers] Mommy.

- [chuckling]

816

00:46:22,313 —> 00:46:24,482

Mom. Mama.

817

00:46:25,107 —> 00:46:26,984

[chattering]

818

00:46:28,068 —> 00:46:29,195

Rahm?

819

00:46:29,570 —> 00:46:30,446

Madam First Lady.

820

00:46:30,946 —> 00:46:32,114

How's it all going?

821

00:46:33,282 —> 00:46:36,160

I have 87 pages to go

through in the next hour.

822

00:46:36,619 —> 00:46:37,536

Why are you sidelining me?

823

00:46:38,162 —> 00:46:39,747

[scoffs] Can you guys

give us a minute, please?

824

00:46:40,456 —> 00:46:42,416

- Give us a few minutes. Thanks.

- [Mel] Of course.

825

00:46:42,917 —> 00:46:44,502

- Ma'am.

- First Lady.

826

00:46:46,420 —> 00:46:48,672

I'm trying to ensure

that the East Wing

827

00:46:49,298 —> 00:46:50,508

compliments our

agenda in the West Wing.

828

00:46:51,300 —> 00:46:53,803

So you turned me into a

fluffy, inconsequential hostess.

829

00:46:54,470 —> 00:46:56,347

- No one's gonna buy it.

- Well, that's the job.

830

00:46:56,847 —> 00:46:58,140

It doesn't have to be.

831

00:47:01,101 —> 00:47:03,687

Do you really think— Be

honest with me, all right?

832

00:47:04,480 —> 00:47:08,025

You really think working on

the board of a Chicago hospital

833

00:47:08,859 —> 00:47:10,194

has anything at all

to do with creating

834

00:47:11,153 —> 00:47:13,989

a countrywide health care

system for 200 million-plus people?

835

00:47:14,824 —> 00:47:15,658

I'm saying that

I can contribute.

836

00:47:16,283 —> 00:47:17,368

And I'm saying,

with all due respect,

837

00:47:17,993 —> 00:47:18,702

- that you're not qualified.

- Excuse me?

838

00:47:19,328 —> 00:47:20,454

I don't want you

to become a liability

839

00:47:20,996 —> 00:47:21,705

to your husband is all.

840

00:47:22,331 —> 00:47:23,290

But you were more than

happy to pimp me out

841

00:47:23,666 —> 00:47:24,458

during the campaign.

842

00:47:25,042 —> 00:47:26,252

The campaign is

over. This is politics

843

00:47:26,836 —> 00:47:27,461

and the business of government.

844

00:47:28,003 —> 00:47:28,879

- You're a real—

- What?

845

00:47:29,672 —> 00:47:31,966
What am I "real"? An
asshole? A pit bull? A jerk-off?

846
00:47:32,550 —> 00:47:34,510
A condescending,
patronizing monster?

847
00:47:35,052 —> 00:47:37,888
I was gonna say a "charmer."

848
00:47:41,183 —> 00:47:42,226
You know what? You
wanna make an omelet,

849
00:47:42,685 —> 00:47:43,310
you gotta break some eggs.

850
00:47:43,894 —> 00:47:45,396
And I don't care
about any of that

851
00:47:45,896 —> 00:47:46,981

other peripheral bullshit.

852

00:47:47,565 —> 00:47:48,691

- You should.

- Caring isn't my job.

853

00:47:49,233 —> 00:47:50,359

Absolute loyalty

to your husband is.

854

00:47:51,360 —> 00:47:53,654

Being the bad guy so he doesn't

have to be, that's my focus.

855

00:47:54,363 —> 00:47:55,698

I will body check anyone

who gets in the way of that.

856

00:47:56,323 —> 00:47:58,284

- Even me?

- If you become an obstacle.

857

00:47:59,410 —> 00:48:01,287

- You're a smart woman.

- Oh, thank you, Rahm.

858

00:48:01,871 —> 00:48:03,247

So, I'm not gonna patronize you,

859

00:48:03,706 —> 00:48:04,540

but the fact that you're not

860

00:48:05,165 —> 00:48:08,294

a qualified career

politician is a fact.

861

00:48:08,878 —> 00:48:09,712

It's not sexist or racist.

862

00:48:10,379 —> 00:48:11,338

So, please, I'm begging

you, don't turn me into

863

00:48:11,922 —> 00:48:12,798

some kind of

cliché villain here.

864

00:48:13,507 —> 00:48:15,050

All right? We've known

each other a long time now.

865

00:48:15,593 —> 00:48:16,635

Amy and I have

been to your house.

866

00:48:17,344 —> 00:48:19,096

So I'm pretty certain,

Michelle— Mrs. Obama,

867

00:48:19,889 —> 00:48:21,765

that we can find a

process that works.

868

00:48:22,558 —> 00:48:25,477

If I'm willing to roll over and

become a Stepford FLOTUS.

869

00:48:26,061 —> 00:48:27,605

Not happening. Also, Gwen's out.

870

00:48:28,230 —> 00:48:29,648

Oh, my God. We

already went through this.

871

00:48:30,232 —> 00:48:31,275

Letting you foist

a chief of staff

872

00:48:31,734 —> 00:48:32,610

on me was my first mistake.

873

00:48:33,235 —> 00:48:34,320

[sighs] You're opening

a can of worms here.

874

00:48:35,237 —> 00:48:38,365

No. I'm accepting your

position and stepping into mine.

875

00:48:38,741 —> 00:48:39,783

Gwen will be replaced.

876

00:48:40,576 —> 00:48:43,787

I'll pick my team, choose my

causes. You leave me alone.

877

00:48:44,246 —> 00:48:45,247

Understood?

878

00:48:50,461 —> 00:48:51,587

Madam First Lady.

879

00:48:52,463 —> 00:48:53,923

Rahm.

880

00:48:55,090 —> 00:48:57,927

["Tell Mama" playing]

881

00:49:06,226 —> 00:49:07,853

Honey, I'm home. [chuckles]

882

00:49:08,312 —> 00:49:10,105

A nutritious meal

883

00:49:10,940 —> 00:49:12,858

from the future

White House garden.

884

00:49:13,484 —> 00:49:18,489

Prepared by the

horticulturist to the stars.

885

00:49:18,948 —> 00:49:20,783

Oh, boy. [grunts]

886

00:49:21,450 —> 00:49:24,870

You've been

misused Talk to me...

887

00:49:25,329 —> 00:49:26,747

You seem nervous.

888

00:49:27,164 —> 00:49:28,874

Huh? Me? No. Not at all.

889

00:49:29,500 —> 00:49:31,085

I mean, y-you managed
to make romaine lettuce

890
00:49:31,669 —> 00:49:34,338
seem threatening,
but... [chuckles]

891
00:49:35,130 —> 00:49:36,966
What you need...

892
00:49:37,466 —> 00:49:38,717
Look, uh...

893
00:49:39,176 —> 00:49:40,135
What you want...

894
00:49:40,678 —> 00:49:42,888
Rahm told me that
you and he spoke.

895
00:49:43,472 —> 00:49:46,767
We did. It was
real illuminating.

896

00:49:47,351 —> 00:49:50,104

Hmm. Mm-hmm. He

said the same thing.

897

00:49:50,312 —> 00:49:50,771

Mm-hmm.

898

00:49:51,355 —> 00:49:53,148

All the time that you spent

899

00:49:54,316 —> 00:49:57,444

She had other men

throw you outdoors

900

00:49:57,653 —> 00:49:58,612

Uh, look.

901

00:49:59,196 —> 00:50:02,116

- R-Rahm thinks—

- Stop right there.

902

00:50:03,200 —> 00:50:06,704
You tell your work
wife that your actual wife

903
00:50:07,329 —> 00:50:10,541
said to stay out of
our family business.

904
00:50:11,041 —> 00:50:12,835
Got it. Now I have two wives

905
00:50:13,502 —> 00:50:14,878
and neither of them
are happy. [chuckles]

906
00:50:15,504 —> 00:50:18,382
I'll make everything all right

907
00:50:24,722 —> 00:50:26,348
You are my number one.

908
00:50:26,557 —> 00:50:27,349
Mm-hmm.

909

00:50:27,808 —> 00:50:28,600

- My main wife.

- Mm-hmm.

910

00:50:29,143 —> 00:50:29,935

And he's a distant second.

911

00:50:30,644 —> 00:50:32,521

For a start, he can't

kiss as well as you can.

912

00:50:33,063 —> 00:50:34,064

He— He's working on it.

913

00:50:34,565 —> 00:50:35,315

But he's, uh— [chuckles]

914

00:50:36,233 —> 00:50:38,318

- [both chuckling]

- He hasn't got it quite yet.

915

00:50:40,029 —> 00:50:42,322
Can I eat now?

916
00:50:42,531 —> 00:50:43,490
Mm-hmm.

917
00:50:44,491 —> 00:50:46,076
Can I get a little meat in here,
or I haven't earned my meat—

918
00:50:46,702 —> 00:50:48,912
There's no meat in the
White House garden.

919
00:50:49,538 —> 00:50:51,165
- I'm going to try it out.
- [chuckles]

920
00:50:52,166 —> 00:50:54,752
Oh, don't let them say I didn't
try it. All right. Here we go.

921
00:50:55,210 —> 00:50:56,795

[Michelle laughs]

922

00:50:57,546 —> 00:50:59,715

Mm-hmm! Mmm! Organic!

923

00:51:00,215 —> 00:51:01,550

- Mmm.

- I approve!

924

00:51:01,717 —> 00:51:02,843

[chuckles]

925

00:51:03,552 —> 00:51:05,471

This is— This has got the

presidential seal of approval!

926

00:51:05,763 —> 00:51:08,348

[chuckles, sighs]

927

00:51:08,557 —> 00:51:09,475

[song ends]

928

00:51:09,767 —> 00:51:11,018

[liquid pouring]

929

00:51:11,685 —> 00:51:13,771

[Michelle] I let Rahm

pick my chief of staff.

930

00:51:14,229 —> 00:51:15,606

That was my mistake.

931

00:51:16,440 —> 00:51:19,526

That's why I asked you here.

932

00:51:22,404 —> 00:51:25,074

I want you to be

my chief of staff.

933

00:51:28,786 —> 00:51:30,120

Gwen didn't work out.

934

00:51:30,621 —> 00:51:31,789

I need someone who knows me.

935

00:51:32,414 —> 00:51:34,416

Someone who

understands my priorities.

936

00:51:35,375 —> 00:51:37,377

You've been in the

trenches with me. I trust you.

937

00:51:37,586 —> 00:51:39,129

[gasps]

938

00:51:39,922 —> 00:51:41,632

Michelle, I'm flattered.

939

00:51:43,217 —> 00:51:44,927

But I was only supposed to be

here for a few months to work

940

00:51:45,552 —> 00:51:46,845

- on the inauguration committee.

- I know.

941

00:51:47,554 —> 00:51:49,723
And Neil already doesn't
love me being away.

942
00:51:50,099 —> 00:51:51,141
I know.

943
00:51:51,642 —> 00:51:54,103
But husbands can relocate.

944
00:51:55,104 —> 00:51:55,813
And remember what you told me

945
00:51:56,438 —> 00:51:58,774
when Barack was
still in the primaries?

946
00:52:01,110 —> 00:52:03,320
That you should start
embracing the fact

947
00:52:04,154 —> 00:52:07,324
that your life might

change in a huge way.

948

00:52:08,325 —> 00:52:10,452

And I remember

what else you told me.

949

00:52:11,411 —> 00:52:15,290

About being open to exciting,

unexpected new horizons.

950

00:52:16,166 —> 00:52:18,293

I can be so inspirational

when I want to be, can't I?

951

00:52:19,128 —> 00:52:20,629

Susan, let's kick

some fucking ass

952

00:52:21,171 —> 00:52:23,090

the way we did back in Chicago.

953

00:52:23,799 —> 00:52:27,427

You know what this means,

right? You to be my boss.

954

00:52:36,687 —> 00:52:40,607

I really hope Neil

likes Washington DC.

955

00:52:42,484 —> 00:52:44,153

Yes, yes!

956

00:52:44,987 —> 00:52:46,071

- Yes, yes!

- [whimpers]

957

00:52:46,530 —> 00:52:47,948

- Aw!

- [chuckles]

958

00:52:48,365 —> 00:52:49,324

Oh!

959

00:52:49,658 —> 00:52:50,868

Yeah. Okay.

960

00:52:51,451 —> 00:52:53,370

- Okay!

- Mm-hmm. You promised.

961

00:52:54,371 —> 00:52:56,206

- Hmm.

- [whispers] Okay.

962

00:52:57,833 —> 00:52:59,334

Where do we start?

963

00:53:00,210 —> 00:53:01,461

[chuckles]

964

00:53:06,008 —> 00:53:08,302

[crowd chattering, laughing]

965

00:53:14,224 —> 00:53:15,934

That would be lovely.

I would love that.

966

00:53:16,393 —> 00:53:17,519

It would be lovely.

967

00:53:17,895 —> 00:53:18,979

We have, uh, the Dead Sea,

968

00:53:19,646 —> 00:53:20,939

- and you don't sink, you float.

- Excuse me.

969

00:53:21,523 —> 00:53:23,317

- So, it is very beautiful.

- [gasps]

970

00:53:24,193 —> 00:53:29,406

Ladies and gentlemen, it

has been our great pleasure

971

00:53:30,407 —> 00:53:31,825

spending a wonderful evening

972

00:53:32,492 —> 00:53:35,495

with our new friends, King

Hussein and Queen Alia,

973

00:53:36,413 —> 00:53:38,749

here at the White House

for our first State Dinner.

974

00:53:39,208 —> 00:53:40,709

[applause]

975

00:53:45,756 —> 00:53:47,799

And it is my great pleasure

976

00:53:48,926 —> 00:53:54,264

to ask the most beautiful

woman in the world...

977

00:53:56,225 —> 00:53:59,603

if she'll dance our first

State Dinner dance with me.

978

00:54:00,062 —> 00:54:01,772

- [guests] Oh.

- [laughter]

979

00:54:02,231 —> 00:54:04,441

[jazz playing]

980

00:54:18,455 —> 00:54:19,748

I miss dancing with you.

981

00:54:20,749 —> 00:54:24,753

I'll dance with you

anytime, Mr. President.

982

00:54:25,921 —> 00:54:28,799

- I like the sound of that.

- Mmm. I'm sure you do.

983

00:54:29,091 —> 00:54:30,425

[both chuckle]

984

00:54:37,474 —> 00:54:39,518

[Gerald] I'm so

impressed with you.

985

00:54:40,727 —> 00:54:43,438

Pulling this all together
on such short notice.

986
00:54:45,274 —> 00:54:46,858
I'm impressed with you, Jerry.

987
00:54:47,484 —> 00:54:50,570
You have a lot on your
shoulders right now.

988
00:54:53,490 —> 00:54:55,659
[jazz music continues]

EP3: Please Allow Me

1
00:00:15,758 —> 00:00:22,014
And believe you are
as graceful as an animal.

2
00:00:22,056 —> 00:00:24,391
And now you are a giraffe!

3

00:00:24,433 —> 00:00:26,977

- [children giggle]

- Ah!

4

00:00:27,019 —> 00:00:29,813

And now you're a bird!

5

00:00:30,606 —> 00:00:32,566

That's beautiful.

6

00:00:33,484 —> 00:00:36,945

Just flying. Yeah.

7

00:00:39,615 —> 00:00:42,034

And what are we

now? We're monkeys!

8

00:00:42,076 —> 00:00:45,746

- [children giggling]

- [hooting]

9

00:00:47,456 —> 00:00:51,585

All right. Peg is

here for story time!

10

00:00:51,627 —> 00:00:54,129

- [children] Yay!

- [Peg] Hello, everyone.

11

00:00:54,171 —> 00:00:56,006

[children] Hi, Miss Peg.

12

00:00:56,048 —> 00:00:58,342

[Peg] Wow, your dancing

looked so beautiful!

13

00:00:58,383 —> 00:01:00,052

[children] Thank you!

14

00:01:00,094 —> 00:01:02,429

- You guys have fun?

- Yeah!

15

00:01:02,471 —> 00:01:05,933

[Peg] Great. All right.

Well, now it is story time.

16

00:01:05,974 —> 00:01:08,769

Before we get to our story, I

wanted to tell you about my...

17

00:01:08,811 —> 00:01:11,271

- Say, that was pretty swell.

- No spectators allowed.

18

00:01:11,313 —> 00:01:13,774

upbeat ragtime music plays

19

00:01:18,112 —> 00:01:19,947

Betty! Wait.

20

00:01:19,988 —> 00:01:22,950

If you come to my

class, you have to dance.

21

00:01:22,991 —> 00:01:24,118

Next week, then.

22

00:01:24,159 —> 00:01:25,536
You can teach me
how to be a bird.

23
00:01:26,912 —> 00:01:28,956
I don't know if you
have what it takes.

24
00:01:29,665 —> 00:01:31,125
You might be surprised.

25
00:01:31,166 —> 00:01:33,210
I'm pretty good
on the dance floor.

26
00:01:34,920 —> 00:01:36,630
Peg wanted me to meet you.

27
00:01:36,672 —> 00:01:38,757
Thought this was the only
place I could pin you down.

28
00:01:38,799 —> 00:01:40,676

Oh, and you thought
you could pin me down?

29
00:01:40,717 —> 00:01:42,803
It's Gerald. Gerald Ford.

30
00:01:42,845 —> 00:01:44,638
I'd have to live in
a cave to not know

31
00:01:44,680 —> 00:01:47,432
the football star of South
High and the Wolverines.

32
00:01:47,474 —> 00:01:49,017
Well, in Peg's defense,

33
00:01:49,059 —> 00:01:50,644
I've been putting pressure
on her to set me up

34
00:01:50,686 —> 00:01:52,396
since I got back

from the Pacific.

35

00:01:55,858 —> 00:01:59,987

So, what do you say?

Will you go out with me?

36

00:02:01,613 —> 00:02:03,031

Should I invite my husband?

37

00:02:14,209 —> 00:02:15,377

[sighs]

38

00:02:17,462 —> 00:02:18,839

[gasps]

39

00:02:25,387 —> 00:02:26,763

Hello?

40

00:02:28,223 —> 00:02:29,349

Betty?

41

00:02:32,186 —> 00:02:34,188

- Betty?

- Bill.

42

00:02:35,397 —> 00:02:36,523

Betty.

43

00:02:37,900 —> 00:02:41,028

- Bill? Bill, shh. It's okay.

- Betty.

44

00:02:41,904 —> 00:02:43,906

- It's okay.

- Where were you?

45

00:02:45,365 —> 00:02:46,408

Where were you?

46

00:02:47,701 —> 00:02:48,952

Bill, are you awake?

47

00:02:53,207 —> 00:02:55,209

I haven't been anywhere, Bill.

48

00:02:56,376 —> 00:02:58,170

Betty.

49

00:02:58,212 —> 00:02:59,671

You've been in a

coma. You need to—

50

00:02:59,713 —> 00:03:00,756

Betty.

51

00:03:03,967 —> 00:03:05,052

Betty.

52

00:03:05,677 —> 00:03:06,845

Bill?

53

00:03:49,096 —> 00:03:51,974

[dog barking in distance]

54

00:03:55,352 —> 00:03:57,479

This land is your land

55

00:03:59,940 —> 00:04:02,734

This land is my land

56

00:04:05,737 —> 00:04:09,116

From California

57

00:04:09,157 —> 00:04:14,037

To the New York island

58

00:04:14,079 —> 00:04:18,166

From the redwood forest

59

00:04:19,710 —> 00:04:21,461

To the Gulf Stream waters

60

00:04:24,715 —> 00:04:26,300

I tell you

61

00:04:26,341 —> 00:04:28,885

This land

62

00:04:28,927 —> 00:04:33,849
Was made for you and me Yeah

63
00:04:39,438 —> 00:04:43,483
One bright sunny morning

64
00:04:43,525 —> 00:04:48,405
In the shadow of the steeple

65
00:04:48,447 —> 00:04:53,243
Down by the welfare office

66
00:04:53,285 —> 00:04:58,373
I saw my people

67
00:04:58,415 —> 00:05:00,709
I was wondering

68
00:05:00,751 —> 00:05:03,211
If this land

69
00:05:03,253 —> 00:05:08,133

Was made for you and me

70

00:05:16,058 —> 00:05:17,184

Morning.

71

00:05:19,436 —> 00:05:22,606

It's good to see you

looking so much better, Bill.

72

00:05:22,647 —> 00:05:25,525

Here is some crispy

bacon, just how you like it.

73

00:05:26,735 —> 00:05:28,278

What's the hurry?

74

00:05:28,320 —> 00:05:30,280

Oh, I'm just going to

be late for work, Bill.

75

00:05:30,322 —> 00:05:33,492

Well, why don't you lie

down next to me for a minute?

76

00:05:33,533 —> 00:05:35,202

What about your breakfast?

77

00:05:35,243 —> 00:05:37,704

I don't want

breakfast. I want you.

78

00:05:37,746 —> 00:05:39,706

Well, your mother's

going to be—

79

00:05:39,748 —> 00:05:40,874

Just fucking take it!

80

00:05:40,916 —> 00:05:43,418

Goddamn it! Take it!

81

00:05:45,879 —> 00:05:48,131

I want my wife to

lie down next to me.

82

00:05:49,091 —> 00:05:50,592
Is that too much to ask?

83
00:05:52,260 —> 00:05:53,553
No.

84
00:05:56,181 —> 00:05:58,183
Soon enough, I'm
gonna be better,

85
00:05:58,225 —> 00:05:59,726
and you won't have to work.

86
00:05:59,768 —> 00:06:04,106
And you get to stay
home like a normal wife!

87
00:06:04,147 —> 00:06:05,524
[Bill's mother] Good morning.

88
00:06:08,443 —> 00:06:09,653
Good morning.

89

00:06:09,694 —> 00:06:12,155

[people laughing, chattering]

90

00:06:12,197 —> 00:06:14,866

["Boogie Woogie Bugle

Boy" playing on radio]

91

00:06:16,576 —> 00:06:19,788

He was a famous trumpet

man from out Chicago way

92

00:06:19,830 —> 00:06:22,749

He had a boogie style

that no one else could play

93

00:06:22,791 —> 00:06:25,210

He was the top man at his craft

94

00:06:25,252 —> 00:06:26,753

But then his number came up

95

00:06:26,795 —> 00:06:28,630

And he was gone with the draft

96

00:06:28,672 —> 00:06:31,049

He's in the army

now a blowin' reveille

97

00:06:31,091 —> 00:06:34,219

He's the boogie woogie

bugle boy of Company B

98

00:06:34,261 —> 00:06:37,222

They made him blow a

bugle for his Uncle Sam

99

00:06:37,264 —> 00:06:40,517

It really brought him down

because he couldn't jam...

100

00:06:40,559 —> 00:06:42,394

[bar patron] And

two, sweetheart.

101

00:06:42,436 —> 00:06:45,272

- Can I get an ashtray?

- Look what the cat dragged in.

102

00:06:45,313 —> 00:06:46,898

This sure is off

the beaten path.

103

00:06:46,940 —> 00:06:48,608

Well, wouldn't want

anyone to see you out

104

00:06:48,650 —> 00:06:51,278

with a married woman.

People might talk.

105

00:06:59,286 —> 00:07:00,454

You look nice.

106

00:07:02,706 —> 00:07:03,790

Just nice?

107

00:07:08,670 —> 00:07:10,046

You look beautiful, Betty.

108

00:07:11,798 —> 00:07:14,050

And you look very

well, yourself, Jerry.

109

00:07:17,679 —> 00:07:19,181

What have you been doing lately?

110

00:07:21,016 —> 00:07:22,267

Thinking about you.

111

00:07:31,943 —> 00:07:33,945

You ever dream, Betty?

112

00:07:33,987 —> 00:07:36,698

You know, getting

to quit your jobs?

113

00:07:37,532 —> 00:07:38,950

Why would I want to do that?

114

00:07:40,327 —> 00:07:42,829

I— I happen to like working.

115

00:07:44,039 —> 00:07:45,540

Don't you dream, Betty Bloomer?

116

00:07:45,582 —> 00:07:49,002

Warren. Betty Warren.

117

00:07:49,044 —> 00:07:50,170

[Gerald] Right.

118

00:07:54,049 —> 00:07:58,345

And, um— And yet it hasn't

stopped you from calling me.

119

00:08:00,972 —> 00:08:03,141

Peg, you know, she

told me about him.

120

00:08:06,436 —> 00:08:08,939

Yeah, she told me about Bill.

121

00:08:12,776 —> 00:08:15,111
My mother disapproved, so...

122
00:08:18,031 —> 00:08:21,368
That's all it took.
We— We got married...

123
00:08:25,705 —> 00:08:27,832
And it didn't take me
long to realize that home

124
00:08:27,874 —> 00:08:31,044
was the only thing we
had in common, and...

125
00:08:32,712 —> 00:08:34,089
and having a good time.

126
00:08:35,048 —> 00:08:37,759
But Bill's good time means...

127
00:08:40,637 —> 00:08:42,472
having breath as hot as whiskey

128

00:08:42,514 —> 00:08:44,975

when he's screaming

right in your face

129

00:08:45,016 —> 00:08:48,770

and, um, punching holes

in the walls of our bedroom.

130

00:08:59,447 —> 00:09:01,324

I'm sorry, you don't

want to hear about—

131

00:09:01,366 —> 00:09:03,076

I want to hear everything.

132

00:09:09,624 —> 00:09:11,418

I was planning on leaving him.

133

00:09:12,919 —> 00:09:16,214

I was working on it and then

he fell into a diabetic coma.

134

00:09:18,717 —> 00:09:20,719

You can't leave a man in a coma.

135

00:09:22,721 —> 00:09:25,098

The behavior you're

describing is against the law.

136

00:09:26,224 —> 00:09:27,267

The law?

137

00:09:28,268 —> 00:09:29,519

I'm a lawyer.

138

00:09:31,021 —> 00:09:32,480

That's abuse.

139

00:09:35,650 —> 00:09:38,445

Well, you don't know

anything about me, Jerry.

140

00:09:50,582 —> 00:09:52,751

People... [sniffles]

141

00:09:52,792 —> 00:09:54,878

People will talk, Mr. Ford.

142

00:09:54,919 —> 00:09:57,631

upbeat jazz music playing

143

00:10:09,184 —> 00:10:11,394

You know her,

she's always on time.

144

00:10:11,436 —> 00:10:14,648

You know how she is about

being on time for everything.

145

00:10:18,943 —> 00:10:20,320

Hey, can you honk?

146

00:10:22,030 —> 00:10:23,114

[horn honks]

147

00:10:23,156 —> 00:10:24,491

- Oh.

- Yeah?

148

00:10:24,532 —> 00:10:26,159

[both laughing]

149

00:10:26,201 —> 00:10:28,453

- [horn honks]

- Yeah, yeah.

150

00:10:28,495 —> 00:10:30,538

[neighbors chattering, laughing]

151

00:10:34,167 —> 00:10:38,171

[laughing] Hey, Mama!

152

00:10:38,213 —> 00:10:42,967

Hey, hey! Is that my little girl

back from Harvard Law School?

153

00:10:43,009 —> 00:10:46,012

- Oh, hey, Daddy.

- Hey.

154

00:10:48,056 —> 00:10:50,767

- Look at you.

- No, look at you.

155

00:10:52,352 —> 00:10:54,354

Oh, I missed you.

156

00:10:54,396 —> 00:10:57,023

[playing "Killing Me

Softly With His Song"]

157

00:11:11,246 —> 00:11:13,456

That was good. What were

you scrunching up your face for?

158

00:11:13,498 —> 00:11:15,917

That was right. [laughs]

159

00:11:17,168 —> 00:11:19,129

- Yeah. Yeah.

- Yeah?

160

00:11:23,758 —> 00:11:26,219

See, now you lost

it. Now you lost it.

161

00:11:26,261 —> 00:11:28,054

[both laughing]

162

00:11:28,096 —> 00:11:30,306

You'd better go back to the top.

163

00:11:30,348 —> 00:11:32,100

[Marian] Oh, oh.

164

00:11:33,727 —> 00:11:36,146

I got your favorite.

Spinach dip.

165

00:11:36,187 —> 00:11:37,731

- Hey.

- Oh!

166

00:11:37,772 —> 00:11:40,400

- [Fraser] Listen to that.

- Mmm. I'm listening.

167

00:11:40,442 —> 00:11:43,153

[laughing] Yeah, I'm

sure Roberta Flack

168

00:11:43,194 —> 00:11:44,821

played it just like that.

169

00:11:56,624 —> 00:11:58,710

So, are you ever gonna

tell us about the meeting

170

00:11:58,752 —> 00:11:59,919

they flew you in for?

171

00:11:59,961 —> 00:12:01,546

First class.

172

00:12:01,588 —> 00:12:03,965

- She fancy now.

- Yeah.

173

00:12:04,007 —> 00:12:06,050

- How'd it go?

- It was good.

174

00:12:06,092 —> 00:12:10,805

Yeah. Sidley Austin, huh?

That's a big-time law firm.

175

00:12:10,847 —> 00:12:14,184

- Yeah, one of the biggest.

- [Fraser chuckles]

176

00:12:14,225 —> 00:12:16,311

So, uh, you still rockin'

177

00:12:16,352 —> 00:12:18,938

- those old slippers, huh, Daddy?

- You know it. That's right.

178

00:12:18,980 —> 00:12:21,274

[Marian] That man ain't

never gonna get rid of them,

179

00:12:21,316 —> 00:12:23,526

even though they do

stink to high heaven.

180

00:12:23,568 —> 00:12:27,447

Ha! Just like I always

say, "Use it up. Wear it out."

181

00:12:27,489 —> 00:12:29,574

[both] "Make it

do, or do without."

182

00:12:29,616 —> 00:12:31,159

That's right.

183

00:12:35,163 —> 00:12:39,000

So, uh, how long

have you been...

184

00:12:40,293 —> 00:12:42,712

Oh, well, uh, two weeks.

185

00:12:42,754 —> 00:12:44,547

It took Medicare a bit,

186

00:12:44,589 —> 00:12:46,382

but they finally

got me this chair.

187

00:12:46,424 —> 00:12:48,635

Wish they would get

him a motorized one,

188

00:12:48,676 —> 00:12:52,138

but that old hunk of metal

is all they would pay for.

189

00:12:52,180 —> 00:12:55,809

Well, I'll be making

money in no time,

190

00:12:55,850 —> 00:12:58,144

so I can get you whatever

chair you need, Daddy.

191

00:12:58,186 —> 00:13:00,814

Uh-uh, uh-uh. I'm not taking

any of my daughter's check.

192

00:13:00,855 —> 00:13:02,190

Daddy, let me do this.

193

00:13:03,191 —> 00:13:04,192

[Marian] Hmm.

194

00:13:05,693 —> 00:13:08,321

Been hardheaded since

you were in the womb.

195

00:13:08,363 —> 00:13:11,115

Matter of fact, I've

still got the bruises.

196

00:13:11,157 —> 00:13:13,451

[all laugh]

197

00:13:15,119 —> 00:13:17,163

pensive music

198

00:13:20,458 —> 00:13:22,961

[sirens wailing in distance]

199

00:13:25,463 —> 00:13:27,507

[chattering]

200

00:13:30,885 —> 00:13:32,262

Sorry, he's still not here.

201

00:13:32,971 —> 00:13:34,305

[sighs] Lord.

202

00:13:34,347 —> 00:13:36,307

I hate it when people

aren't punctual,

203

00:13:36,349 —> 00:13:38,601

especially on their first day.

204

00:13:38,643 —> 00:13:40,854

I'm also mad it's the

brother that's gotta be late.

205

00:13:40,895 —> 00:13:43,773

You know? I mean, come

on now. You gotta represent.

206

00:13:43,815 —> 00:13:46,192

- Mm-hmm. [laughs]

- Thanks, Lorraine.

207

00:13:46,234 —> 00:13:47,360

[Lorraine] Mm-hmm.

208

00:13:48,236 —> 00:13:50,113

-Oh.

-Hey. Sorry.

209

00:13:50,154 —> 00:13:52,407

- Come on in, Mr. Obama.

- Thank you.

210

00:13:54,158 —> 00:13:58,079

Hi, uh, I'm Barack. Um,

my apologies for being late.

211

00:13:58,121 —> 00:14:00,373

Start with these.

212

00:14:02,125 —> 00:14:04,085

- Okay.

- Uh, we'll need all of that

213

00:14:04,127 —> 00:14:05,670

back by tomorrow.

214

00:14:05,712 —> 00:14:08,339

And, uh, Lorraine can

show you to your desk.

215

00:14:09,382 —> 00:14:12,093

Okay. Thanks.

216

00:14:15,179 —> 00:14:17,181

- Nice to meet you.

- Mm-hmm.

217

00:14:28,484 —> 00:14:30,612

Thought I'd get

some fresh air too.

218

00:14:30,653 —> 00:14:33,740

Uh... mind if I, uh, join you?

219

00:14:34,574 —> 00:14:37,535

Uh, sure. [chuckles]

220

00:14:37,577 —> 00:14:41,748

I have, uh, two

muffins, if you want one.

221

00:14:43,041 —> 00:14:44,500

Thanks.

222

00:14:45,960 —> 00:14:49,422

Do you always eat

breakfast pastries for lunch?

223

00:14:49,464 —> 00:14:52,884
Uh, it's fun to switch
it up sometimes.

224
00:14:52,926 —> 00:14:56,930
Mmm. Well, I eat
a salad every day.

225
00:14:57,639 —> 00:14:59,515
[laughs]

226
00:15:02,894 —> 00:15:05,355
I gotta say. You're, uh—

227
00:15:05,396 —> 00:15:08,274
You're a lot more laid-back
than I imagined you'd be.

228
00:15:08,316 —> 00:15:10,193
- Oh, yeah?
- Yeah.

229
00:15:10,234 —> 00:15:12,403

The partners made it sound
like I was gonna be mentoring

230
00:15:12,445 —> 00:15:13,905
the next Thurgood Marshall.

231
00:15:13,947 —> 00:15:15,114
Oh.

232
00:15:16,824 —> 00:15:20,578
Hardly. Just the
light-skinned lawyer part.

233
00:15:22,830 —> 00:15:25,667
Honestly, I think my
success at Harvard

234
00:15:25,708 —> 00:15:30,421
has been because I really
took my time before I got there.

235
00:15:30,463 —> 00:15:32,674
Reading too many

books for my own good

236

00:15:32,715 —> 00:15:35,969

and organizing here in Chicago.

237

00:15:36,678 —> 00:15:38,179

Oh. Is that right?

238

00:15:39,973 —> 00:15:43,643

Yeah, uh— South Side, mostly.

239

00:15:43,685 —> 00:15:45,812

That's where I grew up.

240

00:15:45,853 —> 00:15:47,939

Yeah, that's where

all my people are.

241

00:15:47,981 —> 00:15:49,399

[Barack] That's...

242

00:15:50,650 —> 00:15:55,321

I envy that. I'm actually,

uh, writing a book

243

00:15:55,363 —> 00:15:57,824

about my search for identity

244

00:15:57,865 —> 00:15:59,659

and not knowing

a lot of my family—

245

00:15:59,701 —> 00:16:02,286

Hold up. You're writing a book?

246

00:16:05,581 —> 00:16:07,834

Yeah. That probably

sounds so, um—

247

00:16:07,875 —> 00:16:08,960

Pretentious?

248

00:16:11,337 —> 00:16:15,341

But, you know, also impressive.

249

00:16:19,971 —> 00:16:21,514

I'll take that as a compliment.

250

00:16:22,890 —> 00:16:25,977

- I mean, okay.

- [laughs]

251

00:16:33,776 —> 00:16:38,239

Hey. So I hope you don't mind

if I duck out a little early today.

252

00:16:38,281 —> 00:16:40,491

Meaning you hope I don't

mind you asking my permission

253

00:16:40,533 —> 00:16:42,243

to duck out a little early?

254

00:16:42,285 —> 00:16:44,287

Yep. That's exactly

what I meant.

255

00:16:44,328 —> 00:16:47,540
[scoffs] Wow. My man's
only been here a few weeks

256
00:16:47,582 —> 00:16:50,001
and already he's slacking off.

257
00:16:50,043 —> 00:16:52,962
I'm sorry. Did you not read
the 30-page memo I wrote

258
00:16:53,004 —> 00:16:56,049
on corporate governance that
all the partners are raving about?

259
00:16:56,090 —> 00:16:58,551
- I'm making you look good.
- Mm-hmm.

260
00:17:03,347 —> 00:17:06,601
Boy. If you don't get those
broke-ass shoes off my couch...

261

00:17:06,642 —> 00:17:09,729
And you might be impressing
all the partners here

262
00:17:09,771 —> 00:17:12,023
who are dazzled by any
Black man with a vocabulary,

263
00:17:12,065 —> 00:17:13,858
but remember,
I'm the one writing

264
00:17:13,900 —> 00:17:17,070
your end-of-summer review
and I know Negroes like you.

265
00:17:21,574 —> 00:17:25,578
Um, so you know, the
reason I wanna leave early

266
00:17:25,620 —> 00:17:28,498
is to help out one of
my old organizer friends.

267

00:17:28,539 —> 00:17:31,751

It's actually over

by where you live.

268

00:17:33,086 —> 00:17:34,545

On Euclid, right?

269

00:17:36,380 —> 00:17:37,965

What, are you stalking me?

270

00:17:38,007 —> 00:17:39,801

No. [chuckles]

271

00:17:39,842 —> 00:17:45,473

I listen closely,

intently, passionately.

272

00:17:45,515 —> 00:17:48,893

[scoffs] You're so full of shit.

273

00:17:48,935 —> 00:17:50,770

Come out. We

never get to hang out.

274
00:17:50,812 —> 00:17:56,067
Besides, it'll be fun.
And it's for a good cause.

275
00:17:57,026 —> 00:17:58,861
I don't know.

276
00:17:58,903 —> 00:18:01,572
I mean, in fact, after
red-lining all these contracts,

277
00:18:01,614 —> 00:18:04,617
all I want is a glass
of Zin and a footbath.

278
00:18:04,659 —> 00:18:08,996
I get that. It's just, I've been
cooped up in Cambridge all year.

279
00:18:09,038 —> 00:18:11,958
It'd be nice to

connect with real folks

280
00:18:11,999 —> 00:18:14,293
whose circumstances
could be so much better

281
00:18:14,335 —> 00:18:17,880
if they only knew how
much power they would have

282
00:18:17,922 —> 00:18:19,549
if they lobbied together.

283
00:18:19,590 —> 00:18:22,426
And no one ever
wants to tell them that.

284
00:18:27,723 —> 00:18:31,644
Well, good luck with
that, Half-Black Superman.

285
00:18:31,686 —> 00:18:34,772
Um, I will see you

286

00:18:34,814 —> 00:18:37,859

bright and early

tomorrow morning, 7:45.

287

00:18:39,193 —> 00:18:40,278

Get outta here.

288

00:18:41,821 —> 00:18:43,823

You're the best boss in Chicago.

289

00:18:52,748 —> 00:18:56,544

You can have

influence in this city.

290

00:18:56,586 —> 00:18:58,588

You can make change.

291

00:19:00,298 —> 00:19:03,467

But it means listening

to your neighbor,

292

00:19:03,509 —> 00:19:05,511
trusting your neighbor.

293
00:19:06,470 —> 00:19:09,765
It means joining this coalition.

294
00:19:13,186 —> 00:19:14,103
Hey.

295
00:19:14,604 —> 00:19:16,314
Hi. Sorry.

296
00:19:16,355 —> 00:19:18,274
- Glad you could make it.
- Yeah.

297
00:19:18,983 —> 00:19:20,109
Hello, everyone.

298
00:19:20,151 —> 00:19:21,402
- Hello.
- Hi.

299

00:19:21,444 —> 00:19:22,820

- How are you?

- Who is she?

300

00:19:23,571 —> 00:19:25,114

Uh, it's my boss.

301

00:19:25,156 —> 00:19:27,700

That's what they're

calling it these days?

302

00:19:27,742 —> 00:19:29,368

[all chuckle]

303

00:19:31,037 —> 00:19:33,414

Out of my league

is what they call it.

304

00:19:33,456 —> 00:19:35,541

[all laugh]

305

00:19:37,210 —> 00:19:39,670

[Barack] I know
what you're thinking.

306
00:19:39,712 —> 00:19:42,798
"Who are these
kids coming in here,

307
00:19:42,840 —> 00:19:45,259
telling us what we want?

308
00:19:45,301 —> 00:19:47,303
With their big old
ears. Forget 'em."

309
00:19:47,345 —> 00:19:48,387
[all laugh]

310
00:19:50,640 —> 00:19:55,686
But trust me, these
kids have heard you.

311
00:19:55,728 —> 00:19:59,106
We know you spend

your days on the phone

312
00:19:59,148 —> 00:20:01,442
fighting with these
big corporations.

313
00:20:01,484 —> 00:20:03,236
Asking them for medical care

314
00:20:03,277 —> 00:20:06,239
that should not be a
privilege, but a right.

315
00:20:06,280 —> 00:20:08,699
You shouldn't have
to fight to be healthy.

316
00:20:08,741 —> 00:20:11,661
And we can change
that. Together.

317
00:20:11,702 —> 00:20:14,872
And not take no for

an answer because...

318

00:20:14,914 —> 00:20:17,333

do we wanna settle

for the world as it is,

319

00:20:17,375 —> 00:20:21,379

or do we fight for the

world as it should be?

320

00:20:21,420 —> 00:20:23,422

- [attendee] Yeah!

- [all applauding]

321

00:20:23,464 —> 00:20:25,424

dramatic music

322

00:20:46,654 —> 00:20:49,532

- [bell tolling]

- [birds chirping]

323

00:20:51,450 —> 00:20:53,494

[chattering in French]

324

00:21:13,306 —> 00:21:14,598

Ah.

325

00:21:15,599 —> 00:21:17,476

[in French]

326

00:21:19,145 —> 00:21:20,187

Jane.

327

00:21:36,037 —> 00:21:37,747

[Madame Souvestre]

Eloise. Elizabeth.

328

00:21:41,000 —> 00:21:42,793

[in English] That is

Madame Souvestre.

329

00:21:42,835 —> 00:21:46,339

She's the most interesting

person you will ever meet.

330

00:21:46,380 —> 00:21:48,841
I thought we were only
supposed to speak French.

331
00:21:48,883 —> 00:21:52,136
Yes, but you don't
speak French very well.

332
00:21:52,178 —> 00:21:53,679
What makes you say that?

333
00:21:53,721 —> 00:21:55,848
You didn't say
anything that whole time.

334
00:21:55,890 —> 00:21:59,435
So, either you struggle
with French or you're shy.

335
00:21:59,477 —> 00:22:00,811
[in French]

336
00:22:05,191 —> 00:22:07,735

[in English] If Madame Souvestre
thinks we'll be fast friends,

337
00:22:07,777 —> 00:22:10,988
then so we shall.
She's always right.

338
00:22:12,948 —> 00:22:13,908
Come.

339
00:22:13,949 —> 00:22:16,035
[Eleanor in French]

340
00:22:37,598 —> 00:22:38,724
Jane?

341
00:23:07,503 —> 00:23:09,004
[in English] I'm sure beauty

342
00:23:09,046 —> 00:23:10,798
is what gives your
life meaning, Abigail.

343

00:23:10,840 —> 00:23:13,300

But not all of us

have what you have.

344

00:23:13,342 —> 00:23:14,969

[students murmuring]

345

00:23:17,346 —> 00:23:22,685

Abigail is a young woman

with a keen intellect.

346

00:23:22,726 —> 00:23:26,480

- Just like you are, Eleanor.

- Yes.

347

00:23:26,522 —> 00:23:29,191

But I am not

beautiful like Abigail.

348

00:23:29,233 —> 00:23:30,651

According to whom?

349

00:23:31,610 —> 00:23:32,778
My mother.

350
00:23:37,575 —> 00:23:40,494
And was she an
expert on the subject?

351
00:23:44,331 —> 00:23:48,210
She was disappointed and
ashamed to have such a plain child.

352
00:23:50,296 —> 00:23:54,967
It sounds like your mother
may have been the plain one.

353
00:23:57,845 —> 00:24:02,433
Ladies. Can we agree
that the idea of beauty

354
00:24:02,475 —> 00:24:07,521
is far more complex than the
way someone's face is arranged?

355

00:24:07,563 —> 00:24:12,401
The color of her eyes,
her hair, her smile.

356
00:24:12,443 —> 00:24:16,113
These things may make
an initial impression,

357
00:24:16,155 —> 00:24:19,950
but it is when we
cultivate our mind

358
00:24:19,992 —> 00:24:23,329
that our true
beauty is revealed.

359
00:24:24,371 —> 00:24:27,166
The very act of
thinking, questioning,

360
00:24:28,167 —> 00:24:31,462
learning, being curious—

361

00:24:31,504 —> 00:24:36,175
that is where our
true beauty exists.

362
00:24:37,218 —> 00:24:40,179
pensive music

363
00:24:43,224 —> 00:24:46,519
- No, I don't believe it.
- It's true, I swear.

364
00:24:46,560 —> 00:24:49,021
I was sent here because he
was sick with embarrassment.

365
00:24:50,397 —> 00:24:53,317
[Jane] Describe exactly what
you saw when you opened the door.

366
00:24:53,359 —> 00:24:56,612
And say it slowly so
we can all picture it.

367

00:24:56,654 —> 00:24:59,657
Well, I was in my room
and it was quite late.

368
00:24:59,698 —> 00:25:01,450
And I heard Mama
moaning in pain.

369
00:25:01,492 —> 00:25:03,911
I thought she was ill. Or worse.

370
00:25:03,953 —> 00:25:04,995
[giggling]

371
00:25:06,288 —> 00:25:09,041
[whispers] I walked upstairs...

372
00:25:10,084 —> 00:25:12,044
And I listened
right by the door.

373
00:25:12,086 —> 00:25:15,214
She was crying, and

father was making a noise,

374
00:25:15,256 —> 00:25:18,175
- almost like a farm animal.
- [all gasping, laughing]

375
00:25:18,217 —> 00:25:19,843
[Emma] So, I pried the door open

376
00:25:19,885 —> 00:25:23,138
and I saw them on
the bed, stark naked.

377
00:25:23,180 —> 00:25:25,474
- [Jane] What?
- Father was on top of Mama.

378
00:25:25,516 —> 00:25:28,102
And it seemed like he might
crush her with his weight.

379
00:25:28,143 —> 00:25:31,105
And then he suddenly cried out.

380

00:25:31,146 —> 00:25:33,774

- [moans loudly]

- [all shushing]

381

00:25:33,816 —> 00:25:35,401

[whispers] What?

382

00:25:35,442 —> 00:25:38,404

So I shrieked. And

that's how they saw me.

383

00:25:40,531 —> 00:25:42,908

- That sounds so frightening.

- [Jane] Yes.

384

00:25:42,950 —> 00:25:45,411

But it can't be like that

for every woman, though.

385

00:25:45,452 —> 00:25:47,746

Perhaps Emma's

father is a cruel sort.

386

00:25:47,788 —> 00:25:50,249

Well, I'd like to ask

Madame Souvestre,

387

00:25:50,291 —> 00:25:51,834

to get a definitive answer.

388

00:25:52,793 —> 00:25:55,254

- She wouldn't know.

- Why not?

389

00:25:55,296 —> 00:25:57,673

I'm quite sure

she is a sapphist.

390

00:26:04,972 —> 00:26:06,640

[whispers] What does that mean?

391

00:26:06,682 —> 00:26:09,351

She only has relations

with other women.

392

00:26:10,644 —> 00:26:12,479

[Jane] At least a woman

wouldn't weigh so much.

393

00:26:12,521 —> 00:26:14,565

[all giggling]

394

00:26:22,448 —> 00:26:26,493

[upbeat piano music

playing on speakers]

395

00:26:29,872 —> 00:26:34,335

Graceful. Graceful.

Great. Better, better.

396

00:26:34,376 —> 00:26:37,046

All right. That's beautiful.

397

00:26:37,087 —> 00:26:39,465

Remember, we—

Everyone in the store,

398

00:26:39,506 —> 00:26:42,009
they want to be us. Or
they want to marry us.

399
00:26:42,051 —> 00:26:46,013
Great job. Great job. All
right. Let's do it one more time.

400
00:26:46,055 —> 00:26:47,514
[knocking]

401
00:26:49,141 —> 00:26:50,643
Burning the
midnight oil, Howard?

402
00:26:51,810 —> 00:26:53,646
I still haven't heard
on the buyer job, Betty.

403
00:26:56,357 —> 00:26:58,734
Well, sales the last two months
have been the highest ever.

404

00:26:58,776 —> 00:27:01,153
And they've only been going
up since I started working

405
00:27:01,195 —> 00:27:02,738
- with the girls.
- Betty.

406
00:27:02,780 —> 00:27:04,823
I couldn't have sung
your praises any louder.

407
00:27:04,865 —> 00:27:08,494
I'm sure the job is yours.
I'll let you know when I know.

408
00:27:09,244 —> 00:27:10,329
Okay.

409
00:27:11,538 —> 00:27:12,623
Good night.

410
00:27:16,126 —> 00:27:18,420

[Betty] We both know that
this marriage isn't working.

411
00:27:20,964 —> 00:27:22,883
[Bill chuckles]

412
00:27:22,925 —> 00:27:24,677
A petition for divorce?

413
00:27:25,803 —> 00:27:27,638
And all you have to do is sign.

414
00:27:31,975 —> 00:27:34,728
You know I'm not
paying you a red cent.

415
00:27:35,854 —> 00:27:38,357
I wouldn't dream
of asking you to.

416
00:27:38,399 —> 00:27:41,694
Now, who do you think is
gonna want a divorced woman?

417

00:27:41,735 —> 00:27:44,071

You're gonna end up alone.

418

00:27:47,908 —> 00:27:49,785

Well, that's a chance

I'll have to take.

419

00:27:49,827 —> 00:27:52,705

dramatic music

420

00:28:02,172 —> 00:28:06,135

I, uh— I wouldn't have

taken you for a cone guy.

421

00:28:06,176 —> 00:28:09,263

Always. They're better

for the environment.

422

00:28:09,304 —> 00:28:11,640

- And you know what else?

- What?

423

00:28:11,682 —> 00:28:16,520

It's a container you can

eat! How great is that?

424

00:28:18,063 —> 00:28:21,275

You're such a giant

geek. You know that, right?

425

00:28:21,316 —> 00:28:23,318

Yeah, I'm fully aware.

426

00:28:27,322 —> 00:28:31,076

Uh, I'm really glad you

came the other night.

427

00:28:31,118 —> 00:28:33,120

Mmm, me too.

428

00:28:34,121 —> 00:28:36,081

You were great up there.

429

00:28:37,541 —> 00:28:40,919

You really, um—

Believe in all of it?

430

00:28:41,545 —> 00:28:42,755

Politics?

431

00:28:45,257 —> 00:28:48,510

So much in our

lives is political.

432

00:28:48,552 —> 00:28:52,431

Education, health, employment.

433

00:28:52,473 —> 00:28:54,600

This park. Everything.

434

00:28:54,641 —> 00:28:57,227

Is your ice cream political?

435

00:28:57,269 —> 00:28:59,646

Does your environmentally

friendly cone

436

00:28:59,688 —> 00:29:02,941

make you a liberal and

my cup a conservative?

437

00:29:02,983 —> 00:29:04,818

Hey, you said it.

438

00:29:04,860 —> 00:29:07,279

[scoffs] Oh, fool, please.

439

00:29:09,364 —> 00:29:12,242

I don't know. Politics

is just not for me.

440

00:29:13,035 —> 00:29:15,078

And public speaking?

441

00:29:15,120 —> 00:29:17,664

You know, I flunked my

last exam in high school

442

00:29:17,706 —> 00:29:19,792

so I didn't have to give
the valedictory speech.

443
00:29:19,833 —> 00:29:21,543
- Come on.
- No, seriously.

444
00:29:22,336 —> 00:29:24,379
The performance of it, ah...

445
00:29:28,550 —> 00:29:30,427
So, um...

446
00:29:31,720 —> 00:29:36,225
one of those ladies asked
if, uh, you were my girl.

447
00:29:37,226 —> 00:29:39,186
I'm nobody's girl.

448
00:29:40,229 —> 00:29:41,188
Woman.

449

00:29:42,940 —> 00:29:44,566

You're ridiculous.

450

00:29:44,608 —> 00:29:46,652

You are incandescent.

451

00:29:49,863 —> 00:29:51,198

I want to see you more.

452

00:29:54,701 —> 00:29:55,744

Hmm.

453

00:29:55,786 —> 00:29:57,830

[thunder rumbling]

454

00:29:59,206 —> 00:30:01,500

Oh, look. It's gonna

rain. Don't you love it?

455

00:30:02,042 —> 00:30:03,752

Uh, no.

456

00:30:03,794 —> 00:30:06,421

What, is that what those

Harvard white girls do?

457

00:30:06,463 —> 00:30:08,674

You know, this

hair, rain, it don't mix.

458

00:30:08,715 —> 00:30:10,217

I'm parked right over there.

459

00:30:12,344 —> 00:30:14,596

- Come on. Hurry.

- [Michelle squeals]

460

00:30:14,638 —> 00:30:16,640

[Barack] All right. Hurry.

I got the door. Hold on.

461

00:30:16,682 —> 00:30:19,434

- Oh! Go, go, go, go, go!

- All right. You got it? Get in.

462

00:30:19,476 —> 00:30:21,687

Whoo! [laughs]

463

00:30:23,230 —> 00:30:25,023

God, I'm soaked.

464

00:30:26,567 —> 00:30:28,277

[sighs] Oh, God.

465

00:30:28,318 —> 00:30:29,903

[both laughing]

466

00:30:34,533 —> 00:30:37,202

I didn't know you were

driving Fred Flintstone's car.

467

00:30:37,244 —> 00:30:39,538

Doesn't that scare

the shit out of you?

468

00:30:39,580 —> 00:30:43,709

Nah, it keeps me grounded.

I can literally see the ground.

469

00:30:43,750 —> 00:30:47,045

Oh, really? What, you

give that line to all the girls?

470

00:30:47,087 —> 00:30:51,008

Yeah, I get so many

girls in this beat-up thing

471

00:30:51,049 —> 00:30:52,926

- that they're just lining up.

- [laughing]

472

00:30:52,968 —> 00:30:54,261

Believe me.

473

00:30:58,765 —> 00:31:03,061

So, uh, what's your end goal?

474

00:31:04,771 —> 00:31:06,732

Making partner?

475

00:31:06,773 —> 00:31:09,318

Uh, opening up

your own practice?

476

00:31:09,359 —> 00:31:11,486

Get a car with a floor?

477

00:31:11,528 —> 00:31:15,657

- [both chuckle]

- Uh, end goal? Um...

478

00:31:15,699 —> 00:31:17,576

Yeah. What kind of—

479

00:31:19,119 —> 00:31:21,163

sentimental music

480

00:31:53,320 —> 00:31:54,988

Well, uh... Whoo.

481

00:32:34,152 —> 00:32:38,156

Yes, hello. Is Mr. Ford

available by any chance?

482

00:32:38,198 —> 00:32:40,492

This is... This is Betty.

483

00:32:40,534 —> 00:32:43,078

[secretary] I'm sorry,

ma'am. He's gone for the day.

484

00:32:48,834 —> 00:32:51,712

["On the Sunny Side

of the Street" playing]

485

00:32:53,171 —> 00:32:57,467

Grab your coat and get your hat

486

00:32:57,509 —> 00:33:02,097

Leave your worry on the doorstep

487

00:33:02,139 —> 00:33:06,059

Just direct your feet

488

00:33:06,101 —> 00:33:10,605
To the sunny side of the street

489
00:33:10,647 —> 00:33:14,860
Can't you hear a pitter-pat?

490
00:33:14,901 —> 00:33:17,571
And that happy
tune is your step...

491
00:33:17,612 —> 00:33:20,282
Hi. This is Betty Bloomer
calling for Mr. Ford.

492
00:33:20,323 —> 00:33:21,908
Just one minute.

493
00:33:24,369 —> 00:33:26,038
[phone rings]

494
00:33:26,997 —> 00:33:28,165
This is Jerry.

495

00:33:28,206 —> 00:33:30,208

Hi. Hi. This is Betty.

496

00:33:30,250 —> 00:33:31,835

Is— Is now a good time?

497

00:33:31,877 —> 00:33:33,795

Hey, Betty. I'm actually

kinda swamped right now.

498

00:33:33,837 —> 00:33:35,255

Can I call you

back in a little bit?

499

00:33:36,757 —> 00:33:39,384

Yes. Yes, of course.

Of course, that's fine.

500

00:33:39,426 —> 00:33:41,553

Well, great. Talk to you soon.

501

00:33:44,264 —> 00:33:49,144

I used to walk in the shade

502
00:33:49,186 —> 00:33:53,690
With those blues on parade

503
00:33:53,732 —> 00:33:57,319
Well, since you asked
me, this one is my favorite.

504
00:33:57,360 —> 00:33:59,196
Have you seen
these cluster pearls?

505
00:33:59,237 —> 00:34:01,198
Yes, I have. Have
you seen these?

506
00:34:03,784 —> 00:34:06,036
[secretary] Hello. Ford
and Buchen Law Office.

507
00:34:06,078 —> 00:34:10,165
Hi, yeah, uh, is Mr. Ford

there? It's Betty Bloomer.

508

00:34:10,207 —> 00:34:12,459

I'm sorry. He's not here.

509

00:34:12,501 —> 00:34:15,212

- Are you sure?

- Yes, I'm sure.

510

00:34:18,757 —> 00:34:21,343

- Hey. I got it!

- Wow!

511

00:34:21,384 —> 00:34:23,720

- [Eugene] I can't believe it!

- Congratulations, Eugene.

512

00:34:23,762 —> 00:34:25,639

- [Eugene] Thank you. Thank you.

- Wow!

513

00:34:28,809 —> 00:34:30,393

Eugene got the

buyers job, Howard?

514

00:34:30,435 —> 00:34:32,854

Give me a second, Marty.

515

00:34:32,896 —> 00:34:34,689

Betty, this came from

way above my head.

516

00:34:34,731 —> 00:34:37,317

You couldn't have sung

my praises any louder?

517

00:34:37,359 —> 00:34:39,861

- Was that even true?

- Yeah. Mostly.

518

00:34:39,903 —> 00:34:41,571

Mostly?

519

00:34:41,613 —> 00:34:45,075

Ah... Marty. Yeah, I'm

gonna have to call you back.

520

00:34:45,117 —> 00:34:47,119

[sighs] Look.

521

00:34:47,160 —> 00:34:49,287

You're a young woman.

522

00:34:49,329 —> 00:34:52,874

The second I give you this

job, you start having kids.

523

00:34:52,916 —> 00:34:55,919

Taking weekends and months off.

524

00:34:55,961 —> 00:34:58,130

Then we realize we

probably should have hired

525

00:34:58,171 —> 00:34:59,631

someone else in the first place.

526

00:35:01,967 —> 00:35:04,261

Well, I could have
done this job pregnant

527
00:35:04,302 —> 00:35:07,597
since you're doing it sitting
on that fat ass of yours.

528
00:35:08,390 —> 00:35:09,474
[Howard scoffs]

529
00:35:15,188 —> 00:35:17,023
[Betty] Not only did
I make the mistake

530
00:35:17,065 —> 00:35:18,608
of listening to your advice,

531
00:35:18,650 —> 00:35:20,527
I stupidly believed you

532
00:35:20,569 —> 00:35:23,113
when you said you were
going to be there for me.

533

00:35:23,155 —> 00:35:25,949

I'm guessing you only said

those things for one reason.

534

00:35:29,494 —> 00:35:31,204

Well, congratulations.

535

00:35:31,246 —> 00:35:34,249

You're like every

other man out there.

536

00:35:34,291 —> 00:35:38,128

I hope you're pleased

with yourself, Mr. Jerry...

537

00:35:40,797 —> 00:35:43,466

"Thinks he's God's gift" Ford.

538

00:35:47,971 —> 00:35:50,015

- Yes.

- And when the new collections

539

00:35:50,056 —> 00:35:52,851

are gonna start, then

we have to get ready.

540

00:35:52,893 —> 00:35:54,686

[chattering]

541

00:35:54,728 —> 00:35:56,855

[Betty] Okay, so I

think we should get here

542

00:35:56,897 —> 00:36:00,066

at 6:00 a.m. tomorrow,

and then will you lock up?

543

00:36:00,108 —> 00:36:02,694

- All right. Good night, guys.

- Good night, Betty!

544

00:36:04,571 —> 00:36:05,488

Betty.

545

00:36:06,823 —> 00:36:09,784

I... I received your letter.

546

00:36:13,371 —> 00:36:14,539

So, I...

547

00:36:15,707 —> 00:36:18,126

I just— I wanted to tell

you how sorry I was.

548

00:36:23,131 —> 00:36:26,551

I tried calling you.

Where were you?

549

00:36:27,719 —> 00:36:30,055

Sometimes with work,

I just get so focused

550

00:36:30,096 —> 00:36:32,349

and days go by, you know?

551

00:36:32,390 —> 00:36:36,603

I... In this case, it

was too many days.

552

00:36:37,896 —> 00:36:39,064

I'm sorry.

553

00:36:40,690 —> 00:36:42,025

Look, I...

554

00:36:43,693 —> 00:36:46,071

Look, I've never met

a woman like you.

555

00:36:48,531 —> 00:36:50,075

Okay? I don't wanna lose you.

556

00:36:51,243 —> 00:36:53,036

Will you give me

another chance, Betty?

557

00:36:54,204 —> 00:36:55,914

Just give me one more shot.

558

00:37:01,670 —> 00:37:02,754

Maybe.

559

00:37:05,090 —> 00:37:06,549

You have to call me.

560

00:37:07,342 —> 00:37:08,760

Yeah, I will.

561

00:37:10,387 —> 00:37:12,347

I'll call you every

night if you let me.

562

00:37:14,224 —> 00:37:15,600

Every afternoon too.

563

00:37:19,187 —> 00:37:20,522

I'm gonna go call you right now.

564

00:37:20,563 —> 00:37:22,857

"Beguin The Beguine" playing

565

00:37:24,150 —> 00:37:26,278
[phone rings]

566
00:37:29,239 —> 00:37:30,824
[clears throat] Hello.

567
00:37:30,865 —> 00:37:33,118
Yes, hello. May I
please speak with Betty?

568
00:37:36,329 —> 00:37:38,248
That depends. Who's calling?

569
00:37:38,290 —> 00:37:40,292
This is her future husband.

570
00:37:42,627 —> 00:37:44,504
Um, I'm sorry.

571
00:37:44,546 —> 00:37:47,132
Betty is unavailable
at the moment.

572

00:37:54,597 —> 00:37:57,559

So what do you want to do today?

Go to the park or get married?

573

00:37:57,600 —> 00:37:59,185

I'm kinda on the fence.

574

00:38:00,603 —> 00:38:02,063

Definitely the park.

575

00:38:02,981 —> 00:38:04,107

You sure?

576

00:38:06,609 —> 00:38:09,821

Have fun at work.

Talk to you later.

577

00:38:22,125 —> 00:38:24,669

[music continues on radio]

578

00:38:27,839 —> 00:38:29,174

[knocking on door]

579

00:38:29,215 —> 00:38:30,675

- [door opens]

- Hello?

580

00:38:32,427 —> 00:38:34,679

- Betty?

- Jerry?

581

00:38:38,016 —> 00:38:39,184

I'm in here.

582

00:38:42,937 —> 00:38:45,148

Hi. Are those for me?

583

00:38:45,190 —> 00:38:46,232

Maybe.

584

00:38:49,861 —> 00:38:51,529

Could I convince

you to come join me?

585

00:38:53,365 —> 00:38:57,035
I don't know. Men
don't take baths, Betty.

586
00:38:59,412 —> 00:39:00,955
Too bad for men.

587
00:39:08,171 —> 00:39:10,715
- You're not gonna fit.
-T oo late. Hey, I'm getting in.

588
00:39:10,757 —> 00:39:12,550
[squealing, laughing]

589
00:39:14,010 —> 00:39:15,136
What a mess!

590
00:39:16,096 —> 00:39:17,847
Hey, you invited me.

591
00:39:24,104 —> 00:39:27,190
So, you know that question
that you've been asking me.

592

00:39:28,400 —> 00:39:30,235

The one about getting married?

593

00:39:32,946 —> 00:39:34,030

Yeah.

594

00:39:37,700 —> 00:39:41,037

I'd love to become

your wife, Jerry Ford.

595

00:39:44,165 —> 00:39:45,458

Yeah?

596

00:39:54,426 —> 00:39:56,469

"Begin the Beguine" playing

597

00:40:11,276 —> 00:40:15,280

[Fraser] Now, honey,

there's no use fussing.

598

00:40:17,574 —> 00:40:19,367

Daddy, this is ridiculous.

599
00:40:19,409 —> 00:40:21,119
We've been here
for over three hours,

600
00:40:21,161 —> 00:40:23,913
and I've seen people get
called in who got here after us.

601
00:40:23,955 —> 00:40:25,707
Welcome to hospitals.

602
00:40:25,748 —> 00:40:27,542
[Fraser chuckles weakly]

603
00:40:27,584 —> 00:40:29,294
I'm going to see
what's going on.

604
00:40:32,464 —> 00:40:35,467
Excuse me, you see
my father over there?

605
00:40:35,508 —> 00:40:38,636
He's clearly in a lot of pain
and this is an emergency room.

606
00:40:38,678 —> 00:40:40,555
And I'm wondering why
there's no sense of urgency

607
00:40:40,597 —> 00:40:42,474
in getting him treated
as quickly as possible?

608
00:40:42,515 —> 00:40:44,559
As you can see, a lot of
people are in the same boat.

609
00:40:44,601 —> 00:40:46,394
He'll be seen when his
name is called. Be patient.

610
00:40:46,436 —> 00:40:49,856
Okay, look. I understand

how waiting rooms work.

611
00:40:49,898 —> 00:40:52,442
What I don't get is why
folks who got here after us

612
00:40:52,484 —> 00:40:54,319
are getting seen before him.

613
00:40:55,069 —> 00:40:56,404
Depends on your insurance.

614
00:40:58,239 —> 00:40:59,657
Fucking HMO.

615
00:41:00,783 —> 00:41:04,704
Okay. Okay. Fine.

616
00:41:04,746 —> 00:41:07,582
How much will it cost to
get my dad seen right now?

617

00:41:07,624 —> 00:41:10,126
Give me a number. I
may not look like it to you,

618
00:41:10,168 —> 00:41:12,086
but I actually make
a lot of money.

619
00:41:12,128 —> 00:41:14,339
That's not how it works.

620
00:41:14,380 —> 00:41:16,508
[Fraser] It's all right,
sweetie. I can wait.

621
00:41:16,549 —> 00:41:20,512
[breathing heavily]
Come sit next to your dad.

622
00:41:31,689 —> 00:41:35,026
[sirens wailing in distance]

623
00:41:50,083 —> 00:41:51,125

Hey.

624

00:41:53,586 —> 00:41:58,424

Chicken Parmesan from

Spiaggia for... milady.

625

00:41:58,466 —> 00:42:00,426

Thank you.

626

00:42:03,304 —> 00:42:04,389

What's wrong, baby?

627

00:42:08,643 —> 00:42:10,603

It's my dad.

628

00:42:10,645 —> 00:42:14,274

They, uh, want to keep

him in the hospital longer.

629

00:42:14,315 —> 00:42:17,819

Oh, Mich... Oh, I'm sorry.

630

00:42:17,860 —> 00:42:22,740
[sighs] I just... Ugh, I can't.

631
00:42:22,782 —> 00:42:25,743
Shit. I just didn't
really think anything

632
00:42:25,785 —> 00:42:27,412
could ever stop my
daddy, you know?

633
00:42:28,371 —> 00:42:31,374
[sighs] I'm sorry.

634
00:42:31,416 —> 00:42:33,418
Yeah, I don't
know what we'll do.

635
00:42:36,296 —> 00:42:38,089
He's a remarkable man,

636
00:42:38,131 —> 00:42:42,760
and he raised a brave,

remarkable daughter.

637
00:42:44,095 —> 00:42:46,264
Well, he doesn't think
you're half bad either.

638
00:42:51,644 —> 00:42:53,521
Yeah, I don't think
I'm really brave enough

639
00:42:53,563 —> 00:42:56,608
to see him like this, you know?

640
00:42:57,483 —> 00:42:59,485
[sighs]

641
00:42:59,527 —> 00:43:02,989
You are the hardest-loving
person I know.

642
00:43:03,031 —> 00:43:05,033
I mean, that's why I, uh...

643

00:43:05,074 —> 00:43:08,828

I know that you're... the one.

644

00:43:15,877 —> 00:43:20,089

You mean... the one?

645

00:43:20,131 —> 00:43:22,508

Yeah, I'm sorry. I didn't

mean to make it about that.

646

00:43:22,550 —> 00:43:23,635

But that's, uh...

647

00:43:25,136 —> 00:43:27,096

that's just how I feel, though.

648

00:43:35,480 —> 00:43:36,522

Me too.

649

00:43:43,196 —> 00:43:46,199

[sirens wailing in distance]

650

00:43:49,160 —> 00:43:52,163

[ventilator whirring]

651

00:44:03,758 —> 00:44:05,343

[hooves clopping]

652

00:44:06,552 —> 00:44:09,514

[butler] The president

shall be with you shortly.

653

00:44:15,478 —> 00:44:17,730

- Uncle Teddy.

- There she is.

654

00:44:17,772 —> 00:44:20,900

Ah. Let me take a look at you.

655

00:44:22,694 —> 00:44:25,905

[chuckles] Why,

you're all grown up, Nel!

656

00:44:25,947 —> 00:44:28,116

[both laughing]

657
00:44:28,157 —> 00:44:29,784
Only you call me that.

658
00:44:29,826 —> 00:44:31,077
Please.

659
00:44:34,122 —> 00:44:35,665
- Thank you.
- Thank you.

660
00:44:39,127 —> 00:44:42,338
I was ordered home
by Grandmother

661
00:44:42,380 —> 00:44:45,383
to attend this inane
coming out party.

662
00:44:45,425 —> 00:44:48,219
- Ah, yes, your debut.
- Yes.

663

00:44:48,261 —> 00:44:51,806

My education was cruelly

cut short for a dance.

664

00:44:53,850 —> 00:44:55,893

I read that you dined

with Booker T. Washington.

665

00:44:55,935 —> 00:44:57,478

Mm-hmm.

666

00:44:57,520 —> 00:44:59,480

What was it like to have

dinner with such a man?

667

00:44:59,522 —> 00:45:01,733

It was just like dining

with anyone else.

668

00:45:02,817 —> 00:45:04,861

- Ah. Thank you.

- [Theodore] Thank you.

669

00:45:06,779 —> 00:45:09,866

So, Nel, what do you plan to do

670

00:45:09,907 —> 00:45:13,494

with this fine partial

education you've received?

671

00:45:13,536 —> 00:45:16,122

Help those who

are less fortunate.

672

00:45:16,164 —> 00:45:17,832

Those who don't have the luxury

673

00:45:17,874 —> 00:45:20,042

of Allenswood to

introduce them to the world.

674

00:45:20,084 —> 00:45:23,421

Seems this Madame Souvestre

has made quite the impression.

675

00:45:23,463 —> 00:45:26,257

Oh. Yes.

676

00:45:26,299 —> 00:45:29,552

And to answer your question,

677

00:45:29,594 —> 00:45:31,763

what I plan to do is teach,

678

00:45:31,804 —> 00:45:33,806

and what I plan not to do

679

00:45:33,848 —> 00:45:36,225

is participate in

this absurd ritual

680

00:45:36,267 —> 00:45:37,935

of putting on a frilly dress

681

00:45:37,977 —> 00:45:41,314

to try to attract a

suitable husband.

682

00:45:41,355 —> 00:45:45,193

So, you'll become a brilliant,

accomplished spinster.

683

00:45:45,234 —> 00:45:46,694

No children, no family.

684

00:45:46,736 —> 00:45:48,446

Madame Souvestre

doesn't have a husband,

685

00:45:48,488 —> 00:45:50,114

and look what she

has accomplished.

686

00:45:50,156 —> 00:45:51,282

Hmm.

687

00:45:54,744 —> 00:45:57,997

Life is about relationships.

688

00:46:00,249 —> 00:46:02,710
Not just romantic ones,
but all sorts of alliances

689
00:46:02,752 —> 00:46:04,462
that can help us along the way.

690
00:46:06,547 —> 00:46:08,800
You never know who you may meet

691
00:46:08,841 —> 00:46:11,135
at even the
dreariest of functions.

692
00:46:12,428 —> 00:46:15,932
So I say put on
the dress and go.

693
00:46:19,519 —> 00:46:21,979
- Is that your advice?
- Mmm.

694
00:46:27,109 —> 00:46:31,447

At the very least, it'll give
you something to write about.

695
00:46:31,489 —> 00:46:34,826
Your letters show great promise.

696
00:46:38,746 —> 00:46:40,790
[orchestra playing
classical music]

697
00:46:40,832 —> 00:46:42,875
[guests chattering, laughing]

698
00:46:51,217 —> 00:46:53,135
- Luke. Good to see you.
- Oh, hello.

699
00:46:53,761 —> 00:46:54,846
Eleanor.

700
00:46:55,888 —> 00:46:56,764
One second.

701

00:46:58,850 —> 00:47:00,017

Franklin.

702

00:47:01,477 —> 00:47:02,812

Roosevelt.

703

00:47:02,854 —> 00:47:04,522

Ah!

704

00:47:07,859 —> 00:47:09,694

Wait. [laughs]

705

00:47:09,735 —> 00:47:11,988

You were the terrible cousin

706

00:47:12,029 —> 00:47:14,615

who used to carry me

around when I was little,

707

00:47:14,657 —> 00:47:17,285

and I didn't— I didn't like it.

708

00:47:18,369 —> 00:47:21,289

- Terrible fifth cousin.

- Yes.

709

00:47:22,623 —> 00:47:24,000

You don't like dancing?

710

00:47:24,041 —> 00:47:26,752

Oh, I don't like

mindless rituals

711

00:47:26,794 —> 00:47:28,379

that force a girl

to be at the whims

712

00:47:28,421 —> 00:47:30,214

of young men she barely knows.

713

00:47:30,256 —> 00:47:32,633

Oh, I'm sure you know

more people than you think.

714

00:47:32,675 —> 00:47:36,971
Well, I've been studying
abroad for three years.

715
00:47:37,013 —> 00:47:38,055
I see.

716
00:47:39,432 —> 00:47:41,350
Why did you come, then?

717
00:47:43,311 —> 00:47:45,062
My uncle thought I should.

718
00:47:45,104 —> 00:47:48,900
Your uncle...
Theodore, the president?

719
00:47:49,734 —> 00:47:50,860
Yes.

720
00:47:51,819 —> 00:47:54,322
Hmm. Sorry, I didn't realize

721

00:47:54,363 —> 00:47:57,366

he had time to weigh

in on such matters.

722

00:47:57,408 —> 00:48:00,786

Oh, the president chooses

his time very carefully.

723

00:48:00,828 —> 00:48:02,038

[laughs]

724

00:48:04,832 —> 00:48:06,375

What have you got so far?

725

00:48:07,543 —> 00:48:09,629

Oh.

726

00:48:09,670 —> 00:48:12,673

I don't let anyone read

my work until it's finished.

727

00:48:12,715 —> 00:48:16,135

Hmm. You know, I
dabble a bit myself.

728
00:48:16,177 —> 00:48:18,179
I write for The
Harvard Crimson.

729
00:48:18,220 —> 00:48:20,598
Oh! What do you cover?

730
00:48:21,432 —> 00:48:23,142
Whatever they'll print.

731
00:48:23,184 —> 00:48:26,395
In fact, one time, I
covered your uncle Teddy.

732
00:48:26,437 —> 00:48:30,942
I'm told I may even have a
shot at editor next year, so...

733
00:48:30,983 —> 00:48:33,778
Franklin, come on,

the party's upstairs.

734
00:48:35,988 —> 00:48:36,906
So...

735
00:48:38,616 —> 00:48:40,618
[in French]

736
00:48:51,796 —> 00:48:54,966
We both know I'm too
plain for you, Franklin.

737
00:48:57,259 —> 00:48:58,594
On the contrary.

738
00:48:59,887 —> 00:49:03,808
I think it's quite clear you
are the opposite of plain.

739
00:49:03,849 —> 00:49:06,560
In fact, I'm certain you
are the least plain person

740

00:49:06,602 —> 00:49:08,896

at this entire event.

741

00:49:10,231 —> 00:49:13,943

Maybe the least plain

person that I have ever met.

742

00:49:17,613 —> 00:49:19,949

The only worry I have

743

00:49:19,991 —> 00:49:22,743

is that I may be

too plain for you.

744

00:49:25,371 —> 00:49:28,749

So, what do you say?

745

00:49:29,250 —> 00:49:30,626

One dance.

746

00:49:36,215 —> 00:49:37,425

No, thank you.

747

00:49:43,681 —> 00:49:44,724

Okay.

748

00:49:46,809 —> 00:49:49,311

[classical music continues]

749

00:50:16,505 —> 00:50:18,507

[Barack] I may

need a few minutes.

750

00:50:18,549 —> 00:50:20,634

Uh, that mac and

cheese was the truth.

751

00:50:20,676 —> 00:50:25,514

Ah. Well, wait till

you try the pie. Pecan.

752

00:50:25,556 —> 00:50:26,849

My dad's favorite.

753

00:50:26,891 —> 00:50:28,726
He just could not
stay away from it.

754
00:50:28,768 —> 00:50:31,562
[laughs] Might need you
to save me a piece, Mom.

755
00:50:31,604 —> 00:50:34,023
- [Marian] Aw.
- I love you.

756
00:50:34,065 —> 00:50:35,858
- Love you too.
- I'll see y'all later, okay?

757
00:50:35,900 —> 00:50:38,402
Bye, Craig. Tell
Janis I said hello.

758
00:50:38,444 —> 00:50:40,237
- Yeah, will do.
- [Michelle] Mm-hmm.

759

00:50:46,077 —> 00:50:47,369

Let me help you

with that, Marian.

760

00:50:47,411 —> 00:50:48,579

[Marian] Oh, thank you.

761

00:50:50,247 —> 00:50:52,625

No, no, no, no.

I'll help your mom.

762

00:50:52,666 —> 00:50:55,795

Give you a chance to,

uh, finish your case prep.

763

00:50:55,836 —> 00:50:58,923

Okay. Look at this

gentleman over here.

764

00:50:58,964 —> 00:51:00,466

[laughs]

765

00:51:12,853 —> 00:51:17,274
Um, we've been talking
a lot about future things.

766
00:51:18,025 —> 00:51:19,944
Oh. Okay.

767
00:51:21,904 —> 00:51:23,447
So, uh...

768
00:51:25,825 —> 00:51:28,494
You think, since I've
made it this long, uh...

769
00:51:31,747 —> 00:51:34,125
You think, uh, she'd marry me?

770
00:51:36,085 —> 00:51:37,461
Young man...

771
00:51:38,838 —> 00:51:41,632
are you asking me for my
daughter's hand in marriage

772

00:51:41,674 —> 00:51:44,301

- right here and now?

- I suppose I am.

773

00:51:44,343 —> 00:51:47,847

I mean, I thought I'd

at least run it by you.

774

00:51:50,516 —> 00:51:54,895

If Fraser were still here...

775

00:51:56,689 —> 00:52:00,192

he'd know better than to answer

anything on behalf of Michelle,

776

00:52:00,234 —> 00:52:01,944

and I'm no dummy either.

777

00:52:06,740 —> 00:52:08,659

You're gonna have

Louis! And your mother!

114

00:08:22,919 —> 00:08:24,712

[Sobbing]

115

00:08:28,049 —> 00:08:29,675

[Shouts]

116

00:08:34,222 —> 00:08:36,307

[Melancholy music continues]

117

00:08:48,569 —> 00:08:50,279

[Sara] There's never been

a divorce

118

00:08:50,363 —> 00:08:52,615

in the Roosevelt family.

119

00:08:54,700 —> 00:08:57,286

And that's not going

to change now.

120

00:08:57,370 —> 00:08:59,830

[Eleanor]

It had been going on for years.

121

00:09:00,831 —> 00:09:02,458

Everyone knew.

122

00:09:03,584 —> 00:09:04,710

You knew.

123

00:09:04,794 —> 00:09:08,714

Eleanor. When you marry a man,

124

00:09:08,798 —> 00:09:11,967

you can't be surprised

when he...

125

00:09:12,051 —> 00:09:14,052

acts like a man.

126

00:09:14,136 —> 00:09:16,430

[Eleanor] And, when you marry

a capable woman,

127

00:09:16,514 —> 00:09:20,059

you can't be surprised

when she acts like herself.

128

00:09:22,395 —> 00:09:24,771

It's no use, Mother.

129

00:09:24,855 —> 00:09:27,483

Eleanor has made her decision.

130

00:09:27,567 —> 00:09:28,609

[Sara] Hmm.

131

00:09:30,903 —> 00:09:33,572

If you file for divorce,

132

00:09:33,656 —> 00:09:36,783

I will cut you both off

without a cent.

133

00:09:36,867 —> 00:09:41,414

No house,

not your rooms here. Nothing.

134

00:09:43,874 —> 00:09:46,544

Now, you will stay married.

135

00:09:48,421 —> 00:09:50,590

And I will even, um...

136

00:09:51,924 —> 00:09:54,010

not only support you,

137

00:09:54,969 —> 00:09:57,179

but pay an additional allowance

138

00:09:57,263 —> 00:09:59,098

for the pain

that you are suffering.

139

00:10:00,891 —> 00:10:05,562

I would rather earn my own money

and keep my dignity.

140

00:10:05,646 —> 00:10:08,023

[Sara] If you get a divorce,

you will do neither.

141

00:10:08,107 —> 00:10:11,527

The scandal will be too great

to overcome.

142

00:10:11,611 —> 00:10:13,279

For both of you.

143

00:10:14,989 —> 00:10:18,158

I know that I'm experiencing

144

00:10:18,242 —> 00:10:20,953

a disappointment

like I've never felt before.

145

00:10:24,707 —> 00:10:26,917

But I'm sure

that it can't possibly compare

146

00:10:27,001 —> 00:10:30,087
to the pain
that you're experiencing.

147
00:10:30,171 —> 00:10:31,881
You have my sympathy, darling.

148
00:10:34,008 —> 00:10:35,259
However...

149
00:10:39,472 —> 00:10:41,098
you will stay married.

150
00:10:41,182 —> 00:10:44,018
You will be supported
as you are now.

151
00:10:47,355 —> 00:10:48,564
[Sighs]

152
00:10:52,860 —> 00:10:54,362
And that's all I have to say.

153

00:10:59,283 —> 00:11:00,368

Excuse me.

154

00:11:22,973 —> 00:11:26,602

I am sorry. I never thought

it would come to this.

155

00:11:32,733 —> 00:11:35,319

I will require two things.

156

00:11:43,744 —> 00:11:46,455

Anything. My life on it.

157

00:11:49,458 —> 00:11:52,961

You will never have contact

158

00:11:53,045 —> 00:11:55,715

with Lucy Mercer ever again.

159

00:12:01,721 —> 00:12:03,264

And we will never...

160

00:12:04,724 —> 00:12:09,061

sleep in the same bed

from this day forward.

161

00:12:13,023 —> 00:12:15,317

What is a marriage

without sharing a bed?

162

00:12:18,946 —> 00:12:21,865

We have the rest of our lives

to find out.

163

00:12:21,949 —> 00:12:24,410

[Melancholy music playing]

164

00:12:43,095 —> 00:12:45,973

[Sirens wailing in distance]

165

00:12:47,808 —> 00:12:49,851

Now, for the war in Afghanistan.

166

00:12:49,935 —> 00:12:52,270

The new US commander there
believes that to win,

167
00:12:52,354 —> 00:12:54,064
he'll need a bigger Afghan army

168
00:12:54,148 —> 00:12:56,108
and billions
in additional funding.

169
00:12:56,192 —> 00:12:58,694
An American buildup
is already underway

170
00:12:58,778 —> 00:13:00,112
with 17,000 new troops...

171
00:13:00,196 —> 00:13:02,114
- Hey.
- Hey.

172
00:13:02,198 —> 00:13:04,908
By year's end,

US forces will total 68,000...

173

00:13:04,992 —> 00:13:07,077

[reporter continues, indistinct]

174

00:13:09,914 —> 00:13:12,999

This war's really happening.

175

00:13:13,083 —> 00:13:15,877

Could you imagine

if they brought back the draft?

176

00:13:15,961 —> 00:13:17,546

Yeah, for sure.

177

00:13:19,173 —> 00:13:21,842

I also hit the Power ball today.

178

00:13:21,926 —> 00:13:23,885

We're millionaires now!

179

00:13:23,969 —> 00:13:26,305

Yeah. [Sighs]
Yeah, that's really something.

180
00:13:29,016 —> 00:13:30,936
Didn't hear a word I said,
did you?

181
00:13:32,645 —> 00:13:34,313
My bad. You know,

182
00:13:35,189 —> 00:13:37,941
we spent seven hours today

183
00:13:38,025 —> 00:13:42,279
debating if it's important
that poor, Black and brown kids

184
00:13:42,363 —> 00:13:44,948
have access
to clean drinking water.

185
00:13:45,032 —> 00:13:49,119
Uh, it's fucking ridiculous.

186

00:13:49,203 —> 00:13:51,621

Here's a thought. How about you

187

00:13:51,705 —> 00:13:54,332

put politics on pause for now

and maybe do something

188

00:13:54,416 —> 00:13:57,210

that doesn't make you

such an Eeyore all the time?

189

00:13:57,294 —> 00:14:01,339

[Stammers] I'm not being

a fucking Eeyore, all right?

190

00:14:01,423 —> 00:14:02,674

I care about my job...

191

00:14:02,758 —> 00:14:05,552

Negro, please. You're consumed.

192

00:14:05,636 —> 00:14:08,472

I-I can't... [chuckling]

I can't do this again, Mich.

193

00:14:08,556 —> 00:14:10,515

I can't... I'm too tired.

194

00:14:10,599 —> 00:14:13,727

Exactly my point. Okay? You're

using up all your energy on...

195

00:14:13,811 —> 00:14:16,980

What is it you want me to do?

You want me to resign...

196

00:14:17,064 —> 00:14:19,107

- Forget it.

- ...and take up some, what?

197

00:14:19,191 —> 00:14:21,318

Some bullshit, corporate,

lawyer job like you?

198

00:14:21,402 —> 00:14:24,321
Because I'm pretty sure
you're miserable.

199
00:14:24,405 —> 00:14:27,324
At least my job pays the bills.
Our bills.

200
00:14:27,408 —> 00:14:29,075
We actually get
something out of it

201
00:14:29,159 —> 00:14:30,827
instead of banging my head
against a wall,

202
00:14:30,911 —> 00:14:32,412
telling myself that
I'm making a difference

203
00:14:32,496 —> 00:14:33,706
when I'm really not.

204

00:14:34,915 —> 00:14:37,667

[Sasha crying]

205

00:14:37,751 —> 00:14:38,878

[Whispering] Sasha.

206

00:14:41,881 —> 00:14:43,048

I'll get her.

207

00:14:44,717 —> 00:14:46,552

I'ma sleep

in the girls' room tonight.

208

00:14:47,553 —> 00:14:48,762

Fine by me.

209

00:14:56,645 —> 00:14:58,731

[Crying continues]

210

00:15:02,276 —> 00:15:04,486

[Shushing]

She won't stop crying.

211

00:15:04,570 —> 00:15:06,279

Why won't she stop crying?

212

00:15:06,363 —> 00:15:08,824

Oh, she's burning up.

And her feet are cold.

213

00:15:08,908 —> 00:15:11,201

- I called the pediatrician.

- We can't wait.

214

00:15:11,285 —> 00:15:13,870

We have to go to the hospital.

I'm gonna call my mom.

215

00:15:13,954 —> 00:15:17,415

All right, go.

Go, go, go. [Shushing]

216

00:15:17,499 —> 00:15:19,167

[Chattering]

217

00:15:19,251 —> 00:15:21,295
[Indistinct announcements
over PA]

218
00:15:23,714 —> 00:15:25,549
Hello, I'm Michelle Obama.

219
00:15:25,633 —> 00:15:28,051
My pediatrician, Dr. Morrison,
said to come here?

220
00:15:28,135 —> 00:15:29,511
[Receptionist]
Just a second, ma'am.

221
00:15:29,595 —> 00:15:30,638
[Sighs]

222
00:15:31,972 —> 00:15:34,224
- Excuse me?
- Wait just one second, ma'am.

223
00:15:34,308 —> 00:15:36,348

- Mrs. Obama, follow me.

- [sighs] Thank you.

224

00:15:39,813 —> 00:15:41,731

What's taking them so long?

225

00:15:41,815 —> 00:15:43,400

The important thing

226

00:15:43,484 —> 00:15:45,986

is that they rule out

bacterial meningitis.

227

00:15:46,070 —> 00:15:49,239

It's a spinal tap, Barack.

On a three-month-old.

228

00:15:49,323 —> 00:15:51,074

I know what it is. The man...

229

00:15:51,158 —> 00:15:52,952

Can't they hurry up already?

230

00:15:54,828 —> 00:15:57,372

[Barack] Mich, she's getting

the best care in the city.

231

00:15:57,456 —> 00:16:00,292

Last time I was here,

my daddy was dying.

232

00:16:11,804 —> 00:16:14,681

I know.

Look, she's gonna be all right.

233

00:16:14,765 —> 00:16:16,016

I need a minute.

234

00:16:31,323 —> 00:16:32,741

Hey, Mommy.

235

00:16:45,462 —> 00:16:47,089

Still hasn't woken up yet?

236

00:16:55,848 —> 00:16:57,933

Still looking handsome, Daddy.

237

00:17:12,990 —> 00:17:15,534

I wish you could have seen

him when I first met him.

238

00:17:19,038 —> 00:17:22,166

Juneteenth barbecue

239

00:17:23,375 —> 00:17:25,669

at your auntie Caroline's.

240

00:17:26,795 —> 00:17:29,089

In walks this

241

00:17:29,173 —> 00:17:32,592

beautiful, brown-skinned man

242

00:17:32,676 —> 00:17:36,388

in a bright teal shirt.

243

00:17:36,472 —> 00:17:39,933

I said, "Who is that man?"

244

00:17:40,017 —> 00:17:42,519

You auntie looked at me, said,

245

00:17:42,603 —> 00:17:46,856

"Girl, if you talkin'

about Fraser Robinson..."

246

00:17:46,940 —> 00:17:50,110

[Both] "You better get in

that long line."

247

00:17:50,194 —> 00:17:53,072

[Both laugh]

248

00:17:57,034 —> 00:17:59,411

It was just a few seconds later,

249

00:17:59,495 —> 00:18:02,372

but I see your daddy

looking at me.

250

00:18:02,456 —> 00:18:05,375

Hadn't even gotten a drink yet,

251

00:18:05,459 —> 00:18:07,460

but there he goes,

252

00:18:07,544 —> 00:18:11,590

making a straight beeline

to talk to me.

253

00:18:13,759 —> 00:18:17,220

Well, he knew a real lady

when he saw one. [Sniffles]

254

00:18:17,304 —> 00:18:19,389

[Melancholy music playing]

255

00:18:33,612 —> 00:18:34,780

[Sighs]

256

00:18:44,456 —> 00:18:45,958

Mr. and Mrs. Obama?

257

00:18:51,630 —> 00:18:54,466

- The doctor's right this way.

- [Sasha crying]

258

00:19:00,264 —> 00:19:03,808

Mr. and Mrs. Obama?

I'm Dr. Byrne.

259

00:19:03,892 —> 00:19:06,061

We've done all the tests,

260

00:19:06,145 —> 00:19:08,396

and Sasha has

bacterial meningitis.

261

00:19:08,480 —> 00:19:10,899

- [Sighs]

- We've put her on ampicillin

262

00:19:10,983 —> 00:19:12,692

and gentamicin, two antibiotics.

263

00:19:12,776 —> 00:19:14,694

We're confident

she's going to recover.

264

00:19:14,778 —> 00:19:16,446

Can we go in?

265

00:19:16,530 —> 00:19:18,811

The nurse will let you know

when it's okay to go in.

266

00:19:23,579 —> 00:19:27,123

[Sasha cooing, crying]

267

00:19:27,207 —> 00:19:29,293

[Pensive music playing]

268

00:19:46,310 —> 00:19:47,519

[Whispers] Hi.

269

00:19:49,021 —> 00:19:51,064

- She'll be all right.

- Yeah.

270
00:20:01,158 —> 00:20:03,118
[Newscaster] In January 1919,

271
00:20:03,202 —> 00:20:05,578
two months after
the Great War ended,

272
00:20:05,662 —> 00:20:08,164
delegates of the Allied Powers
arrived in Paris

273
00:20:08,248 —> 00:20:10,959
for the conference to agree
on terms of peace

274
00:20:11,043 —> 00:20:12,794
for defeated Germany.

275
00:20:12,878 —> 00:20:16,005
Sentiment across
the board demanded guarantees

276

00:20:16,089 —> 00:20:20,219

that no war of such magnitude

could ever happen again.

277

00:20:21,428 —> 00:20:23,304

Thank you, Arthur.

It's good to be home.

278

00:20:23,388 —> 00:20:25,181

- Welcome home, sir.

- Hello, Arthur.

279

00:20:25,265 —> 00:20:26,808

Welcome home, ma'am.

280

00:20:27,434 —> 00:20:29,018

[Sighs]

281

00:20:29,102 —> 00:20:30,562

You think the children are up?

282

00:20:30,646 —> 00:20:32,188
Oh, I hope not
at this late hour.

283
00:20:32,272 —> 00:20:34,023
They're home,
they're home! Daddy!

284
00:20:34,107 —> 00:20:38,653
- Oh, look at that. [Chuckles]
- [laughs] James. Anna.

285
00:20:38,737 —> 00:20:40,989
- We stayed up for you.
- Tell us about France!

286
00:20:41,073 —> 00:20:43,241
- Did you get shot at?
- Did you see dead bodies?

287
00:20:43,325 —> 00:20:46,703
[Chuckles] No, we're fine.
We're just a bit tired.

288

00:20:46,787 —> 00:20:49,205

We were not shot at,

nor did we see any dead bodies.

289

00:20:49,289 —> 00:20:51,583

But we did see

some very dramatic sights.

290

00:20:51,667 —> 00:20:53,168

Did Lucy go with you?

291

00:20:55,170 —> 00:20:57,338

No, children,

she did not go with us.

292

00:20:57,422 —> 00:20:59,841

- Mother!

- Welcome home, darling.

293

00:20:59,925 —> 00:21:01,718

I'm so glad you're here.

294

00:21:01,802 —> 00:21:03,887
Hello, Eleanor.

295
00:21:03,971 —> 00:21:06,306
You must be starved
after your long journey.

296
00:21:06,390 —> 00:21:08,141
I... I've made a roast for you.

297
00:21:08,225 —> 00:21:10,560
- Thank you.
- [Elliot] If the war is over,

298
00:21:10,644 —> 00:21:12,854
why'd you have to go all the way
to some country

299
00:21:12,938 —> 00:21:15,398
we don't even live in,
to see where the war was?

300
00:21:15,482 —> 00:21:18,693

Because it's part of my job as

Assistant Secretary to the Navy.

301

00:21:18,777 —> 00:21:20,862

All right, children.

Now it's time for bed.

302

00:21:20,946 —> 00:21:24,407

- Come along.

- [Franklin] Good night.

303

00:21:24,491 —> 00:21:28,912

[Eleanor] If you don't mind,

I'm going to head to bed myself.

304

00:21:28,996 —> 00:21:30,538

Oh, I hope not.

305

00:21:30,622 —> 00:21:33,292

I planned dinner

for the three of us.

306

00:21:37,379 —> 00:21:38,672

[Franklin] Mmm.

307

00:21:40,382 —> 00:21:41,758

Delicious, Mother.

308

00:21:41,842 —> 00:21:43,551

I'm so glad

you enjoyed it, dear.

309

00:21:43,635 —> 00:21:46,972

- [Franklin] You spoil me.

- You deserve to be spoilt.

310

00:21:55,188 —> 00:21:59,525

Well, was it, um,

frightfully cold in Paris?

311

00:21:59,609 —> 00:22:02,446

- Yes, it was very...

- Nothing we couldn't handle.

312

00:22:03,113 —> 00:22:04,489

...bitter.

313

00:22:05,991 —> 00:22:08,618

We've all had to endure

hard winters before.

314

00:22:08,702 —> 00:22:12,247

Oh, I remember

the blizzard of '88.

315

00:22:12,331 —> 00:22:14,582

The snow coming down,

316

00:22:14,666 —> 00:22:17,419

it just made the city so quiet.

317

00:22:21,131 —> 00:22:24,133

Rather like this dinner,

I should say. [Chuckles]

318

00:22:24,217 —> 00:22:26,552

- I'm sorry, Mother. [Chuckles]

- I'm sorry, Mother...

319

00:22:26,636 —> 00:22:28,930

Just a bit tired is all.

320

00:22:29,014 —> 00:22:30,974

I think the trip went very well.

321

00:22:31,058 —> 00:22:33,601

They didn't permit

women to attend.

322

00:22:33,685 —> 00:22:36,605

No, no. That was unfortunate.

323

00:22:38,357 —> 00:22:42,443

Did you know, that almost

two million French soldiers

324

00:22:42,527 —> 00:22:44,446

were killed in the war?

325

00:22:48,241 —> 00:22:49,325

How dreadful.

326

00:22:49,409 —> 00:22:50,994

Two million.

327

00:22:52,245 —> 00:22:55,832

I do wish I had had the chance

to serve. Formally.

328

00:22:55,916 —> 00:22:59,627

Nonsense! You did serve.

You are serving.

329

00:22:59,711 —> 00:23:02,297

You have too bright

a political future

330

00:23:02,381 —> 00:23:06,718

to risk losing your legs,

have them blown off, or worse.

331

00:23:06,802 —> 00:23:08,970

Still, I had planned

to return to Europe

332

00:23:09,054 —> 00:23:11,431

as lieutenant commander

next month.

333

00:23:11,515 —> 00:23:14,267

And my political future

would have been brighter sooner

334

00:23:14,351 —> 00:23:16,769

had I had the opportunity

to serve in combat

335

00:23:16,853 —> 00:23:18,688

before this wretched thing

was over.

336

00:23:18,772 —> 00:23:21,107

What a pity

the war didn't drag on

337

00:23:21,191 —> 00:23:24,360

to give you a leg up

in your next political endeavor.

338

00:23:24,444 —> 00:23:28,781

Eleanor!

Franklin doesn't need a leg up.

339

00:23:28,865 —> 00:23:30,075

He's a Roosevelt.

340

00:23:35,914 —> 00:23:40,626

[Chuckling] Well...

I think I will retire.

341

00:23:40,710 —> 00:23:43,046

- [Franklin] Mother...

- Excuse me.

342

00:23:43,130 —> 00:23:46,674

[Franklin] Thank you for taking

such good care of the children.

343

00:23:46,758 —> 00:23:48,343

[Sara] It's a pleasure.

344

00:23:48,427 —> 00:23:51,054

Good night, Eleanor.

Good night, dear.

345

00:23:51,138 —> 00:23:52,597

Good night, Sara.

346

00:23:58,353 —> 00:23:59,771

She's right, you know?

347

00:24:05,444 —> 00:24:07,779

The name Roosevelt

does open doors.

348

00:24:07,863 —> 00:24:09,322

Yes, it does.

349

00:24:10,115 —> 00:24:11,324

I am a Roosevelt.

350

00:24:11,408 —> 00:24:12,909

[Chuckles]

351

00:24:12,993 —> 00:24:15,329

You most certainly are.

352

00:24:18,748 —> 00:24:20,917

I should use it.

353

00:24:21,001 —> 00:24:23,336

To further the causes

that I believe in.

354

00:24:23,420 —> 00:24:24,713

I think you should.

355

00:24:26,006 —> 00:24:27,840

People have always

taken great comfort

356

00:24:27,924 —> 00:24:30,885

in your strength

and your convictions.

357

00:24:30,969 —> 00:24:32,471

I know I have.

358

00:24:35,182 —> 00:24:36,683

I know I do.

359

00:24:37,184 —> 00:24:38,477

Thank you.

360

00:24:40,020 —> 00:24:43,064

It's two 2:00 a.m.

in Paris. [Sighs]

361

00:24:46,193 —> 00:24:47,486

Good night.

362

00:24:50,030 —> 00:24:53,074

[Sighs] Good night, Eleanor.

363

00:24:53,158 —> 00:24:55,535

[Pensive music playing]

364

00:25:06,379 —> 00:25:07,672

Hmm.

365

00:25:11,176 —> 00:25:12,552

Good night.

366

00:25:13,720 —> 00:25:15,805

[Birds chirping]

367

00:25:19,601 —> 00:25:21,853

- [Michael Ford] Polo!

- [John Ford] You cheated!

368

00:25:21,937 —> 00:25:24,272

[laughing, chattering]

369

00:25:24,356 —> 00:25:27,108

- He's cheating! He's cheating!

- Marco!

370

00:25:27,192 —> 00:25:29,235

- Polo!

- Polo!

371

00:25:29,319 —> 00:25:31,320

- Polo!

- [John] Marco!

372

00:25:31,404 —> 00:25:32,989

- [Michael] Polo!

- Polo!

373

00:25:33,073 —> 00:25:35,741

- Go for him!

- If you can cheat, I can cheat!

374

00:25:35,825 —> 00:25:38,744

- [Steven squeals]

- [John] Marco!

375

00:25:38,828 —> 00:25:42,790

Polo! Your eyes are open.

You're cheating.

376

00:25:42,874 —> 00:25:45,585

Boys, time for dinner.

377

00:25:46,586 —> 00:25:48,213

Boys!

378

00:25:50,048 —> 00:25:52,008

Mike? Steve, Jack.

379

00:25:52,092 —> 00:25:55,344

Get your butts inside now,

or you can go to bed hungry.

380

00:25:55,428 —> 00:25:58,181

[Betty] Clean up your messes

and put your pets away.

381

00:25:58,265 —> 00:26:01,100

Steven, put that alligator

back in its cage.

382

00:26:01,184 —> 00:26:02,935

After I poo!

383

00:26:03,019 —> 00:26:05,855

That lizard will escape

if it has to wait that long.

384

00:26:05,939 —> 00:26:07,607

I'll get it, Clara.

385

00:26:07,691 —> 00:26:09,358

I've done it

every night this week.

386

00:26:09,442 —> 00:26:11,986

I don't know why tonight

should be any different.

387

00:26:12,070 —> 00:26:14,906

Lord... those teeth.

388

00:26:14,990 —> 00:26:18,743

[Sighs] Why I ever

agreed to this...

389

00:26:18,827 —> 00:26:20,870
Come on, Pickles.

390
00:26:22,205 —> 00:26:23,498
Time for bed.

391
00:26:23,582 —> 00:26:26,250
- [Hissing]
- Come on. Oh, no!

392
00:26:26,334 —> 00:26:29,170
No, no, no! No! No! [groans]

393
00:26:29,254 —> 00:26:31,130
[Sighs]

394
00:26:31,214 —> 00:26:34,550
I guess alligators don't
like bedtime either.

395
00:26:34,634 —> 00:26:35,969
[Sighs]

396

00:26:37,762 —> 00:26:38,930

Steven!

397

00:26:39,639 —> 00:26:40,890

Jerry!

398

00:26:40,974 —> 00:26:42,892

Mr. Ford is still

on his work call.

399

00:26:42,976 —> 00:26:44,644

Of course he is.

400

00:26:47,897 —> 00:26:50,149

That's right.

401

00:26:50,233 —> 00:26:53,402

You can't escape from me,

you little...

402

00:26:53,486 —> 00:26:56,239

Oh, Clara, it's gotten so big.

403

00:26:56,323 —> 00:26:58,074

[Clara] Let me help.

404

00:27:00,201 —> 00:27:04,747

Oh, don't ever have children,

Clara. Just don't do it.

405

00:27:04,831 —> 00:27:07,083

[Clara] I've got my hands

full with yours.

406

00:27:07,167 —> 00:27:08,626

[Both straining]

407

00:27:08,710 —> 00:27:11,338

[Both cheering, laughing]

408

00:27:12,505 —> 00:27:14,840

- Just please never leave me.

- [gasps]

409

00:27:14,924 —> 00:27:18,094

- Oh, God!

- I'm not going anywhere.

410

00:27:18,178 —> 00:27:20,012

[Steven] Mom! Mommy,

there's a fire in the house!

411

00:27:20,096 —> 00:27:21,598

- The cake!

- Come on!

412

00:27:22,349 —> 00:27:24,058

Mommy! Mommy!

413

00:27:24,142 —> 00:27:26,394

Shit. Get back. Get back,

get back, get back.

414

00:27:26,478 —> 00:27:29,188

Oh, we need some air in here.

415

00:27:29,272 —> 00:27:30,649

Jerry!

416

00:27:32,901 —> 00:27:34,068

Jerry!

417

00:27:34,152 —> 00:27:35,486

Michael, don't touch it.

418

00:27:35,570 —> 00:27:36,946

It's stuck!

419

00:27:37,030 —> 00:27:38,614

Daddy!

420

00:27:38,698 —> 00:27:41,242

No, Mom, it's painted shut!

421

00:27:42,035 —> 00:27:43,369

[Screams]

422

00:27:43,453 —> 00:27:45,788

- [Groans]

- [Michael] Mom!

423

00:27:45,872 —> 00:27:48,333

Mother! Watch out, Michael.

424

00:27:49,209 —> 00:27:50,918

- Mommy!

- [Gerald] You okay?

425

00:27:51,002 —> 00:27:52,962

[Betty] Yeah, I'm okay,

sweetheart. I'm okay.

426

00:27:53,046 —> 00:27:55,715

- Boys, help Clara.

- Okay, I'll clean. Okay, okay.

427

00:27:55,799 —> 00:27:59,302

Okay, watch your step.

Help me clean up the glass.

428

00:27:59,386 —> 00:28:00,762

My goodness.

429

00:28:03,014 —> 00:28:05,933

[Groans] Ooh!

430

00:28:06,017 —> 00:28:10,271

[Winces] How quickly

does this work? Thank you.

431

00:28:10,355 —> 00:28:12,064

I have important plans,

432

00:28:12,148 —> 00:28:14,817

and it's such a busy time

of year for me.

433

00:28:14,901 —> 00:28:18,195

Yes, my wife started spring

cleaning herself this week.

434

00:28:18,279 —> 00:28:20,281

- Hmm.

- I'm gonna also prescribe

435

00:28:20,365 —> 00:28:21,741

a painkiller.

436

00:28:21,825 —> 00:28:23,868

I can call Jerry

and discuss it with him.

437

00:28:23,952 —> 00:28:26,663

- Oh, that won't be necessary.

- Very well.

438

00:28:28,415 —> 00:28:31,792

You can fill

the Darvon downstairs.

439

00:28:31,876 —> 00:28:33,919

Take it every four hours

around the clock.

440

00:28:34,003 —> 00:28:36,589

Okay. What about alcohol?

441

00:28:37,757 —> 00:28:41,844
I have to attend
so many congressional events.

442
00:28:41,928 —> 00:28:44,680
I occasionally enjoy
a glass of wine.

443
00:28:44,764 —> 00:28:45,973
Don't worry, Mrs. Ford.

444
00:28:46,057 —> 00:28:47,516
Alcohol and medications

445
00:28:47,600 —> 00:28:49,185
are two very different things

446
00:28:49,269 —> 00:28:50,811
with no relation to one another.

447
00:28:50,895 —> 00:28:52,063
Enjoy away.

448

00:28:52,605 —> 00:28:53,939

Thank you, Doctor.

449

00:28:54,023 —> 00:28:57,109

[Chattering]

450

00:28:57,193 —> 00:28:58,903

But did you see it?

451

00:28:58,987 —> 00:29:00,529

Or weekends. Forget about it.

452

00:29:00,613 —> 00:29:01,947

I've heard that's terrible.

453

00:29:02,031 —> 00:29:03,742

[Chattering continues]

454

00:29:04,784 —> 00:29:06,369

How about we switch?

455

00:29:07,162 —> 00:29:08,747
I'll do the dishes.

456
00:29:10,206 —> 00:29:12,291
[Whispers]
And you can go talk to them.

457
00:29:12,375 —> 00:29:16,712
Thank you, Ma'am.
But I'd rather do the dishes.

458
00:29:16,796 —> 00:29:19,799
[Chuckles]

459
00:29:22,010 —> 00:29:25,012
No. Now, look.
That's a single crotchet

460
00:29:25,096 —> 00:29:27,348
but I'm pulling the needle
through twice.

461
00:29:27,432 —> 00:29:32,395

I heard they're crocheting
bikinis now.

462
00:29:32,479 —> 00:29:34,772
- What?
- Oh, that's just silly.

463
00:29:34,856 —> 00:29:37,441
[laughter]

464
00:29:37,525 —> 00:29:39,985
Yeah. Sounds itchy
if you ask me.

465
00:29:40,069 —> 00:29:42,113
Who do you know
wears a crotchet bikini?

466
00:29:42,197 —> 00:29:43,906
[Betty] What about this?

467
00:29:43,990 —> 00:29:46,575
- [Guest 1] Who brought that in?

- [guest 2] Betty?

468
00:29:46,659 —> 00:29:47,952
[Chattering]

469
00:29:50,580 —> 00:29:53,999
Oh, surely I can't be
the only one reading it.

470
00:29:54,083 —> 00:29:57,878
- [Guest 1] Well, I am not.
- [guest 2] I don't wanna know.

471
00:29:57,962 —> 00:29:59,755
- I know all about this book.
- [Betty] Do you?

472
00:29:59,839 —> 00:30:01,424
Yeah, this is a hysterical Jew

473
00:30:01,508 —> 00:30:03,551
threatening our Christian
way of life.

474

00:30:03,635 —> 00:30:06,262

So, you actually read it, Lilly.

475

00:30:06,346 —> 00:30:09,765

No! No. I... I didn't

read it. I...

476

00:30:09,849 —> 00:30:12,727

[guest 3] Those feminists are...

They're threatened by us.

477

00:30:12,811 —> 00:30:16,188

Yes, they are. They are. And I

happen to like housekeeping.

478

00:30:16,272 —> 00:30:19,108

- I... I find it calming.

- That's fine.

479

00:30:19,192 —> 00:30:22,862

But what if

we want to pursue creative

480

00:30:22,946 —> 00:30:25,740

or intellectual activities?

481

00:30:25,824 —> 00:30:27,742

Oh, well, who takes care

of the children

482

00:30:27,826 —> 00:30:30,453

while we're all becoming

self-actualized?

483

00:30:30,537 —> 00:30:32,455

I was going to be

a dancer once...

484

00:30:32,539 —> 00:30:34,623

- [chuckling] Oh!

- ...with Martha Graham

485

00:30:34,707 —> 00:30:37,793

in New York,

and sometimes I wonder

486

00:30:37,877 —> 00:30:42,131

what I would've become

if I hadn't given it up.

487

00:30:42,215 —> 00:30:44,675

[Chuckles] You'd be unemployed

and way too old.

488

00:30:44,759 —> 00:30:47,928

- [All laughing]

- I'm sorry. It's true.

489

00:30:48,012 —> 00:30:49,930

[Chuckles] That's so mean!

490

00:30:50,014 —> 00:30:52,683

[Guest 1] And now you're married

to a handsome congressman

491

00:30:52,767 —> 00:30:54,643

with four lovely kids

and full-time help.

492

00:30:54,727 —> 00:30:56,896

[Guest 2]

Why would we want to get jobs?

493

00:30:56,980 —> 00:30:58,481

That would just upset

the whole apple cart.

494

00:30:58,565 —> 00:30:59,982

[Guest 1] The last thing I want

495

00:31:00,066 —> 00:31:01,609

is my husband washing my clothes

496

00:31:01,693 —> 00:31:03,569

and making me dinner.

Can you imagine?

497

00:31:03,653 —> 00:31:05,821

[laughs] That would be awful.

498

00:31:05,905 —> 00:31:08,324

It's okay, Carol.

499

00:31:08,408 —> 00:31:11,911

It won't bite.

Borrow it if you like.

500

00:31:11,995 —> 00:31:14,330

[laughs] Carol!

501

00:31:14,414 —> 00:31:17,500

[laughing, chattering continues]

502

00:31:17,584 —> 00:31:19,752

I just wanted to see

what she looked like.

503

00:31:19,836 —> 00:31:22,838

[Guest 1] Oh, really?

Oh, don't bother. [Chuckles]

504

00:31:22,922 —> 00:31:24,549

[Guest 2] Take it home, Carol.

505

00:31:25,925 —> 00:31:28,177

[Chuckles] She's embarrassed.

506

00:31:28,261 —> 00:31:30,138

[Guest 3]

No wonder she's a feminist.

507

00:31:32,265 —> 00:31:35,559

[Martha] I want you

to ask yourself one question.

508

00:31:35,643 —> 00:31:40,147

"Will I ever be great enough

to have interesting memories?"

509

00:31:40,231 —> 00:31:43,359

Being a dancer may make it so,

510

00:31:43,443 —> 00:31:46,737

but not all of you are dancers.

511

00:31:46,821 —> 00:31:48,697

- [Claps]

- Places! Let's begin!

512

00:31:48,781 —> 00:31:51,784

[Pensive music playing]

513

00:32:02,587 —> 00:32:04,130

[Groans]

514

00:32:06,591 —> 00:32:08,884

Mrs. Ford, do you need anything?

515

00:32:08,968 —> 00:32:11,011

No, thank you, Clara.

516

00:32:11,095 —> 00:32:13,013

Come sit.

You've been working all day.

517

00:32:13,097 —> 00:32:16,141

- Oh, I'm not quite finished.

- No, please. Come sit with me.

518

00:32:16,225 —> 00:32:18,394

I'll do the rest.

519

00:32:18,478 —> 00:32:21,856

- Some tea?

- No. I'm good with this.

520

00:32:22,982 —> 00:32:25,151

[Sighs] Okay.

521

00:32:28,279 —> 00:32:29,530

[Sighs]

522

00:32:29,614 —> 00:32:31,449

- [Betty sighs]

- [chuckles]

523

00:32:32,492 —> 00:32:34,035

Thank you, Clara.

524

00:32:34,994 —> 00:32:36,412

[Clara] Do you miss it?

525

00:32:36,496 —> 00:32:37,580

Hmm?

526

00:32:37,664 —> 00:32:40,457

Your life as a dancer.

527

00:32:40,541 —> 00:32:43,211

[Chuckles] Clara!

528

00:32:44,170 —> 00:32:46,589

Oh, that was a lifetime ago.

529

00:32:46,673 —> 00:32:50,134

Oh, I... mmm, loved it,

530

00:32:50,218 —> 00:32:53,929

the way the music

just took me away.

531

00:32:54,013 —> 00:32:56,265

Living in New York City.

532

00:32:56,349 —> 00:32:59,351

Oh! I don't know. I...

533

00:32:59,435 —> 00:33:03,314

Oh, I really thought

534

00:33:03,398 —> 00:33:06,650

I was going to

do something with my life.

535

00:33:06,734 —> 00:33:11,489

[Sighs] Maybe we all

thought that once.

536

00:33:12,865 —> 00:33:15,784

- It's been a very long day.

- Mm-hmm.

537

00:33:15,868 —> 00:33:19,121

[Clara] And I can see

that pain is acting up again.

538

00:33:19,205 —> 00:33:20,999

Good night, Mrs. Ford.

539

00:33:24,460 —> 00:33:26,838

Good night, Clara.

Thank you again.

540

00:33:27,839 —> 00:33:30,341

- I'll see you tomorrow.

- Okay.

541

00:33:51,696 —> 00:33:54,741

[Whispering indistinctly]

542

00:33:58,870 —> 00:34:01,580

[Both humming]

543

00:34:01,664 —> 00:34:04,042

[Sasha cooing]

544

00:34:06,127 —> 00:34:07,836

[Michelle continues humming]

545

00:34:07,920 —> 00:34:09,422

[Barack sighs]

546

00:34:18,723 —> 00:34:21,475

[Indistinct announcements

over PA]

547

00:34:21,559 —> 00:34:23,603

[Barack humming]

548

00:34:26,064 —> 00:34:27,439

Mom just made some chicken.

549

00:34:27,523 —> 00:34:29,608

- Oh, really? I am starving.

- Mm-hmm.

550

00:34:29,692 —> 00:34:31,318

- [Chuckles]

- Huh?

551

00:34:31,402 —> 00:34:32,904

Hello, munchkin.

552

00:34:33,905 —> 00:34:35,239

Munchkin.

553

00:34:36,032 —> 00:34:37,282

Sweetie pie.

554

00:34:37,366 —> 00:34:40,244

[Dramatic music playing]

555

00:34:48,961 —> 00:34:51,089

[Chattering]

556

00:34:53,007 —> 00:34:56,593

[Indistinct announcements

over PA]

557

00:34:56,677 —> 00:35:01,640

Well, they get good hospital

coffee. No, I mean seriously...

558

00:35:01,859 —> 00:35:03,491

Excuse me. Pardon me.

559

00:35:03,663 —> 00:35:06,101

I'm looking for a nurse

named Judith Olstrom.

560

00:35:06,140 —> 00:35:09,101

She gave my baby excellent care

here a few days ago.

561

00:35:09,185 —> 00:35:11,437

My husband and I just wanted

to show our appreciation.

562

00:35:11,521 —> 00:35:15,441

Nothing but the best for all of

our patients here at UChicago.

563

00:35:16,526 —> 00:35:19,069

I don't think that's true.

564

00:35:19,153 —> 00:35:21,488

We're actually one of

the highest-ranked hospitals

565

00:35:21,572 —> 00:35:24,325

in the country based in

a low-income community, so...

566

00:35:24,409 —> 00:35:28,150

My daughter received good care

567

00:35:28,235 —> 00:35:29,997

because I'm

an Ivy-league educated lawyer

568

00:35:30,081 —> 00:35:31,874

with good insurance

569

00:35:31,958 —> 00:35:35,002

trained to navigate through

a tangle of red tape.

570

00:35:35,086 —> 00:35:37,463
It's not like that
for most folks around here.

571
00:35:37,547 —> 00:35:39,131
Look around.

572
00:35:39,215 —> 00:35:41,133
[lawyer] Well, I'm
the reception will have...

573
00:35:41,217 —> 00:35:42,593
Folks who look just like me.

574
00:35:43,553 —> 00:35:45,179
I've seen it with my own eyes.

575
00:35:45,263 —> 00:35:47,348
I've been here under
different circumstances

576
00:35:47,432 —> 00:35:50,225
with my own dad

who was dying from MS.

577
00:35:50,309 —> 00:35:53,271
And still couldn't see a doctor
for five hours.

578
00:35:57,275 —> 00:35:59,068
I think you can do way better.

579
00:35:59,152 —> 00:36:01,653
Way better? Really? [scoffs]

580
00:36:01,737 —> 00:36:03,530
What's your name?

581
00:36:03,614 —> 00:36:06,325
Michelle Obama.

582
00:36:06,409 —> 00:36:09,620
Michelle, may I have
five minutes of your time,

583

00:36:09,704 —> 00:36:11,624
please, while we're
waiting for the nurse?

584
00:36:15,960 —> 00:36:18,295
- [Chuckling]
- [Barack] Hey, honey!

585
00:36:18,379 —> 00:36:21,256
[Michelle] There's my baby.
Hi, munchkin.

586
00:36:21,340 —> 00:36:24,176
- [Sasha cooing]
- [Michelle chuckles]

587
00:36:24,260 —> 00:36:26,220
[Kissing]

588
00:36:26,304 —> 00:36:29,932
Hi, my boo-boo. [kisses]

589
00:36:32,852 —> 00:36:36,063

So, I have some news.

590

00:36:36,939 —> 00:36:38,732

- Are you pregnant?

- No.

591

00:36:38,816 —> 00:36:41,443

If so, I hope it's another girl.

592

00:36:41,527 —> 00:36:44,530

- Please.

- [both laugh]

593

00:36:44,614 —> 00:36:47,366

Uh-uh. Also,

when could that have happened?

594

00:36:47,450 —> 00:36:50,285

[Chuckles] I got a job.

595

00:36:50,369 —> 00:36:53,288

Wha... Oh, all right. That... I...

596

00:36:53,372 —> 00:36:55,290

I didn't even

realize you were looking.

597

00:36:55,374 —> 00:36:58,168

I wasn't. Uh, the job

kind of just fell in my lap.

598

00:36:58,252 —> 00:37:01,672

I went to go drop off

those flowers for nurse Judith

599

00:37:01,756 —> 00:37:04,216

and sort of told off the CEO

600

00:37:04,300 —> 00:37:05,759

and head lawyer

for the hospital.

601

00:37:05,843 —> 00:37:06,792

- You what?

- No, listen.

602

00:37:06,877 —> 00:37:08,425

I didn't know who they were.

603

00:37:08,510 —> 00:37:11,974

Anyway, they offered me a job

604

00:37:12,058 —> 00:37:14,143

to help them better serve

the South Side,

605

00:37:14,227 —> 00:37:17,396

so, now I get to

make a difference. [Chuckles]

606

00:37:17,480 —> 00:37:20,524

Wow. I mean, look at you.

607

00:37:20,608 —> 00:37:22,526

- Yes! [Chuckles]

- You're...

608

00:37:22,610 —> 00:37:26,864

- Are you feeling all right?

- Oh, please. Very funny.

609

00:37:26,948 —> 00:37:30,868

But it reminded me of why you're

so passionate about politics.

610

00:37:30,952 —> 00:37:35,789

Mm-mmm, we are celebrating you.

611

00:37:35,873 —> 00:37:37,458

Congratulations.

612

00:37:37,542 —> 00:37:40,627

This is amazing.

Whoa, look at you.

613

00:37:40,711 —> 00:37:43,005

Would ya look at...

Mmm. Yeah, Mama!

614

00:37:43,089 —> 00:37:44,673

Mmm, you still got it.

615

00:37:44,757 —> 00:37:46,341

Mmm. Never lost it.

616

00:37:46,425 —> 00:37:48,760

- What? [Beat boxes]

- I never lost it.

617

00:37:48,844 —> 00:37:50,762

[Sasha cooing]

618

00:37:50,846 —> 00:37:52,764

Mama got a job, munchkin.

619

00:37:52,848 —> 00:37:54,349

All right.

620

00:37:54,433 —> 00:37:56,518

["Family Affair"

by Mary J. Blige playing]

621

00:37:56,602 —> 00:37:58,812

[Singing, scatting]

622

00:37:58,896 —> 00:38:01,398

Oh!

623

00:38:01,482 —> 00:38:03,067

[Chuckling]

624

00:38:06,028 —> 00:38:09,781

- I got moves.

- [both chuckle]

625

00:38:09,865 —> 00:38:12,451

Let's get it crunk up on

626

00:38:12,535 —> 00:38:16,288

Have fun up on

Up in this dancery...

627

00:38:16,372 —> 00:38:18,416

[chattering]

628

00:38:20,042 —> 00:38:22,211

- Are you out of your mind?

- [chuckling] No.

629

00:38:22,295 —> 00:38:24,338

- Are you cooking tonight?

- No, absolutely not.

630

00:38:24,422 —> 00:38:26,423

- [Barack] Hello, hello, hello!

- Ah, Barack.

631

00:38:26,507 —> 00:38:28,634

How you doing? Hey, babe.

632

00:38:28,718 —> 00:38:30,594

Now, look,

I gotta steal her away.

633

00:38:30,678 —> 00:38:33,639

Oh, steal away

but first admire her handiwork.

634

00:38:33,723 —> 00:38:35,390

Oh, look.

Hey, it's a revolution!

635

00:38:35,474 —> 00:38:36,975

- [All chuckle]

- Okay.

636

00:38:37,059 —> 00:38:38,977

- I'm taking you dancing.

- Good night, guys.

637

00:38:39,061 —> 00:38:41,480

- You know I love this dress.

- Thank you.

638

00:38:41,564 —> 00:38:42,773

Mmm. Mmm!

639

00:38:43,649 —> 00:38:46,694

[Ragtime music playing]

640

00:39:01,083 —> 00:39:02,334

[Chattering, laughter]

641

00:39:02,418 —> 00:39:03,669

[Elizabeth] Ladies!

642

00:39:03,753 —> 00:39:04,795

Ladies!

643

00:39:04,879 —> 00:39:06,505

Ladies! Ladies! Ladies!

644

00:39:06,589 —> 00:39:10,175

We have a very special

guest lecturer tonight.

645

00:39:10,259 —> 00:39:12,761

She is a member of the

Women's Trade Union League...

646

00:39:12,845 —> 00:39:15,222

- [crowd] Aw.

- ...the League of Woman Voters.

647

00:39:15,306 —> 00:39:16,848

[Crowd gasps]

648

00:39:16,932 —> 00:39:18,725

Eleanor Roosevelt.

649

00:39:18,809 —> 00:39:21,354

[Crowd cheering, whooping]

650

00:39:25,566 —> 00:39:28,235

[Eleanor]

Good evening. Hello. Hello.

651

00:39:28,319 —> 00:39:32,531

[Chuckles] Oh, thank you so much

for having me to your...

652

00:39:32,615 —> 00:39:34,491

Sapphist salon!

653

00:39:34,575 —> 00:39:36,410

[laughter]

654

00:39:36,494 —> 00:39:39,413

Well. [chuckles] Yes.

655

00:39:39,497 —> 00:39:42,416

Well, I went to a girls' school

656

00:39:42,500 —> 00:39:44,293

when I was younger, in England,

657

00:39:44,377 —> 00:39:47,045

and to this day,

it still remains

658

00:39:47,129 —> 00:39:51,091

one of the happiest and

most formative times of my life.

659

00:39:51,175 —> 00:39:52,801

[Crowd murmurs in agreement]

660

00:39:52,885 —> 00:39:54,970

[Eleanor] Well,
it is groups like yours,

661
00:39:55,054 —> 00:39:58,307
engaged, thinking,
intelligent women

662
00:39:58,391 —> 00:40:02,644
who will assure that women's
voices everywhere are heard.

663
00:40:02,728 —> 00:40:05,690
[Crowd cheering, clapping]

664
00:40:07,191 —> 00:40:08,817
[Lorena]
So you're gonna infiltrate

665
00:40:08,901 —> 00:40:10,652
the governor's mansion
with our message.

666
00:40:10,736 —> 00:40:12,321

[laughter]

667
00:40:12,405 —> 00:40:14,489
Well, I don't need to
infiltrate anything.

668
00:40:14,573 —> 00:40:18,077
- I'm already there.
- [laughter]

669
00:40:19,466 —> 00:40:21,163
But you know,

670
00:40:21,247 —> 00:40:24,666
we must not only advocate
for our rights

671
00:40:24,750 —> 00:40:28,670
but the rights and safety
of the citizens of the world.

672
00:40:28,754 —> 00:40:32,674
Women, children, men,

all living beings.

673
00:40:32,758 —> 00:40:36,970
- Human rights. Human.
- Yes, human rights, Esther.

674
00:40:37,054 —> 00:40:38,680
[Lorena] It's not gonna be easy

675
00:40:38,764 —> 00:40:41,975
when half the world is hell-bent
on starting another war.

676
00:40:42,059 —> 00:40:43,727
Well, there are
just as many people

677
00:40:43,811 —> 00:40:47,481
hell-bent on building
relationships between countries.

678
00:40:47,565 —> 00:40:49,900
Ending isolationism,

679

00:40:49,984 —> 00:40:52,527

replacing it with one-world

680

00:40:52,611 —> 00:40:56,657

or something akin to

a league of nations.

681

00:41:01,078 —> 00:41:04,331

We have had the vote now

for nine years

682

00:41:04,415 —> 00:41:05,999

and there are so many women

683

00:41:06,083 —> 00:41:09,544

who are not exercising

that right.

684

00:41:09,628 —> 00:41:12,547

Uh, worse, they are voting

685

00:41:12,631 —> 00:41:15,884
the way their husbands would
have them vote.

686
00:41:15,968 —> 00:41:20,138
But we must encourage them
to find their own voices

687
00:41:20,222 —> 00:41:23,975
and most importantly,
to become politically active.

688
00:41:24,059 —> 00:41:25,603
[Crowd] Yes! Yes!

689
00:41:28,147 —> 00:41:31,108
The whole damn world
would be much better off

690
00:41:31,192 —> 00:41:33,068
if the queers
were running things.

691

00:41:33,152 —> 00:41:34,903
[laughter]

692
00:41:34,987 —> 00:41:36,738
Don't mind my associate,
Eleanor.

693
00:41:36,822 —> 00:41:38,907
I can't control her. [laughs]

694
00:41:38,991 —> 00:41:42,119
Ladies, ladies,
we have a buffet for all of you.

695
00:41:42,203 —> 00:41:44,246
And um, who wants a drink?

696
00:41:44,330 —> 00:41:45,914
[Crowd cheers]

697
00:41:45,998 —> 00:41:48,459
- [Chattering]
- [jazz music playing on radio]

698

00:41:51,879 —> 00:41:54,089

Lorena Hickok, Associated Press.

699

00:41:54,173 —> 00:41:57,676

Yes, I gathered. Hick.

I've read many of your articles.

700

00:41:57,760 —> 00:41:59,553

- Thank you.

- Your campaign coverage

701

00:41:59,637 —> 00:42:01,638

was wonderful,

excellent in fact.

702

00:42:01,722 —> 00:42:03,598

You have such an original voice.

703

00:42:03,682 —> 00:42:06,351

Oh, you've been known

to speak your mind as well.

704

00:42:06,435 —> 00:42:10,105

Yes, I've become

quite a liability it seems.

705

00:42:10,189 —> 00:42:12,566

[Chuckles]

I like that in a woman.

706

00:42:14,353 —> 00:42:17,612

Mrs. Roosevelt, would you care

to come have a bite to eat?

707

00:42:17,696 —> 00:42:20,741

Oh, uh, yes.

Thank you very much.

708

00:42:20,825 —> 00:42:22,784

But you're right, you know.

709

00:42:22,868 —> 00:42:27,038

The fight for internationalism

is not going to be an easy one.

710

00:42:27,122 —> 00:42:29,249

No, but I like friction.

711

00:42:29,333 —> 00:42:32,127

[Chuckles] No conflict,

no interest.

712

00:42:32,211 —> 00:42:35,297

[Chuckles] I blame journalism

713

00:42:35,381 —> 00:42:37,675

and my unfortunate childhood.

714

00:42:39,343 —> 00:42:40,886

Well, yes.

715

00:42:42,054 —> 00:42:44,181

Well, it must be

terribly interesting

716

00:42:44,265 —> 00:42:47,934

to write stories,

news stories for the masses.

717
00:42:48,018 —> 00:42:51,355
Always something new
and interesting to learn about.

718
00:42:52,064 —> 00:42:54,483
Or someone.

719
00:42:54,567 —> 00:42:56,359
[Guest] Hick, give me a light,
would you?

720
00:42:56,443 —> 00:42:57,903
Unice hid the matches
on me again.

721
00:42:57,987 —> 00:42:59,279
[Lorena] I haven't got mine.

722
00:42:59,363 —> 00:43:01,573
Gail Horn,
tell me you have matches

723

00:43:01,657 —> 00:43:03,533

before I go into

tobacco withdrawals.

724

00:43:03,617 —> 00:43:05,160

- Come, come.

- I don't believe

725

00:43:05,244 —> 00:43:07,537

I've ever seen a woman

smoke a pipe before.

726

00:43:07,621 —> 00:43:10,040

Well, it's 1929.

727

00:43:11,117 —> 00:43:13,077

Women are doing

all kinds of things.

728

00:43:15,121 —> 00:43:16,748

They certainly are.

729

00:43:21,085 —> 00:43:22,878

Let's see what it says.

730

00:43:22,962 —> 00:43:25,297

Oh, look at this bowl...

731

00:43:25,381 —> 00:43:27,049

[mutters]

732

00:43:27,133 —> 00:43:29,177

[Jazz music playing]

733

00:43:32,138 —> 00:43:34,265

[Wheelchair squeaking]

734

00:43:35,433 —> 00:43:37,226

What are you doing on the floor?

735

00:43:37,310 —> 00:43:39,853

[Eleanor]

I was thinking about the world.

736

00:43:39,937 —> 00:43:43,232

And I'm not on the floor,

I'm on the stair.

737

00:43:43,316 —> 00:43:45,609

Thought I was having

some strange dream.

738

00:43:45,693 —> 00:43:48,028

Why have you got your overcoat?

Where are you going?

739

00:43:48,112 —> 00:43:50,239

I'm not going anywhere.

I just got in.

740

00:43:50,323 —> 00:43:52,908

And I was taking a moment

741

00:43:52,992 —> 00:43:56,912

to savor

a very stimulating evening.

742

00:43:56,996 —> 00:43:59,623

Hmm. Dare I ask?

743

00:43:59,707 —> 00:44:02,209

I was at Esther Lape

and Elizabeth Read's

744

00:44:02,293 —> 00:44:04,628

women's salon on 11th Street.

745

00:44:04,712 —> 00:44:07,172

For God's sakes.

All the way down in the Village?

746

00:44:07,256 —> 00:44:10,759

[Eleanor] They have the most

remarkable group of friends.

747

00:44:10,843 —> 00:44:13,554

Were you aware

that women smoke pipes?

748

00:44:13,638 —> 00:44:14,680
I was not.

749
00:44:16,057 —> 00:44:19,477
As if it were the most
natural thing in the world.

750
00:44:21,145 —> 00:44:25,233
[Chuckles]
They were all so singular.

751
00:44:26,359 —> 00:44:29,862
You know,
it is a miraculous thing.

752
00:44:31,197 —> 00:44:36,201
Women have conformed
to societal norms for so long.

753
00:44:36,285 —> 00:44:38,830
- I certainly have.
- Hmm.

754

00:44:40,540 —> 00:44:43,041
Should we listen
to some music, Franklin?

755
00:44:43,125 —> 00:44:45,461
- It's half 10:00.
- Ah.

756
00:44:45,545 —> 00:44:49,090
Ah, it's a fine time
for Duke Ellington.

757
00:44:54,001 —> 00:44:56,013
Here. [chuckles]

758
00:44:56,097 —> 00:44:59,016
Eleanor, I admire
your enthusiasm.

759
00:44:59,100 —> 00:45:01,560
It's what keeps me
thriving and able.

760

00:45:01,644 —> 00:45:05,564
But your associations,
your actions, they matter now.

761
00:45:05,648 —> 00:45:09,067
Yes. And I shall use them
for the greater good.

762
00:45:09,151 —> 00:45:10,903
You are aware
that you are married

763
00:45:10,987 —> 00:45:13,197
to the governor of
the great state of New York?

764
00:45:13,281 —> 00:45:15,783
And you are the husband
of a woman

765
00:45:15,867 —> 00:45:19,536
who has a mind and a life
of her own, Franklin.

766

00:45:19,620 —> 00:45:21,706

[Jazz music playing]

767

00:45:23,165 —> 00:45:27,169

I have my own interests.

768

00:45:27,253 —> 00:45:29,004

Just like you have yours.

769

00:45:29,088 —> 00:45:32,466

[Chuckles] Thank you.

770

00:45:32,550 —> 00:45:36,011

Together but separate

is how we'll be.

771

00:45:36,095 —> 00:45:37,763

It's how we already are.

772

00:45:40,016 —> 00:45:43,185

I have no intention

of embarrassing you

773

00:45:43,269 —> 00:45:45,897

and I hope

you won't embarrass me.

774

00:45:46,522 —> 00:45:47,565

Right.

775

00:45:49,358 —> 00:45:50,401

Cheers.

776

00:45:58,159 —> 00:45:59,702

Good night, Eleanor.

777

00:46:03,998 —> 00:46:05,917

You look lovely.

778

00:46:10,004 —> 00:46:11,505

- Hi, Dad.

- [Gerald] Hey, champ.

779

00:46:11,589 —> 00:46:13,048

Did you guys

win the game this week?

780

00:46:13,132 —> 00:46:14,925

I didn't score but we won.

781

00:46:15,009 —> 00:46:17,845

As long as you play,

you're part of the winning team.

782

00:46:17,929 —> 00:46:19,304

Where are you, Dad?

783

00:46:19,388 —> 00:46:21,515

Midland, Michigan, Steven.

784

00:46:21,599 —> 00:46:23,183

Home of

the Dow Chemical Company.

785

00:46:23,267 —> 00:46:24,310

Okay.

786

00:46:26,062 —> 00:46:27,980

Brown Sugar's pregnant, Dad.

787

00:46:28,064 —> 00:46:31,233

Now hold on.

Isn't Brown Sugar a boy?

788

00:46:31,317 —> 00:46:34,362

I don't know.

Mom, is Brown Sugar a boy?

789

00:46:35,112 —> 00:46:36,112

No.

790

00:46:37,657 —> 00:46:40,200

- Hi, Daddy.

- How's my little girl doing?

791

00:46:40,284 —> 00:46:42,369

Fine. Me and Clara made fudge.

792

00:46:42,453 —> 00:46:45,831

Oh, boy. I love you, sweetie.

793

00:46:45,915 —> 00:46:47,499

It's me, Jerry.

794

00:46:47,583 —> 00:46:51,003

[Chuckles]

Well, I love you too, sweetie.

795

00:46:51,087 —> 00:46:52,421

See you Saturday.

796

00:46:52,505 —> 00:46:54,298

All right, bye-bye.

797

00:46:58,511 —> 00:47:01,597

[Pensive music playing]

798

00:47:07,019 —> 00:47:08,312

[Dr. McCarten]

You and the family

799

00:47:08,396 —> 00:47:10,147
get out to Vail
for the holidays?

800
00:47:11,816 —> 00:47:13,651
No, we skipped it this year.

801
00:47:14,568 —> 00:47:16,945
Jerry had to work, so...

802
00:47:17,029 —> 00:47:18,780
Well, your range of motion
hasn't improved

803
00:47:18,864 —> 00:47:21,116
as much as I hoped it would
over the last few months.

804
00:47:21,200 —> 00:47:24,453
The only time I'm not in pain
is when I'm asleep.

805
00:47:25,579 —> 00:47:28,165

- If I sleep.

- How long's sleep been an issue?

806

00:47:28,249 —> 00:47:29,917

[Chuckles]

807

00:47:30,001 —> 00:47:32,670

Since I got married

and had children.

808

00:47:37,383 —> 00:47:39,677

Do you have children,

Dr. McCarten?

809

00:47:40,386 —> 00:47:42,763

I, um... Let's do this.

810

00:47:43,889 —> 00:47:46,392

Let's get you

some mild sleeping pills.

811

00:47:49,020 —> 00:47:52,731

And I think I'd like to

up the Darvon a notch or two,

812
00:47:52,815 —> 00:47:55,443
so we can get
that pain knocked out.

813
00:47:56,986 —> 00:47:58,154
And finally...

814
00:48:00,489 —> 00:48:01,990
a small amount of Valium

815
00:48:02,074 —> 00:48:04,118
should help
with your day-to-day stress.

816
00:48:11,125 —> 00:48:14,003
Um, say hi to Jerry for me.

817
00:48:23,846 —> 00:48:25,181
Clara!

818

00:48:30,019 —> 00:48:31,062
Clara?

819
00:48:33,773 —> 00:48:35,107
[Sighs]

820
00:48:54,960 —> 00:48:56,629
Oh, goddamn it.

821
00:48:57,588 —> 00:49:00,716
Clara! Clara!

822
00:49:03,135 —> 00:49:04,887
[Sighs]

823
00:49:11,977 —> 00:49:13,478
[Groans]

824
00:49:13,562 —> 00:49:15,606
[Tense music playing]

825
00:49:36,877 —> 00:49:38,337

[Sighs]

826
00:49:51,517 —> 00:49:52,810
[Martha] Nice.

827
00:49:55,479 —> 00:49:56,522
Very nice.

828
00:49:58,107 —> 00:50:02,069
Most of you
have a lot of work to do.

829
00:50:02,153 —> 00:50:03,737
That's enough for today.

830
00:50:08,701 —> 00:50:11,453
You impressed me today,
Betty Bloomer.

831
00:50:11,537 —> 00:50:15,040
You work hard
and you have ability.

832

00:50:15,124 —> 00:50:17,918

The trouble is

everyone here has ability.

833

00:50:18,002 —> 00:50:21,172

A dancer needs confidence,

self-esteem.

834

00:50:22,214 —> 00:50:23,841

Do you have those?

835

00:50:25,384 —> 00:50:26,844

Mmm.

836

00:50:27,678 —> 00:50:29,722

[Tense music continues]

837

00:51:03,047 —> 00:51:04,422

[Chuckles]

838

00:51:04,506 —> 00:51:06,550

[laughing, chattering]

839

00:51:12,431 —> 00:51:13,724

Cheers.

840

00:51:21,065 —> 00:51:23,400

[Chuckling]

841

00:51:26,278 —> 00:51:31,158

Stop! Why would a dancer treat

her body with such disdain?

842

00:51:31,242 —> 00:51:33,368

You will do it again.

And then again.

843

00:51:33,452 —> 00:51:35,371

And again. And again.

844

00:51:44,588 —> 00:51:46,381

[Susan] Uh.

845

00:51:46,465 —> 00:51:48,676

[Steven] Mom, I'm hungry.

846

00:51:50,636 —> 00:51:52,680

[Susan] Is Clara here?

Can I have a sandwich?

847

00:51:53,186 —> 00:51:56,224

- [Steven] Close the door.

- [John] I know.

848

00:51:56,308 —> 00:51:58,435

- [Groans]

- [Susan] Are you sleeping?

849

00:51:58,519 —> 00:52:00,145

[Groans]

850

00:52:00,229 —> 00:52:04,983

No. No, honey. I'm just...

Just resting. [Groans]

851

00:52:05,067 —> 00:52:07,527

[Clattering]

852

00:52:07,611 —> 00:52:09,654

Mom, I've got

some friends coming over later.

853

00:52:09,738 —> 00:52:11,489

No, Michael. Not today.

854

00:52:11,573 —> 00:52:14,118

But you said yes earlier.

I already invited them over.

855

00:52:15,786 —> 00:52:17,746

Hey! These are mine.

856

00:52:17,830 —> 00:52:20,165

[Clattering continues]

857

00:52:20,249 —> 00:52:22,167

Do you want to play

Barrel of Monkeys with me?

858

00:52:22,251 —> 00:52:23,627

No, sweetie. Not now.

859

00:52:27,131 —> 00:52:30,175

[Rock music playing on radio]

860

00:52:39,393 —> 00:52:42,604

Steven, turn the music down.

861

00:52:48,569 —> 00:52:50,696

[Breathing heavily]

862

00:52:55,409 —> 00:52:57,160

[Panting]

863

00:52:57,244 —> 00:52:59,330

[Tense music playing]

864

00:53:06,337 —> 00:53:10,048

[Sighs] S... Steven!

865

00:53:10,132 —> 00:53:12,050

[Cries]

866

00:53:12,134 —> 00:53:15,470

Steven! Open the door!

867

00:53:15,554 —> 00:53:17,639

- Open the door!

- [rock music continues]

868

00:53:17,723 —> 00:53:21,685

- [pounding on door]

- Steven!

869

00:53:24,021 —> 00:53:26,273

[Sobbing]

870

00:53:31,570 —> 00:53:33,614

[Panting]

871

00:53:38,911 —> 00:53:41,496

[Crying]

872

00:53:41,580 —> 00:53:42,873

[Susan] Mommy?

873

00:53:43,916 —> 00:53:46,543

Go... Go...

Go pack your things, Susan.

874

00:53:48,379 —> 00:53:49,546

Go on.

875

00:54:12,736 —> 00:54:15,447

Susan! Susan!

876

00:54:18,909 —> 00:54:20,744

Come on. Let's go, Susan.

877

00:54:22,621 —> 00:54:24,164

Come on. Let's go.

878

00:54:25,958 —> 00:54:27,418

Come on. [sniffles]

879

00:54:29,420 —> 00:54:32,005

Mom. Mom, what's happening?

880

00:54:32,089 —> 00:54:34,299

I'm taking Susan to the beach.

881

00:54:35,134 —> 00:54:36,844

Are you sure that's a good idea?

882

00:54:38,470 —> 00:54:41,139

- [Susan] Mom, what's going on?

- [Michael] What if we just wait

883

00:54:41,223 —> 00:54:43,683

- till Dad comes home?

- [Susan] Mom, what's wrong? Mom?

884

00:54:43,767 —> 00:54:45,810

Wait for Dad to get home!

885

00:54:45,894 —> 00:54:47,854

- [Susan] Mom. Mom.

- It'll be okay. I promise.

886

00:54:48,730 —> 00:54:51,232

- If this is about the music...

- Oh, please.

887

00:54:51,316 —> 00:54:54,235

...we can turn it down.

We'll clean the house.

888

00:54:54,319 —> 00:54:55,821

We can do whatever you like.

889

00:54:56,530 —> 00:54:58,698

Mom, please don't do this.

890

00:54:58,782 —> 00:55:01,785

- Mom, please don't do this.

- Michael, let go of the door!

891

00:55:04,329 —> 00:55:06,623

Where are the keys?

Did you take the keys?

892

00:55:06,707 —> 00:55:09,167

Michael, did you take them?

893

00:55:09,251 —> 00:55:11,503

Did you take them?

Where did you put them?

894

00:55:12,546 —> 00:55:15,507

What is... Clara.

Did you call Clara?

895

00:55:15,591 —> 00:55:18,218

- Mrs. Ford.

- What did you do?

896

00:55:18,302 —> 00:55:19,844

[Clara] I'm here, Mrs. Ford.

897

00:55:19,928 —> 00:55:22,222

I came right back

as soon as you needed me.

898

00:55:22,306 —> 00:55:24,015

Are you okay, Mrs. Ford?

899

00:55:24,099 —> 00:55:28,228

[Crying] I don't...

I don't... I don't...

900

00:55:29,938 —> 00:55:33,108

Mrs. Ford, I'm here.

901

00:55:33,192 —> 00:55:36,820

Oh, my... What did you do?

What did you do?

902

00:55:41,200 —> 00:55:42,700

Clara, I'll take care of it.

903

00:55:42,784 —> 00:55:44,452

- Betty.

- Mom.

904

00:55:44,536 —> 00:55:46,997

Michael, take care

of your brother and sister.

905

00:55:50,542 —> 00:55:53,587

Children, come here.

I know you're scared.

906

00:55:54,671 —> 00:55:57,924

Your mom loves you all

very much.

907

00:55:58,008 —> 00:56:01,761

And, uh, she's just

very, very tired.

908

00:56:01,845 —> 00:56:04,681

She's gonna get help

from a doctor

909

00:56:04,765 —> 00:56:06,683

and he's gonna

help her get better.

910

00:56:08,310 —> 00:56:09,686

You okay, Michael?

911

00:56:12,064 —> 00:56:13,482

You did good.

912

00:56:14,316 —> 00:56:16,360

[Melancholy music playing]

913

00:56:29,248 —> 00:56:30,415

Jerry.

914

00:56:36,713 —> 00:56:40,467

Please tell the children

that I'm sorry.

915

00:56:42,511 —> 00:56:46,056

I will, Mother.

You sleep now, okay?

916

00:56:52,104 —> 00:56:53,230

I love you.

917

00:57:02,030 —> 00:57:04,324
You've all auditioned very well

918
00:57:04,408 —> 00:57:07,160
and I'm appreciative
of your efforts.

919
00:57:07,244 —> 00:57:10,330
I'm sorry to say,
none of you are great,

920
00:57:10,414 —> 00:57:12,916
but some of you do show promise.

921
00:57:13,000 —> 00:57:15,711
Meg, you're in.

922
00:57:16,628 —> 00:57:18,588
Elizabeth, you're in.

923
00:57:18,672 —> 00:57:20,048
Callie, you're cut.

924

00:57:20,132 —> 00:57:21,966

Helen, in.

925

00:57:22,050 —> 00:57:24,720

Betty, you're out.

926

00:57:26,346 —> 00:57:27,847

If you can care for yourself,

927

00:57:27,931 —> 00:57:29,891

maybe you can come back

and try again.

928

00:57:29,975 —> 00:57:33,770

Trudy, you're in.

Jennifer, in. Natalie, in.

929

00:57:33,917 —> 00:57:36,378

[Melancholy music playing]

930

00:57:52,997 —> 00:57:55,040

[Melancholy music continues]

EP5: See Saw

1

00:00:04,129 –> 00:00:05,839

["I Shot the Sheriff" playing]

2

00:00:05,880 –> 00:00:08,842

I shot the sheriff

3

00:00:08,883 –> 00:00:12,762

But I didn't shoot no deputy

4

00:00:12,804 –> 00:00:15,473

Oh, no, oh

5

00:00:15,515 –> 00:00:19,978

I shot the sheriff

6

00:00:20,020 –> 00:00:21,896

But I didn't shoot no deputy

7

00:00:23,732 –> 00:00:26,818

"Fords bring dancing

back to the White House."

8

00:00:26,860 —> 00:00:30,655

Well, what can I say?

I'm a dancer.

9

00:00:30,697 —> 00:00:32,699

- [chuckles]

- Your mother was fantastic.

10

00:00:32,741 —> 00:00:36,327

Your father and I

are a very good team.

11

00:00:36,369 —> 00:00:39,664

Now you just have to deal

with Nixon, Dad. No big whoop.

12

00:00:39,706 —> 00:00:42,000

Just sending

a former president to prison.

13

00:00:42,042 —> 00:00:44,502

Mmm, it's definitely
a big whoop.

14
00:00:44,544 —> 00:00:46,046
Is he going to go
to one of those prisons

15
00:00:46,087 —> 00:00:47,380
with tennis courts?

16
00:00:49,215 —> 00:00:52,260
I don't know, Susan.
I suppose it's a possibility.

17
00:00:52,302 —> 00:00:55,680
I think we'll all be
very relieved

18
00:00:55,722 —> 00:00:58,349
when the whole thing
is behind us.

19
00:00:58,391 —> 00:01:01,061

- [door opens]

- [assistant] Pardon me.

20

00:01:01,102 —> 00:01:03,813

Mr. President,

Mr. Rumsfeld and Mr. Cheney

21

00:01:03,855 —> 00:01:05,523

would like to speak

with you urgently.

22

00:01:05,565 —> 00:01:07,442

- Thank you.

- [assistant] Thank you, sir.

23

00:01:17,285 —> 00:01:18,953

- [dog whines]

- Come on.

24

00:01:22,749 —> 00:01:26,002

I do not envy

your father right now.

25

00:01:26,044 —> 00:01:28,588
You think Pat Nixon knew what
was going on the whole time?

26
00:01:30,256 —> 00:01:32,258
- I don't know, honey.
- [door opens]

27
00:01:32,300 —> 00:01:33,843
- [door closes]
- I don't...

28
00:01:39,599 —> 00:01:42,685
I don't even know how much
your dad can tell me.

29
00:01:44,104 —> 00:01:47,941
Who knows what
President Nixon told Pat?

30
00:01:47,982 —> 00:01:50,068
Daddy is going to punish him,
isn't he?

31

00:01:50,110 —> 00:01:53,029

Hmm. No, your father

will do the right thing.

32

00:01:53,071 —> 00:01:55,115

["I Shot the Sheriff" playing]

33

00:01:56,616 —> 00:01:59,828

History will write

the true story

34

00:01:59,869 —> 00:02:01,496

of President Nixon.

35

00:02:01,538 —> 00:02:03,748

He has done good,

but he's done irreparable harm

36

00:02:03,790 —> 00:02:06,918

in... in standing up and lying,

bold-facedly,

37

00:02:06,960 —> 00:02:08,878
to the people
over and over again.

38
00:02:08,920 —> 00:02:11,214
It's, uh...
It's a shattering experience

39
00:02:11,256 —> 00:02:14,467
to find a man in
the highest office doing that.

40
00:02:16,136 —> 00:02:17,762
I, I, I

41
00:02:17,804 —> 00:02:19,556
I shot the sheriff

42
00:02:19,597 —> 00:02:22,308
Lord
I didn't shot the deputy

43
00:02:22,350 —> 00:02:23,518

No

44

00:02:25,145 —> 00:02:27,230

[cameraman]

Standing by, Mr. President.

45

00:02:27,272 —> 00:02:29,732

- I... I...

- Shot the sheriff

46

00:02:29,774 —> 00:02:32,235

But I didn't shoot no deputy

47

00:02:32,277 —> 00:02:33,653

[clears throat]

48

00:02:36,531 —> 00:02:38,116

[Susan] It's quite yellow.

49

00:02:38,158 —> 00:02:41,494

It's very cheerful.

How's it going, Robert?

50

00:02:41,536 —> 00:02:43,329

[Robert] It's going well.

Thank you, ma'am.

51

00:02:44,330 —> 00:02:46,958

[Susan] Oh, wow.

Very floral, Mother.

52

00:02:47,000 —> 00:02:49,627

[scoffs] You are such a snob.

53

00:02:49,669 —> 00:02:52,297

- Huh, where do you get that?

- [TV anchor] Mr. Ford was asked

54

00:02:52,338 —> 00:02:55,216

by reporters what he would be

doing for the rest of the day.

55

00:02:55,258 —> 00:02:57,719

He replied,

"You will find out shortly."

56

00:02:57,760 —> 00:02:59,929

Three hours later,

in his White House office,

57

00:02:59,971 —> 00:03:02,098

- this is what happened.

- [Susan] Mom, Daddy's on TV.

58

00:03:02,140 —> 00:03:04,976

[Gerald] Serious allegations

and accusations

59

00:03:05,018 —> 00:03:09,105

hang like a sword over

our former president's head.

60

00:03:09,147 —> 00:03:13,276

Finally, I feel that

Richard Nixon and his loved ones

61

00:03:13,318 —> 00:03:15,445

have suffered enough

62

00:03:15,486 —> 00:03:19,199

and will continue to suffer,

no matter what I do...

63

00:03:19,240 —> 00:03:23,119

no matter what we,

as a great and good nation

64

00:03:23,161 —> 00:03:27,540

can do together to make

his goal of peace come true.

65

00:03:30,251 —> 00:03:34,547

Now, therefore, I,

Gerald R. Ford,

66

00:03:35,590 —> 00:03:38,051

president of the United States

67

00:03:39,510 —> 00:03:41,679

pursuant... [clears throat]

68

00:03:41,721 —> 00:03:44,182
...to the pardon power
conferred upon me

69
00:03:44,224 —> 00:03:47,894
by Article Two, Section Two
of the Constitution,

70
00:03:47,936 —> 00:03:49,187
have granted,

71
00:03:49,229 —> 00:03:52,023
and by these presents, do grant

72
00:03:52,065 —> 00:03:56,653
a full, free and absolute pardon
unto Richard Nixon

73
00:03:56,694 —> 00:03:59,614
for all offenses
against the United States

74
00:03:59,656 —> 00:04:03,534

committed from January 20, 1969

75
00:04:03,576 —> 00:04:07,080
through August 9, 1974.

76
00:04:08,414 —> 00:04:10,458
[cameraman]
We're off camera, Mr. President.

77
00:04:10,500 —> 00:04:12,543
pensive music

78
00:04:18,549 —> 00:04:20,843
There's been some angry reaction
to the Nixon pardon.

79
00:04:20,885 —> 00:04:22,762
[news anchor 2] According to
White House statistics,

80
00:04:22,804 —> 00:04:25,265
phone calls are heavy now,
running about 50-50.

81

00:04:25,306 —> 00:04:27,016

But telegrams are six to one

82

00:04:27,058 —> 00:04:28,893

against

the president's decision,

83

00:04:28,935 —> 00:04:30,895

600 to 700 telegrams an hour.

84

00:04:30,937 —> 00:04:32,772

One telegram from Virginia said,

85

00:04:32,814 —> 00:04:35,733

"Roosevelt had his New Deal.

Truman had his Fair Deal.

86

00:04:35,775 —> 00:04:37,944

Now Ford has his crooked deal."

87

00:04:39,237 —> 00:04:40,446

Hi, there.

88

00:04:41,406 —> 00:04:42,782

What time is it?

89

00:04:45,576 —> 00:04:46,786

Why aren't you in bed?

90

00:04:53,710 —> 00:04:54,794

Everything all right?

91

00:04:58,214 —> 00:04:59,632

No, Jerry.

92

00:05:01,134 —> 00:05:02,427

It's not.

93

00:05:08,391 —> 00:05:11,102

Have you noticed

that I never once asked you

94

00:05:11,144 —> 00:05:13,271

about those tapes?

95
00:05:15,940 —> 00:05:19,027
The burglaries, the wiretaps,

96
00:05:19,068 —> 00:05:21,696
who was involved,
who wasn't involved.

97
00:05:21,738 —> 00:05:23,740
Anything about Watergate.

98
00:05:23,781 —> 00:05:25,658
I didn't know, Betty.

99
00:05:25,700 —> 00:05:28,411
Of course you didn't,
because if you did,

100
00:05:28,453 —> 00:05:30,830
you wouldn't have been able
to live with yourself.

101

00:05:31,956 —> 00:05:35,501

Do you realize how this

makes you look?

102

00:05:37,879 —> 00:05:41,174

How this makes our family look?

103

00:05:41,215 —> 00:05:42,342

[scoffs]

104

00:05:44,135 —> 00:05:46,554

Hey, this was not

an easy decision.

105

00:05:47,805 —> 00:05:50,600

I didn't go in there

expecting to pardon him.

106

00:05:50,641 —> 00:05:52,268

Then why the fuck did you do it?

107

00:05:52,310 —> 00:05:54,437

To end the pain

this country is in!

108

00:05:56,147 —> 00:05:59,400

I had my first press conference

as president two days ago.

109

00:05:59,442 —> 00:06:01,819

The only thing any reporter,

every last one of them,

110

00:06:01,861 —> 00:06:03,905

wanted to talk about was Nixon!

111

00:06:03,946 —> 00:06:05,740

Nothing about

our economic crisis,

112

00:06:05,782 —> 00:06:08,242

nothing about our foreign policy

issues. Just Nixon!

113

00:06:08,284 —> 00:06:09,577

So you let him off!

114

00:06:09,619 —> 00:06:11,496

He accepted the pardon!

115

00:06:13,373 —> 00:06:14,916

That is an admission of guilt!

116

00:06:14,957 —> 00:06:19,003

Without consequences

for his actions!

117

00:06:23,841 —> 00:06:28,846

You know that this makes us

look complicit, don't you?

118

00:06:28,888 —> 00:06:30,681

Like we're part of the cover-up!

119

00:06:39,190 —> 00:06:42,068

I know why I did

what I did, Betty.

120

00:06:44,278 —> 00:06:46,656

If you don't believe in me,

I can't change that.

121

00:06:46,697 —> 00:06:48,866

- No, you can't.

- [scoffs]

122

00:06:48,908 —> 00:06:50,868

I really believed

you were going to bring

123

00:06:50,910 —> 00:06:53,746

some of your goodness

to the office.

124

00:06:53,788 —> 00:06:56,332

dramatic music

125

00:07:24,610 —> 00:07:26,737

- Oh! I... Sorry, ma'am.

- Oh, pardon me.

126

00:07:29,365 —> 00:07:30,825

[muffled chattering]

127

00:07:30,867 —> 00:07:33,119

- [phones ringing]

- [typewriters clacking]

128

00:07:36,038 —> 00:07:36,956

[clears throat]

129

00:07:40,168 —> 00:07:43,379

- Hi.

- [receptionist] Can I help you?

130

00:07:43,421 —> 00:07:46,048

I'm here for Gerald Ford.

131

00:07:46,090 —> 00:07:47,633

[receptionist]

Uh, down that way.

132

00:08:03,107 —> 00:08:07,487

Betty. How are ya?

What are you doing here?

133

00:08:07,528 —> 00:08:09,405

Why haven't you told me?

134

00:08:12,158 —> 00:08:13,701

Do you wanna go outside

and talk?

135

00:08:13,743 —> 00:08:16,037

Let's go outside and talk.

136

00:08:16,078 —> 00:08:17,955

- Let's go outside.

- No, no, no. It's...

137

00:08:20,249 —> 00:08:22,627

It's because

I'm a divorced woman.

138

00:08:24,086 —> 00:08:25,129

Yeah.

139

00:08:26,756 —> 00:08:28,633

I should've told you.

Betty, hey...

140

00:08:28,674 —> 00:08:31,302

- [whispers] Don't you touch me.

- I should've told you.

141

00:08:31,344 —> 00:08:33,638

I'm sorry I made you feel like

you weren't enough, okay?

142

00:08:33,679 —> 00:08:36,891

You are. You're enough,

and I'm sorry. I'm sorry.

143

00:08:36,933 —> 00:08:38,809

It won't happen again.

I messed up.

144

00:08:41,020 —> 00:08:43,564

[chattering]

145

00:08:43,606 —> 00:08:45,149

No secrets.

146

00:08:46,817 —> 00:08:48,861

I won't.

This won't happen again.

147

00:08:59,247 —> 00:09:01,290

This land is your land

148

00:09:03,834 —> 00:09:06,629

This land is my land

149

00:09:09,632 —> 00:09:12,134

From California

150

00:09:13,094 —> 00:09:17,181

To the New York island

151

00:09:17,974 —> 00:09:21,978

From the redwood forest

152

00:09:24,564 —> 00:09:27,858

To the Gulf Stream waters

153

00:09:28,651 —> 00:09:30,152

I tell you

154

00:09:30,194 —> 00:09:32,780

This land

155

00:09:32,822 —> 00:09:34,865

Was made for you and me

156

00:09:36,576 —> 00:09:37,743

Yeah

157

00:09:43,332 —> 00:09:47,378

One bright sunny morning

158

00:09:47,420 —> 00:09:51,257

In the shadow of the steeple

159

00:09:52,383 —> 00:09:57,179

Down by the welfare office

160

00:09:57,221 —> 00:10:01,726

I saw my people

161

00:10:01,767 —> 00:10:04,228

I was wondering

162

00:10:04,270 —> 00:10:07,189

If this land

163

00:10:07,231 —> 00:10:09,442

Was made for you and me

164

00:10:14,405 —> 00:10:16,449

[sirens in distance]

165

00:10:28,002 —> 00:10:30,046

["Silver Bells"

playing on stereo]

166

00:10:32,465 —> 00:10:35,092

[Fraser] Well, she was up

early this morning

167

00:10:35,134 —> 00:10:36,761

doing all this cooking,

and now...

168

00:10:36,802 —> 00:10:38,971

[Craig] She said she would

only be a few minutes.

169

00:10:39,013 —> 00:10:41,474

[Fraser] She in the room.

We're sitting here ready to eat.

170

00:10:41,515 —> 00:10:42,808

Come on, now.

171

00:10:43,643 —> 00:10:45,603

Looks good, though.

172

00:10:45,645 —> 00:10:47,980
Marian! We're ready to eat.

173
00:10:48,022 —> 00:10:50,941
[Marian] Go ahead.
Start without me.

174
00:10:50,983 —> 00:10:54,028
Great, 'cause candied yams don't
taste right when they're cold.

175
00:10:54,070 —> 00:10:56,364
Boy, don't try me on the eve
of our Savior's birth.

176
00:10:56,405 —> 00:10:57,323
Put that spoon down.

177
00:10:58,949 —> 00:11:02,244
I'm on Craig's side
about the candied yams.

178
00:11:02,286 —> 00:11:03,829

Let me see how long

Mom's gonna be.

179

00:11:07,041 —> 00:11:11,879

My husband has MS.

He needs his medication.

180

00:11:13,839 —> 00:11:17,176

Well, what's the point of

insurance if you can't help him?

181

00:11:18,552 —> 00:11:22,848

We don't have $568!

182

00:11:25,142 —> 00:11:26,185

Well...

183

00:11:28,145 —> 00:11:29,188

Yeah.

184

00:11:31,399 —> 00:11:32,525

Thanks a lot.

185

00:11:38,030 —> 00:11:39,824

Merry fucking Christmas.

186

00:11:39,865 —> 00:11:41,575

melancholic music

187

00:12:06,016 —> 00:12:08,310

[Mel] Oh, God, I would kill

for some sugar right now.

188

00:12:08,352 —> 00:12:10,146

- [Susan Sher] Mel.

- [Mel] Proper chocolate.

189

00:12:10,187 —> 00:12:12,648

- Hey, Val.

- Hey, Mich.

190

00:12:12,690 —> 00:12:14,233

How'd it go?

191

00:12:14,275 —> 00:12:16,152

Rahm won't consider
any new legislation

192
00:12:16,193 —> 00:12:18,320
remotely connected
to health care.

193
00:12:18,362 —> 00:12:20,156
He's obsessed with the Midterms.

194
00:12:20,197 —> 00:12:22,825
Uh-huh. I've been looking
at those polls too, and yikes.

195
00:12:22,867 —> 00:12:24,201
Yeah, I'm worried.

196
00:12:24,243 —> 00:12:26,704
- Me too.
- Barack loves

197
00:12:26,746 —> 00:12:29,582
the Healthy, Hunger-Free

Kids Act, so fuck Rahm.

198
00:12:29,623 —> 00:12:31,667
- Just go do it. Get it started.
- [gasps]

199
00:12:31,709 —> 00:12:35,045
I mean, who will not back a bill
about children's health?

200
00:12:35,087 —> 00:12:36,505
Believe it or not,

201
00:12:36,547 —> 00:12:38,507
and I have this
on the best authority,

202
00:12:38,549 —> 00:12:41,218
even Republicans have kids.

203
00:12:41,260 —> 00:12:42,928
- No.
- Yes.

204

00:12:42,970 —> 00:12:44,597

I saw one once in the West Wing.

205

00:12:44,638 —> 00:12:46,390

Looked like a very tiny turtle.

206

00:12:46,432 —> 00:12:49,393

- Stop.

- [all laughing]

207

00:12:49,435 —> 00:12:51,604

You're so bad. I'm gonna

tell 'em you said that.

208

00:12:51,645 —> 00:12:53,230

Oh, you absolutely...

No, you are not!

209

00:12:53,272 —> 00:12:55,483

Don't say nothing till

we pass that act, though.

210

00:12:55,524 —> 00:12:57,151

Don't you tell him what I said.

211

00:12:57,193 —> 00:12:58,736

- [laughing]

- Shut the door.

212

00:12:58,778 —> 00:13:00,905

This is good news, ladies. So...

213

00:13:00,946 —> 00:13:03,407

The Healthy,

Hunger-Free Kids Act.

214

00:13:03,449 —> 00:13:07,077

The goal is to fight childhood

obesity and hunger together.

215

00:13:07,119 —> 00:13:09,705

[news anchor 3]

This represents $4.5 billion

216

00:13:09,747 —> 00:13:11,248
of allocated funding

217
00:13:11,290 —> 00:13:12,875
which will then go
to the schools.

218
00:13:12,917 —> 00:13:14,960
[kids laughing, chattering]

219
00:13:27,014 —> 00:13:28,641
It's my happy place.

220
00:13:31,101 —> 00:13:33,729
This one?
Get some hummus. Okay. Enjoy.

221
00:13:33,771 —> 00:13:35,940
Mrs. Obama,
can we get a picture, please?

222
00:13:35,981 —> 00:13:37,733
[Michelle] Of course.

223

00:13:37,775 —> 00:13:39,109

[camera clicks]

224

00:13:39,151 —> 00:13:41,153

- Thank you!

- Thank you!

225

00:13:42,947 —> 00:13:45,407

I think we need some more

extras. Do we have any more?

226

00:13:45,449 —> 00:13:48,035

Yeah, we'll just use these. That

should be good enough, right?

227

00:13:49,537 —> 00:13:51,831

- Sylvie, which one do you want?

- This one's fine.

228

00:13:51,872 —> 00:13:53,541

- Okay. Here you go.

- [Sylvie] Thank you.

229

00:13:53,582 —> 00:13:57,294

Sylvie.

Did you want two of those?

230

00:13:59,588 —> 00:14:02,341

Oh, I'm sorry.

I can put it back.

231

00:14:06,345 —> 00:14:08,973

The lunch ladies usually

give me an extra lunch.

232

00:14:09,014 —> 00:14:10,474

This one's for my mom.

233

00:14:13,769 —> 00:14:17,857

Okay. You know what?

Take this one too, okay?

234

00:14:24,321 —> 00:14:25,698

Take care of yourself.

235

00:14:25,739 —> 00:14:27,199

- I will.

- Okay?

236

00:14:29,660 —> 00:14:31,954

- Mel! Okay.

- [Mel] Okay.

237

00:14:31,996 —> 00:14:35,207

- Senator Al Franken.

- Oh, Senator Franken.

238

00:14:35,249 —> 00:14:37,042

- [Mel] Yeah.

- Uh-huh.

239

00:14:37,084 —> 00:14:39,211

- [Mel] Senator Amy Klobuchar.

- Amy will like this.

240

00:14:39,253 —> 00:14:40,880

She will love this.

241

00:14:42,172 —> 00:14:43,632

Yeah, you can take that one.

242

00:14:43,674 —> 00:14:46,051

And Senator Lindsey Graham.

243

00:14:46,093 —> 00:14:47,094

Hi.

244

00:14:48,345 —> 00:14:50,723

Give him extra eggplant.

Or carrots.

245

00:14:50,764 —> 00:14:52,016

- These?

- [Mel] Love it.

246

00:14:52,057 —> 00:14:53,392

Let's hope there's no ethics law

247

00:14:53,434 —> 00:14:55,311

making veggies bribery.

248

00:14:56,145 —> 00:14:59,773

Hey, are you and Neil

doing okay?

249

00:14:59,815 —> 00:15:01,066

Yeah, we're fine.

250

00:15:07,239 —> 00:15:10,034

- Actually, we're not fine.

- Mmm.

251

00:15:10,075 —> 00:15:11,952

The other night,

he told me that he feels like

252

00:15:11,994 —> 00:15:14,496

we're in an open marriage

with my BlackBerry.

253

00:15:14,538 —> 00:15:16,916

Ooh. Susan...

254

00:15:18,167 —> 00:15:21,128

Listen, you know I appreciate

the time you put in,

255

00:15:21,170 —> 00:15:23,631

but if you ever need to...

256

00:15:23,672 —> 00:15:25,299

[Susan Sher]

Can I take the weekend?

257

00:15:25,341 —> 00:15:29,094

- Ladies, bad guy's here. Wow.

- Oh, God.

258

00:15:30,554 —> 00:15:33,390

- What can I do for you, Rahm?

- [Rahm] Very impressive.

259

00:15:33,432 —> 00:15:35,434

Um... Hi.

260

00:15:35,935 —> 00:15:39,355
We can't have you
sending senators swag bags

261
00:15:39,396 —> 00:15:41,023
- from the White House garden.
- Why not?

262
00:15:41,065 —> 00:15:43,192
Well, A, it makes us look
fucking ridiculous.

263
00:15:43,233 —> 00:15:46,070
And B, because all of
these brilliant conservatives

264
00:15:46,111 —> 00:15:47,863
somehow were able
to convince the public

265
00:15:47,905 —> 00:15:50,366
that Obamacare equals
government overreach

266

00:15:50,407 —> 00:15:52,701

and turning America

into a nanny state.

267

00:15:52,743 —> 00:15:55,120

So now is not the time to say,

268

00:15:55,162 —> 00:15:57,665

"Hey, kids, why don't you

swap out those cheeseburgers

269

00:15:57,706 —> 00:16:01,168

and have some kale

and fucking cucumbers."

270

00:16:01,210 —> 00:16:02,544

Are you saying that Americans

271

00:16:02,586 —> 00:16:04,463

don't care

about their kids' health?

272

00:16:05,381 —> 00:16:07,257
Type 2 diabetes, obesity,

273
00:16:07,299 —> 00:16:09,802
people living miles away
from fresh food.

274
00:16:10,803 —> 00:16:12,972
Or do you not care about that?

275
00:16:13,514 —> 00:16:16,725
I don't want my kids eating
that greasy shit either.

276
00:16:16,767 —> 00:16:18,936
But right now,
we need to win the Midterms,

277
00:16:18,978 —> 00:16:21,355
and the Healthy,
Hunger-Free Kids Act

278
00:16:21,397 —> 00:16:23,190

is not helping our poll numbers.

279
00:16:23,232 —> 00:16:26,860
If I were honest, I think
that you have the wrong takeaway

280
00:16:26,902 —> 00:16:28,529
from these Midterm polls.

281
00:16:28,570 —> 00:16:30,698
Oh, really? Wow.

282
00:16:30,739 —> 00:16:32,533
Look, please,
I'm begging you. Tell me.

283
00:16:32,574 —> 00:16:35,077
What is your expert political
analysis on this...

284
00:16:35,119 —> 00:16:37,997
You didn't make health care
personal. You didn't own it.

285

00:16:40,958 —> 00:16:43,460

I get that you're passionate

about this,

286

00:16:43,502 —> 00:16:45,629

and I understand

your connection to it.

287

00:16:45,671 —> 00:16:47,589

I know you don't think so,

but I do.

288

00:16:47,631 —> 00:16:49,008

I'm telling you from experience.

289

00:16:49,049 —> 00:16:50,759

I learned the hard way,

all right?

290

00:16:50,801 —> 00:16:52,803

Making things personal

291

00:16:52,845 —> 00:16:54,388

can get in the way

of smart politics.

292

00:16:54,430 —> 00:16:56,557

Well, maybe sometimes

you have to say,

293

00:16:56,598 —> 00:16:59,184

"Forget about smart politics,

294

00:16:59,226 —> 00:17:03,022

do what's right

and trust the rest."

295

00:17:04,231 —> 00:17:06,066

That sounds amazing.

296

00:17:06,108 —> 00:17:07,568

But it's not realistic.

297

00:17:07,609 —> 00:17:09,820

You know what though?

It's your realm.

298

00:17:09,862 —> 00:17:12,740

Do whatever you want. I'm just

letting you know my opinion

299

00:17:12,781 —> 00:17:14,575

because I know

you're dying to hear it.

300

00:17:14,616 —> 00:17:16,994

I think you're making a mistake.

That's all.

301

00:17:17,036 —> 00:17:20,873

Sorry, please go back

to your vegetation.

302

00:17:24,001 —> 00:17:26,503

[birds chirping]

303

00:17:26,545 —> 00:17:29,339

gentle music

304

00:17:34,803 —> 00:17:36,430

[Malvina] Front page.

305

00:17:36,472 —> 00:17:39,349

Ooh! Oh, good.

306

00:17:39,767 —> 00:17:42,227

Definitely not a puff piece.

307

00:17:42,269 —> 00:17:44,938

Hmm. Thank you, Samuel.

308

00:17:46,190 —> 00:17:47,232

Thank you.

309

00:17:48,859 —> 00:17:51,153

[coughing]

310

00:17:51,195 —> 00:17:52,488

Morning, Louis.

311

00:17:52,529 —> 00:17:53,989

- [Louis] Morning.

- Louis.

312

00:17:54,031 —> 00:17:54,990

Tommy.

313

00:17:56,116 —> 00:17:57,242

That's some article.

314

00:17:57,284 —> 00:18:00,287

Oh, I haven't read it.

315

00:18:00,329 —> 00:18:01,747

Everyone else has.

316

00:18:03,332 —> 00:18:04,750

- Oh?

- [Louis] Usually,

317

00:18:04,792 —> 00:18:06,585

one consults with the president

318
00:18:06,627 —> 00:18:08,462
before giving direct quotes
to reporters

319
00:18:08,504 —> 00:18:10,255
announcing cuts
to White House spending.

320
00:18:10,297 —> 00:18:12,341
Oh, nothing stopped him
from saying it.

321
00:18:12,382 —> 00:18:14,635
[Louis] Yeah.
Actually, many things did.

322
00:18:14,676 —> 00:18:17,846
Uh, let's see.
Tact, um, strategy,

323
00:18:17,888 —> 00:18:20,808

timing, a desire
for a positive outcome...

324
00:18:20,849 —> 00:18:22,893
I believe that an administration

325
00:18:22,935 —> 00:18:25,813
demonstrating fiscal austerity
during a depression

326
00:18:25,854 —> 00:18:28,148
can most certainly lead
to a positive outcome.

327
00:18:28,190 —> 00:18:31,151
Right. Um, Eleanor, there is
a way that things are done here.

328
00:18:31,193 —> 00:18:33,821
[Eleanor] You know,
a great political adviser

329
00:18:33,862 —> 00:18:37,199

once told me to stop laughing

330
00:18:37,241 —> 00:18:39,159
when I spoke of serious things.

331
00:18:39,201 —> 00:18:41,036
That adviser,

332
00:18:41,078 —> 00:18:44,998
the same adviser who became one
of my most trusted friends,

333
00:18:45,040 —> 00:18:47,876
also told me that I should
lower the pitch of my voice

334
00:18:47,918 —> 00:18:50,921
so that men would not dismiss me
as a frivolous woman.

335
00:18:50,963 —> 00:18:54,007
Now everyone,
including that friend,

336

00:18:54,049 —> 00:18:56,051

is telling me to be quiet.

337

00:18:56,093 —> 00:18:58,387

This is the highest office

in the land.

338

00:18:58,428 —> 00:19:01,348

You have a wide audience

to win over.

339

00:19:01,390 —> 00:19:05,018

Being contrary doesn't translate

into widespread appeal.

340

00:19:05,060 —> 00:19:09,648

I see. People prefer pleasant.

341

00:19:09,690 —> 00:19:12,818

The president's advisers

think his goddamn wife

342

00:19:12,860 —> 00:19:14,987

should stay in the background!

343

00:19:15,028 —> 00:19:18,323

Hick's article is positive,

yes, but the others...

344

00:19:18,365 —> 00:19:19,408

Well...

345

00:19:21,034 —> 00:19:24,079

they seem to have asked

their cartoonist to be as...

346

00:19:25,247 —> 00:19:26,498

cruel as possible.

347

00:19:30,919 —> 00:19:31,962

Louis.

348

00:19:33,338 —> 00:19:37,426

Not everyone likes you

as much as we do.

349
00:19:37,467 —> 00:19:39,344
pensive music

350
00:19:46,351 —> 00:19:48,103
[Lorena]
I know ten female reporters

351
00:19:48,145 —> 00:19:50,147
who've been let go
now that the election's over.

352
00:19:50,189 —> 00:19:52,316
- No.
- Yes. Yes.

353
00:19:54,026 —> 00:19:55,986
Is your job secure?

354
00:19:56,028 —> 00:19:57,070
Yeah.

355

00:19:59,031 —> 00:20:00,616

Thanks to our collaboration,

356

00:20:00,657 —> 00:20:02,993

the AP offered me

White House Correspondent,

357

00:20:03,035 —> 00:20:05,370

exclusively covering you.

358

00:20:05,412 —> 00:20:06,580

No.

359

00:20:07,831 —> 00:20:11,877

What, a whole job

just dedicated to one person?

360

00:20:11,919 —> 00:20:13,629

That seems a bit excessive.

361

00:20:13,670 —> 00:20:15,505

- Doesn't it?

- No. That's nonsense.

362
00:20:15,547 —> 00:20:17,883
You already helped appoint
the first female cabinet member.

363
00:20:17,925 —> 00:20:20,552
I know you gave the president
a long list of women.

364
00:20:20,594 —> 00:20:23,222
I did, but Frances Perkins
wasn't on it.

365
00:20:23,263 —> 00:20:27,643
[chuckles] Well, still,
it's an historic appointment.

366
00:20:27,684 —> 00:20:29,519
You put the issue
front and center.

367
00:20:29,561 —> 00:20:30,729

I suppose.

368

00:20:30,771 —> 00:20:32,898

I can't wait to see what's next.

369

00:20:32,940 —> 00:20:36,902

Well, I'm afraid

you'll be sorely disappointed.

370

00:20:36,944 —> 00:20:40,197

I'm a bit unseasoned

for politics.

371

00:20:40,239 —> 00:20:43,325

And clearly too ugly

for First Lady.

372

00:20:44,910 —> 00:20:46,245

This guy...

373

00:20:46,787 —> 00:20:49,581

This guy is an ignorant,

talentless hack

374

00:20:49,623 —> 00:20:51,041

who isn't fit

to shine your shoes.

375

00:20:51,083 —> 00:20:54,461

If you can't see

how beautiful you are...

376

00:20:54,503 —> 00:20:58,131

You have an audience,

your radio show, your columns,

377

00:20:58,173 —> 00:21:02,427

and the most powerful man

in the country. Use it.

378

00:21:06,598 —> 00:21:09,768

[static on radio]

379

00:21:10,769 —> 00:21:12,354

"One's philosophy

380

00:21:12,396 —> 00:21:16,066

is not best expressed in words.

381

00:21:16,108 —> 00:21:20,028

It is expressed

in the choices one makes.

382

00:21:20,070 —> 00:21:21,738

And the choices we make

383

00:21:21,780 —> 00:21:25,450

are ultimately

our responsibility.

384

00:21:25,492 —> 00:21:29,913

Do what you feel

in your heart to be right,

385

00:21:29,955 —> 00:21:34,042

for you'll be criticized anyway.

386

00:21:34,084 —> 00:21:38,463

No matter how plain

a woman may be,

387

00:21:38,505 —> 00:21:41,133

if truth and honesty

388

00:21:41,174 —> 00:21:43,969

are written across her face,

389

00:21:44,011 —> 00:21:47,139

she will be beautiful."

390

00:21:53,270 —> 00:21:55,856

A female-only press conference?

391

00:21:55,897 —> 00:21:58,525

Yes. Led by Mrs. Roosevelt.

392

00:21:58,567 —> 00:22:00,610

Well, Franklin is so busy now,

393

00:22:00,652 —> 00:22:02,863

and it will allow me to share

394
00:22:02,904 —> 00:22:05,073
in the very important
and good work

395
00:22:05,115 —> 00:22:07,034
this administration is doing.

396
00:22:07,075 —> 00:22:10,120
Yes, and it would promote
the employment of women.

397
00:22:14,791 —> 00:22:18,628
As press secretary, all events
in this house go through me.

398
00:22:18,670 —> 00:22:21,131
And this idea reveals

399
00:22:21,173 —> 00:22:24,760
is a misunderstanding,
a clear, basic misunderstanding

400

00:22:24,801 —> 00:22:28,096

of your role in this house.

401

00:22:28,138 —> 00:22:29,931

The role of First Lady

402

00:22:29,973 —> 00:22:33,018

has never officially

been defined or codified.

403

00:22:33,060 —> 00:22:37,314

But the expectations have,

by time and practice.

404

00:22:37,356 —> 00:22:40,025

- I cannot allow this.

- [Eleanor] "Allow"?

405

00:22:41,985 —> 00:22:45,697

Mr. Early,

this conversation is a courtesy.

406

00:22:48,075 —> 00:22:50,827

Steve, this is clearly

a good idea, all right?

407

00:22:50,869 —> 00:22:54,122

It enables communication

between the White House

408

00:22:54,164 —> 00:22:56,750

and American women...

a voter base, by the way.

409

00:22:56,792 —> 00:22:59,252

A base that will grow and grow.

410

00:22:59,294 —> 00:23:01,630

A growing voter base

that we will very much need

411

00:23:01,671 —> 00:23:04,174

by our side in

the next election, clearly.

412

00:23:07,719 —> 00:23:10,180

I can't approve this agenda.

It's too political.

413

00:23:10,222 —> 00:23:12,974

What is there

other than politics?

414

00:23:13,016 —> 00:23:14,768

[Early] Women's issues.

415

00:23:14,810 —> 00:23:18,355

Cooking and cleaning

and sewing...

416

00:23:18,397 —> 00:23:21,858

You would like me

to hold a press conference

417

00:23:21,900 —> 00:23:24,027

to discuss dusting?

418

00:23:24,069 —> 00:23:25,529
Or baking.

419
00:23:25,570 —> 00:23:26,863
Vacuuming?

420
00:23:26,905 —> 00:23:28,073
Knitting.

421
00:23:32,119 —> 00:23:35,497
Yes, these are all great.
These are all great.

422
00:23:35,539 —> 00:23:39,793
- [Malvina scoffs]
- Goodbye, Mr. Early. Thank you.

423
00:23:40,961 —> 00:23:43,755
[door opens, closes]

424
00:23:43,797 —> 00:23:46,800
Remind me never
to ask him again.

425

00:23:53,765 —> 00:23:58,812

Were you aware that Joe Namath

has a gentle, sensitive side?

426

00:23:58,854 —> 00:24:01,857

- Look how gentle he looks.

- [Nancy] So gentle.

427

00:24:01,898 —> 00:24:04,943

- Very gentle.

- [Betty laughs]

428

00:24:06,361 —> 00:24:10,031

It's just nice to read about

something other than Watergate.

429

00:24:10,073 —> 00:24:13,535

Oh, speaking of, your new

press secretary starts tomorrow.

430

00:24:13,577 —> 00:24:15,078

We need to get a meeting

in the books.

431

00:24:15,120 —> 00:24:17,414

- [knocking]

- Hello, Mrs. Howe.

432

00:24:17,456 —> 00:24:18,874

Oh, Madam First Lady.

433

00:24:18,915 —> 00:24:20,542

Oh, good afternoon.

434

00:24:20,584 —> 00:24:21,835

She's my moral support.

435

00:24:21,877 —> 00:24:23,712

I see. Ready for your mammogram?

436

00:24:23,753 —> 00:24:25,255

Ready as I'll ever be!

437

00:24:25,297 —> 00:24:27,382

I'll be in
the waiting room with Joe.

438
00:24:27,424 —> 00:24:30,886
Wait, Betty... You've never had
a mammogram, have you?

439
00:24:30,927 —> 00:24:31,803
No.

440
00:24:33,013 —> 00:24:35,098
Can you make room
for the First Lady, Doctor?

441
00:24:35,140 —> 00:24:37,893
- Nancy.
- Well, everyone's supposed

442
00:24:37,934 —> 00:24:39,895
to have a mammogram.
Right, Dr. Goldberg?

443
00:24:39,936 —> 00:24:42,397

We suggest women over 50
be screened every year, yes.

444
00:24:42,439 —> 00:24:44,232
See? And they don't tell us
this stuff.

445
00:24:44,274 —> 00:24:46,735
Another way that women
are kept in the dark.

446
00:24:46,776 —> 00:24:48,570
We'd be happy to fit you in
if you'd like.

447
00:24:48,612 —> 00:24:50,572
Then I don't have
to suffer alone.

448
00:24:50,614 —> 00:24:52,908
It's not that bad.
A little uncomfortable at most.

449

00:24:52,949 —> 00:24:56,244
Basically like laying down
on a cold garage floor

450
00:24:56,286 —> 00:24:58,121
and pulling out your breast
and having someone

451
00:24:58,163 —> 00:24:59,748
- run over it with a car.
- Nice.

452
00:24:59,789 —> 00:25:01,708
I'm kidding. Kind of.

453
00:25:01,750 —> 00:25:04,044
It's just a little pressure.
Be over before you know it.

454
00:25:04,085 —> 00:25:05,921
You're doing it.
Mammogram for two, please.

455

00:25:05,962 —> 00:25:07,339
Nurse will bring in your robes.

456
00:25:07,923 —> 00:25:12,427
I'm really not sure
if I wanna do this, Nancy.

457
00:25:12,469 —> 00:25:14,930
It's a little uncomfortable,
but it'll be quick and easy.

458
00:25:14,971 —> 00:25:17,474
And you're my friend and I want
you here as long as possible.

459
00:25:17,516 —> 00:25:18,558
- Okay?
- Okay.

460
00:25:18,600 —> 00:25:19,768
- For me.
- Okay.

461

00:25:19,809 —> 00:25:21,186
[door opens]

462
00:25:22,145 —> 00:25:23,939
- Mrs. Ford.
- [Betty] Thank you.

463
00:25:23,980 —> 00:25:25,565
- Of course.
- Wow.

464
00:25:25,607 —> 00:25:28,109
- Yeah.
- That's efficient.

465
00:25:28,151 —> 00:25:30,195
pensive music

466
00:25:33,323 —> 00:25:34,574
[door opens]

467
00:25:35,158 —> 00:25:38,537
Mrs. Ford. Thank you

for giving us a bit more time.

468

00:25:38,578 —> 00:25:40,997

This is Dr. Fouty,

Chief of Surgery.

469

00:25:41,039 —> 00:25:42,707

He'd like to examine

you a bit further,

470

00:25:42,749 —> 00:25:45,335

- if that's all right with you.

- Oh, of course.

471

00:25:45,377 —> 00:25:47,379

Just lie back on the table,

Mrs. Ford.

472

00:25:51,091 —> 00:25:53,218

- Promise I will make this quick.

- [Betty] Mmm.

473

00:25:56,012 —> 00:25:57,347

[Dr. Fouty] Just right here.

474

00:25:58,765 —> 00:26:01,643

- Is there a problem?

- Just extra precaution.

475

00:26:01,685 —> 00:26:03,311

We're double checking.

476

00:26:13,321 —> 00:26:14,406

Okay.

477

00:26:16,658 —> 00:26:18,743

- Any pain here?

- Mm-mmm.

478

00:26:19,828 —> 00:26:20,870

[Dr. Fouty] Mm-hmm.

479

00:26:24,249 —> 00:26:25,834

Very good. Okay.

480

00:26:25,875 —> 00:26:27,961
You can get dressed.

481
00:26:28,003 —> 00:26:30,213
Mmm. Thank you.

482
00:26:30,255 —> 00:26:32,716
- That's it?
- That's it.

483
00:26:34,092 —> 00:26:36,469
I will contact you
if we need to see you again.

484
00:26:36,511 —> 00:26:37,596
Thank you.

485
00:26:38,555 —> 00:26:40,015
[Dr. Goldberg]
Thank you, Mrs. Ford.

486
00:26:40,056 —> 00:26:42,183
[door opens]

487

00:26:42,225 —> 00:26:43,810

[door closes]

488

00:26:57,032 —> 00:26:59,951

pensive music

489

00:27:04,831 —> 00:27:06,791

- Susan.

- Mom.

490

00:27:06,833 —> 00:27:09,294

What is it? Oh.

491

00:27:10,587 —> 00:27:12,380

- [Gerald] Dr. Lushkin.

- Dr. Lushkin.

492

00:27:12,422 —> 00:27:16,009

I... I'm terribly sorry.

Um, uh, Susan came in

493

00:27:16,051 —> 00:27:18,845
- and... and we were discussing...
- I needed something for my cold

494
00:27:18,887 —> 00:27:20,221
and so I went to see
Dr. Lushkin,

495
00:27:20,263 —> 00:27:22,015
and he asked where you were,

496
00:27:22,057 —> 00:27:23,850
that he needed to talk
to you about something

497
00:27:23,892 —> 00:27:25,310
and I made him tell me why.

498
00:27:27,771 —> 00:27:32,233
Uh, Betty. Your, um, mammogram
and examination today

499
00:27:32,275 —> 00:27:34,277

revealed a tumor.

500

00:27:34,319 —> 00:27:35,487

Hmm.

501

00:27:39,115 —> 00:27:40,867

Tumors can be removed, right?

502

00:27:40,909 —> 00:27:43,370

[Dr. Lushkin] Uh, Dr. Fouty

would like to do a biopsy

503

00:27:43,411 —> 00:27:44,829

as quickly as possible.

504

00:27:46,122 —> 00:27:48,875

To see if the tumor

is... cancerous.

505

00:27:50,001 —> 00:27:52,962

Correct.

Depending on size and spread,

506

00:27:53,004 —> 00:27:55,757

we may recommend undergoing

a mastectomy, ma'am.

507

00:27:56,883 —> 00:27:57,967

I see.

508

00:27:58,968 —> 00:28:00,845

What exactly is that?

509

00:28:00,887 —> 00:28:05,266

It's a partial, and sometimes

full, removal of the breast.

510

00:28:07,560 —> 00:28:10,522

I'd like to schedule something

for tomorrow.

511

00:28:10,563 —> 00:28:12,273

Oh, no. I can't.

512

00:28:12,315 —> 00:28:14,901

- Tomorrow I have a full day.

- Mom, are you kidding?

513

00:28:14,943 —> 00:28:16,695

Is it safe for her

to wait 24 hours?

514

00:28:16,736 —> 00:28:18,446

Well, no longer than that.

515

00:28:19,531 —> 00:28:21,658

That's what we'll do then.

516

00:28:21,700 —> 00:28:24,327

- Thank you, Dr. Lushkin.

- Thank you, Doctor.

517

00:28:41,344 —> 00:28:45,223

"Yesterday,

I accompanied a friend

518

00:28:46,391 —> 00:28:48,059

to the doctor.

519

00:28:49,144 —> 00:28:52,021

Um, she was getting a mammogram.

520

00:28:52,063 —> 00:28:55,233

For support, I got one too.

521

00:28:55,275 —> 00:28:59,779

Unfortunately,

the results of mine

522

00:28:59,821 —> 00:29:04,451

showed some... abnormalities."

523

00:29:04,492 —> 00:29:08,747

May I suggest something

more along the lines of,

524

00:29:08,788 —> 00:29:10,999

"I went in

for a routine procedure.

525

00:29:11,040 —> 00:29:14,169

- Everything came back clean."

- That doesn't make any sense.

526

00:29:14,210 —> 00:29:16,004

[Betty]

But if they do find cancer,

527

00:29:16,045 —> 00:29:19,007

saying something came back clean

when it didn't is lying.

528

00:29:19,048 —> 00:29:20,675

I'm an expert at finessing.

529

00:29:21,801 —> 00:29:25,263

"My doctor believes

530

00:29:25,305 —> 00:29:29,100

there is a strong chance

I have breast cancer.

531

00:29:30,518 —> 00:29:34,564

Tomorrow I undergo a biopsy.

532

00:29:34,606 —> 00:29:36,900

The results will determine

533

00:29:36,941 —> 00:29:41,738

whether they continue

with a full mastectomy.

534

00:29:46,075 —> 00:29:49,496

I say this not to cause alarm,

535

00:29:49,537 —> 00:29:52,749

but because this administration

536

00:29:52,791 —> 00:29:57,086

always strives for transparency.

537

00:29:57,128 —> 00:30:00,924

And I encourage American women

538

00:30:00,965 —> 00:30:05,512

to take their health

into their own hands."

539

00:30:07,096 —> 00:30:08,139

Thank you.

540

00:30:10,600 —> 00:30:12,310

A-plus, Petunia.

541

00:30:15,271 —> 00:30:17,106

It's my nickname for her.

542

00:30:17,148 —> 00:30:19,776

I'm sorry.

Remind me your role again.

543

00:30:19,818 —> 00:30:21,611

Bodyguard. Black belt.

544

00:30:21,653 —> 00:30:23,780

Don't worry, your death

will be quick and painless.

545

00:30:23,822 —> 00:30:25,406

You won't even know it happened.

546

00:30:25,448 —> 00:30:28,576

She's my special assistant.

547

00:30:28,618 —> 00:30:31,329

- Is there a problem?

- Of course not, ma'am.

548

00:30:32,872 —> 00:30:36,501

But this is a such

a personal matter.

549

00:30:36,543 —> 00:30:39,462

I would caution against talking

to the press like this.

550

00:30:39,504 —> 00:30:43,341

That's right,

it is personal... to me.

551

00:30:43,383 —> 00:30:45,468
Which means I get to decide

552
00:30:45,510 —> 00:30:47,136
- how to deal with it.
- But...

553
00:30:47,178 —> 00:30:49,347
Send the release
out wide, Shirley.

554
00:30:50,723 —> 00:30:53,017
- Yes, ma'am.
- [Betty] Thank you.

555
00:30:54,811 —> 00:30:57,230
["Rock the Boat" playing]

556
00:30:57,272 —> 00:31:01,818
So I'd like to know where
you got the notion...

557
00:31:01,860 —> 00:31:04,737

She's so mad

you wouldn't let her finesse.

558

00:31:04,779 —> 00:31:07,198

And she thinks

you might kill her.

559

00:31:07,240 —> 00:31:10,326

[scoffs] Well, I might if she

doesn't loosen up a little bit.

560

00:31:10,368 —> 00:31:12,328

Geez Louise.

561

00:31:12,370 —> 00:31:14,706

- Thank you.

- You're welcome.

562

00:31:14,747 —> 00:31:17,166

- To rock the boat

- Don't rock the boat, baby

563

00:31:17,208 —> 00:31:19,794

- Rock the boat

- Don't tip the boat over

564

00:31:19,836 —> 00:31:22,380

- Rock the boat

- Don't rock the boat, baby

565

00:31:22,422 —> 00:31:24,007

- Rock the boat

- Don't tip the boat over

566

00:31:24,048 —> 00:31:25,383

Rock the boat

567

00:31:44,903 —> 00:31:46,237

[knocking on door]

568

00:31:48,239 —> 00:31:49,407

Hello, darling.

569

00:31:49,449 —> 00:31:52,243

Come in. Keep me company.

570

00:31:52,285 —> 00:31:54,913

[sighs] What do you think?

I'm having a hard time choosing.

571

00:31:55,580 —> 00:31:59,208

Are you really worried

about your wardrobe right now?

572

00:31:59,250 —> 00:32:02,462

Well, nothing wrong

with looking good in a crisis.

573

00:32:02,503 —> 00:32:03,421

[chuckles]

574

00:32:04,589 —> 00:32:05,757

Which one?

575

00:32:07,008 —> 00:32:08,551

The blue one, I guess.

576

00:32:08,593 —> 00:32:12,221

Good choice. Brings out my eyes.

577

00:32:13,348 —> 00:32:16,517

- Mom.

- I know. I know.

578

00:32:16,559 —> 00:32:17,936

- [sniffles]

- It's okay.

579

00:32:19,604 —> 00:32:20,772

I'm scared too.

580

00:32:21,898 —> 00:32:23,608

But we're going to get

through this.

581

00:32:23,650 —> 00:32:26,069

- I'm not going anywhere.

- Okay.

582

00:32:26,110 —> 00:32:28,696

We've dealt with

a lot of crap before

583
00:32:28,738 —> 00:32:32,408
and we'll deal with this.

584
00:32:32,450 —> 00:32:36,579
But it's okay
to be scared, honey.

585
00:32:36,621 —> 00:32:38,122
[whispers] Yeah.

586
00:32:45,254 —> 00:32:47,966
[sighs] Really?
You think the blue?

587
00:32:50,134 —> 00:32:52,261
[laughing] I guess.

588
00:32:52,303 —> 00:32:55,139
[sirens wailing in distance]

589

00:32:56,140 —> 00:32:58,184
[Katie Couric]
And finally tonight,

590
00:32:58,226 —> 00:33:01,187
to put the political powershift
in Washington in perspective,

591
00:33:01,229 —> 00:33:03,022
our experts tell us
House Democrats

592
00:33:03,064 —> 00:33:06,359
lost more than half the landmass
they once held

593
00:33:06,401 —> 00:33:10,196
as district after district
went from blue to red.

594
00:33:10,238 —> 00:33:14,367
A remarkable turnaround
in two short years.

595

00:33:14,409 —> 00:33:17,328

Tonight was ten shades

of terrible.

596

00:33:18,663 —> 00:33:22,291

[groans] Hate to say

I called it, but...

597

00:33:22,333 —> 00:33:24,919

Those boys in the West Wing,

598

00:33:24,961 —> 00:33:27,797

they let the GOP

spin health care

599

00:33:27,839 —> 00:33:30,591

into socialism and death panels,

600

00:33:30,633 —> 00:33:33,302

instead of connecting

to everyday people,

601

00:33:33,344 —> 00:33:38,433
just like we advised them to do
over and over and over again.

602
00:33:38,474 —> 00:33:41,269
So I'll say it. You called it.

603
00:33:41,310 —> 00:33:43,980
He's gonna be crushed.

604
00:33:44,022 —> 00:33:46,607
Just when you think
you've covered some ground.

605
00:33:46,649 —> 00:33:48,609
Well, hey! Hey, now.
What happened

606
00:33:48,651 —> 00:33:52,780
to the "success is inside you,
just dig deep" Michelle?

607
00:33:52,822 —> 00:33:54,449

Because this sucks.

608

00:33:54,490 —> 00:33:57,493

- Well...

- But we'll figure out a way.

609

00:33:58,786 —> 00:34:01,289

The things we pulled off

at U of C.

610

00:34:01,330 —> 00:34:03,666

Hmm. We did some things.

611

00:34:03,708 —> 00:34:07,128

We kicked some ass,

is what we did. Michelle.

612

00:34:07,170 —> 00:34:09,589

[TV chattering continues]

613

00:34:09,630 —> 00:34:12,800

You go up there and console

your wounded husband.

614

00:34:12,842 —> 00:34:15,970

I'll poke around

and see what senators I can find

615

00:34:16,012 —> 00:34:17,805

to sponsor

this bill of ours, hmm?

616

00:34:17,847 —> 00:34:19,766

You don't have

to do that, Susan.

617

00:34:19,807 —> 00:34:21,434

Don't sweat it.

618

00:34:21,476 —> 00:34:23,603

And if Mel and I

have to go down there

619

00:34:23,644 —> 00:34:26,939

and kick down some doors

ourselves, by God, we'll do it.

620

00:34:26,981 —> 00:34:28,816

- Right, Mel?

- What? Of course.

621

00:34:28,858 —> 00:34:30,568

- Let's do it. What are we doing?

- Mel.

622

00:34:30,610 —> 00:34:32,737

- Mel, you need to go to bed.

- I know.

623

00:34:32,779 —> 00:34:35,156

Go to bed. Go to bed, Mel.

624

00:34:35,198 —> 00:34:37,241

- I love you all.

- We know.

625

00:34:37,283 —> 00:34:38,826

- Yeah.

- Good night.

626

00:34:38,868 —> 00:34:40,286

- Good night.

- Good night.

627

00:34:43,915 —> 00:34:45,249

Mel.

628

00:34:45,291 —> 00:34:47,043

[Katie Couric] The GOP sent word

629

00:34:47,085 —> 00:34:49,420

they would not vote

with the Democrats.

630

00:34:49,462 —> 00:34:51,589

pensive music

631

00:34:54,634 —> 00:34:55,927

[door opens]

632

00:34:59,138 —> 00:35:01,682

At least the Bulls
are doing well.

633
00:35:03,351 —> 00:35:05,686
Derrick Rose is having
the season of his career.

634
00:35:05,728 —> 00:35:08,314
- Mm-hmm.
- And I'm getting dunked on

635
00:35:08,356 —> 00:35:10,024
by conservative extremists.

636
00:35:10,066 —> 00:35:12,443
Oh, I'm sorry.

637
00:35:16,072 —> 00:35:18,699
Well, I should have let you
and your team

638
00:35:18,741 —> 00:35:20,076
help us sell health care.

639

00:35:22,453 —> 00:35:24,539

Yep.

640

00:35:24,580 —> 00:35:27,625

Well, you know,

it's not all your fault.

641

00:35:29,877 —> 00:35:31,254

[groans]

642

00:35:31,879 —> 00:35:35,883

Tonight has been rough enough.

Should I order some food?

643

00:35:35,925 —> 00:35:38,803

Hmm. I'm fine.

644

00:35:42,348 —> 00:35:44,976

Have you got a time machine?

645

00:35:45,017 —> 00:35:48,437

'Cause I wanna go back

to being a teenager

646

00:35:48,479 —> 00:35:50,064

lying on a Honolulu beach.

647

00:35:50,106 —> 00:35:52,400

- No job. Right?

- [laughing]

648

00:35:52,441 —> 00:35:55,403

Doobie in hand. Two hours.

649

00:35:55,444 —> 00:35:58,156

- [laughing]

- That would... That would fix me.

650

00:35:58,197 —> 00:35:59,740

I got you.

651

00:36:00,867 —> 00:36:03,744

- Oh, for real?

- Yeah. No.

652

00:36:03,786 —> 00:36:05,246

- ["Don't Look Back" playing]

- Oh!

653

00:36:05,288 —> 00:36:07,165

- Oh, shit.

- All right. Come on in.

654

00:36:07,206 —> 00:36:09,417

I forgot my phone in the office.

655

00:36:09,458 —> 00:36:11,961

- I'll be right back.

- Baby! You...

656

00:36:13,754 —> 00:36:16,090

All right. I... I'll just...

657

00:36:16,132 —> 00:36:18,301

I'll just lay here by myself.

658

00:36:19,927 —> 00:36:21,512
Seems kinda fitting.

659
00:36:22,680 —> 00:36:25,558
We'll just have to face

660
00:36:25,600 —> 00:36:27,768
Oh, yeah, yeah

661
00:36:27,810 —> 00:36:31,063
If you just put
your hand in mine

662
00:36:31,105 —> 00:36:33,107
What you thinking, Bo?

663
00:36:33,149 —> 00:36:35,109
We're gonna leave
all our troubles behind

664
00:36:35,151 —> 00:36:36,319
Hmm!

665

00:36:39,780 —> 00:36:40,990

[Susan Sher] Yeah.

666

00:36:43,367 —> 00:36:45,369

I'm sorry, Neil, but...

667

00:36:48,331 —> 00:36:49,999

[crying]

668

00:36:50,041 —> 00:36:52,710

No. Yeah...

669

00:36:53,836 —> 00:36:57,048

Give me... Give me some time.

670

00:36:57,089 —> 00:36:58,799

I need a little time.

671

00:36:59,800 —> 00:37:01,135

Can't you do that?

672

00:37:02,428 —> 00:37:07,225
So if you just put
your hand in mine

673
00:37:07,266 —> 00:37:11,312
We're gonna leave
all our troubles behind

674
00:37:11,354 —> 00:37:13,940
Keep on walking
and don't look back

675
00:37:13,981 —> 00:37:16,442
Forget about the past now

676
00:37:16,484 —> 00:37:19,612
Don't look back, baby

677
00:37:19,654 —> 00:37:23,157
Keep on walking
and don't look back

678
00:37:23,199 —> 00:37:26,077

Don't look back

679

00:37:27,328 —> 00:37:29,288

The places behind you

680

00:37:29,330 —> 00:37:31,874

Let them remind you

681

00:37:37,046 —> 00:37:39,090

suspenseful music

682

00:38:27,722 —> 00:38:29,140

Welcome back, Betty.

683

00:38:36,439 —> 00:38:38,774

If you all can't look happy,

then go away.

684

00:38:38,816 —> 00:38:40,943

- I can't bear to look at you.

- [all chuckle]

685

00:38:42,945 —> 00:38:45,114
Did Wolverines beat Navy?

686
00:38:45,156 —> 00:38:47,199
- 52-0.
- [laughs]

687
00:38:47,241 —> 00:38:50,369
- Shit, they destroyed 'em.
- Yep.

688
00:38:50,411 —> 00:38:52,204
[Gerald]
Betty, I cleared my schedule

689
00:38:52,246 —> 00:38:54,123
as much as possible
for the next few weeks

690
00:38:54,165 —> 00:38:55,499
so I can take care
of you for once.

691

00:38:55,541 —> 00:38:57,126
Oh, my.

692
00:38:58,294 —> 00:38:59,837
You must have been worried.

693
00:38:59,879 —> 00:39:01,505
I just wanna be with my wife.

694
00:39:01,547 —> 00:39:04,216
[crowd cheering]

695
00:39:04,258 —> 00:39:06,260
There's hundreds of ladies
out there for you, Mom.

696
00:39:06,302 —> 00:39:08,554
[Gerald] They've been
waiting all day for you.

697
00:39:08,596 —> 00:39:09,972
Really?

698

00:39:13,976 —> 00:39:16,520

- Can you raise this?

- [Jack] Mm-hmm.

699

00:39:16,562 —> 00:39:20,107

[bed whirring]

700

00:39:20,733 —> 00:39:24,320

- No. Betty...

- No, I wanna see. Just help me.

701

00:39:31,452 —> 00:39:33,996

[crowd gasps, cheers]

702

00:39:45,466 —> 00:39:48,094

- I'm fine to walk, Jerry.

- Nonsense.

703

00:39:48,135 —> 00:39:49,929

Let Dad be your attendant, Mom.

704

00:39:49,970 —> 00:39:52,348

- When you put it that way.

- Mrs. Ford!

705

00:39:52,390 —> 00:39:54,100

Mrs. Ford, how are you feeling?

706

00:39:54,141 —> 00:39:56,685

I'm feeling well, thank you.

707

00:39:56,727 —> 00:39:58,646

A little sore, but good.

708

00:39:58,687 —> 00:40:00,523

Are you aware that

appointments for mammograms

709

00:40:00,564 —> 00:40:02,525

have gone up

six-fold nationwide?

710

00:40:02,566 —> 00:40:06,070

Is that so?

Well, that is wonderful news.

711

00:40:06,112 —> 00:40:08,155

Does it feel like

you've changed the world?

712

00:40:08,197 —> 00:40:10,324

I don't know that

I would say that.

713

00:40:10,366 —> 00:40:13,661

I was just being honest

about what I was going through,

714

00:40:13,702 —> 00:40:17,373

and that's all our family

ever wants to be,

715

00:40:17,415 —> 00:40:19,750

is open and transparent.

716

00:40:19,792 —> 00:40:21,585

[Nancy] Incoming!

717

00:40:22,795 —> 00:40:24,755

What's in the box, Mrs. Ford?

718

00:40:24,797 —> 00:40:27,716

Thousands of well-wishes

from her loyal fans

719

00:40:27,758 —> 00:40:30,886

and a football signed by the

entire roster of the Redskins.

720

00:40:30,928 —> 00:40:33,264

- [Gerald] Whoa. Look at that.

- Wow.

721

00:40:33,305 —> 00:40:35,391

Mrs. Ford, how long

do you plan to convalesce?

722

00:40:35,433 —> 00:40:37,601

When do you anticipate

regaining your strength?

723

00:40:41,272 —> 00:40:42,565

- Whoa, whoa. Mom?

- Mom?

724

00:40:42,606 —> 00:40:43,607

[reporters gasp]

725

00:40:44,024 —> 00:40:46,277

- Go long.

- [Gerald] Yes, dear.

726

00:40:48,779 —> 00:40:50,531

[cheers, laughter]

727

00:41:02,793 —> 00:41:04,628

Strong as ever.

728

00:41:11,051 —> 00:41:16,056

On this vote, the yeas are 258,

the nays are 156.

729

00:41:16,098 —> 00:41:18,100

The bill is passed...

730

00:41:18,142 —> 00:41:21,604

Mel? Turn it off

before those Republicans

731

00:41:21,645 —> 00:41:24,732

start patting themselves on

the back for jumping on board.

732

00:41:24,773 —> 00:41:29,403

[groans] Like we didn't deliver

535 vegetable baskets,

733

00:41:29,445 —> 00:41:31,822

just begging them to have

a conscience for once.

734

00:41:31,864 —> 00:41:34,158

Fucking grandstanding bastards.

735

00:41:34,200 —> 00:41:37,369

Everyone takes credit

when something passes, but...

736

00:41:38,662 —> 00:41:42,124

you ladies know it couldn't

have happened without you.

737

00:41:42,166 —> 00:41:44,793

- Aw.

- I'm sad this is my last rodeo.

738

00:41:44,835 —> 00:41:46,962

- Oh.

- [Mel] What?

739

00:41:47,004 —> 00:41:50,049

Suz is going back to Chicago

after the new year.

740

00:41:53,844 —> 00:41:58,724

- Did Neil make you quit?

- No, Mel. I made me quit.

741

00:41:58,766 —> 00:42:01,685

As long as I'm in this job,

I just can't turn it off.

742

00:42:02,603 —> 00:42:04,230

It's how my brain works.

743

00:42:04,271 —> 00:42:06,232

I don't blame him

for being unhappy.

744

00:42:06,273 —> 00:42:08,025

- I'd be the same way.

- Mmm.

745

00:42:09,610 —> 00:42:11,362

Wha... Damn it.

746

00:42:12,279 —> 00:42:13,489

[Michelle chuckles]

747

00:42:14,615 —> 00:42:16,408

- You're gonna hug me.

- Oh, come on.

748

00:42:16,450 —> 00:42:19,954

[Mel] No, no, no!

You have to hug. Oh...

749

00:42:19,995 —> 00:42:21,497

- Oh!

- [Mel] No...

750

00:42:21,539 —> 00:42:23,040

You're gonna be fine, Mel.

751

00:42:24,333 —> 00:42:26,210

Well, you know

752

00:42:26,252 —> 00:42:28,671

I'll throw my support

behind you, no matter what.

753

00:42:28,712 —> 00:42:30,881

You'll be a great mayor

for Chicago.

754

00:42:30,923 —> 00:42:32,716

- I appreciate it.

- [knocking on door]

755

00:42:33,717 —> 00:42:35,678

Mr. President,

the First Lady's here.

756

00:42:35,719 —> 00:42:37,638

I can tell her you'll be

with her in a few minutes?

757

00:42:37,680 —> 00:42:40,641

- I gotta get going.

- Uh, yeah. We're about done.

758

00:42:40,683 —> 00:42:41,934

Invite her on in.

759

00:42:43,185 —> 00:42:45,229

- What's up?

- [Barack] Love of my life.

760

00:42:45,271 —> 00:42:46,564

[Michelle chuckles]

761

00:42:46,981 —> 00:42:49,400

- [Rahm] Madam First Lady.

- Rahm.

762

00:42:49,817 —> 00:42:54,363

Now, if I knew you all were this

good at charming Republicans,

763

00:42:54,405 —> 00:42:56,532

I would've used your help

these past two years.

764

00:42:56,574 —> 00:42:59,118

- I mean, what the fuck?

- [Michelle] Thank you.

765

00:42:59,159 —> 00:43:02,288

No, really, I am quite impressed

with what you've achieved.

766

00:43:02,329 —> 00:43:05,457

- Thank you.

- Oh, look at that.

767

00:43:05,499 —> 00:43:07,960

He's got his booze out,

something romantic coming.

768

00:43:08,002 —> 00:43:10,546

Awesome. Uh, that's my cue

to get the hell out of Dodge.

769

00:43:10,588 —> 00:43:12,715

See you later, Rahm.

Thanks for coming by.

770

00:43:12,756 —> 00:43:14,550

- [Rahm] Mr. President.

- [door closes]

771

00:43:14,592 —> 00:43:16,135

[Michelle sighs]

772

00:43:16,176 —> 00:43:18,470

He just wanted some advice

773

00:43:18,512 —> 00:43:21,557

on his mayoral campaign

in Chicago.

774

00:43:21,599 —> 00:43:25,603

You know, I still feel like

a boy who's been broken up with.

775

00:43:25,644 —> 00:43:27,146

[both laugh]

776

00:43:28,731 —> 00:43:29,773

Mmm.

777

00:43:32,234 —> 00:43:33,944

You heard about Susan, right?

778

00:43:35,154 —> 00:43:36,280

Yeah.

779

00:43:37,323 —> 00:43:39,617

- Fuck.

- Yeah.

780

00:43:39,658 —> 00:43:42,411

But you're not gonna

break up with me though.

781

00:43:42,453 —> 00:43:44,163

Well...

782

00:43:48,584 —> 00:43:49,627

Nah.

783

00:43:50,461 —> 00:43:52,671

Are you gonna dump me?

784

00:43:54,506 —> 00:43:55,549

No.

785

00:43:57,509 —> 00:44:00,429

Can we quit

and go back to Chicago?

786

00:44:00,471 —> 00:44:03,182

- Apparently not.

- Oh, damn!

787

00:44:03,223 —> 00:44:04,767

- I mean, we're stuck.

- [laughs]

788

00:44:04,808 —> 00:44:06,518

No escape route?

789

00:44:06,560 —> 00:44:08,145

- No.

- Oh, shoot.

790

00:44:18,906 —> 00:44:20,991

Hello, nice to see you. Welcome.

791

00:44:22,660 —> 00:44:26,538

Excuse me. Read the sign.

Female reporters only.

792

00:44:26,580 —> 00:44:28,791

Our paper doesn't

have a female reporter.

793

00:44:28,832 —> 00:44:30,668

Then I guess

it's time to hire one.

794

00:44:31,919 —> 00:44:33,837

- I see.

- Thank you.

795

00:44:36,298 —> 00:44:37,966

[doors close]

796

00:44:38,008 —> 00:44:39,510

[reporters applauding]

797

00:44:45,974 —> 00:44:47,643

Ooh. Hello.

798

00:44:47,685 —> 00:44:49,853

- [reporters] Hello!

- [laughter]

799

00:44:49,895 —> 00:44:54,024

Oh, thank you so much

for joining me here today.

800

00:44:54,066 —> 00:44:55,693

Isn't it wonderful to see

801

00:44:55,734 —> 00:45:00,072

so many intelligent

and professional women

802

00:45:00,114 —> 00:45:02,700

all in one place?

803

00:45:02,741 —> 00:45:07,579

As you know,

today is our very first

804

00:45:07,621 —> 00:45:10,708
all-female press conference.

805
00:45:15,295 —> 00:45:19,925
And the first of what I hope
is many, many more to come.

806
00:45:19,967 —> 00:45:22,428
I have been given a directive

807
00:45:22,469 —> 00:45:27,266
that the topics we discuss
while we're all here together

808
00:45:27,307 —> 00:45:32,312
must stay on the subject
of women's things.

809
00:45:32,354 —> 00:45:37,443
So, cleaning,
baking all come to mind.

810
00:45:37,484 —> 00:45:41,739

But today, with these
trying times before us,

811
00:45:41,780 —> 00:45:46,201
many more women are finding
work outside of the home.

812
00:45:46,243 —> 00:45:49,997
And it becomes
that much more difficult

813
00:45:50,038 —> 00:45:53,542
to find time to prepare meals

814
00:45:53,584 —> 00:45:55,753
for our families.

815
00:45:55,794 —> 00:45:59,465
And so, I am passing around

816
00:45:59,506 —> 00:46:02,259
a quick and easy recipe

817

00:46:02,301 —> 00:46:05,012

that will only take 30 minutes,

818

00:46:05,053 —> 00:46:07,514

that costs just a few cents,

819

00:46:07,556 —> 00:46:10,267

and that feeds a family of four.

820

00:46:10,309 —> 00:46:13,103

That way, your readers

821

00:46:13,145 —> 00:46:15,981

will be able

to have plenty of time

822

00:46:16,023 —> 00:46:20,652

to educate themselves about

what's happening in our country.

823

00:46:20,694 —> 00:46:23,781

- [reporters] Yes!

- [applause]

824
00:46:24,406 —> 00:46:28,994
Now, women's suffrage has been
secured for some time now,

825
00:46:29,036 —> 00:46:31,205
but many women, I'm afraid,

826
00:46:31,246 —> 00:46:34,333
still act as if
it's purely ceremonial.

827
00:46:34,374 —> 00:46:35,918
Now, don't get me wrong,

828
00:46:35,959 —> 00:46:38,837
it is prudent to vote

829
00:46:38,879 —> 00:46:41,507
alongside your husbands.

830

00:46:41,548 —> 00:46:46,178
But voting only
on your husband's beliefs

831
00:46:46,220 —> 00:46:49,973
puts your own beliefs
out of the picture.

832
00:46:51,183 —> 00:46:55,729
We have the right to vote,
but we must use it.

833
00:46:56,230 —> 00:47:01,151
The educated woman
is the woman of the future.

834
00:47:01,193 —> 00:47:02,319
Yes!

835
00:47:07,115 —> 00:47:11,578
Well, if you'd like to ask
some questions, I'm open.

836

00:47:11,620 —> 00:47:14,081

- [laughter]

- Ms. Hickok.

837

00:47:14,122 —> 00:47:17,042

Thank you, Madam First Lady.

838

00:47:17,084 —> 00:47:18,836

What's your recipe

839

00:47:18,877 —> 00:47:21,630

for basic labor regulations

in industries

840

00:47:21,672 —> 00:47:24,967

populated largely by women?

The garment industry?

841

00:47:25,008 —> 00:47:28,053

Ooh, that is

a very good question.

842

00:47:28,095 —> 00:47:31,223

Well, I would say,

843

00:47:31,265 —> 00:47:34,726

my very first ingredient...

844

00:47:34,768 —> 00:47:37,229

[laughter]

845

00:47:37,271 —> 00:47:40,232

...is a senator

in North Carolina.

846

00:47:40,274 —> 00:47:43,110

- [upbeat music playing]

- [guest 1] Uh-uh, uh-uh!

847

00:47:43,151 —> 00:47:45,487

[speaking French]

848

00:47:50,617 —> 00:47:53,328

Oh, she's hungry!

I'm hungry too.

849

00:47:53,370 —> 00:47:55,956

[guest 1 continues

speaking French]

850

00:47:57,082 —> 00:47:58,750

[guest 2]

Let's go to the Russians.

851

00:47:58,792 —> 00:48:00,544

Olga with the eyebrow

is singing tonight.

852

00:48:00,586 —> 00:48:03,881

- Is she? J'adore Olga.

- Petra's it is.

853

00:48:03,922 —> 00:48:06,466

[guests chattering]

854

00:48:14,975 —> 00:48:17,394

[guest 1] Oh, the fun

is just beginning, ladies.

855

00:48:17,436 —> 00:48:18,353

Viens-tu?

856

00:48:20,022 —> 00:48:22,357

Ooh. Yes.

857

00:48:23,442 —> 00:48:25,611

I was just taking

a moment to imagine

858

00:48:25,652 —> 00:48:30,073

what it might be like to live

like this all of the time.

859

00:48:31,325 —> 00:48:32,534

Happy.

860

00:48:34,995 —> 00:48:36,413

Yes.

861

00:48:38,582 —> 00:48:41,043

I've been meaning to ask you.

I have to...

862
00:48:42,044 —> 00:48:43,962
I have to speak next week
at Barnard,

863
00:48:44,004 —> 00:48:45,714
and I've never actually...

864
00:48:47,424 —> 00:48:48,550
How do you do it?

865
00:48:49,551 —> 00:48:52,346
Oh, is Hick afraid
of public speaking?

866
00:48:52,387 —> 00:48:53,972
She's terrified.

867
00:48:54,014 —> 00:48:58,101
Well, the truth is,
I'm terrified too.

868

00:48:58,143 —> 00:48:59,937

- No, I don't believe it.

- No, it's true.

869

00:48:59,978 —> 00:49:01,730

- I don't.

- It is true.

870

00:49:03,148 —> 00:49:04,691

But it gets better.

871

00:49:08,362 —> 00:49:11,990

Sometimes, what one needs to say

872

00:49:12,032 —> 00:49:15,243

is too important

to let fear get in the way.

873

00:49:25,045 —> 00:49:27,798

But the best piece of advice

I ever got

874

00:49:27,839 —> 00:49:31,718
was from Louis Howe, who said...

875
00:49:34,388 —> 00:49:36,598
"If you've got something to say,

876
00:49:37,474 —> 00:49:39,685
say it and sit down."

877
00:49:39,726 —> 00:49:40,769
[both chuckle]

878
00:49:51,279 —> 00:49:54,157
pensive music

879
00:50:09,339 —> 00:50:11,925
"Dear Mrs. Ford,
I am writing to tell you

880
00:50:11,967 —> 00:50:14,094
that because of your bravery
I was able to have the courage

881

00:50:14,136 —> 00:50:15,846

to have a mammogram.

882

00:50:15,887 —> 00:50:18,598

Luckily, I had a good test

and negative results,

883

00:50:18,640 —> 00:50:21,685

but it has inspired me to start

a program to get people involved

884

00:50:21,727 —> 00:50:24,271

and get this important issue

up-front and center.

885

00:50:24,312 —> 00:50:25,856

Thanks again. Peggy."

886

00:50:25,897 —> 00:50:27,941

[Gerald] "Dear Mrs. Ford,

thank you so much

887

00:50:27,983 —> 00:50:30,110
for making people aware
of breast cancer

888
00:50:30,152 —> 00:50:31,611
and how to detect it.

889
00:50:31,653 —> 00:50:33,321
My mother and I
are both scheduled

890
00:50:33,363 —> 00:50:35,115
to have mammograms next week."

891
00:50:35,157 —> 00:50:37,617
"Dear Mrs. Ford,
I wanted to write you a note

892
00:50:37,659 —> 00:50:39,786
and thank you
for your bravery and honesty

893
00:50:39,828 —> 00:50:41,204

during what I imagine to be

894
00:50:41,246 —> 00:50:42,831
a very difficult
and frightening time

895
00:50:42,873 —> 00:50:44,332
for you and your family."

896
00:50:44,374 —> 00:50:45,876
"I am hoping you are
feeling better

897
00:50:45,917 —> 00:50:47,711
and that your family members
and loved ones

898
00:50:47,753 —> 00:50:49,337
are safe and sound.

899
00:50:49,379 —> 00:50:51,840
Thank you for your bravery
and your ability

900

00:50:51,882 —> 00:50:53,383

to face something so difficult

901

00:50:53,425 —> 00:50:55,969

with such style and grace."

902

00:50:56,011 —> 00:50:58,055

pensive music

903

00:51:41,223 —> 00:51:43,266

music intensifies

904

00:51:50,273 —> 00:51:51,316

Betty?

905

00:51:57,364 —> 00:51:58,573

[softly] Hey.

906

00:52:29,271 —> 00:52:30,647

You're beautiful.

907

00:52:35,777 —> 00:52:36,820

You hear me?

908

00:52:39,156 —> 00:52:42,200

pensive music

EP6: Shout Out

1

00:00:06,673 —> 00:00:08,883

[pensive music]

2

00:00:21,354 —> 00:00:22,397

[sighs]

3

00:00:35,118 —> 00:00:36,494

[sighs]

4

00:00:39,205 —> 00:00:43,668

Oh, good. [sighs]

It wasn't a dream.

5

00:00:44,377 —> 00:00:46,004
[sighs]

6
00:00:51,384 —> 00:00:52,510
Hello.

7
00:00:54,429 —> 00:00:55,513
Hi.

8
00:00:57,766 —> 00:00:59,476
Have you seen my watch?

9
00:01:02,604 —> 00:01:04,564
Are you okay?

10
00:01:04,606 —> 00:01:09,402
Yes, I'm fine. I'm...
I think I'm just a bit, um...

11
00:01:11,946 —> 00:01:13,490
disoriented.

12

00:01:14,783 —> 00:01:17,077

I should probably head home.

13

00:01:18,536 —> 00:01:19,913

Thank you for a...

14

00:01:21,289 —> 00:01:26,294

I don't mean to say "thank you."

Then I had a lovely...

15

00:01:27,378 —> 00:01:29,506

I enjoyed our evening very much.

16

00:01:29,547 —> 00:01:32,592

Me too. Me too.

17

00:01:33,468 —> 00:01:37,514

I hope there are many more.

18

00:01:48,650 —> 00:01:49,734

[sniffles]

19

00:01:52,153 —> 00:01:53,446

Eleanor?

20

00:01:55,865 —> 00:01:57,325

Oh.

21

00:02:09,921 —> 00:02:12,799

[pensive music]

22

00:02:37,532 —> 00:02:38,908

- [door closes]

- [exhales]

23

00:02:43,037 —> 00:02:44,205

Mrs. Roosevelt.

24

00:02:44,247 —> 00:02:46,749

[camera shutter clicking]

25

00:02:53,965 —> 00:02:56,009

This land is your land

26

00:02:58,595 —> 00:03:01,347

This land is my land

27

00:03:04,392 —> 00:03:06,853

From California

28

00:03:07,812 —> 00:03:12,025

To the New York island

29

00:03:13,234 —> 00:03:16,779

From the redwood forest

30

00:03:18,406 —> 00:03:22,535

To the Gulf Stream waters

31

00:03:23,411 —> 00:03:24,996

I tell you

32

00:03:25,038 —> 00:03:27,540

This land

33

00:03:27,582 —> 00:03:31,294

Was made for you and me

34

00:03:31,336 —> 00:03:32,545

Yeah

35

00:03:38,092 —> 00:03:42,138

One bright sunny morning

36

00:03:42,180 —> 00:03:47,060

In the shadow of a steeple

37

00:03:47,393 —> 00:03:51,898

Down by the welfare office

38

00:03:51,940 —> 00:03:56,402

I saw my people

39

00:03:57,111 —> 00:03:58,905

I was wondering

40

00:03:58,947 —> 00:04:01,866

If this land

41

00:04:01,908 —> 00:04:06,746

Was made for you and me

42

00:04:09,040 —> 00:04:11,084

- [clamoring]

- Madam First Lady!

43

00:04:11,125 —> 00:04:13,461

You need to repeal

the Defense of Marriage Act!

44

00:04:13,503 —> 00:04:15,255

- Support gay marriage!

- [all] Yeah!

45

00:04:15,296 —> 00:04:17,257

Is Amendment One

in North Carolina

46

00:04:17,298 —> 00:04:19,676

- a priority for the president?

- Hold on.

47

00:04:19,717 —> 00:04:21,219

I'm sorry. Amendment One?

48

00:04:21,261 —> 00:04:23,179

Amendment One prohibits

not only marriage

49

00:04:23,221 —> 00:04:25,223

but civil unions

for same-sex couples.

50

00:04:25,265 —> 00:04:27,934

And, if it passes, this law

will decimate LGBT families.

51

00:04:27,976 —> 00:04:29,769

- [all] Yeah!

- Does he want that?

52

00:04:29,811 —> 00:04:32,939

I assure you, the president

is committed to protecting

53

00:04:32,981 —> 00:04:35,942

the rights of LGBT families

54

00:04:35,984 —> 00:04:37,568

and preventing the erosion

55

00:04:37,610 —> 00:04:40,029

of their civil rights,

of their dignity.

56

00:04:40,071 —> 00:04:42,407

How? What is he doing?

How is he helping?

57

00:04:42,448 —> 00:04:44,534

Thank you. The First Lady

has an engagement.

58

00:04:44,575 —> 00:04:46,411

Are all families equal

to the president or not?

59

00:04:46,452 —> 00:04:48,121

Tell him to lead!

60

00:04:48,162 —> 00:04:50,290

[clamoring continues]

61

00:04:55,878 —> 00:04:56,963

Hey, Mom?

62

00:04:58,172 —> 00:05:00,091

Why were those people

shouting at you?

63

00:05:00,466 —> 00:05:03,136

[sighs] You heard about that.

64

00:05:03,594 —> 00:05:07,015

- I saw it on YouTube.

- What happened?

65

00:05:07,056 —> 00:05:11,519

Well, a group of gay activists

gate-crashed.

66
00:05:11,561 —> 00:05:13,980
They were protesting
Amendment One

67
00:05:14,022 —> 00:05:16,149
of the Defense of Marriage Act.

68
00:05:16,691 —> 00:05:19,819
They want Daddy
to protect gay families.

69
00:05:19,861 —> 00:05:22,697
Well, but a president
can't just strike down a law.

70
00:05:22,739 —> 00:05:24,782
That's why we have
the legislative branch,

71
00:05:24,824 —> 00:05:26,659
the judiciary.

72

00:05:26,701 —> 00:05:29,245

Well, that's why I'm supporting

strong civil unions.

73

00:05:30,371 —> 00:05:32,957

The Defense of Marriage Act

stinks.

74

00:05:32,999 —> 00:05:36,669

It says that marriage is a union

between a man and a woman only.

75

00:05:36,711 —> 00:05:38,629

It means states

like North Carolina

76

00:05:38,671 —> 00:05:40,840

can continue to tear apart

gay families.

77

00:05:40,882 —> 00:05:42,342

Well, if you say something,

78

00:05:42,383 —> 00:05:44,177

the people

will listen to you, Dad.

79

00:05:47,013 —> 00:05:49,849

Ah... It...

80

00:05:49,891 —> 00:05:53,770

[scoffs] This is about

the election, isn't it?

81

00:05:53,811 —> 00:05:57,357

[Barack]

Well, it's about the fact that

82

00:05:57,398 —> 00:06:00,193

marriage is different things

for different people.

83

00:06:01,319 —> 00:06:04,030

If I was gay and Sasha wasn't,

84

00:06:04,572 —> 00:06:07,200

should the law treat me

and Sasha differently?

85

00:06:12,663 —> 00:06:15,792

Malia, I get that

you're frustrated. All right?

86

00:06:15,833 —> 00:06:18,294

It's not as simple

as you're making it out,

87

00:06:18,336 —> 00:06:21,464

but we decided that there would

be no politics at the table.

88

00:06:21,506 —> 00:06:22,548

Got it?

89

00:06:24,509 —> 00:06:25,718

Thank you.

90

00:06:31,265 —> 00:06:34,352
If we can't be idealists
up in here, what's the point?

91
00:06:34,394 —> 00:06:37,897
If I speak out on this,
I lose the churches.

92
00:06:37,939 —> 00:06:40,525
I lose the South. I lose.

93
00:06:40,566 —> 00:06:41,651
Barack.

94
00:06:42,610 —> 00:06:45,238
Your white mother
and your Black daddy

95
00:06:45,279 —> 00:06:47,323
would've been jailed,
fined or killed

96
00:06:47,365 —> 00:06:48,741

just for being together.

97

00:06:48,783 —> 00:06:51,369

It was illegal

because of Jim Crow.

98

00:06:51,411 —> 00:06:52,370

That's your story.

99

00:06:54,205 —> 00:06:58,376

It's simple. Everyone gets to

marry and love who they choose.

100

00:06:58,418 —> 00:07:00,461

It is not the same thing.

101

00:07:00,503 —> 00:07:03,840

Well, explain to me why

it's not the same thing, Barack.

102

00:07:03,881 —> 00:07:06,592

Listen, I lose this election.

103

00:07:07,009 —> 00:07:09,887

I don't help gay Americans.

I don't help Black Americans.

104

00:07:09,929 —> 00:07:12,473

I don't help Americans

going without health insurance.

105

00:07:12,515 —> 00:07:14,559

I help no one. Do you get it?

106

00:07:14,600 —> 00:07:15,726

Mmm.

107

00:07:16,602 —> 00:07:19,397

Remind me of why

you ran for president.

108

00:07:31,200 —> 00:07:32,577

[door closes]

109

00:07:35,663 —> 00:07:38,291

[pensive music]

110

00:07:49,594 —> 00:07:50,803

[knocking on door]

111

00:07:51,262 —> 00:07:53,139

- Who is it?

- [Malvina] It's me.

112

00:07:57,852 —> 00:07:59,312

Just a minute, Tommy.

113

00:08:08,404 —> 00:08:09,489

Come in.

114

00:08:10,531 —> 00:08:11,824

Morning.

115

00:08:11,866 —> 00:08:13,493

[Eleanor] Good morning, Tommy.

116

00:08:16,037 —> 00:08:17,997

- Am I early?

- No, no.

117

00:08:18,039 —> 00:08:21,417

I'm just having a slow start.

118

00:08:21,459 —> 00:08:22,877

You're never slow.

119

00:08:22,919 —> 00:08:25,171

Well, this morning I'm slow.

120

00:08:25,713 —> 00:08:30,843

All right.

Well, here is the day so far.

121

00:08:32,303 —> 00:08:33,679

It all looks fine.

122

00:08:34,263 —> 00:08:36,933

You do see the meeting

with the decorator?

123

00:08:36,974 —> 00:08:40,853

Yeah, well,

we can't put them off forever.

124

00:08:41,354 —> 00:08:43,606

Ooh. Sorry, ma'am.

I can come back.

125

00:08:43,648 —> 00:08:46,150

- No trouble, Louise.

- [Malvina] No. Go ahead.

126

00:08:46,192 —> 00:08:47,944

[door closes]

127

00:08:47,985 —> 00:08:49,862

So the meeting

about the State Dinner.

128

00:08:49,904 —> 00:08:51,656

We have 30 minutes scheduled,

129

00:08:51,697 —> 00:08:53,616
but I'm concerned
that that might

130
00:08:53,658 —> 00:08:54,992
not be enough time to get...

131
00:09:02,333 —> 00:09:04,710
Why don't I meet you
downstairs, Tommy?

132
00:09:07,004 —> 00:09:09,632
All right.
No need to bring your coat.

133
00:09:15,263 —> 00:09:17,682
[door opens, closes]

134
00:09:21,811 —> 00:09:23,062
[exhales]

135
00:09:34,115 —> 00:09:36,117
- Oh, I like that picture.

- Mmm, me too.

136

00:09:37,618 —> 00:09:41,122

[sighs] Madam, do you prefer

the patterned fabric

137

00:09:41,163 —> 00:09:42,623

or the solid

for the dining room?

138

00:09:42,665 —> 00:09:44,750

Which is less expensive?

139

00:09:44,792 —> 00:09:46,043

Well, the solid, but...

140

00:09:46,085 —> 00:09:48,170

- The solid then.

- And what color?

141

00:09:48,212 —> 00:09:49,589

Is there a blue?

142

00:09:50,006 —> 00:09:52,425

- Yes, but...

- Blue, then.

143

00:09:52,466 —> 00:09:56,262

Just stick with cheap, plain

and slightly uncomfortable,

144

00:09:56,304 —> 00:09:58,848

and Mrs. Roosevelt

will be perfectly happy.

145

00:09:59,724 —> 00:10:00,766

[decorator] Thank you.

146

00:10:02,143 —> 00:10:04,604

Tommy, have you seen

147

00:10:04,645 —> 00:10:07,607

our very latest issue?

148

00:10:08,608 —> 00:10:10,151

Oh, I have not.

149

00:10:11,152 —> 00:10:14,030

"Babies, Just Babies."

150

00:10:14,071 —> 00:10:16,282

- Hmm. I wonder what it's about.

- [chuckling]

151

00:10:16,324 —> 00:10:18,367

It's to the point,

which is good.

152

00:10:18,409 —> 00:10:21,787

I know. Well, look at this.

153

00:10:21,829 —> 00:10:25,291

"Associate Editor,

Anna Eleanor Roosevelt Dall."

154

00:10:25,333 —> 00:10:27,126

That's not bad

for a 26-year-old.

155

00:10:27,168 —> 00:10:28,961

- Mmm. It's Mother's magazine.

- Well...

156

00:10:29,003 —> 00:10:31,464

- [footsteps approaching]

- [decorator] Madam First Lady.

157

00:10:31,505 —> 00:10:33,299

Your mother-in-law,

Mrs. Roosevelt,

158

00:10:33,341 —> 00:10:36,302

has some thoughts on the blue.

She's in the dining room.

159

00:10:36,344 —> 00:10:37,637

I'm staying here.

160

00:10:37,678 —> 00:10:39,680

Oh, for heaven's sake.

161

00:10:40,014 —> 00:10:43,809

Oh, come with me, Anna,

and be my buffer.

162

00:10:44,518 —> 00:10:46,020

Good luck.

163

00:10:46,437 —> 00:10:48,356

[Eleanor] Honestly, it's blue.

164

00:10:48,397 —> 00:10:50,816

What more is there

to think about?

165

00:10:51,859 —> 00:10:56,155

Eleanor, you do not

just paint a room blue.

166

00:10:56,197 —> 00:11:00,159

There is sapphire blue.

There's cerulean blue.

167

00:11:00,201 —> 00:11:02,995
There's even Aruba blue,
which is actually quite green,

168
00:11:03,037 —> 00:11:04,997
but it looks lovely with gold.

169
00:11:05,039 —> 00:11:08,793
Well, these all sound wonderful,
Sara. Why don't you choose?

170
00:11:08,834 —> 00:11:10,878
Yeah, but...
Well, you must have an opinion.

171
00:11:11,212 —> 00:11:14,006
After all, this is
the White House dining room.

172
00:11:14,048 —> 00:11:18,177
Well, I have plenty of opinions,
just not on the color blue.

173

00:11:18,219 —> 00:11:20,096
I think what Mother
means to say is that

174
00:11:20,137 —> 00:11:22,682
her attention is rather focused
on other projects.

175
00:11:22,723 —> 00:11:26,477
Oh, yes. Like that ridiculous
baby magazine

176
00:11:26,519 —> 00:11:27,770
you two came up with.

177
00:11:28,104 —> 00:11:30,523
What are you going to
write about? Bassinets?

178
00:11:31,524 —> 00:11:33,317
Not in a month of Sundays

179
00:11:33,359 —> 00:11:37,154

have I seen

a more inane publication.

180

00:11:37,196 —> 00:11:41,200

Anna, dear. Just because

your mother insists upon working

181

00:11:41,242 —> 00:11:42,910

doesn't mean that you have to.

182

00:11:42,952 —> 00:11:44,870

Grandmother, I enjoy it.

183

00:11:44,912 —> 00:11:48,207

And she's good at it.

Quite formidable.

184

00:11:48,249 —> 00:11:49,750

Oh. Formidable?

185

00:11:49,792 —> 00:11:52,336

Yes, that's what

every man is looking for.

186

00:11:52,378 —> 00:11:54,171

A formidable divorced woman.

187

00:11:54,213 —> 00:11:55,589

Actually,

188

00:11:55,631 —> 00:11:58,259

- I do have a decor request.

- Oh.

189

00:11:58,300 —> 00:12:00,720

I would like

as many rooms as possible

190

00:12:00,761 —> 00:12:04,890

to be decorated with furnishings

from the Val-Kill workshop.

191

00:12:04,932 —> 00:12:08,644

It's a small furniture factory

I started with friends of mine.

192

00:12:08,686 —> 00:12:11,480

A vocational program

for out-of-work farmers.

193

00:12:11,522 —> 00:12:13,065

Oh.

194

00:12:13,107 —> 00:12:17,027

An arts and crafts

White House. How quaint.

195

00:12:17,069 —> 00:12:20,948

Functional and modest.

Just the way I like it.

196

00:12:22,074 —> 00:12:24,910

And I quite like that dark pink.

197

00:12:25,786 —> 00:12:27,580

Is that...

Ooh, it matches my dress.

198

00:12:27,621 —> 00:12:29,248

- Yes.

- Or is that plum?

199

00:12:29,290 —> 00:12:30,541

Uh, Etruscan.

200

00:12:30,583 —> 00:12:32,835

Oh, yes. An entire civilization

201

00:12:32,877 —> 00:12:34,503

reduced to a paint swatch.

202

00:12:34,545 —> 00:12:37,965

Civilization has

nothing to do with it.

203

00:12:39,925 —> 00:12:44,096

Well, good luck with your

Arubas. I'll leave you to it.

204

00:12:45,765 —> 00:12:47,391

[sighs]

205

00:12:47,433 —> 00:12:48,893

[pensive music]

206

00:12:54,857 —> 00:12:56,901

[Eleanor] Well, I'll give you

the second one,

207

00:12:56,942 —> 00:12:59,278

'cause the second one

is more burnt.

208

00:12:59,320 —> 00:13:00,571

Can you take that one?

209

00:13:02,072 —> 00:13:04,158

I think this one's ready.

210

00:13:04,200 —> 00:13:05,451

- [chuckles]

- Oh.

211

00:13:08,120 —> 00:13:11,081
I've got sticky fingers.
I forgot about that.

212
00:13:13,167 —> 00:13:14,960
[both chuckle]

213
00:13:16,754 —> 00:13:18,631
Well, that's awfully nice
of you, ma'am.

214
00:13:18,672 —> 00:13:19,715
[chuckling]

215
00:13:23,135 —> 00:13:24,970
Now I have a sticky face.

216
00:13:25,012 —> 00:13:26,764
[both chuckling]

217
00:13:26,806 —> 00:13:29,892
It hasn't been seared
into our brains because...

218

00:13:29,934 —> 00:13:32,144

[no audible dialogue]

219

00:13:35,523 —> 00:13:37,233

[chattering]

220

00:13:46,534 —> 00:13:48,285

"The First Lady cheered

221

00:13:48,327 —> 00:13:52,706

by 45,000 letters in support.

222

00:13:52,748 —> 00:13:55,626

Women align

with the heroic Mrs. Ford."

223

00:13:55,668 —> 00:13:57,503

- [chuckles]

- And this one is so good.

224

00:13:57,545 —> 00:13:59,213

"Her candor
and lack of pretension

225
00:13:59,255 —> 00:14:01,966
is the salve this country needs
after years...

226
00:14:02,007 —> 00:14:03,801
[whispering]
...of secrecy and deceit."

227
00:14:03,843 —> 00:14:05,094
[chuckles]

228
00:14:05,135 —> 00:14:07,680
You are a salve.
How does it feel?

229
00:14:08,848 —> 00:14:10,850
It feels good, I have to admit.

230
00:14:11,183 —> 00:14:16,188
Oh, those crowds of women

outside my hospital room.

231
00:14:17,690 —> 00:14:21,235
They were so energized.

232
00:14:24,238 —> 00:14:25,781
I see the wheels turning.

233
00:14:26,740 —> 00:14:30,828
Could you find me
everything you can

234
00:14:30,870 —> 00:14:34,206
on where we're currently at
with the Equal Rights Act?

235
00:14:34,707 —> 00:14:37,376
Absolutely. Do you know
where the president stands

236
00:14:37,418 —> 00:14:40,129
- on the issue?
- Mmm. No.

237

00:14:40,170 —> 00:14:43,257

I'm not sure at the moment,

but I know where I stand.

238

00:14:46,010 —> 00:14:48,721

No one's been able

to get it ratified yet.

239

00:14:48,762 —> 00:14:51,348

People weren't getting

mammograms last month either.

240

00:14:51,390 —> 00:14:52,391

Oh.

241

00:14:52,433 —> 00:14:55,311

[up-tempo music]

242

00:14:55,352 —> 00:14:56,729

[door closes]

243

00:14:57,855 —> 00:15:00,274
A whole generation
of young Americans has grown up

244
00:15:00,316 —> 00:15:01,901
seeing a "Man of the Year"

245
00:15:01,942 —> 00:15:03,485
on TIME magazine's
year-end issue.

246
00:15:03,527 —> 00:15:05,321
But when TIME came out today,

247
00:15:05,362 —> 00:15:07,448
male tradition was crushed
in one fell swoop.

248
00:15:07,489 —> 00:15:09,408
Mrs. Ford, called by TIME

249
00:15:09,450 —> 00:15:11,201
"The most

since Eleanor Roosevelt,"

250

00:15:11,243 —> 00:15:13,078

had a mixed reaction

to the cover.

251

00:15:13,120 —> 00:15:15,372

She said,

"We have made a point."

252

00:15:15,414 —> 00:15:17,708

But she also said,

"It would've been nice

253

00:15:17,750 —> 00:15:20,085

to have had

a Person' of the Year."

254

00:15:23,714 —> 00:15:26,091

Calling about the ERA,

Mr. Koplin.

255

00:15:26,133 —> 00:15:28,594

No, it stands for
Equal Rights Amendment.

256
00:15:28,636 —> 00:15:30,596
[chuckles] You should listen
to your wife, sir.

257
00:15:30,638 —> 00:15:32,264
Congress voted it in,

258
00:15:32,306 —> 00:15:34,391
including President Ford
when he was in the House.

259
00:15:34,433 —> 00:15:36,560
That's right.
Call your state representative

260
00:15:36,602 —> 00:15:38,103
and demand that they ratify it.

261
00:15:38,145 —> 00:15:41,607
Governor Rhodes, the ERA

has never been concerned

262
00:15:41,649 —> 00:15:44,902
with making women
the same as men.

263
00:15:44,944 —> 00:15:46,779
Just equal to...

264
00:15:46,820 —> 00:15:49,114
Mmm, yeah,
in the eyes of the law.

265
00:15:49,615 —> 00:15:53,702
[chuckling] No, the amendment
is not anti-marriage.

266
00:15:54,453 —> 00:15:55,955
That's correct, yeah.

267
00:15:55,996 —> 00:16:00,751
Equal pay, equal opportunity,

268

00:16:01,460 —> 00:16:02,711

equal rights.

269

00:16:02,753 —> 00:16:03,963

Mm-hmm.

270

00:16:06,590 —> 00:16:10,260

That's wonderful.

Thank you, Governor.

271

00:16:10,803 —> 00:16:15,140

Thank your wife for me.

Bye-bye, now.

272

00:16:15,849 —> 00:16:16,934

We got Ohio.

273

00:16:16,976 —> 00:16:18,644

[all cheering]

274

00:16:20,437 —> 00:16:22,773

The president needs to get

his plucky wife

275
00:16:22,815 —> 00:16:25,776
and her dirty hippie
phone telethon under control.

276
00:16:25,818 —> 00:16:27,361
Ruckelshaus' wife Jill

277
00:16:27,403 —> 00:16:28,946
is helping her run
the whole operation.

278
00:16:28,988 —> 00:16:31,115
Right. Suddenly,
everyone's wife, daughter,

279
00:16:31,156 —> 00:16:33,993
and sister has decided
they have to become activists.

280
00:16:34,034 —> 00:16:36,996
TIME magazine has named her

one of their Women of the Year.

281
00:16:37,037 —> 00:16:39,081
Yeah, and who gives a fig now?

282
00:16:39,123 —> 00:16:41,917
When these women are undermining
everything the party stands for.

283
00:16:41,959 —> 00:16:43,460
I mean, what's next?

284
00:16:43,502 —> 00:16:45,629
A State Dinner
for the Black Panthers?

285
00:16:45,671 —> 00:16:47,339
[newscaster on TV] Patty Hearst,

286
00:16:47,381 —> 00:16:49,091
daughter of
a rich and famous publisher,

287

00:16:49,133 —> 00:16:51,010

claims she has now become

Tania X,

288

00:16:51,051 —> 00:16:53,846

newest recruit in

the Symbionese Liberation Army.

289

00:16:53,887 —> 00:16:55,597

This is what

she told her parents

290

00:16:55,639 —> 00:16:57,766

by tape recording yesterday

291

00:16:57,808 —> 00:16:59,768

in the latest SLA communiqué.

292

00:16:59,810 —> 00:17:03,439

[Patty on TV] Dad, you said that

you were concerned with my life,

293

00:17:03,480 —> 00:17:06,358
and you also said that
you were concerned with the life

294
00:17:06,400 —> 00:17:09,570
and interests of all oppressed
people in this country.

295
00:17:09,611 —> 00:17:11,947
- You are a liar in both areas.
- [caller] Oh, wow.

296
00:17:11,989 —> 00:17:13,866
[newscaster] This is
what Patty's parents...

297
00:17:13,907 —> 00:17:15,576
They've brainwashed her.

298
00:17:15,617 —> 00:17:17,369
Maybe she really does believe
in their cause.

299

00:17:17,411 —> 00:17:19,246

Okay, ladies,

we have our own cause here.

300

00:17:19,288 —> 00:17:20,831

Let's keep up the fight.

301

00:17:20,873 —> 00:17:23,375

We're almost there.

Back on the phones.

302

00:17:25,419 —> 00:17:27,212

Madam First Lady, a word?

303

00:17:27,254 —> 00:17:28,839

[chattering]

304

00:17:30,466 —> 00:17:32,301

[caller 1] Chelsea,

do you have that...

305

00:17:32,342 —> 00:17:34,094

- [caller 2] No, I don't.

- [caller 1] Okay.

306
00:17:34,136 —> 00:17:38,640
Susan was shopping
without any detail?

307
00:17:38,682 —> 00:17:41,560
- How the hell did that happen?
- Maybe she just wanted

308
00:17:41,602 —> 00:17:45,230
to go shopping with her friends
without a babysitter.

309
00:17:46,231 —> 00:17:47,733
She slipped out, sir.

310
00:17:47,775 —> 00:17:50,069
Shopping for a prom dress,
reportedly.

311
00:17:50,110 —> 00:17:52,237
Agent Austin tracked her down

within the hour.

312
00:17:56,033 —> 00:17:57,326
[sighs]

313
00:17:57,743 —> 00:18:01,121
- I'm fine. Everything's fine.
- Agent Keiser,

314
00:18:01,163 —> 00:18:03,624
will you please tell my daughter
why this is so important?

315
00:18:03,665 —> 00:18:06,126
If this is about Austin
losing me, it was my fault,

316
00:18:06,168 —> 00:18:08,170
and he was fucking pissed
when he tracked me down.

317
00:18:08,212 —> 00:18:10,172
- Susan.

- Suzie, sit down.

318
00:18:11,507 —> 00:18:12,925
[sighs]

319
00:18:13,926 —> 00:18:15,886
- What is it?
- [Keiser] We picked up rumblings

320
00:18:15,928 —> 00:18:18,180
from the same organization
that kidnapped Patty Hearst

321
00:18:18,222 —> 00:18:20,307
- about you.
- Rumblings?

322
00:18:20,349 —> 00:18:21,892
There's been discussion of you

323
00:18:21,934 —> 00:18:23,727
as one of their next
kidnapping targets.

324

00:18:24,061 —> 00:18:27,815

Agent Keiser and Austin

have this all under control.

325

00:18:28,315 —> 00:18:30,609

I won't ditch Austin ever again,

I swear.

326

00:18:30,651 —> 00:18:32,236

Damn right you won't.

327

00:18:32,277 —> 00:18:34,655

[Keiser] It's best

we take you out of school

328

00:18:34,696 —> 00:18:36,198

and keep you here

with added detail.

329

00:18:36,240 —> 00:18:37,950

Graduation is in

less than four weeks...

330

00:18:37,991 —> 00:18:39,952

Susan, it's going to be fine.

331

00:18:39,993 —> 00:18:41,787

It's my senior year!

What about prom?

332

00:18:41,829 —> 00:18:44,456

I know it's the prom,

but we need to keep you safe.

333

00:18:44,873 —> 00:18:48,168

Besides, you know your dad will

dance with you anytime you want.

334

00:18:52,756 —> 00:18:54,508

[chuckles]

335

00:18:54,550 —> 00:18:55,634

[sighs]

336

00:18:58,345 —> 00:18:59,596

[door opens]

337

00:18:59,638 —> 00:19:01,140

- Mmm.

- [door slams]

338

00:19:01,181 —> 00:19:04,059

- Mother, are you all right?

- Mmm. Mmm. Mm-hmm.

339

00:19:08,188 —> 00:19:10,107

- Excuse me, gentlemen.

- [agents] Ma'am.

340

00:19:11,942 —> 00:19:13,652

- [door opens]

- I'm a good dancer.

341

00:19:13,694 —> 00:19:14,736

[door closes]

342

00:19:14,778 —> 00:19:16,071

[door opens]

343
00:19:17,865 —> 00:19:20,492
- Can I come in?
- Well, what's stopping you?

344
00:19:20,909 —> 00:19:23,453
It's not like I have
any privacy anyways.

345
00:19:26,582 —> 00:19:27,666
Yes.

346
00:19:28,876 —> 00:19:32,337
That's one of the things
about living in this house.

347
00:19:33,630 —> 00:19:34,840
[sighs]

348
00:19:36,216 —> 00:19:38,677
But we do need to keep you safe,
sweetheart.

349

00:19:38,719 —> 00:19:41,096

Well, I don't feel safe.

350

00:19:41,138 —> 00:19:43,724

I feel bored.

I feel pissed and trapped.

351

00:19:43,765 —> 00:19:46,518

Yeah. Well,

I'd rather that than...

352

00:19:46,560 —> 00:19:48,187

Robbing a bank with the SLA?

353

00:19:48,228 —> 00:19:51,523

Yes, actually.

Please don't joke about that.

354

00:19:51,565 —> 00:19:54,443

Did you see her

with her hat and her gun?

355

00:19:54,818 —> 00:19:58,030

Yes, and I found it

very disturbing.

356

00:19:58,071 —> 00:20:00,032

Do you think she's brainwashed?

357

00:20:00,073 —> 00:20:03,702

I don't... I'm not sure

that's a real thing.

358

00:20:03,744 —> 00:20:06,705

None of this would be happening

if Dad weren't the president.

359

00:20:07,539 —> 00:20:09,166

Well... [grunts]

360

00:20:09,208 —> 00:20:10,375

Yes.

361

00:20:11,251 —> 00:20:12,419

But...

362
00:20:16,590 —> 00:20:20,594
it's had
some unexpected benefits.

363
00:20:21,762 —> 00:20:24,389
Breast cancer,
mental health awareness.

364
00:20:24,806 —> 00:20:27,392
You know,
the fight for ERA ratification.

365
00:20:27,434 —> 00:20:29,937
I don't think any of that
would've happened

366
00:20:29,978 —> 00:20:32,064
if your dad weren't president.

367
00:20:32,105 —> 00:20:34,775
You did those things,

not the president.

368

00:20:34,816 —> 00:20:38,946

I'm his wife. The First Lady.

369

00:20:38,987 —> 00:20:42,241

Which brings exposure,

370

00:20:42,282 —> 00:20:44,076

attention...

371

00:20:44,117 —> 00:20:45,953

yeah, scrutiny.

372

00:20:45,994 —> 00:20:49,456

But I've learned to enjoy it

rather than...

373

00:20:50,332 —> 00:20:52,668

I don't know, resent it.

374

00:20:54,419 —> 00:20:59,341

Well, we could have my prom

375
00:20:59,383 —> 00:21:01,927
here at the White House.

376
00:21:01,969 —> 00:21:04,346
[chuckling] What?

377
00:21:04,388 —> 00:21:08,600
We have a huge house,
a kitchen, ballroom,

378
00:21:08,642 —> 00:21:10,185
- staff.
- [chuckles]

379
00:21:10,227 —> 00:21:12,187
Honey, I don't know.

380
00:21:12,229 —> 00:21:14,856
There'll be detail everywhere.
I'll be kept safe.

381

00:21:14,898 —> 00:21:16,441

I'd have to speak

to your father.

382

00:21:16,984 —> 00:21:18,277

You will?

383

00:21:18,318 —> 00:21:21,446

I'm not sure he'll be up for it.

384

00:21:21,780 —> 00:21:24,283

But maybe. [chuckles]

385

00:21:26,285 —> 00:21:31,290

I also believe that the

corporate structures can now...

386

00:21:33,000 —> 00:21:36,837

This is the man

that is negotiating with the SLA

387

00:21:36,878 —> 00:21:38,463

to get Patty Hearst released.

388
00:21:40,299 —> 00:21:42,301
- Is it working?
- That's not the point, sir.

389
00:21:42,342 —> 00:21:46,388
The point is the country's being
taken over by revolutionaries.

390
00:21:48,056 —> 00:21:51,351
This administration needs to
take a stand against anything

391
00:21:51,393 —> 00:21:54,646
even remotely counter-culture,
anti-establishment

392
00:21:55,063 —> 00:21:57,024
and, God knows, revolutionary.

393
00:21:57,065 —> 00:21:59,234
It's important

the country hear from you, sir.

394

00:21:59,276 —> 00:22:00,736

Maybe we could include something

395

00:22:00,777 —> 00:22:02,237

in one of your

campaign speeches?

396

00:22:02,279 —> 00:22:04,990

I think they need

to hear something now.

397

00:22:08,702 —> 00:22:10,329

- Thank you, sir.

- Thank you, sir.

398

00:22:10,370 —> 00:22:12,122

- Thank you, sir.

- Great.

399

00:22:12,164 —> 00:22:14,291

What do we have

on the Ohio state legislature...

400
00:22:14,333 —> 00:22:16,835
- [door opens, closes]
- [sighs]

401
00:22:16,877 —> 00:22:19,838
[TV anchor] From the beginning,
Randolph and Catherine Hearst

402
00:22:19,880 —> 00:22:22,007
have always had to
consider the possibility

403
00:22:22,049 —> 00:22:25,010
they might never again
see their daughter alive.

404
00:22:25,052 —> 00:22:26,762
And never more so than now,

405
00:22:26,803 —> 00:22:28,680
when some of those

closest to the case

406

00:22:28,722 —> 00:22:30,015

are beginning to believe...

407

00:22:30,057 —> 00:22:31,350

Madam First Lady.

408

00:22:32,559 —> 00:22:35,020

Mrs. Howe, may I speak with you?

409

00:22:35,062 —> 00:22:38,315

Oh. If I'm not back in half

an hour, send a search party.

410

00:22:38,357 —> 00:22:40,859

...a left-wing attorney

who is one of the trustees...

411

00:22:40,901 —> 00:22:43,028

- [door opens]

- ...for the four million dollars

412

00:22:43,070 —> 00:22:44,905

- Hearst still has in the bank.

- [door closes]

413

00:22:51,119 —> 00:22:53,872

What did Mr. Charming

have to say?

414

00:22:53,914 —> 00:22:56,750

[chuckling] Um, do you...

415

00:22:56,792 —> 00:22:58,960

do you remember the trip

that Jim and I took

416

00:22:59,002 —> 00:23:00,837

to the Dominican Republic

a month ago?

417

00:23:00,879 —> 00:23:03,215

- Yeah, spring break. Mm-hmm.

- Mm-hmm.

418

00:23:03,256 —> 00:23:07,844

Well, the FBI is

investigating Jim because of it.

419

00:23:07,886 —> 00:23:10,055

- What?

- Mmm.

420

00:23:10,097 —> 00:23:12,057

His business associate

paid for it,

421

00:23:12,099 —> 00:23:14,559

and apparently, it set off

all these alarm bells.

422

00:23:14,601 —> 00:23:16,186

Oh, no.

423

00:23:16,228 —> 00:23:19,648

Oh, Cheney got so excited

424

00:23:19,689 —> 00:23:22,234
- reciting the legal code to me.
- [both chuckle]

425
00:23:22,275 —> 00:23:25,862
[in deep voice] "One will not
accept gift, gratuity or favors

426
00:23:25,904 —> 00:23:28,323
from certain persons
or corporations."

427
00:23:28,365 —> 00:23:30,659
I mean, do you think
Jim did anything wrong?

428
00:23:30,700 —> 00:23:32,744
No, of course not.

429
00:23:32,786 —> 00:23:36,957
I think they are looking for any
reason to get me away from you.

430

00:23:37,791 —> 00:23:39,543
Then the ERA came up.

431
00:23:39,584 —> 00:23:40,919
[sighs]

432
00:23:40,961 —> 00:23:43,755
They are so terrified of you.

433
00:23:43,797 —> 00:23:46,049
I mean, the truth is
they're terrified of women,

434
00:23:46,091 —> 00:23:48,552
but they're taking it out on you
and the president.

435
00:23:48,593 —> 00:23:49,845
Now me and my husband.

436
00:23:51,346 —> 00:23:54,850
Well, they're not gonna
get away with it.

437

00:23:54,891 —> 00:23:56,268

Mm-mmm.

438

00:23:56,309 —> 00:23:58,395

[somber music]

439

00:24:35,015 —> 00:24:37,809

The Defense of Marriage Act,

passed in 1996

440

00:24:37,851 —> 00:24:40,479

by overwhelming

bipartisan majorities,

441

00:24:40,520 —> 00:24:42,647

and was signed into law

by President Clinton.

442

00:24:42,689 —> 00:24:46,401

All of human experience points

to one committed relationship

443

00:24:46,443 —> 00:24:48,320

between a man and a woman

444

00:24:48,361 —> 00:24:50,655

as the core building block

to society.

445

00:24:50,697 —> 00:24:52,824

It takes a man and a woman

to have children,

446

00:24:52,866 —> 00:24:56,119

and children are necessary

for the next generation.

447

00:24:56,161 —> 00:24:59,039

But these are the same arguments

that could be used to promote

448

00:24:59,080 —> 00:25:00,957

marriage between

fathers and daughters,

449

00:25:00,999 —> 00:25:03,335

mothers and sons or even

polygamous relationships...

450

00:25:03,376 —> 00:25:04,711

- [knocking on door]

- Yes.

451

00:25:06,463 —> 00:25:08,632

The VP's office says

Mr. Biden can see you now.

452

00:25:09,216 —> 00:25:10,342

Thank you.

453

00:25:16,806 —> 00:25:20,143

[Biden on TV] The good news is

that as more and more Americans

454

00:25:20,185 —> 00:25:22,312

come to understand

what this is all about

455

00:25:22,354 —> 00:25:23,939

- is a simple proposition.

- [sighs]

456

00:25:23,980 —> 00:25:27,984

Who do you love?

Who do you love?

457

00:25:28,527 —> 00:25:31,446

And will you be loyal

to the person you love?

458

00:25:32,572 —> 00:25:34,199

Hey.

459

00:25:34,241 —> 00:25:35,867

That's what people

are finding out...

460

00:25:35,909 —> 00:25:37,827

Bo. [kisses]

461

00:25:37,869 —> 00:25:40,705
...what all marriages
at their root are about.

462
00:25:40,747 —> 00:25:43,458
Well, whether they're
marriages of lesbians

463
00:25:43,500 —> 00:25:45,835
or gay men or heterosexuals.

464
00:25:45,877 —> 00:25:47,879
[Gregory] Is that
what you believe now?

465
00:25:47,921 —> 00:25:49,714
- That's what I believe.
- [Gregory] You're comfortable

466
00:25:49,756 —> 00:25:51,716
with same-sex marriage now?

467
00:25:51,758 —> 00:25:54,052

[Biden] I am vice president
of the United States of America.

468
00:25:54,094 —> 00:25:56,846
Um, the president
sets the policy.

469
00:25:57,597 —> 00:25:59,808
I see your fingerprints,
Michelle.

470
00:25:59,849 —> 00:26:02,394
Someone from the administration
needed to say it.

471
00:26:03,937 —> 00:26:07,357
I can't have you
backseat driving.

472
00:26:07,399 —> 00:26:09,943
We're partners.
You know who you married.

473

00:26:09,985 —> 00:26:11,903
[Biden]
...all the civil liberties.

474
00:26:11,945 —> 00:26:14,364
Quite frankly, I don't see
much of a distinction,

475
00:26:14,406 —> 00:26:15,740
uh, beyond that.

476
00:26:15,782 —> 00:26:17,033
I'm gonna have to
walk this back.

477
00:26:17,075 —> 00:26:18,368
Do you?

478
00:26:19,703 —> 00:26:22,956
Some things are bigger
than politics. You told me that.

479
00:26:22,998 —> 00:26:24,583

Isn't this one of 'em?

480
00:26:28,169 —> 00:26:31,464
I have to walk this back, so...

481
00:26:31,881 —> 00:26:34,092
[Biden]
It's just, this is evolving.

482
00:26:34,134 —> 00:26:36,928
And by the way,
my measure, David,

483
00:26:36,970 —> 00:26:38,847
is I take a look at...

484
00:26:38,888 —> 00:26:40,724
This could be really damaging.

485
00:26:40,765 —> 00:26:42,100
...social culture changes.

486

00:26:42,601 —> 00:26:45,562
I think Will & Grace probably
did more to educate

487
00:26:45,604 —> 00:26:49,190
- the American public...
- [door opens, closes]

488
00:26:50,233 —> 00:26:53,278
[pensive music]

489
00:26:58,408 —> 00:27:00,160
We'll do that then. Thank you.

490
00:27:00,201 —> 00:27:03,204
- Thank you, Mr. President.
- I'll handle that too.

491
00:27:03,246 —> 00:27:05,874
Excuse me, Mr. President,
just a quick question,

492
00:27:05,915 —> 00:27:08,668

I wanna make sure
I'm clear about something.

493
00:27:08,710 —> 00:27:12,088
Did you approve the use of
the, uh, White House phone lines

494
00:27:12,130 —> 00:27:15,300
in the East Wing
by those, uh, women?

495
00:27:15,759 —> 00:27:20,263
[chuckles] Betty's gals?
I take it you don't approve.

496
00:27:20,305 —> 00:27:22,182
Well, they're campaigning
for the ERA.

497
00:27:22,223 —> 00:27:24,476
- You think it might be a coven?
- It's Nancy Howe.

498

00:27:24,517 —> 00:27:26,561
If I'm honest, since she started
filling Mrs. Ford's head...

499
00:27:26,603 —> 00:27:28,521
Betty's always supported
women's rights.

500
00:27:29,397 —> 00:27:31,441
And in case you forgot,
gentlemen,

501
00:27:31,483 —> 00:27:33,693
I voted for the ERA in Congress.

502
00:27:33,735 —> 00:27:35,779
Doesn't mean
you have to support it now.

503
00:27:36,571 —> 00:27:37,614
Why shouldn't I?

504
00:27:37,656 —> 00:27:39,157

Reagan's against it.

505
00:27:39,199 —> 00:27:40,617
[scoffs]

506
00:27:40,659 —> 00:27:42,994
He's bashing the ERA
and Roe v. Wade,

507
00:27:43,036 —> 00:27:44,996
and everything else
that Betty has championed.

508
00:27:45,038 —> 00:27:47,332
He's feeling up
a run against you

509
00:27:47,374 —> 00:27:50,126
by turning half the party
against her.

510
00:27:50,168 —> 00:27:52,295
You know, guys,

I really don't care for it

511
00:27:52,337 —> 00:27:53,963
when you pit me against my wife.

512
00:27:55,215 —> 00:27:57,759
Mr. President,
the First Lady's causes

513
00:27:57,801 —> 00:28:00,220
are giving Reagan
everything he needs

514
00:28:00,261 —> 00:28:02,764
to secure the nomination
next year.

515
00:28:03,098 —> 00:28:05,767
We expect he'll run against you.

516
00:28:06,434 —> 00:28:09,854
No one runs against an incumbent
from their own party, Rummy.

517

00:28:10,980 —> 00:28:12,691

Leave my wife out of it.

518

00:28:14,317 —> 00:28:16,736

[door opens, closes]

519

00:28:21,574 —> 00:28:23,076

[door opens]

520

00:28:23,118 —> 00:28:24,869

How's the ratification fight

coming?

521

00:28:25,829 —> 00:28:28,832

[Betty] We're getting

closer and closer.

522

00:28:30,583 —> 00:28:33,002

[Gerald] Rummy was on my case

about it today.

523

00:28:34,087 —> 00:28:36,965
Think those callers of yours
scare him.

524
00:28:37,006 —> 00:28:38,216
[Betty] Good.

525
00:28:39,300 —> 00:28:41,219
Was there ever
any thought of, uh,

526
00:28:41,886 —> 00:28:44,806
setting up a call center
outside of the White House?

527
00:28:44,848 —> 00:28:47,726
No. Why would we do that?

528
00:28:53,064 —> 00:28:55,859
I was just wondering
why it has to be done here.

529
00:28:57,026 —> 00:28:59,154

Because I live here, Jerry,

530
00:28:59,195 —> 00:29:03,158
and we have the space
and the resources.

531
00:29:04,909 —> 00:29:06,369
What's this about?

532
00:29:08,413 —> 00:29:09,664
It's just... [sighs]

533
00:29:10,206 —> 00:29:13,001
The First Lady running
an anti-establishment campaign

534
00:29:13,042 —> 00:29:15,253
- out of the White House is...
- It's not anti-establishment.

535
00:29:15,295 —> 00:29:17,922
You know what I mean.
The whole thing, it's...

536

00:29:17,964 —> 00:29:20,592

Just make it... It's putting me

in a difficult position.

537

00:29:25,346 —> 00:29:27,056

Jerry, you voted

for this amendment

538

00:29:27,098 —> 00:29:28,391

when you were in Congress.

539

00:29:28,433 —> 00:29:30,268

And I'll vote for it again.

540

00:29:30,310 —> 00:29:32,479

It's just having it shouted

from our doorstep

541

00:29:32,520 —> 00:29:34,314

is making things hard for me.

542

00:29:34,355 —> 00:29:36,524
Should I tell all the women
I'm fighting for

543
00:29:36,566 —> 00:29:40,528
that we need to stop because it
makes my husband uncomfortable?

544
00:29:40,570 —> 00:29:43,156
Damn it! This isn't about me.
It's about the party.

545
00:29:44,491 —> 00:29:46,075
Reagan is gaining
with the far-right

546
00:29:46,117 —> 00:29:47,911
and things like this
win them over.

547
00:29:47,952 —> 00:29:51,247
Then we'll just have to
fight harder, won't we?

548

00:29:58,087 —> 00:30:01,382

Oh, by the way, I promised Susan

she could have her prom here.

549

00:30:01,424 —> 00:30:04,219

- [scoffs]

- Oh, that is if, of course,

550

00:30:04,260 —> 00:30:07,180

unless Reagan disapproves

of school dances too.

551

00:30:10,308 —> 00:30:12,477

[Gerald] Why don't we invite

the circus too?

552

00:30:12,519 —> 00:30:14,145

We can have

all the animals here.

553

00:30:14,187 —> 00:30:16,981

All the giraffes and the zebras.

It'll be great.

554

00:30:17,607 —> 00:30:21,402

Don't forget the clowns.

Gonna have lots of clowns.

555

00:30:23,363 —> 00:30:24,489

[sighs]

556

00:30:24,531 —> 00:30:26,616

[pensive music]

557

00:30:35,875 —> 00:30:38,670

Now, Mother tells me

Macfadden has ordered

558

00:30:38,711 —> 00:30:42,674

100,000 copies of the magazine

for print.

559

00:30:42,715 —> 00:30:44,300

It's been very rewarding.

560

00:30:44,342 —> 00:30:46,010
I expect it has.

561
00:30:46,052 —> 00:30:47,720
I would like to offer you

562
00:30:47,762 —> 00:30:50,265
something I think
might be even more exciting.

563
00:30:51,724 —> 00:30:53,518
Come work with me.

564
00:30:53,852 —> 00:30:56,354
- What? [laughs]
- You could be my aide-de-camp.

565
00:30:56,396 —> 00:30:59,107
You know me better than anyone.
Mother would be thrilled

566
00:30:59,148 —> 00:31:01,484
with you staying on here

at the White House.

567

00:31:01,526 —> 00:31:04,195

Uh... well,

what about the magazine?

568

00:31:04,237 —> 00:31:06,364

I'll make sure

you have plenty of time to do

569

00:31:06,406 —> 00:31:08,366

your assistant editrix duties.

570

00:31:08,408 —> 00:31:09,993

[knocking on door]

571

00:31:10,034 —> 00:31:11,703

Yes?

572

00:31:11,744 —> 00:31:15,498

Pardon me, sir.

Mr. Hoover is here to see you.

573

00:31:15,540 —> 00:31:17,876

It's fine.

Send him in, thank you, Missy.

574

00:31:21,212 —> 00:31:22,964

- Mr. President.

- Edgar.

575

00:31:23,006 —> 00:31:26,342

Anna, why don't you stay,

get a feel for things?

576

00:31:26,384 —> 00:31:28,177

This is a delicate matter, sir.

577

00:31:28,219 —> 00:31:30,889

Don't worry, Anna's thinking

of joining the team.

578

00:31:30,930 —> 00:31:32,891

No better time than the present.

579

00:31:33,224 —> 00:31:35,727
That's fine, Father,
we can talk about it later.

580
00:31:35,768 —> 00:31:37,103
- I'll go.
- [Franklin] Okay.

581
00:31:37,145 —> 00:31:38,271
Thank you, Mrs. Dall.

582
00:31:38,313 —> 00:31:40,773
- Yes.
- What is it?

583
00:31:40,815 —> 00:31:43,401
- [door closes]
- I should tell you

584
00:31:43,443 —> 00:31:45,445
that my business
concerns the First Lady.

585

00:31:45,486 —> 00:31:48,573
What has Eleanor done now?
Knocked off a liquor store?

586
00:31:49,115 —> 00:31:52,118
This could be a matter
of national security, sir.

587
00:32:03,796 —> 00:32:06,925
- She's with a woman.
- Yes, I have eyes.

588
00:32:09,636 —> 00:32:11,429
That will be all.

589
00:32:12,138 —> 00:32:13,306
Thank you, sir.

590
00:32:27,153 —> 00:32:29,280
[Louis coughing]

591
00:32:32,909 —> 00:32:34,285
Louis...

592

00:32:35,828 —> 00:32:38,289

you must call a doctor.

593

00:32:38,331 —> 00:32:40,249

Eleanor, I'm fine. Really.

594

00:32:42,502 —> 00:32:44,420

I have a serious question

for you.

595

00:32:45,213 —> 00:32:46,589

How's the decorating going?

596

00:32:48,675 —> 00:32:50,635

It's gotten to the point

597

00:32:50,677 —> 00:32:52,804

that it's easier

just to do the thing

598

00:32:52,845 —> 00:32:57,100

than it is to argue about

why it's a poor use of my time.

599

00:32:57,141 —> 00:32:58,726

[chuckles]

600

00:32:58,768 —> 00:33:01,980

Still, somehow I've managed

to sneak away.

601

00:33:02,021 —> 00:33:04,607

- For a moment anyway.

- Good for you.

602

00:33:04,649 —> 00:33:07,026

I was, um...

I was sorry to hear about Hick.

603

00:33:08,194 —> 00:33:11,072

What? What are you

talking about?

604

00:33:11,114 —> 00:33:13,324

Well, I assumed you knew.

She resigned as, uh,

605

00:33:13,366 —> 00:33:14,993

White House Correspondent today.

606

00:33:15,034 —> 00:33:17,036

[clears throat]

No longer covering you.

607

00:33:18,121 —> 00:33:21,833

No. Where did you hear that?

608

00:33:22,291 —> 00:33:25,086

I don't know, uh, she

told someone, someone told me.

609

00:33:25,128 —> 00:33:26,504

Any idea why?

610

00:33:27,880 —> 00:33:30,800

- No, I haven't the foggiest.

- [coughs]

611

00:33:30,842 —> 00:33:34,762

Oh, Louis.

Call a doctor or I will.

612

00:33:34,804 —> 00:33:36,514

You worry too much.

613

00:33:36,556 —> 00:33:38,182

And you not enough.

614

00:33:39,142 —> 00:33:40,435

[blows raspberry]

615

00:33:42,228 —> 00:33:43,563

[blows raspberry]

616

00:33:44,564 —> 00:33:45,690

[chuckles]

617

00:33:50,445 —> 00:33:51,863

[sighs]

618

00:33:51,904 —> 00:33:53,948

[somber music]

619

00:34:06,294 —> 00:34:07,754

[sighs]

620

00:34:16,429 —> 00:34:19,265

[squawking]

621

00:34:28,107 —> 00:34:29,901

- [Malvina] Mrs. R.

- [knocking at door]

622

00:34:29,942 —> 00:34:31,069

Mrs. R?

623

00:34:31,110 —> 00:34:32,528

What is it?

624

00:34:32,570 —> 00:34:33,946

It's, um...

625

00:34:35,073 —> 00:34:37,575

It's... It's Louis.

626

00:34:37,617 —> 00:34:39,494

He collapsed in his office.

627

00:34:39,535 —> 00:34:41,913

[gasps] Oh, no.

628

00:34:41,954 —> 00:34:44,082

They rushed him

to the naval hospital.

629

00:34:44,123 —> 00:34:45,958

His... His lungs gave out.

630

00:34:47,293 —> 00:34:49,170

And what do they know?

631

00:34:51,255 —> 00:34:54,008

The doctors say there's nothing

more they can do.

632
00:34:56,636 —> 00:34:57,970
I'm so sorry.

633
00:34:59,055 —> 00:35:00,348
Thank you, Tommy.

634
00:35:00,389 —> 00:35:02,892
[melancholy music]

635
00:35:16,405 —> 00:35:17,907
[church bell tolls]

636
00:35:27,583 —> 00:35:30,044
[grunts, sniffles]

637
00:35:30,086 —> 00:35:31,212
[Anna] Ah.

638
00:35:49,522 —> 00:35:50,982
I'm so sorry.

639

00:35:55,653 —> 00:35:58,239

He worked until the very end,

didn't he?

640

00:36:06,122 —> 00:36:09,375

"Democratic Nomination Speech

for Eleanor Roosevelt

641

00:36:09,417 —> 00:36:12,503

for President of

the United States." Huh.

642

00:36:14,589 —> 00:36:16,382

He was such a dreamer.

643

00:36:23,139 —> 00:36:25,558

- [blows raspberry]

- [chuckling]

644

00:36:26,934 —> 00:36:28,144

[blows raspberry]

645

00:36:30,646 —> 00:36:32,690

[melancholy music continues]

646

00:36:36,152 —> 00:36:37,570

[sighs]

647

00:36:49,248 —> 00:36:50,541

Thank you, Lawrence.

648

00:36:55,296 —> 00:36:56,672

Is this my fault?

649

00:36:56,714 —> 00:36:58,007

Is what your fault?

650

00:36:59,091 —> 00:37:00,718

You guys not talking.

651

00:37:01,552 —> 00:37:02,970

We're talking.

652

00:37:03,012 —> 00:37:05,056
We're just worried
about you, honey.

653
00:37:05,765 —> 00:37:08,976
Well, I'm fine. There's
a new Secret Service agent

654
00:37:09,018 —> 00:37:10,728
every time I open a door
around here.

655
00:37:10,770 —> 00:37:11,854
[both] Good.

656
00:37:15,900 —> 00:37:20,404
Mom and I think that Rumsfeld
and Cheney are having an affair.

657
00:37:21,781 —> 00:37:23,866
[all chuckle]

658
00:37:28,663 —> 00:37:31,249

Where in the world

did you come up with that?

659

00:37:31,582 —> 00:37:33,376

Well, I thought

it would make you laugh.

660

00:37:34,293 —> 00:37:36,587

You've both been

so serious lately.

661

00:37:37,088 —> 00:37:39,757

There's just a lot

going on right now.

662

00:37:39,799 —> 00:37:40,925

[Susan] I know.

663

00:37:41,342 —> 00:37:45,763

But we're still here,

us, our family.

664

00:37:46,806 —> 00:37:49,100

And 3,000 Secret Service agents.

665

00:37:49,141 —> 00:37:50,268

That's right.

666

00:37:53,980 —> 00:37:55,189

Your, uh...

667

00:37:57,358 —> 00:37:59,819

your mother tells me

we're having a prom

668

00:37:59,860 —> 00:38:01,279

here at the White House.

669

00:38:01,612 —> 00:38:04,490

Wait. You said yes?

670

00:38:04,532 —> 00:38:06,534

Well, I thought

it was decided already.

671

00:38:07,451 —> 00:38:10,538
[Susan chuckling]
Oh, my God! Thank you!

672
00:38:11,872 —> 00:38:13,791
Oh, my God.

673
00:38:13,833 —> 00:38:15,459
[laughs]

674
00:38:17,003 —> 00:38:19,588
Guess that means we'll be
hiring a rock and roll band.

675
00:38:20,423 —> 00:38:21,799
Well, can we get The Who?

676
00:38:22,633 —> 00:38:23,676
Who?

677
00:38:24,719 —> 00:38:27,596
- [sighs]
- [laughs]

678

00:38:27,930 —> 00:38:29,640

[Gerald] Gonna be a great prom.

679

00:38:30,016 —> 00:38:33,352

Thank you. I'm so excited.

Thank you.

680

00:38:33,394 —> 00:38:36,105

["Won't Get Fooled Again"

by The Who playing]

681

00:38:37,606 —> 00:38:41,694

[protesters] Hey, hey! ERA!

Hey, hey! ERA!

682

00:38:41,736 —> 00:38:45,323

The Equal Rights Amendment

tells our lawmakers:

683

00:38:45,364 —> 00:38:47,992

describe by function,

not by gender.

684

00:38:48,034 —> 00:38:50,619

Although there's

a Republican in the White House,

685

00:38:50,661 —> 00:38:52,455

this is a season of discontent

686

00:38:52,496 —> 00:38:54,290

for many members

of the Grand Old Party.

687

00:38:54,332 —> 00:38:56,667

Many of its conservatives

regard President Ford

688

00:38:56,709 —> 00:38:58,461

as far too liberal

689

00:38:58,502 —> 00:39:00,838

in his fiscal policies

and in his appointments.

690

00:39:00,880 —> 00:39:03,132

[reporter] When Ronald Reagan

was a sportscaster

691

00:39:03,174 —> 00:39:05,634

here in Des Moines

in the mid-1930s,

692

00:39:05,676 —> 00:39:07,928

he was only

a very minor celebrity.

693

00:39:07,970 —> 00:39:10,473

Today, he was

the biggest attraction in town.

694

00:39:10,514 —> 00:39:12,600

[chattering]

695

00:39:29,575 —> 00:39:32,536

Ladies?

May I have your attention?

696

00:39:32,578 —> 00:39:35,206

[caller] I'm so sorry.

I'm gonna have to call you back.

697

00:39:37,666 —> 00:39:40,503

First of all,

I wanna thank you all

698

00:39:40,544 —> 00:39:44,673

for your wonderful hard work

699

00:39:44,715 —> 00:39:47,676

these past few months.

700

00:39:47,718 —> 00:39:49,261

You are all...

701

00:39:50,679 —> 00:39:54,141

personally responsible

for helping us

702

00:39:54,183 —> 00:39:57,395

- get closer to ratification.

- [person] Thank you, Mrs. Ford.

703

00:40:00,564 —> 00:40:04,777

Unfortunately... today...

704

00:40:06,695 —> 00:40:08,406

is the last day

705

00:40:08,447 —> 00:40:12,868

we will be making calls here

from the White House.

706

00:40:12,910 —> 00:40:14,328

- [gasping, murmuring]

- [person] What?

707

00:40:14,912 —> 00:40:19,125

We need to pack up

our things and shut it down.

708

00:40:20,042 —> 00:40:22,837

- Immediately.

- We can turn this around.

709

00:40:22,878 —> 00:40:27,258

And we will.

Uh, but not from here.

710

00:40:27,299 —> 00:40:28,384

Why?

711

00:40:29,969 —> 00:40:32,430

I want you to know

this is, by all means,

712

00:40:32,471 —> 00:40:34,098

not the end of the fight.

713

00:40:34,140 —> 00:40:37,059

On the contrary, uh, I am...

714

00:40:38,686 —> 00:40:41,230

We are all just getting started.

715

00:40:52,158 —> 00:40:54,452

- [chattering]

- [person] I don't understand.

716

00:40:55,453 —> 00:40:57,413

You really don't need

to do this.

717

00:40:59,081 —> 00:41:00,791

I'm a target.

718

00:41:02,501 —> 00:41:06,505

Doing this here is hurting,

not helping the movement, and...

719

00:41:08,132 —> 00:41:09,800

it's hurting your dad.

720

00:41:12,261 —> 00:41:14,221

We begin today's show

in North Carolina

721

00:41:14,263 —> 00:41:16,307

where voters turned out

in large numbers

722

00:41:16,348 —> 00:41:18,309

to pass

a constitutional amendment

723

00:41:18,350 —> 00:41:22,104

that defines marriage as solely

between a man and a woman.

724

00:41:22,146 —> 00:41:25,316

While North Carolina law

already bans same-sex marriage,

725

00:41:25,357 —> 00:41:27,318

the amendment means civil unions

726

00:41:27,359 —> 00:41:29,820

and potentially other types

of domestic partnerships

727

00:41:29,862 —> 00:41:33,324

will no longer be
recognized legally by the state.

728
00:41:33,365 —> 00:41:36,202
And make sure Cheryl gets me
all that footage. All right?

729
00:41:36,243 —> 00:41:38,287
You know I'm talking about
the Bulls' game.

730
00:41:38,329 —> 00:41:40,998
[chuckles] All right.

731
00:41:41,040 —> 00:41:43,709
- [chattering]
- Hello, hello, hello!

732
00:41:43,751 —> 00:41:45,544
- Hi, Mr. President!
- Hi!

733
00:41:45,586 —> 00:41:48,214

How's it going? Look,

I got supplies for you.

734

00:41:48,255 —> 00:41:50,132

All right. And how's it going?

735

00:41:50,174 —> 00:41:52,134

- It's going pretty good.

- Going good.

736

00:41:52,176 —> 00:41:54,637

It's going pretty good. Halfway

through my history essay.

737

00:41:54,678 —> 00:41:56,722

[Barack] Halfway through.

Congratulations.

738

00:41:56,764 —> 00:41:59,642

Yeah. Thank you. Did you see

the North Carolina results?

739

00:41:59,683 —> 00:42:04,146

I did. So, uh, I am guessing
you're pretty disappointed.

740
00:42:04,188 —> 00:42:05,523
- Very.
- [student] Yeah.

741
00:42:05,564 —> 00:42:07,024
- Yeah.
- Yeah.

742
00:42:08,317 —> 00:42:10,444
Well, what do you
think about it?

743
00:42:11,237 —> 00:42:14,114
Well, uh, before I answer that.

744
00:42:14,156 —> 00:42:15,866
What... How are
y'all feeling about it?

745
00:42:15,908 —> 00:42:17,493

- It's terrible.

- Disappointed.

746

00:42:17,535 —> 00:42:19,036

- It's not fair.

- It's discrimination.

747

00:42:19,078 —> 00:42:21,330

- It's a real letdown on us.

- Yeah? Yep.

748

00:42:21,372 —> 00:42:24,625

Um, do you think you're going

to say something about it?

749

00:42:25,167 —> 00:42:29,129

Well, look. I guess

a lot of people would like

750

00:42:29,171 —> 00:42:32,174

to hear me speak up on it and...

751

00:42:32,216 —> 00:42:37,179

The... The thing is, in politics,

there are, uh,

752

00:42:37,221 —> 00:42:38,472

you know...

753

00:42:39,765 —> 00:42:41,183

[chuckles]

754

00:42:43,602 —> 00:42:45,271

[clicks tongue] Gotcha.

755

00:42:45,312 —> 00:42:47,898

All right. Dig in,

get back to work.

756

00:42:47,940 —> 00:42:49,942

[whispers] Do not tell

Mrs. Obama.

757

00:42:49,984 —> 00:42:52,361

- She will actually kill me.

- [laughter]

758

00:42:52,403 —> 00:42:55,239

- [all] Thank you!

- Thanks, Dad. Love you.

759

00:42:55,281 —> 00:42:56,699

Love you too, babe.

760

00:42:56,740 —> 00:42:59,326

Let's see, what type of pizza

is this?

761

00:42:59,368 —> 00:43:00,744

- Hope it's cheese?

- Me too.

762

00:43:00,786 —> 00:43:02,454

- Yes!

- [chuckling] Yay!

763

00:43:02,496 —> 00:43:04,582

[dramatic music]

764

00:43:27,396 —> 00:43:28,939

Is he alone, Missy?

765

00:43:28,981 —> 00:43:31,859

- Yes, he's reading.

- Oh, good. Thank you.

766

00:43:37,990 —> 00:43:39,491

Is now a good time?

767

00:43:40,492 —> 00:43:42,995

Please. Sit.

768

00:43:45,372 —> 00:43:47,082

Would you like a cup of tea?

769

00:43:48,334 —> 00:43:50,502

[Eleanor] No. No, thank you.

770

00:43:52,880 —> 00:43:57,426

I wanted to talk to you

about my friend Hick.

771

00:43:57,843 —> 00:44:01,472

Lorena Hickok.

You know, the reporter.

772

00:44:01,889 —> 00:44:04,016

I know who Hick is, Eleanor.

773

00:44:04,058 —> 00:44:06,644

Of course. Um, well.

774

00:44:08,270 —> 00:44:10,356

I was thinking that she could

775

00:44:10,397 —> 00:44:13,651

come work

for the administration.

776

00:44:13,692 —> 00:44:16,403

And she could write about

the New Deal programs,

777

00:44:16,445 —> 00:44:18,113
their successes and challenges.

778
00:44:18,155 —> 00:44:19,782
I will think about it.

779
00:44:23,118 —> 00:44:24,244
Thank you.

780
00:44:25,037 —> 00:44:26,997
On a related matter...

781
00:44:31,001 —> 00:44:34,672
J. Edgar Hoover came
to talk to me the other day.

782
00:44:34,713 —> 00:44:36,173
- [clears throat]
- Oh, yes?

783
00:44:36,215 —> 00:44:38,217
And wanted to talk...

784

00:44:43,347 —> 00:44:44,556

about you.

785

00:44:47,309 —> 00:44:48,602

About me?

786

00:44:51,563 —> 00:44:53,357

What on earth?

787

00:44:53,399 —> 00:44:55,401

[tense music]

788

00:45:25,347 —> 00:45:28,183

You've been spying

on me, Franklin?

789

00:45:28,225 —> 00:45:31,729

Of course not. J. Edgar Hoover

did this all on his own.

790

00:45:31,770 —> 00:45:34,565

But I have to say,

you made it rather easy for him.

791

00:45:34,606 —> 00:45:36,316

[scoffs] I didn't realize

792

00:45:36,358 —> 00:45:40,112

I was a person of interest

for Mr. Hoover.

793

00:45:50,456 —> 00:45:53,250

Well, am I to assume

that this is...

794

00:45:56,044 —> 00:45:58,839

some meaningless indiscretion?

795

00:46:03,761 —> 00:46:05,095

No.

796

00:46:07,973 —> 00:46:11,560

Not... meaningless.

797

00:46:12,102 —> 00:46:16,940
But not until this very moment
did it even occur to me...

798
00:46:18,942 —> 00:46:21,195
that you might have
found someone

799
00:46:21,236 —> 00:46:23,906
who you would rather be with
than me.

800
00:46:28,160 —> 00:46:29,787
Not rather.

801
00:46:34,333 —> 00:46:36,168
Just different.

802
00:46:41,673 —> 00:46:43,050
A woman.

803
00:46:48,180 —> 00:46:49,473
Yes.

804

00:46:55,187 —> 00:46:57,481

And you are happy with her?

805

00:47:02,402 —> 00:47:03,904

I might be.

806

00:47:09,910 —> 00:47:10,994

Right.

807

00:47:22,464 —> 00:47:24,049

Your idea

808

00:47:24,633 —> 00:47:28,095

of Hick working

for the administration,

809

00:47:28,136 —> 00:47:29,471

it's a good one.

810

00:47:32,975 —> 00:47:34,518

It is?

811

00:47:34,560 —> 00:47:36,854

Yes. She's a great writer.

812

00:47:37,771 —> 00:47:39,022

She is.

813

00:47:39,064 —> 00:47:42,109

But if she were to write stories

814

00:47:42,150 —> 00:47:44,194

about the New Deal

and its programs,

815

00:47:44,236 —> 00:47:46,113

she would be

our boots on the ground.

816

00:47:46,154 —> 00:47:48,991

She would spend much of the time

on the road.

817

00:47:49,032 —> 00:47:51,368
Would you be fine with that?

818
00:48:03,964 —> 00:48:05,632
Yes, I would.

819
00:48:07,009 —> 00:48:08,218
Very well.

820
00:48:19,438 —> 00:48:21,398
Thank you, Franklin.

821
00:48:22,816 —> 00:48:27,571
As much as this pains me,
and it does...

822
00:48:29,156 —> 00:48:32,993
I am happy for you
that you have found someone.

823
00:48:33,035 —> 00:48:36,955
I feared I had taken that
away from you years ago.

824

00:48:36,997 —> 00:48:38,415

So did I.

825

00:48:42,044 —> 00:48:44,671

I've have instructed Mr. Hoover

to give me the negatives

826

00:48:44,713 —> 00:48:46,465

and I will turn a blind eye.

827

00:48:48,550 —> 00:48:50,761

But I cannot promise

that anyone else will.

828

00:49:06,193 —> 00:49:07,861

Good night.

829

00:49:07,903 —> 00:49:10,030

- [door opens]

- [Eleanor] Good night.

830

00:49:10,948 —> 00:49:12,115

[door closes]

831

00:49:30,217 —> 00:49:32,636

[Eleanor] Just a few more steps.

832

00:49:32,678 —> 00:49:35,347

I won't let you bump

into anything, I promise.

833

00:49:35,389 —> 00:49:38,016

- [Lorena] Mm-hmm.

- Mmm, about right.

834

00:49:38,058 —> 00:49:41,436

Well, just maybe...

maybe just turn. [chuckles]

835

00:49:43,063 —> 00:49:45,315

[Lorena chuckles]

836

00:49:45,357 —> 00:49:48,110

- I'm gonna going to let go now.

- Mm-mmm.

837

00:49:50,320 —> 00:49:52,239

- I'm gonna let go.

- [exhales]

838

00:49:52,280 —> 00:49:56,410

You'll be just fine.

I'll be right here.

839

00:50:01,540 —> 00:50:03,208

You may open your eyes.

840

00:50:10,966 —> 00:50:12,009

What's all this?

841

00:50:14,219 —> 00:50:15,846

I've been decorating.

842

00:50:17,180 —> 00:50:20,017

Embracing my wifely duties.

843

00:50:25,439 —> 00:50:26,898
This desk is gorgeous.

844
00:50:26,940 —> 00:50:28,775
I thought you would like it.

845
00:50:30,610 —> 00:50:34,573
I had it made especially for you
at Val-Kill.

846
00:50:36,241 —> 00:50:38,201
All of this is for you, Hick.

847
00:50:42,706 —> 00:50:44,249
Thank you.

848
00:50:49,546 —> 00:50:51,715
[chuckles]

849
00:50:59,848 —> 00:51:01,558
I didn't want you
to feel responsible.

850

00:51:01,600 —> 00:51:03,351

That's why I didn't tell you

I had resigned.

851

00:51:03,393 —> 00:51:04,644

[Eleanor] I know.

852

00:51:06,271 —> 00:51:07,898

[sighs] But I do.

853

00:51:09,107 —> 00:51:11,068

And you didn't need to resign.

854

00:51:11,109 —> 00:51:15,989

Well, I couldn't possibly think

of you objectively anymore.

855

00:51:17,032 —> 00:51:19,326

Nor do I want you to.

856

00:51:22,287 —> 00:51:24,664

But if there is one thing

857

00:51:24,706 —> 00:51:28,835

that your exodus is good for...

858

00:51:29,795 —> 00:51:32,923

is that when

you are not traveling...

859

00:51:34,508 —> 00:51:35,967

you can be here.

860

00:51:37,135 —> 00:51:38,428

[Lorena chuckles softly]

861

00:51:38,470 —> 00:51:40,222

Right next to me.

862

00:51:48,605 —> 00:51:52,275

[gasps] Well, how'd you manage

to have that done

863

00:51:52,317 —> 00:51:53,944

without raising eyebrows?

864
00:51:53,985 —> 00:51:56,363
Oh, well, that door
has been there forever.

865
00:51:56,404 —> 00:51:59,241
There's been lots of
secret relations in this house.

866
00:51:59,282 —> 00:52:00,617
Oh.

867
00:52:17,759 —> 00:52:20,595
President Obama
has taken a historic stand

868
00:52:20,637 —> 00:52:23,098
on an issue that
deeply divides the country:

869
00:52:23,140 —> 00:52:24,975
same-sex marriage.

870

00:52:25,016 —> 00:52:27,435

The president made his remarks

in an interview

871

00:52:27,477 —> 00:52:30,230

with Good Morning America's

Robin Roberts.

872

00:52:30,272 —> 00:52:32,983

[Barack] This good? All right,

we got everyone ready?

873

00:52:33,024 —> 00:52:34,401

[Robin] Okay.

874

00:52:34,442 —> 00:52:36,153

[Barack]

I'm looking forward to it.

875

00:52:37,320 —> 00:52:39,990

- [Robin] Ready?

- Sure.

876

00:52:40,490 —> 00:52:43,034

One of the hot-button issues

because of things

877

00:52:43,076 —> 00:52:45,453

that have been said by members

of your administration.

878

00:52:46,163 —> 00:52:47,998

Same-sex marriage.

879

00:52:48,039 —> 00:52:50,458

North Carolina

just became the 30th state

880

00:52:50,500 —> 00:52:52,711

to announce

its ban on gay marriage.

881

00:52:55,505 —> 00:52:58,216

Are you opposed

to same-sex marriage?

882

00:53:01,094 —> 00:53:04,472

Well, it's important for me to,

883

00:53:04,514 —> 00:53:06,349

uh, go ahead and affirm...

884

00:53:08,560 —> 00:53:13,356

that I think same-sex couples

should be able to get married.

885

00:53:14,900 —> 00:53:17,819

You know, uh, Malia and Sasha,

886

00:53:17,861 —> 00:53:21,156

they've got friends whose

parents are same-sex couples.

887

00:53:21,198 —> 00:53:25,202

And, uh, there've been times

where, uh, Michelle and I

888

00:53:25,243 —> 00:53:27,704
have been sitting around
the dinner table

889
00:53:27,746 —> 00:53:31,625
and we've been talking about
their friends and parents.

890
00:53:31,666 —> 00:53:35,670
And for Malia and Sasha,
it wouldn't dawn on them

891
00:53:35,712 —> 00:53:38,882
that somehow
their friends' parents

892
00:53:38,924 —> 00:53:40,800
should be treated
any differently.

893
00:53:42,052 —> 00:53:44,763
Ah, it just doesn't make sense.

894

00:53:46,973 —> 00:53:49,184
So if you could,

895
00:53:49,226 —> 00:53:52,604
you would vote
to legalize same-sex marriage?

896
00:53:52,646 —> 00:53:56,107
I would, yeah. Absolutely.

897
00:53:56,149 —> 00:53:59,236
["Enola Gay" by Orchestral
Manoeuvres In The Dark playing]

898
00:54:03,281 —> 00:54:05,700
- [demonstrators chanting]
- The Supreme Court has affirmed.

899
00:54:05,742 —> 00:54:08,370
Same-sex marriage
is the law of the land.

900
00:54:08,411 —> 00:54:11,164

It is a constitutional right

for gay and lesbian couples

901

00:54:11,206 —> 00:54:13,750

to marry in every state

in this country

902

00:54:13,792 —> 00:54:16,253

which means all 50 states now.

903

00:54:16,294 —> 00:54:18,964

[crowd cheering, whooping]

904

00:54:29,474 —> 00:54:31,768

Enola Gay

905

00:54:31,810 —> 00:54:35,272

You should have

stayed at home yesterday

906

00:54:35,313 —> 00:54:37,274

Ah-ha, words can't describe

EP7: Nadir

1

00:00:04,879 —> 00:00:06,756

Bearing gifts we travel afar

2

00:00:08,717 —> 00:00:10,677

[Donald] She's opened

her mouth even wider.

3

00:00:11,886 —> 00:00:14,514

She shouted it right

from the mountaintops,

4

00:00:14,556 —> 00:00:17,183

so that every conservative

in America

5

00:00:17,225 —> 00:00:19,394

flocks to the Reagan camp.

6

00:00:24,399 —> 00:00:26,693

She starts up again

about abortion...

7

00:00:27,736 —> 00:00:29,237

we're dead in the water.

8

00:00:29,279 —> 00:00:32,824

But... her poll numbers

are still very high.

9

00:00:33,783 —> 00:00:35,744

Higher than the president's.

10

00:00:37,078 —> 00:00:38,913

I fuckin' miss Pat Nixon.

11

00:00:38,955 —> 00:00:40,040

Hmm.

12

00:00:41,708 —> 00:00:43,543

[sighs]

13

00:00:43,585 —> 00:00:45,670

[phone ringing]

14

00:00:47,255 —> 00:00:48,840

Don.

15

00:00:48,882 —> 00:00:51,760

Mr. President, uh, we were

wondering if we could,

16

00:00:51,801 —> 00:00:54,345

uh, come by this evening and

go over some campaign matters

17

00:00:54,387 —> 00:00:56,139

with you and, uh,

the First Lady?

18

00:00:56,181 —> 00:00:57,891

What, on Christmas Eve?

19

00:00:57,932 —> 00:01:01,394

Right. Uh, we promise

not to stay too long, sir.

20

00:01:01,436 —> 00:01:04,898

I just think that...

We need to go over how important

21

00:01:04,939 —> 00:01:07,025

the First Lady's role is

in this upcoming campaign.

22

00:01:07,067 —> 00:01:08,735

Maybe fine-tune

her message a little bit.

23

00:01:08,777 —> 00:01:10,904

Uh, I don't know

if she'll appreciate that, Don.

24

00:01:10,945 —> 00:01:13,907

Well, you know,

Dick was suggesting that, uh,

25

00:01:13,948 —> 00:01:15,825

maybe we surprise her.

26

00:01:15,867 —> 00:01:17,911

- [scoffs]

- How 'bout we see you at 8:00?

27

00:01:19,537 —> 00:01:21,247

All right.

28

00:01:21,289 —> 00:01:23,583

["Tie A Yellow Ribbon

Round The Ole Oak Tree" playing]

29

00:01:23,625 —> 00:01:24,918

[sighs]

30

00:01:29,297 —> 00:01:31,257

I'm comin' home

I've done my time...

31

00:01:31,299 —> 00:01:32,592

[chattering, laughing]

32

00:01:32,634 —> 00:01:34,469

Have I told you about the time

33

00:01:34,511 —> 00:01:36,930

I sat next to Tony Orlando?

34

00:01:36,971 —> 00:01:39,766

- [Susan] Oh, God. Ah, yeah.

- [Steven] Yes, Mom.

35

00:01:39,808 —> 00:01:40,892

[Gerald] Jack.

36

00:01:40,934 —> 00:01:42,644

[Betty] He smelled divine.

37

00:01:42,685 —> 00:01:46,106

Must have been whatever

he uses in that gorgeous hair.

38

00:01:46,147 —> 00:01:47,982

Well, good luck competing

with that, Dad.

39

00:01:48,024 —> 00:01:50,777

Hey, I am not worried.

Have you seen this hair?

40

00:01:50,819 —> 00:01:53,238

No one competes

with your father.

41

00:01:53,279 —> 00:01:54,489

[knocking]

42

00:01:54,531 —> 00:01:56,407

[Wilson]

I'm so sorry to disturb.

43

00:01:56,449 —> 00:01:58,118

Uh, Mr. President,

44

00:01:58,159 —> 00:02:00,411

Mr. Rumsfeld and Mr. Cheney

are here to see you.

45

00:02:00,453 —> 00:02:01,704
Thank you.

46
00:02:03,498 —> 00:02:06,876
Rummy, Dick... Merry Christmas.

47
00:02:06,918 —> 00:02:10,880
Merry Christmas, Mr. President,
Madam First Lady, everyone.

48
00:02:10,922 —> 00:02:12,715
My apologies for interrupting.

49
00:02:12,757 —> 00:02:15,718
Could we speak privately?
Briefly.

50
00:02:17,011 —> 00:02:19,097
[Gerald] Kids,
give us the room, please.

51
00:02:19,139 —> 00:02:20,265
[Donald clears throat]

52

00:02:20,306 —> 00:02:21,474

[Susan] Merry Christmas.

53

00:02:21,516 —> 00:02:22,684

Thank you.

54

00:02:23,810 —> 00:02:25,061

[whispers] Two minutes.

55

00:02:26,688 —> 00:02:28,773

Ma'am, if you wouldn't mind

joining us,

56

00:02:28,815 —> 00:02:30,817

this concerns you too.

57

00:02:30,859 —> 00:02:32,360

Oh, boy. Can't wait.

58

00:02:35,697 —> 00:02:38,116

[Donald] And there's

something that, uh,

59
00:02:38,158 —> 00:02:39,576
we wanted you to see.

60
00:02:44,664 —> 00:02:46,791
[producer 1]
Ten seconds, Mr. President.

61
00:02:47,709 —> 00:02:50,336
[audience laughing]

62
00:02:50,378 —> 00:02:52,005
[producer 1] Five, four...

63
00:02:52,046 —> 00:02:53,882
-My fellow Americans,
-...three, two...

64
00:02:53,923 —> 00:02:56,092
Merry Christmas to all of you,
and good evening.

65

00:02:56,134 —> 00:02:58,011

[announcer] Ladies

and gentlemen, the President

66

00:02:58,052 —> 00:02:59,846

- of the United States.

- I invited you here tonight...

67

00:02:59,888 —> 00:03:02,348

- [both laughing]

- ...for this Christmas Eve...

68

00:03:02,390 —> 00:03:04,684

Hey, Chevy Chase is playing me.

69

00:03:04,726 —> 00:03:06,978

- [Betty laughing]

- [Gerald] I'll take it.

70

00:03:07,020 —> 00:03:09,147

This will indeed be

a wonderful Christmas

71

00:03:09,189 —> 00:03:11,691

for the entire nation, I hope.

72

00:03:11,733 —> 00:03:14,027

[audience laughing]

73

00:03:14,068 —> 00:03:16,029

[both laughing]

74

00:03:17,405 —> 00:03:20,366

Oh, come on. You have to have

to admit it's pretty funny.

75

00:03:20,408 —> 00:03:22,368

We disagree, Mr. President.

76

00:03:22,410 —> 00:03:24,787

Oh, come on, Dick. It's

a comedy show. What's the harm?

77

00:03:24,829 —> 00:03:27,207

Well, thanks

to that buffoon, sir,

78
00:03:27,248 —> 00:03:29,500
America now sees you as a joke.

79
00:03:29,542 —> 00:03:31,211
Geez, Rummy, you should
stop by more often

80
00:03:31,252 —> 00:03:33,379
- with your good cheer.
- [Donald] As bad as this is,

81
00:03:33,421 —> 00:03:36,633
it is the least of your problems
going into next year's election.

82
00:03:36,674 —> 00:03:39,427
Reagan will formally
make his announcement

83
00:03:39,469 —> 00:03:41,346
in the new year.

84

00:03:41,387 —> 00:03:43,056

Jerry's an incumbent.

He's a leader of the party.

85

00:03:43,097 —> 00:03:44,390

[Donald] Unelected leader.

86

00:03:44,432 —> 00:03:46,392

And Reagan has been

courting the more

87

00:03:46,434 —> 00:03:48,269

conservative evangelical

members of the party,

88

00:03:48,311 —> 00:03:50,355

and, uh, they have signed up.

89

00:03:50,396 —> 00:03:52,565

Since when have the church

folk been a big threat?

90

00:03:52,607 —> 00:03:55,026

Well, ever since the very

things that they believed in

91

00:03:55,068 —> 00:03:56,945

were threatened by the...

92

00:03:56,986 —> 00:03:59,280

less traditional members

of the party.

93

00:03:59,322 —> 00:04:00,406

Oh.

94

00:04:02,158 —> 00:04:06,079

So this is why you wanted

me here... to place blame.

95

00:04:06,120 —> 00:04:09,290

Don't use Betty and her activism

as a political scapegoat.

96

00:04:09,332 —> 00:04:11,084
[Donald] Not at all, sir.

97
00:04:11,125 —> 00:04:13,253
Uh, I'm just trying to see
the situation as it is.

98
00:04:13,294 —> 00:04:15,546
- Uh, to properly strategize.
- Hmm.

99
00:04:15,588 —> 00:04:16,756
[Dick] Bottom line...

100
00:04:17,715 —> 00:04:19,759
we need you, Mrs. Ford.

101
00:04:21,427 —> 00:04:24,055
[chuckling] What?

102
00:04:24,097 —> 00:04:25,515
I'm sorry?

103

00:04:25,556 —> 00:04:27,350

You're still very popular

104

00:04:27,392 —> 00:04:30,061

with the pro-choice,

pro-ERA Republicans.

105

00:04:30,103 —> 00:04:31,604

And moderate women.

106

00:04:31,646 —> 00:04:33,189

We're trying

to shore up the middle.

107

00:04:33,231 —> 00:04:34,774

And then, hopefully,

gain some Democrats,

108

00:04:34,816 —> 00:04:36,192

and maybe

even some Independents.

109

00:04:36,234 —> 00:04:37,610
I mean, heck, Betty,

110
00:04:37,652 —> 00:04:38,945
your poll numbers
are almost double mine.

111
00:04:38,987 —> 00:04:40,571
Isn't that right?

112
00:04:40,613 —> 00:04:43,533
We need you to campaign...
hard, ma'am.

113
00:04:43,574 —> 00:04:48,121
I know that you can do this
without alienating the Right,

114
00:04:48,162 —> 00:04:51,124
without mentioning pre-marital
sex, or marijuana, or...

115
00:04:51,165 —> 00:04:52,917

So what you're saying is,

116

00:04:52,959 —> 00:04:55,962

don't talk

about the very things...

117

00:04:56,921 —> 00:04:58,298

that make me so popular.

118

00:04:59,257 —> 00:05:00,800

You can't do much for women

119

00:05:00,842 —> 00:05:02,302

if you're no longer

in the White House.

120

00:05:05,179 —> 00:05:06,848

- [knocking]

- [door opens]

121

00:05:06,889 —> 00:05:09,934

Excuse me.

Sorry for interrupting.

122

00:05:09,976 —> 00:05:12,103

Mom, Nancy's on the phone.

She sounds very upset.

123

00:05:12,145 —> 00:05:13,313

Something about her husband.

124

00:05:14,105 —> 00:05:16,149

Excuse me, gentlemen.

125

00:05:16,190 —> 00:05:17,608

[Donald clears throat]

126

00:05:21,195 —> 00:05:23,239

This land is your land

127

00:05:25,867 —> 00:05:28,661

This land is my land

128

00:05:31,664 —> 00:05:34,167

From California

129

00:05:35,043 —> 00:05:39,255

To the New York island

130

00:05:40,506 —> 00:05:44,010

From the redwood forest

131

00:05:45,636 —> 00:05:49,766

To the Gulf Stream waters

132

00:05:50,641 —> 00:05:52,226

I tell you

133

00:05:52,268 —> 00:05:54,729

This land

134

00:05:54,771 —> 00:05:58,483

Was made for you and me

135

00:05:58,524 —> 00:05:59,692

Yeah

136

00:06:05,281 —> 00:06:09,327

One bright sunny morning

137

00:06:09,369 —> 00:06:14,248

In the shadow of a steeple

138

00:06:14,290 —> 00:06:19,087

Down by the welfare office

139

00:06:19,128 —> 00:06:23,633

I saw my people

140

00:06:23,674 —> 00:06:26,177

I was wondering

141

00:06:26,219 —> 00:06:29,138

If this land

142

00:06:29,180 —> 00:06:34,060

Was made for you and me

143

00:06:36,270 —> 00:06:38,022
[teacher]
For your homework assignment,

144
00:06:38,064 —> 00:06:40,233
I would like for you all
to write about a federal law

145
00:06:40,274 —> 00:06:44,070
that affects the natural world,
that you believe isn't working.

146
00:06:44,112 —> 00:06:47,740
Integrating what you've learned
in civics, and here in science.

147
00:06:47,782 —> 00:06:50,076
You can present your
argument any way you want,

148
00:06:50,118 —> 00:06:53,579
written, orally,
theatrically, visually...

149

00:06:53,621 —> 00:06:55,164

- [door opens]

- [teacher] What's going on?

150

00:06:55,206 —> 00:06:57,166

We apologize

for the interruption.

151

00:06:57,208 —> 00:06:58,793

[Malia] What happened?

152

00:06:58,835 —> 00:07:00,086

We need to get you back

to the White House.

153

00:07:00,128 —> 00:07:01,546

- Is my dad okay?

- Your dad is fine.

154

00:07:01,587 —> 00:07:03,172

We're just picking up you

and your sister.

155

00:07:03,214 —> 00:07:04,632

- What about my mom?

- She's fine as well.

156

00:07:04,674 —> 00:07:05,758

- Where's Sasha?

- We're moving.

157

00:07:05,800 —> 00:07:06,551

- Go ahead.

- Thank you.

158

00:07:06,592 —> 00:07:08,261

We apologize.

159

00:07:12,974 —> 00:07:14,392

Are my parents okay?

160

00:07:14,434 —> 00:07:15,935

Yes, they're fine.

161

00:07:23,901 —> 00:07:27,321

[newscaster] Police say
Adam Lanza killed 26 people

162
00:07:27,363 —> 00:07:29,532
at Sandy Hook Elementary School,

163
00:07:29,574 —> 00:07:33,119
20 of them children
as young as five.

164
00:07:33,161 —> 00:07:35,788
It is the second deadliest
school shooting

165
00:07:35,830 —> 00:07:40,251
in American history
after Virginia Tech, and by far,

166
00:07:40,293 —> 00:07:42,587
the worst
at an elementary school.

167
00:07:42,628 —> 00:07:44,630

We are awaiting a statement

168

00:07:44,672 —> 00:07:47,091

on the shooting

from President Obama

169

00:07:47,133 —> 00:07:48,801

at the White House.

170

00:07:48,843 —> 00:07:50,970

- [sirens wailing in distance]

- [helicopter whirring]

171

00:07:51,012 —> 00:07:53,139

somber music

172

00:07:53,181 —> 00:07:54,640

[sighs]

173

00:08:18,080 —> 00:08:19,165

[door opens]

174

00:08:20,208 —> 00:08:22,001

[footsteps approaching]

175

00:08:35,598 —> 00:08:37,850

They were babies, Mich.

176

00:08:39,519 —> 00:08:41,187

Younger than Sasha.

177

00:08:48,903 —> 00:08:52,240

There are no words

of consolation for this.

178

00:08:53,407 —> 00:08:54,700

[mouthing words]

179

00:09:02,583 —> 00:09:03,960

[Sasha breathing shakily]

180

00:09:09,507 —> 00:09:11,509

somber music continues

181

00:09:12,677 —> 00:09:15,221

- [shutters clicking]

- [Barack clears throat]

182

00:09:16,639 —> 00:09:21,018

We've endured too many of these

tragedies in the past few years.

183

00:09:21,060 —> 00:09:26,065

And each time I learn the news,

I react not as a president,

184

00:09:26,107 —> 00:09:29,151

but as anybody else would.

185

00:09:29,193 —> 00:09:30,278

As a parent.

186

00:09:31,487 —> 00:09:33,614

And that was

especially true today.

187

00:09:35,408 —> 00:09:37,910

I know there's
not a parent in America...

188
00:09:39,370 —> 00:09:43,708
who doesn't feel the same
overwhelming grief that I do.

189
00:09:45,960 —> 00:09:49,714
The majority of those
who died today

190
00:09:50,590 —> 00:09:51,757
were children.

191
00:09:53,134 —> 00:09:54,594
Uh, beautiful...

192
00:09:56,137 —> 00:10:00,099
little kids between the ages
of five and ten years old.

193
00:10:07,315 —> 00:10:09,108
[inhales deeply]

194

00:10:13,112 —> 00:10:15,531

They had their entire lives

ahead of them.

195

00:10:16,657 —> 00:10:21,621

Birthdays, graduations,

weddings...

196

00:10:24,373 —> 00:10:25,791

kids of their own.

197

00:10:25,833 —> 00:10:28,294

[shutters clicking]

198

00:10:28,336 —> 00:10:31,922

somber music continues

199

00:10:52,777 —> 00:10:53,819

[Sasha sniffles]

200

00:11:16,550 —> 00:11:18,177

[bell tolling]

201

00:11:23,891 —> 00:11:25,351

[Susan] I'm so sorry.

202

00:11:30,731 —> 00:11:33,526

- [engine starts]

- How is she holding up?

203

00:11:33,567 —> 00:11:35,820

Well, her husband just

killed himself.

204

00:11:35,861 —> 00:11:37,571

She's devastated.

205

00:11:37,613 —> 00:11:39,073

Thank you for asking.

206

00:11:40,408 —> 00:11:43,244

He, uh, leave

a note or anything?

207

00:11:44,120 —> 00:11:45,746

Really, Dick?

208

00:11:45,788 —> 00:11:47,540

You must have heard the rumors

209

00:11:47,581 —> 00:11:50,084

about his corrupt

business dealings?

210

00:11:50,126 —> 00:11:52,962

Yes. The rumors.

211

00:11:53,003 —> 00:11:57,049

Unless you,

perhaps, know more about this?

212

00:11:57,091 —> 00:12:00,553

Innocent men don't

often commit suicide.

213

00:12:00,594 —> 00:12:02,138

Right.

214

00:12:02,179 —> 00:12:06,350

And innocent men

can sometimes be inconvenient

215

00:12:06,392 —> 00:12:09,729

when their wives know me. Right?

216

00:12:11,105 —> 00:12:12,857

I left a few résumés

on your desk.

217

00:12:12,898 —> 00:12:14,567

You want me to replace her.

218

00:12:14,608 —> 00:12:17,653

Do you honestly think

that grieving woman over there

219

00:12:17,695 —> 00:12:19,321

can stay on top of your life

220

00:12:19,363 —> 00:12:20,823

while she's picking up

the pieces of her own?

221

00:12:26,245 —> 00:12:29,957

[chattering]

222

00:12:31,709 —> 00:12:33,377

- [Shirley] Understood.

- Yeah.

223

00:12:33,419 —> 00:12:35,421

- [phones ringing]

- Oh.

224

00:12:41,302 —> 00:12:42,553

What's this?

225

00:12:43,846 —> 00:12:45,264

- Nancy...

- I'm sorry.

226

00:12:46,307 —> 00:12:47,475

I don't have a choice.

227

00:12:47,516 —> 00:12:49,101

Yes, you do.

228

00:12:49,143 —> 00:12:50,144

Just...

229

00:12:51,645 —> 00:12:54,315

take some time off.

You don't have to quit.

230

00:12:54,356 —> 00:12:55,483

I'm tired.

231

00:12:55,524 —> 00:12:57,318

I'll get Cheney to back off.

232

00:12:57,359 —> 00:12:59,111

[phone ringing]

233

00:12:59,153 —> 00:13:00,946
Please don't.

234
00:13:00,988 —> 00:13:03,783
Maybe if I would've left sooner,
Jim would still be alive.

235
00:13:04,658 —> 00:13:07,244
- [sniffling]
- Oh, Nancy.

236
00:13:13,501 —> 00:13:14,627
Hmm.

237
00:13:15,628 —> 00:13:18,130
[Nancy breathes shakily,
sniffles]

238
00:13:19,924 —> 00:13:22,676
[door opens, closes]

239
00:13:30,309 —> 00:13:34,230
[phone ringing]

240

00:13:34,271 —> 00:13:37,817

somber music

241

00:13:46,909 —> 00:13:49,537

[sobbing]

242

00:13:52,957 —> 00:13:54,333

Mom, what's wrong?

243

00:13:57,211 —> 00:13:58,671

It's your father.

244

00:14:03,133 —> 00:14:06,679

[Young Betty breathing shakily]

245

00:14:08,389 —> 00:14:10,558

[glasses clinking]

246

00:14:10,599 —> 00:14:12,560

[chattering]

247

00:14:13,978 —> 00:14:15,729

[funeral attendee]

Another toast

248

00:14:17,189 —> 00:14:20,860

to our dear departed

Billy Bloomer. Hear! Hear!

249

00:14:20,901 —> 00:14:22,570

[all] Hear! Hear!

250

00:14:37,918 —> 00:14:39,295

[Young Betty] At the funeral,

251

00:14:39,336 —> 00:14:40,796

is it true what they said

about Daddy?

252

00:14:40,838 —> 00:14:42,923

They said he killed himself.

253

00:14:43,841 —> 00:14:46,051

[sniffling]

254
00:14:53,309 —> 00:14:54,393
Yes.

255
00:14:57,771 —> 00:14:59,648
He had his demons, and, uh,

256
00:14:59,690 —> 00:15:01,567
I didn't know how bad it was
until...

257
00:15:05,988 —> 00:15:07,865
But he did the best he could.

258
00:15:07,907 —> 00:15:10,910
And I loved him,
and... and that's what's true.

259
00:15:14,705 —> 00:15:16,707
[sniffles]

260

00:15:16,749 —> 00:15:19,919
But I promise you, there's
no burden we can't shoulder.

261
00:15:20,711 —> 00:15:22,713
We're Bloomers, and we go on.

262
00:15:23,631 —> 00:15:26,008
- Yes, Mother.
- [sniffling]

263
00:15:30,721 —> 00:15:32,598
[interviewer 1] The governor
has come out as

264
00:15:32,640 —> 00:15:34,767
against the, uh,
equal rights amendment.

265
00:15:34,808 —> 00:15:36,769
And I understand one of
the daughters in your family

266

00:15:36,810 —> 00:15:38,562
is for the equal
rights amendment.

267
00:15:38,604 —> 00:15:40,606
Can you break the stalemate?

268
00:15:40,648 —> 00:15:42,733
[Nancy Reagan] Well,
I'd like to correct that

269
00:15:42,775 —> 00:15:44,109
a little bit if I could.

270
00:15:44,151 —> 00:15:45,778
- Um...
- [knocking, door opens]

271
00:15:45,819 —> 00:15:46,946
Mom, I'm heading out.

272
00:15:46,987 —> 00:15:49,365
Oh, please. What a load of crap.

273

00:15:49,406 —> 00:15:51,450

[Nancy] He believes

that the better way...

274

00:15:51,492 —> 00:15:52,743

Are you talking

to the television?

275

00:15:52,785 —> 00:15:54,995

That hypocrite Nancy Reagan.

276

00:15:55,037 —> 00:15:58,666

She wants to send women

back to the Middle Ages.

277

00:16:00,167 —> 00:16:01,585

It's the middle

of the afternoon.

278

00:16:01,627 —> 00:16:03,462

Don't you want to get dressed?

279

00:16:03,504 —> 00:16:05,965

I mean, what the hell happened

to her? She was an actress.

280

00:16:06,006 —> 00:16:07,424

Yeah. So was he.

281

00:16:07,466 —> 00:16:09,218

[whispers] Oh, my God.

282

00:16:09,259 —> 00:16:12,763

If they win... women will be

barefoot and pregnant

283

00:16:12,805 —> 00:16:14,181

with no rights at all.

284

00:16:14,223 —> 00:16:16,100

Well, you need to get up.

285

00:16:16,141 —> 00:16:17,643

Get dressed. Get out there.

286

00:16:17,685 —> 00:16:19,478

Help Daddy's campaign.

He needs you.

287

00:16:19,520 —> 00:16:21,647

Rummy and Cheney

already gave me a list

288

00:16:21,689 —> 00:16:26,360

of everything I can

and cannot say or talk about.

289

00:16:26,402 —> 00:16:29,488

It's just... It's... pointless.

290

00:16:29,530 —> 00:16:32,658

Mom, you're way smarter than

them. You'll think of something.

291

00:16:32,700 —> 00:16:34,159

Go have fun.

292

00:16:35,160 —> 00:16:36,662

Okay.

293

00:16:37,830 —> 00:16:39,248

Love you.

294

00:16:39,289 —> 00:16:41,834

- Bye.

- Take your coat. It might rain.

295

00:16:41,875 —> 00:16:43,043

Okay.

296

00:16:44,211 —> 00:16:46,505

[Nancy] No, um...

Uh, schedule-wise,

297

00:16:46,547 —> 00:16:49,008

how can you get to, uh,

to all the places?

298

00:16:49,049 —> 00:16:51,343

You know. Texas is a big place.

299

00:16:51,385 —> 00:16:54,096

[interviewer 2, indistinct]

300

00:16:57,641 —> 00:17:01,103

[political commentator] One gets

the definite impression here

301

00:17:01,145 —> 00:17:04,023

that the wives of the candidates

302

00:17:04,064 —> 00:17:07,776

for the presidential nomination

are being moved like pawns.

303

00:17:07,818 —> 00:17:09,862

[cheering on TV]

304

00:17:25,753 —> 00:17:29,798

- You ready? Yep. Hey!

- [laughing]

305

00:17:29,840 —> 00:17:32,051

["Tie A Yellow Ribbon

Round The Ole Oak Tree" playing]

306

00:17:32,092 —> 00:17:34,219

Then you'll know just what to do

307

00:17:34,261 —> 00:17:36,847

If you still want me

308

00:17:36,889 —> 00:17:39,808

If you still want me

309

00:17:39,850 —> 00:17:42,019

- Are you ready?

- Oh, yeah.

310

00:17:42,061 —> 00:17:47,024

Whoa, tie a yellow ribbon

'round the old oak tree

311

00:17:47,066 —> 00:17:49,985

It's been three long years

312

00:17:50,027 —> 00:17:53,322

Do you still want me?

Still want me?

313

00:17:53,363 —> 00:17:58,118

If I don't see a ribbon

'round the old oak tree

314

00:17:58,160 —> 00:18:01,705

I'll stay on the bus

forget about us

315

00:18:01,747 —> 00:18:04,333

Put the blame on me

316

00:18:04,374 —> 00:18:08,212

If I don't see

a yellow ribbon 'round

317

00:18:08,253 —> 00:18:11,298

The old oak tree

318

00:18:15,135 —> 00:18:17,054

Never underestimate Betty.

319

00:18:18,680 —> 00:18:21,975

- As long as she doesn't talk.

- [chuckles]

320

00:18:22,017 —> 00:18:24,228

I don't think, uh, in, uh,

321

00:18:24,269 —> 00:18:25,979

the last quarter

of a century have we seen

322

00:18:26,021 —> 00:18:30,359

a-a Republican convention

quite as spirited as,

323

00:18:30,400 —> 00:18:31,777

uh, the one here.

324

00:18:31,819 —> 00:18:34,238
Uh... Good spirits
for the most part,

325
00:18:34,279 —> 00:18:36,448
but, uh, underlying
an awful lot of tension

326
00:18:36,490 —> 00:18:39,576
between, uh, these Reagan
and Ford supporters.

327
00:18:39,618 —> 00:18:41,370
It's, uh,
almost bound to be that way

328
00:18:41,411 —> 00:18:44,248
with a race as close
as this race has come to be.

329
00:18:44,289 —> 00:18:45,874
[announcer]
The state of New York,

330

00:18:45,916 —> 00:18:47,960

the great Empire State,

331

00:18:48,001 —> 00:18:52,131

cast 20 votes

for an outstanding American,

332

00:18:52,172 —> 00:18:53,298

Ronald Reagan.

333

00:18:53,340 —> 00:18:56,176

[cheering on TV]

334

00:18:56,218 —> 00:19:00,806

- And 133 votes...

- [all] Yeah!

335

00:19:00,848 —> 00:19:02,516

[Gerald] Yeah! Yes, we did it!

336

00:19:02,558 —> 00:19:05,477

[announcer] ...the United States

of America...

337

00:19:06,562 —> 00:19:08,689

[both] Mmm.

338

00:19:08,730 —> 00:19:10,649

I couldn't have done

this without you.

339

00:19:10,691 —> 00:19:12,776

I mean it.

I am so lucky to have you.

340

00:19:12,818 —> 00:19:14,236

Yes, you are.

341

00:19:14,278 —> 00:19:15,779

[both] Mmm.

342

00:19:22,870 —> 00:19:26,957

[blues rock playing]

343

00:20:05,078 —> 00:20:07,331
As many of you know,

344
00:20:07,372 —> 00:20:11,793
I recently attended a conference
on human welfare

345
00:20:11,835 —> 00:20:13,462
in Birmingham, Alabama.

346
00:20:13,503 —> 00:20:15,047
On the first day,

347
00:20:15,088 —> 00:20:17,716
I took a seat
next to civil rights activist,

348
00:20:17,758 —> 00:20:19,968
Mary McLeod Bethune.

349
00:20:21,220 —> 00:20:24,264
And before I was able
to say one word to her,

350

00:20:24,306 —> 00:20:27,726

I was told

that I must sit elsewhere.

351

00:20:27,768 —> 00:20:31,063

That due

to the Alabama segregation laws,

352

00:20:31,104 —> 00:20:34,900

whites were not permitted

to sit next to Blacks.

353

00:20:34,942 —> 00:20:36,693

[crowd murmuring]

354

00:20:36,735 —> 00:20:39,029

I moved my chair to the aisle.

355

00:20:40,072 —> 00:20:42,074

Neither white nor Black.

356

00:20:43,492 —> 00:20:47,079
Now, this problem of segregation
and discrimination

357
00:20:47,120 —> 00:20:50,290
goes far beyond
who may sit next to whom.

358
00:20:51,291 —> 00:20:53,752
It is present
in our nation's military,

359
00:20:53,794 —> 00:20:57,089
in our schools,
and in our factories.

360
00:20:57,130 —> 00:20:59,800
And it must not be tolerated.

361
00:21:01,260 —> 00:21:05,430
All of us, no matter
what race, color, or creed

362

00:21:05,472 —> 00:21:10,102
must wipe out
any feelings of superiority.

363
00:21:10,936 —> 00:21:14,106
Of belief that any one person

364
00:21:14,147 —> 00:21:16,441
must or should
go ahead of another.

365
00:21:16,483 —> 00:21:18,443
As Abraham Lincoln once said,

366
00:21:19,653 —> 00:21:24,658
"A house divided
against itself cannot stand."

367
00:21:32,165 —> 00:21:35,210
Who would like to start today?
Uh, Sarah.

368
00:21:36,545 —> 00:21:38,839

Madam First Lady,

you are a member

369

00:21:38,880 —> 00:21:40,465

of the Daughters

of the American Revolution,

370

00:21:40,507 —> 00:21:41,591

are you not?

371

00:21:41,633 —> 00:21:43,343

Yes. Yes, I am.

372

00:21:43,385 —> 00:21:45,470

I, somehow, managed to sneak in

373

00:21:45,512 —> 00:21:48,598

even though I'm not

a descendant of the Mayflower.

374

00:21:48,640 —> 00:21:50,976

Are you aware that,

this morning,

375

00:21:51,018 —> 00:21:54,688

the DAR denied lauded Negro

performer, Marian Anderson

376

00:21:54,730 —> 00:21:56,606

from singing

at Constitution Hall?

377

00:21:57,899 —> 00:22:01,695

No. No, I was not.

378

00:22:01,737 —> 00:22:03,822

Can you explain to us

how their action is

379

00:22:03,864 —> 00:22:07,034

any different from the example

in Birmingham you just gave?

380

00:22:09,453 —> 00:22:11,913

Well, it really is

no different, is it?

381

00:22:13,373 —> 00:22:16,001

It's no different at all.

382

00:22:27,721 —> 00:22:30,182

[phone ringing]

383

00:22:36,563 —> 00:22:39,358

[sniffs, sighs]

384

00:22:39,399 —> 00:22:40,859

Eleanor.

385

00:22:40,901 —> 00:22:44,946

[chuckles]

How did you know it was me?

386

00:22:46,031 —> 00:22:49,368

Who else calls me at 6:00 a.m.?

387

00:22:52,245 —> 00:22:55,499

So, what's doing

in the nation's capital?

388

00:22:55,540 —> 00:22:57,125

Oh, you know.

389

00:22:57,167 —> 00:22:59,503

Discrimination, bigotry,

390

00:22:59,544 —> 00:23:03,340

and a general disregard

for humanity.

391

00:23:04,132 —> 00:23:06,009

Geez louise.

392

00:23:06,051 —> 00:23:09,179

Pittsburgh's looking better

by the second.

393

00:23:09,221 —> 00:23:12,474

Yeah, I spent an hour

yesterday trying to convince

394

00:23:12,516 —> 00:23:15,519

the DAR board that

Marian Anderson should be

395

00:23:15,560 —> 00:23:17,562

allowed to play

at Constitution Hall.

396

00:23:17,604 —> 00:23:19,898

What do they have against opera?

397

00:23:20,440 —> 00:23:21,441

Mmm.

398

00:23:22,692 —> 00:23:26,905

It's not the opera.

It's the color of her skin.

399

00:23:26,947 —> 00:23:30,242

Oh. [blows raspberry]

What a bunch of dusty old farts.

400

00:23:30,283 —> 00:23:31,326
Yes, and...

401
00:23:32,953 —> 00:23:35,914
I am a member.

402
00:23:35,956 —> 00:23:37,582
Mm-hmm.

403
00:23:39,459 —> 00:23:42,796
The Daughters of
the American Revolution.

404
00:23:42,838 —> 00:23:44,464
Hmm? Honestly?

405
00:23:44,506 —> 00:23:48,051
They even have it written
into their bylaws.

406
00:23:48,093 —> 00:23:50,470
"White artists only."

407

00:23:51,680 —> 00:23:55,058

And Franklin refuses

to get involved.

408

00:23:55,100 —> 00:23:58,311

Yeah. Well, maybe he's right.

I think this one can wait.

409

00:24:02,023 —> 00:24:03,567

Hick, have you been drinking?

410

00:24:03,608 —> 00:24:06,903

Oh. Do you know

you always ask me that

411

00:24:06,945 —> 00:24:08,822

when I have

a different opinion than you?

412

00:24:11,908 —> 00:24:12,951

That's not...

413

00:24:15,662 —> 00:24:20,584
Anyway, I-I should really
get back to my article.

414
00:24:21,501 —> 00:24:24,963
Oh, yes. The busy First Lady,

415
00:24:25,005 —> 00:24:27,299
no time for the mistress

416
00:24:27,340 —> 00:24:30,093
who could bring her political
ascent to a grinding halt.

417
00:24:30,135 —> 00:24:32,137
Oh, that's not fair.

418
00:24:33,263 —> 00:24:35,891
And you are not my mistress.

419
00:24:36,516 —> 00:24:37,893
What am I then?

420

00:24:37,934 —> 00:24:39,978

My favorite person.

421

00:24:40,020 —> 00:24:41,730

My confidant.

422

00:24:43,690 —> 00:24:45,358

My best friend.

423

00:24:46,109 —> 00:24:48,236

pensive music

424

00:24:57,704 —> 00:25:00,123

All right. So, uh...

425

00:25:03,585 —> 00:25:05,170

[sighs]

426

00:25:06,296 —> 00:25:09,049

What do you think about...

Greece?

427

00:25:09,841 —> 00:25:10,926

What about Greece?

428

00:25:10,967 —> 00:25:13,303

Okay, fine. Italy? [sniffles]

429

00:25:13,345 —> 00:25:14,513

Ah.

430

00:25:16,806 —> 00:25:18,350

North or south?

431

00:25:20,227 —> 00:25:23,146

Uh... Venice. [sighs]

432

00:25:23,188 —> 00:25:25,148

Just you and me

in one of those boats.

433

00:25:27,234 —> 00:25:28,527

You mean a gondola?

434

00:25:28,568 —> 00:25:30,570

Yes. Gondola.

435

00:25:31,404 —> 00:25:35,200

The sun is going down.

436

00:25:35,242 —> 00:25:38,495

And there are hundreds

of birds in the sky.

437

00:25:38,537 —> 00:25:39,871

A pink sky.

438

00:25:41,373 —> 00:25:44,334

Well, you've just had

a very beautiful dinner.

439

00:25:44,376 —> 00:25:48,713

And, uh, we have

a lovely little apartment with

440

00:25:48,755 —> 00:25:53,218

big windows that

fling open out onto a...

441

00:25:54,886 —> 00:25:56,054

piazza.

442

00:26:00,976 —> 00:26:02,060

Eleanor?

443

00:26:04,604 —> 00:26:06,439

How's the motel?

444

00:26:06,481 —> 00:26:08,608

W... Wanna be in Pittsburgh or...

445

00:26:09,901 —> 00:26:10,944

Puglia?

446

00:26:12,404 —> 00:26:15,073

I should really get back. I...

447

00:26:15,115 —> 00:26:18,201

This article won't write itself.

448

00:26:19,786 —> 00:26:21,955

[sniffles] My advice,

you quit the DAR.

449

00:26:21,997 —> 00:26:23,748

Write your column about that.

450

00:26:30,130 —> 00:26:32,424

Yes. I'll-I'll think about that.

451

00:26:37,053 —> 00:26:38,346

Italy was nice.

452

00:26:40,307 —> 00:26:41,433

Have a good day.

453

00:27:07,751 —> 00:27:10,378

"A group

of tottering old ladies,

454

00:27:10,420 —> 00:27:12,005
who don't know
the difference between

455
00:27:12,047 —> 00:27:14,966
patriotism and 'putridism,'

456
00:27:15,008 —> 00:27:18,928
compelled the gracious
First Lady to apologize

457
00:27:18,970 —> 00:27:23,516
for their national rudeness
and resign from the DAR."

458
00:27:23,558 —> 00:27:26,061
This is from the...

459
00:27:26,102 —> 00:27:27,854
- Philadelphia Tribune...
- Hmm.

460
00:27:27,896 —> 00:27:29,773

...and there are more like it
in every other paper

461
00:27:29,814 —> 00:27:31,608
in the country.

462
00:27:31,650 —> 00:27:35,570
Well, now that you're
a national hero... [chuckles]

463
00:27:35,612 —> 00:27:37,989
...where is Ms. Anderson
going to perform?

464
00:27:39,366 —> 00:27:42,577
Well, I'm afraid
that's not up to me, Sara.

465
00:27:42,619 —> 00:27:45,330
I have arranged a meeting
with her manager

466
00:27:45,372 —> 00:27:50,001

and with Mr. White of the NAACP
to see if we can find a venue.

467
00:27:50,043 —> 00:27:52,712
Good.
It's important that she sing.

468
00:27:53,755 —> 00:27:57,509
There has been no better
contralto on Earth.

469
00:27:58,635 —> 00:27:59,761
I agree.

470
00:27:59,803 —> 00:28:02,222
And, um,
you did the right thing,

471
00:28:02,263 —> 00:28:04,182
resigning from the DAR.

472
00:28:11,064 —> 00:28:13,858
Did she just approve

of something I did?

473
00:28:13,900 —> 00:28:15,360
Maybe she's unwell?

474
00:28:15,402 —> 00:28:16,653
[scoffs]

475
00:28:22,784 —> 00:28:25,620
Well, there's a first time
for everything.

476
00:28:25,662 —> 00:28:27,163
[chuckles]

477
00:28:29,082 —> 00:28:31,042
[Charles] Sir, here she comes.

478
00:28:32,585 —> 00:28:34,587
I am so sorry.

479
00:28:35,672 —> 00:28:36,798

Mr. White.

480

00:28:36,840 —> 00:28:38,049

Madam First Lady.

481

00:28:39,259 —> 00:28:41,010

- Mr. Hurok.

- Uh, good morning.

482

00:28:41,052 —> 00:28:43,513

- And...

- This is A. Philip Randolph,

483

00:28:43,555 —> 00:28:44,889

head of the Brotherhood

484

00:28:44,931 —> 00:28:46,224

- of Sleeping Car Porters.

- Oh, yes.

485

00:28:46,266 —> 00:28:47,642

Madam First Lady, it's an honor.

486

00:28:47,684 —> 00:28:49,185

I hope you don't

mind me joining.

487

00:28:49,227 —> 00:28:51,020

No, of course not.

488

00:28:51,062 —> 00:28:53,064

And the honor is all mine.

489

00:28:53,106 —> 00:28:56,526

I am so impressed with

your union work, Mr. Randolph.

490

00:28:56,568 —> 00:28:57,861

Well, thank you.

Thank you, ma'am.

491

00:28:57,902 —> 00:28:59,320

And this is Tommy,

492

00:28:59,362 —> 00:29:00,739

- my secretary...

- Hello.

493

00:29:00,780 —> 00:29:02,240

...who will be joining us

for this meeting.

494

00:29:02,282 —> 00:29:04,325

- Morning.

- Charles, if you don't mind.

495

00:29:04,367 —> 00:29:06,703

Please sit.

Would you bring another chair?

496

00:29:06,745 —> 00:29:08,079

Thank you.

497

00:29:09,038 —> 00:29:11,708

And maybe another cup.

498

00:29:15,920 —> 00:29:19,424

We were all encouraged

by your "My Day" column.

499

00:29:19,466 —> 00:29:21,801

Your resignation sent a clear

500

00:29:21,843 —> 00:29:24,387

and urgent message

to the public.

501

00:29:24,429 —> 00:29:26,389

Segregation must end.

502

00:29:26,431 —> 00:29:29,809

Yes, I'm afraid I was unaware of

503

00:29:29,851 —> 00:29:33,605

how entrenched

the DAR were in their...

504

00:29:33,646 —> 00:29:34,731

Bigotry?

505

00:29:37,358 —> 00:29:40,236
Yes. Bigotry.

506
00:29:40,278 —> 00:29:43,114
It's disappointing.

507
00:29:43,156 —> 00:29:45,742
[scoffs] Mrs. Roosevelt.

508
00:29:45,784 —> 00:29:48,828
Opinions in the Capitol
disappoint on a daily basis.

509
00:29:50,747 —> 00:29:53,625
Your husband's administration...

510
00:29:53,666 —> 00:29:56,211
The New Deal itself has done
very little for the Negroes.

511
00:29:56,252 —> 00:29:57,712
Yes.

512

00:29:58,838 —> 00:30:00,465

That's true.

513

00:30:00,507 —> 00:30:01,883

U-Um, Mr. White.

514

00:30:01,925 —> 00:30:03,802

The First Lady is

anxious to know

515

00:30:03,843 —> 00:30:06,805

if you found an alternate

venue for Ms. Anderson.

516

00:30:06,846 —> 00:30:09,599

[stammers]

we did have one idea.

517

00:30:09,641 —> 00:30:12,393

Uh... We are thinking

of the National Mall.

518

00:30:12,435 —> 00:30:14,395
She could sing
in front of Mr. Lincoln.

519
00:30:14,437 —> 00:30:17,982
Oh, what a splendid idea.

520
00:30:19,025 —> 00:30:22,737
Well, yes,
that is something we can do.

521
00:30:22,779 —> 00:30:26,115
We think a public event like
this w-would bring attention

522
00:30:26,157 —> 00:30:28,159
to the excellence
of Black Americans.

523
00:30:28,201 —> 00:30:30,995
I couldn't agree with you more,
Mr. White.

524

00:30:31,037 —> 00:30:32,872
[Philip] If the president
wants to have a memorial

525
00:30:32,914 —> 00:30:36,125
like Mr. Lincoln's one day,
he's uh...

526
00:30:36,167 —> 00:30:38,670
he's going to have
to ban segregation entirely.

527
00:30:38,711 —> 00:30:42,507
Mr. Randolph, I can assure you

528
00:30:42,549 —> 00:30:45,343
that the president will
eventually come to see

529
00:30:45,385 —> 00:30:48,221
that racial justice and unity

530
00:30:48,263 —> 00:30:51,349

is the only way forward

for America.

531

00:30:52,267 —> 00:30:53,977

We certainly hope so.

532

00:30:56,646 —> 00:30:58,481

Thank you, Charles.

533

00:30:58,523 —> 00:31:00,108

[Marian singing

"My Country, 'Tis of Thee"]

534

00:31:00,149 —> 00:31:01,234

Thank you.

535

00:31:03,361 —> 00:31:08,283

Land of the pilgrims' pride

536

00:31:09,242 —> 00:31:14,372

From ev'ry mountainside

537

00:31:15,331 —> 00:31:20,295
Let freedom ring

538
00:31:22,755 —> 00:31:24,507
Ooh, I have goose bumps.

539
00:31:24,549 —> 00:31:27,510
- Do you have goose bumps?
- I think I stopped breathing.

540
00:31:27,552 —> 00:31:31,598
I cannot believe that
that was just a rehearsal!

541
00:31:31,639 —> 00:31:34,559
Oh, Mrs. Roosevelt,
I should applaud you as well.

542
00:31:34,601 —> 00:31:36,561
What a stage.

543
00:31:36,603 —> 00:31:38,396
Thank you

for making this happen.

544
00:31:38,438 —> 00:31:42,901
It was a group effort. I just
used my influence where I could.

545
00:31:42,942 —> 00:31:45,278
I really want to introduce you

546
00:31:45,320 —> 00:31:47,405
to Malvina Thompson,
my secretary,

547
00:31:47,447 —> 00:31:49,032
- or Tommy, as we call her.
- Hello.

548
00:31:49,073 —> 00:31:50,617
She is a very big
admirer of yours.

549
00:31:50,658 —> 00:31:52,744
It's a pleasure

to meet you, Tommy.

550
00:31:52,785 —> 00:31:55,163
And it is an honor
to meet you, Ms. Anderson.

551
00:31:55,204 —> 00:31:57,081
I have every one
of your recordings.

552
00:31:58,082 —> 00:31:59,667
Uh, Madam First Lady.

553
00:31:59,709 —> 00:32:01,711
Uh, did Ms. Anderson tell you

554
00:32:01,753 —> 00:32:03,963
we are expecting
70,000 people tomorrow?

555
00:32:04,005 —> 00:32:06,341
- 70,000?
- Oh, my!

556

00:32:06,382 —> 00:32:08,343

And we have you

sitting right up front.

557

00:32:09,135 —> 00:32:11,262

Oh, well, that is very kind.

558

00:32:11,304 —> 00:32:13,431

But I'm going to be listening in

559

00:32:13,473 —> 00:32:15,558

from the White House

on the radio,

560

00:32:15,600 —> 00:32:18,186

but I will be with you

in spirit.

561

00:32:18,227 —> 00:32:19,771

You aren't coming?

562

00:32:19,812 —> 00:32:22,565
Tomorrow is your day,
Ms. Anderson.

563
00:32:22,607 —> 00:32:25,485
My presence would
only be a distraction.

564
00:32:26,903 —> 00:32:30,448
Distinguished guests,
ladies and gentlemen.

565
00:32:31,991 —> 00:32:35,328
In this great auditorium
under the sky,

566
00:32:36,079 —> 00:32:37,830
all of us are free.

567
00:32:42,168 —> 00:32:44,253
[Marian Anderson singing
"Gospel Train"]

568

00:32:46,214 —> 00:32:48,591
De Gospel train's a comin'

569
00:32:48,633 —> 00:32:50,677
I hear it just at hand

570
00:32:50,718 —> 00:32:52,637
I hear the car wheels rumblin'

571
00:32:52,679 —> 00:32:54,138
And rollin' thro' the land

572
00:32:54,180 —> 00:32:55,723
And get on board

573
00:32:55,765 —> 00:32:57,558
Little children get on board

574
00:32:57,600 —> 00:32:59,560
Little children get on board

575
00:32:59,602 —> 00:33:01,270

Little children

576

00:33:01,312 —> 00:33:05,608

There's room for many a more

577

00:33:05,650 —> 00:33:08,027

[over speaker]

I hear the train a-comin'

578

00:33:08,069 —> 00:33:09,946

She's comin' round the curve

579

00:33:09,988 —> 00:33:11,114

She's loosened all...

580

00:33:11,155 —> 00:33:13,032

- [sighs]

- That is beautiful.

581

00:33:14,117 —> 00:33:15,159

One of the greatest.

582

00:33:16,285 —> 00:33:18,997
She was barred from
singing in DC venues

583
00:33:19,038 —> 00:33:21,290
because the city was segregated,

584
00:33:21,332 —> 00:33:25,169
but First Lady,
Eleanor Roosevelt,

585
00:33:25,211 —> 00:33:27,839
lobbied for her to sing
at the Lincoln Memorial.

586
00:33:29,298 —> 00:33:30,591
Wow.

587
00:33:40,226 —> 00:33:42,020
Just before noon at the Capitol,

588
00:33:42,061 —> 00:33:43,980
Barack Obama will take the oath

589

00:33:44,022 —> 00:33:45,898

for his second term

as president.

590

00:33:45,940 —> 00:33:47,984

[reporter] That's right, Scott.

591

00:33:48,026 —> 00:33:50,528

He really has a very ambitious

agenda for his second term.

592

00:33:50,570 —> 00:33:52,071

We've heard him talk about it.

593

00:33:52,113 —> 00:33:55,366

Immigration reform

and gun safety.

594

00:33:59,037 —> 00:34:01,664

[cheering, applause]

595

00:34:04,751 —> 00:34:07,211
We are now entering
the Cross Hall.

596
00:34:07,253 —> 00:34:09,630
Ladies, as you know,
it's a huge, huge opportunity.

597
00:34:09,672 —> 00:34:11,591
I need you
on your best behavior, right?

598
00:34:11,632 —> 00:34:12,842
- All righty.
- Yes, sir.

599
00:34:12,884 —> 00:34:14,427
- [chuckles]
- Yes, sir.

600
00:34:14,469 —> 00:34:15,762
[Mr. Ferrar]
We worked really hard for this.

601

00:34:15,803 —> 00:34:16,888

This is great.

602

00:34:19,182 —> 00:34:20,892

[gasping]

603

00:34:20,933 —> 00:34:22,226

[giggling]

604

00:34:22,268 —> 00:34:23,895

[gasps] Oh, my God!

605

00:34:25,897 —> 00:34:27,982

[giggling]

606

00:34:28,024 —> 00:34:29,150

South Side!

607

00:34:29,192 —> 00:34:31,569

- South Side!

- South Side!

608

00:34:31,611 —> 00:34:33,404

[all] South Side!

609

00:34:33,446 —> 00:34:34,655

[laughing]

610

00:34:34,697 —> 00:34:35,907

Hi, y'all.

611

00:34:38,034 —> 00:34:39,911

Oh, my God.

We love you. We love you.

612

00:34:39,952 —> 00:34:41,496

- I love you.

- Love you too!

613

00:34:42,789 —> 00:34:44,082

She looked me in my face!

614

00:34:45,958 —> 00:34:47,668

- She waved at me!

- No, she was waving at me!

615

00:34:47,710 —> 00:34:49,212

- She waved at me!

- No, I saw her wave at me.

616

00:34:49,253 —> 00:34:50,338

[giggles]

617

00:34:50,379 —> 00:34:52,757

Bye... Bye, Sasha! Bye, Malia!

618

00:34:59,388 —> 00:35:01,724

[Michelle] Our lunch program

in the profile,

619

00:35:01,766 —> 00:35:02,809

you know I'm down.

620

00:35:02,850 —> 00:35:04,352

[Mel] Copy that.

621

00:35:04,393 —> 00:35:06,312
I will loop in Melanie
about your outfit.

622
00:35:06,354 —> 00:35:08,106
Any requests?

623
00:35:08,147 —> 00:35:10,733
Outdoorsy but still fly.

624
00:35:11,734 —> 00:35:14,779
Still fly.

625
00:35:14,821 —> 00:35:16,155
[chuckles]

626
00:35:16,197 —> 00:35:17,782
- For real?
- That's all in caps.

627
00:35:17,824 —> 00:35:18,866
That's my girl!

628

00:35:18,908 —> 00:35:20,159

[knocking]

629

00:35:20,201 —> 00:35:21,285

Come in!

630

00:35:23,037 —> 00:35:24,288

[Mel] Oh. Hi, Tina.

631

00:35:24,330 —> 00:35:25,373

What's wrong, Tina?

632

00:35:25,414 —> 00:35:26,958

Please don't tell me

633

00:35:26,999 —> 00:35:28,459

we ran out

of your hazelnut creamer again.

634

00:35:28,501 —> 00:35:30,545

[both chuckle]

635

00:35:30,586 —> 00:35:32,255

Could you give us a few minutes?

636

00:35:32,296 —> 00:35:33,422

- I just...

- [assistant] Sure.

637

00:35:33,464 —> 00:35:34,841

Thanks.

638

00:35:36,759 —> 00:35:37,802

Thanks.

639

00:35:42,932 —> 00:35:44,809

One of the Chicago

high schoolers

640

00:35:44,851 —> 00:35:47,812

who performed at the

inauguration was killed today.

641

00:35:47,854 —> 00:35:49,605

- Jesus, Lord.

- No.

642

00:35:49,647 —> 00:35:51,232

A stray bullet.

643

00:35:51,274 —> 00:35:53,234

Please don't tell me

it was one of those kids

644

00:35:53,276 —> 00:35:54,277

from the South Side?

645

00:35:58,030 —> 00:35:59,073

What was her name?

646

00:35:59,115 —> 00:36:01,159

Hadiya Pendleton.

647

00:36:01,200 —> 00:36:05,329

She was 15, um,

a drum majorette.

648

00:36:06,497 —> 00:36:08,040

They were just here.

649

00:36:09,417 —> 00:36:11,335

Right out there. We saw them.

650

00:36:12,712 —> 00:36:16,215

Yeah. So, we can reach out

to the family,

651

00:36:16,257 —> 00:36:18,342

uh, say a few words publicly.

652

00:36:18,384 —> 00:36:20,636

We can tie it into

the assault weapons ban

653

00:36:20,678 —> 00:36:23,639

that Senator Feinstein

just sponsored, um...

654

00:36:27,560 —> 00:36:32,106

I'd like to reach out to

Hadiya's family personally,

655

00:36:32,148 —> 00:36:35,693

but I don't want it to come

off as political, you know?

656

00:36:35,735 —> 00:36:38,362

[Tina] I get it. Okay.

657

00:36:38,404 —> 00:36:39,614

Um, yeah...

658

00:36:39,655 —> 00:36:41,449

I'll get you the contact info.

659

00:36:41,490 —> 00:36:42,825

[Mel] Um, I'll set something up.

660

00:36:42,867 —> 00:36:44,702

[Tina] Okay. Thanks.

661

00:36:48,748 —> 00:36:50,082

[door closes]

662

00:36:52,418 —> 00:36:53,461

[Marian sighs]

663

00:37:03,137 —> 00:37:04,764

Mrs. Robinson,

you don't have to do that.

664

00:37:04,805 —> 00:37:08,059

Uh... N-No. I...

Let me do it, please.

665

00:37:09,060 —> 00:37:10,645

I was cleaning since

666

00:37:10,686 —> 00:37:12,730

before you were a twinkle

in your daddy's eye.

667

00:37:14,774 —> 00:37:16,234

I'm sorry, madam. She just...

668

00:37:16,275 —> 00:37:18,778

Rosemarie, just...

just let her do it.

669

00:37:18,819 —> 00:37:21,239

- Go... Go take a break.

- Okay. Yes, ma'am.

670

00:37:22,281 —> 00:37:23,741

Mom? Mom.

671

00:37:23,783 —> 00:37:26,786

Mom. Mom, what's wrong?

672

00:37:26,827 —> 00:37:27,870

I'm fine.

673

00:37:27,912 —> 00:37:29,413

No, you're not.

674

00:37:31,290 —> 00:37:32,416

Mama?

675
00:37:34,585 —> 00:37:35,628
Mama?

676
00:37:36,921 —> 00:37:40,466
I heard about that girl
getting shot back home.

677
00:37:41,926 —> 00:37:43,177
Hadiya.

678
00:37:44,303 —> 00:37:46,430
It was just around the corner
from Euclid.

679
00:37:46,472 —> 00:37:47,974
That could've been
one of your nephews.

680
00:37:49,392 —> 00:37:52,061
- Yeah.
- Parents burying their kids,

681

00:37:52,103 —> 00:37:54,105

that's what used to keep me up

at night the most.

682

00:37:54,146 —> 00:37:55,147

You're right.

683

00:37:55,189 —> 00:37:56,232

Something like that

684

00:37:56,274 —> 00:37:57,608

happened to one of you!

685

00:37:58,526 —> 00:38:00,152

Yeah.

686

00:38:00,194 —> 00:38:02,905

It... It wasn't this bad

back then, Mama.

687

00:38:02,947 —> 00:38:04,240

It could've been!

688
00:38:05,157 —> 00:38:06,242
Okay.

689
00:38:07,702 —> 00:38:09,829
- Okay.
- [reporter] In Chicago today,

690
00:38:09,870 —> 00:38:12,290
First Lady Michelle Obama
joined hundreds of mourners

691
00:38:12,331 —> 00:38:15,626
at the funeral for a teenage
victim of gun violence.

692
00:38:15,668 —> 00:38:19,088
The death of 15-year-old Hadiya
Pendleton has shaken a city

693
00:38:19,130 —> 00:38:20,840
where gang shootings

are all too common.

694

00:38:20,881 —> 00:38:23,092

[reporter 2]

Hadiya was killed last month

695

00:38:23,134 —> 00:38:24,885

a mile from

the Obama's Chicago home.

696

00:38:24,927 —> 00:38:26,679

[choir singing "Amazing Grace"]

697

00:38:26,721 —> 00:38:29,807

Eight days after performing at

inaugural events in Washington.

698

00:38:29,849 —> 00:38:34,312

That saved a wretch

699

00:38:34,353 —> 00:38:39,191

Like me

700

00:38:39,233 —> 00:38:44,238

I once was lost

701

00:38:44,280 —> 00:38:48,951

But now, I'm found

702

00:38:48,993 —> 00:38:51,412

Was blind

703

00:38:51,454 —> 00:38:56,417

But now I see

704

00:38:56,459 —> 00:38:58,544

[crowd weeping]

705

00:38:58,586 —> 00:39:00,796

Praise God

706

00:39:00,838 —> 00:39:03,049

Praise God

707

00:39:03,090 —> 00:39:05,301

Praise God

708

00:39:05,343 —> 00:39:07,720

Praise God

709

00:39:07,762 —> 00:39:10,097

Praise God

710

00:39:10,139 —> 00:39:12,350

Praise God

711

00:39:12,391 —> 00:39:16,979

Praise God

712

00:39:17,021 —> 00:39:19,315

Praise God

713

00:39:19,357 —> 00:39:21,901

Praise God

714

00:39:21,942 —> 00:39:24,236

Praise God

715

00:39:24,278 —> 00:39:26,655

Praise God

716

00:39:26,697 —> 00:39:28,699

Praise God

717

00:39:28,741 —> 00:39:31,077

Praise God

718

00:39:31,118 —> 00:39:35,998

Praise God

719

00:39:36,040 —> 00:39:37,208

[singing ends]

720

00:39:37,249 —> 00:39:38,793

Thank you so much

for what you do.

721

00:39:38,834 —> 00:39:40,461

It was a pleasure to meet you,

Madam First Lady.

722

00:39:40,503 —> 00:39:42,713

- Mr. Mayor.

- Madam First Lady.

723

00:39:45,299 —> 00:39:49,220

Well, that was devastating.

724

00:39:49,261 —> 00:39:51,347

It's, uh, good to have you

back in Chicago.

725

00:39:51,389 —> 00:39:53,224

I'm sorry it's under

these circumstances.

726

00:39:53,265 —> 00:39:56,894

Yeah. Not how I wanted

to come back here.

727

00:39:56,936 —> 00:39:58,813

Fifteen years old.

728

00:40:00,189 —> 00:40:01,899

My kids are her age.

729

00:40:01,941 —> 00:40:02,983

Yeah.

730

00:40:04,235 —> 00:40:06,070

Look, clearly,

we didn't always see eye to eye

731

00:40:06,112 —> 00:40:07,238

in the White House.

732

00:40:07,279 —> 00:40:08,823

It happens.

733

00:40:08,864 —> 00:40:11,534

But I want you to know

that I support you 100%,

734

00:40:11,575 —> 00:40:13,828
and your fight for gun control.

735
00:40:13,869 —> 00:40:15,830
As of today,
every single gun shop in Chicago

736
00:40:15,871 —> 00:40:17,540
has been shut down.

737
00:40:17,581 —> 00:40:21,335
Tragedies like these are
brutal and fucking ridiculous.

738
00:40:21,377 —> 00:40:26,132
And, um, I'm gonna do everything
in my power to put an end to it.

739
00:40:27,299 —> 00:40:29,510
Okay. Thank you, Rahm.

740
00:40:31,345 —> 00:40:32,430
Yeah.

741

00:40:38,310 —> 00:40:40,229

Thank you for coming,

Mrs. Obama.

742

00:40:40,271 —> 00:40:41,313

Yeah, of course.

743

00:40:44,108 —> 00:40:46,819

Oh. How can we thank you?

744

00:40:46,861 —> 00:40:50,448

Your daughter will

not be forgotten.

745

00:40:50,489 —> 00:40:52,575

I'll make sure of that.

746

00:40:53,534 —> 00:40:54,577

I promise you.

747

00:40:54,618 —> 00:40:57,288

Thank you. Thank you so much.

748

00:41:00,624 —> 00:41:03,294

I love you, okay? Love you.

749

00:41:05,171 —> 00:41:06,213

Okay.

750

00:41:06,255 —> 00:41:07,298

Okay.

751

00:41:25,691 —> 00:41:27,776

[Dick Durbin]

We have guns everywhere.

752

00:41:27,818 —> 00:41:31,989

And some believe the solution

to this is more guns.

753

00:41:32,031 —> 00:41:33,157

I disagree.

754

00:41:49,507 —> 00:41:50,925

[Barack sighs]

755

00:41:53,260 —> 00:41:54,512

How was the service?

756

00:41:56,931 —> 00:41:58,641

It was a lot.

757

00:41:59,600 —> 00:42:02,520

Oof. That poor family.

758

00:42:04,104 —> 00:42:06,565

I'm... I'm really glad

that you went though.

759

00:42:08,192 —> 00:42:09,693

Yeah.

760

00:42:09,735 —> 00:42:11,654

I just felt like

sitting in the back

761

00:42:11,695 —> 00:42:13,322

and bawling my eyes out.

762

00:42:13,364 —> 00:42:17,368

Shit. I bawled my eyes out

on national TV.

763

00:42:17,409 —> 00:42:19,703

Now I got one

of my Secret Service guys

764

00:42:19,745 —> 00:42:21,497

looking at me sideways,

you know?

765

00:42:21,539 —> 00:42:22,623

[chuckles]

766

00:42:26,544 —> 00:42:27,711

[Barack] Come on.

767

00:42:31,423 —> 00:42:33,259

Is it ever gonna change?

768

00:42:34,927 —> 00:42:36,220

[Barack sighs]

769

00:42:37,429 —> 00:42:38,472

I don't know, babe.

770

00:42:39,390 —> 00:42:41,725

We're trying with this new bill,

771

00:42:41,767 —> 00:42:42,851

but...

772

00:42:44,937 —> 00:42:46,438

I don't know.

773

00:42:50,234 —> 00:42:51,652

[chuckles] Come on.

774

00:42:52,778 —> 00:42:53,821

[Michelle] Mmm.

775

00:42:58,200 —> 00:42:59,785

[static on radio]

776

00:43:03,747 —> 00:43:06,083

"I like to remind women

777

00:43:06,125 —> 00:43:08,294

that one gains strength,

778

00:43:08,335 —> 00:43:10,921

courage and confidence

779

00:43:10,963 —> 00:43:15,050

by every experience

in which you really stop

780

00:43:15,092 —> 00:43:17,344

to look fear in the face.

781

00:43:18,429 —> 00:43:21,015

You are able to say to yourself,

782

00:43:21,056 —> 00:43:24,393

'I lived through this horror.

783

00:43:24,435 —> 00:43:28,105

I can take the next thing

that comes along.'

784

00:43:28,981 —> 00:43:31,692

You must do the thing

785

00:43:31,734 —> 00:43:34,028

you think you cannot do."

786

00:43:35,154 —> 00:43:36,864

[newscaster] Five young Negroes

787

00:43:36,905 —> 00:43:40,284

made aviation history

at Tuskegee, Alabama.

788

00:43:40,326 —> 00:43:42,953

These five men were
the first of their race

789
00:43:42,995 —> 00:43:46,081
to graduate under the Army
Air Force's newly organized plan

790
00:43:46,123 —> 00:43:48,417
for training Negro pilots.

791
00:43:48,459 —> 00:43:52,796
They flew hard, studied hard,
and they made the grade.

792
00:43:52,838 —> 00:43:54,131
[reporter] Welcome back.

793
00:43:54,173 —> 00:43:56,383
Ooh. Thank you.

794
00:43:56,425 —> 00:43:58,427
- You're welcome. Yes.
- Thank you so much.

795

00:43:58,469 —> 00:44:01,013

- [reporter 2] Over here, ma'am.

- [Eleanor] Thank you, sir.

796

00:44:01,055 —> 00:44:02,931

[clamoring]

797

00:44:02,973 —> 00:44:04,308

Ooh.

798

00:44:04,350 —> 00:44:05,893

Madam First Lady,

how was your flight?

799

00:44:05,934 —> 00:44:09,396

Ooh, invigorating!

And my hat stayed on.

800

00:44:09,438 —> 00:44:10,564

[all laugh]

801

00:44:10,606 —> 00:44:11,690
Were you frightened, ma'am?

802
00:44:11,732 —> 00:44:14,568
Ooh! I have never felt safer.

803
00:44:14,610 —> 00:44:18,614
Mr. Anderson, you fly all right.

804
00:44:18,656 —> 00:44:19,865
Thank you, ma'am.

805
00:44:20,532 —> 00:44:22,242
[clamoring]

806
00:44:22,284 —> 00:44:25,329
Black pilots
in the American military

807
00:44:25,371 —> 00:44:28,499
are just as excellent
as any other.

808

00:44:28,540 —> 00:44:32,670

And these patriotic men

should serve in active combat

809

00:44:32,711 —> 00:44:35,756

alongside our sailors,

soldiers and marines.

810

00:44:35,798 —> 00:44:37,174

[reporter 1]

That's some bullshit.

811

00:44:37,216 —> 00:44:38,759

[reporter 2]

Will the president mandate

812

00:44:38,801 —> 00:44:40,177

desegregation for the military?

813

00:44:40,219 —> 00:44:42,137

Ooh, well,

I think that's my cue.

814

00:44:42,179 —> 00:44:44,682

Thank you so much.

I appreciate it.

815

00:44:45,641 —> 00:44:47,309

I do appreciate it.

816

00:44:47,351 —> 00:44:49,353

You know,

I have to say, young man,

817

00:44:49,395 —> 00:44:51,188

there were a few moments

when I...

818

00:44:52,022 —> 00:44:54,483

[Franklin sighs]

819

00:44:54,525 —> 00:44:55,526

[knocking]

820

00:44:55,567 —> 00:44:56,735

Come in.

821

00:44:57,736 —> 00:44:58,862

Good morning.

822

00:44:58,904 —> 00:45:00,823

That is yet to be determined.

823

00:45:00,864 —> 00:45:04,118

Your mother,

however well-intended,

824

00:45:04,159 —> 00:45:06,453

can't seem to stop herself

from shining a light

825

00:45:06,495 —> 00:45:08,414

on every ugly

little nook and cranny

826

00:45:08,455 —> 00:45:09,998

of segregation in the country.

827

00:45:10,040 —> 00:45:11,166

Thank you.

828

00:45:11,208 —> 00:45:13,377

Well, there's no looking forward

829

00:45:13,419 —> 00:45:15,587

if we don't try

and change what's wrong now.

830

00:45:15,629 —> 00:45:18,006

Anna, you cannot force people

to change.

831

00:45:18,048 —> 00:45:20,008

You need to make them

think it's their idea,

832

00:45:20,050 —> 00:45:21,093

and that takes time.

833

00:45:21,135 —> 00:45:22,177

But you do agree that

834
00:45:22,219 —> 00:45:23,929
segregation needs to end?

835
00:45:23,971 —> 00:45:25,514
Of course I do,
but it's not as simple as that.

836
00:45:25,556 —> 00:45:27,391
I can't just sign
an executive order

837
00:45:27,433 —> 00:45:29,184
and bypass
the individual states.

838
00:45:29,226 —> 00:45:31,395
I will lose the support
of the Southern Democrats

839
00:45:31,437 —> 00:45:33,397
and never be elected again.

840

00:45:33,439 —> 00:45:35,816

And everything that we've done

so far will be for naught.

841

00:45:35,858 —> 00:45:37,067

So?

842

00:45:37,943 —> 00:45:41,029

"So?" What do you mean, "so"?

843

00:45:41,071 —> 00:45:45,200

I am not prepared to throw

the baby out with the bathwater.

844

00:45:45,242 —> 00:45:48,746

It is done. Your mother must

be taken out at dawn and shot.

845

00:45:48,787 —> 00:45:50,247

[chuckles] Oh, God.

846

00:45:50,289 —> 00:45:51,749
Mmm.

847
00:45:51,790 —> 00:45:53,917
I think
if you accomplish nothing else

848
00:45:53,959 —> 00:45:56,462
in your time in office
than ending segregation,

849
00:45:56,503 —> 00:45:58,005
you'll be remembered as

850
00:45:58,046 —> 00:46:00,174
one of the greatest presidents
of all time.

851
00:46:00,883 —> 00:46:01,967
Well, now you sound

852
00:46:02,009 —> 00:46:03,594
exactly like your mother.

853

00:46:04,928 —> 00:46:06,972

- Thank you.

- Mmm.

854

00:46:07,014 —> 00:46:08,474

Get out of my office.

855

00:46:09,349 —> 00:46:11,226

Go, now.

856

00:46:11,268 —> 00:46:12,352

[Anna chuckles]

857

00:46:12,394 —> 00:46:14,605

- [Franklin] Anna.

- Mmm?

858

00:46:14,646 —> 00:46:16,774

Thank you for my tea.

859

00:46:17,941 —> 00:46:19,610

- Yes.

- [Franklin chuckles]

860

00:46:47,471 —> 00:46:49,890

- Is this an initial or...

- Just initial everything.

861

00:46:49,932 —> 00:46:51,600

- Oh, great. Okay.

- [knocking]

862

00:46:51,642 —> 00:46:54,937

Madam First Lady,

do you have a moment?

863

00:46:54,978 —> 00:46:57,481

We've been reviewing some

presidential campaign data.

864

00:46:58,315 —> 00:46:59,608

Do I have a choice?

865

00:46:59,650 —> 00:47:00,818

[chuckles]

866

00:47:04,571 —> 00:47:07,366

Great job, so far,

on the campaign trail.

867

00:47:07,407 —> 00:47:09,576

- Mm-hmm.

- Yes, I'd say you're a natural.

868

00:47:09,618 —> 00:47:11,119

A long list of positives.

869

00:47:11,161 —> 00:47:12,621

Cleveland, Nashville,

and Council Bluffs,

870

00:47:12,663 —> 00:47:14,122

all extremely well-received.

871

00:47:14,164 —> 00:47:16,708

Unfortunately,

there is a longer list of,

872

00:47:16,750 —> 00:47:18,502

uh, not positives.

873

00:47:24,049 —> 00:47:26,510

Also, we understand

you recently applied for a...

874

00:47:26,552 —> 00:47:28,679

a CB radio license?

875

00:47:29,388 —> 00:47:30,931

Applied and received.

876

00:47:30,973 —> 00:47:34,434

Though, I still haven't

gotten my... the... the...

877

00:47:34,476 —> 00:47:36,770

- [Shirley] It's called a handle.

- Handle... My handle yet.

878

00:47:36,812 —> 00:47:38,605
[Shirley] But we're
down to "Steady Betty"...

879
00:47:38,647 —> 00:47:39,690
"D.C. Dancer."

880
00:47:39,731 —> 00:47:41,108
Um, "Betty the Bump."

881
00:47:41,149 —> 00:47:42,526
[both chuckle]

882
00:47:42,568 —> 00:47:44,319
Um, I'm partial to "First Mama."

883
00:47:44,361 —> 00:47:46,697
I know you are, but I like
"D.C. Dancer." [chuckles]

884
00:47:46,738 —> 00:47:47,823
[all chuckle]

885

00:47:47,865 —> 00:47:49,533

W-What is the plan?

886

00:47:49,575 —> 00:47:51,869

Are you g-gonna

communicate with truckers?

887

00:47:52,870 —> 00:47:54,955

Truckers vote too, Don.

888

00:47:54,997 —> 00:47:56,331

Ah.

889

00:47:56,373 —> 00:47:57,666

And these are

some updated general

890

00:47:57,708 —> 00:47:59,376

dos and don'ts for the road.

891

00:48:00,294 —> 00:48:01,545

Anything else?

892

00:48:03,046 —> 00:48:04,089

Thank you, ma'am.

893

00:48:04,131 —> 00:48:05,549

[Dick] Thank you, ma'am.

894

00:48:08,594 —> 00:48:10,804

Would you like a drink, Shirley?

895

00:48:10,846 —> 00:48:12,097

Oh, maybe just a tipple.

896

00:48:12,139 —> 00:48:13,849

[Betty] Are... Okay.

897

00:48:13,891 —> 00:48:15,267

Pick your poison.

898

00:48:15,309 —> 00:48:16,810

Whatever you're having.

899

00:48:16,852 —> 00:48:18,020

[both chuckle]

900

00:48:22,816 —> 00:48:26,278

It is my pleasure to host all

of you at the Buffalo City Hall,

901

00:48:26,320 —> 00:48:30,032

where we have a long history

of welcoming Republican leaders

902

00:48:30,073 —> 00:48:31,742

on the campaign trail.

903

00:48:31,783 —> 00:48:36,038

Tonight, it is my great honor

to introduce to you

904

00:48:36,079 —> 00:48:38,540

the First Lady

of the United States.

905

00:48:38,582 —> 00:48:42,044
Please join me
in welcoming Betty Ford.

906
00:48:42,794 —> 00:48:44,880
[applause]

907
00:49:02,022 —> 00:49:07,027
I do not believe
that being First Lady

908
00:49:07,069 —> 00:49:12,115
should prevent me from
expressing my ideal...

909
00:49:13,033 —> 00:49:14,284
ideas.

910
00:49:14,326 —> 00:49:16,578
[applause]

911
00:49:19,748 —> 00:49:22,334
[Susan sighs]

912

00:49:22,376 —> 00:49:24,586

Being un...

913

00:49:24,628 —> 00:49:26,463

Being ladylike

914

00:49:27,172 —> 00:49:31,134

does not require silence.

915

00:49:31,885 —> 00:49:33,637

[applause]

916

00:49:37,307 —> 00:49:38,767

She's not feeling well.

917

00:49:43,271 —> 00:49:46,274

Ever since I became president...

918

00:49:46,316 —> 00:49:47,442

I... I mean...

919

00:49:47,484 —> 00:49:49,194

[laughter]

920

00:49:49,236 —> 00:49:50,445

[Betty] Uh, pardon me.

921

00:49:50,487 —> 00:49:52,239

Um,

922

00:49:52,280 —> 00:49:54,992

ever since my husband

923

00:49:56,284 —> 00:49:58,996

became president, he...

924

00:50:00,539 —> 00:50:03,625

really has done

925

00:50:03,667 —> 00:50:06,378

a great deal

926

00:50:07,629 —> 00:50:10,340
in the last two years.

927
00:50:12,718 —> 00:50:15,220
[cheering, applause]

EP8: Punch Perfect

1
00:00:08,216 —> 00:00:09,968
- [mouthing]
- Just a little bit

2
00:00:10,468 —> 00:00:11,052
Just a little bit

3
00:00:11,553 —> 00:00:12,470
Just a little bit

4
00:00:12,846 —> 00:00:15,140
Just a little bit

5
00:00:16,057 —> 00:00:17,809

I ain't gon' do you wrong

6

00:00:18,309 —> 00:00:19,644

While you're gone

7

00:00:20,562 —> 00:00:22,022

Ain't gon' do you wrong...

8

00:00:22,564 —> 00:00:24,232

- [chuckles]

- Honey.

9

00:00:25,025 —> 00:00:28,194

Oh, Mrs. O.

Your face is lookin' fine.

10

00:00:28,361 —> 00:00:29,362

Thank you.

11

00:00:29,738 —> 00:00:31,322

So, fundraiser in the DMV.

12

00:00:32,198 —> 00:00:34,701

- Yep. [sighs] The usual.

- All right, so the usual then?

13

00:00:35,368 —> 00:00:38,079

We've been using a lot of heat

on your hair lately.

14

00:00:38,830 —> 00:00:40,248

The edges need a break.

15

00:00:41,332 —> 00:00:44,210

But you're really rocking

this natural look.

16

00:00:45,045 —> 00:00:46,004

[chuckles]

17

00:00:46,588 —> 00:00:48,590

Could you wear this

to the fundraiser?

18

00:00:49,674 —> 00:00:53,011

You want me to wear this

to a DNC fundraiser?

19

00:00:53,595 —> 00:00:54,721

So you want me

to stroll on in there

20

00:00:55,346 —> 00:00:58,892

in my Reem Acra

and Jimmy Choos rockin'...

21

00:00:59,434 —> 00:01:01,394

- [both laugh]

- Yeah!

22

00:01:01,770 —> 00:01:02,854

...my natural texture?

23

00:01:03,438 —> 00:01:05,940

[chuckles]

You would break Twitter.

24

00:01:06,566 —> 00:01:08,234

That's not the only thing

I would break.

25

00:01:08,443 —> 00:01:11,529

[both laugh]

26

00:01:11,738 —> 00:01:12,864

Oh.

27

00:01:14,199 —> 00:01:15,992

You know, it... it...

it do look good though.

28

00:01:16,576 —> 00:01:18,578

- Hmm.

- But we're trying to get

29

00:01:19,204 —> 00:01:20,914

these white folk

to give us some money.

30

00:01:21,414 —> 00:01:22,290

Mm, and scared white people

31

00:01:23,124 —> 00:01:25,085

- don't open their pocketbooks.

- Mm. Mm-mmm. So...

32

00:01:25,710 —> 00:01:27,921

[both] Straighten the Black

right on out.

33

00:01:28,379 —> 00:01:29,422

[both laugh]

34

00:01:30,381 —> 00:01:33,510

For sassy Sasha, french fries,

chicken legs. [chuckles]

35

00:01:34,469 —> 00:01:36,137

- Been working on the golf swing?

- Thank you for your information.

36

00:01:36,721 —> 00:01:37,972

Yes, and I'm ready

for a rematch.

37

00:01:38,473 —> 00:01:39,390

Oh, you think so? Hey, honey.

38

00:01:40,266 —> 00:01:42,644

Ah, Ms. Obama. So the next time

you're in New England,

39

00:01:43,144 —> 00:01:44,604

please come join us at the club.

40

00:01:45,230 —> 00:01:46,314

- You're gonna get on the course?

- Yes.

41

00:01:47,148 —> 00:01:48,566

- She's not... [chuckles]

- Mr. President.

42

00:01:49,150 —> 00:01:50,401

May I steal your wife

for a second?

43

00:01:50,610 —> 00:01:51,736

Please.

44

00:01:53,238 —> 00:01:54,948

Oh, if we could only have you

for another four years.

45

00:01:55,573 —> 00:01:56,741

- That we can't do.

- [both chuckle]

46

00:01:57,408 —> 00:01:59,119

- [guest] Mrs. Obama?

- But, donations like yours

47

00:01:59,786 —> 00:02:01,246

are an investment

in the future of the party.

48

00:02:01,830 —> 00:02:04,833

Mrs. Obama.

Mrs. Obama, I'm Jennifer.

49

00:02:05,291 —> 00:02:06,251

Excuse me.

50

00:02:07,460 —> 00:02:09,254

[Jennifer] And it is an absolute

honor to donate today.

51

00:02:10,171 —> 00:02:13,716

- Thrilled that you're...

- Jennifer, so nice to meet you.

52

00:02:14,425 —> 00:02:16,511

- Nice to meet you.

- So good to meet you, too.

53

00:02:16,970 —> 00:02:17,804

- Erica.

- Erica. Erica.

54

00:02:18,471 —> 00:02:19,722

It is an honor to meet you,

Mrs. Obama.

55

00:02:20,306 —> 00:02:21,641

- Call me Michelle.

- Oh, Mrs. Obama,

56

00:02:22,142 —> 00:02:23,226

I'm so glad you're here today.

57

00:02:24,144 —> 00:02:26,396

We appreciate your generosity.

Gorgeous necklace.

58

00:02:27,188 —> 00:02:29,357

Oh, thank you.

[chuckles] That means a lot.

59

00:02:30,316 —> 00:02:33,820

My daughter will be so mad

she's missed seeing you today.

60

00:02:37,157 —> 00:02:37,824

Girl.

61

00:02:38,491 —> 00:02:40,034
At least she didn't assume
I was a maid.

62
00:02:40,493 —> 00:02:41,494
[both laugh]

63
00:02:41,661 —> 00:02:43,788
[chuckles]

64
00:02:44,289 —> 00:02:44,956
- Oh, my God.
- Mm.

65
00:02:45,456 —> 00:02:46,332
[stammers] It is funny

66
00:02:47,167 —> 00:02:50,837
how you got two,
uh, uncomfortable Black women

67
00:02:51,546 —> 00:02:54,174
bending over backwards

so she doesn't feel discomfort.

68

00:02:54,674 —> 00:02:56,426

- Um, yeah.

- Right?

69

00:02:56,801 —> 00:02:57,677

Two terms in office,

70

00:02:58,219 —> 00:02:59,429

and she still don't know

what I look like.

71

00:03:00,346 —> 00:03:03,183

I could've been Aretha Franklin,

and she would've said,

72

00:03:03,725 —> 00:03:04,726

- "Hey, Michelle!"

- Uh, I mean,

73

00:03:05,226 —> 00:03:07,103

probably more like Halle Berry.

74

00:03:07,645 —> 00:03:10,106

- Nah, nah, nah. Oprah.

- Oprah?

75

00:03:10,690 —> 00:03:12,108

- We all look like Oprah.

- Naomi Campbell.

76

00:03:12,692 —> 00:03:14,319

- That's what you look like.

- What?

77

00:03:14,903 —> 00:03:17,697

- You look real good, actually.

- [mutters]

78

00:03:18,740 —> 00:03:20,491

- [laughs]

- So what time you gotta be up?

79

00:03:20,700 —> 00:03:22,785

[both laugh]

80

00:03:23,661 —> 00:03:25,914

This land is your land

81

00:03:28,708 —> 00:03:31,252

This land is my land

82

00:03:34,005 —> 00:03:36,716

From California

83

00:03:37,717 —> 00:03:41,888

Well, to the New York island

84

00:03:42,889 —> 00:03:46,684

From the redwood forest

85

00:03:47,894 —> 00:03:51,898

To the Gulf Stream waters

86

00:03:53,024 —> 00:03:56,653

I tell you this land

87

00:03:57,237 —> 00:04:00,573

Was made for you and me

88

00:04:00,782 —> 00:04:02,408

Yeah

89

00:04:03,451 —> 00:04:06,746

Mmm

90

00:04:07,705 —> 00:04:10,959

One bright sunny morning

91

00:04:11,584 —> 00:04:16,172

Well, in the shadow

Of a steeple

92

00:04:16,714 —> 00:04:21,052

Down by the Welfare office

93

00:04:21,594 —> 00:04:25,598

I saw my people

94

00:04:26,057 —> 00:04:28,643

I was wondering

95

00:04:28,977 —> 00:04:31,020

If this land

96

00:04:31,604 —> 00:04:36,734

Was made for you and me

97

00:04:41,823 —> 00:04:42,657

[reporter on TV]

We have some returns now

98

00:04:43,616 —> 00:04:45,451

from the states that have had

polls closed in them.

99

00:04:46,411 —> 00:04:48,955

Uh, the polls aren't all closed

in any state yet in the country,

100

00:04:49,664 —> 00:04:52,458

but here are some of the returns

that we have so far.

101

00:04:53,334 —> 00:04:56,170

In, um, Indiana, we have

projected Ford the winner...

102

00:04:56,629 —> 00:04:59,007

[all cheer]

103

00:04:59,465 —> 00:05:01,926

[chattering]

104

00:05:02,593 —> 00:05:04,595

...the polls have all

closed now in Kentucky.

105

00:05:05,471 —> 00:05:07,390

And 9 electoral votes

for Kentucky are now,

106

00:05:08,016 —> 00:05:10,476

by our calculations,

belonging to Jimmy Carter.

107

00:05:11,311 —> 00:05:13,187

- [person] Shucks!

- And peanut farmer.

108

00:05:13,688 —> 00:05:14,605

Let's not be mean, Steven.

109

00:05:15,481 —> 00:05:17,400

It's the truth.

His whole family farms peanuts.

110

00:05:18,026 —> 00:05:19,902

[hoarsely] Honey, will you

hand me my drink, please?

111

00:05:20,528 —> 00:05:22,989

Mr. Ford, where in the world

did your voice go?

112

00:05:23,489 —> 00:05:24,115

- [huffs]

- He left it

113

00:05:24,615 —> 00:05:25,408

on the campaign trail.

114

00:05:25,992 —> 00:05:27,702

I'm gonna make you a hot toddy.

115

00:05:28,161 —> 00:05:29,829

- Thank you.

- [chattering]

116

00:05:30,455 —> 00:05:32,040

[reporter on TV]

Carter is now ahead

117

00:05:32,665 —> 00:05:34,334

with 21 electoral votes,

and Ford with 13.

118

00:05:34,959 —> 00:05:37,378

It's okay.

It's early, we have time.

119
00:05:38,004 —> 00:05:40,173
[Ford family and friends
murmurs and groans]

120
00:05:40,798 —> 00:05:42,884
[TV broadcast continues,
indistinct]

121
00:05:45,386 —> 00:05:47,597
Jimmy Carter
has won in Mississippi.

122
00:05:47,889 —> 00:05:49,891
51% to 49%,

123
00:05:50,516 —> 00:05:52,268
uh, we believe
the final returns will be.

124
00:05:52,894 —> 00:05:55,021
And that puts Jimmy Carter
over the top,

125

00:05:55,688 —> 00:05:57,857

uh, to be the next president

of the United States.

126

00:05:58,483 —> 00:05:59,901

He is

the president-elect tonight.

127

00:06:00,401 —> 00:06:04,864

He now has 272 electoral votes.

128

00:06:06,657 —> 00:06:08,659

One reason for this move

back to the Democratic party

129

00:06:09,577 —> 00:06:12,205

may be that Watergate still

seems to be alive as an issue.

130

00:06:12,705 —> 00:06:13,498

Carter voters in our sample

131

00:06:14,374 —> 00:06:15,708

said Carter would restore trust

to government,

132

00:06:16,584 —> 00:06:18,419

though Ford voters said

the same thing about their man.

133

00:06:19,045 —> 00:06:20,380

And the Carter voters

cited Watergate

134

00:06:21,005 —> 00:06:22,340

and the Nixon pardon

as a big reason

135

00:06:22,840 —> 00:06:23,591

for voting for Carter.

136

00:06:24,384 —> 00:06:25,635

Asked what they disliked

about Ford,

137

00:06:26,511 —> 00:06:27,970

again, the thing

those Carter voters said most

138

00:06:28,679 —> 00:06:31,015

was that Ford had pardoned

Richard Nixon.

139

00:07:07,927 —> 00:07:09,053

[exhales shakily]

140

00:07:09,637 —> 00:07:13,474

You fought

an incredible race, Jerry.

141

00:07:14,434 —> 00:07:17,437

- [sighs]

- I'm very proud of you.

142

00:07:18,104 —> 00:07:19,814

[sniffs]

143

00:07:31,826 —> 00:07:33,453
I love you.

144
00:07:40,501 —> 00:07:42,462
Mm.

145
00:07:43,171 —> 00:07:44,589
[hoarsely] It's, um...

146
00:07:46,299 —> 00:07:49,135
perfectly obvious that, um...

147
00:07:50,470 —> 00:07:54,474
my voice isn't up to par,

148
00:07:55,016 —> 00:07:58,895
and I shouldn't be making

149
00:07:59,353 —> 00:08:01,856
very many comments, and I won't.

150
00:08:03,483 —> 00:08:05,234

Let me call on the, um...

151
00:08:06,194 —> 00:08:09,030
the real spokesman
for the family.

152
00:08:09,697 —> 00:08:10,990
Betty?

153
00:08:18,039 —> 00:08:22,752
The president asked me
to tell you

154
00:08:23,794 —> 00:08:28,508
that he telephoned
President-elect Carter

155
00:08:29,050 —> 00:08:30,051
a short time ago,

156
00:08:30,676 —> 00:08:34,180
and congratulated him
on his victory.

157

00:08:36,224 —> 00:08:40,686

It's been the greatest honor of

my husband's life

158

00:08:42,021 —> 00:08:44,357

to have served

his fellow Americans

159

00:08:44,982 —> 00:08:50,154

during two

of most difficult years

160

00:08:50,905 —> 00:08:52,907

in our history.

161

00:08:56,244 —> 00:08:58,955

I still can't believe

it's coming to an end.

162

00:08:59,413 —> 00:09:01,541

Do you know what you'll do next?

163

00:09:02,083 —> 00:09:03,084

I'm not sure yet.

164

00:09:03,709 —> 00:09:05,086

But whatever it is,

it won't hold a candle

165

00:09:05,711 —> 00:09:07,922

to documenting

my favorite First Family.

166

00:09:08,256 —> 00:09:09,257

Aw.

167

00:09:09,882 —> 00:09:11,759

[sighs] Now, is there

any room in particular

168

00:09:12,593 —> 00:09:15,012

you'd like to shoot

these last few images?

169

00:09:17,557 —> 00:09:19,100
Actually, yes.

170
00:09:27,108 —> 00:09:30,861
- May I help you?
- No, I am perfectly fine.

171
00:09:31,070 —> 00:09:32,613
[gasps]

172
00:09:34,198 —> 00:09:35,950
- [chuckles]
- There we go.

173
00:09:36,909 —> 00:09:41,205
[chuckles] Oh, I should've done
this a long time ago.

174
00:09:43,124 —> 00:09:46,043
[both chuckle]

175
00:09:49,755 —> 00:09:52,925
I don't think

there are many women

176

00:09:53,384 —> 00:09:55,386

who have had the chance

177

00:09:55,886 —> 00:09:58,598

to even sit at this table,

178

00:09:59,098 —> 00:10:02,310

let alone dance on it.

179

00:10:03,311 —> 00:10:04,937

Think you're probably

right about that.

180

00:10:05,396 —> 00:10:07,648

Here's hoping that changes.

181

00:10:11,068 —> 00:10:12,570

- Mr. President.

- Hello, Jerry.

182

00:10:13,154 —> 00:10:15,364
Is my wife dancing
on tables again?

183
00:10:15,823 —> 00:10:17,158
[Betty] Oh, I was just...

184
00:10:18,242 —> 00:10:20,995
celebrating
all that we accomplished.

185
00:10:21,454 —> 00:10:22,622
It's the perfect way to do it.

186
00:10:23,164 —> 00:10:24,498
Mm. [sighs] Care to join me?

187
00:10:24,999 —> 00:10:26,459
- [scoffing] Oh!
- [giggles]

188
00:10:27,084 —> 00:10:29,629
And give Chevy Chase

more ammunition?

189
00:10:47,980 —> 00:10:49,315
Beautiful.

190
00:10:52,360 —> 00:10:54,612
[presenter on TV] Again, as at
the beginning of World War I,

191
00:10:55,321 —> 00:10:58,240
we had proclaimed
our traditional neutrality.

192
00:10:59,367 —> 00:11:00,910
Millions of Americans
were more interested

193
00:11:01,702 —> 00:11:02,828
in Joe DiMaggio
and the New York Yankees

194
00:11:03,704 —> 00:11:05,706
taking four straight from

Cincinnati in the World Series

195
00:11:06,332 —> 00:11:08,542
than they were
in the deadly games

196
00:11:09,043 —> 00:11:10,211
being played in Europe and Asia,

197
00:11:10,878 —> 00:11:13,130
where aggressors
were out to take all.

198
00:11:30,314 —> 00:11:32,316
[Eleanor]
Thank you for seeing us.

199
00:11:32,858 —> 00:11:33,567
You remember Martha?

200
00:11:34,068 —> 00:11:34,902
Of course. Mrs. Hemingway.

201

00:11:35,695 —> 00:11:37,321

It is very kind of you

to take the time.

202

00:11:37,738 —> 00:11:38,906

Please.

203

00:11:39,198 —> 00:11:40,408

Mr. President...

204

00:11:41,534 —> 00:11:43,786

[sighs] the SS Quanza

205

00:11:44,704 —> 00:11:48,791

is filled with Jewish refugees

fleeing Hitler's regime.

206

00:11:49,750 —> 00:11:51,544

They've been sailing

port to port

207

00:11:52,044 —> 00:11:54,004

looking to be granted asylum.

208
00:11:54,380 —> 00:11:54,880
But even with the work

209
00:11:55,715 —> 00:11:56,590
of the lawyer
we've retained for them,

210
00:11:57,216 —> 00:12:00,219
Jacob Morewitz,
no one will take them.

211
00:12:00,845 —> 00:12:01,887
If we don't get them
legitimate visas,

212
00:12:02,763 —> 00:12:06,600
they will be sent back to Europe
and a horrible fate.

213
00:12:07,101 —> 00:12:08,686
As you know, Franklin, last year

214

00:12:09,270 —> 00:12:10,855

the MS St. Louis

was turned away

215

00:12:11,439 —> 00:12:15,860

and 254 innocent lives

were lost.

216

00:12:16,944 —> 00:12:21,031

We have an opportunity

here with the Quanza

217

00:12:21,407 —> 00:12:22,408

to right that wrong.

218

00:12:23,075 —> 00:12:26,912

We've exhausted every other

avenue, Mr. President.

219

00:12:27,747 —> 00:12:30,249

- The ship is due here any day.

- Yes.

220

00:12:30,958 —> 00:12:32,752

[sniffs]

221

00:12:34,420 —> 00:12:37,131

Thank you

for bringing those to me.

222

00:12:38,549 —> 00:12:39,925

A horrific plight indeed.

223

00:12:40,760 —> 00:12:43,012

Yet still, I am afraid

I cannot help you.

224

00:12:43,929 —> 00:12:45,723

[Eleanor] Franklin, we cannot

turn a blind eye

225

00:12:46,223 —> 00:12:48,142

to this atrocity again.

226

00:12:49,268 —> 00:12:51,479
The people elected you
to office to act.

227
00:12:52,104 —> 00:12:54,607
The American people
have chosen not to act

228
00:12:55,107 —> 00:12:56,108
in this European conflict.

229
00:12:56,567 —> 00:12:58,152
Therefore I cannot act.

230
00:12:59,278 —> 00:13:02,490
Mrs. Hemingway,
again, I am very sorry.

231
00:13:03,574 —> 00:13:04,325
I wish I could do more,

232
00:13:04,825 —> 00:13:07,411
but right now my hands are tied.

233

00:13:08,496 —> 00:13:09,914

Anna!

234

00:13:10,247 —> 00:13:10,956

Yes?

235

00:13:11,499 —> 00:13:13,542

Tell my two o'clock

that I am ready.

236

00:13:14,168 —> 00:13:16,212

Will you wait for me outside,

please, Martha?

237

00:13:16,670 —> 00:13:17,797

Mrs. Hemingway, I am very sorry.

238

00:13:18,422 —> 00:13:20,966

- Good day, Mr. President.

- Good day.

239

00:13:25,095 —> 00:13:27,056
I think you are making
a mistake, Franklin.

240
00:13:28,015 —> 00:13:30,142
Why is it the people that are
supposed to be the closest to me

241
00:13:31,018 —> 00:13:33,604
cannot understand that
I cannot simply wave my hand

242
00:13:34,146 —> 00:13:34,855
and make things happen?

243
00:13:35,523 —> 00:13:37,358
Well, you certainly can't make
things happen

244
00:13:37,858 —> 00:13:38,901
if you insist on sitting on them

245
00:13:39,819 —> 00:13:41,362

while the rest of the world
is falling apart.

246
00:13:41,862 —> 00:13:43,280
Eleanor, stop! Stop right there.

247
00:13:44,198 —> 00:13:46,492
You need to stop thinking about
me like some man without a soul.

248
00:13:47,201 —> 00:13:49,829
I can be emotional and practical
all at the same time.

249
00:13:50,496 —> 00:13:51,956
[Eleanor] You cannot
insulate yourself

250
00:13:52,540 —> 00:13:54,667
against people's suffering,
Franklin.

251
00:13:55,167 —> 00:13:56,335

- [Anna] Mother.

- Anna.

252

00:13:56,877 —> 00:13:58,462

- We must move the day along.

- Mrs. R,

253

00:13:59,046 —> 00:14:00,881

your radio broadcast

is in 14 minutes.

254

00:14:01,465 —> 00:14:04,510

Thank you, Tommy. Franklin.

255

00:14:09,557 —> 00:14:11,767

Anna, please close the

door behind you.

256

00:14:12,184 —> 00:14:13,102

[door closes]

257

00:14:13,978 —> 00:14:16,146

What did the papers say

about the photographs?

258

00:14:17,022 —> 00:14:19,483

Hearst won't print them.

Propaganda through omission.

259

00:14:20,192 —> 00:14:22,319

And Sulzberger's afraid

they will incite something.

260

00:14:22,695 —> 00:14:23,863

What? Empathy? Action?

261

00:14:24,405 —> 00:14:26,407

Panic, paranoia, anti-Semitism.

262

00:14:26,907 —> 00:14:28,576

Not all fascists live in Europe.

263

00:14:29,034 —> 00:14:30,870

Yes. Tommy,

264

00:14:31,412 —> 00:14:34,373
who here grants the power
to have visas?

265
00:14:34,915 —> 00:14:35,916
I believe that is Patrick Malin

266
00:14:36,542 —> 00:14:38,294
with the political
refugees' committee.

267
00:14:38,669 —> 00:14:39,712
Let me make a call.

268
00:14:40,254 —> 00:14:41,547
Uh, Mrs. R,
we really have to go.

269
00:14:42,047 —> 00:14:42,965
- Yes.
- Thank you.

270
00:14:43,549 —> 00:14:46,260

Well, don't lose heart, Martha.

271

00:14:47,094 —> 00:14:49,013

I will think of something.

272

00:14:49,597 —> 00:14:51,056

"It may seem to you

273

00:14:51,891 —> 00:14:54,643

that a racial

or religious prejudice

274

00:14:55,102 —> 00:14:56,520

that does not touch you

275

00:14:57,229 —> 00:15:01,525

is something about which

you need not concern yourself.

276

00:15:02,026 —> 00:15:03,652

But unfortunately,

277

00:15:04,194 —> 00:15:07,281
one prejudice engenders another,

278
00:15:07,740 —> 00:15:09,867
and people soon find themselves

279
00:15:10,409 —> 00:15:13,621
prey to fears of all kinds.

280
00:15:14,246 —> 00:15:18,167
We must do all we can
to prevent the rise

281
00:15:19,043 —> 00:15:21,962
of racial or religious hatred
in this country."

282
00:15:22,588 —> 00:15:24,673
Here at home,
outrage over the fatal shooting

283
00:15:25,215 —> 00:15:25,925
of 17-year-old Trayvon Martin

284

00:15:26,550 —> 00:15:27,509

is spreading now

around the country.

285

00:15:28,135 —> 00:15:29,803

On Wednesday,

marchers took to the streets

286

00:15:30,304 —> 00:15:31,221

in New York City and in Miami.

287

00:15:32,097 —> 00:15:33,724

Protesters are calling

for the arrest of the shooter.

288

00:15:34,433 —> 00:15:37,227

Cleveland police this weekend

shot a 12-year-old boy

289

00:15:38,103 —> 00:15:40,731

who was seen waving a gun

at a local playground.

290

00:15:41,398 —> 00:15:43,609

The boy later died.

The gun turned out to be fake.

291

00:15:44,151 —> 00:15:45,527

Attorney General Eric Holder

said today

292

00:15:46,236 —> 00:15:47,696

the Justice Department

is monitoring the case

293

00:15:48,489 —> 00:15:50,991

of a New York City man who died

in police custody last month.

294

00:15:51,659 —> 00:15:53,327

[reporter] The dramatic cell

phone video

295

00:15:53,827 —> 00:15:54,662

shows 50-year-old Walter Scott

296

00:15:55,329 —> 00:15:56,747

running away

from Officer Michael Slager.

297

00:15:57,623 —> 00:16:00,042

The 33-year-old officer fires

eight shots at Scott's back.

298

00:16:00,668 —> 00:16:02,795

[Anthony Scott on video]

Thought that my brother

299

00:16:03,295 —> 00:16:04,254

was gunned down like an animal.

300

00:16:05,172 —> 00:16:07,383

It was just unbelievable to

me to see that.

301

00:16:08,342 —> 00:16:10,177

[reporter] The amateur video

paints a different picture

302

00:16:11,011 —> 00:16:12,137

than the one

that first emerged Saturday.

303

00:16:13,013 —> 00:16:14,974

Authorities originally said

Scott tried to run

304

00:16:15,683 —> 00:16:17,643

and the two men struggled

over the officer's Taser.

305

00:16:18,310 —> 00:16:20,104

Slager said

he feared for his life.

306

00:16:20,980 —> 00:16:22,648

An hour after city officials

saw the footage,

307

00:16:23,190 —> 00:16:24,358

North Charleston mayor

Keith Summey

308
00:16:25,317 —> 00:16:27,069
announced that Slager
would be charged with murder.

309
00:16:27,987 —> 00:16:30,990
[Summey] When you're wrong,
you're wrong.

310
00:16:31,824 —> 00:16:33,701
And if you make a bad decision,

311
00:16:34,326 —> 00:16:36,161
don't care
if you're behind the shield,

312
00:16:36,996 —> 00:16:38,122
you have to
live by that decision.

313
00:16:38,998 —> 00:16:41,000
[reporter] Late Tuesday,

Slager was denied bail...

314
00:16:41,625 —> 00:16:43,127
Malia,
you finished your homework?

315
00:16:43,711 —> 00:16:46,046
- [continues, indistinct]
- No. [sniffles]

316
00:16:48,048 —> 00:16:49,925
Malia, you don't have to watch

317
00:16:50,509 —> 00:16:51,885
every single one
of these videos.

318
00:16:52,511 —> 00:16:53,595
[crying] Mom,
they shot him in the back

319
00:16:54,221 —> 00:16:55,848
and left him in the streets

for four hours,

320

00:16:56,473 —> 00:16:57,808

like his life

just didn't matter.

321

00:16:58,308 —> 00:16:59,476

I mean, how many more?

322

00:16:59,852 —> 00:17:01,770

Trayvon, Tamir, Eric.

323

00:17:02,396 —> 00:17:04,690

I-I just don't understand

why this keeps happening.

324

00:17:05,190 —> 00:17:06,859

I know. Malia, I know.

325

00:17:07,401 —> 00:17:09,820

Trust me, I understand, honey.

I...

326

00:17:10,320 —> 00:17:13,657

Mom... Look at us.

327

00:17:14,241 —> 00:17:17,036

I mean, look at this house

that we live in.

328

00:17:18,328 —> 00:17:22,750

If we can't make a difference,

who can? [sniffles]

329

00:17:25,586 —> 00:17:27,504

[door closes]

330

00:17:34,762 —> 00:17:35,763

Aw, thank you! [laughs]

331

00:17:36,513 —> 00:17:38,599

And we appreciate you all

coming down to see our new home.

332

00:17:39,266 —> 00:17:41,310

- Oh, of course.

- Been real nice here so far.

333

00:17:42,186 —> 00:17:43,896

Cocktails with the neighbors

and everything.

334

00:17:44,271 —> 00:17:45,064

- Oh!

- Yeah.

335

00:17:45,731 —> 00:17:47,983

Whoa, the real life

George and Weezy.

336

00:17:48,567 —> 00:17:49,818

- [laughs]

- Y'all really did move on

337

00:17:50,444 —> 00:17:52,571

up out of the neighborhood

right into one of theirs.

338

00:17:53,238 —> 00:17:54,907
Except the Jeffersons
don't have...

339
00:17:55,407 —> 00:17:57,785
[chattering, laughter]

340
00:17:58,243 —> 00:18:01,789
Daddy! Daddy, look.

341
00:18:04,625 —> 00:18:07,252
[sighs]
Well, ain't that a bitch.

342
00:18:10,255 —> 00:18:12,466
Come on. Get in the car.
It's time for us to go.

343
00:18:12,758 —> 00:18:13,717
I am so sorry.

344
00:18:14,384 —> 00:18:15,302
I think you could probably

get that buffed out.

345

00:18:16,136 —> 00:18:18,680

- [sighs] That's some bullshit.

- Craig.

346

00:18:19,139 —> 00:18:19,598

But... [sighs]

347

00:18:20,099 —> 00:18:22,559

It's fine. It'll come out.

348

00:18:23,102 —> 00:18:23,894

You know, just reminds me

349

00:18:24,603 —> 00:18:26,188

of how gorgeous this beauty

really is. [chuckles]

350

00:18:26,772 —> 00:18:28,148

You know,

sometimes when folks see

351

00:18:28,774 —> 00:18:30,109

something they hate

looking so beautiful,

352

00:18:30,776 —> 00:18:32,111

first thing they wanna do

is scuff it up.

353

00:18:32,736 —> 00:18:34,196

But Robinsons,

we just buff that right out.

354

00:18:34,822 —> 00:18:38,158

- Get in the car.

- You heard your daddy. Let's go.

355

00:18:39,618 —> 00:18:43,288

[friend]

Well, have a nice easy drive.

356

00:18:44,832 —> 00:18:47,584

You guys

have a safe trip home now.

357

00:19:10,482 —> 00:19:11,692

Mm.

358

00:19:13,861 —> 00:19:15,195

Hello.

359

00:19:16,196 —> 00:19:18,657

I thought

you were coming Thursday.

360

00:19:19,950 —> 00:19:21,160

[sighs] It is Thursday.

361

00:19:21,702 —> 00:19:24,121

- Oh, dear.

- [chuckles softly]

362

00:19:24,705 —> 00:19:27,082

How long do I have you for

this time?

363

00:19:27,666 —> 00:19:31,295

[Lorena] Mm, about seven hours.

364

00:19:31,461 —> 00:19:33,172

Oh, hmm.

365

00:19:38,385 —> 00:19:40,470

[Eleanor] I'm sorry

I won't be with you later on.

366

00:19:41,346 —> 00:19:43,140

Sara's having one of

her dinner parties tonight

367

00:19:43,724 —> 00:19:45,225

and I'll be forced

to trade small talk

368

00:19:45,893 —> 00:19:47,811

with the British ambassador

and his wife

369

00:19:48,395 —> 00:19:51,940

over a plate of aspic

or some such.

370

00:19:52,399 —> 00:19:54,818

What is aspic anyway?

371

00:19:55,194 —> 00:19:56,737

Aspic is

372

00:19:57,404 —> 00:20:01,617

a lukewarm,

gelatinous, punitive insult.

373

00:20:01,992 —> 00:20:05,078

Oh, well. Mm. [laughs]

374

00:20:05,704 —> 00:20:07,956

- Delicious.

- Very. That was very good.

375

00:20:08,582 —> 00:20:12,044

Clearly you should have been a...

a restaurant critic.

376

00:20:12,419 —> 00:20:13,754

[chuckles]

377

00:20:15,339 —> 00:20:17,841

If I could just do

this one thing, Hick.

378

00:20:19,259 —> 00:20:23,639

If I could just help

these 86 souls on the Quanza,

379

00:20:24,556 —> 00:20:26,225

then that would be something.

380

00:20:27,851 —> 00:20:30,896

I am sure you'll think of a way.

381

00:20:32,272 —> 00:20:33,899

You always do.

382

00:20:36,944 —> 00:20:38,195

[guest]
The White House has become

383
00:20:38,779 —> 00:20:40,572
something of a family affair
these days.

384
00:20:40,948 —> 00:20:41,865
The Roosevelts may well be

385
00:20:42,449 —> 00:20:43,825
America's answer
to our royal family.

386
00:20:44,409 —> 00:20:45,410
- Oh. [chuckles]
- Absolutely not.

387
00:20:46,245 —> 00:20:47,412
Well, that's why we thought
it might be nice

388
00:20:48,288 —> 00:20:50,249

to have you to our private
dining room, Mr. Ambassador.

389
00:20:50,874 —> 00:20:52,292
Please consider yourself
part of the family.

390
00:20:52,918 —> 00:20:54,294
It's our honor to have you
as our guest.

391
00:20:54,795 —> 00:20:56,088
- Yes.
- Ladies and gentlemen,

392
00:20:56,588 —> 00:20:59,091
Mr. Malin, Ambassador.

393
00:20:59,591 —> 00:21:00,425
I believe that dinner is served.

394
00:21:00,968 —> 00:21:03,095
If you would

please join us inside.

395

00:21:03,470 —> 00:21:04,221

[chattering]

396

00:21:04,805 —> 00:21:06,056

- After you.

- Thank you so much.

397

00:21:06,473 —> 00:21:08,725

[chattering continues]

398

00:21:11,103 —> 00:21:11,770

Oh, hello.

399

00:21:12,312 —> 00:21:13,897

Mr. Ambassador,

you are over here.

400

00:21:14,606 —> 00:21:17,401

- [Ambassador] Thank you so much.

- [Franklin] Hello.

401

00:21:18,277 —> 00:21:20,612

[Eleanor] It's so nice to

see you. Thank you for coming.

402

00:21:21,071 —> 00:21:22,656

Mr. Malin, you're next.

403

00:21:24,116 —> 00:21:25,951

Everybody, please sit.

404

00:21:26,910 —> 00:21:29,705

Oh, look. Ooh, a photo exhibit.

405

00:21:30,289 —> 00:21:32,499

- Oh.

- How modern. [chuckles]

406

00:21:33,292 —> 00:21:34,626

- My, May, what have you got?

- Oh, Lord.

407

00:21:35,502 —> 00:21:37,921

Quite disturbing images.

What ones do you have here?

408

00:21:38,422 —> 00:21:39,214

Mine are sort of...

409

00:21:39,673 —> 00:21:41,508

Honored guests,

410

00:21:42,342 —> 00:21:45,470

Ambassador Lindsay, Mr. Malin,

411

00:21:46,346 —> 00:21:48,140

I would like to introduce you

412

00:21:48,640 —> 00:21:51,059

to two personal friends of mine,

413

00:21:51,768 —> 00:21:55,897

Martha Gellhorn Hemingway,

a brilliant journalist

414

00:21:56,523 —> 00:22:00,319
who has provided
these photographs this evening,

415
00:22:00,861 —> 00:22:03,780
and Mr. Jacob Morewitz,

416
00:22:04,156 —> 00:22:05,949
a wonderful young lawyer

417
00:22:06,533 —> 00:22:09,369
who is representing
some of the refugees

418
00:22:09,995 —> 00:22:13,498
that you will see
in these photographs.

419
00:22:14,541 —> 00:22:16,835
Some of these individuals
are trapped

420
00:22:17,461 —> 00:22:21,423

at this very moment
on the SS Quanza,

421
00:22:22,341 —> 00:22:25,886
having been denied the right
to safely disembark.

422
00:22:26,511 —> 00:22:28,805
We feel very fortunate
to be here tonight

423
00:22:29,348 —> 00:22:30,515
at this vital crossroads.

424
00:22:31,475 —> 00:22:33,393
Had I known we'd be discussing
politics this evening,

425
00:22:34,019 —> 00:22:36,688
- I'd have paced myself.
- And I wish I had not.

426
00:22:36,897 —> 00:22:39,566

[all chuckle]

427
00:22:40,484 —> 00:22:42,903
Earlier today, I was able
to win an injunction in court

428
00:22:43,528 —> 00:22:45,197
for the ship to remain
in American waters,

429
00:22:45,697 —> 00:22:46,782
but only for six more days.

430
00:22:47,240 —> 00:22:50,202
Six days
before these human beings

431
00:22:50,702 —> 00:22:52,329
will be forced back to Europe,

432
00:22:52,871 —> 00:22:54,414
where they will have
a terrible fate,

433

00:22:55,374 —> 00:22:58,835

not unlike some of the other

images you see before you.

434

00:22:59,419 —> 00:23:01,463

And that is where

Mr. Malin comes in...

435

00:23:02,381 —> 00:23:04,674

Eleanor, you are

making our guests uncomfortable.

436

00:23:05,550 —> 00:23:08,011

Uncomfortable dinner parties

are a British tradition.

437

00:23:08,595 —> 00:23:12,307

- [all chuckle]

- You can act, Mr. Malin,

438

00:23:12,766 —> 00:23:13,642

even if my husband

439

00:23:14,434 —> 00:23:16,061

and the other men

in this White House will not.

440

00:23:16,603 —> 00:23:18,355

- Eleanor, enough!

- [Martha] Mr. President,

441

00:23:18,897 —> 00:23:20,315

there must

be something we can do.

442

00:23:20,941 —> 00:23:23,944

I'm afraid there isn't.

My hands are tied.

443

00:23:24,778 —> 00:23:26,154

Larger issues are at play

444

00:23:26,613 —> 00:23:27,656

and Eleanor knows this.

445

00:23:28,615 —> 00:23:31,118

Please, remove these photographs

from the table immediately.

446

00:23:31,743 —> 00:23:34,996

These people are suffering.

They are dying.

447

00:23:35,622 —> 00:23:38,250

If they were your children,

your parents,

448

00:23:39,084 —> 00:23:42,087

uh, your brothers and sisters,

just think, what would you do?

449

00:23:42,629 —> 00:23:45,465

Ambassador Lindsay,

am I to understand

450

00:23:46,258 —> 00:23:48,885

that Winchester City is

your football club of choice?

451

00:23:49,261 —> 00:23:50,470

Unfortunately, it is.

452

00:23:51,096 —> 00:23:53,807

Unfortunately indeed.

I've seen them play.

453

00:23:54,099 —> 00:23:55,308

[all chuckle]

454

00:23:55,809 —> 00:23:56,685

[Eleanor] There we have it.

455

00:23:57,561 —> 00:23:59,938

Just denying the reality

of the world around us

456

00:24:00,439 —> 00:24:01,898

and enjoying the duck confit.

457

00:24:02,482 —> 00:24:04,734

Well, I adore duck confit.

[chuckles]

458

00:24:04,943 —> 00:24:05,652

As do I.

459

00:24:06,486 —> 00:24:07,779

Our chef at home makes

a quail confit.

460

00:24:08,655 —> 00:24:12,284

He also makes the most

delightful deviled quail eggs.

461

00:24:12,784 —> 00:24:13,535

Little teeny tiny things.

462

00:24:14,453 —> 00:24:16,663

[softly] How can we be

so utterly complacent?

463

00:24:16,955 —> 00:24:20,167

[chattering]

464

00:24:21,668 —> 00:24:24,671

Eleanor, there is

no complacency in this room,

465

00:24:24,963 —> 00:24:25,755

only decency.

466

00:24:26,631 —> 00:24:30,093

And I do wish you would

exercise some restraint

467

00:24:30,677 —> 00:24:33,346

so our friends

can enjoy their dinner.

468

00:24:33,847 —> 00:24:35,474

Ah, wonderful. Endive is here.

469

00:24:36,141 —> 00:24:38,310

- I hope you all like endive.

- Thank God.

470

00:24:39,019 —> 00:24:41,188

[Mrs. Lindsay] Mrs. Roosevelt,

is Bendel's in New York

471

00:24:41,855 —> 00:24:43,773

still the place to go

for the latest fashions?

472

00:24:44,691 —> 00:24:46,610

I did hear that they have

some lovely gowns this year.

473

00:24:47,194 —> 00:24:48,403

Mrs. Roosevelt,

would you join us

474

00:24:48,987 —> 00:24:49,946

for a day of shopping

in New York?

475

00:24:50,530 —> 00:24:51,531

- We can take the train.

- [chuckles]

476

00:24:52,199 —> 00:24:54,284

Well, I'll certainly

consult my schedule.

477

00:24:54,826 —> 00:24:56,953

[chattering in the distance]

478

00:24:58,121 —> 00:25:00,207

[phone ringing in the distance]

479

00:25:02,000 —> 00:25:03,210

Anna?

480

00:25:04,878 —> 00:25:07,005

Close the door, please.

481

00:25:11,718 —> 00:25:13,345

I asked you

to arrange an appointment

482

00:25:13,845 —> 00:25:15,180

with Mrs. Rutherfurd.

483

00:25:16,056 —> 00:25:17,682

I do not see it in my calendar.

484

00:25:17,849 —> 00:25:19,059

Um...

485

00:25:24,564 —> 00:25:25,690

About Lucy...

486

00:25:29,027 —> 00:25:30,904

I... [sighs]

487

00:25:32,030 —> 00:25:32,948

After all this time,

are you sure...

488

00:25:33,907 —> 00:25:36,826

Of course, I'm sure. That's why

I asked you to arrange it.

489

00:25:37,202 —> 00:25:38,578
Now, please get it done.

490
00:25:40,580 —> 00:25:41,915
Now.

491
00:25:46,211 —> 00:25:49,589
Anna, I'm sorry.

492
00:25:50,215 —> 00:25:54,052
I-I don't expect you
to understand. I...

493
00:25:56,221 —> 00:25:57,222
And I know you think

494
00:25:57,889 —> 00:26:00,225
I'm putting you in
a terrible position, but...

495
00:26:00,684 —> 00:26:02,185
[sighs]

496

00:26:03,270 —> 00:26:06,106

I... I need her.

497

00:26:08,942 —> 00:26:12,571

I need something too.

498

00:26:15,031 —> 00:26:16,283

I see.

499

00:26:20,745 —> 00:26:22,289

Thank you.

500

00:26:26,710 —> 00:26:28,587

[sighs]

501

00:26:34,759 —> 00:26:37,762

Yes, the Rutherfurd residence

of New York City.

502

00:26:39,598 —> 00:26:40,765

I'll hold.

503

00:26:42,142 —> 00:26:44,269

[phone ringing]

504

00:26:49,316 —> 00:26:50,233

This is Lucy Rutherfurd.

505

00:26:50,942 —> 00:26:54,154

Hello, Mrs. Rutherfurd.

This is Anna Boettiger.

506

00:26:55,655 —> 00:26:57,907

Anna Roosevelt. How are you?

507

00:26:58,825 —> 00:27:01,870

[chuckles] I am very well.

Thank you for asking.

508

00:27:02,162 —> 00:27:03,330

And yourself?

509

00:27:04,748 —> 00:27:06,207

Very well indeed.

510

00:27:07,167 —> 00:27:09,044

Uh, the president

has instructed me

511

00:27:09,502 —> 00:27:12,130

to arrange a meeting with you.

512

00:27:12,672 —> 00:27:15,675

[chuckles] I'd be delighted.

513

00:27:18,136 —> 00:27:20,138

Let me tell

you when he's available.

514

00:27:26,853 —> 00:27:28,313

[Eleanor] Oh.

515

00:27:34,694 —> 00:27:36,738

Psst, psst, psst. Psst, psst.

516

00:27:37,656 —> 00:27:42,327

There are just not enough hours
in the day.

517
00:27:43,370 —> 00:27:45,372
[sighs] You do so much.

518
00:27:46,164 —> 00:27:50,585
And yet somehow, it always feels
like a drop in the bucket.

519
00:27:51,169 —> 00:27:53,296
Let's just enjoy each other...

520
00:27:54,381 —> 00:27:57,217
while I'm here. Rest.

521
00:27:58,343 —> 00:28:00,762
It's hard, Hick...

522
00:28:01,846 —> 00:28:04,683
[sighs] ...when thousands
are being forced

523

00:28:05,225 —> 00:28:07,602

from their homes every day.

524

00:28:08,186 —> 00:28:11,523

Can you allow yourself just a...

525

00:28:12,023 —> 00:28:13,358

just a moment of satisfaction?

526

00:28:13,983 —> 00:28:18,405

Do you know

what a concentration camp is?

527

00:28:20,198 —> 00:28:21,783

- Do you?

- Yes, I do.

528

00:28:22,409 —> 00:28:26,621

And yet you're fine

to while away the hours

529

00:28:27,205 —> 00:28:30,250

drinking bourbon

in the afternoon.

530

00:28:33,169 —> 00:28:33,795

Where are you going?

531

00:28:34,337 —> 00:28:35,964

To find somewhere else to while.

532

00:28:36,339 —> 00:28:38,758

Don't leave, Hick.

533

00:28:41,386 —> 00:28:42,429

I'm really beginning

to understand

534

00:28:43,054 —> 00:28:45,265

how your husband

and your children must feel.

535

00:28:45,890 —> 00:28:50,770

Constantly judged,

scrutinized, abandoned.

536

00:28:51,730 —> 00:28:55,400

That is an unkind thing to say.

537

00:29:03,908 —> 00:29:05,368

[softly] I'm sorry.

538

00:29:09,914 —> 00:29:11,291

[sighs]

539

00:29:13,460 —> 00:29:15,253

Um, Mr. Malin for you.

540

00:29:15,920 —> 00:29:17,338

Oh, yes. Mr. Malin.

541

00:29:18,047 —> 00:29:20,091

Madam First Lady, I wanted

to thank you in person

542

00:29:20,967 —> 00:29:23,386

for inviting me to that

rather uncomfortable dinner.

543
00:29:23,762 —> 00:29:24,637
Well...

544
00:29:25,472 —> 00:29:27,807
But comfort isn't appropriate
when discussing great suffering.

545
00:29:28,433 —> 00:29:32,270
No, it's so true.
Would you have a seat?

546
00:29:37,317 —> 00:29:39,194
I've brought you the visas
you need

547
00:29:39,778 —> 00:29:41,321
for everyone onboard the Quanza.

548
00:29:41,905 —> 00:29:43,156
- Oh, my!
- Human rights are indeed

549

00:29:43,615 —> 00:29:45,408

not reserved for Americans.

550

00:29:45,784 —> 00:29:46,910

Thank you.

551

00:29:47,952 —> 00:29:50,622

I hope you know

how brave this act is.

552

00:29:50,997 —> 00:29:51,956

It's...

553

00:29:52,832 —> 00:29:55,376

- Yes, I hope it was worth it.

- "Worth it"? [chuckles]

554

00:29:56,795 —> 00:29:59,547

[stammers] There were ships

coming in all the time

555

00:30:00,173 —> 00:30:03,301
and we've only
just gotten started here, so...

556
00:30:03,802 —> 00:30:05,512
Unfortunately not. [sighs]

557
00:30:06,137 —> 00:30:08,389
I have now been stripped
of my visa oversight.

558
00:30:09,474 —> 00:30:11,351
- Oh, I am very sorry.
- All requests now

559
00:30:11,976 —> 00:30:13,436
have to go through
Assistant Secretary Long.

560
00:30:14,020 —> 00:30:15,939
Please, if there's
anything that we can do.

561

00:30:16,481 —> 00:30:18,316
I'm afraid
that won't be possible.

562
00:30:18,942 —> 00:30:20,902
Mr. Long is so infuriated
by what we did,

563
00:30:21,528 —> 00:30:23,655
he has vowed never to allow
a single refugee

564
00:30:24,155 —> 00:30:25,865
onto our shores again.

565
00:30:26,366 —> 00:30:28,201
Does my husband know of this?

566
00:30:28,535 —> 00:30:30,286
Yes, I'm afraid so.

567
00:30:34,833 —> 00:30:38,336
Well, thank you very much,

Mr. Malin.

568

00:30:39,838 —> 00:30:41,005

Thank you.

569

00:30:51,015 —> 00:30:52,350

[door closes]

570

00:30:55,562 —> 00:30:58,982

Missy, can you put me through

to Franklin, please?

571

00:30:59,524 —> 00:31:01,317

Yes, I'll hold.

572

00:31:25,091 —> 00:31:26,050

Pa is on his way.

573

00:31:26,885 —> 00:31:28,761

He'll be here

in a couple of hours.

574

00:31:29,262 —> 00:31:32,265

Oh, good. Thank you, dear.

575

00:31:33,558 —> 00:31:34,893

And Eleanor?

576

00:31:36,227 —> 00:31:37,604

I'm here.

577

00:31:40,231 —> 00:31:41,566

Oh.

578

00:31:58,291 —> 00:31:59,626

You know...

579

00:32:02,420 —> 00:32:04,547

I never thought you were

580

00:32:05,965 —> 00:32:09,719

the right wife for my Franklin.

581

00:32:10,303 —> 00:32:14,349

I always pictured

someone less...

582

00:32:15,141 —> 00:32:17,977

[chuckles] ...complicated.

583

00:32:20,104 —> 00:32:25,443

You've always done

what you believed in.

584

00:32:28,446 —> 00:32:31,574

Nobody could fault you for that.

585

00:32:37,664 —> 00:32:42,418

I'm grateful

that Franklin found you.

586

00:32:44,170 —> 00:32:45,505

Huh.

587

00:32:46,839 —> 00:32:51,135

An extraordinary man deserves...

588

00:32:52,804 —> 00:32:55,348

an extraordinary woman.

589

00:33:01,145 —> 00:33:02,647

Oh, Mother.

590

00:33:06,651 —> 00:33:10,029

You're quite extraordinary

yourself.

591

00:33:10,697 —> 00:33:12,031

Hmm.

592

00:33:16,327 —> 00:33:17,620

[softly] Thank you.

593

00:33:27,338 —> 00:33:28,673

Ah.

594

00:33:41,019 —> 00:33:42,020

[presenter] Deep inside Alabama

595

00:33:42,729 —> 00:33:45,231

is a famous school

called the Tuskegee Institute.

596

00:33:46,065 —> 00:33:48,568

It has graduated

many thousands into agriculture,

597

00:33:49,068 —> 00:33:50,236

into science, into industry.

598

00:33:51,070 —> 00:33:52,989

This school

was the first of its kind,

599

00:33:53,573 —> 00:33:55,199

and its founder,

Booker T. Washington,

600

00:33:56,159 —> 00:33:59,328

was a pioneer who broke open

a road for others to follow.

601

00:34:00,204 —> 00:34:02,248

He lifted the veil of ignorance

from his people,

602

00:34:03,207 —> 00:34:07,587

and pointed the way to progress

through education and industry.

603

00:34:11,215 —> 00:34:13,217

[school bell rings]

604

00:34:14,260 —> 00:34:15,595

[young Michelle] Dang it.

605

00:34:17,263 —> 00:34:18,765

[inhales sharply]

606

00:34:22,060 —> 00:34:24,103

[chattering]

607

00:34:36,282 —> 00:34:39,577

Excuse me.

It's Michelle Robinson.

608

00:34:42,747 —> 00:34:43,664

Oh, hi, Michelle.

609

00:34:44,290 —> 00:34:47,126

Uh, we were supposed to meet

27 minutes ago.

610

00:34:48,127 —> 00:34:49,754

Oh, my goodness. I'm so sorry.

611

00:34:50,463 —> 00:34:52,757

Our meeting must've

just fallen through the cracks.

612

00:34:53,132 —> 00:34:53,800

Please, come in.

613

00:34:54,467 —> 00:34:56,844

I've just been so busy

filling out this report.

614

00:34:57,470 —> 00:34:59,597

I'm so sorry about that.

Here, please have a seat.

615

00:35:00,139 —> 00:35:02,141

I'll be with you

in just one second.

616

00:35:06,479 —> 00:35:08,648

[typing]

617

00:35:18,282 —> 00:35:21,702

Okay. [clears throat] Oh.

What am I looking at here?

618

00:35:22,286 —> 00:35:24,705

Uh, my report cards,

test scores,

619

00:35:25,414 —> 00:35:27,416

a few news clippings

about my accomplishments.

620

00:35:28,334 —> 00:35:30,294

Um, as you can see,

I've excelled in academics,

621

00:35:31,170 —> 00:35:34,298

in extracurricular activities

and community service.

622

00:35:35,508 —> 00:35:36,968

Oh, I almost forgot.

623

00:35:37,426 —> 00:35:39,178

I'm also a member

624

00:35:39,679 —> 00:35:41,973

of the National Honor Society.

625

00:35:42,515 —> 00:35:46,561

[gasps] Wow. Uh... Thi...

626

00:35:47,019 —> 00:35:49,981

[chuckles] I love this spirit.

627

00:35:50,356 —> 00:35:51,774

[both chuckle]

628

00:35:52,191 —> 00:35:56,821

I have... Um, yes.

629

00:35:58,197 —> 00:36:00,158

I have some info

on some local universities

630

00:36:00,783 —> 00:36:03,619

that I think would be

a great fit for you.

631

00:36:04,537 —> 00:36:08,332

Oh. Uh, that's not necessary.

I already know where I'm going.

632

00:36:09,167 —> 00:36:11,878

Princeton,

and then Harvard Law after that.

633

00:36:12,336 —> 00:36:13,421

[chuckles]

634

00:36:14,338 —> 00:36:16,007

Well, that's certainly

a very ambitious goal.

635

00:36:16,507 —> 00:36:18,092

- [both chuckle]

- Yeah.

636

00:36:18,676 —> 00:36:20,928

But I think

it would be a good idea

637

00:36:21,512 —> 00:36:24,182

to widen your search just a bit.

638

00:36:24,682 —> 00:36:26,350

Uh, but that's where I wanna go.

639

00:36:26,893 —> 00:36:28,102

I mean,

why should I waste my time

640

00:36:28,728 —> 00:36:30,396

applying to schools

I'm not interested in?

641

00:36:31,230 —> 00:36:33,191

Well, your accomplishments

at a school like Whitney

642

00:36:33,733 —> 00:36:36,861

are certainly...

very impressive.

643

00:36:37,361 —> 00:36:39,363

- [chuckles]

- I, um...

644

00:36:40,031 —> 00:36:42,283

[clicks tongue] I'm not...

645

00:36:42,909 —> 00:36:46,913

I'm not sure that
you're quite Princeton material.

646
00:36:53,211 —> 00:36:54,962
- Um...
- Look, I know

647
00:36:55,755 —> 00:36:58,007
your brother, Craig, is there
now on a basketball scholarship.

648
00:36:58,716 —> 00:37:01,302
But I don't see any
involvement in athletics and...

649
00:37:01,928 —> 00:37:03,554
Princeton doesn't give out
athletic scholarships.

650
00:37:04,430 —> 00:37:06,474
How do you not know that?
You're a guidance counselor.

651

00:37:07,266 —> 00:37:10,603
Okay. There's no need to
have an attitude, miss.

652
00:37:12,772 —> 00:37:14,982
Remember, I'm here
to help you out.

653
00:37:15,942 —> 00:37:17,443
And my advice
is that you consider

654
00:37:18,277 —> 00:37:21,405
whether your school of choice
is the right...

655
00:37:22,406 —> 00:37:25,284
culture fit. Hmm?

656
00:37:28,454 —> 00:37:31,707
Think about it.
These are wonderful schools.

657

00:37:33,584 —> 00:37:34,877
I'm so sorry.

658
00:37:35,628 —> 00:37:36,462
I've got to get back,

659
00:37:37,296 —> 00:37:39,799
but thank you so much
for coming in, Michelle.

660
00:37:56,440 —> 00:37:58,985
I'm sorry.
Uh, what exactly about me

661
00:37:59,652 —> 00:38:02,280
isn't the right culture fit
for Princeton? Hmm?

662
00:38:02,947 —> 00:38:07,326
Is it the way that I dress
or talk or my hair

663
00:38:07,994 —> 00:38:10,329

or something else

you're just not saying?

664

00:38:11,497 —> 00:38:13,833

Please, be specific.

665

00:38:17,420 —> 00:38:20,464

[counselor] I just don't want

you to be disappointed.

666

00:38:35,855 —> 00:38:37,857

[line ringing]

667

00:38:38,482 —> 00:38:40,401

- [Santita] Hey, Mich.

- Santita! Hey, girl.

668

00:38:41,319 —> 00:38:43,821

- How you doing?

- I'm good. Can't complain.

669

00:38:44,322 —> 00:38:45,323

Or I can, but I'm not going to.

670

00:38:45,865 —> 00:38:47,325

[chuckles] I hear that.

671

00:38:47,950 —> 00:38:49,910

- Yeah, what's up?

- I saw your email

672

00:38:50,536 —> 00:38:52,038

about the commencement speech

at Tuskegee.

673

00:38:52,830 —> 00:38:54,790

Yeah, I already told them

that you were probably too busy.

674

00:38:55,374 —> 00:38:57,752

I am too busy, but...

[sighs]

675

00:38:58,169 —> 00:38:59,170

...I wanna do it.

676

00:38:59,545 —> 00:39:00,171

For real?

677

00:39:00,671 —> 00:39:02,173

I will make the time.

678

00:39:02,798 —> 00:39:04,425

Oh, they're gonna be

over the moon.

679

00:39:05,009 —> 00:39:06,385

I'll get my team

to get in touch.

680

00:39:06,886 —> 00:39:10,389

Oh, great. This is huge, Mich.

681

00:39:10,848 —> 00:39:12,016

Thank you.

682

00:39:12,558 —> 00:39:13,976

Bye, girl.

683

00:39:23,486 —> 00:39:24,820

[groans softly]

684

00:39:28,532 —> 00:39:32,244

You are in some hot water

with Val.

685

00:39:32,703 —> 00:39:33,579

- Tuskegee?

- Uh-huh.

686

00:39:34,413 —> 00:39:35,664

You're not consulting

the West Wing any more?

687

00:39:36,540 —> 00:39:39,502

I know exactly how

that conversation would go.

688

00:39:40,711 —> 00:39:43,130

"The West Wing is concerned

that white people...

689

00:39:43,839 —> 00:39:47,593

white voters might be scared

that a Black First Lady

690

00:39:48,386 —> 00:39:51,972

is talking to a Black audience

about race"?

691

00:39:52,598 —> 00:39:55,726

[chuckles] Yeah,

that's about the sum of it.

692

00:39:56,102 —> 00:39:57,520

[Michelle] Yeah. So...

693

00:39:58,396 —> 00:40:01,732

[clicks tongue] So, I...

I probably can't stop you.

694

00:40:01,941 —> 00:40:03,150

Damn right.

695

00:40:04,693 —> 00:40:07,321

Well, hey, I understand that

it's a Black college, right?

696

00:40:08,197 —> 00:40:11,117

But as you know, we're always

talking to a national audience.

697

00:40:11,575 —> 00:40:12,368

- Right?

- Mm-hmm.

698

00:40:12,952 —> 00:40:15,538

So, hit 'em with those

hard truths, sure.

699

00:40:16,414 —> 00:40:18,749

All right? But I think

it will be more effective

700

00:40:19,708 —> 00:40:24,964

if you can tie 'em to

our common goals as a nation.

701

00:40:27,091 —> 00:40:28,467

Just my two cents.

702

00:40:38,561 —> 00:40:40,062

I want those Black kids

at Tuskegee

703

00:40:40,771 —> 00:40:44,316

to know that we feel their pain,

share their fears,

704

00:40:44,817 —> 00:40:46,068

and that their lives matter too.

705

00:40:46,777 —> 00:40:49,071

And I want our own children

to know how we feel.

706

00:40:49,780 —> 00:40:51,824

And I want those news channels

to listen and eat it,

707

00:40:52,741 —> 00:40:54,702

and to hell with their,

"This isn't the America I know."

708

00:40:55,578 —> 00:40:57,037

- Fuck holding back.

- So you just wanna play

709

00:40:57,663 —> 00:40:59,498

right into the hands of

the conservative media?

710

00:40:59,999 —> 00:41:01,083

Just give 'em what they want?

711

00:41:01,750 —> 00:41:03,794

Those murders happened

while we were here, Barack.

712

00:41:04,170 —> 00:41:06,839

I know that, Michelle.

713

00:41:08,132 —> 00:41:10,509
I am still
a Black man in America.

714
00:41:11,010 —> 00:41:12,553
You don't think I wanna pop off

715
00:41:13,179 —> 00:41:16,849
every time I see another
unarmed Black kid get shot?

716
00:41:18,142 —> 00:41:19,935
You know I wanna be out there
on those streets,

717
00:41:20,519 —> 00:41:23,189
marching right along with
those kids.

718
00:41:24,023 —> 00:41:26,984
But that's not our reality.

719
00:41:27,610 —> 00:41:29,695

- Because we're the First Family?

- Yeah.

720

00:41:30,529 —> 00:41:34,200

But, Barack, we're

the first Black First Family.

721

00:41:35,951 —> 00:41:40,664

And we've been called nigger

in every way possible.

722

00:41:42,500 —> 00:41:45,127

For once, let's be the niggers.

723

00:41:46,003 —> 00:41:47,630

[sighs]

724

00:41:57,723 —> 00:41:59,058

[softly] Okay.

725

00:42:06,023 —> 00:42:07,483

Now, how many of them...

726

00:42:07,900 —> 00:42:09,193

[breathes heavily]

727

00:42:10,194 —> 00:42:11,529

Uh-oh, Craig.

Mich just got home.

728

00:42:12,154 —> 00:42:14,573

Look like something got her

good and mad.

729

00:42:17,243 —> 00:42:19,203

[Marian] I'm gonna

see about your sister.

730

00:42:19,578 —> 00:42:20,246

[groans]

731

00:42:20,704 —> 00:42:21,664

[Craig] Bye, Mom.

732

00:42:22,540 —> 00:42:23,874

[softly] All right,

now that your mother's gone,

733

00:42:24,750 —> 00:42:27,962

tell me how's it going

with the ladies? [chuckles]

734

00:42:28,546 —> 00:42:30,256

[Craig] How much time you got?

735

00:42:32,758 —> 00:42:35,261

So, what happened?

736

00:42:36,929 —> 00:42:40,558

Counselor said I wasn't

"Princeton material."

737

00:42:41,767 —> 00:42:44,019

That's what she said.

738

00:42:44,728 —> 00:42:46,105

What do you think?

739

00:42:48,107 —> 00:42:49,942

I don't know.

740

00:42:51,068 —> 00:42:52,695

What if she's right?

741

00:42:53,571 —> 00:42:55,197

Let me ask you a question.

742

00:42:56,615 —> 00:42:59,660

Why did hearing that

from your counselor

743

00:43:00,244 —> 00:43:01,370

make you so angry?

744

00:43:02,913 —> 00:43:05,541

Because why can't a Black kid

go to an Ivy League school

745

00:43:05,958 —> 00:43:07,585

without playing a sport?

746

00:43:08,210 —> 00:43:09,253

I mean, she's wrong.

747

00:43:10,254 —> 00:43:13,340

And there it is.

She's dead wrong.

748

00:43:13,799 —> 00:43:14,592

And if there's two things

749

00:43:15,217 —> 00:43:19,430

I know about

Michelle LaVaughn Robinson,

750

00:43:19,930 —> 00:43:20,889

she's sharp as a whip.

751

00:43:21,765 —> 00:43:26,103

And nobody is gonna tell her

what she's not gonna do.

752

00:43:26,729 —> 00:43:28,147
So I don't wanna hear
any more of this

753
00:43:28,647 —> 00:43:30,316
"What if I'm not good enough?"

754
00:43:30,774 —> 00:43:32,776
Ma... [sighs]

755
00:43:35,946 —> 00:43:37,656
You understand me?

756
00:43:42,119 —> 00:43:42,953
Yes, ma'am.

757
00:43:43,162 —> 00:43:44,663
[chuckles]

758
00:43:52,630 —> 00:43:55,341
[applause]

759

00:44:06,810 —> 00:44:07,603
I know many of you

760
00:44:08,187 —> 00:44:10,147
will be thinking
of the many heroes

761
00:44:10,689 —> 00:44:13,192
that Tuskegee has produced.

762
00:44:14,151 —> 00:44:15,944
The airmen who faced bigotry

763
00:44:16,820 —> 00:44:20,366
even as they fought
for our country in World War II.

764
00:44:21,992 —> 00:44:26,038
Perhaps you feel pressure
to live up to that legacy.

765
00:44:27,289 —> 00:44:31,043
Pressure to meet

the expectations of others.

766
00:44:32,711 —> 00:44:33,712
I get it.

767
00:44:34,380 —> 00:44:38,384
And all that is gonna be
a heavy burden to carry.

768
00:44:39,134 —> 00:44:40,886
It can feel isolating.

769
00:44:41,679 —> 00:44:42,304
It can make you feel like

770
00:44:42,888 —> 00:44:45,265
your life
somehow doesn't matter.

771
00:44:46,392 —> 00:44:49,103
And we've seen
over the past few years,

772

00:44:49,520 —> 00:44:51,105

those feelings are real.

773

00:44:52,398 —> 00:44:54,775

They're rooted in decades

of structural challenges

774

00:44:55,734 —> 00:44:59,738

that have made too many folks

feel frustrated and invisible.

775

00:45:00,406 —> 00:45:03,909

As the first

African American First Lady,

776

00:45:04,743 —> 00:45:07,955

I was the focus of speculations

and conversations

777

00:45:08,831 —> 00:45:13,377

rooted in fears

and misperceptions of others.

778

00:45:15,045 —> 00:45:18,132

Was I too loud, or too angry,

779

00:45:18,507 —> 00:45:20,426

or too emasculating?

780

00:45:21,760 —> 00:45:24,054

My indignities are nothing

compared to

781

00:45:24,930 —> 00:45:27,975

what many Black folks

deal with every single day.

782

00:45:28,851 —> 00:45:32,187

Police brutality

and severe racial injustice,

783

00:45:32,771 —> 00:45:35,566

decades of

institutional inequality

784

00:45:36,066 —> 00:45:38,277
playing out in communities.

785
00:45:39,069 —> 00:45:42,364
Like you, I am pained

786
00:45:43,741 —> 00:45:47,119
and exhausted
by these heartbreaking videos.

787
00:45:48,078 —> 00:45:50,789
It is not enough
to bear witness.

788
00:45:51,373 —> 00:45:54,626
This war on Black people
must stop.

789
00:45:55,043 —> 00:45:58,255
[applause]

790
00:45:59,465 —> 00:46:01,467
She's really going for it.

791

00:46:02,301 —> 00:46:02,968

Yeah, she is.

792

00:46:03,802 —> 00:46:06,263

My daughters

have taught me so much.

793

00:46:06,930 —> 00:46:09,391

And I am inspired

by the strength

794

00:46:09,975 —> 00:46:11,643

and the fortitude

of young people.

795

00:46:12,144 —> 00:46:14,605

You are our conscience.

796

00:46:15,147 —> 00:46:16,315

You hold us to account

797

00:46:16,815 —> 00:46:19,234
and you urge us to do better.

798
00:46:19,818 —> 00:46:24,323
And I want
every one of you to know

799
00:46:25,949 —> 00:46:29,161
your dreams matter.

800
00:46:30,454 —> 00:46:33,332
Your hopes matter.

801
00:46:34,166 —> 00:46:36,960
Your future matters.

802
00:46:38,086 —> 00:46:39,588
You matter.

803
00:46:40,130 —> 00:46:41,507
[applause, cheering]

804

00:46:41,965 —> 00:46:43,425
Thank you.

805
00:46:44,134 —> 00:46:46,303
[cheering, whooping]

806
00:46:46,970 —> 00:46:49,598
- [chuckles]
- [Michelle] Thank you.

807
00:46:50,015 —> 00:46:50,808
Thank you.

808
00:46:51,308 —> 00:46:52,434
[Wilson] Sir, if I may say,

809
00:46:53,018 —> 00:46:55,521
you should be very proud
of your wife.

810
00:47:00,150 —> 00:47:01,360
Sir.

811

00:47:02,444 —> 00:47:05,531

Thank you, Wilson. And yeah...

812

00:47:06,156 —> 00:47:07,366

Thank you.

813

00:47:09,493 —> 00:47:10,869

...I am.

814

00:47:28,387 —> 00:47:32,057

What do you think?

The, uh, Indian raw silk,

815

00:47:32,349 —> 00:47:35,561

or Kravet silk?

816

00:47:36,520 —> 00:47:38,522

Uh, the first one?

817

00:47:41,567 —> 00:47:43,902

Hmm. Though the Kravet

818

00:47:44,528 —> 00:47:46,780

does blend in nicely with

the evening light,

819

00:47:47,364 —> 00:47:50,033

don't you think?

Oh, I forgot to ask.

820

00:47:50,868 —> 00:47:52,494

If... If it were up to you,

would you choose

821

00:47:53,078 —> 00:47:56,915

wrought iron fireplace tools

or brass?

822

00:47:58,166 —> 00:47:59,209

What would the president like?

823

00:47:59,585 —> 00:48:00,586

I haven't the foggiest

824

00:48:01,378 —> 00:48:05,424
and since he's out of town
once again, I can't ask him.

825
00:48:08,051 —> 00:48:09,261
Brass?

826
00:48:10,387 —> 00:48:14,349
I think you're right.
Thank you, Bruce!

827
00:48:15,058 —> 00:48:16,393
Ma'am.

828
00:48:22,733 —> 00:48:26,361
Thank you, dear. I missed you.

829
00:48:35,454 —> 00:48:37,581
- Cheers, darling.
- Cheers.

830
00:48:40,584 —> 00:48:41,460
Mm.

831

00:48:42,085 —> 00:48:44,713

Fresh lime

from our tree in the backyard.

832

00:48:45,130 —> 00:48:46,632

Isn't that something?

833

00:48:48,133 —> 00:48:49,551

Look at that.

834

00:48:51,595 —> 00:48:54,389

We really are retiring

in paradise, aren't we?

835

00:48:54,598 —> 00:48:56,391

Mm.

836

00:48:57,142 —> 00:48:58,352

House looks wonderful.

837

00:48:59,436 —> 00:49:01,563

Yes, well, I can't take
all the credit.

838
00:49:02,105 —> 00:49:04,316
Agent Bruce
has a pretty good eye.

839
00:49:08,946 —> 00:49:10,489
I've got a couple other
quick trips this week.

840
00:49:11,114 —> 00:49:12,574
I'm going to Detroit
for a speech at Stroh's,

841
00:49:13,158 —> 00:49:14,242
and then over
to Casper, Wyoming,

842
00:49:15,118 —> 00:49:16,954
- for a golf barbecue event.
- When are you leaving?

843

00:49:17,579 —> 00:49:19,498

I told you, Betty.

Tomorrow morning.

844

00:49:20,457 —> 00:49:22,417

I'll be back before you know it.

845

00:49:24,294 —> 00:49:25,003

Now, mother.

846

00:49:25,587 —> 00:49:28,548

- Don't "mother" me, Jerry.

- [sighs]

847

00:49:29,967 —> 00:49:35,013

Retirement isn't going

out of town every week.

848

00:49:36,181 —> 00:49:37,975

[sighs]

849

00:50:11,008 —> 00:50:12,467

[agent] Good night, ma'am.

850

00:50:14,219 —> 00:50:15,679

Good night, John.

851

00:50:24,646 —> 00:50:26,106

[chattering, laughter

in the distance]

852

00:50:26,690 —> 00:50:29,026

[music playing in the distance]

853

00:50:30,694 —> 00:50:32,195

[grunts softly]

854

00:50:45,208 —> 00:50:46,585

[sighs]

855

00:50:55,719 —> 00:50:58,096

Oh, for Chrissake.

856

00:50:58,597 —> 00:51:00,766

- [music playing]

- [chattering]

857

00:51:32,130 —> 00:51:35,801

Well, hello there.

Hey, everybody, look who's here.

858

00:51:36,468 —> 00:51:39,971

It's the First Lady

right in my own backyard!

859

00:51:40,430 —> 00:51:42,057

[chuckles]

860

00:51:42,474 —> 00:51:45,143

Betty Ford. [squeals]

861

00:51:45,644 —> 00:51:47,145

It's Barbara Knickerbocker.

862

00:51:47,771 —> 00:51:50,565

[chuckles] I mean, Firestone.

Leonard's wife.

863

00:51:50,941 —> 00:51:52,025

Barbara, nice to see you.

864

00:51:52,651 —> 00:51:54,444

Oh, please call me Nicky.

Everybody else does.

865

00:51:55,320 —> 00:51:57,322

Oh, we were wondering

when we would run into you.

866

00:51:58,115 —> 00:51:59,324

I guess a party

finds everyone eventually.

867

00:52:00,158 —> 00:52:03,120

- [Leonard] Eventually.

- What are you drinking?

868

00:52:03,912 —> 00:52:07,124

Oh, uh, gin and tonic.

869

00:52:07,749 —> 00:52:08,959

[Leonard] Gin and tonic

coming up.

870

00:52:09,501 —> 00:52:11,628

- [Nicky] We have that.

- [chuckles]

871

00:52:13,171 —> 00:52:15,298

[chattering]

872

00:52:24,808 —> 00:52:25,892

- Betty!

- To Betty!

873

00:52:26,309 —> 00:52:28,520

[all] Cheers!

874

00:52:28,979 —> 00:52:31,481

- [music playing]

- [whooping]

875

00:52:31,815 —> 00:52:34,151

[chattering]

876

00:52:37,821 —> 00:52:39,656

[guest whoops]

877

00:52:45,495 —> 00:52:50,333

[mouthing]

This last dance tonight

878

00:53:10,562 —> 00:53:12,731

[music continues

in the distance]

879

00:53:21,907 —> 00:54:12,790

Tonight

EP9: Rift

1

00:00:09,781 —> 00:00:11,116

[Susan] Mom?

2

00:00:12,283 —> 00:00:13,618

Mom?

3

00:00:14,494 —> 00:00:16,830

- Mom! Mom!

- [Betty grunting]

4

00:00:17,789 —> 00:00:19,415

Are you okay?

5

00:00:20,792 —> 00:00:22,752

[Betty grunts softly]

6

00:00:23,461 —> 00:00:24,838

What happened?

7

00:00:27,298 —> 00:00:30,343

I don't know. I...

8

00:00:31,469 —> 00:00:33,805

Oh, I-I must have fallen.

9

00:00:34,180 —> 00:00:35,807

[sighs]

10

00:00:37,350 —> 00:00:41,146

Oh. I didn't know

you were coming.

11

00:00:44,315 —> 00:00:46,484

[moans] Are you hungry?

12

00:00:47,318 —> 00:00:48,778

Shall I make you a sandwich?

13

00:00:49,195 —> 00:00:51,531

[breathes shakily]

14

00:00:51,823 —> 00:00:52,907

No, I, um...

15

00:00:54,159 —> 00:00:56,243

I'm gonna turn the shower on,

and I can...

16

00:00:56,327 —> 00:00:57,704

I can make us both something.

17

00:01:01,374 —> 00:01:03,543

[breathes deeply]

18

00:01:15,388 —> 00:01:16,890

[moans]

19

00:01:36,201 —> 00:01:37,702

[moans softly]

20

00:01:39,913 —> 00:01:40,914

[sighs]

21

00:01:41,331 —> 00:01:43,499

[shower running]

22

00:02:18,743 —> 00:02:20,745

Thank you, honey.

23

00:02:24,958 —> 00:02:27,709

I guess soup

is about all I can handle

24

00:02:27,794 —> 00:02:30,285

at the moment with this tooth.

25

00:02:30,832 —> 00:02:33,424

I called the dentist

and made you an appointment.

26

00:02:35,468 —> 00:02:36,934

How are you?

27

00:02:37,019 —> 00:02:39,806

Are you happy

in your new apartment?

28

00:02:43,434 —> 00:02:45,603

Mom, how... how did this happen?

29

00:02:47,438 —> 00:02:49,274

I...

30

00:02:50,441 —> 00:02:52,525

I suppose I...

31

- Even if only for a few days.

208

00:14:04,386 —> 00:14:08,056

A vacation,

I... can't even imagine.

209

00:14:08,141 —> 00:14:10,074

[chuckles]

210

00:14:17,483 —> 00:14:20,083

Here we are, you know,

211

00:14:21,278 —> 00:14:23,530

after all these years.

212

00:14:23,614 —> 00:14:25,088

Yes.

213

00:14:27,493 —> 00:14:30,078

You know, earlier today,

I was thinking about

214

00:14:30,162 —> 00:14:33,304

what a difficult time

Mother had given you.

215

00:14:33,499 —> 00:14:36,099

- No, she did?

- [laughing]

216

00:14:36,252 —> 00:14:38,601

[both laugh]

217

00:14:39,171 —> 00:14:41,813

I wish she could see you now.

218

00:14:42,800 —> 00:14:46,359

Single-handedly representing

our nation across the globe.

219

00:14:46,637 —> 00:14:50,389

Oh, she'd just say, "Step back

220

00:14:50,474 —> 00:14:52,768

- and let your husband shine."

- [chuckles]

221

00:14:52,852 —> 00:14:56,369

"Stop drawing

all the attention, Eleanor.

222

00:14:56,522 —> 00:14:58,273

Be a proper wife."

223

00:14:58,357 —> 00:14:59,663

"Proper."

224

00:15:00,151 —> 00:15:05,170

Proper is not a word

I would use to describe you.

225

00:15:07,825 —> 00:15:09,966

Singular, maybe.

226

00:15:11,328 —> 00:15:14,748
Formidable. Relentless.

227
00:15:14,832 —> 00:15:16,764
[both chuckle]

228
00:15:19,336 —> 00:15:21,144
Irreplaceable.

229
00:15:28,846 —> 00:15:30,695
Mmm.

230
00:15:35,644 —> 00:15:39,662
Your mother did do
one thing for me which...

231
00:15:40,691 —> 00:15:43,777
I will always be grateful.

232
00:15:43,861 —> 00:15:45,210
What?

233

00:15:45,738 —> 00:15:49,005
She insisted we stay together.

234
00:15:49,366 —> 00:15:51,049
[Franklin] Hmm.

235
00:15:54,538 —> 00:15:56,221
[chuckles softly]

236
00:15:57,583 —> 00:16:00,058
A team to the end.

237
00:16:00,377 —> 00:16:02,185
Yes.

238
00:16:06,217 —> 00:16:08,149
I missed you.

239
00:16:14,225 —> 00:16:15,809
[knocking]

240
00:16:15,893 —> 00:16:17,867

Come in.

241

00:16:21,440 —> 00:16:23,289

Mr. President. Madam First Lady.

242

00:16:23,609 —> 00:16:26,751

- Sir, they're waiting for you.

- Thank you.

243

00:16:30,074 —> 00:16:32,549

[Eleanor groans]

244

00:16:34,245 —> 00:16:36,010

[Franklin grunts]

245

00:16:40,584 —> 00:16:42,267

Thank you.

246

00:16:47,424 —> 00:16:49,107

[laughter, chattering]

247

00:16:49,426 —> 00:16:51,678

CNN said that Hillary
has an 11-point lead.

248
00:16:51,762 —> 00:16:53,680
Well, you can't
trust polls, honey.

249
00:16:53,764 —> 00:16:55,070
[phone chimes]

250
00:16:55,266 —> 00:16:56,641
Hey, I can see that phone,
put it away.

251
00:16:56,725 —> 00:16:59,325
- Yeah. It's all right.
- Mom?

252
00:16:59,603 —> 00:17:01,149
Oh. I'm gonna miss these views.

253
00:17:01,272 —> 00:17:03,565
- [laughs]

- Mm-hmm. The hour cometh.

254

00:17:03,649 —> 00:17:05,192

- Yes.

- Thought you'd be happy?

255

00:17:05,276 —> 00:17:06,526

I am. [sighs]

256

00:17:06,610 —> 00:17:09,627

I just want this election

to be over.

257

00:17:09,822 —> 00:17:11,337

Mom, why are you stressing?

258

00:17:11,657 —> 00:17:13,366

We're about to have

our first woman president.

259

00:17:13,450 —> 00:17:14,868

- Mmm.

- That could've been you.

260

00:17:14,952 —> 00:17:17,537

- No, no, no, no, no, no.

- [laughing] It could have.

261

00:17:17,621 —> 00:17:21,723

No. I'm still worried

if Hillary will get the votes.

262

00:17:22,001 —> 00:17:23,752

- [Marian] She's ahead.

- [phone chimes]

263

00:17:23,836 —> 00:17:26,880

- Yeah.

- [Malia] Mmm. I don't know.

264

00:17:26,964 —> 00:17:28,479

Hey. Phone.

265

00:17:28,799 —> 00:17:30,717

Yeah, but Trump can't win.

That would be crazy.

266

00:17:30,801 —> 00:17:34,261

No, we passed crazy

when he got the GOP nomination.

267

00:17:34,346 —> 00:17:37,132

Yeah. Well, you know, uh,

Hillary wants Mom to speak,

268

00:17:37,536 —> 00:17:39,768

but Valerie's saying that

they're having some difficulty

269

00:17:39,852 —> 00:17:41,436

getting through

to the East Wing.

270

00:17:41,520 —> 00:17:42,896

Hillary doesn't need my help.

271

00:17:42,980 —> 00:17:44,898

She could be

the secret weapon, right?

272

00:17:44,982 —> 00:17:48,166

- Michelle Obama. Michelle Obama.

- [laughter]

273

00:17:48,485 —> 00:17:50,946

[Barack] I can see that phone.

Put it away.

274

00:17:51,030 —> 00:17:52,670

[laughter]

275

00:17:53,157 —> 00:17:55,700

You just said you were worried

she wouldn't get elected.

276

00:17:55,784 —> 00:17:57,702

- [Sasha] Yeah.

- Okay.

277

00:17:57,786 —> 00:18:00,261

- [phone chimes]

- Hey, Malia, phone.

278

00:18:00,497 —> 00:18:02,305

Seriously, put it away.

279

00:18:03,256 —> 00:18:05,418

[Donald Trump] I gotta use

some Tic Tacs just in case

280

00:18:05,502 —> 00:18:06,878

- I start kissing her.

- What?

281

00:18:06,962 —> 00:18:08,713

- Mom.

- I'm automatically attracted

282

00:18:08,797 —> 00:18:10,590

to beautiful...

I just start kissing them.

283

00:18:10,674 —> 00:18:13,420

It's like a magnet.

Just kiss. I don't even wait.

284

00:18:13,552 —> 00:18:16,429

And when you're a star, they let

you do it. You can do anything.

285

00:18:16,513 —> 00:18:19,266

- [Billy Bush] Whatever you want.

- [Trump] Grab 'em by the pussy.

286

00:18:19,350 —> 00:18:22,936

This is everywhere.

No one's gonna vote for him now.

287

00:18:23,020 —> 00:18:24,911

[phone chimes]

288

00:18:25,356 —> 00:18:26,648

Hello, how are you?

289

00:18:26,732 —> 00:18:28,942

"It's just locker room banter.

Boy talk."

290

00:18:29,026 —> 00:18:32,403

Ugh, he made it all about Bill

and his sordid past.

291

00:18:32,488 —> 00:18:35,713

Okay. Well. Bottom line,

he's still in the race,

292

00:18:35,908 —> 00:18:37,632

and not to mention her baggage.

293

00:18:38,007 —> 00:18:40,953

I mean, they just... People don't

like her. They don't trust her.

294

00:18:41,038 —> 00:18:43,424

Yeah. Well,

our news and airwaves

295

00:18:43,540 —> 00:18:44,958

had the word "pussy" on repeat.

296

00:18:45,042 —> 00:18:46,835
We need to take him
the fuck down.

297
00:18:46,919 —> 00:18:48,795
- Yes.
- [Tina] But Hillary can't do it.

298
00:18:48,879 —> 00:18:52,339
If she goes after him too hard,
she's shrill.

299
00:18:52,424 —> 00:18:55,926
She's a bitch. She's unfeminine.
She's unbecoming.

300
00:18:56,011 —> 00:18:57,597
[Mel] I know. And that is why...

301
00:18:57,763 —> 00:18:59,764
And I know you have your
issues with Hillary...

302

00:18:59,848 —> 00:19:01,474
But that is why
they keep asking for you

303
00:19:01,558 —> 00:19:03,768
to go on the campaign
trail and support her.

304
00:19:03,852 —> 00:19:05,410
And make a speech.

305
00:19:25,916 —> 00:19:27,223
You all right?

306
00:19:27,793 —> 00:19:31,060
They want me to show
up for Hillary.

307
00:19:33,048 —> 00:19:35,883
- Mm-hmm.
- We're not invited to the table

308
00:19:35,968 —> 00:19:38,818

until there's a crisis

with white women.

309

00:19:39,096 —> 00:19:41,696

And then we're in it together.

310

00:19:42,641 —> 00:19:46,325

But when we ask their support

in anything we need,

311

00:19:46,410 —> 00:19:48,885

we get, "It's a Black issue."

312

00:19:49,648 —> 00:19:51,956

I'm not wrong.

313

00:19:52,177 —> 00:19:53,609

If he wins...

314

00:19:54,153 —> 00:19:56,029

it seems to me

it's gonna be a problem

315

00:19:56,113 —> 00:19:58,921

for more than just white women.

316

00:20:01,285 —> 00:20:03,760

Sweeping music

317

00:20:32,858 —> 00:20:35,333

[doorbell rings]

318

00:20:40,782 —> 00:20:42,465

[Susan] Come in.

319

00:20:43,494 —> 00:20:45,343

Uh-huh. Mrs. Ford.

320

00:20:45,496 —> 00:20:46,928

Dr. Cruse. Oh.

321

00:20:47,206 —> 00:20:50,181

- How are you?

- What a nice surprise.

322

00:20:50,709 —> 00:20:51,751

Is this your wife?

323

00:20:51,835 —> 00:20:54,087

- [laughs] No.

- Oh. No.

324

00:20:54,171 —> 00:20:55,478

No. My name is Jenny.

325

00:20:55,797 —> 00:20:57,715

It's very nice to meet you,

Mrs. Ford.

326

00:20:57,799 —> 00:21:01,469

Nice to meet you, Jenny.

Please, sit.

327

00:21:01,553 —> 00:21:02,859

Thank you.

328

00:21:03,514 —> 00:21:05,640

[Betty] May I get you something?

Some coffee?

329

00:21:05,724 —> 00:21:07,990

- Oh. No. No.

- No. I'm good.

330

00:21:08,481 —> 00:21:10,645

Are you doing house calls now?

[laughs]

331

00:21:10,729 —> 00:21:12,772

- [laughs]

- [Susan] No, Mom,

332

00:21:12,856 —> 00:21:14,162

I-I actually called him.

333

00:21:14,525 —> 00:21:17,583

Because besides

his primary practice,

334

00:21:17,819 —> 00:21:20,503

uh, he also knows a lot about

335
00:21:20,634 —> 00:21:23,324
um, something that I...

336
00:21:23,659 —> 00:21:26,494
That I-I wanted his help
to talk to you about.

337
00:21:26,578 —> 00:21:27,884
[softly] Okay.

338
00:21:28,080 —> 00:21:30,582
[Dr. Cruse]
Um, your daughter is concerned

339
00:21:30,666 —> 00:21:32,833
about the amount of alcohol

340
00:21:32,918 —> 00:21:36,561
and pain medication
you're taking, Mrs. Ford.

341

00:21:45,931 —> 00:21:48,518

I've just been worried about you

for so long.

342

00:21:48,725 —> 00:21:51,450

And you drag

my gynecologist here

343

00:21:51,535 —> 00:21:54,511

to talk to me about...

344

00:21:55,566 —> 00:21:57,525

some harebrained theory

you have.

345

00:21:57,609 —> 00:22:02,044

It's not a harebrained theory.

I didn't know what else to do.

346

00:22:02,582 —> 00:22:05,484

[Dr. Cruse] I was more than

happy to come, Mrs. Ford.

347

00:22:05,867 —> 00:22:09,802

And Jenny here has experience

with meetings like this.

348

00:22:10,581 —> 00:22:13,306

She can answer

any question that you have.

349

00:22:14,042 —> 00:22:16,503

Who do you think you are,

young lady?

350

00:22:16,587 —> 00:22:20,438

We understand this is

very difficult for everyone.

351

00:22:21,770 —> 00:22:23,509

Susan, maybe you can start

352

00:22:23,594 —> 00:22:27,278

by telling your mother

how you've been feeling.

353

00:22:27,806 —> 00:22:29,780

[breathes shakily]

354

00:22:30,642 —> 00:22:36,245

Uh... Well, I-I'm... I'm afraid

that you're going to die.

355

00:22:38,775 —> 00:22:40,625

[breathes shakily]

356

00:22:41,009 —> 00:22:42,525

That's how I feel. [sniffles]

357

00:22:42,610 —> 00:22:44,710

We're all going to die, Susan.

358

00:22:46,116 —> 00:22:48,257

We're all going to die.

359

00:22:51,288 —> 00:22:53,665

I think you both

should leave now.

360

00:22:53,749 —> 00:22:54,639

- Bruce?

- Mrs. Ford...

361

00:22:54,833 —> 00:22:56,709

- Mom, please.

- Bruce?

362

00:22:56,793 —> 00:22:58,517

[clears throat] Mrs. Ford.

363

00:22:59,087 —> 00:23:00,713

- Ma'am?

- Could you please escort

364

00:23:00,797 —> 00:23:03,049

- Dr. Cruse and his helper...

- No, that's okay.

365

00:23:03,133 —> 00:23:05,176

- That's okay. We'll... We'll go.

- Mom.

366

00:23:05,260 —> 00:23:08,096

[exhales sharply] Susan,

I want you out too. Get out!

367

00:23:08,180 —> 00:23:10,723

- Mom.

- Get out!

368

00:23:10,807 —> 00:23:13,324

[crying]

369

00:23:17,147 —> 00:23:19,613

- [continues crying]

- [door bangs shut]

370

00:23:19,816 —> 00:23:23,292

[breathing shakily, sniffling]

371

00:23:27,824 —> 00:23:29,800

[Gerald] Betty? Betty?

372

00:23:29,993 —> 00:23:32,245

[Betty] You... You could've...

[sniffling]

373

00:23:32,329 —> 00:23:34,622

You could've warned me

that my only daughter

374

00:23:34,706 —> 00:23:36,040

was trying to put me away.

375

00:23:36,124 —> 00:23:37,959

But no, you took off

to the golf course

376

00:23:38,043 —> 00:23:39,961

like you always do.

377

00:23:40,045 —> 00:23:41,477

I'm going to New York.

378

00:23:41,672 —> 00:23:45,148

I am tired

of people plotting against me.

379

00:23:45,300 —> 00:23:46,968

I want a divorce. I'm done.

380

00:23:47,052 —> 00:23:50,654

I... I have stuck by you.

381

00:23:50,847 —> 00:23:53,099

I have done everything

I was supposed to do!

382

00:23:53,183 —> 00:23:56,034

- Betty.

- What do I have to show for it?

383

00:23:56,353 —> 00:23:59,579

An ungrateful daughter and

a husband who won't protect me!

384

00:23:59,690 —> 00:24:02,124

[breathing shakily]

385

00:24:03,235 —> 00:24:04,667

Betty.

386

00:24:04,903 —> 00:24:07,614

Get away from me. Get away.

387

00:24:07,698 —> 00:24:09,381

Don't touch me.

388

00:24:10,037 —> 00:24:13,597

Don't touch me. Don't touch me!

389

00:24:43,011 —> 00:24:44,903

Ohh.

390

00:24:54,578 —> 00:24:56,887

[thunder rumbling]

391

00:25:00,459 —> 00:25:02,559

[sighs]

392

00:25:03,378 —> 00:25:04,895

Hey.

393

00:25:05,088 —> 00:25:07,898

Hey. [sniffles]

394

00:25:09,926 —> 00:25:11,526

She's sleeping.

395

00:25:12,095 —> 00:25:14,055

You were right.

It was a terrible idea.

396

00:25:14,139 —> 00:25:16,406

[softly] No, it wasn't.

397

00:25:17,793 —> 00:25:20,227

She's very sick.

398

00:25:20,757 —> 00:25:22,189

I just couldn't see it.

399

00:25:23,064 —> 00:25:26,499
You've been telling me
this whole time, and I just...

400
00:25:30,238 —> 00:25:32,547
[cries] I don't wanna lose her.

401
00:25:39,122 —> 00:25:42,224
[sniffles] I just don't know
what to do.

402
00:25:58,099 —> 00:26:00,742
[chattering]

403
00:26:05,982 —> 00:26:07,358
- Esther?
- Yes.

404
00:26:07,442 —> 00:26:09,876
Remember how Admiral Halsey

405
00:26:10,028 —> 00:26:12,363
was dead set against

Mrs. R's visit?

406
00:26:12,447 —> 00:26:16,075
"Can't waste resources
on welcoming some do-gooder."

407
00:26:16,159 —> 00:26:18,802
[people chuckling]

408
00:26:19,037 —> 00:26:20,413
[sighs]

409
00:26:20,497 —> 00:26:23,265
Listen to this quote
he gave yesterday.

410
00:26:23,875 —> 00:26:25,293
[clears throat]

411
00:26:25,377 —> 00:26:29,396
"Here is what Eleanor Roosevelt
did in 12 hours.

412

00:26:29,548 —> 00:26:33,233

She inspected

two navy hospitals,

413

00:26:33,385 —> 00:26:36,387

took a boat

to an officer's rest home

414

00:26:36,471 —> 00:26:37,903

and had lunch there.

415

00:26:38,014 —> 00:26:42,617

She returned and inspected

an army hospital.

416

00:26:44,855 —> 00:26:49,374

She reviewed the Second

Marine Raider Battalion"...

417

00:26:49,860 —> 00:26:52,236

What is that?

Wait, I'm sorry. Doesn't matter.

418

00:26:52,320 —> 00:26:54,947

Um... "She made a speech at

a service club,

419

00:26:55,031 —> 00:26:58,258

attended a reception

and was guest of honor

420

00:26:58,410 —> 00:27:01,136

at a dinner party

given by General Harmon."

421

00:27:01,246 —> 00:27:03,080

I am exhausted just

reading this.

422

00:27:03,164 —> 00:27:05,082

[laughter]

423

00:27:05,166 —> 00:27:06,417

Oh, my favorite part.

424

00:27:06,501 —> 00:27:09,769
Um, "I marveled
at her hardihood,

425
00:27:09,880 —> 00:27:11,438
both physical and mental.

426
00:27:11,590 —> 00:27:14,467
But I marveled most
at their expressions

427
00:27:14,551 —> 00:27:16,276
as she leaned over them.

428
00:27:16,428 —> 00:27:19,180
It is a sight
I will never forget."

429
00:27:19,264 —> 00:27:22,532
- [applause]
- Oh!

430
00:27:22,893 —> 00:27:27,203

Ah! A powerful man admitting
he was wrong?

431
00:27:27,355 —> 00:27:29,023
- [laughter]
- Another first.

432
00:27:29,107 —> 00:27:31,939
For someone with such
a reputation for aggression,

433
00:27:32,110 —> 00:27:35,154
I have to say I found him
to be quite the gentleman.

434
00:27:35,238 —> 00:27:36,531
And more importantly,

435
00:27:36,615 —> 00:27:40,368
how he cares
for those men in his charge

436
00:27:40,452 —> 00:27:42,218

is really quite something.

437
00:27:42,412 —> 00:27:46,014
Now, Tommy,
could you do me a favor...

438
00:27:46,625 —> 00:27:50,101
and find the address
for this soldier's parents?

439
00:27:50,295 —> 00:27:53,063
I think I've missed a letter
or a number out.

440
00:27:53,214 —> 00:27:55,686
- [Tommy] Of course.
- Thank you.

441
00:28:04,643 —> 00:28:07,019
[Tommy] With all the traveling
you're doing these days

442
00:28:07,103 —> 00:28:08,396

we ought to rent out your room.

443
00:28:08,480 —> 00:28:11,482
And give the proceeds
to the Red Cross.

444
00:28:11,566 —> 00:28:12,859
[laughter]

445
00:28:12,943 —> 00:28:14,902
I'm sure Steve Early
would love that.

446
00:28:14,986 —> 00:28:17,587
[chattering, laughter continues]

447
00:28:25,288 —> 00:28:27,889
Somber music

448
00:28:47,150 —> 00:28:49,042
[sighs]

449

00:29:49,205 —> 00:29:51,473
[sighs]

450
00:30:08,099 —> 00:30:10,033
[sighs]

451
00:30:21,237 —> 00:30:24,506
[breathes shakily]

452
00:30:28,620 —> 00:30:30,178
Hick.

453
00:30:33,541 —> 00:30:35,892
When did you get in?

454
00:30:36,795 —> 00:30:38,728
Oh, um...

455
00:30:39,798 —> 00:30:42,216
I got in late last night.
I-I didn't want to wake you up.

456

00:30:42,300 —> 00:30:44,192
You'd already gone to sleep.

457
00:30:44,302 —> 00:30:46,220
Good.
Come join me for breakfast.

458
00:30:46,304 —> 00:30:48,029
No, I have to go.

459
00:30:49,307 —> 00:30:53,519
Wh... Go? You only just got here.

460
00:30:53,603 —> 00:30:55,035
Go where?

461
00:30:55,146 —> 00:30:58,873
Oh, I've got a-a room
at the Mayflower, and I...

462
00:30:59,609 —> 00:31:02,752
I have so much work to do and
you don't need any distractions.

463

00:31:03,113 —> 00:31:05,531

Don't be silly,

you're no distraction.

464

00:31:05,615 —> 00:31:08,049

Come. Come sit with me.

465

00:31:08,284 —> 00:31:10,051

I have to go.

466

00:31:11,121 —> 00:31:13,012

I have to go.

467

00:31:13,331 —> 00:31:15,223

What is it?

468

00:31:16,626 —> 00:31:19,894

I didn't get in late last night.

I got in at...

469

00:31:20,839 —> 00:31:24,148

[sniffles]

I got in at noon yesterday

470

00:31:24,259 —> 00:31:26,234

and I came to find you, and...

471

00:31:28,429 —> 00:31:32,240

and I did... find you.

472

00:31:34,519 —> 00:31:36,729

And then I just...

I watched you. I watched you.

473

00:31:36,813 —> 00:31:38,705

I watched you working.

474

00:31:38,857 —> 00:31:41,067

Working away with...

With everyone,

475

00:31:41,151 —> 00:31:44,210

with Tommy and with Esther

and with everyone.

476

00:31:44,362 —> 00:31:45,696

Taking in

the next great triumph,

477

00:31:45,780 —> 00:31:47,448

and then on to the next,

and on to the next,

478

00:31:47,532 —> 00:31:50,124

and on to the next.

And you looked...

479

00:31:51,494 —> 00:31:53,287

You looked so...

480

00:31:53,371 —> 00:31:57,557

So alive and so beautiful,

481

00:31:57,667 —> 00:32:00,143

and determined, and just...

482

00:32:02,172 —> 00:32:04,131
so much happier
than I've seen you

483
00:32:04,215 —> 00:32:06,274
for such a long time with me.

484
00:32:06,384 —> 00:32:10,445
Oh. And you belong right there,

485
00:32:10,638 —> 00:32:12,431
right in the middle
of all of us.

486
00:32:12,515 —> 00:32:14,308
[crying] I don't
want it to be all of us.

487
00:32:14,392 —> 00:32:18,286
I always just want... I just
wanted to be the two of us.

488
00:32:19,898 —> 00:32:21,649

And you know that.

You know that.

489

00:32:21,733 —> 00:32:25,835

Please, Hick, don't be petty.

490

00:32:26,487 —> 00:32:30,715

It's not the time to be petty.

It's a serious time.

491

00:32:30,909 —> 00:32:35,928

Yes, it's not the time for...

For those dreams...

492

00:32:36,664 —> 00:32:40,292

[sighs] ...that we had

for our life together.

493

00:32:40,376 —> 00:32:42,310

They were just...

494

00:32:43,922 —> 00:32:46,173

They were just that,

in the end, weren't they?

495

00:32:46,257 —> 00:32:51,861

They were just dreams.

They were childish... dreams.

496

00:32:53,056 —> 00:32:54,864

[softly] Yes.

497

00:32:56,226 —> 00:32:58,144

[crying] Ugh.

It would be so much better

498

00:32:58,228 —> 00:33:02,038

if I didn't love

you quite so much.

499

00:33:04,275 —> 00:33:09,045

[crying] You... you belong

to the country.

500

00:33:11,449 —> 00:33:13,341

You always did.

501

00:33:16,412 —> 00:33:18,346

[sniffles]

502

00:33:19,791 —> 00:33:22,350

[breathes shakily]

503

00:33:24,963 —> 00:33:27,146

[door opens]

504

00:33:28,424 —> 00:33:30,191

[door closes]

505

00:33:37,475 —> 00:33:40,076

[chattering]

506

00:33:40,895 —> 00:33:43,647

Hillary Clinton

is a New World Order criminal.

507

00:33:43,815 —> 00:33:46,791

Hillary Clinton is going to

sell our fucking country

508

00:33:46,985 —> 00:33:49,752

to the Saudi Arabians,

you fricking idiots!

509

00:33:49,988 —> 00:33:52,406

[chanting]

...pussy came to shut it down!

510

00:33:52,490 —> 00:33:54,408

If Trump thinks

he runs this town,

511

00:33:54,492 —> 00:33:56,035

pussy came to shut it down!

512

00:33:56,119 —> 00:33:58,746

Hillary Clinton supports rape!

513

00:33:58,830 —> 00:34:00,596

[chanting] This pussy votes!

514

00:34:00,999 —> 00:34:04,101

Hillary Clinton's husband will

grope you in the White House.

515

00:34:04,186 —> 00:34:06,045

After your speech,

we fly straight out.

516

00:34:06,129 —> 00:34:07,561

Now, if you want,

517

00:34:07,672 —> 00:34:09,590

I can speak with

Secretary Clinton's people,

518

00:34:09,674 —> 00:34:11,550

see if I can get you

a few minutes to...

519

00:34:11,634 —> 00:34:14,386

No. We didn't fly here

for small talk.

520

00:34:14,470 —> 00:34:16,237

Got it.

521

00:34:16,973 —> 00:34:19,600

- Madam First Lady.

- Secretary Clinton.

522

00:34:19,684 —> 00:34:21,852

Thank you so much

for being here.

523

00:34:21,936 —> 00:34:23,896

- Thank you.

- I'm sorry we're running late.

524

00:34:23,980 —> 00:34:25,898

I hope I have the chance

to see you later.

525

00:34:25,982 —> 00:34:28,234

[presenter] Please welcome

Secretary Clinton

526

00:34:28,318 —> 00:34:29,902

to the great state

of New Hampshire.

527

00:34:29,986 —> 00:34:32,920

All of us are honored

to welcome you.

528

00:34:33,323 —> 00:34:35,282

[announcer]

Ladies and gentleman,

529

00:34:35,366 —> 00:34:38,384

the next Madam President

of the United States of America.

530

00:34:38,494 —> 00:34:40,428

Stay behind the podium.

531

00:34:40,538 —> 00:34:41,872

Do we have an ETA... Oh.

532

00:34:41,956 —> 00:34:44,625

- Madam First Lady.

- Secretary Clinton.

533

00:34:44,709 —> 00:34:46,293

Thank you so much for coming.

534

00:34:46,377 —> 00:34:48,254

- Of course.

- Yes.

535

00:34:48,338 —> 00:34:49,964

Secretary Clinton, sorry,

but the press is waiting.

536

00:34:50,048 —> 00:34:51,715

Could we have a moment

alone, please?

537

00:34:51,799 —> 00:34:53,759

- Sure.

- Just a moment.

538

00:34:53,843 —> 00:34:55,928
I will have your candidate
back in no time.

539
00:34:56,012 —> 00:34:57,888
- Sure.
- Please, just a moment.

540
00:34:57,972 —> 00:35:00,156
Of course.

541
00:35:02,560 —> 00:35:04,494
Thank you.

542
00:35:05,897 —> 00:35:08,164
[sighs]

543
00:35:12,487 —> 00:35:14,796
- [sighs]
- So...

544
00:35:15,656 —> 00:35:18,128
- That tape.

- That fucking tape.

545

00:35:18,409 —> 00:35:20,828

I can't even...

You'd think his own words

546

00:35:20,912 —> 00:35:23,346

would be enough to damn him.

547

00:35:27,043 —> 00:35:29,018

Help me.

548

00:35:30,004 —> 00:35:32,313

Please.

549

00:35:34,050 —> 00:35:38,820

I know

we both love this country,

550

00:35:39,430 —> 00:35:41,640

and we'll do anything

to stop that man

551

00:35:41,724 —> 00:35:43,934

from trashing

your husband's legacy.

552

00:35:44,018 —> 00:35:46,312

You were happy to

trash Barack in 2008.

553

00:35:46,396 —> 00:35:47,954

That was a campaign.

554

00:35:48,398 —> 00:35:51,666

"He's not a Muslim as far

as I know," end quote.

555

00:35:51,776 —> 00:35:54,695

I regret

a lot of the things I said.

556

00:35:54,779 —> 00:35:56,712

And now you need my help.

557

00:35:56,906 —> 00:35:59,799
The country, our country,
needs your help.

558
00:35:59,951 —> 00:36:02,661
Michelle, we're all
on the same side.

559
00:36:02,745 —> 00:36:04,637
We're all on the same side,

560
00:36:04,789 —> 00:36:08,224
but we're not always equal,
are we?

561
00:36:10,962 —> 00:36:13,881
We have a long way to go.
I don't deny that.

562
00:36:13,965 —> 00:36:18,526
No. We have a common enemy.

563
00:36:19,762 —> 00:36:21,863

If I go at him, call him out

564
00:36:22,098 —> 00:36:25,392
for the dishonest predator
that he is, I lose votes.

565
00:36:25,476 —> 00:36:27,410
I lose women.

566
00:36:28,062 —> 00:36:30,621
I know that
privileged white women

567
00:36:30,773 —> 00:36:32,623
have dominated the discourse.

568
00:36:32,775 —> 00:36:34,709
I hear where you're coming from.

569
00:36:34,986 —> 00:36:39,213
And when I am president,
I will not forget this exchange.

570

00:36:39,657 —> 00:36:43,551

I will be a president for

all Americans, for all women.

571

00:36:43,744 —> 00:36:46,387

But first,

we have to take him down.

572

00:36:47,457 —> 00:36:50,129

I have wanted this

all of my adult life.

573

00:36:50,460 —> 00:36:53,436

No one

is better prepared than me.

574

00:36:53,796 —> 00:36:55,228

I can do this.

575

00:36:55,631 —> 00:36:59,567

And I know for damn sure

I will do a better job than him.

576

00:37:09,854 —> 00:37:13,122

Let's go take him down.

577

00:37:14,192 —> 00:37:16,584

[sighs]

578

00:37:24,118 —> 00:37:26,093

Thank you.

579

00:37:27,538 —> 00:37:28,789

Thank you.

580

00:37:28,873 —> 00:37:31,307

- Yeah.

- Okay.

581

00:37:37,048 —> 00:37:41,802

["Signed, Sealed, Delivered I'm

Yours" playing through speakers]

582

00:37:41,886 —> 00:37:46,280

[cheering, applause]

583

00:37:48,893 —> 00:37:51,619

My goodness. [chuckles]

584

00:37:53,856 —> 00:37:56,650

My goodness,

you guys are fired up!

585

00:37:56,734 —> 00:37:59,945

[cheering]

586

00:38:00,029 —> 00:38:01,754

I am so thrilled to be here

587

00:38:01,906 —> 00:38:04,074

with you all today

in New Hampshire.

588

00:38:04,158 —> 00:38:06,118

[cheering]

589

00:38:06,202 —> 00:38:08,427

Yes.

590
00:38:09,705 —> 00:38:12,056
I'm gonna get a little serious,

591
00:38:12,166 —> 00:38:14,892
because I think we can all agree

592
00:38:15,044 —> 00:38:17,728
that this has been a rough week

593
00:38:17,838 —> 00:38:20,466
in an already rough election.

594
00:38:20,550 —> 00:38:22,733
[murmurs of agreement]

595
00:38:22,885 —> 00:38:26,278
Here I am
out on the campaign trail

596
00:38:26,722 —> 00:38:30,825

in an election where
we had consistently been hearing

597
00:38:31,018 —> 00:38:34,578
hurtful, hateful language
about women.

598
00:38:35,273 —> 00:38:40,584
Language that has been
painful for so many of us.

599
00:38:40,945 —> 00:38:44,672
The fact is
that in this election,

600
00:38:44,907 —> 00:38:48,676
we have a candidate for
president of the United States

601
00:38:48,869 —> 00:38:53,764
who, over the course
of his lifetime

602

00:38:54,125 —> 00:38:56,851
and the course of this campaign,

603
00:38:57,128 —> 00:39:00,771
has said things about women
that are so shocking,

604
00:39:01,215 —> 00:39:06,220
so demeaning that I simply will
not repeat anything here today.

605
00:39:06,304 —> 00:39:07,820
[cheering]

606
00:39:07,972 —> 00:39:12,033
And last week,
we saw this candidate

607
00:39:12,268 —> 00:39:16,078
actually bragging about
sexually assaulting women.

608
00:39:16,272 —> 00:39:18,690

This wasn't just
locker-room banter.

609
00:39:18,774 —> 00:39:21,026
- Excellent. Great.
- Okay.

610
00:39:21,110 —> 00:39:24,696
This was a powerful individual

611
00:39:24,780 —> 00:39:27,173
speaking freely and openly

612
00:39:27,325 —> 00:39:30,051
about sexually predatory
behavior.

613
00:39:30,244 —> 00:39:33,580
No woman deserves
to be treated this way.

614
00:39:33,664 —> 00:39:37,000
[cheering]

615

00:39:37,084 —> 00:39:39,310

We need to get to work.

616

00:39:39,795 —> 00:39:42,855

Because remember this,

when they go low we go...

617

00:39:42,965 —> 00:39:47,401

- [crowd] High!

- Yes, we do! Yes!

618

00:39:59,857 —> 00:40:02,693

- [Clara chuckling]

- Clara!

619

00:40:02,777 —> 00:40:06,462

[Clara] Mrs. Ford.

620

00:40:07,698 —> 00:40:10,800

Mrs. Ford. [chuckling]

621

00:40:11,327 —> 00:40:14,746
What's all this?
Is this an April Fools' joke?

622
00:40:14,830 —> 00:40:16,764
Did you know about this?

623
00:40:16,874 —> 00:40:19,683
I didn't expect to see you,
and to...

624
00:40:19,835 —> 00:40:22,311
- Betty, sit down.
- I'm early.

625
00:40:22,880 —> 00:40:24,605
Sit down, boys.

626
00:40:24,715 —> 00:40:26,607
Susan.

627
00:40:31,305 —> 00:40:33,447
Mother, everyone flew in, uh,

628

00:40:33,891 —> 00:40:39,120

because we felt it was time

we all talk, as a family.

629

00:40:40,856 —> 00:40:42,498

Who are you?

630

00:40:42,858 —> 00:40:44,750

I'm Dr. Joe Pursch.

631

00:40:44,860 —> 00:40:48,879

Doctor? What kind of doctor?

632

00:40:49,085 —> 00:40:50,574

I am a psychiatrist.

633

00:40:50,658 —> 00:40:53,384

Oh. Great.

634

00:40:54,397 —> 00:40:57,038

Your family has some things they

would like to share with you,

635
00:40:57,122 —> 00:41:00,564
and some of these things will be
very difficult for you to hear,

636
00:41:00,648 —> 00:41:05,334
but this is all because
they care about you very deeply.

637
00:41:05,418 —> 00:41:07,393
Who would like to go first?

638
00:41:11,687 —> 00:41:16,416
Mrs. Ford, I love you.
And Susan loves you too.

639
00:41:16,978 —> 00:41:20,872
And you deserve the very best
out of this life.

640
00:41:21,063 —> 00:41:23,000
The children are scared,

641

00:41:23,084 —> 00:41:26,736

but they got some things

they need to share with you.

642

00:41:26,820 —> 00:41:29,753

It's gonna be hard,

but you need to listen.

643

00:41:30,406 —> 00:41:33,659

Come on now, Michael.

Say what's on your mind.

644

00:41:33,743 —> 00:41:36,677

Lord knows

you can do that just fine.

645

00:41:38,308 —> 00:41:40,533

[Michael] Um...

646

00:41:41,459 —> 00:41:45,519

Gayle and I are thinking about

starting a family.

647

00:41:46,088 —> 00:41:48,522

[breathes shakily] But...

648

00:41:48,966 —> 00:41:51,775

given how much you drink,

649

00:41:51,886 —> 00:41:55,654

and the pills that you take...

650

00:41:56,474 —> 00:41:59,518

we don't even know

if we would feel comfortable

651

00:41:59,602 —> 00:42:01,186

bringing those children here.

652

00:42:01,270 —> 00:42:03,704

[crying]

653

00:42:07,318 —> 00:42:09,835

Well, that's quite a statement.

654

00:42:10,321 —> 00:42:13,380

I've been scared of you

since I was a kid.

655

00:42:14,450 —> 00:42:16,368

I never knew

what mood you would be in.

656

00:42:16,452 —> 00:42:20,888

The pills were one thing,

they made you kind of sleepy.

657

00:42:21,832 —> 00:42:23,807

But then you'd have a drink,

658

00:42:24,335 —> 00:42:27,728

and it was like

this poison came out of you.

659

00:42:29,089 —> 00:42:31,565

You were always so mad at me.

660

00:42:32,009 —> 00:42:35,236

[Betty] What in the hell

are you boys talking about?

661

00:42:36,931 —> 00:42:40,950

Those pills were

prescribed to me by doctors.

662

00:42:42,311 —> 00:42:45,063

[Steven] In high school,

I was cooking a lot of our meals

663

00:42:45,147 —> 00:42:47,107

because you'd tell Clara

you would do it,

664

00:42:47,191 —> 00:42:49,833

but you were always

so out of it, Mom.

665

00:42:50,152 —> 00:42:52,744

And you never ate,

so why should we?

666

00:42:52,863 —> 00:42:55,923

You'd just zone out to the TV

like a zombie.

667

00:42:56,992 —> 00:42:59,504

[Dr. Pursch]

Uh, Mr. President...

668

00:42:59,870 —> 00:43:03,415

do you have something you

would like to say to your wife?

669

00:43:03,499 —> 00:43:06,809

I just... I can't stop...

670

00:43:08,546 —> 00:43:10,922

thinking about how many drinks

I made for you

671

00:43:11,006 —> 00:43:12,731

over the years, Betty.

672

00:43:13,509 —> 00:43:16,386

About the time

I told the White House physician

673

00:43:16,470 —> 00:43:18,487

to prescribe you...

674

00:43:20,349 —> 00:43:23,075

whatever you needed,

no questions asked.

675

00:43:23,561 —> 00:43:25,812

About how I haven't

been here for you

676

00:43:25,896 —> 00:43:28,956

during the biggest transition

of our lives.

677

00:43:30,860 —> 00:43:32,668

I just couldn't...

678

00:43:33,863 —> 00:43:38,507
bear to watch you
destroy yourself like this.

679
00:43:40,870 —> 00:43:44,305
I can't help feel
that it's my fault. [Cries]

680
00:43:48,919 —> 00:43:50,853
Well...

681
00:43:54,925 —> 00:43:58,027
You've all made very...

682
00:44:00,931 —> 00:44:02,948
strong...

683
00:44:05,561 —> 00:44:07,536
statements.

684
00:44:09,398 —> 00:44:12,541
You've given me
a lot to think about.

685

00:44:14,445 —> 00:44:17,113

[breathes shakily] I've always

admired you so much...

686

00:44:17,197 —> 00:44:19,032

You don't have to say anything,

Susan.

687

00:44:19,116 —> 00:44:23,927

I think you said enough

the first time you tried this.

688

00:44:24,455 —> 00:44:27,348

I always thought

I was one of the lucky ones.

689

00:44:29,126 —> 00:44:34,563

I got to have a cool mom

who could be my friend.

690

00:44:35,966 —> 00:44:41,028

[crying] I love you more than

anything in the world, Mom.

691
00:44:44,224 —> 00:44:48,577
I wanted to be a dancer,
so I could be just like you.

692
00:44:51,565 —> 00:44:53,358
- [sniffles]
- That day you said

693
00:44:53,442 —> 00:44:55,902
that the two of us
were going away,

694
00:44:55,986 —> 00:44:57,237
just the two of us.

695
00:44:57,321 —> 00:45:01,632
I wanted so badly
for that to be true.

696
00:45:02,159 —> 00:45:05,928
But the truth is

that you were drunk.

697

00:45:06,497 —> 00:45:10,766

The truth is that you didn't

know what you were saying.

698

00:45:11,627 —> 00:45:14,269

And ever since that day...

[sniffles]

699

00:45:14,463 —> 00:45:18,565

...a part of me

has been scared for you.

700

00:45:20,177 —> 00:45:22,778

We all have.

701

00:45:25,808 —> 00:45:27,950

[sniffles]

702

00:45:30,145 —> 00:45:32,121

[sighs] Well...

703

00:45:34,316 —> 00:45:37,584

I assume you didn't all just...

704

00:45:38,529 —> 00:45:41,797

come here to humiliate me?

705

00:45:47,454 —> 00:45:49,847

What is it you'd like me to do?

706

00:45:50,666 —> 00:45:54,294

Your family wants you to go

to a rehabilitation center

707

00:45:54,378 —> 00:45:56,129

for drug and alcohol addiction.

708

00:45:56,213 —> 00:45:58,105

I am not... [scoffs]

709

00:45:58,632 —> 00:46:00,967

I am the First Lady.

I am not a drug addict,

710

00:46:01,051 —> 00:46:04,778

and I am certainly not

an alcoholic.

711

00:46:06,682 —> 00:46:11,144

Yes, I take pills, but

as I've said a million times,

712

00:46:11,228 —> 00:46:12,900

a doctor prescribed them to me.

713

00:46:13,147 —> 00:46:16,983

Do you think a doctor is going

to help me get off of them?

714

00:46:17,067 —> 00:46:19,668

[continues crying]

715

00:46:23,574 —> 00:46:25,674

[sighs]

716

00:46:35,377 —> 00:46:37,478

What would I have to do?

717

00:46:56,899 —> 00:46:58,415

[reporter] Mrs. Ford?

718

00:46:58,525 —> 00:47:00,250

00:04:01,703 —> 00:04:04,747
he rode in a rainstorm
through New York City.

67
00:04:04,831 —> 00:04:09,419
The fourth-term inauguration,
it was without precedent.

68
00:04:09,503 —> 00:04:12,130
Roosevelt was haggard
as he took the oath.

69
00:04:12,214 —> 00:04:15,884
The rumors of illness
had been well-founded.

70

00:04:17,427 —> 00:04:20,068
But he drove himself on
without mercy.

71
00:04:20,153 —> 00:04:23,699
His only concern now
is to win the war.

72
00:04:28,105 —> 00:04:31,608
[Franklin on TV]
The structure of world peace

73
00:04:31,692 —> 00:04:34,777
cannot be the work of one man...

74
00:04:34,861 —> 00:04:38,448
- [chattering]
- [speech continues on TV]

75
00:04:39,992 —> 00:04:43,578
- I haven't missed it.
- Oh, Mrs. R.

76

00:04:43,662 —> 00:04:45,371

- Hello, Tommy.

- Hello.

77

00:04:45,455 —> 00:04:46,873

I didn't realize you were back.

78

00:04:46,957 —> 00:04:49,667

...or a Russian,

a French, or a Chinese peace.

79

00:04:49,751 —> 00:04:52,086

It must be a peace

which rests on

80

00:04:52,170 —> 00:04:55,591

the cooperative effort

of the whole world.

81

00:04:56,717 —> 00:05:00,720

I am confident that the Congress

82

00:05:00,804 —> 00:05:02,514

and the American people

83
00:05:02,598 –> 00:05:06,768
will accept the results
of the Yalta Conference

84
00:05:06,852 –> 00:05:10,980
as the beginnings of
a permanent structure of peace

85
00:05:11,064 –> 00:05:16,110
upon which we can begin
to build that better world.

86
00:05:16,787 –> 00:05:18,539
[coughs]

87
00:05:19,612 –> 00:05:22,698
[sniffles] Thank you.

88
00:05:22,876 –> 00:05:24,627
[door opens]

89

00:05:24,733 —> 00:05:27,122

- [chattering]

- Anna.

90

00:05:28,164 —> 00:05:32,459

Mother, I-I didn't...

What are you doing here?

91

00:05:32,544 —> 00:05:34,003

Where is your father?

92

00:05:34,087 —> 00:05:36,214

He just finished

the Congressional address.

93

00:05:36,298 —> 00:05:39,759

Yes, I know. I was

watching him on the television.

94

00:05:39,843 —> 00:05:43,305

He looks very weak.

95

00:05:47,643 —> 00:05:49,519
Anna, what's happened?

96
00:05:49,603 —> 00:05:51,771
[Anna] Nothing.
He's fielding questions

97
00:05:51,855 —> 00:05:53,690
from the press
like he always does.

98
00:05:53,774 —> 00:05:57,735
I thought it went very well.
It highlighted

99
00:05:57,819 —> 00:05:59,821
all of the sentiments
of your League of Nations.

100
00:05:59,905 —> 00:06:02,658
You're not answering
my question.

101

00:06:03,492 —> 00:06:05,160
His heart is failing.

102
00:06:06,328 —> 00:06:07,996
According to whom?

103
00:06:08,372 —> 00:06:10,290
A naval cardiologist.

104
00:06:10,791 —> 00:06:13,669
He's examined him
more than once.

105
00:06:14,294 —> 00:06:16,505
Arteriosclerosis.

106
00:06:17,798 —> 00:06:21,176
Oh, he should be resting.

107
00:06:22,427 —> 00:06:25,013
He needs a break and...

108

00:06:25,472 —> 00:06:27,224
A break would be irrelevant.

109
00:06:27,641 —> 00:06:29,518
He's not going to recover.

110
00:06:36,400 —> 00:06:38,193
[Eleanor] He should be...

111
00:06:39,444 —> 00:06:42,405
working from Warm Springs

112
00:06:42,489 —> 00:06:46,034
or Hyde Park.

113
00:06:46,451 —> 00:06:48,453
He should be comfortable.

114
00:06:48,537 —> 00:06:50,497
I'll mention Hyde Park to him.

115
00:06:51,123 —> 00:06:53,875

- Anna.

- I'm sorry. I...

116

00:06:53,959 —> 00:06:55,501

We can talk about this later.

117

00:06:55,585 —> 00:06:58,213

I just, um,

have some work to do.

118

00:07:00,924 —> 00:07:05,053

[door opens, closes]

119

00:07:05,637 —> 00:07:08,223

Thank you for everything.

120

00:07:10,434 —> 00:07:11,601

Mmm.

121

00:07:11,977 —> 00:07:13,686

[knocking]

122

00:07:13,770 —> 00:07:16,022

- Who is it?

- It's Anna.

123

00:07:16,815 —> 00:07:18,400

Come in.

124

00:07:20,694 —> 00:07:22,904

Mother's home.

She came back early.

125

00:07:22,988 —> 00:07:25,407

I-I just left her in the Oval.

126

00:07:26,019 —> 00:07:27,270

I should leave.

127

00:07:27,355 —> 00:07:29,565

No. No, no, no.

128

00:07:30,203 —> 00:07:33,081

How about I get you over

to Warm Springs?

129

00:07:33,540 —> 00:07:36,209

It's her idea, more or less.

130

00:07:36,293 —> 00:07:37,419

What?

131

00:07:38,712 —> 00:07:40,172

Fine, fine.

132

00:07:40,672 —> 00:07:43,007

Fine.

You go down to Warm Springs.

133

00:07:43,091 —> 00:07:46,636

I'll meet you there after

Anna and I return from Yalta.

134

00:07:46,720 —> 00:07:49,347

And, hopefully,

I will not be too long.

135

00:07:50,077 —> 00:07:54,664
Anna, will you come and bring me
to the car when it's time?

136
00:07:54,811 —> 00:07:57,731
- Yes, of course.
- Thank you.

137
00:08:01,026 —> 00:08:03,445
(Pensive music)

138
00:08:09,075 —> 00:08:12,662
I would have seen you sooner,
but I wasn't expecting you home.

139
00:08:12,746 —> 00:08:14,790
- Thank you.
- Of course.

140
00:08:16,333 —> 00:08:17,375
[grunts]

141
00:08:17,959 —> 00:08:20,628

I'm glad you thought
the speech went well.

142
00:08:20,712 —> 00:08:23,173
Yes, it went very well.

143
00:08:27,052 —> 00:08:29,303
And how are you feeling?

144
00:08:29,387 —> 00:08:32,098
Well, I'm going to
take your advice.

145
00:08:32,182 —> 00:08:34,100
I'm going down to Warm Springs.

146
00:08:34,184 —> 00:08:35,435
- Oh, good.
- Mmm.

147
00:08:36,595 —> 00:08:39,355
I'm glad Anna mentioned it.
I wasn't sure that she would.

148

00:08:39,439 —> 00:08:42,150

I will go straight there

from the Ukraine.

149

00:08:43,803 —> 00:08:46,213

You're still going to Yalta?

150

00:08:46,298 —> 00:08:49,525

Stalin's doctors say he cannot

travel any great distance,

151

00:08:49,610 —> 00:08:52,327

- so, yes.

- And what do your doctors say?

152

00:08:55,705 —> 00:08:57,039

[chuckles]

153

00:08:57,123 —> 00:09:01,628

My heart says

we need to end this war now,

154

00:09:01,962 —> 00:09:03,671

and this is how we do it.

155

00:09:03,755 —> 00:09:06,109

No doctor can argue with that.

156

00:09:06,194 —> 00:09:08,030

Well, then I shall go with you.

157

00:09:09,845 —> 00:09:10,970

Eleanor, please.

158

00:09:11,054 —> 00:09:14,850

I have a husband

that needs caring for.

159

00:09:16,560 —> 00:09:18,854

(melancholy music)

160

00:09:27,399 —> 00:09:28,608

[sighs]

161

00:09:28,864 —> 00:09:33,201

You have nursed me

enough for ten lifetimes.

162

00:09:34,870 —> 00:09:36,705

I will call you every night,

163

00:09:37,873 —> 00:09:39,373

and you will get my first report

164

00:09:39,457 —> 00:09:42,377

as soon as I return

to Warm Springs.

165

00:09:43,044 —> 00:09:44,546

[softly] Thank you.

166

00:09:45,422 —> 00:09:48,216

I will write down

some thoughts for the conference

167

00:09:48,300 —> 00:09:50,886

and you can read them

on the plane.

168

00:09:53,054 —> 00:09:54,890

Thank you. I will.

169

00:10:19,122 —> 00:10:22,876

[Betty breathing heavily]

170

00:10:27,672 —> 00:10:29,257

[grunts]

171

00:10:37,849 —> 00:10:39,768

[cries]

172

00:10:41,269 —> 00:10:45,398

- [chattering]

- [music playing]

173

00:10:45,482 —> 00:10:48,777

- Down the hatch, ladies.

- Cheers.

174

00:10:50,153 —> 00:10:52,614

[breathing heavily]

175

00:10:54,616 —> 00:10:57,452

[chattering, laughter]

176

00:11:10,590 —> 00:11:11,924

[giggles]

177

00:11:12,008 —> 00:11:13,468

Shh.

178

00:11:16,638 —> 00:11:17,889

[instructor] Stop.

179

00:11:18,598 —> 00:11:22,643

Why would a dancer treat

her body with such disdain?

180

00:11:22,727 —> 00:11:24,353

Her body is all that she has.

181

00:11:24,437 —> 00:11:27,982

Her sacred garment,

her first and her last,

182

00:11:28,066 —> 00:11:29,359

and yet...

183

00:11:29,985 —> 00:11:32,862

You will do it again

until you get it right.

184

00:11:33,446 —> 00:11:37,909

And then again

and again and again. Places.

185

00:11:37,993 —> 00:11:40,495

[breathing heavily, crying]

186

00:11:44,008 —> 00:11:45,468

Betty?

187

00:11:46,710 —> 00:11:48,669

Betty, are you okay?

188

00:11:48,753 —> 00:11:49,921

I'm sorry.

189

00:11:50,005 —> 00:11:53,049

- I didn't mean to wake you.

- Come on.

190

00:11:53,133 —> 00:11:54,717

I don't think

I can do this anymore.

191

00:11:54,801 —> 00:11:57,970

- I know it feels that way.

- No, I can't. I can't stay here.

192

00:11:58,054 —> 00:12:00,306

- No.

- You'll be going home soon.

193

00:12:00,390 —> 00:12:02,725

That's right.

You'll be going home soon.

194

00:12:02,809 —> 00:12:04,185

Betty, Betty.

195

00:12:04,269 —> 00:12:08,815

Hey, I was just about to quit

the day you showed up.

196

00:12:09,941 —> 00:12:12,341

I was gonna

get the hell out of here.

197

00:12:12,493 —> 00:12:15,580

I-I even packed all my things.

198

00:12:16,774 —> 00:12:19,727

But then you came and I thought,

199

00:12:19,812 —> 00:12:22,982

"Well, I can't leave now.

200

00:12:23,246 —> 00:12:24,648
Right here in my room

201
00:12:24,733 —> 00:12:29,337
is the First Lady
of the United States."

202
00:12:35,399 —> 00:12:37,025
[sighs]

203
00:12:44,142 —> 00:12:45,518
[smacks lips]

204
00:12:46,102 —> 00:12:51,608
Hi, my name is Betty
and I'm an addict...

205
00:12:52,025 —> 00:12:54,903
[sighs] ...and an alcoholic.

206
00:12:55,278 —> 00:12:57,405
[AA members] Hi, Betty.

207

00:13:02,869 —> 00:13:05,455

My life wasn't some...

208

00:13:07,248 —> 00:13:09,472

downtrodden tragedy.

209

00:13:09,557 —> 00:13:12,227

I'd never lived on the streets.

210

00:13:13,379 —> 00:13:17,244

I didn't hang out in alleys

behind bars asking for money.

211

00:13:17,329 —> 00:13:21,354

[sighs deeply] I'd never

slept in a car

212

00:13:21,439 —> 00:13:24,790

or woken up next to a stranger.

213

00:13:24,875 —> 00:13:27,502

[chuckling] I...

214

00:13:32,564 —> 00:13:33,523

[sniffles]

215

00:13:33,607 —> 00:13:38,487

I lived in the White House,

for heaven's sake.

216

00:13:41,615 —> 00:13:42,825

[sniffles]

217

00:13:47,705 —> 00:13:52,959

I had a few drinks at night,

like all Americans.

218

00:13:53,043 —> 00:13:55,004

[AA members] Mm-hmm.

219

00:13:57,131 —> 00:14:00,843

That's what I kept telling

myself when I first got here.

220

00:14:02,219 —> 00:14:04,262
After a few weeks,

221
00:14:04,346 —> 00:14:08,767
I stopped looking at myself

222
00:14:08,851 —> 00:14:13,355
as different from all of you...

223
00:14:15,441 —> 00:14:20,236
and started seeing
how we are all alike.

224
00:14:20,320 —> 00:14:24,658
- [murmurs of agreement]
- The similarities,

225
00:14:24,742 —> 00:14:26,869
not the differences.

226
00:14:30,831 —> 00:14:32,290
We all have this disease

227

00:14:32,374 —> 00:14:35,710

and we're all

addicted to something,

228

00:14:35,794 —> 00:14:37,087

and we all...

229

00:14:37,171 —> 00:14:40,590

[sighs] ...want to get better.

230

00:14:40,674 —> 00:14:42,885

[AA members] Yeah.

231

00:14:45,220 —> 00:14:46,638

And I'm sure we'd all love...

232

00:14:46,722 —> 00:14:48,807

[chuckling] ...to have

another drink again too.

233

00:14:48,891 —> 00:14:50,141

[AA members chuckle]

234

00:14:50,225 —> 00:14:54,396

Yeah, that's not going to work

for us, so... [chuckles]

235

00:14:55,898 —> 00:14:57,733

We have to keep...

236

00:14:58,567 —> 00:15:04,364

coming to these meetings

and working our steps.

237

00:15:07,076 —> 00:15:08,744

Helping each other.

238

00:15:13,165 —> 00:15:14,708

Thank you.

239

00:15:22,498 —> 00:15:23,916

[newscaster]

Prime Minister Churchill

240

00:15:24,001 —> 00:15:25,176
salutes from
a British man-of-war

241
00:15:25,260 —> 00:15:26,594
as he greets President Roosevelt

242
00:15:26,678 —> 00:15:28,471
on the bridge
of an American warship.

243
00:15:28,720 —> 00:15:31,658
They'll meet with Premier
Stalin at Yalta, in the Crimea.

244
00:15:31,743 —> 00:15:33,907
In talks
extending through eight days,

245
00:15:34,001 —> 00:15:35,791
they make decisions
aimed at sealing the doom

246

00:15:35,876 —> 00:15:38,148
of Nazi Germany
and German militarism.

247
00:15:38,556 —> 00:15:41,697
Plans were made for Germany's
occupation and control,

248
00:15:41,782 —> 00:15:43,260
as well as for maintaining order

249
00:15:43,345 —> 00:15:44,814
and establishing
popular governments

250
00:15:44,916 —> 00:15:46,542
in liberated countries.

251
00:15:46,626 —> 00:15:48,919
The statement was signed
by the three leaders

252
00:15:49,003 —> 00:15:50,672

on 11th February.

253
00:15:51,339 —> 00:15:54,133
March, and President Roosevelt
returns home.

254
00:15:54,217 —> 00:15:56,260
Said to be suffering
from a bad cold,

255
00:15:56,344 —> 00:15:59,514
he heads to Warm Springs,
Georgia to recuperate.

256
00:16:07,480 —> 00:16:09,983
[thunder rumbling]

257
00:16:14,279 —> 00:16:16,698
[sobbing]

258
00:16:22,370 —> 00:16:24,831
(Somber music)

259

00:16:36,198 —> 00:16:38,450

- [knocking]

- [sniffles]

260

00:16:40,221 —> 00:16:42,182

My mother will be here shortly.

261

00:17:02,368 —> 00:17:03,870

Anna.

262

00:17:19,385 —> 00:17:21,763

I really did love your father.

263

00:17:24,224 —> 00:17:25,850

I know you did.

264

00:17:35,026 —> 00:17:36,569

[sniffles]

265

00:17:38,154 —> 00:17:42,075

Please pass along

my deepest condolences.

266

00:17:52,627 —> 00:17:55,088

(pensive music)

267

00:17:59,342 —> 00:18:02,344

[reporter] Stop the car.

Tell us what's happened.

268

00:18:02,428 —> 00:18:06,099

[reporters clamoring]

269

00:18:08,268 —> 00:18:10,311

[reporter 1] Can we get

a comment, please?

270

00:18:10,395 —> 00:18:12,104

[reporter 2] Madam First Lady!

271

00:18:12,188 —> 00:18:14,315

All right.

That's enough. Back up.

272

00:18:14,399 —> 00:18:17,359

[reporters] Mrs. Roosevelt!

273

00:18:17,443 —> 00:18:19,111

Mrs. Roosevelt!

Over here, please!

274

00:18:19,195 —> 00:18:21,739

[clamoring continues]

275

00:18:24,325 —> 00:18:25,952

Thank you.

276

00:18:31,499 —> 00:18:34,961

(Melancholy music)

277

00:18:49,434 —> 00:18:51,978

(Music intensifies)

278

00:19:23,426 —> 00:19:25,178

[sighs]

279

00:19:27,138 —> 00:19:29,223
Oh, Franklin.

280
00:19:33,102 —> 00:19:35,688
I'm going to miss you.

281
00:19:39,317 —> 00:19:42,195
I am going to miss you.

282
00:19:46,616 —> 00:19:50,244
[sighs]

283
00:20:08,012 —> 00:20:09,889
Lucy was here.

284
00:20:16,354 —> 00:20:19,107
And you helped facilitate it.

285
00:20:20,691 —> 00:20:22,402
I'm so sorry.

286
00:20:38,835 —> 00:20:42,255

It was between
your father and I.

287
00:20:46,384 —> 00:20:50,930
I'm sorry
that you were put in the middle.

288
00:20:56,644 —> 00:20:58,146
[inhales sharply]

289
00:21:17,290 —> 00:21:18,791
[Eleanor sighs]

290
00:21:20,977 —> 00:21:23,397
He truly loved you, Anna.

291
00:21:27,341 —> 00:21:30,303
He loved all his children,
but...

292
00:21:32,305 —> 00:21:35,224
it was you
who made him a father.

293

00:21:35,308 —> 00:21:36,851

[Anna sniffles]

294

00:21:38,561 —> 00:21:40,813

Thank you for saying that.

295

00:21:44,442 —> 00:21:45,943

Please telegram your brothers.

296

00:21:46,027 —> 00:21:48,779

I need to call

the vice president.

297

00:21:52,259 —> 00:21:54,326

[siren wailing in distance]

298

00:21:54,410 —> 00:21:57,079

(Suspenseful music)

299

00:21:57,978 —> 00:22:00,705

[Donald Trump on TV]

Obama care is a complete

300

00:22:00,790 —> 00:22:02,830

and total disaster.

301

00:22:02,915 —> 00:22:04,893

- We don't have to watch this.

- We could sit back

302

00:22:04,978 —> 00:22:08,048

- No

- and wait and watch and criticize...

303

00:22:08,132 —> 00:22:11,969

- Sasha!

- I'm over hearing this shit.

304

00:22:12,054 —> 00:22:13,424

- I don't care.

- Turn it off.

305

00:22:13,509 —> 00:22:16,564

No. You can't turn off

the nightmare...

306

00:22:16,649 —> 00:22:18,809

S-Sasha, I swear! Stop!

307

00:22:18,893 —> 00:22:23,021

Uh... What is this?

Malia... Sasha!

308

00:22:23,105 —> 00:22:24,524

Grow up!

309

00:22:30,635 —> 00:22:33,179

- [knocking]

- Yep, come in.

310

00:22:34,450 —> 00:22:36,452

It's like, uh,

addiction for you.

311

00:22:36,536 —> 00:22:38,246

[Michelle chuckles]

312

00:22:39,330 —> 00:22:40,998

Mr. President. Ma'am.

313

00:22:41,082 —> 00:22:43,625

- Allen. No.

- Sorry to bother you.

314

00:22:43,709 —> 00:22:45,544

I think there's something

you should see.

315

00:22:45,628 —> 00:22:47,547

[Barack] Yeah, come on in.

316

00:22:59,216 —> 00:23:00,967

How long

has she had this account?

317

00:23:01,052 —> 00:23:02,720

For the last 24 hours.

318

00:23:03,104 —> 00:23:06,106

Will you just

get this shut down?

319

00:23:06,190 —> 00:23:07,649

Yes, sir.

320

00:23:07,733 —> 00:23:09,944

[Barack sighs]

321

00:23:12,905 —> 00:23:14,781

I can barely get past my anger,

322

00:23:14,865 —> 00:23:16,450

and I'm supposed to tell

a teenager

323

00:23:16,534 —> 00:23:18,952

not to be pissed off

that this asshole...

324

00:23:19,036 —> 00:23:20,996

- No. Look, I get it.

- ...is coming in here

325

00:23:21,080 —> 00:23:22,831

- to just destroy...

- We are still in office.

326

00:23:22,915 —> 00:23:24,082

I understand that.

327

00:23:24,166 —> 00:23:25,959

You can't just be posting

your feelings online.

328

00:23:26,043 —> 00:23:27,920

- But she's a teenager...

- It's a security issue.

329

00:23:28,004 —> 00:23:30,548

Let me handle it. Okay?

330

00:23:31,299 —> 00:23:33,593

(Pensive music)

331

00:23:45,855 —> 00:23:47,398
Come on.

332
00:23:51,652 —> 00:23:55,239
I want you to punch this pillow

333
00:23:55,990 —> 00:23:58,117
as hard as you can.

334
00:23:58,576 —> 00:24:00,411
What are you talking about?

335
00:24:01,746 —> 00:24:06,292
Obviously, you're mad.
Trust me, I understand.

336
00:24:07,418 —> 00:24:09,962
So hit the pillow.

337
00:24:10,963 —> 00:24:13,633
Come on. You heard me.

338

00:24:15,968 —> 00:24:17,344
That's weak.

339
00:24:17,428 —> 00:24:20,181
I want you to hit it. Come on.

340
00:24:23,267 —> 00:24:26,354
Is that all you've got?
Hit it again.

341
00:24:28,731 —> 00:24:30,358
Come on.

342
00:24:33,277 —> 00:24:36,154
[grunting]

343
00:24:36,238 —> 00:24:38,490
[panting]

344
00:24:38,574 —> 00:24:40,326
[sniffles]

345

00:24:42,870 —> 00:24:45,331
It feels good, right?

346
00:24:46,999 —> 00:24:48,166
Yeah. [whimpers]

347
00:24:48,250 —> 00:24:50,252
[Michelle]
Believe me, I wanna scream

348
00:24:50,336 —> 00:24:55,549
every time I see
that misogynist, racist pig.

349
00:24:58,511 —> 00:25:00,179
I'm sorry, Mom.

350
00:25:01,305 —> 00:25:04,058
I know
I shouldn't have done it, but...

351
00:25:05,142 —> 00:25:07,353
I just had to say something.

352

00:25:09,397 —> 00:25:10,564

I know.

353

00:25:11,899 —> 00:25:13,234

I know.

354

00:25:13,734 —> 00:25:15,574

- Hmm.

- [sniffles]

355

00:25:17,613 —> 00:25:19,156

[sighs]

356

00:25:43,556 —> 00:25:45,391

[Betty] Dear Mrs. Obama.

357

00:25:49,061 —> 00:25:51,563

Having watched you

with admiration

358

00:25:51,647 —> 00:25:53,359

throughout your campaign,

359
00:25:53,444 —> 00:25:56,804
I am confident
you will come to realize

360
00:25:56,889 —> 00:26:01,615
you do share one very important
thing with the rest of us.

361
00:26:02,493 —> 00:26:03,702
The hunger,

362
00:26:03,951 —> 00:26:06,870
the ability to fill in
for your husband

363
00:26:06,954 —> 00:26:10,583
wherever he cannot
or will not go.

364
00:26:11,542 —> 00:26:13,001
First Ladies and their teams

365

00:26:13,085 —> 00:26:17,464

are often the vanguards of

social progress in this country,

366

00:26:17,548 —> 00:26:20,258

despite no budget and no pay.

367

00:26:20,342 —> 00:26:25,055

Your story joins the stories

of other First Ladies.

368

00:26:25,139 —> 00:26:28,058

These are the stories

of America.

369

00:26:28,142 —> 00:26:32,729

So decide what story

you want to tell.

370

00:26:32,813 —> 00:26:35,608

Sincerely, Betty Ford.

371

00:26:39,987 —> 00:26:41,446

[chuckles]

372

00:26:41,530 —> 00:26:43,449

[chuckles]

373

00:26:50,581 —> 00:26:52,291

Let's go.

374

00:26:56,212 —> 00:26:57,921

[reporter 1]

Mrs. Ford, welcome back.

375

00:26:58,005 —> 00:26:59,297

- [reporter 2] Mrs. Ford.

- Thank you.

376

00:26:59,381 —> 00:27:01,425

- Congratulations, Betty.

- Thank you.

377

00:27:01,509 —> 00:27:02,926

Congratulations.

378

00:27:03,010 —> 00:27:04,720

[reporters chattering]

379

00:27:04,804 —> 00:27:07,514

The whole world admires

your courage, Betty.

380

00:27:07,598 —> 00:27:08,765

Thank you!

381

00:27:08,849 —> 00:27:11,268

(Gentle music)

382

00:27:26,826 —> 00:27:27,951

How many was that?

383

00:27:28,035 —> 00:27:29,035

Five.

384

00:27:29,119 —> 00:27:30,620

[chuckles] Five?

385

00:27:30,704 —> 00:27:32,540

Thought I counted 50.

386

00:27:35,376 —> 00:27:37,169

Aha.

387

00:27:38,671 —> 00:27:41,173

- You gonna give me that towel?

- No.

388

00:27:41,507 —> 00:27:43,384

I like the view.

389

00:27:44,593 —> 00:27:46,345

Little chilly out here, Betty.

390

00:27:52,017 —> 00:27:55,729

I had tea with Len Firestone

the other day.

391

00:27:55,813 —> 00:27:59,358
Six months sober. Yeah.

392
00:27:59,900 —> 00:28:01,569
Did you know...

393
00:28:02,319 —> 00:28:07,491
that there is no place for
a person with addiction issues

394
00:28:07,575 —> 00:28:09,660
to go in the desert

395
00:28:10,703 —> 00:28:13,079
besides the occasional meeting?

396
00:28:13,163 —> 00:28:17,667
- I didn't know that.
- No solid rehabilitation center

397
00:28:17,751 —> 00:28:19,669
anywhere near here.

398

00:28:19,753 —> 00:28:21,171

Huh.

399

00:28:21,505 —> 00:28:23,549

[laughs]

400

00:28:24,717 —> 00:28:27,386

- What?

- [chuckling] Oh, what?

401

00:28:29,096 —> 00:28:30,723

What?

402

00:28:31,849 —> 00:28:34,393

Where are you two

gonna build this thing?

403

00:28:35,519 —> 00:28:39,440

I didn't say anything

about building.

404

00:28:40,691 —> 00:28:42,234

I love you.

405

00:28:48,866 —> 00:28:51,034

Everything here is to scale.

406

00:28:51,118 —> 00:28:55,038

That's about the size of my

first apartment in Grand Rapids.

407

00:28:55,122 —> 00:28:56,873

- [laughter]

- I can attest to that.

408

00:28:56,957 —> 00:28:59,459

And there's separate wings

for men and women.

409

00:28:59,543 —> 00:29:01,753

Uh, yes.

This is the women's wing here

410

00:29:01,837 —> 00:29:03,255

and over here is the men's wing.

411

00:29:03,339 —> 00:29:05,090

Each is positioned to get

412

00:29:05,174 —> 00:29:07,634

beautiful morning

and evening light.

413

00:29:07,718 —> 00:29:08,927

- Mmm.

- That's correct.

414

00:29:09,011 —> 00:29:10,720

And the grand meeting room

415

00:29:10,804 —> 00:29:13,056

faces directly

out onto the garden.

416

00:29:13,140 —> 00:29:14,808

- Mm-hmm.

- Betty's thought of everything.

417

00:29:14,892 —> 00:29:16,393

- [laughter]

- Yes, she has.

418

00:29:16,477 —> 00:29:19,145

Oh, and speaking of

morning light,

419

00:29:19,229 —> 00:29:20,522

how about tequila sunrises?

420

00:29:20,606 —> 00:29:23,817

- [chattering]

- Juice, soda, water. [Chuckles]

421

00:29:23,901 —> 00:29:25,652

I'll have water. Water.

422

00:29:25,736 —> 00:29:27,028

- Water?

- [softly] Water.

423

00:29:27,112 —> 00:29:29,281
Jerry, tequila sunrise for you?

424
00:29:29,365 —> 00:29:30,490
Yes, Nicky, sure. Sure.

425
00:29:30,574 —> 00:29:34,911
The only thing I'm wondering
about is the name.

426
00:29:34,995 —> 00:29:36,288
Oh, thank you, honey.

427
00:29:36,372 —> 00:29:40,375
Eisenhower Chemical Dependency
Treatment Center.

428
00:29:40,459 —> 00:29:42,752
Doesn't exactly
trip off the tongue, does it?

429
00:29:42,836 —> 00:29:44,296
[laughter]

430

00:29:44,380 —> 00:29:46,214

Why not call it

the Betty Ford Center?

431

00:29:46,298 —> 00:29:48,634

I already nixed that.

432

00:29:49,551 —> 00:29:54,973

To the Eisenhower Chemical

Dependency Treatment Center.

433

00:29:55,057 —> 00:29:56,809

[all] Cheers!

434

00:29:58,310 —> 00:30:00,562

Cheers. Cheers!

435

00:30:00,646 —> 00:30:02,815

[all] Cheers!

436

00:30:08,237 —> 00:30:12,782

I should've worn a black suit

and a mourner's veil. [Chuckles]

437

00:30:12,866 —> 00:30:15,160

- Sounds kinda hot.

- [chuckles]

438

00:30:15,244 —> 00:30:16,328

[both] Hey.

439

00:30:16,412 —> 00:30:19,623

- Hi, Mom. You look beautiful.

- Hey.

440

00:30:19,707 —> 00:30:21,082

- Thank you.

- Sasha?

441

00:30:21,166 —> 00:30:22,959

- Hey.

- Sasha?

442

00:30:23,082 —> 00:30:24,489

Come.

443

00:30:24,574 —> 00:30:27,047

- [chuckling] Sorry.

- [all chuckle]

444

00:30:27,589 —> 00:30:30,050

- How you feeling?

- Good. How are you?

445

00:30:30,134 —> 00:30:31,426

I'm good.

446

00:30:31,510 —> 00:30:34,554

- Oh, well, thank you.

- [breathes deeply]

447

00:30:34,638 —> 00:30:35,805

Look at you.

448

00:30:35,889 —> 00:30:37,807

[applause]

449

00:30:37,891 —> 00:30:40,352

[shutter clicks]

450

00:30:49,236 —> 00:30:51,154

- Wilson.

- Mrs. Obama,

451

00:30:51,238 —> 00:30:53,406

on behalf of the staff

and myself,

452

00:30:53,490 —> 00:30:56,076

I'd like to present you

with this flag

453

00:30:56,160 —> 00:30:58,370

after the first inauguration.

454

00:30:58,829 —> 00:31:01,832

And you, sir. On your last day.

455

00:31:02,458 —> 00:31:04,710

Thank you, Wilson. Thank you.

456

00:31:11,842 —> 00:31:13,886

Thank you for everything.

457

00:31:16,847 —> 00:31:18,390

Thank you.

458

00:31:18,932 —> 00:31:21,643

[chuckles] Thank you.

459

00:31:22,227 —> 00:31:24,938

- Thank you, Wilson.

- Sir. Thank you, sir.

460

00:31:28,984 —> 00:31:31,570

Now, you know

I'm gonna miss you.

461

00:31:34,531 —> 00:31:37,283

- Jump shot?

- [laughter]

462

00:31:37,367 —> 00:31:39,745

[chattering]

463

00:31:41,914 —> 00:31:43,373

Thank you so much.

464

00:31:43,457 —> 00:31:47,586

Oh, you know, you gonna

make me cry. [Chuckles]

465

00:31:52,966 —> 00:31:54,300

Holy fucking shit, that's Obama!

466

00:31:54,384 —> 00:31:56,052

Should we try and get

a picture with him?

467

00:31:56,136 —> 00:31:58,138

I don't wanna

lose our place in line though.

468

00:31:58,222 —> 00:32:00,641

[cheering]

469

00:32:22,246 —> 00:32:25,123

[chattering]

470

00:32:25,207 —> 00:32:27,084

[Michelle] Nice to meet you.

471

00:32:28,627 —> 00:32:31,129

- Hi. What's your name?

- Name is Adama.

472

00:32:31,213 —> 00:32:35,509

[Michelle] Adama.

Nice to meet you, Adama.

473

00:32:36,135 —> 00:32:39,138

- Thank you for signing my book.

- Absolutely.

474

00:32:41,473 —> 00:32:43,308

- Hi. Hi.

- Hi. Um...

475

00:32:43,392 —> 00:32:46,436

Michelle. I... I mean, um,

Mrs. Obama.

476

00:32:46,520 —> 00:32:47,604

You can call me Michelle.

477

00:32:47,688 —> 00:32:51,149

Okay, um, I don't know

if you remember me.

478

00:32:51,233 —> 00:32:56,362

I'm Cindy Boudreux.

We were at Princeton together.

479

00:32:56,446 —> 00:32:59,158

- Yes.

- Uh, we were, uh,

480

00:32:59,908 —> 00:33:01,660

supposed to be roommates.

481

00:33:02,244 —> 00:33:05,164

Yes. Of course, I remember.

482

00:33:10,544 —> 00:33:13,254

- [gasps]

- Oh. Hi.

483

00:33:13,338 —> 00:33:14,714

[chuckles] Hi.

484

00:33:14,798 —> 00:33:17,509

[grunts] You can go ahead

put these over in the corner,

485

00:33:17,593 —> 00:33:19,052

so it's not too cluttered

486

00:33:19,136 —> 00:33:21,012

when my daughter's roommate

gets here.

487

00:33:21,096 —> 00:33:23,182

- Oh, um...

- Thanks so much.

488

00:33:25,893 —> 00:33:27,102

Um...

489

00:33:27,477 —> 00:33:30,146

Sorry, I don't work here.

490

00:33:30,230 —> 00:33:32,899

I'm your daughter's roommate,

Michelle.

491

00:33:32,983 —> 00:33:35,944

[chuckling] Oh. My apologies.

I-I didn't think that...

492

00:33:36,028 —> 00:33:39,072

I'm sorry. Hi, I'm Cindy.

493

00:33:39,489 —> 00:33:41,324

We're from New Orleans.

494

00:33:41,408 —> 00:33:42,868

Oh.

495

00:33:44,328 —> 00:33:46,371

Pyne Hall Room 208.

Welcome, ladies.

496

00:33:46,455 —> 00:33:49,916

I'm your resident advisor.

My name is Darlene.

497

00:33:50,000 —> 00:33:51,334

- So we got Cindy.

- Yes.

498

00:33:51,418 —> 00:33:53,253

And you must be

Michelle Robinson.

499

00:33:53,337 —> 00:33:55,255

- Yes. Hi.

- Hi, Darlene.

500

00:33:55,339 —> 00:33:57,590

Can I speak with you

for a second, please?

501

00:33:57,674 —> 00:33:59,718

Sure, ma'am. Of course.

502

00:34:07,851 —> 00:34:11,771

Um, my mom's really picky

about rooms.

503

00:34:11,855 —> 00:34:15,234

You should've heard her

on our trip to Waikiki.

504

00:34:17,361 —> 00:34:20,613

So, what are you majoring in?

505

00:34:20,697 —> 00:34:26,536

Uh, sociology.

Then, uh, eventually law.

506

00:34:27,162 —> 00:34:29,956
Cool. That's cool.

507
00:34:30,040 —> 00:34:33,251
Um, I'm majoring in classics,

508
00:34:33,335 —> 00:34:36,088
then I don't know.

509
00:34:38,131 —> 00:34:39,800
Cool.

510
00:34:43,804 —> 00:34:45,430
I think there's been
a little mix-up, Cindy.

511
00:34:45,514 —> 00:34:47,932
So, we're just gonna go down
to student housing,

512
00:34:48,016 —> 00:34:49,893
get it settled, all right?

513

00:34:50,519 —> 00:34:53,772

Michelle, it was lovely

to meet you. Best wishes.

514

00:35:00,654 —> 00:35:02,822

[groans] I'm sorry. [chuckles]

515

00:35:02,906 —> 00:35:08,787

Um, I hope you have a good rest

of the day. [Chuckles]

516

00:35:13,000 —> 00:35:14,042

[scoffs]

517

00:35:14,126 —> 00:35:15,669

[Cindy] Bye.

518

00:35:20,007 —> 00:35:22,676

- [door closes]

- [sighs]

519

00:35:25,130 —> 00:35:27,358

[Cindy] I have felt terrible
all these years.

520
00:35:27,443 —> 00:35:30,266
And, uh, especially now,
seeing who you've become.

521
00:35:30,350 —> 00:35:33,103
I'm just... [sighs]

522
00:35:35,272 —> 00:35:37,941
It's water under the bridge,
so...

523
00:35:38,734 —> 00:35:40,861
Well, I'm still sorry.

524
00:35:43,155 —> 00:35:45,866
Mmm. [chuckles]

525
00:35:46,325 —> 00:35:47,993
Well, you know,

526

00:35:48,910 —> 00:35:53,957

I won't lie,

but that's kinda nice to know.

527

00:35:55,083 —> 00:35:56,335

[chuckles]

528

00:36:05,552 —> 00:36:07,137

[clears throat]

529

00:36:09,348 —> 00:36:10,348

- Here.

- Thank you.

530

00:36:10,432 —> 00:36:12,184

So good to see you.

531

00:36:15,530 —> 00:36:17,824

[crowd member]

Okay, honey. Go on.

532

00:36:18,982 —> 00:36:19,691

- Hi.

- Hi.

533

00:36:19,775 —> 00:36:22,151

And what's your name,

bright eyes?

534

00:36:22,235 —> 00:36:24,779

- Zoe.

- Zoe. How old are you, Zoe?

535

00:36:24,863 —> 00:36:27,615

- Twelve years old, ma'am.

- Ooh, what grade are you in?

536

00:36:27,699 —> 00:36:29,659

- Seventh.

- Doing good in school?

537

00:36:29,743 —> 00:36:31,327

- Yes, ma'am.

- This your mom?

538

00:36:31,411 —> 00:36:32,870

- Yes. Thank you.

- Congratulations.

539

00:36:32,954 —> 00:36:34,580

- Nice to meet you.

- I'm proud of you.

540

00:36:34,664 —> 00:36:36,332

- Thank you so much.

- Thank you so much.

541

00:36:36,416 —> 00:36:38,501

["Detour Ahead" playing]

542

00:36:38,585 —> 00:36:40,211

[exhales sharply]

543

00:36:40,295 —> 00:36:41,879

Clear day

544

00:36:41,963 —> 00:36:46,301

But why am I the only one

545

00:36:46,760 —> 00:36:49,721

Traveling this way?

546

00:36:50,138 —> 00:36:51,514

How strange

547

00:36:51,598 —> 00:36:56,186

The road to love

Should be so easy

548

00:36:56,686 —> 00:37:02,234

Can there be a detour ahead?

549

00:37:03,360 —> 00:37:05,237

Wake up

550

00:37:06,321 —> 00:37:08,323

Slow down

551

00:37:08,407 —> 00:37:10,533

Before you crash

552

00:37:10,617 —> 00:37:15,914

And break your heart

Gullible clown

553

00:37:16,623 —> 00:37:21,294

You fool, you're headed

In the wrong direction

554

00:37:21,378 —> 00:37:22,754

[Eleanor] There you are.

555

00:37:22,838 —> 00:37:27,508

Can't you see

The detour ahead?

556

00:37:27,592 —> 00:37:28,926

No detour...

557

00:37:29,010 —> 00:37:30,429

Wonderful.

558

00:37:37,894 —> 00:37:39,395

[Eleanor]

Well, where's the hole?

559

00:37:39,479 —> 00:37:41,898

- [knocking]

- [Malvina] Mrs. R?

560

00:37:41,982 —> 00:37:43,233

Hello?

561

00:37:45,152 —> 00:37:46,444

Hello?

562

00:37:46,528 —> 00:37:50,573

Oh. Hello, Tommy. Come in.

563

00:37:50,657 —> 00:37:51,992

Hello.

564

00:37:52,451 —> 00:37:53,826

I hope I'm not interrupting.

565

00:37:53,910 —> 00:37:55,745

No, no, not at all. I was...

566

00:37:55,829 —> 00:37:58,289

I was just bringing you

some things from the office.

567

00:37:58,373 —> 00:38:01,626

Seems silly

to seal it away in a box.

568

00:38:01,710 —> 00:38:03,544

Of course, yes. Thank you.

569

00:38:03,628 —> 00:38:06,631

I was just putting the kettle on

570

00:38:06,715 —> 00:38:10,885

and trying to light

this newfangled stove.

571

00:38:10,969 —> 00:38:13,596

[Malvina] Oh, no, Mrs. R.

Mrs. R, no, no.

572

00:38:13,680 —> 00:38:16,516

It's... It's electric. [Chuckles]

573

00:38:16,600 —> 00:38:18,477

- Oh.

- See?

574

00:38:20,145 —> 00:38:21,480

There.

575

00:38:22,647 —> 00:38:23,731

Just like that.

576

00:38:23,815 —> 00:38:25,275

Just like that.

577

00:38:25,609 —> 00:38:26,984

Well. Hmm.

578

00:38:27,068 —> 00:38:30,280
When was the last time
you made yourself a cup of tea?

579
00:38:32,032 —> 00:38:33,491
1927.

580
00:38:33,575 —> 00:38:34,909
[chuckles]

581
00:38:34,993 —> 00:38:36,536
- Well, why start back now?
- Yes.

582
00:38:36,620 —> 00:38:37,995
Have a seat.
I'll take care of this.

583
00:38:38,079 —> 00:38:42,125
- Have a seat? On...
- Yes. Mrs. R, sit.

584
00:38:42,584 —> 00:38:44,002

All right.

585
00:38:45,462 —> 00:38:47,047
[sighs]

586
00:38:49,007 —> 00:38:51,300
Do you ever
get used to it, Tommy?

587
00:38:51,384 —> 00:38:52,802
What?

588
00:38:53,803 —> 00:38:56,389
Not being with someone.

589
00:38:57,474 —> 00:38:59,851
I wouldn't know
how to answer that.

590
00:39:01,019 —> 00:39:05,065
Being divorced is possibly
the opposite of being a widow.

591

00:39:06,775 —> 00:39:08,360

Well, how so?

592

00:39:09,569 —> 00:39:11,571

Well, it's freeing, ultimately.

593

00:39:11,655 —> 00:39:13,739

The thing that wasn't working

is gone.

594

00:39:13,823 —> 00:39:17,827

And then you can continue on,

more yourself.

595

00:39:17,911 —> 00:39:19,203

Six years divorced,

596

00:39:19,287 —> 00:39:23,208

and you're already referring

to Frank as a "thing."

597

00:39:26,378 —> 00:39:27,962

You know, when I think about it,

598
00:39:28,046 —> 00:39:31,925
you are the person I've been
most married to in my life.

599
00:39:32,509 —> 00:39:35,428
So, I suppose
I don't even feel divorced.

600
00:39:38,682 —> 00:39:41,518
And I am eternally grateful.

601
00:39:44,646 —> 00:39:47,231
Do you have anything to go
with the tea? Biscuits...

602
00:39:47,315 —> 00:39:52,111
Oh, um, no. I have rice.

603
00:39:52,195 —> 00:39:53,696
[sighs] Rice?

604

00:39:53,780 —> 00:39:56,908

Well, half the world

exists on rice.

605

00:39:57,242 —> 00:39:58,410

Sorry.

606

00:39:59,661 —> 00:40:02,581

I think I should stay

for a few days.

607

00:40:02,998 —> 00:40:04,707

We still have work to do,

608

00:40:04,791 —> 00:40:07,669

and making meals is a lot harder

than making tea.

609

00:40:08,253 —> 00:40:11,881

I'd like that very much.

Thank you, Tommy.

610

00:40:15,385 —> 00:40:16,427
My pleasure.

611
00:40:16,511 —> 00:40:19,555
Oh, there are
a couple leftover apples

612
00:40:19,639 —> 00:40:21,182
in the living room.

613
00:40:21,266 —> 00:40:22,600
Apples and rice.

614
00:40:22,684 —> 00:40:25,270
You are really
living it up out here.

615
00:40:27,772 —> 00:40:30,233
["Rapture" playing]

616
00:40:33,653 —> 00:40:35,696
That's exactly
what it should be called.

617

00:40:35,780 —> 00:40:37,031

[Betty clicks tongue]

618

00:40:37,115 —> 00:40:39,659

It's a culmination

of everything you've ever done.

619

00:40:39,743 —> 00:40:43,455

But what if I,

I don't know, slip up?

620

00:40:43,540 —> 00:40:46,125

And then my name

is on the place...

621

00:40:46,210 —> 00:40:49,379

- You're not gonna slip.

- People trust you, Betty.

622

00:40:49,464 —> 00:40:52,255

You tell the truth.

You don't bullshit.

623

00:40:55,925 —> 00:40:58,469

If your name is on this place,

624

00:40:58,553 —> 00:41:00,680

people will know

it's worthwhile.

625

00:41:00,764 —> 00:41:02,932

You have the influence

to change the world.

626

00:41:03,016 —> 00:41:04,643

You changed me, Betty.

627

00:41:05,894 —> 00:41:08,020

I don't need to have

another drink again either.

628

00:41:08,104 —> 00:41:10,022

- [Betty] What?

- [ice clatters]

629

00:41:10,106 —> 00:41:12,024

I'm done. No more alcohol.

630

00:41:12,108 —> 00:41:14,735

Oh, Jerry.

You don't need to do that.

631

00:41:14,819 —> 00:41:16,654

It really doesn't bother me.

632

00:41:16,738 —> 00:41:18,323

I want to.

633

00:41:19,157 —> 00:41:22,410

It's not fun

drinking without you anyway.

634

00:41:22,952 —> 00:41:25,413

You'll probably

lose a few pounds too.

635

00:41:25,497 —> 00:41:29,000

- Really?

- [laughs]

636

00:41:31,169 —> 00:41:35,172

Betty Ford Drug and Alcohol

Treatment Center.

637

00:41:35,256 —> 00:41:37,467

[chuckles]

638

00:41:41,304 —> 00:41:43,515

[chattering]

639

00:41:45,975 —> 00:41:49,396

- Hold on, my lady.

- [chuckles]

640

00:41:54,025 —> 00:41:56,819

One, two, three, dig!

641

00:41:56,903 —> 00:41:59,864

[cheering, applause]

642

00:41:59,948 —> 00:42:02,534

- [Jerry] Beautiful.

- [shutter clicks]

643

00:42:09,916 —> 00:42:11,418

Hmm.

644

00:42:16,923 —> 00:42:18,716

[card sender]

Dear Mrs. Roosevelt,

645

00:42:18,800 —> 00:42:22,303

I know that there is no

replacing a man like Franklin.

646

00:42:22,387 —> 00:42:25,181

But we can remember him

and honor his memory

647

00:42:25,265 —> 00:42:27,600

by continuing to pursue

the things that were

648

00:42:27,684 —> 00:42:29,810

- most important to him.

- [door opens]

649

00:42:29,894 —> 00:42:31,354

Hello.

650

00:42:32,063 —> 00:42:34,482

Oh. Hello, Anna.

651

00:42:34,566 —> 00:42:37,526

I... I wasn't expecting you.

652

00:42:37,610 —> 00:42:39,362

[Anna]

Lovely to see you, Mother.

653

00:42:39,446 —> 00:42:42,114

Oh. Well... Did you drive?

654

00:42:42,198 —> 00:42:46,035

- Uh, yes. Traffic wasn't bad.

- Good.

655
00:42:50,290 —> 00:42:53,167
I wanted to give you this
from Father's desk.

656
00:42:53,251 —> 00:42:54,461
Oh.

657
00:42:54,836 —> 00:42:57,046
It's overdue but...

658
00:42:58,840 —> 00:42:59,965
Oh, my.

659
00:43:00,049 —> 00:43:02,677
[Anna] It's the charter
for the new League of Nations.

660
00:43:02,761 —> 00:43:06,097
The United Nations,
they're calling it.

661

00:43:08,325 —> 00:43:11,811

"Don't let it fail

this time, Nell."

662

00:43:11,895 —> 00:43:15,315

Well, this is extraordinary.

663

00:43:22,071 —> 00:43:25,366

And it was your concerns

and your notes

664

00:43:25,450 —> 00:43:28,787

that cemented

Stalin's agreement to join.

665

00:43:31,539 —> 00:43:32,998

[chuckles]

666

00:43:33,082 —> 00:43:35,627

- [Eleanor] So wonderful.

- [chuckles]

667

00:43:36,419 —> 00:43:38,797
[sighs] Um...

668
00:43:39,297 —> 00:43:40,256
Hmm.

669
00:43:40,340 —> 00:43:44,176
I-I also came up here
to see how you're doing

670
00:43:44,260 —> 00:43:47,764
and if you needed anything.

671
00:43:49,390 —> 00:43:51,142
I am well.

672
00:43:51,684 —> 00:43:54,228
I am. I-I've been working and...

673
00:43:54,312 —> 00:43:58,899
[sniffles] ...responding to all
of these wonderful cards

674

00:43:58,983 —> 00:44:00,735

and condolence letters, and...

675

00:44:00,819 —> 00:44:03,613

How would you feel about

coming to live with us?

676

00:44:04,656 —> 00:44:06,031

- Oh.

- You know, uh,

677

00:44:06,115 —> 00:44:07,742

there's plenty of room.

678

00:44:07,826 —> 00:44:10,870

You could spend some time

with your grandchildren.

679

00:44:10,954 —> 00:44:11,954

With me.

680

00:44:12,038 —> 00:44:13,414

I could help you with your work.

681

00:44:13,498 —> 00:44:15,875

Oh. Well,

I'd never ask you to do that.

682

00:44:15,959 —> 00:44:20,171

[sighs] I know you wouldn't.

I'm asking you.

683

00:44:21,548 —> 00:44:26,845

You know, I think

I'm more comfortable here.

684

00:44:27,387 —> 00:44:30,723

I think I'd prefer that

Tommy is...

685

00:44:31,057 —> 00:44:32,933

Tommy is helping me out.

686

00:44:33,017 —> 00:44:38,063

And I do want to show you

this card from Queen Elizabeth.

687

00:44:38,147 —> 00:44:41,066

Oh, this is the one.

It has silver on it.

688

00:44:41,150 —> 00:44:43,944

Oh, no.

That's from Princess Ingrid.

689

00:44:44,028 —> 00:44:46,280

Well, that's worth reading too.

690

00:44:46,364 —> 00:44:49,701

I must have left it on my desk.

691

00:44:53,204 —> 00:44:56,541

I know it's here somewhere.

692

00:44:57,208 —> 00:44:58,793

It's, um...

693

00:44:59,460 —> 00:45:03,381
Do you realize how lonely it is
to be your daughter?

694
00:45:10,096 —> 00:45:15,310
W... Well, I'm so sorry
you feel that. I'm...

695
00:45:16,019 —> 00:45:20,272
All I've ever wanted was to be
as interesting to you

696
00:45:20,356 —> 00:45:22,734
as the rest of the world is.

697
00:45:26,654 —> 00:45:27,906
Mother.

698
00:45:29,657 —> 00:45:31,158
Mother, please look at me.

699
00:45:31,242 —> 00:45:35,914
Well, I don't want to

look at you when you're upset.

700

00:45:41,002 —> 00:45:45,422

Why, in God's name,

did you have six children

701

00:45:45,506 —> 00:45:50,720

if you clearly have no interest

in being a mother?

702

00:45:56,559 —> 00:45:58,436

Sometimes...

703

00:45:59,771 —> 00:46:03,316

just because you want something

704

00:46:04,108 —> 00:46:07,820

doesn't mean

you'll be any good at it.

705

00:46:14,327 —> 00:46:18,790

I'm afraid

I'm rather clumsy at love.

706

00:46:31,010 —> 00:46:32,386

But look at you.

707

00:46:32,470 —> 00:46:38,351

My only daughter,

exactly as I'd hoped you'd be.

708

00:46:40,228 —> 00:46:42,522

You're independent,

709

00:46:43,314 —> 00:46:47,819

you're strong-willed, so kind.

710

00:46:48,736 —> 00:46:52,824

And you are a wonderful mother

711

00:46:53,825 —> 00:46:57,370

despite my failings.

712

00:47:00,123 —> 00:47:01,833

And I'm...

713

00:47:06,087 —> 00:47:08,381

I'm so proud of you.

714

00:47:17,015 —> 00:47:18,725

Uh... [sniffles]

715

00:47:20,226 —> 00:47:21,853

Um...

716

00:47:25,606 —> 00:47:28,859

Can we at least try and spend

a bit more time together?

717

00:47:28,943 —> 00:47:32,363

There's no time

like the present.

718

00:47:34,741 —> 00:47:36,534

[chuckles]

719

00:47:37,535 —> 00:47:40,079

And I really want

to show you this card.

720

00:47:40,163 —> 00:47:42,247

- [chuckles]

- And I finally found it.

721

00:47:42,331 —> 00:47:45,001

Look at her penmanship.

722

00:47:46,586 —> 00:47:50,882

It's very sweet,

what she said about your father.

723

00:47:52,717 —> 00:47:54,927

And very touching.

724

00:47:58,556 —> 00:48:00,224

- Oh.

- [Malvina] I'm back.

725

00:48:00,308 —> 00:48:02,977

[Eleanor]

Tommy, look who's here.

726

00:48:03,061 —> 00:48:05,020

- Hello.

- Anna. Hello. Hello.

727

00:48:05,104 —> 00:48:06,897

- Good to see you.

- It's lovely to see you.

728

00:48:06,981 —> 00:48:09,341

- [sniffles]

- [Eleanor] Look at this.

729

00:48:11,277 —> 00:48:14,071

[softly] Oh. Wow.

730

00:48:14,155 —> 00:48:16,074

[Eleanor] Can you believe it?

731

00:48:19,994 —> 00:48:22,913

- Oh, look what Franklin wrote.

- Oh.

732

00:48:22,997 —> 00:48:26,375

Uh, Mother,

uh, I should get going.

733

00:48:27,710 —> 00:48:28,711

Oh, so soon?

734

00:48:28,795 —> 00:48:32,089

Yes, but I'll see you...

I'll see you soon.

735

00:48:32,173 —> 00:48:34,591

- All right.

- Bye, Tommy.

736

00:48:34,675 —> 00:48:35,927

Be well.

737

00:48:39,972 —> 00:48:41,766

(Up-tempo music)

738

00:48:46,187 —> 00:48:48,188

[Truman]

May God be with every member

739

00:48:48,272 —> 00:48:50,482

of the United Nations

Organization

740

00:48:50,566 —> 00:48:52,985

and, through your noble efforts,

741

00:48:53,069 —> 00:48:55,738

bring lasting peace to us all.

742

00:48:55,822 —> 00:48:57,824

All over the world.

743

00:48:58,533 —> 00:49:01,452

(Pensive music)

744

00:49:06,082 —> 00:49:07,500

[door opens]

745

00:49:09,418 —> 00:49:11,504

Mr. President.

746

00:49:11,796 —> 00:49:13,047

Eleanor, please.

747

00:49:13,131 —> 00:49:15,174

If we don't yet know

each other all that well,

748

00:49:15,258 —> 00:49:16,550

it is only because you were

749

00:49:16,634 —> 00:49:19,094

more Franklin's vice president

than I was.

750

00:49:19,178 —> 00:49:20,179

[chuckles]

751

00:49:20,263 —> 00:49:22,639

Before we get to business,

I want to ask

752
00:49:22,723 —> 00:49:24,475
is there anything
I can do for you?

753
00:49:24,559 —> 00:49:27,124
We are all under the cloud
of his loss,

754
00:49:27,209 —> 00:49:28,751
you more than anybody.

755
00:49:28,843 —> 00:49:31,947
Well, that may be true,
but I think the real question is

756
00:49:32,079 —> 00:49:34,026
what can I do for you?

757
00:49:34,527 —> 00:49:36,988
You're the one in trouble now.

758

00:49:37,321 —> 00:49:40,992

[chuckles] Please.

759

00:49:45,037 —> 00:49:46,622

There is something.

760

00:49:47,206 —> 00:49:49,708

I would like you to serve

as our American delegate

761

00:49:49,792 —> 00:49:53,045
