if you ask it.

320
00:16:26,028 —> 00:16:28,197
Seduce him.
CATHERINE: Seduce him?

321
00:16:29,323 —> 00:16:32,993
I have never done that.
(SIGHS)

322

00:16:38,290 —> 00:16:40,518

It's easy. You just lie back.

323

00:16:40,542 —> 00:16:43,337

Expose some flesh,

be suggestive, but not explicit.

324

00:16:44,922 —> 00:16:48,318

Go on.

Touch him casually about his person,

325

00:16:48,342 —> 00:16:49,903

and be loose.

326

00:16:49,927 —> 00:16:52,489

Maybe a breast falls from your blouse.

327

00:16:52,513 —> 00:16:54,515

And then he will be on you.

328

00:16:55,182 —> 00:16:56,266

On me.

329

00:16:56,975 —> 00:17:00,413

Okay.

And then after he has done you,

330

00:17:00,437 —> 00:17:03,458

profess love, union, stars in alignment,

331

00:17:03,482 —> 00:17:06,169

fate, philosophy,

shed some tears of unhappiness,

332

00:17:06,193 —> 00:17:09,380

and then talk knives in necks.

333

00:17:09,404 —> 00:17:11,865

And eat an oyster. Helps your mood.

334

00:17:15,661 —> 00:17:17,162

(MUTTERS DISGUSTEDLY)

335

00:17:19,248 —> 00:17:20,832
(GULPS)

336
00:17:24,002 —> 00:17:25,295
(GAGS)

337
00:17:26,630 —> 00:17:27,630
(GULPS)

338
00:17:29,591 —> 00:17:31,885
(KNOCKING AT DOOR) Enter.

339
00:17:33,178 —> 00:17:34,697
Dear Orlo.

340
00:17:34,721 —> 00:17:36,741
(PANTING)

341
00:17:36,765 —> 00:17:38,451
Thank you for coming.

342
00:17:38,475 —> 00:17:40,161

It is my pleasure.

343
00:17:40,185 —> 00:17:42,688
I have the Voltaire pamphlet.

344
00:17:43,188 —> 00:17:48,110
Giving me gifts, alone,
in a secluded cottage.

345
00:17:48,902 —> 00:17:51,506
It is completely inappropriate, you know.

346
00:17:51,530 —> 00:17:53,049
Shit. Sorry.

347
00:17:53,073 —> 00:17:57,303
Um, should, should we go to the, um,
uh, library or the, the garden?

348
00:17:57,327 —> 00:17:59,872
It is thrilling to break the rules,
is it not?

349

00:18:01,373 —> 00:18:05,353

(CHUCKLES) I can't wait to confess

and see Archie's face.

350

00:18:05,377 —> 00:18:08,398

He put his fingers inside me.

351

00:18:08,422 —> 00:18:13,153

Oh. Okay, um, that's not good, is it?

352

00:18:13,177 —> 00:18:15,071

Sorry. (GROANS)

353

00:18:15,095 —> 00:18:17,907

Let's not-I don't-(SIGHS)

354

00:18:17,931 —> 00:18:19,659

That's not why we're here.

355

00:18:19,683 —> 00:18:20,976

(GROANS)

356

00:18:22,019 —> 00:18:26,023

You have caught my eye.

Oh. Thank you. I am flattered.

357

00:18:26,940 —> 00:18:29,294

Shall we read?

358

00:18:29,318 —> 00:18:31,653

Is that what you want to do?

359

00:18:32,571 —> 00:18:35,425

Are you okay? You, you seem...

360

00:18:35,449 —> 00:18:37,051

something. Do I?

361

00:18:37,075 —> 00:18:38,720

ORLO: Yes.

362

00:18:38,744 —> 00:18:40,204

Does it stir you?

363

00:18:41,288 —> 00:18:43,016

Um... Champagne?

364

00:18:43,040 —> 00:18:46,269

I, I, I don't drink.

I, I don't need anything.

365

00:18:46,293 —> 00:18:49,564

But is there anything you want?

366

00:18:49,588 —> 00:18:52,066

ORLO: I'm fine. (SIGHS)

367

00:18:52,090 —> 00:18:54,384

Come and get it.

368

00:18:56,845 —> 00:18:59,407

(GASPS) Oh, my God.

You are trying to seduce me.

369

00:18:59,431 —> 00:19:01,993

(GAGGING)

370

00:19:02,017 —> 00:19:03,453

(GROANING)

371

00:19:03,477 —> 00:19:05,705

(VOMITING)

372

00:19:05,729 —> 00:19:07,773

Oh. (GROANS)

373

00:19:08,440 —> 00:19:10,627

ORLO: You had the oysters.

(CATHERINE GAGS)

374

00:19:10,651 —> 00:19:14,464

I'm, I'm always reluctant.

They travel them some distance.

375

00:19:14,488 —> 00:19:16,716

(CATHERINE SPITS, MOANS)

376

00:19:16,740 —> 00:19:18,051

CATHERINE: I'm a failure.

377

00:19:18,075 —> 00:19:21,745

No. No, you're not.

I, I, I would, of course, have sex.

378

00:19:23,288 —> 00:19:24,432

(CATHERINE GROANS)

379

00:19:24,456 —> 00:19:27,143

Um, I'm not--

Yes, uh, should we read first?

380

00:19:27,167 —> 00:19:28,853

I'm not used to, um...

381

00:19:28,877 —> 00:19:31,481

I feel a bit breathless, actually.

Might sit.

382

00:19:31,505 —> 00:19:33,691

I actually feel very unwell.

383

00:19:33,715 —> 00:19:37,821

Empress, I am not

well-versed with women.

384

00:19:37,845 —> 00:19:39,155

Um...

385

00:19:39,179 —> 00:19:42,432

I have in some way ruined things.

I apologize. Sorry.

386

00:19:43,308 —> 00:19:45,185

(DOOR OPENS, CLOSES)

387

00:19:45,894 —> 00:19:48,438

(PANTING) Orlo! Don't go!

388

00:19:49,106 —> 00:19:50,959

I will say it plain.

389

00:19:50,983 —> 00:19:52,961

I was hoping you'd be mad

with desire for me,

390
00:19:52,985 —> 00:19:54,921
and then you'd help me
inspire an army to kill Peter.

391
00:19:54,945 —> 00:19:56,297
What?

392
00:19:56,321 —> 00:19:59,425
You wouldn't, would you?
Kill him with me?

393
00:19:59,449 —> 00:20:02,911
A coup?
Don't say anything else.

394
00:20:04,997 —> 00:20:07,225
(WHISPERING) Fuck, fuck, fuck.

395
00:20:07,249 —> 00:20:09,727
(WHISPERING) Oh, Fuck, fuck...
(SHRIEKS) fuck!

396

00:20:09,751 —> 00:20:12,087

(PANTING)

397

00:20:15,674 —> 00:20:17,569

(INHALES) I failed.

398

00:20:17,593 —> 00:20:19,654

(EXHALES) I was not good at seducing,

399

00:20:19,678 —> 00:20:22,448

and he was not good at understanding

that he was being seduced.

400

00:20:22,472 —> 00:20:25,410

And then when I just asked him

straight out if he would kill Peter,

401

00:20:25,434 —> 00:20:26,828

he said, "fuck" and ran away.

402

00:20:26,852 —> 00:20:29,247

When you what?

I do not wish to apportion blame,

403

00:20:29,271 —> 00:20:31,958

but I believe your seduction plan

was ill-advised.

404

00:20:31,982 —> 00:20:33,918

You told him of the coup?

405

00:20:33,942 —> 00:20:37,422

I did.

That also may have been ill-advised.

406

00:20:37,446 —> 00:20:40,091

Shit. It is bad.

407

00:20:40,115 —> 00:20:41,634

I'm sure he will not tell him.

408

00:20:41,658 —> 00:20:42,886

He is good at heart.

409

00:20:42,910 —> 00:20:45,054

He has survived at court ten years.

410

00:20:45,078 —> 00:20:47,039

It takes dark skills.

411

00:20:47,956 —> 00:20:50,792

Loyalty is rewarded here.

He could tell Peter.

412

00:20:51,210 —> 00:20:54,022

Then I must win him over before he does.

413

00:20:54,046 —> 00:20:56,983

I will go to him and try again.

(KNOCKING ON DOOR)

414

00:20:57,007 —> 00:20:59,593

VLAD: The emperor requests

the empress's presence.

415

00:21:06,350 —> 00:21:09,228

How is the emperor's mood this morning?

416

00:21:16,693 —> 00:21:19,130

Ah. Here you are. (CHUCKLES)

417

00:21:19,154 —> 00:21:22,467

Taste this bacon.

They are fed only on acorns and honey.

418

00:21:22,491 —> 00:21:23,992

It is amazing.

419

00:21:29,164 —> 00:21:30,850

Mm. Yes. Delicious.

420

00:21:30,874 —> 00:21:32,519

We concur. We agree.

421

00:21:32,543 —> 00:21:35,045

We share a love of bacon.

Huzzah. (CHUCKLES)

422

00:21:38,131 —> 00:21:39,299
Sit.

423
00:21:44,179 —> 00:21:45,806
As requested.

424
00:21:49,351 —> 00:21:50,894
(PETER SIGHS)

425
00:21:53,856 —> 00:21:55,208
You probably don't remember this,

426
00:21:55,232 —> 00:21:57,693
but a week or two ago,
I shot your bear and punched you.

427
00:21:58,318 —> 00:22:01,256
Perhaps it has cast a pall between us.

428
00:22:01,280 —> 00:22:03,550
The fact you shot my bear
and punched me?

429

00:22:03,574 —> 00:22:07,428

Yes. I think I was angry

because no one has ever not liked me.

430

00:22:07,452 —> 00:22:08,888

Or at least, they're pretending to.

431

00:22:08,912 —> 00:22:10,747

Hmm. Toosh.

432

00:22:11,498 —> 00:22:13,810

What? (LOUDLY) Toosh.

433

00:22:13,834 —> 00:22:15,562

Do you mean touché?

434

00:22:15,586 —> 00:22:18,231

What, is it not toosh?

No. Touché.

435

00:22:18,255 —> 00:22:20,650

See. That's great. How smart you are.

436

00:22:20,674 —> 00:22:23,319

Point is, it's a new day,

a time to put things behind us.

437

00:22:23,343 —> 00:22:25,572

Teething problems, I believe they call it.

438

00:22:25,596 —> 00:22:27,240

Are you apologizing to me?

439

00:22:27,264 —> 00:22:29,701

I'm looking forward, not dwelling.

440

00:22:29,725 —> 00:22:32,477

It is hell to dwell.

441

00:22:33,270 —> 00:22:35,248

It is a saying I just made up.

442

00:22:35,272 —> 00:22:37,292

So you wish to forget it?

443

00:22:37,316 —> 00:22:40,444

Regret it and forget it. Another saying.

444

00:22:41,486 —> 00:22:43,339

Look, here's what I think's happened.

445

00:22:43,363 —> 00:22:46,259

You've come in here

with a very romantic notion of me,

446

00:22:46,283 —> 00:22:47,635

and marriage, and your life.

447

00:22:47,659 —> 00:22:49,804

A little naive, I guess. Not a criticism.

448

00:22:49,828 —> 00:22:51,639

It's actually a lovely attribute.

449

00:22:51,663 —> 00:22:55,560

You met me, and I'm not a romantic man,

more a practical chap.

450
00:22:55,584 —> 00:22:58,730
And I like to have fun,
larks and jokes and weird sex.

451
00:22:58,754 —> 00:23:02,424
Point is, we're married,
but we don't do it for each other.

452
00:23:03,842 —> 00:23:05,195
We finally agree.

453
00:23:05,219 —> 00:23:09,199
Huzzah. Yes, accepting that truth
might be liberating for us.

454
00:23:09,223 —> 00:23:12,327
You're really a drag around court.
I want you to find happiness here.

455
00:23:12,351 —> 00:23:13,912
Hence, strawberries.

456

00:23:13,936 —> 00:23:16,247

Also, a new bear,

to replace the one I shot.

457

00:23:16,271 —> 00:23:19,083

Live as empress and enjoy it.

458

00:23:19,107 —> 00:23:22,128

We should also find you a lover.

I should take a lover?

459

00:23:22,152 —> 00:23:23,505

PETER:

Yes, we should reach an agreement,

460

00:23:23,529 —> 00:23:25,089

because what's the alternative?

461

00:23:25,113 —> 00:23:28,510

You remain unhappy, I become

more and more angry, and then I kill you.

462

00:23:28,534 —> 00:23:31,119

I don't want to kill you.

You're not a bad person.

463

00:23:32,037 —> 00:23:35,499

I could kill you.

You are a bad person.

464

00:23:37,000 —> 00:23:39,270

(SNORTS, CHUCKLES)

465

00:23:39,294 —> 00:23:42,982

See? I like you. You're funny,

in a droll, despairing sort of way.

466

00:23:43,006 —> 00:23:45,592

I couldn't take a lot of it,

but occasionally, it's refreshing.

467

00:23:46,385 —> 00:23:47,779

Now, would it be so bad?

468

00:23:47,803 —> 00:23:49,280
We have enough in common to get on.

469
00:23:49,304 —> 00:23:51,449
We do? Like what?

470
00:23:51,473 —> 00:23:53,701
Well, we're both...

471
00:23:53,725 —> 00:23:55,060
pretty.

472
00:23:55,936 —> 00:23:57,580
(PETER CHUCKLES)

473
00:23:57,604 —> 00:24:01,042
Now, I never imagined myself
as the guy who punches his wife.

474
00:24:01,066 —> 00:24:02,710
And yet you are.

475

00:24:02,734 —> 00:24:04,379
Is that your mother's necklace?

476
00:24:04,403 —> 00:24:05,964
Yes.

477
00:24:05,988 —> 00:24:08,508
I wear it sometimes to feel close.

478
00:24:08,532 —> 00:24:09,801
Did your father punch her?

479
00:24:09,825 —> 00:24:12,095
I have said regrets and new day things.

480
00:24:12,119 —> 00:24:14,305
You must cheer up
and look forward to the future.

481
00:24:14,329 —> 00:24:17,642
I do, very much
look forward to the future.

482

00:24:17,666 —> 00:24:20,043

PETER: Oh. That's great.

483

00:24:21,503 —> 00:24:23,731

For I gather,

you will not punch me again.

484

00:24:23,755 —> 00:24:25,567

I won't.

485

00:24:25,591 —> 00:24:27,360

We are agreed? Oh.

486

00:24:27,384 —> 00:24:29,219

That one is rancid.

487

00:24:30,220 —> 00:24:32,181

As is your whole idea.

488

00:24:35,225 —> 00:24:36,602

(DOOR OPENS)

489

00:24:37,978 —> 00:24:39,831

(CLATTERS)

490

00:24:39,855 —> 00:24:41,607

(GROANS)

491

00:24:42,149 —> 00:24:44,794

(ARCHBISHOP GROWLING)

492

00:24:44,818 —> 00:24:46,486

(BOTH GRUNTING)

493

00:24:48,780 —> 00:24:50,532

(ROARS)

494

00:24:51,408 —> 00:24:53,202

You're still strong.

495

00:24:54,661 —> 00:24:57,331

We all are if we know where to find it.

496

00:25:00,083 —> 00:25:01,936
Oh, your heart is pounding.

497
00:25:01,960 —> 00:25:03,146
I've been fighting.

498
00:25:03,170 —> 00:25:05,148
Your joy in pain is disturbing.

499
00:25:05,172 —> 00:25:07,484
We must all know our darkness,

500
00:25:07,508 —> 00:25:10,695
for how else do we know
where to shine the light?

501
00:25:10,719 —> 00:25:12,614
So profound, cousin.

502
00:25:12,638 —> 00:25:15,241
Occupational hazard.
It's like a reflex now.

503

00:25:15,265 —> 00:25:16,826

You want some breakfast?

504

00:25:16,850 —> 00:25:18,620

Oh, God, yes.

505

00:25:18,644 —> 00:25:21,021

The shit I get served downstairs.

506

00:25:21,980 —> 00:25:25,543

Um, I have a concern

I wish your help with.

507

00:25:25,567 —> 00:25:27,504

Anything.

508

00:25:27,528 —> 00:25:28,963

The empress.

509

00:25:28,987 —> 00:25:32,342

I'm worried something she said to Orlo

could be taken the wrong way.

510

00:25:32,366 —> 00:25:34,469

What did she say?

511

00:25:34,493 —> 00:25:38,223

She expressed some unhappiness

with the emperor.

512

00:25:38,247 —> 00:25:42,125

Orlo may exaggerate the situation

to enlarge himself at court.

513

00:25:42,709 —> 00:25:46,606

Be to your detriment if he did,

as you're the author of her presence.

514

00:25:46,630 —> 00:25:50,068

I had a vision from God.

I do not resile from it.

515

00:25:50,092 —> 00:25:52,594

In Catherine's defense,

perhaps Orlo tried to rape her.

516

00:25:58,767 —> 00:26:00,119

To rape her?

517

00:26:00,143 —> 00:26:04,249

He is a man who famously lacks

the skills to see his desires met.

518

00:26:04,273 —> 00:26:06,525

Fuck a man up. Don't you agree?

519

00:26:07,651 —> 00:26:10,654

If you need a defense, that could be one,

that's all I'm saying.

520

00:26:12,406 —> 00:26:14,133

I will deal with it.

521

00:26:14,157 —> 00:26:15,885

Thank you.

522

00:26:15,909 —> 00:26:17,369

Aah!

523

00:26:17,828 —> 00:26:19,580

My gift.

524

00:26:25,377 —> 00:26:26,420

Orlo!

525

00:26:34,219 —> 00:26:36,906

ORLO: No, please.

Please do not speak to me. I beg you.

526

00:26:36,930 —> 00:26:38,366

CATHERINE:

Help me with the coup.

527

00:26:38,390 —> 00:26:42,203

Oh, my God, you cannot say that word.

Why? It's just a word.

528

00:26:42,227 —> 00:26:44,605

But it does excite the mind, does it not?

529

00:26:46,565 —> 00:26:48,459

Here's my plan.

530

00:26:48,483 —> 00:26:52,505

You and I will create a philosophy

and plan for my regime,

531

00:26:52,529 —> 00:26:55,466

one that will inspire others to act

532

00:26:55,490 —> 00:26:57,635

and be a blueprint for my reign.

533

00:26:57,659 —> 00:26:59,762

Your-My reign.

534

00:26:59,786 —> 00:27:03,808

When we create a strong, vibrant Russia,

535

00:27:03,832 —> 00:27:08,771

alive with ideas, humane and progressive,

536

00:27:08,795 —> 00:27:12,508

and here people live

with dignity and purpose.

537

00:27:13,091 —> 00:27:14,986

In Russia? Indeed.

538

00:27:15,010 —> 00:27:17,030

Huzzah.

539

00:27:17,054 —> 00:27:18,573

Do you want to die?

540

00:27:18,597 —> 00:27:21,659

I am indifferent.

I certainly do not want to live like this.

541

00:27:21,683 —> 00:27:24,662

You'll get used to it,

and I know it looks bad,

542

00:27:24,686 —> 00:27:26,539

but we make progress.

543
00:27:26,563 —> 00:27:29,959
At the moment, we have an issue
over the free will of beard-wearing.

544
00:27:29,983 —> 00:27:31,711
I feel if-Beards?

545
00:27:31,735 —> 00:27:34,363
No. I have no time to waste
and neither do the people.

546
00:27:35,280 —> 00:27:36,823
Are you in?

547
00:27:37,658 —> 00:27:39,427
I cannot join for the simple reason

548
00:27:39,451 —> 00:27:42,722
you have already proved yourself
incapable of executing it successfully.

549

00:27:42,746 —> 00:27:45,457

How? You chose me.

550

00:27:47,376 —> 00:27:49,336

You are-A civil servant.

551

00:27:50,003 —> 00:27:51,922

A coward. I don't believe you.

552

00:27:52,881 —> 00:27:54,633

You are not a coward.

553

00:27:55,759 —> 00:27:57,386

I know you different.

554

00:27:58,554 —> 00:28:02,534

When we talk of ideas and humanity,

555

00:28:02,558 —> 00:28:05,102

I see a light ablaze in you.

556

00:28:07,229 —> 00:28:08,814
You don't know me at all.

557
00:28:09,898 —> 00:28:12,544
You married badly.
I'm, I'm sorry you made a mistake.

558
00:28:12,568 —> 00:28:15,213
Don't drag me and Russia into it.

559
00:28:15,237 —> 00:28:18,842
Russia and I are married
to the same man. It is the same thing.

560
00:28:18,866 —> 00:28:22,387
You are an angry, mad person,
so you will forgive me if I say no.

561
00:28:22,411 —> 00:28:25,181
And you must promise me
never to speak of this to anyone else.

562
00:28:25,205 —> 00:28:27,749

I beg you, for your own sake.

563
00:28:29,084 —> 00:28:31,437
And will you speak of it?

564
00:28:31,461 —> 00:28:33,148
Or will you take it to Peter?

565
00:28:33,172 —> 00:28:37,134
It is something I am forgetting
as I walk away from you. Good day.

566
00:28:48,770 —> 00:28:51,249
(GUNSHOT ECHOES) (GROANS)

567
00:28:51,273 —> 00:28:54,544
As we hunt, we shall discuss
whether or not to kill the empress.

568
00:28:54,568 —> 00:28:57,505
What? Sir, no, no.
She is a, a radiant presence.

569

00:28:57,529 —> 00:28:59,757

She is shimmering, a godsend.

570

00:28:59,781 —> 00:29:02,760

She is a misery at court,

made fun of the ladies' wig hats,

571

00:29:02,784 —> 00:29:05,972

and is a strange creature who I sense is,

at times, laughing at me.

572

00:29:05,996 —> 00:29:08,183

I was thinking a small carriage accident,

573

00:29:08,207 —> 00:29:11,269

a suitable period of mourning,

and onward to a new choice.

574

00:29:11,293 —> 00:29:12,562

Archie, you will not be involved,

575

00:29:12,586 —> 00:29:14,856

as you were abysmally fucking wrong,

and tell that to God.

576

00:29:14,880 —> 00:29:17,358

Emperor, she's going through

some transition.

577

00:29:17,382 —> 00:29:18,943

We should help her with compassionate--.

578

00:29:18,967 —> 00:29:21,404

Shut the fuck up. Orlo, thoughts.

579

00:29:21,428 —> 00:29:22,697

I think not, sir.

580

00:29:22,721 —> 00:29:25,283

It would look bad in Europe

and be whispered at court.

581

00:29:25,307 —> 00:29:28,286

No one at court likes her,

except apparently you disloyal fucks.

582

00:29:28,310 —> 00:29:30,955

Go, all of you. George and Grigor stay.

583

00:29:30,979 —> 00:29:32,606

(GUNSHOT ECHOES)

584

00:29:33,815 —> 00:29:36,211

Mother lit up

when Father walked into a room.

585

00:29:36,235 —> 00:29:39,422

I could kill her and start again.

Why is no one excited by this idea?

586

00:29:39,446 —> 00:29:40,465

GRIGOR: Orlo's right.

587

00:29:40,489 —> 00:29:43,885

It would look like a failure in court,

and in Europe...

588

00:29:43,909 —> 00:29:45,887
(WHISPERING) that you could not keep
your woman happy.

589
00:29:45,911 —> 00:29:47,555
He is the emperor.

590
00:29:47,579 —> 00:29:50,892
You, of course, may kill her if you wish.
She will be forgotten about in weeks.

591
00:29:50,916 —> 00:29:52,918
Finally, some loyalty.

592
00:29:54,378 —> 00:29:55,671
(PETER SIGHS)

593
00:29:59,341 —> 00:30:02,237
Between us, I thought her and I
might be as you two,

594
00:30:02,261 —> 00:30:03,613
a perfect union.

595

00:30:03,637 —> 00:30:04,864

GRIGOR: (CLEARS THROAT)

Perhaps she could be.

596

00:30:04,888 —> 00:30:06,449

Why give up now?

597

00:30:06,473 —> 00:30:10,578

She may be all you need,

as George is to me.

598

00:30:10,602 —> 00:30:12,956

I suspect I will always need more,

599

00:30:12,980 —> 00:30:15,333

as I am a person who always needs more.

600

00:30:15,357 —> 00:30:18,920

It seems to me, all you really want is

for her to be more cheerful in court

601

00:30:18,944 —> 00:30:21,464
and to bear you an heir,
that is all you want from a wife.

602
00:30:21,488 —> 00:30:24,676
Yes. Yes, and she does not provide it.

603
00:30:24,700 —> 00:30:26,261
(SIGHS) Grigor,

604
00:30:26,285 —> 00:30:28,787
you never told me how tricky
this marriage business is.

605
00:30:29,580 —> 00:30:32,892
Until one is in it, one cannot imagine.

606
00:30:32,916 —> 00:30:34,168
PETER: Hmm.

607
00:30:34,751 —> 00:30:36,646
ARCHBISHOP:
I sometimes feel that

608

00:30:36,670 —> 00:30:38,648

due to our political differences,

609

00:30:38,672 —> 00:30:42,652

I perhaps do not offer you

the spiritual counsel that you need.

610

00:30:42,676 —> 00:30:44,320

This is my flaw.

611

00:30:44,344 —> 00:30:47,073

I am fine for counsel, but thank you.

612

00:30:47,097 —> 00:30:50,410

And if you're seeking flaws,

I could also make a list of yours

613

00:30:50,434 —> 00:30:53,538

if it would aid you. How kind.

614

00:30:53,562 —> 00:30:56,541

I see you occasionally huddled
with the empress

615
00:30:56,565 —> 00:30:58,585
and wonder if you're trying
to butt-fuck her.

616
00:30:58,609 —> 00:31:00,170
(GASPS) Hmm.

617
00:31:00,194 —> 00:31:03,214
As flustered as a freshly
raped novice, Orlo.

618
00:31:03,238 —> 00:31:05,216
No, I am not.

619
00:31:05,240 —> 00:31:08,261
She is my friend in literature,
that is all.

620
00:31:08,285 —> 00:31:12,015
Let us go back and ask the emperor,

see what he makes of it.

621
00:31:12,039 —> 00:31:14,100
He seems in a forgiving mood.

622
00:31:14,124 —> 00:31:17,645
And perhaps remind him
your vision brought her here.

623
00:31:17,669 —> 00:31:20,815
God is right in all things.

624
00:31:20,839 —> 00:31:22,841
(DISTANT GUNSHOT ECHOES)

625
00:31:23,509 —> 00:31:25,778
But she is upsetting him,

626
00:31:25,802 —> 00:31:28,263
when I hoped being married
would settle him.

627

00:31:29,681 —> 00:31:33,119
You and I are men of power,
and I'm sure would like to remain so.

628
00:31:33,143 —> 00:31:35,455
We have that much in common.

629
00:31:35,479 —> 00:31:38,500
Do not take advantage of her unhappiness.

630
00:31:38,524 —> 00:31:39,942
I am not.

631
00:31:40,776 —> 00:31:43,630
You must offer her counsel,

632
00:31:43,654 —> 00:31:46,841
lead her to a safe path, for all of us.

633
00:31:46,865 —> 00:31:50,577
So I believe you ask a favor?
Hmm.

634

00:31:51,161 —> 00:31:53,973

I've always said you're the smartest man

in the kingdom.

635

00:31:53,997 —> 00:31:55,892

She is smarter than I hoped,

636

00:31:55,916 —> 00:31:59,395

but we will manage, and you will help me.

637

00:31:59,419 —> 00:32:02,190

You just have to try

and control everyone, don't you?

638

00:32:02,214 —> 00:32:06,486

I must do God's will, and he often

wants us all to not be as we are.

639

00:32:06,510 —> 00:32:07,886

(SCOFFS)

640

00:32:09,137 —> 00:32:12,224

And in exchange, you will help me
with Rostov's beard.

641
00:32:16,854 —> 00:32:19,415
GRIGOR: I thought perhaps
he really wanted her dead.

642
00:32:19,439 —> 00:32:21,376
He lashes out if he feels alone.

643
00:32:21,400 —> 00:32:24,444
Such insight. You know him so well.

644
00:32:25,028 —> 00:32:26,905
Do not scratch at me.

645
00:32:39,585 —> 00:32:41,086
(SIGHS)

646
00:32:42,379 —> 00:32:44,173
(DISTANT GUNSHOT ECHOES)

647

00:32:48,594 —> 00:32:51,072
(URINATING)

648
00:32:51,096 —> 00:32:53,741
I'm killing her,
a carriage accident later in the week.

649
00:32:53,765 —> 00:32:56,435
You must decide how to make it work
with Europe and the court.

650
00:32:58,145 —> 00:32:59,521
(WHISPERS) Shit.

651
00:33:22,586 —> 00:33:24,046
Hello?

652
00:33:29,343 —> 00:33:30,945
(DOG WHINING)

653
00:33:30,969 —> 00:33:32,471
Come here.

654

00:33:33,722 —> 00:33:36,600

Oh. Wow. (KISSES)

655

00:33:41,897 —> 00:33:44,566

(SCOFFS) Look what those shits

have done to my house.

656

00:33:45,067 —> 00:33:46,193

(KISSES)

657

00:33:58,497 —> 00:34:01,851

Trespassing. That is not yours anymore.

658

00:34:01,875 —> 00:34:05,146

Guards.

You're really doing this then?

00:08:06,028 —> 00:08:07,505

What?

167

00:08:07,529 —> 00:08:08,715

In the room.

168

00:08:08,739 —> 00:08:11,217

Playing soldiers in the corner.

ELIZABETH: Really?

169

00:08:11,241 —> 00:08:13,761

PETER: Mm.

How strange.

170

00:08:13,785 —> 00:08:15,513

Fucking suit's too tight.

171

00:08:15,537 —> 00:08:18,332

You, too, will grow into a great leader.

172

00:08:20,334 —> 00:08:21,895

He didn't think so.

173

00:08:21,919 —> 00:08:24,397

ELIZABETH:

He challenged you, that is all.

174

00:08:24,421 —> 00:08:26,256
Meet it.

175
00:08:27,758 —> 00:08:29,235
(DISTANT BELLS TOLLING)

176
00:08:29,259 —> 00:08:31,053
It's too big.

177
00:08:31,637 —> 00:08:33,096
(MUTTERS): Fucking thing.

178
00:08:37,476 —> 00:08:39,037
(HORSE WHINNIES)

179
00:08:39,061 —> 00:08:42,665
ORLO: Know anything about this lover
the emperor has given Catherine?

180
00:08:42,689 —> 00:08:44,667
What? Lover?

181

00:08:44,691 —> 00:08:47,629

That is immoral and disgusting.

182

00:08:47,653 —> 00:08:48,987

Poor child.

183

00:08:49,446 —> 00:08:51,216

So you did not know?

184

00:08:51,240 —> 00:08:53,927

It is not a gambit of some sort?

185

00:08:53,951 —> 00:08:56,137

A spy on her?

(DOORS OPEN)

186

00:08:56,161 —> 00:08:58,205

HERALD: The Emperor! Empress!

187

00:08:59,289 —> 00:09:00,934

(DOORS CLOSE)

188

00:09:00,958 —> 00:09:03,686
Thank you for the gift.
Hmm. Did you try him yet?

189
00:09:03,710 —> 00:09:06,439
It is very kind,
but I do not need a lover.

190
00:09:06,463 —> 00:09:07,524
I have you.

191
00:09:07,548 —> 00:09:10,109
Our fucking is as dull
as a beaver chomping at a log.

192
00:09:10,133 —> 00:09:11,903
You need a lover. It will cheer you.

193
00:09:11,927 —> 00:09:14,155
Grigor, how happy does it make me
to fuck your wife?

194
00:09:14,179 —> 00:09:16,241

It seems to be a constant source of joy.

195

00:09:16,265 —> 00:09:18,141

And that is exactly what I wish for you.

196

00:09:19,101 —> 00:09:21,287

Here they come. Shut up.

197

00:09:21,311 —> 00:09:23,915

Give me some of your medals.

What?

198

00:09:23,939 —> 00:09:25,708

Give me some of your fucking medals.

199

00:09:25,732 —> 00:09:27,210

(SIGHS)

200

00:09:27,234 —> 00:09:29,486

(FOOTSTEPS APPROACHING)

201

00:09:36,743 —> 00:09:38,471

Welcome home.

202

00:09:38,495 —> 00:09:42,725

The Russian fighting man

is the greatest in the world.

203

00:09:42,749 —> 00:09:45,019

I have created a rosemary blini,

204

00:09:45,043 —> 00:09:46,646

stuffed with chicken hearts,

205

00:09:46,670 —> 00:09:49,482

representing those evil,

blond Swedish fucks.

206

00:09:49,506 —> 00:09:51,526

We will munch on their tasty hearts.

207

00:09:51,550 —> 00:09:53,570

ALL: Huzzah!

And then,

208

00:09:53,594 —> 00:09:56,865

wash it down with a black,

pepper vodka that my father loved,

209

00:09:56,889 —> 00:09:58,867

as he loved you all.

210

00:09:58,891 —> 00:10:02,269

Huzzah. To Peter the Great.

211

00:10:03,395 —> 00:10:06,666

(GLASS SHATTERING)

212

00:10:06,690 —> 00:10:09,067

To me. Peter the...

213

00:10:11,236 —> 00:10:12,505

Me!

214

00:10:12,529 —> 00:10:14,716

ALL: Huzzah!

215

00:10:14,740 —> 00:10:18,094

Gentlemen, while the Swedes

tend their wounded for a day or two

216

00:10:18,118 —> 00:10:20,054

before we crush them properly,

217

00:10:20,078 —> 00:10:23,433

we will eat and drink,

and celebrate our greatness.

218

00:10:23,457 —> 00:10:26,376

Huzzah.

ALL: Huzzah!

219

00:10:28,795 —> 00:10:31,566

It went well, did you think, Grigor?

It was a triumph.

220

00:10:31,590 —> 00:10:34,486

If I might brief you

on the military briefing, sir.

221

00:10:34,510 —> 00:10:37,113

I am an instinctive military genius

as my father before me.

222

00:10:37,137 —> 00:10:38,740

I need no briefing.

223

00:10:38,764 —> 00:10:40,241

Yes, indeed.

224

00:10:40,265 —> 00:10:43,244

I have, um... (CLEARS THROAT)

come to understand that you've

225

00:10:43,268 —> 00:10:46,122

gifted a lover to the empress, sir.

226

00:10:46,146 —> 00:10:49,542

I would like to offer my services

in this regard,

227

00:10:49,566 —> 00:10:53,278

if this one does not work out

and a replacement is required.

228

00:10:54,363 —> 00:10:56,424

(BOTH SNICKERING)

229

00:10:56,448 —> 00:10:58,218

Grigor, did you...?

I did.

230

00:10:58,242 —> 00:11:02,162

(BOTH LAUGHING)

231

00:11:03,914 —> 00:11:06,893

That's rich, Velementov.

Oh, bravo, sir.

232

00:11:06,917 —> 00:11:08,978

I, I feel, uh...

PETER: Can you imagine?

233

00:11:09,002 —> 00:11:11,356

This warthog with his tiny cock

234

00:11:11,380 —> 00:11:14,108

that spurts only vodka on top of the

235

00:11:14,132 —> 00:11:16,927

(BOTH CACKLING)

236

00:11:19,054 —> 00:11:22,325

You have cheered me, no end. Bravo.

237

00:11:22,349 —> 00:11:25,411

Indeed. A remarkable jape from me.

238

00:11:25,435 —> 00:11:27,813

(GRIGOR LAUGHING)

239

00:11:33,402 —> 00:11:35,004

CATHERINE: Aunt Elizabeth.

240

00:11:35,028 —> 00:11:37,298

Darling Catherine.

241

00:11:37,322 —> 00:11:39,801

Look at that smile.

Mm.

242

00:11:39,825 —> 00:11:41,594

It's a lifesaver, isn't it?

243

00:11:41,618 —> 00:11:43,388

Indeed.

244

00:11:43,412 —> 00:11:45,163

Look at these fish.

245

00:11:46,540 —> 00:11:49,561

I used to watch them,

thinking them quite content.

246

00:11:49,585 —> 00:11:52,921

Now I realize they've gone

completely fucking mad.

247

00:11:54,631 —> 00:11:55,841

Who's Ivan?

248

00:11:57,676 —> 00:11:59,094

Who mentioned dear Ivan?

249

00:12:00,095 —> 00:12:03,867

I overheard someone. I don't know who.

250

00:12:03,891 —> 00:12:07,311

I am still new,

and I'm rather slow to learn names.

251

00:12:08,270 —> 00:12:11,315

But it did seem

a somewhat thrilling mystery.

252

00:12:19,031 —> 00:12:20,782

ELIZABETH: As you were.

253

00:12:31,543 —> 00:12:33,587

I have the only key.

254

00:12:40,886 —> 00:12:43,490

Ivan!

Lizzy!

255

00:12:43,514 —> 00:12:45,849

(DOOR CLOSES)

Cake!

256

00:12:46,725 —> 00:12:48,519

ELIZABETH: Oh!

257

00:12:49,853 —> 00:12:53,065

This is Catherine.

The empress.

258

00:12:54,316 —> 00:12:55,692

Lovely to meet you.

259

00:12:57,778 —> 00:13:00,239

Do you like my pictures?

260

00:13:12,584 —> 00:13:14,419

Marvelous.

261

00:13:15,921 —> 00:13:17,548

(CHALK SCRAPING)

262

00:13:20,676 —> 00:13:23,011

Getting so big.

263

00:13:25,013 —> 00:13:27,158

We must go now.

264

00:13:27,182 —> 00:13:29,184

Is Peter coming to see me?

265

00:13:30,143 —> 00:13:33,188

He's very busy.

I won't stab him.

266

00:13:33,814 —> 00:13:36,733

I haven't even hidden a knife anywhere.

267

00:13:37,442 —> 00:13:40,571

Of course you haven't.

You're far too sweet.

268

00:13:40,988 —> 00:13:42,322

My mother?

269

00:13:43,365 —> 00:13:44,759

Still abroad.

270

00:13:44,783 —> 00:13:48,304

Catherine, come visit me again.

271

00:13:48,328 —> 00:13:49,764

I will.

272

00:13:49,788 —> 00:13:51,391

Fucking promise it!

273

00:13:51,415 —> 00:13:54,227

Darling! Darling!

Rude.

274

00:13:54,251 —> 00:13:58,898

Sorry. I just want someone to play with.

275

00:13:58,922 —> 00:14:01,359

ELIZABETH:

Of course you do, darling.

276

00:14:01,383 —> 00:14:03,218

I'll be back later.

277

00:14:14,188 —> 00:14:17,292

(LOCK CLICKING)

He is a danger to us.

278

00:14:17,316 —> 00:14:18,710

I suppose we should kill him,

279

00:14:18,734 —> 00:14:20,944

but he is sort of family,

and we are sentimental.

280

00:14:21,695 —> 00:14:24,323

But now there is you, and soon an heir.

281

00:14:25,073 —> 00:14:26,384

Thank you for showing me.

282

00:14:26,408 —> 00:14:29,095

Oh, you are my family.

I will show you everything.

283

00:14:29,119 —> 00:14:31,139

Including how to find happiness here,

284

00:14:31,163 —> 00:14:34,184

and you will bear us an heir

and strengthen our line.

285

00:14:34,208 —> 00:14:37,085

But you must also know where danger lies.

286

00:14:38,795 —> 00:14:39,963

Oh.

287

00:14:40,506 —> 00:14:43,985

If you see who was talking about him,

you point them out to me.

288

00:14:44,009 —> 00:14:45,677

Indeed.

289

00:14:47,012 —> 00:14:49,115

MEN: Huzzah!

(POUNDING)

290

00:14:49,139 —> 00:14:52,660

Gentlemen, let us begin.

(GLASS SHATTERING)

291

00:14:52,684 —> 00:14:55,497

The Swede First, a toast.

292

00:14:55,521 —> 00:14:57,332

To our friend and leader,

293

00:14:57,356 —> 00:14:59,501

the emperor's father, Peter the Great.

294

00:14:59,525 —> 00:15:01,235
ALL: Huzzah!

295
00:15:02,736 —> 00:15:05,781
I have a new one, in his honor.

296
00:15:06,823 —> 00:15:08,760
ALL: Booya! Booya!

297
00:15:08,784 —> 00:15:13,431
I also have the Swede's nose
who scratched me, in a bag!

298
00:15:13,455 —> 00:15:15,725
ALL: Booya! Booya!

299
00:15:15,749 —> 00:15:18,394
TOLSTEN: To our brave Russian fighting men
from my battalion,

300
00:15:18,418 —> 00:15:20,438
who have won a battle on the field,

301

00:15:20,462 —> 00:15:23,149

opening up a chance of victory!

302

00:15:23,173 —> 00:15:25,401

PETER: No, if we

(ALL YELLING)

303

00:15:25,425 —> 00:15:27,904

COLONEL SVENSKA:

My battalion, outnumbered two to one,

304

00:15:27,928 —> 00:15:30,698

ran these fuckers into a ravine,

305

00:15:30,722 —> 00:15:32,867

and then we just waited

above them for days,

306

00:15:32,891 —> 00:15:35,411

till the fuckers went mad

and shot themselves.

307

00:15:35,435 —> 00:15:36,955
(ALL LAUGHING)

308
00:15:36,979 —> 00:15:40,107
(MEN SINGING IN RUSSIAN)

309
00:15:43,443 —> 00:15:45,571
Can we start?

310
00:15:47,656 —> 00:15:48,740
Indeed.

311
00:15:49,867 —> 00:15:52,720
Focus up. The Swedes are here,

312
00:15:52,744 —> 00:15:54,931
here, and here.

313
00:15:54,955 —> 00:15:57,833
Now, I suggest Give me that.

314
00:15:58,667 —> 00:16:01,920

When I started this war against Sweden,

it was because...

315

00:16:03,714 —> 00:16:06,341

Well, my father beat them, and I...

316

00:16:07,426 —> 00:16:11,364

and the Swedes are fucking

depraved animals, as is well known.

317

00:16:11,388 —> 00:16:15,201

Blond, moose buggering,

lingonberry gorging, humorless fucks,

318

00:16:15,225 —> 00:16:17,537

with a seaport we would do well to have.

319

00:16:17,561 —> 00:16:21,291

But then, instead of winning,

you allow us to be pushed back,

320

00:16:21,315 —> 00:16:23,668

so they are now in Russia itself.

321

00:16:23,692 —> 00:16:26,129

It's a fucking mess, to summarize.

322

00:16:26,153 —> 00:16:28,822

So I have a plan.

323

00:16:31,283 —> 00:16:33,702

I say we...

324

00:16:35,329 —> 00:16:38,266

come from here, through here,

325

00:16:38,290 —> 00:16:40,935

split our forces in four, all at once,

326

00:16:40,959 —> 00:16:43,021

probably at night, so they cannot see us.

327

00:16:43,045 —> 00:16:44,439

Maybe we have horses,

328

00:16:44,463 —> 00:16:46,774

although they are noisy,

so maybe we just run there.

329

00:16:46,798 —> 00:16:48,610

Then, at dawn, when they are breakfasting

330

00:16:48,634 —> 00:16:50,403

with cock in one hand

and brioche in other,

331

00:16:50,427 —> 00:16:53,615

we attack and destroy them,

winning the war in one morning.

332

00:16:53,639 —> 00:16:56,058

Huzzah!

(PANTS)

333

00:16:58,894 —> 00:17:00,246

It's an interesting idea.

334

00:17:00,270 —> 00:17:02,957
It is genius. Pick it apart if you can,
you fat fuck.

335
00:17:02,981 —> 00:17:05,168
Huh. Booya!

336
00:17:05,192 —> 00:17:06,652
VELEMENTOV: Well...

337
00:17:08,445 —> 00:17:11,132
Sir, this is a river, 11 feet deep,

338
00:17:11,156 —> 00:17:14,326
which you wish our men to cross.

339
00:17:18,372 —> 00:17:19,498
Boats.

340

(WOMEN GIGGLING)

107
00:05:20,320 —> 00:05:23,073
I'm sorry. In avenging me,
you have suffered.

108
00:05:23,740 —> 00:05:25,844
You may have to slap me down
in front of them.

109
00:05:25,868 —> 00:05:27,428
You mean put you in your place?

110
00:05:27,452 —> 00:05:29,264
I mean literally slap me to the floor.

111

00:05:29,288 —> 00:05:30,765

I will not do that.

112

00:05:30,789 —> 00:05:32,559

But I will make peace with her.

113

00:05:32,583 —> 00:05:35,002

It is done now, this tit for tat.

114

00:05:35,627 —> 00:05:37,522

I will win them back.

115

00:05:37,546 —> 00:05:39,732

Everyone likes me, always have.

116

00:05:39,756 —> 00:05:41,818

As ever, your confidence is

an inspiration.

117

00:05:41,842 —> 00:05:43,987

Vlad likes me. Don't you, Vlad?

I...

118

00:05:44,011 —> 00:05:45,405

Yes, Empress.

119

00:05:45,429 —> 00:05:47,574

What are you reading, Vlad?

Triangles.

120

00:05:47,598 —> 00:05:49,951

Triangles. Hmm. That's fun.

121

00:05:49,975 —> 00:05:52,287

Isosceles is particularly good.

Yes.

122

00:05:52,311 —> 00:05:54,038

Uh, the emperor is, is waiting.

123

00:05:54,062 —> 00:05:55,439

(GROANS)

124

00:05:57,691 —> 00:05:59,794

Where the fuck have you been?

Apologies.

125

00:05:59,818 —> 00:06:02,964

You have duties. We have duties.

We must wave the troops off.

126

00:06:02,988 —> 00:06:06,450

(BAND PLAYING PATRIOTIC MARCH)

127

00:06:08,744 —> 00:06:10,412

Fuck them up!

128

00:06:11,914 —> 00:06:13,916

(PATRIOTIC MARCH CONTINUING)

(HORSE WHINNIES)

129

00:06:17,628 —> 00:06:19,355

(GLASS SHATTERS)

Huzzah.

130

00:06:19,379 —> 00:06:20,839

(PETER GROANS)

131

00:06:21,673 —> 00:06:24,444

My spies tell me

you have kept Leo as your lover.

132

00:06:24,468 —> 00:06:25,737

I did.

133

00:06:25,761 —> 00:06:27,238

So?

134

00:06:27,262 —> 00:06:29,240

So?

"Thank you, husband.

135

00:06:29,264 —> 00:06:31,576

"You were right after all,

with your impeccable judgment,

136

00:06:31,600 —> 00:06:33,203

good looks, and massive cock."

137

00:06:33,227 —> 00:06:36,039
Thank you, husband.
You were right after all,

138
00:06:36,063 —> 00:06:39,584
with your impeccable "fudgement,"
good socks, and massive clock.

139
00:06:39,608 —> 00:06:40,943
Is that it?

140
00:06:41,985 —> 00:06:44,821
No, it was... Close enough.

141
00:06:46,114 —> 00:06:48,927
Don't fall in love with him
or I'll bust his head open with a bat.

142
00:06:48,951 —> 00:06:51,679
It is a pleasant diversion, that is all.

143
00:06:51,703 —> 00:06:53,389
We will still make an heir,

I'd do it now,

144

00:06:53,413 —> 00:06:54,891

but I just blew my bag on Madam Dymov.

145

00:06:54,915 —> 00:06:56,434

(SNORTS) Mm.

146

00:06:56,458 —> 00:06:57,793

My God.

147

00:06:59,211 —> 00:07:01,880

A phrase I have never heard.

(DOOR OPENS)

148

00:07:03,298 —> 00:07:05,235

The bishops assemble, sir.

149

00:07:05,259 —> 00:07:09,072

Why?

To pick a new patriarch.

150

00:07:09,096 —> 00:07:12,784
It is tradition to name a new one
the following day.

151
00:07:12,808 —> 00:07:15,620
And important to stop the regions

152
00:07:15,644 —> 00:07:19,499
sending their representatives
to court to lobby their men.

153
00:07:19,523 —> 00:07:22,627
Twenty years ago,
it led to much bloodshed.

154
00:07:22,651 —> 00:07:25,237
I remember. Or was told or...

155
00:07:26,947 —> 00:07:30,051
These eggs need salt
or salmon or something.

156
00:07:30,075 —> 00:07:32,077

Fuck off. I'll be in.

157

00:07:36,748 —> 00:07:38,041

(DOOR CLOSES)

158

00:07:39,209 —> 00:07:42,129

Is it true we exist before we are born?

159

00:07:43,714 —> 00:07:45,066

What did you say?

160

00:07:45,090 —> 00:07:48,027

Is-I am emperor, ordained by God.

161

00:07:48,051 —> 00:07:51,156

So he must have known me

before I existed, I assume.

162

00:07:51,180 —> 00:07:53,700

I see.

And he sees everything.

163

00:07:53,724 —> 00:07:56,476
But I am emperor by divine right, so...

164
00:07:57,853 —> 00:07:59,372
there's that.

165
00:07:59,396 —> 00:08:02,232
If I could be of assistance
to you, Emperor?

166
00:08:02,983 —> 00:08:05,211
(LAUGHING)

167
00:08:05,235 —> 00:08:06,880
A, a woman pick the patriarch?

168
00:08:06,904 —> 00:08:08,756
Huzzah. (GIGGLES)

169
00:08:08,780 —> 00:08:10,532
You have cheered me. You are sweet.

170

00:08:11,700 —> 00:08:12,868
(PETER SIGHS)

171
00:08:14,870 —> 00:08:17,581
(LADIES CHATTERING)

172
00:08:23,003 —> 00:08:26,107
(BAND PLAYING PATRIOTIC MARCH)

173
00:08:26,131 —> 00:08:28,175
(LADY SVENSKA SIGHS)
(FOOTSTEPS APPROACH)

174
00:08:29,676 —> 00:08:31,261
CATHERINE: Lady Svenska?
(GASPS SOFTLY)

175
00:08:33,847 —> 00:08:35,492
Have you been crying?

176
00:08:35,516 —> 00:08:38,244
At first sign of spring,
my allergies act up.

177

00:08:38,268 —> 00:08:42,397

Your husband is leaving.

Indeed. Huzzah.

178

00:08:43,148 —> 00:08:45,126

I feel we may have got off

on the wrong foot.

179

00:08:45,150 —> 00:08:48,320

Really? How so?

The dress thing,

180

00:08:48,904 —> 00:08:53,218

some general disdain on my part,

you beating my servant.

181

00:08:53,242 —> 00:08:56,179

I must confess, I do not know

to what you refer.

182

00:08:56,203 —> 00:08:59,206

You are our empress

and we are all blessed by it.

183
00:09:01,250 —> 00:09:02,417
Right.

184
00:09:03,961 —> 00:09:07,607
For even if we thought you were
a vicious cunt filled with arrogance,

185
00:09:07,631 —> 00:09:12,052
who fucked a horse before she arrived,
we would still respect you as our empress.

186
00:09:14,930 —> 00:09:16,741
I never fucked a horse!

187
00:09:16,765 —> 00:09:20,620
Do not fluster.
No good Christian will believe it.

188
00:09:20,644 —> 00:09:24,189
You have our respect, Empress.

189

00:09:25,190 —> 00:09:26,191

(HUFFS)

190

00:09:31,238 —> 00:09:34,008

(SIGHS)

Well?

191

00:09:34,032 —> 00:09:36,886

She's oddly impervious to my charms.

192

00:09:36,910 —> 00:09:38,972

What's the hold she has

over the other women?

193

00:09:38,996 —> 00:09:42,475

Well, she's very rich,

from one of the best families in Russia.

194

00:09:42,499 —> 00:09:43,977

And some owe her money.

195

00:09:44,001 —> 00:09:48,565

And she showers them all with gifts,

attention, and fun.

196

00:09:48,589 —> 00:09:52,110

Well, I'm rich,

and all the other things, and more.

197

00:09:52,134 —> 00:09:54,445

If we cannot win Svenska,

198

00:09:54,469 —> 00:09:56,906

perhaps we can peel the women off her.

199

00:09:56,930 —> 00:09:59,433

Empress, we have pressing business.

200

00:10:00,225 —> 00:10:02,328

Indeed. I now recall that.

201

00:10:02,352 —> 00:10:04,205

Count Voronsky.

202

00:10:04,229 —> 00:10:06,833
Count Orlo. Good day, sir.
Empress.

203
00:10:06,857 —> 00:10:10,295
Bishop Tarcinkus is here.
You should meet him.

204
00:10:10,319 —> 00:10:13,381
Orlo, unfortunately the pressures
on her time are great today.

205
00:10:13,405 —> 00:10:16,009
I shall be the judge
of the pressures on my day.

206
00:10:16,033 —> 00:10:18,178
Indeed. I am your humble servant.

207
00:10:18,202 —> 00:10:19,470
(GIGGLES)

208
00:10:19,494 —> 00:10:20,913

LEO: I shall away.

209

00:10:22,456 —> 00:10:24,851

Did he just bite you?

MARIAL: He did.

210

00:10:24,875 —> 00:10:27,145

I felt it a little inside myself.

211

00:10:27,169 —> 00:10:30,565

I do not wish to be annoying,

but to do this...

212

00:10:30,589 —> 00:10:32,609

(QUIETLY): Coup will take utter focus.

213

00:10:32,633 —> 00:10:35,278

I am focused, Orlo,

214

00:10:35,302 —> 00:10:37,888

but I must deal with

the count's insolence first.

215

00:10:40,724 —> 00:10:44,245

I do not understand

this scattered approach.

216

00:10:44,269 —> 00:10:47,040

Do you really not understand?

217

00:10:47,064 —> 00:10:49,858

I will now need to check you for a cock.

218

00:10:50,526 —> 00:10:53,529

Oh! Are you actually backing away?

219

00:11:06,416 —> 00:11:07,793

(SIGHS)

220

00:11:09,962 —> 00:11:12,756

(SMOOCHING)

(PANTING SOFTLY)

221

00:11:35,571 —> 00:11:39,157

(BREATHING HEAVILY)

222

00:11:51,879 —> 00:11:53,380

Wow.

223

00:11:55,549 —> 00:11:57,467

What is "wow"?

224

00:11:58,218 —> 00:12:00,071

I don't know.

225

00:12:00,095 —> 00:12:02,222

It is a word that came to me.

226

00:12:03,473 —> 00:12:05,309

It is right, I think.

227

00:12:14,693 —> 00:12:18,089

You all right?

I've enjoyed our time together.

228

00:12:18,113 —> 00:12:19,531

You may go.

229

00:12:22,492 —> 00:12:24,554

And when shall I return?

230

00:12:24,578 —> 00:12:26,389

At my pleasure.

231

00:12:26,413 —> 00:12:29,684

Speak no more, depart at once.

232

00:12:29,708 —> 00:12:32,711

(DISTANT BELLS TOLLING)

233

00:12:38,675 —> 00:12:41,637

Empress.

Do not...

234

00:12:43,472 —> 00:12:45,724

(DOOR OPENS)

...argue with me.

235

00:12:47,434 —> 00:12:49,019

(DOOR CLOSES)

236

00:12:53,315 —> 00:12:55,692

(SNIFFLING)

Are you all right?

237

00:12:56,610 —> 00:13:00,048

Of course.

It's a sad day for our nation.

238

00:13:00,072 —> 00:13:03,492

He was a father to you,

as you were to me.

239

00:13:04,618 —> 00:13:08,306

I feel a hole ripped in the earth...

240

00:13:08,330 —> 00:13:10,141

that may swallow me.

241

00:13:10,165 —> 00:13:13,144

As I felt when Mother died.

242

00:13:13,168 —> 00:13:17,899

But you grabbed my hand

and the hole did not swallow me.

243

00:13:17,923 —> 00:13:22,177

You were eight.

Loss is loss.

244

00:13:28,016 —> 00:13:30,978

I must, uh... see to my duties.

245

00:13:32,813 —> 00:13:34,106

Thank you.

246

00:13:41,530 —> 00:13:43,824

No one has seen him since breakfast.

247

00:13:48,871 —> 00:13:50,831

Go. I'll find him.

248

00:14:03,677 —> 00:14:05,679

(FOOT KNOCKING ON WALL)

249

00:14:06,471 —> 00:14:08,307

They're looking for you.

250

00:14:16,023 —> 00:14:19,002

Of course.

The patriarch.

251

00:14:19,026 —> 00:14:22,088

That old fuck, staring in your eyes.

252

00:14:22,112 —> 00:14:24,465

Why I've avoided him for years.

253

00:14:24,489 —> 00:14:27,051

And I've fucking given them everything.

254

00:14:27,075 —> 00:14:29,328

Why can't they choose

their own fucking person?

255

00:14:31,830 —> 00:14:34,976

You don't want that.

You need to choose.

256

00:14:35,000 —> 00:14:37,645

The church must be controlled.

257

00:14:37,669 —> 00:14:40,756

Come on, it'll be fun. I'll come.

258

00:14:41,965 —> 00:14:43,485

It'll be like, uh...

259

00:14:43,509 —> 00:14:46,446

when we interviewed those

French courtesans with your dad

260

00:14:46,470 —> 00:14:48,448

for who would be your first.

261

00:14:48,472 —> 00:14:50,849

Yes, it was good to be 11, wasn't it?

262

00:14:51,767 —> 00:14:54,412
Happy days. (LAUGHS)

263
00:14:54,436 —> 00:14:55,938
Come on.

264
00:15:04,112 —> 00:15:07,175
Ah. He's excited.

265
00:15:07,199 —> 00:15:09,469
They can be funny about women,
some of them,

266
00:15:09,493 —> 00:15:13,806
so, uh, he, he won't speak to you
or look you directly in the eye.

267
00:15:13,830 —> 00:15:17,793
You may pass by and get on your knees
and he will bless you.

268
00:15:19,461 —> 00:15:22,899
He will not speak to me?

How could he be a good choice for us?

269

00:15:22,923 —> 00:15:25,360

He is aligned with some of our views.

270

00:15:25,384 —> 00:15:27,737

One of my views is

that women are humans,

271

00:15:27,761 —> 00:15:29,364

he does not seem aligned with that.

272

00:15:29,388 —> 00:15:33,827

No, he is. He is. Just... they are old.

273

00:15:33,851 —> 00:15:35,853

We need to do this.

274

00:15:41,441 —> 00:15:43,253

Hello.

275

00:15:43,277 —> 00:15:45,755

How are you today?

276

00:15:45,779 —> 00:15:47,573

Bless this maiden.

277

00:15:49,116 —> 00:15:50,492

Oh.

278

I do not know whether I...

625

00:34:29,069 —> 00:34:31,506

admire it or despise it.

626

00:34:31,530 —> 00:34:34,658

Neither do I,

so I suggest you do neither.

627

00:34:39,121 —> 00:34:40,914

Merely enjoy me.

628

00:34:41,999 —> 00:34:44,602

Maybe... lick me a little.

629

00:34:44,626 —> 00:34:46,295

If you feel like it.

630

00:34:50,424 —> 00:34:51,943

Hmm.

631

00:34:51,967 —> 00:34:55,304

You know, I'm sorry,

but I cannot let you go.

632

00:34:58,265 —> 00:35:02,144

I never thought being doomed

would feel so pleasant.

633

00:35:09,151 —> 00:35:11,462

(INDISTINCT CHATTERING)

634

00:35:11,486 —> 00:35:12,696

(DOORS CLOSE)

635

00:35:17,784 —> 00:35:19,888

(WHISPERS): Archie,

you still have your visions

636

00:35:19,912 —> 00:35:21,431

and communications with God?

637

00:35:21,455 —> 00:35:25,518

Uh, they come to me
under certain conditions.

638
00:35:25,542 —> 00:35:27,687
Or he says they do.

639
00:35:27,711 —> 00:35:29,564
ARCHBISHOP: I am blessed to have
a connection with our Lord.

640
00:35:29,588 —> 00:35:31,900
It's so unusual,
I understand your disbelief,

641
00:35:31,924 —> 00:35:34,527
for your faith and imagination
are pedestrian.

642
00:35:34,551 —> 00:35:36,571
He just said, "Fuck you,"
if you did not get that, Orlo.

643
00:35:36,595 —> 00:35:39,324

I did, sir.

Great. So, my idea.

644

00:35:39,348 —> 00:35:42,202

Do your vision. Ask God who I should pick.

645

00:35:42,226 —> 00:35:44,454

What? No. No.

No?

646

00:35:44,478 —> 00:35:46,331

What the fuck are you talking for?

647

00:35:46,355 —> 00:35:49,834

I will pull out your tongue and eat it

with a nice salsa verde if it moves again.

648

00:35:49,858 —> 00:35:52,754

It does not really work like that.

649

00:35:52,778 —> 00:35:55,965

God--

Tell him I'm fucking asking.

650

00:35:55,989 —> 00:35:57,258

I am ordained by God,

651

00:35:57,282 —> 00:35:58,968

so he needs to play handball

with me on this

652

00:35:58,992 —> 00:36:01,471

if he doesn't want it all fucked up

by a wrong choice.

653

00:36:01,495 —> 00:36:07,227

Of course. I will see if I can

create the conditions for a vision.

654

00:36:07,251 —> 00:36:09,837

Fuck me.

Did you just speak?

655

00:36:23,267 —> 00:36:26,704

C... D...

656

00:36:26,728 —> 00:36:29,082

E... F...

657

00:36:29,106 —> 00:36:30,708

(ORLO GROANS)

658

00:36:30,732 —> 00:36:32,961

ORLO: He has sent Archie... G...

659

00:36:32,985 —> 00:36:36,923

to commune with God.

(SIGHS)

660

00:36:36,947 —> 00:36:39,676

God will show Archie a sign,

661

00:36:39,700 —> 00:36:43,221

and he will pick the patriarch

and inform Peter.

662

00:36:43,245 —> 00:36:45,682

He fucking has whoever he wants.

663

00:36:45,706 —> 00:36:48,476

Lying, disingenuous prick.

Ow!

664

00:36:48,500 —> 00:36:50,311

Marial!

665

00:36:50,335 —> 00:36:53,731

He is a good man,

and a holy man in his heart.

666

00:36:53,755 —> 00:36:56,151

He is your friend and cousin.

You are biased.

667

00:36:56,175 —> 00:36:58,236

He is a political animal,

668

00:36:58,260 —> 00:37:00,613

always protecting the power

and wealth of the church.

669

00:37:00,637 —> 00:37:03,908

He is a bishop,

that is what you would call his job.

670

00:37:03,932 —> 00:37:07,579

As it is your job to be an annoying,

un-fucked insect.

671

00:37:07,603 —> 00:37:09,479

Marial, take a breath.

672

00:37:11,148 —> 00:37:14,711

Orlo, if he is a political animal,

673

00:37:14,735 —> 00:37:16,796

he can be reasoned with.

674

00:37:16,820 —> 00:37:18,673

He does at least speak to women,

675

00:37:18,697 —> 00:37:21,384

so he has one up on our man, anyway.

676

00:37:21,408 —> 00:37:23,577

You have done deals in the past.

677

00:37:24,703 —> 00:37:26,055

Yes.

678

00:37:26,079 —> 00:37:28,725

So, push him toward our man.

679

00:37:28,749 —> 00:37:29,685

I could talk to him.

680

00:37:29,709 —> 00:37:32,312

ORLO: And he'll wonder why a woman

cares about the patriarch

681

00:37:32,336 —> 00:37:34,647

and tip our hand.

682

00:37:34,671 —> 00:37:37,025

(SIGHS)

It is my job.

683
00:37:37,049 —> 00:37:39,384
The patriarch affects the women, too.

684
00:37:40,177 —> 00:37:41,821
Just ask my nanny,

685
00:37:41,845 —> 00:37:44,240
who got pregnant out of wedlock,

686
00:37:44,264 —> 00:37:46,659
and they fucking killed her
in her village

687
00:37:46,683 —> 00:37:49,412
at the priest's behest!

688
00:37:49,436 —> 00:37:51,021
(DOORS SLAM)

689
00:37:55,025 —> 00:37:56,586

Orlo is wrong.

690
00:37:56,610 —> 00:37:58,445
Archie is a good man.

691
00:37:59,112 —> 00:38:01,299
I never got over the fingering,
to be honest.

692
00:38:01,323 —> 00:38:02,717
He had to do that.

693
00:38:02,741 —> 00:38:05,911
It is his role and duty.

694
00:38:07,663 —> 00:38:09,641
When my mother died,

695
00:38:09,665 —> 00:38:12,685
and my father clutched a bottle
and a whore to his breast

696

00:38:12,709 —> 00:38:15,146
instead of his young children,

697
00:38:15,170 —> 00:38:20,068
he took care of me,
and my sister, every day.

698
00:38:20,092 —> 00:38:24,447
He has a hard head for politics,
but trust me, a good heart.

699
00:38:24,471 —> 00:38:26,950
Leaving the bony fingers aside.

700
00:38:26,974 —> 00:38:28,684
(CHUCKLES)

701
00:38:35,941 —> 00:38:37,359
Archie.

702
00:38:38,318 —> 00:38:39,838
Orlo.

703

00:38:39,862 —> 00:38:42,698

Can we talk about who the patriarch

should be?

704

00:38:43,657 —> 00:38:47,679

Always with the politics, Orlo.

What a small world you live in.

705

00:38:47,703 —> 00:38:51,683

Everything is politics, Archie.

That just means your price is high.

706

00:38:51,707 —> 00:38:54,018

You are going to have a vision,

707

00:38:54,042 —> 00:38:56,479

and lo and behold, it will be Kerlov.

708

00:38:56,503 —> 00:38:59,357

I feel sorry for you

that you think that.

709

00:38:59,381 —> 00:39:01,067

That's the problem with your philosophy.

710

00:39:01,091 —> 00:39:02,986

You aggrandize the individual,

711

00:39:03,010 —> 00:39:04,803

think we're not part of something bigger.

712

00:39:05,637 —> 00:39:07,991

It's a barren wasteland of aloneness

713

00:39:08,015 —> 00:39:10,535

that you try to push us towards.

714

00:39:10,559 —> 00:39:13,246

God enfolds us.

715

00:39:13,270 —> 00:39:15,915

His love enfolds us.

716

00:39:15,939 —> 00:39:19,085

And right now your bullshit

enfolds me.

717

00:39:19,109 —> 00:39:22,213

Any warmth I can bring, my friend.

718

00:39:22,237 —> 00:39:25,175

Let us work out

who suits us both best.

719

00:39:25,199 —> 00:39:26,676

All I ask.

720

00:39:26,700 —> 00:39:29,137

I'm God's servant, not yours.

721

00:39:29,161 —> 00:39:31,014

No politics.

722

00:39:31,038 —> 00:39:32,807

He directs me.

723

00:39:32,831 —> 00:39:35,018
Tarcinkus is a good man,

724
00:39:35,042 —> 00:39:36,936
all I wanted to say,

725
00:39:36,960 —> 00:39:39,898
a man we can both work with.

726
00:39:39,922 —> 00:39:42,025
He has no real opinions.

727
00:39:42,049 —> 00:39:43,526
Shit.

728
00:39:43,550 —> 00:39:45,778
ELIZABETH: "Now here, now there",

729
00:39:45,802 —> 00:39:48,656
"the roving fancy flies,

730
00:39:48,680 —> 00:39:53,161

"till some loved object

strikes her wandering eyes,

731

00:39:53,185 —> 00:39:58,500

"whose silken fetters

all the senses bind,

732

00:39:58,524 —> 00:40:03,755

and soft captivity involves the mind."

733

00:40:03,779 —> 00:40:05,322

Hello.

734

00:40:06,114 —> 00:40:07,967

The women.

735

00:40:07,991 —> 00:40:09,344

Ah, yes.

736

00:40:09,368 —> 00:40:11,912

I heard a tea dance got out of hand.

737

00:40:16,583 —> 00:40:18,937
They hate me.

738
00:40:18,961 —> 00:40:22,899
Well, you did stripe Svenska
most marvelously.

739
00:40:22,923 —> 00:40:25,151
But her surface is what matters to her,

740
00:40:25,175 —> 00:40:26,969
and you scratched it hard.

741
00:40:28,720 —> 00:40:30,406
I want them to like me.

742
00:40:30,430 —> 00:40:33,451
Why? They are dreary.

743
00:40:33,475 —> 00:40:36,454
All you need to do
is be respected by them

744

00:40:36,478 —> 00:40:38,581

and show responsibility for them.

745

00:40:38,605 —> 00:40:40,625

Show responsibility?

746

00:40:40,649 —> 00:40:43,193

You are the only voice the women have.

747

00:40:43,735 —> 00:40:46,548

But I do not have a voice.

You must grow one.

748

00:40:46,572 —> 00:40:49,801

As you will grow an heir

in your bright, shiny womb.

749

00:40:49,825 —> 00:40:51,285

Oh, wait.

750

00:40:57,624 —> 00:40:59,185

CATHERINE: What are these?

751

00:40:59,209 —> 00:41:00,728

Inspiration

752

00:41:00,752 —> 00:41:02,480

and education.

753

00:41:02,504 —> 00:41:04,649

Is it physically possible?

754

00:41:04,673 —> 00:41:06,234

I thought not,

755

00:41:06,258 —> 00:41:08,403

but as long as you have

someone to brace you,

756

00:41:08,427 —> 00:41:09,970

that one is excellent.

757

00:41:10,929 —> 00:41:12,931

Though painful for a few days after.

758

00:41:14,349 —> 00:41:16,327

You're intrigued.

759

00:41:16,351 —> 00:41:18,788

They fire something in me.

760

00:41:18,812 —> 00:41:20,647

Hmm.

761

00:41:21,148 —> 00:41:24,401

Which brings me to this horse story.

762

00:41:25,277 —> 00:41:29,048

I wanted to, but the horse said no,

and neigh means neigh.

763

00:41:29,072 —> 00:41:30,466

(LAUGHS)

764

00:41:30,490 —> 00:41:32,534

You are a delight.

765

00:41:33,076 —> 00:41:36,890

We are all animals, so I would not

judge it harshly if you had.

766

00:41:36,914 —> 00:41:39,726

I once saw a deer so beautiful,

767

00:41:39,750 —> 00:41:42,145

I leant against a tree

with my dress raised,

768

00:41:42,169 —> 00:41:44,213

hoping it would mount me.

769

00:41:48,091 —> 00:41:49,402

Anyways,

770

00:41:49,426 —> 00:41:51,446

the ladies.

771

00:41:51,470 —> 00:41:53,823

You may have to slap Marial down.

772

00:41:53,847 —> 00:41:55,533

That's what she said.

773

00:41:55,557 —> 00:41:56,618

Wise girl.

774

00:41:56,642 —> 00:41:59,829

You cannot choose a servant

over a lady. It will not do.

775

00:41:59,853 —> 00:42:01,230

I will not.

776

00:42:03,065 —> 00:42:04,274

(GASPS)

777

00:42:05,943 —> 00:42:07,170

(LAUGHS)

778

00:42:07,194 —> 00:42:10,590

Just like that. See?

779

00:42:10,614 —> 00:42:12,675

It is not easy being empress,

780

00:42:12,699 —> 00:42:15,053

but you can do it.

(CATHERINE SIGHS)

781

00:42:15,077 —> 00:42:17,639

Now, I have these sticks from Asia.

782

00:42:17,663 —> 00:42:19,307

They are to enhance your fertility,

783

00:42:19,331 —> 00:42:22,101

but I cannot work out

whether we wave them over your womb

784

00:42:22,125 —> 00:42:23,836

or insert them into you.

785

00:42:24,837 —> 00:42:27,464
I'm pretty sure it's
a "wave them" situation.

786
00:42:31,301 —> 00:42:33,971
(BIRDS CHIRPING)

787
00:42:46,275 —> 00:42:49,278
(ARCHBISHOP GASPING)

788
00:42:55,742 —> 00:42:57,452
Are you all right?

789
00:43:03,000 —> 00:43:05,311
You shimmer...

790
00:43:05,335 —> 00:43:07,188
with radiance.

791
00:43:07,212 —> 00:43:09,732
Are you an angel?

792

00:43:09,756 —> 00:43:12,068

(DISTORTED)

Some have said it.

793

00:43:12,092 —> 00:43:15,905

Guidance. Thank you for coming.

794

00:43:15,929 —> 00:43:19,617

Apparently, you have a good heart

under those dark clothes.

795

00:43:19,641 —> 00:43:21,268

I do.

796

00:43:22,603 —> 00:43:25,165

You could help Russia.

797

00:43:25,189 —> 00:43:26,875

It is awry.

798

00:43:26,899 —> 00:43:29,318

I wish nothing else.

799

00:43:30,944 —> 00:43:34,924

Who should it be, the patriarch?

800

00:43:34,948 —> 00:43:37,659

Guidance is sought.

for the rest of the afternoon.

179
00:09:31,947 —> 00:09:33,633
I'm sorry.

180
00:09:33,657 —> 00:09:37,971
I handled the whole thing with
the dexterity of a doughy two-year-old.

181
00:09:37,995 —> 00:09:40,390
I am more limited than I thought.

182
00:09:40,414 —> 00:09:42,791
You want to give up. I can see it.

183
00:09:44,126 —> 00:09:47,021
I think a moment's repose would be good.

184

00:09:47,045 —> 00:09:49,840

To rethink, and reset, and...

185

00:09:51,175 —> 00:09:54,821

I mean, I have sent Orlo

to see Velementov.

186

00:09:54,845 —> 00:09:56,847

So clearly, I'm...

187

00:09:57,598 —> 00:09:59,474

still determined.

188

00:10:05,439 —> 00:10:07,900

(INDISTINCT CHATTERING)

189

00:10:10,527 —> 00:10:11,612

(GRUNTS)

190

00:10:14,114 —> 00:10:15,383

(SHEEP BLEATING)

191

00:10:15,407 —> 00:10:16,700

(GRUNTS)

192

00:10:18,619 —> 00:10:19,912

(SHOVEL SCRAPES)

193

00:10:20,829 —> 00:10:22,915

Oh. Daughter!

194

00:10:23,999 —> 00:10:25,518

(MARIAL GRUNTS)

(THUDS)

195

00:10:25,542 —> 00:10:26,710

(PAINED GASP)

196

00:10:30,088 —> 00:10:31,882

ELIZABETH: Dear little fellow.

197

00:10:33,425 —> 00:10:34,927

For the journey.

198

00:10:36,762 —> 00:10:39,199

You're late.

Hello.

199

00:10:39,223 —> 00:10:40,867

Fucking dead, aren't you?

200

00:10:40,891 —> 00:10:42,768

ELIZABETH: Sit.

PETER: Little tyke.

201

00:10:43,185 —> 00:10:44,621

Fuck you.

202

00:10:44,645 —> 00:10:45,771

Never liked him.

203

00:10:47,064 —> 00:10:48,291

Thanks, by the way.

204

00:10:48,315 —> 00:10:49,292

Did it yourself?

205
00:10:49,316 —> 00:10:51,377
Of course. Family.

206
00:10:51,401 —> 00:10:53,379
I would not let a stranger do it.

207
00:10:53,403 —> 00:10:55,256
Well, you gave him
a couple of extra years.

208
00:10:55,280 —> 00:10:56,841
I would have done it
when we did his mother.

209
00:10:56,865 —> 00:10:58,301
You do love children.

210
00:10:58,325 —> 00:10:59,511
It is true. I do.

211

00:10:59,535 —> 00:11:02,096
It's a shame yours died.
What was he called again?

212
00:11:02,120 —> 00:11:03,723
How do you feel?

213
00:11:03,747 —> 00:11:05,183
I feel great.

214
00:11:05,207 —> 00:11:07,185
A bit weird, being in here.

215
00:11:07,209 —> 00:11:10,063
Had some unsettling dreams
about God and a raven.

216
00:11:10,087 —> 00:11:12,315
Then I dreamed Mother
was biting chunks out of me.

217
00:11:12,339 —> 00:11:14,901
Oh, she only did it the once,

and it was a small piece.

218

00:11:14,925 —> 00:11:16,927

Do not over-dramatize it, darling.

219

00:11:21,306 —> 00:11:23,809

The idea you might die was terrifying.

220

00:11:25,602 —> 00:11:26,955

You would miss me?

221

00:11:26,979 —> 00:11:28,230

Of course.

222

00:11:28,689 —> 00:11:30,875

And the ramifications.

223

00:11:30,899 —> 00:11:33,044

Poor Catherine looked completely at sea.

224

00:11:33,068 —> 00:11:36,172

Well, she is just a woman.

Weak of mind, and firm of breast.

225

00:11:36,196 —> 00:11:39,175

Do not judge her harshly.

People saw her fragility.

226

00:11:39,199 —> 00:11:41,177

For a moment,

I thought we might have to kill her,

227

00:11:41,201 —> 00:11:43,429

and that I would have to do it,

and I am too busy for that.

228

00:11:43,453 —> 00:11:44,848

Hmm.

229

00:11:44,872 —> 00:11:47,016

I have become interested in fertility.

230

00:11:47,040 —> 00:11:49,519

You do love to fuck.

It runs in the blood.

231

00:11:49,543 —> 00:11:52,147

And fuck you should, my dear.

Your wife.

232

00:11:52,171 —> 00:11:54,315

We need an heir. Preferably male.

233

00:11:54,339 —> 00:11:55,400

I'm trying.

234

00:11:55,424 —> 00:11:59,112

Putting your cock in Madam Dymov

does not get Catherine pregnant.

235

00:11:59,136 —> 00:12:02,490

Although, how fabulous if it did.

236

00:12:02,514 —> 00:12:05,660

By doing it to someone,

you could get someone else pregnant,

237

00:12:05,684 —> 00:12:07,579
or fellate one man
and have another feel it.

238
00:12:07,603 —> 00:12:09,062
Oh, how marvelous.

239
00:12:09,897 —> 00:12:12,208
Hmm. I digress.

240
00:12:12,232 —> 00:12:13,835
Dymov makes me happy.

241
00:12:13,859 —> 00:12:17,797
And having nearly died,
happiness is everything.

242
00:12:17,821 —> 00:12:20,741
It is a profound thought
I have taken from the experience.

243
00:12:24,077 —> 00:12:25,913
Don't. Don't.

244

00:12:27,122 —> 00:12:28,808

You will ruin us.

245

00:12:28,832 —> 00:12:31,376

I said... don't.

246

00:12:32,544 —> 00:12:33,712

(EXHALES)

247

00:12:36,965 —> 00:12:39,235

I never believed your mother.

248

00:12:39,259 —> 00:12:41,196

And we shall prove her wrong.

249

00:12:41,220 —> 00:12:43,740

I am something other than what I was.

250

00:12:43,764 —> 00:12:47,017

You were the cat's nightclothes,

and always have been.

251

00:12:47,935 —> 00:12:49,204

Go seed your wife.

252

00:12:49,228 —> 00:12:50,914

Get us an heir.

253

00:12:50,938 —> 00:12:51,915

I will.

254

00:12:51,939 —> 00:12:54,959

I will be the most loved leader

Russia has ever known.

255

00:12:54,983 —> 00:12:58,379

That is my prophecy,

and always has been, darling.

256

00:12:58,403 —> 00:13:00,405

Hmm. Mm.

257

00:13:01,281 —> 00:13:02,281

Mm.

258

00:13:12,167 —> 00:13:13,853

CATHERINE:

I sometimes wake in the night,

259

00:13:13,877 —> 00:13:16,481

and feel like the birds on my wallpaper

260

00:13:16,505 —> 00:13:19,275

have flown to different spots on the wall.

261

00:13:19,299 —> 00:13:22,302

A few more glasses of this

delightful stuff and perhaps they will.

262

00:13:29,893 —> 00:13:30,870

(DOOR OPENS)

263

00:13:30,894 —> 00:13:32,705

Leo, fuck off for a while.

264

00:13:32,729 —> 00:13:34,857

Empress, let us fuck.

265

00:13:36,608 —> 00:13:37,985

Indeed.

266

00:13:42,906 —> 00:13:44,491

I will see him out.

267

00:14:00,299 —> 00:14:01,341

Sorry.

268

00:14:02,301 —> 00:14:03,760

It is what it is.

269

00:14:04,469 —> 00:14:05,762

We just...

270

00:14:06,638 —> 00:14:10,368

It has never happened since I arrived.

271

00:14:10,392 —> 00:14:12,102

I guess that-- We forgot.

272
00:14:15,689 —> 00:14:17,000
(FOOTSTEPS DEPARTING)

273
00:14:17,024 —> 00:14:18,585
Fuck.

274
00:14:18,609 —> 00:14:21,236
(SIGHS)
I cannot have his child.

275
00:14:22,779 —> 00:14:23,947
Lemon tops.

276
00:14:33,040 —> 00:14:35,852
Put this inside you.
It acts as a wall,

277
00:14:35,876 —> 00:14:37,812
and the acid kills his juice.

278

00:14:37,836 —> 00:14:39,379

Thank you.

279

00:14:40,589 —> 00:14:42,174

I am your servant.

280

00:14:43,926 —> 00:14:45,052

Waiting!

281

00:14:49,306 —> 00:14:51,266

(PETER PANTING)

282

00:14:52,851 —> 00:14:54,078

It's just so strange.

283

00:14:54,102 —> 00:14:56,414

Even now. Normally I think of hunting,

284

00:14:56,438 —> 00:14:58,541

and what gooseberry is best with pork,

285

00:14:58,565 —> 00:15:02,795

but now I'm thinking about
how I have a child in my cock,

286
00:15:02,819 —> 00:15:05,423
and I'm about to shoot it into you.
(BREATHES HEAVILY)

287
00:15:05,447 —> 00:15:07,675
It is extraordinary to think of,
is it not?

288
00:15:07,699 —> 00:15:10,303
It is indeed a lot to ponder.

289
00:15:10,327 —> 00:15:12,013
Something has shifted in me.

290
00:15:12,037 —> 00:15:13,973
I know not what, but...

291
00:15:13,997 —> 00:15:16,559
It has been a torrid few days.

292

00:15:16,583 —> 00:15:17,977

Exactly.

293

00:15:18,001 —> 00:15:20,796

Ooh! Here he goes.

294

00:15:22,548 —> 00:15:23,674

Huh.

295

00:15:25,300 —> 00:15:26,844

(SIGHS)

296

00:15:28,846 —> 00:15:30,264

(GROANS)

297

00:15:31,807 —> 00:15:32,933

(SIGHS)

298

00:15:33,475 —> 00:15:34,726

(PETER EXHALES)

299

00:15:39,022 —> 00:15:40,691
What do you normally do now?

300
00:15:42,401 —> 00:15:44,462
I normally have a bath.

301
00:15:44,486 —> 00:15:46,214
Great.

302
00:15:46,238 —> 00:15:47,698
Let's do that, then.

303
00:15:48,448 —> 00:15:49,491
(SIGHS)

304
00:15:54,913 —> 00:15:56,850
You have a rash.

305
00:15:56,874 —> 00:15:58,560
Yes.

306
00:15:58,584 —> 00:16:00,562

It broke out about the time you were ill.

307

00:16:00,586 —> 00:16:02,212

Mm. I'm touched.

308

00:16:04,381 —> 00:16:07,152

This shift in you. It is for change.

309

00:16:07,176 —> 00:16:09,487

Yes. But how?

310

00:16:09,511 —> 00:16:11,197

I don't know how.

311

00:16:11,221 —> 00:16:12,532

You would like to be loved.

312

00:16:12,556 —> 00:16:14,117

(SCOFFS) I am loved.

313

00:16:14,141 —> 00:16:16,894

Mmm, someone tried to kill you.

314

00:16:17,269 —> 00:16:18,705

Toosh-ay.

315

00:16:18,729 —> 00:16:21,708

(CHUCKLES)

How to change though.

316

00:16:21,732 —> 00:16:23,126

I am perfect,

317

00:16:23,150 —> 00:16:25,920

but I know I must change somehow.

It's a fucking conundrum.

318

00:16:25,944 —> 00:16:28,906

Yes. I see what you say.

319

00:16:29,698 —> 00:16:31,217

(SIGHS)

320

00:16:31,241 —> 00:16:34,661

This shift in you must be
manifested in Russia.

321
00:16:35,495 —> 00:16:38,683
And then you will be who you desire to be.

322
00:16:38,707 —> 00:16:40,310
This new man.

323
00:16:40,334 —> 00:16:41,519
I said that?

324
00:16:41,543 —> 00:16:44,230
Your point is that you would need to be
a different leader.

325
00:16:44,254 —> 00:16:46,107
Right. Yes. I suppose so.

326
00:16:46,131 —> 00:16:48,526
Hmm.
Listen to the people.

327

00:16:48,550 —> 00:16:49,777

What do they want?

328

00:16:49,801 —> 00:16:51,571

What do they want?

What about what I want?

329

00:16:51,595 —> 00:16:55,241

You would like them to love you,

and be happy.

330

00:16:55,265 —> 00:16:58,119

So what they want is the key to that.

331

00:16:58,143 —> 00:17:02,457

What they want. It's a novel idea.

Possibly French?

332

00:17:02,481 —> 00:17:06,878

Mm. The thing is, they may not always

know what they want.

333

00:17:06,902 —> 00:17:11,090
But as their leader, you will intuit,
and seek their counsel.

334
00:17:11,114 —> 00:17:13,134
Talk to them.
Yes.

335
00:17:13,158 —> 00:17:16,721
I mean, it is easy to guess some things.

336
00:17:16,745 —> 00:17:19,498
It is? Yeah, of course it is.

337
00:17:20,666 —> 00:17:23,645
You may list them, if you like,
to aid our conversation,

338
00:17:23,669 —> 00:17:26,523
as I am in a relaxed state
and do not wish to exert myself,

339
00:17:26,547 —> 00:17:29,234

but know everything you're about to say.

340

00:17:29,258 —> 00:17:33,404

(PETER INHALES, THEN EXHALES)

Well, some great art from Europe.

341

00:17:33,428 —> 00:17:36,574

More music. Readings at court.

342

00:17:36,598 —> 00:17:40,078

Science exhibitions. People love them.

343

00:17:40,102 —> 00:17:42,372

They do?

Mm.

344

00:17:42,396 —> 00:17:45,959

In Germany, crowds would gather

in the thousands.

345

00:17:45,983 —> 00:17:50,213

And the happiness and gratefulness

of the people? Extraordinary.

346

00:17:50,237 —> 00:17:53,550

Because they knew the Emperor

wished them happy.

347

00:17:53,574 —> 00:17:56,344

Wished their minds and hearts to grow

as the empire would.

348

00:17:56,368 —> 00:17:57,720

That sounds good.

349

00:17:57,744 —> 00:18:00,890

I could pick the art.

Things people would love.

350

00:18:00,914 —> 00:18:03,000

Do it. (CHUCKLES)

(FOOTSTEPS APPROACHING)

351

00:18:04,418 —> 00:18:06,086

I should go.

352

00:18:08,297 —> 00:18:10,299

(LIGHT MUSIC PLAYING)

353

00:18:13,760 —> 00:18:16,823

Good day, serf.

What do you say of the kingdom?

354

00:17:49,111 —> 00:17:53,508

Oh, I wish I could.

I'm, uh, fetching drinks.

371

00:17:53,532 —> 00:17:55,927

Let's do it anyway. Humph.

372

00:17:55,951 —> 00:17:59,788

(ELECTRICITY CRACKLING)

373

00:18:01,874 —> 00:18:05,145

May I talk to you about something first?

374

00:18:05,169 —> 00:18:06,461

I suppose.

375

00:18:07,296 —> 00:18:09,631

What happened to me this morning...

376

00:18:10,299 —> 00:18:13,319

I think it would be best

if we do not mention it to Leo.

377

00:18:13,343 —> 00:18:17,031

Mm.

It is a matter of manly pride, I think.

378

00:18:17,055 —> 00:18:19,868

He perhaps is not as skilled in the area,

379

00:18:19,892 —> 00:18:22,412

and could be put off.

I suspected as such.

380

00:18:22,436 —> 00:18:23,788

Do not worry.

I will handle things lightly,

381

00:18:23,812 —> 00:18:25,665

as I always do.

382

00:18:25,689 —> 00:18:27,649

I need to speak with you. Urgently.

383

00:18:28,442 —> 00:18:29,735

I will return.

384

00:18:30,819 —> 00:18:32,779

DR. CHEKHOV:

The scrotum, dissected.

385

00:18:42,873 —> 00:18:44,267

LADY SVENSKA: Madam Dymov.

386

00:18:44,291 —> 00:18:47,103

It is spectacular, is it not?

387

00:18:47,127 —> 00:18:48,980

All this change at court.

388

00:18:49,004 —> 00:18:51,483

We have been reading all day

and are suddenly full of culture

389

00:18:51,507 —> 00:18:53,193

and fun word japes.

390

00:18:53,217 —> 00:18:55,219

Your new spot at the table, for instance.

391

00:18:55,844 —> 00:18:58,555

A metaphor for how things are progressing

with the Emperor.

392

00:18:59,139 —> 00:19:01,367

How else might we put it creatively?

393

00:19:01,391 —> 00:19:05,538

You are a tray of old food

he has left outside his room.

394

00:19:05,562 —> 00:19:08,249

A wig that has

lost its shape and been replaced.

395

00:19:08,273 —> 00:19:10,460

And you are fucking bitches.

396

00:19:10,484 —> 00:19:14,047

Witty. I will put that in my new book

of witty sayings.

397

00:19:14,071 —> 00:19:16,382

(TATYANA CHUCKLES)

LEO: Good afternoon, ladies.

398

00:19:16,406 —> 00:19:18,033

Uh...

Oh.

399

00:19:20,953 —> 00:19:22,639

I do not know them well,

400

00:19:22,663 —> 00:19:24,891

but they seem quite terrifying.

401

00:19:24,915 —> 00:19:28,019

They are harmless.

Just enjoying this new Peter.

402

00:19:28,043 —> 00:19:29,187

(LAUGHING)

403

00:19:29,211 —> 00:19:30,563

And you are not?

404

00:19:30,587 —> 00:19:32,398

He seems distracted,

405

00:19:32,422 —> 00:19:34,484

as is the Empress, I'd imagine.

406

00:19:34,508 —> 00:19:36,319

She has seen a change in him.

407

00:19:36,343 —> 00:19:40,073

Wants to embrace it, even if it is

through gritted teeth at times.

408

00:19:40,097 —> 00:19:43,076

PETER: Ah, Leo. Lost you.

409

00:19:43,100 —> 00:19:44,619

I have something to share.

410

00:19:44,643 —> 00:19:46,913

Another experiment.

PETER: In a sense.

411

00:19:46,937 —> 00:19:49,499

I put on a tongue play for the Empress

this morning,

412

00:19:49,523 —> 00:19:51,459

and fuck me, did she applaud,

413

00:19:51,483 —> 00:19:55,404

stammer, and sing a little bit

with unbridled fucking joy.

414

00:19:57,030 —> 00:19:58,240

I ate her pussy.

415

00:19:59,074 —> 00:20:02,720

Oh, I see. You're speechless,

not uncomprehending.

416

00:20:02,744 —> 00:20:05,431

Catherine has told me of your... issues.

417

00:20:05,455 —> 00:20:07,100

Thought it best not to mention,

418

00:20:07,124 —> 00:20:09,310

but then, if there is one thing

I have learned since my near death,

419

00:20:09,334 —> 00:20:11,813

it is that knowledge is all.

420

00:20:11,837 —> 00:20:13,898

You know it can be done,

and that I did it,

421
00:20:13,922 —> 00:20:15,716
and now you may improve.

422
00:20:17,759 —> 00:20:19,612
Yes.
PETER: Humph.

423
00:20:19,636 —> 00:20:21,364
Huzzah. Very kind.

424
00:20:21,388 —> 00:20:22,866
Anyway, we'll chat.

425
00:20:22,890 —> 00:20:25,034
Perhaps we can print you up
a diagram later, hmm?

426
00:20:25,058 —> 00:20:26,310
(CHUCKLES)

427

00:20:28,562 —> 00:20:31,323
What was that you were saying
about the Empress and her gritted teeth?

428
00:20:35,152 —> 00:20:37,196
Where is he?
The cupboard. I panicked.

429
00:20:40,908 —> 00:20:43,761
(KNOCKS TWICE)
Are you all right in there, Vlad?

430
00:20:43,785 —> 00:20:45,221
VLAD: Well...

431
00:20:45,245 —> 00:20:47,873
I, I have pox, so... not great.

432
00:20:49,166 —> 00:20:50,977
But, Em-Empress, I'm s-sorry.

433
00:20:51,001 —> 00:20:53,229
There is nothing be sorry for.

434

00:20:53,253 —> 00:20:55,088

We will help you through it.

435

00:20:59,426 —> 00:21:01,428

You found the markings on his back?

436

00:21:02,638 —> 00:21:04,115

You're sure it is the pox?

437

00:21:04,139 —> 00:21:05,450

My mother died from it.

438

00:21:05,474 —> 00:21:08,077

I will remember those markings

for the rest of my life.

439

00:21:08,101 —> 00:21:09,454

How did you see them?

440

00:21:09,478 —> 00:21:12,916

We were making the bed,

and his shirt f-fell off-came down.

441

00:21:12,940 —> 00:21:14,292

Hmm. Strange.

442

00:21:14,316 —> 00:21:15,752

(FOOTSTEPS APPROACHING)

443

00:21:15,776 —> 00:21:16,920

Chekhov.

444

00:21:16,944 —> 00:21:19,130

Empress. (CLEARS THROAT)

Excuse the blood.

445

00:21:19,154 —> 00:21:21,382

My servant has smallpox.

He is in the cupboard.

446

00:21:21,406 —> 00:21:23,176

Excellent. Well done.

447

00:21:23,200 —> 00:21:24,886
We can probably just
carry him outside in that,

448
00:21:24,910 —> 00:21:27,680
as it is wood, and it'll burn quite well.
VLAD: What?

449
00:21:27,704 —> 00:21:29,140
DR. CHEKHOV:
There is an outbreak downstairs

450
00:21:29,164 —> 00:21:30,892
in the servants' quarters.
We must deal with this.

451
00:21:30,916 —> 00:21:33,686
It is the way they do it.
They burn them all. This is why I hid him.

452
00:21:33,710 —> 00:21:35,271
We are not burning him.

453

00:21:35,295 —> 00:21:37,649

VLAD: Thank you.

What about treatments?

454

00:21:37,673 —> 00:21:40,693

Nobility, we try, but servants...

455

00:21:40,717 —> 00:21:42,821

Believe me, I know it is difficult to find

456

00:21:42,845 —> 00:21:44,948

good service people,

but there will be others.

457

00:21:44,972 —> 00:21:48,034

Not everyone dies from the pox.

You burn them all?

458

00:21:48,058 —> 00:21:49,619

It is standard process.

459

00:21:49,643 —> 00:21:52,729

No one is burning anyone. Treat him.

460

00:21:54,314 —> 00:21:57,734

Let's push the cupboard into that room,

and shut him in there.

461

00:22:00,487 —> 00:22:03,675

PETER: Now, can anything

be shot from a gun?

462

00:22:03,699 —> 00:22:05,134

Let us see.

463

00:22:05,158 —> 00:22:07,720

And... if it lives,

464

00:22:07,744 —> 00:22:10,348

have we invented a new form of travel?

465

00:22:10,372 —> 00:22:12,350

Hmm? Huh?

466

00:22:12,374 —> 00:22:14,084

(FIRES)

(ALL EXCLAIMING)

467

00:22:14,668 —> 00:22:16,062

Huh. Huzzah!

468

00:22:16,086 —> 00:22:18,731

(ALL LAUGHING AND APPLAUDING)

469

00:22:18,755 —> 00:22:19,798

CATHERINE: I'm sorry.

470

00:22:20,340 —> 00:22:21,943

I need to speak with you.

471

00:22:21,967 —> 00:22:25,196

There's an outbreak of smallpox

in the servants' quarters.

472

00:22:25,220 —> 00:22:27,490

Don't fret, dear wife.

We will quarantine them,

473

00:22:27,514 —> 00:22:29,367

and burn them so the disease is destroyed.

474

00:22:29,391 —> 00:22:31,202

They do not all die.

475

00:22:31,226 —> 00:22:33,228

They do, usually. It's a big fire.

476

00:22:34,646 —> 00:22:37,125

The disease does not kill all, I mean.

477

00:22:37,149 —> 00:22:38,418

Oh.

478

00:22:38,442 —> 00:22:40,879

The Empress has a novel idea, sir,

479

00:22:40,903 —> 00:22:44,090

that the serfs should be treated

as the nobles are.

480

00:22:44,114 —> 00:22:46,301

(ALL CHATTERING)

And why'd we do that?

481

00:22:46,325 —> 00:22:47,468

It's risky enough that we treat nobles.

482

00:22:47,492 —> 00:22:49,387

From what I understand,

this thing gets nasty.

483

00:22:49,411 —> 00:22:52,056

It wiped out villages of thousands

in Siberia.

484

00:22:52,080 —> 00:22:54,041

We must hit it hard

when it raises its head.

485

00:22:55,209 —> 00:22:59,856

We cannot just burn fathers,

mothers, and children alive.

486

00:22:59,880 —> 00:23:02,150

Yes, we can. They are serfs.

487

00:23:02,174 —> 00:23:04,861

We cannot let an epidemic

loose upstairs,

488

00:23:04,885 —> 00:23:07,780

if that is the Empress' suggestion.

(LAUGHING)

489

00:23:07,804 —> 00:23:11,743

What if we were to set up tents

in the grounds, far away from here?

490

00:23:11,767 —> 00:23:15,705

The disease is known to either kill,

or pass in a few days.

491

00:23:15,729 —> 00:23:19,334

Those who live will swear

eternal love and loyalty to us.

492

00:23:19,358 —> 00:23:22,378

To repeat Tatyana's excellent point,

they are fucking serfs.

493

00:23:22,402 —> 00:23:24,380

That's a good point, Grigor.

494

00:23:24,404 —> 00:23:25,965

It is a savage disease.

495

00:23:25,989 —> 00:23:26,800

Terrifying.

496

00:23:26,824 —> 00:23:29,010

The pox ruined my dear cousin's face.

497

00:23:29,034 —> 00:23:32,472

All right, everyone shut the fuck up

a moment. I'm thinking.

498

00:23:32,496 —> 00:23:35,415

Jesus... Uh...

(EXHALES)

499

00:23:36,208 —> 00:23:38,311

No. It's a no.

What?

500

00:23:38,335 —> 00:23:39,687

Well, you told me to

listen to the people,

501

00:23:39,711 —> 00:23:41,356

and they do not like your idea.

502

00:23:41,380 —> 00:23:44,025

If I may, Emperor,

I think that's an excellent decision.

503

00:23:44,049 —> 00:23:47,237

If I may, I will put your face

on my printing press and flatten it.

504

00:23:47,261 —> 00:23:48,571

Shut up.

505

00:23:48,595 —> 00:23:52,200

You can't just burn people. I beg you.

506

00:23:52,224 —> 00:23:53,701

There must be a better solution.

507

00:23:53,725 —> 00:23:56,061

There is not. Unless you have one.

508

00:23:57,729 —> 00:23:59,833

Which you obviously do not.

509

00:23:59,857 —> 00:24:01,233

I'm sorry.

510

00:24:04,486 —> 00:24:06,965

(GLASS CLINKS)

(LIQUID POURING)

511

00:24:06,989 —> 00:24:10,492

(PENSIVE INSTRUMENTAL MUSIC PLAYING)

512

00:24:11,243 —> 00:24:13,412

(GLASS CLINKS)

(LIQUID POURING)

513

00:24:18,709 —> 00:24:19,751

(GLASS CLATTERS)

514

00:24:20,502 —> 00:24:24,131

(UPBEAT ORCHESTRAL MUSIC PLAYING)

515

00:24:32,764 —> 00:24:34,141

(LAUGHS)

516

00:24:42,733 —> 00:24:45,152

(KNOCKING)

CATHERINE: Orlo!

517

00:24:54,077 —> 00:24:55,597

I am drunk.

518

00:24:55,621 —> 00:24:56,848

You don't drink.

519

00:24:56,872 —> 00:24:59,475

Well, things are changing,

Empress Catherine.

520

00:24:59,499 —> 00:25:01,269

Progress is being made.

521

00:25:01,293 —> 00:25:03,313

I did not drink. Now I do.

522

00:25:03,337 —> 00:25:06,441

I did not kill. Now I do.

I did not hope...

523

00:25:06,465 —> 00:25:09,569

Oh. No. That is still the same.

524

00:25:09,593 —> 00:25:11,696

Orlo, you must help me.

525

00:25:11,720 —> 00:25:13,948

There is smallpox downstairs.

526

00:25:13,972 —> 00:25:16,618

The Emperor insists we burn the serfs.

527

00:25:16,642 —> 00:25:18,745

We must stop him.

528

00:25:18,769 —> 00:25:21,789

He's said yes to so much so far.

529

00:25:21,813 —> 00:25:25,150

I think if I can convince him

of an alternative...

530

00:25:26,318 —> 00:25:28,004

Variolation.

531

00:25:28,028 —> 00:25:29,672

Variol-What?

532

00:25:29,696 —> 00:25:31,281
Variolation.

533
00:25:33,659 —> 00:25:34,660
Yes.

534
00:25:35,327 —> 00:25:39,682
It, it is a way of helping your body
reject the disease,

535
00:25:39,706 —> 00:25:43,335
used in some Asian countries
with some success.

536
00:25:44,753 —> 00:25:46,314
But not here.

537
00:25:46,338 —> 00:25:49,258
Why not?
The Church runs medicine.

538
00:25:50,843 —> 00:25:54,113
Approves cures, licenses doctors,

everything,

539
00:25:54,137 —> 00:25:55,782
and they do not agree with it.

540

and of image,

711

00:34:13,011 —> 00:34:14,489

and chaos at court.

712

00:34:14,513 —> 00:34:16,199

Feature this filth before you.

713

00:34:16,223 —> 00:34:18,451

Are you actually still fucking talking?

714

00:34:18,475 —> 00:34:22,163

I'm exercising my freedoms. Huzzah.

715

00:34:22,187 —> 00:34:25,542

The smallpox. We must discuss it.

716

00:34:25,566 —> 00:34:27,710

I'm eating raspberries, so must we?

717

00:34:27,734 —> 00:34:29,087

CATHERINE: Variolation.

718

00:34:29,111 —> 00:34:31,214

We should consider it with open minds.

719

00:34:31,238 —> 00:34:33,174

We will not consider it at all.

720

00:34:33,198 —> 00:34:37,095

We treat the court, and then we do not

have to burn all the serfs.

721

00:34:37,119 —> 00:34:39,305

If we can save our people,

722

00:34:39,329 —> 00:34:42,183

our court from death, why would we not?

723

00:34:42,207 —> 00:34:43,518

It's a good point.

724
00:34:43,542 —> 00:34:46,938
Because we are God's creatures
to kill as He wishes.

725
00:34:46,962 —> 00:34:49,983
Uh, what is it? This... vario thing?

726
00:34:50,007 —> 00:34:53,903
You take a small amount of pus
from a victim, and infect yourself.

727
00:34:53,927 —> 00:34:56,030
Your body learns the disease,

728
00:34:56,054 —> 00:34:57,949
and resists it when exposed later.

729
00:34:57,973 —> 00:34:59,909
You give yourself smallpox.

730

00:34:59,933 —> 00:35:01,244
That seems mad.

731
00:35:01,268 —> 00:35:02,287
Well said, Emperor.

732
00:35:02,311 —> 00:35:04,581
And our research abroad
shows that it often kills,

733
00:35:04,605 —> 00:35:06,624
and is known to cause outbreaks.

734
00:35:06,648 —> 00:35:08,001
It is not perfect, but--.

735
00:35:08,025 —> 00:35:11,963
How will the Emperor convince his people
to swallow smallpox?

736
00:35:11,987 —> 00:35:14,883
And when they die,
or outbreaks break out, what then?

737

00:35:14,907 —> 00:35:17,510

We must lead them. That is how.

738

00:35:17,534 —> 00:35:21,556

I had a vision of you.

To bring you here.

739

00:35:21,580 —> 00:35:24,017

And I've often pondered why.

740

00:35:24,041 —> 00:35:26,478

But today, I see clearly.

741

00:35:26,502 —> 00:35:29,314

It was to bring forth a war.

742

00:35:29,338 —> 00:35:32,692

A sweet-smelling, beautiful woman

743

00:35:32,716 —> 00:35:35,403

that hid a devil that meant to destroy us,

744

00:35:35,427 —> 00:35:38,865

so that we would heed

God's call to rise up,

745

00:35:38,889 —> 00:35:40,807

and cleanse Russia.

746

00:35:41,475 —> 00:35:43,536

That's just fucking mad.

747

00:35:43,560 —> 00:35:46,122

All I am talking of is science.

748

00:35:46,146 —> 00:35:48,374

Infecting us with smallpox

is not science.

749

00:35:48,398 —> 00:35:50,210

Throwing a dog off a roof is science.

750

00:35:50,234 —> 00:35:53,296

But she's not the devil, Archie.

You both need to calm the fuck down.

751

00:35:53,320 —> 00:35:54,964

Know this.

752

00:35:54,988 —> 00:35:57,467

The Church will not support an Emperor

753

00:35:57,491 —> 00:35:59,719

who turns his back on God.

754

00:35:59,743 —> 00:36:02,621

For he is lost, and Russia with him.

755

00:36:04,748 —> 00:36:05,934

You're threatening me.

756

00:36:05,958 —> 00:36:07,626

Facts are not threats.

757

00:36:08,585 —> 00:36:10,128

They're just facts.

758
00:36:14,550 —> 00:36:15,968
(SIGHS)

759
00:36:18,554 —> 00:36:20,448
Do not listen to him.

760
00:36:20,472 —> 00:36:22,617
You must do this--
Just leave me be a minute.

761
00:36:22,641 —> 00:36:24,685
I--
What did I say? Get out!

762
00:36:26,937 —> 00:36:28,873
(FOOTSTEPS DEPARTING)

763
00:36:28,897 —> 00:36:30,107
(DOOR OPENS)

764

00:36:36,405 —> 00:36:37,739
(DOOR OPENS)

765
00:36:38,824 —> 00:36:40,552
Oh, hello.

766
00:36:40,576 —> 00:36:41,886
I shall join.

767
00:36:41,910 —> 00:36:43,579
No, I am...

768
00:36:44,955 —> 00:36:46,766
I need the room.

769
00:36:46,790 —> 00:36:48,560
I've been riding.

770
00:36:48,584 —> 00:36:50,169
Pulled a muscle.

771
00:36:55,632 —> 00:36:56,842

What's wrong?

772

00:36:58,302 —> 00:37:00,280

Our status at court slips.

773

00:37:00,304 —> 00:37:02,240

He and I are closer than ever.

774

00:37:02,264 —> 00:37:03,390

We're fine.

775

00:37:06,476 —> 00:37:08,746

If you never fucked him again,

how would you be?

776

00:37:08,770 —> 00:37:10,206

Do not speak like this.

777

00:37:10,230 —> 00:37:12,542

What, you mean say things out loud?

778

00:37:12,566 —> 00:37:13,793

I have lost him.

779

00:37:13,817 —> 00:37:16,528

He has not touched me in weeks.

Do you not see that?

780

00:37:18,614 —> 00:37:20,049

You won.

781

00:37:20,073 —> 00:37:21,759

You mean, we won.

782

00:37:21,783 —> 00:37:23,660

Yes. I meant we.

783

00:37:24,870 —> 00:37:25,954

(DOOR OPENS)

784

00:37:27,164 —> 00:37:29,124

The Emperor requests your presence.

785

00:37:32,628 —> 00:37:34,838

(WATER RUSHING)

786

00:37:41,845 —> 00:37:43,573

CATHERINE: What have you done?

787

00:37:43,597 —> 00:37:45,116

Since I last saw you?

788

00:37:45,140 —> 00:37:48,077

Um, heard that the Emperor

made you come with his tongue.

789

00:37:48,101 —> 00:37:50,455

Got angry, got jealous, got drunk.

790

00:37:50,479 —> 00:37:52,457

Made art,

distributed it across the palace,

791

00:37:52,481 —> 00:37:54,667

wandered out here, passed out asleep,

woke up to you,

792

00:37:54,691 —> 00:37:56,836

and now feel slightly regretful

and slightly fucking pleased with myself.

793

00:37:56,860 —> 00:37:57,921

How about you?

794

00:37:57,945 —> 00:38:01,007

I'm trying to do something big.

You know that.

795

00:38:01,031 —> 00:38:03,742

And your cartoons don't help.

796

00:38:06,703 —> 00:38:07,972

Did you come?

797

00:38:07,996 —> 00:38:08,997

Yes.

798

00:38:10,040 —> 00:38:10,935

Good.

799

00:38:10,959 —> 00:38:13,394

'Cause if you had not, my response

would be out of all proportion.

800

00:38:13,418 —> 00:38:14,896

But now you did, I feel okay.

801

00:38:14,920 —> 00:38:18,191

And if Marial sucked your cock,

would you lay limp?

802

00:38:18,215 —> 00:38:19,901

I suppose I would not.

803

00:38:19,925 —> 00:38:22,320

And do I have a choice to be in his bed?

804

00:38:22,344 —> 00:38:25,198

You do not. This is our life.

You have grown close to him, then.

805

00:38:25,222 —> 00:38:26,950

It perhaps got to me.

806

00:38:26,974 —> 00:38:28,368

I love you.

807

00:38:28,392 —> 00:38:31,579

You fucking... fucking idiot!

808

00:38:31,603 —> 00:38:34,332

Nice of you to say.

The first bit. Less so, the second.

809

00:38:34,356 —> 00:38:35,440

Fuck you.

810

00:38:39,319 —> 00:38:40,445

Fuck you.

811

00:38:51,707 —> 00:38:53,560

I miss you.

812

00:38:53,584 —> 00:38:55,002
Know that I miss you.

813
00:38:58,380 —> 00:38:59,524
(EXHALES)

814
00:38:59,548 —> 00:39:01,091
The greater good.

815
00:39:01,967 —> 00:39:04,720
(INHALES)
I know. I'll remember.

816
00:39:05,804 —> 00:39:07,890
You drew me fucking a horse.

817
00:39:08,307 —> 00:39:11,494
It seemed a bit rough at the time.
I just sort of...

818
00:39:11,518 —> 00:39:13,997
drank through the thought process of it.
Sorry.

819

00:39:14,021 —> 00:39:16,541

No one will remember.

820

00:39:16,565 —> 00:39:19,210

All I wish is to hold Russia in one hand,

821

00:39:19,234 —> 00:39:20,962

and you in the other.

822

00:39:20,986 —> 00:39:22,964

You have me.

823

00:39:22,988 —> 00:39:24,990

I fear Russia is slipping.

824

00:39:25,949 —> 00:39:27,242

(DOOR OPENS)

825

00:39:28,410 —> 00:39:32,122

(FOOTSTEPS DEPARTING)

826

00:39:34,708 —> 00:39:36,210

MARIAL: Where are you going?

827

00:39:38,086 —> 00:39:40,923

My sores are flat,

because I have flatpox.

828

00:39:42,466 —> 00:39:45,344

The book says it is a fatal type.

I...

829

00:39:48,805 —> 00:39:50,474

It's the one my mother had.

830

00:39:52,100 —> 00:39:55,103

It's just a book. It doesn't know you.

You're tough.

831

00:39:56,271 —> 00:39:57,832

I will go.

832

00:39:57,856 —> 00:39:59,167

It is safest for you.

833

00:39:59,191 —> 00:40:01,860

Vlad, I--

Careful. Don't.

834

00:40:06,240 —> 00:40:08,885

Thank you for kissing me.

835

00:40:08,909 —> 00:40:10,744

(MARIAL LAUGHS SOFTLY)

836

00:40:11,954 —> 00:40:13,497

It turns out timely.

837

00:40:17,376 —> 00:40:20,045

(FOOTSTEPS DEPARTING)

838

00:40:21,255 —> 00:40:22,589

(INHALES)

839

00:40:29,471 —> 00:40:32,099

(DOOR OPENS)

(FOOTSTEPS APPROACHING)

840

00:40:33,392 —> 00:40:34,810

What are you...

841

00:40:35,894 —> 00:40:37,396

What has happened?

842

00:40:43,902 —> 00:40:45,129

(DOOR OPENS)

843

00:40:45,153 —> 00:40:46,756

Dearest friends.

844

00:40:46,780 —> 00:40:48,675

GEORGINA: Are you all right?

PETER: Come in.

845

00:40:48,699 —> 00:40:50,510

Everyone wants a fucking

piece of me today.

846

00:40:50,534 —> 00:40:52,679

I just need you guys,

who don't want anything from me.

847

00:40:52,703 —> 00:40:53,805

We are at your service.

848

00:40:53,829 —> 00:40:56,015

Advice, companionship,

as I have always been.

849

00:40:56,039 —> 00:40:57,809

And I.

Since we were children.

850

00:40:57,833 —> 00:41:00,103

A bond that cannot be broken.

851

00:41:00,127 —> 00:41:02,272

(HUFFS) Drink.

852

00:41:02,296 —> 00:41:03,922

George, lay on me.

853
00:41:10,846 —> 00:41:13,158
Mm. I have not whiffed
your scent in weeks.

854
00:41:13,182 —> 00:41:14,617
I'm hard as a rock instantly.

855
00:41:14,641 —> 00:41:16,286
(LIQUID POURING)

856
00:41:16,310 —> 00:41:17,537
What is your trouble?

857
00:41:17,561 —> 00:41:21,291
(GROANS) I give people art, science,
freedoms at court.

858
00:41:21,315 —> 00:41:22,417
Everyone was happy.

859

00:41:22,441 —> 00:41:25,003
Now these fucking cartoons
and smallpox have appeared,

860
00:41:25,027 —> 00:41:27,589
which Archie says is God's sign of doom.

861
00:41:27,613 —> 00:41:30,425
And Catherine wants me to
allow variolation.

862
00:41:30,449 —> 00:41:32,802
What is that? It's sort of
like you drink a bit of vodka,

863
00:41:32,826 —> 00:41:35,138
get a hangover,
but do not drink a bottle and die.

864
00:41:35,162 —> 00:41:36,389
GEORGINA: May I speak freely?

865
00:41:36,413 —> 00:41:39,934

If you shift your ass up and down

my hard cock, you may.

866

00:41:39,958 —> 00:41:41,519

GEORGINA:

I think it sounds ridiculous.

867

00:41:41,543 —> 00:41:43,563

Hmm. So did I, when she told me.

868

00:41:43,587 —> 00:41:46,024

Give yourself smallpox to avoid smallpox.

869

00:41:46,048 —> 00:41:48,234

(SCOFFS) But she is smart.

870

00:41:48,258 —> 00:41:49,903

Not smarter than you.

871

00:41:49,927 —> 00:41:51,279

And an outsider.

872

00:41:51,303 —> 00:41:53,239
GRIGOR:
Of course, but medicine evolves.

873
00:41:53,263 —> 00:41:56,117
And the Church would rather
we died in a holy fashion than live,

874
00:41:56,141 —> 00:41:57,869
and honestly that's a bit fucked up.

875
00:41:57,893 —> 00:42:00,455
So you will line up to have
smallpox puss under your tongue?

876
00:42:00,479 —> 00:42:01,539
Huzzah. Good point, George.

877
00:42:01,563 —> 00:42:03,875
Who the fuck is going to do it, anyway?
(CLATTERING, FOOTSTEPS APPROACHING)

878
00:42:03,899 —> 00:42:07,319

Ah! I called for it.

See what the people think.

879

00:42:12,699 —> 00:42:13,760

(DOOR CLOSES)

880

00:42:13,784 —> 00:42:16,888

Ah. "We should ride horses

in the long hallway."

881

00:42:16,912 —> 00:42:18,598

Brilliant.

Ha!

882

00:42:18,622 —> 00:42:20,725

No. What is it?

883

00:42:20,749 —> 00:42:22,101

Oh, it's... nothing.

884

00:42:22,125 —> 00:42:23,168

Read it.

885

00:42:24,127 —> 00:42:25,337

"Kill yourself."

But it would be a boon for us.

381

00:18:20,309 —> 00:18:24,664

Looking at the map,

it seemed a combination of infantry,

382

00:18:24,688 —> 00:18:28,793

and rolling cannons from the left front,

would be the best bet on a thrust.

383

00:18:28,817 —> 00:18:31,296

(CATHERINE INHALES)

The way your mouth moves,

384

00:18:31,320 —> 00:18:34,031

silky and pert. Say more.

385

00:18:42,331 —> 00:18:43,516

Unnerving?

386

00:18:43,540 —> 00:18:44,767

Very.

387

00:18:44,791 —> 00:18:46,919

Excellent. Let's add the handshake.

388

00:18:49,338 —> 00:18:50,940

Ah, fuck! Ow. Jesus.

389

00:18:50,964 —> 00:18:53,485

So, King of Sweden,

you are smaller than imagined,

390

00:18:53,509 —> 00:18:55,195

but it is a pleasure to meet you.

391

00:18:55,219 —> 00:18:58,323

We have spilled too much blood,

and perhaps not enough wine.

392

00:18:58,347 —> 00:19:00,116

Let us see if we can rectify that.

393

00:19:00,140 —> 00:19:02,660

Oh, shit.

Uh, that, that's actually quite good.

394

00:19:02,684 —> 00:19:04,162

Oh. Arkady wrote it.

395

00:19:04,186 —> 00:19:06,271

He is fertile of children, and word.

396

00:19:07,189 —> 00:19:11,127

The danger would be if the Swedes

fell back into the market area,

397

00:19:11,151 —> 00:19:13,713

as they would be hard to dislodge.

398

00:19:13,737 —> 00:19:17,300

So there is some sense in perhaps

drawing them out somehow,

399

00:19:17,324 —> 00:19:19,302

with a feint of some sort.

400

00:19:19,326 —> 00:19:21,930

A weak initial attack from the front...

Your hair.

401

00:19:21,954 —> 00:19:23,848

That gathers them to a

place we want them, The sun...

402

00:19:23,872 —> 00:19:25,642

dances with it...

403

00:19:25,666 —> 00:19:27,435

like nymphs.

404

00:19:27,459 —> 00:19:29,312

For if we are to win,

405

00:19:29,336 —> 00:19:31,564

you must have the support you need.

406

00:19:31,588 —> 00:19:34,108

And I wonder whether

you are well enough supplied

407

00:19:34,132 —> 00:19:36,069

if the action took us through

to the winter,

408

00:19:36,093 —> 00:19:37,070

and whether-- Your eyes...

409

00:19:37,094 —> 00:19:38,387

They-- What about them?

410

00:19:39,596 —> 00:19:44,118

Pools... so deep a man could

drown in them.

411
00:19:44,142 —> 00:19:46,329
But happily so.
Stop.

412
00:19:46,353 —> 00:19:48,289
I am not a pretty jasmine flower,

413
00:19:48,313 —> 00:19:50,250
with swimming pools for eyes,
you fat fuck.

414
00:19:50,274 —> 00:19:53,461
Oh, your fire. Your cheeks... bloom.

415
00:19:53,485 —> 00:19:54,380
(GRUNTS)

416
00:19:54,404 —> 00:19:56,047
(KNOCKING)

417

00:19:56,071 —> 00:19:57,364
(HORSE NEIGHS)

418
00:19:58,073 —> 00:20:00,325
I am terrifying.

419
00:20:01,869 —> 00:20:03,012
We've stopped.

420
00:20:03,036 —> 00:20:05,807
Is it an ambush?
Use your body to shield me.

421
00:20:05,831 —> 00:20:07,749
(ORLO GRUNTS)

422
00:20:13,797 —> 00:20:16,067
I could not bear to be away from you.

423
00:20:16,091 —> 00:20:17,718
Of course you could not. Huh.

424

00:20:18,343 —> 00:20:21,781
If you ever get a woman, Orlo,
give her a diamond. That is all.

425
00:20:21,805 —> 00:20:23,307
Fuck off out of our carriage.

426
00:20:30,355 —> 00:20:31,982
What is your strategy?

427
00:20:34,109 —> 00:20:38,238
(MEN SINGING IN FOREIGN LANGUAGE)

428
00:21:12,105 —> 00:21:14,459
Here he is. Huzzah!

429
00:21:14,483 —> 00:21:16,461
So, King of-- Come here.

430
00:21:16,485 —> 00:21:18,820
(LAUGHING)
Oh. Hello.

431

00:21:19,530 —> 00:21:22,342

Huh.

(SIGHS) And Empress Catherine.

432

00:21:22,366 —> 00:21:24,385

Glowing like the fucking sun.

433

00:21:24,409 —> 00:21:26,745

King Hugo. Queen Agnes.

434

00:21:27,454 —> 00:21:31,267

HUGO: We just saw fish jump

out of the water, and back in.

435

00:21:31,291 —> 00:21:33,645

I mean, fucking leaping fish!

(PETER LAUGHS)

436

00:21:33,669 —> 00:21:35,355

We should get guns,

and shoot them as they're in the air.

437

00:21:35,379 —> 00:21:36,856
Brilliant.

438
00:21:36,880 —> 00:21:38,858
We've been talking for minutes,
and no one's offered us a drink.

439
00:21:38,882 —> 00:21:41,319
What do two kings have to do
to get a drink around here?

440
00:21:41,343 —> 00:21:44,197
We have spilled much blood.
It is time we spilled some wine.

441
00:21:44,221 —> 00:21:47,867
Huzzah! But please tell me you brought
some proper Russian vodka.

442
00:21:47,891 —> 00:21:49,953
I long for it.
Ah, I'm sure we have.

443

00:21:49,977 —> 00:21:52,247
If not, we shall cut
General Velementov open

444
00:21:52,271 —> 00:21:53,957
and drink his 90 proof blood.

445
00:21:53,981 —> 00:21:56,835
(BOTH LAUGHING)
And then we'll cut General Ekberg open,

446
00:21:56,859 —> 00:21:58,169
pull out his liver and eat it,

447
00:21:58,193 —> 00:22:00,255
'cause it's as fat
as the finest foie gras!

448
00:22:00,279 —> 00:22:02,131
I love foie gras!
Me, too!

449
00:22:02,155 —> 00:22:05,576

(BOTH LAUGHING)

This is great!

450

00:22:09,329 —> 00:22:10,224

Fish!

451

00:22:10,248 —> 00:22:11,391

(FIRING)

452

00:22:11,415 —> 00:22:13,017

(BOTH LAUGHING)

453

00:22:13,041 —> 00:22:15,353

I admire your country very much.

454

00:22:15,377 —> 00:22:16,646

You do?

455

00:22:16,670 —> 00:22:19,691

You have the printing press,

strong education,

456

00:22:19,715 —> 00:22:21,526
and some democratic process.

457
00:22:21,550 —> 00:22:24,863
Yes. All my brilliant husband's work.

458
00:22:24,887 —> 00:22:26,823
I hope we can learn from you.

459
00:22:26,847 —> 00:22:28,557
Aren't you sweet?

460
00:22:30,601 —> 00:22:32,162
Be careful.

461
00:22:32,186 —> 00:22:35,665
It has unleashed both beauty, and horror.

462
00:22:35,689 —> 00:22:38,877
The full gamut of people's
fucked-up-ness and hate.

463

00:22:38,901 —> 00:22:40,628

(PETER AND HUGO LAUGHING)

I see.

464

00:22:40,652 —> 00:22:43,131

I suspect they are now coming for us.

465

00:22:43,155 —> 00:22:45,967

Will kill both of us and take the country.

466

00:22:45,991 —> 00:22:49,137

And all because my idiot husband

gave them knowledge.

467

00:22:49,161 —> 00:22:51,830

A means to disseminate dissent.

468

00:22:52,289 —> 00:22:54,642

And then some of the levers of power.

HUGO: Oh, shot!

469

00:22:54,666 —> 00:22:55,603

(GUN FIRES)

470

00:22:55,627 —> 00:22:59,105

Fuck!

Oh. Right.

471

00:22:59,129 —> 00:23:02,549

Hopefully we can end this war.

That will calm things down.

472

00:23:06,053 —> 00:23:09,824

(PETER AND HUGO LAUGHING,

GRUNTING PLAYFULLY)

473

00:23:09,848 —> 00:23:11,975

(FIRING)

PETER: Oh, fuck!

474

00:23:12,351 —> 00:23:14,353

Your husband is very handsome.

475

00:23:15,229 —> 00:23:16,206

Thank you.

476

00:23:16,230 —> 00:23:17,773

Would you mind if I...

477

00:23:21,485 —> 00:23:22,485

You mean...

478

00:23:23,487 —> 00:23:26,615

Many roads to peace.

For a country, and a woman.

479

00:23:32,996 —> 00:23:34,724

ORLO: You hit him in the mouth.

480

00:23:34,748 —> 00:23:36,476

He said I have eyes like pools.

481

00:23:36,500 —> 00:23:40,605

Well, that seems complimentary,

rather than a comment to elicit violence.

482

00:23:40,629 —> 00:23:43,107

If you were a woman,

you would understand.

483
00:23:43,131 —> 00:23:45,735
Right. So...

484
00:23:45,759 —> 00:23:48,530
So, I will try again.

485
00:23:48,554 —> 00:23:50,824
And perhaps not hit him in the mouth?

486
00:23:50,848 —> 00:23:52,891
A leader has self-control.

487
00:23:54,101 —> 00:23:55,870
I will do the leading.

488
00:23:55,894 —> 00:23:57,956
You continue arranging papers
on the table.

489
00:23:57,980 —> 00:23:59,106

That is uncalled for.

490

00:24:00,440 —> 00:24:02,627

You have beautiful lips.

491

00:24:02,651 —> 00:24:04,754

So plump.

492

00:24:04,778 —> 00:24:08,216

What, what are you talking about?

And pretty hands.

493

00:24:08,240 —> 00:24:09,342

Be serious.

494

00:24:09,366 —> 00:24:10,951

Ha! (CHUCKLES)

495

00:24:12,160 —> 00:24:13,388

I see.

496

00:24:13,412 —> 00:24:15,873

With your pretty, amethyst-like eyes.

497
00:24:17,666 —> 00:24:18,792
(LAUGHS)

498
00:24:20,377 —> 00:24:23,005
(FOOTSTEPS DEPARTING)

499
00:24:25,549 —> 00:24:29,279
VELEMENTOV: I hate the first parade
of the new recruits.

500
00:24:29,303 —> 00:24:30,947
EKBERG: The worst.

501
00:24:30,971 —> 00:24:33,992
Their bright, shiny faces
all dreaming of the future.

502
00:24:34,016 —> 00:24:37,662
I salute them and imagine
the ripped faces, and...

503

00:24:37,686 —> 00:24:40,415

broken heads and bleeding stomachs.

504

00:24:40,439 —> 00:24:43,877

The shocked look on their faces

when they hit the front.

505

00:24:43,901 —> 00:24:45,611

That "oh, fuck" moment.

506

00:24:47,196 —> 00:24:50,425

Well, now we've depressed each other.

I shall depart.

507

00:24:50,449 —> 00:24:51,449

Cheers.

508

00:24:52,784 —> 00:24:56,514

I shall shit and think on how I shall

destroy you in Hango.

509

00:24:56,538 —> 00:24:59,750

I shall think how I can

destroy you in Kyrol.

510

00:25:01,251 —> 00:25:02,562

Sleep well.

511

00:25:02,586 —> 00:25:03,670

Never do.

512

00:25:06,048 —> 00:25:07,508

(EKBERG GRUNTS)

513

00:25:09,551 —> 00:25:11,178

CATHERINE: Evening, General.

514

00:25:11,845 —> 00:25:13,597

Empress.

Oh, don't get up.

515

00:25:14,806 —> 00:25:16,934

I'm sorry I hit you in the mouth.

516

00:25:18,810 —> 00:25:22,373
I want to be friends.
No apology necessary.

517
00:25:22,397 —> 00:25:25,668
A failure to take territory
is second nature to me now.

518
00:25:25,692 —> 00:25:26,985
I, uh...

519
00:25:27,736 —> 00:25:32,533
I shall, uh... give up the idea
of laying with you.

520
00:25:35,577 —> 00:25:38,330
Perhaps I will give you
a different vision to hold onto.

521
00:25:40,123 —> 00:25:44,354
Orlo apparently joked with you
that he and I were planning a coup.

522

00:25:44,378 —> 00:25:46,588

Yes. Very funny.

523

00:25:48,799 —> 00:25:50,717

What if it wasn't funny?

524

00:25:51,760 —> 00:25:53,220

What if it was real?

525

00:25:54,513 —> 00:25:56,640

You would be playing a dangerous game.

526

00:25:58,225 —> 00:26:00,060

And possibly a futile one.

527

00:26:01,311 —> 00:26:04,165

You are a-- If you say

pretty, I will smack you again.

528

00:26:04,189 —> 00:26:06,376

Not a leader.

529

00:26:06,400 —> 00:26:09,462

I saw it when Peter was poisoned.

Your legs went.

530

00:26:09,486 —> 00:26:11,488

As if you were suddenly at sea.

531

00:26:13,365 —> 00:26:15,218

That is...

532

00:26:15,242 —> 00:26:16,410

true.

533

00:26:18,328 —> 00:26:20,014

But I am different.

534

00:26:20,038 —> 00:26:22,392

This place could be better.

535

00:26:22,416 —> 00:26:24,168

You could be better.

536

00:26:25,627 —> 00:26:27,480
You could win this war.

537
00:26:27,504 —> 00:26:30,233
I know it. I see it in you.

538
00:26:30,257 —> 00:26:33,093
Well, if you do, it is a fading shimmer
of what I was.

539
00:26:35,095 —> 00:26:38,432
You know, my lust for you is not--
It's not for you, in a way.

540
00:26:39,224 —> 00:26:41,327
It's for your youth.

541
00:26:41,351 —> 00:26:43,687
Your hope. Your, your aliveness.

542
00:26:45,355 —> 00:26:47,608
I cannot find this in me anymore.

543

00:26:49,693 —> 00:26:51,671

I believe you can find them again.

544

00:26:51,695 —> 00:26:55,490

Because you are a delusional optimist.

We have that in common.

545

00:26:56,658 —> 00:26:58,469

But you are not a leader.

546

00:26:58,493 —> 00:27:01,306

So drop this, and stay alive.

547

00:27:01,330 —> 00:27:03,707

Anyone in this court could turn on you.

548

00:27:05,501 —> 00:27:07,270

Including me.

549

00:27:07,294 —> 00:27:09,004

You won't.

That's the thing.

550

00:27:10,422 —> 00:27:12,049

You just don't know that.

551

00:27:16,553 —> 00:27:17,679

Empress.

552

00:27:21,350 —> 00:27:22,351

(MUTTERS)

553

67
00:03:16,321 —> 00:03:18,800
The regions.
Uh, we need the regional strongmen

68
00:03:18,824 —> 00:03:21,427
on her side immediately
she is installed.

69
00:03:21,451 —> 00:03:25,974
I think the main targets and Rostov,
Gorky, and Raskolnikov.

70

00:03:25,998 —> 00:03:28,434

Gorky? He's from my region.

Marvelous chap.

71

00:03:28,458 —> 00:03:30,436

Well, kind of cranky.

But a lot of that's an act.

72

00:03:30,460 —> 00:03:31,771

In fact, at the horse show.

73

00:03:31,795 —> 00:03:35,191

They are all here for the aristocrats'

monthly meetings with Peter.

74

00:03:35,215 —> 00:03:36,818

We must win each of them.

75

00:03:36,842 —> 00:03:38,594

I'll do Gorky.

ORLO: Aah.

76

00:03:39,219 —> 00:03:40,947
I'm not sure you have the right skills

77
00:03:40,971 —> 00:03:43,366
for a delicate negotiation
such as this, Voronsky.

78
00:03:43,390 —> 00:03:45,994
If you'd let me finish my horse show
anecdote, you'd see that I do.

79
00:03:46,018 —> 00:03:48,288
Snacks and drinks
may be your natural role.

80
00:03:48,312 —> 00:03:50,415
Orlo, don't be rude.

81
00:03:50,439 —> 00:03:53,084
Oh, is, uh, is factual rude?
I didn't know that.

82
00:03:53,108 —> 00:03:54,627

I'm old friends with Rostov.

83

00:03:54,651 —> 00:03:56,921

All right. Marial will take Rostov,

84

00:03:56,945 —> 00:03:59,048

Leo and Velementov, Gorky,

85

00:03:59,072 —> 00:04:00,800

and Orlo, you take Raskolnikov.

86

00:04:00,824 —> 00:04:04,012

We get to the regions.

The military, we have.

87

00:04:04,036 —> 00:04:06,788

I will address the group of senior men.

88

00:04:07,539 —> 00:04:10,393

All will say they're in,

as I will command them,

89

00:04:10,417 —> 00:04:12,920
but some will peel off
and betray us to Peter.

90
00:04:13,420 —> 00:04:15,315
That is why we do it at the last minute.

91
00:04:15,339 —> 00:04:17,734
That seems cynical, Velementov.
(GRUNTS)

92
00:04:17,758 —> 00:04:21,779
Perhaps Catherine should speak
and inspire them all.

93
00:04:21,803 —> 00:04:23,805
We thought of a slogan.

94
00:04:24,389 —> 00:04:26,075
Oh, that was great.

95
00:04:26,099 —> 00:04:27,785
You say it.

No. You.

96

00:04:27,809 —> 00:04:30,747

All right. "Once Russia is in her cup",

97

00:04:30,771 —> 00:04:34,459

and will be reborn, like a newborn pup."

98

00:04:34,483 —> 00:04:36,026

(LAUGHS SOFTLY)

99

00:04:38,028 —> 00:04:41,174

Sounds... less good than it did.

100

00:04:41,198 —> 00:04:44,302

Maybe it's the way I said it,

or that one needs to be naked, as we were.

101

00:04:44,326 —> 00:04:46,221

Can we stay with Velementov?

102

00:04:46,245 —> 00:04:48,056

When they turn, what do we do?

103

00:04:48,080 —> 00:04:50,975

Fucking kill 'em all, and prevail.

Yeah. Great. Drinks.

104

00:04:50,999 —> 00:04:53,686

Indeed. The mule kicks pleasantly.

105

00:04:53,710 —> 00:04:55,980

If we can stay on point.

106

00:04:56,004 —> 00:04:58,399

Everyone has

When do we kill Archie?

107

00:04:58,423 —> 00:04:59,484

CATHERINE and MARIAL: What?

108

00:04:59,508 —> 00:05:01,778

He is no supporter of Catherine.

I suggest at some point,

109

00:05:01,802 —> 00:05:03,404

I should shoot him in the heart.

110

00:05:03,428 —> 00:05:05,365

What the fuck are you talking about?

111

00:05:05,389 —> 00:05:06,908

Marial, just

VELEMENTOV: The heart.

112

00:05:06,932 —> 00:05:10,912

Head is good, but I've seen many

live quite full lives with head wounds.

113

00:05:10,936 —> 00:05:13,206

Not so many with a blownapart heart.

114

00:05:13,230 —> 00:05:15,750

Catherine?

Velementov, he's Marial's friend.

115

00:05:15,774 —> 00:05:18,527

So? I will kill many friends in this.

116
00:05:19,820 —> 00:05:22,423
Russia is bigger, is it not?

117
00:05:22,447 —> 00:05:24,300
If we're not all prepared for that,

118
00:05:24,324 —> 00:05:29,264
then we need to abandon the plotting
and increase the drinking.

119
00:05:29,288 —> 00:05:34,602
You fucking touch him and I will
stab you nine times in your fat face.

120
00:05:34,626 —> 00:05:38,523
CATHERINE: Enough. Of course
Russia is bigger than any of us.

121
00:05:38,547 —> 00:05:40,233
Archie, I can deal with.

122

00:05:40,257 —> 00:05:42,777

When Peter is killed,

he will be practical,

123

00:05:42,801 —> 00:05:44,654

as he is a political animal.

124

00:05:44,678 —> 00:05:45,947

He will strike a deal with me.

125

00:05:45,971 —> 00:05:48,158

We have our tasks.

126

00:05:48,182 —> 00:05:50,618

Secrecy is paramount.

127

00:05:50,642 —> 00:05:53,353

No one can name me

in the getting of these men.

128

00:06:00,068 —> 00:06:04,215

We are all embarking on

something extraordinary.

129

00:06:04,239 —> 00:06:07,927

Each of us must be connected, loyal,

130

00:06:07,951 —> 00:06:10,680

full of love and passion for our goal,

131

00:06:10,704 —> 00:06:12,640

and trust for each other.

132

00:06:12,664 —> 00:06:15,560

It will be hard, but we will prevail.

133

00:06:15,584 —> 00:06:19,004

For Russia. Huzzah.

134

00:06:21,465 —> 00:06:22,549

Mm.

135

00:06:23,258 —> 00:06:24,486

(EXHALES)

136

00:06:24,510 —> 00:06:26,154

(GLASS SHATTERING)

Mm.

137

00:06:26,178 —> 00:06:28,364

(EXHALES)

Good luck.

138

00:06:28,388 —> 00:06:31,683

I will... wait, I suppose.

139

00:06:32,809 —> 00:06:35,938

We will reconvene when you are all done.

140

00:06:36,730 —> 00:06:38,273

Okay.

141

00:06:39,024 —> 00:06:41,753

PETER:

Ah, yes. Drunk, no doubt. Fucker.

142

00:06:41,777 —> 00:06:45,280
I'd pray for him, but he's an infidel.
(SNIFFS)

143
00:06:46,949 —> 00:06:48,867
Oh, well. Better get a new one.

144
00:06:50,327 —> 00:06:53,080
Your bodyguard dies,
and you think nothing of it?

145
00:06:53,622 —> 00:06:55,850
Well, I'm sad, of course.

146
00:06:55,874 —> 00:06:59,127
Should I say a few words? Uh...

147
00:07:00,712 —> 00:07:02,422
Poor Nick, from...

148
00:07:03,882 —> 00:07:05,401
Tartar Land?

149

00:07:05,425 —> 00:07:07,987

Dead too soon. Hmm.

150

00:07:08,011 —> 00:07:09,572

Politically, I mean.

151

00:07:09,596 —> 00:07:11,699

You were poisoned

a few months ago, darling.

152

00:07:11,723 —> 00:07:13,493

I still shake when I think of it.

153

00:07:13,517 —> 00:07:16,287

But thankfully you did not

when you cut Ivan's throat.

154

00:07:16,311 —> 00:07:19,123

I did not enjoy that,

and I do not wish to be there again.

155

00:07:19,147 —> 00:07:21,584

I appreciate your concern,

but you're overreacting.

156

00:07:21,608 —> 00:07:24,963

This fountain is a death trap.

Leontov died in it last week.

157

00:07:24,987 —> 00:07:26,572

ARCHIE: Hmm.

ELIZABETH: Hmm.

158

00:07:26,822 —> 00:07:28,299

ARCHIE: Hmm.

ELIZABETH: Hmm.

159

00:07:28,323 —> 00:07:31,094

Everyone stop hmming.

160

00:07:31,118 —> 00:07:33,304

The people love me more than ever.

I just won the war.

161

00:07:33,328 —> 00:07:36,015

Why do you want to ruin that?

My darling, I don't!

162

00:07:36,039 —> 00:07:37,725

Huzzah to you!

163

00:07:37,749 —> 00:07:40,353

Your father would be smiling down

from the clouds.

164

00:07:40,377 —> 00:07:42,629

Indeed. A lovely thought.

165

00:07:43,964 —> 00:07:47,676

However, you would do well

to take his view on these things.

166

00:07:48,427 —> 00:07:51,990

We used to fuck out here

like depraved cheetahs.

167

00:07:52,014 —> 00:07:57,036

And as we lay there and the heat

dissipated from our raw, spent bodies,

168
00:07:57,060 —> 00:07:59,289
he would say,

169
00:07:59,313 —> 00:08:02,083
"You're never safe," he used to say.

170
00:08:02,107 —> 00:08:03,543
"It's always coming."

171
00:08:03,567 —> 00:08:05,170
Are you fucking kidding me?

172
00:08:05,194 —> 00:08:09,716
I am happy, and a hero, and we are
celebrating my greatness this week.

173
00:08:09,740 —> 00:08:11,551
And I would like you to
make it to next week.

174

00:08:11,575 —> 00:08:13,511
Elizabeth counsels wisely.

175
00:08:13,535 —> 00:08:16,055
If perhaps darkly.

176
00:08:16,079 —> 00:08:19,893
She is always sticking pins in me.
It will not do. They love me.

177
00:08:19,917 —> 00:08:21,853
It is a flaw for a leader
to want love so much.

178
00:08:21,877 —> 00:08:23,354
Fuck you.

179
00:08:23,378 —> 00:08:25,881
I'm sorry, darling.
I couldn't quite hear that.

180
00:08:26,924 —> 00:08:27,925
I said...

181

00:08:28,592 —> 00:08:29,592

sorry?

182

00:08:31,637 —> 00:08:33,847

I'm taking his wind pipe flute.

183

00:08:39,311 —> 00:08:41,772

(ALL APPLAUDING)

184

00:08:42,314 —> 00:08:45,067

MEN (CHANTING SOFTLY)

Peter! Peter!

185

00:08:47,110 —> 00:08:48,588

Victory is ours!

186

00:08:48,612 —> 00:08:50,072

ALL: Huzzah!

187

00:08:51,448 —> 00:08:52,884

You know what that is, Orlo?

188

00:08:52,908 —> 00:08:55,136

Happiness at the ending of the war, sir.

189

00:08:55,160 —> 00:08:57,931

Love, Orlo. That is love,

190

00:08:57,955 —> 00:09:00,308

you bloodless, lobcocked eunuch.

191

00:09:00,332 —> 00:09:02,602

I cannot be lobcocked

and be a eunuch, sir.

192

00:09:02,626 —> 00:09:05,188

They are contrary

Shh! Shh.

193

00:09:05,212 —> 00:09:06,856

Let me listen to this.

194

00:09:06,880 —> 00:09:09,150

Ha! Aah!

195
00:09:09,174 —> 00:09:11,677
(ALL APPLAUDING)

196
00:09:14,721 —> 00:09:17,992
We may just have to take matters
into our hands regarding Archie.

197
00:09:18,016 —> 00:09:19,702
I, I, I thought the same.

198
00:09:19,726 —> 00:09:22,771
Marial will be in her ear,
and she has a soft heart.

199
00:09:23,605 —> 00:09:25,750
VELEMENTOV: Happy to kill the cunt.
(CLEARS THROAT)

200
00:09:25,774 —> 00:09:27,335
Me, too.

201

00:09:27,359 —> 00:09:28,777

Done it before.

202

00:09:29,611 —> 00:09:32,573

Oh, yes. Yeah, yeah.

You killed a soldier. Right.

203

00:09:33,156 —> 00:09:35,510

I haven't heard the story

for a day or two.

204

00:09:35,534 —> 00:09:38,012

What are you two fishwives

gossiping about?

205

00:09:38,036 —> 00:09:41,015

How much the love of God

flows from your heart, Archie.

206

00:09:41,039 —> 00:09:43,101

I imagine a gushing river.

207

00:09:43,125 —> 00:09:44,501

Right.

208

00:09:45,294 —> 00:09:46,628

Of course you were.

209

00:09:51,466 —> 00:09:54,344

ORLO: Fiftyone. Count Rostov.

210

00:09:57,723 —> 00:09:58,807

(DOOR CLOSES)

211

00:09:59,725 —> 00:10:02,954

Emperor.

I bring you the peaches from my region.

212

00:10:02,978 —> 00:10:04,998

Fuck. Look at your face.

213

00:10:05,022 —> 00:10:08,275

Oh, you weren't wrong, Rostov.

214

00:10:09,610 —> 00:10:13,089

Fucking hell. Look at your face.

215

00:10:13,113 —> 00:10:14,757

Does your wife still fuck you?

216

00:10:14,781 —> 00:10:16,509

Occasionally me.

217

00:10:16,533 —> 00:10:17,719

More often, another.

218

00:10:17,743 —> 00:10:21,181

Poor fuck. Well, can't blame her.

219

00:10:21,205 —> 00:10:23,415

You look like you fell in a fire.

(CHUCKLES)

220

00:10:24,875 —> 00:10:26,853

Gentlemen, I said,

221

00:10:26,877 —> 00:10:28,605
he looks like he fell in a fire.

222
00:10:28,629 —> 00:10:31,465
(FORCED LAUGHER)

223
00:10:33,175 —> 00:10:35,427
Grigor has a beard.

224
00:10:36,845 —> 00:10:40,033
Stubble. He forgot to shave.

225
00:10:40,057 —> 00:10:41,951
And this is bruised.

226
00:10:41,975 —> 00:10:44,520
Nature is as mercurial as humans.

227
00:10:45,604 —> 00:10:48,333
We need a new viaduct built in the river
to divert water.

228

00:10:48,357 —> 00:10:50,484
Boring. Yes, of course. Do it.

229
00:10:51,860 —> 00:10:53,588
(STAMPS)
GRIGOR: Rostov,

230
00:10:53,612 —> 00:10:55,215
next time, bring your wife to court,

231
00:10:55,239 —> 00:10:57,675
and the Emperor will
make her happy for you.

232
00:10:57,699 —> 00:11:00,118
Eat her like a ripe peach.

233
00:11:00,661 —> 00:11:02,222
(SNICKERS)

234
00:11:02,246 —> 00:11:04,349
Grigor. Rough.

235

00:11:04,373 —> 00:11:07,143

But not unfactual, so...

huzzah. (CHUCKLING)

236

00:11:07,167 —> 00:11:09,586

Brilliant.

407

00:19:47,312 —> 00:19:49,541

As a child, he was always

smashing something.

408

00:19:49,565 —> 00:19:50,750

(MUTTERS) Aah! Fuck!

409

00:19:50,774 —> 00:19:52,067

A toy... A footman...

410

00:19:53,068 —> 00:19:54,278

(SMASHES)

(YELLS)

411

00:19:54,653 —> 00:19:55,904

(EXCLAIMS)

412

00:19:56,613 —> 00:19:58,657

(EXHALES, THEN PANTS)

413

00:19:59,783 —> 00:20:01,135

What is wrong?

414

00:20:01,159 —> 00:20:03,638

Tartar Nick's dead.

Drowned in the fountain.

415

00:20:03,662 —> 00:20:06,683

Like Leontov.

That fountain is cursed.

416

00:20:06,707 —> 00:20:07,976

That's exactly what I said.

417

00:20:08,000 —> 00:20:09,644

And now Gorky's dead.

418

00:20:09,668 —> 00:20:11,479

Elizabeth thinks I should

be worried about it.

419

00:20:11,503 —> 00:20:12,730

That they're always coming.

420

00:20:12,754 —> 00:20:14,941

Which is a saying of my father's,

and not hers,

421

00:20:14,965 —> 00:20:16,526

and it is annoying that she uses it,

422

00:20:16,550 —> 00:20:18,903

as well as annoying that she

reminisces of his cock

423

00:20:18,927 —> 00:20:21,239

in her various holes when I'm right there!

424

00:20:21,263 —> 00:20:24,909

No. You just won the war.

People love you.

425

00:20:24,933 —> 00:20:27,495

Exactly! That's what I said!

426

00:20:27,519 —> 00:20:29,581

You are quite marvelous nowadays.

427

00:20:29,605 —> 00:20:31,982

Catherine, you have a heart of snow.

428

00:20:32,399 —> 00:20:34,210

Cold?

Pure.

429

00:20:34,234 —> 00:20:36,796

You're not a political animal,

and that is fine.

430

00:20:36,820 —> 00:20:38,965

But his bodyguard is dead,

431

00:20:38,989 —> 00:20:42,051

and now Gorky,

his father's best friend, is dead.

432

00:20:42,075 —> 00:20:43,970

Best friend?

PETER: He kept it quiet.

433

00:20:43,994 —> 00:20:47,056

He used to hide friendships,

so people would be led the wrong way.

434

00:20:47,080 —> 00:20:48,808

That's actually very clever.

435

00:20:48,832 —> 00:20:50,435

You know, I have stopped the war,

436

00:20:50,459 —> 00:20:51,936

given them art and science for a time,

437

00:20:51,960 —> 00:20:54,564

let them draw donkeyfucking

cartoons of me,

438

00:20:54,588 —> 00:20:57,567

and still they come after me.

What do these fuckers want?

439

00:20:57,591 —> 00:20:58,902

So ungrateful.

440

00:20:58,926 —> 00:21:01,029

Who could want anything more?

441

00:21:01,053 —> 00:21:05,074

That is why it does not make sense

that anyone is up to anything.

442

00:21:05,098 —> 00:21:08,077

It is coming.

You both need to understand that.

443

00:21:08,101 —> 00:21:09,746

All right! Fuck it.

444

00:21:09,770 —> 00:21:11,331

If it is this, then it is this.

445

00:21:11,355 —> 00:21:13,541

I do not get to choose the Emperor

I wish to be.

446

00:21:13,565 —> 00:21:16,461

These fuckers make me choose

to be the Emperor I have to be.

447

00:21:16,485 —> 00:21:17,962

So be it.

448

00:21:17,986 —> 00:21:20,381

Leadership is a cruel master.

449

00:21:20,405 —> 00:21:23,009

We will torture everyone at court.

450

00:21:23,033 —> 00:21:25,762

BOTH: What?

Man, woman, and child will be tortured

451

00:21:25,786 —> 00:21:27,222

until someone confesses.

452
00:21:27,246 —> 00:21:28,473
Hopefully we find them early,

453
00:21:28,497 —> 00:21:30,642
as we do have a banquet
celebrating the war this evening.

454
00:21:30,666 —> 00:21:33,561
That is an appalling idea.
You can't hurt people like that.

455
00:21:33,585 —> 00:21:35,647
I can. We torture people all the time.

456
00:21:35,671 —> 00:21:38,024
Loosen a person's ball bag,
it seems to loosen their tongue.

457
00:21:38,048 —> 00:21:39,526
Oh, dear God.

458

00:21:39,550 —> 00:21:42,070

It is a flaw to need their love,

but I will take their fear instead.

459

00:21:42,094 —> 00:21:43,655

I need to know if there is someone,

460

00:21:43,679 —> 00:21:46,032

so this will find them efficiently,

and speedily.

461

00:21:46,056 —> 00:21:48,034

So it's actually

a great idea. (CHUCKLES)

462

00:21:48,058 —> 00:21:50,286

You are women, and this is men's things.

463

00:21:50,310 —> 00:21:53,748

Surely suspects could be deduced

over a very, very,

464

00:21:53,772 —> 00:21:56,209
very long period of investigation.

465
00:21:56,233 —> 00:21:58,878
And only then should you act
as if there is a coup.

466
00:21:58,902 —> 00:22:00,213
We're doing this.

467
00:22:00,237 —> 00:22:03,007
The court could do with reminding
how benevolent and fun,

468
00:22:03,031 —> 00:22:04,801
and warwinning I usually am.

469
00:22:04,825 —> 00:22:07,953
And they should know that I could be
a fucking prick if I wished, instead.

470
00:22:10,289 —> 00:22:11,623
(DOOR CLOSES)

471

00:22:13,625 —> 00:22:14,625

(BANGS)

472

00:22:16,420 —> 00:22:17,981

(SIGHS SOFTLY)

473

00:22:18,005 —> 00:22:19,798

(INDISTINCT CHATTERING)

474

00:22:21,300 —> 00:22:23,820

He's not seriously gonna do this.

475

00:22:23,844 —> 00:22:26,698

He is. I'm 3:30, you're 3:15.

476

00:22:26,722 —> 00:22:29,826

Shit! Arkady, we're on the list.

477

00:22:29,850 —> 00:22:31,244

Me, too!

478

00:22:31,268 —> 00:22:34,080

Fucking hell! We're loyal. His friends.

479

00:22:34,104 —> 00:22:34,957

Why would he...

480

00:22:34,981 —> 00:22:36,398

(ALL CHATTERING)

481

00:22:40,736 —> 00:22:43,715

He can't torture everyone. It is mad.

482

00:22:43,739 —> 00:22:46,009

I don't mind a little ruthless.

483

00:22:46,033 —> 00:22:48,118

But it does seem illadvised.

484

00:22:50,329 —> 00:22:51,431

Must you watch?

485

00:22:51,455 —> 00:22:53,683
Technically, I do not have to,
but I enjoy it.

486
00:22:53,707 —> 00:22:55,292
(URINATING)

487
00:22:57,920 —> 00:22:59,880
Hmm. Nothing.

488
00:23:01,131 —> 00:23:03,800
It does not always bloom directly, though.

489
00:23:05,385 —> 00:23:07,572
(FOOTSTEPS DEPARTING)

490
00:23:07,596 —> 00:23:09,282
He is to torture everyone.

491
00:23:09,306 —> 00:23:11,225
I heard. Drink this.

492

00:23:11,600 —> 00:23:13,119
We are not on the list.

493
00:23:13,143 —> 00:23:15,747
I know. Everyone but us.

494
00:23:15,771 —> 00:23:17,749
And Catherine. And Elizabeth.

495
00:23:17,773 —> 00:23:19,667
He really loves us.

496
00:23:19,691 —> 00:23:20,859
I know.

497
00:23:23,237 —> 00:23:26,907
When my father used to gamble,
I watched the men and their cards.

498
00:23:27,658 —> 00:23:29,677
The good gamblers played
the cards they were dealt.

499

00:23:29,701 —> 00:23:32,180

The bad went mad waiting for an ace.

500

00:23:32,204 —> 00:23:34,039

(GRIGOR SIGHS)

Hoping.

501

00:23:35,165 —> 00:23:37,602

You've been dealt a complicated woman.

502

00:23:37,626 —> 00:23:38,752

And hand.

503

00:23:39,002 —> 00:23:41,606

But you must play the cards

you've been dealt. Humph.

504

00:23:41,630 —> 00:23:43,674

I love you with all my heart.

505

00:23:45,425 —> 00:23:47,010

And soul.

506

00:23:47,594 —> 00:23:49,906

(GROANS)

If there is such a thing.

507

00:23:49,930 —> 00:23:51,741

Haven't seen much evidence

of it around here.

508

00:23:51,765 —> 00:23:54,994

Oh. I feel a bit

Groggy? I know. Jordansk.

509

00:23:55,018 —> 00:23:56,854

(GRIGOR EXHALES, THEN SIGHS)

510

00:23:57,354 —> 00:23:58,397

Wha...

511

00:23:59,064 —> 00:24:00,274

What are you do...

512

00:24:01,316 —> 00:24:02,526
(THUDS)

513
00:24:02,860 —> 00:24:03,860
(CLATTERING)

514
00:24:12,870 —> 00:24:15,890
So you all have to hold fast
during torture.

515
00:24:15,914 —> 00:24:19,102
Remember our glorious future,
and hold to that day.

516
00:24:19,126 —> 00:24:22,063
I, I'll, I'll just say it.
I'll, I'll spill my guts.

517
00:24:22,087 —> 00:24:26,067
I have a low pain threshold.
Um, a medical condition, I think.

518
00:24:26,091 —> 00:24:28,653

If they go for my balls,

I'm not completely trustworthy, either.

519

00:24:28,677 —> 00:24:31,573

What are you talking about?

True. They come for your balls.

520

00:24:31,597 —> 00:24:32,907

All bets are off.

521

00:24:32,931 —> 00:24:35,076

We should practice some pain management.

522

00:24:35,100 —> 00:24:37,495

(GRUNTS) Fuck!

Are you drunk, Velementov?

523

00:24:37,519 —> 00:24:41,291

A tiny bit.

What's, what's in these mules, Voronsky?

524

00:24:41,315 —> 00:24:42,792

Ooh, uh, some vodka.

525

00:24:42,816 —> 00:24:43,752

Can you.

526

00:24:43,776 —> 00:24:45,360

ORLO:

Leo, what are you even doing here?

527

00:24:45,736 —> 00:24:47,463

Have you not fucked up enough already?

528

00:24:47,487 —> 00:24:51,384

I mean, this, this is life and death.

Not drinks and... fucking snacks.

529

00:24:51,408 —> 00:24:53,469

Well, I just killed someone,

so I'm well aware of that, Orlo.

530

00:24:53,493 —> 00:24:55,513

And if I didn't kill him,

we'd all be dead by now.

531

00:24:55,537 —> 00:24:57,724

Well, if you hadn't told him it was her,

you wouldn't have had to kill him.

532

00:24:57,748 —> 00:24:59,684

You all need to

We need to fucking go kill Peter,

533

00:24:59,708 —> 00:25:01,102

before this starts

and he gets too prepared.

534

00:25:01,126 —> 00:25:03,313

Marial might be right. I'll get a rock.

535

00:25:03,337 —> 00:25:04,772

I Everyone stop.

536

00:25:04,796 —> 00:25:06,900

We are not killing anyone.

537

00:25:06,924 —> 00:25:08,234

We are not ready.

538
00:25:08,258 —> 00:25:10,052
The pieces are not in place.

539
00:25:11,386 —> 00:25:13,698
We will not fail because we panicked.

540
00:25:13,722 —> 00:25:17,702
It's called responding to circumstances
as they happen.

541
00:25:17,726 —> 00:25:19,078
No.

542
00:25:19,102 —> 00:25:21,647
We need to get him to believe
the threat is over.

543
00:25:22,856 —> 00:25:25,234
He will not stop
until he finds the plotters.

544

00:25:26,401 —> 00:25:29,214

We need to find him one. Or some.

545

00:25:29,238 —> 00:25:31,007

We need a scapegoat.

(DOOR OPENS)

546

00:25:31,031 —> 00:25:32,658

Fuck! Guards!

547

00:25:33,617 —> 00:25:35,244

(VELEMENTOV MUTTERS)

548

00:25:36,119 —> 00:25:41,166

Remember, think of our glorious future,

and not the searing pain in your balls.

549

00:25:44,962 —> 00:25:46,981

(DOORS CLOSE)

(DISTANT FOOTSTEPS DEPARTING)

550

00:25:47,005 —> 00:25:49,359

I thought word "searing"
was uncalled for.

551
00:25:49,383 —> 00:25:50,236
(VELEMENTOV GRUNTS)

552
00:25:50,260 —> 00:25:53,279
They do not inspire confidence
in victory, our comrades.

553
00:25:53,303 —> 00:25:55,222
They will. Just need aligning.

554
00:25:56,390 —> 00:25:59,494
What do you seek here
without asking entrance?

555
00:25:59,518 —> 00:26:01,788
PETER: Uh, it's me!

556
00:26:01,812 —> 00:26:03,623
I was worried for your safety.

557

00:26:03,647 —> 00:26:04,690

Come on.

558

00:26:09,069 —> 00:26:11,548

You have a lot of guards.

Indeed.

559

00:26:11,572 —> 00:26:14,467

Fucking come for me,

you'd die a lot first.

560

00:26:14,491 —> 00:26:17,095

We will confine ourselves together

until it is safe.

561

00:26:17,119 —> 00:26:18,805

ARCHIE: Emperor! Archie.

562

00:26:18,829 —> 00:26:21,516

Yes, I'm in here.

ARCHIE: Right.

563

00:26:21,540 —> 00:26:24,144

I am to begin the interrogations.

564

00:26:24,168 —> 00:26:27,188

Indeed.

Fucking shake their souls, Archie.

565

00:26:27,212 —> 00:26:28,231

ARCHIE: Will do.

566

00:26:28,255 —> 00:26:31,025

I see a fruit bowl through there.

Toss an apple over, will you?

567

00:26:31,049 —> 00:26:33,135

Uh, right.

568

00:26:34,803 —> 00:26:36,013

(CRUNCHES)

569

00:26:37,055 —> 00:26:39,766

(INDISTINCT CHATTERING)

570

00:26:42,227 —> 00:26:45,874

How are we supposed to enjoy the picnic?

I can't judge their looks.

571

00:26:45,898 —> 00:26:48,960

What is fucked about this job is

you never fucking know.

572

00:26:48,984 —> 00:26:52,755

You know, my father always used to be

hyper wary. Hyper scared.

573

00:26:52,779 —> 00:26:55,550

And I told myself,

in this, I would be different.

574

00:26:55,574 —> 00:26:58,511

And instead,

I'm a prisoner in my own palace.

575

00:26:58,535 —> 00:27:00,388

I suppose you never know,

when you are king,

This is Russia.

223

00:11:06,875 —> 00:11:10,313

A leader must show the people

they have ice in their veins.

224

00:11:10,337 —> 00:11:12,339
And fire in their heart.

225
00:11:13,715 —> 00:11:17,445
Velementov will organize the military
so they are ready to take his guards,

226
00:11:17,469 —> 00:11:19,989
or anyone else who wishes to fight.

227
00:11:20,013 —> 00:11:22,408
Leo, be amongst the court.

228
00:11:22,432 —> 00:11:23,827
Sow the seed.

229
00:11:23,851 —> 00:11:25,787
And when the time comes,

230
00:11:25,811 —> 00:11:28,373
you will bring them all to the Great Hall,

231

00:11:28,397 —> 00:11:30,041
and I will address them.

232
00:11:30,065 —> 00:11:32,460
And Archie?
Orlo, you go to him.

233
00:11:32,484 —> 00:11:35,046
Keep him distracted.
Detained until it's done.

234
00:11:35,070 —> 00:11:36,965
Might I suggest a long confession?

235
00:11:36,989 —> 00:11:39,926
Uh, not me?
Makes more sense I would go.

236
00:11:39,950 —> 00:11:41,469
I need you with me.

237
00:11:41,493 —> 00:11:43,328
And you will collect my dress,

and dress me.

238

00:11:47,708 —> 00:11:49,293

This is it, my friends.

239

00:11:54,882 —> 00:11:57,777

Happy birthday, Empress.

Our best wishes.

240

00:11:57,801 —> 00:11:59,821

So young. So beautiful.

241

00:11:59,845 —> 00:12:02,740

But what you said the other night,

after the torture,

242

00:12:02,764 —> 00:12:05,743

were the words of a person

of old wisdom, and charity.

243

00:12:05,767 —> 00:12:07,954

You have had our respect, of course.

244

00:12:07,978 —> 00:12:09,706

But you have our love now.

245

00:12:09,730 —> 00:12:12,733

And I would honestly love to know

how you fucked that horse.

246

00:12:13,442 —> 00:12:15,402

I didn't fuck a horse.

247

00:12:15,903 —> 00:12:18,131

I made it up, Tatyana. You were there.

248

00:12:18,155 —> 00:12:19,132

Really?

249

00:12:19,156 —> 00:12:21,617

I have a busy day improving Russia.

250

00:12:22,117 —> 00:12:24,995

I hope this to be a memorable day

for all of us.

251

00:12:27,915 —> 00:12:30,560

Orlo, you need to kill Archie.

252

00:12:30,584 —> 00:12:32,145

I know.

253

00:12:32,169 —> 00:12:34,671

You were going to do it, anyway.

I was.

254

00:12:35,255 —> 00:12:36,840

Despite my orders?

255

00:12:38,550 —> 00:12:39,843

I wish to win.

256

00:12:40,969 —> 00:12:43,323

And now they're your orders, so...

257

00:12:43,347 —> 00:12:44,389

good for us.

258

00:12:50,854 —> 00:12:52,231

We'll win.

259

00:12:53,815 —> 00:12:55,192

It is fate.

260

00:12:55,734 —> 00:12:56,944

Indeed.

261

00:12:59,488 —> 00:13:01,281

(WINGS FLUTTERING)

262

00:13:02,574 —> 00:13:04,385

Happy birthday.

263

00:13:04,409 —> 00:13:07,305

Look. They're spelling out

"Catherine."

264

00:13:07,329 —> 00:13:10,433

Well, sort of. Although, that's a "P."

265

00:13:10,457 —> 00:13:12,876

Oh, they had it before, I promise.

266

00:13:13,460 —> 00:13:15,838

It's marvelous. (LAUGHS)

Thank you.

267

00:13:16,588 —> 00:13:18,465

Let's piss on some wheat.

268

00:13:19,633 —> 00:13:22,177

I just went.

I'll get you water.

269

00:13:22,970 —> 00:13:25,198

It could be an auspicious day.

270

00:13:25,222 —> 00:13:27,116

I got pregnant on my birthday,

271

00:13:27,140 —> 00:13:29,702

and I thought, perhaps today
will be the same for you.

272
00:13:29,726 —> 00:13:31,228
Hmm.

273
00:13:32,604 —> 00:13:34,231
I... (EXHALES)

274
00:13:34,857 —> 00:13:37,150
No luck.
Another glass.

275
00:13:43,490 —> 00:13:44,658
Right.

276
00:13:50,205 —> 00:13:52,457
Can we speak of something
we have never talked on?

277
00:13:53,542 —> 00:13:55,937
I'd like to think we can
tell each other anything.

278

00:13:55,961 —> 00:13:57,379

I do, too.

279

00:13:58,505 —> 00:14:01,842

Ivan.

Was it hard to kill him?

280

00:14:02,176 —> 00:14:03,260

Oh.

281

00:14:03,927 —> 00:14:07,448

Well, he wriggled a lot, so

I mean inside you.

282

00:14:07,472 —> 00:14:08,974

In your heart.

283

00:14:13,770 —> 00:14:15,147

I lost a child.

284

00:14:15,439 —> 00:14:16,982

My darling Igor.

285

00:14:17,816 —> 00:14:22,172

So I just kept telling myself

"You're sending Ivan to Igor.

286

00:14:22,196 —> 00:14:24,406

And now they will each have a friend."

287

00:14:25,657 —> 00:14:26,657

Anything?

288

00:14:29,661 —> 00:14:31,764

I'm worried about Rostov.

289

00:14:31,788 —> 00:14:33,081

There is more to it.

290

00:14:33,999 —> 00:14:36,084

I'm sure it is fine.

Why?

291

00:14:36,752 —> 00:14:38,730

What?

Why are you sure?

292

00:14:38,754 —> 00:14:40,899

You were sure before Rostov

that nothing was happening,

293

00:14:40,923 —> 00:14:42,549

and now you're sure again.

294

00:14:44,009 —> 00:14:46,637

I am too much an optimist, perhaps.

295

00:14:49,097 —> 00:14:51,016

(GRUNTS) Still nothing.

296

00:14:51,725 —> 00:14:53,786

I must get ready for my party lunch.

297

00:14:53,810 —> 00:14:55,830

Ah, well. Later.

298

00:14:55,854 —> 00:14:58,941

Try and let me know.

I have my fingers crossed.

299

00:14:59,983 —> 00:15:01,485

Come!

(SNAPPING)

300

00:15:02,361 —> 00:15:04,196

(FOOTSTEPS DEPARTING)

301

00:15:05,656 —> 00:15:07,491

I will always care for you.

302

00:15:08,784 —> 00:15:10,011

You should know that.

303

00:15:10,035 —> 00:15:12,037

Oh. How sweet.

304

00:15:17,125 —> 00:15:18,377

(SIGHS)

305

00:15:20,629 —> 00:15:21,797

Why did you ask me that?

306

00:15:23,715 —> 00:15:27,427

About Ivan.

I... just never had.

307

00:15:32,349 —> 00:15:34,101

Are you lying to me?

308

00:15:35,477 —> 00:15:36,645

No.

309

00:15:41,817 —> 00:15:44,319

(GROANING)

(URINATING)

310

00:15:45,696 —> 00:15:48,365

(SIGHING)

311

00:15:53,203 —> 00:15:54,955

(URINATING)

312

00:15:55,455 —> 00:15:57,040

Oh, my God.

313

00:15:58,250 —> 00:16:00,103

You're the beaver's nose.

314

00:16:00,127 —> 00:16:02,171

What?

You're coming for Peter.

315

00:16:04,548 —> 00:16:06,442

I... what?

316

00:16:06,466 —> 00:16:10,596

No! What? (LAUGHS)

317

00:16:12,514 —> 00:16:14,576

You are a card.

318

00:16:14,600 —> 00:16:16,703

Your heart and brain I never doubted,

319

00:16:16,727 —> 00:16:18,538

but your stomach for the fight, I did.

320

00:16:18,562 —> 00:16:20,790

Clearly, I was wrong.

(LAUGHS)

321

00:16:20,814 —> 00:16:23,751

I am not doing anything.

You are lying to me.

322

00:16:23,775 —> 00:16:26,111

I am not.

Gosh.

323

00:16:29,615 —> 00:16:32,868

But if I was, what would you do?

324

00:16:34,453 —> 00:16:36,306

For a moment,

325

00:16:36,330 —> 00:16:40,477

merely step back and revel in the sight

of a wild young woman,

326

00:16:40,501 —> 00:16:42,687

going, "What the fuck?

I have a better idea,"

327

00:16:42,711 —> 00:16:43,980

and reaching for it.

328

00:16:44,004 —> 00:16:45,023

Really?

329

00:16:45,047 —> 00:16:48,359

Most women die with an unsaid

better idea in their hearts.

330

00:16:48,383 —> 00:16:51,970

I would be better than him for Russia.

And you know it.

331

00:16:53,222 —> 00:16:54,264

Huh.

332

00:16:58,060 —> 00:16:59,496

Okay, what are you thinking,

333

00:16:59,520 —> 00:17:01,873

because I'm really struggling to read you.

334

00:17:01,897 —> 00:17:03,524

I know you love him.

335

00:17:04,441 —> 00:17:06,044

But he is ruining Russia.

336

00:17:06,068 —> 00:17:09,279

He is the line I swore to protect.

337

00:17:14,660 —> 00:17:16,328

This is the line, also.

338

00:17:16,745 —> 00:17:17,788

(EXHALES)

339

00:17:19,331 —> 00:17:20,707

Will you support me?

340

00:17:32,803 —> 00:17:34,096

Don't kill him.

341

00:17:35,931 —> 00:17:37,266

I won't.

342

00:17:40,853 —> 00:17:42,813

(FOOTSTEPS DEPARTING)

343

00:17:45,440 —> 00:17:46,626

(WHISPERS)

Fuck.

344

00:17:46,650 —> 00:17:48,151

Everything okay?

345

00:17:51,280 —> 00:17:53,216

She knows.

She is onside.

346

00:17:53,240 —> 00:17:54,658

Are you fucking kidding?

347

00:17:55,993 —> 00:17:58,054

She's Peter's aunt.

348

00:17:58,078 —> 00:18:02,416

We must... stop. We must run, we Fuck!

349

00:18:03,667 —> 00:18:06,479

Or... kill her.

350

00:18:06,503 —> 00:18:08,523

We are not killing her. She is nice.

351

00:18:08,547 —> 00:18:11,884

She killed a 10yearold.

So, she may be handy for us later.

352

00:18:12,551 —> 00:18:15,405
(SIGHS) Now dress me,
give me a knife. I'm going to lunch.

353
00:18:15,429 —> 00:18:16,614
Catherine.

354
00:18:16,638 —> 00:18:20,618
She's read Machiavelli. I'm sure of it.
I trust she will not tell.

355
00:18:20,642 —> 00:18:24,080
And if she does, all I have lost
is the element of surprise.

356
00:18:24,104 —> 00:18:27,250
Which is a big part of winning.
Just dress me.

357
00:18:27,274 —> 00:18:29,067
I know what I'm doing.

358
00:18:32,696 —> 00:18:35,383

LEO: Thanks for the impromptu
invitation to hunting.

359
00:18:35,407 —> 00:18:37,594
GRIGOR:
Quick hour before lunch. Always good.

360
00:18:37,618 —> 00:18:39,637
'Tis a glorious day.

361
00:18:39,661 —> 00:18:42,807
Memorable.
I can feel it in the blood, somehow.

362
00:18:42,831 —> 00:18:44,100
Exactly.

363
00:18:44,124 —> 00:18:46,895
Like everything will be different
by the end of the day.

364
00:18:46,919 —> 00:18:50,648
Indeed. I've gone through life thinking

the world will never change,

365
00:18:50,672 —> 00:18:51,941
and lived with it.

366
00:18:51,965 —> 00:18:53,610
Something tells me
the world we are in today

367
00:18:53,634 —> 00:18:55,344
may not be the world we are in tomorrow.

368
00:18:56,470 —> 00:18:58,347
'Tis prescient of you, Voronsky.

369
00:18:58,889 —> 00:19:00,891
Arkady, rabbit.

370
00:19:01,600 —> 00:19:02,827
(FIRES)
Aah!

371

00:19:02,851 —> 00:19:05,371

(LEO GRUNTS)

Fucking hell, Arkady.

372

00:19:05,395 —> 00:19:08,249

Fucker!

Shut up. Grigor, finish him.

373

00:19:08,273 —> 00:19:09,667

(FIRES)

Ow!

374

00:19:09,691 —> 00:19:10,919

Fuck!

375

00:19:10,943 —> 00:19:12,194

Fuck.

376

00:19:13,070 —> 00:19:16,257

Well, if we kill him now,

he will be shot three times.

377

00:19:16,281 —> 00:19:18,843

How do I explain that

as an unfortunate hunting accident?

378

00:19:18,867 —> 00:19:20,929

She was never gonna buy that.

But we have shot him,

379

00:19:20,953 —> 00:19:22,764

so that doesn't look good to her, either.

380

00:19:22,788 —> 00:19:24,456

Idiots.

Indeed, you all are.

381

00:19:26,959 —> 00:19:28,645

(THWACKS)

(THUDS)

382

00:19:28,669 —> 00:19:30,021

ARKADY: Why not just kill him?

383

00:19:30,045 —> 00:19:32,398

If it was an accident,

she would grieve him,

384
00:19:32,422 —> 00:19:35,151
and I would provide solace to her,
but three shots in him,

385
00:19:35,175 —> 00:19:37,570
and she will probably think I did it,
and be mad at me.

386
00:19:37,594 —> 00:19:39,823
Tatyana would love it
if I killed someone for her.

387
00:19:39,847 —> 00:19:42,492
I think they do and they don't.
I've heard.

388
00:19:42,516 —> 00:19:43,576
Throw him in the carriage.

389
00:19:43,600 —> 00:19:45,829
When you think on it,

I am clearly the better man,

390
00:19:45,853 —> 00:19:47,831
and have not applied myself
to it until now,

391
00:19:47,855 —> 00:19:48,749
but he is annoying.

392
00:19:48,773 —> 00:19:51,275
So we will stash him somewhere
until she loves me.

393
00:19:54,653 —> 00:19:56,154
(FOOTSTEPS APPROACHING)

394
00:19:59,700 —> 00:20:00,826
Pretty.

395
00:20:02,411 —> 00:20:04,639
Hmm. Pretty.

396

00:20:04,663 —> 00:20:06,290
So Orlo's going to Archie?

397
00:20:07,291 —> 00:20:08,268
Yes.

398
00:20:08,292 —> 00:20:10,520
And we will cut a deal
when this is done.

399
00:20:10,544 —> 00:20:12,313
Exactly.

400
00:20:12,337 —> 00:20:14,298
Let me focus.
Right.

401
00:20:24,474 —> 00:20:25,601
So.

402
00:20:26,643 —> 00:20:28,395
Here we go.

403

00:20:33,609 —> 00:20:35,903

(VIOLIN PLAYING OUT OF TUNE)

404

00:20:39,531 —> 00:20:40,616

Fuck.

405

00:20:41,909 —> 00:20:43,202

(VIOLIN SQUEAKS)

406

00:20:45,204 —> 00:20:47,265

They said I would find you

in the music room.

407

00:20:47,289 —> 00:20:50,351

Do not be here to

lecture me more, Aunt. I am busy.

408

00:20:50,375 —> 00:20:53,229

I will play her an improvised tune

when I present her cake.

409

00:20:53,253 —> 00:20:54,588

Of course.

410

00:20:56,256 —> 00:20:59,986

I just want you to know

I love and support you always.

411

00:21:00,010 —> 00:21:01,488

You're a son to me.

412

00:21:01,512 —> 00:21:04,765

Well, I'm not dead, like yours,

but I appreciate the sentiment.

413

00:21:05,807 —> 00:21:07,744

I am going to the country for a week.

414

00:21:07,768 —> 00:21:09,787

I love to sit in nature and just watch it.

415

00:21:09,811 —> 00:21:12,832

It is beautiful, and sometimes harsh.

416

00:21:12,856 —> 00:21:15,567
But you realize, it is always right.

417
00:21:18,195 —> 00:21:19,571
That is what I know.

418
00:21:20,864 —> 00:21:23,825
Hmm. Sounds dull, but,
um, enjoy the trees.

419
00:21:25,744 —> 00:21:28,080
(VIOLIN PLAYING)

420
00:21:35,671 —> 00:21:39,108
I will do this. And fast.

421
00:21:39,132 —> 00:21:41,343
Then you take a message to the others.

422
00:21:42,261 —> 00:21:44,280
Just breathe.
(INHALES)

423

00:21:44,304 —> 00:21:46,348

As I have tried to.

(EXHALES)

424

00:21:51,895 —> 00:21:53,856

(FOOTSTEPS DEPARTING)

425

00:21:57,693 —> 00:22:00,028

Huzzah! Happy birthday!

426

00:22:00,946 —> 00:22:02,447

Thank you, husband.

427

00:22:04,491 —> 00:22:06,135

(DOORS CLOSE)

I have something for you.

428

00:22:06,159 —> 00:22:07,202

And I you.

429

00:22:08,954 —> 00:22:11,540

Well, me first. Come on.

(CLAPPING)

430

00:22:12,374 —> 00:22:15,502

It is Voltaire. Voltaire!

431

00:22:17,087 —> 00:22:18,755

Bonjour, madame.

432

00:22:19,590 —> 00:22:20,608

(KISSES)

433

00:22:20,632 —> 00:22:23,778

Oh, my God.

Your beauty is not exaggerated.

434

00:22:23,802 —> 00:22:27,240

PETER: I ordered him from France.

Fucker drove a hard bargain.

435

00:22:27,264 —> 00:22:29,534

But I know you love him,

and I love you, so...

436

00:22:29,558 —> 00:22:30,976

I give you this heartfelt gesture.

437

00:22:32,311 —> 00:22:34,164

Monsieur Voltaire,

438

00:22:34,188 —> 00:22:35,606

an honor.

439

00:22:35,981 —> 00:22:37,274

(PETER CHUCKLES)

440

00:22:38,108 —> 00:22:39,252

Thank you.

441

00:22:39,276 —> 00:22:41,588

Or, merci. Right, Volti?

442

00:22:41,612 —> 00:22:44,591

Ah. Your accent is formidable.

(CHUCKLES) Touché.

443

00:22:44,615 —> 00:22:46,074

(BOTH CHUCKLING)

444

00:22:46,658 —> 00:22:48,410

A moment, gentlemen.

445

00:22:51,496 —> 00:22:53,123

Come, Volti.

Yes.

446

00:22:54,082 —> 00:22:55,977

I can't kill him in front of Voltaire!

447

00:22:56,001 —> 00:22:59,272

He is light, and reason, and humanity.

448

00:22:59,296 —> 00:23:00,815

It's Voltaire!

449

00:23:00,839 —> 00:23:02,609

How would that look?

Jesus.

450

00:23:02,633 —> 00:23:04,235

He's just some bookish French cunt.

451

00:23:04,259 —> 00:23:06,529

I will talk to him for a moment,

452

00:23:06,553 —> 00:23:08,490

and then do it when we are alone.

453

00:23:08,514 —> 00:23:09,890

(FOOTSTEPS DEPARTING)

454

00:23:10,349 —> 00:23:13,393

Today, we kill the emperor.

455

00:23:14,353 —> 00:23:16,789

So when the word comes,

456

00:23:16,813 —> 00:23:18,500

we lock down the palace.

457

00:23:18,524 —> 00:23:20,376

We take the guards down.

458

00:23:20,400 —> 00:23:23,070

And... until then?

459

00:23:23,529 —> 00:23:24,613

We wait.

460

00:23:26,031 —> 00:23:27,407

We drink.

461

00:23:29,409 —> 00:23:31,370

To the future of Russia.

462

00:23:32,454 —> 00:23:34,331

(GLASSES SHATTERING)

ALL: Huzzah!

463

00:23:36,208 —> 00:23:37,208

Hmm.

464

00:23:43,340 —> 00:23:44,633

(RHYTHMIC PANTING)

465

00:23:46,385 —> 00:23:47,427

(DOOR OPENS)

466

00:23:47,845 —> 00:23:51,223

Archie. I, I must confess my sins.

467

00:23:51,682 —> 00:23:53,493

All of this time,

you have said I was wrong,

468

00:23:53,517 —> 00:23:57,372

and last night, I awoke stricken,

but perhaps it was true.

469

00:23:57,396 —> 00:24:01,000

I must confess.

I have done sick things, Archie.

470

00:24:01,024 —> 00:24:03,628

Sick, depraved things.

471

00:24:03,652 —> 00:24:05,547

(SOBBING)

I see.

472

00:24:05,571 —> 00:24:07,382

How fascinating.

473

00:24:07,406 —> 00:24:09,384

There is a serf in the kitchen,

474

00:24:09,408 —> 00:24:13,054

and the depravity

we have been a party to...

475

00:24:13,078 —> 00:24:16,516

(SOBS)

God has blessed you, Orlo.

476

00:24:16,540 —> 00:24:19,168

Calm down. I'll dress.

477

00:24:21,753 —> 00:24:22,730

(KNIFE CLINKS)

478

00:24:22,754 —> 00:24:24,315

Fucker!

479

00:24:24,339 —> 00:24:25,716

(GRUNTS)

(KNIFE CLINKS)

480

00:24:26,300 —> 00:24:27,986

What's going on?

(GRUNTS)

481

00:24:28,010 —> 00:24:31,597

Marial, do, do not do this. We must

(MARIAL GRUNTS)

482

00:24:32,681 —> 00:24:33,741

(ORLO YELLS)

ARCHIE: Marial!

483

00:24:33,765 —> 00:24:36,202
(BANGING)
ORLO: (YELLS) Fuck!

484
00:24:36,226 —> 00:24:37,829
(ORLO SIGHS)

485
00:24:37,853 —> 00:24:40,731
(FOOTSTEPS DEPARTING)

486
00:24:44,234 —> 00:24:45,712
(YELLS)
(GRUNTS)

487
00:24:45,736 —> 00:24:48,006
I'm interested in your ideas on reason,

488
00:24:48,030 —> 00:24:50,258
and leaving behind
the religious superstition

489
00:24:50,282 —> 00:24:52,552
that has distorted the way

we live and rule.

490
00:24:52,576 —> 00:24:55,889
Ah, yes, well, in the absence of reason,
men cling to superstition.

491
00:24:55,913 —> 00:24:58,725
We must claw people's fingers
and minds from it.

492
00:24:58,749 —> 00:25:01,895
Uh, Catherine bit our patriarch's finger
near clean off. (CHUCKLES)

493
00:25:01,919 —> 00:25:04,606
Separation of church's fingers
from state.

494
00:25:04,630 —> 00:25:05,441
Bravo.

495
00:25:05,465 —> 00:25:07,066
PETER: Indeed. Huzzah.

496

00:25:07,090 —> 00:25:08,967

Is it dull to be a writer?

497

00:25:10,511 —> 00:25:13,072

To have a pen is to be at war.

498

00:25:13,096 —> 00:25:15,950

Of course. You can take

people's eyes out with a quill.

499

00:25:15,974 —> 00:25:17,559

(CHUCKLES) Love it.

500

00:25:18,560 —> 00:25:20,705

CATHERINE:

Describe your latest book, Candide.

501

00:25:20,729 —> 00:25:22,165

I have heard much.

502

00:25:22,189 —> 00:25:25,043

Well, it's a

a, a mockery of people who believe,

503

00:25:25,067 —> 00:25:27,444

and have an optimism

in life turning out well.

504

00:25:30,072 —> 00:25:32,300

I do not believe that.

505

00:25:32,324 —> 00:25:34,076

I believe life turns out well.

506

00:25:35,077 —> 00:25:37,931

A child. A beautiful child, you are.

507

00:25:37,955 —> 00:25:38,997

(CHUCKLES)

508

00:25:40,249 —> 00:25:41,792

I have something to say.

509

00:25:42,626 —> 00:25:43,836
Catherine...

510
00:25:44,753 —> 00:25:47,106
I look at you on your twentieth birthday,

511
00:25:47,130 —> 00:25:49,442
a woman of substance.

512
00:25:49,466 —> 00:25:51,677
A woman par exemple.

513
00:25:52,845 —> 00:25:55,532
Of wise thought and deed,

514
00:25:55,556 —> 00:25:57,909
dedicated to the pursuit
of a better Russia.

515
00:25:57,933 —> 00:25:59,452
A better world.

516

00:25:59,476 —> 00:26:01,830
Your lips, that speak so wisely,

517
00:26:01,854 —> 00:26:04,749
your eyes that see the world
in a way no one else does.

518
00:26:04,773 —> 00:26:07,669
Your head fizzing with original ideas.

519
00:26:07,693 —> 00:26:11,280
Your heart filled with
a powerful love for life.

520
00:26:12,072 —> 00:26:13,156
And hopefully for me.

521
00:26:14,700 —> 00:26:17,411
Hhappy birthday, my darling wife.

522
00:26:20,247 —> 00:26:24,060
You wrote that?
Volti helped me a little.

523

00:26:24,084 —> 00:26:25,544

But mostly me. (CHUCKLES)

524

00:26:26,628 —> 00:26:27,713

Thank you.

525

00:26:29,298 —> 00:26:31,758

It was actually very touching.

526

00:26:32,426 —> 00:26:33,444

Huzzah.

527

00:26:33,468 —> 00:26:34,845

(PETER LAUGHS)

Huzzah.

528

00:26:36,889 —> 00:26:39,284

Au revoir.

Aah.

529

00:26:39,308 —> 00:26:40,743

Wonderful fellow.

530

00:26:40,767 —> 00:26:42,537

Can fucking talk, though.

531

00:26:42,561 —> 00:26:44,789

Couldn't follow most of it.

But you liked it?

532

00:26:44,813 —> 00:26:46,124

I loved it.

Mm.

533

00:26:46,148 —> 00:26:49,544

It was thrilling. My mind was on fire.

534

00:26:49,568 —> 00:26:52,130

Mm. He has a lot of answers.

535

00:26:52,154 —> 00:26:55,008

Sometimes I think I could be smarter,

running a country.

536

00:26:55,032 —> 00:26:57,510

Might be helpful.

That is the thing about you.

537

00:26:57,534 —> 00:27:00,621

You are unwomanly smart.

It is intriguing to me.

538

00:27:01,538 —> 00:27:03,832

You are the oddest of creatures.

539

00:27:05,000 —> 00:27:07,669

Cruel, and thoughtless.

540

00:27:08,545 —> 00:27:09,630

Tender.

541

00:27:10,547 —> 00:27:11,882

Entertaining.

542

00:27:12,883 —> 00:27:14,259

And bizarre.

543

00:27:15,969 —> 00:27:17,221

I'm fond of you.

544

00:27:19,640 —> 00:27:21,975

In some ways, you break my heart.

545

00:27:24,186 —> 00:27:26,498

Are you about to say "I love you"?

No.

546

00:27:26,522 —> 00:27:29,918

It sounded like a declaration of sorts.

You were close to a point, I feel.

547

00:27:29,942 —> 00:27:32,361

No. I'm pretty sure not.

548

00:27:32,778 —> 00:27:35,489

Oh, I actually have a letter for you.

(CLEARS THROAT)

549

00:27:36,573 —> 00:27:38,343

You're too generous.

550

00:27:38,367 —> 00:27:40,452

Leo entrusted it to me before he left.

551

00:27:41,453 —> 00:27:43,097

What?

"Hello, Catherine.

552

00:27:43,121 —> 00:27:46,017

"It has been fun,

and I have liked you a small portion,

553

00:27:46,041 —> 00:27:49,771

"and enjoyed fucking you,

despite being unable to eat pussy well.

554

00:27:49,795 —> 00:27:52,899

"Apologies. I return to my estate,

or Venice.

555

00:27:52,923 —> 00:27:55,401

"I have not decided,

but it makes it pointless seeking me,

556

00:27:55,425 —> 00:27:59,030

"so probably Venice.

We are done. Move on.

557

00:27:59,054 —> 00:28:01,407

"The noble emperor's love is pure.

558

00:28:01,431 —> 00:28:02,992

"He is a noble soul,

559

00:28:03,016 —> 00:28:05,370

"who can eat pussy, as you well know.

560

00:28:05,394 —> 00:28:07,789

"From, Leo." Humph.

561

00:28:07,813 —> 00:28:11,459

"P.S. I was sticking it

in Marial's ass most days."

562

00:28:11,483 —> 00:28:13,086

Hmm.

(CRUMPLING)

563

00:28:13,110 —> 00:28:15,070

What have you done with him?

Me?

564

00:28:15,904 —> 00:28:17,173

Nothing. He's gone to Venice.

565

00:28:17,197 —> 00:28:19,509

I said he should face you,

but he could not. Coward.

566

00:28:19,533 —> 00:28:21,326

Have you killed him?

No.

567

00:28:21,994 —> 00:28:25,765

I promise you, he is alive and well.

He does not love you. That is all.

568

00:28:25,789 —> 00:28:27,809

We just need some clear air together,

569
