Dialogues from Back to the Future I to improve the vocabulary in English

1

00:00:23,567 –> 00:00:25,235

(CLOCKS TICKING)

2

00:01:31,551 –> 00:01:33,262

ANNOUNCER: October is

inventory time,

3

00:01:33,345 –> 00:01:34,972

so right now, Statler Toyota

4

00:01:35,055 –> 00:01:36,932

is making the best

deals of the year

5

00:01:37,015 –> 00:01:39,184

on all 1985-model Toyotas.

6

00:01:39,351 –> 00:01:40,811

You won't find a better car

7

00:01:40,894 —> 00:01:44,189

at a better price with better service

anywhere in Hill Valley.

8

00:01:44,523 —> 00:01:47,567

That's Statler Toyota

in downtown Hill Valley.

9

00:01:50,654 —> 00:01:53,532

NEWSCASTER: The Senate is expected

to vote on this today.

10

00:01:53,615 —> 00:01:57,786

In other news, officials at the Pacific

Nuclear research facility

11

00:01:57,869 —> 00:02:00,539

have denied the rumor that

a case of missing plutonium

12

00:02:00,622 —> 00:02:03,875

was in fact stolen from their vault

two weeks ago.

13

00:02:03,959 –> 00:02:06,420

A Libyan terrorist group

had claimed responsibility

14

00:02:06,503 –> 00:02:07,772

- for the alleged theft.

- (ALARM RINGING)

15

00:02:07,796 –> 00:02:09,881

However, officials now attribute

16

00:02:09,965 –> 00:02:12,384

the discrepancy to

a simple clerical error.

17

00:02:12,884 –> 00:02:16,638

The FBI, which is investigating

the matter, had no comment.

18

00:02:23,562 –> 00:02:24,688

(BUZZER BLARES)

19

00:02:58,430 —> 00:02:59,723

MARTY: Hey, Doc?

20

00:03:02,309 —> 00:03:03,435

Doc?

21

00:03:04,603 —> 00:03:06,355

Hello! Anybody home?

22

00:03:06,730 —> 00:03:07,730

Einstein, come here, boy.

23

00:03:07,773 —> 00:03:08,774

(WHISTLES)

24

00:03:09,441 —> 00:03:11,360

What's going on? Oh, God.

25

00:03:12,194 —> 00:03:14,154

Oh, Jesus!

26

00:03:14,780 —> 00:03:18,033

That is disgusting.

Where the hell is he?

27

00:03:19,284 —> 00:03:21,370

(CLOCKS TICKING)

28

00:03:31,004 —> 00:03:32,798

(MACHINE HUMMING)

29

00:03:41,431 —> 00:03:43,433

(HUMMING GROWS LOUDER)

30

00:04:04,704 —> 00:04:06,748

(LOUD HUMMING)

31

00:04:15,340 —> 00:04:16,591

(ELECTRIC GUITAR NOTE PLAYS)

32

00:04:18,051 —> 00:04:19,136

(GRUNTS)

33

00:04:27,102 —> 00:04:28,478

(GROANING)

34

00:04:38,113 —> 00:04:39,281

Whoa!

35

00:04:42,159 —> 00:04:43,660

Rock 'n' roll.

36

00:04:43,827 —> 00:04:45,620

(ALARM RINGING)

37

00:04:51,960 —> 00:04:53,420

- Yo.

- DOC: Marty, is that you?

38

00:04:53,503 —> 00:04:55,547

Hey. Hey, Doc.

Where are you?

39

00:04:55,630 —> 00:04:56,798

Thank God I've found you.

40

00:04:56,882 —> 00:04:59,301

Listen, can you meet me

at Twin Pines Mall tonight at 1:15?

41

00:04:59,384 —> 00:05:01,195

I made a major breakthrough,

and I'll need your assistance.

42

00:05:01,219 —> 00:05:02,488

Wait a minute.

1:15 in the morning?

43

00:05:02,512 —> 00:05:03,513

Yeah.

44

00:05:03,597 —> 00:05:05,265

Doc, what's going on?

45

00:05:05,348 —> 00:05:07,309

- Where you been all week?

- Working.

46

00:05:07,392 —> 00:05:08,768

Where's Einstein?

Is he with you?

47

00:05:08,852 —> 00:05:10,562

Yeah, he's right here.

48

00:05:10,645 —> 00:05:13,273

You know, Doc, you left your

equipment on all week.

49

00:05:13,356 —> 00:05:15,942

My equipment.

That reminds me, Marty.

50

00:05:16,026 —> 00:05:17,545

You better not hook up

to the amplifier.

51

00:05:17,569 —> 00:05:19,863

There's a slight

possibility of overload.

52

00:05:19,946 —> 00:05:22,324

Yeah. I'll keep that in mind.

53

00:05:22,407 —> 00:05:24,826

Good. I'll see you tonight.

Don't forget now.

54

00:05:24,910 —> 00:05:26,703

1:15 a.m.,

Twin Pines Mall.

55

00:05:26,786 —> 00:05:27,829

Right.

56

00:05:27,913 —> 00:05:29,247

(CLOCKS CHIMING)

57

00:05:29,331 —> 00:05:30,749

(CLOCKS CUCKOOING)

58

00:05:34,586 —> 00:05:36,338

Are those my clocks I hear?

59

00:05:36,421 –> 00:05:39,090

Yeah, it's 8:00.

60

00:05:39,508 –> 00:05:41,676

Perfect!

My experiment worked!

61

00:05:41,760 –> 00:05:44,262

They're all exactly

25 minutes slow!

62

00:05:45,263 –> 00:05:47,265

Wait a minute.

Wait a minute, Doc.

63

00:05:47,849 –> 00:05:50,018

Are you telling

me that it's 8:25?

64

00:05:50,101 –> 00:05:51,228

Precisely.

65

00:05:51,770 —> 00:05:54,689

Damn!

I'm late for school.

66

00:05:58,985 —> 00:06:00,695

(MUSIC PLAYING)

67

00:06:54,749 —> 00:06:56,501

- Jennifer.

- Marty, don't go this way.

68

00:06:56,585 —> 00:06:57,645

Strickland's looking for you.

69

00:06:57,669 —> 00:07:00,005

If you get caught,

it'll be four tardies in a row.

70

00:07:02,007 —> 00:07:04,301

All right, come on.

I think we're safe.

71

00:07:04,384 —> 00:07:06,511

You know, this time

it wasn't my fault.

72

00:07:06,595 —> 00:07:08,930

The doc set all his clocks

25 minutes slow.

73

00:07:09,014 —> 00:07:10,265

Doc?

74

00:07:10,348 —> 00:07:13,727

Am I to understand you're still hanging

around with Dr. Emmett Brown, McFly?

75

00:07:13,810 —> 00:07:15,145

(CLICKING TONGUE)

76

00:07:15,228 —> 00:07:17,314

Tardy slip for you, Miss Parker.

77

00:07:18,064 —> 00:07:21,693

And one for you, McFly.

I believe that makes four in a row.

78

00:07:21,776 —> 00:07:24,738

Let me give you a nickel's worth of

free advice, young man.

79

00:07:24,821 —> 00:07:27,991

This so-called Dr. Brown is dangerous.

He's a real nutcase.

80

00:07:28,074 —> 00:07:30,493

You hang around with him,

you're gonna end up in big trouble.

81

00:07:30,577 —> 00:07:31,870

Ooh. Yes, sir.

82

00:07:32,579 —> 00:07:36,166

You got a real attitude problem, McFly.

You're a slacker.

83

00:07:36,416 —> 00:07:38,144

You remind me of your father
when he went here.

84
00:07:38,168 —> 00:07:40,545
He was a slacker, too.

85
00:07:40,629 —> 00:07:42,714
Can I go now,
Mr. Strickland?

86
00:07:42,797 —> 00:07:44,466
I noticed your band
is on the roster

87
00:07:44,549 —> 00:07:46,551
for the dance auditions
after school today.

88
00:07:46,635 —> 00:07:49,054
Why even bother, McFly?
You don't have a chance.

89
00:07:49,137 —> 00:07:50,930

You're too much
like your old man.

90
00:07:51,014 —> 00:07:53,266
No McFly ever amounted
to anything

91
00:07:53,350 —> 00:07:55,060
in the history of Hill Valley.

92
00:07:57,020 —> 00:07:59,189
Yeah, well,
history is gonna change.

93
00:08:01,316 —> 00:08:02,776
Next, please.

94
00:08:04,235 —> 00:08:06,112
(SYNTHESIZER PLAYING)

95
00:08:08,073 —> 00:08:09,741
Okay, guys, let's rock 'n roll.

96

00:08:12,035 —> 00:08:13,370

All right.

97

00:08:14,204 —> 00:08:16,915

We're the...

We're the Pinheads.

98

00:08:18,541 —> 00:08:20,043

One, two, three.

99

00:08:20,126 —> 00:08:22,087

(ROCK MUSIC PLAYING)

100

00:08:39,646 —> 00:08:42,732

Okay, that's enough.

Thank you, fellas.

101

00:08:43,483 —> 00:08:44,943

Hold it, fellas.

102

00:08:45,360 —> 00:08:47,696

I'm afraid you're

just too darn loud.

103

00:08:48,446 —> 00:08:49,989

Next, please.

104

00:08:52,158 —> 00:08:54,494

Bring up the next group, please.

105

00:08:56,621 —> 00:08:59,374

ANNOUNCER: Re-elect Mayor

"Goldie" Wilson.

106

00:08:59,457 —> 00:09:01,459

Progress is his middle name.

107

00:09:01,543 —> 00:09:03,628

MARTY: "Too loud."

I can't believe it.

108

00:09:03,712 —> 00:09:06,339

I'm never gonna get a chance

to play in front of anybody.

109

00:09:06,423 —> 00:09:08,800

Marty, one rejection isn't

the end of the world.

110

00:09:08,883 —> 00:09:11,302

I just don't think

I'm cut out for music.

111

00:09:11,386 —> 00:09:13,346

But you're good, Marty.

You're really good,

112

00:09:13,430 —> 00:09:15,223

and this audition

tape of yours is great.

113

00:09:15,306 —> 00:09:17,350

You've gotta send it in

to the record company.

114

00:09:17,475 —> 00:09:19,286

- It's like Doc's always saying.

- Yeah, I know. I know.

115

00:09:19,310 —> 00:09:20,413

"If you put your mind to it,

116

00:09:20,437 —> 00:09:22,939

"you can

accomplish anything."

117

00:09:23,022 —> 00:09:25,024

That's good advice, Marty.

118

00:09:25,108 —> 00:09:26,568

All right, okay, Jennifer.

119

00:09:26,651 —> 00:09:28,611

What if I send in the tape

and they don't like it?

120

00:09:28,695 —> 00:09:30,613

What if they say I'm no good?

121

00:09:30,697 —> 00:09:33,050

What if they say, "Get out of here, kid.

You got no future"?

122

00:09:33,074 —> 00:09:36,286

I mean, I just don't think

I can take that kind of rejection.

123

00:09:36,369 —> 00:09:38,371

Jesus, I'm starting to

sound like my old man.

124

00:09:38,455 —> 00:09:40,266

- Come on. He's not that bad.

- Save the clock tower.

125

00:09:40,290 —> 00:09:43,835

At least he's letting

you borrow the car tomorrow night.

126

00:09:44,502 —> 00:09:46,421

Check out that 4x4.

127

00:09:46,921 —> 00:09:48,423

That is hot.

128

00:09:48,506 —> 00:09:49,758

Okay. Back her up.

129

00:09:49,841 —> 00:09:53,094

Someday, Jennifer.

Someday.

130

00:09:53,553 —> 00:09:57,056

Wouldn't it be great to take

that truck up to the lake?

131

00:09:58,057 —> 00:10:01,060

Throw a couple of

sleeping bags in the back.

132

00:10:02,395 —> 00:10:04,355

Lie out underneath the stars.

133

00:10:04,439 —> 00:10:06,274

- Stop it.

- What?

134

00:10:07,108 —> 00:10:09,736

Does your mom know?

About tomorrow night?

135

00:10:09,819 —> 00:10:11,029

No, get out of town.

136

00:10:11,112 —> 00:10:13,865

My mom thinks I'm going camping

with the guys.

137

00:10:13,948 —> 00:10:15,533

Jennifer, my mother

would freak out

138

00:10:15,617 —> 00:10:17,011

if she knew I was going

up there with you,

139

00:10:17,035 —> 00:10:19,204

and I'd get the

standard lecture about

140

00:10:19,287 —> 00:10:21,664

how she never did that kind of stuff

when she was a kid.

141

00:10:21,748 —> 00:10:24,626

I mean, look, I think the woman

was born a nun.

142

00:10:24,709 —> 00:10:27,212

She's just trying to

keep you respectable.

143

00:10:27,295 —> 00:10:29,464

Well, she's not doing

a very good job.

144

00:10:29,547 —> 00:10:30,757

Terrible.

145

00:10:30,840 —> 00:10:34,511

Save the clock tower.

Save the clock tower.

146

00:10:34,594 —> 00:10:38,640

Mayor Wilson is sponsoring an initiative

to replace that clock.

147

00:10:38,723 —> 00:10:41,309

Thirty years ago,

lightning struck that clock tower

148

00:10:41,392 —> 00:10:43,144

and the clock hasn't run since.

149

00:10:43,228 —> 00:10:45,522

We at the Hill Valley

Preservation Society

150

00:10:45,605 —> 00:10:48,024

think it should be preserved

exactly the way it is

151

00:10:48,107 —> 00:10:49,859

as part of our history

and heritage.

152

00:10:49,943 —> 00:10:51,045

There you go, lady.

There's a quarter.

153

00:10:51,069 —> 00:10:52,111

Thank you.

154

00:10:52,195 —> 00:10:53,297

Don't forget to take a flyer.

155

00:10:53,321 —> 00:10:54,322

Right.

156

00:10:54,405 —> 00:10:56,324

Save the clock tower!

157

00:10:57,992 —> 00:10:59,577

Where were we?

158

00:11:00,078 —> 00:11:01,162

Right about here.

159

00:11:01,246 —> 00:11:02,686

- (CAR HORN HONKING)

- MAN: Jennifer!

160

00:11:05,416 —> 00:11:07,794

- It's my dad. I've got to go.

- Right.

161

00:11:07,877 —> 00:11:09,337

I'll call you tonight.

162

00:11:09,420 —> 00:11:10,547

I'll be at my grandma's.

163

00:11:10,630 —> 00:11:13,049

Here, let me

give you the number.

164

00:11:18,054 —> 00:11:19,097

Bye.

165

00:12:02,307 —> 00:12:05,310
RADIO DISPATCHER:
Bravo, Tango, Delta 6-2-9.

166
00:12:05,393 —> 00:12:08,479
Tow for impoundment.
Any unit, please respond.

167
00:12:10,899 —> 00:12:13,484
Perfect.
Just perfect.

168
00:12:17,530 —> 00:12:19,282
(INDISTINCT CHATTERING)

169
00:12:19,949 —> 00:12:22,118
I can't believe you'd
loan me your car

170
00:12:22,201 —> 00:12:24,037
without telling me
it had a blind spot.

171

00:12:24,120 —> 00:12:25,705

- Blind spot?

- I could've been killed.

172

00:12:26,080 —> 00:12:28,416

Now, Biff, now, I never noticed

173

00:12:28,499 —> 00:12:32,503

that the car had any blind spot before

when I would drive it.

174

00:12:32,587 —> 00:12:34,005

Hi, Son.

175

00:12:34,088 —> 00:12:36,299

BIFF: What, are you blind,

McFly? It's there.

176

00:12:36,382 —> 00:12:38,259

How else do you explain

that wreck out there?

177

00:12:38,343 —> 00:12:41,346

GEORGE: Biff, can I assume

178

00:12:41,763 —> 00:12:44,807

that your insurance is going

to pay for the damage?

179

00:12:44,891 —> 00:12:47,185

My insurance?

It's your car.

180

00:12:47,268 —> 00:12:48,537

Your insurance

should pay for it.

181

00:12:48,561 —> 00:12:50,161

I wanna know who's

going to pay for this?

182

00:12:50,188 —> 00:12:52,124

I spilled beer all over it

when the car smashed into me.

183

00:12:52,148 —> 00:12:53,292

Who's gonna pay
my cleaning bill?

184
00:12:53,316 —> 00:12:54,317
GEORGE: Ah...

185
00:12:54,400 —> 00:12:56,361
BIFF: And where's
my reports?

186
00:12:56,444 —> 00:12:57,946
Well, I haven't
finished those up yet,

187
00:12:58,029 —> 00:13:00,698
but I figured since
they weren't due till...

188
00:13:00,782 —> 00:13:03,701
Hello? Hello?
Anybody home? Huh?

189
00:13:04,410 —> 00:13:06,704

- Think, McFly. Think!

- All right.

190

00:13:06,788 —> 00:13:08,873

I got to have time

to get them retyped.

191

00:13:08,957 —> 00:13:10,237

Do you realize what would happen

192

00:13:10,291 —> 00:13:13,086

if I hand in my reports

in your handwriting?

193

00:13:13,169 —> 00:13:14,712

I'll get fired.

194

00:13:14,796 —> 00:13:17,590

You wouldn't want that

to happen, would you?

195

00:13:17,674 —> 00:13:19,592

- Would you?

- Of course not, Biff.

196
00:13:19,676 —> 00:13:22,136
Now, I wouldn't
want that to happen.

197
00:13:22,220 —> 00:13:25,056
Now, look. I'll finish
those reports on up tonight,

198
00:13:25,139 —> 00:13:27,976
and I'll run them on over
first thing tomorrow, all right?

199
00:13:28,059 —> 00:13:29,894
Not too early.
I sleep in Saturday.

200
00:13:29,978 —> 00:13:31,229
McFly, your shoe's untied.

201
00:13:31,312 —> 00:13:32,313
(LAUGHING) Oh.

202

00:13:32,397 —> 00:13:34,774

Don't be so gullible, McFly.

203

00:13:34,857 —> 00:13:36,734

Got the place fixed up nice,

though, McFly.

204

00:13:39,028 —> 00:13:41,072

I have your car towed

all the way to your house

205

00:13:41,155 —> 00:13:42,824

and all you got for me

is lite beer?

206

00:13:42,907 —> 00:13:44,242

(LAUGHS)

207

00:13:50,790 —> 00:13:53,251

What are you

looking at, butthead?

208

00:13:55,253 —> 00:13:57,296

Say hi to your mom for me.

209

00:14:00,091 —> 00:14:02,093

I know what you're

going to say, Son,

210

00:14:02,176 —> 00:14:04,804

and you're right.

You're right.

211

00:14:05,972 —> 00:14:09,892

But Biff just happens

to be my supervisor,

212

00:14:09,976 —> 00:14:11,102

(CAR DRIVING AWAY)

213

00:14:11,185 —> 00:14:14,605

and I'm afraid I'm just not

very good at confrontations.

214

00:14:15,690 —> 00:14:17,483
But the car, Dad.

215
00:14:19,277 —> 00:14:21,946
I mean, he wrecked it.
He totaled it.

216
00:14:22,864 —> 00:14:24,949
I needed that car
tomorrow night, Dad.

217
00:14:25,033 —> 00:14:27,201
Do you have any idea
how important this was to me?

218
00:14:27,285 —> 00:14:28,327
Do you have any clue?

219
00:14:28,411 —> 00:14:31,080
I know, and all I can
say is, I'm...

220
00:14:31,622 —> 00:14:33,082

I'm sorry.

221
00:14:33,374 —> 00:14:35,752
Believe me, Marty,
you're better off

222
00:14:35,835 —> 00:14:38,755
without having to worry
about all the aggravation

223
00:14:38,838 —> 00:14:42,091
and headaches of
playing at that dance.

224
00:14:42,175 —> 00:14:43,843
DAVID: He's
absolutely right, Marty.

225
00:14:43,926 —> 00:14:46,429
The last thing you
need is headaches.

226
00:14:47,346 —> 00:14:48,556

(LAUGHING)

227
00:14:48,639 —> 00:14:49,974
(BOTH LAUGHING)

228
00:14:54,270 —> 00:14:57,899
Kids, we're going to have to eat
this cake by ourselves.

229
00:14:58,483 —> 00:15:00,860
Your Uncle Joey didn't
make parole again.

230
00:15:01,819 —> 00:15:03,154
(LORRAINE SIGHS)

231
00:15:03,237 —> 00:15:06,574
I think it would be nice
if you all dropped him a line.

232
00:15:06,657 —> 00:15:08,409
MARTY: Uncle
"Jailbird" Joey?

233

00:15:08,493 —> 00:15:09,952

He's your brother, Mom.

234

00:15:10,036 —> 00:15:13,873

Yeah. I think it's a major embarrassment,

having an uncle in prison.

235

00:15:14,290 —> 00:15:16,167

We all make mistakes

in life, children.

236

00:15:16,250 —> 00:15:17,960

God damn it.

I'm late.

237

00:15:18,044 —> 00:15:19,712

David, watch your mouth!

238

00:15:19,796 —> 00:15:22,381

You come here and kiss your mother

before you go. Come here.

239

00:15:22,465 —> 00:15:25,551

Come on, Mom. Make it fast.

I'll miss my bus.

240

00:15:26,010 —> 00:15:27,512

See you later, Pop.

241

00:15:27,595 —> 00:15:30,348

(EXCLAIMS) Time to

change that oil.

242

00:15:30,556 —> 00:15:32,016

(LAUGHING)

243

00:15:33,476 —> 00:15:37,021

Hey, Marty. I'm not

your answering service.

244

00:15:37,105 —> 00:15:39,524

While you were outside

pouting over the car,

245

00:15:39,607 —> 00:15:41,859
Jennifer Parker
called you twice.

246
00:15:41,943 —> 00:15:43,361
I don't like her, Marty.

247
00:15:43,444 —> 00:15:46,572
Any girl who calls up a boy
is just asking for trouble.

248
00:15:46,656 —> 00:15:49,534
Oh, Mother, there's nothing wrong
with calling a boy.

249
00:15:49,617 —> 00:15:53,121
I think it's terrible.
Girls chasing boys.

250
00:15:53,538 —> 00:15:56,874
When I was your age, I never chased
a boy or called a boy

251

00:15:56,958 —> 00:15:59,502
or sat in a parked car
with a boy.

252
00:16:00,169 —> 00:16:03,047
Then how am I supposed
to ever meet anybody?

253
00:16:03,714 —> 00:16:06,175
Well, it'll just happen.

254
00:16:06,259 —> 00:16:07,760
Like the way I met your father.

255
00:16:08,636 —> 00:16:11,556
That was so stupid.
Grandpa hit him with the car.

256
00:16:12,056 —> 00:16:13,808
It was meant to be.

257
00:16:14,684 —> 00:16:18,187
Anyway, if Grandpa

hadn't hit him,

258
00:16:18,271 —> 00:16:19,939
then none of you
would have been born.

259
00:16:20,022 —> 00:16:21,315
Yeah, well.

260
00:16:21,899 —> 00:16:23,651
I still don't understand
what Dad was doing

261
00:16:23,734 —> 00:16:25,153
in the middle of the street.

262
00:16:25,236 —> 00:16:27,697
What was it, George?
Bird-watching?

263
00:16:27,780 —> 00:16:29,907
What, Lorraine? What?

264

00:16:30,408 —> 00:16:33,327

Anyway, your Grandpa

hit him with the car

265

00:16:33,411 —> 00:16:35,121

and brought him into the house.

266

00:16:36,497 —> 00:16:38,416

He seemed so helpless,

267

00:16:41,169 —> 00:16:44,172

like a little lost puppy,

and my heart just went out to him.

268

00:16:44,255 —> 00:16:47,425

LINDA: Yeah, Mom, we know. You've told us

this story a million times.

269

00:16:47,508 —> 00:16:48,843

You felt sorry for him,

270

00:16:48,926 —> 00:16:50,386

so you decided to go with him

271

00:16:50,469 —> 00:16:52,013

to the Fish Under the Sea dance.

272

00:16:52,096 —> 00:16:55,266

No. It was the Enchantment

Under the Sea dance.

273

00:16:56,100 —> 00:16:59,228

Our first date.

I'll never forget it.

274

00:16:59,687 —> 00:17:02,356

It was the night of that

terrible thunderstorm, remember, George?

275

00:17:02,440 —> 00:17:04,358

(INDISTINCT CHATTER ON TV)

276

00:17:06,027 —> 00:17:09,947

Your father kissed me for the very

first time on that dance floor.

277

00:17:11,866 —> 00:17:14,035

It was then that I realized

278

00:17:14,118 —> 00:17:16,996

that I was going to spend

the rest of my life with him.

279

00:17:17,079 —> 00:17:18,706

(LAUGHING)

280

00:17:27,757 —> 00:17:29,926

(MUSIC PLAYING ON RADIO)

281

00:17:39,435 —> 00:17:41,187

(TELEPHONE RINGING)

282

00:17:46,025 —> 00:17:47,068

Hello.

283

00:17:47,151 —> 00:17:48,670

DOC: <i>Marty, you didn't

fall asleep, did you?

284

00:17:48,694 —> 00:17:50,154

Doc.

285

00:17:51,197 —> 00:17:53,616

No. No, don't be silly.

286

00:17:53,991 —> 00:17:56,953

Listen, this is very important.

I forgot my video camera.

287

00:17:57,036 —> 00:17:59,872

Can you stop by my place and pick it up

on your way to the mall?

288

00:17:59,956 —> 00:18:02,708

Yeah. I'm on my way.

289

00:18:26,899 —> 00:18:29,110

Einstein! Hey, Einstein,

where's the doc, boy? Huh?

290

00:18:29,193 —> 00:18:30,403

(WHIMPERING)

291

00:18:31,195 —> 00:18:33,072

(MACHINE HUMMING)

292

00:18:35,241 —> 00:18:36,534

(GATE UNLOCKING)

293

00:19:10,276 —> 00:19:11,736

(ENGINE REVVING)

294

00:19:12,903 —> 00:19:14,363

(BRAKES SCREECHING)

295

00:19:24,248 —> 00:19:25,374

Doc!

296

00:19:26,667 —> 00:19:28,002

Marty! You made it!

297

00:19:28,085 —> 00:19:29,128
Yeah.

298
00:19:29,211 —> 00:19:31,297
Welcome to my latest experiment.
This is the big one,

299
00:19:31,380 —> 00:19:33,257
the one I've been
waiting for all my life.

300
00:19:33,341 —> 00:19:34,800
Well, it's a DeLorean...

301
00:19:34,884 —> 00:19:36,778
Bear with me, Marty.
All your questions will be answered.

302
00:19:36,802 —> 00:19:38,137
Roll tape and we'll proceed.

303
00:19:38,220 —> 00:19:39,263
Doc,

304

00:19:39,347 —> 00:19:40,348

is that a DEVO suit?

305

00:19:40,431 —> 00:19:41,724

Never mind that now.

306

00:19:41,807 —> 00:19:42,892

Not now.

307

00:19:42,975 —> 00:19:44,018

All right. I'm ready.

308

00:19:44,643 —> 00:19:46,354

Good evening.

I'm Dr. Emmett Brown.

309

00:19:46,437 —> 00:19:48,606

I'm standing on the parking lot

at Twin Pines Mall.

310

00:19:48,689 —> 00:19:52,276

It's Saturday morning,

October 26, 1985, 1:18 a.m.,

311

00:19:52,360 —> 00:19:54,612

and this is temporal

experiment number one.

312

00:19:54,695 —> 00:19:56,739

Come on, Einie.

Hey, hey, boy, get in there.

313

00:19:56,822 —> 00:19:59,116

That a boy!

In you go. Sit down.

314

00:20:00,076 —> 00:20:01,577

Put your seat belt on.

That's it.

315

00:20:03,913 —> 00:20:05,164

(GRUNTING)

316

00:20:06,707 —> 00:20:07,750

Whoa, whoa. Whoa.

317

00:20:07,833 —> 00:20:09,210

Okay.

318

00:20:10,544 —> 00:20:13,172

Please note that

Einstein's clock

319

00:20:13,255 —> 00:20:16,175

is in precise synchronization

with my control watch.

320

00:20:16,300 —> 00:20:17,843

- Got it?

- Right. Check, Doc.

321

00:20:17,927 —> 00:20:18,928

Good.

322

00:20:21,097 —> 00:20:24,058

Have a good trip, Einstein.

Watch your head.

323

00:20:29,730 —> 00:20:31,124

You got that thing

hooked up to the car?

324

00:20:31,148 —> 00:20:32,233

(MACHINE HUMMING)

325

00:20:32,316 —> 00:20:33,317

Watch this.

326

00:20:33,401 —> 00:20:35,694

Yeah. Okay. Got it.

327

00:20:39,824 —> 00:20:40,991

Jesus!

328

00:20:45,871 —> 00:20:47,540

Not me!

The car! The car!

329

00:20:47,623 —> 00:20:49,166

(TIRES SQUEALING)

330
00:20:55,172 —> 00:20:56,674
(ENGINE REVVING)

331
00:21:04,890 —> 00:21:07,184
If my calculations are correct,

332
00:21:07,726 —> 00:21:10,354
when this baby
hits 88 miles per hour

333
00:21:10,813 —> 00:21:12,857
you're going to see
some serious shit.

334
00:21:16,277 —> 00:21:17,695
(TIRES SCREECHING)

335
00:21:18,904 —> 00:21:20,156
(REMOTE CONTROL BEEPING)

336

00:21:31,667 —> 00:21:33,586
(RAPID BEEPING)

337
00:21:48,851 —> 00:21:50,561
Watch this.
Watch this.

338
00:22:07,578 —> 00:22:08,579
(LAUGHS)

339
00:22:08,662 —> 00:22:10,998
What did I tell you?

340
00:22:11,081 —> 00:22:14,543
88 miles per hour!

341
00:22:17,630 —> 00:22:19,131
The temporal
displacement occurred

342
00:22:19,215 —> 00:22:22,551
exactly 1:20 a.m.
and zero seconds!

343

00:22:24,303 —> 00:22:26,180

Jesus Christ!

344

00:22:26,263 —> 00:22:28,682

Jesus Christ, Doc!

You disintegrated Einstein!

345

00:22:28,766 —> 00:22:31,393

Calm down, Marty.

I didn't disintegrate anything.

346

00:22:31,477 —> 00:22:36,190

The molecular structure of both Einstein

and the car are completely intact.

347

00:22:36,273 —> 00:22:37,650

Then where the hell are they?

348

00:22:37,733 —> 00:22:39,235

The appropriate question is,

349

00:22:39,318 —> 00:22:40,861
"When the hell
are they?"

350
00:22:40,945 —> 00:22:45,407
You see, Einstein has just become
the world's first time traveler.

351
00:22:45,908 —> 00:22:48,827
I sent him into the future.

352
00:22:49,578 —> 00:22:51,956
One minute into the future,
to be exact.

353
00:22:52,039 —> 00:22:55,251
At precisely 1:21 a.m.
and zero seconds,

354
00:22:55,334 —> 00:22:58,212
we shall catch up with him
and the time machine.

355

00:23:01,757 —> 00:23:03,759
Wait a minute.
Wait a minute, Doc.

356
00:23:05,427 —> 00:23:08,305
Are you telling me that
you built a time machine

357
00:23:09,515 —> 00:23:10,641
out of a DeLorean?

358
00:23:10,724 —> 00:23:11,767
The way I see it,

359
00:23:11,850 —> 00:23:13,787
if you're going to build
a time machine into a car,

360
00:23:13,811 —> 00:23:15,646
why not do it with some style?

361
00:23:15,729 —> 00:23:18,899
Besides, the stainless-steel

construction made the flux dispersal...

362

00:23:18,983 —> 00:23:19,984

(WATCH BEEPING)

363

00:23:20,526 —> 00:23:21,944

Look out!

364

00:23:23,070 —> 00:23:24,822

(TIRES SCREECHING)

365

00:23:27,283 —> 00:23:28,659

(REMOTE CONTROL BEEPS)

366

00:23:55,519 —> 00:23:57,354

(TIME MACHINE CREAKING)

367

00:24:05,529 —> 00:24:06,739

(GASPS)

368

00:24:06,822 —> 00:24:07,948

What? Is it hot?

369

00:24:08,032 —> 00:24:09,742

It's cold. Damn cold.

370

00:24:12,202 —> 00:24:13,370

(DOC LAUGHING)

371

00:24:13,454 —> 00:24:15,372

Einstein, you little devil!

372

00:24:15,456 —> 00:24:17,207

(CLOCK BEEPING)

373

00:24:17,875 —> 00:24:19,668

Einstein's clock is

exactly one minute

374

00:24:19,752 —> 00:24:22,129

behind mine and still ticking!

375

00:24:24,506 —> 00:24:25,549

(BARKING)

376

00:24:25,633 —> 00:24:26,842

- He's all right.

- He's fine.

377

00:24:26,925 —> 00:24:29,261

And he's completely unaware

that anything happened.

378

00:24:29,345 —> 00:24:31,972

As far as he's concerned,

the trip was instantaneous.

379

00:24:32,056 —> 00:24:34,642

That's why his watch is

exactly one minute behind mine.

380

00:24:34,725 —> 00:24:35,809

He skipped over that minute

381

00:24:35,893 —> 00:24:37,770

to instantly arrive

at this moment in time.

382

00:24:37,853 —> 00:24:39,688

Come here.

I'll show you how it works.

383

00:24:39,772 —> 00:24:40,898

All right.

384

00:24:42,566 —> 00:24:45,319

First, you turn

the time circuits on.

385

00:24:45,402 —> 00:24:46,945

(MACHINE POWERING UP)

386

00:24:47,988 —> 00:24:49,281

(MACHINE WHIRS)

387

00:24:49,365 —> 00:24:50,759

This readout tells you

where you're going.

388

00:24:50,783 —> 00:24:52,052
This one tells you
where you are.

389
00:24:52,076 —> 00:24:53,577
This one tells you
where you were.

390
00:24:53,661 —> 00:24:55,996
You input your destination time
on this keypad.

391
00:24:56,080 —> 00:24:57,331
Say you want to see the signing

392
00:24:57,414 —> 00:24:59,958
of the Declaration
of Independence.

393
00:25:00,042 —> 00:25:01,669
(BEEPS)

394
00:25:01,752 —> 00:25:04,046

Or witness the birth of Christ.

395

00:25:06,840 —> 00:25:09,468

Here's a red-letter date

in the history of science.

396

00:25:09,551 —> 00:25:12,262

November 5th, 1955.

397

00:25:16,100 —> 00:25:20,354

Yes, of course.

November 5th, 1955.

398

00:25:21,313 —> 00:25:22,940

What? I don't get it.

What happened?

399

00:25:23,023 —> 00:25:24,108

(LAUGHING)

400

00:25:24,191 —> 00:25:27,986

That was the day I invented time travel.

I remember it vividly.

401

00:25:28,612 —> 00:25:30,715

I was standing on the edge

of my toilet, hanging a clock.

402

00:25:30,739 —> 00:25:31,925

The porcelain was wet.

I slipped,

403

00:25:31,949 —> 00:25:33,492

hit my head on

the edge of the sink,

404

00:25:33,575 —> 00:25:35,619

and when I came to,

I had a revelation,

405

00:25:35,703 —> 00:25:39,039

a vision, a picture in my head,

a picture of this.

406

00:25:39,832 —> 00:25:44,461

This is what makes time travel possible.

The flux capacitor.

407
00:25:45,129 —> 00:25:46,338
Flux capacitor?

408
00:25:46,422 —> 00:25:48,882
It's taken me almost 30 years
and my entire family fortune

409
00:25:48,966 —> 00:25:51,385
to realize the vision
of that day.

410
00:25:51,468 —> 00:25:53,721
My God, has it been that long?

411
00:25:54,388 —> 00:25:57,224
Things have certainly
changed around here.

412
00:25:58,183 —> 00:26:00,060
I remember when
this was all farmland

413

00:26:00,144 —> 00:26:02,271

as far as the eye could see.

414

00:26:03,522 —> 00:26:05,983

Old man Peabody

owned all of this.

415

00:26:07,234 —> 00:26:10,821

He had this crazy idea

about breeding pine trees.

416

00:26:14,950 —> 00:26:18,412

This is heavy-duty, Doc.

This is great.

417

00:26:18,871 —> 00:26:21,415

Does it run on regular

unleaded gasoline?

418

00:26:21,498 —> 00:26:23,083

Unfortunately, no.

It requires something

419

00:26:23,167 —> 00:26:25,294

with a little more kick.

Plutonium.

420

00:26:25,753 —> 00:26:27,629

Plutonium.

Wait a minute.

421

00:26:27,713 —> 00:26:30,090

Are you telling me

that this sucker is nuclear?

422

00:26:30,174 —> 00:26:32,176

Hey, hey, hey! Keep rolling.

Keep rolling there.

423

00:26:32,259 —> 00:26:34,094

No, no, no,

this sucker's electrical,

424

00:26:34,178 —> 00:26:35,387

but I need a nuclear reaction

425
00:26:35,471 —> 00:26:37,931
to generate the 1.21 gigawatts
of electricity I need.

426
00:26:38,015 —> 00:26:41,602
Doc, you don't just walk into
a store and buy plutonium.

427
00:26:42,186 —> 00:26:43,854
Did you rip that off?

428
00:26:45,981 —> 00:26:48,609
Of course. From a group of
Libyan nationalists.

429
00:26:48,692 —> 00:26:49,961
They wanted me to
build them a bomb,

430
00:26:49,985 —> 00:26:52,505
so I took their plutonium and, in turn,
gave them a shoddy bomb casing

431

00:26:52,529 —> 00:26:54,239

full of used

pinball machine parts.

432

00:26:54,364 —> 00:26:56,342

- Come on. Let's get you a radiation suit.

- Jesus!

433

00:26:56,366 —> 00:26:57,743

We must prepare to reload.

434

00:27:06,543 —> 00:27:08,045

(MUFFLED BREATHING)

435

00:27:08,796 —> 00:27:10,297

(AIR ESCAPING)

436

00:27:20,891 —> 00:27:22,184

(SUCKING)

437

00:27:26,897 —> 00:27:29,358

It's safe now.

Everything's lead-lined.

438

00:27:31,276 —> 00:27:33,403

Don't you lose those tapes now.

439

00:27:33,487 —> 00:27:34,905

I need that as a record.

440

00:27:35,489 —> 00:27:37,866

Let's put this back here.

There we go.

441

00:27:39,076 —> 00:27:40,118

(EXCLAIMS)

442

00:27:40,202 —> 00:27:41,995

I almost forgot my luggage.

443

00:27:42,079 —> 00:27:44,832

Who knows if they've got

cotton underwear in the future?

444

00:27:44,915 —> 00:27:46,208

I'm allergic to all synthetics.

445

00:27:46,291 —> 00:27:47,918

The future?

446

00:27:48,710 —> 00:27:49,750

That's where you're going?

447

00:27:49,795 —> 00:27:51,338

That's right,

25 years into the future.

448

00:27:51,421 —> 00:27:54,466

I've always dreamed of seeing the future,

looking beyond my years,

449

00:27:54,550 —> 00:27:56,677

seeing the progress of mankind.

450

00:27:56,760 —> 00:27:57,970

Why not?

451

00:27:58,053 —> 00:28:01,849

I'll also be able to see who wins

the next 25 World Series.

452

00:28:02,224 —> 00:28:03,350

Doc.

453

00:28:03,433 —> 00:28:04,476

Huh?

454

00:28:04,643 —> 00:28:07,062

Look me up when you get there.

455

00:28:07,771 —> 00:28:10,315

Indeed, I will.

Roll 'em.

456

00:28:12,025 —> 00:28:13,402

(WHIRRING)

457

00:28:13,485 —> 00:28:15,153

(CLEARING THROAT)

458

00:28:16,655 —> 00:28:19,116

I, Dr. Emmett Brown,

459

00:28:20,701 —> 00:28:23,579

am about to embark on

an historic journey.

460

00:28:25,497 —> 00:28:27,040

(LAUGHING) What am

I thinking of?

461

00:28:27,124 —> 00:28:29,626

I almost forgot to

bring extra plutonium.

462

00:28:29,710 —> 00:28:32,254

How did I ever expect to get back?

One pellet, one trip.

463

00:28:32,337 —> 00:28:33,964

I must be out of my mind.

464

00:28:34,047 —> 00:28:35,549

(BARKING)

465

00:28:36,925 —> 00:28:38,594

What is it, Einie?

466

00:28:47,060 —> 00:28:48,604

Oh, my God.

467

00:28:48,687 —> 00:28:51,481

They found me. I don't know how,

but they found me.

468

00:28:51,565 —> 00:28:52,649

Run for it, Marty!

469

00:28:52,733 —> 00:28:53,775

Who? Who?

470

00:28:54,234 —> 00:28:56,653

Who do you think?

The Libyans!

471

00:28:57,571 —> 00:28:58,739

(SHOUTING IN ARABIC)

472

00:28:58,822 —> 00:28:59,865

(TIRES SCREECHING)

473

00:28:59,948 —> 00:29:01,450

Holy shit!

474

00:29:01,533 —> 00:29:02,951

(GUN FIRING)

475

00:29:05,495 —> 00:29:07,331

I'll draw their fire!

476

00:29:15,297 —> 00:29:16,340

Doc, wait!

477

00:29:19,551 —> 00:29:20,761

(GUN COCKING)

478

00:29:30,938 —> 00:29:32,022

No!

479

00:29:33,231 —> 00:29:34,816

You bastard!

480

00:29:39,821 —> 00:29:41,281

(SHOUTING IN ARABIC)

481

00:29:45,327 —> 00:29:46,578

(GRUNTS)

482

00:29:46,870 —> 00:29:47,955

(GUN CLICKING)

483

00:29:48,038 —> 00:29:49,581

(SWEARING IN ARABIC)

484

00:29:51,541 —> 00:29:52,918

(GRUNTING)

485

00:29:53,669 —> 00:29:54,962

Go! Damn Soviet gun.

486

00:29:55,045 —> 00:29:56,338

(ENGINE STALLING)

487

00:30:00,968 —> 00:30:02,010

Go!

488

00:30:02,094 —> 00:30:03,220

(TIRES SCREECHING)

489

00:30:05,013 —> 00:30:06,640

(ENGINE STARTING)

490

00:30:17,484 —> 00:30:18,777

(BEEPING)

491

00:30:37,421 —> 00:30:39,047

(SHOUTING)

492

00:30:42,884 —> 00:30:45,220
Come on!
Move, damn it!

493
00:30:46,638 —> 00:30:47,973
Jesus!

494
00:31:08,118 —> 00:31:09,578
Holy shit!

495
00:31:10,328 —> 00:31:13,040
Let's see if you
bastards can do 90.

496
00:31:13,123 —> 00:31:14,833
(TIRES SQUEALING)

497
00:31:33,727 —> 00:31:35,145
(SCREAMING)

498
00:31:39,816 —> 00:31:41,359
(CRASHING)

499

00:31:42,861 —> 00:31:44,279

(CHICKENS CLUCKING)

500

00:31:46,948 —> 00:31:48,867

(DOG BARKING DISTANTLY)

501

00:31:50,535 —> 00:31:51,661

(DOOR CREAKS OPEN)

502

00:31:56,500 —> 00:31:58,001

(CAR BLINKER CLICKING)

503

00:32:04,841 —> 00:32:07,219

What is it?

What is it, Pa?

504

00:32:07,928 —> 00:32:11,223

Looks like an airplane

without wings.

505

00:32:11,765 —> 00:32:14,601

That ain't no airplane.

Look.

506

00:32:15,435 —> 00:32:17,229

(HYDRAULICS HISSING)

507

00:32:29,366 —> 00:32:30,867

(MUFFLED BREATHING)

508

00:32:32,285 —> 00:32:33,787

(SCREAMING)

509

00:32:35,664 —> 00:32:36,915

Children!

510

00:32:36,998 —> 00:32:38,333

Listen... Whoa.

511

00:32:41,837 —> 00:32:43,547

(COWS MOOING)

512

00:32:51,012 —> 00:32:52,222

Hello?

513

00:32:55,350 —> 00:32:56,726

Excuse me.

514

00:33:00,147 —> 00:33:01,398

Sorry about your barn.

515

00:33:01,481 —> 00:33:03,024

(GUN FIRING)

516

00:33:05,152 —> 00:33:08,446

It's already mutated into human form!

Shoot it!

517

00:33:10,365 —> 00:33:12,701

Take that, you mutated

son of a bitch!

518

00:33:14,119 —> 00:33:15,579

(SCREAMING)

519

00:33:16,913 —> 00:33:18,081

BOY: Get away!

520

00:33:19,332 —> 00:33:20,417

MAN: Hold it.

521

00:33:20,792 —> 00:33:22,377

BOY: Shoot it, Pa!

522

00:33:24,796 —> 00:33:27,841

My pine! Why you...

523

00:33:29,885 —> 00:33:33,305

You space bastard!

You killed our pine!

524

00:33:36,349 —> 00:33:37,601

(TIRES SCREECHING)

525

00:33:37,684 —> 00:33:39,644

All right. All right.

Okay, McFly.

526

00:33:39,728 —> 00:33:41,855
Get a grip on yourself.
It's all a dream.

527
00:33:41,938 —> 00:33:44,733
It's just a very intense dream.

528
00:33:44,816 —> 00:33:46,067
(PANTING)

529
00:33:47,110 —> 00:33:48,361
(BRAKES SQUEALING)

530
00:34:27,984 —> 00:34:29,236
Listen, you got to help me.

531
00:34:29,319 —> 00:34:31,613
Don't stop,
Wilbur! Don't!

532
00:34:33,657 —> 00:34:34,658
It can't be.

533

00:34:36,576 —> 00:34:37,827

(MACHINE BEEPS)

534

00:34:41,081 —> 00:34:42,082

This is nuts.

535

00:34:43,875 —> 00:34:45,585

(ENGINE STALLING)

536

00:34:46,836 —> 00:34:48,129

Come on.

537

00:34:49,130 —> 00:34:50,423

Perfect.

538

00:34:50,507 —> 00:34:52,008

(MACHINE BEEPING INSISTENTLY)

539

00:35:21,288 —> 00:35:23,123

(MUSIC PLAYING)

540

00:35:42,434 —> 00:35:44,060
(HORN HONKING)

541
00:35:53,695 —> 00:35:54,738
(BELL DINGS)

542
00:35:56,364 —> 00:35:58,491
(GAS ATTENDANTS CHATTERING)

543
00:36:12,922 —> 00:36:14,382
(BOY COUNTING)

544
00:36:27,937 —> 00:36:29,606
(BELL TOLLING)

545
00:36:45,830 —> 00:36:49,376
ANNOUNCER: Remember, fellow citizens,
the future is in your hands.

546
00:36:49,459 —> 00:36:53,254
If you believe in progress,
re-elect Mayor Red Thomas.

547

00:36:53,338 —> 00:36:55,382

Progress is his middle name.

548

00:36:55,465 —> 00:36:58,051

Mayor Red Thomas'

progress platform

549

00:36:58,134 —> 00:37:00,678

means more jobs,

better education,

550

00:37:00,762 —> 00:37:03,556

bigger civic improvements

and lower taxes.

551

00:37:03,932 —> 00:37:07,644

On election day, cast your vote

for a proven leader.

552

00:37:07,727 —> 00:37:10,063

Re-elect Mayor Red Thomas.

553

00:37:13,358 —> 00:37:15,527

This has got to be a dream.

554

00:37:24,285 —> 00:37:26,663

(MUSIC PLAYING ON JUKEBOX)

555

00:37:32,377 —> 00:37:35,296

LOU: Hey, kid.

What'd you do? Jump ship?

556

00:37:35,380 —> 00:37:36,381

What?

557

00:37:36,464 —> 00:37:38,133

What's with the life preserver?

558

00:37:43,096 —> 00:37:45,390

I just want to use the phone.

559

00:37:45,473 —> 00:37:46,683

Yeah, it's in the back.

560

00:37:49,602 —> 00:37:50,937

MARTY: Brown.

561

00:37:53,314 —> 00:37:54,732

Great. You're alive.

562

00:37:54,816 —> 00:37:56,234

(PHONE RINGING)

563

00:37:57,986 —> 00:37:59,362

(WATCH BEEPING)

564

00:38:04,534 —> 00:38:05,743

(SIGHS)

565

00:38:06,703 —> 00:38:08,037

Come on.

566

00:38:15,462 —> 00:38:17,338

Do you know where

1640 Riverside...

567

00:38:17,422 —> 00:38:20,049
Are you going to
order something, kid?

568
00:38:21,676 —> 00:38:24,012
Yeah. Give me a Tab.

569
00:38:24,888 —> 00:38:27,307
Tab? I can't give you a tab
unless you order something.

570
00:38:27,390 —> 00:38:29,476
Right.
Give me a Pepsi Free.

571
00:38:29,559 —> 00:38:32,312
You want a Pepsi, pal,
you're going to pay for it.

572
00:38:32,395 —> 00:38:35,607
Just give me something
without any sugar in it, okay?

573

00:38:35,690 —> 00:38:37,692
Something without sugar.

574
00:38:43,823 —> 00:38:44,991
(DOOR OPENS)

575
00:38:45,074 —> 00:38:46,534
BIFF: Hey, McFly.

576
00:38:48,953 —> 00:38:51,247
What do you think you're doing?

577
00:38:51,539 —> 00:38:52,624
Biff.

578
00:38:52,874 —> 00:38:55,376
I'm talking to you, McFly,
you Irish bug!

579
00:38:55,460 —> 00:38:57,629
Hey, Biff. Hey, guys.
How are you doing?

580

00:38:57,712 —> 00:38:59,464

You got my homework

finished, McFly?

581

00:39:00,089 —> 00:39:02,800

Well, actually, I figured since it

wasn't due till Monday...

582

00:39:02,884 —> 00:39:04,677

Hello? Hello?

Anybody home?

583

00:39:04,761 —> 00:39:06,179

(BOYS LAUGHING)

584

00:39:06,262 —> 00:39:08,139

- Think, McFly. Think!

- (LAUGHING) Okay.

585

00:39:08,223 —> 00:39:10,099

I got to have time to recopy it.

586

00:39:10,183 —> 00:39:11,351
You realize what would happen

587
00:39:11,434 —> 00:39:13,937
if I hand in my homework
in your handwriting?

588
00:39:14,020 —> 00:39:15,730
I'll get kicked out of school.

589
00:39:15,813 —> 00:39:18,274
You wouldn't want that
to happen, would you?

590
00:39:20,151 —> 00:39:21,194
Would you?

591
00:39:21,277 —> 00:39:22,320
Now, of course not, Biff.

592
00:39:22,403 —> 00:39:24,322
- No.
- I wouldn't want that to happen.

593

00:39:24,405 —> 00:39:25,949

What are you

looking at, butthead?

594

00:39:26,032 —> 00:39:28,368

Biff, get a load of

this guy's life preserver.

595

00:39:28,451 —> 00:39:30,161

Dork thinks he's going to drown.

596

00:39:30,245 —> 00:39:32,539

How about my homework, McFly?

597

00:39:33,248 —> 00:39:36,543

Okay, Biff. Well, I'll finish

that on up tonight

598

00:39:36,626 —> 00:39:39,921

and then I'll bring it

over first thing tomorrow morning.

599

00:39:40,004 —> 00:39:41,548

Not too early.

I sleep in Sundays.

600

00:39:41,631 —> 00:39:42,924

Oh, McFly, your shoe's untied!

601

00:39:43,007 —> 00:39:44,008

(BOYS LAUGHING)

602

00:39:44,133 —> 00:39:46,177

- Don't be so gullible, McFly.

- Okay.

603

00:39:46,261 —> 00:39:47,404

I don't want to see

you in here again.

604

00:39:47,428 —> 00:39:50,139

Okay. All right.

Bye-bye.

605

00:40:11,953 —> 00:40:12,954
What?

606
00:40:13,037 —> 00:40:14,330
You're George McFly.

607
00:40:14,872 —> 00:40:16,249
Yeah. Who are you?

608
00:40:16,332 —> 00:40:17,959
Say! Why do you
let those boys

609
00:40:18,042 —> 00:40:19,544
push you around like that for?

610
00:40:19,627 —> 00:40:20,920
Well, they're bigger than me.

611
00:40:21,004 —> 00:40:23,631
Stand tall, boy.
Have some respect for yourself.

612

00:40:23,715 —> 00:40:25,925

Don't you know, if you let people

walk over you now,

613

00:40:26,009 —> 00:40:28,129

they'll be walking over you

for the rest of your life.

614

00:40:28,177 —> 00:40:29,596

Look at me.

You think I'm gonna

615

00:40:29,679 —> 00:40:31,407

spend the rest of my life

in this slop house?

616

00:40:31,431 —> 00:40:33,224

- LOU: Watch it, Goldie.

- No, sir!

617

00:40:33,308 —> 00:40:34,577

I'm gonna make

something of myself.

618

00:40:34,601 —> 00:40:35,810

I'm going to night school,

619

00:40:35,893 —> 00:40:38,104

and one day,

I'm going to be somebody.

620

00:40:38,187 —> 00:40:40,064

That's right.

He's going to be mayor.

621

00:40:40,148 —> 00:40:41,524

Yeah, I'm...

622

00:40:42,191 —> 00:40:43,568

Mayor!

623

00:40:44,319 —> 00:40:48,239

Now that's a good idea!

I could run for mayor.

624

00:40:48,323 —> 00:40:49,824
A colored mayor.
That'll be the day.

625
00:40:49,907 —> 00:40:52,243
You wait and see, Mr. Caruthers.
I will be mayor.

626
00:40:52,327 —> 00:40:54,621
I'll be the most powerful man
in Hill Valley,

627
00:40:54,704 —> 00:40:56,497
and I'm going to
clean up this town.

628
00:40:56,581 —> 00:40:59,542
Good. You can start
by sweeping the floor.

629
00:41:02,086 —> 00:41:06,215
Mayor Goldie Wilson.
I like the sound of that.

630

00:41:09,761 —> 00:41:11,304

(BICYCLE BELL RINGS)

631

00:41:18,728 —> 00:41:22,148

Hey, Dad! George!

Hey, you on the bike!

632

00:41:53,429 —> 00:41:55,473

He's a peeping Tom.

633

00:41:59,769 —> 00:42:01,062

(GRUNTING)

634

00:42:01,145 —> 00:42:02,188

Dad!

635

00:42:02,271 —> 00:42:03,356

(HORN HONKING)

636

00:42:03,439 —> 00:42:04,440

(TIRES SCREECHING)

637

00:42:05,274 —> 00:42:06,776

(DOGS BARKING)

638

00:42:14,242 —> 00:42:17,036

Hey, wait a minute.

Wait a minute. Who are you?

639

00:42:19,038 —> 00:42:21,874

Stella! Another one

of these damn kids

640

00:42:21,958 —> 00:42:23,334

jumped in front of my car!

641

00:42:24,335 —> 00:42:27,505

Come on out here!

Help me take him in the house!

642

00:42:30,800 —> 00:42:32,135

(THUNDER RUMBLING)

643

00:42:32,552 —> 00:42:35,012

Mom? That you?

644

00:42:36,055 —> 00:42:39,100

LORRAINE: There,

there, now. Just relax.

645

00:42:41,728 —> 00:42:44,772

You've been asleep for

almost nine hours now.

646

00:42:46,607 —> 00:42:49,068

I had a horrible nightmare.

647

00:42:50,111 —> 00:42:54,657

I dreamed that I went back in time.

It was terrible.

648

00:42:55,908 —> 00:42:57,034

Well,

649

00:42:57,660 —> 00:43:01,122

you're safe and sound now,

back in good old 1955.

650

00:43:02,206 —> 00:43:03,624

1955?

651

00:43:07,336 —> 00:43:08,337

(MARTY GASPS)

652

00:43:08,421 —> 00:43:11,215

You're my...

You're my...

653

00:43:11,299 —> 00:43:12,467

My name is Lorraine.

654

00:43:13,926 —> 00:43:15,094

Lorraine Baines.

655

00:43:15,178 —> 00:43:16,262

Yeah.

656

00:43:17,388 —> 00:43:20,057

But you're...

You're so...

657

00:43:20,600 —> 00:43:23,644

You're so thin!

658

00:43:24,020 —> 00:43:27,440

Just relax, Calvin. You got

a big bruise on your head.

659

00:43:30,026 —> 00:43:31,402

(EXCLAIMS)

660

00:43:31,569 —> 00:43:33,571

Where are my pants?

661

00:43:33,654 —> 00:43:36,741

Over there, on my hope chest.

662

00:43:38,618 —> 00:43:41,245

I've never seen

purple underwear before, Calvin.

663

00:43:42,038 —> 00:43:44,832
Calvin? Why do you
keep calling me Calvin?

664
00:43:44,916 —> 00:43:47,835
Well, that is your name, isn't it?
Calvin Klein?

665
00:43:48,377 —> 00:43:51,047
It's written all over
your underwear.

666
00:43:51,422 —> 00:43:53,841
Oh, I guess they
call you Cal, huh?

667
00:43:54,175 —> 00:43:57,887
No, actually,
people call me Marty.

668
00:43:58,221 —> 00:43:59,347
Oh.

669

00:43:59,972 —> 00:44:02,391
Pleased to meet you, Calvin.

670
00:44:03,309 —> 00:44:04,685
Marty.

671
00:44:06,103 —> 00:44:07,480
Klein.

672
00:44:07,563 —> 00:44:09,357
(BREATHING HEAVILY)

673
00:44:14,111 —> 00:44:16,155
Do you mind if I sit here?

674
00:44:16,239 —> 00:44:17,448
No. Fine.

675
00:44:17,532 —> 00:44:19,909
No. Good.
Fine. Good.

676

00:44:21,911 —> 00:44:24,121
That's a big bruise
you have there.

677
00:44:24,205 —> 00:44:25,748
(SHOUTS)

678
00:44:25,832 —> 00:44:28,167
STELLA: Lorraine,
are you up there?

679
00:44:28,251 —> 00:44:30,253
Oh, my God!
It's my mother!

680
00:44:30,336 —> 00:44:33,297
Quick!
Put your pants back on!

681
00:44:41,556 —> 00:44:44,350
STELLA: So, tell me, Marty,
how long have you been in port?

682

00:44:44,433 —> 00:44:45,434

MARTY: Excuse me?

683

00:44:45,518 —> 00:44:46,558

I guessed you're a sailor.

684

00:44:46,602 —> 00:44:48,771

That's why you wear

that life preserver.

685

00:44:48,855 —> 00:44:50,356

Coast Guard.

686

00:44:50,439 —> 00:44:52,358

Sam, here's the young man

687

00:44:52,441 —> 00:44:53,860

you hit with your car out there.

688

00:44:53,943 —> 00:44:55,027

He's all right.

Thank God.

689

00:44:55,111 —> 00:44:57,381

What were you doing in the middle

of the street, a kid your age?

690

00:44:57,405 —> 00:44:59,383

Don't pay attention to him.

He's in one of his moods.

691

00:44:59,407 —> 00:45:00,992

Sam, you quit fiddling

with that thing.

692

00:45:01,075 —> 00:45:02,493

Come in here to dinner.

693

00:45:02,577 —> 00:45:04,579

Now, let's see.

You already know Lorraine.

694

00:45:04,662 —> 00:45:08,499

This is Milton, this is Sally,

that's Toby,

695

00:45:08,583 —> 00:45:11,794

and over there in the playpen

is little baby Joey.

696

00:45:13,462 —> 00:45:15,464

So, you're my uncle Joey.

697

00:45:16,340 —> 00:45:18,718

Better get used

to these bars, kid.

698

00:45:18,801 —> 00:45:22,930

Yes. Joey just loves

being in his playpen.

699

00:45:23,389 —> 00:45:24,724

He cries whenever

we take him out,

700

00:45:24,807 —> 00:45:26,809

so we just leave him

in there all the time.

701

00:45:26,893 —> 00:45:29,103

Well, Marty, I hope

you like meatloaf.

702

00:45:29,186 —> 00:45:31,397

Listen, I really ought to...

703

00:45:31,480 —> 00:45:32,690

Sit here, Marty.

704

00:45:33,274 —> 00:45:35,151

Sam, stop fiddling

with that thing

705

00:45:35,234 —> 00:45:37,695

and come in here

and eat your dinner.

706

00:45:37,820 —> 00:45:39,405

(SAM CHORTLING)

707

00:45:39,488 —> 00:45:41,240

- Look at it roll.

- (EXCLAIMS)

708

00:45:41,324 —> 00:45:43,367

Now we can watch Jackie Gleason

while we eat.

709

00:45:43,451 —> 00:45:44,744

(LAUGHING)

710

00:45:44,827 —> 00:45:46,537

(CHATTERING ON TV)

711

00:45:52,335 —> 00:45:54,128

It's our first television set.

712

00:45:54,211 —> 00:45:55,838

Dad just picked it up today.

713

00:45:56,714 —> 00:45:58,799

Do you have a television?

714

00:45:58,883 —> 00:46:01,761
Well, yeah. You know
we have two of them.

715
00:46:01,844 —> 00:46:04,639
Wow! You must be rich.

716
00:46:04,722 —> 00:46:06,265
Oh, honey, he's teasing you.

717
00:46:06,349 —> 00:46:08,809
Nobody has two television sets.

718
00:46:08,893 —> 00:46:10,019
(CHUCKLES)

719
00:46:13,856 —> 00:46:16,150
Hey. Hey,
I've seen this one.

720
00:46:16,233 —> 00:46:17,711
I've seen this one!
This is a classic.

721

00:46:17,735 —> 00:46:21,030

This is where Ralph dresses up

as a man from space.

722

00:46:21,113 —> 00:46:24,533

What do you mean, you've seen this?

It's brand-new.

723

00:46:24,617 —> 00:46:26,953

Yeah, well, I saw it on a rerun.

724

00:46:27,703 —> 00:46:29,497

What's a rerun?

725

00:46:29,580 —> 00:46:30,706

You'll find out.

726

00:46:31,207 —> 00:46:35,378

You know, Marty, you look so familiar to me.

Do I know your mother?

727

00:46:36,796 —> 00:46:38,839
Yeah, I think maybe you do.

728
00:46:38,923 —> 00:46:40,567
STELLA: Oh, then I want
to give her a call.

729
00:46:40,591 —> 00:46:42,259
I don't want her
to worry about you.

730
00:46:42,343 —> 00:46:43,719
You can't.

731
00:46:44,595 —> 00:46:47,890
(STUTTERING) That is,
nobody's home.

732
00:46:49,183 —> 00:46:50,267
Oh.

733
00:46:50,643 —> 00:46:51,769
Yet.

734

00:46:52,311 —> 00:46:53,396

Oh.

735

00:46:54,021 —> 00:46:57,900

Listen, do you know

where Riverside Drive is?

736

00:46:57,984 —> 00:46:59,485

It's on the other end of town.

737

00:46:59,568 —> 00:47:02,113

A block past Maple.

East end of town.

738

00:47:02,196 —> 00:47:03,572

Wait a minute,

a block past Maple.

739

00:47:03,656 —> 00:47:06,158

That's John F.

Kennedy Drive.

740

00:47:07,034 —> 00:47:09,036

Who the hell

is John F. Kennedy?

741

00:47:09,120 —> 00:47:10,413

LORRAINE: Mother?

742

00:47:11,038 —> 00:47:13,666

With Marty's parents

out of town,

743

00:47:14,208 —> 00:47:16,627

don't you think he ought

to spend the night?

744

00:47:16,711 —> 00:47:19,130

I mean, after all, Dad almost

killed him with the car.

745

00:47:19,338 —> 00:47:21,298

That's true, Marty.

746

00:47:21,382 —> 00:47:23,009
I think maybe you
should spend the night.

747
00:47:23,092 —> 00:47:24,635
I think you're
our responsibility.

748
00:47:24,719 —> 00:47:26,345
Gee, I don't know.

749
00:47:26,429 —> 00:47:28,180
And he can sleep in my room.

750
00:47:28,889 —> 00:47:30,850
I gotta go!
I gotta go!

751
00:47:30,933 —> 00:47:32,351
Thanks very much.
It was wonderful.

752
00:47:32,435 —> 00:47:36,772

You were all great.

See you all later. Much later.

753

00:47:41,235 —> 00:47:44,030

He's a very strange young man.

754

00:47:44,113 —> 00:47:45,239

He's an idiot.

755

00:47:45,573 —> 00:47:49,285

Comes from upbringing.

His parents are probably idiots, too.

756

00:47:49,660 —> 00:47:50,870

Lorraine, you ever have a kid

757

00:47:50,953 —> 00:47:53,247

who acts that way,

I'll disown you.

758

00:48:31,327 —> 00:48:32,411

Doc?

759

00:48:33,329 —> 00:48:34,872

Don't say a word.

760

00:48:34,955 —> 00:48:36,082

(ELECTRONIC WARBLING)

761

00:48:36,165 —> 00:48:37,309

I don't wanna know your name.

762

00:48:37,333 —> 00:48:38,560

I don't want to know

anything about you.

763

00:48:38,584 —> 00:48:40,336

- Listen, Doc...

- Quiet!

764

00:48:40,419 —> 00:48:41,980

- Doc, it's me, Marty.

- Don't tell me anything.

765

00:48:42,004 —> 00:48:44,173

- Doc, you got to help...

- Quiet. Quiet.

766

00:48:44,340 —> 00:48:46,008

(ELECTRONIC WARBLING)

767

00:48:46,926 —> 00:48:48,928

I'm going to read your thoughts.

768

00:48:49,011 —> 00:48:52,598

Let's see now. You've come here

from a great distance?

769

00:48:52,681 —> 00:48:53,808

Yeah. Exactly.

770

00:48:53,891 —> 00:48:55,017

Don't tell me!

771

00:48:55,684 —> 00:48:57,103

You want me to

buy a subscription

772

00:48:57,186 —> 00:48:58,521

to the Saturday Evening Post.

773

00:48:58,604 —> 00:48:59,647

No.

774

00:48:59,730 —> 00:49:01,190

Not a word.

Not a word now!

775

00:49:01,273 —> 00:49:02,441

Quiet.

776

00:49:04,610 —> 00:49:08,197

Donations. You want me

to make a donation

777

00:49:08,280 —> 00:49:10,533

to the Coast Guard

Youth Auxiliary.

778

00:49:11,117 —> 00:49:12,535

Doc.

779
00:49:14,036 —> 00:49:15,079
I'm from the future.

780
00:49:15,162 —> 00:49:16,223
(ELECTRONIC WARBLING STOPS)

781
00:49:16,247 —> 00:49:19,375
I came here in a time machine
that you invented.

782
00:49:19,750 —> 00:49:24,547
Now, I need your help to get back
to the year 1985.

783
00:49:25,923 —> 00:49:27,508
My God.

784
00:49:31,929 —> 00:49:34,140
Do you know what this means?

785

00:49:35,808 —> 00:49:40,146
It means that this damn thing
doesn't work at all!

786
00:49:40,229 —> 00:49:42,148
Doc, you got to help me.
You are the only one

787
00:49:42,231 —> 00:49:44,567
who knows how your
time machine works.

788
00:49:44,650 —> 00:49:48,487
Time machine? I haven't invented
any time machine.

789
00:49:50,406 —> 00:49:52,825
Okay. All right,
I'll prove it to you.

790
00:49:52,908 —> 00:49:56,078
Look at my driver's license.
Expires 1987.

791

00:49:56,162 —> 00:49:57,722

Look at my birthday,

for crying out loud!

792

00:49:57,746 —> 00:49:59,748

I haven't even been born yet.

793

00:49:59,832 —> 00:50:02,168

And look at this picture.

794

00:50:02,251 —> 00:50:04,253

It's my brother,

my sister and me.

795

00:50:04,336 —> 00:50:07,631

Look at her sweatshirt, Doc.

"Class of 1984"?

796

00:50:08,591 —> 00:50:10,593

Pretty mediocre

photographic fakery.

797

00:50:10,676 —> 00:50:12,928
They cut off
your brother's hair.

798
00:50:13,470 —> 00:50:15,848
I'm telling the truth, Doc.
You got to believe me.

799
00:50:15,931 —> 00:50:18,017
Then tell me, future boy,

800
00:50:18,100 —> 00:50:19,101
(LAUGHING)

801
00:50:19,185 —> 00:50:22,938
who's President of the United States
in 1985?

802
00:50:23,355 —> 00:50:24,398
Ronald Reagan.

803
00:50:24,481 —> 00:50:26,859
Ronald Reagan?

The actor?

804
00:50:27,109 —> 00:50:28,360
(EXCLAIMS)

805
00:50:28,444 —> 00:50:30,988
Then who's vice president?
Jerry Lewis?

806
00:50:32,156 —> 00:50:34,533
I suppose Jane Wyman
is the First Lady.

807
00:50:34,617 —> 00:50:35,701
Whoa. Wait, Doc!

808
00:50:35,784 —> 00:50:37,995
And Jack Benny is
secretary of the treasury.

809
00:50:38,078 —> 00:50:39,496
Doc, you gotta listen to me.

810

00:50:39,580 —> 00:50:41,665

I've had enough practical jokes

for one evening.

811

00:50:41,749 —> 00:50:42,917

Good night, future boy!

812

00:50:43,000 —> 00:50:44,376

No, wait, Doc. Doc.

813

00:50:44,460 —> 00:50:47,254

The bruise on your head,

I know how that happened.

814

00:50:47,338 —> 00:50:48,756

You told me the whole story.

815

00:50:48,839 —> 00:50:50,299

You were standing on your toilet

816

00:50:50,382 —> 00:50:51,484

and you were hanging a clock,

817

00:50:51,508 —> 00:50:53,719

and you fell and you hit your

head on the sink.

818

00:50:53,802 —> 00:50:56,722

That's when you came up with the idea

for the flux capacitor,

819

00:50:56,805 —> 00:51:00,809

which is what makes

time travel possible.

820

00:51:00,935 —> 00:51:02,228

(DOOR UNLOCKING)

821

00:51:13,906 —> 00:51:18,077

There's something wrong

with the starter, so I hid it here.

822

00:51:28,587 —> 00:51:32,424

After I fell off my toilet,

I drew this.

823

00:51:36,929 —> 00:51:38,722

The flux capacitor.

824

00:51:47,314 —> 00:51:49,149

(ELECTRIC CRACKLING)

825

00:51:56,573 —> 00:51:57,866

It works!

826

00:51:58,367 —> 00:52:00,327

(DOC LAUGHING)

827

00:52:00,411 —> 00:52:01,954

It works!

828

00:52:03,247 —> 00:52:05,958

I finally invent

something that works!

829

00:52:06,709 —> 00:52:08,836

You bet your ass it works.

830

00:52:09,753 —> 00:52:12,798

Somehow we've got to sneak

this back to my laboratory.

831

00:52:12,881 —> 00:52:14,800

We've got to get you home!

832

00:52:15,467 —> 00:52:17,261

Okay, Doc, this is it.

833

00:52:19,054 —> 00:52:21,140

Never mind that.

Never mind that now.

834

00:52:21,223 —> 00:52:24,643

Why, that's me! Look at me!

I'm an old man.

835

00:52:24,727 —> 00:52:26,037

Good evening.

I'm Dr. Emmett Brown.

836

00:52:26,061 —> 00:52:28,147

I'm standing on the parking lot

at Twin Pines Mall.

837

00:52:28,230 —> 00:52:30,232

Thank God,

I've still got my hair.

838

00:52:30,316 —> 00:52:32,318

What's on Earth is

this thing I'm wearing?

839

00:52:32,401 —> 00:52:34,570

This is a radiation suit.

840

00:52:34,653 —> 00:52:36,405

Radiation suit?

841

00:52:36,488 —> 00:52:39,491

Of course. 'Cause of all the fallout

from the atomic wars.

842

00:52:39,575 —> 00:52:40,743
(VIDEO REWINDING)

843
00:52:40,826 —> 00:52:43,495
This is truly amazing.

844
00:52:43,996 —> 00:52:46,832
A portable television studio.

845
00:52:46,915 —> 00:52:48,476
No wonder your president
has to be an actor.

846
00:52:48,500 —> 00:52:50,669
He's gotta look good
on television.

847
00:52:50,753 —> 00:52:53,172
Whoa. This is it.
This is the part coming up, Doc.

848
00:52:53,922 —> 00:52:55,382
<i>No, no, no,

this sucker's electrical,

849

00:52:55,466 –> 00:52:56,568

but I need a nuclear reaction

850

00:52:56,592 –> 00:52:58,385

to generate

the 1.21 gigawatts...

851

00:52:58,469 –> 00:53:00,262

What did I just say?

852

00:53:01,221 –> 00:53:02,890

(VIDEO REWINDING)

853

00:53:04,266 –> 00:53:05,351

This sucker's electrical,

854

00:53:05,434 –> 00:53:06,594

but I need a nuclear reaction

855

00:53:06,643 –> 00:53:08,354

to generate

the 1.21 gigawatts...

856

00:53:08,437 —> 00:53:10,773

1.21 gigawatts!

857

00:53:12,274 —> 00:53:14,485

1.21 gigawatts.

858

00:53:16,487 —> 00:53:18,113

Great Scott!

859

00:53:20,282 —> 00:53:22,493

What the hell is a gigawatt?

860

00:53:23,494 —> 00:53:27,581

How could I have been so careless?

1.21 gigawatts!

861

00:53:27,664 —> 00:53:30,376

Tom, how am I going to generate

that kind of power?

862

00:53:30,459 —> 00:53:32,086

It can't be done, can it?

863

00:53:32,169 —> 00:53:34,922

Doc, look. All we need

is a little plutonium.

864

00:53:35,005 —> 00:53:36,048

(EXCLAIMS)

865

00:53:36,131 —> 00:53:37,883

I'm sure that in 1985,

866

00:53:37,966 —> 00:53:40,135

plutonium is available

in every corner drugstore,

867

00:53:40,219 —> 00:53:42,971

but in 1955, it's a little hard

to come by.

868

00:53:43,055 —> 00:53:46,392

Marty, I'm sorry, but I'm afraid

you're stuck here.

869

00:53:46,642 —> 00:53:47,643

Whoa, whoa.

870

00:53:47,726 —> 00:53:52,147

Doc, stuck here? I can't be stuck here.

I got a life in 1985.

871

00:53:52,231 —> 00:53:53,315

I got a girl.

872

00:53:53,399 —> 00:53:54,441

Is she pretty?

873

00:53:54,983 —> 00:53:58,946

Doc, she's beautiful.

She's crazy about me.

874

00:53:59,029 —> 00:54:03,325

Look at this. Look what she wrote here, Doc.

I mean, that says it all.

875

00:54:04,576 —> 00:54:07,162

Doc, you're my only hope.

876

00:54:07,830 —> 00:54:11,166

Marty, I'm sorry, but the only power source

capable of generating

877

00:54:11,250 —> 00:54:14,670

1.21 gigawatts of electricity

is a bolt of lightning.

878

00:54:15,879 —> 00:54:17,005

What did you say?

879

00:54:17,089 —> 00:54:18,257

A bolt of lightning.

880

00:54:18,340 —> 00:54:19,401

Unfortunately, you never know

881

00:54:19,425 —> 00:54:22,553

when or where it's

ever going to strike.

882

00:54:24,054 —> 00:54:25,431

We do now.

883

00:54:30,519 —> 00:54:34,106

This is it!

This is the answer.

884

00:54:34,857 —> 00:54:37,276

It says here that

a bolt of lightning

885

00:54:37,359 —> 00:54:38,420

is going to

strike the clock tower

886

00:54:38,444 —> 00:54:41,697

at precisely 10:04 p.m.

next Saturday night!

887

00:54:45,242 —> 00:54:48,704

If we could somehow
harness this lightning,

888
00:54:49,872 —> 00:54:53,125
channel it into
the flux capacitor,

889
00:54:54,418 —> 00:54:56,211
it just might work.

890
00:54:56,503 —> 00:55:00,757
Next Saturday night, we're sending you
back to the future!

891
00:55:01,717 —> 00:55:03,653
Okay, all right.
Saturday's good. Saturday's good.

892
00:55:03,677 —> 00:55:05,471
I can spend a week in 1955.

893
00:55:05,554 —> 00:55:07,306
I can hang out.

You can show me around.

894

00:55:07,389 —> 00:55:09,224

Marty, that is completely

out of the question.

895

00:55:09,308 —> 00:55:10,642

You must not leave this house.

896

00:55:10,726 —> 00:55:12,728

You must not see anybody

or talk to anybody.

897

00:55:12,811 —> 00:55:15,397

Anything you do can have

serious repercussions on future events.

898

00:55:15,481 —> 00:55:17,232

Do you understand?

899

00:55:18,108 —> 00:55:20,068

Yeah. Sure. Okay.

900

00:55:20,694 —> 00:55:21,904

Marty,

901

00:55:22,321 —> 00:55:25,782

have you interacted with anybody

else today, besides me?

902

00:55:27,576 —> 00:55:30,704

Yeah, well, I might've sort of

bumped into my parents.

903

00:55:30,787 —> 00:55:32,331

Great Scott!

904

00:55:32,414 —> 00:55:34,708

Let me see that photograph again

of your brother.

905

00:55:38,086 —> 00:55:41,507

Just as I thought. This proves my theory.

Look at your brother.

906

00:55:42,758 —> 00:55:45,969

MARTY: His head's gone.

It's like it's been erased.

907

00:55:47,638 —> 00:55:49,681

Erased from existence.

908

00:55:54,269 —> 00:55:55,354

Whoa.

909

00:55:55,437 —> 00:55:58,190

They really cleaned this place up.

Looks brand-new.

910

00:55:58,273 —> 00:55:59,274

DOC: Now remember.

911

00:55:59,358 —> 00:56:00,668

According to my theory,

you interfered

912

00:56:00,692 —> 00:56:01,920

with your parents'

first meeting.

913
00:56:01,944 —> 00:56:03,254
If they don't meet,
they won't fall in love,

914
00:56:03,278 —> 00:56:05,131
they won't get married
and they won't have kids.

915
00:56:05,155 —> 00:56:06,257
That's why your older brother's

916
00:56:06,281 —> 00:56:07,592
disappearing from
that photograph.

917
00:56:07,616 —> 00:56:09,886
Your sister will follow,
and unless you repair the damage,

918
00:56:09,910 —> 00:56:11,119
you'll be next.

919

00:56:11,203 —> 00:56:13,097

- MARTY: Sounds pretty heavy.

- Weight has nothing to do with it.

920

00:56:13,121 —> 00:56:14,164

(BELL RINGING)

921

00:56:14,248 —> 00:56:16,124

Which one's your pop?

922

00:56:17,292 —> 00:56:18,627

That's him.

923

00:56:19,086 —> 00:56:21,505

Okay.

Okay, you guys.

924

00:56:21,630 —> 00:56:23,048

(LAUGHING SARCASTICALLY)

925

00:56:23,131 —> 00:56:26,385

Very funny. You guys
are being real mature.

926
00:56:26,468 —> 00:56:28,345
Maybe you were adopted.

927
00:56:28,428 —> 00:56:30,973
Okay, real mature, guys.

928
00:56:31,890 —> 00:56:33,267
Okay, pick up my books.

929
00:56:33,350 —> 00:56:34,393
McFly.

930
00:56:34,476 —> 00:56:36,186
That's Strickland.

931
00:56:36,645 —> 00:56:38,730
Jesus, didn't that guy
ever have hair?

932

00:56:38,814 —> 00:56:41,567
Shape up, man.
You're a slacker.

933
00:56:41,650 —> 00:56:44,736
Do you want to be a slacker
for the rest of your life?

934
00:56:44,820 —> 00:56:45,862
No.

935
00:56:46,238 —> 00:56:47,840
What did your mother
ever see in that kid?

936
00:56:47,864 —> 00:56:49,157
I don't know, Doc.

937
00:56:49,241 —> 00:56:50,951
I guess she felt sorry for him

938
00:56:51,034 —> 00:56:53,370
'cause her dad hit him

with the car.

939

00:56:53,662 —> 00:56:55,914

Hit me with the car.

940

00:56:55,998 —> 00:56:58,000

That's the Florence

Nightingale effect.

941

00:56:58,083 —> 00:57:01,420

It happens in hospitals when nurses fall

in love with their patients.

942

00:57:01,503 —> 00:57:02,754

Go to it, kid.

943

00:57:03,589 —> 00:57:06,425

Hey, George, buddy.

944

00:57:07,009 —> 00:57:09,386

I have been looking

all over for you.

945

00:57:09,469 —> 00:57:12,431

You remember me, the guy who saved

your life the other day?

946

00:57:12,514 —> 00:57:13,599

Oh.

947

00:57:13,682 —> 00:57:14,683

- Yeah.

- Good.

948

00:57:14,766 —> 00:57:16,768

There's somebody

I'd like you to meet.

949

00:57:21,189 —> 00:57:22,774

Lorraine?

950

00:57:22,858 —> 00:57:23,984

Calvin!

951

00:57:25,444 —> 00:57:28,196

I'd like you to meet my good friend

George McFly.

952

00:57:28,280 —> 00:57:31,533

Hi. It's really

a pleasure to meet you.

953

00:57:32,701 —> 00:57:33,744

How's your head?

954

00:57:33,827 —> 00:57:35,162

Good. Fine.

955

00:57:35,245 —> 00:57:37,122

Oh. I've been so

worried about you

956

00:57:37,205 —> 00:57:39,082

ever since you ran off

the other night.

957

00:57:39,166 —> 00:57:40,626

- Are you okay?

- Yeah.

958

00:57:40,709 —> 00:57:41,793

(BELL RINGING)

959

00:57:41,877 —> 00:57:43,128

I'm sorry.

I have to go.

960

00:57:43,211 —> 00:57:44,463

Come on!

961

00:57:45,297 —> 00:57:47,132

Isn't he a dreamboat?

962

00:57:51,261 —> 00:57:52,846

Doc, she didn't

even look at him.

963

00:57:52,929 —> 00:57:54,473

This is more serious

than I thought.

964

00:57:54,556 —> 00:57:56,576

Apparently, your mother

is amorously infatuated with you,

965

00:57:56,600 —> 00:57:58,226

instead of your father.

966

00:57:58,852 —> 00:57:59,978

Whoa. Wait a minute, Doc.

967

00:58:00,062 —> 00:58:03,732

Are you trying to tell me that

my mother has got the hots for me?

968

00:58:03,815 —> 00:58:04,941

Precisely.

969

00:58:05,025 —> 00:58:06,068

Whoa. This is heavy.

970

00:58:06,652 —> 00:58:08,737

There's that word again.

"Heavy."

971
00:58:08,820 —> 00:58:10,214
Why are things so heavy
in the future?

972
00:58:10,238 —> 00:58:12,383
Is there a problem with the Earth's
gravitational pull?

973
00:58:12,407 —> 00:58:13,492
- What?
- The only way

974
00:58:13,575 —> 00:58:15,053
we're going to get those two
to successfully mate

975
00:58:15,077 —> 00:58:16,453
is if they're alone together,

976
00:58:16,536 —> 00:58:19,164
so you've got to get your father

and mother to interact

977

00:58:19,247 —> 00:58:21,333

in some sort of social...

978

00:58:21,416 —> 00:58:22,542

(SIGHS)

979

00:58:22,668 —> 00:58:24,211

- What? You mean like a date?

- Right!

980

00:58:24,294 —> 00:58:25,337

(BELL RINGING)

981

00:58:25,420 —> 00:58:26,564

What kind of date?

I don't know.

982

00:58:26,588 —> 00:58:28,131

What do kids do in the '50s?

983

00:58:28,215 —> 00:58:31,009
They're your parents.
You must know them.

984
00:58:31,093 —> 00:58:32,278
What are their common interests?

985
00:58:32,302 —> 00:58:34,262
What do they
like to do together?

986
00:58:35,263 —> 00:58:36,348
Nothing.

987
00:58:36,431 —> 00:58:39,643
Look! There's a rhythmic
ceremonial ritual coming up.

988
00:58:39,726 —> 00:58:41,687
Of course! The Enchantment
Under the Sea dance!

989
00:58:41,770 —> 00:58:43,146

They're supposed to go to this.

990

00:58:43,230 —> 00:58:44,981

That's where they kiss

for the first time.

991

00:58:45,065 —> 00:58:46,441

All right, kid.

992

00:58:46,525 —> 00:58:48,110

You stick to

your father like glue

993

00:58:48,193 —> 00:58:49,793

and make sure he takes her

to that dance.

994

00:58:50,445 —> 00:58:51,947

George, buddy.

995

00:58:52,781 —> 00:58:56,034

Remember that girl

I introduced you to, Lorraine?

996

00:59:02,082 —> 00:59:03,709

What are you writing?

997

00:59:03,792 —> 00:59:05,794

Uh... Stories.

998

00:59:06,628 —> 00:59:10,173

Science fiction stories

about visitors

999

00:59:10,632 —> 00:59:13,885

coming down to Earth

from other planets.

1000

00:59:15,929 —> 00:59:19,599

Get out of town! I didn't know you

did anything creative.

1001

00:59:20,100 —> 00:59:21,226

Let me read some.

1002

00:59:21,309 —> 00:59:22,894
Oh. No, no, no, no.

1003
00:59:22,978 —> 00:59:25,814
I never let anybody
read my stories.

1004
00:59:26,565 —> 00:59:27,816
Why not?

1005
00:59:28,233 —> 00:59:30,110
Well, what if they
didn't like them?

1006
00:59:30,193 —> 00:59:32,654
What if they told me
I was no good?

1007
00:59:34,740 —> 00:59:37,576
I guess that would be pretty hard
for somebody to understand.

1008
00:59:38,994 —> 00:59:41,580

No. No, not hard at all.

1009

00:59:42,789 —> 00:59:45,333

So, anyway, George.

About Lorraine.

1010

00:59:46,501 —> 00:59:48,336

She really likes you.

1011

00:59:49,296 —> 00:59:52,257

She told me to tell you

that she wants you to ask her

1012

00:59:52,340 —> 00:59:54,092

to the Enchantment

Under the Sea dance.

1013

00:59:54,176 —> 00:59:55,343

- Really?

- Oh, yeah.

1014

00:59:55,427 —> 00:59:58,513

All you got to do

is go over there and ask her.

1015

00:59:59,431 —> 01:00:01,600

What? Right here, right now,

in the cafeteria?

1016

01:00:01,683 —> 01:00:02,768

What if she said no?

1017

01:00:02,851 —> 01:00:06,313

I don't know if I could take that

kind of a rejection.

1018

01:00:07,105 —> 01:00:11,026

Besides, I think she'd rather go

with somebody else.

1019

01:00:12,360 —> 01:00:13,528

Who?

1020

01:00:15,322 —> 01:00:16,448

Biff.

1021

01:00:17,991 —> 01:00:19,117

Don't kid around.

Come on.

1022

01:00:19,201 —> 01:00:20,452

I'm gonna leave.

1023

01:00:20,535 —> 01:00:22,412

BIFF: You want it.

You know you want it.

1024

01:00:22,496 —> 01:00:24,623

You know you want me

to give it to you.

1025

01:00:24,706 —> 01:00:27,292

Shut your filthy mouth.

I'm not that kind of girl.

1026

01:00:27,375 —> 01:00:28,460

(EXCLAIMS)

1027

01:00:28,543 —> 01:00:31,296
Maybe you are and you just
don't know it yet.

1028
01:00:31,379 —> 01:00:33,215
Get your meat hooks off of me.

1029
01:00:33,298 —> 01:00:34,341
MARTY: You heard her.

1030
01:00:34,424 —> 01:00:37,803
She said,
get your meat hooks off.

1031
01:00:39,221 —> 01:00:40,472
Please.

1032
01:00:41,306 —> 01:00:43,391
So what's it to you, butthead?

1033
01:00:44,518 —> 01:00:46,770
You know, you been
looking for a fight.

1034

01:00:46,853 —> 01:00:48,104

(STUDENTS EXCLAIMING)

1035

01:00:56,696 —> 01:01:00,742

Since you're new here,

I'm going to cut you a break, today.

1036

01:01:02,577 —> 01:01:06,331

So, why don't you make like a tree

and get out of here.

1037

01:01:14,840 —> 01:01:16,258

(BOY LAUGHING)

1038

01:01:19,052 —> 01:01:20,262

George!

1039

01:01:21,596 —> 01:01:23,640

Why do you keep

following me around?

1040

01:01:23,723 —> 01:01:26,685
Look, George...
I'm telling you, George,

1041
01:01:26,768 —> 01:01:28,520
if you do not ask Lorraine
to that dance,

1042
01:01:28,603 —> 01:01:30,164
I'm gonna regret it
for the rest of my life.

1043
01:01:30,188 —> 01:01:31,648
But I can't go to the dance.

1044
01:01:31,731 —> 01:01:34,860
I'll miss my favorite television program,
Science Fiction Theatre.

1045
01:01:34,943 —> 01:01:38,321
Yeah, but, George,
Lorraine wants to go with you.

1046

01:01:38,405 —> 01:01:39,531
Give her a break.

1047
01:01:39,614 —> 01:01:43,785
Look, I'm just not ready
to ask Lorraine out to the dance,

1048
01:01:44,578 —> 01:01:47,789
and not you or anybody else
on this planet

1049
01:01:47,873 —> 01:01:50,458
is going to make me
change my mind.

1050
01:01:57,257 —> 01:01:59,259
MARTY:
Science Fiction Theatre.

1051
01:02:11,855 —> 01:02:13,648
(MUFFLED BREATHING)

1052
01:02:22,657 —> 01:02:24,576

(LOUD ROCK MUSIC PLAYING)

1053

01:02:27,787 –> 01:02:28,997

(MUSIC STOPS)

1054

01:02:30,832 –> 01:02:31,875

Who are you?

1055

01:02:31,958 –> 01:02:33,460

(MUSIC PLAYING)

1056

01:02:36,338 –> 01:02:37,380

(MUSIC STOPS)

1057

01:02:37,464 –> 01:02:39,507

MARTY: Silence, Earthling.

1058

01:02:40,967 –> 01:02:43,428

My name is Darth Vader.

1059

01:02:48,475 –> 01:02:51,937

I am an extraterrestrial

from the planet Vulcan.</i>

1060

01:02:54,022 —> 01:02:55,190

Marty!

1061

01:02:55,273 —> 01:02:56,524

(HORN HONKING)

1062

01:02:58,360 —> 01:02:59,444

Marty! Marty!

1063

01:02:59,527 —> 01:03:00,612

Hey, George, buddy.

1064

01:03:00,695 —> 01:03:03,073

You weren't at school.

What have you been doing all day?

1065

01:03:03,156 —> 01:03:06,076

I overslept.

Look, I need your help.

1066

01:03:06,159 —> 01:03:07,619
I have to ask Lorraine out,

1067
01:03:07,702 —> 01:03:08,846
but I don't know how to do it.

1068
01:03:08,870 —> 01:03:11,706
All right. Okay, listen, keep your pants on.
She's over in the cafe.

1069
01:03:11,790 —> 01:03:13,833
God! How do you...

1070
01:03:16,920 —> 01:03:18,439
What made you change
your mind, George?

1071
01:03:18,463 —> 01:03:21,383
Last night, Darth Vader came down
from Planet Vulcan

1072
01:03:21,466 —> 01:03:25,387
and told me that if I didn't take

Lorraine out, that he'd melt my brain.

1073

01:03:25,470 —> 01:03:28,556

Let's just keep this brain-melting stuff

to ourselves, okay?

1074

01:03:28,640 —> 01:03:29,766

Oh, yeah. Yeah.

1075

01:03:29,849 —> 01:03:32,143

All right, okay.

There she is, George.

1076

01:03:32,227 —> 01:03:33,979

Now just go in there

and invite her.

1077

01:03:34,062 —> 01:03:35,647

Okay. But I don't

know what to say.

1078

01:03:35,730 —> 01:03:36,815

Just say anything, George.

1079

01:03:36,898 —> 01:03:40,944

Say whatever's natural, the first thing

that comes into your mind.

1080

01:03:41,569 —> 01:03:43,488

Nothing's coming to my mind.

1081

01:03:43,571 —> 01:03:45,331

Jesus, George,

it's a wonder I was even born.

1082

01:03:45,365 —> 01:03:46,365

What? What?

1083

01:03:46,408 —> 01:03:47,909

Nothing.

Nothing. Nothing.

1084

01:03:48,493 —> 01:03:52,580

Look, tell her destiny

brought you together.

1085

01:03:52,664 —> 01:03:54,582

Tell her that she is

the most beautiful girl

1086

01:03:54,666 —> 01:03:56,501

you have ever seen in the world.

1087

01:03:56,584 —> 01:03:58,545

Girls like that stuff.

1088

01:03:58,920 —> 01:03:59,981

What are you doing, George?

1089

01:04:00,005 —> 01:04:01,798

I'm writing this down.

This is good stuff.

1090

01:04:01,881 —> 01:04:03,383

Yeah. Okay, let's go.

1091

01:04:03,466 —> 01:04:04,926

- Can you take care of that?

- Right.

1092

01:04:05,427 —> 01:04:07,929

(POP SONG PLAYING ON JUKEBOX)

1093

01:04:09,889 —> 01:04:11,433

(PEOPLE CHATTERING)

1094

01:04:23,445 —> 01:04:26,364

Lou, give me a milk.

1095

01:04:27,741 —> 01:04:29,117

Chocolate.

1096

01:04:45,300 —> 01:04:50,388

Lorraine. My density

has popped me to you.

1097

01:04:51,765 —> 01:04:52,974

What?

1098

01:04:53,141 —> 01:04:54,225

Oh.

1099

01:04:55,060 —> 01:04:57,729

What I meant to say was...

1100

01:04:57,812 —> 01:05:00,899

Wait a minute. Don't I know you

from somewhere?

1101

01:05:01,316 —> 01:05:02,442

GEORGE: Yes.

1102

01:05:02,734 —> 01:05:06,654

Yes. I'm George.

George McFly.

1103

01:05:07,280 —> 01:05:08,948

I'm your density.

1104

01:05:09,949 —> 01:05:11,242

I mean,

1105

01:05:12,660 —> 01:05:14,079
your destiny.

1106
01:05:15,288 —> 01:05:16,372
Oh.

1107
01:05:17,082 —> 01:05:18,500
Hey, McFly.

1108
01:05:18,750 —> 01:05:20,001
(MUSIC STOPS)

1109
01:05:20,418 —> 01:05:21,669
(EXCLAIMS)

1110
01:05:22,921 —> 01:05:25,840
I thought I told you
never to come in here.

1111
01:05:28,343 —> 01:05:30,553
Well, it's going to cost you.

1112

01:05:30,929 —> 01:05:33,181

How much money you got on you?

1113

01:05:33,515 —> 01:05:35,642

How much do you want, Biff?

1114

01:05:36,184 —> 01:05:37,811

- (GRUNTS)

- (ALL GASPING)

1115

01:05:43,858 —> 01:05:45,443

All right, punk.

1116

01:05:45,527 —> 01:05:46,528

Now I'm going to...

1117

01:05:46,611 —> 01:05:48,279

Whoa, whoa, Biff.

What's that?

1118

01:05:49,114 —> 01:05:50,448

(GRUNTS)

1119

01:05:54,994 —> 01:05:58,039

That's Calvin Klein.

Oh, my God, he's a dream.

1120

01:05:58,206 —> 01:05:59,249

Whoa, whoa.

1121

01:05:59,332 —> 01:06:01,126

Kid! Kid, stop! Stop!

1122

01:06:01,209 —> 01:06:02,377

Hey!

1123

01:06:04,546 —> 01:06:06,186

MARTY: I'll get it

back to you, all right?

1124

01:06:06,673 —> 01:06:08,383

BOY: You broke it!

1125

01:06:08,716 —> 01:06:09,801

Come back here!

1126

01:06:09,884 —> 01:06:10,969

(HORN HONKING)

1127

01:06:12,011 —> 01:06:13,763

Wow. Look at him go!

1128

01:06:15,640 —> 01:06:16,891

Get him!

1129

01:06:30,238 —> 01:06:32,407

To the car!

Go! Go!

1130

01:06:38,705 —> 01:06:39,956

GIRL: What's that

thing he's on?

1131

01:06:40,039 —> 01:06:41,499

BOY: It's a board

with wheels.

1132

01:06:41,583 —> 01:06:43,168

He's an absolute dream.

1133

01:06:43,251 —> 01:06:44,460

THUG 1: Come on, come on!

1134

01:06:44,544 —> 01:06:46,087

THUG 2: Look out for the car!

1135

01:06:48,256 —> 01:06:49,799

(SHOUTING)

1136

01:06:52,260 —> 01:06:53,928

(TIRES SCREECHING)

1137

01:06:59,767 —> 01:07:01,019

(SCREAMING)

1138

01:07:01,853 —> 01:07:03,104

Whoa!

1139

01:07:04,814 —> 01:07:06,191

(WOMAN GRUNTS)

1140

01:07:08,526 —> 01:07:10,236

(TIRES SQUEALING)

1141

01:07:18,036 —> 01:07:19,329

(LAUGHING)

1142

01:07:19,412 —> 01:07:21,247

BIFF: I'm going

to ram him.

1143

01:07:28,630 —> 01:07:29,797

ALL: Shit!

1144

01:07:32,717 —> 01:07:33,968

(EXCLAIMS IN DISGUST)

1145

01:07:41,351 —> 01:07:42,477

Ooh!

1146

01:07:45,063 —> 01:07:46,814

(CROWD MURMURING)

1147

01:07:55,031 —> 01:07:56,741

Thanks a lot, kid.

1148

01:07:57,867 —> 01:08:00,286

I'm going to get

that son of a bitch.

1149

01:08:00,370 —> 01:08:01,412

Where does he come from?

1150

01:08:01,496 —> 01:08:03,373

Yeah, where does he live?

1151

01:08:04,082 —> 01:08:07,669

I don't know,

but I'm going to find out.

1152

01:08:09,879 —> 01:08:11,506

(VIDEO REWINDING)

1153

01:08:13,508 —> 01:08:14,842
DOC ON TV: Oh, my God.

1154
01:08:15,260 —> 01:08:18,346
They found me. I don't know how,
but they found me.

1155
01:08:18,429 —> 01:08:20,098
Run for it, Marty!

1156
01:08:20,348 —> 01:08:21,683
(VIDEO REWINDING)

1157
01:08:24,811 —> 01:08:26,187
Oh, my God.

1158
01:08:26,980 —> 01:08:29,899
They found me. I don't know how,
but they found me.

1159
01:08:29,983 —> 01:08:31,359
Run for it, Marty!

1160

01:08:32,652 —> 01:08:33,736

Doc?

1161

01:08:34,487 —> 01:08:37,448

Hi, Marty. I didn't

hear you come in.

1162

01:08:38,408 —> 01:08:40,952

Fascinating device,

this video unit.

1163

01:08:41,953 —> 01:08:43,621

Listen, Doc.

1164

01:08:43,705 —> 01:08:44,723

You know, there's something

1165

01:08:44,747 —> 01:08:46,016

I haven't told you

about the night

1166

01:08:46,040 —> 01:08:47,393

- we made that tape.

- Please, Marty, don't tell me.

1167

01:08:47,417 —> 01:08:48,769

No man should know too much

about his own destiny.

1168

01:08:48,793 —> 01:08:50,229

- You don't understand.

- I do understand.

1169

01:08:50,253 —> 01:08:51,522

If I know too much

about my own future,

1170

01:08:51,546 —> 01:08:52,964

I can endanger my own existence.

1171

01:08:53,047 —> 01:08:55,383

Just as you've endangered yours.

1172

01:08:57,343 —> 01:08:59,262

- You're right.

- Now...

1173

01:08:59,345 —> 01:09:02,223

Let me show you my plan

for sending you home.

1174

01:09:02,307 —> 01:09:04,058

Please excuse the crudity

of this model.

1175

01:09:04,142 —> 01:09:06,477

I didn't have time

to build it to scale or paint it.

1176

01:09:06,561 —> 01:09:08,479

- It's good.

- Thank you. Thank you.

1177

01:09:09,772 —> 01:09:10,982

Okay, now.

1178

01:09:11,065 —> 01:09:13,276

We run some industrial-strength

electrical cable

1179

01:09:13,359 —> 01:09:15,194

from the top of the clock tower

1180

01:09:15,278 —> 01:09:16,904

down, suspending it

over the street

1181

01:09:16,988 —> 01:09:18,573

between these two lamp posts.

1182

01:09:19,198 —> 01:09:21,659

Meanwhile, we've outfitted

the time vehicle

1183

01:09:21,743 —> 01:09:23,202

with this big pole and hook,

1184

01:09:23,286 —> 01:09:26,247

which runs directly

into the flux capacitor.

1185

01:09:27,165 —> 01:09:31,836

At the calculated moment,

you start off from down the street,

1186

01:09:31,919 —> 01:09:33,230

driving directly

toward the cable,

1187

01:09:33,254 —> 01:09:36,174

accelerating to

88 miles per hour.

1188

01:09:36,507 —> 01:09:39,886

According to the flyer,

at precisely 10:04 p.m. this Saturday night,

1189

01:09:39,969 —> 01:09:43,598

lightning will strike the clock tower,

electrifying the cable

1190

01:09:43,681 —> 01:09:45,933

just as the connecting

hook makes contact

1191

01:09:46,017 —> 01:09:49,645

thereby sending 1.21 gigawatts

into the flux capacitor

1192

01:09:50,021 —> 01:09:52,190

and sending you back to 1985.

1193

01:09:52,273 —> 01:09:54,317

All right, now.

Watch this.

1194

01:09:54,400 —> 01:09:56,319

You wind up the car

and release it.

1195

01:09:58,112 —> 01:10:00,323

I'll simulate the lightning.

1196

01:10:00,406 —> 01:10:01,866

(WIND-UP MECHANISM TWISTING)

1197

01:10:01,949 –> 01:10:03,659
(ELECTRICAL HUMMING)

1198
01:10:08,623 –> 01:10:09,791
Ready.

1199
01:10:19,550 –> 01:10:20,676
Set.

1200
01:10:25,723 –> 01:10:26,974
Release.

1201
01:10:27,058 –> 01:10:28,476
(CAR WHIRRING)

1202
01:10:30,937 –> 01:10:32,146
(EXCLAIMS)

1203
01:10:39,195 –> 01:10:40,446
(GASPS)

1204
01:10:45,368 –> 01:10:47,537

You're instilling me

with a lot of confidence, Doc.

1205

01:10:47,620 —> 01:10:49,056

Don't worry. I'll take care

of the lightning.

1206

01:10:49,080 —> 01:10:51,666

You take care of your pop.

1207

01:10:52,834 —> 01:10:55,837

By the way, what happened today?

Did he ask her out?

1208

01:10:55,920 —> 01:10:57,046

I think so.

1209

01:10:57,130 —> 01:10:58,172

What did she say?

1210

01:10:58,506 —> 01:10:59,841

(KNOCKING ON DOOR)

1211

01:11:06,848 —> 01:11:08,599

It's your mom!

She's tracked you down!

1212

01:11:08,683 —> 01:11:10,935

Quick! Let's cover

the time machine.

1213

01:11:24,282 —> 01:11:26,742

Hi, Cal... Marty.

1214

01:11:27,243 —> 01:11:28,661

Mom. Lorraine.

1215

01:11:30,204 —> 01:11:32,415

How did you know I was here?

1216

01:11:33,332 —> 01:11:34,876

I followed you.

1217

01:11:35,710 —> 01:11:37,712

Oh. This is my doc...

1218

01:11:37,795 —> 01:11:40,882

(STUTTERS) My uncle, Doc Brown.

1219

01:11:42,216 —> 01:11:43,468

- Hi.

- Hi.

1220

01:11:46,554 —> 01:11:49,724

Marty, this may

seem a little forward,

1221

01:11:50,099 —> 01:11:54,312

but I was kind of wondering

if you'd ask me

1222

01:11:54,395 —> 01:11:58,232

to the Enchantment

Under the Sea dance on Saturday.

1223

01:12:00,902 —> 01:12:04,113

Wow, you mean...

You mean nobody's asked you?

1224

01:12:04,780 —> 01:12:07,867

No. Not yet.

1225

01:12:09,577 —> 01:12:11,120

What about George?

1226

01:12:11,204 —> 01:12:12,997

George McFly?

1227

01:12:15,541 —> 01:12:19,545

He's kind of cute

and all, but not...

1228

01:12:20,421 —> 01:12:24,550

Well, I think

a man should be strong,

1229

01:12:26,469 —> 01:12:28,721

so he can stand up for himself

1230

01:12:29,764 —> 01:12:32,016

and protect the woman he loves.

1231

01:12:36,729 —> 01:12:38,105

Don't you?

1232

01:12:39,607 —> 01:12:40,691

Yeah.

1233

01:12:41,150 —> 01:12:43,152

I still don't understand.

1234

01:12:43,611 —> 01:12:46,322

How am I supposed to

go to the dance with her

1235

01:12:46,405 —> 01:12:49,158

if she's already going

to the dance with you?

1236

01:12:49,242 —> 01:12:51,911

Well, because, George,

she wants to go with you.

1237

01:12:51,994 —> 01:12:53,913

She just doesn't know it yet.

1238

01:12:53,996 —> 01:12:55,057

That's why we got to show her

1239

01:12:55,081 —> 01:12:57,041

that you, George McFly,

are a fighter.

1240

01:12:57,124 —> 01:12:59,084

You're somebody who's gonna stand up

for yourself,

1241

01:12:59,126 —> 01:13:00,586

somebody who's

gonna protect her.

1242

01:13:00,670 —> 01:13:03,881

Yeah, but I've never picked a fight

in my entire life.

1243

01:13:03,965 —> 01:13:06,717
Look, you're not going
to be picking a fight, Dad.

1244
01:13:06,801 —> 01:13:09,011
(STUTTERS) Daddy-o.

1245
01:13:09,095 —> 01:13:11,389
You're coming to
her rescue, right?

1246
01:13:11,472 —> 01:13:12,699
Okay, let's go over
the plan again.

1247
01:13:12,723 —> 01:13:14,475
8:55, where are
you going to be?

1248
01:13:14,559 —> 01:13:16,143
I'm going to be at the dance.

1249
01:13:16,227 —> 01:13:17,329

Right. And where
am I going to be?

1250
01:13:17,353 —> 01:13:19,355
You're gonna be
in the car with her.

1251
01:13:19,438 —> 01:13:20,898
Right, okay.
So, right around 9:00,

1252
01:13:20,982 —> 01:13:22,459
she's going to get
very angry with me.

1253
01:13:22,483 —> 01:13:24,902
Why is she going to
get angry with you?

1254
01:13:24,986 —> 01:13:27,321
Well, because, George,
nice girls get angry

1255

01:13:27,405 —> 01:13:29,657
when guys take
advantage of them.

1256
01:13:30,616 —> 01:13:31,701
(EXCLAIMS)

1257
01:13:31,909 —> 01:13:33,911
You mean you're going to go
touch her on her...

1258
01:13:33,995 —> 01:13:36,455
No. No, George, look.

1259
01:13:37,290 —> 01:13:39,250
It's just an act, right?

1260
01:13:39,542 —> 01:13:43,045
Okay. So, 9:00, you're strolling
through the parking lot.

1261
01:13:43,462 —> 01:13:46,674
You see us struggling

in the car.

1262

01:13:47,091 —> 01:13:50,261

You walk up, you open the door,

and you say...

1263

01:13:51,887 —> 01:13:53,639

Your line, George.

1264

01:13:54,932 —> 01:13:56,100

Oh!

1265

01:13:56,767 —> 01:13:59,604

Hey, you, get your

damn hands off her!

1266

01:14:01,939 —> 01:14:03,274

You really think

I ought to swear?

1267

01:14:03,357 —> 01:14:04,358

Yes, definitely.

1268

01:14:04,442 —> 01:14:06,068

God damn it, George, swear.

1269

01:14:06,152 —> 01:14:08,154

Okay.

So, now you come up.

1270

01:14:08,237 —> 01:14:09,363

You punch me in the stomach.

1271

01:14:09,447 —> 01:14:11,240

I'm out for the count, right?

1272

01:14:11,324 —> 01:14:14,535

And you and Lorraine

live happily ever after.

1273

01:14:14,619 —> 01:14:16,829

You make it sound so easy.

1274

01:14:16,912 —> 01:14:19,373

I just... I wish

I wasn't so scared.

1275
01:14:19,457 —> 01:14:20,767
George, there's nothing
to be scared of.

1276
01:14:20,791 —> 01:14:23,336
All it takes is
a little self-confidence.

1277
01:14:23,419 —> 01:14:26,130
You know, if you
put your mind to it,

1278
01:14:26,213 —> 01:14:27,673
you can accomplish anything.

1279
01:14:30,301 —> 01:14:32,571
ANNOUNCER: ...Hill Valley area weather
this Saturday night.

1280
01:14:32,595 —> 01:14:35,598
Mostly clear,

with some scattered clouds.

1281

01:14:35,681 —> 01:14:37,391

Lows tonight in the upper 40s.

1282

01:14:37,475 —> 01:14:39,393

Are you sure about this storm?

1283

01:14:40,227 —> 01:14:44,398

Since when can weathermen predict

the weather, let alone the future?

1284

01:14:44,899 —> 01:14:47,568

You know, Marty, I'm going to be

very sad to see you go.

1285

01:14:47,652 —> 01:14:48,920

You've really made

a difference in my life.

1286

01:14:48,944 —> 01:14:51,072

You've given me

something to shoot for.

1287

01:14:51,155 —> 01:14:55,326

Just knowing that I'm going

to be around to see 1985.

1288

01:14:55,409 —> 01:14:57,328

That I'm going to

succeed in this!

1289

01:14:57,411 —> 01:15:00,956

That I'm going to have a chance

to travel through time!

1290

01:15:06,420 —> 01:15:09,149

It's going to be really hard waiting

30 years before I can talk to you

1291

01:15:09,173 —> 01:15:12,134

about everything that's happened

in the past few days.

1292

01:15:12,218 —> 01:15:14,804

I'm really going

to miss you, Marty.

1293

01:15:16,138 —> 01:15:17,973

I'm really going to miss you.

1294

01:15:22,353 —> 01:15:23,521

Doc, about the future...

1295

01:15:23,604 —> 01:15:24,689

No!

1296

01:15:25,356 —> 01:15:27,692

Marty!

We've already agreed

1297

01:15:27,775 —> 01:15:29,127

that having information

about the future

1298

01:15:29,151 —> 01:15:30,611

can be extremely dangerous.

1299

01:15:30,695 —> 01:15:32,196
Even if your
intentions are good,

1300
01:15:32,279 —> 01:15:34,240
it can backfire drastically.

1301
01:15:35,491 —> 01:15:36,731
Whatever you've got to tell me,

1302
01:15:36,784 —> 01:15:39,870
I'll find out through
the natural course of time.

1303
01:15:40,913 —> 01:15:42,873
"Dear Dr. Brown.

1304
01:15:43,624 —> 01:15:46,085
"On the night that
I go back in time,

1305
01:15:46,544 —> 01:15:48,295
"you will be

1306

01:15:48,879 —> 01:15:51,173

"shot by terrorists.

1307

01:15:52,299 —> 01:15:54,760

"Please take whatever precautions

are necessary

1308

01:15:54,844 —> 01:15:57,304

"to prevent

this terrible disaster.

1309

01:15:58,723 —> 01:16:00,433

"Your friend,

1310

01:16:01,475 —> 01:16:02,727

"Marty."

1311

01:16:12,153 —> 01:16:15,114

'Evening, Dr. Brown.

What's with the wire?

1312

01:16:15,197 —> 01:16:18,117
Oh, just a little
weather experiment.

1313
01:16:19,952 —> 01:16:20,953
What you got under here?

1314
01:16:21,036 —> 01:16:22,037
No! Don't touch that!

1315
01:16:22,121 —> 01:16:24,915
Some new, specialized
weather-sensing equipment.

1316
01:16:24,999 —> 01:16:27,209
You got a permit for that?

1317
01:16:27,293 —> 01:16:28,586
Of course I do.

1318
01:16:36,051 —> 01:16:39,180
Just a second. Let me see
if I can find it here.

1319

01:16:40,264 —> 01:16:42,516

(ROCK 'N' ROLL MUSIC PLAYING)

1320

01:17:28,270 —> 01:17:29,563

(SIGHS)

1321

01:17:31,315 —> 01:17:35,903

Do you mind if we

park for a while?

1322

01:17:37,112 —> 01:17:39,114

That's a great idea.

I'd love to park.

1323

01:17:39,198 —> 01:17:40,199

Huh?

1324

01:17:40,282 —> 01:17:42,993

Marty, I'm almost 18 years old.

1325

01:17:43,077 —> 01:17:44,995

It's not like I've
never parked before.

1326
01:17:45,788 —> 01:17:47,081
What?

1327
01:17:47,623 —> 01:17:50,626
Marty, you seem so nervous.
Is something wrong?

1328
01:17:50,709 —> 01:17:51,836
No.

1329
01:17:52,878 —> 01:17:54,004
No.

1330
01:17:58,759 —> 01:18:01,178
Lorraine! Lorraine,
what are you doing?

1331
01:18:01,637 —> 01:18:03,973
I swiped it from the old lady's
liquor cabinet.

1332

01:18:04,056 —> 01:18:06,976

Yeah, well, you shouldn't drink.

1333

01:18:07,059 —> 01:18:08,059

Why not?

1334

01:18:08,102 —> 01:18:09,144

Because you...

1335

01:18:09,895 —> 01:18:12,648

You might regret it

later in life.

1336

01:18:13,691 —> 01:18:15,609

Marty, don't be such a square.

1337

01:18:15,693 —> 01:18:17,611

Everybody who's anybody drinks.

1338

01:18:22,783 —> 01:18:24,618

Jeez, you smoke, too?

1339

01:18:25,995 —> 01:18:28,998

Marty, you're beginning to sound

just like my mother.

1340

01:18:34,003 —> 01:18:35,296

(JAZZ MUSIC ENDING)

1341

01:18:35,379 —> 01:18:37,256

(CROWD APPLAUDING)

1342

01:18:40,217 —> 01:18:41,577

We're going to

take a little break,

1343

01:18:41,635 —> 01:18:43,137

but we'll be back in a while,

1344

01:18:43,220 —> 01:18:45,806

so don't nobody go nowhere.

1345

01:19:02,197 —> 01:19:05,492

Marty?

Why are you so nervous?

1346

01:19:06,744 —> 01:19:08,120

Lorraine.

1347

01:19:09,038 —> 01:19:13,208

Have you ever

been in a situation

1348

01:19:13,292 —> 01:19:15,085

where you knew you had to act

a certain way,

1349

01:19:15,169 —> 01:19:17,338

but when you got there,

you didn't know

1350

01:19:17,421 —> 01:19:19,173

if you could go through with it?

1351

01:19:19,256 —> 01:19:22,718

You mean like how you're supposed

to act on a first date?

1352
01:19:22,801 —> 01:19:24,053
Sort of.

1353
01:19:24,845 —> 01:19:27,514
I think I know
exactly what you mean.

1354
01:19:28,349 —> 01:19:29,642
You do?

1355
01:19:30,142 —> 01:19:32,770
You know what I do
in those situations?

1356
01:19:32,853 —> 01:19:33,979
What?

1357
01:19:34,063 —> 01:19:35,105
I don't worry.

1358

01:19:35,189 —> 01:19:36,857
(MUFFLED SHOUTING)

1359
01:19:53,123 —> 01:19:56,752
This is all wrong.
I don't know what it is.

1360
01:19:58,420 —> 01:20:01,882
But when I kiss you,
it's like I'm kissing

1361
01:20:03,676 —> 01:20:05,052
my brother.

1362
01:20:05,344 —> 01:20:08,055
I guess that doesn't
make any sense, does it?

1363
01:20:08,138 —> 01:20:12,142
Believe me,
it makes perfect sense.

1364
01:20:12,226 —> 01:20:13,894

(FOOTSTEPS APPROACHING)

1365

01:20:13,978 —> 01:20:15,688

Somebody's coming.

1366

01:20:19,608 —> 01:20:23,821

You caused 300 bucks damage to my car,

you son of a bitch.

1367

01:20:23,904 —> 01:20:27,199

And I'm going to take it

out of your ass. Hold him.

1368

01:20:28,117 —> 01:20:30,536

Let him go, Biff.

You're drunk.

1369

01:20:31,370 —> 01:20:33,831

Well, look-ey what we have here.

1370

01:20:36,625 —> 01:20:40,254

No, no! You're staying right here

with me. Come on, Lorraine.

1371

01:20:40,337 —> 01:20:41,380

LORRAINE: Let me go!

1372

01:20:41,463 —> 01:20:42,715

Leave her alone, you bastard!

1373

01:20:42,798 —> 01:20:44,693

Take him in back, all right?

I'll be right there.

1374

01:20:44,717 —> 01:20:47,803

BIFF: Just admit that you want it.

Come on.

1375

01:20:47,886 —> 01:20:50,180

Well, go on.

This ain't no peep show.

1376

01:20:50,764 —> 01:20:51,849

(GRUNTS)

1377

01:20:53,058 —> 01:20:54,810
(LORRAINE SHOUTING)

1378
01:20:56,937 —> 01:20:58,063
Hey, let's put him in there.

1379
01:20:58,147 —> 01:20:59,523
Yeah! (LAUGHS)

1380
01:21:00,941 —> 01:21:03,277
That's for messing up my hair.

1381
01:21:03,360 —> 01:21:05,446
What the hell are
you doing to my car?

1382
01:21:05,529 —> 01:21:07,990
Hey, beat it, spook.
This don't concern you.

1383
01:21:10,576 —> 01:21:13,162
Who you calling "spook,"
peckerwood?

1384

01:21:14,621 —> 01:21:16,290

Hey, hey, listen, guys...

1385

01:21:16,373 —> 01:21:18,959

Look, I don't want to mess

with no reefer addicts, okay?

1386

01:21:19,043 —> 01:21:20,878

Get home to your mama, boy.

1387

01:21:20,961 —> 01:21:22,046

THUG 1: Biff!

1388

01:21:22,129 —> 01:21:23,213

THUG 2: Hurry, Biff!

1389

01:21:23,756 —> 01:21:25,591

MARTY: (MUFFLED)

Let me out of here!

1390

01:21:27,384 —> 01:21:28,886

Reginald, where are your keys?

1391

01:21:28,969 —> 01:21:31,138

MARTY: The keys

are in the trunk.

1392

01:21:31,597 —> 01:21:32,723

Say that again?

1393

01:21:32,806 —> 01:21:34,641

MARTY: I said,

the keys are in here.

1394

01:21:40,064 —> 01:21:41,565

(LORRAINE SHOUTING)

1395

01:21:48,363 —> 01:21:49,656

BIFF: Come on!

1396

01:21:51,742 —> 01:21:54,495

Hey, you,

get your damn hands off...

1397

01:21:56,246 —> 01:21:57,623

Oh.

1398

01:21:57,706 —> 01:22:00,334

I think you got

the wrong car, McFly.

1399

01:22:01,627 —> 01:22:03,670

George, help me!

Please!

1400

01:22:03,754 —> 01:22:06,632

Just turn around, McFly,

and walk away.

1401

01:22:07,674 —> 01:22:08,675

LORRAINE: Please, George.

1402

01:22:08,759 —> 01:22:09,843

Are you deaf, McFly?

1403

01:22:09,927 —> 01:22:12,012

Close the door and beat it.

1404

01:22:12,096 —> 01:22:13,430

(WHIMPERING)

1405

01:22:14,598 —> 01:22:18,185

No, Biff.

You leave her alone.

1406

01:22:18,936 —> 01:22:20,729

All right, McFly.

1407

01:22:23,982 —> 01:22:27,611

You're asking for it,

and now you're going to get it.

1408

01:22:29,029 —> 01:22:30,489

- (GROANING)

- Biff, stop it!

1409

01:22:31,532 —> 01:22:33,784

Biff, you'll break his arm!

1410

01:22:34,159 —> 01:22:35,202

(GASPING)

1411

01:22:35,285 —> 01:22:36,537

Biff, no!

1412

01:22:37,371 —> 01:22:39,665

MARVIN: Give me

a hand here, Reginald.

1413

01:22:39,873 —> 01:22:40,916

(GROANING)

1414

01:22:40,999 —> 01:22:43,293

Damn it, man!

I sliced my hand!

1415

01:22:43,377 —> 01:22:44,837

- Whose are these?

- Mine.

1416

01:22:44,920 —> 01:22:46,839

Thanks. Thanks a lot.

1417

01:22:48,173 —> 01:22:50,050

You're going to break his arm!

1418

01:22:50,717 —> 01:22:53,846

Biff! Biff,

leave him alone!

1419

01:22:53,929 —> 01:22:56,390

Let him go!

Let him go!

1420

01:22:59,810 —> 01:23:01,228

(LAUGHING)

1421

01:23:10,696 —> 01:23:12,030

(GRUNTS)

1422

01:23:18,203 —> 01:23:19,872

(GEORGE PANTING)

1423

01:23:26,086 —> 01:23:27,379

(LAUGHS)

1424

01:23:29,548 —> 01:23:31,133

Are you okay?

1425

01:23:51,195 —> 01:23:53,530

Who is that guy?

1426

01:23:53,614 —> 01:23:54,823

That's George McFly.

1427

01:23:58,660 —> 01:24:00,704

That's George McFly?

1428

01:24:00,787 —> 01:24:02,080

Excuse me.

1429

01:24:04,541 —> 01:24:06,210

(THUNDER RUMBLING)

1430

01:24:09,504 —> 01:24:11,089

(WIND BLOWING)

1431

01:24:13,342 —> 01:24:14,843

The storm.

1432

01:24:16,803 —> 01:24:19,514

Hey, guys, you gotta get back

in there and finish the dance.

1433

01:24:19,598 —> 01:24:21,016

Hey, man.

Look at Marvin's hand.

1434

01:24:21,099 —> 01:24:22,285

He can't play with

his hand like that,

1435

01:24:22,309 —> 01:24:23,494

and we can't play without him.

1436

01:24:23,518 —> 01:24:25,979

Yeah, well. Look, Marvin,

you got to play.

1437

01:24:26,063 —> 01:24:28,291

See, that's where they kiss

for the first time on the dance floor.

1438

01:24:28,315 —> 01:24:30,025

And if there's no music,

they can't dance.

1439

01:24:30,108 —> 01:24:31,461

If they can't dance,

they can't kiss.

1440

01:24:31,485 —> 01:24:33,862

If they can't kiss, they can't fall

in love and I'm history.

1441

01:24:33,946 —> 01:24:35,113

Hey, man, the dance is over

1442

01:24:35,197 —> 01:24:37,741

unless you know somebody else that

can play the guitar.

1443

01:24:45,123 —> 01:24:47,542

This is for all

you lovers out there.

1444

01:24:50,128 —> 01:24:54,174

MARVIN: (SINGING)

Earth angel, Earth angel

1445

01:24:54,925 —> 01:24:57,552

Will you be mine?

1446

01:24:58,136 —> 01:25:00,806

My darling dear

1447

01:25:01,598 —> 01:25:03,433

George, aren't you

going to kiss me?

1448

01:25:03,517 —> 01:25:05,018

I don't know.

1449

01:25:06,812 —> 01:25:08,939

Scram, McFly.

I'm cutting in.

1450

01:25:09,022 —> 01:25:10,274

(LORRAINE GRUNTING)

1451

01:25:13,777 —> 01:25:15,862

(DISSONANT NOTES PLAYING)

1452

01:25:15,946 —> 01:25:19,908

Earth angel, Earth angel

1453

01:25:20,575 —> 01:25:22,411

The one I adore

1454

01:25:22,494 —> 01:25:24,496

Hey, boy, you all right?

1455

01:25:25,622 —> 01:25:27,082

I can't play.

1456

01:25:27,165 —> 01:25:28,250

George!

1457

01:25:29,376 —> 01:25:30,794

(LAUGHING)

1458

01:25:45,726 —> 01:25:46,977

George!

1459

01:25:48,395 —> 01:25:49,563

George.

1460

01:25:52,607 —> 01:25:54,026

Excuse me.

1461

01:25:54,484 —> 01:25:55,777

(GRUNTS)

1462

01:26:03,452 —> 01:26:06,079

The vision of your happiness

1463

01:26:08,248 —> 01:26:11,460

Earth angel, Earth angel

1464

01:26:12,127 –> 01:26:15,339

Please be mine

1465

01:26:15,922 –> 01:26:18,050

My darling dear

1466

01:26:18,383 –> 01:26:21,428

Love you for all time

1467

01:26:22,220 –> 01:26:25,474

I'm just a fool

1468

01:26:26,558 –> 01:26:29,603

A fool in love

1469

01:26:30,854 –> 01:26:34,274

with you

1470

01:26:39,613 –> 01:26:41,031

(CROWD APPLAUDING)

1471

01:26:41,114 —> 01:26:45,035

Yeah, man, that was good.

Let's do another one.

1472

01:26:45,118 —> 01:26:47,037

No. I got to go.

1473

01:26:47,120 —> 01:26:50,624

Come on, man. Let's do something

that really cooks.

1474

01:26:50,707 —> 01:26:53,502

Something that cooks.

1475

01:26:54,127 —> 01:26:55,545

(ALL CHEERING)

1476

01:26:58,882 —> 01:26:59,925

All right.

1477

01:27:00,008 —> 01:27:01,009

MARVIN: All right!

1478

01:27:05,013 —> 01:27:06,390

All right.

1479

01:27:07,307 —> 01:27:10,727

All right,

this is an oldie, but...

1480

01:27:12,729 —> 01:27:16,108

Well, it's an oldie

where I come from.

1481

01:27:18,151 —> 01:27:20,404

All right, guys, listen,

this is a blues riff in B.

1482

01:27:20,487 —> 01:27:23,532

Watch me for the changes,

and try and keep up, okay?

1483

01:27:23,615 —> 01:27:25,826

(ROCK 'N' ROLL MUSIC PLAYING)

1484

01:27:40,465 —> 01:27:43,301

(SINGING) Way down in Louisiana

Down in New Orleans

1485

01:27:43,385 —> 01:27:46,138

Way back up in the woods

among the evergreens

1486

01:27:46,263 —> 01:27:49,057

There stood a log cabin

made of earth and wood

1487

01:27:49,182 —> 01:27:51,768

Where lived a country boy

name of Johnny B. Goode

1488

01:27:52,102 —> 01:27:54,521

He never ever learned

to read or write so well

1489

01:27:54,771 —> 01:27:57,190

He could play the guitar

just like he's ringing a bell

1490

01:27:57,315 —> 01:28:01,278

Go, go Go, Johnny, go, go

1491

01:28:01,862 —> 01:28:03,864

Go, Johnny, go, go, go

1492

01:28:04,739 —> 01:28:06,283

Go, Johnny, go, go

1493

01:28:06,366 —> 01:28:08,994

Hey, George, I heard

you laid out Biff. Nice going.

1494

01:28:09,077 —> 01:28:11,371

George, you ever think of running

for class president?

1495

01:28:11,455 —> 01:28:13,874

Johnny B. Goode

1496

01:28:16,209 —> 01:28:18,879

Go, Johnny, go, go

1497

01:28:18,962 —> 01:28:21,631

Go, Johnny, go, go, go

1498

01:28:21,715 —> 01:28:24,468

Go, Johnny, go, go

1499

01:28:24,551 —> 01:28:26,761

Go, Johnny, go, go, go

1500

01:28:28,346 —> 01:28:30,223

Johnny B. Goode

1501

01:28:32,476 —> 01:28:35,312

Chuck!

Chuck, it's Marvin.

1502

01:28:35,395 —> 01:28:37,981

Your cousin, Marvin Berry.

1503

01:28:38,064 —> 01:28:40,817
You know that new sound
you're looking for?

1504
01:28:40,901 —> 01:28:42,777
Well, listen to this.

1505
01:29:06,343 —> 01:29:08,803
(HEAVY METAL RIFFS PLAYING)

1506
01:29:28,615 —> 01:29:29,950
(FEEDBACK)

1507
01:29:32,994 —> 01:29:35,413
(HIGH-PITCH NOTE PLAYING)

1508
01:29:38,500 —> 01:29:40,293
(AMPLIFIERS HUMMING)

1509
01:29:52,347 —> 01:29:55,308
I guess you guys aren't
ready for that yet.

1510

01:29:56,643 —> 01:29:58,270

But your kids are

going to love it.

1511

01:29:58,853 —> 01:30:00,689

(CROWD APPLAUDING)

1512

01:30:02,524 —> 01:30:03,900

Lorraine.

1513

01:30:03,984 —> 01:30:06,570

Marty, that was

very interesting music.

1514

01:30:06,653 —> 01:30:08,238

Yeah.

1515

01:30:08,780 —> 01:30:10,240

I hope you don't mind,

1516

01:30:10,323 —> 01:30:12,367

but George asked if

he could take me home.

1517

01:30:12,617 —> 01:30:15,537

Great! Good.

Good, Lorraine.

1518

01:30:15,620 —> 01:30:17,038

I had a feeling about you two.

1519

01:30:17,497 —> 01:30:19,457

I have a feeling, too.

1520

01:30:19,833 —> 01:30:21,209

Listen, I got to go,

1521

01:30:21,293 —> 01:30:26,006

but I wanted to tell you

that it's been educational.

1522

01:30:27,048 —> 01:30:29,509

Marty, will we ever

see you again?

1523

01:30:30,719 —> 01:30:31,928

I guarantee it.

1524

01:30:32,012 —> 01:30:35,432

Well, Marty, I want to thank you

for all your good advice.

1525

01:30:35,515 —> 01:30:37,851

I'll never forget it.

1526

01:30:38,560 —> 01:30:40,145

Right, George.

1527

01:30:41,521 —> 01:30:45,025

Well, good luck, you guys.

1528

01:30:46,610 —> 01:30:47,694

Oh!

1529

01:30:49,029 —> 01:30:52,949

One other thing.

If you guys ever have kids,

1530

01:30:53,033 —> 01:30:55,452

and one of them,

when he's eight years old,

1531

01:30:55,535 —> 01:30:58,538

accidentally sets fire

to the living room rug,

1532

01:30:59,873 —> 01:31:01,499

go easy on him.

1533

01:31:02,500 —> 01:31:03,793

Okay.

1534

01:31:08,673 —> 01:31:11,509

Marty.

Such a nice name.

1535

01:31:16,222 —> 01:31:17,390

(WIND HOWLING)

1536

01:31:17,474 —> 01:31:19,601

Damn!

Where is that kid?

1537

01:31:22,812 —> 01:31:24,064

Damn!

1538

01:31:26,524 —> 01:31:27,901

Damn! Damn!

1539

01:31:30,695 —> 01:31:32,447

(TIRES SCREECHING)

1540

01:31:35,742 —> 01:31:38,620

You're late! Do you have

no concept of time?

1541

01:31:38,703 —> 01:31:41,081

Hey, come on.

I had to change.

1542

01:31:41,164 —> 01:31:44,084

Do you think I'm going back

in that zoot suit?

1543

01:31:44,167 —> 01:31:46,836

The old man really

came through. It worked.

1544

01:31:46,920 —> 01:31:49,005

He laid out Biff in one punch.

1545

01:31:49,089 —> 01:31:50,232

I didn't know he had it in him.

1546

01:31:50,256 —> 01:31:53,468

He's never stood up

to Biff in his life.

1547

01:31:54,844 —> 01:31:56,012

Never?

1548

01:31:56,096 —> 01:31:57,847

No. Why?

What's the matter?

1549

01:31:58,932 —> 01:32:02,644

All right! Let's set

your destination time.

1550

01:32:05,605 —> 01:32:06,898

(MACHINE BEEPING)

1551

01:32:07,399 —> 01:32:09,734

This is the exact time you left.

1552

01:32:10,110 —> 01:32:13,571

Let's send you back at

exactly the same time.

1553

01:32:16,449 —> 01:32:18,660

It'll be like you never left.

1554

01:32:20,412 —> 01:32:24,833

Now, I painted a white line

on the street way over there.

1555

01:32:24,916 —> 01:32:26,793

That's where you'll start from.

1556
01:32:26,876 —> 01:32:29,212
I've calculated
the precise distance,

1557
01:32:29,295 —> 01:32:31,965
taking into account
the acceleration speed

1558
01:32:32,048 —> 01:32:33,800
and wind resistance retroactive

1559
01:32:33,883 —> 01:32:36,511
from the moment
the lightning strikes,

1560
01:32:36,594 —> 01:32:41,099
which will be in exactly
7 minutes and 22 seconds.

1561
01:32:41,474 —> 01:32:43,852
When this alarm goes off,

you hit the gas.

1562

01:32:43,935 —> 01:32:45,019

Right.

1563

01:32:51,818 —> 01:32:54,863

Well, I guess that's everything.

1564

01:32:59,075 —> 01:33:00,535

Thanks.

1565

01:33:00,618 —> 01:33:01,828

Thank you.

1566

01:33:06,833 —> 01:33:08,960

See you in about 30 years.

1567

01:33:10,670 —> 01:33:12,005

I hope so.

1568

01:33:13,673 —> 01:33:15,216

Don't worry!

1569

01:33:15,884 —> 01:33:17,594

As long as you hit that wire

1570

01:33:17,677 —> 01:33:20,764

with the connecting hook

at precisely 88 miles an hour,

1571

01:33:20,847 —> 01:33:23,850

the instant the lightning

strikes the tower

1572

01:33:26,311 —> 01:33:27,437

everything will be fine.

1573

01:33:27,520 —> 01:33:28,688

Right.

1574

01:33:35,862 —> 01:33:37,489

(THUNDER RUMBLING)

1575

01:33:37,572 —> 01:33:39,532

What's the meaning of this?

1576

01:33:39,616 —> 01:33:41,284

You'll find out in 30 years.

1577

01:33:41,367 —> 01:33:43,453

It's about the future, isn't it?

1578

01:33:43,536 —> 01:33:44,680

It's information

about the future.

1579

01:33:44,704 —> 01:33:46,247

Wait a minute.

1580

01:33:46,331 —> 01:33:48,249

I warned you about this, kid.

1581

01:33:48,333 —> 01:33:51,169

The consequences

could be disastrous!

1582

01:33:51,252 —> 01:33:53,671
Doc, that's a risk
you're going to have to take.

1583
01:33:53,755 —> 01:33:55,340
Your life depends on it!

1584
01:33:55,423 —> 01:33:56,591
No!

1585
01:33:57,050 —> 01:34:00,386
I refuse to accept
the responsibility.

1586
01:34:00,720 —> 01:34:02,680
In that case,
I'll tell you straight out.

1587
01:34:02,764 —> 01:34:04,140
(THUNDER CRASHING)

1588
01:34:07,435 —> 01:34:08,853
Great Scott!

1589

01:34:12,315 —> 01:34:13,566

(THUNDER CLAPPING)

1590

01:34:16,778 —> 01:34:19,823

You get the cable, I'll throw

the rope down to you.

1591

01:34:19,906 —> 01:34:21,699

Right! I got it!

1592

01:34:24,244 —> 01:34:25,620

(WIND HOWLING)

1593

01:34:52,939 —> 01:34:54,399

(GASPING)

1594

01:34:55,900 —> 01:34:57,151

Doc!

1595

01:35:03,366 —> 01:35:04,701

(GRUNTING)

1596

01:35:04,784 —> 01:35:06,369

Come on, come on.

Let's go!

1597

01:35:06,452 —> 01:35:09,122

All right!

Take it up!

1598

01:35:12,333 —> 01:35:13,459

Go!

1599

01:35:20,508 —> 01:35:21,509

Doc!

1600

01:35:21,593 —> 01:35:22,635

What?

1601

01:35:22,802 —> 01:35:26,139

I have to tell you

about the future.

1602

01:35:26,347 –> 01:35:27,390
What?

1603
01:35:27,473 –> 01:35:30,727
I have to tell you
about the future!

1604
01:35:30,810 –> 01:35:32,145
What?

1605
01:35:32,228 –> 01:35:37,066
On the night I go
back in time, you get...

1606
01:35:37,150 –> 01:35:38,443
(CLOCK BELL TOLLING)

1607
01:35:40,570 –> 01:35:41,821
Doc!

1608
01:35:47,619 –> 01:35:49,037
(SCREAMING)

1609

01:35:51,080 —> 01:35:52,290

Go!

1610

01:35:53,166 —> 01:35:54,250

No, Doc!

1611

01:35:54,334 —> 01:35:55,585

Look at the time!

1612

01:35:55,668 —> 01:35:59,672

You've got less than four minutes.

Please, hurry!

1613

01:36:11,267 —> 01:36:12,602

Yeah!

1614

01:36:27,325 —> 01:36:28,576

(GRUNTS)

1615

01:37:05,822 —> 01:37:09,117

Damn it, Doc! Why did you have

to tear up that letter?

1616

01:37:09,200 —> 01:37:11,160

If I only had more time.

1617

01:37:14,163 —> 01:37:16,541

Wait a minute.

I got all the time I want.

1618

01:37:16,624 —> 01:37:20,211

I got a time machine. I can

just go back early and warn him.

1619

01:37:20,294 —> 01:37:22,839

Okay. Ten minutes

ought to do it.

1620

01:37:23,798 —> 01:37:24,882

(BEEPING)

1621

01:37:24,966 —> 01:37:29,679

Okay. Time circuit's on.

Flux capacitor, fluxing.

1622

01:37:30,138 —> 01:37:32,265

Engine running.

All right.

1623

01:37:32,348 —> 01:37:33,599

(ENGINE STOPS)

1624

01:37:35,059 —> 01:37:37,103

No. No, no.

1625

01:37:37,186 —> 01:37:38,563

(ENGINE STALLING)

1626

01:37:38,646 —> 01:37:40,857

Come on. Not this time.

Come on. Come on.

1627

01:37:57,915 —> 01:37:59,292

(GRUNTING)

1628

01:38:00,835 —> 01:38:02,253

(SCREAMING)

1629

01:38:08,718 —> 01:38:10,428

(ENGINE CLICKING)

1630

01:38:15,224 —> 01:38:16,476

(GRUNTS)

1631

01:38:38,998 —> 01:38:40,291

(GASPS)

1632

01:38:48,674 —> 01:38:50,093

(GRUNTS)

1633

01:38:51,302 —> 01:38:52,595

- MARTY: Come on.

- (ALARM RINGS)

1634

01:38:54,680 —> 01:38:57,809

Here we go. Here we go.

This time. Come on.

1635

01:38:59,102 —> 01:39:01,979

Please. Please.

Come on!

1636

01:39:02,480 —> 01:39:03,480

(SHOUTS)

1637

01:39:03,523 —> 01:39:04,857

(ENGINE STARTING)

1638

01:39:06,025 —> 01:39:07,276

(EXCLAIMS)

1639

01:39:07,360 —> 01:39:09,028

(TIRES SCREECHING)

1640

01:39:43,396 —> 01:39:44,647

(GASPS)

1641

01:39:45,022 —> 01:39:46,440

(SCREAMING)

1642

01:40:14,927 —> 01:40:16,470

(ACCELERATING)

1643

01:40:40,328 —> 01:40:41,704

Doc.

1644

01:41:30,044 —> 01:41:32,129

(SHOUTING GLEEFULLY)

1645

01:41:42,682 —> 01:41:44,517

(HELICOPTER HOVERING)

1646

01:41:58,698 —> 01:42:00,533

(MUSIC PLAYING ON RADIO)

1647

01:42:02,368 —> 01:42:03,869

(EXPLOSIVE CRASHING)

1648

01:42:05,663 —> 01:42:06,789

(TIRES SQUEALING)

1649

01:42:06,872 —> 01:42:08,249

(CRASHING)

1650

01:42:17,883 —> 01:42:19,969

Crazy drunk driver.

1651

01:42:30,479 —> 01:42:31,897

Whoo!

1652

01:42:35,109 —> 01:42:37,361

All right. Fred.

1653

01:42:38,863 —> 01:42:41,657

You look great.

Everything looks great.

1654

01:42:42,908 —> 01:42:46,912

1:24. I still got time.

I'm coming, Doc!

1655

01:42:48,581 —> 01:42:49,832

(ENGINE DYING)

1656

01:42:50,583 —> 01:42:55,338

No! No, not again!

Come on! Come on!

1657

01:42:55,755 —> 01:42:57,173

(TIRES SCREECHING)

1658

01:43:00,593 —> 01:43:02,136

(TERRORISTS SHOUTING

INDISTINCTLY)

1659

01:43:09,101 —> 01:43:10,436

Libyans.

1660

01:43:33,084 —> 01:43:34,126

MARTY: No!

1661

01:43:35,461 —> 01:43:36,962

You bastard!

1662

01:43:50,309 —> 01:43:51,644

TERRORIST: Go!

1663

01:43:58,317 —> 01:43:59,985

(GUN FIRING)

1664

01:44:18,045 —> 01:44:19,588

(TERRORISTS SCREAMING)

1665

01:44:26,011 —> 01:44:28,139

Doc! Doc!

1666

01:44:31,350 —> 01:44:32,601

(SOBBING)

1667

01:44:33,602 —> 01:44:35,771

No! No!

1668

01:44:50,703 —> 01:44:52,204

You're alive.

1669

01:45:01,422 —> 01:45:03,048

Bulletproof vest?

1670

01:45:04,383 —> 01:45:06,051

How did you know?

1671

01:45:06,844 —> 01:45:09,263

I never got a chance

to tell you.

1672

01:45:22,818 —> 01:45:26,864

What about all that talk

about screwing up future events?

1673

01:45:26,947 —> 01:45:29,033

The space-time continuum?

1674

01:45:29,492 —> 01:45:32,411

Well, I figured, what the hell?

1675

01:45:42,630 —> 01:45:44,590

So, how far ahead are you going?

1676

01:45:44,673 —> 01:45:47,676

About 30 years.

It's a nice, round number.

1677

01:45:47,760 —> 01:45:52,223

Look me up when you get there, all right?

Guess I'll be about 47.

1678

01:45:52,306 —> 01:45:53,557

I will.

1679

01:45:53,974 —> 01:45:55,392

Take care.

1680

01:45:56,143 —> 01:45:57,353

You, too.

1681

01:45:57,436 —> 01:45:59,772

Right. Bye-bye, Einie.

1682

01:46:00,272 —> 01:46:03,275

Oh. And watch that re-entry.

It's a little bumpy.

1683

01:46:03,984 —> 01:46:05,277

You bet.

1684

01:46:25,798 —> 01:46:27,299

(EXPLOSIVE CRASHING)

1685

01:46:43,315 —> 01:46:44,692

(POP SONG PLAYING ON RADIO)

1686

01:47:10,259 —> 01:47:11,885

What a nightmare.

1687

01:47:23,230 —> 01:47:26,191

LINDA: If Paul calls me, tell him

I'm working at the boutique late tonight.

1688

01:47:26,275 —> 01:47:28,420

DAVID: Linda, first of all,

I'm not your answering service,

1689

01:47:28,444 —> 01:47:29,987

second of all,

somebody named Greg

1690

01:47:30,070 —> 01:47:31,947
or Craig called you
just a little while ago.

1691
01:47:32,031 —> 01:47:33,616
Well, which one was it,
Greg or Craig?

1692
01:47:33,699 —> 01:47:36,410
I don't know! I can't keep up
with all of your boyfriends.

1693
01:47:36,493 —> 01:47:37,620
Hey.

1694
01:47:38,662 —> 01:47:40,372
What the hell is this?

1695
01:47:41,123 —> 01:47:42,207
Breakfast.

1696
01:47:42,708 —> 01:47:45,127
DAVID: Did you sleep in your clothes

again last night?

1697

01:47:45,210 —> 01:47:46,545

Yeah. I...

1698

01:47:47,546 —> 01:47:50,090

Yeah. What are

you wearing, Dave?

1699

01:47:50,382 —> 01:47:53,218

Marty, I always wear

a suit to the office.

1700

01:47:54,928 —> 01:47:56,764

- You all right?

- Yeah.

1701

01:47:57,556 —> 01:47:58,700

LORRAINE: I think we

need a rematch, George.

1702

01:47:58,724 —> 01:47:59,767

A rematch?

1703

01:47:59,850 —> 01:48:00,893

Why? Were you cheating?

1704

01:48:00,976 —> 01:48:01,977

(LAUGHING) No.

1705

01:48:02,061 —> 01:48:03,937

- Hello.

- Good morning.

1706

01:48:06,023 —> 01:48:07,524

Mom! Dad!

1707

01:48:07,900 —> 01:48:09,544

- Did you hit your head?

- Marty, are you all right?

1708

01:48:09,568 —> 01:48:13,572

You guys look great.

Mom, you look so thin.

1709

01:48:13,906 —> 01:48:16,450

Why, thank you, Marty.

George!

1710

01:48:16,825 —> 01:48:17,826

(SIGHS)

1711

01:48:17,910 —> 01:48:19,995

Good morning, sleepyhead.

1712

01:48:20,913 —> 01:48:22,289

Good morning, Dave.

Linda.

1713

01:48:22,373 —> 01:48:23,749

DAVID: Good morning, Mom.

1714

01:48:23,832 —> 01:48:26,335

LINDA: Marty, I almost forgot.

Jennifer Parker called.

1715

01:48:26,418 —> 01:48:30,047

I sure like her, Marty.

She is such a sweet girl.

1716

01:48:30,589 —> 01:48:32,591

Isn't tonight the night

of the big date?

1717

01:48:32,675 —> 01:48:34,635

What? What, Ma?

1718

01:48:34,718 —> 01:48:36,154

Aren't you going up

to the lake tonight?

1719

01:48:36,178 —> 01:48:38,847

You've been planning it

for two weeks.

1720

01:48:38,931 —> 01:48:41,600

Mom, we talked about this.

How can I go to the lake?

1721

01:48:41,684 —> 01:48:42,810

The car's wrecked.

1722

01:48:42,893 —> 01:48:44,478

- Wrecked?

- Wrecked?

1723

01:48:44,561 —> 01:48:45,747

When did this happen?

Why wasn't I told?

1724

01:48:45,771 —> 01:48:46,772

Quiet down.

1725

01:48:46,855 —> 01:48:48,357

I'm sure the car is fine.

1726

01:48:48,440 —> 01:48:50,752

DAVID: Why am I always the last one

to know about these things?

1727

01:48:50,776 —> 01:48:53,862

See? There's Biff out there waxing

it right now.

1728

01:48:54,279 —> 01:48:55,698

Now, Biff, I want

to make sure that

1729

01:48:55,781 —> 01:48:58,617

we get two coats of wax this time,

not just one.

1730

01:48:58,701 —> 01:49:00,341

I'm just finishing up

the second coat now.

1731

01:49:00,369 —> 01:49:02,955

Now, Biff, don't con me.

1732

01:49:04,456 —> 01:49:06,500

I'm sorry, Mr. McFly.

1733

01:49:06,583 —> 01:49:09,670

I meant I was just starting

on the second coat.

1734

01:49:10,754 —> 01:49:14,591
Biff. What a character. Always trying
to get away with something.

1735
01:49:15,092 —> 01:49:18,053
I've had to stay on top of Biff
ever since high school.

1736
01:49:18,137 —> 01:49:20,222
Although,
if it wasn't for him...

1737
01:49:20,305 —> 01:49:21,890
We never would
have fallen in love.

1738
01:49:21,974 —> 01:49:23,434
That's right.

1739
01:49:23,976 —> 01:49:26,687
Mr. McFly! Mr. McFly,
this just arrived.

1740

01:49:26,770 —> 01:49:29,565

Oh, hi, Marty.

I think it's your new book.

1741

01:49:32,151 —> 01:49:35,988

Honey!

Your first novel.

1742

01:49:36,071 —> 01:49:37,173

GEORGE: Like I've

always told you,

1743

01:49:37,197 —> 01:49:40,117

you put your mind to it,

you can accomplish anything.

1744

01:49:40,200 —> 01:49:42,703

Oh, Marty, here's your keys.

1745

01:49:42,786 —> 01:49:44,580

You're all waxed up,

ready for tonight.

1746

01:49:45,164 —> 01:49:46,331

Keys?

1747

01:50:02,681 —> 01:50:04,308

How about a ride, mister?

1748

01:50:04,391 —> 01:50:05,517

Jennifer.

1749

01:50:06,477 —> 01:50:10,606

Oh, are you a sight for sore eyes!

Let me look at you.

1750

01:50:11,356 —> 01:50:14,234

Marty, you're acting like you haven't

seen me in a week.

1751

01:50:14,318 —> 01:50:15,736

I haven't.

1752

01:50:16,320 —> 01:50:19,573

You okay?

Is everything all right?

1753

01:50:22,868 —> 01:50:23,994

MARTY: Oh, yeah.

1754

01:50:26,205 —> 01:50:27,998

Everything is great.

1755

01:50:30,667 —> 01:50:32,044

(EXPLOSIVE CRASHING)

1756

01:50:33,879 —> 01:50:35,214

(TIRES SCREECHING)

1757

01:50:42,221 —> 01:50:46,475

Marty! You've got to

come back with me!

1758

01:50:47,267 —> 01:50:48,477

Where?

1759

01:50:48,560 —> 01:50:49,728

Back to the future.

1760

01:50:54,358 —> 01:50:56,485

Wait a minute.

What are you doing, Doc?

1761

01:50:57,486 —> 01:50:58,570

I need fuel.

1762

01:51:02,032 —> 01:51:04,451

Go ahead. Quick!

Get in the car.

1763

01:51:04,535 —> 01:51:06,578

No, no. Doc,

I just got here, okay?

1764

01:51:06,662 —> 01:51:08,723

Jennifer's here. We're gonna take

the new truck for a spin.

1765

01:51:08,747 —> 01:51:12,000

Well, bring her along.

This concerns her, too.

1766

01:51:12,084 —> 01:51:13,728

Wait a minute, Doc.

What are you talking about?

1767

01:51:13,752 —> 01:51:15,796

What happens to us

in the future?

1768

01:51:15,879 —> 01:51:17,631

Do we become assholes

or something?

1769

01:51:17,714 —> 01:51:18,841

No, no, no, no, Marty.

1770

01:51:18,924 —> 01:51:20,676

Both you and Jennifer

turn out fine.

1771

01:51:20,759 —> 01:51:22,219

It's your kids, Marty.

1772

01:51:22,302 —> 01:51:24,555

Something has got to be done

about your kids.

1773

01:51:24,888 —> 01:51:26,640

(TIRES SCREECHING)

1774

01:51:30,936 —> 01:51:34,022

Hey, Doc, we better back up.

We don't have enough road to get up to 88.

1775

01:51:34,106 —> 01:51:38,277

Roads? Where we're going,

we don't need roads.

1776

01:51:41,029 —> 01:51:42,489

(JETS FIRING)
