from my agent, and he was like,

168
00:07:27,489 —> 00:07:30,533
"Can you get back to the—
to the casting office?"

169
00:07:30,575 —> 00:07:33,244
And I was like...
I whipped that car around.

170
00:07:33,286 —> 00:07:35,538
Yo, I'd do it for Rue!

[kiss smacking]

171
00:07:35,580 —> 00:07:38,375
And it all just kind of,
uh, it panned out.

172
00:07:38,416 —> 00:07:39,876
[Mary]
It was such a great challenge

173
00:07:39,918 —> 00:07:41,878
to try to discover
all the new talent

174
00:07:41,920 —> 00:07:44,255
and make them
all fit together as one.

175
00:07:44,297 —> 00:07:48,259
It made sense to see what
was out there in the real world.

176
00:07:48,301 —> 00:07:50,679

And so, we worked
with Jennifer Venditti,

177
00:07:50,720 —> 00:07:52,764
who was doing
the street casting.

178
00:07:53,348 —> 00:07:55,934
{\an8}A24 approached me and said,
like, Sam had wanted

179
00:07:55,976 —> 00:08:00,605
{\an8}to kind of use
my philosophy of casting

180
00:08:00,647 —> 00:08:03,441
'cause I had developed
this idea of street scouting.

181
00:08:03,483 —> 00:08:05,276
I'm 17 years old.

182
00:08:05,318 —> 00:08:08,321

Some people just need
they ass whupped, like,
you know what I mean?

183
00:08:09,197 —> 00:08:11,783
-[Jennifer]
I had scouts, like, all over.
-Two thumbs up.

184
00:08:12,534 —> 00:08:14,619
[Jennifer] One day,
one of the young women
that works for me,

185
00:08:14,661 —> 00:08:16,079
she saw these two guys,

186
00:08:16,079 —> 00:08:18,790
gave them my business card
and said, like,

187
00:08:18,832 —> 00:08:21,334
"If you're interested,
you should go by here."

188

00:08:21,376 —> 00:08:23,670

And then the next day

I was at my office,

189

00:08:23,712 —> 00:08:25,463

and Angus walked in.

190

00:08:25,505 —> 00:08:27,465

My name's Angus Cloud...

191

00:08:28,299 —> 00:08:31,594

and I'm from Oakland,

California.

192

00:08:31,636 —> 00:08:34,264

Oakland, USA.

You get what I'm saying?

193

00:08:34,305 —> 00:08:37,267

[Sam] So, I remember the first

tape that I saw of him.

194

00:08:37,267 —> 00:08:40,020

The scout had said, "Can you

give me your, you know,

your name and height?"

195

00:08:40,061 —> 00:08:43,023

Alright, my name Angus Cloud.

196

00:08:43,064 —> 00:08:46,818

And I'm about 5'12".

197

00:08:49,362 —> 00:08:52,115

I thought,

perfect, cast him.

198

00:08:52,157 —> 00:08:53,950

[Jennifer] Hunter...

199

00:08:53,992 —> 00:08:55,452

well, you know,

when we were looking for her,

200

00:08:55,493 —> 00:08:57,746
it was a very hard role
to fill.

201
00:08:57,787 —> 00:08:59,706
And then, I began
to reach out to people

202
00:08:59,748 —> 00:09:01,791
in the fashion industry
that I knew.

203
00:09:01,791 —> 00:09:04,294
And she was a person
that had come up.

204
00:09:04,335 —> 00:09:05,837
See? I'm fucking invincible.

205
00:09:05,879 —> 00:09:08,131
[scene partner]
You're a fucking psychopath.

206

00:09:08,173 —> 00:09:11,843
We sort of all instantly knew,
oh, this is Jules.

207
00:09:11,885 —> 00:09:13,219
Rue?

208
00:09:13,928 —> 00:09:15,597
I have, like,
the best news ever.

209
00:09:15,638 —> 00:09:19,726
[Hunter Schafer] Yeah,
I'd never really acted before,

210
00:09:19,768 —> 00:09:21,728
{\an8}and I was kind of just
playing it like myself.

211
00:09:21,770 —> 00:09:23,813
{\an8}I got the sense pretty fast
that that's what they wanted.

212

00:09:23,855 —> 00:09:26,483
I remember getting the role

213
00:09:26,524 —> 00:09:28,526
and being like,
holy shit, yeah!

214
00:09:28,568 —> 00:09:30,487
And then immediately after
is like,

215
00:09:30,528 —> 00:09:32,947
oh, my fucking God, dread,

216
00:09:32,989 —> 00:09:35,867
because now
I have to do it.

217
00:09:37,077 —> 00:09:40,497
[Mary] Zendaya was on
Sam's vision board for Rue.

218
00:09:40,538 —> 00:09:42,874

Her representatives
were a little bit nervous

219
00:09:42,916 —> 00:09:45,293
about the material
and it being so edgy.

220
00:09:46,294 —> 00:09:49,214
[Zendaya] I had just kind of
finished a phase of my career.

221
00:09:50,715 —> 00:09:54,844
{\an8}I was like, oh shit.
Like, I have to be an actor now.

222
00:09:54,886 —> 00:09:56,262
I don't know
what I'm gonna do next,

223
00:09:56,304 —> 00:09:58,848
and nobody really believes yet

224
00:09:58,890 —> 00:10:00,892

that I can do
what I think I can do,

225
00:10:00,934 —> 00:10:02,769
and I don't quite know
if I can do it either.

226
00:10:04,896 —> 00:10:07,565
And then, I read a little thing
called Euphoria,

227
00:10:07,607 —> 00:10:09,150
and I was like,
I have to be a part of this.

228
00:10:10,110 —> 00:10:12,112
[photographers shouting]

229
00:10:14,239 —> 00:10:15,573
[photographer]
Now the stairs!

230
00:10:15,615 —> 00:10:16,866

[Hunter Harris]
Before Euphoria,

231
00:10:16,866 —> 00:10:19,536
Zendaya was
a Disney Channel actress.

232
00:10:19,577 —> 00:10:21,579
At the 2019 Met Gala,
she appeared

233
00:10:21,621 —> 00:10:23,373
as, like, Cinderella.

234
00:10:23,414 —> 00:10:25,708
{\an8}And it did feel like sort of
a graduation day

235
00:10:25,750 —> 00:10:27,043
{\an8}from the Disney roots.

236
00:10:27,919 —> 00:10:31,631
I think a lot of child actors

spend time shedding an image,

237
00:10:31,673 —> 00:10:33,716
and I think the things
that make you successful

238
00:10:33,758 —> 00:10:35,718
as like a child actor
sometimes don't make you

239
00:10:35,760 —> 00:10:37,387
successful as an adult actor.

240
00:10:37,428 —> 00:10:38,721
You know, you're hiding
your emotions.

241
00:10:38,763 —> 00:10:40,390
{\an8}You're playing
with more nuance.

242
00:10:40,431 —> 00:10:42,392
{\an8}Rick, I sincerely apologize

243

00:10:42,433 —> 00:10:44,102

{\an8}for telling you

to go fuck yourself.

244

00:10:46,604 —> 00:10:49,107

What I really meant to say

is that my mom can do better

245

00:10:49,149 —> 00:10:51,276

and I hate seeing you sit

in the chair my dad sat in.

246

00:10:56,614 —> 00:10:59,284

[Sam] Early on,

I sent the pilot over to her.

247

00:10:59,325 —> 00:11:00,952

She called

and she was very emotional.

248

00:11:00,994 —> 00:11:03,788

And she was saying, you know,

"Just watched the pilot,

249
00:11:03,830 —> 00:11:06,791
"and I always felt like
I had this in me

250
00:11:06,833 —> 00:11:09,294
"that I could give
a performance like this.

251
00:11:09,335 —> 00:11:11,838
"I just— I never
had any proof.

252
00:11:11,880 —> 00:11:13,631
And now, I have proof."

253
00:11:14,799 —> 00:11:16,301
It was a big emotional moment,

254
00:11:16,342 —> 00:11:18,636
and I think— that's how I
think we all approached it

255
00:11:18,678 —> 00:11:23,016
from every department,
from the cast to myself.

256
00:11:23,057 —> 00:11:24,893
You know, we all had
something to prove.

257
00:11:27,228 —> 00:11:30,023
{\an8}Yeah. It's gonna be
a good night tonight, man.

258
00:11:30,064 —> 00:11:31,774
{\an8}Let's get this money.

259
00:11:31,816 —> 00:11:34,277
[Sam] I have to be honest,
I was scared to death

260
00:11:34,319 —> 00:11:36,654
through a good portion
of shooting season one.

261

00:11:36,696 —> 00:11:38,948

So, the same way that you take

the money with both hands.

262

00:11:38,990 —> 00:11:41,784

I believed in the vision

for the show.

263

00:11:41,826 —> 00:11:43,828

I believed that it would work.

264

00:11:44,829 —> 00:11:47,957

But it was enormously

difficult.

265

00:11:47,999 —> 00:11:50,877

[crew] And background moving,

and action.

266

00:11:54,297 —> 00:11:56,299

[Sam] I wanted to draw on,

267

00:11:56,341 —> 00:11:59,135

not necessarily

our own real memories

268

00:11:59,177 —> 00:12:00,887

of what high school was like...

269

00:12:01,846 —> 00:12:05,516

but more of the shared memories

that we have as a culture.

270

00:12:06,559 —> 00:12:08,645

That was one

of the sort of mottos we had

271

00:12:08,686 —> 00:12:11,481

for season one,

was, "fuck reality."

272

00:12:11,481 —> 00:12:13,524

It's about how

high school feels.

273

00:12:13,566 —> 00:12:16,694

It's not about how it is

or what it is.

274

00:12:18,071 —> 00:12:19,530

[Marcell Rév]

That first season,

275

00:12:19,572 —> 00:12:22,033

{\an8}we were figuring out who we

are, I think, in a way.

276

00:12:22,700 —> 00:12:24,786

We experimented

with a lot of things.

277

00:12:27,538 —> 00:12:28,748

[director] [voice echoing]

That's a cut!

278

00:12:28,790 —> 00:12:31,793

[♪ dramatic music playing]

279
00:12:36,547 —> 00:12:38,091
[Marcell] There were a lot
of teen shows out there,

280
00:12:38,132 —> 00:12:40,760
and some of them
were mimicry to me,

281
00:12:40,802 —> 00:12:42,720
or they were just not
courageous enough.

282
00:12:42,762 —> 00:12:43,888
Oops!

283
00:12:44,597 —> 00:12:46,891
[Marcell] We just wanted
to give a little justice

284
00:12:46,933 —> 00:12:48,268
to— to this generation,

285

00:12:48,309 —> 00:12:52,230
how we thought they think
about themselves.

286
00:12:52,272 —> 00:12:54,357
[Maddy] Honestly,
fuck that whole family.

287
00:12:54,399 —> 00:12:56,025
-[Cassie] For real.
-'Cause right now,

288
00:12:56,067 —> 00:12:58,027
I'm looking at a thousand
versions of myself,

289
00:12:58,069 —> 00:13:01,281
and not only do I look good,
I fucking feel good.

290
00:13:01,322 —> 00:13:02,615
Me too, bitch.

291

00:13:12,125 —> 00:13:14,085
{\an8}[Sam]
Season one, we were going

292
00:13:14,127 —> 00:13:17,964
for like a real kind of cocaine
manic energy to it.

293
00:13:18,006 —> 00:13:19,257
[crew] Cameras and mark.

294
00:13:19,299 —> 00:13:22,427
[Sam] Season two,
it gets a little darker.

295
00:13:23,469 —> 00:13:25,138
-Rue! Rue!
-I can't do this.

296
00:13:25,179 —> 00:13:26,597
-[car horns honking]
-I'm sorry, Mom, I can't.
I can't do it.

297

00:13:26,639 —> 00:13:27,724

-Rue, get back in the car!

-I'm sorry.

298

00:13:27,765 —> 00:13:28,933

-Rue!

-Oh, God!

299

00:13:28,975 —> 00:13:30,476

-[car horns honking]

-[tires screeching]

300

00:13:33,438 —> 00:13:36,274

[Sam] We wanted to create

a certain sort of roughness

301

00:13:36,316 —> 00:13:38,484

and a darkness to it,

because season two,

302

00:13:38,526 —> 00:13:41,946

we're leaving

the magical part behind

303
00:13:41,988 —> 00:13:44,824
and we're entering
the depths of addiction.

304
00:13:44,866 —> 00:13:48,077
I kept seeing it like a memory
that was fading away,

305
00:13:48,119 —> 00:13:49,746
that— that there was like
a darkness

306
00:13:49,787 —> 00:13:51,164
on the edge of the frames

307
00:13:51,205 —> 00:13:53,374
that was eclipsing
the characters.

308
00:13:54,375 —> 00:13:56,294
Let's fucking do this.

309

00:13:57,128 —> 00:13:58,838

[Marcell] It's a totally

different approach.

310

00:13:59,714 —> 00:14:03,009

It was more of like an

adult look at teenage-hood...

311

00:14:03,051 —> 00:14:04,260

I raised you!

312

00:14:04,302 —> 00:14:05,428

[Marcell]

...rather than teenagers

313

00:14:05,470 —> 00:14:06,637

talking about themselves.

314

00:14:06,679 —> 00:14:08,389

And you do not

fucking scare me!

315

00:14:10,266 —> 00:14:12,435
Season one and season two,
we were very subjective.

316
00:14:12,477 —> 00:14:14,312
We were inside
the characters' heads.

317
00:14:14,354 —> 00:14:15,772
Gracias, mi amigos!

318
00:14:15,813 —> 00:14:17,607
-[man] Sí! Sí!
-[Rue laughing]

319
00:14:17,607 —> 00:14:20,151
[Sam] Season three
is sort of like a—

320
00:14:20,193 —> 00:14:23,363
an Old Testament-inspired
Western.

321

00:14:23,404 —> 00:14:25,823
[♪ Western music playing]

322
00:14:25,865 —> 00:14:28,993
I wanted us to be not inside
their heads anymore,

323
00:14:29,035 —> 00:14:32,497
but outside, observing them
in the world.

324
00:14:34,665 —> 00:14:37,168
They're out of high school
and they're in the Wild West.

325
00:14:38,419 —> 00:14:40,630
There's no safety net.

326
00:14:40,671 —> 00:14:43,299
No one's gonna
come save them.

327
00:14:43,341 —> 00:14:45,843

It's a wide-open world
and anything can happen.

328
00:14:45,885 —> 00:14:48,513
{\an8}You walk up into my house,

329
00:14:48,554 —> 00:14:50,807
{\an8}dance with my girls,

330
00:14:50,848 —> 00:14:52,975
and you don't even
introduce yourself.

331

497

00:22:14,959 —> 00:22:16,794

{\an8}Any time there's hand-wringing,

498
00:22:16,836 —> 00:22:18,754
{\an8}sometimes a sign
of something good to come.

499
00:22:18,796 —> 00:22:20,673
{\an8}There should be hand-wringing,
there should be worry,

500
00:22:20,714 —> 00:22:25,177
because it means you're doing
something dangerous or new.

501
00:22:26,220 —> 00:22:27,930
{\an8}When I wrote a review
for NPR.org,

502
00:22:27,972 —> 00:22:29,431
{\an8}and I used the phrase,

503
00:22:29,473 —> 00:22:32,101
"Euphoria is a parent's

worst nightmare."

504
00:22:32,142 —> 00:22:33,769
I think people
who watch the show

505
00:22:33,811 —> 00:22:35,312
knew exactly what
I was getting at.

506
00:22:35,354 —> 00:22:38,065
It's the idea
that these teenagers

507
00:22:38,107 —> 00:22:40,442
have sort of this secret life

508
00:22:40,442 —> 00:22:44,029
that the adults in their life
are mostly unaware of,

509
00:22:44,071 —> 00:22:48,617
and it's a life that is filled

with explicit behavior, uh,

510
00:22:48,659 —> 00:22:51,537
that, of course, parents would
hope their kids were not doing.

511
00:22:54,373 —> 00:22:56,709
[Hunter Harris]
A lot of people were saying
it's like romanticizing

512
00:22:56,750 —> 00:22:59,211
or glamorizing drugs,
and alcohol,

513
00:22:59,253 —> 00:23:00,963
and sex, and partying,
and all of this stuff.

514
00:23:01,005 —> 00:23:02,715
-And I'm like...
-Fuck!

515

00:23:02,756 —> 00:23:04,300
...I'm sorry, were we watching
the same show?

516
00:23:04,341 —> 00:23:06,343
[sobbing] I just wanna die!

517
00:23:06,385 —> 00:23:08,470
[Hunter Harris] It makes all
of these things look terrible.

518
00:23:08,512 —> 00:23:09,847
It makes being a teenager

519
00:23:09,889 —> 00:23:11,515
look like a terrible time,
which it honestly is.

520
00:23:11,557 —> 00:23:13,559
You did this to me!

521
00:23:17,354 —> 00:23:20,149
[Sam] There were so many

responses to it.

522
00:23:20,190 —> 00:23:23,652
Parent Television Council
was upset with us.

523
00:23:23,694 —> 00:23:25,237
People from the religious
community upset with us,

524
00:23:25,279 —> 00:23:27,323
from the left, from the right.

525
00:23:27,364 —> 00:23:29,992
Across the board,
there was an enormous amount

526
00:23:30,034 —> 00:23:31,994
-of kind of pushback.
-Get off of me!

527
00:23:32,036 —> 00:23:34,163
[Sam] You kinda go,

we don't create characters

528
00:23:34,204 —> 00:23:36,832
by like, you know, a composite

529
00:23:36,874 —> 00:23:40,753
of every single
Gen Z person in the world.

530
00:23:40,794 —> 00:23:43,088
We're not trying to tell
a story that's representative

531
00:23:43,130 —> 00:23:44,924
of all teenagers.

532
00:23:44,965 —> 00:23:47,718
We're telling it about these
specific, unique characters,

533
00:23:47,760 —> 00:23:50,763
these sort of misfits,
and fuck-ups, and outsiders.

534

00:23:51,138 —> 00:23:53,098

{\an8}Oh, shit, that's the girl

who tried to commit suicide

535

00:23:53,140 —> 00:23:55,184

{\an8}-at McKay's.

-[both] Wait, what?

536

00:23:55,225 —> 00:23:58,228

{\an8}Oh, yeah, I forgot.

You guys both was fucking.

537

00:23:59,355 —> 00:24:00,940

[Dr. Judith Joseph]

Critics and parents who say

538

00:24:00,981 —> 00:24:02,358

that this

is hard to watch,

539

00:24:02,399 —> 00:24:05,027

{\an8}I— I can validate

that it is hard to watch.

540
00:24:05,069 —> 00:24:07,279
But it's necessary
to talk about these things.

541
00:24:07,321 —> 00:24:09,531
There used to be this thinking
that, like, if you talk

542
00:24:09,573 —> 00:24:11,450
about substance use,
they're gonna use drugs.

543
00:24:11,492 —> 00:24:13,202
If you talk about sex,
they're gonna have sex.

544
00:24:13,243 —> 00:24:15,621
But we now know that
that's not the case.

545
00:24:15,663 —> 00:24:17,581

Rue, why'd you call me?

546
00:24:17,623 —> 00:24:20,042
I didn't really have
anybody else to call.

547
00:24:20,084 —> 00:24:22,878
[Judith]
When you actually talk
about these issues,

548
00:24:22,920 —> 00:24:24,880
without judgment,
without stigma,

549
00:24:24,922 —> 00:24:26,882
openly, and you're curious,

550
00:24:26,924 —> 00:24:30,970
that actually decreases
risky behavior.

551
00:24:31,011 —> 00:24:34,723

{\an8}I think the show is bigger than
just its sort of sexual quality.

552
00:24:34,765 —> 00:24:36,934
It is about people
trying to find their voice

553
00:24:36,976 —> 00:24:39,228
and find agency
over their body,

554
00:24:39,269 —> 00:24:42,022
and figuring out what we
all have proclivities towards.

555
00:24:42,606 —> 00:24:44,942
Let me know when you wanna
stop trying to kill yourself.

556
00:24:44,984 —> 00:24:48,779
Sam is an expert provocateur
as a filmmaker.

557

00:24:48,821 —> 00:24:51,615
He is often presenting
the audience

558
00:24:51,657 —> 00:24:53,909
with images that challenge
them.

559
00:24:53,951 —> 00:24:55,452
-Five!
-[Eric] That's one reason

560
00:24:55,494 —> 00:24:57,413
-why people...
-Four!

561
00:24:57,454 —> 00:24:59,123
...respond to Sam so strongly.

562
00:24:59,164 —> 00:25:01,834
Three!
-[Eric] It's so obvious
that Euphoria...

563

00:25:01,875 —> 00:25:03,919

-Two!

-...is a creation of his vision.

564

00:25:03,961 —> 00:25:06,005

-One. Boom!

-[both gasp]

565

00:25:06,046 —> 00:25:07,631

You a cold motherfucker.

566

00:25:07,673 —> 00:25:09,299

[gunshot]

567

00:25:09,341 —> 00:25:12,469

{\an8}This business, it becomes

personal in a way.

568

00:25:13,470 —> 00:25:16,265

You have to

accept criticism...

569

00:25:16,306 —> 00:25:18,475
-[knocking]
-...as part of the world
you're in.

570
00:25:18,517 —> 00:25:20,102
Are you okay?

571
00:25:20,144 —> 00:25:21,937
You're so fucking stupid, Lexi.

572
00:25:21,979 —> 00:25:24,648
He's dealing with something
that he knows very well.

573
00:25:27,526 —> 00:25:29,111
He's writing the characters

574
00:25:29,153 —> 00:25:30,612
with all of their
vulnerability...

575
00:25:30,654 —> 00:25:32,698

[sobbing] I really need
to come home, Mom.

576
00:25:33,782 —> 00:25:35,951
[Barry Levinson]
...and pushing, you know,
the envelope...

577
00:25:35,993 —> 00:25:37,327
-Bang!
-[actors gasp]

578
00:25:37,369 —> 00:25:38,954
...to that world.

579
00:25:38,996 —> 00:25:42,541
He's never looking for
the shock value of something.

580
00:25:42,583 —> 00:25:45,461
He's looking for the situation

581
00:25:45,461 —> 00:25:49,715

that exposes and embellishes
a character and a behavior

582
00:25:49,757 —> 00:25:53,260
to the darker side
or to the lighter side,

583
00:25:53,302 —> 00:25:55,471
which hadn't been done much
in terms

584
00:25:55,512 —> 00:25:57,264
of high school films
we've seen.

585
00:25:58,265 —> 00:26:00,309
That was the noise
that he made

586
00:26:00,350 —> 00:26:02,186
and the risk
that he wanted to take.

587

00:26:02,227 —> 00:26:03,353
[doctor] All done.

588
00:26:03,395 —> 00:26:04,980
[Barry]
You're never going to appeal

589
00:26:05,022 —> 00:26:07,024
to all the people all the time.

590
00:26:07,066 —> 00:26:08,108
[smacking]

591
00:26:09,526 —> 00:26:10,861
You move past that

592
00:26:10,903 —> 00:26:13,572
and— and you just get on with
the work of the day.

593
00:26:14,782 —> 00:26:16,575
[multiple reporters]
We have a warning about

a new show pushing...

594
00:26:16,617 —> 00:26:18,327
-It's called Euphoria.
-This is the real deal.

595
00:26:18,368 —> 00:26:19,995
And it's targeted to teens.

596
00:26:20,037 —> 00:26:22,206
Creator Sam Levinson
remained committed

597
00:26:22,247 —> 00:26:23,916
to making an exceptional
third season.

598
00:26:23,957 —> 00:26:25,334
This might not be
the show for you.

599
00:26:25,375 —> 00:26:28,378
[Sam] What was exciting

is all of those responses

600
00:26:28,420 —> 00:26:31,006
sort of fueled
all these other responses.

601
00:26:31,048 —> 00:26:32,674
So, it became this thing

602
00:26:32,674 —> 00:26:35,385
that continued
to generate conversation.

603
00:26:36,887 —> 00:26:38,472
{\an8}Let's get the fuck outta here.

604
00:26:39,556 —> 00:26:40,641
{\an8}-Come on.
-[laughing]

605
00:26:41,558 —> 00:26:43,227
[Sam]
As a filmmaker, the only goal

606

00:26:43,268 —> 00:26:46,021

is you wanna tell

a great, entertaining story,

607

00:26:46,063 —> 00:26:48,107

and you want people

to talk about it.

608

00:26:48,899 —> 00:26:49,900

Oh, my fucking God.

609

00:26:49,942 —> 00:26:51,401

-What?

-That's him.

610

00:26:51,443 —> 00:26:52,903

[Sam] Everyone's gonna

have a different opinion.

611

00:26:52,945 —> 00:26:54,363

That's the beauty of it all.

612

00:26:54,363 —> 00:26:56,031

You just want to make sure

you're continuing

613

00:26:56,073 —> 00:26:57,616

to engage

the audience.

614

00:26:57,658 —> 00:26:58,784

[all laughing]

615

00:26:58,826 —> 00:27:00,702

I'm a burden,

and it is what it is.

616

00:27:00,744 —> 00:27:02,746

And it's embarrassing

and it's stupid, but, um,

617

00:27:02,788 —> 00:27:04,540

it's true, so I'm sorry.

618

00:27:04,581 —> 00:27:06,250
[Sam] You know, we were like
a controversial

619
00:27:06,291 —> 00:27:07,751
bad kid kinda show.

620
00:27:07,793 —> 00:27:10,921
And the Emmy goes to...

621
00:27:11,421 —> 00:27:13,257
Zendaya, Euphoria.

622
00:27:13,298 —> 00:27:15,300
[cheering and applause]

623
00:27:17,761 —> 00:27:19,388
[Sam] When Zendaya
won that Emmy,

624
00:27:19,388 —> 00:27:22,057
I mean, it was just like
an explosion of emotion.

625

00:27:22,099 —> 00:27:24,143

All the work,

all the preparation.

626

00:27:24,726 —> 00:27:26,562

[Sam] You know,

I-I remember I was at home

627

00:27:26,603 —> 00:27:28,105

with Ash, my wife.

628

00:27:28,147 —> 00:27:30,232

I mean, we just looked

at each other

629

00:27:30,274 —> 00:27:31,775

and just started crying.

630

00:27:31,817 —> 00:27:33,902

To the incredible cast

and crew of Euphoria,

631

00:27:33,944 —> 00:27:36,155

um, I'm so lucky to go

to work with you every day,

632

00:27:36,196 —> 00:27:38,615

and I'm inspired

by everything you do.

633

00:27:38,657 —> 00:27:40,075

And we both started sobbing

634

00:27:40,117 —> 00:27:42,286

because it was this

beautiful validation.

635

00:27:42,327 —> 00:27:45,247

And Sam realized there's a lot

more story he wanted to tell,

636

00:27:45,289 —> 00:27:47,416

and that was the birth

of season two.

637

00:27:47,457 —> 00:27:48,750

[Zendaya laughing]

638

00:27:48,792 —> 00:27:50,669

[cheering and applause]

639

00:27:54,798 —> 00:27:56,258

[Sam] After season one,

640

00:27:56,300 —> 00:27:58,260

there was a certain momentum

with the show,

641

00:27:58,302 —> 00:28:00,429

and we were eager

to get back to work.

642

00:28:00,470 —> 00:28:03,307

We were a day away from starting

production on season two

643

00:28:03,348 —> 00:28:06,643

when COVID hit
and shut us down.

644
00:28:08,312 —> 00:28:10,314
We wanted to get
everyone working again,

645
00:28:10,355 —> 00:28:12,191
so I talked to HBO.
They said, "Fine,

646
00:28:12,232 —> 00:28:14,359
you can go shoot
an episode for five days."

647
00:28:14,401 —> 00:28:16,486
So, I said, okay, well,
what story can I tell
in five days?

648
00:28:17,988 —> 00:28:21,116
Whatever limitations
or restrictions we had,

649

00:28:21,116 —> 00:28:23,118

as a filmmaker,

you just gotta work around.

650

00:28:23,994 —> 00:28:26,663

We ended up building

these character portraits

651

00:28:26,705 —> 00:28:30,500

of two individuals at sort of

different places

in their lives,

652

00:28:30,542 —> 00:28:33,754

how they see each other,

and how they see themselves.

653

00:28:35,756 —> 00:28:37,633

The first one

that came to mind

654

00:28:37,674 —> 00:28:40,510

was just Ali and Rue

sitting at a diner talking.

655
00:28:41,637 —> 00:28:44,473
I had written like the first,
I think 15 pages.

656
00:28:44,514 —> 00:28:46,642
It was supposed to go
in an episode in season two,

657
00:28:46,683 —> 00:28:49,519
and I just started to run
with the idea

658
00:28:49,561 —> 00:28:52,105
of, well, what if we just
never leave the diner?

659
00:28:52,522 —> 00:28:54,650
D and E, camera mark.

660
00:28:55,525 —> 00:28:58,403
[Sam] Two misfits, in a way,

sitting at a diner,

661
00:28:58,445 —> 00:29:01,531
talking about what addiction
has cost them in their lives.

662
