And heartburn!

534
00:07:08,000 —> 00:07:09,000
Woman: I'm an expert.

535
Going in the sun is as dangerous as smoking, or living
too near a nuclear power station.

536
00:07:09,000 —> 00:07:10,000
Surfer dude: Oh no! Not chemo again!

537
00:07:10,000 —> 00:07:11,000
Man: No! Never again! With Tropicarcinoma!

538
00:07:11,000 —> 00:07:12,000
Woman 2: Keep out the sun's dangerous rays with Tropicarcinoma!
It's a unique
blend of cocoanut oil, zinc, aluminum, boron, magnesium, and other volatile
metals that neutralize the sun's rays and form a chemical shield that's just

great for the skin.

539

And the I.Q.! Try Tropicarcinoma!

540

00:07:12,000 —> 00:07:13,000

Man 2: I’m a lifeguard, and I love Tropicarcinoma!

I even coat my eyeballs

and digestive tract.

541

I’m white as a sheet and shooting blanks!

I feel great

about myself!

And that’s important!

542

00:07:13,000 —> 00:07:14,000

Woman 3: A friend of mine asked me, "why spend time in the sun if it’s

dangerous, and you don’t want a tan?"

543

I just laugh, and try not to think about

it.

544

00:07:14,000 —> 00:07:15,000

Woman 2: Tropicarcinoma. Give the sun a challenge!

545

00:07:16,000 —> 00:07:17,000

—Ultimate Disc in the Dark—

546

00:07:17,000 —> 00:07:18,000

Man 1: In darkness, you only have your nocturnal instincts to rely on.

547

00:07:18,000 —> 00:07:19,000

Man 1: Ultimate disc on the dark!

The electric, stimulating new game that's

sweeping the city of San Fierro!

548

It's a non-contact, contact sport where you

throw a flying disc in the dark!

549

00:07:19,000 —> 00:07:20,000

Man 2: I got it!

550

00:07:20,000 —> 00:07:21,000

Man 3: Ooh, get him! Nail his ass!

551

00:07:21,000 —> 00:07:22,000

Man 1: It's a new competitive sport for the uncompetitive!
An aggressive,
action-packed game for those who love nature and living on the edge.

552
It's
harder than football!

553
It's faster than rugby!
It's about throwing a plastic
disc and catching it! Pitch, then catch!

554
Run to the goal and score!
Ultimate
disc in the dark!

555
Just like a real sport, only we made it up!
And it has a
great social side.

556
00:07:22,000 –> 00:07:23,000
Man 4: Oh my God. What team are you on?

557
00:07:23,000 –> 00:07:24,000

Man 5: I’m on the other team!

558

00:07:24,000 —> 00:07:25,000

Man 4: Me too! Ah! Take that, silly!

559

00:07:25,000 —> 00:07:26,000

Man 1: If you catch it, you gotta know what to do with it!

Some will struggle.

Some will submit. And everyone is laughing!

560

But it’s your quest to come out

on top.

This is a great excuse for some serious fun and a way to meet people

like you- and never see them again.

561

Late games begin every night in San Fierro

Civic Park.

Or, start your own game!

562

And, because it's at night, it's not too

embarassing to play a strip version!

563

Come play Ultimate Disc in the Dark!

566

00:07:28,000 —> 00:07:29,000

Man: It's a career that lasts a lifetime.

A career where you're -always- on

the winning team.

567

Put your skills to work- in the military.

568

00:07:29,000 —> 00:07:30,000

(sound of jet)

569

00:07:30,000 —> 00:07:31,000

Man 2: I was on the streets, in a gang shooting people and running drugs.

570

Now, I'm making something of myself.

I kill people and run drugs for the CIA.

571

00:07:31,000 —> 00:07:32,000

Man 1: In this job, you not only help yourself, you help your country.

572

Only in

the military would a teenager be given responsibilities like driving a nuclear submarine, maneuvering a tank, or dropping high-ordinance explosives.

573

Make a

change for yourself- in the military.

574

00:07:32,000 —> 00:07:33,000

(sound of jet)

575

00:07:33,000 —> 00:07:34,000

Man 3: I was in college constantly getting into pointless fights I didn't understand about nebulous concepts and belief systems.

576

I got tired of arguing

about what's right. So I dropped out of college and joined up.

577

Now, I -know-

I'm right... in the military!

578

00:07:34,000 —> 00:07:35,000

Man: Learn confidence!

579

00:07:35,000 —> 00:07:36,000

Man 4: I was having fantasies about stabbing people.

580

Now, I can do it for my

country!

581

00:07:36,000 —> 00:07:37,000

Man: Live the military life.

Positions are unexpectedly vacant every day!

In fact,

582

I'm about to give up my well-paying job as a voiceover actor in order

to sign up and be shouted at by a lot of sexually-confused skinheads!

583

I want

excitement, and what could be more exciting than shitting yourself while

getting shot at in the jungle?

584

Certainly beats sitting in this booth all day!

Be number one- turn your life around. In the military!

than a tiger?

589

Do you whack off in your minivan while listening to teen pop?

00:07:42,000 —> 00:07:43,000

Why not enjoy it while you have the

chance?

What's holding you back?

594

Man (in flashback): Until death do us part...

607

Man: Gosh, I remember that day like it was yesterday.

Jennifer looked so

beautiful... I knew I'd love her forever.

608

And then... she was driving along a

canyon, and her brakes went out.

609

00:07:50,000 —> 00:07:51,000

Life can be uncertain, and you never know when your wife will be tragically

taken away.

612

Crimson set me up with a huge life insurance policy on my wife.

I can't have her back, but now I have a second home.

613

00:07:53,000 —> 00:07:54,000

Man 2: I was devastated when I found out my wife was cheating on me.

And even

more so when she fell underneath the train!

614

I was nowhere near at the time and

my phone records proved that.

My life changed forever.

615

00:07:54,000 —> 00:07:55,000

a nanny to do the job.)

620
00:08:00,000 —> 00:08:01,000
Woman: Having a child was the most miraculous thing I've ever experienced.
When Ken and I left the hospital,

621
I was glowing. But, after a few months, the
novelty wore off.
The screaming! The diapers! Blah!

622

Let's face it- nobody

has time to raise a kid.

623

00:08:01,000 —> 00:08:02,000

Man: I realized after my third child, I hated kids.

It's not like you can

legally kill them anymore!

We're at our wits end!

624

00:08:02,000 —> 00:08:03,000

Woman: I'm miserable.

Raising a child has cut into my life of going shopping,

taking exercise classes, and sleeping with my husband's friends.

What do I do?

638

00:08:11,000 —> 00:08:12,000

(Note 2- Many casinos in the early 90s were trying to make their places more family friendly, to attract a bigger crowd, something this commercial spoofs.)

But have you

taught them how to have fun?

643

For family entertainment that doesn't stop, head

over to the Starfish Resort and Casino in Las Venturas.

644

650

Boy (giggles): Yeah, guns!

651
00:08:21,000 —> 00:08:22,000
Man: Time is meaningless in the land of tomorrow.

652

667

Woman: Tonight, and every night, your luck is in town at the Crazy Cock.

Where

668

00:08:36,000 —> 00:08:37,000

Candy: Come on boys, I'm waiting for a gentleman like you.

669

00:08:37,000 —> 00:08:38,000

Woman: That's right, Candy wants to fake (frig?) herself for money and make you

feel exactly what you're not- a lady killer!

670

It's the gentleman's choice. And

a lady -always- loves to be noticed.

671

00:08:38,000 —> 00:08:39,000

Man: Woo-wee! Titties! What could be more gentlemanly than staring at

silicone breasts while my wife is playing slot machines?

672

00:08:39,000 —> 00:08:40,000

Candy: Nothing.

673

00:08:40,000 —> 00:08:41,000

Man 2: I'm here for a conference. What about my colleagues?

674

00:08:41,000 —> 00:08:42,000

Candy: I'll make you all feel special, one after the other. Just give me money.

675

00:08:42,000 —> 00:08:43,000

Woman: Yes, bring your clients!

676

After all, once they see how drunk and horny

you get over a pair of fake bazookas, they're sure to take your professional input seriously. What gentleman wouldn't?

Man 2 (in background): Yes!

708

00:09:09,000 —> 00:09:10,000

Man: Whichever side you crave.

Pick up a Zebra bar and let the chocolate melt

in your mouth.

709

00:09:10,000 —> 00:09:11,000

(wolf howl)

710

00:09:11,000 —> 00:09:12,000

Chorus: Zebra!

711

00:09:12,000 —> 00:09:13,000

Whisper: Zebra!

712

00:09:14,000 —> 00:09:15,000

—Proposition 832— (B.I.G.O.T.)

713
00:09:15,000 —> 00:09:16,000
(sound of honking horns)

714
00:09:16,000 —> 00:09:17,000
Man: Having trouble finding a place to park?
Notice the lines are longer at
the food store?

715
Nineteen million illegal aliens live in this country, most of
them in San Andreas.

716
00:09:17,000 —> 00:09:18,000
("America the Beautiful" plays in background)

717
00:09:18,000 —> 00:09:19,000
Our organization is Ban Immigration Green Cards Outright Today.

718
Let's preserve
the status quo in our favor.

719

Vote "yes" on Proposition 832.
Illegal aliens do
a valuable job packing groceries and caring for your lawn.

720
But they should
learn- America is not a land of handouts.

721
While they’re illegal, they have no
rights! They have no status! They have no expectations!

722
And, they’re happy
to be here! It’s a win-win for America.

723
If we give them green cards, soon
they’ll be just like us- overweight, unhappy, and too lazy to do menial tasks.
Vote "yes" on Proposition 832.

724
00:09:20,000 –> 00:09:21,000
–Grin–

725
00:09:21,000 –> 00:09:22,000
(sound of glass breaking)

726

00:09:22,000 —> 00:09:23,000

Boy 1: Mom, Josh just broke the vodka bottle on your nightstand!

727

00:09:23,000 —> 00:09:24,000

Boy 2: Chris did it!

728

00:09:24,000 —> 00:09:25,000

Mom: You little shits! I'll kill you!

729

00:09:25,000 —> 00:09:26,000

Man: Raising a family in the suburbs is tough.

730

Especially when you used to be

a hip, single woman on her own in a cool enclave of town.

731

With today's

stresses, it's difficult to maintain a loving, exploratory sex relationship

with your husband, and counter the temptations to kill your own children.

732

00:09:26,000 —> 00:09:27,000

Mom: I love my family! What can I do?

733

00:09:27,000 —> 00:09:28,000

Man: Sometimes you need a helping hand.

Send the right message about values

and character with Grin.

734

Grin readjusts your brain chemistry in a completely

safe way.

735

00:09:28,000 —> 00:09:29,000

Mom: I hated my life. Now, I love my minivan.

Instead of spending time with

friends, I work on the house.

736

The earth is bipolar- I am too! Grin keeps me

at the equator.

Primitive, sunny, and always feeling hot.

737

00:09:29,000 —> 00:09:30,000

Man: Grin! It's scientifically formulated by science to help cure the anxiety,

depression, and lack of self-confidence that comes with living a new life in

the suburbs.

738

It's safe and non-addictive.

After all, what could be

habit-forming about a pill that makes you feel better all of the time?

739

If you're feeling like nothing matters, unemotional, and gaining weight, why not

regain your confidence with Grin?

740

Woman: Hello?

743

00:09:34,000 —> 00:09:35,000

Man: Ah, hey... it's me, Jonathan.

744

00:09:35,000 —> 00:09:36,000

Woman: I don't know a Jonathan.

745

00:09:36,000 —> 00:09:37,000

Man: Yeah, that's the name they gave me at the orphanage after you put me up for adoption. How could you give me away?

746

00:09:37,000 —> 00:09:38,000

Man 2: Bring the family together again.

747

00:09:38,000 —> 00:09:39,000

(sound of phone dialing)

748

00:09:39,000 —> 00:09:40,000

Man 2: San Andreas Telephone. For those -difficult- conversations.

749

—Law— (AO-440)

750

00:09:42,000 —> 00:09:43,000

Man: Sometimes the law is not enough.

751

00:09:43,000 —> 00:09:44,000

Lawyer 1: Did you file the subpoena in the McPherson case?

752

00:09:44,000 —> 00:09:45,000

Lawyer 2: Nah, it wasn't urgent. I filed an AO-440.

753

00:09:45,000 —> 00:09:46,000

Lawyer 1: AO-440?!?

754

00:09:46,000 —> 00:09:47,000

Lawyer 2: I know, I know. So I went shopping for these loafers...

755

00:09:47,000 —> 00:09:48,000

Lawyer 3: Anyone got a stapler? I got a lot of forms, and there's a slight breeze in here!

756

00:09:48,000 —> 00:09:49,000

Man: Law. Because paperwork is dramatic.

757

Catch it Thursdays on WESL (weasel),

761
00:09:52,000 –> 00:09:53,000

Man 2: Man I see this cat all the time... man his hair be fly!

So I had to

grab him an' I say 'look here, homey, how you get your hair all greasy an' fly

n’ shit like that?’

772

He told me ‘bout Lustrious.

I said ‘well look here, man,

774

He looked me dead in my eye, and was like ‘look here, brother, you got

how much men like breasts!

791

Can you imagine how wild they'll go for udders?

792

00:10:10,000 —> 00:10:11,000

00:10:18,000 —> 00:10:19,000

Woman 3: You may not know it, but this happens to every man at least twice a day.

802

If you're balding, you might as well kiss sex goodbye.

Even if you're 16

and have a full head of hair, women can tell if you're going to go bald.

803

And

that spells trouble.

Let's face it- women hate bald men, except basketball

players.

804
00:10:19,000 —> 00:10:20,000
What causes baldness?

805
Don’t take this the wrong way, but the explanation may
be downstairs.

806
It’s bald, and it wants you to be, too.

807
Through a partially
scientific study, doctors have determined that an abundance of testosterone
causes baldness.

808
And let’s be honest- who needs testosterone?
Now science
brings you Castrodone.

809
Castrodone goes to the glands that produce
testosterone, and kills them, protecting your hair and saving your sex life.

810
00:10:20,000 —> 00:10:21,000

Within a few days, you'll notice a big difference.
You'll begin to look and
feel different.

811
If you're willing to do anything to prevent the unspeakable
from happening to you, take Castrodone.
Remember, baldness, is loneliness.

812

Woman: I don't care... pump it!

818

(sound of air pumping, then explosion)

819

00:10:28,000 —> 00:10:29,000

Woman: (sighs with pleasure)

820

00:10:29,000 —> 00:10:30,000

821

00:10:30,000 —> 00:10:31,000

Woman: Pump it!

822

00:10:31,000 —> 00:10:32,000

Man: I need to get more from life. Much more! I need get high, really high! High on air!

823

00:10:32,000 —> 00:10:33,000

824

00:10:33,000 —> 00:10:34,000

Man: Oh yeah! These Eres shoes really pump up!

825

00:10:34,000 —> 00:10:35,000

Man 2: That's right! You can now buy some air! The science of sports and marketing results in a shoe that pumps! Sound silly to you? What if we told you that Eres Pump-Up would improve your game by 300 percent?

826

00:10:35,000 —> 00:10:36,000

Man: But I don't have a game!

827

00:10:36,000 —> 00:10:37,000

(background music stops)

828

00:10:37,000 —> 00:10:38,000

Woman: You gotta have game! Be a winner!

829

00:10:38,000 —> 00:10:39,000

Man 2: Pump up, and slam dunk!

830

00:10:39,000 —> 00:10:40,000

(sound of air pumping, then turntable scratching)

831

00:10:40,000 —> 00:10:41,000

Man: Oh yeah!

832

00:10:41,000 —> 00:10:42,000

Woman: God, the size of your shoes!

833

00:10:42,000 —> 00:10:43,000

Man 2: You'll shave seconds off your personal best!

834

00:10:43,000 —> 00:10:44,000

Man: Oh yeah! You mean I can whack off even more times a day?

835

00:10:44,000 —> 00:10:45,000

Woman: Pump it...

836

00:10:45,000 —> 00:10:46,000

Man 2: Absolutely! Probably five times more! Because you'll be walking on air! You'll feel so much more athletic after pumping up your shoes, you'll automatically lose weight and feel high-tech! Just like a sports star! You -are- a star!

837

00:10:46,000 —> 00:10:47,000

Woman: Now you're a winner! With air in his shoes!

838

00:10:47,000 —> 00:10:48,000

Woman: Him and his commemorative miniatures.
My husband was getting so bored
working, and he didn't have an interest to spend money on.

884
But he's always
loved history.
Then I heard about grown men who like to play with toy
soldiers!

885
00:11:33,000 —> 00:11:34,000
Man: War is so interesting!
With commemorative miniatures I began by
faithfully rebuilding the Charge of the Light Brigade, and after that, the

886
Trail of Tears!
I've built accurate recreations of fifteen significant
battles, as well as training camps, prisoner-of-war camps, and forced-labor
death camps!

887
Now I spend all my time painting toy soldiers and attending
conventions! (makes gunshot sound)

They’re instantly collectible, and a great
value. For just 37 monthly payments of $19.99, you get a starter pack allowing
you to recreate the battle of your choice.

889
Show your inability to deal with
present day problems by recreating scenes of mass slaughter from the past!

890
00:11:35,000 —> 00:11:36,000
Woman: Reenacting battles is great for your marriage, too!
One night, my
husband is General Custer. The next, Napoleon.
On Saturdays, (in fake Asian

I’m a Cambodian villager, and he’s a GI (normal voice) that has his way
with me.

892
00:11:36,000 —> 00:11:37,000
Man: (chuckles) And then I kill her!

893
00:11:37,000 —> 00:11:38,000
