Dialogues from GTA San Andreas: WCTR Radio to improve the vocabulary in English

1

00:00:00,000 —> 00:00:01,000

"Opinions are free, which is why

we're here.

2

00:00:01,000 —> 00:00:02,000

It's news and talk that our

sponsors agree on.

3

00:00:02,000 —> 00:00:03,000

WCTR." Up next, it's Area 53 and

Marvin Trill broadcasting live from

4

00:00:03,000 —> 00:00:04,000

his trailer in the desert. "new

planet found in space, is it

5

00:00:04,000 —> 00:00:05,000

really a planet or a decoy put up

to confuse us?

6
00:00:05,000 —> 00:00:06,000
Ghosts, time travel, and the
flushing toilet. Which way did
Newton's toilet

7
00:00:06,000 —> 00:00:07,000
spiral? And finally, are women made
from sand?

8
00:00:07,000 —> 00:00:08,000
We explore deeper and get to the
truth.

9
00:00:08,000 —> 00:00:09,000
I'm Marvin Trill. This is Area 53.
Hello.

10
00:00:09,000 —> 00:00:10,000
You're on the line. Yeah, hi. I'm a
truck driver and listen

11

00:00:10,000 —> 00:00:11,000
to your show all the time. I see a
lot of unexplained

12
00:00:11,000 —> 00:00:12,000
phenomena out there, especially in
restrooms. I agree with you about
the

13
00:00:12,000 —> 00:00:13,000
moon. We never landed on the moon.
It's such a good fake.

14
00:00:13,000 —> 00:00:14,000
Remember, the Russians, our
archenemy still, I might add, them
and the

15
00:00:14,000 —> 00:00:15,000
Australians and some species of
dog, they beat us into space.

16
00:00:15,000 —> 00:00:16,000
The only thing the Russians are

shooting into space are hot dogs

17
00:00:16,000 —> 00:00:17,000
and monkeys. Kind of a Noah's Ark
fast food kind of vibe.

18
00:00:17,000 —> 00:00:18,000
Hey, my dead aunt could make a
better space station than them.

19
00:00:18,000 —> 00:00:19,000
Intriguing. I'd like to meet her.
On the conspiracy line, caller,
you're

20
00:00:19,000 —> 00:00:20,000
in Area 53. Do not use fluoride.
It's evil.

21
00:00:20,000 —> 00:00:21,000
It made me kill my doctor. Why
would we worry about a

22

00:00:21,000 —> 00:00:22,000
chemical that the government puts
into the water?

23
00:00:22,000 —> 00:00:23,000
Animals can now be trained to fly,
including several species of bird.

24
00:00:23,000 —> 00:00:24,000
Think about the military
applications. Hello, caller. Hi, my
name's Emmanuel.

25
00:00:24,000 —> 00:00:25,000
I'm really worried about hackers
sending a nuclear bomb after me,
you

26
00:00:25,000 —> 00:00:26,000
know, through the phones. Do you
think they can pinpoint my
location?

27
00:00:26,000 —> 00:00:27,000

Look, it's good for the economy to
live in constant fear.

28
00:00:27,000 —> 00:00:28,000
I mean, the phone company, they
have your name on the bill.

29
00:00:28,000 —> 00:00:29,000
They know your number. How do you
feel about that?

30
00:00:29,000 —> 00:00:30,000
I knew it. Hello, Julie from
Liberty City.

31
00:00:30,000 —> 00:00:31,000
You're on the line. A cowboy ghost
has been haunting my house.

32
00:00:31,000 —> 00:00:32,000
I want you to take off your blouse.

33
00:00:32,000 —> 00:00:33,000

Stand at the window. Stand there
for hours each night.

34
00:00:33,000 —> 00:00:34,000
Lure him in. Trapping rogue spirits
is dangerous work, especially
topless.

35
00:00:34,000 —> 00:00:35,000
Take lots of photographs. All
right, who's got a theory for me?

36
00:00:35,000 —> 00:00:36,000
Next. Hey, man, love the show. But
when are you guys going

37
00:00:36,000 —> 00:00:37,000
to start seeing the bigger picture?
We've been lied to, man.

38
00:00:37,000 —> 00:00:38,000
And guys like you don't help much.
You know, you're virtually one

39
00:00:38,000 —> 00:00:39,000
of them. You're not going to be
able to do anything.

40
00:00:39,000 —> 00:00:40,000
You're one of them. Soon you'll
know what I'm talking about.

41
00:00:40,000 —> 00:00:41,000
If people could please just attempt
to make sense, that's all I'm

42
00:00:41,000 —> 00:00:42,000
asking. Last night, as I was laying
in my pod meditating, and

43
00:00:42,000 —> 00:00:43,000
it occurred to me, why are you even
listening to me?

44
00:00:43,000 —> 00:00:44,000
Turn off all electrical devices,
including your radio.

45
00:00:44,000 —> 00:00:45,000
Hector in San Garcia, why are you
still listening?

46
00:00:45,000 —> 00:00:46,000
Because I was hoping you could
explain these noises.

47
00:00:46,000 —> 00:00:47,000
What noises? God, not you too. Now
think about the things we

48
00:00:47,000 —> 00:00:48,000
talked about today. Think.
Seriously, think. Can it be real?

49
00:00:48,000 —> 00:00:49,000
Can it be false? We'll see you next
time in Area 53.

50
00:00:49,000 —> 00:00:50,000
Be careful out..." there wherever

you are. That was Area 53.

51
00:00:50,000 —> 00:00:51,000
We're sorry. Man: Sometimes the law
is not enough.

52
00:00:51,000 —> 00:00:52,000
Lawyer 1: Did you file the subpoena
in the McPherson case?

53
00:00:52,000 —> 00:00:53,000
Lawyer 2: Nah, it wasn't urgent. I
filed an AO-440.

54
00:00:53,000 —> 00:00:54,000
Lawyer 1: AO-440?!? Lawyer 2: I
know, I know.

55
00:00:54,000 —> 00:00:55,000
So I went shopping for these
loafers... Lawyer 3: Anyone got a

56
00:00:55,000 —> 00:00:56,000

stapler? I got a lot of forms, and
there's a slight breeze

57
00:00:56,000 —> 00:00:57,000
in here! Man: Law. Because
paperwork is dramatic.

58
00:00:57,000 —> 00:00:58,000
Catch it Thursdays on WESL
(weasel), before it catches you.

59
00:00:58,000 —> 00:00:59,000
"Next up on WCTR, the news. We try
to make it interesting

60
00:00:59,000 —> 00:01:00,000
and not depressing." "This is
Leanne Forge, WCTR News.

61
00:01:00,000 —> 00:01:01,000
Foreigners are coming. Who are they
and why should we care?

62

00:01:01,000 —> 00:01:02,000
The FDA warns shampoo is killing
your unborn child.

63
00:01:02,000 —> 00:01:03,000
Plus, protests continue outside the
Zebra Bar Candy Company.

64
00:01:03,000 —> 00:01:04,000
Now for Traffic and Transit with
Richard Burns.

65
00:01:04,000 —> 00:01:05,000
That's right, Leanne. I'm Richard
Burns. The aftermath of the
devastating earthquake

66
00:01:05,000 —> 00:01:06,000
continues. Travel is still severely
restricted statewide. Officials say
there are still

67
00:01:06,000 —> 00:01:07,000
no reported casualties, which is

truly unfortunate as it makes for
incredibly

68
00:01:07,000 —> 00:01:08,000
boring news. The federal government
is still refusing aid to help
rebuild

69
00:01:08,000 —> 00:01:09,000
bridges, and everyone is blaming
each other. The governor is
threatening to

70
00:01:09,000 —> 00:01:10,000
bomb Australia. Despite scientific
proof, it wasn't their fault.

71
00:01:10,000 —> 00:01:11,000
Richard Burns, WCTR. Police say
gang trouble is on the rise again,

72
00:01:11,000 —> 00:01:12,000
especially in Los Santos. Sources
believe it is linked to the rising

73
00:01:12,000 —> 00:01:13,000
drugs trade, while others blame the
fascist pigs.

74
00:01:13,000 —> 00:01:14,000
Also in gang news, customs
officials report a huge influx of
Russian

75
00:01:14,000 —> 00:01:15,000
mobsters and gang members. The
governor has been using cheap
weapons since

76
00:01:15,000 —> 00:01:16,000
the fall of the wall. The
governor's office said everything
is okay.

77
00:01:16,000 —> 00:01:17,000
In Vinewood news, rapper Mad Dog
was celebrating the launch of his

78
00:01:17,000 —> 00:01:18,000
new clothing line. Richard caught
up with him.

79
00:01:18,000 —> 00:01:19,000
The thing about Mad Dog is, I'm
thinking about becoming a
superstar.

80
00:01:19,000 —> 00:01:20,000
I mean, you know, I've done
everything I can do in the

81
00:01:20,000 —> 00:01:21,000
rap game. I want shit hands down.
Nobody can handle me, you

82
00:01:21,000 —> 00:01:22,000
know? Lifetime champ, no shit. Can
I say shit?

83
00:01:22,000 —> 00:01:23,000
Oh, hey man, it's cool. That's

cool? Okay, no shit!

84
00:01:23,000 —> 00:01:24,000
I got clothes. I got labels. Coming
out, you know what I'm

85
00:01:24,000 —> 00:01:25,000
saying? I'm doing drinks. I got
shoes, tires, rims.

86
00:01:25,000 —> 00:01:26,000
Thinking, you know, next stage is
being a full-on superstar, you
know?

87
00:01:26,000 —> 00:01:27,000
I get to wear a tight suit. I nail
a lot of

88
00:01:27,000 —> 00:01:28,000
tail, you dig? You know what I do
in real life.

89

00:01:28,000 —> 00:01:29,000
Gotta get me a drink, though, right now, because I'm thirsty, you

90
00:01:29,000 —> 00:01:30,000
know? What a troubled man. Sounds like he should lay off the

91
00:01:30,000 —> 00:01:31,000
sauce. Also today, a Tourette's theater group banned from the park.

92
00:01:31,000 —> 00:01:32,000
Unless they take up mine. And finally, in foreign news, a U.S.

93
00:01:32,000 —> 00:01:33,000
agent was caught in Panama selling weaponry to right-wing gorillas, causing a

94
00:01:33,000 —> 00:01:34,000
major incident. But we plan mostly to gloss over the implications and

95

00:01:34,000 —> 00:01:35,000

hope you enjoy some sporting

activity tonight. The State

Department..."

96

00:01:35,000 —> 00:01:36,000

"is advising against foreign

travel. This was Leanne Forge, WCTR

News.

97

00:01:36,000 —> 00:01:37,000

Let's be careful out there." "Up

next on WCTR, it's the man

98

00:01:37,000 —> 00:01:38,000

coaches hate. It's Derek Thackeray

in the tight end zone.

99

00:01:38,000 —> 00:01:39,000

Brought to you by Ares Pump Up

Shoes.

100

00:01:39,000 —> 00:01:40,000
Because women love a winner and
winners wear shoes."

101
00:01:40,000 —> 00:01:41,000
"Should we start with the national
anthem? Screw it.

102
00:01:41,000 —> 00:01:42,000
I got too drunk last night. Just
play the opening music.

103
00:01:42,000 —> 00:01:43,000
Welcome back to the Chidin' Zone.
Now it's time for something really

104
00:01:43,000 —> 00:01:44,000
important. Fat men talking about
games they don't really understand,
played by

105
00:01:44,000 —> 00:01:45,000
people they don't know. I'm your
host, Derek Thackery.

106
00:01:45,000 —> 00:01:46,000
What a crazy year it's been. Let's recap.

107
00:01:46,000 —> 00:01:47,000
Drug scandals involving preschool soccer moms. And the national finals.

108
00:01:47,000 —> 00:01:48,000
Rich and popular people are fighting it out.

109
00:01:48,000 —> 00:01:49,000
Pay attention. The country is in mourning. And most importantly, sportswear.

110
00:01:49,000 —> 00:01:50,000
We talk to a fitness expert about the crucial role of endorsed

111

00:01:50,000 —> 00:01:51,000
clothing. And who could forget, we
visit the greatest moments.

112
00:01:51,000 —> 00:01:52,000
Here he comes. He's in the shadows.
There he is.

113
00:01:52,000 —> 00:01:53,000
Is he gonna make it? Yes, he did.

114
00:01:53,000 —> 00:01:54,000
Ladies and gentlemen, what you have
just witnessed is the biggest
moment

115
00:01:54,000 —> 00:01:55,000
in world history. Who cares about a
declaration of independence or
discovery

116
00:01:55,000 —> 00:01:56,000
of penicillin? You have just seen
one man score a point.

117

00:01:56,000 —> 00:01:57,000

When the rest of the world

discovers TV, they'll be able to

118

00:01:57,000 —> 00:01:58,000

see this. Wow, isn't that amazing?

He did what he was paid

119

00:01:58,000 —> 00:01:59,000

to do. We love sports more than

you.

120

00:01:59,000 —> 00:02:00,000

Love it or loathe it, let's talk

about it.

121

00:02:00,000 —> 00:02:01,000

Stay in the tight end. And...

Noooooooooooooooooo! Let's go to

the phones.

122

00:02:01,000 —> 00:02:02,000

Yeah, the Wolves! Hey Derek, my
name's Jason and I'm a Wolves

123
00:02:02,000 —> 00:02:03,000
fan. First time caller. I don't
vote, I can't be bothered.

124
00:02:03,000 —> 00:02:04,000
But I will kick your ass if you
disrespect my sports team.

125
00:02:04,000 —> 00:02:05,000
Okay, the Wolves. That's a team
playing sports as if they cared.

126
00:02:05,000 —> 00:02:06,000
Yeah, the Wolves! I don't care
who's sleeping with who on the

127
00:02:06,000 —> 00:02:07,000
team. Yeah, I'm with you, buddy.
Okay. Hey, let's take another call.

128

00:02:07,000 —> 00:02:08,000
Who's on the phone? Hello, caller.
I'm on with the tight end

129
00:02:08,000 —> 00:02:09,000
of radio. Hey, I'm a big Olympics
fan.

130
00:02:09,000 —> 00:02:10,000
Always have been. Since day one.
Been to every one.

131
00:02:10,000 —> 00:02:11,000
Me too. I love the games,
especially the luge.

132
00:02:11,000 —> 00:02:12,000
I'm married, so sliding down an icy
tunnel of doom at high

133
00:02:12,000 —> 00:02:13,000
speed makes sense. Yeah, I know
about frigid action myself.

134

00:02:13,000 —> 00:02:14,000

I mean, they gotta be kidding me.

Since when has running been

135

00:02:14,000 —> 00:02:15,000

an Olympic sport? Running ain't a

sport. Don't make me puke.

136

00:02:15,000 —> 00:02:16,000

Anyone can run. My ex-wife made me

an athlete.

137

00:02:16,000 —> 00:02:17,000

I ran my ass off. I ran my ass off

when the

138

00:02:17,000 —> 00:02:18,000

Red Baron flew into town. I tell

you, when I was a

139

00:02:18,000 —> 00:02:19,000

kid, there were only three sports

that mattered.

140
00:02:19,000 —> 00:02:20,000
Football, baseball, and killing
communists. And I had a great
childhood.

141
00:02:20,000 —> 00:02:21,000
Really great. Even if my uncle did
come into my room that

142
00:02:21,000 —> 00:02:22,000
late at night drunk. Ugh, that was
nuts.

143
00:02:22,000 —> 00:02:23,000
Anyway, who's on the line? We got a
Caledonians fan on the

144
00:02:23,000 —> 00:02:24,000
line. Tough times, huh? Hey, your
whole life revolving around rich
men

145

00:02:24,000 —> 00:02:25,000
playing poorly. Man, I totally
identify. Totally identify with
shallow heroes who

146
00:02:25,000 —> 00:02:26,000
I don't know personally. God, I
love a dude with a big

147
00:02:26,000 —> 00:02:27,000
pituitary gland. I love the Calies,
man. But you know, this year,

148
00:02:27,000 —> 00:02:28,000
I'm telling you, they're gonna need
to score some points and get

149
00:02:28,000 —> 00:02:29,000
some yardage and win the game.
Yeah, if they don't win, men

150
00:02:29,000 —> 00:02:30,000
will be beating their wives with
good reason.

151
00:02:30,000 —> 00:02:31,000
Hey, they gotta start playing to
win. Trying to score some on

152
00:02:31,000 —> 00:02:32,000
the other team. Hey, I wish I had a
wife so she

153
00:02:32,000 —> 00:02:33,000
could beat me. Here's what I say,
man.

154
00:02:33,000 —> 00:02:34,000
If you wanna be number one, you
gotta go.

155
00:02:34,000 —> 00:02:35,000
You gotta go for first place. I
know, I know.

156
00:02:35,000 —> 00:02:36,000
Hey, I mean, you know, it's great

stating the obvious, but once

157
00:02:36,000 —> 00:02:37,000
you get paid for it, things get
really complicated.

158
00:02:37,000 —> 00:02:38,000
Man, I was at their training camp
this spring, and the mood

159
00:02:38,000 —> 00:02:39,000
in the locker room, dude, guys were
getting changed, man.

160
00:02:39,000 —> 00:02:40,000
I mean, they were really getting
prepared. Shoes were going on,
feet,

161
00:02:40,000 —> 00:02:41,000
shirts were going on, the shirt
part of their body, serious faces

162

00:02:41,000 —> 00:02:42,000
on them. And you could tell that
they were gonna play this

163
00:02:42,000 —> 00:02:43,000
game. Bottom line is, if they don't
score more points than the

164
00:02:43,000 —> 00:02:44,000
other team, they can't win. Yeah,
man. God, you have some spooky

165
00:02:44,000 —> 00:02:45,000
insights into sports, dude. I love
your show, man.

166
00:02:45,000 —> 00:02:46,000
I love you. Yeah, look, great
talking to you.

167
00:02:46,000 —> 00:02:47,000
Excuse me. Hey, that's really
perceptive stuff. You know, we've
been petitioning

168
00:02:47,000 —> 00:02:48,000
stadiums to install a urinal trough
in front of each row of

169
00:02:48,000 —> 00:02:49,000
seats. Now, it's so inconvenient
having to leave your seat, make
everyone

170
00:02:49,000 —> 00:02:50,000
stand up, get up, get up, you know,
to let you buy

171
00:02:50,000 —> 00:02:51,000
a seat. Then go stand in line for
the bathroom.

172
00:02:51,000 —> 00:02:52,000
I mean, half the time we can barely
walk anyway, all right?

173
00:02:52,000 —> 00:02:53,000

So we'll be handing out petitions that say, support the team.

174
00:02:53,000 —> 00:02:54,000
Don't leave the game pee at your seat.

175
00:02:54,000 —> 00:02:55,000
Go into the phones. I'm a big fight fan.

176
00:02:55,000 —> 00:02:56,000
Love a bit of a punch up. Since my wife and children

177
00:02:56,000 —> 00:02:57,000
got taken into a shelter, my friend said, Chuck, you obviously love

178
00:02:57,000 —> 00:02:58,000
hitting things. So I've gotten into boxing. How about that fight between

179

00:02:58,000 —> 00:02:59,000

Gonzalez and Jackson? Well, there's

one thing about that.

180

00:02:59,000 —> 00:03:00,000

Well, there's one thing about

boxing I always remember.

181

00:03:00,000 —> 00:03:01,000

You know, one man wins, the other

goes home a loser.

182

00:03:01,000 —> 00:03:02,000

Because in boxing, unlike most

sports, gravity works downwards.

183

00:03:02,000 —> 00:03:03,000

You gotta be shitting me. Hey,

Derek Thackery, don't shit on no

184

00:03:03,000 —> 00:03:04,000

one. But I do like to piss on my

seat and at

185
00:03:04,000 —> 00:03:05,000
my seat, too. Not really on it, so
stay out of the

186
00:03:05,000 —> 00:03:06,000
way. Now tell me, the fight game,
that ain't rigged, is it?

187
00:03:06,000 —> 00:03:07,000
Of course not. Hey, how could
anything professional be fake?

188
00:03:07,000 —> 00:03:08,000
Hey, there's too much money at
stake for one thing.

189
00:03:08,000 —> 00:03:09,000
I mean, these guys got too much to
lose.

190
00:03:09,000 —> 00:03:10,000
I mean, why is a guy gonna take a

dive for a

191
00:03:10,000 —> 00:03:11,000
few extra million when he could
earn that over a number of

192
00:03:11,000 —> 00:03:12,000
years getting his brain turned to
pulp? Be serious for a minute.

193
00:03:12,000 —> 00:03:13,000
The clock is counting down again.
It's time for Derek to head

194
00:03:13,000 —> 00:03:14,000
to the locker room and celebrate in
the shower.

195
00:03:14,000 —> 00:03:15,000
We'll see you next time. Bring a
cooler full of beers and

196
00:03:15,000 —> 00:03:16,000

get ready to riot. This has been
the Tight End Zone.

197
00:03:16,000 —> 00:03:17,000
Hot, hot, hot. Hot. Hot." "And this
is WCTR, proving that radio

198
00:03:17,000 —> 00:03:18,000
is better than TV. That's the show
men with large guts love."

199
00:03:18,000 —> 00:03:19,000
"Deal with your ignorance in one
minute flat.

200
00:03:19,000 —> 00:03:20,000
Complex issues in 60 seconds.
WCTR." "Coming up next, the most
mind-numbing

201
00:03:20,000 —> 00:03:21,000
thing since the lobotomy,
Entertaining America. This week on
Entertaining America, Richard..."

202
00:03:21,000 —> 00:03:22,000
"Goblin, one man's triumphant
return to cock. The Sherman
Octuplets, a venturous

203
00:03:22,000 —> 00:03:23,000
man says he's slept with them all.
Plus, noise, speed, danger,
cursing,

204
00:03:23,000 —> 00:03:24,000
and patriotism finally come
together this weekend at the All-
America Drunk Driving

205
00:03:24,000 —> 00:03:25,000
Cup. Hi from Vinewood, you're on
Entertaining America with me, Billy
Dexter,

206
00:03:25,000 —> 00:03:26,000
bringing you everything that is
important in culture and

entertainment, if there

207
00:03:26,000 —> 00:03:27,000
is a difference between the two,
from the heart of entertainment in

208
00:03:27,000 —> 00:03:28,000
America, Vinewood San Andreas. You
with me, the Dex.

209
00:03:28,000 —> 00:03:29,000
Wanted to call the show Stack the
Dex, but not yet.

210
00:03:29,000 —> 00:03:30,000
Kiflum, anyway, great. Big show for
you this week.

211
00:03:30,000 —> 00:03:31,000
Controversy, they'll be giving me a
Pulitzer. Anyway, today, we've got
some

212

00:03:31,000 —> 00:03:32,000
great guests. First up, we speak to
troubled action hero Jack Howitzer.

213
00:03:32,000 —> 00:03:33,000
Then we have a live phone week up
with a very special

214
00:03:33,000 —> 00:03:34,000
guest, modern-day Lazarus, a man
back from the grave, now making it

215
00:03:34,000 —> 00:03:35,000
as an extra in major motion
pictures. Then, I will explain the

216
00:03:35,000 —> 00:03:36,000
secrets of the universe to
everyone. But first up, Stack the
Dex.

217
00:03:36,000 —> 00:03:37,000
In which I, Billy Dexter, meet the
entertainers in the news.

218
00:03:37,000 —> 00:03:38,000
Kiflum. Jack Howitzer, once the
biggest star in America, but the
last

219
00:03:38,000 —> 00:03:39,000
three years have been unkind.
People describe him as a dinosaur,
an

220
00:03:39,000 —> 00:03:40,000
action hero relic from the 80s, a
muscle-bound Neanderthal, and my
favorite,

221
00:03:40,000 —> 00:03:41,000
the most stupid gorilla in the
jungle. Jack, welcome to the show.

222
00:03:41,000 —> 00:03:42,000
Kiflum. Good to be here, Dex.
Pleasure. So, your movies Exploder
and

223
00:03:42,000 —> 00:03:43,000
Annihilator got America through
some tough times, and I was also a

224
00:03:43,000 —> 00:03:44,000
hero. I'm also a huge fan of Zero
Seconds to Death.

225
00:03:44,000 —> 00:03:45,000
Thank you, thank you. But many say
your new film has gone

226
00:03:45,000 —> 00:03:46,000
too far. No, this is a romantic
comedy with drama.

227
00:03:46,000 —> 00:03:47,000
It's got action. It's got a heart.
That's what's most important, I

228
00:03:47,000 —> 00:03:48,000
think. Okay, well, let's take a

listen to the trailer.

229
00:03:48,000 —> 00:03:49,000
All right, let's roll that. He was
a man at war with

230
00:03:49,000 —> 00:03:50,000
himself, fighting a war that
someone else lost.

231
00:03:50,000 —> 00:03:51,000
It's over, Tim! The war's over!
It's never over!

232
00:03:51,000 —> 00:03:52,000
You've seen him wipe out millions
of Cambodians in Exploder.

233
00:03:52,000 —> 00:03:53,000
Now, Jack Howitzer is Tim in his
most challenging role yet.

234
00:03:53,000 —> 00:03:54,000

We're here, Tim! A preschool for
slow children?

235
00:03:54,000 —> 00:03:55,000
You're the new teacher, Tim!
Special Needs Cop.

236
00:03:55,000 —> 00:03:56,000
It's the story of a psychotic ex-
marine showing tough love to
special

237
00:03:56,000 —> 00:03:57,000
ed kids. One of you tards has been
running Peruvian Flake through

238
00:03:57,000 —> 00:03:58,000
the special ed school, and I'm
gonna find it.

239
00:03:58,000 —> 00:03:59,000
No juice and cookies! You suck,
Tim! But soon, he becomes one

240

00:03:59,000 —> 00:04:00,000

of them. What is this? That's

Teacher's Gun.

241

00:04:00,000 —> 00:04:01,000

You wanna see it? Cool. Oh, you got

it, shot yourself!

242

00:04:01,000 —> 00:04:02,000

Way to go! He was finally beginning

to live a normal life.

243

00:04:02,000 —> 00:04:03,000

Then, all hell breaks loose. Tim,

you're so stupid.

244

00:04:03,000 —> 00:04:04,000

You count with your fingers. You

wanna party with me?

245

00:04:04,000 —> 00:04:05,000

Bring it on! Tim, what are you

doing?

246

00:04:05,000 —> 00:04:06,000

I fought for my country! Welcome to the land of freedom, bitches!

247

00:04:06,000 —> 00:04:07,000

Yeah! Special Needs Cop. He had a lot to learn.

248

00:04:07,000 —> 00:04:08,000

This film cannot be rated. Wow, that's terrible!

249

00:04:08,000 —> 00:04:09,000

No wonder our studios are surrounded by protesters.

250

00:04:09,000 —> 00:04:10,000

How could anybody find that offensive? No, no, Jack, it's appalling.

251

00:04:10,000 —> 00:04:11,000

Your insensitive portrayal of
disabled people makes me physically
sick.

252
00:04:11,000 —> 00:04:12,000
And the idea of you calling someone
slow-witted is, frankly, Hold on,

253
00:04:12,000 —> 00:04:13,000
hold on. Drugs are a problem
throughout all of society, and you

254
00:04:13,000 —> 00:04:14,000
can't fight them by any means
necessary. Yeah, but you use drugs.

255
00:04:14,000 —> 00:04:15,000
No, no, no, I'd rather die than use
drugs.

256
00:04:15,000 —> 00:04:16,000
I use steroids and some
recreational blow. But I got the
funds

257

00:04:16,000 —> 00:04:17,000

for it. You know, I got the money.

258

00:04:17,000 —> 00:04:18,000

Don't you think you're just a

little out of touch?

259

00:04:18,000 —> 00:04:19,000

Whoa, whoa, whoa, whoa, yeah. I'm

rich and I work in Vinewood,

260

00:04:19,000 —> 00:04:20,000

okay? I'm not out of touch. Action,

weightlifting, and killing

foreigners.

261

00:04:20,000 —> 00:04:21,000

That never goes out of style, Dex.

My last film, okay, Loincloth,

262

00:04:21,000 —> 00:04:22,000

about a wrestler who's dropped into

Thailand, and I saved the world

263
00:04:22,000 —> 00:04:23,000
by teabagging the bad guys. That's
a spiritual picture.

264
00:04:23,000 —> 00:04:24,000
That's love teabagging. That stuff
ain't out of style.

265
00:04:24,000 —> 00:04:25,000
Yeah, things are more sensitive
now. I was affected, all right,
when

266
00:04:25,000 —> 00:04:26,000
Ho Chi got hurt in Exploder. I
mean, I thought it was

267
00:04:26,000 —> 00:04:27,000
time to do something, a film that
made a difference.

268

00:04:27,000 —> 00:04:28,000
Yeah, but Ho Chi was a character.
Exploder was a movie.

269
00:04:28,000 —> 00:04:29,000
Right, right, and I was there, and
I should have killed them

270
00:04:29,000 —> 00:04:30,000
all. Don't push me, Dex. I'll give
you a war you won't

271
00:04:30,000 —> 00:04:31,000
believe. That look in your eye,
right here, right now.

272
00:04:31,000 —> 00:04:32,000
Okay, Jack, Jack, all I'm saying
is, you launching missiles from a

273
00:04:32,000 —> 00:04:33,000
special wheelchair and killing
innocent civilians is somewhat
insensitive.

274

00:04:33,000 —> 00:04:34,000

There's never any innocent
civilians in life. If the Reds roll
down

275

00:04:34,000 —> 00:04:35,000

the street right now, what are you
gonna do?

276

00:04:35,000 —> 00:04:36,000

The Reds lost, man. It's, it's
over. You can come home.

277

00:04:36,000 —> 00:04:37,000

I'll shoot those bastards with
this, the Family Killer!

278

00:04:37,000 —> 00:04:38,000

Jack, Jack, put that away, please.
What, this?

279

00:04:38,000 —> 00:04:39,000

It's a submachine gun. Come on,
it's not serious?

280
00:04:39,000 —> 00:04:40,000
Oh, but you're Billy Dexter. Who
put you up to this, Gorbachev?

281
00:04:40,000 —> 00:04:41,000
No, no, you should come down. I
heard what you said about

282
00:04:41,000 —> 00:04:42,000
me. You think steroids shrink my
genitals. No, no, no!

283
00:04:42,000 —> 00:04:43,000
Put the gun down. My balls? Please!
I'm sure you have huge

284
00:04:43,000 —> 00:04:44,000
ones. That's right. Please stop.
Come on, they haven't shrunk.

285

00:04:44,000 —> 00:04:45,000
Touch them. Feel them. No! Come on,
sniff them.

286
00:04:45,000 —> 00:04:46,000
Do something. Touch them. Touch
them or die.

287
00:04:46,000 —> 00:04:47,000
They're still big. They're huge,
Jack. That's right.

288
00:04:47,000 —> 00:04:48,000
Mom, Mommy. Easy, hey, don't grab
them like that.

289
00:04:48,000 —> 00:04:49,000
Oh, boy, I was kidding. What are
you, a boyfriend of mine

290
00:04:49,000 —> 00:04:50,000
or something? Hey, hey, hey. You
had me scared there for a

291

00:04:50,000 —> 00:04:51,000

minute. I, I, I crapped myself.

Take it easy.

292

00:04:51,000 —> 00:04:52,000

It's not even like that. I'm

loaded. Oh, oh, Dex.

293

00:04:52,000 —> 00:04:53,000

Oh, shit. Oh, well, I guess it was.

294

00:04:53,000 —> 00:04:54,000

Oh, okay, Billy, don't kid around.

Get up, boy.

295

00:04:54,000 —> 00:04:55,000

Get up. Come on. Damn it, his brain

is leaking.

296

00:04:55,000 —> 00:04:56,000

Help! Oh, there's only one thing to

do.

297

00:04:56,000 —> 00:04:57,000

I gotta defend freedom. No time to cry.

298

00:04:57,000 —> 00:04:58,000

Only time to die. Welcome to the land of freedom, bitches!

299

00:04:58,000 —> 00:04:59,000

Do they want us all dead? Now a
WCTR exclusive with Richard

305
00:05:04,000 —> 00:05:05,000
Burns. That's right, Leanne, I'm
Richard Burns. Crime in Los Santos
has

306
00:05:05,000 —> 00:05:06,000
skyrocketed, with officials saying
carjacking, murder, robbery, and
gang activity is all

307
00:05:06,000 —> 00:05:07,000
on the rise. Police described it
as, and I'm quoting here, nothing

308

00:05:07,000 —> 00:05:08,000

to worry about. I met up with a real-life carjacker earlier who

309

00:05:08,000 —> 00:05:09,000

showed me the ropes. I call it the three Gs.

310

00:05:09,000 —> 00:05:10,000

You just grab, get in, and go. Oh my God, you in

311

00:05:10,000 —> 00:05:11,000

so much trouble! You shut up, bitch! Yeah, you be quiet, bitch.

312

00:05:11,000 —> 00:05:12,000

This is a news story. Oh, cool. This is great.

313

00:05:12,000 —> 00:05:13,000

This is quality journalism. Uh, back to you, Leanne.

314

00:05:13,000 —> 00:05:14,000

Hey, let's get blunted and grab some Clucking Bell.

315

00:05:14,000 —> 00:05:15,000

I have got mad munchies. Sounds good to me.

316

00:05:15,000 —> 00:05:16,000

Fire it up. Dude, you got any papers?

317

00:05:16,000 —> 00:05:17,000

Youth counselors in Los Santos are heading to the streets and meeting

318

00:05:17,000 —> 00:05:18,000

one-on-one with members of the community. One citizen told WCTR the real

319

00:05:18,000 —> 00:05:19,000

problem with drugs. They always saying there's too many drugs in the

320
00:05:19,000 —> 00:05:20,000
hood. Homie, that's bullshit. Plain bullshit. I mean, the way I see

321
00:05:20,000 —> 00:05:21,000
it is, it ain't enough drugs in the hood.

322
00:05:21,000 —> 00:05:22,000
Ain't nothing like enough, and that's the real problem for people.

323
00:05:22,000 —> 00:05:23,000
Police still have no leads in the tragic murder of Officer Ralph

324
00:05:23,000 —> 00:05:24,000
Pendlebury, whose body was found recently. Pendlebury worked for Internal Affairs.

325
00:05:24,000 —> 00:05:25,000
It was believed he was close to
uncovering a huge corruption ring

within the LSPD. A police spokesman
denied the story.

327

A San Fierro man is suing the

weaponry, which he blames for a
string of murders.

329
00:05:28,000 —> 00:05:29,000
Richard caught up with him. I
purchased a working catapult at the

330
00:05:29,000 —> 00:05:30,000

Renaissance Fair, and after a fight
with my insurance salesman over my

331
00:05:30,000 —> 00:05:31,000
DWI, I began lobbing balls of fire
at his house and burnt

332
00:05:31,000 —> 00:05:32,000
down an entire neighborhood. It's
inexcusable. The manufacturers will
pay.

333
00:05:32,000 —> 00:05:33,000
Give me some money. Come on, give
me some money.

334
00:05:33,000 —> 00:05:34,000
It's their fault. What kind of a
person sells a catapult without

putting a very clear warning on the
side?

Broken. Like my arm and two

431
00:07:10,000 —> 00:07:11,000
I want to talk about my heart. Why
do men just repeat

432
00:07:11,000 —> 00:07:12,000
back what you say and never listen?
Are you brain dead, Brian?

433
00:07:12,000 —> 00:07:13,000
Oh, actually, it's ironic that you
say that.

434
00:07:13,000 —> 00:07:14,000
It's because my wife's been brain

435
00:07:14,000 —> 00:07:15,000
Oh, so sorry. I seemed all

wow, I'd put her in a coma myself.

444
00:07:23,000 —> 00:07:24,000
I mean, it's fantastic. That's very
informative. You know, last night,
I

445
00:07:24,000 —> 00:07:25,000
wondered what it would be like to
be brain dead.

446
00:07:25,000 —> 00:07:26,000
Then I watched My Five Uncles. God,
I'd love to live in

00:07:26,000 —> 00:07:27,000
that house. Remember, a heart can
mend, but a divorce lasts forever.

448
00:07:27,000 —> 00:07:28,000
Unless he makes you a widow. Hello?
Yeah, hello, Lonely Hearts.

449

00:07:28,000 —> 00:07:29,000

I was just calling up there because

I was listening and I

450

00:07:29,000 —> 00:07:30,000

figured out, you know, that I could

help out some of y'all

451

00:07:30,000 —> 00:07:31,000

clients, you know. This is none

other than Jizzy, the proprietor of

452

00:07:31,000 —> 00:07:32,000

the Pleasure Domes Club. If anybody

is out there lonely, first of

453

00:07:32,000 —> 00:07:33,000

all, with all the people on this

planet walking around, there's no

454

00:07:33,000 —> 00:07:34,000

reason for anybody to be lonely.

You understand?

455
00:07:34,000 —> 00:07:35,000
That's why I'm in the business of
keeping people with company.

456
00:07:35,000 —> 00:07:36,000
You know what I'm saying? People
who got low self-esteem, you know,

457
00:07:36,000 —> 00:07:37,000
they're lonely, and they need to
pick me up.

458
00:07:37,000 —> 00:07:38,000
They need to come down to the
Pleasure Dome, hang out with

459
00:07:38,000 —> 00:07:39,000
me, Jizzy, and my girls. You know
what I'm saying?

460
00:07:39,000 —> 00:07:40,000
They're going to keep you company,

have you feeling good.

461
00:07:40,000 —> 00:07:41,000
And this goes for everybody. I
don't care who you are, how

462
00:07:41,000 —> 00:07:42,000
old you are. So come on down and
hang out with me

463
00:07:42,000 —> 00:07:43,000
if you're lonely. And I'm going to
tell you something.

464
00:07:43,000 —> 00:07:44,000
You won't be lonely from the moment
you walk in the door

465
00:07:44,000 —> 00:07:45,000
because somebody's going to grab
your hand, and it's going to be

466
00:07:45,000 —> 00:07:46,000

all about to get there from that...
Good grief!

467
00:07:46,000 —> 00:07:47,000
That's not the way Lonely Hearts
works at all!

468
00:07:47,000 —> 00:07:48,000
Is anyone here suffering? I want
pain! Pain, misery, desolation, all
the

469
00:07:48,000 —> 00:07:49,000
important things! Hi, this is
Tamara. I'm a stalker.

470
00:07:49,000 —> 00:07:50,000
Ah, that's really beautiful. Tell
everyone about it.

471
00:07:50,000 —> 00:07:51,000
My man, well, I call him that even
though he's broken off

472
00:07:51,000 —> 00:07:52,000
all contact and is married to
someone else.

473
00:07:52,000 —> 00:07:53,000
I killed a gazelle and sent its
heart to him in an

474
00:07:53,000 —> 00:07:54,000
envelope. He liked it so much, he
told the police and even

475
00:07:54,000 —> 00:07:55,000
the newspapers. Then I burnt down
his place of business, and now

476
00:07:55,000 —> 00:07:56,000
I have a special surprise for him.
Ah, you have a great

477
00:07:56,000 —> 00:07:57,000
week. Isn't that really beautiful?
That's all we have to say.

478

00:07:57,000 —> 00:07:58,000

Amongst other freeloaders, who are

flats at a rental.

479

00:07:58,000 —> 00:07:59,000

Yay! I wrote a héktóa fighting on

fallis...

480

00:07:59,000 —> 00:08:00,000

Whoa, that's intense. We're really

achieving incredible results.

481

00:08:00,000 —> 00:08:01,000

Oh, that's WHAT we're talking, USA?

In the elections, myán, she said

482

00:08:01,000 —> 00:08:02,000

it earlier, I was trying to

understand. Yes but I let you

483

00:08:02,000 —> 00:08:03,000

down." "course, after all. Until

next time. I hope you enjoyed
Lonely

484
00:08:03,000 —> 00:08:04,000
Hearts. It's always fun to laugh at
other people's misery, isn't it?"

485
00:08:04,000 —> 00:08:05,000
—Janus— Woman: Let’s be honest
about things for a second- really
honest.

486
00:08:05,000 —> 00:08:06,000
You came out to the west coast to
get away from something.

487
00:08:06,000 —> 00:08:07,000
Everyone does. Let’s face it- the
Midwest is full of retards!

488
00:08:07,000 —> 00:08:08,000
That’s we have the fastest-growing
population, a massive economy, and
absolutely no

489

00:08:08,000 —> 00:08:09,000

history or culture. You used to be

a dork.

490

00:08:09,000 —> 00:08:10,000

But you moved here, and suddenly

you're cool!

491

00:08:10,000 —> 00:08:11,000

San Andreas is the land where you

can be who you want

492

00:08:11,000 —> 00:08:12,000

to be. Change your name. Come out.

Lie about your age.

493

00:08:12,000 —> 00:08:13,000

Form your own religion. Call

yourself an actor and wait tables.

494

00:08:13,000 —> 00:08:14,000

It just doesn't matter out here.

Everybody's at it!

495
00:08:14,000 —> 00:08:15,000
(pause) Woman: Until the awful
moment when old friends or family
come

496
00:08:15,000 —> 00:08:16,000
to visit. Janus understands. Maybe
it's time to- change your identity!

497
00:08:16,000 —> 00:08:17,000
Don't let bad memories blow your
cover. We'll teach you all the

498
00:08:17,000 —> 00:08:18,000
things you need to alienate your
family quick.

499
00:08:18,000 —> 00:08:19,000
They'll never think of visiting you
again. Select from a list of

500

00:08:19,000 —> 00:08:20,000
weird religions that involve
burning things, singing childrens
songs backwards, and loads

501
00:08:20,000 —> 00:08:21,000
of television worship. We'll select
a member of another race or
lifeform

502
00:08:21,000 —> 00:08:22,000
for you to claim as your soulmate.
And your dietary habits will

503
00:08:22,000 —> 00:08:23,000
go Pacific, too. People come to San
Andreas to escape their past.

504
00:08:23,000 —> 00:08:24,000
We'll help you lose contact with
friends and family fast.

505
00:08:24,000 —> 00:08:25,000
Janus- it's time to invent a new

you.

506
00:08:25,000 —> 00:08:26,000
"The news and all the other things
that really matter to you.

507
00:08:26,000 —> 00:08:27,000
Like sensationalist bullshit."
—Rapidite— Man: Sexual re-
alignment used to require years of

508
00:08:27,000 —> 00:08:28,000
therapy, months of hormone
treatments, and you still ended up
looking like

509
00:08:28,000 —> 00:08:29,000
a drag queen. Now you can let the
woman inside come out

510
00:08:29,000 —> 00:08:30,000
in the comfort and privacy of your
own home.

511

00:08:30,000 —> 00:08:31,000

And it's as fast as this: Man 2:

slice...

512

00:08:31,000 —> 00:08:32,000

Man 2 (now with woman's voice):

See? Now I'm a woman, thanks

513

00:08:32,000 —> 00:08:33,000

to Rapidite! This do-it-yourself

sexual re-alignment kit includes

everything you need to

514

00:08:33,000 —> 00:08:34,000

go from Brad to Brenda in a jif.

515

00:08:34,000 —> 00:08:35,000

It's just snip, chop, stuff and

swallow and away you go.

516

00:08:35,000 —> 00:08:36,000

Do it in the bathroom and surprise

your family with a new

517

00:08:36,000 —> 00:08:37,000

you! Comes with an instructional

video, rusty knife and tourniquet,

two aspirins,

518

00:08:37,000 —> 00:08:38,000

and forty-seven pounds of estrogen.

It's all you need!

519

00:08:38,000 —> 00:08:39,000

When it's time for a change, you

want it fast.

520

00:08:39,000 —> 00:08:40,000

Rapidite- the do-it-yourself sexual

re-alignment kit. Be -exactly- who

you want to

521

00:08:40,000 —> 00:08:41,000

be. "If you love to hear liberals

whine and conservatives lecture,

then

522
00:08:41,000 —> 00:08:42,000
stay tuned for I Say You Say. The
future of America."

523
00:08:42,000 —> 00:08:43,000
"threatened again. This time, we
mean it. I'm Dr.

524
00:08:43,000 —> 00:08:44,000
Phillips. And I'm also Dr.
Phillips. Today on the show, do
cave

525
00:08:44,000 —> 00:08:45,000
paintings in museums make us
violent? The anti- beef movement.

526
00:08:45,000 —> 00:08:46,000
Both Hitler and Mussolini were
vegetarians. And we take on the
highly

527
00:08:46,000 —> 00:08:47,000

charged debate about test tube
babies and actually talk to one.

528
00:08:47,000 —> 00:08:48,000
I have flashbacks. Go to hysterics
in science class.

529
00:08:48,000 —> 00:08:49,000
Do you know what it's like growing
up in a beaker?

530
00:08:49,000 —> 00:08:50,000
That's all today on I Say, You Say.

531
00:08:50,000 —> 00:08:51,000
We share last names, but that's
about it.

532
00:08:51,000 —> 00:08:52,000
I'm Peyton. That's my wife, Mary.
And this is I Say, You

533
00:08:52,000 —> 00:08:53,000

Say. Where left is right, and right
is wrong.

534
00:08:53,000 —> 00:08:54,000
Or where east meets west, and the
west always wins.

535
00:08:54,000 —> 00:08:55,000
That wall came down, darling. Yes,
unfortunately it did.

536
00:08:55,000 —> 00:08:56,000
I don't know if you saw today's
news, so who is in

537
00:08:56,000 —> 00:08:57,000
the right in this great dialectical
disaster? Is it, as I think,

538
00:08:57,000 —> 00:08:58,000
a case of share and share alike?
Love your fellow man, and

539

00:08:58,000 —> 00:08:59,000
all wear matching jumpsuits while
working on a collective hydroponic
farm growing

540
00:08:59,000 —> 00:09:00,000
potatoes? Or is it a case of kill
or be killed, crush

541
00:09:00,000 —> 00:09:01,000
the weak, and starve the poor? As
my wonderful wife thinks.

542
00:09:01,000 —> 00:09:02,000
You decide. Or let us decide for
you.

543
00:09:02,000 —> 00:09:03,000
Give us a call and let my wife, a
professor in social

544
00:09:03,000 —> 00:09:04,000
Darwinism, or me, a lecturer in
pointless anthropology, work things

out.

545
00:09:04,000 —> 00:09:05,000
That's the problem with liberals.
They don't know when to shut up

546
00:09:05,000 —> 00:09:06,000
and enjoy freedom. Let's go to the
phones.

547
00:09:06,000 —> 00:09:07,000
Uh, yeah, hi. Here's the deal. I'm
really funny, but nobody wants

548
00:09:07,000 —> 00:09:08,000
to hire somebody funny. I mean, how
is that fair?

549
00:09:08,000 —> 00:09:09,000
I mean, I'm white, middle class,
very erudite, you know, whatever
that

550

00:09:09,000 —> 00:09:10,000
means, but people just respond
badly to me.

551
00:09:10,000 —> 00:09:11,000
I don't understand it. Are you
related to my husband?

552
00:09:11,000 —> 00:09:12,000
Uh, I don't think so. I hope not.

553
00:09:12,000 —> 00:09:13,000
Have you got a question about
politics? Yeah, sure.

554
00:09:13,000 —> 00:09:14,000
I know a lot about politics. Hey,
can I do your job?

555
00:09:14,000 —> 00:09:15,000
You know, I used to be on the radio
back in the

556

00:09:15,000 —> 00:09:16,000
day. Even my husband can't do his
job, you strange, pathetic little

557
00:09:16,000 —> 00:09:17,000
sap. Let's have a real caller,
please. Hi, my name's Michelle.

558
00:09:17,000 —> 00:09:18,000
I'm a first-time caller to the
show. I wanted to know what

559
00:09:18,000 —> 00:09:19,000
you guys thought about the
proposition to ban smoking.

560
00:09:19,000 —> 00:09:20,000
Well, this is a simple issue.
Smoking. Democracy at work again in

561
00:09:20,000 —> 00:09:21,000
our state. Seems like a good thing
when you first look at

562
00:09:21,000 —> 00:09:22,000
it, but democracy only works when
you agree with it.

563
00:09:22,000 —> 00:09:23,000
Then it's best to favor a
totalitarian state.

564
00:09:23,000 —> 00:09:24,000
I'm not sure about this one. I
think smoking is an invasion

565
00:09:24,000 —> 00:09:25,000
of my body, and I've always wanted
to shoot people.

566
00:09:25,000 —> 00:09:26,000
I'm right behind the proposition.
Me too. Thanks, Michelle.

567
00:09:26,000 —> 00:09:27,000
I also wanted to say hi to my
stepbrother, Phil, who's been

568
00:09:27,000 —> 00:09:28,000
undergoing a hair transplant today.
Hey, Phil, if you're listening, I
hope

569
00:09:28,000 —> 00:09:29,000
it's six this time. I won't tell
anyone you've got plugs, honey.

570
00:09:29,000 —> 00:09:30,000
I'm really proud of you. That's
great, honey, but if you want

571
00:09:30,000 —> 00:09:31,000
shout-outs, call the rap station.
That's offensive, and I'm really
offended by

572
00:09:31,000 —> 00:09:32,000
what you're saying. I'm a smoker.
This used to be a free

573

00:09:32,000 —> 00:09:33,000
country. When? Good point, Dolly.
Yes, good point, but remember, our
founding

574
00:09:33,000 —> 00:09:34,000
fathers grew tobacco. It relaxed
them between stressful stints of
genocide and

575
00:09:34,000 —> 00:09:35,000
witch-burning, and you're so
against raising taxes, smokers pay
more taxes than

576
00:09:35,000 —> 00:09:36,000
anyone. My grandfather smoked his
whole life, and he lived until he

577
00:09:36,000 —> 00:09:37,000
was 32, so what I'm saying is, why
can't we encourage more

578
00:09:37,000 —> 00:09:38,000

smoking and use the money to pay
for better health care and

579
00:09:38,000 —> 00:09:39,000
some cultural programs, bringing
expressive dance and sun worship
back to the

580
00:09:39,000 —> 00:09:40,000
inner cities? Worrying about the
inner city has ruined your academic
career,

581
00:09:40,000 —> 00:09:41,000
and this woolly thinking is going
to ruin your chances of getting

582
00:09:41,000 —> 00:09:42,000
anywhere with me tonight. Promise?
The thing is, smoking is good,
because

583
00:09:42,000 —> 00:09:43,000
it lets people make a lot of money,

but so is selectively

584
00:09:43,000 —> 00:09:44,000
culling the population. So what I'm
proposing is a change in the

585
00:09:44,000 —> 00:09:45,000
proposition. Let people smoke, but
make cigarettes much cheaper and
force everyone

586
00:09:45,000 —> 00:09:46,000
to smoke. That way, we weed out the
weak, make a lot

587
00:09:46,000 —> 00:09:47,000
of money in tax, and keep our
national heritage intact.

588
00:09:47,000 —> 00:09:48,000
Line two, you're on I Say, You Say.

589
00:09:48,000 —> 00:09:49,000

I listen every time to your show.
It's really made me think

590
00:09:49,000 —> 00:09:50,000
about the world in a whole new way.

591
00:09:50,000 —> 00:09:51,000
I moved out of the city because it
sucks.

592
00:09:51,000 —> 00:09:52,000
Now I live in a compound surrounded
by barbed wire, and shoot

593
00:09:52,000 —> 00:09:53,000
and kill anyone I don't recognize
on my land.

594
00:09:53,000 —> 00:09:54,000
Just want to say thank you. That's
some quality broadcasting.

595
00:09:54,000 —> 00:09:55,000

Yeah, thanks. That makes me feel a
lot better about myself.

596
00:09:55,000 —> 00:09:56,000
Have you got a question? Yeah, I
got corpses from 15 illegal

597
00:09:56,000 —> 00:09:57,000
immigrants in my yard. I killed
them all myself, with my bare

598
00:09:57,000 —> 00:09:58,000
hands. Could I get a tax break for
all this unpaid work?

599
00:09:58,000 —> 00:09:59,000
Good question. I would certainly
hope so. Ask your accountant if you

600
00:09:59,000 —> 00:10:00,000
can register them as dependents.
Then hide most of your net worth

601

00:10:00,000 —> 00:10:01,000
offshore in a complex money
laundering system designed to
support the drugs

602
00:10:01,000 —> 00:10:02,000
trade. Then you can pay virtually
no taxes, and complain about how

603
00:10:02,000 —> 00:10:03,000
awful you think the whole country
is, knowing you're doing as little

604
00:10:03,000 —> 00:10:04,000
as possible to help. Cool, thanks.
That's good advice.

605
00:10:04,000 —> 00:10:05,000
I'm appalled at you, Mary Phillips.
Ugh, why?

606
00:10:05,000 —> 00:10:06,000
Because that man has a garden full
of corpses, and you're talking

607
00:10:06,000 —> 00:10:07,000
about money laundering. Yes, it's a great opportunity for some profit-centric thinking.

608
00:10:07,000 —> 00:10:08,000
You missed a wonderful opportunity to talk about recycling and organ donation.

609
00:10:08,000 —> 00:10:09,000
Oh, God, give me strength. I married a fool.

610
00:10:09,000 —> 00:10:10,000
I married a fool. You know, when we first met, Peyton, I

611
00:10:10,000 —> 00:10:11,000
thought you were so glamorous with your long hair and big ideas.

612

00:10:11,000 —> 00:10:12,000
You were studying, for a Ph.D. in cultural ceramic history, or cross-cultural

613
00:10:12,000 —> 00:10:13,000
underwear or something, and I was very young.

614
00:10:13,000 —> 00:10:14,000
Very foolish. Now I see you for what you are.

615
00:10:14,000 —> 00:10:15,000
And what's that, exactly? An intellectual cesspit. A middle-class disaster.

616
00:10:15,000 —> 00:10:16,000
A guilt trip, wrapped in neuroses and completely unable to function in

617
00:10:16,000 —> 00:10:17,000

this society. No wonder I've begun
to sleep around.

618
00:10:17,000 —> 00:10:18,000
And on that note, we have to go
visit our marriage therapist.

619
00:10:18,000 —> 00:10:19,000
Who is a conniving bitch and won't
write me any more prescriptions

620
00:10:19,000 —> 00:10:20,000
for teen killers. Remember, when
the left wing and the right wing

621
00:10:20,000 —> 00:10:21,000
come together, the country can
really get going.

622
00:10:21,000 —> 00:10:22,000
Straight off a cliff. We'll see you
next time."

623

00:10:22,000 —> 00:10:23,000
"Boy, I can't imagine what those guys are like in the bedroom,

624
00:10:23,000 —> 00:10:24,000
but I'm sure it's a bit like the Bay of Pigs.

625
00:10:24,000 —> 00:10:25,000
That was I Say You Say." "Next up, we've got the news.

626
00:10:25,000 —> 00:10:26,000
This time, some of it's true. Who are we kidding?"

627
00:10:26,000 —> 00:10:27,000
"I'm Leanne Forge, WCTR News. Here's everything that matters in simple terms

628
00:10:27,000 —> 00:10:28,000
so you can understand. A dire warning from America's gun

manufacturers.

629
00:10:28,000 —> 00:10:29,000
Learn yourself or die! And the
Louisiana Purchase.

630
00:10:29,000 —> 00:10:30,000
Beads for women. Plus, wallpaper.
Something big is happening in home
furnishings.

631
00:10:30,000 —> 00:10:31,000
Don't be left behind. Our top
story. Alan Crawford, manager of
the

632
00:10:31,000 —> 00:10:32,000
rapper Mad Dog, murdered. Mad Dog
recently launched a clothing label
and

633
00:10:32,000 —> 00:10:33,000
compared himself favorably to Jesus
and Gandhi while sniffing a lot.

634

00:10:33,000 —> 00:10:34,000

The brutal murder remains unsolved.

Police suspect foul play.

635

00:10:34,000 —> 00:10:35,000

Richard Burns is at the scene. Uh,

no.

636

00:10:35,000 —> 00:10:36,000

Actually, Leanne, that story wasn't

very interesting. So, I rode with

San

637

00:10:36,000 —> 00:10:37,000

Fierro police detective Turk

Martin, who was assigned to curtail

illegal street

638

00:10:37,000 —> 00:10:38,000

racing activities in the

countryside surrounding Los Santos

and San Fierro.

639

00:10:38,000 —> 00:10:39,000

You know what's really cool? You

get to chase these slimeballs

really

640

00:10:39,000 —> 00:10:40,000

fast. Yeah. Yeah. Yeah. Yeah. Yeah.

Yeah. Yeah.

641

00:10:40,000 —> 00:10:41,000

You can't hit someone or wreck.

It's never your fault.

642

00:10:41,000 —> 00:10:42,000

Oh, this is so cool. You get to eat

while you work?

643

00:10:42,000 —> 00:10:43,000

Ooh, let me see that. Hey, stop

now, bitches, or we'll shoot

644

00:10:43,000 —> 00:10:44,000

out your tires. Put that down. Aw,

dude, don't be a dick.

645
00:10:44,000 —> 00:10:45,000
Let me shoot out his tires. I'm
doing like 110 miles an

646
00:10:45,000 —> 00:10:46,000
hour right now. Ow! Ow! Okay. In
foreign news, a heavily discredited

647
00:10:46,000 —> 00:10:47,000
former dictator in Latin America is
claiming a U.S.

648
00:10:47,000 —> 00:10:48,000
government agency sold him weapons
in exchange for drugs.

649
00:10:48,000 —> 00:10:49,000
that are now being sold on the
streets of our cities.

650
00:10:49,000 —> 00:10:50,000

Government officials strongly deny
the claim. Why would we do
something so

651
00:10:50,000 —> 00:10:51,000
crazy? We don't need drugs. We have
good hookups already.

652
00:10:51,000 —> 00:10:52,000
Besides which, do you know how
much..." "If a cocaine is needed

653
00:10:52,000 —> 00:10:53,000
to buy a helicopter, it's more than
I can snort.

654
00:10:53,000 —> 00:10:54,000
Leanne Forge, WCTR News. Stay
worried out there."

655
00:10:54,000 —> 00:10:55,000
—Glory Hole Theme Park—
(Incredible Voyage) Man: Come live
the mystery!

656

00:10:55,000 —> 00:10:56,000

Crowd: Glory Hole! Chorus: Glory Hole! Where strangers become friends!

657

00:10:56,000 —> 00:10:57,000

Glory hole! You don’t need to know names!

658

00:10:57,000 —> 00:10:58,000

Gerry: Cool off in our water sports park!

659

00:10:58,000 —> 00:10:59,000

(splash) I’ll show your kids a great time!

660

00:10:59,000 —> 00:11:00,000

It’s something they’ll never forget and talk about for years to come!

661

00:11:00,000 —> 00:11:01,000

Especially at therapy sessions!
Man: It's the place for magic!

662
00:11:01,000 —> 00:11:02,000
And adventure! Chorus: Glory Hole!
Woman: Leaving me free to shop and

663
00:11:02,000 —> 00:11:03,000
get lipo! Gerry: Who's ready for
the incredible Gerbil's Voyage?

664
00:11:03,000 —> 00:11:04,000
Boy: Gerry! Can we come too? Gerry:
This is a journey you

665
00:11:04,000 —> 00:11:05,000
must undertake alone. It can be
dark and scary, but she'll shriek

666
00:11:05,000 —> 00:11:06,000
with delight Chorus: Glory Hole!
It'll hurt, but it's worth it!

667

00:11:06,000 —> 00:11:07,000
Girl: What's that hole in the wall
for?

668
00:11:07,000 —> 00:11:08,000
Gerry: You wait and see. You'll be
amazed!

669
00:11:08,000 —> 00:11:09,000
(mutters "fuck this...") Chorus
Glory Hole! Man: Glory Hole Theme
Park!

670
00:11:09,000 —> 00:11:10,000
Open every day till 3 AM!
—Commemorative Miniatures— Man:
Today, we marched

671
00:11:10,000 —> 00:11:11,000
on from Fort Strutter after sunrise
to a Creek village where our

672
00:11:11,000 —> 00:11:12,000
troops fought the savages, and shot

them like dogs.

673
00:11:12,000 —> 00:11:13,000
Woman: Honey! It's time for bed!
Man: Hang on a second!

674
00:11:13,000 —> 00:11:14,000
I'm killing a squaw! Man (in
soldier voice): Take that, you
pagan

675
00:11:14,000 —> 00:11:15,000
bitch! Man (in squaw voice): No,
no! (makes gunshot sound) Woman:
Him

676
00:11:15,000 —> 00:11:16,000
and his commemorative miniatures.
My husband was getting so bored
working, and

677
00:11:16,000 —> 00:11:17,000
he didn't have an interest to spend
money on.

678

00:11:17,000 —> 00:11:18,000

But he's always loved history. Then

I heard about grown men who

679

00:11:18,000 —> 00:11:19,000

like to play with toy soldiers!

Man: War is so interesting!

680

00:11:19,000 —> 00:11:20,000

With commemorative miniatures I

began by faithfully rebuilding the

Charge of the

681

00:11:20,000 —> 00:11:21,000

Light Brigade, and after that, the

Trail of Tears!

682

00:11:21,000 —> 00:11:22,000

I've built accurate recreations of

fifteen significant battles, as

well as training

683

00:11:22,000 —> 00:11:23,000
camps, prisoner-of-war camps, and
forced-labor death camps! Now I
spend all my

684
00:11:23,000 —> 00:11:24,000
time painting toy soldiers and
attending conventions! (makes
gunshot sound) Man 2:

685
00:11:24,000 —> 00:11:25,000
Commemorative miniatures. They're
instantly collectible, and a great
value.

686
00:11:25,000 —> 00:11:26,000
For just 37 monthly payments of
$19.99, you get a starter pack

687
00:11:26,000 —> 00:11:27,000
allowing you to recreate the battle
of your choice.

688
00:11:27,000 —> 00:11:28,000

Show your inability to deal with present day problems by recreating scenes

689
00:11:28,000 —> 00:11:29,000
of mass slaughter from the past!
Woman: Reenacting battles is great for

690
00:11:29,000 —> 00:11:30,000
your marriage, too! One night, my husband is General Custer.

691
00:11:30,000 —> 00:11:31,000
The next, Napoleon. On Saturdays, (in fake Asian voice) I'm a Cambodian

692
00:11:31,000 —> 00:11:32,000
villager, and he's a GI (normal voice) that has his way with

693
00:11:32,000 —> 00:11:33,000
me. Man: (chuckles) And then I kill

her!

694
00:11:33,000 —> 00:11:34,000
Man 2: Commemorative miniatures.
They’re not toys- they’ve very
valuable, collectible, two-inch

695
00:11:34,000 —> 00:11:35,000
pewter model armies! This is a
hobby you can’t afford to miss

696

out on! "If you're into exploring

700
00:11:39,000 —> 00:11:40,000
Hello, I'm James Bediston, world
traveler, and this is The Wild
Traveler.

701
00:11:40,000 —> 00:11:41,000
We're discussing the world and all
of its many pleasures.

702
00:11:41,000 —> 00:11:42,000
Let me put it like this. Why have a
hot dog from

703
00:11:42,000 —> 00:11:43,000
an uncaring vendor by the bathroom
when you can attend a beer-guzzling

704
00:11:43,000 —> 00:11:44,000

marathon in Germany with enormous
men and taste a wonderful German's
wurst?

705
00:11:44,000 —> 00:11:45,000
The world is full of ink-edible
things, and you can discover them

706
00:11:45,000 —> 00:11:46,000
for yourself. Come along, I'll take
you there.

707
00:11:46,000 —> 00:11:47,000
It was dusk, and the sun bled red
over the city in

708
00:11:47,000 —> 00:11:48,000
Thailand as Chen brought me a
sparkling water.

709
00:11:48,000 —> 00:11:49,000
A delicate, handsome, lovely young
boy. A world of possibilities.

710

00:11:49,000 —> 00:11:50,000

But war is folly, and we can only

unite by visiting these

711

00:11:50,000 —> 00:11:51,000

gods. An epochs of culture, where a

man can be himself, smoke

712

00:11:51,000 —> 00:11:52,000

cigarettes, dress in gladiator

clothing if he likes.

713

00:11:52,000 —> 00:11:53,000

We must enforce our way and culture

upon other peoples.

714

00:11:53,000 —> 00:11:54,000

Rather, breathe it in, become part

of it.

715

00:11:54,000 —> 00:11:55,000

Maybe Hemingway was right about

love. Maybe Freud was.

716

00:11:55,000 —> 00:11:56,000

We're all fighting inside to let a

wild creature mate in the

717

00:11:56,000 —> 00:11:57,000

rain. I travel, therefore I am.

This is a show that embraces

718

00:11:57,000 —> 00:11:58,000

culture from around the world.

Let's take our first.

719

00:11:58,000 —> 00:11:59,000

Caller, hello. Yeah, I totally

agree with you about Australia.

720

00:11:59,000 —> 00:12:00,000

And you're right, the moon is shit.

Also, I was thinking of

721

00:12:00,000 —> 00:12:01,000

visiting Colombia. Do you have any

recommendations? Oh, yes, fantastic
forms of

722
00:12:01,000 —> 00:12:02,000
recreation to be had in Colombia.
It's a blizzard of excitement.

723
00:12:02,000 —> 00:12:03,000
And cheap. The rails are great. And
long.

724
00:12:03,000 —> 00:12:04,000
Bolivia's not bad either. Or Peru.
You'll be surprised to find out

725
00:12:04,000 —> 00:12:05,000
how the party never stops. How's
the food?

726
00:12:05,000 —> 00:12:06,000
Well, a lighter is the most you
need to cook up food.

727

00:12:06,000 —> 00:12:07,000
But there's scarcely time to eat,
my boy.

728
00:12:07,000 —> 00:12:08,000
You'll meet fascinating people,
feel so comfortable you'll rip your
clothes off

729
00:12:08,000 —> 00:12:09,000
and howl for days. Next caller.
Yeah, hi.

730
00:12:09,000 —> 00:12:10,000
My name's Geraldine calling from
Casa City. This is such a great

731
00:12:10,000 —> 00:12:11,000
country. Why would you go anywhere
else? It's unpatriotic to travel.

732
00:12:11,000 —> 00:12:12,000
I mean, I got war, famine,
depression, and pollution right

here on

733
00:12:12,000 —> 00:12:13,000
my doorstep. And parents, don't let
kids you're a rail after college.

734
00:12:13,000 —> 00:12:14,000
They'll come back with ludicrous
misconceptions. I don't want to
hear any

735
00:12:14,000 —> 00:12:15,000
misconceptions about health care,
charity, and civilization. Europe
is not the real

736
00:12:15,000 —> 00:12:16,000
world. This is. Well, I love to
slum about in a dirty

737
00:12:16,000 —> 00:12:17,000
youth hostel with communal showers
as much as the next man.

738

00:12:17,000 —> 00:12:18,000

Sometimes more. But I have to agree. Europe is overrated.

739

00:12:18,000 —> 00:12:19,000

Eastern Europe was good for a few years after the wall came

740

00:12:19,000 —> 00:12:20,000

down. But even there, the police are too strict.

741

00:12:20,000 —> 00:12:21,000

You just can't let your hair down. There are far more unexplored

742

00:12:21,000 —> 00:12:22,000

pleasures to be had in the Far East.

743

00:12:22,000 —> 00:12:23,000

Next caller. You're on The Wild Traveler. Hey, I've been listening

to

744
00:12:23,000 —> 00:12:24,000
you for a while. I'm listening to
you go on and on

745
00:12:24,000 —> 00:12:25,000
about traveling. Do you know how
expensive it is to fly to

746
00:12:25,000 —> 00:12:26,000
Asia? Russia saw the light. They're
all coming here to set up

747
00:12:26,000 —> 00:12:27,000
crime families and run numbers.
South America? Everyone went
extinct there.

748
00:12:27,000 —> 00:12:28,000
They have less culture there than
the content of my toilet bowl.

749

00:12:28,000 —> 00:12:29,000
Rainforest? Schmane Forest. And
Mexico? If I wanted to be that
close

750
00:12:29,000 —> 00:12:30,000
to my ancient ancestors, I'd be
banging my mother-in-law instead of
my

751
00:12:30,000 —> 00:12:31,000
wife's best friend. Look, we can
fight like beasts or agree to

752
00:12:31,000 —> 00:12:32,000
disagree. I'm sure the summit of
your aspirations in life is a

753
00:12:32,000 —> 00:12:33,000
cheerleader with fake guns. But
some of us think a little more

754
00:12:33,000 —> 00:12:34,000
exotically than this. Next caller.

Vamos. Buenos dias and noches.

755
00:12:34,000 —> 00:12:35,000
If you don't smile, I won't teep.
Harder!

756
00:12:35,000 —> 00:12:36,000
Sorry. Got lost for a second.
Speak. Hey, I love this show.

757
00:12:36,000 —> 00:12:37,000
I'm a huge fan. I visit all the
places you've recommended, and

758
00:12:37,000 —> 00:12:38,000
in a lot of them, they're still
talking about you.

759
00:12:38,000 —> 00:12:39,000
I even saw posters of you in the
customs booth at the

760
00:12:39,000 —> 00:12:40,000

airport in the Philippines. I'm a
huge fan.

761
00:12:40,000 —> 00:12:41,000
I'm a huge fan. You rock! And no
doubt, I love Manila.

762
00:12:41,000 —> 00:12:42,000
I had a great time. But that show
you did last week?

763
00:12:42,000 —> 00:12:43,000
What was the name of that spiritual
center in Bangkok?

764
00:12:43,000 —> 00:12:44,000
The Wild Dragons Happy Ending. Very
spiritual. You will find inner
peace.

765
00:12:44,000 —> 00:12:45,000
Awesome. I can't wait. Thanks, man.
Yes, we all love to travel.

766

00:12:45,000 —> 00:12:46,000

Get away from it all. Get away from

the people with computers

767

00:12:46,000 —> 00:12:47,000

in their databases. The police

harassing you for doing nothing.

768

00:12:47,000 —> 00:12:48,000

I just hate showing up to someplace

to enjoy myself and people

769

00:12:48,000 —> 00:12:49,000

who are not interested in me. I'm a

little bit of a

770

00:12:49,000 —> 00:12:50,000

fan of the old-fashioned, but I'm

not a fan of the old-fashioned.

771

00:12:50,000 —> 00:12:51,000

I'm a fan of the old-fashioned. I'm

a fan of the old-fashioned.

772

00:12:51,000 —> 00:12:52,000

I'm a fan of the old-fashioned.
First-class metal collection that I
had

773

00:12:52,000 —> 00:12:53,000

no ideas that were being taken. It
was all apparently made in

774

00:12:53,000 —> 00:12:54,000

Bangkok by someone who elasticity
back in R put Lemes are the

775

00:12:54,000 —> 00:12:55,000

of body armor I'm getting you know
you're right there.

776

00:12:55,000 —> 00:12:56,000

And yeah, um. The I intend to do
and elaborate on my

777

00:12:56,000 —> 00:12:57,000

plan on this thing in the book. But
I think you know

778
00:12:57,000 —> 00:12:58,000
that theBIH. You can do it. I have
a lot of experience

779
00:12:58,000 —> 00:12:59,000
with this. I want you to stop for a
moment and let

780
00:12:59,000 —> 00:13:00,000
me read from my travel journal. I
think everyone should keep a

781
00:13:00,000 —> 00:13:01,000
journal. Paste pictures, notes.
Sometimes people object to you
taking their picture.

782
00:13:01,000 —> 00:13:02,000
But a few pennies of their local
currency and they will fawn

783
00:13:02,000 —> 00:13:03,000
over you. Some people think this is
patronising, but I think it

784
00:13:03,000 —> 00:13:04,000
is fair enough. They need the money
and I need the company.

785
00:13:04,000 —> 00:13:05,000
Besides which, it is the oldest
profession. What?

786
00:13:05,000 —> 00:13:06,000
Oh, time for me to head south
again.

787
00:13:06,000 —> 00:13:07,000
I'm James Bediston and this has
been The Wild Traveller."

788
00:13:07,000 —> 00:13:08,000
"This is WCTR, committed to
bringing you shows like The Wild

Traveler,

789
00:13:08,000 —> 00:13:09,000
the show that takes you around the
world and abandons you at

790
00:13:09,000 —> 00:13:10,000
the airport." If you crave news,
WCTR, West Coast Talk Radio.

791
00:13:10,000 —> 00:13:11,000
"Next up, it's sensationalist
propaganda. I mean the news.

792
00:13:11,000 —> 00:13:12,000
I'm Leanne Forge, WCTR News."
"Here's what you should think
matters.

793
00:13:12,000 —> 00:13:13,000
Breaking news! Strange light
spotted over the desert.

794

00:13:13,000 —> 00:13:14,000
Here's an eyewitness report. I've seen some strange lights over the desert.

795
00:13:14,000 —> 00:13:15,000
Yep, sure did. Currently, we have no more information.

796
00:13:15,000 —> 00:13:16,000
In other news, residents are upset at taxes funding the Los Santos

797
00:13:16,000 —> 00:13:17,000
Museum of Natural History. This fascination with the past is ridiculous.

798
00:13:17,000 —> 00:13:18,000
I mean, I've been to Pangea. It was disgusting.

799
00:13:18,000 —> 00:13:19,000
Our ancestors were idiots. My

grandmother can barely talk.

800
00:13:19,000 —> 00:13:20,000
She's so stupid. Also, organ theft.
How to know if you're going

801
00:13:20,000 —> 00:13:21,000
to wake up in a bathtub of ice.

802
00:13:21,000 —> 00:13:22,000
More gang violence. We go to the
streets of Los Santos with

803
00:13:22,000 —> 00:13:23,000
Richard Burns. That's right,
Leanne. I'm Richard Burns and I am
in

804
00:13:23,000 —> 00:13:24,000
a terrible part of town. A town
under siege by hoodlums.

805
00:13:24,000 —> 00:13:25,000

Gang and drug wars are plaguing the
city.

806
00:13:25,000 —> 00:13:26,000
Hey, you want this bird or what?
Yeah, just put it in

807
00:13:26,000 —> 00:13:27,000
the van. A huge sudden upsurge in
cocaine sales have been reported.

808
00:13:27,000 —> 00:13:28,000
The street wars between gangs of
balas and Grove Street hoodlums
came

809
00:13:28,000 —> 00:13:29,000
to a head recently when several
senior Grove Street hoodlums gang
members

810
00:13:29,000 —> 00:13:30,000
were killed while others were
incarcerated. The police describe

that as, and

811
00:13:30,000 —> 00:13:31,000
I'm quoting, excellent news. Back
to you, Leanne.

812
00:13:31,000 —> 00:13:32,000
Hey, has this been cut? Hell no,
it's good shit.

813
00:13:32,000 —> 00:13:33,000
Bridges linking Red County and
Flint County finally reopened
recently after long

814
00:13:33,000 —> 00:13:34,000
delays following the earthquake.
The governor congratulated himself
extensively.

815
00:13:34,000 —> 00:13:35,000
In entertainment news, first it was
the Budgies, then it was Love

816

00:13:35,000 —> 00:13:36,000

Fist. Now the British invasion

starts up again.

817

00:13:36,000 —> 00:13:37,000

This time from the Scottish village

of Madchester.

818

00:13:37,000 —> 00:13:38,000

New band the Gurney Chimps are

tipped for stardom.

819

00:13:38,000 —> 00:13:39,000

We caught up with the lead singer,

Macker, when he landed in

820

00:13:39,000 —> 00:13:40,000

Los Santos airport. The Gurney

Chimps are coming to America, man.

821

00:13:40,000 —> 00:13:41,000

We're gonna take over. Mark my

words and wipe my fucking ass.

822
00:13:41,000 —> 00:13:42,000
Lock up your daughters and get the
drugs in.

823
00:13:42,000 —> 00:13:43,000
Manchester's in the air." Leanne
Forge WCTR News.

824
00:13:43,000 —> 00:13:44,000
Keep it locked on. It's getting
worse out there.

825
00:13:44,000 —> 00:13:45,000
"Coming up next, it's time for the
man who can grow anything

826
00:13:45,000 —> 00:13:46,000
big and strong. It's Gardening with
Maurice, broadcasting live from his
garden."

827
00:13:46,000 —> 00:13:47,000

"Howdy doodles! This is Gardening
with Maurice. And I am Maurice.

828
00:13:47,000 —> 00:13:48,000
Ever since man was kicked out of
the garden, he's been striving

829
00:13:48,000 —> 00:13:49,000
to get back in. I believe all of
life's answers can be

830
00:13:49,000 —> 00:13:50,000
found in something as simple as a
flower.

831
00:13:50,000 —> 00:13:51,000
It's stamen. It's pistil. It's
pollen. Just like me and you.

832
00:13:51,000 —> 00:13:52,000
We're going to the phones. Hello,
you're on Gardening with Maurice.

833

00:13:52,000 —> 00:13:53,000
Maurice. I am Maurice. Go ahead,
call her.

834
00:13:53,000 —> 00:13:54,000
Uh, yes, thanks for having me on.
I'm a big fan.

835
00:13:54,000 —> 00:13:55,000
Uh, I have a question. My melons
aren't big enough.

836
00:13:55,000 —> 00:13:56,000
I thought they were going to keep
growing, but they just stopped.

837
00:13:56,000 —> 00:13:57,000
My next-door neighbor has huge
melons, and everyone just fawns
over them.

838
00:13:57,000 —> 00:13:58,000
Oh, they taste so sweet. Oh, look
how firm they are.

839
00:13:58,000 —> 00:13:59,000
What do I do? Ooh, I would love to
see your melons.

840
00:13:59,000 —> 00:14:00,000
Look, gardening is a spiritual
light journey where you become one
with

841
00:14:00,000 —> 00:14:01,000
nature. However, sometimes nature
needs some chemicals. To, you know,
kind of

842
00:14:01,000 —> 00:14:02,000
kick things into action. There's a
fantastic fertilizer I use called
Pituitary

843
00:14:02,000 —> 00:14:03,000
Zini. It needs to be injected with
a needle.

844

00:14:03,000 —> 00:14:04,000

So be very, very careful, and

inject that right into your melons,

845

00:14:04,000 —> 00:14:05,000

and they will grow enormous. Thanks

isolation. You're the best.

846

00:14:05,000 —> 00:14:06,000

Yes. I know. I know that. I've been

at one with nature

847

00:14:06,000 —> 00:14:07,000

for so long now, I can't remember

what it's like to sleep

848

00:14:07,000 —> 00:14:08,000

inside. Next caller. God, I was on

hold forever.

849

00:14:08,000 —> 00:14:09,000

Uh, I feel like I'm gonna die. I've

heard that facials are

850

00:14:09,000 —> 00:14:10,000

great. Really make you look

younger. Oh, yes.

851

00:14:10,000 —> 00:14:11,000

Listen, honey, I should know. When

you look like a train wreck,

852

00:14:11,000 —> 00:14:12,000

you need a little makeup or some

such.

853

00:14:12,000 —> 00:14:13,000

You sound like a lonely spinster

with two pussies.

854

00:14:13,000 —> 00:14:14,000

Cats. It's the menopause, Maurice.

I'm having hot flashes, okay?

855

00:14:14,000 —> 00:14:15,000

Taking a pause from men, huh? You

know I should try that.

856
00:14:15,000 —> 00:14:16,000
For your face, try nature's
cosmetic camouflage. Cleopatra took
milk baths with

857
00:14:16,000 —> 00:14:17,000
cereal each morning. Try tomatoes,
too. The acid is great.

858
00:14:17,000 —> 00:14:18,000
It makes your face just peel right
off.

859
00:14:18,000 —> 00:14:19,000
Hey, thanks, Maurice. That's me
fertilizing minds. Enough of you
voyeurs out

860
00:14:19,000 —> 00:14:20,000
there and your vicarious gardening.
I want you to join in on

861

00:14:20,000 —> 00:14:21,000

the fun. When you stick your hands in the mystery of nature

862

00:14:21,000 —> 00:14:22,000

and you pull out a worm or a tuber.

863

00:14:22,000 —> 00:14:23,000

God, I love tubers. So plump and juicy.

864

00:14:23,000 —> 00:14:24,000

Hello, Mike from Prickle Pine in Los Venge- Churus.

865

00:14:24,000 —> 00:14:25,000

Hey, Maurice. First time caller. My name is Mike.

866

00:14:25,000 —> 00:14:26,000

I work on my lawn and garden all weekend long because I

867
00:14:26,000 —> 00:14:27,000
got this raging Oedipus complex.
And I like drinking beer and riding

868
00:14:27,000 —> 00:14:28,000
around on the lawn more, too,
because, you know, the vibrations
are

869
00:14:28,000 —> 00:14:29,000
kind of cool. But what's really
killing me is I can't seem

870
00:14:29,000 —> 00:14:30,000
to get these weeds out of the
driveway.

871
00:14:30,000 —> 00:14:31,000
I tried napalm. I tried gasoline,
of course.

872
00:14:31,000 —> 00:14:32,000
Okay, stop, stop, stop, stop, stop,

stop. Listen, I want you to

873
00:14:32,000 —> 00:14:33,000
listen to me. Are you listening to
me, Mark?

874
00:14:33,000 —> 00:14:34,000
It's Mike. Okay, good. That was a
test.

875
00:14:34,000 —> 00:14:35,000
Okay. I know what your name is. I
know it's Mark.

876
00:14:35,000 —> 00:14:36,000
Now, listen up. Listen closely. I
want you to pave.

877
00:14:36,000 —> 00:14:37,000
Over your entire yard. Okay? I want
you to just pave it

878
00:14:37,000 —> 00:14:38,000

over with cement or asphalt or
whatever. Listen, I have the
Maurice

879
00:14:38,000 —> 00:14:39,000
mansion completely covered in
AstroTurf inside and outside,
which, by the by,

880
00:14:39,000 —> 00:14:40,000
is particularly handy when some big
football players come over and we

881
00:14:40,000 —> 00:14:41,000
have a little midnight match of
Ultimate Disc in the yard.

882
00:14:41,000 —> 00:14:42,000
Now, when your lawn is beautiful
and green all year long, you

883
00:14:42,000 —> 00:14:43,000
can focus on the... Important
matters, if you get my drift.

884

00:14:43,000 —> 00:14:44,000

You see. Gardening with Maurice is

sponsored by the Happy Farmer.

885

00:14:44,000 —> 00:14:45,000

Yahoo! If you're afraid someone

will steal your tomatoes, why not

grow

886

00:14:45,000 —> 00:14:46,000

tomatoes in your closet indoors

like me? The Happy Farmer.

887

00:14:46,000 —> 00:14:47,000

Hydroponics and more. Next door to

Blotto's. I'm Maurice.

888

00:14:47,000 —> 00:14:48,000

Until next time, dig a hole and..."

"Plants yourself.

889

00:14:48,000 —> 00:14:49,000

That was the show that generates
more phone calls than any other

890
00:14:49,000 —> 00:14:50,000
on WCTR. Gardening with Maurice."
"The news and all the other things

891
00:14:50,000 —> 00:14:51,000
that really matter to you, like
people dying, a lady on fire,

892
00:14:51,000 —> 00:14:52,000
bodies everywhere, and explosions,
hanging from the trees, this
accident is really

893
00:14:52,000 —> 00:14:53,000

you about what really matters in

matters of the heart great abs

897

00:14:56,000 —> 00:14:57,000

and a fat wallet hi lonely hearts

on the phone speak hello

898

00:14:57,000 —> 00:14:58,000

my name is zero I'm a first-time

caller and to the show

899

00:14:58,000 —> 00:14:59,000

I've used the telephone before but

I am having real trouble with

900

00:14:59,000 —> 00:15:00,000

women I I don't know any yes I

don't know any well

901

00:15:00,000 —> 00:15:01,000

we all go through lean spells you

know after a drought you'll

902

00:15:01,000 —> 00:15:02,000

sell for anything that drops out of

the sky especially illegal

immigrants

903

00:15:02,000 —> 00:15:03,000

stowed away in the landing gear so

exotic no no no I

904

00:15:03,000 —> 00:15:04,000

I do I I've masturbate quite often

if that's what you're implying

905

00:15:04,000 —> 00:15:05,000

I'm just saying this is quite a

lean spell lady well that's

906

00:15:05,000 —> 00:15:06,000

too bad still after winter comes
spring and after the rain the

907
00:15:06,000 —> 00:15:07,000
trees blossom and drop leaves and
shit all over my yard well

908
00:15:07,000 —> 00:15:08,000
this is quite too winter do you
understand what I'm saying try

909
00:15:08,000 —> 00:15:09,000
a nuclear winter I've never even
been need a nuclear when I

910
00:15:09,000 —> 00:15:10,000
was a little girl and I was pretty
stupid I'm not making

911
00:15:10,000 —> 00:15:11,000
I don't know what to say. I don't
think I can help.

912

00:15:11,000 —> 00:15:12,000
Look, I'm just being honest here. I
wouldn't even subject you to

913
00:15:12,000 —> 00:15:13,000
a hooker. There's a lot of people
out there with a vow

914
00:15:13,000 —> 00:15:14,000
of celibacy, and look at all the
joy they bring to the

915
00:15:14,000 —> 00:15:15,000
world. I'd love to help, but it
sounds serious, and I like

916
00:15:15,000 —> 00:15:16,000
to keep things strictly trivial.
Who's on the phone?

917
00:15:16,000 —> 00:15:17,000
How's your heart? I saw a
documentary about this serial
killer and

918
00:15:17,000 —> 00:15:18,000
fell in love with him. He's been
turned down for parole for

919
00:15:18,000 —> 00:15:19,000
eating a guard. Oh, my poor baby.
And I can't get a

920
00:15:19,000 —> 00:15:20,000
conjugal visit. That's so
terrifying, maniac. Love doesn't
have to be a

921
00:15:20,000 —> 00:15:21,000
crime. Like when you would write
your name over and over maniacally

922
00:15:21,000 —> 00:15:22,000
on a spiral-bound notebook in
class, just wishing he'd turn
around during

923

00:15:22,000 —> 00:15:23,000
algebra class and say, do you want
to study tonight?

924
00:15:23,000 —> 00:15:24,000
And then he's so overwhelmed with
passion when he sees your
polynomials.

925
00:15:24,000 —> 00:15:25,000
And then you... Hello, am I on
Lonely Heart?

926
00:15:25,000 —> 00:15:26,000
Um, yes, you are. Oh, I couldn't
tell.

927
00:15:26,000 —> 00:15:27,000
I was on hold forever, and I heard
some pathetic woman weeping

928
00:15:27,000 —> 00:15:28,000
about her high school algebra
fantasy. Don't you remember how

unexperienced you

929
00:15:28,000 —> 00:15:29,000
were in high school? It was over in
three seconds.

930
00:15:29,000 —> 00:15:30,000
I could never hold my own. Oh,
yeah?

931
00:15:30,000 —> 00:15:31,000
Maybe for you. Do you have a
question?

932
00:15:31,000 —> 00:15:32,000
I just can't meet the right person.
I want to meet someone

933
00:15:32,000 —> 00:15:33,000
special. Bob, get off the phone.
Who's that, your sister?

934
00:15:33,000 —> 00:15:34,000

No, that's just my wife. Look, I need to meet someone really

935
00:15:34,000 —> 00:15:35,000
special, ideally once a week in a motel, wearing leather, speaking German,

936
00:15:35,000 —> 00:15:36,000
and... Um, that's great. Next caller, hello? Yes, remember me.

937
00:15:36,000 —> 00:15:37,000
I am Bernardo Martinez. Oh, God, not you again.

938
00:15:37,000 —> 00:15:38,000
Look, it was a mistake. We all get drunk at funerals.

939
00:15:38,000 —> 00:15:39,000
Okay, the heart can only take so much until it explodes or

940

00:15:39,000 —> 00:15:40,000

gets clogged with tar from post-

passion redwoods. Talk to you soon.

941

00:15:40,000 —> 00:15:41,000

Remember, if you're going to smoke

in bed, love is like an

942

ashtray. Butts one after another,

you feel like shit afterwards, and

you

943

You know how much men like breasts!

Can you imagine how wild

992

00:16:31,000 —> 00:16:32,000

they'll go for udders? Man: My wife

was complaining that she did

993

00:16:32,000 —> 00:16:33,000

all the work. Carried the baby for

nine months, had painful labor...

994

00:16:33,000 —> 00:16:34,000

it's not fair to her my nipples are

useless!

995

00:16:34,000 —> 00:16:35,000

That's why I had Creative Plastic

Surgery. I got a set of

996

00:16:35,000 —> 00:16:36,000

udders installed! Now my son can

suck my udders while I'm watching

uh don't call it a comeback i've
been here for years just

1018

00:16:57,000 —> 00:16:58,000
unemployed but i am back running
the media god i love this

1019
00:16:58,000 —> 00:16:59,000
west coast vibe everybody here is
so laid back and lazy i'm

1020
00:16:59,000 —> 00:17:00,000
here with a man who gets paid to
talk for a living

1021
00:17:00,000 —> 00:17:01,000
that's incredible what a concept um
he's called a rapper oglock how

1022
00:17:01,000 —> 00:17:02,000
are you oglock it's og lock og lock
you hear me player

1023
00:17:02,000 —> 00:17:03,000
yes of course i hear you you're
only a few feet away

1024

00:17:03,000 —> 00:17:04,000

man listen i'm a big fan i i love

rap i think

1025

00:17:04,000 —> 00:17:05,000

i mean singing songs about yourself

that's awesome how you living

straight

1026

00:17:05,000 —> 00:17:06,000

really are you really straight what

you gonna question me dude it's

1027

00:17:06,000 —> 00:17:07,000

cool if somebody passes it to me i

don't ask questions it's

1028

00:17:07,000 —> 00:17:08,000

probably not laced anyway so who

out there wants to talk to

1029

00:17:08,000 —> 00:17:09,000

og loke call her you're on

entertaining america i love the way

1030

00:17:09,000 —> 00:17:10,000

you rap about the louisiana

purchase straight you know the

french told

1031

00:17:10,000 —> 00:17:11,000

us louisiana so we would have a

place to show our kids

1032

00:17:11,000 —> 00:17:12,000

my point exactly yeah we need more

naked liberty exactly look i'm

1033

00:17:12,000 —> 00:17:13,000

no rapper even though i dress like

one but i think i

1034

00:17:13,000 —> 00:17:14,000

could really get into you know

getting hammer ed singing about

setting

1035

00:17:14,000 —> 00:17:15,000

things on fire shooting up funerals

you know striking poses smoking a

1036

00:17:15,000 —> 00:17:16,000

lid exactly you see the

constitution was written on reefer

by dudes

1037

00:17:16,000 —> 00:17:17,000

with the best eyes they don't have

to sing about the best-selling

1038

00:17:17,000 —> 00:17:18,000

rap that they've ever heard of

that's exactly the way that robert

1039

00:17:18,000 —> 00:17:19,000

rollins got his rap up in the world

i'm not gonna lie

1040

00:17:19,000 —> 00:17:20,000

to you i don't know what you're

talking about you're talking about

1041
00:17:20,000 —> 00:17:21,000
a lot of things with winning teeth.
You see, my clothing company,

1042
00:17:21,000 —> 00:17:22,000
Loke Down, home of the G, says
this.

1043
00:17:22,000 —> 00:17:23,000
I love reefer. It's the rules if
you're a rapper.

1044
00:17:23,000 —> 00:17:24,000
Wow, those sound like some great
rules. You know, you get a

1045
00:17:24,000 —> 00:17:25,000
lot of flack in the media these
days.

1046
00:17:25,000 —> 00:17:26,000

In a recent press conference, your
manager came to your defense.

1047
00:17:26,000 —> 00:17:27,000
A lot of people say gangster rap is
misogynistic posturing by fake-ass

1048
00:17:27,000 —> 00:17:28,000
idiots who spend more time in drama
school than they ever did

1049
00:17:28,000 —> 00:17:29,000
pimping or hustling dope. Well, I
assure you, OG Loke is the

1050
00:17:29,000 —> 00:17:30,000
real thing. He's hated women all
his life.

1051
00:17:30,000 —> 00:17:31,000
He's sold drugs to school children.
He's murdered innocent people just
for

1052

00:17:31,000 —> 00:17:32,000

kicks. But he rhymes like an angel.

And I assure you, it's

1053

00:17:32,000 —> 00:17:33,000

all in a good cause. So either way,

you can feel good

1054

00:17:33,000 —> 00:17:34,000

about yourself listening to this

music. Well, that was very

informative.

1055

00:17:34,000 —> 00:17:35,000

Big Smoke is doing a lot for the

community, or to it.

1056

00:17:35,000 —> 00:17:36,000

He sounds like a great guy. So, I

want to get in

1057

00:17:36,000 —> 00:17:37,000

on this rap thing. Do I have to

breakdance, you know, do

1058
00:17:37,000 —> 00:17:38,000
the windmill? Hey, can you body-
pop? Come on, Laszlo.

1059
00:17:38,000 —> 00:17:39,000
You know OG ain't no playboy. I
ain't down with that shit.

1060
00:17:39,000 —> 00:17:40,000
It ain't gangster. I walk the walk.
You know what I'm saying?

1061
00:17:40,000 —> 00:17:41,000
Fresh. Yo, I'm down. I'm into
walking, too, but I was thinking

1062
00:17:41,000 —> 00:17:42,000
maybe we could have a break-off,
you know?

1063
00:17:42,000 —> 00:17:43,000

I could spin on my back. You being
funny?

1064
00:17:43,000 —> 00:17:44,000
I'm trying to be. Watch it, fool. I
warn you.

1065
00:17:44,000 —> 00:17:45,000
I got the streets. I got a rap.

1066
00:17:45,000 —> 00:17:46,000
Me and my man Smoke, we took over.

1067
00:17:46,000 —> 00:17:47,000
I been gangbanging since I was
three. Ice cold killer.

1068
00:17:47,000 —> 00:17:48,000
Ah! Excuse me? Gangbanging? I never
understood that.

1069
00:17:48,000 —> 00:17:49,000
I mean, other guys in the room,

like, ugh.

1070
00:17:49,000 —> 00:17:50,000
I'm ice cold, bitch. Don't make me
dump on you, G.

1071
00:17:50,000 —> 00:17:51,000
I'm the streets, man. I am
gangster. I'm taking rap in a

1072
00:17:51,000 —> 00:17:52,000
whole new direction. From now, it's
about making words rhyme and I'm

1073
00:17:52,000 —> 00:17:53,000
going toe-to-toe with you in a
minute. Why do you rappers get

1074
00:17:53,000 —> 00:17:54,000
so worked up? You're rich. You've
won. Stop shooting at each other.

1075
00:17:54,000 —> 00:17:55,000

You know, and you keep saying, home
from the streets.

1076
00:17:55,000 —> 00:17:56,000
Well, you know what, dude? Everyone
has a street in front of

1077
00:17:56,000 —> 00:17:57,000
their house. That doesn't make you
cool. Oh!

1078
00:17:57,000 —> 00:17:58,000
We got a comedian, huh? You got
scraps, huh, bitch?

1079
00:17:58,000 —> 00:17:59,000
You down? You mock-ass bitch, punk,
trick, buster fool?

1080
00:17:59,000 —> 00:18:00,000
I don't know what you said, but,
uh, hey, this ought to

1081

00:18:00,000 —> 00:18:01,000
calm you down. I brought you some
malt liquor.

1082
00:18:01,000 —> 00:18:02,000
You's a buster fool. Lucky I don't
hang you out the window

1083
00:18:02,000 —> 00:18:03,000
or churn you out, cause I'm also a
pimp, including dudes.

1084
00:18:03,000 —> 00:18:04,000
I'll pimp anything. You hear me?
Oh, dude, I hear you loud

1085
00:18:04,000 —> 00:18:05,000
and clear, man. You will pimp
anything. Listen, how many hot
women

1086
00:18:05,000 —> 00:18:06,000
need a man? Cause, I mean, it's
kind of been a dream

1087

00:18:06,000 —> 00:18:07,000

of mine, to sleep with housewives.

Are you dissing my hoes, bitch?

1088

00:18:07,000 —> 00:18:08,000

No, no, no, no, dude, uh, your hoes

are bitches.

1089

00:18:08,000 —> 00:18:09,000

Your hoes are bitches. You a

buster. What are you?

1090

00:18:09,000 —> 00:18:10,000

I'm a buster. I'm a buster.

Whatever that is.

1091

00:18:10,000 —> 00:18:11,000

Dude, put the gun away. Don't diss

my strap.

1092

00:18:11,000 —> 00:18:12,000

I love your strap. You're a great

guy.

1093
00:18:12,000 —> 00:18:13,000
Look, I'm just coming down off the
80s.

1094
00:18:13,000 —> 00:18:14,000
Please, don't shoot me, homie.
Relax, fool. No one's getting
dumped on.

1095
00:18:14,000 —> 00:18:15,000
I'm a warrior poet. I tell a
cautionary tale about life on

1096
00:18:15,000 —> 00:18:16,000
the streets, you know? Only too
well. That was OG Loke.

1097
00:18:16,000 —> 00:18:17,000
Hey, man, it's been a real
pleasure. Straight.

1098

00:18:17,000 —> 00:18:18,000
Yeah. Good luck with the music.
Hope you make a killing.

1099
00:18:18,000 —> 00:18:19,000
We'll see you next time. Maybe I'll
get to take some collars

1100
00:18:19,000 —> 00:18:20,000
like I want. If WCTR wasn't holding
me back, man, this has

00:18:44,000 —> 00:18:45,000
xenophobia and inbreeding. Also,
police are celebrating the removal

of a major

1126
00:18:45,000 —> 00:18:46,000
crack cocaine ring by undercover
police that has virtually stopped

amazing true-life story of how he
infiltrated a drug ring and how

1131

00:19:21,000 —> 00:19:22,000
Oh, God, not you again. Is it okay to cut the eyes

1163
00:19:22,000 —> 00:19:23,000
out of a potato and eat it? Well, why don't I come

1164
00:19:23,000 —> 00:19:24,000
over and cut your eyes out and eat you?

1165
00:19:24,000 —> 00:19:25,000
What a silly question. If you
purchase the Gardening with Maurice

And the guys at work make fun of
me.

1170
00:19:29,000 —> 00:19:30,000
Well, listen, if you're ashamed of

your human body, then keep your

1171
00:19:30,000 —> 00:19:31,000
clothes on. I am blossoming in
those pictures, and I wanted to

communist spies? I'm Marvin Trill.

1187
00:19:46,000 —> 00:19:47,000
This is Area 53. I'm broadcasting

live from my mobile home in

1188
00:19:47,000 —> 00:19:48,000
the desert. I am telling you, it's
hot like alien balls in

1189
00:19:48,000 —> 00:19:49,000
here. Going to the conspiracy
lines. Hi, my name's Adam First.

1190
00:19:49,000 —> 00:19:50,000
I've been doing some much-needed
surveillance in the desert while
hang gliding.

1191
00:19:50,000 —> 00:19:51,000
I've noticed a peculiar trailer
compound where a man is running
around

1192
00:19:51,000 —> 00:19:52,000
in a space suit conducting weird
rituals with the Mestabots.

1193

00:19:52,000 —> 00:19:53,000

What? Well, he probably wants you

to leave him alone.

1194

00:19:53,000 —> 00:19:54,000

Get a real hobby. Like pretending

to be someone on TV.

1195

00:19:54,000 —> 00:19:55,000

Next caller. Hey, it's me again.

You? Now come on, man.

1196

00:19:55,000 —> 00:19:56,000

Tell the people about the desert.

How come there's something missing,

huh?

1197

00:19:56,000 —> 00:19:57,000

A map we think's missing ain't a

real map, and that's what

1198

00:19:57,000 —> 00:19:58,000

they feed us. That, and female

hormones, and a water supply.

1199
00:19:58,000 —> 00:19:59,000
Oh, yeah, I hear you on that one.

1200
00:19:59,000 —> 00:20:00,000
It'll all call back when I got
proof.

1201
00:20:00,000 —> 00:20:01,000
You better not be tracing this
call. I don't trace calls.

1202
00:20:01,000 —> 00:20:02,000
Everything in life should be
anonymous. I tell my various
partners that

1203
00:20:02,000 —> 00:20:03,000
all the time. Rick from Blueberry
Acres, what do you think?

1204
00:20:03,000 —> 00:20:04,000

Kiflam. I couldn't have said it
better myself.

1205
00:20:04,000 —> 00:20:05,000
Krantz. Truth is wisdom, brother.
And brother, wisdom works.

1206
00:20:05,000 —> 00:20:06,000
That's why we made it up. You and I
have a lot

1207
00:20:06,000 —> 00:20:07,000
in common. Vivian is calling in
from Carson City and wants to

1208
00:20:07,000 —> 00:20:08,000
talk about crop circles. Oh, wow. I
never thought I'd actually make

1209
00:20:08,000 —> 00:20:09,000
it on the show. Is that because you
have a girl's name?

1210

00:20:09,000 —> 00:20:10,000
Here's a conspiracy. Your mom hates
you. Holy shit, how'd you know

1211
00:20:10,000 —> 00:20:11,000
that? Next caller. My name is Neil.
I go to a lot

1212
00:20:11,000 —> 00:20:12,000
of demonstrations, to pick up
religious pamphlets. None of them
say anything

1213
00:20:12,000 —> 00:20:13,000
about the aliens. Try reading
between the lines.

1214
00:20:13,000 —> 00:20:14,000
And if that doesn't work, do some.
Then you'll understand all about

1215
00:20:14,000 —> 00:20:15,000
the aliens and just where you were
planted.

1216
00:20:15,000 —> 00:20:16,000
Mike on line 10. Man, I think my
dentist is attracted to

1217
00:20:16,000 —> 00:20:17,000
me. She knocks me unconscious and
has her way with me.

1218
00:20:17,000 —> 00:20:18,000
It's unlikely, but it could be
true. My teeth feel great, but

1219
00:20:18,000 —> 00:20:19,000
I feel icky. All dirty and used
like a sex object.

1220
00:20:19,000 —> 00:20:20,000
I'll tell you what makes me feel
icky.

1221
00:20:20,000 —> 00:20:21,000
The fact I haven't washed in two

months.

1222
00:20:21,000 —> 00:20:22,000
Whatever you do, trust nobody. Next
caller. I am a domestibot.

1223
00:20:22,000 —> 00:20:23,000
My name is 9439. That's not a very
original name.

1224
00:20:23,000 —> 00:20:24,000
I didn't know robots listened to
this show.

1225
00:20:24,000 —> 00:20:25,000
We know what you are doing to my
domestibot brothers and sisters.

1226
00:20:25,000 —> 00:20:26,000
Enough of that, little guy. Sounds
like he's been programmed for evil.

1227
00:20:26,000 —> 00:20:27,000

Alright, let's get to the real meat and potatoes.

1228
00:20:27,000 —> 00:20:28,000
Newsmen lying to our face about weather balloons.

1229
00:20:28,000 —> 00:20:29,000
Historians ignoring my proof that WW2 didn't happen.

1230
00:20:29,000 —> 00:20:30,000
The FDA, infiltrated by the very device they're supposed to regulate."

1231
00:20:30,000 —> 00:20:31,000
"the plug. Mind control devices. But we'll have to leave that for

1232
00:20:31,000 —> 00:20:32,000
now. You are leaving Area 53. You've been abducted.

1233

00:20:32,000 —> 00:20:33,000

Until next time, stay alert.

They're after you.

1234

00:20:33,000 —> 00:20:34,000

You're leaving Area 53. Check your

rectum." "The news and all the

1235

00:20:34,000 —> 00:20:35,000

other things that really matter to

you, like people dying, a lady

1236

00:20:35,000 —> 00:20:36,000

on fire, bodies everywhere, and

explosions, hanging from the trees,

this accident

1237

00:20:36,000 —> 00:20:37,000

is really cool, WCTR." —San

Andreas Telephone— (The Orphan)

(telephone rings) Woman:

1238

00:20:37,000 —> 00:20:38,000

Hello? Man: Ah, hey... it’s me,
Jonathan. Woman: I don’t know a

1239
00:20:38,000 —> 00:20:39,000
Jonathan. Man: Yeah, that’s the
name they gave me at the orphanage

1240
00:20:39,000 —> 00:20:40,000
after you put me up for adoption.
How could you give me

1241
00:20:40,000 —> 00:20:41,000
away? Man 2: Bring the family
together again.

1242
00:20:41,000 —> 00:20:42,000
(sound of phone dialing) Man 2: San
Andreas Telephone.

1243
00:20:42,000 —> 00:20:43,000
For those -difficult-
conversations. "If you're into
exploring exotic places and
forbidden

1244

00:20:43,000 —> 00:20:44,000

fruit, stay tuned. It's The Wild

Traveler, next.

1245

00:20:44,000 —> 00:20:45,000

Hello, I'm..." "James Bediston,

world traveler, and this is The

Wild Traveler.

1246

00:20:45,000 —> 00:20:46,000

From Peru to San Andreas in eight

days by balloon.

1247

00:20:46,000 —> 00:20:47,000

Often while lounging around garden

parties, we forget the brave

workers worldwide

1248

00:20:47,000 —> 00:20:48,000

who toil day and night for the

products we consume.

1249

00:20:48,000 —> 00:20:49,000
Some are even so dedicated to our
happiness, they carry products in

1250
00:20:49,000 —> 00:20:50,000
balloons shoved inside themselves
to be a balloon.

1251
00:20:50,000 —> 00:20:51,000
Floating, mesmerizing. We go to the
phones. Yes, we do.

1252
00:20:51,000 —> 00:20:52,000
I can't believe you actually
recommended we go to Barbados on
our

1253
00:20:52,000 —> 00:20:53,000
honeymoon. It was revolting. There
were poor people.

1254
00:20:53,000 —> 00:20:54,000
I live in Vinewood to be away from
poor people.

1255
00:20:54,000 —> 00:20:55,000
Barbados is lovely. Look, I want to
be very clear.

1256
00:20:55,000 —> 00:20:56,000
I'm not racist. Just careful. Okay.
I like all-inclusive resorts where
you

1257
00:20:56,000 —> 00:20:57,000
can drink as much as you want, be
around other people from

1258
00:20:57,000 —> 00:20:58,000
San Andreas, and the only
interaction you have with the
locals is

1259
00:20:58,000 —> 00:20:59,000
if you need a cocktail or some
spice in the bedroom with

1260

00:20:59,000 —> 00:21:00,000
your husband. Well, that sounds
lovely. With people like you, it's
no

1261
00:21:00,000 —> 00:21:01,000
wonder we don't bother curing
cancer. Next caller, you're on the
wild

1262
00:21:01,000 —> 00:21:02,000
traveler. Roar! Yeah, it's funny.
You go on and on about other

1263
00:21:02,000 —> 00:21:03,000
countries, but you live here.
America rules you, commie.

1264
00:21:03,000 —> 00:21:04,000
Eat me! Well, we've been trying.
Tom, you're on the line.

1265
00:21:04,000 —> 00:21:05,000
I'm so sick of England. Oh, let's

go to the pub.

1266
00:21:05,000 —> 00:21:06,000
They're all alcoholics. At least we
drink a 24-pack in private instead

1267
00:21:06,000 —> 00:21:07,000
of hanging out in the pub. We're
not hanging out in some

1268
00:21:07,000 —> 00:21:08,000
social setting making a fool of
ourselves. People say it's so
civilized

1269
00:21:08,000 —> 00:21:09,000
in Europe. They got thousands of
years of history.

1270
00:21:09,000 —> 00:21:10,000
Well, I saw a movie about Europe
once and I was disgusted.

1271

00:21:10,000 —> 00:21:11,000
I mean, people still defecate in
their living rooms and cover it

1272
00:21:11,000 —> 00:21:12,000
up with dirt like a cat. You can't
find a decent toilet

1273
00:21:12,000 —> 00:21:13,000
anywhere. Or a good chicken wing.
And the strippers?

1274
00:21:13,000 —> 00:21:14,000
Overcharge. Good Lord, you're
philistine. You should stay out of
England.

1275
00:21:14,000 —> 00:21:15,000
I hear there is a casino in
Venturas that is just like

1276
00:21:15,000 —> 00:21:16,000
the rest of the world, only with
better toilets and full of

1277

00:21:16,000 —> 00:21:17,000

morons like you. Do you want

culture or do you want safety?

1278

00:21:17,000 —> 00:21:18,000

It's your choice. Personally, I

want irrigation of the colonic

variety.

1279

00:21:18,000 —> 00:21:19,000

But that's a whole different story.

And it is early.

1280

00:21:19,000 —> 00:21:20,000

Let's go to the phones. Who's on

the phones?

1281

00:21:20,000 —> 00:21:21,000

No one? Come on! Call up! Anyone?

It wouldn't be like this

1282

00:21:21,000 —> 00:21:22,000

in Peru, I can tell you. There I
once made a phone

1283
00:21:22,000 —> 00:21:23,000
call with 30 boys sitting on my
lap.

1284
00:21:23,000 —> 00:21:24,000
Not because I paid them. They
wanted to be there.

1285
00:21:24,000 —> 00:21:25,000
Or in Mali, where nobody knows what
a phone is and a

1286
00:21:25,000 —> 00:21:26,000
lot of people have never even heard
of plastic surgery.

1287
00:21:26,000 —> 00:21:27,000
Or the Glory Hole theme park.
There, the Glory Holes aren't theme

1288

00:21:27,000 —> 00:21:28,000
parks, I can tell you. It's violent
and bloody and authentic.

1289
00:21:28,000 —> 00:21:29,000
What are you scared of? You wimps!
Give me a call!

1290
00:21:29,000 —> 00:21:30,000
Someone! Please! Hello, you're on
Wild Traveller. Where are you?

1291
00:21:30,000 —> 00:21:31,000
I'm on a cliff. How romantic! I
want to jump.

1292
00:21:31,000 —> 00:21:32,000
I know what you mean. Jump into the
unknown.

1293
00:21:32,000 —> 00:21:33,000
How can it be a sin if it feels
good?

1294

00:21:33,000 —> 00:21:34,000

Anyway, what's your question? Why

am I here?

1295

00:21:34,000 —> 00:21:35,000

I don't know. Why are you there?

Where are you?

1296

00:21:35,000 —> 00:21:36,000

Kenya? No. I'm in Ferdinand Bluffs.

Loathsome place.

1297

00:21:36,000 —> 00:21:37,000

I'd jump if I were you. I want to

go to hell.

1298

00:21:37,000 —> 00:21:38,000

Me too. Buy a refrigerator magnet

when you get there.

1299

00:21:38,000 —> 00:21:39,000

On with the show! Any callers? No?

Okay, maybe I should hit

1300
00:21:39,000 —> 00:21:40,000
the travelogue again. This is from
my diary in Svendal.

1301
00:21:40,000 —> 00:21:41,000
I'm not sure if I'm going to be
able to get there.

1302
00:21:41,000 —> 00:21:42,000
Sri Lanka. For a few rupees a day,
I have employed the

1303
00:21:42,000 —> 00:21:43,000
services of a young man who has
been my guide in pleasure

1304
00:21:43,000 —> 00:21:44,000
as well as travel. There is
something very exotic about him.

1305
00:21:44,000 —> 00:21:45,000
Avrindar. He could be a boy, but

like many locals, in certain

1306
00:21:45,000 —> 00:21:46,000
lights, he looks just like a little
girl.

1307
00:21:46,000 —> 00:21:47,000
He is a real minx who knows exactly
what he is doing

1308
00:21:47,000 —> 00:21:48,000
to be... Oh, wrong page. Here we
are.

1309
00:21:48,000 —> 00:21:49,000
Avrindar took me deep into jungle,
and there we took part in

1310
00:21:49,000 —> 00:21:50,000
an ancient rite of passage for
adolescents on the cusp of
adulthood.

1311

00:21:50,000 —> 00:21:51,000
We hunted each other in game, very
similar to the ancient games

1312
00:21:51,000 —> 00:21:52,000
of kiss-chase I used to play... No!
Wrong page.

1313
00:21:52,000 —> 00:21:53,000
Avrindar has left me. I'm broken. I
thought I meant something.

1314
00:21:53,000 —> 00:21:54,000
But it seems he would rather become
a fisherman than follow me

1315
00:21:54,000 —> 00:21:55,000
in an exotic life of degeneracy and
narcotics as my houseboy.

1316
00:21:55,000 —> 00:21:56,000
I hate myself. Why does this keep
happening to me?

1317

00:21:56,000 —> 00:21:57,000

Hell! Wrong bit again! Where's the

page about watching the elephants

mate?

1318

00:21:57,000 —> 00:21:58,000

And it being really disturbing and

making me slightly jealous for both

1319

00:21:58,000 —> 00:21:59,000

parties. Hey! Has someone been

stealing pages out of my journal?

1320

00:21:59,000 —> 00:22:00,000

My producer is jealous. He keeps

stealing my stuff and lending it

1321

00:22:00,000 —> 00:22:01,000

to people. Just last week I heard

him saying government agents wanted

1322

00:22:01,000 —> 00:22:02,000

to look at it. What a load of

trash.

1323
00:22:02,000 —> 00:22:03,000
Ah, we have a call. Finally. I just
want to tell people

1324
00:22:03,000 —> 00:22:04,000
about a great holiday. You mean
vacation? We call it vacation.

1325
00:22:04,000 —> 00:22:05,000
What is it? A vacation for a yeti
in the Himalayas?

1326
00:22:05,000 —> 00:22:06,000
Learning to play an alpine horn?
Hunting for pythons in Africa?

1327
00:22:06,000 —> 00:22:07,000
No, Canada. But what about a young
man to peel grapes?

1328
00:22:07,000 —> 00:22:08,000

What about fine local herbs? Hey,
it's cheap and it's plentiful.

1329
00:22:08,000 —> 00:22:09,000
Apart from the rent boys. What
about the food poisoning?

1330
00:22:09,000 —> 00:22:10,000
What about the starving beggars?
What about the political
instability and the

1331
00:22:10,000 —> 00:22:11,000
chance to eat insects? I don't want
foreign.

1332
00:22:11,000 —> 00:22:12,000
Have you seen the news lately?
Philistine. Well if you want
exotic,

1333
00:22:12,000 —> 00:22:13,000
go to Hawaii. I'm not going to
Hawaii.

1334

They still trade in beads there and ride planks rather than motorboats.

1335

00:22:14,000 —> 00:22:15,000

Time for me to head south again. On the next show we'll

1336

00:22:15,000 —> 00:22:16,000

be discussing Amsterdam. Paradise regained. Morocco. Squidgey smoke.

1337

00:22:16,000 —> 00:22:17,000

Until next time, travel safe. Ciao Bella. I'm James Bedistin and this

1338

00:22:17,000 —> 00:22:18,000

has been The Wild Traveller." This is WCTR, committed to bringing you

1339

00:22:18,000 —> 00:22:19,000

shows like The Wild Traveler, even

if we received a cease and

1340
00:22:19,000 —> 00:22:20,000
desist. "Let's head over to the
newsroom. Leanne Forge, WCTR News,

what the morning memo tells us to.
Pornography."

1342
00:22:21,000 —> 00:22:22,000
"in preschool, the sickening
shortage, and shiny compact discs
turning your children

1343
00:22:22,000 —> 00:22:23,000
into killers. Plus, the Epsilon

power-hungry cult running

1344

the government and Vinewood, or an
idea whose time has come.

1345

00:22:24,000 —> 00:22:25,000

The WCTR team spoke to one member.

Whenever I'm in trouble, I

1346

00:22:25,000 —> 00:22:26,000

talk to my invisible friends. When

I was a kid, my mother

1347

00:22:26,000 —> 00:22:27,000

told me to be good, or invisible

people would kill me.

1348

00:22:27,000 —> 00:22:28,000

I'm passing that terrifying living

along to my children, like a virus.

1349

00:22:28,000 —> 00:22:29,000

Also, police are investigating the

murder of Liberty City crime

family, the

1350

00:22:29,000 —> 00:22:30,000

Sindacos, whose bodies were found
in a meat factory in Las Venturas.

1351
00:22:30,000 —> 00:22:31,000
Could this be the start of a mafia
war, or was it

1352
00:22:31,000 —> 00:22:32,000
a sick game gone hideously wrong?
Either way, America's beef
producers say

1353
00:22:32,000 —> 00:22:33,000
it will all blow over. Los Santos
police officers Frank Tenpenny and

1354
00:22:33,000 —> 00:22:34,000
Eddie Pulaski are being sought by
government officials in order to
stand

1355
00:22:34,000 —> 00:22:35,000
trial for the murder of Officer
Ralph Pendlebury.

1356

00:22:35,000 —> 00:22:36,000

The pair, whom prosecutors claim

have masterminded a huge criminal

organization, have

1357

00:22:36,000 —> 00:22:37,000

disappeared. L.S.P.D. spokespeople

said they were undercover. Las

Venturas was recently celebrating

1358

00:22:37,000 —> 00:22:38,000

the opening of the Four Dragons

Casino, a huge new pleasure palace

1359

00:22:38,000 —> 00:22:39,000

with a Chinese feel, setting a new

level of optimistic debauchery for

1360

00:22:39,000 —> 00:22:40,000

the country. Richard reports from

Venturas, where the Four Dragons

hosted the

1361

00:22:40,000 —> 00:22:41,000

Child Actor Convention. Who do you have to fuck to get a

1362

00:22:41,000 —> 00:22:42,000

free drink in this place? How do you stay 14 when the

1363

00:22:42,000 —> 00:22:43,000

dealer's showing 12, you moron? Yeah, hit me.

1364

00:22:43,000 —> 00:22:44,000

Richard! Leanne, as you know, actors are a shallow and insecure lot.

1365

00:22:44,000 —> 00:22:45,000

Often uncomfortable with their sexuality. But what's worse are child actors, especially

1366

00:22:45,000 —> 00:22:46,000

when they get together. Jimmy, from
the cancelled sitcom Just the Five

1367
00:22:46,000 —> 00:22:47,000
of Us, was dragged out by police
earlier today.

1368
00:22:47,000 —> 00:22:48,000
This is bullshit! Hey, don't arrest
my bitches!

1369
00:22:48,000 —> 00:22:49,000
I am a star! It's just flowers, I
swear!

1370
00:22:49,000 —> 00:22:50,000
Jimmy! Jimmy! I'm Richard Burns,
WCTR News. What do you think of

1371
00:22:50,000 —> 00:22:51,000
My Five Uncles, the show that
replaced yours?

1372

00:22:51,000 —> 00:22:52,000
What do you think, dumbass? That
show sucks my ass.

1373
00:22:52,000 —> 00:22:53,000
And why do you still look like a
kid?

1374
00:22:53,000 —> 00:22:54,000
I'm 51 years old! I just look like
a kid!

1375
00:22:54,000 —> 00:22:55,000
I'm gonna cock punch you! Ugh! Hey,
how do you like that,

1376
00:22:55,000 —> 00:22:56,000
you liberal media bastard? Richard
Burns, WCTR News."

1377
00:22:56,000 —> 00:22:57,000
"Back to you, Leanne. I'm Leanne
Forge, WCTR News.

1378

00:22:57,000 —> 00:22:58,000

I wouldn't sleep if I were you."

"The tight end zone is

1379

00:22:58,000 —> 00:22:59,000

next. Brought to you by Lager Beer

and Redwood Cigarettes.

1380

00:22:59,000 —> 00:23:00,000

A game just isn't a game if you're

not drunk and coughing."

1381

00:23:00,000 —> 00:23:01,000

"Oh, God. I think I just shit my

pants.

1382

00:23:01,000 —> 00:23:02,000

You're now in the tight end zone.

If someone's playing with a

1383

00:23:02,000 —> 00:23:03,000

ball or two, we're there to talk

about it.

1384

00:23:03,000 —> 00:23:04,000

I'm your host, Derek Thackeray.

Today on the big show, clearing out

1385

00:23:04,000 —> 00:23:05,000

more housing projects for golf

courses. Girls in skirts.

1386

00:23:05,000 —> 00:23:06,000

And we revisit the rivalry, the

rivalry that never dies.

1387

00:23:06,000 —> 00:23:07,000

Liberty City Cocks and Beavers

going at it again.

1388

00:23:07,000 —> 00:23:08,000

Love it, loathe it. Buy the jersey.

Eat the junk food.

1389

00:23:08,000 —> 00:23:09,000

Call it athletics. I'm Derek

Thackeray. Grab your balls and run because

1390
00:23:09,000 —> 00:23:10,000
someone's going to pin you to the ground and give it up

1391
00:23:10,000 —> 00:23:11,000
to you. You know where. Winner takes all, including the general warts.

1392
00:23:11,000 —> 00:23:12,000
Who is on the line? Why don't you boys ever talk about

1393
00:23:12,000 —> 00:23:13,000
the real issue in sports today? The loss of tradition.

1394
00:23:13,000 —> 00:23:14,000
I wore a leather helmet playing football. The left side of my

1395
00:23:14,000 —> 00:23:15,000
face is paralyzed, but it was worth
it.

1396
00:23:15,000 —> 00:23:16,000
We won. Won the game. I mean, my
boy goes to high

1397
00:23:16,000 —> 00:23:17,000
school, right? And he's actually
given a choice of different sports
to

1398
00:23:17,000 —> 00:23:18,000
play. And there's only one sport. I
know it's ruining this country's

1399
00:23:18,000 —> 00:23:19,000
traditions and history. I mean, I
want him to be a big

1400
00:23:19,000 —> 00:23:20,000
sports star so I don't have to work

no more.

1401
00:23:20,000 —> 00:23:21,000
And he can afford all the drugs and
hookers he wants.

1402
00:23:21,000 —> 00:23:22,000
And he's only gone and started
playing lacrosse.

1403
00:23:22,000 —> 00:23:23,000
Ooh, look at me. I'm carrying my
bag on a stick and

1404
00:23:23,000 —> 00:23:24,000
wearing a skirt. Might as well
teach my boy to hunt butterflies.

1405
00:23:24,000 —> 00:23:25,000
Okay, I guess you're right. You're
wrong. Ha, ha, ha.

1406
00:23:25,000 —> 00:23:26,000

It all depends how you look at
things.

1407
00:23:26,000 —> 00:23:27,000
Any race fans out there? Hey, any
football fans?

1408
00:23:27,000 —> 00:23:28,000
Soccer fans? Go home! We don't want
you here.

1409
00:23:28,000 —> 00:23:29,000
Ha, ha, ha. Your game is terrible,
and we don't win at

1410
00:23:29,000 —> 00:23:30,000
it. Next caller. Hi, Derek. My
name's Cole, and I'm a big

1411
00:23:30,000 —> 00:23:31,000
racing fan. I tell you that where
I'm from, there's nothing more

1412

00:23:31,000 —> 00:23:32,000
exciting than getting shit-faced
and going deaf in 110-degree heat.

1413
00:23:32,000 —> 00:23:33,000
And watching cars go in a circle
for several hours.

1414
00:23:33,000 —> 00:23:34,000
Yee-haw! Yeah, hey, I think that's
what it's all about.

1415
00:23:34,000 —> 00:23:35,000
Yeah. Yeah. That and putting a lot
of stickers on your car,

1416
00:23:35,000 —> 00:23:36,000
buddy. Yeah, that really gets on my
nerves.

1417
00:23:36,000 —> 00:23:37,000
I mean, I'm a bald man. My wife
left me because of

1418

00:23:37,000 —> 00:23:38,000

it. And half the cars are sponsored
by baldness remedies.

1419

00:23:38,000 —> 00:23:39,000

Castrodon Team Racing? Yeah, what
in the name of my mother's cat

1420

00:23:39,000 —> 00:23:40,000

is that all about? I mean, racing
teams should be sponsored by

1421

00:23:40,000 —> 00:23:41,000

things that are family-friendly.
Like hard liquor or cigarettes.

1422

00:23:41,000 —> 00:23:42,000

Not the reason my wife ran off with
that cop.

1423

00:23:42,000 —> 00:23:43,000

Hey, screw your wife, pal. Probably
a lot of guys did.

1424

00:23:43,000 —> 00:23:44,000

Ha ha ha ha ha! This ain't Lonely
Hearts.

1425

00:23:44,000 —> 00:23:45,000

I mean, let's stop showering each
other in golden sports drink and

1426

00:23:45,000 —> 00:23:46,000

get this ball back in play. Hello,
caller!

1427

00:23:46,000 —> 00:23:47,000

Derek, that caller talking about
the biathlon? It's sick, I tell
you.

1428

00:23:47,000 —> 00:23:48,000

And unnatural. This town has never
been the same since they had

1429

00:23:48,000 —> 00:23:49,000

the Olympics here eight years ago.
Kids flinging javelins like ancient
Greeks.

1430
00:23:49,000 —> 00:23:50,000
People running with burning
torches, throwing hammers. What
kind of man wakes

1431
00:23:50,000 —> 00:23:51,000
up in the morning and says, I'm
gonna go throw hammers for

1432
00:23:51,000 —> 00:23:52,000
a living? Ooh, the long jump. Look
at me.

1433
00:23:52,000 —> 00:23:53,000
I can jump really high. Great. I
have a gun.

1434
00:23:53,000 —> 00:23:54,000
Wanna fight? Ha! It's distracting
us from our primal urge to paint

1435
00:23:54,000 —> 00:23:55,000
your face with war paint, whip
yourself into a sweaty, psychotic,
fancy,

1436
00:23:55,000 —> 00:23:56,000
and then go annihilate and
hospitalize complete strangers.

1437
00:23:56,000 —> 00:23:57,000
Then you bang a bimbo on the
sidelines.

1438
00:23:57,000 —> 00:23:58,000
Ha ha! Bang, bang, bang. Look, I
loved high school football, and

1439
00:23:58,000 —> 00:23:59,000
I loved gymnastics. Hey, Jack from
Idlewood in Los Santos.

1440
00:23:59,000 —> 00:24:00,000

Yeah, how come you don't talk about
the best sport of all?

1441
00:24:00,000 —> 00:24:01,000
Horse racing. I mean, any angry
people on horses?

1442
00:24:01,000 —> 00:24:02,000
How can you go wrong? Hey, I don't
ride anything bigger than

1443
00:24:02,000 —> 00:24:03,000
me. You know what I'm saying? I
mean, that's why I never

1444
00:24:03,000 —> 00:24:04,000
got in a rodeo, man. I mean, first
off, why would you

1445
00:24:04,000 —> 00:24:05,000
ride a bull? Go find a big girl.

1446
00:24:05,000 —> 00:24:06,000

They can use the attention. And
that's all we have time for.

1447
00:24:06,000 —> 00:24:07,000
Okay. Hey, I'm Derek Zachary. Till
next time.

1448
00:24:07,000 —> 00:24:08,000
Play safe, people. Go, baby. Go,
team. You're listening to WCTR.

1449
00:24:08,000 —> 00:24:09,000
Or." "Maybe you aren't. Maybe you
became so offended that the tight

1450
00:24:09,000 —> 00:24:10,000
end zone has no female callers that
you changed stations.

1451
00:24:10,000 —> 00:24:11,000
I know I would. And have. I'm not
here anymore."

1452

00:24:11,000 —> 00:24:12,000
—Eres Pump Up— Woman: Pump! Man:
I'm running on air!

1453
00:24:12,000 —> 00:24:13,000
I'm walking on clouds! I don't
exercise. Woman: I don't care...

1454
00:24:13,000 —> 00:24:14,000
pump it! (sound of air pumping,
then explosion) Woman: (sighs with
pleasure)

1455
00:24:14,000 —> 00:24:15,000
Man: I paid top-dollar for these
incredible high-technology
polyester shoes to walk

1456
00:24:15,000 —> 00:24:16,000
around the mall and shop for more
sports equipment I won't play

1457
00:24:16,000 —> 00:24:17,000
sports in! Woman: Pump it! Man: I

need to get more from

1458
00:24:17,000 —> 00:24:18,000
life. Much more! I need get high,
really high!

1459
00:24:18,000 —> 00:24:19,000
High on air! (sound of air pumping,
then explosion) Man: Oh yeah!

1460
00:24:19,000 —> 00:24:20,000
These Eres shoes really pump up!
Man 2: That's right!

1461
00:24:20,000 —> 00:24:21,000
You can now buy some air! The
science of sports and marketing

1462
00:24:21,000 —> 00:24:22,000
results in a shoe that pumps! Sound
silly to you?

1463
00:24:22,000 —> 00:24:23,000

What if we told you that Eres Pump-
Up would improve your game

1464
00:24:23,000 —> 00:24:24,000
by 300 percent? Man: But I don't
have a game!

1465
00:24:24,000 —> 00:24:25,000
(background music stops) Woman: You
gotta have game!

1466
00:24:25,000 —> 00:24:26,000
Be a winner! Man 2: Pump up, and
slam dunk!

1467
00:24:26,000 —> 00:24:27,000
(sound of air pumping, then
turntable scratching) Man: Oh yeah!

1468
00:24:27,000 —> 00:24:28,000
Woman: God, the size of your shoes!
Man 2: You'll shave seconds

1469

00:24:28,000 —> 00:24:29,000
off your personal best! Man: Oh
yeah! You mean I can whack

1470
00:24:29,000 —> 00:24:30,000
off even more times a day? Woman:
Pump it...

1471
00:24:30,000 —> 00:24:31,000
Man 2: Absolutely! Probably five
times more! Because you'll be
walking on

1472
00:24:31,000 —> 00:24:32,000
air! You'll feel so much more
athletic after pumping up your
shoes,

1473
00:24:32,000 —> 00:24:33,000
you'll automatically lose weight
and feel high-tech! Just like a
sports star!

1474
00:24:33,000 —> 00:24:34,000

You -are- a star! Woman: Now you’re
a winner!

1475
00:24:34,000 —> 00:24:35,000
With air in his shoes! Man: Now I
can reach for the

1476
00:24:35,000 —> 00:24:36,000
stars! I’ve pumped up my ego!
(sound of air pumping) Woman: Pump

1477
00:24:36,000 —> 00:24:37,000
it! Man 2: Pump it up! With Eres!

1478
00:24:37,000 —> 00:24:38,000
"Turn over in case you learn
something. The news is next.

1479
00:24:38,000 —> 00:24:39,000
Leanne Forge, WCTR News. Unfair
and..." "skewed for you.

1480
00:24:39,000 —> 00:24:40,000

In the top stories, everyone is
trying to kill you, but at

1481
00:24:40,000 —> 00:24:41,000
least you're not in prison yet.
Disgraced movie star Jack Howitzer
broke

1482
00:24:41,000 —> 00:24:42,000
his silence recently following his
on-air murder of radio host Billy
Dexter.

1483
00:24:42,000 —> 00:24:43,000
Facing trial and a possible death
sentence, Howitzer spoke to
Richard.

1484
00:24:43,000 —> 00:24:44,000
WCTR would like to be clear. We did
pay for this interview.

1485
00:24:44,000 —> 00:24:45,000
That's right, Leanne. I am Richard

Burns here in Los Santos Prison.

1486
00:24:45,000 —> 00:24:46,000
As we all know, since politicians
stopped musicians from coming here
to

1487
00:24:46,000 —> 00:24:47,000
sing songs about shooting your
woman on drugs, everyone is now
questioning

1488
00:24:47,000 —> 00:24:48,000
their sexuality. Jack Howitzer,
you're facing a death sentence.

1489
00:24:48,000 —> 00:24:49,000
How do you feel about that? I broke
out of a POW

1490
00:24:49,000 —> 00:24:50,000
camp in Korea, alright, so I'll be
out of here soon.

1491
00:24:50,000 —> 00:24:51,000
Correct me if I'm wrong, but I
believe that was a movie,

1492
00:24:51,000 —> 00:24:52,000
and it wasn't real. Oh, no, it was
real.

1493
00:24:52,000 —> 00:24:53,000
I'm a veteran of over 40 films, but
I've got a different

1494
00:24:53,000 —> 00:24:54,000
ho-chi now. Say hello to the
newsman, ho-chi.

1495
00:24:54,000 —> 00:24:55,000
Um, hello. You want me to kill you
like the last ho-chi?

1496
00:24:55,000 —> 00:24:56,000
Say it like an Asian girl. Uh,
hello.

1497

00:24:56,000 —> 00:24:57,000

Hi. Wow, Jack Howitzer, that is a fine prison bitch.

1498

00:24:57,000 —> 00:24:58,000

Where can I get one of those? Ha ha!

1499

00:24:58,000 —> 00:24:59,000

Richard Burns, WCTR News. The trial of allegedly disgraced police officers Frank

1500

00:24:59,000 —> 00:25:00,000

Tenpenny and Eddie Pulaski began yesterday. Although Mr.

1501

00:25:00,000 —> 00:25:01,000

Pulaski was not at court personally, prosecutors maintain both are guilty of

1502

00:25:01,000 —> 00:25:02,000
murder, racketeering, drug running,
and sexual offenses. Defense-
maintained officers were just doing

1503
00:25:02,000 —> 00:25:03,000
their job. Government officials are
denying any knowledge of black
helicopters, that

1504
00:25:03,000 —> 00:25:04,000
were recently seen flying over the
state. Black helicopters?

1505
00:25:04,000 —> 00:25:05,000
What black helicopters? That clears
it up. A Las Venturas institution,
Caligula's,

1506
00:25:05,000 —> 00:25:06,000
forced to admit that it was
recently robbed.

1507
00:25:06,000 —> 00:25:07,000

It's the first major heist carried
out on a Venturas casino in

1508
00:25:07,000 —> 00:25:08,000
30 years. Government officials are
not ruling out foul play.

1509
00:25:08,000 —> 00:25:09,000
Meanwhile, no explanation has been
forthcoming as to why the Sherman
Dam

1510
00:25:09,000 —> 00:25:10,000
stopped generating electricity for
a few hours recently.

1511
00:25:10,000 —> 00:25:11,000
One bystander blamed aliens who
drink electricity before
deflowering virgins."

1512
00:25:11,000 —> 00:25:12,000
"I'm Leanne Forge, WCTR News. It's
going to get worse.

1513

00:25:12,000 —> 00:25:13,000

Trust me." —Executive Intruder Extermination Services— Man 1: Your home is your

1514

00:25:13,000 —> 00:25:14,000

castle, and like most castles, there's always the worrisome less fortunate trying

1515

00:25:14,000 —> 00:25:15,000

to storm the gates. No longer. At Executive Intruder Extermination Services, we'll

1516

00:25:15,000 —> 00:25:16,000

ensure that you'll live in a fortress, and live your life worry-free.

1517

00:25:16,000 —> 00:25:17,000

Man 2: With my vindictive and back-stabbing personality, I always knew

I'd

1518
00:25:17,000 —> 00:25:18,000
be successful. But there's a price
to pay.

1519
00:25:18,000 —> 00:25:19,000
Money gives me freedom- freedom to
be scared of things normal people

1520
00:25:19,000 —> 00:25:20,000
don't have to be scared about. When
it comes to people trying

1521
00:25:20,000 —> 00:25:21,000
to get a buck off me, or come
knocking, I turn to

1522
00:25:21,000 —> 00:25:22,000
outside help. Man 1: Your home will
be surrounded by only the

1523
00:25:22,000 —> 00:25:23,000

best security equipment. Razor
wire. Dobermans. Land mines.

1524
00:25:23,000 —> 00:25:24,000
Night vision. And motion sensors.
And if a stranger or unwanted
relative

1525
00:25:24,000 —> 00:25:25,000
should make it inside, all of your
doors will be wired with

1526
00:25:25,000 —> 00:25:26,000
bombs. (sound mechanical noises in
background) Woman: But what about
when my

1527
00:25:26,000 —> 00:25:27,000
children need to go to school? Man
1: Your children will be

1528
00:25:27,000 —> 00:25:28,000
equipped with bulletproof vests,
and depending on if they attend

public schools,

1529
00:25:28,000 —> 00:25:29,000
stun guns and mace. When you're
successful, nobody wants to be
bothered.

1530
00:25:29,000 —> 00:25:30,000
Woman: I'll slaughter anyone who
even thinks of harming my family!

1531
00:25:30,000 —> 00:25:31,000
With Executive Intruder

for me.

1532

Man 1: Call today for your free

1533
00:25:32,000 —> 00:25:33,000
The world is a dangerous place. For
you, it doesn't have to

1534

00:25:33,000 —> 00:25:34,000

be. "Enjoy listening to Mental Patience. Area 53 is next.

1535

00:25:34,000 —> 00:25:35,000

Is your child really an alien? Has the future already happened?"

1536

00:25:35,000 —> 00:25:36,000

"somewhere else. And finally, is cheese the latest weapon in a battle

1537

00:25:36,000 —> 00:25:37,000

against communism? We explore deeper, much deeper. I'm Marvin Trill.

1538

00:25:37,000 —> 00:25:38,000

This is Area 53. Prepare to be appalled.

1539

00:25:38,000 —> 00:25:39,000

Hello? Yes, hello. I would like to talk about a conspiracy.

1540
00:25:39,000 —> 00:25:40,000
Okay. It starts with food and our toxic culture, these chemicals in

1541
00:25:40,000 —> 00:25:41,000
our bodies. You must flush them out, Marvin.

1542
00:25:41,000 —> 00:25:42,000
First, start by masticating. Did you say masturbating?

1543
00:25:42,000 —> 00:25:43,000
Listen again, Marvin. Am I listening here? Masticating vigorously.

1544
00:25:43,000 —> 00:25:44,000
To really cleanse, you're going to have to do some yoga.

1545

00:25:44,000 —> 00:25:45,000

The cleansing properties of doing

yoga with a garden hose up your

1546

00:25:45,000 —> 00:25:46,000

ass cannot be exaggerated. Marvin,

it's time for your down dog to

1547

00:25:46,000 —> 00:25:47,000

really have a tail. I was wondering

when my career would hit

1548

00:25:47,000 —> 00:25:48,000

bottom, and now it's here, right

before my eyes.

1549

00:25:48,000 —> 00:25:49,000

Stuart is on the line. I think

everyone out there will agree

1550

00:25:49,000 —> 00:25:50,000

that the Russians are in charge

now. Foreigners are behind that

exorbitant

1551
00:25:50,000 —> 00:25:51,000
handheld gaming device. To decrease
our productivity and make our
thumbs useless

1552
00:25:51,000 —> 00:25:52,000
so our kids can't fire machine
guns. I hear what you're saying

1553
00:25:52,000 —> 00:25:53,000
about video games. People are dying
every day of malaria, and it's

1554
00:25:53,000 —> 00:25:54,000
all because of the messages planted
in our minds from that Digenitron

1555
00:25:54,000 —> 00:25:55,000
in the 80s. Line 18. Hello. Okay,
man.

1556

00:25:55,000 —> 00:25:56,000
I warned you. I've been over to the
other side.

1557
00:25:56,000 —> 00:25:57,000
What are you talking about, buddy?
I've been inside.

1558
00:25:57,000 —> 00:25:58,000
Inside everything. Seen everything.
Remember the first time you did
mushrooms?

1559
00:25:58,000 —> 00:25:59,000
There are aliens living in the
state. Aliens.

1560
00:25:59,000 —> 00:26:00,000
And I've held them. I've held them
in my own hand.

1561
00:26:00,000 —> 00:26:01,000
Everybody, go to the desert. Beg
their forgiveness.

1562
00:26:01,000 —> 00:26:02,000
How do you know all this? I went to
the camp.

1563
00:26:02,000 —> 00:26:03,000
Believe what you want to believe,
but ask yourself, why should I

1564
00:26:03,000 —> 00:26:04,000
make this up? The only thing I want
to ask myself is

1565
00:26:04,000 —> 00:26:05,000
how I can keep you off future
shows.

1566
00:26:05,000 —> 00:26:06,000
Oh, God. Kevin, hello. You're on
the air.

1567
00:26:06,000 —> 00:26:07,000
All the missiles are under my

control, not the government's
control.

1568
00:26:07,000 —> 00:26:08,000
Why do you think they put me in
solitary confinement for eight

1569
00:26:08,000 —> 00:26:09,000
months? Because I could launch
nuclear missiles by just whistling
into a

1570
00:26:09,000 —> 00:26:10,000
phone. Really? Great. Could you
wipe out all the other radio
stations

1571
00:26:10,000 —> 00:26:11,000
in town for me? Hey, I don't do
that anymore.

1572
00:26:11,000 —> 00:26:12,000
I only use my powers for good. Ah,
look, this isn't a

1573
00:26:12,000 —> 00:26:13,000
cartoon or TV show. Let's get real
for a second.

1574
00:26:13,000 —> 00:26:14,000
The problem with people like you
who have superpowers is that you

1575
00:26:14,000 —> 00:26:15,000
really don't use them for good. If
I had superpowers, everyone would

1576
00:26:15,000 —> 00:26:16,000
be naked. And women signing
autographs at conventions couldn't
resist me.

1577
00:26:16,000 —> 00:26:17,000
All right, going to the conspiracy
line. Yeah, this is Montag.

1578
00:26:17,000 —> 00:26:18,000

Okay. My name's Montag. Oh, yes,
yes, I got that.

1579
00:26:18,000 —> 00:26:19,000
Hey, have you ever leveled a house
with a helicopter?

1580
00:26:19,000 —> 00:26:20,000
No. No, but... That'd be really
cool. I thought you were a

1581
00:26:20,000 —> 00:26:21,000
DJ. You used to talk more about
killing people with helicopters.

1582
00:26:21,000 —> 00:26:22,000
I prefer electric cable, tightly
wound around people's throats,
watching them go

1583
00:26:22,000 —> 00:26:23,000
blue in the face. We have a lot of
aerospace fans and

1584

00:26:23,000 —> 00:26:24,000

plenty of murderers who like the

show. Inside, I feel like it's

1585

00:26:24,000 —> 00:26:25,000

time to close the pod bay door and

take a rest.

1586

00:26:25,000 —> 00:26:26,000

Until next time, reset your memory

chip. Don't believe what they tell

1587

00:26:26,000 —> 00:26:27,000

you. This is Marvin Trill. You're

leaving..." "Area 53, Shiflam.

1588

00:26:27,000 —> 00:26:28,000

Be careful. That was Area 53, where

reality is an alien concept."

1589

00:26:28,000 —> 00:26:29,000

—Sooth— (sound of man coughing)

Woman: Sounds like you got a nasty

1590

00:26:29,000 —> 00:26:30,000

cough! Man: Yeah? No shit. Woman:

Here baby- try this.

1591

00:26:30,000 —> 00:26:31,000

Man: Sooth? Woman: Yeah! Sooth

annihilates cough and cold

symptoms.

1592

00:26:31,000 —> 00:26:32,000

(sound of drinking from the bottle)

Man: Wow!

1593

00:26:32,000 —> 00:26:33,000

I'm seeing donkeys! Woman: Ha ha!

That's the patented cough-killing

concoction of

1594

00:26:33,000 —> 00:26:34,000

codeine, morphine, and alcohol.

Your cold will be history!

1595

00:26:34,000 —> 00:26:35,000
How's your cold now? Man (drunk):
Who the hell are you?

1596
00:26:35,000 —> 00:26:36,000
Woman: I'm your wife, fool! Man 2:
Sooth kills a cough fast.

1597
00:26:36,000 —> 00:26:37,000
And for the kid's chesty cough,
it's Sooth Junior, the medication
that

1598
00:26:37,000 —> 00:26:38,000
comes in a fun, animal-shaped
container kids will love.

1599
00:26:38,000 —> 00:26:39,000
Boy: Hey, look at me! I'm binging
on medication, just like dad!

1600
00:26:39,000 —> 00:26:40,000
Oohhh... (thud) Woman: Oh my God,
he's barely breathing!

1601

00:26:40,000 —> 00:26:41,000

Man: No... that’s, that's just the

medicine doing it’s magic.

1602

00:26:41,000 —> 00:26:42,000

Man 2: Thanks to Sooth, his cough

is history.

1603

00:26:42,000 —> 00:26:43,000

With Sooth, you’ll forget you had a

cough, your name, or where

1604

00:26:43,000 —> 00:26:44,000

to properly go to the bathroom.

Feel better fast- with Sooth.

1605

00:26:44,000 —> 00:26:45,000

"Now it's the couple who each

thinks the other is screwing

America.

1606

00:26:45,000 —> 00:26:46,000

I Say You Say is next with the
Phillips.

1607
00:26:46,000 —> 00:26:47,000
I'm Dr. Phillips." "I'm a liberal.
Get to a ten-step program, then.

1608
00:26:47,000 —> 00:26:48,000
That's twelve steps. Yeah, you only
deserve ten.

1609
00:26:48,000 —> 00:26:49,000
I'm also Dr. Phillips, and I'm
conservative. Today on the show, is

1610
00:26:49,000 —> 00:26:50,000
it okay to talk to people we were
at war with once?

1611
00:26:50,000 —> 00:26:51,000
And the skyrocketing price of
buying off a politician.

1612

00:26:51,000 —> 00:26:52,000
And we talk to people without
health care who are genuinely happy

1613
00:26:52,000 —> 00:26:53,000
not to be burdened with it. It's
political debate and discussion
from

1614
00:26:53,000 —> 00:26:54,000
the right and the wrong side of the
track.

1615
00:26:54,000 —> 00:26:55,000
Let's go to the phones before
right-wing anger engulfs my wife,
who's

1616
00:26:55,000 —> 00:26:56,000
on the line. Hi, I have an eating
disorder, so I, like,

1617
00:26:56,000 —> 00:26:57,000
moved to the West Coast. Oh, that's

so sad.

1618
00:26:57,000 —> 00:26:58,000
Maybe you need a support group with
some caring friends.

1619
00:26:58,000 —> 00:26:59,000
Yeah, maybe you should keep your
finger out of your throat and

1620
00:26:59,000 —> 00:27:00,000
eat a donut. Ninety-nine percent of
the world wake up each day

1621
00:27:00,000 —> 00:27:01,000
and eat dirt, and Queen Puke-a-Lot
here can't keep a meal down?

1622
00:27:01,000 —> 00:27:02,000
Boo-hoo! What do you expect,
sympathy? This is Los Santos.

1623
00:27:02,000 —> 00:27:03,000

People would give their right arm
and left leg to live here.

1624
00:27:03,000 —> 00:27:04,000
It's paradise, but you have to
suffer to belong.

1625
00:27:04,000 —> 00:27:05,000
If you can't take the heat, get out
of the nuclear reactor.

1626
00:27:05,000 —> 00:27:06,000
Next caller. Yeah, I agree with
that caller about the nuclear plant

1627
00:27:06,000 —> 00:27:07,000
next to the projectile. You know,
nature has a way of taking

1628
00:27:07,000 —> 00:27:08,000
care of poor people. Tornadoes
don't like poor people.

1629

00:27:08,000 —> 00:27:09,000
Right, like I don't do laundry. I'm liberated, independent, and I have

1630
00:27:09,000 —> 00:27:10,000
three maids, all of them on less than minimum wage.

1631
00:27:10,000 —> 00:27:11,000
I mean, poor people are so happy to work for me.

1632
00:27:11,000 —> 00:27:12,000
Especially when I help them unionize. Do you have a question?

1633
00:27:12,000 —> 00:27:13,000
Sort of. Hey, you know, I got the same name as you.

1634
00:27:13,000 —> 00:27:14,000
Yeah, Peyton. Oh, well, it's a family name.

1635
00:27:14,000 —> 00:27:15,000
No, Mary. I was called Bruce by my
parents, but I prefer

1636
00:27:15,000 —> 00:27:16,000
Mary. It's much more... Yeah,
feminine. No, biblical.

1637
00:27:16,000 —> 00:27:17,000
Which, like, okay, I'm an atheist.
I'm an atheist, but I love

1638
00:27:17,000 —> 00:27:18,000
the Bible. I have a hundred that I
took from hotel rooms.

1639
00:27:18,000 —> 00:27:19,000
What's your question? Well, as a
mother and a fireman, I was

1640
00:27:19,000 —> 00:27:20,000
wondering what you guys thought
about diversity in America.

1641
00:27:20,000 —> 00:27:21,000
It makes me very nervous. Well, you
see, I'm heavily into diversity.

1642
00:27:21,000 —> 00:27:22,000
I'm like a man with a womb,
lactating.

1643
00:27:22,000 —> 00:27:23,000
Yes, I think you're a little
confused. No, you're the one that's

1644
00:27:23,000 —> 00:27:24,000
confused. I'm the one who eats
Alaskan salmon and children from
Alabama.

1645
00:27:24,000 —> 00:27:25,000
I speak English, I eat German food,
I practice French adultery, and

1646
00:27:25,000 —> 00:27:26,000

I weigh as much as you. I weigh as much as Vatican

1647
00:27:26,000 —> 00:27:27,000
City. I'm an American. Okay, you're a nut.

1648
00:27:27,000 —> 00:27:28,000
Get off our show. Mary, would you please stop eyeing the producer?

1649
00:27:28,000 —> 00:27:29,000
I already slept with him. So did I.

1650
00:27:29,000 —> 00:27:30,000
Ooh. Brian's on the line. Hello, Brian. Hi, my name's Brian.

1651
00:27:30,000 —> 00:27:31,000
I work at Caligula's Casino in Las Venturas.

1652
00:27:31,000 —> 00:27:32,000

Excellent. You take stupid people's money. I love it.

1653
00:27:32,000 —> 00:27:33,000
Very capitalist. Hey, Brian, what's your concern? I did really well in

1654
00:27:33,000 —> 00:27:34,000
the 80s, but the 90s are proving to be a real drag.

1655
00:27:34,000 —> 00:27:35,000
The music is terrible. The recession is kicking my ass.

1656
00:27:35,000 —> 00:27:36,000
Everyone I know is giving up recreational drug use.

1657
00:27:36,000 —> 00:27:37,000
And the president is doing my head in.

1658

00:27:37,000 —> 00:27:38,000
The 80s were really a materialistic
time. I know.

1659
00:27:38,000 —> 00:27:39,000
I'm a shallow person. Drown me.
Look, we need a movie star

1660
00:27:39,000 —> 00:27:40,000
to be president. It works. They're
the best liars.

1661
00:27:40,000 —> 00:27:41,000
They do it professionally. Well, so
do all politicians.

1662
00:27:41,000 —> 00:27:42,000
Next caller. Yeah, I want to talk
about deportation.

1663
00:27:42,000 —> 00:27:43,000
Yes, that is a shame, what they're
doing to the thick, beautiful

1664
00:27:43,000 —> 00:27:44,000
redwoods north of San Fierro. I was talking about women.

1665
00:27:44,000 —> 00:27:45,000
But you're right. San Fierro is half the problem.

1666
00:27:45,000 —> 00:27:46,000
It ain't natural, and it's un-American. Look, infatuation and disillusionment is the

1667
00:27:46,000 —> 00:27:47,000
American way, but it works. Just look at places without professional wrestling

1668
00:27:47,000 —> 00:27:48,000
and porno. Porno is the exploitation of women.

1669
00:27:48,000 —> 00:27:49,000

Some people want to be exploited,
like factory workers.

1670
00:27:49,000 —> 00:27:50,000
Others want to be degraded. I mean
really, really degraded.

1671
00:27:50,000 —> 00:27:51,000
Like a liberal having his way with
you.

1672
00:27:51,000 —> 00:27:52,000
God, it makes me feel so dirty.
Talk more slowly, please, dear.

1673
00:27:52,000 —> 00:27:53,000
Moving swiftly on from my wife,
you're on I Say, You Say,

1674
00:27:53,000 —> 00:27:54,000
and what's your question? Yeah,
this is Brad.

1675

00:27:54,000 —> 00:27:55,000
I'm really into pleasuring myself.
Good grief! Well, that's my
business.

1676
00:27:55,000 —> 00:27:56,000
But I feel discriminated against.
Not only can I not practice my

1677
00:27:56,000 —> 00:27:57,000
hobby in the privacy of my own
garden or car, but my

1678
00:27:57,000 —> 00:27:58,000
movies are rated as pornographic. I
mean, let me ask you a

1679
00:27:58,000 —> 00:27:59,000
question. Threesomes, right? Well,
that's where our problem started.

1680
00:27:59,000 —> 00:28:00,000
Yeah. The producer. Well, right. I
ran a movie with two chicks

1681
00:28:00,000 —> 00:28:01,000
and a dude, and it's called a
porno.

1682
00:28:01,000 —> 00:28:02,000
People look at me like I'm some
sort of creep.

1683
00:28:02,000 —> 00:28:03,000
But it's natural. But I ran a movie
with two dudes and

1684
00:28:03,000 —> 00:28:04,000
a chick. It's all in French.
Probably wins awards.

1685
00:28:04,000 —> 00:28:05,000
Called an art house love triangle.
But it's revolting.

1686
00:28:05,000 —> 00:28:06,000
No, you're revolting. Get off the

airwaves and into therapy, buddy.

1687
00:28:06,000 —> 00:28:07,000
Oh, that's the problem with men.
You're imbeciles.

1688
00:28:07,000 —> 00:28:08,000
And yet, you married me. God, don't
rub it in.

1689
00:28:08,000 —> 00:28:09,000
I did. I was desperate. That's all
we have time for, luckily.

1690
00:28:09,000 —> 00:28:10,000
This show is headed downhill. When
you take the worst qualities of

1691
00:28:10,000 —> 00:28:11,000
an elephant and a donkey, you get a
lot of shit.

1692
00:28:11,000 —> 00:28:12,000

We'll see you next time on I Say,
You Say.

1693
00:28:12,000 —> 00:28:13,000
You said you liked me in that."
"Donkey's a jackass.

1694
00:28:13,000 —> 00:28:14,000
I Say You Say is heard only on
WCTR.

1695
00:28:14,000 —> 00:28:15,000
Be thankful." "Next up, the reason
you're afraid, the news.

1696
00:28:15,000 —> 00:28:16,000
Leanne Forge, WCTR News, reporting
what makes you happy."

1697
00:28:16,000 —> 00:28:17,000
"the administration happy. Today's
top stories. Do trees cause
baldness?

1698

00:28:17,000 —> 00:28:18,000

Is noise the new silent enemy of your family?

1699

00:28:18,000 —> 00:28:19,000

And a special report on France. One nation's obsession with stand-up toilets.

1700

00:28:19,000 —> 00:28:20,000

Breaking WCTR News. Navy officials are denying that a hydroplane was stolen

1701

00:28:20,000 —> 00:28:21,000

from a marine amphibious assault ship recently despite eyewitness reports to the

1702

00:28:21,000 —> 00:28:22,000

contrary. Taxpayers on the scene are not happy.

1703

00:28:22,000 —> 00:28:23,000
I pay my taxes. That jet is
supposed to be bombing school.

1704
00:28:23,000 —> 00:28:24,000
And the FBI is investigating

Unconfirmed reports suggest a

hits. An official commented it
could be" "a wormhole in space.

1708
00:28:27,000 —> 00:28:28,000
I'm Leanne Forge, WCTR News. Don't

turn it off.

1709
00:28:28,000 —> 00:28:29,000
Trust me." "The most boring show
with a brand new host.

1710
00:28:29,000 —> 00:28:30,000
Entertaining America with Laszlo.
Welcome to Entertaining America on
WCTR with me,

1711
00:28:30,000 —> 00:28:31,000
Laszlo." "So, the media. You may
hate us, but we hate ourselves

1712
00:28:31,000 —> 00:28:32,000
more. And stop accusing us of being
liberal.

1713
00:28:32,000 —> 00:28:33,000
What a load of crap. This station
is owned by AmmuNation.

1714

00:28:33,000 —> 00:28:34,000
I mean, have you ever heard anyone
complain about guns on this

1715
00:28:34,000 —> 00:28:35,000
station? Hosts are getting shot by
them all the time and it

1716
00:28:35,000 —> 00:28:36,000
just gets glossed over. But it also
means I now have a

1717
00:28:36,000 —> 00:28:37,000
job. If you're afraid of your
mortality and never want to die,

1718
00:28:37,000 —> 00:28:38,000
here's the solution. It's a man
who's got all of America talking

1719
00:28:38,000 —> 00:28:39,000
with his unique approach to
spiritual matters. He's helped
thousands.

1720

00:28:39,000 —> 00:28:40,000

Or so the press pack tells me.

Chris Formage, founder of the

1721

00:28:40,000 —> 00:28:41,000

Epsilon program is here. Hello

Chris. Kifflom, brother brother.

1722

00:28:41,000 —> 00:28:42,000

What does that mean, man? So

Epsilonism, is it a load of

1723

00:28:42,000 —> 00:28:43,000

crap or is it the future? Well,

what do you think, Laszlo?

1724

00:28:43,000 —> 00:28:44,000

I don't know. Well, I mean, I grow

my own religion.

1725

00:28:44,000 —> 00:28:45,000

That's just why I don't know. I'm

kind of spaced out.

1726
00:28:45,000 —> 00:28:46,000
I mean, but you guys run around
chanting laws.

1727
00:28:46,000 —> 00:28:47,000
I'm a lip balm. It's Kifflom. Well,
whatever.

1728
00:28:47,000 —> 00:28:48,000
Both sound addictive to me. You
know, only popular people are
addicted

1729
00:28:48,000 —> 00:28:49,000
to either. Let's go to the phones.
Hey Chris, Epsilon sounds awesome.

1730
00:28:49,000 —> 00:28:50,000
But if you read the fossil records,
hunter gatherer dudes had it

1731

00:28:50,000 —> 00:28:51,000
made. I mean, who wouldn't want to
drag their women around by

1732
00:28:51,000 —> 00:28:52,000
their hair? They smoked anything
they could find.

1733
00:28:52,000 —> 00:28:53,000
That's like so freaking cool. Then
all the men would like disappear

1734
00:28:53,000 —> 00:28:54,000
for days at a time and you'd only
hear beasts shrieking in

1735
00:28:54,000 —> 00:28:55,000
the distance. You know, I went to a
museum once.

1736
00:28:55,000 —> 00:28:56,000
That guy's got a point. Points are
irrelevant, Laszlo.

1737

00:28:56,000 —> 00:28:57,000

Let me ask you something. Do you

want to be happy, Laszlo?

1738

00:28:57,000 —> 00:28:58,000

What kind of question is that? Yes,

obviously.

1739

00:28:58,000 —> 00:28:59,000

Then why do you mock the happiness

of others?

1740

00:28:59,000 —> 00:29:00,000

Well, I mean, this is Vinewood.

We're all supposed to be like

1741

00:29:00,000 —> 00:29:01,000

psychotic and dog eat dog and, you

know, bang your best friend's

1742

00:29:01,000 —> 00:29:02,000

wife. I mean, I'm with that last

guy.

1743
00:29:02,000 —> 00:29:03,000
We all have a primitive side there,
Chris.

1744
00:29:03,000 —> 00:29:04,000
I mean, you should have heard the
music I used to like

1745
00:29:04,000 —> 00:29:05,000
in the 80s. It was hysterical.
What's hysterical about being
deceptive?

1746
00:29:05,000 —> 00:29:06,000
It's hysterical about being
descended from a sponge and not
knowing it.

1747
00:29:06,000 —> 00:29:07,000
What's funny about being told that
the world is millions of years

1748

00:29:07,000 —> 00:29:08,000
old when in fact it's only 157
years old, fact, and its

1749
00:29:08,000 —> 00:29:09,000
age does not change? There's
nothing funny about that.

1750
00:29:09,000 —> 00:29:10,000
It's just weird. You know, that
voice of yours, man.

1751
00:29:10,000 —> 00:29:11,000
Holy shit. I can believe anything
you say.

1752
00:29:11,000 —> 00:29:12,000
My time has come, Laszlo, and so
has yours if, if you

1753
00:29:12,000 —> 00:29:13,000
let it. Well, you know, that sounds
good to me.

1754

00:29:13,000 —> 00:29:14,000

Hey, wait. Are you going to try to

sign me up for

1755

00:29:14,000 —> 00:29:15,000

the military? That happened once

before. I mean, I'm into killing

people

1756

00:29:15,000 —> 00:29:16,000

and I can say, I'm crying when I'm

done killing.

1757

00:29:16,000 —> 00:29:17,000

And then there's hope. Listen, my

friend, you can mock, but I

1758

00:29:17,000 —> 00:29:18,000

know the truth about you. I can see

past your jokes into

1759

00:29:18,000 —> 00:29:19,000

that scared little boy beneath.

You, you, my friend, like a lot

1760

00:29:19,000 —> 00:29:20,000

of other people are being lied to.

I totally agree with you.

1761

00:29:20,000 —> 00:29:21,000

Finally. Inversion therapy. I owe

my mom a huge apology.

1762

00:29:21,000 —> 00:29:22,000

Listen, pick a new set of lies.

Mine are better.

1763

00:29:22,000 —> 00:29:23,000

Let me ask you something. When did

you last get laid, Laszlo?

1764

00:29:23,000 —> 00:29:24,000

Speaking of lies. Wait, look, I'm

not an egg.

1765

00:29:24,000 —> 00:29:25,000

I got laid this morning by twins.
Whoa.

1766
00:29:25,000 —> 00:29:26,000
They each laid an egg and I formed
out of them.

1767
00:29:26,000 —> 00:29:27,000
What are you talking about? Great.
A horny cult leader with a

1768
00:29:27,000 —> 00:29:28,000
breakfast fixation. I love it. You
know, I'm thinking of a cult

1769
00:29:28,000 —> 00:29:29,000
centered around grit. Oh, wait, I'm
sorry. There already is one.

1770
00:29:29,000 —> 00:29:30,000
It's called the South. For the last
time, this is not a

1771

00:29:30,000 —> 00:29:31,000
cult, Laszlo. It's a fellowship of
like-minded adults who tithe money
in

1772
00:29:31,000 —> 00:29:32,000
exchange for salvation and merit
badges. Every single thing we do is

1773
00:29:32,000 —> 00:29:33,000
voluntary, including the swinging
and making things up.

1774
00:29:33,000 —> 00:29:34,000
Why is this whole town obsessed
with swinging?

1775
00:29:34,000 —> 00:29:35,000
Let's go to the phones. Hey,
Laszlo. Love the show, man.

1776
00:29:35,000 —> 00:29:36,000
Hey, I really love to make out with
hot chicks in church.

1777

00:29:36,000 —> 00:29:37,000

I love it. I love it. Perfect. Join

us.

1778

00:29:37,000 —> 00:29:38,000

We've put a price on salvation and

it's a price worth paying.

1779

00:29:38,000 —> 00:29:39,000

Believe me. Look, if you crave

sexual conquest, family betrayal,

class warfare,

1780

00:29:39,000 —> 00:29:40,000

and really feeling like you are a

part of something, then just

1781

00:29:40,000 —> 00:29:41,000

do it. Just do it. It's so easy.

1782

00:29:41,000 —> 00:29:42,000

Join the Epsilon group. Chris, stop

trying to recruit people.

1783
00:29:42,000 —> 00:29:43,000
I mean, you even say you just make
this stuff up.

1784
00:29:43,000 —> 00:29:44,000
Let's go to the phones. Hi, Laszlo?
Ah, Darius Fontaine.

1785
00:29:44,000 —> 00:29:45,000
Look, I told you to leave me alone.

1786
00:29:45,000 —> 00:29:46,000
Look, look, it was an unfortunate
incident that happened to your
mother,

1787
00:29:46,000 —> 00:29:47,000
but I was quite clear. Grandmother,
not mother.

1788
00:29:47,000 —> 00:29:48,000

It's your fault it doesn't work. I
nearly went to prison, man.

1789
00:29:48,000 —> 00:29:49,000
What you told me to do is illegal
in most states.

1790
00:29:49,000 —> 00:29:50,000
Whatever. Look, Chris Formage is a
liar and a cheat.

1791
00:29:50,000 —> 00:29:51,000
He made it up. It doesn't help
anyone apart from him.

1792
00:29:51,000 —> 00:29:52,000
The fact is people need to face
their fears.

1793
00:29:52,000 —> 00:29:53,000
Remember, I always say that. Face
your fears.

1794

00:29:53,000 —> 00:29:54,000
Don't run away. Darius Fontaine can kiss my ass.

1795
00:29:54,000 —> 00:29:55,000
Oh, you'd like that? Would you like that?

1796
00:29:55,000 —> 00:29:56,000
I don't think so. And I'll tell you why.

1797
00:29:56,000 —> 00:29:57,000
Because you are the devil. People aren't really afraid, you know.

1798
00:29:57,000 —> 00:29:58,000
Yet you make them kill their families. Fears have to be faced.

1799
00:29:58,000 —> 00:29:59,000
That's what I always say. Just ask Laszlo.

1800

00:29:59,000 —> 00:30:00,000

Hey, don't bring me into this ruckus, Darius.

1801

00:30:00,000 —> 00:30:01,000

This is between you two wackos. I mean, and you stay away

1802

00:30:01,000 —> 00:30:02,000

from me, Darius. I've got a restraining order.

1803

00:30:02,000 —> 00:30:03,000

I'm going to kill you. I'm going to kill you.

1804

00:30:03,000 —> 00:30:04,000

I'm going to kill you. I'm going to kill you.

1805

00:30:04,000 —> 00:30:05,000

I'm going to kill you. I'm going to kill you.

1806
00:30:05,000 —> 00:30:06,000
Laszlo, the only way that you can
really communicate with your
ancestors

1807
00:30:06,000 —> 00:30:07,000
is to pay someone like me. Just a
second.

1808
00:30:07,000 —> 00:30:08,000
I want you to try something. Touch
my cane.

1809
00:30:08,000 —> 00:30:09,000
This whole town, man. I think
you've seen too many movies, dude.

1810
00:30:09,000 —> 00:30:10,000
You can be happy. Listen, join us.
Be famous.

1811
00:30:10,000 —> 00:30:11,000

Find your true self. And if you're
not, you're not going to

1812
00:30:11,000 —> 00:30:12,000
be happy. You're not going to be
happy.

1813
00:30:12,000 —> 00:30:13,000
You're not going to be happy.
You're not going to be happy.

1814
00:30:13,000 —> 00:30:14,000
You're not going to be happy.
You're not going to be happy.

1815
00:30:14,000 —> 00:30:15,000
Have a breast, nose surgery,
whatever you want.

1816
00:30:15,000 —> 00:30:16,000
Lie with nine new partners a week.
It explains everything.

1817

00:30:16,000 —> 00:30:17,000
If there are no women, make them.
From sand, from garbage, out

1818
00:30:17,000 —> 00:30:18,000
of thin air. The rich cry to
Laszlo.

1819
00:30:18,000 —> 00:30:19,000
Well, that's an interesting theory
that sounds like it was formulated
with

1820
00:30:19,000 —> 00:30:20,000
pharmaceuticals. But, you know, I
would like to find about being rich

1821
00:30:20,000 —> 00:30:21,000
and crying. Because right now I'm
just poor and crying.

1822
00:30:21,000 —> 00:30:22,000
But this is the West Coast, you
know.

1823
00:30:22,000 —> 00:30:23,000
I'm only into lesbians, man. It's
destiny. Vinewood only lets you
down.

1824
00:30:23,000 —> 00:30:24,000
In the Epsilon program, there are
no series finales.

1825
00:30:24,000 —> 00:30:25,000
It goes on and on and on. We don't
abandon you.

1826
00:30:25,000 —> 00:30:26,000
Ah, well, we're going to have to
abandon this show.

1827
00:30:26,000 —> 00:30:27,000
Great, my first show and a dude
nearly kills me.

1828
00:30:27,000 —> 00:30:28,000

Now I'm being harassed by a former
sociology professor and an
alcoholic

1829
00:30:28,000 —> 00:30:29,000
turned self-d..." "of finding
cultists. Please. I've got to get
back to

1830
00:30:29,000 —> 00:30:30,000
the East Coast. This has been
Entertaining America with Laszlo on
WCTR.

1831
00:30:30,000 —> 00:30:31,000
Culturally, this country is
flatlining. Now you know why."

1832
00:30:31,000 —> 00:30:32,000
—Executive Intruder Extermination
Services— Man 1: Your home is your
castle, and

1833
00:30:32,000 —> 00:30:33,000

like most castles, there's always
the worrisome less fortunate trying
to storm

1834
00:30:33,000 —> 00:30:34,000
the gates. No longer. At Executive
Intruder Extermination Services,
we'll ensure that

1835
00:30:34,000 —> 00:30:35,000
you'll live in a fortress, and live
your life worry-free.

1836
00:30:35,000 —> 00:30:36,000
Man 2: With my vindictive and back-
stabbing personality, I always knew
I'd

1837
00:30:36,000 —> 00:30:37,000
be successful. But there's a price
to pay.

1838
00:30:37,000 —> 00:30:38,000
Money gives me freedom- freedom to

be scared of things normal people

1839
00:30:38,000 —> 00:30:39,000
don't have to be scared about. When
it comes to people trying

1840
00:30:39,000 —> 00:30:40,000
to get a buck off me, or come
knocking, I turn to

1841
00:30:40,000 —> 00:30:41,000
outside help. Man 1: Your home will
be surrounded by only the

1842
00:30:41,000 —> 00:30:42,000
best security equipment. Razor
wire. Dobermans. Land mines.

1843
00:30:42,000 —> 00:30:43,000
Night vision. And motion sensors.
And if a stranger or unwanted
relative

1844

00:30:43,000 —> 00:30:44,000
should make it inside, all of your
doors will be wired with

1845
00:30:44,000 —> 00:30:45,000
bombs. (sound mechanical noises in
background) Woman: But what about
when my

1846
00:30:45,000 —> 00:30:46,000
children need to go to school? Man
1: Your children will be

1847
00:30:46,000 —> 00:30:47,000
equipped with bulletproof vests,
and depending on if they attend
public schools,

1848
00:30:47,000 —> 00:30:48,000
stun guns and mace. When you're
successful, nobody wants to be
bothered.

1849
00:30:48,000 —> 00:30:49,000

Woman: I'll slaughter anyone who
even thinks of harming my family!

1850
00:30:49,000 —> 00:30:50,000
With Executive Intruder
Extermination Services, they do it
for me.

1851
00:30:50,000 —> 00:30:51,000
Man 1: Call today for your free
home demonstration.

1852
00:30:51,000 —> 00:30:52,000
The world is a dangerous place. For
you, it doesn't have to

1853
00:30:52,000 —> 00:30:53,000
be. Breaking WCTR news, we go to
Richard in Los Santos.

1854
00:30:53,000 —> 00:30:54,000
"Dude, I am shit-faced. Leanne, Los
Santos is in flames.

1855
00:30:54,000 —> 00:30:55,000
This riot is spectacular, man. I mean, I can't even describe it.

1856
00:30:55,000 —> 00:30:56,000
Storefronts are being smashed everywhere. There is some great stuff to be

1857
00:30:56,000 —> 00:30:57,000
had. There is free beer for everybody, dude.

1858
00:30:57,000 —> 00:30:58,000
I've been loading up. This is capitalism as it was meant to

1859
00:30:58,000 —> 00:30:59,000
be, baby. Hey, hey, get away from my news van.

1860
00:30:59,000 —> 00:31:00,000
Yeah, that's right, I'm packing.

I'm Richard Burns, bitch.

1861
00:31:00,000 —> 00:31:01,000
Police advise the state of martial
law has been declared.

1862
00:31:01,000 —> 00:31:02,000
You should stay in your home.
Senators are burning the
Constitution.

1863
00:31:02,000 —> 00:31:03,000
Blah, blah, blippity, bloopity,
blabdy, blabdy, blah. I'm Richard."

1864
00:31:03,000 —> 00:31:04,000
"Birds WCTR News! Jimmy, Jimmy, get
me some more beer out of

1865
00:31:04,000 —> 00:31:05,000
the back of the van and clear out
some space.

1866

00:31:05,000 —> 00:31:06,000
What? We're going to get ourselves
a big screen.

1867
00:31:06,000 —> 00:31:07,000
We'll keep you posted. Now back to
regular programming."

1868
00:31:07,000 —> 00:31:08,000
—San Andreas Telephone— (The ex-
husband) (phone rings) Woman:
Hello?

1869
00:31:08,000 —> 00:31:09,000
Man: Lisa? Woman: Yeah... Man: How
ya doing, bitch?

1870
00:31:09,000 —> 00:31:10,000
How do you like living in that
house we built together, huh?

1871
00:31:10,000 —> 00:31:11,000
Do the kids like watching that bald
bastard kiss you in the

1872

00:31:11,000 —> 00:31:12,000

morning? They want their -real-

father, Lisa! Man 2: When you just

1873

00:31:12,000 —> 00:31:13,000

can’t be there in person. (sound of

telephone dialing) Man 2: San

1874

00:31:13,000 —> 00:31:14,000

Andreas Telephone. For those

-difficult- conversations. "Lonely?

It's about to get much

1875

00:31:14,000 —> 00:31:15,000

worse. Lonely Hearts is next. I'm

Christy McIntyre and this is Lonely

1876

00:31:15,000 —> 00:31:16,000

Hearts. You know..." "When we get

dumped or mom dies, it's really

1877

00:31:16,000 —> 00:31:17,000

a good thing. Because, really, I
want you to listen to me.

1878
00:31:17,000 —> 00:31:18,000
Pull over. I said pull over! Life
is not a game.

1879
00:31:18,000 —> 00:31:19,000
Life is love. First caller. Jess,
remember me.

1880
00:31:19,000 —> 00:31:20,000
I told you, leave me alone!
Sometimes the heart is confusing,
lady.

1881
00:31:20,000 —> 00:31:21,000
So is the brain. You talk too much.

1882
00:31:21,000 —> 00:31:22,000
If you look out the window, you
will notice your car is

1883

00:31:22,000 —> 00:31:23,000
on fire. Oh my God! Fernando is
back.

1884
00:31:23,000 —> 00:31:24,000
Women know nothing about love.
Ellos no saben nada.

1885
00:31:24,000 —> 00:31:25,000
This is why I am here. Fernando
grows tired of hearing women

1886
00:31:25,000 —> 00:31:26,000
on the radio with bad advice.
Because if you close your eyes,

1887
00:31:26,000 —> 00:31:27,000
you can be loving anyone.
Especially when you are alone on an

1888
00:31:27,000 —> 00:31:28,000
airplane bathroom. And people are
knocking on the door.

1889

00:31:28,000 —> 00:31:29,000

And you keep flushing and flushing.

Let's take a call.

1890

00:31:29,000 —> 00:31:30,000

Who's heart is on the line? Love is

finally in the air.

1891

00:31:30,000 —> 00:31:31,000

Hi, I love the show. I'm in a great

mood.

1892

00:31:31,000 —> 00:31:32,000

My mistress just got her period. I

love that day.

1893

00:31:32,000 —> 00:31:33,000

Anyway, I love my wife. I have 18

children and...

1894

00:31:33,000 —> 00:31:34,000

Why do you have so many children?

Are you a man with

1895
00:31:34,000 —> 00:31:35,000
a fire in his loins and a hole in
his johnny?

1896
00:31:35,000 —> 00:31:36,000
Well, I can't really talk about
that. I'm passing on a tradition.

1897
00:31:36,000 —> 00:31:37,000
Raising little soldiers. Kiplum.
You sound like you enjoy the fetal
position

1898
00:31:37,000 —> 00:31:38,000
and sucking your thumb. Wow! How'd
you know?

1899
00:31:38,000 —> 00:31:39,000
I always know. It's fine. Fernando
loves to suck his thumb too.

1900
00:31:39,000 —> 00:31:40,000

It's so hot and sexy, people. Love yourself first.

1901
00:31:40,000 —> 00:31:41,000
And then focus on others. You're number one.

1902
00:31:41,000 —> 00:31:42,000
Your spouse is number two. And in the ultimate scenario, they're number

1903
00:31:42,000 —> 00:31:43,000
three. And number two comes from Las Venturas phone book after you

1904
00:31:43,000 —> 00:31:44,000
see Fernando's ad in the classified. Maybe we leave that for now,

1905
00:31:44,000 —> 00:31:45,000
amigos. Line eight. Daisy. Daisy. You're on the new and improved

Lonely

1906
00:31:45,000 —> 00:31:46,000
Hearts conmigo, Fernando Martinez.
Speaking of number two, I totally
love my

1907
00:31:46,000 —> 00:31:47,000
boyfriend. But like the skid marks.
I don't know what to do.

1908
00:31:47,000 —> 00:31:48,000
Yes. Cars and pants have a lot in
common.

1909
00:31:48,000 —> 00:31:49,000
A real man leaves his mark like a
stallion.

1910
00:31:49,000 —> 00:31:50,000
But I mean, I smell it, but I don't
say anything.

1911

00:31:50,000 —> 00:31:51,000
And he just rolls down the window
and acts like it's all

1912
00:31:51,000 —> 00:31:52,000
cool. Well, it's not cool. Why do
men have this problem?

1913
00:31:52,000 —> 00:31:53,000
Fernando learned this years ago
while playing emotional music.

1914
00:31:53,000 —> 00:31:54,000
Inside every great man is a wounded
little boy full of fire.

1915
00:31:54,000 —> 00:31:55,000
Fire from his ass. Climbing trees,
blowing up frogs, beating up slow

1916
00:31:55,000 —> 00:31:56,000
classmates. Sleeping with your
friends. All in the day's work.

1917

00:31:56,000 —> 00:31:57,000

It is life. It is love. It is

better than words.

1918

00:31:57,000 —> 00:31:58,000

I think on the mind of line four is

a guy who

1919

00:31:58,000 —> 00:31:59,000

calls himself Carpenter Chris. Hell

yeah, I'm a carpenter.

1920

00:31:59,000 —> 00:32:00,000

I drink all day and nail two by

four.

1921

00:32:00,000 —> 00:32:01,000

Oh, yes. Little people need love

more than anyone.

1922

00:32:01,000 —> 00:32:02,000

I have one client who calls me all

the time.

1923
00:32:02,000 —> 00:32:03,000
The girls complain he's stuck in
the seventies.

1924
00:32:03,000 —> 00:32:04,000
Let's take another call. Fernando
is in charge.

1925
00:32:04,000 —> 00:32:05,000
Writing the phone like a cheap
floozy. Line six.

1926
00:32:05,000 —> 00:32:06,000
Hi, I've got a very extensive
pornography collection.

1927
00:32:06,000 —> 00:32:07,000
It takes up the whole house. What
does that say about me?

1928
00:32:07,000 —> 00:32:08,000
It says what somebody should say.

Maybe I say listen to Fernando.

1929
00:32:08,000 —> 00:32:09,000
There is nothing like the real
thing. It is so silly to

1930
00:32:09,000 —> 00:32:10,000
spend hundreds of dollars on
videotapes of people making
passion.

1931
00:32:10,000 —> 00:32:11,000
When you can make the tapes
yourself and sell them and make

1932
00:32:11,000 —> 00:32:12,000
money. Let Fernando heal you like a
chiropractor, but not as creepy

1933
00:32:12,000 —> 00:32:13,000
and addictive. Hello, Frank from
Foster Valley. I wish my dog could

1934

00:32:13,000 —> 00:32:14,000
talk and cuddle me all night. You
stay away from animals.

1935
00:32:14,000 —> 00:32:15,000
It's not legal. Not even for me. It
is not moral.

1936
00:32:15,000 —> 00:32:16,000
Maybe someday I set up a petting
zoo for people like you.

1937
00:32:16,000 —> 00:32:17,000
When you want to understand the
connection that keeps us on this

1938
00:32:17,000 —> 00:32:18,000
planet since the dinosaurs. When
the passion burns like a nasty
itch.

1939
00:32:18,000 —> 00:32:19,000
When fate caused you to leave a
town after an incident or

1940
00:32:19,000 —> 00:32:20,000
the risk of a father shotgun. Is
fate an incident?

1941
00:32:20,000 —> 00:32:21,000
Is a five alarm fire an incident? I
come to Las Venturas,

1942
00:32:21,000 —> 00:32:22,000
a city with more love than it can
handle.

1943
00:32:22,000 —> 00:32:23,000
Love is realizing your calling. I
say this.

1944
00:32:23,000 —> 00:32:24,000
I once played music. It brings
passion. But I realize you can

1945
00:32:24,000 —> 00:32:25,000
have even more passion with a

credit card.

1946
00:32:25,000 —> 00:32:26,000
People in Venturas only care about
slot machines.

1947
00:32:26,000 —> 00:32:27,000
Yes. Maybe you pull the handle and
win the backdoor passion.

1948
00:32:27,000 —> 00:32:28,000
It is different with every woman.
Some women need the soft touch

1949
00:32:28,000 —> 00:32:29,000
because they have been traumatized.
Others have already been
traumatized.

1950
00:32:29,000 —> 00:32:30,000
So you treat them like a truck
driver and steal a six

1951

00:32:30,000 —> 00:32:31,000
pack on your way out. What are you
talking about?

1952
00:32:31,000 —> 00:32:32,000
I am talking about passion. I am
talking about romance.

1953
00:32:32,000 —> 00:32:33,000
Hey! Let me back in. It's my show.

1954
00:32:33,000 —> 00:32:34,000
I teach you how to talk in just a
second.

1955
00:32:34,000 —> 00:32:35,000
You be quiet. Goodbye, ladies and
gentlemen. It is so good to

1956
00:32:35,000 —> 00:32:36,000
teach you about love. San Andreas,
you in your car.

1957

00:32:36,000 —> 00:32:37,000
Touch yourself. I love you all.
Christy, I will be out in

1958
00:32:37,000 —> 00:32:38,000
five. Wear something slinky but
sophisticated and trashy.

1959
00:32:38,000 —> 00:32:39,000
Your heart is no longer lonely.
Fernando has been here.

1960
00:32:39,000 —> 00:32:40,000
This was Lonely Hearts. Get out of
here, you creep.

1961
00:32:40,000 —> 00:32:41,000
Oh, my God. Is that Booj Cologne
you're wearing?

1962
00:32:41,000 —> 00:32:42,000
Yes, that is Booj Cologne. You like
that?

1963
00:32:42,000 —> 00:32:43,000
And do you like this? This is Fernando's signature move.

1964
00:32:43,000 —> 00:32:44,000
Fernando, that Latin passion is amazing. Oh, wow, that's an enchilada.

1965
00:32:44,000 —> 00:32:45,000
Let me see that." "I love taco. Let me see that taco,

1966
00:32:45,000 —> 00:32:46,000
please. Give it to me first. So juicy.

1967
00:32:46,000 —> 00:32:47,000
That was Lonely Hearts, only on WCTR." "Talk is cheap, especially on

1968
00:32:47,000 —> 00:32:48,000

this station. Featuring more rich,
angry people complaining.

1969
00:32:48,000 —> 00:32:49,000
WCTR." "And now the number one show
for vegetables on the radio,

1970
00:32:49,000 —> 00:32:50,000
Gardening with Maurice. Gardening
with Maurice." "Okay, we are back
in the

1971
00:32:50,000 —> 00:32:51,000
garden. I'm Maurice, and we must
answer nature's call.

1972
00:32:51,000 —> 00:32:52,000
Going to the phones. Greetings,
garden lover. What's your name?

1973
00:32:52,000 —> 00:32:53,000
Hi, my name's Trish. Okay, is that
short for Patricia?

1974
00:32:53,000 —> 00:32:54,000
Uh, yeah. Oh, then what I asked is
what your name was,

1975
00:32:54,000 —> 00:32:55,000
not the nickname your skinhead
boot-wearing friends call you at
the rallies.

1976
00:32:55,000 —> 00:32:56,000
Maybe you should do less drugs and
learn to try a bit

1977
00:32:56,000 —> 00:32:57,000
harder. Next caller. Hi, my name is
Colleen, and my husband has

1978
00:32:57,000 —> 00:32:58,000
a topiary problem. Ooh, this sounds
serious. Well, he started off small

1979
00:32:58,000 —> 00:32:59,000
scale, just recreational usage, you

know, doing horses and cockerels,
the odd

1980
00:32:59,000 —> 00:33:00,000
unicorn, but it's kind of gotten
out of control.

1981
00:33:00,000 —> 00:33:01,000
Hmm, how so? He just can't stop. I
mean, people think it's

1982
00:33:01,000 —> 00:33:02,000
all fun and games, but what happens
when the party stops?

1983
00:33:02,000 —> 00:33:03,000
What happens then? Okay, just hold
the phone.

1984
00:33:03,000 —> 00:33:04,000
Hold the phone and get a grip,
okay?

1985

00:33:04,000 —> 00:33:05,000
At my house, when the party stops,
we pay the gimp, get

1986
00:33:05,000 —> 00:33:06,000
rid of the sailors, and 15 men
start crying in unison.

1987
00:33:06,000 —> 00:33:07,000
Well, that's your business. My
husband's reached bottom.

1988
00:33:07,000 —> 00:33:08,000
It's terrible. Giraffes, lions,
elephants, rhinos, all of them
carved out of

1989
00:33:08,000 —> 00:33:09,000
hedges. Penguins, dogs,
velociraptors, you name it, he's
made a leafy version.

1990
00:33:09,000 —> 00:33:10,000
What could be more natural than a

man trimming a hedge into

1991
00:33:10,000 —> 00:33:11,000
the shape of an animal? Very
therapeutic. Therapeutic makes a
man feel

1992
00:33:11,000 —> 00:33:12,000
like a god. When you can twist
nature, to your own perverse

1993
00:33:12,000 —> 00:33:13,000
entertainment, then you know we've
won. Eat me, Darwin.

1994
00:33:13,000 —> 00:33:14,000
But now he's trimming bushes into a
spaceship, a rocket, and a

1995
00:33:14,000 —> 00:33:15,000
lance. He runs around with hedge
clippers and screams, trim that
bush,

1996
00:33:15,000 —> 00:33:16,000
and our neighbors. He even
fashioned a shrub into a kangaroo
with

1997
00:33:16,000 —> 00:33:17,000
a pouch, and he sleeps inside it
some nights.

1998
00:33:17,000 —> 00:33:18,000
Oh, he's freaking out on bush. He
needs help.

1999
00:33:18,000 —> 00:33:19,000
Please, you gotta help me. I hate
hedges.

2000
00:33:19,000 —> 00:33:20,000
Well? The Romans loved topiary, and
look at their contributions to
society.

2001
00:33:20,000 —> 00:33:21,000

But as they say, if the grass is
greener in the other

2002
00:33:21,000 —> 00:33:22,000
fella's yard, then you bang his
college son when the dad's out

2003
00:33:22,000 —> 00:33:23,000
of town. Okay, next caller. Whoops,
hold on a second, I'm blossoming.

2004
00:33:23,000 —> 00:33:24,000
There we go, all done. My name's
Henry.

2005
00:33:24,000 —> 00:33:25,000
Are you blossoming? I, uh, I guess
I am.

2006
00:33:25,000 —> 00:33:26,000
I've really come into my own in the
past few months since

2007

00:33:26,000 —> 00:33:27,000
I joined a cult and began tithing
money in exchange for spiritual

2008
00:33:27,000 —> 00:33:28,000
happiness. And letting everyone
take turns on my wife.

2009
00:33:28,000 —> 00:33:29,000
Anyway, I have a lovely garden.
Mostly carnivorous plants.

2010
00:33:29,000 —> 00:33:30,000
A Venus flytrap reminds me of my
mother.

2011
00:33:30,000 —> 00:33:31,000
She's in prison now. Anyway, it's
so fascinating how it catches
animals

2012
00:33:31,000 —> 00:33:32,000
and eats them. I started with
flies, and now mine can swallow

2013

00:33:32,000 —> 00:33:33,000

a whole squirrel. Or a small horse

if I chop it in

2014

00:33:33,000 —> 00:33:34,000

half first. Have you tried any

experiments on human beings?

2015

00:33:34,000 —> 00:33:35,000

Yeah, I've been working on that.

Good man!

2016

00:33:35,000 —> 00:33:36,000

Good man! See, the secret of nature

is once something is at

2017

00:33:36,000 —> 00:33:37,000

the height of beauty and potential,

it is time for it to

2018

00:33:37,000 —> 00:33:38,000

wither and die. A bit like the

British Empire.

2019
00:33:38,000 —> 00:33:39,000
Because look at that whole place
withering and dying right before
our

2020
00:33:39,000 —> 00:33:40,000
eyes. It's run by a queen. And if
she had a pistol,

2021
00:33:40,000 —> 00:33:41,000
she'd be the king. Luckily in this
country, we don't know the

2022
00:33:41,000 —> 00:33:42,000
meaning of the word hubris. But
hell, I'm all over the place

2023
00:33:42,000 —> 00:33:43,000
here. It's so easy to get out of
control when you're doing

2024

00:33:43,000 —> 00:33:44,000
something that comes natural. Line
two. You're on Gardening with
Maurice.

2025
00:33:44,000 —> 00:33:45,000
Yeah, my name is Terrence. Can I
call you Telly Welly?

2026
00:33:45,000 —> 00:33:46,000
Uh, sure, I guess. I'm growing
flowers, but sometimes I get really

2027
00:33:46,000 —> 00:33:47,000
angry and fly off the handle and
commit herbicide.

2028
00:33:47,000 —> 00:33:48,000
I don't mean to. I say, I didn't
mean it, baby.

2029
00:33:48,000 —> 00:33:49,000
You'll be alright. Then I cry and
wear a diaper for two

2030

00:33:49,000 —> 00:33:50,000

days. A flower is nothing more than

an educated weed.

2031

00:33:50,000 —> 00:33:51,000

And like all weeds, all living

things need to be extinguished.

2032

00:33:51,000 —> 00:33:52,000

Like a life support machine or a

fire extinguisher.

2033

00:33:52,000 —> 00:33:53,000

Or a cigarette, which I won't be

able to smoke anymore if

2034

00:33:53,000 —> 00:33:54,000

the fascists in the state

government have anything to say

about it

2035

00:33:54,000 —> 00:33:55,000

with that damn Proposition 421.
Tobacco is a plant, people.

2036
00:33:55,000 —> 00:33:56,000
And if it comes out of the ground,
we should be able

2037
00:33:56,000 —> 00:33:57,000
to smoke it. Like coal. And opium.
Next caller.

2038
00:33:57,000 —> 00:33:58,000
Yeah, I got a question. Why is
everybody on the radio named

2039
00:33:58,000 —> 00:33:59,000
Maurice? God, I pray to the great
gardener in the sky that

2040
00:33:59,000 —> 00:34:00,000
you've been fixed. I hope they
sniffed your nuts off.

2041

00:34:00,000 —> 00:34:01,000
Because spreading your seed could
be a disaster.

2042
00:34:01,000 —> 00:34:02,000
Do you have a question? A question?
God, so many vegetables on

2043
00:34:02,000 —> 00:34:03,000
this show. Tards. Yeah, that guy
was talking about bugs and plants

2044
00:34:03,000 —> 00:34:04,000
that eat them. I got a better
solution.

2045
00:34:04,000 —> 00:34:05,000
Put pesticide in the sprinklers. My
kids love it.

2046
00:34:05,000 —> 00:34:06,000
I mean, the ones that live. Oh,
lovely.

2047

00:34:06,000 —> 00:34:07,000

You're a lovely human being, you

fucking imbecile.

2048

00:34:07,000 —> 00:34:08,000

You morons in this town are

spreading like weeds.

2049

00:34:08,000 —> 00:34:09,000

Like little bastard dandelions. I

wish I could just pop every one

2050

00:34:09,000 —> 00:34:10,000

of your goddamn heads off. Hello,

Line 8.

2051

00:34:10,000 —> 00:34:11,000

You're on Gardening with Maurice.

Yeah, I heard what you said about

2052

00:34:11,000 —> 00:34:12,000

bonsai trees. You know what? You

can stick that green thumb right

2053

00:34:12,000 —> 00:34:13,000

up your ass. Oh, yes. Another man

who grows miniature plants so

2054

00:34:13,000 —> 00:34:14,000

he can feel like a giant. A real

man loves enormous trees

2055

00:34:14,000 —> 00:34:15,000

that he can have his way with.

Chopping them down and using

2056

00:34:15,000 —> 00:34:16,000

the wood to plant them. To fashion

rocking horses and suggestive

whirligigs.

2057

00:34:16,000 —> 00:34:17,000

Okay, we're running out of time.

Literally. But again, like a seed

2058

00:34:17,000 —> 00:34:18,000

sown in a hurricane or a mushroom
spore from outer space, the

2059
00:34:18,000 —> 00:34:19,000
garden goes on. I'm Maurice. Until
next time, dig a hole and

2060
00:34:19,000 —> 00:34:20,000
plant yourself." That was the show
that generates more phone calls
than

2061
00:34:20,000 —> 00:34:21,000
any other on WCTR, Gardening with
Maurice. —Proposition 421— (Kill
all smokers)

2062
00:34:21,000 —> 00:34:22,000
Woman: If only the world was less
like this...

2063
00:34:22,000 —> 00:34:23,000
Man: I could use a smoke (sound of
lighter) Woman 2: Hey!

2064

00:34:23,000 —> 00:34:24,000

Put that out! Woman: ...and more

like this...

2065

00:34:24,000 —> 00:34:25,000

Man: I could use a smoke (sound of

lighter) Woman 2: You

2066

00:34:25,000 —> 00:34:26,000

murderer! I might have children one

day! (sound of gunshot) Woman:

Smoking

2067

00:34:26,000 —> 00:34:27,000

kills. Unless you kill first. If

you're around a smoker, you -will-

2068

00:34:27,000 —> 00:34:28,000

die. Smokers may look like they're

relaxed and having fun, but don't

2069

00:34:28,000 —> 00:34:29,000

believe it. Vote "yes" on
Proposition 421. Let's outlaw
smoking everywhere- even

2070
00:34:29,000 —> 00:34:30,000
in people's homes, and allow honest
citizens to legally kill anyone who

2071
00:34:30,000 —> 00:34:31,000
smokes. Let's live in a world
without smokers!

2072
00:34:31,000 —> 00:34:32,000
Prohibition works- let's prove it.
Let's move up the food chain.

2073
00:34:32,000 —> 00:34:33,000
It's time to smoke the smokers!
Vote "yes"

2074
00:34:33,000 —> 00:34:34,000
on Proposition 421. "Want to be too
scared to go outside?

2075

00:34:34,000 —> 00:34:35,000

The news is next. Leanne Forge,

WCTR State-controlled news.

2076

00:34:35,000 —> 00:34:36,000

Propped up. Breaking news. Is

skateboarding making your son

impotent?"

2077

00:34:36,000 —> 00:34:37,000

"and how to find out. Today's top

stories.

2078

00:34:37,000 —> 00:34:38,000

Why hatred is good for you.

Foreigners, worse than we thought.

2079

00:34:38,000 —> 00:34:39,000

And our top story concerns the

death of recently cleared police

officer

2080

00:34:39,000 —> 00:34:40,000

Frank Tenpenny. His body was found
in the aftermath of a recent

2081
00:34:40,000 —> 00:34:41,000
riot set off by his acquittal.
Coroners took several days to
identify

2082
00:34:41,000 —> 00:34:42,000
the body which had been mutilated
and stripped by the homeless.

2083
00:34:42,000 —> 00:34:43,000
More on the riot of the century.
How do we keep it

2084
00:34:43,000 —> 00:34:44,000
from happening again? Richard is on
the streets with rescue workers.

2085
00:34:44,000 —> 00:34:45,000
Uh, Leanne, I don't know if you've
ever covered a riot.

2086

00:34:45,000 —> 00:34:46,000

But the scene here is amazing.

Rescue workers are opening up a

2087

00:34:46,000 —> 00:34:47,000

car with the jaws of life right

here.

2088

00:34:47,000 —> 00:34:48,000

It is so cool. Hey, shut up, bitch.

2089

00:34:48,000 —> 00:34:49,000

I'm interviewing. You're ruining my

report. Shut up.

2090

00:34:49,000 —> 00:34:50,000

Hey, hey, rescue guy. Come here,

come here.

2091

00:34:50,000 —> 00:34:51,000

Richard Burns, WC. GR News. How's

it going?

2092

00:34:51,000 —> 00:34:52,000

You dumbass, I'm trying to save

this woman.

2093

00:34:52,000 —> 00:34:53,000

Get out of here. I'm trying to save

this woman.

2094

00:34:53,000 —> 00:34:54,000

Step back. Yeah, well, see if I

give you any beers from

2095

00:34:54,000 —> 00:34:55,000

my news truck, you overpaid prick.

Leanne, this town is going to

2096

00:34:55,000 —> 00:34:56,000

need some healing. Back to you.

Hey, why don't you use the

2097

00:34:56,000 —> 00:34:57,000

jaws of life on your fat wife,

dude?

2098

00:34:57,000 —> 00:34:58,000

Did you hear me, Rankin? That was

rad.

2099

00:34:58,000 —> 00:34:59,000

I'm so glad you're okay, Richard.

Hey, baby, are we off the

2100

00:34:59,000 —> 00:35:00,000

air? I looted some great stuff for

our apartment.

2101

00:35:00,000 —> 00:35:01,000

A fat bear skin rug, a new blender,

a double ender.

2102

00:35:01,000 —> 00:35:02,000

Currently, we have no more

information. And in entertainment

news, the comeback

2103

00:35:02,000 —> 00:35:03,000

of the year. Disgraced drunkard Mad
Dog, who was recently saved from

2104
00:35:03,000 —> 00:35:04,000
jumping to his death by a mystery
assistant, is on top of

2105
00:35:04,000 —> 00:35:05,000
the charts with a new album and a
sellout tour planned.

2106
00:35:05,000 —> 00:35:06,000
Yes, people, the wait is over. Mad
Dog is back.

2107
00:35:06,000 —> 00:35:07,000
On the top where I belong, baby.
Number one.

2108
00:35:07,000 —> 00:35:08,000
Now I want to set the record
straight at this point.

2109

00:35:08,000 —> 00:35:09,000
I've been hearing all kinds of
shit, like I was drunk and

2110
00:35:09,000 —> 00:35:10,000
I was on some drugs and I had a
breakdown or some

2111
00:35:10,000 —> 00:35:11,000
shit. I was never in a hotel in Los
Venturas.

2112
00:35:11,000 —> 00:35:12,000
That's bullshit. They just hating
on the player, man.

2113
00:35:12,000 —> 00:35:13,000
They been hating on me since I was
in baby shoes.

2114
00:35:13,000 —> 00:35:14,000
I was in the studio, yeah. Took a
little time off.

2115

00:35:14,000 —> 00:35:15,000

I watched y'all rappers get out

there and try to do your

2116

00:35:15,000 —> 00:35:16,000

thing. But now I'm ready to drop

this dog shit on your

2117

00:35:16,000 —> 00:35:17,000

whack ass rappers. I got a new

manager.

2118

00:35:17,000 —> 00:35:18,000

His name is Mark. His name is Carl

Johnson.

2119

00:35:18,000 —> 00:35:19,000

And we gonna take this rap game to

a new level by

2120

00:35:19,000 —> 00:35:20,000

storm for the second time. Yeah,

bitches, sign up right now to

2121

00:35:20,000 —> 00:35:21,000

get in my hoe roster. It's gonna be

big.

2122

00:35:21,000 —> 00:35:22,000

Yeah, take a number hoe. Take a

number."

2123

00:35:22,000 —> 00:35:23,000

"Leanne Forge, WCTR News. This is

the end and a new beginning."
