Dialogues from How to Talk to Girls at Parties to improve the vocabulary in English

2

00:01:22,487 –> 00:01:23,889

(GASPS)

3

00:01:24,955 –> 00:01:26,490

(EXHALES)

4

00:01:34,667 –> 00:01:36,499

ENN: Is she really going out

with him?

5

00:01:36,501 –> 00:01:38,771

(PUNK MUSIC PLAYING

ON RECORD PLAYER)

6

00:01:56,924 –> 00:01:58,293

(SPITS)

7

00:02:09,404 –> 00:02:10,769

NEWS ANCHOR: (ON TV)
The silver jubilee

8
00:02:10,771 —> 00:02:12,807
marks 25 years
of Her Majesty's reign.

9
00:02:16,811 —> 00:02:17,877
(BICYCLE BELL RINGS)

10
00:02:17,879 —> 00:02:19,415
Oi, watch it!

11
00:02:22,418 —> 00:02:23,754
(GROANS)

12
00:02:28,957 —> 00:02:30,295
(BICYCLE BELL RINGS)

13
00:02:43,842 —> 00:02:45,476
(BARKING)

14

00:02:47,911 —> 00:02:50,516

- I'll fucking kill you!

- (GLASS SHATTERS)

15

00:02:50,782 —> 00:02:52,448

Don't come back here,

16

00:02:52,450 —> 00:02:53,850

you fucking thieving

little git!

17

00:02:53,852 —> 00:02:57,457

- (CHUCKLES) Fuck off!

- Fucking bastards!

18

00:02:59,125 —> 00:03:00,727

(BICYCLE BELL RINGS)

19

00:03:01,594 —> 00:03:02,992

All right, John?

20

00:03:02,994 —> 00:03:04,594

All right, boys?

21

00:03:04,596 —> 00:03:05,999

All right, go, go, go, go!

22

00:03:07,066 —> 00:03:08,600

(CHILDREN CHEERING)

23

00:03:08,602 —> 00:03:10,735

VIC: Keep fighting

the machine, boys!

24

00:03:10,737 —> 00:03:12,771

(CHEERING CONTINUES)

25

00:03:12,773 —> 00:03:14,139

To the Queen!

26

00:03:14,141 —> 00:03:16,173

- Hip, hip...

- ALL: Hooray!

27

00:03:16,175 —> 00:03:18,479

MAN: Hip, hip...

ALL: Hooray!

28

00:03:19,680 —> 00:03:21,783

Mum, can I have a word?

29

00:03:23,617 —> 00:03:24,885

Can you sub me

next week's pocket money?

30

00:03:28,688 —> 00:03:30,624

- You'll be home by 12:00?

- Yeah.

31

00:03:30,626 —> 00:03:32,091

A revolution bankrolled

32

00:03:32,093 —> 00:03:33,893

entirely by Mum's

spare change.

33

00:03:33,895 —> 00:03:36,128

(ALL LAUGHING)

34

00:03:36,130 —> 00:03:38,764

God save the Queen!

35

00:03:38,766 —> 00:03:40,902

- BOTH: The fascist regime!

- (ALL BOOING)

36

00:03:41,837 —> 00:03:43,638

WOMAN: Get off!

37

00:03:43,640 —> 00:03:45,541

(BOYS SHOUTING)

38

00:03:46,109 —> 00:03:47,444

I fucked your mum!

39

00:03:47,777 —> 00:03:49,609

I had fun with her afterwards.

40

00:03:49,611 —> 00:03:51,645

She's a very generous lover.

41

00:03:51,647 —> 00:03:52,915

- (PUNKS LAUGHING)

- Whoa!

42

00:03:54,919 —> 00:03:55,987

(BOTH GROANING)

43

00:04:01,090 —> 00:04:02,790

(PUNKS LAUGHING)

44

00:04:02,792 —> 00:04:04,826

VIC: Oi, slow down, mate.

Slow down. Come on.

45

00:04:04,828 —> 00:04:07,597

JOHN: I can't believe you

did that. That was so funny.

46

00:04:07,599 —> 00:04:09,165

ENN: Thank you very much.

47

00:04:09,167 —> 00:04:10,934
VIC: When did they start
charging a bleeding pound

48
00:04:10,936 —> 00:04:12,634
for a punk show in Croydon?

49
00:04:12,636 —> 00:04:14,939
Shut it, Vic, all right?
We're getting in for free.

50
00:04:15,674 —> 00:04:17,042
- (LAUGHS)
- Up here.

51
00:04:18,009 —> 00:04:19,945
VIC: Females await, boys.

52
00:04:20,212 —> 00:04:22,082
- (REGGAE MUSIC PLAYING)
- MC: Don't touch my hair.

53
00:04:22,949 —> 00:04:24,151

Don't touch my hair.

54

00:04:25,618 —> 00:04:27,720

Please kiss my heart and touch

my mind. Don't touch me there.

55

00:04:28,954 —> 00:04:30,691

Don't touch my hair.

56

00:04:32,825 —> 00:04:35,494

Don't touch my fucking hair.

57

00:04:35,496 —> 00:04:36,994

Oi!

58

00:04:36,996 —> 00:04:39,831

(INDISTINCT SHOUTING)

59

00:04:39,833 —> 00:04:40,801

(WHISTLES)

60

00:04:41,903 —> 00:04:43,603

(INDISTINCT SHOUTING
CONTINUES)

61
00:04:43,605 —> 00:04:46,505
- Fuck you, bitch! Bitch!
- (LAUGHING)

62
00:04:46,507 —> 00:04:49,709
Whoa, punk really is
the greatest thing

63
00:04:49,711 —> 00:04:52,010
that ever happened
to ugly people, isn't it?

64
00:04:52,012 —> 00:04:53,144
Fuck you, Jerry.

65
00:04:53,146 —> 00:04:54,847
(CHUCKLES)

66
00:04:54,849 —> 00:04:57,085
Wait till you see Slap.

Wait till you see my boy!

67

00:04:58,120 —> 00:05:01,491

Oi, get the fuck out of here!

68

00:05:02,758 —> 00:05:04,460

GIRL: Come in the front door,

you poofs!

69

00:05:05,027 —> 00:05:09,531

Oh, boys, this place is

teeming with proper gash.

70

00:05:09,533 —> 00:05:10,798

(SCOFFS)

71

00:05:10,800 —> 00:05:12,035

VIC: Do you not like

that word, Enn?

72

00:05:12,535 —> 00:05:14,802

Would you prefer "lady bits"

or "front bottom"?

73

00:05:14,804 —> 00:05:15,905

Fuck off.

74

00:05:17,172 —> 00:05:18,810

God, those braces are clinging

on for dear life, ain't they?

75

00:05:20,611 —> 00:05:23,212

I think the one with pink hair

is Shirley from school.

76

00:05:23,214 —> 00:05:24,746

VIC: Yeah, I know her.

77

00:05:24,748 —> 00:05:26,016

She's Boadicea's

right-hand bitch.

78

00:05:26,616 —> 00:05:29,153

Go and talk to her then.

Get us into the after party.

79

00:05:30,022 —> 00:05:32,024

Hey, who's the twat

in the turtleneck?

80

00:05:32,758 —> 00:05:35,158

VIC: Must be another label

sniffing around The Dyschords.

81

00:05:35,160 —> 00:05:37,763

You know, Boadicea should be

reading our fanzine.

82

00:05:38,030 —> 00:05:41,768

Yeah, he's right.

She could put us on the map.

83

00:05:42,034 —> 00:05:43,967

- Get us an intro then.

- I don't want to.

84

00:05:43,969 —> 00:05:44,971

- Talk to Shirley.

- No. I don't want to.

85

00:05:45,170 —> 00:05:46,603

You went to school with her.

86

00:05:46,605 —> 00:05:48,171

- Sod off.

- Aww, are you a virgin?

87

00:05:48,173 —> 00:05:50,176

- Fuck off!

- Go on!

88

00:05:50,642 —> 00:05:52,075

VIC: The chick is leaving

the nest.

89

00:05:52,077 —> 00:05:53,744

MAN: I was in Despair,

90

00:05:53,746 —> 00:05:55,314

and now I'm in another band

called Lipstick,

91

00:05:55,316 —> 00:05:57,648

which was formed

from the remnants of Despair.

92

00:05:57,650 —> 00:05:58,919

Hiya!

93

00:06:00,787 —> 00:06:02,523

It's Shirley, right?

94

00:06:02,722 —> 00:06:04,355

Uh, we went

to school together.

95

00:06:04,357 —> 00:06:06,928

The name's Spinning Jenny.

96

00:06:07,127 —> 00:06:09,829

Nice. I'm Enn.

97

00:06:09,831 —> 00:06:11,634

Uh, we did that show together?

Do you remember?

98

00:06:12,067 —> 00:06:13,235

Baa Baa Black Sheep?

99

00:06:13,668 —> 00:06:16,735

I was a bag of wool,

and so were you.

100

00:06:16,737 —> 00:06:18,241

And we had that duet together.

101

00:06:18,873 —> 00:06:20,373

Go on, give us

a tune then, "Shirley."

102

00:06:20,375 —> 00:06:22,546

- Piss off.

- Um...

103

00:06:22,745 —> 00:06:24,681

I do remember that song

we did though.

104

00:06:25,246 —> 00:06:26,549

Let's sing it.

105

00:06:26,882 —> 00:06:29,219

Oh, come on. You start.

106

00:06:31,153 —> 00:06:34,691

(SINGING) We are bags of wool,

and I love you

107

00:06:37,360 —> 00:06:40,961

And I'm happy

'cause you love me too

108

00:06:40,963 —> 00:06:42,798

Don't pay any attention

to that.

109

00:06:42,800 —> 00:06:44,570

But now I'm a gray sock

and you're a winter's cap

110

00:06:45,135 —> 00:06:50,641

Forever apart on the same cold

111

00:06:51,041 —> 00:06:54,047

(IN HIGH-PITCH) Chap

112

00:06:55,847 —> 00:06:58,585

(ALL LAUGHING)

113

00:06:58,984 —> 00:07:02,989

MC: Oi, oi, oi.

Bunch of boob-sniffing fucks!

114

00:07:03,388 —> 00:07:05,054

Ever get the feeling

115

00:07:05,056 —> 00:07:06,593

your invitation was lost

in the mail?

116

00:07:06,893 —> 00:07:08,993

Who could imagine

you lot out here

117

00:07:08,995 —> 00:07:11,863

- in a shithole like Croydon!

- PUNK: Fuck off!

118

00:07:11,865 —> 00:07:14,065

MC: In the world

of quantum mechanics,

119

00:07:14,067 —> 00:07:16,733

punks are everywhere

at the same time.

120

00:07:16,735 —> 00:07:18,873

Until, observe.

121

00:07:19,140 —> 00:07:21,272

Let me welcome you

to the leaders

122

00:07:21,274 —> 00:07:23,979

of the

Party go Punk revolution!

123

00:07:24,878 —> 00:07:28,080

The incredible Dyschords!

124

00:07:28,082 —> 00:07:30,182

(CROWD CHEERING)

125

00:07:30,184 —> 00:07:32,187

(PUNK MUSIC PLAYING)

126

00:07:36,857 —> 00:07:39,158

(SINGING) With your,

with your vampire

127

00:07:39,160 —> 00:07:41,998

'Cause I'm your little sex toy

128

00:07:42,764 —> 00:07:45,099

Your city is torn

129

00:07:45,101 —> 00:07:48,001

She's singing I love you

Oh, oh, oh, oh

130

00:07:48,003 —> 00:07:50,239

I had a planned adolescence

131

00:07:50,772 —> 00:07:52,942

- (CROWD SINGING ALONG)

- Under duress

132

00:07:53,442 —> 00:07:56,278

A planned obsolescence

133

00:07:56,280 —> 00:07:59,247

I'm so depressed

134

00:07:59,249 —> 00:08:00,284

Yes!

135

00:08:02,453 —> 00:08:04,054

Fuck off! Fuck off!

136

00:08:05,923 —> 00:08:10,863

Cradle to the grave

We are told what to do

137

00:08:11,396 —> 00:08:13,896

I'm bleeding from my tongue

138

00:08:13,898 —> 00:08:16,765

But my blood's not blue

Oh, oh, oh, oh

139

00:08:16,767 —> 00:08:19,171

I had a planned adolescence

140

00:08:19,804 —> 00:08:21,874

(WHOOPING)

141

00:08:24,909 —> 00:08:26,376

WOMAN: Suck him off!

142

00:08:26,378 —> 00:08:28,181

(CROWD CHEERING)

143

00:08:31,217 —> 00:08:32,952

Stop!

144

00:08:34,053 —> 00:08:35,487

- Fuck off!

- SLAP: Piss off!

145

00:08:35,489 —> 00:08:37,958

MAN 1: Virgin Records!

146

00:08:40,192 —> 00:08:42,460

- MAN 2: Fuck you, yeah!

- Oh, oh, oh, oh!

147

00:08:42,462 —> 00:08:44,899

ALL: (SINGING)

I had a planned adolescence

148

00:08:45,298 —> 00:08:47,066

Under duress

149

00:08:47,068 —> 00:08:50,172

- Yeah!
- A planned obsolescence

150
00:08:50,837 –> 00:08:52,707
I'm so depressed

151
00:08:54,175 –> 00:08:55,844
A planned adolescence

152
00:08:56,377 –> 00:08:58,747
Under duress

153
00:08:59,381 –> 00:09:00,982
A planned obsolescence

154
00:09:02,083 –> 00:09:04,186
- (YELLS)
- I'm so depressed

155
00:09:06,790 –> 00:09:09,392
(ALL YELLING)

156

00:09:09,792 —> 00:09:11,728
- (SLAP LAUGHING)
- (GLASS SHATTERING)

157
00:09:11,994 —> 00:09:13,196
MAN: Get off!

158
00:09:14,196 —> 00:09:15,829
There's your seven-inch.

159
00:09:15,831 —> 00:09:17,398
BOADICEA: You stupid
fucking pillock.

160
00:09:17,400 —> 00:09:19,400
- We had him. We had him!
- (SLAP GRUNTS)

161
00:09:19,402 —> 00:09:21,203
And then you had to go
and fuck it up!

162
00:09:21,205 —> 00:09:22,873

What are you, suicidal?

163

00:09:23,273 —> 00:09:26,009

- Ahh! You remind me of my mum.

- Good!

164

00:09:26,410 —> 00:09:28,276

SLAP: Bo,

I'm the golden goose!

165

00:09:28,278 —> 00:09:30,546

You haven't laid

the golden egg yet, have you?

166

00:09:30,548 —> 00:09:32,382

I've had it, Slap!

167

00:09:32,384 —> 00:09:35,151

- So where's the after party?

- Wadeson Street. And you!

168

00:09:35,153 —> 00:09:36,989

- You are barred!

- (GROANS)

169

00:09:39,291 —> 00:09:41,123

ENN: I can't bear it

if they sign

170

00:09:41,125 —> 00:09:42,993

to a major, though.

So wrong.

171

00:09:42,995 —> 00:09:44,394

JOHN: Well,

The Clash signed to CBS.

172

00:09:44,396 —> 00:09:46,062

ENN: They're dead to me.

173

00:09:46,064 —> 00:09:47,431

I've written an editorial

in the new issue.

174

00:09:47,433 —> 00:09:48,898

JOHN: Did you put

my Slits review in?

175

00:09:48,900 —> 00:09:50,401

ENN: Some of it.

176

00:09:50,403 —> 00:09:53,137

- What did you take out?

- The epic fucking poetry.

177

00:09:53,139 —> 00:09:55,573

Oi! Rimbaud was a symbolist.

178

00:09:55,575 —> 00:09:58,912

You want to forget the artsy

crap next Tuesday, John mate.

179

00:09:59,179 —> 00:10:00,611

Where are you going to

take her?

180

00:10:00,613 —> 00:10:02,916

- Who?

- My impending date.

181

00:10:03,382 —> 00:10:05,386

When did you get a date?

Who with?

182

00:10:05,586 —> 00:10:07,919

- Tracey.

- What? Tracey the Slag?

183

00:10:07,921 —> 00:10:09,588

Tracey the Magnanimous.

184

00:10:09,590 —> 00:10:12,290

(IMITATING TRACEY) "Now, boys,

you can touch one of them.

185

00:10:12,292 —> 00:10:13,893

"Left one's bigger..."

186

00:10:13,895 —> 00:10:15,895

BOTH: "...right one's nicer!"

187

00:10:15,897 —> 00:10:17,598
(BOTH LAUGHING)

188
00:10:17,600 —> 00:10:20,534
So I was thinking, do I save
up and take her into town?

189
00:10:20,536 —> 00:10:22,071
The Roxy maybe?
I mean, she's not a punk...

190
00:10:22,303 —> 00:10:24,203
Nah, some mafia queer
runs the place now.

191
00:10:24,205 —> 00:10:26,006
Don't know if he'll let you
fuck her in the toilet.

192
00:10:26,008 —> 00:10:28,040
That is genuinely sad
to take advantage.

193

00:10:28,042 —> 00:10:29,544
Not as sad as being the guy
at the party

194
00:10:29,546 —> 00:10:31,145
who ends up in the kitchen,

195
00:10:31,147 —> 00:10:33,013
talking to someone's mum.

196
00:10:33,015 —> 00:10:35,516
(IMITATING MUM) "Oh, lovely
shade of blue, your balls."

197
00:10:35,518 —> 00:10:37,951
Yeah, that'll be the shade
of your mum's lipstick, mate.

198
00:10:37,953 —> 00:10:39,320
- (BICYCLE BELL RINGS)
- (PUNKS LAUGH)

199
00:10:39,322 —> 00:10:42,023

- Come on, boys!

- Tonight, all that changes

200

00:10:42,025 —> 00:10:44,927

- at the after party!

- (WHOOPING)

201

00:10:44,929 —> 00:10:46,427

ENN: Do you know

where we're going?

202

00:10:46,429 —> 00:10:47,962

VIC: Yeah, Wadeson Street.

ENN: Which is which way?

203

00:10:47,964 —> 00:10:49,031

Just down the road

around the corner.

204

00:10:49,033 —> 00:10:50,435

I trust you implicitly, Vic!

205

00:10:53,939 —> 00:10:56,038

VIC: I absolutely know
where we're going.

206
00:10:56,040 —> 00:10:57,374
ENN: Ugh, again.

207
00:10:57,376 —> 00:10:58,508
Why don't we go
for a bit of a swing

208
00:10:58,510 —> 00:10:59,942
in the kids' park instead?

209
00:10:59,944 —> 00:11:02,511
- Fuck me!
- VIC: I'd hurt you, Enn.

210
00:11:02,513 —> 00:11:03,913
- JOHN: How about this, right?
- (MUSIC PLAYING)

211
00:11:03,915 —> 00:11:05,382
Why don't we finish our beers

212

00:11:05,384 —> 00:11:07,220

and decide

on the Virys run tomorrow.

213

00:11:07,987 —> 00:11:09,389

Enn?

214

00:11:09,656 —> 00:11:11,257

Enn?

215

00:11:12,325 —> 00:11:14,027

What's that music?

216

00:11:14,326 —> 00:11:15,528

- What music?

- Shh!

217

00:11:17,229 —> 00:11:19,133

I've almost got it.

218

00:11:24,138 —> 00:11:27,274

- (MUSIC CONTINUES PLAYING)

- JOHN: Now I hear it.

219

00:11:30,511 —> 00:11:35,214

Never doubt me again.

220

00:11:35,216 —> 00:11:36,648

(JOHN LAUGHING)

221

00:11:36,650 —> 00:11:38,887

JOHN: That music is amazing.

Is it German?

222

00:11:39,687 —> 00:11:41,625

ENN: I feel like

I've heard it before.

223

00:11:42,024 —> 00:11:43,456

JOHN: You never heard nothing

before me, mate.

224

00:11:43,458 —> 00:11:47,263

- VIC: Shut it. Let's get laid.

- (ALL WHOOPING)

225

00:11:55,037 —> 00:11:56,539

Hello.

226

00:11:57,674 —> 00:11:59,443

We're friends of Boadicea.

227

00:12:00,142 —> 00:12:02,312

She manages The Dyschords.

228

00:12:02,545 —> 00:12:04,448

There is no discord here.

229

00:12:05,550 —> 00:12:08,654

Right.

What's your name, then?

230

00:12:09,653 —> 00:12:10,721

Stella.

231

00:12:11,421 —> 00:12:14,191

That's got to be the prettiest
name I have ever heard.

232
00:12:15,059 —> 00:12:16,759
It's like a star, isn't it?

233
00:12:16,761 —> 00:12:22,435
No. Stellas have been stars,
but not all stars are Stellas.

234
00:12:23,534 —> 00:12:27,139
Well, you look
like a star, Stella.

235
00:12:38,451 —> 00:12:40,486
(MUSIC PLAYING)

236
00:12:58,239 —> 00:13:00,039
They must be from California.

237
00:13:00,041 —> 00:13:01,377
Jackpot.

238

00:13:02,044 —> 00:13:03,579

They fuck anything that moves

in California.

239

00:13:04,478 —> 00:13:08,118

JOHN: Yeah, and Croydon

is the sister city to Fresno.

240

00:13:14,489 —> 00:13:16,589

It's going to be

all right, mate.

241

00:13:16,591 —> 00:13:18,660

Just corner the one

that looks the loneliest

242

00:13:18,662 —> 00:13:22,066

and speak

in short admiring sentences.

243

00:13:25,802 —> 00:13:27,605

Excuse me.

244

00:13:33,278 —> 00:13:35,143

Hmm.

245

00:13:35,145 —> 00:13:37,149

(WHISPERING) Enn.

Enn, mate. Come here.

246

00:13:52,798 —> 00:13:55,302

(MUSIC CONTINUES PLAYING)

247

00:14:20,294 —> 00:14:22,064

So cool.

248

00:14:24,196 —> 00:14:25,067

Might have a bit of a dance

to that.

249

00:14:25,299 —> 00:14:26,535

I'm...

250

00:14:27,568 —> 00:14:29,472

I'm gonna go find the kitchen.

251

00:15:06,878 —> 00:15:08,215

Hello. (CHUCKLES)

252

00:15:09,882 —> 00:15:12,385

You look like you could use

some company.

253

00:15:16,388 —> 00:15:18,192

I'm Enn.

254

00:15:20,226 —> 00:15:21,629

Short for Henry.

255

00:15:22,596 —> 00:15:25,232

I'm Wainswain.

It's long for Wain.

256

00:15:26,799 —> 00:15:28,599

I don't remember you.

257

00:15:28,601 —> 00:15:30,503

Don't you find it sad

that we never seem

258

00:15:30,505 —> 00:15:33,408

to recognize each other

on birthdays?

259

00:15:34,608 —> 00:15:36,477

Weren't you a virus last time?

260

00:15:37,278 —> 00:15:39,281

- Last time?

- I thought so.

261

00:15:40,380 —> 00:15:41,483

I'm a Second.

262

00:15:41,916 —> 00:15:43,519

A second what?

263

00:15:43,785 —> 00:15:45,888

Second Colony.

264

00:15:46,955 —> 00:15:48,290

Today

265

00:15:50,226 —> 00:15:52,896

I manifested imperfectly.

266

00:15:54,430 —> 00:15:55,799

Again.

267

00:15:58,568 —> 00:16:01,539

But that is no reflection

on Parent-Teacher Wain.

268

00:16:03,406 —> 00:16:05,310

That is my own burden.

269

00:16:05,710 —> 00:16:07,811

My mate John has got

a third nipple,

270

00:16:08,712 —> 00:16:11,715

and it never held him back

in any way.

271
00:16:12,816 —> 00:16:17,523
In our culture, he would class
as an abomination.

272
00:16:22,727 —> 00:16:24,296
I'm...

273
00:16:26,264 —> 00:16:28,433
(ALL SINGING)

274
00:16:36,808 —> 00:16:39,609
ALL: Happy birthday, Waldo.

275
00:16:39,611 —> 00:16:41,880
PT WALDO:
Happy birthday to you.

276
00:16:41,882 —> 00:16:43,615
Fourth Colony manifests...

277

00:16:43,617 —> 00:16:45,420
ALL: Individuality!

278
00:16:45,618 —> 00:16:47,452
PT WALDO: Let's be grateful
for our bodies.

279
00:16:47,454 —> 00:16:50,625
After all,
they're our last ones.

280
00:17:03,771 —> 00:17:08,741
The iconic London sights,
Big Ben, Westminster Abbey,

281
00:17:08,743 —> 00:17:11,347
and the private Pleasure Dome
of the Prime Ministers,

282
00:17:12,347 —> 00:17:14,081
- aren't going to happen.
- (ALL GROANING)

283

00:17:14,083 —> 00:17:16,516
This whole
Queen's jubilee celebration

284
00:17:16,518 —> 00:17:18,385
sort of blindsided us
Parent-Teachers

285
00:17:18,387 —> 00:17:20,625
and the city is booked solid.

286
00:17:20,856 —> 00:17:22,824
But we've managed
to patch together

287
00:17:22,826 —> 00:17:24,358
a brand-new itinerary

288
00:17:24,360 —> 00:17:26,396
of equally
nourishing experiences,

289
00:17:26,596 —> 00:17:28,462

all within

this deeply authentic

290

00:17:28,464 —> 00:17:30,269

suburban community of...

291

00:17:31,501 —> 00:17:32,803

Croydon.

292

00:17:33,370 —> 00:17:35,704

Zan, what are you

looking forward

293

00:17:35,706 —> 00:17:37,876

to experiencing in Croydon?

294

00:17:40,811 —> 00:17:45,951

I've sensed some tension

over our last few stops, Zan.

295

00:17:46,617 —> 00:17:48,954

Do you have something

you want to interjaculate?

296

00:17:50,755 —> 00:17:52,489

Don't hold back, Zan.

297

00:17:52,491 —> 00:17:54,895

- Fourth Colony manifests...

- ALL: Individuality!

298

00:17:56,029 —> 00:17:57,965

(ALL CONTINUE SINGING)

299

00:18:06,072 —> 00:18:08,072

You constantly use words like

300

00:18:08,074 —> 00:18:10,108

"enrichment"

and "authenticity,"

301

00:18:10,110 —> 00:18:14,081

but we're behaving more like

tourists than travelers.

302

00:18:15,448 —> 00:18:18,685
I mean, perhaps we could
emulate the Stellas

303
00:18:18,687 —> 00:18:20,689
and really participate.

304
00:18:20,956 —> 00:18:23,656
The Stellas have
a different way

305
00:18:23,658 —> 00:18:25,859
of enriching their community.

306
00:18:25,861 —> 00:18:28,965
Well, all we ever seem to do
is observe and consume.

307
00:18:30,099 —> 00:18:31,935
PT WALDO:
You are what you eat, Zan.

308
00:18:32,602 —> 00:18:34,603

I know I am.

309

00:18:35,138 —> 00:18:36,340

Zan...

310

00:18:43,747 —> 00:18:46,084

(BREATHING HEAVILY)

311

00:18:47,683 —> 00:18:49,019

Are you shocked?

312

00:18:49,886 —> 00:18:51,488

No, um...

313

00:18:52,155 —> 00:18:55,026

I get it. I'm into punk.

314

00:18:55,427 —> 00:18:56,895

My name is Enn.

315

00:18:57,562 —> 00:18:58,564

Zan.

316

00:19:00,431 —> 00:19:02,633

Tell me more

about yourself, Zan.

317

00:19:03,034 —> 00:19:06,605

Why? We've probably met

a thousand times. (SIGHS)

318

00:19:08,173 —> 00:19:09,475

What's punk?

319

00:19:10,175 —> 00:19:13,009

Like the Ramones?

Or the Sex Pistols?

320

00:19:13,011 —> 00:19:14,611

Or the New York Dolls.

321

00:19:14,613 —> 00:19:15,978

Well, some people

don't count the Dolls.

322

00:19:15,980 —> 00:19:17,818

But it's like anarchy.

323

00:19:18,652 —> 00:19:21,122

(GASPS) Now that is punk!

324

00:19:24,758 —> 00:19:26,927

Do more punk to me.

325

00:19:30,731 —> 00:19:32,401

Hmm...

326

00:19:34,902 —> 00:19:38,136

Me and my mates were thinking

of starting a band, actually,

327

00:19:38,138 —> 00:19:40,472

'cause none of us know how to

play anything, which is...

328

00:19:40,474 —> 00:19:43,012

- (GASPS)

- Oh, God, I'm sorry.

329

00:19:44,146 —> 00:19:46,648

Um, you're bleeding.

330

00:19:58,895 —> 00:20:01,632

How do I further access

the punk?

331

00:20:02,932 —> 00:20:05,937

Well, I could take you dancing

at the Roxy.

332

00:20:06,203 —> 00:20:07,705

Rape is playing tomorrow.

333

00:20:08,572 —> 00:20:11,443

Our schedule doesn't allow

for Rape.

334

00:20:12,575 —> 00:20:14,775

Does yours? Are you a Sixth?

335

00:20:14,777 —> 00:20:15,947

What do you mean?

336

00:20:17,681 —> 00:20:19,217

You're a local?

337

00:20:20,185 —> 00:20:22,221

Stella said it was all right.

338

00:20:23,255 —> 00:20:25,858

And only the Stella

knows you're here?

339

00:20:33,999 —> 00:20:37,603

Hey, Stella. You're luminous,

you know that?

340

00:20:39,872 —> 00:20:42,576

I wanna kiss you forever,

341

00:20:43,277 —> 00:20:45,680

but you make me feel shy.

342

00:20:46,979 —> 00:20:50,218

I don't wanna go

too fast, but...

343

00:20:54,021 —> 00:20:55,624

Are you prepared?

344

00:20:56,758 —> 00:20:58,160

Yeah.

345

00:20:58,893 —> 00:21:00,828

Then kneel.

346

00:21:01,128 —> 00:21:02,594

What?

347

00:21:02,596 —> 00:21:04,599

Remove your clothes.

348

00:21:06,000 —> 00:21:07,503

Okay.

349

00:21:10,306 —> 00:21:11,872

(VIC CHUCKLES NERVOUSLY)

350

00:21:11,874 —> 00:21:13,239

ENN: How long

have you lot been here?

351

00:21:13,241 —> 00:21:14,674

ZAN: We arrived this morning.

352

00:21:14,676 —> 00:21:16,044

It's the last stop

on our tour.

353

00:21:16,846 —> 00:21:19,149

What do your people do

on an ordinary day?

354

00:21:20,116 —> 00:21:21,919

(VIC BREATHING HEAVILY)

355

00:21:27,057 —> 00:21:28,626

Relax.

356

00:21:31,662 —> 00:21:33,064

Breathe.

357

00:21:33,598 —> 00:21:35,533

(BREATHES DEEPLY)

358

00:21:38,202 —> 00:21:39,938

Close your eyes.

359

00:21:52,684 —> 00:21:55,054

(BREATHING HEAVILY)

360

00:21:58,690 —> 00:22:00,059

(GASPS)

361

00:22:00,360 —> 00:22:02,228

Breathe, Victor.

362

00:22:02,695 —> 00:22:04,060

Breath.

363
00:22:04,062 —> 00:22:07,134
Respire from the orifice.

364
00:22:08,101 —> 00:22:10,804
ENN: Saturday's
our fanzine distribution day.

365
00:22:11,839 —> 00:22:16,210
Sunday, we pick tomatoes
over by the sewage pipes.

366
00:22:16,811 —> 00:22:18,878
You see, tomato seeds,

367
00:22:18,880 —> 00:22:20,812
they don't break down
in the digestive system,

368
00:22:20,814 —> 00:22:23,352
so they grow wild wherever
there's a leak in the pipes.

369

00:22:23,785 —> 00:22:26,688

We pick them to sell them

for photocopying money.

370

00:22:27,756 —> 00:22:31,260

Dancing, free trade,

duplication,

371

00:22:31,826 —> 00:22:33,960

having no restrictions?

372

00:22:33,962 —> 00:22:35,798

Well, we do what we want.

373

00:22:35,997 —> 00:22:39,001

- (VIC MOANING)

- Release!

374

00:22:40,737 —> 00:22:42,273

Merge!

375

00:22:43,406 —> 00:22:45,140

Let go!

376

00:22:45,142 —> 00:22:46,876

(CONTINUES MOANING)

377

00:22:50,413 —> 00:22:52,248

VOICES: Ascend!

378

00:22:52,816 —> 00:22:54,952

(MOANING INTENSIFIES)

379

00:23:02,727 —> 00:23:04,296

Who the fuck are you?

380

00:23:05,096 —> 00:23:07,099

Who the fuck is he?

381

00:23:08,133 —> 00:23:09,865

Who the fuck are you?

382

00:23:09,867 —> 00:23:11,770

(MUSIC PLAYING)

383

00:23:22,048 —> 00:23:23,815

ZAN: Do you think

I could smell it?

384

00:23:23,817 —> 00:23:25,318

- Yeah, pop it off like that.

- (BOTTLE CAP CLATTERS)

385

00:23:27,986 —> 00:23:29,189

(ZAN SNIFFS)

386

00:23:36,062 —> 00:23:37,431

That's a Level One violation.

387

00:23:38,031 —> 00:23:40,068

PT WALDO: Yes, it is, Celia.

388

00:23:43,205 —> 00:23:44,205

Level Two.

389

00:23:46,942 —> 00:23:47,943
She's approaching
a Level Three!

390
00:23:49,043 —> 00:23:50,278
- (FOOTSTEPS APPROACHING)
- VIC: Enn!

391
00:23:52,013 —> 00:23:53,313
Enn, we've all got to
get out of here!

392
00:23:53,315 —> 00:23:54,781
What?

393
00:23:54,783 —> 00:23:56,884
You! I see you!

394
00:23:56,886 —> 00:23:58,789
Stay away from me!

395
00:24:00,089 —> 00:24:01,825
(ALL SINGING)

396

00:24:04,828 —> 00:24:06,097

(MOANING)

397

00:24:12,902 —> 00:24:15,302

(MOANING LOUDLY)

398

00:24:15,304 —> 00:24:18,474

I claim our Colony's right to

unique experience, Waldo!

399

00:24:18,476 —> 00:24:20,176

This is unprecedented.

400

00:24:20,178 —> 00:24:21,979

Oh! You mean it's unique?

401

00:24:25,350 —> 00:24:27,250

PT WALDO: Zan, this tone.

402

00:24:27,252 —> 00:24:29,055

(MOANING)

403

00:24:29,921 —> 00:24:32,726

John! John! We've got to

get out of here!

404

00:24:32,924 —> 00:24:34,824

Shut the fuck up!

405

00:24:34,826 —> 00:24:36,729

Hurry! Hurry!

406

00:24:37,462 —> 00:24:39,199

Out! Out!

407

00:24:42,469 —> 00:24:44,872

Out! Out!

408

00:24:50,876 —> 00:24:53,946

Lads. Lads, lads.

Lads, lads. Lads.

409

00:24:53,948 —> 00:24:57,882

Lads, that was the future.

410

00:24:57,884 —> 00:24:59,818

What the hell

is wrong with you?

411

00:24:59,820 —> 00:25:01,088

Did you force her

or something?

412

00:25:02,423 —> 00:25:03,892

Fuck you!

413

00:25:04,125 —> 00:25:05,761

What was that for?

414

00:25:06,127 —> 00:25:09,164

Vic. Vic.

Vic, where you going, mate?

415

00:25:09,897 —> 00:25:11,266

- Vic.

- Enn!

416

00:25:11,966 —> 00:25:13,969

Enn. Enn.

417

00:25:14,302 —> 00:25:17,238

I claimed

a unilateral dispensation.

418

00:25:17,240 —> 00:25:18,375

What?

419

00:25:19,041 —> 00:25:20,511

I can come with you.

420

00:25:22,412 —> 00:25:24,045

To the punk.

421

00:25:24,047 —> 00:25:26,383

Oh. Well, everything's closed.

422

00:25:28,050 —> 00:25:29,987

Everything on the island?

423

00:25:31,252 —> 00:25:32,054

The island?

424

00:25:32,056 —> 00:25:34,159

Oh... Well, yeah.

425

00:25:35,158 —> 00:25:36,927

When do you have to be back?

426

00:25:37,461 —> 00:25:39,397

I have 48 hours.

427

00:25:45,003 —> 00:25:46,304

Enn...

428

00:25:46,605 —> 00:25:48,207

What is it?

429

00:25:50,274 —> 00:25:51,944

I feel

430

00:25:53,212 —> 00:25:55,081

this body is dying.

431

00:26:00,887 —> 00:26:02,422

(VOMITING)

432

00:26:07,561 —> 00:26:09,163

(BREATHING HEAVILY)

433

00:26:14,368 —> 00:26:17,203

It may yet live.

434

00:26:17,205 —> 00:26:18,974

(SOFT ROCK MUSIC PLAYING)

435

00:27:42,530 —> 00:27:45,334

(MUSIC CONTINUES PLAYING)

436

00:29:17,532 —> 00:29:19,269

Are those my shoes?

437

00:29:20,368 —> 00:29:21,737

ZAN: How did you know?

438

00:29:22,304 —> 00:29:25,141

Because they look exactly

like my shoes.

439

00:29:25,841 —> 00:29:28,278

No, you don't have to.

440

00:29:45,729 —> 00:29:47,864

Did you build this place?

441

00:29:47,866 —> 00:29:50,469

No. My dad built it for me.

442

00:29:52,470 —> 00:29:54,207

I like your ring.

443

00:29:54,707 —> 00:29:56,708

It's the symbol of my Colony.

444

00:29:58,310 —> 00:30:00,547
Are these the symbols
of your Colony?

445
00:30:01,479 —> 00:30:04,285
- Uh...
- The Punk Colony?

446
00:30:05,252 —> 00:30:06,821
I guess some of them.

447
00:30:07,687 —> 00:30:10,658
'Cause our mag's
called Virys, uh,

448
00:30:11,557 —> 00:30:16,498
so I came up with this
cartoon character, Virys Boy,

449
00:30:17,364 —> 00:30:18,866
because he looks a bit punk.

450
00:30:19,901 —> 00:30:22,467

See here, he goes around

451
00:30:22,469 —> 00:30:24,605
and he meets
all these arseholes,

452
00:30:25,640 —> 00:30:27,206
and just
spreads himself everywhere

453
00:30:27,208 —> 00:30:28,641
and infects everyone

454
00:30:28,643 —> 00:30:31,646
to fight fascism
and conformity.

455
00:30:34,482 —> 00:30:36,382
So the solution to conformity

456
00:30:36,384 —> 00:30:39,221
is forced insemination
and cloning?

457

00:30:40,522 —> 00:30:42,192

Oh. Um...

458

00:30:43,259 —> 00:30:46,430

That's... It was meant to be

a metaphor for freedom.

459

00:30:47,396 —> 00:30:50,597

I just think once we're free,

460

00:30:50,599 —> 00:30:51,966

we'll stop doing

what we're told,

461

00:30:51,968 —> 00:30:53,538

which is just consume.

462

00:30:54,672 —> 00:30:57,808

If we don't stop,

we'll eat the fucking world.

463

00:30:59,777 —> 00:31:02,780
There are contradictions
in your metaphor.

464
00:31:03,414 —> 00:31:04,747
Yeah.

465
00:31:04,749 —> 00:31:06,552
But I am moved by it.

466
00:31:07,484 —> 00:31:09,788
- Really?
- Mmm.

467
00:31:11,889 —> 00:31:14,526
Do you know
that in every person's DNA

468
00:31:15,292 —> 00:31:17,795
there's a remnant
of every virus

469
00:31:17,797 —> 00:31:19,696

that has ever infected

a human being

470

00:31:19,698 —> 00:31:22,234

since the birth of man?

471

00:31:22,435 —> 00:31:25,668

I think adapting

to survive viruses

472

00:31:25,670 —> 00:31:30,541

is what eventually turned

bacteria into human beings.

473

00:31:30,543 —> 00:31:31,943

I was a bacterium...

474

00:31:31,945 —> 00:31:33,845

Who knows what we will become

in the future.

475

00:31:33,847 —> 00:31:36,850

- ...but I never met a virus.

- I think viruses will save us.

476

00:32:03,879 —> 00:32:07,951

Wow, your skin

is so soft there.

477

00:32:09,885 —> 00:32:11,552

Your hands are so cold.

478

00:32:11,554 —> 00:32:14,557

Your ears are translucent.

479

00:32:17,694 —> 00:32:21,630

Your penis is small and folded

480

00:32:21,632 —> 00:32:24,369

like the bud

of a tiny pink flower.

481

00:32:27,872 —> 00:32:31,643

Oh, it's losing its structure.

482

00:32:35,012 —> 00:32:36,381
Hmm.

483
00:32:50,529 —> 00:32:52,532
(MELLOW MUSIC
PLAYING ON STEREO)

484
00:33:05,946 —> 00:33:09,481
Mum, this is, uh, my friend.

485
00:33:09,483 —> 00:33:11,153
- She...
- (GRUNTS)

486
00:33:15,022 —> 00:33:17,293
We, um... We actually...

487
00:33:27,102 —> 00:33:29,372
Right. Explanation.

488
00:33:29,673 —> 00:33:30,841
I am Zan.

489

00:33:31,574 —> 00:33:32,575

Zan's American.

490

00:33:33,510 —> 00:33:37,979

Oh! Oh! I nearly went

to Hollywood once.

491

00:33:37,981 —> 00:33:40,815

No, Mum. You actually didn't

nearly go to Hollywood once.

492

00:33:40,817 —> 00:33:43,387

- I was a model.

- A foot model.

493

00:33:43,854 —> 00:33:47,723

There was this audition

for a Diana Dors film.

494

00:33:47,725 —> 00:33:50,458

ENN: That film was shot

in Ealing. I looked it up.

495

00:33:50,460 —> 00:33:52,928

They needed to do a close-up

on Diana's foot,

496

00:33:52,930 —> 00:33:54,630

and they called us models in

497

00:33:54,632 —> 00:33:57,870

because Diana had six toes

on the foot in question.

498

00:33:58,070 —> 00:34:01,740

I kept my foot wrapped

in Vaseline for seven days.

499

00:34:02,006 —> 00:34:03,774

And then when

I took the bag off,

500

00:34:03,776 —> 00:34:05,643

my skin was as soft

as a baby's lips.

501

00:34:05,645 —> 00:34:08,879

Mum, Vaseline promotes

hair growth.

502

00:34:08,881 —> 00:34:10,815

Marilyn Monroe

grew a mustache

503

00:34:10,817 —> 00:34:12,449

from using Vaseline.

504

00:34:12,451 —> 00:34:14,618

And she did all right

for herself, didn't she?

505

00:34:14,620 —> 00:34:16,755

If by "all right,"

you mean dead.

506

00:34:16,757 —> 00:34:19,590

Do you ever see me

shaving my feet?

507

00:34:19,592 —> 00:34:21,762

- Thankfully not.

- MARION: Right.

508

00:34:23,496 —> 00:34:25,898

Oh! I love this record!

509

00:34:25,900 —> 00:34:28,167

It's not a record,

it's a tape.

510

00:34:28,169 —> 00:34:29,904

(SOUL MUSIC PLAYING)

511

00:34:31,705 —> 00:34:33,205

And white people

trying to sing

512

00:34:33,207 —> 00:34:35,043

like black people is racist.

513

00:34:35,444 —> 00:34:37,046

MARION: I'm not a racialist.

514

00:34:37,779 —> 00:34:40,213

Pancakes! Let's make pancakes.

515

00:34:40,215 —> 00:34:41,815

Americans love pancakes,

don't they?

516

00:34:41,817 —> 00:34:43,918

Come on, love.

You show me how it's done.

517

00:34:43,920 —> 00:34:45,521

You don't have to.

518

00:34:54,798 —> 00:34:55,899

(MARION LAUGHING)

519

00:34:57,167 —> 00:34:59,904

- Come on, Henry.

- No, Mum.

520

00:35:00,803 —> 00:35:02,539

- Come on.

- No!

521

00:35:03,039 —> 00:35:04,739

Come to Mama.

522

00:35:04,741 —> 00:35:06,541

ENN: That is not okay.

523

00:35:06,543 —> 00:35:07,945

MARION: Grind it. (CHUCKLES)

524

00:35:09,746 —> 00:35:11,482

(MARION LAUGHING)

525

00:35:25,898 —> 00:35:27,166

Stop it.

526

00:35:27,566 —> 00:35:29,170

- What?

- Looking at me.

527

00:35:30,237 —> 00:35:33,103

Looked-at babies

make more successful adults.

528

00:35:33,105 —> 00:35:34,707

- That's proven.

- (SCOFFS)

529

00:35:39,679 —> 00:35:40,715

She's adorable.

530

00:35:42,249 —> 00:35:44,686

And everyone needs

that special someone.

531

00:35:45,720 —> 00:35:47,088

Everyone, Enn.

532

00:35:47,854 —> 00:35:49,988

What's that supposed to mean?

533

00:35:49,990 —> 00:35:52,995
- Henry, it's just a date.
- Malcolm?

534
00:35:53,194 —> 00:35:55,261
Well, it's
the jubilee tea dance

535
00:35:55,263 —> 00:35:56,795
on Sunday,
and that's all it is.

536
00:35:56,797 —> 00:35:58,230
Mum, he's repugnant.

537
00:35:58,232 —> 00:36:00,734
He was a paratrooper
in Indochina.

538
00:36:00,736 —> 00:36:03,069
He peeled potatoes.
I looked it up.

539

00:36:03,071 —> 00:36:04,305
Your generation
will eventually

540
00:36:04,307 —> 00:36:05,676
be doing nothing
but looking it up.

541
00:36:05,974 —> 00:36:09,744
I'm a woman. With a clitoris.
Look that up.

542
00:36:09,746 —> 00:36:11,278
(ENN SIGHS)

543
00:36:11,280 —> 00:36:13,014
Malcolm says that my best days
are not behind me.

544
00:36:13,016 —> 00:36:13,950
They've just begun.

545
00:36:14,684 —> 00:36:16,652

ENN: You're not England,
for Christ's sake, Mum.

546
00:36:16,654 —> 00:36:18,219
MARION: Well,
he's a right lot kinder to me

547
00:36:18,221 —> 00:36:19,888
than your left-wing father
ever was.

548
00:36:19,890 —> 00:36:21,589
Well, he was kind to me!

549
00:36:21,591 —> 00:36:23,024
He left you
when you were nine.

550
00:36:23,026 —> 00:36:25,027
Well, who'd blame him,
with your yammering.

551
00:36:25,029 —> 00:36:26,627

You'll do the same

to someone else one day.

552

00:36:26,629 —> 00:36:28,798

- I'm sure!

- ENN: I would never do that!

553

00:36:28,800 —> 00:36:30,169

(FOOTSTEPS RECEDING)

554

00:36:33,170 —> 00:36:36,039

Oh! Sorry, love,

the door wasn't locked.

555

00:36:36,041 —> 00:36:39,775

It's okay.

It's my first time at this.

556

00:36:39,777 —> 00:36:41,280

It's taking longer

than I expected.

557

00:36:42,048 —> 00:36:43,517

Hmm.

558
00:36:48,120 —> 00:36:49,890
Mum?

559
00:36:54,927 —> 00:36:56,230
(IN PT WALDO'S VOICE) Zan.

560
00:36:56,797 —> 00:36:58,032
Waldo.

561
00:36:58,599 —> 00:37:00,065
I agree in principle

562
00:37:00,067 —> 00:37:02,036
that there is no progress
without deviation,

563
00:37:02,869 —> 00:37:06,975
but you have to remember
that you are not just you.

564

00:37:08,209 —> 00:37:10,712
And we are not just us
without you.

565
00:37:11,144 —> 00:37:13,144
I'm nourishing my body
with raw data

566
00:37:13,146 —> 00:37:14,682
to enrich the Eating.

567
00:37:15,350 —> 00:37:17,554
Isn't that the purpose
of this endless tour?

568
00:37:18,786 —> 00:37:20,087
I'm doing it for you.

569
00:37:20,089 —> 00:37:21,958
Oh, this is not about me.

570
00:37:22,290 —> 00:37:25,894
I ate pancakes which

I am currently excreting.

571

00:37:26,962 —> 00:37:29,196

And I danced.

I danced with

572

00:37:29,198 —> 00:37:31,101

the Parent-Teacher

you are riding.

573

00:37:31,834 —> 00:37:34,635

Those are

unique experiences, Waldo.

574

00:37:34,637 —> 00:37:37,674

You've exceeded your

experience quota, young lady.

575

00:37:43,246 —> 00:37:45,216

(IN NORMAL VOICE)

Ooh. I lost my place.

576

00:37:46,116 —> 00:37:47,685

Oh, yeah.

577

00:37:54,392 —> 00:37:56,728

You just finish up

this one, love.

578

00:37:57,396 —> 00:37:59,731

(SINGING)

579

00:38:02,668 —> 00:38:05,004

I can see you, Keyhole Kevin.

580

00:38:06,372 —> 00:38:07,975

(WHISPERS)

Oh, she's a lovely girl.

581

00:38:09,274 —> 00:38:10,977

ZAN: Let's go!

582

00:38:16,684 —> 00:38:18,016

(TOILET FLUSHING)

583

00:38:18,018 —> 00:38:19,353
(EXHALES)

584
00:38:20,720 —> 00:38:22,155
(UPBEAT MUSIC PLAYING)

585
00:38:36,437 —> 00:38:37,839
(LAUGHING)

586
00:38:43,445 —> 00:38:45,047
(WHOOPS)

587
00:39:06,036 —> 00:39:07,772
I like this body.

588
00:39:08,172 —> 00:39:10,005
- Is it a good one?
- (CHUCKLES)

589
00:39:10,007 —> 00:39:11,777
I like yours.

590

00:39:12,043 —> 00:39:14,179

(SNIFFS)

It smells like butter.

591

00:39:15,212 —> 00:39:16,812

Tastes like salt.

592

00:39:16,814 —> 00:39:18,013

What do I smell like?

593

00:39:18,015 —> 00:39:19,052

(SNIFFS)

594

00:39:22,954 —> 00:39:24,823

(ZAN SQUEALING)

595

00:39:28,828 —> 00:39:30,060

(BICYCLE BELL RINGING)

596

00:39:30,062 —> 00:39:31,765

(BOTH SCREAMING)

597

00:39:38,370 —> 00:39:40,307
(ZAN LAUGHING)

598
00:39:50,985 —> 00:39:52,754
I like your Parent-Teacher.

599
00:39:53,120 —> 00:39:55,990
Who, Mum? She never taught me
a bloody thing.

600
00:39:57,959 —> 00:39:59,395
What about the other one?

601
00:40:00,261 —> 00:40:02,397
The one who made
your tree-temple?

602
00:40:03,265 —> 00:40:05,101
Oh, my dad?

603
00:40:07,135 —> 00:40:10,806
Well, he was
a jazz musician actually.

604

00:40:12,407 —> 00:40:14,141

But he never really

recorded anything

605

00:40:14,143 —> 00:40:15,879

'cause he said that would be

selling out.

606

00:40:16,513 —> 00:40:18,149

Is that punk?

607

00:40:18,482 —> 00:40:21,352

Dad was definitely a punk.

608

00:40:22,252 —> 00:40:23,984

He was someone

who never settled

609

00:40:23,986 —> 00:40:25,355

for the way that things were.

610

00:40:27,558 —> 00:40:29,428
Is that why he left you?

611
00:40:43,107 —> 00:40:47,180
If I was your Parent-Teacher,
I would never leave you.

612
00:41:36,099 —> 00:41:38,068
(INDISTINCT CHATTER)

613
00:41:42,640 —> 00:41:44,438
PT WAIN: Waldo?
PT WALDO: Yes, Wain?

614
00:41:44,440 —> 00:41:45,973
PT WAIN: Has it not
occurred to you

615
00:41:45,975 —> 00:41:47,342
if you allow her
this degree of freedom,

616
00:41:47,344 —> 00:41:48,513

she may do more than rebel?

617

00:41:49,446 —> 00:41:50,545

(CHUCKLES)

618

00:41:50,547 —> 00:41:51,517

GIRL: Stop.

619

00:41:59,356 —> 00:42:00,456

PT WALDO: That's my fault too?

620

00:42:00,458 —> 00:42:01,460

Who else's?

621

00:42:02,594 —> 00:42:05,261

Well, Stella did approve

interaction with the local.

622

00:42:05,263 —> 00:42:08,100

Limited interaction

is my Colony's prerogative.

623

00:42:08,667 —> 00:42:10,301
It's not my fault
you can't regulate

624
00:42:10,303 —> 00:42:11,504
your own progeny.

625
00:42:12,138 —> 00:42:14,471
You have less than 24 hours
until Exit

626
00:42:14,473 —> 00:42:16,675
to rectify the situation.

627
00:42:16,677 —> 00:42:18,476
And then we eat.

628
00:42:18,478 —> 00:42:20,114
(ALL BREATHE DEEPLY)

629
00:42:22,548 —> 00:42:24,048
PT WALDO: I'm aware
of the schedule.

630

00:42:24,050 —> 00:42:25,983

Then why not eliminate

the problem?

631

00:42:25,985 —> 00:42:28,220

- I could do with an appetizer.

- Oh, come on.

632

00:42:28,222 —> 00:42:29,654

PT WAIN: Stella,

eating before Exit

633

00:42:29,656 —> 00:42:32,357

in this manifestation

will be very messy.

634

00:42:32,359 —> 00:42:35,026

I recommend sequestration.

She'll soon come running back.

635

00:42:35,028 —> 00:42:36,361

PT WALDO: I really don't...

636

00:42:36,363 —> 00:42:37,395

PT STELLA:

That's a fair compromise.

637

00:42:37,397 —> 00:42:39,233

All those in favor?

638

00:42:40,569 —> 00:42:41,637

PT First?

639

00:42:44,139 —> 00:42:46,509

Abstention.

Waldo, you're outvoted.

640

00:42:46,708 —> 00:42:48,543

The offspring is shunned.

641

00:42:50,112 —> 00:42:51,180

Shunned.

642

00:42:52,048 —> 00:42:53,250

Shunned?

643

00:42:53,582 —> 00:42:54,918

Shunned.

644

00:42:56,452 —> 00:42:57,987

Shunned.

645

00:42:59,055 —> 00:43:00,524

(PUNK MUSIC PLAYING)

646

00:43:05,328 —> 00:43:06,594

(CHUCKLES)

647

00:43:06,596 —> 00:43:08,197

JOHN: It was like

choral vocals

648

00:43:08,199 —> 00:43:09,935

over a driving backbeat.

Do you know what I mean?

649

00:43:10,201 —> 00:43:11,467
CLERK: Eh?

650
00:43:11,469 —> 00:43:13,672
It was metronomic
yet tribal.

651
00:43:15,205 —> 00:43:16,705
There's 12 there.

652
00:43:16,707 —> 00:43:19,142
JOHN: Like... Did Eno ever
produce any dub-reggae?

653
00:43:19,144 —> 00:43:21,280
- Try Krautrock.
- That's where I am!

654
00:43:25,349 —> 00:43:27,551
Oh, speak of the devil.

655
00:43:27,553 —> 00:43:29,719
That music that was playing

at your party,

656
00:43:29,721 —> 00:43:31,255
is that available on LP?

657
00:43:31,257 —> 00:43:34,027
Oi. What you bringing her
here for?

658
00:43:34,627 —> 00:43:35,962
What's your problem?

659
00:43:36,228 —> 00:43:37,527
Where're your other Americans?

660
00:43:37,529 —> 00:43:39,163
I have no idea.

661
00:43:39,165 —> 00:43:41,970
What, so you've been with him
the whole time?

662

00:43:43,037 —> 00:43:46,474
I slept at his house
and met his mum.

663
00:43:47,740 —> 00:43:50,677
And we engaged in incomplete
sexual activity.

664
00:43:51,244 —> 00:43:53,245
Now I'm looking forward
to experiencing

665
00:43:53,247 —> 00:43:56,082
just an ordinary Saturday
with your Colony.

666
00:43:56,084 —> 00:43:57,817
Well, you butchered
my Slits review,

667
00:43:57,819 —> 00:44:00,053
but otherwise, it looks great.

668

00:44:00,055 —> 00:44:01,654
ENN: Thank you, mate.

669
00:44:01,656 —> 00:44:03,824
JOHN: Right, I need you to
push this issue this time.

670
00:44:03,826 —> 00:44:06,195
Like, I reckon
we can sell the whole run.

671
00:44:07,128 —> 00:44:09,199
(PUNK MUSIC PLAYING)

672
00:44:13,235 —> 00:44:14,671
(ENN SINGING)

673
00:44:27,518 —> 00:44:30,385
So, uh, what do they think of

674
00:44:30,387 —> 00:44:32,257
the Queen's jubilee
in America?

675

00:44:34,659 —> 00:44:36,261

In America?

676

00:44:36,828 —> 00:44:39,830

Um, they're in favor of it.

677

00:44:39,832 —> 00:44:41,167

JOHN: Really?

678

00:44:42,334 —> 00:44:44,834

The sovereign embodies their

collective consciousness.

679

00:44:44,836 —> 00:44:48,707

They haven't had a sovereign

for, what? 200 years.

680

00:44:50,575 —> 00:44:55,313

Um... Their superior longevity

keeps the memories fresh.

681

00:44:55,315 —> 00:44:57,815
Are you saying
Americans live longer than us?

682
00:44:57,817 —> 00:44:59,416
Absolutely.

683
00:44:59,418 —> 00:45:00,654
JOHN: Well,
why would that be the case?

684
00:45:02,188 —> 00:45:04,490
Because of
the largely isolated

685
00:45:04,492 —> 00:45:06,528
and vegetarian lives
they lead.

686
00:45:08,128 —> 00:45:10,164
McDonald's is from America.

687
00:45:11,532 —> 00:45:14,468

McDonald's. Yes.

688

00:45:14,869 —> 00:45:18,339

Right. So they're not, like,

all vegetarians, right?

689

00:45:19,174 —> 00:45:21,440

No. Not all.

690

00:45:21,442 —> 00:45:22,678

Only the alpha elite.

691

00:45:23,178 —> 00:45:25,344

ENN: Oh? Like the president?

692

00:45:25,346 —> 00:45:28,418

Jimmy Carter's a vegetarian?

I did not know that.

693

00:45:28,684 —> 00:45:30,387

I've already said too much.

694

00:45:31,354 —> 00:45:33,220
Surveillance, repercussions...

695
00:45:33,222 —> 00:45:34,687
VIC: What, like the FBI?

696
00:45:34,689 —> 00:45:37,494
Mmm. The FBI, yes.
They would be vulnerable.

697
00:45:39,730 —> 00:45:41,295
I don't wish
to be interrogated

698
00:45:41,297 —> 00:45:42,632
on this matter any further.

699
00:45:42,866 —> 00:45:46,771
So I'm just going to
walk away

700
00:45:47,370 —> 00:45:50,707
and, when I come back,

we won't speak of this again.

701

00:46:00,851 —> 00:46:02,386

What's with the third degree?

702

00:46:02,786 —> 00:46:05,124

She's not normal.

None of them are.

703

00:46:13,933 —> 00:46:15,669

(IN PT WALDO'S VOICE)

Ready to come home yet?

704

00:46:16,235 —> 00:46:17,804

You're riding a child, Waldo?

705

00:46:19,405 —> 00:46:21,371

You gave me a dispensation.

706

00:46:21,373 —> 00:46:22,940

Zan, your peers are

acting out.

707

00:46:22,942 —> 00:46:24,374

The PTs are angry.

708

00:46:24,376 —> 00:46:25,710

This can't continue.

709

00:46:25,712 —> 00:46:27,148

You're just jealous.

710

00:46:27,414 —> 00:46:29,515

Has it not yet occurred

to you, young Henry,

711

00:46:29,517 —> 00:46:30,915

that these people

could be operating

712

00:46:30,917 —> 00:46:32,486

as some kind of

a high-level cult?

713

00:46:32,954 —> 00:46:35,222

- Exactly.

- JOHN: The code of silence.

714

00:46:35,555 —> 00:46:38,225

Vegetarianism.

Arcane symbolism.

715

00:46:38,559 —> 00:46:40,563

Shouldn't you be touring

a potato field or something?

716

00:46:40,828 —> 00:46:42,764

Zan, you're being childish.

717

00:46:43,831 —> 00:46:45,799

I've been forbidden

to even talk to you.

718

00:46:45,801 —> 00:46:49,235

I bet they participate

in some bizarre sex rituals.

719

00:46:49,237 —> 00:46:50,438

No.

720

00:46:50,706 —> 00:46:52,640

- How do you know that?

- I just...

721

00:46:52,642 —> 00:46:53,777

I don't see it happening.

722

00:46:54,309 —> 00:46:55,642

Well, it's

a global phenomenon.

723

00:46:55,644 —> 00:46:56,943

ENN: What is?

724

00:46:56,945 —> 00:46:59,849

Cults, brainwashing,

suicide pacts.

725

00:47:00,249 —> 00:47:02,283

PT WALDO: Do you want me

to Exit without you?

726

00:47:02,285 —> 00:47:04,188

Because I can do it like that.

727

00:47:04,554 —> 00:47:05,723

I don't care what you do!

728

00:47:08,592 —> 00:47:09,928

(BOY'S MOTHER

SCOLDING INDISTINCTLY)

729

00:47:13,931 —> 00:47:17,269

I only have 22 hours left.

I now wish to see the punk.

730

00:47:17,568 —> 00:47:18,836

All right.

731

00:47:22,740 —> 00:47:24,573

Fucking hell.

732

00:47:24,575 —> 00:47:26,477

- (PUNK MUSIC PLAYING)

- (DUCKS QUACKING)

733

00:47:28,314 —> 00:47:29,679

What are they saying?

734

00:47:29,681 —> 00:47:31,884

ENN: What?

That's where we're going.

735

00:47:38,723 —> 00:47:40,493

(BELLS RINGING)

736

00:47:45,766 —> 00:47:47,499

What?

737

00:47:47,501 —> 00:47:50,470

BOADICEA: That's it.

Give me more, give me more.

738

00:48:01,883 —> 00:48:05,788

SPINNING JENNY:

Boadicea, meet Enn.

739

00:48:08,590 —> 00:48:11,394

He's got something

very important to tell you.

740

00:48:13,795 —> 00:48:15,365

ENN: Hiya.

741

00:48:16,799 —> 00:48:19,470

I hope we're not

interrupting your work.

742

00:48:20,669 —> 00:48:23,673

Uh, I thought you might want

to see our fanzine.

743

00:48:33,384 —> 00:48:35,117

I've seen you

at the gigs, haven't I?

744

00:48:35,119 —> 00:48:36,421

ENN: Yeah.

745

00:48:37,688 —> 00:48:42,459

Jumping around, falling over.

Looking like a fucking idiot.

746

00:48:42,461 —> 00:48:43,993

Oh! (CHUCKLES)

747

00:48:43,995 —> 00:48:46,699

What you laughing at?

You're Flash Harry, right?

748

00:48:47,765 —> 00:48:50,503

Shiny on the outside,

gaping hole within.

749

00:48:50,901 —> 00:48:53,971

And this one,

you're a social liability.

750

00:48:53,973 —> 00:48:56,442

- (LAUGHS)

- Not funny.

751

00:49:08,454 —> 00:49:10,090

Why'd you do that?

752

00:49:11,090 —> 00:49:12,993

Are you

the Parent-Teacher here?

753

00:49:16,064 —> 00:49:17,832

(CHUCKLES)

754

00:49:18,600 —> 00:49:20,469

That's me. Come here.

755

00:49:38,887 —> 00:49:41,491

(WHISPERS) Would you like

to take a look around?

756

00:49:48,631 —> 00:49:50,165

Piss off!

757

00:49:50,167 —> 00:49:51,603

Come on.

758

00:49:53,170 —> 00:49:55,573

You need to control

your girl, Enn.

759

00:49:56,773 —> 00:49:58,541

JOHN: It sounded

sort of Krautrock-y.

760

00:49:58,543 —> 00:49:59,974

DJ DES: So like Faust?

761

00:49:59,976 —> 00:50:01,209

JOHN: Similar,

but more intense.

762

00:50:01,211 —> 00:50:03,013

DJ DES: Like Neu?

763

00:50:03,015 —> 00:50:05,582

No, no, no. It was like...

It had choral undertones,

764

00:50:05,584 —> 00:50:07,386

like a million whales

being strangled.

765

00:50:08,153 —> 00:50:09,819

- Pere Ubu?

- Maybe.

766

00:50:09,821 —> 00:50:12,589

All right then. All right.

Wait two minutes,

767

00:50:12,591 —> 00:50:14,825

and I swear I'm gonna find

something for you.

768

00:50:14,827 —> 00:50:16,663

- All right, bless, brother.

- Bless.

769

00:50:18,096 —> 00:50:20,666

JOHN: Maybe cults don't record

their own music.

770

00:50:21,534 —> 00:50:24,869

Although Charlie Manson had

a couple of boss tunes.

771

00:50:24,871 —> 00:50:27,175

I think she's trying

to leave the cult.

772

00:50:27,740 —> 00:50:30,677

Exit. People exit cults.

773

00:50:30,945 —> 00:50:32,946

Or they're extracted

by a deprogrammer.

774

00:50:33,513 —> 00:50:35,649

What, like kidnapping?

775

00:50:36,950 —> 00:50:38,685

Extraction.

776

00:50:39,821 —> 00:50:41,253

Bo-diss...

777

00:50:41,255 —> 00:50:44,224

BOADICEA: (CHUCKLES) No.

Bo-di-cee-a. Boadicea.

778

00:50:44,226 —> 00:50:46,695

ZAN: Boadicea.

BOADICEA: That's it.

779

00:50:46,962 —> 00:50:48,895

Haven't you heard of her?

780

00:50:48,897 —> 00:50:50,697

She was the Celtic queen

781

00:50:50,699 —> 00:50:53,069

who ran the Romans

out of London.

782

00:50:54,970 —> 00:50:57,571

The first punk.

783

00:50:57,573 —> 00:51:00,110

The first punk was a she.

784

00:51:02,111 —> 00:51:03,647

What is punk, Boadicea?

785

00:51:07,717 —> 00:51:09,986

It's just the fag end

of the blues, dear.

786

00:51:11,587 —> 00:51:13,255

You know, a year ago,

787

00:51:13,257 —> 00:51:15,026

I had Johnny Rotten

kipping right there.

788

00:51:15,827 —> 00:51:18,160

Next time I saw him,

he didn't even know me,

789

00:51:18,162 —> 00:51:19,598
the fucking Frampton.

790
00:51:19,796 —> 00:51:21,963
Siouxsie Sioux,
Dee Dee Ramone,

791
00:51:21,965 —> 00:51:23,868
Ari Up from The Slits.

792
00:51:24,101 —> 00:51:26,804
I knew all of them in the day.

793
00:51:27,973 —> 00:51:30,610
Which was only
a few months ago really.

794
00:51:30,843 —> 00:51:32,879
Sellouts now, of course.

795
00:51:33,279 —> 00:51:35,078
I worked
with Vivienne Westwood

796

00:51:35,080 —> 00:51:38,181

till she fired me for

improving on one of her gowns.

797

00:51:38,183 —> 00:51:41,088

Green is not a good color

on her, let me tell you.

798

00:51:42,688 —> 00:51:45,590

Yeah, they pose as mentors,

but they suck your blood

799

00:51:45,592 —> 00:51:48,496

because they know that

their days are numbered.

800

00:51:50,297 —> 00:51:51,765

Hmm.

801

00:51:53,267 —> 00:51:56,605

Your skin is like milk.

802

00:52:01,741 —> 00:52:04,177

Anyway, the fucking point

is to smash the oppressor,

803

00:52:04,179 —> 00:52:05,878

tell the truth,

be an original,

804

00:52:05,880 —> 00:52:08,116

blah, blah, blah...

I'm boring myself now.

805

00:52:08,650 —> 00:52:10,786

"Every breath is an original."

806

00:52:11,052 —> 00:52:12,755

That's a motto

from my group.

807

00:52:13,322 —> 00:52:15,125

What? Are you a singer then?

808

00:52:16,658 —> 00:52:19,028
I've been many things.

809
00:52:19,729 —> 00:52:21,598
I've even been a star.

810
00:52:24,200 —> 00:52:25,669
Really?

811
00:52:26,736 —> 00:52:29,874
I once harmonized
with a brown dwarf.

812
00:52:31,875 —> 00:52:34,145
A Brown Dwarf?

813
00:52:38,748 —> 00:52:41,019
Didn't they open
for The Shits?

814
00:52:47,825 —> 00:52:49,227
(PUNK MUSIC PLAYING)

815

00:52:50,962 —> 00:52:52,698

(INDISTINCT CHATTER)

816

00:52:56,835 —> 00:52:58,170

Fuck off!

817

00:53:01,172 —> 00:53:04,209

Quiet. Quiet down, you cruds.

818

00:53:04,211 —> 00:53:05,613

Shut it!

819

00:53:05,811 —> 00:53:09,113

Tonight, I am delighted

to announce

820

00:53:09,115 —> 00:53:12,850

that The Dyschords will be

welcoming a guest singer.

821

00:53:12,852 —> 00:53:14,019

(CROWD MURMURING)

822

00:53:14,021 —> 00:53:15,855

Who will be also modeling...

823

00:53:15,857 —> 00:53:18,259

- Where's Slap?

- Shut your gaping gob!

824

00:53:18,660 —> 00:53:20,393

He's on probation!

825

00:53:20,395 —> 00:53:22,962

So, tonight,

I introduce to you

826

00:53:22,964 —> 00:53:25,263

the erstwhile frontwoman

827

00:53:25,265 —> 00:53:28,203

for legendary

American cult collective

828

00:53:28,403 —> 00:53:30,671
A Brown Dwarf.

829
00:53:30,673 —> 00:53:31,874
(CROWD SCOFFING)

830
00:53:33,675 —> 00:53:37,012
Let's make some noise for

831
00:53:37,412 —> 00:53:39,816
Zandra!

832
00:53:40,015 —> 00:53:41,218
(SCATTERED CHEERING)

833
00:53:42,017 —> 00:53:43,286
(SCATTERED APPLAUSE)

834
00:53:45,388 —> 00:53:47,288
- I don't know any songs.
- You just make it up.

835

00:53:47,290 —> 00:53:49,226
Just sing about something
that you know.

836
00:53:49,959 —> 00:53:51,396
Enough of this hippie shit.

837
00:53:52,262 —> 00:53:53,728
Get up there.

838
00:53:53,730 —> 00:53:56,634
All right. Zandra!

839
00:53:56,900 —> 00:53:58,902
(CROWD CHEERING)

840
00:54:05,443 —> 00:54:08,279
This is, um, this is
the history of my people.

841
00:54:09,046 —> 00:54:10,148
(CROWD SNICKERING)

842

00:54:14,051 —> 00:54:19,859

(SINGING) Six is the number

of the Body Celestial

843

00:54:20,425 —> 00:54:21,791

(LAUGHING)

844

00:54:21,793 —> 00:54:22,795

Shut the fuck up.

845

00:54:24,329 —> 00:54:27,669

Six are the holy names

846

00:54:28,167 —> 00:54:29,236

(CROWD GRUMBLING)

847

00:54:29,769 —> 00:54:31,303

You need to shout it

a bit more.

848

00:54:31,305 —> 00:54:32,907

(DRUMMER PLAYING BEAT)

849

00:54:34,874 —> 00:54:37,945

(LOUDLY) Six are the Colonies

850

00:54:39,114 —> 00:54:44,019

And six their Parent-Teachers

851

00:54:45,920 —> 00:54:48,691

SLAP: Oi, that's my mic,

you Yankee bitch!

852

00:54:48,889 —> 00:54:50,426

- Shut the fuck up, Slap!

- (SHOUTS INDISTINCTLY)

853

00:54:51,427 —> 00:54:53,296

She's only a bloody tourist.

854

00:54:54,796 —> 00:54:58,233

I am not a tourist!

855

00:54:58,901 —> 00:55:01,137

(MUSIC INTENSIFYING)

856

00:55:01,903 —> 00:55:06,310

They suckled us

Like babes in a crèche

857

00:55:07,109 —> 00:55:08,344

(ZAN VOCALIZING)

858

00:55:10,513 —> 00:55:12,849

Until Eating Time

859

00:55:14,518 —> 00:55:17,820

Where they tear our flesh

860

00:55:17,822 —> 00:55:21,823

They ate us alive

like the Titans ate the gods

861

00:55:21,825 —> 00:55:26,095

They ate us alive

like the punks ate the mods

862

00:55:26,097 —> 00:55:28,935

BOTH:

Eat me alive, Mummy, Mummy!

863

00:55:29,401 —> 00:55:32,872

Eat me alive, Daddy, Daddy!

864

00:55:33,805 —> 00:55:37,175

Eat me alive, Mummy, Mummy!

865

00:55:38,109 —> 00:55:43,046

Eat me alive, Daddy, Daddy!

866

00:55:43,048 —> 00:55:44,514

Daddy, Daddy, Daddy!

867

00:55:44,516 —> 00:55:46,352

(CROWD CHEERING)

868

00:55:50,857 —> 00:55:52,894

They took

their children's flesh

869

00:55:53,127 —> 00:55:54,429

Come on, you pricks!

870

00:55:54,828 —> 00:55:56,964

And wore it as a robe

871

00:55:58,098 —> 00:55:59,433

Abducted my body

872

00:56:01,901 —> 00:56:04,906

And fucked me with a probe

873

00:56:06,507 —> 00:56:08,977

Eat me alive, Mummy, Mummy

874

00:56:09,411 —> 00:56:12,281

Eat me alive, Daddy, Daddy

875

00:56:12,581 —> 00:56:13,916

I love it! I love it!

876

00:56:14,181 —> 00:56:16,919

Eat me alive, Mummy, Mummy

877

00:56:17,419 —> 00:56:20,923

Eat me alive, Daddy, Daddy

878

00:56:21,591 —> 00:56:25,060

The Sun grips the Earth

Takes a bite

879

00:56:25,428 —> 00:56:28,099

Spits the Moon into the sky

880

00:56:29,132 —> 00:56:31,333

We sink our teeth

into the ground

881

00:56:31,335 —> 00:56:33,067

And suck it dry

882

00:56:33,069 —> 00:56:36,540

Shit the world

a fat goodbye

883

00:56:37,574 —> 00:56:41,480

But man can't live

by man alone

884

00:56:41,880 —> 00:56:44,448

The fate of a cannibal people

885

00:56:45,515 —> 00:56:49,187

Is one of tooth and bone

886

00:56:50,220 —> 00:56:53,091

BOTH: Tooth and bone

887

00:56:53,558 —> 00:56:55,324

Eat me, Mummy, Mummy

888

00:56:55,326 —> 00:56:57,060

Eat me, Daddy, Daddy

889

00:56:57,062 —> 00:56:59,161

Eat me, Mummy, Mummy

Eat me, Daddy, Daddy

890

00:56:59,163 —> 00:57:00,966

(ALL CHEERING)

891

00:57:01,500 —> 00:57:02,970

(PSYCHEDELIC MUSIC PLAYING)

892

00:57:20,988 —> 00:57:23,991

Tooth and bone

893

00:57:24,524 —> 00:57:29,865

Please, God,

don't leave me alone

894

00:57:30,532 —> 00:57:31,634

BOTH: Hey

895

00:57:32,266 —> 00:57:33,368

Ha

896

00:57:34,001 —> 00:57:35,070

La

897

00:57:36,405 —> 00:57:40,540

I'm here

I see you

898

00:57:40,542 —> 00:57:46,415

Let me inside

I'll never leave you

899

00:57:46,616 —> 00:57:47,584

Hey

900

00:57:48,151 —> 00:57:49,383

Ha

901

00:57:49,385 —> 00:57:51,021

La

902

00:57:52,489 —> 00:57:54,659

Let me be your virus

Let me be your virus

903

00:57:55,159 —> 00:57:59,631

Let me be your virus

Let me be your virus

904

00:58:23,255 —> 00:58:25,558

And in the end

905

00:58:26,458 —> 00:58:29,696

The love you take

906

00:58:30,430 —> 00:58:34,068

Is equal to

907

00:58:34,401 —> 00:58:37,068

The love, the love,

the love, the love

908

00:58:37,070 —> 00:58:39,005

The love, the love,

the love, the love

909

00:58:39,007 —> 00:58:44,346
You ate

910
00:58:51,753 —> 00:58:53,622
(ZAN PANTING)

911
00:59:10,306 —> 00:59:12,109
(YELLING)

912
00:59:13,042 —> 00:59:14,445
(CROWD CHEERING)

913
00:59:20,784 —> 00:59:22,119
BOADICEA: Yes!

914
00:59:23,554 —> 00:59:25,389
Move back! Move back!
Everyone, move back.

915
00:59:26,257 —> 00:59:27,326
Go back there.

916

00:59:27,625 —> 00:59:30,328

- This is a moment!

- (CROWD CHEERING)

917

00:59:30,529 —> 00:59:33,132

I made this happen!

918

00:59:34,131 —> 00:59:37,132

Get Vivienne on the phone!

Get her on the phone now!

919

00:59:37,134 —> 00:59:38,471

(MUSIC PLAYING)

920

00:59:40,472 —> 00:59:42,072

(CROWD CHEERING)

921

00:59:42,074 —> 00:59:43,743

- Did you see what I saw?

- Yes!

922

00:59:44,409 —> 00:59:46,744

Somebody must've dosed us.

923

00:59:46,746 —> 00:59:49,215

- (MUSIC PLAYING)

- (INDISTINCT CHATTER)

924

01:00:05,433 —> 01:00:07,233

- How did we know what to sing?

- (CHUCKLES)

925

01:00:07,235 —> 01:00:09,134

Something mad

about an Eating Time.

926

01:00:09,136 —> 01:00:11,436

But that's real.

That's the end of our journey.

927

01:00:11,438 —> 01:00:13,574

- How did you know about that?

- I don't know.

928

01:00:13,775 —> 01:00:16,146

What do you mean

by "the end of our journey"?

929
01:00:17,445 —> 01:00:20,315
Tomorrow we Exit, which is
followed by the Eating.

930
01:00:21,383 —> 01:00:23,253
What is the Eating?

931
01:00:24,186 —> 01:00:25,785
The Parent-Teachers
eat their children.

932
01:00:25,787 —> 01:00:27,522
I don't know,
it's supposed to feel good.

933
01:00:27,524 —> 01:00:29,592
It's how
we sustain the species.

934
01:00:31,328 —> 01:00:32,527
What?

935

01:00:32,529 —> 01:00:34,065

(LAUGHING)

936

01:00:36,165 —> 01:00:37,667

Stay here!

937

01:00:38,335 —> 01:00:39,538

Don't move!

938

01:00:42,439 —> 01:00:44,275

(CROWD SHOUTING)

939

01:00:44,809 —> 01:00:45,776

John!

940

01:00:46,644 —> 01:00:48,346

I think they're planning

a mass suicide.

941

01:00:48,679 —> 01:00:51,915

Amazing.

The time is now, comrade.

942

01:00:51,917 —> 01:00:53,486

Do what must be done.

943

01:00:54,453 —> 01:00:56,322

DJ DES: John,

I found some Krautrock.

944

01:00:56,821 —> 01:00:58,690

- (KRAUTROCK MUSIC PLAYING)

- (CROWD CHEERING)

945

01:01:00,458 —> 01:01:02,159

(JOHN LAUGHING)

946

01:01:02,161 —> 01:01:03,593

Do you hear that?

947

01:01:03,595 —> 01:01:04,162

This was what

I was talking to you about!

948

01:01:04,630 —> 01:01:06,732

(SPINNING JENNY LAUGHING)

949

01:01:15,442 —> 01:01:17,779

(SPINNING JENNY MOANING)

950

01:01:24,484 —> 01:01:26,387

(BONES CRACKING)

951

01:01:31,860 —> 01:01:34,230

(MOANING CONTINUES)

952

01:01:41,671 —> 01:01:43,640

(SPINNING JENNY SQUEALING)

953

01:01:46,943 —> 01:01:49,745

(SPINNING JENNY

MOANING LOUDLY)

954

01:01:50,781 —> 01:01:53,514

That was amazing, Zan.

955

01:01:53,516 —> 01:01:55,650

Where did you learn that song?

956

01:01:55,652 —> 01:01:57,485

Something happened to you

on that stage.

957

01:01:57,487 —> 01:01:59,820

Something that has

never happened before.

958

01:01:59,822 —> 01:02:01,422

Does Waldo know you're here?

959

01:02:01,424 —> 01:02:03,593

You've been shunned.

960

01:02:03,595 —> 01:02:04,993

- (WAINSWAIN LAUGHS)

- What does that mean?

961

01:02:04,995 —> 01:02:06,729

Zan, what you sang
about the Eating,

962
01:02:06,731 —> 01:02:08,830
you made it sound frightening.

963
01:02:08,832 —> 01:02:10,168
PT WAIN: Wainswain!

964
01:02:10,834 —> 01:02:12,334
Multiple violations!

965
01:02:12,336 —> 01:02:14,238
(SPINNING JENNY
MOANING LOUDLY)

966
01:02:20,980 —> 01:02:25,251
Unauthorized
manual permeation?

967
01:02:25,984 —> 01:02:28,788
(SPINNING JENNY GASPING)

968

01:02:29,456 —> 01:02:32,258

Bad Stellas.

969

01:02:34,327 —> 01:02:36,260

(EXHALES)

970

01:02:36,262 —> 01:02:40,434

Oh, the things I'm going

to do to you for this.

971

01:02:41,736 —> 01:02:43,902

You're in extreme danger

of being left behind.

972

01:02:43,904 —> 01:02:45,440

We have to leave now.

973

01:02:45,873 —> 01:02:47,576

I feel alive.

974

01:02:48,341 —> 01:02:49,544

I feel opened.

975

01:02:50,579 —> 01:02:51,546

Zan.

976

01:02:52,713 —> 01:02:54,282

- Get away from her!

- Leave him alone!

977

01:02:55,284 —> 01:02:58,287

Everyone just

leave everyone alone!

978

01:02:58,586 —> 01:03:00,222

(ZAN SCREAMING)

979

01:03:01,289 —> 01:03:02,825

(PUNK MUSIC PLAYING)

980

01:03:17,641 —> 01:03:19,711

(CROWD SINGING ALONG)

981

01:03:28,620 —> 01:03:30,388

(CHEERING)

982

01:03:38,396 —> 01:03:39,599

(VOMITS)

983

01:03:40,065 —> 01:03:41,634

CROWD: Ugh!

984

01:03:43,668 —> 01:03:44,937

(LAUGHING)

985

01:03:53,080 —> 01:03:54,282

Enn?

986

01:03:55,414 —> 01:03:56,483

Enn.

987

01:04:00,019 —> 01:04:01,421

Enn!

988

01:04:04,025 —> 01:04:06,561

(ZAN PANTING)

989

01:04:21,110 —> 01:04:23,979

Congratulations are in order,

my dear.

990

01:04:27,716 —> 01:04:29,852

You are with child.

991

01:04:48,738 —> 01:04:50,609

(ZAN BREATH SHAKILY)

992

01:04:59,084 —> 01:05:00,486

(SPLASHES)

993

01:05:08,427 —> 01:05:09,429

Fuck!

994

01:05:26,914 —> 01:05:29,851

(EERIE MUSIC PLAYING)

995

01:05:50,039 —> 01:05:51,773

PT WAIN: She's a menace.

996

01:05:51,775 —> 01:05:53,875

I move

for the immediate eradication

997

01:05:53,877 —> 01:05:55,009

of the deviant child.

998

01:05:55,011 —> 01:05:55,878

- No!

- I call a vote.

999

01:05:56,645 —> 01:05:58,081

PT BOB: We don't have

a quorum to vote.

1000

01:05:58,815 —> 01:06:00,083

Where is Stella?

1001

01:06:01,016 —> 01:06:04,088

- Welcome, Stella.

- Thank you, Stella.

1002

01:06:06,090 —> 01:06:08,959

You know, Daddy

doesn't get out very much.

1003

01:06:09,494 —> 01:06:11,963

Only for special occasions.

1004

01:06:12,162 —> 01:06:14,931

PT STELLA: Stella, you know

there are consequences

1005

01:06:14,933 —> 01:06:18,235

when you interact with locals

without permission

1006

01:06:18,237 —> 01:06:21,270

and it can't wait

until after Exit.

1007

01:06:21,272 —> 01:06:23,975

Will it feel like

the supernova manifestation?

1008

01:06:24,842 —> 01:06:27,845

Stella, will you

do the honors?

1009

01:06:27,847 —> 01:06:29,850

Certainly, Stella.

1010

01:06:32,117 —> 01:06:34,251

(EERIE MUSIC PLAYING)

1011

01:06:34,253 —> 01:06:36,789

- (JAW CRACKING)

- (MALE STELLA GROANING)

1012

01:06:38,125 —> 01:06:39,828

(STELLAS GASPING)

1013

01:06:41,962 —> 01:06:43,728

(GROANING)

1014

01:06:43,730 —> 01:06:46,031

Isn't that the most beautiful

thing you've ever seen?

1015

01:06:46,033 —> 01:06:47,833

- (MALE STELLA MUMBLING)

- Come.

1016

01:06:47,835 —> 01:06:49,301

Come, my pretty.

1017

01:06:49,303 —> 01:06:51,574

In you go.

1018

01:06:52,673 —> 01:06:53,708

No...

1019

01:06:54,008 —> 01:06:56,242

- No, I...

- (MALE STELLA PROTESTING)

1020

01:06:56,244 —> 01:06:57,876

I don't wanna go.

1021

01:06:57,878 —> 01:07:00,313
No! No! (SCREAMING)

1022
01:07:00,315 —> 01:07:02,886
- (BONE CRACKING)
- (ALL SCREAMING)

1023
01:07:11,761 —> 01:07:12,762
Enn!

1024
01:07:13,261 —> 01:07:14,764
(SCREAMING CONTINUES)

1025
01:07:19,335 —> 01:07:21,605
(GASPING)

1026
01:07:22,039 —> 01:07:24,542
(PANTING)

1027
01:07:31,281 —> 01:07:32,984
(COUGHING)

1028

01:07:52,771 —> 01:07:54,574
JOHN: The Kronos Syndrome.

1029
01:07:56,108 —> 01:07:57,110
Who?

1030
01:07:57,309 —> 01:07:59,343
Cannibal incest, comrades.

1031
01:07:59,345 —> 01:08:01,312
This is a higher level
of cult.

1032
01:08:01,314 —> 01:08:02,848
We need to get
the authorities involved.

1033
01:08:02,850 —> 01:08:04,849
No. It'll be a bloodbath.

1034
01:08:04,851 —> 01:08:06,117
(SCOFFS) Fine by me.

1035

01:08:06,119 —> 01:08:07,886

Kill em all.

Let Satan sort 'em out.

1036

01:08:07,888 —> 01:08:09,854

Look, I don't know happened

to you in there, Vic,

1037

01:08:09,856 —> 01:08:12,793

but if they took your balls

too, you can leave now.

1038

01:08:15,863 —> 01:08:17,262

I've got my balls.

1039

01:08:17,264 —> 01:08:18,832

How did you find out

all this info again?

1040

01:08:18,834 —> 01:08:21,200

I saw it through

their fucking window!

1041

01:08:21,202 —> 01:08:23,305

Now, are you lot with me?

1042

01:08:23,772 —> 01:08:25,073

Yeah, course we are, Enn.

1043

01:08:27,076 —> 01:08:28,178

VIC: Yeah, mate.

1044

01:08:28,411 —> 01:08:29,613

Right.

1045

01:08:31,113 —> 01:08:32,315

We'll need backup.

1046

01:08:33,049 —> 01:08:34,815

(BOTH LAUGHING)

1047

01:08:34,817 —> 01:08:36,185

ENN: It's not a joke.

1048

01:08:36,419 —> 01:08:39,121
She's part of an American
cannibalistic cult.

1049
01:08:39,123 —> 01:08:42,223
- (CONTINUE LAUGHING)
- They eat their young.

1050
01:08:42,225 —> 01:08:46,260
Enn, all species
eat their young.

1051
01:08:46,262 —> 01:08:47,996
- Boadicea, I need your help.
- (BOADICEA LAUGHS)

1052
01:08:47,998 —> 01:08:49,697
- Fuck off.
- ENN: I can't do this...

1053
01:08:49,699 —> 01:08:50,902
Come here. Come here.

1054

01:08:56,040 —> 01:08:58,811

- (GLASS SHATTERS)

- Your skin...

1055

01:08:59,143 —> 01:09:02,882

Yes, your skin is like cheese.

(SNIFFS)

1056

01:09:03,281 —> 01:09:05,284

BOADICEA: (WHISPERS)

Like a fine Stilton.

1057

01:09:06,785 —> 01:09:09,052

- What, do I repel you?

- No, but...

1058

01:09:09,054 —> 01:09:11,454

When I was your age,

I was pretty.

1059

01:09:11,456 —> 01:09:14,225

- Zan needs your help, and I...

- Let me tell you something.

1060

01:09:14,227 —> 01:09:19,099

I have had 12 abortions

and nothing to show for it.

1061

01:09:19,465 —> 01:09:22,933

How did I end up

in this fucking Croydon

1062

01:09:22,935 —> 01:09:24,869

at the fag-end

of my fertility!

1063

01:09:24,871 —> 01:09:28,007

But you're the closest thing

to a mum that Zan's ever had.

1064

01:09:28,009 —> 01:09:29,677

- (BOADICEA SCREAMS)

- You chose her.

1065

01:09:32,046 —> 01:09:33,682

She was chosen.

1066

01:10:17,929 —> 01:10:19,998

PT WALDO: It's hard

to be a parent.

1067

01:10:22,166 —> 01:10:25,136

You must relinquish

all other attachments.

1068

01:10:25,370 —> 01:10:28,074

You will raise them,

teach them,

1069

01:10:29,908 —> 01:10:31,711

and then you will let them go.

1070

01:10:33,945 —> 01:10:35,880

I wish to stay.

1071

01:10:35,882 —> 01:10:38,886

I'm not sure

they could be born here.

1072

01:10:40,020 —> 01:10:41,955
We are made
of different stuff.

1073
01:10:43,824 —> 01:10:47,762
Zan, listen carefully.

1074
01:10:47,960 —> 01:10:50,031
Our people are dying.

1075
01:10:51,299 —> 01:10:55,838
We give birth to fewer
and fewer each cycle.

1076
01:10:56,571 —> 01:11:00,273
But your children are a sign

1077
01:11:00,275 —> 01:11:02,879
that there's a different way
for our people.

1078
01:11:05,413 —> 01:11:07,247
What way?

1079

01:11:07,249 —> 01:11:09,283

I have a plan.

We must play along

1080

01:11:09,285 —> 01:11:11,121

- until I can implement it.

- (DOORBELL RINGING)

1081

01:11:12,321 —> 01:11:13,924

(SIGHS)

1082

01:11:17,127 —> 01:11:18,062

Yes?

1083

01:11:18,528 —> 01:11:20,027

Asbestos check.

1084

01:11:20,029 —> 01:11:21,498

The hidden killer

in your home.

1085

01:11:23,399 —> 01:11:24,933
This is not our home.

1086
01:11:24,935 —> 01:11:27,303
Mandatory check.
Government regulations.

1087
01:11:27,305 —> 01:11:28,507
Won't take a minute.

1088
01:11:30,007 —> 01:11:31,109
(ENN SHUSHES)

1089
01:11:31,475 —> 01:11:33,309
Do you have identification?

1090
01:11:33,311 —> 01:11:34,846
SPINNING JENNY: Certainly.

1091
01:11:37,080 —> 01:11:38,414
(GROANS)

1092

01:11:38,416 —> 01:11:39,185
We're in!

1093
01:11:40,451 —> 01:11:42,989
- (ALL YELLING)
- (PUNK MUSIC PLAYING)

1094
01:11:50,229 —> 01:11:51,494
Perimeter breach!

1095
01:11:51,496 —> 01:11:52,532
(ULULATING)

1096
01:11:56,035 —> 01:11:58,372
(YELLING STOPS)

1097
01:12:09,649 —> 01:12:11,185
(GROANS)

1098
01:12:15,556 —> 01:12:17,492
(ALL GROANING)

1099

01:12:18,392 —> 01:12:19,959

Onward!

1100

01:12:19,961 —> 01:12:21,597

(PUNKS YELLING)

1101

01:12:22,931 —> 01:12:24,496

- Let's split up.

- Oh, I don't know...

1102

01:12:24,498 —> 01:12:26,000

No. We'll find her

faster that way.

1103

01:12:26,002 —> 01:12:27,971

- Shout if you see her.

- Fuck.

1104

01:12:32,008 —> 01:12:33,940

- What the fuck?

- Keep looking.

1105

01:12:33,942 —> 01:12:34,945

Oh, shit.

1106

01:12:35,177 —> 01:12:36,409

- Any luck?

- Nothing.

1107

01:12:36,411 —> 01:12:38,415

- No. Can't find her.

- Bollocks.

1108

01:12:41,018 —> 01:12:42,449

- (BLUE COLONY SCREECHING)

- Oh, shit!

1109

01:12:42,451 —> 01:12:45,388

- (PUNKS GROANING)

- (SCREECHING CONTINUES)

1110

01:12:51,395 —> 01:12:52,630

(BANGING ON DOOR)

1111

01:12:54,999 —> 01:12:56,265

- Zan!

- (GASPS)

1112

01:12:56,267 —> 01:12:57,566

- You must stay quiet.

- ENN: Zan!

1113

01:12:57,568 —> 01:12:58,904

If they find us,

they will kill us all.

1114

01:12:59,536 —> 01:13:01,203

Enn would never

let that happen.

1115

01:13:01,205 —> 01:13:03,643

- (BLUE COLONY SCREECHING)

- (PUNKS GROANING)

1116

01:13:04,643 —> 01:13:06,410

(PUNK MUSIC PLAYING)

1117

01:13:06,412 —> 01:13:08,445

Good thing

you can just swallow us up.

1118

01:13:08,447 —> 01:13:10,981

You sprang from our loins.

1119

01:13:10,983 —> 01:13:13,549

We are England!

1120

01:13:13,551 —> 01:13:15,154

(ALL YELLING)

1121

01:13:25,030 —> 01:13:28,136

Oi, them's the ones

what stole my arse-cherry!

1122

01:13:28,636 —> 01:13:30,301

I was saving that.

1123

01:13:30,303 —> 01:13:31,940

Oh, really?

1124

01:13:35,041 —> 01:13:36,277

BLOND STELLA: Victor.

1125

01:13:37,044 —> 01:13:39,079

BOTH: We've been

waiting for you.

1126

01:13:39,081 —> 01:13:41,050

(PUNK MUSIC CONTINUES PLAYING)

1127

01:13:53,696 —> 01:13:55,666

(MUSIC STOPS)

1128

01:13:57,567 —> 01:13:59,603

(BREATHING HEAVILY)

1129

01:14:17,321 —> 01:14:19,725

(BREATHING SHAKILY)

1130

01:14:29,235 —> 01:14:30,503

Gotcha.

1131

01:14:31,771 —> 01:14:34,574

(LAUGHING)

1132

01:14:36,075 —> 01:14:38,212

What, you cannot be ridden?

1133

01:14:39,513 —> 01:14:42,249

I gave that up ages ago, dear.

1134

01:14:43,383 —> 01:14:45,685

Herpes and sprogs. (CHUCKLES)

1135

01:14:46,252 —> 01:14:47,752

- Sprogs?

- Kids.

1136

01:14:47,754 —> 01:14:48,756

(GASPS)

1137

01:14:49,355 —> 01:14:51,726

Sex is over.

Haven't you heard?

1138

01:14:53,060 —> 01:14:54,628
Tear it all down.

1139
01:14:56,396 —> 01:14:58,500
Evolve or die, love.

1140
01:15:00,234 —> 01:15:04,240
Evolve or die.

1141
01:15:14,284 —> 01:15:15,686
It's been a long day.

1142
01:15:16,486 —> 01:15:17,688
Drink?

1143
01:15:23,358 —> 01:15:24,660
If I could do something
with you,

1144
01:15:29,433 —> 01:15:31,536
you might have a future.

1145

01:15:33,103 —> 01:15:34,570
Tea break!

1146
01:15:34,572 —> 01:15:37,175
(PUNKS CHEERING)

1147
01:15:38,175 —> 01:15:40,245
Fucking fancy, comrades.

1148
01:15:40,845 —> 01:15:43,281
PT FIRST: The outcome
of this assault is in doubt.

1149
01:15:43,814 —> 01:15:47,383
Zan must be dealt with,
without delay.

1150
01:15:47,385 —> 01:15:48,651
Come, my dear.

1151
01:15:48,653 —> 01:15:50,123
You will harm
no child of mine.

1152

01:15:51,123 —> 01:15:53,426

You're not permitted

to touch me.

1153

01:15:54,292 —> 01:15:55,658

I created you.

1154

01:15:55,660 —> 01:15:57,831

Well, you curated us really.

1155

01:15:58,463 —> 01:16:01,735

And now I will save us all.

1156

01:16:06,740 —> 01:16:09,477

CELIA:

Fourth Colony manifests...

1157

01:16:09,709 —> 01:16:11,712

FOURTH COLONISTS:

Individuality!

1158

01:16:16,884 —> 01:16:18,286

ENN: Zan!

1159

01:16:20,687 —> 01:16:22,288

PT STELLA: We feast...

1160

01:16:22,290 —> 01:16:25,662

(SIGHS) We feast

a lot on children.

1161

01:16:26,495 —> 01:16:28,661

(CLICKS TONGUE)

And it fills me up...

1162

01:16:28,663 —> 01:16:30,897

It fills me up

good and proper,

1163

01:16:30,899 —> 01:16:32,701

but then

I get lonely after that.

1164

01:16:32,902 —> 01:16:34,601

What's going on?

1165

01:16:34,603 —> 01:16:37,571

I feel deeply, deep hole,

deep hole inside...

1166

01:16:37,573 —> 01:16:39,339

What's going on?

1167

01:16:39,341 —> 01:16:40,441

What is going on?

1168

01:16:40,443 —> 01:16:41,579

ENN: Where the hell is Zan?

1169

01:16:41,912 —> 01:16:44,344

I don't know.

Uh, try through there.

1170

01:16:44,346 —> 01:16:45,648

BOADICEA: Try through there.

1171

01:16:46,382 —> 01:16:47,550
Whoa!

1172
01:16:47,917 —> 01:16:50,654
(CHOKING)

1173
01:16:51,189 —> 01:16:52,356
Zan!

1174
01:16:52,623 —> 01:16:53,625
Enn!

1175
01:16:55,359 —> 01:16:57,495
(GASPS) I call
a General Synod.

1176
01:16:58,930 —> 01:17:01,800
I have that right,
once an eon.

1177
01:17:03,267 —> 01:17:04,736
(PT WALDO BREATHES HEAVILY)

1178

01:17:06,638 —> 01:17:09,208

Prepare for Wide-Radius

Counterruption.

1179

01:17:12,376 —> 01:17:14,615

(HIGH-PITCH FREQUENCY WHINING)

1180

01:17:16,215 —> 01:17:18,285

(INDISTINCT CHATTERING)

1181

01:17:19,818 —> 01:17:21,821

(WHINING STOPS)

1182

01:17:22,755 —> 01:17:23,757

Ugh.

1183

01:17:28,662 —> 01:17:29,931

(EXHALES)

1184

01:17:36,703 —> 01:17:38,438

Waldo? You dare call a Synod.

1185

01:17:38,440 —> 01:17:41,407

Oh, Wain, why do you

always have to shout?

1186

01:17:41,409 —> 01:17:42,875

PT, you are compromised.

1187

01:17:42,877 —> 01:17:45,745

Ooh. Level One Violation!

(BLOWS RASPBERRY)

1188

01:17:45,747 —> 01:17:46,916

(GLASS SHATTERS)

1189

01:17:47,983 —> 01:17:50,453

PT First, the humans

are neutralized. I recomm...

1190

01:17:53,455 —> 01:17:54,857

I told you he was different.

1191

01:17:56,726 —> 01:17:57,858

I'm an artist.

1192

01:17:57,860 —> 01:17:59,025

Brothers and sisters, I move

1193

01:17:59,027 —> 01:18:00,827

to amend

the Celestial Charter.

1194

01:18:00,829 —> 01:18:03,534

I propose

the elimination of the Eating.

1195

01:18:03,733 —> 01:18:05,833

(ALL MURMURING)

1196

01:18:05,835 —> 01:18:07,269

PT WAIN: Don't be ridiculous!

1197

01:18:07,271 —> 01:18:08,703

The Eating

is what keeps us alive.

1198

01:18:08,705 —> 01:18:10,372

What about the children?

1199

01:18:10,374 —> 01:18:11,739

PT WAIN: Their experiences

will go to waste.

1200

01:18:11,741 —> 01:18:13,776

They will live out

their natural cycles

1201

01:18:13,778 —> 01:18:15,945

nourished by

their own experiences.

1202

01:18:15,947 —> 01:18:17,879

What, and they all

get to breed?

1203

01:18:17,881 —> 01:18:19,749

Where does it end?

Factionalism?

1204

01:18:19,751 —> 01:18:21,417

War? Environmental collapse?

1205

01:18:21,419 —> 01:18:23,555

The answer is yes.

1206

01:18:24,755 —> 01:18:28,491

Each of your peoples

met apocalypse.

1207

01:18:28,493 —> 01:18:30,229

Have you forgotten?

1208

01:18:32,363 —> 01:18:33,796

Each of you were convinced

1209

01:18:33,798 —> 01:18:36,465

you were the only species

in the universe.

1210

01:18:36,467 —> 01:18:38,568

Maddened

by the arrogance of solitude,

1211
01:18:38,570 —> 01:18:40,837
you gorged
on your worlds' resources.

1212
01:18:40,839 —> 01:18:44,776
You grew fat
as your planets shriveled.

1213
01:18:44,778 —> 01:18:46,379
You eat when you're lonely.

1214
01:18:47,981 —> 01:18:50,352
And now, our numbers dwindle,

1215
01:18:50,851 —> 01:18:52,518
for holy attrition

1216
01:18:52,520 —> 01:18:54,723
was always at the secret heart
of my design.

1217

01:18:55,923 —> 01:18:57,855

We shall diminish.

1218

01:18:57,857 —> 01:19:03,562

And we shall do it with grace

and compassion.

1219

01:19:03,564 —> 01:19:05,597

The parents

will consume the children,

1220

01:19:05,599 —> 01:19:07,902

and then

I will consume the parents,

1221

01:19:08,402 —> 01:19:10,637

until at last

1222

01:19:10,639 —> 01:19:12,775

I, alone,

will turn upon myself

1223

01:19:13,775 —> 01:19:15,479
and eat.

1224
01:19:16,479 —> 01:19:19,516
No more knowledge
in the meat to distract us.

1225
01:19:19,948 —> 01:19:23,353
Only the freedom of silence.

1226
01:19:24,052 —> 01:19:30,962
And the universe breathes
a sigh of perfect relief.

1227
01:19:32,562 —> 01:19:34,032
ENN: Bollocks!

1228
01:19:35,099 —> 01:19:37,399
I don't know what the bloody
hell you're on about

1229
01:19:37,401 —> 01:19:39,868
with your Swedish

suicide complex,

1230

01:19:39,870 —> 01:19:42,404

but you can't just come

down here and insult us.

1231

01:19:42,406 —> 01:19:43,605

- Silence!

- Now we may have

1232

01:19:43,607 —> 01:19:44,940

cocked this planet up royally,

1233

01:19:44,942 —> 01:19:47,609

but at least

we're fucking alive.

1234

01:19:47,611 —> 01:19:50,446

We like to eat, we like

to shit, we like to dance.

1235

01:19:50,448 —> 01:19:51,718

We like to fall in love.

1236

01:19:52,084 —> 01:19:55,118

And we try and fix

what our parents fucked up.

1237

01:19:55,120 —> 01:19:56,986

But you!

1238

01:19:56,988 —> 01:19:59,455

What kind of parents are you?

1239

01:19:59,457 —> 01:20:02,093

I mean, even the most pathetic

poser of a punk,

1240

01:20:02,095 —> 01:20:03,828

who'll end his days wanking

1241

01:20:03,830 —> 01:20:05,864

on the wall

of his padded tree house,

1242

01:20:05,866 —> 01:20:07,132
at least he had a dad

1243
01:20:07,134 —> 01:20:08,900
who'd rather
leave him in a ditch

1244
01:20:08,902 —> 01:20:11,605
than stick around
and eat him alive!

1245
01:20:17,744 —> 01:20:19,178
PT WAIN: Enough of this.

1246
01:20:19,180 —> 01:20:22,080
Let us proceed
to the gratuitous vote.

1247
01:20:22,082 —> 01:20:24,818
All those in favor
of retaining the Eating?

1248
01:20:28,690 —> 01:20:29,524

Bob?

1249

01:20:31,427 —> 01:20:33,492

- I vote to abolish.

- (PT WAIN SCOFFS)

1250

01:20:33,494 —> 01:20:35,429

- Predictable.

- Fuck you, Wain.

1251

01:20:35,431 —> 01:20:36,729

Fuck you for millennia.

1252

01:20:36,731 —> 01:20:38,601

- Stella?

- What?

1253

01:20:38,901 —> 01:20:41,704

Do you vote

to retain the sacred ritual?

1254

01:20:47,477 —> 01:20:48,943

Yeah, what the hell.

1255

01:20:48,945 —> 01:20:51,716

The little shits

taste staler every cycle.

1256

01:20:52,183 —> 01:20:53,882

(SIGHS)

1257

01:20:53,884 —> 01:20:55,019

I vote to abolish.

1258

01:20:57,188 —> 01:20:58,990

Evolve or die.

1259

01:20:59,189 —> 01:21:01,857

That is nonetheless

a deadlock.

1260

01:21:01,859 —> 01:21:04,063

- No change is possible.

- There is one more vote.

1261

01:21:06,631 —> 01:21:09,866
Zan is a mother
with children growing within.

1262
01:21:09,868 —> 01:21:12,035
That qualifies her
as a Parent-Teacher.

1263
01:21:12,037 —> 01:21:14,839
She is entitled
to full voting powers.

1264
01:21:14,841 —> 01:21:17,910
PT WAIN: Uh-uh. Contamination
is not conception.

1265
01:21:18,543 —> 01:21:20,777
PT First,
I beg you to adjudicate.

1266
01:21:20,779 —> 01:21:22,548
You're pregnant?

1267

01:21:22,949 —> 01:21:25,186

- PT WAIN: PT First.

- But...

1268

01:21:26,820 —> 01:21:28,688

They're ours.

1269

01:21:29,956 —> 01:21:31,825

PT FIRST:

Waldo's logic is sound.

1270

01:21:32,226 —> 01:21:35,096

Zan's would be

the deciding vote.

1271

01:21:35,628 —> 01:21:38,833

But to cast her vote,

she must give birth.

1272

01:21:39,233 —> 01:21:42,070

To give birth, she must Exit.

1273

01:21:42,937 —> 01:21:47,038

Her brood cannot be born
in this manifestation.

1274
01:21:47,040 —> 01:21:52,612
Zan, your decision is between
this world and our own.

1275
01:21:52,614 —> 01:21:55,852
But if you Exit,
you cannot return.

1276
01:21:57,118 —> 01:21:58,921
You must choose.

1277
01:22:00,055 —> 01:22:02,193
(CRYING)

1278
01:22:12,868 —> 01:22:13,939
Stop her!

1279
01:22:15,573 —> 01:22:16,872
Stop him!

1280

01:22:16,874 —> 01:22:18,143

ENN: Get off me!

1281

01:22:18,875 —> 01:22:20,579

- PT First...

- Shut up, Wain.

1282

01:22:20,878 —> 01:22:22,010

Zan will either become

1283

01:22:22,012 —> 01:22:24,149

a Parent-Teacher

or she will not.

1284

01:22:24,582 —> 01:22:25,985

Release him.

1285

01:22:29,288 —> 01:22:32,491

We Exit in three hours.

1286

01:22:32,891 —> 01:22:34,759

Make your preparations.

1287

01:22:37,596 —> 01:22:39,864

John!

1288

01:22:39,866 —> 01:22:41,899

John!

1289

01:22:41,901 —> 01:22:44,571

John, mate! John! John!

1290

01:22:51,845 —> 01:22:53,181

Zan!

1291

01:24:13,834 —> 01:24:15,804

It's a good world.

1292

01:24:19,874 —> 01:24:23,144

I thought it would be bigger,

1293

01:24:24,010 —> 01:24:26,282

and cleaner,

1294

01:24:28,215 —> 01:24:31,853

and more colorful somehow.

1295

01:24:36,358 —> 01:24:40,163

But still... It's a jewel.

1296

01:24:42,164 —> 01:24:43,734

ENN: Then stay.

1297

01:24:49,038 —> 01:24:51,108

I could be their father.

1298

01:24:53,877 —> 01:24:55,413

I could.

1299

01:24:57,114 —> 01:24:59,717

I don't think that

they could be born here.

1300

01:25:06,790 —> 01:25:09,828

My brothers

and sisters will die,

1301

01:25:10,328 —> 01:25:12,798

and I can stop it.

1302

01:25:14,433 —> 01:25:17,070

Maybe I can stop it forever.

1303

01:25:35,421 —> 01:25:42,264

Spirit, mind, voice,

will, sex, strength.

1304

01:25:42,797 —> 01:25:44,900

- Six colonies...

- Seven.

1305

01:25:46,501 —> 01:25:48,235

Is that my ring?

1306

01:25:56,378 —> 01:25:58,114

It's the heart.

1307

01:25:59,515 —> 01:26:01,250

The interchange.

1308

01:26:02,785 —> 01:26:04,821

The way in and the way out

1309

01:26:06,089 —> 01:26:08,258

to what is beyond.

1310

01:26:11,393 —> 01:26:12,964

Love.

1311

01:26:14,999 —> 01:26:16,401

(TINKLING)

1312

01:26:18,935 —> 01:26:20,839

I can hear them.

1313

01:26:23,541 —> 01:26:26,145

Our children are singing.

1314

01:26:29,014 —> 01:26:30,983

Don't go.

1315

01:27:10,591 —> 01:27:12,193

(ZAN BREATHING HEAVILY)

1316

01:27:45,562 —> 01:27:48,299

- No! What are you doing?

- (GASPS)

1317

01:27:50,568 —> 01:27:52,071

No, no, no...

1318

01:27:52,638 —> 01:27:54,040

(SHUSHING)

1319

01:28:02,581 —> 01:28:04,383

(SIGHS)

1320

01:28:08,220 —> 01:28:10,089

(CRYING)

1321

01:28:16,963 —> 01:28:19,234

I love you.

1322

01:28:24,940 —> 01:28:26,342

(GRUNTS)

1323

01:28:27,074 —> 01:28:28,142

No!

1324

01:28:28,944 —> 01:28:30,879

(ENN GASPS)

1325

01:28:31,946 —> 01:28:34,650

(SOBBING)

1326

01:28:42,023 —> 01:28:43,293

No!

1327

01:28:44,694 —> 01:28:46,428

No, no, no!

1328

01:29:48,195 —> 01:29:51,367

(ROMANTIC MUSIC PLAYING)

1329

01:30:27,504 —> 01:30:28,773

JOHN: So, Enn.

1330

01:30:29,374 —> 01:30:31,343

What do you think

happened to your lady?

1331

01:30:33,343 —> 01:30:35,646

She must've gone on

with the others.

1332

01:30:39,117 —> 01:30:41,153

They didn't even say goodbye.

1333

01:30:45,291 —> 01:30:47,127

She'll be all right, mate.

1334

01:30:47,692 —> 01:30:49,429

She's a tough one.

1335

01:30:51,430 —> 01:30:55,165

Well, look,

let us not forget the day.

1336
01:30:55,167 —> 01:30:56,800
- What?
- Tonight, I take

1337
01:30:56,802 —> 01:30:59,103
Tracey the Magnanimous
to the pictures.

1338
01:30:59,105 —> 01:31:00,673
So I'm turning to you now,

1339
01:31:00,675 —> 01:31:03,442
as you're both men
of fashion and adventure.

1340
01:31:03,444 —> 01:31:05,147
Lay it on me.

1341
01:31:10,685 —> 01:31:13,456
You got to forget everything
you think you know.

1342

01:31:17,392 —> 01:31:19,559

Just accept that

you are nothing

1343

01:31:19,561 —> 01:31:22,465

but a worthless initiate

at her altar.

1344

01:31:24,567 —> 01:31:26,537

That's how you build trust.

1345

01:31:28,737 —> 01:31:30,073

Right.

1346

01:31:34,344 —> 01:31:35,779

No great secret.

1347

01:31:36,746 —> 01:31:39,514

Just remember

that you're you

1348

01:31:39,516 —> 01:31:41,717
and she's her.

1349
01:31:41,719 —> 01:31:43,822
And together,

1350
01:31:45,221 —> 01:31:48,358
that'll be
another thing.

1351
01:31:52,329 —> 01:31:54,766
Fat lot of good
yous pair were. (SCOFFS)

1352
01:31:59,570 —> 01:32:01,475
It's all right, mate.

1353
01:32:01,740 —> 01:32:03,509
(GRUNTS)

1354
01:32:04,377 —> 01:32:06,379
- (BELL DINGS)
- (JOHN SIGHS)

1355

01:32:07,646 —> 01:32:09,513

JOHN: All right then.

1356

01:32:09,515 —> 01:32:11,618

Ride on, you rotter.

1357

01:32:18,258 —> 01:32:22,130

(MELLOW MUSIC PLAYING)

1358

01:33:26,331 —> 01:33:29,202

- (INDISTINCT CHATTERING)

- (FOLK MUSIC PLAYING)

1359

01:33:36,577 —> 01:33:38,309

ENN: Hiya.

EMILY: Hi.

1360

01:33:38,311 —> 01:33:39,577

ENN: How's it going?

EMILY: Very well, thank you.

1361

01:33:39,579 —> 01:33:41,312
ENN: Thanks so much
for coming out.

1362
01:33:41,314 —> 01:33:43,814
- EMILY: I adore your work.
- Thank you very much.

1363
01:33:43,816 —> 01:33:45,651
- What's your name?
- Emily.

1364
01:33:45,653 —> 01:33:48,621
- Where have you come from?
- EMILY: Um, East Sussex.

1365
01:33:48,623 —> 01:33:50,422
ENN: Thanks for making
that journey.

1366
01:33:50,424 —> 01:33:52,591
- (EMILY CHUCKLES)
- Lovely to meet you.

1367

01:33:52,593 —> 01:33:54,926

- Thank you, Tom, keep writing.

- TOM: Thank you.

1368

01:33:54,928 —> 01:33:57,630

Cheers. See you later.

See you guys.

1369

01:33:57,632 —> 01:33:59,866

Hello, how are you?

1370

01:33:59,868 —> 01:34:01,435

SIOUXSIE:

Very well, thank you.

1371

01:34:01,437 —> 01:34:03,804

- What's your name?

- It's for all of us.

1372

01:34:03,806 —> 01:34:05,605

DEE DEE: We can

only afford one copy.

1373

01:34:05,607 —> 01:34:07,409

ARI UP: We've just moved here.

1374

01:34:08,044 —> 01:34:10,743

Okay, well, I can

make it out to all of you.

1375

01:34:10,745 —> 01:34:11,944

What are your names.

1376

01:34:11,946 —> 01:34:13,584

Siouxsie. With an "X."

1377

01:34:13,884 —> 01:34:15,382

(CHUCKLES)

1378

01:34:15,384 —> 01:34:17,621

- Dee Dee.

- (CHUCKLES)

1379

01:34:18,354 —> 01:34:19,624

Ari Up.

1380

01:34:23,059 —> 01:34:24,261

Jonesy.

1381

01:34:29,533 —> 01:34:31,269

Enn.

1382

01:34:39,912 —> 01:34:41,881

She thought

we should travel alone.

1383

01:34:42,347 —> 01:34:44,350

We think we'd like to stay.

1384

01:34:45,083 —> 01:34:46,952

We want to start a band.

1385

01:34:57,396 —> 01:34:58,931

(CRYING)

1386

01:42:17,407 —> 01:42:18,976

SLAP: Shut the fuck up!

1387

01:42:20,442 —> 01:42:24,414

BOADICEA: That was terrible.

Do it again!
