Dialogues from I am Sam to improve the vocabulary in English

2

00:01:47,553 –> 00:01:49,020

Oopsie.

3

00:01:50,689 –> 00:01:54,489

Decaf double tall

nonfat capp for Bruce.

4

00:01:55,528 –> 00:01:57,052

You got it, buddy.

5

00:01:57,096 –> 00:01:59,894

That's a wonderful choice,

Bruce.

6

00:01:59,932 –> 00:02:02,958

-Thank you, Sam. Take care.

-It certainly is.

7

00:02:03,002 —> 00:02:07,530

One Caramel Macchiato.

It's very hot.

8

00:02:07,573 —> 00:02:09,473

Good morning.

9

00:02:09,508 —> 00:02:11,408

Vanilla grande no-foam latte.

10

00:02:11,444 —> 00:02:13,105

That's a wonderful choice.

11

00:02:13,145 —> 00:02:15,306

-Thanks, Sam.

-Yeah.

12

00:02:16,715 —> 00:02:18,910

Hey, Sam. They called.

It's time for you to go.

13

00:02:18,951 —> 00:02:21,545

Oh, yeah, it's time.

14

00:02:21,587 —> 00:02:22,554

It's time, buddy.

15

00:02:22,588 —> 00:02:26,615

It's time for me to go now.

16

00:02:26,659 —> 00:02:29,526

It's time for me to go now,

George!

17

00:02:29,562 —> 00:02:30,722

Good luck.

18

00:02:30,763 —> 00:02:33,061

It's time.

19

00:02:36,769 —> 00:02:37,963

It's time now.

20

00:02:48,380 —> 00:02:52,009

Hurry up. The first floor
is two more floors.

21
00:02:52,051 —> 00:02:54,417
Hurry up.

22
00:02:54,453 —> 00:02:57,854
The second floor—
one more floor.

23
00:02:57,890 —> 00:03:01,485
I have to go to Room 324
on the third floor.

24
00:03:03,729 —> 00:03:08,189
Rebecca!

25
00:03:08,234 —> 00:03:09,997
You the one responsible
for this?

26
00:03:10,035 —> 00:03:11,502
I'm sorry.

27

00:03:11,537 —> 00:03:13,903

Too late for sorries.

Get over here and hold her hand.

28

00:03:13,939 —> 00:03:16,100

Are you OK?

29

00:03:17,643 —> 00:03:19,110

Got a live one, Gert.

30

00:03:20,579 —> 00:03:23,343

Good. Come on.

Focus and breathe.

31

00:03:23,382 —> 00:03:25,407

This is it.

32

00:03:25,451 —> 00:03:28,909

This is it.

33

00:03:28,954 —> 00:03:32,913

This is it.

34

00:03:32,958 —> 00:03:34,289

And it's a girl!

35

00:03:47,873 —> 00:03:49,238

It's OK.

36

00:04:01,987 —> 00:04:03,545

What's her name?

37

00:04:08,994 —> 00:04:12,430

Lucy in the sky with diamonds.

38

00:04:12,464 —> 00:04:16,992

Lucy Diamond Dawson.

39

00:04:23,909 —> 00:04:29,370

You're my daughter.

I'm your father.

40

00:04:36,255 —> 00:04:39,986

Get them to make the bus stay.

They're leaving.

41

00:04:40,025 —> 00:04:42,016

-I'll get them.

-They're leaving.

42

00:04:42,061 —> 00:04:45,326

Excuse me.

Hang on one second, please.

43

00:04:49,468 —> 00:04:52,164

Becca!

44

00:04:52,204 —> 00:04:54,468

Becca! The bus is going!

45

00:04:59,244 —> 00:05:01,041

Uh-oh.

46

00:05:43,122 —> 00:05:46,387

Didn't you just go to sleep?

47

00:05:51,330 —> 00:05:53,025

Let me see.

48

00:05:54,500 —> 00:05:57,492

OK.

49

00:05:57,536 —> 00:06:02,030

Lucy, you look beautiful

this morning.

50

00:06:03,042 —> 00:06:05,602

You look very beautiful.

51

00:06:15,754 —> 00:06:18,723

Look at that, Lucy. Nose.

52

00:06:18,757 —> 00:06:22,090

OK. Yeah, I—

53

00:06:22,127 —> 00:06:24,095

Oopsie.

54

00:07:10,175 —> 00:07:12,473

What the hell are you

doing to that baby?

55

00:07:16,181 —> 00:07:17,876

What's the matter

with the baby, Sam?

56

00:07:17,916 —> 00:07:22,580

Everything

is just so tiny, tiny.

57

00:07:22,621 —> 00:07:25,249

Will you come over here

and help me?

58

00:07:25,290 —> 00:07:28,748

You know I can't do that.

What does her mother say?

59

00:07:28,794 —> 00:07:31,695

Her mother said,

"This isn't my life...

60

00:07:31,730 —> 00:07:34,096

"and I didn't want

a baby with you.

61

00:07:34,133 —> 00:07:36,499

"I just needed

a place to sleep."

62

00:07:36,535 —> 00:07:39,504

What if the baby's sick?

63

00:07:39,538 —> 00:07:42,336

Bring her over here.

64

00:07:42,374 —> 00:07:46,674

Sam, babies need food

every two hours.

65

00:07:51,150 —> 00:07:56,019

Sorry.

I'm sorry, Lucy in the sky.

66

00:07:56,054 —> 00:07:58,215

You know...

67

00:07:58,257 —> 00:08:00,851

critics and fools said that

that song...

68

00:08:00,893 —> 00:08:04,420

had some mysterious meaning,

but John always said...

69

00:08:04,463 —> 00:08:07,728

it came from a picture

his son Julian drew...

70

00:08:07,766 —> 00:08:10,826

of his friend Lucy O'Connell.

71

00:08:12,037 —> 00:08:15,131

So I made a good choice?

72

00:08:15,174 —> 00:08:20,908

You made

an excellent choice, Sam.

73

00:08:20,946 —> 00:08:24,507

Now, what time does

this little diamond wake up?

74

00:08:28,353 —> 00:08:30,150

What time does

this little diamond wake up?

75

00:08:30,189 —> 00:08:32,419

She wakes up all the time.

76

00:08:33,525 —> 00:08:39,486

Let's just assume

she wakes up at 6:00.

77

00:08:39,531 —> 00:08:44,628

Keep your TV on Nickelodeon.

78

00:08:44,670 —> 00:08:46,297

I want you to feed her first...

79

00:08:46,338 —> 00:08:50,274

when "Hogan's Heroes"

comes on.

80

00:08:50,309 —> 00:08:57,215

And then again.

Wait until "I Dream of Jeannie."

81

00:08:57,249 —> 00:09:03,245

And then, feed her

when "I Love Lucy" comes on.

82

00:09:03,288 —> 00:09:05,381

We have to be quiet.

83

00:09:05,424 —> 00:09:08,120

I've seen nothing.

I know nothing!

84

00:09:10,562 —> 00:09:13,588

Such a nice man for an officer.

85

00:09:23,408 —> 00:09:25,205

What are you doing?

86

00:09:25,244 —> 00:09:27,269

I'm just getting Lucy asleep...

87

00:09:27,312 —> 00:09:29,041

and you're making noise

and everything.

88

00:09:29,081 —> 00:09:31,276

-Oh, sorry.

-We're here for video night.

89

00:09:33,185 —> 00:09:37,747

Eight years every Thursday

video night, and you forgot?

90

00:09:37,789 —> 00:09:38,949

I'm sorry.

91

00:09:38,991 —> 00:09:43,951

It's always every first Thursday

of every month...

92

00:09:43,996 —> 00:09:49,400

video night at Sam's house.

And I forgot.

93

00:09:49,434 —> 00:09:51,061

Yeah, and I forgot.

94

00:09:51,103 —> 00:09:54,072

Becca's gone.

"Gone with the Wind."

95

00:09:54,106 —> 00:09:56,131

1939,

directed by Victor Fleming.

96

00:09:56,174 —> 00:09:57,801

That was a very sad movie.

97

00:09:57,843 —> 00:10:02,576

Here we go.

Everything changes now.

98

00:10:02,614 —> 00:10:05,344

Soon you'll forget about

Wednesday night at IHOP...

99

00:10:05,384 —> 00:10:07,852

and then Friday night

at karaoke...

100

00:10:07,886 —> 00:10:11,322

and I got hit by a car today.

101

00:10:11,356 —> 00:10:13,449

You did?

102

00:10:13,492 —> 00:10:16,655

It was probably that guy

from the V.A.

103

00:10:16,695 —> 00:10:20,096

Did you bring

"Kramer vs. Kramer"?

104

00:10:20,132 —> 00:10:25,126

I see what's happening here.

I see.

105

00:10:25,170 —> 00:10:26,660

So this is all my fault now.

106

00:10:26,705 —> 00:10:28,366

Don't tell me you forgot again.

107

00:10:30,309 —> 00:10:33,335

I broke a date with

a daydream to come here.

108

00:10:33,378 —> 00:10:35,346

It's your mother.

109

00:10:35,380 —> 00:10:39,373

Hi, Robert. Hello, boys.

It's me, Estelle.

110

00:10:39,418 —> 00:10:43,081

Ma, I told you.

Video night's over at 9:00.

111

00:10:43,121 —> 00:10:45,112

It's only 6:30.

112

00:10:45,157 —> 00:10:51,926

Well, I guess

I'll just wait downstairs.

113

00:10:51,964 —> 00:10:53,625

Sure there isn't anything

I can get you?

114

00:10:53,665 —> 00:10:56,657

No, Ma. You can wait downstairs.

That's fine.

115

00:10:56,702 —> 00:10:59,227

OK. See you later, Rob.

116

00:10:59,271 —> 00:11:00,966

Bye, Estelle.

117

00:11:02,274 —> 00:11:05,971

What a pretty baby.

Hi, little baby.

118

00:11:06,011 —> 00:11:08,571

-Doesn't she look smart?

-She does.

119

00:11:08,613 —> 00:11:10,376

She looks smart.

120

00:11:10,415 —> 00:11:12,679

That baby looks so darn smart.

121

00:11:12,718 —> 00:11:16,085

It's amazing how smart she is.

122

00:11:16,121 —> 00:11:17,679

She's very smart.

123

00:11:17,723 —> 00:11:21,022

She really does.

I think she's really beautiful.

124

00:11:21,059 —> 00:11:22,924

Of course she looks smart.

125

00:11:22,961 —> 00:11:25,122

She's already reading the paper.

126

00:11:41,913 —> 00:11:44,677

Double Macchiato,

low fat, low foam.

127

00:11:44,716 —> 00:11:46,445

That's a wonderful choice.

128

00:11:50,188 —> 00:11:53,749

Oh, my God!

129

00:11:53,792 —> 00:11:55,191

An ice cube went down—

130

00:11:55,227 —> 00:11:57,058

Thank you. Oh, my God.

131

00:11:57,095 —> 00:11:58,221

Can I get another drink, please?

132

00:11:58,263 —> 00:12:01,892

Iced cappuccino.

That's a wonderful choice.

133

00:12:01,933 —> 00:12:02,957

-Thank you.

-Yeah.

134

00:12:03,001 —> 00:12:05,561

Annie, I can't take her

to work anymore...

135

00:12:05,604 —> 00:12:07,697

because she's too big now.

136

00:12:07,739 —> 00:12:10,230

-Annie.

-That was her first word.

137

00:12:10,275 —> 00:12:12,800

-Annie.

-See?

138

00:12:12,844 —> 00:12:15,972

People worry you're not smart.

139

00:12:17,115 —> 00:12:18,412

Papa.

140

00:12:20,619 —> 00:12:24,055

Yes. Oh, you smell so good.

141

00:12:24,089 —> 00:12:27,650

You can tell a lot about people

by the way they smell.

142

00:12:42,974 —> 00:12:45,670

Daddy, why does the snow flake?

143

00:12:45,710 —> 00:12:48,804

Because snow—

because snow flakes.

144

00:12:48,847 —> 00:12:51,281

Daddy, what is mustard made of?

145

00:12:51,316 —> 00:12:54,479

Because it's yellow ketchup.

146

00:12:54,519 —> 00:12:56,749

Daddy, why are men bald?

147

00:12:56,788 —> 00:12:59,689

Sometimes they're bald

because their head is shiny...

148

00:12:59,724 —> 00:13:01,555

and they don't have hair on it.

149

00:13:01,593 —> 00:13:04,790

So their head

is just more of their face.

150

00:13:04,830 —> 00:13:06,695

Daddy,

are ladybugs only girls...

151

00:13:06,731 —> 00:13:08,358

or are there boys, too?

152

00:13:08,400 —> 00:13:11,028

And if there are,

what are they called?

153

00:13:11,069 —> 00:13:12,832

Yeah, the Beatles.

154

00:13:12,871 —> 00:13:15,965

Daddy, where does the sky end?

155

00:13:16,007 —> 00:13:17,872

Why does the moon

follow me home?

156

00:13:17,909 —> 00:13:19,206

Why is the sun orange?

157

00:13:19,244 —> 00:13:21,644

Where does the hour go

in Daylight Savings?

158

00:13:21,680 —> 00:13:25,207

Daddy, do I look more

like you or Mommy?

159

00:13:28,353 —> 00:13:30,344

Daddy...

160

00:13:31,590 —> 00:13:34,218

Do you think

she'll ever come back?

161

00:13:39,965 —> 00:13:44,925

Paul McCartney lost

his mother when he was little.

162

00:13:44,970 —> 00:13:49,669
And John Lennon lost his mother
when he was little.

163
00:13:49,708 —> 00:13:54,839
Annie says that sometimes
God picks the special people.

164
00:13:54,880 —> 00:13:56,905
That's what Annie says.

165
00:13:59,117 —> 00:14:02,553
Daddy, did God mean for you
to be like this...

166
00:14:02,587 —> 00:14:04,555
or was it an accident?

167
00:14:07,125 —> 00:14:09,821
What do you mean?

168
00:14:09,861 —> 00:14:11,351
I mean you're different.

169

00:14:17,068 —> 00:14:18,865

But what do you mean?

170

00:14:18,904 —> 00:14:21,532

You're not like other daddies.

171

00:14:25,143 —> 00:14:29,045

I'm sorry. I'm sorry.

172

00:14:29,080 —> 00:14:32,277

Yeah, I'm sorry.

173

00:14:32,317 —> 00:14:35,252

It's OK, Daddy.

174

00:14:36,755 —> 00:14:40,088

Don't be sorry. I'm lucky.

175

00:14:40,125 —> 00:14:43,253

Nobody else's daddy

ever comes to the park.

176

00:14:51,303 —> 00:14:56,263

Yeah, we are lucky.

Aren't we lucky?

177

00:14:56,308 —> 00:14:57,707

Rooty Tooty Fresh and Fruity.

178

00:14:57,742 —> 00:15:01,371

Sunnyside up, not too runny.

two sausage links.

179

00:15:01,413 —> 00:15:03,938

French pancakes

instead of buttermilk.

180

00:15:03,982 —> 00:15:06,075

Fruit topping on the side.

181

00:15:06,117 —> 00:15:07,607

The Funny Face special.

182

00:15:07,652 —> 00:15:10,815

I think it's funny when

you say "Funny Face special."

183

00:15:10,855 —> 00:15:13,983

French, not buttermilk.

Fruit topping on the side.

184

00:15:14,025 —> 00:15:15,287

Not on top.

185

00:15:15,327 —> 00:15:17,887

You're getting a funny face.

186

00:15:20,665 —> 00:15:25,693

That's a wonderful choice.

Thank you, Grace.

187

00:15:25,737 —> 00:15:27,898

Thank you

very, very, very, very much.

188

00:15:27,939 —> 00:15:29,065

You got it, Sam.

189

00:15:29,107 —> 00:15:30,597

Is that too big?

190

00:15:30,642 —> 00:15:32,337

I think that's a little too big.

191

00:15:32,377 —> 00:15:35,107

You need a pair of

good, sturdy school shoes.

192

00:15:35,146 —> 00:15:36,272

These are sturdy.

193

00:15:36,314 —> 00:15:38,578

The arches

are very important.

194

00:15:38,617 —> 00:15:40,949

No. Sturdy is boring, Sam.

195

00:15:40,986 —> 00:15:45,616
These shoes light up, OK?

196
00:15:45,657 —> 00:15:50,219
These are really good shoes
for school.

197
00:15:50,262 —> 00:15:51,456
I know. I love them.

198
00:15:51,496 —> 00:15:53,930
I found the most perfect shoes.

199
00:15:53,965 —> 00:15:57,128
They look like the shoes
that Dorothy wore...

200
00:15:57,168 —> 00:15:59,602
played by Judy Garland
in "The Wizard of Oz"...

201
00:15:59,638 —> 00:16:02,698
1939,

directed by Victor Fleming.

202

00:16:02,741 —> 00:16:06,677

These are pink.

These are also Velcro.

203

00:16:06,711 —> 00:16:10,647

They might have

a little arch in there, too.

204

00:16:10,682 —> 00:16:13,378

Sam, these are

probably too big...

205

00:16:13,418 —> 00:16:16,615

but I thought maybe

Lucy would like those.

206

00:16:16,655 —> 00:16:21,319

When we were at the zoo,

she liked the animal prints.

207

00:16:21,359 —> 00:16:23,589

But these are for adults.

208

00:16:23,628 —> 00:16:26,722

But when we went—

I don't know you.

209

00:16:26,765 —> 00:16:27,891

I don't know who you are.

210

00:16:27,932 —> 00:16:29,729

I like these, Daddy.

211

00:16:29,768 —> 00:16:33,534

She knows what she likes.

That's why she likes these.

212

00:16:33,571 —> 00:16:36,131

-Black goes with everything.

-How much are these?

213

00:16:36,174 —> 00:16:38,472

$16.19 with tax.

214

00:16:40,445 —> 00:16:44,006

Because I have $6.25.

215

00:16:44,049 —> 00:16:45,516

That's all you have?

216

00:16:45,550 —> 00:16:48,849

I didn't get my whole check

because I had to go...

217

00:16:48,887 —> 00:16:52,220

to the parent and teacher

meeting this week.

218

00:16:52,257 —> 00:16:55,920

I'm sorry. It's $16.19.

219

00:16:55,960 —> 00:16:59,396

I couldn't go to work

all day that day.

220

00:16:59,431 —> 00:17:02,594

It's OK, Sam, because

I have $3.00 to contribute.

221

00:17:02,634 —> 00:17:06,502

Sam, I've only got

two plus two...

222

00:17:06,538 —> 00:17:12,033

but I need one for stamps,

so 1...2...3.

223

00:17:12,077 —> 00:17:13,908

Joe's got $1.50.

224

00:17:13,945 —> 00:17:18,848

Yeah. So, is that enough?

225

00:17:18,883 —> 00:17:21,408

If there's a God.

I'll count it.

226

00:17:22,454 —> 00:17:24,445

Do we get a balloon with these?

227

00:17:26,624 —> 00:17:30,219

All of us, or just her?

228

00:18:07,165 —> 00:18:09,133

"And I will eat them

here and there.

229

00:18:09,167 —> 00:18:11,567

"I will eat them anywhere."

230

00:18:13,071 —> 00:18:16,666

"I do so like

green eggs and ham.

231

00:18:16,708 —> 00:18:19,074

"Thank you, thank you,

Sam I am."

232

00:18:21,179 —> 00:18:22,874

One more time?

233

00:18:22,914 —> 00:18:24,973

-Yeah.

-OK.

234

00:18:25,016 —> 00:18:28,417

"Green Eggs and Ham"

by Dr. Seuss.

235

00:18:28,453 —> 00:18:30,478

"I will eat them with a mouse.

236

00:18:30,522 —> 00:18:32,490

"And I will eat them

here and there.

237

00:18:32,524 —> 00:18:34,355

"Say, I will

eat them anywhere.

238

00:18:34,392 —> 00:18:37,361

"I do so like

green eggs and ham.

239

00:18:37,395 —> 00:18:39,989
"Thank you, thank you,
Sam I am."

240
00:18:41,332 —> 00:18:43,357
One more time?

241
00:18:43,401 —> 00:18:46,234
Daddy, it's my first day
of school tomorrow.

242
00:18:46,271 —> 00:18:49,729
I don't want to be too sleepy.

243
00:18:52,877 —> 00:18:57,075
Everybody says Bob's Big Boy
has the best hamburgers.

244
00:18:57,115 —> 00:19:00,312
Can we go there Wednesday
instead of IHOP?

245
00:19:00,351 —> 00:19:02,842

But Wednesday is IHOP.

246

00:19:02,887 —> 00:19:05,321

Just one time?

247

00:19:05,356 —> 00:19:08,154

Yeah, but Wednesday is IHOP.

248

00:19:12,330 —> 00:19:15,527

Can I read just the beginning?

249

00:19:15,567 —> 00:19:18,536

Just the beginning.

250

00:19:18,570 —> 00:19:21,562

"Green Eggs and Ham"

by Dr. Seuss.

251

00:19:24,375 —> 00:19:26,843

There are four stages

of a butterfly's life.

252

00:19:26,878 —> 00:19:32,282
The first three stages are
from egg to larva to cocoon.

253
00:19:32,317 —> 00:19:36,686
Last...

254
00:19:36,721 —> 00:19:40,316
They're hard to remember
because there's so many stages.

255
00:19:40,358 —> 00:19:42,826
It's hard to remember.

256
00:19:42,861 —> 00:19:45,921
33 days. It lasts 33 days.

257
00:19:45,964 —> 00:19:50,401
Spiders and insects
are members of the ants—

258
00:19:50,435 —> 00:19:52,699
ants—anthro—

259

00:19:52,737 —> 00:19:56,104

Conner. Anthropod class.

260

00:19:56,140 —> 00:19:58,233

Anthropod class.

261

00:19:58,276 —> 00:20:02,440

However, spiders and insects

are very different.

262

00:20:02,480 —> 00:20:05,643

-Spiders have six legs—

-Eight legs.

263

00:20:05,683 —> 00:20:09,744

Eight legs and two body parts,

and they're called...

264

00:20:09,787 —> 00:20:12,449

Conner. What are you doing?

You know this stuff.

265

00:20:12,490 —> 00:20:13,787

-No, I don't.

-You do know it.

266

00:20:13,825 —> 00:20:16,259

You wrote that part,

remember?

267

00:20:16,294 —> 00:20:19,388

I wanted to do potato bugs

anyway. Oh, forget it.

268

00:20:19,430 —> 00:20:22,558

I think he can make

that boy feel better.

269

00:20:23,968 —> 00:20:25,959

Sorry, Mr. Egg.

270

00:20:26,004 —> 00:20:27,699

What's wrong with your father?

271

00:20:27,739 —> 00:20:29,730

Why's he acts like a retard?

272

00:20:29,774 —> 00:20:31,435

He is.

273

00:20:31,476 —> 00:20:34,070

-Are you?

-No.

274

00:20:34,112 —> 00:20:36,171

-Are you sure?

-Yeah.

275

00:20:36,214 —> 00:20:37,203

How do you know?

276

00:20:37,248 —> 00:20:38,545

He told me.

277

00:20:38,583 —> 00:20:39,948

He's a retard.

278

00:20:39,984 —> 00:20:42,214

Well, it takes one to know one.

279

00:20:42,253 —> 00:20:46,417

It's wonderful to have you

for company tonight.

280

00:20:46,457 —> 00:20:49,756

Isn't it wonderful to have

Conner for company, Lucy?

281

00:20:51,062 —> 00:20:54,520

Yeah. "Sorry, Mr. Egg."

282

00:20:57,368 —> 00:21:01,031

"They per..."

283

00:21:03,074 —> 00:21:06,703

"They perched in...

284

00:21:06,744 —> 00:21:08,905

"Si—

285

00:21:08,947 —> 00:21:10,380

silen—"

286

00:21:12,584 —> 00:21:14,609

Silence.

287

00:21:14,652 —> 00:21:17,450

Yeah. Silence.

288

00:21:17,488 —> 00:21:22,425

"They perched in silence

for a long time."

289

00:21:22,460 —> 00:21:26,556

Your teacher gave you

a really hard book this time.

290

00:21:26,598 —> 00:21:29,192

That's really

a hard book to read.

291

00:21:29,233 —> 00:21:34,899
"How can we be so..."

292
00:21:37,041 —> 00:21:39,805
Differ—

293
00:21:39,844 —> 00:21:41,004
Different.

294
00:21:41,045 —> 00:21:43,980
Oh, yeah. OK.

295
00:21:44,015 —> 00:21:50,944
"How can we be so different
and feel so much alike?"

296
00:21:50,989 —> 00:21:52,479
I don't like that book.

297
00:21:52,523 —> 00:21:55,014
Let's read
"Green Eggs and Ham."

298

00:21:55,059 —> 00:21:58,688

Yeah! OK.

299

00:21:58,730 —> 00:22:02,097

"Green Eggs and Ham"

by Dr. Seuss.

300

00:22:04,369 —> 00:22:09,068

"Green Eggs and Ham"

by Dr. Seuss.

301

00:22:09,107 —> 00:22:11,302

"I am Sam."

302

00:22:17,682 —> 00:22:20,207

Hey, you.

303

00:22:20,251 —> 00:22:22,719

Hey, handsome.

304

00:22:26,391 —> 00:22:29,952

"Premature baby

claims he's Cupid.

305

00:22:29,994 —> 00:22:33,657

"Has arrow to prove it."

You believe that?

306

00:22:33,698 —> 00:22:38,158

But if he has the arrow,

that's the only thing.

307

00:22:38,202 —> 00:22:40,602

You got a good point.

308

00:22:40,638 —> 00:22:44,904

This is the International

House of Pancakes quiz.

309

00:22:44,942 —> 00:22:47,877

And Lucy found the word "beet."

310

00:22:47,912 —> 00:22:51,814

I want to surprise her

and find the word "carrot"...

311

00:22:51,849 —> 00:22:53,248

but it's hiding.

312

00:22:53,284 —> 00:22:55,184

Carrot!

313

00:22:55,219 —> 00:22:58,211

-Where?

-C-a-r-r—carrot.

314

00:22:58,256 —> 00:23:01,020

Carrot. It's right there.

315

00:23:02,260 —> 00:23:06,253

And you're smart.

You would be a good mother.

316

00:23:07,999 —> 00:23:10,433

Do you tell good stories?

317

00:23:10,468 —> 00:23:13,460

-I got stories up the wazoo.

-Really?

318

00:23:13,504 —> 00:23:14,630

You come with me and relax...

319

00:23:14,672 —> 00:23:17,072

and I'll tell you

some nice stories.

320

00:23:17,108 —> 00:23:20,407

Lily, what did I tell you

about selling on my beat?

321

00:23:20,445 —> 00:23:23,608

Put it down on the table.

322

00:23:23,648 —> 00:23:26,446

It's the International

House of Pancakes quiz.

323

00:23:26,484 —> 00:23:27,815

Put your hands behind your head.

324

00:23:27,852 —> 00:23:28,944

What did I—

325

00:23:28,986 —> 00:23:30,544

Do you have any weapons on you?

326

00:23:33,357 —> 00:23:36,451

He touched me

on my private place.

327

00:23:38,362 —> 00:23:42,992

At such a time as this,

Annie's the boss.

328

00:23:43,034 —> 00:23:45,867

First time in 19 years

I actually believe a guy...

329

00:23:45,903 —> 00:23:47,632

when he says he didn't know

she was a hooker.

330

00:23:47,672 —> 00:23:49,503

You say that like

it's a good thing.

331

00:23:49,540 —> 00:23:51,667

Did you brush your teeth?

332

00:23:51,709 —> 00:23:54,701

They don't sound

like they were brushed.

333

00:23:56,180 —> 00:23:59,411

She forgot to brush her teeth.

334

00:23:59,450 —> 00:24:01,475

Let him go.

335

00:24:01,519 —> 00:24:03,646

Says he never spent

the night away from his kid.

336

00:24:06,557 —> 00:24:11,051

Trouble. Oh, boy,

I'm really in trouble.

337

00:24:14,332 —> 00:24:16,994

Are you in trouble, too?

338

00:24:20,071 —> 00:24:22,232

Are you in trouble, too?

339

00:24:22,273 —> 00:24:25,003

Yeah, I'm in trouble, too.

340

00:24:27,278 —> 00:24:32,113

It gives us great insight

into what she must be feeling.

341

00:24:32,150 —> 00:24:34,482

Mr. Dawson,

it's becoming clear...

342

00:24:34,519 —> 00:24:37,977

that she's holding herself

back in the classroom.

343

00:24:38,022 —> 00:24:41,549

It's as if she's literally

afraid to learn.

344

00:24:41,592 —> 00:24:44,720

No one doubts

that you love your daughter.

345

00:24:46,564 —> 00:24:49,590

But the Department

of Child and Family Services...

346

00:24:49,634 —> 00:24:51,158

contacted us.

347

00:24:51,202 —> 00:24:53,329

They shared with us

that your records show...

348

00:24:53,371 —> 00:24:56,306

that your

intellectual capacity...

349

00:24:56,340 —> 00:24:58,740

is around that of a 7-year-old.

350

00:25:01,846 —> 00:25:06,215

Our concern is what happens

when Lucy turns 8.

351

00:25:08,019 —> 00:25:11,011

Mr. Dawson,

do you understand...

352

00:25:11,055 —> 00:25:13,319

what Ms. Wright is trying

to tell you about Lucy?

353

00:25:26,204 —> 00:25:29,605

John wanted to try new things.

354

00:25:31,342 —> 00:25:35,438

And it wasn't Yoko's fault.

355

00:25:35,479 —> 00:25:38,243
No, it wasn't Yoko's fault.

356
00:25:39,350 —> 00:25:44,117
Annie says you can hear it
on The White Album.

357
00:25:49,360 —> 00:25:52,227
Because John wanted
to try new things.

358
00:25:58,569 —> 00:26:05,475
"They perched in silence.
How can we be so diff—"

359
00:26:05,509 —> 00:26:10,845
Diff...diff—
I don't know that word.

360
00:26:15,086 —> 00:26:19,284
Yes, you do. That's the word
that starts with a "D."

361

00:26:19,323 —> 00:26:21,883
I'm tired.

362
00:26:21,926 —> 00:26:24,224
I don't believe you.

363
00:26:24,262 —> 00:26:27,493
Are you calling me a liar?

364
00:26:27,531 —> 00:26:31,228
Yes. I think
you have to read the word.

365
00:26:31,269 —> 00:26:32,930
No.

366
00:26:32,970 —> 00:26:34,369
Yeah, you have to read
that word.

367
00:26:34,405 —> 00:26:35,565
No.

368

00:26:35,606 —> 00:26:37,233

Yeah. Here it is.

369

00:26:37,275 —> 00:26:40,073

There's the picture

where they're all perched.

370

00:26:40,111 —> 00:26:42,238

-Now read the word.

-No!

371

00:26:45,616 —> 00:26:47,777

I won't read the word!

372

00:26:47,818 —> 00:26:50,412

I'm your father...

373

00:26:50,454 —> 00:26:53,753

and I'm telling you

to read the word.

374

00:26:53,791 —> 00:26:57,955

I can tell you to

because I'm your father.

375

00:26:57,995 —> 00:27:00,589

I'm stupid.

376

00:27:00,631 —> 00:27:03,828

-You are not stupid.

-Yes, I am.

377

00:27:03,868 —> 00:27:08,066

You are not stupid,

because you can read that word.

378

00:27:09,740 —> 00:27:12,368

I don't want to read it

if you can't.

379

00:27:16,881 —> 00:27:19,975

No, because it makes me happy.

380

00:27:20,017 —> 00:27:22,884

It makes me happy

hearing you read.

381
00:27:27,091 —> 00:27:33,758
Yeah. It makes me happy
when you're reading.

382
00:27:36,200 —> 00:27:41,502
"They perched in silence
for a long time.

383
00:27:41,539 —> 00:27:44,030
'How can we be so different...

384
00:27:44,075 —> 00:27:46,703
and feel so much alike?'
mused Flitter.

385
00:27:46,744 —> 00:27:48,735
'How can we feel
so different...

386
00:27:48,779 —> 00:27:51,373
and be so much alike?'

wondered Pip.

387

00:27:51,415 —> 00:27:53,781

'I think

this is quite a mystery."'

388

00:27:55,553 —> 00:27:57,350

Keep going.

389

00:27:57,388 —> 00:27:59,913

They have Oreo

ice cream mud pie.

390

00:27:59,957 —> 00:28:01,424

This is so great.

391

00:28:01,459 —> 00:28:03,950

Yeah, this is so great.

392

00:28:05,830 —> 00:28:07,798

And the menu says...

393

00:28:07,832 —> 00:28:11,199
you can have your
favorite breakfast all day.

394
00:28:11,235 —> 00:28:13,669
That's so great, too, you know.

395
00:28:13,704 —> 00:28:16,969
Because you wanted
to come to a new place...

396
00:28:17,008 —> 00:28:20,739
so we came
to a different place.

397
00:28:24,315 —> 00:28:26,943
Hey, guys.
Can I get you coffee?

398
00:28:29,153 —> 00:28:31,519
No, I don't drink coffee.

399
00:28:31,555 —> 00:28:34,922

OK. What can I get you guys?

400

00:28:34,959 —> 00:28:37,757

I'd like the Super Big Boy

with a root beer float, please.

401

00:28:37,795 —> 00:28:40,263

OK. What about you?

402

00:28:40,297 —> 00:28:49,535

I would like to have

two eggs, sunnyside up.

403

00:28:49,573 —> 00:28:51,973

But not runny, OK?

404

00:28:52,009 —> 00:28:53,203

Not runny.

405

00:28:53,244 —> 00:28:56,179

And then I would like

to have French pancakes...

406

00:28:56,213 —> 00:28:58,909

with the fruit topping

on the side.

407

00:28:58,949 —> 00:29:02,385

We don't have French pancakes.

408

00:29:02,420 —> 00:29:03,409

We have French toast.

409

00:29:03,454 —> 00:29:04,819

No, I don't want French toast.

410

00:29:04,855 —> 00:29:07,483

I want French pancakes,

like at IHOP.

411

00:29:07,525 —> 00:29:11,552

Just the same kind

like they have at IHOP.

412

00:29:11,595 —> 00:29:13,927

That's what my favorite

breakfast is, OK?

413

00:29:13,964 —> 00:29:15,431

They're those thin pancakes.

414

00:29:15,466 —> 00:29:18,196

The crepe pancakes?

415

00:29:18,235 —> 00:29:19,532

I don't even want crepes.

416

00:29:19,570 —> 00:29:21,629

I want to have

French pancakes...

417

00:29:21,672 —> 00:29:23,299

with the fruit topping

on the side.

418

00:29:23,340 —> 00:29:26,605

That's what

I want to have, please.

419

00:29:26,644 —> 00:29:27,702

Thank you.

420

00:29:27,745 —> 00:29:30,339

We don't have that, though, sir.

421

00:29:30,381 —> 00:29:32,611

Do you want

regular pancakes and jam—

422

00:29:32,650 —> 00:29:35,813

I don't want something else!

Why did you ask me that?

423

00:29:35,853 —> 00:29:38,413

I'll see.

Maybe they have something—

424

00:29:38,456 —> 00:29:41,448

-Yeah, ask Bob!

-OK.

425

00:29:41,492 —> 00:29:43,483

Ask Bob's Big Boy.

426

00:29:43,527 —> 00:29:45,825

Because the customer's

always right.

427

00:29:45,863 —> 00:29:47,558

I understand that—

428

00:29:47,598 —> 00:29:50,032

The customer's always right.

429

00:30:43,120 —> 00:30:46,351

Because when Lucy comes

through the door...

430

00:30:46,390 —> 00:30:48,881

everybody says, "surprise!"

431

00:30:48,926 —> 00:30:51,486

You gotta stop bouncing

for a second.

432

00:30:51,529 —> 00:30:53,759

You'll say, "surprise!"

433

00:30:53,797 —> 00:30:55,094

Can we keep bouncing?

434

00:30:55,132 —> 00:30:57,623

You'll have to come down.

435

00:30:57,668 —> 00:31:01,297

After Lucy gets here

and we say, "surprise."

436

00:31:01,338 —> 00:31:03,932

So you have to assume

surprise position.

437

00:31:03,974 —> 00:31:06,772

Should we rehearse it

one more time?

438

00:31:08,679 —> 00:31:11,409

Assume the surprise position.

439

00:31:11,448 —> 00:31:13,939

Annie was supposed to warn us.

440

00:31:13,984 —> 00:31:16,009

Brad, hit the light.

441

00:31:18,455 —> 00:31:20,946

Surprise!

442

00:31:20,991 —> 00:31:22,652

It's not her.

443

00:31:22,693 —> 00:31:24,684

Hi. I don't know

if you remember me.

444

00:31:24,728 —> 00:31:26,753

I'm Margaret Calgrove...

445

00:31:26,797 —> 00:31:29,129

Department of

Child and Family Services.

446

00:31:29,166 —> 00:31:31,100

We met at the police station.

447

00:31:31,135 —> 00:31:32,602

Put the present there.

448

00:31:32,636 —> 00:31:34,729

You have to hurry,

because Lucy's coming.

449

00:31:34,772 —> 00:31:36,239

Come on, hide with us.

450

00:31:36,273 —> 00:31:37,900

Come on, over here.

451

00:31:43,080 —> 00:31:45,810

Annie said Lucy's coming up

the stairs right now.

452
00:31:45,849 —> 00:31:48,750
So you have to assume
the surprise position.

453
00:31:48,786 —> 00:31:50,117
I bet she already knows.

454
00:31:50,154 —> 00:31:52,952
Why are you being
a party pooper?

455
00:31:52,990 —> 00:31:54,457
She's coming now.

456
00:31:54,491 —> 00:31:56,482
You have to assume
the surprise position.

457
00:31:56,527 —> 00:31:59,257
Don't touch me.
I've got cooties!

458

00:31:59,296 —> 00:32:00,627

It's contagious!

459

00:32:00,664 —> 00:32:03,497

Hey, what are you doing?

Get your hands off him.

460

00:32:03,534 —> 00:32:04,501

What are you doing

touching my kid?

461

00:32:04,535 —> 00:32:07,265

-Surprise!

-Leave him alone!

462

00:32:07,304 —> 00:32:10,068

Happy birthday.

463

00:32:10,107 —> 00:32:11,472

Daddy?

464

00:32:11,508 —> 00:32:12,736
You don't
have to call him Daddy.

465
00:32:12,776 —> 00:32:15,176
She said you're not
her real father anyway.

466
00:32:15,212 —> 00:32:17,772
She said she was adopted.

467
00:32:25,389 —> 00:32:27,414
Lucy!

468
00:32:27,458 —> 00:32:29,085
Given the fact
that the father...

469
00:32:29,126 —> 00:32:31,356
was arrested
for solicitation...

470
00:32:31,395 —> 00:32:33,158

couldn't control

his emotions...

471

00:32:33,197 —> 00:32:35,324

endangering other children.

472

00:32:35,366 —> 00:32:39,962

No, you can't!

It's her birthday!

473

00:32:40,004 —> 00:32:42,234

Ms. Calgrove also cites...

474

00:32:42,273 —> 00:32:45,265

Mr. Dawson's mental delays

which raise serious questions...

475

00:32:45,309 —> 00:32:47,675

about his ability

to properly parent.

476

00:32:47,711 —> 00:32:49,440

Run!

477

00:32:49,480 —> 00:32:51,175

I find at this time...

478

00:32:51,215 —> 00:32:53,877

it's not in the best interest of

the child to remain in the home.

479

00:32:53,917 —> 00:32:55,578

And I order her detained...

480

00:32:55,619 —> 00:32:59,077

until a formal

jurisdictional hearing.

481

00:32:59,123 —> 00:33:01,614

Mr. Dawson.

482

00:33:01,659 —> 00:33:04,423

Is there anything

you'd like to add?

483

00:33:04,461 —> 00:33:11,162
I wanted to make it
a really special surprise party.

484
00:33:11,201 —> 00:33:15,035
So I went, and I got plates
at the Pic 'n' Save...

485
00:33:15,072 —> 00:33:20,203
in yellow and in pink—
Like a princess.

486
00:33:20,244 —> 00:33:22,735
And then I went
to the toy store...

487
00:33:22,780 —> 00:33:26,045
and I got balloons
with the helium in them.

488
00:33:26,083 —> 00:33:27,311
-Mr. Dawson?
-Yeah.

489

00:33:27,351 —> 00:33:31,754

It sounds like you gave her

such a lovely party.

490

00:33:31,789 —> 00:33:33,552

Yes, I'm sure it was.

491

00:33:33,590 —> 00:33:37,993

Right now, I want to talk to you

about your legal rights.

492

00:33:38,028 —> 00:33:39,859

OK. There's room

at this table...

493

00:33:39,897 —> 00:33:43,264

if anybody wants

to sit next to me.

494

00:33:43,300 —> 00:33:45,165

I just want to talk to you

about your legal rights...

495

00:33:45,202 —> 00:33:49,298

so if you have not already

retained legal counsel...

496

00:33:49,340 —> 00:33:51,638

the court will appoint

someone for you...

497

00:33:51,675 —> 00:33:55,907

to present your case

on January 5. OK?

498

00:33:58,882 —> 00:34:00,679

That's a month from now...

499

00:34:00,718 —> 00:34:04,279

so I come back here

in one month with Lucy.

500

00:34:04,321 —> 00:34:08,849

No, Mr. Dawson. You will have

monitored visits...

501

00:34:08,892 —> 00:34:13,556

two times a week

for two hours.

502

00:34:13,597 —> 00:34:17,055

And now we're moving on

to 4-D, Parker—

503

00:34:17,101 —> 00:34:19,729

What do you mean?

504

00:34:19,770 —> 00:34:25,231

You will see Lucy

two times a week for two hours.

505

00:34:25,275 —> 00:34:28,608

Why isn't Lucy

going home with me?

506

00:34:28,645 —> 00:34:32,911

I want her to go home with me.

507

00:34:32,950 —> 00:34:35,817
Not today.
Thank you, Mr. Dawson.

508
00:34:35,853 —> 00:34:39,812
4-D. Parker vs. Van Wert.
Thank you.

509
00:34:39,857 —> 00:34:42,724
Of course the judge
picked the lawyer.

510
00:34:42,760 —> 00:34:46,252
For God's sake,
put it together.

511
00:34:46,296 —> 00:34:48,025
She's the one who took
Lucy away from you...

512
00:34:48,065 —> 00:34:50,397
so it's time that
you get your own lawyer now.

513

00:34:50,434 —> 00:34:52,334

You guys think I'm guilty?

514

00:34:52,369 —> 00:34:54,837

-No, Sam.

-You didn't kill anybody.

515

00:34:54,872 —> 00:34:56,601

I miss Lucy, Sam.

516

00:34:56,640 —> 00:34:58,335

Me, too.

517

00:34:58,375 —> 00:35:00,002

You need

a personal injury lawyer...

518

00:35:00,043 —> 00:35:02,807

because you have been

personally injured.

519

00:35:02,846 —> 00:35:06,646

When Dustin Hoffman
was trying to keep Billy...

520
00:35:06,683 —> 00:35:08,651
from going back
to Meryl Streep...

521
00:35:08,685 —> 00:35:11,119
his lawyer told him that
it would cost him $15,000...

522
00:35:11,155 —> 00:35:12,554
and that's if we win.

523
00:35:12,589 —> 00:35:15,649
-$15,000!
-And that's if we win.

524
00:35:15,692 —> 00:35:18,354
Don't worry about money, Sam.

525
00:35:18,395 —> 00:35:23,230
Get the best. Century City.

Here. Look at that.

526

00:35:23,267 —> 00:35:24,894

Let me show you

what it looks like.

527

00:35:24,935 —> 00:35:27,768

Rothman, Glenn,

Harrison, and Williams.

528

00:35:29,973 —> 00:35:32,999

This is one of the best ads

I've seen in the Yellow Pages.

529

00:35:33,043 —> 00:35:34,271

So maybe we're going to win.

530

00:35:34,311 —> 00:35:38,441

-We're gonna win.

-One of the best ads I've seen.

531

00:35:38,482 —> 00:35:40,609

With Rothman and Glenn

and Harrison and Williams...

532

00:35:40,651 —> 00:35:42,448

we're gonna win.

533

00:35:46,156 —> 00:35:48,750

Did Fred Kimble call?

I'm already 20 minutes late.

534

00:35:48,792 —> 00:35:51,522

What did Michelle Kresge say?

Was she defensive?

535

00:35:51,562 —> 00:35:52,961

That's ridiculous.

536

00:35:52,996 —> 00:35:54,691

What happened with my car?

Because it wasn't my fault.

537

00:35:54,731 —> 00:35:56,995

Oh, I know.

538

00:35:58,869 —> 00:36:00,962

This is Mr. Dawson.

539

00:36:01,004 —> 00:36:03,837

There was some confusion

with the temp last week—

540

00:36:03,874 —> 00:36:05,273

How do you do? I'm Sam.

541

00:36:05,309 —> 00:36:07,277

Mr. Dawson. It's a pleasure.

542

00:36:07,311 —> 00:36:09,779

Since somebody made a mistake...

543

00:36:09,813 —> 00:36:11,576

unfortunately

we only have a little time.

544

00:36:11,615 —> 00:36:14,015

Hold my calls

unless it's my kid.

545
00:36:15,219 —> 00:36:17,187
That's a wonderful choice.

546
00:36:18,388 —> 00:36:21,186
Can we get you something
to drink?

547
00:36:21,225 —> 00:36:22,852
Is it for free?

548
00:36:26,763 —> 00:36:30,164
-My treat.
-OK. Thank you.

549
00:36:30,200 —> 00:36:32,668
Yeah, I would like
a glass of milk.

550
00:36:32,703 —> 00:36:35,399
Did you get that, Patricia?

551

00:36:35,439 —> 00:36:37,430

Yes.

552

00:36:38,742 —> 00:36:41,677

And Lucy

had an ice cream cake...

553

00:36:41,712 —> 00:36:45,307

with pink flowers—

not white—

554

00:36:45,349 —> 00:36:48,750

and she likes

cherry vanilla because—

555

00:36:48,785 —> 00:36:50,946

If that's Jake Hiller,

put him through.

556

00:36:50,988 —> 00:36:54,515

Jake, no.

557

00:36:54,558 —> 00:36:56,082

So I got cherry—

558

00:36:56,126 —> 00:36:58,594

-Your son's on line two.

-Did you get that?

559

00:36:58,629 —> 00:37:00,119

Tell him to hold

for just one second.

560

00:37:00,163 —> 00:37:01,721

I have to go. The what?

561

00:37:01,765 —> 00:37:04,233

...melted together as orange.

562

00:37:04,268 —> 00:37:06,793

No. Have a nice weekend.

563

00:37:06,837 —> 00:37:09,738

And Brad wanted

a princess on top...

564

00:37:09,773 —> 00:37:12,606

with little pink shoes.

565

00:37:12,643 —> 00:37:14,042

I think there's a—

566

00:37:14,077 —> 00:37:15,738

I think your son's on line two.

567

00:37:15,779 —> 00:37:19,078

Oh, my God. Willy?

568

00:37:19,116 —> 00:37:21,107

Patricia, get Willy back.

569

00:37:21,151 —> 00:37:23,415

Well, keep trying.

570

00:37:23,453 —> 00:37:27,913

Mr. Dawson, quite bluntly,

you can't afford to hire me.

571

00:37:27,958 —> 00:37:32,986

Yeah, because I make

$8.00 an hour at Starbucks.

572

00:37:33,030 —> 00:37:35,726

Per hour. It's an hourly rate.

573

00:37:35,766 —> 00:37:37,495

I could pay you per hour.

574

00:37:37,534 —> 00:37:39,229

Mr. Dawson, I'm sorry,

but I have—

575

00:37:39,269 —> 00:37:43,831

I have to be in court in

eight minutes with the Kresges.

576

00:37:43,874 —> 00:37:47,901

But good luck to you.

Don't give up.

577

00:37:47,945 —> 00:37:50,880

I'm not giving up.

Where am I going?

578

00:37:50,914 —> 00:37:52,313

I can show you out.

579

00:37:55,218 —> 00:37:57,118

Patricia, where are my keys?

580

00:37:57,154 —> 00:38:00,021

This is her

on her first birthday.

581

00:38:00,057 —> 00:38:03,390

December 6.

That's her birthday.

582

00:38:03,427 —> 00:38:05,793

And this is Lucy two years old.

583

00:38:05,829 —> 00:38:09,959

This is Lucy seven years old
on her birthday...

584
00:38:10,000 —> 00:38:12,332
the day they took her away.

585
00:38:12,369 —> 00:38:13,336
Your son's on line two.

586
00:38:13,370 —> 00:38:16,032
Willy, hi.

587
00:38:16,073 —> 00:38:18,974
Jackson told Wyatt he wasn't
my best friend anymore.

588
00:38:19,009 —> 00:38:21,307
Could we possibly talk
about this when I get home?

589
00:38:21,345 —> 00:38:26,373
Willy? Come on, you're
not gonna talk to me now?

590

00:38:26,416 —> 00:38:30,716

I bought a bag of your favorite

lemonade jellybeans.

591

00:38:47,471 —> 00:38:48,870

God!

592

00:38:48,905 —> 00:38:51,499

I hate that stupid coffee table.

593

00:38:51,541 —> 00:38:53,975

How many times, Patricia,

have I told you...

594

00:38:54,011 —> 00:38:56,241

to get rid of

that crappy coffee table?

595

00:39:03,053 —> 00:39:05,351

It's OK.

596

00:39:15,532 —> 00:39:20,560
You have a son, Rita Rothman
Glenn Harrison Williams.

597
00:39:20,604 —> 00:39:24,472
If they took him
away from you...

598
00:39:24,508 —> 00:39:26,442
would you do what
Robert said and got...

599
00:39:26,476 —> 00:39:30,708
the fastest-talking,
four-name lawyer you could?

600
00:39:33,350 —> 00:39:36,717
I may know someone who handles
these kinds of cases.

601
00:39:36,753 —> 00:39:40,621
I'll see if she can help you.
Leave your number with Patricia.

602

00:39:40,657 —> 00:39:42,591

Your therapist

is on line one.

603

00:39:42,626 —> 00:39:44,856

Tell him you can't find me.

604

00:39:47,964 —> 00:39:51,593

I'm gonna leave my number

with you, OK?

605

00:39:55,772 —> 00:40:01,733

I'm ready to make coffee.

Decaf nonfat latte.

606

00:40:01,778 —> 00:40:06,806

It's coffee up to here,

nonfat milk up to here...

607

00:40:06,850 —> 00:40:11,787

and chocolate

or cinnamon sprinkles.

608

00:40:11,822 —> 00:40:13,380

That's pretty good, Sam.

I'll think about it.

609

00:40:13,423 —> 00:40:15,914

We'll come up with a promotion

that's good for you.

610

00:40:20,330 —> 00:40:22,890

But I know what that means.

611

00:40:22,933 —> 00:40:28,166

When I worked as a janitor

at the La Reina Theater...

612

00:40:28,205 —> 00:40:32,073

I asked Mr. Jenkins

if I could be a ticket-taker...

613

00:40:32,109 —> 00:40:34,942

and he said

he would think about it.

614

00:40:34,978 —> 00:40:39,108

And Jimmy Peters got the job.

615

00:40:39,149 —> 00:40:42,118

And he let his friends

in for free.

616

00:40:42,152 —> 00:40:43,949

I promise you, Sam.

617

00:40:43,987 —> 00:40:45,147

We'll come up

with something for you.

618

00:40:45,188 —> 00:40:46,985

You have my word.

619

00:40:47,023 —> 00:40:49,287

Word, words, words.

I need more than that.

620

00:40:49,326 —> 00:40:52,318

I need to make coffee.

621

00:40:52,362 —> 00:40:55,229

I need to pay my lawyer.

622

00:40:56,800 —> 00:40:59,598

I am celebrating

congratulations to us.

623

00:40:59,636 —> 00:41:02,833

These are the moments.

Good night.

624

00:41:10,380 —> 00:41:14,146

By any chance,

did you call your friend?

625

00:41:14,184 —> 00:41:17,278

The one

that does this kind of work?

626

00:41:19,322 —> 00:41:22,450

I don't have her number anymore.

627

00:41:22,492 —> 00:41:25,017

We lost touch.

628

00:41:25,061 —> 00:41:27,723

Yeah, that happens.

629

00:41:27,764 —> 00:41:29,755

If you get

back in touch with her...

630

00:41:29,800 —> 00:41:33,292

and you find her number,

will you call me?

631

00:41:33,336 —> 00:41:35,270

I'm just in the middle of—

632

00:41:35,305 —> 00:41:37,205

It's a special—

633

00:41:37,240 —> 00:41:38,332

Yeah, I'll call you.

634
00:41:38,375 —> 00:41:41,469
OK. Yeah.

635
00:41:41,511 —> 00:41:42,637
Is that the new janitor?

636
00:41:42,679 —> 00:41:46,479
Oh, it's a...

637
00:41:46,516 —> 00:41:48,313
a case I'm helping out with...

638
00:41:48,351 —> 00:41:50,285
sort of a pro bono thing.

639
00:41:52,389 —> 00:41:53,686
What's that supposed to mean?

640
00:41:53,723 —> 00:41:57,853
Cracker went down

the wrong pipe.

641

00:41:57,894 —> 00:42:00,021

You think I don't do pro bono?

642

00:42:00,063 —> 00:42:02,793

Have another glass, please.

On me.

643

00:42:02,833 —> 00:42:06,132

No, on you. It's pro bono.

644

00:42:06,169 —> 00:42:08,103

I do pro bono.

645

00:42:08,138 —> 00:42:10,504

I know. You go, girl.

646

00:42:10,540 —> 00:42:13,168

You just spread that love.

Spread it all around.

647

00:42:23,787 —> 00:42:27,780
Stop. Driver, stop the bus.

648
00:42:27,824 —> 00:42:29,951
Stop the bus.

649
00:42:39,236 —> 00:42:42,797
Wait for me. I got it.

650
00:42:42,839 —> 00:42:45,808
Lucy, he's an hour
and 45 minutes late.

651
00:42:45,842 —> 00:42:48,333
You'll only have
a few minutes left.

652
00:42:48,378 —> 00:42:51,973
You can leave if you want.

653
00:42:52,015 —> 00:42:54,210
-Lucy!
-Daddy?

654

00:42:54,251 —> 00:42:56,344

I'm here. I'm here.

655

00:42:56,386 —> 00:42:58,513

It's Daddy. I told you!

656

00:42:58,555 —> 00:42:59,647

Oh, shoot!

657

00:42:59,689 —> 00:43:02,283

I spilled it all. Hi.

658

00:43:04,661 —> 00:43:06,891

And guess her name is.

659

00:43:06,930 —> 00:43:09,626

Her name is Rita Harrison.

660

00:43:09,666 —> 00:43:11,998

Lovely Rita Meter Maid?

661

00:43:12,035 —> 00:43:15,766

Yeah, and Harrison like George.

662

00:43:23,613 —> 00:43:25,274

Is she going to help us?

663

00:43:25,315 —> 00:43:29,376

She can't help us...

664

00:43:29,419 —> 00:43:31,979

but if she ever finds

her friend's number...

665

00:43:32,022 —> 00:43:37,483

who does this kind of cases,

she's gonna call me.

666

00:43:40,797 —> 00:43:43,493

You've grown.

667

00:43:43,533 —> 00:43:44,966

Have I?

668

00:43:45,001 —> 00:43:47,469

Yeah. Because your ears

are bigger...

669

00:43:47,504 —> 00:43:49,495

and your eyes are older.

670

00:43:55,879 —> 00:44:00,339

Guess what I'm gonna get

when I get my next paycheck?

671

00:44:00,383 —> 00:44:02,681

I'm gonna get

an answering machine...

672

00:44:02,719 —> 00:44:05,552

because then you can call

and leave a message.

673

00:44:05,588 —> 00:44:09,388

You can say,

"Hi. This is Lucy."

674

00:44:09,426 —> 00:44:11,360

We can't afford

an answering machine.

675

00:44:11,394 —> 00:44:14,522

Yeah, because

I'm gonna get a big promotion...

676

00:44:14,564 —> 00:44:17,294

a promotion that's big.

677

00:44:17,334 —> 00:44:19,461

They'll let you make coffee?

678

00:44:19,502 —> 00:44:24,303

Always set

your dreams high, Lucy.

679

00:44:26,776 —> 00:44:29,040

I'm sorry, Daddy.

680

00:44:29,079 —> 00:44:30,842
It was all my fault.

681
00:44:30,880 —> 00:44:34,611
Don't say that.

682
00:44:34,651 —> 00:44:37,347
It was not all your fault,
so don't say that.

683
00:44:38,355 —> 00:44:41,153
I wouldn't want
any daddy but you.

684
00:44:47,497 —> 00:44:49,624
Did you hear that?

685
00:44:49,666 —> 00:44:52,100
I said I was sorry!

686
00:44:52,135 —> 00:44:54,729
I said I didn't want
any daddy but him.

687

00:44:54,771 —> 00:44:57,433

Why don't you write that down?

688

00:44:59,576 —> 00:45:03,706

Let me make sure

that I'm clear here.

689

00:45:03,747 —> 00:45:05,874

Are you telling me

neither of you...

690

00:45:05,915 —> 00:45:07,405

wants custody of your child?

691

00:45:07,450 —> 00:45:09,884

He has created a monster.

692

00:45:09,919 —> 00:45:11,580

He is exactly like him.

693

00:45:11,621 —> 00:45:14,419

Here we go again.

It's the same old story.

694

00:45:14,457 —> 00:45:16,618

The tears and the tears.

695

00:45:16,659 —> 00:45:19,093

Oh, my God.

Are you really—

696

00:45:19,129 —> 00:45:20,596

You cannot stand emotion.

697

00:45:20,630 —> 00:45:23,292

I'm right here with you.

Excuse me.

698

00:45:24,501 —> 00:45:26,059

I'm sorry.

699

00:45:26,102 —> 00:45:30,300

Hi! Did you get in touch

with your friend?

700

00:45:30,340 —> 00:45:32,900

Because I need legal advice now.

701

00:45:33,977 —> 00:45:35,706

You said

I couldn't afford you...

702

00:45:35,745 —> 00:45:38,077

so I have to talk to somebody.

703

00:45:43,987 —> 00:45:48,822

That's why I told you

I would be your lawyer pro bono.

704

00:45:48,858 —> 00:45:53,557

I don't understand

exactly what you mean.

705

00:45:53,596 —> 00:45:56,156

You told me

that you would be my lawyer?

706

00:45:56,199 —> 00:45:57,325

Sam, I'm your—

707

00:45:57,367 —> 00:46:00,302

Golly, because

I must have misunderstood.

708

00:46:00,336 —> 00:46:02,429

I told you that

when we first met.

709

00:46:02,472 —> 00:46:05,236

You said

you would be my lawyer?

710

00:46:05,275 —> 00:46:06,902

Yes. Sam—

711

00:46:06,943 —> 00:46:10,674

You're my lawyer!

712

00:46:10,713 —> 00:46:12,578

That's right. I'm your lawyer.

713

00:46:12,615 —> 00:46:14,583

And I can pay you per hour.

714

00:46:14,617 —> 00:46:16,642

-No, no, no.

-On the hour.

715

00:46:16,686 —> 00:46:18,517

Pro bono. It's free.

716

00:46:20,223 —> 00:46:22,316

My lawyer for free.

717

00:46:22,358 —> 00:46:24,622

Now, you—God.

718

00:46:24,661 —> 00:46:28,688

Thank you.

Because I have to get this.

719

00:46:28,731 —> 00:46:31,427
It's "Urgent, open immediately"

720
00:46:31,468 —> 00:46:33,527
For my lawyer for free!

721
00:46:35,405 —> 00:46:38,169
They want to have you
evaluated by a shrink...

722
00:46:38,208 —> 00:46:42,110
and your appointment is today!
At 3:00.

723
00:46:42,145 —> 00:46:43,669
It's today! It's now.

724
00:46:43,713 —> 00:46:45,647
I don't actually
want to go to a shrink.

725
00:46:45,682 —> 00:46:47,240
Sam, you don't actually

have a choice.

726

00:46:47,283 —> 00:46:48,341

It's court-ordered.

727

00:46:48,384 —> 00:46:51,842

The lady in your office

is crying.

728

00:46:54,691 —> 00:46:56,318

Patricia,

I'm in the middle of a meeting.

729

00:46:56,359 —> 00:46:57,690

Can you get him out of here?

730

00:46:57,727 —> 00:47:00,025

Don't feel bad.

731

00:47:00,063 —> 00:47:01,997

Sam, come with me.

732

00:47:02,031 —> 00:47:03,430
Don't feel bad.

733
00:47:03,466 —> 00:47:05,058
We'll get through this.
Will you excuse us?

734
00:47:05,101 —> 00:47:09,595
It's their turn now, not yours.
Theirs.

735
00:47:09,639 —> 00:47:12,039
If you leave now,
you can make this...

736
00:47:12,075 —> 00:47:13,599
and you have to make it.

737
00:47:13,643 —> 00:47:17,272
But I have to take
the number 13...

738
00:47:17,313 —> 00:47:21,977

downtown Wilshire express
to Grand Street...

739
00:47:22,018 —> 00:47:27,456
then I transfer to the number 34
at Cesar Chavez Avenue...

740
00:47:27,490 —> 00:47:30,152
because that used
to be Brooklyn Avenue...

741
00:47:30,193 —> 00:47:33,026
and my grandfather
had a bakery on it...

742
00:47:33,062 —> 00:47:34,962
when it was Brooklyn Avenue.

743
00:47:34,998 —> 00:47:38,331
I don't think I can get there
at the time I'm supposed to.

744
00:47:38,368 —> 00:47:42,361

Go, for Christ sakes!

Green means "Go."

745

00:47:42,405 —> 00:47:44,771

I don't like to go to shrinks.

746

00:47:44,807 —> 00:47:47,002

You and me both.

747

00:47:47,043 —> 00:47:49,136

Right or left?

748

00:47:49,179 —> 00:47:52,012

Which is it gonna be,

bonehead?

749

00:47:52,048 —> 00:47:53,538

Right turn ahead.

750

00:47:53,583 —> 00:47:54,607

Right on Vermont?

751

00:47:54,651 —> 00:47:56,915
That'll be another 20 minutes,
you idiot!

752
00:47:59,055 —> 00:48:02,786
Did your mommy make you
go to a shrink, too?

753
00:48:02,825 —> 00:48:06,317
No. Well, sort of.

754
00:48:06,362 —> 00:48:08,262
I spent the whole time
talking about her.

755
00:48:08,298 —> 00:48:10,960
Well, that's nice.

756
00:48:12,435 —> 00:48:15,029
-Office.
-Dialing home.

757
00:48:15,071 —> 00:48:17,539

Office! God damn it!

758

00:48:19,442 —> 00:48:22,104

You're going much faster

than everybody else.

759

00:48:22,145 —> 00:48:25,410

I wonder if you noticed that,

because I noticed that.

760

00:48:25,448 —> 00:48:27,245

Go!

761

00:48:37,493 —> 00:48:39,120

No more shrinks.

762

00:48:40,129 —> 00:48:42,529

I'm sorry, Mrs. Dawson...

763

00:48:42,565 —> 00:48:46,126

but if I were you, I wouldn't

waste any more of my time.

764

00:48:46,169 —> 00:48:51,903

Sorry, Mrs. Dawson, but I think

you should put Sam in a home.

765

00:48:51,941 —> 00:48:55,240

Sam in a home.

766

00:48:55,278 —> 00:48:57,371

Mr. Dawson,

you do understand...

767

00:48:57,413 —> 00:48:59,779

that since I'm a

court-appointed psychologist...

768

00:48:59,816 —> 00:49:02,842

the traditional client-therapist

confidentiality...

769

00:49:02,885 —> 00:49:05,183

will be waived.

770

00:49:05,221 —> 00:49:06,916
Do you understand that?

771
00:49:06,956 —> 00:49:09,254
That the confidentiality
will be waived.

772
00:49:13,997 —> 00:49:16,625
Good. Let's begin.

773
00:49:16,666 —> 00:49:21,228
I went to a doctor one time
who had an orange office.

774
00:49:21,271 —> 00:49:26,402
All the walls
were painted orange.

775
00:49:26,442 —> 00:49:30,003
Do you know her?
She has an orange office...

776
00:49:30,046 —> 00:49:32,446

and she's in Van Nuys.

777

00:49:32,482 —> 00:49:34,382

I wanted to ask you about Lucy.

778

00:49:34,417 —> 00:49:35,714

How old is she now?

779

00:49:35,752 —> 00:49:38,983

She's six. She's seven.

780

00:49:39,022 —> 00:49:41,456

She just had a birthday,

I think.

781

00:49:43,993 —> 00:49:45,688

How was that party?

782

00:49:49,165 —> 00:49:50,962

"Before you read

your message...

783

00:49:51,000 —> 00:49:53,969
"press the red button
for record."

784
00:49:54,003 —> 00:49:57,905
Let's start with the O.G.M.

785
00:50:00,710 —> 00:50:04,373
What? I don't know.
I don't think it's working.

786
00:50:04,414 —> 00:50:07,212
I think it's because
it's a used machine.

787
00:50:07,250 —> 00:50:10,913
It's not used. It's pre-owned.

788
00:50:10,953 —> 00:50:14,047
A guy bought it
for his auto shop...

789
00:50:14,090 —> 00:50:15,751

and then he got a secretary.

790

00:50:15,792 —> 00:50:17,350

Testing, 1, 2, 3.

791

00:50:17,393 —> 00:50:19,918

That's a good code.

792

00:50:19,962 —> 00:50:23,693

I can remember that—1, 2, 3.

793

00:50:23,733 —> 00:50:24,995

4, 5, 6.

794

00:50:25,034 —> 00:50:27,002

7, 8, 9.

795

00:50:27,036 —> 00:50:29,266

9, 10, 1 1, 12.

796

00:50:29,305 —> 00:50:30,738

Quick. You're recording.

797

00:50:32,642 —> 00:50:34,576

Hi. This is—

798

00:50:34,610 —> 00:50:37,511

Hi. This is Sam.

I'm not home.

799

00:50:37,547 —> 00:50:40,015

No, you really

don't want to say that...

800

00:50:40,049 —> 00:50:43,985

because you don't want

to tell them you're not home.

801

00:50:44,020 —> 00:50:46,682

-Then I'm lying.

-Everybody's lying.

802

00:50:46,723 —> 00:50:48,782

Sam, you are on the air.

803

00:50:48,825 —> 00:50:51,123

Hi. How are you?

804

00:50:51,160 —> 00:50:54,857

Maybe you sound

a little bit too excited.

805

00:50:54,897 —> 00:50:58,890

And maybe you might think

about lowering your voice...

806

00:50:58,935 —> 00:51:00,698

so maybe Lucy can hear you.

807

00:51:00,737 —> 00:51:02,261

Go, Sam.

808

00:51:02,305 —> 00:51:08,039

Hi, Lucy.

Thank you for calling me.

809

00:51:08,077 —> 00:51:10,568

That was good.

810

00:51:10,613 —> 00:51:13,548

But did I sound like

a good father?

811

00:51:16,018 —> 00:51:18,646

But it's an outgoing message...

812

00:51:18,688 —> 00:51:22,283

so I think you need to sound

a little more outgoing.

813

00:51:22,325 —> 00:51:25,419

Hi. This is Sam.

I'm not ho—Shoot.

814

00:51:25,461 —> 00:51:27,759

Hi. This is Sam !

815

00:51:27,797 —> 00:51:33,235

I think you should

sound like a normal person.

816

00:51:33,269 —> 00:51:36,432

From the heart.

817

00:51:36,472 —> 00:51:38,064

From the heart.

818

00:51:38,107 —> 00:51:41,133

This is—Hello.

Thank you for calling.

819

00:51:41,177 —> 00:51:43,042

This is Sam.

820

00:51:43,079 —> 00:51:44,410

Wow.

821

00:51:44,447 —> 00:51:48,781

I feel that was a very touching

moment right there.

822

00:51:48,818 —> 00:51:50,911

I felt that one.

823
00:51:50,953 —> 00:51:53,922
High-five.

824
00:51:55,124 —> 00:51:58,890
We have a lot to go over,
and I have five minutes.

825
00:51:58,928 —> 00:52:01,522
Rothman, Glenn,
Harrison, Williams...

826
00:52:01,564 —> 00:52:03,259
is on the 29th floor.

827
00:52:03,299 —> 00:52:04,823
That's 29 floors up...

828
00:52:04,867 —> 00:52:07,631
and the elevators
are actually over there.

829

00:52:07,670 —> 00:52:11,162

Keep up.

Got to do my cardio. 120.

830

00:52:11,207 —> 00:52:13,266

Got to get to 125

to make it count.

831

00:52:13,309 —> 00:52:16,506

I need that list of names

from you...

832

00:52:16,546 —> 00:52:18,537

people who can testify

that you're a good father...

833

00:52:18,581 —> 00:52:19,878

despite your handicap.

834

00:52:19,916 —> 00:52:23,374

Just my husband.

I didn't mean your handicap.

835

00:52:23,419 —> 00:52:25,444

I meant your disability.

836

00:52:25,488 —> 00:52:28,150

The fact that you're retarded—

that's not the right word.

837

00:52:28,191 —> 00:52:29,715

I don't know what to call you.

838

00:52:31,727 —> 00:52:34,127

Sam. You can call me Sam.

839

00:52:34,163 —> 00:52:38,725

All right! Hello. Hi, Todd.

840

00:52:38,768 —> 00:52:41,328

I was out of range.

How you doing?

841

00:52:42,772 —> 00:52:45,570

What do you mean,

what's that supposed to mean?

842

00:52:47,376 —> 00:52:50,209

You're supposed

to be taking him to karate.

843

00:52:50,246 —> 00:52:53,409

Are you eating?

No, I will not hold on.

844

00:52:53,449 —> 00:52:54,575

Go pick him up.

845

00:52:54,617 —> 00:52:57,518

I can't hear you.

I'm in the car.

846

00:52:57,553 —> 00:52:59,953

They put you through to me.

847

00:52:59,989 —> 00:53:02,253

I'm losing you.

848

00:53:03,726 —> 00:53:07,059

What makes Sam a good father?

849

00:53:07,096 —> 00:53:11,556

The important thing is for

Sam to be a very good father...

850

00:53:11,601 —> 00:53:14,161

is to be there for her...

851

00:53:14,203 —> 00:53:20,540

because the smarter Lucy is,

the smarter she will get.

852

00:53:23,045 —> 00:53:25,377

So what makes Sam a good father?

853

00:53:25,414 —> 00:53:28,178

Lucy's first word was "Annie..."

854

00:53:28,217 —> 00:53:32,210

and her fifth word was "Joe."

855

00:53:32,255 —> 00:53:33,620

And I'm Joe.

856

00:53:37,059 —> 00:53:40,495

Sam is a very good father...

857

00:53:40,530 —> 00:53:44,022

because he likes green things...

858

00:53:44,066 —> 00:53:45,795

Like I like green things

very much.

859

00:53:45,835 —> 00:53:48,167

I like green peas.

860

00:53:48,204 —> 00:53:50,604

My cousin Luke works for

the organization—

861

00:53:50,640 —> 00:53:52,904

environmental organization
Greenpeace...

862
00:53:52,942 —> 00:53:55,001
and they like
to save the whales.

863
00:53:55,044 —> 00:53:56,534
I like whales.

864
00:53:56,579 —> 00:53:59,013
"Moby Dick" was one of my
all-time favorite classics...

865
00:53:59,048 —> 00:54:00,276
by Herman Melville.

866
00:54:00,316 —> 00:54:02,784
Wait.
Why are you recording this?

867
00:54:02,818 —> 00:54:04,877
It's often necessary—

868

00:54:04,921 —> 00:54:06,479

You didn't say anything

about a tape recorder.

869

00:54:06,522 —> 00:54:09,491

-Who's listening?

-Me.

870

00:54:09,525 —> 00:54:11,686

What is that supposed to mean?

871

00:54:11,727 —> 00:54:12,887

Nothing.

872

00:54:12,929 —> 00:54:15,454

Who are you really?

873

00:54:17,767 —> 00:54:19,394

I need to speak

to my lawyer now.

874

00:54:40,690 —> 00:54:42,954
I don't think you realize
what you're up against.

875
00:54:42,992 —> 00:54:45,256
We have to be in court
in three days...

876
00:54:45,294 —> 00:54:46,989
and we don't have
a decent witness.

877
00:54:47,029 —> 00:54:49,429
Now, you've got to know
someone who can testify...

878
00:54:49,465 —> 00:54:50,796
who's been to college...

879
00:54:50,833 —> 00:54:53,267
or has a degree of some kind...

880
00:54:53,302 —> 00:54:56,294

or has some way

of expressing themselves...

881

00:54:56,339 —> 00:54:59,172

that will make the court

believe you deserve...

882

00:54:59,208 —> 00:55:00,175

to get your daughter back.

883

00:55:00,209 —> 00:55:03,770

I need coffee. Big, tall.

884

00:55:03,813 —> 00:55:05,804

Tall is the smallest.

885

00:55:05,848 —> 00:55:07,372

Yeah, of course.

886

00:55:07,416 —> 00:55:09,316

Once you think of this person...

887

00:55:09,352 —> 00:55:14,483
and there has to be one person,
call me at work.

888
00:55:14,523 —> 00:55:17,424
Because
I'm going back there now...

889
00:55:17,460 —> 00:55:21,988
to my seven other cases. What?

890
00:55:22,031 —> 00:55:25,489
Mrs. Robeck. I'm on the 405.

891
00:55:25,534 —> 00:55:27,001
The traffic is horrible.

892
00:55:27,036 —> 00:55:29,630
You want this
for here or to go?

893
00:55:29,672 —> 00:55:31,435
Dorothy?

894

00:55:32,441 —> 00:55:33,965

Oh, no. No.

895

00:55:34,010 —> 00:55:37,138

Tow truck is towing your car.

896

00:55:37,179 —> 00:55:39,010

Son of a bitch.

897

00:55:39,048 —> 00:55:40,845

It's towing your car.

898

00:55:40,883 —> 00:55:45,013

No, wait! Stop!

It's my car. Stop.

899

00:55:45,054 —> 00:55:47,386

But, Annie, it's just one day.

900

00:55:47,423 —> 00:55:51,154

And Lucy needs you

because you went to college...

901

00:55:51,193 —> 00:55:55,562

and you can

give the right answers.

902

00:56:04,040 —> 00:56:07,441

And we can't lose her.

903

00:56:09,845 —> 00:56:12,746

I'd make it worse for you.

904

00:56:12,782 —> 00:56:15,250

I can't do it.

905

00:56:15,284 —> 00:56:18,117

Don't you think I would

if I could?

906

00:56:21,857 —> 00:56:25,122

All rise for the Honorable

Judge Phillip McNeilly.

907

00:56:31,567 —> 00:56:32,864

Hi, guys.

908

00:56:32,902 —> 00:56:34,631

Hi, Sam.

909

00:56:34,670 —> 00:56:36,763

Boy, you did a wonderful job

making those signs.

910

00:56:36,806 —> 00:56:39,604

You're welcome, Sam.

Good luck, buddy.

911

00:56:39,642 —> 00:56:41,200

Go get 'em.

912

00:56:43,112 —> 00:56:45,376

Although,

at her birthday party...

913

00:56:45,414 —> 00:56:49,475

I believe her true feelings

about her father were revealed.

914

00:56:49,518 —> 00:56:51,884

Objection.

"True feelings revealed"?

915

00:56:51,921 —> 00:56:53,980

Your Honor,

Ms. Davis is an expert...

916

00:56:54,023 —> 00:56:56,218

appointed by the court

for her opinion.

917

00:56:56,258 —> 00:56:57,350

I'll allow it.

918

00:56:57,393 —> 00:56:59,327

Then every child who rages...

919

00:56:59,361 —> 00:57:01,352

because they

didn't get to stay up...

920
00:57:01,397 —> 00:57:03,422
that extra hour to watch TV—

921
00:57:03,466 —> 00:57:04,956
Any child who said
they hated their parents...

922
00:57:05,000 —> 00:57:06,262
because
they didn't want a bath...

923
00:57:06,302 —> 00:57:08,270
would be a prime candidate
for foster care?

924
00:57:08,304 —> 00:57:10,932
-Objection, Your Honor.
-Sustained.

925
00:57:10,973 —> 00:57:13,066
I think they want you to stop.

926

00:57:13,109 —> 00:57:15,304

Really?

927

00:57:15,344 —> 00:57:17,403

Thank you, Sam.

928

00:57:17,446 —> 00:57:19,846

Yeah, OK.

Brad's wearing a tie today...

929

00:57:19,882 —> 00:57:22,908

and I think the tie

looks wonderful on you, Brad.

930

00:57:22,952 —> 00:57:24,817

You look great, too.

931

00:57:28,124 —> 00:57:30,649

There's a lady—

she's writing everything down.

932

00:57:30,693 —> 00:57:33,753
Watch what you say.

933
00:57:33,796 —> 00:57:36,663
I have the best friends
in the whole world.

934
00:57:36,699 —> 00:57:40,328
Continue with your witness,
Mr. Turner.

935
00:57:40,369 —> 00:57:43,805
Ms. Davis, I assume
in your therapy session...

936
00:57:43,839 —> 00:57:47,502
that Mr. Dawson extolled
his parenting ability.

937
00:57:47,543 —> 00:57:49,101
On the contrary.

938
00:57:49,145 —> 00:57:55,209

Mr. Dawson admitted
he felt very confused at times.

939
00:57:55,251 —> 00:57:57,310
Actually,
that he felt terrified...

940
00:57:57,353 —> 00:58:00,789
that he'd made and would
continue to make—

941
00:58:00,823 —> 00:58:04,691
and I can quote here—

942
00:58:04,727 —> 00:58:07,059
"Huge mistakes,
huge mistakes...

943
00:58:07,096 —> 00:58:08,563
"mistakes that are huge."

944
00:58:08,597 —> 00:58:12,795
Thank you.

No further questions.

945

00:58:12,835 —> 00:58:14,393

You're a mother,

aren't you, Ms. Davis?

946

00:58:14,436 —> 00:58:16,336

Yes, I am.

947

00:58:16,372 —> 00:58:20,433

Would it be fair to say that...

948

00:58:20,476 —> 00:58:23,843

as a parent, you've been

confused from time to time...

949

00:58:23,879 —> 00:58:26,177

possibly overwhelmed

on occasion...

950

00:58:26,215 —> 00:58:27,648

even though

you're a wonderful mother?

951

00:58:27,683 —> 00:58:30,174

If Ms. Davis

has never had a moment...

952

00:58:30,219 —> 00:58:31,481

where she's been confused

as a mother...

953

00:58:31,520 —> 00:58:34,353

it would bias

her expert opinion.

954

00:58:34,390 —> 00:58:37,223

I know that I have

many moments as a parent...

955

00:58:37,259 —> 00:58:39,784

where I felt

I've made huge mistakes.

956

00:58:39,829 —> 00:58:41,524

Objection.

957

00:58:41,564 —> 00:58:43,589

Get to the relevant point,

Ms. Harrison.

958

00:58:43,632 —> 00:58:45,691

The point is, you've never

had those moments...

959

00:58:45,734 —> 00:58:47,258

have you, Ms. Davis?

960

00:58:47,303 —> 00:58:50,431

Moments that every parent

I've ever spoken to has.

961

00:58:50,472 —> 00:58:53,930

Moments where the task is

so unbelievably challenging...

962

00:58:53,976 —> 00:58:55,841

that you feel retarded...

963

00:58:55,878 —> 00:58:57,743

disabled in some way.

964

00:58:57,780 —> 00:59:01,238

Moments where everyone seems

to have the key but you.

965

00:59:01,283 —> 00:59:02,807

Really, to be honest—

966

00:59:02,852 —> 00:59:04,717

Yes or no?

Please answer the question.

967

00:59:04,753 —> 00:59:06,778

I didn't really

feel right now—

968

00:59:06,822 —> 00:59:08,255

Let me rephrase the question.

969

00:59:08,290 —> 00:59:10,554

-When your son O.D.'d—

-Objection.

970

00:59:10,593 —> 00:59:12,959

If Ms. Davis didn't feel

she had made mistakes...

971

00:59:12,995 —> 00:59:14,223

mistakes that were huge...

972

00:59:14,263 —> 00:59:16,458

it might bias her opinion

toward Mr. Dawson.

973

00:59:16,498 —> 00:59:18,227

I'll allow it.

974

00:59:18,267 —> 00:59:21,395

Ms. Davis,

when your son O.D.'d...

975

00:59:21,437 —> 00:59:25,874

did you feel that you

might have made mistakes...

976

00:59:25,908 —> 00:59:27,842

mistakes that were huge?

977

00:59:31,180 —> 00:59:33,171

Yes.

978

00:59:35,084 —> 00:59:36,210

Yes.

979

00:59:36,252 —> 00:59:38,152

No further questions.

980

00:59:42,491 —> 00:59:44,425

You made her cry.

981

00:59:44,460 —> 00:59:45,518

I got lucky.

982

00:59:45,561 —> 00:59:47,995

Oh, no.

That's not nice to make her cry.

983

00:59:48,030 —> 00:59:49,156

Only in there.

984

00:59:49,198 —> 00:59:52,998

And your secretary

when you hated your desk.

985

00:59:54,370 —> 00:59:57,669

Green and yellow

on the same plate.

986

00:59:57,706 —> 01:00:00,470

Could you separate

the lima beans...

987

01:00:00,509 —> 01:00:02,443

from the corn, please?

988

01:00:02,478 —> 01:00:05,242

Sam, don't be impossible.

989

01:00:05,281 —> 01:00:07,841

Can I have

the spinach omelette—

990

01:00:07,883 —> 01:00:10,010

only egg whites,

no fat, no oil, no butter.

991

01:00:10,052 —> 01:00:12,077

-And extra mushrooms?

-Absolutely.

992

01:00:14,757 —> 01:00:16,122

My treat.

993

01:00:16,158 —> 01:00:17,819

-No, no, no—

-My treat.

994

01:00:17,860 —> 01:00:19,350

My pro bono.

995

01:00:19,395 —> 01:00:23,456
That means she doesn't
have to pay. I pay.

996
01:00:27,403 —> 01:00:29,371
Sam, do you really
want to get this...

997
01:00:29,405 —> 01:00:32,431
or are you just trying to...

998
01:00:32,474 —> 01:00:35,932
trying to act like a...

999
01:00:36,946 —> 01:00:39,471
What do you mean?

1000
01:00:41,817 —> 01:00:44,684
You know, like—Never mind.

1001
01:00:44,720 —> 01:00:46,711
I'm a grownup.

1002

01:00:46,755 —> 01:00:49,019

I didn't say that.

1003

01:00:49,058 —> 01:00:50,389

You think what they think.

1004

01:00:50,426 —> 01:00:53,827

You're my lawyer,

and you think what they think?

1005

01:00:53,862 —> 01:00:55,329

I don't have a chance.

1006

01:00:55,364 —> 01:00:58,231

I think...

1007

01:00:58,267 —> 01:00:59,962

you deserve a fair trial.

1008

01:01:00,002 —> 01:01:01,993

Do you think what they think?

1009

01:01:02,037 —> 01:01:05,370

Sam can't order food

or Sam can't pay a check.

1010

01:01:05,407 —> 01:01:07,307

Sam can't take care of Lucy?

1011

01:01:07,343 —> 01:01:10,005

It doesn't matter what I think.

It matters that we win.

1012

01:01:10,045 —> 01:01:11,740

It matters what you think.

1013

01:01:11,780 —> 01:01:14,874

It doesn't matter to them

what I think.

1014

01:01:14,917 —> 01:01:17,351

It matters to me!

1015

01:01:18,354 —> 01:01:21,255

It matters to me!

1016

01:01:27,963 —> 01:01:33,128

$14.33.

That's five ones...

1017

01:01:36,472 —> 01:01:39,498

Two quarters. 14.33.

1018

01:01:39,541 —> 01:01:42,032

Five ones and two quarters.

1019

01:01:47,516 —> 01:01:52,112

And 17 cents less than 20.

1020

01:01:56,291 —> 01:01:59,283

Dr. Blake, what would you say

kept you going...

1021

01:01:59,328 —> 01:02:02,855

the 12 years

you were in medical school?

1022

01:02:02,898 —> 01:02:05,560

Caffeine and doughnuts...

1023

01:02:05,601 —> 01:02:09,401

and my mother's belief in me.

1024

01:02:09,438 —> 01:02:11,269

I wish I had a mother like that.

1025

01:02:11,306 —> 01:02:12,500

She must have been smart.

1026

01:02:12,541 —> 01:02:14,441

She had great instincts.

1027

01:02:14,476 —> 01:02:17,968

Do you happen to know

what her I.Q. was?

1028

01:02:18,981 —> 01:02:22,917

In the lower ranges.

About 70.

1029

01:02:22,951 —> 01:02:26,387

So your mother...

1030

01:02:26,422 —> 01:02:28,890

this woman who had

the mind of a 9-year-old...

1031

01:02:28,924 —> 01:02:31,722

had the wisdom to recognize

you would be a great doctor.

1032

01:02:31,760 —> 01:02:35,992

Yes. I can't say

it was always easy...

1033

01:02:36,031 —> 01:02:40,400

but she taught me the things

they can't teach.

1034

01:02:40,436 —> 01:02:43,405

Patience and compassion.

1035

01:02:43,439 —> 01:02:45,805

Traits most doctors

have in spades.

1036

01:02:45,841 —> 01:02:47,706

Mr. Dawson.

1037

01:02:47,743 —> 01:02:51,144

You've become

a wonderful girl...

1038

01:02:51,180 —> 01:02:52,909

and we're proud of you.

1039

01:02:52,948 —> 01:02:57,317

Lucy will be, too.

She'll be wonderful.

1040

01:02:57,352 —> 01:02:59,445

He's very enthusiastic.

Thank you, Doctor.

1041

01:02:59,488 —> 01:03:01,581
No further questions.
Come on, come on.

1042
01:03:01,623 —> 01:03:04,353
How'd you get through medical
school? Where'd you live?

1043
01:03:04,393 —> 01:03:06,020
We lived with
my mother's parents.

1044
01:03:06,061 —> 01:03:10,020
-Grandma and Grandpa.
-Yes.

1045
01:03:10,065 —> 01:03:11,760
Would it be fair to say
that Grandma and Grandpa...

1046
01:03:11,800 —> 01:03:14,462
were of normal intelligence?

1047

01:03:14,503 —> 01:03:15,868
And so,
would it be fair to say...

1048
01:03:15,904 —> 01:03:18,065
that Grandma and Grandpa
of normal intelligence...

1049
01:03:18,107 —> 01:03:19,335
had the real responsibilities?

1050
01:03:19,374 —> 01:03:23,868
Objection. Mr. Turner's
mother-in-law lives with him.

1051
01:03:23,912 —> 01:03:26,676
Motion to strike. Irrelevant,
immaterial, and immature.

1052
01:03:26,715 —> 01:03:28,205
I warn you, Ms. Harrison...

1053
01:03:28,250 —> 01:03:31,185

stick to the relevant
issues of the case.

1054
01:03:31,220 —> 01:03:32,619
Your Honor, the relevancy
is that every parent...

1055
01:03:32,654 —> 01:03:34,121
has a right
to a support system.

1056
01:03:34,156 —> 01:03:35,487
I'm not talking about
the rights of the parents.

1057
01:03:35,524 —> 01:03:37,321
I'm talking about
the rights of the child.

1058
01:03:38,594 —> 01:03:39,788
Please let the record show—

1059
01:03:39,828 —> 01:03:41,090

Excuse me. Your Honor...

1060
01:03:41,130 —> 01:03:42,791
I'm talking about entrusting
an 8-year-old's welfare...

1061
01:03:42,831 —> 01:03:45,231
in the hands of someone
whose record shows...

1062
01:03:45,267 —> 01:03:47,633
has been diagnosed
with autistic tendencies...

1063
01:03:47,669 —> 01:03:48,795
mental retardation—

1064
01:03:48,837 —> 01:03:51,397
Objection. Move to
strike that from the record.

1065
01:03:51,440 —> 01:03:53,567
It is clear that

one's intellectual capacity...

1066
01:03:53,609 —> 01:03:56,169
has no bearing
on their ability to love.

1067
01:03:56,211 —> 01:03:58,771
Your Honor, would you
please instruct counsel...

1068
01:03:58,814 —> 01:04:01,612
to proceed with
a modicum of sensitivity?

1069
01:04:01,650 —> 01:04:03,083
I'm very sensitive...

1070
01:04:03,118 —> 01:04:04,676
especially when
I see someone like you...

1071
01:04:04,720 —> 01:04:06,813
walk in here and try

to give meaning to your life...

1072

01:04:06,855 —> 01:04:08,083

by screwing up somebody else's.

1073

01:04:08,123 —> 01:04:10,057

That's enough. Ms. Harrison,

approach the bench.

1074

01:04:10,092 —> 01:04:11,525

My mother raised me—

1075

01:04:11,560 —> 01:04:13,687

Tearing apart a family

is truly noble work, Mr. Turner.

1076

01:04:13,729 —> 01:04:15,663

That's enough.

1077

01:04:15,697 —> 01:04:17,187

This is an award for you

at some luncheon...

1078

01:04:17,232 —> 01:04:18,859

but I'm here every day.

1079

01:04:18,901 —> 01:04:20,664

You win, you're out the door.

1080

01:04:20,702 —> 01:04:25,105

You know who I see come back?

The child.

1081

01:04:25,140 —> 01:04:27,574

Only this time, it's too late.

1082

01:04:27,609 —> 01:04:31,306

So am I sensitive?

Yeah, I'm a little sensitive.

1083

01:04:31,346 —> 01:04:33,337

You can't even touch that area.

1084

01:04:33,382 —> 01:04:37,318

Your Honor,

please let the record show...

1085

01:04:37,352 —> 01:04:39,411

my mother raised me.

1086

01:04:46,662 —> 01:04:50,029

John Jacob Jingleheimer Schmidt

1087

01:04:50,065 —> 01:04:53,159

His name is my name, too

1088

01:04:53,202 —> 01:04:56,535

Whenever we go out,

the people always shout

1089

01:04:56,572 —> 01:04:59,234

They say, "John Jacob

Jingleheimer Schmidt"

1090

01:05:05,080 —> 01:05:07,605

Excuse me. Time is up.

1091

01:05:07,649 —> 01:05:10,049

Please, just a little more.

1092

01:05:10,085 —> 01:05:12,383

No. I have another case at 2:30.

1093

01:05:12,421 —> 01:05:14,753

I need to go to the bathroom.

1094

01:05:19,995 —> 01:05:21,428

Daddy!

1095

01:05:21,463 —> 01:05:23,192

Daddy!

1096

01:05:23,232 —> 01:05:24,460

She said we could

go to the park.

1097

01:05:24,499 —> 01:05:27,935

What happened?

What made her change her mind?

1098

01:05:27,970 —> 01:05:29,130

I started

crying in the bathroom...

1099

01:05:29,171 —> 01:05:31,298

so she thought

we needed more time.

1100

01:05:32,774 —> 01:05:34,503

There's the park.

1101

01:05:34,543 —> 01:05:37,808

Let's not get off.

Let's keep going.

1102

01:05:37,846 —> 01:05:41,282

No, Lucy, that would be wrong.

1103

01:05:41,316 —> 01:05:43,250

Tamara's mommy lost her case...

1104

01:05:43,285 —> 01:05:45,583

and she hasn't seen her

in six years.

1105

01:05:45,621 —> 01:05:49,216

She had five different mommies,

and one of them hit her.

1106

01:05:49,258 —> 01:05:52,125

I would never

let that happen to you.

1107

01:05:52,160 —> 01:05:54,094

That's what

her real mommy said...

1108

01:05:54,129 —> 01:05:57,360

and now they won't even

let her talk to her.

1109

01:05:57,399 —> 01:05:58,866

Daddy.

1110

01:06:00,936 —> 01:06:03,496

It's the only way

to be together.

1111

01:06:03,538 —> 01:06:05,369

We'll start a new life...

1112

01:06:05,407 —> 01:06:08,968

get new names,

live in a new apartment...

1113

01:06:09,011 —> 01:06:11,172

and they'll never find us.

1114

01:07:06,935 —> 01:07:08,664

That's Rita. Hi!

1115

01:07:09,971 —> 01:07:12,997

It's 3:00 in the morning. Hi!

1116

01:07:13,041 —> 01:07:15,168

What were you thinking?

1117

01:07:15,210 —> 01:07:17,007
What were you possibly thinking?

1118
01:07:17,045 —> 01:07:18,376
I wanted to be with Lucy.

1119
01:07:18,413 —> 01:07:19,880
That's ridiculous!

1120
01:07:19,915 —> 01:07:21,678
Willy, stay here with me.

1121
01:07:21,717 —> 01:07:24,515
What could you possibly gain
by kidnapping your kid...

1122
01:07:24,553 —> 01:07:25,850
in the middle
of a custody hearing?

1123
01:07:25,887 —> 01:07:27,912
-Lucy told me—
-I don't want to hear it!

1124

01:07:27,956 —> 01:07:29,753

Can you possibly

explain this to me?

1125

01:07:29,791 —> 01:07:33,454

-Who is the goddamn parent?

-Me.

1126

01:07:33,495 —> 01:07:35,622

Willy, stay in the hallway.

1127

01:07:35,664 —> 01:07:37,564

I am deeply disturbed by this.

1128

01:07:37,599 —> 01:07:40,898

Lucy, I would have

expected more from you.

1129

01:07:40,936 —> 01:07:43,734

I can imagine

what you're thinking...

1130

01:07:43,772 —> 01:07:45,137

but I ask you this—

1131

01:07:45,173 —> 01:07:46,697

What parent

in their right mind...

1132

01:07:46,742 —> 01:07:50,007

seeing their child's pain,

their yearning for contact...

1133

01:07:50,045 —> 01:07:51,945

wouldn't take them

in an effort to comfort them?

1134

01:07:51,980 —> 01:07:53,277

You need to understand...

1135

01:07:53,315 —> 01:07:55,283

something very important

about the father—

1136

01:07:55,317 —> 01:07:56,750

Yes, and if I were you...

1137

01:07:56,785 —> 01:07:59,447

I'd look at my conscience

long and hard...

1138

01:07:59,488 —> 01:08:01,319

before I tried

to use this in court.

1139

01:08:01,356 —> 01:08:03,415

Is that a threat?

1140

01:08:03,458 —> 01:08:08,828

No! It's...a plea.

1141

01:08:08,864 —> 01:08:10,525

Give him a break.

1142

01:08:13,568 —> 01:08:15,798

Just give him one goddamn break.

1143

01:08:17,305 —> 01:08:21,571

Lucy, say your good-byes.

It's time to go.

1144

01:08:24,112 —> 01:08:25,841

Willy, it's time to go home.

1145

01:08:28,984 —> 01:08:31,384

Goddamn it, Willy!

1146

01:08:33,588 —> 01:08:36,386

Please don't fire us.

1147

01:08:36,425 —> 01:08:38,552

It was all my idea.

1148

01:08:38,593 —> 01:08:41,824

Please don't.

1149

01:08:41,863 —> 01:08:43,125

Please.

1150

01:08:50,305 —> 01:08:53,138

Raise your right hand.

1151

01:08:53,175 —> 01:08:55,905

Do you swear to tell the truth,

the whole truth...

1152

01:08:55,944 —> 01:08:58,378

and nothing but the truth,

so help you God?

1153

01:08:58,413 —> 01:09:00,176

So help me God.

1154

01:09:05,220 —> 01:09:07,120

I heard you turned seven

this year.

1155

01:09:07,155 —> 01:09:08,622

That's pretty exciting.

1156

01:09:08,657 —> 01:09:11,490

Everybody gets older.

It's not that big a deal.

1157

01:09:11,526 —> 01:09:14,290

What'd you get

for your birthday?

1158

01:09:14,329 —> 01:09:16,627

I haven't opened

my presents yet.

1159

01:09:16,665 —> 01:09:19,498

Really? That's odd. Why?

1160

01:09:23,905 —> 01:09:25,805

Actually, I opened my presents.

1161

01:09:25,841 —> 01:09:29,333

I got the "Help" album,

limited edition.

1162

01:09:32,514 —> 01:09:36,644

I'm sorry. I'm very confused.

1163

01:09:36,685 —> 01:09:39,620

I thought you didn't

open your presents...

1164

01:09:39,654 —> 01:09:41,622

because you ran away

from your own party...

1165

01:09:41,656 —> 01:09:44,523

because your best friend

told everyone...

1166

01:09:44,559 —> 01:09:45,719

that you said you were adopted.

1167

01:09:45,760 —> 01:09:48,092

I never said that.

Why would I say that?

1168

01:09:48,129 —> 01:09:50,029

Why would your friend say that?

1169

01:09:50,065 —> 01:09:52,033

Kids lie all the time.

1170

01:09:53,668 —> 01:09:57,627

-Remember you're under oath.

-I know.

1171

01:09:57,672 —> 01:10:01,335

-And you know what that means?

-I do.

1172

01:10:02,944 —> 01:10:05,538

Now that we have all agreed

to tell the truth...

1173

01:10:05,580 —> 01:10:08,140

where were you sleeping

last night?

1174

01:10:10,619 —> 01:10:12,109

In my bed at the foster home.

1175

01:10:14,523 —> 01:10:16,388
If you're not going to
tell the truth, I am.

1176
01:10:16,424 —> 01:10:17,789
Your dad kidnapped you
last night.

1177
01:10:17,826 —> 01:10:19,919
-Objection. Kidnapped?
-Sustained.

1178
01:10:19,961 —> 01:10:24,625
Young lady,
you have to tell the truth.

1179
01:10:24,666 —> 01:10:25,928
You're lying
because you're afraid.

1180
01:10:25,967 —> 01:10:27,798
Objection.
He's putting words in her mouth.

1181

01:10:27,836 —> 01:10:29,360

Sustained.

1182

01:10:29,404 —> 01:10:31,565

Please limit yourself

to questions, Mr. Turner.

1183

01:10:31,606 —> 01:10:33,699

You have to tell the truth.

1184

01:10:33,742 —> 01:10:35,710

Lucy, are you

afraid to tell the truth...

1185

01:10:35,744 —> 01:10:37,575

because you'll hurt

your Daddy's feelings?

1186

01:10:37,612 —> 01:10:41,309

Daddy's right here.

You can tell the truth.

1187

01:10:41,349 —> 01:10:44,978

Isn't it true

that very deep down inside...

1188

01:10:45,020 —> 01:10:48,285

you know you need much more

than your daddy can give you?

1189

01:10:59,768 —> 01:11:01,963

All you need is love.

1190

01:11:07,242 —> 01:11:09,301

Where did she go?

1191

01:11:13,848 —> 01:11:15,907

Please, God.

1192

01:11:15,951 —> 01:11:19,352

Please, God.

1193

01:11:19,387 —> 01:11:22,982

Please, God.

1194

01:11:23,024 —> 01:11:24,582

These responsibilities

include...

1195

01:11:24,626 —> 01:11:26,958

busing tables, replenishing

the Sweet 'n Lows...

1196

01:11:26,995 —> 01:11:29,395

sweeping up the place?

1197

01:11:29,431 —> 01:11:30,523

Yes.

1198

01:11:30,565 —> 01:11:32,430

Aren't these Mr. Dawson's

only responsibilities?

1199

01:11:32,467 —> 01:11:34,901

Because he doesn't have

the mental capacity...

1200

01:11:34,936 —> 01:11:39,771
to run a cash register
or even make a cup of coffee.

1201
01:11:39,808 —> 01:11:41,105
As a matter of fact...

1202
01:11:41,142 —> 01:11:42,541
Sam and I were
discussing a promotion...

1203
01:11:42,577 —> 01:11:44,272
we were going to put
into effect next week.

1204
01:11:44,312 —> 01:11:47,770
Hooray for me!
Thank you, George.

1205
01:11:47,816 —> 01:11:49,283
Thank you, George.
That's very nice.

1206

01:11:49,317 —> 01:11:52,115

After eight years,

Sam can make a cup of coffee...

1207

01:11:52,153 —> 01:11:54,553

and he can certainly

help Lucy with her geometry.

1208

01:11:54,589 —> 01:11:55,556

Objection.

1209

01:11:55,590 —> 01:11:58,320

And when I ask

another question...

1210

01:11:58,360 —> 01:12:00,590

-I answer in one sentence.

-Short and sweet.

1211

01:12:00,629 —> 01:12:03,894

Yes. One sentence.

Short and sweet.

1212

01:12:03,932 —> 01:12:05,866

Tim Curry was

a sweet transvestite...

1213

01:12:05,900 —> 01:12:07,868

in

"The Rocky Horror Picture Show."

1214

01:12:07,902 —> 01:12:10,166

Let's try one word.

1215

01:12:10,205 —> 01:12:12,139

Annie!

1216

01:12:12,173 —> 01:12:17,076

You're here! You're here!

1217

01:12:17,112 —> 01:12:18,909

Susan Sarandon is also

one of my favorite actresses.

1218

01:12:18,947 —> 01:12:21,006

Besides being

Lucy's godmother...

1219

01:12:21,049 —> 01:12:22,846

aren't you also

her piano teacher?

1220

01:12:22,884 —> 01:12:24,476

Yes.

1221

01:12:24,519 —> 01:12:26,680

Annie plays the piano

beautifully.

1222

01:12:26,721 —> 01:12:28,689

You really do, Annie.

1223

01:12:28,723 —> 01:12:31,556

Sam, it's Annie's turn now.

1224

01:12:31,593 —> 01:12:34,027

And didn't you graduate

magna cum laude...

1225

01:12:34,062 —> 01:12:35,893

from the

Juillard School of Music?

1226

01:12:35,930 —> 01:12:37,363

Summa cum laude.

1227

01:12:37,399 —> 01:12:40,562

Excuse me.

1228

01:12:40,602 —> 01:12:43,264

Ms. Cassell, in all the time

you've known them...

1229

01:12:43,304 —> 01:12:47,604

have you ever questioned

Sam's ability as a father?

1230

01:12:47,642 —> 01:12:50,907

-Never.

-Never?

1231

01:12:50,945 —> 01:12:53,573
Look at Lucy. She's strong.

1232
01:12:53,615 —> 01:12:56,982
She displays true empathy
for people...

1233
01:12:57,018 —> 01:12:59,179
all kinds of people.

1234
01:12:59,220 —> 01:13:00,778
I know that you all think...

1235
01:13:00,822 —> 01:13:04,121
she's as smart as she is
despite him...

1236
01:13:04,159 —> 01:13:06,593
but it's because of him.

1237
01:13:06,628 —> 01:13:08,186
So, what you're saying is...

1238

01:13:08,229 —> 01:13:10,424

you don't worry

about Lucy's future.

1239

01:13:10,465 —> 01:13:12,126

No. I do.

1240

01:13:14,736 —> 01:13:17,705

I...

1241

01:13:17,739 —> 01:13:20,902

I worry all the time.

1242

01:13:23,378 —> 01:13:27,644

If they take Lucy

away from her father...

1243

01:13:27,682 —> 01:13:31,948

they will take away

an enormous piece of her...

1244

01:13:31,986 —> 01:13:37,549

and I worry that she will spend
the rest of her life...

1245
01:13:37,592 —> 01:13:41,653
trying to fill that hole.

1246
01:13:43,031 —> 01:13:45,397
Thank you, Ms. Cassell.

1247
01:13:45,433 —> 01:13:47,128
No further questions.

1248
01:13:49,003 —> 01:13:52,097
Thank you for coming here
today, Annie.

1249
01:13:52,140 —> 01:13:56,600
You're welcome, Sam.

1250
01:13:56,644 —> 01:13:58,305
Can Sam add?

1251

01:13:58,346 —> 01:14:00,814

Yes.

1252

01:14:00,849 —> 01:14:03,044

What about multiplication?

1253

01:14:03,084 —> 01:14:04,483

He's learning.

1254

01:14:04,519 —> 01:14:07,852

What does that mean?

He can't multiply two times two?

1255

01:14:07,889 —> 01:14:11,518

I don't know about you,

Mr. Turner...

1256

01:14:11,559 —> 01:14:13,959

but my memories of my parents...

1257

01:14:13,995 —> 01:14:17,123

have nothing to do with

the times table...

1258

01:14:17,165 —> 01:14:19,633

or with state capitals.

1259

01:14:19,667 —> 01:14:22,397

A truck ran into

the state capital building...

1260

01:14:22,437 —> 01:14:25,463

and it went on fire

on television.

1261

01:14:25,507 —> 01:14:28,305

I saw that on the news with

the reporter with the toupee...

1262

01:14:28,343 —> 01:14:30,538

and Mr. Turner lost his toupee.

1263

01:14:30,578 —> 01:14:33,274

Thank you, Mr. Wali.

1264

01:14:36,017 —> 01:14:39,817
I bet
he's knocking on your door...

1265
01:14:39,854 —> 01:14:41,185
asking questions all the time.

1266
01:14:41,222 —> 01:14:43,986
Yes. All the time.

1267
01:14:44,025 —> 01:14:47,290
Let's see.
The last question...

1268
01:14:47,328 —> 01:14:50,661
was whether to use
Biz or Clorox...

1269
01:14:50,698 —> 01:14:53,826
to get the grass stains
out of Lucy's soccer uniform.

1270
01:14:56,905 —> 01:15:00,204

Eventually,

Lucy will go through puberty.

1271

01:15:00,241 —> 01:15:02,539

How much insight or know-how...

1272

01:15:02,577 —> 01:15:06,035

will he bring to

those sensitive subjects...

1273

01:15:06,080 —> 01:15:07,775

of a young girl's development?

1274

01:15:07,816 —> 01:15:09,181

I can only imagine how much...

1275

01:15:09,217 —> 01:15:11,651

insight and sensitivity

you yourself would bring...

1276

01:15:11,686 —> 01:15:13,881

to that delicate area,

Mr. Turner...

1277

01:15:13,922 —> 01:15:15,856

or any father, for that matter.

1278

01:15:18,326 —> 01:15:20,089

And you've had plenty

of opportunity...

1279

01:15:20,128 —> 01:15:21,152

to observe fathers,

haven't you?

1280

01:15:21,196 —> 01:15:22,595

Objection.

1281

01:15:22,630 —> 01:15:25,531

The fact that Ms. Cassell

hasn't left her room in...

1282

01:15:25,567 —> 01:15:27,694

I don't know

how many years...

1283

01:15:27,735 —> 01:15:29,532

must have some effect

on her perception.

1284

01:15:29,571 —> 01:15:33,564

I'll allow it.

Please answer the question.

1285

01:15:35,343 —> 01:15:38,437

I have had 28 years

in the real world...

1286

01:15:38,479 —> 01:15:41,073

and...

1287

01:15:41,115 —> 01:15:44,881

I have been able to observe

all kinds of fathers.

1288

01:15:44,919 —> 01:15:47,615

What about your father?

1289

01:15:50,892 —> 01:15:52,917
Ms. Cassell...

1290
01:15:52,961 —> 01:15:54,724
since you seem to be
such an expert...

1291
01:15:54,762 —> 01:15:56,559
on father-daughter
relationships.

1292
01:16:08,943 —> 01:16:12,936
I'm sorry, Ms. Cassell.
I need to hear your response.

1293
01:16:14,415 —> 01:16:16,246
What about your father?

1294
01:16:21,589 —> 01:16:23,489
What about your father?

1295
01:16:23,524 —> 01:16:25,014
Objection to that.

1296

01:16:25,059 —> 01:16:26,617

Excuse me, Mr. Dawson. Please.

1297

01:16:26,661 —> 01:16:30,324

-Overruled.

-That's overruled.

1298

01:16:30,365 —> 01:16:33,493

Mr. Dawson, please sit down.

1299

01:16:33,534 —> 01:16:35,900

Overruled.

1300

01:16:35,937 —> 01:16:38,405

Mr. Dawson, sit down!

1301

01:16:38,439 —> 01:16:41,408

Annie's father was a meanie.

1302

01:16:41,442 —> 01:16:45,742

Sam has his big day

on the stand tomorrow...

1303
01:16:45,780 —> 01:16:47,714
and we need to do
a little bit of work...

1304
01:16:47,749 —> 01:16:49,649
so he's as effective
as you were.

1305
01:16:49,684 —> 01:16:54,178
I want to be as effective
as you were, Annie.

1306
01:16:54,222 —> 01:16:57,089
On the Porsche,
the door handle...

1307
01:16:57,125 —> 01:16:59,958
is a little hidden
by that thingamajig.

1308
01:16:59,994 —> 01:17:01,655

So, if you're having

trouble finding it—

1309

01:17:01,696 —> 01:17:03,254

No!

1310

01:17:03,298 —> 01:17:08,565

I think maybe Annie's

not exactly ready to go yet.

1311

01:17:08,603 —> 01:17:10,366

We'll just take our time.

1312

01:17:12,573 —> 01:17:15,201

-Home.

-Dialing office.

1313

01:17:15,243 —> 01:17:18,906

-Home.

-Dialing office.

1314

01:17:18,947 —> 01:17:21,347

Home, god damn it!

1315

01:17:21,382 —> 01:17:23,612

I'm ready now.

1316

01:17:23,651 —> 01:17:25,551

Good. Fine.

1317

01:17:25,586 —> 01:17:28,054

Sam, Annie's ready.

1318

01:17:48,876 —> 01:17:50,707

Wow!

1319

01:17:51,879 —> 01:17:53,813

Let's work in the den.

It's down here.

1320

01:18:13,067 —> 01:18:15,763

Hey, Willy. Where's your dad?

1321

01:18:15,803 —> 01:18:17,566

Guess.

1322

01:18:17,605 —> 01:18:19,129

I don't want to guess.

Where is he?

1323

01:18:19,173 —> 01:18:21,607

Where was he last night?

1324

01:18:21,642 —> 01:18:23,303

Working. Late.

1325

01:18:23,344 —> 01:18:24,709

There. You guessed it.

1326

01:18:24,746 —> 01:18:26,839

Did he say who was

supposed to take care of you?

1327

01:18:26,881 —> 01:18:29,611

You. But you said

you were working late, too.

1328

01:18:29,650 —> 01:18:31,675

I am working late.

1329

01:18:34,689 —> 01:18:35,781

How was your day?

1330

01:18:35,823 —> 01:18:37,814

You have to work. Go work.

1331

01:18:37,859 —> 01:18:39,554

How was your—

1332

01:18:41,229 —> 01:18:43,220

Hello? Where are you?

1333

01:18:43,264 —> 01:18:45,323

I've been waiting here an hour.

1334

01:18:52,540 —> 01:18:55,407

What the hell

is that supposed to mean?

1335

01:18:55,443 —> 01:18:58,037

You were on line two.

1336

01:18:58,079 —> 01:18:59,671

You don't sound

like you're on the freeway.

1337

01:19:04,819 —> 01:19:09,188

Danger, Will Robinson. Danger.

1338

01:19:14,195 —> 01:19:16,629

There you are.

1339

01:19:16,664 —> 01:19:19,929

You gonna come see the movie?

It's the best part.

1340

01:19:19,967 —> 01:19:22,800

It's getting late.

We better get to work.

1341

01:19:27,308 —> 01:19:28,935

It's time to get ready for bed.

1342

01:19:33,281 —> 01:19:34,908

Willy, it's time for bed.

1343

01:19:38,820 —> 01:19:40,151

Our strategy is...

1344

01:19:40,188 —> 01:19:42,247

we're aggressively pursuing

a support system.

1345

01:19:42,290 —> 01:19:43,621

I'm going to ask you...

1346

01:19:43,658 —> 01:19:46,422

"How are you prepared

to help Lucy at school?"

1347

01:19:46,461 —> 01:19:49,362

Let me see. Let me see.

1348

01:19:49,397 —> 01:19:51,763

Sam, I told you,

you have to stop saying that.

1349

01:19:51,799 —> 01:19:54,461

It makes you look stupid.

1350

01:19:54,502 —> 01:19:57,903

OK, try again.

1351

01:19:59,507 —> 01:20:01,475

You say

you will find her a tutor.

1352

01:20:01,509 —> 01:20:02,976

Then I say,

"How will you pay for it?"

1353

01:20:03,010 —> 01:20:06,343

Could you slow down?

1354

01:20:06,380 —> 01:20:09,349

Why do you eat so fast?

1355

01:20:09,383 —> 01:20:11,351

We have been over this

a million times.

1356

01:20:11,385 —> 01:20:13,615

Yeah.

1357

01:20:13,654 —> 01:20:16,953

You found her a free

tutoring service at the YWCA.

1358

01:20:16,991 —> 01:20:19,585

But I didn't. You did.

1359

01:20:23,898 —> 01:20:29,131

Can you grasp the concept of...

1360

01:20:29,170 —> 01:20:30,933

manipulating the truth?

1361

01:20:30,972 —> 01:20:32,439

Not lying.

1362

01:20:32,473 —> 01:20:35,909

Just a little tweak

here and there.

1363

01:20:38,346 —> 01:20:39,813

No.

1364

01:20:44,585 —> 01:20:45,916

You're so lucky.

1365

01:20:45,953 —> 01:20:49,354

You get to play with Willy

any time you want.

1366

01:20:51,926 —> 01:20:54,053

He doesn't

want to play with me.

1367

01:20:55,963 —> 01:20:58,761

Yes, he does.

1368

01:20:58,799 —> 01:21:01,063
Yes, he does. He does.

1369
01:21:01,102 —> 01:21:03,798
He thinks
you don't want to play, maybe.

1370
01:21:03,838 —> 01:21:05,863
That's ridiculous.
Of course I do.

1371
01:21:07,475 —> 01:21:08,669
Tweak.

1372
01:21:08,709 —> 01:21:12,145
I drove around after work
yesterday till 9:30...

1373
01:21:12,180 —> 01:21:16,276
looking for
that frigging Raptor scooter!

1374
01:21:28,095 —> 01:21:31,462

So, what made you harass

that young boy at your house?

1375

01:21:31,499 —> 01:21:36,527

I didn't harass that boy,

and you know it, Rita.

1376

01:21:36,571 —> 01:21:40,098

I'm pretending to be Mr. Turner.

Remember?

1377

01:21:46,147 —> 01:21:50,243

If I look at you,

I'm gonna laugh again.

1378

01:21:54,989 —> 01:21:57,355

OK, Mr. Turner.

1379

01:21:57,391 —> 01:21:59,825

I'm Mr. Turner. All right?

1380

01:21:59,860 —> 01:22:03,159

Isn't Lucy already

smarter than you?

1381

01:22:03,197 —> 01:22:05,597

You buried yourself.

You've got to do better.

1382

01:22:05,633 —> 01:22:09,626

I kind of think

we're the same smart.

1383

01:22:09,670 —> 01:22:10,728

What does that mean?

1384

01:22:10,771 —> 01:22:13,467

I know the bus routes

better than she does.

1385

01:22:13,507 —> 01:22:16,203

How does that make you

the same smart?

1386

01:22:18,446 —> 01:22:20,971

Doesn't every parent

want their kid to be smart?

1387

01:22:21,015 —> 01:22:23,882

That's true,

but the issue here is that...

1388

01:22:23,918 —> 01:22:27,479

at the age of seven,

Lucy is smarter than you.

1389

01:22:27,521 —> 01:22:32,458

But in some ways,

I'm smarter than she is.

1390

01:22:32,493 —> 01:22:34,825

You got to be firm on this.

1391

01:22:40,568 —> 01:22:44,402

In some ways, she's—

1392

01:22:44,438 —> 01:22:47,305

In some ways,

I'm smarter than her.

1393

01:22:47,341 —> 01:22:50,538

In some ways, I'm smarter

than you, Mr. Turner.

1394

01:22:50,578 —> 01:22:54,309

In some ways, I'm smarter

than you, Judge McNeilly.

1395

01:22:54,348 —> 01:22:58,045

Whoa. Take it down.

1396

01:23:05,693 —> 01:23:07,160

Want some marshmallows?

1397

01:23:07,194 —> 01:23:09,822

This is my husband's.

He'll never notice.

1398

01:23:09,864 —> 01:23:11,832

He has ten more just like it.

1399

01:23:14,402 —> 01:23:15,630

Try it on.

1400

01:23:17,805 —> 01:23:19,432

Will you look that way?

1401

01:23:19,473 —> 01:23:20,963

In there.

1402

01:23:25,046 —> 01:23:30,040

I wasn't exactly sure

how to tie this.

1403

01:23:30,084 —> 01:23:32,018

Does it look bad?

1404

01:23:36,757 —> 01:23:39,590

No. Very, very good.

1405

01:23:45,333 —> 01:23:48,791

Cross over once.

1406

01:23:48,836 —> 01:23:52,795
And loop this around...

1407
01:23:52,840 —> 01:23:57,868
and up inside of the neck.

1408
01:23:57,912 —> 01:24:03,077
And then pull up
on the skinny part.

1409
01:24:04,518 —> 01:24:07,214
Oh, yeah. Yeah.

1410
01:24:20,401 —> 01:24:22,767
Today's your big day, buddy.
Making coffee.

1411
01:24:27,942 —> 01:24:31,002
-You ready?
-Thank you, George.

1412
01:24:31,045 —> 01:24:32,205
What time

you got to be in court?

1413

01:24:32,246 —> 01:24:36,148

I have to be

on the stand at 2:00.

1414

01:24:36,183 —> 01:24:40,916

Two venti Caramel Macchiatos.

That's a wonderful choice.

1415

01:24:40,955 —> 01:24:45,153

Two cappuccinos

and a Hazelnut Frappuccino.

1416

01:24:45,192 —> 01:24:47,752

Two Orange Mocha Chip

Frappucinos.

1417

01:24:47,795 —> 01:24:51,162

Two Caramel Frappucinos and a—

1418

01:24:51,198 —> 01:24:54,292

I'm sorry. Can you

tell me that one more time?

1419

01:24:54,335 —> 01:24:57,099

Everybody's very thirsty today.

1420

01:24:57,138 —> 01:24:59,663

Oh, boy.

1421

01:24:59,707 —> 01:25:02,801

I'm going as fast as I can.

That's the only thing.

1422

01:25:02,843 —> 01:25:04,674

But I don't have all day.

1423

01:25:04,712 —> 01:25:07,510

No, just another

couple of minutes.

1424

01:25:07,548 —> 01:25:08,572

Not all day.

1425

01:25:08,616 —> 01:25:11,084
You know what? Fine.
Forget it. Thank you.

1426
01:25:13,387 —> 01:25:16,618
Sam, I need that tall decaf
vanilla drip right away.

1427
01:25:18,125 —> 01:25:20,787
A vanilla drip. Sorry.

1428
01:25:22,329 —> 01:25:23,523
Sorry.

1429
01:25:25,232 —> 01:25:28,395
I really have to hurry, though.

1430
01:25:28,436 —> 01:25:30,495
Is that enough? Oh, shoot.

1431
01:25:30,538 —> 01:25:32,472
Maybe you want something else.

1432

01:25:32,506 —> 01:25:35,634

Sam, I need

a grande soy latte...

1433

01:25:35,676 —> 01:25:37,507

but don't put any whipped cream

or foam on it.

1434

01:25:37,545 —> 01:25:40,139

I'm just trying to go

really fast.

1435

01:25:43,417 —> 01:25:46,250

-Oh, no!

-Sam, you'll be late.

1436

01:25:49,757 —> 01:25:52,419

Your Honor, I'm sure

he'll be here any moment.

1437

01:25:52,460 —> 01:25:55,486

This is an extremely

important day to Mr. Dawson.

1438

01:25:55,529 —> 01:25:57,997

I'm here!

1439

01:25:58,032 —> 01:25:59,499

Sorry.

1440

01:25:59,533 —> 01:26:02,001

Your Honor, may I have a moment

to confer with my client?

1441

01:26:02,036 —> 01:26:03,333

Make it brief, Ms. Harrison.

1442

01:26:03,370 —> 01:26:05,895

What the hell happened to you?

1443

01:26:05,940 —> 01:26:07,965

-I'm late.

-What's that smell? Mint?

1444

01:26:08,008 —> 01:26:11,205

No, no. The blender exploded.

1445

01:26:11,245 —> 01:26:12,212

Look at me.

1446

01:26:12,246 —> 01:26:14,544

Slow down,

because Lucy needs you.

1447

01:26:14,582 —> 01:26:16,209

Yeah, Lucy needs me.

1448

01:26:16,250 —> 01:26:17,740

We need you, Ms. Harrison.

1449

01:26:17,785 —> 01:26:20,811

I go in there now,

because it's my turn.

1450

01:26:20,855 —> 01:26:22,482

Go sit.

1451

01:26:25,826 —> 01:26:29,159
How will you be able
to pay for private tutoring?

1452
01:26:29,196 —> 01:26:34,657
There's a free program
at the YWCA...

1453
01:26:34,702 —> 01:26:38,661
and Lucy can go to that program.

1454
01:26:38,706 —> 01:26:40,901
Don't you ever think
it would be better for Lucy...

1455
01:26:40,941 —> 01:26:44,342
if she lived with
a permanent foster family...

1456
01:26:44,378 —> 01:26:45,675
and you could visit
whenever you wanted?

1457

01:26:45,713 —> 01:26:50,650
No, I don't think
that's a very good idea, see.

1458
01:26:50,684 —> 01:26:55,678
Because the Fosters,
they don't know Lucy.

1459
01:26:55,723 —> 01:26:58,783
And I know Lucy
because I'm her father.

1460
01:26:58,826 —> 01:27:03,024
So, I think
if they want to see her...

1461
01:27:03,063 —> 01:27:08,091
then the Fosters can come over
to our house to visit her.

1462
01:27:08,135 —> 01:27:11,070
And I'm very firm on this.

1463

01:27:11,105 —> 01:27:18,637
I'm very firm on this idea,
because Lucy belongs with me.

1464
01:27:19,647 —> 01:27:20,841
Why?

1465
01:27:30,457 —> 01:27:34,553
Remember when Paul McCartney
wrote the song "Michelle"...

1466
01:27:34,595 —> 01:27:38,429
and then he only wrote
the first part, Annie said.

1467
01:27:38,465 —> 01:27:41,298
And then he gave
that part to John Lennon...

1468
01:27:41,335 —> 01:27:43,098
and he wrote the part
that said...

1469

01:27:43,137 —> 01:27:45,901

"I love you,

I love you, I love you."

1470

01:27:45,940 —> 01:27:48,374

Annie said

that it wouldn't have been...

1471

01:27:48,409 —> 01:27:50,502

the same song without that...

1472

01:27:50,544 —> 01:27:53,274

and that's why

the whole world cried...

1473

01:27:53,314 —> 01:27:57,910

when the Beatles broke up

on April 10, 1970.

1474

01:28:03,457 —> 01:28:06,017

No further questions.

1475

01:28:07,628 —> 01:28:09,960

So, your parents put you
in an institution.

1476
01:28:12,266 —> 01:28:15,758
My mother got sick, see...

1477
01:28:15,803 —> 01:28:17,862
so I had to go in
an institution...

1478
01:28:17,905 —> 01:28:19,930
when my mother got sick.

1479
01:28:19,974 —> 01:28:22,340
What about your father?
Where was he?

1480
01:28:22,376 —> 01:28:25,868
He was gone when I was born.

1481
01:28:25,913 —> 01:28:29,872
He went away when I was born.

1482

01:28:29,917 —> 01:28:33,375

So the people at the institution

were your parents.

1483

01:28:33,420 —> 01:28:34,910

Were they nice to you?

1484

01:28:34,955 —> 01:28:38,220

Some, yes. Some, no.

1485

01:28:38,258 —> 01:28:39,691

Did they hit you?

1486

01:28:39,727 —> 01:28:42,628

Sometimes they did hit me.

Yeah.

1487

01:28:42,663 —> 01:28:45,325

Like you hit Lucy's friend

at her birthday party?

1488

01:28:45,366 —> 01:28:47,027

Objection. Mistakes

the facts and evidence.

1489

01:28:47,067 —> 01:28:48,329

Nobody hit anybody.

1490

01:28:48,369 —> 01:28:50,337

I'll rephrase that.

Strong-armed.

1491

01:28:51,905 —> 01:28:55,432

So, who do you look up to?

1492

01:28:55,476 —> 01:28:56,841

Who do you want to be like...

1493

01:28:56,877 —> 01:29:00,210

as a father

when parenting Lucy?

1494

01:29:00,247 —> 01:29:02,477

The head of the institution?

The principal? The warden?

1495

01:29:02,516 —> 01:29:06,748

Not Mr. Whitehead. Not him.

1496

01:29:06,787 —> 01:29:08,550

Then who?

1497

01:29:11,759 —> 01:29:13,021

Who?

1498

01:29:15,529 —> 01:29:18,987

Myself.

1499

01:29:19,033 —> 01:29:23,766

I look up to myself as a father.

1500

01:29:23,804 —> 01:29:29,037

Mr. Dawson, you have

the capacity of a 7-year-old.

1501

01:29:29,076 —> 01:29:31,806

What makes you think you have

the ability to be a father?

1502

01:29:31,845 —> 01:29:33,403

Your background, your IQ...

1503

01:29:33,447 —> 01:29:35,210

your friends

who can't even testify—

1504

01:29:35,249 —> 01:29:37,717

Objection.

Compound questions.

1505

01:29:37,751 —> 01:29:39,446

-Objection!

-Sustained.

1506

01:29:39,486 —> 01:29:41,477

They love Lucy, see.

1507

01:29:41,522 —> 01:29:44,980

Even if Rita didn't think

they were smart enough...

1508

01:29:45,025 —> 01:29:47,858

to testify, they love Lucy.

1509

01:29:47,895 —> 01:29:50,455

Yeah. I love Lucy.

1510

01:29:50,497 —> 01:29:53,295

Even if Rita thought

you'd wipe the floor with them.

1511

01:29:53,333 —> 01:29:55,961

Mr. Dawson,

your lawyer just objected.

1512

01:29:56,003 —> 01:29:58,403

You didn't have to answer

that question.

1513

01:29:58,439 —> 01:29:59,599

You can't even follow

simple rules...

1514

01:29:59,640 —> 01:30:01,403

you've been observing

day after day.

1515

01:30:01,442 —> 01:30:03,603

-Objection. Your Honor—

-Overruled.

1516

01:30:03,644 —> 01:30:07,136

What makes you think

you can raise a 7-year-old?

1517

01:30:07,181 —> 01:30:08,944

A 10-year-old? A 13-year-old?

1518

01:30:08,982 —> 01:30:10,540

You know what that means?

1519

01:30:10,584 —> 01:30:14,418

She'll be six years

more advanced than you.

1520

01:30:15,622 —> 01:30:17,419
What makes you think
you can do that?

1521
01:30:17,458 —> 01:30:21,918
What makes you think
you can do that?

1522
01:30:21,962 —> 01:30:23,452
What makes you think
you can do that?

1523
01:30:26,366 —> 01:30:29,631
I...

1524
01:30:29,670 —> 01:30:33,902
have had a lot
of time, see, to...

1525
01:30:33,941 —> 01:30:36,307
think about what it is...

1526
01:30:36,343 —> 01:30:40,336

that makes somebody

a good parent...

1527

01:30:40,380 —> 01:30:44,578

and it's about constancy...

1528

01:30:44,618 —> 01:30:46,745

and it's about...

1529

01:30:51,325 —> 01:30:55,887

patience,

and it's about listening...

1530

01:30:55,929 —> 01:30:59,490

and it's about

pretending to listen...

1531

01:30:59,533 —> 01:31:03,629

even when

you can't listen anymore.

1532

01:31:03,670 —> 01:31:07,197

And it's about love,

like she said.

1533

01:31:07,241 —> 01:31:10,369

See, Billy has a home with me...

1534

01:31:10,410 —> 01:31:13,641

and I made it the best I could.

1535

01:31:13,680 —> 01:31:15,341

And it's not perfect...

1536

01:31:15,382 —> 01:31:18,579

and I'm not a perfect parent...

1537

01:31:18,619 —> 01:31:21,850

and sometimes I don't have

enough patience...

1538

01:31:21,889 —> 01:31:25,825

and I forget

he's just a little kid...

1539

01:31:25,859 —> 01:31:30,023
but we built a life
together...

1540
01:31:30,063 —> 01:31:32,861
and we love each other.

1541
01:31:32,900 —> 01:31:35,596
And if you destroy that...

1542
01:31:35,636 —> 01:31:40,938
it'll be irre—irrep—

1543
01:31:40,974 —> 01:31:42,498
Let me see. Let me see.

1544
01:31:48,649 —> 01:31:50,708
-Irreparable.
-Yep!

1545
01:31:50,751 —> 01:31:51,911
Yes. Yes.

1546

01:31:51,952 —> 01:31:54,318

Joanne, don't do that, please.

1547

01:31:54,354 —> 01:31:56,879

Don't do it twice.

Not to him.

1548

01:31:56,924 —> 01:32:00,826

Meryl Streep can't even look

at Dustin Hoffman after that.

1549

01:32:03,864 —> 01:32:05,491

"Kramer vs. Kramer."

1550

01:32:07,601 —> 01:32:09,899

Thank you, Mr. Wali,

for that commentary.

1551

01:32:09,937 —> 01:32:13,566

Your Honor, my client

is understandably upset.

1552

01:32:13,607 —> 01:32:14,665
Motion to recess.

1553
01:32:14,708 —> 01:32:17,836
I don't exactly
like recess very much.

1554
01:32:17,878 —> 01:32:20,108
Motion denied.

1555
01:32:20,147 —> 01:32:22,047
Continue with your witness,
Mr. Turner.

1556
01:32:22,082 —> 01:32:24,482
Mr. Dawson...it's hard.

1557
01:32:24,518 —> 01:32:28,420
I know it's hard to know what
to say to Lucy half the time.

1558
01:32:28,455 —> 01:32:30,889
Right? Is it?

1559

01:32:30,924 —> 01:32:32,186

No.

1560

01:32:32,226 —> 01:32:34,524

No? Was that a no?

1561

01:32:34,561 —> 01:32:36,461

No what?

1562

01:32:36,496 —> 01:32:38,555

Let me see.

1563

01:32:40,934 —> 01:32:43,402

I don't know exactly.

1564

01:32:43,437 —> 01:32:45,132

I'm sorry, Mr. Dawson.

You don't know what?

1565

01:32:45,172 —> 01:32:47,470

I don't...yeah.

1566

01:32:47,507 —> 01:32:48,804

OK. Yeah.

1567

01:32:48,842 —> 01:32:50,139

Yes? Yes, you don't know.

1568

01:32:50,177 —> 01:32:52,372

Right? You don't know...

1569

01:32:52,412 —> 01:32:55,040

what it takes

to raise your daughter.

1570

01:32:55,082 —> 01:32:56,106

Objection.

1571

01:32:56,149 —> 01:32:58,117

These are not questions.

This is an attack.

1572

01:32:58,151 —> 01:32:59,118

Overruled.

1573

01:32:59,152 —> 01:33:01,950

I'm Lucy's father.

1574

01:33:01,989 —> 01:33:04,253

-I'm her father.

-Are you really?

1575

01:33:04,291 —> 01:33:05,588

I'm not talking

about the fact...

1576

01:33:05,626 —> 01:33:07,924

that you got

some homeless woman pregnant.

1577

01:33:07,961 —> 01:33:09,326

Objection, Your Honor!

1578

01:33:09,363 —> 01:33:12,230

Get to the question, Mr. Turner.

1579

01:33:12,266 —> 01:33:17,329

The question is,

if you love your daughter...

1580

01:33:17,371 —> 01:33:19,464

as much as you say you do—

1581

01:33:19,506 —> 01:33:21,770

and I know that you do—

1582

01:33:21,808 —> 01:33:24,174

don't you think

she deserves more?

1583

01:33:25,512 —> 01:33:26,570

Don't you

in your heart of hearts...

1584

01:33:26,613 —> 01:33:29,514

secretly question yourself

every day?

1585

01:33:29,549 —> 01:33:31,176

Objection. Compound questions.

1586

01:33:31,218 —> 01:33:33,152

OK, yeah!

1587

01:33:33,186 —> 01:33:34,585

I'm sorry. Was that a yes?

1588

01:33:34,621 —> 01:33:37,454

I think

Lucy deserves everything.

1589

01:33:37,491 —> 01:33:41,450

In my heart of hearts,

I think she deserves everything.

1590

01:33:41,495 —> 01:33:42,587

Yes, she does.

1591

01:33:42,629 —> 01:33:45,462

-Yeah, OK.

-Yes, she does.

1592

01:33:45,499 —> 01:33:47,524

And you agree

with everyone here...

1593

01:33:47,567 —> 01:33:50,934

that you can't give her that.

1594

01:33:50,971 —> 01:33:54,099

Maybe everybody's right, see.

1595

01:33:54,141 —> 01:33:57,269

Maybe everybody's right

about that, see.

1596

01:33:57,311 —> 01:33:59,802

So no more now, OK?

1597

01:33:59,846 —> 01:34:04,010

No more now. No more.

1598

01:34:04,051 —> 01:34:09,887

I want to stop right now!

1599

01:34:09,923 —> 01:34:13,324

This is the end of this for me.

1600

01:36:49,316 —> 01:36:52,444

Your teacher told me

you're a wonderful artist.

1601

01:36:52,486 —> 01:36:55,319

So I was thinking maybe—

1602

01:36:55,355 —> 01:36:57,220

Daddy's coming today.

1603

01:36:58,792 —> 01:37:00,885

We're going to open

my birthday presents.

1604

01:37:00,927 —> 01:37:03,327

You must be so excited.

1605

01:37:03,363 —> 01:37:05,524
Why don't you just go
and do something?

1606
01:38:31,051 —> 01:38:34,578
Sam, it's me. Open up.

1607
01:38:34,621 —> 01:38:37,283
I don't have time for this.

1608
01:38:37,324 —> 01:38:40,725
You were supposed to show up
to your first evaluation...

1609
01:38:40,760 —> 01:38:42,694
and I leave work early
to be there...

1610
01:38:42,729 —> 01:38:45,562
and where the hell are you?
Open the door!

1611
01:38:46,800 —> 01:38:48,995

Sam, open the goddamn door.

1612

01:38:50,837 —> 01:38:53,465

If you don't care enough to

open the door, I'm out of here.

1613

01:38:53,506 —> 01:38:57,306

I've ruined my practice.

I've alienated my colleagues.

1614

01:38:57,344 —> 01:38:59,539

I sent my kid off on a fishing

trip with his father...

1615

01:38:59,579 —> 01:39:01,069

so that I could work with you...

1616

01:39:01,114 —> 01:39:04,049

and you won't open

the goddamn door for me!

1617

01:39:04,084 —> 01:39:05,881

Fine! That's it! I've had it!

1618

01:39:29,042 —> 01:39:31,636

Sam, can I come in?

1619

01:39:36,583 —> 01:39:38,448

Not really room here.

1620

01:39:38,485 —> 01:39:41,113

There's no room here.

1621

01:39:41,154 —> 01:39:45,215

Yeah, well, I lived

in the East Village.

1622

01:39:45,258 —> 01:39:46,657

I don't need a lot of room.

1623

01:39:46,693 —> 01:39:47,853

Because I make things—

1624

01:39:47,894 —> 01:39:50,454

everything is too hard

on everybody.

1625

01:39:50,497 —> 01:39:54,331

I make everything hard

on everybody.

1626

01:39:54,367 —> 01:39:56,267

I can go...

1627

01:39:58,271 —> 01:40:01,001

at least another nine rounds.

1628

01:40:01,041 —> 01:40:02,531

But you gotta let me in.

1629

01:40:05,111 —> 01:40:07,875

Please. Sam.

1630

01:40:14,254 —> 01:40:15,482

There you are.

1631

01:40:18,658 —> 01:40:21,718

Now I can see those kind eyes.

1632

01:40:23,897 —> 01:40:29,028

So, George says that

you needed a break from work.

1633

01:40:29,069 —> 01:40:32,470

I don't really want

to work there anymore...

1634

01:40:32,505 —> 01:40:34,132

because there's too many people.

1635

01:40:34,174 —> 01:40:41,410

Then maybe we can find you

a quieter job, because—

1636

01:40:41,448 —> 01:40:44,042

Remember that was one of

the judge's conditions...

1637

01:40:44,084 —> 01:40:45,415

that you earn more money.

1638

01:40:45,452 —> 01:40:48,080

You have to keep

earning more money...

1639

01:40:48,121 —> 01:40:49,918

so that you can

get a new apartment...

1640

01:40:49,956 —> 01:40:51,924

and Lucy can have

her own room...

1641

01:40:51,958 —> 01:40:53,550

for when you get her back.

1642

01:40:53,593 —> 01:40:57,791

Yeah, except that

Lucy doesn't need me anymore.

1643

01:40:57,831 —> 01:41:01,927

She has a new family now...

1644

01:41:01,968 —> 01:41:04,266

and she doesn't need me anymore.

1645

01:41:04,304 —> 01:41:05,464

Is that what she said?

1646

01:41:05,505 —> 01:41:08,030

It's because I know that.

1647

01:41:08,074 —> 01:41:10,406

Because I just know that.

1648

01:41:10,443 —> 01:41:12,843

Well.

1649

01:41:12,879 —> 01:41:15,541

That's the first stupid thing

I've ever heard you say.

1650

01:41:18,284 —> 01:41:21,378

Sam, you can get Lucy back.

1651

01:41:21,421 —> 01:41:24,822

The court favors reunification.

1652

01:41:24,858 —> 01:41:28,885

But, Sam,

you have to fight for her.

1653

01:41:28,928 —> 01:41:31,795

Yeah, but I tried!

I tried hard!

1654

01:41:31,831 —> 01:41:35,597

-Try harder!

-Yeah, but you don't know!

1655

01:41:35,635 —> 01:41:36,966

I don't know what?

1656

01:41:37,003 —> 01:41:39,301

You don't know

what it's like when you try...

1657

01:41:39,339 —> 01:41:43,776
and you try and you try
and you don't ever get there!

1658
01:41:43,810 —> 01:41:48,770
Because you were born perfect,
and I was born like this!

1659
01:41:48,815 —> 01:41:50,339
And you're perfect!

1660
01:41:50,383 —> 01:41:51,611
Is that right?

1661
01:41:51,651 —> 01:41:54,279
-People like you don't know.
-People like me?

1662
01:41:54,320 —> 01:41:57,153
You don't know what it's like
to get hurted...

1663
01:41:57,190 —> 01:42:00,216

because you don't have feelings.

1664

01:42:00,260 —> 01:42:04,060

People like you

don't feel anything.

1665

01:42:09,369 —> 01:42:13,863

You think you got the market

cornered on human suffering?

1666

01:42:13,907 —> 01:42:16,205

Let me tell you something

about people like me.

1667

01:42:16,242 —> 01:42:23,307

People like me feel lost

and little and ugly...

1668

01:42:23,349 —> 01:42:25,840

and dispensable.

1669

01:42:25,885 —> 01:42:28,752

People like me have husbands...

1670

01:42:28,788 —> 01:42:33,782

screwing someone else

far more perfect than me.

1671

01:42:33,827 —> 01:42:38,526

People like me

have sons who hate them.

1672

01:42:41,935 —> 01:42:46,770

And I've screamed

horrible things to him...

1673

01:42:46,806 —> 01:42:48,740

a seven-year-old,

because he doesn't want...

1674

01:42:48,775 —> 01:42:52,006

to get in the car

at the end of the day.

1675

01:42:52,045 —> 01:42:57,950

And then he looks at me

with such anger...

1676

01:42:57,984 —> 01:43:02,216

and I hate him then.

1677

01:43:02,255 —> 01:43:05,850

I know I'm failing you.

I know I'm disappointing you.

1678

01:43:05,892 —> 01:43:09,419

I know you deserve better,

but get in the fucking car!

1679

01:43:14,534 —> 01:43:20,234

Every morning,

I wake up and I fail.

1680

01:43:20,273 —> 01:43:24,437

And I look around, and everybody

seems to be pulling it off...

1681

01:43:24,477 —> 01:43:28,573

but somehow I can't...

1682

01:43:28,615 —> 01:43:30,674

no matter how hard I try.

1683

01:43:32,986 —> 01:43:37,252

Somehow...I'll never be enough.

1684

01:43:37,290 —> 01:43:38,780

You're enough.

1685

01:43:38,825 —> 01:43:43,660

Yeah, you're much more

than enough.

1686

01:43:43,696 —> 01:43:45,664

Lovely Rita.

1687

01:44:19,065 —> 01:44:20,862

Get off the grass, Dino.

1688

01:44:26,139 —> 01:44:27,834

OK, come on.

1689

01:44:27,874 —> 01:44:31,332

Be careful,

because you're gonna get hurt.

1690

01:44:31,377 —> 01:44:33,811

Guys, be careful

of the pictures.

1691

01:44:33,846 —> 01:44:35,370

Be careful

of the pretty pictures.

1692

01:44:35,415 —> 01:44:36,382

Sam, you're early.

1693

01:44:36,416 —> 01:44:38,646

All the lights were green.

1694

01:44:38,685 —> 01:44:41,620

When I was walking here,

all the lights were green.

1695

01:44:41,654 —> 01:44:43,679

There's a reason

for the court schedule.

1696

01:44:43,723 —> 01:44:45,486

You stopped showing up.

1697

01:44:46,826 —> 01:44:49,522

Lucy's had to rebuild

her whole life, Sam.

1698

01:44:49,562 —> 01:44:52,622

I want her back.

I know I can get her back.

1699

01:44:52,665 —> 01:44:54,929

That's not up to me.

1700

01:44:54,968 —> 01:44:57,436

But I'm just gonna tell you...

1701

01:44:57,470 —> 01:44:59,267

I'm gonna do everything

in my power...

1702

01:44:59,305 —> 01:45:01,899

to protect that little girl

from getting hurt again.

1703

01:45:05,445 —> 01:45:07,879

Whose dogs are these?

1704

01:45:07,914 —> 01:45:10,109

These are supplemental income.

1705

01:45:10,149 —> 01:45:14,950

Because I wash and I walk

and I feed the dogs.

1706

01:45:14,988 —> 01:45:18,583

Sam Dawson has everything

for your canine needs.

1707

01:45:20,460 —> 01:45:22,052

Let me go get your daughter.

1708

01:45:23,229 —> 01:45:25,629

Everybody behave

like a gentleman...

1709

01:45:25,665 —> 01:45:28,361

because Lucy's

gonna come out here...

1710

01:45:28,401 —> 01:45:32,030

and first impressions

are very important.

1711

01:45:35,942 —> 01:45:37,773

You never even came!

1712

01:45:37,810 —> 01:45:40,278

You never called!

1713

01:45:40,313 —> 01:45:43,544

You forgot about me!

How could you forget me?

1714

01:45:43,583 —> 01:45:46,814

No, I didn't forget you!

I would never forget you!

1715

01:45:46,853 —> 01:45:49,083

I hate you!

1716

01:45:49,122 —> 01:45:52,057

Will you not be mad at me

for one second?

1717

01:45:52,091 —> 01:45:55,185

Because I want to

tell you one thing, OK?

1718

01:45:55,228 —> 01:45:59,062

Because last night,

I was writing you a letter...

1719

01:45:59,098 —> 01:46:03,694

and then the words,

they got too big.

1720

01:46:03,736 —> 01:46:06,534

Gesundheit, Floppy.

Floppy has a cold.

1721

01:46:06,572 —> 01:46:08,733

And then I said...

1722

01:46:08,775 —> 01:46:13,371

"Dear Lucy, I'm sorry

I maybe hurt your feelings...

1723

01:46:13,413 —> 01:46:18,146

"and I was thinking

about you all the time.

1724

01:46:18,184 —> 01:46:21,585

"Lucy on a hammock...

1725

01:46:21,621 —> 01:46:23,213

"and Lucy at school...

1726

01:46:23,256 —> 01:46:26,987

"and Lucy in the sky

and kisses and hugs, Daddy.

1727

01:46:27,026 —> 01:46:30,325

"And P.S. I love you,

like the song.

1728

01:46:30,363 —> 01:46:33,730

"P.S. I love you,

like in the song."

1729

01:46:53,252 —> 01:46:55,083

Hello, Mr. Dawson.

1730

01:46:55,121 —> 01:46:58,750

Yeah. Hello, lawyer.

1731

01:47:02,462 —> 01:47:03,429

Shall we?

1732

01:47:03,463 —> 01:47:05,294

And in these next months...

1733

01:47:05,331 —> 01:47:08,494

Mr. Dawson will be expanding

his support system...

1734

01:47:08,534 —> 01:47:12,436

to include regional service

programs, tutors, and—

1735

01:47:12,472 —> 01:47:14,702

I think it's very important

that you know...

1736

01:47:14,741 —> 01:47:19,201

that the foster family is

pushing forward toward adoption.

1737

01:47:19,245 —> 01:47:22,112

The Department of Child

and Family Services and I...

1738

01:47:22,148 —> 01:47:24,378

fully support their request.

1739

01:47:29,989 —> 01:47:32,514

Darn it.

1740

01:47:32,558 —> 01:47:40,294

Sam, there's one option

we've never talked about.

1741

01:47:40,333 —> 01:47:43,393

I know what you went through...

1742

01:47:43,436 —> 01:47:45,927

the last time

you took the stand.

1743

01:47:45,972 —> 01:47:48,532

I didn't like that at all.

1744

01:47:48,574 —> 01:47:53,238

We could give the foster parents

guardianship...

1745

01:47:53,279 —> 01:47:54,906

and then we could try...

1746
01:47:54,947 —> 01:47:57,745
for the most incredible
visitation rights...

1747
01:47:57,784 —> 01:48:01,720
and it would almost seem
like joint custody.

1748
01:48:04,557 —> 01:48:07,185
You're saying
I don't have a chance.

1749
01:48:07,226 —> 01:48:08,488
That's what you're saying.

1750
01:48:08,528 —> 01:48:10,621
No. I'm not saying
you don't have a chance.

1751
01:48:10,663 —> 01:48:15,066
That's what you said last time

and now look where he is.

1752

01:48:15,101 —> 01:48:17,968

But she's not saying

that I don't have a chance.

1753

01:48:18,004 —> 01:48:20,905

So tell me that I have a chance.

1754

01:48:23,676 —> 01:48:25,200

Oh, my God. Sam, you guys...

1755

01:48:25,244 —> 01:48:28,008

it's video night at my house,

and I'm not even there.

1756

01:48:28,047 —> 01:48:31,107

-Check.

-Sam, get your dessert to go.

1757

01:48:31,150 —> 01:48:35,314

Because, OK.

1758

01:48:35,354 —> 01:48:38,152

Wait.

This is really hard to say.

1759

01:48:38,191 —> 01:48:41,183

For me, this is

a very hard thing to say...

1760

01:48:41,227 —> 01:48:44,890

but I'm gonna stay and have

my dessert here with Rita...

1761

01:48:44,931 —> 01:48:48,992

and I'm not gonna go

to video night tonight.

1762

01:48:50,102 —> 01:48:51,262

What?

1763

01:48:51,304 —> 01:48:53,329

Gee, that figures.

I knew that was coming.

1764

01:48:53,372 —> 01:48:55,203

Sam, you can go if you—

1765

01:48:55,241 —> 01:48:57,801

-I said no, Rita.

-But if you want to go—

1766

01:48:57,844 —> 01:48:59,141

Do you want me to go?

1767

01:48:59,178 —> 01:49:02,773

No, I don't want you to go,

but you can go if you want.

1768

01:49:09,155 —> 01:49:11,123

-Fine.

-Fine.

1769

01:49:12,258 —> 01:49:13,850

Good-bye, Rita.

1770

01:49:13,893 —> 01:49:17,886

If you want to come to

video night, you're welcome to.

1771

01:49:17,930 —> 01:49:20,626

Thank you, Joe.

1772

01:49:20,666 —> 01:49:22,293

Bye, Joe.

1773

01:49:29,775 —> 01:49:33,711

Because you're eating slower.

That's good.

1774

01:49:33,746 —> 01:49:37,079

Because it's good to chew.

1775

01:49:37,116 —> 01:49:39,744

Buttermilk pancakes.

1776

01:49:39,785 —> 01:49:43,915

OK. Let me see.

1777

01:49:43,956 —> 01:49:46,982

OK, sidebar.

1778

01:49:51,430 —> 01:49:56,163

Because you—

you need to leave your husband.

1779

01:50:02,108 —> 01:50:05,669

And I need to get Lucy back.

1780

01:50:11,951 —> 01:50:13,441

We need—

1781

01:50:13,486 —> 01:50:18,651

When dealing with the customer,

always be friendly...

1782

01:50:22,161 —> 01:50:24,493

and not familiar.

1783

01:50:28,534 —> 01:50:30,399

Because I can be your friend.

1784

01:50:36,309 —> 01:50:38,174

Thank you.

1785

01:50:40,646 —> 01:50:42,807

But you still need

to leave your husband.

1786

01:50:46,319 —> 01:50:49,413

My marriage isn't so bad.

1787

01:50:53,659 —> 01:50:56,423

It's just that...

1788

01:50:56,462 —> 01:50:57,861

it's just...

1789

01:51:02,134 —> 01:51:04,796

I've never lost at anything.

1790

01:52:04,096 —> 01:52:06,690

-Daddy?

-Hi.

1791

01:52:06,732 —> 01:52:07,699

What are you doing here?

1792

01:52:07,733 —> 01:52:09,701

I live here.

1793

01:52:09,735 —> 01:52:10,759

What do you mean you live here?

1794

01:52:10,803 —> 01:52:12,202

Actually, I live here.

1795

01:52:12,238 —> 01:52:14,433

This is where you live?

1796

01:52:14,473 —> 01:52:16,100

So close to me?

1797

01:52:16,142 —> 01:52:18,736

Yeah, because I wanted

to be close.

1798

01:52:18,778 —> 01:52:21,303

I wanted to be closer to you...

1799

01:52:21,347 —> 01:52:25,408

so I live here

in that apartment.

1800

01:52:25,451 —> 01:52:26,850

It's number nine.

1801

01:52:26,886 —> 01:52:29,150

And number nine

is like October 9...

1802

01:52:29,188 —> 01:52:30,280

when John Lennon was born...

1803

01:52:30,322 —> 01:52:32,847

and his son was born

on October 9, too.

1804

01:52:32,892 —> 01:52:34,757
John met Yoko on November 9.

1805
01:52:34,794 —> 01:52:36,591
Yeah, and his mother lived...

1806
01:52:36,629 —> 01:52:40,725
at number nine Newcastle
in Liverpool.

1807
01:52:40,766 —> 01:52:43,166
Newcastle, nine letters.
Liverpool, nine letters.

1808
01:52:44,270 —> 01:52:48,070
Maybe I can talk to Daddy
for a minute?

1809
01:52:48,107 —> 01:52:49,734
Come over here, Dino.

1810
01:52:49,775 —> 01:52:52,869
You're a Girl Scout now!

1811

01:52:52,912 —> 01:52:54,277

Is that OK?

1812

01:52:54,313 —> 01:52:56,645

Yeah, that's really good.

1813

01:52:56,682 —> 01:52:57,944

Look at my pins.

1814

01:52:57,983 —> 01:53:01,578

-It looks very good on you.

-Thank you.

1815

01:53:01,620 —> 01:53:03,952

You'll be

a very good Girl Scout.

1816

01:53:03,989 —> 01:53:05,752

Sam, we need to talk.

1817

01:53:05,791 —> 01:53:07,315

What are you doing?

1818
01:53:07,359 —> 01:53:09,554
Trying to get closer to her
by moving closer?

1819
01:53:09,595 —> 01:53:11,893
We're supposed
to give her consistency.

1820
01:53:11,931 —> 01:53:13,694
We've got a week
till we go to court.

1821
01:53:17,303 —> 01:53:23,902
Because every time I came down
to see her on a bus...

1822
01:53:23,943 —> 01:53:26,810
I was always every time
wasting time on a bus.

1823
01:53:26,846 —> 01:53:29,178

I really do understand.

1824
01:53:29,215 —> 01:53:32,343
But we have to make it about her
and what's best for her.

1825
01:53:32,384 —> 01:53:34,818
Yeah, what's best for her
is what's most important.

1826
01:53:34,854 —> 01:53:37,288
-Right.
-Yeah.

1827
01:53:37,323 —> 01:53:38,915
Does Floppy still have his cold?

1828
01:53:38,958 —> 01:53:41,984
Yeah, but Floppy's
getting much better.

1829
01:53:42,027 —> 01:53:43,119
That's good.

1830

01:53:43,162 —> 01:53:45,960

Can I buy some cookies from you?

1831

01:53:45,998 —> 01:53:49,490

That'll be 3.25.

1832

01:53:49,535 —> 01:53:50,832

We can get it

from you later.

1833

01:53:50,870 —> 01:53:53,065

We really should get going.

1834

01:53:53,105 —> 01:53:55,335

-Here you go.

-Thank you.

1835

01:53:55,374 —> 01:53:57,740

Can I hug her bye-bye?

1836

01:53:57,776 —> 01:53:59,767

Of course you can hug her.

1837

01:54:04,550 —> 01:54:06,177

Good-bye.

1838

01:54:06,218 —> 01:54:09,585

Really very good to see you.

1839

01:55:11,283 —> 01:55:13,649

Daddy!

1840

01:55:13,686 —> 01:55:15,381

Did you know

that Warren G. Harding...

1841

01:55:15,421 —> 01:55:19,255

was the 29th president

of the United States?

1842

01:55:19,291 —> 01:55:22,158

Remember, the 29th president...

1843

01:55:22,194 —> 01:55:24,685
in case the judge asks.

1844
01:55:24,730 —> 01:55:26,197
What are you doing out here?

1845
01:55:26,232 —> 01:55:27,563
I missed you.

1846
01:55:27,600 —> 01:55:30,364
You could get really hurted.

1847
01:55:30,402 —> 01:55:31,699
And it's really cold...

1848
01:55:31,737 —> 01:55:34,706
and you don't have enough on
to keep you warm.

1849
01:55:35,908 —> 01:55:37,398
What—?

1850

01:55:37,443 —> 01:55:41,607
She couldn't sleep,
so she came to my house.

1851
01:55:41,647 —> 01:55:44,844
Give me my daughter.
Give us Lucy. Come here.

1852
01:55:44,883 —> 01:55:48,011
Easy, Sam.
Thank you.

1853
01:55:48,053 —> 01:55:50,521
Sometimes
if you rub her belly...

1854
01:55:50,556 —> 01:55:53,184
and then if you
tell her two stories...

1855
01:55:53,225 —> 01:55:56,922
and give her half
an IHOP corn muffin...

1856

01:55:56,962 —> 01:55:58,896

then sometimes she sleeps.

1857

01:55:58,931 —> 01:56:00,592

When she can't sleep.

1858

01:56:00,633 —> 01:56:04,194

We'll be fine, Sam.

Good night.

1859

01:56:04,236 —> 01:56:06,295

Good night.

1860

01:56:06,338 —> 01:56:08,806

You can go home now.

1861

01:56:29,261 —> 01:56:32,094

Yeah, a personal

pepperoni pan pizza.

1862

01:56:32,131 —> 01:56:33,894

That's a wonderful choice.

1863

01:56:48,714 —> 01:56:50,375

Daddy?

1864

01:56:53,152 —> 01:56:54,380

Daddy?

1865

01:57:21,347 —> 01:57:23,076

Lucy, come here.

1866

01:57:26,652 —> 01:57:28,517

Hi, sweetie.

1867

01:57:28,554 —> 01:57:30,954

I made us a midnight snack.

1868

01:57:30,989 —> 01:57:32,980

Half an IHOP corn cake.

1869

01:57:35,527 —> 01:57:37,995

I understand that

you want to see your daddy.

1870

01:57:40,399 —> 01:57:43,163

And I really don't want

to keep you from him.

1871

01:57:43,202 —> 01:57:45,466

I really honestly don't.

1872

01:57:45,504 —> 01:57:48,132

I want you to know that.

1873

01:57:48,173 —> 01:57:50,232

So whenever you want

to see him, you just tell me.

1874

01:57:50,275 —> 01:57:54,177

Any time you want

to see him is fine...

1875

01:57:54,213 —> 01:57:57,808

but we kind of need

to work it out first.

1876

01:57:57,850 —> 01:57:59,215

So how about a snack?

1877

01:58:06,892 —> 01:58:08,257

Thank you.

1878

01:58:08,293 —> 01:58:09,658

Good night.

1879

01:58:09,695 —> 01:58:11,287

Good night.

1880

01:58:22,307 —> 01:58:25,174

Everybody behave yourself.

1881

01:58:28,347 —> 01:58:30,212

Oh, how wonderful.

You brought Willy.

1882

01:58:30,249 —> 01:58:32,911

-Hi, Willy.

-Hi, Sam.

1883

01:58:32,951 —> 01:58:34,418

It's good to see you.

1884

01:58:35,654 —> 01:58:38,953

We have to close the door

because the dogs go out.

1885

01:58:46,064 —> 01:58:48,931

My husband left this

when he moved out.

1886

01:58:51,069 —> 01:58:53,594

Lovely Rita.

1887

01:58:53,639 —> 01:58:57,769

OK, let me see.

1888

01:58:57,810 —> 01:59:02,440

They're going to put Randy

on the stand tomorrow first...

1889

01:59:02,481 —> 01:59:04,449

and then you.

1890

01:59:06,552 —> 01:59:09,146

They're a very nice couple.

1891

01:59:09,188 —> 01:59:12,123

And she's pretty,

and they have a nice house...

1892

01:59:12,157 —> 01:59:14,148

and she's smart, too.

1893

01:59:14,193 —> 01:59:18,391

Sam, I worry.

I worry sometimes.

1894

01:59:20,833 —> 01:59:24,234

Do you worry

that you did something wrong?

1895

01:59:31,777 —> 01:59:33,074

I worry that I've gotten...

1896

01:59:33,111 —> 01:59:35,602

more out of this relationship

than you.

1897

01:59:49,228 —> 01:59:54,996

I have the lawyer

that never loses.

1898

01:59:55,033 —> 01:59:57,661

That's me.

1899

02:00:00,272 —> 02:00:04,231

And the manager at

the Pizza Hut's gonna testify...

1900

02:00:04,276 —> 02:00:05,607

and that's good.

1901

02:00:05,644 —> 02:00:07,111

Absolutely.

1902

02:00:10,249 —> 02:00:16,711
And Annie said
that George thinks—

1903
02:00:16,755 —> 02:00:18,382
that George Harrison
couldn't—

1904
02:00:18,423 —> 02:00:22,325
maybe, he couldn't
write a song...

1905
02:00:22,361 —> 02:00:26,263
but then he wrote
"Here Comes the Sun"...

1906
02:00:26,298 —> 02:00:34,103
and she said that it was one of
the best songs on "Abbey Road."

1907
02:00:36,942 —> 02:00:39,843
George was always
my favorite Beatle.

1908

02:01:02,334 —> 02:01:05,633

She's OK. Sorry.

1909

02:01:05,671 —> 02:01:07,263

She fell asleep in the car.

1910

02:01:08,874 —> 02:01:17,111

I was gonna turn back

and tuck her in...in her room.

1911

02:01:17,149 —> 02:01:21,313

You know, that I—

in her room that I made for her.

1912

02:01:23,455 —> 02:01:26,686

Because I tried to make

a really nice room for her.

1913

02:01:26,725 —> 02:01:29,023

But I was afraid

she'd wake up at our house...

1914

02:01:31,063 —> 02:01:33,588
and want to come home.

1915
02:01:36,568 —> 02:01:38,001
That's a girl.

1916
02:01:47,412 —> 02:01:51,280
I have to apologize to you...

1917
02:01:51,316 —> 02:01:55,275
because I was gonna
tell that judge...

1918
02:01:55,320 —> 02:01:59,780
that I could give Lucy
the kind of love she never had.

1919
02:01:59,825 —> 02:02:03,989
But I can't say that,
because I'd be lying.

1920
02:02:05,497 —> 02:02:07,795
I hope...

1921

02:02:07,833 —> 02:02:12,930

I hope you're saying

what I think you're saying.

1922

02:02:12,971 —> 02:02:16,065

I hope you're saying

what I think you're saying.

1923

02:02:17,476 —> 02:02:18,773

I am.

1924

02:02:22,180 —> 02:02:24,011

Bye.

1925

02:02:26,118 —> 02:02:27,915

I'll see you in court tomorrow.

1926

02:02:29,855 —> 02:02:31,880

Save me a seat, Sam.

1927

02:02:31,923 —> 02:02:34,824

On your side. OK?

1928

02:02:34,860 —> 02:02:39,763

Yeah. I'll save you a seat

on my side.

1929

02:02:39,798 —> 02:02:41,993

-Bye.

-Bye.

1930

02:02:43,802 —> 02:02:46,430

Randy?

1931

02:02:46,471 —> 02:02:49,065

If I tell you a secret...

1932

02:02:49,107 —> 02:02:52,907

that I can't do it by myself...

1933

02:02:52,944 —> 02:02:54,673

will you tell the judge on me?

1934

02:02:56,415 —> 02:02:57,609

No, Sam.

1935

02:02:59,151 —> 02:03:00,846

Promise?

1936

02:03:00,886 —> 02:03:02,444

I promise.

1937

02:03:04,923 —> 02:03:10,452

Because I always wanted

Lucy to have a mother.

1938

02:03:10,495 —> 02:03:12,793

I always wanted her

to have a mother.

1939

02:03:12,831 —> 02:03:16,323

Help. I need somebody.

1940

02:03:16,368 —> 02:03:20,668

Help. Not just anyone.

1941

02:03:23,909 —> 02:03:27,845

And you're the red

in her painting.

1942

02:03:27,879 —> 02:03:31,178

Because I think

you're the red in her painting.

1943

02:03:40,092 —> 02:03:41,650

Thank you, Sam.

1944

02:04:07,986 —> 02:04:09,510

Play ball!

1945

02:04:12,290 —> 02:04:13,621

Get it, Lucy!

1946

02:04:19,131 —> 02:04:20,462

Go, Lucy!

1947

02:04:32,811 —> 02:04:34,574

Lucy got a goal!

1948

02:04:39,117 –> 02:04:41,585

Lucy got a goal, Rita!
