Wanna know more? Ask her driver.

174

00:12:39,550 —> 00:12:41,886

Okay? He was the one

that was supposed to bring her back.

175

00:12:41,969 —> 00:12:43,888

What was Shannan doing in Long Island?

176

00:12:43,971 —> 00:12:45,891

[boy] Selling Girl Scout cookies.

What you think?

177

00:12:46,390 —> 00:12:48,976

[Mari] Why don't you save time

and tell us what you did to her?

178

00:12:49,560 —> 00:12:50,853

I would never hurt her.

179

00:12:50,936 —> 00:12:52,736

Then why'd you hit her

so hard she had to have

180

00:12:52,772 —> 00:12:54,565

a titanium plate grafted into her jaw?

181

00:12:55,357 —> 00:12:57,485

[boy] You don't know shit about me,

little girl.

182

00:12:57,568 —> 00:13:00,362

And you sure as shit

don't know about Shannan.

183

00:13:00,863 —> 00:13:02,990

You take the money

and the gifts that she buys you,

184

00:13:03,073 —> 00:13:05,201

and you don't think to ask

where it all comes from?

185

00:13:05,785 —> 00:13:09,038

And when she comes home,

who do you think she's coming home to?

186

00:13:09,121 —> 00:13:10,164

Hmm?

187

00:13:10,247 —> 00:13:11,624

I was always there for her.

188

00:13:12,208 —> 00:13:13,208

Were you?

189

00:13:14,835 —> 00:13:16,462

Where can I find this driver?

190

00:13:28,599 —> 00:13:29,934

You two wait here.

191

00:13:30,017 —> 00:13:32,186

Mom,

I'm not letting you go in there alone.

192

00:13:34,188 —> 00:13:36,232

Lock the doors.

We'll only be a minute.

193

00:13:36,315 —> 00:13:37,733

I have my phone.

194

00:13:39,985 —> 00:13:40,986

[doors lock]

195

00:13:45,950 —> 00:13:49,703

- [indistinct chatter]

- [muffled music playing]

196

00:13:54,542 —> 00:13:57,044

[hip-hop music playing]

197

00:14:01,924 —> 00:14:03,008

[man laughs]

198

00:14:10,391 —> 00:14:13,352

I'm looking for Shannan Gilbert.

I'm her mother.

199

00:14:13,811 —> 00:14:15,813

You're Michael Pak, right?

Her driver.

200

00:14:22,319 —> 00:14:23,863

[Pak] You need to relax, lady.

201

00:14:24,738 —> 00:14:25,738

Where is she?

202

00:14:26,574 —> 00:14:27,992

We went out to Oak Beach.

203

00:14:28,075 —> 00:14:31,745

She went in to see a guy.

Next thing, she's freaking out, okay?

204

00:14:31,829 —> 00:14:32,997

What happened?

205

00:14:33,080 —> 00:14:34,331

[Pak] I'm just a driver.

206

00:14:34,415 —> 00:14:35,708

I don't go in.

207

00:14:35,791 —> 00:14:38,544

I wait in my car and then

I drive her home. That's all I do.

208

00:14:38,627 —> 00:14:40,254

- That's all you do?

- [Pak] Yeah.

209

00:14:40,337 —> 00:14:42,298

Yeah, well, you didn't take her home.

210

00:14:42,882 —> 00:14:44,884

Your daughter was hysterical that night.

211

00:14:44,967 —> 00:14:46,218

She ran down the road,

212

00:14:46,302 —> 00:14:48,470

banging on the door

of any house with a light on.

213

00:14:49,054 —> 00:14:51,891

She wasn't making any sense,

she was shouting all kinds of gibberish.

214

00:14:51,974 —> 00:14:52,975

I tried to help her.

215

00:14:53,851 —> 00:14:56,103

But she wouldn't let me,

so I said fuck it.

216

00:14:56,687 —> 00:14:57,855

Oh, fuck.

217

00:14:58,314 —> 00:14:59,398

Oak Beach?

218

00:14:59,481 —> 00:15:01,901

Way down Ocean Parkway,

past Jones Beach.

219

00:15:01,984 —> 00:15:04,153

It's a gated community.

Miles from anything.

220

00:15:16,165 —> 00:15:17,917

This is the last contact we had.

221

00:15:21,378 —> 00:15:24,590

If you live in Ellenville

and your daughter lives in Jersey City,

222

00:15:25,883 —> 00:15:28,111

what the hell are you guys doing here

in Suffolk County, hmm?

223

00:15:28,135 —> 00:15:31,388

Well, her phone records are full of calls

from a 631 area code.

224

00:15:31,472 —> 00:15:33,265

Have you filed a Missing Persons report?

225

00:15:33,349 —> 00:15:35,643
Just phoned Jersey City,
they don't have a record of it.

226
00:15:35,726 —> 00:15:38,979
- Mom, I don't feel so good.
- Just a second.

227
00:15:39,063 —> 00:15:40,898
[detective]
Just because she didn't come home,

228
00:15:41,482 —> 00:15:43,984
it doesn't mean
it's a five-alarm fire now.

229
00:15:44,068 —> 00:15:45,194
Right?

230
00:15:45,277 —> 00:15:47,988
Okay. Then why was her last contact
with anyone

231

00:15:48,072 —> 00:15:50,324
a 23-minute phone call to 911?

232
00:15:52,743 —> 00:15:55,955
[911 recording of Shannan panting]

233
00:15:56,038 —> 00:15:57,891
- [911 operator] Hello?
- [Pak] Shannan, get in the car!

234
00:15:57,915 —> 00:15:59,375
Come on, what are you doing?

235
00:15:59,458 —> 00:16:01,085
[Shannan panting]

236
00:16:01,168 —> 00:16:03,888
[911 operator] Miss, I can't help
if you don't tell me where you are.

237
00:16:03,921 —> 00:16:05,047
[Pak] What's wrong?

238

00:16:05,130 —> 00:16:06,423

[Shannan crying]

239

00:16:06,507 —> 00:16:09,551

[911 operator] I'm having a hard time

getting a read on your location.

240

00:16:09,635 —> 00:16:11,637

[Pak] Come on, Shannan!

Come back!

241

00:16:11,720 —> 00:16:13,722

[Shannan shouts] Help me! Help!

242

00:16:14,765 —> 00:16:16,976

[Shannan wailing]

243

00:16:17,059 —> 00:16:18,059

[phone beeps]

244

00:16:18,811 —> 00:16:20,851

- [recording clicks off]

- [detective clears throat]

245

00:16:22,064 —> 00:16:23,107

All right, um...

246

00:16:23,983 —> 00:16:26,068

The report says the unit arrived at 5:40.

247

00:16:26,151 —> 00:16:28,988

Officers interviewed several residents

who said they...

248

00:16:29,071 —> 00:16:31,949

saw your daughter leave on her own

with no sign of, um...

249

00:16:33,033 —> 00:16:34,451

suspicious activity.

250

00:16:37,287 —> 00:16:38,706

This is her jacket.

251

00:16:38,789 —> 00:16:40,916

[detective] Yeah, well,

as far as the 911 call goes,

252

00:16:41,000 —> 00:16:42,918

the residents say that she was on drugs.

253

00:16:43,002 —> 00:16:45,087

- [tapping sound]

- My daughter doesn't do drugs.

254

00:16:45,170 —> 00:16:46,046

[Sarra taps her feet]

255

00:16:46,130 —> 00:16:48,632

[detective] You got a close relationship

with her, Ms. Gilbert?

256

00:16:49,341 —> 00:16:50,341

Excuse me?

257

00:16:50,843 —> 00:16:53,345

[detective] What was she doing

in a gated community,

258
00:16:54,346 —> 00:16:56,932
100 miles away from home
in the middle of the night?

259
00:16:57,016 —> 00:16:58,434
[Sarra continues tapping]

260
00:16:58,517 —> 00:17:01,103
Can I be frank here with you
just for a minute, please?

261
00:17:02,521 —> 00:17:05,149
When girls like this go missing,

262
00:17:05,649 —> 00:17:07,109
it's a high-risk environment.

263
00:17:07,985 —> 00:17:11,196
You know, I mean, maybe she ran away,
maybe she'll turn up.

264

00:17:11,280 —> 00:17:14,742

Hey. Do you think you could stop that

for one second, please, sweetheart?

265

00:17:14,825 —> 00:17:16,035

Just one.

266

00:17:16,118 —> 00:17:17,619

My daughter isn't on drugs.

267

00:17:18,412 —> 00:17:20,581

She didn't run away. She's missing.

268

00:17:21,874 —> 00:17:25,085

Now, I have been hung up on,

dismissed, and ignored,

269

00:17:25,169 —> 00:17:27,504

but one thing I won't be is silenced.

270

00:17:27,588 —> 00:17:28,672

[Sarra tapping her feet]

271

00:17:28,756 —> 00:17:30,716

Now, you say she's not missing. Fine.

272

00:17:30,799 —> 00:17:33,052

That's your position, but here's mine.

273

00:17:33,135 —> 00:17:35,471

She called for help at 4:51,

274

00:17:35,554 —> 00:17:37,139

and you arrived at 5:40.

275

00:17:37,222 —> 00:17:41,185

How in the fuck does it take an hour

to respond to a call like that?

276

00:17:41,810 —> 00:17:45,939

[muffled rock music playing]

277

00:17:46,690 —> 00:17:47,690

[man] Jesus.

278

00:17:48,901 —> 00:17:50,152

Crack a window.

279

00:17:59,995 —> 00:18:02,956

[music continues]

280

00:18:05,626 —> 00:18:08,045

[indistinct police radio chatter]

281

00:18:14,426 —> 00:18:16,428

[dog barks]

282

00:18:16,970 —> 00:18:18,555

[dog whines]

283

00:18:18,639 —> 00:18:21,350

[dog barks]

284

00:18:26,480 —> 00:18:30,150

[news reporter] Ocean Parkway is shut down

between Gilgo Beach and Oak Beach.

285

00:18:30,234 —> 00:18:32,236

Police aren't saying much,

but what we do know

286

00:18:32,319 —> 00:18:33,987

is that a police dog picked up a scent

287

00:18:34,071 —> 00:18:37,366

and a canine officer, knowing there was

a Missing Persons report,

288

00:18:37,741 —> 00:18:38,992

brought in a search team.

289

00:18:39,493 —> 00:18:40,911

We expect to learn more tonight

290

00:18:40,994 —> 00:18:44,998

when Suffolk County Police Commissioner,

Richard Dormer, holds a press conference.

291

00:18:45,082 —> 00:18:47,251
Commissioner Dormer made news
earlier this year

292
00:18:47,334 —> 00:18:49,670
after narrowly surviving
a vote of dismissal

293
00:18:49,753 —> 00:18:50,963
for staffing level issues

294
00:18:51,046 —> 00:18:54,466
that may have contributed to the deaths
of three voters.

295
00:18:54,550 —> 00:18:55,676
- [detective] Hey.
- Hey.

296
00:18:57,344 —> 00:18:58,345
There's four in all.

297
00:18:59,555 —> 00:19:00,555

They're skeletal.

298

00:19:01,181 —> 00:19:02,641

They're wrapped in burlap.

299

00:19:03,934 —> 00:19:06,353

And they're, uh...

They're spaced evenly apart.

300

00:19:06,436 —> 00:19:08,188

There's... one down there,

301

00:19:08,814 —> 00:19:10,399

here, here,

302

00:19:11,191 —> 00:19:12,191

and over there.

303

00:19:17,322 —> 00:19:20,385

[man on phone] If the press starts to say

we got a serial killer on our hands,

304

00:19:20,409 —> 00:19:22,953

this will blow up.

Keep this under control, Richard,

305

00:19:23,036 —> 00:19:25,789

or your retirement could come sooner

than you planned. You got it?

306

00:19:25,873 —> 00:19:28,041

- Okay, sir.

- All right, go handle it.

307

00:19:28,125 —> 00:19:29,125

Thank you.

308

00:19:29,793 —> 00:19:31,670

Jesus fucking Christ.

309

00:19:32,379 —> 00:19:35,591

Commissioner Dormer, sir,

they're ready for you.

310

00:19:36,675 —> 00:19:39,970

- [male reporter] Commissioner!

- [woman] Sir, over here, please. Thanks.

311

00:19:40,053 —> 00:19:44,224

- [male reporter] Sir, over here.

- While searching for a missing prostitute,

312

00:19:44,308 —> 00:19:47,477

one of our officers has located...

313

00:19:48,645 —> 00:19:52,065

four bodies in an area

along Ocean Parkway.

314

00:19:52,149 —> 00:19:54,443

Were the bodies all left there

by the same person?

315

00:19:54,526 —> 00:19:56,486

[Dormer] I can't say that.

316

00:19:56,570 —> 00:19:59,198

This is an anomaly. There's...

317

00:19:59,865 —> 00:20:01,491

There's no need for panic.

318

00:20:01,575 —> 00:20:02,409

[reporters clamor]

319

00:20:02,492 —> 00:20:05,621

- That's all I have to say. Thank you.

- [woman] Sir, we have one more...

320

00:20:05,704 —> 00:20:07,372

[woman on phone] Ellenville Diner.

321

00:20:07,456 —> 00:20:10,042

Hey. I need you to cover for me tonight.

322

00:20:10,125 —> 00:20:12,336

- [woman] Why? What happened?

- I gotta go back.

323

00:20:12,419 —> 00:20:14,838

[woman] Where? Long Island, for Shannan?

324

00:20:14,922 —> 00:20:18,258

Yeah, the police station,

they found bodies.

325

00:20:18,342 —> 00:20:19,885

[woman] Oh, God. Do the girls know?

326

00:20:19,968 —> 00:20:21,803

Yeah, I'm about to tell them now.

327

00:20:21,887 —> 00:20:23,889

[woman] Of course. Don't worry about it.

328

00:20:24,389 —> 00:20:26,016

I got you. Good luck.

329

00:20:26,099 —> 00:20:28,644

- Okay, thanks. I owe you.

- [woman] Bye.

330

00:20:30,312 —> 00:20:32,814

- [Sherre] Hey.

- We gotta go back to Suffolk County.

331

00:20:33,565 —> 00:20:34,650

Mom, what's going on?

332

00:20:37,069 —> 00:20:38,070

Mom?

333

00:20:38,862 —> 00:20:41,573

[sighs]

They don't tell you that over the phone.

334

00:20:57,506 —> 00:20:59,633

[detective] When the units rolled up,

she's a ghost.

335

00:20:59,716 —> 00:21:02,970

Residents seemed pretty calm about it.

Everything seemed to be kosher.

336

00:21:03,053 —> 00:21:06,515

They figured that it was

a domestic disturbance

337

00:21:06,598 —> 00:21:07,766

which resolved itself.

338

00:21:08,517 —> 00:21:10,519

- What do you know about Oak Beach?

- I...

339

00:21:11,144 —> 00:21:14,314

I know the guys like to go to parties

out there once in a while.

340

00:21:14,398 —> 00:21:16,233

- Why?

- What kind of parties?

341

00:21:16,316 —> 00:21:19,653

Oh, come on, Richard, you know.

Birthdays, bar mitzvahs,

342

00:21:19,736 —> 00:21:21,822

quinceañeras, come on.

You know, come on.

343

00:21:21,905 —> 00:21:24,825

- You think this is some kind of joke?

- No. I don't.

344

00:21:25,826 —> 00:21:28,954

Look... she's not in my fucking trunk.

345

00:21:30,580 —> 00:21:33,125

Your real problem is that one out there.

346

00:21:33,917 —> 00:21:34,918

She's feisty.

347

00:21:40,132 —> 00:21:41,132

Okay.

348

00:21:42,217 —> 00:21:43,217

Let me handle it.

349

00:21:47,431 —> 00:21:49,975

[detective] Okay, ladies,

come with me, please. This way.

350

00:21:50,058 —> 00:21:51,435

Come on. Let's go.

351

00:22:01,945 —> 00:22:03,322

[Dormer] Mrs. Gilbert.

352

00:22:04,573 —> 00:22:07,284

Thank you for coming so quickly. I'm...

353

00:22:07,784 —> 00:22:09,328

I'm Commissioner Dormer.

354

00:22:11,288 —> 00:22:13,408

- I know it was a long drive...

- Are any of them her?

355

00:22:13,874 —> 00:22:15,625

[Dormer sighs] It appears not.

356

00:22:16,293 —> 00:22:18,670

- [sighs in relief]

- [Dormer] But we are working a grid

357

00:22:18,754 —> 00:22:19,796

as we speak.

358

00:22:19,880 —> 00:22:22,799

Tomorrow morning

we begin the aerial searches, first thing.

359

00:22:22,883 —> 00:22:26,219

That's assuming she's...

You're searching everywhere, right?

360

00:22:26,303 —> 00:22:27,679

Mm-hmm. Mm-hmm.

361

00:22:29,931 —> 00:22:33,560

I wanted to ask you some questions

about Shannan, if that's okay.

362

00:22:33,643 —> 00:22:37,647
Is there anything that you can tell me
about the men in Shannan's life?

363
00:22:38,106 —> 00:22:40,609
She has a boyfriend, Alex Diaz.

364
00:22:41,193 —> 00:22:43,153
Anybody else we should be looking at?

365
00:22:43,236 —> 00:22:45,155
A driver. Pak. Michael Pak.

366
00:22:45,655 —> 00:22:46,782
What about the doctor?

367
00:22:47,866 —> 00:22:49,409
[Dormer] What doctor?

368
00:22:49,493 —> 00:22:52,079
He called me
the morning after she went missing.

369

00:22:52,537 —> 00:22:54,414

He said he saw her and he helped her.

370

00:22:54,498 —> 00:22:56,291

He runs a home for wayward girls.

371

00:22:57,000 —> 00:22:58,001

What about her jacket?

372

00:22:58,085 —> 00:23:00,253

We have the jacket and it's being tested.

373

00:23:03,882 —> 00:23:05,842

Can you recall this doctor's name?

374

00:23:07,302 —> 00:23:09,137

[quietly] Fuck. Oh.

375

00:23:09,805 —> 00:23:11,681

Harper? Haskell?

376

00:23:11,765 —> 00:23:14,434

- It's okay. It's okay. It's okay.

- I don't remember.

377

00:23:15,769 —> 00:23:19,189

[Dormer] Mrs. Gilbert, there's a lot

we don't know at the moment.

378

00:23:20,315 —> 00:23:22,818

Which is why it's really important

379

00:23:23,735 —> 00:23:25,404

that you don't talk to the media.

380

00:23:25,987 —> 00:23:27,030

Let us handle that.

381

00:23:28,031 —> 00:23:30,492

One wrong word,

and they'll make a meal out of it.

382

00:23:30,575 —> 00:23:32,160

It's in your best interest.

383

00:23:33,120 —> 00:23:34,120

Sharon's, too.

384

00:23:35,372 —> 00:23:36,373

It's "Shannan."

385

00:23:37,207 —> 00:23:40,127

The beautiful beaches

of Long Island, New York

386

00:23:40,210 —> 00:23:42,671

have become the latest backdrop

387

00:23:42,754 —> 00:23:44,089

in a murder mystery.

388

00:23:44,172 —> 00:23:46,800

The victims were engaged

in a high-risk business,

389

00:23:46,883 —> 00:23:51,346

and these homicides appear to us

to be directly related to that business.

390

00:23:51,430 —> 00:23:54,182

[news reporter] The Medical Examiner

determined the cause of death

391

00:23:54,266 —> 00:23:56,685

for the four women to be strangulation.

392

00:23:56,768 —> 00:23:58,812

Each body meticulously placed in bur...

393

00:23:58,895 —> 00:24:00,615

[male reporter]

24-year-old Shannan Gilbert,

394

00:24:00,647 —> 00:24:02,107

a prostitute from Jersey...

395

00:24:02,190 —> 00:24:03,190

[turns TV off]

396

00:24:05,527 —> 00:24:07,737

I wish they wouldn't call her

a prostitute.

397

00:24:07,821 —> 00:24:10,407

Well, what do you expect them

to call her, a lawyer?

398

00:24:11,450 —> 00:24:12,826

I always told you, girls,

399

00:24:12,909 —> 00:24:15,454

the choices you make

eventually catch up with you.

400

00:24:15,537 —> 00:24:16,788

You've never said that.

401

00:24:19,541 —> 00:24:21,251

It sounds like you're blaming her.

402

00:24:21,334 —> 00:24:22,669

Maybe I should blame you

403

00:24:22,752 —> 00:24:25,255

for not telling me

she's in an abusive relationship.

404

00:24:25,338 —> 00:24:28,008

Like you not telling me

she was a prostitute?

405

00:24:29,176 —> 00:24:30,760

Why didn't you do anything?

406

00:24:33,513 —> 00:24:34,513

[Mari sighs]

407

00:24:36,641 —> 00:24:38,268

What else aren't you telling me?

408

00:24:46,818 —> 00:24:49,321

[Pak] I was waiting in the car like usual.

409

00:24:50,238 —> 00:24:52,073

Uh, playing Words with Friends.

410

00:24:52,949 —> 00:24:55,118

And that's when the john...

411

00:24:55,202 —> 00:24:57,704

this fat fuck comes up to the window

and he says...

412

00:24:57,787 —> 00:25:00,040

You gotta get her out of my house.

413

00:25:01,208 —> 00:25:02,751

[softly] Fucking kidding me?

414

00:25:02,834 —> 00:25:05,378

So, I went inside and...

415

00:25:05,879 —> 00:25:09,341

Shannan was behind the couch

on her hands and knees, shaking.

416

00:25:10,509 —> 00:25:12,749

- And she called 911.

- [Shannan over recording] Help me!

417

00:25:12,802 —> 00:25:14,489

- She started screaming.

- [Shannan] Help me!

418

00:25:14,513 —> 00:25:17,682

- [Pak] What are you doing? Shannan! Stop!

- [Shannan] Help! Somebody!

419

00:25:17,766 —> 00:25:19,160

- [Shannan panting]

- [Pak] Shannan!

420

00:25:19,184 —> 00:25:21,853

So then I said, "I'm trying to help you."

421

00:25:22,437 —> 00:25:23,897

[Alex] Finally, I said "Fuck it,"

422

00:25:23,980 —> 00:25:26,816
you know, and just drove to Oak Beach
to knock on doors myself.

423
00:25:27,817 —> 00:25:29,694
I talked to the john. Um...

424
00:25:30,111 —> 00:25:33,448
Oh, I met this guy with a limp
who was actually willing to help.

425
00:25:35,492 —> 00:25:36,993
What was the name of the john?

426
00:25:37,077 —> 00:25:38,161
Brewer.

427
00:25:39,538 —> 00:25:41,498
He must've done something to spook her.

428
00:25:47,128 —> 00:25:49,798
[indistinct police radio chatter]

429

00:25:53,260 —> 00:25:56,220

[news reporter] Suffolk County Police

are questioning an Oak Beach resident

430

00:25:56,263 —> 00:25:58,598

in connection with the disappearance

of Shannan Gilbert

431

00:25:58,682 —> 00:26:01,476

and have identified the four skeletons

along Ocean Parkway

432

00:26:01,560 —> 00:26:04,229

as Maureen Bainard-Barnes,

Melissa Barthelemy,

433

00:26:04,312 —> 00:26:06,606

Amber Costello, and Megan Waterman.

434

00:26:06,690 —> 00:26:09,276

All sex workers advertising on Craigslist

435

00:26:09,359 —> 00:26:12,362
who have been missing
since as far back as 2007

436
00:26:12,445 —> 00:26:15,031
and as recently as three months ago.
Commissioner...

437
00:26:15,115 —> 00:26:18,118
Why are we learning about this
on the goddamned Today show?

438
00:26:18,618 —> 00:26:19,618
[sighs]

439
00:26:20,912 —> 00:26:21,912
What do you think?

440
00:26:26,376 —> 00:26:29,421
- All the other girls have one.
- All the other girls are dead.

441
00:26:31,881 —> 00:26:33,361

Their families invited us to a vigil.

442

00:26:33,425 —> 00:26:35,635

- You've been talking to them?

- Online.

443

00:26:35,719 —> 00:26:37,429

Oh, we're not going to any vigil.

444

00:26:37,846 —> 00:26:40,098

- Why not?

- Because Shannan's not dead.

445

00:26:40,181 —> 00:26:43,541

- [woman on phone] Suffolk County Police.

- I'd like to speak to Commissioner Dormer.

446

00:26:44,811 —> 00:26:46,691

Okay, you tell him

this is Mari Gilbert calling,

447

00:26:46,730 —> 00:26:49,149

and if I don't hear back within the hour,

448

00:26:49,232 —> 00:26:51,901

I'm gonna drive my car

into his front fucking lawn.

449

00:26:51,985 —> 00:26:53,570

Okay, I'll see you at dinner.

450

00:26:58,575 —> 00:27:01,745

[news reporter] Oak Beach resident,

Joseph Brewer, who hired Shannan Gilbert,

451

00:27:01,828 —> 00:27:05,540

has been cleared by Suffolk County Police

after taking a polygraph,

452

00:27:05,624 —> 00:27:08,293

leaving two questions still unanswered:

453

00:27:08,376 —> 00:27:10,587

who is killing sex workers on Long Island,

454

00:27:10,670 —> 00:27:12,255

and where is Shannan Gilbert?

455

00:27:12,339 —> 00:27:14,066

[male reporter]

Police have identified the remains

456

00:27:14,090 —> 00:27:15,800

- of the four women...

- Yes, hello.

457

00:27:15,884 —> 00:27:18,345

It's the 20th goddamned time I've called!

458

00:27:19,095 —> 00:27:22,724

What are they doing to find her,

and why did they let that fuck go?

459

00:27:22,807 —> 00:27:23,642

He hire...

460

00:27:23,725 —> 00:27:25,578

[female reporter]

...a prostitute who went missing

461

00:27:25,602 —> 00:27:27,771

after apparently meeting a client

on Craigslist.

462

00:27:27,854 —> 00:27:31,983

Are dozens more murdered women

dumped like trash

463

00:27:32,609 —> 00:27:34,736

on the same strip of beach,

464

00:27:34,819 —> 00:27:36,696

waiting to be uncovered?

465

00:27:36,821 —> 00:27:40,408

We are live

at the beach-turned-burial-ground.

466

00:27:40,492 —> 00:27:44,162

[man on TV] The girls are very available.

They're very vulnerable.

467

00:27:44,704 —> 00:27:47,666

They have no family, and there's nobody

out there looking for them.

468

00:28:11,106 —> 00:28:12,106

[exhales sharply]

469

00:28:29,833 —> 00:28:31,084

What's going on, Mrs. Gilbert?

470

00:28:31,167 —> 00:28:33,545

Either your phone's broke

or your secretary's a moron

471

00:28:33,628 —> 00:28:35,880

because I must have left 50 messages

for you.

472

00:28:36,923 —> 00:28:40,301

This is my daughter,

Shannan Maria Gilbert.

473

00:28:40,385 —> 00:28:43,263

There's one here

for every day that she's missing.

474

00:28:43,346 —> 00:28:44,973

and I'm gonna continue posting these

475

00:28:45,056 —> 00:28:47,308

until you either find her

or die of paper cuts.

476

00:28:47,892 —> 00:28:51,938

- Do not ignore me.

- Nobody is ignoring you, Mrs. Gilbert.

477

00:28:52,814 —> 00:28:55,567

I have a talent for holding grudges

and unless you help me,

478

00:28:55,650 —> 00:28:57,986

I'm gonna raise more hell

than you can handle.

479

00:28:58,570 —> 00:29:02,574

And don't you ever fucking call

my daughter a prostitute again!

480

00:29:05,994 —> 00:29:08,788

[man laughing]

481

00:29:08,872 —> 00:29:09,706

[door bangs shut]

482

00:29:09,789 —> 00:29:11,624

[keyboard clacking]

483

00:29:11,708 —> 00:29:15,044

Okay, tell them we'll do the vigil,

but we want to meet them first.

484

00:29:15,128 —> 00:29:18,089

- And make sure everybody comes.

- What are you wearing?

485

00:29:23,011 —> 00:29:25,764

[keyboard clacking]

486

00:29:37,317 —> 00:29:40,487

[beeping]

487

00:29:40,570 —> 00:29:42,947

It's a long way to Oak Beach.

488

00:29:44,115 —> 00:29:46,826

- What were you guys talking about?

- [Pak] I don't know. I...

489

00:29:48,787 —> 00:29:49,788

work.

490

00:29:51,247 —> 00:29:52,248

The weather...

491

00:29:55,001 —> 00:29:56,753

Her and her boyfriend sneaking Taco Bell

492

00:29:56,836 —> 00:29:59,255

in the new Freddy movie

over at the Hudson Mall.

493

00:30:01,382 —> 00:30:03,635

Did she say anything

about going to visit her mom?

494

00:30:04,302 —> 00:30:06,054

[beeping continues]

495

00:30:06,721 —> 00:30:08,306

[laughs]

496

00:30:08,765 —> 00:30:10,809

Wait. Are you serious?

497

00:30:11,476 —> 00:30:14,938

[beeping continues]

498

00:30:15,021 —> 00:30:17,023

Do you know anything about her mom?

499

00:30:20,819 —> 00:30:23,738

Oh, my God. These women are so pathetic.

500

00:30:24,572 —> 00:30:25,990

The less we say, the better.

501

00:30:26,074 —> 00:30:28,535

We don't need them knowing

our personal business.

502

00:30:30,286 —> 00:30:31,287

What's that for?

503

00:30:31,371 —> 00:30:33,122

My notebook. I'm gonna take notes.

504

00:30:34,749 —> 00:30:35,749

[Mari sighs]

505

00:30:39,754 —> 00:30:41,256

Maybe we should go around?

506

00:30:42,382 —> 00:30:46,344
I'm Missy. I drove in from Connecticut
for my sister, Maureen.

507
00:30:47,303 —> 00:30:49,472
It's so good
to finally meet all of you in person.

508
00:30:50,682 —> 00:30:51,682
Mom.

509
00:30:53,935 —> 00:30:54,936
Say something.

510
00:30:59,190 —> 00:31:00,190
Uh, Lorraine.

511
00:31:01,568 —> 00:31:03,361
My daughter's Megan.

512
00:31:06,489 —> 00:31:08,700
I sold my TV to be here from Maine,

513

00:31:08,783 —> 00:31:11,494

so I have the cash to stay here

until the vigil.

514

00:31:12,829 —> 00:31:14,038

I'm Lynn.

515

00:31:15,582 —> 00:31:18,209

My daughter is Melissa.

516

00:31:19,168 —> 00:31:21,421

This is my other daughter, Amanda.

517

00:31:21,504 —> 00:31:23,047

We came here from Buffalo.

518

00:31:24,424 —> 00:31:25,424

[horn honks]

519

00:31:27,886 —> 00:31:29,262

[Lorraine] Oh. Kim is here.

520

00:31:32,807 —> 00:31:35,059

- [door opens]

- [Kim] Sorry, I'm late, y'all.

521

00:31:36,019 —> 00:31:38,229

[Missy] We were just going around

introducing ourselves.

522

00:31:38,313 —> 00:31:40,565

Where we're from, who we've lost.

523

00:31:40,648 —> 00:31:41,649

Okay. Kim...

524

00:31:42,483 —> 00:31:44,402

North Carolina. Um...

525

00:31:44,485 —> 00:31:46,529

I like Rocky Road ice cream

526

00:31:46,613 —> 00:31:48,573

and long walks on the beach,

527

00:31:48,656 —> 00:31:50,033

and my sister was Amber.

528

00:31:50,617 —> 00:31:51,617

[sniffs]

529

00:31:53,912 —> 00:31:54,913

Did I miss anything?

530

00:31:57,206 —> 00:32:00,376

[Pak over recording, laughing]

Wait. Are you serious?

531

00:32:01,002 —> 00:32:03,087

Do you know anything about her mom?

532

00:32:03,796 —> 00:32:05,715

'Cause she's a real piece of work.

533

00:32:06,716 —> 00:32:09,302

Yeah, abandoned her own daughter

when she was just a kid.

534

00:32:10,887 —> 00:32:13,556

Shannan was in and out of foster homes

her whole life.

535

00:32:14,515 —> 00:32:16,809

All her mom is good for

is taking her money.

536

00:32:18,645 —> 00:32:21,064

Doesn't even care how Shannan made it.

537

00:32:22,482 —> 00:32:24,734

Just as long as she shared the wealth.

538

00:32:26,277 —> 00:32:28,237

[Lorraine]

My daughter had three cellphones.

539

00:32:28,905 —> 00:32:30,740

[Lynn]

My daughter had three cellphones.

540

00:32:30,823 —> 00:32:34,702

She was working on the... Craigslist.

541

00:32:34,786 —> 00:32:36,537

[Missy] Yes, so did Maureen.

542

00:32:36,621 —> 00:32:38,081

[Lynn] So did Melissa.

543

00:32:38,164 —> 00:32:40,583

They all did.

That's why they're all so the same,

544

00:32:40,667 —> 00:32:42,710

because online,

you can practically go shopping.

545

00:32:42,794 —> 00:32:44,963

[Lorraine] Sooner or later,

they're gonna get this guy.

546

00:32:45,046 —> 00:32:46,297

There's gotta be some...

547

00:32:46,798 —> 00:32:48,508

computer trace they can do.

548

00:32:48,591 —> 00:32:50,551

[Kim]. Mm-mm. They don't get you on email.

549

00:32:50,635 —> 00:32:52,470

You post a number, then they call.

550

00:32:52,553 —> 00:32:56,224

Which is untraceable

because the girls work on burner phones.

551

00:32:56,307 —> 00:32:58,059

Look at you, knowing your shit.

552

00:32:58,726 —> 00:33:01,229

They think they're all drug addicts.

553

00:33:01,312 —> 00:33:04,232

- Melissa wasn't even into drugs.

- Neither was Maureen.

554

00:33:04,315 —> 00:33:05,191

She drank.

555

00:33:05,274 —> 00:33:08,152

[Kim] Drinking's better than drugs

because it's legal.

556

00:33:08,236 —> 00:33:10,780

But coke is the best way

to keep a call going.

557

00:33:11,489 —> 00:33:12,740

Make some real bank.

558

00:33:14,075 —> 00:33:17,036

Your girls knew that,

whether you want to believe it or not.

559

00:33:19,122 —> 00:33:20,456

[Lorraine sighs]

560

00:33:20,540 —> 00:33:23,209

They told me

Megan was where she wants to be.

561

00:33:24,043 —> 00:33:25,043

That, uh...

562

00:33:26,879 —> 00:33:28,172

That she didn't love me.

563

00:33:29,924 —> 00:33:31,092

[sighs, groans]

564

00:33:31,968 —> 00:33:34,679

As sad as it is,

I feel some kind of relief.

565

00:33:35,179 —> 00:33:37,265

At least they're finally paying attention.

566

00:33:37,348 —> 00:33:38,348
Are you shitting me?

567
00:33:39,726 —> 00:33:43,187
If you think they give one goddamn
about these girls, you're delusional.

568
00:33:44,188 —> 00:33:45,940
They weren't searching for them.

569
00:33:46,983 —> 00:33:50,611
A cop stopped along the side of the road
to let his dog take a shit.

570
00:33:51,029 —> 00:33:52,780
He accidentally found them.

571
00:33:52,864 —> 00:33:54,198
What I meant was...

572
00:33:55,491 —> 00:33:59,037
at least it's on the news
and people are aware of it.

573

00:33:59,996 —> 00:34:01,664

Have you watched the news?

574

00:34:02,457 —> 00:34:05,626

It's all, "He's a cop," "He's a clammer,"

he's this, he's that.

575

00:34:05,710 —> 00:34:07,378

It's all "him," "him," "him."

576

00:34:08,212 —> 00:34:10,548

What about our girls?

Who's talking about them?

577

00:34:11,382 —> 00:34:15,094

And when they do,

it's "prostitute," "hooker,"

578

00:34:15,511 —> 00:34:17,513

"sex worker," "escort."

579

00:34:18,056 —> 00:34:20,516
Never "friend," "sister,"

580
00:34:21,267 —> 00:34:22,477
"mother," "daughter."

581
00:34:23,811 —> 00:34:24,854
They don't care.

582
00:34:25,605 —> 00:34:26,731
They blame them.

583
00:34:28,357 —> 00:34:30,693
And it's our job, as mothers,

584
00:34:31,194 —> 00:34:32,487
and sisters,

585
00:34:33,362 —> 00:34:35,531
to make sure these girls
are not forgotten.

586

00:34:37,200 —> 00:34:38,826
So, should we wait on the vigil?

587
00:34:39,660 —> 00:34:42,455
No, we're doing the vigil.
We're going to Oak Beach,

588
00:34:43,039 —> 00:34:44,957
to their front fucking yard.

589
00:35:10,942 —> 00:35:12,360
Who tipped them off?

590
00:35:16,447 —> 00:35:20,284
This is a private community!
I'll call the police!

591
00:35:20,368 —> 00:35:22,662
Go ahead.
It'll take them an hour to get here.

592
00:35:25,915 —> 00:35:27,792
Speaking of which,

can I borrow your phone?

593

00:35:27,875 —> 00:35:29,627

Sure. Why?

594

00:35:29,710 —> 00:35:31,337

They already know my number.

595

00:35:35,967 —> 00:35:38,886

There's a crazy lady

about to tear through Oak Beach.

596

00:35:38,970 —> 00:35:40,888

[all giggle]

597

00:35:40,972 —> 00:35:42,265

Come quick.

598

00:36:08,499 —> 00:36:09,584

Who lives here?

599

00:36:10,543 —> 00:36:13,212

[sighs] The son of a bitch who hired her.

600

00:36:35,484 —> 00:36:36,861

[knocking on door]

601

00:37:12,521 —> 00:37:13,521

[exhales]

602

00:37:19,445 —> 00:37:21,030

[Shannan panting]

603

00:37:21,113 —> 00:37:22,113

[Sarra] Mom?

604

00:37:26,786 —> 00:37:27,620

Mom.

605

00:37:27,703 —> 00:37:28,703

[police siren blares]

606

00:37:43,302 —> 00:37:44,303

[Mari] Twelve minutes.

607

00:37:45,471 —> 00:37:49,517

Now we both you know you can show up

on time and your secretary's not a retard.

608

00:37:50,351 —> 00:37:53,145

Can we just go back to my office

and talk about this?

609

00:37:53,229 —> 00:37:54,438

[Mari] We'll talk right here.

610

00:37:56,315 —> 00:37:57,233

This is a...

611

00:37:57,316 —> 00:37:59,485

This is a private community.

612

00:37:59,568 —> 00:38:01,612

Well, then why don't you arrest me?

613

00:38:01,696 —> 00:38:03,698

Listen, I came here to do you a favor.

614

00:38:03,781 —> 00:38:05,908

I don't want to see you

hauled away in handcuffs.

615

00:38:05,992 —> 00:38:08,369

Don't you understand

that when the uniforms get here,

616

00:38:08,452 —> 00:38:12,081

- they're gonna cite you for trespassing.

- Okay, let me get this straight.

617

00:38:12,164 —> 00:38:15,167

My daughter calls for help

but it takes you an hour to get here,

618

00:38:15,251 —> 00:38:16,919

but the Stepford Wives call you

619

00:38:17,003 —> 00:38:19,547

and you show up in less time

than it takes to make a sandwich!

620

00:38:19,630 —> 00:38:23,634

Whatever it is that you're looking for,

Mrs. Gilbert, it is not here.

621

00:38:24,218 —> 00:38:27,096

Okay, then why did my 14-year-old

just find her sister's earring

622

00:38:27,179 —> 00:38:29,432

outside the home of the man

that you just set free?

623

00:38:30,474 —> 00:38:33,394

Shannan went screaming through here

at 4:51 in the morning,

624

00:38:33,477 —> 00:38:35,271

and no one helped her.

625

00:38:35,354 —> 00:38:37,481

Where is the outrage? Where's the concern?

626

00:38:38,316 —> 00:38:40,484

Four dead bodies show up

in my neighborhood,

627

00:38:40,568 —> 00:38:43,237

I'd be shouting from the rooftops

to get to the bottom of it.

628

00:38:44,238 —> 00:38:45,323

What are they hiding?

629

00:38:47,575 —> 00:38:49,452

What are you hiding, Mrs. Gilbert?

630

00:38:50,494 —> 00:38:53,331

You never told me

that Shannan grew up in foster care.

631

00:38:57,084 —> 00:38:59,378

You never told me

you nearly got shit-canned

632

00:38:59,462 —> 00:39:01,297

for mismanaging your department.

633

00:39:03,758 —> 00:39:05,198

Keep up the good work, Commissioner.

634

00:39:16,062 —> 00:39:17,313

[Dormer, quietly] Fuck's sake.

635

00:39:17,396 —> 00:39:20,191

[dog barking]

636

00:39:23,277 —> 00:39:26,113

I wrote down every house number

and license plate I saw.

637

00:39:26,197 —> 00:39:29,200

We need to talk to these people

and these people.

638

00:39:30,076 —> 00:39:31,243

They might've seen her.

639

00:39:31,327 —> 00:39:33,496

[Mari] No one's gonna talk

'cause they want us out.

640

00:39:34,455 —> 00:39:38,250

These guys are looking out for each other.

They all have friends in Suffolk PD.

641

00:39:38,334 —> 00:39:41,837

The police said

everybody passed lie detector tests.

642

00:39:41,921 —> 00:39:44,382

[Mari] Yeah, but anybody

can pass a lie detector test

643

00:39:44,465 —> 00:39:47,385

if all they ask you is "What's your name,

and your favorite color?"

644

00:39:48,636 —> 00:39:50,763

It sounds like Shannan's running

from her driver.

645

00:39:50,846 —> 00:39:53,015

You can hear him in the 911 call.

646

00:39:53,099 —> 00:39:54,266

[Kim] That makes no sense.

647

00:39:54,934 —> 00:39:58,479

I don't care how fucked up I am,

my ass is going to that driver

648

00:39:58,562 —> 00:39:59,814

because he's my way out.

649

00:39:59,897 —> 00:40:02,108

He's my safety.

That's what you pay him for.

650

00:40:04,860 —> 00:40:07,279

Well, maybe he was mad she didn't pay him.

651

00:40:07,363 —> 00:40:09,407
Why would she all of a sudden
not pay her driver?

652
00:40:13,411 —> 00:40:15,621
Maybe because she was bringing money home.

653
00:40:17,581 —> 00:40:20,209
Okay, do you don't know
she didn't pay him. You're just guessing.

654
00:40:20,292 —> 00:40:21,710
Well, I'm assuming.

655
00:40:21,794 —> 00:40:25,548
She's probably forced to get stoned,
drunk, high...

656
00:40:25,631 —> 00:40:27,425
- Not forced.
- [Mari] Okay, whatever.

657
00:40:27,508 —> 00:40:29,552

[Kim] I'm just saying, I've lived it.

658

00:40:29,635 —> 00:40:31,762

Well, I'm just saying, you're not Shannan.

659

00:40:35,516 —> 00:40:37,226

Mari, I feel for you...

660

00:40:38,394 —> 00:40:39,854

more than I feel for myself

661

00:40:39,937 —> 00:40:43,691

or any of the other ladies here,

because Shannan's still missing.

662

00:40:44,984 —> 00:40:46,944

And knowing is better than not knowing.

663

00:40:49,321 —> 00:40:51,115

But you don't really think that...

664

00:41:02,626 —> 00:41:05,963

I'm just saying it might be good to accept

that there's another ending to all this.

665

00:41:07,339 —> 00:41:09,884

What's that ending,

if you know so goddamned much?

666

00:41:17,141 —> 00:41:18,142

[soda can pops open]

667

00:41:48,005 —> 00:41:49,005

[sighs]

668

00:42:02,937 —> 00:42:04,772

[phone rings]

669

00:42:05,898 —> 00:42:08,025

[ringing continues]

670

00:42:10,277 —> 00:42:11,277

Hello?

671

00:42:12,029 —> 00:42:13,405
[man] Is this Mari Gilbert?

672
00:42:14,114 —> 00:42:15,114
Yes.

673
00:42:15,366 —> 00:42:16,784
My name's Joe Scalise.

674
00:42:16,867 —> 00:42:20,204
I have some information
you're gonna want to hear.

675
00:42:21,080 —> 00:42:24,250
[rain patters]

676
00:43:09,461 —> 00:43:11,463
[engine starts]

677
00:43:14,216 —> 00:43:16,760
[Joe] I'm a neighbor of Joe Brewer,
the john.

678

00:43:17,886 —> 00:43:21,390

I got your number

from one of those fliers you posted.

679

00:43:21,473 —> 00:43:24,310

Suffolk PD don't return my calls no more.

680

00:43:25,686 —> 00:43:28,689

You're gonna learn

that the good people of Oak Beach,

681

00:43:29,982 —> 00:43:32,067

if they live by one thing, it's this:

682

00:43:32,151 —> 00:43:34,194

be wary of those who would...

683

00:43:35,988 —> 00:43:38,490

who would ruin a very good thing.

684

00:43:38,574 —> 00:43:43,162

You are, madam,

the wayfarer they've been dreading.

685

00:43:44,163 —> 00:43:45,414

[exhales sharply]

686

00:43:45,497 —> 00:43:46,497

[sniffs]

687

00:43:52,671 —> 00:43:54,840

[Sherre]

I didn't know Shannan was a prostitute.

688

00:43:55,674 —> 00:43:58,052

I didn't know she was bringing home money.

689

00:44:00,095 —> 00:44:01,889

She doesn't let anyone help her.

690

00:44:03,599 —> 00:44:06,018

I thought we were doing this together.

691

00:44:07,811 —> 00:44:09,605

So fucking annoying.

692

00:44:11,065 —> 00:44:12,358

Sorry.

693

00:44:12,441 —> 00:44:13,942

We weren't following you.

694

00:44:14,026 —> 00:44:15,110

We kind of were.

695

00:44:15,194 —> 00:44:16,487

[chuckles]

696

00:44:18,614 —> 00:44:19,990

What are you two talking about?

697

00:44:20,741 —> 00:44:22,201

Families.

698

00:44:22,743 —> 00:44:23,952

Yeah.

699

00:44:25,079 —> 00:44:26,955

Tell me something nice about Shannan.

700

00:44:29,041 —> 00:44:31,585

She graduated high school two years early.

701

00:44:33,253 —> 00:44:34,505

She was smart.

702

00:44:35,381 —> 00:44:38,217

And she was the first one

in our family to go to college.

703

00:44:40,427 —> 00:44:42,262

I called her "Diva."

704

00:44:42,846 —> 00:44:44,014

[Sherre laughs]

705

00:44:44,098 —> 00:44:45,974

Because she's such a little diva.

706

00:44:48,143 —> 00:44:50,270

Amber stood 4'11"

707

00:44:50,354 —> 00:44:52,731

and weighed 100 pounds soaking wet.

708

00:44:52,815 —> 00:44:54,316

[everyone laughs]

709

00:44:54,817 —> 00:44:57,486

Her legs looked like

little chicken drumsticks.

710

00:45:01,949 —> 00:45:03,951

I spoke to her the day she went missing.

711

00:45:04,034 —> 00:45:05,034

[sighs]

712

00:45:07,079 —> 00:45:08,079

We were in a fight.

713

00:45:13,752 —> 00:45:14,752

[chuckles wryly]

714

00:45:21,093 —> 00:45:22,428

- [sighs]

- [car trunk closes]

715

00:45:29,768 —> 00:45:30,888

[Joe] You're walking through

716

00:45:30,936 —> 00:45:33,063

what used to be

the killer's dumping ground.

717

00:45:33,147 —> 00:45:35,023

He only moved the bodies to the road

718

00:45:35,107 —> 00:45:39,027

because this whole area is set to be

drained as part of the mosquito project.

719

00:45:42,114 —> 00:45:45,451

That means people poking around,

seeing things they shouldn't.

720

00:45:50,372 —> 00:45:51,372

Here.

721

00:45:51,874 —> 00:45:52,874

Look.

722

00:45:54,960 —> 00:45:56,962

This is where he keeps his supplies.

723

00:45:58,172 —> 00:45:59,256

But... where?

724

00:46:01,925 —> 00:46:04,094

[vehicle approaching]

725

00:46:04,178 —> 00:46:05,345

[Joe whispers] Go, go, go.

726

00:46:05,429 —> 00:46:08,182

- [Mari panting]

- [Joe shushes]

727

00:46:08,265 —> 00:46:10,785

- [Joe whispers] Shit like that happens.

- [whispers] What's up?

728

00:46:11,810 —> 00:46:12,853

Oh, God.

729

00:46:12,936 —> 00:46:14,563

Easy. Just...

730

00:46:18,233 —> 00:46:19,233

[car door closes]

731

00:46:19,610 —> 00:46:20,610

[car door lock beeps]

732

00:46:28,577 —> 00:46:31,079

Joe Brewer didn't kill Shannan.

733

00:46:32,372 —> 00:46:35,250

He may be a sociopath,

but he's not the psychopath.

734

00:46:35,334 —> 00:46:37,628

That honor goes to Peter Hackett.

735

00:46:40,172 —> 00:46:41,423

[whispers] Dr. Hackett?

736

00:46:49,097 —> 00:46:51,493

[Dormer] Look, I know you

and your buddies don't give a shit.

737

00:46:51,517 —> 00:46:54,102

Don't worry. You're not gonna have to

put up with me much longer.

738

00:46:54,186 —> 00:46:56,897

But for the moment, this is my case.

Okay?

739

00:46:57,397 —> 00:46:59,733

- I want a suspect. I want a name.

- Okay.

740

00:46:59,817 —> 00:47:02,402

[Mari] Peter Hackett. Dr. Peter Hackett.

741

00:47:02,486 —> 00:47:03,987

He lives in Oak Beach.

742

00:47:04,488 —> 00:47:06,240

It's nice to see you again, Ms. Gilbert.

743

00:47:06,323 —> 00:47:08,909

I saw spools of burlap in a shed

by his house.

744

00:47:08,992 —> 00:47:12,204

Come on. What are you talking about?

Every clammer, contractor, landscaper

745

00:47:12,287 —> 00:47:14,998

- has got burlap by his house. Come on.

- But a doctor?

746

00:47:15,707 —> 00:47:18,836

I tell you what, why don't you let

the policemen do the police work, honey?

747

00:47:18,919 —> 00:47:20,796

- Why don't you suck my dick?

- Classy.

748

00:47:20,879 —> 00:47:22,047

This is the guy who called me

749

00:47:22,130 —> 00:47:24,633

the morning after she disappeared.

He said that he helped her.

750

00:47:26,009 —> 00:47:27,609

Come on. Aren't you gonna write it down?

751

00:47:27,636 —> 00:47:29,388

Are you fucking kidding me? Hmm?

752

00:47:30,806 —> 00:47:31,890

Write it down.

753

00:47:31,974 —> 00:47:32,974

What?

754

00:47:33,225 —> 00:47:35,602

I said write it down.

755

00:47:35,686 —> 00:47:38,230

[man speaking indistinctly on TV]

756

00:47:55,747 —> 00:47:56,747

[door opens]

757

00:47:58,584 —> 00:47:59,584

[door shuts]

758

00:48:01,962 —> 00:48:04,339

[brushing teeth]

759

00:48:10,178 —> 00:48:12,097
I googled Sarra's medication.

760
00:48:12,180 —> 00:48:14,349
So I know it's a mood stabilizer.

761
00:48:18,353 —> 00:48:20,939
She told me you took her
to a psychiatrist.

762
00:48:21,356 —> 00:48:22,524
Why didn't you tell me?

763
00:48:23,650 —> 00:48:24,902
There's nothing to tell.

764
00:48:25,944 —> 00:48:28,697
It takes six weeks for the medication
to have any effect,

765
00:48:28,780 —> 00:48:29,990
so we'll know more then.

766

00:49:18,538 —> 00:49:20,999

[man] Hello. Can I help you?

767

00:49:24,002 —> 00:49:26,088

[hens clucking]

768

00:49:26,171 —> 00:49:28,882

[man] Peter Hackett's the best neighbor

you can have.

769

00:49:28,966 —> 00:49:32,302

Ever there's a problem,

he's always the first one to call.

770

00:49:32,386 —> 00:49:34,763

Do you remember anything from that night?

771

00:49:35,597 —> 00:49:37,766

Yeah,

that girl was pretty well drugged up.

772

00:49:37,849 —> 00:49:40,102

- What?

- She couldn't hardly stand.

773

00:49:40,644 —> 00:49:42,688

- Excuse me?

- She almost fell down twice

774

00:49:42,771 —> 00:49:45,273

- when I was talking to her.

- Wait, you saw her?

775

00:49:45,357 —> 00:49:47,526

- Why didn't you call the police?

- I did.

776

00:49:48,944 —> 00:49:51,613

- What was she saying?

- It wasn't making sense.

777

00:49:52,197 —> 00:49:54,491

"Help me. Help me.

They're going to kill me."

778

00:49:55,075 —> 00:49:56,994
So I sat her down on the porch,

779
00:49:57,077 —> 00:49:59,371
and I said, "Relax."

780
00:49:59,454 —> 00:50:02,749
I told her that I called the police
and they were on their way.

781
00:50:03,542 —> 00:50:05,877
As soon as I said that, she ran.

782
00:50:06,545 —> 00:50:07,546
Anyhow...

783
00:50:08,505 —> 00:50:10,882
- What?
- ...she fell down the stairs and...

784
00:50:11,800 —> 00:50:12,843
she ran that way.

785

00:50:15,887 —> 00:50:18,390

[Mari] Wait,

do those security cameras work?

786

00:50:37,743 —> 00:50:39,953

[Mari] Is this where they keep

the security footage?

787

00:50:40,495 —> 00:50:41,830

Are you from the news?

788

00:50:41,913 —> 00:50:44,541

We, unfortunately, don't have it

from that night.

789

00:50:44,624 —> 00:50:47,878

It gets taped over automatically.

It runs on a loop. I'm sorry.

790

00:50:47,961 —> 00:50:49,629

But the police got a copy, right?

791

00:50:50,589 —> 00:50:52,674

[woman] We found it odd they never asked.

792

00:50:55,886 —> 00:50:57,387

I'm sorry, who are you?

793

00:51:00,057 —> 00:51:01,475

Why didn't you give it to them?

794

00:51:01,933 —> 00:51:03,518

Why don't I get my husband?

795

00:51:03,602 —> 00:51:05,228

He oversees all that.

796

00:51:05,312 —> 00:51:07,314

I just came by to drop off his lunch.

797

00:51:08,148 —> 00:51:11,193

[breathes deeply]

798

00:51:28,543 —> 00:51:31,213

How can I help you? Dr. Peter Hackett.

799

00:51:32,339 —> 00:51:34,758

My wife tells me you're a reporter.

800

00:51:35,258 —> 00:51:36,510

I've lived here for 30 years.

801

00:51:36,593 —> 00:51:38,595

There's not a thing I don't know

about Oak Beach.

802

00:51:39,304 —> 00:51:43,809

We're like a miniature government here,

and I pound the gavel. [laughs]

803

00:51:47,687 —> 00:51:49,981

Barbara, why don't you put on some coffee?

804

00:51:50,398 —> 00:51:51,399

It's on, dear.

805

00:51:52,484 —> 00:51:54,069

Then why don't you refresh it?

806

00:51:59,199 —> 00:52:03,703

I, uh... recognize you from the news.

807

00:52:04,454 —> 00:52:05,580

I'm so sorry.

808

00:52:07,249 —> 00:52:09,042

- What happened?

- [Dr. Hackett laughs]

809

00:52:09,668 —> 00:52:12,796

Well, that's the $64,000 question.

810

00:52:13,922 —> 00:52:15,507

But you called me.

811

00:52:17,175 —> 00:52:18,175

I beg your pardon?

812

00:52:21,513 —> 00:52:23,223
[indistinct chatter on police radio]

813
00:52:23,348 —> 00:52:26,518
[dispatch officer on radio] Unit report
to mile marker 10.46, Ocean Parkway

814
00:52:26,601 —> 00:52:28,436
for possible remains sighting.

815
00:52:31,273 —> 00:52:33,513
[officer] Just arriving.
Going to check it out. Stand by.

816
00:52:59,134 —> 00:53:03,471
We got a 10-54 on Ocean Parkway
near Cedar Beach.

817
00:53:06,016 —> 00:53:07,016
Fuck.

818
00:53:12,689 —> 00:53:13,940
[scanner beeps]

819

00:53:21,489 —> 00:53:24,993

[Mari] Last place Shannan was seen

was in clear view of a video camera,

820

00:53:25,076 —> 00:53:27,412

and Hackett's in charge of the footage!

821

00:53:27,495 —> 00:53:29,497

Okay. I'll look into it.

822

00:53:29,581 —> 00:53:30,749

He erased it.

823

00:53:31,750 —> 00:53:33,376

What? Did you find something?

824

00:53:33,460 —> 00:53:35,140

Mrs. Gilbert,

you really shouldn't be here.

825

00:53:35,212 —> 00:53:37,532

- Can you take her to the road?

- [Mari] What did you find?

826

00:53:38,798 —> 00:53:39,883

Let go of me.

827

00:53:40,508 —> 00:53:41,676

What's in the bag?

828

00:53:42,260 —> 00:53:44,095

[officer]

This one's not like the other four.

829

00:53:44,179 —> 00:53:46,014

Those were in the bramble a mile away.

830

00:53:46,556 —> 00:53:49,476

There's no burlap on this one, either,

or hyoid bones.

831

00:53:52,020 —> 00:53:54,231

[Dormer] Any indication of a jaw plate?

832

00:53:54,314 —> 00:53:55,314

[officer] No, sir.

833

00:53:57,734 —> 00:53:59,194

[Dormer] Right. Let's go.

834

00:54:21,758 —> 00:54:25,762

[news reporter] Two dozen police recruits

expanded the search for bodies today

835

00:54:25,845 —> 00:54:27,430

from the thicket to the beach.

836

00:54:27,514 —> 00:54:30,392

Suffolk County Police also expanded

the total search area.

837

00:54:31,142 —> 00:54:34,854

This platoon of recruits conducted

a grid-pattern search on Cedar Beach.

838

00:54:35,355 —> 00:54:38,900

It's between Gilgo and Oak Beach,

where the previous bodies were found.

839

00:54:39,484 —> 00:54:41,569

Since last year,

the search has been hampered

840

00:54:41,653 —> 00:54:43,822

by the harsh conditions in the thicket.

841

00:54:43,905 —> 00:54:48,076

Hard, wiry brush called Virginia Weepers

and Bittersweet so thick,

842

00:54:48,159 —> 00:54:50,870

you cannot see a person or dog

just ten feet away.

843

00:54:58,253 —> 00:54:59,879

[Mari] Dr. Peter Hackett.

844

00:55:03,049 —> 00:55:04,049

[door closes]

845

00:55:05,385 —> 00:55:06,386

Kim's working again.

846

00:55:07,387 —> 00:55:10,432

"Carolina" is her street name.

She posted this an hour ago.

847

00:55:11,516 —> 00:55:12,851

[Mari] Oh, Kim.

848

00:55:12,934 —> 00:55:14,311

What is she thinking?

849

00:55:19,149 —> 00:55:20,317

[Dr. Hackett] I'm a busy guy.

850

00:55:20,775 —> 00:55:22,861

I make and take a lot of calls.

851

00:55:22,944 —> 00:55:26,323

But how would I call a woman

I don't even know?

852

00:55:26,865 —> 00:55:27,907

I'm a doctor...

853

00:55:28,908 —> 00:55:30,035

not a magician.

854

00:55:33,621 —> 00:55:36,041

[sighs]

She said that...

855

00:55:36,750 —> 00:55:39,711

that you told her

that you helped her daughter.

856

00:55:39,794 —> 00:55:40,794

[Dr. Hackett chuckles]

857

00:55:41,212 —> 00:55:43,048

I hope she doesn't blame herself

858

00:55:44,174 —> 00:55:45,967
for the life her daughter led.

859
00:55:46,926 —> 00:55:48,094
But...

860
00:55:49,429 —> 00:55:51,765
apples don't fall far from the tree.

861
00:55:52,265 —> 00:55:53,600
[laughing] Am I right?

862
00:55:53,683 —> 00:55:54,683
[groans]

863
00:55:55,560 —> 00:55:56,560
[sighs]

864
00:55:57,062 —> 00:56:00,940
So, what do you remember from that night?

865
00:56:02,025 —> 00:56:06,112

I think that's when Barbara and I

were in Florida.

866

00:56:07,238 —> 00:56:09,240

- [Dormer] Oh.

- You ever been marlin fishing?

867

00:56:09,991 —> 00:56:10,992

But you were here.

868

00:56:11,743 —> 00:56:15,997

Because when the daughter's boyfriend

came the next morning to look for her,

869

00:56:17,207 —> 00:56:19,584

didn't you offer to help search for her?

870

00:56:21,086 —> 00:56:23,421

Florida might have been...

871

00:56:24,672 —> 00:56:26,674

- the week before.

- Oh, okay.

872

00:56:26,758 —> 00:56:30,011

That's right.

I saw this kid tooling around,

873

00:56:30,095 —> 00:56:33,598

and he told me his story

and I couldn't turn him away.

874

00:56:33,681 —> 00:56:36,184

That's what we do around here,

we help people.

875

00:56:38,144 —> 00:56:41,773

[scoffs]

With all due respect, Dr. Hackett,

876

00:56:42,857 —> 00:56:45,944

you're living in a gated community

with a sign that says:

877

00:56:46,027 —> 00:56:47,821

"Be nice or leave."

878

00:56:49,072 —> 00:56:52,617

I don't know that that sends

that particular message.

879

00:56:52,700 —> 00:56:55,078

Look... the police came.

880

00:56:55,161 —> 00:56:56,996

They said everything was kosher.

881

00:56:57,080 —> 00:56:58,080

Right.

882

00:56:59,666 —> 00:57:00,666

But...

883

00:57:02,127 —> 00:57:05,130

why didn't you show them

the security footage?

884

00:57:05,713 —> 00:57:06,923

Why didn't they ask for it?

885

00:57:08,216 —> 00:57:10,677

This is not my investigation, kemosabe.

886

00:57:11,261 —> 00:57:12,846

You're the head honcho.

887

00:57:14,722 —> 00:57:16,558

Maybe you ought to teach your cops better.

888

00:57:18,560 —> 00:57:19,686

A girl goes missing

889

00:57:20,353 —> 00:57:21,521

and you have a tape.

890

00:57:23,857 —> 00:57:27,861

[scoffs] Are you telling me

that you didn't at least watch it?

891

00:57:30,155 —> 00:57:32,240

That would be tampering with evidence.

892

00:57:33,992 —> 00:57:35,034

Am I right?

893

00:58:07,317 —> 00:58:09,944

[Joe] Peter Hackett

is a self-important blowhard.

894

00:58:10,528 —> 00:58:13,573

The very fact

that he's not leading the charge in this

895

00:58:13,656 —> 00:58:16,493

is all the evidence you need

to point a finger.

896

00:58:17,035 —> 00:58:18,369

[Mari] Okay, if that's true,

897

00:58:18,453 —> 00:58:21,206

why wasn't Shannan found

with the other girls?

898

00:58:21,289 —> 00:58:23,833

[Joe] 'Cause the attack on her

didn't go as planned.

899

00:58:23,917 —> 00:58:25,168

She'd gone off running.

900

00:58:25,627 —> 00:58:27,754

People had seen her. The police came.

901

00:58:27,837 —> 00:58:29,839

It just became too risky.

902

00:58:29,923 —> 00:58:33,301

He tells people

that he runs a home for wayward girls.

903

00:58:33,384 —> 00:58:36,012

That he rehabs them. That he saves them.

904

00:58:36,095 —> 00:58:38,348

What he really means is he buries them.

905

00:58:39,182 —> 00:58:41,893

He's got an examination table

in his living room.

906

00:58:42,727 —> 00:58:45,021

And his "home for wayward girls"

907

00:58:45,104 —> 00:58:48,525

is really just code for "graveyard."

908

00:58:49,108 —> 00:58:50,108

Then where is Shannan?

909

00:58:51,903 —> 00:58:53,446

In his backyard.

910

00:58:54,113 —> 00:58:55,281

The marsh.

911

00:59:08,211 —> 00:59:10,505

It's the one place they haven't searched.

912

00:59:21,099 —> 00:59:22,600

[knocking on door, door opens]

913

00:59:26,854 —> 00:59:27,897

[detective clears throat]

914

00:59:28,439 —> 00:59:29,816

We found another one.

915

00:59:30,400 —> 00:59:32,485

Pieces, dismembered.

916

00:59:32,944 —> 00:59:35,029

Forensics says it matches

a pair of severed legs

917

00:59:35,113 —> 00:59:36,698

found in a plastic bag in '96.

918

00:59:38,866 —> 00:59:40,743

- '96?

- [detective] Yeah, '96.

919

00:59:41,786 —> 00:59:45,331

[scoffs] Are you telling me

that somebody's been dumping bodies

920

00:59:45,415 —> 00:59:48,376

in Ocean Parkway for 15 fucking years?

921

00:59:48,960 —> 00:59:49,960

Well...

922

00:59:50,378 —> 00:59:51,754

it looks like it.

923

00:59:51,838 —> 00:59:53,715

Hey, what is this?

924

00:59:53,798 —> 00:59:56,509

Shannan Gilbert's medical records?

Come on, seriously?

925

00:59:56,593 —> 01:00:00,054

You really think you're gonna find

any answers in these medical records?

926

01:00:01,180 —> 01:00:04,475

Look, if she was still around,

we would have found her by now.

927

01:00:05,310 —> 01:00:06,185

I mean, honestly,

928

01:00:06,269 —> 01:00:09,105

who spends this much time

looking for a missing hooker?

929

01:00:18,823 —> 01:00:21,326

If you're here to give me some big speech,

save it.

930

01:00:22,201 —> 01:00:23,786

I already heard it from the others.

931

01:00:25,997 —> 01:00:27,332
Kim, I know you're strong,

932
01:00:27,415 —> 01:00:30,627
and you think you can handle
whatever comes your way, but...

933
01:00:31,669 —> 01:00:33,379
this is just plain stupid.

934
01:00:35,798 —> 01:00:37,800
Everyone has their destiny.

935
01:00:38,718 —> 01:00:41,429
Maybe Amber's was Amber's,
and maybe this is mine.

936
01:00:44,849 —> 01:00:46,476
You don't really believe that.

937
01:00:49,520 —> 01:00:53,274
You're only doing this because deep down,
you think that's all you're worth,

938

01:00:53,358 —> 01:00:55,568

- but that's not true.

- [chuckles]

939

01:00:59,155 —> 01:01:00,448

You tell that to Shannan?

940

01:01:04,369 —> 01:01:07,622

[Mari sighs deeply]

941

01:01:09,999 —> 01:01:11,709

I got Amber into this, you know?

942

01:01:17,674 —> 01:01:18,674

You tried, Mari.

943

01:01:27,725 —> 01:01:29,727

- Here.

- Thank you.

944

01:01:29,811 —> 01:01:33,064

Lynn's boyfriend knew a guy.

We're all wearing them to the vigil.

945

01:01:36,025 —> 01:01:37,025

[door opens]

946

01:01:38,152 —> 01:01:39,779

- Turn on the TV.

- Why?

947

01:01:40,905 —> 01:01:42,115

[Lorraine sighs shakily]

948

01:01:42,198 —> 01:01:44,784

[Dormer on TV]

...there's also no evidence to suggest

949

01:01:44,867 —> 01:01:47,620

that it's the work of a single killer.

950

01:01:48,162 —> 01:01:50,248

Although Shannan Gilbert

951

01:01:50,957 —> 01:01:54,168

coincidentally went missing

at the same time in the same place,

952

01:01:54,252 —> 01:01:56,212

she doesn't fit the victim profile.

953

01:01:56,295 —> 01:01:59,006

She was the only one

who didn't come to Oak Beach alone

954

01:01:59,090 —> 01:02:00,383

because she had a driver.

955

01:02:00,925 —> 01:02:01,759

[Sarra] Oh, God.

956

01:02:01,843 —> 01:02:04,137

[Dormer] We will continue

to look for her, but...

957

01:02:04,220 —> 01:02:06,806

until we find evidence of foul play,

958

01:02:07,306 —> 01:02:10,184

Miss Gilbert will no longer be considered

959

01:02:10,268 —> 01:02:12,395

a part of this larger case.

960

01:02:12,478 —> 01:02:13,497

[reporter] Commissioner...

961

01:02:13,521 —> 01:02:15,281

- [Dormer] That's all for the moment.

- Fuck!

962

01:02:20,778 —> 01:02:22,655

Yeah, this is Mari Gilbert...

963

01:02:24,449 —> 01:02:26,033

[Sherre] Hey, you okay?

964

01:02:27,618 —> 01:02:31,080

They stopped looking for Shannan.

They're not looking for her anymore.

965

01:02:32,165 —> 01:02:34,083

- It's okay.

- What are we gonna do?

966

01:02:34,876 —> 01:02:36,377

- Hey.

- Why did they...

967

01:02:36,961 —> 01:02:38,087

That's why we're here.

968

01:02:39,839 —> 01:02:40,839

Okay?

969

01:02:41,716 —> 01:02:42,717

Yeah, right.

970

01:02:47,847 —> 01:02:49,682

- [Sarra sobs]

- You're okay.

971

01:02:49,807 —> 01:02:51,350

[Sarra sobs quietly]

972

01:03:02,028 —> 01:03:03,279

[Dormer] I'll just be a minute.

973

01:03:07,617 —> 01:03:08,617

[house door opens]

974

01:03:10,119 —> 01:03:12,121

How can you say Shannan's not connected?

975

01:03:12,205 —> 01:03:14,415

She was last seen

three miles from the other girls.

976

01:03:14,499 —> 01:03:16,751

She was in her 20s, just like them.

977

01:03:16,834 —> 01:03:18,336

She was small, just like them.

978

01:03:18,419 —> 01:03:20,922

She was on Craigslist, just like them.

979

01:03:21,005 —> 01:03:23,674

None of those other girls

would've been found if it wasn't for her.

980

01:03:23,758 —> 01:03:26,052

It doesn't mean

that we're gonna stop looking for her.

981

01:03:26,135 —> 01:03:27,929

- [Sherre] Mom! Mom!

- What about Hackett?

982

01:03:28,012 —> 01:03:29,722

Even if he did call you, it...

983

01:03:30,431 —> 01:03:31,808

it's not evidence of guilt.

984

01:03:31,891 —> 01:03:33,392

Lying about it is.

985

01:03:33,476 —> 01:03:36,062

I understand that you're angry,

Mrs. Gilbert, but...

986

01:03:36,854 —> 01:03:40,525

a policeman deals in evidence, not anger.

987

01:03:40,608 —> 01:03:42,902

Ha, ha!

What fortune cookie did you read that in?

988

01:03:42,985 —> 01:03:44,465

[Sherre] Mom, hurry. They're waiting.

989

01:03:44,529 —> 01:03:45,988

Give me a minute!

990

01:03:48,324 —> 01:03:49,324

[Mari sighs]

991

01:03:54,914 —> 01:03:56,749

[Mari]

You have no idea, you know,

992

01:03:57,333 —> 01:03:59,877

no clue what worry really is.

993

01:04:00,461 —> 01:04:03,172

[Dormer]

We have Shannan's medical records.

994

01:04:04,465 —> 01:04:05,800

Yeah? What do they say?

995

01:04:10,096 —> 01:04:11,848

I'll tell you what they don't say.

996

01:04:12,974 —> 01:04:16,143

They don't say how she used to

shove her fingers down her throat

997

01:04:16,227 —> 01:04:17,979

and puke until her mouth bled.

998

01:04:18,479 —> 01:04:21,148

They don't say how she ran out

into the snow one night

999

01:04:21,232 —> 01:04:24,026

with no clothes on

and nearly froze half to death

1000

01:04:24,110 —> 01:04:27,780

while I was out working graveyards

and doubles just to keep the lights on.

1001

01:04:28,573 —> 01:04:32,660

[Dormer] Yeah. Look, Mari, I know

that you gave her away to foster care,

1002

01:04:32,743 —> 01:04:36,080

and I know you think it's your

responsibility to bring her home again.

1003

01:04:36,163 —> 01:04:38,165

But this isn't on you.

1004

01:04:39,792 —> 01:04:41,002

I'm her mother.

1005

01:04:42,461 —> 01:04:43,629

It's all on me.

1006

01:04:47,174 —> 01:04:49,176

[door opens and shuts]

1007

01:04:52,763 —> 01:04:54,765

[Mari sighs deeply]

1008

01:04:57,184 —> 01:04:58,561

You gave her away?

1009

01:04:58,644 —> 01:05:02,356

Oh, for fuck's sake, Sherre,

can we not do this right now?

1010

01:05:03,691 —> 01:05:04,775

You lied to me.

1011

01:05:05,443 —> 01:05:06,903

I didn't lie.

1012

01:05:06,986 —> 01:05:09,822

You told me the state took her.

1013
