169
00:12:21,324 —> 00:12:22,701
[GASPS]

170
00:12:36,089 —> 00:12:38,467
HARRY:
Michael, come into my room.

171
00:12:41,010 —> 00:12:42,637
What?

172
00:12:42,804 —> 00:12:46,684
My boy, today's the day I take you to the shop.
What do you say?

173
00:12:46,849 —> 00:12:49,068
I don't know.
What do you say, Dad?

174
00:12:49,227 —> 00:12:51,696

I say appearance
is nine-tenths of the law.

175
00:12:51,854 —> 00:12:53,902
People don't buy a car,
they buy me.

176
00:12:54,065 —> 00:12:57,035
Which is why I personally
take such pride in my appearance.

177
00:12:57,193 —> 00:13:00,663
Well-oiled hair,
clean shaved, snappy suit.

178
00:13:00,822 —> 00:13:03,951
Now, run along and get ready
for a big day of learning, kid. Heh.

179
00:13:04,117 —> 00:13:06,245
It's gonna be a big day
of learning too.

180

00:13:06,411 —> 00:13:09,881

There's a sucker born every minute.

We're gonna take them for all they got.

181

00:13:10,623 —> 00:13:12,216

Give me the cookies.

182

00:13:12,625 —> 00:13:14,172

Here.

183

00:13:17,380 —> 00:13:19,849

[HARRY SINGS]

184

00:13:20,008 —> 00:13:22,887

Okay, my boy, heir to the throne.

185

00:13:23,052 —> 00:13:25,726

Today we diddle the customer.

186

00:13:25,972 —> 00:13:28,896

What's wrong with you?

What are you looking at?

187

00:13:29,392 —> 00:13:31,690

Lovekins, where's my breakfast?

188

00:13:31,853 —> 00:13:35,153

Here we are, my heartstrings. Aah!

189

00:13:36,607 —> 00:13:39,577

Snickerdoodle, what did

you do to your hair?

190

00:13:42,739 —> 00:13:44,366

My hair?

191

00:13:49,412 —> 00:13:52,040

[YELLS THEN THUDS]

192

00:13:56,002 —> 00:13:58,755

Give me those things. Give me that.

Where are you going with those?

193

00:13:58,921 —> 00:14:01,265

Give me those.

Get in the car. Go on.

194

00:14:04,761 —> 00:14:06,479

Get in.

NARRATOR: Dirty dealings,

195

00:14:06,637 —> 00:14:07,809

[CAMERA SHUTTER CLICKING]

196

00:14:07,972 —> 00:14:11,351

Like buying stolen car parts,

never stay secret for long.

197

00:14:11,517 —> 00:14:14,612

Especially when the FBI

gets involved.

198

00:14:20,860 —> 00:14:24,410

9:17, suspect exits domicile.

199

00:14:24,572 —> 00:14:26,449

I've got 9:18.

200

00:14:28,576 —> 00:14:30,294

9:17 is correct.

201

00:14:35,333 —> 00:14:37,335

[♪♪♪]

202

00:14:40,755 —> 00:14:44,635

Michael, one day

all this will be yours.

203

00:14:44,884 —> 00:14:46,511

This?

204

00:14:46,677 —> 00:14:49,806

HARRY: See this junker?

I paid $100 for it.

205

00:14:49,972 —> 00:14:52,100

She's got 120,000 miles on her.

206

00:14:52,266 —> 00:14:55,190

Transmission shot,

bumpers have fallen off.

207

00:14:55,353 —> 00:14:57,276

What do I do with her? Hm?

208

00:14:59,232 —> 00:15:00,575

I sell her.

209

00:15:00,733 —> 00:15:03,202

We really should weld

these bumpers on,

210

00:15:03,361 —> 00:15:07,161

but that takes time,

equipment, money.

211

00:15:07,323 —> 00:15:10,827

So we use

Super Super Glue instead.

212

00:15:10,993 —> 00:15:13,371

Go ahead, put it on there.

213

00:15:13,621 —> 00:15:15,123

Won't it fall off?

214

00:15:15,289 —> 00:15:18,338

Definitely.

Isn't that dangerous?

215

00:15:18,501 —> 00:15:20,629

Not to me, okay?

216

00:15:20,795 —> 00:15:22,297

Transmission.

217

00:15:22,463 —> 00:15:26,684

The sawdust quiets the gears, and

lets the engine run as sweet as a nut

218

00:15:26,843 —> 00:15:29,346

for a couple of miles. Ha-ha-ha.

Daddy, that's cheating.

219

00:15:29,512 —> 00:15:33,016

Of course it's cheating.

Nobody ever got rich being honest.

220

00:15:33,182 —> 00:15:36,186

20 years ago, we could turn

the numbers back by hand. But—

221

00:15:36,352 —> 00:15:38,354

Here, take my hat.

222

00:15:38,688 —> 00:15:42,909

But the feds like to test the ingenuity

of the American businessman.

223

00:15:43,109 —> 00:15:44,656

Two-directional drill.

224

00:15:44,819 —> 00:15:47,288

You run it backwards,

the numbers go down.

225

00:15:47,447 —> 00:15:49,666

Watch the speedometer.

226

00:15:50,825 —> 00:15:52,372

MICHAEL:

Cool.

227

00:15:54,579 —> 00:15:55,626

See?

Yeah.

228

00:15:55,788 —> 00:15:57,836

Daddy, you're a crook.

229

00:15:58,833 —> 00:16:01,131

What?

This is illegal.

230

00:16:01,794 —> 00:16:03,341

Here, keep drilling.

231

00:16:05,131 —> 00:16:07,930

Do you make money?

Do you have a job?

232

00:16:08,092 —> 00:16:10,470

No, but don't people

need good cars?

233

00:16:10,636 —> 00:16:13,310

Can't you sell good cars, Dad?

234

00:16:14,056 —> 00:16:16,024

Listen, you little wiseacre.

235

00:16:16,184 —> 00:16:19,814

I'm smart, you're dumb. I'm big, you're little.

I'm right, you're wrong.

236

00:16:19,979 —> 00:16:22,232

And there's nothing

you can do about it.

237

00:16:23,858 —> 00:16:24,859

[GRUNTS]

238

00:16:25,568 —> 00:16:27,411

[HARRY CHUCKLING]

239

00:16:33,242 —> 00:16:34,585

[CAR HORN HONKS]

240

00:16:34,994 —> 00:16:37,998

Harry, I won! I won!

241

00:16:38,164 —> 00:16:41,759

I hit the double bingo! Aah!

242

00:16:41,918 —> 00:16:45,343

Come on, everybody!

I'm taking you all to Café Le Ritz.

243

00:16:45,505 —> 00:16:47,382

Let me see the money.

Never mind.

244

00:16:47,548 —> 00:16:49,346

Double bingo, huh? Ooh.

245

00:16:49,634 —> 00:16:53,013
God, your hair looks awful.
I hope they let you in.

246
00:16:53,179 —> 00:16:55,181
They'll let me in.
MATILDA: Here's your hat, Daddy.

247
00:16:55,473 —> 00:16:57,225
Get in the car.

248
00:16:58,476 —> 00:16:59,944
Go on, get in.

249
00:17:02,146 —> 00:17:03,193
How much?

250
00:17:03,356 —> 00:17:05,279
It's for me to know
and you to find out.

251
00:17:05,441 —> 00:17:06,488
[BLOWS RASPBERRY]

252

00:17:11,197 —> 00:17:13,074

It's nice to go out sometimes.

Yeah.

253

00:17:13,241 —> 00:17:14,288

You never take us out.

254

00:17:14,450 —> 00:17:16,202

Of course I do.

I took you to the Flipper.

255

00:17:16,369 —> 00:17:18,713

I don't remember any of the Flipper.

HARRY: The fish joint.

256

00:17:18,871 —> 00:17:20,965

You found that comb

in the bouillabaisse.

257

00:17:21,123 —> 00:17:23,125

ZINNIA:

Oh, yeah. I like that joint.

258

00:17:23,626 —> 00:17:25,594

Bonjour.

This way, please.

259

00:17:25,753 —> 00:17:27,255

Harry, take your hat off.

260

00:17:28,256 —> 00:17:29,849

I can't.

This is a nice place.

261

00:17:30,007 —> 00:17:31,850

You can't wear a hat inside.

262

00:17:32,009 —> 00:17:33,135

HARRY:

I can't take it off.

263

00:17:33,302 —> 00:17:36,146

Harry, nobody cares

what your hair looks like.

264

00:17:36,305 —> 00:17:39,525

What's with this hat?

I can't get it off. I can't get it off.

265

00:17:41,018 —> 00:17:44,272

Just a minute. I'm gonna yank

this hat off. I'm pulling it.

266

00:17:44,438 —> 00:17:46,611

[HARRY SCREAMING]

267

00:17:46,774 —> 00:17:49,118

ZINNIA: I think your head

swelled up really bad.

268

00:17:49,277 —> 00:17:51,154

[BOTH GRUNTING]

269

00:17:51,320 —> 00:17:54,540

You're pulling the skin!

You're such a baby! Stop it!

270

00:17:54,699 —> 00:17:57,168

Fibers are fused to the head!

Fibers are fused?

271

00:17:57,326 —> 00:18:00,250

What is that supposed to mean?

Give me that hat!

272

00:18:03,874 —> 00:18:05,547

[SCREAMS]

273

00:18:29,692 —> 00:18:31,945

Mm.

274

00:18:33,487 —> 00:18:35,865

HARRY:

I will not be the figure of ridicule!

275

00:18:36,032 —> 00:18:38,251

I want respect, and I want it now!

276

00:18:38,409 —> 00:18:40,036

[GROANING]

277

00:18:40,202 —> 00:18:42,955

I still don't see how you

glued your hat on, Harry.

278

00:18:43,122 —> 00:18:45,716

I mean, I know you say you didn't,

but obviously you did.

279

00:18:45,875 —> 00:18:48,344

I did not glue my hat to my head.

280

00:18:48,502 —> 00:18:52,678

The hat shrunk,

the fibers fused to my hair. Ow.

281

00:18:52,882 —> 00:18:55,260

ZINNIA: Baby, wait a minute.

I'm getting it now.

282

00:18:55,426 —> 00:18:57,224

I'm getting it. One more.

283

00:18:59,805 —> 00:19:01,352

Oh, my God.

284

00:19:02,099 —> 00:19:04,101

[ZINNIA CHUCKLING]

285

00:19:10,691 —> 00:19:13,820

From now on, this family

does exactly what I say,

286

00:19:13,986 —> 00:19:16,409

when, exactly when, I say it!

287

00:19:16,572 —> 00:19:19,075

Here's your hat, Harry.

Give me that.

288

00:19:19,325 —> 00:19:21,168

And right now,

289

00:19:21,494 —> 00:19:24,714

we are eating dinner

and watching TV.

290
00:19:26,832 —> 00:19:30,587
Are you ready to get
sticky with Mickey?

291
00:19:32,004 —> 00:19:33,597
Shut your light off.

292
00:19:34,674 —> 00:19:36,768
I'm just giving it away!

293
00:19:36,926 —> 00:19:40,931
But for those idiots out there who don't
know how to play, here's how it goes.

294
00:19:41,097 —> 00:19:45,443
For each correct answer, they'll move
one step closer to our cube of cash.

295
00:19:45,601 —> 00:19:49,526
Once in our cube of cash, any money
that sticks to your gooey body,

296

00:19:49,689 —> 00:19:51,862

you get to take home.

297

00:19:54,819 —> 00:19:56,662

Hi, Dad.

298

00:19:56,821 —> 00:19:58,243

Are you in this family?

299

00:19:59,699 —> 00:20:01,292

Mm...

300

00:20:01,450 —> 00:20:03,293

Hello?

301

00:20:03,452 —> 00:20:06,046

Are you in this family?

302

00:20:09,041 —> 00:20:12,341

Dinnertime is family time.

What is this trash you're reading?

303

00:20:12,628 —> 00:20:14,801

It's not trash, Daddy, it's lovely.

304

00:20:14,964 —> 00:20:17,217

It's called Moby Dick,

by Herman Melville.

305

00:20:18,134 —> 00:20:19,556

Moby what?

306

00:20:20,720 —> 00:20:26,022

This is filth! Trash! Here.

It's not mine! It's a library book.

307

00:20:26,183 —> 00:20:27,730

Trash!

308

00:20:27,893 —> 00:20:32,114

I'm fed up with all this reading! You're

a Wormwood, you start acting like one!

309

00:20:32,273 —> 00:20:33,616
Sit up and look at the TV.

310
00:20:33,774 —> 00:20:37,495
MAN: Producers are not liable for any skin
irritation that may result from playing our game.

311
00:20:37,653 —> 00:20:39,781
Get real sticky and get
cash for free.

312
00:20:39,947 —> 00:20:43,247
All right, that's enough.
Let's get sticky!

313
00:20:44,034 —> 00:20:46,036
[UPBEAT MUSIC PLAYING ON TV]

314
00:20:48,581 —> 00:20:51,926
[HARRY & ZINNIA LAUGHING]

315
00:21:07,266 —> 00:21:09,394
[♪♪♪]

316

00:21:13,606 —> 00:21:15,608

[ZINNIA SCREAMING]

317

00:21:20,905 —> 00:21:22,657

I didn't do it.

318

00:21:22,823 —> 00:21:25,667

Of course you didn't do it,

you little twit.

319

00:21:26,410 —> 00:21:28,333

I told you that was

a cheap set.

320

00:21:28,496 —> 00:21:32,217

It's not a cheap set,

it's a stolen set.

321

00:21:32,374 —> 00:21:34,092

Put your light on!

322

00:21:36,045 —> 00:21:37,092
Bummer.

323
00:21:37,254 —> 00:21:39,222
NARRATOR:
Was it magic or coincidence?

324
00:21:39,381 —> 00:21:40,883
She didn't know.

325
00:21:41,050 —> 00:21:44,771
It is said that we humans use
only a tiny portion of our brains.

326
00:21:44,929 —> 00:21:48,433
Matilda might never have discovered
her own great strength of mind

327
00:21:48,599 —> 00:21:52,274
were it not for the events
that began on the very next day.

328
00:21:52,436 —> 00:21:54,859

TRUNCHBULL: I need a car,

inexpensive but reliable.

329

00:21:55,022 —> 00:21:57,696

Can you service me?

HARRY: In a manner of speaking, yes.

330

00:21:57,858 —> 00:21:59,280

Welcome to Wormwood Motors.

331

00:21:59,443 —> 00:22:01,696

Harry Wormwood,

owner, founder, whatever.

332

00:22:01,862 —> 00:22:05,787

Agatha Trunchbull, principal,

Crunchem Hall Elementary School.

333

00:22:06,242 —> 00:22:09,746

I warn you, sir, I want a tight

car, because I run a tight ship.

334

00:22:09,912 —> 00:22:13,837

Oh, yeah, huh? Well, uh—

My school is a model of discipline.

335

00:22:13,999 —> 00:22:17,094

“Use the rod, beat the child,"

that's my motto.

336

00:22:17,253 —> 00:22:19,597

Terrific motto.

You have brats yourself?

337

00:22:19,755 —> 00:22:22,178

Yeah, I got a boy, Mikey,

and one mistake, Matilda.

338

00:22:22,341 —> 00:22:26,471

They're all mistakes, children. Filthy,

nasty things. Glad I never was one.

339

00:22:26,637 —> 00:22:30,062

Uh-huh. Well, since you're an educator,

I'm gonna make you a great deal.

340

00:22:30,224 —> 00:22:32,852
You had better.
Let's do business.

341
00:22:34,687 —> 00:22:36,189
Thank you.

342
00:22:36,480 —> 00:22:37,948
Enjoy it.

343
00:22:38,774 —> 00:22:41,197
Hey, you, you're going to school.
I am?

344
00:22:41,360 —> 00:22:43,203
First thing tomorrow.

345
00:22:43,654 —> 00:22:47,409
Yeah, yeah, okay, okay. You'll get
a real education at this place.

346
00:22:47,575 —> 00:22:49,703
[♪♪♪]

347

00:22:49,869 —> 00:22:54,045

NARRATOR: Matilda had always wanted to

go to school because she loved to learn.

348

00:22:54,582 —> 00:22:57,836

She tried to imagine

what her new school would be like.

349

00:22:58,002 —> 00:22:59,094

Go ahead.

350

00:22:59,086 —> 00:22:59,803

Go ahead.

351

00:23:00,087 —> 00:23:03,136

NARRATOR: She pictured a lovely

building surrounded by trees

352

00:23:03,299 —> 00:23:05,677

and flowers and swings.

353

00:23:07,928 —> 00:23:09,930
Well, there was a building

354
00:23:10,139 —> 00:23:11,812
and children.

355
00:23:11,974 —> 00:23:14,602
So regardless of what
Crunchem Hall looked like,

356
00:23:14,768 —> 00:23:16,486
she was happy to be there.

357
00:23:16,645 —> 00:23:17,988
Hey, wait up!

358
00:23:18,439 —> 00:23:22,489
NARRATOR: After all, any school
is better than no school at all.

359
00:23:23,360 —> 00:23:24,657
Isn't it?

360

00:23:26,989 —> 00:23:30,368

[CHILDREN SHRIEK]

361

00:23:35,205 —> 00:23:37,207

[♪♪♪]

362

00:23:58,896 —> 00:24:00,273

TRUNCHBULL:

You, detention.

363

00:24:06,612 —> 00:24:08,706

You're too small.

Grow up quicker!

364

00:24:12,034 —> 00:24:13,911

Heads up! Shoulders back!

Stomachs in! Stand straight.

365

00:24:14,078 —> 00:24:15,295

Hey-

sorry-

366

00:24:15,454 —> 00:24:16,501
TRUNCHBULL:
Detention for you.

367
00:24:16,664 —> 00:24:19,713
That's okay. It's much better
than being out there.

368
00:24:19,875 —> 00:24:21,172
Is that my teacher?

369
00:24:21,335 —> 00:24:23,758
No, that's the principal,
Miss Trunchbull.

370
00:24:23,921 —> 00:24:25,889
You've gotta be kidding.
Uh-uh.

371
00:24:26,090 —> 00:24:28,684
You squirts better skedaddle.
I'm not kidding.

372

00:24:28,842 —> 00:24:31,721
The Trunchbull likes to snap a whip
in there to see who's trying to hide.

373
00:24:31,887 —> 00:24:33,434
TRUNCHBULL:
Stomach in!

374
00:24:34,139 —> 00:24:35,766
Change those socks! Too pink.

375
00:24:35,933 —> 00:24:37,526
I'm Matilda.
Lavender.

376
00:24:38,143 —> 00:24:39,861
I'm Hortensia.
MATILDA & LAVENDER: Hi.

377
00:24:40,145 —> 00:24:43,900
She doesn't really hit children
with that riding crop, does she?

378

00:24:44,066 —> 00:24:46,194
No, it's mostly for scare.

379
00:24:46,360 —> 00:24:48,078
What she does is worse.

380
00:24:48,237 —> 00:24:52,037
Like yesterday, in the second grade,
the Trunchbull makes a weekly visit

381
00:24:52,199 —> 00:24:56,500
to every classroom to show the teachers
a thing or two about handling kids.

382
00:24:56,662 —> 00:24:58,084
And Julius Rottwinkle ate

383
00:24:58,247 —> 00:25:01,126
two M&M's during her lesson.
MATILDA: And she caught him?

384
00:25:01,291 —> 00:25:02,918
HORTENSIA:

Of course.</i>

385

00:25:05,921 —> 00:25:07,173

[ALL GASP]

386

00:25:07,589 —> 00:25:08,681

[SCREAMING]

387

00:25:08,841 —> 00:25:12,141

Was Julius okay?

After being thrown out the window?

388

00:25:12,302 —> 00:25:15,727

Of course he wasn't okay.

He lived, if that's what you mean.

389

00:25:15,889 —> 00:25:18,733

The Trunchbull used

to be in the Olympics.

390

00:25:18,892 —> 00:25:22,112

Shot put, javelin, hammer throw.

391

00:25:22,271 —> 00:25:23,443

HORTENSIA:

The hammer throw is her specialty.

392

00:25:23,605 —> 00:25:27,109

So she does this all the time?

Better than being put in the choky.

393

00:25:27,276 —> 00:25:30,029

Choky?

HORTENSIA: Yeah, the choky.

394

00:25:30,195 —> 00:25:33,039

It's a tall, narrow hole

in the wall behind a door.

395

00:25:33,198 —> 00:25:36,042

You have to stand

in a drippy pipe with jagged edges.

396

00:25:36,201 —> 00:25:38,750

And the walls have broken glass

and nails sticking out.

397

00:25:38,912 —> 00:25:41,791

TRUNCHBULL: Get inside, you

festering ball of pus!

398

00:25:41,957 —> 00:25:44,460

MATILDA: She puts kids in there?

HORTENSIA: I've been in twice.

399

00:25:44,626 —> 00:25:46,845

Sometimes she leaves you

in there all day.

400

00:25:47,004 —> 00:25:49,803

Didn't you tell your parents?

HORTENSIA: They didn't believe me.

401

00:25:50,007 —> 00:25:52,351

I mean, would your parents

believe it?

402

00:25:52,509 —> 00:25:55,308

TRUNCHBULL: Sixty lines after school:

“I must obey Miss Trunchbull."

403

00:25:55,888 —> 00:25:57,435

No.

404

00:25:57,598 —> 00:25:59,817

TRUNCHBULL: Out of my way.

Here she comes.

405

00:26:01,643 —> 00:26:05,819

Ahh, fresh meat.

406

00:26:12,488 —> 00:26:14,616

Amanda Thripp.

407

00:26:15,908 —> 00:26:17,330

Yes, Miss Trunchbull.

408

00:26:17,618 —> 00:26:20,337

What are those?

What's what, Miss Trunchbull?

409

00:26:20,579 —> 00:26:23,332

TRUNCHBULL:

Hanging down by your ears.

410

00:26:23,499 —> 00:26:25,001

You mean my pigtails?

411

00:26:26,543 —> 00:26:30,343

Are you a pig, Amanda?

No, Miss Trunchbull.

412

00:26:30,798 —> 00:26:33,517

Do I allow pigs in my school?

413

00:26:33,675 —> 00:26:36,929

My mommy thinks they're sweet.

414

00:26:37,262 —> 00:26:39,856

Your mommy is a twit!

415

00:26:41,350 —> 00:26:44,479

You'll chop those off

before school tomorrow or I will—

416

00:26:44,853 —> 00:26:46,230

But—

But?!

417

00:26:46,396 —> 00:26:49,115

I don't—

But? Did you say "but"?

418

00:26:49,691 —> 00:26:51,034

What? Hammer throw.

419

00:26:51,360 —> 00:26:52,828

Definitely.

420

00:26:52,986 —> 00:26:55,034

I'll give you "but"!

421

00:27:04,957 —> 00:27:08,302

CHILD 1: Good loft!

CHILD 2: And excellent release.

422

00:27:08,502 —> 00:27:10,049
[SCREAMING]

423
00:27:12,339 —> 00:27:15,058
Think she'll make the fence?
Gonna be a close one.

424
00:27:19,888 —> 00:27:21,890
[♪♪♪]

425
00:27:34,862 —> 00:27:36,284
[ALL CHEERING]

426
00:27:36,446 —> 00:27:39,575
Quiet! Get to class
before I throw you all in the choky.

427
00:27:40,242 —> 00:27:41,960
Lavender.

428
00:27:42,119 —> 00:27:43,712
What's my teacher like?

429

00:27:44,163 —> 00:27:47,918

TRUNCHBULL:

Run, run, run. Faster! Get in.

430

00:27:48,292 —> 00:27:49,589

Quickly!

431

00:27:49,751 —> 00:27:51,719

NARRATOR:

But Matilda's teacher, Miss Honey,

432

00:27:51,879 —> 00:27:53,881

was one of those

remarkable people

433

00:27:54,047 —> 00:27:57,927

who appreciates every single child

for who she or he is.

434

00:27:58,093 —> 00:28:00,095

I scooped these up for you,

Miss Honey.

435

00:28:00,262 —> 00:28:03,607

Oh, how lovely.

Thank you, Amanda.

436

00:28:03,891 —> 00:28:07,816

Okay, listen up, everybody.

We have a new student with us today.

437

00:28:07,978 —> 00:28:11,528

This is Matilda Wormwood. I'd like

you to sit over here with Lavender.

438

00:28:11,690 —> 00:28:14,489

Now, you all remember how scary

your first days at school were.

439

00:28:14,651 —> 00:28:19,157

So I'd like you to be especially nice to

Matilda and make her feel welcome, all right?

440

00:28:19,323 —> 00:28:20,745

Could you get her

workbook for her, please?

441

00:28:20,908 —> 00:28:23,661

Yes, Miss Honey.

You can sit down.

442

00:28:24,328 —> 00:28:27,798

NARRATOR: Miss Honey was a wonderful

teacher and a friend to everyone.

443

00:28:27,956 —> 00:28:31,301

But her life was not as simple

and beautiful as it seemed.

444

00:28:31,460 —> 00:28:34,304

Miss Honey had a deep,

dark secret.

445

00:28:34,463 —> 00:28:36,306

Though it caused her great pain,

446

00:28:36,465 —> 00:28:39,560

she did not let it interfere

with her teaching.

447

00:28:40,427 —> 00:28:43,476

Well, Matilda, you've come

on a very good day,

448

00:28:43,639 —> 00:28:47,143

because we're going to review

everything that we've learned so far.

449

00:28:47,517 —> 00:28:50,487

Now, it's all right if you don't understand

any of this because you're brand-new.

450

00:28:50,646 —> 00:28:53,820

But if you do know an answer,

just raise your hand. Okay?

451

00:28:54,191 —> 00:28:57,161

All right. We've been working

on our two-times tables.

452

00:28:57,319 —> 00:28:59,413

Would anyone like

to demonstrate?

453

00:29:00,781 —> 00:29:02,078

Okay.

454

00:29:02,241 —> 00:29:04,335

Let's do some together.

455

00:29:06,828 —> 00:29:09,672

Two times four is?

CHILDREN: Eight.

456

00:29:09,831 —> 00:29:13,131

Two times six is?

CHILDREN: Twelve.

457

00:29:13,502 —> 00:29:15,800

Two times nine is?

CHILDREN: Eighteen.

458

00:29:15,963 —> 00:29:18,182

Excellent! You've been practicing.

459

00:29:18,340 —> 00:29:20,684

Pretty soon you'll be able to do

any multiplication,

460

00:29:20,842 —> 00:29:23,436

whether it's two times seven...

CHILDREN: Fourteen.

461

00:29:23,595 —> 00:29:27,190

Very good. Or 13 times 379.

462

00:29:27,349 —> 00:29:31,024

4927.

463

00:29:32,604 —> 00:29:34,356

I beg your pardon?

464

00:29:34,523 —> 00:29:36,867

I think that's the answer.

465

00:29:37,025 —> 00:29:40,370

13 times 379.

466

00:29:40,529 —> 00:29:42,031

4-9-2-7.

467

00:29:43,573 —> 00:29:45,575

[♪♪♪]

468

00:30:00,549 —> 00:30:02,222

it is.

469

00:30:03,051 —> 00:30:04,724

Wow.

470

00:30:08,348 —> 00:30:11,067

Matilda, you know how

to multiply big numbers?

471

00:30:11,685 —> 00:30:15,690

I read this book last year

on mathematics at the library.

472

00:30:17,983 —> 00:30:19,656

You like to read?

473
00:30:19,818 —> 00:30:22,071
Oh, yes, I love to read.

474
00:30:22,362 —> 00:30:23,830
What do you like to read?

475
00:30:25,699 —> 00:30:29,829
Everything, but lately I've
been reading Darles Chickens.

476
00:30:31,079 —> 00:30:34,879
Charles Dickens.
I could read him every day.

477
00:30:36,251 —> 00:30:38,094
So could I.

478
00:30:41,131 —> 00:30:42,474
All right, everyone,

479

00:30:42,632 —> 00:30:46,136
take out your workbooks
and let's start with section three.

480
00:30:54,102 —> 00:30:55,775
I'll be back in a moment.

481
00:31:08,325 —> 00:31:13,297
TRUNCHBULL: Yippee! Gotcha right in the neck!
And you. Woo-hoo!

482
00:31:13,455 —> 00:31:16,299
Yes! You— Come in, come in,
whoever you are.

483
00:31:17,501 —> 00:31:19,128
[GASPS]

484
00:31:20,128 —> 00:31:22,472
Almost got you.

485
00:31:23,090 —> 00:31:27,140
Good to see you, Jen.

Good, good, good.

486

00:31:27,302 —> 00:31:30,476

Time for one of our

little heart-to-hearts?

487

00:31:31,431 —> 00:31:33,274

[BOTH CHUCKLE]

488

00:31:33,892 —> 00:31:37,362

Actually, it's about the new girl

in my class, Miss Trunchbull,

489

00:31:37,521 —> 00:31:39,148

Matilda Wormwood.

490

00:31:39,314 —> 00:31:42,158

Her father says she's a real wart.

A what?

491

00:31:42,317 —> 00:31:45,787

A carbuncle, a blister, a festering

pustule of malignant ooze.

492

00:31:45,946 —> 00:31:51,043

Oh, no, Matilda Wormwood

is a very sweet girl, and very bright.

493

00:31:51,201 —> 00:31:52,794

A bright child?

494

00:31:52,953 —> 00:31:55,251

Yes. She can multiply

large sums in her head.

495

00:31:55,580 —> 00:31:58,003

So can a calculator.

496

00:31:58,166 —> 00:32:03,764

Well, I think she might be happier

in an older and more advanced class.

497

00:32:03,922 —> 00:32:06,095

Ah, I knew it!

498

00:32:06,258 —> 00:32:09,933
You can't handle the little viper, so you're trying
to foist her off on one of the other teachers.

499
00:32:10,095 —> 00:32:11,847
No, no, no, Miss Trunchbull.
Yes!

500
00:32:12,013 —> 00:32:14,687
Typical, slothful cowardice.

501
00:32:14,850 —> 00:32:17,194
Listen to me, Jen.

502
00:32:17,352 —> 00:32:21,983
The distance the shot put goes depends
upon the effort you put into it.

503
00:32:22,149 —> 00:32:23,651
Perspiration!

504
00:32:23,817 —> 00:32:28,163
If you can't handle the little brat,

I'll lock her in the choky!

505

00:32:30,740 —> 00:32:32,959

Get it?

Yes, ma'am.

506

00:32:33,118 —> 00:32:37,715

One day, Jen, you'll see that

everything I do is for your own good,

507

00:32:37,873 —> 00:32:42,219

and the good of those

putrescent little children!

508

00:32:47,257 —> 00:32:49,259

[♪♪♪]

509

00:32:52,637 —> 00:32:54,639

[INDISTINCT RADIO CHATTER]

510

00:33:03,857 —> 00:33:06,235

ZINNIA:

Get back at Tiffany. Before.

511

00:33:06,401 —> 00:33:08,403

When she was having that—

Mom, I'm home.

512

00:33:08,570 —> 00:33:11,619

ZINNIA: How was school?

School was great.

513

00:33:11,781 —> 00:33:14,409

My teacher lets me do

sixth-grade work. Look.

514

00:33:14,576 —> 00:33:16,920

Algebra and geography.

Hold on a minute.

515

00:33:17,078 —> 00:33:19,797

Can't you see I'm in the middle

of an important phone call?

516

00:33:20,123 —> 00:33:22,376

Well, you just asked me

how school was.

517
00:33:22,542 —> 00:33:24,010
Quiet.

518
00:33:24,169 —> 00:33:26,592
What else was she supposed
to do? The baby wasn't his.

519
00:33:26,755 —> 00:33:29,099
Well, it was really great.

520
00:33:29,257 —> 00:33:31,806
No way. They gotta be implants.

521
00:33:31,968 —> 00:33:36,815
The principal is insane. She threw
a girl over the fence by her hair.

522
00:33:36,973 —> 00:33:40,853
It would change your life too if
you waxed yours, I'm positive.

523

00:33:41,019 —> 00:33:44,023

I have the most

wonderful teacher.

524

00:33:44,272 —> 00:33:46,115

Mine are driving me crazy.

525

00:33:46,274 —> 00:33:49,619

I'm telling you, six hours a day

at school is not enough.

526

00:33:49,778 —> 00:33:51,200

I'll say.

527

00:33:51,363 —> 00:33:54,913

Hiyah. Whack to the belly! A smack to the face.

Another smack to the face!

528

00:33:55,075 —> 00:33:56,827

Burns is hurt. He's on the

ropes, ladies and gentlemen.

529

00:33:56,993 —> 00:33:58,040

[DOORBELL RINGS]

530

00:33:58,203 —> 00:34:00,171

Saved by the bell.

531

00:34:00,539 —> 00:34:02,837

Packages at this hour?

Come here.

532

00:34:02,999 —> 00:34:05,548

What?

Okay.

533

00:34:09,089 —> 00:34:10,136

Hello.

534

00:34:10,298 —> 00:34:14,223

We don't give money. We don't like charities.

We don't buy raffle tickets.

535

00:34:14,386 —> 00:34:16,309

Mr. Wormwood.

536

00:34:16,471 —> 00:34:18,644

I'm Jennifer Honey.

I'm Matilda's teacher.

537

00:34:18,807 —> 00:34:20,434

What has she done now?

538

00:34:20,600 —> 00:34:24,980

You! Go to your room

right now! Right now. Beat it!

539

00:34:25,438 —> 00:34:28,738

Look, whatever it is,

she's your problem now.

540

00:34:28,900 —> 00:34:30,823

No, there is no problem.

541

00:34:31,152 —> 00:34:33,405

Then beat it. We're watching TV.

542

00:34:34,990 —> 00:34:38,961
Mr. Wormwood, if you think
watching some rotten TV show

543
00:34:39,119 —> 00:34:42,464
is more important than your daughter,
then maybe you shouldn't be a parent.

544
00:34:42,622 —> 00:34:46,047
Now, why don't you turn that
darn thing off and listen to me?

545
00:34:46,501 —> 00:34:48,503
[GROANS]

546
00:34:50,213 —> 00:34:52,307
All right, come in.
Get this over with.

547
00:34:52,465 —> 00:34:55,685
Mrs. Wormwood's not gonna
like this. Come on, get in.

548

00:34:58,638 —> 00:34:59,685
Close the door.

549
00:34:59,848 —> 00:35:01,850
Who is it?
Some teacher.

550
00:35:02,017 —> 00:35:04,861
Says she's gotta talk
to you about Matilda.

551
00:35:06,021 —> 00:35:09,321
What did you do that for?
He had Velasquez on the ropes.

552
00:35:09,733 —> 00:35:10,780
What do you want?

553
00:35:10,942 —> 00:35:14,412
I'm sure you're aware by now that
Matilda has a brilliant mind.

554
00:35:14,571 —> 00:35:16,448

Yeah, right.

Mikey, get me a beer.

555

00:35:16,615 —> 00:35:19,243

Her math skills

are simply extraordinary.

556

00:35:19,409 —> 00:35:21,503

She's reading material that I—

Want one?

557

00:35:21,661 —> 00:35:24,039

Oh, no, thank you, dear.

558

00:35:24,205 —> 00:35:28,506

Material that I didn't see

until my second year of college.

559

00:35:28,668 —> 00:35:30,716

Oh, college.

Great, college.

560

00:35:30,879 —> 00:35:33,098

I really feel,

with private instruction

561

00:35:33,256 —> 00:35:36,055

that she'd be ready for college

in just a few short years.

562

00:35:36,217 —> 00:35:38,720

Look, Miss Snit.

563

00:35:38,887 —> 00:35:42,266

A girl does not get anywhere

by acting intelligent.

564

00:35:42,432 —> 00:35:44,400

I mean, take a look

at you and me.

565

00:35:44,809 —> 00:35:47,938

You chose books.

I chose looks.

566

00:35:48,104 —> 00:35:51,734

I have a nice house,

a wonderful husband,

567

00:35:51,900 —> 00:35:56,781

and you are slaving away teaching

snot-nosed children their ABC's.

568

00:35:56,946 —> 00:36:00,667

You want Matilda to go to college?

Ha-ha-ha.

569

00:36:00,867 —> 00:36:05,088

College! I didn't go to college.

I don't know anybody who did.

570

00:36:05,246 —> 00:36:08,796

Bunch of hippies and cesspool salesmen.

Ha-ha-ha.

571

00:36:08,958 —> 00:36:12,132

Don't sneer at educated people,

Mr. Wormwood.

572

00:36:12,295 —> 00:36:14,673
If you became ill,
heaven forbid,

573
00:36:14,839 —> 00:36:18,013
your doctor would be
a college graduate.

574
00:36:18,218 —> 00:36:21,142
Or say you were sued
for selling a faulty car.

575
00:36:21,304 —> 00:36:23,602
The lawyer who defended you
would've gone to college too.

576
00:36:23,765 —> 00:36:27,110
What car? Sued by who?

577
00:36:27,268 —> 00:36:30,397
Who you been talking to?
Nobody.

578

00:36:33,191 —> 00:36:38,914
Oh, dear, I can see
we're not going to agree, are we?

579
00:36:39,489 —> 00:36:42,743
No. I'm sorry I burst in
on you like this.

580
00:36:42,909 —> 00:36:44,627
Sorry.

581
00:36:46,037 —> 00:36:48,460
ZINNIA: We ought to sue her
for interrupting our show.

582
00:36:49,040 —> 00:36:50,883
Tell me about it.

583
00:36:51,292 —> 00:36:53,090
Why's he in the middle of the ring?

584
00:36:53,253 —> 00:36:55,426
ZINNIA: He's standing in the middle

of the ring because it's over.

585

00:36:55,588 —> 00:36:56,885

[WHISPERING]

Thank you.

586

00:36:57,048 —> 00:36:58,721

HARRY: We missed it?

[WHISPERING] Tomorrow.

587

00:36:58,883 —> 00:37:02,558

ZINNIA: Great, it's over.

Who won?

588

00:37:02,721 —> 00:37:04,348

How do I know?

You shut it off!

589

00:37:04,514 —> 00:37:06,858

HARRY: Was it my fault that she

came in the middle of the fight?

590

00:37:07,016 —> 00:37:08,563

TRUNCHBULL:

Hop to. Hippity-hop.

591

00:37:08,727 —> 00:37:13,324

The entire school will go

to the assembly room immediately.

592

00:37:13,481 —> 00:37:15,108

Sit!

593

00:37:16,151 —> 00:37:18,904

What's up?

Beats me.

594

00:37:22,198 —> 00:37:24,496

Bruce Bogtrotter.

595

00:37:24,701 —> 00:37:27,329

[CHILDREN GASP]

596

00:37:27,495 —> 00:37:29,497

[♪♪♪]

597

00:37:33,334 —> 00:37:36,713

Would little Brucey

come up here, please?

598

00:37:37,088 —> 00:37:39,432

Uh-Oh.

599

00:37:49,058 —> 00:37:51,686

He lives on my block.

600

00:37:56,357 —> 00:38:00,453

This boy,

Bruce Bogtrotter,

601

00:38:00,612 —> 00:38:04,537

is none other

than a vicious sneak thief.

602

00:38:04,699 —> 00:38:07,043

You're a disgusting

criminal, aren't you?

603

00:38:07,202 —> 00:38:09,625
I don't know what
you're talking about.

604
00:38:09,788 —> 00:38:12,712
Cake. Chocolate cake.

605
00:38:13,082 —> 00:38:16,336
You slithered like a serpent
into the school kitchen

606
00:38:16,503 —> 00:38:18,881
and ate my personal snack!

607
00:38:19,506 —> 00:38:21,804
Do you deny it?

608
00:38:26,387 —> 00:38:29,231
Confess!

609
00:38:29,724 —> 00:38:32,978
Well, it's hard for me
to remember a specific cake.

610

00:38:33,728 —> 00:38:35,651

This one

611

00:38:35,814 —> 00:38:37,236

was mine.

612

00:38:37,398 —> 00:38:41,244

And it was the most scrumptious

cake in the entire world.

613

00:38:41,402 —> 00:38:42,528

My mom's is better.

614

00:38:42,695 —> 00:38:43,992

[CHILDREN GASP]

615

00:38:44,155 —> 00:38:46,533

It is, is it?

616

00:38:46,741 —> 00:38:50,041

How can you be sure

unless you have another piece?

617

00:38:51,579 —> 00:38:54,549

Sit down, Bog.

618

00:39:06,845 —> 00:39:07,892

[GULPS]

619

00:39:08,054 —> 00:39:10,056

[ALL GASP]

620

00:39:12,100 —> 00:39:14,523

Here we go.

621

00:39:14,936 —> 00:39:18,156

Smells chocolaty, eh?

622

00:39:19,440 —> 00:39:22,284

Now, eat it!

623

00:39:24,904 —> 00:39:27,623

I don't want any, thank you.

624

00:39:28,366 —> 00:39:29,413

Eat it!

625

00:39:32,287 —> 00:39:34,085

Don't eat it.

626

00:39:34,873 —> 00:39:36,295

BOY:

She wouldn't give him cake.

627

00:39:36,457 —> 00:39:38,630

It's poison.

Something's up.

628

00:39:42,505 —> 00:39:44,507

[ALL MURMURING]

629

00:39:45,216 —> 00:39:48,516

Mm. Mm-hm. Yeah.

630

00:39:48,970 —> 00:39:50,938

Mm.

631

00:39:59,439 —> 00:40:01,282

Mm.

632

00:40:09,574 —> 00:40:12,578

You look like you enjoyed that,

Brucey.

633

00:40:13,161 —> 00:40:14,663

Yes, ma'am.

634

00:40:14,996 —> 00:40:17,340

You must have some more.

635

00:40:18,124 —> 00:40:19,922

Oh, no, thanks.

636

00:40:20,084 —> 00:40:22,428

But you'll hurt Cook's feelings.

637

00:40:22,587 —> 00:40:24,681

Huh?

Cookie.

638

00:40:24,839 —> 00:40:26,841

[CHILDREN GASP]

639

00:40:27,800 —> 00:40:32,681

She made this cake just for you

to have on your very own.

640

00:40:35,266 —> 00:40:39,021

Her sweat and blood

went into this cake

641

00:40:39,187 —> 00:40:45,365

and you will not leave this platform until

you have consumed the entire confection!

642

00:40:45,526 —> 00:40:47,699

Entire confection.

643

00:40:48,071 —> 00:40:50,369

See you at lunch.

Thank you, Cookie.

644

00:40:50,531 —> 00:40:54,286

Rotten kids.

You wanted cake, you got cake.

645

00:40:54,452 —> 00:40:56,875

Now, eat it!

646

00:40:57,163 —> 00:41:00,007

[♪♪♪]

647

00:41:10,593 —> 00:41:12,721

Poor Brucey.

648

00:41:17,183 —> 00:41:18,605

[GROANING]

649

00:41:45,670 —> 00:41:47,718

LAVENDER:

He's going to puke.

650

00:41:48,589 —> 00:41:51,342

I can't look.

Is he going to puke?

651

00:41:51,509 —> 00:41:53,432

Without a doubt.

652

00:41:54,804 —> 00:41:56,226

[GRUNTING]

653

00:42:01,102 —> 00:42:02,775

Bruce looks real bad.

654

00:42:02,937 —> 00:42:05,110

Give up? Ha-ha-ha.

655

00:42:09,610 —> 00:42:12,033

You can do it, Brucey!

656

00:42:12,447 —> 00:42:14,700

You can do it, Bruce!

657

00:42:15,533 —> 00:42:16,910

Yeah, you can do it!

658

00:42:18,286 —> 00:42:20,630

Go, Bruce!

659

00:42:21,080 —> 00:42:22,957

CHILDREN:

Bruce! Bruce! Bruce! Bruce! Bruce!

660

00:42:23,166 —> 00:42:25,168

[ALL CONTINUE CHANTING

AND CHEERING]

661

00:42:27,587 —> 00:42:28,634

Silence!

662

00:42:32,133 —> 00:42:33,726

Yes!

663

00:42:33,968 —> 00:42:36,096

Yeah!

664

00:42:37,764 —> 00:42:38,811

Silence!

665

00:42:42,894 —> 00:42:45,488

Stop! Silence!

666

00:43:01,996 —> 00:43:03,088

[YELLS]

667

00:43:06,626 —> 00:43:08,344

[BELCHES

THEN CHILDREN LAUGH]

668

00:43:08,836 —> 00:43:11,430

TRUNCHBULL:

Shut up! The entire assembly

669

00:43:11,589 —> 00:43:15,469

will stay five hours after school

and copy from the dictionary.

670

00:43:15,968 —> 00:43:19,643

Any children who object
will go straight into the choky

671
00:43:19,806 —> 00:43:21,683
together!

672
00:43:27,188 —> 00:43:30,818
MAN [ON RADIO]: Rescue 8 out of
Station 8, Los Angeles County.

673
00:43:30,983 —> 00:43:35,079
This was a Code R, an official way
of saying we've caught a bad one.

674
00:43:35,238 —> 00:43:38,708
The kind of accident where death
itself holds a stopwatch on us.

675
00:43:41,244 —> 00:43:42,962
Young lady, where were you?

676
00:43:43,121 —> 00:43:46,375
Miss Trunchbull kept the whole school late

because this boy ate some chocolate cake.

677

00:43:46,541 —> 00:43:49,545

That's the biggest lie I ever heard.

You see those packages over there?

678

00:43:49,710 —> 00:43:52,964

They were left out for the world to see

because you weren't here to take them in.

679

00:43:53,131 —> 00:43:55,350

I don't think it's fair, bumpkins.

What?

680

00:43:55,508 —> 00:43:58,682

You get all this stuff from

catalogs, and I don't get anything.

681

00:43:58,845 —> 00:44:02,440

It's not catalogs, it's car parts, sweetness.

It's business.

682

00:44:02,598 —> 00:44:05,568

Oh, if it's business, why don't
you have it sent to the office?

683
00:44:05,726 —> 00:44:07,728
Because the cops may
be watching the office.

684
00:44:07,895 —> 00:44:10,148
The cops are watching
the house.

685
00:44:10,314 —> 00:44:13,409
What?
They're parked outside right now.

686
00:44:13,860 —> 00:44:15,908
You are such an ignoramus.

687
00:44:16,070 —> 00:44:20,075
Those are speedboat salesmen.
Really nice guys.

688
00:44:20,241 —> 00:44:21,914

Cops.

689
00:44:24,078 —> 00:44:27,503
Speedboats? There are
no lakes around here.

690
00:44:27,665 —> 00:44:31,135
Yeah, but some people like
to go away on the weekends.

691
00:44:31,294 —> 00:44:34,468
Some people have fun.
And some people are cops.

692
00:44:34,630 —> 00:44:36,598
They are not cops.
Are too.

693
00:44:36,757 —> 00:44:39,260
They are not. I ought to know
if there's cops watching my house.

694
00:44:39,427 —> 00:44:42,431

Now, go to bed,

you lying little earwig.

695

00:44:43,890 —> 00:44:45,813

NARRATOR:

With the FBI watching her father

696

00:44:45,975 —> 00:44:48,398

and the Trunchbull

terrorising her school,

697

00:44:48,561 —> 00:44:52,361

it was a rare, happy moment when Matilda

could just play with her friends.

698

00:44:52,523 —> 00:44:55,868

A frog! A frog! A frog!

699

00:44:56,736 —> 00:45:00,206

What is it, Lavender?

A frog!

700

00:45:02,158 —> 00:45:03,375

LAVENDER:

It's a salamander.

701

00:45:03,534 —> 00:45:05,457

It's a chameleon.

MATILDA: It's a newt.

702

00:45:05,620 —> 00:45:10,091

“Any of the small semiaquatic

salamanders from the genus Triturus."

703

00:45:10,249 —> 00:45:14,880

“Some are brightly colored and

secrete irritating substances."

704

00:45:16,380 —> 00:45:18,132

[♪♪♪]

705

00:45:18,299 —> 00:45:20,597

TRUNCHBULL:

How could you keep going...?

706

00:45:20,760 —> 00:45:24,310

Useless, flaming car!

707

00:45:25,139 —> 00:45:26,561

Wormwood!

708

00:45:26,807 —> 00:45:28,400

Sell me a lemon?

709

00:45:28,559 —> 00:45:30,561

You're heading for

the choky, young lady!

710

00:45:30,728 —> 00:45:31,820

Choky?

Teach you a lesson.

711

00:45:31,979 —> 00:45:33,105

What lesson?

712

00:45:33,272 —> 00:45:35,570

You and your father think

you can make a fool out of me!

713

00:45:35,733 —> 00:45:38,282

My father?

The guy with that stupid haircut!

714

00:45:38,611 —> 00:45:42,616

I'm nothing like my father.

You're the spitting image.

715

00:45:42,823 —> 00:45:45,872

The apple never rots far

from the tree.

716

00:45:46,994 —> 00:45:48,086

LAVENDER:

Miss Honey!

717

00:45:48,246 —> 00:45:50,374

Miss Trunchbull teaches

our class today, Lavender.

718

00:45:50,539 —> 00:45:52,041

Please get a water pitcher.

But Miss Honey—

719

00:45:52,208 —> 00:45:55,337

Shh, shh. Quickly. She'll be

here any second. Come on.

720

00:45:56,379 —> 00:46:00,179

Make sure the water's cold, Lavender.

Hurry. Vinnie, cover the fish.

721

00:46:00,841 —> 00:46:03,890

Put away the art projects.

Put away anything colorful.

722

00:46:04,053 —> 00:46:05,646

Oh, Charlie, won't you get

those crayons for me.

723

00:46:05,805 —> 00:46:09,480

NARRATOR: Most great ideas come from

hard work and careful planning.

724

00:46:09,642 —> 00:46:13,363

Of course, once in a while,

they just jump out at you.</i>

725

00:46:13,521 —> 00:46:16,149

HONEY: Raina, cover the birds and beetles.

Hurry! Hurry!

726

00:46:16,315 —> 00:46:18,363

I hear her coming.

Okay, now,

727

00:46:18,526 —> 00:46:21,245

last time, some of you

forgot yourselves.

728

00:46:21,404 —> 00:46:25,204

Don't speak unless you're spoken to.

Don't laugh. Don't smile.

729

00:46:25,366 —> 00:46:27,494

Don't even breathe loudly.

730

00:46:27,743 —> 00:46:30,212

TRUNCHBULL:

Don't breathe at all.

731

00:46:32,456 —> 00:46:34,049

Morning, Miss Trunchbull.

732

00:46:34,208 —> 00:46:36,427

CHILDREN:

Good morning, Miss Trunchbull.

733

00:46:38,045 —> 00:46:39,171

Sit!

734

00:46:43,718 —> 00:46:45,686

Shoo!

735

00:46:48,014 —> 00:46:52,520

TRUNCHBULL: I have never been able to understand

why small children are so disgusting.

736

00:46:52,685 —> 00:46:54,904

They're the bane of my life.

737

00:46:55,062 —> 00:46:57,485
They're like insects.
[MOUTHING] Where's Matilda?

738
00:46:57,648 —> 00:47:00,993
TRUNCHBULL: They should be got
rid of as early as possible.

739
00:47:01,277 —> 00:47:02,824
Fsht!

740
00:47:03,404 —> 00:47:05,577
My idea of a perfect school

741
00:47:05,740 —> 00:47:10,621
is one in which there
are no children at all.

742
00:47:11,746 —> 00:47:14,215
Do you agree, Miss Honey?

743
00:47:18,127 —> 00:47:19,219
Now,

744

00:47:19,879 —> 00:47:22,758

you, front of the class!

745

00:47:23,090 —> 00:47:25,092

[♪♪♪]

746

00:47:28,763 —> 00:47:30,936

Are you okay?

747

00:47:31,932 —> 00:47:36,028

TRUNCHBULL: Next time I tell you to empty

your pockets, you'll do it faster, won't you?

748

00:47:36,187 —> 00:47:38,610

BOY: Yes, Miss Trunchbull.

TRUNCHBULL: Miss Honey.

749

00:47:39,148 —> 00:47:43,119

This could be the most interesting

thing you've ever done.

750

00:47:46,447 —> 00:47:49,041
Sit down, you squirming
worm of vomit!

751
00:47:49,200 —> 00:47:51,578
Thank you, Miss Trunchbull.

752
00:48:01,087 —> 00:48:02,805
Get up!

753
00:48:05,299 —> 00:48:06,346
Can you spell?

754
00:48:06,592 —> 00:48:09,687
Miss Honey taught us how
to spell a long word yesterday.

755
00:48:09,845 —> 00:48:11,597
We can spell "difficulty."

756
00:48:11,764 —> 00:48:15,485
You couldn't spell "difficulty"
if your life depended on it.

757

00:48:15,935 —> 00:48:17,687

She taught us with a poem.

758

00:48:17,853 —> 00:48:19,526

[IN HIGH-PITCHED VOICE]

A poem, how sweet.

759

00:48:19,688 —> 00:48:25,115

What poem would that be?

Mrs. D, Mrs. I

760

00:48:25,277 —> 00:48:27,746

CHILDREN:

Mrs. F-F-I

761

00:48:27,905 —> 00:48:32,411

Mrs. C, Mrs. U

Mrs. L-T-Y

762

00:48:33,327 —> 00:48:35,500

[IN NORMAL VOICE] Why are

all these women married?

763

00:48:35,663 —> 00:48:40,009

Mrs. D? Mrs. I? You're supposed

to be teaching spelling, not poetry!

764

00:48:45,756 —> 00:48:50,387

I cannot, for the life of me, understand why

small children take so long to grow up.

765

00:48:50,553 —> 00:48:53,306

I think they do it deliberately

just to annoy me.

766

00:48:57,226 —> 00:48:58,569

[MURMURING]

767

00:49:02,273 —> 00:49:04,446

Shh, shh, shh, Shh.

768

00:49:06,569 —> 00:49:08,446

[CHILDREN LAUGHING]

769

00:49:09,780 —> 00:49:11,953
What's funny? Hm?

770
00:49:12,199 —> 00:49:14,952
Come on, spit it out.
Speak up.

771
00:49:15,119 —> 00:49:18,043
I like a joke as well
as the next fat person.

772
00:49:23,586 —> 00:49:26,965
Ah! It's a snake. It's a snake!

773
00:49:27,965 —> 00:49:29,842
It's a snake! Uch!

774
00:49:31,844 —> 00:49:35,269
One of you tried
to poison me. Who?

775
00:49:36,557 —> 00:49:38,559
Matilda.

776

00:49:38,726 —> 00:49:39,773

I knew it!

777

00:49:40,019 —> 00:49:43,740

I just thought you'd like to know,

it's not a snake. It's a newt.

778

00:49:43,898 —> 00:49:46,868

What did you say?

It's a newt.

779

00:49:47,026 —> 00:49:52,248

Stand up, you villainous sack

of goat slime! You did this.

780

00:49:52,406 —> 00:49:53,532

No, Miss Trunchbull.

781

00:49:53,699 —> 00:49:58,205

Did you act alone,

or did you have accomplices?

782

00:49:58,370 —> 00:49:59,997

I didn't do it.

783

00:50:00,164 —> 00:50:02,587

You didn't like

the choky, did you?

784

00:50:02,750 —> 00:50:04,844

Thought you'd

pay me back, didn't you?

785

00:50:05,002 —> 00:50:08,131

Well, I'll pay you back,

young lady.

786

00:50:08,297 —> 00:50:11,346

For what, Miss Trunchbull?

For this newt, you piss-worm!

787

00:50:11,509 —> 00:50:14,433

I'm telling you, I didn't do it!

788

00:50:15,095 —> 00:50:17,518
Besides, even if you didn't
do it, I'm gonna punish you

789
00:50:17,681 —> 00:50:21,436
because I'm big and you're small,
and I'm right and you're wrong.

790
00:50:21,602 —> 00:50:24,196
And there's nothing
you can do about it.

791
00:50:24,355 —> 00:50:28,280
You're a liar and a scoundrel,
and your father's a liar and a cheat.

792
00:50:28,442 —> 00:50:32,948
You're the most corrupt lowlifes
in the history of civilization.

793
00:50:33,113 —> 00:50:35,616
Am I wrong'? I'm never wrong.

794

00:50:36,242 —> 00:50:42,124
In this classroom,
in this school, I am God!

795
00:50:44,041 —> 00:50:45,042
[GRUNTING]

796
00:50:46,085 —> 00:50:47,712
[CHILDREN LAUGHING]

797
00:50:48,546 —> 00:50:50,969
[♪♪♪]

798
00:51:13,779 —> 00:51:15,497
You!
I didn't move.

799
00:51:16,156 —> 00:51:17,703
You did this!

800
00:51:17,866 —> 00:51:21,996
How could she possibly have done it
when she was sitting way over here?

801

00:51:23,080 —> 00:51:26,550

I'll be watching you,

each and every one.

802

00:51:26,709 —> 00:51:28,382

When you turn the corner,

803

00:51:28,544 —> 00:51:31,673

when you go to your cubbies

to get your smelly coats,

804

00:51:31,839 —> 00:51:33,841

when you skip merrily to lunch,

805

00:51:34,008 —> 00:51:36,852

I'll be watching you, all of you,

806

00:51:37,011 —> 00:51:39,560

and especially you.

807

00:51:48,814 —> 00:51:50,657

Oh, sweetheart, I'm sorry.

808

00:51:51,191 —> 00:51:54,866

Thanks for not telling.

Best friends don't tell.

809

00:51:56,614 —> 00:51:58,958

She can really dance.

810

00:52:00,534 —> 00:52:04,004

I'm gonna clean up this mess, and then I'll

come and help you fill the bird feeder, okay?

811

00:52:04,163 —> 00:52:06,382

I'll be out there in a minute.

812

00:52:08,751 —> 00:52:11,504

Miss Honey?

Yes, Matilda?

813

00:52:13,213 —> 00:52:15,966

Miss Honey, I did it.

814

00:52:16,508 —> 00:52:19,057

Did what?

I made the glass tip over.

815

00:52:19,219 —> 00:52:23,224

Oh, sweetheart, don't let Miss

Trunchbull make you feel that way.

816

00:52:23,390 —> 00:52:25,063

Nobody did it.

it was an accident.

817

00:52:25,225 —> 00:52:29,230

I did it with my eyes.

Watch, I'll prove it to you.

818

00:52:32,733 —> 00:52:35,031

It's wonderful you feel

so powerful.

819

00:52:35,819 —> 00:52:39,073

Many people don't feel

powerful at all.

820

00:52:48,415 —> 00:52:52,921

[WHISPERING] Come on, tip over, you glass.

Glass, tip over. Tip over.

821

00:52:53,087 —> 00:52:55,590

Come on, tip over.

Tip over, glass.

822

00:52:55,756 —> 00:52:57,429

It's all right, Matilda.

823

00:52:59,426 —> 00:53:00,928

[SIGHS]

824

00:53:01,095 —> 00:53:04,349

[IN NORMAL VOICE]

I really did do it, Miss Honey.

825

00:53:04,515 —> 00:53:08,611

One of the odd things about life

is sometimes you can do something

826

00:53:08,769 —> 00:53:11,864

until you wanna show someone,

and then you can't.

827

00:53:12,022 —> 00:53:14,946

Or sometimes you think something's broken

and then you take it to be fixed—

828

00:53:15,109 —> 00:53:16,736

This isn't like that.

829

00:53:17,361 —> 00:53:18,453

Oh.

830

00:53:19,363 —> 00:53:21,411

I don't know.

831

00:53:22,282 —> 00:53:24,956

Maybe I made myself tired.

832

00:53:26,161 —> 00:53:29,210

Matilda, would you like to come

over to my house this afternoon?

833
00:53:30,124 —> 00:53:32,468
I'd like that very much,
Miss Honey.

834
00:53:33,460 —> 00:53:34,552
Good.

835
00:53:34,712 —> 00:53:36,635
[♪♪♪]

836
00:53:36,797 —> 00:53:39,801
MATILDA: I just stare very hard,
and then my eyes get all hot,

837
00:53:39,967 —> 00:53:42,311
and I can feel the strongness.

838
00:53:42,469 —> 00:53:46,474
I feel like I can move
almost anything in the world.

839

00:53:47,182 —> 00:53:49,355

You do believe me,

don't you?

840

00:53:49,518 —> 00:53:51,646

Oh, I believe that you should

believe in whatever power

841

00:53:51,812 —> 00:53:56,659

you think you have inside of you.

Believe it with all your heart.

842

00:53:59,528 —> 00:54:02,498

That's where

Miss Trunchbull lives.

843

00:54:04,533 —> 00:54:06,331

MATILDA:

Why is there a swing?

844

00:54:07,661 —> 00:54:13,168

A girl I know used to live in that house.

Her life was good and happy.

845

00:54:13,333 —> 00:54:17,304

When she was just 2 years old,

her mother died.

846

00:54:17,463 —> 00:54:19,215

Her father was a doctor,

847

00:54:19,381 —> 00:54:22,180

and he needed someone

to look after things at home,

848

00:54:22,342 —> 00:54:25,721

so he invited the mother's stepsister

to come and live with him.

849

00:54:25,888 —> 00:54:30,268

But the girl's aunt was a mean person

who treated the girl very badly.

850

00:54:30,434 —> 00:54:33,608

MATILDA: The Trunchbull.

HONEY: Yes.

851

00:54:33,771 —> 00:54:37,867

And worst of all,

when the girl was 5, her father died.

852

00:54:38,025 —> 00:54:39,493

MATILDA:

How did her father die?

853

00:54:39,651 —> 00:54:42,495

HONEY: The police decided

he'd killed himself.

854

00:54:42,654 —> 00:54:44,406

MATILDA:

Why would he do such a thing?

855

00:54:44,573 —> 00:54:46,541

HONEY:

No one knows.

856

00:54:50,913 —> 00:54:52,711

The end is happier.

857

00:54:52,873 —> 00:54:54,546

She found a small cottage.

858

00:54:54,708 —> 00:54:58,588

She rented it from this lovely

rhubarb farmer for just $50 a month

859

00:54:58,754 —> 00:55:02,384

and she covered it in honeysuckle, and

she planted hundreds of wildflowers

860

00:55:02,549 —> 00:55:05,723

and she moved out of her wicked aunt's

house and she finally got her freedom.

861

00:55:05,886 —> 00:55:07,980

Good for her.

862

00:55:08,138 —> 00:55:11,233

Do you know why I told you this?

No.

863

00:55:13,894 —> 00:55:17,239

You were born into a family that

doesn't always appreciate you,

864

00:55:17,773 —> 00:55:21,243

but one day, things are

gonna be very different.

865

00:55:25,739 —> 00:55:28,709

Should we go inside

and have tea and cookies?

866

00:55:28,867 —> 00:55:30,619

Yes, please.

Okay.

867

00:55:35,290 —> 00:55:38,920

This is the cottage from your story.

Yes.

868

00:55:39,837 —> 00:55:42,386

The young woman is you.

869

00:55:43,799 —> 00:55:45,801

But then—

870

00:55:46,301 —> 00:55:49,475

No.

Yes.

871

00:55:49,638 —> 00:55:51,936

Aunt Trunchbull.

872

00:55:55,853 —> 00:55:58,322

When I left my home,

Aunt Trunchbull's home,

873

00:55:58,480 —> 00:56:00,608

I had to leave

all my treasures behind.

874

00:56:01,191 —> 00:56:05,617

Treasures?

Photographs of my mother and father,

875

00:56:05,821 —> 00:56:10,076
and a beautiful doll my mother
gave me with a china face.

876
00:56:10,242 —> 00:56:12,290
Lissy Doll, I called her.

877
00:56:12,452 —> 00:56:15,046
Would you like some milk?
Yes, please.

878
00:56:16,582 —> 00:56:19,176
Why don't you run away?

879
00:56:20,377 —> 00:56:24,507
I've often thought about it,
but I can't abandon my children.

880
00:56:24,673 —> 00:56:27,847
And if I couldn't teach,
I'd have nothing at all.

881
00:56:28,010 —> 00:56:30,809

You're very brave, Miss Honey.

882

00:56:31,805 —> 00:56:33,728

Not as brave as you.

883

00:56:33,891 —> 00:56:36,644

I thought grownups

weren't afraid of anything.

884

00:56:36,810 —> 00:56:38,153

Quite the contrary.

885

00:56:38,645 —> 00:56:41,774

All grownups get scared,

just like children.

886

00:56:42,649 —> 00:56:46,153

I wonder what

Miss Trunchbull is afraid of.

887

00:56:46,737 —> 00:56:48,739

[♪♪♪]

888

00:56:53,368 —> 00:56:55,666

MATILDA:

There she is.

889

00:57:02,044 —> 00:57:03,921

Shot put.

890

00:57:04,087 —> 00:57:05,304

HONEY:

Hammer throw.

891

00:57:05,464 —> 00:57:07,558

HONEY & MATILDA:

Javelin.

892

00:57:10,802 —> 00:57:12,804

[CAT MEOWING]

893

00:57:18,852 —> 00:57:20,229

Back, back, back, back!

894

00:57:20,604 —> 00:57:22,356

She's afraid of a cat?

895

00:57:22,522 —> 00:57:24,775

Black cats.

She's very superstitious.

896

00:57:24,983 —> 00:57:26,155

TRUNCHBULL:

Go!

897

00:57:26,318 —> 00:57:27,786

[MIMICS DOG BARKING]

898

00:57:27,945 —> 00:57:29,538

Go!

899

00:57:29,988 —> 00:57:31,865

[YELLS]

900

00:57:32,199 —> 00:57:33,542

Oh.

901

00:57:34,910 —> 00:57:36,036

MATILDA:

Poor kitty.

902

00:57:36,370 —> 00:57:39,374

Oh, he's all right.

Hopefully.

903

00:57:46,254 —> 00:57:49,133

Let's go get your treasures.

No, Matilda.

904

00:57:49,299 —> 00:57:52,929

Well, she's gone. Come on.

905

00:57:55,555 —> 00:57:59,105

Matilda!

Miss Honey.

906

00:58:05,440 —> 00:58:09,240

TRUNCHBULL: Come on, move, you

piece of junkyard fodder.

907

00:58:09,403 —> 00:58:11,576
Shift, you— No, no.

908
00:58:19,955 —> 00:58:22,504
HONEY:
My house.

909
00:58:30,966 —> 00:58:33,344
Oh, my.

910
00:58:36,096 —> 00:58:38,815
My father's portrait
used to hang there.

911
00:58:38,974 —> 00:58:42,524
MATILDA: Whoever painted the Trunchbull
must have had a strong stomach.

912
00:58:43,270 —> 00:58:45,272
A really strong stomach.

913
00:58:48,025 —> 00:58:49,743
[GRUNTING]

914

00:58:59,036 —> 00:59:00,663

[YELLS]

915

00:59:07,502 —> 00:59:08,879

We should go.

916

00:59:09,629 —> 00:59:12,599

Father's chocolate box.

917

00:59:16,678 —> 00:59:20,933

After supper, he'd take

a chocolate, cut it in half,

918

00:59:21,099 —> 00:59:23,522

and he'd always

give me the bigger half.

919

00:59:24,311 —> 00:59:27,736

When he died, Trunchbull would count

them so I couldn't even sneak one.

920

00:59:27,898 —> 00:59:32,495
She'd take a chocolate,
bring it to her lips and say:

921
00:59:32,652 —> 00:59:35,246
Much too good for children.

922
00:59:40,202 —> 00:59:42,330
Have one.

923
00:59:45,916 —> 00:59:49,420
No, she'd notice.

924
00:59:49,586 —> 00:59:53,011
Where's Lissy Doll?
Upstairs.

925
00:59:53,924 —> 00:59:54,925
[GASPS]

926
00:59:55,092 —> 00:59:56,685
Matilda.

927

00:59:56,885 —> 00:59:58,887

[♪♪♪]

928

00:59:59,346 —> 01:00:00,438

What?

929

01:00:00,597 —> 01:00:02,019

[HONEY SHRIEKS

THEN MATILDA CHUCKLES]

930

01:00:02,182 —> 01:00:03,354

HONEY:

Matilda.

931

01:00:04,768 —> 01:00:06,770

[TRUNCHBULL

MUTTERING INDISTINCTLY]

932

01:00:09,689 —> 01:00:12,738

You filthy—

Crush the little weasel!

933

01:00:13,527 —> 01:00:16,121
HONEY:
This is my room.

934
01:00:21,535 —> 01:00:23,128
That's my dad.

935
01:00:23,286 —> 01:00:25,960
MATILDA: What's his name?
Magnus.

936
01:00:26,123 —> 01:00:30,219
I used to call him King Magnus
and he called me Bumblebee.

937
01:00:31,670 —> 01:00:34,594
I don't think Magnus
killed himself.

938
01:00:34,756 —> 01:00:36,224
Neither do I.

939
01:00:38,385 —> 01:00:39,887

Is that Lissy Doll?

940

01:00:43,515 —> 01:00:47,440

TRUNCHBULL: Wormwood, you

useless, used-car-salesman scum!

941

01:00:47,602 —> 01:00:51,607

I want you around here now

with another car!

942

01:00:52,440 —> 01:00:56,411

Yes, I know what caveat emptor

means, you lowlife liar!

943

01:00:56,570 —> 01:00:58,993

I'm gonna sue you. I'm gonna

burn down your showroom!

944

01:00:59,156 —> 01:01:02,535

I'm gonna take that no-good jalopy you

sold me and shove it up your bazooga!

945

01:01:02,701 —> 01:01:06,046

When I'm finished with you,

you're gonna look like roadkill!

946

01:01:06,204 —> 01:01:08,047

You what? Ha, ha, you—

947

01:01:09,332 —> 01:01:11,005

[♪♪♪]

948

01:01:24,181 —> 01:01:26,183

[SNIFFING]

949

01:01:31,479 —> 01:01:33,197

Come on.

950

01:01:38,945 —> 01:01:40,868

Shouldn't we hide or something?

Yeah. Yeah, go.

951

01:01:41,031 —> 01:01:44,251

Go to the end of the hall, down the

stairs and out the kitchen door.

952

01:01:44,409 —> 01:01:46,377

I'll distract her.

953

01:01:47,537 —> 01:01:49,539

[♪♪♪]

954

01:01:55,003 —> 01:01:58,428

Who's in my house?!

955

01:02:03,345 —> 01:02:05,222

Come out and fight like a man!

956

01:02:05,430 —> 01:02:07,353

[GASPING]

957

01:02:35,877 —> 01:02:37,299

[THUDDING]

958

01:02:39,130 —> 01:02:40,347

Aha!

959

01:03:01,361 —> 01:03:03,284
Tallyho!

960
01:03:12,080 —> 01:03:13,127
Oh.

961
01:03:17,419 —> 01:03:19,421
[♪♪♪]

962
01:03:28,305 —> 01:03:30,307
[SOFT CLATTERING]

963
01:03:52,620 —> 01:03:55,464
[♪♪♪]

964
01:04:02,505 —> 01:04:04,098
Oh!

965
01:04:42,545 —> 01:04:44,547
[SNIFFING]

966
01:04:53,723 —> 01:04:55,270

[FOOTSTEPS]

967

01:04:57,519 —> 01:04:59,692

[CLATTERING]

968

01:05:06,486 —> 01:05:08,534

HONEY:

Come on, come on.

969

01:05:26,673 —> 01:05:28,346

Come on, over there.

970

01:05:29,134 —> 01:05:32,855

Some rats are gonna die today.

971

01:06:05,879 —> 01:06:07,426

[GRUNTS THEN YELLING]

972

01:06:11,593 —> 01:06:14,142

Oh, my goodness.

973

01:06:15,221 —> 01:06:17,019

Feel my heart.

974

01:06:17,182 —> 01:06:21,062

Weren't you the most scared

you've ever been in your whole life?

975

01:06:23,354 —> 01:06:24,401

[DOOR CLOSES]

976

01:06:24,564 —> 01:06:25,611

Come on, let's go.

977

01:06:25,773 —> 01:06:29,243

She shouldn't be allowed

to treat people like that.

978

01:06:29,402 —> 01:06:32,246

Somebody's gotta teach her a lesson.

I know.

979

01:06:32,405 —> 01:06:35,909

We'll wait until she leaves again,

then we'll go get your doll.

980

01:06:36,242 —> 01:06:38,336

What?

Just kidding.

981

01:06:41,164 —> 01:06:43,292

HONEY:

Come here.

982

01:06:44,667 —> 01:06:49,047

Matilda, promise me you will never

go back in that house again.

983

01:06:49,756 —> 01:06:51,474

I promise.

984

01:06:52,550 —> 01:06:54,473

Okay. Come on.

985

01:06:56,513 —> 01:06:58,311

[♪♪♪]

986

01:07:02,936 —> 01:07:07,316
Ha-ha-ha. So he came home
with $2000 cash

987
01:07:07,482 —> 01:07:09,450
and he threw it up in the air

988
01:07:09,609 —> 01:07:14,957
and we both just swam in it like
we were on The Million Dollar Sticky.

989
01:07:15,406 —> 01:07:17,784
Do you like that show?

990
01:07:17,951 —> 01:07:19,919
I love that show.

991
01:07:20,078 —> 01:07:21,546
That was the old days.

992
01:07:21,704 —> 01:07:25,584
Now he's got money in banks all over
this planet, and does he give me a dime?

993

01:07:25,750 —> 01:07:29,971

Matilda, this is Bob and Bill.

They're cops.

994

01:07:30,463 —> 01:07:33,717

They are not cops. They are

Ace Powerboat salesmen.

995

01:07:33,883 —> 01:07:35,351

Babyface, I'm starved!

996

01:07:36,970 —> 01:07:39,189

Hi, Harry.

997

01:07:39,347 —> 01:07:40,974

Who are you?

998

01:07:41,140 —> 01:07:44,690

What is this, a hot tub party?

Get the hell out of here!

999

01:07:44,852 —> 01:07:48,823
I slave all day, I come home, you're entertaining
a couple of surfer-dude bodybuilders.

1000
01:07:49,148 —> 01:07:50,570
They're cops, Dad.

1001
01:07:51,109 —> 01:07:53,578
You interested in time-share?
Get out of here.

1002
