SAM: It's not a dress at all.

177

00:10:29,330 —> 00:10:30,631

Who made it?

178

00:10:30,731 —> 00:10:32,166

Saracen & Pare.

179

00:10:34,569 —> 00:10:36,571

SAM: Hmm.

180

00:10:36,670 —> 00:10:39,306

Tell me three things

that are wrong with it.

181

00:10:40,374 —> 00:10:41,942

It doesn't feel like me.

182

00:10:43,077 —> 00:10:45,946
Okay. It doesn't
feel like you. That's one.

183
00:10:47,348 —> 00:10:48,349
That's it.

184
00:10:49,183 —> 00:10:50,317
That's it?

185
00:10:51,285 —> 00:10:53,387
-Yes.
-So you,

186
00:10:53,487 —> 00:10:57,258
who have been dressed
by everyone

187
00:10:57,358 —> 00:10:59,059
and worn everything,

188
00:10:59,160 —> 00:11:01,630
who once paraded down

a red... (CHUCKLING) ...carpet

189
00:11:01,729 —> 00:11:04,131
wearing nothing
but freshly poured honey,

190
00:11:04,231 —> 00:11:06,500
you have somehow found

191
00:11:06,601 —> 00:11:08,736
the one outfit
in all of creation

192
00:11:08,836 —> 00:11:11,372
that doesn't feel like you?

193
00:11:11,472 —> 00:11:12,206
Yes.

194
00:11:12,306 —> 00:11:14,875
And you've come
crawling back to me

195
00:11:14,975 —> 00:11:17,745
because you know
I can do better?

196
00:11:17,845 —> 00:11:20,047
-Yes.
-Because I, above all others,

197
00:11:20,147 —> 00:11:21,516
know you?

198
00:11:21,616 —> 00:11:23,117
Because I didn't know
where else to go.

199
00:11:23,717 —> 00:11:24,919
Truly?

200
00:11:25,986 —> 00:11:27,121
Yes.

201
00:11:33,761 —> 00:11:36,764

Will you let me do

whatever I like?

202

00:11:37,798 —> 00:11:39,333

Yes. But...

203

00:11:39,433 —> 00:11:41,168

Will you do exactly as I say?

204

00:11:41,670 —> 00:11:43,003

Yes, within...

205

00:11:43,103 —> 00:11:45,105

And will you wear what I make?

206

00:11:46,140 —> 00:11:47,408

Yes.

207

00:11:47,875 —> 00:11:49,343

And can you stop time?

208

00:11:51,680 —> 00:11:52,846

(SNAPS FINGERS)

209
00:11:53,714 —> 00:11:54,848
Just did.

210
00:11:54,949 —> 00:11:57,084
(CLOCK TICKING)

211
00:11:57,184 —> 00:11:59,688
SAM: This is really
going to take some doing,

212
00:11:59,787 —> 00:12:01,956
if we're gonna pull this off.

213
00:12:02,056 —> 00:12:04,158
MARY: Just tell me
what I can do.

214
00:12:04,258 —> 00:12:05,893
SAM: You can just
keep talking.

215

00:12:05,993 —> 00:12:07,094

That's how this works.

216

00:12:07,194 —> 00:12:10,130

You tell me something

like how you're feeling,

217

00:12:10,231 —> 00:12:13,668

and I'll take those feelings

and turn them into a dress.

218

00:12:13,767 —> 00:12:17,706

The transubstantiation

of feeling.

219

00:12:17,805 —> 00:12:19,240

That's what we're doing here.

220

00:12:21,809 —> 00:12:23,210

Here we are.

221

00:12:23,310 —> 00:12:25,012

Now, as you can see,

222
00:12:25,112 —> 00:12:27,682
I've entered
my Ms. Havisham period

223
00:12:27,781 —> 00:12:29,517
very much ahead of schedule.

224
00:12:29,618 —> 00:12:33,020
This is where I come to cry
my eyes out in the dark.

225
00:12:40,595 —> 00:12:41,829
Stand here, please.

226
00:12:50,437 —> 00:12:52,574
Now, uh...

227
00:12:52,674 —> 00:12:56,043
I haven't had a new idea
in ages.

228

00:12:56,143 —> 00:12:57,679

Not a good one, at least.

229

00:12:57,778 —> 00:12:59,213

So if we're to do this,

230

00:12:59,313 —> 00:13:02,049

I'm just gonna

have to fasten things to you

231

00:13:02,149 —> 00:13:05,185

-until inspiration strikes.

-(METAL CLANKING)

232

00:13:07,488 —> 00:13:08,489

SAM: There we go.

233

00:13:13,360 —> 00:13:16,063

HILDA: Uh, can I take

your sweater?

234

00:13:17,599 —> 00:13:18,566

Yes.

235
00:13:18,667 —> 00:13:19,867
-Thank you.
-Mmm-hmm.

236
00:13:21,101 —> 00:13:22,069
So...

237
00:13:23,337 —> 00:13:26,708
So tell me more
about this dress we're making.

238
00:13:26,807 —> 00:13:28,909
What do you see in your head?

239
00:13:30,444 —> 00:13:31,445
Just...

240
00:13:33,113 —> 00:13:34,114
me.

241

00:13:34,214 —> 00:13:35,215
Just you?

242
00:13:35,784 —> 00:13:37,017
MARY: But...

243
00:13:38,352 —> 00:13:39,920
But all of me.

244
00:13:40,020 —> 00:13:43,758
I was thinking more like,
"What color?"

245
00:13:43,857 —> 00:13:45,259
-Uh...
-Hold still.

246
00:13:48,563 —> 00:13:49,963
Whatever you like.

247
00:13:50,397 —> 00:13:51,498
But no red.

248

00:13:51,599 —> 00:13:53,033

Do you have to be able

to move?

249

00:13:53,867 —> 00:13:55,135

-Yes.

-Dance?

250

00:13:55,235 —> 00:13:58,038

-Yes.

-Any stunts or harnesses?

251

00:13:58,138 —> 00:13:58,906

No.

252

00:13:59,006 —> 00:14:00,007

Backup dancers?

253

00:14:00,107 —> 00:14:01,475

-Nine.

-I'm not making

254

00:14:01,576 —> 00:14:02,677
-anything for them.
-I know.

255
00:14:02,777 —> 00:14:03,778
There's simply
not enough time.

256
00:14:03,877 —> 00:14:05,680
I know. You don't have to.
Just me.

257
00:14:06,046 —> 00:14:07,214
HILDA: Arms up.

258
00:14:11,085 —> 00:14:12,486
What song are you singing?

259
00:14:14,922 —> 00:14:16,558
Spooky Action.

260
00:14:16,658 —> 00:14:18,192
Hmm. I don't remember

that one.

261
00:14:18,892 —> 00:14:20,795
-'Cause it's new.
-Oh.

262
00:14:20,894 —> 00:14:22,463
That explains it then.

263
00:14:22,564 —> 00:14:23,897
Did you write it?

264
00:14:24,566 —> 00:14:25,999
Yes.

265
00:14:28,335 —> 00:14:29,870
I'll play it for you
if you want.

266
00:14:29,970 —> 00:14:31,372
Yes, maybe later.

267

00:14:32,473 —> 00:14:34,341
(PEN SCRIBBLING)

268
00:14:34,441 —> 00:14:35,476
It's good.

269
00:14:35,577 —> 00:14:37,645
I am sure it is.

270
00:14:38,813 —> 00:14:39,848
It might be
the best song ever written

271
00:14:39,947 —> 00:14:41,816
-in the history of songs.
-SAM: Mmm.

272
00:14:41,915 —> 00:14:43,484
Lift your shirt up
for me, please.

273
00:14:55,162 —> 00:14:56,497
You've gotten so tiny.

274

00:14:57,164 —> 00:14:58,966

The tiniest intruder.

275

00:15:01,770 —> 00:15:03,337

You're exactly the same.

276

00:15:03,437 —> 00:15:04,506

Oh, no, I'm not.

277

00:15:05,339 —> 00:15:06,373

You'll see.

278

00:15:07,274 —> 00:15:09,443

You'll see how I've changed.

279

00:15:10,944 —> 00:15:13,080

What the years

have made of me.

280

00:15:16,885 —> 00:15:19,119

Okay. That's good for now.

Thank you, Hilda.

281
00:15:24,324 —> 00:15:25,392
(SCRAPING)

282
00:15:26,561 —> 00:15:28,162
-Hilda.
-Yes?

283
00:15:28,262 —> 00:15:30,899
Hilda, would you run back
to the main house

284
00:15:30,998 —> 00:15:34,001
-and grab a few things for me?
-Mmm-hmm.

285
00:15:35,235 —> 00:15:37,037
SAM: What does this matter?

286
00:15:38,105 —> 00:15:39,973
-You know what I need?
-Of course.

287

00:15:40,073 —> 00:15:41,776

SAM: Uh, what about you?

Can we get you anything?

288

00:15:41,876 —> 00:15:43,912

-I'm fine. Thank you.

-SAM: Okay. Good.

289

00:15:44,011 —> 00:15:45,513

HILDA: Okay.

I'll be right back.

290

00:15:55,924 —> 00:15:57,725

(DOOR OPENS)

291

00:15:59,661 —> 00:16:00,628

(DOOR CLOSES)

292

00:16:04,833 —> 00:16:05,867

She's not gonna tell anyone...

293

00:16:05,966 —> 00:16:07,869
No. Don't worry.

294
00:16:07,968 —> 00:16:09,504
There are no spies
in our midst.

295
00:16:09,604 —> 00:16:14,141
I just need her
to bring me some things.

296
00:16:14,241 —> 00:16:16,845
Some old bric-a-brac,
a few bolts of fabric,

297
00:16:16,945 —> 00:16:18,212
and a good pair of scissors

298
00:16:18,312 —> 00:16:20,615
in case one of us has
the sudden desire to...

299
00:16:20,715 —> 00:16:22,584

-(GRUNTING)

-(GASPS SOFTLY)

300

00:16:28,723 —> 00:16:30,457

-(SCISSORS CLATTER)

-Okay.

301

00:16:30,558 —> 00:16:32,226

(FOOTSTEPS RECEDING)

302

00:17:05,025 —> 00:17:06,426

How's your mum?

303

00:17:08,763 —> 00:17:10,030

MARY: She died.

304

00:17:12,000 —> 00:17:13,166

I'm sorry.

305

00:17:15,603 —> 00:17:17,705

How are you?

306

00:17:21,843 —> 00:17:22,911
Same.

307
00:17:23,011 —> 00:17:25,212
You've been laying low.

308
00:17:25,312 —> 00:17:28,716
Am I right that this will be
your first outing

309
00:17:28,816 —> 00:17:30,484
-since...
-Since?

310
00:17:30,585 —> 00:17:33,788
Since whatever happened
happened.

311
00:17:33,888 —> 00:17:35,623
What do you think happened?

312
00:17:35,723 —> 00:17:38,091
Well, I... I saw that video.

313

00:17:38,191 —> 00:17:40,227

(CHUCKLING)

Everyone saw that video.

314

00:17:41,194 —> 00:17:42,664

Is there more to it than that?

315

00:17:45,432 —> 00:17:46,433

Yes.

316

00:17:48,468 —> 00:17:51,171

And when it first happened,

people kept asking me,

317

00:17:51,271 —> 00:17:52,574

what do I know,

318

00:17:52,674 —> 00:17:55,409

had I heard anything,

"Did she trip, did she jump?"

319

00:17:58,278 —> 00:17:59,413
What'd you say?

320
00:17:59,514 —> 00:18:01,783
People... said
you had a breakdown.

321
00:18:01,883 —> 00:18:04,318
I said, "No. She probably
just needed a break."

322
00:18:04,418 —> 00:18:07,220
Yeah. That was part of it.

323
00:18:09,189 —> 00:18:10,758
What are the other parts?

324
00:18:13,393 —> 00:18:14,762
I don't want to tell you.

325
00:18:15,329 —> 00:18:17,164
-Why?
-(INHALES)

326

00:18:17,832 —> 00:18:19,299

Because you'd laugh.

327

00:18:19,399 —> 00:18:21,201

-No, I wouldn't.

-Yes, you would.

328

00:18:21,301 —> 00:18:22,870

-(SNICKERING)

-You're laughing right now.

329

00:18:22,971 —> 00:18:24,204

(LAUGHING) I'm just...

330

00:18:24,304 —> 00:18:26,106

I'm just picturing

the worst possible thing

331

00:18:26,206 —> 00:18:28,108

that could have made you do

what you did.

332

00:18:28,610 —> 00:18:29,877

(LAUGHING) I...

333

00:18:31,144 —> 00:18:33,180

-What is it?

-It's not worth mentioning,

334

00:18:33,280 —> 00:18:35,583

but it's very funny.

335

00:18:35,683 —> 00:18:37,685

Well, that's why

I'm not gonna tell you.

336

00:18:37,785 —> 00:18:38,853

Except you will.

337

00:18:38,953 —> 00:18:40,989

Because you never would have

338

00:18:41,089 —> 00:18:42,289

brought it up

in the first place

339
00:18:42,389 —> 00:18:43,992
if you didn't want to.

340
00:18:44,092 —> 00:18:46,259
No, you want to tell me.

341
00:18:46,360 —> 00:18:48,763
You want me to know so badly,
you can hardly stand it.

342
00:18:48,863 —> 00:18:51,431
But it's okay. I can wait.

343
00:18:56,771 —> 00:18:58,840
Mmm. Mmm.

344
00:19:03,678 —> 00:19:04,812
No.

345
00:19:08,082 —> 00:19:09,483

No.

346
00:19:13,121 —> 00:19:14,354
Mmm.

347
00:19:31,371 —> 00:19:32,573
(MARY WHIMPERS)

348
00:19:36,878 —> 00:19:39,346
(HEART THUMPING)

349
00:19:45,019 —> 00:19:46,420
No.

350
00:19:50,925 —> 00:19:53,193
Right. No red.

351
00:19:55,262 —> 00:19:56,731
No red.

352
00:19:56,831 —> 00:19:59,701
What about your hair,

what's going on there?

353

What else is there?

880
00:47:28,115 —> 00:47:30,417
I can... send you flowers,

881
00:47:30,518 —> 00:47:32,353
I can write you a note,
or I can buy you a house,

882
00:47:32,453 —> 00:47:35,557
or I can sing you a song.
That's it.

883

00:47:36,857 —> 00:47:38,058

(CRIES SOFTLY)

884

00:47:40,595 —> 00:47:41,629

That's all I got.

885

00:47:45,065 —> 00:47:46,801

Well, I could do

with a new house.

886

00:47:46,900 —> 00:47:48,603

This one's falling apart.

887

00:47:50,404 —> 00:47:52,172

Pick one out

and send me the listing.

888

00:47:52,272 —> 00:47:53,907

Oh, you know, I think

I'll pay for it myself.

889

00:47:54,007 —> 00:47:55,909

Thank you very much.

890
00:47:56,009 —> 00:47:57,945
You see, the problem is,

891
00:47:58,045 —> 00:48:00,815
and it's not a problem,

892
00:48:00,914 —> 00:48:03,117
but the problem is...

893
00:48:03,852 —> 00:48:06,521
I am very stubborn.

894
00:48:07,254 —> 00:48:08,355
(SCOFFS)

895
00:48:09,390 —> 00:48:10,525
Clearly.

896
00:48:11,358 —> 00:48:13,661
And I don't...

897

00:48:13,762 —> 00:48:17,599

I'm no good

at changing on the spot.

898

00:48:18,767 —> 00:48:20,100

I'm not...

899

00:48:20,602 —> 00:48:22,169

like you.

900

00:48:23,337 —> 00:48:25,707

I can't be what other people

want me to be

901

00:48:25,807 —> 00:48:27,241

at the drop of a hat.

902

00:48:27,809 —> 00:48:29,209

Good.

903

00:48:29,943 —> 00:48:31,412

Because it wears you down.

904
00:48:31,513 —> 00:48:34,448
And I've been getting on
quite well without you.

905
00:48:34,549 —> 00:48:36,885
If I hear you on the radio,
I change the channel.

906
00:48:36,984 —> 00:48:39,353
If I see you on the telly,
I just turn it off.

907
00:48:40,889 —> 00:48:42,456
All or nothing.

908
00:48:44,458 —> 00:48:45,959
All or nothing.

909
00:48:48,195 —> 00:48:50,364
Everyone else needs you.

910

00:48:51,699 —> 00:48:53,300

I don't.

911

00:48:58,372 —> 00:49:00,240

Would you like to know

what happened

912

00:49:00,340 —> 00:49:02,544

the last time

I heard you sing?

913

00:49:03,745 —> 00:49:04,746

Sure.

914

00:49:04,846 —> 00:49:06,581

It's gonna sound

like another metaphor,

915

00:49:06,681 —> 00:49:07,882

even though it's not.

916

00:49:07,981 —> 00:49:09,149

Okay.

917

00:49:11,653 —> 00:49:15,355

Do you remember

when you played in Hyde Park

918

00:49:15,456 —> 00:49:17,592

at the beginning

of your Ecstatic Tour?

919

00:49:19,193 —> 00:49:21,295

-Yeah.

-I was there.

920

00:49:22,362 —> 00:49:23,497

Front row.

921

00:49:25,533 —> 00:49:27,234

(AUDIENCE CHEERING)

922

00:49:35,175 —> 00:49:37,712

SAM: I wondered

if you'd spot me,

923

00:49:37,812 —> 00:49:40,180

but... you never did.

924

00:49:41,081 —> 00:49:43,751

Or if you did,

you didn't let on.

925

00:49:44,284 —> 00:49:46,386

And now I'm letting on now

926

00:49:47,755 —> 00:49:49,724

you were amazing.

927

00:49:50,892 —> 00:49:54,161

The whole crowd was crying.

928

00:49:54,529 —> 00:49:56,463

You were crying.

929

00:49:56,564 —> 00:49:58,232

And I was crying,

930

00:49:58,800 —> 00:50:01,502

but for a different reason.

931

00:50:01,603 —> 00:50:04,338

Because I was seeing

something beautiful

932

00:50:04,438 —> 00:50:06,173

that I had once been a part of

933

00:50:06,273 —> 00:50:09,243

and... never would be again.

934

00:50:10,912 —> 00:50:12,614

You were radiant.

935

00:50:14,481 —> 00:50:16,216

I was miserable.

936

00:50:16,784 —> 00:50:17,852

(SAM INHALES SLOWLY)

937

00:50:17,952 —> 00:50:19,119

And by and by,

938

00:50:19,219 —> 00:50:24,157

that misery resolved

into a very sharp pain

939

00:50:24,258 —> 00:50:26,360

in my upper mandible.

940

00:50:27,461 —> 00:50:30,565

My jaws were clenched so tight

941

00:50:30,665 —> 00:50:34,334

that my top left wisdom tooth

cracked wide open,

942

00:50:34,434 —> 00:50:37,539

and the pain that it gave me

943

00:50:37,639 —> 00:50:39,306

was pure

944
00:50:40,173 —> 00:50:41,543
and sharp.

945
00:50:42,977 —> 00:50:48,215
And I could think of no way
to describe it other than you.

946
00:50:48,315 —> 00:50:50,217
(INTENSE MUSIC PLAYING)

947
00:50:54,656 —> 00:50:56,056
Oh, it was you.

948
00:50:56,858 —> 00:50:59,126
And I had to cut you out.

949
00:51:02,664 —> 00:51:04,231
So I fled.

950
00:51:06,366 —> 00:51:08,736

Before the encore.

951
00:51:08,836 —> 00:51:10,103
Before you played Holy Spirit,

952
00:51:10,203 —> 00:51:12,740
the one song I thought
might make me feel better.

953
00:51:14,943 —> 00:51:16,343
AUDIENCE: Mary! Mary!

954
00:51:18,012 —> 00:51:19,346
(VOICE BREAKING) I ran home,

955
00:51:20,080 —> 00:51:21,516
grabbed some pliers,

956
00:51:23,651 —> 00:51:24,752
and...

957
00:51:27,755 —> 00:51:28,756

(TOOTH CRACKING)

958

00:51:31,025 —> 00:51:32,359

(MUSIC FADES)

959

00:51:35,063 —> 00:51:36,330

See?

960

00:51:39,601 —> 00:51:40,768

All gone.

961

00:51:42,670 —> 00:51:43,470

Jesus!

962

00:51:43,571 —> 00:51:45,807

(SNICKERING)

I'm only exaggerating.

963

00:51:46,975 —> 00:51:48,676

I went to the dentist.

964

00:51:49,744 —> 00:51:51,211

Yeah, they put me under,

965
00:51:52,346 —> 00:51:54,816
and when I woke up
in the chair,

966
00:51:55,349 —> 00:51:57,150
my tooth was gone.

967
00:51:59,219 —> 00:52:01,789
And the anesthesia
was wearing off,

968
00:52:03,691 —> 00:52:05,325
and I felt very sad.

969
00:52:06,828 —> 00:52:08,495
Like I was...

970
00:52:08,596 —> 00:52:12,366
in the midst of saying goodbye
to something dear.

971

00:52:12,900 —> 00:52:15,637

You know, when I was little,

972

00:52:15,737 —> 00:52:18,138

and we'd move,

973

00:52:18,238 —> 00:52:23,410

and I'd feel myself
being pulled away from a house

974

00:52:23,845 —> 00:52:26,446

I'd made time to love.

975

00:52:30,585 —> 00:52:31,586

Hmm.

976

00:52:34,088 —> 00:52:35,255

Now...

977

00:52:37,324 —> 00:52:38,826

this is where it gets

978

00:52:39,493 —> 00:52:40,460

strange.

979

00:52:41,829 —> 00:52:43,196

That night,

980

00:52:45,165 —> 00:52:46,500

I had a visitor.

981

00:52:48,069 —> 00:52:49,369

I woke up very suddenly

982

00:52:49,469 —> 00:52:51,572

to find that my gums

were bleeding again.

983

00:52:53,608 —> 00:52:56,176

There was blood all over.

984

00:52:56,276 —> 00:52:59,413

There was a little trail

of it, in fact,

985

00:52:59,514 —> 00:53:01,849

streaked across the duvet.

986

00:53:01,949 —> 00:53:05,318

It was like something had

crawled out of my mouth,

987

00:53:05,953 —> 00:53:07,655

across the bedspread,

988

00:53:08,455 —> 00:53:09,824

down onto the floor.

989

00:53:11,059 —> 00:53:12,325

Now...

990

00:53:13,127 —> 00:53:14,929

I've always been

open to ghosts.

991

00:53:15,029 —> 00:53:17,397

If any house was haunted,
you'd think it'd be this one,

992
00:53:17,497 —> 00:53:19,867
but I haven't seen one before.

993
00:53:20,802 —> 00:53:22,103
Until now.

994
00:53:22,670 —> 00:53:24,572
And I can say
without a doubt,

995
00:53:24,672 —> 00:53:27,709
there was a ghost
at the foot of my bed.

996
00:53:31,344 —> 00:53:32,880
What did it look like?

997
00:53:33,715 —> 00:53:35,616
I couldn't say.

998

00:53:35,717 —> 00:53:39,219

She was like

six different things at once.

999

00:53:39,554 —> 00:53:40,688

"She"?

1000

00:53:40,788 —> 00:53:43,191

Yes. She was a she.

1001

00:53:44,592 —> 00:53:46,194

I think.

1002

00:53:46,293 —> 00:53:49,864

Or maybe the idea of a "she."

1003

00:53:49,964 —> 00:53:51,264

(ETHEREAL MUSIC PLAYING)

1004

00:53:51,364 —> 00:53:52,633

And she was red.

1005

00:53:54,001 —> 00:53:55,903

Not red like a color.

1006

00:53:56,704 —> 00:53:57,839

More like...

1007

00:53:59,073 —> 00:54:00,842

red like a feeling.

1008

00:54:00,942 —> 00:54:03,310

(WIND BLOWING)

1009

00:54:09,617 —> 00:54:14,789

SAM: Oh, and she was

the most beautiful thing.

1010

00:54:15,957 —> 00:54:17,992

I couldn't let her stay.

1011

00:54:21,294 —> 00:54:23,564

So I opened the door,

1012

00:54:24,866 —> 00:54:26,734

and I watched her go,

1013

00:54:29,003 —> 00:54:30,470

down the hallway,

1014

00:54:31,973 —> 00:54:33,741

out the house,

1015

00:54:34,976 —> 00:54:37,245

into the woods,

1016

00:54:37,344 —> 00:54:39,914

a smudge of red in the dark.

1017

00:54:42,750 —> 00:54:46,554

Oh, and with her goes

the pain in my mouth,

1018

00:54:48,388 —> 00:54:50,558

the knot in my stomach,

1019

00:54:52,093 —> 00:54:54,562

and the hole in my heart.

1020

00:54:58,065 —> 00:55:01,936

And after that I stopped

listening to your music.

1021

00:55:04,038 —> 00:55:05,907

I stopped thinking about you.

1022

00:55:07,108 —> 00:55:08,810

I stopped dreaming about you.

1023

00:55:10,410 —> 00:55:14,081

And everything's been better

ever since.

1024

00:55:17,317 —> 00:55:18,619

Where did she go?

1025

00:55:19,787 —> 00:55:20,822

SAM: Oh.

1026

00:55:21,989 —> 00:55:23,658

Oh, I don't know.

1027

00:55:24,292 —> 00:55:25,392

Where do ghosts go

1028

00:55:25,492 —> 00:55:27,327

when you don't

need 'em anymore?

1029

00:55:28,062 —> 00:55:29,130

That's where.

1030

00:55:29,230 —> 00:55:32,300

But are you saying that

this is just another metaphor?

1031

00:55:32,399 —> 00:55:34,367

Did you really see something?

1032

00:55:34,467 —> 00:55:37,271

Look, I'm not saying
that I saw the spirit

1033
00:55:37,370 —> 00:55:39,439
of some
recently deceased individual

1034
00:55:39,540 —> 00:55:43,878
or that my house
is haunted by an ancestor.

1035
00:55:43,978 —> 00:55:45,046
If someone else...

1036
00:55:45,146 —> 00:55:48,950
If Hilda, say, had been there,
would she have seen it?

1037
00:55:49,050 —> 00:55:50,417
Probably not.

1038
00:55:51,418 —> 00:55:52,720
But I did.

1039

00:55:53,955 —> 00:55:56,257

Whatever neurons

in my head differentiate

1040

00:55:56,356 —> 00:55:58,092

between imagination

and perception

1041

00:55:58,192 —> 00:56:00,127

tell me that I did.

1042

00:56:00,795 —> 00:56:03,965

And if you were

to ask me why I did,

1043

00:56:04,866 —> 00:56:08,536

I would say

because I needed to.

1044

00:56:09,337 —> 00:56:11,205

Perhaps I manifested her.

1045

00:56:11,305 —> 00:56:14,976

Perhaps she was

my subconscious,

1046

00:56:15,076 —> 00:56:15,877

sending me a message

1047

00:56:15,977 —> 00:56:18,378

in the only way

it knew I would listen.

1048

00:56:20,348 —> 00:56:22,382

Perhaps she was a ghost.

1049

00:56:23,084 —> 00:56:24,085

Yeah.

1050

00:56:27,387 —> 00:56:29,724

But she was my ghost.

1051

00:56:31,391 —> 00:56:32,793

Except...

1052

00:56:33,527 —> 00:56:35,563

I think I saw her too.

1053

00:56:37,098 —> 00:56:38,299

You saw what?

1054

00:56:38,398 —> 00:56:39,533

Your ghost.

1055

00:56:39,634 —> 00:56:41,235

(UNEASY MUSIC PLAYING)

1056

00:56:41,335 —> 00:56:43,170

-I saw her.

-I was being serious.

1057

00:56:43,271 —> 00:56:44,672

So am I.

1058

00:56:44,772 —> 00:56:46,841

So what?

1059

00:56:46,941 —> 00:56:50,044

You can't even let me

have my own ghost story?

1060

00:56:50,144 —> 00:56:51,913

No. No, it is yours.

1061

00:56:52,013 —> 00:56:55,082

It is, but I think

I might be a part of it.

1062

00:56:55,182 —> 00:56:57,351

You're making me feel

1063

00:56:57,450 —> 00:56:59,620

-very foolish.

-I promise I don't mean to.

1064

00:56:59,720 —> 00:57:01,889

(WHIMPERING)

I saw what you saw.

1065

00:57:01,989 —> 00:57:07,929

I saw a ghost or a spirit

and she was red.

1066

00:57:08,329 —> 00:57:10,430

And when was this?

1067

00:57:10,531 —> 00:57:12,833

-The first time was...

-Ooh. "The first time"?

1068

00:57:15,303 —> 00:57:17,071

The first time was in Dublin.

1069

00:57:19,040 —> 00:57:20,641

96th stop of the tour.

1070

00:57:21,342 —> 00:57:23,644

I was so worn out, but...

1071

00:57:26,681 —> 00:57:28,481

it was my birthday.

1072

00:57:30,885 —> 00:57:33,521

And I wanted to do

something special.

1073

00:57:34,422 —> 00:57:35,890

(THUNDER RUMBLING)

1074

00:57:35,990 —> 00:57:37,692

(CROWD CHEERING)

1075

00:57:40,493 —> 00:57:42,430

I love you, Dublin!

1076

00:57:42,530 —> 00:57:43,831

Goodnight!

1077

00:57:43,931 —> 00:57:45,733

(CROWD CHEERING)

1078

00:57:51,839 —> 00:57:53,975

(INDISTINCT CONVERSATION)

1079

00:58:05,920 —> 00:58:06,988

(MARY SIGHS)

1080

00:58:07,355 —> 00:58:08,823

(MARY EXCLAIMS)

1081

00:58:08,923 —> 00:58:10,992

-Thank you. (FLUTTERS LIPS)

-NIKKI: Here, here, here.

1082

00:58:11,092 —> 00:58:12,526

I've got it. I've got it.

I've got it.

1083

00:58:12,626 —> 00:58:13,928

MARY: (CHUCKLES) Careful.

1084

00:58:14,028 —> 00:58:14,996

(MARY SIGHS)

1085

00:58:16,364 —> 00:58:17,999

How does this keep happening?

1086

00:58:19,433 —> 00:58:20,534

Oh, shit. Um,

1087

00:58:20,634 —> 00:58:22,136

-there's blood on your...

-Huh?

1088

00:58:22,236 —> 00:58:22,970

-JADE: Hey, MM!

-Blood...

1089

00:58:23,070 —> 00:58:26,007

-Oh, um, yeah.

-JADE: Look who I found!

1090

00:58:26,107 —> 00:58:27,108

MARY: Ooh.

1091

00:58:27,608 —> 00:58:29,377

Oh, my gosh!

1092

00:58:29,477 —> 00:58:30,611

-Are you...

-Hi.

1093

00:58:30,711 —> 00:58:33,581

-(GIGGLING) Hi! Hi, hi, hi!

-I'm Imogen. Hi.

1094

00:58:33,681 —> 00:58:35,383

-(MARY SIGHS)

-Happy birthday.

1095

00:58:35,483 —> 00:58:37,018

Thank you. Thank you. Yes.

1096

00:58:37,118 —> 00:58:38,686

-So nice to meet you.

-So nice to meet you.

1097

00:58:38,786 —> 00:58:41,288

Yes. Oh, my gosh.

We are so excited for tonight.

1098

00:58:41,389 —> 00:58:42,456

-Me too.

-Everyone says

1099

00:58:42,556 —> 00:58:43,858

you are very special.

1100

00:58:43,958 —> 00:58:45,793

-Well, that sounds very kind.

-Okay.

1101

00:58:45,893 —> 00:58:47,328

JADE: She was sat

in the regular seat,

1102

00:58:47,428 —> 00:58:48,529

that's why PJ couldn't

find her.

1103

00:58:48,629 —> 00:58:49,730

-Ah.

-JADE: How long did you say

1104

00:58:49,830 —> 00:58:51,399

-you waited in line?

-MARY: Oh?

1105

00:58:51,499 —> 00:58:54,201

Only two hours.

But it's fine. I had fun.

1106

00:58:54,301 —> 00:58:56,237

-I met people.

-I'm so sorry.

1107

00:58:56,337 —> 00:58:57,671

Yeah. Okay.

1108

00:58:57,772 —> 00:58:59,774

-I like meeting people.

-Thank you.

1109

00:58:59,874 —> 00:59:02,276

Oh, well, now you're here

and you're with us.

1110

00:59:02,376 —> 00:59:03,878

Did you like the show?

1111

00:59:03,978 —> 00:59:05,746

-Oh, it was incredible.

-MARY: Mmm.

1112

00:59:05,846 —> 00:59:08,182

It was like,

like a religious experience

1113

00:59:08,282 —> 00:59:10,084

or like going to church,

1114

00:59:10,184 —> 00:59:12,887

-but in a good way.

-(GIGGLING) Yeah.

1115

00:59:12,987 —> 00:59:15,790

And at the same time,

all I could think is

1116

00:59:15,890 —> 00:59:17,958
when you have
that many people...

1117
00:59:18,059 —> 00:59:20,027
-Yeah.
-How many people were there?

1118
00:59:20,127 —> 00:59:22,897
Uh, 18,210.

1119
00:59:22,997 —> 00:59:25,032
There were even more
in New York.

1120
00:59:25,132 —> 00:59:27,536
-(MARY EXCLAIMS)
-And they're all there,

1121
00:59:27,635 —> 00:59:30,805
all at once,
putting out all that energy,

1122

00:59:30,905 —> 00:59:32,840
all of those ups and downs,

1123
00:59:32,940 —> 00:59:39,514
and all of it is
laser-focused right at you.

1124
00:59:39,613 —> 00:59:42,116
Mmm. It's intense.

1125
00:59:42,216 —> 00:59:43,617
How do you handle that?

1126
00:59:44,385 —> 00:59:46,253
(SIGHS) You don't.

1127
00:59:46,353 —> 00:59:48,289
Uh, I mean, you do.

1128
00:59:48,389 —> 00:59:49,457
But you just...

1129

00:59:49,558 —> 00:59:50,891
You sort of, um,

1130
00:59:51,459 —> 00:59:52,626
take it

1131
00:59:53,194 —> 00:59:54,228
and...

1132
00:59:56,297 —> 00:59:57,865
(EXHALES SLOWLY)

1133
01:00:00,701 —> 01:00:02,236
Yes, but...

1134
01:00:03,505 —> 01:00:05,372
what does it do to you?

1135
01:00:08,742 —> 01:00:10,711
It's like the same, same thing

1136
01:00:10,811 —> 01:00:13,781

over and over again
in circles.

1137
01:00:13,881 —> 01:00:14,982
GIRL: (GIGGLING)
Sounds like shit.

1138
01:00:15,082 —> 01:00:17,017
IMOGEN: Don't ask
why he chose me, but he did.

1139
01:00:17,118 —> 01:00:19,653
NIKKI: But you have seen
ghosts here before, right?

1140
01:00:19,753 —> 01:00:21,222
IMOGEN: Ah, yes.

1141
01:00:21,322 —> 01:00:22,790
There are spirits here

1142
01:00:22,890 —> 01:00:24,692
and I've met most of them.

1143

01:00:24,792 —> 01:00:27,428

But the walls here

are very thin.

1144

01:00:27,529 —> 01:00:29,697

You never know

who might come knocking.

1145

01:00:29,797 —> 01:00:32,700

Now, can somebody

get the lights?

1146

01:00:32,800 —> 01:00:33,968

Do ghosts really need the dark

1147

01:00:34,068 —> 01:00:36,403

or is it just

to make it spookier?

1148

01:00:36,505 —> 01:00:38,239

IMOGEN: Oh, it's not for them.

1149

01:00:38,339 —> 01:00:40,007

They're already here.

1150

01:00:40,107 —> 01:00:42,409

We're the ones

that are opening up to them.

1151

01:00:46,113 —> 01:00:47,314

(TINKLING)

1152

01:00:50,885 —> 01:00:54,922

(CHANTING IN IRISH)

1153

01:00:57,958 —> 01:00:59,126

(IN ENGLISH)

What does that mean?

1154

01:00:59,226 —> 01:01:00,261

What does that mean?

1155

01:01:00,361 —> 01:01:01,228

IMOGEN: It means

1156

01:01:01,328 —> 01:01:03,364

-reveal yourselves.

-Reveal yourselves.

1157

01:01:03,464 —> 01:01:05,666

- IMOGEN: We mean you no harm.

-We mean you no harm.

1158

01:01:06,635 —> 01:01:08,269

Can I say it too?

1159

01:01:08,369 —> 01:01:10,639

Yeah, sure.

1160

01:01:10,738 —> 01:01:12,706

How does it go again?

(GIGGLES)

1161

01:01:13,642 —> 01:01:15,142

(CHANTING IN IRISH)

1162

01:01:15,242 —> 01:01:16,410
(CHANTING IN IRISH)

1163
01:01:29,723 —> 01:01:33,827
(CHANTING IN IRISH)

1164
01:01:43,638 —> 01:01:46,974
(IMOGEN AND MARY
CONTINUE CHANTING)

1165
01:01:54,982 —> 01:01:56,518
-(YELPS)
-(IN ENGLISH) No. No.

1166
01:01:56,618 —> 01:01:57,785
Sorry, sorry. That was me.

1167
01:01:57,885 —> 01:01:59,453
-Fuck you.
-Oh, my God.

1168
01:01:59,554 —> 01:02:01,422
I slipped. I slipped.

I'm sorry.

1169
01:02:01,523 —> 01:02:02,389
-I hate this.
-(GIRLS LAUGHING)

1170
01:02:02,489 —> 01:02:04,792
I hate everything about this,
Emily. Really?

1171
01:02:04,892 —> 01:02:06,760
-(GIRLS LAUGHING)
-Shh.

1172
01:02:07,861 —> 01:02:09,463
(SHUSHING) Wait, wait, wait.

1173
01:02:10,532 —> 01:02:11,498
What is it?

1174
01:02:14,468 —> 01:02:15,736
Is someone here?

1175

01:02:16,605 —> 01:02:17,838

Do you feel it?

1176

01:02:17,938 —> 01:02:19,373

I feel nothing.

1177

01:02:20,140 —> 01:02:21,809

What are we supposed to feel?

1178

01:02:22,977 —> 01:02:26,615

She's not from here.

1179

01:02:26,715 —> 01:02:27,881

"She"?

1180

01:02:28,782 —> 01:02:31,785

She's from somewhere...

1181

01:02:33,487 —> 01:02:34,955

far away.

1182

01:02:39,694 —> 01:02:43,097
But she's very nearly here.

1183
01:02:43,197 —> 01:02:45,199
Who are we talking about now?

1184
01:02:46,467 —> 01:02:47,468
Who is she?

1185
01:02:49,738 —> 01:02:50,938
Do you know?

1186
01:02:52,574 —> 01:02:53,541
No.

1187
01:02:58,546 —> 01:02:59,514
No.

1188
01:03:05,687 —> 01:03:06,987
-No.
-(DISTORTED VOICE) No.

1189

01:03:07,087 —> 01:03:08,255

Okay, we should...

Maybe this is just...

1190

01:03:08,355 —> 01:03:10,558

-It's not real.

-She's just fucking with us.

1191

01:03:10,659 —> 01:03:13,093

No, she isn't.

1192

01:03:15,095 —> 01:03:17,097

(IN SING-SONG VOICE) Imogen...

1193

01:03:18,832 —> 01:03:20,934

(SOFTLY) What do you want

to tell us?

1194

01:03:21,035 —> 01:03:24,338

Do you have a message? Or...

1195

01:03:25,239 —> 01:03:27,941

What do you want us to know?

1196

01:03:30,411 —> 01:03:32,079

We're here for you.

1197

01:03:38,285 —> 01:03:39,554

I'm here for you.

1198

01:03:39,654 —> 01:03:41,088

(GASPS)

1199

01:03:44,258 —> 01:03:46,327

I've been...

1200

01:03:47,294 —> 01:03:48,362

looking...

1201

01:03:49,396 —> 01:03:50,497

for you,

1202

01:03:51,566 —> 01:03:54,835

my dearest one.

1203

01:03:56,837 —> 01:04:01,108

I've come so far.

1204

01:04:02,711 —> 01:04:03,877

(WHIMPERS SOFTLY)

1205

01:04:04,445 —> 01:04:06,113

I've traveled

1206

01:04:06,815 —> 01:04:11,885

across land and sea.

1207

01:04:15,889 —> 01:04:17,257

(IMOGEN GRUNTS)

1208

01:04:21,261 —> 01:04:22,363

-(TAPS FOOT)

-(BONES CRACK)

1209

01:04:22,463 —> 01:04:24,566

-(THUNDER RUMBLES)

-(IMOGEN GASPS)

1210

01:04:30,605 —> 01:04:33,941

-My feet are bleeding.

-MARY: ...bleeding.

1211

01:04:36,977 —> 01:04:38,680

My bones...

1212

01:04:39,179 —> 01:04:41,081

-MARY: Ache.

-...ache.

1213

01:04:41,816 —> 01:04:43,016

My head...

1214

01:04:43,117 —> 01:04:45,252

My head is heavy.

1215

01:04:46,387 —> 01:04:48,322

(THUNDER RUMBLING)

1216

01:04:51,225 —> 01:04:52,993

-See...

-MARY: See...

1217

01:04:53,093 —> 01:04:54,562

in my hair...

1218

01:04:56,363 —> 01:04:59,967

-a braid made of woe.

-MARY: A braid made of woe.

1219

01:05:01,870 —> 01:05:04,672

See all your sorrows

1220

01:05:06,106 —> 01:05:09,811

-hang over my shoulders.

-MARY: Hang over my shoulders.

1221

01:05:09,910 —> 01:05:12,479

-And all of their kin...

-And all of their kin...

1222

01:05:12,580 —> 01:05:16,016

-...bite at my heels.

-...bite at my heels.

1223
01:05:16,116 —> 01:05:17,619
-(THUNDER RUMBLING)
-(GASPS)

1224
01:05:26,628 —> 01:05:27,629
(WHIMPERING SOFTLY)

1225
01:05:31,932 —> 01:05:33,100
(GRUNTS)

1226
01:05:35,169 —> 01:05:37,371
IMOGEN: (INHALES SHARPLY)
But soon...

1227
01:05:39,541 —> 01:05:43,277
soon my journey
will see me through.

1228

that all these...

1401

01:23:21,836 —> 01:23:24,371

coming and goings...

1402

01:23:25,874 —> 01:23:28,408

are just how our little minds

1403

01:23:29,644 —> 01:23:33,180

process the ebb and flow

1404

01:23:34,081 —> 01:23:37,017

of something

that's always been there.

1405

01:23:46,326 —> 01:23:47,294

Maybe...

1406

01:23:50,030 —> 01:23:51,465

we came...

1407

01:23:53,100 —> 01:23:54,569

to it.

1408

01:23:56,036 —> 01:23:57,437

And you think...

1409

01:23:58,806 —> 01:24:01,275

you need to hold it close...

1410

01:24:03,076 —> 01:24:05,245

and keep it inside.

1411

01:24:07,447 —> 01:24:08,248

But not me.

1412

01:24:08,348 —> 01:24:10,183

(MARY'S BREATH TREMBLES)

1413

01:24:13,955 —> 01:24:15,155

I want her out.

1414

01:24:18,526 —> 01:24:20,360

So let's stop.

1415

01:24:27,835 —> 01:24:30,605

Let's cast her out.

1416

01:24:36,911 —> 01:24:38,078

MARY: How?

1417

01:24:38,813 —> 01:24:40,347

SAM: It can't be that hard.

1418

01:24:40,782 —> 01:24:42,115

We've seen enough films.

1419

01:24:46,219 —> 01:24:48,221

(TENSE MUSIC PLAYING)

1420

01:24:50,223 —> 01:24:52,192

No. I don't like this.

1421

01:24:52,292 —> 01:24:54,862
There is nothing
to be scared of.

1422
01:24:54,963 —> 01:24:56,631
We'll stop
if it gets dangerous.

1423
01:24:57,264 —> 01:24:58,465
-(SWITCH FLICKS)
-(GASPS)

1424
01:25:00,835 —> 01:25:02,670
(SHUDDERS) I just...

1425
01:25:03,972 —> 01:25:05,138
I just wanna...

1426
01:25:05,974 —> 01:25:07,008
I just wanna work on my dress.

1427
01:25:07,107 —> 01:25:08,308
That's what I came here for.

1428

01:25:08,408 —> 01:25:11,646

This is working on the dress.

1429

01:25:11,746 —> 01:25:14,749

Because you want

the dress to look like you,

1430

01:25:14,849 —> 01:25:17,417

and this is a part

of who you are right now.

1431

01:25:18,686 —> 01:25:19,654

This spirit,

1432

01:25:20,922 —> 01:25:22,557

this woman in red,

1433

01:25:22,657 —> 01:25:26,594

she's who you wrote

your song about, isn't she?

1434

01:25:27,929 —> 01:25:29,564
-Yes.
-So...

1435
01:25:31,298 —> 01:25:33,835
let's make the dress
about her, too.

1436
01:25:36,203 —> 01:25:37,371
Let's see...

1437
01:25:38,840 —> 01:25:40,407
what she wants to tell us.

1438
01:25:41,743 —> 01:25:44,378
Now, do we need three of us?
Should I call Hilda?

1439
01:25:44,478 —> 01:25:45,680
-No.
-No, no, you're right.

1440
01:25:45,780 —> 01:25:48,816

The two of us must be
the ones to do it.

1441
01:25:49,282 —> 01:25:50,618
I don't want to.

1442
01:25:52,486 —> 01:25:55,155
You said I need
to open my heart.

1443
01:25:55,623 —> 01:25:56,658
So here I am,

1444
01:25:58,026 —> 01:25:59,226
opening it

1445
01:25:59,894 —> 01:26:01,228
as far as I can.

1446
01:26:02,162 —> 01:26:03,998
And I say to you, my friend...

1447

01:26:04,098 —> 01:26:05,432
(MATCH STRIKES)

1448
01:26:05,967 —> 01:26:07,902
...we are going to do this.

1449
01:26:20,280 —> 01:26:21,649
(MARY GASPS)

1450
01:26:22,349 —> 01:26:23,483
(THUNDER RUMBLING)

1451
01:26:23,584 —> 01:26:24,686
(GASPS)

1452
01:26:31,659 —> 01:26:32,660
(WIND BLOWING)

1453
01:26:37,197 —> 01:26:38,599
What's all that?

1454
01:26:38,966 —> 01:26:41,301

Offerings, totems.

1455
01:26:42,036 —> 01:26:43,971
Things to focus our energy.

1456
01:26:45,405 —> 01:26:47,575
There is nothing magical
about any one object

1457
01:26:47,675 —> 01:26:49,376
other than what we bring
to it.

1458
01:26:50,243 —> 01:26:51,746
In fact,
there is no true meaning

1459
01:26:51,846 —> 01:26:54,749
to any object at all
without our prescription.

1460
01:26:55,516 —> 01:26:56,517
So...

1461

01:26:58,218 —> 01:27:00,454

these shears are not shears.

1462

01:27:01,354 —> 01:27:03,024

They're a key

1463

01:27:03,124 —> 01:27:05,693

to open whatever doors

we may come to.

1464

01:27:07,528 —> 01:27:10,230

And this, this is a chain

1465

01:27:11,165 —> 01:27:13,366

to bind us

to whomever we meet.

1466

01:27:15,670 —> 01:27:16,771

And this...

1467

01:27:19,006 —> 01:27:20,407

this is a sword

1468
01:27:21,909 —> 01:27:22,877
for protection.

1469
01:27:26,013 —> 01:27:26,981
Hmm.

1470
01:27:45,233 —> 01:27:46,768
And this...

1471
01:27:48,102 —> 01:27:49,469
is the oil...

1472
01:27:51,939 —> 01:27:53,273
with which...

1473
01:27:55,375 —> 01:27:57,645
we will anoint ourselves...

1474
01:27:58,746 —> 01:27:59,947
as we await...

1475

01:28:01,215 —> 01:28:02,517

the day...

1476

01:28:03,985 —> 01:28:05,653

of our Pentecost.

1477

01:28:21,035 —> 01:28:22,003

(CHUCKLES SOFTLY)

1478

01:28:27,842 —> 01:28:28,876

(SIGHS)

1479

01:28:38,619 —> 01:28:40,487

Why are you doing this?

1480

01:28:41,622 —> 01:28:43,423

I'm not doing anything.

1481

01:28:44,959 —> 01:28:46,761

We are doing this.

1482

01:28:47,962 —> 01:28:49,096

Because if we don't,

1483

01:28:50,330 —> 01:28:51,666

we'll regret it forever.

1484

01:28:53,935 —> 01:28:56,871

When are you and I ever gonna

be in the same room again

1485

01:28:56,971 —> 01:28:58,773

after all this is done?

1486

01:29:01,108 —> 01:29:02,710

You'll take your dress

1487

01:29:03,311 —> 01:29:04,779

and you'll go away,

1488

01:29:05,847 —> 01:29:07,014

and I'll be here,

1489
01:29:07,982 —> 01:29:09,817
haunting my own house,

1490
01:29:12,086 —> 01:29:13,521
all alone.

1491
01:29:15,323 —> 01:29:18,391
We have to do this now
while we can.

1492
01:29:20,061 —> 01:29:21,394
Now... (SIGHS)

1493
01:29:21,494 —> 01:29:23,631
...what was that spell
you chanted?

1494
01:29:26,801 —> 01:29:27,935
(MARY EXHALES)

1495
01:29:28,501 —> 01:29:30,370
(CHANTING IN IRISH)

1496

01:29:30,470 —> 01:29:33,641

(CHANTING IN IRISH)

1497

01:29:40,648 —> 01:29:42,183

(IN ENGLISH) Oh,

a rose is a rose is a rose.

1498

01:29:42,283 —> 01:29:43,651

Just give me your hands.

1499

01:29:45,319 —> 01:29:46,254

Yes.

1500

01:29:46,354 —> 01:29:47,955

(THUNDER RUMBLING)

1501

01:29:49,489 —> 01:29:50,825

Close your eyes

1502

01:29:51,692 —> 01:29:53,393

and breathe with me.

1503

01:29:57,899 —> 01:29:58,966

And out.

1504

01:29:59,066 —> 01:30:00,801

(BOTH EXHALING)

1505

01:30:02,069 —> 01:30:03,403

Breathe.

1506

01:30:07,074 —> 01:30:08,576

Breathe.

1507

01:30:12,947 —> 01:30:14,081

Breathe.

1508

01:30:18,451 —> 01:30:19,720

Breathe.

1509

01:30:24,457 —> 01:30:27,795

(BOTH BREATHING DEEPLY)

1510

01:30:52,253 —> 01:30:53,453

Spirit...

1511

01:30:55,389 —> 01:30:57,024

if you're here,

1512

01:30:57,625 —> 01:30:59,627

give us something.

1513

01:31:01,262 —> 01:31:02,863

Give us a sign.

1514

01:31:05,066 —> 01:31:06,767

(THUNDERCLAP)

1515

01:31:08,135 —> 01:31:09,603

SAM: Spirit...

1516

01:31:12,740 —> 01:31:14,075

if you are with us...

1517

01:31:16,243 —> 01:31:17,912
know you are welcome...

1518
01:31:20,181 —> 01:31:21,816
and well-loved.

1519
01:31:23,851 —> 01:31:24,919
Spirit...

1520
01:31:26,087 —> 01:31:27,188
if you are here,

1521
01:31:29,090 —> 01:31:32,593
know that you have a home,
but it is not within us.

1522
01:31:33,461 —> 01:31:35,930
We cannot be your respite.

1523
01:31:37,331 —> 01:31:39,700
Our house is full,

1524

01:31:40,434 —> 01:31:43,871
so let my voice be your light

1525
01:31:43,971 —> 01:31:48,709
as you make your way
towards the door.

1526
01:31:53,614 —> 01:31:57,818
Listen, as I name
the rungs of your ladder.

1527
01:31:59,587 —> 01:32:01,222
Come On & On.

1528
01:32:02,356 —> 01:32:03,624
Mother Mary.

1529
01:32:06,227 —> 01:32:07,561
Magnificat.

1530
01:32:10,498 —> 01:32:12,566
Abashed The Devil.

1531

01:32:15,469 —> 01:32:16,837

Poor Thing.

1532

01:32:19,673 —> 01:32:21,108

Cut Me Out.

1533

01:32:23,010 —> 01:32:24,245

Exhalation.

1534

01:32:27,915 —> 01:32:31,619

The Greatest Hits

from the years of Our Lord

1535

01:32:31,719 —> 01:32:35,790

2003 to 2015.

1536

01:32:37,491 —> 01:32:39,994

The Third Mary.

1537

01:32:53,040 —> 01:32:54,075

Past that...

1538

01:32:54,675 —> 01:32:55,876

is the door.

1539

01:32:57,278 —> 01:32:58,679

And it is open.

1540

01:32:59,480 —> 01:33:01,782

And the world outside...

1541

01:33:04,285 —> 01:33:05,586

is brighter...

1542

01:33:06,587 —> 01:33:09,723

and more beautiful than ever.

1543

01:33:12,026 —> 01:33:13,027

So come out.

1544

01:33:14,095 —> 01:33:15,062

Out.

1545

01:33:16,297 —> 01:33:17,298

Out.

1546

01:33:18,999 —> 01:33:19,967

Out.

1547

01:33:21,869 —> 01:33:22,803

Out.

1548

01:33:22,903 —> 01:33:24,205

Sam.

1549

01:33:24,305 —> 01:33:25,306

Out.

1550

01:33:26,508 —> 01:33:27,708

Sam.

1551

01:33:28,375 —> 01:33:29,376

Out.

1552

01:33:29,477 —> 01:33:31,145

Sam, she can't hear you.

1553

01:33:31,245 —> 01:33:33,013

She can. Just listen.

1554

01:33:33,114 —> 01:33:35,883

-Out. This is going to work.

-Sam.

1555

01:33:36,450 —> 01:33:37,519

-Out.

-Sam.

1556

01:33:37,618 —> 01:33:39,019

Clear your mind.

1557

01:33:39,653 —> 01:33:41,489

-She's coming.

-Sam.

1558

01:33:41,590 —> 01:33:44,024

-She's coming.

-You forgot something.

1559

01:33:44,125 —> 01:33:45,359

What?

1560

01:33:49,396 —> 01:33:50,998

She needs a way out.

1561

01:33:56,303 —> 01:33:57,304

(GASPS)

1562

01:33:59,740 —> 01:34:02,009

(ETHEREAL MUSIC PLAYING)

1563

01:34:20,261 —> 01:34:21,829

(BREATHES DEEPLY)

1564

01:34:22,997 —> 01:34:23,998

Now what?

1565

01:34:25,266 —> 01:34:26,800

I don't know.

1566

01:34:27,234 —> 01:34:28,769

Maybe she needs more.

1567

01:34:37,044 —> 01:34:38,112

A key...

1568

01:34:39,614 —> 01:34:41,048

to open the door.

1569

01:34:42,449 —> 01:34:43,884

-(GASPS)

-(MUSIC INTENSIFIES)

1570

01:34:56,631 —> 01:34:57,865

(SOBBING)

1571

01:35:02,537 —> 01:35:04,171

(PANICKED BREATHING)

1572

01:35:04,271 —> 01:35:05,706

(SHUSHING)

1573

01:35:09,143 —> 01:35:11,245

-(MUSIC FADES)

-(HEART BEATING)

1574

01:35:16,951 —> 01:35:20,421

(HEART BEATING)

1575

01:35:29,463 —> 01:35:31,432

(BOTH INHALING)

1576

01:35:47,214 —> 01:35:48,215

(MARY GASPS)

1577

01:35:54,388 —> 01:35:56,357

(HEART CONTINUES BEATING)

1578

01:36:15,075 —> 01:36:17,244

(ETHEREAL MUSIC PLAYING)

1579

01:37:51,372 —> 01:37:52,473

(DOOR SLAMS OPEN)

1580

01:37:52,574 —> 01:37:54,408

(INDISTINCT CHATTER)

1581
