Dialogues from Sacrifice to improve the vocabulary in English

1

00:00:06,042 –> 00:00:08,042

[low rumbling building]

2

00:01:29,750 –> 00:01:32,750

[heart beating]

3

00:01:40,292 –> 00:01:42,292

[heartbeat trailing off]

4

00:01:50,292 –> 00:01:53,704

[dark, cryptic music playing]

5

00:01:53,708 –> 00:01:57,413

[woman whispering] Mother,

the volcano spoke to me this morning.

6

00:01:57,417 –> 00:02:03,333

The old way must burn to ash

for the new way to be born.

7

00:02:19,250 —> 00:02:20,750

We will find them.

8

00:02:21,500 —> 00:02:24,083

The three who will save us.

9

00:02:25,083 —> 00:02:26,417

I promise.

10

00:02:28,417 —> 00:02:29,708

For the fire.

11

00:02:31,333 —> 00:02:32,583

Thank you, Mama.

12

00:03:14,708 —> 00:03:16,750

The prophecy has begun.

13

00:03:21,125 —> 00:03:24,500

Your son will find his beloved.

14

00:03:28,042 —> 00:03:31,500

Your daughter will slay the king.

15

00:03:33,917 —> 00:03:39,542

And to the fire, I will give the hero.

16

00:04:34,333 —> 00:04:36,996

[man 1] I mean, I don't see anything.

It's full. It's lush.

17

00:04:37,000 —> 00:04:39,288

[man 2] I can feel the AC on my scalp.

18

00:04:39,292 —> 00:04:41,413

It's like they're actively falling out.

19

00:04:41,417 —> 00:04:43,954

Well, stop touching it, then.

It's all in your head.

20

00:04:43,958 —> 00:04:45,163

No, it's not.

21

00:04:45,167 —> 00:04:48,038

So we go to Türkiye again

and we do the implants.

22

00:04:48,042 —> 00:04:49,329

That's a weird regression.

23

00:04:49,333 —> 00:04:52,833

Three weeks with the monks,

and I'm worried about a fucking bald spot.

24

00:04:54,000 —> 00:04:56,121

They were bald as fuck,

and they were happy.

25

00:04:56,125 —> 00:04:57,375

[phone dings]

26

00:04:58,458 —> 00:05:01,417

It's the stress, you know? It's the world.

27

00:05:02,042 —> 00:05:04,871

My dad had a great head of hair

right until the end.

28

00:05:04,875 —> 00:05:07,329

-[phone dings]

-Come on, I'm good.

29

00:05:07,333 —> 00:05:08,788

[inhales rapidly]

30

00:05:08,792 —> 00:05:10,954

-[long exhale]

-[phone dings]

31

00:05:10,958 —> 00:05:13,875

I feel like I'm close to something,

you know?

32

00:05:14,542 —> 00:05:18,204

Tonight the world's gonna see

the real Mike Tyler, the real me.

33

00:05:18,208 —> 00:05:22,163

I just wanna show people

I can be of use, have meaning.

34

00:05:22,167 —> 00:05:25,250

By the way, if anybody mentions

the flamethrower thing, ignore them.

35

00:05:29,083 —> 00:05:30,496

Why would they bring that up?

36

00:05:30,500 —> 00:05:32,042

I mean, they won't, but...

37

00:05:33,000 —> 00:05:34,538

Then why the fuck would you say that?

38

00:05:34,542 —> 00:05:37,121

-You're my agent!

-I put it in your head, I'm taking it out.

39

00:05:37,125 —> 00:05:38,496

Look. It's gone.

40

00:05:38,500 —> 00:05:41,538

But apart from that,

take this nice and gentle.

41

00:05:41,542 —> 00:05:45,913

Have fun, you know?

Like, be... Dance. You know, be seen.

42

00:05:45,917 —> 00:05:47,667

It's comeback city, baby.

43

00:05:48,167 —> 00:05:49,996

[sighs]

44

00:05:50,000 —> 00:05:52,204

Comeback to what?

45

00:05:52,208 —> 00:05:53,958

-[phone dings]

-Damn it. [chuckles]

46

00:05:55,458 —> 00:05:56,458

Wait a minute.

47

00:05:57,375 —> 00:05:59,208

Is this an electric limo?

48

00:06:00,125 —> 00:06:04,038

Oliver, am I about to pull up

to a fucking climate change gala

49

00:06:04,042 —> 00:06:06,454

in a gas-guzzling relic from the '90s?

50

00:06:06,458 —> 00:06:07,996

[Mike] Stop the car!

51

00:06:08,000 —> 00:06:09,954

[Oliver] You love limos.

You think they're funny.

52

00:06:09,958 —> 00:06:11,913

[Mike] Well, they're not funny today.

53

00:06:11,917 —> 00:06:13,496

Pivot, pivot.

54

00:06:13,500 —> 00:06:14,750

Just film me walking.

55

00:06:17,958 —> 00:06:19,792

-Get the landscape, get the...

-Yeah, okay.

56

00:06:22,792 —> 00:06:24,083

Oh, yeah. I like that.

57

00:06:24,917 —> 00:06:26,208

Give me that hero squint.

58

00:06:26,708 —> 00:06:27,913

-Ooh.

-Got it?

59

00:06:27,917 —> 00:06:30,417

-Yeah, that's good.

-No caption, power of the image.

60

00:06:31,000 —> 00:06:31,917

[Oliver] Ooh.

61

00:06:32,792 —> 00:06:34,746

[man] Mike! Over here! Mike!

62

00:06:34,750 —> 00:06:37,496

Hey, guys.

I've decided to walk for the earth.

63

00:06:37,500 —> 00:06:39,538

[photographers clamoring]

64

00:06:39,542 —> 00:06:41,788

-Thanks, guys.

-[Oliver] Look at you two.

65

00:06:41,792 —> 00:06:43,746

Walking for the earth.

66

00:06:43,750 —> 00:06:44,667

[Oliver] Katrina.

67

00:06:45,167 —> 00:06:47,079

-How are you?

-[Oliver] You look...

68

00:06:47,083 —> 00:06:50,663

[host] It's never too late

to do the right thing.

69

00:06:50,667 —> 00:06:52,704

Here on this sacred Greek island,

70

00:06:52,708 —> 00:06:56,746

rumbling with the volcanic energy

of Hephaestus himself,

71

00:06:56,750 —> 00:07:01,121

we wanted to create a Homeric ode

to the wonders of our planet.

72

00:07:01,125 —> 00:07:03,496
Accompanying the luminous...

73
00:07:03,500 —> 00:07:06,788
we are so pleased
to have the benevolent...

74
00:07:06,792 —> 00:07:10,996
Here we have Ben Bracken,
tech visionary and global change maker,

75
00:07:11,000 —> 00:07:13,579
and his wife, Gloria, pop legend,

76
00:07:13,583 —> 00:07:17,996
whose new album is told
entirely from the perspective of a flood.

77
00:07:18,000 —> 00:07:23,167
So powerful. I feel truly humbled to be
part of this momentous call to action.

78
00:07:24,250 —> 00:07:25,621

You all right?

79

00:07:25,625 —> 00:07:28,042

Yeah. Yeah, it's just...

80

00:07:28,708 —> 00:07:30,417

All the eyes, you know.

81

00:07:31,583 —> 00:07:32,667

You wanna hold my hand?

82

00:07:33,250 —> 00:07:35,750

No, not here. Don't be fucking weird.

83

00:07:37,208 —> 00:07:39,454

[host] Our next guest

needs no introduction.

84

00:07:39,458 —> 00:07:41,663

Please welcome Mike Tyler.

85

00:07:41,667 —> 00:07:43,413

-All right, you're up, cowboy.

-Okay.

86

00:07:43,417 —> 00:07:45,708

-[Oliver] Don't draw attention to it.

-Yeah.

87

00:07:47,083 —> 00:07:48,250

[photographer] Gloria!

88

00:07:49,333 —> 00:07:51,500

[moody, mysterious music playing]

89

00:07:54,042 —> 00:07:56,167

[photographers clamoring] Mike! Mike!

90

00:07:58,583 —> 00:08:01,292

You're young. You're sexy.

You've got a secret.

91

00:08:09,708 —> 00:08:13,413

[host] We all know Mike Tyler

from the box-office hit

92

00:08:13,417 —> 00:08:16,913

Octavius, the Last Centurion.

93

00:08:16,917 —> 00:08:20,163

Oscar-nominated lead of Calamity Creek,

94

00:08:20,167 —> 00:08:25,375

Mike is making his first major

reappearance on the international stage.

95

00:08:30,125 —> 00:08:32,208

[guard] Hey! Are you lost?

96

00:08:34,250 —> 00:08:35,667

Can I help you?

97

00:08:37,292 —> 00:08:39,292

[ominous music playing]

98

00:08:53,833 —> 00:08:54,833

[music trails off]

99

00:09:03,708 —> 00:09:04,708

[Gloria] Mick Tyler.

100

00:09:06,750 —> 00:09:07,954

Gloria Bracken.

101

00:09:07,958 —> 00:09:09,413

Hi. Yeah, I know who you are.

102

00:09:09,417 —> 00:09:11,500

Stop it. Stop it right now.

103

00:09:12,000 —> 00:09:12,996

I love you.

104

00:09:13,000 —> 00:09:14,954

-Oh! Oh wow.

-Obsessed.

105

00:09:14,958 —> 00:09:17,413

I'm sure you heard

I started a production company.

106

00:09:17,417 —> 00:09:21,204

I have the perfect project

for us to do together.

107

00:09:21,208 —> 00:09:23,621

-I think it would be lovely.

-So, how's your health?

108

00:09:23,625 —> 00:09:24,458

How's the noggin?

109

00:09:25,042 —> 00:09:28,996

You leveling out? No more wife stealing?

110

00:09:29,000 —> 00:09:32,000

No more flamethrowers, Mr. Octavius?

111

00:09:32,542 —> 00:09:38,454

No, sir. My actions that day were heinous,

but I was grieving.

112

00:09:38,458 —> 00:09:42,746

I hit rock bottom,

did the deepest possible soul searching,

113

00:09:42,750 —> 00:09:45,458

and I think I came out better for it.

114

00:09:46,792 —> 00:09:49,079

Yeah. Um, sorry.

115

00:09:49,083 —> 00:09:52,083

Gloria, Ben, excuse me. I got... Apologies.

116

00:09:52,875 —> 00:09:53,750

Go.

117

00:09:54,958 —> 00:09:55,958

Fuck you.

118

00:10:00,000 —> 00:10:01,079

[guard] Hey.

119

00:10:01,083 —> 00:10:02,375

It's okay, I'm famous.

120

00:10:04,000 —> 00:10:06,663

Hey, hey. DK, the maestro!

121

00:10:06,667 —> 00:10:08,954

[DK] Mike, you good? Getting some rest?

122

00:10:08,958 —> 00:10:11,954

Yeah, man, I'm good.

Really good. Better than ever.

123

00:10:11,958 —> 00:10:14,579

Ready to get back to work, you know?

124

00:10:14,583 —> 00:10:17,079

Trying to use the platform

to do something meaningful,

125

00:10:17,083 —> 00:10:18,704

something that makes a difference.

126

00:10:18,708 —> 00:10:21,704

Cool, man. Yeah, Firewalker is

not really an issue film, but...

127

00:10:21,708 —> 00:10:24,871

No, I know, I... I know.

I was just, you know...

128

00:10:24,875 —> 00:10:27,663

Feel like we're vibrating

on the same frequency.

129

00:10:27,667 —> 00:10:29,667

Music of the cosmos, brother.

130

00:10:30,208 —> 00:10:32,579

[low, ambient rumbling]

131

00:10:32,583 —> 00:10:33,788

[DK] Where are you right now?

132

00:10:33,792 —> 00:10:37,079
Uh, well, funny story,
actually. I'm in a...

133
00:10:37,083 —> 00:10:40,913
I'm in an old mine
at a climate charity event

134
00:10:40,917 —> 00:10:43,121
on some weird, middle-of-nowhere,

135
00:10:43,125 —> 00:10:46,250
Greek, possibly Turkish island.

136
00:10:47,542 —> 00:10:50,288
-I honestly fucking hate events like that.
-Well...

137
00:10:50,292 —> 00:10:52,329
Everyone flies there on their private jets

138
00:10:52,333 —> 00:10:54,996
and then gnaws at the flesh

of tortured mollusks.

139

00:10:55,000 —> 00:10:58,038

And the auction part is like

this virtue-signal circle jerk.

140

00:10:58,042 —> 00:11:00,663

No one actually sacrifices anything.

141

00:11:00,667 —> 00:11:02,079

I'm looking it up now.

142

00:11:02,083 —> 00:11:03,208

[Mike] Ha!

143

00:11:03,792 —> 00:11:05,454

-Rocks from the ocean?

-Well...

144

00:11:05,458 —> 00:11:07,954

That's gonna be

a full-scale genocide of marine lives,

145

00:11:07,958 —> 00:11:09,454

squid worms and anemones, bro.

146

00:11:09,458 —> 00:11:12,038

Like, you don't fuck with the ocean.

147

00:11:12,042 —> 00:11:15,829

I swear to God, Ben Bracken is like

the fucking Antichrist.

148

00:11:15,833 —> 00:11:17,246

Ha-ha!

149

00:11:17,250 —> 00:11:18,996

Preaching to the choir, man.

150

00:11:19,000 —> 00:11:22,913

That's what I'm doing here, actually.

I'm, uh, spitting truths in their face.

151

00:11:22,917 —> 00:11:24,538

You know, belly of the beast.

152

00:11:24,542 —> 00:11:28,417

I don't wanna ruin it, but...

You know, you'll see.

153

00:11:29,875 —> 00:11:32,954

Right. Cool. Well, I'll let you know

when there's something to read.

154

00:11:32,958 —> 00:11:35,621

Okay. And listen,

I just wanna say I read a lot of scripts.

155

00:11:35,625 —> 00:11:37,079

-Think it's rare...

-[disconnect tone]

156

00:11:37,083 —> 00:11:38,079

Hello?

157

00:11:38,083 —> 00:11:39,042

Fuck.

158

00:11:53,542 —> 00:11:57,496

Did I say "music of the fucking cosmos"?

You fucking idiot.

159

00:11:57,500 —> 00:12:01,750

Fuck him, pretentious

fucking playwright. Fuck, Mike!

160

00:12:14,542 —> 00:12:18,538

[partygoer] As you can see, all these

small new shit coins are going well.

161

00:12:18,542 —> 00:12:19,746

You're gonna get burned.

162

00:12:19,750 —> 00:12:23,583

Ah. This is the future, you know?

Especially this one, one of the best.

163

00:12:24,833 —> 00:12:28,996

You know what? Let me show you something.

It's actually really funny.

164

00:12:29,000 —> 00:12:29,996

Check this out.

165

00:12:30,000 —> 00:12:31,371

It's a classic.

166

00:12:31,375 —> 00:12:33,500

[Mike over phone] Rage! Rage!

167

00:12:34,833 —> 00:12:36,208

Everything is fake!

168

00:12:37,750 —> 00:12:40,163

Do not go silent into that good night!

169

00:12:40,167 —> 00:12:41,913

I'm not Octavius!

170

00:12:41,917 —> 00:12:45,292

-[Ben chuckling]

[shutter snaps]

344

00:24:09,708 —> 00:24:10,875

[shutters snapping]

345

00:24:12,417 —> 00:24:14,454

Surrender your telephone! Drop it!

346

00:24:14,458 —> 00:24:15,871

[host] Everyone, please stay calm.

347

00:24:15,875 —> 00:24:17,496

This is a normal occurrence.

348

00:24:17,500 —> 00:24:19,996

-We'll try to have it resolved.

-Stop moving.

349

00:24:20,000 —> 00:24:21,954

We'll try to sort it out

as quickly as possible.

350

00:24:21,958 —> 00:24:23,204

You're not in any danger.

351

00:24:23,208 —> 00:24:25,083

-Stop moving.

-Normal occurrence.

352

00:24:25,667 —> 00:24:26,871

-Hold her down.

-What?

353

00:24:26,875 —> 00:24:28,079

Now!

354

00:24:28,083 —> 00:24:30,417

[host struggling]

355

00:24:31,542 —> 00:24:32,496

No!

356

00:24:32,500 —> 00:24:33,829

[audience gasps]

357

00:24:33,833 —> 00:24:35,917

No! No!

358

00:24:37,542 —> 00:24:39,871

This is not a normal occurrence!

359

00:24:39,875 —> 00:24:41,083
[host screaming]

360
00:24:43,500 —> 00:24:45,667
[ominous choral chanting]

361
00:24:47,000 —> 00:24:48,042
Did she cut the hand?

362
00:24:49,000 —> 00:24:50,375
-She did.
-Fuck.

363
00:24:51,000 —> 00:24:52,000
Now,

364
00:24:52,875 —> 00:24:55,542
surrender your telephones.

365
00:25:14,167 —> 00:25:17,204
LINKING...

366

00:25:17,208 —> 00:25:19,454

LINKED OK

367

00:25:19,458 —> 00:25:20,458

[phone beeps]

368

00:25:23,167 —> 00:25:24,663

[beep]

369

00:25:24,667 —> 00:25:25,667

[Mike] Fuck.

370

00:25:28,583 —> 00:25:29,583

Fuck.

371

00:25:37,833 —> 00:25:39,167

Fuck.

372

00:25:42,708 —> 00:25:43,871

Our duty...

373

00:25:43,875 —> 00:25:46,250

[feedback whines]

374

00:25:48,458 —> 00:25:49,917

Our duty

375

00:25:50,500 —> 00:25:54,038

is to take three of you to their destiny

by the next red moon.

376

00:25:54,042 —> 00:25:57,667

This is a pure mission

for the good of the earth.

377

00:25:58,500 —> 00:26:02,413

An extinction event is coming in two days.

378

00:26:02,417 —> 00:26:04,538

We are here to stop it.

379

00:26:04,542 —> 00:26:08,875

We need only three of you,

who will be revealed to us here tonight.

380

00:26:10,292 —> 00:26:12,292

The youngest shall seek power first.

381

00:27:10,417 —> 00:27:13,038

-Hey.

-No. No! No!

382

00:27:13,042 —> 00:27:13,954

-Stay calm.

-No!

383

00:27:13,958 —> 00:27:18,333

Don't flatter them with your fear,

Gloria. Gloria.

384

00:27:25,833 —> 00:27:28,333

The son shall seek his purest love.

385

00:27:35,500 —> 00:27:37,500

[foreboding music playing]

386

00:27:58,250 —> 00:27:59,708

Mother Nature,

387

00:28:00,792 —> 00:28:01,913

Daughter Nature.

388

00:28:01,917 —> 00:28:05,829

Mother Nature,

Daughter Nature, Mother Nature...

389

00:28:05,833 —> 00:28:07,708

Mother Nature, Daughter Nature...

390

00:28:12,417 —> 00:28:14,583

Daughter Nature. Come.

391

00:28:15,333 —> 00:28:16,454

What? No.

392

00:28:16,458 —> 00:28:17,538

Come on.

393

00:28:17,542 —> 00:28:18,746

I'm sorry. I'm sorry.

394

00:28:18,750 —> 00:28:21,458

-No. Mother... No!

-I'm sorry.

395

00:28:28,167 —> 00:28:29,163

I love you.

396

00:28:29,167 —> 00:28:30,458

What?

397

00:28:42,167 —> 00:28:45,625

And now I, the eldest,

398

00:28:46,833 —> 00:28:48,208

shall seek the Hero.

399

00:29:12,708 —> 00:29:15,496

I can't find the hero anywhere.

These people are disgusting.

400

00:29:15,500 —> 00:29:18,958
The volcano told you to find
the hero here. Ask it for guidance.

401
00:29:35,125 —> 00:29:37,125
[low, resonant rumbling]

402
00:29:42,000 —> 00:29:44,000
[rumbling intensifies]

403
00:29:45,750 —> 00:29:46,750
[rumbling halts]

404
00:29:52,417 —> 00:29:54,417
[distant rumbling]

405
00:30:02,000 —> 00:30:04,000
[volcano rumbling ominously]

406
00:30:13,458 —> 00:30:15,042
The people must choose.

407

00:30:16,292 —> 00:30:17,750
Everybody stand up.

408
00:30:19,000 —> 00:30:20,250
Stand up!

409
00:30:20,917 —> 00:30:24,788
We're going to create
two rivers of bodies.

410
00:30:24,792 —> 00:30:27,792
So some over here and some over here.

411
00:30:30,625 —> 00:30:33,621
Some there, and some there.

412
00:30:33,625 —> 00:30:38,371
Listen! I point, and you tell me the hero,

413
00:30:38,375 —> 00:30:40,621
chosen from among your ranks.

414

00:30:40,625 —> 00:30:41,458

Clap.

415

00:30:42,375 —> 00:30:44,333

Clap for the hero.

416

00:30:44,875 —> 00:30:47,496

Come on. I point and you clap!

417

00:30:47,500 —> 00:30:49,871

What is the hero?

We don't understand your rules.

418

00:30:49,875 —> 00:30:51,704

Vote for the hero to be sacrificed.

419

00:30:51,708 —> 00:30:54,788

-[Gloria] No! We have to get out of...

-No. None of that, please.

420

00:30:54,792 —> 00:30:57,204

-No. Not my hand.

-No! No, please!

421

00:30:57,208 —> 00:30:58,413

Stop!

422

00:30:58,417 —> 00:30:59,750

Please, calm down!

423

00:31:00,375 —> 00:31:01,579

Listen, listen.

424

00:31:01,583 —> 00:31:04,413

-She's trying to organize a hostage vote.

-Yes.

425

00:31:04,417 —> 00:31:06,579

-[Ben] Okay? It's about clapping volume.

-Yes.

426

00:31:06,583 —> 00:31:08,079

She wants you in two lines,

427

00:31:08,083 —> 00:31:11,913

and her finger will narrow down

the person you want to be the hero.

428

00:31:11,917 —> 00:31:13,163

Like an applause meter.

429

00:31:13,167 —> 00:31:16,288

So, let's move the table

on the side, please. Come on.

430

00:31:16,292 —> 00:31:18,413

-Come on. You too. Everybody.

-Clear the tables!

431

00:31:18,417 —> 00:31:20,121

We're not gonna spend the night.

432

00:31:20,125 —> 00:31:21,329

I need to see faces.

433

00:31:21,333 —> 00:31:25,500

-And then you form two "river" of people.

-[eldest] Push them to the side, come on!

434

00:31:26,167 —> 00:31:28,167

[Ben] Two rivers. Thank you.

435

00:31:29,917 —> 00:31:32,833

[scattered applause]

436

00:31:43,542 —> 00:31:45,250

[applause intensifies]

437

00:31:50,875 —> 00:31:52,000

Step forward.

438

00:32:15,625 —> 00:32:17,708

[clapping intensifies]

439

00:32:18,750 —> 00:32:19,875

Come on.

440

00:32:34,167 —> 00:32:36,833

[forceful applause]

441

00:32:51,417 —> 00:32:52,417

[Oliver] Mike!

442

00:33:02,417 —> 00:33:04,329

I guess they liked the speech after all.

443

00:33:04,333 —> 00:33:06,250

Mike, it's real.

444

00:33:06,750 —> 00:33:08,454

-What's real?

-[phone dings]

445

00:33:08,458 —> 00:33:10,413

I am so sorry.

446

00:33:10,417 —> 00:33:12,621

Listen, stay safe. All right?

447

00:33:12,625 —> 00:33:13,625

Oh!

448

00:33:14,708 —> 00:33:17,458

Is this like a... interactive thing?

449

00:33:18,833 —> 00:33:20,708

Did everybody give their phones?

450

00:33:21,667 —> 00:33:23,917

Thank you, thank you.

451

00:33:36,292 —> 00:33:38,333

Most applause I've gotten in years.

452

00:33:43,542 —> 00:33:45,788

Hey, they're terrorists.

453

00:33:45,792 —> 00:33:47,038

What?

454

00:33:47,042 —> 00:33:48,875

Terrorists.

455

00:33:53,000 —> 00:33:57,375

[man over loudspeaker] Hello.

This is the Elliniki Astynomia, police.

456

00:33:58,125 —> 00:33:59,746

We have the building...

457

00:33:59,750 —> 00:34:01,329

[in Greek] How do you say "surrounded"?

458

00:34:01,333 —> 00:34:03,204

-[in English] Surrounded.

-surrounded.

459

00:34:03,208 —> 00:34:05,042

Please stay calm!

460

00:34:05,542 —> 00:34:08,250

[eldest] You, king man.

Talk to them. You will be effective.

461

00:34:09,458 —> 00:34:12,500

Make Mike Tyler do it.

He's great at making speeches.

462

00:34:17,875 —> 00:34:18,750

I could do it.

463

00:34:29,667 —> 00:34:32,704

-[Mike] So, what exactly am I doing?

-[eldest] Tell them that we mean no harm

464

00:34:32,708 —> 00:34:35,288

and to clear a way

once we release half of the unmartyred.

465

00:34:35,292 —> 00:34:38,246

No time to lose. The world'll be destroyed

in two days when the red moon rises.

466

00:34:38,250 —> 00:34:41,829

Two days. Wow, okay. Stakes.

467

00:34:41,833 —> 00:34:44,121

What's the why? Like, the message beneath?

468

00:34:44,125 —> 00:34:46,663

Are you a registered group?

Can I plug your donation page?

469

00:34:46,667 —> 00:34:49,667

-People are gonna wanna follow you.

-Nobody can follow where we are going.

470

00:34:51,000 —> 00:34:53,667

Okay, that's fine.

Just, um, what do I call you?

471

00:34:56,167 —> 00:34:59,125

We are warriors defending

the ancient yearnings of the earth.

472

00:35:01,500 —> 00:35:02,750

Hardcore.

473

00:35:03,625 —> 00:35:04,458

I got ya.

474

00:35:08,625 —> 00:35:14,454
Ancient yearnings. Ancient yearnings.

475
00:35:14,458 —> 00:35:15,829
-Go.
-Okay.

476
00:35:15,833 —> 00:35:18,250
[officer in Greek]
Special forces will arrive in 20 minutes.

477
00:35:22,208 —> 00:35:24,829
[Mike in English] All right, listen up.
We got some people inside,

478
00:35:24,833 —> 00:35:27,663
and they want
to let half of the hostages go.

479
00:35:27,667 —> 00:35:29,663
So, could you back away
from the main entrance?

480

00:35:29,667 —> 00:35:32,579

[in Greek] It's Mike Tyler! Get the shot!

481

00:35:32,583 —> 00:35:37,871

[in English] They have ancient yearnings

to save the planet.

482

00:35:37,875 —> 00:35:41,621

-[in Greek] From the movie Centurion!

-Yes, Octavius.

483

00:35:41,625 —> 00:35:42,871

[in English] This is a battle...

484

00:35:42,875 —> 00:35:45,621

[officer in Greek]

My wife is in love with him.

485

00:35:45,625 —> 00:35:47,665

[in English]

between youth and the establishment.

486

00:35:48,542 —> 00:35:51,204

And the youth is winning, guys.

487

00:35:51,208 —> 00:35:54,371

Revolution always wins in the end.

488

00:35:54,375 —> 00:35:57,913

It's because they're lit by a divine fire.

489

00:35:57,917 —> 00:36:01,038

And we should be inspired by that.

I know I am.

490

00:36:01,042 —> 00:36:02,538

Forget your fake charity.

491

00:36:02,542 —> 00:36:04,954

This is real change, real courage.

492

00:36:04,958 —> 00:36:06,704

Nature is sick,

493

00:36:06,708 —> 00:36:10,454

and a charity event

is like a Band-Aid on gangrene.

494

00:36:10,458 —> 00:36:11,913

[in Greek] What's he talking about?

495

00:36:11,917 —> 00:36:15,079

[in English] But these kids

have the courage to cut off the whole leg!

496

00:36:15,083 —> 00:36:21,413

No justice, no peace!

497

00:36:21,417 —> 00:36:23,417

We have the power!

498

00:36:24,708 —> 00:36:28,579

[officer] Octavius, come back!

Octavius, come back!

499

00:36:28,583 —> 00:36:31,121

-[eldest] What is your name?

-I'm Mike.

500

00:36:31,125 —> 00:36:32,542

-What's yours?

-Joan.

501

00:36:33,708 —> 00:36:36,208

-Were you sincere in your speech?

-[officer] Octavius!

502

00:36:37,625 —> 00:36:39,621

Yeah, yeah, absolutely.

503

00:36:39,625 —> 00:36:42,746

-[officer] Octavius! Come back!

-Where did you come from?

504

00:36:42,750 —> 00:36:46,246

Originally, the Arkansas side

of a shitty town called Texarkana,

505

00:36:46,250 —> 00:36:49,163

but, you know, now Malibu.

506

00:36:49,167 —> 00:36:51,333

I'm an actor. And where are you from?

507

00:36:52,042 —> 00:36:53,292

I'm from the fire.

508

00:36:55,333 —> 00:36:57,954

-Right.

-You're special, Mike.

509

00:36:57,958 —> 00:37:00,750

No matter what happens,

I want you to remember that.

510

00:37:15,750 —> 00:37:17,083

[Joan] Behold the hero.

511

00:37:22,042 —> 00:37:23,542

[cultists] For the fire.

512

00:37:26,125 —> 00:37:27,125

Thank you.

513

00:37:29,250 —> 00:37:30,167

Namaste.

514

00:37:33,167 —> 00:37:34,042

Yeah.

515

00:37:35,042 —> 00:37:37,413

Wait for the signal to free the unclothed,

516

00:37:37,417 —> 00:37:39,208

and keep the others here.

517

690

00:50:38,125 —> 00:50:40,121

Sorry, but I can't stand it anymore. Okay?

691

00:50:40,125 —> 00:50:41,371

This is too fucking dumb.

692

00:50:41,375 —> 00:50:45,663

You pagan queers

and your sacrificial cliché.

693

00:50:45,667 —> 00:50:49,996

Like the bad king,

the expendable knight, the hot virgin.

694

00:50:50,000 —> 00:50:52,000

-[Katie gasps]

-Ooh!

695

00:50:53,208 —> 00:50:54,208

[sighs]

696

00:50:55,833 —> 00:50:57,292

Forgive me for my violence.

697

00:50:58,375 —> 00:51:01,538

Wait. Joan? Joan, did he say "virgin"?

'Cause I'm not a virgin, am I?

698

00:51:01,542 —> 00:51:04,579

-That's fucking mental. I'm not a virgin.

-Calm down, martyr.

699

00:51:04,583 —> 00:51:07,079

Martyr? Fuck! Martyr?

700

00:51:07,083 —> 00:51:09,579

No, no, fuck that. I'm not even that hot.

701

00:51:09,583 —> 00:51:10,871

Off me!

702

00:51:10,875 —> 00:51:12,079

Go prepare your beloved.

703

00:51:12,083 —> 00:51:14,413

But she hates me.

How do I make her like me?

704

00:51:14,417 —> 00:51:16,996

Show her your beautiful heart, Arthur.

Ask her questions.

705

00:51:17,000 —> 00:51:20,079

-[Mike] I'm not drinking that potion.

-[Katie] I am such a bad candidate.

706

00:51:20,083 —> 00:51:21,121

I can't lose control.

707

00:51:21,125 —> 00:51:25,038

[Katie] You know,

I'm definitively not a virgin,

708

00:51:25,042 —> 00:51:29,579

in part because there's been really dark,

kinky, soul-crushing, nasty, shit sex...

709

00:51:29,583 —> 00:51:32,621

Just don't lose control, Mike.

Just don't lose control. You can't.

710

00:51:32,625 —> 00:51:33,792

-Mike?

-Yeah.

711

00:51:47,917 —> 00:51:49,208

What do you see?

712

00:51:53,167 —> 00:51:54,125

I don't know.

713

00:51:56,333 —> 00:51:58,208

I see the real you.

714

00:52:00,167 —> 00:52:01,292

The hero.

715

00:52:09,583 —> 00:52:11,333

All you have to do...

716

00:52:15,917 —> 00:52:18,125

is let yourself die.

717

00:52:22,292 —> 00:52:24,704

[Arthur] I made this. It's beautiful.

718

00:52:24,708 —> 00:52:25,875

Do you like it?

719

00:52:28,667 —> 00:52:29,500

No.

720

00:52:30,375 —> 00:52:31,375

Oh.

721

00:52:38,708 —> 00:52:40,746

It's my special place.

722

00:52:40,750 —> 00:52:43,458

In spring, it's full of red spider lilies.

723

00:52:44,875 —> 00:52:46,542

Why can't you love me?

724

00:52:48,292 —> 00:52:49,292

Uh...

725

00:52:51,375 —> 00:52:54,704

Because you're not honest with me.

726

00:52:54,708 —> 00:52:56,704

Tell me about your beloved. Who is she?

727

00:52:56,708 —> 00:52:57,875

The other is wrong.

728

00:52:58,750 —> 00:53:00,204

-You're pure.

-No, babe.

729

00:53:00,208 —> 00:53:02,125

I am trash.

730

00:53:02,958 —> 00:53:05,329

I pretended to be Native American

to get this job.

731

00:53:05,333 —> 00:53:07,163

-Come on.

-I'm not Native American.

732

00:53:07,167 —> 00:53:09,538

I'm Pakistani, for Christ's sakes.

I'm from Essex.

733

00:53:09,542 —> 00:53:12,496

I put on the fake Pocahontas accent,

and they fucking bought it.

734

00:53:12,500 —> 00:53:15,913

I'm petty and I'm selfish.

I'm honestly the worst person...

735

00:53:15,917 —> 00:53:18,500

Stop it! It has to be you.

736

00:53:19,083 —> 00:53:20,958

To love Joan would be to kill her.

737

00:53:22,750 —> 00:53:23,833

It's my curse.

738

00:53:24,792 —> 00:53:25,917

I'm cursed.

739

00:53:26,458 —> 00:53:29,667

Joan? You're in love with your sister?

740

00:53:30,250 —> 00:53:33,000

For the prophecy to work,

she has to be the martyr.

741

00:53:36,250 —> 00:53:37,996

I can't kill my sister.

742

00:53:38,000 —> 00:53:39,167

Oh my god.

743

00:53:40,458 —> 00:53:42,371

Why was I made this way?

744

00:53:42,375 —> 00:53:43,875

I can change.

745

00:53:44,833 —> 00:53:46,458

We should try. We should embrace.

746

00:53:47,042 —> 00:53:48,167

Don't touch me!

747

00:53:49,625 —> 00:53:50,625

[Katie gasps]

748

00:53:54,708 —> 00:53:57,579

Oh my god. Oh my god.

749

00:53:57,583 —> 00:54:00,163

Oh my god. I'm sorry.

750

00:54:00,167 —> 00:54:03,292

[distressing, discordant music playing]

751

00:54:06,042 —> 00:54:07,542

Jo... [Arthur gags]

752

00:54:08,542 —> 00:54:10,375

[Arthur] Joan!

753

00:54:23,750 —> 00:54:26,042

Arthur? Arthur?

754

00:54:30,667 —> 00:54:33,125

It's okay. It's okay. Where is she?

755

00:54:33,708 —> 00:54:35,208

She's not the right one.

756

00:54:35,958 —> 00:54:37,125

Let her go.

757

00:54:37,958 —> 00:54:39,083

Stay with me, Joan.

758

00:54:39,708 —> 00:54:40,667

I'm here.

759

00:54:41,167 —> 00:54:44,042

I'm sorry. I'm sorry.

760

00:54:44,667 —> 00:54:45,917

I was afraid.

761

00:54:46,667 —> 00:54:48,000

Because it was you.

762

00:54:49,875 —> 00:54:52,792

It was always... you.

763

00:54:53,625 —> 00:54:56,708

That doomed us. Because I love you.

764

00:54:59,500 —> 00:55:00,958

[Joan] I love you too.

765

00:55:05,250 —> 00:55:06,750

[Joan breathing raggedly]

766

00:55:16,708 —> 00:55:18,663

[ponderous, foreboding music playing]

767

00:55:18,667 —> 00:55:19,667

[breath hitching]

768

00:56:20,708 —> 00:56:23,954

[Mike] I think I'm...

starting to feel something.

769

00:56:23,958 —> 00:56:24,875

Is this real?

770

00:56:26,083 —> 00:56:27,208

He's really dead?

771

00:56:28,375 —> 00:56:29,458

Oh yeah.

772

00:56:32,458 —> 00:56:33,583

And Katie's gone.

773

00:56:34,958 —> 00:56:35,958

Who's Katie?

774

00:56:39,208 —> 00:56:40,500

Will you hold my hand?

775

00:56:45,125 —> 00:56:46,083

Please?

776

00:56:53,625 —> 00:56:54,746

Tighter?

777

00:56:54,750 —> 00:56:56,458

[Ben] You're okay, pal.

778

00:57:00,000 —> 00:57:01,792

They're not gonna throw you in.

779

00:57:03,583 —> 00:57:07,875

[Joan] Mike, you told me

your stories can change the world, but...

780

00:57:09,000 —> 00:57:12,292

in your stories,

when you die, you don't really die.

781

00:57:13,458 —> 00:57:15,875

And when you love, you don't really love.

782

00:57:17,458 —> 00:57:18,458

You know it.

783

00:57:20,833 —> 00:57:23,167

What I'm offering you here is real.

784

00:57:26,833 —> 00:57:28,125

It's the truth.

785

00:57:30,333 —> 00:57:31,958

The truth of who you are.

786

00:57:39,292 —> 00:57:41,292

[emotional music building]

787

00:58:34,167 —> 00:58:37,750

[Joan] You will start to feel the potion

pulling the truth from you.

788

00:58:38,417 —> 00:58:39,500

Let it.

789

00:58:46,083 —> 00:58:49,458

I think this is

exactly what I've been looking for.

790

00:58:50,625 —> 00:58:52,288

I killed my mother yesterday.

791

00:58:52,292 —> 00:58:53,375

[Ben] Wow.

792

00:58:54,417 —> 00:58:55,329

Wait, what?

793

00:58:55,333 —> 00:58:57,496

And I will kill my father tomorrow.

794

00:58:57,500 —> 00:58:58,833

No, don't do that.

795

00:59:00,833 —> 00:59:03,204

God, I miss my dad.

796

00:59:03,208 —> 00:59:06,621

Did you know puffer fish build

sand murals at the bottom of the ocean

797

00:59:06,625 —> 00:59:08,038

to woo their mates?

798

00:59:08,042 —> 00:59:10,250

[Mike] I don't want to die like he did.

799

00:59:11,000 —> 00:59:12,625

Trapped in his pain.

800

00:59:14,708 —> 00:59:16,625

I can't be alone in this.

801

00:59:17,208 —> 00:59:21,333

I wanted to build a mural

at the bottom of the ocean for Gloria.

802

00:59:22,708 —> 00:59:24,833

I'm disintegrating.

803

00:59:28,667 —> 00:59:30,246

[Joan] You're all of us, Mike.

804

00:59:30,250 —> 00:59:32,163

[Ben] Oh yes.

805

00:59:32,167 —> 00:59:33,958

[Joan] That's why you're the hero.

806

00:59:36,375 —> 00:59:38,454

[Ben] Human hero.

807

00:59:38,458 —> 00:59:40,246

[Joan] Nothing hero.

808

00:59:40,250 —> 00:59:41,667

[Ben] Nothing hero.

809

00:59:43,250 —> 00:59:44,833

[Joan] Let yourself go.

810

00:59:54,833 —> 00:59:56,708

[man] Come, my son.

811

00:59:57,208 —> 00:59:59,542

[footsteps receding]

812

01:00:05,542 —> 01:00:08,875

[Joan] <i>In your stories,

when you die, you don't really die.

813

01:00:10,333 —> 01:00:12,208

And when you love, you don't really love.

814

01:00:14,250 —> 01:00:16,250

[ominous, eccentric music playing]

815

01:00:20,875 —> 01:00:25,246

{\an8}[Joan] Cry! Oh, come on, cry! Real tears!

816

01:00:25,250 —> 01:00:27,204

[distorted] You're not really crying.

817

01:00:27,208 —> 01:00:29,288

[Joan, in normal voice] Cry! Cry better!

818

01:00:29,292 —> 01:00:32,538

Surrender, Octavius! Surrender!

819

01:00:32,542 —> 01:00:35,833

You think you're better than them?

Come on! Cry!

820

01:00:37,583 —> 01:00:40,079

It's a shame, Octavius.

Fact is, you're a piece of shit.

821

01:00:40,083 —> 01:00:43,204

You cheated on every woman

you've been with and never gave me kids.

822

01:00:43,208 —> 01:00:45,500

You run away from everything.

Who even are you?

823

01:00:56,250 —> 01:00:57,250

[Joan] What do you see?

824

01:01:06,958 —> 01:01:08,958

[shower running]

825

01:01:22,458 —> 01:01:24,704

When will you leave me?

826

01:01:24,708 —> 01:01:26,413

Let me go.

827

01:01:26,417 —> 01:01:27,250

Dad?

828

01:01:27,875 —> 01:01:28,875

Go.

829

01:01:30,792 —> 01:01:32,542

Choose your own path.

830

01:01:41,542 —> 01:01:42,792

[Joan] Don't you see?

831

01:01:43,625 —> 01:01:44,871

-[director] Cut!

-[music stops]

832

01:01:44,875 —> 01:01:46,292

[Joan] Look around you.

833

01:01:47,083 —> 01:01:49,204

Your world is fake.

834

01:01:49,208 —> 01:01:51,458

It's all fake.

835

01:01:51,958 —> 01:01:54,746

Only the fire is real.

836

01:01:54,750 —> 01:01:57,375

-[director] Action!

-[ominous, eccentric music continues]

837

01:02:00,833 —> 01:02:02,121

[distorted] Who are you?

838

01:02:02,125 —> 01:02:03,413

[in regular voice] Who are you?

839

01:02:03,417 —> 01:02:07,917

[crowd chanting]

Octavius! Octavius! Octavius!

840

01:02:15,875 —> 01:02:18,125

[Katie, gagging] Octa...

841

01:02:20,125 —> 01:02:22,542

[Joan] Octavius, Daughter Nature is dying.

842

01:02:23,125 —> 01:02:24,333

[both] Jump for us.

843

01:02:25,917 —> 01:02:27,833

[Joan] Only you can save the world.

844

01:02:28,583 —> 01:02:29,871

[young Joan] Jump, Mike.

845

01:02:29,875 —> 01:02:33,746

[Joan] Save the world.

Do it for all of us.

846

01:02:33,750 —> 01:02:35,746

[crowd continues chanting] Octavius!

847

01:02:35,750 —> 01:02:37,163

[director] Cut!

848

01:02:37,167 —> 01:02:39,663

[man] We love you, Mike! Come on, Mike!

849

01:02:39,667 —> 01:02:41,288

It's who you are.

850

01:02:41,292 —> 01:02:43,417

[crowd chanting] Mike! Mike! Mike!

851

01:02:45,958 —> 01:02:49,667

[Joan] The Earth is crying out,

calling your name.

852

01:02:51,750 —> 01:02:54,708

Wake up! Show us who you really are!

853

01:03:11,042 —> 01:03:14,496

You can do it, Mike! Please, jump!

This is your moment!

854

01:03:14,500 —> 01:03:16,954

Come on! Jump, you bald bitch!

855

01:03:16,958 —> 01:03:18,704

[Joan] Surrender, Octavius!

856

01:03:18,708 —> 01:03:20,246

[Ben] Jump, you pussy!

857

01:03:20,250 —> 01:03:21,996

[Joan] Do it for all of us!

858

01:03:22,000 —> 01:03:23,375

[Ben] Ah, come on! Jump!

859

01:03:23,958 —> 01:03:25,204

[Joan] Mike, come on! Jump!

860

01:03:25,208 —> 01:03:27,542

-Jump! Jump!

-Jump. Jump!

861

01:03:29,333 —> 01:03:31,542

[Joan, Ben chanting] Jump!

862

01:03:38,375 —> 01:03:40,829

Let yourself die!

863

01:03:40,833 —> 01:03:44,246

Jump now! Jump now!

864

01:03:44,250 —> 01:03:45,454

Jump!

865

01:03:45,458 —> 01:03:47,458

[shouting halts abruptly]

866

01:03:49,458 —> 01:03:51,333

[gentle birdsong]

867

01:03:55,125 —> 01:03:56,625

[rooster crowing]

868

01:04:05,958 —> 01:04:06,958

Dad?

869

01:04:11,667 —> 01:04:15,292

Mike Tyler? Good. Welcome back.

870

01:04:16,000 —> 01:04:18,000

[sighs]

871

01:04:21,667 —> 01:04:23,167

[Mike] Who are you?

872

01:04:23,792 —> 01:04:24,954

Where am I?

873

01:04:24,958 —> 01:04:26,250

You are safe.

874

01:04:27,042 —> 01:04:29,417

Please, join me in the kitchen.

875

01:05:13,042 —> 01:05:16,371

From our chickens outside.

876

01:05:16,375 —> 01:05:18,708

You must be ravenous.

877

01:05:19,292 —> 01:05:21,458

Eat. Please.

878

01:05:26,417 —> 01:05:27,413

You rescued me?

879

01:05:27,417 —> 01:05:31,788

Yes, I was tracking you

from the moment you left the mine.

880

01:05:31,792 —> 01:05:34,454

Those children are insane.

881

01:05:34,458 —> 01:05:38,454

Yeah, and they got

a whole belief system, really intricate.

882

01:05:38,458 —> 01:05:41,583

They created a barbaric folklore.

883

01:05:42,583 —> 01:05:47,246

And their mentor, you see,

was a brilliant scientist

884

01:05:47,250 —> 01:05:51,288

who devoted his life

to studying volcanoes.

885

01:05:51,292 —> 01:05:54,708

But true science, always science.

886

01:05:56,917 —> 01:05:58,208

[high-pitched whistle]

887

01:06:01,000 —> 01:06:03,454

Look at me in the eyes, Mike.

888

01:06:03,458 —> 01:06:08,121

Tomorrow, our volcano will blow,

killing most life on the planet.

889

01:06:08,125 —> 01:06:12,996

The world will be plunged

into an historic darkness.

890

01:06:13,000 —> 01:06:15,454

An extinction event.

891

01:06:15,458 —> 01:06:18,621

My daughter, Joan, thinks she can stop it.

892

01:06:18,625 —> 01:06:20,246

She's delusional.

893

01:06:20,250 —> 01:06:21,333

Wait a minute.

894

01:06:22,333 —> 01:06:24,163

Did you say Joan's your daughter?

895

01:06:24,167 —> 01:06:29,163
Yes. And like all false prophets,
she created myths

896
01:06:29,167 —> 01:06:33,496
to answer the questions
that science could not.

897
01:06:33,500 —> 01:06:39,621
Encouraged by my witch of a wife,
Joan concocted insane rules.

898
01:06:39,625 —> 01:06:45,746
And this notion that the parents must die
in order for the prophecy to be fulfilled?

899
01:06:45,750 —> 01:06:50,454
Well, I don't feel
it's necessary for me to die.

900
01:06:50,458 —> 01:06:52,288
Why should I?

901

01:06:52,292 —> 01:06:54,125

Where's the science?

902

01:06:58,167 —> 01:06:59,913

Wait, is this real?

903

01:06:59,917 —> 01:07:01,208

Am I...

904

01:07:02,375 —> 01:07:04,538

Mike, you're not hallucinating.

905

01:07:04,542 —> 01:07:09,704

I brought you here to prove to Joan

that you're not her hero.

906

01:07:09,708 —> 01:07:11,496

You are raw meat.

907

01:07:11,500 —> 01:07:15,788

I would advise you to stay here

where you'll be safe.

908

01:07:15,792 —> 01:07:17,792

-[distant thud]

-[muffled clamoring]

909

01:07:31,667 —> 01:07:33,329

[door opens]

910

01:07:33,333 —> 01:07:35,333

[enigmatic music playing]

911

01:07:39,250 —> 01:07:41,250

[ponderous, ominous music playing]

912

01:07:46,292 —> 01:07:47,292

[Ben] Hey!

913

01:07:47,917 —> 01:07:48,917

You fools!

914

01:07:50,083 —> 01:07:52,042

Joan and Mike, they ran.

915

01:07:53,042 —> 01:07:55,125

They got scared, they abandoned you.

916

01:07:56,250 —> 01:07:57,500

The mission's off.

917

01:08:00,542 —> 01:08:03,829

There was this freaky little girl, right?

Then there's a main lady,

918

01:08:03,833 —> 01:08:07,038

then her brother, who's tragically

in love with her or some shit.

919

01:08:07,042 —> 01:08:09,246

Oh God, he's probably dead now.

I hope he's okay.

920

01:08:09,250 —> 01:08:14,413

Anyway, so they're taking Mike Tyler

and Ben Bracken to a volcano, right?

921

01:08:14,417 —> 01:08:16,375

To, like, throw 'em in like a sacrifice.

922

01:08:17,458 —> 01:08:18,542

[beeps]

923

01:08:20,083 —> 01:08:21,621

[Gunnar] Close the door.

924

01:08:21,625 —> 01:08:22,792

[Mike] Joan!

925

01:08:23,292 —> 01:08:27,667

[Gunnar] Mike, please explain to her

that you are not her hero.

926

01:08:30,958 —> 01:08:34,454

I'm trying to save you from yourself.

927

01:08:34,458 —> 01:08:37,788

[Mike] Sir, can I please hear

what she has to say?

928

01:08:37,792 —> 01:08:38,917

[Gunnar] You sure?

929

01:08:44,333 —> 01:08:45,333

[Joan grunts]

930

01:08:48,375 —> 01:08:51,667

I told you the next time I saw you

would be to kill you.

931

01:08:53,583 —> 01:08:55,746

You abandoned our mission.

932

01:08:55,750 —> 01:08:58,788

You know you must die

for the volcano to accept our sacrifice.

933

01:08:58,792 —> 01:09:00,496

And don't tell me that you don't believe,

934

01:09:00,500 —> 01:09:03,625

because you did

until it became inconvenient for you.

935

01:09:04,667 —> 01:09:06,204

No, I didn't believe.

936

01:09:06,208 —> 01:09:08,163

-Yes, you did.

-No, I didn't!

937

01:09:08,167 —> 01:09:11,079

-Yes, you did!

-I am trying to save your life!

938

01:09:11,083 —> 01:09:12,083

Liar!

939

01:09:14,083 —> 01:09:15,038

I...

940

01:09:15,042 —> 01:09:17,542

Go outside, Mike. Tell me what you see.

941

01:09:32,542 —> 01:09:34,871

-So this is all...

-[Joan] Fake.

942

01:09:34,875 —> 01:09:37,246

No, it's a pretty forest.

943

01:09:37,250 —> 01:09:40,163

He shielded himself from the truth

with concrete and hydroponics.

944

01:09:40,167 —> 01:09:42,079

He's rejected nature.

945

01:09:42,083 —> 01:09:46,038

He left us, brainwashed our cousins,

and made them slaves to science.

946

01:09:46,042 —> 01:09:49,454

[Gunnar] No, I was trying

to bring all of you here to safety.

947

01:09:49,458 —> 01:09:51,746

This place is a masterpiece,

948

01:09:51,750 —> 01:09:55,246

capable of withstanding

the coming catastrophe.

949

01:09:55,250 —> 01:09:57,038

[Joan] Pointless! You made it out of fear.

950

01:09:57,042 —> 01:10:00,579

[Gunnar] No, I built it

out of love for my family.

951

01:10:00,583 —> 01:10:06,038

Wouldn't you rather have a nice toilet

than to shit in the woods with bears?

952

01:10:06,042 —> 01:10:08,413

The world will be reborn!

You never listen to me!

953

01:10:08,417 —> 01:10:09,958

Because you're an idiot!

954

01:10:11,708 —> 01:10:12,954

Can I go to the bathroom?

955

01:10:12,958 —> 01:10:14,125

-Yes!

-Yes!

956

01:10:15,083 —> 01:10:17,246

[Gunnar] It's through that door.

957

01:10:17,250 —> 01:10:20,746

And there are

some fresh clothes in there as well.

958

01:10:20,750 —> 01:10:22,042

[Mike] Thanks. Sorry.

959

01:10:27,167 —> 01:10:28,246

[Joan] You coward.

960

01:10:28,250 —> 01:10:32,458

Pathetic, sad old man.

961

01:10:38,583 —> 01:10:39,583

[goat bleats]

962

01:10:44,625 —> 01:10:45,750

[phone beeps]

963

01:10:49,750 —> 01:10:51,371

[ringing]

964

01:10:51,375 —> 01:10:52,746

[receptionist] Good morning, CAA.

965

01:10:52,750 —> 01:10:55,583

Oliver MacGregor's office.

Mike Tyler calling.

966

01:11:00,333 —> 01:11:01,788

[receptionist] I have Mike for you.

967

01:11:01,792 —> 01:11:03,579

Mike? Is this really you?

968

01:11:03,583 —> 01:11:05,413

Oliver! Thank God.

969

01:11:05,417 —> 01:11:06,663

Holy shit. Where are you?

970

01:11:06,667 —> 01:11:08,954

I dunno, some underground bunker

with a mad scientist.

971

01:11:08,958 —> 01:11:11,163

It's Joan's dad, so listen.

972

01:11:11,167 —> 01:11:13,329

Everybody's obsessed

with this fucking volcano.

973

01:11:13,333 —> 01:11:14,663

They say the world's gonna end.

974

01:11:14,667 —> 01:11:16,871

-But I think that's not what they mean.

-I have Mike!

975

01:11:16,875 —> 01:11:19,121

-Keep him on.

-So I got two offers on the table.

976

01:11:19,125 —> 01:11:22,288

One is to stay here where it's safe.

It's just not really heroic.

977

01:11:22,292 —> 01:11:25,288

It's a little boring.

Almost pointless, maybe.

978

01:11:25,292 —> 01:11:27,871

The other one,

I'd be following through on the Joan arc,

979

01:11:27,875 —> 01:11:31,329

which is actually really making sense

to me, but is a total leap of faith.

980

01:11:31,333 —> 01:11:33,913

-Does that make sense?

-Mike, are you in a safe place?

981

01:11:33,917 —> 01:11:34,996

Yeah. Yes, I'm safe.

982

01:11:35,000 —> 01:11:37,542

No one wants to push me. I'm fucking Zeus.

983

01:11:38,208 —> 01:11:39,621

I have to choose.

984

01:11:39,625 —> 01:11:42,246

Okay, listen.

You need to stay where you are,

985

01:11:42,250 —> 01:11:44,038

and we're gonna come get you, okay?

986

01:11:44,042 —> 01:11:45,538

You're not in danger?

987

01:11:45,542 —> 01:11:47,583

No. No, I'm not in danger.

988

01:11:48,708 —> 01:11:51,788

I'm the most not-in-danger person

in the world right now.

989

01:11:51,792 —> 01:11:52,704

What?

990

01:11:52,708 —> 01:11:54,496

They can't push me.

991

01:11:54,500 —> 01:11:56,458

I have to choose.

992

01:11:58,542 —> 01:11:59,542

Whoa.

993

01:12:01,458 —> 01:12:02,583

Can you hear me?

994

01:12:03,250 —> 01:12:05,704

Mike? Mike, what's happening?

995

01:12:05,708 —> 01:12:07,833

Only I

996

01:12:08,333 —> 01:12:10,875

can kill... me.

997

01:12:11,792 —> 01:12:14,038

Mike, listen. DK called.

998

01:12:14,042 —> 01:12:17,204

He loved your speech.

He wants you for the movie.

999

01:12:17,208 —> 01:12:20,121

You did it. Everyone loves you.

1000

01:12:20,125 —> 01:12:23,204

It's all over the news.

You're a fucking star.

1001

01:12:23,208 —> 01:12:24,788

There's serious money to be made.

1002

01:12:24,792 —> 01:12:27,538

You think I care about that now?

This isn't about money.

1003

01:12:27,542 —> 01:12:29,121

It's about something much bigger.

1004

01:12:29,125 —> 01:12:32,246

I feel like I'm on the verge of something

I'm supposed to be doing,

1005

01:12:32,250 —> 01:12:33,788

and it's fucking scary.

1006

01:12:33,792 —> 01:12:36,871

What? Look,

I just don't want you to get hurt.

1007

01:12:36,875 —> 01:12:38,667

Yeah, I don't want to get hurt.

1008

01:12:40,500 —> 01:12:42,250

I don't want to get hurt.

1009

01:12:43,042 —> 01:12:45,746

Come home. You gotta come home.

1010

01:12:45,750 —> 01:12:46,750

Okay.

1011

01:12:48,125 —> 01:12:49,125

Okay.

1012

01:12:50,000 —> 01:12:51,667

Here's what we're gonna do. Ready?

1013

01:12:52,292 —> 01:12:53,246

Can you hear me?

1014

01:12:53,250 —> 01:12:55,663
I'm gonna get to the edge,
right to the edge,

1015
01:12:55,667 —> 01:12:57,163
then you're gonna save me.

1016
01:12:57,167 —> 01:12:59,621
Get a helicopter,
then right at the last minute,

1017
01:12:59,625 —> 01:13:01,121
you swoop in and save us.

1018
01:13:01,125 —> 01:13:03,079
But you gotta get that image.
That image matters,

1019
01:13:03,083 —> 01:13:04,496
so everyone can see it,

1020
01:13:04,500 —> 01:13:08,121
Joan will think it's real,

and that can be who I am,

1021

01:13:08,125 —> 01:13:09,746

and that'll be enough.

1022

01:13:09,750 —> 01:13:11,413

Mike, listen to me.

1023

01:13:11,417 —> 01:13:13,579

Those are not your people.

1024

01:13:13,583 —> 01:13:15,163

All right? I'm your people.

1025

01:13:15,167 —> 01:13:17,829

-You're not hearing me.

-No, you're not hearing me.

1026

01:13:17,833 —> 01:13:19,954

You're my fucking agent. Do your job.

1027

01:13:19,958 —> 01:13:21,329

I'll see you at the volcano.

1028

01:13:21,333 —> 01:13:23,038

Which volcano? There are dozens.

1029

01:13:23,042 —> 01:13:25,413

I don't know. I don't know.

The one that's about to blow.

1030

01:13:25,417 —> 01:13:26,458

Figure it out.

1031

01:13:27,125 —> 01:13:30,000

[in Greek] Come on, lads.

Let's go, let's go!

1032

01:13:43,500 —> 01:13:46,913

[Joan in English] I know you still believe
