you'll discuss it...

182

00:09:28,484 --> 00:09:31,450

with your former partner,

Dr. Hamsterviel.

183

00:09:31,491 --> 00:09:34,172

Hamsterviel is alive?

184

00:09:34,209 --> 00:09:37,241

And he wants

his experiments back.

185

00:09:39,742 --> 00:09:41,497

PLEAKLEY: Jumba?

186

00:09:41,533 --> 00:09:42,841

Help?

187

00:09:42,876 --> 00:09:44,784

[SPACESHIP ENGINE REVS]

188

00:09:45,755 --> 00:09:47,662

[BOOM]

189

00:09:49,912 --> 00:09:52,049

He's taking Jumba!

190

00:09:52,087 --> 00:09:54,420

Ookata Jumba.

191

00:09:56,403 --> 00:09:57,613

[CRASH] What?

192

00:09:57,651 --> 00:10:00,300

[STRAINING]

193

00:10:06,222 --> 00:10:07,301

No!

194

00:10:07,340 --> 00:10:09,030

[BOOM]

195

00:10:11,946 --> 00:10:14,727

[COUGHS]

196

00:10:14,761 --> 00:10:15,840

[GASPS] Jumba!

197

00:10:15,879 --> 00:10:17,788

[BOOM]

198

00:10:19,558 --> 00:10:21,826

What are we going to do?

199

00:10:23,396 --> 00:10:24,955

Where are you going?

200

00:10:27,330 --> 00:10:28,758

Wait up!

201

00:10:33,086 --> 00:10:35,451

LILO:

Jumba and Pleakley's ship.

202

00:10:35,484 --> 00:10:37,523

[ELECTRICITY CRACKLES]

203

00:10:37,563 --> 00:10:39,351

Don't we need the keys?

204

00:10:39,386 --> 00:10:41,840

Kanjijibe. Zz-zzz.

205

00:10:41,880 --> 00:10:43,123

[ENGINE STARTS]

206

00:10:44,758 --> 00:10:46,001

Ha ha ha!

207

00:10:46,038 --> 00:10:47,760

[REVVING]

208

00:10:47,796 --> 00:10:49,683

[DRAMATIC MUSIC PLAYING]

209

00:10:52,307 --> 00:10:53,832

[BOOM]

210

00:10:53,874 --> 00:10:55,782

[HORN PLAYS LA CUCHARACHA]

211

00:10:57,359 --> 00:11:01,218

Thanks for the...

Well, I guess it was a date.

212

00:11:01,261 --> 00:11:03,878

- Was it?

- We split the bill.

213

00:11:03,915 --> 00:11:06,019

Yeah, but I paid the tip.

214

00:11:06,058 --> 00:11:09,439

David, I'm not ready

for a real date yet.

215

00:11:09,480 --> 00:11:12,064

Things are still

kind of lolo around here.

216

00:11:12,102 --> 00:11:15,134

Come on. How bad can it be?

217

00:11:15,173 --> 00:11:16,349

Oh, no.

218

00:11:16,388 --> 00:11:17,631

[THUNDER]

219

00:11:21,761 --> 00:11:22,905

Lilo?

220

00:11:24,383 --> 00:11:26,487

- Lilo!

- Anybody here?

221

00:11:26,525 --> 00:11:27,768

Lilo!

222

00:11:28,956 --> 00:11:31,802

- No sign of her.

- Or Stitch or those other two.

223

00:11:31,834 --> 00:11:34,167

You stay here

in case anybody comes back.

224

00:11:34,201 --> 00:11:35,760

I'm going to go into town

to look for them.

225

00:11:35,801 --> 00:11:37,294

I'm sure it's OK.

226

00:11:37,335 --> 00:11:40,016

She's probably just hanging out

with her new friends.

227

00:11:40,053 --> 00:11:42,321

LILO: Whoo-hoo!

228

00:11:42,356 --> 00:11:43,599

[WHOOSH]

229

00:11:46,002 --> 00:11:48,423

- Do it again.

- Ha! Jumba.

230

00:11:48,465 --> 00:11:50,918

[WHOOSHING]

231

00:11:50,958 --> 00:11:52,867

[WHIRRING]

232

00:11:54,796 --> 00:11:56,868

Computer,

lock hyperdrive coordinates on...

233

00:11:56,908 --> 00:11:58,117

[BOOM] Huh?

234

00:11:58,155 --> 00:11:59,560

Ha ha!

235

00:12:03,816 --> 00:12:06,334

Hey! Whoa!

236

00:12:06,373 --> 00:12:09,687

626, please to be sharper

with the shooting.

237

00:12:10,979 --> 00:12:12,188

[BOOM]

238

00:12:12,226 --> 00:12:14,494

Ha! Right up his after-burner.

239

00:12:14,529 --> 00:12:18,388

- Damage?

- Engine one, 75% capacity.

240

00:12:18,430 --> 00:12:20,817

[BOOM] 50% capacity.

241

00:12:20,861 --> 00:12:22,965

Ah ha ha ha ha!

242

00:12:23,004 --> 00:12:25,457

You had coffee today,

didn't you?

243

00:12:25,497 --> 00:12:27,601

Coconut cake and coffee.

244

00:12:27,641 --> 00:12:28,720

Activate boosters.

245

00:12:28,761 --> 00:12:31,060

[BOOM BOOM]

246

00:12:31,095 --> 00:12:32,882

That way! That way!

247

00:12:32,918 --> 00:12:34,095

[WHOOSH]

248

00:12:34,132 --> 00:12:37,033

Reroute engine power to

rear cannon and lock on target.

249

00:12:37,075 --> 00:12:39,375

[WHIRRING]

250

00:12:39,409 --> 00:12:41,710

[BEEPING]

251

00:12:41,744 --> 00:12:43,053

COMPUTER: Target locked.

252

00:12:43,087 --> 00:12:44,232

Fire.

253

00:12:46,605 --> 00:12:48,970

- Good steering.

- Mahalo.

254

00:12:49,004 --> 00:12:50,083

[BOOM]

255

00:12:50,123 --> 00:12:51,203

- Aggataka!

- Aah!

256

00:12:51,243 --> 00:12:53,729

[ELECTRICITY CRACKLES]

257

00:12:53,769 --> 00:12:55,710

[WHOOSH]

258

00:12:55,751 --> 00:12:57,758

Heh heh heh heh.

259

00:12:57,799 --> 00:12:59,903

We're losing all our power!

260

00:12:59,941 --> 00:13:01,762

My turn this time.

261

00:13:01,797 --> 00:13:04,031

COMPUTER:

Hyperdrive activated.

262

00:13:07,776 --> 00:13:09,466

Jumba?

263

00:13:09,503 --> 00:13:11,193

[WHOOSHING]

264

00:13:11,231 --> 00:13:15,025

- Waaaah!

- Aaah!

265

00:13:20,505 --> 00:13:22,413

[ELECTRICITY CRACKLING]

266

00:13:27,860 --> 00:13:29,266

[THUNDER]

267

00:13:29,300 --> 00:13:30,477

[CRASH]

268

00:13:30,515 --> 00:13:31,725

[METAL CREAKS]

269

00:13:36,784 --> 00:13:38,855

LILO: I think we're out of gas.

270

00:13:38,894 --> 00:13:41,096

STITCH: Eh.

271

00:13:41,133 --> 00:13:42,343

MAN ON TV: This is

an emergency announcement...

272

00:13:42,379 --> 00:13:43,656

from Earth Central Command.

273

00:13:43,691 --> 00:13:45,730

Aliens from outer space

have invaded Earth...

274

00:13:45,771 --> 00:13:47,808

and are kidnapping our most

brilliant scientists...

275

00:13:47,849 --> 00:13:49,757

for unknown purposes.

276

00:13:50,759 --> 00:13:53,277

Lilo, I knew you were OK.

277

00:13:53,317 --> 00:13:55,771

Hey, you're missing

our favorite movie.

278

00:13:55,812 --> 00:13:57,720

[SPLASHES]

279

00:13:59,042 --> 00:14:02,139
Does Nani know I was out
past my bedtime?

280
00:14:02,176 --> 00:14:04,477
Yeah.
She's out looking for you.

281
00:14:04,511 --> 00:14:08,186
[SIGHS]
Jumba was kidnapped by Gantu.

282
00:14:08,220 --> 00:14:10,227
- The big dummy?
- Yep.

283
00:14:10,268 --> 00:14:12,851
Aw, you and Stitch
can handle him.

284
00:14:12,890 --> 00:14:16,183
Hey, where'd Stitch go?

285

00:14:18,486 --> 00:14:19,860

Stitch?

286

00:14:22,420 --> 00:14:23,793

Stitch?

287

00:14:23,827 --> 00:14:25,735

[RATTLING]

288

00:14:28,240 --> 00:14:29,733

Pleakley.

289

00:14:30,863 --> 00:14:32,291

[GASPING]

290

00:14:32,334 --> 00:14:33,926

Oh, gosh. Oh, my.

291

00:14:33,965 --> 00:14:36,003

Breathing first, talking second.

292

00:14:36,044 --> 00:14:38,889

[INHALES LOUDLY]

293

00:14:38,922 --> 00:14:42,498

I'm ready now! Jumba!

Gantu kidnapped Jumba!

294

00:14:42,536 --> 00:14:45,796

- I know.

- He was after this.

295

00:14:45,829 --> 00:14:46,974

Hey!

296

00:14:49,796 --> 00:14:51,201

[DRAMATIC MUSIC PLAYING]

297

00:14:51,234 --> 00:14:53,055

Ooh. [JABBERS]

298

00:14:53,090 --> 00:14:55,096

[BEEPING]

299

00:14:55,136 --> 00:14:58,167

COMPUTER: Container ready.

Select experiment.

300

00:14:58,206 --> 00:14:59,798

What is it?

301

00:14:59,837 --> 00:15:01,015

[ELECTRICITY CRACKLES]

302

00:15:01,053 --> 00:15:03,353

It's some of

Jumba's evil science.

303

00:15:03,387 --> 00:15:05,590

[WHOOSH]

304

00:15:08,344 --> 00:15:10,132

[ELECTRICITY CRACKLING]

305

00:15:10,166 --> 00:15:12,467

Ohh. [JABBERS]

306

00:15:13,812 --> 00:15:15,916

Look at that.

307

00:15:15,956 --> 00:15:18,638

PLEAKLEY: It's more

illegal genetic experiments!

308

00:15:18,675 --> 00:15:20,909

You mean there are more

besides Stitch?

309

00:15:20,944 --> 00:15:23,332

Well, Stitch is number 626.

310

00:15:23,376 --> 00:15:26,690

These must be the other 625!

311

00:15:26,733 --> 00:15:28,390

They don't look like him.

312

00:15:28,428 --> 00:15:31,328

They've obviously been

dehydrated for transport.

313

00:15:31,371 --> 00:15:32,799

How do they work?

314

00:15:32,841 --> 00:15:34,945

Well, I'm no evil genius...

315

00:15:34,984 --> 00:15:37,438

but I'd say

if any of these pods get wet...

316

00:15:37,479 --> 00:15:39,169

they would

instantly rehydrate...

317

00:15:39,206 --> 00:15:42,716

into one of the 625 prototype

Stitch experiments...

318

00:15:42,756 --> 00:15:45,568

each with its own unique and

highly destructive capability!

319

00:15:45,602 --> 00:15:47,641

But I'm just guessing.

320

00:15:47,681 --> 00:15:51,094

With more Stitches,

I bet we could rescue Jumba.

321

00:15:51,134 --> 00:15:53,688

We could activate one

and go back into space...

322

00:15:53,728 --> 00:15:55,866

Hold it! Hold everything!

323

00:15:55,904 --> 00:15:59,614

These experiments are highly

unstable and very dangerous.

324

00:15:59,649 --> 00:16:01,656

We're gonna

keep these locked up...

325

00:16:01,696 --> 00:16:02,841

[DRILL WHIRS]

326

00:16:02,880 --> 00:16:04,408

[HAMMER BANGS]

327

00:16:04,449 --> 00:16:06,686

...safe and dry.

328

00:16:06,721 --> 00:16:08,216

[ALARM CHIRPS]

329

00:16:08,257 --> 00:16:11,902

And as for you two,

you must never... repeat, never...

330

00:16:11,937 --> 00:16:13,399

open that container.

331

00:16:13,442 --> 00:16:15,265

If those pods were to get wet...

332

00:16:15,299 --> 00:16:18,463

it could create mass mayhem

and planet-wide panic!

333

00:16:18,499 --> 00:16:19,645

Got it?

334

00:16:19,683 --> 00:16:21,723

- Got it.

- Smish!

335

00:16:25,444 --> 00:16:27,332

[DOOR OPENS AND CLOSES]

336

00:16:27,364 --> 00:16:30,977

David, I looked everywhere.

Have you heard anything?

337

00:16:31,013 --> 00:16:33,380

They're fine, Nani.

They're playing upstairs.

338

00:16:33,413 --> 00:16:35,869

Hey, you know,

I'm gonna get you a cell phone.

339

00:16:36,999 --> 00:16:40,196

Lilo!

Thank goodness you're OK.

340

00:16:40,231 --> 00:16:43,744

Uhh! Stop it!

You're hugging me to death!

341

00:16:43,783 --> 00:16:46,631

Where were you? What happened?

342

00:16:46,664 --> 00:16:50,309

Captain Gantu came back

and kidnapped Jumba...

343

00:16:50,344 --> 00:16:52,352

so me and Stitch

hot-wired the spaceship...

344

00:16:52,393 --> 00:16:54,368
and we chased 'em
into outer space...

345
00:16:54,410 --> 00:16:56,384
which was really cool,
but then...

346
00:16:56,425 --> 00:16:59,426
Wait, wait, wait. While
David and I went to dinner...

347
00:16:59,467 --> 00:17:01,833
you went to outer space?

348
00:17:01,866 --> 00:17:04,070
I'm not finished.

349
00:17:04,106 --> 00:17:05,416
Sorry.

350
00:17:05,452 --> 00:17:08,583
So, Gantu got away,

and we ran out of power.

351

00:17:08,619 --> 00:17:10,376

And then Stitch saved

the ship...

352

00:17:10,412 --> 00:17:11,819

and then we came home...

353

00:17:11,852 --> 00:17:14,820

and then you came home and

tried to hug me to death.

354

00:17:14,861 --> 00:17:17,250

Now I'm finished.

355

00:17:17,293 --> 00:17:20,228

I thought you said

I had nothing to worry about.

356

00:17:20,270 --> 00:17:21,895

I was locked in a footlocker.

357

00:17:21,933 --> 00:17:24,170

And why are you wearing

my favorite T-shirt?

358

00:17:24,205 --> 00:17:25,767

It's not even your color.

359

00:17:25,807 --> 00:17:28,076

What are we gonna do

about Jumba?

360

00:17:28,111 --> 00:17:32,235

What am I, an astronaut?

He was abducted by aliens, Lilo.

361

00:17:32,272 --> 00:17:34,662

We can't just forget about him.

362

00:17:34,705 --> 00:17:37,519

He's part of our ohana.

363

- Is Jumba there?

542

00:27:25,140 --> 00:27:27,529

This is he him speaking.

543

00:27:27,572 --> 00:27:29,460

Jumba!

544

00:27:29,493 --> 00:27:30,573

It's Jumba!

545

00:27:30,613 --> 00:27:31,823

Pleakley!

546

00:27:31,861 --> 00:27:33,771

How did you get number for

Gantu's detention cell?

547

00:27:33,813 --> 00:27:37,326

I just called the number listed

here..."Detention cell phone."

548

00:27:37,365 --> 00:27:41,774

Ohh! Cell phone!

I get it. Heh heh heh!

549

00:27:41,814 --> 00:27:43,376

There must be some way...

550

00:27:43,415 --> 00:27:46,513

to make that morally bankrupt

scientist talk!

551

00:27:46,551 --> 00:27:48,624

I think I'm gonna make

a sandwich.

552

00:27:48,664 --> 00:27:50,289

Gantu, how about a sandwich?

553

00:27:50,327 --> 00:27:52,531

I don't want a sandwich!

554

00:27:52,568 --> 00:27:55,122

You sure?

Last of the bologna.

555

00:27:55,161 --> 00:27:58,161

I don't like bologna!

Too fatty.

556

00:27:58,201 --> 00:27:59,511

[ALARMS SOUND]

557

00:27:59,546 --> 00:28:01,934

COMPUTER: Unauthorized

communication intercepted.

558

00:28:01,978 --> 00:28:03,767

Detention cell two.

559

00:28:05,211 --> 00:28:07,218

So, then monkey says to rabbi...

560

00:28:07,258 --> 00:28:08,633

GANTU: What's going on here?

561

00:28:08,668 --> 00:28:11,668

Excuse me.

Interrupting punch line.

562

00:28:11,707 --> 00:28:13,201

- Sorry.

- Stop apologizing!

563

00:28:13,243 --> 00:28:14,389

Sorry.

564

00:28:15,868 --> 00:28:16,948

Give me that!

565

00:28:16,988 --> 00:28:20,055

Now listen to me,

you caller of Jumba, you.

566

00:28:20,093 --> 00:28:22,459

Yes? Yes?

567

00:28:22,493 --> 00:28:24,054

[WHISPERING]

It's the kidnapper.

568

00:28:24,094 --> 00:28:26,712

OK. Uh-huh. Mm-hmm.

569

00:28:26,750 --> 00:28:28,441

Good. Fine.

570

00:28:28,478 --> 00:28:30,072

What's he saying?

571

00:28:30,110 --> 00:28:32,598

He says he wants

all 624 other experiments...

572

00:28:32,638 --> 00:28:36,698

as a ransom,

or we'll never see Jumba alive!

573

00:28:36,735 --> 00:28:38,623

Wait for my phone call.

574

00:28:38,655 --> 00:28:41,504

I will then tell you

the ransom exchange location...

575

00:28:41,536 --> 00:28:44,571

and call you

many nasty names! Ha ha!

576

00:28:44,609 --> 00:28:46,136

Hang that up!

577

00:28:47,393 --> 00:28:50,045

- No, slam it!

- Oh, sorry.

578

00:28:51,426 --> 00:28:52,800

Heh.

579

00:28:52,834 --> 00:28:54,940

What are we gonna do?

580

00:28:54,979 --> 00:28:57,532

What are we gonna do?!

581

00:28:59,620 --> 00:29:02,489

[ROOSTER CROWS]

582

00:29:06,661 --> 00:29:08,570

[KNOCK ON DOOR]

583

00:29:12,390 --> 00:29:13,917

You called.

584

00:29:13,958 --> 00:29:16,926

- Cobra. How are you?

- Sleepy.

585

00:29:16,966 --> 00:29:18,722

Oh. Sorry.

586

00:29:18,759 --> 00:29:20,963

Cobra! Thank goodness.

587

00:29:20,999 --> 00:29:22,854

It's terrible. Just terrible!

588

00:29:22,887 --> 00:29:24,382

- Jumba's been...

- Kidnapped.

589

00:29:24,424 --> 00:29:26,311

- That's right. By...

- Dr. Hamsterviel.

590

00:29:26,344 --> 00:29:27,904

- And he's demanding a...

- Ransom.

591

00:29:27,944 --> 00:29:29,669

- Of the...

- Other experiments.

592

00:29:29,705 --> 00:29:31,974

You're good.

593

00:29:34,057 --> 00:29:35,913

How do you know all that stuff?

594

00:29:35,945 --> 00:29:39,524

Information is power.

And I like power.

595

00:29:39,563 --> 00:29:40,839

What do you think we should do?

596

00:29:40,875 --> 00:29:42,631

Wait for Hamsterviel's

next call.

597

00:29:42,666 --> 00:29:44,260

Once we have

the rendezvous location...

598

00:29:44,299 --> 00:29:45,641

Pleakley and I will exchange...

599

00:29:45,676 --> 00:29:47,366

all the remaining experiments

for Jumba.

600

00:29:47,404 --> 00:29:49,892

From there, we follow

the governmental procedure.

601

00:29:49,933 --> 00:29:52,234

And what's

the governmental procedure?

602

00:29:52,268 --> 00:29:54,636

[NECK CRACKS]

603

00:29:56,173 --> 00:29:58,791

Classified. Right.

604

00:29:58,829 --> 00:30:01,197

This is now

an intergalactic incident.

605

00:30:01,230 --> 00:30:02,888

You are to take

no further action...

606

00:30:02,926 --> 00:30:04,815
other than
what I have indicated.

607
00:30:04,847 --> 00:30:07,433
Is that clear, Lilo?

608
00:30:07,471 --> 00:30:11,050
Yep. Me and Stitch
are gonna go out and play.

609
00:30:11,088 --> 00:30:13,193
And not take further action.

610
00:30:14,993 --> 00:30:16,967
No action.

611
00:30:17,009 --> 00:30:19,530
That kidnapper
wants all the experiments.

612
00:30:19,569 --> 00:30:22,122
We've got to find the sparky

little electrical one...

613

00:30:22,161 --> 00:30:24,715

we lost or no Jumba.

614

00:30:24,755 --> 00:30:28,464

We've gotta search

the entire island.

615

00:30:28,499 --> 00:30:30,572

[CAR DOOR OPENS]

Stitch?

616

00:30:31,571 --> 00:30:32,880

[ELECTRICITY CRACKLING]

617

00:30:32,915 --> 00:30:34,803

[ENGINE STARTS]

618

00:30:34,836 --> 00:30:38,414

Kanjijibe. Zz-zzz! Ha ha!

619

00:30:38,452 --> 00:30:40,558

[PETER GUNN THEME PLAYING]

620

00:31:24,893 --> 00:31:26,038

[CROAKS]

621

00:31:35,678 --> 00:31:36,888

[HONK]

622

00:31:38,846 --> 00:31:39,959

[CLICK]

623

00:31:54,657 --> 00:31:56,000

[ELECTRICITY CRACKLING]

624

00:31:56,033 --> 00:31:58,367

[LAUGHING]

625

00:32:02,210 --> 00:32:03,639

[ALL SCREAM]

626

00:32:03,682 --> 00:32:06,978

- What's that?!

- Look out!

627

00:32:07,011 --> 00:32:10,307

I'm thinking... he's this way.

628

00:32:13,252 --> 00:32:15,140

LILO: This looks promising.

629

00:32:15,172 --> 00:32:17,345

[ELECTRICITY CRACKLING]

630

00:32:19,237 --> 00:32:21,343

Hmm? Ikata!

631

00:32:22,438 --> 00:32:24,674

[POP POP POP POP POP]

632

00:32:24,710 --> 00:32:28,027

Don't lose him! I'll find

something to catch him in.

633

00:32:28,070 --> 00:32:29,347

[GRUNTING]

634

00:32:35,816 --> 00:32:37,889

Meega nala kweesta!

635

00:32:37,928 --> 00:32:40,711

[GASPS] Eh. [GROWLS]

636

00:32:43,849 --> 00:32:45,508

[BOTH GROWLING]

637

00:32:47,850 --> 00:32:49,344

Grab him, Stitch!

638

00:32:49,386 --> 00:32:52,868

- Huh? Aah!

- Aah! Ohh!

639

00:32:52,907 --> 00:32:54,914

Ehh. Whoa!

640

00:32:54,954 --> 00:32:57,955

- Uhh!

- Aaaah!

641

00:32:57,995 --> 00:33:00,003

- Uhh!

- Got him!

642

00:33:00,044 --> 00:33:01,703

[GROWLING]

643

00:33:01,740 --> 00:33:04,261

Aaaah!

644

00:33:04,300 --> 00:33:08,938

Aw, isn't he cute?

He's got your smile.

645

00:33:08,973 --> 00:33:10,402

[SNARLING]

646

00:33:17,871 --> 00:33:19,758

[SNARLS]

647

00:33:32,882 --> 00:33:34,736

[SNARLS]

648

00:33:37,939 --> 00:33:40,874

Ohh. Cousin!

649

00:33:43,860 --> 00:33:45,682

I've been working on your chart.

650

00:33:45,715 --> 00:33:50,189

As you can see, it's not

nearly as bad as Stitch's was.

651

00:33:51,381 --> 00:33:54,098

Too bad

we have to give you away.

652

00:33:54,133 --> 00:33:56,305

- No!

- What do you mean, no?

653

00:33:56,342 --> 00:34:00,782

- We gotta get Jumba back.

- Cousin. Ohana.

654

00:34:04,342 --> 00:34:07,409

You know what? You're right.

655

00:34:07,448 --> 00:34:12,151

It's like I said...

we're all one big happy family.

656

00:34:12,217 --> 00:34:13,232

[RING]

657

00:34:13,304 --> 00:34:15,028

PLEAKLEY:

It's the call! The call!

658

00:34:15,064 --> 00:34:17,204

I'll get it! I'll get it!

Oof! [THUD]

659

00:34:17,241 --> 00:34:19,794

[RING] Uhh.

660

00:34:19,833 --> 00:34:23,511

Be calm. Get the rendezvous

information, then hang up.

661

00:34:23,546 --> 00:34:27,060

Calm, rendezvous, hang up.

Here I go.

662

00:34:27,099 --> 00:34:28,441

Hello-o-o?

663

00:34:28,475 --> 00:34:30,068

WOMAN:

Hello, Mr. Ple-akley.

664

00:34:30,107 --> 00:34:32,497

Hi, this is the "New You

Wonder Girdle Company"...

665

00:34:32,539 --> 00:34:33,968

calling regarding your order.

666

00:34:34,012 --> 00:34:36,729

Oh! Wrong number. Girdle?

667

00:34:36,765 --> 00:34:38,107

I wouldn't need a girdle

for my disguise...

668

00:34:38,141 --> 00:34:39,515

because it's an undergarment.

669

00:34:39,549 --> 00:34:42,168

Why would I use a girdle?

[TELEPHONE RINGS]

670

00:34:42,205 --> 00:34:44,245

- I didn't order anything!

- What?!

671

00:34:44,286 --> 00:34:47,516

Oh. Hello, how are you?

It's Hamsterwheel.

672

00:34:47,550 --> 00:34:49,689

Hamsterviel! Hamsterviel!

673

00:34:49,726 --> 00:34:52,182

The lighthouse in 10 minutes,

and don't be late.

674

00:34:52,223 --> 00:34:53,401

That's what he said.

675

00:34:53,439 --> 00:34:54,781

[ENGINE WON'T START]

676

00:34:54,816 --> 00:34:56,759

[ELECTRICITY CRACKLES]

677

00:34:56,800 --> 00:34:59,255

This is an unfortunate

complication.

678

00:34:59,296 --> 00:35:02,297

I know. We can take

the ridiculous Earth vehicle.

679

00:35:09,281 --> 00:35:11,037

Where's Pleakley and Cobra?

680

00:35:11,074 --> 00:35:12,962

They went to the lighthouse

to get Jumba back.

681

00:35:12,995 --> 00:35:14,882

- But...

- I've got to go to work.

682

00:35:14,915 --> 00:35:16,224

- But...

- No more buts.

683

00:35:16,258 --> 00:35:18,976

[KISSES] Just stay here.

684

00:35:19,012 --> 00:35:20,921

[ENGINE STARTS]

685

00:35:26,180 --> 00:35:27,261

[ELECTRICITY CRACKLES]

686

00:35:27,301 --> 00:35:29,211

[CAR ENGINE STARTS]

687

00:35:31,461 --> 00:35:33,371

[WATER SPLASHING]

688

00:35:38,182 --> 00:35:40,092

[BIRDS CHIRPING]

689

00:35:43,208 --> 00:35:46,306

What a stunning example

of Earth architecture.

690

00:35:46,344 --> 00:35:49,028

Why isn't the big light

all flashy spinny aroundy?

691

00:35:49,064 --> 00:35:52,546

The beacon hasn't been lit

for years... too costly.

692

00:35:55,850 --> 00:35:57,760

[FINGERS TAPPING]

693

00:36:04,747 --> 00:36:06,887

Hamsterviel

should be here by now.

694

00:36:06,924 --> 00:36:09,412

[BOOM]

695

00:36:09,452 --> 00:36:11,362

[DRAMATIC MUSIC PLAYING]

696

00:36:27,215 --> 00:36:28,841

That's Hamsterwheel?

697

00:36:28,879 --> 00:36:30,952

He sounded much bigger

on the phone.

698

00:36:30,991 --> 00:36:34,374
Stop talking about me,
you gossipy pea-brains.

699
00:36:34,417 --> 00:36:35,823
Do you have the ransom?

700
00:36:35,856 --> 00:36:38,792
Do you have Jumba?
That's my question to you, sir.

701
00:36:38,833 --> 00:36:42,543
Bring out the four-eyed fathead!

702
00:36:44,818 --> 00:36:47,121
Jumba, you're OK!

703
00:36:47,155 --> 00:36:48,846
Enough with your teary reunion.

704
00:36:48,882 --> 00:36:50,857
Commence with the giving me
all the experiments.

705

00:36:50,898 --> 00:36:52,809

[DRAMATIC MUSIC PLAYING]

706

00:37:00,756 --> 00:37:04,139

COMPUTER: 623 experiments

logged and functional.

707

00:37:04,182 --> 00:37:08,077

623? There's one missing.

708

00:37:08,118 --> 00:37:10,060

Code yellow. Delay movement.

709

00:37:10,102 --> 00:37:13,266

My ransom demand

was for all the experiments.

710

00:37:13,303 --> 00:37:16,150

You are trying to pull

a sneaky thing.

711

00:37:16,183 --> 00:37:20,078

Ha ha! What is one tiny

experiment between old partners?

712

00:37:20,120 --> 00:37:22,870

Quiet.

I am blaming you for this.

713

00:37:22,905 --> 00:37:26,221

- Dispose of him.

- Gladly.

714

00:37:26,265 --> 00:37:28,121

No! He's allergic

to plasma blasts.

715

00:37:28,153 --> 00:37:30,063

Listen to him. Is true.

716

00:37:30,106 --> 00:37:32,244

[ECHOES] Wait!

717

00:37:34,043 --> 00:37:36,409

I've got the missing experiment.

718

00:37:36,442 --> 00:37:38,330

What? Who is this?

719
