Dialogues from The Secret Life of Bees to improve the vocabulary in English

1

00:01:04,773 –> 00:01:07,191

Deborah?

2

00:01:07,317 –> 00:01:09,359

Where you been?

I'm sorry. I'm sorry, T.

3

00:01:09,486 –> 00:01:11,361

Are you cheating on me?

No, no! I'm not cheating on you.

4

00:01:11,488 –> 00:01:13,947

What— Stop it!

What are you doing?

5

00:01:14,074 –> 00:01:16,033

T.! Stop it!

You ain't leaving me!

6

00:01:16,159 —> 00:01:19,119

Who is it?

Nobody! It's you! I hate you!

7

00:01:19,204 —> 00:01:22,247

T. Ray, just let me go!

8

00:01:22,332 —> 00:01:25,417

- No!

9

00:01:25,502 —> 00:01:28,045

T. Ray, damn it! Get off me!

10

00:01:28,129 —> 00:01:29,797

Lily!

11

00:01:37,722 —> 00:01:41,100

I killed my mother when I was four years old.

12

00:01:41,184 —> 00:01:43,936

That's what I knew about myself.

13

00:01:44,020 —> 00:01:46,897

She was all I wanted,

and I took her away.

14

00:01:48,191 —> 00:01:50,109

Nothin' else much mattered.

15

00:02:38,491 —> 00:02:39,992

T. Ray!

What?

16

00:02:40,076 —> 00:02:42,202

There's bees in my room!

Hundreds of 'em! You've gotta see!

17

00:02:42,328 —> 00:02:44,830

What is it? Jesus Christ, Lily.

They're in my room! Come see.

18

00:02:44,914 —> 00:02:46,915

What?

19

00:02:57,969 —> 00:02:59,887

Goddamn it, Lily.

This ain't funny.

20

00:02:59,971 —> 00:03:02,389

But they were here.

They were flyin' everywhere.

21

00:03:02,473 —> 00:03:04,850

You wake me again,

I'm gonna get out the grits.

22

00:03:04,934 —> 00:03:06,935

You hear me?

23

00:03:09,772 —> 00:03:11,773

Goddamn it.

24

00:03:24,245 —> 00:03:26,830

The bees came the summer of '64—

25

00:03:26,915 —> 00:03:31,793

The summer I turned 14 and my whole life

went spinnin' off into a whole new orbit.

26

00:03:31,878 —> 00:03:35,714

Lookin' back on it,

I wanna say they were sent to me.

27

00:03:35,798 —> 00:03:40,260

I wanna say they showed up like the

angel Gabriel appearing to the Virgin Mary.

28

00:03:40,345 —> 00:03:42,679

I know it's forward to compare

my small life to hers,

29

00:03:42,764 —> 00:03:48,018

but I have good reason to believe

she wouldn't mind.

30

00:04:14,003 —> 00:04:17,506

So, um, my birthday is tomorrow.

31

00:04:17,632 —> 00:04:20,258

Most girls want...

32

00:04:20,343 —> 00:04:25,472

one of them little silver charm bracelets

they have down at the mercantile.

33

00:04:27,183 —> 00:04:30,060

But I was just thinking you could

tell me about my mother instead.

34

00:04:31,354 —> 00:04:34,564

All you ever said is she's from Virginia

and she's an only child like I am.

35

00:04:34,649 —> 00:04:37,067

I don't even know what

her favorite food was...

36

00:04:37,151 —> 00:04:40,821

and what she liked

to do and— nothin'.

37

00:04:48,371 —> 00:04:51,248

You wanna know about your mama?

38

00:04:51,332 —> 00:04:53,333

Mm-hmm.

39

00:04:55,086 —> 00:05:01,049

She used to spend hours lurin' roaches

and whatnot out of the house with

graham crackers and marshmallows.

40

00:05:01,884 —> 00:05:04,761

Swear to God.

41

00:05:10,727 —> 00:05:12,769

She was a lunatic about savin' bugs.

42

00:05:27,827 —> 00:05:30,287

Here you go.

43

00:05:39,464 —> 00:05:43,467

Hey, Lily! Nice ass!

44

00:05:43,551 —> 00:05:45,552

Oh!

45

00:05:54,395 —> 00:05:56,396

Gotcha.

46

00:05:59,317 —> 00:06:03,028

Rosaleen.

Look at this thing fight.

47

00:06:03,154 —> 00:06:06,198

What you doin' with that?

Catching bees to show T. Ray.

48

00:06:06,282 —> 00:06:08,200

He thinks I'm making it up.

49

00:06:08,284 —> 00:06:10,952

Get yourself stung,

don't come cryin' to me.

50

00:06:11,079 —> 00:06:14,206

Come fix this.

For the future—

51

00:06:14,332 —> 00:06:17,542

What'd they do? Drop the atom bomb or somethin'?

Hush.

52

00:06:17,627 —> 00:06:21,838

It does say that there are those

who are equal before God...

53

00:06:21,923 —> 00:06:25,217

shall now also be equal

in the polling booths,

54

00:06:25,301 —> 00:06:27,636

in the classrooms,

in the factories...

55

00:06:27,762 —> 00:06:31,056

and in hotels and restaurants and movie theaters—

Holy shit.

56

00:06:31,140 —> 00:06:33,100

and other places that provide

service to the public.

57

00:06:33,184 —> 00:06:35,727

Today, July the 2nd, 1 964,

58

00:06:35,812 —> 00:06:38,480

President Johnson signed

the Civil Rights bill into law.

59

00:06:58,084 —> 00:07:01,044

15, 16, 17, 18,

60

00:07:01,129 —> 00:07:04,297

19, 20, 21, 22.

61

00:08:19,832 —> 00:08:22,667

When's my hair gonna look like yours?

62

00:08:24,337 —> 00:08:28,465

I bet mine used to drive you crazy

the way it goes off in 1 1 wrong directions.

63

00:08:30,176 —> 00:08:34,054
I bet you used to brush it a hundred times
a day just to get it to lay down.

64
00:08:36,140 —> 00:08:38,642
I bet you did.

65
00:08:39,685 —> 00:08:43,688
Lily!

66
00:08:43,773 —> 00:08:49,402
Lily!

67
00:08:54,450 —> 00:08:56,660
- Who you out here with?
- What?

68
00:08:56,786 —> 00:09:00,372
- Who's out there?
- Nobody. There's no one here but me. It's just me.

69
00:09:00,456 —> 00:09:02,457
Get up from there.

70

00:09:07,755 —> 00:09:10,131

Get in here.

71

00:09:10,216 —> 00:09:14,427

No! You think

you're grown? Huh?

72

00:09:15,596 —> 00:09:18,598

Out there doing

God knows what.

73

00:09:18,683 —> 00:09:21,935

You'll get yourself pregnant

and then what? Huh?

74

00:09:22,019 —> 00:09:24,104

Huh?

75

00:10:28,085 —> 00:10:30,086

You can go.

76

00:10:40,723 —> 00:10:43,641
Mornin'.

77
00:10:43,726 —> 00:10:46,394
How long your dad
keep you on these grits?

78
00:10:46,479 —> 00:10:48,480
Hour.

79
00:10:52,526 —> 00:10:54,569
Look at ya.

80
00:10:56,989 —> 00:10:59,157
Happy birthday.

81
00:11:00,409 —> 00:11:02,327
I didn't know
you made me a cake.

82
00:11:02,411 —> 00:11:04,329
Of course I did.
It's your birthday.

83

00:11:04,455 —> 00:11:06,706

How big a piece you want?

Real big.

84

00:11:12,046 —> 00:11:14,464

You should be in the stand already.

85

00:11:14,548 —> 00:11:16,800

It's a big peach day.

86

00:11:20,930 —> 00:11:23,932

- Takin' her to town with me.

- What for?

87

00:11:25,142 —> 00:11:28,228

She needs a training bra.

She gots to get measured.

88

00:11:32,274 —> 00:11:34,317

How much something like that cost?

89

00:11:50,292 —> 00:11:52,585
Happy birthday.

90
00:11:56,841 —> 00:11:59,467
So what's in town anyway?

91
00:12:01,220 —> 00:12:03,596
I'm registerin' to vote.

92
00:12:03,681 —> 00:12:08,351
Rosaleen, news said a colored man
in Mississippi was killed for doing that.

93
00:12:09,478 —> 00:12:11,646
Good thing we ain't
in Mississippi then.

94
00:12:16,944 —> 00:12:20,071
I saw you scribblin' one of your stories
in the stand yesterday.

95
00:12:21,323 —> 00:12:23,241
Go on. Tell it.

96

00:12:23,325 —> 00:12:24,409

All right.

97

00:12:24,535 —> 00:12:28,580

But she blocks the oven and she says,

"I'm the lead singer, and it's done

when I say it's done."

98

00:12:28,664 —> 00:12:31,541

So I don't know what to do.

The Supremes are having a fight in my kitchen.

99

00:12:31,625 —> 00:12:34,544

- But then suddenly we hear—

- Hey.

100

00:12:34,628 —> 00:12:37,255

Ain't you Terence Ray's

little girl?

101

00:12:37,339 —> 00:12:39,757

Yes, sir. Lily.

102

00:12:39,842 —> 00:12:42,427

Daddy know you out

here with her?

103

00:12:42,511 —> 00:12:45,013

Rosaleen works for us.

104

00:12:46,182 —> 00:12:49,517

Whole lot of niggers been

coming through here today.

105

00:12:49,602 —> 00:12:52,187

You wouldn't be going to

that secret meetin', would ya?

106

00:12:52,271 —> 00:12:55,607

Well, hell, we ain't gotta

worry about this one.

107

00:12:55,691 —> 00:12:58,151

Can't register to vote if you

can't write your own name.

108

00:12:59,069 —> 00:13:03,573

Tell me, Lily.

She a smart nigger or a dumb nigger?

109

00:13:03,657 —> 00:13:05,366

- Please, mister, we really need—

- Answer me, girl.

110

00:13:12,291 —> 00:13:20,548

R-O-S-A-L-E-E-N.

111

00:13:22,259 —> 00:13:25,094

No!

112

00:13:26,347 —> 00:13:28,848

Rosaleen! Stop!

Put her there!

113

00:13:30,893 —> 00:13:33,770

- Apologize!

- Rosaleen, just apologize!

114

00:13:35,022 —> 00:13:36,814

- Help!

- Apologize!

115

00:13:36,941 —> 00:13:39,359

Somebody help!

Quiet.

116

00:13:39,443 —> 00:13:44,364

- Can somebody help?

- Your black ass gonna apologize one way or the other.

117

00:13:45,407 —> 00:13:47,492

Thank you, Sheriff.

You have to help her.

118

00:13:47,576 —> 00:13:50,578

- Get in the goddamn truck.

- I ain't restin' till your nigger apologizes.

119

00:13:50,663 —> 00:13:53,039

I'm sorry, Frank!

I promised her!

120

00:13:53,123 —> 00:13:55,583

Get in the goddamn truck.

121

00:13:56,669 —> 00:13:59,587

She dumped snuff juice

on a white man—

122

00:13:59,672 —> 00:14:02,298

on Frank Posey,

for Christ's sake.

123

00:14:02,383 —> 00:14:05,426

I wouldn't be surprised

if he flat-out kills her.

124

00:14:06,262 —> 00:14:10,598

You don't mean that.

He wouldn't really kill her.

125

00:14:10,683 —> 00:14:14,018

Sheriff's gonna take her to

the hospital. She'll be fine.

126

00:14:14,103 —> 00:14:16,396

Goddamn it.

What the hell were you thinkin'?

127

00:14:27,575 —> 00:14:29,867

Don't you leave this room, you hear?

I gotta settle payroll with—

128

00:14:29,952 —> 00:14:32,161

You don't scare me.

129

00:14:32,246 —> 00:14:34,831

- What'd you say?

- You're a coward.

130

00:14:36,458 —> 00:14:40,461

My mother would never

let you touch me!

131

00:14:40,546 —> 00:14:43,172

That goddamn woman

give a shit about you.

132

00:14:43,257 —> 00:14:45,341

She loved me.

133

00:14:45,467 —> 00:14:47,802

I hate you!

134

00:14:57,229 —> 00:14:59,856

Now you listen here.

135

00:15:00,733 —> 00:15:05,194

Truth is, your sorry mama,

she ran off and left you.

136

00:15:06,864 —> 00:15:11,951

On the day she died, she come back

for the rest of her things— not you.

137

00:15:12,036 —> 00:15:13,953

That ain't true.

138

00:15:16,540 —> 00:15:19,000

It's not.

139

00:15:50,866 —> 00:15:53,284

Dr. Cash, please call the page.

140

00:15:53,369 —> 00:15:56,412

Dr. Cash, please call

the page operator.

141

00:16:06,799 —> 00:16:09,258

Rosaleen.

142

00:16:09,343 —> 00:16:11,135

They beat you again?

143

00:16:11,220 —> 00:16:13,596

We gotta get you out of here.

144

00:16:14,682 —> 00:16:18,059

I can't get out of here. I'm in jail.

You shouldn't be.

145

00:16:18,143 —> 00:16:20,645

That's gotta go.

146

00:16:26,902 —> 00:16:29,570

Rosaleen.

147

00:16:36,453 —> 00:16:39,831

This is crazy.

Oh, it'll be all right.

148

00:16:39,915 —> 00:16:41,749

It'll be all right.

149

00:16:47,673 —> 00:16:50,216

Shh.

150

00:17:05,441 —> 00:17:09,277

A white girl come by here?

Uh, no, sir. Nobody. I ain't moved from this spot.

151

00:17:31,717 —> 00:17:35,636

$ When I was born $

152

00:17:35,721 —> 00:17:39,223

$ My daddy said I was broken $

153

00:17:39,308 —> 00:17:42,226

$ Beginning of the end $

154

00:17:42,352 —> 00:17:47,565

You gals be careful now.

$ The life I hadn't chosen $

155

00:18:12,257 —> 00:18:14,425

Let me get this straight.

156

00:18:14,510 —> 00:18:16,761

You got us goin' to Tiburon...

157

00:18:16,845 —> 00:18:20,056

'cause your mama got a picture

with that town written on the back?

158

00:18:20,140 —> 00:18:22,183

That's it?

159

00:18:22,267 —> 00:18:24,560

T. Ray said my mother left me

way before she died.

160

00:18:29,316 —> 00:18:32,026

Well, it's not true.

161

00:18:32,110 —> 00:18:34,612

He only made it up to punish me.

I know he did.

162

00:18:34,696 —> 00:18:36,739

Knowing your daddy,

he could do a thing like that.

163

00:18:36,824 —> 00:18:39,534

And my mother could never do

what he said she did.

164

00:18:42,955 —> 00:18:44,872

Huh.

165

00:18:45,958 —> 00:18:48,042

I get it.

166

00:18:48,126 —> 00:18:50,211

You ran off 'cause of

what he said, didn't you?

167

00:18:51,588 —> 00:18:54,841

It ain't had nothin' to do

with me being in jail.

168

00:18:54,925 —> 00:18:59,345

And here you got me worrying myself sick

about you getting in trouble 'cause of me.

169

00:19:00,806 —> 00:19:04,350

So what you fixin' to do? Go door-to-door

askin' folks about your mama?

170

00:19:04,476 —> 00:19:06,978

That's your bright idea?

I don't exactly have a plan, all right?

171

00:19:07,062 —> 00:19:09,480

Well, you sure had one

back at the hospital.

172

00:19:09,565 —> 00:19:12,316

Comin' in there and sayin',

"We gonna do this, and we gonna do that."

173

00:19:12,401 —> 00:19:15,820

And I'm supposed to follow you

like some dumb nigger like they said.

174

00:19:15,904 —> 00:19:18,322

Well, you are dumb pouring your spit

on that man's shoe like that...

175

00:19:18,407 —> 00:19:21,242

and dumber not to say you're sorry

if sayin" it will save your life.

176

00:19:21,326 —> 00:19:23,452

That man was gonna come back

and kill you or worse.

177

00:19:23,537 —> 00:19:27,248

And I go and I get you out of there,

and this is how you thank me?

178

00:19:28,125 —> 00:19:30,668

Well, fine.

179

00:20:11,793 —> 00:20:12,710

Are you all right?

180

00:20:14,004 —> 00:20:16,130

I feel like I've been beaten

with a stick.

181

00:20:16,214 —> 00:20:18,507

You have been beaten,

remember?

182

00:20:18,592 —> 00:20:21,427

But not with a stick.

183

00:20:30,145 —> 00:20:32,813
I know you can't understand.

184
00:20:32,898 —> 00:20:37,318
Apologizing to those men would've
just been a different way of dyin",

185
00:20:37,402 —> 00:20:39,654
'cept I have to live with it.

186
00:20:43,575 —> 00:20:47,495
If I can find someplace open,
I'll buy us some food.

187
00:20:47,579 —> 00:20:49,747
What we gonna do for beds?

188
00:20:49,831 —> 00:20:52,208
Find a motel, I guess.

189
00:20:52,292 —> 00:20:55,419
Lily, there ain't gonna be a place
that'll take a colored woman.

190

00:20:55,504 —> 00:20:57,505

Well, what about

the Civil Rights Act?

191

00:20:59,633 —> 00:21:02,176

Ain't nothin' but a piece of paper.

192

00:21:12,229 —> 00:21:15,606

Excuse me, sir.

Are you serving food today?

193

00:21:15,691 —> 00:21:19,527

Oh, yes, ma'am.

We have a Sunday plate special:

barbecued pork.

194

00:21:19,611 —> 00:21:22,154

Um, we'll take two of those,

please, and two Cokes.

195

00:21:24,908 —> 00:21:26,534

I don't believe

I've seen you before.

196

00:21:26,618 —> 00:21:29,578

I'm not from here. I'm—

I'm just visiting my grandmother.

197

00:21:29,663 —> 00:21:31,956

Your daddy's gonna be so proud of you.

198

00:21:32,082 —> 00:21:33,874

Afternoon, Carol.

Hi.

199

00:21:34,001 —> 00:21:35,459

Why, don't you two look smart.

When we get home—

200

00:21:35,544 —> 00:21:38,921

You come on in, and I'll wrap

those up for you to go.

201

00:21:52,978 —> 00:21:55,604

Miss, you change your mind?

202

00:21:55,731 —> 00:21:59,066

Where did you get those?

Oh, I know what you mean.

203

00:21:59,151 —> 00:22:01,694

Virgin Mary's pictured

as a colored woman.

204

00:22:01,778 —> 00:22:04,780

But, see, the woman that makes

the honey is colored herself.

205

00:22:04,865 —> 00:22:07,158

Best honey in South Carolina.

206

00:22:07,242 —> 00:22:08,951

What is her name?

207

00:22:09,036 —> 00:22:11,787

August Boatwright.

208

00:22:11,913 —> 00:22:14,040

Do you know where she lives?

209

00:22:14,124 —> 00:22:18,753

Darnedest house you ever saw.

Painted like Pepto-Bismol.

Your grandma's probably seen it.

210

00:22:24,760 —> 00:22:26,594

What do you think's goin' on?

211

00:22:26,678 —> 00:22:29,388

Look like they dressed for church.

212

00:22:30,223 —> 00:22:32,767

Bye-bye!

You think one of them's August?

213

00:22:32,893 —> 00:22:37,229

Whoever she is, I hope she make honey

better than she picks out paint.

214

00:22:38,190 —> 00:22:40,483

I like it.

215

00:23:00,003 —> 00:23:02,963

Now, don't go gettin'

your hopes up, all right?

216

00:23:03,048 —> 00:23:05,341

They got nowhere else to go.

217

00:23:22,901 —> 00:23:24,652

Yes?

218

00:23:24,778 —> 00:23:28,030

Are you August Boatwright?

No.

219

00:23:28,115 —> 00:23:32,118

I'm June Boatwright.

August is my sister.

220

00:23:33,286 —> 00:23:37,164

You came to see her?

Hi. I'm May Boatwright.

221

00:23:37,249 —> 00:23:40,751

I'm August's sister too.

222

00:23:40,836 —> 00:23:43,087

Is she expecting you?

223

00:23:43,171 —> 00:23:45,506

Um, I just saw some honey at the store,

and the man said that—

224

00:23:45,590 —> 00:23:47,591

You come for honey?

225

00:23:47,676 —> 00:23:52,012

Why didn't you say so?

Come into the parlor. I'll go get her.

226

00:23:52,097 —> 00:23:55,641

Then after that she gonna go get

September and October.

227

00:24:36,224 —> 00:24:38,184
Who we got here?

228
00:24:41,688 —> 00:24:44,356
I'm Lily and this is Rosaleen.

229
00:24:46,484 —> 00:24:49,069
We need a place to stay.

230
00:24:52,741 —> 00:24:57,119
You see, my mother died of tularemia
when I was little, and my daddy just
got killed in a tractor accident...

231
00:24:57,204 —> 00:25:00,664
on our farm in Spartanburg County,
so me and Rosaleen— she's our housekeeper—

232
00:25:00,749 —> 00:25:02,875
we're on our way to Virginia
to stay with my Aunt Bernie.

233
00:25:03,001 —> 00:25:07,004

'Cept I don't have money for a train ticket
or a motel, and not that anyone
would take in a Negro woman,

234
00:25:07,088 —> 00:25:09,340
even though it's a violation
of the Civil Rights Act.

235
00:25:17,098 —> 00:25:21,185
- Looks like you've been beaten.
- She fell down some steps when we were leavin'.

236
00:25:21,269 —> 00:25:23,979
Must've been a lot of steps.

237
00:25:43,917 —> 00:25:47,294
May, honey, go on out to the wall
and finish your crying.

238
00:25:52,842 —> 00:25:55,052
Is she all right?

239
00:25:55,136 —> 00:25:57,513

I'm sorry.

We can't help you.

240

00:25:58,890 —> 00:26:01,642

We can't have 'em living

on the side of the road.

241

00:26:02,727 —> 00:26:05,688

Why don't you call your aunt,

see about her sending you

some train fare?

242

00:26:05,772 —> 00:26:11,610

I would, but she just had a real big operation

and she's still stayin' in the hospital.

243

00:26:11,695 —> 00:26:16,115

So maybe Rosaleen and I could just

work for the money, and then just be on our way.

244

00:26:19,661 —> 00:26:22,162

Well,

245

00:26:22,247 —> 00:26:25,541
I guess Rosaleen can help May
in the kitchen,

246
00:26:25,625 —> 00:26:27,668
and you can help me and Zach
with the bees.

247
00:26:27,752 —> 00:26:30,087
August.

248
00:26:30,171 —> 00:26:32,548
We have the cots
in the honey house.

249
00:26:35,844 —> 00:26:39,638
- Thank you.
- You're welcome.

250
00:26:42,559 —> 00:26:44,560
I hope y'all like the smell of honey.

251

00:26:44,686 —> 00:26:48,647
It can be a bit overwhelming at first,
but you'll get used to it.

252
00:26:48,732 —> 00:26:53,402
Zach and I sleep out here come in December
when we harvestin' honey round the clock.

253
00:26:54,779 —> 00:26:58,449
It can get hot out here,
so you wanna keep that on.

254
00:26:58,575 —> 00:27:04,288
You'll have to use the bathroom in the house.
We never lock the door, so just come on in
whenever you need to.

255
00:27:04,414 —> 00:27:07,833
There you go.
This ain't charity. I'll pay you back for it.

256
00:27:07,917 —> 00:27:10,377
Oh, yeah,

you can work it off.

257
00:27:10,462 —> 00:27:12,671
I imagine y'all two
wanna rest up.

258
00:27:14,299 —> 00:27:19,303
If you get hungry, there's some
sweet potato biscuits on the stove.
They're May's specialty.

259
00:27:19,387 —> 00:27:21,055
Thank you again,
Miss August.

260
00:27:28,938 —> 00:27:32,983
I'm sure sorry to hear about T. Ray.
Aunt Bernie too.

261
00:27:33,068 —> 00:27:35,110
I know it wasn't right to lie,
but I didn't have a choice.

262

00:27:35,236 —> 00:27:39,656
How come you ain't say nothin' about
your mama or show that picture?
Ain't that why we're here in the first place?

263
00:27:39,741 —> 00:27:42,785
If they knew I ran away, they'd have
to call T. Ray to come get me.

264
00:27:42,869 —> 00:27:46,497
Then they'd find out you a fugitive
and they'd have to call the police.

265
00:27:46,581 —> 00:27:50,584
I feel like I'm where
I'm supposed to be. I really do.

266
00:27:51,961 —> 00:27:56,131
I just need some time to figure
out why, so don't say anything.

267
00:27:56,216 —> 00:27:59,301
Your secret.
You do what you want with it.

268

00:28:01,721 —> 00:28:03,972

They're so cultured.

269

00:28:05,850 —> 00:28:07,893

I never met Negro women

like them before.

270

00:28:07,977 —> 00:28:12,064

-Just us dumb ignorant ones.

- That's not what I'm sayin'.

271

00:28:15,819 —> 00:28:18,362

Guess I never met Negro women

like them neither.

272

00:28:18,446 —> 00:28:22,032

- How much land did she say they got?

- Twenty-eight acres.

273

00:28:22,117 —> 00:28:26,537

It's like it's got its own spot in the world,

where the outside don't come in.

274

00:28:26,621 —> 00:28:28,455

Well, that's a good thing.

275

00:28:28,540 —> 00:28:30,958

We'll be safe here, right?

276

00:28:47,183 —> 00:28:49,101

This is bullshit.

277

00:28:49,185 —> 00:28:51,228

You know she in

some kind of trouble.

278

00:28:51,312 —> 00:28:53,939

Well, who's gonna

take 'em in if we don't?

279

00:28:54,065 —> 00:28:56,775

No one around here.

280

00:28:56,860 —> 00:28:59,153

So what if that trouble follow 'em?

281

00:29:02,907 —> 00:29:05,325

I need to do this, all right?

282

00:29:31,978 —> 00:29:37,107

$ I went down to the water $

283

00:29:38,026 —> 00:29:40,527

$ All night long $

284

00:29:43,448 —> 00:29:48,535

$ I put my feet in $

285

00:29:49,329 —> 00:29:51,955

$ All night long $

286

00:29:52,040 —> 00:29:55,918

$ And I went down $

287

00:29:56,002 —> 00:30:00,631

$ To the water $

288

00:30:00,715 —> 00:30:04,134

$ All night long $

289

00:30:04,219 —> 00:30:12,226

$ And I put my dreams in $

290

00:30:12,227 —> 00:30:16,730

$ All night long $

291

00:30:18,066 —> 00:30:21,568

$ And what you did to me $

292

00:30:21,653 —> 00:30:23,570

$ I $

293

00:30:23,655 —> 00:30:27,741

$ I can't take no more $

294

00:30:30,036 —> 00:30:32,496

$ I'll take these bad things $

295

00:30:32,580 —> 00:30:34,915

$ And I'll $

296

00:30:34,999 —> 00:30:42,923

$ Lay them at the shore $

297

00:31:07,949 —> 00:31:11,326

- You gonna break my car?

- No, I'm not gonna break your car.

298

00:31:11,452 —> 00:31:14,162

I'm just askin', 'cause you're

lookin' a little confused.

299

00:31:14,289 —> 00:31:17,624

It is hotter than a pot of rice here,

and you got nerve to give me a hard time?

Give me that wrench.

300

00:31:17,750 —> 00:31:21,086

No, you get it.

Not gonna play, June Bug?

301

00:31:21,170 —> 00:31:23,255

You gonna play?

302

00:31:24,716 —> 00:31:26,717

Come here.

No. What?

303

00:31:26,843 —> 00:31:28,927

Come here now.

What are you doing?

304

00:31:29,053 —> 00:31:30,554

You know what we doing.

I don't dance.

305

00:31:30,638 —> 00:31:33,307

Oh, you're dancin' now.

No, I don't.

I don't dance.

306

00:31:33,391 —> 00:31:36,768

No, no. Get off.

Come here.

307

00:31:38,229 —> 00:31:41,481

- Come on,June.

- Don't you pick me up.

308

00:31:41,566 —> 00:31:43,400

Stop it.

309

00:31:43,484 —> 00:31:45,986

$ Place a beehive on my grave $

310

00:31:46,070 —> 00:31:49,656

$ And let the honey soak through $

311

00:31:49,741 —> 00:31:52,367

$ When I'm dead and gone $

312

00:31:52,493 —> 00:31:55,454

$ That's what I want from you $

Oh, thank you.

313

00:31:55,538 —> 00:31:58,373

$ The streets of heaven

are gold and sunny $

314

00:31:58,499 —> 00:32:01,335

$ But I'll stick with my plot $

Mornin'.

315

00:32:01,419 —> 00:32:03,628

- Mornin'.

- You sleep all right?

316

00:32:03,755 —> 00:32:06,340

Yes, ma'am.

Come on. Grab yourself a chair.

317

00:32:06,424 —> 00:32:09,551

- Okay.

- Hey.

318

00:32:09,635 —> 00:32:13,013

- This one's yours.

- Thank you.

319

00:32:18,811 —> 00:32:22,147

- So, who's that man out there?

- Oh, that's Neil.

320

00:32:22,231 —> 00:32:24,649

He teaches at the school

where June teaches music.

321

00:32:24,734 —> 00:32:28,278

- He's sweet on her.

- It seems like she's sweet on him too.

322

00:32:28,363 —> 00:32:30,572

Yeah, but she won't say so.

323

00:32:30,656 —> 00:32:34,076

He tried every which way to get her

to marry him, but she won't.

324

00:32:34,202 —> 00:32:37,162

How come?

Too scared.

325

00:32:37,246 —> 00:32:40,165
May,June might think
that's a little personal.

326
00:32:40,249 —> 00:32:43,293
Hell, I'll tell any folk that'll listen
I threw my man out.

327
00:32:43,419 —> 00:32:47,130
Put his brain in a bird
and the bird'll fly backwards.

328
00:32:52,178 —> 00:32:54,554
Mmm.

329
00:32:54,639 —> 00:32:57,808
How come y'all got names
from a calendar?

330
00:32:57,892 —> 00:32:59,684
Our mama loved spring
and summer.

331

00:33:02,563 —> 00:33:06,566

We had an April too, but...

332

00:33:07,860 —> 00:33:10,362

she died when she was little.

333

00:33:20,456 —> 00:33:23,208

You ain't gonna fix that car.

I'm gonna fix it.

334

00:33:27,380 —> 00:33:29,840

- What set May off?

335

00:33:29,924 —> 00:33:32,592

She upset 'cause

you won't marry Neil.

336

00:33:34,470 —> 00:33:37,139

See that?

You should go on and marry me

and quit upsettin' your sister.

337

00:33:37,223 —> 00:33:39,433
Get out of here.

338
00:33:39,517 —> 00:33:42,269
No, woman, you promised me pancakes,
and I ain't leavin' till I get 'em.

339
00:33:42,353 —> 00:33:45,856
You must be Rosaleen.
Neil.

340
00:33:45,982 —> 00:33:47,482
And you must be Lily.
Yes, sir.

341
00:33:47,567 —> 00:33:50,610
- What's burnin'?

342
00:33:56,492 —> 00:33:59,161
Don't worry. We'll just
make you another one.

343
00:33:59,245 —> 00:34:01,788

- Or how about some grits?

344

00:34:01,873 —> 00:34:04,499

No. Thank you.

That's— That's all right.

345

00:34:04,584 —> 00:34:06,376

I'm just not really hungry.

346

00:34:06,461 —> 00:34:08,837

Then let's get to work.

347

00:34:08,921 —> 00:34:10,714

Check on May.

348

00:34:10,798 —> 00:34:14,176

I'm going to the N.A.A.C.P. offices.

We're canvassing voters this morning.

349

00:34:14,260 —> 00:34:17,345

Uh, wait.

What about my pancakes?

350

00:34:17,430 —> 00:34:19,139

The batter's right there

by the griddle.

351

00:34:22,393 —> 00:34:24,686

Now how could beauty

be so evil?

352

00:34:26,481 —> 00:34:31,151

I've been stung so many times,

I have immunity.

353

00:34:31,235 —> 00:34:33,445

They barely even hurt me.

354

00:34:33,529 —> 00:34:37,282

But since you don't, you need

to know bee yard etiquette.

355

00:34:37,408 —> 00:34:40,660

Bee yard etiquette?

You see,

356

00:34:40,745 —> 00:34:42,746

the world's really

just one big bee yard.

357

00:34:42,830 —> 00:34:45,665

The same rules work

in both places.

358

00:34:47,001 —> 00:34:51,630

Don't be afraid, as no life-lovin' bee

wants to sting you.

359

00:34:51,714 —> 00:34:56,760

But don't be an idiot. That's why

we wear long sleeves and long pants.

360

00:34:56,844 —> 00:35:01,473

And don't swat.

Don't even think about swattin'.

361

00:35:01,557 —> 00:35:04,309

And above all,

send the bees love.

362

00:35:04,435 —> 00:35:08,313

Every little thing wants to be loved.

363

00:35:10,691 —> 00:35:12,734

Let's go.

364

00:35:36,384 —> 00:35:39,970

Now, we'll constantly

be checking the hives.

365

00:35:40,054 —> 00:35:44,891

We have to make sure the queens

have enough room to lay their eggs,

otherwise we get swarms.

366

00:35:46,561 —> 00:35:48,311

What do you mean, a swarm?

367

00:35:48,396 —> 00:35:52,649

When you get a queen and a group

of independent-minded bees...

368

00:35:52,733 —> 00:35:58,738

that split off and look for another place

to live, then you get swarms.

369

00:35:58,823 —> 00:36:00,824

And I lose my bees.

370

00:36:00,908 —> 00:36:04,202

So, what we have to do is...

371

00:36:05,621 —> 00:36:07,247

take out the frames

filled with honey...

372

00:36:08,874 —> 00:36:10,709

and put in empty ones.

373

00:36:18,884 —> 00:36:22,846

Now, the smoke,

it calms the bees,

374

00:36:22,930 —> 00:36:26,766

and it masks the alarm scent
released by the guard bees.

375
00:36:46,704 —> 00:36:49,372
Why, you ain't scared a lick, huh?

376
00:36:49,457 —> 00:36:53,460
I love you. I love you. I love you.
I love you. I love you.

377
00:36:53,544 —> 00:36:55,587
All right.

378
00:37:05,014 —> 00:37:06,973
Easy movement.

379
00:37:12,980 —> 00:37:14,564
See right there, Lily?

380
00:37:14,649 —> 00:37:18,818
That's the queen—
the large one.

381

00:37:24,158 —> 00:37:26,409

That wall behind the house—

382

00:37:26,494 —> 00:37:29,120

Why does it have

little pieces of paper in it?

383

00:37:29,205 —> 00:37:31,915

Oh, well, that's May's wall.

384

00:37:31,999 —> 00:37:34,459

She made it herself.

385

00:37:34,543 —> 00:37:37,128

I guess you noticed

she a little different, huh?

386

00:37:37,213 —> 00:37:39,172

She sure gets upset easy.

387

00:37:41,842 —> 00:37:44,010

She had a twin sister, April.

388

00:37:44,136 —> 00:37:46,596

The one who died.

Mm-hmm.

389

00:37:46,681 —> 00:37:50,767

It's like the two of them were

one soul sharing two bodies.

390

00:37:50,851 —> 00:37:54,229

If April got a toothache,

May's gum would plump up red.

391

00:37:54,313 —> 00:37:57,315

One time my father used

a belt strap on April.

392

00:37:57,400 —> 00:38:00,819

I swear, welts rose up

on May's legs too.

393

00:38:03,322 —> 00:38:07,367

When April died,

it was like the whole world

became May's twin sister.

394

00:38:07,451 —> 00:38:09,744

And we tried for years

to get her help,

395

00:38:09,829 —> 00:38:13,415

but the doctors just kept

telling us to put her away.

396

00:38:13,499 —> 00:38:17,001

So June and I come up with this idea

of the "wailing wall."

397

00:38:17,128 —> 00:38:21,589

What kind of wall?

The "wailing wall," like the one in Jerusalem.

398

00:38:21,716 —> 00:38:26,636

The Jewish people go there to mourn.

See, they write their prayers

on tiny pieces of paper,

399

00:38:26,721 —> 00:38:28,680

and then they tuck 'em

in the wall.

400

00:38:28,764 —> 00:38:31,433

And that's what

Miss May does.

401

00:38:32,727 —> 00:38:37,772

Those bits of paper are all

the heavy feelings May carries around.

402

00:38:37,857 —> 00:38:40,483

Seems like the only thing

that helps her.

403

00:38:44,488 —> 00:38:47,115

Poor Miss May.

404

00:38:49,160 —> 00:38:51,953

Yeah. Poor Miss May.

405

00:39:02,923 —> 00:39:05,008
That's Zach's car. He must be
in the honey house.

406
00:39:05,092 —> 00:39:07,385
Why don't you go in
and say hello.

407
00:39:12,475 —> 00:39:15,351
All right, this one's dedicated
to all my honeys.

408
00:39:15,436 —> 00:39:18,146
Oh— Don't worry.
You my honey too.

409
00:39:18,230 —> 00:39:22,776
$ Baby, I need your lovin' $

410
00:39:22,860 —> 00:39:26,154
$ Got to have all of your lovin' $

411
00:39:26,238 —> 00:39:30,617

$ Baby, I need your lovin' $

412
00:39:30,701 —> 00:39:32,869
$ Got to have all of your lovin' $$

413
00:39:40,044 —> 00:39:42,754
I w— I was just singin'.

414
00:39:42,838 —> 00:39:45,173
I'm Lily.

415
00:39:45,257 —> 00:39:47,383
I'm staying with Miss August
and them for a while.

416
00:39:47,468 —> 00:39:51,387
Oh. Well, um, I'm-I'm Zachary Taylor,
her godson.

417
00:39:51,472 —> 00:39:53,306
Zachary Taylor was a president.

418

00:39:53,390 —> 00:39:57,268
Yeah, so I heard.

419
00:39:57,353 —> 00:40:00,063
Come here. Look.

420
00:40:00,147 —> 00:40:03,691
See? "Zachary Lincoln Taylor."

421
00:40:08,489 —> 00:40:13,660
Uh, Miss August told me
about you bein' here helpin' out.

422
00:40:13,744 —> 00:40:15,662
She didn't mention anything
about you being white.

423
00:40:17,164 —> 00:40:18,998
Maybe she didn't notice.

424
00:40:36,517 —> 00:40:38,560
Ooh.

425

00:40:45,192 —> 00:40:46,985

Mmm, mmm.

Just put it in.

426

00:40:47,069 —> 00:40:49,988

Miss August, you know

I got stung today, right?

427

00:40:50,072 —> 00:40:52,031

Did you? Where?

428

00:40:52,116 —> 00:40:54,576

Right there.

Probably can't see it much.

429

00:40:54,660 —> 00:40:58,413

430

00:41:02,001 —> 00:41:03,918

No, I'm telling you that

they don't intend on voting.

431

00:41:04,003 —> 00:41:06,129
But you gotta see it
from the other side.

432
00:41:06,213 —> 00:41:09,507

$ The time is right $

433
00:41:09,633 —> 00:41:13,678
$ I'm gonna pack my bags $

434
00:41:13,762 —> 00:41:18,600
$ And take that journey
down the road $

435
00:41:18,726 —> 00:41:23,730
Go. Let it go.
$ 'Cause over the mountain $

436
00:41:23,856 —> 00:41:27,609
$ I see the bright sunshine $

437

00:41:27,693 —> 00:41:32,739

$ But I want to live inside the glow $

438

00:41:36,243 —> 00:41:38,745

$ Yeah, yeah, yeah $

439

00:41:38,829 —> 00:41:42,498

$ I wanna go to the place where $

440

00:41:42,625 —> 00:41:46,127

$ I am nothing and everything $

441

00:41:46,211 —> 00:41:48,963

$ That exists between $

442

00:41:49,048 —> 00:41:52,425

$ Here and nowhere $

443

00:41:54,136 —> 00:41:56,512

Hear the poppin'?

Yeah.

444

00:41:56,639 —> 00:41:58,806

It's from capping.

Now you try.

$ Time has no consequences $

445

00:41:58,933 —> 00:42:01,476

Whoa. Whoa.

I'm sorry.

446

00:42:01,560 —> 00:42:06,898

$ The sky opens to my prayer $

447

00:42:07,024 —> 00:42:09,567

$ I wanna go to beautiful $

Put the uncapped frames in the spinner.

448

00:42:09,693 —> 00:42:12,111

$ Beautiful $

Pushes out all the honey.

449

00:42:12,196 —> 00:42:15,865

$ Beautiful

I wanna go to $

450

00:42:15,950 —> 00:42:19,661

$ Beautiful, beautiful $

451

00:42:19,787 —> 00:42:22,580

Miss August says you can run

like Wilma Rudolph.

452

00:42:22,665 —> 00:42:25,875

Yeah, in a championship game

I was running everywhere like—

453

00:42:26,001 —> 00:42:29,837

Uh, hey, hey.

Oh, no!

454

00:42:29,922 —> 00:42:33,883

$ Beautiful, beautiful $

455

00:42:33,968 —> 00:42:37,345

$ Beautiful

I wanna go to $

456

00:42:37,429 —> 00:42:39,597

$ Beautiful $$

457

00:42:39,682 —> 00:42:41,557

Hmm.

458

00:42:41,684 —> 00:42:44,477

You want me to light your candle?

Yes, ma'am.

459

00:42:51,151 —> 00:42:53,236

You all enjoy.

460

00:42:53,320 —> 00:42:55,446

Thank you, Miss May.

461

00:42:55,531 —> 00:42:59,283

She calls it

a candlestick salad.

462

00:42:59,368 —> 00:43:02,120
She's been making 'em for me
since I was little.

463
00:43:02,788 —> 00:43:05,623
It looks like—
Yeah. Yeah, I know.
I know.

464
00:43:05,708 —> 00:43:07,291
May?

465
00:43:08,752 —> 00:43:12,588
So, what's your favorite
subject in school?

466
00:43:12,673 —> 00:43:16,175
English. I was plannin' on
being a writer.

467
00:43:17,845 —> 00:43:21,305
I don't really think I got much of
a future now, being an orphan and all.

468

00:43:22,349 —> 00:43:27,520

Don't writers, like, just

imagine things you don't see?

469

00:43:29,398 —> 00:43:32,608

You should imagine yourself

having a future.

470

00:43:32,693 —> 00:43:35,194

That's what I do.

471

00:43:35,320 —> 00:43:38,781

Playing professional football?

472

00:43:38,866 —> 00:43:43,286

Why do white people always think sports

is the only way we could be successful?

473

00:43:43,370 —> 00:43:45,246

I wanna be a lawyer.

474

00:43:47,499 —> 00:43:50,835
I'm sorry. I just thought
'cause you were good at it.

475
00:43:50,919 —> 00:43:52,920
I've never heard of a Negro lawyer.

476
00:43:53,005 —> 00:43:55,423
You never heard of
Thurgood Marshall?

477
00:43:55,549 —> 00:43:58,217
No.
Forget it.

478
00:44:05,184 —> 00:44:09,312
All right. I'm picturing you
as a lawyer.

479
00:44:09,396 —> 00:44:13,524
Take the case of a girl who's wrongly
accused of hurtin' somebody.

480

00:44:13,609 —> 00:44:18,112
At the very last minute, you get
the truth by trickin' the real bad guy
on the witness stand.

481
00:44:19,239 —> 00:44:22,408
You bust his ass with the truth.

482
00:44:25,370 —> 00:44:27,914
Yeah.

483
00:44:27,998 —> 00:44:31,292
Zach, the ass-bustin' lawyer.

484
00:44:31,376 —> 00:44:33,836

485
00:44:35,089 —> 00:44:37,298
Oh. Thank you, May.

486
00:44:37,424 —> 00:44:39,425
Here.
No gravy.

487

00:44:39,510 —> 00:44:42,428

Smells good.

Mm-hmm.

488

00:44:48,060 —> 00:44:50,603

So how are things coming

with you, Lily?

489

00:44:50,687 —> 00:44:53,481

Things are coming fine,

Miss June. Thank you.

490

00:44:54,817 —> 00:44:58,653

I made banana daisy—

You've been here almost a week now.

491

00:44:58,737 —> 00:45:00,780

Your aunt must be worried.

492

00:45:01,782 —> 00:45:05,451

If you want us to leave,

me and Rosaleen will be on our way.

493

00:45:05,536 —> 00:45:09,997

Oh, heavens to Betsy, Lily.

Nobody wants you to leave

till you're good and ready.

494

00:45:15,337 —> 00:45:17,380

Why do you put a Negro Mary

on your honey?

495

00:45:17,464 —> 00:45:20,258

You mean why is she black,

496

00:45:21,510 —> 00:45:23,469

or why is she on the honey?

497

00:45:24,805 —> 00:45:27,974

I guess both.

Tell her, August.

498

00:45:32,521 —> 00:45:35,314

I'm Sugar Girl.

I'm Cressie.

499

00:45:37,151 —> 00:45:41,571

I'm Doll.

And I'm her daughter, Violet.

500

00:45:41,655 —> 00:45:44,574

And I'm Greta, Zachary's mama.

501

00:45:44,658 —> 00:45:46,576

Mmm, I love Sundays.

502

00:45:46,660 —> 00:45:48,828

What the hell kind

of church is this?

503

00:45:50,080 —> 00:45:55,001

It's been a while since

we told the story of our Mary.

Mm-hmm.

504

00:45:55,085 —> 00:45:59,630

And since we have visitors here

who've never heard it,

I thought we'd tell it again.

505

00:45:59,756 —> 00:46:02,675

That's right. Tell the story.

Mm-hmm.

506

00:46:02,759 —> 00:46:04,802

Back in the days of slavery,

507

00:46:04,887 —> 00:46:08,556

our people would go

to the praise house on Sunday...

508

00:46:08,640 —> 00:46:11,017

and ask the Lord to send them rescue.

509

00:46:11,101 —> 00:46:15,521

One day a slave named Obadiah

was loading bricks onto a boat,

510

00:46:15,606 —> 00:46:20,401

and he saw somethin' that had

washed up on the shore.

511

00:46:20,485 —> 00:46:22,195

Movin' closer,

512

00:46:22,321 —> 00:46:26,449

he saw that it was

the wooden figure of a woman.

513

00:46:26,533 —> 00:46:29,952

Her body was growin'

out of a block of wood.

514

00:46:30,078 —> 00:46:32,872

A black woman—

515

00:46:32,956 —> 00:46:35,750

with her arm lifted up

and her fist balled out.

516

00:46:35,834 —> 00:46:37,585

- Mmm.

517

00:46:37,669 —> 00:46:43,299

- And to his shock he heard

her voice clear as day.

- Mm-hmm!

518

00:46:43,383 —> 00:46:48,346

- She said, "It's all right."

- "It's all right."

519

00:46:48,472 —> 00:46:49,972

"I'm here."

"I'm here."

520

00:46:50,098 —> 00:46:52,016

"I'll be taking care of you now."

521

00:46:52,100 —> 00:46:56,437

And Obadiah knew at that moment

that God had sent her.

522

00:46:58,440 —> 00:47:02,610

Now, everyone knew

the mother of Jesus' name was Mary,

and that she was strong—

523

00:47:02,694 —> 00:47:07,365

- Come on.

- and constant and had a mother's heart.

524

00:47:07,491 —> 00:47:10,493

And here she was,

525

00:47:10,577 —> 00:47:13,120

sent to them across the same waters...

526

00:47:13,205 —> 00:47:16,749

that had brought them there in chains.

527

00:47:16,833 —> 00:47:20,211

- Seemed like she knew everything they suffered.

- Everything!

528

00:47:20,295 —> 00:47:24,715

And so the people went up

one at a time...

529

00:47:25,884 —> 00:47:28,678

and touched their hand

to her chest,

530

00:47:28,762 —> 00:47:33,641

wantin' to grab on to

the solace in her heart.

531

00:47:33,725 —> 00:47:37,853

- Mary filled their hearts with fearlessness.

- She filled their hearts!

532

00:47:37,938 —> 00:47:40,815

And if they ever grew weak,

533

00:47:40,899 —> 00:47:42,817

they had only to touch her heart again.

534

00:47:42,901 —> 00:47:44,860

Touch her heart!

535

00:47:44,945 —> 00:47:47,780

- Touch her heart.

- Touch her heart.

536

00:48:35,579 —> 00:48:37,663

Touch her heart.

537

00:48:39,249 —> 00:48:40,875

Lily.

538

00:48:41,626 —> 00:48:45,212

Hail Mary, full of grace,

the Lord is with thee.

539

00:48:45,297 —> 00:48:47,214

- No!

540

00:48:47,299 —> 00:48:49,050

I'm your husband!

Lily!

541

00:48:49,176 —> 00:48:52,887

...and blessed is the fruit of thy womb, Jesus.

Just let me go!

542

00:48:52,971 —> 00:48:55,473

- No!

543

00:48:55,557 —> 00:48:59,018

...pray for us sinners now,

544

00:48:59,102 —> 00:49:01,187

and at the hour of our death.

545

00:49:01,271 —> 00:49:03,939

- Amen.

- Lily!

546

00:49:06,443 —> 00:49:09,195

- No!

547

00:49:09,279 —> 00:49:11,364

June, what's gotten into you?

548

00:49:12,157 —> 00:49:15,576

Oh!

549

00:49:15,660 —> 00:49:17,703

Lily.

550

00:49:21,625 —> 00:49:23,709

Girl, since when

you started faintin'?

551

00:49:27,047 —> 00:49:29,090

Could I get some water?

552

00:49:29,925 —> 00:49:33,469

Of course.

Wait. Um,

553

00:49:33,553 —> 00:49:35,721

Rosaleen, could you get it, please?

554

00:49:50,570 —> 00:49:52,571

This your room?

555

00:49:54,074 —> 00:49:58,494

Blue is my favorite color.

Mine too.

556

00:49:58,578 —> 00:50:01,288

Birds of a feather.

557

00:50:01,415 —> 00:50:05,292

Sorry I messed up your church.

Oh, that's all right.

558

00:50:05,377 —> 00:50:08,546

We go on all day if somebody

don't stop us.

559

00:50:08,630 —> 00:50:10,756

I just hope you all right.

560

00:50:16,138 —> 00:50:18,264

I think it was the heat.

561

00:50:19,307 —> 00:50:22,143

Felt like it was 90 degrees in there.

562

00:50:25,605 —> 00:50:28,607

Yes, the heat.

563

00:50:57,345 —> 00:51:00,764

$ I've made my reservation

I'm leaving town tomorrow $

564

00:51:00,891 —> 00:51:05,311

$ I'll find somebody new

and there'll be no more sorrow $

565

00:51:05,395 —> 00:51:07,897

$ That's what I do each time

but I can't follow through $

566

00:51:07,981 —> 00:51:12,276

$ I can't break away

though you make me cry $

567

00:51:12,360 —> 00:51:16,780

$ I can't break away

I can't say good-bye $

568

00:51:16,865 —> 00:51:20,576

$ No, I'll never, ever

break away from you $

569

00:51:20,660 —> 00:51:24,246

$ No, no

No, no, no, no $

570

00:51:24,331 —> 00:51:27,249

$ No, no, no, no

No, no, no, no $$

571

00:51:27,334 —> 00:51:29,502

Who can think with all that?

572

00:51:30,712 —> 00:51:34,423

Well, that's your problem—

You think too much.

573

00:51:34,508 —> 00:51:37,051

Try going with your feelings

once in a blue moon.

574

00:51:37,844 —> 00:51:40,262

You won't believe what

people in town are sayin'.

575

00:51:40,347 —> 00:51:44,558

Sayin' Jack Palance is coming to Tiburon,

and he's bringing a Negro woman with him.

576

00:51:44,643 —> 00:51:46,310

What in the world?

577

00:51:46,394 —> 00:51:49,939

- Who's Jack Palance?

- He's a movie star— a white one.

578

00:51:50,023 —> 00:51:53,442

I ain't never heard—

I— I have never heard of him.

579

00:51:53,527 —> 00:51:55,778

They say his sister lives here.

He's comin' to visit her,

580
00:51:55,862 —> 00:51:58,239
and he intend to take this woman
to the theater on Friday.

581
00:51:58,323 —> 00:52:02,243
- White folks talkin' about standin' guard outside.
- That's just talk.

582
00:52:02,327 —> 00:52:05,746
- And these idiots are determined
to fight this law till they—
- Shh, shh, shh. Shh.

583
00:52:09,292 —> 00:52:10,793
Miss May?
Mm-hmm?

584
00:52:10,877 —> 00:52:13,963
I saw how nice you did
Rosaleen's hair,

585

00:52:14,047 —> 00:52:16,966
and I was wonderin' if maybe
you could help me with mine.

586
00:52:19,219 —> 00:52:22,012
That'll be easy.

587
00:52:22,097 —> 00:52:24,056
Hmm.

588
00:52:30,647 —> 00:52:33,440
It's ironic how white people
hate us so much...

589
00:52:33,525 —> 00:52:36,026
when so many of 'em
been raised by black women.

590
00:52:37,904 —> 00:52:40,948
$ Place a beehive
on my grave $

591
00:52:41,032 —> 00:52:43,117

- $ And let the honey soak through $

- Ooh.

592

00:52:45,537 —> 00:52:48,372

You think somethin' bein' an impossibility

makes you think about it even more?

593

00:52:48,498 —> 00:52:51,000

Like what?

I don't know.

594

00:52:51,084 —> 00:52:53,586

Like... kissin'.

595

00:52:53,670 —> 00:52:56,338

That ain't impossible.

596

00:52:56,423 —> 00:53:00,467

When I was 15, I made

a 7 UP cake for this boy.

597

00:53:00,552 —> 00:53:03,387

After that,

he kissed me all the time.

598

00:53:03,471 —> 00:53:05,514

What'd it feel like?

599

00:53:05,599 —> 00:53:07,600

Like I was gonna burst.

600

00:53:12,522 —> 00:53:15,107

Miss May, I know you get

real sad sometimes.

601

00:53:16,443 —> 00:53:19,528

My daddy never feels.

602

00:53:19,613 —> 00:53:22,406

He never felt anything.

603

00:53:22,490 —> 00:53:24,950

I had rather be like you.

604

00:53:29,914 —> 00:53:32,583

A worker bee weigh less

than a flower petal,

605

00:53:32,667 —> 00:53:37,087

but she can fly with a load

heavier than her.

606

00:53:37,172 —> 00:53:41,175

But she only lives four or five weeks.

607

00:53:42,761 —> 00:53:46,847

Sometimes not feelin' is

the only way you can survive.

608

00:53:56,232 —> 00:53:58,651

You want me to help you

make a 7 UP cake?

609

00:54:02,572 —> 00:54:05,240

Hold that.

610

00:54:19,339 —> 00:54:21,674

It's purple.

Yeah.

611
00:54:21,758 —> 00:54:25,844
When the weather turns hot,
the flowers, they start to dry up.

612
00:54:25,929 —> 00:54:28,347
The bees, they start sucking
on that elderberry.

613
00:54:29,557 —> 00:54:31,684
That makes purple honey.

614
00:54:32,519 —> 00:54:35,688
There. See?

615
00:54:35,772 —> 00:54:39,358
People'll pay two dollars a jar
for purple honey.

616
00:55:27,073 —> 00:55:29,158
$ I'm so lonely $
You all right?

617

00:55:29,242 —> 00:55:31,326

She'll be fine.

618

00:55:33,538 —> 00:55:35,330

Because.

No. Why?

619

00:55:35,457 —> 00:55:38,125

Why does it always have to come back to this?

Because I love you and you love me.

620

00:55:38,251 —> 00:55:41,628

Neil, I don't wanna get married.

I don't wanna get married.

That's what people, when they in love, do.

621

00:55:41,755 —> 00:55:44,214

I don't wanna be married today or tomorrow or ever.

It's about that time!

622

00:55:44,340 —> 00:55:46,759

What are you so scared of?

I'm not scared of anything!

623

00:55:50,388 —> 00:55:52,765

Then you are

the most selfish bitch I ever met.

624

00:55:56,352 —> 00:55:58,270

What?

625

00:55:58,354 —> 00:56:00,272

What did you just say to me?

626

00:56:00,356 —> 00:56:02,649

Oh, Lord.

What did you just call me?

627

00:56:02,734 —> 00:56:05,444

How dare you call me that, Neil.

Neil, I'm talkin' to you.

628

00:56:05,528 —> 00:56:08,113

You better turn around

and listen to me right now.

629

00:56:08,198 —> 00:56:10,240

You better come back here

and apologize right now!

630

00:56:10,325 —> 00:56:13,786

Don't you ever

plan on comin' back then!

I don't even need you in my life!

631

00:56:14,954 —> 00:56:18,040

How dare— Don't come back!

632

00:56:18,124 —> 00:56:21,168

- Don't worry, May.

- Don't come back!

633

00:56:26,216 —> 00:56:29,134

I bet they'll be back holdin' hands

on the porch swing tomorrow.

634

00:56:30,303 —> 00:56:33,889

I don't know, Lily.

Some people rather die than forgive.

635

00:56:33,973 —> 00:56:36,183

And June is one of 'em..

636

00:56:36,267 —> 00:56:40,562

She still hasn't forgiven me for

paintin' the house, and that was 10 years ago.

637

00:56:40,647 —> 00:56:44,149

Well, how come, if your favorite color is blue,

you painted the house so pink?

638

00:56:44,234 —> 00:56:46,568

That was May's doin'.

639

00:56:46,653 —> 00:56:49,071

She was with me the day

I went to the paint store,

640

00:56:49,155 —> 00:56:53,075

and she latched onto

this sample called Caribbean Pink.

641

00:56:53,159 —> 00:56:57,204

Said it made her wanna dance

a Spanish flamenco.

642

00:56:57,288 —> 00:57:00,916

I thought it was the tackiest color

I ever seen in my life.

643

00:57:01,000 —> 00:57:04,878

But if it could lift May's heart,

then I guess she ought to live in it.

644

00:57:04,963 —> 00:57:06,922

Well, that was sure nice of you.

645

00:57:07,006 —> 00:57:10,592

Well, some things

don't matter that much, Lily.

646

00:57:10,677 —> 00:57:13,554

Like the color

of a house and whatnot.

647

00:57:13,638 —> 00:57:16,306

But liftin' someone's heart—

now that matters.

648

00:57:17,767 —> 00:57:21,270

Were you ever in love?

Course I was.

649

00:57:21,396 —> 00:57:24,356

But you didn't love him enough to marry him.

Well, I loved him enough.

650

00:57:24,440 —> 00:57:27,651

I just loved my freedom more.

651

00:57:28,862 —> 00:57:32,364

I can't think of one thing I'd rather

have than somebody loving me.

652

00:57:36,494 —> 00:57:38,036

Where are all the bees?

653

00:57:43,001 —> 00:57:45,878

You hear that?

654

00:57:45,962 —> 00:57:48,171

They're coolin' the hive.

655

00:57:48,256 —> 00:57:52,217

That's the sound of

1,00,000 bee wings fannin' the air.

656

00:57:55,346 —> 00:57:59,808

People have no idea about the complicated

life goin' on inside a beehive.

657

00:57:59,893 —> 00:58:02,185

Here. Let me help you with that.

658

00:58:02,270 —> 00:58:07,190

See, bees have a secret life

we don't know anything about.

659

00:58:18,411 —> 00:58:20,412

Yeah!

660

00:58:21,706 —> 00:58:24,249

Well, if this ain't the livin' end.

661

00:58:24,375 —> 00:58:26,043

Now come over here.

You gonna get wet.

662

00:58:26,127 —> 00:58:29,296

Oh, Lord, Lord!

663

00:58:32,133 —> 00:58:36,595

- Would you keep it down?

664

00:58:36,679 —> 00:58:40,390

- Keep it down! I'm practicin'.

- You come over here, you gonna get wet.

665

00:58:42,226 —> 00:58:44,853

- Oh, damn it to hell!

- Run, Lily!

666

00:58:44,938 —> 00:58:46,939

Oh, damn it to hell!

667

00:58:49,275 —> 00:58:51,860

How dare you!

668

00:58:51,986 —> 00:58:54,571

You out of your mind?

All right now, June.

669

00:58:57,533 —> 00:58:59,743

Come on, June.

670

01:00:01,597 —> 01:00:03,849

Where you goin', June?

June?

671

01:00:03,975 —> 01:00:06,435

Come on back.

672

01:00:13,359 —> 01:00:16,111

Oh. Miss May.

673

01:00:16,195 —> 01:00:18,155

Got thirsty.

674

01:00:36,591 —> 01:00:39,384

I saw a roach.

675

01:00:57,570 —> 01:01:02,032

The roaches will

follow this right out the door.

676

01:01:02,116 —> 01:01:04,743

Works every time.

677

01:01:07,622 —> 01:01:10,207

Miss May?

678

01:01:10,291 —> 01:01:12,793

Did you know a Deborah?

679

01:01:12,877 —> 01:01:14,795

Deborah Owens?

680

01:01:14,879 —> 01:01:19,216

She's a white woman from Virginia.

681

01:01:19,300 —> 01:01:22,093

It would've been a long time ago.

682

01:01:22,178 —> 01:01:24,554

Oh, yes.

683

01:01:24,639 —> 01:01:26,890

Deborah Owens.

684

01:01:26,974 —> 01:01:30,310

She stayed out in the honey house.

685

01:01:30,394 —> 01:01:33,647

She was the sweetest thing.

686

01:01:43,074 —> 01:01:45,992

Think I'll go out

to the wall for a while.

687

01:02:00,550 —> 01:02:04,010

Zach! Come back here.

688

01:02:09,809 —> 01:02:11,768

Thank you.

689

01:02:15,189 —> 01:02:17,983

Hey. Lily, come ride with me.

690

01:02:18,067 —> 01:02:21,278

Uh, I gotta drop some honey off to Mr. Forrest.

I want you to meet him.

691

01:02:21,362 —> 01:02:23,780

Oh, I gotta talk to Miss August.

You know where she is?

692

01:02:23,865 —> 01:02:27,868

Uh, she went to Columbia to go

pick up a new blade for the spinner.

693

01:02:27,952 —> 01:02:29,870

Oh.

694

01:02:41,299 —> 01:02:45,719

Thought a new notebook might

help you start writin' again.

695

01:02:48,514 —> 01:02:50,473

Whoa.

696

01:02:58,149 —> 01:03:00,942

My mother stayed in

the honey house, just like me.

697

01:03:01,027 —> 01:03:04,279

What? When?

698

01:03:04,363 —> 01:03:07,032

I don't know.

I don't know anything about her.

699

01:03:08,200 —> 01:03:12,245

Maybe it was before I was born.

Or maybe she left me like my daddy said.

700

01:03:12,330 —> 01:03:14,289

So, wait.

701

01:03:16,042 —> 01:03:18,293

You mean to tell me,

702

01:03:18,377 —> 01:03:20,795

all that stuff about your aunt...

703

01:03:20,880 —> 01:03:23,506

and— and just passin' through—

704

01:03:23,591 —> 01:03:25,926

You made that up?

705

01:03:27,637 —> 01:03:29,930

Why not just tell the truth?

706

01:03:31,432 —> 01:03:33,850

'Cause I'm afraid the truth

is gonna wreck everything.

707

01:03:48,658 —> 01:03:50,575

There he is.

708

01:03:50,660 —> 01:03:52,494

And who might

this pretty young lady be?

709

01:03:52,578 —> 01:03:55,705

This is Lily.

She's stayin' with Miss August.

710

01:03:55,790 —> 01:03:59,000

- You stayin' in her house?

- Yes, ma'am.

711

01:03:59,085 —> 01:04:02,837

Well, Miss August is a good friend of mine.

I hope you're enjoyin' yourself.

712

01:04:02,922 —> 01:04:04,422

Yes, sir.

713

01:04:04,507 —> 01:04:08,510

Look what he gave me.

I'm startin' my law library.

714

01:04:08,594 —> 01:04:10,553

That's nice.

715

01:04:10,638 —> 01:04:12,597

Hey.

716

01:04:15,601 —> 01:04:18,436

Lily, I know you're scared

the truth is gonna wreck things.

717

01:04:19,230 —> 01:04:21,314

Findin' out the truth

is only half of it.

718

01:04:23,025 —> 01:04:25,443

It's what you do with it

that matters.

719

01:04:25,528 —> 01:04:27,654

Right?

720

01:04:35,079 —> 01:04:37,455

When's the last time

you seen a movie?

721

01:04:37,540 —> 01:04:39,416

I don't remember.

722

01:04:39,500 —> 01:04:41,626

Come on.

We gonna go see Surf Party

723

01:04:41,752 —> 01:04:44,045

But what—

But nothin'. Come on. Let's go.

724

01:04:53,723 —> 01:04:56,766

One adult, please.

Here you go.

725

01:04:56,851 —> 01:04:58,518

It can't hurt, you know?

726

01:05:02,481 —> 01:05:04,482

One adult and one child.

727

01:05:06,944 —> 01:05:09,195

Everybody waxed up?

728

01:05:09,280 —> 01:05:13,074

This is a surfboard.

You're kidding.

729

01:05:13,159 —> 01:05:16,661

This is the nose.

The sides are called rails.

730

01:05:18,330 —> 01:05:20,331

Thank you.

731

01:05:23,377 —> 01:05:25,795

The first step is—

Come on!

732

01:05:26,547 —> 01:05:29,007

Hey, boy!

733

01:05:29,091 —> 01:05:31,676

- We're gonna teach you a lesson, boy!

- Hey! It's not his fault!

734

01:05:31,761 —> 01:05:33,511

Let him go!

735

01:05:33,596 —> 01:05:36,389

Shut your mouth, nigger lover!

736

01:05:37,641 —> 01:05:40,518

- Where are they takin' him?

- Get him in the truck.

737

01:05:40,603 —> 01:05:43,396

- Just trying to gather up all the pieces.

- You're wastin' time!

738

01:05:43,481 —> 01:05:45,356

- You know who took him.

- Is that right?

739

01:05:45,483 —> 01:05:47,942

Yeah, that's right.

All right. Now hold on here, folks.

740

01:05:48,027 —> 01:05:50,487

Soon as we know anything,

we'll get back to you.

741

01:05:50,571 —> 01:05:53,364

Neil, counselor, ladies.

Come on. Let's go.

742

01:05:56,243 —> 01:05:59,704

I'm gonna get some men together.

We'll look ourselves.

743

01:05:59,789 —> 01:06:02,457

If you'll have me,

I'm willin' to help.

744

01:06:09,965 —> 01:06:12,050

May doesn't need

to know about this.

745

01:06:16,806 —> 01:06:19,557

Nah, it'll be too much.

746

01:06:26,190 —> 01:06:28,691

Black boys don't come back, August.

747

01:06:29,902 —> 01:06:32,779

He's gonna be found,

and he's gonna be all right.

748

01:06:32,863 —> 01:06:35,573

How could you say that?

I have to.

749

01:06:53,342 —> 01:06:56,636

Please let him be okay.

750

01:07:17,074 —> 01:07:19,075

Lily's gonna look so pretty in this.

751

01:07:24,874 —> 01:07:27,625

August, where are your scissors?

752

01:07:29,295 —> 01:07:31,129

Uh, in my room.

753

01:07:43,976 —> 01:07:47,645

Hey, Greta.

Hey, May.

754

01:07:47,730 —> 01:07:49,647

You been to see Mary?

755

01:07:50,649 —> 01:07:52,650

Zach is still missin'.

756

01:07:57,406 —> 01:08:00,617

We have to pray, May.

You understand?

757

01:08:00,701 —> 01:08:02,911

We got to pray, May.

758

01:08:28,771 —> 01:08:32,190

Who was at the door?

May, was somebody at the door?

759

01:08:35,361 —> 01:08:37,278

Greta.

760

01:08:38,530 —> 01:08:40,949

No news on Zach.

761

01:08:50,042 —> 01:08:52,543

Why didn't you tell me?

762

01:08:54,380 —> 01:08:57,173

You all right?

763

01:08:59,385 —> 01:09:01,886

May?

764

01:09:01,971 —> 01:09:04,097

May!

765

01:09:05,182 —> 01:09:06,808

Answer me, May.

You all right?

766

01:09:06,892 —> 01:09:09,394

What's happened to her?

I never seen her like this.

767

01:09:09,478 —> 01:09:13,314

- May?

- May?

768

01:09:13,399 —> 01:09:15,316

May.

769

01:09:17,403 —> 01:09:19,445

I'm all right.

770

01:09:21,699 —> 01:09:23,866

Glad to see you can talk.

771

01:09:25,369 —> 01:09:27,704

Come on, Sister.

772

01:09:27,788 —> 01:09:30,164

We gonna run you

a nice hot bath.

773

01:09:31,500 —> 01:09:34,085

I need to go to the wall.

774

01:09:44,930 —> 01:09:46,848

May?

775

01:09:46,932 —> 01:09:49,350

Where's May?

Her bath is ready.

776

01:09:49,435 —> 01:09:51,644

She's still out there.

777

01:09:58,235 —> 01:10:03,614

May?

778

01:10:05,159 —> 01:10:07,118

May!

779

01:10:10,289 —> 01:10:12,332

May?

780

01:10:13,459 —> 01:10:15,626

May!

781

01:10:15,753 —> 01:10:22,467

May?

May!

782

01:10:24,970 —> 01:10:27,513

Come on, May.

783

01:10:34,396 —> 01:10:42,028

May?

784

01:10:45,199 —> 01:10:47,158

June?

785

01:10:49,787 —> 01:10:52,121

May!

786

01:10:58,962 —> 01:11:03,674

June! June!

787

01:11:03,759 —> 01:11:06,427

May!

788

01:11:06,512 —> 01:11:09,889

- Oh, my God.

- Oh, my God! August!

789

01:11:12,976 —> 01:11:15,186

August.

790

01:11:26,240 —> 01:11:30,660

No!

Oh, no!

791

01:11:30,786 —> 01:11:33,996

Oh, no!

Oh, May.

792

01:11:36,875 —> 01:11:40,294

We gotta get her out.

We gotta get her out.

793

01:11:47,761 —> 01:11:52,682

May!

794

01:11:52,766 —> 01:11:54,976

Why you do that?

795

01:13:00,167 —> 01:13:02,585

Sweet Mary.

796

01:13:10,135 —> 01:13:12,637

Zach!

797

01:13:14,556 —> 01:13:16,766

Zach.

798

01:13:20,687 —> 01:13:23,231

Oh.

799

01:13:23,315 —> 01:13:25,233

I'm so sorry.

800

01:13:25,317 —> 01:13:27,401

Miss May did what she did

'cause of me.

801

01:13:27,486 —> 01:13:30,071

Come on, now.

It was May who did it.

802

01:13:30,197 —> 01:13:33,658

It's all right.

She wouldn't want you blaming yourself.

803

01:13:37,829 —> 01:13:40,164

Oh. It's gonna be okay.

804

01:13:43,335 —> 01:13:45,419

It's good. It's good.

805

01:14:13,740 —> 01:14:17,285

Dear August and June,

806

01:14:17,369 —> 01:14:20,496

I'm sorry to leave you like this.

807

01:14:20,581 —> 01:14:23,249

But I know Zach is okay.

808

01:14:23,333 —> 01:14:26,210

My heart is telling me so.

809

01:14:26,295 —> 01:14:28,212

I hate you bein' sad,

810

01:14:28,297 —> 01:14:32,383

but think how happy I'll be

with April, Mama and Papa.

811

01:14:33,719 —> 01:14:36,596

I'm tired of carrying around

the weight of the world.

812

01:14:36,680 —> 01:14:38,764

I'm just gonna lay it down now.

813

01:14:40,392 —> 01:14:42,310

It's my time to die,

814

01:14:42,394 —> 01:14:45,104

and it's your time to live.

815

01:14:45,188 —> 01:14:48,357

Don't mess it up.

816

01:14:49,526 —> 01:14:51,110

Love, May.

817

01:15:04,291 —> 01:15:06,208

$ I saw Mary $

818

01:15:06,293 —> 01:15:09,503

$ She was walkin' on the water $

819

01:15:09,588 —> 01:15:12,256

$ Smilin' at me $

820

01:15:12,341 —> 01:15:16,552

$ Hummin' her river song $

821

01:15:16,637 —> 01:15:18,554

$ And I tried wavin' $

822

01:15:18,639 —> 01:15:21,390

$ But she was walkin' away $

823

01:15:21,475 —> 01:15:25,186

$ She said that she'd been waitin' on me $

824

01:15:25,270 —> 01:15:28,939

$ All day long $

825

01:15:40,535 —> 01:15:45,247

$ I tried to call her and said

Please come back $

826

01:15:45,332 —> 01:15:50,711

$ 'Cause I didn't mean

to make you sad $

827

01:15:50,796 —> 01:15:52,713

$ She said $

828

01:15:52,798 —> 01:15:57,176

$ Well, don't you worry

'cause I'll see you again $

829

01:15:57,260 —> 01:16:00,304

$ But I hear my mother call $

830

01:16:00,389 —> 01:16:03,391

$ And I have to go $$

831

01:16:57,821 —> 01:17:02,992

$ Place a beehive on my grave $

832

01:17:03,076 —> 01:17:06,704

$ And let the honey soak through $

833

01:17:08,123 —> 01:17:12,001

$ When I'm dead and gone $

834

01:17:12,085 —> 01:17:16,213

$ That's what I want from you $

835

01:17:17,340 —> 01:17:21,802

$ The streets of heaven

836

01:17:21,887 —> 01:17:24,638

$ But I'll stick with my plot $

837

01:17:24,723 —> 01:17:28,142

$ And a pot of honey $

838

01:17:28,226 —> 01:17:32,813

$ Place a beehive on my grave $

839

01:17:32,898 —> 01:17:36,901

$ And let the honey soak through $$

840

01:17:40,155 —> 01:17:42,072

Hmm.

841

01:17:47,370 —> 01:17:49,246

I see you liked yours.

842

01:17:49,372 —> 01:17:51,207

Mm-hmm.

It's the last one.

843

01:17:51,291 —> 01:17:53,375

- Mmm, girl, you did all right.

844

01:17:53,460 —> 01:17:56,003

Aw. I'm the eldest.

845

01:17:56,087 —> 01:17:58,881

- And the slowest.

- I'll make some more.

846

01:17:58,965 —> 01:18:02,051

- You hear that,June?

- Hmm.

847

01:18:02,135 —> 01:18:05,888

Think we might need

to change your name, Rosaleen.

848

01:18:05,972 —> 01:18:09,725

From now on,

we gonna call you July.

849

01:18:11,895 —> 01:18:15,105

Hmm. I concur.

850

01:18:16,817 —> 01:18:19,235

Some more of these.

851

01:18:20,654 —> 01:18:23,781

Mmm.

852

01:18:28,745 —> 01:18:31,455

Sure you gonna be

all right in here by yourself?

853

01:18:36,920 —> 01:18:39,213

I don't mind sharing May's room.

854

01:18:39,297 —> 01:18:42,216

Just wanna be near her spirit.

855

01:18:42,300 —> 01:18:44,260

I'll be fine.

856

01:18:46,429 —> 01:18:48,347

See you in the mornin' then.

857

01:19:18,503 —> 01:19:20,462

Hey, Lily.

858

01:19:21,506 —> 01:19:23,841

This is my mother.

859

01:19:31,516 —> 01:19:33,475

I know, honey.

860

01:19:34,853 —> 01:19:38,689

Your mama was

Deborah Fontanel Owens.

861

01:19:38,773 —> 01:19:40,691

You've known all this time?

862

01:19:40,775 —> 01:19:44,612

I knew she had a daughter.

But I thought it couldn't be you.

863

01:19:44,696 —> 01:19:49,491

But one look at you,

all I could see is Deborah at your age.

864

01:19:49,576 —> 01:19:51,410

You knew her when she was little?

865

01:19:51,494 —> 01:19:54,455

I took care of her.

866
01:19:54,539 —> 01:19:57,249
Why didn't you tell me?

867
01:19:57,334 —> 01:20:00,169
Somethin' told me you wasn't
quite ready to know about her.

868
01:20:01,254 —> 01:20:05,716
I just wanted to give you a chance
to get on solid ground first.

869
01:20:08,261 —> 01:20:10,471
T. Ray—

870
01:20:10,555 —> 01:20:12,598
he told me that my mo—

871
01:20:13,892 —> 01:20:17,102
He told me my mother
left me and ran away.

872

01:20:19,898 —> 01:20:23,150

I don't have any memory of her, but...

873

01:20:23,234 —> 01:20:27,529

I know he's lyin'

'cause some things aren't possible.

874

01:20:27,614 —> 01:20:30,157

Children just don't have two parents

who refuse to love 'em.

875

01:20:30,283 —> 01:20:33,786

Is that what made you leave?

876

01:20:33,870 —> 01:20:38,082

I know what I did was wrong.

I just seem to do all the wrong things.

877

01:20:39,751 —> 01:20:42,920

I don't mean to be a bad person,

but I just can't help it.

878

01:20:43,004 —> 01:20:47,216
So that's why I gotta go.
I brought the outside in here.

879
01:20:47,300 —> 01:20:50,469
And what happened
to Zach and Miss May—

880
01:20:50,553 —> 01:20:53,555
If I'd never come here,
it would've never happened.

881
01:20:53,682 —> 01:20:55,808
Lily— Lily, that wasn't your fault.
I wreck everything.

882
01:20:55,892 —> 01:20:57,977
Yes, it was.

883
01:20:58,061 —> 01:21:01,855
They were fightin' and screamin' and—

884
01:21:01,940 —> 01:21:05,693

She grabbed a gun, and he took it

away from her, and I just wanted to help her.

885

01:21:05,777 —> 01:21:08,487

I just wanted to

give it back to her.

886

01:21:08,613 —> 01:21:10,864

And I killed her.

Who, Lily?

887

01:21:10,949 —> 01:21:14,284

My mother.

I killed my mother.

888

01:21:15,996 —> 01:21:18,664

I'm unlovable.

889

01:21:24,796 —> 01:21:26,964

Oh, Lily.

890

01:21:28,216 —> 01:21:30,134

You listen to me now.

891

01:21:33,179 —> 01:21:36,140

That's a terrible, terrible thing

for you to live with.

892

01:21:37,642 —> 01:21:41,061

But you're not unlovable, child.

893

01:21:41,146 —> 01:21:43,480

There's love all around you.

894

01:21:47,318 —> 01:21:50,029

Gimme your hand.

895

01:21:56,911 —> 01:22:00,456

I started takin' care of Deborah

when she was nine, back in Virginia.

896

01:22:00,540 —> 01:22:02,583

Over seven years.

897

01:22:02,667 —> 01:22:06,587

Till my grandmama died
and left me this place.

898
01:22:06,671 —> 01:22:09,631
That's why June
resented you at first.

899
01:22:11,009 —> 01:22:14,011
She never got over me
workin' in your mama's house.

900
01:22:14,095 —> 01:22:17,765
So my mother came to Sylvan,
met T. Ray and got married.

901
01:22:17,849 —> 01:22:20,100
That's right.

902
01:22:20,185 —> 01:22:22,269
But what I don't get
is why she married him.

903
01:22:24,105 —> 01:22:28,776

I think Deborah liked the fact

that he was decorated in the war.

904

01:22:28,860 —> 01:22:30,569

She thought he was brave.

905

01:22:30,653 —> 01:22:32,946

Said he treated her like a princess.

906

01:22:33,031 —> 01:22:35,866

It's not the same T. Ray.

I can tell you that right now.

907

01:22:37,869 —> 01:22:41,538

You know, Lily,

people can start out one way,

908

01:22:41,623 —> 01:22:46,627

and by the time life get through with 'em,

end up completely different.

909

01:22:46,711 —> 01:22:51,006

I mean, I don't doubt that he started

off lovin' her. Fact, he worshipped her.

910

01:22:51,091 —> 01:22:55,761

But after about six months or so,

her love wore off.

911

01:22:55,845 —> 01:22:59,056

But if the love had worn off,

why did she marry him?

912

01:23:00,850 —> 01:23:04,478

Honey, Deborah was pregnant.

913

01:23:04,562 —> 01:23:06,522

That's why.

914

01:23:13,404 —> 01:23:15,322

She called me

soon after you were born.

915

01:23:15,406 —> 01:23:19,326

I got letters and phone calls,

mostly about you.

916

01:23:19,410 —> 01:23:24,039

How you were sittin' up

and takin' your first steps.

917

01:23:24,124 —> 01:23:26,583

Playin' patty-cake.

918

01:23:27,919 —> 01:23:32,256

But then the letters

start comin' less and less.

919

01:23:32,340 —> 01:23:34,925

And one day she called me up,

920

01:23:35,009 —> 01:23:37,886

and she said she was leavin' T. Ray.

921

01:23:37,971 —> 01:23:40,180

Thank you.

Yes, ma'am.

922

01:23:40,265 —> 01:23:43,433
When I picked her up from the bus station,

923
01:23:43,518 —> 01:23:45,602
she didn't even look like herself.

924
01:23:46,688 —> 01:23:48,605
She had gotten so thin.

925
01:23:48,690 —> 01:23:51,817
I was with her when you picked her up
from the bus station, right?

926
01:23:54,195 —> 01:23:56,155
She brought me along, didn't she?

927
01:23:59,576 —> 01:24:01,952
No. She came by herself, honey.

928
01:24:05,707 —> 01:24:08,458
Why?

929

01:24:08,543 —> 01:24:10,460
Why didn't she bring me?

930
01:24:12,547 —> 01:24:16,466
All I know, Lily,
is she was fallin' apart.

931
01:24:16,551 —> 01:24:18,468
Depressed people do things
they wouldn't ordinarily do.

932
01:24:18,553 —> 01:24:21,930
It was easy for her to leave me 'cause
she never wanted me in the first place.

933
01:24:22,015 —> 01:24:23,932
Lily.

934
01:24:25,977 —> 01:24:28,854
After she was here
for a few months...

935
01:24:28,938 —> 01:24:32,649

and started feelin' better,

she— she start talkin' about

how much she missed you.

936

01:24:34,569 —> 01:24:36,820

Then she went back

to Sylvan to see you.

937

01:24:37,906 —> 01:24:40,532

She was just comin' for her things.

938

01:24:40,617 —> 01:24:44,411

- I believe she came back for you.

- I'm goin' to bed.

939

01:24:44,495 —> 01:24:46,038

Lily!

940

01:24:46,122 —> 01:24:49,249

Now your mama

made a terrible mistake.

941

01:24:49,334 —> 01:24:51,251

But I believe she tried to fix it.

942

01:24:51,336 —> 01:24:53,295

Good night.

943

01:24:58,343 —> 01:25:01,178

Damn it, Deborah.

944

01:25:14,442 —> 01:25:16,026

I hate you!

945

01:25:16,110 —> 01:25:18,737

I hate your guts!

946

01:25:37,507 —> 01:25:40,008

Why didn't you love me?

947

01:26:50,496 —> 01:26:52,456

Tiburon.

948

01:26:57,837 —> 01:27:00,589

Hi.

949

01:27:00,673 —> 01:27:02,591

Hi.

950

01:27:02,675 —> 01:27:05,635

I brought some

of your mama's belongings.

951

01:27:10,850 —> 01:27:15,103

It's just a handful of things your mama left

when she went back to get you.

952

01:27:17,899 —> 01:27:19,941

Been in this box...

953

01:27:21,361 —> 01:27:23,612

10 years, I guess.

954

01:27:25,948 —> 01:27:28,116

You really loved her.

955

01:27:32,246 —> 01:27:35,665

It was complicated.

But, yes, I did.

956

01:27:36,751 —> 01:27:39,669

How was it complicated?

957

01:27:39,754 —> 01:27:42,089

I was her nanny.

958

01:27:42,173 —> 01:27:45,467

Things were different

in her world than mine.

959

01:27:48,137 —> 01:27:51,598

We like to think

that love is pure and limitless.

960

01:27:51,682 —> 01:27:56,019

But love like that

can't exist in a hateful time.

961

01:27:58,523 —> 01:28:01,400

But she made me love her anyway.

962

01:28:04,195 —> 01:28:07,906

There is no perfect love, Lily.

963

01:28:25,216 —> 01:28:27,592

Your mama's pocket mirror.

964

01:28:29,220 —> 01:28:33,473

If you look in here, you see your

mama looking back at you.

965

01:28:55,246 —> 01:28:57,247

Well, I'll be.

966

01:29:03,671 —> 01:29:06,923

She was wearin' that pin

the day she got here.

967

01:29:23,524 —> 01:29:25,609

There's just one last thing.

968

01:30:07,401 —> 01:30:11,988

Hey.

969

01:30:22,041 —> 01:30:24,167

What happened to you?

What about it?

970

01:30:24,252 —> 01:30:26,670

It changed you, didn't it?

971

01:30:31,592 —> 01:30:35,971

Sometimes, Lily, I—

972

01:30:36,055 —> 01:30:38,014

I get so angry.

973

01:30:39,350 —> 01:30:41,601

I just want to kill somethin'.

974

01:30:41,686 —> 01:30:44,562

The men that took you—

975

01:30:44,647 —> 01:30:47,065

they're angry like that too.

976

01:30:47,149 —> 01:30:49,359

Makes 'em mean.

977

01:30:51,612 —> 01:30:54,155

You have to promise me, Zach,

that you won't be like them.

978

01:30:54,240 —> 01:30:56,533

I don't want to.

979

01:30:56,617 —> 01:30:59,202

Me either.

980

01:31:25,354 —> 01:31:28,231

No way I'm not

becomin' a lawyer now.

981

01:31:30,026 —> 01:31:33,153

I'm gonna be one of them drum majors

Dr. King talks about.

982

01:31:33,237 —> 01:31:35,405

I know you will.

983

01:31:35,489 —> 01:31:40,410

And... 10, maybe 15 years from now,

984

01:31:41,620 —> 01:31:43,580

we'll be at your book signin'.

985

01:32:01,766 —> 01:32:04,893

So don't forget our story,

all right?

986

01:32:06,812 —> 01:32:08,730

I won't.

987

01:32:19,617 —> 01:32:23,370

I have you know

I am now a registered voter.

988

01:32:23,496 —> 01:32:27,791

- Really?

- I'll be castin' my vote for Lyndon Johnson and Hubert Humphrey.

989

01:32:33,381 —> 01:32:35,590

I love you, Miss Rosaleen.

990

01:32:49,855 —> 01:32:52,649

Neil.

Hello, ladies.

991

01:33:10,876 —> 01:33:15,171

Hi.

992

01:33:16,382 —> 01:33:19,759

Didn't you call me here to talk?

I'm a little busy.

993

01:33:19,844 —> 01:33:23,721

- You ain't the only one who's busy.

- I'm just supposed to stand here

and watch how busy you are?

994

01:33:23,806 —> 01:33:25,181

No.

995

01:33:32,773 —> 01:33:35,191

I was—

996

01:33:39,780 —> 01:33:42,657

I was wonderin' if you'd be

willin' to ask again.

997

01:33:42,741 —> 01:33:44,993

Ask what?

998

01:33:48,372 —> 01:33:50,498

This supposed to be funny?

999

01:34:00,551 —> 01:34:03,219

June Boatwright,

will you marry me?

1000

01:34:08,058 —> 01:34:09,976

Yes.

1001

01:34:10,060 —> 01:34:12,228

Yes?

1002

01:34:13,439 —> 01:34:15,356

Yes? Yes?

1003

01:34:15,441 —> 01:34:18,109

Yes.

1004

01:34:21,822 —> 01:34:24,908

She said yes.

1005

01:34:25,034 —> 01:34:27,202

Oh, my God.

Good for you.

1006

01:34:27,286 —> 01:34:29,287

Come on. We're goin' to

the jewelry store right now,

1007

01:34:29,413 —> 01:34:33,833

pickin' out a ring

before you change your mind, all right?

What? You don't already have one?

1008

01:34:33,918 —> 01:34:35,835

Girl, come on.

1009

01:34:35,920 —> 01:34:38,213

How come you don't have one?

1010

01:35:06,617 —> 01:35:10,119

Well, well, well.

Look who's here.

1011

01:35:12,915 —> 01:35:14,958

Won't you come in?

1012

01:35:21,215 —> 01:35:23,466

Well, all right, goddamn it.

1013

01:35:23,551 —> 01:35:27,345

You wanna pretend I'm making

a social visit, we'll pretend.

1014

01:35:27,429 —> 01:35:30,223

I'm gonna take you out of here

nice and quiet or kickin' and screamin'.

1015

01:35:30,307 —> 01:35:32,392

Don't matter which one to me.

1016

01:35:32,476 —> 01:35:34,477

Have a seat if you want to.

1017

01:35:48,158 —> 01:35:50,201

So you been here the whole time?

1018

01:35:51,370 —> 01:35:53,246

With colored women?

1019

01:35:53,372 —> 01:35:56,457

Jesus Christ.

How'd you find me?

1020

01:35:59,086 —> 01:36:01,170

That map on your wall.

1021

01:36:02,590 —> 01:36:08,511
Came here, started askin' around.
Some old lady secretary at the law office
was more than happy to fill me in.

1022
01:36:11,932 —> 01:36:15,310
- Where's Rosaleen?
- She took off a long time ago.

1023
01:36:33,746 —> 01:36:37,081
Where'd you get that?

1024
01:36:37,207 —> 01:36:39,542
Miss August gave it to me.
Don't you lie to me.

1025
01:36:40,586 —> 01:36:42,503
I'm not lyin'.

1026
01:36:42,588 —> 01:36:45,048
She said it belonged to my—

1027
01:36:48,260 —> 01:36:51,721

I gave that pin to your mama

on her 22nd birthday.

1028

01:36:53,682 —> 01:36:56,434

Now you tell me right now.

1029

01:36:56,560 —> 01:36:59,228

How'd this August woman get it?

You gave this to my mother?

1030

01:36:59,355 —> 01:37:01,356

Answer me.

You did?

1031

01:37:03,901 —> 01:37:06,944

This is where my mother came

when she ran away from us.

1032

01:37:08,072 —> 01:37:10,281

She was wearin' it

the day she got here.

1033

01:37:21,126 —> 01:37:24,253

Miss August used to
take care of her
when she was a little girl.

1034
01:37:34,473 —> 01:37:37,266
I looked for her
everywhere I could think.

1035
01:37:39,311 —> 01:37:41,270
And she was right here.

1036
01:37:42,773 —> 01:37:45,274
Jesus Christ,
she was right here.

1037
01:37:57,788 —> 01:38:00,665
Goddamn you, Deborah!

1038
01:38:00,749 —> 01:38:02,583
You ain't leavin' me again!

1039
01:38:02,710 —> 01:38:04,585
Get back here!

1040

01:38:04,670 —> 01:38:06,879

T. Ray, it's me, Lily!

1041

01:38:06,964 —> 01:38:09,006

Daddy!

1042

01:38:24,481 —> 01:38:27,567

You— You look like her.

1043

01:38:35,826 —> 01:38:39,120

My whole life's

been nothin' but a hole...

1044

01:38:39,204 —> 01:38:42,081

where my mother should've been.

1045

01:38:42,166 —> 01:38:44,375

It left me always achin'.

1046

01:38:46,462 —> 01:38:48,671

But I never thought about

what it did to you.

1047

01:38:57,723 —> 01:39:00,349

- We're goin' home.

- I'm stayin' here.

1048

01:39:03,604 —> 01:39:06,397

You think I'm gonna

walk out of here and leave you?

1049

01:39:06,482 —> 01:39:08,483

I don't even know these damn people.

1050

01:39:08,567 —> 01:39:10,526

I know them.

1051

01:39:11,653 —> 01:39:13,780

And August Boatwright

is a good person.

1052

01:39:13,864 —> 01:39:16,616

Now, what makes you think

she'd even want you here?

1053

01:39:16,700 —> 01:39:19,994

Lily can have a home here

as long as she wants.

1054

01:39:23,373 —> 01:39:25,249

Lily said you'd run off.

1055

01:39:25,334 —> 01:39:27,752

Well, I guess I'm back now.

1056

01:39:27,836 —> 01:39:32,340

Well, I don't really care

where you end up,

1057

01:39:33,509 —> 01:39:35,468

but Lily's comin' with me.

1058

01:39:43,477 —> 01:39:45,394

Everybody all right?

1059

01:39:46,939 —> 01:39:48,940

We all right.

1060

01:39:49,024 —> 01:39:51,067

This is Mr. Owens,

1061

01:39:51,151 —> 01:39:53,069

Lily's father.

1062

01:39:53,153 —> 01:39:55,696

He came here for a visit.

1063

01:39:58,826 —> 01:40:01,244

Mr. Owens,

1064

01:40:01,328 —> 01:40:05,706

you'd be doing Lily and us

a big favor by leavin' her here.

1065

01:40:06,917 —> 01:40:10,378

I made her my apprentice beekeeper.

She learnin' the whole business.

1066

01:40:13,382 —> 01:40:15,258

We love Lily.

1067

01:40:17,010 —> 01:40:19,929

We'll get her started in school.

1068

01:40:20,013 —> 01:40:23,391

We'll take care of her.

I promise you that.

1069

01:40:32,442 —> 01:40:34,569

Well,

1070

01:40:36,905 —> 01:40:38,823

good riddance.

1071

01:41:07,603 —> 01:41:10,313

Stop! Stop!

1072

01:41:15,152 —> 01:41:19,155

The day my mother died, you said she

was only comin' back for her things.

1073

01:41:20,490 —> 01:41:22,658

Is that true?

1074

01:41:25,495 —> 01:41:27,413

No.

1075

01:41:28,832 —> 01:41:31,375

No. She was comin' for you.

1076

01:41:35,213 —> 01:41:37,340

Why did you lie?

1077

01:41:40,677 —> 01:41:42,929

'Cause she didn't come for me.

1078

01:42:18,757 —> 01:42:22,802

I still tell myself that when

T. Ray drove away that day,

1079

01:42:22,886 —> 01:42:24,762

he wasn't sayin', "Good riddance."

1080

01:42:26,223 —> 01:42:31,227

He was sayin', "Lily, you are better off

there with all these mothers."

1081

01:42:32,562 —> 01:42:36,899

I have more mothers

than any three girls off the street.

1082

01:42:38,151 —> 01:42:40,403

They are the moons shinin' over me.

1083

01:42:46,410 —> 01:42:48,661

I guess I have forgiven myself.

1084

01:42:48,745 —> 01:42:53,499

Although sometimes in the night,

my dreams will take me back to sadness,

1085

01:42:53,625 —> 01:42:57,461

and I have to wake up

and forgive again.

1086

01:42:57,546 —> 01:43:00,589

But Mary is always there.

1087

01:43:02,050 —> 01:43:04,552

I feel her at unexpected moments.

1088

01:43:05,887 —> 01:43:08,097

She will suddenly rise.

1089

01:43:08,181 —> 01:43:13,019

And when she does,

she does not go up into the sky,

1090

01:43:13,103 —> 01:43:15,521

but further inside of me.

1091

01:44:13,830 —> 01:44:18,334

$ If you think the sky is falling $

1092

01:44:18,418 —> 01:44:21,545

$ Comin' undone $

1093

01:44:21,630 —> 01:44:23,214

$ Hmm $

1094

01:44:23,298 —> 01:44:27,760

$ All the pieces crumble $

1095

01:44:27,844 —> 01:44:32,723

$ You're on the run $

1096

01:44:32,724 —> 01:44:37,394

$ All the wrong you've taken $

1097

01:44:37,479 —> 01:44:42,066

$ All the rules you're breakin' $

1098

01:44:42,150 —> 01:44:46,570

$ Don't you know the solid truth is $

1099

01:44:46,655 —> 01:44:49,115

$ It comes back to you $

1100

01:44:49,199 —> 01:44:53,828

$ Don't you know the sky is blue $

1101

01:44:53,912 –> 01:44:58,582

$ Can't you see the sun is breakin' through $

1102

01:44:58,667 –> 01:45:03,170

$ Have a little faith in you $

1103

01:45:03,255 –> 01:45:08,717

$ Don't you know the sky is blue $

1104

01:45:08,802 –> 01:45:10,302

$ Huh $

1105

01:45:10,387 –> 01:45:14,974

$ Every time you walk out that door $

1106

01:45:15,058 –> 01:45:18,310

$ Cursin' the sky $

1107

01:45:19,729 –> 01:45:24,358

$ Feelin' like you've been cheated $

1108

01:45:24,442 —> 01:45:26,819

$ Ripped from inside $

1109

01:45:26,903 —> 01:45:31,490

$ Don't you know the sky is blue $

1110

01:45:31,575 —> 01:45:36,245

$ Can't you see the sun is breakin' through $

1111

01:45:36,329 —> 01:45:41,000

$ Have a little faith in you $

1112

01:45:41,084 —> 01:45:46,046

$ Don't you know the sky is blue $

1113

01:45:46,131 —> 01:45:48,340

$ Come on $

1114

01:45:48,425 —> 01:45:52,178

$ Mmm $

1115

01:45:54,890 —> 01:45:56,807

$ Mmm, yeah $

1116

01:45:59,352 —> 01:46:01,979

$ Now you know $

1117

01:46:02,063 —> 01:46:03,564

$ Hmm $

1118

01:46:11,239 —> 01:46:13,157

$ Uh $

1119

01:46:13,241 —> 01:46:16,577

$ Nah, nah, nah, nah, nah $

1120

01:46:16,661 —> 01:46:21,165

$ Nah, nah, nah, nah, nah

nah, nah, nah $

1121

01:46:39,267 —> 01:46:41,185

$ Hey $

1122

01:46:49,361 —> 01:46:58,244

$ Don't you know the sky is blue $

1123

01:46:58,328 —> 01:47:03,249

$ Have a— Have a little faith in you $

1124

01:47:03,333 —> 01:47:10,839

$ Don't you know the sky is blue $

$ Keep marchin' on $

1162

01:49:17,592 —> 01:49:21,553

$ We gotta keep on $

$ Keep, keep marchin' $

1163

01:49:21,638 —> 01:49:24,807

$ You gotta keep on $

$ Keep marchin' on $

1164

01:49:24,891 —> 01:49:29,019

$ This is something we gotta do today

is keep on marchin' $

1165

01:49:29,104 —> 01:49:32,898

$ On $

$ Keep marchin' on $

1166

01:49:32,982 —> 01:49:35,401

$ Don't let nobody

tell you no different $

1167

01:49:35,485 —> 01:49:36,985

$ Oh, no $

1168

01:49:37,070 —> 01:49:40,572

$ Keep on marchin' $
