Dialogues from The Twilight Saga I to improve the vocabulary in English

1

00:00:20,542 –> 00:00:23,739

BELLA: I'd never given much thought

to how I would die.

2

00:00:23,812 –> 00:00:26,110

(BIRDS CHIRPING)

3

00:00:31,954 –> 00:00:36,789

But dying in the place of someone I love

seems like a good way to go.

4

00:00:45,401 –> 00:00:46,993

(WINGS FLUTTERING)

5

00:00:49,905 –> 00:00:51,805

(OMINOUS THEME PLAYING)

6

00:01:09,491 –> 00:01:13,552

BELLA: So I can't bring myself
to regret the decision to leave home.

7
00:01:15,397 –> 00:01:17,194
I would miss Phoenix.

8
00:01:19,601 –> 00:01:21,330
I'd miss the heat.

9
00:01:24,606 –> 00:01:27,473
I would miss my loving, erratic,
harebrained mother.

10
00:01:27,543 –> 00:01:28,771
(SOFTLY) Okay.

11
00:01:30,145 –> 00:01:31,703
PHIL: Renee, come on.
BELLA: And her new husband.

12
00:01:31,780 –> 00:01:34,544
Guys, come on. I love you both.
We got a plane to catch.

13

00:01:34,616 —> 00:01:39,212

But they want to go on the road,

so I'm gonna spend some time with my dad,

14

00:01:39,655 —> 00:01:41,919

and this will be a good thing.

15

00:01:43,359 —> 00:01:44,791

I think.

16

00:01:45,660 —> 00:01:48,595

(SINGING) When the thorn bush turns white

17

00:01:48,663 —> 00:01:54,863

That's when I'll come home

18

00:01:54,936 —> 00:02:01,899

I am going out to see what I can sow

19

00:02:04,045 —> 00:02:08,607

And I don't know where I'll go

20

00:02:08,683 —> 00:02:11,982

And I don't know what I'll see

21

00:02:12,053 —> 00:02:13,452

BELLA: In the state of Washington,

22

00:02:13,521 —> 00:02:16,490

under a near constant cover

of clouds and rain,

23

00:02:16,557 —> 00:02:18,957

there's a small town named Forks.

24

00:02:19,026 —> 00:02:23,190

Population, 3,120 people.

25

00:02:24,665 —> 00:02:26,690

This is where I'm moving.

26

00:02:28,836 —> 00:02:30,565

My dad's Charlie.

27

00:02:31,305 —> 00:02:33,500

He's the chief of police.

28

00:02:34,342 —> 00:02:38,073

Curse the powers that be

29

00:02:40,047 —> 00:02:42,914

Cause all I want is...

30

00:02:42,984 —> 00:02:44,781

Your hair's longer.

31

00:02:47,355 —> 00:02:50,188

I cut it since the last time I saw you.

32

00:02:53,428 —> 00:02:54,759

Guess it grew out again.

33

00:03:03,271 —> 00:03:06,798

BELLA: I used to spend two weeks here

almost every summer,

34

00:03:07,475 —> 00:03:09,375

but it's been years.

35

00:03:24,459 —> 00:03:26,290

I've cleared some shelves off

in the bathroom.

36

00:03:26,427 —> 00:03:28,588

Right. One bathroom.

37

00:03:34,735 —> 00:03:37,067

It's a pretty good work lamp.

38

00:03:38,039 —> 00:03:40,940

The sales lady picked out the bed stuff.

39

00:03:41,008 —> 00:03:43,533

You like purple, right?

40

00:03:43,611 —> 00:03:45,203

Purple's cool.

41

00:03:45,980 —> 00:03:47,345

Thanks.

42

00:03:53,688 —> 00:03:54,950

Okay.

43

00:03:59,994 —> 00:04:03,020

BELLA: One of the best things about Charlie,

44

00:04:03,097 —> 00:04:04,997

he doesn't hover.

45

00:04:08,202 —> 00:04:09,635

(CAR HORN HONKS)

46

00:04:12,507 —> 00:04:14,338

Heard you guys coming

all the way down the road.

47

00:04:14,408 —> 00:04:16,000

Good to see you.

48

00:04:17,812 —> 00:04:20,645

- Bella, you remember Billy Black.

- Yeah.

49

00:04:20,715 —> 00:04:24,014

- Wow, you're looking good.

- Well, I'm still dancing.

50

00:04:24,285 —> 00:04:25,946

I'm glad you're finally here.

51

00:04:26,020 —> 00:04:28,318

Charlie here hasn't shut up about it

since you told him you were coming.

52

00:04:28,389 —> 00:04:29,413

(CHUCKLES)

53

00:04:29,490 —> 00:04:32,390

All right, keep exaggerating.

I'll roll you into the mud.

54

00:04:32,459 —> 00:04:34,290

After I ram you in the ankles.

55

00:04:34,361 —> 00:04:35,953

- CHARLIE: You want to go?

- Yeah.

56

00:04:36,029 —> 00:04:37,257

Bring it.

57

00:04:37,330 —> 00:04:40,265

- Hi, I'm Jacob.

- Hey.

58

00:04:40,333 —> 00:04:43,097

We used to make mud pies

when we were little.

59

00:04:43,169 —> 00:04:45,000

Right. No, I remember.

60

00:04:45,071 —> 00:04:46,095

(LAUGHS)

61

00:04:46,172 —> 00:04:48,231

Are they always like this?

62

00:04:48,842 —> 00:04:51,709

- It's getting worse with old age.

- Good.

63

00:04:51,778 —> 00:04:53,507

So, what do you think?

64

00:04:54,414 —> 00:04:55,676

Of what?

65

00:04:56,216 —> 00:04:58,650

- Your homecoming present.

- This?

66

00:04:59,152 —> 00:05:02,019

- Just bought it off Billy here.

- Yep.

67

00:05:02,088 —> 00:05:05,114

- I totally rebuilt the engine for you.

- Come on.

68

00:05:05,191 —> 00:05:06,954

Oh, my gosh!

69

00:05:07,928 —> 00:05:09,395

This is perfect. Are you joking me?

70

00:05:09,462 —> 00:05:10,724

(JACOB GRUNTS)

71

00:05:10,797 —> 00:05:12,196

Sorry.

72

00:05:13,233 —> 00:05:15,133

I told you she'd love it.

73

00:05:15,201 —> 00:05:17,101

I'm down with the kids.

74

00:05:17,170 —> 00:05:19,661

Oh, yeah, dude. You're the bomb.

75

00:05:19,739 —> 00:05:21,070

Okay.

76

00:05:21,708 —> 00:05:23,835

Listen, you gotta double-pump

the clutch when you shift,

77

00:05:23,910 —> 00:05:26,071

but besides that, you should be good.

78

00:05:26,146 —> 00:05:28,376

- That's this one?

- Yeah. Yeah, right there.

79

00:05:28,448 —> 00:05:29,972

All right.

80

00:05:30,784 —> 00:05:32,775

Do you want a ride to school or something?

81

00:05:32,852 —> 00:05:34,877

I go to school on the reservation.

82

00:05:35,188 —> 00:05:37,315

- Right, right.

- Yeah.

83

00:05:37,390 —> 00:05:40,553

That's too bad.

It would've been nice to know one person.

84

00:05:41,161 —> 00:05:42,719

(KIDS LAUGHING)

85

00:05:47,033 —> 00:05:49,024

BELLA: My first day at a new school.

86

00:05:49,102 —> 00:05:51,434

It's March, middle of the semester.

87

00:05:51,504 —> 00:05:52,596

(TRUCK BACKFIRES)

88

00:05:52,672 —> 00:05:53,900

Great.

89

00:06:00,714 —> 00:06:03,274

- Nice ride.

- Thanks.

90

00:06:04,851 —> 00:06:06,148

Good one.

91

00:06:12,926 —> 00:06:14,917

You're Isabella Swan, the new girl.

92

00:06:14,995 —> 00:06:18,362

Hi, I'm Eric, the eyes and ears of this place.

93

00:06:19,399 —> 00:06:23,267

Anything you need, tour guide,

lunch date, shoulder to cry on?

94

00:06:27,340 —> 00:06:30,776
I'm really kind of the more
suffer-in-silence type.

95
00:06:31,745 —> 00:06:32,769
Good headline for your feature.

96
00:06:32,846 —> 00:06:35,508
I'm on the paper,
and you're news, baby, front page.

97
00:06:35,582 —> 00:06:37,015
No, I'm not.

98
00:06:37,350 —> 00:06:41,184
(STUTTERS) You...
Please don't have any sort of...

99
00:06:41,254 —> 00:06:43,449
Chillax. No feature.

100
00:06:43,990 —> 00:06:45,389
- Okay, thanks.

- Cool?

101

00:06:45,525 —> 00:06:47,459

GIRL: All right. Okay. Yeah.

102

00:06:48,294 —> 00:06:49,784

(GIRLS CHATTERING)

103

00:06:51,631 —> 00:06:53,258

GIRL: Get it! Get it! Get it!

104

00:06:53,333 —> 00:06:54,527

(BELLA GRUNTS)

105

00:06:54,601 —> 00:06:56,193

GIRL 1: To you!

106

00:06:56,336 —> 00:06:57,701

Whoa!

107

00:06:57,771 —> 00:06:58,829

I'm sorry.

108

00:06:58,905 —> 00:07:01,169

I told them not to let me play.

109

00:07:01,574 —> 00:07:03,940

No way. No, no, no.

That's... That's... Don't...

110

00:07:04,010 —> 00:07:06,444

You're Isabella, right?

111

00:07:06,513 —> 00:07:07,980

Just Bella.

112

00:07:08,048 —> 00:07:10,209

Yeah. Hey, I'm Mike Newton.

113

00:07:10,517 —> 00:07:12,644

- Nice to meet you.

- Yeah, yeah.

114

00:07:12,719 —> 00:07:14,983

- She's got a great spike, huh?

- (CHUCKLES) Yeah, it's...

115

00:07:15,055 —> 00:07:16,784

I'm Jessica, by the way.

116

00:07:16,856 —> 00:07:18,790

Hey, you're from Arizona, right?

117

00:07:18,858 —> 00:07:20,188

Yeah.

118

00:07:20,259 —> 00:07:23,990

Aren't people from Arizona

supposed to be, like, really tan?

119

00:07:24,063 —> 00:07:25,121

Yeah.

120

00:07:25,197 —> 00:07:27,791

Maybe that's why they kicked me out.

121

00:07:29,268 —> 00:07:31,236
(MIKE AND JESSICA LAUGHING)

122
00:07:31,303 —> 00:07:32,770
You're good.

123
00:07:34,006 —> 00:07:35,701
That's so funny.

124
00:07:39,511 —> 00:07:41,138
- Back in, Jess.
- BOY: Down here.

125
00:07:41,980 —> 00:07:43,242
ERIC: Like a masterpiece, you know,

126
00:07:43,315 —> 00:07:45,579
we'll have, like,
this crazy pyramid fall from the sky,

127
00:07:45,651 —> 00:07:47,585
- and then you guys can...
- It's my pleasure, Madame.

128

00:07:47,653 —> 00:07:49,780

- You guys can give each other high fives.

- Burrito, my friend?

129

00:07:49,855 —> 00:07:52,483

- Hey, Mikey! You met my home girl, Bella?

- Hey.

130

00:07:52,691 —> 00:07:53,885

Your home girl?

131

00:07:53,959 —> 00:07:54,948

- Yeah.

- Yeah?

132

00:07:55,027 —> 00:07:56,858

- That's...

- My girl.

133

00:07:57,262 —> 00:07:58,729

Sorry I had to mess up your game, Mike!

134

00:07:58,797 —> 00:07:59,786

Tyler.

135

00:07:59,865 —> 00:08:00,889

(ALL LAUGHING)

136

00:08:00,966 —> 00:08:02,194

TYLER: Yes!

137

00:08:02,768 —> 00:08:04,258

Oh, my God.

138

00:08:04,336 —> 00:08:08,397

It's like first grade all over again.

You're the shiny new toy.

139

00:08:08,774 —> 00:08:10,071

Smile.

140

00:08:10,442 —> 00:08:11,704

- Okay.

- Sorry.

141

00:08:11,777 —> 00:08:13,176

I needed a candid for the feature.

142

00:08:13,245 —> 00:08:14,644

The feature's dead, Angela.

143

00:08:14,713 —> 00:08:16,772

Don't bring it up again.

144

00:08:17,082 —> 00:08:18,174

It's okay, I just...

145

00:08:18,250 —> 00:08:20,514

I got your back, baby.

146

00:08:20,586 —> 00:08:23,783

Guess we'll just run another editorial

on teen drinking.

147

00:08:23,856 —> 00:08:28,020

You know,

you can always go for eating disorders.

148

00:08:29,561 —> 00:08:31,495

Speedo padding on the swim team.

149

00:08:31,563 —> 00:08:33,121

Actually, that's a good one.

150

00:08:33,198 —> 00:08:36,292

- Kirk. Right? That's exactly what I thought.

- (LAUGHS) Yeah.

151

00:08:36,368 —> 00:08:38,529

ANGELA: We're talking Olympic-size.

152

00:08:38,604 —> 00:08:40,697

JESSICA: There's no way. He's so skinny.

It doesn't make sense.

153

00:08:40,773 —> 00:08:42,434

- ANGELA: Totally.

- Yeah.

154

00:08:42,875 —> 00:08:44,274

(GIRLS LAUGHING)

155

00:08:44,977 —> 00:08:46,467

Who are they?

156

00:08:47,079 —> 00:08:48,637

The Cullens.

157

00:08:49,748 —> 00:08:53,240

They're Dr. And Mrs. Cullen's foster kids.

158

00:08:53,318 —> 00:08:56,845

They moved down here from Alaska,

like, a few years ago.

159

00:08:56,922 —> 00:08:59,049

They kind of keep to themselves.

160

00:08:59,124 —> 00:09:01,058

Yeah, 'cause they're all together.

161

00:09:01,126 —> 00:09:03,151

Like, together, together.

162

00:09:05,831 —> 00:09:08,391

The blonde girl, that's Rosalie,

163

00:09:08,467 —> 00:09:12,062

and the big dark-haired guy, Emmett,

they're, like, a thing.

164

00:09:12,137 —> 00:09:13,604

I'm not even sure that's legal.

165

00:09:13,672 —> 00:09:16,038

Jess, they're not actually related.

166

00:09:16,108 —> 00:09:18,770

Yeah, but they live together. It's weird.

167

00:09:18,844 —> 00:09:22,473

And, okay, the little dark-haired girl's Alice.

168

00:09:22,548 —> 00:09:24,448

She's really weird,

169

00:09:24,516 —> 00:09:28,680

and she's with Jasper, the blond one

who looks like he's in pain.

170

00:09:32,758 —> 00:09:37,457

Dr. Cullen's like this foster dadlmatchmaker.

171

00:09:37,529 —> 00:09:39,520

Maybe he'll adopt me.

172

00:09:40,666 —> 00:09:42,133

Who's he?

173

00:09:48,407 —> 00:09:50,204

That's Edward Cullen.

174

00:09:50,275 —> 00:09:53,073

He's totally gorgeous, obviously,

175

00:09:53,145 —> 00:09:56,478

but apparently nobody here's

good enough for him.

176

00:09:57,416 —> 00:09:59,782

Like I care, you know?

177

00:10:00,352 —> 00:10:01,717

So, yeah.

178

00:10:04,389 —> 00:10:07,221

JESSICA: Seriously, like,

don't waste your time.

179

00:10:07,291 —> 00:10:09,418

I wasn't planning on it.

180

00:10:19,470 —> 00:10:21,438

- Mr. Molina.

- Hey, Mike.

181

00:10:22,607 —> 00:10:24,871

Oh, yes. Miss Swan.

182

00:10:39,423 —> 00:10:41,789

Hi. Can I have the pass? Thank you.

183

00:10:41,859 —> 00:10:44,191

Welcome to the class.

Here. Here's your stuff, okay?

184

00:10:44,262 —> 00:10:46,924

And I got a seat for you right here,

so come over.

185

00:10:46,998 —> 00:10:49,330

The last one.

Just follow along till you catch up.

186

00:10:49,400 —> 00:10:53,496

All right, guys, today we are gonna be

observing the behavior of planaria,

187

00:10:53,571 —> 00:10:55,630

aka flatworms.

188

00:10:56,474 —> 00:10:58,635

So what we're gonna do...

189

00:10:59,810 —> 00:11:01,607

(MOLINA CONTINUES

TALKING INDISTINCTLY)

190

00:11:02,847 —> 00:11:04,371

...regenerate.

191

00:11:04,949 —> 00:11:06,439

Zombie worms.

192

00:11:07,351 —> 00:11:11,014

No cell phones. Guys, let's get to it.

193

00:11:12,089 —> 00:11:13,852

Gentle, gentle, certain areas.

194

00:11:13,925 —> 00:11:17,691

Please just don't cut here.

We don't cut here.

195

00:11:17,762 —> 00:11:19,730

You won't believe this.

196

00:11:20,231 —> 00:11:23,826

Let's try to focus

while we check those out, huh, guys?

197

00:11:27,872 —> 00:11:30,102

(SCHOOL BELL RINGING)

198

00:11:34,779 —> 00:11:36,110

EDWARD: There must be something open.

199

00:11:36,180 —> 00:11:39,115

- Physics? Biochem?

- WOMAN: No, every class is full.

200

00:11:39,984 —> 00:11:41,542

Just a minute, dear.

201

00:11:41,619 —> 00:11:44,588

I'm afraid you'll have to stay in biology.

202

00:11:45,723 —> 00:11:49,159

Fine. Just... I'll just have to endure it.

203

00:12:05,209 —> 00:12:09,009

I just can't get over how grown up you are.

And so gorgeous.

204

00:12:09,580 —> 00:12:11,605

Hey, Bella.

205

00:12:11,682 —> 00:12:13,343

You remember me?

206

00:12:14,552 —> 00:12:16,679

I played Santa one year.

207

00:12:16,754 —> 00:12:19,917

Yeah, Waylon, she hasn't had

a Christmas here since she was four.

208

00:12:19,991 —> 00:12:22,118

I bet I made an impression, though, didn't I?

209

00:12:22,193 —> 00:12:24,718

- You always do.

- Butt-crack Santa?

210

00:12:25,296 —> 00:12:27,287

Hey, kids love those little bottles, though.

211

00:12:27,365 —> 00:12:30,596

All right,

let the girl eat her garden burger, Waylon.

212

00:12:30,668 —> 00:12:33,102

As soon as you're done,

I will bring you your favorite.

213

00:12:33,170 —> 00:12:35,001

Berry cobbler, remember?

214

00:12:35,072 —> 00:12:38,007

Your dad still has it. Every Thursday.

215
00:12:38,075 —> 00:12:40,202
Thank you. That'd be great.

216
00:12:44,882 —> 00:12:46,247
CHARLIE: Here.

217
00:12:46,717 —> 00:12:47,945
(WHISPERS) Thanks.

218
00:12:49,687 —> 00:12:51,348
(PEOPLE LAUGHING)

219
00:12:56,893 —> 00:12:59,657
RENEE ON PHONE: Hey, baby. So, listen,
if spring training goes well,

220
00:12:59,729 —> 00:13:00,889
we could be moving to Florida.

221
00:13:00,964 —> 00:13:04,058

AUTOMATED VOICE: Please insert $1.25
for an additional three minutes.

222
00:13:04,134 —> 00:13:05,328
Mom, where's your cell?

223
00:13:05,402 —> 00:13:06,869
Okay, don't laugh.

224
00:13:06,936 —> 00:13:09,427
I didn't lose my power cord. It ran away.

225
00:13:09,506 —> 00:13:10,495
(LAUGHS)

226
00:13:10,607 —> 00:13:13,838
Screaming. I literally repel technology now.

227
00:13:14,544 —> 00:13:18,002
- I miss you.
- Oh, baby, I miss you, too.

228

00:13:18,081 —> 00:13:20,379
But tell me more about your school.
Now, what are the kids like?

229
00:13:20,450 —> 00:13:22,509
Are there any cute guys?

230
00:13:22,585 —> 00:13:24,416
Are they being nice to you?

231
00:13:24,487 —> 00:13:25,579
(SIGHS SOFTLY)

232
00:13:25,655 —> 00:13:26,917
Well,

233
00:13:28,258 —> 00:13:30,419
they're all very welcoming.

234
00:13:31,194 —> 00:13:32,661
Tell me all about it.

235

00:13:32,729 —> 00:13:34,424
It doesn't even matter.

236
00:13:34,497 —> 00:13:35,691
Yes, it does, honey.

237
00:13:35,765 —> 00:13:38,893
I have homework to do. I'll talk to you later.

238
00:13:39,936 —> 00:13:41,335
Okay. I love you.

239
00:13:41,404 —> 00:13:42,996
Love you, too.

240
00:13:52,215 —> 00:13:56,447
BELLA: I planned to confront him
and demand to know what his problem was.

241
00:14:05,462 —> 00:14:07,327
But he never showed.

242

00:14:07,897 —> 00:14:09,489
(SLOW ROCK THEME PLAYING)

243
00:14:13,603 —> 00:14:14,865
Bella!

244
00:14:28,585 —> 00:14:32,021
BELLA: And the next day, another no-show.

245
00:14:36,993 —> 00:14:38,790
More days passed.

246
00:14:39,195 —> 00:14:41,993
Things were getting a little strange.

247
00:14:47,470 —> 00:14:49,028
(PANTING)

248
00:15:10,527 —> 00:15:12,392
(THUNDER RUMBLING)

249
00:15:29,179 —> 00:15:30,612

(GRUNTS)

250
00:15:31,714 —> 00:15:33,306
- You all right?
- Yeah, I'm good.

251
00:15:33,383 —> 00:15:36,216
Ice doesn't really help the uncoordinated.

252
00:15:36,286 —> 00:15:39,949
Yeah. That's why I had
some new tires put on the truck.

253
00:15:40,023 —> 00:15:42,786
Old ones were getting pretty bald.

254
00:15:42,858 —> 00:15:45,850
Well, probably be late for dinner.
I gotta head down to Mason County.

255
00:15:45,928 —> 00:15:50,194
Security guard at the Grisham Mill
got killed by some kind of animal.

256

00:15:50,933 —> 00:15:52,366

An animal?

257

00:15:53,669 —> 00:15:56,263

You're not in Phoenix anymore, Bells.

258

00:15:56,338 —> 00:15:58,431

Anyway, I figured I'd lend a hand.

259

00:15:58,507 —> 00:16:00,771

- Be careful.

- Always am.

260

00:16:02,277 —> 00:16:04,768

- And thanks for the tires.

- Yeah.

261

00:16:19,294 —> 00:16:20,989

(THUNDER RUMBLING)

262

00:16:21,463 —> 00:16:22,896

ERIC: Prom Committee is a chick thing,

263
00:16:22,965 —> 00:16:24,865
but I gotta cover it for the paper anyway,

264
00:16:24,933 —> 00:16:26,696
and they need a guy
to help choose the music,

265
00:16:26,768 —> 00:16:27,792
so I need your play list.

266
00:16:27,869 —> 00:16:32,397
Hey, listen, I was wondering,
did you have a date to...

267
00:16:32,474 —> 00:16:34,203
What's up, Arizona? Huh?

268
00:16:34,276 —> 00:16:36,210
How you liking the rain, girl?

269

00:16:36,278 —> 00:16:37,370

Better get used to it, girl.

270

00:16:37,446 —> 00:16:39,209

Yeah, Mike, hey, you're real cute, man.

271

00:16:39,281 —> 00:16:42,444

- Oh, I know...

- That was really awesome.

272

00:16:42,517 —> 00:16:44,815

ERIC: Why you shooting down my game?

Let a playa play.

273

00:16:44,886 —> 00:16:47,616

MIKE: Yeah, okay.

What you playing at, T-Ball?

274

00:16:57,466 —> 00:16:58,728

Hello.

275

00:16:59,434 —> 00:17:03,495

<i>I'm sorry, I didn't get a chance

to introduce myself last week.

276

00:17:03,572 —> 00:17:05,506

I'm Edward Cullen.

277

00:17:05,574 —> 00:17:07,064

You're Bella?

278

00:17:08,176 —> 00:17:09,268

Yes.

279

00:17:09,344 —> 00:17:11,073

Onion root tip cells,

280

00:17:11,146 —> 00:17:12,875

that's what's on your slides right now.

281

00:17:12,948 —> 00:17:17,146

Okay? So, separate and label them

into the phases of mitosis,

282

00:17:17,219 —> 00:17:22,179

and the first partners that get it right

are gonna win the Golden Onion.

283

00:17:22,824 —> 00:17:24,291

(STUDENTS CATCALLING)

284

00:17:25,227 —> 00:17:26,888

BOY: All right, good.

285

00:17:28,063 —> 00:17:29,587

Ladies first.

286

00:17:30,332 —> 00:17:32,197

(STUDENTS CHATTERING INDISTINCTLY)

287

00:17:34,569 —> 00:17:36,127

You were gone.

288

00:17:36,538 —> 00:17:37,698

Yeah.

289

00:17:38,173 —> 00:17:40,664

I was out of town for a couple of days.

290

00:17:40,742 —> 00:17:42,539

Personal reasons.

291

00:17:43,478 —> 00:17:45,070

Prophase.

292

00:17:46,248 —> 00:17:48,216

Do you mind if I look?

293

00:17:53,355 —> 00:17:54,947

It's prophase.

294

00:17:55,857 —> 00:17:57,347

Like I said.

295

00:18:02,998 —> 00:18:05,262

So are you enjoying the rain?

296

00:18:06,301 —> 00:18:07,632

(ANXIOUS LAUGH)

297

00:18:08,103 —> 00:18:09,400

What?

298

00:18:09,471 —> 00:18:11,769

You're asking me about the weather?

299

00:18:11,840 —> 00:18:13,205

Yeah, I...

300

00:18:13,842 —> 00:18:15,366

I guess I am.

301

00:18:17,746 —> 00:18:20,681

Well, I don't really like the rain.

302

00:18:22,617 —> 00:18:26,075

Any cold, wet thing, I don't really...

303

00:18:30,758 —> 00:18:32,851

- What?

- Nothing.

304

00:18:33,761 —> 00:18:34,955

(LAUGHS)

305

00:18:37,798 —> 00:18:39,629

It's anaphase.

306

00:18:40,134 —> 00:18:42,432

- You mind if I check?

- Sure.

307

00:18:51,045 —> 00:18:52,307

Anaphase.

308

00:18:52,880 —> 00:18:54,472

Like I said.

309

00:18:58,552 —> 00:19:00,383

If you hate the cold and the rain so much,

310

00:19:00,454 —> 00:19:04,550

why'd you move to the wettest place

in the continental US?

311

00:19:10,264 —> 00:19:12,061

It's complicated.

312

00:19:12,700 —> 00:19:14,691

I'm sure I can keep up.

313

00:19:19,206 —> 00:19:21,367

My mom remarried, and...

314

00:19:22,810 —> 00:19:25,608

So you don't like the guy, or...

315

00:19:26,147 —> 00:19:27,876

No, that's not...

316

00:19:30,551 —> 00:19:32,348

Phil's really nice.

317

00:19:32,653 —> 00:19:34,951

(GENTLE THEME PLAYING)

318

00:19:45,332 —> 00:19:48,130

It's metaphase. You want to check it?

319

00:19:49,537 —> 00:19:51,129

I believe you.

320

00:19:51,972 —> 00:19:55,100

Why didn't you move

with your mother and Phil?

321

00:19:57,011 —> 00:20:00,913

Well, Phil's a minor league baseball player,

322

00:20:00,981 —> 00:20:03,882

and he travels a lot,

323

00:20:03,951 —> 00:20:07,352

and my mom stayed home with me,

but I knew it made her unhappy,

324

00:20:07,421 —> 00:20:11,915

so I figured I'd stay with my dad for a while.

325

00:20:13,894 —> 00:20:16,021

And now you're unhappy.

326

00:20:16,664 —> 00:20:18,825

- No.

- I'm sorry, I'm just...

327

00:20:19,867 —> 00:20:22,631

I'm just trying to figure you out.

328

00:20:22,703 —> 00:20:25,137

You're very difficult for me to read.

329

00:20:25,206 —> 00:20:27,436

Hey, did you get contacts?

330

00:20:27,508 —> 00:20:28,839

No.

331

00:20:29,877 —> 00:20:32,141

Your eyes were black

the last time I saw you,

332

00:20:32,213 —> 00:20:36,172

and now they're, like, golden brown.

333

00:20:36,250 —> 00:20:38,411

Yeah, I know, it's the...

334

00:20:38,819 —> 00:20:40,844

It's the fluorescents.

335

00:21:10,251 —> 00:21:11,616

(HORN BLASTING)

336

00:21:13,287 —> 00:21:14,754

(TIRES SCREECHING)

337

00:21:15,489 —> 00:21:16,478

(LOUD THUDS)

338

00:21:16,857 —> 00:21:17,845

(LOUD GRUNT)

339

00:21:20,894 —> 00:21:22,589

(BREATH TREMBLING)

340

00:21:36,242 —> 00:21:37,869

- ALL: Bella!

- Bella!

341

00:21:37,944 —> 00:21:39,002

(STUDENTS CLAMORING)

342

00:21:39,078 —> 00:21:40,067

GIRL: Dial 911!

343

00:21:40,146 —> 00:21:42,114

BOY: I already called.

They're gonna send somebody over soon.

344

00:21:42,181 —> 00:21:44,706

Bella, I'm so sorry. I panicked.

345

00:21:45,818 —> 00:21:48,616

Bella, I've got 911 on the phone now.

346

00:21:54,827 —> 00:21:56,692

Bella. You okay?

347

00:21:57,630 —> 00:21:59,029

You and I are gonna talk. You all right?

348

00:21:59,098 —> 00:22:00,895

I'm fine, Dad. Calm down.

349

00:22:00,967 —> 00:22:03,401

I'm sorry, Bella. I tried to stop.

350

00:22:03,469 —> 00:22:04,527

I know. It's okay.

351

00:22:04,604 —> 00:22:07,038

No. It sure as hell is not okay.

352

00:22:07,407 —> 00:22:08,533

Dad, it wasn't his fault.

353

00:22:08,608 —> 00:22:10,667

You could've been killed.

You understand that?

354

00:22:10,743 —> 00:22:12,904

Yes. But I wasn't, so...

355

00:22:13,980 —> 00:22:16,676

You can kiss your license goodbye.

356

00:22:16,749 —> 00:22:19,377

- I heard the chief's daughter was here.

- CHARLIE: Dr. Cullen.

357

00:22:19,452 —> 00:22:20,817

Charlie.

358

00:22:21,187 —> 00:22:23,280

I've got this one, Jackie.

359

00:22:24,390 —> 00:22:25,687
Isabella.

360
00:22:26,492 —> 00:22:27,481
Bella.

361
00:22:27,894 —> 00:22:30,829
Well, Bella, looks like you took quite a spill.
How do you feel?

362
00:22:30,897 —> 00:22:32,057
Good.

363
00:22:32,832 —> 00:22:34,197
Look here.

364
00:22:35,201 —> 00:22:39,228
You might experience some
post-traumatic stress or disorientation,

365
00:22:39,305 —> 00:22:41,205
but your vitals look good.

366

00:22:41,274 —> 00:22:43,367

No signs of any head trauma.

367

00:22:43,443 —> 00:22:44,967

I think you'll be just fine.

368

00:22:45,044 —> 00:22:47,512

TYLER: I'm so sorry, Bella. I'm really...

369

00:22:50,783 —> 00:22:51,875

You know,

it would've been a whole lot worse

370

00:22:51,951 —> 00:22:54,818

if Edward wasn't there.

He knocked me out of the way.

371

00:22:54,887 —> 00:22:56,980

Edward? Your boy?

372

00:22:57,590 —> 00:22:58,955

Yeah, it was amazing.

373

00:22:59,025 —> 00:23:01,789

I mean, he got to me so fast.

He was nowhere near me.

374

00:23:01,861 —> 00:23:03,954

Sounds like you were very lucky.

375

00:23:04,030 —> 00:23:05,327

Charlie.

376

00:23:09,402 —> 00:23:12,565

I gotta go sign some paperwork.

You should...

377

00:23:13,272 —> 00:23:15,706

You should probably call your mom.

378

00:23:15,775 —> 00:23:17,402

Did you tell her?

379

00:23:20,246 —> 00:23:22,146

(GROANS) She's probably just

380

00:23:23,316 —> 00:23:24,943

freaking out.

381

00:23:26,185 —> 00:23:27,584

ROSALIE: Fifteen kids that saw

what happened.

382

00:23:27,654 —> 00:23:30,214

EDWARD: What was I supposed to do, then?

Let her die?

383

00:23:30,289 —> 00:23:32,985

This isn't just about you. It's about all of us.

384

00:23:33,059 —> 00:23:35,857

CARLISLE: I think we should

take this in my office.

385

00:23:37,897 —> 00:23:40,866

- Can I talk to you for a minute?

- Rosalie.

386

00:23:46,973 —> 00:23:48,338

What?

387

00:23:51,711 —> 00:23:54,077

How did you get over to me so fast?

388

00:23:54,147 —> 00:23:56,615

I was standing right next to you, Bella.

389

00:23:56,683 —> 00:24:00,483

No. You were next to your car,

across the lot.

390

00:24:01,087 —> 00:24:02,679

No, I wasn't.

391

00:24:03,523 —> 00:24:04,649

(LAUGHS SOFTLY)

392

00:24:05,123 —> 00:24:06,852

Yes, you were.

393

00:24:08,393 —> 00:24:11,760

Bella, you're... You hit your head.

394

00:24:11,830 —> 00:24:13,593

I think you're confused.

395

00:24:13,665 —> 00:24:15,098

I know what I saw.

396

00:24:15,167 —> 00:24:17,294

And what exactly was that?

397

00:24:18,136 —> 00:24:19,501

You...

398

00:24:21,239 —> 00:24:23,173

You stopped the van.

399

00:24:23,742 —> 00:24:26,438

You pushed it away with your hand.

400

00:24:27,379 —> 00:24:30,109

Well, nobody's gonna believe you, so...

401

00:24:31,383 —> 00:24:33,578

I wasn't gonna tell anybody.

402

00:24:34,286 —> 00:24:36,686

I just need to know the truth.

403

00:24:37,723 —> 00:24:40,521

Can't you just thank me and get over it?

404

00:24:40,926 —> 00:24:42,450

Thank you.

405

00:24:43,895 —> 00:24:46,625

- You're not gonna let this go, are you?

- No.

406

00:24:46,698 —> 00:24:49,667

Well, then I hope you enjoy disappointment.

407

00:25:02,814 —> 00:25:04,338

(GASPS)

408

00:25:17,395 —> 00:25:18,794

(LAUGHS SOFTLY)

409

00:25:24,269 —> 00:25:27,761

BELLA: And that was the first night

I dreamt of Edward Cullen.

410

00:25:30,208 —> 00:25:31,835

I need everybody's permission slips, okay?

411

00:25:31,910 —> 00:25:33,639

- Sammy, please collect them.

- Yeah.

412

00:25:33,712 —> 00:25:35,441

Guys, let's go.

413

00:25:35,514 —> 00:25:38,449

Come on, get in. In. Let's go!

414

00:25:50,562 —> 00:25:53,292

Look at you, huh? You're alive.

415

00:25:53,899 —> 00:25:56,925

- I know, yeah. False alarm, I guess.

- Yeah.

416

00:25:57,402 —> 00:26:00,769

Now, I wanted to ask you,

you know, if, you know,

417

00:26:00,839 —> 00:26:02,534

it's like a month away, but...

418

00:26:02,607 —> 00:26:03,938

(MIKE LAUGHS NERVOUSLY)

419

00:26:04,009 —> 00:26:07,672

Do you wanna go to prom with me?

420

00:26:10,682 —> 00:26:12,809

So, what do you think?

421

00:26:13,385 —> 00:26:15,819

- About what?

- Do you want to go?

422

00:26:17,823 —> 00:26:19,256

To prom?

423

00:26:19,324 —> 00:26:20,985

With me?

424

00:26:21,059 —> 00:26:22,526

(LAUGHS NERVOUSLY)

425

00:26:22,594 —> 00:26:23,925

I...

426

00:26:24,462 —> 00:26:25,759

Prom.

427

00:26:26,598 —> 00:26:27,997

Dancing.

428

00:26:28,567 —> 00:26:30,762

Not such a good idea for me.

429

00:26:32,504 —> 00:26:34,836

I have something that weekend anyway.

430

00:26:34,906 —> 00:26:36,840

I'm going to Jacksonville that weekend.

431

00:26:36,908 —> 00:26:38,876

You can't go another weekend?

432

00:26:38,944 —> 00:26:40,844

Non-refundable ticket.

433

00:26:41,646 —> 00:26:43,705

You should ask Jessica.

434

00:26:43,782 —> 00:26:45,750

I know she wants to go with you.

435

00:26:45,817 —> 00:26:47,580

All right. All right.

436

00:26:48,787 —> 00:26:51,221

MOLINA: Yo, yo, yo. Hey, guys, come on.

437

00:26:51,289 —> 00:26:54,416

We gotta go. We gotta go.

Green is what? Good.

438

00:26:54,491 —> 00:26:56,857

Let's go. Guys, come on.

439

00:26:58,429 —> 00:27:00,090

Other bus, other bus. Let's go.

440

00:27:00,164 —> 00:27:01,722

MOLINA: Egg shells, carrot tops.

441

00:27:01,799 —> 00:27:04,427

Compost is cool.

Now, stuff that in there, Eric.

442

00:27:04,501 —> 00:27:05,991

- Yes, sir. Yes, sir.

- Very good, very good.

443

00:27:06,070 —> 00:27:11,440

Now, I am gonna make a steaming cup

of compost tea.

444

00:27:11,775 —> 00:27:12,867

- Okay.

- Give me that.

445

00:27:12,943 —> 00:27:16,845

Yeah. This is recycling

in its most basic form, guys.

446

00:27:16,914 —> 00:27:19,542

Don't drink it! It's for the plants.

447

00:27:20,217 —> 00:27:22,344

What's in Jacksonville?

448

00:27:24,255 —> 00:27:26,416

How did you know about that?

449

00:27:27,524 —> 00:27:29,754

You didn't answer my question.

450

00:27:29,994 —> 00:27:32,758

You don't answer any of mine, so...

451

00:27:32,830 —> 00:27:35,458

I mean, you don't even say hi to me.

452

00:27:35,866 —> 00:27:37,094

Hi.

453

00:27:38,769 —> 00:27:41,363

Are you gonna tell me

how you stopped the van?

454

00:27:41,438 —> 00:27:44,339

Yeah. I had an adrenaline rush.

455

00:27:44,909 —> 00:27:47,469

It's very common. You can Google it.

456

00:27:51,415 —> 00:27:53,110

Floridians.

457

00:27:53,183 —> 00:27:55,481

That's what's in Jacksonville.

458

00:27:56,053 —> 00:27:58,817

Can you at least watch where you walk?

459

00:28:01,825 —> 00:28:05,591

Look, I'm sorry I'm being rude all the time.

I just think it's the best way.

460

00:28:05,663 —> 00:28:08,427

Bella! Guess who just asked me to prom.

461

00:28:08,933 —> 00:28:10,195

Who?

462

00:28:10,734 —> 00:28:15,728

Yeah, I actually totally thought

that Mike was gonna ask you.

463

00:28:15,806 —> 00:28:18,969

- It's not gonna be weird, though, right?

- No. Zero weirdness.

464

00:28:19,043 —> 00:28:20,908

- You guys are great together.

- I know, right?

465

00:28:20,978 —> 00:28:21,967

(GUYS HOOTING)

466

00:28:22,046 —> 00:28:23,946

- Tyler...

- BOY: Gross.

467

00:28:24,014 —> 00:28:26,107

Bella, look. It's a worm.

468

00:28:26,183 —> 00:28:27,673

(GUFFAWING) It's a worm.

469

00:28:31,655 —> 00:28:34,089

Bella, we shouldn't be friends.

470

00:28:36,794 —> 00:28:40,389

You really should've figured

that out a little earlier.

471

00:28:40,931 —> 00:28:42,523

I mean, why didn't you just

let the van crush me

472

00:28:42,599 —> 00:28:45,067

and save yourself all this regret?

473

00:28:47,171 —> 00:28:49,002

What, you think I regret saving you?

474

00:28:49,073 —> 00:28:52,531

I can see that you do.

I just... I don't know why.

475

00:28:53,544 —> 00:28:55,637

You don't know anything.

476

00:28:56,213 —> 00:28:57,544

Hi.

477

00:28:57,915 —> 00:28:59,075

Are you gonna be riding with us?

478

00:28:59,149 —> 00:29:00,980

No, our bus is full.

479

00:29:11,161 —> 00:29:13,152

Your mom called. Again.

480

00:29:15,132 —> 00:29:16,121

Well, that's your fault.

481

00:29:16,200 —> 00:29:18,828

You shouldn't have told her

about the "almost" accident. You finished?</i>

482

00:29:18,902 —> 00:29:20,233

Yeah.

483

00:29:20,871 —> 00:29:24,898

Yeah, I suppose you're right.

She always did know how to worry.

484

00:29:26,310 —> 00:29:28,175

She seems different.

485

00:29:29,079 —> 00:29:30,706

She seems happy.

486

00:29:34,084 —> 00:29:36,575

Phil sounds like an all right guy.

487

00:29:38,155 —> 00:29:39,645

Yeah, he is.

488

00:29:39,723 —> 00:29:40,916

(CLEARS THROAT)

489

00:29:43,659 —> 00:29:44,990

(SIGHS)

490

00:29:46,496 —> 00:29:47,428

All right.

491

00:29:47,630 —> 00:29:50,258

ERIC: No, you need the mitts.

You need them.

492

00:29:50,833 —> 00:29:53,233

No, why do you keep arguing with me?

You just need them.

493

00:29:53,302 —> 00:29:56,396

- ERIC: You're gonna get frostbite!

- I don't even know.

494

00:29:59,642 —> 00:30:01,200

ERIC: Yeah. Hey!

495

00:30:01,277 —> 00:30:04,041

- La Push, baby. You in?

- Should I know what that means?

496

00:30:04,113 —> 00:30:06,638

La Push Beach down at the Quileute Rez.

We're all going tomorrow.

497

00:30:06,716 —> 00:30:09,913

- Yeah, there's a big swell coming in.

- And I don't just surf the Internet.

498

00:30:09,986 —> 00:30:12,250

Eric, you stood up once,

and it was a foam board.

499

00:30:12,321 —> 00:30:14,687

But there's whale watching, too.

Come with us.

500

00:30:14,757 —> 00:30:17,817

La Push, baby. It's La Push.

501

00:30:18,294 —> 00:30:20,285

Okay, I'll go if you stop saying that, okay?

502

00:30:20,363 —> 00:30:21,921

Seriously, dude. It's creepy, man.

503

00:30:21,998 —> 00:30:23,260

- What? That's what it's called.

- So...

504

00:30:23,466 —> 00:30:24,933

EDWARD: Edible art?

505

00:30:28,237 —> 00:30:29,534

Bella.

506

00:30:30,740 —> 00:30:32,071

Thanks.

507

00:30:32,141 —> 00:30:35,941

You know, your mood swings

are kind of giving me whiplash.

508

00:30:37,547 —> 00:30:39,105

I only said it'd be better

if we weren't friends,

509

00:30:39,182 —> 00:30:40,615

not that I didn't wanna be.

510

00:30:40,683 —> 00:30:42,514

What does that mean?

511

00:30:43,052 —> 00:30:46,453

It means if you were smart,

you'd stay away from me.

512

00:30:47,457 —> 00:30:50,620

Okay, well, let's say for argument's sake

that I'm not smart.

513

00:30:50,693 —> 00:30:53,890

- Would you tell me the truth?

- No, probably not.

514

00:30:54,997 —> 00:30:57,363

I'd rather hear your theories.

515

00:30:58,601 —> 00:31:00,592

I have considered

516

00:31:01,838 —> 00:31:04,671

radioactive spiders and Kryptonite.

517

00:31:06,442 —> 00:31:08,808

That's all superhero stuff, right?

518

00:31:08,878 —> 00:31:12,279

What if I'm not the hero?

What if I'm the bad guy?

519

00:31:13,049 —> 00:31:14,539

You're not.

520

00:31:15,418 —> 00:31:17,352

I can see what you're trying to put off,

521

00:31:17,420 —> 00:31:19,718

but I can see that it's just

to keep people away from you.

522

00:31:19,789 —> 00:31:21,347

It's a mask.

523

00:31:25,361 —> 00:31:29,058

Why don't we just hang out?

524

00:31:31,200 —> 00:31:32,997

Everybody's going to the beach.

525

00:31:33,069 —> 00:31:34,468

Come.

526

00:31:35,671 —> 00:31:39,129

I mean, have fun.

527

00:31:41,978 —> 00:31:44,003

- Which beach?

- La Push.

528

00:31:44,814 —> 00:31:46,645

I don't know.

529

00:31:46,716 —> 00:31:48,047

I just...

530

00:31:48,518 —> 00:31:51,419

Is there something wrong with that beach?

531

00:31:53,956 —> 00:31:56,049

It's just a little crowded.

532

00:31:57,026 —> 00:31:58,152

(SEAGULLS SCREECHING)

533

00:32:01,364 —> 00:32:04,492

- Hey, it's freezing.

- I'm paddling out, Coates.

534

00:32:04,800 —> 00:32:07,394

- I don't know if it's worth it anymore.

- We drove all the way out here.

535

00:32:07,470 —> 00:32:09,301

- JESSICA: I'm at least paddling out.

- Yeah.

536

00:32:09,372 —> 00:32:10,896

- She's right.

- You guys are babies.

537

00:32:10,973 —> 00:32:14,568

So, I keep thinking that Eric's

gonna ask me to the prom,

538

00:32:14,644 —> 00:32:17,135

and then he just doesn't.

539

00:32:19,782 —> 00:32:21,750

You should ask him.

540

00:32:22,752 —> 00:32:25,949

Take control.

You're a strong, independent woman.

541

00:32:26,656 —> 00:32:28,350

- I am?

- Yes.

542

00:32:29,791 —> 00:32:32,089

- Hey, will you do me up?

- Yeah.

543

00:32:33,728 —> 00:32:35,923

- Bella!

- Hi, Jacob.

544

00:32:35,997 —> 00:32:37,589

- Guys, this is Jacob.

- Hey, guys. How you doing?

545

00:32:37,666 —> 00:32:39,065

- Hi.

- Hi.

546

00:32:40,936 —> 00:32:42,961

What are you, like, stalking me?

547

00:32:43,038 —> 00:32:45,131

(SCOFFS) You're on my rez, remember?

548

00:32:46,007 —> 00:32:47,599

Are you surfing?

549

00:32:48,009 —> 00:32:49,874

- Definitely not.

- Thanks.

550

00:32:49,945 —> 00:32:52,846

You guys should keep Bella company.

Her date bailed.

551

00:32:52,914 —> 00:32:53,972

What date?

552

00:32:54,049 —> 00:32:55,880

She invited Edward.

553

00:32:55,951 —> 00:32:58,476

- To be polite, that's it.

- I think it's nice she invited him.

554

00:32:58,553 —> 00:33:01,078

- Nobody ever does.

- Yeah, 'cause Cullen's a freak.

555

00:33:01,156 —> 00:33:03,056

You got that right.

556

00:33:03,592 —> 00:33:05,219

You guys know him?

557

00:33:05,293 —> 00:33:07,557

The Cullens don't come here.

558

00:33:15,704 —> 00:33:20,403

What did your friends mean about,

you know, "The Cullens don't come here?"

559

00:33:20,475 —> 00:33:22,500

You caught that, huh?

560

00:33:23,812 —> 00:33:27,077

I'm not really supposed

to say anything about it.

561

00:33:27,882 —> 00:33:29,975

Hey, I can keep a secret.

562

00:33:30,685 —> 00:33:31,947

(LAUGHS)

563

00:33:32,020 —> 00:33:34,989

Really, it's just like an old scary story.

564

00:33:37,459 —> 00:33:39,484

Well, I want to know.

565

00:33:42,330 —> 00:33:46,630

Okay, did you know Quileutes

are supposedly descended from wolves?

566

00:33:47,535 —> 00:33:49,935

What? Like, wolves?

567

00:33:50,005 —> 00:33:51,973

- Yeah.

- Like, real wolves?

568

00:33:52,040 —> 00:33:55,407

JACOB: Well, that's the legend of our tribe.

569

00:33:55,610 —> 00:33:56,634

BELLA: Okay.

570

00:33:56,711 —> 00:33:59,475

So what's the story about the Cullens?

571

00:34:00,882 —> 00:34:05,478

Well, they're supposedly descended

from this, like, enemy clan.

572

00:34:08,757 —> 00:34:12,784

JACOB: My great grandfather, the chief,

found them hunting on our land.

573

00:34:13,795 —> 00:34:15,786
But they claimed to be something different,

574
00:34:15,864 —> 00:34:18,128
so we made a treaty with them.

575
00:34:18,633 —> 00:34:21,227
If they promised to stay off Quileute lands,

576
00:34:21,303 —> 00:34:25,433
then we wouldn't expose
what they really were to the palefaces.

577
00:34:26,841 —> 00:34:29,332
I thought they just moved here.

578
00:34:29,878 —> 00:34:31,812
Or just moved back.

579
00:34:32,580 —> 00:34:33,842
Right.

580

00:34:34,482 —> 00:34:37,212

ANGELA: (SCREAMS) It touched my hand.

A snake! Stop!

581

00:34:39,187 —> 00:34:41,553

Well, what are they really?

582

00:34:41,623 —> 00:34:43,716

It's just a story, Bella.

583

00:34:44,793 —> 00:34:46,590

Come on, let's go.

584

00:34:48,330 —> 00:34:49,797

(ANGELA CONTINUES SCREAMING)

585

00:34:49,864 —> 00:34:52,389

A snake! A snake!

586

00:34:56,504 —> 00:35:02,602

(SINGING) My mama said I didn't know

how to make a kitty meow

587

00:35:02,677 —> 00:35:04,167

(DEEP GROWL)

588

00:35:09,818 —> 00:35:11,115

Hello?

589

00:35:18,092 —> 00:35:19,320

Gerald?

590

00:35:20,594 —> 00:35:21,856

Gerald?

591

00:35:33,340 —> 00:35:34,807

(WHOOSHING)

592

00:35:41,348 —> 00:35:42,576

Hello.

593

00:35:43,450 —> 00:35:44,974

Nice jacket.

594

00:35:48,055 —> 00:35:49,181
Who are you?

595
00:35:49,256 —> 00:35:52,157
It's always the same inane questions.

596
00:35:52,226 —> 00:35:53,420
"Who are you?"

597
00:35:53,494 —> 00:35:55,257
"What do you want?"

598
00:35:55,796 —> 00:35:57,855
"Why are you doing this?"

599
00:35:57,931 —> 00:36:01,594
James, let's not play with our food.

600
00:36:06,540 —> 00:36:08,098
(THUNDER RUMBLES)

601
00:36:09,510 —> 00:36:10,807

(SLOW BLUES Y-ROCK THEME PLAYING)

602

00:36:51,018 —> 00:36:52,610

JESSICA: He's not here.

603

00:36:54,822 —> 00:36:58,087

Whenever the weather's nice,

the Cullens disappear.

604

00:36:58,659 —> 00:37:00,354

What, do they just ditch?

605

00:37:00,427 —> 00:37:05,126

No, Dr. And Mrs. Cullen yank them out

for, like, hiking and camping and stuff.

606

00:37:05,199 —> 00:37:07,394

I tried that out on my parents.

Not even close.

607

00:37:07,468 —> 00:37:10,266

Guys, I'm going to the prom with Eric.

608

00:37:10,337 —> 00:37:14,034

- I just asked him. I took control.

- I told you that would happen.

609

00:37:14,107 —> 00:37:16,575

Are you sure you have to go out of town?

610

00:37:16,643 —> 00:37:19,203

Oh, yeah, it's a little family thing.

611

00:37:19,279 —> 00:37:20,644

Okay, we should go shopping

in Port Angeles

612

00:37:20,714 —> 00:37:23,649

before all the good dresses get cleaned out.

613

00:37:23,717 —> 00:37:25,685

(SCHOOL BELL RINGING)

614

00:37:26,487 —> 00:37:29,354

Port Angeles? You mind if I come?

615

00:37:29,423 —> 00:37:31,755

Yeah, I need your opinion.

616

00:37:33,427 —> 00:37:35,019

- I like this one.

- ANGELA: That's cool.

617

00:37:35,095 —> 00:37:37,427

But, like, I don't know about

the one-shoulder thing.

618

00:37:37,498 —> 00:37:38,965

- I like this one.

- JESSICA: Yeah, I like the beading,

619

00:37:39,032 —> 00:37:41,330

- and you wouldn't need jewelry.

- Jess, what do you think? Lavender?

620

00:37:41,401 —> 00:37:43,301

- Is that good? Is that my color?

- I like it.

621

00:37:43,370 —> 00:37:45,361

I liked that dusty rose one, too.

622

00:37:45,439 —> 00:37:48,408

Okay, I like this one.

It makes my boobs look good.

623

00:37:48,475 —> 00:37:49,635

- Hey.

- JESSICA: Right?

624

00:37:49,710 —> 00:37:50,904

Nice.

625

00:37:51,545 —> 00:37:54,241

- ANGELA: Oh, God.

- That is uncomfortable.

626

00:37:54,548 —> 00:37:56,277

That's disgusting.

627

00:37:56,517 —> 00:37:58,348

Bella, what do you think?

628

00:37:58,418 —> 00:37:59,646

Yes?

629

00:38:00,053 —> 00:38:01,850

That looks great.

630

00:38:01,922 —> 00:38:04,890

You said that about, like,

the last five dresses, though.

631

00:38:04,957 —> 00:38:07,187

I thought they were all pretty good.

632

00:38:07,260 —> 00:38:09,785

You're not really into this, are you?

633

00:38:09,862 —> 00:38:13,161

I actually really just want

to go to this bookstore.

634

00:38:13,533 —> 00:38:15,023

I'll meet you guys at the restaurant?

635

00:38:15,101 —> 00:38:17,831

- JESSICA: Are you sure?

- Yeah, yeah. I'll see you in a minute.

636

00:38:17,904 —> 00:38:19,462

- Okay.

- Okay.

637

00:38:21,574 —> 00:38:23,166

She's right, though. This looks awesome.

638

00:38:25,211 —> 00:38:26,405

(CHURCH BELL TOLLING)

639

00:38:26,479 —> 00:38:28,106

MAN: There you go.

640

00:38:29,649 —> 00:38:31,879

- Have a good night.

- BELLA: Thank you.

641

00:39:03,983 —> 00:39:07,749

- BOY: Saw you in the dress store.

- Hey, where you running to?

642

00:39:07,820 —> 00:39:08,980

BOY: There she is.

643

00:39:09,055 —> 00:39:10,920

- What's up?

- It's my girl.

644

00:39:10,990 —> 00:39:12,651

- BOY 2: How you guys doing?

- Look who we just found.

645

00:39:12,725 —> 00:39:15,592

What's up, girl? Hey... Where you going?

646

00:39:15,661 —> 00:39:17,720

- BOY 3: Where are you going?

- Come get a drink with us.

647

00:39:17,797 —> 00:39:19,128

- Yeah, you should hang out with us.

- Come on.

648

00:39:19,198 —> 00:39:20,529

It's fun.

649

00:39:20,600 —> 00:39:21,999

- What's the problem?

- She doesn't like that, man.

650

00:39:22,068 —> 00:39:23,467

- You're pretty.

- Don't touch me.

651

00:39:23,536 —> 00:39:25,436

- BOY: Cute.

- Really, no. Seriously, you should.

652

00:39:25,504 —> 00:39:27,062

Don't touch me.

653

00:39:27,139 —> 00:39:28,766

(BOY GROANS)

654

00:39:29,742 —> 00:39:31,141

(ENGINE REVVING)

655

00:39:32,912 —> 00:39:34,140

(GASPS)

656

00:39:34,981 —> 00:39:36,573

Get in the car.

657

00:39:38,217 —> 00:39:40,879

That was a very dangerous maneuver.

658

00:39:40,953 —> 00:39:42,420

(DEEP GROWL)

659

00:39:56,268 —> 00:39:57,758

(TIRES SCREECHING)

660

00:40:01,273 —> 00:40:02,535
(BOYS SHOUTING)

661
00:40:04,977 —> 00:40:06,205
(HORN BLARING)

662
00:40:07,747 —> 00:40:10,307
I should go back there
and rip those guys' heads off.

663
00:40:10,383 —> 00:40:11,407
No, you shouldn't.

664
00:40:11,484 —> 00:40:14,351
You don't know the vile, repulsive things
they were thinking.

665
00:40:14,420 —> 00:40:15,853
And you do?

666
00:40:16,589 —> 00:40:18,614
It's not hard to guess.

667

00:40:19,792 —> 00:40:24,161

Can you talk about something else?

Distract me so I won't turn around.

668

00:40:25,431 —> 00:40:27,763

You should put your seatbelt on.

669

00:40:27,833 —> 00:40:29,061

(LAUGHS)

670

00:40:29,135 —> 00:40:31,501

You should put your seatbelt on.

671

00:40:36,542 —> 00:40:39,102

- I thought the salad was pretty good.

- Hey, you guys, I'm sorry. I just...

672

00:40:39,178 —> 00:40:40,702

Where were you? We left you messages.

673

00:40:40,780 —> 00:40:44,216

Yeah, we waited, but we were, like,

starving, so we...

674

00:40:45,351 —> 00:40:47,751

I'm sorry I kept Bella from dinner.

675

00:40:47,820 —> 00:40:51,152

We just sort of ran into each other

and got talking.

676

00:40:52,590 —> 00:40:53,818

- Yeah.

- No.

677

00:40:53,892 —> 00:40:57,623

No, we totally understand.

I mean, that happens, right?

678

00:40:58,530 —> 00:40:59,588

Yeah, we were...

679

00:40:59,664 —> 00:41:02,531

- We were, yeah, we were just leaving. So...

- Let's get this...

680

00:41:02,600 —> 00:41:04,534

Bella, if you wanna...

681

00:41:04,903 —> 00:41:07,997

I think I should make sure

Bella gets something to eat.

682

00:41:08,073 —> 00:41:09,597

If you'd like.

683

00:41:11,176 —> 00:41:13,269

I'll drive you home myself.

684

00:41:13,344 —> 00:41:15,710

That's so thoughtful.

685

00:41:15,780 —> 00:41:18,248

It's really thoughtful. Yeah.

686

00:41:18,883 —> 00:41:21,044

Yeah. I should eat something.

687

00:41:21,119 —> 00:41:22,416

Yeah.

688

00:41:23,254 —> 00:41:25,779

- Okay, so we'll see you tomorrow.

- Okay, yeah.

689

00:41:25,857 —> 00:41:27,688

- ANGELA: See ya.

- Okay.

690

00:41:36,201 —> 00:41:37,634

(GIRLS GIGGLING)

691

00:41:38,570 —> 00:41:40,970

All right, one mushroom ravioli.

692

00:41:41,806 —> 00:41:44,206

- Thanks.

- Yeah, no problem.

693

00:41:45,143 —> 00:41:47,441
So are you sure there isn't anything
I can get for you?

694
00:41:47,512 —> 00:41:49,412
No. No, thank you.

695
00:41:50,215 —> 00:41:51,876
Let me know.

696
00:41:52,083 —> 00:41:53,414
(SIGHS SOFTLY)

697
00:41:57,789 —> 00:41:59,950
You're really not gonna eat?

698
00:42:02,127 —> 00:42:04,755
No, I'm on a special diet.

699
00:42:07,031 —> 00:42:09,397
You gotta give me some answers.

700

00:42:10,568 —> 00:42:12,035

Yes, no.

701

00:42:12,804 —> 00:42:15,204

To get to the other side.

702

00:42:15,807 —> 00:42:17,741

1.77245...

703

00:42:17,809 —> 00:42:20,141

I don't want to know

what the square root of pi is.

704

00:42:20,211 —> 00:42:21,906

You knew that?

705

00:42:21,980 —> 00:42:24,107

How did you know where I was?

706

00:42:24,182 —> 00:42:25,444

I didn't.

707

00:42:25,850 —> 00:42:28,546

- All right.

- What?

708

00:42:28,620 —> 00:42:30,281

Don't leave. I...

709

00:42:34,125 —> 00:42:36,252

Did you follow me?

710

00:42:37,929 —> 00:42:39,226

I...

711

00:42:39,297 —> 00:42:43,734

I feel very protective of you.

712

00:42:46,604 —> 00:42:47,935

So you followed me.

713

00:42:48,006 —> 00:42:50,998

I was trying to keep a distance

unless you needed my help,

714

00:42:51,075 —> 00:42:55,307

and then I heard what those low-lifes

were thinking.

715

00:42:55,380 —> 00:42:56,711

Wait.

716

00:42:57,348 —> 00:43:00,283

You say you heard what they were thinking?

717

00:43:01,619 —> 00:43:02,813

(LAUGHS SOFTLY)

718

00:43:03,288 —> 00:43:05,017

So what, you...

719

00:43:06,124 —> 00:43:07,887

You read minds?

720

00:43:10,728 —> 00:43:14,425

I can read every mind in this room.

721

00:43:15,533 —> 00:43:17,364

Apart from yours.

722

00:43:19,270 —> 00:43:22,933

There's money, sex,

723

00:43:24,409 —> 00:43:25,876

money,

724

00:43:26,544 —> 00:43:28,068

sex,

725

00:43:28,146 —> 00:43:29,408

cat.

726

00:43:29,747 —> 00:43:30,975

(SIGHS)

727

00:43:32,383 —> 00:43:35,216

And then you, nothing.

728

00:43:37,088 —> 00:43:39,180
It's very frustrating.

729
00:43:41,658 —> 00:43:44,058
Is there something wrong with me?

730
00:43:45,462 —> 00:43:47,657
See, I tell you I can read minds,

731
00:43:47,731 —> 00:43:50,791
and you think there's
something wrong with you.

732
00:43:55,572 —> 00:43:56,937
(EXHALES)

733
00:43:58,342 —> 00:43:59,934
What is it?

734
00:44:00,477 —> 00:44:07,280
I don't have the strength
to stay away from you anymore.

735

00:44:09,786 —> 00:44:11,253

Then don't.

736

00:44:31,041 —> 00:44:33,635

Okay, I think I'm warm enough now.

737

00:44:35,145 —> 00:44:36,635

(GASPS)

738

00:44:40,083 —> 00:44:42,108

Your hand is so cold.

739

00:44:53,030 —> 00:44:54,054

BELLA: Whoa!

740

00:44:54,131 —> 00:44:55,996

What is going on?

741

00:44:57,534 —> 00:44:59,502

My dad's still here.

742

00:44:59,569 —> 00:45:01,560

Can you pull in?

743

00:45:03,941 —> 00:45:06,409

EDWARD: That's my father's car on the end.

744

00:45:06,843 —> 00:45:08,868

What is he doing here?

745

00:45:11,615 —> 00:45:13,776

EDWARD: Carlisle, what's going on?

746

00:45:15,352 —> 00:45:18,753

Waylon Forge was found in a boat

out near his place.

747

00:45:19,556 —> 00:45:22,184

- I just examined the body.

- He died?

748

00:45:23,694 —> 00:45:25,992

- How?

- Animal attack.

749

00:45:28,398 —> 00:45:31,595

Was it the same one that

got that security guard down in Mason?

750

00:45:31,668 —> 00:45:32,930

Most likely.

751

00:45:33,003 —> 00:45:36,837

- Well, it's getting closer to town, then.

- Bella, you should go inside.

752

00:45:36,907 —> 00:45:39,398

Waylon was your father's friend.

753

00:45:39,476 —> 00:45:40,670

Okay.

754

00:45:44,348 —> 00:45:46,213

I'll see you later.

755

00:45:46,283 —> 00:45:47,978

(MAN CHATTERING ON POLICE RADIO)

756

00:45:58,295 —> 00:46:00,126

- Hey.

- Hey.

757

00:46:03,967 —> 00:46:05,901

Dad, I'm really sorry.

758

00:46:10,474 —> 00:46:13,034

I've known him going on 30 years.

759

00:46:28,124 —> 00:46:30,957

Don't worry, we're gonna find this thing.

760

00:46:32,194 —> 00:46:33,627

Meantime,

761

00:46:34,897 —> 00:46:37,331

I want you to carry this with you.

762

00:46:39,769 —> 00:46:43,933

- I don't know if you...

- It'll give your old man some peace of mind.

763

00:46:44,006 —> 00:46:45,268

Okay.

764

00:46:48,544 —> 00:46:50,205

Let's go home.

765

00:47:35,825 —> 00:47:37,190

Cold One.

766

00:48:16,198 —> 00:48:17,859

(ECHOING BOOM)

767

00:49:39,113 —> 00:49:41,104

(BREATH TREMBLING)

768

00:49:44,419 —> 00:49:47,217

You're impossibly fast and strong.

769

00:49:48,556 —> 00:49:51,457

Your skin is pale white and ice-cold.

770

00:49:52,427 —> 00:49:54,361

Your eyes change color.

771

00:49:55,296 —> 00:49:59,596

And sometimes you speak

like you're from a different time.

772

00:50:01,236 —> 00:50:05,366

You never eat or drink anything.

You don't go out in the sunlight.

773

00:50:06,808 —> 00:50:08,469

(BELLA GASPS QUIETLY)

774

00:50:08,543 —> 00:50:10,238

How old are you?

775

00:50:11,613 —> 00:50:13,103

Seventeen.

776

00:50:15,350 —> 00:50:17,477

How long have you been 17?

777

00:50:20,955 —> 00:50:22,354

A while.

778

00:50:35,403 —> 00:50:37,268

I know what you are.

779

00:50:39,741 —> 00:50:41,174

Say it.

780

00:50:44,679 —> 00:50:46,078

Out loud.

781

00:50:48,983 —> 00:50:50,314

Say it.

782

00:50:56,257 —> 00:50:57,554

Vampire.

783

00:51:00,995 —> 00:51:02,587

Are you afraid?

784

00:51:03,998 —> 00:51:05,226

(BREATH TREMBLING)

785

00:51:10,805 —> 00:51:11,863

No.

786

00:51:14,475 —> 00:51:17,444

Then ask me the most basic question.

787

00:51:17,512 —> 00:51:19,207

What do we eat?

788

00:51:22,150 —> 00:51:23,947

You won't hurt me.

789

00:51:28,890 —> 00:51:30,721

Where are we going?

790

00:51:31,926 —> 00:51:33,086

Up the mountain.

791

00:51:33,161 —> 00:51:35,129

Out of the cloud bank.

792

00:51:35,196 —> 00:51:38,359

You need to see what

I look like in the sunlight.

793

00:51:53,014 —> 00:51:54,413

(BELLA PANTING)

794

00:51:57,485 —> 00:52:00,045

This is why we don't show

ourselves in sunlight.

795

00:52:00,121 —> 00:52:02,588

People would know we're different.

796

00:52:12,766 —> 00:52:14,529

This is what I am.

797

00:52:17,137 —> 00:52:19,332

(GASPING)

798

00:52:19,973 —> 00:52:21,907

It's like diamonds.

799

00:52:30,484 —> 00:52:32,179

You're beautiful.

800

00:52:35,355 —> 00:52:36,913

Beautiful?

801

00:52:36,990 —> 00:52:39,618

This is the skin of a killer, Bella.

802

00:52:46,133 —> 00:52:47,657

I'm a killer.

803

00:52:49,770 —> 00:52:51,670

I don't believe that.

804

00:52:52,339 —> 00:52:54,933

That's because you believe the lie.

805

00:52:55,542 —> 00:52:57,169

It's camouflage.

806

00:52:59,479 —> 00:53:02,346

I'm the world's most dangerous predator.

807

00:53:03,150 —> 00:53:06,313

Everything about me invites you in,

808

00:53:06,887 —> 00:53:10,220

my voice, my face, even my smell.

809

00:53:11,291 —> 00:53:13,816

As if I would need any of that.

810

00:53:13,960 —> 00:53:16,053

(LOUD WHOOSH)

811

00:53:16,530 —> 00:53:18,691

As if you could outrun me!

812

00:53:20,734 —> 00:53:22,292

(WHOOSHING)

813

00:53:24,438 —> 00:53:26,702

As if you could fight me off.

814

00:53:30,143 —> 00:53:32,043

I'm designed to kill.

815

00:53:34,981 —> 00:53:36,642

I don't care.

816

00:53:37,484 —> 00:53:39,611

I've killed people before.

817

00:53:41,388 —> 00:53:43,185

It does not matter.

818

00:53:47,861 —> 00:53:49,726

I wanted to kill you.

819

00:53:53,200 —> 00:53:57,637
I've never wanted a human's blood
so much in my life.

820
00:53:58,905 —> 00:54:00,429
I trust you.

821
00:54:02,943 —> 00:54:04,240
Don't.

822
00:54:05,579 —> 00:54:07,513
I'm here. I trust you.

823
00:54:07,581 —> 00:54:08,741
(WHOOSH)

824
00:54:12,085 —> 00:54:15,316
My family,
we're different from others of our kind.

825
00:54:15,388 —> 00:54:17,151
We only hunt animals.

826

00:54:17,224 —> 00:54:19,852

We've learned to control our thirst.

827

00:54:20,560 —> 00:54:23,290

But it's you, your scent,

828

00:54:25,799 —> 00:54:28,029

it's like a drug to me.

829

00:54:29,436 —> 00:54:33,270

You're like

my own personal brand of heroin.

830

00:54:36,009 —> 00:54:36,998

(WHOOSH)

831

00:54:40,313 —> 00:54:43,476

Why did you hate me

so much when we met?

832

00:54:43,550 —> 00:54:45,017

I did.

833

00:54:45,318 —> 00:54:48,048

Only for making me want you so badly.

834

00:54:48,655 —> 00:54:51,623

I still don't know if I can control myself.

835

00:54:53,592 —> 00:54:55,253

I know you can.

836

00:55:03,669 —> 00:55:05,728

I can't read your mind.

837

00:55:06,405 —> 00:55:09,374

You have to tell me what you're thinking.

838

00:55:11,844 —> 00:55:13,539

Now I'm afraid.

839

00:55:18,551 —> 00:55:19,882

Good.

840

00:55:21,020 —> 00:55:22,954

I'm not afraid of you.

841

00:55:26,692 —> 00:55:30,788

I'm only afraid of losing you.

I feel like you're gonna disappear.

842

00:55:37,903 —> 00:55:40,895

You don't know how long

I've waited for you.

843

00:55:49,114 —> 00:55:51,947

So the lion fell in love with the lamb.

844

00:55:55,554 —> 00:55:57,385

What a stupid lamb.

845

00:55:57,456 —> 00:56:00,050

What a sick, masochistic lion.

846

00:56:02,561 —> 00:56:04,324

(GENTLE THEME PLAYING)

847

00:57:25,644 —> 00:57:28,738

BELLA: About three things

I was absolutely positive.

848

00:57:30,115 —> 00:57:31,275

First,

849

00:57:32,584 —> 00:57:34,415

Edward was a vampire.

850

00:57:38,990 —> 00:57:40,252

Second,

851

00:57:41,059 —> 00:57:42,993

there was a part of him,

852

00:57:43,061 —> 00:57:45,188

and I didn't know

how dominant that part might be,

853

00:57:45,263 —> 00:57:46,628

(HORN HONKS TWICE)

854

00:57:46,698 —> 00:57:48,893

That thirsted for my blood.

855

00:57:52,837 —> 00:57:54,327

And third,

856

00:57:55,406 —> 00:57:59,206

I was unconditionally and irrevocably

in love with him.

857

00:58:04,849 —> 00:58:07,943

JESSICA: Monte Carlo?

That's our prom theme?

858

00:58:08,019 —> 00:58:12,718

Gambling, tuxedos, and Bond, James Bond.

859

00:58:13,991 —> 00:58:15,686

(ENGINE PURRS)

860

00:58:16,661 —> 00:58:18,629
Oh, my God.

861
00:58:18,796 —> 00:58:20,627
(UP-TEMPO ROCK THEME PLAYING)

862
00:58:27,538 —> 00:58:28,698
Wow.

863
00:58:28,773 —> 00:58:29,933
(CLEARS THROAT)

864
00:58:30,875 —> 00:58:33,207
You know, everybody's staring.

865
00:58:37,148 —> 00:58:40,515
Not that guy. No, he just looked.

866
00:58:42,954 —> 00:58:45,752
I'm breaking all the rules now anyway.

867
00:58:45,823 —> 00:58:47,950

Since I'm going to hell.

868
00:58:52,363 —> 00:58:55,161
So, does a person have to be dying

869
00:58:57,735 —> 00:58:59,635
to become like you?

870
00:59:00,204 —> 00:59:03,173
No, that's just Carlisle.

871
00:59:04,742 —> 00:59:08,200
He'd never do this to someone
who had another choice.

872
00:59:09,781 —> 00:59:12,477
So, how long have you been like this?

873
00:59:13,417 —> 00:59:14,975
Since 1918.

874
00:59:15,820 —> 00:59:19,551

That's when Carlisle found me
dying of Spanish influenza.

875
00:59:21,692 —> 00:59:22,852
BELLA: What was it like?

876
00:59:22,927 —> 00:59:23,951
(YELLS)

877
00:59:24,028 —> 00:59:26,394
EDWARD: The venom was excruciating.

878
00:59:27,098 —> 00:59:29,259
But what Carlisle did was much harder.

879
00:59:29,333 —> 00:59:31,801
Not many of us have the restraint to do that.

880
00:59:31,869 —> 00:59:34,531
But didn't he just have to bite?

881
00:59:36,774 —> 00:59:38,241

Not exactly.

882

00:59:38,810 —> 00:59:40,573

When we taste

883

00:59:42,713 —> 00:59:46,149

human blood, a sort of frenzy begins,

884

00:59:47,652 —> 00:59:50,143

and it's almost impossible to stop.

885

00:59:52,356 —> 00:59:54,085

BELLA: But Carlisle did.

886

00:59:54,158 —> 00:59:56,991

EDWARD: First with me

and then with his wife, Esme.

887

00:59:57,061 —> 01:00:01,589

So is Carlisle the real reason

that you don't kill people?

888

01:00:05,269 —> 01:00:07,533
No, he's not the only reason.

889
01:00:10,074 —> 01:00:12,770
I don't want to be a monster.

890
01:00:14,412 —> 01:00:18,542
My family,
we think of ourselves as vegetarians, right,

891
01:00:18,616 —> 01:00:21,949
'cause we only survive
on the blood of animals.

892
01:00:22,019 —> 01:00:23,486
But it's...

893
01:00:24,321 —> 01:00:27,017
It's like a human only living on tofu.

894
01:00:27,090 —> 01:00:31,618
It keeps you strong,
but you're never fully satisfied.

895

01:00:34,731 —> 01:00:38,167

It wouldn't be like drinking your blood,

for instance.

896

01:00:43,573 —> 01:00:46,633

Was it other vampires that killed Waylon?

897

01:00:46,710 —> 01:00:47,972

Yeah.

898

01:00:48,044 —> 01:00:52,310

There are others out there,

and we run into them from time to time.

899

01:00:54,284 —> 01:00:58,220

Can the rest of your family

read people's minds like you can?

900

01:01:01,291 —> 01:01:03,156

No. That's just me.

901

01:01:03,927 —> 01:01:06,760

But Alice can see the future.

902

01:01:07,797 —> 01:01:09,788

I bet she saw me coming.

903

01:01:11,134 —> 01:01:13,568

Alice's visions are subjective.

904

01:01:14,004 —> 01:01:16,802

I mean, the future can always change.

905

01:01:23,780 —> 01:01:24,769

(LOUD BANG)

906

01:01:27,250 —> 01:01:29,980

Could you act human?

I mean, I've got neighbors.

907

01:01:30,053 —> 01:01:32,920

I'm gonna take you to my place tomorrow.

908

01:01:34,391 —> 01:01:35,790
Thanks.

909
01:01:36,259 —> 01:01:39,194
- Wait, like, with your family?
- Yeah.

910
01:01:40,497 —> 01:01:42,658
What if they don't like me?

911
01:01:43,533 —> 01:01:47,128
So, you're worried not because
you'll be in a house full of vampires,

912
01:01:47,203 —> 01:01:50,331
but because you think
they won't approve of you?

913
01:01:50,640 —> 01:01:52,540
I'm glad I amuse you.

914
01:01:54,110 —> 01:01:55,668
What is it?

915

01:01:56,980 —> 01:01:58,572

Complication.

916

01:02:00,617 —> 01:02:02,710

I'll pick you up tomorrow.

917

01:02:28,445 —> 01:02:31,380

Hey. Come to visit your truck?

918

01:02:32,549 —> 01:02:34,983

Looks good. Got that dent out.

919

01:02:35,051 —> 01:02:37,679

- Yeah.

- Actually, we came to visit your flat-screen.

920

01:02:37,754 —> 01:02:39,984

First Mariners game of the season.

921

01:02:40,056 —> 01:02:43,787

Plus Jacob here keeps bugging me about

seeing you again.

922

01:02:43,860 —> 01:02:45,794

Great, Dad. Thanks.

923

01:02:45,862 —> 01:02:48,057

Just keeping it real, son.

924

01:02:49,432 —> 01:02:51,195

CHARLIE: Vitamin R.

925

01:02:51,267 —> 01:02:52,996

Well done, Chief.

926

01:02:53,069 —> 01:02:55,469

Harry Clearwater's homemade fish fry.

927

01:02:55,538 —> 01:02:57,028

Good man.

928

01:02:59,409 —> 01:03:01,206

Any luck with that Waylon case?

929

01:03:01,277 —> 01:03:04,075

Well, I don't think it was an animal

that killed him.

930

01:03:04,147 —> 01:03:06,206

Never thought it was.

931

01:03:07,717 —> 01:03:09,446

So spread the word out at the rez, huh?

932

01:03:09,519 —> 01:03:11,077

Keep the kids out of the woods.

933

01:03:11,154 —> 01:03:12,450

Will do.

934

01:03:13,255 —> 01:03:16,224

Don't want no one else getting hurt, do we?

935

01:03:19,225 —> 01:03:21,090

(SLOW, EXO TIC THEME PLAYING)

936

01:03:46,820 —> 01:03:47,844

(EXHALES)

937

01:03:47,921 —> 01:03:49,149

Whoa.

938

01:03:50,256 —> 01:03:52,019

This is incredible.

939

01:03:55,128 —> 01:03:57,790

It's so light and open, you know?

940

01:03:59,432 —> 01:04:03,425

What did you expect,

coffins and dungeons and moats?

941

01:04:03,937 —> 01:04:06,337

(CHUCKLES) No, not the moats.

942

01:04:07,340 —> 01:04:08,967

Not the moats.

943

01:04:15,682 —> 01:04:18,651

This is the one place we don't have to hide.

944

01:04:19,719 —> 01:04:21,118

(OPERATIC MUSIC PLAYING IN DISTANCE)

945

01:04:21,187 —> 01:04:23,018

I told them not to do this.

946

01:04:23,089 —> 01:04:26,752

MAN ON TV: You add a little bit of olive oil

to a non-stick saute pan,

947

01:04:26,826 —> 01:04:30,227

and you want to cook

with the olive oil in medium-high heat.

948

01:04:30,296 —> 01:04:34,062

What I do, I cut this in strips,

and then we gonna cut this...

949

01:04:34,134 —> 01:04:37,262

- Is she even Italian?

- Her name is Bella.

950

01:04:37,337 —> 01:04:40,306

I'm sure she'll love it, no matter what.

951

01:04:40,373 —> 01:04:42,170

ROSALIE: (SIGHS) Get a whiff of that.

952

01:04:42,742 —> 01:04:44,869

(SINGSONG) Here comes the human.

953

01:04:48,748 —> 01:04:51,376

Bella, we're making Italiano for you.

954

01:04:52,552 —> 01:04:56,989

Bella, this is Esme.

My mother for all intents and purposes.

955

01:04:57,056 —> 01:04:59,616

(SPEAKING ITALIAN)

956

01:04:59,692 —> 01:05:01,990

You've given us an excuse

to use the kitchen for the first time.

957

01:05:02,061 —> 01:05:03,221

I hope you're hungry.

958

01:05:03,296 —> 01:05:05,924

- Yeah, absolutely.

- She already ate.

959

01:05:12,338 —> 01:05:13,669

Perfect.

960

01:05:14,240 —> 01:05:18,233

Yeah, it's just because

I know that you guys don't eat...

961

01:05:18,311 —> 01:05:20,802

Of course. It's very considerate of you.

962

01:05:20,880 —> 01:05:23,440

- Just ignore Rosalie. I do.

- ROSALIE: Yeah.

963

01:05:23,516 —> 01:05:26,679

Let's just keep pretending

like this isn't dangerous for all of us.

964

01:05:26,753 —> 01:05:30,314

I would never tell anybody anything.

965

01:05:30,990 —> 01:05:32,753

She knows that.

966

01:05:32,825 —> 01:05:35,919

Yeah, well, the problem is,

you two have gone public now, so...

967

01:05:35,995 —> 01:05:36,984

Emmett.

968

01:05:37,063 —> 01:05:38,758

No, she should know.

969

01:05:38,831 —> 01:05:42,528

The entire family

will be implicated if this ends badly.

970

01:05:43,036 —> 01:05:44,731

Badly, as in...

971

01:05:46,339 —> 01:05:48,705

I would become the meal.

972

01:05:49,309 —> 01:05:50,742

(SNICKERING)

973

01:05:51,978 —> 01:05:53,707

(LAUGHING)

974

01:05:56,082 —> 01:05:57,481

Hi, Bella.

975

01:06:01,286 —> 01:06:02,776

I'm Alice.

976

01:06:03,722 —> 01:06:05,019

- Hi.

- Hi.

977

01:06:06,892 —> 01:06:08,792

You do smell good.

978

01:06:08,860 —> 01:06:10,020

Alice, what are you...

979

01:06:10,095 —> 01:06:13,553

It's okay.

Bella and I are gonna be great friends.

980

01:06:16,902 —> 01:06:19,370

CARLISLE: Sorry,

Jasper's our newest vegetarian.

981

01:06:19,438 —> 01:06:21,531

It's a little difficult for him.

982

01:06:21,607 —> 01:06:23,507

It's a pleasure to meet you.

983

01:06:23,575 —> 01:06:26,373

It's okay, Jasper. You won't hurt her.

984

01:06:27,846 —> 01:06:31,475

All right, I'm gonna take you

on a tour of the rest of the house.

985

01:06:31,550 —> 01:06:33,848

- Okay.

- Well, I'll see you soon.

986

01:06:33,919 —> 01:06:35,147

Okay.

987

01:06:37,122 —> 01:06:38,680

- Cute!

- I know.

988

01:06:39,258 —> 01:06:40,486

I think that went well.

989

01:06:40,559 —> 01:06:42,959

Clean this up. Now.

990

01:06:43,028 —> 01:06:46,156

Was that as weird for you as it was for me?

991

01:06:46,231 —> 01:06:48,028

I don't know.

992

01:06:53,705 —> 01:06:55,366

Graduation caps?

993

01:06:56,541 —> 01:06:59,374

Yeah. It's a private joke.

994

01:07:00,279 —> 01:07:02,213

We matriculate a lot.

995

01:07:03,749 —> 01:07:05,649

That's kind of miserable.

996

01:07:05,717 —> 01:07:08,584
I mean, repeating high school
over and over.

997
01:07:08,654 —> 01:07:10,747
True, but the younger we start out
in a new place,

998
01:07:10,822 —> 01:07:12,949
the longer we can stay there.

999
01:07:13,025 —> 01:07:14,549
Come on.

1000
01:07:24,803 —> 01:07:26,703
Yeah, this is my room.

1001
01:07:35,981 —> 01:07:37,448
(BIRDS CHIRPING OUTSIDE)

1002
01:07:39,551 —> 01:07:40,916
No bed?

1003

01:07:41,486 —> 01:07:43,044

No, I don't...

1004

01:07:43,822 —> 01:07:45,380

I don't sleep.

1005

01:07:46,224 —> 01:07:48,556

- Ever?

- No, not at all.

1006

01:07:50,228 —> 01:07:51,695

(CHUCKLES SOFTLY)

1007

01:07:51,763 —> 01:07:53,060

Okay.

1008

01:08:01,473 —> 01:08:03,771

Boy, you have so much music.

1009

01:08:04,543 —> 01:08:06,738

What are you listening to?

1010

01:08:06,812 —> 01:08:07,574

(BUTTON CLICKS)

1011

01:08:08,880 —> 01:08:10,142

(CLASSICAL MUSIC PLAYING)

1012

01:08:10,215 —> 01:08:11,739

It's Debussy.

1013

01:08:14,219 —> 01:08:16,119

- I don't know...

- Yeah.

1014

01:08:19,925 —> 01:08:22,223

Claire De Lune is great.

1015

01:08:56,861 —> 01:08:59,557

- What?

- I can't dance.

1016

01:09:00,364 —> 01:09:01,831

(CHUCKLES SOFTLY)

1017

01:09:02,833 —> 01:09:04,300

(INHALES SHARPLY)

1018

01:09:08,939 —> 01:09:11,169

Well, I could always make you.

1019

01:09:13,477 —> 01:09:15,445

I'm not scared of you.

1020

01:09:18,849 —> 01:09:21,784

Well, you really shouldn't have said that.

1021

01:09:21,852 —> 01:09:23,183

(BELLA GASPS)

1022

01:09:26,157 —> 01:09:29,024

You better hold on tight, spider monkey.

1023

01:09:29,093 —> 01:09:30,424

(BELLA GIGGLES)

1024

01:09:34,131 —> 01:09:35,860

Do you trust me?

1025

01:09:36,400 —> 01:09:37,958

In theory.

1026

01:09:38,569 —> 01:09:40,503

Then close your eyes.

1027

01:10:05,029 —> 01:10:06,291

What?

1028

01:10:07,665 —> 01:10:09,292

(CHUCKLES) This isn't real.

1029

01:10:09,934 —> 01:10:12,528

This kind of stuff just doesn't exist.

1030

01:10:12,603 —> 01:10:14,366

It does in my world.

1031

01:10:53,744 —> 01:10:55,268
(PLAYING GENTLE MELODY)

1032
01:11:32,049 —> 01:11:33,380
(MEN SHOUTING)

1033
01:11:33,450 —> 01:11:34,939
(DOGS BARKING)

1034
01:11:40,423 —> 01:11:42,084
(SNIFFING)

1035
01:11:44,294 —> 01:11:45,784
MAN: Hold up.

1036
01:11:51,034 —> 01:11:52,524
It's human.

1037
01:11:56,573 —> 01:11:59,474
Arizona. Yo, what's happening?

1038
01:12:00,009 —> 01:12:02,034

So you and Cullen, huh?

1039

01:12:02,111 —> 01:12:04,579

That's... I don't like it.

1040

01:12:05,381 —> 01:12:07,042

I mean, I don't know,

1041

01:12:07,116 —> 01:12:10,381

he just looks at you

like you're something to eat.

1042

01:12:12,989 —> 01:12:15,514

Here's your veggie plate, Stephenie.

1043

01:12:16,025 —> 01:12:18,619

Hey, sorry I'm late. Biology project.

1044

01:12:19,762 —> 01:12:22,629

I ordered you the spinach salad.

I hope that's okay.

1045

01:12:22,699 —> 01:12:24,724

You should order one for yourself next time.

1046

01:12:24,801 —> 01:12:26,826

Cut back on the steak.

1047

01:12:27,170 —> 01:12:29,468

Hey, I'm as healthy as a horse.

1048

01:12:30,440 —> 01:12:32,965

Say, Chief, boys want to know,

1049

01:12:34,344 —> 01:12:37,745

did you find anything

down by Queets River today?

1050

01:12:40,416 —> 01:12:42,884

Yeah, we found a bare human footprint,

1051

01:12:42,952 —> 01:12:45,318

but it looks like whoever that is,

is headed east,

1052

01:12:45,388 —> 01:12:48,152

so Kitsap County sheriff is gonna take

over from here.

1053

01:12:48,224 —> 01:12:49,885

- CORA: Okay.

- Okay?

1054

01:12:49,959 —> 01:12:52,325

I just hope they catch him fast.

1055

01:13:01,638 —> 01:13:04,471

Looks like your friends are flagging you.

1056

01:13:06,275 —> 01:13:08,004

It's okay if you wanna go join them.

1057

01:13:08,077 —> 01:13:10,739

I'm just gonna turn in early anyway.

1058

01:13:10,813 —> 01:13:12,178

Me, too.

1059

01:13:12,248 —> 01:13:14,739

Bella, it's Friday night. Go out.

1060

01:13:15,752 —> 01:13:18,220

Looks like the Newton boy's

got a big smile for you.

1061

01:13:18,287 —> 01:13:20,346

Yeah, he's a good buddy.

1062

01:13:21,224 —> 01:13:23,522

What about any of these

other yahoos in town?

1063

01:13:23,593 —> 01:13:25,618

Anybody interest you?

1064

01:13:27,096 —> 01:13:29,394

Dad, we gonna talk about boys?

1065

01:13:30,733 —> 01:13:32,394

Yeah, I guess not.

1066

01:13:33,136 —> 01:13:36,572

I just feel like I leave you alone too much.

1067

01:13:36,839 —> 01:13:39,034

You should be around people.

1068

01:13:40,276 —> 01:13:42,642

I don't really mind being alone.

1069

01:13:43,246 —> 01:13:46,306

I guess I'm kind of like my dad in that way.

1070

01:13:50,753 —> 01:13:53,449

So, how's all the baseball stuff going?

1071

01:13:53,790 —> 01:13:56,088

Phil's working so hard.

1072

01:13:56,159 —> 01:13:58,627

You know, spring training.

1073

01:13:58,695 —> 01:14:01,664

We're looking for a house to rent

in case things become more permanent.

1074

01:14:01,731 —> 01:14:03,062

You'd like Jacksonville, baby.

1075

01:14:03,132 —> 01:14:04,258

Yeah?

1076

01:14:04,701 —> 01:14:06,669

I'm really liking Forks.

1077

01:14:06,736 —> 01:14:07,930

What?

1078

01:14:09,706 —> 01:14:11,503

Forks is growing on me.

1079

01:14:11,574 —> 01:14:14,441

Could a guy have anything to do with that?

1080

01:14:14,510 —> 01:14:16,637

Well, yeah.

1081

01:14:16,913 —> 01:14:20,747

I knew it. Tell me everything.

What is he? Jock? Indie?

1082

01:14:20,817 —> 01:14:23,114

I bet he's smart. Is he smart?

1083

01:14:25,187 —> 01:14:27,485

Mom, can I talk to you later?

1084

01:14:27,556 —> 01:14:30,684

Come on, we gotta talk boys.

Are you being safe?

1085

01:14:35,997 —> 01:14:38,261

How did you get in here?

1086

01:14:38,333 —> 01:14:39,857

The window.

1087

01:14:40,335 —> 01:14:42,200

Do you do that a lot?

1088

01:14:43,205 —> 01:14:45,867

Well, just the past couple of months.

1089

01:14:49,778 —> 01:14:51,939

I like watching you sleep.

1090

01:14:54,549 —> 01:14:57,074

It's kind of fascinating to me.

1091

01:15:01,656 —> 01:15:03,954

I always want to try one thing.

1092

01:15:05,227 —> 01:15:07,058

Just stay very still.

1093

01:15:14,169 —> 01:15:15,659

Don't move.

1094

01:15:34,556 —> 01:15:35,784

(GASPS SOFTLY)

1095

01:15:50,772 —> 01:15:51,898

(GRUNTS SOFTLY)

1096

01:15:56,978 —> 01:15:58,809

(BOTH PANTING)

1097

01:15:59,614 —> 01:16:01,275

Stop it!

1098

01:16:03,652 —> 01:16:05,142

I'm sorry.

1099

01:16:07,989 —> 01:16:10,150

I'm stronger than I thought.

1100

01:16:10,759 —> 01:16:13,250

Yeah. I wish I could say the same.

1101

01:16:18,066 —> 01:16:20,626

I can't ever lose control with you.

1102

01:16:26,942 —> 01:16:28,603

Hey, don't go.

1103

01:17:13,120 —> 01:17:14,610

(THUNDER RUMBLING)

1104

01:17:16,323 —> 01:17:18,951

- Hey, got you another one.

- Thanks.

1105

01:17:19,026 —> 01:17:21,494

I have a date with Edward Cullen.

1106

01:17:23,731 —> 01:17:26,256

He's a little old for you, isn't he?

1107

01:17:26,734 —> 01:17:27,826

No.

1108

01:17:28,435 —> 01:17:30,665

He's a junior. I'm a junior.

1109

01:17:31,405 —> 01:17:33,771

I thought you liked the Cullens.

1110

01:17:34,108 —> 01:17:36,770

I thought you didn't like

any of the boys in town.

1111

01:17:36,844 —> 01:17:39,074

Edward doesn't live in town.

1112

01:17:39,747 —> 01:17:41,237

Technically.

1113

01:17:43,984 —> 01:17:45,781

He's right outside.

1114

01:17:46,186 —> 01:17:47,619

He is?

1115

01:17:47,688 —> 01:17:50,657

Yeah, he wanted to meet you, officially.

1116

01:17:52,927 —> 01:17:55,191

All right. Bring him in.

1117

01:17:57,231 —> 01:17:58,926

Could you be nice?

1118

01:18:00,067 —> 01:18:01,728

He's important.

1119

01:18:13,280 —> 01:18:14,838

Chief Swan.

1120

01:18:14,915 —> 01:18:18,282

I want to formally introduce myself.

I'm Edward Cullen.

1121

01:18:18,352 —> 01:18:19,819

Hi, Edward.

1122

01:18:20,688 —> 01:18:21,950

Bella won't be out too late tonight.

1123

01:18:22,022 —> 01:18:24,388

She's just gonna play baseball

with my family.

1124

01:18:24,458 —> 01:18:25,447

Baseball?

1125

01:18:25,526 —> 01:18:27,426

Yes, sir, that's the plan.

1126

01:18:27,494 —> 01:18:29,689

(CHUCKLES) Bella's gonna play baseball.

1127

01:18:30,831 —> 01:18:32,526

Well, good luck with that.

1128

01:18:32,599 —> 01:18:35,397

I'll take good care of her. I promise.

1129

01:18:38,439 —> 01:18:39,770

Hey.

1130

01:18:40,774 —> 01:18:42,708

Still got that pepper spray?

1131

01:18:42,776 —> 01:18:44,209

(WHISPERS) Yeah, Dad.

1132

01:18:49,450 —> 01:18:52,180

And since when do vampires like baseball?

1133

01:18:52,252 —> 01:18:54,982

Well, it's the American pastime,

1134

01:18:55,055 —> 01:18:57,615

and there's a thunderstorm coming.

1135

01:18:57,691 —> 01:19:00,285

It's the only time we can play.

You'll see why.

1136

01:19:13,674 —> 01:19:14,698

Hey.

1137

01:19:14,775 —> 01:19:16,766

Glad you're here. We need an umpire.

1138

01:19:16,844 —> 01:19:18,368

She thinks we cheat.

1139

01:19:18,445 —> 01:19:20,106

I know you cheat.

1140

01:19:21,915 —> 01:19:24,850

- Call them as you see them, Bella.

- Okay.

1141

01:19:24,918 —> 01:19:27,011

(SUPERMASSIVE BLACK HOLE PLAYING)

1142

01:19:34,395 —> 01:19:35,919

It's time.

1143

01:19:42,603 —> 01:19:44,070

(THUNDER CRACKS)

1144

01:19:44,138 —> 01:19:47,107

Okay, now I see why you need the thunder.

1145

01:19:51,612 —> 01:19:54,308

That's gotta be a home run, right?

1146

01:19:54,381 —> 01:19:56,246

Edward's very fast.

1147

01:19:57,050 —> 01:20:00,986

(SINGING) Ooh, baby,

don't you know I suffer?

1148

01:20:01,054 —> 01:20:04,490

Ooh, baby, I'm a fool for you

1149

01:20:04,557 —> 01:20:06,354

Come home, Rosalie!

1150

01:20:09,328 —> 01:20:11,125

- You're out.

- Out!

1151

01:20:12,298 —> 01:20:14,664

Babe, come on. It's just a game.

1152

01:20:17,103 —> 01:20:20,436

You set my soul alight

1153

01:20:20,506 —> 01:20:21,973

Nice kitty.

1154

01:20:22,041 —> 01:20:25,238

Ooh

1155

01:20:25,311 —> 01:20:28,508

You set my soul alight

1156

01:20:28,581 —> 01:20:33,280

Ooh

1157

01:20:33,352 —> 01:20:36,446

You set my soul alight

1158

01:20:36,522 —> 01:20:41,118

Ooh

1159

01:20:41,194 —> 01:20:42,559

You set my soul alight

1160

01:20:42,628 —> 01:20:44,789

What are you doing?

1161

01:20:46,532 —> 01:20:50,491

Super massive black hole

1162

01:20:50,570 —> 01:20:54,529

Super massive black hole

1163

01:20:54,607 —> 01:20:58,441

Super massive black hole

1164

01:20:58,511 —> 01:21:02,242

Super massive black hole

1165

01:21:02,315 —> 01:21:03,942

My monkey man.

1166

01:21:15,328 —> 01:21:17,193

(THUNDER CRACKING)

1167

01:21:18,498 —> 01:21:19,829

Stop!

1168

01:21:22,635 —> 01:21:24,694

(OMINOUS ROCK THEME PLAYING)

1169

01:21:36,115 —> 01:21:38,845

They were leaving. Then they heard us.

1170

01:21:38,918 —> 01:21:41,011

- Let's go.

- It's too late.

1171

01:21:42,421 —> 01:21:44,218

Get your hair down.

1172

01:21:45,458 —> 01:21:49,053

Like that'll help.

I can smell her from across the field.

1173

01:21:55,101 —> 01:21:57,069

I shouldn't have brought you here.

I'm so sorry.

1174

01:21:57,136 —> 01:22:00,902

- What? What are you...

- Just be quiet and stand behind me.

1175

01:22:06,512 —> 01:22:07,774

(THUNDER RUMBLING)

1176

01:22:22,161 —> 01:22:24,652

I believe this belongs to you.

1177

01:22:27,667 —> 01:22:28,725

Thank you.

1178

01:22:28,801 —> 01:22:30,393

I am Laurent.

1179

01:22:30,736 —> 01:22:32,795

And this is Victoria

1180

01:22:34,240 —> 01:22:35,867

and James.

1181

01:22:36,709 —> 01:22:39,200

I'm Carlisle. This is my family.

1182

01:22:41,047 —> 01:22:42,309

Hello.

1183

01:22:42,381 —> 01:22:46,214

I'm afraid your hunting activities

have caused something of a mess for us.

1184

01:22:46,284 —> 01:22:48,115

Our apologies.

1185

01:22:48,186 —> 01:22:50,882

We didn't realize the territory

had been claimed.

1186

01:22:50,956 —> 01:22:54,448

Yes, well, we maintain

a permanent residence nearby.

1187

01:22:56,261 —> 01:22:57,489

Really?

1188

01:22:59,497 —> 01:23:02,591

Well, we won't be a problem anymore.

1189

01:23:03,535 —> 01:23:05,469

We were just passing through.

1190

01:23:05,537 —> 01:23:08,370

The humans were tracking us,

but we led them east.

1191

01:23:08,440 —> 01:23:10,237

You should be safe.

1192

01:23:10,775 —> 01:23:12,402

Excellent.

1193

01:23:13,111 —> 01:23:14,305

So,

1194

01:23:14,779 —> 01:23:17,247

could you use three more players?

1195

01:23:19,017 —> 01:23:21,247

Come on. Just one game.

1196

01:23:22,187 —> 01:23:24,087

Sure. Why not?

1197

01:23:24,155 —> 01:23:26,623

A few of us were leaving.

You could take their place.

1198

01:23:26,691 —> 01:23:28,352

We'll bat first.

1199

01:23:29,294 —> 01:23:31,592

I'm the one with the wicked curveball.

1200

01:23:31,663 —> 01:23:34,097

Well, I think we can handle that.

1201

01:23:35,567 —> 01:23:37,057

We shall see.

1202

01:23:40,939 —> 01:23:42,531

(OMINOUS THEME PLAYS)

1203

01:23:50,015 —> 01:23:51,880

(WIND WHISTLING SOFTLY)

1204

01:23:52,884 —> 01:23:54,317

(SNIFFING)

1205

01:23:57,289 —> 01:23:59,257

You brought a snack.

1206

01:24:00,058 —> 01:24:01,650

(SNARLING)

1207

01:24:01,726 —> 01:24:03,057

LAURENT: A human?

1208

01:24:06,431 —> 01:24:08,262

CARLISLE: The girl is with us.

1209

01:24:08,333 —> 01:24:10,665

I think it best if you leave.

1210

01:24:14,306 —> 01:24:16,297

I can see the game is over.

1211

01:24:16,374 —> 01:24:17,898

We'll go now.

1212

01:24:21,146 —> 01:24:22,545

James.

1213

01:24:34,693 —> 01:24:36,820

CARLISLE: Get Bella out of here.

1214

01:24:36,895 —> 01:24:38,157

Go.

1215

01:24:48,373 —> 01:24:51,433

Okay, I've got it! I've got it! I'm all right!

1216

01:24:53,078 —> 01:24:55,546

What, now he's coming after me?

1217

01:25:05,390 —> 01:25:08,223

Listen to me. James is a tracker.

The hunt is his obsession.

1218

01:25:08,293 —> 01:25:11,194

I read his mind.

My reaction on the field set him off.

1219

01:25:11,262 —> 01:25:14,595

I just made this his most exciting game ever.

1220

01:25:14,666 —> 01:25:16,224

- He's never gonna stop.

- What should we do?

1221

01:25:16,301 —> 01:25:20,067

We have to kill him.

Rip him apart and burn the pieces.

1222

01:25:20,138 —> 01:25:21,833

- Where we going?

- Away from Forks.

1223

01:25:21,906 —> 01:25:24,807

- We'll get a ferry to Vancouver.

- I have to go home. Now.

1224

01:25:24,876 —> 01:25:28,277

- You have to take me home.

- You can't go home.

1225

01:25:28,346 —> 01:25:31,281

He's just gonna trace your scent there.

It's the first place he's gonna look.

1226

01:25:31,349 —> 01:25:33,407

- But my dad is there. We...

- It doesn't matter!

1227

01:25:33,484 —> 01:25:36,749

Yes, it does!

He could get killed because of us!

1228

01:25:37,721 —> 01:25:39,586

Just let me get you out of here first,

all right?

1229

01:25:39,656 —> 01:25:42,386

It's my dad! We have to go back!

1230

01:25:42,459 —> 01:25:44,222

We'll figure a way

to lead the tracker away somehow.

1231

01:25:44,294 —> 01:25:47,161

I don't know. But we have to do something.

1232

01:25:50,834 —> 01:25:52,096

(SPORTS PLAYING ON TV)

1233

01:25:52,169 —> 01:25:54,831

- Edward, I said leave me alone.

- Bella, don't do this, please.

1234

01:25:54,905 —> 01:25:56,463

It's over! Get out!

1235

01:25:56,540 —> 01:25:58,064

Hey, hey, hey, hey.

1236

01:25:58,142 —> 01:26:00,201

Bella? What's going on?

1237

01:26:00,911 —> 01:26:04,005

I just gotta get out of here. I'm leaving now.

1238

01:26:05,949 —> 01:26:07,143

Hey.

1239

01:26:08,118 —> 01:26:09,483

(KNOCK ON DOOR)

1240

01:26:10,154 —> 01:26:11,485

CHARLIE: Bella?

1241

01:26:11,922 —> 01:26:14,413

What am I gonna say to him?

1242

01:26:14,491 —> 01:26:16,186

I can't hurt him.

1243

01:26:16,593 —> 01:26:19,494

- Bella, what's going on?

- You just have to.

1244

01:26:20,164 —> 01:26:22,189

I'll be down at the truck.

1245

01:26:27,504 —> 01:26:29,267

Did he hurt you?

1246

01:26:29,840 —> 01:26:31,171

No.

1247

01:26:33,343 —> 01:26:35,607

Break up with you or something?

1248

01:26:35,679 —> 01:26:37,738

No, I broke up with him.

1249

01:26:40,150 —> 01:26:42,277

I thought you liked him.

1250

01:26:44,688 —> 01:26:46,588

Yeah, that's why I have to leave.

1251

01:26:46,657 —> 01:26:49,353

I don't want this. I have to go home.

1252

01:26:51,161 —> 01:26:52,594

Home? Your...

1253

01:26:52,663 —> 01:26:55,097

CHARLIE: Your mom's not even in Phoenix.

1254

01:26:55,165 —> 01:26:56,826

BELLA: She'll come home.

I'll call her from the road.

1255

01:26:56,900 —> 01:26:59,198

You're not gonna drive home right now.

1256

01:26:59,269 —> 01:27:02,568

You can sleep on it.

If you still feel like going in the morning,

1257

01:27:02,639 —> 01:27:05,267

- I'll take you to the airport.

- No. I want to drive.

1258

01:27:05,342 —> 01:27:07,207

It'll give me more time to think.

1259

01:27:07,277 —> 01:27:10,110
I mean, if I get really tired,
I'll pull into a motel. I promise.

1260
01:27:10,180 —> 01:27:13,149
Look, Bella, I know I'm not
that much fun to be around,

1261
01:27:13,217 —> 01:27:17,517
but I can change that.
We can do more stuff together.

1262
01:27:20,791 —> 01:27:22,122
Like what?

1263
01:27:22,192 —> 01:27:24,922
Like watch baseball on the flat-screen?

1264
01:27:24,995 —> 01:27:27,759
Eat at the diner every night?
Steak and cobbler?

1265
01:27:27,831 —> 01:27:30,231

Dad, that's you. That's not me.

1266

01:27:33,670 —> 01:27:35,399

Bella, come on, I just...

1267

01:27:35,472 —> 01:27:37,770

I just got you back.

1268

01:27:40,444 —> 01:27:42,605

Yeah, and, you know, if I don't get out now,

1269

01:27:42,679 —> 01:27:45,773

then I'm just gonna be stuck here like Mom.

1270

01:27:46,283 —> 01:27:47,272

(DOOR SLAMS)

1271

01:28:10,073 —> 01:28:12,439

Your father's gonna forgive you.

1272

01:28:13,810 —> 01:28:16,142

Why don't you let me drive?

1273

01:28:21,817 —> 01:28:23,250

He won't.

1274

01:28:24,353 —> 01:28:26,514

You should've seen his face.

1275

01:28:28,324 —> 01:28:30,087

I told him the same thing

that my mom told him

1276

01:28:30,159 —> 01:28:31,786

when she was leaving him.

1277

01:28:31,861 —> 01:28:34,455

It's the only way he'd let you go.

1278

01:28:37,199 —> 01:28:41,568

Just don't worry about him now.

He's safe. The tracker's following us.

1279

01:28:41,637 —> 01:28:42,831

(LOUD BANG)

1280

01:28:42,905 —> 01:28:44,270

(GASPS)

1281

01:28:44,340 —> 01:28:46,535

- Oh, God.

- It's just Emmett.

1282

01:28:48,678 —> 01:28:51,010

Alice is in the car behind us.

1283

01:28:54,283 —> 01:28:56,376

(MELANCHOLY THEME PLAYING)

1284

01:29:12,668 —> 01:29:13,896

CARLISLE: Wait.

1285

01:29:14,904 —> 01:29:17,372

He came to warn us about James.

1286

01:29:17,740 —> 01:29:21,733

This isn't my fight,

and I've grown tired of his games,

1287

01:29:21,811 —> 01:29:24,746

but he's got unparalleled senses,

absolutely lethal.

1288

01:29:24,814 —> 01:29:27,806

I've never seen anything like him

in my 300 years.

1289

01:29:27,883 —> 01:29:31,751

And the woman, Victoria,

don't underestimate her.

1290

01:29:36,726 —> 01:29:37,920

I've had to fight our kind before.

1291

01:29:37,994 —> 01:29:41,020

- They're not easy to kill.

- EMMETT: But not impossible.

1292

01:29:41,430 —> 01:29:43,523

We'll tear them apart and burn the pieces.

1293

01:29:43,599 —> 01:29:45,499

I don't relish the thought

of killing another creature,

1294

01:29:45,568 —> 01:29:48,093

even a sadistic one like James.

1295

01:29:48,170 —> 01:29:51,469

- What if he kills one of us first?

- I'm gonna run Bella south.

1296

01:29:51,540 —> 01:29:52,700

Can you lead the tracker away from here?

1297

01:29:52,775 —> 01:29:54,709

No, Edward.

James knows you would never leave Bella.

1298

01:29:54,777 —> 01:29:56,802

- He'll follow you.

- ALICE: I'll go with Bella.

1299

01:29:56,879 —> 01:29:58,972

Jasper and I will drive her south.

1300

01:29:59,048 —> 01:30:00,379

I'll keep her safe, Edward.

1301

01:30:00,449 —> 01:30:03,577

- Can you keep your thoughts to yourself?

- Yes.

1302

01:30:07,356 —> 01:30:09,290

Rosalie, Esme,

1303

01:30:10,326 —> 01:30:14,387

could you put these on

so the tracker will pick up Bella's scent?

1304

01:30:16,666 —> 01:30:19,032

Why? What is she to me?

1305

01:30:19,101 —> 01:30:21,968

Rosalie, Bella is with Edward.

1306

01:30:22,038 —> 01:30:24,404

She's part of this family now,

1307

01:30:25,775 —> 01:30:28,073

and we protect our family.

1308

01:30:45,428 —> 01:30:47,555

Oh, God. If anything...

1309

01:30:47,630 —> 01:30:48,858

What if...

1310

01:30:48,931 —> 01:30:50,728

If anything happens, I swear to God...

1311

01:30:50,800 —> 01:30:52,768

Nothing's gonna happen.

1312

01:30:52,835 —> 01:30:55,531

There's seven of us,

and there's two of them,

1313
01:30:55,604 —> 01:30:59,267
and when everything's done,
I'm gonna come back and get you.

1314
01:30:59,341 —> 01:31:00,501
Yeah.

1315
01:31:01,243 —> 01:31:03,370
Bella, you are my life now.

1316
01:31:06,048 —> 01:31:07,844
(ENGINES STARTING)

1317
01:31:21,029 —> 01:31:22,826
Hey, Mom. It's me again.

1318
01:31:22,897 —> 01:31:24,831
You must have let your phone die
or something.

1319

01:31:24,899 —> 01:31:29,063
I'm not in Forks, but everything's okay,
and I'll explain it later.

1320
01:31:36,377 —> 01:31:38,368
EDWARD: Rosalie, mark the tree.

1321
01:31:40,548 —> 01:31:42,345
That's good.

1322
01:32:03,238 —> 01:32:04,671
(GROWLS)

1323
01:32:09,611 —> 01:32:11,101
(INHALES DEEPLY)

1324
01:32:27,829 —> 01:32:29,023
(GASPS)

1325
01:32:29,097 —> 01:32:31,258
What is it? What do you see?

1326

01:32:33,635 —> 01:32:35,227

(LOW RUMBLING)

1327

01:32:36,504 —> 01:32:38,233

(FIERCE GROWLING)

1328

01:32:43,344 —> 01:32:44,902

He's figured it out.

1329

01:32:44,979 —> 01:32:47,777

The tracker, he just changed course.

1330

01:32:49,584 —> 01:32:51,245

- Where will it take him, Alice?

- Mirrors.

1331

01:32:51,319 —> 01:32:53,310

A room full of mirrors.

1332

01:32:57,592 —> 01:33:00,686

Edward said the visions

weren't always certain.

1333

01:33:00,762 —> 01:33:03,060

JASPER: She sees the course people

are on while they're on it.

1334

01:33:03,131 —> 01:33:05,224

If they change their minds,

the vision changes.

1335

01:33:05,300 —> 01:33:07,530

Okay, so the course that

the tracker's on now

1336

01:33:07,602 —> 01:33:10,196

is gonna lead him to a ballet studio?

1337

01:33:11,005 —> 01:33:13,997

- You've been here?

- I took lessons as a kid.

1338

01:33:14,809 —> 01:33:16,674

The school I went to

had an arch just like that.

1339

01:33:16,744 —> 01:33:17,972

Was your school here in Phoenix?

1340

01:33:18,046 —> 01:33:19,308

Yeah.

1341

01:33:19,380 —> 01:33:20,369

(PHONE VIBRATES)

1342

01:33:21,049 —> 01:33:22,949

- Edward, are you okay?

- We've lost the tracker.

1343

01:33:23,017 —> 01:33:24,575

The woman's still in the area.

1344

01:33:24,652 —> 01:33:27,246

Rosalie and Esme are going back

to Forks to protect your father.

1345

01:33:27,322 —> 01:33:33,283

I'm coming to get you. Then you and I

are gonna go somewhere alone.

1346

01:33:33,361 —> 01:33:35,022

And the others will keep hunting.

1347

01:33:35,096 —> 01:33:38,293

I'll do whatever it takes

to make you safe again.

1348

01:33:44,906 —> 01:33:46,498

(PHONE VIBRATING)

1349

01:33:50,111 —> 01:33:52,375

Hey, Mom, I'm glad you got my message.

1350

01:33:52,447 —> 01:33:53,641

What are you doing home?

1351

01:33:53,715 —> 01:33:56,342

Bella? Bella? Bella, where are you?

1352

01:33:57,317 —> 01:34:00,286

- Calm down, everything's fine.

- Bella? Bella?

1353

01:34:00,354 —> 01:34:02,788

I'll explain everything later.

1354

01:34:02,890 —> 01:34:03,914

Mom, are you there?

1355

01:34:03,991 —> 01:34:08,052

JAMES: Forks High School doesn't protect

its students' privacy very well.

1356

01:34:08,128 —> 01:34:12,428

It was just too easy for Victoria

to find your previous address.

1357

01:34:12,499 —> 01:34:14,933

It's a nice house you have here.

1358

01:34:15,002 —> 01:34:17,266

I was prepared to wait for you,

1359

01:34:17,337 —> 01:34:21,967

but then Mom came home after she received

a very worried call from your dad,

1360

01:34:22,676 —> 01:34:25,110

and it all worked out quite well.

1361

01:34:25,812 —> 01:34:26,938

RENEE: Wait, wait...

1362

01:34:27,014 —> 01:34:28,311

Don't touch her! Don't...

1363

01:34:28,382 —> 01:34:30,714

- You can still save her.

- BELLA: Don't!

1364

01:34:30,784 —> 01:34:32,979

But you're gonna have to get away

from your friends.

1365

01:34:33,053 —> 01:34:36,181

- Can you handle that?

- Where should I meet you?

1366

01:34:38,191 —> 01:34:40,682

How about your old ballet studio?

1367

01:34:41,328 —> 01:34:44,229

And I'll know if you bring anyone along.

1368

01:34:46,166 —> 01:34:49,465

Poor Mommy would

pay the price for that mistake.

1369

01:35:06,386 —> 01:35:09,685

BELLA: I'd never given much thought

to how I would die.

1370

01:35:10,257 —> 01:35:14,660

But dying in the place of someone I love

seems like a good way to go.

1371

01:35:22,669 —> 01:35:27,333

I can't bring myself to regret the decisions

that brought me face-to-face with death.

1372

01:35:27,407 —> 01:35:29,773

They also brought me to Edward.

1373

01:35:58,672 —> 01:36:01,903

RENEE: Bella? Bella? Bella, where are you?

1374

01:36:01,975 —> 01:36:03,237

- Mom?

- Bella?

1375

01:36:03,310 —> 01:36:04,834

- Mom?

- There you are.

1376

01:36:04,911 —> 01:36:06,378

RENEE: What are you doing in here?

1377

01:36:06,446 —> 01:36:08,505

YOUNG BELLA: Everyone makes fun of me.

1378

01:36:09,182 —> 01:36:11,776

Come on, you're a wonderful dancer.

1379

01:36:11,852 —> 01:36:13,911

Mom, I suck.

1380

01:36:14,087 —> 01:36:15,247

(JAMES LAUGHING)

1381

01:36:15,322 —> 01:36:17,017

You do not suck.

1382

01:36:27,034 —> 01:36:29,127

That's my favorite part.

1383

01:36:30,037 —> 01:36:32,835

You were a stubborn child, weren't you?

1384

01:36:34,775 —> 01:36:36,936

- She's not even here.

- No.

1385

01:36:39,212 —> 01:36:40,577

JAMES: Sorry.

1386

01:36:41,014 —> 01:36:44,073

You know, but you really made it too easy.

1387

01:36:44,150 —> 01:36:47,449

So to make things more entertaining,

1388

01:36:48,054 —> 01:36:51,285

I'm gonna make a little film

of our time together.

1389

01:36:52,892 —> 01:36:56,293

I borrowed this from your house.

I hope you don't mind.

1390

01:36:56,362 —> 01:36:57,522

Good.

1391

01:36:57,596 —> 01:36:58,927

And

1392

01:37:00,099 —> 01:37:01,430

action.

1393

01:37:03,836 —> 01:37:05,565

That'll break Edward's little heart.

1394

01:37:05,638 —> 01:37:08,004

You have...

Edward has nothing to do with this!

1395

01:37:08,074 —> 01:37:09,735

But he does.

1396

01:37:10,776 —> 01:37:13,438

His rage will make for more interesting sport

1397

01:37:13,512 —> 01:37:16,970

than his feeble attempt to protect you.

1398

01:37:18,284 —> 01:37:20,115

And let's continue.

1399

01:37:25,124 —> 01:37:26,523

(GROWLS)

1400

01:37:26,759 —> 01:37:28,317

(WHOOSHING)

1401

01:37:30,896 —> 01:37:32,420

(BELLA YELLS)

1402

01:37:32,498 —> 01:37:34,090

(GRUNTING)

1403

01:37:34,166 —> 01:37:35,155

(GROANS)

1404

01:37:35,267 —> 01:37:38,566

Beautiful. Very visually dynamic.

1405

01:37:41,574 —> 01:37:43,633

I chose my stage well.

1406

01:37:48,814 —> 01:37:52,306
It's too bad he didn't have
the strength to turn you.

1407
01:37:52,651 —> 01:37:55,381
Instead, he kept you
this fragile little human.

1408
01:37:55,454 —> 01:37:57,388
It's cruel, really.

1409
01:38:00,893 —> 01:38:02,019
(SCREAMS)

1410
01:38:02,094 —> 01:38:04,426
Tell Edward how much it hurts.

1411
01:38:04,497 —> 01:38:06,089
Tell him to avenge you. Tell him!

1412
01:38:06,165 —> 01:38:08,963
- No, Edward, don't!
- Tell him! Tell him!

1413

01:38:09,034 —> 01:38:10,661

(YELLING)

1414

01:38:15,174 —> 01:38:16,869

(PANTS)

1415

01:38:18,978 —> 01:38:20,605

(JAMES GROWLING)

1416

01:38:21,714 —> 01:38:25,172

You're alone

'cause you're faster than the others.

1417

01:38:27,486 —> 01:38:29,147

But not stronger.

1418

01:38:30,689 —> 01:38:33,157

I'm strong enough to kill you.

1419

01:38:34,360 —> 01:38:35,952

(YELLS)

1420

01:38:39,932 —> 01:38:41,490

I'm sorry.

1421

01:38:42,902 —> 01:38:44,369

(JAMES GRUNTS)

1422

01:38:44,436 —> 01:38:45,733

(BELLA SCREAMING)

1423

01:38:52,011 —> 01:38:53,603

(GROANS)

1424

01:39:02,655 —> 01:39:04,418

(BELLA SCREAMING)

1425

01:39:08,494 —> 01:39:10,018

(BELLA GASPING)

1426

01:39:10,729 —> 01:39:12,162

(GRUNTING)

1427

01:39:14,900 —> 01:39:16,458

(GROWLING)

1428

01:39:28,480 —> 01:39:30,310

(BOTH GROWLING)

1429

01:39:34,385 —> 01:39:36,080

(YELLING)

1430

01:39:37,322 —> 01:39:38,755

(RAPID GASPING)

1431

01:39:45,430 —> 01:39:46,488

Bella, Bella, it's okay.

1432

01:39:46,564 —> 01:39:48,998

Son. Enough.

1433

01:39:49,801 —> 01:39:51,735

Remember who you are.

1434

01:39:54,572 —> 01:39:55,903

(BELLA YELLING)

1435

01:39:56,608 —> 01:39:57,836

ALICE: Bella, you're okay.

1436

01:39:57,909 —> 01:39:59,570

Bella needs you.

1437

01:39:59,978 —> 01:40:01,673

It's okay.

1438

01:40:01,746 —> 01:40:03,111

Oh, God.

1439

01:40:06,884 —> 01:40:08,784

Carlisle? Her blood.

1440

01:40:08,853 —> 01:40:10,445

- Your brothers will take care of him.

- I got him.

1441

01:40:10,521 —> 01:40:11,783

- ALICE: Carlisle!

- Start the fire.

1442

01:40:11,856 —> 01:40:14,586

EMMETT: Get the floorboards.

1443

01:40:14,792 —> 01:40:16,885

- JASPER: Alice!

- Alice, go.

1444

01:40:26,871 —> 01:40:28,896

Her femoral artery's been severed.

She's losing too much blood.

1445

01:40:28,973 —> 01:40:31,203

No, no, my head is burning!

1446

01:40:32,710 —> 01:40:34,439

It's the venom.

1447

01:40:35,313 —> 01:40:39,079

You have to make a choice.

You could let the change happen.

1448

01:40:39,150 —> 01:40:40,447

No.

1449

01:40:41,152 —> 01:40:42,346

No.

1450

01:40:43,688 —> 01:40:47,419

- It's gonna happen, Edward. I've seen it.

- It doesn't have to be that way.

1451

01:40:47,492 —> 01:40:50,461

She's still hemorrhaging.

Alice, make me a tourniquet. Your belt.

1452

01:40:50,528 —> 01:40:52,826

Carlisle, what's my other option?

1453

01:40:52,897 —> 01:40:54,023

(GASPING)

1454

01:40:54,098 —> 01:40:56,225

Tie it above my hands.

1455

01:40:56,301 —> 01:40:57,700

Carlisle!

1456

01:40:59,604 —> 01:41:00,901

Go.

1457

01:41:05,443 —> 01:41:08,276

- We could try to suck the venom out.

- You know I won't be able to stop.

1458

01:41:08,346 —> 01:41:10,541

Then find the will to stop.

1459

01:41:11,482 —> 01:41:12,915

But choose.

1460

01:41:12,984 —> 01:41:15,179

She only has minutes left.

1461

01:41:17,355 —> 01:41:19,880
I'm gonna make it go away, Bella.

1462
01:41:19,957 —> 01:41:21,151
(GASPING)

1463
01:41:22,226 —> 01:41:24,251
I'm gonna make it go away.

1464
01:41:27,832 —> 01:41:29,800
(GASPING)

1465
01:41:31,903 —> 01:41:33,427
(PANTING)

1466
01:41:34,672 —> 01:41:36,196
(EDWARD GRUNTS)

1467
01:41:39,911 —> 01:41:42,311
(GRUNTS LOUDLY)

1468
01:41:42,613 —> 01:41:46,071

Edward, stop.

Her blood is clean. You're killing her.

1469

01:41:46,818 —> 01:41:48,149

Edward.

1470

01:41:48,653 —> 01:41:49,779

Stop.

1471

01:41:50,988 —> 01:41:52,148

(SOFTLY) Stop.

1472

01:41:53,725 —> 01:41:55,283

Find the will.

1473

01:41:55,360 —> 01:41:59,421

(BLUES Y POP BALLAD PLAYING)

1474

01:42:19,850 —> 01:42:23,047

BELLA: Death is peaceful, easy.

1475

01:42:30,460 —> 01:42:32,189

Life is harder.

1476

01:42:37,667 —> 01:42:38,998

Bella?

1477

01:42:40,971 —> 01:42:42,165

Baby?

1478

01:42:43,807 —> 01:42:45,035

(WHISPERS) Bella.

1479

01:42:46,877 —> 01:42:48,310

- Mom?

- Hey.

1480

01:42:49,045 —> 01:42:50,569

Where is he?

1481

01:42:50,647 —> 01:42:52,114

Where's...

1482

01:42:52,582 —> 01:42:54,072

Where's Edward?

1483

01:42:54,151 —> 01:42:55,675

He's asleep.

1484

01:42:56,853 —> 01:42:58,115

He never leaves.

1485

01:42:58,188 —> 01:43:01,214

And your dad, he's down at the cafeteria.

1486

01:43:01,725 —> 01:43:03,352

What happened?

1487

01:43:03,927 —> 01:43:06,794

Well, when you fell, you broke your leg,

1488

01:43:07,798 —> 01:43:10,323

and you lost a lot of blood.

1489

01:43:10,400 —> 01:43:13,164

You don't remember any of this, do you?

1490

01:43:14,738 —> 01:43:16,433

Edward came down with his dad

1491

01:43:16,506 —> 01:43:18,940

to try to convince you

to come back to Forks.

1492

01:43:19,009 —> 01:43:22,376

So you went over to their hotel,

then you tripped,

1493

01:43:22,446 —> 01:43:25,210

and you fell down two flights of stairs.

1494

01:43:25,882 —> 01:43:27,850

Went through a window.

1495

01:43:33,990 —> 01:43:35,855

Yeah, that sounds like me.

1496

01:43:35,926 —> 01:43:38,053

Oh, honey, I'm so sorry.

1497

01:43:39,396 —> 01:43:40,920

(PHONE VIBRATES)

1498

01:43:41,998 —> 01:43:43,488

It's Phil.

1499

01:43:44,000 —> 01:43:46,059

He's so worried about you.

1500

01:43:47,471 —> 01:43:48,870

You're texting.

1501

01:43:48,939 —> 01:43:50,770

(CHUCKLES) Finally, yeah.

1502

01:43:52,576 —> 01:43:54,669

I told him to stay down in Florida.

1503

01:43:54,744 —> 01:43:58,805

Honey, you are gonna love Jacksonville.

It's sunny every day,</i>

1504

01:43:58,882 —> 01:44:01,680

and we found the cutest little house,

and you've got your own bathroom.

1505

01:44:01,751 —> 01:44:04,345

Mom, I still want to live in Forks.

1506

01:44:04,955 —> 01:44:06,149

What?

1507

01:44:06,590 —> 01:44:08,581

I want to live in Forks.

1508

01:44:08,959 —> 01:44:11,587

Well, okay, but we'll talk about it.

1509

01:44:13,063 —> 01:44:15,054

Do you mind getting Dad?

1510

01:44:15,765 —> 01:44:18,757

I have to talk to him. Apologize.

1511

01:44:19,369 —> 01:44:21,599

Okay, baby. I'll go get him.

1512

01:44:22,539 —> 01:44:25,372

- And I'll go get a nurse, okay?

- Okay.

1513

01:44:37,187 —> 01:44:39,121

So what happened?

1514

01:44:39,189 —> 01:44:40,781

Where's James?

1515

01:44:41,925 —> 01:44:43,893

We took care of it.

1516

01:44:50,400 —> 01:44:53,028

And the woman, Victoria, she ran off.

1517

01:44:53,570 —> 01:44:55,538

I'm alive because of you.

1518

01:44:55,605 —> 01:44:58,073

No, you're in here because of me.

1519

01:44:59,743 —> 01:45:02,507

The worst part of it was that

1520

01:45:03,613 —> 01:45:06,342

I thought I wasn't gonna be able to stop.

1521

01:45:06,415 —> 01:45:07,973

You did stop.

1522

01:45:09,685 —> 01:45:13,917

Bella, you gotta go to Jacksonville

so I can't hurt you anymore.

1523

01:45:15,624 —> 01:45:16,818

What?

1524

01:45:19,962 —> 01:45:22,055

Are you... No!

1525

01:45:22,131 —> 01:45:23,257

No!

1526

01:45:25,200 —> 01:45:26,929

I don't even know what you're... How...

1527

01:45:27,002 —> 01:45:29,835

What are you talking about?

You want me to go away? I can't...

1528

01:45:29,905 —> 01:45:32,430

No, I can't... I can't just leave you...

1529

01:45:32,508 —> 01:45:33,839

I know.

1530

01:45:35,744 —> 01:45:37,371

We can't be apart.

1531

01:45:37,446 —> 01:45:39,311

You can't leave me.

1532

01:45:39,815 —> 01:45:41,214

I'm here.

1533

01:45:44,687 —> 01:45:46,518

Okay, just don't...

1534

01:45:46,589 —> 01:45:49,820

You just can't say stuff like that to me. Ever.

1535

01:45:54,330 —> 01:45:56,821

Where else am I gonna go?

1536

01:45:59,568 —> 01:46:01,263

(GENTLE THEME PLAYING)

1537

01:46:19,755 —> 01:46:21,154

(CLEARS THROAT)

1538

01:46:46,582 —> 01:46:49,244

Alice lent me the dress.

1539

01:46:49,318 —> 01:46:50,945

The cast is...

1540

01:46:51,887 —> 01:46:53,582

You're perfect.

1541

01:46:56,225 —> 01:46:58,523

I'll take care of her, Chief Swan.

1542

01:46:59,428 —> 01:47:01,362

I've heard that before.

1543

01:47:05,534 —> 01:47:07,195

All right, Bells.

1544

01:47:09,438 —> 01:47:12,066

I put a new can of pepper spray in your bag.

1545

01:47:12,141 —> 01:47:13,335

Dad.

1546

01:47:13,776 —> 01:47:15,038

And...

1547

01:47:17,079 —> 01:47:19,513

Well, you look beautiful.

1548

01:47:21,650 —> 01:47:22,947

Thanks.

1549

01:47:24,653 —> 01:47:25,984

See you.

1550

01:47:33,028 —> 01:47:36,020

Hey. I'll be right back.

1551

01:47:38,534 —> 01:47:40,229

- Bella.

- Jacob.

1552

01:47:41,136 —> 01:47:42,398

Hey.

1553

01:47:43,205 —> 01:47:45,400

- Nice.

- You, too.

1554

01:47:46,141 —> 01:47:49,736

Are you crashing the prom or something?

Did you come with a date?

1555

01:47:49,812 —> 01:47:51,074

No.

1556

01:47:54,916 —> 01:47:57,510

My dad paid me to come talk to you.

1557

01:47:58,119 —> 01:47:59,780

(CHUCKLES) Twenty bucks.

1558

01:47:59,854 —> 01:48:01,549

Let's hear it.

1559

01:48:02,356 —> 01:48:04,381

Just don't get mad, okay?

1560

01:48:05,960 —> 01:48:08,952

He wants you to break up

with your boyfriend.

1561

01:48:09,297 —> 01:48:12,960

It's just, he said, quote,

1562

01:48:13,801 —> 01:48:15,792

"We'll be watching you."

1563

01:48:16,270 —> 01:48:17,294

(LAUGHS)

1564

01:48:17,371 —> 01:48:20,033

- Okay, well, tell him, "Thanks."

- Okay.

1565

01:48:20,508 —> 01:48:23,602

- And to pay up.

- Okay. Let me help you.

1566

01:48:23,678 —> 01:48:24,906
Jacob.

1567
01:48:25,580 —> 01:48:27,571
I'll take it from here.

1568
01:48:30,651 —> 01:48:33,142
Guess I'll see you around, Bella.

1569
01:48:34,889 —> 01:48:36,220
All right.

1570
01:48:43,264 —> 01:48:46,927
I leave you alone for two minutes,
and the wolves descend.

1571
01:48:53,941 —> 01:48:56,739
- I can't believe you're making me do this.
- Just smile.

1572
01:49:03,017 —> 01:49:09,889
Tonight! Lightning Strikes!

1573

01:49:11,058 —> 01:49:17,361

Don't go stay tonight!

1574

01:49:17,431 —> 01:49:20,423

Wow. You are really trying to kill me.

1575

01:49:20,501 —> 01:49:25,029

The prom is an important rite of passage.

I didn't want you to miss anything.

1576

01:49:25,106 —> 01:49:26,095

Oh.

1577

01:49:39,053 —> 01:49:41,044

(ALL CHEERING AND LAUGHING)

1578

01:49:41,122 —> 01:49:43,989

Everyday we're going all the way

1579

01:49:44,058 —> 01:49:50,759

Everyday, everyday, everyday

we're going all the way

1580

01:49:50,832 —> 01:49:53,164

Tonight! Lightning Strikes!

1581

01:49:53,234 —> 01:49:54,724

Bella, hey!

1582

01:49:57,772 —> 01:49:59,740

- Do you want to go?

- Yeah.

1583

01:49:59,941 —> 01:50:02,239

DJ: All right, slowing it down.

1584

01:50:02,777 —> 01:50:04,301

(APPLAUSE)

1585

01:50:08,216 —> 01:50:09,740

Shall we?

1586

01:50:10,885 —> 01:50:12,477

You're serious?

1587

01:50:13,621 —> 01:50:15,248

Why not.

1588

01:50:15,456 —> 01:50:18,823

(SINGING) Wide on my plastic toys

1589

01:50:18,893 —> 01:50:23,660

Then when the cops closed the fair

1590

01:50:23,731 —> 01:50:27,895

I cut my long baby hair

1591

01:50:27,969 —> 01:50:30,529

Stole me a dog-eared map

1592

01:50:30,605 —> 01:50:32,402

See, you're dancing.

1593

01:50:33,908 —> 01:50:35,307

At prom.

1594

01:50:38,312 —> 01:50:43,374

Have I found you

1595

01:50:43,450 —> 01:50:48,046

Flightless bird

1596

01:50:48,121 —> 01:50:52,683

Jealous

1597

01:50:52,759 —> 01:50:56,217

Weeping

1598

01:50:56,296 —> 01:50:58,730

Edward, why did you save me?

1599

01:50:58,798 —> 01:51:01,266

If you just let the venom spread,

1600

01:51:01,835 —> 01:51:04,030

I could be like you by now.

1601

01:51:05,839 —> 01:51:08,364

You don't know what you're saying.

1602

01:51:09,242 —> 01:51:11,642

- You don't want this.

- I want you.

1603

01:51:11,711 —> 01:51:13,076

Always.

1604

01:51:18,652 —> 01:51:21,246

I'm not gonna end your life for you.

1605

01:51:21,321 —> 01:51:23,812

I'm dying already.

1606

01:51:25,725 —> 01:51:27,955

Every second, I get closer.

1607

01:51:28,595 —> 01:51:29,926

Older.

1608

01:51:30,463 —> 01:51:32,954

That's the way it's supposed to be.

1609

01:51:33,867 —> 01:51:36,358

Alice said that she saw me like you.

1610

01:51:36,436 —> 01:51:38,768

- I heard her.

- Her visions change.

1611

01:51:38,838 —> 01:51:41,329

Yeah, based on what people decide.

1612

01:51:42,075 —> 01:51:43,667

I've decided.

1613

01:51:47,047 —> 01:51:49,538

So that's what you dream about.

1614

01:51:49,616 —> 01:51:51,413

Becoming a monster.

1615

01:51:54,955 —> 01:51:57,856

I dream about being with you forever.

1616

01:51:57,924 —> 01:51:59,255

Forever?

1617

01:52:04,397 —> 01:52:06,524

And you're ready right now?

1618

01:52:08,568 —> 01:52:09,762

Yes.

1619

01:52:09,836 —> 01:52:16,799

Bleeding or lost you

1620

01:52:16,876 —> 01:52:21,438

American mouth

1621

01:52:21,514 —> 01:52:26,747

Big pill

1622

01:52:26,820 —> 01:52:31,314

Is it not enough

just to have a long and happy life with me?

1623

01:52:38,932 —> 01:52:40,194

Yeah.

1624

01:52:41,634 —> 01:52:42,999

For now.

1625

01:53:11,531 —> 01:53:13,897

BELLA: No one will surrender tonight,

1626

01:53:15,001 —> 01:53:16,866

but I won't give in.

1627

01:53:18,171 —> 01:53:20,071

I know what I want.

1628

01:53:26,146 —> 01:53:31,242

Have I found you

1629

01:53:31,316 —> 01:53:35,844

Flightless bird

1630

01:53:35,921 —> 01:53:40,517

Grounded

1631

01:53:40,592 —> 01:53:47,555

Bleeding or lost you

1632

01:53:51,336 —> 01:53:53,531

American mouth

1633

01:54:02,748 —> 01:54:05,945

(SINGING) How come I end up where I started

1634

01:54:06,018 —> 01:54:09,044

How come I end up where I went wrong

1635

01:54:09,121 —> 01:54:12,318

Won't take my eyes off the ball again

1636

01:54:12,391 —> 01:54:15,588

You reel me out then you cut the string

1637

01:54:21,767 —> 01:54:24,861

How come I end up where I started

1638

01:54:24,937 —> 01:54:27,906

How come I end up where I went wrong

1639

01:54:27,973 —> 01:54:30,908

Won't take my eyes off the ball again

1640

01:54:30,976 —> 01:54:34,810

First you reel me out

and then you cut the string

1641

01:54:46,859 —> 01:54:50,056

You used to be all right

1642

01:54:50,129 —> 01:54:52,791

What happened?

1643

01:54:52,865 —> 01:54:59,134

Did the cat get your tongue

1644

01:54:59,204 —> 01:55:05,973

Did your string come undone

1645

01:55:06,044 —> 01:55:12,279

One by one

1646

01:55:12,351 —> 01:55:17,721

One by one

1647

01:55:17,789 —> 01:55:24,319

It comes to us all

1648

01:55:24,396 —> 01:55:31,302

It's as soft as your pillow

1649

01:56:14,813 —> 01:56:17,440

(SINGING) I dreamed I was missing

1650

01:56:17,515 —> 01:56:20,575

You were so scared

1651

01:56:20,651 —> 01:56:23,415

But no one would listen

1652

01:56:23,487 —> 01:56:26,923

'Cause no one else cared

1653

01:56:26,991 —> 01:56:29,482

After my dreaming

1654

01:56:29,560 —> 01:56:32,927

I woke with this fear

1655

01:56:32,997 —> 01:56:35,397

What am I leaving

1656

01:56:35,466 —> 01:56:38,594

When I'm done here?

1657

01:56:38,669 —> 01:56:41,103

So if you're asking me

1658

01:56:41,172 —> 01:56:45,006
I want you to know

1659
01:56:45,076 —> 01:56:47,135
When my time comes

1660
01:56:47,211 —> 01:56:50,305
Forget the wrong that I've done

1661
01:56:50,381 —> 01:56:53,179
Help me leave behind some

1662
01:56:53,251 —> 01:56:57,017
Reasons to be missed

1663
01:56:57,088 —> 01:56:59,215
Don't resent me

1664
01:56:59,290 —> 01:57:02,225
And when you're feeling empty

1665
01:57:02,293 —> 01:57:05,160

Keep me in your memory

1666

01:57:05,229 —> 01:57:08,323

Leave out all the rest

1667

01:57:08,399 —> 01:57:10,924

Leave out all the rest

1668

01:57:11,002 —> 01:57:13,869

Forgetting all the hurt inside

1669

01:57:13,938 —> 01:57:16,873

You've learned to hide so well

1670

01:57:16,941 —> 01:57:19,774

Pretending someone else can come

1671

01:57:19,844 —> 01:57:22,904

And save me from myself

1672

01:57:22,980 —> 01:57:26,973

I can't be who you are

1673

01:57:27,051 —> 01:57:29,144

When my time comes

1674

01:57:29,220 —> 01:57:32,246

Forget the wrong that I've done

1675

01:57:32,323 —> 01:57:35,292

Help me leave behind some

1676

01:57:35,359 —> 01:57:39,022

Reasons to be missed

1677

01:57:39,096 —> 01:57:41,064

Don't resent me

1678

01:57:41,132 —> 01:57:44,260

And when you're feeling empty

1679

01:57:44,335 —> 01:57:46,997

Keep me in your memory

1680

01:57:47,071 —> 01:57:50,268

Leave out all the rest

1681

01:57:50,341 —> 01:57:52,901

Leave out all the rest

1682

01:57:52,977 —> 01:57:55,741

Forgetting all the hurt inside

1683

01:57:55,813 —> 01:57:58,873

You've learned to hide so well

1684

01:57:58,949 —> 01:58:01,645

Pretending someone else can come

1685

01:58:01,719 —> 01:58:04,916

And save me from myself

1686

01:58:04,989 —> 01:58:10,859

I can't be who you are

1687

01:58:10,928 —> 01:58:15,365

I can't be who you are

1688

01:58:23,274 —> 01:58:26,107

(SINGING) How can I decide what's right

1689

01:58:26,177 —> 01:58:29,374

When you're clouding up my mind

1690

01:58:29,447 —> 01:58:32,610

I can't win your losing fight

1691

01:58:32,683 —> 01:58:34,674

All the time

1692

01:58:34,752 —> 01:58:37,846

How can I ever own what's mine

1693

01:58:37,922 —> 01:58:40,948

When you're always taking sides

1694

01:58:41,025 —> 01:58:43,960

But you won't take away my pride

1695

01:58:44,028 —> 01:58:50,263

No, not this time

1696

01:58:50,334 —> 01:58:57,297

No, not this time

1697

01:58:58,075 —> 01:59:00,737

How did we get here?

1698

01:59:00,811 —> 01:59:07,773

When I used to know you so well

1699

01:59:09,719 —> 01:59:12,620

But how did we get here?

1700

01:59:12,689 —> 01:59:19,618

I think I know

1701

01:59:27,504 —> 01:59:30,632

The truth is hiding in your eyes

1702

01:59:30,707 —> 01:59:33,767

And its hanging on your tongue

1703

01:59:33,843 —> 01:59:36,209

Just boiling in my blood

1704

01:59:36,279 —> 01:59:38,941

But you think that I can't see

1705

01:59:39,015 —> 01:59:42,314

What kind of man that you are

1706

01:59:42,385 —> 01:59:45,411

If you're a man at all

1707

01:59:45,488 —> 01:59:52,394

Well, I will figure this one out on my own

1708

01:59:53,830 —> 01:59:59,268

I'm screaming I love you so

1709

01:59:59,335 —> 02:00:02,270

My thoughts you can't decode

1710

02:00:02,338 —> 02:00:05,273

How did we get here?

1711

02:00:05,341 —> 02:00:12,304

When I used to know you so well

1712

02:00:12,382 —> 02:00:16,648

Yeah

But how did we get here?

1713

02:00:16,719 —> 02:00:23,682

Well, I think I know how

1714

02:00:36,172 —> 02:00:41,838

Do you see what we've done

1715

02:00:41,911 —> 02:00:47,713

We're gonna make such fools of ourselves

1716

02:00:49,219 —> 02:00:52,086

How did we get here?

1717

02:00:52,155 —> 02:00:56,717

When I used to know you so well

1718

02:00:56,793 —> 02:01:00,752

Yeah, yeah, yeah

1719

02:01:00,830 —> 02:01:03,697

How did we get here?

1720

02:01:03,766 —> 02:01:10,729

When I used to know you so well

1721

02:01:10,807 —> 02:01:14,971

I think I know

1722

02:01:18,214 —> 02:01:24,016

There is something I see in you

1723

02:01:24,087 –> 02:01:26,783

It might kill me

1724

02:01:26,856 –> 02:01:33,193

I want it to be true
