Edward, what's wrong?

352

00:27:04,050 —> 00:27:06,041

Someone's been in here.

353

00:27:11,224 —> 00:27:13,715

DR. CULLEN: Who was it?

Someone we know?

354

00:27:14,661 —> 00:27:17,755

This stranger, I didn't

recognize his scent.

355

00:27:17,830 —> 00:27:19,491

A nomad passing through?

356

00:27:19,565 —> 00:27:21,565

A passerby wouldn't

have left Bella's father alive.

357

00:27:22,035 —> 00:27:25,938

The scent disappeared

about 5 miles south of Bella's house.

358

00:27:26,807 —> 00:27:28,707

Someone's orchestrating this.

359

00:27:28,776 —> 00:27:30,141

Victoria?

360

00:27:30,811 —> 00:27:32,369

I would have seen her decide.

361

00:27:32,613 —> 00:27:33,705

Has to be the Volturi.

362

00:27:34,415 —> 00:27:37,043

I don't think it's the Volturi, either.

363

00:27:37,117 —> 00:27:38,880

I've been watching Aro's decisions, too.

364

00:27:38,952 —> 00:27:40,283

EMMETT: So we keep looking.

365

00:27:40,354 —> 00:27:42,788

We'll also take shifts

guarding Bella at her house.

366

00:27:43,290 —> 00:27:44,689

Another protection detail?

367

00:27:45,192 —> 00:27:46,489

DR. CULLEN: Rosalie.

368

00:27:47,561 —> 00:27:48,561

No, she's right.

369

00:27:49,029 —> 00:27:53,466

You can't protect me, watch my dad

and search for the intruder.

370

00:27:53,534 —> 00:27:55,297

And for Victoria.

371

00:27:55,369 —> 00:27:57,030

And keep yourselves fed.

372

00:27:57,104 —> 00:27:58,901

I'm not leaving you here defenseless.

373

00:27:58,972 —> 00:28:01,532

Well, I'm not gonna let you starve.

374

00:28:02,009 —> 00:28:04,000

And I wouldn't be unprotected. I have...

375

00:28:06,013 —> 00:28:07,241

EDWARD: What?

376

00:28:15,123 —> 00:28:17,353

Whoever it was, he left his stink behind.

377

00:28:18,059 —> 00:28:21,790

It'll be hard to miss when we cross

it again. We'll handle it from here.

378

00:28:21,996 —> 00:28:24,658

We don't need you to handle anything.

379

00:28:24,733 —> 00:28:25,825

Or anyone.

380

00:28:25,900 —> 00:28:27,561

I could care less what you need.

381

00:28:27,635 —> 00:28:29,569

All right, we're done here.

382

00:28:29,637 —> 00:28:31,605

No, you're done here.

BELLA: Stop!

383

00:28:32,440 —> 00:28:35,932

I'm tired of this.

From now on, I'm Switzerland, okay?

384

00:28:37,278 —> 00:28:39,212

BELLA: Edward hated the idea,

385

00:28:39,280 —> 00:28:41,976

but it wasn't about rivalry anymore.

386

00:28:42,684 —> 00:28:45,414

It was about my safety, and Charlie's.

387

00:28:46,488 —> 00:28:50,925

In the days that followed, I got them

to at least try to work together.

388

00:28:55,830 —> 00:28:59,027

The wolves took over

so the Cullens could hunt.

389

00:29:01,504 —> 00:29:04,098

It wasn't exactly an easy alliance.

390

00:29:05,074 —> 00:29:06,132

(GROWLS)

391

00:29:20,456 —> 00:29:21,718

Doesn't he own a shirt?

392

00:29:26,962 —> 00:29:28,259

I'm good here. You should go.

393

00:29:29,031 —> 00:29:31,158

I'm not gonna be gone long.

394

00:29:31,233 —> 00:29:33,793

Don't rush. You need to hunt.

395

00:29:50,520 —> 00:29:52,454

Maybe rush a little bit.

396

00:29:58,094 —> 00:29:59,891

Hey, beautiful.

Hi.

397

00:30:05,569 —> 00:30:07,230

(TIRES SCREECHING)

398

00:30:10,807 —> 00:30:12,570

So, what do you wanna do today?

399

00:30:12,642 —> 00:30:15,634

Bike, hike, just hang? Your call.

400

00:30:16,146 —> 00:30:18,046

But we're going to a party tonight.

401

00:30:20,917 —> 00:30:22,782

Are you sure this is okay?

402

00:30:23,386 —> 00:30:25,684

I really hate being a party crasher.

403

00:30:26,089 —> 00:30:28,785

Technically,

you're a council meeting crasher.

404

00:30:29,526 —> 00:30:34,190

You see? The council leaders,

Dad, Quil's grandpa and Sue Clearwater.

405

00:30:35,165 —> 00:30:37,156

She took over for Harry when he died.

406

00:30:37,234 —> 00:30:39,032

Okay, I should not be here.

407

00:30:39,704 —> 00:30:42,229

You're okay. I thought...

408

00:30:43,341 —> 00:30:47,038

I mean, they thought it would

be good for you to hear the histories.

409

00:30:47,111 —> 00:30:48,669

The histories?

410

00:30:49,247 —> 00:30:52,148

The tribe's histories? Aren't they secret?

411

00:30:52,984 —> 00:30:56,613

We all got a role to play,

and you're part of this.

412

00:30:57,421 —> 00:31:00,447

I mean, it's the first time

Seth, Leah and Quil'll hear them, too.

413

00:31:00,524 —> 00:31:03,687

But you are the first outsider. Ever.

414

00:31:06,097 —> 00:31:08,998

If I had known that, I would have, like...

415

00:31:09,901 —> 00:31:12,301

I don't know, dressed better.

SETH: Jake!

416

00:31:13,571 —> 00:31:16,563

Hey.

It's about time you got here.

417

00:31:16,641 —> 00:31:19,667

Paul's been hoovering the grub,

but I saved you some burgers.

418

00:31:19,744 —> 00:31:21,575

Good looking out, bro.

419

00:31:21,846 —> 00:31:24,781

Bella, this is Seth Clearwater,

Leah's brother.

420

00:31:24,849 —> 00:31:26,180

Hi.

Newest member of the pack.

421

00:31:26,918 —> 00:31:29,012

Newest. Bestest. Brightest.

422

00:31:29,087 —> 00:31:30,577

And slowest.

423

00:31:33,292 —> 00:31:36,193

Come on, your dad's about to start.

Okay.

424

00:31:37,596 —> 00:31:41,259

The Quileutes have been a small tribe

from the beginning,

425

00:31:41,900 —> 00:31:44,926

but we have always had magic in our blood.

426

00:31:46,638 —> 00:31:48,367

We were great spirit warriors,

427

00:31:49,007 —> 00:31:53,535

shape-shifters that transformed

to the powerful wolf.

428

00:31:55,480 —> 00:31:58,972

This enabled us to scare off our enemies

429

00:31:59,217 —> 00:32:01,310

and protect our tribe.

430

00:32:03,355 —> 00:32:07,917

One day,

our warriors came across a creature.

431

00:32:09,428 —> 00:32:11,453

It looked like a man,

432

00:32:11,530 —> 00:32:13,725

but it was hard like stone

433

00:32:14,499 —> 00:32:16,365

and cold as ice.

434

00:32:22,375 —> 00:32:23,842

(GRUNTING)

435

00:32:30,316 —> 00:32:31,749

(GROWLING)

436

00:32:36,556 —> 00:32:40,617

Our warriors' sharp teeth

finally tore it apart,

437

00:32:40,693 —> 00:32:43,890

but only fire would completely destroy it.

438

00:32:45,298 —> 00:32:48,631

They lived in fear

that the cold man was not alone.

439

00:32:50,336 —> 00:32:51,701

And they were right.

440

00:32:51,904 —> 00:32:53,201

(SCREAMING)

441

00:32:53,606 —> 00:32:54,903

(ALL CLAMORING)

442

00:32:56,075 —> 00:32:59,044

She took her vengeance out on the village.

443

00:33:01,681 —> 00:33:04,013

Our elder chief, Taha Aki,

444

00:33:04,083 —> 00:33:09,181

was the only spirit warrior left

to save the tribe after his son was killed.

445

00:33:10,524 —> 00:33:11,752

(CRYING)

446

00:33:13,927 —> 00:33:14,927

(YELLING)

447

00:33:21,535 —> 00:33:25,027

Taha Aki's third wife

could see that he would lose.

448

00:33:26,306 —> 00:33:29,605

The third wife was no magical being,

449

00:33:30,310 —> 00:33:32,540

with no special powers but one,

450

00:33:34,581 —> 00:33:35,809

courage.

451

00:33:35,949 —> 00:33:36,949

(SCREAMING)

452

00:33:47,394 —> 00:33:50,557

The third wife's sacrifice

distracted the cold woman

453

00:33:50,631 —> 00:33:53,225

long enough for Taha Aki to destroy her.

454

00:33:54,803 —> 00:33:57,067

She saved the tribe.

455

00:33:57,572 —> 00:34:00,666

Over time, our enemies have disappeared.

456

00:34:01,843 —> 00:34:03,640

But one remains,

457

00:34:05,146 —> 00:34:06,636

the cold ones.

458

00:34:09,584 —> 00:34:11,882

Our magic awakens when they're near,

459

00:34:12,153 —> 00:34:14,018

and we sense it now.

460

00:34:14,089 —> 00:34:15,522

We feel the threat in our blood.

461

00:34:17,926 —> 00:34:20,053

Something terrible is coming,

462

00:34:22,097 —> 00:34:24,463

and we must all be ready,

463

00:34:25,433 —> 00:34:26,730

all of us.

464

00:34:31,439 —> 00:34:32,599

(THUNDER RUMBLING)

465

00:34:41,216 —> 00:34:42,216

(GRUNTS)

466

00:34:47,056 —> 00:34:48,387

(GASPING)

467

00:34:54,029 —> 00:34:56,020

What did you do to me?

468

00:35:00,102 —> 00:35:01,626

I'm so...

469

00:35:01,704 —> 00:35:03,934

Yeah. I know.

470

00:35:05,574 —> 00:35:06,854

We'll find you someone to drink.

471

00:35:07,309 —> 00:35:08,309

MALE VAMPIRE: Mine!

472

00:35:15,651 —> 00:35:18,347

Just try not to get killed, will you?

473

00:35:21,757 —> 00:35:23,816

I'm gonna need numbers.

474

00:35:25,194 —> 00:35:27,424

Seattle is in a state of terror.

475

00:35:27,496 —> 00:35:31,364

Police are baffled by

the escalating murders and disappearances.

476

00:35:31,434 —> 00:35:35,336

Theories range from a vicious new gang

to a wildly active serial killer.

477

00:35:35,405 —> 00:35:36,429

Reporting live...

478

00:35:36,506 —> 00:35:39,805

It's getting worse.

We're going to have to do something.

479

00:35:40,544 —> 00:35:44,310

It takes more than one of our kind

to cause the damage they're reporting.

480

00:35:44,581 —> 00:35:48,540

Quite a few more.

And they're undisciplined, conspicuous.

481

00:35:48,618 —> 00:35:49,983

It's newborns.

482

00:35:51,688 —> 00:35:53,519

What, like new vampires?

483

00:35:53,590 —> 00:35:55,615

In the first few months after the change.

484

00:35:55,692 —> 00:35:59,287

That's when

we're at our most uncontrollable. Vicious.

485

00:36:00,063 —> 00:36:01,826

Insane with thirst.

486

00:36:02,365 —> 00:36:04,629

Something to look forward to.

487

00:36:06,503 —> 00:36:09,563

No one's trained these newborns,

but this isn't random.

488

00:36:10,574 —> 00:36:12,565

Someone's creating an army.

489

00:36:12,943 —> 00:36:15,036

Well, now we're definitely

going to Seattle.

490

00:36:16,112 —> 00:36:17,807

An army of vampires?

491

00:36:17,881 —> 00:36:19,872

And they've been created to fight someone.

492

00:36:19,950 —> 00:36:21,646

We're the only clan even close to Seattle.

493

00:36:21,719 —> 00:36:23,186

DR. CULLEN: Regardless of why

they were made,

494

00:36:23,254 —> 00:36:26,382

if we don't put a stop to them,

the Volturi will.

495

00:36:26,457 —> 00:36:28,516

I'm surprised they've

let it go on this long.

496

00:36:28,593 —> 00:36:30,026

Maybe they're behind it.

497

00:36:31,295 —> 00:36:33,991

In Italy, I read Aro's mind.

498

00:36:34,065 —> 00:36:35,828
He wants me and Alice to join him,

499
00:36:35,900 —> 00:36:39,063
but he knows we'll never choose him
as long as our family's still alive.

500
00:36:39,136 —> 00:36:41,798
An army could solve that for him.

501
00:36:50,448 —> 00:36:51,608
Hey.

502
00:36:52,483 —> 00:36:54,280
Did you eat dinner yet?

503
00:36:56,187 —> 00:36:57,882
No, I haven't.

504
00:36:58,856 —> 00:37:00,084
(CHARLIE SIGHS)

505

00:37:01,225 —> 00:37:05,491
This kid, Riley Biers,
disappeared over a year ago,

506
00:37:06,597 —> 00:37:10,159
and his poor parents have been papering
Seattle with these things ever since.

507
00:37:12,204 —> 00:37:13,728
You think they should just give up?

508
00:37:16,742 —> 00:37:19,370
Well, I wouldn't if it were you.

509
00:37:21,813 —> 00:37:23,212
Not ever.

510
00:37:29,554 —> 00:37:31,454
BELLA: I have to figure out
what to tell people.

511
00:37:32,624 —> 00:37:35,286
Why I won't be home for Christmases,

512

00:37:35,927 —> 00:37:38,122

and why I won't visit,

513

00:37:39,765 —> 00:37:42,290

why they'll never see me again.

514

00:37:42,534 —> 00:37:46,368

After a few decades,

everyone you know will be dead.

515

00:37:49,107 —> 00:37:50,438

Problem solved.

516

00:37:55,647 —> 00:37:58,139

Why are you so against

me becoming like you?

517

00:37:58,685 —> 00:38:00,277

I've told you.

518

00:38:03,356 —> 00:38:05,085

Be honest with me.

519

00:38:06,392 —> 00:38:07,859

There's more.

520

00:38:08,328 —> 00:38:12,788

I know the consequences

of this choice you're making.

521

00:38:18,037 —> 00:38:19,436

I've lived through it.

522

00:38:21,307 —> 00:38:23,935

And to let you suffer that...

523

00:38:25,478 —> 00:38:29,073

You believe I have a soul, and I don't.

524

00:38:32,585 —> 00:38:34,177

But to risk yours,

525

00:38:34,253 —> 00:38:37,347

just for the sake of

never having to lose you,

526

00:38:39,659 —> 00:38:41,923

that's the most selfish thing I'll ever do.

527

00:38:46,332 —> 00:38:50,326

I thought that you were afraid

that I'd be too different.

528

00:38:52,506 —> 00:38:57,705

You know, like, I wouldn't be warm,

and I wouldn't smell the same.

529

00:39:07,454 —> 00:39:09,081

You'll always be my Bella.

530

00:39:30,844 —> 00:39:33,335

My Bella, just less fragile.

531

00:39:44,325 —> 00:39:46,418

BELLA: Gosh, it's so pretty here.

532

00:39:52,000 —> 00:39:55,060

So, Alice has planned

a big graduation party.

533

00:39:56,204 —> 00:39:57,296

Which you're invited to.

534

00:40:02,010 —> 00:40:04,672

Yeah, I figured that.

535

00:40:12,420 —> 00:40:13,580

What?

536

00:40:15,557 —> 00:40:18,082

I just wanted to do this differently.

537

00:40:18,493 —> 00:40:19,824

Smoother.

538

00:40:21,396 —> 00:40:23,330

But now I'm out of time.

539

00:40:24,667 —> 00:40:25,964

Do what?

540

00:40:26,836 —> 00:40:29,464

You need to hear the truth, Bella,

541

00:40:30,105 —> 00:40:32,437

understand all your options.

542

00:40:34,009 —> 00:40:35,772

And you need to know

543

00:40:37,346 —> 00:40:39,576

that I'm in love with you,

544

00:40:41,050 —> 00:40:44,076

and I want you to choose me

instead of him.

545

00:40:46,121 —> 00:40:48,316

I thought you understood.

546

00:40:51,160 —> 00:40:53,628

I don't feel that way for you.

I don't buy it.

547

00:40:53,696 —> 00:40:55,596

What don't you buy?

548

00:40:57,099 —> 00:40:58,396

That's how I feel.

549

00:40:59,168 —> 00:41:02,729

You feel something else for me.

You just won't admit it.

550

00:41:04,073 —> 00:41:06,041

So I'm not giving up.

551

00:41:06,842 —> 00:41:08,969

I'm gonna fight for you

552

00:41:11,847 —> 00:41:14,476

until your heart stops beating.

553

00:41:14,851 —> 00:41:16,580

Well, then you're not gonna

have to fight for long.

554

00:41:16,653 —> 00:41:18,951

You're rushing into it because

you're afraid you'll change your mind.

555

00:41:19,022 —> 00:41:20,614

No, I'm not.

556

00:41:22,025 —> 00:41:23,822

I know what I want.

557

00:41:25,262 —> 00:41:28,288

You wouldn't have to change for me, Bella,

558

00:41:28,999 —> 00:41:31,194

or say goodbye to anybody.

559

00:41:32,269 —> 00:41:34,829

I can give you more than him.

560

00:41:35,839 —> 00:41:40,071

I mean, he probably can't even kiss you

without hurting you.

561

00:41:41,511 —> 00:41:42,876

Feel that?

562

00:41:43,880 —> 00:41:46,110

Flesh and blood.

563

00:41:46,750 —> 00:41:48,479

And warmth.

564

00:41:59,195 —> 00:42:00,219

(GRUNTS)

565

00:42:00,297 —> 00:42:01,423

God!

566

00:42:03,100 —> 00:42:04,328

God!

567

00:42:12,176 —> 00:42:13,200

Edward!

568

00:42:13,277 —> 00:42:15,541

If you ever touch her

against her will again...

569

00:42:15,613 —> 00:42:17,604

Don't do this here!

She's not sure what she wants.

570

00:42:17,682 —> 00:42:19,115

Don't do this here!

Let me give you a clue.

571

00:42:19,183 —> 00:42:20,582

Wait for her to say the words.

572

00:42:20,651 —> 00:42:22,915

Fine! And she will.

573

00:42:23,287 —> 00:42:24,686

Jacob, just go, okay?

574

00:42:24,755 —> 00:42:27,485

CHARLIE: Hey, hey, hey! Easy, guys. Easy.

575

00:42:27,892 —> 00:42:30,554

Let's take it down a notch. All right?

576

00:42:33,798 —> 00:42:34,890

What's going on?

577

00:42:38,803 —> 00:42:39,803

I kissed Bella.

578

00:42:44,408 —> 00:42:45,841

And she broke her hand.

579

00:42:48,112 —> 00:42:49,306

Punching my face.

580

00:42:51,550 —> 00:42:52,915
Total misunderstanding.

581
00:42:55,554 —> 00:42:56,953
DR. CULLEN: It's just a sprain.

582
00:42:57,122 —> 00:42:59,283
It should heal fairly quickly.

583
00:43:00,792 —> 00:43:04,228
Trying to walk and chew gum
at the same time again, Bella?

584
00:43:05,063 —> 00:43:06,553
I punched a werewolf in the face.

585
00:43:06,732 —> 00:43:10,327
Bad ass.
You're gonna be one tough little newborn.

586
00:43:11,470 —> 00:43:13,233
Tough enough to take you on.

587

00:43:19,544 —> 00:43:20,977

Don't worry about it.

588

00:43:24,249 —> 00:43:25,841

Got any leads?

589

00:43:26,218 —> 00:43:30,552

No sign of the intruder. But Victoria

continues to make appearances.

590

00:43:38,130 —> 00:43:40,656

Go blather to someone else

about the joys of becoming a newborn.

591

00:43:45,204 —> 00:43:46,432

Okay...

592

00:43:47,507 —> 00:43:48,940

Rosalie,

593

00:43:51,077 —> 00:43:53,773

I don't understand what I did

to make you hate me so much.

594

00:43:54,113 —> 00:43:55,171

Hate...

595

00:43:57,250 —> 00:43:58,410

I don't hate you.

596

00:44:01,587 —> 00:44:04,454

I don't particularly like you, but...

597

00:44:09,028 —> 00:44:11,121

Bella, I envy you.

598

00:44:12,131 —> 00:44:13,393

What?

599

00:44:14,701 —> 00:44:16,999

That's ridiculous.

No, it's not.

600

00:44:19,238 —> 00:44:20,705

You have a choice.

601

00:44:20,973 —> 00:44:22,440

I didn't.

602

00:44:23,376 —> 00:44:27,005

None of us did.

But you do, and you're choosing wrong.

603

00:44:28,114 —> 00:44:31,016

I don't care

how miserable your human life is.

604

00:44:31,885 —> 00:44:34,513

My life is not miserable.

605

00:44:37,691 —> 00:44:40,956

I mean, it's not perfect.

Nobody's life is perfect.

606

00:44:41,428 —> 00:44:42,827

Mine was.

607

00:44:43,530 —> 00:44:45,430

Absolutely perfect.

608

00:44:47,201 —> 00:44:49,066

There were things I still wanted,

609

00:44:50,270 —> 00:44:51,760

to be married, with a nice house

610

00:44:51,839 —> 00:44:54,034

and a husband to kiss me

when he came home,

611

00:44:54,475 —> 00:44:56,534

a family of my own.

612

00:44:57,478 —> 00:45:00,845

Royce King was the most eligible bachelor

in town.

613

00:45:01,915 —> 00:45:03,780

I barely knew him.

614

00:45:08,055 —> 00:45:12,014

But I was young.

I was in love with the idea of love.

615

00:45:13,594 —> 00:45:17,052

On the last night of my life,

I left a friend's house late.

616

00:45:17,131 —> 00:45:18,622

I wasn't far from home.

617

00:45:18,700 —> 00:45:20,395

There she is.

618

00:45:20,468 —> 00:45:21,492

Hey, Rose!

619

00:45:22,504 —> 00:45:24,870

Come over here! Here. Hold this.

620

00:45:25,740 —> 00:45:27,401

Hey, come over here.

621

00:45:27,876 —> 00:45:30,174

We've been waiting for you.

622

00:45:31,079 —> 00:45:32,740

There she is.

623

00:45:34,149 —> 00:45:35,844

Royce. Royce!

624

00:45:35,917 —> 00:45:37,214

(MEN LAUGHING)

625

00:45:37,285 —> 00:45:39,048

You're drunk.

626

00:45:39,120 —> 00:45:42,612

Isn't she lovely, John?

I told you she was a looker.

627

00:45:42,690 —> 00:45:45,215

It's hard to say with all those clothes on.

628

00:45:45,627 —> 00:45:46,821

What do you say, Rose?

629

00:45:47,395 —> 00:45:49,635

Why don't we take off a few layers?

Stop it, stop it.

630

00:45:49,798 —> 00:45:51,766

Stop. Stop!

631

00:45:54,269 —> 00:45:55,600

I'll see you tomorrow.

632

00:45:55,670 —> 00:45:57,001

Sober.

633

00:45:58,540 —> 00:45:59,905

Hey, where do you think you're going?

634

00:45:59,974 —> 00:46:02,374

I said, get... Come back... Hey!

Stop! Stop! Get off me!

635

00:46:02,443 —> 00:46:04,411

You'll do as I say!

Let go of me! Stop!

636

00:46:04,479 —> 00:46:06,812

Stop! Let go! Stop!

637

00:46:09,518 —> 00:46:12,544

They left me in the street,

thinking I was dead.

638

00:46:12,955 —> 00:46:14,855

Believe me, I wanted to be.

639

00:46:16,559 —> 00:46:18,686

Carlisle found me. He

smelled all the blood.

640

00:46:19,161 —> 00:46:21,959

Thought he was helping me.

I'm sorry.

641

00:46:24,733 —> 00:46:27,031

I got my revenge on them.

642

00:46:28,537 —> 00:46:30,198

One at a time.

643

00:46:30,606 —> 00:46:33,370

Saved Royce for last,

so he'd know I was coming.

644

00:46:35,177 —> 00:46:36,177

(BANGING ON DOOR)

645

00:46:37,146 —> 00:46:38,306

(SCREAMS)

646

00:46:51,961 —> 00:46:54,327

I was a little theatrical back then.

647

00:47:03,206 —> 00:47:06,107

Things got better after I found Emmett.

648

00:47:08,545 —> 00:47:10,706

But we'll always be this.

649

00:47:14,417 —> 00:47:15,611

Frozen.

650

00:47:16,753 —> 00:47:18,277

Never moving forward.

651

00:47:20,156 —> 00:47:23,751

That's what I miss the most. Possibilities.

652

00:47:25,128 —> 00:47:27,653

Sitting on a front porch somewhere,

653

00:47:27,898 —> 00:47:30,526

Emmett, gray-haired, by my side,

654

00:47:30,600 —> 00:47:33,228

surrounded by our grandchildren.

655

00:47:34,537 —> 00:47:36,266

Their laughter.

656

00:47:38,275 —> 00:47:41,176

I understand that that's what you want.

657

00:47:48,085 —> 00:47:50,986

But there's nothing

I'm ever gonna want more

658

00:47:53,724 —> 00:47:55,316

than Edward.

659

00:47:56,060 —> 00:47:57,994

You're wrong again.

660

00:47:59,830 —> 00:48:03,732

After you've been changed,

there's one thing you'll want more,

661

00:48:04,235 —> 00:48:05,566

one thing you'll kill for.

662
00:48:08,472 —> 00:48:09,837
Blood.

663
00:48:14,211 —> 00:48:15,542
(VAMPIRES SCREAMING)

664
00:48:15,613 —> 00:48:18,776
What did I say about a low profile?

665
00:48:21,118 —> 00:48:22,517
(INDISTINCT SCREAMING)

666
00:48:31,195 —> 00:48:33,095
Something's coming.

667
00:48:35,200 —> 00:48:39,296
Something bigger than any of us alone.

668
00:48:40,739 —> 00:48:45,301
And if you can't control yourselves,

669

00:48:48,113 —> 00:48:50,206

we're all going to die.

670

00:48:54,519 —> 00:48:56,817

What's done is done, just

671

00:48:59,458 —> 00:49:01,790

clean up after yourselves.

672

00:49:10,469 —> 00:49:13,495

They've already drawn too much attention.

673

00:49:13,572 —> 00:49:14,903

So has our inaction.

674

00:49:15,941 —> 00:49:19,604

Others may begin to question

the Volturi's effectiveness.

675

00:49:20,545 —> 00:49:22,012

Let them.

676

00:49:27,553 —> 00:49:29,714

Maybe we should consult with Aro.

677

00:49:31,991 —> 00:49:32,991

(GRUNTS)

678

00:49:34,794 —> 00:49:37,058

Aro's decisions are being watched.

679

00:49:39,132 —> 00:49:40,861

We must decide.

680

00:49:43,302 —> 00:49:46,499

Then decide, sister. It's time.

681

00:49:48,474 —> 00:49:50,237

Yes, it is.

682

00:49:55,148 —> 00:49:57,946

Either we let them do

what they were created for,

683

00:49:59,018 —> 00:50:00,815

or we end them.

684

00:50:01,754 —> 00:50:03,722

Decisions, decisions.

685

00:50:14,234 —> 00:50:18,534

When we were five, they asked us

what we wanted to be when we grew up.

686

00:50:18,605 —> 00:50:22,701

Our answers were things

like astronaut, president,

687

00:50:23,343 —> 00:50:26,039

or, in my case, a princess.

(ALL CHUCKLING)

688

00:50:26,113 —> 00:50:28,741

When we were 10, they asked again.

689

00:50:28,816 —> 00:50:33,685
We answered rock star, cowboy
or, in my case, a gold medalist.

690
00:50:34,688 —> 00:50:38,419
But now that we've grown up,
they want a serious answer.

691
00:50:38,992 —> 00:50:40,983
Well, how about this?

692
00:50:41,762 —> 00:50:43,286
Who the hell knows?

693
00:50:43,397 —> 00:50:44,397
(ALL CHEERING)

694
00:50:44,565 —> 00:50:45,725
Yeah!

695
00:50:47,568 —> 00:50:49,763
This isn't the time to make
hard-and-fast decisions.

696

00:50:49,837 —> 00:50:51,498

This is the time to make mistakes.

697

00:50:52,539 —> 00:50:55,508

Take the wrong train

and get stuck somewhere.

(ALL GRUNTING)

1202

01:37:43,005 —> 01:37:44,005

(GROANS)

1203

01:38:02,324 —> 01:38:03,450

Someone's hurt?

1204

01:38:04,860 —> 01:38:07,886

She's close. I can hear her thoughts.

1205

01:38:08,297 —> 01:38:09,525

Seth, go.

1206

01:38:14,504 —> 01:38:16,870

She knew we weren't there,

but she caught my scent.

1207

01:38:17,340 —> 01:38:19,433

She knew you'd be with me.

1208

01:38:20,076 —> 01:38:21,543

She found us.

1209

01:38:25,148 —> 01:38:26,809

She's not alone.

1210

01:38:35,959 —> 01:38:38,757

Riley, listen to me.

1211

01:38:40,196 —> 01:38:43,256

Victoria's just using you to distract me.

1212

01:38:44,034 —> 01:38:45,501

She knows I'll kill you.

1213

01:38:49,172 —> 01:38:52,938

In fact, she'll be glad

she doesn't have to deal with you anymore.

1214

01:38:53,610 —> 01:38:57,979

Don't listen, Riley.

I told you about their mind tricks.

1215

01:38:58,048 —> 01:39:01,882

I can read her mind.

So I know what she thinks of you.

1216

01:39:02,385 —> 01:39:04,047

VICTORIA: He's lying.

1217

01:39:04,121 —> 01:39:08,785

She only created you and this army

to avenge her true mate, James.

1218

01:39:09,960 —> 01:39:13,088

That's the only thing she cares about.

Not you.

1219

01:39:15,733 —> 01:39:19,191

There's only you. You know that.

1220

01:39:21,605 —> 01:39:25,268

Think about it. You're from Forks.

1221

01:39:27,178 —> 01:39:28,338

You know the area.

1222

01:39:29,447 —> 01:39:31,312

That's the only reason she chose you.

1223

01:39:33,017 —> 01:39:35,247

She doesn't love you.

1224

01:39:35,319 —> 01:39:40,313

Riley. Don't let him do this to us.

1225

01:39:42,760 —> 01:39:44,227

You know I love you.

1226

01:39:58,410 —> 01:39:59,809

You're dead.

1227

01:40:02,848 —> 01:40:04,509

(GROWLING)

1228

01:40:10,522 —> 01:40:11,716

(HOWLING)

1229

01:40:14,459 —> 01:40:16,859

You won't get another chance

like this again.

1230

01:40:21,199 —> 01:40:22,689

You want her.

1231

01:40:24,503 —> 01:40:27,734

You want me to feel the pain you felt

when I killed James,

1232

01:40:29,875 —> 01:40:32,537

when I tore him to pieces,

1233

01:40:35,046 —> 01:40:37,742

when I turned him into ash,

1234

01:40:39,918 —> 01:40:43,878

when I turned him into nothing.

1235

01:40:47,193 —> 01:40:48,524

(ROARING)

1236

01:41:17,690 —> 01:41:18,690

(GRUNTS)

1237

01:41:23,596 —> 01:41:24,995

(BOTH GRUNTING)

1238

01:41:53,927 —> 01:41:55,053

(GRUNTING)

1239

01:42:00,033 —> 01:42:01,227

(GROWLING)

1240

01:42:04,004 —> 01:42:05,164

Victoria!

1241

01:42:06,607 —> 01:42:07,801

Victoria!

1242

01:42:08,675 —> 01:42:10,267

Victoria!

1243

01:42:13,413 —> 01:42:14,607

(GRUNTING)

1244

01:42:59,961 —> 01:43:01,758

(LOW GROWLING)

1245

01:43:04,399 —> 01:43:07,334

Something is wrong.

Alice needs us to go.

1246

01:43:08,270 —> 01:43:09,362

Now.

1247

01:43:32,394 —> 01:43:35,454

EDWARD: How long?

A few minutes. Maybe 10?

1248

01:43:35,531 —> 01:43:36,961

DR. CULLEN: The pack needs to leave.

1249

01:43:36,965 —> 01:43:39,456

The Volturi won't honor

a truce with the werewolves.

1250

01:43:44,440 —> 01:43:45,440

(SNARLS)

1251

01:43:46,442 —> 01:43:47,500

Leah, don't!

1252

01:44:04,794 —> 01:44:06,489

Jacob!

1253

01:44:09,866 —> 01:44:12,426

Jacob. Hold on.

Carlisle's gonna take care of you.

1254

01:44:12,502 —> 01:44:14,663

The bones on the right half of his body

are shattered.

1255

01:44:16,406 —> 01:44:18,772

Bella.

Jake, I'm right here.

1256

01:44:20,777 —> 01:44:23,041

Jacob, you idiot, I had it!

Leah!

1257

01:44:23,113 —> 01:44:25,775

I need to set the bones

before his accelerated healing kicks in.

1258

01:44:25,849 —> 01:44:28,147

It's already starting.

EDWARD: We need to get him out of here.

1259

01:44:28,218 —> 01:44:31,085

We're not gonna win a fight

with the Volturi.

1260

01:44:31,154 —> 01:44:33,884

We'll take him back to Billy's.

I'll be there soon as I can.

1261

01:44:34,424 —> 01:44:35,482

Hang in there, Jake.

1262

01:44:43,166 —> 01:44:44,463

(GROANING)

1263

01:44:46,237 —> 01:44:49,001

It's okay. We got you.

We got you.

1264

01:44:49,974 —> 01:44:51,100

They're coming.

1265
01:45:12,663 —> 01:45:13,925
Impressive.

1266
01:45:13,998 —> 01:45:18,560
JANE: I've never seen a coven escape
an assault of this magnitude intact.

1267
01:45:18,636 —> 01:45:20,194
We were lucky.

1268
01:45:21,672 —> 01:45:23,264
I doubt that.

1269
01:45:25,176 —> 01:45:27,234
It appears we missed
an entertaining fight.

1270
01:45:27,265 —> 01:45:28,664
JANE: Yes.

1271

01:45:29,168 —> 01:45:31,830

It's not often we're rendered unnecessary.

1272

01:45:31,889 —> 01:45:34,729

If you'd arrived a half hour ago,

you would have fulfilled your purpose.

1273

01:45:36,267 —> 01:45:37,427

Pity.

1274

01:45:41,301 —> 01:45:42,859

You missed one.

1275

01:45:49,831 —> 01:45:52,265

We offered her asylum

in exchange for her surrender.

1276

01:45:53,647 —> 01:45:55,410

That wasn't yours to offer.

1277

01:45:58,677 —> 01:45:59,803

Why did you come?

1278

01:46:01,164 —> 01:46:03,734

(SCREAMING)

1279

01:46:06,151 —> 01:46:07,379

Who created you?

1280

01:46:07,619 —> 01:46:09,175

(SCREAMING)

1281

01:46:09,221 —> 01:46:11,941

You don't need to do that.

She'll tell you anything you want to know.

1282

01:46:12,527 —> 01:46:13,789

I know.

1283

01:46:15,904 —> 01:46:19,772

I don't know! Riley wouldn't tell us.

1284

01:46:20,875 —> 01:46:22,935

He said our thoughts weren't safe.

1285

01:46:22,997 —> 01:46:26,262

Her name was Victoria.

Perhaps you knew her.

1286

01:46:27,160 —> 01:46:30,425

DR. CULLEN: Edward,

if the Volturi had knowledge of Victoria,

1287

01:46:30,676 —> 01:46:31,796

they would have stopped her.

1288

01:46:33,063 —> 01:46:34,360

Isn't that right, Jane?

1289

01:46:36,759 —> 01:46:38,249

Of course.

1290

01:46:39,698 —> 01:46:40,756

Felix.

1291

01:46:42,044 —> 01:46:43,477

She didn't know what she was doing.

1292

01:46:45,445 —> 01:46:47,777

We'll take responsibility for her.

1293

01:46:48,528 —> 01:46:50,155

Give her a chance.

1294

01:46:52,816 —> 01:46:58,015

The Volturi don't give second chances.

Keep that in mind.

1295

01:46:59,282 —> 01:47:02,149

Caius will be interested to know

that she's still human.

1296

01:47:02,573 —> 01:47:04,666

The date is set.

1297

01:47:06,950 —> 01:47:10,613

Take care of that, Felix.

I'd like to go home.

1298

01:47:27,000 —> 01:47:28,558

(SCREAMING)

1299

01:47:39,046 —> 01:47:40,536

Hey.

(JACOB SCREAMING)

1300

01:47:46,320 —> 01:47:49,812

It's been going on for a while.

EMBRY: Doc's re-breaking his bones.

1301

01:47:49,890 —> 01:47:51,721

Why did he have to butt in?

I could've taken that tick.

1302

01:47:51,792 —> 01:47:53,316

Give it a rest, Leah.

1303

01:47:59,900 —> 01:48:01,732

The worst is over. He'll be all right.

1304

01:48:02,770 —> 01:48:03,930

I gave him some morphine,

1305

01:48:04,005 —> 01:48:06,337

but his body temperature

will burn it off soon.

1306

01:48:06,407 —> 01:48:08,466

I'll come back to set up a drip.

1307

01:48:09,010 —> 01:48:10,443

Thank you.

1308

01:48:20,388 —> 01:48:21,582

He's asking for you.

1309

01:48:36,904 —> 01:48:37,962

Hey, Jake.

1310

01:48:41,542 —> 01:48:42,804

Hey.

1311

01:48:55,691 —> 01:48:59,491

I was worried about you.

You were worried about me?

1312

01:49:01,263 —> 01:49:02,855

Yeah.

1313

01:49:03,866 —> 01:49:06,664

I guessed Edward would read my thoughts.

1314

01:49:09,338 —> 01:49:12,796

Was he hard on you?

He wasn't even mad at me.

1315

01:49:14,043 —> 01:49:15,203

Or you.

1316

01:49:16,712 —> 01:49:18,202

Well, damn.

1317

01:49:20,716 —> 01:49:24,675

He's better than I thought.

He's not playing a game.

1318

01:49:27,222 —> 01:49:28,484

Right.

1319

01:49:32,027 —> 01:49:33,324

Bella.

1320

01:49:36,632 —> 01:49:39,466

He's not as perfect as you think.

1321

01:49:43,006 —> 01:49:44,701

I know who he is.

1322

01:49:49,045 —> 01:49:51,445

Can we just not talk about that?

1323

01:49:52,649 —> 01:49:55,709

I'd rather get all the re-breaking done

at once.

1324

01:50:01,825 —> 01:50:04,658

Well, at least I know

I did everything I could.

1325

01:50:08,498 —> 01:50:11,831

It wasn't easy making you admit

your feelings for me.

1326

01:50:15,271 —> 01:50:18,297

I only fought them because I knew

they wouldn't change anything.

1327

01:50:26,516 —> 01:50:29,452

I'm exactly right for you, Bella.

1328

01:50:31,956 —> 01:50:36,620

It would be as easy as breathing, with me.

1329

01:50:42,633 —> 01:50:44,931

You know I love you.

1330

01:50:51,709 —> 01:50:54,610

You know how much I wish it was enough.

1331

01:51:06,490 —> 01:51:07,650

Should I come back?

1332

01:51:10,861 —> 01:51:12,556

I need some time.

1333

01:51:17,269 —> 01:51:19,362

But I'll always be waiting.

1334

01:51:24,609 —> 01:51:27,407

Until my heart stops beating.

1335

01:51:29,381 —> 01:51:30,712

Maybe even then.

1336

01:51:53,805 —> 01:51:58,105

August 13th?

Yeah. It's a month before my birthday.

1337

01:51:58,710 —> 01:52:01,804

I don't need to be

another year older than you.

1338

01:52:02,614 —> 01:52:04,734

Alice said she could get the wedding
together by then.

1339
01:52:05,518 —> 01:52:07,213
I'm sure she can.

1340
01:52:09,589 —> 01:52:11,250
There's no rush.

1341
01:52:13,826 —> 01:52:17,023
I've chosen my life. I want
to start living it.

1342
01:52:17,997 —> 01:52:21,455
And so you're gonna let Alice
plan the whole thing?

1343
01:52:21,801 —> 01:52:26,295
The dress, the reception, the guest list.

1344
01:52:26,372 —> 01:52:29,170
I mean, who knows who
she's gonna invite?

1345

01:52:31,177 —> 01:52:32,735

Does it matter?

1346

01:52:37,350 —> 01:52:39,284

I just don't know why

you're doing this.

1347

01:52:39,352 —> 01:52:42,549

What? The wedding?

No.

1348

01:52:45,524 —> 01:52:48,357

You're trying to make

everyone else happy,

1349

01:52:49,295 —> 01:52:51,855

but you're already giving

away too much.

1350

01:52:52,798 —> 01:52:54,289

You're wrong.

1351

01:53:02,309 —> 01:53:05,676

This wasn't a choice

between you and Jacob.

1352

01:53:09,516 —> 01:53:13,612

It was between who I should be

and who I am.

1353

01:53:17,324 —> 01:53:22,318

I've always felt out of step,

like literally stumbling through my life.

1354

01:53:25,499 —> 01:53:27,399

I've never felt normal.

1355

01:53:29,937 —> 01:53:31,871

Because I'm not normal.

1356

01:53:33,106 —> 01:53:34,767

I don't want to be.

1357

01:53:36,276 —> 01:53:41,509

I've had to face death

and loss and pain

1358

01:53:42,884 —> 01:53:46,047

in your world,

but I've also never felt stronger

1359

01:53:48,723 —> 01:53:52,056

and more real, more myself.

1360

01:53:54,796 —> 01:53:56,957

Because it's my world, too.

1361

01:54:00,201 —> 01:54:01,964

It's where I belong.

1362

01:54:08,810 —> 01:54:10,971

So it's not just about me?

1363

01:54:13,214 —> 01:54:16,240

No. Sorry.

1364

01:54:18,619 —> 01:54:23,682
I've made a mess trying to figure
all this out, but I wanna do it right.

1365
01:54:25,059 —> 01:54:29,462
And I wanna tie myself to you
in every way humanly possible.

1366
01:54:33,802 —> 01:54:35,360
Starting with a wedding.

1367
01:54:39,641 —> 01:54:41,040
Actually,

1368
01:54:41,944 —> 01:54:46,904
something a little more difficult first.
And maybe even dangerous.

1369
01:54:52,654 —> 01:54:54,087
We have to tell Charlie.

1370
01:54:58,260 —> 01:54:59,522
It's highly dangerous.

1371
