Dialogues from The Twilight Saga V Breaking Dawn (Part II) to improve the vocabulary in English

1

00:03:49,320 –> 00:03:50,620

So beautiful.

2

00:03:57,230 –> 00:03:59,060

We're the same temperature now.

3

00:04:19,820 –> 00:04:20,810

Hey, Bella,

4

00:04:23,930 –> 00:04:26,220

you're a lot stronger than I am right now.

5

00:04:33,530 –> 00:04:35,260

It's your turn not to break me.

6

00:04:37,940 –> 00:04:39,170

I love you.

7

00:04:40,110 —> 00:04:41,600

I love you.

8

00:04:52,820 —> 00:04:53,910

Renesmee.

9

00:04:56,120 —> 00:04:57,460

She's incredible.

10

00:04:57,560 —> 00:04:58,920

Where is she? I have to see her.

11

00:04:59,290 —> 00:05:00,320

Wait. Wait.

12

00:05:01,630 —> 00:05:03,650

You need to get your thirst under control.

13

00:05:07,200 —> 00:05:08,690

Yeah, you'll need to hunt.

14

00:05:54,550 —> 00:05:55,570

Close your eyes.

15

00:06:00,420 —> 00:06:01,480

What do you hear?

16

00:06:55,640 —> 00:06:57,080

Bella, don't!

17

00:07:15,460 —> 00:07:16,520

Bella, stop!

18

00:07:18,570 —> 00:07:19,530

I'm sorry, I didn't realize

19

00:07:19,530 —> 00:07:21,060

there'd be people this far from the trails.

20

00:07:26,970 —> 00:07:28,270

I have to get outta here.

21

00:07:28,640 —> 00:07:30,270

Okay, I can help you.

22

00:07:37,150 —> 00:07:38,280

Or not.

23

00:08:04,850 —> 00:08:06,280

Well, I'm amazed.

24

00:08:06,780 —> 00:08:09,150

You ran away from human blood mid-hunt.

25

00:08:09,380 —> 00:08:11,610

Even mature vampires have problems with that.

26

00:08:18,730 —> 00:08:19,990

You're still here.

27

00:08:20,330 —> 00:08:21,420

So are you.

28

00:08:22,530 —> 00:08:27,420

I didn't expect you to seem so... you

29

00:08:29,070 —> 00:08:30,540

Except for the creepy eyes.

30

00:08:31,540 —> 00:08:33,970

I would keep my distance for now.

31

00:08:34,640 —> 00:08:37,370

It's safer for the baby to see how you do with me first.

32

00:08:37,880 —> 00:08:39,680

Since when do you care about Renesmee?

33

00:08:44,550 —> 00:08:45,810

All right.

34

00:08:47,990 —> 00:08:49,220

Take a whiff.

35

00:09:01,540 —> 00:09:03,970

Well, I can see what everyone's been talking about.

36

00:09:05,410 —> 00:09:06,870

Jake, you really do stink.

37

00:09:11,550 —> 00:09:12,810

You guys

38

00:09:15,350 —> 00:09:16,750

really look great together.

39

00:09:21,020 —> 00:09:22,510

Want to come meet our daughter?

40

00:09:36,440 —> 00:09:37,900

Welcome to the family.

41

00:09:40,370 —> 00:09:42,000

You look amazing, Bella.

42

00:09:42,380 —> 00:09:44,370

Someone's been waiting to meet you.

43

00:09:46,450 —> 00:09:47,640

Rose.

44

00:10:21,650 —> 00:10:23,340

Beautiful.

45

00:10:28,660 —> 00:10:29,750

What was that?

46

00:10:30,320 —> 00:10:32,690

She showed you the first memory she has of you.

47

00:10:34,630 —> 00:10:36,030

Showed me? How?

48

00:10:38,330 —> 00:10:40,100

How do I hear thoughts?

49

00:10:40,670 —> 00:10:42,230

How does Alice see the future?

50

00:10:45,270 —> 00:10:46,640

She's gifted.

51

00:10:49,840 —> 00:10:51,640

I've only been out for two days?

52

00:10:51,980 —> 00:10:53,810

Her growth rate is unprecedented.

53

00:10:55,180 —> 00:10:57,880

All right. That's enough experimenting for one day.

54

00:10:57,990 —> 00:10:58,950

Jacob.

55

00:10:59,520 —> 00:11:00,890

She's doing great.

56

00:11:01,160 —> 00:11:03,090

Yeah. Let's not push it though.

57

00:11:05,290 —> 00:11:06,420

What's your problem?

58

00:11:08,260 —> 00:11:10,130

Do tell her, Jacob.

59

00:11:10,300 —> 00:11:11,590

This should be good.

60

00:11:12,100 —> 00:11:13,260

Hold on a second.

61

00:11:14,300 —> 00:11:15,270

Bella.

62

00:11:18,210 —> 00:11:22,270

Look, it's a wolf thing.

63

00:11:22,440 —> 00:11:23,670

What's a wolf thing?

64

00:11:28,780 —> 00:11:30,810

You know we have no control over it.

65

00:11:31,290 —> 00:11:33,120

We can't choose who it happens with.

66

00:11:33,350 —> 00:11:36,410

And it doesn't mean what you think, Bella. I promise.

67

00:11:36,790 —> 00:11:38,320

Take Renesmee out of the room.

68

00:11:39,530 —> 00:11:40,650

Edward, don't touch me right now.

69

00:11:40,800 —> 00:11:42,130

I don't want to hurt you.

70

00:11:49,840 —> 00:11:51,300

You imprinted on my daughter?

71

00:11:51,440 —> 00:11:52,840

It wasn't my choice!

72

00:11:52,970 —> 00:11:53,960

She's a baby!

73

00:11:54,110 —> 00:11:55,170

It's not like that.

74

00:11:55,310 —> 00:11:56,970

You think Edward would let me live if it was?

75

00:11:57,280 —> 00:11:58,270

I'm still debating it.

76

00:11:58,380 —> 00:12:00,180

I've held her once!

77

00:12:00,550 —> 00:12:02,020

One time, Jacob!

78

00:12:02,180 —> 00:12:04,210

And already you think that you have some moronic

79

00:12:04,320 —> 00:12:05,910

wolfy claim on her?

80

00:12:06,820 —> 00:12:08,020

She's mine!

81

00:12:15,160 —> 00:12:16,420

It's fine, Leah.

82

00:12:17,730 —> 00:12:19,130

You're gonna stay away from her.

83

00:12:19,300 —> 00:12:20,530

You know I can't do that.

84

00:12:23,970 —> 00:12:24,960

Stop her, Edward.

85

00:12:25,070 —> 00:12:26,800

He said it's fine.

86

00:12:26,910 —> 00:12:28,030

She's amazing, right?

87

00:12:31,850 —> 00:12:34,710

Do you remember how much you wanted to be around me 3 days ago?

88

00:12:34,880 —> 00:12:35,850

That's gone now, right?

89

00:12:35,980 —> 00:12:36,950

Long gone.

90

00:12:37,050 —> 00:12:38,180

Because it was her.

91

00:12:39,350 —> 00:12:41,980

From the beginning it was Nessie who wanted me there.

92

00:12:42,160 —> 00:12:43,150

Nessie?

93

00:12:43,920 —> 00:12:46,950

You nicknamed my daughter after the Loch Ness monster?

94

00:12:54,400 —> 00:12:55,560

Seth, are you okay?

95

00:12:58,740 —> 00:13:00,570

Seth, I'm sorry.

96

00:13:01,840 —> 00:13:02,970

He'll be all right.

97

00:13:07,380 —> 00:13:08,470

Bella,

98

00:13:10,050 —> 00:13:13,180

you know me better than anyone.

99

00:13:13,590 —> 00:13:15,180

All I want is for Ness...

100

00:13:16,890 —> 00:13:19,830

Renesmee to be safe. Happy.

101

00:13:20,860 —> 00:13:24,060

Look, nothing ever made sense before.

102

00:13:24,770 —> 00:13:26,860

You. Me. Any of it.

103

00:13:27,470 —> 00:13:31,100

And now I understand why. This was the reason.

104

00:13:56,600 —> 00:13:57,860

Finally.

105

00:14:05,170 —> 00:14:06,400

My turn.

106

00:14:14,280 —> 00:14:15,480

Where does she sleep?

107

00:14:15,750 —> 00:14:18,880

In my arms, or Edward's or Esme's.

108

00:14:26,160 —> 00:14:27,650

Happy birthday.

109

00:14:28,300 —> 00:14:30,060

I stopped aging three days ago.

110

00:14:30,500 —> 00:14:32,590

Well, we're celebrating anyway. So suck it up.

111

00:14:39,470 —> 00:14:42,000

I still hate surprises. That hasn't changed.

112

00:14:42,540 —> 00:14:43,940

You'll love this one.

113

00:14:48,680 —> 00:14:50,120

Welcome home!

114

00:14:51,720 —> 00:14:54,280

We thought you guys might like a place of your own.

115

00:14:55,820 —> 00:14:56,950

What do you think?

116

00:14:57,120 —> 00:14:58,750

I think it's perfect.

117

00:15:01,130 —> 00:15:02,120

Go inside.

118

00:15:12,070 —> 00:15:13,270

Have fun.

119

00:15:40,730 —> 00:15:42,130

This will be Renesmee's room.

120

00:15:53,180 —> 00:15:54,150

Closet.

121

00:15:57,790 —> 00:15:59,180

Alice stocked it for you.

122

00:16:01,560 —> 00:16:02,750

Clearly.

123

00:16:16,300 —> 00:16:17,400

This is our room.

124

00:16:24,880 —> 00:16:26,610

Vampires don't sleep.

125

00:16:28,580 —> 00:16:30,070

It's not intended for sleep.

126

00:17:53,000 —> 00:17:54,990

You really were holding back before.

127

00:17:58,670 —> 00:18:00,770

I'm never gonna get enough of this.

128

00:18:01,140 —> 00:18:02,540

We don't get tired.

129

00:18:03,540 —> 00:18:06,640

We don't have to rest or catch our breath or eat.

130

00:18:07,680 —> 00:18:08,650

I mean,

131

00:18:09,520 —> 00:18:11,110

how are we gonna stop?

132

00:18:14,320 —> 00:18:17,780

Rosalie and Emmett were so bad, it took a solid decade

133

00:18:17,930 —> 00:18:21,190

before we could stand to be within five miles of them.

134

00:18:24,330 —> 00:18:26,030

I think we might be worse.

135

00:18:27,330 —> 00:18:28,630

Definitely worse.

136

00:18:46,790 —> 00:18:48,190

Done already?

137

00:18:49,120 —> 00:18:50,520

Where's Renesmee?

138

00:18:50,820 —> 00:18:52,190

Blondie stole her.

139

00:18:54,930 —> 00:18:56,290

Break a lot of stuff?

140

00:18:56,760 —> 00:18:59,370

Emmett. No.

141

00:19:13,150 —> 00:19:14,210

Is that Charlie?

142

00:19:15,180 —> 00:19:17,050

He's been calling twice a day.

143

00:19:18,990 —> 00:19:20,480

He's in pretty rough shape.

144

00:19:22,760 —> 00:19:25,280

Eventually, we'll have to tell him you didn't make it.

145

00:19:26,860 —> 00:19:28,450

He needs to mourn, Bella.

146

00:19:32,700 —> 00:19:34,560

Okay. We'll do it tomorrow.

147

00:19:38,010 —> 00:19:39,800

I'm gonna miss this place.

148

00:19:40,270 —> 00:19:42,440

We'll come back. We always do.

149

00:19:44,510 —> 00:19:45,480

Wait.

150

00:19:46,980 —> 00:19:48,810

Nobody said anything about leaving.

151

00:19:49,480 —> 00:19:51,070

Once people believe Bella's dead,

152

00:19:51,070 —> 00:19:52,610

we can't risk anyone seeing her.

153

00:19:53,650 —> 00:19:56,350

So you just disappear?

154

00:19:56,520 —> 00:19:58,120

Jacob, we don't have another choice.

155

00:20:39,230 —> 00:20:40,290

You heard anything?

156

00:20:43,170 —> 00:20:44,430

Charlie,

157

00:20:47,670 —> 00:20:49,040

Bella is...

158

00:20:53,250 —> 00:20:54,440

No, she's not.

159

00:20:54,550 —> 00:20:56,110

No, no, no, I mean, she's fine.

160

00:20:56,220 —> 00:20:57,480

She's back home and

161

00:20:58,390 —> 00:21:00,180

she's feeling better.

162

00:21:02,760 —> 00:21:04,950

Why didn't you say so? That's great.

163

00:21:06,590 —> 00:21:07,960

Wait.

164

00:21:08,060 —> 00:21:10,190

There's something you need to see first.

165

00:21:10,730 —> 00:21:11,890

I need to see Bella.

166

00:21:12,170 —> 00:21:17,560

Look, in order for Bella to get better, she had to

167

00:21:20,610 —> 00:21:21,970

change.

168

00:21:23,440 —> 00:21:24,810

What do you mean, "Change"?

169

00:21:31,020 —> 00:21:32,710

Here goes nothing.

170

00:21:33,390 —> 00:21:35,150

What the hell are you doing?

171

00:21:35,460 —> 00:21:37,550

You don't live in the world you think you do.

172

00:21:39,590 —> 00:21:42,080

Jacob, put your clothes on.

173

00:21:44,200 —> 00:21:46,030

Now, this may seem strange.

174

00:21:46,870 —> 00:21:49,030

Really strange.

175

00:21:50,600 —> 00:21:54,410

But stranger things happen every day. Trust me.

176

00:22:00,850 —> 00:22:02,640

Holy shit!

177

00:22:09,460 —> 00:22:10,680

Look, I solved a problem.

178

00:22:11,460 —> 00:22:12,550

You were leaving.

179

00:22:12,730 —> 00:22:14,160

What did you expect me to do?

180

00:22:14,290 —> 00:22:16,190

You don't realize the danger you've put him in.

181

00:22:16,360 —> 00:22:18,660

The Volturi will kill anyone who knows about us.

182

00:22:18,800 —> 00:22:20,860

No, I didn't tell him about you. Just me.

183

00:22:20,970 —> 00:22:22,660

I only said you were different.

184

00:22:22,800 —> 00:22:24,930

And that we have a niece who we adopted.

185

00:22:25,110 —> 00:22:27,510

I mean, seriously, Jake, he's not just gonna let that go.

186

00:22:27,610 —> 00:22:30,040

Did you consider the physical pain he'll put Bella through?

187

00:22:30,210 —> 00:22:33,270

It'll be like sticking a white hot branding iron down her throat.

188

00:22:33,410 —> 00:22:35,380

And that's assuming she can control her thirst.

189

00:22:35,550 —> 00:22:37,110

Look, Charlie's been in hell.

190

00:22:37,450 —> 00:22:39,750

And I know you'll be much happier with him in your life.

191

00:22:39,920 —> 00:22:40,910

Jacob, don't try and pretend

192

00:22:40,910 —> 00:22:42,390

you're doing this for anyone but yourself.

193

00:22:44,490 —> 00:22:45,720

Sorry you feel that way

194

00:22:46,330 —> 00:22:48,260

because he'll be here in 10 minutes.

195

00:22:48,430 —> 00:22:49,420

What?

196

00:22:49,600 —> 00:22:51,430

These will irritate your eyes at first.

197

00:22:53,730 —> 00:22:55,530

The main thing is not to move too fast.

198

00:22:55,900 —> 00:22:58,630

Try taking a seat. Crossing your legs.

199

00:23:07,250 —> 00:23:09,880

Maybe a tad slower. Hmm.

200

00:23:09,980 —> 00:23:11,420

And blink at least three times a minute.

201

00:23:15,120 —> 00:23:16,090

Good.

202

00:23:17,390 —> 00:23:19,220

For a cartoon character.

203

00:23:19,460 —> 00:23:21,520

Hold your breath. It will help with the thirst.

204

00:23:22,760 —> 00:23:23,770

Just don't forget to move your shoulders

205

00:23:23,770 —> 00:23:25,730

so it looks like you're breathing.

206

00:23:29,070 —> 00:23:30,540

And don't sit so straight.

207

00:23:31,510 —> 00:23:33,030

Humans don't do that.

208

00:23:36,510 —> 00:23:38,030

Okay. I got it.

209

00:23:38,280 —> 00:23:40,110

Move around, blink, slouch.

210

00:23:55,930 —> 00:23:57,090

Good luck.

211

00:24:10,710 —> 00:24:11,840

Hello, Charlie.

212

00:24:15,780 —> 00:24:16,770

Where's Bella?

213

00:24:46,080 —> 00:24:47,050

Bella.

214

00:24:47,350 —> 00:24:48,440

Hi, Dad.

215

00:24:53,020 —> 00:24:54,180

Are you okay?

216

00:24:55,790 —> 00:24:57,020

Never better.

217

00:24:58,560 —> 00:24:59,650

Healthy as a horse.

218

00:25:04,730 —> 00:25:08,390

You don't turn into an animal, too, do you?

219

00:25:11,440 —> 00:25:13,410

She wishes she was that awesome.

220

00:25:17,280 —> 00:25:19,040

Let's give them some privacy.

221

00:25:33,590 —> 00:25:36,060

Uh, Jake said that this...

222

00:25:38,130 —> 00:25:39,890

This was necessary.

223

00:25:40,070 —> 00:25:41,260

What does that mean?

224

00:25:43,070 —> 00:25:44,470

I really think it would be better...

225

00:25:44,600 —> 00:25:46,270

I wanna know what happened to you.

226

00:25:46,470 —> 00:25:47,600

I can't tell you.

227

00:25:49,080 —> 00:25:50,540

I think I deserve an explanation.

228

00:25:50,680 —> 00:25:51,640

You do.

229

00:25:53,850 —> 00:25:55,820

But if you really need one, I can't stay here.

230

00:25:56,080 —> 00:25:57,410

Oh, come on! No!

231

00:25:57,520 —> 00:25:58,920

No more going away!

232

00:25:59,250 —> 00:26:02,050

Dad, you're just gonna have to trust that for whatever reason,

233

00:26:02,960 —> 00:26:03,920

I'm all right.

234

00:26:04,490 —> 00:26:05,620

I'm more than all right.

235

00:26:06,290 —> 00:26:07,560

Can you live with that?

236

00:26:09,200 —> 00:26:10,560

Can I live with that?

237

00:26:12,430 —> 00:26:13,800

Well, I don't know, Bella.

238

00:26:14,500 —> 00:26:16,990

I mean, I just watched a kid I've known his entire life

239

00:26:17,140 —> 00:26:19,130

turn into a very large dog.

240

00:26:19,940 —> 00:26:21,930

My daughter looks like my daughter,

241

00:26:22,780 —> 00:26:24,300

but doesn't.

242

00:26:27,350 —> 00:26:28,540

Can you please just believe

243

00:26:28,540 —> 00:26:30,750

that I'll tell you anything that you need to know?

244

00:26:33,720 —> 00:26:35,310

And I don't need to know this?

245

00:26:36,320 —> 00:26:37,290

No.

246

00:26:37,860 —> 00:26:39,120

Really, you don't.

247

00:26:48,030 —> 00:26:49,470

Not gonna lose you again.

248

00:26:51,000 —> 00:26:52,340

I can't.

249

00:26:54,410 —> 00:26:55,640

Then you won't.

250

00:26:58,380 —> 00:26:59,470

I promise.

251

00:27:16,330 —> 00:27:17,660

I missed you, Bells.

252

00:27:19,500 —> 00:27:20,520

So much.

253

00:27:23,000 —> 00:27:24,630

I missed you, Dad.

254

00:27:29,580 —> 00:27:30,540

Charlie.

255

00:27:33,780 —> 00:27:35,080

This is Renesmee.

256

00:27:40,550 —> 00:27:41,610

Your niece?

257

00:27:43,760 —> 00:27:44,880

Our daughter.

258

00:27:49,260 —> 00:27:50,230

Right.

259

00:27:50,730 —> 00:27:51,890

The adoption.

260

00:27:58,100 —> 00:27:59,400

Renee-semee?

261

00:28:03,440 —> 00:28:04,970

She's got your eyes, Bella.

262

00:28:13,320 —> 00:28:15,150

Need to know, I guess.

263

00:28:30,700 —> 00:28:31,830

Well done, Bella.

264

00:28:32,210 —> 00:28:34,400

Never seen a newborn show that kind of restraint.

265

00:28:34,940 —> 00:28:37,270

I'm not sure she is a newborn.

266

00:28:37,710 —> 00:28:39,510

She's so tame.

267

00:28:40,780 —> 00:28:42,510

Emmett, don't antagonize her.

268

00:28:42,650 —> 00:28:43,640

She's the strongest one in the house.

269

00:28:44,380 —> 00:28:46,720

Please.

270

00:28:52,790 —> 00:28:54,420

Don't hurt yourself, Emmett.

271

00:28:57,660 —> 00:28:58,760

All right. On 3.

272

00:28:59,170 —> 00:29:00,500

1,

273

00:29:01,400 —> 00:29:02,770

2,

274

00:29:04,200 —> 00:29:05,930

3!

275

00:29:21,450 —> 00:29:22,480

Did you see that?

276

00:29:28,860 —> 00:29:30,160

Thank you.

277

00:29:53,020 —> 00:29:54,990

My time as a human was over.

278

00:29:56,690 —> 00:29:58,660

But I never felt more alive.

279

00:30:00,790 —> 00:30:02,420

I was born to be a vampire.

280

00:30:18,110 —> 00:30:19,700

Everything was falling into place.

281

00:30:23,550 —> 00:30:25,950

Even the Volturi seemed to accept my new status.

282

00:30:26,620 —> 00:30:27,090

Though they'd want proof eventually.

283

00:30:27,090 —> 00:30:28,090

Though they'd want proof eventually.

284

00:30:32,460 —> 00:30:33,820

It seemed we had only one enemy left.

285

00:30:35,400 —> 00:30:36,360

Time.

286

00:30:38,000 —> 00:30:39,730

Renesmee was growing too fast.

287

00:30:44,470 —> 00:30:46,870

We all worried about how long we would have with her.

288

00:30:48,710 —> 00:30:50,570

It just made every moment more precious.

289

00:30:51,240 —> 00:30:52,710

Look, a snowflake.

290

00:30:53,580 —> 00:30:54,600

It's beautiful.

291

00:30:55,450 —> 00:30:56,640

Why don't you go get another one?

292

00:31:01,820 —> 00:31:03,950

Edward thinks that we'll find answers in Brazil.

293

00:31:05,730 —> 00:31:07,590

There are tribes there that might know something.

294

00:31:24,510 —> 00:31:25,530

Who was that?

295

00:31:26,680 —> 00:31:29,110

I think that's our cousin from Denali.

296

00:31:33,450 —> 00:31:34,550

Irina!

297

00:31:57,740 —> 00:32:00,140

Tanya convinced Irina to come reconcile with us.

298

00:32:00,280 —> 00:32:01,910

It looks like she changed her mind.

299

00:32:02,050 —> 00:32:04,380

Seeing Jacob must have been too much for her.

300

00:32:04,620 —> 00:32:06,410

Wish I could have just spoken to her.

301

00:32:06,590 —> 00:32:08,880

She's family. She'll come around.

302

00:33:19,160 —> 00:33:21,350

What a pleasant surprise.

303

00:33:24,100 —> 00:33:25,330

What do you want?

304

00:33:31,740 —> 00:33:34,940

I have to report a crime.

305

00:33:37,140 —> 00:33:38,770

The Cullens...

306

00:33:39,810 —> 00:33:42,780

They've done something terrible.

307

00:33:45,080 —> 00:33:47,350

Allow me, my dear.

308

00:34:06,210 —> 00:34:07,430

Oh, my.

309

00:34:40,740 —> 00:34:41,870

What is it, Alice?

310

00:34:42,980 —> 00:34:44,030

The Volturi.

311

00:34:45,680 —> 00:34:46,800

They're coming for us.

312

00:34:47,180 —> 00:34:51,810

Aro, Caius, Marcus, the Guard.

313

00:34:52,050 —> 00:34:53,020

And Irina.

314

00:34:53,250 —> 00:34:54,220

Honey, come here.

315

00:34:56,590 —> 00:34:57,890

Why?

316

00:34:58,020 —> 00:34:59,120

What did Irina see in the woods?

317

00:34:59,230 —> 00:35:00,520

We were just walking.

318

00:35:01,160 —> 00:35:02,750

Ness was catching snowflakes.

319

00:35:06,530 —> 00:35:07,760

Of course.

320

00:35:11,500 —> 00:35:13,770

Irina thinks Renesmee's an immortal Child.

321

00:35:17,010 —> 00:35:19,170

The immortal Children were very beautiful.

322

00:35:19,580 —> 00:35:20,640

So enchanting.

323

00:35:20,810 —> 00:35:22,780

To be near them was to love them.

324

00:35:22,880 —> 00:35:25,540

But their development was frozen at the age they were turned.

325

00:35:26,350 —> 00:35:28,480

They couldn't be taught or restrained.

326

00:35:29,920 —> 00:35:32,620

A single tantrum could destroy an entire village.

327

00:35:39,670 —> 00:35:41,290

Humans heard about the devastation.

328

00:35:42,600 —> 00:35:43,690

Stories spread.

329

00:35:44,400 —> 00:35:46,200

The Volturi were forced to intervene.

330

00:35:51,580 —> 00:35:53,840

Since the Children couldn't protect our secret,

331

00:35:54,010 —> 00:35:55,240

they had to be destroyed.

332

00:36:03,290 —> 00:36:04,260

No!

333

00:36:05,630 —> 00:36:06,720

No!

334

00:36:07,090 —> 00:36:08,490

No!

335

00:36:10,600 —> 00:36:13,390

Their creators grew very attached and fought to protect them.

336

00:36:17,140 —> 00:36:19,100

Long-established covens were torn apart.

337

00:36:19,540 —> 00:36:21,670

Countless humans slaughtered.

338

00:36:24,210 —> 00:36:26,010

Traditions, friends,

339

00:36:26,310 —> 00:36:28,250

even families, lost.

340

00:36:28,410 —> 00:36:30,110

No, no!

341

00:36:30,250 —> 00:36:31,340

Mother!

342

00:36:31,450 —> 00:36:32,850

Mother!

343

00:36:37,890 —> 00:36:40,450

So the Denalis' mother made an immortal Child?

344

00:36:40,760 —> 00:36:41,730

Yes.

345

00:36:42,660 —> 00:36:44,060

And she paid the price.

346

00:37:07,320 —> 00:37:09,720

Well, Renesmee's nothing like those children.

347

00:37:10,360 —> 00:37:13,330

She was born, not bitten. She grows every single day.

348

00:37:13,490 —> 00:37:15,460

So can't you just explain that to the Volturi?

349

00:37:15,630 —> 00:37:17,820

Aro has enough proof in Irina's thoughts.

350

00:37:22,940 —> 00:37:23,990

So we fight.

351

00:37:24,170 —> 00:37:26,260

Their offensive weapons are too powerful.

352

00:37:26,940 —> 00:37:28,460

No one can stand against Jane.

353

00:37:28,840 —> 00:37:30,600

Alec's even worse.

354

00:37:30,880 —> 00:37:32,470

Well, then we convince them.

355

00:37:32,710 —> 00:37:34,940

They're coming to kill us, not to talk.

356

00:37:35,350 —> 00:37:36,780

No, you're right.

357

00:37:37,320 —> 00:37:38,480

They won't listen to us.

358

00:37:40,290 —> 00:37:41,620

But maybe others can convince them.

359

00:37:41,720 —> 00:37:43,620

Carlisle, you have friends all around the world.

360

00:37:43,790 —> 00:37:45,120

I won't ask them to fight.

361

00:37:45,220 —> 00:37:46,590

Not fight. Witness.

362

00:37:47,160 —> 00:37:49,130

If enough people knew the truth,

363

00:37:49,230 —> 00:37:51,320

maybe we could convince the Volturi to listen.

364

00:37:52,000 —> 00:37:53,690

We can ask this of our friends.

365

00:38:07,710 —> 00:38:09,700

At least we get to go to London again.

366

00:38:09,820 —> 00:38:11,910

We haven't been there in a long time.

367

00:38:12,690 —> 00:38:16,050

All right. Let's get this show on the road.

368

00:38:20,090 —> 00:38:21,460

Alice asked me to give you that.

369

00:38:22,230 —> 00:38:24,820

She and Jasper crossed our lands to the ocean last night.

370

00:38:26,870 —> 00:38:27,890

Carlisle?

371

00:38:29,500 —> 00:38:30,700

They've left us.

372

00:38:31,370 —> 00:38:32,360

Why?

373

00:38:33,940 —> 00:38:35,070

She didn't say.

374

00:38:37,340 —> 00:38:38,330

Can I see that?

375

00:38:45,720 —> 00:38:47,540

Gather as many witnesses as you can

376

00:38:47,540 —> 00:38:49,020

before the snow sticks to the ground.

377

00:38:49,590 —> 00:38:50,850

That's when they'll come.

378

00:38:54,360 —> 00:38:57,060

Alice's instructions were clear, but the question remained.

379

00:38:58,230 —> 00:39:01,170

Why would she and Jasper leave at the moment we needed them most?

380

00:39:01,900 —> 00:39:02,890

What did they know?

381

00:39:05,710 —> 00:39:07,210

Our search for witnesses began

382

00:39:07,210 —> 00:39:09,370

with a trip north to our closest relatives.

383

00:39:44,410 —> 00:39:45,880

Edward, is everything all right?

384

00:39:47,280 —> 00:39:48,940

Why didn't you tell us you were coming?

385

00:39:50,680 —> 00:39:51,710

Is it Irina?

386

00:39:52,320 —> 00:39:53,290

Have you heard from her?

387

00:39:53,450 —> 00:39:54,580

Not directly.

388

00:39:55,150 —> 00:39:56,920

Why is your bride waiting in the car?

389

00:39:57,260 —> 00:39:58,660

And why have you brought a wolf with you?

390

00:39:58,760 —> 00:39:59,880

I can smell him from here.

391

00:40:00,430 —> 00:40:02,260

My family is in danger. I need your help.

392

00:40:02,430 —> 00:40:03,490

What's happened?

393

00:40:04,800 —> 00:40:05,760

It's hard to explain

394

00:40:05,870 —> 00:40:07,660

but I need you to be open-minded. Can you do that?

395

00:40:08,000 —> 00:40:09,260

Of course.

396

00:40:14,710 —> 00:40:15,730

Okay.

397

00:40:16,440 —> 00:40:17,840

Time to meet some new people.

398

00:40:17,980 —> 00:40:19,240

What if they don't like me?

399

00:40:19,610 —> 00:40:21,940

- They'll love you. - They will.

400

00:40:22,080 —> 00:40:23,280

Once they understand you.

401

00:40:23,450 —> 00:40:25,580

They just haven't met anyone like you before.

402

00:40:30,290 —> 00:40:31,280

Okay.

403

00:40:41,600 —> 00:40:43,120

The Volturi will come for all of us.

404

00:40:43,600 —> 00:40:44,970

You get that thing out of here.

405

00:40:45,100 —> 00:40:46,200

She's not what she looks like.

406

00:40:46,310 —> 00:40:47,570

This is a crime!

407

00:40:58,650 —> 00:40:59,980

Stay back!

408

00:41:00,150 —> 00:41:02,050

She has blood in her veins.

409

00:41:02,620 —> 00:41:03,920

You can feel her warmth.

410

00:41:04,320 —> 00:41:05,420

I can feel it.

411

00:41:05,520 —> 00:41:07,080

I'm her biological father.

412

00:41:07,760 —> 00:41:09,660

- Bella is her mother. - Impossible.

413

00:41:09,800 —> 00:41:12,390

It's true. She was born while I was still human.

414

00:41:12,530 —> 00:41:13,960

I've never heard of such a thing.

415

00:41:14,130 —> 00:41:15,430

She can show you, if you let her.

416

00:41:20,040 —> 00:41:22,010

Tanya, you owe us this much.

417

00:41:22,840 —> 00:41:24,270

We're all under a death sentence

418

00:41:24,270 —> 00:41:25,810

because your sister didn't let us explain.

419

00:41:34,190 —> 00:41:35,150

Don't be afraid.

420

00:41:37,190 —> 00:41:38,620

This is how she communicates.

421

00:41:53,240 —> 00:41:54,300

It's true.

422

00:41:56,880 —> 00:41:58,370

She's not immortal.

423

00:42:02,410 —> 00:42:05,180

I knew the rest of our family would face this fear as well.

424

00:42:07,220 —> 00:42:08,780

Fear of the unknown.

425

00:42:11,020 —> 00:42:12,180

Fear of the Volturi.

426

00:42:19,970 —> 00:42:21,160

Amun, please!

427

00:42:22,900 —> 00:42:23,990

I cannot help you, Carlisle.

428

00:42:24,170 —> 00:42:25,500

I wouldn't ask if it weren't urgent.

429

00:42:25,740 —> 00:42:26,860

You must go.

430

00:42:39,490 —> 00:42:40,820

I'd like to hear about it.

431

00:42:42,560 —> 00:42:44,680

I never get to meet any of Amun's friends.

432

00:42:44,860 —> 00:42:46,320

He likes to keep me hidden.

433

00:42:46,490 —> 00:42:47,860

I can't imagine why.

434

00:43:02,740 —> 00:43:04,970

- Carlisle. - Benjamin.

435

00:43:30,670 —> 00:43:32,400

Benjamin can influence the elements.

436

00:43:33,170 —> 00:43:35,400

And here I get super self-control.

437

00:44:00,770 —> 00:44:01,760

Who are they?

438

00:44:02,800 —> 00:44:04,170

Senna and Zafrina.

439

00:44:04,770 —> 00:44:06,000

From the Amazon.

440

00:44:16,080 —> 00:44:17,550

The arrival of Senna and Zafrina

441

00:44:17,550 —> 00:44:18,610

meant that our plea was being heard

442

00:44:18,720 —> 00:44:20,840

in even the most remote corners of the world

443

00:44:21,320 —> 00:44:22,840

while others searched for witnesses closer to home.

444

00:44:28,890 —> 00:44:31,800

A patriot Carlisle first met on the battlefield at Yorktown

445

00:44:31,930 —> 00:44:33,960

would become our most unlikely ally.

446

00:44:36,500 —> 00:44:38,630

Shut up!

447

00:44:41,070 —> 00:44:43,740

I hated the first British invasion.

448

00:44:44,410 —> 00:44:46,640

And I hate the second one even more.

449

00:44:47,180 —> 00:44:48,310

Even the Beatles?

450

00:44:49,380 —> 00:44:50,410

Really, Garrett?

451

00:44:51,980 —> 00:44:53,610

Old habits die hard.

452

00:44:54,050 —> 00:44:56,150

Carlisle needs you.

453

00:44:58,690 —> 00:44:59,920

Sounds interesting.

454

00:45:01,130 —> 00:45:02,150

Help!

455

00:45:02,290 —> 00:45:04,190

But first I'd better finish my meal.

456

00:45:04,630 —> 00:45:06,260

Help me! Help!

457

00:45:15,210 —> 00:45:17,230

Each of them was won over.

458

00:45:17,340 —> 00:45:18,710

Each was made to see.

459

00:45:25,550 —> 00:45:27,300

Carlisle convinced his Irish friends

460

00:45:27,300 —> 00:45:28,850

to make the journey to Forks.

461

00:45:30,690 —> 00:45:32,680

Although we were grateful for their help,

462

00:45:32,830 —> 00:45:35,560

their thirst for human blood complicated the situation.

463

00:45:41,170 —> 00:45:44,530

The nomads Rosalie and Emmett sent were even more unpredictable.

464

00:45:46,240 —> 00:45:47,470

Especially Peter,

465

00:45:47,570 —> 00:45:49,870

who had fought alongside Jasper as a newborn.

466

00:45:51,880 —> 00:45:53,670

Lotta red eyes around here.

467

00:45:53,780 —> 00:45:55,680

They agreed not to hunt in the area.

468

00:45:58,550 —> 00:46:00,140

But they'll feed somewhere.

469

00:46:02,860 —> 00:46:05,420

As more vampires set foot in their territory,

470

00:46:05,520 —> 00:46:06,550

more Quileutes turned.

471

00:46:06,930 —> 00:46:07,550

Their nature compelling them to join the pack.

472

00:46:07,550 —> 00:46:09,050

Their nature compelling them to join the pack.

473

00:46:12,100 —> 00:46:14,330

Hey, easy there. Hey!

474

00:46:14,430 —> 00:46:15,830

It's all right.

475

00:46:16,240 —> 00:46:17,730

You're gonna be okay.

476

00:46:21,310 —> 00:46:24,500

Finally, Carlisle and Esme returned with our last witness.

477

00:46:27,280 —> 00:46:29,370

- How many came? - Eighteen.

478

00:46:29,780 —> 00:46:31,110

You have some good friends.

479

00:46:31,550 —> 00:46:32,520

And Alice?

480

00:46:35,750 —> 00:46:37,520

We'll all be on Aro's list now.

481

00:46:37,890 —> 00:46:40,090

Centuries on the run. That's what you've brought me.

482

00:46:40,730 —> 00:46:42,190

Some friend, Carlisle.

483

00:46:43,000 —> 00:46:44,290

Alistair, come meet everyone.

484

00:46:44,730 —> 00:46:46,500

I already told you, if it comes to a fight,

485

00:46:46,500 —> 00:46:47,890

I won't stand against the Volturi.

486

00:46:48,000 —> 00:46:49,400

It won't come to a fight.

487

00:46:51,140 —> 00:46:52,730

I'll be in the attic.

488

00:47:01,410 —> 00:47:02,780

He's not a people person.

489

00:47:04,620 —> 00:47:07,080

We opened our home to 18 vampires.

490

00:47:07,750 —> 00:47:09,120

Many with gifts of their own.

491

00:47:12,260 —> 00:47:14,160

Zafrina had power over the mind.

492

00:47:15,030 —> 00:47:17,390

She could make anyone see what she wanted them to.

493

00:47:42,990 —> 00:47:44,590

If she weren't holding my hand right now,

494

00:47:44,590 —> 00:47:45,680

I could swear this was real.

495

00:47:46,860 —> 00:47:48,090

I don't see anything.

496

00:47:51,200 —> 00:47:53,360

Edward, you didn't tell me your wife is a shield.

497

00:47:57,140 —> 00:47:58,430

What's a shield?

498

00:47:59,370 —> 00:48:01,130

The ones I've met are so different.

499

00:48:01,870 —> 00:48:03,210

It's a defensive talent.

500

00:48:04,310 —> 00:48:06,110

It's why I couldn't read your mind, even before.

501

00:48:06,480 —> 00:48:07,710

It's why Aro couldn't.

502

00:48:07,850 —> 00:48:09,510

You have a very powerful gift.

503

00:48:10,880 —> 00:48:12,610

Oh, yeah, she's a shield, all right.

504

00:48:13,220 —> 00:48:14,550

Shoulda put her on her ass.

505

00:48:14,820 —> 00:48:16,850

Or your voltage has been exaggerated.

506

00:48:17,820 —> 00:48:19,220

Maybe it only works on the weak.

507

00:48:23,360 —> 00:48:25,130

Garrett, I wouldn't.

508

00:48:31,500 —> 00:48:34,400

You are an amazing woman.

509

00:48:37,080 —> 00:48:39,240

Now, you guys can do some serious damage.

510

00:48:39,910 —> 00:48:42,240

Which is why you'll need to control your phasing.

511

00:48:43,450 —> 00:48:45,210

If your mom pisses you off,

512

00:48:45,220 —> 00:48:47,210

you don't want to tear her head off.

513

00:48:57,130 —> 00:48:58,990

Whoever's coming wasn't invited.

514

00:49:51,680 —> 00:49:53,740

Vladimir, Stefan,

515

00:49:54,390 —> 00:49:55,820

you're a long way from home.

516

00:49:56,290 —> 00:49:57,850

What are they doing here?

517

00:49:57,990 —> 00:50:00,420

We heard the Volturi were moving against you.

518

00:50:00,690 —> 00:50:02,250

But that you would not stand alone.

519

00:50:02,860 —> 00:50:04,420

We didn't do what we were accused of.

520

00:50:04,530 —> 00:50:07,330

We do not care what you did, Carlisle.

521

00:50:07,500 —> 00:50:09,630

We have been waiting a millennium

522

00:50:10,070 —> 00:50:13,630

for the Italian scum to be challenged.

523

00:50:14,240 —> 00:50:16,370

It's not our plan to fight the Volturi.

524

00:50:16,510 —> 00:50:17,770

Shame.

525

00:50:18,380 —> 00:50:20,970

Aro's witnesses will be so disappointed.

526

00:50:21,210 —> 00:50:23,650

They enjoy a good fight.

527

00:50:25,850 —> 00:50:27,110

Aro's witnesses?

528

00:50:27,220 —> 00:50:30,350

Aww, Still hoping they'll listen?

529

00:50:32,420 —> 00:50:34,860

When Aro wants someone from a coven

530

00:50:34,990 —> 00:50:36,990

it's never long before evidence turns up

531

00:50:36,990 —> 00:50:38,990

proving that coven committed some crime.

532

00:50:39,100 —> 00:50:40,460

So he's done this before?

533

00:50:40,730 —> 00:50:43,860

It happens so rarely, I never realized it was a pattern.

534

00:50:44,040 —> 00:50:45,360

Apparently he always pardons

535

00:50:45,360 —> 00:50:47,730

one person whose thoughts he claims are repentant.

536

00:50:48,010 —> 00:50:49,970

This person always has an ability.

537

00:50:50,440 —> 00:50:52,570

And they're always given a place with the Guard.

538

00:50:52,740 —> 00:50:54,140

This is all about Alice.

539

00:50:54,780 —> 00:50:57,210

- He has no one like her. - Which is why she left.

540

00:50:57,380 —> 00:50:58,710

Why does he need witnesses?

541

00:50:58,880 —> 00:51:01,380

To spread the word that justice has been served,

542

00:51:02,120 —> 00:51:04,250

after he slaughters an entire coven.

543

00:51:08,290 —> 00:51:09,920

Benjamin, Tia,

544

00:51:10,060 —> 00:51:12,090

- we're leaving. - And where will you go?

545

00:51:12,630 —> 00:51:14,760

What makes you think they'll be satisfied with Alice?

546

00:51:15,570 —> 00:51:17,690

What's to stop them from going after Benjamin next?

547

00:51:17,870 —> 00:51:18,930

Or Zafrina or Kate

548

00:51:19,100 —> 00:51:20,770

or anyone else with a gift? Anyone they want.

549

00:51:21,210 —> 00:51:22,320

Their goal isn't punishment.

550

00:51:22,320 —> 00:51:24,170

It's power. It's acquisition.

551

00:51:24,580 —> 00:51:26,670

Carlisle might not ask you to fight, but I will.

552

00:51:27,210 —> 00:51:30,010

For the sake of my family. But also for yours.

553

00:51:31,120 —> 00:51:32,710

And for the way you want to live.

554

00:51:41,190 —> 00:51:42,290

The packs will fight.

555

00:51:43,360 —> 00:51:45,330

We've never been afraid of vampires.

556

00:51:47,330 —> 00:51:48,420

We will fight.

557

00:51:49,530 —> 00:51:51,970

This won't be the first time I fought a king's rule.

558

00:51:53,040 —> 00:51:54,300

We'll join you.

559

00:51:54,470 —> 00:51:55,440

No.

560

00:51:56,840 —> 00:51:58,640

I will do the right thing, Amun.

561

00:51:58,980 —> 00:52:00,670

You may do as you please.

562

00:52:03,950 —> 00:52:04,970

We will stand with you.

563

00:52:05,380 —> 00:52:06,410

So will we.

564

00:52:10,790 —> 00:52:12,520

That didn't take much.

565

00:52:13,560 —> 00:52:15,250

Let's hope it doesn't come to that.

566

00:52:15,790 —> 00:52:16,920

We'll see.

567

00:52:26,470 —> 00:52:27,840

Everyone showed courage.

568

00:52:28,910 —> 00:52:30,970

Though we knew that Aro's army was moving against us.

569

00:52:32,640 —> 00:52:35,040

Soon we would face the dark gifts of Jane.

570

00:52:35,480 —> 00:52:38,110

And worse, the paralyzing vapor of her brother Alec,

571

00:52:39,320 —> 00:52:41,810

who could rob you of sight, sound and touch.

572

00:52:59,340 —> 00:53:00,740

I refused him!

573

00:53:00,910 —> 00:53:02,740

I'm not with Carlisle!

574

00:53:11,120 —> 00:53:12,210

Alec?

575

00:53:33,670 —> 00:53:35,040

I will never go against you.

576

00:53:35,440 —> 00:53:36,960

Of course not,

577

00:53:37,780 —> 00:53:40,440

my dear Toshiro.

578

00:53:58,100 —> 00:54:02,260

It seems Carlisle is still expecting you.

579

00:54:11,740 —> 00:54:14,710

Carlisle is all but ensuring his own destruction.

580

00:54:16,180 —> 00:54:17,270

Sad,

581

00:54:18,250 —> 00:54:19,440

isn't it?

582

00:54:20,790 —> 00:54:23,410

Aro will want us incapacitated before he attacks.

583

00:54:23,920 —> 00:54:25,770

Jane and Alec will try and take me out first

584

00:54:25,770 —> 00:54:27,590

because I can anticipate their moves.

585

00:54:27,690 —> 00:54:29,250

Too bad we don't all have your shield.

586

00:54:30,100 —> 00:54:31,620

Doesn't help me fight, though.

587

00:54:31,800 —> 00:54:32,820

No, but you could help the rest of us,

588

00:54:33,000 —> 00:54:34,120

if you could project it.

589

00:54:34,300 —> 00:54:35,430

What do you mean?

590

00:54:35,530 —> 00:54:36,970

I mean shield someone other than yourself.

591

00:54:37,100 —> 00:54:38,130

Is that possible?

592

00:54:38,270 —> 00:54:40,240

Gifts can be developed, over time.

593

00:54:40,370 —> 00:54:42,140

At first, mine was just in my palms.

594

00:54:42,610 —> 00:54:44,600

Now I can radiate it all over my body.

595

00:54:44,780 —> 00:54:46,710

How do you do it?

596

00:54:47,680 —> 00:54:49,610

Tell me.

597

00:54:49,880 —> 00:54:51,350

You need to visualize it.

598

00:54:52,680 —> 00:54:54,120

See how it moves.

599

00:54:57,120 —> 00:54:58,320

What color it is.

600

00:54:59,760 —> 00:55:01,450

Now picture it expanding.

601

00:55:02,890 —> 00:55:04,520

Will it to go beyond you.

602

00:55:17,740 —> 00:55:19,710

I think she needs something to motivate her.

603

00:55:25,750 —> 00:55:27,880

- No. - It's all right, I can take it.

604

00:55:28,050 —> 00:55:29,320

He says that now.

605

00:55:29,550 —> 00:55:32,050

Focus, Bella, or he's gonna be hurting.

606

00:55:34,490 —> 00:55:36,320

Edward, I'm not ready to do this yet.

607

00:55:38,360 —> 00:55:39,830

I'm sorry. I said that I wasn't ready.

608

00:55:40,330 —> 00:55:41,800

Dude, you're not motivating her.

609

00:55:41,900 —> 00:55:42,870

You want to try?

610

00:55:54,280 —> 00:55:55,250

Kate!

611

00:55:55,850 —> 00:55:57,370

You seem to lack incentive.

612

00:55:57,550 —> 00:55:59,210

Shall I go see if Renesmee's awake?

613

00:55:59,720 —> 00:56:00,710

Are you crazy?

614

00:56:02,250 —> 00:56:03,220

All right.

615

00:56:03,390 —> 00:56:04,950

This one's on full power.

616

00:56:39,560 —> 00:56:41,550

It's painful, but it's bearable.

617

00:56:48,030 —> 00:56:49,090

Okay, we should go again.

618

00:56:50,240 —> 00:56:51,200

Emmett.

619

00:56:52,570 —> 00:56:53,540

I'm good.

620

00:56:54,540 —> 00:56:57,720

"There's sweet music here that softer falls

621

00:56:57,720 —> 00:57:00,510

"Than petals from blown roses on the grass.

622

00:57:01,810 —> 00:57:04,840

"Or night dews on still waters between walls

623

00:57:05,750 —> 00:57:08,180

"Of shadowy granite in a gleaming pass.

624

00:57:10,960 —> 00:57:14,760

"Music that brings sweet sleep down from the blissful skies."

625

00:57:28,840 —> 00:57:29,900

Mom.

626

00:57:31,680 —> 00:57:34,610

Did Aunt Alice and Uncle Jasper run away

627

00:57:35,080 —> 00:57:36,740

because we're gonna die?

628

00:57:42,250 —> 00:57:43,240

No.

629

00:57:47,090 —> 00:57:49,390

I think they left to keep us safer.

630

00:57:50,200 —> 00:57:52,460

That's what all these other people are here for, too.

631

00:57:53,700 —> 00:57:55,960

I'll never let anybody hurt you.

632

00:58:03,040 —> 00:58:04,770

Come here. Go to sleep.

633

00:58:24,960 —> 00:58:26,330

It's strange.

634

00:58:27,630 —> 00:58:30,430

Physically, I feel like I could demolish a tank.

635

00:58:31,140 —> 00:58:33,600

Mentally, I just feel drained.

636

00:58:38,380 —> 00:58:39,540

How about a bath?

637

00:58:59,630 —> 00:59:01,460

I do remember how to undress myself.

638

00:59:02,270 —> 00:59:04,240

Yeah, I just do it so much better.

639

00:59:12,310 —> 00:59:13,400

Bella,

640

00:59:16,010 —> 00:59:18,880

I've had a bad habit of underestimating you.

641

00:59:21,950 —> 00:59:23,720

Every obstacle you've faced,

642

00:59:25,120 —> 00:59:26,990

I'd think you couldn't overcome it.

643

00:59:29,490 —> 00:59:30,760

And you just did.

644

00:59:32,500 —> 00:59:34,730

You're the reason they have something to fight for.

645

00:59:36,770 —> 00:59:38,070

My family.

646

00:59:55,050 —> 00:59:56,490

I'm gonna get the water running.

647

01:00:30,690 —> 01:00:32,000

Alice made sure only I would get the message.

648

01:00:32,000 —> 01:00:32,680

Alice made sure only I would get the message.

649

01:00:33,520 —> 01:00:35,860

Because only my mind would be safe from Aro.

650

01:00:43,670 —> 01:00:45,800

I'm surprised you took a break from Jedi training.

651

01:00:46,740 —> 01:00:48,520

If I don't take Renesmee to my dad,

652

01:00:48,520 —> 01:00:49,670

he'll come to us.

653

01:00:51,040 —> 01:00:53,340

27 vampires, one human.

654

01:00:54,210 —> 01:00:55,410

Not so great.

655

01:00:56,410 —> 01:00:58,310

I know that's what you told Edward.

656

01:01:02,090 —> 01:01:04,210

Whatever.

657

01:01:05,590 —> 01:01:08,390

I'm just glad to get away from all those reeking bloodsuckers.

658

01:01:11,530 —> 01:01:12,500

I'm sorry.

659

01:01:13,100 —> 01:01:14,190

I know.

660

01:01:14,600 —> 01:01:16,190

They're the good guys.

661

01:01:17,970 —> 01:01:18,940

But come on,

662

01:01:19,300 —> 01:01:21,360

Dracula One and Two are

663

01:01:24,810 —> 01:01:26,400

creepy.

664

01:01:39,790 —> 01:01:41,350

There she is. Come here.

665

01:01:43,290 —> 01:01:45,390

Wow! Look at you.

666

01:01:45,760 —> 01:01:46,920

You've grown half a foot!

667

01:01:47,770 —> 01:01:48,730

Seriously.

668

01:01:49,470 —> 01:01:50,630

Like 6 inches.

669

01:01:52,000 —> 01:01:53,700

Come on inside. Lunch is on the table.

670

01:01:53,810 —> 01:01:55,140

We got a tree to decorate, huh?

671

01:01:55,410 —> 01:01:58,140

I've actually got a few errands to run, guys.

672

01:01:58,240 —> 01:01:59,540

I'll be back soon, okay?

673

01:02:01,750 —> 01:02:03,540

Come on. Let's go.

674

01:02:11,390 —> 01:02:13,450

Alice's note gave me a new sense of hope.

675

01:02:14,460 —> 01:02:16,450

Maybe she had a plan for us after all.

676

01:02:17,660 —> 01:02:19,560

And maybe J. Jenks was the key.

677

01:02:42,520 —> 01:02:44,750

- I'm meeting Mr. Jenks. - Right this way.

678

01:02:47,990 —> 01:02:49,960

- Mrs. Cullen. - Hi.

679

01:02:50,430 —> 01:02:51,900

I'm so happy you called.

680

01:03:05,440 —> 01:03:07,930

I always meet my private clients here.

681

01:03:08,050 —> 01:03:10,070

It's more comfortable than the office.

682

01:03:10,820 —> 01:03:12,210

And it's more public.

683

01:03:14,590 —> 01:03:16,250

What type of work do you do, J.?

684

01:03:16,620 —> 01:03:18,150

Oh, you know, this and that.

685

01:03:19,020 —> 01:03:21,650

It's always different, which keeps it interesting.

686

01:03:23,960 —> 01:03:25,590

Have you known Alice and Jasper long?

687

01:03:26,860 —> 01:03:30,130

I've been working with them for more than 20 years.

688

01:03:30,300 —> 01:03:34,140

And my late partner knew Jasper 15 years before that.

689

01:03:34,270 —> 01:03:35,430

He is, uh,

690

01:03:37,110 —> 01:03:39,130

unusually well-preserved.

691

01:03:41,180 —> 01:03:42,510

Yes, he is.

692

01:03:46,020 —> 01:03:49,750

I trust that Mr. Jasper is enjoying his vacation.

693

01:03:51,290 —> 01:03:53,450

He didn't tell you where he was going, did he?

694

01:03:53,620 —> 01:03:56,650

No, no, no, he just mentioned that he was leaving

695

01:03:56,790 —> 01:03:58,790

when he came by to place his order.

696

01:04:00,970 —> 01:04:02,830

I assume that his order is ready?

697

01:04:03,000 —> 01:04:04,160

Of course.

698

01:04:05,000 —> 01:04:06,970

I've never been late with a delivery.

699

01:04:26,120 —> 01:04:27,650

There a problem?

700

01:04:30,160 —> 01:04:31,130

No.

701

01:04:34,130 —> 01:04:36,360

My husband and I thought that we'd all be traveling together.

702

01:04:36,530 —> 01:04:38,330

Jasper said only two were traveling.

703

01:04:38,570 —> 01:04:40,040

His instructions were very clear.

704

01:04:40,340 —> 01:04:41,500

It's my mistake.

705

01:04:44,480 —> 01:04:46,310

Apparently, that's not going to happen.

706

01:05:07,700 —> 01:05:09,670

Alice's vision was clear.

707

01:05:13,600 —> 01:05:15,500

Renesmee would have a future.

708

01:05:17,440 —> 01:05:19,340

But Edward and I wouldn't be a part of it.

709

01:05:25,880 —> 01:05:27,180

How ya doin'?

710

01:05:46,900 —> 01:05:48,300

"My dearest Renesmee,

711

01:05:49,070 —> 01:05:50,940

"I thought we would have forever together.

712

01:05:51,940 —> 01:05:53,910

"But forever isn't as long as I'd hoped.

713

01:05:54,910 —> 01:05:56,940

"I know now why Alice left me clues.

714

01:05:57,620 —> 01:05:58,880

"It was to keep you safe.

715

01:06:00,480 —> 01:06:02,880

"Everything you and Jacob will need is in this pack.

716

01:06:04,960 —> 01:06:06,220

"Jacob will protect you.

717

01:06:06,990 —> 01:06:08,890

"And he'll help you learn about the Ticuna legends."

718

01:06:13,000 —> 01:06:14,560

It's a romantic notion, isn't it?

719

01:06:15,370 —> 01:06:18,230

That a righteous few can defy a great evil.

720

01:06:19,470 —> 01:06:23,070

I must admit, you even had me believing.

721

01:06:23,840 —> 01:06:24,930

For a moment.

722

01:06:27,810 —> 01:06:30,180

Well, good luck. You're gonna need it.

723

01:06:34,890 —> 01:06:35,850

Cheers.

724

01:06:45,860 —> 01:06:47,130

The snow is sticking.

725

01:06:48,070 —> 01:06:49,190

Hey, we still have today.

726

01:06:56,840 —> 01:06:59,140

I'm so glad Charlie found somebody to take care of him.

727

01:06:59,980 —> 01:07:01,380

Bella, no one's giving up here.

728

01:07:03,980 —> 01:07:05,970

All right! Present time! Let's go!

729

01:07:06,680 —> 01:07:08,020

Seth, Leah, stop eating.

730

01:07:09,890 —> 01:07:11,320

Jake, you start. Get it going.

731

01:07:12,220 —> 01:07:14,380

- What did you get me? - I'm not giving you anything.

732

01:07:15,390 —> 01:07:16,520

Hey! No, come on, what did you get me?

733

01:07:16,660 —> 01:07:18,090

Well, Dad, we didn't have time to wrap yours,

734

01:07:18,200 —> 01:07:19,320

but here it is.

735

01:07:25,070 —> 01:07:27,440

It's a 5-day fishing trip to Fraser River.

736

01:07:27,770 —> 01:07:28,860

It's for you and Sue.

737

01:07:29,410 —> 01:07:30,670

You leave tomorrow.

738

01:07:31,040 —> 01:07:33,440

Wow, that's really nice. Thank you.

739

01:07:34,410 —> 01:07:35,610

Tomorrow? I can't leave tomorrow.

740

01:07:35,980 —> 01:07:37,680

I made arrangements for you at work.

741

01:07:39,220 —> 01:07:40,270

Sneaky.

742

01:07:41,950 —> 01:07:43,420

And extravagant.

743

01:07:44,320 —> 01:07:46,020

And non-refundable, I'm afraid.

744

01:07:47,960 —> 01:07:49,360

You two trying to get rid of me?

745

01:07:52,000 —> 01:07:54,060

Because it's working!

746

01:07:55,330 —> 01:07:57,600

Fraser River. That means we'll be chasing cutthroat.

747

01:07:58,400 —> 01:08:00,200

We might even hook a rainbow or some bulls.

748

01:08:01,640 —> 01:08:02,800

Woman knows her trout.

749

01:08:04,340 —> 01:08:06,070

Hey, beautiful. Let me see.

750

01:08:08,080 —> 01:08:09,310

Jacob make this for you?

751

01:08:10,310 —> 01:08:11,280

Wanna put it on?

752

01:08:16,450 —> 01:08:17,610

It's so pretty.

753

01:08:18,290 —> 01:08:19,590

It is really pretty.

754

01:08:40,640 —> 01:08:42,240

That's what I'm talkin' about.

755

01:08:44,520 —> 01:08:46,310

A little pre-battle bonfire,

756

01:08:48,850 —> 01:08:50,680

telling war stories,

757

01:08:54,130 —> 01:08:56,360

or just standing there like frickin' statues.

758

01:08:58,960 —> 01:09:01,860

Name any American battle. I was there.

759

01:09:04,640 —> 01:09:05,760

Little Bighorn.

760

01:09:07,570 —> 01:09:10,040

I came this close to biting Custer.

761

01:09:10,170 —> 01:09:11,940

But the Indians got him first.

762

01:09:13,680 —> 01:09:16,150

Try Oleg's assault on Constantinople.

763

01:09:16,880 —> 01:09:18,680

He didn't win that one on his own.

764

01:09:18,820 —> 01:09:20,080

If you're talking battles,

765

01:09:20,180 —> 01:09:21,340

you're talking the Eleven Years' War.

766

01:09:21,850 —> 01:09:24,340

No one does rebellion like the Irish.

767

01:09:24,520 —> 01:09:26,220

You lost the Eleven Years' War.

768

01:09:26,360 —> 01:09:29,020

Aye. But it was one hell of a rebellion.

769

01:09:30,190 —> 01:09:32,590

When we ruled, everything came to us.

770

01:09:33,030 —> 01:09:34,050

Prey,

771

01:09:34,300 —> 01:09:35,320

diplomats,

772

01:09:35,900 —> 01:09:36,990

favor seekers.

773

01:09:37,940 —> 01:09:39,600

Such was our power.

774

01:09:40,300 —> 01:09:43,870

But we never put on white hats and called ourselves saints.

775

01:09:44,040 —> 01:09:47,600

We were honest about what we were.

776

01:09:47,910 —> 01:09:50,940

We sat still for a very long time.

777

01:09:52,220 —> 01:09:54,950

We didn't notice we were beginning to petrify.

778

01:09:57,150 —> 01:09:59,760

Perhaps the Volturi did us a favor

779

01:09:59,760 —> 01:10:02,920

when they burned our castles.

780

01:10:03,060 —> 01:10:06,190

We've been waiting 1,500 years

781

01:10:06,960 —> 01:10:08,450

to return that favor.

782

01:10:10,970 —> 01:10:14,200

We have been ready to do battle for ages.

783

01:10:16,070 —> 01:10:17,600

I can't help thinking,

784

01:10:17,780 —> 01:10:19,270

all these people are putting themselves in danger

785

01:10:19,410 —> 01:10:20,970

because I fell in love with a human.

786

01:10:21,110 —> 01:10:22,440

You found your mate.

787

01:10:22,610 —> 01:10:23,940

You deserve to be happy.

788

01:10:25,150 —> 01:10:26,580

But at what cost?

789

01:10:26,680 —> 01:10:28,410

Everyone here has something to fight for.

790

01:10:28,790 —> 01:10:29,910

I certainly do.

791

01:10:41,770 —> 01:10:43,160

Carlisle, I've never thanked you

792

01:10:46,300 —> 01:10:47,960

for this extraordinary life.

793

01:11:06,460 —> 01:11:08,290

This means "More than my own life."

794

01:11:08,390 —> 01:11:09,760

That's how much I love you.

795

01:11:11,330 —> 01:11:13,420

Tomorrow I'm gonna need you to stay with Jacob.

796

01:11:15,300 —> 01:11:16,530

No matter what.

797

01:11:17,870 —> 01:11:19,430

Even if I tell him that...

798

01:11:21,670 —> 01:11:23,200

that he has to take you somewhere.

799

01:11:27,540 —> 01:11:28,670

Baby, it's all right.

800

01:11:30,210 —> 01:11:31,610

You're gonna be safe.

801

01:11:35,420 —> 01:11:36,510

Always.

802

01:12:22,230 —> 01:12:23,890

If we live through this,

803

01:12:25,070 —> 01:12:27,200

I'll follow you anywhere, woman.

804

01:12:30,770 —> 01:12:32,070

Now you tell me.

805

01:12:47,860 —> 01:12:50,790

The Redcoats are coming! The Redcoats are coming!

806

01:13:28,200 —> 01:13:29,600

Aro's looking for Alice.

807

01:14:27,190 —> 01:14:28,450

Aro,

808

01:14:28,560 —> 01:14:30,690

let us discuss things as we used to.

809

01:14:30,860 —> 01:14:32,160

In a civilized manner.

810

01:14:32,560 —> 01:14:34,290

Fair words, Carlisle.

811

01:14:35,430 —> 01:14:36,800

But a little out of place,

812

01:14:36,900 —> 01:14:39,730

given the battalion you've assembled against us.

813

01:14:40,240 —> 01:14:42,830

I can promise you, that was never my intent.

814

01:14:43,510 —> 01:14:45,200

No laws have been broken.

815

01:14:45,710 —> 01:14:46,840

We see the child.

816

01:14:47,380 —> 01:14:49,610

Do not treat us as fools.

817

01:14:49,750 —> 01:14:51,710

She is not an immortal!

818

01:14:54,320 —> 01:14:56,180

These witnesses can attest to that.

819

01:14:57,720 —> 01:14:59,050

Or you can look.

820

01:15:00,260 —> 01:15:02,350

See the flush of human blood in her cheeks.

821

01:15:02,490 —> 01:15:03,460

Artifice!

822

01:15:03,860 —> 01:15:07,230

I will collect every facet of the truth.

823

01:15:08,270 —> 01:15:11,460

But from someone more central to the story.

824

01:15:12,400 —> 01:15:13,490

Edward,

825

01:15:14,540 —> 01:15:18,000

as the child clings to your newborn mate,

826

01:15:19,580 —> 01:15:22,670

I assume you are involved.

827

01:16:36,350 —> 01:16:38,050

I'd like to meet her.

828

01:17:33,140 —> 01:17:35,410

Young Bella.

829

01:17:37,510 —> 01:17:39,880

Immortality becomes you.

830

01:17:48,190 —> 01:17:50,750

I hear her strange heart.

831

01:18:11,580 —> 01:18:12,710

Hello, Aro.

832

01:18:31,130 —> 01:18:32,570

Magnifico!

833

01:18:38,410 —> 01:18:42,770

Half mortal, half immortal.

834

01:18:43,610 —> 01:18:51,420

Conceived and carried by this newborn while she was still human.

835

01:18:51,860 —> 01:18:52,980

Impossible!

836

01:18:54,930 —> 01:18:57,260

Do you think they fooled me, brother?

837

01:19:05,700 —> 01:19:07,600

Bring the informer forward.

838

01:19:21,690 —> 01:19:23,780

Is that the child you saw?

839

01:19:29,190 —> 01:19:30,220

I'm not sure.

840

01:19:30,360 —> 01:19:31,690

Jane.

841

01:19:31,830 —> 01:19:34,660

She's changed. This child is bigger.

842

01:19:35,170 —> 01:19:37,000

Then your allegations were false.

843

01:19:37,600 —> 01:19:38,900

The Cullens are innocent.

844

01:19:39,570 —> 01:19:42,200

I take full responsibility for my mistake.

845

01:19:46,410 —> 01:19:47,500

I'm sorry.

846

01:19:53,550 —> 01:19:54,540

Caius, no!

847

01:19:56,350 —> 01:19:57,320

Irina!

848

01:20:10,870 —> 01:20:11,830

Blind them.

849

01:20:18,380 —> 01:20:19,600

Give me my sight back.

850

01:20:19,940 —> 01:20:21,340

Tanya, this is what they want.

851

01:20:21,440 —> 01:20:22,880

If you attack now, we'll all die.

852

01:20:45,470 —> 01:20:47,230

Pain.

853

01:21:22,670 —> 01:21:23,800

It's working.

854

01:21:57,070 —> 01:21:58,800

Aro, you see there's no law broken here.

855

01:22:00,380 —> 01:22:01,370

Agreed.

856

01:22:03,080 —> 01:22:05,240

But does it then follow

857

01:22:05,680 —> 01:22:07,670

that there is no danger?

858

01:22:11,790 —> 01:22:14,520

For the first time in our history

859

01:22:16,530 —> 01:22:21,390

humans pose a threat to our kind.

860

01:22:21,900 —> 01:22:26,440

Their modern technology has given birth to weapons

861

01:22:26,440 —> 01:22:28,160

that could destroy us.

862

01:22:30,640 —> 01:22:33,040

Maintaining our secret

863
01:22:33,380 —> 01:22:35,840
has never been more imperative.

864
01:22:38,280 —> 01:22:41,080
In such perilous times,

865
01:22:42,550 —> 01:22:44,350
only the known

866
01:22:45,190 —> 01:22:46,420
is safe.

867
01:22:48,090 —> 01:22:49,520
Only the known

868
01:22:50,060 —> 01:22:51,580
is tolerable.

869
01:22:51,730 —> 01:22:53,860
And we know nothing

870

01:22:54,030 —> 01:22:57,830

of what this child will become.

871

01:22:59,370 —> 01:23:02,600

Can we live with such uncertainty?

872

01:23:05,480 —> 01:23:08,100

Spare ourselves a fight today,

873

01:23:10,210 —> 01:23:11,910

only to die

874

01:23:13,050 —> 01:23:15,020

tomorrow.

875

01:23:15,120 —> 01:23:16,090

No.

876

01:23:28,800 —> 01:23:29,770

Alice.

877

01:23:30,570 —> 01:23:31,560

Alice!

878

01:23:46,920 —> 01:23:48,910

My dear, dear Alice,

879

01:23:49,320 —> 01:23:52,620

we're so glad to see you here, after all.

880

01:23:52,760 —> 01:23:55,660

I have evidence the child won't be a risk to our kind.

881

01:23:57,590 —> 01:23:58,750

Let me show you.

882

01:23:59,530 —> 01:24:00,500

Brother?

883

01:24:26,460 —> 01:24:28,290

It doesn't matter what I show you.

884

01:24:30,290 —> 01:24:31,590

Even when you see,

885

01:24:33,030 —> 01:24:35,400

you still won't change your decision.

886

01:24:36,530 —> 01:24:37,590

Now!

887

01:24:48,780 —> 01:24:50,180

Take care of my daughter.

888

01:24:56,090 —> 01:24:57,110

Get them.

889

01:25:24,750 —> 01:25:26,150

Take her away.

890

01:25:28,420 —> 01:25:29,720

Let her go!

891

01:28:54,160 —> 01:28:55,150

Jacob!

892

01:28:56,230 —> 01:28:57,850

Jacob!

893

01:28:57,990 —> 01:28:58,980

Jacob!

894

01:29:00,100 —> 01:29:01,120

Jacob!

895

01:29:05,440 —> 01:29:06,400

Watch out!

896

01:30:27,520 —> 01:30:28,950

Bella!

897

01:32:11,490 —> 01:32:12,890

Finally.

898

01:34:05,230 —> 01:34:06,390

Now you know.

899

01:34:07,400 —> 01:34:08,730

That's your future.

900

01:34:09,940 —> 01:34:12,200

Unless you decide on another course.

901

01:34:12,780 —> 01:34:16,110

We cannot alter our course. The child still poses a grave threat.

902

01:34:16,750 —> 01:34:17,810

But what if you were sure

903

01:34:17,810 —> 01:34:19,740

she could remain concealed from the human world?

904

01:34:20,280 —> 01:34:21,840

Could we leave in peace?

905

01:34:21,950 —> 01:34:24,010

Of course. But that cannot be known.

906

01:34:24,950 —> 01:34:26,290

Actually, it can.

907

01:35:04,790 —> 01:35:07,190

I've been searching for witnesses of my own

908

01:35:07,300 —> 01:35:09,260

among the Ticuna tribes of Brazil.

909

01:35:09,430 —> 01:35:11,460

- We have enough witnesses. - Let him speak, brother.

910

01:35:13,070 —> 01:35:14,260

I am half human,

911

01:35:15,070 —> 01:35:16,270

half vampire.

912

01:35:17,340 —> 01:35:18,400

Like the child.

913

01:35:19,780 —> 01:35:21,570

A vampire seduced my mother,

914

01:35:22,010 —> 01:35:23,770

who died giving birth to me.

915

01:35:24,110 —> 01:35:25,270

My aunt Huilen

916

01:35:26,580 —> 01:35:27,910

raised me as her own.

917

01:35:29,920 —> 01:35:31,250

I made her immortal.

918

01:35:32,860 —> 01:35:34,290

How old are you?

919

01:35:37,760 —> 01:35:39,660

150 years.

920

01:35:40,960 —> 01:35:43,800

At what age did you reach maturity?

921

01:35:44,100 —> 01:35:47,470

I became full-grown seven years after my birth.

922

01:35:48,870 —> 01:35:50,270

I have not changed since then.

923

01:35:55,510 —> 01:35:57,070

And your diet?

924

01:35:57,250 —> 01:35:58,410

Blood,

925

01:35:58,510 —> 01:35:59,570

human food.

926

01:36:00,680 —> 01:36:02,080

I can survive on either.

927

01:36:02,790 —> 01:36:06,620

These children are much like us.

928

01:36:06,990 —> 01:36:09,860

Regardless, the Cullens have been consorting with werewolves.

929

01:36:09,960 —> 01:36:11,390

Our natural enemies.

930

01:36:24,470 —> 01:36:25,570

Dear ones,

931

01:36:27,480 —> 01:36:29,770

there is no danger here.

932

01:36:31,880 —> 01:36:34,970

We will not fight today.

933

01:37:03,080 —> 01:37:04,840

Such a prize.

934

01:37:09,190 —> 01:37:12,180

We have them on the run. Now is the time to attack.

935

01:37:12,420 —> 01:37:13,510

Not today.

936

01:37:16,990 —> 01:37:18,520

You're all fools!

937

01:37:18,830 —> 01:37:20,350

The Volturi might be gone,

938

01:37:20,900 —> 01:37:22,690

but they will never forgive

939

01:37:23,270 —> 01:37:24,560

what happened here.

940

01:38:22,930 —> 01:38:24,290

You have a beautiful family.

941

01:38:32,770 —> 01:38:35,400

She's gonna be around for a long time, isn't she?

942

01:38:36,810 —> 01:38:38,360

A very long time.

943

01:38:41,480 —> 01:38:42,710

I'm glad she has you.

944

01:38:51,550 —> 01:38:53,250

So should I start calling you "Dad"?

945

01:38:55,090 —> 01:38:56,060

No.

946

01:39:16,410 —> 01:39:19,210

Yeah. We're all gonna be together now.

947

01:39:58,620 —> 01:40:00,090

I wanna show you something.

948

01:40:02,660 —> 01:40:03,630

What?

949

01:40:34,260 —> 01:40:35,850

I'm Edward Cullen.

950

01:41:34,150 —> 01:41:35,450

How did you do that?

951

01:41:37,050 —> 01:41:38,280

Been practicing.

952

01:41:41,220 —> 01:41:42,450

Now you know.

953

01:41:45,760 —> 01:41:48,960

Nobody's ever loved anybody as much as I love you.

954

01:41:50,470 —> 01:41:52,230

There's one exception.

955

01:42:03,310 —> 01:42:04,640

Will you show me again?

956

01:42:06,320 —> 01:42:07,810

We've got a lotta time.

957

01:42:09,950 —> 01:42:11,280

Forever.

958

01:42:14,320 —> 01:42:15,420

Forever.
