Dialogues from Toy Story V to improve the vocabulary in English

1

00:00:58,016 –> 00:01:00,810

[muffled breathing]

2

00:01:23,374 –> 00:01:24,334

[beeps]

3

00:01:56,741 –> 00:01:57,826

[beeps]

4

00:01:57,867 –> 00:02:00,370

[all beeping]

5

00:02:12,882 –> 00:02:15,718

[♪ adventurous music playing]

6

00:02:15,760 –> 00:02:18,429

[birds squawking]

7

00:02:22,225 —> 00:02:23,977

[wailing sound plays]

8

00:02:52,797 —> 00:02:55,091

[♪ enchanting music playing]

9

00:03:00,805 —> 00:03:02,473

Star.

10

00:03:05,977 —> 00:03:07,645

Comm... Command.

11

00:03:11,065 —> 00:03:12,442

Star.

12

00:03:12,942 —> 00:03:14,194

Command.

13

00:03:14,360 —> 00:03:17,447

[all] Star. Command.

14

00:03:17,488 —> 00:03:18,823

-Rendezvous!

-With!

15

00:03:18,865 —> 00:03:19,991

[all] Star Command.

16

00:03:20,033 —> 00:03:22,410

Rendezvous with Star Command.

17

00:03:22,452 —> 00:03:24,704

Rendezvous with Star Command.

18

00:03:24,746 —> 00:03:26,706

Rendezvous with Star Command.

19

00:03:26,748 —> 00:03:29,042

Rendezvous with Star Command.

20

00:03:29,083 —> 00:03:31,419

Rendezvous with Star Command.

21

00:03:31,461 —> 00:03:33,963
Rendezvous with Star Command.

22
00:03:34,005 —> 00:03:36,299
Rendezvous with Star Command.

23
00:03:36,341 —> 00:03:38,343
Rendezvous with Star Command.

24
00:04:00,031 —> 00:04:01,157
There.

25
00:04:03,201 —> 00:04:06,246
This way,
you'll never lose me, Jessie.

26
00:04:07,747 —> 00:04:10,208
Friends forever, partner.

27
00:04:10,250 —> 00:04:11,376
[giggles]

28

00:04:11,417 —> 00:04:13,253

That's right, partner.

29

00:04:13,294 —> 00:04:16,547

But don't you worry.

I'll keep a good eye on you.

30

00:04:16,589 —> 00:04:17,632

[grunts]

31

00:04:19,509 —> 00:04:22,428

See? I'm still watching.

32

00:04:22,470 —> 00:04:23,930

[giggles]

33

00:04:23,972 —> 00:04:26,683

I'm gone... [gasps]

...but I'm back.

34

00:04:26,724 —> 00:04:29,769

I'm gone. [gasps] I'm back.

35

00:04:30,270 —> 00:04:32,230

I still see you.

36

00:04:32,272 —> 00:04:35,108

[gasps] Oh, no.

[echoing] I'm gone.

37

00:04:37,568 —> 00:04:40,655

And I will love you

all the time...

38

00:04:40,697 —> 00:04:44,033

even when I'm mad or sad

39

00:04:44,075 —> 00:04:46,160

or leave you outside

by accident.

40

00:04:46,202 —> 00:04:48,079

I'll still love you forever.

41

00:04:48,955 —> 00:04:50,498

[as Jessie]

Really? You mean it?

42

00:04:50,540 —> 00:04:52,208

Forever and ever and ever?

43

00:04:52,250 —> 00:04:54,711

Yep. All the evers.

44

00:04:54,752 —> 00:04:57,714

Then do you, Forky,

take Karen Beverly

45

00:04:57,755 —> 00:05:00,049

to be your beloved bride?

46

00:05:00,091 —> 00:05:01,426

[as Forky] I do.

47

00:05:01,467 —> 00:05:03,261

And do you, Karen Beverly?

48

00:05:03,303 —> 00:05:04,512

[as Karen Beverly] I do.

49

00:05:04,554 —> 00:05:06,556

[sobs, blows nose]

50

00:05:07,682 —> 00:05:09,100

[giggles]

51

00:05:09,142 —> 00:05:11,144

Yeehaw!

52

00:05:11,185 —> 00:05:13,604

I now pronounce you husband...

53

00:05:13,646 —> 00:05:15,732

and knife.

54

00:05:16,482 —> 00:05:18,192

[kissing]

55

00:05:18,234 —> 00:05:19,819

Kissy, kissy.

56

00:05:19,861 —> 00:05:22,155

-[kissing continues]

-[gasps]

57

00:05:22,196 —> 00:05:23,698

[chuckles]

58

00:05:25,408 —> 00:05:28,244

[gasps] Who poisoned

the maid of honor?

59

00:05:28,286 —> 00:05:29,370

[shouts, groans]

60

00:05:29,412 —> 00:05:31,247

-[shouts]

-[all gasp]

61

00:05:31,289 —> 00:05:32,707

-[gasps]

-[screaming]

62

00:05:32,749 —> 00:05:38,212

Oh! Why? Why?

63

00:05:38,254 —> 00:05:39,422

Everyone!

64

00:05:40,089 —> 00:05:42,800

Step aside. I know CPR.

65

00:05:42,842 —> 00:05:44,469

One, two, three.

66

00:05:45,094 —> 00:05:48,306

Now, the kiss of life.

67

00:05:48,348 —> 00:05:49,349

[gasps]

68

00:05:49,390 —> 00:05:51,392

[inhales deeply, blows]

69

00:05:55,897 —> 00:05:56,939

Oh.

70

00:05:56,981 —> 00:05:58,775

[inhales deeply, blows]

71

00:05:58,816 —> 00:06:01,611

-[inhales deeply]

-[car approaching]

72

00:06:03,529 —> 00:06:04,655

[child 1 chuckling]

73

00:06:04,697 —> 00:06:06,657

[child 2] You're so funny.

74

00:06:09,911 —> 00:06:11,954

But we didn't solve my murder.

75

00:06:11,996 —> 00:06:14,207

Just hold your horses, Rex.

76

00:06:14,248 —> 00:06:15,958

Psst. Dolly, what's going on?

77

00:06:16,000 —> 00:06:17,752

[sighs] Not sure.

78

00:06:17,794 —> 00:06:19,128

You know, at first I was mad

79

00:06:19,170 —> 00:06:20,713

Bonnie drew

these glasses on me,

80

00:06:20,755 —> 00:06:22,340

but honestly, I can see

so much better now.

81

00:06:22,382 —> 00:06:23,925

Dolly, focus.

82

00:06:23,966 —> 00:06:25,718

Oh! Sorry.

83

00:06:25,760 —> 00:06:27,220

It's the Jordan twins.

They're back home.

84

00:06:27,261 —> 00:06:30,515

[twins chattering]

85

00:06:30,556 —> 00:06:32,642

[laughing]

86

00:06:33,810 —> 00:06:36,979

Poor thing. She's still afraid

to ask them to play.

87

00:06:37,730 —> 00:06:39,482

Not this time. [grunts]

88

00:06:41,526 —> 00:06:42,610

[chattering continues]

89

00:06:42,652 —> 00:06:43,528

[Jessie grunts]

90

00:06:44,445 —> 00:06:46,823

Giddy-up there!

Time's a-wastin'!

91

00:06:46,864 —> 00:06:48,116

[gasps] Oh, no.

92

00:06:54,163 —> 00:06:55,289

[twins laughing]

93

00:06:58,042 —> 00:06:59,752

That's it, Bonnie.

94

00:06:59,794 —> 00:07:01,087

You can do it.

95

00:07:11,889 —> 00:07:12,974

[Bonnie gasps]

96

00:07:14,725 —> 00:07:17,103

[as Jessie] Hello.

97

00:07:18,479 —> 00:07:21,107

[twins laugh]

98

00:07:22,400 —> 00:07:23,693

[door closes]

99

00:07:30,283 —> 00:07:32,410

Uh, Jessie.

The wedding got me thinking...

100

00:07:32,452 —> 00:07:33,786

Shh. Something's off.

101

00:07:33,828 —> 00:07:36,080

So, how'd the wedding go?

102

00:07:36,122 —> 00:07:37,707

Who murdered

the maid of honor this time?

103

00:07:37,748 —> 00:07:39,876

Mom? Dad?

104

00:07:39,959 —> 00:07:41,210

Yeah, sweetie?

105

00:07:43,129 —> 00:07:45,756

Why won't anyone be my friend?

106

00:07:45,798 —> 00:07:47,258

[all gasp]

107

00:07:47,300 —> 00:07:50,219

-Oh, Bonnie, come here.

-Oh, sweetie.

108

00:07:55,391 —> 00:07:57,059

-Buzz.

-Ow.

109

00:07:57,101 —> 00:07:58,728

You're deputy till I get back.

110

00:07:58,769 —> 00:08:00,480

Me? Right.

111

00:08:00,521 —> 00:08:03,316

I'm gonna get those twins

to play with Bonnie somehow.

112

00:08:03,357 —> 00:08:04,692

Come on, Bullseye.

113

00:08:06,777 —> 00:08:08,821

[♪ adventurous music playing]

114

00:08:19,165 —> 00:08:21,209

[♪ ominous music playing]

115

00:08:22,251 —> 00:08:23,336

Huh?

116

00:08:24,462 —> 00:08:27,048

Why, they're... they're both

just sitting there.

117

00:08:28,132 —> 00:08:29,425

Doin' nothing.

118

00:08:30,343 —> 00:08:32,595

They ain't playing with toys

at all.

119

00:08:32,637 —> 00:08:34,931

What, you didn't hear?

120

00:08:34,972 —> 00:08:36,724

Uh, n-no, I... I didn't hear.

121

00:08:36,766 —> 00:08:38,601

-She didn't hear.

-She didn't hear?

122

00:08:38,643 —> 00:08:40,686

What? What didn't I hear?

123

00:08:40,728 —> 00:08:42,522

The age of toys is over, lass.

124

00:08:42,563 —> 00:08:44,732

What do you mean, "over"?

When did that happen?

125

00:08:44,774 —> 00:08:47,985

It's been happening for years.

Where have you been?

126

00:08:48,027 —> 00:08:50,279

[stammers]

Across the street, playing.

127

00:08:50,321 —> 00:08:51,614

[all] Playing?

128

00:08:51,656 —> 00:08:53,824

Oh! Your kid still plays?

129

00:08:53,866 —> 00:08:56,661

I don't remember play.

Describe it to me.

130

00:08:56,702 —> 00:09:00,039

[stammers] Are you guys okay?

What happened to you?

131

00:09:00,081 —> 00:09:01,999

-[all] Tech!

-Devices!

132

00:09:02,041 —> 00:09:03,918

Everywhere, devices!

133

00:09:03,960 —> 00:09:05,711

Phones! Tablets!

134

00:09:05,795 —> 00:09:07,255

Computers! Cameras!

135

00:09:07,296 —> 00:09:08,714

The screens just took over!

136

00:09:08,756 —> 00:09:10,883

All the tapping. The tapping!

137

00:09:10,925 —> 00:09:12,760

Tap, tap, tap, tap.

138

00:09:12,802 —> 00:09:14,595

-Make it stop.

-The tapping. Not the tapping!

139

00:09:14,637 —> 00:09:16,138

Take our advice, darlin'.

140

00:09:16,180 —> 00:09:17,932

Find a drawer and hide,

141

00:09:17,974 —> 00:09:19,475

'cause once tech

invades your home,

142

00:09:19,517 —> 00:09:21,143

you're dead where you lie.

143

00:09:21,185 —> 00:09:24,939

[chuckles] Oh, well,

it's probably just a fad.

144

00:09:24,981 —> 00:09:28,067

Like, you know, record players

or Hula-Hoops.

145

00:09:28,109 —> 00:09:29,610

You don't get it.

146

00:09:29,652 —> 00:09:31,862

The age of toys is over.

147

00:09:31,904 —> 00:09:32,989

Over.

148

00:09:33,030 —> 00:09:35,449

Tap, tap, tap...

149

00:09:35,491 —> 00:09:39,245

Don't believe us?

Come see for yourself.

150

00:09:41,664 —> 00:09:44,083

[Jessie groaning, grunting]

151

00:09:45,293 —> 00:09:47,461

-[grunts, gasps]

-[grunts]

152

00:09:48,921 —> 00:09:50,673

[Jessie] Look at 'em all.

153

00:09:51,882 —> 00:09:54,176

All on devices.

154

00:09:56,804 —> 00:09:58,764

Except for Bonnie.

155

00:09:58,806 —> 00:10:00,349

[sighs]

156

00:10:00,433 —> 00:10:02,268

No wonder she can't

make a friend, Bullseye.

157
00:10:02,310 —> 00:10:05,605
She's the only one out there
still playing with toys.

158
00:10:06,230 —> 00:10:07,773
[sighs]

159
00:10:07,815 —> 00:10:10,776
-Don't worry. We're safe.
-[giggles]

160
00:10:13,654 —> 00:10:15,448
Are we sure about this?

161
00:10:15,489 —> 00:10:18,784
[sighs]
No, but I think it might help.

162
00:10:18,826 —> 00:10:20,661
[sighs] Okay.

163

00:10:21,537 —> 00:10:22,413

[phone chimes]

164

00:10:22,913 —> 00:10:24,498

[gasps]

165

00:10:24,540 —> 00:10:27,168

A Lilypad! Oh, thank you, Mom.

Thank you, Dad.

166

00:10:27,209 —> 00:10:29,837

Well, now that you're eight,

we thought you were ready.

167

00:10:32,048 —> 00:10:34,467

Hi, there. I'm Lilypad.

Welcome to The Pond.

168

00:10:34,508 —> 00:10:36,677

You can take today

to figure out how to use it,

169

00:10:36,719 —> 00:10:38,429
but then tomorrow,
we'll start having

170
00:10:38,471 —> 00:10:40,389
-strict screen time.
-[Bonnie] Uh-huh.

171
00:10:43,601 —> 00:10:44,644
[Bullseye grunts]

172
00:10:46,896 —> 00:10:49,357
[Lilypad beeping]

173
00:10:50,274 —> 00:10:53,402
[chuckles] Uh-oh, try again.

174
00:10:54,487 —> 00:10:55,988
Keep hopping.

175
00:10:56,030 —> 00:10:57,698
[frog croaking]

176

00:10:58,783 —> 00:11:00,618

[beeping continues]

177

00:11:00,660 —> 00:11:02,036

Try again.

178

00:11:10,252 —> 00:11:12,713

Morning.

Screen time's over now.

179

00:11:12,755 —> 00:11:14,674

Let's put Lilypad away

and come to breakfast.

180

00:18:04,958 —> 00:18:07,753

[inhales sharply] Okay.

Jessie... [clears throat]

348

00:18:07,795 —> 00:18:10,798

No, Sheriff... Sheriff Jessie,

I appreciate this promotion,

349

00:18:10,839 —> 00:18:12,674

but what I'd really like

to promote...

350

00:18:12,716 —> 00:18:14,510

No, that is so stupid.

351

00:18:14,593 —> 00:18:16,678

[Bullseye sniffing]

352

00:18:16,720 —> 00:18:19,723

But she got Bonnie invited

to a sleepover in seconds.

353

00:18:19,765 —> 00:18:22,893

[Woody] Jessie, you know

Bonnie better than anyone.

354

00:18:22,935 —> 00:18:24,478

What does your gut say?

355

00:18:30,609 —> 00:18:32,736

-That it can't be that easy.

-[Woody] Mm-hmm.

356

00:18:32,778 —> 00:18:33,987

Bonnie won't click

357

00:18:34,029 —> 00:18:35,489

-with just anyone.

- Exactly.

358

00:18:35,531 —> 00:18:37,866

She needs to actually

meet these girls.

359

00:18:37,908 —> 00:18:41,662

She's not like most kids.

Bonnie plays different. She...

360

00:18:43,872 —> 00:18:45,833

She needs to play.

361

00:18:45,874 —> 00:18:47,835

-[Woody] Jessie?

-You're right, Woody.

362

00:18:47,876 —> 00:18:49,545

Toys are for play.

363

00:18:49,586 —> 00:18:52,047

And play is how

she'll find the right friend.

364

00:18:52,089 —> 00:18:53,173
Okay.

365
00:18:53,215 —> 00:18:55,300
The age of toys may be over,

366
00:18:55,342 —> 00:18:58,303
but I'm gonna do something
useful before I go.

367
00:18:58,345 —> 00:18:59,805
I'm going to that sleepover,

368
00:18:59,847 —> 00:19:02,683
and making a real friend
for Bonnie.

369
00:19:02,724 —> 00:19:04,643
-Jessie, are you okay?
-[gasps] Buzz!

370
00:19:04,685 —> 00:19:06,186
-Jessie? Jessie!

-[static on radio]

371

00:19:06,228 —> 00:19:07,896

What do you think

you're doing?

372

00:19:07,938 —> 00:19:09,731

What are you doing?

I assumed you needed backup.

373

00:19:09,773 —> 00:19:10,941

No! I don't...

374

00:19:10,983 —> 00:19:13,694

Need backup, Deputy.

375

00:19:13,735 —> 00:19:15,279

[gasps]

376

00:19:15,320 —> 00:19:17,406

-[whispers] What happened?

-Why are we whispering?

377

00:19:17,447 —> 00:19:18,574

-He's finally asleep.

-[snoring]

378

00:19:18,615 —> 00:19:20,033

So what's wrong?

379

00:19:20,075 —> 00:19:21,994

I don't know,

but you heard Jessie.

380

00:19:22,035 —> 00:19:23,704

She needs a deputy.

381

00:19:23,745 —> 00:19:24,830

[screams] Machines!

382

00:19:24,872 —> 00:19:26,790

-Jessie.

-Yeah, what is it?

383

00:19:26,832 —> 00:19:27,875

Uh...

384

00:19:29,710 —> 00:19:31,753

[stammers] You know...

Never mind. Never mind.

385

00:19:31,795 —> 00:19:33,964

If you need anything,

I'm here. At your service.

386

00:19:34,006 —> 00:19:36,091

Okay. Thanks.

387

00:19:36,133 —> 00:19:38,594

Come on, Bullseye.

I'm gonna need your help.

388

00:19:38,635 —> 00:19:40,012

[Bullseye whinnies]

389

00:19:40,053 —> 00:19:41,388

[Buzz sighs]

390

00:19:46,643 —> 00:19:49,229

[♪ adventurous music playing]

391

00:19:59,865 —> 00:20:02,284

We can't see the stars, Buzz.

Too much fog.

392

00:20:02,326 —> 00:20:06,121

Hmm.

We need to find higher ground.

393

00:20:06,163 —> 00:20:08,749

-[gasps]

-[all beeping]

394

00:20:17,299 —> 00:20:19,343

[♪ dramatic music playing]

395

00:20:36,944 —> 00:20:38,028

[machinery whirring]

396

00:20:38,070 —> 00:20:39,112

Huh?

397

00:20:49,331 —> 00:20:50,374

A-ha!

398

00:20:59,675 —> 00:21:02,302

Buzz, I have our bearings.

East-north— [gasps]

399

00:21:10,644 —> 00:21:12,396

I'm not cleaning that up.

400

00:21:16,024 —> 00:21:18,527

-Why did we...

-Freeze?

401

00:21:19,069 —> 00:21:20,028

[all] Fascinating.

402

00:21:20,070 —> 00:21:21,446

-Must...

-Avoid...

403

00:21:21,488 —> 00:21:22,364

Humans.

404

00:21:22,406 —> 00:21:23,615

[all] Affirmative.

405

00:21:23,657 —> 00:21:26,159

[♪ dramatic music plays]

406

00:21:29,955 —> 00:21:31,290

[music fades]

407

00:21:31,331 —> 00:21:33,083

Bonnie! Time to go

to your sleepover.

408

00:21:34,334 —> 00:21:35,252

Hmm.

409

00:21:37,087 —> 00:21:38,380

Um...

410

00:21:40,215 —> 00:21:42,676

Yo, Bonnie,

uh, what are you doing?

411

00:21:42,718 —> 00:21:44,553

You said you finished packing.

412

00:21:44,594 —> 00:21:47,306

Well, I did, but it's

my very first sleepover, Dad.

413

00:21:47,347 —> 00:21:49,349

I wanna be

extra, extra prepared.

414

00:21:49,391 —> 00:21:50,976

You're gonna be fine, sweetie.

415

00:21:51,018 —> 00:21:53,228

Come on. Go put on your shoes.

We got to go.

416

00:21:53,270 —> 00:21:54,354
Okay, okay.

417
00:21:58,942 —> 00:21:59,985
[clears throat]

418
00:22:00,027 —> 00:22:01,111
Jessie. [gasps]

419
00:22:02,821 —> 00:22:03,822
[Lilypad] Uh...

420
00:22:04,406 —> 00:22:06,074
What are you doing?

421
00:22:06,116 —> 00:22:09,536
We are gonna check out
these "friends" for ourselves

422
00:22:09,578 —> 00:22:11,872
and see if there is a real one
in the bunch.

423

00:22:11,913 —> 00:22:13,832

Okay, pause. It is not

a good look for Bonnie

424

00:22:13,874 —> 00:22:15,834

-to bring toys to a sleepover.

-[scoffs]

425

00:22:15,876 —> 00:22:17,169

-I do. I do. I do.

-Deputy Buzz.

426

00:22:17,210 —> 00:22:19,588

I do!

I mean, I've done things.

427

00:22:19,629 —> 00:22:21,506

Make sure that device

don't take charge of anything

428

00:22:21,548 —> 00:22:22,507

while we're away.

429

00:22:22,549 —> 00:22:24,134

Yes, Sheriff. I'm on it.

430

00:22:24,176 —> 00:22:26,011

-[Dad] All right, time to go.

-[Bonnie] Okay.

431

00:22:26,053 —> 00:22:27,846

No, Jessie.

Get out of that bag.

432

00:22:27,888 —> 00:22:29,848

I'm only thinking about

what's best for Bonnie.

433

00:22:29,890 —> 00:22:32,768

Well, what do you know?

That's exactly what I'm doing.

434

00:22:38,565 —> 00:22:40,942

-[door closes]

-[car rumbling]

435

00:22:40,984 —> 00:22:42,527

[Dad]

Did you pack your toothbrush?

436

00:22:42,569 —> 00:22:44,237

-[Bonnie] I think so.

-[zipper opens]

437

00:22:45,697 —> 00:22:48,742

Oh, thanks, Dad. You packed

Jessie and Bullseye.

438

00:22:48,784 —> 00:22:51,536

Uh, did I?

Well, you're welcome.

439

00:22:51,578 —> 00:22:52,829

[Bonnie sighs]

440

00:22:52,871 —> 00:22:54,664

-And here we are.

-[gasps]

441

00:22:55,332 —> 00:22:56,875

Oh, oh, oh, oh!

442

00:22:56,917 —> 00:22:59,711

I wonder if Kara and Heidi

are here yet.

443

00:22:59,753 —> 00:23:02,422

Oh! Over there. Dad,

I see them. Park right there.

444

00:23:02,464 —> 00:23:04,424

[Dad] Okay, okay. I see them.

445

00:23:06,760 —> 00:23:08,053

Uh, Bonnie.

You forgot your bag.

446

00:23:08,095 —> 00:23:09,346

[panting]

447

00:23:09,388 —> 00:23:11,640

-Hey, Chelsea.

-Oh, hey, Bonnie.

448

00:23:11,681 —> 00:23:13,850

-Guys, you remember Bonnie?

-Hi.

449

00:23:13,892 —> 00:23:15,685

And this is Jessie.

450

00:23:15,727 —> 00:23:18,397

[as Jessie] I ain't afraid

of nothin', partner.

451

00:23:19,773 —> 00:23:22,651

Oh. You still play with toys?

452

00:23:22,692 —> 00:23:25,112

[friends laughing]

453

00:23:25,153 —> 00:23:26,279

[Bonnie gasps]

454

00:23:26,780 —> 00:23:28,907

Um... Uh...

455

00:23:30,200 —> 00:23:32,202

Uh, um... uh...

456

00:23:32,244 —> 00:23:33,578

No. Be right back.

457

00:23:34,830 —> 00:23:36,331

-Here you go, sweetie.

-Dad, take these.

458

00:23:36,373 —> 00:23:37,749

But I thought

you wanted your toys?

459

00:23:37,791 —> 00:23:38,959

Dad, just go.

460

00:23:42,003 —> 00:23:43,547

[♪ ominous music plays]

461

00:23:43,588 —> 00:23:44,631

[gasps]

462

00:23:47,134 —> 00:23:48,218

Guys,

463

00:23:48,260 —> 00:23:49,928

-I got my Lilypad.

-Bye!

464

00:23:49,970 —> 00:23:51,680

-[gasps]

-[Bonnie groans]

465

00:23:53,223 —> 00:23:54,307

No.

466

00:23:55,434 —> 00:23:56,726

[Bonnie grunts]

467

00:24:03,358 —> 00:24:04,526

[grunts]

468

00:24:05,360 —> 00:24:07,112

[panting]

469

00:24:09,531 —> 00:24:10,740

[groans]

470

00:24:11,908 —> 00:24:13,034

[grunts]

471

00:24:18,331 —> 00:24:19,541

[gasps]

472

00:24:19,583 —> 00:24:20,417

No, no, no.

473

00:24:21,710 —> 00:24:24,129

No, no, no, this is all wrong.

474

00:24:24,171 —> 00:24:25,714

How is she

supposed to make friends

475
00:24:25,755 —> 00:24:27,299
if they ain't even
looking at each oth—

476
00:24:27,340 —> 00:24:28,425
[screams]

477
00:24:29,468 —> 00:24:30,635
Oh.

478
00:24:30,677 —> 00:24:32,471
-[gasps]
-[footsteps approaching]

479
00:24:34,973 —> 00:24:38,185
Oh, no.
Somebody lost their toys.

480
00:24:38,226 —> 00:24:39,352
What's that?

481

00:24:39,394 —> 00:24:41,855

I said

somebody lost their toys.

482

00:24:44,024 —> 00:24:45,275

Let's see.

483

00:24:45,317 —> 00:24:46,443

[gasps]

484

00:24:46,485 —> 00:24:49,404

They belong to an Emily.

485

00:24:49,446 —> 00:24:51,698

[driver]

Oh, and there's an address.

486

00:24:51,740 —> 00:24:53,909

-That's not too far from here.

-[gasps]

487

00:24:53,950 —> 00:24:55,535

We can drop them off.

488
00:25:04,085 —> 00:25:06,421
[phone]
Turn right onto Ranch Road.

489
00:25:13,428 —> 00:25:15,180
[phone] You've reached
your destination.

490
00:25:15,222 —> 00:25:16,681
[grunting]

491
00:25:16,723 —> 00:25:18,475
I'll just leave them here
in the mailbox.

492
00:25:18,517 —> 00:25:19,726
What's that?

493
00:25:19,768 —> 00:25:21,019
I'm leaving them
in the mailbox.

494

00:25:21,061 —> 00:25:22,562

-You're leaving me?

-Yes.

495

00:25:22,604 —> 00:25:24,439

[panting]

No, no, no.

496

00:25:24,481 —> 00:25:25,941

No, no, no.

497

00:25:27,567 —> 00:25:29,778

No! [panting]

498

00:25:29,819 —> 00:25:31,655

We cannot be here.

499

00:25:31,696 —> 00:25:35,200

We've gotta

get back to Bonnie!

500

00:25:35,242 —> 00:25:36,576

Come on, Bullseye. [grunts]

501

00:25:36,618 —> 00:25:38,662

[♪ adventurous music playing]

502

00:25:39,538 —> 00:25:40,622

[Jessie panting]

503

00:25:41,873 —> 00:25:43,083

[exclaims, grunts]

504

00:25:45,794 —> 00:25:47,837

[♪ ominous music playing]

505

00:25:50,882 —> 00:25:53,009

-[gasps]

-[grunts]

506

00:25:54,886 —> 00:25:56,179

[thuds]

507

00:25:56,930 —> 00:25:58,765

-[snorts]

-[Jessie shouts]

508

00:25:58,807 —> 00:25:59,766

[screams]

509

00:26:00,267 —> 00:26:01,935

Uh-oh! Uh! Oh!

510

00:26:01,977 —> 00:26:04,604

[chuckling] Whoa!

511

00:26:04,646 —> 00:26:05,981

Whoo!

512

00:26:06,022 —> 00:26:08,149

[laughing]

513

00:26:09,109 —> 00:26:10,652

Hi!

514

00:26:10,694 —> 00:26:13,697
Bullseye! You thinking
what I'm thinking?

515
00:26:13,738 —> 00:26:16,032
Yeah!
Yeah, I'm gonna speak critter,

516
00:26:16,074 —> 00:26:18,118
and we'll
ride this horse home!

517
00:26:18,159 —> 00:26:19,953
We're coming, Bonnie!

518
00:26:19,995 —> 00:26:22,497
Yeehaw!

519
00:26:22,539 —> 00:26:24,499
-[whinnies]
-[Jessie shouts]

520
00:26:24,541 —> 00:26:27,335

Whoa, whoa, whoa!

Wrong way, horsey!

521

00:26:27,377 —> 00:26:29,212

Wrong way!

522

00:26:29,254 —> 00:26:32,549

-[whinnies]

-Whoa, horsey! Whoa!

523

00:26:33,842 —> 00:26:36,511

No! No, no, no, no!

524

00:26:36,553 —> 00:26:39,264

-Whoa!

-[thudding]

525

00:26:42,934 —> 00:26:45,270

[Jessie coughing]

526

00:26:46,146 —> 00:26:47,564

[groans]

527

00:26:47,606 —> 00:26:49,858

[coughs, groans]

528

00:26:49,899 —> 00:26:50,984

[sighs]

529

00:26:51,568 —> 00:26:52,694

Bullseye?

530

00:26:52,736 —> 00:26:54,529

[horse whinnies, snorts]

531

00:26:55,447 —> 00:26:56,865

[Jessie] Oh!

532

00:26:56,906 —> 00:26:58,325

Thank goodness.

Come here. Help me.

533

00:26:59,409 —> 00:27:00,535

[person] Daffodil?

534

00:27:02,871 —> 00:27:04,247

Geez, are you all right?

535

00:27:04,289 —> 00:27:06,750

-[gasps]

-Did something spook you?

536

00:27:06,791 —> 00:27:08,668

Come on, girl. [clicks tongue]

537

00:27:08,710 —> 00:27:11,129

Come on. Good girl.

538

00:27:13,715 —> 00:27:14,674

Hmm?

539

00:27:15,175 —> 00:27:16,176

[gasps]

540

00:27:17,052 —> 00:27:18,553

Where'd you come from?

541

00:27:19,638 —> 00:27:21,348

[chuckling] He's perfect.

542

00:27:22,724 —> 00:27:25,435

No. Bullseye.

543

00:27:30,065 —> 00:27:32,567

Mmm... Hmm.

544

00:27:32,609 —> 00:27:34,569

Hmm.

545

00:27:34,611 —> 00:27:36,404

And how exactly will this help

us get Bonnie's attention?

546

00:27:36,446 —> 00:27:38,782

Well, when they come back

from the sleepover...

547

00:27:38,823 —> 00:27:40,575

-Careful. That tickles.

-...she'll enter the room,

548
00:27:40,617 —> 00:27:43,870
see Forky and Karen Beverly,
and remember the wedding.

549
00:27:43,912 —> 00:27:45,997
We are talking about
Bonnie, right?

550
00:27:46,039 —> 00:27:47,332
And not Jessie?

551
00:27:47,374 —> 00:27:48,792
Huh? [chuckles]

552
00:27:48,833 —> 00:27:51,252
Of course Bonnie.
[chuckles] Just Bonnie.

553
00:27:51,294 —> 00:27:52,837
Hey, what's everyone
talking about?

554

00:27:52,879 —> 00:27:54,756

Buzz is gonna

propose to Jessie.

555

00:27:54,798 —> 00:27:56,508

-Propose?

-[Trixie] Finally.

556

00:27:56,549 —> 00:27:57,884

Wait a minute. Wait...

Wait a minute. Wait a minute.

557

00:27:57,926 —> 00:27:59,511

[stammers] I didn't say that.

558

00:27:59,552 —> 00:28:00,929

-You didn't not say it either.

-Well, I...

559

00:28:00,970 —> 00:28:02,639

Who, Buzz?

560

00:28:02,681 —> 00:28:04,307

Question. Is Woody gonna

perform the wedding ceremony?

561

00:28:04,349 —> 00:28:07,143

I haven't thought

that far in advance, Forky.

562

00:28:07,185 —> 00:28:08,937

Okay. Then why is Woody

at the window?

563

00:28:08,978 —> 00:28:10,730

[all gasp] Woody!

564

00:28:11,606 —> 00:28:12,607

Woody!

565

00:28:12,649 —> 00:28:14,234

-Hey, everybody!

-[all] Bo!

566

00:28:14,275 —> 00:28:16,027

Howdy, folks. Coast clear?

567

00:28:16,069 —> 00:28:17,445

The stage is yours, my friend.

568

00:28:17,487 —> 00:28:18,738

[all] Woody!

569

00:28:18,822 —> 00:28:20,824

-It's good to s...

-Wow.

570

00:28:20,865 —> 00:28:22,826

[♪ Western guitar plays]

571

00:28:22,867 —> 00:28:24,619

Pretty cowboy.

572

00:28:24,703 —> 00:28:26,162

Why are you wearing

a dress, Woody?

573

00:28:26,204 —> 00:28:28,415

It's called a poncho, Forky.

574

00:28:28,456 —> 00:28:29,999

Thought I'd change it up.

575

00:28:30,041 —> 00:28:31,042

Yeah?

576

00:28:33,378 —> 00:28:34,546

Well, Bo likes it.

577

00:28:35,338 —> 00:28:37,674

[sighs] It's good to be back.

578

00:28:38,341 —> 00:28:39,718

-Shiny.

-What?

579

00:28:39,759 —> 00:28:41,344

-[all] Nothing.

-Love the poncho.

580

00:28:41,386 —> 00:28:43,012

Someone needs a brown marker.

581

00:28:43,054 —> 00:28:45,056

Wow. Look what Bonnie's done

with the place.

582

00:28:45,098 —> 00:28:48,017

[chuckling] It's...

She really let things go.

583

00:28:48,101 —> 00:28:49,018

-Oh, my.

-Oh.

584

00:28:49,060 —> 00:28:50,979

I see Sammy got bigger.

585

00:28:51,020 —> 00:28:54,566

-Uh, that's Sammy number two.

-No.

586

00:28:54,607 —> 00:28:56,067

-[all] Yeah.

-I'll explain it.

587

00:28:56,109 —> 00:28:58,695

There was a Sammy number one,

and then he died.

588

00:28:58,737 —> 00:29:00,113

-Poor Samuel.

-[beeping]

589

00:29:00,155 —> 00:29:02,157

-Halt. Who goes there?

-Whoa, whoa, whoa.

590

00:29:02,198 —> 00:29:04,993

Sor... Sorry.

My name is Woody.

591

00:29:05,118 —> 00:29:07,370

I come in peace.

Used to live here.

592

00:29:07,412 —> 00:29:08,455

All right.

593

00:29:08,496 —> 00:29:09,664

[chuckles]

594

00:29:09,706 —> 00:29:11,166

It's been too long, cowboy.

595

00:29:12,041 —> 00:29:13,918

-How've you been?

-Ah, busy.

596

00:29:13,960 —> 00:29:16,629

Came here as fast as I could

after Jessie called for help.

597

00:29:16,671 —> 00:29:19,007

-Good thing we were in town.

-She called you?

598

00:29:19,048 —> 00:29:20,925
-Yeah, I'm her deputy.
-But I'm her deputy.

599
00:29:21,593 —> 00:29:23,261
-Uh...
-[chuckles]

600
00:29:23,303 —> 00:29:25,054
-That's odd.
-[chuckling] Well, well...

601
00:29:25,096 —> 00:29:26,681
there must be
a little mix-up here.

602
00:29:26,723 —> 00:29:28,641
-Well, no offense, Woody.
-Oh, none taken. None taken.

603
00:29:28,683 —> 00:29:29,851
But she literally

604

00:29:29,893 —> 00:29:31,561

-deputized me.

-Oh, is that so?

605

00:29:31,603 —> 00:29:33,188

-Woody, look. Eyes here.

-Uh-huh.

606

00:29:33,229 —> 00:29:35,356

-Star. Deputy. Me.

-Uh-huh.

607

00:29:35,398 —> 00:29:37,400

-No star.

-[stammers] I got you.

608

00:29:37,442 —> 00:29:38,902

Star. No star.

609

00:29:38,985 —> 00:29:41,237

-Oh, hey, Buzz, what is that?

-What? Where?

610

00:29:41,821 —> 00:29:42,781

Ow.

611

00:29:42,822 —> 00:29:43,948

-Hey. Wait...

-What?

612

00:29:43,990 —> 00:29:45,784

Just happy to help, Deputy.

613

00:29:45,825 —> 00:29:49,287

[sighs] Call me when

you're done helping, dear.

614

00:29:49,329 —> 00:29:50,497

[Woody] Thanks, Bo.

615

00:29:50,538 —> 00:29:51,831

[Duke] Okay, ladies.

616

00:29:51,873 —> 00:29:53,583

-[Bo] Girls weekend!

-Yes.

617

00:29:53,625 —> 00:29:55,502

Un, deux, trois!

618

00:29:55,543 —> 00:29:56,377

[horn beeps]

619

00:29:57,670 —> 00:29:59,047

Where is Jessie, anyway?

620

00:29:59,088 —> 00:30:00,840

Sleepover reconnaissance.

621

00:30:00,882 —> 00:30:02,550

Yeah, she and Bullseye are

helping Bonnie make friends.

622

00:30:02,592 —> 00:30:05,261

While fending off

the nefarious Lilypad.

623

00:30:05,303 —> 00:30:07,722

It's Dolly, by the way.

Glasses.

624

00:30:07,764 —> 00:30:09,182

Didn't you always

have glasses?

625

00:30:09,224 —> 00:30:10,475

What? No.

626

00:30:10,517 —> 00:30:12,685

We've got it handled, cowboy.

627

00:30:12,727 —> 00:30:14,312

As her deputy, I'm certain

628

00:30:14,354 —> 00:30:16,606

Jessie's resting

on a comfy pillow right now

629

00:30:16,648 —> 00:30:18,817

making all the difference

for Bonnie.

630

00:30:18,858 —> 00:30:21,110

[Jessie groaning, straining]

631

00:30:24,405 —> 00:30:25,990

[groaning continues]

632

00:30:26,032 —> 00:30:26,866

[sighs]

633

00:30:26,908 —> 00:30:27,867

[whinnies]

634

00:30:28,660 —> 00:30:30,578

[scoffs] You're no help.

635

00:30:30,620 —> 00:30:32,038

[gasps]

636

00:30:32,080 —> 00:30:33,498

Hey, you can help

get me out of here.

637

00:30:33,540 —> 00:30:35,041

[summons Daffodil]

638

00:30:35,083 —> 00:30:37,043

Come here. Come on.

Come on. Daffodil.

639

00:30:37,085 —> 00:30:38,586

Yeah, yeah, come over here.

640

00:30:38,628 —> 00:30:39,754

Come on. Come on.

641

00:30:39,796 —> 00:30:40,922

[gasps]

642

00:30:40,964 —> 00:30:42,757

-[snorts]

-[chuckles]

643

00:30:42,799 —> 00:30:44,843

Nice pig. Nice pig.

644

00:30:44,884 —> 00:30:46,553

Stinky pig.

645

00:30:46,594 —> 00:30:48,471

-[screams]

-[grunts]

646

00:30:48,513 —> 00:30:50,014

Hey, hey, there.

647

00:30:50,098 —> 00:30:51,683

[stammers]

I guess you'll have to do.

648

00:30:52,308 —> 00:30:54,644

Jimmy Dean?

649

00:30:54,686 —> 00:30:56,771

You mean, like, the... Oh, no.

650

00:30:56,896 —> 00:30:58,439

-[squeals]

-Oh!

651

00:30:58,481 —> 00:30:59,732

-Okay. Wow, that's your name?

-[grunting]

652

00:30:59,774 —> 00:31:00,900

Jimmy Dean?

653

00:31:00,942 —> 00:31:03,403

Take me to the house.

654

00:31:03,444 —> 00:31:04,863

-[squealing]

-[gasps]

655

00:31:04,904 —> 00:31:07,282

Golly gee whillikers!

It's working.

656

00:31:07,323 —> 00:31:08,908

[exclaiming]

657

00:31:08,950 —> 00:31:10,535

Hey! Ugh! Yuck!

658

00:31:10,577 —> 00:31:13,037

[gasping]

Whoa, whoa, whoa, whoa!

659

00:31:13,538 —> 00:31:14,914

Yes!

660

00:31:14,956 —> 00:31:18,293

Yes. Yes, good pig.

Good pig. Good—

661

00:31:18,334 —> 00:31:20,253

No. No, no, no.

662

00:31:20,295 —> 00:31:22,255

Bad pig. Oh, wrong way, Jimmy.

663

00:31:22,297 —> 00:31:25,049

Oh, no, no.

Wrong house, Jimmy.

664

00:31:25,091 —> 00:31:26,342

Wrong house. Wrong— [grunts]

665

00:31:27,010 —> 00:31:28,636

[Jimmy grunting]

666

00:31:28,678 —> 00:31:29,804

No. [grunts]

667

00:31:29,846 —> 00:31:32,390

[panting, strains]

668

00:31:32,432 —> 00:31:33,850

-[Combat Carl] Blaze?

-[gasps]

669

00:31:34,392 —> 00:31:35,476

[all groan]

670

00:31:35,518 —> 00:31:36,936

False alarm, everyone.

671

00:31:37,312 —> 00:31:38,897

Um...

672

00:31:38,938 —> 00:31:41,441

Oh, apologies. Where are

Combat Carl's manners?

673

00:31:41,482 —> 00:31:43,359

[stammers] Welcome.

Please, take a seat.

674

00:31:43,401 —> 00:31:44,611

Oh. [chuckles]

675

00:31:44,652 —> 00:31:46,863

No. I've gotta get home.

676

00:31:46,905 —> 00:31:48,197

-No, no! Sit.

-Please, sit.

677

00:31:48,239 —> 00:31:49,866

-[speaks Spanish]

-Combat Carl insists.

678

00:31:49,908 —> 00:31:51,659

Oh. Okay.

679

00:31:51,701 —> 00:31:53,202

-[all clamoring]

-No, no, no!

680

00:31:53,328 —> 00:31:56,039

-Oh, sorry. I'm sorry.

-Any chair but that one.

681

00:31:56,080 —> 00:31:57,373

Who... Who sits there?

682

00:31:57,415 —> 00:31:58,791

[all] Blaze.

683

00:31:58,833 —> 00:32:01,502

Blaze. You mean the girl I saw

in the barn?

684

00:32:01,544 —> 00:32:02,629

She's your kid?

685

00:32:02,670 —> 00:32:04,756

[sighs] Isn't she swell?

686

00:32:04,797 —> 00:32:06,257

She loves her tea parties.

687

00:32:06,299 —> 00:32:08,843

And telling us

all her secrets.

688

00:32:08,885 —> 00:32:10,887

That's right,

Pizza With Sunglasses.

689

00:32:10,929 —> 00:32:12,096

To Blaze's return.

690

00:32:12,138 —> 00:32:13,973

[all] To Blaze's return!

691

00:32:14,015 —> 00:32:15,975

[sipping]

692

00:32:16,643 —> 00:32:17,977

Mmm. Rico.

693

So, where is he, Smarty?

860
00:39:08,137 —> 00:39:10,848
All right, okay. I said
I'd tell ya, so I'll tell ya.

861
00:39:10,890 —> 00:39:12,850
-Drumroll please.
-[thudding]

862
00:39:12,892 —> 00:39:15,811
He's probably in the bedroom.

863
00:39:15,853 —> 00:39:18,564
Probably in the bedroom?
I could've guessed that.

864
00:39:18,606 —> 00:39:20,858
-And yet, you did not, Dusty.
-Dusty?

865

00:39:20,900 —> 00:39:23,194
Yeah, you know, like ancient,
elderly, mummified old fart.

866
00:39:23,235 —> 00:39:25,529
Or as I like to call it,
number 1.5.

867
00:39:25,571 —> 00:39:26,739
-I missed you, Smarty.
-[chuckles]

868
00:39:26,781 —> 00:39:28,407
You know what?

869
00:39:28,449 —> 00:39:30,242
-I've had enough of your cr—
-Oh, wait!

870
00:39:30,284 —> 00:39:32,203
I just had an idea that could
maybe help you get to Bonnie.

871

00:39:32,244 —> 00:39:34,538
-[sighs] What?
-It's a little technical,

872
00:39:34,580 —> 00:39:36,123
but if the three
of us link up—

873
00:39:36,165 —> 00:39:38,959
No, no, I am done
with this techno mumbo jumbo.

874
00:39:39,001 —> 00:39:42,296
No offense, but I'll be fine
getting back on my own.

875
00:39:42,338 —> 00:39:43,631
Offense taken!

876
00:39:48,469 —> 00:39:50,638
You're muted, Dave.
You're muted.

877

00:39:50,679 —> 00:39:52,515
Okay. There you go.

878
00:39:52,556 —> 00:39:54,100
[Dave] Only have a bit
of time left. One more time—

879
00:39:54,141 —> 00:39:55,351
[Blaze's dad]
You're muted again, Dave.

880
00:39:55,393 —> 00:39:57,520
[Smarty Pants grunting]

881
00:39:57,561 —> 00:39:59,021
Oh, cheese and crackers!

882
00:39:59,063 —> 00:40:00,815
What are you doing? Get back.

883
00:40:00,940 —> 00:40:02,900
You're not the only one
who misses their kid, okay?

884

00:40:02,942 —> 00:40:04,276

-Now help us up.

-[sighs]

885

00:40:04,318 —> 00:40:05,861

[all grunting]

886

00:40:05,903 —> 00:40:07,154

Careful, careful!

You're gonna unplug me.

887

00:40:07,196 —> 00:40:09,615

-[door opens]

-Blaze, I'm home.

888

00:40:09,657 —> 00:40:10,616

[Blaze] Hey, Mom!

889

00:40:10,658 —> 00:40:11,909

Back, back, back!

890

00:40:12,743 —> 00:40:14,703

-[toys grunting]

-Hey, Mom?

891

00:40:14,745 —> 00:40:17,164

-Wait a second. Is that...

-Is that big girl Blaze?

892

00:40:17,206 —> 00:40:19,542

-She's changed so much!

-Like overnight.

893

00:40:19,583 —> 00:40:21,419

-Is she here yet?

-[Blaze's mom] Not yet.

894

00:40:21,460 —> 00:40:22,628

Why don't you

try messaging her?

895

00:40:22,670 —> 00:40:24,004

-[Snappy] Whoa.

-She big, big.

896

00:40:24,046 —> 00:40:25,840

-She...

-[toilet flushes]

897

00:40:25,881 —> 00:40:28,050

She did it without me.

898

00:40:36,767 —> 00:40:38,144

-[Snappy] Wow.

-[gasps]

899

00:40:38,185 —> 00:40:39,562

-It's so pretty.

-It's so clean!

900

00:40:39,603 —> 00:40:40,813

[Smarty Pants]

When did she become neat?

901

00:40:40,855 —> 00:40:42,189

[Atlas] I can see the floor.

902

00:40:42,231 —> 00:40:43,774

[Snappy]

I can see me in the floor.

903

00:40:43,816 —> 00:40:45,693

It smells like vanilla.

904

00:40:45,734 —> 00:40:47,361

With hints of brown sugar.

905

00:40:47,403 —> 00:40:48,571

[Smarty Pants]

You know who I don't miss?

906

00:40:48,612 —> 00:40:50,448

[Snappy]

That stupid stuffed whale.

907

00:40:50,489 —> 00:40:51,615

-[Atlas] What was his name?

-[Smarty Pants] Spouty.

908

00:40:51,657 —> 00:40:52,950

[Snappy] The worst.

909

00:40:52,992 —> 00:40:54,201

[Smarty Pants]

Give me a break.

910

00:40:54,243 —> 00:40:55,494

[Snappy] Annoying.

911

00:40:55,536 —> 00:40:58,414

Seriously,

how much have we missed?

912

00:40:58,456 —> 00:41:00,082

Everything.

913

00:41:00,124 —> 00:41:02,585

Your Blaze ain't the kid

you remember anymore.

914

00:41:02,626 —> 00:41:03,961

How would you know?

915

00:41:04,003 —> 00:41:07,173

[sighs] I've seen

all this before.

916

00:41:07,214 —> 00:41:08,883

Spent a lot of years

under the bed

917

00:41:08,924 —> 00:41:11,719

watching my first kid

grow up without me.

918

00:41:13,804 —> 00:41:15,347

-Hey, that's our address.

-[GPS beeping]

919

00:41:15,389 —> 00:41:17,558

How old is Blaze anyway?

Nine, ten?

920

00:41:17,600 —> 00:41:19,185

Her room

looks like a teenager's.

921

00:41:19,226 —> 00:41:21,061

She's nine and a half,

thank you very much.

922

00:41:21,103 —> 00:41:23,856

It's 'cause you devices

make 'em change so fast.

923

00:41:23,898 —> 00:41:25,524

[groans] I gotta get back.

924

00:41:25,566 —> 00:41:27,443

-So, where—

-[whinnies]

925

00:41:28,152 —> 00:41:30,488

Bullseye! Thank goodness.

926

00:41:31,530 —> 00:41:33,991

Uh-huh,

they seem nice, Bullseye,

927

00:41:34,033 —> 00:41:35,284

but we have to go now.

928

00:41:35,326 —> 00:41:36,994

Wait, wait, wait, wait.

929

00:41:37,036 —> 00:41:39,288

So you're saying that

this was your room too?

930

00:41:39,330 —> 00:41:41,040

-Yes.

-[scoffs] Really?

931

00:41:41,081 —> 00:41:43,083

-[chuckling]

-What, you calling me a liar?

932

00:41:43,125 —> 00:41:44,168

No...

933

00:41:45,169 —> 00:41:46,795

Yeah. Yeah, liar.

934

00:41:46,837 —> 00:41:48,297

[sighs]

935

00:41:48,339 —> 00:41:49,840

[♪ tense music playing]

936

00:41:49,882 —> 00:41:51,509

There's a knot in the ceiling,

937

00:41:51,550 —> 00:41:53,302

looks like an angry eye

when you squint at it.

938

00:41:53,344 —> 00:41:54,929

Window's got a small crack

939

00:41:54,970 —> 00:41:56,639

like a spider in

the upper right-hand corner.

940

00:41:56,680 —> 00:41:58,974
And out on that
tire swing hill,

941
00:41:59,016 —> 00:42:01,644
Emily and I would play
every summer afternoon.

942
00:42:01,685 —> 00:42:03,395
Now, Bullseye, let's go.

943
00:42:03,437 —> 00:42:05,356
Uh, you're welcome.

944
00:42:05,397 —> 00:42:08,526
For what? You didn't help me
at all. You were—

945
00:42:08,567 —> 00:42:10,945
What? Go on. Say it.

946
00:42:13,239 —> 00:42:14,990
-Useless.

-[gasps]

947

00:42:15,032 —> 00:42:16,575

-Oh, no, she didn't.

-Oh, snap!

948

00:42:16,617 —> 00:42:18,494

-[Jimmy Dean snorting]

-[gasps]

949

00:42:18,536 —> 00:42:20,454

Oh, no. Not the pig!

950

00:42:22,414 —> 00:42:25,876

[♪ "I Love It" playing

through headphones]

951

00:42:25,918 —> 00:42:27,711

-[Blaze humming]

-[snorting]

952

00:42:27,753 —> 00:42:28,963

Jimmy got big.

953

00:42:30,256 —> 00:42:32,675

Lay it on me, Jimmy Dean!

954

00:42:32,716 —> 00:42:36,387

Who's coming? Sally's coming.

Who's coming? Sally's coming.

955

00:42:36,428 —> 00:42:40,099

Yeah, yeah. She's coming.

She's coming to my house.

956

00:42:41,141 —> 00:42:43,352

Hey, Mom!

Sally's texting me right now.

957

00:42:43,394 —> 00:42:44,770

She's probably on her way.

958

00:42:49,108 —> 00:42:51,151

[♪ melancholy music playing]

959

00:42:54,488 —> 00:42:55,739
[sighs]

960
00:43:02,788 —> 00:43:04,790
[sobbing]

961
00:43:08,544 —> 00:43:10,421
[snorting]

962
00:43:16,969 —> 00:43:20,639
You'll be my friend,
right, Jimmy?

963
00:43:25,561 —> 00:43:26,770
Always.

964
00:43:27,813 —> 00:43:32,651
By the way,
your hair looks so good today.

965
00:43:32,693 —> 00:43:34,028
[chuckles]

966

00:43:34,069 —> 00:43:35,321

Thank you, Jimmy.

967

00:43:38,574 —> 00:43:41,076

She's perfect!

968

00:43:41,118 —> 00:43:42,494

[blusters]

969

00:43:42,536 —> 00:43:44,538

We gotta get Blaze

to meet Bonnie.

970

00:43:44,580 —> 00:43:46,040

[chuckles]

971

00:43:46,081 —> 00:43:47,499

[snoring]

972

00:43:47,541 —> 00:43:48,584

-Bonnie.

-[gasps]

973

00:43:48,626 —> 00:43:49,710

Tag, you're it!

974

00:43:49,752 —> 00:43:50,919

We're home.

975

00:43:50,961 —> 00:43:52,963

Hi, hon.

How was the sleepover?

976

00:43:53,005 —> 00:43:54,256

I don't wanna talk about it.

977

00:43:54,298 —> 00:43:56,425

-Why? What happened?

-Nothing.

978

00:43:56,467 —> 00:43:57,676

That doesn't sound good.

979

00:43:57,718 —> 00:43:59,178

I don't see Jessie.

980

00:43:59,219 —> 00:44:00,304

Calm down, lover boy.

981

00:44:00,346 —> 00:44:01,513

Your fiancee's coming.

982

00:44:01,555 —> 00:44:02,890

Fiancee?

983

00:44:02,931 —> 00:44:05,225

Buzz Lightyear,

you never told me.

984

00:44:05,267 —> 00:44:08,437

I know. Isn't it exciting?

Well, it's not official yet.

985

00:44:08,479 —> 00:44:10,272

I have to, you know, ask her.

986

00:44:10,314 —> 00:44:12,232

Uh, FYI, I am ordained.

987

00:44:12,274 —> 00:44:14,109

-Since when?

-Last Halloween.

988

00:44:14,151 —> 00:44:15,819

Bonnie made me

a haunted priest, remember?

989

00:44:15,861 —> 00:44:17,154

-[toys] Oh, yeah.

-Guys, places.

990

00:44:17,196 —> 00:44:18,238

Bonnie's coming.

991

00:44:20,491 —> 00:44:21,909

[Bonnie's mom]

Did you make some friends?

992

00:44:21,950 —> 00:44:22,993

I guess so.

993

00:44:23,035 —> 00:44:24,578

Aw, she looks awful.

994

00:44:24,620 —> 00:44:25,829

Does anyone see Jessie?

995

00:44:26,914 —> 00:44:28,499

[Woody] So, that's Lilypad?

996

00:44:28,540 —> 00:44:30,209

[Bonnie's mom]

How about I make you a snack?

997

00:44:30,250 —> 00:44:32,586

[Bonnie]

Yes, please. I'm starving.

998

00:44:32,628 —> 00:44:35,464

Jessie. [grunts]

Jessie. Bullseye.

999

00:44:35,506 —> 00:44:36,757

-Where are you?

-Oh, no, oh, no.

1000

00:44:36,799 —> 00:44:38,342

Is this not the right version?

1001

00:44:38,384 —> 00:44:40,260

What? Where's Jessie?

Where's Bullseye?

1002

00:44:40,302 —> 00:44:42,429

I'm a little busy

helping Bonnie right now.

1003

00:44:42,471 —> 00:44:44,306

What on earth happened

at that sleepover?

1004

00:44:44,348 —> 00:44:45,766

Excuse me. What are you?

1005

00:44:45,808 —> 00:44:47,017
Are you like
some sort of old man toy?

1006
00:44:47,059 —> 00:44:48,894
What?

1007
00:44:48,936 —> 00:44:50,270
She thinks you're old
because you're bald, Woody.

1008
00:44:50,312 —> 00:44:51,855
-Why, you little—
-Where's Jessie?

1009
00:44:51,897 —> 00:44:54,024
What happened to Bonnie?
She looks miserable.

1010
00:44:54,066 —> 00:44:55,776
Uh, the girls may have played
hide-and-seek

1011

00:44:55,818 —> 00:44:57,778
and, um,
forgotten to find Bonnie.

1012
00:44:57,820 —> 00:44:59,113
-[all gasp]
-Poor Bonnie.

1013
00:44:59,154 —> 00:45:00,364
How could you let that happen?

1014
00:45:00,406 —> 00:45:02,700
I didn't. You toys did this!

1015
00:45:02,741 —> 00:45:05,411
These girls have been
on The Pond for over a year,

1016
00:45:05,452 —> 00:45:07,204
but Bonnie is behind

1017
00:45:07,246 —> 00:45:09,164
because all of the time

she's been playing with you!

1018

00:45:09,206 —> 00:45:10,791

I need to bring her

up to speed fast,

1019

00:45:10,833 —> 00:45:12,668

starting with Turtle Tag.

1020

00:45:12,710 —> 00:45:14,211

It's the quickest way for her

to connect with the girls.

1021

00:45:14,253 —> 00:45:15,838

I'm only gonna ask

one more time, frog.

1022

00:45:15,879 —> 00:45:17,089

Where is Jessie?

1023

00:45:17,131 —> 00:45:18,507

Not my problem. I'm very busy.

1024

00:45:18,549 —> 00:45:20,217

-[all gasp]

-That's it.

1025

00:45:20,259 —> 00:45:21,343

-We'll make her talk.

-I'll do it, Woody.

1026

00:45:21,385 —> 00:45:22,761

-[grunts]

-Hey! Hey!

1027

00:45:22,803 —> 00:45:24,263

-I got it. I'll—

-I got it, Buzz. No.

1028

00:45:24,304 —> 00:45:25,556

-[Lilypad] Back off, buddy.

-I got this. Ow!

1029

00:45:25,597 —> 00:45:27,141

Do not touch me. Don't touch—

1030

00:45:27,182 —> 00:45:28,434

Where's Jessie?

1031

00:45:29,309 —> 00:45:31,895

Okay.

You toys are out of here.

1032

00:45:31,937 —> 00:45:33,313

[♪ ominous music playing]

1033

00:45:33,355 —> 00:45:34,606

[gasps] Wait.

She's doing something.

1034

00:45:35,941 —> 00:45:38,277

-So long, toys.

-[alarm blaring]

1035

00:45:38,318 —> 00:45:39,528

[shouts]

1036

00:45:39,570 —> 00:45:41,238

-Turn her off!

-Turn her off!

1037

00:45:41,280 —> 00:45:42,656

I can't! I can't!

It's not responding!

1038

00:45:42,698 —> 00:45:43,741

I have plastic fingers!

1039

00:45:43,782 —> 00:45:44,783

She's coming.

1040

00:45:45,576 —> 00:45:46,744

[alarm stops]

1041

00:45:51,457 —> 00:45:52,958

You sure you want me

to take these toys?

1042

00:45:53,000 —> 00:45:54,209

Mm-hmm.

1043

00:45:54,251 —> 00:45:56,086

Okay. It's your room.

1044

00:45:57,463 —> 00:45:58,547

[gasps]

1045

00:45:59,006 —> 00:46:00,758

No!

1046

00:46:00,799 —> 00:46:02,134

They'll be in the garage

if you want them.

1047

00:46:02,176 —> 00:46:03,218

Yep.

1048

00:46:06,346 —> 00:46:09,600

[Mr. Pricklepants] I now

pronounce us in storage.

1049

00:46:11,727 —> 00:46:14,104

[chuckles]

Playing with you is fun.

1050

00:46:16,857 —> 00:46:18,484

Okay. Now what do we d—

1051

00:46:19,276 —> 00:46:21,570

[♪ melancholy music playing]

1052

00:46:22,404 —> 00:46:23,655

[sighs]

1053

00:46:26,492 —> 00:46:29,119

Don't worry, Buzz.

We're gonna find her.

1054

00:46:29,870 —> 00:46:30,871

I promise.

1055

00:46:31,872 —> 00:46:34,166

[sighs]

1056

00:46:35,292 —> 00:46:38,712

Woody, I know it's just
a pretend ceremony,

1057
00:46:38,754 —> 00:46:41,006
and Bonnie usually
decides these things, but...

1058
00:46:42,216 —> 00:46:44,885
Well, if it were up to me,

1059
00:46:46,094 —> 00:46:47,304
you'd be my best man.

1060
00:46:47,346 —> 00:46:49,014
[gasps]

1061
00:46:49,056 —> 00:46:50,307
Buzz, I...

1062
00:46:51,016 —> 00:46:52,643
I'd be honored.

1063

00:46:52,684 —> 00:46:54,978

[sighs] But Jessie

will never speak to me again

1064

00:46:55,020 —> 00:46:57,689

now that I've let Lily

take charge of the room.

1065

00:46:57,731 —> 00:46:59,316

Wait a min— Take charge.

1066

00:46:59,358 —> 00:47:01,151

-I tried to.

-No, no, no. Buzz, that's it.

1067

00:47:01,276 —> 00:47:02,361

What is?

1068

00:47:02,402 —> 00:47:04,238

[♪ suspenseful music playing]

1069

00:47:11,954 —> 00:47:13,413

Tomorrow morning,

1070

00:47:13,455 —> 00:47:15,415

everyone will wake up

fully recharged...

1071

00:47:16,333 —> 00:47:19,044

except Lilypad.

1072

00:47:19,086 —> 00:47:22,506

And then we'll make Lily

tell us... Where's Jessie?

1073

00:47:27,302 —> 00:47:28,971

[Blaze snoring]

1074

00:47:29,012 —> 00:47:30,722

Oh, finally.

1075

00:47:35,853 —> 00:47:37,521

Psst. Hey.

1076

00:47:37,563 —> 00:47:38,897

[Smarty Pants]

It's okay. Just ignore her.

1077

00:47:38,939 —> 00:47:40,023

-[Atlas] Shh, shh.

-[Snappy] Quiet!

1078

00:47:40,065 —> 00:47:42,109

[Smarty Pants] Nobody's home.

1079

00:47:42,150 —> 00:47:44,486

-I can hear you.

-[Snappy] Smarty!

1080

00:47:44,528 —> 00:47:46,655

-What? I used a faraway voice.

-[Atlas] Come on, man!

1081

00:47:46,697 —> 00:47:48,574

-Look. Camera—

-It's Snappy.

1082

00:47:48,615 —> 00:47:50,033

Right, Snappy.

1083

00:47:50,075 —> 00:47:51,535

You said there was

a way you could help us

1084

00:47:51,577 —> 00:47:53,120

get to Bonnie, right?

So, what is it?

1085

00:47:53,161 —> 00:47:55,163

[Smarty Pants]

She did say that, didn't she?

1086

00:47:55,205 —> 00:47:56,915

That sounds, I don't know...

1087

00:47:56,957 —> 00:47:59,126

-[Snappy] Useful?

-That's it, yeah.

1088

00:47:59,167 —> 00:48:01,461

Too bad we're useless!

1089

00:48:01,503 —> 00:48:03,630

-[Snappy] Right!

-[Atlas] Yeah! Remember?

1090

00:48:04,506 —> 00:48:06,133

-[blusters]

-[sighs]

1091

00:48:06,174 —> 00:48:09,136

I'm sorry

I called you useless.

1092

00:48:09,177 —> 00:48:13,891

You three

are definitely of use...

1093

00:48:14,474 —> 00:48:15,350

somehow.

1094

00:48:16,560 —> 00:48:18,395

-[Snappy] Worst apology ever.

-[Atlas] Just awful.

1095

00:48:18,437 —> 00:48:20,564

[Smarty Pants] Now I want

an apology for that apology.

1096

00:48:20,606 —> 00:48:22,274

[sighs]

1097

00:48:22,316 —> 00:48:26,028

Please. I know I messed up.

1098

00:48:26,069 —> 00:48:29,281

I was wrong

about your kid, Blaze.

1099

00:48:29,323 —> 00:48:33,493

She's creative and silly

1100

00:48:33,577 —> 00:48:36,246

in a way

other kids don't really get.

1101

00:48:36,914 —> 00:48:38,332
[stammers] Am I right?

1102
00:48:47,215 —> 00:48:48,467
Go on.

1103
00:48:49,217 —> 00:48:51,637
Well, our kid's like that too.

1104
00:48:51,678 —> 00:48:54,056
And I think
they'd really like each other.

1105
00:48:54,097 —> 00:48:56,475
So, fine,
if you don't want to help me,

1106
00:48:56,516 —> 00:48:58,393
let's just help our kids.

1107
00:48:59,686 —> 00:49:01,271
All right, twist my handle.

1108

00:49:01,313 —> 00:49:02,814

Yeah! We're making friends.

1109

00:49:02,856 —> 00:49:04,149

-F-R-E-N-D.

-With an "I."

1110

00:49:04,191 —> 00:49:05,484

[Snappy] F-R-I-N-D.

1111

00:49:05,525 —> 00:49:07,486

Great! So,

how do we connect them?

1112

00:49:07,527 —> 00:49:10,405

You said your kid's device was

on The Pond like me, right?

1113

00:49:10,447 —> 00:49:14,451

Right! So Smarty, Atlas and I

are all compatible, see?

1114

00:49:14,493 —> 00:49:16,286
And I could take
a picture of you.

1115
00:49:16,328 —> 00:49:18,455
-Okay, act like a toy.
-O-Okay.

1116
00:49:20,290 —> 00:49:22,459
Uh, not very photogenic,
are they?

1117
00:49:22,501 —> 00:49:24,044
-And Atlas can add text to it.
-Mm-hmm.

1118
00:49:25,671 —> 00:49:27,631
-Then we post it on The Pond.
-[Atlas] Yep.

1119
00:49:27,673 —> 00:49:28,757
Where Bonnie is!

1120

00:49:28,799 —> 00:49:30,384

[all] Ta-da!

1121

00:49:30,425 —> 00:49:31,969

-Great! So, you sent it?

-[♪ gentle music playing]

1122

00:49:32,010 —> 00:49:33,512

No. Still going.

1123

00:49:33,553 —> 00:49:35,013

[sighs]

1124

00:49:37,099 —> 00:49:38,266

How about now?

1125

00:49:38,308 —> 00:49:40,727

[exclaims] Still going.

1126

00:49:40,769 —> 00:49:42,813

Still going?

How is that possible?

1127

00:49:42,854 —> 00:49:44,898

Look at my eyes! The little

toilet roll's still spinning.

1128

00:49:44,940 —> 00:49:46,566

I'm only as fast

as my operating system.

1129

00:49:46,692 —> 00:49:48,652

So just slow your roll,

all right?

1130

00:49:49,903 —> 00:49:51,488

-[chimes]

-There. It's sent.

1131

00:49:51,530 —> 00:49:54,074

Finally. Now what?

1132

00:49:54,116 —> 00:49:55,492

Now, we wait.

1133

00:49:55,534 —> 00:49:57,035

Yeah, everyone's still asleep.

1134

00:49:57,077 —> 00:49:58,578

We gotta wait for Bonnie

to wake up and see the post.

1135

00:49:58,662 —> 00:50:01,081

[groans, sighs]

1136

00:50:03,250 —> 00:50:05,877

Hey, I know!

We could play a game.

1137

00:50:05,919 —> 00:50:06,795

-Yes!

-Yeah!

1138

00:50:06,837 —> 00:50:07,838

-A game?

-Yeah!

1139

00:50:07,879 —> 00:50:09,089

It was Blaze's favorite.

1140

00:50:09,131 —> 00:50:10,757

It's called "Pick the Poop."

1141

00:50:10,799 —> 00:50:12,009

You try and hit the button

1142

00:50:12,050 —> 00:50:13,927

when the poop

shows up over it.

1143

00:50:13,969 —> 00:50:15,220

Hey, Smarty.

1144

00:50:16,054 —> 00:50:19,933

I will never play that game.

1145

00:50:19,975 —> 00:50:23,186

[chuckles] They all say that.

1146

00:50:24,438 —> 00:50:26,481

[insects chirping]

1147

00:50:26,523 —> 00:50:27,899

[child laughing]

1148

00:50:27,941 —> 00:50:29,317

[sibling] Come on!

1149

00:50:29,359 —> 00:50:30,861

-It's my turn.

-[mom] Okay, you two.

1150

00:50:30,902 —> 00:50:32,946

Time to stop playing

with your new toy.

1151

00:50:32,988 —> 00:50:34,906

-It's bedtime.

-[children groan]

1152

00:50:34,948 —> 00:50:36,992

-Already?

-Do we have to?

1153

00:50:37,034 —> 00:50:38,827

-[mom] Yeah, come on.

-[children groan]

1154

00:50:38,869 —> 00:50:40,871

[♪ tense music playing]

1155

00:51:12,444 —> 00:51:13,653

[laptop beeps]

1156

00:51:13,695 —> 00:51:14,905

Huh?

1157

00:51:24,122 —> 00:51:29,294

[mom] "And they had splendid

games together, in whispers,

1158

00:51:29,336 —> 00:51:32,214

when Nana had gone away

to her supper

1159

00:51:32,255 —> 00:51:34,007
and left
the night-light burning

1160
00:51:34,049 —> 00:51:36,176
on the mantelpiece.

1161
00:51:36,218 —> 00:51:39,429
And when the boy
dropped off to sleep,

1162
00:51:39,471 —> 00:51:43,809
the rabbit would
snuggle down close under

1163
00:51:43,850 —> 00:51:45,393
-his little, warm chin..."
-[beeping]

1164
00:51:45,435 —> 00:51:46,895
Sir.

1165
00:51:46,937 —> 00:51:50,065

"...and dream

with the boy's hands

1166

00:51:50,107 —> 00:51:53,652

clasped close

round him all night."

1167

00:51:59,908 —> 00:52:01,201

Hmm.

1168

00:52:02,369 —> 00:52:04,621

-[gasp] Star Command.

-Star Command.

1169

00:52:04,663 —> 00:52:06,081

-Star Command.

-Star Command.

1170

00:52:12,546 —> 00:52:14,756

[all] Star Command.

1171

00:52:16,466 —> 00:52:18,844

-[birds chirping]

-[groans]

1172

00:52:19,928 —> 00:52:23,014

[yawns, sighs]

1173

00:52:24,141 —> 00:52:25,433

What? No, no, no!

1174

00:52:25,475 —> 00:52:27,018

Dad! Dad!

1175

00:52:27,060 —> 00:52:28,770

What? What is it?

1176

00:52:28,812 —> 00:52:30,605

Lily's not working!

I'm missing Turtle Tag!

1177

00:52:30,647 —> 00:52:32,941

Kara, Chelsea and Heidi

play it every morning.

1178

00:52:32,983 —> 00:52:35,152

-I can't miss it, Dad!

-It's okay.

1179

00:52:35,193 —> 00:52:36,528

I plugged it back in.

1180

00:52:36,570 —> 00:52:38,196

We just need to wait

for it to charge.

1181

00:52:38,238 —> 00:52:39,865

But it's not okay!

I'm gonna miss the game!

1182

00:52:39,906 —> 00:52:41,950

Sweetie, there's nothing

we can do for now.

1183

00:52:41,992 —> 00:52:43,869

-[Bonnie groans]

-[door closes]

1184

00:52:43,910 —> 00:52:46,496

Aha! Success, huh?

Look at that.

1185

00:52:46,538 —> 00:52:47,831

That's phase one.

1186

00:52:47,873 —> 00:52:49,791

-And now, phase two.

-Phase two.

1187

00:52:49,833 —> 00:52:51,543

Well, I thought I was gonna

initiate phase two.

1188

00:52:51,585 —> 00:52:53,920

I initiate phase two.

We thumb wrestled over this.

1189

00:52:53,962 —> 00:52:55,505

All right, fine.

1190

00:52:55,547 —> 00:52:57,716

And then we'll have

a little talk

1191

00:52:57,757 —> 00:52:59,509

with our froggy friend.

1192

00:53:00,343 —> 00:53:03,305

-[toy beeping]

-[Blaze snoring]

1193

00:53:03,346 —> 00:53:05,182

[grunting]

1194

00:53:05,223 —> 00:53:07,976

-One, two, one, two, two...

-I hate this game.

1195

00:53:08,018 —> 00:53:09,728

-...one, two, one...

-Please make it stop.

1196

00:53:11,146 —> 00:53:12,939

-Mighty Wiper!

-[Atlas shushes]

1197

00:53:12,981 —> 00:53:15,025

-Again, again, again!

-I think you need a break.

1198

00:53:15,066 —> 00:53:16,985

I can't feel my buttons.

1199

00:53:17,027 —> 00:53:19,404

-Just one more time! Come on!

-That's enough play for now.

1200

00:53:19,446 —> 00:53:21,072

Play? [scoffs]

1201

00:53:21,114 —> 00:53:22,532

That's just a game.

That's not playing.

1202

00:53:22,574 —> 00:53:23,533

What's the difference?

1203

00:53:23,575 —> 00:53:25,076

You know, real play.

1204

00:53:26,745 —> 00:53:28,288

You're kidding, right?

1205

00:53:28,330 —> 00:53:30,207

You've never seen Blaze

play with a toy?

1206

00:53:31,541 —> 00:53:32,876

How long

were you guys with her?

1207

00:53:32,918 —> 00:53:33,960

-Three months.

-Ten months.

1208

00:53:34,002 —> 00:53:35,045

-Six months.

-Months?

1209

00:53:35,086 —> 00:53:36,755

What? Too long?

1210

00:53:36,796 —> 00:53:39,174

Too short! [groans]

Guys, you missed all the fun!

1211

00:53:39,216 —> 00:53:40,383

Hey, we're fun.

1212

00:53:40,425 —> 00:53:43,011

I mean fun, fun.

Make-believe fun.

1213

00:53:47,349 —> 00:53:48,725

Just look at her.

1214

00:53:51,353 —> 00:53:53,355

Oh, yeah. She plays.

1215

00:53:53,396 —> 00:53:55,565

Oh, yeah? Prove it.

1216

00:53:55,607 —> 00:53:59,069

Okay, Smarty Pants. We will.

1217

00:54:01,029 —> 00:54:03,907

[sniffs, snorting]

1218

00:54:03,949 —> 00:54:05,408

[groans]

1219

00:54:05,992 —> 00:54:07,369

Morning, Jimmy.

1220

00:54:08,495 —> 00:54:11,122

Ready for breakfast? Hmm?

1221

00:54:15,710 —> 00:54:17,170

Whoa.

1222

00:54:17,212 —> 00:54:19,923

Hey, Mom!

Where'd you find the cowgirl?

1223

00:54:19,965 —> 00:54:21,633

[chuckles]

1224

00:54:21,675 —> 00:54:23,218

I ain't afraid

of nothin', partner.

1225

00:54:23,260 —> 00:54:26,388

-[chuckles]

- Yeehaw! Let's play!

1226

00:54:26,429 —> 00:54:27,472

[gasps]

1227

00:54:28,348 —> 00:54:29,641

Yeah.

1228

00:54:31,476 —> 00:54:32,811

[chuckles]

1229

00:54:32,852 —> 00:54:34,479

Wait a minute.

1230

00:54:36,898 —> 00:54:38,191

[Blaze chuckles] Hmm.

1231

00:54:38,233 —> 00:54:39,276

Neigh!

1232

00:54:39,317 —> 00:54:40,986

Well, flush me.

1233

00:54:41,027 —> 00:54:43,029

Blaze is actually gonna play.

1234

00:54:43,071 —> 00:54:45,782

[vocalizing] Here we go!

1235

00:54:45,824 —> 00:54:47,575

[♪ ballroom music playing]

1236

00:54:48,493 —> 00:54:49,786

-M'la— [gasps]

-[gasps, chuckles]

1237

00:54:51,413 —> 00:54:53,665

M'lady Davenport,

1238

00:54:54,708 —> 00:54:57,335

I present Her Royal Highness,

1239

00:54:57,377 —> 00:54:59,504

Jimmy Queen.

1240

00:54:59,546 —> 00:55:01,131

[snorting]

1241

00:55:01,172 —> 00:55:04,301

[clears throat]

Your Highness, how kind of you

1242

00:55:04,342 —> 00:55:05,969

to invite me

to your royal ball—

1243

00:55:06,011 —> 00:55:08,471

[babbling]

1244

00:55:08,513 —> 00:55:10,765

Jimmy!

This is your big moment.

1245

00:55:10,807 —> 00:55:13,184

-[snorting]

-[toys beeping]

1246

00:55:14,436 —> 00:55:16,229

What you got there, Jimmy?

1247

00:55:16,271 —> 00:55:17,647

[snorting]

1248

00:55:17,689 —> 00:55:19,482

Whoa.

1249

00:55:20,650 —> 00:55:22,861

[chuckling] I can't believe

I still have these.

1250

00:55:23,653 —> 00:55:25,613

[gasps] Wait a minute.

1251

00:55:26,990 —> 00:55:30,035

[♪ suspenseful music playing]

1252

00:55:30,076 —> 00:55:31,536

[Snappy] Agent Clydesdale,

1253

00:55:31,578 —> 00:55:33,079

your suitor

is approaching now.

1254

00:55:33,121 —> 00:55:34,414

[gasps]

1255

00:55:34,456 —> 00:55:37,334

So, we meet again,

Agent Sheet-land.

1256

00:55:37,375 —> 00:55:39,002

It's pronounced Shet-land.

"Shet."

1257

00:55:39,044 —> 00:55:40,420

That's what I said.

1258

00:55:40,462 —> 00:55:42,172

Well, Agent Clydesdale,

or should I say,

1259

00:55:42,213 —> 00:55:44,507

Lady Davenport,

have you spotted it yet?

1260

00:55:44,549 —> 00:55:45,800

You mean, the bomb?

1261

00:55:45,842 —> 00:55:47,218

Yes! Shh! Quiet!

1262

00:55:47,260 —> 00:55:48,762

Snappy,

do you have eyes on it?

1263

00:55:48,803 —> 00:55:50,638

Not yet. Atlas, do you copy?

1264

00:55:52,098 —> 00:55:54,309

Agents! The bomb

is right on top of you!

1265

00:55:54,351 —> 00:55:56,728

-[beeping]

-[gasps] Where? Where?

1266

00:55:56,770 —> 00:55:58,188

[laughs]

1267

00:55:58,229 —> 00:56:01,441

Where you never suspected,

Agent Clydesdale!

1268

00:56:01,483 —> 00:56:04,110

-[laughing]

-[guests gasping]

1269

00:56:04,819 —> 00:56:07,197

-[gasps]

-[laughs]

1270

00:56:07,238 —> 00:56:09,449

But where is the bomb?

1271

00:56:09,491 —> 00:56:11,701

[beeping]

1272

00:56:15,497 —> 00:56:16,581

[exclaims]

1273

00:56:18,166 —> 00:56:19,626

She's coming to, Buzz.

1274

00:56:19,667 —> 00:56:20,752

[tablet beeping]

1275

00:56:20,794 —> 00:56:21,795

Hurry it up.

1276

00:56:21,836 —> 00:56:23,296

[Buzz] I'm trying, Woody!

1277

00:56:23,338 —> 00:56:25,924

What... What happened?

1278

00:56:25,965 —> 00:56:28,385

Wait. What did you do

to my battery?

1279

00:56:28,426 —> 00:56:29,844

What we'll do again

if you don't tell us

1280

00:56:29,886 —> 00:56:31,429

what happened

to Jessie and Bullseye.

1281

00:56:31,471 —> 00:56:33,306

What time is it? [gasps]

1282

00:56:33,348 —> 00:56:35,225

Oh, no! This is not good.

1283

00:56:35,266 —> 00:56:37,727

The girls got a head start

on Turtle Tag without Bonnie!

1284

00:56:37,769 —> 00:56:39,979

There's been one, two,

three inside jokes already.

1285

00:56:40,021 —> 00:56:41,898

This is a disaster!

1286

00:56:41,940 —> 00:56:43,525

Enough with the silly games.

Where's Jessie and Bullseye?

1287

00:56:43,566 —> 00:56:46,403

Silly? This is serious,

Stuffalo Bill!

1288

00:56:46,444 —> 00:56:47,821

Bonnie is missing out.

1289

00:56:47,862 —> 00:56:49,197

Stuffalo Bill?

1290

00:56:49,239 —> 00:56:50,907

Want her to make friends?

This is how!

1291

00:56:50,949 —> 00:56:53,034

Now keep your little

plastic hands away from me

1292

00:56:53,076 —> 00:56:55,036

or I will set off my alarm.

1293

00:56:55,078 —> 00:56:56,496

I thought you'd say as much.

1294

00:56:56,538 —> 00:56:58,832

Buzz, bring in "Sammy Two."

1295

00:56:58,873 —> 00:57:01,793

-No. No. Absolutely not.

-[grunting]

1296

00:57:02,710 —> 00:57:04,129

-Oh, no, no, no—

-[alarm blaring]

1297

00:57:04,170 —> 00:57:05,588

-[Buzz] Yes. [chuckles]

-[alarm stops]

1298

00:57:05,630 —> 00:57:07,340

-Okay, try "settings."

-You mean this?

1299

00:57:07,382 —> 00:57:09,676

-That's a gear symbol.

-Okay, got it. Now what?

1300

00:57:09,717 —> 00:57:10,760

Reduce her screen time

to zero.

1301

00:57:11,719 —> 00:57:12,804

[Buzz]

The shortest is an hour.

1302

00:57:14,431 —> 00:57:16,057

-What?

-"Horse grill"? Who is that?

1303

00:57:16,099 —> 00:57:18,017

"Horse girl."

1304

00:57:18,059 —> 00:57:20,019

-She's talking about Jessie.

-Well, then open it. [gasps]

1305

00:57:20,061 —> 00:57:21,354

-Whoa!

-[grunting]

1306

00:57:21,396 —> 00:57:22,730

[tablet chimes]

1307

00:57:22,772 —> 00:57:25,024

-[Lilypad exclaims]

-[Woody] My hips.

1308

00:57:25,066 —> 00:57:26,734

Enjoy the garage, suckers!

1309

00:57:26,776 —> 00:57:28,111

-No, no, no! Lily!

-Wait. Hey!

1310

00:57:28,153 —> 00:57:29,112

[gasps]

1311

00:57:29,154 —> 00:57:30,363

Yes, can I help you?

1312

00:57:31,072 —> 00:57:32,449

Huh?

1313

00:57:32,490 —> 00:57:34,492

-Wait a minute. [shushes]

-Fascinating.

1314

00:57:34,534 —> 00:57:37,203
Lily, bring back
that "horse girl" post.

1315
00:57:37,245 —> 00:57:38,455
[distorted buzzing]

1316
00:57:38,496 —> 00:57:39,706
Okay.

1317
00:57:39,747 —> 00:57:42,750
Oh, she has to do
what you say.

1318
00:57:42,792 —> 00:57:45,003
-[screams]
-[gasps, grunts]

1319
00:57:45,044 —> 00:57:46,379
-She's getting away, Buzz!
-Lily!

1320
00:57:46,421 —> 00:57:47,839

-Hey, Lily!

-Hey, stop her!

1321

00:57:47,881 —> 00:57:49,007

-Hey, Lily!

- Yes?

1322

00:57:49,048 —> 00:57:50,884

-Open that post!

- Okay!

1323

00:57:50,925 —> 00:57:52,969

-[gasps] Jessie.

-Bonnie's gotta see this.

1324

00:57:53,011 —> 00:57:55,013

[Buzz] Show her again.

Where is she? Hey, Lily.

1325

00:57:55,054 —> 00:57:56,389

-Hey, Lily!

- Yes?

1326

00:57:56,431 —> 00:57:57,682

-Show the post.

- Can I help you?

1327

00:57:57,724 —> 00:57:58,725

-Share it everywhere!

-Share!

1328

00:57:58,766 —> 00:57:58,933

- Yes!

-Share!

1329

00:57:59,893 —> 00:58:00,935

We did it!

1330

00:58:00,977 —> 00:58:02,020

So, where did it go?

1331

00:58:02,061 —> 00:58:03,104

Lily...

1332

00:58:03,146 —> 00:58:05,023

[all grunting]

1333

00:58:06,191 —> 00:58:07,317

[Lilypad panting]

1334

00:58:07,358 —> 00:58:08,610

-[machine whirring]

-[gasps]

1335

00:58:09,736 —> 00:58:11,779

-[Buzz] The printer! Yes!

-[Woody laughs]

1336

00:58:11,821 —> 00:58:13,406

[Bonnie] Okay, I'm done.

1337

00:58:13,448 —> 00:58:14,741

[Mom] Bonnie, you haven't

finished your breakfast.

1338

00:58:14,782 —> 00:58:15,909

-[Bonnie] No, I'm done.

-[gasps]

1339

00:58:17,410 —> 00:58:20,288

I'm missing Turtle Tag, Mom.

They're playing without me.

1340

00:58:20,330 —> 00:58:22,874

-[groans, pants]

-[Lilypad laughs]

1341

00:58:22,916 —> 00:58:24,292

Now what, Deputy?

1342

00:58:24,334 —> 00:58:26,044

Well,

you're the deputy, Deputy.

1343

00:58:28,505 —> 00:58:30,215

What's this all about, Bonnie?

1344

00:58:32,091 —> 00:58:34,052

-Huh?

-[groans]

1345

00:58:37,138 —> 00:58:39,182
So, why did you put her toys
in the garage?

1346
00:58:39,224 —> 00:58:41,226
Uh, because Bonnie
asked me to.

1347
00:58:41,267 —> 00:58:43,311
-Remember, sweetie?
-No.

1348
00:58:43,353 —> 00:58:45,188
[Dad] Well, I don't think
Lilypad texted me.

1349
00:58:45,230 —> 00:58:48,650
They're gone. She really does
have Jessie and Bullseye.

1350
00:58:48,691 —> 00:58:50,360
I hope they're okay.

1351

00:58:50,401 —> 00:58:52,070
Okay, we've gotten
the queen to safety.

1352
00:58:52,111 —> 00:58:54,781
Yes. You can do this,
Agent Clydesdale.

1353
00:58:54,822 —> 00:58:56,449
One of these buttons
defuses the bomb.

1354
00:58:56,491 —> 00:58:58,451
But which one,
Agent "Sheetland"?

1355
00:58:58,493 —> 00:59:00,620
"Shet"! [sobbing] It's "Shet"!

1356
00:59:00,662 —> 00:59:02,539
[beeping]

1357
00:59:03,122 —> 00:59:04,165

[beeping stops]

1358

00:59:05,792 —> 00:59:07,794

Boom! [imitates explosion]

1359

00:59:07,835 —> 00:59:10,964

Oh, no! [imitates explosion]

[screams]

1360

00:59:11,005 —> 00:59:13,633

[Blaze's mom] Blaze! Hon!

It's time to feed Daffodil.

1361

00:59:13,675 —> 00:59:15,718

[kisses] Okay! [chuckles]

1362

00:59:15,760 —> 00:59:17,637

Come on, Your Majesty.

1363

00:59:18,638 —> 00:59:19,973

[Blaze's mom] Thanks, babe!

1364

00:59:20,014 —> 00:59:21,057

[door closes]

1365

00:59:21,099 —> 00:59:22,642

[Snappy laughs]

1366

00:59:22,684 —> 00:59:24,435

-Holy cow! Wow!

-That was so cool! [squeals]

1367

00:59:24,477 —> 00:59:26,771

-I was a spy! What?

-Yeah, you were!

1368

00:59:26,813 —> 00:59:28,064

-You were the best spy!

-Wow.

1369

00:59:28,106 —> 00:59:29,691

[both chuckling]

1370

00:59:29,732 —> 00:59:31,859

-Smarty?

-[sobbing]

1371

00:59:31,901 —> 00:59:34,529

That was so beautiful.

1372

00:59:34,571 —> 00:59:37,365

That, my friend, was playin'.

1373

00:59:37,407 —> 00:59:39,909

-Oh, boy, did we.

-I feel so alive!

1374

00:59:39,951 —> 00:59:41,911

Is that what being

a toy is like, Sheriff?

1375

00:59:41,953 —> 00:59:43,955

Well, yeah, it's...

Wait, hold up.

1376

00:59:43,997 —> 00:59:46,749

You never called me

sheriff before in a nice way.

1377

00:59:46,791 —> 00:59:48,167

But, well, now I get it.

1378

00:59:48,209 —> 00:59:50,420

Blaze really is perfect

for Bonnie.

1379

00:59:50,461 —> 00:59:52,672

Playing with her

feels just the same.

1380

00:59:52,714 —> 00:59:55,174

-Your kid plays like that too?

-[chimes]

1381

00:59:55,216 —> 00:59:56,259

[all gasp]

1382

00:59:57,927 —> 00:59:59,137

-[Jessie gasps]

-[gasps] It's her!

1383

00:59:59,178 —> 01:00:00,888

She saw the post! It's Bonnie!

1384

01:00:00,930 —> 01:00:02,390

-Go on! Do it.

-Text her back.

1385

01:00:02,432 —> 01:00:03,975

-Go on.

-Text her back.

1386

01:00:04,017 —> 01:00:06,728

[all chanting]

Text her back! Text her back.

1387

01:00:06,769 —> 01:00:09,105

Okay, okay, how do I do that?

1388

01:00:09,772 —> 01:00:11,941

[tablet beeping]

1389

01:00:18,573 —> 01:00:20,658

[beeping]

1390

01:00:24,912 —> 01:00:28,041

-[sighs]

-What? Oh, yes!

1391

01:00:28,082 —> 01:00:29,917

-All right!

-She's coming.

1392

01:00:29,959 —> 01:00:32,253

-Bonnie's coming here.

-[Snappy] I knew she would.

1393

01:00:32,295 —> 01:00:34,505

Blaze and Bonnie

are gonna meet.

1394

01:00:34,547 —> 01:00:36,466

-[beeping]

-Smarty, what are you typing?

1395

01:00:36,507 —> 01:00:38,468

-Delete that right now.

-What?

1396

01:00:38,509 —> 01:00:40,720

I'm just trying to get some

batteries out of the deal.

1397

01:00:42,055 —> 01:00:43,348

So, what's going on?

1398

01:00:43,389 —> 01:00:44,891

Slink, talk to me.

1399

01:00:44,932 —> 01:00:46,809

Hard to hear.

A lot of commotion.

1400

01:00:46,851 —> 01:00:48,603

I bet they're arguing over

getting rid of us.

1401

01:00:48,645 —> 01:00:50,563

[exclaims]

Are we getting donated?

1402

01:00:50,605 —> 01:00:53,691

-Mmm. Doughnuts.

-No, sweetie. Donated.

1403

01:00:53,816 —> 01:00:55,818

Wow. I love her,

but this is gonna be hard.

1404

01:00:55,860 —> 01:00:58,946

Shh! Quiet! I hear something.

Like tiny footsteps.

1405

01:00:58,988 —> 01:01:00,907

-Aw. Kind of cute.

-[footsteps approaching]

1406

01:01:00,948 —> 01:01:02,158

[shouting]

1407

01:01:02,200 —> 01:01:03,826

-Look out!

-Bonnie's coming!

1408

01:01:06,496 —> 01:01:07,830

Come on, Mom.

1409

01:01:07,872 —> 01:01:09,707

[Woody]

Oh, no, Lily's going too.

1410

01:01:09,749 —> 01:01:11,250

[Bonnie's mom] Hold on,

Bonnie. I'm sure your toys

1411

01:01:11,292 —> 01:01:12,752

aren't going to run off

on their own.

1412

01:01:12,794 —> 01:01:14,504

All right, Buzz,

you've gotta stay here.

1413

01:01:14,545 —> 01:01:16,047

-I'm going with them.

-Why? Why just you?

1414

01:01:16,089 —> 01:01:16,798

Look, I just have more

field experience than you.

1415

01:01:16,839 —> 01:01:17,590

That is all.

1416

01:01:18,341 —> 01:01:19,967

You don't think I can do it.

1417

01:01:20,009 —> 01:01:21,928

No, I just think I can do it

a little bit...

1418

01:01:21,969 —> 01:01:24,180

-[car engine starts]

-...better.

1419

01:01:24,222 —> 01:01:26,391

[gasps]

You don't deserve this.

1420

01:01:26,432 —> 01:01:28,601

-Buzz, come on. I was only—

-Jessie put me in charge.

1421

01:01:28,643 —> 01:01:30,853

Which is why you should

stay here and watch the room.

1422

01:01:30,895 —> 01:01:32,647

There is no room

without Jessie.

1423

01:01:32,689 —> 01:01:34,565

Buzz, no! [groans]

1424

01:01:34,607 —> 01:01:37,151

[♪ dramatic music playing]

1425

01:01:37,193 —> 01:01:39,445

[panting, grunting]

1426

01:01:40,446 —> 01:01:42,949
[breathing heavily]

1427
01:01:42,990 —> 01:01:43,950
[grunts]

1428
01:01:43,991 —> 01:01:46,369
Nice poncho. [scoffs]

1429
01:01:46,411 —> 01:01:48,413
It's good
to see them fighting again.

1430
01:01:48,454 —> 01:01:49,664
[Slinky Dog] It sure is.

1431
01:01:56,921 —> 01:01:59,090
How did your toys get
all the way out here?

1432
01:01:59,132 —> 01:02:00,508
[grunts]

1433

01:02:00,550 —> 01:02:01,592

[tablet chirps]

1434

01:02:07,306 —> 01:02:08,975

[gasps]

1435

01:02:15,732 —> 01:02:16,774

[gasps]

1436

01:02:23,865 —> 01:02:27,034

Oh, how 'bout this one?

Ah, look at those puppies.

1437

01:02:27,076 —> 01:02:28,703

I'm saving that one.

1438

01:02:28,745 —> 01:02:30,621

Yeah, they came with the

latest update this morning.

1439

01:02:30,663 —> 01:02:31,914

I know. It never gets old.

1440

01:02:31,956 —> 01:02:33,207

[chuckling] She's here.

1441

01:02:33,249 —> 01:02:35,209

Careful, Snappy.

Dad might see you.

1442

01:02:35,251 —> 01:02:37,920

No way. He'll be showing off

those new backgrounds forever.

1443

01:02:37,962 —> 01:02:40,465

[gasps] That's her!

That's Bonnie!

1444

01:02:40,506 —> 01:02:43,092

-Bullseye, she's really here!

-[blusters]

1445

01:02:44,343 —> 01:02:46,095

Bonnie, come on, let's go.

1446

01:02:50,600 —> 01:02:54,312

[coughs] Buzz, listen.

I really just...

1447

01:02:54,353 —> 01:02:55,605

[Woody groans]

1448

01:02:58,065 —> 01:02:59,358

[Atlas] Aw. [chuckles]

1449

01:02:59,400 —> 01:03:01,027

It was nothing.

It was nothing.

1450

01:03:01,068 —> 01:03:04,113

Thanks, fellas.

Pretty glad I met you devices.

1451

01:03:04,155 —> 01:03:06,407

Ah, don't be dumping us

something you can't flush.

1452

01:03:06,449 —> 01:03:08,534
-[doorbell rings]
-[gasps] It's her!

1453
01:03:10,828 —> 01:03:12,455
Hello. Can I help you?

1454
01:03:12,497 —> 01:03:14,916
Hi. I'm so sorry
to bother you,

1455
01:03:14,957 —> 01:03:17,001
but we got this message
from your daughter.

1456
01:03:17,043 —> 01:03:19,462
She seems to have found
my daughter's toys.

1457
01:03:19,504 —> 01:03:21,047
-Are they in there?
-[Blaze's mom] Oh, okay.

1458

01:03:21,088 —> 01:03:22,423

I'll have her get 'em.

1459

01:03:22,465 —> 01:03:24,342

-Blaze! Honey?

-[Blaze] Yeah?

1460

01:03:24,383 —> 01:03:26,803

Can you bring down

those two rag dolls you found?

1461

01:03:26,844 —> 01:03:29,096

-Their owner's here.

-[Blaze] Okay!

1462

01:03:29,138 —> 01:03:31,474

-That's our cue.

-[footsteps approaching]

1463

01:03:41,150 —> 01:03:42,193

[gasps]

1464

01:03:42,235 —> 01:03:44,737

Blaze, this is, uh...

1465

01:03:44,779 —> 01:03:46,239

[Bonnie's mom] This is Bonnie.

1466

01:03:46,280 —> 01:03:47,323

[Blaze's mom] Hello, Bonnie.

1467

01:03:47,365 —> 01:03:49,367

Hi. Are these your toys?

1468

01:03:56,332 —> 01:03:58,376

I don't play

with toys anymore.

1469

01:03:58,417 —> 01:04:01,712

It's just they're antiques.

1470

01:04:04,131 —> 01:04:06,342

They do look pretty old.

1471

01:04:06,384 —> 01:04:08,719

Must be worth something

at least, right?

1472

01:04:10,805 —> 01:04:12,014

No, they're not.

1473

01:04:13,224 —> 01:04:14,517

You should keep 'em.

1474

01:04:17,144 —> 01:04:18,271

[both gasp]

1475

01:04:18,312 —> 01:04:19,730

-[gasps]

-Oh, no.

1476

01:04:21,190 —> 01:04:23,109

Bonnie, you don't want them?

1477

01:04:28,364 —> 01:04:31,742

[stammers] Are you sure?

Bonnie? Bonnie?

1478

01:04:32,660 —> 01:04:34,078

I don't know

what's come over her.

1479

01:04:34,120 —> 01:04:35,830

I'm so sorry

to have bothered you.

1480

01:04:35,872 —> 01:04:37,582

It's all right.

1481

01:04:37,623 —> 01:04:40,167

If you ever change your mind,

Bonnie, just let me know.

1482

01:04:40,209 —> 01:04:42,420

[♪ mournful music playing]

1483

01:04:48,551 —> 01:04:50,011

[door closes]

1484

01:04:50,052 —> 01:04:51,178

I don't get it.

What just happened?

1485

01:04:51,220 —> 01:04:52,722

What is going on, Bonnie?

1486

01:04:53,890 —> 01:04:55,182

Okay, I guess we're going.

1487

01:04:56,142 —> 01:04:58,477

-[sniffles]

-[car door opens, closes]

1488

01:05:01,522 —> 01:05:03,608

[all gasp, grunt]

1489

01:05:03,649 —> 01:05:05,067

[footsteps approaching]

1490

01:05:12,783 —> 01:05:14,243

[door creaks]

1491

01:05:15,494 —> 01:05:17,079

[gasps]

1492

01:05:17,121 —> 01:05:19,790

Come on, Bullseye! Quick!

Before they drive away!

1493

01:05:19,832 —> 01:05:21,000

[grunting]

1494

01:05:21,751 —> 01:05:23,252

It's... It's too late for me,

1495

01:05:23,294 —> 01:05:25,254

Bullseye,

but maybe not for you.

1496

01:05:25,296 —> 01:05:26,923

-Please, not for you.

-[blusters]

1497

01:05:26,964 —> 01:05:30,426

[grunts, breathing heavily]

1498

01:05:31,218 —> 01:05:32,511

-[whinnies]

-[Jessie sighs]

1499

01:05:34,680 —> 01:05:37,224

-Sheriff?

-Jessie? A-Are you okay?

1500

01:05:37,266 —> 01:05:38,726

W-What just happened?

1501

01:05:38,768 —> 01:05:40,311

She ditched you, Jessie.

1502

01:05:40,353 —> 01:05:41,938

Because of you!

1503

01:05:41,979 —> 01:05:44,273

Because of all you

darn devices

1504

01:05:44,315 —> 01:05:46,150

making kids act older.

1505

01:05:46,192 —> 01:05:48,194

You stole all our time.

1506

01:05:48,235 —> 01:05:51,072

I wanted to make a difference.

I needed to make a difference.

1507

01:05:51,113 —> 01:05:52,490

And you ruined it.

1508

01:05:52,531 —> 01:05:54,033

-Ow.

-[gasps]

1509

01:05:54,075 —> 01:05:56,118

-Smarty, you okay?

-I'm-I'm sorry.

1510

01:05:56,160 —> 01:05:59,038

-Are you hurt? Did you crack?

-I'm fine. I'm fine. [sighs]

1511

01:05:59,080 —> 01:06:01,207

For a rag doll, you throw

quite a punch, cowgir...

1512

01:06:02,041 —> 01:06:03,459

Cowgirl?

1513

01:06:04,794 —> 01:06:06,462

-[devices gasp]

-[Bullseye whinnies]

1514

01:06:06,504 —> 01:06:07,588

[Snappy] Jessie?

1515

01:06:14,178 —> 01:06:15,763

[whistles]

1516

01:06:17,390 —> 01:06:19,100

Uh, Sheriff?

1517

01:06:19,141 —> 01:06:20,851

I'm sorry, Smarty.

1518

01:06:20,893 —> 01:06:22,144

It's not you.

1519

01:06:23,020 —> 01:06:25,189

I'm the one that's useless.

1520

01:06:25,231 —> 01:06:26,607

-[devices gasp]

-[blusters]

1521

01:06:29,527 —> 01:06:30,569

[whinnies]

1522

01:06:37,618 —> 01:06:38,953

[gasps] Bullseye!

1523

01:06:41,455 —> 01:06:44,083

Poor Jessie.

Gotta find a way in.

1524

01:06:45,418 —> 01:06:48,087

Buzz. Buzz,

where are you going?

1525

01:06:48,129 —> 01:06:50,172

Let's talk about this.

[groans]

1526

01:06:50,214 —> 01:06:51,966

-[electronic wailing]

-Huh?

1527

01:06:53,759 —> 01:06:56,345

Uh, what... what is going on?

1528

01:06:56,387 —> 01:06:57,847

-State your name.

-[Woody] Whoa, whoa.

1529

01:06:57,888 —> 01:06:59,724

-And your purpose.

-Hey, guys. [stammers]

1530

01:06:59,765 —> 01:07:01,517

-Take him in.

-Guys! Whoa!

1531

01:07:02,143 —> 01:07:03,936

[groaning]

1532

01:07:03,978 —> 01:07:04,979

-Wait, wait. What's going on?

-[Jimmy Dean snorting]

1533

01:07:05,021 —> 01:07:06,689

[screams] My poncho!

1534

01:07:07,189 —> 01:07:08,566

Quiet, assassin!

1535

01:07:08,607 —> 01:07:10,985

[grunts] Assassin?

No, I can't...

1536

01:07:11,027 —> 01:07:12,153

[straining]

1537

01:07:12,194 —> 01:07:13,738

-Buzz?

-[all gasp]

1538

01:07:13,779 —> 01:07:15,865

How do you know who we are?

Who sent you?

1539

01:07:15,906 —> 01:07:18,117

[Woody] Oh, geez! What... I...

1540

01:07:18,159 —> 01:07:20,244

-Talk!

-[screams]

1541

01:07:20,286 —> 01:07:22,079

-[snorting]

-Talk about what?

1542

01:07:22,121 —> 01:07:24,165

-What am I supposed to know?

-You bear a holster.

1543

01:07:24,206 —> 01:07:27,168

You were positioned outside

our leader's stronghold.

1544

01:07:27,209 —> 01:07:29,003

You are an agent of Zurg!

1545

01:07:29,045 —> 01:07:30,588

Zurg? No! Hey!

1546

01:07:30,629 —> 01:07:32,173

I don't even know

who your leader is!

1547

01:07:32,214 —> 01:07:34,717

Liar! You wish to harm

the red-haired maiden

1548

01:07:34,759 —> 01:07:36,218

who bears the mark

of Star Command.

1549

01:07:36,260 —> 01:07:37,511

-Jessie.

-[Woody] No.

1550

01:07:37,553 —> 01:07:39,263

-Wait!

-[Woody grunting]

1551

01:07:39,305 —> 01:07:41,390

He is not an agent of Zurg.

1552

01:07:41,432 —> 01:07:42,808

[all muttering]

1553

01:07:42,850 —> 01:07:44,185

Well, then,

who's this old man?

1554

01:07:44,226 —> 01:07:45,853

[stammers] Why do people

keep saying that?

1555

01:07:45,895 —> 01:07:46,896

I'm not that old!

1556

01:07:46,937 —> 01:07:49,815

This old man is a toy.

1557

01:07:49,857 —> 01:07:51,692

Hmm. A toy?

1558

01:07:52,318 —> 01:07:54,695

Yes. We are all toys!

1559

01:07:54,737 —> 01:07:56,447

-Toy...

-[clamoring]

1560

01:07:56,489 —> 01:07:58,866

Our mission on this planet is

to make a child happy.

1561

01:07:58,908 —> 01:07:59,992

I've been dreaming about that.

1562

01:08:00,034 —> 01:08:01,202

You know what I mean?

1563

01:08:01,243 —> 01:08:03,370

-[Buzz] To play!

-To play. Play.

1564

01:08:03,412 —> 01:08:04,747

Hey! Buzz, can you help me...

1565

01:08:04,789 —> 01:08:06,499

[muffled] ...get out

of the mouth of this pig?

1566

01:08:06,540 —> 01:08:09,960

Search your feelings, Buzz.

You know it to be true!

1567

01:08:10,002 —> 01:08:12,588

-[Woody groaning]

-[clamoring]

1568

01:08:12,630 —> 01:08:15,883

And the red-haired maiden

you seek is our toy leader.

1569

01:08:15,925 —> 01:08:17,885

Her name is Sheriff Jessie.

1570

01:08:17,927 —> 01:08:19,512

[all] Sheriff Jessie.

1571

01:08:19,553 —> 01:08:22,223

Sheriff Jessie is trapped

inside that stronghold.

1572

01:08:22,264 —> 01:08:24,433

We must infiltrate it

and rescue her

1573

01:08:24,475 —> 01:08:25,684

and her trusty steed.

1574

01:08:25,726 —> 01:08:27,019

How do you know all this?

1575

01:08:27,686 —> 01:08:30,064

Because I am her deputy.

1576

01:08:30,106 —> 01:08:31,565

[♪ triumphant music playing]

1577

01:08:31,607 —> 01:08:33,025

[all] Star Command.

1578

01:08:33,067 —> 01:08:36,237

Then this old man is a toy?

1579

01:08:36,278 —> 01:08:38,114

[muffled]

This pig has bad breath!

1580

01:08:38,155 —> 01:08:39,532

Oh, yeah, him.

1581

01:08:39,573 —> 01:08:41,408

He's my sidekick.

You can untie him.

1582

01:08:41,450 —> 01:08:45,329

And by the way, everybody,

Zurg is our dad.

1583

01:08:45,371 —> 01:08:48,499

-[all] No! No! [sobbing]

-Yeah.

1584

01:08:50,668 —> 01:08:52,711

[♪ adventurous music playing]

1585

01:08:55,631 —> 01:08:57,883

Hey. What's on your mind?

1586

01:08:57,925 —> 01:08:59,093

[Blaze] I don't know.

1587

01:08:59,135 —> 01:09:00,678

I just hope that girl's okay.

1588

01:09:00,719 —> 01:09:03,305

[Blaze's mom] Aw.

She'll be fine, sweetie.

1589

01:09:03,347 —> 01:09:04,515

-Don't you worry.

-[door opens]

1590

01:09:04,557 —> 01:09:06,767

Hey, guys! Is anyone hungry?

1591

01:09:06,809 —> 01:09:08,227

-[Blaze] Me, me!

-[Blaze's mom] Starving!

1592

01:09:08,269 —> 01:09:10,187

[Blaze] Can we get

Pasta Prairie, Baba?

1593

01:09:10,229 —> 01:09:12,356

[Blaze's dad] Ooh, I like

the way you think, anushikes .

1594

01:09:14,525 —> 01:09:16,777

-[panting]

-Spread out.

1595

01:09:17,444 —> 01:09:18,571

Not here.

1596

01:09:19,113 —> 01:09:20,406

Not here.

1597

01:09:20,447 —> 01:09:21,490

Definitely not here.

1598

01:09:22,283 —> 01:09:23,909

Blast! Where could she be?

1599

01:09:23,951 —> 01:09:26,412

Commander! We found

these electronic devices.

1600

01:09:26,453 —> 01:09:29,540

Hey, Micro-Chippendales!

Hands off. [groans]

1601

01:09:29,582 —> 01:09:31,333

-[chimes]

-Whoa!

1602

01:09:31,375 —> 01:09:33,377

I'm getting a major signal

from all you dudes.

1603

01:09:33,419 —> 01:09:36,255

-I've got full bars.

-Me too. I can map for miles!

1604

01:09:36,297 —> 01:09:38,174

These guys

are their own hot spot.

1605

01:09:38,215 —> 01:09:39,633

[beeping]

1606

01:09:39,675 —> 01:09:40,968

Oh, no. They're one of them.

1607

01:09:41,010 —> 01:09:43,762

They're one of us! Nice.

1608

01:09:43,804 —> 01:09:45,264

Hey, uh, this one's broken,

by the way.

1609

01:09:45,306 —> 01:09:47,057

Where are you hiding Jessie,

you machine?

1610

01:09:47,099 —> 01:09:48,642

Hey, hey. Easy there.

1611

01:09:48,684 —> 01:09:50,269

-Yeah!

-We're Jessie's friends!

1612

01:09:50,311 —> 01:09:52,771

And I have a name.

It's Smarty Pants.

1613

01:09:52,813 —> 01:09:54,023

Hygiene instructor.

1614

01:09:54,064 —> 01:09:55,232

He'll wipe your—

1615

01:09:55,274 —> 01:09:57,318

This is serious, Mr. Pants.

1616

01:09:57,359 —> 01:09:59,278

It is my sworn duty

as a Space Ranger—

1617

01:09:59,320 —> 01:10:01,405

-Ha, ha, you said "doody."

-Why, you!

1618

01:10:01,447 —> 01:10:03,115

Clearly, we're all friends

with Jessie,

1619

01:10:03,157 —> 01:10:04,992

so can you just tell us
where she is?

1620
01:10:05,034 —> 01:10:06,493
She went
to the tire-swing hill!

1621
01:10:06,535 —> 01:10:07,912
It's at the far end
of the ranch.

1622
01:10:07,953 —> 01:10:09,455
Gonna take me forever
to waddle there.

1623
01:10:09,496 —> 01:10:12,041
Well, we'll need a way
to get there.

1624
01:10:12,082 —> 01:10:13,334
[Buzz Lightyears]
Commander Lightyear.

1625

01:10:13,375 —> 01:10:15,419

[♪ uplifting music playing]

1626

01:10:15,461 —> 01:10:16,795

-[gasps]

-Oh, my.

1627

01:10:19,548 —> 01:10:20,841

Whoa.

1628

01:10:30,351 —> 01:10:33,020

Bonnie? Did something happen

with your friends?

1629

01:10:38,400 —> 01:10:39,443

Can you show me?

1630

01:10:41,070 —> 01:10:43,989

You're not in trouble, Bonnie.

I promise.

1631

01:10:52,831 —> 01:10:54,625

Oh, sweetie.

1632

01:10:54,667 —> 01:10:58,087

You know that you can always

talk with me and Dad, right?

1633

01:10:58,587 —> 01:11:00,422

About anything.

1634

01:11:00,464 —> 01:11:03,509

Because we love you,

Bonnie, so much.

1635

01:11:04,593 —> 01:11:08,013

I wouldn't change

a single thing about you.

1636

01:11:08,055 —> 01:11:10,933

And I think a real friend

would feel the same.

1637

01:11:10,975 —> 01:11:12,017

Don't you?

1638

01:11:13,310 —> 01:11:14,645

But how about we take a break

1639

01:11:14,687 —> 01:11:16,438

from the group chat

for now. Okay?

1640

01:11:17,147 —> 01:11:18,399

Let's get some ice cream.

1641

01:11:19,775 —> 01:11:21,318

[sobs]

1642

01:11:27,574 —> 01:11:29,285

Trust me,

you're gonna love it.

1643

01:11:29,326 —> 01:11:30,452

[chuckling]

1644

01:11:30,494 —> 01:11:31,745

-Cool! [chuckling]

-Sure.

1645

01:11:34,957 —> 01:11:36,000

[chuckling continues]

1646

01:11:43,382 —> 01:11:46,093

Bonnie, they don't have

chocolate chip.

1647

01:11:46,135 —> 01:11:47,761

Come pick another flavor.

1648

01:11:49,013 —> 01:11:51,640

[grunting]

1649

01:11:54,727 —> 01:11:56,186

[panting]

1650

01:12:07,031 —> 01:12:09,325

-[door closes]

-[engine starts]

1651

01:12:09,366 —> 01:12:12,161

-Mom, where's Lilypad?

-[Lilypad panting]

1652

01:12:12,202 —> 01:12:13,954

I'm sorry, Bonnie.

1653

01:12:22,171 —> 01:12:23,505

[creaks]

1654

01:12:31,555 —> 01:12:33,140

[sighs]

1655

01:12:33,182 —> 01:12:34,600

-[♪ suspenseful music plays]

-[grass rustling]

1656

01:12:34,641 —> 01:12:36,101

-[blusters]

-What is it?

1657

01:12:36,143 —> 01:12:37,811

-[♪ triumphant music plays]

-[nickers]

1658

01:12:38,604 —> 01:12:39,605

-[shouts]

-[music ends]

1659

01:12:39,646 —> 01:12:40,981

[grunts] Bullseye.

1660

01:12:41,023 —> 01:12:42,608

You shouldn't have

followed me.

1661

01:12:42,649 —> 01:12:45,277

-[nickers]

-Oh, bad horse.

1662

01:12:45,986 —> 01:12:46,820

[blusters]

1663

01:12:47,488 —> 01:12:49,365

[sighs]

1664

01:12:49,406 —> 01:12:52,326

You go back to Blaze's,

Bullseye. You're better off.

1665

01:12:52,368 —> 01:12:54,536

-[♪ somber music plays]

-[whinnies, blusters]

1666

01:12:54,578 —> 01:12:58,040

I'm serious.

She'll take good care of you.

1667

01:12:58,082 —> 01:12:59,583

And all those horses...

1668

01:12:59,625 —> 01:13:01,043

[blusters]

1669

01:13:01,085 —> 01:13:02,127

[whinnies]

1670

01:13:03,295 —> 01:13:05,339

[sighs] Bullseye, no.

1671

01:13:05,381 —> 01:13:07,049

I'm not going with you.

1672

01:13:07,549 —> 01:13:09,218

I...

1673

01:13:09,259 —> 01:13:11,387

can't do this again.

1674

01:13:11,428 —> 01:13:12,471

I can't...

1675

01:13:13,597 —> 01:13:15,224

love another kid

1676

01:13:15,265 —> 01:13:17,976

just to find out

I never mattered.

1677

01:13:19,645 —> 01:13:20,521

I...

1678

01:13:21,271 —> 01:13:22,940

I can't.

1679

01:13:25,609 —> 01:13:27,945

[blusters]

1680

01:13:30,322 —> 01:13:31,615

[♪ uplifting music plays]

1681

01:13:40,833 —> 01:13:43,544

-[blusters]

-I didn't write that.

1682

01:13:44,378 —> 01:13:45,921

It must have been...

1683

01:14:01,395 —> 01:14:02,396

[gasps]

1684

01:14:02,438 —> 01:14:03,647

Emily?

1685

01:14:04,857 —> 01:14:06,483

[Jessie whistles]

1686

01:14:06,525 —> 01:14:09,069

-Daffodil, dig.

-[whinnies]

1687

01:14:09,111 —> 01:14:10,404

[blusters]

1688

01:14:13,615 —> 01:14:14,658

[blusters]

1689

01:14:14,700 —> 01:14:16,535

[music continues]

1690

01:14:23,041 —> 01:14:24,126

[lock clicks]

1691

01:14:24,168 —> 01:14:26,003

[♪ melancholy music plays]

1692

01:14:26,044 —> 01:14:27,129

Wait.

1693

01:14:28,338 —> 01:14:30,466

This ain't stuff from Emily.

1694

01:14:30,507 —> 01:14:31,550

It...

1695

01:14:32,134 —> 01:14:33,302

It's newer.

1696

01:14:35,971 —> 01:14:37,347

It doesn't make any sense.

1697

01:14:37,389 —> 01:14:39,391

She wouldn't have

any of this stuff.

1698

01:14:39,433 —> 01:14:40,976

She'd be...

1699

01:14:44,271 —> 01:14:46,064

all grown-up.

1700

01:14:46,106 —> 01:14:47,983

[♪ uplifting music plays]

1701

01:14:49,485 —> 01:14:50,527

Wait.

1702

01:14:57,326 —> 01:15:00,162

Emily named her daughter...

1703

01:15:04,041 —> 01:15:05,501

after me.

1704

01:15:15,302 —> 01:15:16,678

Really?

1705

01:15:18,639 —> 01:15:20,057

[blusters]

1706

01:15:21,683 —> 01:15:22,726

[nickers]

1707

01:15:24,269 —> 01:15:25,854

[music continues]

1708

01:15:29,107 —> 01:15:30,901

-[grass rustling]

-[blusters]

1709

01:15:30,943 —> 01:15:32,277

-[whinnies]

-[♪ dramatic music plays]

1710

01:15:32,319 —> 01:15:33,695

Uh...

1711

01:15:33,737 —> 01:15:35,656

[screams] Whoa!

1712

01:15:35,697 —> 01:15:37,157

[groans]

1713

01:15:37,199 —> 01:15:38,534

[breathing heavily]

1714

01:15:40,285 —> 01:15:42,037

Jessie? Bullseye!

1715

01:15:42,079 —> 01:15:42,955

-Hey, I found 'em!

-[♪ triumphant music plays]

1716

01:15:42,996 —> 01:15:44,081

Woody?

1717

01:15:44,998 —> 01:15:46,750

-Buzz!

-Jessie!

1718

01:15:46,792 —> 01:15:47,709

[grunts]

1719

01:15:47,751 —> 01:15:48,961

You're okay.

1720

01:15:49,002 —> 01:15:50,963

What...

What are you doing here?

1721

01:15:51,004 —> 01:15:52,589

We came for you, Jessie.

1722

01:15:52,631 —> 01:15:53,715

For me?

1723

01:15:53,757 —> 01:15:55,259

We all did.

1724

01:16:03,934 —> 01:16:06,853

Well, howdy-do, Sheriff?

1725

01:16:06,895 —> 01:16:08,480

We come bearing Buzzes.

1726

01:16:08,522 —> 01:16:10,691
Looks like 50 to me,
but I can only count to two.

1727
01:16:10,732 —> 01:16:11,692
[gasps]

1728
01:16:13,026 —> 01:16:15,404
Star Command. Star Command.
Star Command. Star Command.

1729
01:16:15,445 —> 01:16:17,489
Star Command.
Star Command. Star Command.

1730
01:16:18,031 —> 01:16:19,408
Star Command.

1731
01:16:19,449 —> 01:16:21,535
All right,
all right, calm down.

1732
01:16:21,577 —> 01:16:22,744

Give her some room, fellas.

1733

01:16:22,786 —> 01:16:24,788

-Uh, Buzz.

-Yes?

1734

01:16:24,830 —> 01:16:28,041

Hey, hey, she meant that

for me. Just me.

1735

01:16:28,083 —> 01:16:30,377

-We saw Bonnie give you away.

-You did?

1736

01:16:30,419 —> 01:16:31,878

It doesn't make any sense.

1737

01:16:31,920 —> 01:16:33,213

You're not useless, Sheriff!

1738

01:16:33,255 —> 01:16:35,299

-We love you!

-So much!

1739

01:16:35,340 —> 01:16:36,758

[Atlas sobbing]

1740

01:16:36,800 —> 01:16:38,468

[♪ melancholy music plays]

1741

01:16:43,181 —> 01:16:44,600

Look, I'm okay.

1742

01:16:45,225 —> 01:16:47,978

Bonnie's growing up.

1743

01:16:49,187 —> 01:16:54,276

And we don't get to decide

when and how that happens.

1744

01:16:55,485 —> 01:16:56,945

All that matters is

1745

01:16:56,987 —> 01:16:58,989

we were there

at the right time

1746

01:16:59,031 —> 01:17:00,741

to help her along.

1747

01:17:00,782 —> 01:17:01,825

[blusters]

1748

01:17:07,581 —> 01:17:09,708

And I gotta believe we were.

1749

01:17:10,834 —> 01:17:12,919

You make us proud to be toys,

Jessie.

1750

01:17:12,961 —> 01:17:14,546

-What are you doing? Stop!

-[groaning]

1751

01:17:14,588 —> 01:17:16,632

[clears throat]

Sorry, guys. Sorry.

1752

01:17:16,673 —> 01:17:18,300

[blusters]

1753

01:17:18,342 —> 01:17:20,719

Just wish she had at least

connected with Blaze.

1754

01:17:21,637 —> 01:17:23,263

Wait.

1755

01:17:23,305 —> 01:17:25,182

-Connect! They still can!

-[♪ upbeat music plays]

1756

01:17:25,223 —> 01:17:26,767

Lilypad can do that!

1757

01:17:26,808 —> 01:17:28,101

-Lilypad?

-Lilypad?

1758

01:17:29,853 —> 01:17:31,647

-[grunts]

-[beeps]

1759

01:17:36,526 —> 01:17:38,236

Okay, okay.

Guys, message coming through.

1760

01:17:38,278 —> 01:17:40,238

"Jessie, I'm so sorry.

1761

01:17:40,280 —> 01:17:42,324

Chose wrong friends.

Hurt Bonnie."

1762

01:17:42,366 —> 01:17:43,742

-Oh, no.

-Bonnie.

1763

01:17:43,784 —> 01:17:46,161

Smarty, send a reply.

"You can fix it."

1764

01:17:49,706 —> 01:17:51,500

-[beeps]

-[gasps]

1765

01:17:51,541 —> 01:17:54,211

"No, I can't.

Threw myself away."

1766

01:17:54,252 —> 01:17:56,004

-What?

-"On donation truck."

1767

01:17:56,046 —> 01:17:59,341

Jumpin' Jehoshaphat!

Now she throws herself away?

1768

01:17:59,383 —> 01:18:01,218

[groans]

We're goin' after her.

1769

01:18:01,259 —> 01:18:02,761

-What?

-But how?

1770

01:18:02,803 —> 01:18:05,931
Smarty, tell Lily to send
a photo of where she is.

1771
01:18:06,640 —> 01:18:08,058
Got it.

1772
01:18:08,100 —> 01:18:09,643
Snappy, zoom in
on that blurry road sign.

1773
01:18:09,685 —> 01:18:11,520
Look at you
with that tech talk, cowgirl.

1774
01:18:11,561 —> 01:18:12,896
Martin Avenue.

1775
01:18:12,938 —> 01:18:14,356
Atlas, can you get us
to that truck?

1776
01:18:14,398 —> 01:18:16,274

Already mapped it,

cowboy lady.

1777

01:18:16,316 —> 01:18:18,652

Tell Lily to keep sending

photos of where she is.

1778

01:18:18,694 —> 01:18:20,070

We're getting her back.

1779

01:18:20,112 —> 01:18:21,488

Yes, Sheriff.

1780

01:18:21,530 —> 01:18:23,115

Jessie, when you have

a moment,

1781

01:18:23,156 —> 01:18:24,741

there's something

you'd like to ask me...

1782

01:18:24,783 —> 01:18:26,535

-I'd like to ask you.

-Sure thing, Deputy.

1783

01:18:26,576 —> 01:18:28,578

-Now, a little help?

-Yes, Sheriff.

1784

01:18:29,746 —> 01:18:31,540

Yeehaw!

1785

01:18:31,581 —> 01:18:33,083

Let's ride.

1786

01:18:33,125 —> 01:18:34,418

[♪ triumphant music plays]

1787

01:18:34,459 —> 01:18:36,253

Whoa! Hey!

1788

01:18:38,797 —> 01:18:40,549

-Hey! Hey, wait for us!

-Hey! Wait for us!

1789

01:18:40,590 —> 01:18:41,633
[screams]

1790
01:18:41,675 —> 01:18:42,884
-[squeaking]
-[grunts]

1791
01:18:46,555 —> 01:18:47,681
[grunts]

1792
01:18:47,723 —> 01:18:48,849
[breathing heavily]

1793
01:18:49,641 —> 01:18:50,517
[beeps]

1794
01:18:54,354 —> 01:18:56,189
-[music continues]
-She's not far.

1795
01:18:56,231 —> 01:18:59,151
If we go south five blocks,
then east for two,

1796

01:18:59,192 —> 01:19:00,360

we might be able

to head 'em off

1797

01:19:00,402 —> 01:19:01,069

before they reach

the highway.

1798

01:19:01,111 —> 01:19:02,154

Car!

1799

01:19:02,195 —> 01:19:03,321

[music stops]

1800

01:19:05,490 —> 01:19:07,617

-Clear!

-[music resumes]

1801

01:19:07,659 —> 01:19:08,910

She just passed a gas station.

1802

01:19:08,952 —> 01:19:11,163

[laughs]

Passed gas. Sorry, had to.

1803

01:19:11,204 —> 01:19:12,789

We're close. Take a shortcut.

1804

01:19:12,831 —> 01:19:14,207

Down this next road

to the right.

1805

01:19:17,210 —> 01:19:18,378

-[squeaks]

-[grunts]

1806

01:19:19,379 —> 01:19:20,922

It's a house!

1807

01:19:20,964 —> 01:19:22,424

I don't get it.

There should be a road.

1808

01:19:22,466 —> 01:19:24,176

Probably was a road

five years ago. Old map.

1809

01:19:24,217 —> 01:19:26,344

-Recalculating.

-No time. We're going through.

1810

01:19:26,386 —> 01:19:27,971

-[Buzz] Wait, what?

-[Woody] Going through?

1811

01:19:28,597 —> 01:19:29,931

[music continues]

1812

01:19:36,730 —> 01:19:37,731

[Smarty] Down, boy, down!

1813

01:19:38,482 —> 01:19:39,733

[Woody screams]

1814

01:19:39,775 —> 01:19:41,443

-[screams]

-[Buzz] Whoa, whoa.

1815

01:19:41,485 —> 01:19:42,778

-[Woody grunts]

-[dog barks]

1816

01:19:43,820 —> 01:19:45,071

[barking]

1817

01:19:45,113 —> 01:19:46,490

-Yeehaw!

-[screams]

1818

01:19:46,531 —> 01:19:48,241

-[chicken squawks]

-[Jessie screams]

1819

01:19:48,283 —> 01:19:49,493

[squawking]

1820

01:19:49,534 —> 01:19:50,577

[music continues]

1821

01:19:50,619 —> 01:19:51,745

[coughs]

1822

01:19:52,788 —> 01:19:53,830

[chuckles]

1823

01:19:55,874 —> 01:19:56,958

[shutter clicks]

1824

01:19:57,000 —> 01:20:00,045

The truck. I see it up ahead.

1825

01:20:00,086 —> 01:20:01,546

-[beeping]

-[♪ dramatic music plays]

1826

01:20:01,588 —> 01:20:02,881

Follow me.

1827

01:20:02,923 —> 01:20:04,049

[Buzzes] Yes, Sheriff.

1828

01:20:10,847 —> 01:20:12,933

-[screams]

-[squeaks]

1829

01:20:12,974 —> 01:20:14,184

[Atlas] Whoo!

1830

01:20:14,226 —> 01:20:15,936

We have reached

our destination.

1831

01:20:15,977 —> 01:20:17,354

-Lily?

-Lily!

1832

01:20:17,395 —> 01:20:19,105

-Lily, where are ya?

-[Smarty] Lily!

1833

01:20:19,147 —> 01:20:20,690

-[Jessie] Lily?

-Lilypad, where you at?

1834

01:20:20,732 —> 01:20:21,983
Hey, Lily.

1835
01:20:22,025 —> 01:20:23,318
Yes, can I help you?

1836
01:20:24,820 —> 01:20:27,781
Lily. It's okay. We got ya.

1837
01:20:27,823 —> 01:20:29,282
You shouldn't have come,
Jessie.

1838
01:20:29,324 —> 01:20:31,159
Nuh-uh. No time
for pity parties, Lily.

1839
01:20:31,243 —> 01:20:33,411
Bonnie still needs you
to make a friend.

1840
01:20:33,453 —> 01:20:35,372
Me? But I...

1841

01:20:35,413 —> 01:20:38,750

I made a major miscalculation

with Kara, Chelsea and Heidi.

1842

01:20:38,792 —> 01:20:40,669

You were right.

Bonnie's different.

1843

01:20:40,710 —> 01:20:41,628

She deserves better.

1844

01:20:41,670 —> 01:20:43,421

Lily.

1845

01:20:43,463 —> 01:20:45,131

You didn't know those girls

were wrong for Bonnie.

1846

01:20:45,173 —> 01:20:47,092

No, I'm wrong for Bonnie.

1847

01:20:47,133 —> 01:20:49,761
-I'm the one who caused this.
-Well, then help me fix it.

1848
01:20:49,803 —> 01:20:52,013
I found Bonnie
the right friend.

1849
01:20:52,055 —> 01:20:53,390
-You did?
-Yep.

1850
01:20:53,431 —> 01:20:55,475
So, how about you and me
connect them?

1851
01:20:55,517 —> 01:20:57,394
Uh... Okay.

1852
01:20:57,435 —> 01:20:59,604
But first, we gotta get
everyone off this truck

1853

01:20:59,646 —> 01:21:00,730
and back home.

1854
01:21:00,772 —> 01:21:01,773
[screaming]

1855
01:21:01,815 —> 01:21:03,024
[music continues]

1856
01:21:03,859 —> 01:21:05,652
-[horn honks]
-[grunts]

1857
01:21:05,694 —> 01:21:08,321
Uh, we are moving way too fast
to get off now.

1858
01:21:08,363 —> 01:21:10,824
And we're going farther away
by the second.

1859
01:21:10,866 —> 01:21:12,826
There's gotta be

something we can do.

1860

01:21:12,868 —> 01:21:15,036

We've got all these

fancy Buzzes.

1861

01:21:15,078 —> 01:21:16,288

[gasps]

1862

01:21:17,747 —> 01:21:19,499

Excuse me.

Move, move. Out of the way.

1863

01:21:19,541 —> 01:21:20,834

Spaceman, turn around.

1864

01:21:29,009 —> 01:21:31,469

-Snap!

-[gasps] Yes, yes, yes, yes!

1865

01:21:31,511 —> 01:21:32,846

No way.

1866

01:21:32,888 —> 01:21:34,890

Oh, yeah. Way.

1867

01:21:34,931 —> 01:21:36,600

[♪ triumphant music plays]

1868

01:21:39,603 —> 01:21:40,812

Ready, Sheriff?

1869

01:21:40,854 —> 01:21:42,105

Punch it, Lily.

1870

01:21:43,189 —> 01:21:44,900

[electrical humming]

1871

01:21:48,612 —> 01:21:49,654

[radio beeps]

1872

01:21:49,696 —> 01:21:50,822

[whirring]

1873

01:21:56,536 —> 01:21:58,413

Whoa.

1874

01:21:58,455 —> 01:22:00,582

Fly. Be free!

1875

01:22:00,624 —> 01:22:01,666

Show-offs!

1876

01:22:09,341 —> 01:22:11,134

[laughs] Wow.

1877

01:22:11,176 —> 01:22:12,636

Whoo-hoo!

1878

01:22:13,178 —> 01:22:14,554

-Whoo!

-Whoo!

1879

01:22:15,138 —> 01:22:16,181

[laughs]

1880

01:22:16,222 —> 01:22:18,266
Now, this is flying.

1881
01:22:18,308 —> 01:22:19,476
With style!

1882
01:22:19,517 —> 01:22:22,228
Yeehaw!

1883
01:22:27,484 —> 01:22:29,194
So, we're clear on the plan?

1884
01:22:29,235 —> 01:22:31,112
Once you're at Bonnie's,
you send the message.

1885
01:22:31,154 —> 01:22:33,114
Blaze brings me and Bullseye
to the house,

1886
01:22:33,156 —> 01:22:35,492
and this time, they connect!

1887

01:22:35,533 —> 01:22:37,702

Jessie, wait. What if Bonnie

rejects you again?

1888

01:22:37,744 —> 01:22:40,413

If they become friends,

it's all worth it.

1889

01:22:40,455 —> 01:22:41,998

Yes, Sheriff.

1890

01:22:43,083 —> 01:22:46,086

Huh? Wait. Jessie, wait!

1891

01:22:46,127 —> 01:22:47,253

What?

1892

01:22:48,713 —> 01:22:49,923

What is it, Buzz?

1893

01:22:49,965 —> 01:22:51,675

Just listen to me.

1894

01:22:51,716 —> 01:22:53,176

I... I've been trying

to ask you this, and if...

1895

01:22:53,218 —> 01:22:55,637

if I don't do it now,

I never will.

1896

01:22:55,679 —> 01:22:58,139

-[♪ romantic music plays]

-Will you...

1897

01:22:58,181 —> 01:23:00,433

Buzz, you can do this.

1898

01:23:00,475 —> 01:23:01,851

Will... Will...

1899

01:23:04,896 —> 01:23:05,939

[gasps]

1900

01:23:07,941 —> 01:23:10,318

You're stuck with me, Deputy.

1901

01:23:15,991 —> 01:23:17,909

Cheer up, boys.

She'll be back.

1902

01:23:17,951 —> 01:23:19,828

We have a plan!

1903

01:23:19,869 —> 01:23:22,539

At ease, Ranger. At ease.

1904

01:23:22,580 —> 01:23:23,498

[music ends]

1905

01:23:29,212 —> 01:23:30,922

[♪ somber music plays]

1906

01:23:38,596 —> 01:23:40,098

[whirring]

1907

01:23:43,101 —> 01:23:44,602

Men, you know your mission.

1908

01:23:44,644 —> 01:23:45,645

Yes, Commander.

1909

01:23:46,521 —> 01:23:47,731

[♪ suspenseful music plays]

1910

01:23:50,233 —> 01:23:51,526

Woody! Buzz!

1911

01:23:51,568 —> 01:23:53,028

-What?

-[Rex] Lily!

1912

01:23:53,069 —> 01:23:54,529

-Oh, no, no, no.

-Foul device.

1913

01:23:54,571 —> 01:23:56,031

What's she doing here?

1914

01:23:56,072 —> 01:23:57,407

She's one of us, guys.

Deal with it.

1915

01:23:57,449 —> 01:23:58,992

Listen up, everyone.

1916

01:23:59,034 —> 01:24:00,702

Lily and Jessie

have a plan to help Bonnie.

1917

01:24:00,744 —> 01:24:02,537

Okay,

what do you need us to do?

1918

01:24:02,579 —> 01:24:03,705

Nothing.

1919

01:24:03,747 —> 01:24:05,373

-Nothing?

-That's easy.

1920

01:24:05,415 —> 01:24:07,083
Jessie already did
the hard work.

1921
01:24:07,125 —> 01:24:08,793
Classic Jessica.

1922
01:24:08,835 —> 01:24:11,379
All that's left for me
is to send a message.

1923
01:24:13,131 —> 01:24:14,257
[whirring]

1924
01:24:14,299 —> 01:24:16,092
[♪ happy music plays]

1925
01:24:26,019 —> 01:24:27,312
[grunts]

1926
01:24:29,355 —> 01:24:31,149
It's up to the girls now.

1927

01:24:31,983 —> 01:24:33,193

[yawns]

1928

01:24:33,985 —> 01:24:35,028

[music continues]

1929

01:24:39,699 —> 01:24:41,201

[gasps]

1930

01:24:44,954 —> 01:24:46,498

[giggles]

1931

01:24:51,920 —> 01:24:54,464

Hey, sweetie.

Look what I found in the car.

1932

01:24:54,506 —> 01:24:55,965

[gasps]

1933

01:24:56,007 —> 01:24:57,634

It's okay.

We turned off the chat.

1934

01:24:57,675 —> 01:24:59,344

[♪ somber music plays]

1935

01:25:06,601 —> 01:25:08,103

[doorbell rings]

1936

01:25:14,359 —> 01:25:16,736

Bonnie.

You have a friend at the door.

1937

01:25:16,778 —> 01:25:17,695

[gasps]

1938

01:25:18,738 —> 01:25:20,323

- Let's try to beat...

- Hi, Bonnie.

1939

01:25:20,365 —> 01:25:22,242

- ...our high score.

-I brought your dolls.

1940

01:25:23,952 —> 01:25:25,703
Bonnie, come say hi.

1941
01:25:25,745 —> 01:25:26,830
Okay.

1942
01:25:35,380 —> 01:25:36,464
Hi.

1943
01:25:37,257 —> 01:25:38,299
Hi.

1944
01:25:46,015 —> 01:25:47,934
I'm sorry.
I don't play with toys—

1945
01:25:47,976 —> 01:25:49,686
I played with her
a little yesterday.

1946
01:25:50,478 —> 01:25:52,021
I like it when she's like,

1947

01:25:52,063 —> 01:25:54,023

"I ain't afraid of nothin',

partner."

1948

01:25:57,944 —> 01:25:58,987

[chuckles]

1949

01:26:00,697 —> 01:26:02,782

That... That was weird.

1950

01:26:03,241 —> 01:26:04,826

Uh... I...

1951

01:26:05,451 —> 01:26:06,578

Sorry I bothered you.

1952

01:26:11,541 —> 01:26:13,209

-Oh, no. Don't go.

-No, no, no.

1953

01:26:13,251 —> 01:26:14,669

-She can't go. She can't go.

-No, no, no, no.

1954

01:26:16,546 —> 01:26:17,630

Blaze!

1955

01:26:31,144 —> 01:26:34,272

I like your boots.

1956

01:26:37,817 —> 01:26:40,111

I... I really like your socks.

1957

01:26:42,780 —> 01:26:45,617

Do you like my beard, madame?

1958

01:26:46,284 —> 01:26:48,953

Very impressive, m'lady.

1959

01:26:48,995 —> 01:26:51,664

Yes,

I'm one billion years old.

1960

01:26:51,706 —> 01:26:53,750

That's why it's so glorious.

1961

01:26:57,879 —> 01:26:59,547

[Bonnie and Blaze laughing]

1962

01:27:01,424 —> 01:27:02,717

Um...

1963

01:27:02,759 —> 01:27:04,385

Do you wanna play?

1964

01:27:04,886 —> 01:27:05,929

[gasps]

1965

01:27:06,763 —> 01:27:07,805

Okay.

1966

01:27:08,848 —> 01:27:10,225

-Walter, let's go.

-Okay. Okay.

1967

01:27:10,266 —> 01:27:12,101

-Do you actually have a horse?

-Yeah.

1968

01:27:12,143 —> 01:27:13,603

[Bonnie] Like, a real one?

1969

01:27:13,645 —> 01:27:15,230

[Blaze laughs] Yes! It's real.

1970

01:27:17,857 —> 01:27:20,401

[gasps] Hey, I have an idea.

1971

01:27:20,443 —> 01:27:21,861

[♪ ceremonial music plays]

1972

01:27:22,820 —> 01:27:24,322

[chattering]

1973

01:27:28,409 —> 01:27:29,452

-[door opens]

-[gasping]

1974

01:27:29,494 —> 01:27:30,870

[gasping, clamoring]

1975

01:27:30,912 —> 01:27:32,538

[Dolly] Look at that kilt.

1976

01:27:33,998 —> 01:27:35,250

[gasps]

1977

01:27:38,169 —> 01:27:40,296

[blusters, cries]

1978

01:27:41,714 —> 01:27:43,216

[sniffling]

1979

01:27:43,258 —> 01:27:45,802

Please, take care of my son.

1980

01:27:49,305 —> 01:27:50,723

[clears throat]

1981

01:27:50,765 —> 01:27:53,810

Friends,

we are gathered here today

1982

01:27:53,851 —> 01:27:57,105

to witness

the most wonderfulest union

1983

01:27:57,146 —> 01:27:58,523

of Sheriff Jessie

1984

01:27:58,564 —> 01:28:01,276

and Buzz-tholomew

MacLightyear.

1985

01:28:01,317 —> 01:28:03,027

-[creaks]

-[beeping]

1986

01:28:09,367 —> 01:28:11,119

Now, Sheriff,

1987

01:28:11,160 —> 01:28:14,497

please put this ring

onto Buzz's itty-bitty finger

1988

01:28:14,539 —> 01:28:16,374

and make your vows.

1989

01:28:17,834 —> 01:28:20,378

Buzz, will you take this ring

1990

01:28:20,420 —> 01:28:22,088

as my pinky promise

1991

01:28:22,130 —> 01:28:25,133

to have fun,

and play with you and stuff,

1992

01:28:25,174 —> 01:28:27,093

for all my days,

1993

01:28:27,135 —> 01:28:29,137

even the hard ones?

1994

01:28:29,178 —> 01:28:31,764

-I do—

-[Bonnie's mom] Bonnie...

1995

01:28:31,806 —> 01:28:33,308

have you seen my wedding ring?

1996

01:28:33,349 —> 01:28:34,434

-[gasps]

-[giggles]

1997

01:28:34,475 —> 01:28:35,601

-[giggles]

-[shushes] Uh...

1998

01:28:35,643 —> 01:28:37,645

Maybe check the bathroom?

1999

01:28:37,687 —> 01:28:38,980

Wait, wait, wait.

We need, like...

2000

01:28:39,022 —> 01:28:40,231

Flowers! From the garden.

2001

01:28:40,273 —> 01:28:42,317

-Good idea.

-Follow me.

2002

01:28:42,358 —> 01:28:44,485

And there's confetti

in the craft drawer.

2003

01:28:45,570 —> 01:28:47,030

Oh, congrats, you two.

2004

01:28:47,071 —> 01:28:48,448

Don't worry.

I took plenty of photos

2005

01:28:48,489 —> 01:28:49,907

for Smarty and the gang.

2006

01:28:49,949 —> 01:28:52,368

That's really sweet of you,

Lily.

2007

01:28:52,910 —> 01:28:53,953

[chuckles]

2008

01:28:53,995 —> 01:28:54,912

Mmm.

2009

01:28:55,580 —> 01:28:57,040

You done good, Sheriff.

2010

01:28:57,790 —> 01:28:59,625

You can call me Jessica.

2011

01:29:00,251 —> 01:29:01,878

Okay, I will. Jessica.

2012

01:29:02,587 —> 01:29:04,088

Actually, no. No.

2013

01:29:04,130 —> 01:29:05,173

Okay.

2014

01:29:05,214 —> 01:29:06,341

[beeping]

2015

01:29:06,382 —> 01:29:07,842

Hey, when you get a chance,

2016

01:29:07,884 —> 01:29:10,136

can you introduce me

to the ring bearer?

2017

01:29:10,178 —> 01:29:11,804

-Oh.

-Awooga.

2018

01:29:11,846 —> 01:29:12,930

Okay.

2019

01:29:12,972 —> 01:29:14,098

[gasps] They're coming.

2020

01:29:14,974 —> 01:29:16,392

I got it. That's awesome.

2021

01:29:16,434 —> 01:29:17,852

That's such a good idea.

2022

01:29:17,894 —> 01:29:19,687

The wedding is on.

2023

01:29:19,729 —> 01:29:20,772

Okay!

2024

01:29:20,813 —> 01:29:22,357

-[Bonnie] Buzz...

-Buzz,

2025

01:29:22,398 —> 01:29:25,234

do you take me as

your super cool, sheriff wife?

2026

01:29:25,276 —> 01:29:26,652

I do.

2027

01:29:26,694 —> 01:29:28,112

And do you take me as

your handsome,

2028

01:29:28,154 —> 01:29:30,406

Space Ranger husband?

2029

01:29:30,907 —> 01:29:32,492

-Oh.

-[gasps]

2030

01:29:33,201 —> 01:29:34,452

I do.

2031

01:29:35,161 —> 01:29:37,246

Then I now pronounce you—

2032

01:29:37,288 —> 01:29:39,165

I object!

2033

01:29:39,207 —> 01:29:40,124

Oh, no.

2034

01:29:40,917 —> 01:29:42,960

Buzz is already married...

2035

01:29:43,044 —> 01:29:44,087

to me!

2036

01:29:44,128 —> 01:29:45,463

[♪ dramatic music plays]

2037

01:29:45,505 —> 01:29:46,339

[gasping]

2038

01:29:47,757 —> 01:29:51,135

This is the third time

this has happened to me!

2039

01:29:51,177 —> 01:29:52,595

How could you?

2040

01:29:52,637 —> 01:29:54,055
