

Dialogues from Obi-Wan Kenobi to improve the vocabulary in English

EP1: Part I

1

00:00:12,291 --> 00:00:15,916

You refer to the prophecy of the
one who will bring balance to the Force.

2

00:00:17,416 --> 00:00:19,166

You believe it's this boy?

3

00:00:23,375 --> 00:00:26,625

Anakin Skywalker, meet Obi-Wan Kenobi.

4

00:00:28,416 --> 00:00:31,250

<i>Clouded this boy's future is.</i>

5

00:00:33,000 --> 00:00:36,375

The boy is dangerous.

They all sense it. Why can't you?

6

00:00:37,000 --> 00:00:39,583

An apprentice you have, Qui-Gon.

7

00:00:39,666 --> 00:00:41,875

Impossible to take on a second.

8

00:00:41,958 --> 00:00:44,416

- Obi-Wan is ready.

- I am ready to face the trials.

9

00:00:50,250 --> 00:00:52,000

<i>You've been a good apprentice,
Obi-Wan.</i>

10

00:00:54,458 --> 00:00:56,166

No!

11

00:00:57,166 --> 00:00:59,291

<i>I foresee you will become
a great Jedi Knight.</i>

12

00:00:59,375 --> 00:01:00,833

Obi-Wan.

13

00:01:00,916 --> 00:01:02,916

Promise me you will train the boy.

14

00:01:03,500 --> 00:01:04,500

Yes, Master.

15

00:01:04,583 --> 00:01:08,000

He will bring balance.

16

00:01:08,416 --> 00:01:11,541

Master Yoda, I gave Qui-Gon my word.

17

00:01:12,208 --> 00:01:15,000

<i>Your apprentice Skywalker will be.</i>

18

00:01:19,541 --> 00:01:20,541

What took you so long?

19

00:01:23,583 --> 00:01:25,250

<i>Obi-Wan is a great mentor.</i>

20

00:01:26,208 --> 00:01:27,500

<i>As wise as Master Yoda</i>

21

00:01:28,958 --> 00:01:30,875

<i>and as powerful as Master Windu.</i>

22

00:01:31,500 --> 00:01:33,791

You are the most gifted Jedi

I have ever met.

23

00:01:35,458 --> 00:01:38,333

<i>I see you becoming
the greatest of all the Jedi.</i>

24

00:01:39,666 --> 00:01:40,708

<i>I feel lost.</i>

25

00:01:41,833 --> 00:01:44,708

Lost? What do you mean?

26

00:01:44,791 --> 00:01:47,416

<i>I'm not the Jedi I should be.

I want more.</i>

27

00:01:48,083 --> 00:01:49,083

And I know I shouldn't.

28

00:01:50,041 --> 00:01:51,791

<i>How do you know the ways of the Force?</i>

29

00:01:52,875 --> 00:01:55,541

My mentor taught me everything
about the Force.

30

00:01:56,583 --> 00:01:59,291

Even the nature of the dark side

31

00:02:00,916 --> 00:02:02,500

Only through me

32

00:02:02,583 --> 00:02:06,208

can you achieve a power
greater than any Jedi.

33

00:02:06,416 --> 00:02:08,125

I can't.

34

00:02:08,583 --> 00:02:09,708

Don't give up, Padmé.

35

00:02:11,166 --> 00:02:13,333

<i>The power to save Padmé.</i>

36

00:02:14,083 --> 00:02:16,166

I found a way to save you.

37

00:02:16,250 --> 00:02:21,250

<i>Twisted by the dark side
young Skywalker has become.</i>

38

00:02:22,875 --> 00:02:25,708

The boy you trained, gone he is.

39

00:02:25,791 --> 00:02:27,250

I will not kill Anakin.

40

00:02:29,791 --> 00:02:31,958

This is the end for you, my master.

41

00:02:32,583 --> 00:02:33,958

I have failed you, Anakin.

42

00:02:34,916 --> 00:02:35,916

I have failed you.

43

00:02:37,708 --> 00:02:40,708

It's over, Anakin. I have the high ground.

44

00:02:40,791 --> 00:02:43,458

You underestimate my power.

45

00:02:46,458 --> 00:02:48,208

You were the Chosen One!

46

00:02:48,291 --> 00:02:51,166

It was said that you would
destroy the Sith, not join them!

47

00:02:54,125 --> 00:02:55,666

He's still alive.

48

00:03:01,041 --> 00:03:02,833

<i>You were my brother, Anakin.</i>

49

00:03:05,166 --> 00:03:09,958

<i>You shall be known

as Darth Vader.</i>

50

00:03:11,166 --> 00:03:12,250

Obi-Wan?

51

00:03:13,041 --> 00:03:14,833

There's good in him.

52

00:03:16,958 --> 00:03:18,041

<i>Rise.</i>

53

00:03:20,916 --> 00:03:24,500

<i>Hidden,

safe the children must be kept.</i>

54

00:03:27,250 --> 00:03:28,583

<i>We must take them somewhere</i>

55

00:03:28,666 --> 00:03:30,708

*<i>where the Sith
will not sense their presence.</i>*

56

00:03:32,041 --> 00:03:33,791

My wife and I will take the girl.

57

00:03:34,500 --> 00:03:36,916

*<i>We've always talked
of adopting a baby girl.</i>*

58

00:03:37,708 --> 00:03:38,708

<i>Leia.</i>

59

00:03:38,791 --> 00:03:39,791

And what of the boy?

60

00:03:40,208 --> 00:03:41,208

<i>Luke.</i>

61

00:03:41,375 --> 00:03:44,000

To Tatooine. To his family send him.

62

00:03:44,083 --> 00:03:46,041

I will take the child and watch over him.

63

00:03:48,083 --> 00:03:49,333

<i>In your solitude...</i>

64

00:03:50,041 --> 00:03:51,875

<i>training I have for you.</i>

65

00:03:51,958 --> 00:03:53,916

<i>Your old master.</i>

66

00:03:54,458 --> 00:03:57,541

<i>How to commune with him I will teach you.</i>

67

00:04:54,375 --> 00:04:55,875

This way! Quick!

68

00:05:01,083 --> 00:05:02,083

Come on! Let's go!

69

00:05:02,166 --> 00:05:04,416

- Let's go!

- This way!

70

00:05:07,083 --> 00:05:08,083

Come on! Let's go!

71

00:05:08,166 --> 00:05:10,500

- This way.

- Hurry!

72

00:05:12,208 --> 00:05:13,666

Watch out!

73

00:05:17,000 --> 00:05:18,750

Come on! Move! Quick!

74

00:05:23,291 --> 00:05:26,000

- Go. Come on! Go. Go! Go!

- Run! This way! Hurry!

75

00:05:36,208 --> 00:05:37,375

No!

76

00:05:41,750 --> 00:05:42,750

What do we do now?

77

00:05:43,625 --> 00:05:44,625

We run.

78

00:05:47,875 --> 00:05:50,875

<i>Execute Order 66.</i>

79

00:05:51,750 --> 00:05:54,916

<i>Execute Order 66.</i>

80

00:05:55,958 --> 00:05:59,375

<i>Execute Order 66.</i>

81

00:08:31,583 --> 00:08:34,250

You know who we are.

82

00:08:34,916 --> 00:08:35,916

Inquisitors.

83

00:08:36,000 --> 00:08:37,958

You know what we do?

84

00:08:38,041 --> 00:08:39,291

You hunt Jedi.

85

00:08:39,375 --> 00:08:44,541

In actuality, I would say
the Jedi hunt themselves.

86

00:08:49,541 --> 00:08:53,458

Do you know the key
to hunting a Jedi, friend?

87

00:08:54,750 --> 00:08:56,583

It is patience.

88

00:08:59,583 --> 00:09:02,083

Jedi cannot help what they are.

89

00:09:03,708 --> 00:09:06,291

Their compassion leaves a trail.

90

00:09:07,166 --> 00:09:13,250

For example,
in our line of work, rumors run rampant.

91

00:09:14,000 --> 00:09:16,000

Here's one I heard just recently.

92

00:09:16,083 --> 00:09:21,416

It involves a Jedi hiding right here
in your lovely saloon.

93

00:09:23,208 --> 00:09:26,166

Let's say ours is a wanderer.

94

00:09:27,458 --> 00:09:29,666

Maybe he's looking for people like him.

95

00:09:30,833 --> 00:09:33,583

Comes across this establishment.

96

00:09:33,666 --> 00:09:34,750

Nice place.

97

00:09:36,250 --> 00:09:39,833

And then he sees you.

98

00:09:41,750 --> 00:09:42,916

A man in need.

99

00:09:45,500 --> 00:09:47,750

Perhaps the locals are stealing from you.

100

00:09:49,166 --> 00:09:50,458

Threatening you.

101

00:09:51,041 --> 00:09:53,791

So what is the Jedi to do?

102

00:09:56,708 --> 00:10:00,166

Help you and risk exposure?

103

00:10:02,250 --> 00:10:03,333

Or move on?

104

00:10:04,541 --> 00:10:09,833

Now, if he were smart, he'd keep moving,
but the Jedi Code is like an itch.

105

00:10:09,916 --> 00:10:11,750

He cannot help it.

106

00:10:11,833 --> 00:10:15,208

So he steps in and saves your saloon.

107

00:10:15,291 --> 00:10:17,833

You offer him a place to hide.

108

00:10:17,916 --> 00:10:20,291

Fresh water, shade from the suns,

109

00:10:20,375 --> 00:10:24,541

but the stories, they begin
and they travel quickly.

110

00:10:24,625 --> 00:10:27,666

His compassion has been his undoing.

111

00:10:34,375 --> 00:10:35,458

There.

112

00:10:42,916 --> 00:10:44,416

Prepare him for interrogation.

113

00:10:44,500 --> 00:10:46,958

You're wasting your time.

You know that, right?

114

00:10:47,833 --> 00:10:48,958

You'll never find us all.

115

00:11:03,500 --> 00:11:05,166

You are reckless.

116

00:11:06,458 --> 00:11:07,625

Why chase after scraps?

117

00:11:07,708 --> 00:11:10,041

Scraps are all we have left.

118

00:11:10,125 --> 00:11:11,750

Then we should be hunting bigger prey.

119

00:11:11,833 --> 00:11:14,958

He is not yours to find.

We are past this, Third Sister.

120

00:11:15,041 --> 00:11:16,916

I will not warn you again.

121

00:11:17,000 --> 00:11:21,458

You will forget this fixation with Kenobi,
or I will relieve you of your duties.

122

00:11:21,541 --> 00:11:22,625

Is that clear?

123

00:11:24,875 --> 00:11:27,083

Yes, Grand Inquisitor.

124

00:11:32,916 --> 00:11:34,541

Consider him forgotten.

125

00:13:11,833 --> 00:13:13,083

It's only half.

126

00:13:15,958 --> 00:13:16,958

Please, I have a family.

127

00:13:19,125 --> 00:13:20,833

One more word, I take it all.

128

00:13:23,500 --> 00:13:24,500

Keep moving.

129

00:13:31,125 --> 00:13:32,458

Something you want to say?

130

00:16:14,875 --> 00:16:16,208

You're late.

131

00:16:18,250 --> 00:16:19,416

Do you have it?

132

00:16:28,916 --> 00:16:30,333

I'll give you...

133

00:16:31,250 --> 00:16:32,458

I'll give you 50.

134

00:16:41,000 --> 00:16:43,833

Yes, I had some parts stolen.

I need a new processor board.

135

00:16:50,125 --> 00:16:53,458

Teeka, if you're gonna steal my parts
and then sell them back to me,

136

00:16:53,541 --> 00:16:56,416

could you at least clean them first

as a courtesy?

137

00:17:20,375 --> 00:17:21,375

A Jedi?

138

00:17:30,875 --> 00:17:32,541

Well, don't count on it.

139

00:17:33,541 --> 00:17:35,916

I've heard the Jedi are all but extinct.

140

00:17:38,083 --> 00:17:39,166

Here.

141

00:17:44,541 --> 00:17:46,166

Well, thank you, Teeka. Goodbye.

142

00:18:01,041 --> 00:18:02,375

I know there's...

143

00:18:05,208 --> 00:18:06,583

You were my brother, Anakin!

144

00:18:09,541 --> 00:18:11,583

Promise me you will train the boy.

145

00:18:13,125 --> 00:18:14,166

<i>Obi-Wan...</i>

146

00:18:14,916 --> 00:18:17,333

<i>Only pain will you find.</i>

147

00:18:18,041 --> 00:18:20,208

<i>There's good in him.

I know there's...</i>

148

00:18:21,083 --> 00:18:22,375

<i>You were the Chosen One!</i>

149

00:18:24,458 --> 00:18:25,625

I hate you!

150

00:18:47,416 --> 00:18:48,500

Master Qui-Gon.

151

00:18:52,708 --> 00:18:53,791

Master?

152

00:19:46,833 --> 00:19:49,500

Grab two of those canisters.

153

00:20:02,708 --> 00:20:03,791

Luke?

154

00:20:08,750 --> 00:20:09,833

Luke!

155

00:20:10,666 --> 00:20:11,666

Luke!

156

00:20:11,750 --> 00:20:13,583

Did he go back inside?

157

00:20:13,666 --> 00:20:14,750

He's run off.

158

00:20:16,791 --> 00:20:17,875

Luke?

159

00:20:23,708 --> 00:20:24,791

Luke?

160

00:20:29,750 --> 00:20:30,833

Luke?

161

00:21:40,166 --> 00:21:41,250

Master.

162

00:21:42,666 --> 00:21:44,916

I thought I saw you in the town,
but I wasn't sure.

163

00:21:45,000 --> 00:21:46,541

I didn't think you'd survived.

164

00:21:46,625 --> 00:21:48,625

You're making some kind of mistake.

165

00:21:48,708 --> 00:21:50,250

I'm sorry, my name is Nari.

166

00:21:51,166 --> 00:21:52,208

Um, there's no mistake.

167

00:21:53,833 --> 00:21:55,541

You're looking for somebody else.

168

00:21:56,791 --> 00:21:58,208

What are you doing here, Obi-Wan?

169

00:21:58,291 --> 00:21:59,416

My name is Ben.

170

00:22:00,250 --> 00:22:01,333

Come on, please.

171

00:22:01,833 --> 00:22:02,916

Please.

172

00:22:04,500 --> 00:22:06,333

You have no idea what I've been through.

173

00:22:20,000 --> 00:22:21,166

You must leave.

174

00:22:22,083 --> 00:22:23,375

You'll draw too much attention.

175

00:22:23,458 --> 00:22:24,750

But I have nowhere to go.

176

00:22:24,833 --> 00:22:27,208

They're hunting me. You have to help me.

177

00:22:28,750 --> 00:22:29,833

You want my help?

178

00:22:30,291 --> 00:22:31,375

Take this.

179

00:22:31,875 --> 00:22:34,708

Walk into the middle of the desert
and bury it in the ground.

180

00:22:37,416 --> 00:22:38,416

Stay hidden.

181

00:22:40,208 --> 00:22:41,208

Live a normal life.

182

00:22:41,291 --> 00:22:44,125

What about the people that need us?

What about the fight?

183

00:22:45,458 --> 00:22:46,625

The fight is done.

184

00:22:47,500 --> 00:22:48,583

We lost.

185

00:22:51,041 --> 00:22:52,125

What happened to you?

186

00:22:54,166 --> 00:22:55,666

You were once a great Jedi.

187

00:22:58,750 --> 00:23:00,833

The time of the Jedi is over.

188

00:23:06,291 --> 00:23:07,583

Go back to the town.

189

00:23:08,791 --> 00:23:09,875

Let it go.

190

00:23:55,208 --> 00:23:56,666

We're going to be late.

191

00:23:56,750 --> 00:23:58,625

Come on, let's hurry it along.

192

00:23:58,708 --> 00:23:59,708

How is she doing?

193

00:23:59,791 --> 00:24:00,791

She's ready?

194

00:24:01,375 --> 00:24:02,458

Great.

195

00:24:03,083 --> 00:24:04,333

Thank you.

196

00:24:04,416 --> 00:24:06,875

Remember,

my sister's whole family is coming.

197

00:24:07,375 --> 00:24:08,666

We need their support.

198

00:24:08,750 --> 00:24:10,333

So try not to make anyone cry.

199

00:24:10,416 --> 00:24:12,875

There will be sweetmallows
at the reception after.

200

00:24:13,583 --> 00:24:16,000

If you behave, I will let you...

201

00:24:21,875 --> 00:24:24,666

She insisted

you would find it amusing, Your Highness.

202

00:24:29,750 --> 00:24:32,000

She's either in the cellar,

in the kitchen...

203

00:24:32,833 --> 00:24:34,541

...or in the woods.

204

00:25:15,541 --> 00:25:16,958

Medical freighter.

205

00:25:18,458 --> 00:25:20,333

Pleasure barge, boring.

206

00:25:22,083 --> 00:25:24,083

Casino ship? Not bad.

207

00:25:26,416 --> 00:25:28,416

Ooh. A Tri-wing. That's a new one.

208

00:25:29,791 --> 00:25:31,625

Ooh. An Aquillian Ranger.

209

00:25:31,708 --> 00:25:35,083

Probably scouting for Merson pirates.

210

00:25:36,750 --> 00:25:38,750

No? Trader, maybe?

211

00:25:38,833 --> 00:25:40,000

Leia Organa!

212

00:25:41,875 --> 00:25:43,625

You had to do this today?

213

00:25:43,708 --> 00:25:44,708

Do what?

214

00:25:44,791 --> 00:25:45,875

Down.

215

00:25:50,875 --> 00:25:52,791

It is like raising a Glor-ag.

216

00:25:58,708 --> 00:26:00,041

No Lola for the rest of the day.

217

00:26:00,125 --> 00:26:02,166

But she didn't do anything.

218

00:26:02,250 --> 00:26:03,250

Shut her down.

219

00:26:04,791 --> 00:26:05,875

I mean it.

220

00:26:12,500 --> 00:26:15,458

If you behaved as well as you climb,

221

00:26:16,000 --> 00:26:17,625

you'd be a senator already.

222

00:26:19,666 --> 00:26:22,125

You'll have to change
in the speeder. Come.

223

00:26:22,208 --> 00:26:25,625

It's not like anyone would miss me
if I wasn't there.

224

00:26:25,708 --> 00:26:26,791

I'd miss you.

225

00:26:26,875 --> 00:26:28,625

All I ever do is wave.

226

00:26:28,708 --> 00:26:30,291

Then do more than wave.

227

00:26:30,375 --> 00:26:32,500

You get out of this what you put into it.

228

00:26:34,250 --> 00:26:35,416

I'm sorry, Mother.

229

00:26:36,083 --> 00:26:37,416

I really am.

230

00:26:38,000 --> 00:26:40,291

I promise I won't do it again.

231

00:26:46,208 --> 00:26:48,958

You know, I can feel you doing that.

232

00:26:49,666 --> 00:26:50,666

Come on.

233

00:26:50,750 --> 00:26:52,666

It's like living in a prison.

234

00:26:52,750 --> 00:26:53,833

A prison?

235

00:27:52,291 --> 00:27:53,958

I want you to stay away from him.

236

00:27:55,250 --> 00:27:57,041

We don't need anything from you, Ben.

237

00:27:57,125 --> 00:27:58,708

It's just a toy.

238

00:27:58,791 --> 00:28:00,333

It's a lot more than that.

239

00:28:00,416 --> 00:28:03,208

There's more to life than your farm, Owen.

240

00:28:03,291 --> 00:28:06,208

He needs to see that.

There's a whole galaxy out there.

241

00:28:06,291 --> 00:28:09,583

I'm asking you to leave us alone, Ben.

242

00:28:09,666 --> 00:28:10,666

I mean it.

243

00:28:11,166 --> 00:28:12,166

Is he okay?

244

00:28:13,500 --> 00:28:15,375

You don't care if he's okay.

245

00:28:16,666 --> 00:28:18,000

You care if he's showing.

246

00:28:18,083 --> 00:28:19,791

He's my responsibility, Owen.

247

00:28:19,875 --> 00:28:21,541

- I'm his uncle.

- We talked about this.

248

00:28:21,625 --> 00:28:24,041

When the time comes, he must be trained.

249

00:28:24,125 --> 00:28:25,500

Like you trained his father?

250

00:28:27,083 --> 00:28:29,166

Anakin is dead, Ben,

251

00:28:30,750 --> 00:28:33,166

and I won't let you

make the same mistake twice.

252

00:28:34,500 --> 00:28:38,166

So, leave him on the farm with his family,

where he belongs.

253

00:28:40,791 --> 00:28:42,791

Move. Now.

254

00:28:43,250 --> 00:28:45,166

Get back.

255

00:28:46,333 --> 00:28:47,416

All of you.

256

00:28:48,958 --> 00:28:50,041

Out of the way.

257

00:28:53,625 --> 00:28:54,791

Back up.

258

00:29:00,458 --> 00:29:02,291

You know why we are here.

259

00:29:04,125 --> 00:29:08,291

There is a Jedi hiding on this planet.

260

00:29:08,375 --> 00:29:10,916

We need to know where he is.

261

00:29:12,291 --> 00:29:13,750

You will be rewarded well.

262

00:29:13,833 --> 00:29:14,875

Or you'll be punished!

263

00:29:14,958 --> 00:29:16,000

Reva!

264

00:29:16,083 --> 00:29:17,625

Hands go first!

265

00:29:19,916 --> 00:29:22,583

That way, when you reach for anything,

266

00:29:25,208 --> 00:29:26,291

you think of us.

267

00:29:31,791 --> 00:29:33,375

This is the Outer Rim.

268

00:29:34,625 --> 00:29:36,208

You have no rights here.

269

00:29:36,750 --> 00:29:38,541

We're not under the Empire's...

270

00:29:41,375 --> 00:29:43,416

All we want is information.

271

00:29:44,166 --> 00:29:49,916

If anyone knows anything about a Jedi...

272

00:29:55,375 --> 00:29:56,541

You know something?

273

00:30:04,375 --> 00:30:05,458

What's your name?

274

00:30:06,708 --> 00:30:07,833

Owen.

275

00:30:08,791 --> 00:30:09,875

Owen.

276

00:30:10,291 --> 00:30:11,625

Farmer, right?

277

00:30:13,041 --> 00:30:14,041

Wife?

278

00:30:14,125 --> 00:30:15,125

Kids?

279

00:30:16,541 --> 00:30:17,958

My family's of no concern to you.

280

00:30:18,041 --> 00:30:19,333

They might be.

281

00:30:19,416 --> 00:30:22,041

- You got a Jedi on that farm, too?

- No.

282

00:30:22,125 --> 00:30:23,375

Why should I believe you?

283

00:30:23,458 --> 00:30:25,250

I have no love for the Jedi.

284

00:30:26,375 --> 00:30:27,458

Jedi are vermin.

285

00:30:28,625 --> 00:30:30,333

I kill vermin on my farm.

286

00:30:31,333 --> 00:30:32,833

You protect your family.

287

00:30:35,541 --> 00:30:36,791

I like that, Owen.

288

00:30:39,625 --> 00:30:40,625

It's important.

289

00:30:47,916 --> 00:30:50,000

You think you could protect them from me?

290

00:30:53,958 --> 00:30:59,375

Tell me where the Jedi is,
or this man and his family die!

291

00:31:02,375 --> 00:31:03,875

The Jedi are cowards.

292

00:31:05,958 --> 00:31:07,791

They failed you,

293

00:31:07,875 --> 00:31:10,625

abandoned you.

294

00:31:11,250 --> 00:31:13,916

There is no point in protecting them.

295

00:31:14,000 --> 00:31:16,041

They would not do the same for you.

296

00:31:20,625 --> 00:31:22,166

But you can save this man.

297

00:31:28,666 --> 00:31:30,291

Save his family.

298

00:31:36,583 --> 00:31:37,708

Enough!

299

00:31:39,458 --> 00:31:41,291

If you remember anything,

300

00:31:41,833 --> 00:31:43,416

rewards will be given.

301

00:31:45,916 --> 00:31:47,916

Stand down, Third Sister.

302

00:31:50,166 --> 00:31:51,250

Now!

303

00:31:53,708 --> 00:31:55,125

Next time, Owen.

304

00:32:01,541 --> 00:32:03,125

Ah! Move.

305

00:32:12,208 --> 00:32:15,166

You are too impulsive.

306

00:32:15,750 --> 00:32:17,250

I'm sick of wasting time!

307

00:32:18,000 --> 00:32:19,666

This place is beneath us!

308

00:32:20,250 --> 00:32:22,000

The Grand Inquisitor was right.

309

00:32:23,541 --> 00:32:25,083

You still want Kenobi.

310

00:32:26,958 --> 00:32:30,083

But he's gone, and you won't find him.

311

00:32:30,875 --> 00:32:33,458

We spent the last ten years
looking for him.

312

00:32:35,125 --> 00:32:37,458

Maybe you've been looking
in the wrong places.

313

00:32:38,333 --> 00:32:41,750

What is it you think you will gain
by capturing him?

314

00:32:43,125 --> 00:32:44,333

What I'm owed.

315

00:32:49,666 --> 00:32:51,583

Be careful, Third Sister.

316

00:32:51,666 --> 00:32:53,416

You go too far.

317

00:32:55,291 --> 00:32:57,041

Maybe you don't go far enough.

318

00:33:08,083 --> 00:33:09,125

Thank you, Owen.

319

00:33:15,416 --> 00:33:16,875

I didn't do it for you.

320

00:33:54,166 --> 00:33:56,000

Right on time as always.

321

00:33:56,083 --> 00:33:57,416

Anything good today?

322

00:33:57,500 --> 00:33:59,958

A trade ship and an Aquillian Ranger.

323

00:34:00,041 --> 00:34:01,791

Probably scouring for pirates.

324

00:34:01,875 --> 00:34:03,416

That's what I said.

325

00:34:03,500 --> 00:34:05,375

- Don't encourage her.

- All right.

326

00:34:08,666 --> 00:34:09,875

Come now.

327

00:34:09,958 --> 00:34:11,583

Let's get this over with.

328

00:34:16,875 --> 00:34:18,041

- Breha.

- Sister.

329

00:34:18,125 --> 00:34:19,375

- Greetings.

- Hi, cousin.

330

00:34:24,333 --> 00:34:25,375

Princess.

331

00:34:25,458 --> 00:34:27,791

Oh, there they are.

332

00:34:27,875 --> 00:34:29,041

Princess.

333

00:34:30,083 --> 00:34:31,416

Hi, Princess.

334

00:34:43,708 --> 00:34:45,041

Profits have been good.

335

00:34:45,916 --> 00:34:50,958

After the disaster of the Republic,
the Empire is finally lining some pockets.

336

00:34:51,041 --> 00:34:53,750

There are still some issues
that we need to address.

337

00:34:54,333 --> 00:34:56,791

Slave labor, taxation of the Outer Rim...

338

00:34:56,875 --> 00:34:59,375

I didn't come here to end slavery, Bail.

339

00:35:00,041 --> 00:35:01,750

I came to eat your food.

340

00:35:02,541 --> 00:35:04,208

Save the bleeding heart for the Senate.

341

00:35:04,916 --> 00:35:06,833

A drink, Senator?

342

00:35:08,416 --> 00:35:10,125

Ah. Thank you.

343

00:35:14,000 --> 00:35:15,083

Your Highness.

344

00:35:15,375 --> 00:35:16,791

Oh. Thanks, Y-O.

345

00:35:16,875 --> 00:35:17,958

My pleasure.

346

00:35:19,125 --> 00:35:20,333

You thank your droids?

347

00:35:20,958 --> 00:35:22,458

It's good manners.

348

00:35:22,541 --> 00:35:25,458

You don't need manners
when you're talking to a lower life form.

349

00:35:25,541 --> 00:35:28,708

Then I guess I don't need manners
when I'm talking to you.

350

00:35:31,000 --> 00:35:33,583

You know the difference
between you and me, cousin?

351

00:35:34,291 --> 00:35:35,291

I know things.

352

00:35:35,875 --> 00:35:38,458

My father says
they never let you leave this planet.

353

00:35:39,666 --> 00:35:43,250

They don't want anybody to know about you
because you're not one of us.

354

00:35:44,291 --> 00:35:45,791

You're not even a real Organa.

355

00:35:50,500 --> 00:35:51,916

You're scared of him.

356

00:35:53,125 --> 00:35:56,666

Your father. You want him to like you,
so you repeat what he says

357

00:35:56,750 --> 00:35:59,166

even though you don't really know
what it means.

358

00:36:00,041 --> 00:36:02,833

You think being like him
will make people frightened of you,

359

00:36:02,916 --> 00:36:05,583

but really, you're the one who's scared.

360

00:36:05,666 --> 00:36:08,416

You've never made one decision
for yourself in your entire life,

361

00:36:08,500 --> 00:36:10,208

and you never will.

362

00:36:11,041 --> 00:36:13,833

I may not have seen much, cousin,

363

00:36:15,000 --> 00:36:16,250

but I can see that.

364

00:36:22,750 --> 00:36:24,666

He was being horrible to everyone.

365

00:36:24,750 --> 00:36:25,875

He's your cousin.

366

00:36:25,958 --> 00:36:27,458

He's rude to droids.

367

00:36:27,541 --> 00:36:29,791

You have to rise above, Leia.

368

00:36:32,541 --> 00:36:33,875

You owe him an apology.

369

00:36:34,333 --> 00:36:37,291

I'd rather be digested by a jakobeast.

370

00:36:49,125 --> 00:36:53,541

I wanted to live out way past Kathou
when I was your age.

371

00:36:54,500 --> 00:36:57,333

Chase purrgil, you know?

372

00:36:57,416 --> 00:36:58,916

I had a whole plan.

373

00:37:00,708 --> 00:37:01,708

What happened?

374

00:37:02,458 --> 00:37:03,541

I got older.

375

00:37:04,416 --> 00:37:06,458

Had to find some other adventures.

376

00:37:07,458 --> 00:37:09,208

Started chasing your mother instead.

377

00:37:12,000 --> 00:37:13,666

This is your future, Leia.

378

00:37:14,458 --> 00:37:17,458

In a few years, you'll be
off to university, then Junior Senate.

379

00:37:17,541 --> 00:37:18,541

The Senate's boring.

380

00:37:18,625 --> 00:37:21,041

It's people in itchy clothes arguing.

381

00:37:21,125 --> 00:37:24,041

Well, it may seem so...

382

00:37:24,125 --> 00:37:25,375

I don't want to be a senator.

383

00:37:25,916 --> 00:37:28,583

It is why

you'll probably be one of the best.

384

00:37:29,791 --> 00:37:31,750

I'm not even a real Organa.

385

00:37:32,666 --> 00:37:33,666

What?

386

00:37:38,416 --> 00:37:39,416

Don't ever say that.

387

00:37:41,541 --> 00:37:42,708

You are our child.

388

00:37:44,125 --> 00:37:48,250

You are an Organa in every way.

389

00:37:50,375 --> 00:37:52,666

One day, this planet
will look to you, Leia.

390

00:37:54,916 --> 00:37:56,416

There are many ways to lead.

391

00:37:56,500 --> 00:37:58,750

You just have to find yours.

392

00:37:58,833 --> 00:38:01,500

Plus, imagine the look
on your cousin's face

393

00:38:01,583 --> 00:38:03,666

when you get to boss him around for real.

394

00:38:07,708 --> 00:38:08,791

But for now,

395

00:38:10,666 --> 00:38:11,750

we will...

396

00:38:13,541 --> 00:38:14,708

apologize.

397

00:38:15,666 --> 00:38:16,666

Yes, Father.

398

00:38:16,750 --> 00:38:17,750

Hmm.

399

00:38:22,666 --> 00:38:24,166

I'll wait for you downstairs.

400

00:38:40,583 --> 00:38:41,666

Thank you.

401

00:38:42,250 --> 00:38:43,333

She's gone.

402

00:38:43,541 --> 00:38:45,750

I thought you said
you've really got through to her.

403

00:38:46,250 --> 00:38:47,416

You know what she's like.

404

00:38:47,500 --> 00:38:48,916

I know who she's like.

405

00:38:49,666 --> 00:38:50,833

Send a unit.

406

00:38:50,916 --> 00:38:51,916

She can't be far.

407

00:38:59,333 --> 00:39:00,958

Hello, Princess.

408

00:39:03,166 --> 00:39:04,333

Why are you here?

409

00:39:05,375 --> 00:39:06,458

Just waiting.

410

00:39:06,916 --> 00:39:08,250

For what?

411

00:39:08,916 --> 00:39:10,250

For you.

412

00:39:51,208 --> 00:39:52,291

Help!

413

00:39:53,750 --> 00:39:54,833

Help!

414

00:39:56,250 --> 00:39:57,833

Help! Help me, please!

415

00:40:37,291 --> 00:40:38,875

<i>We don't know who it was.</i>

416

00:40:38,958 --> 00:40:40,583

<i>No ransom, no leads.</i>

417

00:40:41,916 --> 00:40:46,041

<i>Whoever they are,
they knew where she would be. They...</i>

418

00:40:46,750 --> 00:40:47,833

<i>They were waiting.</i>

419

00:40:49,208 --> 00:40:51,125

<i>She needs you, Obi-Wan.</i>

420

00:40:52,166 --> 00:40:53,666

<i>We can't trust anyone else.</i>

421

00:40:55,833 --> 00:40:57,250

What about the Senate?

422

00:40:57,750 --> 00:40:59,500

<i>We cannot let this become public.</i>

423

00:41:00,166 --> 00:41:01,916

<i>It would draw too much attention.</i>

424

00:41:02,750 --> 00:41:05,666

Well, your guard then? Or a bounty hunter?

425

00:41:05,750 --> 00:41:09,833

<i>Only you know how important
she really is, Obi-Wan.</i>

426

00:41:09,916 --> 00:41:11,500

<i>If Leia is discovered...</i>

427

00:41:11,583 --> 00:41:13,166

I can't leave here, Bail.

428

00:41:14,375 --> 00:41:15,541

My duty is to the boy...

429

00:41:15,625 --> 00:41:17,541

<i>What about your duty to his sister?</i>

430

00:41:19,375 --> 00:41:21,208

<i>She's as important as he is.</i>

431

00:41:27,416 --> 00:41:28,916

It's been ten years.

432

00:41:32,625 --> 00:41:34,041

I'm not who I used to be.

433

00:41:40,166 --> 00:41:41,250

Find someone else.

434

00:41:42,875 --> 00:41:44,041

She'll be better off.

435

00:41:47,791 --> 00:41:50,250

Let go of me!

436

00:41:50,333 --> 00:41:51,791

- Let go!

- Shut her up.

437

00:43:37,250 --> 00:43:38,833

She's headed for Daiyu.

438

00:43:41,000 --> 00:43:42,750

You should not have come.

439

00:43:43,708 --> 00:43:46,083

They hid their signature
behind a freight transport.

440

00:43:46,166 --> 00:43:48,000

The ship is on its way there now.

441

00:43:48,750 --> 00:43:49,791

I can't.

442

00:43:49,875 --> 00:43:51,625

She's my daughter, Obi-Wan.

443

00:43:51,708 --> 00:43:52,875

I told you...

444

00:43:53,958 --> 00:43:55,416

I'm not the man you remember.

445

00:43:55,500 --> 00:43:56,833

You're going to have to be!

446

00:43:56,916 --> 00:43:58,041

I can't leave the boy.

447

00:43:58,125 --> 00:44:00,041

This isn't about the boy, and you know it!

448

00:44:01,166 --> 00:44:03,125

You've made mistakes. We all did.

449

00:44:03,208 --> 00:44:04,458

It's the past.

450

00:44:05,416 --> 00:44:06,916

Move on. Be done with it.

451

00:44:07,958 --> 00:44:09,625

You couldn't save Anakin,

452

00:44:11,583 --> 00:44:12,916

but you can save her.

453

00:44:15,541 --> 00:44:16,791

And what if I can't?

454

00:44:19,166 --> 00:44:22,083

There is no one

I trust more with my child than you.

455

00:44:23,958 --> 00:44:26,666

Please, old friend.

456

00:44:28,416 --> 00:44:29,500

For her.

457

00:44:30,875 --> 00:44:32,125

One last fight.

458

00:44:41,833 --> 00:44:44,916

Come on, Lola. Come on.

459

00:44:58,625 --> 00:45:00,125

Can you untie me?

460

00:45:08,458 --> 00:45:10,166

I'm not afraid of you.

461

00:45:12,250 --> 00:45:13,416

Give it time.

462

00:45:19,291 --> 00:45:20,416

Lola!

463

00:45:21,791 --> 00:45:24,083

My father will rescue me!

464

00:45:24,166 --> 00:45:26,125

He'll send a whole army!

465

00:45:26,708 --> 00:45:28,541

No one's coming for you.

466

00:46:25,625 --> 00:46:26,875

This is a bad idea.

467

00:46:27,625 --> 00:46:28,708

Kidnapping kids...

468

00:46:30,333 --> 00:46:31,500

you think it's gonna work?

469

00:46:32,083 --> 00:46:33,500

Just get this over with.

470

00:47:14,333 --> 00:47:15,666

You sure he's gonna come?

471

00:47:16,541 --> 00:47:18,708

<i>He fought beside her father
during the war.</i>

472

00:47:19,666 --> 00:47:20,750

<i>He'll come.</i>

473

00:47:21,750 --> 00:47:23,250

<i>He won't be able to help it.</i>

474

00:47:24,458 --> 00:47:26,708

<i>The Jedi will hunt himself.</i>

475

00:47:53,916 --> 00:47:55,375

Well?

476

00:47:55,458 --> 00:47:56,625

You coming or not?

EP2: Part II

1

00:00:01,791 --> 00:00:04,750

<i>You know who we are.</i>

2

00:00:05,875 --> 00:00:07,541

<i>Inquisitors.</i>

3

00:00:07,625 --> 00:00:08,625

You hunt Jedi.

4

00:00:08,708 --> 00:00:12,458

I would say the Jedi hunt themselves.

5

00:00:16,083 --> 00:00:17,291

<i>The fight is done.</i>

6

00:00:17,791 --> 00:00:21,250

<i>Stay hidden. Live a normal life.</i>

7

00:00:22,041 --> 00:00:25,041

<i>I'm asking you

to leave us alone, Ben.</i>

8

00:00:26,166 --> 00:00:29,208

<i>We talked about this.

When the time comes, he must be trained.</i>

9

00:00:29,291 --> 00:00:31,083

Like you trained his father?

10

00:00:31,166 --> 00:00:34,125

<i>We spent

the last ten years looking for him.</i>

11

00:00:34,208 --> 00:00:36,541

<i>Maybe you've been looking
in the wrong places.</i>

12

00:00:37,750 --> 00:00:40,375

You're not one of us.

You're not even a real Organa.

13

00:00:41,250 --> 00:00:42,666

You owe him an apology.

14

00:00:42,750 --> 00:00:46,250

I'd rather be digested by a jakobeast.

15

00:00:48,416 --> 00:00:50,083

Hello, Princess.

16

00:00:52,333 --> 00:00:54,041

Help! Help me, please!

17

00:00:56,541 --> 00:00:57,875

She's headed for Daiyu.

18

00:00:57,958 --> 00:01:01,125

I told you,

I'm not the man you remember.

19

00:01:01,208 --> 00:01:04,416

Please, old friend.

20

00:01:05,541 --> 00:01:06,625

For her.

21

00:01:08,125 --> 00:01:09,208

One last fight.

22

00:02:19,958 --> 00:02:21,291

No, no. I'm not gonna...

23

00:02:21,375 --> 00:02:22,958

Look, I don't know what to tell you.

24

00:02:23,041 --> 00:02:25,583

If it says "Delayed,"
mine's gonna say the same thing.

25

00:02:25,666 --> 00:02:28,333

I can do nothing about the weather
on that planet.

26

00:02:28,416 --> 00:02:29,416

No, you know what? I...

27

00:02:29,500 --> 00:02:32,625

I really... I don't have time for this.
Just be going, okay?

28

00:02:34,208 --> 00:02:35,666

Excuse me.

29

00:02:35,750 --> 00:02:38,833

I'm looking for a ship.
I was tracking its signature.

30

00:02:38,916 --> 00:02:42,250

You're in Daiyu now.

All signals in or out are blocked.

31

00:02:42,708 --> 00:02:44,375

People like their secrets out here.

32

00:03:11,666 --> 00:03:12,708

No!

33

00:03:12,791 --> 00:03:13,791

Oh, stop.

34

00:03:24,541 --> 00:03:27,458

If ever I needed guidance, Master,
it's now.

35

00:03:28,250 --> 00:03:29,916

Spare any credits?

36

00:03:36,750 --> 00:03:39,583

Help a veteran get a warm meal.

37

00:03:58,250 --> 00:03:59,583

Out of the way.

38

00:04:00,916 --> 00:04:01,916

Move it.

39

00:04:02,000 --> 00:04:03,791

P, X, nine, eight, seven...

40

00:04:04,500 --> 00:04:06,916

All right, come on.

Break it up. Clear a path.

41

00:04:17,500 --> 00:04:19,250

You want some spice, old man?

42

00:04:19,333 --> 00:04:22,666

I got Kessel pure, glitterstim,
and Felucian.

43

00:04:23,625 --> 00:04:25,000

What do you need?

44

00:04:25,083 --> 00:04:26,708

How about some information?

45

00:04:27,625 --> 00:04:29,083

I'm looking for my daughter.

46

00:04:29,166 --> 00:04:31,375

She was taken, and she's on this planet.

47

00:04:32,500 --> 00:04:34,875

Well, if she's here,
you're never gonna see her again.

48

00:04:34,958 --> 00:04:36,625

Nobody leaves this place.

49

00:04:37,916 --> 00:04:39,500

I was someone's daughter once, too.

50

00:04:40,875 --> 00:04:41,958

Here.

51

00:04:42,958 --> 00:04:44,416

That one's free.

52

00:04:44,500 --> 00:04:47,041

Couple more of those
and you'll forget she ever existed.

53

00:04:52,291 --> 00:04:53,458

You having trouble?

54

00:04:54,750 --> 00:04:57,208

There's a Jedi. He helps people.

55

00:04:58,208 --> 00:04:59,666

The Jedi are all gone.

56

00:04:59,750 --> 00:05:01,000

I'll take you to him.

57

00:05:02,750 --> 00:05:03,833

For the right price.

58

00:05:10,000 --> 00:05:11,833

It's okay, you're safe now.

59

00:05:13,291 --> 00:05:15,125

I won't let anything happen to you.

60

00:05:27,666 --> 00:05:31,291

Spaceport passenger check.

Gate 3-C, do you read? Over.

61

00:05:31,375 --> 00:05:35,500

<i>This is Gate 3. Copy.

Who is this? This is a private channel.</i>

62

00:05:35,583 --> 00:05:38,625

This is a Jedi mind trick.

Do not be alarmed.

63

00:05:38,708 --> 00:05:40,458

I'm inside your mind.

64

00:05:40,541 --> 00:05:42,583

<i>You're inside my mind.</i>

65

00:05:42,666 --> 00:05:44,750

I'm sending a mother and son to your gate.

66

00:05:44,833 --> 00:05:47,000

You will let them through
when they arrive.

67

00:05:47,083 --> 00:05:49,875

*<i>I'll let them through
when they arrive.</i>*

68

00:05:49,958 --> 00:05:52,791

They are to be given
safe passage to Corellia.

69

00:05:52,875 --> 00:05:55,875

*<i>They'll be given
safe passage to Corellia.</i>*

70

00:05:55,958 --> 00:05:58,208

I'm now leaving your mind.

71

00:06:03,500 --> 00:06:06,833

- The Force is so strong with you.

- Yeah, I know.

72

00:06:07,750 --> 00:06:09,083

Use Gate 3-C.

73

00:06:09,666 --> 00:06:11,083

Thank you for helping us, Haja.

74

00:06:11,250 --> 00:06:13,750

Oh. The Jedi must protect their own.

75

00:06:13,833 --> 00:06:16,083

With your son's abilities,

they will come for him.

76

00:06:17,166 --> 00:06:18,583

Get him safe.

77

00:06:22,708 --> 00:06:23,708

Oh.

78

00:06:24,666 --> 00:06:26,375

- It's all there.

- Oh, you didn't have to.

79

00:06:26,458 --> 00:06:27,625

Every credit.

80

00:06:30,333 --> 00:06:32,583

- We will never forget you.

- You must.

81

00:06:33,583 --> 00:06:35,291

My safety depends upon it.

82

00:06:37,458 --> 00:06:38,541

Now, go.

83

00:06:40,375 --> 00:06:41,458

Go.

84

00:06:43,166 --> 00:06:44,416

Be safe, little one.

85

00:06:47,083 --> 00:06:48,166

Be safe.

86

00:06:57,208 --> 00:06:59,875

They're on their way.

I'm gonna take a quick break, okay?

87

00:06:59,958 --> 00:07:01,250

Call you in a little bit.

88

00:07:02,166 --> 00:07:03,250

<i>Roger that.</i>

89

00:07:05,208 --> 00:07:06,750

I'm looking for a Jedi.

90

00:07:07,625 --> 00:07:08,958

How'd you get in here?

91

00:07:09,041 --> 00:07:12,333

A girl has been kidnapped.

I need your help to find her.

92

00:07:19,083 --> 00:07:22,166

I am Haja Estree, Jedi.

93

00:07:22,250 --> 00:07:24,416

I help all who are in need.

94

00:07:24,500 --> 00:07:26,791

In return, I ask only a few credits.

95

00:07:27,375 --> 00:07:31,541

The shadows are my realm, for the light
is an unforgiving place for my kind.

96

00:07:31,666 --> 00:07:33,833

Of course. How much?

97

00:07:35,041 --> 00:07:36,875

Five hundred to locate the girl,

98

00:07:36,958 --> 00:07:38,958

another three hundred to take you to her.

99

00:07:39,041 --> 00:07:41,416

Goodness, that light is unforgiving.

100

00:07:41,500 --> 00:07:43,083

I mean, that's a really good deal.

101

00:07:43,166 --> 00:07:45,458

Oh, make it a thousand,
I'll even show you some tricks.

102

00:07:45,541 --> 00:07:48,166

What do you know of the Force, my friend?

103

00:07:48,250 --> 00:07:51,750

Just that it's a lot of remotes
and magnets.

104

00:07:52,500 --> 00:07:55,416

Okay, I know how this looks.

105

00:07:55,500 --> 00:07:57,708

It looks like you
just took money from that family.

106

00:07:57,791 --> 00:08:01,291

I got them safe. Just a little poorer.

107

00:08:01,375 --> 00:08:05,000

- You're not gonna tell anyone, are you?
- That depends on what you tell me.

108

00:08:05,750 --> 00:08:07,291

What are you, a bounty hunter?

109

00:08:07,375 --> 00:08:12,083

You're a bottom-feeder,
a rat who preys on weakness.

110

00:08:12,166 --> 00:08:15,708

But in my experience, rats know more
about the sewers than anyone else.

111

00:08:15,791 --> 00:08:17,375

So judgmental.

112

00:08:20,208 --> 00:08:22,083

You'll help me find
this girl I'm looking for.

113

00:08:22,166 --> 00:08:23,375

Yeah, I'll do it.

114

00:08:25,750 --> 00:08:27,250

- You'll help me?

- Yeah.

115

00:08:27,333 --> 00:08:28,875

- Can I trust you?

- Definitely.

116

00:08:30,125 --> 00:08:33,375

<i>All right, if it's the sewers you want,
there's only one place to go.</i>

117

00:08:34,000 --> 00:08:35,333

<i>But you'll never get in.</i>

118

00:10:12,666 --> 00:10:13,666

Hey.

119

00:10:14,541 --> 00:10:15,875

What are you doing back here?

120

00:10:18,666 --> 00:10:20,541

Oh, I seem to have lost my way.

121

00:10:20,666 --> 00:10:23,166

- Yeah, well, get back to work.

- Right.

122

00:10:43,458 --> 00:10:44,625

Where's the girl?

123

00:10:56,583 --> 00:10:57,666

Leia.

124

00:11:00,166 --> 00:11:01,250

Leia.

125

00:11:13,750 --> 00:11:16,166

I didn't know that Jedi could bleed.

126

00:11:16,875 --> 00:11:18,750

I'm surprised you fell for it.

127

00:11:20,416 --> 00:11:23,083

I figured you'd be smarter
than to risk everything

128

00:11:23,166 --> 00:11:24,750

for a spoiled little brat.

129

00:11:34,583 --> 00:11:37,708

The Inquisitor really figured you out.

130

00:11:38,333 --> 00:11:39,750

She'll be here soon.

131

00:11:40,375 --> 00:11:43,083

Then we'll be rich and you'll be dead.

132

00:11:44,583 --> 00:11:45,875

Where is the girl?

133

00:11:46,750 --> 00:11:48,250

- She must be close.

- Doesn't matter.

134

00:11:48,333 --> 00:11:49,666

You're not getting out of here.

135

00:11:50,958 --> 00:11:53,916

You're not a Jedi anymore, Kenobi.

136

00:11:55,125 --> 00:11:56,458

You're just a man.

137

00:11:58,333 --> 00:12:00,375

And you're bleeding all over my floor.

138

00:12:01,791 --> 00:12:03,958

Well, everybody bleeds.

139

00:12:19,583 --> 00:12:20,750

Move.

140

00:12:40,208 --> 00:12:41,291

- Wait.

- Let go of me!

141

00:12:41,375 --> 00:12:42,458

Wait!

142

00:12:42,541 --> 00:12:43,625

Let go!

143

00:12:45,666 --> 00:12:46,666

Who are you?

144

00:12:47,208 --> 00:12:50,083

Your father sent me. I'm here to help you.

145

00:12:50,666 --> 00:12:52,333

Where's the army?

146

00:12:52,416 --> 00:12:54,708

Come. I'm gonna get you out of here.

147

00:12:54,791 --> 00:12:56,375

Why should I trust you?

148

00:12:56,458 --> 00:12:59,041

Would you rather stay here?

Now, let's go.

149

00:13:14,708 --> 00:13:15,791

Come on.

150

00:13:16,958 --> 00:13:18,125

We don't have much time.

151

00:13:19,666 --> 00:13:20,708

Keep your head down.

152

00:13:22,083 --> 00:13:24,583

This would've been easier
with the army.

153

00:13:24,666 --> 00:13:26,375

Shh. Quiet.

154

00:13:43,208 --> 00:13:44,458

Where is he?

155

00:13:47,375 --> 00:13:49,375

Come in here. We have to change.

156

00:13:52,583 --> 00:13:53,666

Is that a...

157

00:13:54,625 --> 00:13:56,416

You're a Jedi?

158

00:13:56,500 --> 00:13:58,541

Quiet.

159

00:14:01,291 --> 00:14:05,958

It's just... you seem
kind of old and beat up.

160

00:14:08,208 --> 00:14:10,125

There is a port across the city.

161

00:14:10,708 --> 00:14:12,750

We need to make the last transport.

162

00:14:12,833 --> 00:14:14,916

Okay, then let's go.

163

00:14:15,000 --> 00:14:16,083

Wait.

164

00:14:22,083 --> 00:14:25,083

You have no idea what I'm risking
being here, Your Highness.

165

00:14:26,041 --> 00:14:28,625

From now on, you'll do
exactly as you're told, understand?

166

00:14:38,708 --> 00:14:41,500

You would kidnap
an Imperial Senator's child?

167

00:14:41,583 --> 00:14:44,416

- We've done worse.

- You have no right.

168

00:14:44,500 --> 00:14:47,791

I found a link between him
and Organa in the archives.

169

00:14:47,875 --> 00:14:49,458

I used the girl as bait.

170

00:14:50,125 --> 00:14:52,583

And you did this without informing me?

171

00:14:52,666 --> 00:14:54,000

You left me no choice.

172

00:14:54,083 --> 00:14:57,583

She thinks she will gain favor
by capturing Kenobi.

173

00:15:00,000 --> 00:15:04,291

Whatever power you are craving,

174

00:15:04,375 --> 00:15:06,958

it will not change what you are.

175

00:15:08,000 --> 00:15:09,041

And what is that?

176

00:15:09,583 --> 00:15:11,833

The least of us.

177

00:15:12,916 --> 00:15:15,833

You came to us from the gutter.

178

00:15:16,375 --> 00:15:20,208

Your ability gave you station, but...

179

00:15:20,291 --> 00:15:26,958

all the power in the world
can't mask the stench beneath.

180

00:15:27,041 --> 00:15:31,125

Maybe that stench is your failure.

181

00:15:34,083 --> 00:15:35,583

Secure the city.

182

00:15:36,083 --> 00:15:38,958

I will take Kenobi in myself.

183

00:15:39,750 --> 00:15:43,916

You are no longer required, Sister.

184

00:15:45,500 --> 00:15:48,333

I brought Kenobi here.

185

00:15:49,083 --> 00:15:50,333

Stand down.

186

00:15:51,416 --> 00:15:53,833

You will be dealt with when we return.

187

00:16:07,666 --> 00:16:09,583

<i>Send it across the city.</i>

188

00:16:09,666 --> 00:16:13,083

<i>I want every lowlife and bounty hunter
on this planet</i>

189

00:16:13,166 --> 00:16:15,375

<i>to know Kenobi is here.</i>

190

00:16:15,458 --> 00:16:18,208

<i>They only report to me.</i>

191

00:16:18,291 --> 00:16:21,208

You really think
those scum can catch a Jedi?

192

00:16:21,291 --> 00:16:25,083

<i>I don't want them to catch him.
I want them to squeeze him.</i>

193

00:16:25,166 --> 00:16:29,500

*<i>He'll reveal himself eventually,
and I will be waiting.</i>*

194

00:17:02,208 --> 00:17:03,291

Come on.

195

00:17:10,750 --> 00:17:12,375

Here, put this on.

196

00:17:12,458 --> 00:17:15,375

- Can I try this one instead?

- Half the city is looking for you.

197

00:17:15,458 --> 00:17:16,541

Put this on.

198

00:17:19,125 --> 00:17:21,375

A little green cape.

199

00:17:22,708 --> 00:17:23,958

You don't need those.

200

00:17:26,000 --> 00:17:27,083

And the gloves.

201

00:17:29,208 --> 00:17:30,291

Thank you.

202

00:17:32,541 --> 00:17:37,041

Now, if anyone asks, we're farmers
from Tawl and you're my daughter.

203

00:17:37,125 --> 00:17:38,666

Granddaughter, maybe.

204

00:17:38,750 --> 00:17:40,500

- What?

- Nothing.

205

00:17:50,041 --> 00:17:51,916

- Where are we?

- Daiyu.

206

00:17:52,583 --> 00:17:54,000

This place is incredible.

207

00:17:55,625 --> 00:17:56,750

Do you smell that?

208

00:17:58,083 --> 00:18:01,583

Don't smell anything.

Don't look at anything.

209

00:18:01,666 --> 00:18:03,166

Don't touch anything.

210

00:18:03,250 --> 00:18:05,083

You sound like my parents.

211

00:18:08,875 --> 00:18:11,041

Why aren't you using your lightsaber?

212

00:18:12,500 --> 00:18:14,833

Maybe it's because

you're not really a Jedi.

213

00:18:16,041 --> 00:18:17,125

I heard they all died.

214

00:18:19,250 --> 00:18:22,250

I read that Jedi can make things float.

Make me float.

215

00:18:22,333 --> 00:18:24,500

- What?

- I want to float.

216

00:18:24,958 --> 00:18:27,166

- No.

- Because you can't.

217

00:18:27,250 --> 00:18:32,166

Because if I use the Force,
then it'll draw attention to us. Come on.

218

00:18:32,250 --> 00:18:34,291

You haven't even told me your name.

219

00:18:34,375 --> 00:18:35,375

Ben.

220

00:18:36,166 --> 00:18:37,666

It's not a Jedi name.

221

00:18:37,750 --> 00:18:40,416

Well, that's my name.

You'll have to trust me eventually.

222

00:18:40,500 --> 00:18:43,250

How can I trust you when I know
you're hiding something?

223

00:18:45,750 --> 00:18:48,958

You think the less you say,
the less you give away,

224

00:18:49,041 --> 00:18:51,041

but, really, it's the opposite.

225

00:18:51,875 --> 00:18:53,750

- How old are you?

- Ten.

226

00:18:53,833 --> 00:18:55,666

You don't sound like you're ten.

227

00:18:56,625 --> 00:18:57,666

Thank you.

228

00:18:59,625 --> 00:19:00,708

Come on.

229

00:19:18,083 --> 00:19:20,083

We had him. Look at this reward.

230

00:19:20,166 --> 00:19:21,958

Oh, that's embarrassing.

231

00:19:22,041 --> 00:19:25,291

It says he's with a girl.

He'll have half of the city on him now.

232

00:19:26,666 --> 00:19:28,000

Let's get to him first.

233

00:19:34,500 --> 00:19:35,500

Come on.

234

00:19:40,500 --> 00:19:42,000

Wha...

235

00:19:42,958 --> 00:19:44,916

- Who was...

- He's a bounty hunter.

236

00:19:47,125 --> 00:19:49,541

Make sure the port is shut down.

237

00:19:49,625 --> 00:19:52,541

I want a garrison here within the hour.

238

00:19:52,625 --> 00:19:56,166

And remember, this is no ordinary Jedi.

239

00:19:56,250 --> 00:20:00,333

Kenobi is the last ember of a dying age.

240

00:20:01,208 --> 00:20:03,208

Extinguish him.

241

00:20:03,875 --> 00:20:05,625

Consider it done.

242

00:20:10,416 --> 00:20:12,666

There's something you should see,
Grand Inquisitor.

243

00:20:21,208 --> 00:20:22,208

Reva.

244

00:20:41,625 --> 00:20:42,916

We'll stay here for now.

245

00:20:46,041 --> 00:20:47,625

No noise from that.

246

00:20:47,708 --> 00:20:52,416

Her name's Lola.

And she won't make any. She's hurt.

247

00:20:52,500 --> 00:20:53,875

Good.

248

00:21:02,833 --> 00:21:04,666

What happened to her anyway?

249

00:21:05,541 --> 00:21:08,458

She was ripped to pieces by kidnappers.

250

00:21:09,250 --> 00:21:12,500

She'll be all right, though. She's strong.

251

00:21:14,250 --> 00:21:16,250

I let your parents know you're safe.

252

00:21:17,166 --> 00:21:20,083

You'll be back in the palace,

back to normal, by nightfall.

253

00:21:21,625 --> 00:21:24,000

Normal. Great.

254

00:21:25,500 --> 00:21:27,875

Now who's hiding something, Princess?

255

00:21:28,583 --> 00:21:31,833

You don't have to call me that.

I'm just Leia.

256

00:21:36,166 --> 00:21:37,166

Stay here.

257

00:21:54,250 --> 00:21:55,416

What is that?

258

00:21:56,541 --> 00:21:58,791

Why is there a picture of you?

259

00:22:01,583 --> 00:22:02,583

You did lie.

260

00:22:03,291 --> 00:22:05,375

- Leia...

- That's what you were hiding.

261

00:22:05,458 --> 00:22:07,541

You're the reason I'm here.

262

00:22:07,625 --> 00:22:09,708

They took me to get to you.

263

00:22:09,791 --> 00:22:13,375

- Did my father even send you?

- Of course he did. Leia, listen to...

264

00:22:13,458 --> 00:22:15,333

How do I know

you're not the real kidnapper?

265

00:22:15,416 --> 00:22:17,250

- You have to trust me.

- You aren't a Jedi.

266

00:22:17,333 --> 00:22:19,791

- Your father is a very old friend.

- I don't believe you.

267

00:22:19,875 --> 00:22:20,958

Leia.

268

00:22:22,208 --> 00:22:23,291

Leia!

269

00:22:24,083 --> 00:22:25,166

No!

270

00:22:31,666 --> 00:22:32,750

Wait!

271

00:22:59,416 --> 00:23:02,500

It's her. It's the girl.

Just tell us where he is.

272

00:23:11,208 --> 00:23:12,208

- Leia!

- No!

273

00:23:12,291 --> 00:23:14,041

- Leia, wait! Stop!

- Leave me alone.

274

00:23:31,791 --> 00:23:33,666

No. Wait!

275

00:23:45,083 --> 00:23:46,166

Leia!

276

00:23:47,666 --> 00:23:48,750

Leia!

277

00:23:50,875 --> 00:23:52,041

Leia!

278

00:23:59,666 --> 00:24:00,750

Stop!

279

00:24:36,333 --> 00:24:37,458

Leia!

280

00:24:40,208 --> 00:24:41,625

Stop, Leia!

281

00:24:43,625 --> 00:24:45,000

Leia! Leia!

282

00:24:46,416 --> 00:24:47,416

Wait!

283

00:24:53,375 --> 00:24:54,458

Leia!

284

00:24:54,708 --> 00:24:55,958

Leia!

285

00:25:13,250 --> 00:25:14,333

Leia, don't!

286

00:25:33,500 --> 00:25:35,000

Leia, no!

287

00:25:38,541 --> 00:25:40,875

No! Leia, no!

288

00:25:44,041 --> 00:25:46,416

Hold on! Hold on tight!

289

00:25:46,625 --> 00:25:49,875

- Ben!

- Don't let go, Leia.

290

00:25:49,958 --> 00:25:51,375

- Hold on tight.

- Ben!

291

00:25:52,791 --> 00:25:55,250

Hold on. Just... Just...

292

00:25:57,375 --> 00:25:58,958

Leia! Leia, no!

293

00:26:00,250 --> 00:26:01,291

No!

294

00:26:01,375 --> 00:26:02,375

Ben!

295

00:26:29,416 --> 00:26:30,791

She's all right.

296

00:26:37,208 --> 00:26:38,291

Are you all right?

297

00:26:41,458 --> 00:26:42,458

You...

298

00:26:43,250 --> 00:26:44,916

You really are a Jedi.

299

00:26:46,541 --> 00:26:47,708

We need to move.

300

00:26:52,458 --> 00:26:55,500

<i>All incoming

and outgoing travel is canceled.</i>

301

00:26:55,958 --> 00:26:58,583

<i>Have identification ready for scanning.</i>

302

00:27:00,333 --> 00:27:02,250

Team five check-in.

Team five.

303

00:27:02,333 --> 00:27:03,500

Who are they?

304

00:27:03,583 --> 00:27:07,750

Inquisitors. Many were Jedi
who turned to the dark side.

305

00:27:07,833 --> 00:27:09,625

Now, they hunt their own kind.

306

00:27:09,708 --> 00:27:11,666

And this is all for you?

307

00:27:12,958 --> 00:27:14,333

Who are you?

308

00:27:19,000 --> 00:27:20,500

The bounty is on me. Let her go.

309

00:27:20,583 --> 00:27:23,708

Listen carefully. The entire city's
locked down. It's done.

310

00:27:23,791 --> 00:27:25,583

You need another exit.

311

00:27:25,666 --> 00:27:28,083

It's a cargo port. It's fully automated.

312

00:27:28,166 --> 00:27:30,958

They won't be looking for you there.

Go to transport eight.

313

00:27:31,041 --> 00:27:33,750

- What are you saying?

- It goes to Mapuzo. They'll be waiting.

314

00:27:33,833 --> 00:27:34,833

Who'll be waiting?

315

00:27:34,916 --> 00:27:36,791

There are people out there
who can help you.

316

00:27:36,875 --> 00:27:39,375

You expect me to trust you?
You're a criminal.

317

00:27:39,458 --> 00:27:43,666

Look, have I made a few bad decisions?
Sure. Do I feel bad about it? Sometimes.

318

00:27:43,750 --> 00:27:45,916

Do I like credits? Yeah.

319

00:27:46,000 --> 00:27:48,583

- So much stuff you can buy with credits.
- Haja.

320

00:27:49,375 --> 00:27:51,750

You remembered my name.

321

00:27:52,500 --> 00:27:54,250

I'm trying to make amends.

322

00:27:54,333 --> 00:27:57,083

I got that family safe, and I'm gonna
do the same for you.

323

00:27:57,166 --> 00:27:58,958

If I'd known what you were...

324

00:27:59,041 --> 00:28:02,291

Doesn't matter what I am.
I just need to get the girl home.

325

00:28:03,291 --> 00:28:04,625

Go to these coordinates.

326

00:28:05,708 --> 00:28:06,875

They'll help you from there.

327

00:28:06,958 --> 00:28:09,291

And how do I know this isn't just a trap?

328

00:28:11,541 --> 00:28:12,541

What choice do you have?

329

00:28:16,250 --> 00:28:17,625

You're not alone, Obi-Wan.

330

00:28:20,833 --> 00:28:22,500

Buy you as much time as I can.

331

00:28:26,333 --> 00:28:31,041

I know she put a bounty on Kenobi.

Where is he?

332

00:28:31,125 --> 00:28:32,875

I don't know!

333

00:28:33,875 --> 00:28:37,166

I don't... know.

334

00:28:50,708 --> 00:28:52,625

Finally, we meet.

335

00:28:53,333 --> 00:28:55,416

We both know why you're here.

336

00:28:55,500 --> 00:29:00,416

I am Haja Estree. Jedi. You found me.

337

00:29:00,958 --> 00:29:02,416

You're as good as they say.

338

00:29:02,500 --> 00:29:03,708

Get out of my way.

339

00:29:03,791 --> 00:29:05,833

What's the bounty on me now?

340

00:29:05,916 --> 00:29:08,250

A million? Two million?

341

00:29:09,375 --> 00:29:13,125

Doesn't matter

because you will not get it.

342

00:29:14,541 --> 00:29:15,750

You're no Jedi.

343

00:29:18,416 --> 00:29:19,833

But you know where one is.

344

00:29:19,916 --> 00:29:22,375

I'm the only Jedi around.

345

00:29:25,708 --> 00:29:28,833

- Where is he?

- That wasn't magnets, was it?

346

00:29:30,541 --> 00:29:33,416

What did you ask? You know what?

I'm not gonna answer it.

347

00:29:33,500 --> 00:29:34,916

I don't need you to.

348

00:29:52,625 --> 00:29:54,625

We must be careful.

349

00:29:54,708 --> 00:29:57,541

This is a cargo port.

It's not meant for people.

350

00:29:57,625 --> 00:29:59,166

Then they won't look for us here.

351

00:29:59,250 --> 00:30:00,958

Well, not unless it's a setup.

352

00:30:02,083 --> 00:30:05,000

Is it that hard to believe

you might have friends?

353

00:30:06,041 --> 00:30:11,250

Look, since I met you, I've been chased,

shot at, I almost fell to my death,

354

00:30:11,333 --> 00:30:14,000

and now there are Inquisiting people
after us.

355

00:30:14,583 --> 00:30:17,916

If somebody is offering us help,
I think we should take it.

356

00:30:18,000 --> 00:30:19,166

Now, come on.

357

00:30:22,208 --> 00:30:23,208

What now?

358

00:30:23,750 --> 00:30:26,416

Nothing,
you just remind me of someone.

359

00:30:28,500 --> 00:30:30,916

She was fearless, too. And stubborn.

360

00:30:31,000 --> 00:30:32,541

- I'm not stubborn.

- Yes you are.

361

00:30:32,625 --> 00:30:33,791

I'm not!

362

00:30:34,708 --> 00:30:36,583

Was your friend a Jedi, too?

363

00:30:41,041 --> 00:30:42,708

No, she was a leader.

364

00:30:44,041 --> 00:30:45,875

She died a long time ago.

365

00:30:47,250 --> 00:30:48,791

Uh, I'm sorry.

366

00:30:51,083 --> 00:30:52,166

Me, too.

367

00:31:09,500 --> 00:31:12,750

Obi-Wan...

368

00:31:17,333 --> 00:31:18,333

Leia.

369

00:31:18,416 --> 00:31:20,375

If I don't get back in time, go.

370

00:31:20,458 --> 00:31:22,708

I'll be right behind you, I promise. Go!

371

00:31:26,916 --> 00:31:28,833

I can feel you.

372

00:31:42,291 --> 00:31:44,000

Your fear betrays you.

373

00:31:59,958 --> 00:32:03,041

You don't have to worry.

374

00:32:03,125 --> 00:32:05,583

You're not going to die...

375

00:32:06,750 --> 00:32:07,750

today.

376

00:32:12,791 --> 00:32:16,750

I'm just going to take you to him.

377

00:32:18,708 --> 00:32:20,958

Lord Vader will be pleased.

378

00:32:26,750 --> 00:32:27,916

You didn't know.

379

00:32:33,166 --> 00:32:35,000

He's alive, Obi-Wan.

380

00:32:38,333 --> 00:32:42,375

Anakin Skywalker is alive.

381

00:32:46,541 --> 00:32:50,250

And he's been looking for you
for a long time.

382

00:32:50,833 --> 00:32:55,000

And I will be the one
to deliver you to him.

383

00:32:56,083 --> 00:33:00,333

Third Sister! I can stand the reek
of your ambition no longer.

384

00:33:00,416 --> 00:33:02,125

I found him. We have him!

385

00:33:02,208 --> 00:33:05,291

And I cannot risk you
losing him again.

386

00:33:05,375 --> 00:33:07,041

Move aside.

387

00:33:13,916 --> 00:33:15,833

Watch and learn.

388

00:33:20,916 --> 00:33:22,750

Really think I'd let you
take all the credit?

389

00:33:29,833 --> 00:33:31,250

Who's in the gutter now?

390

00:33:37,208 --> 00:33:39,541

You can't run, Obi-Wan!

391

00:33:40,916 --> 00:33:42,583

You can't escape him!

392

00:33:45,083 --> 00:33:46,791

We will find you!

393

00:33:53,333 --> 00:33:54,958

We will destroy you!

394

00:34:15,833 --> 00:34:16,916

What is it?

395

00:34:20,750 --> 00:34:21,750

Are you okay?

396

00:34:27,000 --> 00:34:28,083

Anakin.

EP3: Part III

1

00:00:03,584 --> 00:00:06,418

OBI-WAN: *<i>A girl has been
kidnapped. I need to find her.</i>*

2

00:00:06,501 --> 00:00:07,668

STORMTROOPER: *<i>Out of the way.</i>*

3

00:00:07,751 --> 00:00:10,918

You're never gonna see her
again. Nobody leaves this place.

4

00:00:13,168 --> 00:00:15,168

JAYCO: *<i>There's a
Jedi. He helps people.</i>*

5

00:00:15,918 --> 00:00:18,001

OBI-WAN: *<i>You're a rat
who preys on weakness.</i>*

6

00:00:18,084 --> 00:00:20,251

*<i>You'll help me find this
girl I'm looking for.</i>*

7

00:00:20,334 --> 00:00:21,334

Yeah, I'll do it.

8

00:00:22,126 --> 00:00:25,709

REVA: *<i>He'll reveal himself
eventually, and I will be waiting.</i>*

9

00:00:27,168 --> 00:00:28,168

(GRUNTING)

10

00:00:29,251 --> 00:00:30,251

Who are you?

11

00:00:30,793 --> 00:00:32,043

Your father sent me.

12

00:00:32,126 --> 00:00:35,209

GRAND INQUISITOR: *<i>You would kidnap
an Imperial Senator's child?</i>*

13

00:00:35,293 --> 00:00:37,001

<i>I used the girl as bait.</i>

14

00:00:37,084 --> 00:00:38,543

GRAND INQUISITOR: *<i>Stand down.</i>*

15

00:00:38,626 --> 00:00:41,626

I will take Kenobi in myself.

16

00:00:42,334 --> 00:00:44,418

OBI-WAN: If anyone asks,
you're my daughter.

17

00:00:44,501 --> 00:00:45,709

Granddaughter, maybe.

18

00:00:45,793 --> 00:00:47,126

- What?

- Nothing.

19

00:00:48,543 --> 00:00:51,626

LEIA: *<i>Since I met you,
I've been chased, shot at,</i>*

20

00:00:53,001 --> 00:00:54,709

<i>I almost fell to my death,</i>

21

00:00:55,584 --> 00:00:58,293

and now there are
Inquisiting people after us.

22

00:01:00,334 --> 00:01:01,584

Where is he?

23

00:01:03,376 --> 00:01:06,126

HAJA: Go to these coordinates.
They'll help you from there.

24

00:01:06,209 --> 00:01:07,334

You're not alone, Obi-Wan.

25

00:01:09,709 --> 00:01:10,959

REVA: You didn't know.

26

00:01:11,459 --> 00:01:12,584

(GRUNTS)

27

00:01:13,459 --> 00:01:17,626

Anakin Skywalker is alive.

28

00:01:19,626 --> 00:01:20,626

Anakin.

29

00:01:23,501 --> 00:01:24,709

(BREATHING HEAVILY)

30

00:02:24,043 --> 00:02:25,209

OBI-WAN: <i>Master Qui-Gon.</i>

31

00:02:30,418 --> 00:02:31,418

<i>Master.</i>

32

00:02:36,084 --> 00:02:37,459

<i>Are you there, Master?</i>

33

00:02:41,001 --> 00:02:42,209

REVA: <i>You didn't know.</i>

34

00:02:45,251 --> 00:02:47,043

<i>He's alive, Obi-Wan.</i>

35

00:02:54,209 --> 00:02:55,834

YODA: <i>Only pain will you find.</i>

36

00:02:56,793 --> 00:02:59,293

REVA: (IN SING-SONG

VOICE) <i>Obi-Wan...</i>

37

00:03:06,334 --> 00:03:10,126

QUI-GON: <i>Obi-Wan, promise
me you will train the boy.</i>

38

00:03:10,209 --> 00:03:13,126

ANAKIN: <i>If you're not with

me, then you're my enemy.</i>

39

00:03:14,501 --> 00:03:16,376

<i>Don't make me kill you.</i>

40

00:03:18,626 --> 00:03:20,459

<i>I do not fear the dark side.</i>

41

00:03:21,334 --> 00:03:23,251

<i>I see through the

lies of the Jedi.</i>

42

00:03:28,793 --> 00:03:32,459

OBI-WAN: <i>Help me, Master
Qui-Gon. Give me strength.</i>

43

00:03:32,918 --> 00:03:33,918

(WHIRRING)

44

00:03:36,126 --> 00:03:37,126

(BEEPS)

45

00:03:40,793 --> 00:03:44,751

REVA: *<i>Anakin Skywalker is alive.</i>*

46

00:03:52,959 --> 00:03:55,793

*<i>And he's been looking
for you for a long time.</i>*

47

00:04:00,001 --> 00:04:02,584

(BREATHING HEAVILY)

48

00:04:06,251 --> 00:04:07,876

OBI-WAN: *<i>He's coming, Master.</i>*

49

00:04:29,793 --> 00:04:31,751

DARTH VADER: Where is he?

50

00:04:31,834 --> 00:04:34,876

REVA: We have probes out. We're
tracking all possible exits.

51

00:04:35,459 --> 00:04:37,334

He will pay for the
Grand Inquisitor's...

52

00:04:37,418 --> 00:04:40,126

The Grand Inquisitor
means nothing.

53

00:04:40,209 --> 00:04:44,376

Kenobi is all that matters
now. Is that understood?

54

00:04:45,376 --> 00:04:46,668

Yes, my lord.

55

00:04:50,293 --> 00:04:53,459

I have been watching
you, Third Sister.

56

00:04:54,709 --> 00:04:57,334

I know what it is you seek.

57

00:04:59,209 --> 00:05:05,793

Prove yourself, and the position
of Grand Inquisitor is yours.

58

00:05:09,543 --> 00:05:13,834

Fail me, and you will
not live to regret it.

59

00:05:19,876 --> 00:05:21,668

(DRAMATIC MUSIC PLAYING)

60

00:05:38,668 --> 00:05:40,126

LEIA: Are we almost there?

61

00:05:42,084 --> 00:05:44,334

Can't you make this
thing go any faster?

62

00:05:44,418 --> 00:05:48,001

It's a trade route, Leia.
I'm not in control of it.

63

00:05:48,084 --> 00:05:50,918

Can't you use the Force
on it or something?

64

00:05:52,709 --> 00:05:54,209

That's not how it works.

65

00:05:55,543 --> 00:05:56,834

LEIA: How does it work?

66

00:05:58,501 --> 00:05:59,876

The Force.

67

00:06:01,334 --> 00:06:03,084

What does it feel like?

68

00:06:09,626 --> 00:06:11,626

Have you ever been
afraid of the dark?

69

00:06:13,501 --> 00:06:15,793

How does it feel when
you turn on the light?

70

00:06:16,918 --> 00:06:18,168

I feel safe.

71

00:06:19,668 --> 00:06:21,126

Yes, it feels like that.

72

00:06:26,251 --> 00:06:27,501

Lola!

73

00:06:30,376 --> 00:06:31,668

You fixed her.

74

00:06:33,209 --> 00:06:34,584

(LOLA BEEPING)

75

00:06:35,959 --> 00:06:36,959

Thank you.

76

00:06:42,751 --> 00:06:43,834

(SHIP RUMBLING)

77

00:06:45,209 --> 00:06:48,209

We better get ready.

We're on approach.

78

00:07:44,793 --> 00:07:45,793

(SOFTLY) Okay.

79

00:07:53,418 --> 00:07:54,418

STORMTROOPER: Let's go.

80

00:07:54,501 --> 00:07:55,501

Now.

81

00:08:06,251 --> 00:08:08,334

LEIA: What is this place?

82

00:08:08,959 --> 00:08:11,459

OBI-WAN: Mapuzo.

It's a mining system.

83

00:08:14,376 --> 00:08:17,751

Coordinates say the meeting
point is further north.

84

00:08:17,834 --> 00:08:20,168

That is if our new friend

was telling the truth.

85

00:08:20,251 --> 00:08:23,001

- Why would he lie?

- People are not all good, Leia.

86

00:08:28,293 --> 00:08:29,793

Wasn't always like this here.

87

00:08:31,751 --> 00:08:33,668

There were fields and families.

88

00:08:37,626 --> 00:08:40,334

And then the Empire came
in and ravaged it all.

89

00:08:41,751 --> 00:08:44,168

Thought the Empire was
supposed to be helping us.

90

00:08:45,376 --> 00:08:48,084

Well, there are some, like
your dad, who are trying to.

91

00:08:50,334 --> 00:08:52,418

Seems like a losing
battle these days.

92

00:09:05,918 --> 00:09:08,043

(SUSPENSEFUL MUSIC PLAYING)

93

00:09:10,626 --> 00:09:11,626

LEIA: Ben?

94

00:09:13,251 --> 00:09:14,251

Ben?

95

00:09:23,709 --> 00:09:24,709

Stay close.

96

00:09:25,126 --> 00:09:27,293

(DRAMATIC MUSIC PLAYING)

97

00:09:58,751 --> 00:10:00,918

(DRAMATIC MUSIC

CONTINUES PLAYING)

98

00:10:20,584 --> 00:10:22,626

He's in one of the
mining systems.

99

00:10:22,876 --> 00:10:25,584

- FIFTH BROTHER: You do not know that.
- He could be anywhere.

100

00:10:25,668 --> 00:10:29,626

I traced the manifest. We should
send out all remaining probes now.

101

00:10:29,709 --> 00:10:32,418

FIFTH BROTHER: You are
not in charge here.

102

00:10:32,959 --> 00:10:34,751

(GRUNTS)

103

00:10:35,209 --> 00:10:39,043

That seat is mine, not yours.

104

00:10:39,709 --> 00:10:42,418

I am the next in line.

105

00:10:43,584 --> 00:10:44,793

(GRUNTS)

106

00:10:49,876 --> 00:10:51,668

I just spoke with Lord Vader.

107

00:10:52,626 --> 00:10:56,168

You spoke to him yourself?

108

00:10:56,251 --> 00:10:58,001

He asked me to lead the hunt.

109

00:10:59,001 --> 00:11:02,168

Unless you feel I should
follow your orders instead.

110

00:11:02,668 --> 00:11:07,001

Send out the probes. Do it now.

111

00:11:11,834 --> 00:11:13,001

(GRUNTS)

112

00:11:13,626 --> 00:11:17,751

I will get what I

deserve, Third Sister.

113

00:11:17,834 --> 00:11:19,751

And so will you.

114

00:11:25,459 --> 00:11:26,584

I hope so.

115

00:11:29,918 --> 00:11:31,668

I certainly hope so.

116

00:11:54,001 --> 00:11:55,001

(BEEPS)

117

00:12:01,501 --> 00:12:04,876

OBI-WAN: Now, remember, if anyone

asks, we're farmers from Tawl.

118

00:12:04,959 --> 00:12:07,293

You're my daughter,
and you don't talk.

119

00:12:07,376 --> 00:12:09,793

LEIA: I can't talk, or
I don't like to talk?

120

00:12:09,876 --> 00:12:11,793

OBI-WAN: You don't talk.

121

00:12:11,876 --> 00:12:12,876

LEIA: Got it.

122

00:12:13,709 --> 00:12:14,793

OBI-WAN: This is it.

123

00:12:17,793 --> 00:12:19,459

This is where he
told us to come to.

124

00:12:21,376 --> 00:12:23,418

Maybe they're just late?

125

00:12:23,501 --> 00:12:26,709

Maybe it was a lie. I knew it!

I never should've trusted him.

126

00:12:26,793 --> 00:12:30,043

- We don't know if maybe...

- No one is coming here, Leia.

127

00:12:35,876 --> 00:12:38,834

Well, if we're on our own,
we're gonna need some help.

128

00:12:41,251 --> 00:12:42,709

What are you doing?

129

00:12:42,793 --> 00:12:45,209

Maybe they can give us
a ride to the spaceport.

130

00:12:45,959 --> 00:12:47,001

But it's not safe.

131

00:12:47,084 --> 00:12:48,334

LEIA: He seems friendly.

132

00:12:49,084 --> 00:12:50,084

OBI-WAN: Leia.

133

00:12:51,251 --> 00:12:52,709

Well, keep your head down.

134

00:12:53,251 --> 00:12:54,834

And remember, you don't talk.

135

00:13:02,001 --> 00:13:05,084

Hi! I'm Luma. This is
my friend... my father.

136

00:13:05,168 --> 00:13:08,626

This is my father, Orden.

We're farmers from Tawl.

137

00:13:08,709 --> 00:13:10,209

Hey, there. I'm Freck.

138

00:13:11,376 --> 00:13:13,626

Father, aren't you
going to say hello?

139

00:13:15,126 --> 00:13:16,126

Hello.

140

00:13:17,334 --> 00:13:21,418

We were going on a trip, and we
got a little lost in this field.

141

00:13:23,043 --> 00:13:24,251

That's a weird story.

142

00:13:24,334 --> 00:13:26,251

We got a bit turned around.

143

00:13:26,334 --> 00:13:29,668

We're looking for the nearest

port. We need to get home.

144

00:13:29,751 --> 00:13:31,959

Well, I'm going
that way. Jump in.

145

00:13:32,043 --> 00:13:34,626

Oh, no, that's all right. Thank
you. We just need directions.

146

00:13:34,709 --> 00:13:38,001

Come on, Father, we've
walked long enough.

147

00:13:38,084 --> 00:13:39,084

Thanks, Freck.

148

00:13:39,168 --> 00:13:40,876

My pleasure. Hop in.

149

00:13:46,251 --> 00:13:48,834

FRECK: Don't worry. I'll
get to the port in no time.

150

00:13:49,918 --> 00:13:52,084

(SUSPENSEFUL MUSIC PLAYING)

151

00:14:10,376 --> 00:14:12,834

Now, where'd you say
you're from again?

152

00:14:13,376 --> 00:14:14,376

- Tawl.

- Tawl.

153

00:14:14,459 --> 00:14:19,251

Oh, good people out in Tawl. They
pay their way, listen to the Empire.

154

00:14:19,334 --> 00:14:22,376

Absolutely. We love the Empire.

155

00:14:22,459 --> 00:14:26,543

Nice to meet like-minded folk. Nothing
wrong with a little order, right?

156

00:14:28,959 --> 00:14:31,376

(SUSPENSEFUL MUSIC PLAYING)

157

00:14:34,751 --> 00:14:36,334

(BRAKES SQUEALING)

158

00:14:37,959 --> 00:14:39,459

FRECK: Transport late again?

159

00:14:39,543 --> 00:14:40,876

STORMTROOPER: As usual.

160

00:14:40,959 --> 00:14:43,168

FRECK: Well, hop in.

Meet my new friends.

161

00:14:43,251 --> 00:14:44,584

STORMTROOPER: Thanks, Freck.

162

00:14:46,168 --> 00:14:48,959

(SUSPENSEFUL MUSIC CONTINUES)

163

00:14:55,584 --> 00:15:00,251

FRECK: This is Orden and Luma.
They're hitchin' a ride to the port.

164

00:15:02,709 --> 00:15:04,168

Where are you all comin' from?

165

00:15:04,918 --> 00:15:08,251

STORMTROOPER 2: They're movin'
us around, looking for a Jedi.

166

00:15:08,334 --> 00:15:12,293

FRECK: A Jedi? Out here? I
hope we're not in any danger.

167

00:15:12,376 --> 00:15:15,709

STORMTROOPER 3: Ah, no,
we'll find him. We always do.

168

00:15:37,293 --> 00:15:38,626

STORMTROOPER 2: You a miner?

169

00:15:40,126 --> 00:15:42,251

Farmer from, uh, Tawl.

170

00:15:42,376 --> 00:15:44,376

STORMTROOPER 2: What
are you doin' out here?

171

00:15:44,459 --> 00:15:46,043

That's a long story.

172

00:15:46,709 --> 00:15:48,209

STORMTROOPER 2: It's a long way.

173

00:15:50,334 --> 00:15:55,501

He brought me here to see the place
where he met my mother before she...

174

00:15:55,584 --> 00:15:57,293

She's not with us anymore.

175

00:15:58,334 --> 00:15:59,751

Been a very difficult time.

176

00:16:02,834 --> 00:16:06,501

STORMTROOPER 2: What about you? You
have any information about a Jedi?

177

00:16:06,584 --> 00:16:08,418

I wouldn't know
one if I saw one.

178

00:16:08,501 --> 00:16:09,626

You haven't heard anything?

179

00:16:09,709 --> 00:16:12,459

Nothing. Are you sure
he's even on this planet?

180

00:16:12,543 --> 00:16:14,043

They know what
they're doing, Leia.

181

00:16:15,293 --> 00:16:16,543

It's just, I'm...

182

00:16:16,626 --> 00:16:18,376

STORMTROOPER 2: You

called her Leia.

183

00:16:18,459 --> 00:16:19,459

Just that I...

184

00:16:22,251 --> 00:16:24,251

I thought her name was Luma.

185

00:16:27,501 --> 00:16:29,043

That was her mother's name.

186

00:16:30,126 --> 00:16:31,543

I get confused.

187

00:16:32,168 --> 00:16:34,084

Like I said, it's not been easy.

188

00:16:34,709 --> 00:16:36,751

Sometimes when I look at Luma,

189

00:16:37,876 --> 00:16:39,543

I see her mother's face.

190

00:16:43,126 --> 00:16:44,709

We all miss her very much.

191

00:16:48,459 --> 00:16:51,251

STORMTROOPER 2: Well,
just keep your eyes open.

192

00:16:51,334 --> 00:16:52,959

Report it if you see anything.

193

00:16:53,043 --> 00:16:54,168

- Of course.

- Of course.

194

00:16:55,126 --> 00:16:57,459

STORMTROOPER 3: This
is us! Thanks, Freck!

195

00:16:57,876 --> 00:16:59,501

- (VEHICLE STOPS)

- Let's move.

196

00:17:06,584 --> 00:17:08,184

STORMTROOPER 2: I'll

check out that T-16.

197

00:17:08,251 --> 00:17:09,584

What do they got you doing?

198

00:17:11,334 --> 00:17:13,084

(BOTH SIGH IN RELIEF)

199

00:17:20,793 --> 00:17:21,793

What?

200

00:17:22,668 --> 00:17:26,418

You knew her, my real

mother, didn't you?

201

00:17:27,126 --> 00:17:28,334

It was just a story.

202

00:17:29,418 --> 00:17:32,584

The whole time I've known you,
you've been hiding something.

203

00:17:34,376 --> 00:17:36,293

- Lying to me.

- Leia.

204

00:17:40,751 --> 00:17:42,251

Are you my real father?

205

00:17:45,626 --> 00:17:47,459

I wish that I could say I was,

206

00:17:48,918 --> 00:17:50,126

but no, I'm not.

207

00:17:54,793 --> 00:17:57,459

Sometimes I try to
imagine what he was like.

208

00:17:59,334 --> 00:18:00,543

I know that feeling.

209

00:18:02,584 --> 00:18:05,918

As Jedi, we're taken from our
families when we're very young.

210

00:18:07,376 --> 00:18:08,751

I still have glimpses,

211

00:18:10,959 --> 00:18:16,043

flashes really, my mother's
shawl, my father's hands.

212

00:18:16,709 --> 00:18:19,126

- I remember a baby.

- A baby?

213

00:18:19,209 --> 00:18:21,001

Yes, I think I had a brother.

214

00:18:22,293 --> 00:18:23,793

Really don't remember him.

215

00:18:25,126 --> 00:18:26,209

I wished I did.

216

00:18:28,084 --> 00:18:31,668

Then I joined the Jedi, and I
got a new family just like you.

217

00:18:35,459 --> 00:18:36,459

Freck?

218

00:18:36,543 --> 00:18:37,602

(SUSPENSEFUL MUSIC PLAYING)

219

00:18:37,626 --> 00:18:39,876

Freck? Can we get off here?

220

00:18:39,959 --> 00:18:42,126

FRECK: Oh, it's a
standard inspection.

221

00:18:42,209 --> 00:18:45,001

Don't worry, won't take
long. I know these fellas.

222

00:18:55,918 --> 00:18:57,019

STORMTROOPER: Good run today?

223

00:18:57,043 --> 00:18:59,709

FRECK: Not bad.

Quarry's running dry.

224

00:19:00,834 --> 00:19:02,418

We're gonna have to dig again.

225

00:19:03,334 --> 00:19:04,668

STORMTROOPER: Who are they?

226

00:19:05,834 --> 00:19:10,376

A couple of strays I found. Thought
you might wanna check 'em out.

227

00:19:10,459 --> 00:19:12,251

STORMTROOPER: All
right. Thanks, Freck.

228

00:19:27,334 --> 00:19:29,751

Not a lot of reasons to
be in the outpost today.

229

00:19:29,834 --> 00:19:30,834

Where are you headed?

230

00:19:31,251 --> 00:19:34,876

Uh, back to Tawl. We have
family here we were visiting.

231

00:19:36,668 --> 00:19:38,334

All right, step
out of the vehicle.

232

00:19:39,209 --> 00:19:40,876

Initiate protocol 23.

233

00:20:10,543 --> 00:20:11,834

STORMTROOPER: Raise your head.

234

00:20:13,959 --> 00:20:15,793

I said raise your head.

235

00:20:18,001 --> 00:20:21,043

(BEEPING)

236

00:20:24,084 --> 00:20:25,084

(ALARM BEEPS)

237

00:20:32,418 --> 00:20:33,626

(GRUNTING)

238

00:20:35,126 --> 00:20:37,751

No, no, no! (WHIMPERING)

239

00:20:37,834 --> 00:20:39,834

- (FIRING)

- (SCREAMS)

240

00:20:41,501 --> 00:20:42,668

Hey.

241

00:20:45,043 --> 00:20:46,501

(STORMTROOPER GRUNTING)

242

00:20:48,209 --> 00:20:50,251

Put it down! Put it down!

243

00:20:50,709 --> 00:20:52,459

All right, I'm putting it down.

244

00:20:53,501 --> 00:20:55,751

I'm putting it down. Just...

245

00:20:56,543 --> 00:20:57,626

(WHIMPERING)

246

00:20:58,626 --> 00:20:59,918

Let the girl...

247

00:21:00,709 --> 00:21:01,876

Come on.

248

00:21:04,126 --> 00:21:05,376

(OBI-WAN PANTING)

249

00:21:07,543 --> 00:21:08,543

(FAILED BEEPING)

250

00:21:16,376 --> 00:21:18,668

(DRAMATIC MUSIC PLYING)

251

00:21:24,084 --> 00:21:26,501

FEMALE STORMTROOPER: Get
down! Get down on the ground!

252

00:21:34,584 --> 00:21:35,668

Put your head down.

253

00:21:44,209 --> 00:21:45,834

- (FIRING)

- (GRUNTS)

254

00:21:48,543 --> 00:21:49,543

Come on.

255

00:21:50,418 --> 00:21:52,918

They'll have sent a

transmission. We have to hurry.

256

00:21:54,334 --> 00:21:56,126

I'll take you the
rest of the way.

257

00:22:02,876 --> 00:22:07,251

Mapuzo. It's a mining
planet. Mid-Rim, Type Two.

258

00:22:08,334 --> 00:22:09,334

You were right.

259

00:22:09,418 --> 00:22:15,043

He destroyed the probe. Signal
came through before impact.

260

00:22:15,126 --> 00:22:16,709

We have a presence there?

261

00:22:16,793 --> 00:22:19,501

Full battery. It's a
strip operation. Vintrium.

262

00:22:19,584 --> 00:22:21,084

I'll inform Lord Vader.

263

00:22:21,168 --> 00:22:23,251

He's already been informed.

264

00:22:24,334 --> 00:22:26,918

He was most appreciative.

265

00:22:29,543 --> 00:22:32,584

You wanna take the credit,
you go right ahead.

266

00:22:32,668 --> 00:22:35,959

But we both know who'll be standing
by his side when this is over.

267

00:22:42,168 --> 00:22:46,834

Gather your battalions now and
shut down every single port.

268

00:22:46,918 --> 00:22:49,959

Nobody goes in or out.

Do you understand me?

269

00:22:50,043 --> 00:22:51,543

- STORMTROOPER: Understood.

- Go.

270

00:22:51,834 --> 00:22:53,293

(INDISTINCT CHATTER)

271

00:22:53,876 --> 00:22:55,334

STORMTROOPERS: Out of the way.

272

00:22:55,918 --> 00:22:57,334

He gave you the
right coordinates.

273

00:22:57,418 --> 00:22:59,168

I was on my way when
the probes arrived,

274

00:22:59,251 --> 00:23:01,918

- but you'd already gone.
- I hadn't expected anyone to come.

275

00:23:05,751 --> 00:23:08,543

The Empire's gone into high alert.
They've locked everything down.

276

00:23:08,626 --> 00:23:10,666

- Can we still get out?
- I can get you to the port.

277

00:23:10,709 --> 00:23:12,269

There's a pilot who's
agreed to take you,

278

00:23:12,293 --> 00:23:14,334

but he's not scheduled
to leave for a few hours,

279

00:23:14,418 --> 00:23:16,793

so we need to lay low.
Wait here. Wait here.

280

00:23:16,876 --> 00:23:18,209

I'll make sure it's clear.

281

00:23:29,293 --> 00:23:30,459

WOMAN: Yeah, just at the top.

282

00:23:31,209 --> 00:23:33,334

MAN: Let's check all
this in. Check it all in.

283

00:23:35,876 --> 00:23:36,918

(BEEPS)

284

00:23:40,918 --> 00:23:42,168

WOMAN: Well, I'm on my way...

285

00:23:42,251 --> 00:23:45,043

Everything will be all right,
Leia. We'll make it out.

286

00:23:45,126 --> 00:23:49,126

I didn't do it on purpose.
I didn't mean to run away.

287

00:23:49,834 --> 00:23:52,584

I used to do it all
the time. I just...

288

00:23:53,126 --> 00:23:54,418

It was just for fun.

289

00:23:54,501 --> 00:23:56,126

It wasn't your fault, Leia.

290

00:24:00,418 --> 00:24:01,626

I miss home.

291

00:24:05,126 --> 00:24:06,376

You'll be home very soon.

292

00:24:06,626 --> 00:24:09,543

WOMAN: That's good. Stack it.
Stack it all the way to the right.

293

00:24:15,793 --> 00:24:17,043

(WHISPERS) Come on.

294

00:24:26,001 --> 00:24:28,959

Droid maintenance. It's all
automated. No one ever comes in here.

295

00:24:32,084 --> 00:24:36,084

Oh, it's all right. He's on
our side. Designation's NED-B.

296

00:24:36,959 --> 00:24:38,168

Hi, NED-B.

297

00:24:39,418 --> 00:24:42,084

This is L0-LA59.

298

00:24:43,501 --> 00:24:44,668

Lola, say hello.

299

00:24:44,751 --> 00:24:45,751

(LOLA BEEPING)

300

00:24:47,084 --> 00:24:50,251

Uh, he's just a loader. They
don't allow them to communicate.

301

00:24:50,834 --> 00:24:52,626

But what if he has
something to say?

302

00:24:53,959 --> 00:24:55,543

Actions speak louder than words.

303

00:25:09,334 --> 00:25:10,501

OBI-WAN: What is this place?

304

00:25:12,209 --> 00:25:15,543

We have safehouses like
this throughout the galaxy.

305

00:25:15,626 --> 00:25:17,126

Trying to link the systems.

306

00:25:18,584 --> 00:25:20,001

Some call it the Path.

307

00:25:22,084 --> 00:25:24,209

You're not the first Jedi
to come through here.

308

00:25:25,959 --> 00:25:27,168

It all leads to Jabiiim,

309

00:25:27,251 --> 00:25:31,126

and from there, we give them
new identities and get them out.

310

00:25:32,459 --> 00:25:35,168

There's a lot of good people
risking their lives out there.

311

00:25:37,334 --> 00:25:38,376

Are they all Jedi?

312

00:25:39,001 --> 00:25:40,251

OFFICER: Not all. (CHUCKLES)

313

00:25:41,376 --> 00:25:44,668

These days, the Empire hunts
anyone who's Force-sensitive.

314

00:25:46,209 --> 00:25:47,251

Even children.

315

00:25:48,043 --> 00:25:49,293

What happens to them?

316

00:25:51,168 --> 00:25:53,001

We're not sure.

317

00:25:53,084 --> 00:25:54,626

But no one ever sees them again.

318

00:26:01,543 --> 00:26:02,876

Quinlan was here.

319

00:26:02,959 --> 00:26:05,334

Yeah, he helps now and again.

320

00:26:05,418 --> 00:26:06,751

Smuggling younglings.

321

00:26:12,001 --> 00:26:13,168

LEIA: What does it say?

322

00:26:15,043 --> 00:26:18,918

"Only when the eyes are
closed can you truly see."

323

00:26:19,459 --> 00:26:20,501

LEIA: See what?

324

00:26:24,126 --> 00:26:25,209

The Way.

325

00:26:27,709 --> 00:26:29,168

(KNOCK AT DOOR)

326

00:26:29,918 --> 00:26:31,238

STORMTROOPER 1:

Open up in there.

327

00:26:31,376 --> 00:26:32,793

(KNOCKING CONTINUES)

328

00:26:33,418 --> 00:26:34,918

I said open up.

329

00:26:35,334 --> 00:26:37,334

(KNOCKING CONTINUES)

330

00:26:38,251 --> 00:26:39,834

Open up. Now!

331

00:26:52,334 --> 00:26:54,174

STORMTROOPER 2: We need
to search the premises.

332

00:26:58,209 --> 00:27:00,501

A Jedi was seen
entering this camp.

333

00:27:08,043 --> 00:27:09,418

You seen anyone?

334

00:27:12,168 --> 00:27:13,168

Hey!

335

00:27:14,251 --> 00:27:15,584

I'm talking to you.

336

00:27:22,251 --> 00:27:25,251

STORMTROOPER 1: It's just a
loader. It doesn't understand.

337

00:27:25,334 --> 00:27:28,043

Come on. Let's try the next one.

338

00:27:45,126 --> 00:27:46,584

(SIGHS)

339

00:27:46,751 --> 00:27:49,043

We've been compromised. We're
coming to you right now.

340

00:27:49,126 --> 00:27:51,227

- PILOT: *We're not ready. We need more...*

- I don't care.

341

00:27:51,251 --> 00:27:53,001

Get the ship ready, and hurry.

342

00:27:54,918 --> 00:27:57,418

Someone must have seen us.

We're moving up the timeline.

343

00:28:02,959 --> 00:28:03,959

Is it scary?

344

00:28:05,459 --> 00:28:06,876

Having to pretend?

345

00:28:07,459 --> 00:28:10,709

Yeah, sometimes. But it's
worth it if I can help people.

346

00:28:15,209 --> 00:28:17,668

I wear it on the other side.

Gives me a faster draw.

347

00:28:17,751 --> 00:28:19,834

Can you teach me how to shoot?

348

00:28:20,543 --> 00:28:23,959

Leia, come and get ready.

349

00:28:24,043 --> 00:28:25,959

She'll make a good

fighter one day.

350

00:28:27,543 --> 00:28:29,709

- Yes, I think you might be right.

- Yes.

351

00:28:32,251 --> 00:28:35,209

Why do you do this?

Risk everything?

352

00:28:35,293 --> 00:28:38,043

I joined up when the

Empire stood for something.

353

00:28:38,126 --> 00:28:42,293

By the time I realized what they
really were, it was too late.

354

00:28:42,376 --> 00:28:44,001

I made some mistakes.

355

00:28:44,918 --> 00:28:46,001

We all did.

356

00:28:46,793 --> 00:28:49,584

OFFICER: I can't imagine Obi-Wan
Kenobi doing anything wrong.

357

00:28:49,668 --> 00:28:51,751

It's just Ben these days.

358

00:28:53,084 --> 00:28:54,626

Well, Tala.

359

00:28:57,876 --> 00:28:59,668

Come on, this will take us out.

360

00:29:05,668 --> 00:29:07,709

(GASPING)

361

00:29:10,709 --> 00:29:13,084

Ben? What is it?

362

00:29:15,501 --> 00:29:16,501

Ben.

363

00:29:19,168 --> 00:29:20,876

(BREATH TREMBLING)

364

00:29:29,209 --> 00:29:30,418

(FEMALE SHRIEKS IN DISTANCE)

365

00:29:30,501 --> 00:29:31,751

MAN: Go inside. Inside now.

366

00:29:31,834 --> 00:29:33,501

WOMAN: No. MAN: Inside.

Go. Go right now.

367

00:29:33,584 --> 00:29:35,418

Just move! Move!

368

00:29:36,959 --> 00:29:38,418

(DARTH VADER BREATHING HEAVILY)

369

00:29:41,418 --> 00:29:43,001

(GASPS)

370

00:29:53,959 --> 00:29:56,126

(DARTH VADER CONTINUES
BREATHING HEAVILY)

371

00:29:59,334 --> 00:30:00,876

(BREATHING HEAVILY)

372

00:30:14,668 --> 00:30:17,043

(WHISPERS) Let's get back
in the room. Go. Go. Now.

373

00:30:39,334 --> 00:30:40,543

(BREATH TREMBLING)

374

00:30:43,751 --> 00:30:45,376

(DRAMATIC MUSIC PLAYS)

375

00:30:45,668 --> 00:30:47,209

(GRUNTS) No!

376

00:30:47,293 --> 00:30:49,334

- BOY: Stop! No!

- (GRUNTS)

377

00:30:50,168 --> 00:30:51,876

- (GASPING)

- BOY: Stop!

378

00:30:52,251 --> 00:30:53,418

(CHOKING)

379

00:30:57,251 --> 00:30:58,251

BOY: Dad!

380

00:31:01,376 --> 00:31:02,376

Please.

381

00:31:02,459 --> 00:31:03,459

- (NECK SNAPS)

- No!

382

00:31:06,709 --> 00:31:09,334

(SOBBING)

383

00:31:10,001 --> 00:31:11,459

(WHISPERING) Come.

We have to go now.

384

00:31:12,334 --> 00:31:13,501

Come on!

385

00:31:14,709 --> 00:31:15,709

Leia.

386

00:31:16,251 --> 00:31:19,209

- Go with Tala. I'll be right behind you.

- (WHIMPERS)

387

00:31:19,793 --> 00:31:21,293

Get her to Alderaan.

388

00:31:21,793 --> 00:31:24,626

- Promise me. Promise me.

- Okay.

389

00:31:24,709 --> 00:31:26,001

I'll lead them away.

390

00:31:34,418 --> 00:31:36,043

(GROANING)

391

00:31:38,001 --> 00:31:41,459

(SCREAMING)

392

00:31:50,376 --> 00:31:52,459

(WHIMPERING)

393

00:31:54,918 --> 00:31:56,459

(WHIMPERING)

394

00:31:59,168 --> 00:32:00,751

(DARTH VADER BREATHING HEAVILY)

395

00:32:07,209 --> 00:32:09,501

He said not to engage.

396

00:32:10,168 --> 00:32:13,834

We're to sweep the
town, search for others.

397

00:32:35,751 --> 00:32:38,376

(PANTING)

398

00:32:46,834 --> 00:32:48,751

(DRAMATIC MUSIC PLAYS)

399

00:32:55,459 --> 00:32:59,376

(PANTING)

400

00:33:21,626 --> 00:33:25,293

DARTH VADER: You

cannot run, Obi-Wan.

401

00:33:29,043 --> 00:33:30,459

(BREATHING HEAVILY)

402

00:33:45,084 --> 00:33:46,918

(DARTH VADER BREATHING HEAVILY)

403

00:33:55,084 --> 00:33:56,584

What have you become?

404

00:33:59,418 --> 00:34:02,918

DARTH VADER: I am

what you made me.

405

00:34:08,251 --> 00:34:09,376

(BREATHING HEAVILY)

406

00:34:10,418 --> 00:34:12,501

STORMTROOPER: Move.

Everybody out. Everybody out.

407

00:34:12,793 --> 00:34:14,668

(INDISTINCT CHATTER)

408

00:34:15,834 --> 00:34:16,918

FIFTH BROTHER: Move!

409

00:34:17,001 --> 00:34:18,801

MAN: Just please, please,
just leave us alone.

410

00:34:22,959 --> 00:34:25,251

STORMTROOPER: Get in
line. MAN: I know nothing.

411

00:34:25,334 --> 00:34:26,751

STORMTROOPER: Stay
where you are.

412

00:34:31,751 --> 00:34:33,418

LEIA: You have to help him.

413

00:34:33,501 --> 00:34:34,543

TALA: He'll be fine.

414

00:34:34,626 --> 00:34:38,459

No, he won't be. I can make
it on my own from here.

415

00:35:16,959 --> 00:35:20,668

(GRUNTING)

416

00:35:26,876 --> 00:35:29,584

(GRUNTING)

417

00:35:33,584 --> 00:35:35,959

DARTH VADER: The years
have made you weak.

418

00:35:39,626 --> 00:35:41,668

(PANTING)

419

00:35:47,168 --> 00:35:48,168

Go.

420

00:35:55,584 --> 00:35:59,001

Keep running till you reach the
port. A pilot will meet you there.

421

00:36:00,126 --> 00:36:01,126

Okay.

422

00:36:08,626 --> 00:36:09,709

Bring him back.

423

00:36:17,709 --> 00:36:20,709

(BOTH GRUNTING)

424

00:36:37,543 --> 00:36:42,418

You should've killed me
when you had the chance.

425

00:36:42,584 --> 00:36:44,001

(PANTING)

426

00:37:24,043 --> 00:37:25,043

(GRUNTS)

427

00:37:26,168 --> 00:37:27,834

(PANTING)

428

00:37:48,959 --> 00:37:51,251

(PANTING)

429

00:37:55,876 --> 00:37:57,043

(GRUNTS)

430

00:37:59,251 --> 00:38:00,501

(GASPS)

431

00:38:00,584 --> 00:38:04,751

(GROANING)

432

00:38:15,334 --> 00:38:19,334

(CONTINUES GROANING)

433

00:38:22,584 --> 00:38:27,543

Now you will suffer, Obi-Wan.

434

00:38:28,626 --> 00:38:30,001

(GRUNTS)

435

00:38:33,126 --> 00:38:35,584

(SCREAMING)

436

00:38:40,626 --> 00:38:45,043

Your pain has just begun.

437

00:38:53,834 --> 00:38:55,418

(OBI-WAN CONTINUES SCREAMING)

438

00:39:01,751 --> 00:39:03,376

DARTH VADER: Bring him to me.

439

00:39:07,501 --> 00:39:08,543

(STORMTROOPER GROANS)

440

00:39:08,668 --> 00:39:10,852

STORMTROOPER 1: Heads down!

STORMTROOPER 2: Secure the area!

441

00:39:10,876 --> 00:39:12,168

(BREATHING HEAVILY)

442

00:39:15,793 --> 00:39:17,501

(STORMTROOPERS SCREAM)

443

00:39:17,584 --> 00:39:19,584

(BREATHING HEAVILY)

444

00:39:21,001 --> 00:39:23,084

STORMTROOPER 1: Fire!

STORMTROOPER 2: Blast him!

445

00:39:23,168 --> 00:39:24,584

STORMTROOPER: Can't see a thing.

446

00:39:24,959 --> 00:39:25,959

STORMTROOPER: Stop him!

447

00:39:28,501 --> 00:39:29,834

STORMTROOPER: Advance!

448

00:39:31,251 --> 00:39:32,793

STORMTROOPER: I

can't get through!

449

00:39:35,709 --> 00:39:37,251

STORMTROOPER: Go now! Go!

450

00:39:38,876 --> 00:39:40,376

STORMTROOPER: I

can't see anything.

451

00:39:40,793 --> 00:39:42,418

STORMTROOPER: There's

no way around.

452

00:39:44,834 --> 00:39:46,709

(BREATHING HEAVILY)

453

00:39:55,084 --> 00:39:56,709

STORMTROOPER: Everybody out!

454

00:39:56,793 --> 00:39:59,084

MALE 1: What's going... MALE

2: Wait. What's happening?

455

00:39:59,168 --> 00:40:00,208

FOURTH SISTER: Understood.

456

00:40:00,251 --> 00:40:01,691

STORMTROOPER: Get
down! Do not move.

457

00:40:02,376 --> 00:40:05,084

They lost him. He had help.
We're to sweep the planet.

458

00:40:05,709 --> 00:40:07,251

Now we'll never find him.

459

00:40:11,668 --> 00:40:14,126

Ready the transport. We
have to get him to Jabiiim.

460

00:40:15,168 --> 00:40:17,543

- (OBI-WAN GROANING)
- You're going to be okay.

461

00:40:31,251 --> 00:40:32,459

VOICE: Don't be afraid.

462

00:40:33,668 --> 00:40:34,876

Come closer.

463

00:40:35,959 --> 00:40:38,209

Are you the one I'm

supposed to meet?

464

00:40:39,959 --> 00:40:44,876

Unfortunately, they couldn't make
it, but I'll take you from here.

465

00:40:51,793 --> 00:40:53,793

(THEME MUSIC PLAYING)

EP4: Part IV

1

00:00:01,958 --> 00:00:04,000

<i>This is where he

told us to come to.</i>

2

00:00:04,916 --> 00:00:06,875

Maybe they're just late?

3

00:00:06,958 --> 00:00:10,125

Maybe it was a lie. I knew it!

I never should've trusted him.

4

00:00:10,208 --> 00:00:13,750

- We don't know if maybe...

- No one is coming here, Leia.

5

00:00:15,000 --> 00:00:21,541

Prove yourself, and the position
of Grand Inquisitor is yours.

6

00:00:22,583 --> 00:00:24,958

We should send out
all remaining probes now.

7

00:00:28,083 --> 00:00:32,500

A couple of strays I found.
Thought you might wanna check 'em out.

8

00:00:32,583 --> 00:00:33,783

Raise your head.

9

00:00:36,083 --> 00:00:38,291

Get down! Get down on the ground!

10

00:00:40,125 --> 00:00:42,125

Come on.

I'll take you the rest of the way.

11

00:00:44,000 --> 00:00:47,416

*We have safe houses like this
throughout the galaxy.*

12

00:00:47,500 --> 00:00:49,166

Some call it the Path.

13

00:00:49,250 --> 00:00:52,583

*These days, the Empire
hunts anyone who's Force-sensitive.*

14

00:00:54,166 --> 00:00:55,166

<i>Ben?</i>

15

00:00:59,750 --> 00:01:01,250

<i>What have you become?</i>

16

00:01:03,666 --> 00:01:07,458

<i>I am what you made me.</i>

17

00:01:12,291 --> 00:01:13,291

Advance!

18

00:01:13,375 --> 00:01:15,916

Ready the transport.

We have to get him to Jabiiim.

19

00:01:17,958 --> 00:01:20,166

Are you the one

I'm supposed to meet?

20

00:01:20,958 --> 00:01:22,458

I'll take you from here.

21

00:02:25,125 --> 00:02:26,125

Ben.

22

00:02:29,458 --> 00:02:31,958

Ben, stay with me. You're gonna be okay.

23

00:02:35,333 --> 00:02:36,416

Hold on.

24

00:02:45,875 --> 00:02:47,583

Get the bacta tank ready.

25

00:02:52,541 --> 00:02:54,291

Bacta tank is right this way.

26

00:03:20,625 --> 00:03:23,083

<i>The years have made you weak.</i>

27

00:03:30,916 --> 00:03:35,583

<i>You should've killed me
when you had the chance.</i>

28

00:03:46,708 --> 00:03:48,041

Don't. Don't.

29

00:03:48,125 --> 00:03:49,392

You're still not healed!

30

00:03:49,416 --> 00:03:51,958

Your burns, your body,
they just need time.

31

00:03:52,041 --> 00:03:53,083

Where...

32

00:03:53,166 --> 00:03:55,833

We're on Jabiim. You're safe now.

33

00:03:57,666 --> 00:03:58,791

Where's Leia?

34

00:04:06,125 --> 00:04:10,166

You can't keep me here.

My father is Bail Organa, he's a senator.

35

00:04:11,125 --> 00:04:13,708

I am a princess of Alderaan.

36

00:04:17,250 --> 00:04:18,416

That's cute.

37

00:04:20,125 --> 00:04:22,583

You have no rights here, Princess.

38

00:04:23,583 --> 00:04:27,000

The Empire doesn't take kindly
to Jedi sympathizers.

39

00:04:27,083 --> 00:04:29,833

- He will come for me.

- Oh.

40

00:04:33,833 --> 00:04:35,708

Obi-Wan is dead.

41

00:04:41,541 --> 00:04:43,458

Nobody's coming for you.

42

00:04:51,000 --> 00:04:52,000

Roken.

43

00:04:52,666 --> 00:04:53,666

He shouldn't be here.

44

00:04:53,750 --> 00:04:56,041

- I know you're upset, but...

- I mean it.

45

00:04:56,750 --> 00:04:58,750

Get him on the first transport outta here.

46

00:04:58,833 --> 00:05:00,541

Too many people are looking for you.

47

00:05:00,625 --> 00:05:02,708

- You'll put us all in danger.

- I need your help.

48

00:05:02,791 --> 00:05:05,458

So does every kid making a rock float
from here to Coruscant.

49

00:05:05,541 --> 00:05:07,583

Someone very important to me
has been taken.

50

00:05:07,666 --> 00:05:09,125

I need your help to get her back.

51

00:05:09,208 --> 00:05:12,375

General, I'm sorry,
but that's not my problem.

52

00:05:12,458 --> 00:05:14,083

Well, I wish that were true.

53

00:05:15,458 --> 00:05:17,041

She knows everything.

54

00:05:17,875 --> 00:05:19,541

Where we are, what we're doing.

55

00:05:20,291 --> 00:05:23,125

Roken, if she finds us,
we need to prepare an evacuation.

56

00:05:23,208 --> 00:05:25,625

I can't shut it down.
Everything runs outta here.

57

00:05:25,708 --> 00:05:27,541

Then help us to get her back.

58

00:05:28,250 --> 00:05:29,708

I can't lose her.

59

00:05:30,458 --> 00:05:32,791

You've no idea
what the Empire is capable of.

60

00:05:39,833 --> 00:05:41,000

I had a wife once.

61

00:05:41,416 --> 00:05:43,875

I knew exactly what she was
before we got married.

62

00:05:44,458 --> 00:05:45,666

We tried to hide it.

63

00:05:46,791 --> 00:05:48,958

And the Inquisitors found her anyway.

64

00:05:51,833 --> 00:05:55,041

So I know exactly what the Empire can do.

65

00:06:04,291 --> 00:06:07,000

Look, if you want my help, you got it.

66

00:06:13,166 --> 00:06:15,375

Nur. It's a water moon.

67

00:06:16,166 --> 00:06:18,541

We got this off the grid
while it was being built.

68

00:06:18,625 --> 00:06:21,291

It's all we have.

It's in the Must a far system.

69

00:06:21,375 --> 00:06:22,375

That's Vader's system.

70

00:06:22,458 --> 00:06:24,791

- Is Vader there?

- We don't think so.

71

00:06:24,875 --> 00:06:28,750

Our intel shows he's still on his ship,
but he's close.

72

00:06:28,833 --> 00:06:32,375

So that's it? Fortress Inquisitorius.

73

00:06:32,458 --> 00:06:34,000

It's impenetrable, Wade.

74

00:06:34,083 --> 00:06:35,875

How far down do you think it goes?

75

00:06:35,958 --> 00:06:37,500

Have no idea.

76

00:06:37,583 --> 00:06:38,916

It's their base of operations,

77

00:06:39,000 --> 00:06:41,833

so probably got a command center,
a training facility.

78

00:06:41,916 --> 00:06:44,083

Truth is, nobody knows
what it looks like in there.

79

00:06:44,166 --> 00:06:45,375

I don't see any shields.

80

00:06:45,458 --> 00:06:48,041

That's because no one would be
stupid enough to attack them.

81

00:06:48,125 --> 00:06:50,291

We could take those speeders,
go in at night.

82

00:06:50,375 --> 00:06:51,958

You have some T-47s in the hangar.

83

00:06:52,041 --> 00:06:53,041

It's suicide.

84

00:06:53,125 --> 00:06:54,333

We need to find a way inside.

85

00:06:54,416 --> 00:06:57,333

Yeah, well, we're not soldiers.

Those speeders are for hauling sewage.

86

00:06:57,416 --> 00:06:58,750

She's ten years old.

87

00:06:58,833 --> 00:07:00,791

I won't leave her there.

I'll go on my own.

88

00:07:00,875 --> 00:07:03,208

You can barely stand.

You're not getting in there.

89

00:07:03,291 --> 00:07:04,375

I'll go with him.

90

00:07:06,666 --> 00:07:08,250

Well, I have officer clearance.

91

00:07:08,333 --> 00:07:10,833

I can get you inside,

and I can get you access.

92

00:07:10,916 --> 00:07:12,333

Is your cover still intact?

93

00:07:12,958 --> 00:07:14,583

We'll find out soon enough.

94

00:07:15,166 --> 00:07:17,916

We're wasting time.

Get my ship fueled and ready.

95

00:07:45,083 --> 00:07:46,250

I'll be all right.

96

00:07:47,708 --> 00:07:50,500

Your body is not the only thing
that needs to heal, Ben.

97

00:07:51,291 --> 00:07:53,041

The past is a hard thing to forget.

98

00:07:53,125 --> 00:07:55,166

And you just need time, that's all.

99

00:07:57,291 --> 00:07:59,125

Some things can't be forgotten.

100

00:08:00,916 --> 00:08:02,708

You care about Leia?

101

00:08:04,708 --> 00:08:06,333

Then you're gonna have to try.

102

00:08:07,958 --> 00:08:09,416

We're almost there.

103

00:08:18,083 --> 00:08:22,041

We intercepted a transmission
on Balnab last year.

104

00:08:23,083 --> 00:08:26,291

Bunch of talk of a secret network. A Path.

105

00:08:28,125 --> 00:08:29,625

We thought it was a lie.

106

00:08:30,541 --> 00:08:33,708

But a safehouse,
like the one you were in,

107

00:08:34,458 --> 00:08:36,791

has been found in two systems.

108

00:08:43,958 --> 00:08:46,250

I need to find out where they are, Leia.

109

00:08:47,458 --> 00:08:49,875

And I think you know.

110

00:08:53,291 --> 00:08:54,541

How did he die?

111

00:08:56,541 --> 00:08:58,791

He burned to death on Mapuzo.

112

00:09:00,291 --> 00:09:03,250

The people I'm looking for

113

00:09:03,833 --> 00:09:06,333

left him there to die.

114

00:09:08,208 --> 00:09:12,750

If you tell me where the Path is,
you can go home to your family.

115

00:09:13,583 --> 00:09:16,375

This can all be over.

116

00:09:21,833 --> 00:09:23,791

I don't know anything about a Path.

117

00:09:27,416 --> 00:09:29,791

Well, let's think a little bit harder,
shall we?

118

00:09:53,291 --> 00:09:55,333

Prisoner transport 538.

119

00:10:27,625 --> 00:10:29,750

Identification.

120

00:10:29,833 --> 00:10:31,541

No admittance without clearance.

121

00:10:31,625 --> 00:10:32,833

I have officer class C.

122

00:10:32,916 --> 00:10:34,208

Now, please.

123

00:10:37,916 --> 00:10:38,916

Here.

124

00:10:59,625 --> 00:11:00,625

Is there a problem?

125

00:11:04,250 --> 00:11:07,458

This isn't your sector.

I can't let you through.

126

00:11:09,458 --> 00:11:10,625

And you are?

127

00:11:12,291 --> 00:11:14,666

I am the lead security on this level.

128

00:11:14,750 --> 00:11:17,708

Then I'm your commanding officer,

and you will address me as "Sir."

129

00:11:17,791 --> 00:11:19,291

Yes, sir, of course. But...

130

00:11:19,375 --> 00:11:22,750

Perhaps I should just inform
the Grand Inquisitor of your insolence.

131

00:11:25,666 --> 00:11:27,625

I'm here with classified intelligence.

132

00:11:27,708 --> 00:11:29,541

Do you know what "classified" means?

133

00:11:32,083 --> 00:11:33,083

Yes, sir.

134

00:11:34,083 --> 00:11:36,083

Then why am I wasting my breath on you?

135

00:11:36,583 --> 00:11:39,000

Yes, sir. Of course.

136

00:12:00,583 --> 00:12:03,208

All right, I'm inside the system.

Here we go.

137

00:12:15,125 --> 00:12:18,208

Ben, I'm overriding an entry port.

138

00:12:18,291 --> 00:12:20,583

<i>It should be right ahead of you.</i>

139

00:13:06,166 --> 00:13:07,291

I'm in.

140

00:13:18,541 --> 00:13:20,500

Is this a staring contest?

141

00:13:27,458 --> 00:13:28,666

You're strong.

142

00:13:31,083 --> 00:13:32,541

The braver you seem,

143

00:13:34,375 --> 00:13:35,916

the more afraid you are.

144

00:13:37,458 --> 00:13:39,791

I learned that

at a very young age as well.

145

00:13:52,791 --> 00:13:55,041

I had a droid when I was younger, too.

146

00:13:56,041 --> 00:13:57,833

It was taken from me.

147

00:13:59,458 --> 00:14:00,875

Like everything else.

148

00:14:07,041 --> 00:14:08,583

God, look at this place.

149

00:14:09,125 --> 00:14:11,083

What are they keeping down there?

150

00:14:14,583 --> 00:14:15,833

Where is she?

151

00:14:15,916 --> 00:14:18,458

<i>Detention area's in a secure sector.</i>

152

00:14:18,541 --> 00:14:20,125

<i>Just keep heading north.</i>

153

00:14:21,166 --> 00:14:22,416

Seeker droid.

154

00:14:25,541 --> 00:14:26,791

<i>Yeah, I see it.</i>

155

00:14:28,916 --> 00:14:30,541

Looks like they're everywhere.

156

00:14:31,083 --> 00:14:32,208

You'll need to...

157

00:14:33,875 --> 00:14:35,375

This isn't your station.

158

00:14:37,833 --> 00:14:39,791

Let me see some identification.

159

00:14:44,083 --> 00:14:45,208

Come with me.

160

00:14:49,083 --> 00:14:50,333

Tala?

161

00:14:51,833 --> 00:14:52,916

<i>Tala, can you hear me?</i>

162

00:15:23,583 --> 00:15:24,583

Tala?

163

00:15:34,166 --> 00:15:36,500

This place gives me the creeps.

164

00:15:37,833 --> 00:15:40,916

Hopefully we won't
be stationed here for long.

165

00:15:49,625 --> 00:15:50,625

Ben?

166

00:15:52,958 --> 00:15:54,083

Did you hear that?

167

00:16:18,833 --> 00:16:20,250

Over there. Let's go.

168

00:16:28,250 --> 00:16:29,333

What happened?

169

00:16:31,125 --> 00:16:32,875

I had some company.

170

00:16:35,500 --> 00:16:37,083

But it's been taken care of.

171

00:16:46,625 --> 00:16:49,083

I know what it's like being alone.

172

00:16:52,250 --> 00:16:53,750

Kenobi is gone.

173

00:16:55,250 --> 00:16:57,416

The people you're trying to protect,

174

00:16:58,750 --> 00:17:02,666

they are not coming for you.

175

00:17:04,250 --> 00:17:07,958

The only person

that can save you now, Leia,

176

00:17:09,208 --> 00:17:10,333

is you.

177

00:17:15,875 --> 00:17:17,291

Tell me where they are.

178

00:17:21,041 --> 00:17:23,166

We're all on the same side here.

179

00:17:23,250 --> 00:17:26,208

These people, they'll leave you too.

180

00:17:26,291 --> 00:17:27,416

To die.

181

00:17:27,500 --> 00:17:28,500

Okay.

182

00:17:34,458 --> 00:17:36,041

I'll tell you where they are.

183

00:17:37,250 --> 00:17:39,208

I just don't want anyone to get hurt...

184

00:17:39,291 --> 00:17:41,875

I give you my word.

185

00:17:44,791 --> 00:17:46,541

I'll have to tell my father first.

186

00:17:48,166 --> 00:17:51,375

But that's okay, right?

You said we're all on the same side.

187

00:17:54,125 --> 00:17:55,833

Nice try, Princess.

188

00:17:57,458 --> 00:17:58,750

I hope you like pain.

189

00:17:58,833 --> 00:18:02,708

- I'll never tell you where they are!

- Then it's time to make those tears real.

190

00:18:02,791 --> 00:18:05,500

Let go! Let go of me!

191

00:18:08,291 --> 00:18:10,458

<i>Ben, where are you?</i>

192

00:18:10,541 --> 00:18:13,041

I think I just found

the secure sector.

193

00:18:26,916 --> 00:18:29,333

Let go! Let go!

194

00:18:31,250 --> 00:18:34,625

Help! Somebody help! Help me, please!

195

00:18:36,000 --> 00:18:37,041

What are you doing to me?

196

00:18:41,208 --> 00:18:44,375

Let go! Let me out!

197

00:18:44,958 --> 00:18:46,875

Help! Somebody help, please!

198

00:18:55,666 --> 00:18:56,750

<i>Ben, what is it?</i>

199

00:18:59,750 --> 00:19:02,791

I think I've just found out
what they're hiding down here.

200

00:19:03,833 --> 00:19:05,625

This place isn't a fortress.

201

00:19:07,666 --> 00:19:08,916

It's a tomb.

202

00:19:11,833 --> 00:19:14,125

You are gonna tell me what I wanna know!

203

00:19:17,833 --> 00:19:19,291

What are you doing to me?

204

00:19:19,375 --> 00:19:23,541

The same thing I do to anyone
who doesn't embrace the Empire.

205

00:19:33,041 --> 00:19:35,166

This is your last chance, Leia.

206

00:19:41,041 --> 00:19:43,458

- Say something!

- I'll never tell you!

207

00:19:43,541 --> 00:19:45,458

Then your choice is made.

208

00:20:06,791 --> 00:20:08,916

Help! Somebody help, please!

209

00:20:10,166 --> 00:20:12,041

Tala, I need a distraction.

210

00:20:12,791 --> 00:20:13,916

Why? What's happened?

211

00:20:14,000 --> 00:20:15,125

Just do it, now.

212

00:20:21,083 --> 00:20:23,375

Help! Somebody help, please!

213

00:20:24,250 --> 00:20:25,875

I'm sorry, Leia, I really am.

214

00:20:26,833 --> 00:20:28,291

You did this to yourself!

215

00:20:28,375 --> 00:20:30,125

What are you doing to me?

216

00:20:30,208 --> 00:20:33,416

Please! Help! Help! Somebody help!

217

00:20:35,041 --> 00:20:36,791

I was told it cannot wait.

218

00:20:50,208 --> 00:20:51,250

I'm sorry to intrude.

219

00:20:53,250 --> 00:20:55,875

I... I understand

that you're leading the hunt

220

00:20:55,958 --> 00:20:58,541

- for the network they call the Path.

- Just speak.

221

00:20:59,708 --> 00:21:02,333

I was stationed on Mapuzo

when the hunt began.

222

00:21:02,416 --> 00:21:05,000

- Ranking officer...

- Qualifications for discharge.

223

00:21:05,625 --> 00:21:06,916

They're on Florrum.

224

00:21:07,708 --> 00:21:09,833

The network runs out of the Sertar sector.

225

00:21:09,916 --> 00:21:13,166

They use a salvage business

to launder goods, render new identities,

226

00:21:13,250 --> 00:21:14,541

and fly the Jedi out.

227

00:21:15,708 --> 00:21:18,041

I found evidence before the escape.

228

00:21:18,125 --> 00:21:19,250

Impressive.

229

00:21:20,041 --> 00:21:22,625

We need to direct all resources
there immediately,

230

00:21:22,708 --> 00:21:24,958

and take the network out at its root.

231

00:21:26,458 --> 00:21:28,041

Unless, of course,

232

00:21:29,458 --> 00:21:30,625

you're lying.

233

00:21:45,416 --> 00:21:46,736

There's no way out.

234

00:21:48,166 --> 00:21:49,208

Stand where you are.

235

00:22:03,291 --> 00:22:04,750

You're alive.

236

00:22:04,833 --> 00:22:06,416

They told me you were dead.

237

00:22:07,791 --> 00:22:10,000

- I didn't tell them anything.

- I know.

238

00:22:10,833 --> 00:22:13,208

Come with me. I'm gonna get you home.

239

00:22:18,250 --> 00:22:22,500

It makes sense the Path

would have people among us.

240

00:22:24,375 --> 00:22:25,666

Eyes.

241

00:22:26,958 --> 00:22:32,375

What does not make sense
is how an old man and a little girl

242

00:22:32,458 --> 00:22:36,458

escaped an Imperial checkpoint
on your planet.

243

00:22:38,833 --> 00:22:41,958

Unless they had help.

244

00:22:42,041 --> 00:22:44,041

I will not have my integrity questioned.

245

00:22:44,125 --> 00:22:46,500

Then admit you're a spy!

246

00:22:46,916 --> 00:22:48,000

Of course I am.

247

00:22:49,875 --> 00:22:54,125

I spent two years undercover
trying to find out where they were hidden.

248

00:22:55,333 --> 00:22:58,875

When Kenobi came, they panicked,
and I got inside.

249

00:22:58,958 --> 00:23:02,250

- You expect me to believe this?
- Look, I couldn't tell anybody.

250

00:23:02,333 --> 00:23:04,916

If they found out, I would've been killed.

251

00:23:05,458 --> 00:23:06,958

Look, I promise you,

252

00:23:08,458 --> 00:23:09,750

he's on Florrum.

253

00:23:32,333 --> 00:23:34,166

I do like a good liar.

254

00:23:36,458 --> 00:23:40,916

I don't know if you're lying to me
or for me, but we'll see.

255

00:23:42,500 --> 00:23:43,958

Take her to interrogation.

256

00:23:44,916 --> 00:23:47,041

If the debriefing confirms it, then...

257

00:23:49,166 --> 00:23:50,458

It's him.

258

00:23:56,458 --> 00:23:58,375

Tala! Tala, we're in the open!

259

00:24:04,416 --> 00:24:06,625

Where are you?

260

00:24:30,666 --> 00:24:31,708

Leia!

261

00:24:51,333 --> 00:24:52,333

Hide!

262

00:25:03,750 --> 00:25:05,416

Blast him. Keep blasting.

263

00:25:24,541 --> 00:25:25,666

Ben, the window!

264

00:25:32,166 --> 00:25:33,208

Ben!

265

00:25:33,291 --> 00:25:34,375

Tala!

266

00:25:40,000 --> 00:25:43,291

Tala! Get her out of here. I'll hold it.

267

00:25:45,416 --> 00:25:46,416

Come on.

268

00:26:16,208 --> 00:26:17,208

Run!

269

00:26:27,958 --> 00:26:29,750

This won't hold for long.

270

00:26:31,833 --> 00:26:34,000

Put this on. This way.

271

00:26:47,708 --> 00:26:50,750

I want the base shut down now!

272

00:26:51,375 --> 00:26:53,708

Third Sister will suffer for this.

273

00:26:55,125 --> 00:26:56,458

This is her doing.

274

00:27:08,375 --> 00:27:09,375

Almost there.

275

00:27:21,083 --> 00:27:22,416

A traitor!

276

00:27:24,958 --> 00:27:28,750

A child and an old man.

Was it worth it?

277

00:27:31,458 --> 00:27:33,250

Betraying everything you are.

278

00:27:33,791 --> 00:27:35,500

This was never who I was.

279

00:27:36,000 --> 00:27:37,125

Then you die...

280

00:27:38,708 --> 00:27:39,750

For nothing.

281

00:28:24,583 --> 00:28:25,958

Come on. Get in.

282

00:28:27,750 --> 00:28:29,041

Get in. Get in.

283

00:28:34,875 --> 00:28:35,916

Wade!

284

00:28:36,166 --> 00:28:37,583

I got you, Sully, just go!

285

00:28:41,833 --> 00:28:43,125

Wade, leave her, come on.

286

00:28:43,208 --> 00:28:44,583

All right, I'm on my way.

287

00:28:45,333 --> 00:28:46,666

Destroy them!

288

00:28:50,125 --> 00:28:51,875

All right, I'm right behind you.

289

00:28:53,833 --> 00:28:54,916

Wade!

290

00:29:22,625 --> 00:29:26,958

You were warned what defeat would bring.

291

00:29:28,791 --> 00:29:34,458

I will tolerate your weakness no longer.

292

00:29:40,916 --> 00:29:42,041

I let them go.

293

00:29:48,125 --> 00:29:49,875

I put a tracker on their ship.

294

00:29:51,500 --> 00:29:55,333

Soon, the location of the network
and Kenobi will be ours.

295

00:30:00,166 --> 00:30:04,333

It seems I have underestimated you.

296

00:30:04,416 --> 00:30:06,916

But, my lord,
the base was almost destroyed...

297

00:30:07,000 --> 00:30:08,833

Kenobi is all that matters.

298

00:30:10,250 --> 00:30:13,041

There can be no mistakes.

299

00:30:13,125 --> 00:30:16,875

You're certain the tracker is with him?

300

00:30:18,916 --> 00:30:20,041

Yes, my lord.

301

00:30:21,958 --> 00:30:25,708

Where he goes, it will follow.

302

00:30:59,500 --> 00:31:00,583

Where's Wade?

303

00:31:08,458 --> 00:31:10,500

Guess you're soldiers now after all.

EP5: Part V

1

00:00:01,250 --> 00:00:04,250

*We intercepted a transmission
on Balnab.*

2

00:00:04,375 --> 00:00:07,416

Bunch of talk of a secret network.

3

00:00:09,666 --> 00:00:11,583

I need to find out where they are, Leia.

4

00:00:15,000 --> 00:00:17,750

Too many people are looking for you.

You put us all in danger.

5

00:00:17,833 --> 00:00:18,916

I need your help.

6

00:00:19,000 --> 00:00:21,958

<i>She's ten years old.

I won't leave her there.</i>

7

00:00:22,041 --> 00:00:24,083

Let go! Let me out!

8

00:00:24,625 --> 00:00:25,791

<i>It's suicide.</i>

9

00:00:25,875 --> 00:00:26,916

<i>I'll go with him.</i>

10

00:00:27,000 --> 00:00:28,416

<i>I have officer clearance.</i>

11

00:00:28,500 --> 00:00:30,833

<i>I can get you inside,
and I can get you access.</i>

12

00:00:31,500 --> 00:00:32,500

Here we go.

13

00:00:35,750 --> 00:00:37,083

<i>A traitor!</i>

14

00:00:37,916 --> 00:00:41,833

<i>A child and an old man.

Was it worth it?*</i>*

15

00:00:44,083 --> 00:00:46,083

Betraying everything you are.

16

00:00:46,166 --> 00:00:47,750

This was never who I was.

17

00:00:51,666 --> 00:00:53,250

Come on. Get in.

18

00:00:55,708 --> 00:00:57,083

All right, I'm right behind you.

19

00:00:59,041 --> 00:01:00,041

Wade!

20

00:01:00,916 --> 00:01:04,416

You're certain the tracker is with him?

21

00:01:05,041 --> 00:01:06,291

Yes, my Lord.

22

00:01:08,041 --> 00:01:09,125

Where he goes,

23

00:01:10,333 --> 00:01:11,500

it will follow.

24

00:02:08,333 --> 00:02:09,500

Ah, there you are.

25

00:02:12,041 --> 00:02:14,958

Was beginning to think
you weren't coming, Master.

26

00:02:15,708 --> 00:02:16,708

Good.

27

00:02:16,791 --> 00:02:19,208

Then, maybe I stand
more of a chance this time.

28

00:02:21,625 --> 00:02:22,875

Are you ready?

29

00:02:26,083 --> 00:02:27,125

Are you?

30

00:02:29,458 --> 00:02:30,791

Then, let's begin.

31

00:02:45,875 --> 00:02:46,916

My Lord.

32

00:02:49,666 --> 00:02:51,583

The Third Sister is here.

33

00:02:58,625 --> 00:03:03,208

It is my great honor
to be invited aboard, Lord Vader.

34

00:03:03,291 --> 00:03:05,958

I am not interested in civilities.

35

00:03:06,041 --> 00:03:08,125

Where is he?

36

00:03:08,208 --> 00:03:09,625

The tracker worked.

37

00:03:09,708 --> 00:03:11,708

He's arriving on Jabiiim as we speak.

38

00:03:13,666 --> 00:03:15,291

You have done well.

39

00:03:18,791 --> 00:03:20,250

Kneel...

40

00:03:26,333 --> 00:03:28,791

Grand Inquisitor.

41

00:03:37,000 --> 00:03:38,750

Set a course, Captain.

42

00:03:39,458 --> 00:03:42,000

We leave for Jabiim at once.

43

00:04:16,083 --> 00:04:17,083

We got her.

44

00:04:29,625 --> 00:04:30,666

Haja?

45

00:04:31,291 --> 00:04:32,708

What are you doing here?

46

00:04:32,791 --> 00:04:34,458

I had nowhere else to go.

47

00:04:34,541 --> 00:04:38,208

Right after I saw you, I got into a fight
with that scary lady Inquisitor.

48

00:04:38,875 --> 00:04:40,375

Now, I'm wanted by the Empire.

49

00:04:41,708 --> 00:04:44,208

But now, I know what it feels like
being a real Jedi.

50

00:04:44,916 --> 00:04:46,416

It's not easy.

51

00:04:47,750 --> 00:04:49,958

This place is a good
business opportunity though.

52

00:04:51,666 --> 00:04:52,666

On you go.

53

00:04:54,083 --> 00:04:55,375

Roken,

54

00:04:55,458 --> 00:04:58,333

that transport,

I need to get her back to Alderaan.

55

00:04:58,416 --> 00:05:01,208

Once we get all these people out of here,

I'll do whatever you want.

56

00:05:01,291 --> 00:05:02,583

They've been waiting for months.

57

00:05:02,666 --> 00:05:05,541

We used an old trade route to get them out

but the window's closing.

58

00:05:05,625 --> 00:05:07,750

We held it to help you get the kid.

59

00:05:07,833 --> 00:05:09,333

We only have a few hours.

60

00:05:12,916 --> 00:05:15,916

It's going to be all right.

The Path will protect us.

61

00:05:17,833 --> 00:05:19,500

We'll do whatever we can to help.

62

00:05:21,666 --> 00:05:23,541

All right, all right, let's hurry it up.

63

00:05:23,625 --> 00:05:26,541

Get ready for dust-off.

Leave anything you don't need.

64

00:05:36,666 --> 00:05:38,458

My Lord, we're approaching Jabiiim.

65

00:05:39,791 --> 00:05:42,083

Lock down the facility.

66

00:05:42,166 --> 00:05:45,041

If we seal them in now,
they can hold out for days.

67

00:05:45,125 --> 00:05:47,125

If we cannot break them...

68

00:05:48,041 --> 00:05:51,083

It is not them we need to break.

69

00:06:25,000 --> 00:06:29,041

"The light will fade,
but is never forgotten."

70

00:07:15,125 --> 00:07:17,291

- What's happening?
- The controls aren't responding.

71

00:07:17,375 --> 00:07:19,500

An Imperial Destroyer
just arrived in orbit above us.

72

00:07:19,583 --> 00:07:20,791

She must have tracked us.

73

00:07:20,875 --> 00:07:22,583

It's not her. It's Vader.

74

00:07:23,583 --> 00:07:25,000

He wants us to surrender.

75

00:07:25,500 --> 00:07:27,250

If we surrender, he'll kill us all.

76

00:07:27,333 --> 00:07:29,958

He'll attack next.

He hasn't the patience for a siege.

77

00:07:30,041 --> 00:07:31,250

How do you know?

78

00:07:40,916 --> 00:07:43,208

You grow too aggressive, Anakin.

Be mindful.

79

00:07:43,708 --> 00:07:46,250

A Jedi's goal is to defend life,

not take it.

80

00:07:49,125 --> 00:07:51,083

Mercy doesn't defeat an enemy, Master.

81

00:07:55,500 --> 00:07:57,291

Which is why you're gonna lose.

82

00:08:06,875 --> 00:08:08,666

Launch the attack.

83

00:08:18,416 --> 00:08:20,656

There, there. It'll be okay.

84

00:08:23,291 --> 00:08:24,291

Everyone.

85

00:08:26,083 --> 00:08:27,083

Everyone.

86

00:08:27,666 --> 00:08:30,041

I understand you're scared.

87

00:08:30,125 --> 00:08:31,875

The Empire will attack soon.

88

00:08:32,500 --> 00:08:34,000

They're stronger than us,

89

00:08:34,083 --> 00:08:35,958

better equipped, better trained.

90

00:08:36,041 --> 00:08:38,666

If we try and fight them,

we will not survive.

91

00:08:40,166 --> 00:08:41,875

But we do not need to fight them.

92

00:08:41,958 --> 00:08:45,000

We just need to hold them off long enough

to get you all out.

93

00:08:45,083 --> 00:08:48,000

Roken, how much time do you need

to override the doors?

94

00:08:48,083 --> 00:08:49,083

Three, four hours.

95

00:08:49,166 --> 00:08:50,416

You have one.

96

00:08:50,583 --> 00:08:52,166

And block every other remote access.

97

00:08:52,250 --> 00:08:56,291

Everyone else, we're gonna lock down
every other entrance in this facility.

98

00:08:56,375 --> 00:08:59,125

If we defend our position together,

99

00:09:00,666 --> 00:09:03,041

then by the time they get inside,
we'll be gone.

100

00:09:04,041 --> 00:09:05,125

You heard him.

101

00:09:06,458 --> 00:09:08,250

Let's move it, people! Let's go!

102

00:09:33,791 --> 00:09:34,791

Seal all the doors.

103

00:09:45,291 --> 00:09:47,833

Move. Move! Move! Move now!

104

00:09:47,916 --> 00:09:49,625

Steady fire! Steady fire!

105

00:09:49,708 --> 00:09:50,875

Go! Go! Go! Go! Go!

106

00:09:51,583 --> 00:09:53,083

Man positions!

107

00:09:53,500 --> 00:09:54,541

Attack!

108

00:09:58,583 --> 00:09:59,625

Lock it in.

109

00:10:01,125 --> 00:10:02,416

Full load, full power.

110

00:10:35,958 --> 00:10:37,000

Fire!

111

00:10:43,291 --> 00:10:44,291

Light 'em up!

112

00:10:48,541 --> 00:10:49,708

It's a heavy gun.

113

00:10:49,791 --> 00:10:51,711

They're trying to blast
through the outside door.

114

00:10:51,791 --> 00:10:54,000

Roken, we need the hangar roof open.

115

00:10:58,625 --> 00:11:00,625

Come on. Come on. Come on. Come on.

116

00:11:06,041 --> 00:11:07,166

That was underwhelming.

117

00:11:07,750 --> 00:11:08,833

I don't need your opinion.

118

00:11:08,916 --> 00:11:10,934

Did you try going in the vents
to see what's going on?

119

00:11:10,958 --> 00:11:13,250

I'm a little too big
to be crawling around in the vents.

120

00:11:13,333 --> 00:11:14,875

Would you like to try?

121

00:11:14,958 --> 00:11:16,416

I'm going to need a ladder.

122

00:11:17,791 --> 00:11:19,666

It's not playtime right now, Princess.

123

00:11:19,750 --> 00:11:20,791

Do as she asks.

124

00:11:22,250 --> 00:11:24,625

You trust me? I trust her.

125

00:11:24,708 --> 00:11:25,750

Get her the ladder.

126

00:11:29,916 --> 00:11:32,416

- Get her a ladder. Quick.

- Right away!

127

00:11:32,500 --> 00:11:33,500

Leia.

128

00:11:35,708 --> 00:11:36,708

Be careful.

129

00:11:39,458 --> 00:11:41,041

Haja, will you keep your eye on her?

130

00:11:41,125 --> 00:11:43,005

I am not a babysitter, Ben.

131

00:11:44,458 --> 00:11:45,458

I have to go.

132

00:11:49,000 --> 00:11:50,833

Okay. Okay, okay.

133

00:12:10,000 --> 00:12:14,625

*<i>I know we said no communication,
but your silence worries me.</i>*

134

00:12:16,708 --> 00:12:19,125

*<i>If he's found you,
if he's learned of the children...</i>*

135

00:12:19,833 --> 00:12:22,916

*<i>If I don't hear from you soon,
I'll head to Tatooine.</i>*

136

00:12:23,625 --> 00:12:25,250

<i>Owen will need help with the boy.</i>

137

00:12:26,541 --> 00:12:29,208

<i>I pray you're safe, Obi-Wan.</i>

138

00:12:31,500 --> 00:12:32,541

<i>Both of you.</i>

139

00:12:42,625 --> 00:12:43,750

Is everything all right?

140

00:12:46,625 --> 00:12:47,750

It will be.

141

00:12:54,750 --> 00:12:57,583

You know, I was following orders on Garel.

142

00:12:58,208 --> 00:13:00,000

The Empire said it was a roundup.

143

00:13:00,083 --> 00:13:02,541

People not paying their way,
taxes for the cause.

144

00:13:03,958 --> 00:13:04,958

They lied.

145

00:13:07,625 --> 00:13:11,916

There were four families,
all Force-sensitive,

146

00:13:12,000 --> 00:13:13,041

and we,

147

00:13:13,791 --> 00:13:15,000

we gathered them up.

148

00:13:17,291 --> 00:13:21,208

I didn't know who they were. I didn't know
what the Inquisitors would do.

149

00:13:22,208 --> 00:13:25,000

Fourteen people died,
and six of them were children,

150

00:13:25,083 --> 00:13:27,166

and I couldn't do anything to help them.

151

00:13:32,291 --> 00:13:33,791

So now, I do this.

152

00:13:38,333 --> 00:13:40,250

One for every one I get through.

153

00:13:44,083 --> 00:13:45,083

You're right, Ben.

154

00:13:46,416 --> 00:13:48,250

Some things you can't forget.

155

00:13:50,750 --> 00:13:52,750

But you can fight to make them better.

156

00:13:58,208 --> 00:13:59,250

We're in trouble.

157

00:14:08,708 --> 00:14:10,333

Here. Got enough rounds?

158

00:14:10,416 --> 00:14:12,333

I don't know how long it's gonna hold.

159

00:14:12,416 --> 00:14:13,500

We got a plan B here?

160

00:14:13,583 --> 00:14:15,666

We're going to have to slow them down.

161

00:14:15,750 --> 00:14:17,500

Tell the Inquisitor I want to talk.

162

00:14:20,166 --> 00:14:22,458

She started this when she kidnapped Leia.

163

00:14:24,083 --> 00:14:25,666

I'll buy as much time as I can.

164

00:14:28,708 --> 00:14:30,666

He's requesting to negotiate.

165

00:15:11,000 --> 00:15:15,125

If this is you stalling for time,
it won't work.

166

00:15:15,708 --> 00:15:17,958

Lord Vader will have you at any cost.

167

00:15:20,125 --> 00:15:21,541

You mean, Anakin.

168

00:15:22,916 --> 00:15:24,916

You knew who Vader was.

169

00:15:26,291 --> 00:15:28,541

Back on Daiyu, how did you know that?

170

00:15:31,291 --> 00:15:33,000

Vader would have kept that hidden,

171

00:15:34,583 --> 00:15:37,000

and you're too young to have known him.

172

00:15:39,708 --> 00:15:40,750

Unless...

173

00:15:45,541 --> 00:15:46,791

Unless you were there.

174

00:15:47,458 --> 00:15:48,833

It doesn't matter where I was.

175

00:15:48,916 --> 00:15:52,250

The night of Order 66,
you were a youngling.

176

00:15:52,333 --> 00:15:54,416

That's how you knew. You saw him.

177

00:15:54,500 --> 00:15:55,541

Stop.

178

00:15:55,625 --> 00:15:57,958

- Anakin killed the others.

- That's enough.

179

00:15:58,041 --> 00:15:59,458

He killed the other younglings,

180

00:15:59,541 --> 00:16:01,141

- but somehow you su...

- Enough. Enough!

181

00:16:31,958 --> 00:16:33,791

We thought he was there to help us.

182

00:16:40,500 --> 00:16:42,375

I tried to help them, but I couldn't.

183

00:16:44,291 --> 00:16:45,583

I was too weak.

184

00:16:47,666 --> 00:16:48,708

When he left,

185

00:16:49,666 --> 00:16:50,833

I played dead.

186

00:16:52,750 --> 00:16:54,166

Hid with the bodies.

187

00:16:55,541 --> 00:16:57,208

Felt them go cold.

188

00:17:01,916 --> 00:17:04,375

They were the only family I knew,

189

00:17:06,375 --> 00:17:08,125

And he slaughtered them.

190

00:17:14,833 --> 00:17:16,666

You're not serving him, are you?

191

00:17:18,083 --> 00:17:19,583

You're hunting him.

192

00:17:20,833 --> 00:17:21,916

Let me help you.

193

00:17:22,000 --> 00:17:23,416

Why would I ever trust you?

194

00:17:23,500 --> 00:17:25,916

- Because we want the same thing.

- Do we, Obi-Wan?

195

00:17:27,291 --> 00:17:29,333

Do you really want Anakin dead?

196

00:17:34,208 --> 00:17:35,250

Where were you

197

00:17:36,666 --> 00:17:38,666

while he was killing my friends?

198

00:17:41,083 --> 00:17:42,458

He was your Padawan.

199

00:17:45,500 --> 00:17:48,041

Why didn't you stop him?

Why didn't you save us?

200

00:17:52,541 --> 00:17:55,041

I don't need your help.

201

00:17:57,666 --> 00:18:00,958

I don't need anyone.

202

00:18:01,625 --> 00:18:03,083

You won't stop him alone.

203

00:18:03,916 --> 00:18:08,125

You have no idea what I've done alone.

204

00:18:20,125 --> 00:18:21,916

Fall back to second position!

205

00:18:22,125 --> 00:18:23,809

- Let's go!

- Don't let them pass!

206

00:18:23,833 --> 00:18:25,375

All squads, forward!

207

00:18:26,041 --> 00:18:27,250

Into the breach!

208

00:18:27,333 --> 00:18:28,500

Fire!

209

00:18:29,041 --> 00:18:31,000

Over there! Over there!

210

00:18:33,000 --> 00:18:35,375

- Hold your ground!

- Don't let them through!

211

00:18:42,166 --> 00:18:44,458

Squad Eight, advance!

212

00:18:47,541 --> 00:18:49,166

Take cover!

213

00:18:49,250 --> 00:18:50,333

Flank left!

214

00:18:52,166 --> 00:18:54,250

- Take them down!

- Go! Go!

215

00:19:03,041 --> 00:19:04,083

Go!

216

00:19:04,500 --> 00:19:05,500

Go! Go!

217

00:19:07,958 --> 00:19:09,833

Retreat! Everyone, get back!

218

00:19:11,875 --> 00:19:14,000

Run for your lives!

Go! Go! Go! Go! Go!

219

00:19:14,125 --> 00:19:15,875

Go! Go! Go!

220

00:19:16,833 --> 00:19:18,250

Go! Go! Go! I've got you!

221

00:19:18,333 --> 00:19:19,708

After them!

222

00:19:24,291 --> 00:19:26,000

After them!

223

00:19:29,250 --> 00:19:30,833

Leia, we got to hurry.

224

00:19:30,916 --> 00:19:33,625

Are you listening to me?

I feel like you're not listening to me.

225

00:19:33,708 --> 00:19:35,375

Would you stop talking?

226

00:19:36,000 --> 00:19:38,625

He said it was a red breaker. Red.

227

00:19:39,333 --> 00:19:40,916

I know what he said.

228

00:19:41,000 --> 00:19:43,000

- Go! Go! Go! Retreat!

- Go! Move!

229

00:19:43,083 --> 00:19:45,750

- Go! Go! Go!

- Come on!

230

00:19:45,833 --> 00:19:46,833

Move!

231

00:19:46,916 --> 00:19:49,000

I've got you. Come on.

232

00:19:59,125 --> 00:20:01,375

No mercy! Seal them in!

233

00:20:02,000 --> 00:20:03,708

- Block the tunnel!

- No!

234

00:20:08,291 --> 00:20:10,000

Quick!

235

00:20:23,833 --> 00:20:26,666

Tala!

236

00:20:26,750 --> 00:20:28,625

- No!

- Wipe them out!

237

00:20:35,500 --> 00:20:36,541

Tala!

238

00:20:38,250 --> 00:20:39,291

Tala!

239

00:20:39,375 --> 00:20:41,208

No! Tala!

240

00:20:53,208 --> 00:20:54,333

Tala!

241

00:21:12,875 --> 00:21:13,875

Tala!

242

00:21:18,958 --> 00:21:20,041

Go!

243

00:21:20,125 --> 00:21:22,208

No!

244

00:21:24,041 --> 00:21:25,541

May the Force be with you.

245

00:21:29,708 --> 00:21:31,083

Get back!

246

00:21:53,041 --> 00:21:55,791

Please tell me we're close.

247

00:21:55,875 --> 00:21:57,208

Leia, you close?

248

00:21:57,958 --> 00:21:59,250

Working on it.

249

00:22:00,958 --> 00:22:02,041

She's working on it.

250

00:22:06,958 --> 00:22:09,333

The Grand Inquisitor
has breached the walls.

251

00:22:09,416 --> 00:22:10,791

We shall have him soon.

252

00:22:11,458 --> 00:22:14,208

Tell her to stand down.

253

00:22:14,291 --> 00:22:15,291

My Lord?

254

00:22:16,083 --> 00:22:18,833

Kenobi is already ours.

255

00:22:27,375 --> 00:22:28,958

There's no way out, Master.

256

00:22:34,250 --> 00:22:35,541

Admit you are beaten.

257

00:22:37,541 --> 00:22:38,708

What is it?

258

00:22:38,791 --> 00:22:39,916

What's wrong?

259

00:22:40,166 --> 00:22:41,333

It's over.

260

00:22:45,250 --> 00:22:46,291

I'm going back.

261

00:22:46,875 --> 00:22:48,000

You can't quit.

262

00:22:48,791 --> 00:22:51,416

I fought for too long.

You can't just throw that away.

263

00:22:52,291 --> 00:22:54,500

It won't make a difference.

They want all of us.

264

00:22:54,583 --> 00:22:57,708

- Vader wants me.

- If you surrender, she died for nothing.

265

00:22:58,416 --> 00:23:01,166

- He'll keep coming.

- That's why I have to stop him.

266

00:23:01,958 --> 00:23:03,083

You're going to fight him?

267

00:23:04,500 --> 00:23:06,000

He expects me to surrender.

268

00:23:06,083 --> 00:23:08,916

He knows I'll do everything I can
to protect these people.

269

00:23:10,625 --> 00:23:11,708

You'll be on your own.

270

00:23:13,083 --> 00:23:14,250

No.

271

00:23:17,500 --> 00:23:20,250

Haja, look out for her, will you?

272

00:23:21,458 --> 00:23:24,333

You want to tell me
how you're gonna fight without a weapon?

273

00:23:25,583 --> 00:23:27,041

There are other ways to fight.

274

00:23:35,375 --> 00:23:36,375

Seize him.

275

00:23:43,041 --> 00:23:44,541

Come on, where is it?

276

00:24:12,666 --> 00:24:14,666

Inform Lord Vader,

277

00:24:15,083 --> 00:24:18,583

Kenobi is ours.

278

00:24:25,125 --> 00:24:26,125

He's on his way.

279

00:24:27,708 --> 00:24:29,041

You're gonna die soon.

280

00:24:31,041 --> 00:24:32,791

You're not bringing him to me.

281

00:24:34,000 --> 00:24:36,375

I'm bringing him to you.

282

00:24:40,208 --> 00:24:41,666

This isn't over yet.

283

00:24:49,583 --> 00:24:51,250

There are families back there.

284

00:24:51,916 --> 00:24:52,916

Children.

285

00:24:54,625 --> 00:24:56,375

Are you gonna let him do it again,

286

00:24:57,458 --> 00:24:58,750

what he did to you?

287

00:25:03,708 --> 00:25:06,625

We could end this together.

288

00:25:15,291 --> 00:25:16,833

What makes you think

289

00:25:18,000 --> 00:25:19,541

he won't see it coming?

290

00:25:21,083 --> 00:25:23,458

Because all he'll see is me.

291

00:26:16,166 --> 00:26:17,208

There.

292

00:26:17,666 --> 00:26:18,916

Your weapon's gone.

293

00:26:20,833 --> 00:26:21,875

It's over.

294

00:26:22,666 --> 00:26:26,000

Your need for victory, Anakin,
it blinds you.

295

00:26:42,125 --> 00:26:43,750

Where is he?

296

00:26:43,833 --> 00:26:45,916

I have him secured inside, my Lord.

297

00:26:46,000 --> 00:26:48,208

I will bring him in myself.

298

00:26:59,041 --> 00:27:00,541

Come on. Come on.

299

00:27:03,083 --> 00:27:04,083

There it is.

300

00:27:06,166 --> 00:27:09,083

Lola? What are you doing in here?

301

00:27:09,458 --> 00:27:11,250

Lola, stop! Stop!

302

00:27:14,125 --> 00:27:15,583

A restraining bolt?

303

00:27:19,375 --> 00:27:20,583

Got it.

304

00:27:20,958 --> 00:27:22,083

Much better.

305

00:27:40,083 --> 00:27:41,083

Got it.

306

00:27:54,458 --> 00:27:55,458

Okay.

307

00:27:59,125 --> 00:28:01,541

All right, everybody, run!

Come on, let's go.

308

00:28:07,750 --> 00:28:08,958

Everything's all set.

309

00:28:09,916 --> 00:28:10,916

Leia!

310

00:28:13,666 --> 00:28:14,666

Well done!

311

00:28:15,958 --> 00:28:16,958

Where's Tala?

312

00:28:20,208 --> 00:28:21,934

- Help who you can.

- Let's go!

313

00:28:21,958 --> 00:28:24,000

Let's get to the transport, people!

314

00:28:24,083 --> 00:28:25,583

Move! Move! Let's go!

315

00:28:26,958 --> 00:28:28,958

Come on. We need to get to the transport.

316

00:29:31,625 --> 00:29:33,291

You're a great warrior, Anakin,

317

00:29:34,083 --> 00:29:36,458

but your need to prove yourself
is your undoing.

318

00:29:41,375 --> 00:29:42,833

Until you overcome it,

319

00:29:45,208 --> 00:29:46,833

a Padawan you will still be.

320

00:30:22,666 --> 00:30:26,750

He was wise to use you against me.

321

00:32:32,166 --> 00:32:37,000

Did you really believe

I did not see it, youngling?

322

00:32:42,291 --> 00:32:45,625

You are of no further use.

323

00:32:52,208 --> 00:32:54,125

Hello, Third Sister.

324

00:32:56,875 --> 00:33:01,833

Revenge does wonders for the will
to live, don't you think?

325

00:33:05,125 --> 00:33:07,041

Your rage

326

00:33:08,833 --> 00:33:09,958

was useful.

327

00:33:11,791 --> 00:33:14,250

Now it is tiresome.

328

00:33:18,416 --> 00:33:20,958

We will leave you where we found you.

329

00:33:22,208 --> 00:33:25,166

In the gutter, where you belong.

330

00:33:34,166 --> 00:33:35,208

Goodbye...

331

00:33:36,416 --> 00:33:37,750

Grand Inquisitor.

332

00:34:10,875 --> 00:34:12,375

Our hyperdrive is down,

333

00:34:14,416 --> 00:34:15,833

and they're behind us.

334

00:34:48,750 --> 00:34:49,750

Kenobi,

335

00:34:50,416 --> 00:34:51,583

are you listening to me?

336

00:34:52,833 --> 00:34:54,083

Something's wrong.

337

00:35:08,750 --> 00:35:11,416

<i>If he's found you,
if he's learned of the children...</i>

338

00:35:12,458 --> 00:35:13,750

<i>I'll head to Tatooine.</i>

339

00:35:15,958 --> 00:35:16,958

<i>Owen wi...</i>

340

00:35:17,416 --> 00:35:18,500

<i>Help the boy.</i>

341

00:35:22,666 --> 00:35:23,666

What is it?

342

00:35:29,958 --> 00:35:30,958

Are you okay?

343

00:35:34,250 --> 00:35:35,333

I'm sure it's nothing.

344

00:35:36,416 --> 00:35:37,500

Thank you, Roken.

EP6: Part VI

1

00:00:02,000 --> 00:00:03,083

DARTH VADER:<i> Where is he?</i>

2

00:00:03,875 --> 00:00:05,291

REVA:<i> The tracker worked.</i>

3

00:00:05,375 --> 00:00:07,291

<i>He's arriving on Jabiim as we speak.</i>

4

00:00:08,166 --> 00:00:10,500

DARTH VADER: Lock down the facility.

5

00:00:14,083 --> 00:00:17,083

REVA: <i>If we seal them in now,
they can hold out for days.</i>

6

00:00:17,166 --> 00:00:19,083

<i>If we cannot break them...</i>

7

00:00:19,166 --> 00:00:22,625

DARTH VADER: *<i>It is not them
we need to break.</i>*

8

00:00:22,708 --> 00:00:23,833

(SHOUTS) Fire!

9

00:00:27,541 --> 00:00:29,041

OBI-WAN:*<i> You're not serving him.</i>*

10

00:00:29,125 --> 00:00:30,500

You're hunting him.

11

00:00:33,208 --> 00:00:34,458

<i>Fall back to second position!</i>

12

00:00:35,375 --> 00:00:37,166

- (SCREAMS)

- Tala!

13

00:00:37,750 --> 00:00:38,750

No!

14

00:00:38,833 --> 00:00:40,583

May the Force be with you.

15

00:00:41,791 --> 00:00:43,291

(EXPLOSION)

16

00:00:43,791 --> 00:00:45,791

REVA:<i> Inform Lord Vader,</i>

17

00:00:46,291 --> 00:00:49,708

<i>Kenobi is ours.</i>

18

00:00:50,375 --> 00:00:52,500

(WHISPERING)

You're not bringing him to me.

19

00:00:55,458 --> 00:00:57,875

<i>I'm bringing him to you.</i>

20

00:00:58,625 --> 00:01:00,041

(WHOOSHES)

21

00:01:03,291 --> 00:01:05,208

(GRUNTING)

22

00:01:06,666 --> 00:01:10,916

DARTH VADER: Did you really believe

I did not see it, youngling?

23

00:01:12,125 --> 00:01:13,125

(GROANING)

24

00:01:13,875 --> 00:01:18,666

Revenge does wonders for the will to live,
don't you think?

25

00:01:22,375 --> 00:01:25,541

BAIL: *<i>If he's found you,
if he's learned of the children...</i>*

26

00:01:25,625 --> 00:01:27,083

<i>I'll head to Tatooine.</i>

27

00:02:15,125 --> 00:02:17,500

(JAWAS SPEAKING JAWAESE)

28

00:02:18,333 --> 00:02:20,916

- (DROID BEEPING)

- (INDISTINCT CHATTER)

29

00:02:25,666 --> 00:02:27,041

- (GRUNTS)

- (EXCLAIMS)

30

00:02:30,958 --> 00:02:32,166

Something you wanna say?

31

00:02:32,625 --> 00:02:34,125

REVA: I have something to say.

32

00:02:34,208 --> 00:02:35,208

Wait your turn.

33

00:02:35,833 --> 00:02:37,958

You can have what's left when I'm done.

34

00:02:38,041 --> 00:02:40,083

(CROWD MURMURING)

35

00:02:43,333 --> 00:02:44,416

(GRUNTS SOFTLY)

36

00:02:51,458 --> 00:02:53,208

I'm looking for a farmer

37

00:02:54,458 --> 00:02:55,666

named Owen.

38

00:03:12,583 --> 00:03:14,333

(DARTH VADER BREATHING)

39

00:03:14,416 --> 00:03:16,666

DARTH VADER: Increase firepower.

40

00:03:16,750 --> 00:03:18,125

OFFICER: At once, Lord Vader.

41

00:03:24,250 --> 00:03:25,625

(EXPLOSIONS)

42

00:03:25,708 --> 00:03:27,416

(CONCERNED WHISPERS)

43

00:03:31,416 --> 00:03:32,666

(EXPLOSION)

44

00:03:32,750 --> 00:03:33,916

Hyperdrive's almost ready.

45

00:03:34,000 --> 00:03:36,208

Move all power to the rear shields.

46

00:03:36,291 --> 00:03:37,416

We'll head for Tessen.

47

00:03:38,458 --> 00:03:39,708

Get you out from there.

48

00:03:39,791 --> 00:03:41,041

(EXPLOSIONS)

49

00:03:41,125 --> 00:03:42,958

(QUIET CHATTERING)

50

00:03:50,916 --> 00:03:53,041

We're not gonna make it to Tessen, are we?

51

00:03:53,875 --> 00:03:55,000

Motivator's shot.

52

00:03:56,000 --> 00:03:57,583

Power couplings are bad.

53

00:03:57,666 --> 00:04:00,083

I'm workin' on it,
but those shields won't last forever.

54

00:04:00,166 --> 00:04:01,541

How much time do you need?

55

00:04:01,958 --> 00:04:04,291

(EXPLOSIONS)

56

00:04:04,958 --> 00:04:06,083

More than we have.

57

00:04:13,000 --> 00:04:14,750

(CONCERNED MURMURING)

58

00:04:14,833 --> 00:04:17,250

- (EXPLOSIONS CONTINUE)

- (ALL EXCLAIMING)

59

00:04:24,583 --> 00:04:25,625

WOMAN: It's okay.

60

00:04:27,708 --> 00:04:30,083

It's okay. It's okay. It's okay.

61

00:04:30,166 --> 00:04:32,416

(LOLA BEEPING)

62

00:04:41,208 --> 00:04:42,208

They're scared.

63

00:04:42,291 --> 00:04:43,458

(EXPLOSION)

64

00:04:43,541 --> 00:04:45,291

She keeps their minds off of it.

65

00:04:48,375 --> 00:04:50,125

Maybe I should borrow her too.

66

00:04:59,500 --> 00:05:00,500

Howdy.

67

00:05:01,208 --> 00:05:02,416

What do you need, kid?

68

00:05:02,958 --> 00:05:05,000

We need a new belt for the speeder.

69

00:05:05,083 --> 00:05:07,750

A certain somebody broke the last one.

70

00:05:07,833 --> 00:05:10,250

(LAUGHS) Your uncle's a patient man.

71

00:05:10,333 --> 00:05:11,791

I am not that patient.

72

00:05:19,083 --> 00:05:20,083

Owen?

73

00:05:24,000 --> 00:05:25,750

There's something you need to know.

74

00:05:28,125 --> 00:05:30,666

No! No way! You can't just leave me here!

75

00:05:30,750 --> 00:05:33,166

I'm the one that Vader wants.

If I go, he will follow.

76

00:05:33,250 --> 00:05:35,208

- I'm not letting you!

- Leia, please.

77

00:05:35,291 --> 00:05:38,500

Wait, what happened
to all of us staying together?

78

00:05:38,583 --> 00:05:40,375

(EXPLOSIONS)

79

00:05:40,458 --> 00:05:42,166

Roken needs more time to fix the ship.

80

00:05:42,250 --> 00:05:43,708

This will give him that time.

81

00:05:45,791 --> 00:05:49,083

You've spent ten years
protecting the Jedi.

82

00:05:49,166 --> 00:05:51,333

This is my chance to return that favor.

83

00:05:51,416 --> 00:05:52,416

But we're so close.

84

00:05:52,500 --> 00:05:54,916

Roken, you know this plan makes sense.

85

00:05:55,000 --> 00:05:57,250

- No, we need you!

- It'll buy you the time you need.

86

00:05:57,333 --> 00:05:59,041

You must get these people out of here.

87

00:05:59,125 --> 00:06:01,541

You are all the future.

You are the future.

88

00:06:02,375 --> 00:06:04,208

You're what needs to survive.

89

00:06:06,208 --> 00:06:07,291

No.

90

00:06:07,583 --> 00:06:08,583

Leia.

91

00:06:08,666 --> 00:06:10,583

I find she needs to be
given space. Just...

92

00:06:10,666 --> 00:06:13,000

You must promise me
that you'll get her home, Haja.

93

00:06:13,083 --> 00:06:14,500

As soon as I'm in the clear.

94

00:06:16,208 --> 00:06:17,208

You have my word.

95

00:06:18,583 --> 00:06:20,083

Although, I know the word of a liar

96

00:06:20,166 --> 00:06:22,166

and a fake Jedi may not mean much to you.

97

00:06:22,250 --> 00:06:23,541

It's good enough for me.

98

00:06:30,708 --> 00:06:32,541

(EXPLOSION)

99

00:06:36,833 --> 00:06:37,958

All right, go on in.

100

00:06:39,125 --> 00:06:40,125

Go on.

101

00:06:43,208 --> 00:06:44,250

What is it?

102

00:06:45,666 --> 00:06:46,666

Come on inside.

103

00:06:47,791 --> 00:06:49,208

(OWEN PANTING)

104

00:06:54,333 --> 00:06:55,541

How did she know he was here?

105

00:06:55,625 --> 00:06:57,416

I don't know. All I know is she's coming,

106

00:06:58,083 --> 00:06:59,916

- Ben is gone.

- Whose fault is that?

107

00:07:01,000 --> 00:07:03,875

OWEN: We need to leave, Beru.

We need to take Luke and hide somewhere.

108

00:07:03,958 --> 00:07:05,708

Where? In the desert?

109

00:07:06,208 --> 00:07:08,625

I'm not leaving my home.

At least here we have a chance.

110

00:07:08,708 --> 00:07:10,750

If we stay, we'd need help.

111

00:07:11,250 --> 00:07:13,333

I'm not putting anyone else
in danger, Owen.

112

00:07:14,708 --> 00:07:16,083

We're enough.

113

00:07:16,166 --> 00:07:17,166

You and me.

114

00:07:19,833 --> 00:07:20,875

Beru, what are you doing?

115

00:07:20,958 --> 00:07:22,625

We both knew this day might come.

116

00:07:27,458 --> 00:07:29,500

She'll come when the suns go down.

117

00:07:29,583 --> 00:07:30,958

Best we get positioned now.

118

00:07:32,416 --> 00:07:33,416

Uh...

119

00:07:34,291 --> 00:07:35,333

(GRUNTS)

120

00:07:36,166 --> 00:07:37,750

(EXPLOSIONS)

121

00:07:37,833 --> 00:07:38,833

(WHISPERING) Hey.

122

00:07:45,583 --> 00:07:46,666

I talked to her.

123

00:07:47,291 --> 00:07:48,333

You're welcome.

124

00:07:55,208 --> 00:07:57,000

You said you'd take me home.

125

00:07:58,541 --> 00:08:00,083

I wish that I could, Leia.

126

00:08:01,166 --> 00:08:02,208

Really, I do.

127

00:08:07,791 --> 00:08:09,875

Please tell your father I tried.

128

00:08:16,375 --> 00:08:17,666

I have something for you.

129

00:08:19,791 --> 00:08:21,666

Roken found it before we got out.

130

00:08:23,291 --> 00:08:25,166

She would have wanted you to have it.

131

00:08:29,416 --> 00:08:30,416

It's empty.

132

00:08:31,625 --> 00:08:33,875

Well, I wasn't gonna give you
a blaster, Leia.

133

00:08:33,958 --> 00:08:35,208

You're ten years old.

134

00:08:36,791 --> 00:08:37,875

(SIGHS)

135

00:08:39,083 --> 00:08:40,375

But you won't always be.

136

00:08:50,333 --> 00:08:52,666

(SENTIMENTAL MUSIC PLAYING)

137

00:08:55,416 --> 00:08:56,666

(SIGHS)

138

00:09:03,291 --> 00:09:04,291

Come back.

139

00:09:05,791 --> 00:09:06,833

Please.

140

00:09:10,666 --> 00:09:11,666

I promise.

141

00:09:25,333 --> 00:09:27,250

(EXPLOSIONS)

142

00:09:31,208 --> 00:09:33,000

I have to face him, Master.

143

00:09:35,375 --> 00:09:37,291

Whether he dies or I do,

144

00:09:38,583 --> 00:09:40,000

this ends today.

145

00:09:48,541 --> 00:09:49,625

ROKEN: Are you ready?

146

00:09:51,125 --> 00:09:52,375

Drop ship's all set.

147

00:09:53,416 --> 00:09:55,416

You don't have to do this, you know.

148

00:09:56,166 --> 00:09:57,541

We can still fix the drive.

149

00:09:57,625 --> 00:09:58,666

I have to go.

150

00:10:00,416 --> 00:10:01,833

It's not about us, is it?

151

00:10:03,708 --> 00:10:04,875

You want to do it.

152

00:10:06,250 --> 00:10:07,666

It's about you and him.

153

00:10:08,500 --> 00:10:10,375

(EXPLOSIONS)

154

00:10:10,875 --> 00:10:12,083

Just keep them safe.

155

00:10:13,208 --> 00:10:14,625

Keep yourself safe too.

156

00:10:18,833 --> 00:10:19,833

Roken.

157

00:10:20,708 --> 00:10:22,541

There are not many leaders left.

158

00:10:23,708 --> 00:10:25,000

People follow you.

159

00:10:26,583 --> 00:10:27,583

Don't stop.

160

00:10:28,791 --> 00:10:29,791

(SIGHS)

161

00:10:30,875 --> 00:10:32,208

I'm just getting started.

162

00:10:46,250 --> 00:10:48,250

(DRAMATIC MUSIC PLAYING)

163

00:10:53,375 --> 00:10:54,934

CAPTAIN: We're tracking an escape craft.

164

00:10:54,958 --> 00:10:56,875

There's one life form aboard.

165

00:10:56,958 --> 00:10:58,166

DARTH VADER: That's him.

166

00:10:58,750 --> 00:11:02,416

My Lord, we must continue
our pursuit of the insurgents.

167

00:11:02,500 --> 00:11:07,833

Now is our chance
to wipe out this network in its entirety.

168

00:11:07,916 --> 00:11:12,333

We cannot prioritize one lone Jedi.

169

00:11:12,416 --> 00:11:15,416

DARTH VADER: He is not just any Jedi.

170

00:11:22,208 --> 00:11:24,125

Follow Kenobi.

171

00:11:24,208 --> 00:11:25,333

At once, Lord Vader.

172

00:11:29,416 --> 00:11:31,416

(DRAMATIC MUSIC PLAYING)

173

00:11:48,916 --> 00:11:51,000

(ALL PANTING)

174

00:11:52,625 --> 00:11:53,625

BERU: Come on.

175

00:11:55,666 --> 00:11:56,708

OWEN: Now, Luke,

176

00:11:57,166 --> 00:11:58,541

I need you to listen to me.

177

00:11:59,291 --> 00:12:02,500

The Tusken's are on the hunt again.

They're raiding farms along the wastes.

178

00:12:02,583 --> 00:12:03,791

So stay in here.

179

00:12:03,875 --> 00:12:06,750

If anything goes wrong,

you know what to do. You run.

180

00:12:06,833 --> 00:12:08,250

I'm not afraid.

181

00:12:08,333 --> 00:12:09,333

OWEN: I know.

182

00:12:09,416 --> 00:12:11,125

Everything's gonna be fine.

183

00:12:15,250 --> 00:12:16,500

It's gonna be okay.

184

00:12:18,000 --> 00:12:19,000

(BERU SNIFFLES)

185

00:12:22,250 --> 00:12:24,250

(DRAMATIC MUSIC PLAYING)

186

00:12:26,416 --> 00:12:27,833

(WHOOSHES)

187

00:12:35,000 --> 00:12:36,458

DARTH VADER: Prepare my ship.

188

00:12:37,625 --> 00:12:40,041

I will face him alone.

189

00:12:40,708 --> 00:12:42,666

(DARTH VADER BREATHING)

190

00:12:55,458 --> 00:12:57,458

(POWERING DOWN)

191

00:13:00,875 --> 00:13:02,166

(SIGHS)

192

00:13:19,250 --> 00:13:20,750

(LOLA BEEPS)

193

00:13:40,958 --> 00:13:42,458

(SIGHS)

194

00:13:51,083 --> 00:13:52,625

(NERVOUS BEEP)

195

00:13:59,666 --> 00:14:02,000

(REVA PANTING WEAKLY)

196

00:14:04,583 --> 00:14:06,500

- (ALARM WAILING)

- That's the perimeter.

197

00:14:07,250 --> 00:14:08,291

(SIGHS) She's here.

198

00:14:12,875 --> 00:14:13,875

It's time.

199

00:14:16,291 --> 00:14:17,708

(WHOOSHES)

200

00:14:35,541 --> 00:14:36,791

(CLANKS)

201

00:14:36,875 --> 00:14:39,083

(HISSING)

202

00:14:44,083 --> 00:14:46,083

(DARTH VADER BREATHING)

203

00:14:51,166 --> 00:14:53,250

(OMINOUS MUSIC PLAYING)

204

00:15:19,708 --> 00:15:23,291

DARTH VADER: Have you come
to destroy me, Obi-Wan?

205

00:15:24,958 --> 00:15:27,458

- (LIGHTSABER ACTIVATES)

- I will do what I must.

206

00:15:28,708 --> 00:15:31,041

(DRAMATIC MUSIC PLAYING)

207

00:15:33,875 --> 00:15:35,666

DARTH VADER: Then you will die!

208

00:15:37,583 --> 00:15:40,041

(BOTH GRUNTING)

209

00:16:20,250 --> 00:16:22,333

(SUSPENSEFUL MUSIC PLAYING)

210

00:16:52,083 --> 00:16:53,875

(GRUNTING)

211

00:16:55,791 --> 00:16:56,916

OWEN: Go! Go! Go!

212

00:16:59,125 --> 00:17:00,166

Run!

213

00:17:04,166 --> 00:17:05,166

Go!

214

00:17:11,583 --> 00:17:14,333

(LIGHTSABERS CLASHING)

215

00:17:18,500 --> 00:17:20,083

(BOTH GRUNTING)

216

00:17:48,833 --> 00:17:51,458

DARTH VADER: Your strength has returned.

217

00:17:52,375 --> 00:17:53,750

(STRAINING)

218

00:17:53,833 --> 00:17:55,541

But the weakness

219

00:17:56,708 --> 00:17:58,500

still remains.

220

00:17:59,291 --> 00:18:01,083

(GRUNTING)

221

00:18:07,666 --> 00:18:09,250

(CRACKLING)

222

00:18:19,583 --> 00:18:24,041

- And that is why you will always lose.

- (RUMBLING)

223

00:18:24,541 --> 00:18:26,916

(OBI-WAN SHOUTING)

224

00:18:29,583 --> 00:18:32,333

(DARTH VADER BREATHING)

225

00:18:38,750 --> 00:18:40,166

(BOTH GRUNTING)

226

00:18:46,916 --> 00:18:47,916

(SCREAMS)

227

00:18:52,833 --> 00:18:55,833

Did you truly think
that you could defeat me?

228

00:18:57,916 --> 00:18:59,541

You have failed,

229

00:19:00,541 --> 00:19:01,625

Master.

230

00:19:03,375 --> 00:19:04,750

(LIGHTSABER DEACTIVATES)

231

00:19:13,125 --> 00:19:14,458

(BREATHING HEAVILY)

232

00:19:15,708 --> 00:19:17,333

(BOTH GRUNT)

233

00:19:19,708 --> 00:19:21,083

You really love the boy.

234

00:19:23,458 --> 00:19:24,666

Like he's your own.

235

00:19:25,791 --> 00:19:27,125

He is my own.

236

00:19:28,791 --> 00:19:30,500

(GRUNTING)

237

00:19:33,166 --> 00:19:34,250

(SCREAMS)

238

00:19:35,000 --> 00:19:36,166

What do you want?

239

00:19:37,666 --> 00:19:38,666

Justice.

240

00:19:40,166 --> 00:19:41,458

(SCREAMS)

241

00:19:41,541 --> 00:19:43,625

(BOTH GRUNTING)

242

00:19:47,416 --> 00:19:49,416

(OWEN SCREAMING)

243

00:19:50,291 --> 00:19:52,041

Beru, she's coming!

244

00:19:55,458 --> 00:19:56,583

(BERU SHOUTS)

245

00:19:56,666 --> 00:19:57,666

Go!

246

00:19:58,500 --> 00:19:59,708

(REVA GRUNTS)

247

00:20:00,708 --> 00:20:01,750

(PANTING)

248

00:20:01,833 --> 00:20:04,291

(TENSE MUSIC PLAYING)

249

00:20:10,125 --> 00:20:11,500

(GROANING)

250

00:20:14,041 --> 00:20:16,125

(SHOUTING)

251

00:20:37,000 --> 00:20:39,333

(STRAINING)

252

00:20:44,583 --> 00:20:46,458

ANAKIN: *<i>This is the end
for you, my Master.</i>*

253

00:20:46,541 --> 00:20:48,833

<i>Admit you are beaten.</i>

254

00:20:48,916 --> 00:20:50,875

DARTH VADER: *<i> You cannot run, Obi-Wan.</i>*

255

00:20:50,958 --> 00:20:52,750

ANAKIN: *<i>I see
through the lies of the Jedi.</i>*

256

00:20:52,833 --> 00:20:54,000

<i>You're my enemy.</i>

257

00:20:54,083 --> 00:20:56,517

DARTH VADER: *<i>You should have killed me
when you had the chance.</i>*

258

00:20:56,541 --> 00:20:58,791

ANAKIN: *<i> I do not fear the dark side.</i>*

259

00:20:58,875 --> 00:21:01,750

DARTH VADER:<i> I am what you made me.</i>

260

00:21:04,666 --> 00:21:05,666

(SIGHS)

261

00:21:07,250 --> 00:21:08,250

(GRUNTS)

262

00:21:16,375 --> 00:21:17,791

(BREATHES HEAVILY)

263

00:21:18,416 --> 00:21:20,125

(STRAINING)

264

00:21:20,791 --> 00:21:22,166

(GRUNTS LOUDLY)

265

00:21:22,250 --> 00:21:24,416

(GASPING)

266

00:21:32,958 --> 00:21:34,958

(OMINOUS MUSIC PLAYING)

267

00:21:35,958 --> 00:21:38,000

(DARTH VADER BREATHING)

268

00:21:41,375 --> 00:21:43,791

- (LIGHTSABER ACTIVATES)

- (BOTH GRUNTING)

269

00:21:58,000 --> 00:21:59,541

(DARTH VADER SHOUTS)

270

00:21:59,625 --> 00:22:01,125

(GROANING)

271

00:22:02,875 --> 00:22:05,250

(DRAMATIC MUSIC PLAYING)

272

00:22:09,833 --> 00:22:10,833

(GRUNTS)

273

00:22:10,916 --> 00:22:13,208

(DARTH VADER GROANING AND GRUNTING)

274

00:22:25,250 --> 00:22:27,416

(DARTH VADER GRUNTING)

275

00:22:31,208 --> 00:22:32,208

(DARTH VADER SHOUTS)

276

00:22:33,333 --> 00:22:35,500

(PANTING AND GROANING)

277

00:22:58,833 --> 00:23:00,625

(PANTING)

278

00:23:02,541 --> 00:23:04,958

- (LIGHTSABERS CRACKLING)

- (BOTH GRUNTING)

279

00:23:11,583 --> 00:23:13,083

(DARTH VADER GROANING)

280

00:23:22,958 --> 00:23:24,916

(WHEEZING)

281

00:23:25,000 --> 00:23:27,916

(DARTH VADER SCREAMING, GROANS)

282

00:23:29,833 --> 00:23:31,958

(DARTH VADER GROANING)

283

00:23:39,250 --> 00:23:40,958

(PANTING)

284

00:23:42,708 --> 00:23:43,875

(GRUNTS)

285

00:23:45,458 --> 00:23:47,625

(DARTH VADER GASPING)

286

00:24:19,625 --> 00:24:20,625

Anakin.

287

00:24:31,208 --> 00:24:33,166

DARTH VADER: (DISTORTED) Anakin is gone.

288

00:24:35,958 --> 00:24:37,625

I am what remains.

289

00:24:39,875 --> 00:24:40,958

(SIGHS)

290

00:24:50,958 --> 00:24:51,958

I'm sorry.

291

00:24:55,500 --> 00:24:57,500

I'm sorry, Anakin. (BREATHING SHAKILY)

292

00:24:58,916 --> 00:24:59,916

For all of it.

293

00:25:01,500 --> 00:25:03,750

(DARTH VADER WHEEZING)

294

00:25:08,208 --> 00:25:11,291

(DISTORTED)

I am not your failure, Obi-Wan.

295

00:25:15,291 --> 00:25:20,375

You didn't kill Anakin Skywalker.

296

00:25:25,375 --> 00:25:26,416

I did.

297

00:25:36,166 --> 00:25:40,083

The same way, I will destroy you!

298

00:25:45,541 --> 00:25:47,500

Then my friend is truly dead.

299

00:25:50,416 --> 00:25:52,750

(WHEEZING)

300

00:25:58,583 --> 00:25:59,583

Goodbye,

301

00:26:01,250 --> 00:26:02,250

Darth.

302

00:26:03,166 --> 00:26:05,958

(DARTH VADER WHEEZING)

303

00:26:11,833 --> 00:26:13,166

(SHOUTS) Obi-Wan!

304

00:26:26,500 --> 00:26:28,250

(SCREAMS) Obi-Wan!

305

00:26:49,541 --> 00:26:51,541

(SUSPENSEFUL MUSIC PLAYING)

306

00:26:55,666 --> 00:26:57,791

(BREATHING HEAVILY)

307

00:27:02,375 --> 00:27:04,083

(SAND FALLING)

308

00:27:04,708 --> 00:27:06,708

- (GRUNTS)

- (SHRIEKS)

309

00:27:07,166 --> 00:27:09,333

(RUMBLING)

310

00:27:09,416 --> 00:27:10,833

(SHRIEKING)

311

00:27:10,916 --> 00:27:11,916

OBI-WAN:<i> Luke!</i>

312

00:27:13,166 --> 00:27:15,041

(SCREAMING, CRYING)

313

00:27:15,958 --> 00:27:18,750

(HYPERDRIVE POWERING UP)

314

00:27:26,875 --> 00:27:29,041

(HEAVY BREATHING)

315

00:27:56,375 --> 00:27:58,083

(GASPING)

316

00:28:17,416 --> 00:28:19,750

(STRAINING)

317

00:28:38,125 --> 00:28:39,125

OWEN: Luke!

318

00:28:40,166 --> 00:28:41,166

BERU: Luke!

319

00:28:41,625 --> 00:28:42,666

OWEN: Luke!

320

00:28:45,125 --> 00:28:46,125

BERU: Luke!

321

00:28:49,958 --> 00:28:50,958

Luke!

322

00:28:51,041 --> 00:28:52,083

OWEN: Luke!

323

00:28:54,916 --> 00:28:55,958

OBI-WAN: Where is he?

324

00:28:57,333 --> 00:28:58,333

He's gone.

325

00:28:58,916 --> 00:29:01,416

I'll look in the Dune Sea.

We'll search till we find him.

326

00:29:02,500 --> 00:29:04,041

(PANTING)

327

00:29:04,125 --> 00:29:05,125

Ben!

328

00:29:06,125 --> 00:29:09,125

(DRAMATIC MUSIC PLAYING)

329

00:29:25,166 --> 00:29:27,458

(REVA PANTING)

330

00:29:33,083 --> 00:29:34,083

(GRUNTS)

331

00:29:50,583 --> 00:29:51,583

(HEAVY EXHALE)

332

00:29:51,833 --> 00:29:53,041

(SHUDDERS)

333

00:30:01,041 --> 00:30:02,125

(GROANS)

334

00:30:04,916 --> 00:30:06,125

(OWEN AND BERU GASP)

335

00:30:11,750 --> 00:30:12,791

(BERU SNIFFLING)

336

00:30:13,750 --> 00:30:15,250

(OWEN GRUNTING)

337

00:30:26,083 --> 00:30:28,083

(REVA CRYING)

338

00:30:36,291 --> 00:30:37,750

(TEARFULLY) I couldn't do it.

339

00:30:42,083 --> 00:30:43,291

I couldn't do it.

340

00:30:45,958 --> 00:30:47,416

I failed them.

341

00:30:50,958 --> 00:30:53,916

He killed them all, and I couldn't do it.

342

00:30:56,708 --> 00:30:57,916

You haven't failed them.

343

00:30:59,416 --> 00:31:00,750

By showing mercy,

344

00:31:01,958 --> 00:31:03,583

you have given them peace.

345

00:31:05,291 --> 00:31:06,750

You have honored them.

346

00:31:12,208 --> 00:31:13,625

Have I become him?

347

00:31:15,875 --> 00:31:16,875

No.

348

00:31:18,875 --> 00:31:20,250

You have chosen not to.

349

00:31:24,250 --> 00:31:25,541

Who you become now,

350

00:31:27,750 --> 00:31:28,875

that is up to you.

351

00:31:47,000 --> 00:31:49,416

(WISTFUL MUSIC PLAYING)

352

00:32:01,166 --> 00:32:02,166

(SOBS)

353

00:32:19,708 --> 00:32:20,791

Now you're free.

354

00:32:22,666 --> 00:32:24,333

(SIGHS) We both are.

355

00:32:45,333 --> 00:32:49,041

DARTH VADER: The probes are tracking
every system within range.

356

00:32:49,125 --> 00:32:55,166

We will destroy everything in our path
until he is found.

357

00:32:57,750 --> 00:33:00,916

<i>You seem agitated, my friend.</i>

358

00:33:01,666 --> 00:33:04,500

He will not evade me again.

359

00:33:06,708 --> 00:33:09,458

<i>I wonder if your thoughts</i>

360

00:33:10,958 --> 00:33:14,291

<i>are clear on this, Lord Vader.</i>

361

00:33:15,875 --> 00:33:22,041

<i>Perhaps your feelings for your old master
have left you weakened.</i>

362

00:33:25,083 --> 00:33:28,375

<i>If your past cannot be overcome...</i>

363

00:33:32,583 --> 00:33:34,916

Kenobi means nothing.

364

00:33:37,375 --> 00:33:41,833

I serve only you, my Master.

365

00:33:43,708 --> 00:33:46,750

<i>- (IMPERIAL MARCH </i>PLAYING)

- (DARTH VADER BREATHING)

366

00:34:02,541 --> 00:34:05,333

(BIRDS CHIRPING)

367

00:34:46,625 --> 00:34:49,708

All right, let's go, young lady.

We don't want to keep your...

368

00:34:55,375 --> 00:34:56,708

Is that a holster?

369

00:35:06,583 --> 00:35:07,750

I love it.

370

00:35:08,291 --> 00:35:09,791

(LAUGHS)

371

00:35:09,875 --> 00:35:10,875

Come.

372

00:35:10,958 --> 00:35:13,125

(ENGINE WHOOSHING)

373

00:35:19,625 --> 00:35:20,750

(BREHA CLEARS THROAT)

374

00:35:26,083 --> 00:35:27,791

You said there were many ways to lead.

375

00:35:28,666 --> 00:35:29,833

Looks like I was right.

376

00:35:31,208 --> 00:35:34,458

If I'm going to do this,

I'm going to want to change a few things.

377

00:35:36,333 --> 00:35:38,500

Then let's change things together.

378

00:35:41,625 --> 00:35:43,916

So, who is it today? More cousins?

379

00:35:44,750 --> 00:35:45,750

Not exactly.

380

00:35:50,916 --> 00:35:51,958

(GASPS)

381

00:35:53,000 --> 00:35:55,625

- (LOLA BEEPING)

- Lola!

382

00:35:56,541 --> 00:35:59,166

Who am I to separate a young lady
from her droid?

383

00:36:02,625 --> 00:36:03,666

Obi-Wan.

384

00:36:06,625 --> 00:36:08,125

- Thank you.

- Of course.

385

00:36:08,208 --> 00:36:10,041

We can never repay you.

386

00:36:10,958 --> 00:36:13,666

Well, she has already done that.

387

00:36:14,208 --> 00:36:16,541

- I missed you.

- (LOLA BEEPING)

388

00:36:17,333 --> 00:36:18,708

I fear for her future.

389

00:36:20,625 --> 00:36:22,208

The Empire grows stronger

390

00:36:23,791 --> 00:36:24,791

and bolder.

391

00:36:27,250 --> 00:36:29,125

Well, if you ever need my help again,

392

00:36:29,916 --> 00:36:31,250

you know where to find me.

393

00:36:33,041 --> 00:36:34,666

Let's hope that day never comes.

394

00:36:47,000 --> 00:36:48,583

So, what'll you do now?

395

00:36:50,958 --> 00:36:51,958

I don't know.

396

00:36:52,791 --> 00:36:54,416

What do you think I should do?

397

00:36:55,000 --> 00:36:56,333

I think you should sleep.

398

00:36:57,125 --> 00:36:58,833

(BOTH LAUGHING)

399

00:36:59,916 --> 00:37:01,333

I think you're right.

400

00:37:10,083 --> 00:37:11,125

Leia...

401

00:37:14,458 --> 00:37:18,583

when I said before

that I didn't know your parents...

402

00:37:22,291 --> 00:37:24,125

Princess Leia Organa,

403

00:37:25,708 --> 00:37:27,125

you are wise,

404

00:37:27,833 --> 00:37:28,875

discerning,

405

00:37:30,333 --> 00:37:31,416

kindhearted.

406

00:37:34,000 --> 00:37:36,416

These are qualities

that came from your mother.

407

00:37:38,833 --> 00:37:41,083

But you are also passionate

408

00:37:41,916 --> 00:37:43,041

and fearless,

409

00:37:44,041 --> 00:37:45,041

forthright.

410

00:37:46,125 --> 00:37:48,000

And these are gifts from your father.

411

00:37:51,041 --> 00:37:53,041

Both were exceptional people

412

00:37:53,875 --> 00:37:55,916

who bore an exceptional daughter.

413

00:37:59,625 --> 00:38:01,166

I wish I could tell you more.

414

00:38:02,583 --> 00:38:03,583

It's okay.

415

00:38:04,375 --> 00:38:05,458

You don't have to.

416

00:38:09,708 --> 00:38:10,708

Thank you.

417

00:38:13,666 --> 00:38:15,125

Will I ever see you again?

418

00:38:16,208 --> 00:38:17,208

Maybe.

419

00:38:18,000 --> 00:38:19,000

Someday.

420

00:38:19,750 --> 00:38:22,125

If you ever need help
from a tired old man.

421

00:38:22,208 --> 00:38:23,416

(CHUCKLES)

422

00:38:23,500 --> 00:38:24,875

But we must be careful.

423

00:38:25,666 --> 00:38:28,541

No one must know,
or it could endanger us both.

424

00:38:34,541 --> 00:38:35,666

Goodbye,

425

00:38:36,958 --> 00:38:37,958

Obi-Wan.

426

00:38:44,083 --> 00:38:45,208

Goodbye, Princess.

427

00:38:46,416 --> 00:38:47,750

May the Force be with you.

428

00:38:52,000 --> 00:38:54,208

<i>(THE FORCE THEME </i>PLAYING)

429

00:39:11,000 --> 00:39:12,166

(LOLA BEEPS)

430

00:40:36,625 --> 00:40:37,666

(GRUNTS)

431

00:41:02,041 --> 00:41:03,416

(EOPIE GRUNTS)

432

00:41:10,375 --> 00:41:12,291

What are you, uh, doin' here?

433

00:41:13,875 --> 00:41:16,041

I thought you were gonna

keep your distance.

434

00:41:16,583 --> 00:41:17,583

And I will.

435

00:41:22,000 --> 00:41:23,333

You know, you were right.

436

00:41:25,625 --> 00:41:27,125

He just needs to be a boy.

437

00:41:32,333 --> 00:41:34,333

The future will take care of itself.

438

00:41:38,833 --> 00:41:41,791

The only protection he needs now,
Owen, is you

439

00:41:42,583 --> 00:41:43,583

and Beru.

440

00:41:46,583 --> 00:41:47,791

Take good care of him.

441

00:41:55,750 --> 00:41:56,791

I will.

442

00:42:06,416 --> 00:42:08,125

(SIGHS) Ben?

443

00:42:14,500 --> 00:42:15,583

You want to meet him?

444

00:42:45,541 --> 00:42:46,625

Hello there.

445

00:42:50,458 --> 00:42:52,458

(DRAMATIC MUSIC PLAYING)

446

00:43:28,750 --> 00:43:29,875

Master Qui-Gon.

447

00:43:33,750 --> 00:43:34,750

Well,

448

00:43:35,250 --> 00:43:36,500

took you long enough.

449

00:43:39,166 --> 00:43:41,000

Beginning to think you'd never come.

450

00:43:42,041 --> 00:43:44,000

I was always here, Obi-Wan.

451

00:43:44,958 --> 00:43:47,625

You just were not ready to see.

452

00:43:51,250 --> 00:43:52,250

Come on.

453

00:43:52,333 --> 00:43:53,583

We've got a ways to go.

454

00:43:57,750 --> 00:43:59,958

(DRAMATIC MUSIC PLAYING)

455

00:44:20,666 --> 00:44:22,666

(THEME MUSIC PLAYING)
