<i>after landing a lucrative deal</i>

175

00:09:10,084 --> 00:09:10,951

<i>with Sizzler.</i>

176

00:09:13,687 --> 00:09:14,955

<i>-Yeah!</i>

-[game plays fanfare]

177

00:09:14,989 --> 00:09:16,857

Whoo!

178

00:09:16,891 --> 00:09:17,992

Yeah, baby!

179

00:09:18,793 --> 00:09:19,760

Garbage Man!

180

00:09:21,162 --> 00:09:22,129

[mimicking punches]

181

00:09:22,997 --> 00:09:24,298

Yeah, baby!

182

00:09:25,232 --> 00:09:26,901

[man on TV]

<i>One thing's for sure...</i>

183

00:09:26,934 --> 00:09:28,702

[grunts] Yeah!

184

00:09:28,736 --> 00:09:30,704

-[people cheering]

<i>-...this kid had it all.</i>

185

00:09:30,738 --> 00:09:32,840

-Yeah!

<i>-Time to take out the trash.</i>

186

00:09:32,873 --> 00:09:33,808

<i>Yeah!</i>

187

00:09:34,275 --> 00:09:36,110

Mmm... Boo-rah!

188

00:09:36,143 --> 00:09:38,245

[bell chimes]

189

00:09:38,646 --> 00:09:40,147

Garrett "The Garbage Man"

Garrison?

190

00:09:40,181 --> 00:09:41,348

No autographs.

191

00:09:43,150 --> 00:09:44,285

Have a nice day.

192

00:09:45,953 --> 00:09:46,987

-[door opens]

-[bell chimes]

193

00:09:47,021 --> 00:09:48,189

[groans]

194

00:09:57,264 --> 00:09:58,632

[sighs]

195

00:10:00,868 --> 00:10:05,005

["When I'm Gone" playing]

196

00:10:11,779 --> 00:10:13,114

[song ends]

197

00:10:13,147 --> 00:10:16,083

Whoo! Yeah! Super cool!

198

00:10:16,117 --> 00:10:17,118

[door shuts]

199

00:10:17,151 --> 00:10:19,253

Garrett "The Garbage Man."

200

00:10:19,286 --> 00:10:20,821

To what do we owe this pleasure?

201

00:10:20,855 --> 00:10:22,022

Pleasure?

202

00:10:22,056 --> 00:10:24,191

Think I come to storage auctions
for fun?

203

00:10:24,892 --> 00:10:26,193

I'm a businessman, Daryl.

204

00:10:26,227 --> 00:10:28,095

An investor.

205

00:10:28,129 --> 00:10:30,664

Well, I'm about to shovel
some coal into your
choo-choo train.

206

00:10:30,698 --> 00:10:32,800

You're gonna love
this next unit.

207

00:10:32,833 --> 00:10:34,969

It's got a waterbed.

208

00:10:35,002 --> 00:10:36,937

It's got some pickaxes.

209

00:10:36,971 --> 00:10:40,908

It's got a huge can
of mixed nuts.

210

00:10:40,941 --> 00:10:45,012

It's got an array
of unisex turquoise blouses.

211

00:10:45,045 --> 00:10:46,347

That sounds terrible.

212

00:10:46,380 --> 00:10:49,884

I think it's also got
a 1978 Atari Cosmos.

213

00:10:49,917 --> 00:10:53,154

Whoa, whoa, whoa.
1978 Atari Cosmos?

214

00:10:53,187 --> 00:10:54,722

That's what it says here.

215

00:10:54,755 --> 00:10:56,157

Those things are worth

a frickin' fortune.

216

00:10:56,190 --> 00:10:57,458

Heck, yeah, they are.

217

00:10:57,491 --> 00:11:00,060

Bro,

if you make this happen for me,

218

00:11:00,094 --> 00:11:02,696

I will strongly consider

hanging out with you.

219

00:11:02,930 --> 00:11:05,199

-You serious, bro?

-Yep.

220

00:11:05,900 --> 00:11:10,037

Two big buffaloes like us

out there, in the wild,

221

00:11:10,070 --> 00:11:13,274

wearing unisex

turquoise blouses.

222

00:11:13,974 --> 00:11:15,910

Oh, boy,

that's gonna cause a commotion.

223

00:11:15,943 --> 00:11:17,745

The ladies aren't

gonna know what--

224

00:11:17,778 --> 00:11:20,014

Listen, if you could keep

the hammer price under a hundy,

225

00:11:20,047 --> 00:11:22,149

I'll make all your weird

fanboy dreams come true.

226

00:11:22,383 --> 00:11:23,184

Okay?

227

00:11:24,885 --> 00:11:27,922

Two loose cannons,

wearing turquoise blouses.

228

00:11:27,955 --> 00:11:30,224

Yeah. Let's do it.

229

00:11:30,791 --> 00:11:32,960

[Daryl] And we got 500 dollars,
500 dollars over here.

230

00:11:32,993 --> 00:11:35,129

We got 500 dollars.

We got six, do we have six?

231

00:11:35,162 --> 00:11:37,264

Do we have 600 dollars?

We got 600 dollars over here.

232

00:11:37,298 --> 00:11:40,034

I'll go over here, 700 dollars,
we got 700 dollars.

233

00:11:40,067 --> 00:11:41,936

We got 700 dollars here.

We got 800 dollars over here.

234

00:11:41,969 --> 00:11:43,470

-[sighs]

-We got 850. Do we hear 850?

235

00:11:43,505 --> 00:11:45,239

Do we-- 850 over here.

236

00:11:45,272 --> 00:11:47,141

Do we hear any more?

Do we hear 900? 900?

237

00:11:47,174 --> 00:11:49,310

Nine hundred, going once,

900 going twice.

238

00:11:49,343 --> 00:11:50,911

And 900 going three times.

239

00:11:50,945 --> 00:11:53,515

And sold to hometown hero,

240

00:11:53,548 --> 00:11:56,383

Garrett "The Garbage Man"

Garrison, for 900 dollars.

241

00:11:59,820 --> 00:12:01,422

[Garrett] I wouldn't cash that

for about six months.

242

00:12:01,455 --> 00:12:02,456

What?

243

00:12:02,489 --> 00:12:06,126

[whoops] Come to papa! Cosmos!

244

00:12:06,160 --> 00:12:07,328

Whoo! [blows]

245

00:12:16,203 --> 00:12:18,005

[orb chiming softly]

246

00:12:18,038 --> 00:12:19,541

[Garrett] Daryl? Where is it?

247

00:12:19,574 --> 00:12:21,175

I'm sorry.

I didn't check the box.

248

00:12:23,010 --> 00:12:24,378

-Whoa, whoa, whoa...

-[Garrett] Where's the Atari?

249

00:12:24,411 --> 00:12:26,280

-Whoa!

-There's no Atari in here!

250

00:12:26,313 --> 00:12:28,949

That does not mean

you can trash this unit!

251

00:12:28,983 --> 00:12:29,984

[Garret grunts loudly]

252

00:12:30,017 --> 00:12:31,885

I'm up against it, man, I'm--

253

00:12:31,919 --> 00:12:33,555

[panting]

254

00:12:33,588 --> 00:12:36,357

Oh, no. My store.

255

00:12:36,390 --> 00:12:38,926

My wrists aren't

what they used to be. I just...

256

00:12:38,959 --> 00:12:41,428

[panting]

257

00:12:41,462 --> 00:12:43,230

I need a win, man. I need...

258

00:12:44,098 --> 00:12:45,567

I need a win.

259

00:12:45,600 --> 00:12:47,134

When are you gonna stop

looking for treasure

260

00:12:47,167 --> 00:12:49,036

inside a storage unit...

261

00:12:49,571 --> 00:12:52,540

and recognize

that the real treasure...

262

00:12:53,274 --> 00:12:55,009

...is inside your heart?

263

00:12:56,611 --> 00:12:58,012

[sighs deeply]

264

00:12:58,045 --> 00:12:59,813

[Daryl] Let's roll, everyone.

265

00:13:00,180 --> 00:13:02,316

This man has no respect
for the storage community.

266

00:13:05,185 --> 00:13:06,521

Daryl.

267

00:13:07,321 --> 00:13:10,558

["I Remember You"

by Skid Row playing]

268

00:13:10,592 --> 00:13:11,825

Oh, man.

269

00:13:12,993 --> 00:13:15,462

[chiming softly]

270

00:13:20,602 --> 00:13:22,803

[shouting along with music]

271

00:13:23,470 --> 00:13:24,438

[radiator pops]

272

00:13:27,207 --> 00:13:29,109

Oh, no!

273

00:13:30,377 --> 00:13:31,979

Oh, man!

274

00:13:32,946 --> 00:13:34,481

What the frick?

275

00:13:35,015 --> 00:13:39,053

[screaming]

276

00:13:43,157 --> 00:13:46,060

Look, Chuglass

was not my first choice either,

277

00:13:46,093 --> 00:13:48,462

but it was Mom's dying wish

for us to live here.

278

00:13:49,463 --> 00:13:51,031

Or at least

that's how I interpreted it.

279

00:13:51,265 --> 00:13:53,167

Yeah, I read something online.

280

00:13:53,467 --> 00:13:54,968

This place sucks.

281

00:13:55,002 --> 00:13:56,870

Anyways, rent is super low,

282

00:13:56,904 --> 00:13:58,405

and I've got

a full-time gig here,

283

00:13:58,439 --> 00:14:01,075

so it's not really an offer

we can turn down right now.

284

00:14:01,509 --> 00:14:03,110

[boy] Yeah, I get it.

285

00:14:03,143 --> 00:14:05,179

Look, I think you're really

gonna like it here.

286

00:14:07,281 --> 00:14:08,616

What's going on with that dude?

287

00:14:08,650 --> 00:14:10,951

[screaming and sobbing]

288

00:14:14,488 --> 00:14:17,224

[girl] Oh, my gosh, Henry,

we're in Chuglass.

289

00:14:17,257 --> 00:14:18,959

Say hi to Chuggy the Chip.

290

00:14:25,432 --> 00:14:28,102

[girl] All right.

This is the new neighborhood.

291

00:14:28,135 --> 00:14:29,436

[Henry]

When was this house built?

292

00:14:29,470 --> 00:14:32,640

[laughing]

It's so nice to meet you.

293

00:14:32,674 --> 00:14:34,108

Yeah, nice to meet you.

294

00:14:34,141 --> 00:14:36,210

Uh, your new bosses
sent you this.

295

00:14:36,243 --> 00:14:37,945

Oh...

296

00:14:37,978 --> 00:14:40,914

Yeah, people love working
at the potato chip factory.

297

00:14:40,948 --> 00:14:42,449

Yeah, well, I'm, uh,

298

00:14:42,483 --> 00:14:44,151

I'm running their socials
for a little bit.

299

00:14:44,184 --> 00:14:46,253

I said I'd get
their follower count past 75.

300

00:14:46,286 --> 00:14:48,489

Nice! You must be Henry.

301

00:14:48,523 --> 00:14:50,424

Nice to meet you. I'm Dawn.

302

00:14:50,457 --> 00:14:53,093

Hi. Why is there an alpaca
hanging out of your car?

303

00:14:54,128 --> 00:14:56,330

[Dawn] Well, real estate's
not my only hustle.

304

00:14:56,363 --> 00:14:58,600

I also do some mobile zoo stuff
on the side.

305

00:14:58,633 --> 00:15:00,535

Anyhoo, I gotta run.

306

00:15:00,568 --> 00:15:02,202

Call me if you need anything.

307

00:15:03,538 --> 00:15:07,274

Also...

I'm really sorry about your mom.

308

00:15:07,307 --> 00:15:09,243

It's really brave
what you're doing.

309

00:15:09,276 --> 00:15:10,377

I hope you know that.

310

00:15:11,746 --> 00:15:13,046

Thank you.

311

00:15:14,682 --> 00:15:17,985

-[alpaca braying loudly]

-Chill out, man. I'm coming.

312

00:15:18,018 --> 00:15:19,453

Golly!

313

00:15:25,727 --> 00:15:26,661

[sighs]

314

00:15:52,587 --> 00:15:54,455

[Natalie] *<i>Henry,</i>*

<i>breakfast is ready.</i>

315

00:15:55,690 --> 00:15:57,024

[Henry] I'm coming.

316

00:15:59,561 --> 00:16:00,595

Check it out.

317

00:16:01,729 --> 00:16:05,132

I made you Mom's signature

Tater Tot breakfast pizza.

318

00:16:05,165 --> 00:16:07,635

So you can hand out slices

on your first day.

319

00:16:07,669 --> 00:16:09,637

I thought you wanted me
to seem normal.

320

00:16:09,671 --> 00:16:10,705

I do.

321

00:16:10,738 --> 00:16:12,239

I'm just trying to help you out.

322

00:16:13,273 --> 00:16:14,642

I got you some body spray.

323

00:16:14,676 --> 00:16:17,010

Signature scents are huge here.

324

00:16:17,311 --> 00:16:19,012

[Henry] Velvet Mischief?

325

00:16:19,046 --> 00:16:20,548

You're gonna want to spray it
and then walk into it.

326

00:16:20,582 --> 00:16:22,483

Don't be too direct.

It's really powerful.

327

00:16:23,116 --> 00:16:24,652

-Okay.

-Love you.

328

00:16:25,352 --> 00:16:26,554

Love you, too. [sniffs]

329

00:16:27,287 --> 00:16:29,223

Smells like banana bread

and poo.

330

00:16:41,503 --> 00:16:42,670

[bell chimes]

331

00:16:52,747 --> 00:16:54,081

[exhales]

332

00:16:59,086 --> 00:17:01,421

[orb chiming softly]

333

00:17:01,723 --> 00:17:03,090

[Henry]

Your store's really cool.

334

00:17:03,123 --> 00:17:04,592

Yeah, I know.

335

00:17:04,626 --> 00:17:06,594

Looking for anything

in particular?

336

00:17:06,628 --> 00:17:08,563

Nah,

just checking some stuff out.

337

00:17:08,596 --> 00:17:11,064

Non-committal.

Classic loser mentality.

338

00:17:11,098 --> 00:17:11,699

I can help.

339

00:17:13,433 --> 00:17:15,302

I'm starting

a mentorship program

340

00:17:15,335 --> 00:17:17,705

for people who want to win

at the game of life.

341

00:17:17,739 --> 00:17:19,841

-Fifty bucks an hour.

-Cool.

342

00:17:19,874 --> 00:17:21,743

How do you actually win at life?

343

00:17:21,776 --> 00:17:24,612

[scoffs] That's literally

the answer I charge money for.

344

00:17:26,848 --> 00:17:28,415

Tots.

What's with the breakfast pizza?

345

00:17:28,448 --> 00:17:30,217

My sister made it.

346

00:17:30,250 --> 00:17:32,520

I'm supposed to hand out slices
at school to make friends.

347

00:17:32,554 --> 00:17:34,321

A little desperate for day one,
don't you think?

348

00:17:35,255 --> 00:17:37,424

I also notice that
you're wearing Velvet Mischief.

349

00:17:37,792 --> 00:17:39,527

It's a wonderful cologne.

350

00:17:39,561 --> 00:17:41,161

And I strongly believe
that every young man

351

00:17:41,194 --> 00:17:42,296

should have his own
signature scent.

352

00:17:42,329 --> 00:17:43,598

[sniffs]

353

00:17:43,631 --> 00:17:45,533

I didn't think
I applied very much.

354

00:17:45,567 --> 00:17:47,835

Listen, I'm gonna give you
a hot Garbage tip.

355

00:17:48,402 --> 00:17:50,304

Friendship is like a puzzle.

356

00:17:50,337 --> 00:17:52,239

Sometimes you think you need

lots of pieces to be cool.

357

00:17:52,272 --> 00:17:54,474

And sometimes

it's just one piece to be cool.

358

00:17:54,709 --> 00:17:56,176

And people will be like,

359

00:17:56,209 --> 00:17:58,345

"That's not a puzzle,

that's a picture."

360

00:17:59,279 --> 00:18:01,081

And they have a right to speak,

too.

361

00:18:01,716 --> 00:18:02,884

Any questions?

362

00:18:02,917 --> 00:18:04,519

Yeah. Quite a few, actually.

363

00:18:04,552 --> 00:18:07,589

Listen, kid. The point is,
there's no "I" in team.

364

00:18:07,622 --> 00:18:09,557

But there are two in winning.

365

00:18:10,257 --> 00:18:12,225

Okay, well,
I gotta go to school.

366

00:18:12,259 --> 00:18:13,795

Whatever, nerd.
Just leave the pizza.

367

00:18:13,828 --> 00:18:14,896

[class bell ringing]

368

00:18:17,599 --> 00:18:21,134

[woman] *<i>All right.</i>*
<i>Let's put this nametag on.</i>

369

00:18:21,435 --> 00:18:24,137

Uh, why does it have
an exclamation point?

370

00:18:24,171 --> 00:18:27,675

[chuckles] Oh, Henry, we're just
so thrilled to have you.

371

00:18:27,709 --> 00:18:30,410

You know, you're the first
student to enroll here,

372

00:18:30,444 --> 00:18:33,514

ever since that article came out
about the school rankings.

373

00:18:34,314 --> 00:18:36,483

Anyway,
I'm Vice Principal Marlene,

374

00:18:36,517 --> 00:18:38,418

and I'm an open book.

375

00:18:38,452 --> 00:18:40,287

You probably heard
that my husband, Clemente,

376

00:18:40,320 --> 00:18:42,289

recently divorced me.

377

00:18:42,557 --> 00:18:46,159

And to be honest, I expected it
to hurt more than it does.

378

00:18:46,193 --> 00:18:50,297

You know, the fire went out
on our marriage 20 years ago,

379

00:18:50,330 --> 00:18:52,767

but we stuck it out
for the dogs.

380

00:18:53,735 --> 00:18:56,904

Okay, let's get you
to your first class.

381

00:18:56,938 --> 00:18:58,773

[class bell ringing]

382

00:18:58,806 --> 00:19:00,240

[teacher] Good morning.

383

00:19:00,273 --> 00:19:01,843

Just a little something
about myself.

384

00:19:02,275 --> 00:19:04,712

I teach gym, I teach art.

385

00:19:04,979 --> 00:19:08,916

Financially,
I'm living in a nightmare, okay?

386

00:19:09,383 --> 00:19:12,219

I wouldn't wish my life
on my worst enemy.

387

00:19:12,252 --> 00:19:14,889

Last year, I claimed

4,000 dollars on my tax return.

388

00:19:15,355 --> 00:19:18,693

So in the summer, I do clams
and oysters down by the airport.

389

00:19:18,726 --> 00:19:21,596

But most of my money is tied up
in a drone kiosk at the mall.

390

00:19:22,964 --> 00:19:25,399

Okay, today we're gonna
do a still life.

391

00:19:25,633 --> 00:19:28,603

One orange, one banana.

392

00:19:28,636 --> 00:19:30,270

Let's get after it, people.

393

00:19:30,303 --> 00:19:32,807

["Change Song"

by Dayglow playing]

394

00:19:45,385 --> 00:19:46,587

[teacher] What is this?

395

00:19:46,621 --> 00:19:47,955

Don't you know
what a still life is?

396

00:19:47,989 --> 00:19:49,691

It means you just
draw the thing.

397

00:19:49,724 --> 00:19:51,391

Do the assignment next time.

398

00:19:51,425 --> 00:19:53,293

-[book thuds]
-[class giggling]

399

00:19:53,326 --> 00:19:54,796

That jetpack would never work.

400

00:19:54,829 --> 00:19:56,931

It's kind of foolproof,
actually. It's just math.

401

00:19:56,964 --> 00:19:59,600

My dad said math
has been debunked.

402

00:19:59,901 --> 00:20:02,603

Check it out. New kid thinks
he's a rocket scientist.

403

00:20:02,637 --> 00:20:03,871

[laughter]

404

00:20:03,905 --> 00:20:05,006

I'd love to be
a rocket scientist.

405

00:20:05,039 --> 00:20:05,973

So prove it.

406

00:20:07,542 --> 00:20:09,409

[song resumes]

407

00:20:24,291 --> 00:20:25,727

[song ends]

408

00:20:25,760 --> 00:20:28,930

[students cheering, laughing]

409

00:20:28,963 --> 00:20:30,765

[whistle blows nearby]

410

00:20:34,035 --> 00:20:36,403

All right. Count us down, guys.

411

00:20:36,436 --> 00:20:40,273

[all]

Five, four, three, two, one!

412

00:20:42,009 --> 00:20:44,311

[kids exclaiming]

413

00:20:46,013 --> 00:20:48,281

Okay, so I know
that we're all very excited

414
00:20:48,315 --> 00:20:49,517
about the new rebrand,

415
00:20:49,884 --> 00:20:51,418
but I don't think you should

416
00:20:51,451 --> 00:20:53,588
call your party bags,
"Salt Sacks."

417
00:20:56,456 --> 00:20:59,560
-[jetpack roaring, whistling]
-[all exclaiming]

418
00:21:01,662 --> 00:21:03,664
-[loud booming]
-[people shouting]

419
00:21:04,699 --> 00:21:05,933
-[loud, metallic creaking]

-[panting]

420

00:21:07,001 --> 00:21:08,435

Chuggy!

421

00:21:08,468 --> 00:21:09,704

Oh, no!

422

00:21:14,575 --> 00:21:16,343

[car alarms ringing in distance]

423

00:21:16,376 --> 00:21:17,779

I was never here, okay?

424

00:21:20,114 --> 00:21:22,683

Well, the good news

is nobody died.

425

00:21:22,984 --> 00:21:25,485

I'm sorry, okay?

It was an accident.

426

00:21:25,520 --> 00:21:27,789

This could be grounds
for expulsion, Henry.

427

00:21:27,822 --> 00:21:29,624

I need you to call
your guardian.

428

00:21:30,490 --> 00:21:31,491

[sighs]

429

00:21:34,061 --> 00:21:36,631

[line ringing]

430

00:21:36,664 --> 00:21:37,799

[Garrett] *<i>Game Over World.</i>*

431

00:21:37,832 --> 00:21:39,567

Hey, uh,
Mr. Garbage Man, it's Henry.

432

00:21:39,600 --> 00:21:41,068

The kid with the Tater Tot

breakfast pizza?

433

00:21:41,102 --> 00:21:42,904

[Garrett] <i>Oh, yeah.</i>

434

00:21:42,937 --> 00:21:45,006

-[fly buzzing fitfully]

<i>-I have a weird favor to ask.</i>

435

00:21:45,039 --> 00:21:47,575

Uh, could you come to my school
and pretend to be my uncle?

436

00:21:47,608 --> 00:21:49,342

No way.

I don't do that stuff anymore.

437

00:21:49,376 --> 00:21:50,945

I have 26 bucks.

438

00:21:50,978 --> 00:21:52,814

["We Gotta Party"

by Jag Team playing]

439

00:21:52,847 --> 00:21:54,849

-[tires screeching]

-[motor revving]

440

00:21:58,586 --> 00:21:59,921

Hi, I'm Henry's uncle.

441

00:22:01,856 --> 00:22:03,456

You?

442

00:22:03,490 --> 00:22:04,826

The Trash Bag?

443

00:22:04,859 --> 00:22:06,794

It's actually "Garbage Man."

444

00:22:06,828 --> 00:22:09,063

Garbage Man, huh?

445

00:22:09,096 --> 00:22:12,365

You can bag me up

and take me to the curb anytime.

446

00:22:13,500 --> 00:22:14,836

But you gotta bungee the lid

447

00:22:14,869 --> 00:22:16,771

'cause I got a lot of raccoons
in there.

448

00:22:18,773 --> 00:22:20,808

Whoever divorced you
is a complete idiot.

449

00:22:22,442 --> 00:22:23,578

[motor rumbles]

450

00:22:23,611 --> 00:22:25,445

[tires screeching]

451

00:22:27,114 --> 00:22:29,584

[song ends]

452

00:22:29,617 --> 00:22:31,652

[Henry] <i>I just don't get it.</i>

<i>It should have worked.</i>

453

00:22:32,153 --> 00:22:33,654

The math is right.

454

00:22:33,688 --> 00:22:35,590

But I probably

just cost my sister her job.

455

00:22:36,489 --> 00:22:37,457

Oh, wow.

456

00:22:38,626 --> 00:22:39,794

You're super creative.

457

00:22:41,162 --> 00:22:42,730

Hey,

since you're going to juvie,

458

00:22:42,763 --> 00:22:44,999

you mind

if I get this flyer back?

459

00:22:45,032 --> 00:22:47,535

Paper don't grow on trees, and..

460

00:22:47,568 --> 00:22:49,103

not really allowed

in Kinko's anymore.

461

00:22:49,136 --> 00:22:50,470

Well, you can have my book, too.

462

00:22:51,739 --> 00:22:52,840

'Cause I'm done with it.

463

00:22:57,712 --> 00:22:59,847

So what's this stupid junk?

464

00:22:59,881 --> 00:23:01,082

Who cares?

465

00:23:02,482 --> 00:23:03,918

Probably some new age bullcrap.

466

00:23:04,785 --> 00:23:06,453

I could let it go for like 950.

467

00:23:06,486 --> 00:23:07,788

I wonder what it does.

468

00:23:12,627 --> 00:23:15,162

Hey. Instructions.

469

00:23:16,530 --> 00:23:20,067

"Never, under any circumstances,
combine the Orb and Crystal."

470

00:23:22,103 --> 00:23:22,904

[chortles]

471

00:23:26,807 --> 00:23:29,877

[energy thrumming]

472

00:23:29,911 --> 00:23:31,846

[Garrett] Uh, wait...

473

00:23:31,879 --> 00:23:33,948

"Do not follow this Orb,

474

00:23:33,981 --> 00:23:35,049

even if you're a struggling

business owner

475

00:23:35,082 --> 00:23:36,817

and need a ton of cash fast

476

00:23:36,851 --> 00:23:39,220

because there's loads

of treasure down here."

477

00:23:39,253 --> 00:23:40,855

[stammering] Hey, dude. Dude?

478

00:23:40,888 --> 00:23:42,523

It feels like it wants

to go somewhere.

479

00:23:42,556 --> 00:23:44,125

-[energy pulsing loudly]

-[Garrett] What?

480

00:23:44,892 --> 00:23:46,627

-[goats bleating]

-[Dawn grunts]

481

00:23:47,561 --> 00:23:50,164

I'm sorry. I tried everything.

I didn't know who else to call.

482

00:23:50,197 --> 00:23:52,066

No, it's okay. What's going on?

483

00:23:52,099 --> 00:23:53,634

Henry's missing.

I tried the school.

484

00:23:53,668 --> 00:23:54,602

I tried his phone

a million times.

485

00:23:54,635 --> 00:23:55,870

He's not answering.

486

00:23:55,903 --> 00:23:57,004

He was supposed to be
home hours ago.

487

00:23:57,038 --> 00:23:58,673

I thought he'd still be
in detention

488

00:23:58,706 --> 00:24:00,741

for blowing up Chuggy The Chip.

489

00:24:01,742 --> 00:24:03,878

-That was him?

-Give me your phone.

490

00:24:03,911 --> 00:24:06,113

Oh, my gosh.

Oh, I can't believe this.

491

00:24:06,147 --> 00:24:08,115

We're here for one day, and he's
already the town villain.

492

00:24:08,149 --> 00:24:09,817

-[phone chimes]

-Got him!

493

00:24:09,850 --> 00:24:12,687

He's fine. He's just playing
in an abandoned mineshaft.

494

00:24:12,720 --> 00:24:14,221

-[alpaca shrieks nearby]

-What?

495

00:24:14,255 --> 00:24:16,657

Come on. I'll drive.

496

00:24:16,691 --> 00:24:18,759

You can feed Mr. Scribbles
this busted carrot

497

00:24:18,793 --> 00:24:20,561

if you wanna keep
that pretty face of yours.

498

00:24:20,594 --> 00:24:22,462

-[Mr. Scribbles gurgling]

-[Dawn] Hop in.

499

00:24:22,830 --> 00:24:23,864

Okay.

500

00:24:28,836 --> 00:24:30,538

[Garrett] You go first.

I'll cover your six.

501

00:24:30,571 --> 00:24:31,572

[Henry] Yeah, yeah. I got you.

502

00:24:33,307 --> 00:24:35,743

[Garrett] Danger. Whatever.

503

00:24:36,677 --> 00:24:38,546

[panting]

504

00:24:38,579 --> 00:24:40,014

[whimpering]

505

00:24:45,686 --> 00:24:46,787

[Henry] Whoa.

506

00:24:48,289 --> 00:24:49,757

[Garrett] Whoa.

507

00:24:59,767 --> 00:25:01,035

-[Natalie] Henry!

-Oh, gosh!

508

00:25:01,869 --> 00:25:03,537

What are you doing down here?

509

00:25:03,838 --> 00:25:05,639

-Who's this guy?

-He's my new mentor.

510

00:25:05,940 --> 00:25:07,174

Who, me? Oh.

511

00:25:07,208 --> 00:25:08,542

[Natalie] I'm sorry. What?

512

00:25:08,576 --> 00:25:10,911

Hey, guys! Guys!

513

00:25:11,212 --> 00:25:12,613

-[orb chiming, pulsing]

-It's pulling me, guys.

514

00:25:12,646 --> 00:25:14,181

-[groans, yells]

-Whoa!

515

00:25:14,215 --> 00:25:15,182

Oh, Henry!

516

00:25:15,216 --> 00:25:16,717

[groaning]

517

00:25:16,751 --> 00:25:18,586

[all shouting]

518

00:25:18,619 --> 00:25:20,955

Henry, let go of that thing!

519

00:25:23,124 --> 00:25:25,092

[Henry yelling]

520

00:25:25,126 --> 00:25:26,193

[grunts]

521

00:25:28,095 --> 00:25:29,730

[groans]

522

00:25:30,197 --> 00:25:32,666

[yelling, grunting]

523

00:25:34,101 --> 00:25:36,037

[groans]

524

00:25:37,705 --> 00:25:39,673

[screams, grunts]

525

00:25:40,941 --> 00:25:42,109

[yells]

526

00:25:42,143 --> 00:25:43,944

[both grunt]

527

00:25:43,978 --> 00:25:47,681

Oh, man, my butt. My butt.

528

00:25:47,715 --> 00:25:49,583

-[Dawn groaning]

-[Natalie grunts]

529

00:26:00,061 --> 00:26:01,295

[sighs]

530

00:26:14,341 --> 00:26:15,709

[Garrett] Yep.

531

00:26:16,310 --> 00:26:17,845

We're not in Idaho anymore.

532

00:26:18,179 --> 00:26:20,047

I think this is Wyoming.

533

00:26:20,714 --> 00:26:22,116

Wait, who are you again?

534

00:26:22,750 --> 00:26:24,618

Garrett "The Garbage Man"

Garrison.

535

00:26:24,652 --> 00:26:26,654

Gamer of the Year, 1989.

536

00:26:27,154 --> 00:26:29,123

Whatever.

I barely think about it.

537

00:26:29,156 --> 00:26:30,724

[sheep bleating]

538

00:26:30,758 --> 00:26:32,159

What the heck?

539

00:26:32,193 --> 00:26:33,694

[bleating]

540

00:26:33,727 --> 00:26:35,062

[Garrett] Oooh.

541

00:26:35,096 --> 00:26:36,864

If that's what I think it is,

542

00:26:36,897 --> 00:26:38,232

it could be our first

quest giver.

543

00:26:38,933 --> 00:26:39,900

[retches]

544

00:26:39,934 --> 00:26:41,235

I'll do the talking.

545

00:26:41,869 --> 00:26:43,704

[Garrett] All right, yeah!

546

00:26:43,737 --> 00:26:45,306

-[Natalie] Henry!

-[Dawn] Yeah, Henry!

547

00:26:45,339 --> 00:26:46,807

Come on back here.

548

00:26:46,841 --> 00:26:48,175

[Natalie] What are you doing?

549

00:26:49,443 --> 00:26:50,678

Hmm.

550

00:26:52,113 --> 00:26:53,681

Hmmm...

551

00:26:54,682 --> 00:26:55,983

Huh-huh.

552

00:26:57,685 --> 00:26:59,120

Uh-huh...

553

00:27:03,224 --> 00:27:04,892

[roaring]

554

00:27:04,925 --> 00:27:06,660

[piglins snorting, grunting]

555

00:27:08,162 --> 00:27:09,897

[Malgosha] Listen up, you swine!

556

00:27:09,930 --> 00:27:11,198

[piglin squeals]

557

00:27:11,232 --> 00:27:13,901

[Malgosha]

If you can't find more gold,

558

00:27:13,934 --> 00:27:17,204

I'll just send you

to the Overworld to zombify.

559

00:27:17,238 --> 00:27:18,706

[leaping grunt]

560

00:27:18,739 --> 00:27:20,274

[piglin babbling quietly]

561

00:27:20,307 --> 00:27:21,208

[Malgosha] You!

562

00:27:22,143 --> 00:27:23,244

What are you making?

563

00:27:24,845 --> 00:27:26,881

Come closer. It's all right.

564

00:27:27,314 --> 00:27:28,949

Come on. I'm not gonna bite you.

565

00:27:29,183 --> 00:27:30,184

[whimpering fearfully]

566

00:27:30,217 --> 00:27:33,320

Oh! How pretty.

567

00:27:33,354 --> 00:27:36,390

But how will that help me
find more gold?

568

00:27:36,423 --> 00:27:37,791

[squeaks]

569

00:27:37,825 --> 00:27:38,926

Oops.

570

00:27:39,727 --> 00:27:40,728

Huh?

571

00:27:41,328 --> 00:27:42,129

What?

572

00:27:44,431 --> 00:27:46,934

Well, looky what we have here.

573

00:27:46,967 --> 00:27:48,068

[curious grunts]

574

00:27:48,102 --> 00:27:50,037

[cackling]

575

00:27:53,207 --> 00:27:55,843

Our time has come.

576

00:27:58,112 --> 00:28:00,080

[seething]

577

00:28:03,350 --> 00:28:05,386

[metallic clinking]

578

00:28:05,419 --> 00:28:06,887

[blowing]

579

00:28:06,921 --> 00:28:07,988

[Malgosha] Roundling!

580

00:28:09,089 --> 00:28:10,157

Malgosha!

581

00:28:10,191 --> 00:28:12,159

Was I unclear when I said

582

00:28:12,193 --> 00:28:15,462

no one was to waste time

on art or leisure?

583

00:28:16,330 --> 00:28:18,065

-[guard squeaks]

-[Steve yelps]

584

00:28:18,499 --> 00:28:21,235

-[gasps]

-The Orb has returned.

585

00:28:23,037 --> 00:28:24,138

It can't be.

586

00:28:24,539 --> 00:28:26,273

Dennis?

587

00:28:26,307 --> 00:28:30,911

You stole it from me,
and now you will retrieve it.

588

00:28:31,546 --> 00:28:34,148

It would be a privilege,
my liege.

589

00:28:34,348 --> 00:28:36,350

We're going to unbind you now.

590

00:28:38,085 --> 00:28:39,920

Don't do anything stupid.

591

00:28:39,954 --> 00:28:41,255

[scoffs] Of course not.

592

00:28:41,288 --> 00:28:43,023

You can trust
this little dungeon pup.

593

00:28:43,057 --> 00:28:45,025

Let me just--

Sneak attack-- [gasps]

594

00:28:45,059 --> 00:28:47,795

Go ahead. Strike me down.

595

00:28:47,828 --> 00:28:51,865

My piglins will make a meal
of your beautiful wolf.

596

00:28:51,899 --> 00:28:53,367

How do I know
you're telling the truth?

597

00:28:53,400 --> 00:28:55,970

There's only one way
to find out.

598

00:28:56,003 --> 00:28:58,906

The Orb
for your little dog's life.

599

00:28:58,939 --> 00:29:01,075

[piglin guards guffawing]

600

00:29:01,108 --> 00:29:02,176

[tense grunt]

601

00:29:03,545 --> 00:29:05,279

Hah-rr...

602

00:29:06,447 --> 00:29:07,549

Huh.

603

00:29:07,582 --> 00:29:09,283

-[Dennis barks]

-Hrr...

604

00:29:10,951 --> 00:29:12,820

-Hm?

-[barking]

605

00:29:13,120 --> 00:29:14,321

Mm-hm.

606

00:29:23,831 --> 00:29:24,832

[bleats]

607

00:29:25,332 --> 00:29:27,234

<i>Hola,</i> wise Quest Giver.

608

00:29:28,235 --> 00:29:30,104

We humbly seek gold.

609

00:29:30,137 --> 00:29:33,073

Give us a quest that will
lead us to your treasure load.

610

00:29:33,107 --> 00:29:35,142

Garbage Man,
I work in the animal field,

611

00:29:35,175 --> 00:29:37,111

and I am telling you, that thing

612

00:29:37,144 --> 00:29:38,812

doesn't understand
a word you're saying.

613

00:29:38,846 --> 00:29:40,247

Shh...

614

00:29:40,281 --> 00:29:41,949

-We're talking.

-[sheep bleating]

615

00:29:41,982 --> 00:29:43,585

Sorry about that.

What were you saying?

616

00:29:43,618 --> 00:29:45,386

Okay. Come on, Henry.

We're going home.

617

00:29:50,257 --> 00:29:53,528

[howling]

618

00:29:53,927 --> 00:29:55,329

That feel quick to anyone else?

619

00:29:55,362 --> 00:29:56,363

[bleating] Yeah.

620

00:30:04,905 --> 00:30:06,040

All right, everyone.

621

00:30:06,307 --> 00:30:07,474

-Stay calm.

-[panting]

622

00:30:07,509 --> 00:30:08,876

<i>Relaje.</i>

623

00:30:10,044 --> 00:30:11,579

Free Garbage tip.

624

00:30:12,547 --> 00:30:16,850

Fear is just weakness

hijacking your body's cockpit.

625

00:30:16,884 --> 00:30:18,620

-[faint rattling]

-What in the hell?

626

00:30:18,653 --> 00:30:22,089

And if that happens,
you can say <i>vaya con Dios</i>

627

00:30:22,122 --> 00:30:24,291

to your body plane's
navigation system.

628

00:30:24,325 --> 00:30:25,993

What?

629

00:30:26,026 --> 00:30:29,196

Yeah, Garbage Man isn't speaking
English or <i>español.</i>

630

00:30:29,229 --> 00:30:31,165

[guttural chittering]

631

00:30:31,398 --> 00:30:32,900

[whimpering]

What am I doing here?

632

00:30:32,933 --> 00:30:34,968

[skeletons shrieking]

633

00:30:38,038 --> 00:30:39,106

[screaming]

634

00:30:39,139 --> 00:30:40,441

[all shrieking]

635

00:30:40,474 --> 00:30:41,308

[Dawn] Run!

636

00:30:42,142 --> 00:30:43,611

[Henry] Garrett!

637

00:30:43,645 --> 00:30:46,080

I'm sorry! Dead dudes

can't win Gamer of the Year!

638

00:30:46,347 --> 00:30:47,915

[yelps, grunts]

639

00:30:48,482 --> 00:30:51,051

[repeatedly grunting]

640

00:30:52,520 --> 00:30:54,188

[defeated moan]

641

00:30:54,221 --> 00:30:56,323

[all screaming]

642

00:31:00,327 --> 00:31:01,995

[yelping]

643

00:31:08,369 --> 00:31:10,538

[skeletons shrieking]

644

00:31:11,939 --> 00:31:13,374

[all continue screaming]

645

00:31:13,941 --> 00:31:15,242

[grunting]

646

00:31:15,976 --> 00:31:16,977

-[gasps]

-Henry!

647

00:31:21,516 --> 00:31:22,517

[Henry] Whoa!

648

00:31:31,258 --> 00:31:33,060

[zombies groaning]

649

00:31:33,093 --> 00:31:35,597

-[Natalie] Oh!

-Yo! We got a zombie problem!

650

00:31:35,630 --> 00:31:37,164

We need to go right now!

651

00:31:37,364 --> 00:31:38,966

[Natalie] Henry, come on!

652

00:31:39,233 --> 00:31:41,034

[Dawn]

It's not a good time to stop.

653

00:31:41,636 --> 00:31:43,203

Henry! Hurry up!

654

00:31:43,237 --> 00:31:44,171

[chuckles]

655

00:31:45,272 --> 00:31:46,608

[Garrett screaming]

656

00:31:47,074 --> 00:31:48,208

[grunting]

657

00:31:53,380 --> 00:31:55,683

-[skeletons clatter menacingly]

-[yelling]

658

00:31:58,218 --> 00:31:59,953

[Henry grunting]

659

00:31:59,987 --> 00:32:01,288

How's he doing that?

660

00:32:01,321 --> 00:32:03,190

I don't know, but it might work.

661

00:32:03,691 --> 00:32:05,627

[Natalie] This way! Faster!

662

00:32:05,660 --> 00:32:07,060

[Dawn] You got this.

663

00:32:07,094 --> 00:32:08,429

-Go, Henry!

-Don't slow down, boy.

664

00:32:08,462 --> 00:32:11,231

Don't you slow down!

You can do this!

665

00:32:11,265 --> 00:32:13,568

[Natalie] Keep going, Henry!

Come on, come on! Quickly!

666

00:32:13,601 --> 00:32:15,402

Faster, faster, faster! Come on!

667

00:32:16,504 --> 00:32:18,439

[hissing]

668

00:32:23,711 --> 00:32:26,346

[thudding]

669

00:32:31,151 --> 00:32:34,288

[sinister hissing]

670

00:32:45,700 --> 00:32:47,434

[sparking softly]

671

00:32:47,468 --> 00:32:48,603

[squeaky chirp]

672

00:32:50,471 --> 00:32:53,207

[Garrett inhaling tensely]

673

00:32:54,141 --> 00:32:55,710

-[yelps]

-[squeaky chittering]

674

00:32:56,376 --> 00:32:57,779

[booming thuds]

675

00:32:57,812 --> 00:32:59,179

[squeaking]

676

00:32:59,213 --> 00:33:00,782

Oh, my gosh. I'm so sor--

677

00:33:00,815 --> 00:33:03,383

[shrieks, grunts]

678

00:33:03,417 --> 00:33:04,619

[coughing groan]

679

00:33:04,652 --> 00:33:06,721

-[zombies moaning]

-[sheep bleating]

680

00:33:08,556 --> 00:33:10,157

[sheep screaming]

681

00:33:11,726 --> 00:33:13,628

[screaming] Henry!

682

00:33:13,661 --> 00:33:15,996

Help me, please! Henry!

683

00:33:16,263 --> 00:33:18,398

Garrett! Garrett, over here!

684

00:33:22,704 --> 00:33:23,638

[Henry] Garrett!

685

00:33:24,238 --> 00:33:25,239

[Natalie] What are you doing?

686

00:33:25,272 --> 00:33:27,140

They're right behind you!

687

00:33:27,174 --> 00:33:28,676

-Up here!

-[Henry] Garrett, over here!

688

00:33:32,446 --> 00:33:34,782

[Dawn]

Oh, no! That can't be good!

689

00:33:34,816 --> 00:33:36,584

You idiot. Run!

690

00:33:37,084 --> 00:33:39,821

-[Dawn] Watch out!

-[Natalie] Hit it and run!

691

00:33:39,854 --> 00:33:42,089

[shrieking] Open the door!

692

00:33:42,122 --> 00:33:44,091

-[zombies growl]

-[all screaming]

693

00:33:45,125 --> 00:33:46,628

Hai! Go away!

694

00:33:47,729 --> 00:33:50,665

-[yelling]

-[zombie groans]

695

00:33:50,698 --> 00:33:53,200

[Dawn] Come on! Let's push
that booger-looking box-head!

696

00:33:53,233 --> 00:33:55,068

[Henry yelling]

697

00:33:56,804 --> 00:33:59,641

Oh, man. Oh, boy!

698

00:34:00,274 --> 00:34:03,310

Oh! You're movi-- Oh!

699

00:34:03,343 --> 00:34:05,647

Hank! Oh, man.

700

00:34:06,246 --> 00:34:07,749

Oh, man, no!

701

00:34:07,782 --> 00:34:10,618

[high-pitched screaming]

702

00:34:11,385 --> 00:34:13,353

-[muffled yell]

-[both grunt]

703

00:34:13,387 --> 00:34:14,689

un-alive you and stuff.

1059

00:48:54,134 --> 00:48:55,269

[yells sharply]

1060

00:48:55,302 --> 00:48:57,004

Malgosha double-crossed me.

1061

00:48:57,639 --> 00:48:59,541

We just need that Orb thingy.

1062

00:48:59,574 --> 00:49:01,074

You know this guy?

1063

00:49:01,108 --> 00:49:03,310

Yeah, we used to get
into some dungeon stuff.

1064

00:49:03,343 --> 00:49:05,212

He seems nice,
but he's a killer!

1065

00:49:05,245 --> 00:49:07,582

Wow, you look good, Bro-Hammer.

1066

00:49:07,615 --> 00:49:08,982

You lose some weight?

1067

00:49:09,016 --> 00:49:10,752

Stand back, boys.

1068

00:49:10,785 --> 00:49:12,252

This pig is mine.

1069

00:49:12,286 --> 00:49:13,420

No.

1070

00:49:14,388 --> 00:49:16,658

I'm tired of you
getting all the glory.

1071

00:49:17,491 --> 00:49:18,593

This pig is mine.

1072

00:49:21,696 --> 00:49:22,530

[curious grunt]

1073

00:49:24,331 --> 00:49:25,600

[bucket clangs]

1074

00:49:27,635 --> 00:49:28,435

Steve!

1075

00:49:31,305 --> 00:49:33,474

[groans, grunts]

1076

00:49:33,508 --> 00:49:34,975

[yelling]

1077

00:49:35,275 --> 00:49:36,611

[shrieks]

1078

00:49:38,045 --> 00:49:38,746

[tot launcher powers up]

1079

00:49:45,052 --> 00:49:46,220

-We have to get to Henry.

-Yeah.

1080

00:49:46,253 --> 00:49:47,321

Do you think we could

take these guys?

1081

00:49:47,354 --> 00:49:48,155

[both shriek]

1082

00:49:51,626 --> 00:49:52,727

[heavy grunts]

1083

00:49:56,631 --> 00:49:58,065

[Natalie]

Come on, let's do this!

1084

00:49:58,098 --> 00:49:59,299

[Dawn] Yeah, we got this!

1085

00:49:59,333 --> 00:50:01,134

["Zero to Hero"

by Benee playing]

1086

00:50:01,168 --> 00:50:02,436

[grunts]

1087

00:50:03,738 --> 00:50:06,006

[belly rumbling]

1088

00:50:06,340 --> 00:50:07,709

[Natalie grunts]

1089

00:50:15,082 --> 00:50:16,216

[Dawn yelps]

1090

00:50:23,357 --> 00:50:25,058

[groans]

1091

00:50:28,495 --> 00:50:29,531

Hai!

1092

00:50:31,498 --> 00:50:32,700

Nice moves, bro.

1093

00:50:35,369 --> 00:50:37,104

-[attacking shriek]

-[Chungus] Sorry.

1094

00:50:37,137 --> 00:50:38,438

[Garrett grunts, groans]

1095

00:50:39,339 --> 00:50:41,275

[Natalie yelling]

1096

00:50:43,143 --> 00:50:43,745

[Dawn] Yes!

1097

00:50:45,647 --> 00:50:47,414

[screams]

1098

00:50:49,149 --> 00:50:51,719

[groaning]

1099

00:50:51,753 --> 00:50:53,521

[Chungus] The party's over, bud.

1100

00:50:53,555 --> 00:50:55,489

Just give me the Orb.

1101

00:50:55,523 --> 00:50:57,257

Let me tell you something.

Let me tell you something!

1102

00:50:57,559 --> 00:50:58,492

What?

1103

00:50:58,826 --> 00:51:00,795

[Chungus] Whoa!

1104

00:51:00,828 --> 00:51:01,729

Thanks, big guy.

1105

00:51:02,129 --> 00:51:03,163

Ninja roll!

1106

00:51:03,196 --> 00:51:05,299

[pained groan] What happened?

1107

00:51:05,567 --> 00:51:07,301

I just saved your butt,
that's what happened.

1108

00:51:07,334 --> 00:51:08,402

You can thank me later.

1109

00:51:08,670 --> 00:51:10,538

We gotta get to the rampart.
Follow me!

1110

00:51:14,207 --> 00:51:16,109

[villagers shouting]

1111

00:51:16,143 --> 00:51:18,378

[panting]

1112

00:51:18,412 --> 00:51:20,815

[slow motion] Henry!

1113

00:51:23,150 --> 00:51:24,619

Nat, we have to go now.

1114

00:51:24,652 --> 00:51:26,554

Dawn, I cannot leave him.

He's my entire family.

1115

00:51:26,588 --> 00:51:28,121

He needs you alive, okay?

1116

00:51:28,155 --> 00:51:29,591

We'll meet him back
at the Woodland Mansion.

1117

00:51:29,624 --> 00:51:31,425

We gotta go find the map guy!
Come on!

1118

00:51:32,359 --> 00:51:34,194

[Steve] Follow me!

1119

00:51:34,227 --> 00:51:35,897

-Garrett, what about Natalie?

-We'll meet her at the Mansion.

1120

00:51:35,930 --> 00:51:37,665

[piglins growling]

1121

00:51:38,432 --> 00:51:39,499

[Steve] Come on, run!

1122

00:51:40,735 --> 00:51:43,236

[all panting, gasping]

1123

00:51:46,574 --> 00:51:47,642

-Whoa!

-[Henry] Whoa.

1124

00:51:48,810 --> 00:51:50,210

[Garrett] Oh, great. Now what?

1125

00:51:50,243 --> 00:51:51,178

-Fr-r-rah!

-[metallic clang]

1126

00:51:51,445 --> 00:51:52,814

Elytra Wingsuits!

1127

00:51:53,213 --> 00:51:55,282

-Ska-tah! Ska-tah!

-[Garret grunts]

1128

00:51:55,516 --> 00:51:56,450

Whoa!

1129

00:51:56,483 --> 00:51:57,785

Head for those mountains.

1130

00:51:57,819 --> 00:51:59,252

I thought we're going
to the Woodland Mansion.

1131

00:51:59,286 --> 00:52:00,187

Hank,
don't talk back to your elders.

1132

00:52:00,220 --> 00:52:01,421

-But--

-Buh-bye.

1133

00:52:01,455 --> 00:52:04,458

[screaming]

1134

00:52:07,260 --> 00:52:08,295

Those things work, right?

1135

00:52:08,328 --> 00:52:09,262

Absolutely.

1136

00:52:09,296 --> 00:52:11,833

[screaming]

1137

00:52:13,333 --> 00:52:14,602

[exclaims]

1138

00:52:14,636 --> 00:52:16,604

Whoo-hoo!

1139

00:52:16,638 --> 00:52:18,873

Check it out. I'm flying!

1140

00:52:18,906 --> 00:52:20,575

Yeah!

1141

00:52:20,608 --> 00:52:21,576

[laughs]

1142

00:52:24,244 --> 00:52:25,913

-[gasps]

<i>-Buenos días.</i>

1143

00:52:25,947 --> 00:52:27,314

Which means, "See you later."

1144

00:52:27,347 --> 00:52:30,350

[screaming]

1145

00:52:30,952 --> 00:52:33,487

No! I thought I grabbed three!

1146

00:52:33,521 --> 00:52:36,958

Wait for me!

1147

00:52:36,991 --> 00:52:37,892

Coming in hot!

1148

00:52:41,361 --> 00:52:44,231

["Private Idaho"

by The B-52's playing]

1149

00:52:47,334 --> 00:52:48,502

[Steve cackles]

1150

00:52:48,536 --> 00:52:50,470

[Garrett] No! No way, dude!

1151

00:52:50,905 --> 00:52:52,439

Let go of my hair!

1152

00:52:52,472 --> 00:52:54,609

Just relax.

Let my hips guide you.

1153

00:52:54,642 --> 00:52:55,977

It's the only way.

1154

00:52:56,010 --> 00:52:58,412

What? [sobbing]

1155

00:52:58,445 --> 00:53:00,380

[piglins screeching]

1156

00:53:05,653 --> 00:53:08,455

Hank! We'll have a better chance
if we split up!

1157

00:53:08,656 --> 00:53:10,257

-What?

-Ki-yai!

1158

00:53:11,291 --> 00:53:12,994

[Henry screaming]

1159

00:53:16,864 --> 00:53:18,933

[all squealing]

1160

00:53:24,404 --> 00:53:26,808

[yelling] Get off me!

1161

00:53:27,975 --> 00:53:29,342

Get off me!

1162

00:53:32,580 --> 00:53:34,515

[Henry screaming]

1163

00:53:38,452 --> 00:53:39,821

[Steve] Yee-hah!

1164

00:53:39,854 --> 00:53:41,388

[screeching]

1165

00:53:44,892 --> 00:53:46,393

Yeah!

1166

00:53:46,426 --> 00:53:49,296

Hoo-hoo! [laughing]

1167

00:53:49,731 --> 00:53:51,465

[all yelling]

1168

00:53:54,301 --> 00:53:56,003

We got hog riders
at our three o'clock!

1169

00:53:57,839 --> 00:53:59,707

[grunting]

1170

00:53:59,741 --> 00:54:00,908

[Garrett] I got you, buddy!

1171

00:54:06,480 --> 00:54:08,348

-They got us boxed in!

-[Garrett wailing]

1172

00:54:08,381 --> 00:54:09,951

Head for the tunnel!

1173

00:54:09,984 --> 00:54:12,486

[Garrett] We're not gonna fit!

We're too chunky!

1174

00:54:12,520 --> 00:54:13,955

We're gonna have to

go nose-to-toes.

1175

00:54:13,988 --> 00:54:15,422

Full man sandwich.

1176

00:54:15,455 --> 00:54:17,390

What? No. I'm not gonna do that!

1177

00:54:17,424 --> 00:54:20,027

I'm ordering you to make

a full man sandwich!

1178

00:54:20,061 --> 00:54:20,895

Okay!

1179

00:54:22,029 --> 00:54:24,364

[both yelling]

1180

00:54:24,397 --> 00:54:26,366

[babbling, yelling]

1181

00:54:26,601 --> 00:54:27,602

[Garrett whoops]

1182

00:54:28,703 --> 00:54:31,471

Yeah! [whooping]

1183

00:54:31,506 --> 00:54:33,541

[Steve] Dang it! A lava bucket!

1184

00:54:33,574 --> 00:54:36,544

-Okay. Tighten up!

-What?

1185

00:54:36,577 --> 00:54:38,411

There's still some

negative space back there!

1186

00:54:38,445 --> 00:54:39,479

We both know it!

1187

00:54:39,514 --> 00:54:41,314

I'm trying to close the gaps!

1188

00:54:41,348 --> 00:54:43,483

Okay, now get ready.

1189

00:54:43,851 --> 00:54:45,720

I'm gonna squeeze

for your safety.

1190

00:54:45,753 --> 00:54:47,487

I understand. [yells]

1191

00:54:47,522 --> 00:54:48,823

-Whoo-hoo!

-[roaring]

1192

00:54:52,392 --> 00:54:54,695

Yeah! [laughing]

1193

00:54:55,462 --> 00:54:56,931

Yeah!

1194

00:54:56,964 --> 00:54:58,599

Whoo-hoo!

1195

00:55:01,903 --> 00:55:03,504

[piglins squealing]

1196

00:55:04,437 --> 00:55:05,640

[yelling]

1197

00:55:07,642 --> 00:55:08,810

Get off me!

1198

00:55:09,376 --> 00:55:10,611

[piglin squeals]

1199

00:55:10,645 --> 00:55:12,046

[belching]

1200

00:55:13,581 --> 00:55:15,550

[Henry yelling]

1201

00:55:17,985 --> 00:55:18,953

Henry!

1202

00:55:21,856 --> 00:55:23,057

[Garrett] Oh, crap.

1203

00:55:23,090 --> 00:55:25,760

[all yelling]

1204

00:55:26,027 --> 00:55:27,094

[grunts]

1205

00:55:29,429 --> 00:55:30,430

[sneezes]

1206

00:55:32,166 --> 00:55:34,035

[all yelling]

1207

00:55:34,068 --> 00:55:35,736

Don't worry!

1208

00:55:35,770 --> 00:55:37,638

I'm gonna cushion our fall
with this water bucket.

1209

00:55:38,405 --> 00:55:39,507

Release!

1210

00:55:42,076 --> 00:55:44,979

[all exclaiming]

1211

00:55:49,984 --> 00:55:51,953

You can really fight, Nat.
You were kicking butt.

1212

00:55:51,986 --> 00:55:53,788

Thanks! I have no idea
where it came from.

1213

00:55:54,055 --> 00:55:55,455

There he is!

1214

00:55:55,488 --> 00:55:57,058

Hey! Get back here!

We need a map!

1215

00:55:57,091 --> 00:55:58,425

First, we need a boat.

1216

00:55:58,458 --> 00:55:59,861

Okay, okay, uh...

1217

00:55:59,894 --> 00:56:02,964

Okay, hurry.

The map guy's floating away!

1218

00:56:02,997 --> 00:56:05,132

[Natalie grunting]

1219

00:56:06,834 --> 00:56:07,702

Boat magic!

1220

00:56:11,005 --> 00:56:12,573

Hah-haah!

1221

00:56:12,807 --> 00:56:14,942

Nat, that's the worst boat

I've ever seen.

1222

00:56:14,976 --> 00:56:16,644

I'm sorry.

I have no idea what I'm doing.

1223

00:56:16,677 --> 00:56:18,079

Forget it. Let's go, come on!

1224

00:56:18,813 --> 00:56:21,481

["Could This Be Love?"

by Bret McKenzie playing]

1225

00:56:21,515 --> 00:56:23,416

[Marlene laughing]

1226

00:56:26,220 --> 00:56:28,756

Oh. Oh...

1227

00:56:29,891 --> 00:56:30,791

Hrrr.

1228

00:56:31,826 --> 00:56:33,761

[laughing]

1229

00:56:36,697 --> 00:56:37,798

No, thank you.

1230

00:56:37,999 --> 00:56:38,933

Of course.

1231

00:56:41,602 --> 00:56:45,539

You know, I gotta tell you,

I'm having a great time.

1232

00:56:45,573 --> 00:56:46,574

Huh.

1233

00:56:46,607 --> 00:56:48,609

I, uh... I recently got divorced

1234

00:56:48,643 --> 00:56:51,078

from my husband, Clemente, and..

1235

00:56:51,946 --> 00:56:54,949

and the main reason is,
you know, he...

1236

00:56:55,216 --> 00:56:57,618

didn't have any personality,
you know?

1237

00:56:57,652 --> 00:56:59,687

I mean, not like you.

1238

00:56:59,720 --> 00:57:01,055

Uh-huhh...

1239

00:57:01,756 --> 00:57:03,658

[laughs, shudders]

1240

00:57:07,662 --> 00:57:09,030

[Garrett] You got
some talking to do, buddy.

1241

00:57:09,063 --> 00:57:10,430

Hank and I want some answers.

1242

00:57:10,731 --> 00:57:11,999

Like how are we gonna
stop those pigs?

1243

00:57:12,033 --> 00:57:13,567

And why does my beard
smell like gorgonzola?

1244

00:57:13,601 --> 00:57:14,635

Yeah,
and who's that evil sorceress

1245

00:57:14,669 --> 00:57:16,436

-you were talking about?
-Look!

1246

00:57:16,938 --> 00:57:19,507

The sorceress is a piglin queen
called Malgosha.

1247

00:57:19,540 --> 00:57:20,741

Those are her minions.

1248

00:57:20,775 --> 00:57:22,043

She rules over them

1249

00:57:22,076 --> 00:57:24,078

in a dark hellscape

called the Nether.

1250

00:57:24,745 --> 00:57:26,547

And I always keep

a chunk of gorgonzola

1251

00:57:26,580 --> 00:57:28,115

in my front pocket, okay?

1252

00:57:29,083 --> 00:57:29,984

Listen!

1253

00:57:31,118 --> 00:57:32,954

<i>Malgosha's path to darkness</i>

1254

00:57:32,987 --> 00:57:34,922

<i>started the way</i>

<i>these things often do...</i>

1255

00:57:35,523 --> 00:57:39,060

<i>during the semi-finals of</i>

The Nether's Got Talent.

1256

00:57:39,093 --> 00:57:40,828

[dance music playing]

1257

00:57:43,164 --> 00:57:47,034

<i>Young Malgosha always dreamed</i>

<i>of being a world-class dancer.</i>

1258

00:57:47,068 --> 00:57:48,669

[Malgosha grunting]

1259

00:57:48,703 --> 00:57:51,205

<i>Her moves were pretty out there.</i>

1260

00:57:51,238 --> 00:57:53,574

<i>No one in the Nether</i>

<i>was ready for it.</i>

1261

00:57:53,607 --> 00:57:57,011

[all guffawing]

1262

00:57:57,044 --> 00:57:58,612

[Steve] <i>It crushed her.</i>

1263

00:58:00,114 --> 00:58:02,850

What'd I tell you

about all that dancing?

1264

00:58:02,883 --> 00:58:04,785

It's time for you to grow up.

1265

00:58:04,819 --> 00:58:07,621

I'm tired of you

chasing your dreams.

1266

00:58:07,655 --> 00:58:10,658

Now, take this axe

and go find some gold.

1267

00:58:10,691 --> 00:58:13,227

That was such
embarrassing dancing!

1268

00:58:13,260 --> 00:58:14,829

[Steve]
<i>So, from that day forward,</i>

1269

00:58:14,862 --> 00:58:17,732

<i>she denounced all forms</i>
<i>of creativity.</i>

1270

00:58:18,566 --> 00:58:22,203

If she ever gets that Orb,
she'll black out the sun.

1271

00:58:22,236 --> 00:58:24,138

Nether wart will flourish.

1272

00:58:24,171 --> 00:58:25,673

This beautiful world
and everything in it

1273

00:58:25,706 --> 00:58:26,907

will wither and die.

1274

00:58:26,941 --> 00:58:28,542

And you were gonna

give it to her?

1275

00:58:28,576 --> 00:58:29,677

Great idea!

1276

00:58:29,877 --> 00:58:31,679

I'm not gonna give it to her.

1277

00:58:31,712 --> 00:58:33,814

But I need that Orb

for leverage.

1278

00:58:33,848 --> 00:58:35,850

I gotta save Dennis.

1279

00:58:35,883 --> 00:58:37,051

Come.

1280

00:58:37,084 --> 00:58:39,320

[animals lowing and bleating]

1281

00:58:39,353 --> 00:58:42,523

The Woodland Mansion is just
beyond the Redstone Mountains.

1282

00:58:42,857 --> 00:58:45,059

We can go over or through.

1283

00:58:45,793 --> 00:58:46,794

Whatever's fastest.

1284

00:58:48,896 --> 00:58:50,197

Through will be faster.

1285

00:58:51,365 --> 00:58:53,701

[piglins grunting, snorting]

1286

00:58:57,171 --> 00:58:58,839

General Chungus,

1287

00:58:58,873 --> 00:59:01,709

you have failed me
for the last time.

1288

00:59:01,742 --> 00:59:03,344

Yeah,
I'm really sorry about that.

1289

00:59:03,377 --> 00:59:06,280

[growls] Bring out the beast!

1290

00:59:06,313 --> 00:59:08,849

-[piglin grunting]
-What?

1291

00:59:08,883 --> 00:59:11,118

What do you mean you just
have to put the brain in?

1292

00:59:11,152 --> 00:59:13,721

Well, yes, it's a big deal.

Get it done!

1293

00:59:13,754 --> 00:59:16,824

Look, everybody knows

it wasn't my best day.

1294

00:59:16,857 --> 00:59:18,959

But I'm really trying

to set some new goals, and--

1295

00:59:18,993 --> 00:59:20,828

[hog howling]

1296

00:59:23,731 --> 00:59:25,933

[Malgosha cackles]

1297

00:59:26,634 --> 00:59:29,703

[roaring]

1298

00:59:29,737 --> 00:59:31,806

The Great Hog.

1299

00:59:31,839 --> 00:59:33,607

My ultimate weapon.

1300

00:59:37,678 --> 00:59:39,146

There he is!

1301

00:59:41,782 --> 00:59:43,350

Kill him!

1302

00:59:43,384 --> 00:59:46,687

Wait, does this mean
you're firing me?

1303

00:59:47,188 --> 00:59:49,256

-[sizzling]

-[Malgosha laughs]

1304

00:59:49,290 --> 00:59:51,058

Well done.

1305

00:59:51,092 --> 00:59:54,695

Now, find the Roundlings
and bring me the Orb!

1306

00:59:54,728 --> 00:59:56,130

[guttural howl]

1307

00:59:57,064 --> 00:59:58,666

[wolf howls]

1308

00:59:58,699 --> 01:00:00,334

[Natalie] We are so lost.

1309

01:00:00,367 --> 01:00:02,403

[grunts loudly]

1310

01:00:02,436 --> 01:00:04,705

-[grunts]

-[groaning]

1311

01:00:07,808 --> 01:00:10,644

My one job was to protect Henry,
and I blew it.

1312

01:00:10,678 --> 01:00:12,413

[zombie moans]

1313

01:00:12,446 --> 01:00:15,716

I just promised my mom

I'd never let anything

happen to him.

1314

01:00:15,749 --> 01:00:18,385

I guess I'm just not cut out

for this parenting stuff.

1315

01:00:22,123 --> 01:00:24,825

[sighing] I just wish

I could have been a kid

1316

01:00:24,859 --> 01:00:26,894

for a little bit longer,

you know?

1317

01:00:27,394 --> 01:00:29,330

Just to have that feeling like

I could have done anything.

1318

01:00:29,363 --> 01:00:30,698

I hear you.

1319

01:00:30,731 --> 01:00:32,933

Being a grown-up sucks.

[grunts]

1320

01:00:33,200 --> 01:00:35,069

You got all these

responsibilities,

1321

01:00:35,102 --> 01:00:36,904

and you just stop

chasing your dreams.

1322

01:00:36,937 --> 01:00:39,340

[both grunting]

1323

01:00:39,373 --> 01:00:41,775

You think I like

having 15 hustles?

1324

01:00:41,809 --> 01:00:44,345

[wolf growling]

1325

01:00:46,113 --> 01:00:47,314

[Dawn gasps]

1326

01:00:48,949 --> 01:00:50,184

[snarling]

1327

01:00:50,217 --> 01:00:51,785

[Natalie yells]

1328

01:00:51,819 --> 01:00:53,120

Wait, wait, wait.

Hold up, hold up.

1329

01:00:54,155 --> 01:00:55,422

Let's just calm down.

1330

01:00:56,924 --> 01:00:59,093

I think this one

just needs some TLC.

1331

01:01:00,461 --> 01:01:03,030

Yeah? You like bones?

1332

01:01:03,764 --> 01:01:07,768

Oh, I bet you like bones.

Yes, you do. Yes, you do.

1333

01:01:07,801 --> 01:01:10,938

[gasps, laughs]

1334

01:01:10,971 --> 01:01:13,307

Aren't you a beautiful one?

1335

01:01:13,340 --> 01:01:15,776

-Yes, you are! Yes, you are!

-[panting]

1336

01:01:17,044 --> 01:01:18,812

I cannot believe

you just did that.

1337

01:01:19,813 --> 01:01:20,981

Wait.

1338

01:01:21,015 --> 01:01:22,049

[Dennis whining]

1339

01:01:22,917 --> 01:01:24,084

Dennis?

1340

01:01:24,485 --> 01:01:26,954

-Steve's Dennis?

-[barks]

1341

01:01:26,987 --> 01:01:28,722

Well, can you take us to him?

1342

01:01:28,756 --> 01:01:30,257

[barking]

1343

01:01:30,291 --> 01:01:32,893

-[whimpers]

-[Dawn, laughs] Oh!

1344

01:01:32,927 --> 01:01:35,496

Nat, I think this might be
our way to the Woodland Mansion.

1345

01:01:35,530 --> 01:01:37,431

[Dawn shrieks]

1346

01:01:37,464 --> 01:01:39,033

Let's follow that pooch!

1347

01:01:41,869 --> 01:01:44,738

Son of a biscuit, we found it.

1348

01:01:44,772 --> 01:01:46,273

[hooting laughter]

1349

01:01:46,307 --> 01:01:48,442

Looky, looky here.

1350

01:01:48,475 --> 01:01:50,778

Welcome to the Redstone Mines.

1351

01:01:52,279 --> 01:01:54,982

You see that glowy stuff?

That's redstone.

1352

01:01:55,182 --> 01:01:57,017

Conducts energy.

1353

01:01:57,051 --> 01:01:58,886

You can build some
crazy contraptions with it.

1354

01:02:01,088 --> 01:02:03,257

I thought you said
this was a diamond mine.

1355

01:02:03,290 --> 01:02:07,127

Easy, big dog.
They're here, but be careful.

1356

01:02:07,161 --> 01:02:09,930

I set some booby traps
a long time ago.

1357

01:02:09,964 --> 01:02:12,399

But I can't for the life of me
remember where they are--

1358

01:02:12,967 --> 01:02:14,368

[machinery whirs]

1359

01:02:16,237 --> 01:02:17,171

[whimpers]

1360

01:02:17,204 --> 01:02:18,806

[screaming]

1361

01:02:20,975 --> 01:02:22,276

Get them off me!

1362

01:02:24,579 --> 01:02:26,113

Help me, please!

1363

01:02:26,146 --> 01:02:28,215

-Sorry!

-[screaming]

1364

01:02:32,319 --> 01:02:35,222

Hah! Here it is!

Thanks, Garrett.

1365

01:02:35,256 --> 01:02:37,291

-[Garrett groans]

-Yeah.

1366

01:02:37,324 --> 01:02:39,193

[chortles]

1367

01:02:39,226 --> 01:02:40,294

Yes!

1368

01:02:41,228 --> 01:02:43,163

My diamonds.

1369

01:02:43,197 --> 01:02:45,165

[Garrett] Ooh!

That's what I'm talkin' about.

1370

01:02:45,199 --> 01:02:47,067

Steve delivers the goodies!

1371

01:02:47,268 --> 01:02:48,802

Did you guys plan this?

1372

01:02:49,436 --> 01:02:51,005

I'm sorry, Henry.

1373

01:02:51,238 --> 01:02:52,373

[Garrett] Whoo!

1374

01:02:52,406 --> 01:02:54,441

Yeah! I'm not.

1375

01:02:55,175 --> 01:02:57,211

Oh, yeah.

1376

01:02:57,244 --> 01:02:59,146

-What the heck, man?

-Oh, relax.

1377

01:02:59,179 --> 01:03:00,814

Natalie could be

at the Mansion already.

1378

01:03:00,848 --> 01:03:02,049

She could be in danger!

1379

01:03:02,416 --> 01:03:03,284

[gagging]

1380

01:03:04,552 --> 01:03:06,787

Oh, no. Do you smell that?

1381

01:03:07,555 --> 01:03:08,822

Nether wart.

1382

01:03:09,557 --> 01:03:10,457

What does that mean?

1383

01:03:10,491 --> 01:03:12,493

[heavy thudding]

1384

01:03:13,294 --> 01:03:15,429

[weapon powering up, firing]

1385

01:03:16,363 --> 01:03:19,266

No! The Great Hog!

1386

01:03:19,300 --> 01:03:21,135

She finally put the brain in.

1387

01:03:21,168 --> 01:03:22,369

Run for the minecarts!

1388

01:03:22,403 --> 01:03:23,237

[shrieking]

1389

01:03:25,239 --> 01:03:26,173

[grunting]

1390

01:03:29,043 --> 01:03:30,878

Hit it, Henry, hit it!

1391

01:03:31,145 --> 01:03:32,079

Go!

1392

01:03:32,112 --> 01:03:33,914

[all yelling]

1393

01:03:36,150 --> 01:03:39,320

If memory serves,

I built a kick-ass

safe room just up ahead.

1394

01:03:42,256 --> 01:03:43,991

[Steve] Whoo!

1395

01:03:44,024 --> 01:03:45,959

Dang it, my torch blew out.

1396

01:03:45,993 --> 01:03:47,194

[Henry] Why are we stopping?

1397

01:03:47,227 --> 01:03:49,063

[Steve]

'Cause we ran out of redstone!

1398

01:03:49,096 --> 01:03:51,231

We're gonna need a boost fast.

1399

01:03:51,265 --> 01:03:53,434

-[sparking, hissing]

-[Garrett] What's that sound?

1400

01:03:53,467 --> 01:03:55,836

[Steve] Chill out, Gar-Gar.

We're totally safe.

1401

01:03:58,072 --> 01:04:00,941

Crap! My creeper farm.

1402

01:04:01,543 --> 01:04:04,345

[Garrett] What the--?

You gotta be kidding me!

1403

01:04:04,679 --> 01:04:06,914

What kind of idiot

would breed these things?

1404

01:04:06,947 --> 01:04:08,449

-[The Great Hog bellowing]

-[yelps]

1405

01:04:09,483 --> 01:04:12,486

[Garrett yelling]

1406

01:04:12,520 --> 01:04:14,121

-Up ahead, look!

-[Garrett squeaks]

1407

01:04:14,556 --> 01:04:16,591

[Steve] We gotta get

to the redstone rail!

1408

01:04:16,624 --> 01:04:18,058

[Henry] Garrett,

you got us into this mess!

1409

01:04:18,092 --> 01:04:19,059

Get out and push!

1410

01:04:20,160 --> 01:04:22,396

Okay. Okay.

1411

01:04:24,932 --> 01:04:26,133

[growling]

1412

[yells] Sneak attack!

1586

01:13:08,589 --> 01:13:10,024

[hollering]

1587

01:13:10,057 --> 01:13:11,491

[vindicators groan]

1588

01:13:11,525 --> 01:13:13,426

[chicken jockey crying]

1589

01:13:15,096 --> 01:13:17,732

[grunting]

1590

01:13:24,572 --> 01:13:26,473

[orb humming]

1591

01:13:27,474 --> 01:13:29,476

[grunting]

1592

01:13:29,510 --> 01:13:32,479

Heck yeah. I got you, Gar-Gar.

1593

01:13:32,513 --> 01:13:33,748

-Come on.

-[groans]

1594

01:13:36,651 --> 01:13:39,452

You... You saved my life.

1595

01:13:39,754 --> 01:13:41,088

That's what friends do, Garrett.

1596

01:13:41,122 --> 01:13:42,156

[Henry yelling]

1597

01:13:42,189 --> 01:13:43,490

[thud]

1598

01:13:44,025 --> 01:13:45,927

Hank!

Did you get the Earth Crystal?

1599

01:13:45,960 --> 01:13:47,028

Yeah, I got it.

1600

01:13:47,061 --> 01:13:48,729

Let's get outta this hellhole.

1601

01:13:50,631 --> 01:13:52,667

[all yelling]

1602

01:13:53,034 --> 01:13:54,434

[Steve] Come on! Run!

1603

01:13:55,102 --> 01:13:56,837

[Henry huffing]

1604

01:13:56,871 --> 01:13:58,739

[roaring]

1605

01:13:58,973 --> 01:14:01,474

[Malgosha] I knew

I'd find you dummies here.

1606

01:14:01,509 --> 01:14:03,110

Oh, no. It's her!

1607

01:14:03,144 --> 01:14:05,478

[Malgosha]

Of course it's me, you fool.

1608

01:14:05,513 --> 01:14:08,816

I've been tracking your scent
from two biomes away.

1609

01:14:09,583 --> 01:14:12,485

Check it out.

I even built me a new Hog.

1610

01:14:12,520 --> 01:14:14,722

[roaring]

1611

01:14:14,755 --> 01:14:17,992

Malgosha! Your reign is over!

1612

01:14:18,025 --> 01:14:19,627

You're wrong.

1613

01:14:19,660 --> 01:14:21,162

It's just beginning.

1614

01:14:21,696 --> 01:14:23,030

-[grunts]

-[gasps]

1615

01:14:24,899 --> 01:14:25,800

[Henry] No!

1616

01:14:26,734 --> 01:14:27,702

Hah!

1617

01:14:27,735 --> 01:14:28,803

No!

1618

01:14:28,836 --> 01:14:29,937

Kill them.

1619

01:14:29,971 --> 01:14:31,772

We have work to do.

1620

01:14:32,974 --> 01:14:34,642

Goodbye, Steve!

1621

01:14:34,675 --> 01:14:36,177

[cackling]

1622

01:14:36,210 --> 01:14:37,011

-[piglins screeching]

-[Garrett whimpers]

1623

01:14:40,815 --> 01:14:41,949

[Steve] No!

1624

01:14:42,283 --> 01:14:44,484

They're gonna blow
this bridge sky high!

1625

01:14:44,685 --> 01:14:46,120

-Sorry, Hank.

-What?

1626

01:14:47,221 --> 01:14:48,222

[Garrett yells]

1627

01:14:48,255 --> 01:14:49,991

[screaming]

1628

01:14:52,126 --> 01:14:54,595

Yeah! Slime cube.

1629

01:14:56,964 --> 01:15:00,234

[grunts, hollers]

1630

01:15:04,171 --> 01:15:05,573

Come on, Garrett, jump!

1631

01:15:05,606 --> 01:15:06,807

I can't, Steve.

1632

01:15:06,841 --> 01:15:08,109

Get him outta here!

1633

01:15:08,309 --> 01:15:10,711

Go, Hank!

Save your sister and get home!

1634

01:15:10,745 --> 01:15:12,279

Garrett,

you don't have to do this!

1635

01:15:12,313 --> 01:15:14,048

Tell my story in song.

1636

01:15:14,348 --> 01:15:17,718

Keep it metal. Keep it heavy.

Real instruments.

1637

01:15:18,819 --> 01:15:19,820

Besides...

1638

01:15:22,356 --> 01:15:23,924

I love luaus.

1639

01:15:26,360 --> 01:15:27,261

Spin kick.

1640

01:15:29,730 --> 01:15:30,731

[roaring]

1641

01:15:30,765 --> 01:15:32,299

[high battle cry]

1642

01:15:34,201 --> 01:15:36,170

Garbage toss! Oh, crap!

1643

01:15:36,704 --> 01:15:38,239

[Steve shouts]

1644

01:15:38,272 --> 01:15:41,142

[Henry] No!

1645

01:15:41,175 --> 01:15:43,210

[both yelling]

1646

01:15:43,244 --> 01:15:46,280

We're going down!

1647

01:15:46,781 --> 01:15:48,582

Brace for impact!

1648

01:15:48,616 --> 01:15:51,619

[both yelling]

1649

01:15:52,053 --> 01:15:53,854

[grunting]

1650

01:16:02,329 --> 01:16:04,832

[Steve chuckles]

1651

01:16:08,102 --> 01:16:09,637

-Dennis?

-[whines]

1652

01:16:10,104 --> 01:16:12,106

-Dennis!

-[Dawn laughing]

1653

01:16:12,139 --> 01:16:14,108

It's you! It's really you!

1654

01:16:14,141 --> 01:16:16,577

[laughing]

1655

01:16:17,178 --> 01:16:18,279

Gimme...

1656

01:16:18,312 --> 01:16:20,347

[babbling affectionately]

1657

01:16:21,715 --> 01:16:23,084

Oh!

1658

01:16:23,117 --> 01:16:24,752

How'd you find me?

1659

01:16:24,785 --> 01:16:26,120

He's one heck of a wolf.

1660

01:16:26,153 --> 01:16:28,389

He led us right to you guys.

1661

01:16:28,422 --> 01:16:30,925

Now I understand why you kept
yourself so filthy and smelly,

1662

01:16:30,958 --> 01:16:32,226

so Dennis could find you
one day.

1663

01:16:34,061 --> 01:16:35,062

Is he okay?

1664

01:16:35,096 --> 01:16:37,264

He's fine. He's just resting.

1665

01:16:37,298 --> 01:16:38,766

Good.

1666

01:16:38,799 --> 01:16:40,201

It was a pretty rough
crash landing.

1667

01:16:41,335 --> 01:16:42,870

Wait a minute. Where are we?

1668

01:16:44,271 --> 01:16:46,273

-[Dawn laughing]

-Whoa!

1669

01:16:48,442 --> 01:16:51,378

I wish Garbage Man
was here to see this.

1670

01:16:51,412 --> 01:16:53,214

He would've loved
your mushroom hut.

1671

01:16:53,247 --> 01:16:54,882

Yeah, I think so, too.

1672

01:16:58,819 --> 01:17:01,155

[voice shaking]

I was so afraid that I lost you.

1673

01:17:03,691 --> 01:17:05,025

I was so afraid
that I lost you, too.

1674

01:17:07,328 --> 01:17:09,964

I am really sorry
about what I said.

1675

01:17:11,799 --> 01:17:13,634

And I'm really sorry
about Garrett.

1676

01:17:16,871 --> 01:17:18,439

[ghast shrieking]

1677

01:17:18,472 --> 01:17:21,175

[Malgosha]

I'm only gonna say this once.

1678

01:17:21,208 --> 01:17:24,712

This thingy goes
on top of that thingy.

1679

01:17:24,745 --> 01:17:26,280

Got it, Travis?

1680

01:17:26,313 --> 01:17:30,217

It's gonna make a real cool
laser beam that'll darken--

1681

01:17:30,251 --> 01:17:31,719

[shrieking]

1682

01:17:31,752 --> 01:17:33,787

[Malgosha, growls] Never mind.

1683

01:17:39,059 --> 01:17:42,296

[deep rumbling]

1684

01:17:42,329 --> 01:17:44,431

-[zombies moaning]

-[bones rattling]

1685

01:17:49,737 --> 01:17:50,938

[chattering]

1686

01:17:54,041 --> 01:17:56,177

[all grumbling, growling]

1687

01:17:58,746 --> 01:18:01,282

[Steve] No. No!

1688

01:18:02,517 --> 01:18:05,819

The Great Darkening! It's begun.

1689

01:18:05,853 --> 01:18:07,855

Malgosha's gathering

all her forces.

1690

01:18:07,888 --> 01:18:09,924

She will destroy this land.

1691

01:18:10,457 --> 01:18:13,360

Unless... we go get that Orb.

1692

01:18:13,394 --> 01:18:15,229

Well, what're we doing here?

1693

01:18:16,330 --> 01:18:18,465

Let's go fight some pigs.

1694

01:18:18,499 --> 01:18:21,001

I'm ready.

I'm done with those pigs.

1695

01:18:21,035 --> 01:18:21,936

Yeah, me too.

1696

01:18:21,969 --> 01:18:24,171

Let's do it for Gar-Gar.

1697

01:18:24,205 --> 01:18:27,007

First we mine, then we craft.

1698

01:18:27,041 --> 01:18:28,742

Let's Minecraft!

1699

01:18:28,776 --> 01:18:31,045

-[grunts] One, two, three.

-Team!

1700

01:18:31,078 --> 01:18:32,746

-Get the Orb!

-Orb! What are you saying?

1701

01:18:32,780 --> 01:18:34,381

-Minecraft.

-We should all say that.

1702

01:18:34,415 --> 01:18:36,750

On three. One--

Forget it. There's no time!

1703

01:18:38,185 --> 01:18:39,521

[Steve]

Show us what you got, Henry.

1704

01:18:39,554 --> 01:18:41,222

[Henry] Okay. I got a plan.

1705

01:18:41,255 --> 01:18:42,790

[Steve] Killer recipes.

1706

01:18:42,823 --> 01:18:43,958

We're gonna have to move fast.

1707

01:18:43,991 --> 01:18:45,326

Let's get to work!

1708

01:18:46,460 --> 01:18:48,530

[Henry] *First we're gonna need*

some iron ingots.

1709

01:18:48,563 --> 01:18:50,297

[sizzling]

1710

01:18:53,167 --> 01:18:54,902

[grunts] Oh, yeah!

1711

01:18:56,971 --> 01:18:58,138

[Henry]

<i>And the boots of Swiftness.</i>

1712

01:19:00,508 --> 01:19:02,309

[Dawn]

<i>Time to light this place up.</i>

1713

01:19:02,343 --> 01:19:04,044

-[bones rattling]

-Come on, boys.

1714

01:19:06,347 --> 01:19:08,282

Have a nice flight!

1715

01:19:10,851 --> 01:19:13,187

Yeah, man! Whoo!

1716

01:19:13,220 --> 01:19:16,090

I bet you do. I bet you do!

1717

01:19:16,123 --> 01:19:17,559

[Henry] <i>We're also gonna</i>

<i>need a ton of diamonds.</i>

1718

01:19:17,592 --> 01:19:20,227

[grunting]

1719

01:19:22,496 --> 01:19:23,897

[Steve]

Show me what you got, Nat.

1720

01:19:24,865 --> 01:19:26,433

Whoa! Yeah!

1721

01:19:27,569 --> 01:19:28,802

[Natalie] You want some, buddy?

1722

01:19:32,406 --> 01:19:34,041

[excited chatter]

1723

01:19:34,341 --> 01:19:35,309

We're ready.

1724

01:19:35,342 --> 01:19:37,311

Let's go save the Overworld!

1725

01:19:37,612 --> 01:19:39,813

[piglins roaring]

1726

01:19:39,847 --> 01:19:41,949

[Malgosha cackling]

1727

01:19:44,586 --> 01:19:46,086

All right, my piggies.

1728

01:19:47,988 --> 01:19:52,192

Today,

we take the Overworld as ours!

1729

01:19:52,226 --> 01:19:53,528

[all roaring]

1730

01:19:53,561 --> 01:19:55,863

Attack their villages.

1731

01:19:55,896 --> 01:19:59,567

Burn their homes

and their symmetrical farms.

1732

01:20:00,234 --> 01:20:04,471

All they have created,
we destroy!

1733

01:20:04,506 --> 01:20:07,808

[all roaring]

1734

01:20:08,342 --> 01:20:10,612

Well, what are you
standing around for?

1735

01:20:10,645 --> 01:20:11,979

Get out of here!

1736

01:20:12,012 --> 01:20:14,281

Go on, bring me the gold!

1737

01:20:20,220 --> 01:20:22,289

[Natalie grunting]

1738

01:20:26,226 --> 01:20:28,262

-[Iron grunting]

-[Natalie] Hurry, Henry!

1739

01:20:32,333 --> 01:20:34,602

[heavy metallic grunting]

1740

01:20:50,552 --> 01:20:53,420

[thudding, metallic footfalls]

1741

01:20:55,657 --> 01:20:56,591

Uh?

1742

01:21:02,296 --> 01:21:04,898

Hah! News flash!

1743

01:21:05,132 --> 01:21:07,968

Iron Golems will not attack
unless provoked.

1744

01:21:08,001 --> 01:21:10,070

[cackles]

1745

01:21:10,672 --> 01:21:11,905

-[hollow clang]

-[arrow clatters]

1746

01:21:11,939 --> 01:21:12,906

[exasperated groan]

1747

01:21:16,544 --> 01:21:18,613

Real smooth, Travis!

1748

01:21:23,618 --> 01:21:25,452

[high-pitched whistling]

1749

01:21:35,362 --> 01:21:37,131

[piglins screeching]

1750

01:21:38,465 --> 01:21:39,534

You ready?

1751

01:21:40,000 --> 01:21:41,034

Let's do this.

1752

01:21:45,305 --> 01:21:47,374

[Natalie grunting]

1753

01:21:54,982 --> 01:21:56,651

[Malgosha]

Oh, for goodness' sake!

1754

01:21:56,684 --> 01:22:00,053

Well, what are you doing,
you big block of meat?

1755

01:22:00,087 --> 01:22:02,222

Get down there and take care
of those Roundlings!

1756

01:22:03,023 --> 01:22:04,491

[growling]

1757

01:22:04,526 --> 01:22:06,393

[cackling]

1758

01:22:10,264 --> 01:22:12,734

[roaring]

1759

01:22:12,767 --> 01:22:14,702

How do you like them pork chops?

1760

01:22:15,670 --> 01:22:17,572

[growling]

1761

01:22:20,642 --> 01:22:21,576

Come on!

1762

01:22:28,215 --> 01:22:29,416

[hooting laughter]

1763

01:22:29,450 --> 01:22:30,685

[gasps] Huh?

1764
