

Dialogues from Barry to improve the vocabulary in English

1

00:00:41,419 --> 00:00:42,754

[man] "Dear son,

2

00:00:43,172 --> 00:00:46,758

It was such a pleasant surprise
to hear from you after so long.

3

00:00:47,759 --> 00:00:48,760

I am fine

4

00:00:48,843 --> 00:00:53,390

and doing all those things which you know
are expected of me in this country.

5

00:00:54,807 --> 00:00:57,519

I am glad
that you are making a fresh start.

6

00:00:58,644 --> 00:00:59,729

There is an old saying

7

00:00:59,812 --> 00:01:03,066

that there are things

a man can only learn in a city.

8

00:01:04,025 --> 00:01:08,196

I have found this to be true.

But do not be distracted, my son.

9

00:01:10,031 --> 00:01:15,204

Focus on your studies. Your goals.

We will discuss both when you visit.

10

00:01:17,498 --> 00:01:21,876

I shall do better from now on

to try to keep in contact with you.

11

00:01:24,253 --> 00:01:25,129

Dad."

12

00:01:28,841 --> 00:01:29,926

[chiming]

13

00:01:30,009 --> 00:01:31,220

[captain]

We are beginning our final descent

14

00:01:31,303 --> 00:01:32,887

into John F. Kennedy Airport.

15

00:01:32,970 --> 00:01:34,055

Thank you for flying with us

16

00:01:34,138 --> 00:01:36,516

and have a pleasant night

in New York City.

17

00:01:54,201 --> 00:01:57,162

[subway train brakes squealing]

18

00:02:14,346 --> 00:02:16,348

[indistinct chattering]

19

00:02:16,431 --> 00:02:18,600

[Harlem World Crew's

"Rapper's Convention Pt. 1" playing]

20

00:02:34,241 --> 00:02:35,783

[conductor over PA] Due to police activity,

21

00:02:35,867 --> 00:02:39,996

the next stop on this local train
will be 125th Street.

22

00:02:40,079 --> 00:02:41,706

[train door chimes]

23

00:02:41,789 --> 00:02:45,627

[indistinct chattering]

24

00:02:45,710 --> 00:02:48,422

[train rumbles]

25

00:02:52,384 --> 00:02:55,678

[siren wailing]

26

00:03:01,226 --> 00:03:02,394

Shit.

27

00:03:03,645 --> 00:03:05,021

[man shouting]

28

00:03:05,104 --> 00:03:06,607

[man] Get out of the street!

29

00:03:09,318 --> 00:03:13,530

-[dog barking]

-[indistinct chattering]

30

00:03:14,572 --> 00:03:16,449

[indistinct yelling]

31

00:03:22,205 --> 00:03:23,414

[groans]

32

00:03:43,267 --> 00:03:45,311

[lighter clicks]

33

00:03:52,652 --> 00:03:53,778

[guard] Can I help you?

34

00:03:55,154 --> 00:03:58,449

Ah, no. No... [stammers]

I'm fine, thanks. Ah...

35

00:03:59,284 --> 00:04:01,869

-Just admiring the campus.

-You got some ID?

36

00:04:01,953 --> 00:04:04,956

This is a private campus.

You can't just wander in here.

37

00:04:05,539 --> 00:04:08,292

Uh... I'm a student.

I just transferred here. [stammers] I...

38

00:04:08,376 --> 00:04:10,294

I need to see your student ID.

39

00:04:12,256 --> 00:04:14,048

[stammers] I haven't got one yet.

40

00:04:14,131 --> 00:04:17,009

I'm sorry, pal.

I'm gonna have to ask you to move along.

41

00:04:21,847 --> 00:04:23,849

[men speaking Spanish]

42

00:04:33,402 --> 00:04:35,487

[keys jangling]

43

00:04:44,870 --> 00:04:45,413

[buzzes]

44

00:05:11,565 --> 00:05:13,858

[car honking]

45

00:05:29,374 --> 00:05:31,917

[dogs barking]

46

00:05:48,309 --> 00:05:50,311

[Bob McGilpin's "Jump On It" playing]

47

00:05:54,273 --> 00:05:57,193

[Saleem] Don't make me tell you again,
motherfucker!

48

00:05:57,276 --> 00:05:59,529

I have a gun,
and I will shoot you in the face!

49

00:05:59,612 --> 00:06:01,405

Saleem?

[stammers] It's Barry from Occidental.

50

00:06:01,489 --> 00:06:04,658

We... we met a few months back,
at Amir's party?

51

00:06:04,743 --> 00:06:07,119

I'm sorry to knock on your door like this,
but you're the only person I--

52

00:06:07,203 --> 00:06:07,787

Barry?

53

00:06:08,287 --> 00:06:09,748

["Jump On It" continues playing]

54

00:06:09,831 --> 00:06:11,666

Barry, my brother!

55

00:06:14,669 --> 00:06:17,129

Come. Come. Come in. Come in. Yes.

56

00:06:19,256 --> 00:06:20,925

[Saleem] Damn, bro! You moving in or what?

57

00:06:21,008 --> 00:06:23,469

[Barry] I got locked out of my place.

My roommate Will isn't in town--

58

00:06:23,552 --> 00:06:26,013

Nah, don't worry, man.

I just got off work.

59

00:06:26,972 --> 00:06:29,851

Barry, Rachel. Rachel, Barry.

60

00:06:29,934 --> 00:06:31,060

Raquel.

61

00:06:32,061 --> 00:06:35,524

-Raquel. That's what I said.

-[stammers] It's nice to meet you, Raquel.

62

00:06:39,193 --> 00:06:41,028

She looked better a few hours ago.

If you know what I mean.

63

00:06:41,112 --> 00:06:43,447

Here, take a beer. Give me that. [grunts]

64

00:06:44,782 --> 00:06:48,369

I'll give you the grand tour.

This is where the magic happens.

65

00:06:48,620 --> 00:06:53,417

This is the parlor room. [grunts]

66

00:06:54,917 --> 00:06:56,670

Come on. Sit, sit, sit.

67

00:06:56,753 --> 00:06:58,087

[sighs]

68

00:07:00,965 --> 00:07:03,175

Anyway, welcome to New York.

69

00:07:16,773 --> 00:07:18,983

[traffic report playing over radio]

70

00:07:26,491 --> 00:07:28,452

[car honking]

71

00:07:36,333 --> 00:07:39,629

[man on radio]

The issue today is not the Republicans,

72

00:07:39,713 --> 00:07:41,506

it is the republic.

73

00:07:41,590 --> 00:07:45,426

Today it is not the Democrats,
it is the democracy.

74

00:07:46,218 --> 00:07:49,514

There's a crisis
in the character of our nation.

75

00:07:49,597 --> 00:07:51,849

-You ready?
-It's creating tension between the races,

76

00:07:51,932 --> 00:07:53,058

Uh, five minutes.

77

00:07:53,142 --> 00:07:55,102

tension between the sexes.

78

00:07:55,186 --> 00:07:58,022

We are not each other's problem.
We are each other's solution.

79

00:07:58,105 --> 00:08:00,274

-[cars honking]

-[indistinct chattering]

80

00:08:06,948 --> 00:08:09,241

[Andre] Yo, college boy.

81

00:08:11,911 --> 00:08:14,330

[sniffs] Lemme get a square.

82

00:08:17,124 --> 00:08:18,417

-Yo! You need one?

-Yeah.

83

00:08:19,293 --> 00:08:20,002

Let me get another one.

84

00:08:22,631 --> 00:08:24,633

-Got a light, college?

-Of course, Andre.

85

00:08:35,392 --> 00:08:37,186

-What up?

-Hey.

86

00:08:39,230 --> 00:08:40,981

So, what you studying up there, huh?

87

00:08:41,983 --> 00:08:43,985

-A little bit of everything.

-Hmm.

88

00:08:44,068 --> 00:08:47,697

You best take economics or some shit.

Get that paper and get gone.

89

00:08:48,573 --> 00:08:49,699

-I just got here.

-[scoffs]

90

00:08:51,492 --> 00:08:52,785

But you ain't stayin'.

91

00:08:57,624 --> 00:08:58,708

See you around.

92

00:09:17,978 --> 00:09:19,520

-[Will] Later.

-Later.

93

00:09:21,981 --> 00:09:27,027

[professor] "Justice is nothing else
than the interest of the stronger."

94

00:09:27,528 --> 00:09:30,239

Now, we all know
the Greeks loved symbols, right?

95

00:09:30,740 --> 00:09:32,742

They have since antiquity.

96

00:09:32,826 --> 00:09:37,162

So what, then, was the great symbol
of democracy in Plato's time?

97

00:09:38,664 --> 00:09:41,375

Uh, yes. Um... Barry.

98

00:09:45,504 --> 00:09:52,386

That's correct. The raised hand.

One man, one vote. All of it very public.

99

00:09:52,469 --> 00:09:55,890

But when you imagine those raised hands,
class, you have to remember,

100

00:09:55,974 --> 00:09:57,892

every one of them held a spear.

101

00:09:58,475 --> 00:10:00,311

That's what "majority rule" meant.

102

00:10:00,394 --> 00:10:01,520

So that begs the question,

103

00:10:01,605 --> 00:10:06,108

is governmental rule always supported
by the threat of violence?

104

00:10:07,234 --> 00:10:09,278

-[professor] Yes, Thad?

-It has to be.

105

00:10:09,361 --> 00:10:12,616

-Otherwise, what authority would it have?

-But, what about the will of the people?

106

00:10:13,365 --> 00:10:15,910

-Sure. The people with the most spears.

-[Barry] But there's more to it than that.

107

00:10:15,994 --> 00:10:21,165

I mean, we sacrifice some of our,
um, independence to a government

108

00:10:21,248 --> 00:10:22,751

in return for security.

109

00:10:22,834 --> 00:10:24,293

And a kind of collective wisdom.

110

00:10:24,376 --> 00:10:26,087

Security's just another word
for "the most spears."

111

00:10:26,170 --> 00:10:27,421

Every time there was a vote,

112

00:10:27,504 --> 00:10:31,467

the minority didn't count up the spears
and, uh, decide not to revolt.

113

00:10:32,509 --> 00:10:34,054

Once you make the deal
to have a government,

114

00:10:34,136 --> 00:10:36,640

that government takes on
another kind of authority.

115

00:10:36,723 --> 00:10:38,767

What, like a moral authority?

116

00:10:38,849 --> 00:10:41,560

-Well--

-So Ronald Reagan has moral authority?

117

00:10:41,644 --> 00:10:44,021

Of course he does!

He was elected in a landslide!

118

00:10:44,105 --> 00:10:46,650

Okay, if there's one thing

Ronald Reagan definitely does not have,

119

00:10:46,733 --> 00:10:47,776

it's moral authority.

120

00:10:47,859 --> 00:10:50,235

-Sure has a great head of hair, though.

-[students chuckle]

121

00:10:50,319 --> 00:10:52,113

[professor] Sorry, just kidding. Continue.

122

00:10:52,196 --> 00:10:53,614

[Barry] Let me put it like this--

123

00:10:53,697 --> 00:10:57,117

if the states had voted on slavery,
we would have lost the vote.

124

00:10:57,201 --> 00:10:58,452

So, yeah,

125

00:10:58,535 --> 00:11:02,539

at that point, moral authority kicks in
to, uh, defend the minority

126

00:11:02,623 --> 00:11:04,375

against the will of the people.

127

00:11:04,793 --> 00:11:05,960

And that's when the spears come out.

128

00:11:06,044 --> 00:11:08,504

Yeah, I watched the news last night too,
Barry.

129

00:11:08,587 --> 00:11:11,340

Jesse Jackson

said that thing about slavery.

130

00:11:11,423 --> 00:11:13,300

Yeah, he did. And he's right.

131

00:11:14,928 --> 00:11:17,429

Seriously? The guy
who hugged Yasser Arafat is right?

132

00:11:17,513 --> 00:11:19,181

One thing has nothing to do
with the other.

133

00:11:19,264 --> 00:11:21,558

All right, guys. Reel it back in.
Remember, Plato.

134

00:11:22,726 --> 00:11:24,228

[Thad] Can I ask a question, though?

135

00:11:25,771 --> 00:11:28,065

Why's everything

always gotta be about slavery?

136

00:11:28,565 --> 00:11:32,904

[Super3's "Philosophy Rappin' Spree"
playing]

137

00:11:45,582 --> 00:11:47,043

[keys jangling]

138

00:11:47,127 --> 00:11:48,585

[girl yelling]

139

00:11:48,669 --> 00:11:50,462

[siren wailing]

140

00:11:56,552 --> 00:11:57,344

Hello?

141

00:12:03,559 --> 00:12:04,393

Will?

142

00:12:05,018 --> 00:12:07,354

[newscaster over TV] ...hoping
to finance any wage hikes...

143

00:12:10,441 --> 00:12:11,525

Is anyone there?

144

00:12:11,608 --> 00:12:14,361

In national news,
President Reagan ordered the Coast Guard

145

00:12:14,445 --> 00:12:17,824

to intercept any ships suspected
of carrying Haitian refugees

146

00:12:17,906 --> 00:12:18,449

[clicks]

147

00:12:20,367 --> 00:12:21,452

[man exhales]

148

00:12:21,535 --> 00:12:23,204

[indistinct muttering]

149

00:12:23,287 --> 00:12:26,791

-[shuffling]

-[scraping]

150

00:12:27,959 --> 00:12:30,086

-[muttering]

-[pounding]

151

00:12:30,170 --> 00:12:31,171

[Saleem] Come on, Barry.

152

00:12:31,253 --> 00:12:32,629

[sighs]

153

00:12:32,713 --> 00:12:34,423

Jesus Christ.

154

00:12:34,506 --> 00:12:36,675

[sighs then scoffs]

155

00:12:36,760 --> 00:12:38,178

-How'd you get in here?

-Barry, my brother.

156

00:12:38,260 --> 00:12:41,097

Do you have any ganja?

My head is pounding.

157

00:12:41,181 --> 00:12:42,473

Check the ashtray.

158

00:12:43,767 --> 00:12:44,934

[groans]

159

00:12:46,435 --> 00:12:47,937

-What are you doing here?

-[groans]

160

00:12:48,021 --> 00:12:51,690

This whole university experience
has changed my life, bro.

161

00:12:51,774 --> 00:12:53,275

You're a bartender, Saleem.

162

00:12:55,862 --> 00:12:58,363

So, what brings you to the West Side?

163

00:13:00,491 --> 00:13:05,205

Last night at the West End,

I met this beautiful bird.

164

00:13:05,287 --> 00:13:08,166

Sociology student from Minnesota.

165

00:13:08,749 --> 00:13:13,629

Porcelain features, tits out to here.

[chuckles]

166

00:13:13,712 --> 00:13:16,257

I mean, we wandered the city all night...

167

00:13:16,340 --> 00:13:19,635

But when the time came, I was unable
to gain entrance to her dormitory.

168

00:13:19,718 --> 00:13:20,427

Uh, so to speak.

169

00:13:21,845 --> 00:13:22,387

So to speak.

170

00:13:23,055 --> 00:13:26,350

So I stopped at the establishment
on the corner for a morning beer,

171

00:13:26,433 --> 00:13:28,895

after which I decided to pop up here
for a smoke.

172

00:13:28,978 --> 00:13:32,148

And to borrow some cab fare home,
if possible?

173

00:13:32,232 --> 00:13:36,069

You know, this, this might sound crazy,
but just bear with me.

174

00:13:36,152 --> 00:13:39,404

Do you think there

might be some kind of, uh, correlation

175

00:13:39,488 --> 00:13:42,741

between your constantly buying alcohol
and, uh, cocaine

176

00:13:42,826 --> 00:13:45,119

and the fact that you're always broke?

177

00:13:45,202 --> 00:13:46,161

[clicks tongue]

178

00:13:46,620 --> 00:13:50,250

It's an interesting theory,
but I just don't see it.

179

00:13:50,833 --> 00:13:52,251

Speaking of booze and blow,

180

00:13:52,334 --> 00:13:56,505

my friend, Daphne,
is having a party tonight. Ah!

181

00:13:56,588 --> 00:14:01,552

Daphne is a burlesque dancer.

All her friends are burlesque dancers.

182

00:14:01,635 --> 00:14:03,972

I don't have to spell it out for you,
do I, Barry?

183

00:14:04,055 --> 00:14:09,269

What do you say, I take a nap,
stay here, and we go together around nine?

184

00:14:10,310 --> 00:14:12,813

I promised Will
I'd go to a party on campus.

185

00:14:14,481 --> 00:14:17,861

They will never accept us, Barry.
I know you know this, my brother.

186

00:14:17,944 --> 00:14:21,072

-I don't know. I wanna think they will.
-You think too much.

187

00:14:21,155 --> 00:14:22,698

That's your problem.

That's why you never get laid!

188

00:14:22,781 --> 00:14:25,118

-I'm not trying to just get laid.

-Okay, see what I mean?

189

00:14:25,200 --> 00:14:28,036

Fucking shit, man.

Look, if I were you... [sighs]

190

00:14:29,538 --> 00:14:32,791

[imitating Barry] Hello there,
rich white girl. My name is Barry.

191

00:14:32,876 --> 00:14:35,544

I, uh, just transferred here from Africa.

192

00:14:35,627 --> 00:14:37,088

I'm a deep, brooding man

193

00:14:37,170 --> 00:14:38,755

who likes to, uh...

194

00:14:38,839 --> 00:14:41,300

write poems about the mysteries
of the human condition.

195

00:14:41,550 --> 00:14:46,555

Now, would you like to,
uh, unzip my pants, or shall I?"

196

00:14:46,638 --> 00:14:48,348

That's pretty good.
I didn't know you could do me.

197

00:14:48,432 --> 00:14:51,393

[in normal voice] Oh, well,
the trick is to sound just white enough.

198

00:14:52,769 --> 00:14:54,314

Okay, fuck you, Saleem.

199

00:14:54,396 --> 00:14:57,275

-Barry! Barry! I love you!

-Yeah, yeah.

200

00:14:57,358 --> 00:14:59,944

[Sweet G's "A Heartbeat Rap" playing]

201

00:15:07,618 --> 00:15:10,495

[PJ] That's all right. That's all right.

202

00:15:10,579 --> 00:15:13,041

Y'all need all the help y'all can get
right about now.

203

00:15:14,875 --> 00:15:16,168

[PJ] Y'all need all the help.

204

00:15:17,461 --> 00:15:18,170

Check ball.

205

00:15:22,008 --> 00:15:24,177

Believe me, playboy,
it's about to go down.

206

00:15:24,260 --> 00:15:26,179

This can play right here.

207

00:15:26,262 --> 00:15:28,222

-[man 1] You got him? Switch.

-[man 2] Get on him!

208

00:15:28,306 --> 00:15:30,515

[PJ] Guess what? That's game, baby.

209

00:15:30,599 --> 00:15:32,726

-[man 1] That's game.

-Uh-huh.

210

00:15:32,809 --> 00:15:34,312

-Next!

-Nice, PJ.

211

00:15:34,395 --> 00:15:35,980

Get these boys outta here, man.

212

00:15:37,023 --> 00:15:38,232

[laughs]

213

00:15:38,316 --> 00:15:39,317

[PJ] Yeah.

214

00:15:40,609 --> 00:15:41,610

Next!

215

00:15:47,699 --> 00:15:49,160

I got "Invisible Man."

216

00:15:58,251 --> 00:15:59,586

[man 3] Yeah, yeah, yeah.

217

00:15:59,670 --> 00:16:00,337

[groans]

218

00:16:00,421 --> 00:16:01,255

[man 4] Oh...

219

00:16:01,838 --> 00:16:02,673

[grunts]

220

00:16:02,756 --> 00:16:05,676

You like that, Invisible?

That's my shot, baby.

221

00:16:05,759 --> 00:16:06,760

I can stick that all day.

222

00:16:16,061 --> 00:16:16,979

I won't let you shoot.

223

00:16:21,025 --> 00:16:22,443

[man 3] This boy got you, PJ.

224

00:16:23,403 --> 00:16:26,488

[PJ] Hey, it's all right, player. Yeah.

225

00:16:26,571 --> 00:16:29,491

You ain't gonna get too many more
of them now that I know you a lefty.

226

00:16:29,574 --> 00:16:31,660

You better counter

with what you got, man.

227

00:16:37,916 --> 00:16:40,711

-Oh!

-[man 3] Ooh!

228

00:16:40,794 --> 00:16:42,255

Big man!

229

00:16:42,337 --> 00:16:43,547

What's wrong with you, man?

230

00:16:44,798 --> 00:16:47,051

-Hey, come on, come on.

-You don't know me, homeboy.

231

00:16:47,135 --> 00:16:49,012

You touch me again,

I'll knock your fuckin' head off.

232

00:16:55,434 --> 00:16:56,226

Y'all ball.

233

00:16:56,310 --> 00:16:57,769

[chuckles]

234

00:16:57,853 --> 00:16:59,896

What you got, Invisible? Ball up!

235

00:17:02,774 --> 00:17:06,903

I'm on you all day, baby.

Like flies on shit, baby.

236

00:17:06,987 --> 00:17:08,114

What's up?

237

00:17:15,454 --> 00:17:18,790

Well, Jack Kerouac went here,
know what I mean?

238

00:17:18,874 --> 00:17:23,087

Allen Ginsberg. Uh, Paul Robeson.

[stammers] Where are those guys now?

239

00:17:23,837 --> 00:17:27,300

Uh... Dead. Kerouac is, for sure.

240

00:17:27,382 --> 00:17:30,093

-Who is Paul Robeson again?

-Where is that scene?

241

00:17:30,177 --> 00:17:32,095

[stammers] 'Cause it seems
like it doesn't exist.

242

00:17:32,180 --> 00:17:34,890

Or, well,
maybe I'm just not cool enough to find it.

243

00:17:36,309 --> 00:17:39,395

C'mon, dude, you just--
we're new, you know? It takes time.

244

00:17:40,687 --> 00:17:41,855

You ready to do this?

245

00:17:48,028 --> 00:17:49,738

[Climax Blues Band's

"Shake It Lucy" playing]

246

00:17:54,452 --> 00:17:57,497

-I know these guys.

-Cool.

247

00:17:57,579 --> 00:17:59,915

-All right.

-I'll go get us some beers.

248

00:18:06,089 --> 00:18:08,508

Sara said she was gonna be here

like, half an hour ago.

249

00:18:08,590 --> 00:18:10,842

-Well, there you go.

-I'm over it.

250

00:18:10,926 --> 00:18:13,345

So, uh, what are our options?

251

00:18:14,805 --> 00:18:16,224

-Rum and Coke?

-That's gross.

252

00:18:16,307 --> 00:18:17,475

-Or Jack.

-Gross.

253

00:18:18,058 --> 00:18:20,393

Well, not Jack.

It's an extremely cheap whiskey.

254

00:18:20,478 --> 00:18:21,562

[laughs]

255

00:18:21,645 --> 00:18:23,939

-I'll take one of those.

-Okay, sure.

256

00:18:24,689 --> 00:18:27,318

-Three?

-Uh, sure. Yeah.

257

00:18:31,321 --> 00:18:32,322

-Okay.

-[woman] Okay.

258

00:18:32,405 --> 00:18:34,324

-Cheers.

-[man and woman] Cheers.

259

00:18:38,036 --> 00:18:39,580

-Woo!

-[coughs]

260

00:18:42,666 --> 00:18:45,503

[whistles] Hey, keg stand time.

Get the fuck in here.

261

00:18:45,586 --> 00:18:48,046

No, no, no.

262

00:18:48,131 --> 00:18:49,340

["The Big Beat" playing]

263

00:18:49,423 --> 00:18:51,342

-[man 1] Let's go.

-[man 2] Yup, there we go.

264

00:18:52,176 --> 00:18:56,222

[all]

One, two, three, four, five, six, seven,

265

00:18:56,305 --> 00:19:01,519

eight, nine, ten, 11, 12, 13, 14, 15.

[cheering]

266

00:19:14,240 --> 00:19:15,491

[Thad] All right, who's next?

267

00:19:16,409 --> 00:19:19,077

Let's go.

You know what? Let him go. Here we go.

268

00:19:22,038 --> 00:19:23,291

[woman] He said he was coming.

269

00:19:23,374 --> 00:19:25,083

-[man] Yeah, I guess you get to plan.

-[woman] Thanks.

270

00:19:25,168 --> 00:19:28,254

[indistinct chattering]

271

00:19:33,049 --> 00:19:36,387

Hey. You're in my Poli-Sci class.

272

00:19:37,137 --> 00:19:37,888

Um...

273

00:19:38,598 --> 00:19:40,600

-Julie, right?

-Yeah.

274

00:19:40,682 --> 00:19:42,559

Yeah, I'm good with names.

275

00:19:42,642 --> 00:19:43,852

Uh, Barry.

276

00:19:43,935 --> 00:19:46,062

Hi. Uh, and this is Charlotte.

277

00:19:46,647 --> 00:19:48,148

Uh, "moral authority."

278

00:19:49,191 --> 00:19:52,861

-That better not catch on.

-Oh, I, uh, think it just did.

279

00:19:53,362 --> 00:19:54,280

[chuckles]

280

00:19:54,362 --> 00:19:55,488

It's an inside joke.

281

00:19:56,072 --> 00:20:00,536

-[man] Hey, Julie, what's up?

-So, uh, where are you from?

282

00:20:02,413 --> 00:20:07,543

Hawaii. Indonesia. Kenya. Take your pick.

283

00:20:07,627 --> 00:20:12,506

Really? Um... Ni vizuri kukutana na wewe.

-Uh-huh.

284

00:20:12,590 --> 00:20:15,800

Really? What?

In front of all these people?

285

00:20:16,968 --> 00:20:19,388

I mean, you're very pretty,

and I'm flattered, but--

286

00:20:19,472 --> 00:20:22,098

-No, that's not I was trying to say--

-I'm just messing with you.

287

00:20:22,974 --> 00:20:25,311

-[chuckles]

-I have no idea what you just said.

288

00:20:26,270 --> 00:20:29,022

I've never been to Kenya,

but I take it you have.

289

00:20:31,399 --> 00:20:34,277

Nairobi... for five days,
on my junior year abroad.

290

00:20:35,321 --> 00:20:36,489

It's beautiful.

291

00:20:36,572 --> 00:20:39,325

I'm going this summer to, um,
to visit my dad.

292

00:20:39,408 --> 00:20:40,409

[door clicks]

293

00:20:41,452 --> 00:20:44,120

-[Julie] You comin' in?

-I just came out.

294

00:20:45,372 --> 00:20:46,748

Um... Bad?

295

00:20:48,251 --> 00:20:49,710

Uh, it's, uh...

296

00:20:49,793 --> 00:20:50,752

It's not my scene.

297

00:20:52,504 --> 00:20:54,756

So, what is your scene?

298

00:20:56,425 --> 00:20:58,552

Um, I'm still trying to figure that out.

299

00:21:00,178 --> 00:21:01,389

You like to dance?

300

00:21:06,477 --> 00:21:07,395

[whistling]

301

00:21:07,478 --> 00:21:09,938

-[man] Taxi. Taxi, yo!

-[Barry] Where are you taking me?

302

00:21:11,315 --> 00:21:13,942

Trust me, come on. Hey.

303

00:21:15,403 --> 00:21:16,404

Hey.

304

00:21:16,487 --> 00:21:18,489

[indistinct chattering]

305

00:21:48,810 --> 00:21:50,521

So, what do you think?

306

00:21:52,606 --> 00:21:55,318

-This is great!

-Stick with me, kid.

307

00:22:29,184 --> 00:22:31,479

Could I have a beer and a special?

308

00:22:47,994 --> 00:22:48,995

Hey, baby.

309

00:22:50,997 --> 00:22:52,457

You're adorable.

310

00:22:55,251 --> 00:22:56,252

Who are you here with?

311

00:22:57,630 --> 00:23:00,298

-[stammers] A friend.

-Do you guys like to party?

312

00:23:01,717 --> 00:23:03,009

[chuckles]

313

00:23:03,093 --> 00:23:04,804

Define "party."

314

00:23:04,886 --> 00:23:06,262

[laughs]

315

00:23:07,389 --> 00:23:08,515

Adorable.

316

00:23:21,027 --> 00:23:24,615

[crowd cheering]

317

00:23:24,697 --> 00:23:27,659

[The Treacherous Three's

"At The Party" playing]

318

00:23:49,347 --> 00:23:51,224

-Have you ever seen this?

-No.

319

00:23:51,307 --> 00:23:53,017

It's a New York thing.

320

00:24:09,200 --> 00:24:10,536

[sighs]

321

00:24:12,328 --> 00:24:13,789

[giggles]

322

00:24:23,798 --> 00:24:27,802

I dunno, man, it's--

It feels provincial up here somehow.

323

00:24:28,679 --> 00:24:29,722

Like it's a bubble.

324

00:24:29,804 --> 00:24:33,558

I mean, most of these kids,
their futures are already set.

325

00:24:33,934 --> 00:24:38,647

Like, um, that guy's gonna be
an econ major, and then Wall Street.

326

00:24:38,731 --> 00:24:39,648

[laughs]

327

00:24:39,732 --> 00:24:41,191

He thinks he wants to study history,

328

00:24:41,274 --> 00:24:45,111

but everything's pushing him
in another direction.

329

00:24:45,195 --> 00:24:46,279

His, um...

330

00:24:46,362 --> 00:24:49,909

His family, his background,
what people expect of him.

331

00:24:49,991 --> 00:24:51,993

So, does he really even have free will?

332

00:24:53,119 --> 00:24:55,830

You gotta take Moral Philosophy, man,
I'm telling you.

333

00:24:55,915 --> 00:24:57,332

We talk about this stuff all day.

334

00:24:57,415 --> 00:25:01,419

I read somewhere that, uh, college
isn't about learning.

335

00:25:01,503 --> 00:25:03,379

[stammers] It's about training.

336

00:25:04,380 --> 00:25:05,590

Training for what?

337

00:25:05,674 --> 00:25:06,759

To, uh...

338

00:25:07,592 --> 00:25:10,512

To want what you don't need,
and to leave who you are at the door.

339

00:25:11,513 --> 00:25:14,057

But we're supposed to leave who we are
at the door. That's the point.

340

00:25:14,140 --> 00:25:17,143

Well, some people can't leave
who they are at the door. I mean...

341

00:25:17,477 --> 00:25:19,772

You know I'm the only Black person
in four of my five classes.

342

00:25:19,854 --> 00:25:21,439

But you're half white, too.

343

00:25:22,148 --> 00:25:23,525

What's that supposed to mean?

344

00:25:24,108 --> 00:25:26,529

Just that... you can fit in anywhere.

345

00:25:26,612 --> 00:25:29,155

-Right?

-I fit in nowhere, Will.

346

00:25:29,239 --> 00:25:30,448

[scoffs]

347

00:25:31,951 --> 00:25:33,577

But... [clears throat]

348

00:25:33,661 --> 00:25:36,539

-I did meet this girl last night.

-Yeah?

349

00:25:36,621 --> 00:25:37,205

Mm-hm.

350

00:25:37,288 --> 00:25:39,666

[both laugh]

351

00:25:39,749 --> 00:25:43,044

[man on TV] The perception of many people
is that the city is dirtier, crime is up,

352

00:25:43,127 --> 00:25:44,337

transportation's breaking down...

353

00:25:44,420 --> 00:25:46,924

-[knocks]

-[door creaks]

354

00:25:47,006 --> 00:25:49,259

-Am I late?

-No, it's just started. C'mon.

355

00:25:49,342 --> 00:25:51,594

[Ed Koch on TV] No, I'm relying on
the common sense of the people.

356

00:25:51,678 --> 00:25:54,597

I'm hesitant to judge
whether or not we've accomplished

357

00:25:54,681 --> 00:25:58,560

the first part of what had to be done
with this fiscal stability

358

00:25:58,643 --> 00:26:00,812

-so as to bring it to the point
-True.

359

00:26:00,896 --> 00:26:03,774

where we could enhance the services
and we have, in fact,

360

00:26:03,857 --> 00:26:06,569

improved some of the services
in the first four years...

361

00:26:06,652 --> 00:26:07,945

The biggest city in America,

362

00:26:08,028 --> 00:26:10,698

and this guy gets to run

as a Democrat and a Republican?

363

00:26:10,781 --> 00:26:11,907

It's a fucking joke.

364

00:26:12,825 --> 00:26:14,660

Well, nobody's watching except us.

365

00:26:14,743 --> 00:26:20,248

-So... why are we watching?

-It's our civic duty.

366

00:26:21,959 --> 00:26:23,752

You know, politics is bullshit.

367

00:26:24,919 --> 00:26:26,921

You don't really believe that, do you?

368

00:26:27,297 --> 00:26:28,756

Yeah. I mean, kinda.

369

00:26:29,257 --> 00:26:33,469

I mean, come on, the president's an actor.

370

00:26:33,553 --> 00:26:36,514

So how does change happen, then?

371

00:26:37,098 --> 00:26:40,518

-Or do you not believe in change, either?

-I believe in art.

372

00:26:40,603 --> 00:26:43,229

I believe in... I don't know.

373

00:26:44,064 --> 00:26:46,274

People creating change.

I just don't believe in--

374

00:26:46,357 --> 00:26:48,568

If you say "the system,"

I'm going to scream.

375

00:26:48,651 --> 00:26:50,987

-The system.

-Oh, you're one of them!

376

00:26:51,070 --> 00:26:53,740

-What? A socialist?

-A poet!

377

00:26:54,033 --> 00:26:55,450

I am a poet, actually.

378

00:26:55,533 --> 00:26:56,367

[scoffs]

379

00:26:57,410 --> 00:26:58,453

You're cute.

380

00:27:00,330 --> 00:27:01,456

What's cute about me?

381

00:27:02,666 --> 00:27:03,709

Your politics.

382

00:27:04,292 --> 00:27:07,796

Hmm. My politics... are cute.

383

00:27:09,714 --> 00:27:10,548

Yeah.

384

00:27:12,926 --> 00:27:14,053

I'll take that.

385

00:27:16,930 --> 00:27:18,974

...only when we have the money to do it.

386

00:27:19,058 --> 00:27:23,062

Then I'm asking you to come to the polls,
'cause my opponent is apathy.

387

00:27:23,144 --> 00:27:27,315

People have to know that
if you want me back, come to the polls

388

00:27:27,398 --> 00:27:30,360

because the people who don't like me
are gonna rush to the polls

389

00:27:30,443 --> 00:27:35,239

and that is the message that I'm imploring
everybody out there to consider.

390

00:27:36,366 --> 00:27:37,450

Smile.

391

00:27:41,997 --> 00:27:42,998

Come on, loosen up.

392

00:27:48,419 --> 00:27:49,713

[Barry blows a raspberry]

393

00:27:52,548 --> 00:27:54,217

It's just for a second, I promise.

394

00:27:57,428 --> 00:27:58,429

[chuckles]

395

00:28:06,562 --> 00:28:08,606

-Hey, wanna race?

-What?

396

00:28:08,691 --> 00:28:11,860

-Let's race to that tree.

-You don't wanna race me. I'm fast.

397

00:28:11,943 --> 00:28:15,488

-Me too. And I don't smoke a pack a day.

-I'll pass.

398

00:28:16,155 --> 00:28:19,325

-What? Afraid to lose to a girl?

-[scoffs] I'm not afraid of losing at all.

399

00:28:19,827 --> 00:28:22,286

So you'll talk shit,

but you won't back it up?

400

00:28:23,204 --> 00:28:26,582

Come on, Barry, show me what you got.

On your mark, get set, go!

401

00:28:27,667 --> 00:28:29,002

[laughing]

402

00:28:31,171 --> 00:28:32,089

[Charlotte] I win.

403

00:28:32,172 --> 00:28:34,174

[laughs]

404

00:28:37,385 --> 00:28:41,181

-Another racist myth, debunked.

-[Barry] You're pretty fast.

405

00:28:41,264 --> 00:28:43,558

[both panting and chuckling]

406

00:28:52,567 --> 00:28:53,861

[man] Game point.

407

00:28:54,652 --> 00:28:55,821

Good play.

408

00:29:05,371 --> 00:29:07,166

What you got, homeboy?

You got something?

409

00:29:07,248 --> 00:29:08,332

[Barry] Huh?

410

00:29:08,416 --> 00:29:10,418

[indistinct chattering]

411

00:29:13,713 --> 00:29:14,882

[grunts]

412

00:29:18,218 --> 00:29:19,552

[Barry] That's game.

413

00:29:20,553 --> 00:29:21,805

Who got next?

414

00:29:23,556 --> 00:29:25,391

I gotta get to class.

415

00:29:25,475 --> 00:29:27,602

-You're breaking up the dynasty?

-[chuckles]

416

00:29:27,685 --> 00:29:28,812

'Fraid so.

417

00:29:30,980 --> 00:29:32,064

Shoot to replace him?

418

00:29:32,775 --> 00:29:33,901

[PJ] Open.

419

00:29:46,746 --> 00:29:48,122

Nice feed, Invisible.

420

00:29:50,793 --> 00:29:51,835

Ball up.

421

00:29:56,256 --> 00:29:57,465

[Barry] I've never been in here.

422

00:30:00,969 --> 00:30:04,388

[PJ] Best food on campus.

B-school got that dough.

423

00:30:07,226 --> 00:30:11,562

I used to eat in here

even when I was an undergrad. [laughs]

424

00:30:11,646 --> 00:30:15,775

So what, finish business school

and then, uh, Wall Street?

425

00:30:16,275 --> 00:30:17,193

That's your plan?

426

00:30:18,278 --> 00:30:19,320

Basically.

427

00:30:20,613 --> 00:30:21,697

Only Black guy at your firm.

428

00:30:23,574 --> 00:30:25,326

I mean,

racist jokes around the water cooler?

429

00:30:26,119 --> 00:30:28,080

-Workplace discrimination lawsuit.

-[chuckles]

430

00:30:29,206 --> 00:30:31,457

-Seven-figure settlement.

-[laughs]

431

00:30:31,541 --> 00:30:32,500

Yeah, fair enough.

432

00:30:34,794 --> 00:30:38,381

-Did you always wanna be a finance guy?

-I'm from the Grant Houses.

433

00:30:40,259 --> 00:30:41,342

You know where that's at?

434

00:30:43,845 --> 00:30:45,263

122nd and Lenox.

435

00:30:46,514 --> 00:30:50,476

It's about five blocks away,
but it's a totally different world.

436

00:30:51,686 --> 00:30:53,354

I didn't come this far to not make money.

437

00:30:55,190 --> 00:30:56,357

I hear that.

438

00:30:57,358 --> 00:30:59,569

-What about you? Where you from?

-[snickers]

439

00:31:00,361 --> 00:31:01,404

Well, Honolulu, mostly.

440

00:31:02,572 --> 00:31:03,406

[chuckles]

441

00:31:03,489 --> 00:31:07,994

-No shit? They got brothers in Hawaii?

-Yeah, a few.

442

00:31:09,204 --> 00:31:12,332

[stammers]

I grew up in Indonesia for a while, too.

443

00:31:12,415 --> 00:31:14,584

My mother married a guy from Jakarta.

444

00:31:15,085 --> 00:31:16,669

[laughs]

445

00:31:16,752 --> 00:31:19,047

You're a whole different type

of motherfucker, B.

446

00:31:21,258 --> 00:31:22,633

You do realize that, right?

447

00:31:24,510 --> 00:31:25,761

I mean, I barely left New York.

448

00:31:26,262 --> 00:31:28,639

Yeah, but-- I mean, it's New York.

449

00:31:29,640 --> 00:31:32,560

Please. New York ain't shit.

450

00:31:32,643 --> 00:31:34,938

[both chuckle]

451

00:31:58,045 --> 00:31:59,795

[indistinct chattering]

452

00:32:03,007 --> 00:32:04,842

[vendor] One dollar, here. One dollar.

453

00:32:09,805 --> 00:32:11,182

[man] Help the homeless.

454

00:32:34,830 --> 00:32:35,748

Uh, how much?

455

00:32:37,500 --> 00:32:38,961

That's two dollars.

456

00:32:41,879 --> 00:32:42,880

Here you go, brother.

457

00:32:44,174 --> 00:32:47,344

Ah, thank you, my brother.

And I envy you for that one.

458

00:32:48,886 --> 00:32:49,887

Why's that?

459

00:32:50,513 --> 00:32:52,432

'Cause you 'bout to read that

for the first time.

460

00:32:53,225 --> 00:32:55,978

After you finish, slide back by

and let me know how you liked it.

461

00:32:56,769 --> 00:32:58,105

-Yes, sir.

-All right.

462

00:32:59,522 --> 00:33:03,943

[indistinct chattering]

463

00:33:04,027 --> 00:33:05,070

Yo! Invisible!

464

00:33:06,321 --> 00:33:09,032

-What's up, Ali? [chuckles]

-Yo! You going by the courts today?

465

00:33:09,116 --> 00:33:12,827

Yo, this dude got the ill baby skyhook.

Like Magic.

466

00:33:12,910 --> 00:33:15,663

-Gonna try. You?

-For sure. Maybe 'round two.

467

00:33:15,746 --> 00:33:18,666

-Cool. I'll catch you there.

-All right then. Be easy, homeboy.

468

00:33:18,749 --> 00:33:19,542

Like Sunday morning.

469

00:33:19,625 --> 00:33:22,211

[preacher]

"Can the prey be taken from the mighty,

470

00:33:22,294 --> 00:33:24,422

or the captives of a tyrant rescued?"

471

00:33:25,382 --> 00:33:29,219

[preacher] Now what that means is,

can we, the Lost Tribe of Israel,

472

00:33:29,302 --> 00:33:33,931

reclaim what is rightfully ours

from the cave-dwelling white devils

473

00:33:34,016 --> 00:33:37,060

that raped our ancestors, stole our land,

474

00:33:37,143 --> 00:33:40,479

and dispersed the true children of God
across the globe?

475

00:33:41,731 --> 00:33:43,108

-Read!

-[woman] Hey!

476

00:33:43,191 --> 00:33:47,778

I ain't... no devil.

This is not the words of Jesus Christ.

477

00:33:47,862 --> 00:33:49,739

Shut your mouth, cave bitch!

478

00:33:50,740 --> 00:33:53,075

Yes, you are a cave bitch.

479

00:33:54,076 --> 00:33:57,997

Do you know... what Jesus Christ
called the white woman in the Bible?

480

00:33:58,789 --> 00:34:00,249

A female dog.

481

00:34:01,792 --> 00:34:03,544

And what is a female dog?

482

00:34:04,587 --> 00:34:06,464

Don't be afraid to say it, brother.

That's right.

483

00:34:07,048 --> 00:34:07,882

A bitch.

484

00:34:07,965 --> 00:34:10,343

That's what Jesus Christ called you
in the Bible.

485

00:34:10,427 --> 00:34:12,636

[Barry] How come you're using
a King James Bible?

486

00:34:13,763 --> 00:34:16,516

-What?

-[chuckles] Why that edition?

487

00:34:16,599 --> 00:34:18,518

[stammers] I thought King James
was a white devil.

488

00:34:21,395 --> 00:34:23,814

Here's King James right here.
Take a good look.

489

00:34:25,357 --> 00:34:27,777

He looks like Billy Dee Williams
if you'd ask me.

490

00:34:28,986 --> 00:34:30,071

If you say so, brother.

491

00:34:33,366 --> 00:34:34,742

Now, you might ask...

492

00:34:34,825 --> 00:34:38,954

How did the Lost Tribes of Israel

become lost? Well, I'll tell you.

493

00:34:39,038 --> 00:34:41,707

[club music playing]

494

00:34:41,791 --> 00:34:43,042

[Saleem] How about her?

495

00:34:43,834 --> 00:34:45,628

-No way.

-Why not?

496

00:34:46,421 --> 00:34:48,839

She's trying way too hard.

Zero self-esteem.

497

00:34:48,923 --> 00:34:52,469

-[Saleem] So she'd sleep with me.

-[Charlotte] Um, probably?

498

00:34:52,968 --> 00:34:58,474

-So that's a yes, then.

-No. Big time no.

499

00:34:58,558 --> 00:35:01,811

I don't think you understand the nature
of this conversation, Charlotte.

500

00:35:01,894 --> 00:35:04,021

I don't really think I want to.

501

00:35:06,191 --> 00:35:08,776

Looks like your boyfriend's off
on Pluto again.

502

00:35:09,693 --> 00:35:13,030

Um... Ground Control to Barry.

503

00:35:13,697 --> 00:35:15,324

Oh, sorry. I was, um...

504

00:35:16,576 --> 00:35:17,660

-I was thinking...

-[Charlotte] No.

505

00:35:17,743 --> 00:35:18,953

-[Barry] Nah.

-[Charlotte chuckles]

506

00:35:19,829 --> 00:35:22,457

-Hey, Will.

-Hi, guys. What's up?

507

00:35:22,541 --> 00:35:25,585

Hey, Willy. What's this?

Buy one, get two free?

508

00:35:26,378 --> 00:35:29,004

-[chuckles]

-[Barry] You wanna join us?

509

00:35:29,088 --> 00:35:31,090

to Black Student Union meetings

678

00:47:27,264 --> 00:47:31,560

because [stammers]

I didn't feel like I belong there either.

679

00:47:38,483 --> 00:47:40,152

[sighs]

680

00:47:45,950 --> 00:47:47,952

The world is a big place, honey.

681

00:47:49,287 --> 00:47:50,829

You'll find your way.

682

00:48:01,173 --> 00:48:02,258

-[PJ] Oh.

-[man 1] Ooh.

683

00:48:02,341 --> 00:48:05,385

[PJ] Oh... Oh...

684

00:48:06,386 --> 00:48:07,470

Come on, now. Oh!

685

00:48:08,471 --> 00:48:09,472

Oh...

686

00:48:09,556 --> 00:48:12,767

Go up, big man! Go up.

687

00:48:14,936 --> 00:48:17,731

Come on, and let's see. Let's see.

688

00:48:20,817 --> 00:48:22,069

Uh-oh.

689

00:48:22,153 --> 00:48:23,528

-Oh!

-That's a good-ass turn.

690

00:48:23,612 --> 00:48:27,449

Ladies and gentlemen,
young Ralph Ellison in the house tonight!

691

00:48:27,532 --> 00:48:29,659

I know you can't see him.

692

00:48:29,743 --> 00:48:31,786

Uncover your eyes, he already invisible.

693

00:48:35,207 --> 00:48:36,541

-[PJ] Oh!

-[man 2] Oh!

694

00:48:36,625 --> 00:48:37,709

[PJ] Oh!

695

00:48:38,877 --> 00:48:39,711

[PJ] Oh, my goodness.

696

00:48:39,794 --> 00:48:41,129

[man 3]

That's what I'm talkin' about, baby!

697

00:48:41,713 --> 00:48:44,090

[PJ] That's the reason

they call him the Invisible Man.

698

00:48:44,175 --> 00:48:46,218

[Saleem urinating]

699

00:48:46,302 --> 00:48:47,929

[Saleem sighs] Okay.

700

00:48:48,887 --> 00:48:51,640

[sighs] Let me give you
some real-deal Saleem advice.

701

00:48:51,723 --> 00:48:54,143

You want to impress her parents?

702

00:48:54,225 --> 00:48:57,979

Order for her. Don't ask her
what she wants, just, um...

703

00:48:58,064 --> 00:49:02,525

[imitating Barry] I'll have the lobster
and a magnum of your finest champagne.

704

00:49:02,609 --> 00:49:07,406

And the lady will have, uh... a salad,
with a glass of water... with lemon.

705

00:49:07,489 --> 00:49:12,328

[in normal voice] Or... how about
whatever they ask you,

706

00:49:12,410 --> 00:49:16,081

you start every answer
with, um, "Shit, motherfucker."

707

00:49:16,581 --> 00:49:22,462

So... "Barry, New York must be
quite the change from Hawaii."

708

00:49:23,422 --> 00:49:26,133

"Shit, motherfucker, it sure is!"

709

00:49:26,716 --> 00:49:28,176

[Saleem chuckling]

710

00:49:28,259 --> 00:49:33,765

"[stammers] Have you started to think
about the summer yet, Barry?"

711

00:49:33,848 --> 00:49:39,521

"Shit, motherfucker. I'm considering
taking an internship at a law firm."

712

00:49:39,604 --> 00:49:41,398

These are, uh... They're all great ideas.

713

00:49:43,317 --> 00:49:45,319

-Damn it.

-Here, here. Let me.

714

00:49:45,403 --> 00:49:46,362

Yeah.

715

00:49:46,445 --> 00:49:50,074

You know, there's a lot about me
that you don't know, my brother.

716

00:49:50,156 --> 00:49:54,411

For example, I used to work at a bank
for almost two years.

717

00:49:55,412 --> 00:49:56,705

And I never, ever--

718

00:49:56,788 --> 00:49:57,914

Watch your chin.

719

00:49:57,998 --> 00:50:00,542

Robbed the place. There.

720

00:50:02,419 --> 00:50:06,339

-[grunts] Another beer for Daddy.

-Thanks.

721

00:50:50,091 --> 00:50:51,760

Would you hand me a towel, please?

722

00:50:53,887 --> 00:50:55,514

-Here you go.

-Thank you.

723

00:51:26,170 --> 00:51:28,755

-[Charlotte chuckling]

-[Kathy speaks indistinctly]

724

00:51:30,299 --> 00:51:32,218

[Charlotte] Oh, there he is.

725

00:51:32,301 --> 00:51:33,760

[chuckles]

726

00:51:36,347 --> 00:51:39,391

-Bill Baughman. Pleasure to meet you.

-Uh, Barry.

727

00:51:39,475 --> 00:51:41,893

-My wife, Kathy.

-It's so nice to meet you.

728

00:51:41,976 --> 00:51:44,020

-We've heard so much about you.

-It's a pleasure to meet you.

729

00:51:44,104 --> 00:51:45,105

[Kathy] Thank you.

730

00:51:47,065 --> 00:51:49,235

Barry, I feel we're at a little bit

of a disadvantage

731

00:51:49,318 --> 00:51:51,611

because Charlotte got to spend
the whole day with your mother

732

00:51:51,694 --> 00:51:53,197

and all we get with you is a dinner.

733

00:51:55,533 --> 00:51:58,410

Also, Barry's mother is way cooler
than you two could ever be.

734

00:51:58,494 --> 00:52:00,287

[Bill] Oh, I don't doubt it.

735

00:52:00,371 --> 00:52:02,747

Well, I'm prepared to make
the most of the time we do have.

736

00:52:03,331 --> 00:52:05,291

I mean, I'll eat two entrées,
if I have to.

737

00:52:05,375 --> 00:52:06,751

[Barry and Kathy chuckle]

738

00:52:07,627 --> 00:52:11,340

You, um... You know,

I have to admit, it's, um...

739

00:52:11,423 --> 00:52:13,675

It's kinda strange for me

to be at the Yale Club.

740

00:52:17,720 --> 00:52:18,847

I'm from a Harvard family.

741

00:52:18,930 --> 00:52:20,474

-[chuckles]

-Ha.

742

00:52:21,766 --> 00:52:24,270

-I didn't know that. [scoffs]

-That... makes two of us?

743

00:52:24,353 --> 00:52:27,981

Yes, sir. My, uh, father did
his Ph.D. in Economics there,

744

00:52:28,064 --> 00:52:30,234

on a full scholarship,
as a matter of fact.

745

00:52:30,317 --> 00:52:32,819

-Well, he must be brilliant.
-Oh, he is something.

746

00:52:33,612 --> 00:52:35,239

I mean, Dad was born in Kenya.

747

00:52:35,822 --> 00:52:37,115

And he and my mother met

748

00:52:37,199 --> 00:52:39,618

when he was studying
at the University of Hawaii.

749

00:52:39,701 --> 00:52:41,537

The program

that brought him over was, uh...

750

00:52:41,620 --> 00:52:43,705

was funded by the likes of, uh...

751

00:52:43,788 --> 00:52:46,916

Harry Belafonte and Sidney Poitier,

uh, and the Kennedys.

752

00:52:47,000 --> 00:52:50,003

How remarkable. And, uh, where is he now?

753

00:52:50,086 --> 00:52:52,214

Uh... Dad's back in Nairobi.

754

00:52:52,298 --> 00:52:55,634

[chuckles] I believe his title

is Senior Government Economist.

755

00:52:56,385 --> 00:52:58,470

-Hmm.

-[Kathy] Such a fascinating country.

756

00:52:58,554 --> 00:52:59,888

Are you able to visit often?

757

00:52:59,971 --> 00:53:02,474

I plan on going soon.

Well, as soon as, uh...

758

00:53:02,558 --> 00:53:05,186

Charlotte teaches me

a little more Swahili.

759

00:53:05,269 --> 00:53:09,190

Oh... after I finish teaching him
about New York City politics.

760

00:53:09,273 --> 00:53:12,234

-That could take a while.

-And some alcohol.

761

00:53:12,318 --> 00:53:15,904

Well, uh... I hear you're something

of a political organizer, Mr. Baughman.

762

00:53:15,987 --> 00:53:19,032

Oh, no. I wouldn't say that.

763

00:53:19,991 --> 00:53:24,455

I've arranged bail for some organizers.

Represented the unions for years.

764

00:53:24,538 --> 00:53:27,583

But nowadays, I spend more time
raising money for candidates.

765

00:53:27,665 --> 00:53:31,336

It's not something

I particularly enjoy, but...

766

00:53:32,337 --> 00:53:33,880

it's more important than ever.

767

00:53:33,963 --> 00:53:38,552

Pretty soon, our only real game plan
might be to outspend the bad guys.

768

00:53:38,636 --> 00:53:42,805

Oh, and, uh, hope all that money
doesn't turn everybody into bad guys. Hmm.

769

00:53:42,889 --> 00:53:45,643

-Something like that.

-[Charlotte] Oh, come on, Dad.

770

00:53:45,725 --> 00:53:47,269

I've seen those pictures of you

771

00:53:47,352 --> 00:53:49,979

and your ponytail
marching for civil rights.

772

00:53:50,480 --> 00:53:53,650

-Sure, but everybody did that.

-Oh, not everybody.

773

00:53:53,983 --> 00:53:57,695

Of course, not everybody.

But everybody we knew in our little...

774

00:53:58,071 --> 00:53:59,822

liberal enclave.

775

00:54:00,031 --> 00:54:01,659

So, how'd your, uh, parents...

776

00:54:01,741 --> 00:54:04,328

feel about your, uh, you know,

"little liberal enclave"?

777

00:54:06,454 --> 00:54:09,499

Mine... not so good. Bill's...

778

00:54:09,999 --> 00:54:11,459

Worse. [sighs]

779

00:54:11,543 --> 00:54:16,257

But, you know, without their support,

I don't know if I'd have had the courage

780

00:54:16,339 --> 00:54:18,424

to spend my career
fighting the good fight.

781

00:54:19,425 --> 00:54:21,427

I might've gone corporate. Who knows?

782

00:54:21,928 --> 00:54:24,222

Now, I've got a good friend
who's making that decision right now.

783

00:54:25,098 --> 00:54:28,226

He's from the Grant Houses,
if you, uh, know where those are.

784

00:54:29,687 --> 00:54:32,814

-No, I don't believe so. No.

-Harlem.

785

00:54:32,897 --> 00:54:36,192

It's one of the biggest
public housing projects in the city.

786

00:54:36,276 --> 00:54:40,905

Now, he says he, um, didn't make it
to Columbia not to earn money.

787

00:54:41,407 --> 00:54:43,325

Well, that's very understandable.

788

00:54:44,158 --> 00:54:48,414

Yeah. I don't know. It's, um...

I think he's gonna be miserable.

789

00:54:49,706 --> 00:54:50,623

Mm.

790

00:54:54,085 --> 00:54:56,588

But, hey... [chuckles] But what do I know?

791

00:54:57,171 --> 00:55:01,926

Aside from that fact
that these lamb chops sound amazing.

792

00:55:02,010 --> 00:55:04,471

[Bill] Mm, well, I couldn't agree more.

793

00:55:08,933 --> 00:55:13,314

-Can we give you a lift back to school?

-Uh, no, thanks. We're going downtown.

794

00:55:13,397 --> 00:55:17,693

-Oh, we are?

-Yes. You... need to dance.

795

00:56:00,736 --> 00:56:02,070

-You think--

-You think you need to teach me.

796

00:56:02,153 --> 00:56:03,946

-I need to teach you?

-[chuckles] Are you kidding?

797

00:56:04,030 --> 00:56:05,990

-That girl was positively afraid of you.

-I wasn't...

798

00:56:06,074 --> 00:56:09,160

Hey, good evening

to you two lovely lovebirds.

799

00:56:09,243 --> 00:56:10,286

Y'all had a good night?

800

00:56:10,371 --> 00:56:11,413

-Mm-hm.

-Great night.

801

00:56:12,038 --> 00:56:13,247

You got a square, college?

802

00:56:13,749 --> 00:56:17,210

-Uh, it's my last one, boss.

-Come on, give me a bust-down, then.

803

00:56:17,502 --> 00:56:18,169

Okay.

804

00:56:22,048 --> 00:56:26,512

Keep it. One of these days,

I'ma make you buy me a pack.

805

00:56:26,594 --> 00:56:28,930

-[Charlotte chuckles]

-[Milton] Whoa. Whoa, whoa, whoa.

806

00:56:29,431 --> 00:56:30,973

What you just try to say to my mans?

807

00:56:31,766 --> 00:56:33,059

You gonna make him?

808

00:56:33,435 --> 00:56:35,019

-Who the fuck is you, nigga?

-[bottle shatters]

809

00:56:35,103 --> 00:56:36,354

Coño! Relax, Milton!

810

00:56:36,438 --> 00:56:38,482

[Milton] Now, who the fuck said
you could walk down my block?

811

00:56:38,565 --> 00:56:40,859

Yo! This kid is cool, Milt.

812

00:56:40,942 --> 00:56:42,318

-Chill out, bro.

-He don't look cool to me.

813

00:56:42,402 --> 00:56:45,238

-Nigga look like a motherfuckin' pussy.

-Man, I live here.

814

00:56:46,615 --> 00:56:49,283

Fuck you. You... ain't from here.

815

00:56:49,367 --> 00:56:52,203

[stammers] I didn't say I was from here.

I said I live here, okay?

816

00:56:52,286 --> 00:56:54,205

-One forty-two.

-I'm from here!

817

00:56:54,706 --> 00:56:58,669

-You understand? Born and bred.

-Okay, that's great.

818

00:56:58,752 --> 00:57:01,254

-Good for you.

-The fuck is you're walking away from me?

819

00:57:01,337 --> 00:57:02,798

-What you gonna do now, nigga?

-Yo, yo!

820

00:57:02,880 --> 00:57:05,633

Yo, Milt! Chill out, man.

Yo, put that away!

821

00:57:06,717 --> 00:57:08,886

Yo! Mira, don't do some shit

you gonna regret!

822

00:57:15,059 --> 00:57:16,644

Go on, man.

823

00:57:27,865 --> 00:57:29,407

[sighs]

824

00:57:31,951 --> 00:57:33,953

Where are you taking me?

825

00:57:34,913 --> 00:57:35,831

Oh...

826

00:57:37,290 --> 00:57:39,417

Hey, brother, you got
some of that, uh, Egyptian Musk?

827

00:57:39,501 --> 00:57:41,795

-[reggae music playing]

-Incense or oil?

828

00:57:41,879 --> 00:57:43,547

-[Barry] Uh, oil.

-[sniffs]

829

00:57:43,630 --> 00:57:47,216

-One, three, five.

-I'll take a three.

830

00:57:51,889 --> 00:57:54,432

-Thank you.

-Thank you.

831

00:57:57,853 --> 00:57:58,854

You like that?

832

00:57:59,855 --> 00:58:02,483

Hmm.

That reminds me of my friend, Idris.

833

00:58:02,565 --> 00:58:04,275

He always used to wear Egyptian Musk.

834

00:58:05,193 --> 00:58:09,572

Hey, uh, try this. It's called Black Love.

Drives the sisters crazy.

835

00:58:10,281 --> 00:58:11,575

[stammers] I'm good, thanks.

836

00:58:13,242 --> 00:58:16,037

-Who's Idris?

-From junior year abroad?

837

00:58:16,538 --> 00:58:18,957

-He goes to Emory.

-Right.

838

00:58:23,921 --> 00:58:27,549

[indistinct chattering]

839

00:58:29,593 --> 00:58:30,594

[man] Good day, Miss Lady.

840

00:58:30,677 --> 00:58:32,178

-Hello.

-How are you?

841

00:58:33,304 --> 00:58:36,140

Hey, my man. Good to see you.

842

00:58:36,224 --> 00:58:38,602

How did you like that Du Bois

I hit you with?

843

00:58:38,685 --> 00:58:41,020

Deep. What else you got for me?

844

00:58:41,103 --> 00:58:44,315

Let me see here.

I think I know just what you need.

845

00:58:44,858 --> 00:58:47,653

-How about this? Ralph. Invisible Man.

-I already read it.

846

00:58:47,736 --> 00:58:50,363

Oh. I'm impressed.

847

00:58:50,446 --> 00:58:52,866

-You know, he lives not far from here.

-Oh, yeah?

848

00:58:52,950 --> 00:58:56,452

Yeah. We've been waiting
on a sequel for a long time.

849

00:58:56,537 --> 00:58:58,705

Maybe he said everything he needed to.

850

00:58:58,789 --> 00:59:01,667

He might've dropped a little too much
truth for them in this one, baby.

851

00:59:01,750 --> 00:59:05,003

Oh, I love this book. Have you read this?

852

00:59:05,086 --> 00:59:07,548

Ah, you got good taste, Miss Lady.
James Baldwin.

853

00:59:07,631 --> 00:59:08,799

-Thank you.

-No, I haven't.

854

00:59:10,132 --> 00:59:13,135

-I'm buying it for you, then. How much?

-[man clicks tongue]

855

00:59:13,219 --> 00:59:16,640

-Um, that's on me.

-Thank you.

856

00:59:16,723 --> 00:59:17,891

-That's so sweet.

-My pleasure. Yeah.

857

00:59:18,474 --> 00:59:19,559

You guys enjoy your day.

858

00:59:26,567 --> 00:59:27,483

No, thank you.

859

00:59:27,567 --> 00:59:28,859

[preacher shouting indistinctly]

860

00:59:30,654 --> 00:59:33,072

Hey, can we have lunch at Sylvia's?

861

00:59:33,907 --> 00:59:36,868

-Where is that?

-You've never been to Sylvia's?

862

00:59:36,952 --> 00:59:39,287

No, Charlotte.

[stammers] I've never been to Sylvia's.

863

00:59:39,370 --> 00:59:41,414

Trust me, you're gonna love it.

It's right over there.

864

00:59:41,497 --> 00:59:44,542

-[preacher] Men far away. And there...

-Yeah. Sylvia's it is.

865

00:59:44,626 --> 00:59:47,295

...in the midst of this land.

-[reader] And he cursed Canaan.

866

00:59:47,378 --> 00:59:50,423

-[man chuckling]

-[chattering]

867

00:59:50,506 --> 00:59:54,928

-Ten bucks for a plate of fried chicken?

-It's so good, though.

868

00:59:55,012 --> 00:59:56,429

I guess these people don't mind.

869

00:59:56,512 --> 01:00:00,141

In here stuffing their faces
while folks panhandle right outside.

870

01:00:01,225 --> 01:00:05,187

-That's any restaurant.

-M&G, six blocks away.

871

01:00:05,271 --> 01:00:07,356

Same menu, it's four bucks a plate.

872

01:00:09,817 --> 01:00:11,360

Are you mad at me or something?

873

01:00:13,237 --> 01:00:15,114

Have you noticed
you're the only white person in here?

874

01:00:16,449 --> 01:00:18,576

No, I'm not.

875

01:00:19,745 --> 01:00:23,790

-And besides, why does that matter?

-Nobody's looking at you.

876

01:00:24,373 --> 01:00:25,875

They're looking at me.

877

01:00:26,668 --> 01:00:31,130

Uh, the brother with the...

uh... white girl on his arm.

878

01:00:33,090 --> 01:00:33,924

Who?

879

01:00:36,010 --> 01:00:38,763

Who? Who, Barry?

880

01:00:40,641 --> 01:00:41,642

You don't see it.

881

01:00:41,725 --> 01:00:42,809

-So show me.

-I can't.

882

01:00:45,311 --> 01:00:46,937

[scoffs] You're not used to being visible.

883

01:00:48,689 --> 01:00:49,231

"Visible"?

884

01:00:51,693 --> 01:00:54,320

I'm a woman.

You think I don't get stares? Catcalls?

885

01:00:54,403 --> 01:00:56,405

-[stammers] That's not what I mean.

-And besides,

886

01:00:56,489 --> 01:00:58,867

I thought the whole problem
was being invisible.

887

01:01:02,953 --> 01:01:03,913

[waitress] You all ready to order?

888

01:01:18,053 --> 01:01:19,220

You wanna come up?

889

01:01:20,471 --> 01:01:23,557

No, I have...

I think I'm gonna go play some ball.

890

01:01:25,768 --> 01:01:27,561

-I'm sorry.

-It's okay.

891

01:01:29,605 --> 01:01:31,942

-Call me later?

-Yeah, I will.

892

01:01:38,406 --> 01:01:39,365

Um...

893

01:01:46,414 --> 01:01:47,623

I love you.

894

01:01:54,881 --> 01:01:55,799

Thank you.

895

01:02:05,142 --> 01:02:07,643

[man] Uh... Brick.

896

01:02:07,727 --> 01:02:09,311

[all laugh]

897

01:02:11,815 --> 01:02:14,067

Hey, yo, Invis,
you should come out with us tonight.

898

01:02:14,150 --> 01:02:15,776

What's on the agenda?

899

01:02:16,277 --> 01:02:20,364

-Your girl Tisha's having a thing.
-Tisha? Really?

900

01:02:21,199 --> 01:02:24,493

You don't need to be taking Invis
to nobody ghetto-ass house party.

901

01:02:24,577 --> 01:02:26,328

-Why not?

-Why not?

902

01:02:26,412 --> 01:02:27,956

[both laugh]

903

01:02:28,039 --> 01:02:31,584

Hey. This motherfucker's from Indonesia
and Hawaii and shit, man.

904

01:02:31,667 --> 01:02:33,128

You know what them niggas like, bro.

905

01:02:33,211 --> 01:02:35,296

-Take him to a luau or somethin'.

-[all laugh]

906

01:02:35,379 --> 01:02:38,133

How's a brother supposed to get culture?

907

01:02:38,216 --> 01:02:39,592

Y'all serious?

908

01:02:43,471 --> 01:02:46,557

Whatever. Maybe y'all see, man.

909

01:02:47,809 --> 01:02:49,060

[PJ] Oh--

910

01:02:49,144 --> 01:02:51,312

-[all] Oh!

-[all laugh]

911

01:02:52,480 --> 01:02:55,817

"Thank you"?

What are you, Han Solo or some shit?

912

01:02:55,901 --> 01:02:58,736

Han didn't say "thank you."

He said, uh, "I know."

913

01:03:00,279 --> 01:03:02,991

'Cause that's the coolest way to say it.

Sure.

914

01:03:03,867 --> 01:03:05,243

I fucked up, huh?

915

01:03:06,660 --> 01:03:08,662

Well, if you love the sister, you did.

916

01:03:10,791 --> 01:03:12,374

Why would she say it, then?

917

01:03:12,458 --> 01:03:14,919

After the worst two hours
of our whole relationship?

918

01:03:15,002 --> 01:03:16,045

[PJ] Hmm.

919

01:03:16,129 --> 01:03:20,050

Let me think. That's exactly why.

Look...

920

01:03:21,092 --> 01:03:25,429

If she says it to you again,
you either gotta say it back or walk off.

921

01:03:26,555 --> 01:03:27,933

[man] There he is.

922

01:03:31,727 --> 01:03:34,438

-[PJ] My man.

-[man] It's about time.

923

01:03:34,522 --> 01:03:36,233

[man] Thirsty?

924

01:03:36,315 --> 01:03:38,609

-Hell, yeah.

-Let's crack these babies.

925

01:03:39,277 --> 01:03:40,528

-[man mimics fizzing sound]

-[Barry] What's up, man?

926

01:03:40,611 --> 01:03:41,863

[man] All right.

927

01:03:41,946 --> 01:03:42,988

[beer cans opening]

928

01:03:43,072 --> 01:03:43,948

[man] Ooh.

929

01:03:46,952 --> 01:03:48,661

That's good.

930

01:03:48,744 --> 01:03:50,288

Look alive, Invisible.

931

01:03:51,580 --> 01:03:55,459

And welcome to this episode
of "Project Safari."

932

01:03:56,837 --> 01:04:00,673

Now, in the projects-- Excuse us, ladies.

933

01:04:01,590 --> 01:04:04,302

In the projects,
the elevators go out all the time.

934

01:04:04,385 --> 01:04:06,679

Now, if you're somebody
like my man, Mr. Jim here--

935

01:04:06,762 --> 01:04:08,098

-How you doin', Mr. Jim?

-How you doin', boy?

936

01:04:08,181 --> 01:04:11,642

Or if I'm some old lady with grocery bags

937

01:04:11,725 --> 01:04:14,687

and I'm trying to get all the way up
to the tenth floor, you're wondering...

938

01:04:14,770 --> 01:04:18,399

-how do you get up there?

-You ask a nice young man for help.

939

01:04:19,859 --> 01:04:21,902

[all laughing]

940

01:04:23,404 --> 01:04:24,530

If you can find one.

941

01:04:24,613 --> 01:04:27,909

Hell, you sit your ass down on a bench
and wait for them to fix them shits.

942

01:04:27,993 --> 01:04:29,202

Hell, yeah.

943

01:04:30,578 --> 01:04:33,206

All right, now. Right through here,

944

01:04:33,290 --> 01:04:36,084

we have what you call
the "pissy staircase."

945

01:04:36,166 --> 01:04:37,418

For obvious reasons.

946

01:04:37,501 --> 01:04:40,212

I'm sure one of your five senses
has picked up as to why.

947

01:04:40,297 --> 01:04:42,715

Now, I would advise you
not to touch nothin'

948

01:04:42,798 --> 01:04:44,466

'cause you could get
the itchies and scratchies.

949

01:04:44,550 --> 01:04:45,969

It's hard to get rid of that.

950

01:04:46,635 --> 01:04:47,761

So...

951

01:04:49,096 --> 01:04:51,140

You wanna see some more,
you wanna go to the party?

952

01:04:51,223 --> 01:04:52,016

What you wanna do?

953

01:04:52,600 --> 01:04:54,727

-More.

-More?

954

01:04:54,810 --> 01:04:57,146

Come on, man, I got ladies waiting for me.

955

01:04:57,813 --> 01:05:00,149

You know damn well
ain't nobody waiting on you.

956

01:05:00,733 --> 01:05:03,027

[chuckles] He lying.

Come on, we'll see y'all later.

957

01:05:03,110 --> 01:05:05,988

Come on, B. Right this way. Now...

958

01:05:06,864 --> 01:05:10,242

The projects ain't all fun and games.

Matter of fact, far from it.

959

01:05:10,576 --> 01:05:12,912

But you do gotta keep

a sense of adventure.

960

01:05:13,371 --> 01:05:14,830

That's why police hate coming up here

961

01:05:14,915 --> 01:05:17,334

because you'll never know

what's behind door number one,

962

01:05:17,416 --> 01:05:19,377

behind door number two...

963

01:05:20,794 --> 01:05:24,632

Matter of fact, you...

you know what a "shooting gallery" is, B?

964

01:05:27,426 --> 01:05:29,553

Well, take a look

behind door number three.

965

01:05:30,804 --> 01:05:32,182

It ain't for guns.

966

01:05:40,273 --> 01:05:42,150

Then you got motherfuckers like me.

967

01:05:43,692 --> 01:05:48,073

Same environment, same everything.

And what the fuck, right?

968

01:05:49,698 --> 01:05:53,119

But, I guess life is what you make it.

969

01:05:54,912 --> 01:05:57,873

One thing to remember, though,
through all of this.

970

01:05:59,583 --> 01:06:01,127

This is government housing.

971

01:06:02,836 --> 01:06:04,755

This is how the government
does our people.

972

01:06:09,344 --> 01:06:14,099

So, this concludes our episode
of "Project Safari."

973

01:06:14,182 --> 01:06:18,269

I've been your host,
and I need another beer.

974

01:06:21,356 --> 01:06:23,691

This one is gone. Excuse us.

975

01:06:25,235 --> 01:06:26,403

Right this way.

976

01:06:26,485 --> 01:06:29,197

[Ahzz's "New York's Movin'" playing]

977

01:06:29,280 --> 01:06:31,824

[PJ] All right!

978

01:06:31,907 --> 01:06:35,078

How you doing? You look amazing.

979

01:06:48,799 --> 01:06:50,051

So, what you think?

980

01:06:50,592 --> 01:06:51,677

[stammers]

981

01:06:51,760 --> 01:06:52,761

It's beautiful.

982

01:06:53,345 --> 01:06:55,889

[PJ laughs]

983

01:06:55,973 --> 01:06:59,310

Whatever you say, B.

Enjoy yourself, though.

984

01:07:03,148 --> 01:07:04,857

-[Lila] Hey.

-Hey.

985

01:07:06,484 --> 01:07:08,902

-How you doin', PJ?

-I'm good, Ms. Denise.

986

01:07:08,986 --> 01:07:12,032

-I'm fair for a square. How you doing?

-Good.

987

01:07:21,124 --> 01:07:24,294

Yo, Invisible! Come over here,
come over here, come over here.

988

01:07:26,254 --> 01:07:28,756

I got some people I want you to meet.

This is my girl Tisha, this is her crib.

989

01:07:28,839 --> 01:07:30,508

-Barry.

-Welcome, yeah.

990

01:07:30,591 --> 01:07:33,344

[PJ] This is Lila. Keep your hands off.

991

01:07:34,595 --> 01:07:36,097

And Ms. Denise.

992

01:07:36,181 --> 01:07:39,808

-Barry. Nice to meet you.

-Nice to meet you, too.

993

01:07:41,852 --> 01:07:43,771

Mm. Nice.

994

01:07:45,689 --> 01:07:46,690

Wanna dance?

995

01:07:47,608 --> 01:07:48,776

Sure.

996

01:08:23,519 --> 01:08:26,188

So... where are you from?

997

01:08:27,773 --> 01:08:31,151

I live on 109th and Amsterdam. You?

998

01:08:31,236 --> 01:08:34,489

[Taana Gardner's "Heartbeat" plays]

999

01:08:35,240 --> 01:08:36,740

-Heaven?

-[both laugh]

1000

01:08:38,535 --> 01:08:40,077

Eighth floor.

1001

01:08:56,635 --> 01:08:58,178

What's living on the eighth floor like?

1002

01:08:58,513 --> 01:09:02,099

[laughs] Well,

it's pretty much exactly like this.

1003

01:09:02,183 --> 01:09:03,560

Why, you wanna see it?

1004

01:09:04,685 --> 01:09:05,978

Uh...

1005

01:09:06,937 --> 01:09:08,439

I wanna see everything.

1006

01:09:09,857 --> 01:09:15,070

-So... why do they call you "Invisible"?

-It's because I'm spying.

1007

01:09:15,155 --> 01:09:17,656

I probably shouldn't have told you that,
but I'm getting a good vibe.

1008

01:09:17,739 --> 01:09:18,949

[giggles]

1009

01:09:19,032 --> 01:09:21,327

-You seem trustworthy.

-Who do you work for?

1010

01:09:21,411 --> 01:09:22,579

I'm freelance.

1011

01:09:22,661 --> 01:09:26,457

Sometimes I spy

just for my own, um, edification.

1012

01:09:26,541 --> 01:09:28,834

[giggles]

I think that's called a Peeping Tom.

1013

01:09:28,917 --> 01:09:30,253

Mm-hm.

1014

01:09:30,336 --> 01:09:31,629

Oh, shit!

1015

01:09:34,299 --> 01:09:37,009

-What the fuck, Reggie?

-That's my girl you talkin' slick to.

1016

01:09:37,092 --> 01:09:38,219

-Why are you over here?

-Who is he?

1017

01:09:38,302 --> 01:09:39,136

-That's my friend.

-Who is he?

1018

01:09:42,139 --> 01:09:44,057

-Yes.

-Oh, yeah?

1019

01:09:46,143 --> 01:09:47,604

I love truth, man.

1020

01:09:58,489 --> 01:10:01,242

Yo, Barry. Come over here.

1021

01:10:02,285 --> 01:10:03,328

Come here, my man.

1022

01:10:04,329 --> 01:10:05,580

He's drunk.

1023

01:10:07,998 --> 01:10:11,252

-What's wrong?

-What happened to your face, B?

1024

01:10:11,336 --> 01:10:13,921

-Some asshole hit me.

-I'll get some ice.

1025

01:10:14,838 --> 01:10:16,840

Who hit you? What'd you do to get hit?

1026

01:10:18,050 --> 01:10:20,261

Here, use this. It's cold.

1027

01:10:22,262 --> 01:10:24,973

That--

That was supposed to be for your face.

1028

01:10:26,099 --> 01:10:27,100

[Tisha] Whatever.

1029

01:10:27,184 --> 01:10:29,811

-I gotta go.

-No, you don't gotta go.

1030

01:10:29,895 --> 01:10:31,689

-Sit down.

-Nah.

1031

01:10:33,649 --> 01:10:34,983

This ain't my scene.

1032

01:10:53,253 --> 01:10:54,587

[sighs]

1033

01:11:25,535 --> 01:11:28,120

[woman] Hey! You looking for a date?

1034

01:11:46,138 --> 01:11:46,805

[man] Whoa!

1035

01:12:09,077 --> 01:12:11,204

[guard] Hey. Hey.

1036

01:12:16,377 --> 01:12:19,672

-You got some ID?

-I'm a student here.

1037

01:12:19,756 --> 01:12:20,922

[guard] ID.

1038

01:12:23,550 --> 01:12:26,720

-No, I don't have to show you anything.

-You giving me a problem?

1039

01:12:28,138 --> 01:12:31,725

-We got a problem here?

-Well, I don't see you ID'ing them.

1040

01:12:33,018 --> 01:12:35,187

So, what's so special about me, huh?

1041

01:12:37,648 --> 01:12:40,818

-I'm gonna ask you one more time--

-[Thad] Hey! Hey, it's cool.

1042

01:12:41,401 --> 01:12:42,694

I know this guy.

1043

01:12:43,445 --> 01:12:45,864

He goes here.

He's a student. It's all right.

1044

01:12:47,157 --> 01:12:48,158

It's okay.

1045

01:12:51,371 --> 01:12:52,663

No open containers.

1046

01:13:00,170 --> 01:13:02,047

Jesus, man. What,
are you trying to get arrested or what?

1047

01:13:02,130 --> 01:13:03,800

I'm trying to mind
my own fucking business.

1048

01:13:03,882 --> 01:13:05,635

Okay, whatever, man.
Let's just get you home.

1049

01:13:05,718 --> 01:13:09,137

You drink a beer in front of him
[stammers] and he doesn't do shit.

1050

01:13:09,221 --> 01:13:12,933

I walk on the campus, and I'm a criminal?
What's with that, huh, Thad?

1051

01:13:13,016 --> 01:13:15,519

I don't know man.
I'm fuckin' hammered right now.

1052

01:13:16,019 --> 01:13:17,062

Whoa, whoa.

1053

01:13:17,145 --> 01:13:19,398

-What happened to your face?
-Somebody punched it.

1054

01:13:20,273 --> 01:13:22,359

-I'm not that surprised.
-Oh, fuck you.

1055

01:13:22,442 --> 01:13:24,444

-[chuckles]

-You got another beer?

1056

01:13:25,237 --> 01:13:27,948

-You sure that's a good idea?

-Yes, I am.

1057

01:13:28,783 --> 01:13:29,784

All right.

1058

01:13:38,584 --> 01:13:39,669

Oh.

1059

01:13:42,170 --> 01:13:43,673

[blows a raspberry]

1060

01:13:44,923 --> 01:13:45,924

[groans]

1061

01:13:51,304 --> 01:13:52,305

Thad.

1062

01:13:54,057 --> 01:13:56,101

You know why everything's about slavery?

1063

01:13:57,102 --> 01:13:59,104

[scoffs]

1064

01:13:59,646 --> 01:14:00,939

Why, Barry?

1065

01:14:05,402 --> 01:14:07,362

That's why you're an asshole.

1066

01:14:11,158 --> 01:14:12,159

[scoffs]

1067

01:14:17,289 --> 01:14:18,708

You're all right, Thad.

1068

01:14:20,834 --> 01:14:21,877

You're an asshole...

1069

01:14:23,962 --> 01:14:25,005

but you're all right.

1070

01:14:29,719 --> 01:14:32,805

Hey, it's 1981, dude! Get over it already!

1071

01:14:41,229 --> 01:14:42,772

[knocks]

1072

01:14:43,440 --> 01:14:44,650

[softly] Charlotte.

1073

01:14:48,236 --> 01:14:49,237

Charlotte.

1074

01:14:49,321 --> 01:14:51,574

[lock unlatches]

1075

01:14:56,244 --> 01:14:57,245

[softly] Hi.

1076

01:15:06,839 --> 01:15:09,634

-Oh, my God. You're bleeding.

-I don't want to talk.

1077

01:15:11,343 --> 01:15:14,179

-What happened to you?

-It's nothing.

1078

01:15:15,598 --> 01:15:16,807

Where were you tonight?

1079

01:15:17,808 --> 01:15:21,394

At a party. In Harlem.

Your favorite place.

1080

01:15:25,733 --> 01:15:27,108

I'm going to clean you up.

1081

01:16:04,396 --> 01:16:05,397

-Here.

-Don't.

1082

01:16:08,149 --> 01:16:09,401

Stop.

1083

01:16:16,074 --> 01:16:17,409

What's the matter with you?

1084

01:16:20,787 --> 01:16:22,372

Why do you like me, Charlotte?

1085

01:16:27,294 --> 01:16:28,295

What do you mean?

1086

01:16:30,880 --> 01:16:33,758

-I like you 'cause I like you.

-No. Really.

1087

01:16:34,759 --> 01:16:35,927

Why do you like me?

1088

01:16:37,929 --> 01:16:39,598

Who wouldn't like that guy?

1089

01:16:42,309 --> 01:16:43,894

That's not me, Charlotte.

1090

01:16:45,312 --> 01:16:46,563

It was a joke.

1091

01:16:51,860 --> 01:16:54,779

Just because you went to Kenya
for five days,

1092

01:16:55,655 --> 01:16:58,617

doesn't mean you understand who I am.

1093

01:17:04,080 --> 01:17:04,956

[Charlotte sighs]

1094

01:17:10,045 --> 01:17:11,796

You know what your problem is, Barry?

1095

01:17:12,213 --> 01:17:15,300

You think that this... is all about you.

1096

01:17:19,596 --> 01:17:20,681

Good night.

1097

01:17:49,043 --> 01:17:52,295

-[Will] What happened to your face?

-I don't wanna talk about it.

1098

01:17:59,679 --> 01:18:01,972

Man, listen, um...

1099

01:18:02,056 --> 01:18:06,518

one of the guys at Robbie's suite

just moved out, so...

1100

01:18:06,601 --> 01:18:08,062

there's a room open.

1101

01:18:11,398 --> 01:18:14,150

-You should take it.

-Are you sure? I...

1102

01:18:14,484 --> 01:18:16,361

I know you can afford the rent

by yourself.

1103

01:18:16,444 --> 01:18:18,781

-I just thought--

-I'm ready for a change anyway.

1104

01:18:18,864 --> 01:18:20,074

Yeah.

1105

01:18:20,990 --> 01:18:22,158

No, I...

1106

01:18:22,785 --> 01:18:24,161

I can move in with Saleem.

1107

01:18:27,455 --> 01:18:30,417

I just feel isolated from campus,
you know?

1108

01:18:30,500 --> 01:18:33,003

It's cool, Will. I get it.

1109

01:18:40,260 --> 01:18:42,512

-We'll still hang out, right?

-Yeah. Of course.

1110

01:18:46,516 --> 01:18:48,643

[Bobby Womack's

"All Along The Watchtower" playing]

1111

01:20:57,438 --> 01:21:01,109

[dogs barking]

1112

01:21:12,288 --> 01:21:14,789

[phone ringing]

1113

01:21:38,605 --> 01:21:40,398

[Saleem] Barry, my brother.

1114

01:21:41,482 --> 01:21:43,443

We live in a shithole, you know that?

1115

01:21:44,485 --> 01:21:47,156

I mean, an actual place for shitting.

1116

01:21:48,198 --> 01:21:50,200

All afternoon, I am watching

1117

01:21:50,283 --> 01:21:52,911

white people bring their dogs here
to shit.

1118

01:21:53,913 --> 01:21:57,624

And they just walk away. [chuckles]
They just leave the shit.

1119

01:21:57,707 --> 01:21:59,709

[dog barking]

1120

01:21:59,792 --> 01:22:02,296

Look, look, here comes another one now.

1121

01:22:02,379 --> 01:22:06,674

Hey! Clean up after your filthy animal,
you filthy animal!

1122

01:22:07,717 --> 01:22:10,387

Bedtime for Saleem. Come on. Come on.

1123

01:22:10,470 --> 01:22:11,804

Come on.

1124

01:22:15,017 --> 01:22:16,851

I like that girl Charlotte, Barry.

1125

01:22:16,935 --> 01:22:18,353

[Saleem chuckles softly]

1126

01:22:18,436 --> 01:22:20,772

[stammers] She called a bit earlier.

1127

01:22:22,649 --> 01:22:25,443

She said she was gonna pick you up
at noon for the wedding.

1128

01:22:26,110 --> 01:22:28,571

[Saleem coughing and groaning]

1129

01:22:29,447 --> 01:22:30,865

-Hey, Barry?

-Yeah?

1130

01:22:32,533 --> 01:22:34,577

You're becoming a real bore.

1131

01:22:40,750 --> 01:22:43,337

[phone ringing]

1132

01:22:56,015 --> 01:22:56,891

[groans]

1133

01:23:09,989 --> 01:23:13,325

-Hello?

-[woman] Barry? Is that you?

1134

01:23:13,409 --> 01:23:15,285

Yes. Who's this?

1135

01:23:15,369 --> 01:23:18,913

Yes, Barry, this is your Aunt Jane,
in Nairobi.

1136

01:23:18,997 --> 01:23:20,164

Can you hear me?

1137

01:23:20,248 --> 01:23:23,418

Uh, barely. I'm sorry, my aunt who?

1138

01:23:23,501 --> 01:23:25,461

[Aunt Jane] Aunt Jane.

1139

01:23:26,171 --> 01:23:31,135

Listen, Barry, your father is dead.

He is killed in a car accident.

1140

01:23:32,885 --> 01:23:37,099

Hello? Can you hear me?

I said your father is dead.

1141

01:23:37,182 --> 01:23:39,976

Please call your uncle in Boston
and tell him.

1142

01:23:40,060 --> 01:23:44,440

I cannot talk now, okay, Barry?

I will try to call you again.

1143

01:23:44,522 --> 01:23:45,440

[dial tone]

1144

01:24:08,921 --> 01:24:10,923

[sirens wailing]

1145

01:24:13,801 --> 01:24:19,058

Okay, so, don't laugh, but I'm thinking
of taking a job on Wall Street.

1146

01:24:21,559 --> 01:24:26,105

Daddy's got some friends.
I'm just sick of being broke, man.

1147

01:24:26,440 --> 01:24:29,151

It's getting lame. What do you think?

1148

01:24:34,989 --> 01:24:36,115

Oh, that's it?

1149

01:24:36,532 --> 01:24:40,703

No "you'll fit in great with the rest

of those cokehead assholes"?

1150

01:24:40,953 --> 01:24:45,209

No "if you actually stood for anything,
I'd call you a sellout"?

1151

01:24:48,753 --> 01:24:51,964

Ah, you're becoming a real bore,
have I mentioned that?

1152

01:25:04,936 --> 01:25:06,687

[Charlotte] It's like musical chairs or--

1153

01:25:06,771 --> 01:25:12,528

I mean, you turn 25, the music stops,
and whoever you're dating, you marry?

1154

01:25:13,945 --> 01:25:17,073

It's not just my sister, either.
It's all of her friends--

1155

01:25:17,157 --> 01:25:19,535

I don't see them for a few months,

and then, bam,

1156

01:25:19,617 --> 01:25:23,037

they show up with rocks on their fingers
and some random guy in tow.

1157

01:25:23,122 --> 01:25:26,375

And it's like, "Wow, what a coincidence."

1158

01:25:26,458 --> 01:25:28,042

You all just happened
to meet your soulmates

1159

01:25:28,126 --> 01:25:29,919

within six months of each other?

1160

01:25:31,171 --> 01:25:32,381

What are the odds?"

1161

01:25:38,845 --> 01:25:39,637

Hey.

1162

01:25:43,475 --> 01:25:44,934

You feel really far away.

1163

01:25:46,310 --> 01:25:46,811

Sorry.

1164

01:25:54,026 --> 01:25:55,362

Not what I meant.

1165

01:26:01,868 --> 01:26:03,786

Do you hate weddings or something?

1166

01:26:05,455 --> 01:26:06,956

No, I've never even been to a wedding,

1167

01:26:09,083 --> 01:26:10,419

except for my mother's.

1168

01:26:12,670 --> 01:26:14,381

Well, would you ever want to get married?

1169

01:26:17,842 --> 01:26:21,137

I don't mean now.

I don't even mean to me.

1170

01:26:21,221 --> 01:26:25,642

I just mean... is it something
you could see yourself doing someday?

1171

01:26:27,059 --> 01:26:30,730

No, it's, uh, not an institution
I put much faith in.

1172

01:26:32,399 --> 01:26:36,027

I mean, my parents were married five times
between them. Or six.

1173

01:26:36,110 --> 01:26:37,862

And I'm not even sure about my father.

1174

01:26:44,160 --> 01:26:47,663

Well... are you nervous
about meeting my family?

1175

01:26:53,085 --> 01:26:54,962

-Why? Do I look nervous to you?

-No.

1176

01:27:00,510 --> 01:27:02,011

You look like you're going into battle.

1177

01:27:23,115 --> 01:27:24,618

[photographer] All right, big smiles!

1178

01:27:26,369 --> 01:27:28,788

Now, hold it! Hold it!

One more. Just one more.

1179

01:27:30,248 --> 01:27:31,040

Come on.

1180

01:27:33,293 --> 01:27:35,379

Great. All right, all the fellas.

1181

01:27:36,087 --> 01:27:38,756

Yeah, Barry, come. Come join us.

1182

01:27:39,258 --> 01:27:42,594

-You stand with Martin, here.

-[woman] Hello.

1183

01:27:42,678 --> 01:27:43,970

Hey, George.

1184

01:27:45,137 --> 01:27:47,139

There's the man.

1185

01:27:47,223 --> 01:27:50,810

-Yep, okay.

-It's kind of an uptight crowd, huh?

1186

01:27:51,394 --> 01:27:52,687

I'm kind of an uptight guy.

1187

01:27:57,024 --> 01:27:59,443

Great! Now all the ladies.

1188

01:28:16,420 --> 01:28:17,629

[photographer] Ready?

1189

01:28:20,423 --> 01:28:23,843

[Ephraim] It's the second time this week.

The second.

1190

01:28:24,344 --> 01:28:27,972

Listen, you have to take it easy.

You know they're not like back home.

1191

01:28:30,725 --> 01:28:31,517

Hello, sir.

1192

01:28:32,893 --> 01:28:37,649

-Can I get you something?

-No, no. I'm just, um, I'm killing time.

1193

01:28:52,706 --> 01:28:53,914

How you guys doing today?

1194

01:28:55,249 --> 01:28:56,208

Fine, sir.

1195

01:28:59,504 --> 01:29:01,757

-My name's Barry.

-Fred.

1196

01:29:02,799 --> 01:29:03,966

Ephraim.

1197

01:29:11,140 --> 01:29:13,976

-Where you guys from?

-We are Ugandan.

1198

01:29:15,144 --> 01:29:16,604

I thought so.

1199

01:29:17,855 --> 01:29:20,232

My, uh... father is from Kenya.

1200

01:29:20,316 --> 01:29:22,026

Ah! [chuckles]

1201

01:29:23,319 --> 01:29:24,571

Here you go.

1202

01:29:24,653 --> 01:29:25,780

Yeah. He...

1203

01:29:27,031 --> 01:29:28,324

He died recently.

1204

01:29:29,493 --> 01:29:32,161

My condolences to you and to your family.

1205

01:29:32,244 --> 01:29:33,372

Mine as well.

1206

01:29:34,997 --> 01:29:36,207

Yeah, thanks.

1207

01:29:38,502 --> 01:29:39,960

Yeah. It was today, actually.

1208

01:29:40,670 --> 01:29:41,505

[glass clinks]

1209

01:29:41,587 --> 01:29:42,213

I, uh...

1210

01:29:43,715 --> 01:29:48,010

I got a phone call this morning
from, uh, from an aunt I never met.

1211

01:29:57,561 --> 01:30:01,732

Actually, you know what?

[stammers] I will have a drink.

1212

01:30:04,861 --> 01:30:08,573

-What do you got back there?

-It's a full bar, sir.

1213

01:30:10,741 --> 01:30:11,617

I'll have a...

1214

01:30:12,744 --> 01:30:14,078

I'll have a vodka.

1215

01:30:38,686 --> 01:30:39,270

Cheers.

1216

01:30:50,239 --> 01:30:52,576

-How you doing?

-[chuckles]

1217

01:31:02,334 --> 01:31:04,796

-Yeah, this is my boyfriend, Barry.

-[man] Oh, hi.

1218

01:31:04,880 --> 01:31:06,506

-Barry.

-Good to meet you.

1219

01:31:06,590 --> 01:31:09,300

-Barry, this is Donna.

-Barry.

1220

01:31:09,383 --> 01:31:11,302

-Ted.

-Barry.

1221

01:31:11,385 --> 01:31:12,970

-And Emily.

-Pleasure.

1222

01:31:13,722 --> 01:31:17,183

-Oh, and this is my cousin, Melissa.

-Barry.

1223

01:31:18,142 --> 01:31:19,310

Hey.

1224

01:31:20,227 --> 01:31:23,439

Barry, there's someone

I'm dying to introduce you to.

1225

01:31:23,523 --> 01:31:25,274

-Just when I thought I'd met everyone.

-Hmm.

1226

01:31:40,372 --> 01:31:43,710

Barry, meet James and Grace Lee.

1227

01:31:43,793 --> 01:31:47,296

Two of the most brilliant,
committed writers and activists

1228

01:31:47,379 --> 01:31:49,883

-I have ever had the pleasure to know.

-Well, I'm honored to meet you.

1229

01:31:50,675 --> 01:31:54,679

Grace Lee tried to convince Malcolm X
to run for Senate in '64.

1230

01:31:54,763 --> 01:31:57,139

-It almost worked, too.

-[Barry] Wow.

1231

01:31:57,807 --> 01:32:00,727

I thought you might want to meet them.

Especially because of your parents.

1232

01:32:05,524 --> 01:32:06,650

[James] Have a seat, Barry.

1233

01:32:09,945 --> 01:32:11,153

Are your parents in the movement?

1234

01:32:11,237 --> 01:32:13,239

Uh, no. Not really.

1235

01:32:13,781 --> 01:32:17,409

They're, uh, different races.

I'm guessing that's what Kathy meant.

1236

01:32:18,410 --> 01:32:20,412

Ah, I see.

1237

01:32:21,455 --> 01:32:26,502

[stammers] My mom's from Kansas,
and my dad's from Kenya.

1238

01:32:28,755 --> 01:32:30,549

I've only met him once, though.

1239

01:32:31,758 --> 01:32:34,176

I grew up in Jakarta and Honolulu,

1240

01:32:34,260 --> 01:32:38,765

and spent a little time in California,
then, well, I ended up here.

1241

01:32:40,057 --> 01:32:41,308

That's some kinda gumbo.

1242

01:32:41,392 --> 01:32:43,728

[James and Grace Lee chuckle]

1243

01:32:44,771 --> 01:32:46,188

You know what that makes you,
young brother?

1244

01:32:47,231 --> 01:32:49,734

No, sir. [stammers] I don't.

1245

01:32:49,817 --> 01:32:51,944

I really, really don't.

1246

01:32:53,279 --> 01:32:57,116

It makes you American.

And you don't ever have to choose.

1247

01:33:03,205 --> 01:33:08,085

You know, I see you both
sitting here together, in love.

1248

01:33:08,210 --> 01:33:09,086

[chuckles]

1249

01:33:09,169 --> 01:33:11,171

-Yes, sir.

-And full of wisdom.

1250

01:33:11,672 --> 01:33:13,549

And I can't help but think that...

1251

01:33:14,258 --> 01:33:16,302

the two of you must have been
through all kinds of hell together.

1252

01:33:16,385 --> 01:33:20,556

Doing what you've done.

And looking how you look.

1253

01:33:20,640 --> 01:33:23,434

You take the baton

from the ones who've come before,

1254

01:33:23,517 --> 01:33:25,769

and you carry it as far as you can.

1255

01:33:26,228 --> 01:33:27,605

And then you hand it off.

1256

01:33:28,939 --> 01:33:31,442

That's life. A beautiful struggle.

1257

01:33:33,360 --> 01:33:35,279

[Nina Simone's "I Will Be Released"
playing]

1258

01:33:54,214 --> 01:33:55,257

Hey.

1259

01:33:58,094 --> 01:33:59,303

Dance with me.

1260

01:36:57,648 --> 01:36:58,732

[Barry] "Dear Dad,

1261

01:37:00,068 --> 01:37:02,862

I am sorry it has taken me so long
to write you back.

1262

01:37:04,363 --> 01:37:06,950

I have thought of you
and your invitation to visit every day.

1263

01:37:07,909 --> 01:37:10,744

Sometimes I feel
that there's a part of me I do not know,

1264

01:37:12,663 --> 01:37:14,249

and when I am feeling optimistic,

1265

01:37:14,331 --> 01:37:16,918

I find myself believing that you hold
the answers I am looking for.

1266

01:37:19,086 --> 01:37:21,839

My journey so far has not been

as dramatic as yours,

1267

01:37:22,256 --> 01:37:25,509

but I'd like to think I can imagine
what you felt when you arrived in Hawaii.

1268

01:37:26,261 --> 01:37:28,637

Perhaps even what you felt
when you met Mom.

1269

01:37:30,556 --> 01:37:34,393

I suppose I have spent these last months
in New York trying to find my way.

1270

01:37:34,768 --> 01:37:36,770

Maybe that is all any of us do.

1271

01:37:38,438 --> 01:37:40,649

I look forward to discussing
these things with you, Dad.

1272

01:37:41,942 --> 01:37:43,986

It is high time we got to know each other.

1273

01:37:45,821 --> 01:37:48,615

Love, Barack."

1274

01:38:59,436 --> 01:39:00,312

Hey.

1275

01:39:02,356 --> 01:39:03,065

You wanna play Horse?

1276

01:39:03,565 --> 01:39:05,734

-Sure.

-You can shoot first.

1277

01:39:09,238 --> 01:39:10,697

Oh, okay.

1278

01:39:12,532 --> 01:39:14,284

Woo! Nice one.

1279

01:39:23,961 --> 01:39:24,711

I got an H.

1280

01:39:27,340 --> 01:39:29,425

-Right here.

-Okay. [laughs]

1281

01:39:33,053 --> 01:39:36,306

Pretty good. Good. Guess I'm up.

1282

01:39:40,394 --> 01:39:41,436

Where you from?

1283

01:39:42,146 --> 01:39:46,858

-Riverside. How 'bout you?

-I'm from a lot of places.

1284

01:39:46,942 --> 01:39:49,486

But I... I live here now.

1285

01:39:52,073 --> 01:39:54,700

[T.L. Barrett and the Youth

for Christ Choir "Nobody Knows" playing]
