00:14:02,402 --> 00:14:05,338

that she needs one who's
borderline certifiable.

183

00:14:06,840 --> 00:14:08,441

It's not that bad.

184

00:14:08,474 --> 00:14:11,444

- How many exits?

- Exits?

185

00:14:11,477 --> 00:14:13,346

In this building.

How many exits?

186

00:14:13,379 --> 00:14:14,948

Girl 1: What is it? What is it?

187

00:14:14,982 --> 00:14:16,549

[gasps]

188

00:14:16,582 --> 00:14:18,952

[giggling]

189

00:14:18,986 --> 00:14:20,453

[camera shutter clicks]

190

00:14:23,456 --> 00:14:25,358

She makes rounds...

checking to see

191

00:14:25,391 --> 00:14:26,860

that all the doors in the house
are locked.

192

00:14:26,894 --> 00:14:28,294

Good.

193

00:14:28,327 --> 00:14:30,697

Every hour, on the hour.

194

00:14:30,730 --> 00:14:32,298

Could be hereditary.

195

00:14:32,331 --> 00:14:34,400

Maybe, or she could be
learning it from you.

196

00:14:34,434 --> 00:14:35,903

You know,
first it's the locks.

197

00:14:35,936 --> 00:14:38,638

Next it will be the windows,
the gas stove, the electricity,

198

00:14:38,671 --> 00:14:40,673

and before you know it, she's
going to be asking for a Beretta

199

00:14:40,707 --> 00:14:42,308

for her tenth birthday.

200

00:14:42,341 --> 00:14:44,945

That's too young
by a couple of years.

201

00:14:44,978 --> 00:14:46,813

Look, I'm handling it.

202

00:14:46,847 --> 00:14:49,248

It's under control.

203

00:14:49,282 --> 00:14:51,784

And besides,

a little paranoia's healthy.

204

00:14:51,818 --> 00:14:54,587

You never know

what nutcases are out there.

205

00:14:54,620 --> 00:14:56,990

I'm just giving her the tools

to protect herself.

206

00:14:57,024 --> 00:14:58,691

That's where you're wrong.

207

00:14:58,725 --> 00:15:00,626

You think that it's all about
protecting her?

208

00:15:00,660 --> 00:15:02,361

In reality,
you might be the one

209

00:15:02,395 --> 00:15:04,363

who turns her
into a crazy person.

210

00:15:06,066 --> 00:15:08,234

Three. Or five.

211

00:15:09,635 --> 00:15:12,940

Front entrance.
Fire exit on the right.

212

00:15:12,973 --> 00:15:14,908

Loading dock in the back.

213

00:15:14,942 --> 00:15:18,311

Two more, if you count
the windows in the bathrooms.

214

00:15:20,379 --> 00:15:23,016

Look, I wasn't a
great husband or father

215

00:15:23,050 --> 00:15:25,284

and I can't unwind that.

216

00:15:25,318 --> 00:15:26,753

But if you give me the chance,

217

00:15:26,786 --> 00:15:29,388

I'd like to be the best
grandfather I can be.

218

00:15:30,556 --> 00:15:33,392

This for Natalie, or you?

219

00:15:33,426 --> 00:15:35,528

[indistinct chatter]

220

00:15:37,064 --> 00:15:40,000

Thank you, gramps. I love it!

221

00:15:40,033 --> 00:15:42,069

You're welcome, sweetie.

222

00:15:42,102 --> 00:15:43,302

[crackling]

223

00:15:43,336 --> 00:15:44,838

[screaming]

224

00:15:44,872 --> 00:15:45,839

Oh.

225

00:15:52,345 --> 00:15:54,047

[indistinct chatter]

226

00:15:54,081 --> 00:15:56,649

Washington News Cycle.

227

00:16:02,421 --> 00:16:03,823

[indistinct chatter]

228

00:16:12,732 --> 00:16:14,935

Pass.

229

00:16:14,968 --> 00:16:17,603

- Pass!

- Drew.

230

00:16:17,637 --> 00:16:20,974

Yeah, Sofia Flores' death
is a tragedy.

231

00:16:21,008 --> 00:16:22,608

No one's arguing that.

232

00:16:22,642 --> 00:16:24,677

But to call out Metro PD
as criminal

233

00:16:24,710 --> 00:16:26,947

for not naming a suspect

or divulging evidence,

234

00:16:26,980 --> 00:16:28,548

that's not news.

235

00:16:28,581 --> 00:16:30,117

That's them doing their job.

236

00:16:30,150 --> 00:16:31,818

I've been writing about her
for over a year

237

00:16:31,852 --> 00:16:33,686

because she was the voice
of her generation

238

00:16:33,719 --> 00:16:35,822

spearheading a movement
for real change,

239

00:16:35,856 --> 00:16:38,758

and in return, was mowed down
in a hit-and-run.

240

00:16:38,791 --> 00:16:41,128

There's no reason to believe
it was anything other than

241

00:16:41,161 --> 00:16:44,430

wrong time, wrong place,
bad luck.

242

00:16:44,463 --> 00:16:46,099

No. No, no, no, no, no!

243

00:16:46,133 --> 00:16:49,402

Oh! God.

244

00:16:49,435 --> 00:16:50,904

That's gonna cost me a few quid.

245

00:16:50,938 --> 00:16:52,438

The SUV had no plates.

246

00:16:52,471 --> 00:16:54,074

The rideshare driver
was using a fake name.

247

00:16:54,107 --> 00:16:55,876

That's sketchy.

248

00:16:58,411 --> 00:17:00,746

Okay, so the SUV
was probably new.

249

00:17:00,780 --> 00:17:02,582

And I don't know,
the rideshare guy

250

00:17:02,615 --> 00:17:03,716

was an illegal immigrant
who couldn't use his real name.

251

00:17:03,749 --> 00:17:04,952

Who's to say?

252

00:17:04,985 --> 00:17:06,887

If we don't post something

and make it news,

253

00:17:06,920 --> 00:17:09,422

it'll be like it never happened.

254

00:17:09,455 --> 00:17:11,124

That may be true.

255

00:17:11,158 --> 00:17:12,860

What you wrote isn't.

256

00:17:13,927 --> 00:17:16,129

Look, I appreciate your
enthusiasm for the movement,

257

00:17:16,163 --> 00:17:17,597

I really do.

258

00:17:17,630 --> 00:17:20,133

But news stories
are based on facts.

259

00:17:20,167 --> 00:17:21,835

Find them first

260

00:17:21,869 --> 00:17:23,436

then write your story.

261

00:17:25,438 --> 00:17:26,572

[sighs]

262

00:17:27,074 --> 00:17:29,508

[shuddering]

263

00:17:29,542 --> 00:17:31,777

[breathing heavily]

264

00:17:34,513 --> 00:17:36,950

[dramatic music]

265

00:18:00,040 --> 00:18:01,540

[knocking on window]

266

00:18:07,247 --> 00:18:09,983

Man 2: Hey, buddy,
you can't park here.

267

00:18:10,017 --> 00:18:11,817

Dusty: Okay.

268

00:18:11,852 --> 00:18:13,854

Yeah, yeah...

269

00:18:13,887 --> 00:18:15,721

I... I'll move it.

270

00:18:17,991 --> 00:18:19,927

Gun! Put your hands up!

271

00:18:19,960 --> 00:18:20,861

Look, I can explain.

272

00:18:20,894 --> 00:18:23,897

Show 'em!

Put your hands out the window!

273

00:18:23,931 --> 00:18:25,698

Step out of the vehicle.

274

00:18:27,733 --> 00:18:29,602

Put your hands on your head.

275

00:18:31,504 --> 00:18:33,840

Do not move.

276

00:18:34,975 --> 00:18:37,610

[dramatic music]

277

00:18:39,812 --> 00:18:41,114

[grunting]

278

00:18:41,148 --> 00:18:44,450

[intense music]

279

00:19:00,968 --> 00:19:02,668

[crackling]

280

00:19:07,107 --> 00:19:08,808

Freeze, asshole!

281

00:19:13,779 --> 00:19:15,748

Travis: You keep up
this routine,

282

00:19:15,781 --> 00:19:18,651

there's no way
you're walking out of here.

283

00:19:23,756 --> 00:19:26,159

I'm here to help,
but to do that properly,

284

00:19:26,193 --> 00:19:29,129

I need more information.

285

00:19:29,162 --> 00:19:31,731

What were you planning on doing?

286

00:19:37,137 --> 00:19:40,606

The police found booze, pills
and a handgun in your vehicle.

287

00:19:41,741 --> 00:19:45,278

Were you thinking of putting
a round in your brainpan?

288

00:19:45,312 --> 00:19:46,313

No.

289

00:19:46,346 --> 00:19:47,881

Maybe you had a score to settle.

290

00:19:47,914 --> 00:19:49,216

Were you there to kill someone?

291

00:19:49,249 --> 00:19:50,951

- No.

- Rob a jewelry store?

292

00:19:50,984 --> 00:19:52,618

Look, I wasn't gonna do anything
with the gun.

293

00:19:52,651 --> 00:19:54,121

I was keeping it in the car.

294

00:19:54,154 --> 00:19:55,288

On the passenger seat?

295

00:19:55,322 --> 00:19:57,224

I wasn't thinking straight,
okay?

296

00:19:57,257 --> 00:19:59,558

Are you now?

297

00:20:02,661 --> 00:20:04,764

[door buzzes]

298

00:20:04,797 --> 00:20:07,533

Alright, Dusty. My time's up.

299

00:20:09,069 --> 00:20:12,839

You're welcome to stay, or we
can stroll out of here together.

300

00:20:14,074 --> 00:20:16,742

But to do that,
you'll need to level with me.

301

00:20:18,145 --> 00:20:20,080

What were you doing?

302

00:20:25,352 --> 00:20:28,055

I was going to talk
to a reporter.

303

00:20:28,088 --> 00:20:31,024

[mellow music]

304

00:20:37,696 --> 00:20:39,066

Sign here for Dusty Crane.

305

00:20:39,099 --> 00:20:43,103

Mike, uh, let's just say
this one was never here, yeah?

306

00:20:47,941 --> 00:20:49,109

Thanks.

307

00:20:54,114 --> 00:20:57,817

- Where to, boss?

- A nice, quiet secure place.

308

00:20:57,851 --> 00:20:59,219

Where I get reprogrammed?

309

00:20:59,252 --> 00:21:03,123

Where you can screw your
priorities back on straight.

310

00:21:03,156 --> 00:21:05,791

And after that they'll assign me
to some small town field office

311

00:21:05,826 --> 00:21:06,960

where they can keep an eye on me

312

00:21:06,993 --> 00:21:08,727

while my soul slowly dies,
right?

313

00:21:08,761 --> 00:21:10,197

Or you work through this
speed bump

314

00:21:10,230 --> 00:21:14,134

in order to salvage what's left
of your promising career.

315

00:21:14,167 --> 00:21:15,768

I like you, Dusty.

316

00:21:15,801 --> 00:21:17,971

I like your passion. I like your
commitment to the job.

317

00:21:18,004 --> 00:21:19,906

But you were on the verge of
making a bad choice.

318

00:21:19,940 --> 00:21:21,842

No, it wasn't a bad choice,
it was the right choice.

319

00:21:21,875 --> 00:21:23,776

Wrong. You took an oath.

320

00:21:23,809 --> 00:21:25,711

You need to honor that.

321

00:21:25,744 --> 00:21:26,880

Listen, work with me

322

00:21:26,913 --> 00:21:28,148

and I'll spin it with Robinson

323

00:21:28,181 --> 00:21:29,648

as best I can.

324

00:21:29,682 --> 00:21:30,851

Get you back on track.

325

00:21:30,884 --> 00:21:32,252

Oh, you don't get it, Block.

326

00:21:32,285 --> 00:21:33,987

It's gone too far.

327

00:21:34,020 --> 00:21:35,788

We're crossing lines that should
never be crossed.

328

00:21:35,821 --> 00:21:37,823

Guys like you and me,
we don't decide

329

00:21:37,858 --> 00:21:39,292

where those lines are drawn.

330

00:21:39,326 --> 00:21:42,195

The only thing you need to know
is whose orders you follow.

331

00:21:44,197 --> 00:21:46,867

Your loyalties lie
on the wrong side of the future.

332

00:21:46,900 --> 00:21:49,136

I don't expect everyone
to cope with the mind games

333

00:21:49,169 --> 00:21:51,204

that come with
deep undercover work.

334

00:21:51,238 --> 00:21:53,140

Once you're in it,
it's hard to tell

335

00:21:53,173 --> 00:21:56,209

which way is up, down,
right, wrong.

336

00:21:56,243 --> 00:21:57,844

But you're an intelligent guy

337

00:21:57,878 --> 00:21:59,980

and I do expect you
to cope with it.

338

00:22:01,948 --> 00:22:03,950

You do whatever you gotta do
to me.

339

00:22:03,984 --> 00:22:06,286

I'm not playing
by the Bureau's rules anymore.

340

00:22:06,319 --> 00:22:08,021

We'll see about that.

341

00:22:11,458 --> 00:22:14,760

Oh, shit, shit, shit!

342

00:22:23,069 --> 00:22:25,205

This where my
re-education begins?

343

00:22:27,740 --> 00:22:29,042

Wrist.

344

00:22:37,217 --> 00:22:38,717

[sighs]

345

00:22:38,751 --> 00:22:41,488

- Grandpa!

- Hey, sweetie.

346

00:22:41,521 --> 00:22:44,291

Oh, I'm sorry I'm late.

347

00:22:44,324 --> 00:22:45,892

I needed that hug.

348

00:22:45,926 --> 00:22:48,794

It's okay.

I know you have to work.

349

00:22:48,828 --> 00:22:52,465

Yeah. Um, you here

all by yourself?

350

00:22:52,499 --> 00:22:54,467

Well, not anymore.

351

00:22:54,501 --> 00:22:56,069

Ready to go?

It's our night.

352

00:22:56,102 --> 00:22:58,804

But when you didn't

answer your phone,

353

00:22:58,838 --> 00:23:02,242

Miss Lewis called mommy

at the hospital.

354

00:23:02,275 --> 00:23:06,179

So now I'm supposed to sit tight

and wait for her.

355

00:23:06,213 --> 00:23:08,215

Oh, I see.

356

00:23:08,248 --> 00:23:11,918

But that doesn't mean

you can't stay here with me.

357

00:23:12,986 --> 00:23:17,123

Uh... it certainly doesn't.

358

00:23:17,157 --> 00:23:19,125

[dramatic music]

359

00:23:23,129 --> 00:23:25,198

Dusty: Hey, kid!

360

00:23:25,232 --> 00:23:26,866

Come here.

361

00:23:27,534 --> 00:23:29,236

You a criminal?

362

00:23:29,269 --> 00:23:32,072

If it's... if it's a crime to

speak the truth, buddy,

363

00:23:32,105 --> 00:23:33,340

then, yes, I am.

364

00:23:35,208 --> 00:23:37,210

Uh, hey, no,

I wouldn't do that.

365

00:23:40,347 --> 00:23:43,083

I like those buttons, though.

Can I see one of those?

366

00:23:43,116 --> 00:23:45,784

Travis: Looks like a fun picnic.

367

00:23:45,818 --> 00:23:46,953

Who are these two?

368

00:23:46,987 --> 00:23:49,222

This is me, and that's mommy.

369

00:23:49,256 --> 00:23:52,092

Of course, which means
that must be me.

370

00:23:52,125 --> 00:23:55,962

No, you silly bean.

That's a stranger.

371

00:24:00,500 --> 00:24:02,869

What, what's a stranger doing?

372

00:24:02,902 --> 00:24:04,504

Watching us.

373

00:24:04,537 --> 00:24:06,106

Watching you? Why?

374

00:24:06,139 --> 00:24:07,407

Has someone been watching you?

375

00:24:07,440 --> 00:24:08,842

I don't know.

376

00:24:08,875 --> 00:24:10,877

I need you to know.

377

00:24:15,181 --> 00:24:17,117

I'm sorry, Natalie. It's okay.

378

00:24:17,150 --> 00:24:19,419

It's just very important for you
always to be aware,

379

00:24:19,452 --> 00:24:20,887

like I've taught you.

380

00:24:20,920 --> 00:24:22,289

But I am.

381

00:24:22,322 --> 00:24:24,157

And tell me if anyone

382

00:24:24,190 --> 00:24:26,593

strange comes up to you,
approaches you.

383

00:24:26,626 --> 00:24:28,428

Okay, I will.

384

00:24:28,461 --> 00:24:29,963

Good girl. Thank you.

385

00:24:29,996 --> 00:24:32,232

Are bad guys gonna hurt you?

386

00:24:32,265 --> 00:24:33,967

Hurt me? Nah.

387

00:24:34,000 --> 00:24:35,268

Why would you think that?

388

00:24:35,302 --> 00:24:38,138

Because mommy says
your job is dangerous.

389

00:24:38,171 --> 00:24:41,374

[scoffs] Don't worry.

She exaggerates.

390

00:24:41,408 --> 00:24:43,109

It's not that dangerous.

391

00:24:43,143 --> 00:24:47,047

Nothing's gonna happen to me,
or you.

392

00:24:47,080 --> 00:24:49,149

- Or mommy?

- Or mommy.

393

00:24:50,984 --> 00:24:53,320

Natalie: Mommy!

394

00:24:53,353 --> 00:24:55,955

Hi, sweetie. Grandpa.

395

00:25:00,994 --> 00:25:04,097

[dramatic music]

396

00:25:09,102 --> 00:25:11,471

Dusty! Don't do this!

397

00:25:11,504 --> 00:25:14,441

[music continues]

398

00:25:17,010 --> 00:25:18,345

I think you have an admirer.

399

00:25:18,378 --> 00:25:20,447

Does he live in a castle
and have a heart of gold?

400

00:25:20,480 --> 00:25:21,915

He's on line three.

401

00:25:21,948 --> 00:25:23,550

Says your last few articles
on Sofia Flores

402

00:25:23,583 --> 00:25:25,018

were inspirational.

403

00:25:25,051 --> 00:25:26,252

Was Prince Charming
slurring his words?

404

00:25:26,286 --> 00:25:27,887

Claims he can guarantee you
a story

405

00:25:27,921 --> 00:25:31,091
worthy of a dozen
clickbait headlines.

406

00:25:31,124 --> 00:25:33,226
- Mira: Just tell me what it is.
- No.

407

00:25:33,259 --> 00:25:35,228
No, it's too dangerous
to do over the phone.

408

00:25:35,261 --> 00:25:37,130
They're listening.
They're always listening.

409

00:25:39,566 --> 00:25:41,468
I'm gonna come to you,
we'll find some place quiet

410

00:25:41,501 --> 00:25:43,203

to talk about it.

411

00:25:47,407 --> 00:25:49,609

- Mira: When?

- How about five minutes?

412

00:25:49,642 --> 00:25:52,312

[horns blaring]

413

00:25:52,345 --> 00:25:54,280

[intense music]

414

00:25:57,484 --> 00:25:59,519

[engine revving]

415

00:25:59,552 --> 00:26:01,888

[tires screeching]

416

00:26:13,133 --> 00:26:14,667

[woman screaming]

417

00:26:14,701 --> 00:26:16,536

Move! Move! Get out of the way!

418

00:26:16,569 --> 00:26:17,904

Woman 1: No!

419

00:26:21,207 --> 00:26:23,209

- Look out!

- Move!

420

00:26:37,724 --> 00:26:39,125

What the hell are you doing?

421

00:26:39,159 --> 00:26:41,027

I'm going to free my conscience!

422

00:26:41,060 --> 00:26:43,129

Watch out!

423

00:26:43,163 --> 00:26:44,464

[tires screeching]

424

00:26:46,599 --> 00:26:49,936

[music continues]

425

00:27:01,681 --> 00:27:03,983

[tires screeching]

426

00:27:15,495 --> 00:27:17,163

[crashing]

427

00:27:32,345 --> 00:27:34,280

- Get out of the way! Move!

- Hey!

428

00:27:34,314 --> 00:27:35,515

Stop!

429

00:27:38,818 --> 00:27:42,121

[music continues]

430

00:27:52,499 --> 00:27:54,434

[horn honking]

431

00:28:00,473 --> 00:28:02,408

No, no, no, no, no!

432

00:28:11,684 --> 00:28:13,620

[tires screeching]

433

00:28:19,759 --> 00:28:21,361

[coughs]

434

00:28:24,631 --> 00:28:26,566

[dramatic music]

435

00:28:41,180 --> 00:28:44,284

[intense music]

436

00:28:51,524 --> 00:28:52,592

[tires screeching]

437

00:28:55,194 --> 00:28:56,563

- Are you Mira?

- Yeah, you are?

438

00:28:56,596 --> 00:28:58,565

Being followed.

Let's go somewhere private.

439

00:28:58,598 --> 00:29:01,134

Wait! What exactly is this

all about?

440

00:29:01,167 --> 00:29:02,535

Look, this is really important.

441

00:29:02,569 --> 00:29:04,370

We're gonna have to do this

another time, okay?

442

00:29:04,404 --> 00:29:05,772

No, wait!

443

00:29:05,805 --> 00:29:09,108

[music continues]

444

00:29:35,668 --> 00:29:37,637

[dog barking in distance]

445

00:29:39,339 --> 00:29:40,506

Gabriel: The last person
on the planet

446

00:29:40,540 --> 00:29:43,643

I need talking to the
press is Crane.

447

00:29:43,676 --> 00:29:46,412

He should be
in a secure mental facility.

448

00:29:48,815 --> 00:29:50,750

Natalie's school?

449

00:29:50,783 --> 00:29:53,219

What the hell were you thinking?

450

00:29:53,252 --> 00:29:55,355

I'm sorry, I wasn't thinking.

451

00:29:55,388 --> 00:29:57,790

Bad timing. Poor judgement.

452

00:29:57,824 --> 00:29:59,492

He say anything to you?

453

00:29:59,525 --> 00:30:02,729

He was having a moral code
moment.

454

00:30:02,762 --> 00:30:04,464

Said we were crossing the line.

455

00:30:04,497 --> 00:30:07,901

Must feel nice to be that naive.

456

00:30:07,935 --> 00:30:09,235

Is that all?

457

00:30:09,268 --> 00:30:10,670

Just that he's done following

458

00:30:10,703 --> 00:30:11,905

the Bureau's rules,

459

00:30:11,939 --> 00:30:15,909

and based on his little

truck stunt...

460

00:30:15,943 --> 00:30:17,377

I tend to believe him.

461

00:30:17,410 --> 00:30:19,512

He's a live grenade.

462

00:30:19,545 --> 00:30:21,247

This one makes it

to the front page,

463

00:30:21,280 --> 00:30:22,950

I'm gonna catch heat

from every direction.

464

00:30:22,983 --> 00:30:25,685

Stupid thing!

465

00:30:25,718 --> 00:30:29,522

I haven't properly worn one of these since Margaret passed.

466

00:30:29,555 --> 00:30:32,926

- Yeah, she had a gift.

- That she did.

467

00:30:32,960 --> 00:30:35,361

Bless her soul.

468

00:30:35,395 --> 00:30:39,499

Letting Crane slip through your fingers, not like you.

469

00:30:41,701 --> 00:30:43,336

Are you alright?

470

00:30:43,369 --> 00:30:45,873

Yeah, I've just been feeling a bit distracted.

471

00:30:45,906 --> 00:30:48,876

Gabriel: Well, no need to
hold it in with me, buddy.

472

00:30:48,909 --> 00:30:50,643

What's the trouble?

473

00:30:50,677 --> 00:30:53,813

I'm trying to spend more time
with Natalie.

474

00:30:53,847 --> 00:30:55,849

Gabriel: And?

475

00:30:55,883 --> 00:30:59,385

At this point, Amanda doesn't
trust me, for good reason.

476

00:30:59,419 --> 00:31:00,954

I need to change that.

477

00:31:00,988 --> 00:31:03,189

Anything I can do to help?

478

00:31:04,858 --> 00:31:06,994

Actually, Gabe...

479

00:31:07,027 --> 00:31:08,962

I've been thinking.

480

00:31:08,996 --> 00:31:11,264

Maybe it's time I hang it up.

481

00:31:11,297 --> 00:31:14,567

No. No, no, no.

482

00:31:14,600 --> 00:31:15,969

Not an option.

483

00:31:16,003 --> 00:31:18,371

The thing is,

it's been over 20 years

484

00:31:18,404 --> 00:31:19,973

of the unpredictable.

485

00:31:20,007 --> 00:31:21,607

Never knowing

when you're gonna call

486

00:31:21,641 --> 00:31:24,011

where you're gonna send me

and for how long.

487

00:31:24,044 --> 00:31:26,379

Which has made relationships
difficult.

488

00:31:26,412 --> 00:31:29,582

And now... Natalie needs
stability in her life,

489

00:31:29,615 --> 00:31:31,350

and I want to be that for her.

490

00:31:31,384 --> 00:31:34,021

I appreciate the importance

of family, God knows.

491

00:31:34,054 --> 00:31:35,588

Look at me.

492

00:31:35,621 --> 00:31:40,493

But what you do is crucial,
important work.

493

00:31:40,526 --> 00:31:42,762

Our people
go to dangerous places,

494

00:31:42,795 --> 00:31:44,731

physically and mentally.

495

00:31:44,764 --> 00:31:46,466

And when they go astray,

496

00:31:46,499 --> 00:31:49,870

I need you to bring them back

497

00:31:49,903 --> 00:31:52,238

before they grow horns.

498

00:31:53,573 --> 00:31:56,342

Saving good agents' souls.

499

00:31:56,375 --> 00:31:58,478

Whatever it takes.

500

00:32:00,948 --> 00:32:02,615

I'll tell you what.

501

00:32:02,648 --> 00:32:05,818

Once Dusty's in a cell

and I have the key,

502

00:32:05,853 --> 00:32:08,488

we'll work out a way

for you to spend more time

503

00:32:08,521 --> 00:32:10,991

with your granddaughter.

504

00:32:11,024 --> 00:32:12,458

Deal?

505

00:32:15,561 --> 00:32:17,965

Out of curiosity,

I pulled our security footage

506

00:32:17,998 --> 00:32:19,732

from when I met this guy.

507

00:32:19,766 --> 00:32:21,300

Uh, do you have a name?

508

00:32:21,334 --> 00:32:22,668

No, but our security guards

recognized him.

509

00:32:22,702 --> 00:32:24,370

It's the same guy

who was arrested

510

00:32:24,403 --> 00:32:26,539

for fighting the cops
across the street.

511

00:32:26,572 --> 00:32:28,909

Your fighter's your runner?

512

00:32:28,942 --> 00:32:31,444

You've looked better.

Did you sleep at all last night?

513

00:32:31,477 --> 00:32:33,446

[scoffs]

Define sleep.

514

00:32:33,479 --> 00:32:35,849

You know you can just
record your stupid games

515

00:32:35,883 --> 00:32:37,750

and watch them later.

516

00:32:37,784 --> 00:32:39,619

That's rather like

jumping to the belly ache

517

00:32:39,652 --> 00:32:41,054

after you've overeaten

without actually

518

00:32:41,088 --> 00:32:43,790

enjoying the cake first.

519

00:32:43,823 --> 00:32:47,360

I checked every police station

within 50 miles of here.

520

00:32:47,393 --> 00:32:50,630

No record of his arrest.

521

00:32:50,663 --> 00:32:52,598

This feels like another

Mira special.

522

00:32:52,632 --> 00:32:54,400

You don't find that strange?

523

00:32:54,433 --> 00:32:55,802

Maybe they just let him go

524

00:32:55,836 --> 00:32:57,670

to avoid another police

brutality charge.

525

00:32:57,703 --> 00:33:00,339

He beat the crap

out of four cops.

526

00:33:03,709 --> 00:33:05,745

Okay. Maybe you're right.

527

00:33:07,948 --> 00:33:09,883

So, what's the headline?

528

00:33:09,917 --> 00:33:13,921

I didn't say I have a draft,

or even an angle. I just...

529

00:33:13,954 --> 00:33:17,690

He contacted me.

He could be a legitimate source.

530

00:33:17,723 --> 00:33:19,725

Or a nutcase

wanting to go viral.

531

00:33:22,495 --> 00:33:24,932

[car engine rumbling]

532

00:33:26,532 --> 00:33:29,635

[mellow music]

533

00:33:55,128 --> 00:33:59,565

So... no bank

or credit card activity?

534

00:34:01,101 --> 00:34:03,436

Okay, what about

under Dusty's alias?

535

00:34:03,469 --> 00:34:06,039

His last known cover was...

536

00:34:06,073 --> 00:34:08,708

Uh-huh. I see.

537

00:34:08,741 --> 00:34:11,611

Well, keep an eye on it,
will ya?

538

00:34:11,644 --> 00:34:12,778

Thanks.

539

00:34:16,950 --> 00:34:19,585

[music continues]

540

00:34:29,129 --> 00:34:33,000

Natalie: *<i>No, you silly bean,
that's a stranger...</i>*

541

00:34:38,205 --> 00:34:40,539

<i>Watching us...</i>

542

00:34:44,845 --> 00:34:47,848

- Amanda: Got him?

- Natalie: Oh, yeah.

543

00:34:47,881 --> 00:34:48,916

Grandpa!

544

00:34:48,949 --> 00:34:51,717

Hey, pumpkin.

Where have you been?

545

00:34:51,751 --> 00:34:53,653

Natalie: At the park,
flying my kite.

546

00:34:53,686 --> 00:34:56,489

Oh, that sounds fun.

You get it high up in the air?

547

00:34:56,522 --> 00:34:59,759

Not really.

I couldn't run fast enough.

548

00:34:59,792 --> 00:35:03,529

- But mommy did.

- Travis: Oh, good job, mommy.

549

00:35:03,562 --> 00:35:05,531

Go inside and wash up
for dinner, please.

550

00:35:05,564 --> 00:35:07,633

Natalie:

Can you stay and eat with us?

551

00:35:07,667 --> 00:35:10,037

We're having homemade pizza.

552

00:35:10,070 --> 00:35:11,972

Oh, I love pizza.

553

00:35:14,007 --> 00:35:15,708

Pizza it is.

554

00:35:17,244 --> 00:35:19,880

Natalie:

That was four times.

555

00:35:19,913 --> 00:35:21,882

Four? Are you sure?

556

00:35:21,915 --> 00:35:25,518

Oh, go again.

One, two, three.

557

00:35:28,788 --> 00:35:30,823

Amanda: What are you doing?

558

00:35:30,857 --> 00:35:33,226

Ah, installing security cameras.

559

00:35:33,260 --> 00:35:34,828

On my house?

560

00:35:34,861 --> 00:35:36,897

For Natalie's safety.

And yours.

561

00:35:36,930 --> 00:35:38,698

I know that I should just say
thank you,

562

00:35:38,731 --> 00:35:41,667
and... some might consider that
very sweet of you,

563

00:35:41,701 --> 00:35:43,236
but you can't do
things like this

564

00:35:43,270 --> 00:35:44,838
without asking my permission.

565

00:35:44,871 --> 00:35:46,505
I was concerned
you would say no.

566

00:35:46,539 --> 00:35:47,908
And you'd probably be right.

567

00:35:47,941 --> 00:35:50,043
She's drawing pictures

of strangers, watching her.

568

00:35:50,077 --> 00:35:53,612

And what do you think is
feeding her growing paranoia?

569

00:35:53,646 --> 00:35:56,984

Okay, okay, I'm sorry.
I should have asked.

570

00:35:57,017 --> 00:36:00,988

And I admit it. I screwed up
on multiple occasions.

571

00:36:01,021 --> 00:36:02,990

But you've got to know,
I'm trying to fix things.

572

00:36:03,023 --> 00:36:05,926

Natalie doesn't need a fixer
like you.

573

00:36:08,328 --> 00:36:10,163

You sound just like your mother.

574

00:36:10,197 --> 00:36:12,598

Before or after she left us?

575

00:36:13,266 --> 00:36:16,569

[mellow music]

576

00:36:18,205 --> 00:36:19,638

I'm worried about you, dad.

577

00:36:19,672 --> 00:36:21,174

There's nothing to worry about.

578

00:36:21,208 --> 00:36:22,675

That's why I'm worried.

579

00:36:22,708 --> 00:36:23,977

Because maybe you can't see it,

580

00:36:24,011 --> 00:36:27,280

but you're not the same dad

that I remember.

581

00:36:27,314 --> 00:36:28,581

You know,

when I was Natalie's age,

582

00:36:28,614 --> 00:36:29,916

your quirks were cute.

583

00:36:29,950 --> 00:36:32,152

Getting my bicycle serviced

every few months.

584

00:36:32,185 --> 00:36:34,754

Waking up at 2:00 and 4:00 a.m.

to make sure all the doors

585

00:36:34,787 --> 00:36:36,156

and windows were still locked,

586

00:36:36,189 --> 00:36:39,292

and getting background checks

on my friends' parents.

587

00:36:39,326 --> 00:36:41,761

Your quirks
aren't quirks anymore.

588

00:36:41,794 --> 00:36:45,966

You need to accept that
and you need to deal with it.

589

00:36:45,999 --> 00:36:47,633

I sometimes wonder

590

00:36:47,666 --> 00:36:49,735

did the disorder change you

591

00:36:49,769 --> 00:36:51,972

or was it your dirty job?

592

00:36:55,674 --> 00:36:58,011

Finish with the cameras.

593

00:36:58,045 --> 00:37:00,914

So please don't do anything else
without asking first.

594

00:37:09,688 --> 00:37:12,826

[ominous music]

595

00:37:14,760 --> 00:37:16,629

Woman 2: Can I get
either of you gentlemen

596

00:37:16,662 --> 00:37:18,098

something to drink?

597

00:37:19,632 --> 00:37:21,734

No thank you, ma'am.

598

00:37:27,174 --> 00:37:29,176

Special Agent Lockhart.

599

00:37:29,209 --> 00:37:30,844

Special Agent Wallace.

600

00:37:30,877 --> 00:37:32,345

- Yes, sir.

- Sir.

601

00:37:32,379 --> 00:37:34,114

Gabriel: Come in.

602

00:37:39,419 --> 00:37:41,720

[indistinct chatter]

603

00:37:46,659 --> 00:37:48,061

[laughter]

604

00:37:57,337 --> 00:37:59,705

[indistinct chatter]

605

00:37:59,738 --> 00:38:01,208

Don't let baggy pants

get to you.

606

00:38:01,241 --> 00:38:04,643

I just can't believe Sarah falls

for his blatant ass-kissing.

607

00:38:04,677 --> 00:38:06,279

She's too smart for that.

608

00:38:06,313 --> 00:38:08,915

My take is, she enjoys it.

609

00:38:08,949 --> 00:38:11,017

Found this on the police wire.

610

00:38:11,051 --> 00:38:13,987

- Is that your guy?

- I think it is.

611

00:38:17,823 --> 00:38:21,394

Not exactly a dream date.

But he is kinda hot.

612

00:38:21,428 --> 00:38:23,130

Wanted by

the DC Police Department.

613

00:38:23,163 --> 00:38:26,032

Considered armed
and mentally unstable.

614

00:38:26,066 --> 00:38:28,835

Hm, I wonder if I should be
curious or scared

615

00:38:28,869 --> 00:38:30,170

about what he wanted to tell me.

616

00:38:30,203 --> 00:38:32,172

Probably both.

617

00:38:34,773 --> 00:38:36,642

"Possession."

618

00:38:38,411 --> 00:38:41,248

"Disturbing the peace.

619

00:38:41,281 --> 00:38:43,216

Assault with a deadly weapon."

620

00:38:45,818 --> 00:38:47,087

[knock on door]

621

00:38:47,120 --> 00:38:49,755

[dog barking]

622

00:38:49,788 --> 00:38:51,790

Shh! Shh! Shh!

623

00:38:57,898 --> 00:38:59,732

Travis: Mira Jones?

624

00:39:01,134 --> 00:39:01,968

Maybe.

625

00:39:02,002 --> 00:39:04,938

I have information
about your story.

626

00:39:04,971 --> 00:39:07,073

The one that ran away.

627

00:39:12,946 --> 00:39:15,748

- Mira: You have a name, Agent?

- Travis: I'm not an agent.

628

00:39:15,781 --> 00:39:18,285

This isn't an interview.

Please, turn it off.

629

00:39:19,986 --> 00:39:22,755

- Who is he?

- You tell me.

630

00:39:22,788 --> 00:39:26,326

- Why were you meeting him?

- Why did you chase him away?

631

00:39:26,359 --> 00:39:28,694

Has he contacted you again?

632

00:39:31,064 --> 00:39:32,365

Listen.

633

00:39:32,399 --> 00:39:34,501

He's wanted on multiple counts.

634

00:39:34,534 --> 00:39:36,136

If you know where he is,

635

00:39:36,169 --> 00:39:38,071

you're an accessory

after the fact.

636

00:39:38,104 --> 00:39:41,074

Oh, well, thank you for

stopping by and informing me.

637

00:39:41,107 --> 00:39:45,078

I think Little Man's finished,

Mr. Not-An-Agent.

638

00:39:45,111 --> 00:39:48,215

The man needs professional help.

He's unbalanced.

639

00:39:48,248 --> 00:39:51,985

Yeah, I read all about
our friend Dusty's problems.

640

00:39:53,119 --> 00:39:54,487

Guess you don't
have a subscription

641

00:39:54,521 --> 00:39:56,156

to the police wire.

642

00:39:56,189 --> 00:39:57,823

He's on the police wire?

643

00:39:57,857 --> 00:39:59,459

Are we done?

644

00:39:59,492 --> 00:40:01,828

I think we're done.

645

00:40:01,861 --> 00:40:03,964

I don't know
what his intentions were

646

00:40:03,997 --> 00:40:06,233

or why he made contact with you.

647

00:40:06,266 --> 00:40:08,101

But let me be clear.

648

00:40:08,134 --> 00:40:11,137

He's not a source for you to
make your fledgling career on.

649

00:40:11,171 --> 00:40:14,007

- Let it go.

- Okay, this is intimidation.

650

00:40:14,040 --> 00:40:17,244

And you know nothing about me
or my fledgling career.

651

00:40:17,277 --> 00:40:20,280

Name "James Van Dorn"
mean anything to you?

652

00:40:22,282 --> 00:40:24,517

No.

653

00:40:24,551 --> 00:40:28,121

Mr. Van Dorn and his wife lived
in a comfortable six-bedroom

654

00:40:28,154 --> 00:40:31,224

brownstone across
from Montrose Park.

655

00:40:31,258 --> 00:40:33,526

Plenty of room for them
and their three kids.

656

00:40:33,560 --> 00:40:35,262

But that wasn't enough for him.

657

00:40:35,295 --> 00:40:37,464

He also had a thing
for his secretary.

658

00:40:37,497 --> 00:40:41,368

He made a mistake, had a
daughter, whom he disowned.

659

00:40:41,401 --> 00:40:45,438

She's... probably about 30 now.

660

00:40:45,472 --> 00:40:46,840

A struggling journalist

661

00:40:46,873 --> 00:40:49,142

who lives in a

shoebox-sized apartment

662

00:40:49,175 --> 00:40:51,011

and writes under a pseudonym

663

00:40:51,044 --> 00:40:54,914

because her father demanded

she spare him the embarrassment.

664

00:40:54,948 --> 00:40:56,149

Get out of my way.

665

00:40:56,182 --> 00:40:59,052

Quoting a source who isn't sane

666

00:40:59,085 --> 00:41:02,989

could get you sued

for libel or fired.

667

00:41:03,023 --> 00:41:06,393

Although, in this case,

I'd say both are probable.

668

00:41:06,426 --> 00:41:07,594

There's no story here.

669

00:41:07,627 --> 00:41:09,329

- Says who?

- Says me.

670

00:41:10,897 --> 00:41:13,033

Okay.

671

00:41:13,066 --> 00:41:14,200

Thanks.

672

00:41:15,568 --> 00:41:18,271

For confirming that

there is a story. Goodnight.

673

00:41:20,040 --> 00:41:24,244

He contacts you, you contact me.

Got it?

674

00:41:24,277 --> 00:41:28,615

Take my word for it.

Don't play news hero.

675

00:41:28,648 --> 00:41:30,216

Don't.

676

00:41:33,420 --> 00:41:36,356

[dramatic music]

677

00:41:46,232 --> 00:41:47,367

[gun cocks]

678

00:41:57,610 --> 00:42:00,213

Dusty, we don't want trouble.

679

00:42:00,246 --> 00:42:01,114

Too late.

680

00:42:01,147 --> 00:42:02,615

Robinson just wants to talk.

681

00:42:02,649 --> 00:42:06,519

Let us take you to him. You two
can work out your differences.

682

00:42:06,553 --> 00:42:07,587

Good plan.

683

00:42:07,620 --> 00:42:09,356

[gunshots]

684

00:42:13,960 --> 00:42:16,396

[intense music]

685

00:42:27,307 --> 00:42:29,976

[gunshots]

686

00:42:40,987 --> 00:42:44,090

[music continues]

687

00:42:48,228 --> 00:42:49,362

[groans]

688

00:43:07,981 --> 00:43:11,117

Mira: The FBI shows up at my
door and tries to intimidate me

689

00:43:11,151 --> 00:43:15,155

because this mentally unstable
guy contacted me?

690

00:43:15,188 --> 00:43:16,990

Maybe he's not
so crazy after all.

691

00:43:17,023 --> 00:43:18,324

You sure he's a Fed?

692

00:43:20,026 --> 00:43:22,262

The whole thing smells
a tad unusual.

693

00:43:23,129 --> 00:43:25,432

Do you... do you want me
to check it out?

694

00:43:25,465 --> 00:43:27,567

No, I got it.

695

00:43:27,600 --> 00:43:29,402

Okay.

696

00:43:29,436 --> 00:43:31,738

But you might want to start
adding some actual detail

697

00:43:31,771 --> 00:43:33,173

because right now,
the only story

698

00:43:33,206 --> 00:43:35,508

you're writing is in your head.

699

00:43:35,542 --> 00:43:38,278

Are you implying that

I'm the crazy one?

700

00:43:39,746 --> 00:43:43,183

No. You're the eager one.

701

00:43:43,216 --> 00:43:46,052

Listen, if there is a story

to be found here,

702

00:43:46,085 --> 00:43:47,454

you'll need to take note

of the obvious

703

00:43:47,487 --> 00:43:50,557

and then scrutinize what the

obvious obscures

704

00:43:50,590 --> 00:43:52,158

like an ultra-violet light

705

00:43:52,192 --> 00:43:55,195

illuminating what the

naked eye can't see.

706

00:43:55,228 --> 00:44:00,233

But if you do find something,

tread lightly.

707

00:44:00,266 --> 00:44:01,501

Pearl: You've got a call.

708

00:44:01,534 --> 00:44:03,203

Just a minute.

709

00:44:03,236 --> 00:44:04,737

It's your secret admirer.

710

00:44:04,771 --> 00:44:07,607

[dramatic music]

711

00:44:07,640 --> 00:44:08,975

This is Mira.

712

00:44:20,153 --> 00:44:22,589

[engine revving]

713

00:44:33,700 --> 00:44:37,003

[music continues]

714

00:44:48,581 --> 00:44:51,217

[indistinct chatter]

715

00:45:01,694 --> 00:45:04,097

[music continues]

716

00:45:06,165 --> 00:45:09,168

Man 3: Government,
even in its best state,

717

00:45:09,202 --> 00:45:12,672

is but a necessary evil.

718

00:45:12,705 --> 00:45:17,243

In its worst state,
it's an intolerable evil.

719

00:45:17,277 --> 00:45:19,312

Now you might think
these words were said

720

00:45:19,345 --> 00:45:22,515

last night on a podcast
or a news program

721

00:45:22,549 --> 00:45:26,486

about today's state of
the world, but you'd be wrong.

722

00:45:26,519 --> 00:45:31,591

Those words were written by
Thomas Paine in 1776.

723

00:45:32,525 --> 00:45:35,328

[indistinct chatter]

724

00:45:40,199 --> 00:45:42,635

[intense music]

725

00:45:53,613 --> 00:45:55,815

Move! Go, go, go!

726

00:45:55,849 --> 00:45:57,550

Hey!

727

00:46:03,723 --> 00:46:04,757

[woman screams]

728

00:46:04,791 --> 00:46:08,094

[music continues]

729

00:46:09,897 --> 00:46:12,866

[indistinct radio chatter]

730

00:46:12,900 --> 00:46:14,300

We got him.

731

00:46:14,334 --> 00:46:16,202

Sir, you need to slow down.

732

00:46:16,235 --> 00:46:17,604

I promise you,
this is a bad idea.

733

00:46:17,637 --> 00:46:18,605

[grunts]

734

00:46:18,638 --> 00:46:19,639

[groans]

735

00:46:22,642 --> 00:46:25,278

[grunting]

736

00:46:30,918 --> 00:46:32,886

[groans]

737

00:46:32,920 --> 00:46:36,189

[music continues]

738

00:46:52,438 --> 00:46:53,606

[grunts]

739

00:46:54,440 --> 00:46:55,642

Travis: Enough, Dusty!

740

00:46:55,675 --> 00:46:57,276

[groans]

741

00:47:01,681 --> 00:47:03,383

[grunts]

742

00:47:03,416 --> 00:47:06,386

[breathing heavily]

743

00:47:06,419 --> 00:47:09,188

- Time to come in.

- Just like that?

744

00:47:09,222 --> 00:47:10,623

After you sent those two

shitheads to kill me?

745

00:47:10,657 --> 00:47:13,593

What? I didn't send anyone
to do anything to you.

746

00:47:13,626 --> 00:47:16,562

[grunting]

747

00:47:18,297 --> 00:47:19,632

What shitheads?

748

00:47:20,800 --> 00:47:22,669

You can't bullshit me!

749

00:47:22,702 --> 00:47:25,304

[grunting]

750

00:47:36,582 --> 00:47:37,684

[groans]

751

00:47:44,290 --> 00:47:45,959

You're slipping.

752

00:47:45,993 --> 00:47:47,961

You're losing your edge.

753

00:47:47,995 --> 00:47:50,229

It's not too late.

754

00:47:50,263 --> 00:47:52,732

I can help you come back with
dignity. Get your life back.

755

00:47:52,765 --> 00:47:54,534

I'm done with that life.

756

00:47:54,567 --> 00:47:56,302

You can't run far enough.

757

00:47:56,335 --> 00:47:59,439

They'll find you,
cut you off at the knees.

758

00:47:59,472 --> 00:48:00,908

Whatever you're
telling this journalist,

759

00:48:00,941 --> 00:48:02,375

they'll call it treason.

760

00:48:02,408 --> 00:48:04,444

- That's 30 to life.

- I can live with that.

761

00:48:04,477 --> 00:48:07,547

No. You're not
thinking straight.

762

00:48:07,580 --> 00:48:10,450

It was all part of the job.

You just got in too deep.

763

00:48:10,483 --> 00:48:11,751

Well, deep enough
to see the truth.

764

00:48:11,784 --> 00:48:13,419

We're killing
innocent civilians.

765

00:48:13,453 --> 00:48:15,588

People that are
trying to make a difference!

766

00:48:15,621 --> 00:48:17,824

- Who's we?
- The Bureau.

767

00:48:17,858 --> 00:48:19,893

And you know this how?

768

00:48:19,927 --> 00:48:22,729

[panting]

769

00:48:22,762 --> 00:48:25,431

Because I was one of the agents
ordered to do the killing.

770

00:48:26,867 --> 00:48:30,236

Innocent civilians?

Under whose orders?

771

00:48:31,771 --> 00:48:33,473

Robinson's.

772

00:48:33,506 --> 00:48:35,608

That's a serious accusation.

773

00:48:38,311 --> 00:48:39,479

I'm going to prove it.

774

00:48:39,512 --> 00:48:41,614

Listen, I wanna hear
all about it.

775

00:48:41,647 --> 00:48:43,316

Dusty. Dusty!

776

00:48:43,349 --> 00:48:44,617

[tires screech]

777

00:48:44,650 --> 00:48:46,319

[gunshots]

778

00:48:46,352 --> 00:48:47,620

[intense music]

779

00:48:47,653 --> 00:48:48,654

Ah!

780

00:48:49,957 --> 00:48:52,592

[gunshots]

781

00:48:55,062 --> 00:48:57,697

[intense music]

782

00:49:12,112 --> 00:49:14,413

[tires screeching]

783

00:49:15,648 --> 00:49:16,716

[gunshot]

784

00:49:25,893 --> 00:49:27,794

What just happened?

785

00:49:30,696 --> 00:49:31,932

Do you know who those men were?

786

00:49:31,965 --> 00:49:33,934

No, do... do you?

787

00:49:33,967 --> 00:49:35,068

What did Dusty say to you?

788

00:49:35,102 --> 00:49:37,838

Uh, he... he was bringing...

789

00:49:37,871 --> 00:49:40,573

Bringing you what?

What was he bringing you?

790

00:49:41,574 --> 00:49:43,676

This is all my fault.

791

00:49:43,709 --> 00:49:46,880

Mira, look at me.

Tell me what it was.

792

00:49:48,849 --> 00:49:49,917

Documents.

793

00:49:49,950 --> 00:49:51,051

What kind of documents?

794

00:49:51,084 --> 00:49:52,585

His orders.

795

00:49:54,121 --> 00:49:55,588

Proof.

796

00:50:05,966 --> 00:50:08,801

[mellow music]

797

00:50:35,494 --> 00:50:36,762

[knocking]

798

00:50:38,664 --> 00:50:40,499

Gabriel:

Something on your mind?

799

00:50:42,169 --> 00:50:45,571

It's a sad day, no doubt.

800

00:50:45,605 --> 00:50:47,174

Well, let's be honest.

801

00:50:47,207 --> 00:50:49,609

The kid had a few
too many loose screws.

802

00:50:49,642 --> 00:50:52,478

Or he had a bright future,
until something...

803

00:50:54,181 --> 00:50:57,483

or someone
pushed him too far.

804

00:50:59,819 --> 00:51:01,855

Still don't know
who those two men were?

805

00:51:01,889 --> 00:51:05,458

No. At this point,
we still don't know.

806

00:51:06,759 --> 00:51:09,196

He was one of the good guys.

807

00:51:09,229 --> 00:51:11,031

He didn't deserve
to die like that.

808

00:51:11,064 --> 00:51:15,202

Well, unfortunately for him,
you got distracted.

809

00:51:15,235 --> 00:51:17,204

If you'd done your job,

810

00:51:17,237 --> 00:51:19,405

we wouldn't be wearing
these suits today.

811

00:51:20,573 --> 00:51:22,876

It's tragic,

but now it's finished.

812

00:51:22,910 --> 00:51:25,645

Let's point our focus back

where it needs to be.

813

00:51:26,947 --> 00:51:28,949

Plenty more souls to save.

814

00:51:30,884 --> 00:51:32,451

Yeah.

815

00:51:36,656 --> 00:51:38,424

[car engine cranks]

816

00:51:47,834 --> 00:51:50,070

Natalie:

What are you watching, grandpa?

817

00:51:50,103 --> 00:51:52,638

Oh, nothing, sweetie.

818

00:51:52,672 --> 00:51:55,808

Hey, you and Lambie
should be in bed.

819

00:51:55,842 --> 00:51:58,045

I can't sleep.

820

00:51:58,078 --> 00:52:00,446

Uh-huh? Come here.

821

00:52:02,082 --> 00:52:03,250

Attagirl.

822

00:52:03,283 --> 00:52:05,551

Thinking about your big play?

823

00:52:05,584 --> 00:52:06,819

Everything okay?

824

00:52:06,853 --> 00:52:09,722

I think I'm worried about you.

825

00:52:09,755 --> 00:52:12,792

Me? You sound like your mother.

826

00:52:12,826 --> 00:52:14,527

There's nothing to worry about.

827

00:52:18,031 --> 00:52:20,233

Well...

828

00:52:20,267 --> 00:52:23,736

You know...

some people live

829

00:52:23,769 --> 00:52:26,840

their entire lives thinking

they're doing the right thing...

830

00:52:28,141 --> 00:52:33,080

even if it means doing

whatever is proper...

831

00:52:34,580 --> 00:52:36,950

to make sure the good guys
always win.

832

00:52:36,984 --> 00:52:42,856

But then, one day
you wake up and realize...

833

00:52:42,889 --> 00:52:45,859

you're not sure who the
good guys are anymore.

834

00:52:46,860 --> 00:52:48,829

Which makes you wonder...

835

00:52:50,763 --> 00:52:52,833

have I been doing
the right thing?

836

00:52:53,900 --> 00:52:55,002

Am I a good guy?

837

00:52:55,035 --> 00:52:56,069

[mellow music]

838

00:52:56,103 --> 00:52:57,570

Grandpa?

839

00:52:58,305 --> 00:53:00,573

Are you a good guy?

840

00:53:04,978 --> 00:53:06,712

I wanna be.

841

00:53:11,151 --> 00:53:14,087

[mellow music]

842

00:53:28,035 --> 00:53:30,669

Drew: You're not doing anywhere
worthwhile here.

843

00:53:31,872 --> 00:53:33,306

Go home.

844

00:53:33,340 --> 00:53:35,075

Take a couple of days.

845

00:53:36,209 --> 00:53:37,643

Mira.

846

00:53:39,980 --> 00:53:41,781

Home. Go.

847

00:53:47,787 --> 00:53:49,923

- Mira.

- Oh, hey.

848

00:53:51,391 --> 00:53:53,060

Are... are you following me?

849

00:53:53,093 --> 00:53:54,194

No.

850

00:53:54,227 --> 00:53:56,662

But I did wanna come see you.

851

00:53:56,695 --> 00:53:58,564

How're you holding up?

852

00:53:59,799 --> 00:54:01,902

- Not so good.

- Yeah.

853

00:54:03,669 --> 00:54:05,972

You, uh, you like whiskey?

854

00:54:08,275 --> 00:54:10,676

This everything Dusty told you?

855

00:54:10,709 --> 00:54:11,978

That's it.

856

00:54:12,946 --> 00:54:15,815

What's this "Operation U?"

857

00:54:15,849 --> 00:54:17,683

Unity. Operation Unity.

858

00:54:17,716 --> 00:54:20,053

Did he say what its mission is?

859

00:54:28,228 --> 00:54:29,963

These are picked up.

860

00:54:32,731 --> 00:54:34,234

Are you being followed?

861

00:54:34,267 --> 00:54:35,801

Maybe.

862

00:54:38,872 --> 00:54:42,708

Long story short, he was a
deep cover agent in Miami.

863

00:54:42,741 --> 00:54:45,946

Got sniffy with the cocaine
he was tracking.

864

00:54:45,979 --> 00:54:48,348

When I found him, he was
in the Everglades,

865

00:54:48,381 --> 00:54:51,017

wrestling an alligator
for sport.

866

00:54:52,385 --> 00:54:53,719

Interesting friend.

867

00:54:53,752 --> 00:54:55,721

Not a friend. Debtor.

868

00:54:55,754 --> 00:54:57,991

- For?

- Saving his life.

869

00:54:59,758 --> 00:55:01,760

How long you been doing that?

870

00:55:02,929 --> 00:55:05,664

Oh, probably too long.

871

00:55:12,339 --> 00:55:14,207

[mellow music]

872

00:55:15,942 --> 00:55:17,676

What's with the three thing?

873

00:55:17,710 --> 00:55:22,883

I have thoughts looping inside
my head, repeating themselves.

874

00:55:22,916 --> 00:55:24,851

If I do something three times,

875

00:55:24,885 --> 00:55:27,254

I can usually
suppress the thought.

876

00:55:27,287 --> 00:55:28,821

Obsessive compulsive.

877

00:55:28,855 --> 00:55:33,726

Sometimes the obsessing makes me
better at what I do.

878

00:55:33,759 --> 00:55:36,163

[chuckling]

Other times...

879

00:55:36,196 --> 00:55:39,199

Other times, I feel like I
should be locked away.

880

00:55:42,335 --> 00:55:43,937

What happened to you?

881

00:55:47,474 --> 00:55:50,776

I... screwed up.

882

00:55:51,845 --> 00:55:55,681

I served one tour in Vietnam.

I wasn't even 20.

883

00:55:56,349 --> 00:55:59,752

April 1975.

884

00:55:59,785 --> 00:56:00,954

It was the night before
we pulled out

885

00:56:00,987 --> 00:56:02,821
all our troops and went home.

886

00:56:04,424 --> 00:56:06,725
I was on patrol duty
with Robinson...

887

00:56:06,759 --> 00:56:08,028
Director of the FBI?

888

00:56:08,061 --> 00:56:11,064
The younger version, yes.

889

00:56:11,097 --> 00:56:14,800
We were talking about everything
we would do when we got home.

890

00:56:14,834 --> 00:56:16,802
Then we turned a corner
into a dark alley,

891

00:56:16,836 --> 00:56:20,473

and there was this man
about to...

892

00:56:20,507 --> 00:56:23,043

rape a local woman.

893

00:56:23,076 --> 00:56:25,045

It was hard to see,
but it was obvious

894

00:56:25,078 --> 00:56:27,214

he was roughing her up
pretty bad.

895

00:56:28,814 --> 00:56:30,951

I called out,
and he turned towards us

896

00:56:30,984 --> 00:56:32,986

with what I thought was a gun.

897

00:56:33,954 --> 00:56:36,990

So... I shot him.

898

00:56:38,124 --> 00:56:39,259

Kill him?

899

00:56:40,393 --> 00:56:41,962

Yeah.

900

00:56:41,995 --> 00:56:43,930

Then what happened?

901

00:56:43,964 --> 00:56:45,465

The woman ran off.

902

00:56:45,498 --> 00:56:47,167

Robinson and I

went up to the guy.

903

00:56:47,200 --> 00:56:50,270

He was face down in a

puddle of his own blood.

904

00:56:51,538 --> 00:56:54,274

The gun was a bottle of whiskey.

905

00:56:54,307 --> 00:56:56,276

Robinson flipped him over.

906

00:56:59,145 --> 00:57:02,015

He was our Commanding Officer.

907

00:57:02,048 --> 00:57:04,351

I panicked.

Robinson didn't.

908

00:57:04,384 --> 00:57:06,819

I can still hear his voice

like it was that night.

909

00:57:06,853 --> 00:57:08,754

"Walk away. Walk away."

910

00:57:10,156 --> 00:57:11,824

So I did.

911

00:57:11,858 --> 00:57:14,961

Robinson joined the FBI,
we lost touch.

912

00:57:14,995 --> 00:57:18,898

Then about 15 years went by,
and the phone rang.

913

00:57:18,932 --> 00:57:20,467

He'd just been promoted.

914

00:57:20,500 --> 00:57:25,272

Asked if I would work directly
for him, off the books.

915

00:57:25,305 --> 00:57:28,008

Said it was his job
to protect the Bureau

916

00:57:28,041 --> 00:57:30,010

and mine to protect its agents.

917

00:57:30,043 --> 00:57:31,378

Off the books,
that gives him

918

00:57:31,411 --> 00:57:33,413

plausible deniability for
anything you did.

919

00:57:33,446 --> 00:57:39,119

In hindsight, I suspect
I made a poor career choice.

920

00:57:39,152 --> 00:57:41,354

When you take orders for a
living, trying to support

921

00:57:41,388 --> 00:57:45,992

a family, you learn not to
question those orders...

922

00:57:46,026 --> 00:57:47,994

regardless of the

moral implications

923

00:57:48,028 --> 00:57:51,931

or how they may affect

other people's lives.

924

00:57:54,200 --> 00:57:56,403

So, other than

intimidating journalists,

925

00:57:56,436 --> 00:57:58,305

what other kind of

bad stuff do you do?

926

00:57:58,338 --> 00:58:01,308

You name it,

I've probably done it.

927

00:58:01,341 --> 00:58:03,076

Like?

928

00:58:03,109 --> 00:58:05,145

Breaking and entering,

extortion.

929

00:58:05,178 --> 00:58:08,048

Occasional physical coercion.

930

00:58:08,081 --> 00:58:09,916

Murder?

931

00:58:09,949 --> 00:58:13,186

That's not on my menu.

932

00:58:16,489 --> 00:58:20,460

And for the record, I changed
my name not for my father

933

00:58:20,493 --> 00:58:23,897

and his family, but out
of respect for my mother.

934

00:58:23,930 --> 00:58:25,632

He fired her three months
after I was born.

935

00:58:25,665 --> 00:58:27,167

She raised me all on her own

936

00:58:27,200 --> 00:58:30,337

and never once asked him

for anything.

937

00:58:30,370 --> 00:58:33,273

When I was old enough,

I changed my name to hers.

938

00:58:33,306 --> 00:58:35,342

I stand corrected.

939

00:58:36,976 --> 00:58:40,613

So, Mr. Block... what now?

940

00:58:40,647 --> 00:58:43,983

[music continues]

941

00:58:49,956 --> 00:58:51,858

[footsteps]

942

00:58:53,326 --> 00:58:54,427

Where did you come from?

943

00:58:54,461 --> 00:58:56,496

What's Operation Unity?

944

00:58:56,529 --> 00:58:59,232

It's nothing that concerns you.

945

00:58:59,265 --> 00:59:01,935

You know, I've always
respected my position

946

00:59:01,968 --> 00:59:06,206

in our arrangement...

but in this case,

947

00:59:06,239 --> 00:59:09,209

I prefer to be the one
who decides what concerns me.

948

00:59:10,410 --> 00:59:12,946

Unity. The truth, Gabe.

949

00:59:12,979 --> 00:59:15,081

It's not your place to know.

950

00:59:15,982 --> 00:59:18,251

Or even ask.

951

00:59:18,284 --> 00:59:21,354

So Dusty was right. You are
killing innocent people.

952

00:59:21,388 --> 00:59:24,991

You're running your own
secret program, Operation Unity.

953

00:59:25,024 --> 00:59:27,894

And when Dusty tried to go
public with it...

954

00:59:29,362 --> 00:59:30,897

you had him killed.

955

00:59:35,568 --> 00:59:37,170

Oh, please.

956

00:59:38,505 --> 00:59:41,341

We are not having this
conversation.

957

00:59:41,374 --> 00:59:43,042

Oh, yes, we are.

958

00:59:43,076 --> 00:59:44,344

You need to come clean, Gabe.

959

00:59:44,377 --> 00:59:47,280

You're confused about
our relationship.

960

00:59:47,313 --> 00:59:51,017

You work for me.
You are my weapon.

961

00:59:51,050 --> 00:59:54,053

After all these years,
that's all I am to you?

962

00:59:54,654 --> 00:59:56,022

Jesus.

963

00:59:56,055 --> 00:59:58,658

Oh, you have a
short memory, Travis.

964

00:59:58,691 --> 01:00:03,029

It was me who plucked you
from your aimless life

965

01:00:03,062 --> 01:00:05,432

and turned you
into something special.

966

01:00:05,465 --> 01:00:08,168

But don't forget, I also have a
detailed record

967

01:00:08,201 --> 01:00:10,537

of every law you've ever broken.

968

01:00:10,570 --> 01:00:13,206

Everything I did was for you!

969

01:00:13,239 --> 01:00:16,543

I would suggest you show me
a little gratitude

970

01:00:16,576 --> 01:00:19,579

if you and your granddaughter
want anything

971

01:00:19,612 --> 01:00:22,015

that resembles a normal life.

972

01:00:22,048 --> 01:00:23,183

Count me out, Gabriel.

973

01:00:23,216 --> 01:00:25,552

Oh, no, no, Travis.

974

01:00:25,585 --> 01:00:26,753

There is no out for you.

975

01:00:26,786 --> 01:00:29,189

[dramatic music]

976

01:00:29,222 --> 01:00:31,524

We are in this to the end.

977

01:00:31,558 --> 01:00:32,759

When does it end?

978

01:00:32,792 --> 01:00:34,994

When I say it does.

979

01:00:35,028 --> 01:00:39,265

No. My end is now. Right now.

980

01:00:45,138 --> 01:00:49,042

Good boy, Little Man. Stay.

981

01:00:49,075 --> 01:00:50,343

[cellphone vibrating]

982

01:00:50,376 --> 01:00:51,511

Stay.

983

01:00:53,746 --> 01:00:55,482

Stay... Uh-uh! Stay.

984

01:00:57,083 --> 01:00:58,451

Okay, get it.

985

01:01:00,687 --> 01:01:02,222

Hey, Pearl, what's news?

986

01:01:02,255 --> 01:01:04,123

Pearl on phone: Your story's
getting some play.

987

01:01:05,525 --> 01:01:07,327

What do you mean?

I didn't write it.

988

01:01:07,360 --> 01:01:09,496

Pearl: Ah, check the site.

989

01:01:09,529 --> 01:01:12,265

[dramatic music]

990

01:01:19,539 --> 01:01:23,209

Needs a bit of polish, but your
word choices are delightful.

991

01:01:23,243 --> 01:01:24,811

Who knew that "dollop"
could be a verb?

992

01:01:24,845 --> 01:01:26,446

- I know. I was just...

- Go!

993

01:01:26,479 --> 01:01:27,780

- I was just in the middle of...

- Go!

994

01:01:27,814 --> 01:01:30,283

- Mira.

- That was my lead.

995

01:01:30,316 --> 01:01:31,651

You've been comatose

and I didn't want

996

01:01:31,684 --> 01:01:33,620

the story to get

scooped up by another outlet.

997

01:01:33,653 --> 01:01:35,121

That's horseshit.

998

01:01:35,154 --> 01:01:36,789

You sent me home

so you could steal my story.

999

01:01:36,823 --> 01:01:39,225

I did not.

1000

01:01:39,259 --> 01:01:41,127

And besides,
you're too close to it.

1001
01:01:41,160 --> 01:01:42,262
Too close?

1002
01:01:42,295 --> 01:01:43,263
The only thing I'm too close to

1003
01:01:43,296 --> 01:01:45,131
is punching you in the face.

1004
01:01:45,164 --> 01:01:46,132
Please don't.

1005
01:01:46,165 --> 01:01:48,101
Stay away from my story.

1006
01:01:49,168 --> 01:01:50,670
Whatever.

1007
01:01:50,703 --> 01:01:52,805

There's no real facts.

1008

01:01:52,840 --> 01:01:54,607

It's hardly even a story.

1009

01:01:57,143 --> 01:01:59,312

Okay, okay, I'm sorry.

1010

01:02:06,319 --> 01:02:08,521

What do you mean,
she's not coming over?

1011

01:02:08,555 --> 01:02:10,423

I'm making dinner
for her right now.

1012

01:02:10,456 --> 01:02:12,358

Amanda on phone: Do you even
know what today was?

1013

01:02:13,861 --> 01:02:15,628

What was today?

1014

01:02:15,662 --> 01:02:18,431

Amanda: Her school play
that you promised you'd come to.

1015

01:02:18,464 --> 01:02:19,666

Shit.

1016

01:02:19,699 --> 01:02:21,501

Amanda: I'm not so sure that I
should let her stay with you

1017

01:02:21,534 --> 01:02:23,169

when you're not even
responsible enough

1018

01:02:23,202 --> 01:02:25,171

to show up for the easy stuff.

1019

01:02:25,204 --> 01:02:27,640

I've... I've had a lot of things
on my mind.

1020

01:02:27,674 --> 01:02:29,475

Amanda: But apparently, Natalie
wasn't one of them.

1021

01:02:29,509 --> 01:02:31,077

[glass shatters]

1022

01:02:32,211 --> 01:02:34,581

Okay, I... I deserve that.

1023

01:02:34,614 --> 01:02:36,282

Amanda: Yeah. You do.

1024

01:02:37,350 --> 01:02:38,886

I'm... I'm coming over.

1025

01:02:38,919 --> 01:02:40,854

Amanda: No.

1026

01:02:40,888 --> 01:02:42,589

I want to apologize to her
personally.

1027

01:02:42,622 --> 01:02:44,324

Amanda: No, you and
your paranoia

1028

01:02:44,357 --> 01:02:46,159

can't get
out of your own way.

1029

01:02:46,192 --> 01:02:47,327

I'm not having you turn
Natalie into an

1030

01:02:47,360 --> 01:02:48,595

insecure, screwed up kid.

1031

01:02:48,628 --> 01:02:50,763

You need to take care
of yourself, dad.

1032

01:02:50,797 --> 01:02:52,632

Wait, Amanda. Amanda!

1033

01:02:52,665 --> 01:02:55,501

[dramatic music]

1034

01:02:57,570 --> 01:02:59,439

Amanda: <i>I'm not having you turn
Natalie into an...</i>

1035

01:02:59,472 --> 01:03:01,441

<i>I'm not having you turn Natalie
into an insecure...</i>

1036

01:03:01,474 --> 01:03:02,775

<i>I'm not having you turn
Natalie into an</i>

1037

01:03:02,809 --> 01:03:05,111

<i>insecure, screwed up kid.</i>

1038

01:03:12,285 --> 01:03:14,721

[music continues]

1039

01:03:18,926 --> 01:03:20,526

[keys jangling]

1040

01:03:29,870 --> 01:03:32,505

[engine revving]

1041

01:03:32,538 --> 01:03:35,208

[line ringing]

1042

01:03:36,476 --> 01:03:37,878

Mira on voicemail:

Hey, you've reached Mira.

1043

01:03:37,911 --> 01:03:39,445

You know what to do.

1044

01:03:39,479 --> 01:03:43,549

Hi, Mira, it's me, Drew.

Just leaving the office now.

1045

01:03:43,583 --> 01:03:46,719

Just wanted to say I'm a shit
for jumping your story.

1046

01:03:48,521 --> 01:03:49,689

Hope you're feeling better.

1047

01:03:49,722 --> 01:03:50,757

[tires screeching]

1048

01:03:50,790 --> 01:03:52,558

[car horn honking]

1049

01:03:54,260 --> 01:03:55,261

Um, I've got to go.

1050

01:03:55,294 --> 01:03:58,264

[engine revving]

1051

01:03:58,297 --> 01:03:59,967

[tires screeching]

1052

01:04:00,000 --> 01:04:03,302

[intense music]

1053

01:04:14,280 --> 01:04:15,682

[tires screeching]

1054

01:04:16,984 --> 01:04:19,185

[engine revving]

1055

01:04:28,494 --> 01:04:30,263

You can't be serious.

1056

01:04:30,898 --> 01:04:32,866

[tires screeching]

1057

01:04:32,900 --> 01:04:35,468

[engine revving]

1058

01:04:38,839 --> 01:04:41,474

[music continues]

1059

01:05:04,464 --> 01:05:06,299

Woman on phone: 911,
what's your emergency?

1060

01:05:06,332 --> 01:05:08,869

Yeah, I'm being chased
on the I-66.

1061
01:05:08,902 --> 01:05:10,336
[line disconnects]

1062
01:05:10,369 --> 01:05:12,371
Oh, come on, really?

1063
01:05:16,009 --> 01:05:17,878
[tires screeching]

1064
01:05:17,911 --> 01:05:20,013
[engine revving]

1065
01:05:20,047 --> 01:05:22,648
[music continues]

1066
01:05:24,852 --> 01:05:26,252
Come on!

1067
01:05:31,491 --> 01:05:34,594

[tires screeching]

1068

01:05:35,996 --> 01:05:38,031

[honking]

1069

01:05:38,065 --> 01:05:39,833

[crash]

1070

01:05:51,677 --> 01:05:52,812

[car door opens]

1071

01:06:02,890 --> 01:06:05,358

[Drew panting]

1072

01:06:06,425 --> 01:06:07,760

You okay, Drew?

1073

01:06:07,794 --> 01:06:10,329

[groaning]

I don't... don't know.

1074

01:06:11,497 --> 01:06:12,833

[bone cracks]

1075

01:06:26,947 --> 01:06:29,883

[engine revving]

1076

01:06:30,951 --> 01:06:33,887

[explosion]

1077

01:06:35,721 --> 01:06:37,423

Drew on recorder: Just wanted to
say I'm a shit

1078

01:06:37,456 --> 01:06:39,392

for jumping your story.

1079

01:06:39,425 --> 01:06:40,861

Hope you're feeling better.

1080

01:06:41,794 --> 01:06:42,896

Ah, I've got to go.

1081

01:06:42,930 --> 01:06:45,665

Mira: See what I mean?

You can hear it in his voice.

1082

01:06:45,698 --> 01:06:48,701

- Something happened.

- Yeah.

1083

01:06:48,734 --> 01:06:53,573

No, I hear you and see the dots
you're connecting, and, yes,

1084

01:06:53,606 --> 01:06:57,610

that conclusion makes a lot of
sense right now, but...

1085

01:06:57,643 --> 01:07:00,080

suggesting that the head of the
FBI had Drew killed

1086

01:07:00,113 --> 01:07:02,115

because he printed a story?

1087

01:07:02,149 --> 01:07:04,717

- Sounds crazy, right?

- Right.

1088

01:07:04,750 --> 01:07:05,986

Yeah.

1089

01:07:06,019 --> 01:07:10,157

Listen, honey, we're all
heartbroken, okay?

1090

01:07:10,190 --> 01:07:12,860

But the reality is, this is
probably just a bad accident,

1091

01:07:12,893 --> 01:07:15,829

or road rage or I... I don't know
whatever it might have been.

1092

01:07:15,863 --> 01:07:18,731

But honestly, at this point,
sitting here playing detective,

1093

01:07:18,764 --> 01:07:21,500

it is not going to
solve anything

1094

01:07:21,534 --> 01:07:24,437
including a conspiracy theory.

1095

01:07:32,880 --> 01:07:35,681
Operation Unity.
That's what Dusty called it.

1096

01:07:35,715 --> 01:07:37,117
That could mean anything.

1097

01:07:37,150 --> 01:07:38,751
Dusty said that the FBI was

1098

01:07:38,784 --> 01:07:40,988
crossing the line,
killing innocent civilians.

1099

01:07:41,021 --> 01:07:42,488
His words.

1100

01:07:42,521 --> 01:07:43,857

And that he was coming to me
with his story

1101

01:07:43,891 --> 01:07:47,895

because of my articles
about Sofia Flores.

1102

01:07:47,928 --> 01:07:48,794

I'm not following.

1103

01:07:48,829 --> 01:07:50,663

Sofia Flores was an
innocent civilian

1104

01:07:50,696 --> 01:07:53,532

killed in an accidental
hit-and-run, unless...

1105

01:07:55,534 --> 01:07:57,536

unless it wasn't an accident.

1106

01:07:58,839 --> 01:08:00,773

So you think she was murdered
by the FBI

1107

01:08:00,806 --> 01:08:02,976

and that is what crossed
Dusty's line?

1108

01:08:03,010 --> 01:08:04,777

Maybe.

1109

01:08:04,810 --> 01:08:06,679

Sarah: If what
you're saying is true,

1110

01:08:06,712 --> 01:08:08,748

with the way the world
is right now,

1111

01:08:08,781 --> 01:08:11,151

this could wipe out the
FBI's highest ranks.

1112

01:08:11,184 --> 01:08:13,619

As it should.

1113

01:08:13,653 --> 01:08:16,990

You do realize

if your dots are correct

1114

01:08:17,024 --> 01:08:21,028

and we play this wrong,

we could both end up like Sofia.

1115

01:08:21,061 --> 01:08:23,629

And Dusty. And maybe Drew.

1116

01:08:26,199 --> 01:08:27,834

Still wanna pursue it?

1117

01:08:30,904 --> 01:08:32,906

[line ringing]

1118

01:08:35,242 --> 01:08:36,776

Automated message: We're sorry.

1119

01:08:36,809 --> 01:08:39,179

The number you have reached
is not in service.

1120

01:08:39,212 --> 01:08:40,513

Please check the...

1121

01:08:40,546 --> 01:08:42,648

[line ringing]

1122

01:08:42,682 --> 01:08:45,252

We're sorry. The number you have
reached is not in service.

1123

01:08:45,285 --> 01:08:46,752

Sorry... Not in service...

1124

01:08:46,786 --> 01:08:48,889

Please check the number
or try again.

1125

01:08:48,922 --> 01:08:50,090

The number... Try again.

1126

01:08:50,123 --> 01:08:53,459

[dramatic music]

1127

01:09:10,243 --> 01:09:11,811

Woman 2: I'm sorry, Mr. Block,

1128

01:09:11,845 --> 01:09:13,914

but your granddaughter no longer
goes to school here.

1129

01:09:13,947 --> 01:09:15,248

Since when?

1130

01:09:15,282 --> 01:09:16,816

Woman 2: A few days ago.

1131

01:09:16,850 --> 01:09:19,252

Did her mother say
where they were moving?

1132

01:09:19,286 --> 01:09:20,954

- No.

- But her school records...

1133

01:09:20,988 --> 01:09:22,655

They had to be

forwarded somewhere.

1134

01:09:22,688 --> 01:09:23,857

No, no one asked.

1135

01:09:23,890 --> 01:09:25,691

I'm not sure what happened.

1136

01:09:25,725 --> 01:09:28,028

I mean, usually we're given

plenty of notice...

1137

01:09:28,061 --> 01:09:30,263

[music continues]

1138

01:09:30,297 --> 01:09:32,065

When did Amanda

quit the hospital?

1139

01:09:32,099 --> 01:09:34,935

<i>Amanda quit the hospital.

Amanda quit the hospital.</i>

1140

01:09:34,968 --> 01:09:36,736

[music continues]

1141

01:09:36,769 --> 01:09:38,704

<i>No, no, no, everything's fine.</i>

1142

01:09:38,738 --> 01:09:40,639

[echoing] <i>Everything's fine.

Everything's fine.</i>

1143

01:09:40,673 --> 01:09:41,908

When did you last hear
from Natalie?

1144

01:09:41,942 --> 01:09:43,143

[echoing] <i>Natalie. Natalie.</i>

1145

01:09:43,176 --> 01:09:44,577

<i>Natalie. No, no.</i>

1146

01:09:44,610 --> 01:09:45,979

<i>Amanda. Amanda. Amanda.</i>

1147

01:09:46,013 --> 01:09:47,881

<i>When did my daughter
quit the hospital?</i>

1148

01:09:47,914 --> 01:09:50,150

<i>Amanda. Amanda. When did
you last hear from Natalie?</i>

1149

01:09:50,183 --> 01:09:52,019

Any idea where they might be?

1150

01:09:52,052 --> 01:09:54,653

[echoing] <i>Any idea
where they might be?</i>

1151

01:09:54,687 --> 01:09:56,789

*<i>So, no idea
where they might be.</i>*

1152

01:09:58,191 --> 01:10:01,294

Sofia on video: If fingers
need to be pointed,

1153

01:10:01,328 --> 01:10:03,130

we know where to point them.

1154

01:10:03,163 --> 01:10:05,032

[knock on door]

1155

01:10:07,334 --> 01:10:10,669

[mellow music]

1156

01:10:15,008 --> 01:10:16,176

[knocking continues]

1157

01:10:16,209 --> 01:10:17,777

[dog barking]

1158

01:10:20,347 --> 01:10:22,983

[breathing heavily]

1159

01:10:25,785 --> 01:10:27,653

[knocking continues]

1160

01:10:33,659 --> 01:10:35,062

[dog growling]

1161

01:10:40,133 --> 01:10:43,136

[music continues]

1162

01:10:43,170 --> 01:10:44,838

[dog barking]

1163

01:10:48,909 --> 01:10:50,210

Who is it?

1164

01:10:50,243 --> 01:10:52,345

- Pearl: It's me.

- Oh, God!

1165

01:10:52,379 --> 01:10:54,948

It's okay, it's just Pearl.

1166

01:10:56,383 --> 01:10:58,351

Thought I'd cheer you up.

1167

01:10:58,385 --> 01:10:59,718

Dinner?

1168

01:11:02,255 --> 01:11:03,823

What am I looking at?

1169

01:11:03,857 --> 01:11:06,326

Dusty Crane's rap sheet

I pulled off the police wire.

1170

01:11:06,359 --> 01:11:07,894

Mira: And?

1171

01:11:07,928 --> 01:11:10,696

Now we know he was an
undercover Federal agent,

1172

01:11:10,729 --> 01:11:11,730

so this shouldn't

have been in the

1173

01:11:11,764 --> 01:11:13,100

National Crime's main system.

1174

01:11:13,133 --> 01:11:15,668

To protect his identity.

1175

01:11:15,701 --> 01:11:17,838

- Which means it's fake.

- It's fake.

1176

01:11:17,871 --> 01:11:20,073

The only reason to do that would

be to spread misinformation

1177

01:11:20,107 --> 01:11:22,741

in order to discredit him

as a potential source.

1178

01:11:23,977 --> 01:11:27,147

So someone like me
doesn't write his story.

1179

01:11:27,180 --> 01:11:29,850

Okay, I could buy that.

1180

01:11:29,883 --> 01:11:31,151

But who?

1181

01:11:34,921 --> 01:11:37,290

- Travis.

- What did you do?

1182

01:11:37,324 --> 01:11:38,824

Senses return?

1183

01:11:38,859 --> 01:11:40,726

You ready to get back
in the saddle?

1184

01:11:40,759 --> 01:11:42,695

Where's my family?

1185

01:11:42,728 --> 01:11:43,830

How the hell would I know?

1186

01:11:43,864 --> 01:11:45,198

If I find out you had anything

1187

01:11:45,232 --> 01:11:48,435

to do with Amanda and my
granddaughter disappearing,

1188

01:11:48,468 --> 01:11:50,137

you're gonna need more men.

1189

01:11:50,170 --> 01:11:52,105

[dramatic music]

1190

01:11:53,106 --> 01:11:55,909

I don't have a clue what
you're going on about.

1191

01:11:56,843 --> 01:11:58,145

Now I know you've got a lot

1192

01:11:58,178 --> 01:12:00,746

swirling around that

skull of yours,

1193

01:12:00,779 --> 01:12:03,083

but it doesn't have

to be this way.

1194

01:12:03,116 --> 01:12:06,987

We always had

each other's back, remember?

1195

01:12:07,020 --> 01:12:11,024

Now, let's go to the office

and talk about saving souls.

1196

01:12:11,057 --> 01:12:15,862

I've told you before.

No. It's over.

1197

01:12:15,896 --> 01:12:17,430

That's your decision.

1198

01:12:17,464 --> 01:12:20,799

That's the wrong decision,
but yours.

1199

01:12:22,369 --> 01:12:23,904

Excuse me.

1200

01:12:28,807 --> 01:12:31,478

Last chance. Where are they?

1201

01:12:31,511 --> 01:12:33,146

We're the FBI.

1202

01:12:33,180 --> 01:12:37,050

We don't involve ourselves
in petty domestic disputes.

1203

01:12:37,083 --> 01:12:39,886

He touches the car again,
shoot him.

1204

01:12:44,090 --> 01:12:47,928

The great J. Edgar Hoover once
said, in a public forum no less,

1205

01:12:47,961 --> 01:12:51,031

that the purpose of
counter-intelligence action

1206

01:12:51,064 --> 01:12:55,902

is to disrupt and it is
immaterial whether facts exist

1207

01:12:55,936 --> 01:12:58,071

to substantiate the charge.

1208

01:13:00,941 --> 01:13:03,977

If I were to say that in
public today, I can just imagine

1209

01:13:04,010 --> 01:13:07,948

the media backlash that would
wash me out of this office.

1210

01:13:07,981 --> 01:13:09,482

- It wouldn't be pretty, sir.

- No.

1211

01:13:09,516 --> 01:13:13,887

Nowadays, this country is ruled
by gotcha moments on Twitter.

1212

01:13:13,920 --> 01:13:16,289

But that doesn't mean
it's still not the truth.

1213

01:13:16,323 --> 01:13:21,061

Hoover had COINTELPRO,
and I have Operation Unity.

1214

01:13:21,094 --> 01:13:24,097

And as unpopular as
what we do may sound,

1215

01:13:24,130 --> 01:13:27,367

History tells us that
spilling a little blood

1216

01:13:27,400 --> 01:13:31,438

is absolutely necessary
to maintain law and order.

1217

01:13:31,471 --> 01:13:36,076

Now, either Crane didn't
understand that, or didn't care.

1218

01:13:36,109 --> 01:13:40,046

And now look at the mess
he's making me clean up.

1219

01:13:40,080 --> 01:13:44,384

What's worse is, he's infected
someone... dear to me.

1220

01:13:44,417 --> 01:13:45,518

Block.

1221

01:13:45,552 --> 01:13:47,954

Been a good friend, family,

1222

01:13:47,988 --> 01:13:50,123

for as long as I can remember.

1223

01:13:50,156 --> 01:13:52,892

Sir, I may be

out of line here, but...

1224

01:13:55,228 --> 01:13:57,197

would you like us

to have a word with him?

1225

01:13:57,230 --> 01:13:58,898

[dramatic music]

1226

01:13:58,932 --> 01:14:02,002

Someone in the FBI created

a false criminal record

1227

01:14:02,035 --> 01:14:05,338

for a Federal agent involved in

a secret FBI program.

1228

01:14:05,372 --> 01:14:08,241

That fake record was then sent
out on the police wire

1229

01:14:08,275 --> 01:14:10,877

so that the media
would ignore him.

1230

01:14:10,910 --> 01:14:12,545

Drew obviously didn't.

1231

01:14:12,579 --> 01:14:15,415

And now that agent
and Drew are both dead.

1232

01:14:15,448 --> 01:14:16,950

Interesting.

1233

01:14:18,451 --> 01:14:20,186

Almost.

1234

01:14:20,220 --> 01:14:22,922

We run that, and tomorrow we get

a simple, logical explanation.

1235

01:14:22,956 --> 01:14:24,291

We have no proof to refute it.

1236

01:14:24,324 --> 01:14:26,860

Or corrupt FBI agents

following us home.

1237

01:14:26,893 --> 01:14:28,161

- And then there's that.

- Fine.

1238

01:14:28,194 --> 01:14:30,096

You want more proof,

I'll just call the FBI

1239

01:14:30,130 --> 01:14:32,065

and ask for an interview with

the asshole that killed Dusty.

1240

01:14:32,098 --> 01:14:34,034

Mira, I know this is

frustrating,

1241

01:14:34,067 --> 01:14:36,002

but what we need is

an actual living person

1242

01:14:36,036 --> 01:14:37,570

who can help tell the story.

1243

01:14:37,604 --> 01:14:40,573

Someone with specifics who can

help fill in the basics.

1244

01:14:40,607 --> 01:14:44,444

The who, the what, the when.

And if we're lucky, the why.

1245

01:14:44,477 --> 01:14:46,012

The why is obvious.

1246

01:14:46,046 --> 01:14:48,315

Sarah: Obvious to you

isn't good enough.

1247

01:14:48,348 --> 01:14:51,051

Listen, if we are dealing
with a corrupt head of the FBI,

1248

01:14:51,084 --> 01:14:53,053

they will cover up the cover up
with another cover up

1249

01:14:53,086 --> 01:14:54,587

and they'll spin it as
some top secret

1250

01:14:54,621 --> 01:14:56,189

national security operation
that hides

1251

01:14:56,222 --> 01:14:58,191

behind the
veil of need-to-know.

1252

01:14:58,224 --> 01:15:01,895

The American people

need to know the truth.

1253

01:15:01,928 --> 01:15:03,596

Sarah: That's what

I used to think.

1254

01:15:03,630 --> 01:15:05,332

And you don't anymore?

1255

01:15:05,365 --> 01:15:08,168

Honestly, undecided.

1256

01:15:08,201 --> 01:15:10,170

Sometimes I think

it's better to live

1257

01:15:10,203 --> 01:15:12,205

in the happiness of the unknown.

1258

01:15:13,606 --> 01:15:15,175

The United States government is

1259

01:15:15,208 --> 01:15:17,377

murdering its own
innocent citizens.

1260

01:15:17,410 --> 01:15:19,245

[dramatic music]

1261

01:15:20,947 --> 01:15:22,082

Yeah.

1262

01:15:23,616 --> 01:15:24,951

That is messed up.

1263

01:15:26,119 --> 01:15:28,521

We need to nail these assholes.

1264

01:15:28,555 --> 01:15:30,223

Travis: Nothing? Nothing?

1265

01:15:30,256 --> 01:15:32,459

No forwarding address?

No phone records?

1266

01:15:32,492 --> 01:15:33,960

Would you be able to pull

1267

01:15:33,993 --> 01:15:36,096

school enrollment records

for Natalie Block?

1268

01:15:36,129 --> 01:15:37,664

Check the entire country.

1269

01:15:37,697 --> 01:15:39,332

Actually, Sam, one more thing.

1270

01:15:39,366 --> 01:15:41,101

Search all informants

who recently entered

1271

01:15:41,134 --> 01:15:42,369

Witness Protection.

1272

01:15:42,402 --> 01:15:43,903

They may have changed

their last names,

1273

01:15:43,937 --> 01:15:45,538

but they would have kept
their first.

1274

01:15:45,572 --> 01:15:47,474

Amanda and Natalie.

1275

01:15:47,507 --> 01:15:49,442

Okay. Hey... hey, Sam.

1276

01:15:49,476 --> 01:15:51,144

Let's keep this between us.

1277

01:15:51,177 --> 01:15:53,613

Do this for me,
consider us even.

1278

01:15:53,646 --> 01:15:54,647

Thanks, Sam.

1279

01:15:54,681 --> 01:15:57,650

[music continues]

1280

01:15:57,684 --> 01:15:59,486

[phone vibrating]

1281

01:16:01,554 --> 01:16:03,523

Block.

1282

01:16:03,556 --> 01:16:05,692

Oh, yeah, uh, Mira.

1283

01:16:05,725 --> 01:16:08,895

Listen, uh, now's not
a good time.

1284

01:16:12,165 --> 01:16:14,033

What do you have?

1285

01:16:14,067 --> 01:16:15,535

Travis: Robinson's very capable

1286

01:16:15,568 --> 01:16:18,271

when it comes

to cleaning up his messes.

1287

01:16:18,304 --> 01:16:21,040

I would say this has his

fingerprints all over it.

1288

01:16:21,074 --> 01:16:24,477

I need a quote

from a reliable source.

1289

01:16:24,511 --> 01:16:27,113

I'm the last person

you want as a source.

1290

01:16:27,147 --> 01:16:28,381

But you know it's wrong.

1291

01:16:28,415 --> 01:16:31,017

I know what I know,

but my hands are dirty.

1292

01:16:31,050 --> 01:16:33,486

You put my name out there,
my credibility,

1293

01:16:33,520 --> 01:16:35,288

it'll come into question.

1294

01:16:35,321 --> 01:16:36,423

Even my sanity.

1295

01:16:36,456 --> 01:16:38,291

They'll say I made the
whole thing up,

1296

01:16:38,324 --> 01:16:41,561

all in the name of
protecting myself.

1297

01:16:41,594 --> 01:16:44,497

Probably wind up like Dusty.

1298

01:16:44,531 --> 01:16:46,166

Mira: I still don't understand

why Robinson

1299

01:16:46,199 --> 01:16:48,067

would go to all these lengths.

1300

01:16:49,102 --> 01:16:53,006

Same reason Hoover did it

for almost 50 years.

1301

01:16:53,039 --> 01:16:55,408

To maintain power, control,

1302

01:16:55,442 --> 01:16:58,511

which will give him a

shelf life that'll outlast

1303

01:16:58,545 --> 01:17:02,282

every politician on Capitol Hill

and in the White House.

1304

01:17:02,315 --> 01:17:04,451

You can't let them

get away with this.

1305

01:17:04,484 --> 01:17:07,454

I mean, this is your chance
to right all your wrongs.

1306

01:17:07,487 --> 01:17:10,156

What's done is done.
There's no going backwards.

1307

01:17:10,190 --> 01:17:12,192

Then let's go forward
and prevent Robinson

1308

01:17:12,225 --> 01:17:14,694

from abusing his power
in the future.

1309

01:17:14,727 --> 01:17:16,129

If we don't stand up to him,

1310

01:17:16,162 --> 01:17:18,097

he'll just keep growing
Operation Unity.

1311

01:17:19,098 --> 01:17:20,366

He probably will.

1312

01:17:20,400 --> 01:17:24,070

Remember, it's your job
to protect the agents.

1313

01:17:24,103 --> 01:17:25,605

How many more Dusty's
have to die for you

1314

01:17:25,638 --> 01:17:26,739

to stop looking the other way?

1315

01:17:26,773 --> 01:17:30,109

[mellow music]

1316

01:17:32,045 --> 01:17:33,580

As long as I've worked
for Robinson,

1317

01:17:33,613 --> 01:17:37,217

I've... I've never heard
of Operation Unity.

1318

01:17:37,250 --> 01:17:38,485

Somebody must know.

1319

01:17:38,518 --> 01:17:40,587

These sort of people
don't talk out of turn.

1320

01:17:40,620 --> 01:17:43,523

Maybe, but secrets
this big can't hide forever.

1321

01:17:47,126 --> 01:17:49,362

Robinson has a safe in his house

1322

01:17:49,395 --> 01:17:51,798

where he keeps a
record of everyone

1323

01:17:51,832 --> 01:17:54,267

and everything
the Bureau touches.

1324

01:17:54,300 --> 01:17:57,070

- Mira: Everything?

- Everything.

1325

01:17:57,103 --> 01:17:59,506

It's his security blanket,

1326

01:17:59,539 --> 01:18:03,710

ammunition in case anyone
decides to turn against him.

1327

01:18:03,743 --> 01:18:10,149

If there's a paper trail on
Operation Unity, it's in there.

1328

01:18:10,183 --> 01:18:12,619

[intense music]

1329

01:18:35,675 --> 01:18:38,611

[music continues]

1330

01:19:06,239 --> 01:19:09,309

[music continues]

1331

01:19:17,885 --> 01:19:18,886

[beeps]

1332

01:19:18,919 --> 01:19:22,221

[instrumental music on stereo]

1333

01:19:40,707 --> 01:19:43,576

[intense music]

1334

01:19:48,916 --> 01:19:50,216

[gunshot]

1335

01:19:50,249 --> 01:19:52,352

[explosion]

1336

01:20:08,401 --> 01:20:10,637

What do you mean,

he blew up your car?

1337

01:20:10,670 --> 01:20:12,739

Lockhart on phone: Block shot it
with a grenade launcher.

1338

01:20:14,975 --> 01:20:16,542

[laughs]

1339

01:20:17,945 --> 01:20:19,880

I must never
underestimate that man.

1340

01:20:19,913 --> 01:20:21,414

[doorbell rings]

1341

01:20:22,582 --> 01:20:25,385

Where is the crazy
son-of-a-bitch now?

1342

01:20:25,418 --> 01:20:26,753

Lockhart on phone: Don't know.

1343

01:20:27,754 --> 01:20:29,656

Well, I do.

1344

01:20:29,689 --> 01:20:30,790

He's here.

1345

01:20:30,823 --> 01:20:34,394

- Lockhart: Here as in?

- Gabriel: As in, my front door.

1346

01:20:34,427 --> 01:20:37,630

If you're not too busy,
you might wanna stop by.

1347

01:20:40,767 --> 01:20:42,268

[exhales sharply]

1348

01:20:42,903 --> 01:20:45,538

[dramatic music]

1349

01:20:45,571 --> 01:20:47,306

Gabriel: Wasn't expecting you.

1350

01:20:48,608 --> 01:20:50,276

Got a minute?

1351

01:20:56,482 --> 01:20:59,252

- You sent them. Right.

- I sent who?

1352

01:20:59,285 --> 01:21:01,421

You know, if you were

just honest with me,

1353

01:21:01,454 --> 01:21:02,956

I'd have more respect for you.

1354

01:21:02,990 --> 01:21:05,358

I take it this isn't

a friendly pop in.

1355

01:21:05,391 --> 01:21:06,592

What the hell do you want?

1356

01:21:06,626 --> 01:21:08,962

All your files
on Operation Unity.

1357

01:21:08,996 --> 01:21:10,663

I'm afraid that's not happening.

1358

01:21:11,832 --> 01:21:13,599

It's not a request, Gabriel.

1359

01:21:15,301 --> 01:21:16,937

Gabriel:

This is a huge mistake.

1360

01:21:16,970 --> 01:21:18,972

Travis: I'll add it to my list.

Open it.

1361

01:21:19,006 --> 01:21:20,540

Or what?

1362

01:21:20,573 --> 01:21:22,742

Are you really gonna

shoot me, Travis?

1363

01:21:23,743 --> 01:21:25,278

Yes, I will.

1364

01:21:31,018 --> 01:21:32,418

The hard drive.

1365

01:21:32,452 --> 01:21:34,320

I need to see what's on it.

1366

01:21:34,353 --> 01:21:35,822

Load it up.

1367

01:21:43,763 --> 01:21:45,431

Step aside.

1368

01:21:50,603 --> 01:21:53,306

Gabriel: The world isn't ready
to see what's on that drive.

1369

01:21:53,339 --> 01:21:55,508

The truth can be difficult,

1370

01:21:55,541 --> 01:21:57,577

but it's better than
the alternative.

1371

01:21:57,610 --> 01:21:59,812

[dramatic music]

1372

01:22:11,524 --> 01:22:13,060

You two, take the back.

1373

01:22:13,093 --> 01:22:15,528

[music continues]

1374

01:22:17,831 --> 01:22:20,466

[gun cocking]

1375

01:22:57,403 --> 01:22:59,907

[music continues]

1376

01:22:59,940 --> 01:23:01,407

[glass shattering]

1377

01:23:32,605 --> 01:23:35,408

[instrumental music on stereo]

1378

01:23:39,745 --> 01:23:40,881

[gunshots]

1379

01:23:41,747 --> 01:23:43,716

[intense music]

1380

01:23:43,749 --> 01:23:46,320

[gunfire]

1381

01:23:49,122 --> 01:23:50,590

[explosion]

1382

01:23:53,492 --> 01:23:55,863

[gunfire]

1383

01:24:11,178 --> 01:24:13,881

I recommend you walk away.

1384

01:24:13,914 --> 01:24:16,149

This is not your fight.

1385

01:24:16,183 --> 01:24:18,517

You were just taking orders.

1386

01:24:24,925 --> 01:24:27,593

[water running]

1387

01:24:37,204 --> 01:24:38,738

[gunfire]

1388

01:24:42,109 --> 01:24:44,144

Robinson's using you.

1389

01:24:44,177 --> 01:24:45,946

The way he used me.

1390

01:24:48,181 --> 01:24:50,616

We're just bullets

in his chamber.

1391

01:24:55,655 --> 01:24:58,424

[music continues]

1392

01:25:05,765 --> 01:25:07,433

[gunfire]

1393

01:25:09,069 --> 01:25:10,536

[groans]

1394

01:25:12,239 --> 01:25:14,573

[bottles shattering]

1395

01:25:19,578 --> 01:25:21,114

Enough is enough!

1396

01:25:21,148 --> 01:25:22,849

[grunts]

1397

01:25:25,285 --> 01:25:27,921

[groaning]

1398

01:25:29,289 --> 01:25:31,590

[gunfire]

1399

01:25:38,231 --> 01:25:40,733

[gunfire]

1400

01:25:46,772 --> 01:25:48,008

[groans]

1401

01:25:52,179 --> 01:25:54,814

[dramatic music]

1402

01:25:58,919 --> 01:26:01,054

[gunfire]

1403

01:26:02,255 --> 01:26:03,723

Ah.

1404

01:26:12,132 --> 01:26:13,900

[groaning]

1405

01:26:20,273 --> 01:26:22,575

[gunfire]

1406

01:26:25,644 --> 01:26:28,081

[music continues]

1407

01:26:30,283 --> 01:26:31,717

[groans]

1408

01:26:38,791 --> 01:26:39,759

[grunts]

1409

01:26:39,792 --> 01:26:41,761

[breathing heavily]

1410

01:26:43,930 --> 01:26:45,531

[groans]

1411

01:26:48,068 --> 01:26:50,070

[dramatic music]

1412

01:26:53,073 --> 01:26:55,142

[gunshots]

1413

01:27:02,082 --> 01:27:04,184

[electricity crackling]

1414

01:27:04,217 --> 01:27:06,819

[both groaning]

1415

01:27:13,226 --> 01:27:16,129

[music continues]

1416

01:27:16,163 --> 01:27:17,696

[groans]

1417

01:27:38,985 --> 01:27:40,786

[engine revving]

1418

01:27:47,828 --> 01:27:49,863

[knocking on door]

1419

01:27:59,072 --> 01:28:00,673

Mira: Travis.

1420

01:28:26,433 --> 01:28:28,368

[gasps]

1421

01:28:28,401 --> 01:28:30,736

- Who are you?

- Uh...

1422

01:28:30,769 --> 01:28:32,372

This is Pearl.

She works with me.

1423

01:28:32,405 --> 01:28:34,875

Please don't shoot her.

1424

01:28:36,910 --> 01:28:38,777

Can we trust her with this?

1425
