

Dialogues from Cars 3 to improve the vocabulary in English

1

00:00:46,881 --> 00:00:48,883

<i>Okay, here we go.</i>

2

00:00:48,967 --> 00:00:52,887

<i>Focus. Speed. I am speed.</i>

3

00:00:55,056 --> 00:00:59,894

<i>One winner, 42 losers.

I eat losers for breakfast.</i>

4

00:01:02,480 --> 00:01:03,648

<i>Did I used to say that?</i>

5

00:01:04,065 --> 00:01:05,650

Yes, sir, you did.

6

00:01:06,150 --> 00:01:09,529

- You used to say that all the time.
- Mater, what are you doing in here?

7

00:01:09,696 --> 00:01:11,698

Well, I didn't want you to be lonely.

8

00:01:11,990 --> 00:01:16,119

Thank you.

But I'm kind of preparing for a race.

9

00:01:16,202 --> 00:01:17,203

I need a little quiet.

10

00:01:17,412 --> 00:01:19,247

Oh, right. You got it, buddy.

11

00:01:21,040 --> 00:01:22,709

Hey, everybody, listen up.

12

00:01:22,875 --> 00:01:27,338

My best friend, Lightning McQueen,
needs quiet. Perfect quiet!

13

00:01:29,382 --> 00:01:30,800

Okay. Where was I?

14

00:01:32,510 --> 00:01:35,305

Racing. Real racing.

15

00:01:37,098 --> 00:01:40,184

That ain't racing.

That wasn't even a Sunday drive.

16

00:01:40,351 --> 00:01:41,477

That was one lap.

17

00:01:41,644 --> 00:01:44,814

Racing is 500 of those.

Everybody fighting to move up.

18

00:01:44,981 --> 00:01:48,943

Lap after lap. Inside, outside,
inches apart. Never touching.

19

00:01:49,485 --> 00:01:50,528

Now that's racing.

20

00:01:50,695 --> 00:01:54,699

Well, I can't argue with The Doc Hudson.

21

00:01:54,782 --> 00:01:57,201

How true, how true.

22

00:02:00,038 --> 00:02:01,205

Hey, Lightning, you ready?

23

00:02:01,372 --> 00:02:03,708

Oh, yeah. Lightning's ready.

24

00:02:06,586 --> 00:02:08,671

This one's for you, Doc.

25

00:02:28,056 --> 00:02:29,140

Whoo-hoo! Come on, Stickers.

26

00:02:29,307 --> 00:02:31,351

Pardon me. Excuse me.

Best friend coming through.

27

00:02:31,434 --> 00:02:33,436

Go, McQueen! Whoo-hoo!

28

00:02:33,812 --> 00:02:37,107

- Pass him now, 24!

- Lightning McQueen!

29

00:02:39,818 --> 00:02:41,695

Go, 95!

30

00:02:41,778 --> 00:02:42,988

Whoo-hoo!

31

00:02:43,609 --> 00:02:45,820

Hey, Cal, your blinker's on.

32

00:02:45,987 --> 00:02:49,782

What? No, it's not. Hey! Your blinker's on.

33

00:02:49,949 --> 00:02:51,075

Good comeback, Cal.

34

00:02:51,742 --> 00:02:55,163

<i>Because I want to run that race</i>

35

00:02:55,788 --> 00:02:58,875

<i>I want to run that race</i>

36

00:02:59,167 --> 00:03:02,545

<i>I do it at my pace</i>

37

00:03:02,837 --> 00:03:05,590

<i>Long as I get to run that race</i>

38

00:03:06,340 --> 00:03:08,176

<i>Into the pit goes Lightning McQueen,</i>

39

00:03:08,259 --> 00:03:09,594

<i>Bobby Swift and Cal Weathers.</i>

40

00:03:09,760 --> 00:03:11,888

These three are fun to watch,

aren't they, Darrell?

41

00:03:12,054 --> 00:03:14,807

You know, Bob, I can't tell

if they have more fun on or off the track.

42

00:03:16,934 --> 00:03:18,936

<i>Finito!</i> Mmm.

43

00:03:19,353 --> 00:03:21,314

You getting a car wash too, Cal?

44

00:03:21,481 --> 00:03:24,108

No, you're getting a car wash, McQueen.

45

00:03:24,275 --> 00:03:25,401

Good comeback, Cal.

46

00:03:25,610 --> 00:03:28,488

<i>We gotta run that race</i>

47

00:03:29,030 --> 00:03:31,908

<i>We gotta run that race</i>

48

00:03:32,617 --> 00:03:35,411

<i>We do it at our pace</i>

49

00:03:35,912 --> 00:03:39,832

<i>Long as we get to run that race</i>

<i>Hey, hey, hey, hey</i> #

50

00:03:40,115 --> 00:03:43,493

Lightning, how do you keep your focus
racing against Bobby and Cal?

51

00:03:43,660 --> 00:03:45,662

I think the key is we respect each other.

52

00:03:45,745 --> 00:03:47,539

These guys are real class acts...

53

00:03:48,832 --> 00:03:50,708

Congratulations, cupcake.

54

00:03:51,459 --> 00:03:53,419

Oh, they are gonna pay.

55

00:04:02,135 --> 00:04:04,137

Go, Dinoco!

56

00:04:04,429 --> 00:04:05,514

Great win today, Cal.

57

00:04:05,722 --> 00:04:08,225

Thank you, Shannon.

It was a great boost and I was...

58

00:04:08,308 --> 00:04:10,644

Hey! Hey! Guido!

59

00:04:10,727 --> 00:04:11,895

Pit stop.

60

00:04:11,979 --> 00:04:14,022

Ha, ha. Laugh it up. Real funny.

61

00:04:22,531 --> 00:04:23,824

Keep it going, buddy!

62

00:04:28,318 --> 00:04:29,319

Whoo!

63

00:04:32,364 --> 00:04:35,909

Hey! Are my sponsors happy today?

64

00:04:36,076 --> 00:04:37,411

Stop winning for crying out loud.

65

00:04:37,494 --> 00:04:39,371

We're running out of bumper cream to sell.

66

00:04:39,538 --> 00:04:41,415

Lightning McQueen!

67

00:04:41,582 --> 00:04:44,042

Hey, Big Tex. How's my favorite competitor?

68

00:04:44,209 --> 00:04:46,962

Just say the word and...

I'll boot Cal off the Dinoco team

69

00:04:47,045 --> 00:04:48,213

and replace him with you.

70

00:04:48,380 --> 00:04:50,966

You know I can hear you, right?

I'm right here.

71

00:04:51,133 --> 00:04:54,553

Bye, Cal. See you next week. Or not.

72

00:04:55,053 --> 00:04:57,055

Oh, come on now. I'm joking.

73

00:04:57,384 --> 00:05:01,513

Go, little buddy! Whoo-hoo!

And big buddy too!

74

00:05:05,976 --> 00:05:07,018

<i>Another great finish in the making.</i>

75

00:05:07,310 --> 00:05:09,354

<i>McQueen and Swift nose to nose.</i>

76

00:05:09,646 --> 00:05:11,356

How's the view back there, Bobby?

77

00:05:11,523 --> 00:05:12,566

Well, you better not blink.

78

00:05:12,649 --> 00:05:13,900

I'll blow right past you.

79

00:05:14,192 --> 00:05:15,444

<i>The flag is out.</i>

80

00:05:15,527 --> 00:05:17,696

<i>It's the final stretch. McQueen in the lead.</i>

81

00:05:19,322 --> 00:05:21,575

- Okay, let's see what you got.

- Whoo-whee!

82

00:05:30,792 --> 00:05:31,501

- <i>Holy cow!</i>

- <i>Whoa!</i>

83

00:05:32,502 --> 00:05:35,213

<i>It's Jackson Storm for the win. A huge upset!</i>

84

00:05:35,380 --> 00:05:37,299

<i>Neither Lightning nor

Bobby ever saw him coming.</i>

85

00:05:37,632 --> 00:05:39,301

<i>It's one thing to start fast,</i>

86

00:05:39,384 --> 00:05:41,511

<i>but we haven't seen anyone cross the line...</i>

87

00:05:41,678 --> 00:05:44,639

<i>with that kind of speed

and power since a young...</i>

88

00:05:44,723 --> 00:05:46,892

<i>Lightning McQueen first arrived on the scene.</i>

89

00:05:47,058 --> 00:05:51,563

- Hey, Bobby? Who is that?

- That's, um, Jackson Storm.

90

00:05:51,730 --> 00:05:53,106

Yeah. He's one of the rookies.

91

00:05:54,274 --> 00:05:55,275

Huh.

92

00:05:55,609 --> 00:05:57,694

Thank you, guys. Thank you.

93

00:05:57,778 --> 00:05:59,946

No, I appreciate it. Thank you very much.

94

00:06:01,198 --> 00:06:04,868

Hey. Jackson Storm, right? Great race today.

95

00:06:04,951 --> 00:06:06,703

Wow! Thank you, Mr. McQueen.

96

00:06:06,870 --> 00:06:10,290

You have no idea what a pleasure it is
for me to finally beat you.

97

00:06:10,457 --> 00:06:15,253

Oh, thanks. Wait.

Hang on. Did you say "meet" or "beat"?

98

00:06:16,463 --> 00:06:19,049

- I think you heard me.

- Uh, what?

99

00:06:19,257 --> 00:06:20,509

Storm, can we get some pictures?

100

00:06:20,592 --> 00:06:22,260

Yeah, yeah. Come on.

Let's get a picture. You know what?

101

00:06:22,427 --> 00:06:24,346

Get a ton of pictures because champ here

102

00:06:24,429 --> 00:06:27,182

has been a role model of mine...
for years now.

103

00:06:28,183 --> 00:06:31,353

And I mean a lot of years.
Right? I love this guy.

104

00:06:31,520 --> 00:06:35,690

Storm, give us a quote.
What's your top speed?

105

00:06:36,191 --> 00:06:37,567

I think I touched a nerve.

106

00:06:47,323 --> 00:06:49,868

Welcome back to Chick's Picks
with Chick Hicks.

107

00:06:50,034 --> 00:06:52,245

I'm your host, former and forever,

108

00:06:52,328 --> 00:06:54,289

Piston Cup champion, Chick Hicks.

109

00:06:54,622 --> 00:06:56,249

Doo-doo-doo-doo. This just in...

110

00:06:56,458 --> 00:06:57,750

Rookie Jackson Storm

111

00:06:57,834 --> 00:07:00,378

slams the proverbial door
on Lightning McQueen.

112

00:07:00,462 --> 00:07:01,796

Oh.

113

00:07:01,921 --> 00:07:04,883

I couldn't have enjoyed it more
if I'd beaten McQueen myself.

114

00:07:05,049 --> 00:07:06,926

Oh, wait, I have.

115

00:07:07,802 --> 00:07:08,887

But enough about me.

116

00:07:09,053 --> 00:07:12,098

Here to tell you how it happened
is professional number cruncher,

117

00:07:12,182 --> 00:07:13,600

Miss Natalie Certain.

118

00:07:13,766 --> 00:07:15,185

It's a pleasure to be here, Chick.

119

00:07:15,351 --> 00:07:18,438

And actually, I prefer
the term "Statistical Analyst".

120

00:07:18,605 --> 00:07:22,734

Right. So, who is this
mysterious newcomer, Jackson Storm?

121

00:07:22,901 --> 00:07:24,486

And why is he so darn fast?

122

00:07:24,652 --> 00:07:27,155

It's no mystery if you study
the data, Mr. Hicks.

123

00:07:27,447 --> 00:07:31,284

Jackson Storm is part of the next
generation of high-tech racers.

124

00:07:31,451 --> 00:07:33,328

Unlike the veterans of yesterday...

125

00:07:33,495 --> 00:07:36,289

What? Old-timers like this guy?

126

00:07:36,706 --> 00:07:40,084

Um... Right. Storm achieves his top speeds

127

00:07:40,168 --> 00:07:41,711

by exploiting the numbers.

128

00:07:41,878 --> 00:07:43,963

I refer, of course, to racing data.

129

00:07:44,130 --> 00:07:47,550

Tire pressure, downforce,
weight distribution, aerodynamics, and...

130

00:07:47,717 --> 00:07:50,428

next-gens like Storm are taking advantage.

131

00:07:50,967 --> 00:07:52,803

The racing world is changing.

132

00:07:53,220 --> 00:07:54,638

And for the better if it means my old pal,

133

00:07:54,721 --> 00:07:57,391

Lightning, is down for the count.

Am I right, Certain?

134

00:07:57,557 --> 00:07:59,851

Well, if I'm certain of anything, Chick...

135

00:08:00,018 --> 00:08:03,480

it's that this season is about
to get even more interesting.

136

00:08:05,023 --> 00:08:06,233

<i>I'll tell you what, Darrell,</i>

137

00:08:06,316 --> 00:08:08,318

<i>Jackson Storm has certainly made an impact.</i>

138

00:08:08,485 --> 00:08:11,780

<i>We've got six more
next-generation rookies in the field.</i>

139

00:08:11,905 --> 00:08:14,032

<i>With six veterans fired to clear the way.</i>

140

00:08:14,199 --> 00:08:16,660

Morning, champ.

How's our living legend today?

141

00:08:17,452 --> 00:08:19,871

Uh... Still very much alive, thank you.

142

00:08:19,955 --> 00:08:21,957

- And I would appreciate...

- You know, I can't believe I get to race

143

00:08:22,040 --> 00:08:23,625

the Lightning McQueen.

144

00:08:23,708 --> 00:08:24,793

In his farewell season.

145

00:08:24,876 --> 00:08:25,961

What are you talking about?

146

00:08:26,586 --> 00:08:27,671

Oh, green flag.

147

00:08:27,754 --> 00:08:30,465

Good luck out there, champ.

You're gonna need it.

148

00:08:37,556 --> 00:08:40,559

<i>One reason Storm
and the next-gens are more efficient:</i>

149

00:08:40,841 --> 00:08:44,303

their ability to hold the optimum
racing line every single lap.

150

00:08:44,386 --> 00:08:46,722

<i>Win number three for the rookie sensation.</i>

151

00:08:46,930 --> 00:08:48,557

<i>Storm's in a class of his own.</i>

152

00:08:48,891 --> 00:08:52,477

<i>And a big reason for that: training on
the newest cutting-edge simulators.</i>

153

00:08:52,561 --> 00:08:53,896

<i>These machines create a...</i>

154

00:08:53,979 --> 00:08:57,858

<i>virtual racing experience so real
racers never even have to go outside.</i>

155

00:08:58,984 --> 00:09:01,778

<i>Storm's ability to hold that line
is like nothing we've ever seen.</i>

156

00:09:02,192 --> 00:09:04,152

<i>Four in a row? Are you kidding me?</i>

157

00:09:04,235 --> 00:09:06,321

<i>2% lower drag coefficient.</i>

158

00:09:06,404 --> 00:09:07,489

<i>Oh, what a finish!</i>

159

00:09:07,739 --> 00:09:09,365

<i>5% increase downforce.</i>

160

00:09:09,699 --> 00:09:13,078

- <i>Lucky number seven.</i>

- 1.2% higher top speed.

161

00:09:13,578 --> 00:09:14,954

<i>Amazing! Nine!</i>

162

00:09:15,789 --> 00:09:17,707

<i>Piston Cup winner, Chick Hicks here</i>

163

00:09:17,791 --> 00:09:21,294

<i>with the racer taking the circuit...

by storm. Jackson Storm.</i>

164

00:09:21,377 --> 00:09:25,298

<i>Another easy win over old "Ka-chow".

Or should I say, "Caboose"?</i>

165

00:09:25,465 --> 00:09:27,550

<i>Because he's always in the back. Am I right?</i>

166

00:09:27,717 --> 00:09:30,595

<i>No, no, no, Chick.

McQueen is a crafty veteran champ.</i>

167

00:09:30,845 --> 00:09:32,931

<i>He's the elder statesman of the sport.

You know?</i>

168

00:09:34,140 --> 00:09:35,517

<i>Takes everything I got to beat him.</i>

169

00:09:36,601 --> 00:09:38,394

You got to be kidding me.

170

00:09:39,938 --> 00:09:42,690

What changes are you gonna make
to get McQueen back on top?

171

00:09:42,857 --> 00:09:44,192

Will McQueen try new training methods?

172

00:09:44,275 --> 00:09:45,276

Is he prepared to retire?

173

00:09:45,443 --> 00:09:47,487

Come on, guys. Let's not overreact.

174

00:09:47,570 --> 00:09:48,655

It's just a slump.

175

00:09:48,780 --> 00:09:50,156

We'll get 'em next week.

176

00:09:50,240 --> 00:09:52,367

Okay, that's enough. No comment.

177

00:09:52,450 --> 00:09:53,952

Not even about Weathers retiring?

178

00:09:54,035 --> 00:09:55,036

Wait. What?

179

00:09:55,203 --> 00:09:57,247

Cal Weathers. He's hanging up his Lightyears.

180

00:09:59,374 --> 00:10:01,584

No. No comment on that either.

181

00:10:01,668 --> 00:10:02,669

Wait a minute.

182

00:10:02,752 --> 00:10:03,753

Please, come on.

You got to give us something.

183

00:10:07,132 --> 00:10:09,801

Hey, Cal! Hey.

184

00:10:10,385 --> 00:10:12,428

Retirement? What's going on?

185

00:10:14,722 --> 00:10:16,432

You know, I asked my uncle once

186

00:10:16,516 --> 00:10:18,017

how I'd know when it was time to stop.

187

00:10:18,768 --> 00:10:20,103

You know what he said?

188

00:10:20,979 --> 00:10:22,730

The youngsters will tell you.

189

00:10:28,361 --> 00:10:30,780

We had some good times together.

190

00:10:31,114 --> 00:10:32,949

I'm gonna miss that the most I think.

191

00:10:34,576 --> 00:10:35,827

Yeah.

192

00:10:42,792 --> 00:10:44,252

<i>More changes ahead, Chick.</i>

193

00:10:44,335 --> 00:10:47,463

Every week we've seen
veteran racers either retire...

194

00:10:47,630 --> 00:10:51,426

like Cal Weathers tonight, or fired
to make room for these younger...

195

00:10:51,593 --> 00:10:54,762

faster racers. And, it's not over yet.

196

00:10:55,096 --> 00:10:56,931

Hello racing fans.

197

00:10:57,015 --> 00:10:59,559

Welcome to the Los Angeles 500.

198

00:10:59,726 --> 00:11:02,187

The final race of the Piston Cup season.

199

00:11:02,270 --> 00:11:04,189

It's been a year of surprises...

200

00:11:04,355 --> 00:11:07,108

They can't do this.

I've raced for you guys almost 10 years.

201

00:11:07,275 --> 00:11:11,404

Sorry, Brick. My mind's made up.

I'm giving your number to someone new.

202

00:11:11,571 --> 00:11:13,114

Hey, I had two wins last year!

203

00:11:13,281 --> 00:11:15,700

The whole sport's changing.

I'm just doing what I got to do.

204

00:11:15,909 --> 00:11:19,078

Hey, do you know what's

happening with Brick... Oh!

205

00:11:21,080 --> 00:11:22,624

Wait, you're not Bobby.

206

00:11:24,125 --> 00:11:25,460

The name's Danny, bro.

207

00:11:37,388 --> 00:11:40,225

Hey, champ, where'd all your friends go?

208

00:11:42,560 --> 00:11:46,105

<i>A final check of his tires

as Storm settles into the pole position.</i>

209

00:11:46,272 --> 00:11:50,068

<i>Boogity, boogity, boogity.

Let's end this season with a great race.</i>

210

00:12:05,875 --> 00:12:07,126

That's it, buddy!

211

00:12:17,512 --> 00:12:19,430

<i>Forty laps to go

and race leader, Jackson Storm...</i>

212

00:12:19,722 --> 00:12:22,600

<i>is making his way onto pit road

with McQueen on his tail.</i>

213

00:12:22,809 --> 00:12:26,479

<i>A good stop here could mean the

difference between victory and defeat.</i>

214

00:12:26,646 --> 00:12:29,357

Come on, come on. Come on!

Faster, Guido, come on.

215

00:12:29,524 --> 00:12:31,442

I got to get back out there before he does.

216

00:12:31,776 --> 00:12:32,777

Guido, hurry up!

217

00:12:34,988 --> 00:12:37,907

<i>What a pit stop by McQueen!</i>

218

00:12:37,991 --> 00:12:39,492

<i>Man, he just got the lead!</i>

219

00:12:39,909 --> 00:12:41,286

<i>But can he hold on to it?</i>

220

00:12:47,000 --> 00:12:49,085

Hey, McQueen, are you all right?

221

00:12:49,168 --> 00:12:50,628

Listen, don't you worry, pal.

222

00:12:50,795 --> 00:12:53,673

You had a good run. Enjoy your retirement!

223

00:12:54,382 --> 00:12:55,383

<i>Storm takes back the lead!</i>

224

00:12:55,550 --> 00:12:58,011

<i>Unbelievable! McQueen is fading!</i>

225

00:12:58,094 --> 00:13:00,805

<i>McQueen is fading! Fading fast!</i>

226

00:13:01,514 --> 00:13:05,143

No. No! No! No!

227

00:13:06,644 --> 00:13:07,645

No!

228

00:14:02,065 --> 00:14:03,692

<i>W-H-L-Z</i>

229

00:14:03,859 --> 00:14:05,318

<i>Welcome back to Piston Cup Talk.</i>

230

00:14:05,485 --> 00:14:09,156

<i>Around the clock where we do nothing
but talk racing. Let's get to it.</i>

231

00:14:09,531 --> 00:14:11,575

<i>Starting of course with Lightning McQueen.</i>

232

00:14:12,033 --> 00:14:15,871

<i>With the season just two weeks away,
there's still no official announcement.</i>

233

00:14:16,037 --> 00:14:19,207

<i>But with number 95 coming off
his worst year on record...</i>

234

00:14:19,374 --> 00:14:21,835

<i>Don't shoot the messenger here, folks.
I think it's safe to assume...</i>

235

00:14:22,704 --> 00:14:25,331

<i>that Lightning McQueen's
racing days are over.</i>

236

00:14:25,498 --> 00:14:28,626

<i>Meanwhile, Jackson Storm
is looking even faster...</i>

237

00:14:35,300 --> 00:14:36,384

<i>For the checkered flag.</i>

238

00:14:36,885 --> 00:14:39,888

<i>As they enter the final lap,
the number 6 and number 12 cars...</i>

239

00:14:40,054 --> 00:14:44,017

<i>are still fighting it out for the lead.
But wait! Here he comes!</i>

240

00:14:44,184 --> 00:14:47,187

<i>It's the Fabulous Hudson Hornet
knocking at their door.</i>

241

00:14:47,395 --> 00:14:51,566

<i>What's he got up his sleeve today?

And there it is!</i>

242

00:14:51,733 --> 00:14:54,486

<i>With one move, he's past them.</i>

243

00:14:54,569 --> 00:14:56,404

<i>The Hornet takes a decisive lead.</i>

244

00:14:58,740 --> 00:15:02,535

<i>He's left the pack behind.

His crew chief, Smokey, is loving it!</i>

245

00:15:02,744 --> 00:15:06,080

<i>It's unbelievable! Oh, no! He's in trouble!</i>

246

00:15:06,247 --> 00:15:11,377

<i>The Hudson Hornet has lost control!</i>

247

00:15:14,255 --> 00:15:18,760

*<i>What should have been a scene
of jubilation has turned tragic, folks.</i>*

248

00:15:18,843 --> 00:15:21,346

<i>As we await news
on the Hudson Hornet's condition.</i>

249

00:15:21,429 --> 00:15:23,181

<i>After such a devastating crash...</i>

250

00:15:23,306 --> 00:15:26,768

<i>we can only hope that
this race today wasn't his last.</i>

251

00:15:32,935 --> 00:15:36,105

<i>When I finally got put together,
I went back expecting a big welcome.</i>

252

00:15:36,271 --> 00:15:39,733

You know what they said? You're history.

253

00:15:39,900 --> 00:15:42,778

Moved right on to the next rookie
standing in line.

254

00:15:44,780 --> 00:15:49,076

There was a lot left in me

I never got a chance to show.

255

00:16:07,136 --> 00:16:08,387

Hey, Stickers.

256

00:16:09,263 --> 00:16:10,264

Hey, Sal.

257

00:16:10,973 --> 00:16:12,307

How you feeling?

258

00:16:13,475 --> 00:16:15,352

Yeah, great.

259

00:16:16,145 --> 00:16:17,521

Really, really great.

260

00:16:18,647 --> 00:16:20,107

Been thinking about Doc again?

261

00:16:21,650 --> 00:16:26,280

Yeah. You know they told him
when he was done.

262

00:16:27,448 --> 00:16:28,657

He didn't decide.

263

00:16:29,992 --> 00:16:33,412

I don't want what happened to Doc
to happen to me.

264

00:16:33,912 --> 00:16:35,080

But that hasn't happened.

265

00:16:35,831 --> 00:16:40,711

No, but I can't go out on the track and
do the same old thing. It won't work.

266

00:16:40,961 --> 00:16:43,005

Then change it up! Try something new.

267

00:16:43,672 --> 00:16:46,759

- I don't know, Sally. I...

- Don't fear failure.

268

00:16:46,925 --> 00:16:48,802

Be afraid of not having the chance.

269

00:16:48,886 --> 00:16:51,346

You have the chance. Doc didn't.

270

00:16:51,764 --> 00:16:55,851

And you can either take it or you can
do what you been doing. Sitting.

271

00:16:56,018 --> 00:16:58,187

In here. For months.

272

00:16:58,270 --> 00:17:00,939

And by the way,
I love what you've done with the place.

273

00:17:01,106 --> 00:17:04,777

I mean the monster movie lighting
and the musky air freshener.

274

00:17:04,943 --> 00:17:08,155

Don't let anyone tell you
you're not working that primer because...

275

00:17:08,238 --> 00:17:10,824

Wow, I have never found you more attractive.

276

00:17:11,366 --> 00:17:14,036

And now that I've been in here
for a couple minutes, the stench...

277

00:17:14,203 --> 00:17:17,706

- I'm getting kind of used to it.
- Okay, Sal. I get it. I get it.

278

00:17:18,791 --> 00:17:20,626

I miss you, Lightning.

279

00:17:20,709 --> 00:17:21,794

We all do.

280

00:17:27,216 --> 00:17:28,884

Try something new, huh?

281

00:17:30,886 --> 00:17:32,262

Hey, did it work, Miss Sally?

282

00:17:32,429 --> 00:17:35,724

Did you set him straight with your
lawyerly powers of persuasion?

283

00:17:35,891 --> 00:17:37,601

Is he ready to start training?

284

00:17:37,726 --> 00:17:39,770

Well, Stinky... Stickers?

285

00:17:41,688 --> 00:17:43,899

Yes, Mater, I am.

286

00:17:44,233 --> 00:17:45,567

Whoo-hoo!

287

00:17:45,984 --> 00:17:47,820

I decide when I'm done.

288

00:17:48,487 --> 00:17:49,947

I was hoping you'd say that.

289

00:17:50,030 --> 00:17:51,448

Okay, but I got an idea.

290

00:17:51,615 --> 00:17:53,575

And I'm gonna need to talk
to Rusty and Dusty, all right?

291

00:17:54,076 --> 00:17:55,410

Oh, I'll get them on the horn.

292

00:17:55,494 --> 00:17:57,162

Get it? On the horn?

293

00:17:59,206 --> 00:18:02,167

Oops. Hold on. Got to sneeze.

294

00:18:06,755 --> 00:18:09,424

Dadgum, I lost it.

Hey, I'll see you at Flo's.

295

00:18:11,426 --> 00:18:12,761

I found it.

296

00:18:12,928 --> 00:18:14,388

Hey, watch your step.

297

00:18:15,421 --> 00:18:17,006

<i>What about the car from Everett?</i>

298

00:18:17,090 --> 00:18:18,091

<i>Remember him?</i>

299

00:18:18,257 --> 00:18:19,258

<i>He was stuck in reverse!</i>

300

00:18:19,425 --> 00:18:22,095

<i>I said, you need a house

with a circular driveway!</i>

301

00:18:23,262 --> 00:18:25,431

You need to get your rusty tails down here.

302

00:18:25,515 --> 00:18:27,600

I created a drink in your honor.

303

00:18:27,767 --> 00:18:30,603

Yeah! The Rust-eze Medicated Bumper Bomb.

304

00:18:30,770 --> 00:18:33,606

It goes down faster
than an elevator full of Winnebagos.

305

00:18:33,773 --> 00:18:36,609

- Rusty and Dusty!

- Well, look who's here.

306

00:18:37,110 --> 00:18:39,237

<i>Hey, there he is! Good to see you, Lightning!</i>

307

00:18:39,445 --> 00:18:42,240

Thanks, guys. Wow. You're all here.

308

00:18:42,448 --> 00:18:44,909

Sorry, buddy,

did you want this call to be private?

309

00:18:45,076 --> 00:18:49,956

No, Mater. This is perfect. Listen,

thanks, everyone, for sticking by me.

310

00:18:50,123 --> 00:18:53,334

It took me a while to figure it out,

but I know now that it's time...

311

00:18:53,751 --> 00:18:55,378

for me to make some changes.

312

00:18:55,628 --> 00:18:57,421

Changes? What kind of changes?

313

00:18:57,505 --> 00:19:00,133

It's futile to resist change, man.

314

00:19:00,341 --> 00:19:02,301

- You're right, Fillmore.

- Really?

315

00:19:02,468 --> 00:19:04,929

Which is why I have an announcement to make.

316

00:19:05,096 --> 00:19:07,932

I've thought long and hard about it.

317

00:19:08,015 --> 00:19:11,769

Done a lot of soul-searching
and considered all of the options.

318

00:19:12,311 --> 00:19:14,981

And I've finally decided...

319

00:19:16,315 --> 00:19:18,025

You do want to keep racing?

320

00:19:18,276 --> 00:19:20,444

Are you kidding?

Of course I want to keep racing!

321

00:19:20,653 --> 00:19:22,822

- Thank goodness!

- Glad to hear it. All right.

322

00:19:23,072 --> 00:19:24,198

Man, for a second I...

323

00:19:24,282 --> 00:19:26,742

Wait a minute. I knew that the whole time.

324

00:19:26,826 --> 00:19:29,370

Guys! I'm talking about making
this my best season yet!

325

00:19:29,453 --> 00:19:31,164

<i>We were hoping you'd say that.</i>

326

00:19:31,622 --> 00:19:34,959

The thing is, if I'm gonna be faster
than Storm, I need to train like him.

327

00:19:35,168 --> 00:19:36,335

<i>We're way ahead of you, buddy!</i>

328

00:19:36,502 --> 00:19:39,172

<i>Lightning, we want you on the road
first thing in the morning...</i>

329

00:19:39,338 --> 00:19:41,966

<i>so you can come out and see the brand-new...</i>

330

00:19:42,133 --> 00:19:44,635

<i>Rust-eze Racing Center!</i>

331

00:19:44,802 --> 00:19:48,181

- <i>It's wicked awesome.</i>
- What? Rust-eze Racing Center?

332

00:19:48,431 --> 00:19:52,518

<i>It's got all the fancy bells and whistles
that kids are training on these days.</i>

333

00:19:52,685 --> 00:19:54,437

<i>We'll send Macky boy all the directions.</i>

334

00:19:54,520 --> 00:19:56,189

<i>Now get moving, all right?</i>

335

00:19:56,898 --> 00:19:58,733

Okay! Yes!

336

00:19:58,900 --> 00:20:01,527

- Fancy new training center?

- That sounds nice!

337

00:20:01,694 --> 00:20:03,863

Guido, come! We have to pack the tires!

338

00:20:04,030 --> 00:20:06,782

Hey, McQueen! You can't race in primer, man.

339

00:20:06,866 --> 00:20:08,034

Come on! Let's go.

340

00:20:12,205 --> 00:20:14,332

Ramone, you have done it again.

341

00:20:14,457 --> 00:20:17,919

It's like the Sistine Chapel on wheels.

342

00:20:18,002 --> 00:20:20,713

I'm coming for you, Storm.

343

00:20:22,715 --> 00:20:25,384

Morning, McQueen! Hey, look at you.

344

00:20:25,551 --> 00:20:27,011

- Oh!

- He looks so good!

345

00:20:28,679 --> 00:20:31,599

Welcome back. You look different.

346

00:20:31,682 --> 00:20:34,435

- Obviously.

- You look ready.

347

00:20:34,602 --> 00:20:37,063

Guido, come! *<i>Scusi, scusi.</i>*

Tires coming through.

348

00:20:37,230 --> 00:20:39,899

Go kick those rookies in the trunk.

349

00:20:40,066 --> 00:20:41,525

All right, bye.

350

00:20:41,692 --> 00:20:44,195

- Catch you on the flipside.

- I'll see you guys in Florida.

351

00:20:44,403 --> 00:20:46,614

- See you, McQueen.

- Don't forget to call me.

352

00:20:46,989 --> 00:20:48,908

Good luck in college.

353

00:20:49,617 --> 00:20:52,161

Hey, Sal. Thanks.

354

00:20:52,495 --> 00:20:53,704

Anytime.

355

00:20:54,739 --> 00:20:56,866

- Love you!

- Love you more.

356

00:20:57,241 --> 00:20:59,744

Rust-eze Racing Center, here we come!

357

00:20:59,869 --> 00:21:01,245

Good times ahead.

358

00:21:09,420 --> 00:21:11,422

<i>When the time gets right</i>

359

00:21:12,882 --> 00:21:14,884

<i>I'm gonna pick you up</i>

360

00:21:16,218 --> 00:21:18,512

<i>And take you far away from</i>

361

00:21:20,431 --> 00:21:21,807

<i>From trouble, my love</i>

362

00:21:23,309 --> 00:21:25,269

<i>Under a big old sky</i>

363

00:21:26,937 --> 00:21:29,023

<i>Out in a field of green</i>

364

00:21:31,108 --> 00:21:33,402

<i>There's got to be something</i>

365

00:21:34,403 --> 00:21:36,572

<i>Left for us to believe</i>

366

00:21:37,907 --> 00:21:40,910

<i>Oh, I await the day</i>

367

00:21:41,494 --> 00:21:44,622

<i>Good fortune comes our way</i>

368

00:21:44,955 --> 00:21:48,083

<i>And we'll ride down the King's Highway</i>

369

00:21:48,250 --> 00:21:51,629

<i>Yeah, yeah</i>

<i>Yeah</i> #

370

00:22:08,979 --> 00:22:10,105

McQueen, over here!

371

00:22:10,189 --> 00:22:12,107

McQueen, how you feeling?

372

00:22:12,191 --> 00:22:13,818

Have you seen the latest
records Storm's been setting?

373

00:22:14,026 --> 00:22:15,486

Have you given any thought to retirement?

374

00:22:15,986 --> 00:22:17,905

Okay, that's enough. No questions!

375

00:22:17,988 --> 00:22:19,323

<i>Scusi.</i> Out of the way!

376

00:22:19,657 --> 00:22:21,992

Coming through! Okay, back up.

Back up! No pictures. No, no, no.

377

00:22:24,282 --> 00:22:26,159

Okay, thank you. Bye-bye.

378

00:22:26,868 --> 00:22:29,120

Guido, can you believe them?

379

00:22:29,203 --> 00:22:30,830

Paparazzi.

380

00:22:42,342 --> 00:22:43,426

Wow!

381

00:22:44,177 --> 00:22:45,553

Looks good, doesn't it?

382

00:22:45,720 --> 00:22:47,555

- Hey, guys.

- What do you think?

383

00:22:48,014 --> 00:22:50,016

What do I think? It's unbelievable.

384

00:22:50,183 --> 00:22:52,226

Yeah, you know, it's kind of a cozy,

385

00:22:52,310 --> 00:22:54,020

humble, little place.

386

00:22:54,187 --> 00:22:56,189

Guys, how did you ever do this?

387

00:22:56,356 --> 00:22:58,816

- You want to tell him or should I?

- No, you start. Go ahead.

388

00:22:59,067 --> 00:23:02,111

We sold Rust-eze. Huh?

389

00:23:02,862 --> 00:23:03,863

What?

390

00:23:04,030 --> 00:23:07,075

What? You think a couple of jabronis
like us could do this on our own?

391

00:23:07,367 --> 00:23:09,494

- Wait. You sold Rust-eze?

- It's all good news.

392

00:23:09,661 --> 00:23:13,373

We just realized that you needed
something that we couldn't give you.

393

00:23:13,539 --> 00:23:15,875

It felt like the time was right for us too.

394

00:23:16,042 --> 00:23:17,669

I mean, we're not as young
and handsome as we look.

395

00:23:17,752 --> 00:23:19,379

Oh, that's true.

396

00:23:19,629 --> 00:23:21,005

Besides, this Sterling fellow?

397

00:23:21,089 --> 00:23:23,633

He's got every high-tech thing
you'll ever need.

398

00:23:23,800 --> 00:23:26,219

Everything we wanted to give you,
but couldn't.

399

00:23:26,552 --> 00:23:28,888

Whoa, whoa, whoa. Sterling? Who's Sterling?

400

00:23:29,055 --> 00:23:32,558

Lightning McQueen!

You made some serious time, partner.

401

00:23:32,892 --> 00:23:34,477

Your new sponsor.

402

00:23:34,560 --> 00:23:37,480

He's the Mudflap King
of the Eastern seaboard.

403

00:23:37,730 --> 00:23:40,233

Welcome to the Rust-eze Racing Center!

404

00:23:40,400 --> 00:23:44,237

You have no idea how much
I've been looking forward to this.

405

00:23:44,404 --> 00:23:48,032

- Thanks, uh, Mr...

- Please. No "mister". Just Sterling.

406

00:23:48,199 --> 00:23:49,992

I have been a fan of yours forever.

407

00:23:50,451 --> 00:23:52,453

And to be your sponsor? How great is that?

408

00:23:52,537 --> 00:23:54,247

I can't thank Rusty and Dusty here enough.

409

00:23:54,372 --> 00:23:55,915

Tough negotiators by the way.

410

00:23:56,082 --> 00:23:58,084

Oh, you flatter us, but don't stop!

411

00:23:58,876 --> 00:24:01,671

Anyway, just wanted to say a quick hello.

412

00:24:01,754 --> 00:24:03,089

Take as much time as you need.

413

00:24:03,256 --> 00:24:04,507

Door's always open, guys.

414

00:24:07,260 --> 00:24:08,428

See?

415

00:24:17,893 --> 00:24:21,355

I sure am gonna miss racing for you guys.

416

00:24:23,399 --> 00:24:26,777

You know, you gave us
a lot of great memories, Lightning.

417

00:24:27,444 --> 00:24:29,279

Memories we'll remember.

418

00:24:29,738 --> 00:24:31,573

Wow. That's good.

419

00:24:33,283 --> 00:24:36,537

- Hey, Lightning, whatever you do...
- Don't drive like my brother!

420

00:24:36,704 --> 00:24:38,205

Don't drive like my brother.

421

00:24:38,288 --> 00:24:39,748

Please no pictures.

422

00:24:39,915 --> 00:24:42,042

Okay, maybe one.

Get my good side though, will you?

423

00:24:49,258 --> 00:24:50,801

Whoa.

424

00:25:06,400 --> 00:25:08,152

So? You like it?

425

00:25:08,402 --> 00:25:10,904

Oh, hey, Mr. Sterling. Wow.

426

00:25:11,697 --> 00:25:13,991

My career on a wall.

427

00:25:15,325 --> 00:25:16,994

Nice that you included Doc.

428

00:25:17,161 --> 00:25:19,580

Of course. He was your mentor.

429

00:25:20,456 --> 00:25:22,958

Losing him left a giant hole in the sport.

430

00:25:24,084 --> 00:25:25,294

Yeah.

431

00:25:27,004 --> 00:25:28,172

Jars of dirt?

432

00:25:28,422 --> 00:25:29,798

Sacred dirt.

433

00:25:30,090 --> 00:25:33,510

Each of those jars contains dirt
from all the old tracks that Doc raced on.

434

00:25:33,677 --> 00:25:37,306

Florida International, Thunder Hollow,
just down the road and...

435

00:25:37,473 --> 00:25:39,933

our very own Fireball Beach, right outside.

436

00:25:40,017 --> 00:25:40,976

Huh.

437

00:25:42,601 --> 00:25:45,187

- Hey, is that...

- A bit of asphalt from Glen Ellen.

438

00:25:45,354 --> 00:25:46,480

My first win!

439

00:25:48,190 --> 00:25:49,608

You really are a fan.

440

00:25:49,817 --> 00:25:53,612

I am. And a fan of your future.

441

00:25:53,696 --> 00:25:54,822

You ready for it?

442

00:25:56,490 --> 00:25:57,825

Definitely.

443

00:25:58,492 --> 00:26:01,537

First, let's get you into a more...
contemporary look.

444

00:26:11,088 --> 00:26:12,131

Wow.

445

00:26:12,214 --> 00:26:13,674

<i>It's an electronic suit.</i>

446

00:26:13,882 --> 00:26:16,844

<i>With it we'll be able to track
your speed and your vital signs.</i>

447

00:26:16,969 --> 00:26:18,178

Does it have a phone?

448

00:26:18,262 --> 00:26:21,015

<i>Don't be crazy. Racecars don't have phones.</i>

449

00:26:22,516 --> 00:26:23,559

Wow.

450

00:26:23,642 --> 00:26:26,395

- Not bad, huh?

- This is really impressive.

451

00:26:26,478 --> 00:26:29,398

This center has quickly become
the most coveted destination...

452

00:26:29,481 --> 00:26:31,775

for young racers training
to make our team someday.

453

00:26:31,859 --> 00:26:34,653

And it's where you'll train
until you leave for Florida.

454

00:26:34,862 --> 00:26:38,407

Treadmills, wind tunnels, virtual reality.

455

00:26:40,075 --> 00:26:41,368

Still working on that.

456

00:26:41,535 --> 00:26:44,913

And the best fitness regimen
anyone could possibly imagine.

457

00:26:45,080 --> 00:26:49,126

Wait. Wait. Whoa. Is that the simulator?

458

00:26:49,376 --> 00:26:50,461

Oh, yes.

459

00:26:50,544 --> 00:26:53,756

Lightning, I'd like to introduce
you to the multi-million dollar...

460

00:26:54,256 --> 00:26:56,425

flagship of interactive race simulation.

461

00:26:57,092 --> 00:27:01,263

The XDL 24-GTS Mark Z.

462

00:27:01,764 --> 00:27:06,268

The XDL... etcetera.

463

00:27:06,435 --> 00:27:09,104

Jackson Storm wishes he had this model.

464

00:27:17,279 --> 00:27:18,322

- That was amazing.

- Awesome. Yeah!

465

00:27:18,572 --> 00:27:21,116

It's just like being on a real track,
so put your hours in.

466

00:27:21,283 --> 00:27:24,620

Okay, let's hit the treadmills.

Come on. Show me what you got!

467

00:27:24,703 --> 00:27:27,122

Wow. Pretty fast. Who's the racer?

468

00:27:27,206 --> 00:27:29,792

No. She's not a racer. She's a trainer.

469

00:27:29,875 --> 00:27:33,212

Cruz Ramirez.

The best trainer in the business.

470

00:27:33,295 --> 00:27:35,381

Ready to meet it, greet it and defeat it?

471

00:27:35,547 --> 00:27:38,425

All right. Now bring up those RPMs!

472

00:27:38,550 --> 00:27:40,302

Like the attitude.

473

00:27:40,469 --> 00:27:42,805

Yeah, we call her our maestro of motivation.

474

00:27:43,222 --> 00:27:44,807

You're driving a little tense again, Ronald.

475

00:27:45,057 --> 00:27:48,519

- No, no. I'm cool. I'm cool.

- Do your exercise.

476

00:27:48,977 --> 00:27:52,022

I am a fluffy cloud! I am a fluffy cloud!

477

00:27:52,106 --> 00:27:54,441

I am a fluffy cloud.

478

00:27:54,525 --> 00:27:55,734

There you go!

479

00:27:55,818 --> 00:27:57,736

- You're a cloud.

- Shut up, Kurt!

480

00:27:57,945 --> 00:28:00,781

Here come the bugs, Kurt. You ready?

481

00:28:03,033 --> 00:28:05,160

Hey, I kept my eyes open this time!

482

00:28:05,494 --> 00:28:06,703

Got to see that track.

483

00:28:06,787 --> 00:28:09,248

Oh, no. Homesick again, Gabriel?

484

00:28:09,331 --> 00:28:10,416

<i>Si.</i>

485

00:28:16,255 --> 00:28:18,132

- Win for them!

- Wow.

486

00:28:18,215 --> 00:28:20,592

She trains young racers
to push through their own obstacles.

487

00:28:20,843 --> 00:28:24,596

Tailor-made for each one.

Now, she's gonna work with you.

488

00:28:24,847 --> 00:28:27,850

Let's go! Let's go!

You guys got to work through this stuff...

489

00:28:28,016 --> 00:28:29,977

so when your big chance comes along
you can take it.

490

00:28:30,060 --> 00:28:31,270

Hey, Cruz.

491

00:28:31,353 --> 00:28:32,855

Oh, hey, Mr. Sterling!

492

00:28:33,147 --> 00:28:35,607

I'd like to introduce you
to Lightning McQueen.

493

00:28:35,691 --> 00:28:37,192

I hear you're the maestro.

494

00:28:37,568 --> 00:28:40,446

Mr. Sterling, did you say
Lightning McQueen was here because...

495

00:28:40,612 --> 00:28:42,364

I don't see him anywhere.

496

00:28:42,614 --> 00:28:45,868

Uh, but he's right here. Do you not see him?

497

00:28:46,118 --> 00:28:47,327

Nope, still don't see him.

498

00:28:47,786 --> 00:28:50,831

He's right in front of you!

It's Lightning McQueen!

499

00:28:51,123 --> 00:28:56,003

He's obviously an imposter. He looks old
and broken down with flabby tires.

500

00:28:56,170 --> 00:28:57,713

- Hey! I do not!

- Use that!

501

00:28:57,880 --> 00:28:59,631

Whoa! Oh.

502

00:28:59,715 --> 00:29:00,799

Yeah, I see.

503

00:29:00,966 --> 00:29:03,760

I can use that energy for motivation, right?

504

00:29:04,303 --> 00:29:06,680

It's all about motivation, Mr. McQueen.

505

00:29:06,847 --> 00:29:10,559

You can use anything negative as fuel
to push through to the positive.

506

00:29:10,726 --> 00:29:13,896

I've been pretty positive
ever since I was a rookie.

507

00:29:14,146 --> 00:29:15,981

I am so excited that I get to train you.

508

00:29:16,064 --> 00:29:18,233

I grew up watching you on TV.

509

00:29:18,609 --> 00:29:20,360

Huh? Is that right?

510

00:29:20,611 --> 00:29:23,280

These young guys are great and all,
but I like a challenge.

511

00:29:23,572 --> 00:29:25,908

I'm not that much older, but...

512

00:29:26,158 --> 00:29:28,744

In fact, I call you my senior project.

513

00:29:31,747 --> 00:29:34,208

We need to loosen those ancient joints.

514

00:29:34,291 --> 00:29:35,751

First the wheels.

515

00:29:35,876 --> 00:29:39,505

And forward, and rest, and forward, and rest.

516

00:29:39,713 --> 00:29:41,965

Join me! Rest. And rest.

517

00:29:42,216 --> 00:29:43,634

Is all this resting necessary?

518

00:29:43,926 --> 00:29:46,595

We're working you in slowly.

And reach for your lunch.

519

00:29:47,095 --> 00:29:48,889

Reach for your lunch.

520

00:29:48,972 --> 00:29:51,683

Now reach, to the front.

521

00:29:51,850 --> 00:29:55,270

What is there? It's your lunch.

522

00:29:55,896 --> 00:29:59,066

Now backwards. Is lunch there?

523

00:29:59,149 --> 00:30:00,400

When do we go on the simulator?

524

00:30:00,901 --> 00:30:03,445

Good morning, Mr. McQueen. Looking good.

525

00:30:05,322 --> 00:30:06,573

Why?

526

00:30:06,865 --> 00:30:10,619

This'll get oil to places

it hasn't been in a long time.

527

00:30:11,161 --> 00:30:14,248

- Is that a drip pan?

- Just in case.

528

00:30:14,414 --> 00:30:15,874

How old do you think I am?

529

00:30:15,958 --> 00:30:18,877

Visualize yourself driving fast
down a steep hill.

530

00:30:18,961 --> 00:30:20,212

I'll be back in a few.

531

00:30:20,629 --> 00:30:24,383

Visualize... Wait. Cruz! A few what?

532

00:30:24,466 --> 00:30:26,218

I just want to go on the simulator.

533

00:30:26,301 --> 00:30:28,637

How's it hanging, Drip Pan?

534

00:30:36,979 --> 00:30:39,439

- 'Sup?

- Okay, day three...

535

00:30:39,606 --> 00:30:43,360

Treadmill. I've set a maximum
speed to conserve your energy.

536

00:30:43,527 --> 00:30:47,114

What I want you to do is
visualize beating this guy.

537

00:30:48,490 --> 00:30:49,992

- Storm!

- Uh-huh, that's right.

538

00:30:50,075 --> 00:30:51,410

Get him! Get him, Mr. McQueen!

539

00:30:51,618 --> 00:30:54,538

Get him? This thing's only
going like 5 miles an hour!

540

00:30:54,746 --> 00:30:57,457

We'll work up to the higher speeds
right after you take your nap.

541

00:30:57,749 --> 00:30:59,585

Nap? I don't need a nap!

542

00:31:01,295 --> 00:31:02,421

Hit him with the bugs!

543

00:31:02,921 --> 00:31:04,798

I am not taking a nap!

544

00:31:05,173 --> 00:31:06,592

<i>All cars in the test bay simulator...</i>

545

00:31:08,010 --> 00:31:10,304

How was your nap, Mr. McQueen?

546

00:31:10,721 --> 00:31:13,140

It was kind of refreshing actually.

547

00:31:14,099 --> 00:31:15,350

Oh! Okay, what are you... Hey!

548

00:31:15,517 --> 00:31:17,644

You've been driving on tires a long time.

549

00:31:18,061 --> 00:31:19,730

Have you ever stopped to get to know them?

550

00:31:20,022 --> 00:31:20,939

I'm sorry, what?

551

00:31:21,106 --> 00:31:24,026

Tires are individuals.

You should give each a name.

552

00:31:24,318 --> 00:31:27,112

Name them? I won't be doing that.

553

00:31:27,321 --> 00:31:30,073

Mine are named Maria, Juanita,
Ronaldo, and Debbie Richardson.

554

00:31:30,324 --> 00:31:31,700

- What?

- Long story.

555

00:31:32,200 --> 00:31:34,202

May I have my tires back so I can go
on the simulator please?

556

00:31:34,286 --> 00:31:35,162

Name them!

557

00:31:35,412 --> 00:31:38,165

Uh, Lefty, Righty, Backy, Backy Junior. Okay?

558

00:31:38,332 --> 00:31:40,000

- Does this make you mad?

- Yes, it does!

559

00:31:40,250 --> 00:31:44,546

Use that! And merge, and yield,
and merge, and yield.

560

00:31:44,921 --> 00:31:48,634

Beep, beep, beep, beep.

Now you got some tire damage.

561

00:31:49,092 --> 00:31:50,218

Speed bump, speed bump.

562

00:31:50,302 --> 00:31:52,262

Now clean up your messy garage.

563

00:31:52,429 --> 00:31:57,351

- Bug in your windshield.

- Thank you, Cruz, I'm done.

564

00:31:58,602 --> 00:32:00,270

Mr. McQueen, where are you going?

565

00:32:00,437 --> 00:32:01,605

To the future.

566

00:32:04,316 --> 00:32:07,861

Okay. Here we go. How do I do this?

567

00:32:07,944 --> 00:32:09,446

- Come on, baby.

- Mr. McQueen...

568

00:32:09,529 --> 00:32:12,282

Cruz, thank you for the old-man
training, as crazy as it was,

569

00:32:12,366 --> 00:32:15,535

but I'm... warmed up enough
and now I need you to launch this thing.

570

00:32:15,619 --> 00:32:17,996

Wait until you can handle it. Please?

571

00:32:18,080 --> 00:32:19,289

There are no shortcuts.

572

00:32:19,373 --> 00:32:21,083

Okay. We'll just see about that.

573

00:32:21,249 --> 00:32:24,169

All right. My star racer is on the simulator!

574

00:32:24,336 --> 00:32:25,712

Why, yes, I am!

575

00:32:25,962 --> 00:32:28,048

Well, let's see you take it out for a spin.

576

00:32:28,298 --> 00:32:31,885

Right away, Mr. Sterling,
owner of the company.

577

00:32:34,554 --> 00:32:36,223

Okay. Have fun.

578

00:32:37,974 --> 00:32:39,935

This is what I'm talking about.

579

00:32:40,018 --> 00:32:41,895

Whoa. Didn't know about those.

580

00:32:42,396 --> 00:32:45,899

<i>Prepare to race. The green flag is out.</i>

581

00:32:45,982 --> 00:32:47,693

I don't see the flag. What do I do?

582

00:32:47,776 --> 00:32:48,860

- Go.

- Go?

583

00:32:50,821 --> 00:32:51,822

Whoa.

584

00:32:52,364 --> 00:32:53,907

That's sensitive.

585

00:32:54,449 --> 00:32:55,742

<i>You have hit a wall.</i>

586

00:32:55,909 --> 00:32:58,328

- It shouldn't be this hard, should it? Ah!

- <i>You have hit a wall.</i>

587

00:32:58,620 --> 00:33:01,373

You're fighting the simulator.

Just race like you always do.

588

00:33:02,124 --> 00:33:03,500

- <i>You have hit a wall.</i>

- Whoa.

589

00:33:03,709 --> 00:33:05,043

There can't be this many walls
on a regular track!

590

00:33:06,332 --> 00:33:07,916

<i>You have been passed by Jackson Storm.</i>

591

00:33:08,292 --> 00:33:10,461

- Wait, Storm's in here?
- For motivation.

592

00:33:10,669 --> 00:33:13,881

Storm races at 207. Pick it up, Mr. McQueen!

593

00:33:14,131 --> 00:33:15,215

I'm trying!

594

00:33:19,511 --> 00:33:20,929

- Ahhh!
- <i>You have hit a wall.</i>

595

00:33:21,096 --> 00:33:23,849

Mr. McQueen, come down from there
and we'll work you up to this.

596

00:33:24,141 --> 00:33:26,393

I am fine, Cruz. I can do it, okay?

597

00:33:26,477 --> 00:33:27,478

Whoa, whoa, whoa!

598

00:33:28,228 --> 00:33:29,646

Ahh!

599

00:33:29,855 --> 00:33:31,315

- <i>You have jumped a barrier.</i>

- Oh!

600

00:33:33,067 --> 00:33:33,817

Sorry!

601

00:33:33,901 --> 00:33:35,319

<i>You have maimed two vehicles.</i>

602

00:33:35,402 --> 00:33:37,279

<i>You have destroyed a drinking fountain.</i>

603

00:33:40,699 --> 00:33:42,284

<i>You have disabled an ambulance.</i>

604

00:33:42,368 --> 00:33:45,954

<i>You are on fire. Danger. Danger.</i>

605

00:33:46,580 --> 00:33:48,290

<i>You are going the wrong way.</i>

606

00:33:48,457 --> 00:33:50,167

Look out! Turn it off!

607

00:33:50,334 --> 00:33:52,294

Get these things off of me!

608

00:33:56,048 --> 00:33:58,425

<i>You have crashed. You have crashed.</i>

609

00:33:59,290 --> 00:34:00,959

- Are you all right?

- <i>You have crashed.</i>

610

00:34:01,501 --> 00:34:02,585

I have crashed.

611

00:34:08,925 --> 00:34:10,802

- It's not easy for him.

- Cruz, just relax.

612

00:34:11,052 --> 00:34:12,429

- Give him another chance.

- I will talk to him.

613

00:34:12,554 --> 00:34:15,640

- I can still work with him.

- I know he's your project.

614

00:34:15,807 --> 00:34:17,100

- Are you sure?

- Cruz.

615

00:34:17,308 --> 00:34:18,518

- Well, can't you just...

- Cruz.

616

00:34:18,685 --> 00:34:19,728

It's not easy for him.

617

00:34:19,811 --> 00:34:21,521

- Look, I'm trying to help you.

- Whoa.

618

00:34:22,564 --> 00:34:24,357

You're all warshed up, McQueen.

619

00:34:24,607 --> 00:34:26,151

I'm sorry. What?

620

00:34:27,485 --> 00:34:29,904

I said, the floor's all washed up and clean.

621

00:34:30,697 --> 00:34:32,282

Oh, right.

622

00:34:32,365 --> 00:34:34,200

- Thank you very much.

- Uh...

623

00:34:34,826 --> 00:34:36,244

Good luck.

624

00:34:37,203 --> 00:34:38,747

Hey, Lightning.

625

00:34:39,164 --> 00:34:41,541

Come on in.

Got something to show you. You ready?

626

00:34:42,208 --> 00:34:43,251

Uh, for what?

627

00:34:45,870 --> 00:34:47,163

Wow.

628

00:34:49,040 --> 00:34:51,959

You are about to become
the biggest brand in racing.

629

00:34:52,126 --> 00:34:56,255

We are talking saturation on all
continents for every demographic.

630

00:34:56,422 --> 00:34:59,550

Movie deals, infomercials,
product endorsements.

631

00:34:59,717 --> 00:35:02,095

- Mudflaps?

- Of course.

632

00:35:02,220 --> 00:35:05,139

We'll be rich beyond belief.

You think you're famous now?

633

00:35:06,974 --> 00:35:09,227

I thought you'd be mad about the simulator.

634

00:35:09,393 --> 00:35:12,605

I mean, this is all great, Mr. Sterling,

I guess, but I don't know.

635

00:35:12,772 --> 00:35:14,899

I've never really thought
of myself as a brand.

636

00:35:15,399 --> 00:35:18,778

Oh, nor do I. I'm a fan.
Maybe your most avid.

637

00:35:18,861 --> 00:35:21,072

I think of this as your legacy!

638

00:35:23,741 --> 00:35:26,911

It sounds like something that
happens after you're done racing.

639

00:35:30,248 --> 00:35:31,791

Mr. Sterling, what is this about?

640

00:35:32,458 --> 00:35:35,419

Look, Lightning. I'm not gonna race you.

641

00:35:35,753 --> 00:35:37,839

What? What do you mean not race me?

642

00:35:38,089 --> 00:35:40,258

- Hold on. Hold on.

- I'm not going to Florida?

643

00:35:40,424 --> 00:35:45,638

You have no idea how excited I was
to get you here because...

644

00:35:45,721 --> 00:35:48,391

I knew you'd be back.

645

00:35:49,100 --> 00:35:51,102

It was gonna be the
comeback story of the year!

646

00:35:51,269 --> 00:35:55,690

But your speed and performance
just aren't where they need to be.

647

00:35:56,315 --> 00:35:57,316

I'm sorry.

648

00:35:57,608 --> 00:36:01,154

We're talking about speed on a simulator.

649

00:36:01,320 --> 00:36:03,656

- Listen to how crazy that sounds.

- Look, I'm trying to help you.

650

00:36:03,823 --> 00:36:07,034

As your sponsor, yes,

but also as your friend.

651

00:36:07,201 --> 00:36:10,288

Your racing days are coming to an end.

652

00:36:10,454 --> 00:36:13,207

Every time you lose, you damage yourself.

653

00:36:13,374 --> 00:36:15,585

Damage the brand, you mean?

654

00:36:16,169 --> 00:36:19,046

Oh, Lightning, come on. You've done the work.

655

00:36:19,130 --> 00:36:22,300

Now move on to the next phase
and reap the reward.

656

00:36:22,800 --> 00:36:26,012

The racing is the reward. Not the stuff.

657

00:36:26,637 --> 00:36:27,889

I don't want to cash in.

658

00:36:28,055 --> 00:36:30,308

I want to feel the rush
of moving 200 miles an hour...

659

00:36:30,474 --> 00:36:33,644

inches from the other guys, pushing
myself faster than I thought I could go!

660

00:36:33,811 --> 00:36:36,230

That's the reward, Mr. Sterling!

661

00:36:37,190 --> 00:36:38,232

Oh, Lightning, come on.

662

00:36:40,067 --> 00:36:43,237

Look, I can do this. I can, I promise!

663

00:36:43,321 --> 00:36:44,989

I'll train like I did with Doc.

664

00:36:45,156 --> 00:36:48,367

I'll get my tires dirty

on every dirt track from here to Florida.

665

00:36:49,651 --> 00:36:52,488

I can start on Fireball Beach

where all the old greats used to race.

666

00:36:53,155 --> 00:36:54,615

Get your tires dirty.

667

00:36:54,907 --> 00:36:56,825

That's how you're gonna
get faster than Storm?

668

00:36:56,992 --> 00:37:00,662

Yes! Exactly! I mean, sacred dirt, right?

669

00:37:01,872 --> 00:37:05,667

Mr. Sterling, if you care about
my legacy, the one that Doc started,

670

00:37:05,834 --> 00:37:09,213

you'll let me do this.

I promise you, I will win.

671

00:37:09,880 --> 00:37:12,716

I don't know.

What you're asking, it's too risky.

672

00:37:13,008 --> 00:37:15,886

Come on. You like it, I can tell.

673

00:37:16,011 --> 00:37:20,099

It's got that little "comeback story

of the year" feel to it, doesn't it?

674

00:37:24,436 --> 00:37:25,437

One race?

675

00:37:28,190 --> 00:37:30,317

If you don't win at Florida, you'll retire?

676

00:37:30,692 --> 00:37:33,612

Look, if I don't win

I'll sell all the mudflaps you got.

677

00:37:33,779 --> 00:37:38,534

But if I do win,

I decide when I'm done. Deal?

678

00:37:40,411 --> 00:37:41,412

Deal.

679

00:37:42,037 --> 00:37:44,790

Thank you, Mr. Sterling. You won't be sorry.

680

00:37:44,957 --> 00:37:48,085

Just one thing and this is only because
I don't like taking chances.

681

00:37:48,252 --> 00:37:50,087

You're taking someone with you.

682

00:37:57,886 --> 00:38:00,722

You talked him into it!
Way to go, Mr. McQueen!

683

00:38:00,889 --> 00:38:02,391

Cruz.

684

00:38:02,766 --> 00:38:05,394

You could talk a snowmobile
into an air conditioner.

685

00:38:05,811 --> 00:38:07,896

You're going with me? With that thing?

686

00:38:08,105 --> 00:38:12,568

Yeah. You still need my help.

You're brittle like a fossil.

687

00:38:17,156 --> 00:38:20,951

- We got the cable.

- I don't need a trainer out here, Cruz.

688

00:38:21,577 --> 00:38:22,828

You're old!

689

00:38:22,911 --> 00:38:24,580

What if you fall on this beach
and can't get up?

690

00:38:25,122 --> 00:38:28,083

Well, life's a beach and then you drive.

691

00:38:30,461 --> 00:38:32,129

- Oh, McQueen.

- Thank you.

692

00:38:32,421 --> 00:38:34,173

This is beautiful.

693

00:38:34,423 --> 00:38:37,092

I can see why Mr. Sterling
said you wanted to train here.

694

00:38:37,759 --> 00:38:39,094

As soon as this thing's booted up,

695

00:38:39,178 --> 00:38:41,555

we'll get you on the treadmill...
and I'll track your speed.

696

00:38:41,805 --> 00:38:42,848

What? No!

697

00:38:42,931 --> 00:38:46,602

The whole idea is getting
my tires dirty. Real racing.

698

00:38:46,768 --> 00:38:50,272

I'm not driving on that thing when
I've got the sand and the whole earth.

699

00:38:51,982 --> 00:38:55,110

- Oh, okay.

- Luigi, let's do this.

700

00:38:55,402 --> 00:38:58,113

Welcome, racers, to Fireball Beach!

701

00:38:58,280 --> 00:39:01,992

Historic home for today's
great test of speed.

702

00:39:02,159 --> 00:39:06,121

Our finish line will be
the abandoned pier in the distance.

703

00:39:06,622 --> 00:39:11,502

All right. Quicker than quick,
faster than fast, I am speed...

704

00:39:11,668 --> 00:39:15,130

That is great self-motivation.
Did you come up with that?

705

00:39:15,214 --> 00:39:16,256

Yeah, I did.

706

00:39:16,340 --> 00:39:19,635

On your mark. Get set. Go!

707

00:39:31,563 --> 00:39:34,441

There you go! Felt good!

708

00:39:36,151 --> 00:39:37,653

Hey, what was my speed?

709

00:39:38,070 --> 00:39:40,155

I don't know.

I can only track you on the treadmill.

710

00:39:40,614 --> 00:39:41,615

No treadmills!

711

00:39:42,282 --> 00:39:43,575

Oh! What about Hamilton?

712

00:39:43,659 --> 00:39:44,660

<i>Hamilton here.</i>

713

00:39:44,952 --> 00:39:47,663

Who's Hamilton?

My electronic personal assistant.

714

00:39:47,829 --> 00:39:49,665

You know, like on your phone.

715

00:39:49,748 --> 00:39:51,333

You do have a phone, don't you?

716

00:39:51,542 --> 00:39:54,002

Racecars don't have phones, Cruz.

717

00:39:54,169 --> 00:39:56,672

Hamilton, track Mr. McQueen's
speed and report it.

718

00:39:56,838 --> 00:39:59,216

- <i>Tracking.</i>

- I'll stay as close as I can.

719

00:39:59,383 --> 00:40:01,343

Your suit will transmit
your speeds to Hamilton.

720

00:40:01,510 --> 00:40:03,804

Fine. Whatever. Let's do this.

721

00:40:05,556 --> 00:40:08,392

Quicker than quick, faster than fast,
I am speed. Come on, Luigi.

722

00:40:08,559 --> 00:40:11,061

On your mark, get set, and go!

723

00:40:11,311 --> 00:40:17,234

<i>46 miles per hour. 63 miles. Out of range.</i>

724

00:40:18,318 --> 00:40:19,361

Huh.

725

00:40:19,444 --> 00:40:21,863

That's odd. I didn't go!

726

00:40:23,991 --> 00:40:27,536

On sand you got to ease into your start
so your tires can grab, okay?

727

00:40:27,703 --> 00:40:30,581

- Okay.

- You do work with racecars, don't you?

728

00:40:30,747 --> 00:40:32,583

Yeah, but never outside.

729

00:40:32,666 --> 00:40:33,709

All right. Let's go again.

730

00:40:33,917 --> 00:40:35,168

Go!

731

00:40:36,712 --> 00:40:38,714

<i>54 miles per hour.</i>

732

00:40:38,880 --> 00:40:41,258

<i>75 miles per hour. Out of range.</i>

733

00:40:41,592 --> 00:40:43,218

Huh?

734

00:40:44,428 --> 00:40:47,014

Sorry! Got stuck!

735

00:40:47,514 --> 00:40:49,558

- Go again!

- And go!

736

00:40:50,225 --> 00:40:52,019

- Ah! Sorry!

- Go!

737

00:40:52,311 --> 00:40:53,395

Whoa!

738

00:40:53,478 --> 00:40:55,272

Go!

739

00:40:57,524 --> 00:40:58,859

The beach ate me.

740

00:40:59,109 --> 00:41:02,029

All right, Cruz, pick a line
on the compacted sand.

741

00:41:02,154 --> 00:41:04,114

You got to have traction
or you're gonna spin out.

742

00:41:04,489 --> 00:41:05,574

Let's do this thing!

743

00:41:05,657 --> 00:41:07,409

On your mark, get set, go!

744

00:41:08,577 --> 00:41:10,579

<i>122 miles per hour.</i>

745

00:41:10,704 --> 00:41:14,166

<i>134 miles... Out of range.</i>

746

00:41:14,750 --> 00:41:17,377

- Now what?

- I didn't want to hit a crab!

747

00:41:17,586 --> 00:41:20,422

- You got to be kidding me.

- What? It was cute!

748

00:41:23,884 --> 00:41:26,720

All right, one last chance
to try this before it gets dark.

749

00:41:26,928 --> 00:41:29,931

Now, you're going to take off
slow to let your tires grab.

750

00:41:30,098 --> 00:41:34,061

And pick a straight line on hard sand
so you don't spin out.

751

00:41:34,144 --> 00:41:37,105

And all of the crabbies

have gone night-night.

752

00:41:37,272 --> 00:41:38,357

Mr. McQueen.

753

00:41:38,482 --> 00:41:39,941

All right. Let's go again.

754

00:41:40,108 --> 00:41:41,443

And go!

755

00:41:44,404 --> 00:41:48,909

<i>150 miles per hour. 175 miles per hour.</i>

756

00:41:49,076 --> 00:41:51,620

<i>196 miles per hour.</i>

757

00:41:54,039 --> 00:41:57,167

All right! Finally! You made it!

758

00:41:57,250 --> 00:41:58,919

Congratulations! How'd I do?

759

00:41:59,378 --> 00:42:02,297

- You topped out at 198.

- 198? That's it?

760

00:42:02,631 --> 00:42:03,882

Still slower than Storm.

761

00:42:05,967 --> 00:42:07,386

Wasted my whole day.

762

00:42:07,552 --> 00:42:08,637

I wouldn't say that.

763

00:42:08,804 --> 00:42:12,057

It did feel great to be
out here doing real racing.

764

00:42:12,307 --> 00:42:14,810

This isn't real racing. We're on a beach!

765

00:42:14,976 --> 00:42:17,562

All you do is go straight.

How am I gonna get faster if I don't...

766

00:42:20,816 --> 00:42:22,234

Thunder Hollow.

767

00:42:23,402 --> 00:42:26,238

Thunder Hollow! There's a dirt track there!

768

00:42:26,405 --> 00:42:29,825

That's what I need!

To race against actual racers.

769

00:42:30,450 --> 00:42:32,911

No! Too public! If the press find you,

770

00:42:32,994 --> 00:42:35,956

they will be like many bugs on you.

771

00:42:36,123 --> 00:42:38,667

- Paparazzi!

- Guys, I really need this!

772

00:42:38,834 --> 00:42:43,463

Ah, just leave it to me, boss.

I am a master of disguise.

773

00:42:54,095 --> 00:42:56,306

All right! Next!

774

00:43:05,857 --> 00:43:08,068

You, sir, are officially incognito.

775

00:43:08,151 --> 00:43:09,486

Nobody's bothering you.

776

00:43:09,861 --> 00:43:11,946

The great Lightning McQueen.

777

00:43:12,280 --> 00:43:16,117

I can feel it, guys.

Tonight is the night I find my speed!

778

00:43:16,284 --> 00:43:20,038

<i>Racers, get on over</i>

<i>to the startin' line.</i> Pronto!

779

00:43:21,915 --> 00:43:24,125

All right! No more straight lines.

780

00:43:24,209 --> 00:43:25,835

Just a good old-fashioned oval.

781

00:43:26,206 --> 00:43:27,874

Hey, now! You that out-of-towner?

782

00:43:28,166 --> 00:43:31,169

Uh, yes. That's me! Chester Whipplefilter.

783

00:43:31,336 --> 00:43:34,131

And I'm Frances Beltline.

784

00:43:34,298 --> 00:43:36,216

- Cruz, what are you doing?

- I'm your trainer.

785

00:43:36,383 --> 00:43:39,219

I'm gonna track your speed
from the infield, Whipplefilter.

786

00:43:39,595 --> 00:43:41,430

Fine. Just stay out of the way.

787

00:43:41,597 --> 00:43:44,308

Excuse me, sir? Where are the other racers?

788

00:43:44,641 --> 00:43:46,059

Oh, they'll be along.

789

00:43:46,143 --> 00:43:50,314

We always let our guests
start right up front.

790

00:43:53,483 --> 00:43:56,361

<i>Welcome, y'all, to Thunder Hollow Speedway...</i>

791

00:43:57,112 --> 00:44:02,409

<i>for tonight's edition of Crazy Eight!</i>

792

00:44:12,294 --> 00:44:13,712

Did he say Crazy Eight?

793

00:44:13,795 --> 00:44:15,005

Whoa.

794

00:44:15,088 --> 00:44:16,214

<i>Race fans!</i>

795

00:44:16,590 --> 00:44:20,135

<i>It's time to meet tonight's challengers!</i>

796

00:44:23,722 --> 00:44:25,265

Have a nice trip!

797

00:44:26,516 --> 00:44:27,976

Protect and swerve!

798

00:44:35,525 --> 00:44:37,110

Cruz! This isn't what I thought it was.

799

00:44:37,194 --> 00:44:38,445

Come on, follow me and we'll slip out.

800

00:44:40,063 --> 00:44:43,608

Rule number one: the gate closes, you race.

801

00:44:44,233 --> 00:44:46,277

Wait! No, no, no. I'm not a racer.

802

00:44:46,611 --> 00:44:49,238

Rule number two: last car standing wins.

803

00:44:49,405 --> 00:44:53,117

And rule number three:

no cursing! It's Family Night.

804

00:44:53,451 --> 00:44:56,370

- Excuse me, sir?

- Wait. No, I'm just a trainer!

805

00:44:56,454 --> 00:44:58,081

Whoo!

806

00:44:59,287 --> 00:45:02,499

<i>And make way for
the undefeated Crazy Eight champion...</i>

807

00:45:02,874 --> 00:45:07,879

<i>the Diva of Demolition, Miss Fritter!</i>

808

00:45:11,174 --> 00:45:12,175

Boo!

809

00:45:13,760 --> 00:45:16,680

Lookie here, boys.

We got us a couple of rookies.

810

00:45:16,847 --> 00:45:21,685

I'm gonna call you Muddy Britches
and you Lemonade.

811

00:45:22,102 --> 00:45:24,396

Hey, neither one of them has a single dent.

812

00:45:24,563 --> 00:45:26,440

Oh, I'm gonna fix that!

813

00:45:26,982 --> 00:45:33,113

<i>All right, everybody! Let's go racing!</i>

814

00:45:38,618 --> 00:45:40,996

I'm about to commit a moving violation.

815

00:45:41,121 --> 00:45:42,164

Ow.

816

00:45:42,664 --> 00:45:44,541

<i>Boo!</i>

817

00:45:54,050 --> 00:45:54,801

Cruz!

818

00:45:55,510 --> 00:45:56,178

Ha-ha! Watch out.

819

00:45:56,803 --> 00:45:59,055

What are you doing? Got to keep moving!

820

00:45:59,222 --> 00:46:00,390

I shouldn't be out here!

821

00:46:00,891 --> 00:46:02,684

Move, Cruz! Move!

822

00:46:03,143 --> 00:46:04,644

What do I do? I can't steer!

823

00:46:04,811 --> 00:46:05,937

Turn right to go left! Turn right to go left!

824

00:46:06,354 --> 00:46:07,355

That doesn't make any sense!

825

00:46:07,439 --> 00:46:08,857

Turn right to go left!

826

00:46:12,903 --> 00:46:13,987

Whoa.

827

00:46:15,989 --> 00:46:17,657

- Hey, Patty.

- Oh, hey, Bill!

828

00:46:17,866 --> 00:46:19,993

Ahhh!

829

00:46:27,375 --> 00:46:31,046

Look, Ma, I can drive... Oh, man!

830

00:46:33,173 --> 00:46:34,758

Nice day for a drive, huh?

831

00:46:34,925 --> 00:46:36,885

Hey, buddy! Get the... out of my way!

832

00:46:37,135 --> 00:46:39,137

Whoo-hoo!

833

00:46:40,263 --> 00:46:41,807

Hey! I'm driving...

834

00:46:48,688 --> 00:46:50,690

Oh, look at my new hat!

835

00:46:54,528 --> 00:46:57,239

I'm flying! No! I'm not flying!

836

00:46:58,281 --> 00:47:00,242

Get it. Get it.

837

00:47:00,367 --> 00:47:01,409

I got it!

838

00:47:04,079 --> 00:47:05,997

Cruz!

839

00:47:11,419 --> 00:47:13,088

Oh!

840

00:47:14,339 --> 00:47:15,799

Hey, buddy! Move it!

841

00:47:16,758 --> 00:47:18,718

Turn right to go left. Turn right to go left.

842

00:47:19,094 --> 00:47:20,846

Whoa, whoa. Whoa!

843

00:47:24,015 --> 00:47:26,309

- Here I come, boy!

- No, no, no!

844

00:47:31,356 --> 00:47:32,107

Oh, no.

845

00:47:33,066 --> 00:47:34,359

<i>Buckle up, everybody!</i>

846

00:47:34,601 --> 00:47:37,187

<i>It's Fritter time!</i>

847

00:47:38,897 --> 00:47:41,650

Fritter! Fritter!

848

00:47:42,067 --> 00:47:44,694

Fritter! Fritter! Fritter!

849

00:47:44,861 --> 00:47:46,071

We love you, Miss Fritter.

850

00:47:46,863 --> 00:47:52,452

Oh, yeah! Your license plate's gonna
look real nice in my collection.

851

00:47:53,119 --> 00:47:54,496

- Oh, boy.

- Run!

852

00:47:55,830 --> 00:47:56,956

Oh, no.

853

00:47:57,374 --> 00:48:00,043

Remember, obey all appropriate street signs.

854

00:48:00,251 --> 00:48:01,628

Cruz!

855

00:48:08,051 --> 00:48:09,636

Whoa! Hey...

856

00:48:09,761 --> 00:48:11,638

Whoa, whoa, whoa.

857

00:48:12,180 --> 00:48:15,767

<i>Oh, my gracious! Miss Fritter's down!</i>

858

00:48:22,565 --> 00:48:23,858

Nobody touches him.

859

00:48:24,150 --> 00:48:26,069

He is mine!

860

00:48:28,029 --> 00:48:29,989

You gonna get it now, Whipplefilter!

861

00:48:32,325 --> 00:48:35,120

Come on, McQueen. You can do it.

Come on, Lightning, keep going.

862

00:48:36,246 --> 00:48:38,039

<i>Miss Fritter is looking
to get upright, folks.</i>

863

00:48:38,581 --> 00:48:39,791

<i>And she is not pleased.</i>

864

00:48:40,417 --> 00:48:42,669

- Get up. Get up!

- Fritter! Fritter!

865

00:48:43,253 --> 00:48:46,339

You about to feel the wrath of the...

866

00:48:46,548 --> 00:48:49,134

Lower Belleville County

Unified School District!

867

00:48:54,514 --> 00:48:56,015

Oh! What the... Wait...

868

00:48:58,017 --> 00:48:59,561

No, no, no! No! No!

869

00:49:02,439 --> 00:49:04,691

<i>Ladies and gentlemen, we have a winner!</i>

870

00:49:04,774 --> 00:49:06,526

<i>Frances Beltline!</i>

871

00:49:06,609 --> 00:49:10,029

Is that me? That's me! I won! I won!

872

00:49:10,113 --> 00:49:13,199

- Cruz! Cruz! No!

- Ahhh! Watch out!

873

00:49:14,701 --> 00:49:17,620

Whoa, whoa.

874

00:49:31,509 --> 00:49:33,011

Whipplefilter?

875

00:49:38,391 --> 00:49:40,727

It's Lightning McQueen!

876

00:49:42,520 --> 00:49:44,063

McQueen!

877

00:49:48,067 --> 00:49:49,569

<i>Fans here at Thunder Hollow
still buzzing over tonight's...</i>

878

00:49:49,736 --> 00:49:51,905

<i>unexpected appearance of Lightning McQueen.</i>

879

00:49:52,071 --> 00:49:53,656

<i>He has always been my favorite!</i>

880

00:49:53,823 --> 00:49:56,951

<i>My garage is covered from
head to toe with 95 posters.</i>

881

00:49:57,118 --> 00:49:59,370

<i>Tell our listeners at home
you weren't really trying</i>

882

00:49:59,454 --> 00:50:00,997

- *to wreck him, were you?*

- So trophy's kind of nice.

883

00:50:01,080 --> 00:50:02,207

Don't you think?

884

00:50:03,750 --> 00:50:07,086

I mean, I know you got like

a billion of them, so you would know.

885

00:50:09,422 --> 00:50:11,591

I still can't believe I won.

886

00:50:11,674 --> 00:50:13,760

It's pretty shiny.

I have never seen one up close.

887

00:50:13,927 --> 00:50:16,012

Looks like they spent a lot of money on it.

888

00:50:16,095 --> 00:50:17,472

I mean, I think it's real metal.

889

00:50:17,639 --> 00:50:20,266

Stop. Just stop, okay, Cruz?

You don't even know.

890

00:50:20,433 --> 00:50:23,520

- You don't even have one clue...

- Hey! I was just trying...

891

00:50:23,686 --> 00:50:26,064

Do you know what happens if I lose this race?

892

00:50:27,440 --> 00:50:31,444

Every mile of this trip was to get me
faster than Jackson Storm. Faster!

893

00:50:32,111 --> 00:50:34,739

I started off getting nowhere
for a week on a simulator!

894

00:50:34,985 --> 00:50:37,112

I lose a whole day with you
on Fireball Beach.

895

00:50:37,279 --> 00:50:40,615

And then I waste tonight
in the crosshairs of Miss Fritter!

896

00:50:40,949 --> 00:50:43,368

I'm stuck in the same speed
I was a month ago!

897

00:50:43,452 --> 00:50:47,748

I can't get any faster because
I'm too busy taking care of my trainer!

898

00:50:49,124 --> 00:50:53,462

This is my last chance, Cruz.
Last! Final! *Finito!*

899

00:50:53,628 --> 00:50:56,423

If I lose, I never get to do this again.

900

00:50:56,506 --> 00:50:57,966

If you were a racer...

901

00:50:58,133 --> 00:51:02,304

you'd know what I'm talking about
but you're not! So you don't.

902

00:51:08,310 --> 00:51:09,728

Mack! Pull over!

903

00:51:10,145 --> 00:51:11,354

What? Now?

904

00:51:11,563 --> 00:51:12,773

Now!

905

00:51:13,607 --> 00:51:15,275

Ahh! Okay! Pulling over!

906

00:51:21,323 --> 00:51:24,159

Ask me if I dreamed of being a trainer,
Mr. McQueen. Go ahead.

907

00:51:25,494 --> 00:51:28,413

Ask me if I got up in the dark

908

00:51:28,580 --> 00:51:30,540

to run laps before school every day.

909

00:51:30,707 --> 00:51:33,877

Ask me if I saved every penny to buy a ticket

910

00:51:34,002 --> 00:51:35,754

to the races when they came to town.

911

00:51:35,837 --> 00:51:40,008

Ask me if I did that so I could be
a trainer someday. Ask me.

912

00:51:41,176 --> 00:51:42,677

- Did you?

- No!

913

00:51:43,261 --> 00:51:45,889

I've wanted to become a racer forever!

914

00:51:47,015 --> 00:51:48,266

Because of you!

915

00:51:53,855 --> 00:51:57,275

I used to watch you on TV,
flying through the air.

916

00:51:58,610 --> 00:52:02,072

You seemed so... fearless.

917

00:52:05,408 --> 00:52:09,037

"Dream small, Cruz,"
that's what my family used to say.

918

00:52:09,704 --> 00:52:11,790

"Dream small or not at all."

919

00:52:14,543 --> 00:52:16,211

They were just trying to protect me.

920

00:52:17,546 --> 00:52:20,132

But I was the fastest kid in town

921

00:52:20,215 --> 00:52:22,509

and I was gonna prove them wrong.

922

00:52:24,511 --> 00:52:25,887

What happened?

923

00:52:27,222 --> 00:52:30,851

When I got to my first race,

I figured it out.

924

00:52:32,185 --> 00:52:33,311

What?

925

00:52:35,973 --> 00:52:37,600

That I didn't belong.

926

00:52:38,518 --> 00:52:40,478

The other racers looked nothing like me.

927

00:52:42,271 --> 00:52:47,443

They were bigger and stronger

and so... confident.

928

00:52:49,821 --> 00:52:54,033

And when they started their engines,
that was it...

929

00:52:54,200 --> 00:52:56,536

I knew I'd never be a racer.

930

00:53:00,039 --> 00:53:01,332

I just left.

931

00:53:02,917 --> 00:53:06,087

It was my one shot and I didn't take it.

932

00:53:12,844 --> 00:53:16,264

Yeah, so, uh, I'm gonna head back
to the training center.

933

00:53:16,931 --> 00:53:19,100

I think we both know it's for the best.

934

00:53:22,687 --> 00:53:24,397

But can I ask you something?

935

00:53:27,066 --> 00:53:29,026

What was it like for you?

936

00:53:29,110 --> 00:53:31,070

When you showed up to your first race?

937

00:53:32,405 --> 00:53:34,031

How did you know you could do it?

938

00:53:36,074 --> 00:53:39,328

I don't know.

I just never thought I couldn't.

939

00:53:43,332 --> 00:53:45,334

I wish I knew what that felt like.

940

00:53:48,003 --> 00:53:49,671

Good luck, Mr. McQueen.

941

00:53:51,089 --> 00:53:54,051

Cruz. Cruz, wait.

942

00:53:58,013 --> 00:54:01,058

<i>And earn your physics degree
from the comfort of your own home...</i>

943

00:54:01,224 --> 00:54:04,478

<i>You'll get that and a \$200 gift, for \$29.95.</i>

944

00:54:04,644 --> 00:54:05,771

<i>Now look here, Warden...</i>

945

00:54:05,854 --> 00:54:06,980

<i>Oh, no! He's got a jack!</i>

946

00:54:08,521 --> 00:54:10,273

<i>Autos over 100,000 miles
also reported trouble sleeping.</i>

947

00:54:10,439 --> 00:54:13,901

<i>You could have 12 worn-out wrenches
or you could have one atomic wrench.</i>

948

00:54:14,068 --> 00:54:15,653

<i>Throw the old ones out. This covers...</i>

949

00:54:15,820 --> 00:54:17,822

<i>"Champion for the Ages" Chick Hicks here.</i>

950

00:54:18,072 --> 00:54:20,157

<i>Coming to you live from...

Chick Hicks Studios,</i>

951

00:54:20,241 --> 00:54:21,367

<i>where I'm joined once again by...</i>

952

00:54:21,534 --> 00:54:23,494

<i>next-gen racing expert, Natalie Certain.</i>

953

00:54:23,911 --> 00:54:28,207

<i>Thanks, Chick. Piston Cup champion

Jackson Storm set a new record today...</i>

954

00:54:28,374 --> 00:54:31,002

<i>when he pulled off

the fastest lap ever recorded.</i>

955

00:54:31,168 --> 00:54:34,922

<i>An unprecedented 213 miles an hour.</i>

956

00:54:35,715 --> 00:54:37,633

<i>Wow! So what do you think, Certain?</i>

957

00:54:37,800 --> 00:54:40,303

Stormy boy gonna start
the season with another win?

958

00:54:40,469 --> 00:54:41,554

Highly likely, Chick.

959

00:54:41,637 --> 00:54:43,973

Based on his recent run times
and forecasted...

960

00:54:44,140 --> 00:54:45,349

track temperatures on race day,

961

00:54:45,433 --> 00:54:49,020

Storm's chances of winning... are 95.2%.

962

00:54:49,468 --> 00:54:50,469

That low, huh?

963

00:54:50,553 --> 00:54:54,598

Oh, and in case you missed it, talk of
the track tonight is Lightning McQueen...

964

00:54:54,765 --> 00:54:59,311

finding yet another way to embarrass
himself at a demolition derby. Whoa.

965

00:55:00,396 --> 00:55:01,772

Almost makes me feel sorry for the guy.

966

00:55:01,856 --> 00:55:02,857

Not really.

967

00:55:03,524 --> 00:55:04,775

Here's what his new sponsor had to say.

968

00:55:05,234 --> 00:55:07,528

Everyone, relax. The 95's gonna race.

969

00:55:07,695 --> 00:55:11,407

Lightning's just taking a somewhat
unconventional approach to this race.

970

00:55:11,574 --> 00:55:12,950

It's one of the things
his fans love about him.

971

00:55:14,194 --> 00:55:16,154

<i>Yeah, right! Talk about humiliating.</i>

972

00:55:16,404 --> 00:55:19,658

<i>If I were old Ka-chow... I wouldn't
even bother to show up in Florida.</i>

973

00:55:19,824 --> 00:55:22,160

<i>That could be for the best, Chick.
Even if he does race...</i>

974

00:55:22,786 --> 00:55:26,331

<i>McQueen's probability of winning is 1.2%.</i>

975

00:55:26,414 --> 00:55:27,415

<i>Wow!</i>

976

00:55:27,832 --> 00:55:29,960

<i>Numbers never lie.</i>

977

00:55:30,126 --> 00:55:32,754

<i>I'm willing to predict tonight
that Lightning McQueen's racing...</i>

978

00:55:32,921 --> 00:55:36,258

<i>career will be over within the week.</i>

979

00:55:36,341 --> 00:55:37,801

<i>It might even be over now.</i>

980

00:55:37,926 --> 00:55:39,844

<i>I mean, I knew his career
was stuck in the mud...</i>

981

00:55:44,057 --> 00:55:45,934

<i>First you find a can from a rusty van</i>

982

00:55:46,059 --> 00:55:47,018

<i>Bump-bump</i>

983

00:55:47,102 --> 00:55:48,812

<i>Quicker than a dart, make it into art</i>

984

00:55:48,895 --> 00:55:49,896

<i>Bump-bump</i>

985

00:55:49,980 --> 00:55:51,314

<i>That's the way it's done, it's a lot of fun</i>

986

00:55:51,398 --> 00:55:52,357

<i>Bump-bump</i>

987

00:55:52,524 --> 00:55:54,859

<i>Liftin' my funk,</i>

<i>makin' sculpture outta junk</i> #

988

00:55:56,945 --> 00:55:59,406

What's that? There we go!

989

00:55:59,489 --> 00:56:00,156

Somebody's interrupting genius!

990

00:56:02,364 --> 00:56:05,033

- Well, hey, there, buddy!

- *<i>Mater!</i>*

991

00:56:05,117 --> 00:56:08,578

You know, I was just thinking of you
and here you are lookin' right at me!

992

00:56:08,745 --> 00:56:12,541

*<i>You see me okay? Hang on a second
there. Hold on. Let me see here.</i>*

993

00:56:13,834 --> 00:56:15,085

<i>That better?</i>

994

00:56:15,585 --> 00:56:17,879

Looking you straight in the eye there, pal.

995

00:56:17,963 --> 00:56:20,298

Hey, sorry about calling so late.

996

00:56:21,001 --> 00:56:22,085

Shoot, not for me it's not.

997

00:56:22,169 --> 00:56:24,046

I'm always burning that midnight oil.

998

00:56:24,212 --> 00:56:26,339

So get me caught up on everything.

999

00:56:26,590 --> 00:56:29,926

Well, actually kind of hoping

I might hear what's going on back home.

1000

00:56:30,093 --> 00:56:34,681

Not much. If you don't count Sarge
and Fillmore tryin' to run the tire shop.

1001

00:56:34,848 --> 00:56:38,185

But tell Luigi not to worry,
Sarge is gonna track down...

1002

00:56:38,351 --> 00:56:40,771

every last tire
that Fillmore done gived away.

1003

00:56:41,563 --> 00:56:43,523

<i>Other than that, everything's good.</i>

1004

00:56:43,607 --> 00:56:45,275

- How's Sally?

- <i>Oh, she's fine.</i>

1005

00:56:45,859 --> 00:56:48,111

<i>Keeping busy at the Cone. She misses you.</i>

1006

00:56:48,278 --> 00:56:50,989

<i>Well, shoot! We all do
when you're on the road.</i>

1007

00:56:52,240 --> 00:56:56,495

Yeah. You know, I've been

kind of thinking about that.

1008

00:56:56,661 --> 00:56:59,956

You know, what we should do
when I'm not on the road anymore.

1009

00:57:00,624 --> 00:57:02,042

<i>What do you mean not on the road?</i>

1010

00:57:02,959 --> 00:57:04,920

Well, you know.

1011

00:57:06,129 --> 00:57:07,839

Mater, I can't do this forever.

1012

00:57:08,590 --> 00:57:09,591

Huh?

1013

00:57:10,967 --> 00:57:13,804

I'm just not getting anywhere
with the training.

1014

00:57:13,970 --> 00:57:16,181

If anything, I've gotten slower not faster.

1015

00:57:16,848 --> 00:57:18,725

<i>Shoot, buddy, it'll work out.</i>

1016

00:57:18,809 --> 00:57:20,060

<i>Just tell me what the problem is...</i>

1017

00:57:20,227 --> 00:57:22,437

*<i>and I'll stay right here
with you until we fix it.</i>*

1018

00:57:23,063 --> 00:57:25,273

That's just it, Mater. I don't know.

1019

00:57:26,066 --> 00:57:27,984

And I feel like I'm all out of ideas.

1020

00:57:28,735 --> 00:57:29,945

<i>Hmm.</i>

1021

00:57:30,028 --> 00:57:33,115

<i>All right, let me think.

Oh! You know what I'd do?</i>

1022

00:57:33,281 --> 00:57:34,491

What?

1023

00:57:36,159 --> 00:57:38,161

<i>I don't know. I got nothin'.</i>

1024

00:57:38,495 --> 00:57:40,413

<i>I guess I ain't Doc when it comes to that.</i>

1025

00:57:41,832 --> 00:57:44,751

I would give anything
to talk to him right now.

1026

00:57:44,918 --> 00:57:47,546

<i>Yep, there was nobody smarter than old Doc.</i>

1027

00:57:47,712 --> 00:57:49,422

<i>Well, except for maybe whoever taught him.</i>

1028

00:57:49,631 --> 00:57:51,883

Yeah. Wait. What?

1029

00:57:52,467 --> 00:57:54,427

<i>Everybody was taught by somebody, right?</i>

1030

00:57:54,511 --> 00:57:55,637

<i>Take my cousin Doyle.</i>

1031

00:57:56,138 --> 00:57:58,348

<i>He taught me how to sing
and whistle at the same time.</i>

1032

00:57:58,515 --> 00:57:59,933

<i>He was very musical that way.</i>

1033

00:58:00,100 --> 00:58:03,103

Smokey. Mater, you're brilliant.

1034

00:58:03,353 --> 00:58:06,648

<i>Ah, well... It's all about
the shape of your teeth.</i>

1035

00:58:06,815 --> 00:58:08,150

I got to go to Thomasville.

1036

00:58:08,316 --> 00:58:09,609

<i>Oh, well, good.</i>

1037

00:58:09,693 --> 00:58:12,112

You know me, buddy, I'm always happy to help.

1038

00:58:12,279 --> 00:58:16,032

Think I am better at that than most folks.

You know, talkin' and stuff.

1039

00:58:31,798 --> 00:58:32,799

Hey, Cruz.

1040

00:58:33,466 --> 00:58:35,218

You won't talk me out of this, Mr. McQueen.

1041

00:58:35,385 --> 00:58:37,846

I'm going back. I resign as your trainer.

1042

00:58:38,513 --> 00:58:42,392

All right. I accept your resignation. Bye.

1043

00:58:43,143 --> 00:58:44,978

Oh... Okay.

1044

00:58:45,812 --> 00:58:49,566

But since you cleared your calendar,
why don't you come with us?

1045

00:58:49,733 --> 00:58:51,776

I'm looking for someone named Smokey.

1046

00:58:51,943 --> 00:58:55,280

Hoping he can help me.
Maybe he can help you too.

1047

00:58:55,780 --> 00:58:56,781

Nah.

1048

00:58:56,948 --> 00:59:00,118

Come on. I fixed it.

1049

00:59:01,286 --> 00:59:03,663

No. Thanks anyway. But I'm done.

1050

00:59:04,122 --> 00:59:08,376

Okay. But maybe this will
change your mind. Hit it.

1051

00:59:10,003 --> 00:59:12,631

First I'm going to loosen up
these ancient joints...

1052

00:59:12,797 --> 00:59:14,174

No, please don't.

1053

00:59:14,257 --> 00:59:15,884

I'm sorry. I'm sorry.

1054

00:59:16,051 --> 00:59:17,844

I'm sorry that I yelled.

1055

00:59:17,928 --> 00:59:21,348

It wasn't your fault
that I almost got killed.

1056

00:59:21,431 --> 00:59:24,684

But now you're leaving
and you won't get on the ramp.

1057

00:59:24,851 --> 00:59:26,061

- All right, I'll go.
- You won't get on the ramp.

1058

00:59:26,144 --> 00:59:27,145

All right, I'll go! Just stop!

1059

00:59:32,776 --> 00:59:34,527

How do you know Smokey's going to be here?

1060

00:59:34,694 --> 00:59:36,029

I don't.

1061

00:59:36,404 --> 00:59:39,282

Oh. Do you know if he's even alive?

1062

00:59:39,950 --> 00:59:40,951

Nope.

1063

00:59:41,618 --> 00:59:42,661

Okay.

1064

00:59:43,995 --> 00:59:46,748

So tell me this: how do you know
if it's Smokey? Is there such...

1065

00:59:46,915 --> 00:59:49,084

Wait. Mack, pull over!

1066

00:59:49,209 --> 00:59:50,585

Back it up! Back it up.

1067

01:00:08,061 --> 01:00:09,521

Good to see you, Doc.

1068

01:00:10,021 --> 01:00:12,774

Hey, isn't that your old crew chief?

1069

01:00:13,608 --> 01:00:16,861

Hey, Cruz? You want to
check out the home track

1070

01:00:16,986 --> 01:00:18,738

of the greatest racer ever?

1071

01:00:21,324 --> 01:00:24,202

Aren't we supposed to be looking for Smokey?

1072

01:00:24,285 --> 01:00:26,287

Oh, that's right, he's dead.

1073

01:00:26,454 --> 01:00:28,248

We don't know that.

1074

01:00:36,380 --> 01:00:38,341

Are you sure you have time for this?

1075

01:00:39,217 --> 01:00:41,886

For this, I do.

1076

01:01:00,154 --> 01:01:01,364

Wow!

1077

01:01:02,406 --> 01:01:04,158

If this track could talk.

1078

01:01:07,787 --> 01:01:11,165

Cruz, what do you say? Let's take a lap.

1079

01:01:11,332 --> 01:01:14,377

Oh, yeah!

1080

01:01:19,465 --> 01:01:20,967

Oh, whoa!

1081

01:01:37,358 --> 01:01:38,859

Yes! You nailed it!

1082

01:01:39,110 --> 01:01:41,779

Way easier without the school bus
of death trying to kill us!

1083

01:01:42,029 --> 01:01:43,239

Yeah, no kidding!

1084

01:02:00,086 --> 01:02:02,505

Was starting to think I might never meet you.

1085

01:02:03,381 --> 01:02:04,382

Smokey?

1086

01:02:08,428 --> 01:02:10,222

He is alive.

1087

01:02:10,889 --> 01:02:15,185

I know why you're here. You're thirsty.

1088

01:02:19,481 --> 01:02:20,607

I'll tell you what,

1089

01:02:20,690 --> 01:02:23,485

these folks are gonna get a kick
out of meeting Hud's boy.

1090

01:02:23,652 --> 01:02:28,240

Who's Hud? Oh, Doc Hudson! Right.

1091

01:02:30,408 --> 01:02:32,285

Hey!

1092

01:02:32,953 --> 01:02:34,955

Act civilized. We got company.

1093

01:02:35,205 --> 01:02:38,041

Hey, Les. How's that back axle treating you?

1094

01:02:38,208 --> 01:02:39,709

Hey, sugar, welcome to Thomasville.

1095

01:02:41,795 --> 01:02:44,172

- Would you look at that?

- What?

1096

01:02:44,339 --> 01:02:46,591

Three of the biggest racing legends ever!

1097

01:02:47,008 --> 01:02:49,970

Junior "Midnight" Moon.

River Scott. Louise...

1098

01:02:50,053 --> 01:02:52,472

Louise "Barnstormer" Nash? She had 38 wins!

1099

01:02:52,973 --> 01:02:56,142

Well, as I live and breathe.

If it ain't Lightning McQueen.

1100

01:02:56,351 --> 01:02:58,353

Ms. Nash, it's a pleasure to meet you...

1101

01:02:58,603 --> 01:02:59,646

You've had a tough year, haven't you?

1102

01:02:59,854 --> 01:03:00,939

Oh, uh...

1103

01:03:01,022 --> 01:03:03,817

Shouldn't you be running practice laps
in Florida by now?

1104

01:03:04,234 --> 01:03:06,569

- Yeah, sure, but...

- They're here to steal our secrets.

1105

01:03:06,736 --> 01:03:08,363

Looking for your lost mojo?

1106

01:03:08,863 --> 01:03:11,324

Wow. You don't mince words
around here, do you?

1107

01:03:12,784 --> 01:03:14,577

Truth is always quicker, kid.

1108

01:03:19,708 --> 01:03:23,378

<i>But all he kept talking about was</i>

1109

01:03:23,461 --> 01:03:25,088

<i>Glory days</i>

1110

01:03:26,131 --> 01:03:29,467

<i>They'll pass you by Glory days</i>

1111

01:03:29,634 --> 01:03:31,761

<i>In the wink of a young girl's eye</i>

1112

01:03:31,845 --> 01:03:33,305

<i>Glory days</i>

1113

01:03:33,471 --> 01:03:36,224

<i>Glory days</i>

1114

01:03:36,391 --> 01:03:37,851

Guido, she's an angel.

1115

01:03:39,185 --> 01:03:40,687

Lou won't admit this,

1116

01:03:40,770 --> 01:03:44,232

but she used to have serious eyes for Hud.

1117

01:03:44,816 --> 01:03:45,859

Oh, really?

1118

01:03:45,984 --> 01:03:47,777

Even if I did, it wouldn't have mattered.

1119

01:03:47,944 --> 01:03:50,655

Hud didn't like fast women.

And that left me out.

1120

01:03:51,865 --> 01:03:54,492

Old Lou wasn't just fast, she was fearless.

1121

01:03:54,743 --> 01:03:57,829

The second I saw my first race,
I just knew I had to get in there.

1122

01:03:57,996 --> 01:04:02,417

Of course, the fellas in charge
didn't like a lady racer showin' them up.

1123

01:04:02,584 --> 01:04:04,127

So they wouldn't let me have a number.

1124

01:04:04,377 --> 01:04:05,545

What did you do?

1125

01:04:05,837 --> 01:04:07,047

I stole one!

1126

01:04:07,255 --> 01:04:08,340

- What?

- Wow.

1127

01:04:08,715 --> 01:04:11,509

Life's too short to take no
for an answer. Right, River?

1128

01:04:11,676 --> 01:04:14,554

If we had waited for an invitation,
we might've never raced.

1129

01:04:14,721 --> 01:04:17,140

And once we got on the track,
we didn't want to leave.

1130

01:04:17,349 --> 01:04:18,933

I think that's how Doc felt too.

1131

01:04:19,142 --> 01:04:21,186

You should've seen him
when he first came to town.

1132

01:04:21,269 --> 01:04:23,104

Shiny blue paint.

1133

01:04:23,271 --> 01:04:24,647

Not just the Hudson Hornet.

1134

01:04:24,731 --> 01:04:26,566

He was already calling himself...

1135

01:04:26,733 --> 01:04:28,902

...the Fabulous Hudson Hornet.

1136

01:04:28,985 --> 01:04:30,236

Whoo-hoo!

1137

01:04:30,445 --> 01:04:32,322

Did we ever ride him on that.

1138

01:04:32,489 --> 01:04:33,490

Not for long.

1139

01:04:33,573 --> 01:04:36,451

Hud was the fastest racer
this side of the Mississippi.

1140

01:04:36,743 --> 01:04:38,078

Until he wasn't.

1141

01:04:38,578 --> 01:04:39,579

What?

1142

01:04:40,747 --> 01:04:43,083

Everything changed when the rookie showed up.

1143

01:04:49,672 --> 01:04:52,675

<i>Took Hud all of no time to work
his way through the best racers...</i>

1144

01:04:52,759 --> 01:04:54,344

<i>in both Carolinas.</i>

1145

01:04:55,261 --> 01:04:59,099

<i>Past River. Past Lou. Even Junior.</i>

1146

01:05:01,351 --> 01:05:03,311

<i>But there was still the rookie to deal with.</i>

1147

01:05:06,481 --> 01:05:08,191

<i>Tried slamming him into the wall.</i>

1148

01:05:10,110 --> 01:05:12,862

<i>But Hud never touched any wall,</i>

1149

01:05:12,987 --> 01:05:14,114

<i>unless he wanted to.</i>

1150

01:05:25,125 --> 01:05:28,169

That rookie never saw

anything like that before.

1151

01:05:28,336 --> 01:05:30,547

- Doc did that?

- Whoa! Are you kidding?

1152

01:05:30,797 --> 01:05:33,883

Couldn't wipe the smile off his face
for a week after that.

1153

01:05:35,885 --> 01:05:37,971

I wish I could've seen him like that.

1154

01:05:39,139 --> 01:05:42,016

- Like what?

- So happy.

1155

01:05:49,190 --> 01:05:52,152

You didn't come all this way
for a quart of oil, did you?

1156

01:05:53,486 --> 01:05:55,363

I need your help, Smokey.

1157

01:05:56,072 --> 01:05:58,533

Yeah? What kind of help?

1158

01:05:59,868 --> 01:06:02,954

That's just it, I'm not sure.

1159

01:06:03,037 --> 01:06:05,081

All I know is if I lose in Florida...

1160

01:06:06,332 --> 01:06:08,042

it's over for me.

1161

01:06:08,126 --> 01:06:10,336

What happened to Doc will happen to me.

1162

01:06:11,504 --> 01:06:13,173

What did happen to him?

1163

01:06:14,507 --> 01:06:18,553

You know,

racing was the best part of his life.

1164

01:06:18,720 --> 01:06:20,430

And when it ended, he...

1165

01:06:21,764 --> 01:06:24,225

Well, we both know he was
never the same after that.

1166

01:06:26,227 --> 01:06:27,854

Is that what you think?

1167

01:06:29,856 --> 01:06:32,525

Come on. I want to show you something.

1168

01:06:38,531 --> 01:06:40,450

You got the first part right.

1169

01:06:41,117 --> 01:06:43,286

The crash broke Hud's body

1170

01:06:43,369 --> 01:06:45,538

and the "no more racing" broke his heart.

1171

01:06:46,206 --> 01:06:47,582

He cut himself off.

1172

01:06:47,665 --> 01:06:49,626

Disappeared to Radiator Springs.

1173

01:06:49,792 --> 01:06:52,879

Son of a gun didn't talk to me for 50 years.

1174

01:06:53,546 --> 01:06:57,300

But then one day,
the letters started coming in.

1175

01:07:09,845 --> 01:07:12,556

And every last one of them was about you.

1176

01:07:15,434 --> 01:07:18,520

Yeah, Hud loved racing.

1177

01:07:19,563 --> 01:07:20,731

But coaching you?

1178

01:07:21,690 --> 01:07:24,568

I had never seen the old grump so happy.

1179

01:07:28,614 --> 01:07:31,575

Racing wasn't the best part of Hud's life.

1180

01:07:33,076 --> 01:07:34,453

You were.

1181

01:07:38,707 --> 01:07:40,292

You ready to blow out

a little carbon there, boy?

1182

01:07:40,417 --> 01:07:41,251

Yes, I am!

1183

01:07:44,588 --> 01:07:46,798

You give it too much throttle,
you're in the tulips.

1184

01:07:48,592 --> 01:07:51,303

Hey, Lightning. You might want

to take notes on this one.

1185

01:08:03,935 --> 01:08:05,937

<i>You got a lot of stuff, kid.</i>

1186

01:08:22,036 --> 01:08:26,124

Hud saw something in you
that you don't even see in yourself.

1187

01:08:27,875 --> 01:08:29,836

Are you ready to go find it?

1188

01:08:30,795 --> 01:08:32,171

Yes, sir.

1189

01:08:41,385 --> 01:08:42,719

All right, all right. Bring it back.

1190

01:08:45,848 --> 01:08:48,976

Lesson one: You're old. Accept it.

1191

01:08:49,143 --> 01:08:51,395

- I told him that.

- He's probably losing his hearing.

1192

01:08:51,478 --> 01:08:53,063

He said you're old and losing...

1193

01:08:53,147 --> 01:08:54,231

I heard him.

1194

01:08:54,314 --> 01:08:56,567

You'll never be as fast as Storm,

1195

01:08:56,650 --> 01:08:58,402

but you can be smarter than him.

1196

01:08:58,986 --> 01:09:00,904

Okay, what do I do?

1197

01:09:01,530 --> 01:09:03,365

They said you were in a demolition derby.

1198

01:09:03,532 --> 01:09:05,075

Yeah, it was terrible and I almost...

1199

01:09:05,451 --> 01:09:07,661

Are you sure?

Because there's not a scratch on you.

1200

01:09:12,030 --> 01:09:13,657

Funny what a racer can do

when he's not over-thinking things.

1201

01:09:15,867 --> 01:09:19,246

<i>Shannon Spokes here at Florida

International, where Jackson Storm...</i>

1202

01:09:19,413 --> 01:09:22,499

<i>clocked 214 miles per hour today.</i>

1203

01:09:27,412 --> 01:09:30,498

You want to beat Storm,

you need someone to stand in for him.

1204

01:09:30,665 --> 01:09:32,166

Like a sparring partner.

1205

01:09:32,333 --> 01:09:36,170

I'm not so sure. Not a racer. Just a trainer!

1206

01:09:36,337 --> 01:09:37,255

Go ahead and gun it.

1207

01:09:42,218 --> 01:09:43,720

Oh, yeah!

1208

01:09:43,928 --> 01:09:46,264

With no muffler you even sound like Storm.

1209

01:09:47,056 --> 01:09:49,183

Oh, you're going down, McQueen!

1210

01:09:49,350 --> 01:09:51,519

Get that arthritis-riddled keister
onto the track

1211

01:09:51,686 --> 01:09:54,522

so I can put you into...

the old folks' home against your will!

1212

01:09:56,190 --> 01:09:57,066

How was that?

1213

01:09:57,859 --> 01:09:59,402

- That'll work.

- Worked for me.

1214

01:09:59,610 --> 01:10:01,112

- I'm good.

- Yep. That'll do.

1215

01:10:01,279 --> 01:10:01,946

Did you hear what she said?

1216

01:10:02,780 --> 01:10:05,366

You didn't show up in Florida for qualifying

1217

01:10:05,450 --> 01:10:07,243

so you'll be starting last.

1218

01:10:07,910 --> 01:10:09,662

I'll give you three laps to catch her.

1219

01:10:09,912 --> 01:10:12,457

Go through the entire field in three laps?

1220

01:10:13,041 --> 01:10:14,208

You want to beat Storm or not?

1221

01:10:14,459 --> 01:10:17,920

- Yes! Of course I do.

- Well, then, go!

1222

01:10:19,547 --> 01:10:20,715

Come on, kid.

1223

01:10:31,551 --> 01:10:34,596

All right. Looks like we got some work to do.

1224

01:10:35,263 --> 01:10:38,600

Look alive. The reflexes

are the first thing to go.

1225

01:10:41,353 --> 01:10:43,230

Ah!

1226

01:10:44,648 --> 01:10:45,899

Why are we in a field?

1227

01:10:46,483 --> 01:10:48,402

Sneak through that window!

1228

01:10:48,485 --> 01:10:50,153

- What does that mean?

- I don't know.

1229

01:10:50,278 --> 01:10:50,987

Go!

1230

01:10:56,576 --> 01:10:57,577

Whoa!

1231

01:11:00,449 --> 01:11:02,743

Not cool, man. Not cool!

1232

01:11:07,122 --> 01:11:08,249

Let's run it back.

1233

01:11:10,668 --> 01:11:12,586

Do you even want to be out here?

1234

01:11:15,464 --> 01:11:17,007

Only two days left, kid.

1235

01:11:17,091 --> 01:11:19,093

You got to work harder.

1236

01:11:22,843 --> 01:11:24,136

Wait, wait, who was that?

1237

01:11:24,303 --> 01:11:25,513

I put McQueen in there.

1238

01:11:25,596 --> 01:11:27,097

Give you some real competition.

1239

01:11:30,935 --> 01:11:33,062

Hud was a master of letting the other cars

1240

01:11:33,229 --> 01:11:34,355

do the work for him.

1241

01:11:34,438 --> 01:11:37,191

He used to say cling to 'em
like you was two June bugs...

1242

01:11:37,650 --> 01:11:38,609

on a summer night.

1243

01:11:38,776 --> 01:11:40,027

He stole that from me.

1244

01:11:40,528 --> 01:11:42,905

Drafting? I've never had to do that.

1245

01:11:42,988 --> 01:11:45,574

Yeah, that's when you were fast.

1246

01:11:45,658 --> 01:11:47,034

Now you're slow.

1247

01:11:47,117 --> 01:11:48,827

- And old.

- And rickety.

1248

01:11:48,911 --> 01:11:50,746

- And dilapidated.

- Okay! Okay, I get it.

1249

01:11:50,829 --> 01:11:53,082

The new you has to look for opportunities...

1250

01:11:53,165 --> 01:11:54,959

you never knew were there.

1251

01:11:57,962 --> 01:12:00,130

Sneak through the window!

1252

01:12:01,840 --> 01:12:03,133

Sneak through the window.

1253

01:12:03,217 --> 01:12:04,218

What?

1254

01:12:04,301 --> 01:12:06,554

When a window opens, take it!

1255

01:12:11,807 --> 01:12:12,808

Whoa!

1256

01:12:15,978 --> 01:12:16,729

Yes.

1257

01:12:17,772 --> 01:12:20,399

- Whoa! I made it!

- All right!

1258

01:12:21,942 --> 01:12:23,319

Let's go! Let's move!

1259

01:12:24,612 --> 01:12:25,613

Reflexes!

1260

01:12:27,490 --> 01:12:29,158

All right, Guido, turn up the heat.

1261

01:12:29,366 --> 01:12:30,326

Okay.

1262

01:12:31,035 --> 01:12:32,369

Whoa! Whoa!

1263

01:12:37,248 --> 01:12:39,751

All right, look who finally showed up.

1264

01:12:43,004 --> 01:12:45,090

This is where we cut our racing teeth.

1265

01:12:45,340 --> 01:12:46,716

In the woods?

1266

01:12:46,883 --> 01:12:50,595

Let's just say the moon
was always shining on us.

1267

01:12:50,679 --> 01:12:51,680

Huh?

1268

01:12:51,763 --> 01:12:54,557

If the moon didn't shine,

we didn't have to...

1269

01:12:54,641 --> 01:12:55,642

Oh, never mind.

1270

01:12:55,725 --> 01:12:57,519

We ran moonshine, dummy!

1271

01:12:57,602 --> 01:12:58,645

Oh!

1272

01:12:59,020 --> 01:13:02,023

By the way, no lights. Instinct only.

1273

01:13:04,526 --> 01:13:05,193

Yeah!

1274

01:13:09,531 --> 01:13:10,699

Yeah!

1275

01:13:15,161 --> 01:13:16,204

Oh!

1276

01:13:21,292 --> 01:13:22,293

Whoa!

1277

01:13:22,377 --> 01:13:24,045

Yeah!

1278

01:13:29,718 --> 01:13:30,844

Whoo-hoo!

1279

01:13:37,470 --> 01:13:38,137

All right!

1280

01:13:50,567 --> 01:13:51,651

McQueen's still not here?

1281

01:13:51,734 --> 01:13:53,403

Didn't he pull this when he was a rookie?

1282

01:13:53,570 --> 01:13:55,446

At least that's what my grandfather told me.

1283

01:13:55,947 --> 01:13:58,074

All right, we got time for one last race.

1284

01:13:59,075 --> 01:14:01,744

Hurry this along, boss,
we got to get you to Florida.

1285

01:14:01,911 --> 01:14:03,037

Go!

1286

01:14:07,292 --> 01:14:10,920

Maybe it's best that he doesn't show up,
after how last season ended.

1287

01:14:15,258 --> 01:14:16,509

Let me put it this way.

1288

01:14:16,676 --> 01:14:19,804

I'm not losing any sleep
wondering where Lightning McQueen is.

1289

01:14:25,259 --> 01:14:26,594

Come on, boy. Come on!

1290

01:14:34,643 --> 01:14:36,437

All right, McQueen. There you go, boy!

1291

01:14:36,604 --> 01:14:38,022

There you go.

1292

01:14:48,866 --> 01:14:53,871

<i>McQueen is fading.

McQueen is fading. Fading fast.</i>

1293

01:14:59,376 --> 01:15:01,128

Whoo-hoo! Yes!

1294

01:15:01,211 --> 01:15:02,254

Ah!

1295

01:15:03,380 --> 01:15:06,634

Whoo! Did you see that? That was...

1296

01:15:13,265 --> 01:15:14,475

Uh...

1297

01:15:15,017 --> 01:15:16,977

Sorry. I didn't mean to...

1298

01:15:20,814 --> 01:15:24,902

Hey, uh, boss, it's time to hit the road.

1299

01:15:26,487 --> 01:15:28,155

Yeah.

1300

01:15:31,075 --> 01:15:33,994

I want to thank everyone for the training.

1301

01:15:36,330 --> 01:15:37,998

We better get going to Florida.

1302

01:15:48,341 --> 01:15:50,593

<i>Welcome to racing's greatest day!</i>

1303

01:15:50,760 --> 01:15:53,680

<i>We're beach-side
at the Florida International Speedway...</i>

1304

01:15:53,847 --> 01:15:56,182

<i>to kick off a new season
of Piston Cup racing.</i>

1305

01:15:56,266 --> 01:15:58,059

<i>It's the Florida 500.</i>

1306

01:15:58,142 --> 01:16:01,646

<i>Forty-three cars and a quarter million
fans await today's intense contest of...</i>

1307

01:16:01,729 --> 01:16:03,857

<i>strategy, skill, but most of all, speed.</i>

1308

01:16:04,190 --> 01:16:06,192

<i>This crowd is in for one great day of racing.</i>

1309

01:16:06,526 --> 01:16:09,362

*<i>I'm Bob Cutlass, joined as always
by my broadcasting partner...</i>*

1310

01:16:09,897 --> 01:16:13,317

Darrell Cartrip and stat
sensation Natalie Certain.

1311

01:16:13,400 --> 01:16:16,111

I've never seen the numbers line up
for Storm like they do today, Bob.

1312

01:16:16,195 --> 01:16:20,074

Storm should be 96.8% unstoppable.

1313

01:16:20,240 --> 01:16:21,492

<i>Well, don't overlook Lightning McQueen.</i>

1314

01:16:21,700 --> 01:16:22,868

Whipplefilter! Yeah-hoo!

1315

01:16:24,536 --> 01:16:27,706

<i>We've heard stories of the unusual way
McQueen trained to get here.</i>

1316

01:16:28,582 --> 01:16:30,793

<i>Now the question is did it work?</i>

1317

01:16:39,257 --> 01:16:44,804

Speed. I am... speed?

1318

01:16:49,934 --> 01:16:51,686

Hey, boss, they're, uh...

1319

01:16:51,769 --> 01:16:53,730

calling the racers to the track.

1320

01:16:56,983 --> 01:16:59,152

Jeff Gorvette,
how does today's talent stack up?

1321

01:16:59,235 --> 01:17:00,570

Oh, I think we're in for a treat today.

1322

01:17:00,653 --> 01:17:01,696

These racers are...

1323

01:17:01,779 --> 01:17:04,532

Oh... Hey, McQueen, win one for us old guys.

1324

01:17:04,615 --> 01:17:06,367

Hah! Will do, Jeff.

1325

01:17:06,451 --> 01:17:08,453

- Hey, there, buddy!

- Hey, guys.

1326

01:17:08,911 --> 01:17:11,622

- Stickers.

- Hey, Sal.

1327

01:17:12,540 --> 01:17:15,251

- You okay?

- Yeah. Absolutely.

1328

01:17:16,461 --> 01:17:18,713

Listen, you're gonna do great today.

1329

01:17:18,796 --> 01:17:20,506

And no matter what happens...

1330

01:17:20,590 --> 01:17:23,217

I'm going to move onto the next rookie
and forget I ever knew you.

1331

01:17:25,261 --> 01:17:26,512

I'm glad you're here.

1332

01:17:26,596 --> 01:17:31,517

Oh, wow! Nice costume.

Come here, let's get a picture.

1333

01:17:31,601 --> 01:17:33,770

It's so great to meet my number-one fan.

1334

01:17:34,187 --> 01:17:35,605

What a jerk.

1335

01:17:35,688 --> 01:17:38,691

- She's not a fan, Storm.

- Oh, hey there, champ.

1336

01:17:38,775 --> 01:17:41,027

I heard you're selling mudflaps after today.

1337

01:17:41,110 --> 01:17:42,195

Is that true?

1338

01:17:42,278 --> 01:17:44,655

Hey, you put me down

for the first case, okay?

1339

01:17:54,457 --> 01:17:59,796

Lightning! Lightning McQueen!

1340

01:18:00,797 --> 01:18:02,048

<i>Hey, Lightning!</i>

1341

01:18:02,632 --> 01:18:03,841

Hey, Mr. Sterling.

1342

01:18:04,509 --> 01:18:06,052

<i>To the future, eh, champ?</i>

1343

01:18:06,594 --> 01:18:08,638

Yeah. To the future.

1344

01:18:09,639 --> 01:18:12,892

<i>Hey, just focus on
what you're here to do, kid.</i>

1345

01:18:13,476 --> 01:18:14,685

Thanks, Smokey.

1346

01:18:14,852 --> 01:18:17,021

<i>Now, go make Hud proud.</i>

1347

01:18:17,188 --> 01:18:18,397

You got it.

1348

01:18:18,815 --> 01:18:20,483

<i>Boogity, boogity, boogity, let's go racing!</i>

1349

01:18:29,649 --> 01:18:32,986

*<i>McQueen is making steady progress
in the early parts of this race.</i>*

1350

01:18:33,486 --> 01:18:35,488

<i>Well, it won't be enough to catch Storm.</i>

1351

01:18:35,572 --> 01:18:36,656

<i>Considering he started dead last...</i>

1352

01:18:37,157 --> 01:18:38,992

<i>I don't think he's doing half-bad out there.</i>

1353

01:18:47,823 --> 01:18:49,951

<i>Not too shabby!</i>

1354

01:18:50,076 --> 01:18:51,827

You keep this up,
you'll finish in the top 10!

1355

01:18:51,994 --> 01:18:53,746

Top 10's not gonna cut it, Smokey.

1356

01:18:53,829 --> 01:18:55,248

I got to go all the way.

1357

01:18:55,498 --> 01:18:58,000

So dig in! Remember your training.

1358

01:18:58,167 --> 01:19:00,044

Find Storm and chase him down!

1359

01:19:00,211 --> 01:19:01,963

Oh, tell him he has three laps to catch me!

1360

01:19:02,171 --> 01:19:04,507

Cruz says you've got three laps to catch her.

1361

01:19:04,674 --> 01:19:06,384

Yeah, okay! Tell her, thanks.

1362

01:19:13,008 --> 01:19:16,470

- Cruz, what are you doing here?

- Oh, Mr. Sterling, I was just...

1363

01:19:16,637 --> 01:19:18,097

I'd like you to head back
to the training center right away.

1364

01:19:18,180 --> 01:19:19,723

Oh. But why?

1365

01:19:19,807 --> 01:19:22,184

I need you to get Kurt up to speed
for the race next weekend.

1366

01:19:22,351 --> 01:19:24,853

Um... Wait, not Kurt.
He's the bug guy, right?

1367

01:19:24,937 --> 01:19:26,188

The other one... Ronald. Yes!

1368

01:19:26,472 --> 01:19:27,932

But I want to stay and watch.

1369

01:19:28,015 --> 01:19:29,725

That's not gonna happen, Cruz.

1370

01:19:29,934 --> 01:19:31,018

<i>Now go.</i>

1371

01:19:31,185 --> 01:19:33,145

But Mr. McQueen still has a chance...

1372

01:19:33,312 --> 01:19:34,647

Just go do your job!

1373

01:19:35,231 --> 01:19:36,357

Yes, sir.

1374

01:19:36,774 --> 01:19:38,818

And take off that spoiler
and those racing tires.

1375

01:19:38,901 --> 01:19:40,027

You look ridiculous!

1376

01:19:40,110 --> 01:19:43,781

You are a trainer, remember? Not a racer!

1377

01:19:45,533 --> 01:19:49,245

If you were a racer, you'd know
what I'm talking about but you're not!

1378

01:19:49,328 --> 01:19:50,538

So you don't!

1379

01:19:54,667 --> 01:19:56,961

<i>No. She's not a racer. She's a trainer.</i>

1380

01:20:05,587 --> 01:20:08,090

<i>I've wanted to become a racer forever!</i>

1381

01:20:08,257 --> 01:20:09,633

<i>Because of you!</i>

1382

01:20:13,053 --> 01:20:16,640

It was my one shot and I didn't take it.

1383

01:20:16,807 --> 01:20:20,561

<i>It was my one shot and I didn't take it.</i>

1384

01:20:24,940 --> 01:20:25,816

<i>Wreck in two. Wreck in turn two.</i>

1385

01:20:25,899 --> 01:20:26,984

<i>Go low. Go low.</i>

1386

01:20:41,165 --> 01:20:42,374

Kid, you okay?

1387

01:20:42,583 --> 01:20:44,043

Smokey, I need Cruz!

1388

01:20:44,209 --> 01:20:45,210

<i>Never mind that now.</i>

1389

01:20:45,294 --> 01:20:46,587

No! I need her back here.

1390

01:20:46,670 --> 01:20:48,088

Now!

1391

01:20:48,584 --> 01:20:50,169

<i>The yellow flag still out, folks.</i>

1392

01:20:50,336 --> 01:20:51,503

<i>Wrecked cars everywhere.

We're still trying to figure...</i>

1393

01:20:52,129 --> 01:20:54,757

<i>Hamilton here.

Call from Chester Whipplefilter.</i>

1394

01:20:54,924 --> 01:20:57,343

Chester... Mr. McQueen?

1395

01:20:57,676 --> 01:21:00,679

The green light's on, pit road is open,
and everybody's coming in.

1396

01:21:01,764 --> 01:21:05,059

Get ready, guys.

Luigi, Guido, tires! Fillmore, fuel!

1397

01:21:05,225 --> 01:21:07,019

Okay, I'm here. What's going on?

1398

01:21:08,062 --> 01:21:10,189

No! Not me! Her.

1399

01:21:10,272 --> 01:21:12,024

- Huh?

- What?

1400

01:21:12,191 --> 01:21:13,943

- What is she doing back here?

- Come on, guys! Get her set up!

1401

01:21:14,109 --> 01:21:16,445

- Okay! Hot tires!

- Wait! What's happening?

1402

01:21:16,695 --> 01:21:18,238

Hey, Ramone! You got your paints?

1403

01:21:18,447 --> 01:21:21,784

- You know I do!

- Guys! What are you doing?

1404

01:21:22,242 --> 01:21:24,787

Man, I don't understand it!

McQueen's just sitting there.

1405

01:21:24,870 --> 01:21:25,996

Something's got to be wrong.

1406

01:21:26,246 --> 01:21:27,081

Mr. McQueen?

1407

01:21:27,289 --> 01:21:29,124

Today's the day, Cruz.

You're getting your shot.

1408

01:21:29,249 --> 01:21:29,917

What?

1409

01:21:30,125 --> 01:21:32,544

I started this race
and you're gonna finish it.

1410

01:21:33,045 --> 01:21:36,840

What? She'll damage the brand!
She's just a trainer!

1411

01:21:37,049 --> 01:21:39,969

No, she's a racer.
Just took me awhile to see it.

1412

01:21:40,386 --> 01:21:41,303

That can't be legal!

1413

01:21:41,971 --> 01:21:43,639

The rules only say
the number has to be out there.

1414

01:21:43,806 --> 01:21:45,265

Doesn't say who has to wear it.

1415

01:21:45,474 --> 01:21:49,561

- No! You can't do that...

- Did I tell you I love your mudflaps?

1416

01:21:49,770 --> 01:21:50,896

Out of my way, bumpkin!

1417

01:21:51,188 --> 01:21:53,273

Got my fishing flaps, got my church flaps,

1418

01:21:53,357 --> 01:21:55,025

my going out and eating flaps.

1419

01:21:57,236 --> 01:21:59,780

Come on, guys!

We got to get her out there! Let's go!

1420

01:21:59,947 --> 01:22:01,156

- Tires, check!

- Fuel, check!

1421

01:22:01,281 --> 01:22:01,949

Ramone?

1422

01:22:02,199 --> 01:22:04,785

Best I could do in the time frame, boss.

1423

01:22:05,285 --> 01:22:08,205

Yeah. That'll work.

1424

01:22:08,497 --> 01:22:09,873

Why are you doing this?

1425

01:22:10,040 --> 01:22:12,710

You said it yourself,
this might be your last chance.

1426

01:22:12,876 --> 01:22:14,670

Which makes it my last chance

1427

01:22:14,753 --> 01:22:17,172

to give you your first chance, Cruz.

1428

01:22:18,173 --> 01:22:19,925

And this time I want you to take it.

1429

01:22:22,052 --> 01:22:24,096

She's got to beat that pace car out.

1430

01:22:25,806 --> 01:22:27,850

- No! You can't do that!

- Now or never.

1431

01:22:29,101 --> 01:22:30,102

What do you say?

1432

01:22:32,521 --> 01:22:34,982

Whoa! Hey! 35-mile-per-hour pit speed!

1433

01:22:35,524 --> 01:22:36,233

I knew that!

1434

01:22:44,074 --> 01:22:47,828

McQueen's team has entered
a different car sporting the 95.

1435

01:22:47,995 --> 01:22:49,204

I don't believe what I'm seeing!

1436

01:22:49,371 --> 01:22:50,664

You're watching this, right?

1437

01:22:50,914 --> 01:22:52,458

What, the girl in the costume?

1438

01:22:52,541 --> 01:22:54,752

You're kidding me. He put her in the race?

1439

01:23:05,169 --> 01:23:07,629

The green flag is out

and we're back to racing.

1440

01:23:11,675 --> 01:23:13,594

Cruz? What are you doing?

1441

01:23:13,844 --> 01:23:15,888

Come on. Pick it up! You got to go faster.

1442

01:23:16,180 --> 01:23:17,890

Call her Frances Beltline

1443

01:23:17,973 --> 01:23:20,768

and tell her the school bus
of death is after her.

1444

01:23:21,018 --> 01:23:22,770

- What? No.

- Trust me.

1445

01:23:23,687 --> 01:23:26,815

Uh, Frances Beltline,

1446

01:23:26,899 --> 01:23:28,233

the school bus of death is after you.

1447

01:23:29,526 --> 01:23:32,362

What? Oh, uh... Right.

1448

01:23:33,238 --> 01:23:34,990

Okay, that was different.

1449

01:23:36,658 --> 01:23:38,535

Cruz, you're looking too tight now.

1450

01:23:38,702 --> 01:23:39,870

Come on. Loosen up.

1451

01:23:40,120 --> 01:23:42,414

- Tell her she's a fluffy cloud.

- What? No.

1452

01:23:42,621 --> 01:23:43,455

Smokey, tell her.

1453

01:23:43,914 --> 01:23:49,003

Uh, Cruz, you are a fluffy cloud.

1454

01:23:49,545 --> 01:23:51,922

Oh, right. Uh, too tight.

1455

01:23:52,006 --> 01:23:54,550

I'm a fluffy cloud. I'm a fluffy cloud.

1456

01:23:57,094 --> 01:23:58,470

Uh...

1457

01:23:58,595 --> 01:24:00,431

<i>Anticipate your turns.</i>

1458

01:24:00,681 --> 01:24:01,640

Cruz! Get your head in the race.

1459

01:24:02,266 --> 01:24:06,812

Tell her she's on a beach and all
the little crabbies have gone night-night.

1460

01:24:08,355 --> 01:24:10,691

No! I ain't saying that. You tell her.

1461

01:24:12,693 --> 01:24:14,069

<i>All right, Cruz. The beach.</i>

1462

01:24:14,153 --> 01:24:15,529

<i>I need you to think of the beach.</i>

1463

01:24:15,696 --> 01:24:18,157

- Mr. McQueen?

- <i>Yeah. It's me. Remember the beach.</i>

1464

01:24:18,824 --> 01:24:21,035

Oh, pick a line, stick to it. Got it.

1465

01:24:24,371 --> 01:24:25,414

All right. Not too bad.

1466

01:24:25,873 --> 01:24:27,499

This is nothing like the simulator.

1467

01:24:28,083 --> 01:24:31,211

You got every tool you need.

Now remember Thomasville.

1468

01:24:31,295 --> 01:24:32,379

- <i>Thomasville?</i>

- Yeah.

1469

01:24:32,463 --> 01:24:33,505

Sneak through the window.

1470

01:24:33,797 --> 01:24:35,424

Now that I understand.

1471

01:24:35,674 --> 01:24:37,134

Sneak through the window.

1472

01:24:54,943 --> 01:24:56,987

<i>We're just learning that the racer</i>

1473

01:24:57,071 --> 01:24:59,490

replacing McQueen is Cruz Ramirez.

1474

01:24:59,573 --> 01:25:01,200

This is her very first race!

1475

01:25:01,283 --> 01:25:03,077

Actually, Darrell, it says here

1476

01:25:03,160 --> 01:25:04,953

she does have one win under her belt.

1477

01:25:05,120 --> 01:25:07,247

At a place called Thunder Hollow?

1478

01:25:07,748 --> 01:25:10,459

Thunder Hollow! She said Thunder Hollow!

1479

01:25:12,461 --> 01:25:14,630

Try moving half a lane. Half a lane.

1480

01:25:14,838 --> 01:25:16,548

- Got it.

- *All right, watch that lap car.*

1481

01:25:16,673 --> 01:25:20,719

He's gonna go high. Go low! Go low! Nice job.

1482

01:25:20,969 --> 01:25:22,429

You are smoking these guys.

1483

01:25:23,180 --> 01:25:26,183

*Now watch the tire marbles along
turn three. Keep your tires clean.*

1484

01:25:26,266 --> 01:25:27,935

- Okay.

- Bump coming up on the inside.

1485

01:25:28,018 --> 01:25:29,395

Careful you don't go airborne.

1486

01:25:29,478 --> 01:25:30,729

- Now?

- *<i>Yes. Now!</i>*

1487

01:25:30,896 --> 01:25:34,066

*<i>Watch out by the wall, it's a little
slick there. Watch it, watch it, watch it.</i>*

1488

01:25:36,110 --> 01:25:39,196

You have hit a wall. You have hit a wall.

1489

01:25:39,363 --> 01:25:41,657

Ha-ha. Just being aggressive.

1490

01:25:44,451 --> 01:25:48,080

<i>Okay, I want you to pit. Watch your RPM.</i>

1491

01:25:48,247 --> 01:25:50,666

Get out of the gas.

On the brake. On the brake.

1492

01:25:50,833 --> 01:25:51,708

Too fast!

1493

01:25:51,792 --> 01:25:52,960

Uh, we're back here.

1494

01:25:53,127 --> 01:25:53,961

Sorry.

1495

01:25:54,837 --> 01:25:57,423

All right.

Pick 'em off one at a time. Go, go, go!

1496

01:26:00,134 --> 01:26:02,094

<i>That's it. Nice and straight.</i>

1497

01:26:03,137 --> 01:26:04,221

<i>Whoo-hoo!</i>

1498

01:26:05,139 --> 01:26:07,683

Go, go, go, go! Smokey, you watching?

1499

01:26:12,855 --> 01:26:15,524

Just wanted to let you know

Ramirez is moving up toward you.

1500

01:26:15,691 --> 01:26:17,151

Why should I care?

1501

01:26:17,234 --> 01:26:18,986

<i>Because now she's in the top 10!</i>

1502

01:26:22,114 --> 01:26:24,741

Okay. Now you're coming up on the leaders.

1503

01:26:31,832 --> 01:26:35,252

- <i>Ramirez up to fourth.</i>

- In fourth? Huh.

1504

01:26:37,504 --> 01:26:39,173

Get 'er done!

1505

01:26:42,050 --> 01:26:43,927

<i>Ramirez is in third.</i>

1506

01:26:51,685 --> 01:26:53,437

What are you doing, Storm?

1507

01:26:54,438 --> 01:26:56,982

Hey! Costume Girl.

1508

01:26:57,065 --> 01:26:58,400

You know, at first I thought
you were out here...

1509

01:26:58,484 --> 01:26:59,985

because your GPS was broken.

1510

01:27:00,068 --> 01:27:01,320

Don't listen to him, Cruz!

1511

01:27:01,403 --> 01:27:02,488

You look good!

1512

01:27:02,571 --> 01:27:03,947

It's important to look the part.

1513

01:27:04,031 --> 01:27:07,034

You can't have everyone thinking
that you don't deserve to be here.

1514

01:27:07,117 --> 01:27:08,452

He's trying to get in your head!

1515

01:27:08,952 --> 01:27:10,954

They don't need to know
what you and I already do.

1516

01:27:11,705 --> 01:27:14,458

That you can play dress-up all you want,

1517

01:27:14,541 --> 01:27:17,044

but you'll never be one of us.

1518

01:27:24,593 --> 01:27:26,220

Cruz, did you see what happened there?

1519

01:27:26,470 --> 01:27:28,889

Yeah. He's in my head.

1520

01:27:29,139 --> 01:27:30,766

No! Listen to me.

1521

01:27:30,849 --> 01:27:33,769

You got into his head. Don't you understand?

1522

01:27:33,936 --> 01:27:37,564

He would never have done that
if you didn't scare him.

1523

01:27:37,648 --> 01:27:38,565

What?

1524

01:27:38,732 --> 01:27:41,610

<i>He sees something in you
that you don't even see in yourself.</i>

1525

01:27:42,277 --> 01:27:46,114

You made me believe it,
now you got to believe it too.

1526

01:27:47,533 --> 01:27:49,618

<i>You are a racer.</i>

1527

01:27:50,452 --> 01:27:51,745

Use that.

1528

01:28:02,256 --> 01:28:04,216

And how far back is she now?

1529

01:28:04,299 --> 01:28:06,510

- <i>Look behind you.</i>

- What?

1530

01:28:06,593 --> 01:28:08,428

- Good evening, Storm!

- Wait, how did you...

1531

01:28:08,512 --> 01:28:10,097

Just back here drafting on your butt.

1532

01:28:10,180 --> 01:28:11,431

Nothing to be concerned about.

1533

01:28:11,723 --> 01:28:13,767

<i>Like two June bugs on a summer night.</i>

1534

01:28:17,271 --> 01:28:19,314

Hey, Hamilton.

1535

01:28:19,398 --> 01:28:21,358

- <i>Hamilton here.</i>

- Call out our speed.

1536

01:28:21,525 --> 01:28:24,611

<i>208 miles per hour, 207 miles...</i>

1537

01:28:24,695 --> 01:28:26,780

Would you stop that?

You're taking me off my line!

1538

01:28:26,989 --> 01:28:28,949

- Last lap!

- Come on, Cruz!

1539

01:28:30,280 --> 01:28:32,073

Oh-oh!

1540

01:28:32,282 --> 01:28:35,535

My GPS is saying

I have slow traffic in my way.

1541

01:28:35,702 --> 01:28:38,538

- No, you are not winning this!

- Ah, you're angry.

1542

01:28:38,788 --> 01:28:40,498

I am not angry!

1543

01:28:40,915 --> 01:28:43,126

You know, you can use that

anger to push through.

1544

01:28:43,376 --> 01:28:44,419

I said I'm not angry!

1545

01:28:45,712 --> 01:28:48,673

Oh, I don't think so! No!

1546

01:28:52,802 --> 01:28:53,928

Cruz, get out of there!

1547

01:28:54,179 --> 01:28:56,765

You don't belong on this track!

1548

01:28:58,099 --> 01:29:00,393

Yes, I do!

1549

01:29:12,697 --> 01:29:15,742

<i>I don't believe it.

It's Cruz Ramirez for the win!</i>

1550

01:29:15,909 --> 01:29:17,202

<i>I am speechless!</i>

1551

01:29:19,035 --> 01:29:21,705

Nice finish, Cruz! You done it!

1552

01:29:22,080 --> 01:29:23,957

Cruz Ramirez!

1553

01:29:24,207 --> 01:29:26,293

- Yeah, there you go!

- Way to go, Cruz!

1554

01:29:26,584 --> 01:29:28,003

Oh, yes!

1555

01:29:28,253 --> 01:29:29,754

Whoo-hoo!

1556

01:29:34,926 --> 01:29:36,803

Man, heck of a win!

1557

01:29:38,138 --> 01:29:41,099

Yeah. Heck of a win.

1558

01:29:45,219 --> 01:29:46,929

Hey, Cruz! You were flying!

1559

01:29:47,012 --> 01:29:48,097

Thanks.

1560

01:29:48,180 --> 01:29:49,181

You really had it rolling today.

1561

01:29:49,265 --> 01:29:50,558

- That was cool.

- Thank you!

1562

01:29:50,641 --> 01:29:52,434

Hey, Cruz, your blinker's on.

1563

01:29:52,518 --> 01:29:57,314

It is? Oh! You got me! Very funny!

1564

01:30:04,071 --> 01:30:05,030

Cruz! Cruz! Cruz!

1565

01:30:05,114 --> 01:30:06,282

Ramirez!

1566

01:30:06,490 --> 01:30:07,533

Whoo!

1567

01:30:07,616 --> 01:30:09,243

Way to go, Cruz!

1568

01:30:10,661 --> 01:30:12,830

Go ahead. Give them some smoke.

1569

01:30:13,455 --> 01:30:15,916

Cruz! Cruz! Cruz!

1570

01:30:27,169 --> 01:30:28,795

You'll get used to that.

1571

01:30:28,879 --> 01:30:31,089

Out of my way! Come on! Move it! Move!

1572

01:30:31,590 --> 01:30:34,801

Cruz! I knew you had something.

1573

01:30:34,885 --> 01:30:37,179

And now look at you... a winner.

1574

01:30:37,929 --> 01:30:40,974

I could use you as a racer
on our team. We could make...

1575

01:30:41,474 --> 01:30:44,102

Sorry, Mr. Sterling.

I would never race for you.

1576

01:30:44,769 --> 01:30:45,812

I quit.

1577

01:30:46,479 --> 01:30:47,981

Well, then race for me!

1578

01:30:48,148 --> 01:30:49,149

Tex!

1579

01:30:49,566 --> 01:30:51,234

Miss Cruz, I would be tickled pink

1580

01:30:51,318 --> 01:30:53,320

to have you race for team Dinoco.

1581

01:30:53,486 --> 01:30:56,198

As you know, we have a long
history of great racers,

1582

01:30:56,281 --> 01:30:57,657

except for Cal.

1583

01:30:57,824 --> 01:30:59,951

Uh, guys, I'm still right here.

1584

01:31:00,160 --> 01:31:01,953

Team Dinoco, Cruz!

1585

01:31:02,162 --> 01:31:03,455

Hire her. I don't care.

1586

01:31:03,622 --> 01:31:05,332

Lightning, now that you're retired...

1587

01:31:05,498 --> 01:31:08,293

I need you first thing Monday
morning for a photo shoot.

1588

01:31:08,835 --> 01:31:10,295

Yeah, all right, Mr. Sterling.

1589

01:31:10,378 --> 01:31:12,339

Whoa! Hang on now.

1590

01:31:15,341 --> 01:31:17,802

What? Why is my name up there?

1591

01:31:18,094 --> 01:31:20,430

You started the race. That's how it works.

1592

01:31:20,638 --> 01:31:21,931

Wait, wait, now... Wait a minute. No!

1593

01:31:22,098 --> 01:31:24,434

Lightning wins, he decides
when he's done racing.

1594

01:31:24,517 --> 01:31:25,894

That was the deal.

1595

01:31:25,977 --> 01:31:27,353

Hi, I'm his lawyer.

1596

01:31:27,437 --> 01:31:28,855

That was the deal.

1597

01:31:28,938 --> 01:31:30,607

You are not a nice guy.

1598

01:31:30,690 --> 01:31:34,694

Although, I got to say, you do make
a quality mudflap at an affordable price.

1599

01:31:34,777 --> 01:31:36,613

Hey, Sterling.

1600

01:31:36,696 --> 01:31:39,032

Why don't you and I take a drive and talk?

1601

01:31:39,115 --> 01:31:40,909

Billionaire to billionaire.

1602

01:31:41,075 --> 01:31:42,202

Cruz, over here.

1603

01:31:42,410 --> 01:31:43,786

Just one picture. How does it
feel to beat Jackson Storm?

1604

01:31:43,870 --> 01:31:45,038

Take us through it,

1605

01:31:45,121 --> 01:31:46,664

lap by lap.

1606

01:31:46,748 --> 01:31:49,626

It was great! Uh, didn't expect this.

1607

01:31:53,665 --> 01:31:56,292

Kid's got a lot of stuff, eh, Doc?

1608

01:31:58,544 --> 01:32:00,672

Well, she had a great teacher.

1609

01:32:02,256 --> 01:32:05,176

And now you get to decide
when you're done racing.

1610

01:32:05,802 --> 01:32:08,429

So what's it gonna be, Stinky? Uh, Stickers.

1611

01:32:10,723 --> 01:32:12,725

Oh, I'm gonna keep racing.

1612

01:32:12,809 --> 01:32:16,020

But before that,
I got something I want to do.

1613

01:32:23,236 --> 01:32:26,239

Welcome all to historic Willy's Butte

1614

01:32:26,322 --> 01:32:29,325

for today's great exhibition of speed!

1615

01:32:30,910 --> 01:32:32,036

There she is! Cruz!

1616

01:32:32,120 --> 01:32:33,621

Oh, I love it. I love it. I love it.

1617

01:32:33,746 --> 01:32:34,580

Thanks, guys!

1618

01:32:34,789 --> 01:32:36,541

Nice paint, kiddo.

1619

01:32:36,708 --> 01:32:38,167

Pardon me. Big hat, coming through.

1620

01:32:38,251 --> 01:32:41,212

Get 'er done, 51! Whoo-hoo!

1621

01:32:41,379 --> 01:32:43,923

Great number. Was McQueen's idea.

1622

01:32:44,090 --> 01:32:46,009

He felt Hud would've wanted you to have it.

1623

01:32:46,509 --> 01:32:47,927

I love it.

1624

01:32:48,136 --> 01:32:50,221

Oh, it's perfect. It's very old-school.

1625

01:32:50,388 --> 01:32:52,640

Did someone just say old-school?

1626

01:32:53,683 --> 01:32:55,560

Whoo-hoo! Yeah!

1627

01:32:55,727 --> 01:32:57,061

Oh, yeah! I like that.

It's bright, but I like it.

1628

01:33:00,648 --> 01:33:03,276

- Looking fabulous.

- <i>Favoloso.</i>

1629

01:33:03,443 --> 01:33:06,446

Trying something new. I like it.

1630

01:33:06,946 --> 01:33:08,906

Wow. Subtle.

1631

01:33:09,073 --> 01:33:12,785

Figured if I'm gonna be your crew chief,
I better do it in style.

1632

01:33:12,952 --> 01:33:14,912

What's Mr. Sterling gonna say?

1633

01:33:15,079 --> 01:33:18,416

I'm actually more worried about what Tex
is gonna say, considering he, uh...

1634

01:33:18,583 --> 01:33:21,544

bought Rust-eze. Thanks, Tex!

1635

01:33:21,961 --> 01:33:24,088

I made that Sterling fella

1636

01:33:24,172 --> 01:33:25,965

a Texas-sized offer!

1637

01:33:26,466 --> 01:33:28,259

So, you ready to start training?

1638

01:33:28,426 --> 01:33:30,344

I don't know. You ready to lose again?

1639

01:33:30,511 --> 01:33:32,847

Oh! Hope you've got your fluffy cloud.

1640

01:33:33,014 --> 01:33:34,265

I hope you got your drip pan.

1641

01:33:34,432 --> 01:33:37,018

Got my drip pan and I've taken my nap.

1642

01:33:37,101 --> 01:33:38,394

Bring it on, old man.

1643

01:33:38,478 --> 01:33:39,937

- Luigi.

- Go! Whoo-hoo!

1644

01:33:41,439 --> 01:33:44,317

<i>I live my life out on the edge</i>

1645

01:33:44,400 --> 01:33:47,236

<i>Yeah, I don't stop just 'cause it's red</i>

1646

01:33:47,320 --> 01:33:50,031

<i>Let's push this thing see what we get</i>

1647

01:33:51,157 --> 01:33:52,366

Let's go, Team Dinoco!

1648

01:33:52,575 --> 01:33:55,620

<i>This black pavement these yellow lines</i>

1649

01:33:55,828 --> 01:33:58,831

<i>I pull exhaust into the night</i>

1650

01:33:59,999 --> 01:34:02,335

<i>I feel my temperature rise</i>

1651

01:34:04,329 --> 01:34:06,831

<i>Ride, ride</i>

<i>Ooh, ooh, ooh</i>

1652

01:34:07,082 --> 01:34:10,085

<i>Ride, ride, yeah we gonna ride</i>

1653

01:34:15,173 --> 01:34:17,717

<i>I used to sit inside my room</i>

1654

01:34:17,884 --> 01:34:20,595

<i>Dreaming of things that I could do</i>

1655

01:34:20,679 --> 01:34:24,391

<i>Too scared to put my hands up on the wheel</i>

1656

01:34:26,226 --> 01:34:29,020

<i>Now I'm with you and I can't look back</i>

1657

01:34:29,187 --> 01:34:31,773

<i>It's such a rush but we're movin' fast</i>

1658

01:34:31,940 --> 01:34:35,360

<i>I can't deny the way you make me feel</i>

1659

01:34:35,443 --> 01:34:37,570

<i>Whoa, whoa, whoa</i>

1660

01:34:38,196 --> 01:34:40,907

<i>I live my life out on the edge</i>

1661

01:34:41,074 --> 01:34:43,702

<i>Yeah, I don't stop just 'cause it's red</i>

1662

01:34:43,868 --> 01:34:46,705

<i>Let's push this thing see what we get</i>

1663

01:34:49,499 --> 01:34:52,210

<i>This black pavement these yellow lines</i>

1664

01:34:52,669 --> 01:34:55,463

<i>I pull exhaust into the night</i>

1665

01:34:56,256 --> 01:34:58,383

<i>I feel my temperature rise</i>

1666

01:35:00,760 --> 01:35:06,224

<i>Ride, ride, ooh, ooh, ooh</i>

<i>Ride, ride, ooh, ooh, ooh</i>

1667

01:35:06,391 --> 01:35:09,394

<i>Ride, ride, ooh, ooh, ooh</i>

1668

01:35:09,477 --> 01:35:12,397

<i>Ride, ride, yeah we gonna ride</i>

1669

01:35:14,274 --> 01:35:17,402

<i>Ride, ride, ride</i>

<i>Head on the floor</i>

1670

01:35:18,737 --> 01:35:22,741

<i>Rock that ride</i>

<i>What you waiting for?</i>

1671

01:35:22,907 --> 01:35:25,493

<i>Ride, ride, ride</i>

<i>Ride, ride, ride</i>

1672

01:35:25,577 --> 01:35:26,870

<i>Head on the floor</i>

1673

01:35:26,953 --> 01:35:28,538

<i>Head on the floor</i>

1674

01:35:28,621 --> 01:35:29,748

<i>Rock that ride</i>

1675

01:35:29,831 --> 01:35:31,249

<i>Rock that ride</i>

1676

01:35:31,333 --> 01:35:32,834

<i>What you waiting for?</i>

1677

01:35:34,627 --> 01:35:38,923

<i>Ride, ride</i>

<i>Ride, ride</i>

1678

01:35:40,050 --> 01:35:41,676

<i>Ride, ride</i>

1679

01:35:43,169 --> 01:35:46,715

<i>Ride, ride, yeah we gonna ride</i>

1680

01:36:08,611 --> 01:36:11,364

<i>I live my life out on the edge</i>

1681

01:36:11,531 --> 01:36:14,117

<i>Yeah, I don't stop just 'cause it's red</i>

1682

01:36:14,284 --> 01:36:17,037

<i>Let's push this thing see what we get</i>

1683

01:36:19,789 --> 01:36:25,295

<i>Ride, ride, ooh, ooh, ooh</i>

<i>Ride, ride, ooh, ooh, ooh</i>

1684

01:36:25,462 --> 01:36:30,967

<i>Ride, ride, ooh, ooh, ooh</i>

<i>Ride, ride, yeah, we gonna</i>

1685

01:36:31,051 --> 01:36:33,970

<i>Ride, ride, ride</i>

<i>We gonna ride</i>

1686

01:36:34,054 --> 01:36:35,180

<i>Ride, ride</i>

1687

01:36:35,263 --> 01:36:38,183

<i>Yeah, we gonna ride, ride, ride</i>

1688

01:36:38,266 --> 01:36:41,102

<i>We gonna ride</i>

<i>Ride, ride</i>

1689

01:36:41,186 --> 01:36:43,480

<i>Yeah, we gonna ride</i>

1690

01:41:11,956 --> 01:41:14,709

<i>My cup holder's happy</i>

<i>My tank is full</i>

1691

01:41:14,917 --> 01:41:17,754

<i>My engine's running like a Brahma bull</i>

1692

01:41:17,920 --> 01:41:20,506

<i>My bumpers are polished and talk about luck</i>

1693

01:41:20,673 --> 01:41:23,134

<i>I just got a date with an ice cream truck</i>

1694

01:41:24,385 --> 01:41:25,553

Huh? Ahh!

1695

01:41:25,637 --> 01:41:26,763

Shoot.

1696

01:41:26,846 --> 01:41:30,433

Hey, McQueen, you still there? McQueen?

1697

01:41:31,726 --> 01:41:33,686

Ugh. Technology.
