

Dialogues from Cinderella to improve the vocabulary in English

1

00:00:13,806 --> 00:00:17,308

Cinderella

2

00:00:17,393 --> 00:00:20,853

You're as lovely as your name

3

00:00:20,938 --> 00:00:24,023

Cinderella

4

00:00:24,108 --> 00:00:28,653

You're a sunset in a frame

5

00:00:28,737 --> 00:00:31,531

Though you're dressed in rags

6

00:00:31,615 --> 00:00:36,536

You wear an air of queenly grace

choosing for his second wife
a woman of good family,

28

00:02:15,677 --> 00:02:18,429

with two daughters
just Cinderella's age,

29

00:02:18,514 --> 00:02:22,183

by name, Anastasia and Drizella.

30

00:02:24,728 --> 00:02:28,064

It was upon the untimely death
of this good man, however,

31

00:02:28,148 --> 00:02:30,983

that the stepmother's
true nature was revealed.

32

00:02:31,068 --> 00:02:33,653

Cold, cruel, and bitterly jealous

33

00:02:33,737 --> 00:02:35,738

of Cinderella's charm and beauty,

That means I can go, too.

342

00:29:12,793 --> 00:29:15,837

Her, dancing with the Prince.

343

00:29:15,921 --> 00:29:18,089

I'd be honoured, Your Highness.

344

00:29:18,173 --> 00:29:20,925

Would you mind holding my broom?

345

00:29:24,304 --> 00:29:26,305

Well, why not?

346

00:29:27,641 --> 00:29:30,435

After all, I'm still a member of the family.

347

00:29:30,519 --> 00:29:33,396

And it says, "By royal command,

348

00:29:33,480 --> 00:29:36,190

"every eligible maiden is to attend."

Yes. Good night.

456

00:39:31,036 --> 00:39:32,995

Oh, well.

457

00:39:33,079 --> 00:39:34,913

What's a royal ball?

458

00:39:36,833 --> 00:39:39,918

After all, I suppose

it would be frightfully dull,

459

00:39:40,003 --> 00:39:43,505

and boring, and completely...

460

00:39:44,257 --> 00:39:46,216

Completely wonderful.

461

00:39:54,434 --> 00:39:56,393

- It's my...

- Surprise!

462

537

00:44:21,367 --> 00:44:23,410

Bibbidi-bobbidi-boo

538

00:44:23,494 --> 00:44:27,956

Sala-gadoola-menchika-boo-la

Bibbidi-bobbidi-boo

539

00:44:28,041 --> 00:44:30,292

It'll do magic

Believe it or not

540

00:44:30,376 --> 00:44:32,461

Bibbidi-bobbidi-boo

541

00:44:32,545 --> 00:44:36,965

Now sala-gadoola means

Menchika-boolaroo

542

00:44:37,050 --> 00:44:39,468

But the thing-a-ma-bob

that does the job

543

00:44:39,552 --> 00:44:42,179

Is bibbidi-bobbidi-boo

544

00:44:42,263 --> 00:44:46,808

Sala-gadoola-menchika-boo-la

Bibbidi-bobbidi-boo

545

00:44:46,893 --> 00:44:48,977

Put 'em together

and what have you got?

546

00:44:49,062 --> 00:44:52,939

Bibbidi-bobbidi

Bibbidi-bobbidi Bibbidi-bobbidi-boo

547

00:44:54,400 --> 00:44:55,692

Oh, looky.

548

00:44:55,777 --> 00:44:57,569

Isn't it wonderful?

549

00:44:58,404 --> 00:45:00,697

570

00:46:06,097 --> 00:46:09,683

For instead of a horse,
you're the coachman, of course.

571

00:46:09,767 --> 00:46:11,685

Bibbidi, bobbidi, boo.

572

00:46:15,773 --> 00:46:19,234

That does it, I guess, except for...
Oh, yes!

573

00:46:19,318 --> 00:46:22,446

The finishing touch. And, that's you.

574

00:46:22,530 --> 00:46:26,324

Yes, Bruno, that's right,
you'll be footman tonight.

575

00:46:26,659 --> 00:46:28,994

Bibbidi, bobbidi, boo.

576

583

00:46:52,185 --> 00:46:56,438

Your size and the shade of your eyes.

584

00:46:56,522 --> 00:46:59,649

Something simple, but daring, too.

585

00:46:59,734 --> 00:47:03,487

Oh, just leave it to me.

What a gown this will be.

586

00:47:03,946 --> 00:47:06,198

Bibbidi-bobbidi.

Bibbidi-bobbidi.

587

00:47:06,282 --> 00:47:08,617

Bibbidi-bobbidi-boo.

588

00:47:10,870 --> 00:47:14,080

Oh, it's a beautiful dress.

589

00:47:14,165 --> 00:47:17,375

781

01:00:52,858 --> 01:00:55,985

Anastasia.

782

01:00:58,739 --> 01:00:59,989

Get up, Anastasia.

783

01:01:01,116 --> 01:01:03,326

What for? Why?

784

01:01:03,410 --> 01:01:06,245

Everyone's talking about it,
the whole kingdom.

785

01:01:06,538 --> 01:01:08,831

- Hurry now. He'll be here any minute.

- Who will?

786

01:01:08,915 --> 01:01:11,959

The Grand Duke.

He's been hunting all night.

787
