

Dialogues from Effie Gray to improve the vocabulary in English

1

00:00:42,098 --> 00:00:46,728

[girl] Once, a beautiful young girl
lived in a very cold house in Scotland.

2

00:00:52,942 --> 00:00:57,197

The house was cold because someone's
grandfather killed himself there.

3

00:01:02,160 --> 00:01:05,538

One day, the grandson
came to visit the house.

4

00:01:09,709 --> 00:01:13,755

He thought the beautiful young girl
was an angel come down to Earth.

5

00:01:21,137 --> 00:01:23,431

The grandson worked very hard.

6

00:01:28,853 --> 00:01:32,524

He read and thought and drew and wrote.

7

00:01:36,569 --> 00:01:39,072

He wrote a fairy story just for her.

8

00:01:43,743 --> 00:01:45,537

She was 12 years old.

9

00:01:48,665 --> 00:01:50,500

Her mother and father were kind,

10

00:01:51,584 --> 00:01:53,086

but his were wicked.

11

00:01:55,296 --> 00:01:58,925

When she grew up, he married her.

12

00:02:12,272 --> 00:02:14,691

-Come now.

-[Sophie] You can't marry him!

13

00:02:14,774 --> 00:02:17,277

Why not, when I love him so much?

14

00:02:18,027 --> 00:02:20,613

He's rich and famous

and I'll never see you again!

15

00:02:20,697 --> 00:02:22,157

Oh, away with you!

16

00:02:22,240 --> 00:02:24,159

You'll come and stay in London!

17

00:02:24,242 --> 00:02:25,577

London, Sophie!

18

00:02:25,660 --> 00:02:27,745

I'm leaving dreary old Scotland at last,

19

00:02:27,829 --> 00:02:29,122

and you'll follow me.

20

00:02:29,455 --> 00:02:31,666

We'll go to parties

in beautiful yellow dresses

21

00:02:31,749 --> 00:02:34,502

and we'll dance with musicians

and poets and great artists

22

00:02:35,044 --> 00:02:36,671

who'll want to paint your picture.

23

00:02:37,046 --> 00:02:39,048

-Really?

-Yes, really!

24

00:02:39,674 --> 00:02:41,676

It's going to be so exciting! Come on!

25

00:02:42,802 --> 00:02:44,512

We need more leaves for our pillows.

26

00:02:45,096 --> 00:02:47,223

-Can my dress be pink?

-Yes!

27

00:02:48,433 --> 00:02:51,728

[John Ruskin] Nature must rule
every stroke of your brush.

28

00:02:52,520 --> 00:02:54,898

Only by representing her as she truly is,

29

00:02:54,981 --> 00:02:57,525

selecting nothing, scorning nothing,

30

00:02:57,859 --> 00:02:59,611

will you reveal God's truth.

31

00:03:00,445 --> 00:03:01,946

To put it simply, gentlemen,

32

00:03:02,030 --> 00:03:03,698

paint what you see,

33

00:03:03,907 --> 00:03:05,950

draw what you see.

34

00:03:15,126 --> 00:03:18,379

[priest] We give thanks to God
for the gift of marriage,

35

00:03:18,463 --> 00:03:22,634

and we ask for God's grace
that the marriage be enriched.

36

00:03:24,135 --> 00:03:27,347

And in the presence of God
and before these witnesses,

37

00:03:28,473 --> 00:03:33,770

I now pronounce you man and wife.

38

00:03:40,276 --> 00:03:41,778

[horse neighing]

39

00:03:44,072 --> 00:03:46,199

-Blessings to you both, dear.

-Thank you so much.

40

00:03:52,997 --> 00:03:54,123

My friends...

41

00:03:56,000 --> 00:03:58,378

Consider me a man who is not an artist,

42

00:03:59,045 --> 00:04:01,339

but has nonetheless been granted a muse.

43

00:04:03,383 --> 00:04:04,592

Consider this man

44

00:04:05,927 --> 00:04:07,679

the luckiest of mortals,

45

00:04:08,054 --> 00:04:09,847

-bound to you in spirit...

-[sighing]

46

00:04:10,473 --> 00:04:11,891

from this moment forth.

47

00:04:16,020 --> 00:04:16,938

Sophie!

48

00:04:18,648 --> 00:04:20,233

I shall see you in London.

49

00:04:21,359 --> 00:04:22,360

[Sophie] Goodbye!

50

00:04:28,366 --> 00:04:29,867

[train chugging]

51

00:04:42,630 --> 00:04:43,965

Do you know what has just occurred to me?

52

00:04:48,219 --> 00:04:50,888

This is the first time
we've ever been entirely alone.

53

00:04:57,270 --> 00:04:58,479

Close your eyes.

54

00:05:14,203 --> 00:05:15,288

Perfect.

55

00:05:40,563 --> 00:05:41,814

[neighing]

56

00:05:50,156 --> 00:05:52,158

Flowers! Flowers!

57

00:06:27,568 --> 00:06:29,821

[coachman] Easy.

That's it, good boy.

58

00:06:30,905 --> 00:06:32,073

Whoa!

59

00:06:36,536 --> 00:06:38,287

-Here you are, sir.

-Thank you, Alfred.

60

00:06:41,082 --> 00:06:42,625

Welcome to Denmark Hill.

61

00:06:43,876 --> 00:06:44,961

No...

62

00:06:46,295 --> 00:06:47,505

Welcome home.

63

00:06:50,174 --> 00:06:52,260

Ah, George. There you are.

64

00:06:56,013 --> 00:06:57,306

Here is your new mistress.

65

00:06:58,850 --> 00:07:00,893

Don't be shy, take her by the hand.

66

00:07:03,354 --> 00:07:05,898

He is an excellent chap,
full of wise saws.

67

00:07:07,525 --> 00:07:09,360

Tell them we're here,
there's a good fellow.

68

00:07:13,322 --> 00:07:15,324

-My dearest boy...
-Congratulations.

69

00:07:15,408 --> 00:07:17,076

-...my darling boy!
-Congratulations.

70

00:07:17,160 --> 00:07:18,911

-You are home at last!
-Welcome to the family.

71

00:07:18,995 --> 00:07:20,955

How happy we are to see you wed at last!

72

00:07:21,038 --> 00:07:22,123

Thank you, thank you.

73

00:07:22,206 --> 00:07:24,167

The journey, I trust, was tolerable?

74

00:07:24,667 --> 00:07:27,086

The train journey
was dreadfully long and drafty,

75

00:07:27,378 --> 00:07:29,881

but every discomfort forgot
as soon as we got into your carriage.

76

00:07:29,964 --> 00:07:32,758

[chuckling] Well, that is a most
comfortable carriage, is it not?

77

00:07:32,842 --> 00:07:35,052

-The best on the market.

-Like a feather bed.

78

00:07:35,136 --> 00:07:36,762

-Well, come through.

-John?

79

00:07:36,846 --> 00:07:38,014

Oh...

80

00:07:38,639 --> 00:07:40,641

Mrs. Ruskin's just putting
him into a bath.

81

00:07:40,725 --> 00:07:42,810

She has been aching to get
her hands on him.

82

00:07:42,894 --> 00:07:44,228

Now, come through.

83

00:07:44,687 --> 00:07:47,440

-I should change...

-Yes, of course.

84

00:07:47,523 --> 00:07:50,276

But there's plenty of time for that.

85

00:07:50,485 --> 00:07:52,361

Now come through and see this.

86

00:07:54,655 --> 00:07:55,907

Now, this

87

00:07:56,407 --> 00:07:59,076

was purchased in celebration
of your nuptials.

88

00:08:01,120 --> 00:08:03,956

John's writing has made
Mr. Turner so celebrated.

89

00:08:04,040 --> 00:08:07,960

Do you know that this painting
is already worth a great deal more.

90

00:08:08,294 --> 00:08:09,670

[chuckling]

91

00:08:13,049 --> 00:08:15,843

[Margaret]

Bless, O Lord, this foison before us,

92

00:08:15,927 --> 00:08:19,180

and make us ever mindful
of the wants and needs of others.

93

00:08:19,263 --> 00:08:21,557

Bless us all and keep us from harm.

94

00:08:21,641 --> 00:08:23,935

Guide and direct us, through all our days.

95

00:08:24,602 --> 00:08:26,270

And thank you, Lord,

96

00:08:26,354 --> 00:08:30,107

for delivering my heart's treasure
safely back home.

97

00:08:30,191 --> 00:08:31,150

Amen.

98

00:08:31,234 --> 00:08:32,443

[all] Amen.

99

00:08:38,658 --> 00:08:40,701

You are well recovered,

I hope, Mrs. Ruskin?

100

00:08:41,661 --> 00:08:42,662

We missed you at the wedding.

101

00:08:42,745 --> 00:08:44,247

Yes, it was a shame you couldn't be there.

102

00:08:44,747 --> 00:08:47,333

Never mind, never mind. It's all over now.

103

00:08:51,087 --> 00:08:53,631

You look a little thinner

than last year, my dear.

104

00:08:54,215 --> 00:08:55,508

I have been ill.

105

00:08:56,050 --> 00:08:59,011

Father's difficulties

have put a strain upon us all.

106

00:08:59,095 --> 00:09:02,765

Well, that strain is gone.

You will never want for money again.

107

00:09:03,933 --> 00:09:06,143

You, however, my boy,

108

00:09:06,227 --> 00:09:08,396

are somewhat stouter than when you left!

109

00:09:08,479 --> 00:09:10,731

-The Scotch air must have done you good.

-Nonsense.

110

00:09:10,815 --> 00:09:12,525

One cannot be well in Scotland.

111

00:09:12,942 --> 00:09:14,944

Your cough will last you

for the winter, will it not?

112

00:09:15,027 --> 00:09:17,446

I am much improved.

113

00:09:18,447 --> 00:09:19,699

And stronger.

114

00:09:21,617 --> 00:09:23,244

I have even started painting again.

115

00:09:23,703 --> 00:09:25,037

John drew me constantly.

116

00:09:26,038 --> 00:09:28,749

He must have destroyed
a fortune in paper and paint.

117

00:09:28,833 --> 00:09:30,751

Who would not, with such a subject?

118

00:09:34,422 --> 00:09:35,548

For you, my dear.

119

00:09:36,257 --> 00:09:37,675

In welcome to our family.

120

00:09:40,261 --> 00:09:41,512

One of my favorite pieces...

121

00:09:44,223 --> 00:09:45,474

Which you may as well have now

122

00:09:45,558 --> 00:09:47,935

since it would in any case

be left to you when I die.

123

00:10:00,865 --> 00:10:02,158

[John coughing]

124

00:10:02,241 --> 00:10:03,909

[Mr. Ruskin] There, there, there, there.

125

00:10:04,285 --> 00:10:05,494

Let her.

126

00:10:06,412 --> 00:10:08,205

You know what mothers are like.

127

00:10:10,166 --> 00:10:11,459

[John clearing throat]

128

00:10:11,876 --> 00:10:13,127

[Margaret] Take a sip.

129

00:12:13,914 --> 00:12:15,332

[sobbing softly]

130

00:12:19,795 --> 00:12:22,882

Good morning, madam.

I trust you slept?

131

00:12:24,758 --> 00:12:26,093

What would you like?

132

00:12:27,011 --> 00:12:28,804

Has everyone else already breakfasted?

133

00:12:28,888 --> 00:12:30,014

Oh, yes, madam.

134

00:12:30,723 --> 00:12:32,641

Seven o'clock, every morning.

135

00:12:34,226 --> 00:12:35,519

I was not told.

136

00:12:37,021 --> 00:12:38,981

I was so tired, I did not hear John.

137

00:12:39,398 --> 00:12:40,816

Not to worry, madam.

138

00:12:41,567 --> 00:12:43,486

-Eggs?

-Thank you.

139

00:12:44,570 --> 00:12:47,406

-Oh, Anna?

-Yes, madam?

140

00:12:47,698 --> 00:12:49,158

Do you know where John...

141

00:12:51,160 --> 00:12:52,495

Where Mr. Ruskin is?

142

00:12:53,412 --> 00:12:55,080

Oh, he'll be working, madam.

143

00:13:58,227 --> 00:13:59,645

-Effie?

-[pencil clacking]

144

00:14:01,897 --> 00:14:02,898

John.

145

00:14:05,943 --> 00:14:08,237

I knew this must be

where you work, and I have...

146

00:14:11,365 --> 00:14:12,658

I'm sorry. I broke it.

147

00:14:14,326 --> 00:14:15,995

I can see. No matter.

148

00:14:21,709 --> 00:14:22,835

Did you sleep?

149

00:14:25,337 --> 00:14:26,589

I think you did.

150

00:14:27,089 --> 00:14:28,007

I watched you.

151

00:14:29,216 --> 00:14:31,468

Did you not sleep? You were so tired.

152

00:14:31,886 --> 00:14:32,928

I did.

153

00:14:33,762 --> 00:14:35,055

I did, after a while.

154

00:14:37,516 --> 00:14:38,726

What shall we do?

155

00:14:40,769 --> 00:14:42,271

What do married people do?

156

00:14:43,272 --> 00:14:44,940

I have as little idea as you.

157

00:14:46,358 --> 00:14:48,110

But I think I must work, dearest.

158

00:15:07,713 --> 00:15:09,465

I shall sit with you and read, then.

159

00:15:10,424 --> 00:15:12,551

Dearest, you will be quite bored here.

160

00:15:14,511 --> 00:15:16,305

Why don't you go and find Mama,

161

00:15:16,513 --> 00:15:18,223

I think she needs help in the garden.

162

00:15:30,486 --> 00:15:31,528

Good morning.

163

00:15:32,154 --> 00:15:34,031

Good morning, my child.

164

00:15:35,157 --> 00:15:36,533

I trust you slept.

165

00:15:37,493 --> 00:15:38,827

Well, thank you.

166

00:15:41,580 --> 00:15:43,040

And have you breakfasted?

167

00:15:43,666 --> 00:15:45,542

I have. Thank you.

168

00:15:47,044 --> 00:15:48,212

John said you needed help.

169

00:15:48,295 --> 00:15:49,797

Me? Oh, no, no, no.

170

00:15:50,297 --> 00:15:52,841

I never let anyone touch my roses.

John knows that.

171

00:15:54,426 --> 00:15:55,511

Oh.

172

00:15:57,429 --> 00:15:58,806

Well, I shall go and help John.

173

00:15:59,223 --> 00:16:00,474

[scoffs]

174

00:16:01,600 --> 00:16:02,768

Help him?

175

00:16:03,978 --> 00:16:05,062

With his work.

176

00:16:05,145 --> 00:16:07,523

You cannot help him with his work.

177

00:16:08,607 --> 00:16:11,944

I can take notes.

I can sharpen his pencils.

178

00:16:12,027 --> 00:16:13,737

-I can...

-My dear.

179

00:16:15,197 --> 00:16:18,325

You have married no ordinary man.

180

00:16:19,868 --> 00:16:22,538

And the best way, the only way

181

00:16:23,080 --> 00:16:26,875

in which you can help him

is by leaving him alone.

182

00:16:27,876 --> 00:16:29,211

Leaving him alone?

183

00:16:30,838 --> 00:16:32,256

But we are only just married!

184

00:16:32,339 --> 00:16:36,218

John being able to work,
undisturbed and unfettered

185

00:16:36,885 --> 00:16:39,471

affords him the best chance
of establishing his name.

186

00:16:39,555 --> 00:16:43,225

And you of course, want the best
position in society that you can reach.

187

00:16:45,477 --> 00:16:46,812

Then what am I to do?

188

00:16:47,521 --> 00:16:51,066

Well, I have always found
great comfort in my roses.

189

00:16:52,026 --> 00:16:53,277

And my Bible.

190

00:16:54,236 --> 00:16:55,362

[snipping]

191

00:17:05,622 --> 00:17:07,833

[John] Sir, I believe
these young artists to be

192

00:17:07,916 --> 00:17:09,835

at a most critical period of their career,

193

00:17:10,085 --> 00:17:11,503

at a turning point,

194

00:17:11,587 --> 00:17:13,589

from which they may either
sink into nothingness

195

00:17:13,672 --> 00:17:16,258

or rise to very real greatness.

196

00:17:17,926 --> 00:17:20,804

Their path will depend
on the character of the criticism

197

00:17:20,888 --> 00:17:22,890

which their works have to sustain.

198

00:17:26,101 --> 00:17:27,019

We will be late.

199

00:17:27,603 --> 00:17:31,315

Marriage, dear boy,
is all about learning how to wait.

200

00:17:33,233 --> 00:17:34,318

[Anna] She's ready.

201

00:17:53,337 --> 00:17:55,297

Time for a little word, I think.

202

00:18:23,659 --> 00:18:25,702

[indistinct conversations in distance]

203

00:18:30,165 --> 00:18:33,710

We're trying to find a truth,

204

00:18:34,086 --> 00:18:36,588

and the simplicity from an earlier time.

205

00:18:38,006 --> 00:18:41,969

An integrity that I think is lost now.

206

00:18:43,512 --> 00:18:45,514

[indistinct conversations continuing]

207

00:18:49,476 --> 00:18:51,436

Bringing The Academy into disrepute,

208

00:18:51,520 --> 00:18:54,439

which must not and will not be allowed!

209

00:18:54,523 --> 00:18:58,443

There is no place, sir,
no place for these offensive

210

00:18:58,527 --> 00:19:01,405

and deformed productions
upon the hallowed walls

211

00:19:01,488 --> 00:19:03,115

of this great institution.

212

00:19:03,198 --> 00:19:04,783

[Sir Charles] Gentlemen, please.

213

00:19:06,285 --> 00:19:09,705

This most interesting discussion
can continue at the table.

214

00:19:17,212 --> 00:19:18,297

[man] Lady Eastlake.

215

00:19:24,511 --> 00:19:27,556

And I say that it is incumbent upon you,

216

00:19:27,639 --> 00:19:30,559

Sir Charles, as President of this Academy,

217

00:19:30,642 --> 00:19:34,605

to protect us from

this ugliness and confusion!

218

00:19:34,938 --> 00:19:37,524

Take down the paintings

before the opening, I implore you.

219

00:19:38,275 --> 00:19:39,776

Do not indulge them, sir!

220

00:19:39,860 --> 00:19:42,654

They are nothing more

than childish mountebanks and amateurs.

221

00:19:42,738 --> 00:19:46,200

[man] Remove them, sir, remove them.

They disgrace these walls.

222

00:19:46,283 --> 00:19:48,702

Gentlemen, please. Please.

223

00:19:49,786 --> 00:19:52,164

Thank you. Now...

224

00:19:52,247 --> 00:19:54,041

[John] What is the purpose of art?

225

00:19:54,124 --> 00:19:55,292

[man] Oh, really!

226

00:19:58,712 --> 00:20:00,255

What is the purpose of art?

227

00:20:01,632 --> 00:20:05,260

To idealize? To sentimentalize?

228

00:20:05,344 --> 00:20:06,678

No. Of course not.

229

00:20:07,137 --> 00:20:09,681

The purpose of art is to reveal the truth.

230

00:20:11,350 --> 00:20:13,060

The purpose of art is to reveal God.

231

00:20:13,352 --> 00:20:15,062

But not through caricature...

232

00:20:15,145 --> 00:20:16,480

Not through ugliness!

233

00:20:16,563 --> 00:20:17,731

[man] Let him speak.

234

00:20:18,398 --> 00:20:20,234

Let us hear what he has to say!

235

00:20:21,401 --> 00:20:23,195

If God is the creator of nature

236

00:20:23,278 --> 00:20:25,989

then God is also the creator of decay,

237

00:20:26,073 --> 00:20:28,700

of disease, of ugliness.

238

00:20:29,868 --> 00:20:32,371

I cannot deny that Mr. Hunt's Sylvia

239

00:20:32,454 --> 00:20:35,207

is not a person with whom Proteus
or anyone else,

240

00:20:35,290 --> 00:20:37,376

for that matter,
is likely to fall in love.

241

00:20:37,459 --> 00:20:38,502

[men laughing]

242

00:20:38,585 --> 00:20:40,671

[John] But truthfulness, honesty,

243

00:20:41,129 --> 00:20:45,050

these are more important
than mere conventional beauty!

244

00:20:45,133 --> 00:20:48,345

Do you understand?
He was painting what he saw.

245

00:20:48,428 --> 00:20:50,347

But what do you see, Mr. Ruskin?

246

00:20:50,430 --> 00:20:51,890

Tell us what you see.

247

00:20:54,309 --> 00:20:56,186

[John] I see nothing less
than eternal truths.

248

00:20:58,355 --> 00:20:59,606

I see God.

249

00:21:01,650 --> 00:21:05,195

In these men, these visionary men...

250

00:21:07,155 --> 00:21:10,284

I see a school of art

nobler than the world has produced

251

00:21:10,367 --> 00:21:11,660

in 300 years.

252

00:21:12,160 --> 00:21:15,080

Ridiculous! They are imitators.

253

00:21:15,414 --> 00:21:17,416

-[man] Medieval copyists!

-[indistinct talking]

254

00:21:17,791 --> 00:21:18,917

Mr. Ruskin...

255

00:21:22,170 --> 00:21:24,214

Do you think their painting pleases God?

256

00:21:27,676 --> 00:21:29,094

[John] All great art

257

00:21:30,846 --> 00:21:31,722

praises God.

258

00:21:36,685 --> 00:21:40,689

If his own nature pleases him
then it follows,

259

00:21:41,189 --> 00:21:42,399

so must we.

260

00:21:44,109 --> 00:21:45,944

[Sir Charles] I must confess
to finding this addiction

261

00:21:46,028 --> 00:21:48,697

-to an antique style backward-looking.
-[man 2] Gentlemen...

262

00:21:48,780 --> 00:21:50,741

-I find you are both wrong!

-[Lady Eastlake] Well done, my dear.

263

00:21:50,824 --> 00:21:54,161

That was an interesting question,
and bravely spoken.

264

00:21:54,536 --> 00:21:55,787

But never mind God,

265

00:21:55,871 --> 00:21:57,789

what do you think of their daubs?

266

00:21:59,374 --> 00:22:00,709

I don't know what I think.

267

00:22:02,461 --> 00:22:03,920

I just like them.

268

00:22:05,547 --> 00:22:07,049

They make me feel happy.

269

00:22:07,132 --> 00:22:11,678

Do you know, I cannot remember
the last time I felt happy in this place.

270

00:22:12,804 --> 00:22:15,807

A ghastly collection
of self-congratulatory males.

271

00:22:15,891 --> 00:22:19,102

It was such a relief to hear
an intelligent female voice.

272

00:22:20,103 --> 00:22:21,813

How do you do. I am Eff...

273

00:22:23,523 --> 00:22:24,733

I mean, Mrs. John Ruskin.

274

00:22:25,108 --> 00:22:26,401

I know who you are.

275

00:22:26,485 --> 00:22:28,862

But who are you

when you are not Mrs. John Ruskin?

276

00:22:28,945 --> 00:22:30,280

I am Elizabeth.

277

00:22:30,363 --> 00:22:33,033

I'm Eff... I mean Euphemia.

278

00:22:33,116 --> 00:22:34,618

Absurd business, isn't it?

279

00:22:35,202 --> 00:22:37,162

Having to lose your own name
and taking your husband's

280

00:22:37,245 --> 00:22:38,622

Christian name into the bargain.

281

00:22:38,705 --> 00:22:40,999

Fortunately I do not have
that cross to bear...

282

00:22:41,083 --> 00:22:42,167

Why is that?

283

00:22:42,250 --> 00:22:44,002

-[waiter] Lady Eastlake.

-Thank you.

284

00:22:45,462 --> 00:22:46,463

Your husband is...

285

00:22:46,546 --> 00:22:48,882

President of the Academy, yes...

Thank you.

286

00:22:48,965 --> 00:22:51,968

He absolutely hates the pictures,
by the way,

287

00:22:52,052 --> 00:22:53,845

but he respects your husband's opinions.

288

00:22:53,929 --> 00:22:55,597

As I respect yours.

289

00:22:56,139 --> 00:22:57,057

You must have us to dine.

290

00:23:00,393 --> 00:23:02,062

Good. Well, I shall hold you to it.

291

00:23:03,271 --> 00:23:04,773

It sounds as if it went well.

292

00:23:05,440 --> 00:23:07,025

As well as could be expected.

293

00:23:07,943 --> 00:23:10,487

They have agreed to leave the paintings
in place at least.

294

00:23:10,570 --> 00:23:11,696

Oh.

295

00:23:12,739 --> 00:23:14,199

Lady Eastlake was so kind.

296

00:23:14,574 --> 00:23:16,660

And I didn't even know
who she was at first.

297

00:23:16,743 --> 00:23:17,828

Lady Eastlake?

298

00:23:17,911 --> 00:23:20,622

John, congratulations!
You have won the fight.

299

00:23:21,081 --> 00:23:22,541

You must be proud, surely?

300

00:23:23,208 --> 00:23:24,459

I can scarcely tell.

301

00:23:25,127 --> 00:23:27,754

All I know for certain is that
it will take me three days to recover.

302

00:23:28,296 --> 00:23:33,135

There are so many demands on you
from all sides, I am sure.

303

00:23:33,552 --> 00:23:35,428

Everyone always wanting something.

304

00:23:35,929 --> 00:23:37,931

Intolerable for you, my darling,

305

00:23:38,265 --> 00:23:40,475

my heart's treasure, come.

306

00:23:41,101 --> 00:23:42,477

Oh, I forgot to say...

307

00:23:46,064 --> 00:23:48,775

Lady Eastlake has asked us
to invite them to dine here.

308

00:23:50,652 --> 00:23:51,778

Dine here?

309

00:23:52,529 --> 00:23:53,697

The Eastlakes?

310

00:24:01,746 --> 00:24:02,747

John?

311

00:24:04,207 --> 00:24:05,208

Yes?

312

00:24:06,334 --> 00:24:07,836

We are not poor, are we?

313

00:24:09,171 --> 00:24:10,213

Poor?

314

00:24:11,298 --> 00:24:12,424

Not remotely.

315

00:24:13,258 --> 00:24:14,718

What on Earth made you ask?

316

00:24:15,510 --> 00:24:17,345

I am just making sure of something.

317

00:24:18,346 --> 00:24:19,639

What something?

318

00:24:20,682 --> 00:24:22,851

That we are not too poor to have children.

319

00:24:24,269 --> 00:24:26,229

You are but a child yourself, yet.

320

00:24:26,563 --> 00:24:27,731

I am not.

321

00:24:29,900 --> 00:24:31,276

I am not a child.

322

00:24:31,651 --> 00:24:33,028

I am a married woman.

323

00:24:35,488 --> 00:24:37,324

And when we live together
as husband and wife...

324

00:24:37,657 --> 00:24:39,618

We are husband and wife.

325

00:24:39,868 --> 00:24:41,036

I know. But alone.

326

00:24:41,661 --> 00:24:43,580

I know I shall love to keep house for you.

327

00:24:44,080 --> 00:24:47,125

Our own house.

With a good-sized nursery.

328

00:24:47,918 --> 00:24:50,712

In town, to retain some
hold of good society.

329

00:24:51,588 --> 00:24:54,174

And I will be in charge
of all our domestic matters.

330

00:24:59,596 --> 00:25:01,389

I will become the wife that you desire.

331

00:25:56,361 --> 00:25:57,570

Can I help you, madam?

332

00:25:58,238 --> 00:25:59,489

Yes, Anna, thank you.

333

00:26:00,448 --> 00:26:02,784

I was looking for needle and thread
for John's shirt.

334

00:26:03,243 --> 00:26:04,536

-Needs mending.

-Oh!

335

00:26:05,078 --> 00:26:06,538

I'm sorry, madam,

336

00:26:07,080 --> 00:26:08,957

I don't know how I could have missed that.

337

00:26:09,457 --> 00:26:11,209

Leave it here, I'll do it rightaways.

338

00:26:11,293 --> 00:26:12,377

I will do it.

339

00:26:13,461 --> 00:26:17,882

Madam, it has always been my job
to do young Mr. Ruskin's mending.

340

00:26:17,966 --> 00:26:18,967

Not any more.

341

00:26:20,885 --> 00:26:22,053

I am his wife.

342

00:26:22,679 --> 00:26:24,389

I shall look after his things.

343

00:26:25,682 --> 00:26:26,933

Thank you, Anna.

344

00:26:29,686 --> 00:26:31,271

As you wish, madam.

345

00:26:38,028 --> 00:26:39,112

[door closing]

346

00:26:39,904 --> 00:26:41,281

Ah, my dear...

347

00:26:43,658 --> 00:26:45,243

I am quite an expert mender.

348

00:26:46,328 --> 00:26:48,246

John's shirt will be as good as new.

349

00:26:49,164 --> 00:26:50,874

If Mama ever needed anything mending,

350

00:26:50,957 --> 00:26:52,709

socks, babies' napkins,

351

00:26:53,668 --> 00:26:55,337

I was always the one she asked.

352

00:26:56,254 --> 00:26:58,298

John does not wear babies' napkins.

353

00:27:00,300 --> 00:27:02,469

No, I know that.

354

00:27:03,428 --> 00:27:04,596

Of course not, I just meant...

355

00:27:04,679 --> 00:27:06,514

My dear, I am sure you mean well,

356

00:27:07,182 --> 00:27:12,437

but do not insult us by suggesting
we would make our son wear darned socks.

357

00:27:13,188 --> 00:27:14,439

You forget where you are.

358

00:27:15,648 --> 00:27:17,150

No, of course not. Forgive me.

359

00:27:17,859 --> 00:27:20,528

And you forget who you are.

360

00:27:25,617 --> 00:27:26,951

Anna!

361

00:27:41,091 --> 00:27:42,425

[Anna exclaiming]

362

00:27:47,305 --> 00:27:48,473

[panting]

363

00:28:20,547 --> 00:28:21,381

John.

364

00:29:26,404 --> 00:29:28,698

[Anna] Mrs. Ruskin says

you should take this.

365

00:29:30,408 --> 00:29:31,826

[Effie] What is it?

366

00:29:31,910 --> 00:29:35,163

Messes. She swears by it.

367

00:29:35,997 --> 00:29:36,998

What's in it?

368

00:29:37,957 --> 00:29:39,459

I do not know, madam.

369

00:29:43,087 --> 00:29:46,174

She means to poison me.

I will not take it.

370

00:29:47,175 --> 00:29:49,427

Mrs. Ruskin was most determined.

371

00:30:19,874 --> 00:30:22,335

Lady Eastlake, Sir Charles.

372

00:30:24,671 --> 00:30:26,005

You honor us.

373

00:30:26,089 --> 00:30:28,383

I have been trying, unsuccessfully,

374

00:30:28,466 --> 00:30:31,970

to congratulate your son
on his wonderful new writings.

375

00:30:32,053 --> 00:30:34,722

Which are no more than a wretched rant.

376

00:30:35,181 --> 00:30:37,642

And of course, John,
we're here to congratulate you

377

00:30:37,725 --> 00:30:39,727

on your fascinating new wife.

378

00:30:40,353 --> 00:30:43,731

Well, new to me, at any rate.

Where is she?

379

00:30:47,277 --> 00:30:50,321

Did I shock her so profoundly
when we first met?

380

00:30:50,405 --> 00:30:51,781

Would you excuse me?

381

00:30:53,825 --> 00:30:54,868

Of course.

382

00:31:01,583 --> 00:31:03,293

[Margaret] Why is she not dressed?

383

00:31:04,502 --> 00:31:06,838

You will get up and dress. Now.

384

00:31:07,881 --> 00:31:09,340

I am ill. My head...

385

00:31:09,674 --> 00:31:12,844

You are not ill, you're just peevish.

386

00:31:12,927 --> 00:31:14,429

You've had your medicine.

Now get up.

387

00:31:15,263 --> 00:31:17,891

She will be dressed and downstairs
in five minutes

388

00:31:17,974 --> 00:31:19,767

or I will want to know the reason why.

389

00:31:22,103 --> 00:31:23,229

[door slamming]

390

00:31:27,025 --> 00:31:29,068

[indistinct conversations]

391

00:31:37,785 --> 00:31:40,663

Ah! Euphemia! There you are.

392

00:31:41,164 --> 00:31:42,916

My dear girl, what on Earth is the matter?

393

00:31:42,999 --> 00:31:44,208

You are white to the teeth.

394

00:31:44,584 --> 00:31:48,129

No, indeed, I am very well.

395

00:31:50,340 --> 00:31:52,175

Come and sit down.

396

00:31:54,135 --> 00:31:56,095

Sir Charles was just telling us about

397

00:31:56,179 --> 00:31:59,724

the excellent response
to John's new book, Euphemia.

398

00:31:59,807 --> 00:32:01,559

Do continue, Sir Charles.

399

00:32:01,643 --> 00:32:04,103

[Sir Charles] Well, as I say,
the reaction has been overwhelming.

400

00:32:04,812 --> 00:32:07,732

He has been called
the greatest teacher of our day.

401

00:32:07,982 --> 00:32:09,609

Forgive me, Charles, but...

402

00:32:09,943 --> 00:32:13,696

This girl does not need to hear
about her husband's triumph just now,

403

00:32:13,780 --> 00:32:15,823

what she needs is a cup of beef tea
and bed.

404

00:32:16,741 --> 00:32:17,909

Do you think so?

405

00:32:18,451 --> 00:32:20,870

Euphemia, dear, are you so very ill?

406

00:32:29,295 --> 00:32:30,421

Excuse me.

407

00:32:30,505 --> 00:32:31,881

Come. Come.

408

00:32:31,965 --> 00:32:32,966

Come.

409

00:32:42,100 --> 00:32:45,395

It is just the headache, Your Ladyship,

I am so very sorry.

410

00:32:46,104 --> 00:32:48,481

It is just the married life, more like.

411

00:32:49,691 --> 00:32:51,401

Tell me, Effie,

412

00:32:52,443 --> 00:32:54,529

do you have anyone to talk to?

413

00:32:56,906 --> 00:32:59,033

I keep thinking

I've made a terrible mistake.

414

00:33:03,371 --> 00:33:04,956

I thought so too,

415

00:33:05,039 --> 00:33:06,958

at the beginning of my marriage.

416

00:33:08,167 --> 00:33:11,587

Beginnings are always difficult, my dear.

417

00:33:11,879 --> 00:33:13,423

But we have not yet begun.

418

00:33:14,257 --> 00:33:15,633

They won't let us!

419

00:33:16,259 --> 00:33:18,094

You will not always live here.

420

00:33:18,761 --> 00:33:21,264

This is a temporary arrangement, surely?

421

00:33:21,472 --> 00:33:23,433

They want him here, I'm sure of that.

422

00:33:24,517 --> 00:33:26,185

They have always had him to themselves.

423

00:33:28,187 --> 00:33:29,689

Did you know they would
not even let him play

424

00:33:29,772 --> 00:33:31,607

with other children when he was little?

425

00:33:33,026 --> 00:33:36,154

She took rooms near him at University
and they saw each other every day.

426

00:33:37,822 --> 00:33:39,574

She will never let him away from her.

427

00:33:41,075 --> 00:33:42,326

My dear child,

428

00:33:42,410 --> 00:33:46,831

it is unreasonable for the pair of you
not to have a home of your own.

429

00:33:48,416 --> 00:33:50,001

Thank you for being so kind to me.

430

00:33:50,084 --> 00:33:51,669

Oh, there, there, now.

431

00:33:51,753 --> 00:33:54,964

You are a strong, wise girl
and you will bear up.

432

00:33:55,631 --> 00:33:59,927

But I must ask you to banish all thoughts

of having made a mistake from your mind.

433

00:34:00,970 --> 00:34:02,305

But what if I have?

434

00:34:03,556 --> 00:34:04,891

Then I am sorry to say, my dear,

435

00:34:04,974 --> 00:34:06,517

it is a mistake

you will have to live with.

436

00:34:06,601 --> 00:34:08,770

There is no going back.

437

00:34:10,104 --> 00:34:11,189

No.

438

00:34:12,231 --> 00:34:13,733

No, of course not.

439

00:34:16,486 --> 00:34:22,158

Of course, you know what will set
everything to rights quite naturally.

440

00:34:22,950 --> 00:34:24,202

Children.

441

00:34:24,786 --> 00:34:28,289

They are the glue
that binds all marriages.

442

00:34:37,548 --> 00:34:39,592

Can you ever forgive me?

443

00:34:39,675 --> 00:34:41,052

Of course.

444

00:34:41,260 --> 00:34:44,055

But if you ever take me there again,
I'll have you thrown in the Thames.

445

00:34:44,138 --> 00:34:45,306

[Lady Eastlake chuckling]

446

00:34:50,103 --> 00:34:51,270

[coachman urges horse]

447

00:35:04,909 --> 00:35:06,119

[door opening]

448

00:35:14,043 --> 00:35:16,379

Your poor mother is in floods.

449

00:35:17,213 --> 00:35:18,840

There was nothing I could do.

450

00:35:19,215 --> 00:35:20,842

God knows we have protected you

451

00:35:20,925 --> 00:35:23,594

with every sinew

in our bodies from childhood

452

00:35:23,678 --> 00:35:26,722

from all the obstructions that might

have prevented your unique talent

453

00:35:26,806 --> 00:35:27,807

from emerging to the full.

454

00:35:28,516 --> 00:35:29,851

And you succeeded.

455

00:35:30,434 --> 00:35:33,813

But every talent, however unique,
needs its patrons.

456

00:35:33,896 --> 00:35:36,524

And now, tonight, for the first time,

457

00:35:38,651 --> 00:35:40,820

the President of the Academy himself,

458

00:35:41,237 --> 00:35:44,323

the greatest patron
any man of the arts could wish for,

459

00:35:44,407 --> 00:35:45,950

graces our house.

460

00:35:47,577 --> 00:35:51,330

Your wife is unable or unwilling

461

00:35:51,414 --> 00:35:53,708

to make the effort required

to make it a success.

462

00:35:54,333 --> 00:35:56,586

Careers have foundered on less, John.

463

00:35:57,712 --> 00:36:00,506

I am sorry to be a disappointment

to you both.

464

00:36:08,764 --> 00:36:10,224

You were warned about that girl,

465

00:36:10,892 --> 00:36:12,852

yet you chose to follow your own path.

466

00:36:13,728 --> 00:36:18,357

Well, it's up to you to ensure
that this does not lead to the destruction

467

00:36:19,192 --> 00:36:21,485

of everything we have wished for you.

468

00:36:29,243 --> 00:36:32,246

You look sad.

You didn't actually want coffee, did you?

469

00:36:32,330 --> 00:36:34,665

No, no, no. It was just,

470

00:36:34,749 --> 00:36:40,338

it's that poor child I was interested
in seeing, and she's not happy.

471

00:36:40,421 --> 00:36:42,340

No more were you at the beginning.

472

00:36:42,673 --> 00:36:44,800

[sighing] That's exactly what I told her.

473

00:36:44,884 --> 00:36:47,303

-Very grim, you were.

-Well, you were pompous.

474

00:36:47,386 --> 00:36:49,180

-True.

-And distant.

475

00:36:49,263 --> 00:36:50,389

Hmm.

476

00:36:53,100 --> 00:36:56,687

This is something more complicated.

477

00:36:56,771 --> 00:37:01,609

Somehow, she has to get him
away from their clutches.

478

00:37:01,692 --> 00:37:04,737

Good heavens. You make them sound
like dragons in a fairy tale.

479

00:37:04,820 --> 00:37:07,198

Do I? I don't mean to, but...

480

00:37:07,615 --> 00:37:09,992

Perhaps that's not so far from the truth.

481

00:37:10,076 --> 00:37:12,370

What was it he was saying to you
about Venice?

482

00:37:13,829 --> 00:37:16,123

Well, he's not taking his parents, I hope.

483

00:37:16,207 --> 00:37:18,251

[both laughing]

484

00:37:46,153 --> 00:37:47,363

John?

485

00:37:49,448 --> 00:37:51,325

Thank you for bringing us here.

486

00:38:09,218 --> 00:38:11,095

[Viscountess] Lady Eastlake told me

487

00:38:11,178 --> 00:38:15,099

I will answer to her for,

come si dice, Rafael?

488

00:38:15,182 --> 00:38:16,851

We are to look after you.

489

00:38:17,685 --> 00:38:18,853

[speaking Italian]

490

00:38:18,936 --> 00:38:20,771

[speaking Italian]

491

00:38:20,855 --> 00:38:22,273

You are most kind, contessa.

492

00:38:22,356 --> 00:38:24,483

Oh, not kind.

493

00:38:25,609 --> 00:38:28,529

It is not often
that you have new blood here.

494

00:38:29,196 --> 00:38:31,657

I am going to send letters.

495

00:38:32,325 --> 00:38:34,452

You will be invited to every party.

496

00:38:36,537 --> 00:38:37,872

I can see,

497

00:38:38,706 --> 00:38:40,583

you don't like party.

498

00:38:40,833 --> 00:38:43,002

[John] I... I am in Venice to work.

499

00:38:43,961 --> 00:38:45,463

To write a new book.

500

00:38:46,589 --> 00:38:47,840

I detest parties.

501

00:38:48,424 --> 00:38:51,761

In fact, it is impossible for me
to go into company without injury.

502

00:38:53,471 --> 00:38:56,891

My wife will be the hostess-fodder.

503

00:38:57,308 --> 00:38:58,809

[speaking Italian] What is he saying?

504

00:38:58,934 --> 00:39:01,979

He says he hates parties.

He does not wish to see anyone.

505

00:39:02,104 --> 00:39:03,064

But she can.

506

00:39:04,273 --> 00:39:05,608

Have they brought a chaperone?

507

00:39:06,817 --> 00:39:08,069

No. We have no need.

508

00:39:09,028 --> 00:39:12,823

My wife is the very model of propriety.

509

00:39:12,907 --> 00:39:14,992

Do not worry Mr. Ruskin.

510

00:39:15,368 --> 00:39:18,621

The Venetian tongues so fond of
wagging will be muted.

511

00:39:18,746 --> 00:39:21,499

With your permission, my mother
and I will chaperone.

512

00:39:22,166 --> 00:39:24,418

-Perfetto.

-What?

513

00:39:25,252 --> 00:39:26,379

What's everyone saying?

514

00:39:27,755 --> 00:39:30,674

They are saying that your husband
disapproves of pleasure

515

00:39:30,758 --> 00:39:32,301

but that you do not.

516

00:39:36,847 --> 00:39:38,724

[church bell tolling]

517

00:39:42,812 --> 00:39:44,563

[all laughing]

518

00:39:44,647 --> 00:39:46,732

[indistinct conversations]

519

00:39:46,816 --> 00:39:47,858

[Rafael] I would like...

520

00:39:48,401 --> 00:39:50,694

I would like to buy some cheese.

521

00:39:50,778 --> 00:39:52,863

[speaking Italian]

522

00:39:52,947 --> 00:39:55,324

[Effie repeating in Italian]

523

00:39:55,408 --> 00:39:57,743

-Brava!

-Wonderful.

524

00:39:57,827 --> 00:39:59,537

Your accent is divine.

525

00:39:59,620 --> 00:40:00,621

Say it again!

526

00:40:00,704 --> 00:40:02,581

[speaking Italian]

527

00:40:03,791 --> 00:40:05,418

Again! Again!

528

00:40:05,501 --> 00:40:07,503

[speaking Italian]

529

00:40:08,087 --> 00:40:10,131

[speaking Italian]

530

00:40:12,925 --> 00:40:14,760

[man speaking Italian]

531

00:40:14,844 --> 00:40:17,179

He has just asked for nine cents.

532

00:40:18,013 --> 00:40:22,726

Please hand him these coins, and tell him
money is no object for you...

533

00:40:22,852 --> 00:40:24,895

as you are married to the richest and
most generous man in Venice.

534

00:40:25,980 --> 00:40:27,106

Grazie.

535

00:40:27,231 --> 00:40:29,442

Rafael, please she gave him too much.

536

00:41:00,514 --> 00:41:01,891

[John] Up you go.

537

00:41:16,030 --> 00:41:17,239

[sighing]

538

00:41:17,323 --> 00:41:19,992

Not one eye,

539

00:41:20,409 --> 00:41:22,411

lifted to this splendor.

540

00:41:25,706 --> 00:41:26,957

Look at this.

541

00:41:28,250 --> 00:41:30,336

It is like the wind itself
could have chiseled it,

542

00:41:31,587 --> 00:41:33,047

look how tenderly.

543

00:41:34,381 --> 00:41:35,633

And that one

544

00:41:36,884 --> 00:41:38,802

is utterly different to this one.

545

00:41:39,803 --> 00:41:41,931

The variety itself is joyful, is it not?

546

00:41:42,014 --> 00:41:43,182

Yes.

547

00:41:44,058 --> 00:41:45,309

Now, look down there.

548

00:41:46,977 --> 00:41:47,853

What do you see?

549

00:41:50,022 --> 00:41:51,357

[Effie] It's very beautiful.

550

00:41:53,025 --> 00:41:54,777

But in a regular way.

551

00:41:55,736 --> 00:41:57,363

A uniform way.

552

00:41:57,905 --> 00:42:00,866

It's like a world where all the trees
are the same shape,

553

00:42:00,950 --> 00:42:02,576

all the clouds are the same size

554

00:42:02,660 --> 00:42:06,830

and all the people
say the same thing over and over again.

555

00:42:07,790 --> 00:42:10,167

It's perfectly executed but,

556

00:42:11,544 --> 00:42:13,420

entirely devoid of this

557

00:42:14,838 --> 00:42:16,799

beautiful imperfection.

558

00:42:18,634 --> 00:42:20,719

If imperfection is your ideal,

559

00:42:22,096 --> 00:42:23,889

then you must think me very beautiful.

560

00:42:59,049 --> 00:43:00,342

[door opening]

561

00:43:30,748 --> 00:43:32,875

[gull squawking]

562

00:43:34,627 --> 00:43:35,628

Look what I found.

563

00:43:42,134 --> 00:43:43,469

Over half a life ago,

564

00:43:45,804 --> 00:43:46,930

do you remember?

565

00:43:54,730 --> 00:43:56,607

[young Effie] Why is she
turning into a tree?

566

00:43:59,652 --> 00:44:02,196

[John] She is the nymph, Daphne.

567

00:44:02,279 --> 00:44:04,448

He is the God Apollo.

568

00:44:05,032 --> 00:44:07,368

He wants her with an overwhelming desire.

569

00:44:08,202 --> 00:44:10,329

He wants to possess her purity.

570

00:44:11,497 --> 00:44:14,792

But she does not want him

571

00:44:15,542 --> 00:44:18,921

and turns herself into a laurel tree
in order to escape.

572

00:44:19,171 --> 00:44:21,965

-That's a clever trick.

-It is.

573

00:44:22,049 --> 00:44:24,176

Nymphs are very clever.

574

00:44:47,074 --> 00:44:49,159

[indistinct conversations]

575

00:44:58,919 --> 00:45:00,629

[conversing in Italian]

576

00:45:00,754 --> 00:45:02,256

Let her! Let her!

577

00:45:04,550 --> 00:45:06,927

Be careful, a woman drowned
in the canal last month.

578

00:45:07,344 --> 00:45:10,139

Listen to him!

Who hired this Spirit of Christmas?

579

00:45:11,807 --> 00:45:14,101

Look at her, she is making an effort.

580

00:45:14,268 --> 00:45:16,061

It's much more difficult than it looks.

581

00:45:16,145 --> 00:45:17,146

What's she saying?

582

00:45:17,229 --> 00:45:20,566

That oar rowing is terribly easy.

And why am I paying for a Gondolier?

583

00:45:21,817 --> 00:45:24,236

Help me. No, don't.

584

00:45:24,486 --> 00:45:26,530

I think I'm getting better.

585

00:45:48,177 --> 00:45:49,261

[Effie] You're already working!

586

00:45:49,970 --> 00:45:51,263

Of course.

587

00:45:52,181 --> 00:45:53,599

Did you enjoy the ball?

588

00:45:54,349 --> 00:45:57,352

I did. I danced and danced.

589

00:45:58,061 --> 00:45:59,062

You bloom.

590

00:46:00,397 --> 00:46:01,815

I would perish.

591

00:46:10,991 --> 00:46:12,618

What will your book say?

592

00:46:16,205 --> 00:46:22,127

It will say that Venice was once
the most glorious, the truest,

593

00:46:23,086 --> 00:46:27,382

the most chaste pearl, like Adam's Eve,

594

00:46:28,300 --> 00:46:31,011

but that now she has fallen
from that grace

595

00:46:31,595 --> 00:46:35,641

and her dissipation and corruption,
almost complete.

596

00:46:38,519 --> 00:46:39,853

What do you mean?

597

00:46:41,021 --> 00:46:43,774

I mean that once she was a virgin,

598

00:46:44,858 --> 00:46:46,610

and now she is a harlot,

599

00:46:47,194 --> 00:46:50,447

addicted to nothing but pleasure
and voluptuousness.

600

00:46:51,323 --> 00:46:52,866

A beautiful harlot,

601

00:46:54,076 --> 00:46:56,078

but a harlot nonetheless.

602

00:47:52,301 --> 00:47:55,095

[speaking Italian]

603

00:48:03,854 --> 00:48:04,813

Quiet!

604

00:48:04,896 --> 00:48:06,315

Some of us are sleeping here.

605

00:48:08,317 --> 00:48:09,693

Leave them alone.

606

00:48:10,569 --> 00:48:12,029

You were young once too.

607

00:48:12,279 --> 00:48:14,865

These two are no husband and wife.

608

00:48:15,157 --> 00:48:17,534

She is married to the Englishman.

609

00:48:17,618 --> 00:48:19,077

The mad one?

610

00:48:19,244 --> 00:48:22,372

You see that? They're talking about us.

611

00:48:23,290 --> 00:48:25,375

I call them, "The whisperers."

612

00:48:29,671 --> 00:48:33,550

Our dancing will be all the news
on the Rialto this morning.

613

00:48:34,259 --> 00:48:36,303

I hope your husband is prepared.

614

00:48:37,054 --> 00:48:38,764

My husband cannot hear whispers.

615

00:48:39,431 --> 00:48:40,807

He is so far above them.

616

00:48:42,059 --> 00:48:44,603

And I never forget my duty to him,
not for an instant.

617

00:48:45,896 --> 00:48:49,650

Anyway, I have no talent
whatever for intrigue.

618

00:49:02,579 --> 00:49:04,039

[both speaking Italian]

619

00:49:04,498 --> 00:49:06,750

Would you care to try?
There's nobody here.

620

00:49:07,042 --> 00:49:08,543

Can I?

621

00:49:08,960 --> 00:49:10,587

I would love to!

622

00:49:38,448 --> 00:49:39,449

No.

623

00:49:39,908 --> 00:49:40,909

No.

624

00:49:42,244 --> 00:49:43,495

No, stop.

625

00:49:43,578 --> 00:49:44,496

Stop, no.

626

00:49:44,955 --> 00:49:46,081

[gasping]

627

00:49:46,581 --> 00:49:48,375

[breathing heavily]

628

00:50:00,887 --> 00:50:02,222

[gondola bumping]

629

00:50:02,305 --> 00:50:03,306

[gasps]

630

00:50:09,604 --> 00:50:10,647

Let's play.

631

00:50:22,993 --> 00:50:23,994

Effie!

632

00:50:24,828 --> 00:50:26,163

[panting]

633

00:50:47,017 --> 00:50:48,602

[panting]

634

00:51:33,563 --> 00:51:34,981

Are you back already?

635

00:51:36,191 --> 00:51:37,192

Yes.

636

00:51:38,276 --> 00:51:39,361

I was tired.

637

00:51:40,362 --> 00:51:41,780

Why don't you lie down?

638

00:51:43,365 --> 00:51:44,407

I will.

639

00:51:56,545 --> 00:51:58,129

[church bell tolling]

640

00:52:17,065 --> 00:52:18,817

[panting]

641

00:52:25,448 --> 00:52:26,867

[screaming]

642

00:52:50,432 --> 00:52:51,725

[doctor] Mr. Ruskin.

643

00:52:52,767 --> 00:52:53,977

Do you by any chance happen to know

644

00:52:54,060 --> 00:52:56,062

what was in that treatment
of your mother's?

645

00:52:57,230 --> 00:52:59,900

[John] I do not.

She swears by them. Always has done.

646

00:52:59,983 --> 00:53:03,194

Hmm, well, I think there's laudanum
in them.

647

00:53:03,278 --> 00:53:04,988

It's a perfectly sensible treatment.

648

00:53:06,907 --> 00:53:08,325

But in this case...

649

00:53:14,205 --> 00:53:16,541

How long has she been unwell for?

650

00:53:16,833 --> 00:53:18,251

[John] Almost constantly.

651

00:53:19,336 --> 00:53:22,088

A never-ending succession
of minor ailments.

652

00:53:23,673 --> 00:53:28,637

But this particular one
came to a head a few months ago.

653

00:53:29,429 --> 00:53:31,389

Came to head.
And how was it manifested?

654

00:53:32,599 --> 00:53:33,808

Hysteria.

655

00:53:34,351 --> 00:53:35,560

Seeing things...

656

00:53:36,728 --> 00:53:38,146

Growing upon her person.

657

00:53:38,605 --> 00:53:39,564

Such as?

658

00:53:39,648 --> 00:53:41,858

Mere phantasms

of a disordered brain, Doctor...

659

00:53:41,942 --> 00:53:44,110

Nevertheless, such as?

660

00:53:46,488 --> 00:53:47,864

Organic matter.

661

00:53:49,407 --> 00:53:51,701

-Bark.

-Tree bark?

662

00:53:52,619 --> 00:53:53,453

Just so.

663

00:53:53,954 --> 00:53:55,163

Interesting.

664

00:53:56,665 --> 00:53:59,584

Well, it's undoubtedly

a nervous complaint.

665

00:54:00,210 --> 00:54:01,378

That would account for the hair loss.

666

00:54:03,129 --> 00:54:04,214

Hair loss?

667

00:54:04,798 --> 00:54:06,341

Have you not noticed?

668

00:54:07,592 --> 00:54:08,551

Here.

669

00:54:11,721 --> 00:54:12,931

And here.

670

00:54:18,144 --> 00:54:19,562

I recommend the following,

671

00:54:19,646 --> 00:54:21,398

fresh air, exercise,

672

00:54:21,481 --> 00:54:23,149

a wholesome environment,

673

00:54:23,858 --> 00:54:27,904

perhaps away from the influence
of the elder Mrs. Ruskin.

674

00:54:29,155 --> 00:54:32,117

She's Scottish by birth, I hear.

675

00:54:33,827 --> 00:54:35,620

Uh-huh. Well, perhaps some time

676

00:54:36,037 --> 00:54:38,707

in her native land might be beneficial.

677

00:54:39,374 --> 00:54:43,086

I prescribe an iron tonic for her.

678

00:54:44,170 --> 00:54:46,548

-And for you...

-There's nothing wrong with me.

679

00:54:46,631 --> 00:54:51,344

For you, I prescribe
a sharper eye and a keener ear.

680

00:54:52,762 --> 00:54:56,349

In my opinion,
there's nothing wrong with your wife

681

00:54:57,517 --> 00:55:00,270

that simple love and attention
will not cure.

682

00:55:02,564 --> 00:55:04,024

[water dripping]

683

00:56:46,084 --> 00:56:47,502

[John] What are you looking at?

684

00:56:49,504 --> 00:56:50,672

Nothing.

685

00:56:53,633 --> 00:56:56,094

What are you thinking of, then?

686

00:56:58,638 --> 00:57:00,265

Great many things.

687

00:57:06,062 --> 00:57:11,025

I was thinking of dancing and excitement.

688

00:57:14,988 --> 00:57:16,823

And a great many things.

689

00:57:18,741 --> 00:57:20,660

[thunder rumbling]

690

00:57:45,310 --> 00:57:46,352

[gasping]

691

00:57:47,937 --> 00:57:49,314

-What?

-[gasping]

692

00:58:23,181 --> 00:58:25,350

Ooh, Mr. Millais.

693

00:58:25,433 --> 00:58:28,770

Hello! I have not seen you
grace these halls for some time.

694

00:58:28,853 --> 00:58:29,979

Are you well?

695

00:58:30,063 --> 00:58:32,774

You ought to be,
in light of your great success

696

00:58:32,857 --> 00:58:35,485

for which may I congratulate you heartily.

697

00:58:35,568 --> 00:58:37,570

Thank you, Your Ladyship. I am...

698

00:58:37,654 --> 00:58:39,739

-Thriving.

-Thriving. And painting?

699

00:58:39,948 --> 00:58:41,741

Oh, yes.

In fact I am recently commissioned.

700

00:58:41,824 --> 00:58:44,744

-Oh, good, that is good.

-It is.

701

00:58:45,078 --> 00:58:48,373

I'm proud to say that

I'm to paint our champion himself.

702

00:58:49,040 --> 00:58:51,834

-I am to paint Mr. Ruskin.

-Mr. Ruskin?

703

00:58:51,918 --> 00:58:53,711

-Really?

-I can hardly believe my luck.

704

00:58:54,587 --> 00:58:56,464

We are to depart for Scotland shortly.

705

00:58:57,173 --> 00:58:59,259

-Scotland?

-Yes, his wife is from there, you know.

706

00:58:59,926 --> 00:59:02,512

I did know, I did know, yes.

How is she?

707

00:59:02,595 --> 00:59:03,763

Well.

708

00:59:04,514 --> 00:59:05,640

At least, I do not know.

709

00:59:05,723 --> 00:59:09,310

I believe we are to go there

for the sake of her health.

710

00:59:12,230 --> 00:59:13,439

Scotland.

711

01:00:29,349 --> 01:00:32,727

[John] Ah! Get ready.

712

01:00:35,229 --> 01:00:36,814

Oh, damn!

713

01:00:40,193 --> 01:00:41,194

Oh!

714

01:00:41,277 --> 01:00:45,198

[Everett] Fear not,

brave companions, breakfast

715

01:00:45,615 --> 01:00:47,200

is at hand!

716

01:00:49,452 --> 01:00:50,995

-Don't move.

-[John] What?

717

01:00:51,079 --> 01:00:52,830

No, no, I mean it. Don't move.

718

01:00:54,582 --> 01:00:58,461

That light, that's the light I want.

719

01:00:59,796 --> 01:01:01,964

I... I am not posing for you
in the middle of a Scottish loch...

720

01:01:02,048 --> 01:01:05,259

No, but that angle.
Exactly that angle and...

721

01:01:05,510 --> 01:01:08,888

Water and exactly that light.

722

01:01:10,181 --> 01:01:11,474

Excellent.

723

01:01:12,475 --> 01:01:13,810

Can I put my shoes on now?

724

01:01:14,602 --> 01:01:15,812

You may.

725

01:01:20,233 --> 01:01:23,152

It really is very good of you
to come, Everett.

726

01:01:23,569 --> 01:01:24,904

You've no idea.

727

01:01:27,323 --> 01:01:30,076

Perhaps you have, you can see...

728

01:01:32,161 --> 01:01:34,247

Uh, good of me?

729

01:01:35,206 --> 01:01:39,585

But for your belief in me,
I'd still be starving in my garret.

730

01:01:40,086 --> 01:01:43,131

Added to which, your father is paying me
handsomely for this.

731

01:01:50,263 --> 01:01:51,723

[John] Euclid, Everett.

732

01:01:53,349 --> 01:01:54,434

Essential.

733

01:01:55,017 --> 01:01:56,602

You will start by reading him.

734

01:01:56,686 --> 01:01:58,104

And then we will further your study.

735

01:01:58,938 --> 01:01:59,772

[knocking on door]

736

01:02:06,070 --> 01:02:08,531

-Ah! Mr. McPhail. Thank you.

-Did you want this?

737

01:02:08,614 --> 01:02:09,782

Everett?

738

01:02:11,451 --> 01:02:13,953

Let joy be unconfined!

739

01:02:14,036 --> 01:02:16,497

[John] And the post.

And our lunch. Thank you.

740

01:02:27,216 --> 01:02:31,345

[Everett] Not as white as I had hoped.

But it will do.

741

01:02:34,557 --> 01:02:35,558

Shall we?

742

01:02:36,267 --> 01:02:38,603

Lunch first. Aren't you hungry?

743

01:02:58,706 --> 01:02:59,874

What is wrong?

744

01:03:02,126 --> 01:03:03,795

You've had some bad news.

745

01:03:07,632 --> 01:03:09,091

My poor mother.

746

01:03:12,261 --> 01:03:13,638

She has lost her child.

747

01:03:15,348 --> 01:03:16,557

Her seventh.

748

01:03:20,394 --> 01:03:22,146

I do not know how she bears it.

749

01:03:24,774 --> 01:03:27,235

I am so sorry.

750

01:03:32,782 --> 01:03:34,367

I need to lay out the lunch.

751

01:03:51,300 --> 01:03:52,760

How is Effie?

752

01:03:53,511 --> 01:03:55,096

I think she's improving.

753

01:03:55,763 --> 01:03:57,598

The air and the exercise
are doing her good.

754

01:03:58,057 --> 01:04:00,560

I mean, has she recovered from the news?

755

01:04:01,185 --> 01:04:02,478

What news?

756

01:04:03,354 --> 01:04:04,647

The loss of the child.

757

01:04:05,106 --> 01:04:06,524

Child? What child?

758

01:04:07,316 --> 01:04:09,110

Mrs. Gray, her mother,

759

01:04:09,193 --> 01:04:10,820

the loss of her child.

760

01:04:12,113 --> 01:04:13,447

She's lost another, then?

761

01:04:14,156 --> 01:04:15,908

What is that now, five?

762

01:04:15,992 --> 01:04:17,994

-Seven.

-Seven?

763

01:04:18,703 --> 01:04:19,871

Dear me!

764

01:04:24,166 --> 01:04:25,668

Did Effie not say?

765

01:04:26,168 --> 01:04:28,546

Her mother loses children
with such ghastly regularity

766

01:04:28,629 --> 01:04:31,549

I think she realizes
it would hardly register with me.

767

01:04:31,632 --> 01:04:32,842

That's a little harsh, surely?

768

01:04:33,676 --> 01:04:34,969

Not at all.

769

01:04:35,845 --> 01:04:38,431

The woman is positively barnyard
in her breeding habits.

770

01:04:38,514 --> 01:04:40,516

She can hardly expect them all to survive.

771

01:04:43,352 --> 01:04:46,731

Look at that exquisite leafage.

772

01:04:48,900 --> 01:04:52,528

You'll need to be on your highest mettle,
Everett, to capture that.

773

01:05:01,037 --> 01:05:02,371

[chuckles]

774

01:05:03,414 --> 01:05:04,248

What?

775

01:05:04,790 --> 01:05:07,710

Do you realize I can open the window,
close the curtain,

776

01:05:07,793 --> 01:05:09,795

and wash without getting out of bed.

777

01:05:10,880 --> 01:05:12,131

It's like living in a snuff box.

778

01:05:15,176 --> 01:05:16,427

Do you hear, John?

779

01:05:16,844 --> 01:05:18,471

[John] Should we start out early, Everett?

780

01:05:22,975 --> 01:05:24,185

Everett?

781

01:05:25,603 --> 01:05:28,397

Yes. Yes, first thing.

782

01:05:35,071 --> 01:05:37,990

I can't go on.

My fingers are refusing to bend.

783

01:05:38,950 --> 01:05:41,243

Come, let me help.

784

01:05:43,746 --> 01:05:45,873

I have not done two inches of work.

785

01:06:20,491 --> 01:06:22,493

[panting]

786

01:06:24,829 --> 01:06:26,080

Where's Everett?

787

01:06:28,624 --> 01:06:29,500

He was just behind me.

788

01:06:30,584 --> 01:06:31,752

He fell.

789

01:06:57,153 --> 01:06:59,030

-What happened?

-[grunting]

790

01:06:59,113 --> 01:07:00,364

I slipped off the boat.

791

01:07:00,906 --> 01:07:02,616

Let's go and have a look.

792

01:07:02,700 --> 01:07:04,660

I can't break my nose!

793

01:07:11,667 --> 01:07:13,627

-[Effie] Am I hurting you?

-[Everett] No.

794

01:07:14,754 --> 01:07:16,005

No, not at all.

795

01:07:21,510 --> 01:07:24,388

-Why can't you have a broken nose?

-What?

796

01:07:26,515 --> 01:07:29,894

You said, "I cannot have a broken nose."

Outside.

797

01:07:30,311 --> 01:07:33,355

Did I? How odd of me.

798

01:07:34,732 --> 01:07:36,650

But, it's only because

799

01:07:37,401 --> 01:07:40,362

I use my own face as a model all the time.

800

01:07:41,197 --> 01:07:43,866

It's cheaper than hiring someone. So...

801

01:07:45,242 --> 01:07:48,871

My nose is quite useful.

802

01:07:52,541 --> 01:07:54,293

And you need it to smell things with.

803

01:07:57,963 --> 01:07:59,423

That, too, of course.

804

01:09:47,364 --> 01:09:49,700

There. No more.

805

01:09:50,910 --> 01:09:53,287

The secret is to know when to stop.

806

01:09:56,624 --> 01:09:59,668

-That is exquisite.

-Don't tease.

807

01:10:01,170 --> 01:10:05,799

I would resent such a talent
if you were not so angelic.

808

01:10:16,852 --> 01:10:18,479

Your nose is perfect again.

809

01:10:21,023 --> 01:10:24,068

Please do not remind me
of my inexcusable self-regard.

810

01:10:48,342 --> 01:10:49,218

Finished.

811

01:10:52,680 --> 01:10:54,139

My Edinburgh lectures.

812

01:11:03,691 --> 01:11:06,527

She won't want to come. Truly.

813

01:11:07,695 --> 01:11:09,363

It would bore her.

814

01:11:10,030 --> 01:11:12,032

Anyway, I'll only be gone for a few days,

815

01:11:12,491 --> 01:11:13,909

Edinburgh's but a stone's-throw.

816

01:11:13,993 --> 01:11:16,203

But you're not anxious
about leaving her alone?

817

01:11:16,620 --> 01:11:17,913

Why, where are you going?

818

01:11:17,997 --> 01:11:20,040

[scoffs] I'm not going anywhere.

819

01:11:20,207 --> 01:11:21,417

Then she won't be alone.

820

01:11:21,500 --> 01:11:24,295

John, you can't leave her
on her own with me!

821

01:11:24,378 --> 01:11:26,714

Yes, I realize it's a bore, Everett.

822

01:11:26,797 --> 01:11:29,591

No. Not at all.

I'm talking about the impropriety.

823

01:11:30,384 --> 01:11:33,387

Oh, for heaven's sake.

Look, have Mrs. McPhail to stay, then,

824

01:11:33,470 --> 01:11:35,014

if you're worried

the locals will take offense.

825

01:11:35,097 --> 01:11:37,349

I am not worried about the locals.

826

01:11:38,434 --> 01:11:42,396

John, you seem to pay no mind

to the safety of your wife's reputation.

827

01:11:43,564 --> 01:11:46,358

To leave her entirely alone
with another man,

828

01:11:47,443 --> 01:11:48,861

a single man.

829

01:13:02,017 --> 01:13:03,519

[Everett] I'd have loved this
when I was little.

830

01:13:04,770 --> 01:13:06,480

It was all so flat where I grew up.

831

01:13:08,232 --> 01:13:09,483

Did you love it very much?

832

01:13:10,984 --> 01:13:12,277

[Effie] I did.

833

01:13:14,363 --> 01:13:15,656

Do you see that little thorn tree?

834

01:13:18,700 --> 01:13:20,619

Fairies live under those trees,
my mother told me.

835

01:13:21,995 --> 01:13:23,664

I believed her absolutely.

836

01:13:24,957 --> 01:13:27,000

I'd take my breakfast out
and leave it for them,

837

01:13:27,751 --> 01:13:29,711

and of course in the morning
it was always eaten

838

01:13:29,795 --> 01:13:31,588

by a fox, or some such,

839

01:13:31,922 --> 01:13:34,299

which only went to prove
their existence further.

840

01:13:36,552 --> 01:13:38,595

One Christmas, my mother cooked a ham.

841

01:13:39,763 --> 01:13:42,182

I felt the fairies should have some, so...

842

01:13:42,266 --> 01:13:45,269

I went to the pantry to cut a slice
and I couldn't manage it.

843

01:13:45,936 --> 01:13:47,521

And so I just took the entire hock.

844

01:13:49,648 --> 01:13:51,358

I was found out, of course and...

845

01:13:52,109 --> 01:13:53,902

That was the end of the fairies.

846

01:13:54,361 --> 01:13:56,155

But happiness for the foxes.

847

01:14:40,866 --> 01:14:42,201

[horse snorting]

848

01:14:56,798 --> 01:14:58,425

[John] Over a thousand at every lecture,

849

01:14:58,634 --> 01:14:59,927

it was a huge success,

850

01:15:00,761 --> 01:15:03,514

but the price was crippling headaches.

851

01:15:16,068 --> 01:15:18,153

I hope Effie was not too trying for you.

852

01:15:18,904 --> 01:15:20,113

Of course not.

853

01:15:21,323 --> 01:15:24,576

Women should depend on themselves
for engrossing employment,

854

01:15:25,786 --> 01:15:29,623

rather than constantly craving
companionship and attention.

855

01:15:34,795 --> 01:15:35,921

Excuse me.

856

01:15:48,725 --> 01:15:49,893

[door closing]

857

01:16:20,924 --> 01:16:22,175

Where have you been?

858

01:16:23,343 --> 01:16:24,469

I ran.

859

01:16:25,012 --> 01:16:26,054

Ran where?

860

01:16:26,888 --> 01:16:28,015

Anywhere.

861

01:16:29,016 --> 01:16:30,642

Wherever my feet took me.

862

01:16:34,187 --> 01:16:35,314

For heaven's sake.

863

01:16:36,440 --> 01:16:37,399

You must change your clothes.

864

01:16:37,482 --> 01:16:38,609

You'll make yourself sick.

865

01:16:39,109 --> 01:16:40,235

I am sick.

866

01:16:41,987 --> 01:16:43,196

I'm sickened by him.

867

01:16:43,697 --> 01:16:44,781

I don't...

868

01:16:44,865 --> 01:16:46,658

I don't know how you bear it.

869

01:16:49,745 --> 01:16:52,247

I cannot bear to witness any more
of your torture when I cannot stop it,

870

01:16:52,331 --> 01:16:53,957

when I cannot do anything.

871

01:16:54,041 --> 01:16:55,834

Tell me, Effie, what am I supposed to do?

872

01:16:56,460 --> 01:16:57,794

What can I do?

873

01:16:57,878 --> 01:16:59,004

[panting]

874

01:16:59,713 --> 01:17:00,881

[whispering] Please.

875

01:17:04,343 --> 01:17:05,510

There is nothing to be done.

876

01:18:32,723 --> 01:18:34,516

[John] We will return to London.

877

01:18:34,850 --> 01:18:36,727

The Venice engravings for my book
are ready.

878

01:18:38,520 --> 01:18:39,980

I cannot go back.

879

01:18:40,230 --> 01:18:41,690

We will leave on Monday.

880

01:18:44,401 --> 01:18:45,861

I cannot go back.

881

01:18:52,117 --> 01:18:55,287

The pains of eternal torment
could be no worse

882

01:18:55,370 --> 01:18:57,372

than returning to Denmark Hill with you.

883

01:18:58,999 --> 01:19:00,333

I did not ask your opinion.

884

01:19:00,417 --> 01:19:02,419

I merely informed you of our leaving.

885

01:19:04,337 --> 01:19:05,839

I cannot go back.

886

01:19:06,757 --> 01:19:08,091

Do not think for a moment

887

01:19:08,175 --> 01:19:10,510

that your behavior here
has escaped my attention.

888

01:19:10,594 --> 01:19:11,845

It has not.

889

01:19:12,971 --> 01:19:14,931

I have seen what you try to hide.

890

01:19:16,433 --> 01:19:18,852

Do you really want to

lose your reputation in the world?

891

01:19:20,604 --> 01:19:23,607

You would make a great piece of work

for your bankrupt father.

892

01:19:25,817 --> 01:19:28,403

Do not push me any further, Euphemia.

893

01:19:29,863 --> 01:19:31,198

For your own sake.

894

01:19:37,078 --> 01:19:38,538

I hate you.

895

01:19:54,971 --> 01:19:57,390

He's been listening. He's been watching.

896

01:19:58,558 --> 01:19:59,559

He knows.

897

01:20:00,227 --> 01:20:01,478

Does he mean to ruin me?

898

01:20:02,562 --> 01:20:03,647

To compromise me?

899

01:20:06,107 --> 01:20:07,818

I can never visit you in Denmark Hill.

900

01:20:11,321 --> 01:20:13,240

You need to have someone with you.

901

01:20:13,949 --> 01:20:14,783

Can you think of anyone?

902

01:20:17,118 --> 01:20:18,245

I don't know.

903

01:20:19,955 --> 01:20:22,040

Perhaps my sister, Sophie.

904

01:20:22,958 --> 01:20:24,417

Her visit would not arouse suspicion.

905

01:20:24,501 --> 01:20:26,253

Then you must arrange it.

906

01:20:33,301 --> 01:20:34,678

Mr. McPhail? We are ready.

907

01:20:34,761 --> 01:20:36,263

[McPhail] Aye, ready, sir.

908

01:20:43,144 --> 01:20:44,729

Everett, would you help my wife?

909

01:21:20,390 --> 01:21:21,600

[John slurping]

910

01:21:34,195 --> 01:21:35,697

[Margaret] Don't do that, dear.

911

01:21:37,490 --> 01:21:38,909

It makes you sound like an imbecile.

912

01:21:47,000 --> 01:21:48,001

Well, the New Year is upon us

913

01:21:48,084 --> 01:21:51,463

and we have yet to receive

Mr. Millais' portrait.

914

01:21:52,797 --> 01:21:56,426

I think in January

I may find some time to sit for him.

915

01:21:56,509 --> 01:21:59,137

All right, no matter.

I am but truly eager to see it.

916

01:22:00,347 --> 01:22:02,182

Perhaps, my dear,

917

01:22:02,557 --> 01:22:04,225

you can mention it,
next time you write to him.

918

01:22:09,773 --> 01:22:11,191

I do not write to him.

919

01:22:21,034 --> 01:22:22,160

Ah!

920

01:22:25,288 --> 01:22:27,874

This is a new addition to our cellar,
my dear.

921

01:22:32,462 --> 01:22:35,423

I thought we had better start
to educate our palates

922

01:22:35,507 --> 01:22:39,094

to the nuances of the German wines
before our trip.

923

01:22:39,469 --> 01:22:40,387

My boy?

924

01:22:41,304 --> 01:22:42,681

You are going on a trip?

925

01:22:43,890 --> 01:22:45,183

We are all going.

926

01:22:46,101 --> 01:22:47,227

I am to come?

927

01:22:48,395 --> 01:22:49,229

But no one said...

928

01:22:49,312 --> 01:22:52,524

Let us not start discussing
something that was settled months ago.

929

01:22:59,864 --> 01:23:01,157

[sighing]

930

01:23:26,057 --> 01:23:29,644

I don't know why you feel

Sophie needs to see the sights in town.

931

01:23:30,437 --> 01:23:31,730

What on Earth is wrong with Peckham?

932

01:23:31,813 --> 01:23:33,732

She said she wanted to see St. Paul's.

933

01:23:37,193 --> 01:23:38,611

-No, I didn't.

-Shh.

934

01:23:38,987 --> 01:23:40,321

She might hear you.

935

01:23:50,790 --> 01:23:52,459

We're going to see a friend of mine.

936

01:23:54,085 --> 01:23:55,253

Everett?

937

01:23:56,796 --> 01:23:57,839

What have they said of him?

938

01:23:58,214 --> 01:23:59,466

Nothing.

939

01:24:00,550 --> 01:24:02,635

John just said that
you have made Everett unhappy.

940

01:24:03,636 --> 01:24:05,513

Just as you've made him unhappy.

941

01:24:08,349 --> 01:24:09,642

Who is Everett?

942

01:24:10,977 --> 01:24:12,062

A friend.

943

01:24:12,145 --> 01:24:13,730

But not the friend we're going to see?

944

01:24:13,813 --> 01:24:16,357

Sophie. Please.

945

01:24:38,755 --> 01:24:39,964

[knocking]

946

01:24:44,469 --> 01:24:47,764

[Lady Eastlake] But John
must have taught you, surely...

947

01:24:47,847 --> 01:24:49,390

He... He must have...

948

01:24:54,312 --> 01:24:56,272

Uh... Let me understand you.

949

01:24:56,356 --> 01:25:00,693

You are telling me that you still,
to this day,

950

01:25:01,277 --> 01:25:06,074

do not understand the details

951

01:25:06,157 --> 01:25:08,451

of the most intimate relation
within marriage?

952

01:25:08,535 --> 01:25:10,328

You have not experienced them?

953

01:25:10,870 --> 01:25:13,039

He has never so much as touched me.

954

01:25:14,207 --> 01:25:16,167

Never made me his wife

955

01:25:17,919 --> 01:25:19,671

because he was disgusted

956

01:25:20,547 --> 01:25:22,423

with my body that first evening.

957

01:25:25,468 --> 01:25:28,388

After that, he said

we should wait until I was 25.

958

01:25:29,639 --> 01:25:31,641

By then, he said that I professed

959

01:25:31,724 --> 01:25:33,893

such a dislike for him

that it would be a sin,

960

01:25:35,311 --> 01:25:37,188

and an even further sin to have children

961

01:25:38,565 --> 01:25:39,524

because I was wicked

962

01:25:40,942 --> 01:25:42,318

and probably insane.

963

01:25:44,571 --> 01:25:45,655

Um, uh...

964

01:25:47,365 --> 01:25:48,408

Um...

965

01:25:50,660 --> 01:25:52,203

And he... [clearing throat]

966

01:25:52,871 --> 01:25:55,081

has never after that moment

967

01:25:56,166 --> 01:25:57,917

sought relations?

968

01:25:58,293 --> 01:25:59,460

Never.

969

01:26:02,172 --> 01:26:05,008

I've never...

I've never heard of such cruelty.

970

01:26:05,091 --> 01:26:06,342

The man must be...

971

01:26:14,434 --> 01:26:16,436

If he has not made you
his wife physically,

972

01:26:16,519 --> 01:26:18,229
then, I should think,

973

01:26:19,439 --> 01:26:20,982
that you are not his wife.

974

01:26:21,691 --> 01:26:23,401
But I have no knowledge of such matters.

975

01:26:23,484 --> 01:26:26,613
I will make enquiries.
Legal and social.

976

01:26:26,696 --> 01:26:28,031
I mean, discreetly, of course.

977

01:26:28,114 --> 01:26:31,951
I would implore you
not to have a scene with him just yet.

978

01:26:34,621 --> 01:26:36,206

[doctor] I must say,

I've read all his books

979

01:26:36,289 --> 01:26:39,292

and I've always thought him

quite the eccentric, but now...

980

01:26:42,128 --> 01:26:43,463

Most peculiar.

981

01:26:44,839 --> 01:26:46,257

I'm perfectly thunderstruck.

982

01:26:48,885 --> 01:26:50,929

You may sit up, Mrs. Ruskin.

983

01:26:54,974 --> 01:26:56,309

He must be mad.

984

01:27:00,563 --> 01:27:01,689

Oh.

985

01:27:03,066 --> 01:27:04,400

Who is that from?

986

01:27:07,487 --> 01:27:08,655

Effie.

987

01:27:17,830 --> 01:27:19,749

My dear, there's nothing more you can do.

988

01:27:20,875 --> 01:27:23,044

You must let events take their course now.

989

01:27:27,340 --> 01:27:28,591

Do come in.

990

01:27:31,219 --> 01:27:32,553

Please, sit down.

991

01:27:34,555 --> 01:27:35,890

Forgive me.

992

01:27:43,106 --> 01:27:48,403

I have Dr. Lee's report here.

993

01:27:48,486 --> 01:27:52,991

You say he told you

he thinks your husband mad?

994

01:27:54,534 --> 01:27:58,496

Interesting, but madness, unfortunately,

995

01:27:58,579 --> 01:28:01,541

is not sufficient grounds for divorce.

996

01:28:02,333 --> 01:28:03,584

If it were,

997

01:28:04,252 --> 01:28:07,463

half the marriages in London

would be in jeopardy.

998

01:28:07,547 --> 01:28:08,715

[chuckles]

999

01:28:11,926 --> 01:28:14,971

But the crux is this...

1000

01:28:16,097 --> 01:28:22,103

"We found the usual signs
of virginity are perfect,

1001

01:28:23,521 --> 01:28:28,860

and that she is naturally
and properly formed."

1002

01:28:31,696 --> 01:28:32,822

So...

1003

01:28:33,823 --> 01:28:35,158

There we have it.

1004

01:28:35,241 --> 01:28:38,494

I must say, in all my years, I...

1005

01:28:40,121 --> 01:28:43,249

It is an unprecedented case, Mrs. Ruskin,

1006

01:28:43,333 --> 01:28:46,502

but I am certain that we can
receive an annulment of your marriage

1007

01:28:47,045 --> 01:28:50,465

on the grounds of non-consummation.

1008

01:28:51,799 --> 01:28:54,844

However, we must be circumspect.

1009

01:28:55,887 --> 01:29:00,558

Best to keep away from your husband
as much as you can to prevent...

1010

01:29:01,559 --> 01:29:02,727

Prevent what?

1011

01:29:03,061 --> 01:29:06,356

Let us just say, do not make more

1012

01:29:06,439 --> 01:29:12,779

than a usual effort
to encourage relations.

1013

01:29:19,577 --> 01:29:21,704

[Sophie] You spend
a great deal of time writing.

1014

01:29:21,829 --> 01:29:23,956

[John] I do, my angel, I do.

1015

01:29:28,294 --> 01:29:32,548

I have written two books
about modern painting.

1016

01:29:33,549 --> 01:29:34,967

One about architecture

1017

01:29:36,677 --> 01:29:37,929

and this one.

1018

01:29:40,431 --> 01:29:41,766

About Venice.

1019

01:29:43,726 --> 01:29:44,894

Here.

1020

01:29:51,359 --> 01:29:53,027

[Sophie] It's a very big book.

1021

01:29:53,569 --> 01:29:57,782

And then I shall write a book so big.

1022

01:30:01,035 --> 01:30:03,621

And it will be all about
your sister's conduct.

1023

01:30:04,914 --> 01:30:06,415

About her wickedness.

1024

01:30:07,917 --> 01:30:11,003

But don't tell her,
for then she would hate you.

1025

01:30:13,047 --> 01:30:15,133

Let it be our little secret.

1026

01:30:40,575 --> 01:30:41,951

Do not worry, lambkin.

1027

01:30:42,785 --> 01:30:44,203

It doesn't hurt.

1028

01:30:52,879 --> 01:30:54,297

Thank you, George.

1029

01:30:55,298 --> 01:30:56,382

Um...

1030

01:30:58,926 --> 01:31:00,178

[John] George?

1031

01:31:16,277 --> 01:31:17,987

What in God's name have you done?

1032

01:31:19,405 --> 01:31:20,823

I have done nothing.

1033

01:31:22,617 --> 01:31:25,161

[John] Tidy yourself up this instant,
before my mother sees you.

1034

01:31:27,955 --> 01:31:29,165

I will not.

1035

01:31:33,085 --> 01:31:34,462

You disgust me.

1036

01:31:36,547 --> 01:31:38,007

I have had a letter

1037

01:31:40,051 --> 01:31:40,968

from Mother.

1038

01:31:43,471 --> 01:31:46,849

She misses Sophie too much
and asks me to return her to Scotland.

1039

01:31:48,226 --> 01:31:49,936

Then I suggest you start packing.

1040

01:31:57,318 --> 01:31:58,402

What does Mama say?

1041

01:32:02,406 --> 01:32:03,699

It is not from Mama.

1042

01:32:34,146 --> 01:32:37,316

Now go, have one last look in your room
to make sure nothing is forgotten.

1043

01:32:53,541 --> 01:32:54,834

Thank you, George.

1044

01:32:56,294 --> 01:32:57,962

I wish you happiness, ma'am.

1045

01:33:00,256 --> 01:33:03,217

A great collection of bags
for a short visit.

1046

01:33:05,720 --> 01:33:06,762

George, you will not...

1047

01:33:07,221 --> 01:33:08,597

It's John, actually.

1048

01:33:08,681 --> 01:33:10,057

[footsteps approaching]

1049

01:33:10,141 --> 01:33:11,684

Where is Sophie?

1050

01:33:11,767 --> 01:33:13,102

She's upstairs.

1051

01:33:15,354 --> 01:33:17,773

But we can't have two Johns in the house,

1052

01:33:17,857 --> 01:33:20,276

so the master chose George for me.

1053

01:33:21,152 --> 01:33:22,278

I didn't mind.

1054

01:33:22,737 --> 01:33:23,863

You should have.

1055

01:33:26,157 --> 01:33:27,199

He took away your name.

1056

01:33:27,366 --> 01:33:29,744

Sophie! You will miss the train!

1057

01:33:32,705 --> 01:33:34,749

Look lively with those bags, George!

1058

01:33:51,724 --> 01:33:53,642

There is no point in you accompanying us.

1059

01:33:55,019 --> 01:33:57,688

Alfred can find me a porter
and I know you have work to do.

1060

01:34:13,746 --> 01:34:15,915

Will you be so kind
as to hand me in, John?

1061
01:34:41,941 --> 01:34:43,234
What are you doing?

1062
01:34:52,451 --> 01:34:53,619
Put it here.

1063
01:34:56,580 --> 01:34:58,332
What're you going to do with that?

1064
01:34:59,208 --> 01:35:00,501
Leaving it there.

1065
01:35:01,961 --> 01:35:03,838
They'll find it when Alfred
takes the carriage back.

1066
01:35:04,630 --> 01:35:06,048
Won't they be cross?

1067

01:35:23,065 --> 01:35:28,237

It is quite simply one of the remarkable
pictures in the world.

1068

01:35:29,113 --> 01:35:31,490

You must be very proud.

1069

01:35:35,870 --> 01:35:37,496

Mr. Ruskin, sir?

1070

01:35:38,998 --> 01:35:41,250

There is a gentleman at the door for you.

1071

01:36:01,270 --> 01:36:02,521

Where are we?

1072

01:36:04,440 --> 01:36:05,900

You'll have to help me, lambkin.

1073

01:36:06,692 --> 01:36:08,527

Mr. John Ruskin?

1074

01:36:09,487 --> 01:36:10,529

Yes.

1075

01:36:10,821 --> 01:36:12,948

I have a citation to court.

1076

01:36:13,699 --> 01:36:15,576

-To court?

-From whom?

1077

01:36:15,659 --> 01:36:18,078

Mrs. Euphemia Ruskin.

1078

01:36:20,039 --> 01:36:23,542

The defendant must receive
the papers himself, sir.

1079

01:36:24,251 --> 01:36:26,086

It is a matter of law.

1080

01:36:32,718 --> 01:36:34,178

And this is concerning?

1081

01:36:34,929 --> 01:36:37,723

Uh... It is a private matter, sir.

1082

01:36:37,806 --> 01:36:39,016

You may illuminate.

1083

01:36:40,392 --> 01:36:41,644

Very well.

1084

01:36:42,436 --> 01:36:46,065

Petitioning for the annulment
of your marriage, sir.

1085

01:36:49,610 --> 01:36:50,945

On what grounds?

1086

01:36:52,446 --> 01:36:56,075

Uh... It is a very delicate matter, sir,
I don't feel...

1087

01:36:56,158 --> 01:36:58,702

My parents are privy to all my affairs.

1088

01:36:59,119 --> 01:37:00,579

Nonetheless...

1089

01:37:00,746 --> 01:37:04,708

I demand to know on what grounds.

1090

01:37:06,961 --> 01:37:11,257

On the grounds of impotency, sir.

1091

01:37:39,785 --> 01:37:40,869

Hello.

1092

01:37:42,037 --> 01:37:43,914

-Who are you?

-I'm Sophie.

1093

01:37:44,999 --> 01:37:46,166

What's happened?

1094

01:37:56,302 --> 01:37:57,678

You're not to go to her.

1095

01:37:58,762 --> 01:38:00,222

She says you're forbidden.

1096

01:38:01,890 --> 01:38:03,892

She said it would ruin her and you.

1097

01:38:13,611 --> 01:38:15,404

She said I was to tell you this...

1098

01:38:19,158 --> 01:38:21,410

She says she loves you very much.

1099

01:38:22,161 --> 01:38:24,413

But she says she is not fit

to marry for a time

1100

01:38:24,622 --> 01:38:28,000

without much deliberation because...

1101

01:38:28,125 --> 01:38:29,126

Wait...

1102

01:38:29,460 --> 01:38:31,420

Because it would never do
to be wretched twice.

1103

01:38:43,599 --> 01:38:44,558

What did he say?

1104

01:38:46,393 --> 01:38:50,314

He said, "Tell her that
I look forward to her." No...

1105

01:38:52,483 --> 01:38:54,193

"To making her very happy."

1106

01:39:53,627 --> 01:39:55,170

[breathing heavily]

1107

01:40:00,426 --> 01:40:02,052

Would you like a game of cards?

1108

01:40:23,782 --> 01:40:25,826
