some ice cream without raising suspicion?

337

00:15:56,625 → 00:15:58,250

[chuckling] Not really, no.

338

00:15:59,541 → 00:16:00,541

[CC sighing]

339

00:16:03,166 → 00:16:08,750

There's a scout from the national team
coming to the game tomorrow,

340

00:16:08,833 → 00:16:12,666

and Coach thinks I have
a pretty good shot of making it.

341

00:16:14,166 → 00:16:16,458

Wow. Congratulations.

342

00:16:17,833 → 00:16:22,000

But if I made it,
I would have to leave home next year.

343

00:16:24,708 → 00:16:25,791

What about college?

344

00:16:25,875 → 00:16:26,875

[sighing]

345

00:16:27,458 → 00:16:30,250

CC, I know how much soccer means to you.

346

00:16:30,333 → 00:16:31,750

- Do you?

- Trust me, I know.

347

00:16:31,833 → 00:16:34,041

I wasn't much older than you.

I was Junior Olympics.

348

00:16:34,125 → 00:16:35,666

I know, Mom. And I'm really sorry

349

00:16:35,750 → 00:16:38,291

you had to give up your career

'cause you hurt your shoulder,

350

00:16:38,375 → 00:16:40,750

but this is completely different.

351

00:16:40,833 → 00:16:43,750

It's not.

I had to start completely from scratch.

352

00:16:43,833 → 00:16:45,750

I'm just trying to protect you from that.

353

00:16:45,833 → 00:16:48,750

- If you just applied yourself...

- I hate when you say apply myself.

354

00:16:48,833 → 00:16:50,250

Mom, we are different people.

355

00:16:50,333 → 00:16:53,500

You literally just want me to be you.

It's suffocating.

356

00:16:54,083 → 00:16:55,083

CC.

357

00:16:55,791 → 00:16:57,958

[Bill] Big Yale interview tomorrow.

You nervous?

358

00:16:58,041 → 00:16:59,291

Very, very nervous.

359

00:16:59,375 → 00:17:01,791

I'm afraid it might trigger
my glossophobia.

360

00:17:01,875 → 00:17:04,625

Oh, buddy, I didn't know
you were scared of shiny things.

361

00:17:05,250 → 00:17:06,958

It's the fear of public speaking, Dad.

362

00:17:07,750 → 00:17:08,750

Right. Right.

363

00:17:09,291 → 00:17:12,000

Well... Um, hey, you know what?

364

00:17:12,083 → 00:17:15,500

Just pretend like
it's our family holiday Christmas video.

365

00:17:15,583 → 00:17:18,833

When you're with the family, you don't get
so afraid. You used to crush those.

366

00:17:18,916 → 00:17:22,291

There's a fearless performer in there.
I know it. Right?

367

00:17:23,875 → 00:17:26,125

But it does beg the question...

368

00:17:27,541 → 00:17:29,541

You sure you're ready for college?

369

00:17:29,625 → 00:17:33,625

Right? I mean, you're just a freshman.
You still got a lot of living to do.

370

00:17:33,708 → 00:17:36,750

All I know is I would do anything
to be in your shoes right now.

371

00:17:37,583 → 00:17:38,958

Maybe it's why you chose a career

372

00:17:39,041 → 00:17:41,333

that brings you back

to the source of your fond memories.

373

00:17:41,416 → 00:17:42,416

[Pickle moaning]

374

00:17:43,041 → 00:17:44,041

Whoa.

375

00:17:45,291 → 00:17:46,333

[imitating bomb]

376

00:17:46,416 → 00:17:47,416

[Jess] Excuse me.

377

00:17:49,083 → 00:17:50,583

[sighing] Well, this was fun.

378

00:17:50,666 → 00:17:52,166

Mom thinks I have an easy life,

379

00:17:52,250 → 00:17:54,458

but she has no idea

what it's like to be me.

380

00:17:54,541 → 00:17:55,875

Yeah, I can relate.

381

00:17:55,958 → 00:17:57,833

Dad expects me to have the same jocular,

382

00:17:57,916 → 00:18:00,000

devil-may-care

high school experience that he did,

383

00:18:00,083 → 00:18:02,083

but the problem is I'm not him.

384

00:18:02,166 → 00:18:07,041

What did we do so wrong as parents

that our two teenagers wanna leave home?

385

00:18:07,125 → 00:18:09,250

Bill, this could be

our last Christmas together.

386

00:18:09,333 → 00:18:11,208

The alignment's about to start. Come on.

387

00:18:11,875 → 00:18:13,291

[woman] Next group, please.

388

00:18:13,416 → 00:18:15,041

[mysterious music playing]

389

00:18:17,250 → 00:18:18,250

[Wyatt] Whoa.

390

00:18:19,708 → 00:18:20,750

Take Pickles.

391

00:18:22,416 → 00:18:23,458

[woman] Watch your step.

392

00:18:24,000 → 00:18:25,541

- Exit to the left.

- [Bill] Okay.

393

00:18:25,625 → 00:18:28,166

This sucks.

I really didn't wanna come to this today.

394

00:18:28,250 → 00:18:30,333

This is actually not about you.

395

00:18:30,416 → 00:18:33,416

- This is about the family.

- [Wyatt] My white whale. It's incredible.

396

00:18:33,500 → 00:18:35,166

Wyatt, I really would appreciate...

397

00:18:35,250 → 00:18:38,208

...don't care, but it means a lot

to your brother, and we're a family.

398

00:18:38,291 → 00:18:39,958

It's never what we wanna do...

399

00:18:40,041 → 00:18:42,541

Not a care in the world.

You get up, have a little Gatorade...

400

00:18:42,625 → 00:18:43,875

I wish you could be me.

401

00:18:43,958 → 00:18:47,416

I'd love for you to be me for one day.

You wouldn't make it through lunch.

402

00:18:47,500 → 00:18:49,333

You don't know how much effort I put in.

403

00:18:49,416 → 00:18:50,750

I gotta think about my job.

404

00:18:50,833 → 00:18:53,375

I would love for you
to know what it's like to be me.

405

00:18:53,458 → 00:18:56,416

- Believe it or not, I was young once.
- Like 10,000 years ago?

406

00:18:56,500 → 00:18:57,625

Honestly, I wanna be you.

407

00:18:57,708 → 00:19:00,541

I'd kill to eat a dozen doughnuts
and have it burn right off.

408

00:19:00,625 → 00:19:02,958

What I wanna do is take a picture.
I wanna take a picture.

409

00:19:03,041 → 00:19:04,226

- Yeah, okay.
- Great, picture.

410

00:19:04,250 → 00:19:05,250

Okay.

411

00:19:05,291 → 00:19:06,875

[mysterious music playing]

412

00:19:07,291 → 00:19:09,375

- What?

- Would you take a picture of my family?

413

00:19:09,458 → 00:19:11,083

Oh, it would be my pleasure.

414

00:19:11,166 → 00:19:13,625

- CC, deliver this with a smile...

- Better not post this.

415

00:19:13,708 → 00:19:16,333

- ...to the nice lady.

- I'd rather drink my own vomit.

416

00:19:16,416 → 00:19:18,875

Thank you. So you just follow what I ask.

417

00:19:18,958 → 00:19:21,541

Go up like that. Don't be naughty. Up. Up.

418

00:19:21,625 → 00:19:24,791

You go to the right.

You go to the left. Good. Good.

419

00:19:24,875 → 00:19:27,791

Okay, Papa, suck it in.

Your tummy is, you know, it's...

420

00:19:27,875 → 00:19:29,791

- Put the doggy in front of it.

- Okay.

421

00:19:29,875 → 00:19:34,958

All right,

everybody say, "Merry Christmas."

422

00:19:35,041 → 00:19:37,250

[all] Merry Christmas.

423

00:19:37,958 → 00:19:39,375

[tense music playing]

424

00:19:50,208 → 00:19:51,458

[dramatic music playing]

425

00:19:52,000 → 00:19:53,958

[all screaming]

426

00:19:56,666 → 00:19:57,708

[Wyatt] Mom!

427

00:19:59,666 → 00:20:01,125

[Jess] Miles!

428

00:20:01,208 → 00:20:02,541

Watch out!

429

00:20:07,041 → 00:20:09,083

[soft mysterious music playing]

430

00:20:15,041 → 00:20:16,125

That was crazy.

431

00:20:17,125 → 00:20:19,916

- [Bill] Walkers, everybody okay?
- Did we just break the telescope?

432

00:20:20,000 → 00:20:21,333

[CC] Mom, are you kidding me?

433

00:20:21,416 → 00:20:23,536

- [Jess] You okay, CC?
- [CC] This is so embarrassing.

434

00:20:23,583 → 00:20:26,458

- Everybody, is everyone okay?
- Mom, this is so embarrassing.

435

00:20:26,541 → 00:20:27,916

[Bill] Let's get out of here.

436

00:20:33,791 → 00:20:35,666

[electricity surging]

437

00:20:41,291 → 00:20:42,416

[trees rustling]

438

00:20:49,333 → 00:20:50,875

[machine whirring]

439

00:20:52,250 → 00:20:53,333

[Jess snoring]

440

00:20:53,416 → 00:20:54,458

[Pickles barking]

441

00:20:54,541 → 00:20:55,541

Wyatt.

442

00:20:57,666 → 00:20:58,708

Pickles.

443

00:21:01,833 → 00:21:02,833

Pickles, be qu...

444

00:21:05,500 → 00:21:06,500

[groaning]

445

00:21:06,875 → 00:21:08,916

[gasping]

446

00:21:10,208 → 00:21:11,958

[panting]

447

00:21:16,916 → 00:21:19,041

- How'd you get past my security system?

- What?

448

00:21:19,125 → 00:21:21,333

- What are you doing in my bed?

- You're in my bed.

449

00:21:22,833 → 00:21:23,833

Wait.

450

00:21:24,625 → 00:21:27,041

- Why am I in your bed, Dad?

- Why am I in your bed, Mom?

451

00:21:30,458 → 00:21:32,625

- Why are you calling me Mom?

- Why'd you call me Dad?

452

00:21:32,708 → 00:21:34,375

- Because you're Mom.

- You're Dad.

453

00:21:34,458 → 00:21:37,291

- Stop calling me Dad. I'm not Dad.

- Stop calling me Mom. I'm not Mom.

454

00:21:37,375 → 00:21:39,291

No, I'm not Mom!

455

00:21:39,375 → 00:21:41,250

What is all that yelling?

456

00:21:42,458 → 00:21:44,750

Bill? Bill, will you please tell...

457

00:21:44,833 → 00:21:45,833

[grunting]

458

00:21:47,416 → 00:21:49,500

- [mysterious music playing]

- [gasping]

459

00:21:52,541 → 00:21:53,875

[groaning]

460

00:21:53,958 → 00:21:56,208

CC, I told you to clean up the balls.

461

00:22:11,708 → 00:22:13,125

Either the multiverse is real,

462

00:22:13,208 → 00:22:15,750

and we have passed through
a sub-branching membrane

463

00:22:15,833 → 00:22:18,958

of an Einstein-Rosen bridge
into a parallel reality...

464

00:22:19,041 → 00:22:21,583

- You don't sound like Dad, Dad.

- ...or we've fallen asleep.

465

00:22:21,666 → 00:22:24,708

[laughing] And this is just a dream,
and we have to wake up.

466

00:22:24,791 → 00:22:25,958

Slap me.

467

00:22:27,125 → 00:22:29,583

- Sure.

- Father Christmas!

468

00:22:29,666 → 00:22:31,041

- Whoa.

- Very sorry, Dad.

469

00:22:31,791 → 00:22:32,916

[gasping]

470

00:22:33,000 → 00:22:34,625

- What is happening?

- That's me.

471

00:22:36,458 → 00:22:37,458

CC?

472

00:22:38,416 → 00:22:39,416

Mom?

473

00:22:41,166 → 00:22:43,375

- What?

<i>- Mi familia.</i>

474

00:22:44,000 → 00:22:47,291

What a night. I know I'm getting old

when I drink one glass of vino

475

00:22:47,375 → 00:22:49,125

and I wake up in Wy-Guy's beddy-bye.

476

00:22:51,875 → 00:22:53,166

Something's not right.

477

00:22:55,041 → 00:22:56,500

[mysterious music continues]

478

00:22:58,125 → 00:22:59,291

[music intensifies]

479

00:23:01,625 → 00:23:02,625

CC?

480

00:23:04,250 → 00:23:05,250

Mom?

481

00:23:05,833 → 00:23:06,833

Wyatt?

482

00:23:07,541 → 00:23:08,541

Dad?

483

00:23:09,916 → 00:23:11,041

[all screaming]

484

00:23:13,708 → 00:23:16,000

- [Wyatt] CC, any luck?

- No.

485

00:23:16,083 → 00:23:18,333

This is a completely unique
and original situation

486

00:23:18,416 → 00:23:20,166

that has literally never happened before.

487

00:23:20,250 → 00:23:22,625

Right? I mean,

no kid has ever just woken up big.

488

00:23:22,708 → 00:23:26,166

- Yeah, it's so freaky.

- You're telling me. I'm 17 again.

489

00:23:26,250 → 00:23:27,333

I'm 13 going on 30.

490

00:23:27,416 → 00:23:29,583

We can agree
that we can't go out like this.

491

00:23:29,666 → 00:23:32,666

So I say we just go upstairs,
listen to Nirvana, and chill. All right?

492

00:23:32,750 → 00:23:35,125

Oh no,
I have my Molson pitch this morning.

493

00:23:35,708 → 00:23:38,625

If I'm not there,
I can kiss my partnership goodbye.

494

00:23:38,708 → 00:23:41,625

Oh, my Yale interview.

495

00:23:41,708 → 00:23:44,375

Oh, and I have Dad or Alive practice.
I can't miss that.

496

00:23:44,458 → 00:23:46,291

You are not playing my game.

497

00:23:46,791 → 00:23:48,333

And I am not playing like this.

498

00:23:48,416 → 00:23:50,416

Well... Oh my God.

499

00:23:51,416 → 00:23:52,875

[all exclaiming]

500

00:23:53,666 → 00:23:56,416

Hey, remember when the planets lined up?

501

00:23:56,500 → 00:23:58,875

There was a crazy flash.

That's gotta be it. Right?

502

00:23:58,958 → 00:24:00,958

And then when we were looking at it...

503

00:24:01,041 → 00:24:03,458

You said, "You have no idea
how hard my life is."

504

00:24:03,958 → 00:24:05,916

"I'd love to be you."

505

00:24:06,666 → 00:24:07,708

[gasping]

506

00:24:07,791 → 00:24:08,791

And then you said...

507

00:24:08,875 → 00:24:10,750

"You'll never know
what it's like to be me."

508

Honey. Come here.

682

00:31:43,208 → 00:31:44,666

- Just shake it off.

- I got it.

683

00:31:46,125 → 00:31:48,125

- You're fine. Just shake it off.

- I'm fine.

684

00:31:48,833 → 00:31:51,500

- Oh my God, CC! What are you doing here?

- Hi.

685

00:31:54,083 → 00:31:55,541

Is this a new game? Like...

686

00:31:55,625 → 00:31:57,625

This is my assistant, Kara.

Give her the bag.

687

00:31:57,708 → 00:31:58,958

Sorry about that, Karrie.

688

00:31:59,041 → 00:32:00,208

- Kara.

- Kara.

689

00:32:00,291 → 00:32:02,041

Sorry. I'm just out of it. I...

690

00:32:02,583 → 00:32:04,875

I hit the hard stuff

a little too hard last night.

691

00:32:04,958 → 00:32:07,000

Yeah, girl, congratulations.

Girl, finally.

692

00:32:07,083 → 00:32:08,625

[gasping]

693

00:32:08,708 → 00:32:10,750

- It's awful, isn't it?

- Yes.

694

00:32:11,333 → 00:32:12,833

No. I just...

695

00:32:12,916 → 00:32:14,333

- I gotta squeeze it.

- What...

696

00:32:14,416 → 00:32:15,583

Just get in there and...

697

00:32:16,833 → 00:32:18,416

- Oh no!

- No.

698

00:32:18,500 → 00:32:20,041

That is how things scar.

699

00:32:20,125 → 00:32:21,750

[Glen] Is that who I think it is?

700

00:32:21,833 → 00:32:23,000

[growling]

701

00:32:23,625 → 00:32:25,458

- [groaning, moaning]

- [all clamoring]

702

00:32:26,625 → 00:32:27,625

I'm sorry.

703

00:32:28,083 → 00:32:31,750

I'm sorry. You can't do that.

You can't do that or you'll get kicked.

704

00:32:31,833 → 00:32:33,250

- I...

- Oh, Jess.

705

00:32:33,333 → 00:32:36,125

Jess. Big day, Jess. Everybody's waiting.

706

00:32:36,208 → 00:32:37,750

Don't let us down.

707

00:32:38,541 → 00:32:41,583

Yes, I'll be... She'll be right there.

708

00:32:41,666 → 00:32:42,666

I like it.

709

00:32:43,125 → 00:32:45,750

- Who's this creature?

- Oh, I'm her daughter, CC.

710

00:32:45,833 → 00:32:48,958

Oh, I can see the resemblance.

You got a big nose too.

711

00:32:50,291 → 00:32:52,166

- Oh, I never...

- Did you see his nose?

712

00:32:53,125 → 00:32:55,000

[CC] We just need one second to prepare.

713

00:32:55,083 → 00:32:56,750

Can't believe I thought we could do it.

714

00:32:56,833 → 00:33:00,166

- What happened to "Miss I Got This"?

- She fell down the steps, Mom.

715

00:33:00,250 → 00:33:02,458

Oh, just give me a second.

716

00:33:02,541 → 00:33:04,416

I'm so nervous. I need chocolate.

717

00:33:05,208 → 00:33:07,958

- Chocolate. I need chocolate.

- Note cards.

718

00:33:08,041 → 00:33:10,125

Okay, note cards. Okay.

719

00:33:12,541 → 00:33:13,541

Oh.

720

00:33:19,041 → 00:33:20,125

Oh, yeah.

721

00:33:23,041 → 00:33:24,708

[slobbering]

722

00:33:30,000 → 00:33:31,458

[muttering] So good.

723

00:33:31,541 → 00:33:33,166

Cold. It's cold. It's cold.

724

00:33:34,583 → 00:33:36,625

Okay, CC, look at me.

725

00:33:36,708 → 00:33:39,166

I wrote the entire presentation
on note cards.

726

00:33:39,250 → 00:33:40,916

All you have to do is read them.

727

00:33:41,000 → 00:33:42,791

I don't know anything about architecture.

728

00:33:42,875 → 00:33:45,666

We're Walkers, and Walkers never quit.

729

00:33:45,750 → 00:33:48,583

Not true. We always turn a movie off
before it's over.

730

00:33:48,666 → 00:33:54,250

All you have to do is W-A-L-K
into that meeting and read them.

731

00:33:54,333 → 00:33:55,916

[sighing]

732

00:33:56,000 → 00:33:57,791

- Be a boss.

- Be a boss.

733

00:33:57,875 → 00:33:59,416

- Be a boss.

- Be a boss.

734

00:33:59,500 → 00:34:01,041

- Be a boss.

- Be a boss.

735

00:34:01,125 → 00:34:02,875

- Be a boss.

- Be a boss. Let's go!

736

00:34:04,458 → 00:34:07,625

Whoa. Whoa.

Dad, you can't just walk out there.

737

00:34:07,708 → 00:34:10,833

Keep your head down.

Make eye contact with no one.

738

00:34:10,916 → 00:34:12,041

What?

739

00:34:12,125 → 00:34:14,125

- You're about to run the gauntlet.

- What's that?

740

00:34:14,208 → 00:34:16,500

It's very critical

that you don't stay in one place

741

00:34:16,583 → 00:34:18,791

for less than four seconds

or more than seven.

742

00:34:18,875 → 00:34:20,958

Hey. What's up?

Yo, Ruggles, what's up, man?

743

00:34:21,041 → 00:34:24,333

Heck of a game last Friday.

Seriously. You looked like Aaron Donald.

744

00:34:24,416 → 00:34:26,750

- Thanks, bud. I froze my ass off though.

- I got you.

745

00:34:26,833 → 00:34:28,083

Oh, dude, I bet.

746

00:34:31,750 → 00:34:33,250

- Get here.

- What?

747

00:34:33,916 → 00:34:35,833

- What are you doing?

- I got some news here.

748

00:34:35,916 → 00:34:38,291

Your dad happens to be the toast,
and high school's my jam.

749

00:34:38,375 → 00:34:41,708

Food metaphors have no place here, Dad.

This is life and death.

750

00:34:41,791 → 00:34:42,791

- I'm...

- I got it.

751

00:34:43,416 → 00:34:44,833

What's up, ladies? How are we?

752

00:34:44,916 → 00:34:46,458

Hey!

753

00:34:46,541 → 00:34:49,125

- [indistinct chattering]

- [racy music playing]

754

00:34:59,416 → 00:35:00,666

Three. Three balls!

755

00:35:02,833 → 00:35:03,833

All right.

756

00:35:04,791 → 00:35:05,833

[barking]

757

00:35:07,541 → 00:35:08,416

No.

758

00:35:08,500 → 00:35:10,708

We don't eat garbage. That's not healthy.

759

00:35:11,291 → 00:35:14,625

No. Hey. Stop it.

That's the water for the doggy.

760

00:35:15,208 → 00:35:18,416

No doggy water. No. *Nein.*

761

00:35:19,250 → 00:35:20,250

[liquid running]

762

00:35:22,958 → 00:35:24,000

[Miles growling]

763

00:35:26,666 → 00:35:28,333

I'll give you your privacy.

764

00:35:35,708 → 00:35:38,041

If, if you want me to take over,

I can take over.

765

00:35:38,125 → 00:35:40,208

Oh, there she is.

766

00:35:40,291 → 00:35:42,416

- Right not on time.

- [chuckling]

767

00:35:42,500 → 00:35:44,166

[Hanes] Yeah. All right.

768

00:35:44,250 → 00:35:48,208

Peter, I'd like to thank you
and everyone at The Molson Group

769

00:35:48,291 → 00:35:49,958

for taking time to come in today.

770

00:35:50,041 → 00:35:51,833

- Start.

- Love that.

771

00:35:51,916 → 00:35:56,583

Our, our, our project leader

and all-around superstar, Jess Walker,

772

00:35:56,666 → 00:35:58,583

is gonna lead us through the presentation.

773

00:35:58,666 → 00:36:00,583

Jess? Jess, we're ready.

774

00:36:00,666 → 00:36:01,583

[all applauding]

775

00:36:01,666 → 00:36:02,666

- Jess.

- [Kara] Go, Jess.

776

00:36:02,708 → 00:36:03,791

You're gonna like it.

777

00:36:08,416 → 00:36:09,416

[Jess] Uh...

778

00:36:13,625 → 00:36:15,375

Thank you for being here today.

779

00:36:15,458 → 00:36:17,125

- [Molson] Yes.

- I'm gonna get started.

780

00:36:18,583 → 00:36:21,166

First, I'd like to thank you
for coming today.

781

00:36:21,833 → 00:36:24,083

Second, I'd like to talk about this firm

782

00:36:24,166 → 00:36:27,833

because here at this firm,
we wanna exceed expectations.

783

00:36:28,583 → 00:36:33,750

We want to combine beauty
and function and innovation.

784

00:36:34,583 → 00:36:39,791

Here at this firm, we have no experience

building... We have experience...

785

00:36:39,875 → 00:36:41,583

- Is she okay?

- She's fine.

786

00:36:41,666 → 00:36:43,708

Here at this firm, at Atlas...

Here at Atlas...

787

00:36:43,791 → 00:36:45,083

[CC] The cards.

788

00:36:45,166 → 00:36:46,875

[clearing throat] Cards.

789

00:36:46,958 → 00:36:48,291

[stomach growling]

790

00:36:49,041 → 00:36:51,041

- I know, but my eyes don't work.

- Glasses.

791

00:36:51,125 → 00:36:52,958

[Jess] Okay. Um...

792

00:36:55,750 → 00:36:56,750

Okay.

793

00:36:56,833 → 00:36:58,250

- [all clamoring]

- I got it.

794

00:36:58,333 → 00:37:01,083

- I got it.

- Hang on. Don't panic.

795

00:37:02,000 → 00:37:03,958

Hang on. Okay, not to worry.

796

00:37:04,041 → 00:37:06,541

You know what, Jess?

Why don't I just jump in right here?

797

00:37:06,625 → 00:37:07,666

No!

798

00:37:08,416 → 00:37:09,416

[Steve] I'm sorry?

799

00:37:10,291 → 00:37:11,791

Really? Uh...

800

00:37:12,791 → 00:37:14,958

- Sorry. Continue.

- What's going on?

801

00:37:15,041 → 00:37:17,208

I'm gonna talk about the building itself.

802

00:37:17,291 → 00:37:18,291

[stomach rumbling]

803

00:37:18,333 → 00:37:20,541

- That's what matters.

- Yeah.

804

00:37:20,625 → 00:37:22,025

- That's what we're here for.

- Yup.

805

00:37:22,083 → 00:37:24,083

There's a roof and there are walls.

806

00:37:24,708 → 00:37:25,791

[rumbling continues]

807

00:37:27,125 → 00:37:28,583

There's a church.

808

00:37:29,583 → 00:37:30,791

Here is the steeple.

809

00:37:31,875 → 00:37:33,083

Open the door,

810

00:37:33,708 → 00:37:34,875

see all the people.

811

00:37:37,791 → 00:37:38,833

[laughing]

812

00:37:40,500 → 00:37:41,625

[all laughing]

813

00:37:49,458 → 00:37:50,375

[Molson] Know what?

814

00:37:50,458 → 00:37:53,250

You lucky 'cause I like to laugh
as much as the next person.

815

00:37:54,458 → 00:37:56,375

- You do?

- No, not really.

816

00:37:57,916 → 00:38:00,333

- You know what? We're done. Thank you.

- [Hanes] Peter.

817

00:38:00,416 → 00:38:02,208

- Tell him to pull the car around.

- No. No.

818

00:38:02,291 → 00:38:05,083

Wait. Wait. I think what my mom
is trying to say

819

00:38:05,166 → 00:38:07,458

is that we blend form and function

820

00:38:07,541 → 00:38:09,833

while using the south buttress
as a tiered garden,

821

00:38:09,916 → 00:38:12,291

while also supporting the central arcade.

822

00:38:12,375 → 00:38:15,708

- Hm. Who's this intelligent young woman?

- Oh, I'm her daughter.

823

00:38:16,250 → 00:38:20,416

And any intelligence I have is purely
because of the way my mother raised me.

824

00:38:20,500 → 00:38:23,708

- [chuckling] Open that up. Let me see.

- What is going on with you?

825

00:38:23,791 → 00:38:26,500

I think the ice cream
in the break room was expired.

826

00:38:26,583 → 00:38:28,041

- I...

- Ice cream in the break room?

827

00:38:28,125 → 00:38:30,625

I'm lactose intolerant.

That means you're lactose intolerant.

828

00:38:30,708 → 00:38:33,166

It's so bad.

I don't think I can hold it in.

829

00:38:33,250 → 00:38:34,875

Oh, yes you can. You wanna know why?

830

00:38:34,958 → 00:38:36,958

There are 40 years of farts
in that stomach.

831

00:38:37,041 → 00:38:39,833

You won't let them out
on the most important day of my career.

832

00:38:39,916 → 00:38:41,916

- I don't wanna let them out.
- Just breathe.

833

00:38:42,000 → 00:38:44,267

- [Steve] Jess, are you all right?
- I won't let them out.

834

00:38:44,291 → 00:38:49,291

Jess, why don't you just continue to tell
Mr. Molson about the presentation?

835

00:38:49,375 → 00:38:50,708

[CC clearing throat]

836

00:38:50,791 → 00:38:51,791

[panting] Yeah.

837

00:38:51,875 → 00:38:52,708

[stomach rumbling]

838

00:38:52,791 → 00:38:53,791

I've got it. Sorry.

839

00:38:54,416 → 00:38:55,583

I need to...

840

00:38:58,375 → 00:38:59,375

I've got it.

841

00:39:00,458 → 00:39:01,458

[Jess farting]

842

00:39:04,875 → 00:39:08,083

I have to live in my body! I'm sorry!

843

00:39:08,166 → 00:39:09,583

[farting continues]

844

00:39:09,666 → 00:39:11,041

Oh my God.

845

00:39:11,125 → 00:39:12,833

[all clamoring]

846

00:39:15,083 → 00:39:16,666

She's really sorry.

847

00:39:17,791 → 00:39:20,875

I cannot believe my entire future
just blew up right in front of me.

848

00:39:20,958 → 00:39:23,375

That was in the past.

We have to focus on the present.

849

00:39:23,458 → 00:39:25,125

You have to play soccer for me.

850

00:39:25,208 → 00:39:27,333

The account. My partnership.

851

00:39:27,416 → 00:39:30,750

Why didn't you ask some of those people
for help? Don't they work for you?

852

00:39:30,833 → 00:39:34,000

Yes, CC, technically. But, ultimately,
it is my responsibility to...

853

00:39:34,083 → 00:39:35,500

Okay, whatever. Listen up.

854

00:39:35,583 → 00:39:37,291

Stand on the side, run around,

855

00:39:37,375 → 00:39:41,000

but if anyone passes you the ball,
for the love of God, pass it right back.

856

00:39:41,083 → 00:39:42,958

CC, I think I can handle that.

857

00:39:43,041 → 00:39:46,250

And, Mom, whatever you do,
try not to be weird with my friends.

858

00:39:46,333 → 00:39:48,750

Believe it or not,
I was pretty cool in high school.

859

00:39:48,833 → 00:39:50,333

I'm gonna go with "or not."

860

00:39:51,500 → 00:39:52,958

[upbeat music playing]

861

00:39:54,833 → 00:39:58,250

- Hey! You got this, CC.
- [mumbling]

862

00:39:58,333 → 00:40:01,750

- [guy] Kick some butt today.

- Butt will be kicked.

863

00:40:01,833 → 00:40:04,208

- [girl] Good luck today, CC.

- Thank you.

864

00:40:05,250 → 00:40:06,250

[all cheering]

865

00:40:07,500 → 00:40:13,750

[all] Go, CC! Go, CC! Go, CC!

866

00:40:15,833 → 00:40:18,083

Everything okay, C?

You seem a little stressed.

867

00:40:18,166 → 00:40:21,500

Yeah. No, I'm fine.

I just don't really like the roughhousing.

868

00:40:21,583 → 00:40:23,791

Right. By the way,

how are you liking the tattoo?

869

00:40:23,875 → 00:40:25,625

- I'm getting mine this weekend.

- Do not.

870

00:40:25,708 → 00:40:28,541

It was a completely irresponsible
and irrational decision,

871

00:40:28,625 → 00:40:30,333

and I regretted it immediately.

872

00:40:30,416 → 00:40:32,833

Did your mom see it? I bet she freaked.

873

00:40:33,500 → 00:40:35,375

No. As a good mother should,

874

00:40:35,458 → 00:40:37,875

she holds space

for all her children's mistakes.

875

00:40:37,958 —> 00:40:40,416

[chuckling] That's hilarious.

You sound just like her.

876

00:40:40,500 —> 00:40:43,208

[in robotic voice] "I am Jess Walker,
mother of the century,

877

00:40:43,291 —> 00:40:46,625

and I hold space
for all of my children's mistakes."

878

00:40:47,291 —> 00:40:50,000

[normal voice] Come on, bus is leaving.
It's game time, girl.

879

00:40:50,083 —> 00:40:51,833

- [phone ringing]

- [Miles panting]

880

00:40:54,083 —> 00:40:56,166

- Yes?

<i>- Hey, Rolf, it's CC.</i>

881

00:40:56,250 → 00:40:57,250

<i>How's it going?</i>

882

00:40:57,291 → 00:40:59,791

Uh, it's a tremendous challenge,
but I'll fix it.

883

00:40:59,875 → 00:41:01,625

Have no fear. Rolf is here.

884

00:41:01,708 → 00:41:04,625

*<i>What do you mean a tremendous challenge?
It's a child and a dog.</i>*

885

00:41:04,708 → 00:41:05,791

<i>Make sure they're safe.</i>

886

00:41:05,875 → 00:41:08,375

I will apply myself that much more firmly.

887

00:41:08,458 → 00:41:09,666

<i>You don't have to be firm.</i>

888

00:41:09,750 → 00:41:11,590

<i>Keep it together.

We'll be home after the game.</i>

889

00:41:11,666 → 00:41:14,083

I must leave you now.

The training continues. Ciao.

890

00:41:14,166 → 00:41:15,000

<i>Rolf. Rolf.</i>

891

00:41:15,083 → 00:41:16,625

[Miles growling]

892

00:41:18,041 → 00:41:21,583

[woman presenter] *<i>Welcome, everybody.*

It's a beautiful day here at BMO Stadium.</i>

893

00:41:21,666 → 00:41:24,541

The Lucy Jones Unicorns

are going up against their archrivals,

894

00:41:24,625 → 00:41:28,416

the Broadwick Daredevils
for the Southern California Championship.

895

00:41:28,958 → 00:41:30,041

Come on, Unicorns.

896

00:41:30,125 → 00:41:33,000

[woman presenter] The Unicorns are led
by their captain, CC Walker.

897

00:41:33,083 → 00:41:36,541

She was All-American her freshman year
and has received accolades ever since.

898

00:41:36,625 → 00:41:38,250

Let's not forget about the Daredevils.

899

00:41:38,333 → 00:41:41,583

They got their own secret weapons,
Gisele and Alyssa Thompson,

900

00:41:41,666 → 00:41:42,833

the Switchblade Sisters.

901

00:41:42,916 → 00:41:43,916

But I didn't say it.

902

00:41:44,000 → 00:41:46,875

Oh, this is torture.

Come on, Mom. Don't let me down.

903

00:41:46,958 → 00:41:48,625

- [horn blowing]

- [crowd cheering]

904

00:41:49,416 → 00:41:53,416

I think I see Alex Sullivan.

That's a scout for the US national team.

905

00:41:55,666 → 00:41:56,666

Hey, girl.

906

00:41:57,208 → 00:41:59,708

Oh my gosh. I'm gonna get it together.

907

00:42:00,291 → 00:42:02,916

Hey, Mrs. Jenk... Hey, Carrie. Hi, Carrie.

908

00:42:03,000 → 00:42:05,333

Oh my God, I love this backwards cap vibe.

909

00:42:05,416 → 00:42:07,208

Very festive. Very game day.

910

00:42:07,291 → 00:42:09,791

Just a little stressed today, actually.

911

00:42:09,875 → 00:42:13,125

Well, guess what?

Brought us a little game day vino.

912

00:42:13,208 → 00:42:15,375

- Wine?

- Yeah.

913

00:42:15,458 → 00:42:18,000

No. I'm focused on the game,
but thank you.

914

00:42:18,083 → 00:42:21,500

Oh. Right, I forgot. She's a super mom.
She focuses on the game.

915

00:42:21,583 → 00:42:24,791

She knows all the players' names.
I don't know anyone's name.

916

00:42:24,875 → 00:42:26,250

[mysterious music playing]

917

00:42:27,541 → 00:42:28,916

[gasping]

918

00:42:29,000 → 00:42:29,833

Okay.

919

00:42:29,916 → 00:42:31,958

Ah. You're so not prepared for this, Dad.

920

00:42:32,041 → 00:42:35,291

What? I'm fine, okay? I went to college.

I can do a college interview.

921

00:42:35,375 → 00:42:38,125

You went to Arizona State University.

This is Yale.

922

00:42:38,208 → 00:42:41,458

Well, some would say that Arizona State
is the Yale of Southwest Tempe.

923

00:42:41,541 → 00:42:42,541

N...

924

00:42:43,416 → 00:42:44,625

- Wyatt.

- Yeah?

925

00:42:45,416 → 00:42:47,666

I'm sorry. He... He's Wyatt.

926

00:42:47,750 → 00:42:50,583

I'm a man.

I'm an adult man with an adult body,

927

00:42:50,666 → 00:42:52,000

adult body hair.

928

00:42:52,083 → 00:42:53,083

I'm just like you.

929

00:42:53,125 → 00:42:55,541

Actually, I'm Scandinavian.

I'm surprisingly hairless.

930

00:42:55,625 → 00:42:57,375

Is your name Wyatt?

931

00:42:57,458 → 00:43:00,250

[chuckling] No. 'Cause I'm a man,
and Wyatt is a child.

932

00:43:00,333 → 00:43:01,416

This is Wyatt.

933

00:43:02,083 → 00:43:04,416

Okay, then. We're ready for you.

934

00:43:04,500 → 00:43:07,125

Okay, I'll be right in.

Thank you so much. I appreciate it.

935

00:43:07,208 → 00:43:08,041

[Wyatt sighing]

936

00:43:08,125 → 00:43:10,708

My God, man, get a grip.

What are we doing?

937

00:43:11,250 → 00:43:12,791

All right? Relax, okay?

938

00:43:12,875 → 00:43:15,416

Hey, when we play <i>Jeopardy,</i>

who always wins?

939

00:43:15,500 → 00:43:17,708

- Me.

- Okay, yeah, well, besides you?

940

00:43:17,791 → 00:43:19,833

- Mom.

- Okay, well, I beat CC, don't I?

941

00:43:19,916 → 00:43:23,083

- She never even watches with us.

- Okay, when we watch *Is It Cake?*

942

00:43:23,166 → 00:43:25,125

I'm always the first to guess

if it's cake.

943

00:43:25,208 → 00:43:29,125

- You are freakishly good at that.

- Thank you. Now wish me luck, okay?

944

00:43:29,208 → 00:43:32,166

Ninety minutes. Ninety minutes.

Ninety minutes.

945

00:43:32,250 → 00:43:33,375

[crowd cheering]

946

00:43:35,041 → 00:43:36,416

[male presenter] And away we go.

947

00:43:36,500 → 00:43:38,291

Come on, Unicorns! Come on, Unis!

948

00:43:39,083 → 00:43:40,833

[woman presenter] And her first touch is...

949

00:43:40,916 → 00:43:42,750

- [crowd clamoring]

- [whistle blowing]

950

00:43:42,833 → 00:43:45,250

...literally touching the ball

with her hands.

951

00:43:45,958 → 00:43:47,041

She caught the ball.

952

00:43:48,083 → 00:43:50,291

- [whistle blowing]

- [crowd clamoring]

953

00:43:50,375 → 00:43:52,875

- She caught it.

- Oh God, are you gonna be okay?

954

00:43:53,666 → 00:43:56,000

He saw her catch it. What is she doing?

955

00:43:56,833 → 00:43:58,625

She's hitting today.

956

00:43:58,708 → 00:44:02,083

The trick is you watch it on a tablet,

957

00:44:02,166 → 00:44:05,541

and then you can screengrab an image

and zoom in on it.

958

00:44:06,291 → 00:44:07,916

Once you see those brush marks,

959

00:44:09,000 → 00:44:10,500

that's how you know it's cake.

960

00:44:14,958 → 00:44:16,791

- Don't snap back.

- Yeah, we don't snap.

961

00:44:20,375 → 00:44:22,375

Is this, is this *Flashdance?*

962

00:44:23,166 → 00:44:26,291

Wyatt, just as a courtesy,

if you wanna start this over...

963

00:44:26,375 → 00:44:27,375

Oh, please, no.

964

00:44:28,041 → 00:44:30,750

- No? You wanna hit save on...

- Yeah.

965

00:44:30,833 → 00:44:32,458

[Bill groaning]

966

00:44:32,541 → 00:44:34,541

The body language is all wrong.

967

00:44:34,625 → 00:44:37,041

That is not enjoyment. That is judgment.

968

00:44:37,125 → 00:44:38,583

- Hey, Mr. Walker.

- [screaming]

969

00:44:38,666 → 00:44:40,000

Then Dave Grohl joined the band*,*

970

00:44:40,083 → 00:44:42,791

and they recorded *Nevermind*

in the spring of 1991.

971

00:44:42,875 → 00:44:43,791

Ariana.

972

00:44:43,875 → 00:44:45,291

- Is that Wyatt in there?

- Yes.

973

00:44:45,375 → 00:44:46,583

[clearing throat]

974

00:44:46,666 → 00:44:48,875

Yeah. Wyatt's in there. He's not out here.

975

00:44:48,958 → 00:44:51,333

You know, I'm happy for him about Yale.

It's just...

976

00:44:51,791 → 00:44:53,541

I don't know. It's sad to see him go.

977

00:44:54,333 → 00:44:55,791

- Yeah? You'd be sad?

- Of course.

978

00:44:55,875 → 00:44:58,833

I mean, we've lived a block
away from each other since I was born.

979

00:44:58,916 → 00:45:01,500

You know, we always
used to play together as kids.

980

00:45:01,583 → 00:45:03,333

We even had this
Christmas teddy bear thing

981

00:45:03,416 → 00:45:05,333

we used to pass around each year.

982

00:45:05,833 → 00:45:07,625

- You remember that?
- Of course I do.

983

00:45:07,708 → 00:45:11,083

He's such a kind and thoughtful guy,
and honestly, there's so few of them.

984

00:45:11,166 → 00:45:12,916

He's really tough. He does karate.

985

00:45:13,666 → 00:45:15,791

Yeah. He's got two stripes
on his white belt.

986

00:45:15,875 → 00:45:18,475

Should be a yellow belt.
His sensei said he cried during his test,

987

00:45:18,541 → 00:45:21,541

which is insane
'cause he almost never cries in real life.

988

00:45:22,125 → 00:45:23,885

- [Jess] Get it to CC!
- [Carrie] Oh my gosh.

989

00:45:23,958 → 00:45:28,208

Girl. Okay, remember I told you that
John and I were having a little issue?

990

00:45:28,291 → 00:45:30,958

I tried that crazy thing
you told me about from college.

991

00:45:31,041 → 00:45:32,666

It worked. I went...

992

00:45:32,750 → 00:45:34,791

[sound warping, slowing down]

993

00:45:38,166 → 00:45:40,208

[sweeping music playing]

994

00:45:44,500 → 00:45:46,541

[deep bass playing]

995

00:45:52,458 → 00:45:55,375

Walker gets sliced and diced
by the Switchblade Sisters!

996

00:45:55,458 → 00:45:58,375

It's a red card! Cut her from behind.

You saw that, right?

997

00:45:58,458 → 00:46:00,125

- You saw that?

- Yeah.

998

00:46:00,208 → 00:46:03,291

Can't imagine the national scout
is pleased with this performance.

999

00:46:03,375 → 00:46:05,500

- Pass me some of that wine?

- Absolutely.

1000

00:46:05,583 → 00:46:06,750

Oh.

1001

00:46:06,833 → 00:46:08,291

We would be remiss

1002

00:46:08,375 → 00:46:11,333

if we didn't talk about
the very exciting work

1003

00:46:11,416 → 00:46:14,500

that you appear to be doing
with the Riemann hypothesis.

1004

00:46:15,375 → 00:46:16,375

Solved it.

1005

00:46:17,416 → 00:46:18,541

[all laughing]

1006

00:46:19,875 → 00:46:24,833

- One of Hilbert's 23 unsolved problems?

- Yeah, tell Hillbilly he's down to 22.

1007

00:46:25,416 → 00:46:28,625

Okay, Hillbilly has been dead
for 80 years.

1008

00:46:28,708 → 00:46:33,333

As someone who has wrestled with Riemann,
I'm curious, which way are you leaning?

1009

00:46:34,000 → 00:46:35,166

True or false?

1010

00:46:36,000 → 00:46:37,000

False.

1011

00:46:37,500 → 00:46:39,958

- [Peter] Ira.

- Suck a duck.

1012

00:46:40,041 → 00:46:41,041

Take a breath.

1013

00:46:41,125 → 00:46:44,666

The Clay Institute offers a \$1 million
prize to anyone who can solve Riemann.

1014

00:46:44,750 → 00:46:48,041

We would love if you could show
some of your work here right now.

1015

00:46:48,125 → 00:46:49,041

[Peter] Thrilled.

1016

00:46:49,125 → 00:46:50,541

[suspenseful music playing]

1017

01:08:20,000 → 01:08:24,166

But what's the vector analysis?

Where are the planar quadrilaterals?

1509

01:08:24,250 → 01:08:27,375

And we must calculate
for the cross-structural integrals.

1510

01:08:27,458 → 01:08:29,708

- You know, guys, math is art.
- [boy] Seriously?

1511

01:08:29,791 → 01:08:34,833

Just look at the quadrature of Notre Dame,
or even the Golden Ratio of the Parthenon.

1512

01:08:34,916 → 01:08:38,833

And even the Chaminar Monument in India
uses the number four in its intervals.

1513

01:08:38,916 → 01:08:40,291

Right, guys? Come on.

1514

01:08:40,375 → 01:08:41,375

[bell ringing]

1515

01:08:48,083 → 01:08:51,541

Mr. Hollis, when do you think
we'll have those results?

1516

01:08:51,625 → 01:08:53,041

I'm worried about my grades.

1517

01:08:53,125 → 01:08:55,916

Miss Walker, I think we both know
where you stand.

1518

01:08:58,041 → 01:09:01,125

- It's really that bad, then?
- What? No.

1519

01:09:01,208 → 01:09:04,500

I mean, the progress that you've made
this semester, it's been amazing.

1520

01:09:05,166 → 01:09:08,458

If your mom could see
how hard you've been applying yourself,

1521

01:09:08,541 → 01:09:09,916

she'd be really proud.

1522

01:09:10,791 → 01:09:12,041

[soft music playing]

1523

01:09:14,000 → 01:09:15,208

Thank you.

1524

01:09:15,291 → 01:09:17,458

What do you mean

it's not gonna be done on time?

1525

01:09:17,541 → 01:09:22,125

Spock, I need that lens tonight
before the planetary alignment ends.

1526

01:09:22,875 → 01:09:25,041

There are astrological implications.

1527

01:09:25,125 → 01:09:29,458

You're the frontman. Heard great things.

Ten million people watching tonight.

1528

01:09:29,541 → 01:09:31,500

Pressure's on. You know what they say.

1529

01:09:31,583 → 01:09:33,708

Burst pipes makes diamonds.

1530

01:09:35,000 → 01:09:38,000

Gwyneth, no more candles.

Come on. Load up.

1531

01:09:40,583 → 01:09:43,416

Come on, bro. It's time. Let's roll.

1532

01:09:43,500 → 01:09:44,541

[heart pumping]

1533

01:09:44,625 → 01:09:46,166

- Come on.

- Yeah.

1534

01:09:47,083 → 01:09:50,375

[muffled] You gonna be all right?

Ready to do this?

1535

01:09:51,291 → 01:09:52,541

Oh.

1536

01:09:52,625 → 01:09:53,916

- Kara?

- Hm-mm.

1537

01:09:56,000 → 01:09:58,458

You don't know this,

but my daughter, she's like a...

1538

01:09:59,416 → 01:10:02,250

- She's a really good soccer player.

- Of course I know that.

1539

01:10:02,333 → 01:10:06,166

You've shown everyone here, like,

no less than 1,000 videos of her playing.

1540

01:10:06,708 → 01:10:07,833

- I have?

- Yes.

1541

01:10:08,375 → 01:10:09,541

She's awesome.

1542

01:10:09,625 → 01:10:13,958

So I'm being a total control freak
by killing a huge opportunity for her

1543

01:10:14,041 → 01:10:16,833

to move away from home
and play with the national team.

1544

01:10:16,916 → 01:10:18,083

Jess.

1545

01:10:18,750 → 01:10:20,583

You're not being a control freak.

1546

01:10:20,666 → 01:10:23,166

You're just doing

what you think is best for CC.

1547

01:10:23,250 → 01:10:24,708

- Please.

- Jess.

1548

01:10:25,541 → 01:10:28,250

You're my boss, and you're my role model,

1549

01:10:28,333 → 01:10:31,500

and I'd be thrilled if I could manage
to balance work and family

1550

01:10:31,583 → 01:10:33,083

even as half as well as you can.

1551

01:10:33,166 → 01:10:35,208

But you've taught me
it comes with sacrifices.

1552

01:10:35,291 → 01:10:36,416

What sacrifices?

1553

01:10:36,500 → 01:10:39,333

I mean, not like sacrifices
because they're for your kids,

1554

01:10:39,416 → 01:10:41,041

and apparently, they're important.

1555

01:10:41,125 → 01:10:44,083

I wouldn't know.

I have hamsters. But, like, sacrifices.

1556

01:10:44,833 → 01:10:47,916

Like how you've told me, you haven't
taken a vacation in five years

1557

01:10:48,000 → 01:10:50,291

so that you could pay
for CC's soccer camps.

1558

01:10:51,208 → 01:10:53,583

Or how you could've
had this promotion three years ago,

1559

01:10:53,666 → 01:10:55,375

but didn't want to miss her games.

1560

01:10:55,458 → 01:10:57,875

It's what makes you the best mom I know.

1561

01:10:58,500 → 01:11:00,041

We're gonna go in and kick ass,

1562

01:11:00,125 → 01:11:02,500

you, that beautiful tie,

and those yellow pants.

1563

01:11:02,583 → 01:11:04,375

Girl, you can pull anything off.

1564

01:11:04,458 → 01:11:05,333

CC.

1565

01:11:05,416 → 01:11:06,416

[soft music playing]

1566

01:11:09,791 → 01:11:10,875

I'm sorry, Mom.

1567

01:11:10,958 → 01:11:14,166

- No, no, CC, stop.

- I didn't understand how hard your job is.

1568

01:11:14,833 → 01:11:17,833

- And everything you do for our family.

- No, no, CC.

1569

01:11:18,750 → 01:11:20,125

I'm the one who's sorry.

1570

01:11:20,208 → 01:11:22,791

You were right, honey.

Your way works for you,

1571

01:11:22,875 → 01:11:25,416

and it doesn't have to be my way

to be a good way.

1572

01:11:26,708 → 01:11:29,583

More than anything in this entire world,

1573

01:11:30,083 → 01:11:32,000

I just want you to be okay.

1574

01:11:32,083 → 01:11:33,541

I will be okay

1575

01:11:33,625 → 01:11:37,125

'cause I have the best mom in the world,
and that's how she raised me.

1576

01:11:37,208 → 01:11:38,833

[both crying]

1577

01:11:45,791 → 01:11:47,208

- Mom...

- Hm.

1578

01:11:49,166 → 01:11:53,125

We are gonna W-A-L-K
out of here and crush this pitch.

1579

01:11:53,708 → 01:11:57,000

- Because Walkers never quit.

- Walkers never quit.

1580

01:11:57,083 → 01:11:58,083

Come on.

1581

01:11:58,541 → 01:12:01,500

Hey. Yo, one, two, three, four.

1582

01:12:01,583 → 01:12:04,333

Yo, Gabi. Yo, Gabi.

1583

01:12:04,416 → 01:12:05,833

Can you guys believe this?

1584

01:12:05,916 → 01:12:07,916

They seriously expect us to sit up here

1585

01:12:08,000 → 01:12:11,041

and listen to Walker's band play music

instead of us.

1586

01:12:11,125 → 01:12:13,500

Didn't Mr. Walker

have a chance to play in Green Day?

1587

01:12:13,583 → 01:12:16,791

- I think it was Black Sabbath.

- It was a band about a color.

1588

01:12:17,583 → 01:12:21,666

Imagine giving up the opportunity

to be a rock star

1589

01:12:22,583 → 01:12:24,083

just to be Wyatt's dad.

1590

01:12:24,166 → 01:12:25,541

- Like...

- That's sad.

1591

01:12:25,625 → 01:12:28,666

- [boy 1] Like that's...

- [boy 2] I'd rather be the rock star.

1592

01:12:28,750 → 01:12:30,375

Mr. Molson, Mr. Hanes,

1593

01:12:31,041 → 01:12:34,916

thank you so much for giving me
the opportunity to speak with you again.

1594

01:12:35,000 → 01:12:36,000

You're safe today.

1595

01:12:36,041 → 01:12:38,208

- No dairy for breakfast.

- Okay.

1596

01:12:38,291 → 01:12:39,666

Let's cut through the stench

1597

01:12:39,791 → 01:12:43,625

and talk to you about our beautiful
building on 7th and Main.

1598

01:12:43,708 → 01:12:44,916

- That's right. Yup.

- Jess.

1599

01:12:45,666 → 01:12:47,083

[phone vibrating]

1600

01:12:51,041 → 01:12:53,708

{\an8}- [Steve] Everything all right?

- [Molson] What's going on? Guys?

1601

01:12:53,791 → 01:12:55,041

{\an8}[Steve] What are we doing?

1602

01:12:55,125 → 01:12:57,291

[Molson] Okay. Come on, guys.

1603

01:12:57,375 → 01:12:58,791

- All good?

- He's leaving again.

1604

01:12:58,875 → 01:12:59,791

[Mr. Molson] Um...

1605

01:12:59,875 → 01:13:03,250

No. Mr. Molson, I'm so sorry.

1606

01:13:04,041 → 01:13:04,916

[soft music playing]

1607

01:13:05,000 → 01:13:06,083

My family needs me.

1608

01:13:06,750 → 01:13:10,375

But I'm proud to leave you
in the very capable hands of this team.

1609

01:13:10,458 → 01:13:13,833

They know these plans better than anyone.
They'll show you every detail.

1610

01:13:13,916 → 01:13:15,000

[scoffs]

1611

01:13:15,500 → 01:13:16,500

You've got it.

1612

01:13:17,250 → 01:13:18,125

We got it.

1613

01:13:18,208 → 01:13:19,791

Just hold on, Jess.

1614

01:13:19,875 → 01:13:20,875

Jess.

1615

01:13:22,708 → 01:13:25,458

So starting with the exterior garden...

1616

01:13:25,541 → 01:13:29,208

[people shouting] We want the show!

We want the show!

1617

01:13:29,291 → 01:13:32,375

Do you not hear that?

We want the show! Where's your guy?

1618

01:13:32,458 → 01:13:34,583

- Just one more minute.
- I don't have a minute.

1619

01:13:34,666 → 01:13:38,541

- Wyatt, where's your dad, man?
- I don't know, Lake. I can't find him.

1620

01:13:38,625 → 01:13:40,958

We passed on
a synchronized swim band for this.

1621

01:13:41,041 → 01:13:42,166

- [Jess] Dad.
- [CC] Bill.

1622

01:13:42,250 → 01:13:44,208

- We got here quickly.
- Where's Wyatt?

1623

01:13:44,291 → 01:13:45,916

I've looked everywhere. I'm worried.

1624

01:13:46,000 → 01:13:47,916

- Let's go find him.

- We want the show!

1625

01:13:49,041 → 01:13:51,375

- Wyatt!

- Wyatt, where are you, son?

1626

01:13:51,458 → 01:13:53,500

Come on, dude. You're freaking us out.

1627

01:13:53,583 → 01:13:56,416

I'll check the science wing.

You get east and west corridors.

1628

01:13:56,500 → 01:13:57,375

- Okay.

- Okay.

1629

01:13:57,458 → 01:14:00,166

Hey, Wyatt. Wyatt.

1630

01:14:01,666 → 01:14:02,875

- God.

- Hey, Dad.

1631

01:14:05,208 → 01:14:06,208

Wyatt?

1632

01:14:07,458 → 01:14:10,041

What are you doing, man?

Wipe it up. We gotta go on stage.

1633

01:14:10,125 → 01:14:11,333

I really wish I could.

1634

01:14:11,416 → 01:14:14,416

I just... I can't.

I'm not like you, Dad. I'm sorry.

1635

01:14:15,166 → 01:14:16,416

What are you sorry for?

1636

01:14:16,500 → 01:14:18,125

I heard these kids talking

1637

01:14:18,208 → 01:14:21,291

about how you were in a band
that went on to be huge,

1638

01:14:22,291 → 01:14:24,750

but you had to settle for being my dad.

1639

01:14:24,833 → 01:14:26,041

[Bill grunting]

1640

01:14:26,833 → 01:14:30,875

I may have been in a band
that went on to become a huge success.

1641

01:14:30,958 → 01:14:32,125

But so what?

1642

01:14:40,083 → 01:14:41,541

Well, which band was it?

1643

01:14:42,666 → 01:14:43,750

Maroon 6.

1644

01:14:44,916 → 01:14:46,916

Isn't it Maroon 5? [gasping]

1645

01:14:47,000 → 01:14:48,166

Yeah.

1646

01:14:48,250 → 01:14:50,875

- [gasping] No way.

- Yeah.

1647

01:14:50,958 → 01:14:52,333

[both chuckling]

1648

01:14:53,208 → 01:14:54,250

Whoa.

1649

01:14:55,666 → 01:14:57,750

Do I miss it sometimes? Yeah.

1650

01:14:58,333 → 01:15:01,750

I mean, it's hard to accept
that your glory days are behind you,

1651

01:15:01,833 → 01:15:05,875

but would I trade
what I have now for anything?

1652

01:15:06,666 → 01:15:07,666

No way.

1653

01:15:08,833 → 01:15:10,250

Being your dad

1654

01:15:11,833 → 01:15:14,375

has been the rock 'n' roll
adventure of a lifetime.

1655

01:15:15,500 → 01:15:16,708

Come here.

1656

01:15:16,791 → 01:15:18,000

[joyful music playing]

1657

01:15:19,041 → 01:15:20,083

Love you, buddy.

1658

01:15:21,416 → 01:15:22,416

I love you, Dad.

1659

01:15:25,625 → 01:15:27,000

[CC panting]

1660

01:15:29,208 → 01:15:31,875

- Wyatt. You okay?

- Um...

1661

01:15:33,083 → 01:15:35,625

Well, uh, I'm not doing the show,

1662

01:15:36,291 → 01:15:39,208

and I'm pretty sure Yale
is not gonna be callin'.

1663

01:15:39,291 → 01:15:43,250

Yeah, and Dad or Alive

is no longer living. So...

1664

01:15:43,333 → 01:15:44,541

If it makes you feel better,

1665

01:15:44,625 → 01:15:47,541

I think my dreams of playing
for the national soccer team

1666

01:15:48,041 → 01:15:49,375

are pretty much shot.

1667

01:15:49,458 → 01:15:52,416

Yeah, and I think I can say
I no longer work at Atlas.

1668

01:15:52,500 → 01:15:55,833

I haven't heard anything from Spock
about the lens.

1669

01:15:55,916 → 01:15:56,916

So...

1670

01:15:58,625 → 01:16:00,250

[mellow music playing]

1671

01:16:20,000 → 01:16:24,541

Wait, tell me that it's
for the family Christmas videos.

1672

01:16:24,625 → 01:16:26,125

What do you mean?

1673

01:16:26,208 → 01:16:29,125

When I'm with you guys, I'm not afraid.

1674
