

Dialogues from GTA San Andreas: The Introduction to improve the vocabulary in English

1

00:01:10,970 → 00:01:13,370

I knew that fat fuck
would see it our way.

2

00:01:13,440 → 00:01:16,671

Yeah, always do, once they understand
the choices we're offering.

3

00:01:16,743 → 00:01:18,711

Say, Frank,
what the hell are we gonna do

4

00:01:18,778 → 00:01:20,575

about this Hernandez
coming on board with us?

5

00:01:20,647 → 00:01:22,615

Exactly the same thing
as last time.

6

00:01:22,682 → 00:01:25,116

He's either gonna play our way,
or he's gonna have a problem

7

00:01:25,185 → 00:01:27,585

like that oversized asshole
back there.

8

00:01:27,654 → 00:01:29,645

Look, I ain't worried
about that, Pulaski,

9

00:01:29,722 → 00:01:32,748

Pendelbury is more of a concern.
If he does what he's threatening,

10

00:01:32,826 → 00:01:35,556

then shit's about to get
real interesting.

11

00:01:35,628 → 00:01:37,596

Yeah.

12

00:01:41,101 → 00:01:44,229

Hey Frank, how about
passing me a smoke?

13

00:01:45,839 → 00:01:47,807

Hey, lemme hit
some of that, homie.

14

00:01:49,976 → 00:01:51,944

For sure, homie.

15

00:01:57,383 → 00:01:59,817

Man, what's this cess bullshit?

16

00:01:59,886 → 00:02:01,683

Man, you ain't got
nothing real to smoke?

17

00:02:01,754 → 00:02:04,814

That ain't cess, homie.

That's that hydro.

18

00:02:04,891 → 00:02:07,826

- Man, whatever!

- Man, you sure about this thing?

19

00:02:07,894 → 00:02:11,091

Man, I'm telling you, dude,

Grove Street's gone to shit, man.

20

00:02:11,164 → 00:02:13,257

- They done.

- But we copping off

21

00:02:13,333 → 00:02:16,063

of one of they O.G.s, man.

You sure this is cool,

22

00:02:16,136 → 00:02:19,503

- or this some kinda trap?

- Be cool, man.

23

00:02:19,572 → 00:02:21,938

And if anyone tries shit...

24

00:02:23,309 → 00:02:27,040

- we blast 'em.

- For sure.

25

00:02:27,113 → 00:02:30,412

Man, Grove Street ain't even
no real gang no more, homie.

26

00:02:30,483 → 00:02:32,849

They perpetrators,
now they even know it.

27

00:02:32,919 → 00:02:37,652

Shit changes. And this shit
changes everybody, man.

28

00:02:37,724 → 00:02:39,715

Even O.G.s
want a slice of this...

29

00:02:39,792 → 00:02:42,158

and loyal customers.

30

00:02:43,663 → 00:02:45,631

Guess you're right.

31

00:02:45,698 → 00:02:47,222

That shit changes everything,
don't it?

32

00:02:47,300 → 00:02:49,894

For sure.

Let's bounce, homie.

33

00:02:57,277 → 00:02:58,904

The way I see it, man,

34

00:02:58,978 → 00:03:01,071

I need to be in charge
of my destiny, homie.

35

00:03:01,147 → 00:03:04,639

This way you will be, homie.
This is all about destiny.

36

00:03:04,717 → 00:03:06,947

You know I got your back,
right, homie?

37

00:03:07,020 → 00:03:09,045

Cool.

38

00:03:09,122 → 00:03:11,056

How my shit look, fool?

39

00:03:11,124 → 00:03:13,092

Yeah, yeah, it's cool.

40

00:03:13,159 → 00:03:16,458

Now, the way I see it
is that we don't have a choice.

41

00:03:16,529 → 00:03:19,020

Ain't nothing to feel bad about.

42

00:03:19,098 → 00:03:22,534

You put a gun to a brother's head,
brother's gonna do what he's told,

43

00:03:22,602 → 00:03:25,571

no matter if he's a fool
or a wise man.

44

00:03:25,638 → 00:03:29,631

You don't want a bullet in the brain,
but if you can make it work

45

00:03:29,709 → 00:03:32,075

and make some benjamins
while you at it,

46

00:03:32,145 → 00:03:34,113

then that's cool.

47

00:03:34,180 → 00:03:37,081

It's gonna take more
than a bullet in the head to stop me.

48

00:03:37,150 → 00:03:39,380

I don't doubt that, homie.

49

00:03:52,865 → 00:03:55,026

You gonna tell me
right now, homie.

50

00:03:55,101 → 00:03:59,162

Tell me! You better tell me
what I want to know.

51

00:03:59,239 → 00:04:01,799

Hey Mendez!
Come on, enough.

52

00:04:01,874 → 00:04:05,742

Punk ass. I think this vato's
a fucking rat, ese.

53

00:04:05,812 → 00:04:07,780

I can smell it on him.

54

00:04:07,847 → 00:04:09,815

I think that's something else
we can smell.

55

00:04:09,882 → 00:04:14,080

- He ain't going to talk now.

- So what do we do now, homes?

56

00:04:14,153 → 00:04:16,451

I think I got us a buyer

down in Los Santos.

57

00:04:16,522 → 00:04:18,752

Por cuanto, homes?

How much?

58

00:04:18,825 → 00:04:20,986

Not sure, yet.

But they're talking big.

59

00:04:21,060 → 00:04:23,358

Up to a hundred k's

a month, low risk.

60

00:04:24,964 → 00:04:28,263

Hello. Yeah. Yes.

61

00:04:29,836 → 00:04:32,396

Yes, you read it correctly.

62

00:04:32,472 → 00:04:36,306

Well, I'm sorry it seems
that way to you.

63

00:04:36,376 → 00:04:38,606

Yeah. No. Yes.

64

00:04:38,678 → 00:04:42,045

- It's unconventional, yes.

- Come on. Get off me, man.

65

00:04:42,115 → 00:04:45,175

Well, when did your methods
ever get results? When?

66

00:04:45,251 → 00:04:48,015

Hey, I know people
who are dead because of you,

67

00:04:48,087 → 00:04:50,112

so don't mess with me
on this one, okay?

68

00:04:50,189 → 00:04:53,750

It's vital that it goes ahead.
History will understand.

69

00:04:53,826 → 00:04:56,294

I've done a lot of work,
they trust me now.

70

00:04:56,362 → 00:04:58,523

Yeah. No, you can't play
with shit and not get dirty.

71

00:04:58,598 → 00:05:00,691

Everybody knows that.
Even you, okay?

72

00:05:00,767 → 00:05:03,065

Now look, I gotta go.
I gotta go.

73

00:05:03,136 → 00:05:04,603

Mendez!

74

00:05:05,838 → 00:05:09,604

Now listen. That was a buyer.

We gotta step up production.

75

00:05:09,676 → 00:05:11,871

We're not thinking

big enough here, okay?

76

00:05:11,944 → 00:05:15,971

My connections in Panama can get us
all the product we need, untouched!

77

00:05:16,049 → 00:05:18,517

But you've got to
arrange the market.

78

00:05:18,584 → 00:05:20,882

So why don't you stop dancing
with your boyfriend here

79

00:05:20,953 → 00:05:23,478

- and get on it, all right? Huh?

- Man, fuck it, man.

80

00:05:23,556 → 00:05:26,218

I'm gonna get

this piece of shit outta here.

81

00:05:27,293 → 00:05:30,854

You weigh a lot

for a fucking dead body, man.

82

00:05:30,930 → 00:05:33,899

- Baby needs diapers!

- Oh!

83

00:05:33,966 → 00:05:37,129

- Shit!

- Hey, fool, we losing the streets, man.

84

00:05:37,203 → 00:05:39,228

Nah. We just standing

by our principles, homie.

85

00:05:39,305 → 00:05:41,398

But our principles
are making us bitches, man.

86

00:05:41,474 → 00:05:44,807

Every day, ballers get stronger,
and you and I get weaker.

87

00:05:44,877 → 00:05:47,744

- You and I get poorer, man!
- Man, that shit'll blow over.

88

00:05:47,814 → 00:05:49,441

- Oh whatever, man!
- It always does.

89

00:05:49,515 → 00:05:52,040

Man, who ever heard of a gangster
rapper called Jeffrey, man?

90

00:05:52,118 → 00:05:54,678

Hey Jeffrey, man,

you're messing up the game, man!

91

00:05:54,754 → 00:05:57,348

O.G. Loc!

Now that's a gangster name, man.

92

00:05:57,423 → 00:06:00,824

- Like Sweet or Big Smoke.

- Jeffrey, you ain't no gangster.

93

00:06:00,893 → 00:06:03,157

Man, you ain't never put in
no work for the set.

94

00:06:03,229 → 00:06:05,527

You a friend,
but you ain't no gangster.

95

00:06:05,598 → 00:06:08,260

Man, I'm for real, homie.

For real!

96

00:06:08,334 → 00:06:11,326

Okay, cool! Now kick rocks,
you messin' up my game.

97

00:06:11,404 → 00:06:14,635

You know what? I'm gonna prove
to y'all how real I am.

98

00:06:14,707 → 00:06:16,971

- Watch me!

- Jeffrey, go to college, man!

99

00:06:17,043 → 00:06:19,102

Make something of yourself.

Me and the fat man,

100

00:06:19,178 → 00:06:21,942

we messed our lives up.

We fucked up in the game, man.

101

00:06:22,014 → 00:06:24,448

We products of the environment.

Don't be a idiot, man.

102

00:06:24,517 → 00:06:26,485

Make us proud.

Do shit different, baby.

103

00:06:26,552 → 00:06:29,453

But I'm a gangster rapper!

It's my calling, homie!

104

00:06:29,522 → 00:06:32,252

Look man, do whatever you want,

but get the fuck outta here.

105

00:06:32,325 → 00:06:34,350

No, man, go be a gangster

someplace else, baby.

106

00:06:34,427 → 00:06:37,294

- Forget y'all!

- This ain't a playground craze, man.

107

00:06:37,363 → 00:06:39,695

This is the biggest

moneymaking opportunity

108

00:06:39,766 → 00:06:42,860

- that guys like us will ever see.
- I got all the shit I need.

109

00:06:42,935 → 00:06:44,800

Man, I thought we was
in this for the hood,

110

00:06:44,871 → 00:06:47,635

not destroying the family, man.
This Grove Street, nigga.

111

00:06:47,707 → 00:06:50,175

- Roll the dice!
- Talking of holding families together,

112

00:06:50,243 → 00:06:52,939

- you heard from CJ lately?
- We ain't speaking.

113

00:06:53,012 → 00:06:55,378

He got his own life.
More than he deserves.

114

00:06:55,448 → 00:06:57,439

What— what— what,

Brian been dead, what,

115

00:06:57,517 → 00:06:59,678

- five years now?

- Yeah, CJ have five years

116

00:06:59,752 → 00:07:02,482

when he should have been dead.

Man, I lost two brothers, man.

117

00:07:02,555 → 00:07:04,546

One got killed

and one showed himself,

118

00:07:04,624 → 00:07:06,956

- old perpetratin' ass bitch.

- You real gangsta, man,

119

00:07:07,026 → 00:07:08,789

but you gotta lighten up.

See, C.J, he's—

120

00:07:08,861 → 00:07:11,227

CJ running 'round like a fool
on the East Coast.

121

00:07:11,297 → 00:07:13,197

He can rot in hell
for all I give a fuck.

122

00:07:29,449 → 00:07:32,111

Damn. Shit!

123

00:07:38,758 → 00:07:40,726

- Oh!

- Get out of the car!

124

00:07:40,793 → 00:07:41,851

- What the—

- Out! Now!

125

00:07:46,265 → 00:07:49,325

Joey. Hey, wassup, man?

It's CJ.

126

00:07:51,003 → 00:07:53,471

Yeah. I hear you.

I never knew my dad,

127

00:07:53,539 → 00:07:56,702

but my brother used

to make my life miserable.

128

00:07:56,776 → 00:08:00,212

Yeah well,

that's what family for.

129

00:08:00,279 → 00:08:02,679

Anyway, I got

that thing you wanted.

130

00:08:02,748 → 00:08:04,807

Want me to shoot it

by the garage?

131

00:08:04,884 → 00:08:07,682

No, no. I gotta get this thing
off the street, man.

132

00:08:07,753 → 00:08:09,983

It's way hot.

133

00:08:10,056 → 00:08:12,820

All right, cool. Later.

134

00:08:14,060 → 00:08:15,550

So, Johnny,

135

00:08:15,628 → 00:08:18,358

you want \$5 million
of my money?

136

00:08:18,431 → 00:08:20,399

I want to help you
make a fortune, Mr. Leone.

137

00:08:20,466 → 00:08:23,230

My father wants
to unite our organizations.

138

00:08:23,302 → 00:08:24,860

The Sindaccos and the Leones?

139

00:08:24,937 → 00:08:27,633

That's impossible.

That's been impossible

140

00:08:27,707 → 00:08:30,437

since your associates

whacked my cousin.

141

00:08:30,510 → 00:08:33,070

Hey, you know me.

Business is business.

142

00:08:33,145 → 00:08:35,340

The personal stuff is nonsense.

143

00:08:35,414 → 00:08:38,508

I'd like to see a way

past this bullshit.

144

00:08:38,584 → 00:08:41,553

- Now where were we?

- Uh, you was...

145

00:08:41,621 → 00:08:45,785

- seeing a way past this?

- No, I was saying I'd like to,

146

00:08:45,858 → 00:08:48,349

and you were asking me

for \$5 million.

147

00:08:48,427 → 00:08:52,158

So, let me understand it.

I go in on your casino,

148

00:08:52,231 → 00:08:55,826

take a third stake along with

your organization and the Forellis,

149

00:08:55,902 → 00:08:58,370

then I let you guys manage

my investment for me?

150

00:08:58,437 → 00:09:00,667

- Bingo!

- Yeah.

151

00:09:00,740 → 00:09:04,836

Yeah. You must really think
my mother, God rest her soul,

152

00:09:04,911 → 00:09:07,243

fucked an idiot
instead of my father.

153

00:09:07,313 → 00:09:11,113

Are you calling my mother
an idiot who goes with morons?

154

00:09:11,183 → 00:09:14,516

No, of course not, Mr. Leone.
I'm only making an offer.

155

00:09:14,587 → 00:09:16,885

Clearly, I misinterpreted

your intentions here.

156

00:09:16,956 → 00:09:19,322

Look, I humbly apologize.

Forgive me.

157

00:09:19,392 → 00:09:22,520

Sit down

or I'll slit your throat myself!

158

00:09:26,132 → 00:09:27,793

You little cocksucker.

159

00:09:27,867 → 00:09:31,200

Ever since Sonny Forelli
got himself pasted all over Florida,

160

00:09:31,270 → 00:09:33,135

you think you run things
in this town.

161

00:09:33,205 → 00:09:36,265

You show me no respect.

You insult my family.

162

00:09:36,342 → 00:09:39,175

Your father?

He ain't fit to wipe my ass.

163

00:09:39,245 → 00:09:41,805

I'd fuck an elephant

before I'd fuck your mother.

164

00:09:41,881 → 00:09:44,475

- How does that feel?

- Mr. Leone, I think you're

165

00:09:44,550 → 00:09:46,711

- just misunderstanding—

- Hey, you're a good kid.

166

00:09:46,786 → 00:09:49,277

Me? I'm just an old fool.

167

00:09:49,355 → 00:09:52,256

What do I know?

Nothing, really.

168

00:09:52,325 → 00:09:55,089

Actually, less than nothing.

169

00:09:55,161 → 00:09:56,992

You can have the money.

170

00:09:57,063 → 00:10:00,931

- We can?

- If you give me control of the books.

171

00:10:01,000 → 00:10:03,025

Yeah, you see,

we can't do that, Mr. Leone.

172

00:10:03,102 → 00:10:06,265

Then, I meant it.

Your mother's a fucking transvestite.

173

00:10:06,339 → 00:10:10,708

I got an idea. What about

a third party? An independent guy.

174

00:10:10,776 → 00:10:14,143

He runs the place,
and together we run him.

175

00:10:14,213 → 00:10:17,808

We can't do that, Mr. Leone.
We got our guy in there already.

176

00:10:17,883 → 00:10:21,148

Get rid of him.
Show me exactly how much

177

00:10:21,220 → 00:10:24,246

you want my organization's
involvement.

178

00:10:29,695 → 00:10:32,459

I don't need a bump.

179

00:10:32,531 → 00:10:34,829

I don't need a bump.

180

00:10:34,900 → 00:10:36,868

I don't need a bump.

181

00:10:36,936 → 00:10:39,837

Coke is for the weak.

Coke is for the weak.

182

00:10:39,905 → 00:10:43,341

I am strong.

I am strong!

183

00:10:43,409 → 00:10:46,435

Winners win

and losers hit the rails

184

00:10:46,512 → 00:10:48,503

and nail hookers.

185

00:10:48,581 → 00:10:52,176

I am in control

of my own destiny!

186

00:10:55,988 → 00:10:58,889

I need a job.

187

00:10:58,958 → 00:11:02,416

I've been disbarred
from the law.

188

00:11:05,164 → 00:11:07,257

But I'm in control.

189

00:11:07,333 → 00:11:11,099

I've done it.
I'm clean!

190

00:11:11,170 → 00:11:15,072

I'm cleaner
than a new toilet seat.

191

00:11:15,141 → 00:11:18,076

I don't need a bump!

192

00:11:18,144 → 00:11:21,409

Ha! Ha!

193

00:11:22,481 → 00:11:24,881

I could use a ride.

194

00:11:24,950 → 00:11:26,645

Ah, this sucks.

195

00:11:26,752 → 00:11:29,220

Listen to me, son,

I don't give a fuck about you,

196

00:11:29,288 → 00:11:32,189

about your principles,

I don't give a fuck about your friends.

197

00:11:32,258 → 00:11:35,159

People who step in my way
get fucked with.

198

00:11:35,227 → 00:11:37,525

Now, you got paid.

You took the money.

199

00:11:37,596 → 00:11:40,463

I'm trying to set you up for life here,
boy, and you're inadequate.

200

00:11:40,533 → 00:11:43,195

You're no use to me at all, boy.

201

00:11:43,269 → 00:11:45,635

Maybe I should kill you instead.

202

00:11:45,705 → 00:11:49,801

- Eddie, organize a hit squad.

- Not a problem.

203

00:11:49,875 → 00:11:52,708

You hear that?

You feelin' me here?

204

00:11:52,778 → 00:11:55,076

You about to wake up
with your head 50 feet away

205

00:11:55,147 → 00:11:57,911

from your body, son.

Do what we agreed.

206

00:11:57,983 → 00:12:00,076

Oh, you think you can

put one over on me?

207

00:12:00,152 → 00:12:02,484

Do you?

I don't think so.

208

00:12:02,555 → 00:12:05,786

So do it!

This week!

209

00:12:06,926 → 00:12:09,326

- All good, pal?

- Pal?

210

00:12:09,395 → 00:12:13,456

I'm your superior officer

and don't you forget that shit!

211

00:12:13,532 → 00:12:16,433

- But yeah, all good.

- So is he gonna do it?

212

00:12:16,502 → 00:12:18,527

Didn't I say it's all good?

213

00:12:18,604 → 00:12:21,471

- So we gonna go get the kid?

- Yeah.

214

00:12:21,540 → 00:12:24,998

Let's initiate the little bastard
into the force.

215

00:12:35,654 → 00:12:37,986

Tell him Ken Rosenberg called.

216

00:12:38,057 → 00:12:41,049

Ken Rosenberg. You haven't
heard of me? Who are you?

217

00:12:41,127 → 00:12:44,824

Ken Rosenberg. Rosenberg!

218

00:12:44,897 → 00:12:47,331

Oh! Oh really?

You told him I called?

219

00:12:47,399 → 00:12:50,493

Look, I made that ingrate,
and now he won't take my calls?

220

00:12:50,569 → 00:12:52,799

Just put him
on the phone right now!

221

00:12:52,872 → 00:12:56,308

Hello? Hello?

Damn it!

222

00:12:57,443 → 00:13:00,571

I got the signature!

I am now the proud

223

00:13:00,646 → 00:13:03,740

and legal manager
of The Gurning Chimps.

224

00:13:03,816 → 00:13:06,683

You're mine, Maccer, son.

You're mine.

225

00:13:06,752 → 00:13:09,414

50 grand it cost to me
to buy you out of your contract.

226

00:13:09,488 → 00:13:12,889

You're like a race horse
or a great little sloshpot.

227

00:13:12,958 → 00:13:16,985

Guaranteed banker.
This time, my son, this time!

228

00:13:17,062 → 00:13:20,395

Fucking great, kiddo. Bowing in!

229

00:13:20,466 → 00:13:22,832

- Give us an hug!

- Come here!

230

00:13:22,902 → 00:13:25,735

I love you, lad. I love you.

231

00:13:25,805 → 00:13:28,774

- I've never felt like this before.

- Fantastic, son.

232

00:13:28,841 → 00:13:33,175

A bit of emotion never hurt no one.

Er, great.

233

00:13:33,245 → 00:13:35,270

Yeah, let me go now.

You're sweating.

234

00:13:35,347 → 00:13:38,646

Wow!

These doves are blinding.

235

00:13:38,717 → 00:13:41,880

- I'm rushing me cock off!

- How many have you done, then?

236

00:13:41,954 → 00:13:45,856

19. Come on!

Give it some!

237

00:13:45,925 → 00:13:49,190

- You got any B, Pablo?

- No!

238

00:13:49,261 → 00:13:52,424

50 grand for this northern prick.

239

00:13:53,933 → 00:13:57,164

America! America!

240

00:13:57,236 → 00:14:00,069

I can't fucking wait!

241

00:14:10,182 → 00:14:12,844

- Give me your fucking money!

- All right, man. All right, man.

242

00:14:12,918 → 00:14:15,284

- Here, man. Here, man, take it.

- Yeah.

243

00:14:17,189 → 00:14:18,986

Come on, man,
just don't shoot me.

244

00:14:19,058 → 00:14:21,686

Punk ass motherfucker!

245

00:14:29,235 → 00:14:31,396

Hey, how's your woman?

246

00:14:31,470 → 00:14:35,270

She's a ballbuster.

Ever since we moved to Venturas,

247

00:14:35,341 → 00:14:37,775

all she wants to do—
spend, spend, spend.

248

00:14:37,843 → 00:14:39,868

For Chrissakes, I got
better luck on the tables.

249

00:14:39,945 → 00:14:42,004

Yeah, I hear you.
Hey, give me a hand

250

00:14:42,081 → 00:14:44,948

- with this guy, will you?
- Yeah.

251

00:14:46,986 → 00:14:48,977

I mean, why'd we whack
Mickey anyhow?

252

00:14:49,054 → 00:14:51,545

- He was a stand-up guy.
- I dunno, something about money.

253

00:14:51,624 → 00:14:53,956

Oh man.

What, he was on the take?

254

00:14:54,026 → 00:14:56,790

Nah, he was kosher.

A little too kosher.

255

00:14:56,862 → 00:14:59,729

- That's why he had to go.

- Oh, I get it.

256

00:14:59,798 → 00:15:02,995

Yeah, he was declaring

too much money,

257

00:15:03,068 → 00:15:06,060

so we gotta get

a new guy in. You know,

258

00:15:06,138 → 00:15:08,606

I hear the Leones are lending

the bosses some money.

259

00:15:08,674 → 00:15:10,369

- The Leones?

- Yeah.

260

00:15:10,442 → 00:15:12,603

Get the fuck outta here.

We hate the Leones.

261

00:15:12,678 → 00:15:14,669

I know.

That's what I said to Johnny,

262

00:15:14,747 → 00:15:16,772

but he said

they needed the money.

263

00:15:16,849 → 00:15:19,249

Buonanotte, dirtball.

264

00:15:19,318 → 00:15:22,549

So, Mickey gets capped,

so we get a new guy in,

265

00:15:22,621 → 00:15:25,522

who everybody bullies.

Then, when he misbehaves...

266

00:15:25,591 → 00:15:28,059

- We dig another hole.

- Exactly.

267

00:15:28,127 → 00:15:30,857

Hey, you hear

about Bobby back east?

268

00:15:30,930 → 00:15:32,955

- No, what?

- He's gone queer.

269

00:15:33,032 → 00:15:36,490

- Can you believe that shit?

- Oh Mother of Christ Almighty,

270

00:15:36,568 → 00:15:38,900

- I've seen everything!

- Minchia!

271

00:15:41,540 → 00:15:43,872

So, we got a vacancy.

We kept our end of the bargain.

272

00:15:43,943 → 00:15:46,707

Then I guess we're on.

You want something to drink?

273

00:15:46,779 → 00:15:51,045

No, no, I'm good, thank you.

So, who's gonna run this casino for us?

274

00:15:51,116 → 00:15:55,177

Hey, we're gonna need a real idiot.

A guy we can all push around.

275

00:15:55,254 → 00:15:59,884

There's this lawyer, used to work
for the Forellis down in Florida.

276

00:15:59,959 → 00:16:02,860

I heard he's sniffing around
for a job.

277

00:16:02,928 → 00:16:05,260

Just got out of rehab
or something.

278

00:16:05,331 → 00:16:08,528

- Yeah, that'll work.
- I'll make a call.

279

00:16:08,600 → 00:16:10,898

- Great.
- Hey...

280

00:16:10,970 → 00:16:13,734

don't fuck this up, kid.

281

00:16:27,853 → 00:16:29,343

So, you're the new kid, huh?

282

00:16:29,421 → 00:16:31,719

Yeah, been working
on the streets three years though,

283

00:16:31,790 → 00:16:34,691

and I realized there is only
one kind of crime in Los Santos—

284

00:16:34,760 → 00:16:37,251

gang crime.

That's why I joined CRASH.

285

00:16:37,329 → 00:16:39,194

Get in the car, kid.

286

00:16:41,834 → 00:16:44,962

I was called in
on this domestic dispute case once.

287

00:16:45,037 → 00:16:46,732

You got this young kid, okay?

288

00:16:46,805 → 00:16:49,000

Can't be more than 20 years old,

289

00:16:49,074 → 00:16:52,168

beating up his wife.

So I figure, easy, right?

290

00:16:52,244 → 00:16:55,975

No man hits a woman.

Well, it turns out this woman

291

00:16:56,048 → 00:16:59,711

spends all day freebasing and nearly

let their kid starve to death.

292

00:16:59,785 → 00:17:01,810

All right, so what do I do?

293

00:17:01,887 → 00:17:05,823

I could take this guy in, and leave

a little kid with a drug-addict mother,

294

00:17:05,891 → 00:17:09,452

or I let a guy off

with beating up his wife.

295

00:17:09,528 → 00:17:13,328

- I mean, it's difficult out there.

- Domestic violence?

296

00:17:13,399 → 00:17:15,390

Yeah, yeah.

Serious stuff, man.

297

00:17:15,467 → 00:17:18,402

Yeah, I'm sure.

Pulaski, pull over.

298

00:17:21,573 → 00:17:24,201

Well, I deal with drug dealers,
gangbangers and psychotics,

299

00:17:24,276 → 00:17:26,244

all of them chasing

after a lot of money,

300

00:17:26,311 → 00:17:28,905

none of them scared to kill me,
you, or all our families,

301

00:17:28,981 → 00:17:30,175

if they think it'll help them.

302

00:17:30,249 → 00:17:33,047

Now, this is a bit more serious
than a domestic dispute, pal.

303

00:17:33,118 → 00:17:35,018

I didn't mean anything by it.

I was just—

304

00:17:35,087 → 00:17:36,486

I'm not really interested
in what you meant to say.

305

00:17:36,555 → 00:17:39,854

See, what you said was you found
a woman on drugs a difficult situation.

306

00:17:39,925 → 00:17:41,859

Now how the hell
am I supposed to trust you

307

00:17:41,927 → 00:17:44,418

- if you're so easily confused?
- Look, I'm a good cop.

308

00:17:44,496 → 00:17:47,363

This ain't about being
a good cop, Pepe.

309

00:17:47,433 → 00:17:50,459

It's about taking control of the streets
from the fucking savages

310

00:17:50,536 → 00:17:52,766

- who've got it now!
- I know!

311

00:17:52,838 → 00:17:54,863

- Then you'll do what it takes?
- Yeah, whatever it takes!

312

00:17:54,940 → 00:17:59,502

'Cause this is a game of percentages,
24/7, 365. We're just trying

313

00:17:59,578 → 00:18:02,672

- to screw as many bad guys we can.

- Yeah, I know.

314

00:18:02,748 → 00:18:05,308

That means letting

some bad guys get away with things.

315

00:18:05,384 → 00:18:07,978

And sometimes it means

doing shit that you ain't proud of,

316

00:18:08,053 → 00:18:10,021

because you're strong enough

and smart enough

317

00:18:10,089 → 00:18:12,523

- to understand the bigger picture.

- Look, I know.

318

00:18:12,591 → 00:18:15,492

You don't know shit.

Get the fuck out the car, ese.

319

00:18:37,316 —> 00:18:39,409

Are you enjoying yourself, huh?

320

00:18:39,485 —> 00:18:41,953

N-no! I just— you know,
just getting a feel for the place.

321

00:18:42,020 —> 00:18:44,545

So this is the way it is.
You're sitting here already,

322

00:18:44,623 —> 00:18:47,649

having a good time. Me, 5 million
in the hole to the Sindaccos,

323

00:18:47,726 —> 00:18:49,853

and you not doing
a thing about it? Huh?

324

00:18:49,928 —> 00:18:51,919

No, not at all.
I spoke with Johnny.

325

00:18:51,997 → 00:18:54,329

- He explained everything.

- Oh, you spoke with Johnny?

326

00:18:54,399 → 00:18:56,264

- Yeah, he came by—

- You spoke with him, huh?

327

00:18:56,335 → 00:18:58,098

- Yeah!

- Did you suck him off as well,

328

00:18:58,170 → 00:19:01,765

you little fucking weasel?

You're my man, not his!

329

00:19:01,840 → 00:19:04,741

I've got a good mind to end this here

and now, you Judas, you rat!

330

00:19:04,810 → 00:19:06,801

Come on, sir!

I thought that was the job.

331

00:19:06,879 → 00:19:09,006

Oh, you thought that was the job?

Mike, get the door.

332

00:19:09,081 → 00:19:11,914

I'm the job!

Me and my money.

333

00:19:11,984 → 00:19:14,316

And I want it back,

and I want it back fast.

334

00:19:14,386 → 00:19:17,480

Johnny fucking Sindacco

even so much as blinks at you,

335

00:19:17,556 → 00:19:19,649

I want to hear about it.

You find a way

336

00:19:19,725 → 00:19:21,920

to get me my money and fast.

Understood?

337

00:19:21,994 → 00:19:24,758

Yes! Yes!

Understood! Understood.

338

00:19:24,830 → 00:19:26,991

And cheer up.

Have some fun around here.

339

00:19:27,065 → 00:19:29,727

This is supposed to be a casino,
not a monastery.

340

00:19:29,801 → 00:19:32,599

Christ, I've had more fun
taking a crap than I've had here.

341

00:19:32,671 → 00:19:34,662

Come on, go get me a drink.

342

00:19:34,740 → 00:19:36,469

Smile, schmuck!

343

00:19:37,709 → 00:19:40,803

- Who you gonna tell now?

- Eddie, chill out, man.

344

00:19:40,879 → 00:19:44,144

- The prick's still breathing.

- That's good.

345

00:19:44,216 → 00:19:46,377

Hernandez...

346

00:19:46,451 → 00:19:48,783

- finish him off.

- Come on. Please.

347

00:19:48,854 → 00:19:51,049

- Don't make me do this!

- Say what?

348

00:19:51,123 → 00:19:53,489

- I can't.

- Hey, I thought you understood.

349

00:19:53,559 → 00:19:57,120

- He's a fucking cop, you maniac.
- Not no more he ain't.

350

00:19:57,196 → 00:19:59,221

We went over this.

It's about percentages.

351

00:19:59,298 → 00:20:01,391

- I know!
- So who's side you on,

352

00:20:01,466 → 00:20:04,026

- his or mine?
- Yours, Frank! Yours!

353

00:20:04,102 → 00:20:08,562

Then be a fucking man.

You cap him, or I cap you.

354

00:20:16,215 → 00:20:19,343

Come on, do it!

Pull the trigger!

355

00:20:39,371 → 00:20:41,236

No!

Oh shit! Hell!

356

00:20:41,306 → 00:20:44,104

- Oh Mama! Mama!

- No! No! No!

357

00:20:44,176 → 00:20:45,268

Come on, girl!

358

00:20:45,344 → 00:20:47,039

- Mama!

- No!

359

00:20:47,112 → 00:20:48,409

- Damn! Damn.

- No!

360

00:20:48,480 → 00:20:50,573

CJ, it's your brother.

361

00:20:50,649 → 00:20:52,139

Okay. What you want?

362

00:20:52,217 → 00:20:54,082

I think you better come home.

363

00:20:54,152 → 00:20:57,315

It's about Mama.

She's dead, bro'.
