

Dialogues from Ginger & Rosa to improve the vocabulary in English

1

00:02:42,420 --> 00:02:45,218

The Defense Department of the
United States government...

2

00:02:45,323 --> 00:02:47,553

has arrived at estimates
of casualties...

3

00:02:47,658 --> 00:02:50,422

should they and the Soviet Union
adopt a counterforce strategy...

4

00:02:50,528 --> 00:02:52,155

in the event of nuclear war.

5

00:02:53,497 --> 00:02:55,328

The estimates are as follows.

6

00:02:55,433 --> 00:02:58,163

100,000,000 dead

in the United States...

7

00:02:58,269 --> 00:03:00,760

115,000,000

dead in Europe...

8

00:03:00,871 --> 00:03:04,398

including 23,000,000 dead

in Great Britain.

9

00:03:04,508 --> 00:03:07,409

Without any civil defense,
the counterforce strategy...

10

00:03:07,511 --> 00:03:10,912

has the capacity to destroy
all life in Western Europe...

11

00:03:11,015 --> 00:03:14,144

the United States and
the Soviet Union.

12

00:03:14,252 --> 00:03:15,718

With an effective...

13

00:03:15,820 --> 00:03:17,811

I want to talk to you
about the girls.

14

00:03:18,856 --> 00:03:21,552

All right.

What about them?

15

00:03:23,861 --> 00:03:26,421

I think Rosa's a bad influence.

16

00:03:29,467 --> 00:03:30,934

Meaning what, exactly?

17

00:03:31,035 --> 00:03:33,834

Anoushka worries about her.

18

00:03:33,939 --> 00:03:35,600

She says she's disturbed.

19

00:03:35,707 --> 00:03:39,107

So would you be if you'd been told you
were a failure when you were 11 years old.

20

00:03:39,210 --> 00:03:43,203

- Yeah. Bloody 11-plus exams.

- You did well though.

21

00:03:43,314 --> 00:03:45,373

Not that exams mean anything
of real significance.

22

00:03:45,483 --> 00:03:46,950

Can't measure intelligence.

23

00:03:47,051 --> 00:03:48,643

Anyway,
she's not disturbed.

24

00:03:48,753 --> 00:03:50,220

She's interesting.

25

00:03:50,321 --> 00:03:52,312

And she's my best friend.

26

00:04:09,840 --> 00:04:11,307

Close your eyes.

27

00:04:20,919 --> 00:04:22,579

Turn your head.

Opposite way.

28

00:05:06,130 --> 00:05:07,757

You're not doing it right.

29

00:05:08,899 --> 00:05:10,366

Try again.

30

00:06:10,095 --> 00:06:11,959

Where the hell

have you been?

31

00:06:13,030 --> 00:06:16,261

We were just, you know,

roving about.

32

00:06:19,004 --> 00:06:21,438

- Being free.

- It's 2:00 in the morning.

33

00:06:24,176 --> 00:06:26,303

Roland, please.

Say something.

34

00:06:27,813 --> 00:06:30,782

Well, yes, it is late.

35

00:06:30,882 --> 00:06:32,873

You always stay up late.

36

00:06:34,151 --> 00:06:35,118

True.

37

00:06:39,057 --> 00:06:41,525

Anoushka must be

crazed with worry.

38

00:06:42,961 --> 00:06:44,428

Doubtful.

39

00:06:45,030 --> 00:06:46,156

Rosa.

40

00:06:51,169 --> 00:06:54,605

Okay, come on. I suppose I'd
better drive you home, Rosa.

41

00:06:54,706 --> 00:06:57,573

Jesus.

I should be working.

42

00:07:56,601 --> 00:07:57,795

Tomorrow?

43

00:07:57,903 --> 00:08:00,304

- Today, actually.

- Good point.

44

00:08:01,073 --> 00:08:02,539

Bye, Ginger's dad.

45

00:08:03,141 --> 00:08:04,802

It's Roland...

46

00:08:04,910 --> 00:08:06,377

actually.

47

00:08:13,618 --> 00:08:18,180

It says here that a girl's most important
possession is a bubbly personality.

48

00:08:19,025 --> 00:08:20,492

Interesting.

49

00:08:21,560 --> 00:08:25,051

Do you think Simone de Beauvoir
has a bubbly personality?

50

00:08:25,163 --> 00:08:27,529

- Who?

- That French writer.

51

00:08:28,166 --> 00:08:29,758

She's an existentialist.

52

00:08:30,702 --> 00:08:32,897

Maybe she hasn't read Girl.

53

00:08:33,004 --> 00:08:35,666

It says here that boys don't like girls
who are too serious.

54

00:08:40,680 --> 00:08:42,648

Well, even so...

55

00:08:42,748 --> 00:08:45,046

did I tell you I've
decided to be a poet?

56

00:08:45,952 --> 00:08:47,543

Thought you were already.

57

00:08:47,652 --> 00:08:49,517

Do you think they've

shrunk enough yet?

58

00:09:01,067 --> 00:09:02,364

Sorry.

59

00:09:58,056 --> 00:10:00,855

- I've been thinking.

- Unusual.

60

00:10:00,960 --> 00:10:02,723

Very funny.

Listen.

61

00:10:02,828 --> 00:10:04,693

I'm listening.

62

00:10:04,797 --> 00:10:07,630

I'd prefer the world not to end.

Wouldn't you?

63

00:10:08,401 --> 00:10:09,868

Probably...

64

00:10:11,137 --> 00:10:12,764

if I find true love.

65

00:10:16,307 --> 00:10:17,774

You know?

66

00:10:19,611 --> 00:10:21,307

The kind that lasts forever.

67

00:10:23,616 --> 00:10:26,016

If there is a forever.

68

00:10:26,118 --> 00:10:27,585

Good point.

69

00:10:31,690 --> 00:10:33,487

But really, Rosa...

70

00:10:33,592 --> 00:10:35,389

I think we should

do something...

71

00:10:35,494 --> 00:10:37,120

about the bomb.

72

00:10:38,029 --> 00:10:39,690

You know, protest.

73

00:10:41,332 --> 00:10:42,960

I think we should pray.

74

00:10:51,410 --> 00:10:52,377

Gosh.

75

00:10:54,146 --> 00:10:55,613

Thank you.

76

00:13:44,083 --> 00:13:45,050

Rosa?

77

00:13:51,191 --> 00:13:52,658

Isn't that Mum's?

78

00:13:53,827 --> 00:13:55,123

So?

79

00:14:57,691 --> 00:15:00,626

- Where are you two going?

- To a meeting.

80

00:15:00,727 --> 00:15:02,250

What kind of meeting?

81

00:15:02,361 --> 00:15:04,454

A meeting to ban the bomb.

82

00:15:04,563 --> 00:15:06,794

It's called the Campaign
for Nuclear Disarmament.

83

00:15:06,900 --> 00:15:09,198

YCND.

84

00:15:09,302 --> 00:15:10,769

What's the "Y" for?

85

00:15:10,870 --> 00:15:12,269

Young.

86

00:15:12,372 --> 00:15:15,034

Well, good for you two girls.

87

00:15:15,141 --> 00:15:17,302

That's marvelous.

Don't you think so, Nat?

88

00:15:17,410 --> 00:15:18,877

Roland would be pleased.

89

00:15:18,978 --> 00:15:20,809

Just don't get back

too late, Rosa.

90

00:15:20,914 --> 00:15:23,814

- You've got to help me with the little
ones. - I haven't got to do anything.

91

00:15:23,916 --> 00:15:25,850

God, if there was
a man around...

92

00:15:25,951 --> 00:15:27,783

- You'd be lucky.

- Rosa!

93

00:15:28,888 --> 00:15:30,355

Speaking of which...

94

00:15:30,457 --> 00:15:32,857

when was the last time
you did any washing up, Ginger?

95

00:15:32,959 --> 00:15:35,257

But I've hardly been
here for any meals.

96

00:15:35,362 --> 00:15:38,661

Well, exactly.

Where have you been?

97

00:15:38,765 --> 00:15:41,427

I had a letter from your school.

It was embarrassing.

98

00:15:41,534 --> 00:15:43,161

Embarrassing.

99

00:15:43,269 --> 00:15:45,293

How terrible.

100

00:15:45,404 --> 00:15:47,600

Especially given that the
world might blow up...

101

00:15:47,707 --> 00:15:50,232

which none of you
seem to understand.

102

00:15:50,343 --> 00:15:53,039

Are you quite sure
about that, darling?

103

00:15:53,146 --> 00:15:56,547

Oh, Mark, I didn't mean you.

104

00:15:59,119 --> 00:16:01,849

The question is what to do.

105

00:16:01,955 --> 00:16:03,946

Or, as Engels puts it,

"What is to be done?"

106

00:16:04,057 --> 00:16:08,460

Nuclear weapons

do not protect us.

107

00:16:08,561 --> 00:16:10,620

They threaten our

very existence.

108

00:16:11,765 --> 00:16:14,199

The missiles on bases

here in Britain...

109

00:16:14,300 --> 00:16:16,996

are hundreds of times

more powerful...

110

00:16:17,103 --> 00:16:19,298

than those used in Hiroshima.

111

00:16:19,406 --> 00:16:21,499

We have to take direct action.

112

00:16:22,275 --> 00:16:26,974

We must do everything we can
to stop this madness.

113

00:16:27,080 --> 00:16:29,674

The government can't ignore it if there
are enough people on the streets.

114

00:16:29,783 --> 00:16:31,250

So how do we get people out?

115

00:16:31,351 --> 00:16:35,014

How do we get people out of their
homes and marching with us?

116

00:16:35,121 --> 00:16:38,215

You back there.

Well, girls?

117

00:16:38,324 --> 00:16:40,121

Haven't seen you here before.

118

00:16:40,226 --> 00:16:41,693

What do you say?

119

00:16:42,395 --> 00:16:44,920

Do you think the politicians
will listen to us?

120

00:16:51,905 --> 00:16:53,031

In my...

121

00:16:53,139 --> 00:16:55,300

In my dream I heard
the warning.

122

00:16:56,876 --> 00:16:58,741

"You have three

minutes left," it said.

123

00:17:00,013 --> 00:17:01,878

"Go and tell the others.

124

00:17:04,317 --> 00:17:07,081

Tell the others now. "

125

00:17:07,187 --> 00:17:09,656

How could I not

suspect something?

126

00:17:09,757 --> 00:17:11,224

You're never here.

127

00:17:11,325 --> 00:17:12,883

I'm here now.

128

00:17:12,993 --> 00:17:16,018

- Tell me.

- For God's sake.

129

00:17:16,129 --> 00:17:18,495

"Tell the others now,
this morning. "

130

00:17:18,598 --> 00:17:20,589

Don't tell me what's enough.

131

00:17:20,700 --> 00:17:22,861

Oh, God, Natalie!

132

00:17:27,507 --> 00:17:30,306

Or... Or you...

133

00:17:30,411 --> 00:17:31,878

"Or you soon...

134

00:17:33,481 --> 00:17:36,677

will all be dead. "

135

00:17:38,384 --> 00:17:40,784

"Or you soon will all be dead. "

136

00:17:52,366 --> 00:17:53,594

Ta.

137

00:18:05,578 --> 00:18:07,910

What on earth is that crucifix
doing round your neck?

138

00:18:08,014 --> 00:18:10,245

Rosa and I went to church.

139

00:18:10,851 --> 00:18:13,251

- Church?

- Once.

140

00:18:13,354 --> 00:18:15,083

She wanted me to.

141

00:18:16,123 --> 00:18:18,421

You do realize that
God is an invention.

142

00:18:20,126 --> 00:18:21,593

Sort of.

143

00:18:21,694 --> 00:18:25,425

Every man needs to struggle
for his own authority, Ginger.

144

00:18:25,532 --> 00:18:27,329

For autonomous thought.

145

00:18:29,102 --> 00:18:31,333

Which is why you mustn't
listen to a word I say.

146

00:18:31,438 --> 00:18:33,133

Well, exactly.

147

00:18:33,240 --> 00:18:35,435

I autonomously decided
to go to church with Rosa...

148

00:18:35,543 --> 00:18:37,010

to see what it's like.

149

00:18:40,814 --> 00:18:43,976

- It's a bit kitsch.

- Rosa gave it to me.

150

00:18:44,083 --> 00:18:45,550

Did she now?

151

00:18:50,723 --> 00:18:52,191

What was it like?

152

00:18:53,827 --> 00:18:56,887

It was sort of exciting,
like going to the theater.

153

00:18:56,997 --> 00:18:58,487

Then we went to a meeting.

154

00:18:59,400 --> 00:19:01,868

- What kind of meeting?

- Ban the bomb.

155

00:19:03,803 --> 00:19:05,270

That's my girl.

156

00:19:06,005 --> 00:19:09,133

See, you're an activist,
not a supplicant.

157

00:19:09,809 --> 00:19:11,869

But don't you think...

158

00:19:11,979 --> 00:19:15,005

you know, people need
something to believe about...

159

00:19:15,115 --> 00:19:16,980

what happens when you die?

160

00:19:19,219 --> 00:19:23,713

The concept of life after
death is a superstition...

161

00:19:24,391 --> 00:19:28,349

designed to keep people happy with
their limited existence in the present.

162

00:19:28,461 --> 00:19:31,658

The only life is the
one we have now...

163

00:19:31,765 --> 00:19:34,563

which is why we must seize it...

164

00:19:34,668 --> 00:19:37,694

and live while we
have the chance.

165

00:19:39,840 --> 00:19:41,501

Good point.

166

00:20:11,037 --> 00:20:13,165

Maybe

167

00:20:13,273 --> 00:20:18,575

Tuesday will be

168

00:20:18,679 --> 00:20:24,413

My good news day

169

00:20:28,822 --> 00:20:32,587

We'll build a little home

170

00:20:34,395 --> 00:20:37,421

Just meant for two

171

00:20:39,800 --> 00:20:43,236

From which I'll never roam

172

00:20:44,705 --> 00:20:48,869

Who would?

Would you? #

173

00:20:48,976 --> 00:20:50,443

Where's Roland?

174

00:20:51,245 --> 00:20:52,712

I don't know.

175

00:20:54,248 --> 00:20:56,580

I never seem to know

where he is anymore.

176

00:20:59,319 --> 00:21:01,344

Want a cup of tea, Mum?

177

00:21:02,856 --> 00:21:04,323

Thank you, darling.

178

00:22:20,168 --> 00:22:23,330

- Who's that with Roland?

- The jazz band?

179

00:22:23,437 --> 00:22:26,429

No, the girl.

Blonde one sitting next to him.

180

00:22:28,242 --> 00:22:30,005

A student or something.

181

00:22:43,591 --> 00:22:47,048

Mum's not too happy

about it at the moment.

182

00:23:13,821 --> 00:23:16,723

You could consider
eating it, Ginger.

183

00:23:22,730 --> 00:23:24,493

How's school, by the way?

184

00:23:25,733 --> 00:23:27,996

Or are you still not really bothering
with that at the moment?

185

00:23:29,236 --> 00:23:31,295

Is that why you
asked me round?

186

00:23:32,239 --> 00:23:34,036

Did Mum ask you to talk to me?

187

00:23:34,141 --> 00:23:36,132

Don't be silly.

188

00:23:36,243 --> 00:23:38,303

We always love seeing you.

189

00:23:38,413 --> 00:23:41,041

Anyway, I thought
you might like to meet Bella.

190

00:23:41,149 --> 00:23:43,117

- She's asked for dish soap.
- What?

191

00:23:43,718 --> 00:23:45,185

What's dish soap?

192

00:23:45,286 --> 00:23:48,949

It's American.
Washing-up liquid, Ginger.

193

00:23:49,057 --> 00:23:52,890

Bella washes her
hair with dish soap.

194

00:23:53,927 --> 00:23:56,157

It's because she's from

New York, you see.

195

00:23:56,263 --> 00:23:58,323

Don't listen to him.

That's got nothing to do with it?

196

00:23:58,433 --> 00:24:01,061

- I'm teasing. I'm teasing.

- Coming!

197

00:24:08,309 --> 00:24:12,039

There you are.

Good girl.

198

00:24:12,145 --> 00:24:14,841

So much nature,

right in the city.

199

00:24:14,948 --> 00:24:16,415

It's civilized.

200

00:24:17,585 --> 00:24:20,816

The English need their parks so that

they can get away from each other.

201

00:24:20,922 --> 00:24:24,517

It must be the strain
of being so nice.

202

00:24:24,626 --> 00:24:26,617

Even the ban-the-bomb
march was polite.

203

00:24:26,728 --> 00:24:29,526

- Were you there too?
- Of course we were.

204

00:24:29,631 --> 00:24:32,623

- I didn't see you.
- Well, so many people, darling.

205

00:24:33,902 --> 00:24:35,698

We were right up at the front.

206

00:24:35,802 --> 00:24:37,565

It was led by a vicar, Ginger.

207

00:24:37,672 --> 00:24:39,640

- A vicar!

- A canon, actually.

208

00:24:39,741 --> 00:24:41,402

No, a vicar with a cannon.

209

00:24:43,211 --> 00:24:44,940

Yes, Canon Collins.

210

00:24:45,046 --> 00:24:46,707

A worthy Christian.

211

00:24:46,814 --> 00:24:49,408

A good man, actually,

despite his beliefs.

212

00:24:53,755 --> 00:24:55,222

Oh, bravo!

213

00:24:56,456 --> 00:25:00,086

So I gather from
your two godfathers here...

214

00:25:00,194 --> 00:25:02,958

that you might be
a militant, like me.

215

00:25:04,065 --> 00:25:05,692

Good for you, Ginger.

216

00:25:41,102 --> 00:25:43,161

Can't you thank me?

217

00:25:43,271 --> 00:25:44,738

Even one word?

218

00:25:47,075 --> 00:25:49,168

I made you a pie.

219

00:25:50,745 --> 00:25:52,474

Your favorite.

220

00:25:53,614 --> 00:25:55,081

Yeah, I noticed.

221

00:25:56,117 --> 00:25:57,778

And?

222

00:25:58,519 --> 00:25:59,817

Thanks.

223

00:26:01,123 --> 00:26:02,589

Is that it?

224

00:26:02,690 --> 00:26:04,954

Is that all you
can say to me?

225

00:26:06,728 --> 00:26:10,596

Thank you very much indeed.
Is that what you want?

226

00:26:10,698 --> 00:26:13,633

What's wrong with
wanting my cooking to be noticed?

227

00:26:13,735 --> 00:26:15,202

Nothing.

228

00:26:15,303 --> 00:26:19,638

I don't believe...

this performance.

229

00:26:19,742 --> 00:26:22,575

It's just not you, Nat.

So why don't you come out with it?

230

00:26:22,678 --> 00:26:24,304

Come out with what?

231

00:26:24,412 --> 00:26:27,506

If you want to shame me

again with this display...

232

00:26:27,615 --> 00:26:29,412

- But I didn't say anything.

- But you meant it.

233

00:26:29,517 --> 00:26:32,748

And as I tell my students,
say what you mean.

234

00:26:33,588 --> 00:26:35,783

I'm not your student.

235

00:26:35,890 --> 00:26:38,290

I'm your wife.

Have you forgotten?

236

00:26:38,393 --> 00:26:40,828

The martyred wife
finally comes out with it.

237

00:26:40,929 --> 00:26:42,920

- With what?

- The accusation.

238

00:26:43,032 --> 00:26:44,556

Roland, I...

239

00:26:47,101 --> 00:26:49,797

- Why do you...

- Why do I what?

240

00:27:03,652 --> 00:27:06,780

Nat.

Nat.

241

00:27:08,456 --> 00:27:10,651

Why do you twist my words?

242

00:27:13,428 --> 00:27:16,625

You make everything seem
as if it's my fault.

243

00:27:17,832 --> 00:27:20,062

Why can't you just be normal?

244

00:27:20,168 --> 00:27:21,636

Normal?

245

00:27:23,872 --> 00:27:25,339

What the hell is normal?

246

00:27:26,875 --> 00:27:28,809

You know bloody
well what I mean.

247

00:27:28,911 --> 00:27:30,901

Natalie, please.

248

00:27:31,012 --> 00:27:32,377

Please.

249

00:27:35,516 --> 00:27:40,351

How can I enjoy eating in this
atmosphere of resentment?

250

00:27:40,455 --> 00:27:43,391

And how can I enjoy cooking
when you just gobble it up?

251

00:27:43,492 --> 00:27:46,893

Oh, for God's sake.

I've been working all day.

252

00:27:48,397 --> 00:27:50,092

But I made it for you.

253

00:27:50,199 --> 00:27:51,564

There's emotional
blackmail again.

254

00:27:53,134 --> 00:27:55,659

If the transitory nature of cooking
and eating offends you so much...

255

00:27:55,770 --> 00:27:58,898

then why don't you take up
your painting again...

256

00:27:59,006 --> 00:28:01,874

and make something
for posterity?

257

00:28:01,977 --> 00:28:03,444

And with what?

258

00:28:04,913 --> 00:28:08,371

I'm scraping to pay the bills,
with the money...

259

00:28:08,484 --> 00:28:10,850

Yes, with the money I earn.

260

00:28:10,953 --> 00:28:14,081

- But it's not enough for paint.
- Get a job!

261

00:28:14,189 --> 00:28:16,452

Why don't you sod off
to your bloody yacht?

262

00:28:16,557 --> 00:28:19,117

It's a boat.

It's a small boat.

263

00:28:19,227 --> 00:28:22,356

Your bloody boat with some
blonde student again...

264

00:28:22,464 --> 00:28:23,931

for all I know.

265

00:28:25,467 --> 00:28:27,799

Anyway, what kind
of job could I get?

266

00:28:44,386 --> 00:28:47,048

Roland's moving out.
They're separating.

267

00:28:47,156 --> 00:28:48,589

Again.

268

00:28:49,191 --> 00:28:51,022

Not that it'll make
any difference.

269

00:28:51,126 --> 00:28:53,026

He's hardly ever
at home anyway.

270

00:28:54,296 --> 00:28:56,025

At least you have a dad...

271

00:28:56,131 --> 00:28:57,962

who takes you out and stuff.

272

00:28:59,800 --> 00:29:02,496

I'm sure he wouldn't mind if
you came with me this weekend.

273

00:29:03,839 --> 00:29:06,637

You don't want me tagging along
with your beloved Dad.

274

00:29:07,376 --> 00:29:08,968

Don't be silly.

275

00:29:09,077 --> 00:29:12,274

But anyway,
I have a Roland, actually.

276

00:29:12,381 --> 00:29:14,542

- He won't let me call him Dad.

- I know.

277

00:29:14,650 --> 00:29:16,515

You told me.

Lots of times.

278

00:29:16,618 --> 00:29:18,085

Did I?

279

00:29:20,489 --> 00:29:22,422

Did I also tell you

he says the word "dad"...

280

00:29:22,523 --> 00:29:24,458

makes him think of

slippers by the fire...

281

00:29:24,560 --> 00:29:26,858

and other bourgeois

death traps?

282

00:29:26,962 --> 00:29:28,589

He has a point, of course.

283

00:29:30,599 --> 00:29:32,794

What's Natalie's view
on death traps?

284

00:29:32,901 --> 00:29:34,801

She just bursts into tears...

285

00:29:34,903 --> 00:29:37,463

as usual, when he
says stuff like that.

286

00:29:37,573 --> 00:29:39,040

Which he then says is...

287

00:29:39,141 --> 00:29:41,109

Emotional blackmail.

288

00:29:42,244 --> 00:29:43,541

Rosa!

289

00:29:43,645 --> 00:29:46,409

Rosa, can you bring

the girls up now?

290

00:29:47,749 --> 00:29:49,216

Hello.

291

00:29:50,352 --> 00:29:52,616

Our mothers are pathetic.

292

00:29:52,721 --> 00:29:54,382

They don't believe
in anything.

293

00:29:56,792 --> 00:29:58,487

Or do anything,
more to the point.

294

00:29:59,094 --> 00:30:00,652

Except moan about stuff.

295

00:30:00,762 --> 00:30:02,457

At least your mum has a job.

296

00:30:02,564 --> 00:30:04,556

Cleaning?

You call that a job?

297

00:30:04,667 --> 00:30:06,395

She hates it.

She moans on and on.

298

00:30:07,069 --> 00:30:08,832

Roland really hates

the moaning thing.

299

00:30:09,438 --> 00:30:11,235

It's no wonder.

300

00:30:12,774 --> 00:30:15,470

- No wonder what?

- It's no wonder they can't keep their men.

301

00:31:24,546 --> 00:31:26,606

What could be

better than this?

302

00:31:28,618 --> 00:31:30,483

Isn't she marvelous?

303

00:31:33,221 --> 00:31:34,916

Am I right, girls?

304

00:31:35,023 --> 00:31:36,217

It's lovely.

305

00:31:36,325 --> 00:31:37,952

It's so romantic.

306

00:31:38,060 --> 00:31:39,527

Indeed.

307

00:31:41,530 --> 00:31:44,829

There is a poetry in small spaces,
isn't there?

308

00:31:46,602 --> 00:31:49,002

Confinement can be
utterly beautiful...

309

00:31:49,972 --> 00:31:52,532

but only if it's a
matter of choice.

310

00:31:53,509 --> 00:31:54,975

What do you mean?

311

00:31:56,111 --> 00:31:58,045

Well, what I mean is...

312

00:31:58,980 --> 00:32:00,641

a prison cell,
on the contrary...

313

00:32:00,749 --> 00:32:03,149

is the ugliest expression
of minimalism.

314

00:32:05,020 --> 00:32:07,285

It must have been
really terrible.

315

00:32:08,991 --> 00:32:11,789

Ginger told me about it.

316

00:32:11,894 --> 00:32:13,384

Did she?

317

00:32:17,566 --> 00:32:19,534

We tell each other everything.

318

00:32:26,541 --> 00:32:28,339

I have nothing to hide.

319

00:32:30,780 --> 00:32:33,112

Prison was pretty brutal.

320

00:32:33,216 --> 00:32:35,116

First they strip you
of your clothes.

321

00:32:35,218 --> 00:32:37,846

And then,
if you dare to protest...

322

00:32:37,954 --> 00:32:40,353

they strip you of
all human contact.

323

00:32:40,455 --> 00:32:43,288

But the worst thing
about solitary confinement...

324

00:32:43,392 --> 00:32:47,557

is not that they make you feel
like an abandoned child...

325

00:32:47,663 --> 00:32:50,928

but that you start to
doubt your beliefs.

326

00:33:01,943 --> 00:33:03,240

I understand.

327

00:33:13,456 --> 00:33:15,515

The Soviet defense
minister said today...

328

00:33:15,625 --> 00:33:17,752

that their missiles could,
with one blow...

329

00:33:17,860 --> 00:33:19,327

wipe off the face of the earth...

330

00:33:19,429 --> 00:33:21,897

the industrial centers
of the United States.

331

00:33:21,998 --> 00:33:23,624

The British government
has announced...

332

00:33:23,732 --> 00:33:28,261

that nuclear missiles located on Royal
Air Force bases in the United Kingdom...

333

00:33:28,371 --> 00:33:32,831

are capable of the ultimate
retaliation against any Soviet attack..

334

00:33:32,942 --> 00:33:34,409

Did you hear that?

335

00:33:36,145 --> 00:33:38,909

- What?

- About the missiles.

336

00:33:52,462 --> 00:33:54,293

He always does that.

337

00:33:54,397 --> 00:33:56,262

Especially with Schubert.

338

00:34:58,094 --> 00:35:00,028

What do you think

I should say?

339

00:35:01,564 --> 00:35:03,031

Who to?

340

00:35:04,700 --> 00:35:06,292

Roland.

341

00:35:08,538 --> 00:35:10,166

Why are you writing to Roland?

342

00:35:11,375 --> 00:35:14,104

Well, I want to tell him
that I understand him.

343

00:35:15,578 --> 00:35:19,378

You know, like sometimes
in your soul...

344

00:35:21,117 --> 00:35:24,678

it's like you... you feel
someone else's pain.

345

00:35:26,889 --> 00:35:28,982

I can't decide whether
to start...

346

00:35:29,091 --> 00:35:31,458

with "Dear Roland"
or "Dearest Roland. "

347

00:35:33,597 --> 00:35:35,064

What do you think?

348

00:35:54,117 --> 00:35:56,517

Tutti frutti, oh, Rudy

349

00:35:56,620 --> 00:35:58,086

Tutti frutti

350

00:35:59,188 --> 00:36:03,784

Tutti frutti, oh, Rudy

Tutti frutti, oh, Rudy

351

00:36:03,893 --> 00:36:06,446

Tutti frutti, oh, Rudy

352

00:36:09,298 --> 00:36:11,995

Got a gal named Sue

353

00:36:12,102 --> 00:36:14,263

She knows just what to do

- Fancy a drink?

354

00:36:14,371 --> 00:36:17,067

I got a gal named Sue

355

00:36:17,174 --> 00:36:19,641

She knows just what to do

356

00:36:19,742 --> 00:36:21,573

She rock to the east

She rock to... #

357

00:36:25,548 --> 00:36:27,277

Oh, Ginger.

358

00:36:28,317 --> 00:36:29,614

You and Rosa.

359

00:36:29,719 --> 00:36:33,053

Oh, go away!

You don't understand.

360

00:36:36,226 --> 00:36:37,193

Ginger!

361

00:36:40,931 --> 00:36:42,898

You came to my school.

362

00:36:42,999 --> 00:36:44,466

I saw you.

363

00:36:46,969 --> 00:36:48,630

My teacher told

me you said...

364

00:36:48,738 --> 00:36:51,605

there should be more so-called
domestic science lessons.

365

00:36:51,708 --> 00:36:54,006

Is that what this is all about?

366

00:36:54,111 --> 00:36:56,306

How could you?

367

00:36:56,413 --> 00:36:59,143

You wanted me to learn
housework... at school.

368

00:36:59,249 --> 00:37:00,910

Listen, Ginger.

369

00:37:01,018 --> 00:37:03,316

When I had you,
I was a teenager.

370

00:37:04,620 --> 00:37:06,611

A teenager.

371

00:37:06,722 --> 00:37:09,953

I didn't know how to
boil a bloody egg.

372

00:37:10,059 --> 00:37:12,255

Roland never lifted a finger
to help with anything.

373

00:37:12,362 --> 00:37:14,830

- That's not my fault!

- Listen to me.

374

00:37:16,099 --> 00:37:19,796

I just don't want you

to struggle like I did.

375

00:37:19,903 --> 00:37:22,599

But I'm never going

to have any babies.

376

00:37:22,706 --> 00:37:24,435

Never.

377

00:37:24,541 --> 00:37:27,338

I don't want to be like you!

So bugger off!

378

00:37:29,178 --> 00:37:31,942

You and Rosa are

turning into little sluts.

379

00:37:33,383 --> 00:37:35,908

Anyway, I'm going to
go live with Roland.

380

00:37:39,423 --> 00:37:41,357

What are you
talking about?

381

00:38:29,206 --> 00:38:30,605

Hello.

382

00:38:30,707 --> 00:38:32,401

Is Roland in at all?

383

00:38:34,010 --> 00:38:35,477

Follow me.

384

00:38:47,624 --> 00:38:49,251

- Visitor, Roland.
- Thanks.

385

00:38:53,463 --> 00:38:54,930

What a surprise.

386

00:39:01,238 --> 00:39:02,705

Is everything all right?

387

00:39:04,141 --> 00:39:06,541

Yes.

Absolutely.

388

00:39:06,643 --> 00:39:09,942

Is Nat doing all right?

Not too many scenes or anything?

389

00:39:10,046 --> 00:39:11,513

Not too many.

390

00:39:12,115 --> 00:39:13,582

Good.

391

00:39:15,319 --> 00:39:16,945

I'll put the kettle on.

392

00:39:37,841 --> 00:39:39,536

Here, have a seat.

393

00:39:52,255 --> 00:39:53,745

The thing is...

394

00:39:56,861 --> 00:39:58,351

I was wondering...

395

00:40:00,997 --> 00:40:02,464

Yes?

396

00:40:06,102 --> 00:40:09,697

If, for example,

there was any room...

397

00:40:12,943 --> 00:40:16,607

I mean, I don't know.

It may not be feasible at all.

398

00:40:16,714 --> 00:40:19,342

- Room?

- Here.

399

00:40:24,955 --> 00:40:26,081

Well.

400

00:40:28,825 --> 00:40:30,292

Jesus, Ginger.

401

00:40:32,929 --> 00:40:34,419

It's a bit of...

402

00:40:36,100 --> 00:40:37,795

You, here?

403

00:40:42,440 --> 00:40:44,566

I suppose I could ask Roger.

404

00:40:49,679 --> 00:40:51,442

But look, you do realize,
of course...

405

00:40:51,548 --> 00:40:53,175

I'm working more
or less nonstop...

406

00:40:54,251 --> 00:40:56,743

and that this is a completely
unsuitable environment for you...

407

00:40:56,854 --> 00:40:58,515

in every possible respect?

408

00:41:00,391 --> 00:41:01,858

Absolutely.

409

00:41:25,816 --> 00:41:30,013

Are you quite sure that this move
is a wise idea, Ginger?

410

00:41:32,722 --> 00:41:36,158

How old were you when
you left home, Mark Two?

411

00:41:36,259 --> 00:41:38,490

Well, I was about your age.

412

00:41:38,596 --> 00:41:40,621

But I had to go.

413

00:41:40,731 --> 00:41:42,596

My mother was an
absolute monster.

414

00:41:43,501 --> 00:41:45,059

You see?

415

00:41:45,169 --> 00:41:46,761

Nat is not a monster.

416

00:41:46,871 --> 00:41:48,361

Not to you.

417

00:41:49,941 --> 00:41:51,669

Anyway, Mark...

418

00:41:51,775 --> 00:41:56,212

your mother was, in fact,
as I understand, not a monster...

419

00:41:56,313 --> 00:41:59,374

- but a gangster.

- Yes, yes.

420

00:42:02,987 --> 00:42:05,114

Was she a happy gangster?

421

00:42:07,425 --> 00:42:11,418

Oh, my darling,

darling Ginger.

422

00:42:11,529 --> 00:42:13,223

Nat is unhappy, darling...

423

00:42:13,330 --> 00:42:15,992

but it's not because of you.

424

00:42:18,369 --> 00:42:20,462

But was she always unhappy?

425

00:42:22,206 --> 00:42:25,539

- When she was my age.

You knew her then. - I did, yes.

426

00:42:25,643 --> 00:42:28,874

Did she cry all the time
before she had me?

427

00:42:28,980 --> 00:42:30,845

Well, she was troubled, darling.

428

00:42:30,948 --> 00:42:34,145

But then, we were all troubled.
It was wartime.

429

00:42:34,250 --> 00:42:36,241

Must have been an
absolute nightmare.

430

00:42:36,353 --> 00:42:39,846

You know, bombs falling
all the time, everywhere.

431

00:42:39,957 --> 00:42:42,755

I mean, nothing was secure.

Nothing.

432

00:42:42,860 --> 00:42:44,327

What's the difference?

433

00:42:45,396 --> 00:42:47,125

We could all die tomorrow.

434

00:42:47,231 --> 00:42:49,791

We could, Ginger.

435

00:42:49,900 --> 00:42:52,835

For sure.

We could.

436

00:42:52,937 --> 00:42:54,768

- Bella.

- Well, she's right.

437

00:42:54,872 --> 00:42:56,338

It is getting serious.

438

00:42:57,540 --> 00:43:00,101

But I don't want to die.

439

00:43:00,211 --> 00:43:02,179

I want to grow up
and do things.

440

00:43:02,279 --> 00:43:05,510

And you will, honey.
You will.

441

00:43:05,616 --> 00:43:07,140

My darling Ginger...

442

00:43:08,419 --> 00:43:11,445

can't you be a girl for
a moment or two longer?

443

00:43:12,990 --> 00:43:15,424

You'll be a woman soon enough.

444

00:43:22,299 --> 00:43:24,267

Roland replied to my letter.

445

00:43:25,336 --> 00:43:28,430

Did he?

What did he say?

446

00:43:30,041 --> 00:43:31,975

He said he was very touched.

447

00:43:33,577 --> 00:43:35,568

He has such deep feelings.

448

00:43:36,714 --> 00:43:39,707

- Such fierce feelings.

- I know.

449

00:43:40,818 --> 00:43:42,718

- And he's a pacifist.

- I know.

450

00:43:42,820 --> 00:43:45,084

Well, I think it's really noble.

451

00:43:45,189 --> 00:43:48,386

- It's evil to kill.

- Well, exactly.

452

00:43:49,026 --> 00:43:50,653

It's one of the

Ten Commandments.

453

00:43:50,761 --> 00:43:54,162

Thou shalt not,

et cetera, et cetera.

454

00:43:56,000 --> 00:43:59,367

- You sound a bit cynical.

- Absolutely not.

455

00:43:59,470 --> 00:44:02,031

But I don't need a commandment

to work that one out.

456

00:44:03,674 --> 00:44:06,438

I think there are

times for action...

457

00:44:06,544 --> 00:44:08,341

to stop total death.

458

00:44:19,590 --> 00:44:21,218

Look, Rosa.

459

00:44:21,326 --> 00:44:24,954

I totally admire my
father in every way...

460

00:44:25,062 --> 00:44:26,620

but I'm just not sure...

461

00:44:27,665 --> 00:44:30,964

Is it really so noble to decide
not to fight someone like Hitler?

462

00:44:32,303 --> 00:44:35,101

- Mark says...

- You're always quoting Mark.

463

00:44:35,706 --> 00:44:37,799

And you're always
quoting Roland these days.

464

00:44:37,908 --> 00:44:40,138

Mark told me he chose
not to fight in the war...

465

00:44:40,244 --> 00:44:42,042

because he didn't
want to kill anybody.

466

00:44:42,147 --> 00:44:43,910

He was an ambulance
driver instead.

467

00:44:44,015 --> 00:44:45,573

But Roland was in prison...

468

00:44:45,684 --> 00:44:47,378

for being a conscientious
objector.

469

00:44:47,485 --> 00:44:49,214

I know.

470

00:44:49,320 --> 00:44:51,618

He's my father.

471

00:44:51,722 --> 00:44:54,748

And I'm going to go live with
him starting this week.

472

00:44:54,859 --> 00:44:57,327

And I'm going sailing
with him next weekend.

473

00:44:58,062 --> 00:45:00,121

Do you want to come?

474

00:45:00,231 --> 00:45:02,257

Actually, he thought
you should, probably.

475

00:45:03,034 --> 00:45:04,592

What do you mean, should?

476

00:45:38,669 --> 00:45:40,637

Best room in the house.

477

00:45:41,873 --> 00:45:43,932

Small, but...

478

00:45:44,042 --> 00:45:46,010

perfectly well-formed.

479

00:45:50,649 --> 00:45:52,207

Happy?

480

00:45:56,086 --> 00:45:57,553

I'll put the kettle on.

481

00:48:12,490 --> 00:48:15,118

"This is the way the world ends.

482

00:48:16,828 --> 00:48:18,796

This is the way the world ends"...

483

00:48:25,438 --> 00:48:27,428

"Not with a bang"...

484

00:48:28,740 --> 00:48:30,765

"Not with a bang"...

485

00:49:03,608 --> 00:49:07,443

Bella will not be parted from her work
in progress under any circumstances.

486

00:49:07,546 --> 00:49:10,845

Well, there are certain things
that one must hold on to.

487

00:49:10,950 --> 00:49:14,385

But don't you think occasionally
there's an argument for letting go, dear?

488

00:49:14,486 --> 00:49:17,922

Don't be fooled by such
phony modernity, Ginger.

489

00:49:18,022 --> 00:49:20,354

Letting go.

Please.

490

00:49:20,959 --> 00:49:23,894

But surely even a poetess...

491

00:49:23,995 --> 00:49:27,454

should be able to relax enough
to enjoy her soup...

492

00:49:27,566 --> 00:49:29,898

especially if it's been
made by Mark.

493

00:49:30,002 --> 00:49:32,664

But one is not a poetess,
Mark Two...

494

00:49:32,772 --> 00:49:36,138

just as one is not a "doctoress"
or a "physicistess. "

495

00:49:36,241 --> 00:49:37,708

Here we go.

496

00:49:37,809 --> 00:49:39,743

No, this is not a
matter of principle...

497

00:49:39,844 --> 00:49:42,312

but one of precise language.

498

00:49:42,414 --> 00:49:46,009

Names are word objects
and must be given due respect.

499

00:49:46,117 --> 00:49:49,383

Well, that's an interesting
concept, Bella.

500

00:49:49,488 --> 00:49:50,955

By the way, I am curious.

501

00:49:51,056 --> 00:49:54,321

I understand why you have
this adorable nickname... Ginger.

502

00:49:54,427 --> 00:49:57,691

But what's the name
on your birth certificate?

503

00:50:04,602 --> 00:50:06,797

My father named me...

504

00:50:09,275 --> 00:50:10,742

Africa.

505

00:50:10,843 --> 00:50:12,242

Africa!

506

00:50:12,344 --> 00:50:14,209

Any particular reason?

507

00:50:14,313 --> 00:50:17,941

He said it was in honor of Freud's theory
of the dark continent of woman.

508

00:50:18,049 --> 00:50:20,517

Oh, dear.

Freud.

509

00:50:20,618 --> 00:50:24,076

Is this the famous Roland who
holds us all in his theoretical spell?

510

00:50:35,534 --> 00:50:38,901

Well, let's just stick
with Ginger then, shall we?

511

00:50:39,004 --> 00:50:42,734

Although you could always
move on to Scarlet in due time.

512

00:50:42,841 --> 00:50:46,140

As in flame, not O'Hara.

513

00:50:46,244 --> 00:50:48,770

That's a good name
for an activist.

514

00:50:48,881 --> 00:50:50,439

How's all that going,
by the way?

515

00:50:51,884 --> 00:50:55,752

I'm thinking of joining
the Committee of 100, actually.

516

00:50:55,855 --> 00:50:57,482

I agree with Bertrand Russell.

517

00:50:57,590 --> 00:50:59,683

And what do you agree with?

518

00:51:00,659 --> 00:51:02,489

About direct action.

519

00:51:02,594 --> 00:51:06,428

He says the danger of nuclear war
is too great for lawful protest.

520

00:51:06,531 --> 00:51:08,796

So you think marching's not enough?

521

00:51:09,735 --> 00:51:11,828

It may not be enough

to save us...

522

00:51:12,838 --> 00:51:14,567

you know...

523

00:51:14,673 --> 00:51:17,005

from total extinction.

524

00:51:20,212 --> 00:51:22,373

Where are you going?

525

00:51:22,481 --> 00:51:23,947

To a restaurant.

526

00:51:25,016 --> 00:51:26,779

Where are you going?

527

00:51:28,319 --> 00:51:29,787

To a meeting.

528

00:51:34,360 --> 00:51:36,123

See you later then.

529

00:51:37,329 --> 00:51:39,024

So you're coming back here?

530

00:51:40,799 --> 00:51:42,460

Maybe.

531

00:51:48,439 --> 00:51:50,067

Do you want to try?

532

00:52:16,235 --> 00:52:18,135

This crisis is taking the world...

533

00:52:18,237 --> 00:52:20,137

to the brink of catastrophe.

534

00:52:20,239 --> 00:52:23,140

The Russians have put their
missiles on Cuba, as we know...

535

00:52:23,242 --> 00:52:25,142

as part of this deadly battle...

536

00:52:25,244 --> 00:52:27,144

with the United States

for world supremacy...

537

00:52:27,246 --> 00:52:29,372

that could end with

no world at all.

538

00:52:29,480 --> 00:52:32,473

And what is our government

doing about it?

539

00:52:32,585 --> 00:52:35,918

They tell people to put sandbags

over their windows and stay indoors.

540

00:52:36,021 --> 00:52:41,323

Meanwhile, the government have built

top secret bomb shelters underground.

541

00:52:41,427 --> 00:52:44,521

But only enough space
for themselves.

542

00:52:49,768 --> 00:52:53,169

Then who will be left for them to govern?
Everyone else will be dead.

543

00:52:53,272 --> 00:52:54,899

Burnt to cinders.

544

00:52:56,508 --> 00:52:58,305

I think it's immoral.

545

00:52:59,712 --> 00:53:02,010

You know,
to use precise language.

546

00:53:02,114 --> 00:53:04,708

Let me guess.
You shouldn't really be in here.

547

00:53:04,817 --> 00:53:06,444

You're still at school,
aren't you?

548

00:53:07,586 --> 00:53:09,110

Some of the time.

549

00:53:09,221 --> 00:53:11,622

Don't worry.
I'll buy you a drink.

550

00:53:12,892 --> 00:53:14,654

A pint and a half, please.

551

00:53:15,894 --> 00:53:18,124

Thanks.

552

00:53:18,230 --> 00:53:21,722

Anyway, I learn more at these
meetings than I ever do at school.

553

00:53:21,834 --> 00:53:23,802

That goes without saying, I think.

554

00:53:28,173 --> 00:53:29,640

Thanks.

555

00:53:35,281 --> 00:53:36,747

Thanks.

556

00:53:42,888 --> 00:53:45,322

Are you a student?

557

00:53:45,424 --> 00:53:46,948

I'm at art school.

558

00:53:47,993 --> 00:53:49,551

Do you draw?

559

00:53:49,662 --> 00:53:51,392

Yes, definitely.

560

00:53:52,565 --> 00:53:54,032

Sometimes.

561

00:53:56,770 --> 00:53:58,896

But I think I'm more
of a poet, actually.

562

00:53:59,004 --> 00:54:00,835

Are you?

563

00:54:02,541 --> 00:54:04,907

My mum used to be
a painter though.

564

00:54:05,010 --> 00:54:06,477

What's her name?

565

00:54:06,578 --> 00:54:08,239

You wouldn't know it.

566

00:54:08,347 --> 00:54:11,373

She gave it up,
you know, to have me.

567

00:54:15,789 --> 00:54:17,654

I live with my father
now anyway.

568

00:54:18,692 --> 00:54:20,852

He's a pacifist.

569

00:54:20,959 --> 00:54:22,927

He writes articles and stuff.

570

00:54:23,028 --> 00:54:24,791

Anything I might have read?

571

00:54:25,631 --> 00:54:27,394

"The Idea of Freedom. "

572

00:54:30,836 --> 00:54:32,327

He's your father?

573

00:55:50,582 --> 00:55:55,111

Ginger, want to try it?

Think it might be done.

574

00:56:20,046 --> 00:56:21,946

You sure you don't want any?

575

00:56:22,048 --> 00:56:25,108

No, I'm fine, thank you.

I've already eaten.

576

00:56:37,864 --> 00:56:39,729

- That's not bad.

- Who's the chef?

577

00:56:39,833 --> 00:56:42,393

We made it together...

me and Ginger.

578

00:56:42,502 --> 00:56:45,335

Mutual aid.

This is good.

579

00:56:45,438 --> 00:56:47,668

Communist cooks.

How marvelous.

580

00:56:50,343 --> 00:56:53,005

- Anarchists, I think.

- It's Italian, actually.

581

00:56:53,112 --> 00:56:54,578

Bolognese.

582

00:56:54,680 --> 00:56:57,582

Oh, there's lots of
anarchists in Bologna.

583

00:57:01,688 --> 00:57:03,155

You...

584

00:57:04,891 --> 00:57:07,189

are a thing of beauty, Rosa.

585

00:57:54,474 --> 00:57:55,999

Oh, Ginger.

586

00:58:22,268 --> 00:58:23,792

Ginger.

587

00:58:37,885 --> 00:58:40,285

- Look, Mum...

- How is everything?

588

00:58:41,221 --> 00:58:43,018

Can I stay the night tonight?

589

00:58:44,123 --> 00:58:46,455

I'm not moving back or anything.

590

00:58:50,029 --> 00:58:52,020

You're painting again.

591

00:58:52,131 --> 00:58:53,723

Yes, I am.

592

00:58:53,833 --> 00:58:55,801

And a bit of studying...

593

00:58:56,970 --> 00:58:58,438

now that...

594

00:58:58,539 --> 00:59:00,097

Well, that's good.

595

00:59:02,476 --> 00:59:04,103

But I could make up your bed.

596

00:59:18,625 --> 00:59:20,684

Aren't you happy

at Roland's...

597

00:59:20,794 --> 00:59:25,060

after going on and on about wanting to

live with him instead of boring old me?

598

00:59:26,567 --> 00:59:28,727

I never said that,

about being boring.

599

00:59:32,739 --> 00:59:34,707

But of course I'm

happy over there.

600

00:59:37,210 --> 00:59:38,838

It's really interesting.

601

00:59:40,814 --> 00:59:43,647

It was just a thought anyway.

602

00:59:43,751 --> 00:59:46,777

Don't bother with the bed or anything.

I was just passing.

603

01:00:04,438 --> 01:00:06,531

Made you some supper.

604

01:00:07,508 --> 01:00:08,998

What time is it?

605

01:00:09,610 --> 01:00:12,044

About 2:00...

606

01:00:12,146 --> 01:00:13,772

or so.

607

01:00:15,014 --> 01:00:16,481

Somewhat late.

608

01:00:17,717 --> 01:00:19,185

But I cooked it.

609

01:00:20,320 --> 01:00:22,311

You said you were hungry.

610

01:00:22,423 --> 01:00:23,890

Well, I was.

611

01:00:23,991 --> 01:00:25,652

You're not going to eat it?

612

01:00:26,760 --> 01:00:28,853

Oh, yes.

613

01:00:28,962 --> 01:00:30,452

Yes.

614

01:00:31,498 --> 01:00:33,227

Looks delicious.

615

01:00:34,268 --> 01:00:36,235

I didn't know you could cook.

616

01:00:36,969 --> 01:00:38,459

Nor did I.

617

01:00:49,283 --> 01:00:51,979

Look, I know it's all
got a bit complicated.

618

01:00:54,655 --> 01:00:57,851

Perhaps I can never be the
kind of father you really want.

619

01:00:59,626 --> 01:01:02,959

I'm not sure I'm
father material, really.

620

01:01:04,565 --> 01:01:06,362

Oh, but you are.

621

01:01:07,601 --> 01:01:10,069

I never said I wanted
anything different, did I?

622

01:01:10,704 --> 01:01:12,638

You've never complained
about anything, really.

623

01:01:12,739 --> 01:01:16,334

You're not a moaner,
as a rule, thank God.

624

01:01:19,011 --> 01:01:20,479

But look.

625

01:01:23,317 --> 01:01:27,048

Things have been difficult
for me with Nat...

626

01:01:27,154 --> 01:01:29,315

for a long time.

627

01:01:29,423 --> 01:01:31,948

One day you will
understand that...

628

01:01:33,026 --> 01:01:34,891

real love...

629

01:01:34,995 --> 01:01:36,826

when it comes...

630

01:01:39,366 --> 01:01:42,699

is like a siren call.

631

01:01:45,672 --> 01:01:48,766

One simply has no choice...

632

01:01:48,876 --> 01:01:50,741

and one must surrender.

633

01:01:53,847 --> 01:01:55,314

But listen.

634

01:01:59,253 --> 01:02:00,949

I am aware...

635

01:02:01,756 --> 01:02:03,450

that...

636

01:02:03,557 --> 01:02:06,685

perhaps you might

not be entirely happy...

637

01:02:06,793 --> 01:02:08,260

with the situation.

638

01:02:10,164 --> 01:02:12,655

How could anyone be happy...

639

01:02:12,766 --> 01:02:15,234

when you know

about the bomb?

640

01:02:15,335 --> 01:02:17,701

Happiness is not

really an option...

641

01:02:19,673 --> 01:02:22,643

when you know the whole world
could be blown to pieces any minute.

642

01:02:23,545 --> 01:02:25,171

You are a good girl.

643

01:02:27,381 --> 01:02:29,246

You're a born radical...

644

01:02:29,349 --> 01:02:31,180

unsurprisingly.

645

01:02:42,530 --> 01:02:43,997

Listen.

646

01:02:45,166 --> 01:02:48,066

I think it's probably best if you
don't say anything to Nat...

647

01:02:48,168 --> 01:02:51,194

about the times with Rosa
on the boat, and so on.

648

01:02:54,408 --> 01:02:56,342

I'm sure we'd agree on this.

649

01:03:44,125 --> 01:03:46,559

...prematurely or unnecessarily...

650

01:03:46,661 --> 01:03:50,188

risk the cost of worldwide
nuclear war...

651

01:03:50,298 --> 01:03:54,131

in which even the fruits of victory
would be ashes in our mouth.

652

01:03:54,234 --> 01:03:56,759

But neither will we
shrink from that risk...

653

01:03:56,870 --> 01:03:59,395

at any time it must be faced.

654

01:03:59,506 --> 01:04:03,739

I have directed the armed forces
to prepare for any eventualities.

655

01:04:04,812 --> 01:04:07,144

It shall be the policy
of this nation...

656

01:04:07,248 --> 01:04:10,513

to regard any nuclear missile
launched from Cuba...

657

01:04:10,618 --> 01:04:13,416

against any nation in the
Western Hemisphere...

658

01:04:13,521 --> 01:04:17,718

as an attack by the Soviet Union
on the United States...

659

01:04:17,824 --> 01:04:22,454

requiring a full retaliatory response

upon the Soviet Union.

660

01:04:23,464 --> 01:04:26,126

The cost of freedom
is always high...

661

01:04:26,234 --> 01:04:28,828

but Americans have
always paid it.

662

01:04:28,936 --> 01:04:31,427

And one path we
shall never choose...

663

01:04:31,539 --> 01:04:35,134

and that is the path
of surrender or submission.

664

01:04:42,516 --> 01:04:45,486

I dreamed there was
a wall of flame.

665

01:04:48,589 --> 01:04:51,057

I screamed because

I was to blame.

666

01:04:53,561 --> 01:04:55,392

I looked around.

667

01:04:58,733 --> 01:05:00,791

No night, no day...

668

01:05:00,901 --> 01:05:03,392

no sky, no ground.

669

01:05:03,503 --> 01:05:05,028

Nothing to say.

670

01:05:07,942 --> 01:05:09,603

Sorry I'm late.

671

01:05:09,711 --> 01:05:11,736

We were talking and talking.

672

01:05:11,846 --> 01:05:13,814

I didn't notice the time.

673

01:05:14,916 --> 01:05:17,214

- It was so...

- Intense.

674

01:05:18,619 --> 01:05:20,086

Right.

675

01:05:24,291 --> 01:05:25,759

Well, it was.

676

01:05:34,135 --> 01:05:35,602

And I think...

677

01:05:37,305 --> 01:05:38,932

I think Roland is wounded.

678

01:05:40,074 --> 01:05:42,508

What do you mean?

What's happened?

679

01:05:42,610 --> 01:05:44,600

Wounded emotionally, I mean.

680

01:05:44,711 --> 01:05:46,612

And spiritually.

681

01:05:46,714 --> 01:05:48,614

I think I can help him.

682

01:05:48,716 --> 01:05:51,810

Help him?

How can you help him?

683

01:05:53,020 --> 01:05:56,319

- We have a lot in common, you know.

- Such as?

684

01:05:59,994 --> 01:06:03,122

Such as the fact that his mother
left him when he was little.

685

01:06:03,231 --> 01:06:05,461

You know,

like my father left me.

686

01:06:07,301 --> 01:06:09,064

What a way to bond.

687

01:06:10,304 --> 01:06:11,794

Well, yes, actually.

688

01:06:11,906 --> 01:06:13,806

We understand each other.

689

01:06:13,908 --> 01:06:15,535

He confides in me.

690

01:06:31,058 --> 01:06:32,685

Anyway,

what are you writing?

691

01:06:33,294 --> 01:06:35,285

A poem...

692

01:06:35,396 --> 01:06:37,023

about the end of the world.

693

01:06:38,933 --> 01:06:41,094

Haven't you heard?

694

01:06:41,202 --> 01:06:43,864

- Heard what?

- About the crisis.

695

01:06:45,273 --> 01:06:47,435

Remember those

missiles in Cuba?

696

01:06:47,543 --> 01:06:48,908

What missiles?

697

01:06:49,011 --> 01:06:50,705

Where have you been?

698

01:06:51,979 --> 01:06:53,708

Don't you care about

the future anymore?

699

01:06:53,815 --> 01:06:56,579

Not everyone can save the
whole world like you, Ginger.

700

01:06:56,684 --> 01:06:59,346

Some of us have to concentrate
on just one person.

701

01:06:59,454 --> 01:07:02,548

- You can't save my dad.
- Why not?

702

01:07:05,593 --> 01:07:07,061

Who do you think you are?

703

01:07:07,162 --> 01:07:09,062

Who do you think you are?

704

01:07:09,164 --> 01:07:12,963

You can't stop a war if there's going
to be one. It's in the hands of God.

705

01:07:14,869 --> 01:07:16,564

That's convenient.

706

01:07:16,671 --> 01:07:18,798

Whose hands are you in then?

707

01:07:25,680 --> 01:07:27,148

Just wait.

708

01:07:28,150 --> 01:07:30,983

He'll dump you too

when you're older.

709

01:07:31,086 --> 01:07:32,553

No, he won't.

710

01:07:34,822 --> 01:07:37,154

He will.

He will.

711

01:07:39,927 --> 01:07:42,122

We didn't want to tell you.

712

01:07:45,700 --> 01:07:48,329

Didn't want to tell me what?

713

01:07:50,973 --> 01:07:52,565

What?

714

01:07:53,509 --> 01:07:55,408

What didn't you

want to tell me?

715

01:07:55,510 --> 01:07:56,977

I think...

716

01:07:59,080 --> 01:08:01,412

I'm pregnant.

717

01:08:43,958 --> 01:08:45,448

There are persistent reports...

718

01:08:45,560 --> 01:08:49,998

that the American government is about to
make a sensational move in the Cuba crisis.

719

01:08:50,098 --> 01:08:53,625

Lord Bertrand Russell,
in a statement released today said...

720

01:08:53,735 --> 01:08:55,202

"While life remains to us...

721

01:08:55,304 --> 01:08:57,966

we will not cease to do
what lies in our power...

722

01:08:58,073 --> 01:09:00,041

to avert the greatest calamity...

723

01:09:00,142 --> 01:09:02,371

that has ever
threatened mankind. "

724

01:09:04,445 --> 01:09:07,608

Ban the bomb!
Ban the bomb!

725

01:09:07,715 --> 01:09:10,207

Look out!

Police!

726

01:09:13,121 --> 01:09:15,589

Sit down!

Everybody sit down!

727

01:09:20,696 --> 01:09:22,163

Gate!

728

01:09:23,464 --> 01:09:26,797

Block the gate!

Everybody block the gate!

729

01:09:29,671 --> 01:09:31,229

Bella!

730

01:09:31,340 --> 01:09:33,274

Ban the bomb!

Ban the bomb!

731

01:09:33,375 --> 01:09:34,774

Ginger!

732

01:09:35,477 --> 01:09:37,138

Yes, it's me.

733

01:09:38,180 --> 01:09:40,148

- Are you all right?

- Yeah.

734

01:09:41,249 --> 01:09:42,944

My God, you're shivering.

735

01:09:46,487 --> 01:09:49,251

Lean on me.

This could get rough. Okay?

736

01:09:49,357 --> 01:09:50,825

Hang on tight.

737

01:09:50,926 --> 01:09:53,554

Ban the bomb!

Ban the bomb!

738

01:09:53,662 --> 01:09:55,527

Ban the bomb!

739

01:09:55,631 --> 01:09:58,259

Move!

740

01:10:17,352 --> 01:10:18,944

Bella!

741

01:10:21,023 --> 01:10:22,991

Bella!

742

01:10:24,059 --> 01:10:26,027

Ginger!

743

01:10:37,372 --> 01:10:40,341

Ban the bomb!

Ban the bomb!

744

01:10:40,442 --> 01:10:44,936

Ban the bomb!

Ban the bomb! Ban the bomb!

745

01:11:21,516 --> 01:11:23,143

I am a doctor.

746

01:11:23,251 --> 01:11:25,219

You can speak freely to me.

747

01:11:28,390 --> 01:11:30,620

Look, I can't help you

unless you talk.

748

01:11:30,726 --> 01:11:32,319

Do you understand?

749

01:11:33,730 --> 01:11:35,630

You seem depressed.

750

01:11:35,731 --> 01:11:37,392

Are you depressed?

751

01:11:39,935 --> 01:11:41,402

Then speak.

752

01:12:04,059 --> 01:12:05,526

Are you the girl's mother?

753

01:12:05,627 --> 01:12:07,094

No.

754

01:12:07,195 --> 01:12:08,822

No, I'm not.

755

01:12:08,930 --> 01:12:12,161

- Where is the mother?

- She doesn't know her daughter is here.

756

01:12:12,267 --> 01:12:14,168

Then is one of you

the girl's father?

757

01:12:14,270 --> 01:12:17,171

We're family friends.

We've come to take her home.

758

01:12:17,273 --> 01:12:21,606

Well, she needs help.

All this protesting is a front, you know.

759

01:12:21,710 --> 01:12:23,974

The girl may be

seriously mentally ill.

760

01:12:24,079 --> 01:12:25,546

Oh, for Christ's sake.

761

01:12:27,015 --> 01:12:29,347

Maybe she's justifiably worried...

762

01:12:29,451 --> 01:12:31,851

about the possibility

of a nuclear holocaust.

763

01:12:33,289 --> 01:12:35,416

Have you considered that?

764

01:12:48,870 --> 01:12:51,100

Just talk to us, darling.

765

01:12:51,873 --> 01:12:53,341

Come on.

766

01:12:54,610 --> 01:12:56,202

Did they hurt you?

767

01:12:57,046 --> 01:12:59,514

Ginger, you must tell us.

768

01:13:00,750 --> 01:13:02,547

Please say something.

769

01:13:08,023 --> 01:13:09,957

Okay, listen.

770

01:13:11,126 --> 01:13:13,253

I've asked Anoushka
to bring Rosa over.

771

01:13:14,564 --> 01:13:17,556

Thought maybe you'd talk to her,
if you don't want to talk to us.

772

01:13:18,835 --> 01:13:21,497

- Don't make that face at me.
- Nat, don't.

773

01:13:21,604 --> 01:13:24,664

- But I care about her and I...
- You don't care!

774

01:13:25,741 --> 01:13:27,935

Actually,
I think she does, sweetheart.

775

01:13:29,044 --> 01:13:31,478

She doesn't care that
the world might end.

776

01:13:32,180 --> 01:13:34,479

Of course I do!

777

01:13:34,584 --> 01:13:36,484

I'm on your side, Ginger.

778

01:13:36,586 --> 01:13:38,281

You don't know anything.

779

01:13:38,387 --> 01:13:40,218

Well, what else

doesn't she know?

780

01:13:42,959 --> 01:13:44,426

Ginger?

781

01:13:44,527 --> 01:13:47,155

I can't say it.

782

01:13:47,263 --> 01:13:49,162

I'll explode if I say it.

783

01:13:49,264 --> 01:13:51,824

No, you won't, sugar.

It's all right.

784

01:13:51,933 --> 01:13:55,335

- Speak it out.

- I can't.

785

01:13:59,275 --> 01:14:01,300

We're all going to die!

You said it!

786

01:14:01,410 --> 01:14:03,037

No.

787

01:14:03,145 --> 01:14:05,238

No, I said we could.

788

01:14:07,683 --> 01:14:10,947

A nuclear war would probably
obliterate us all if it happened...

789

01:14:11,052 --> 01:14:13,953

but that's not what
you mean, is it?

790

01:14:14,055 --> 01:14:16,889

Then what is it you
can't say, Ginger?

791
01:14:17,493 --> 01:14:19,017
What can't you say?

792
01:14:23,633 --> 01:14:25,032
That...

793
01:14:26,903 --> 01:14:28,370
That...

794
01:14:30,139 --> 01:14:32,368
Roland is...

795
01:14:32,474 --> 01:14:34,271
Roland is sleeping...

796
01:14:34,376 --> 01:14:36,811
with Rosa.

797
01:14:40,716 --> 01:14:42,240

What?

798

01:14:45,154 --> 01:14:46,246

Rosa?

799

01:14:52,128 --> 01:14:53,595

Is it true?

800

01:14:55,096 --> 01:14:56,564

I knew it.

801

01:14:58,234 --> 01:15:00,998

I knew something was
going on and you...

802

01:15:01,103 --> 01:15:04,595

- It's all my fault.

- No, no. Of course it's not.

803

01:15:04,707 --> 01:15:06,607

How long has
this been going on?

804

01:15:06,709 --> 01:15:08,267

Oh, for God's sake, Natalie.

805

01:15:10,246 --> 01:15:11,770

Let go of me.

806

01:15:11,881 --> 01:15:13,849

Let go of me!

807

01:15:14,750 --> 01:15:16,911

Got to get ahold of Anoushka.

808

01:15:17,019 --> 01:15:19,852

I don't want to see Rosa.

I don't want to see that little bitch!

809

01:15:19,956 --> 01:15:23,187

I've got to get out onto the streets.

The leaflets...

810

01:15:23,292 --> 01:15:25,351

- No, not now, darling.

- Oh, yes, now!

811

01:15:25,461 --> 01:15:28,726

Don't you understand?

The world may be about to end.

812

01:15:28,831 --> 01:15:31,425

- It's all right.

- Do you see what you've done?

813

01:15:35,004 --> 01:15:37,235

What right have
you to judge me?

814

01:15:38,975 --> 01:15:42,103

I've spent my entire life...

815

01:15:42,211 --> 01:15:43,735

fighting against tyranny.

816

01:15:43,846 --> 01:15:45,780

Congratulations.

817

01:15:45,881 --> 01:15:47,542

Not only the tyranny
of government...

818

01:15:47,650 --> 01:15:49,481

but also the tyranny...

819

01:15:49,585 --> 01:15:53,351

of the "shoulds" and the "oughts"
of so-called normal family life.

820

01:15:53,456 --> 01:15:55,253

Oh, how fucking convenient.

821

01:15:55,358 --> 01:15:57,884

And who the fuck are
you to lecture me?

822

01:16:00,496 --> 01:16:02,157

We've only just met.

823

01:16:02,264 --> 01:16:05,563

And not that it's any of your business,
but Natalie and I are separated.

824

01:16:06,168 --> 01:16:07,726

You have a child together.

825

01:16:08,804 --> 01:16:10,431

She's no longer a child.

826

01:16:11,774 --> 01:16:14,038

Ginger may be grown
up enough...

827

01:16:14,143 --> 01:16:18,342

to try to save us all from
nuclear catastrophe, Roland...

828

01:16:18,448 --> 01:16:20,575

but she's also young enough
to still need some looking after.

829

01:16:20,684 --> 01:16:21,946

Listen.

830

01:16:22,052 --> 01:16:27,216

Autonomous thought,
personal truth, freedom of action.

831

01:16:27,323 --> 01:16:30,224

- You believe in those, don't you, Mark?
- Yes, of course I do, but...

832

01:16:30,326 --> 01:16:34,262

Well, these have been
my guiding principles.

833

01:16:34,363 --> 01:16:38,164

I deeply believe in them,
and I was jailed for them.

834

01:16:46,842 --> 01:16:48,400

Don't you see, Ginger?

835

01:16:48,511 --> 01:16:52,845

There would not even be the possibility
of nuclear war, or any war...

836

01:16:52,948 --> 01:16:56,679

if millions of men had been prepared to
stand up against authority, as I did...

837

01:16:56,786 --> 01:16:59,017

and refuse to join the army...

838

01:17:00,190 --> 01:17:02,658

refuse to take orders.

839

01:17:02,759 --> 01:17:05,557

It's mindless obedience
that's the killer.

840

01:17:07,997 --> 01:17:10,693

I've broken the rules.

841

01:17:10,800 --> 01:17:12,529

All the rules.

842

01:17:12,635 --> 01:17:14,830

Because someone
has to say no.

843

01:17:14,937 --> 01:17:16,529

Mark, please, no.

844

01:17:16,639 --> 01:17:19,803

Nat, ducky, we've got to get this
sorted out, for once and for all.

845

01:17:19,910 --> 01:17:21,741

Come on.

Come. Come.

846

01:17:24,181 --> 01:17:25,648

Oh, Ginger.

847

01:17:25,749 --> 01:17:27,717

She's sleeping with Roland.

848

01:17:27,818 --> 01:17:29,648

- Who?

- Rosa.

849

01:17:29,752 --> 01:17:31,049

What?

850

01:17:33,722 --> 01:17:35,019

Rosa?

851

01:17:36,792 --> 01:17:38,259

With Roland?

852

01:17:51,307 --> 01:17:52,831

Is it true?

853

01:18:08,658 --> 01:18:10,387

Rosa?

854

01:18:12,795 --> 01:18:14,490

Answer me, Rosa.

855

01:18:15,664 --> 01:18:18,360

- Why should I?

- Because I'm your mother.

856

01:18:21,605 --> 01:18:23,596

I didn't notice.

857

01:18:35,784 --> 01:18:38,184

Do you think Mum's all right?

858

01:18:38,287 --> 01:18:39,778

Come.

Come.

859

01:18:46,596 --> 01:18:48,063

Nat?

860

01:18:48,165 --> 01:18:50,326

Nat, darling.

Nat.

861

01:18:51,501 --> 01:18:53,059

Can we come in?

862

01:18:54,337 --> 01:18:55,964

Right.

We're coming in.

863

01:18:57,006 --> 01:18:58,564

Nat, open the door.

864

01:18:59,608 --> 01:19:01,099

Nat, open this door!

865

01:19:01,211 --> 01:19:03,179

Natty, open up!

866

01:19:03,280 --> 01:19:05,145

Roland!

Come quick!

867

01:19:05,949 --> 01:19:07,712

Darling, come on.

Come on.

868

01:19:11,521 --> 01:19:13,250

Mum!

869

01:19:18,761 --> 01:19:20,285

Nat.

870

01:19:21,198 --> 01:19:22,722

Nat.

871

01:19:27,470 --> 01:19:28,937

Oh, darling.

872

01:19:31,408 --> 01:19:33,000

Call an ambulance.

873

01:19:33,109 --> 01:19:35,202

Ginger.

874

01:19:36,146 --> 01:19:38,137

Forgive me?

Please?

875

01:20:30,400 --> 01:20:31,958

We had a dream...

876

01:20:34,571 --> 01:20:37,438

that we would always
be best friends.

877

01:20:45,349 --> 01:20:47,111

When we were born...

878

01:20:49,853 --> 01:20:52,185

for some it was the end.

879

01:20:56,059 --> 01:20:59,358

Now it seems there
may not be tomorrow.

880

01:21:05,202 --> 01:21:07,067

But despite the horror...

881

01:21:09,572 --> 01:21:11,039

and the sorrow...

882

01:21:17,480 --> 01:21:19,380

I love our world.

883

01:21:25,089 --> 01:21:27,421

I want us all to live.

884

01:21:33,496 --> 01:21:35,088

Now, Rosa...

885

01:21:36,533 --> 01:21:38,398

you've asked me to forgive.

886

01:21:45,910 --> 01:21:47,639

One day...

887

01:21:47,745 --> 01:21:50,612

if Mum survives

this bitter night...

888

01:21:58,054 --> 01:21:59,783

then we shall meet again...

889

01:22:02,625 --> 01:22:04,093

and I will say...

890

01:22:08,933 --> 01:22:10,992

I loved you, Rosa.

891

01:22:15,739 --> 01:22:17,536

Don't you see?

892

01:22:21,611 --> 01:22:23,238

But we are different.

893

01:22:27,385 --> 01:22:30,252

You dream of everlasting love.

894

01:22:35,493 --> 01:22:37,016

Not me.

895

01:22:46,437 --> 01:22:48,701

Because what
really matters...

896

01:22:53,577 --> 01:22:55,169

is to live.

897

01:23:02,919 --> 01:23:04,750

And if we do...

898

01:23:09,393 --> 01:23:11,623

there will be nothing

to forgive.

899

01:23:20,271 --> 01:23:22,135

What are you writing?

900

01:23:23,440 --> 01:23:26,433

Oh, a poem...

901

01:23:26,544 --> 01:23:28,341

about the future.

902

01:23:42,092 --> 01:23:44,082

I'm sorry, Ginger.

903

01:23:53,838 --> 01:23:55,465

I'm so sorry.
