

Dialogues from Glass to improve the vocabulary in English

2

00:00:29,104 --> 00:00:31,038

<i>We keep bringing him
sacred food,</i>

3

00:00:31,040 --> 00:00:32,839

<i>and nothing's happening.</i>

4

00:00:32,841 --> 00:00:36,376

<i>I... The Beast,
he's shown himself twice</i>

5

00:00:36,378 --> 00:00:40,548

<i>to the masses of the broken,
and-and they're not believing.</i>

6

00:00:40,550 --> 00:00:42,950

<i>There's no revolution. I...</i>

7

00:00:42,952 --> 00:00:45,886

<i>Dennis, do not be scared.</i>

8

00:00:45,888 --> 00:00:50,324

<i>You have to trust me,
as you always have.</i>

9

00:01:24,594 --> 00:01:26,996

Look at you all.

10

00:01:27,896 --> 00:01:29,898

My name is Patricia.

11

00:01:31,867 --> 00:01:36,772

Now, who would like
a PB and J sandwich?

12

00:01:38,173 --> 00:01:40,107

You do.

13

00:02:05,435 --> 00:02:08,201

Ooh! Boom!

14

00:02:09,606 --> 00:02:11,204

Ooh!

15

00:02:11,206 --> 00:02:13,340

Ah, look at.

16

00:02:13,342 --> 00:02:15,409

Oh!

17

00:02:15,411 --> 00:02:17,210

I am the master boy.

18

00:02:17,212 --> 00:02:21,449

Superman punch, bitch! Yeah!

19

00:02:24,053 --> 00:02:25,653

Hey!

20

00:02:25,655 --> 00:02:27,988

Go, go, go, go, go, go!

Get out!

21

00:02:27,990 --> 00:02:29,958

You all right, brother?

22

00:02:57,920 --> 00:03:01,221

Ooh, you see his bag fall?

23

00:03:01,223 --> 00:03:04,925

It's what they call

dramatic effect.

24

00:03:04,927 --> 00:03:07,961

This is gonna get

so many views.

25

00:03:07,963 --> 00:03:10,199

That a raccoon again?

26

00:03:11,133 --> 00:03:12,999

Did you leave the door open, T?

27

00:03:13,001 --> 00:03:14,401

I closed it.

28

00:03:14,403 --> 00:03:16,238

Hello?

29

00:03:20,510 --> 00:03:22,244

Yo, who's there?

30

00:03:28,250 --> 00:03:31,452

We about to Salt Bae your ass.

31

00:03:38,093 --> 00:03:40,430

Superman-punch him, Ronald.

32

00:03:58,113 --> 00:03:59,980

Oh, shit.

33

00:03:59,982 --> 00:04:01,917

It's you.

34

00:04:43,392 --> 00:04:46,293

They bumped into me

at the subway.

35

00:04:46,295 --> 00:04:48,429

Can't just let 'em go, Joseph.

36

00:04:48,431 --> 00:04:51,466

Weren't you on
a specified walk?

37

00:04:51,468 --> 00:04:54,167

You can't run this
like the store.

38

00:04:54,169 --> 00:04:55,770

It's potluck.

39

00:04:55,772 --> 00:04:59,740

All things come second
when we're on a specified walk.

40

00:04:59,742 --> 00:05:02,275

The store works
'cause we have rules.

41

00:05:02,277 --> 00:05:04,377

Hey, it was a good follow,
though.

42

00:05:04,379 --> 00:05:08,415

"We gonna Salt Bae your ass."
What a douche.

43

00:05:08,417 --> 00:05:11,086

It's definitely going
into the book.

44

00:05:12,655 --> 00:05:15,121

"Salt Bae your ass."

45

00:05:15,123 --> 00:05:17,123

What is that, anyway?

46

00:05:17,125 --> 00:05:18,626

It's an Internet guy.

47

00:05:18,628 --> 00:05:22,730

He's a butcher who salts

his meat in an elaborate way.

48

00:05:22,732 --> 00:05:25,334

You got dinged.

49

00:05:27,369 --> 00:05:29,570

Good news:

they're not calling you

50

00:05:29,572 --> 00:05:32,440

the Tiptoe Man

or the Float anymore.

51

00:05:32,442 --> 00:05:36,142

They pretty much settled on

the Overseer.

52

00:05:36,144 --> 00:05:38,144

It's cool.

53

00:05:38,146 --> 00:05:41,551

Do not mention

the Tiptoe Man ever again.

54

00:05:43,820 --> 00:05:47,022

That's all he does?

He seasons meat?

55

00:05:48,491 --> 00:05:49,724

Dad, you look tired.

56

00:05:49,726 --> 00:05:53,093

Why don't we save the next walk
for the day after tomorrow?

57

00:05:53,095 --> 00:05:58,033

When we find this Horde,
I'll take a mental health day.

58

00:05:58,768 --> 00:06:01,301

Okay. Fine.

59

00:06:01,303 --> 00:06:03,403

I have a new tenuous theory.

60

00:06:03,405 --> 00:06:05,773

Let's call it

Tenuous Theory Number Two.

61

00:06:05,775 --> 00:06:08,375

The first set of girls

that were found mutilated

62

00:06:08,377 --> 00:06:10,343

at the zoo three weeks ago

happened here.

63

00:06:10,345 --> 00:06:11,879

The second set, here.

64

00:06:11,881 --> 00:06:13,447

Now, these new girls

that went missing

65

00:06:13,449 --> 00:06:15,449

create kind of

a messy triangle,

66

00:06:15,451 --> 00:06:17,350

and where you were waiting
today at the subway

67

00:06:17,352 --> 00:06:19,554

was in the middle
of this triangle.

68

00:06:19,556 --> 00:06:22,723

In Tenuous Theory Number Two,
he isn't in this triangle.

69

00:06:22,725 --> 00:06:25,493

He's coming from a place
that has easy access

70

00:06:25,495 --> 00:06:27,294

to this triangular
feeding zone.

71

00:06:27,296 --> 00:06:29,296

I think he's
somewhere here, Dad,

72

00:06:29,298 --> 00:06:31,532

- in the factory area.

- Okay.

73

00:06:31,534 --> 00:06:34,602

I'll walk around there
tomorrow.

74

00:06:34,604 --> 00:06:36,269

Hey, Dad?

75

00:06:36,271 --> 00:06:38,506

I'm checking
the police scanners.

76

00:06:38,508 --> 00:06:41,475

They're looking for you
pretty aggressively.

77

00:06:41,477 --> 00:06:43,209

Be real careful.

78

00:06:43,211 --> 00:06:45,113

All right.

79

00:07:08,438 --> 00:07:10,771

Philadelphia

has a new tallest building.

80

00:07:10,773 --> 00:07:13,741

The Osaka Tower is taking over
the city skyline.

81

00:07:13,743 --> 00:07:16,644

The architecture makes it
an amazing sight to see.

82

00:07:16,646 --> 00:07:19,513

And on top of that, it's
the ultimate in sustainability.

83

00:07:19,515 --> 00:07:21,716

It gets its power
from solar panels.

84

00:07:21,718 --> 00:07:23,551

Developers say it will
draw jobs to the city

85

00:07:23,553 --> 00:07:25,622

by the thousands...

86

00:07:44,674 --> 00:07:47,477

Audrey, I have to tell you
something.

87

00:07:49,244 --> 00:07:50,845

Audrey.

88

00:08:16,739 --> 00:08:18,572

Miss Patricia said
that I'm not allowed

89

00:08:18,574 --> 00:08:20,908

to play with you guys,
so don't even ask.

90

00:08:21,978 --> 00:08:23,844

I had a girlfriend once.

91

00:08:23,846 --> 00:08:25,780

You don't know her.

92

00:08:25,782 --> 00:08:26,981

We kissed.

93

00:08:26,983 --> 00:08:28,849

It's no big deal.

94

00:08:28,851 --> 00:08:30,618

Stop messing with us.

95

00:08:30,620 --> 00:08:31,819

What do you want?

96

00:08:31,821 --> 00:08:33,454

Vera, don't get him angry.

97

00:08:33,456 --> 00:08:36,023

- He's sick.

- Don't tell me names.

98

00:08:36,025 --> 00:08:38,258

They said not to ask you
your names,

99

00:08:38,260 --> 00:08:43,030

because I might get sad,
you know, after tonight.

100

00:08:43,032 --> 00:08:44,999

Why did you pick us, Hedwig?

101

00:08:45,001 --> 00:08:47,300

Oh, uh, because you're impure

102

00:08:47,302 --> 00:08:49,670

and you haven't done
any suffering.

103

00:08:54,844 --> 00:08:56,342

You know that boy band stuff?

104

00:08:56,344 --> 00:08:58,378

It's... some of it's okay,
but Drake?

105

00:08:58,380 --> 00:09:00,748

Drake's my new main man.

106

00:09:02,018 --> 00:09:04,785

The Beast is gonna come
for you guys

107

00:09:04,787 --> 00:09:08,354

any minute now, and I...

108

00:09:08,356 --> 00:09:11,792

I get... I get to greet him.

109

00:09:11,794 --> 00:09:16,530

It's my big reward for keeping
the Horde in the light.

110

00:09:16,532 --> 00:09:20,835

I get to take him
to the masses of the broken.

111
00:09:20,837 --> 00:09:22,036
I better go.

112
00:09:23,371 --> 00:09:26,507
He can come at any second

113
00:09:26,509 --> 00:09:27,808
and I don't want him coming

114
00:09:27,810 --> 00:09:30,778
and finding roller skates
on his feet.

115
00:09:30,780 --> 00:09:35,649
Miss Patricia would find out,
and she'd get angry, et cetera.

116
00:09:40,656 --> 00:09:42,857
- Thank you for coming in.
- Yep, thanks.

117

00:09:42,859 --> 00:09:45,993

- This is an outdoor dome infrared.

- Mm-hmm.

118

00:09:45,995 --> 00:09:48,394

We can use as many as you want
in the apartment building.

119

00:09:48,396 --> 00:09:51,932

You use a 16-channel HD DVR
in your security office.

120

00:09:51,934 --> 00:09:54,535

One of the tenants
got murdered off-site,

121

00:09:54,537 --> 00:09:56,470

and people are on edge.

122

00:09:56,472 --> 00:09:58,404

- They just want to feel safe.

- Totally get it.

123

00:09:58,406 --> 00:09:59,974

I'm gonna take a walk.

124

00:09:59,976 --> 00:10:03,110

Yeah, I don't think that you
need to take a walk today, Dad.

125

00:10:03,112 --> 00:10:05,079

Maybe tomorrow or the next day.

126

00:10:05,081 --> 00:10:07,884

No, I think I'm gonna
take a walk now.

127

00:10:09,519 --> 00:10:11,952

Uh, you don't want
to take a lot of walks.

128

00:10:11,954 --> 00:10:14,622

You might get tired.

129

00:10:14,624 --> 00:10:17,357

Let your dad take a walk.

Jesus.

130

00:10:17,359 --> 00:10:18,761

Yeah.

131

00:10:19,829 --> 00:10:21,729

Hey, do I know you?

132

00:10:21,731 --> 00:10:25,398

Did you used to work
at the football stadium?

133

00:10:25,400 --> 00:10:27,535

15 years.

134

00:10:27,537 --> 00:10:29,703

I used to hang out
with some shady types

135

00:10:29,705 --> 00:10:31,705

down at the stadium

in my youth.

136

00:10:31,707 --> 00:10:33,808

Turned it around

with positive thinking.

137

00:10:38,380 --> 00:10:39,747

Should I ring this up?

138

00:10:39,749 --> 00:10:41,615

We're gonna have

to close early.

139

00:10:41,617 --> 00:10:42,850

Yeah.

140

00:11:47,116 --> 00:11:49,149

Peak transit time's over.

141

00:11:49,151 --> 00:11:50,851

I missed him.

142

00:11:50,853 --> 00:11:54,389

I'll come back tomorrow
when the factories are let out.

143

00:11:56,025 --> 00:11:58,659

Can come back to the store
and we could do some inventory.

144

00:11:58,661 --> 00:12:00,094

Okay.

145

00:12:00,096 --> 00:12:02,930

I'll see you back at the store.

146

00:12:09,872 --> 00:12:12,172

You guys like cartoons?

147

00:12:12,174 --> 00:12:14,108

So babyish.

148

00:12:14,110 --> 00:12:15,576

I don't.

149

00:12:15,578 --> 00:12:17,111

I like documentaries.

150

00:12:17,113 --> 00:12:18,812

You watch documentaries?

151

00:12:18,814 --> 00:12:22,983

I watched a documentary
about, um, space.

152

00:12:22,985 --> 00:12:24,852

It's real big.

153

00:12:24,854 --> 00:12:26,822

Sorry, bro.

154

00:12:34,630 --> 00:12:36,563

It's him. I saw a room.

155

00:12:36,565 --> 00:12:38,666

It had red clay, piles of it.

156

00:12:38,668 --> 00:12:40,200

It's some kind of factory.

157

00:12:40,202 --> 00:12:41,568

They're all in there.

158

00:12:41,570 --> 00:12:43,070

All right, stand by.

159

00:12:43,072 --> 00:12:44,607

I'll search the area.

160

00:12:48,978 --> 00:12:51,545

Dad, I found a brick factory.

161

00:12:51,547 --> 00:12:53,213

Uh, it's old, abandoned.

162

00:12:53,215 --> 00:12:55,785

- Which direction?

- To the south.

163

00:12:58,120 --> 00:12:59,689

Dad?

164

00:13:00,856 --> 00:13:02,525

Dad?

165

00:13:16,572 --> 00:13:18,005

You said I could have some.

166

00:13:18,007 --> 00:13:19,940

I know.

167

00:13:19,942 --> 00:13:22,543

Taking everything for yourself.

168

00:13:22,545 --> 00:13:23,779

Take some.

169

00:13:29,051 --> 00:13:30,853

Hey. I...

170

00:13:33,689 --> 00:13:36,290

Oh, my God.

171

00:13:36,292 --> 00:13:39,026

You said I could have some.

172

00:13:39,028 --> 00:13:40,963

I know.

173

00:13:47,169 --> 00:13:48,904

What?

174

00:13:50,906 --> 00:13:52,908

Huh?

175

00:13:54,043 --> 00:13:57,079

Taking everything for yourself.

176

00:13:58,614 --> 00:14:00,981

I don't... know...

177

00:14:18,267 --> 00:14:20,636

Who are you?

178

00:14:21,837 --> 00:14:24,805

I...

179

00:14:24,807 --> 00:14:27,610

am you.

180

00:15:12,922 --> 00:15:14,156

Come on!

181

00:15:18,194 --> 00:15:20,863

Come on!

182

00:16:22,191 --> 00:16:24,660

Where did it go?

183

00:16:47,149 --> 00:16:48,382

Leave!

184

00:18:40,095 --> 00:18:43,263

Don't, don't. Don't shoot!

185

00:18:44,867 --> 00:18:46,933

We can work through this.

186

00:18:46,935 --> 00:18:48,636

Just put the guns away. I...

187

00:18:50,005 --> 00:18:51,371

What's happening?

188

00:18:51,373 --> 00:18:52,939

I didn't do anything.

189

00:18:52,941 --> 00:18:54,575

My name is Barry.

190

00:18:54,577 --> 00:18:56,076

All right?

191

00:18:56,078 --> 00:18:59,146

We have to get Kevin

to stay in the light.

192

00:18:59,148 --> 00:19:01,181

Just-just don't shoot us.

193

00:19:01,183 --> 00:19:03,016

Don't shoot.

194

00:19:03,018 --> 00:19:05,921

He won't hurt anyone now.

195

00:19:07,956 --> 00:19:10,223

You may find

your way out of here,

196

00:19:10,225 --> 00:19:12,493

but you will have to hurt

a lot of officers.

197

00:19:12,495 --> 00:19:14,161

A lot of people.

198

00:19:14,163 --> 00:19:17,366

No one needs to get hurt
anymore, David.

199

00:19:29,111 --> 00:19:32,379

It's gonna be okay, Joseph.

200

00:19:32,381 --> 00:19:33,614

Take them straight to

201

00:19:33,616 --> 00:19:37,017

Raven Hill Memorial, the West
Wing of Raven Hill Memorial.

202

00:19:41,290 --> 00:19:43,090

Grab that poncho!

203

00:19:58,006 --> 00:19:59,476

No trouble.

204

00:20:13,656 --> 00:20:15,958

Keep moving.

205

00:20:16,693 --> 00:20:18,626

Keep moving.

206

00:20:18,628 --> 00:20:20,093

Please, don't. Don't.

207

00:20:20,095 --> 00:20:21,261

- Don't. No.

- Easy. Easy.

208

00:20:21,263 --> 00:20:23,096

Hey. Hey! Hey!

209

00:20:23,098 --> 00:20:24,732

We're cool, we're cool.

Totally cool.

210

00:20:24,734 --> 00:20:26,299

All right?

He doesn't like to be touched.

211

00:20:26,301 --> 00:20:29,136

I can, I can walk.

I'll just, I'll... walk.

212

00:20:29,138 --> 00:20:30,973

Keep walking.

213

00:21:00,202 --> 00:21:04,072

My name is Dr. Ellie Staple,
and I'm a psychiatrist.

214

00:21:06,074 --> 00:21:08,208

This room must look nefarious.

215

00:21:08,210 --> 00:21:12,078

The walls are equipped with
46 high-pressured nozzles,

216

00:21:12,080 --> 00:21:14,214

all connected
to a 15,000-gallon

217

00:21:14,216 --> 00:21:16,416

water tank outside.

218

00:21:16,418 --> 00:21:18,486

It will only be triggered
if you are threatening

219

00:21:18,488 --> 00:21:20,655

or trying to escape.

220

00:21:20,657 --> 00:21:22,958

This is a hypnosis light...

221

00:21:24,761 --> 00:21:27,027

Dennis.

222

00:21:27,029 --> 00:21:30,096

My pleasure, Dennis.

223

00:21:30,098 --> 00:21:32,232

You are being monitored.

224

00:21:32,234 --> 00:21:34,100

If, for some reason,
there's a threatening identity

225

00:21:34,102 --> 00:21:36,102

in the room, the light
will automatically strobe

226

00:21:36,104 --> 00:21:38,639

and force a different identity
to take over.

227

00:21:38,641 --> 00:21:40,106

Who was the man?

228

00:21:40,108 --> 00:21:43,376

He was as strong as The Beast.

229

00:21:43,378 --> 00:21:46,112

The man people in this city
have been talking about.

230

00:21:46,114 --> 00:21:48,683

The only person
to survive that train wreck

231

00:21:48,685 --> 00:21:50,551

all those years ago.

232

00:21:50,553 --> 00:21:53,253

I saw a video of you fighting

233

00:21:53,255 --> 00:21:55,590

near a fire hydrant

that erupted.

234

00:21:55,592 --> 00:21:57,123

Saw you choke.

235

00:21:57,125 --> 00:21:59,794

I think you believe

water is your weakness.

236

00:21:59,796 --> 00:22:01,261

Where are you keeping him?

237

00:22:14,209 --> 00:22:16,544

<i>Everyone is safe, David.</i>

238

00:22:16,546 --> 00:22:22,550

Maybe this will all make sense
if I explain who I am.

239

00:22:22,552 --> 00:22:27,254

I specialize in a particular
type of delusion of grandeur.

240

00:22:27,256 --> 00:22:30,156

I specialize
in those individuals

241

00:22:30,158 --> 00:22:33,093

who believe
they are superheroes.

242

00:22:33,095 --> 00:22:35,095

I've been given three days

243

00:22:35,097 --> 00:22:38,166

to treat you
by whatever means necessary.

244

00:22:39,836 --> 00:22:43,571

I came here for you both.

245

00:23:09,465 --> 00:23:11,566

<i>Yo, this doctor comes in here,</i>

246

00:23:11,568 --> 00:23:14,200

takes over our wing,

tells us all new rules.

247

00:23:14,202 --> 00:23:16,637

Rules of conduct.

248

00:23:16,639 --> 00:23:20,307

How to treat people

with kindness.

249

00:23:20,309 --> 00:23:22,743

My whole life, all I do

is take care of people.

250

00:23:22,745 --> 00:23:26,279

Come on, come on, come on,
come on, come on. There you go.

251

00:23:26,281 --> 00:23:28,516

We got along just fine
without her, didn't we?

252

00:23:28,518 --> 00:23:29,850

Me and you?

253

00:23:31,854 --> 00:23:34,755

Anyway...

254

00:23:34,757 --> 00:23:37,758

you won't be lonely anymore.

255

00:23:37,760 --> 00:23:40,327

You have two new friends.

256

00:23:59,716 --> 00:24:03,185

Casey, could I see you
for a second?

257

00:24:10,660 --> 00:24:13,326

*<i>I received a call
from your foster family.</i>*

258

00:24:13,328 --> 00:24:16,664

Apparently, it's on the news.

259

00:24:16,666 --> 00:24:19,433

They caught the guy
who abducted you

260

00:24:19,435 --> 00:24:22,202

and murdered all those girls.

261

00:24:22,204 --> 00:24:23,938

They caught the bastard.

262

00:24:23,940 --> 00:24:26,474

Your foster family is thrilled.

263

00:24:26,476 --> 00:24:30,544

I can imagine how much relief
this causes you.

264

00:24:30,546 --> 00:24:33,281

I'm sure you've been
thinking about him.

265

00:24:35,685 --> 00:24:39,154

I... have been
thinking about him.

266

00:24:56,973 --> 00:25:00,306

They, uh, told me to bring
lots of options.

267

00:25:02,979 --> 00:25:05,180

Hey, cutie.

268

00:25:06,883 --> 00:25:09,282

Think you could help me?

269

00:25:09,284 --> 00:25:10,751

I'm Jade.

270

00:25:10,753 --> 00:25:13,854

They gave me a syringe for
my diabetes, but I dropped it.

271

00:25:13,856 --> 00:25:16,557

My hands get shaky
when I get low blood sugar.

272

00:25:16,559 --> 00:25:18,559

It's a little too close
to the light.

273

00:25:18,561 --> 00:25:21,664

Do you think you could
pick it up for me?

274

00:25:35,745 --> 00:25:38,846

Wow.

275

00:25:38,848 --> 00:25:40,413

Stand up.

276

00:25:40,415 --> 00:25:43,519

Let me get a good look at you.

277

00:25:49,391 --> 00:25:51,759

You are so tall.

278

00:25:51,761 --> 00:25:56,030

Orwell and Barry are so angry
with me that I flipped.

279

00:25:56,032 --> 00:25:58,699

But the truth is

280

00:25:58,701 --> 00:26:02,770

we really can do things
that you can't do.

281

00:26:02,772 --> 00:26:05,641

I don't understand.

282

00:26:18,488 --> 00:26:20,988

Hey. Hey. Hey!

283

00:26:23,059 --> 00:26:25,659

I'm Ian.

284

00:26:25,661 --> 00:26:28,763

- All right?

- I'm Ian.

285

00:26:28,765 --> 00:26:31,699

And I'm Mary Reynolds.

We're twins.

286

00:26:31,701 --> 00:26:33,634

Do you know

what would have happened

287

00:26:33,636 --> 00:26:36,070

if she'd have gotten

to that key, you gobshite?

288

00:26:36,072 --> 00:26:37,838

The Horde would have killed ya.

289

00:26:37,840 --> 00:26:39,405

What've you got?

290

00:26:39,407 --> 00:26:41,976

You get a little,

get a little hard-on? Daryl.

291

00:26:41,978 --> 00:26:44,377

Just calm down, okay?

292

00:26:46,482 --> 00:26:49,116

I'm sorry

for being with the Horde.

293

00:26:49,118 --> 00:26:51,118

It's just, it's just...

294

00:26:51,120 --> 00:26:53,754

Oh, do you know,

I am tired of being sorry.

295

00:26:53,756 --> 00:26:55,723

You can call me Norma.

296

00:26:55,725 --> 00:26:57,958

I am sorry about
the whole lying thing.

297

00:26:57,960 --> 00:27:00,094

- Though I'm not lying.
- Bro, just stop talking!

298

00:27:01,430 --> 00:27:03,731

I was so amped!

299

00:27:03,733 --> 00:27:06,366

We almost got you, bro!

300

00:27:06,368 --> 00:27:08,469

Trying to keep him here
with this light thing?

301

00:27:08,471 --> 00:27:11,674

- That's some buttery shit!
- Stop talking.

302

00:27:12,975 --> 00:27:15,442

I'm not

supposed to be in the light.

303

00:27:15,444 --> 00:27:17,545

Uh, we need more time.

304

00:27:17,547 --> 00:27:19,379

Barry is

speaking to Kevin,

305

00:27:19,381 --> 00:27:20,948

trying to get him

near the light.

306

00:27:20,950 --> 00:27:22,585

Is he close enough yet?

307

00:27:24,821 --> 00:27:28,989

The only one who can defend us is him!

308

00:27:28,991 --> 00:27:30,457

Him!

309

00:27:44,874 --> 00:27:48,042

Where is the man
in the rain poncho?

310

00:27:48,044 --> 00:27:51,478

Who is he?

311

00:27:51,480 --> 00:27:55,449

Is he just a regular man?
I need to know.

312

00:27:57,086 --> 00:28:00,487

All right, step away from
the controls now, little duck.

313

00:28:00,489 --> 00:28:03,358

That's fine.
Now just walk away.

314

00:28:10,800 --> 00:28:13,968

That's it.

315

00:28:13,970 --> 00:28:15,905

Just tiptoe away.

316

00:28:18,174 --> 00:28:21,175

I try to come once every week.

317

00:28:21,177 --> 00:28:22,843

Sometimes, I admit,

318

00:28:22,845 --> 00:28:25,512

I have neglected a week
here and there.

319

00:28:25,514 --> 00:28:29,917

He's changed over the years.

320

00:28:29,919 --> 00:28:33,053

I can tell he's given up.

321

00:28:33,055 --> 00:28:36,056

It's hard to see.

322

00:28:36,058 --> 00:28:38,926

He thinks he was a mistake.

323

00:28:38,928 --> 00:28:41,495

I'm not saying
he did good things.

324

00:28:41,497 --> 00:28:42,930

He didn't.

325

00:28:42,932 --> 00:28:46,535

Those poor people didn't
deserve to die like that.

326

00:28:48,070 --> 00:28:52,606

But he's trying
to make sense of who he is.

327

00:28:52,608 --> 00:28:54,677

Ain't we all doing that?

328

00:28:55,912 --> 00:28:57,713

Yes, ma'am, we are.

329

00:29:00,783 --> 00:29:03,517

They keep him heavily sedated.

330

00:29:03,519 --> 00:29:06,053

This is an enormous amount
of sedation.

331

00:29:06,055 --> 00:29:07,955

He's too smart for 'em.

332

00:29:07,957 --> 00:29:09,957

When they first
brought him here,

333

00:29:09,959 --> 00:29:12,960

he memorized a blueprint
left out from an electrician

334

00:29:12,962 --> 00:29:17,433

and short-circuited the power
to the whole hospital.

335

00:29:18,968 --> 00:29:21,537

He's good
thinking through things.

336

00:29:23,239 --> 00:29:25,572

He has this notion

337

00:29:25,574 --> 00:29:29,610

that superheroes are
based on people like him,

338

00:29:29,612 --> 00:29:33,714

and that other gentleman
I read is here, Mr. Dunn.

339

00:29:33,716 --> 00:29:35,716

Would it surprise you to know

340

00:29:35,718 --> 00:29:39,887

there are more and more people

who have this delusion?

341

00:29:39,889 --> 00:29:43,624

It is actually
the center of my work.

342

00:29:43,626 --> 00:29:46,961

Yes, it would.

343

00:29:50,967 --> 00:29:54,070

You don't let them
get you down, Elijah.

344

00:29:55,271 --> 00:29:57,573

You hear me?

345

00:29:58,274 --> 00:30:00,274

Stay proud.

346

00:30:08,985 --> 00:30:11,087

Step back
against the wall, please.

347

00:31:13,749 --> 00:31:16,083

You're keeping him here
without guards?

348

00:31:16,085 --> 00:31:18,819

I have to get out of here
before he gets out.

349

00:31:18,821 --> 00:31:22,158

The individual
who came with you is contained.

350

00:31:23,993 --> 00:31:25,959

David.

351

00:31:25,961 --> 00:31:29,963

I would like you to agree
to have an MRI.

352

00:31:29,965 --> 00:31:32,332

You were the sole survivor of
a devastating train derailment

353

00:31:32,334 --> 00:31:33,801

19 years ago.

354

00:31:33,803 --> 00:31:35,969

It is possible that there was

355

00:31:35,971 --> 00:31:38,774

damage to the frontal lobe

that you are unaware of.

356

00:31:55,391 --> 00:31:57,057

Look at you, David.

357

00:31:57,059 --> 00:32:00,060

You believe you have barely

enough strength to stand up.

358

00:32:00,062 --> 00:32:02,898

You can't possibly

explain everything away.

359

00:32:09,738 --> 00:32:12,739

Madam, I am Mr. Pritchard.

360

00:32:12,741 --> 00:32:14,875

I'm a professor of cinema.

361

00:32:14,877 --> 00:32:17,711

Specifically, Japanese,
1950s through the 1980s.

362

00:32:17,713 --> 00:32:20,747

And I have absolutely no idea
what I'm doing here.

363

00:32:20,749 --> 00:32:22,883

I am very much in favor
of Kevin's reemergence,

364

00:32:22,885 --> 00:32:25,886

and yet I find myself
in a goddamn prison cell!

365

00:32:25,888 --> 00:32:28,021

And I can assure you

I am not...

366

00:32:31,861 --> 00:32:33,994

Okay.

367

00:32:55,485 --> 00:32:57,184

I'm ready.

368

00:32:58,488 --> 00:33:01,822

Young man, wait!

369

00:33:01,824 --> 00:33:04,425

You will not be able
to get to the light.

370

00:33:04,427 --> 00:33:07,027

It is set off by distance

371

00:33:07,029 --> 00:33:09,329

as well as being monitored
by a camera.

372

00:33:09,331 --> 00:33:12,467

I know this seems
very unfair to you...

373

00:33:13,869 --> 00:33:15,869

...but you are stuck
in this room.

374

00:33:15,871 --> 00:33:18,372

The guy The Beast fought,
he's right there!

375

00:33:18,374 --> 00:33:21,375

He can't beat The Beast.

376

00:33:21,377 --> 00:33:24,945

He doesn't think he can
beat The Beast, does he? Huh?

377

00:33:24,947 --> 00:33:26,346

Beast like...

378

00:33:31,220 --> 00:33:35,088

He doesn't think he can
beat The Beast, does he?

379

00:33:35,090 --> 00:33:38,058

Beast like...

380

00:33:38,060 --> 00:33:41,895

Your name is Hedwig, right?

381

00:33:41,897 --> 00:33:44,331

You're nine, right?

382

00:33:44,333 --> 00:33:46,166

Yeah.

383

00:33:46,168 --> 00:33:48,001

Forever?

384

00:33:50,139 --> 00:33:53,242

No matter how many
experiences you have?

385

00:33:56,546 --> 00:33:58,847

That must be so hard.

386

00:34:00,983 --> 00:34:02,382

You treat people who think

387

00:34:02,384 --> 00:34:04,853

they're comic book characters
or something?

388

00:34:11,461 --> 00:34:13,260

I got to go.

389

00:34:13,262 --> 00:34:16,131

Miss Patricia says
she wants the light.

390

00:34:28,410 --> 00:34:30,877

Hello, Patricia.

391

00:34:30,879 --> 00:34:34,047

- I'm Dr. Staple.

- I've gathered.

392

00:34:34,049 --> 00:34:39,019

As I understand it, you're
kind of the high priestess.

393

00:34:39,021 --> 00:34:42,389

This cause isn't about me.

394

00:34:42,391 --> 00:34:44,492

It's about The Beast, is it?

395

00:34:44,494 --> 00:34:46,093

Where is he?

396

00:34:46,095 --> 00:34:48,831

- Who?

- The man.

397

00:34:50,567 --> 00:34:52,899

He is guarded, isn't he?

398

00:34:52,901 --> 00:34:54,803

He can't get out?

399

00:35:06,282 --> 00:35:08,282

He's well-intentioned
and you would love him.

400

00:35:08,284 --> 00:35:11,985

He's, like, a huge,
he's a big trickster.

401

00:35:11,987 --> 00:35:14,087

He's a, he's a,
he's a great guy.

402

00:35:14,089 --> 00:35:15,623

He's got
a great sense of humor.

403

00:35:15,625 --> 00:35:19,627

- So, let me recap what you've told me.
- Mm-hmm.

404

00:35:19,629 --> 00:35:23,464

Your dad is not the Green Guard
or "whatever his name is."

405

00:35:23,466 --> 00:35:27,334

Your dad is a trickster,
and that I would love him.

406

00:35:27,336 --> 00:35:30,471

He thought it would be fun
to be a do-gooder for a day,

407

00:35:30,473 --> 00:35:32,005

pretend he was this guy.

408

00:35:32,007 --> 00:35:34,107

And with regard
to how he found the girls,

409

00:35:34,109 --> 00:35:36,276

you retold a humorous story
where your dad thought

410

00:35:36,278 --> 00:35:38,446

the killer might be
in the factory area

411

00:35:38,448 --> 00:35:41,616

because his friend Lou...
you referred to him as Louie

412

00:35:41,618 --> 00:35:44,217

at a different point...
got mugged down there once.

413

00:35:44,219 --> 00:35:46,219

Then your father was
walking by a building,

414

00:35:46,221 --> 00:35:51,091

hears girls screaming for help,
at which point you spiritedly

415

00:35:51,093 --> 00:35:53,461

reenacted this moment
in the story.

416

00:35:53,463 --> 00:35:54,928

Thank you for that.

417

00:35:54,930 --> 00:35:58,098

Then your father
called you on the cell.

418

00:35:58,100 --> 00:36:00,400

You told him to call
the police, but he was,

419

00:36:00,402 --> 00:36:02,903

"In it, you know. In it."

420

00:36:02,905 --> 00:36:04,304

Right.

421

00:36:04,306 --> 00:36:07,040

I'll sign that
in front of a judge.

422

00:36:07,042 --> 00:36:09,144

So, you see,

he shouldn't be here.

423

00:36:10,547 --> 00:36:14,016

How long have you believed
your dad was a superhero?

424

00:36:15,984 --> 00:36:17,984

There was a microphone
on his poncho.

425

00:36:17,986 --> 00:36:20,253

I assume he was communicating
with you.

426

00:36:20,255 --> 00:36:23,524

He talks to you
when he's out on searches,

427

00:36:23,526 --> 00:36:25,058

doesn't he, Joseph?

428

00:36:25,060 --> 00:36:27,160

He hasn't hurt anybody.

429

00:36:27,162 --> 00:36:30,631

In the eyes of the authorities,
that is not accurate.

430

00:36:30,633 --> 00:36:32,232

He's injured
countless individuals

431

00:36:32,234 --> 00:36:34,502

who haven't had
their due process in court.

432

00:36:34,504 --> 00:36:37,070

And there was a teenage girl
in this latest incident

433

00:36:37,072 --> 00:36:38,639

- who broke her arm and ribs.
- No.

434

00:36:38,641 --> 00:36:40,040

They would all be

murder victims

435

00:36:40,042 --> 00:36:41,476

if it wasn't for my dad.

436

00:36:41,478 --> 00:36:44,311

It was a vigilante event,
and a victim was injured.

437

00:36:44,313 --> 00:36:47,214

They will claim, in court, that
if they had found the girls,

438

00:36:47,216 --> 00:36:50,651

no one would have been hurt.

439

00:36:50,653 --> 00:36:53,654

Joseph, I only have a few days.

440

00:36:53,656 --> 00:36:56,691

If I don't get him to give up
his delusion, he will remain

441

00:36:56,693 --> 00:37:01,094

in institutions like this
for the rest of his life.

442

00:37:01,096 --> 00:37:03,096

No, he can't stay here.

443

00:37:03,098 --> 00:37:06,501

Can I ask you about
your mother, Joseph?

444

00:37:06,503 --> 00:37:08,636

What does that
have to do with this?

445

00:37:08,638 --> 00:37:12,707

She passed away from
acute lymphoblastic leukemia

446

00:37:12,709 --> 00:37:14,742

five years ago.

447

00:37:17,112 --> 00:37:21,516

That was cataclysmic
for you and your dad.

448

00:37:21,518 --> 00:37:24,284

Yeah.

449

00:37:24,286 --> 00:37:27,120

On the surface, Joseph,
you can see

450

00:37:27,122 --> 00:37:30,090

what I'm going to say, right?

451

00:37:30,092 --> 00:37:32,225

You lost your mother.

452

00:37:32,227 --> 00:37:35,262

You believe your father
is a real-life superhero.

453

00:37:35,264 --> 00:37:37,665

You believe

he is almost immortal.

454

00:37:37,667 --> 00:37:42,171

You can see how some would say
you need this to be true.

455

00:37:44,072 --> 00:37:45,473

You just have to make sure

456

00:37:45,475 --> 00:37:48,776

you are not
more into this than he is.

457

00:38:09,198 --> 00:38:12,199

I'm not scared.

458

00:38:12,201 --> 00:38:14,134

That's great.

459

00:38:14,136 --> 00:38:16,238

You know why?

460

00:38:18,140 --> 00:38:21,374

I know now.

461

00:38:21,376 --> 00:38:23,045

Know what?

462

00:38:24,781 --> 00:38:28,516

Your secret identity.

463

00:38:28,518 --> 00:38:31,220

That man was right.

464

00:38:37,427 --> 00:38:39,394

Joseph.

465

00:38:41,263 --> 00:38:43,564

There are big guys
in almost every gym

466

00:38:43,566 --> 00:38:45,165

that can lift that much.

467

00:38:45,167 --> 00:38:48,403

You could've lifted more.

468

00:38:50,473 --> 00:38:52,272

Don't worry.

469

00:38:52,274 --> 00:38:55,143

I won't tell anyone.

470

00:39:34,249 --> 00:39:36,249

<i>Just because he let you go</i>

471

00:39:36,251 --> 00:39:38,486

<i>doesn't mean he is good.</i>

472

00:39:38,488 --> 00:39:41,455

He's being held here

before his trial.

473

00:39:41,457 --> 00:39:43,524

I'm in charge of him for now,

474

00:39:43,526 --> 00:39:48,096

but everyone in this state
wants him tried and put away.

475

00:39:49,832 --> 00:39:51,599

I'm trying to get the others

476

00:39:51,601 --> 00:39:56,136

to stop thinking of this
as a superhuman being.

477

00:39:56,138 --> 00:39:58,405

If they do,
they will do the right thing

478

00:39:58,407 --> 00:40:00,677

and keep him from the light.

479

00:40:04,212 --> 00:40:06,482

Can I talk with them?

480

00:40:08,551 --> 00:40:11,086

No.

481

00:40:12,154 --> 00:40:13,754

Why?

482

00:40:13,756 --> 00:40:15,692

Because it's not...

483

00:40:19,762 --> 00:40:21,698

You're the victim.

484

00:40:48,925 --> 00:40:51,926

No way!

485

00:40:53,362 --> 00:40:55,362

You tried so hard

to get away from us

486

00:40:55,364 --> 00:40:57,364

and now you come back

and see us?

487

00:40:57,366 --> 00:40:59,900

You are so weird.

488

00:40:59,902 --> 00:41:01,736

I like Drake now.

489

00:41:01,738 --> 00:41:04,905

I liked Nicki for a while, but
then Nicki and Drake broke up,

490

00:41:04,907 --> 00:41:07,374

and you can't like both.

491

00:41:07,376 --> 00:41:09,275

This place is
for people who think

492

00:41:09,277 --> 00:41:11,244

that they're
comic book characters.

493

00:41:11,246 --> 00:41:12,580

And the Horde is kind of like

494

00:41:12,582 --> 00:41:14,749

a comic book character name,
isn't it?

495

00:41:19,287 --> 00:41:22,590

Love comic books.

496

00:41:22,592 --> 00:41:26,961

I'm sorry for trying to feed
you to The Beast, et cetera.

497

00:41:26,963 --> 00:41:30,698

It's okay.

498

00:41:30,700 --> 00:41:33,233

Can I talk to Dennis
or Patricia, please?

499

00:41:33,235 --> 00:41:35,770

She was my girlfriend.

500

00:41:35,772 --> 00:41:37,672

We kissed.

501

00:41:39,307 --> 00:41:41,709

Don't worry.

I haven't cheated on you.

502

00:41:48,316 --> 00:41:50,453

What are you doing here?

503

00:41:53,321 --> 00:41:55,623

Your clothes are not dirty.

504

00:41:55,625 --> 00:41:57,858

Good.

505

00:41:57,860 --> 00:42:00,295

Hello, Dennis.

506

00:42:01,998 --> 00:42:04,865

A lot of people have died.

507

00:42:04,867 --> 00:42:08,334

Well...

508

00:42:08,336 --> 00:42:12,372

You have to give up the light.

509

00:42:12,374 --> 00:42:14,374

They're never gonna
let you out of here.

510

00:42:14,376 --> 00:42:17,480

The Horde has to
give up the light.

511

00:42:19,381 --> 00:42:22,817

Listen to this doctor.

512

00:42:22,819 --> 00:42:26,620

The doc tells lies.

513

00:42:26,622 --> 00:42:30,356

We will reveal that the broken
are the strongest.

514

00:42:30,358 --> 00:42:32,392

The Beast will start
a revolution.

515

00:42:32,394 --> 00:42:34,028

Is that what Patricia
told you to say?

516

00:42:34,030 --> 00:42:37,765

The Beast is the highest form
of human evolution.

517

00:42:37,767 --> 00:42:40,534

Dennis. You guys are gonna die.

518

00:42:40,536 --> 00:42:42,370

Casey.

519

00:42:44,006 --> 00:42:47,007

Ah... oh...

520

00:42:47,009 --> 00:42:48,976

Oh, sh...

521

00:43:01,791 --> 00:43:04,392

Hey.

522

00:43:06,729 --> 00:43:08,729

Kevin?

523

00:43:08,731 --> 00:43:10,666

It's you.

524

00:43:20,042 --> 00:43:23,409

You look different.

525

00:43:23,411 --> 00:43:26,881

I wanted to tell you something.

526

00:43:26,883 --> 00:43:30,017

My uncle's in jail.

527

00:43:30,019 --> 00:43:32,320

I put him there.

528

00:43:34,422 --> 00:43:39,460

What he did to me was... wrong.

529

00:43:39,462 --> 00:43:43,497

Just like what your mom
did to you was wrong.

530

00:43:44,801 --> 00:43:46,736

We're the same?

531

00:43:53,810 --> 00:43:56,744

I'm sorry.

532

00:43:56,746 --> 00:43:58,612

- I can't. I got...

- Kevin, wait.

533

00:43:58,614 --> 00:44:01,916

I've got to go.

I've got to go.

534

00:44:01,918 --> 00:44:06,720

The Horde is never
letting go of the light and...

535

00:44:10,860 --> 00:44:14,461

Do you like Kevin now?

536

00:44:14,463 --> 00:44:17,598

Casey. I need you.

537

00:44:17,600 --> 00:44:20,568

The power of true,
loving, physical affection,

538

00:44:20,570 --> 00:44:22,636

it's like something
supernatural.

539

00:44:22,638 --> 00:44:24,772

It's the lack of it
that caused this,

540

00:44:24,774 --> 00:44:27,541

and only the true version of it
can heal it.

541

00:44:27,543 --> 00:44:28,911

Will you help me?

542

00:44:57,139 --> 00:45:00,910

*<i>You are the last
person I need to see today.</i>*

543

00:45:02,144 --> 00:45:04,745

You see this camera?

544

00:45:04,747 --> 00:45:07,948

There are 100 more of these.

545

00:45:07,950 --> 00:45:10,050

Out of respect for
your cognitive abilities,

546

00:45:10,052 --> 00:45:13,787

I have installed cameras
on every floor, every area,

547

00:45:13,789 --> 00:45:16,624

including every direction
of the exterior building.

548

00:45:16,626 --> 00:45:18,659

We will see everything.

549

00:45:18,661 --> 00:45:22,529

There is nowhere you can go
that won't be documented.

550

00:45:22,531 --> 00:45:25,933

Elijah. I've come
to the conclusion

551

00:45:25,935 --> 00:45:29,603

that we should perform
a procedure on you.

552

00:45:29,605 --> 00:45:32,673

This is a corrective procedure
that rebalances

553

00:45:32,675 --> 00:45:36,243

the part of the frontal lobe
that is overstimulated.

554

00:45:36,245 --> 00:45:40,047

It would be an honor to get to
know your perspicacious mind.

555

00:45:40,049 --> 00:45:44,520

We're going to conduct
the procedure in three days.

556

00:45:58,634 --> 00:46:01,135

12!

557

00:46:02,972 --> 00:46:04,705

Keep going!

558

00:46:10,713 --> 00:46:12,713

Right there, right there!

559

00:46:36,272 --> 00:46:39,640

Hey, my man.

560

00:46:39,642 --> 00:46:41,809

How'd you get out of your room?

561

00:46:41,811 --> 00:46:44,078

You must have
left the door ajar.

562

00:46:44,080 --> 00:46:46,080

He rolled out toward the noise.

563

00:46:46,082 --> 00:46:49,149

Wheel him back in
before the doctor sees.

564

00:46:49,151 --> 00:46:51,318

Oh, you're too nice, Daryl.

565

00:46:51,320 --> 00:46:53,020

You got to be firm.

566

00:46:53,022 --> 00:46:55,990

They'll walk all over you
otherwise.

567

00:46:55,992 --> 00:46:59,226

He didn't touch
any of the medicines, did he?

568

00:46:59,228 --> 00:47:01,895

No.

569

00:47:01,897 --> 00:47:03,866

Right amounts.

570

00:47:31,227 --> 00:47:34,194

This will be
my final evaluation.

571

00:47:42,872 --> 00:47:46,006

You got to be kidding me.

572

00:47:46,008 --> 00:47:48,776

This guy killed everyone
on my train.

573

00:47:48,778 --> 00:47:51,747

He's a mass murderer.

574

00:48:03,626 --> 00:48:06,126

I understand
that the three of you

575

00:48:06,128 --> 00:48:08,695

think you are superhuman.

576

00:48:08,697 --> 00:48:10,864

That you don't think
you are normal.

577

00:48:10,866 --> 00:48:15,135

You've convinced yourselves
you have extraordinary gifts,

578

00:48:15,137 --> 00:48:18,705

like something

out of a comic book.

579

00:48:18,707 --> 00:48:21,341

I am here to discuss
the possibility

580

00:48:21,343 --> 00:48:24,111

that you are mistaken.

581

00:48:24,113 --> 00:48:27,583

Can you tell me about
Kevin's parents?

582

00:48:31,253 --> 00:48:34,354

Kevin's mother...

583

00:48:34,356 --> 00:48:36,924

hurt Kevin.

584

00:48:36,926 --> 00:48:41,128

And Kevin's father
was gonna get a doctor

585

00:48:41,130 --> 00:48:45,067

to try and stop her,

but he left.

586

00:48:49,405 --> 00:48:51,874

I never wanted any of this.

587

00:48:53,375 --> 00:48:55,676

What?

588

00:48:55,678 --> 00:48:57,179

The killings.

589

00:49:15,397 --> 00:49:17,164

Kevin Wendell Crumb.

590

00:49:19,436 --> 00:49:23,203

- Kevin Wendell Crumb.

- Kevin Wendell Crumb!

591

00:49:25,141 --> 00:49:26,940

What did I tell you?!

592

00:49:26,942 --> 00:49:29,009

There is no running
in the house,

593

00:49:29,011 --> 00:49:31,211

Kevin Wendell Crumb!

594

00:49:32,482 --> 00:49:35,048

Kevin?

595

00:49:37,386 --> 00:49:39,353

Kevin.

596

00:49:39,355 --> 00:49:41,922

Why do you all
keep bringing me back?

597

00:49:41,924 --> 00:49:43,891

I-I don't want to be here.

598

00:49:43,893 --> 00:49:47,127

The need for the particular
story we tell ourselves

599

00:49:47,129 --> 00:49:48,496

begins somewhere, Kevin.

600

00:49:48,498 --> 00:49:50,498

From a memory.

601

00:49:50,500 --> 00:49:53,434

What?

602

00:49:53,436 --> 00:49:54,902

I don't...

603

00:49:54,904 --> 00:49:58,138

Hey, where's that girl?

604

00:49:58,140 --> 00:50:00,240

Casey. Sh-She...

605

00:50:02,945 --> 00:50:05,078

Everybody wants the light now.

606

00:50:05,080 --> 00:50:07,080

They're all fighting,
et cetera.

607

00:50:07,082 --> 00:50:08,882

And Miss Patricia's
yelling at me,

608

00:50:08,884 --> 00:50:10,518

saying I got to hold on
to the light.

609

00:50:10,520 --> 00:50:14,321

She said I have one job to do:
keep Kevin out of the light.

610

00:50:14,323 --> 00:50:16,491

So, I'm sorry,
you won't see him anymore.

611

00:50:18,495 --> 00:50:21,795

And you have to listen
to her, right?

612

00:50:21,797 --> 00:50:24,231

Because she's an adult
and you're not.

613

00:50:24,233 --> 00:50:27,334

Duh. Yeah.

614

00:50:27,336 --> 00:50:29,102

Is he crying?

615

00:50:29,104 --> 00:50:31,104

Geez, pussy.

616

00:50:31,106 --> 00:50:34,274

Listen, I don't know about
these other guys,

617

00:50:34,276 --> 00:50:35,976

but we are like a superhero.

618

00:50:35,978 --> 00:50:38,446

No? We're like...

619

00:50:38,448 --> 00:50:40,282

We're not crazy!

620

00:50:42,184 --> 00:50:47,321

David, I don't think

this applies just to Kevin

621

00:50:47,323 --> 00:50:49,490

and his disorder.

622

00:50:49,492 --> 00:50:51,526

Is there a memory?

623

00:50:51,528 --> 00:50:53,860

What you're looking for

624

00:50:53,862 --> 00:50:56,129

is a moment of weakness

that made you

625

00:50:56,131 --> 00:51:00,167

possibly entertain the idea
of being super strong.

626

00:51:31,601 --> 00:51:35,170

There is a reason I ask you.

627

00:51:38,475 --> 00:51:40,776

This is your MRI, David.

628

00:51:45,347 --> 00:51:48,415

This is your frontal lobe.

629

00:51:48,417 --> 00:51:52,352

There is a questionable cloud
right here.

630

00:51:52,354 --> 00:51:54,955

There is the possibility

631

00:51:54,957 --> 00:51:57,858

that that is damage
from that train accident.

632

00:51:57,860 --> 00:52:01,330

I'm supposed to believe
this means something?

633

00:52:06,335 --> 00:52:09,303

It's just this,
plus an anchoring incident,

634

00:52:09,305 --> 00:52:13,474

and you would have the pattern
for this disorder that I treat.

635

00:52:24,953 --> 00:52:27,954

I hate to see you like this.

636

00:52:27,956 --> 00:52:30,023

This is not
how I would've done things.

637

00:52:30,025 --> 00:52:34,094

I don't approve of
how they've handled you.

638

00:52:34,096 --> 00:52:36,096

Elijah, because of
your condition,

639

00:52:36,098 --> 00:52:38,466

I didn't have to do
an MRI on you.

640

00:52:38,468 --> 00:52:40,635

There are a few in your file.

641

00:52:40,637 --> 00:52:42,637

You definitely have
one of the markers

642

00:52:42,639 --> 00:52:44,505

for this disorder, Elijah.

643

00:52:44,507 --> 00:52:46,208

As do you, Kevin.

644

00:52:48,511 --> 00:52:50,310

These are the medical reasons

645

00:52:50,312 --> 00:52:53,080

I'm thinking

you have this disorder.

646

00:52:53,082 --> 00:52:56,016

Now let's deal with

why you think you don't.

647

00:52:56,018 --> 00:53:01,922

How do you know who's good

and who's bad, David?

648

00:53:01,924 --> 00:53:04,026

Convince me.

649

00:53:06,995 --> 00:53:09,262

It's a feeling.

650

00:53:09,264 --> 00:53:10,698

An intuition?

651

00:53:10,700 --> 00:53:13,668

When you see someone?

652

00:53:13,670 --> 00:53:15,603

I have to touch them.

653

00:53:15,605 --> 00:53:18,475

What does the intuition
feel like?

654

00:53:20,543 --> 00:53:23,444

A vision.

655

00:53:23,446 --> 00:53:25,613

A moment.

656

00:53:25,615 --> 00:53:28,081

A sin.

657

00:53:28,083 --> 00:53:31,351

You kind of
have to interpret it.

658

00:53:31,353 --> 00:53:34,020

Have you ever seen
very good magicians, David?

659

00:53:34,022 --> 00:53:37,290

I mean, the very best.

660

00:53:37,292 --> 00:53:39,192

They are trained as mentalists,

661

00:53:39,194 --> 00:53:42,630

and they can do
seemingly extraordinary feats.

662

00:53:42,632 --> 00:53:45,566

They accomplish these feats by
interpreting hundreds of cues

663

00:53:45,568 --> 00:53:49,437

that an individual is
giving off in a split second.

664

00:53:49,439 --> 00:53:54,341

I think you are like these
professional guessers, David.

665

00:53:54,343 --> 00:53:59,312

You are world-class at it,
simply extraordinary at it.

666

00:53:59,314 --> 00:54:04,752

But it is based on real things,
and you are making the picture.

667

00:54:04,754 --> 00:54:08,257

It is not coming to you
through mystical means.

668

00:54:15,465 --> 00:54:17,632

These are the clothes
that the patient next to you

669

00:54:17,634 --> 00:54:19,467

came in with when he arrived.

670

00:54:19,469 --> 00:54:22,603

There's red clay
staining the pants.

671

00:54:22,605 --> 00:54:25,205

It's very visible.

672

00:54:28,511 --> 00:54:32,513

Is it possible that you saw
something on the news...

673

00:54:32,515 --> 00:54:35,583

- Sorry, bro.

- <i>...then saw an adult acting like a child,</i>

674

00:54:35,585 --> 00:54:39,620

someone who fit the bill
of someone with this disorder,

675

00:54:39,622 --> 00:54:43,023

intuited, "This might be
the person I'm looking for"?

676

00:54:43,025 --> 00:54:44,224

Saw the red clay

677

00:54:44,226 --> 00:54:49,597

and thought he might be hiding
in a place with red clay?

678

00:54:49,599 --> 00:54:51,599

No.

679

00:54:51,601 --> 00:54:54,236

You're certain?

680

00:54:55,805 --> 00:55:00,275

You're... creating a chain of
thoughts that never happened.

681

00:55:08,116 --> 00:55:11,384

You really dissected him,

Doctor.

682

00:55:11,386 --> 00:55:13,754

Good for you.

683

00:55:13,756 --> 00:55:16,591

As I understand it,
there were many videos

684

00:55:16,593 --> 00:55:18,426

of world-class rock climbers

685

00:55:18,428 --> 00:55:21,194

on the computer
in your office at the zoo.

686

00:55:21,196 --> 00:55:23,531

It was kind of an obsession.

687

00:55:23,533 --> 00:55:25,466

Some of those climbers

688

00:55:25,468 --> 00:55:28,836

could actually scale
a literal wall, couldn't they?

689

00:55:31,139 --> 00:55:32,707

What's your point, Doctor?

690

00:55:32,709 --> 00:55:34,274

It was a practical observation

691

00:55:34,276 --> 00:55:37,545

that produced a practical
skill set in an alter.

692

00:55:37,547 --> 00:55:40,748

Mm.

693

00:55:40,750 --> 00:55:43,551

Then how did he bend the bars?

694

00:55:43,553 --> 00:55:46,253

The iron bars at the zoo?

695

00:55:46,255 --> 00:55:50,223

You did see those, didn't you?

696

00:55:50,225 --> 00:55:51,792

That's not in our heads.

697

00:55:51,794 --> 00:55:53,393

The cages beneath the zoo

698

00:55:53,395 --> 00:55:56,564

were made in 1874

when the zoo first opened.

699

00:55:56,566 --> 00:56:00,267

I was able to bend them by
putting a wrench between them

700

00:56:00,269 --> 00:56:01,401

and leaning back.

701

00:56:01,403 --> 00:56:05,540

Difficult, again, but possible.

702

00:56:05,542 --> 00:56:07,508

No.

703

00:56:07,510 --> 00:56:09,309

What about the shotgun?

704

00:56:09,311 --> 00:56:11,445

He was shot.

Not once but twice.

705

00:56:11,447 --> 00:56:13,447

What does your sleeping mind
think of that?

706

00:56:13,449 --> 00:56:15,783

We've analyzed the shotgun
and the cartridges.

707

00:56:15,785 --> 00:56:17,384

They were very old.

708

00:56:17,386 --> 00:56:20,454

There was a lot of moisture
from the boiler room

709

00:56:20,456 --> 00:56:23,223

down in the locker area
where they were kept.

710

00:56:23,225 --> 00:56:25,726

The cartridges were
possibly compromised.

711

00:56:25,728 --> 00:56:29,229

And some of the pellets
hit the inside of the bars.

712

00:56:31,701 --> 00:56:33,534

It is at least possible

713

00:56:33,536 --> 00:56:36,472

that there is a practical
explanation for this.

714

00:56:41,711 --> 00:56:45,615

What if I suggested
something upsetting, Patricia?

715

00:56:47,483 --> 00:56:51,786

Like The Beast isn't
as powerful as you think.

716

00:56:51,788 --> 00:56:56,490

He's not much more powerful
than a strong man.

717

00:56:56,492 --> 00:57:00,195

The facts you are basing
your belief in are wrong.

718

00:57:02,765 --> 00:57:07,637

If superheroes exist, why are
there only three of you?

719

00:57:14,744 --> 00:57:17,410

*When was the first
comic book written?*

720

00:57:17,412 --> 00:57:21,749

The first reprints of newspaper
strips in tabloid size

721

00:57:21,751 --> 00:57:23,684

happened in 1929.

722

00:57:23,686 --> 00:57:28,522

And then, in 1938,
the apotheosis happened.

723

00:57:28,524 --> 00:57:30,791

Action Comics Number One
launched

724

00:57:30,793 --> 00:57:34,394

with the man in the cape and
the blue tights on the cover.

725

00:57:34,396 --> 00:57:35,362

Boo-yah!

726

00:57:35,364 --> 00:57:37,397

Here we are.

727

00:57:44,507 --> 00:57:46,442

Thank you.

728

00:57:51,279 --> 00:57:53,748

What are you doing back there?

729

00:57:53,750 --> 00:57:56,349

You're not one of those

Hello Kitty pervs?

730

00:57:56,351 --> 00:57:58,721

I'm just looking for something.

731

00:58:00,790 --> 00:58:03,557

Prove to someone I'm not crazy.

732

00:58:03,559 --> 00:58:05,528

I'm leaving.

733

00:59:13,463 --> 00:59:15,330

Oh, my God.

734

01:00:12,420 --> 01:00:14,557

- Catch.

- You're it.

735

01:00:25,034 --> 01:00:27,637

- Let's play hot potato, guys.

- Let's play hot potato!

736

01:00:29,404 --> 01:00:32,940

Hot potato. Hot potato.

737

01:00:32,942 --> 01:00:34,975

<i>Hot potato. Hot potato.</i>

738

01:00:34,977 --> 01:00:36,710

Hot potato.

Hot potato. Hot potato.

739

01:00:36,712 --> 01:00:38,546

Hot potato! Hot potato! Hot!

740

01:00:38,548 --> 01:00:39,980

- You're out.

- You're out.

741

01:00:39,982 --> 01:00:40,981

Come on, ready?

742

01:00:40,983 --> 01:00:43,486

- <i>No!</i>

- <i>No!</i>

743

01:00:45,054 --> 01:00:50,691

Hot potato.

Hot potato. Hot potato.

744

01:00:50,693 --> 01:00:52,493

Hot potato.

Hot potato. Hot potato.

745

01:00:52,495 --> 01:00:54,028

Hot potato! Hot!

746

01:00:54,030 --> 01:00:56,664

I'm just asking you to bring in
a package if you see one

747

01:00:56,666 --> 01:00:59,635

instead of stepping over it
to come in the house.

748

01:01:08,744 --> 01:01:10,680

Hello?

749

01:01:52,188 --> 01:01:56,190

If, by mistake,
I-I drop this...

750

01:01:56,192 --> 01:01:59,629

heavy flashlight
on your paper legs...

751

01:02:01,998 --> 01:02:04,632

...no one would come
check on you for some time,

752

01:02:04,634 --> 01:02:07,703

not until Daryl gets here
for his shift.

753

01:02:13,609 --> 01:02:16,879

Have you been getting
out of your room, Elijah?

754

01:02:44,507 --> 01:02:47,610

I must be losing my mind.

755

01:03:13,970 --> 01:03:15,703

Night, Joe.

756

01:03:15,705 --> 01:03:17,807

Have a good night.

757

01:03:22,611 --> 01:03:25,145

- Daryl.
- Hey, my man.

758

01:03:25,147 --> 01:03:26,747

You almost made it.

759

01:03:26,749 --> 01:03:30,017

I think your watch is fast.

760

01:03:30,019 --> 01:03:31,285

Joe, my man.

761

01:03:31,287 --> 01:03:32,786

- How's it going?

- What's going on?

762

01:03:32,788 --> 01:03:34,221

- What's happening?

- Looking tired, man.

763

01:03:34,223 --> 01:03:35,589

You still taking
that multivitamin?

764

01:03:35,591 --> 01:03:36,523

Not like I should.

765

01:03:36,525 --> 01:03:38,625

Yeah, but, listen,
you got to take the D.

766

01:03:38,627 --> 01:03:39,693

If you don't take vitamin D,

767

01:03:39,695 --> 01:03:41,895

none of that stuff's gonna
absorb into your body.

768

01:04:57,306 --> 01:05:00,307

Clarence Wendell Crumb.

769

01:05:20,863 --> 01:05:22,430

Take a little bit
of grape seed extract,

770

01:05:22,432 --> 01:05:23,864

and it'll keep it all in there.

771

01:05:23,866 --> 01:05:25,732

You'll absorb it

into your body faster.

772

01:05:25,734 --> 01:05:27,435

Let me ask you,

how much water you drinking?

773

01:05:27,437 --> 01:05:30,737

- Not enough.

- Yeah. I know.

774

01:05:56,699 --> 01:05:58,165

How?

775

01:05:58,167 --> 01:06:02,870

How did you get here

without anyone seeing?

776

01:06:02,872 --> 01:06:05,038

The sound of

a car backfiring occurs

777

01:06:05,040 --> 01:06:08,308

when unburned fuel vapor is

ignited by a very hot muffler

778

01:06:08,310 --> 01:06:10,244

upon the car being turned off.

779

01:06:10,246 --> 01:06:12,246

Daryl, who takes over

at 11:00 p.m.,

780

01:06:12,248 --> 01:06:14,781

suffers from this particular

vehicular malady.

781

01:06:14,783 --> 01:06:17,718

It happened seven minutes ago.

782

01:06:17,720 --> 01:06:19,887

Couple that with the fact

that I've overheard complaints

783

01:06:19,889 --> 01:06:22,055

about how long it takes him

to get to his desk...

784

01:06:22,057 --> 01:06:24,091

he's a bit of a talker,

you see...

785

01:06:24,093 --> 01:06:26,994

I estimate I have

two to three minutes left.

786

01:06:26,996 --> 01:06:30,465

Someone has been pretending.

787

01:06:30,467 --> 01:06:31,932

Pilfered the aspirin bottle.

788

01:06:31,934 --> 01:06:34,768

Replaced the original dose

of medicine

789

01:06:34,770 --> 01:06:36,471

with the same amount

of aspirin.

790

01:06:36,473 --> 01:06:37,938

Did sleight of hand
with the pills

791

01:06:37,940 --> 01:06:40,407

given to me to take daily.

792

01:06:40,409 --> 01:06:42,743

What do you want?

793

01:06:42,745 --> 01:06:44,811

Ma'am.

794

01:06:44,813 --> 01:06:47,114

I'm here to see

795

01:06:47,116 --> 01:06:49,950

if the tales of the
extraordinary being are real,

796

01:06:49,952 --> 01:06:52,953

- the half-man, half-creature.

- Patricia.

797

01:06:52,955 --> 01:06:55,691

But I appreciate your manners.

798

01:06:58,928 --> 01:07:01,061

I don't know anymore.

799

01:07:01,063 --> 01:07:02,963

I'm a comic book expert,

Patricia.

800

01:07:02,965 --> 01:07:05,799

I believe comic books are
a continuation of documentation

801

01:07:05,801 --> 01:07:09,903

that has gone on for centuries
of what humans are capable of.

802

01:07:09,905 --> 01:07:15,108

That they are what someone
somewhere saw or felt.

803

01:07:15,110 --> 01:07:17,778

Are you aware that spandex,
the underwear on the outside,

804

01:07:17,780 --> 01:07:22,382

and boots come from strongmen
in the circus in the 1930s?

805

01:07:22,384 --> 01:07:23,984

- No.

- The freak show men

806

01:07:23,986 --> 01:07:26,253

who could do
incredible feats of strength.

807

01:07:26,255 --> 01:07:30,525

I urge you to look past the
capes and monologuing villains.

808

01:07:30,527 --> 01:07:32,259

Are you with me?

809

01:07:32,261 --> 01:07:34,462

Yes.

810

01:07:34,464 --> 01:07:36,230

I only have a minute left.

811

01:07:36,232 --> 01:07:38,865

I believe The Beast

may be part of this.

812

01:07:38,867 --> 01:07:41,368

There are references

to man/animal characters.

813

01:07:41,370 --> 01:07:45,138

The dual character, the man

who has abilities like animals.

814

01:07:45,140 --> 01:07:48,141

I'd like to meet The Beast,

see if he's real.

815

01:07:48,143 --> 01:07:50,410

If he is,

816

01:07:50,412 --> 01:07:54,281

then I'll get us all

out of here tomorrow night.

817

01:07:58,455 --> 01:08:01,088

What's upsetting you, Patricia?

818

01:08:01,090 --> 01:08:03,892

What if he can't do

these extraordinary things?

819

01:08:06,596 --> 01:08:10,297

What if he is just unwell?

820

01:08:10,299 --> 01:08:12,001

Like you.

821

01:08:13,902 --> 01:08:18,606

Everything extraordinary

can be explained away,

822

01:08:18,608 --> 01:08:22,309

and yet it is true.

823

01:08:22,311 --> 01:08:24,445

I think deep down

you know this.

824

01:08:24,447 --> 01:08:28,982

Everything we will see and do

will have a basis in science.

825

01:08:28,984 --> 01:08:30,984

But it will have limits.

826

01:08:30,986 --> 01:08:33,920

This is the real world,

not a cartoon.

827

01:08:33,922 --> 01:08:38,925

And yet some of us

don't die from bullets.

828

01:08:38,927 --> 01:08:43,330

Some of us
can still bend steel.

829

01:08:43,332 --> 01:08:47,267

That is not a fantasy.

830

01:08:47,269 --> 01:08:50,103

Hmm.

831

01:08:50,105 --> 01:08:53,541

If you really think
you can get us all out,

832

01:08:53,543 --> 01:08:56,611

then you may meet The Beast.

833

01:08:56,613 --> 01:09:00,316

But for your sake,
I hope he likes you.

834

01:09:02,251 --> 01:09:04,951

Tomorrow night.

835

01:09:04,953 --> 01:09:07,856

Call a board meeting

or whatever.

836

01:09:13,062 --> 01:09:15,931

What do we call you, sir?

837

01:09:18,635 --> 01:09:23,839

First name, "Mr."

Last name, "Glass."

838

01:09:33,115 --> 01:09:35,115

- What's going on?

- Be careful.

839

01:09:35,117 --> 01:09:36,983

- What... Oh.

- Not too much pressure when restraining him.

840

01:09:36,985 --> 01:09:38,118

Dr. Staple, what are you doing?

841

01:09:38,120 --> 01:09:39,252

- It's a sedative.

- What?

842

01:09:39,254 --> 01:09:40,655

- I'm sorry to do this, Elijah.

- Ow!

843

01:09:40,657 --> 01:09:42,989

We saw footage of you
leaving your room last night.

844

01:09:42,991 --> 01:09:44,391

- No. No.

- It seems you have been duping us.

845

01:09:44,393 --> 01:09:46,393

I've moved up the procedure
to this morning.

846

01:09:46,395 --> 01:09:47,495

Wait, I...

847

01:10:04,681 --> 01:10:07,414

Thank you

for being careful, everyone.

848

01:10:07,416 --> 01:10:09,151

Good luck, Elijah.

849

01:10:10,487 --> 01:10:12,687

Nothing essential

is going to change

850

01:10:12,689 --> 01:10:14,655

about who you are.

851

01:10:14,657 --> 01:10:16,959

I promise, my friend.

852

01:10:32,141 --> 01:10:34,141

Elijah!

853

01:10:58,400 --> 01:11:01,401

Elijah!

854

01:11:03,573 --> 01:11:05,506

So let's all scream!

855

01:11:20,088 --> 01:11:22,590

Elijah!

856

01:11:22,592 --> 01:11:24,559

Ma'am, get ahold of yourself.

857

01:11:25,728 --> 01:11:28,429

Mama!

858

01:11:34,504 --> 01:11:36,303

Elijah!

859

01:11:36,305 --> 01:11:38,205

Stop the ride!

860

01:11:38,207 --> 01:11:40,373

- Ma'am, step down.

- Stop the ride!

861

01:12:22,552 --> 01:12:25,285

Dinner, Elijah.

862

01:12:26,623 --> 01:12:28,321

How you doing?

863

01:12:30,292 --> 01:12:32,660

You'll feel better tomorrow.

864

01:12:37,099 --> 01:12:39,201

Pictures are crooked.

865

01:12:51,313 --> 01:12:53,814

Hey.

866

01:12:57,386 --> 01:13:01,323

Took a bitch-ass long time
to find the right piece.

867

01:13:20,175 --> 01:13:23,711

<i>First name, "Mr."</i>

868

01:13:23,713 --> 01:13:27,882

Last name, "Glass."

869

01:14:21,403 --> 01:14:23,537

You don't know

what it's like, Daryl.

870

01:14:23,539 --> 01:14:27,808

To be so different,

you don't know where you fit.

871

01:14:27,810 --> 01:14:30,511

It's an awful feeling.

872

01:14:42,424 --> 01:14:44,391

Hey there, buddy. What's up?

873

01:14:44,393 --> 01:14:45,826

Patricia told us

you were coming.

874

01:14:45,828 --> 01:14:49,295

My name is Luke, and I am
Team Horde all the way.

875

01:14:49,297 --> 01:14:51,398

Yeah, I can intro you
to everybody.

876

01:14:51,400 --> 01:14:53,434

I ain't no bad hombre to know.

877

01:14:53,436 --> 01:14:55,603

Everybody's gonna tell you
that I got a big mouth, though,

878

01:14:55,605 --> 01:14:57,905

I spoil
the end of movies. Ain't true.

879

01:14:57,907 --> 01:15:00,775

Everybody knows the priest dies
at the end of <i>The Exorcist.</i>

880

01:15:03,278 --> 01:15:05,579

The American Sublime.

881

01:15:05,581 --> 01:15:09,583

Do you even know

what that means? No.

882

01:15:09,585 --> 01:15:12,720

That is why

this world is a lost cause.

883

01:15:12,722 --> 01:15:14,555

That is why The Beast is

884

01:15:14,557 --> 01:15:16,691

the only thing that is

pure and meaningful...

885

01:15:16,693 --> 01:15:19,694

American Sublime refers to

Western paintings of landscapes

886

01:15:19,696 --> 01:15:22,463

and seascapes depicting
the immensity of nature.

887

01:15:22,465 --> 01:15:24,465

The use of violent storms
in the distance

888

01:15:24,467 --> 01:15:26,667

was a common practice.

889

01:15:26,669 --> 01:15:29,302

Painting's of particular
interest to me.

890

01:15:32,542 --> 01:15:35,543

Hey, Miss Patricia says
that your bones can break

891

01:15:35,545 --> 01:15:37,611

if I, like,
tap them.

892

01:15:37,613 --> 01:15:38,813

Is that true?

893

01:15:38,815 --> 01:15:40,346

Yes.

894

01:15:40,348 --> 01:15:42,348

Uh, so what's your superpower?

895

01:15:42,350 --> 01:15:44,487

Your-your mind?

896

01:15:45,788 --> 01:15:47,757

What's mine?

897

01:15:50,960 --> 01:15:53,961

You're nine forever, right?

898

01:15:53,963 --> 01:15:55,963

Yeah.

899

01:15:55,965 --> 01:15:58,466

That's incredible.

900

01:15:58,468 --> 01:16:01,635

You can see the world
the way it really is.

901

01:16:01,637 --> 01:16:03,537

Always.

902

01:16:03,539 --> 01:16:06,006

Kid who can never grow old.

903

01:16:08,644 --> 01:16:10,345

Are you ready?

904

01:16:12,782 --> 01:16:16,784

Are you ready?

905

01:16:16,786 --> 01:16:18,919

Yeah.

906

01:16:18,921 --> 01:16:20,857

Whoa.

907

01:16:23,893 --> 01:16:27,061

This place is so cool,
Mr. Glass.

908

01:16:27,063 --> 01:16:30,363

I feel like dancing.

909

01:16:30,365 --> 01:16:32,365

Then go ahead and dance.

910

01:16:32,367 --> 01:16:34,435

Yeah! Check it!

911

01:16:40,476 --> 01:16:42,277

Yeah.

912

01:16:49,919 --> 01:16:52,420

Oh, man.

913

01:17:41,804 --> 01:17:45,539

They've been lying to us all.

914

01:17:45,541 --> 01:17:49,377

You believe?

915

01:17:50,112 --> 01:17:52,882

Yes, I do.

916

01:17:55,451 --> 01:17:58,752

It's what I've believed
my whole life.

917

01:18:01,157 --> 01:18:05,125

They are losing faith.

918

01:18:05,127 --> 01:18:10,764

My Horde is losing faith!

919

01:18:10,766 --> 01:18:13,567

In comics...

920

01:18:13,569 --> 01:18:17,905

you would go to a public place
where all could see you.

921

01:18:17,907 --> 01:18:21,742

A place celebrating
man's pedestrian achievements.

922

01:18:23,546 --> 01:18:28,616

But you need David
to convince them.

923

01:18:28,618 --> 01:18:31,185

You should fight him

924

01:18:31,187 --> 01:18:33,689

in front of the world.

925

01:18:35,625 --> 01:18:39,793

The tallest building
in this city is opening today.

926

01:18:39,795 --> 01:18:46,667

All the cameras in the world
will record you.

927

01:18:46,669 --> 01:18:51,805

You can convince the Horde
and the world at the same time.

928

01:18:51,807 --> 01:18:55,075

We exist.

929

01:18:59,248 --> 01:19:05,552

Why are you
in this chair, child?

930

01:19:05,554 --> 01:19:09,623

My bones break easily.

931

01:19:09,625 --> 01:19:11,191

I was born this way.

932

01:19:11,193 --> 01:19:15,195

I've had 94 breaks in my life.

933

01:19:15,197 --> 01:19:18,832

I've known only pain.

934

01:19:18,834 --> 01:19:21,869

Rejoice.

935

01:19:21,871 --> 01:19:28,142

You have suffered

and are now pure.

936

01:19:28,144 --> 01:19:32,846

I assume you were sent here

to be an avenging angel.

937

01:19:34,684 --> 01:19:37,851

How much do you want

to avenge us?

938

01:19:53,736 --> 01:19:58,841

Well, that sounds like

the bad guys teaming up.

939

01:20:03,012 --> 01:20:05,679

How you doing, David?

940

01:20:05,681 --> 01:20:08,215

I always thought of us
as friends.

941

01:20:08,217 --> 01:20:10,718

Elijah?

942

01:20:10,720 --> 01:20:13,153

You shouldn't be hiding
in the shadows, David.

943

01:20:13,155 --> 01:20:16,023

You're able to hide
because people who steal cars

944

01:20:16,025 --> 01:20:19,860

and mug people in alleys
don't need your full potential.

945

01:20:19,862 --> 01:20:21,762

You're only using
one percent of your abilities

946

01:20:21,764 --> 01:20:23,330
with these petty criminals.

947

01:20:23,332 --> 01:20:26,867
Maybe there's nothing
to hide, Elijah.

948

01:20:26,869 --> 01:20:28,268
I have found someone

949

01:20:28,270 --> 01:20:32,172
who will require your
full potential to come out.

950

01:20:32,174 --> 01:20:34,775
A superhuman serial killer.

951

01:20:34,777 --> 01:20:38,178
Don't do this.

952

01:20:38,180 --> 01:20:40,781

How can we be the only ones?

953

01:20:40,783 --> 01:20:43,951

Maybe we believed something
that isn't even true.

954

01:20:45,054 --> 01:20:49,323

We are going to the
tallest building in the city.

955

01:20:49,325 --> 01:20:52,092

The Horde is going to be
revealed there.

956

01:20:52,094 --> 01:20:53,694

There are three floors

957

01:20:53,696 --> 01:20:55,796

that house a chemical company
in that building.

958

01:20:55,798 --> 01:20:57,931

I am going to blow up
that building

959

01:20:57,933 --> 01:20:59,800

using their chemicals, David.

960

01:20:59,802 --> 01:21:03,637

You might want
to try and stop us.

961

01:21:03,639 --> 01:21:06,306

Today is your coming-out party.

962

01:21:06,308 --> 01:21:09,143

At least you know what to wear.

963

01:21:15,217 --> 01:21:18,719

I've turned off the water hoses
in your room, David.

964

01:21:18,721 --> 01:21:21,355

- There's only the door left.

- Elijah.

965

01:21:21,357 --> 01:21:22,956

It's metal.

966

01:21:22,958 --> 01:21:24,691

But you can't get through it

967

01:21:24,693 --> 01:21:27,227

because people's bones break
against metal,

968

01:21:27,229 --> 01:21:29,863

and you're nothing special.

969

01:21:29,865 --> 01:21:35,002

A lot of people are
going to die, Overseer,

970

01:21:35,004 --> 01:21:38,839

if you don't get
through that door.

971

01:21:45,981 --> 01:21:48,084

Hi.

972

01:22:10,072 --> 01:22:11,774

I'm here.

973

01:22:30,427 --> 01:22:32,025

Daryl?

974

01:23:27,816 --> 01:23:30,217

This is where

they would paint you

975

01:23:30,219 --> 01:23:35,224

with big eyes and bubbles

of confusion above your head.

976

01:23:44,434 --> 01:23:49,437

You... hurt him?

977

01:23:49,439 --> 01:23:51,371

What are you doing?

978

01:23:51,373 --> 01:23:56,843

You should kneel before him.

979

01:23:56,845 --> 01:23:59,780

He is the broken.

980

01:23:59,782 --> 01:24:02,115

Step away from me.

981

01:24:02,117 --> 01:24:05,252

Get back in your room!

Both of you!

982

01:24:18,033 --> 01:24:21,134

You're fighting for the broken.

983

01:24:22,871 --> 01:24:24,371

You found your purpose.

984

01:24:54,937 --> 01:24:59,006

One of the Horde may need

to walk us out of here,

985

01:24:59,008 --> 01:25:02,378

if that's okay... partner.

986

01:26:10,613 --> 01:26:12,915

Go through the basement.

987

01:28:08,230 --> 01:28:09,497

Listen to me, Joseph.

988

01:28:09,499 --> 01:28:11,566

Your father is making
great progress.

989

01:28:11,568 --> 01:28:14,201

I'm very hopeful for him.

990

01:28:14,203 --> 01:28:20,008

Did you know the first Superman
couldn't even fly?

991

01:28:21,376 --> 01:28:24,244

And Metropolis is actually
New York City.

992

01:28:24,246 --> 01:28:25,680

And what about
all the coincidences

993

01:28:25,682 --> 01:28:27,247

in what I was reading?

994

01:28:27,249 --> 01:28:30,052

Comic books are an obsession.

995

01:28:31,286 --> 01:28:35,255

Have you ever been
to a comic book convention?

996

01:28:35,257 --> 01:28:38,493

They sell teen TV shows there.

997

01:28:38,495 --> 01:28:41,496

They are selling things.

998

01:28:41,498 --> 01:28:46,536

Your friends and family members
have lost their perspective.

999

01:28:48,471 --> 01:28:52,138

Your dad is trying
to fight her abductor.

1000

01:28:52,140 --> 01:28:55,242

Your son is trying
to best his dad.

1001

01:28:55,244 --> 01:28:57,478

He's the anarchist.

1002

01:28:57,480 --> 01:28:59,647

He's the brains.

He's the reluctant hero.

1003

01:28:59,649 --> 01:29:03,283

This all sounds very familiar,
doesn't it?

1004

01:29:03,285 --> 01:29:07,287

Comic books are not
valid history.

1005

01:29:16,866 --> 01:29:20,367

Hey, what wing are you with?

1006

01:29:20,369 --> 01:29:23,236

Uh, The Beast
is saying that he'd like you

1007

01:29:23,238 --> 01:29:25,441

to roll forward when they come.

1008

01:29:29,177 --> 01:29:31,079

I believe.

1009

01:29:31,814 --> 01:29:33,516

I believe.

1010

01:29:35,585 --> 01:29:37,554

I believe.

1011

01:29:43,392 --> 01:29:45,193

I believe.

1012

01:30:37,379 --> 01:30:40,781

The new Osaka building
opens today with much fanfare.

1013

01:30:40,783 --> 01:30:43,484

Thousands are expected
to come out for the ceremony.

1014

01:30:43,486 --> 01:30:45,753

Many just want to see
the spectacular architecture.

1015

01:30:45,755 --> 01:30:47,788

Now, this building is expected

1016

01:30:47,790 --> 01:30:49,924

to be the hub
of the business community,

1017

01:30:49,926 --> 01:30:51,425

creating thousands of jobs...

1018

01:30:51,427 --> 01:30:53,494

We have a Code Three.

1019

01:30:53,496 --> 01:30:55,295

All patients locked

in their rooms.

1020

01:30:55,297 --> 01:30:57,397

Grounds security on alert.

1021

01:30:57,399 --> 01:30:59,199

The patients

are planning to go

1022

01:30:59,201 --> 01:31:00,868

to the public opening

of the Osaka Tower,

1023

01:31:00,870 --> 01:31:02,369

the tallest building.

1024

01:31:02,371 --> 01:31:03,871

Elijah may be intending
to compromise

1025

01:31:03,873 --> 01:31:05,506

a chemical facility there.

1026

01:31:05,508 --> 01:31:08,274

Please alert the
Philadelphia Police Department.

1027

01:31:08,276 --> 01:31:11,277

They made a mistake
going through the basement.

1028

01:31:11,279 --> 01:31:13,313

It gives us some time.

1029

01:31:13,315 --> 01:31:15,415

I remember something

1030

01:31:15,417 --> 01:31:17,685

about a classic public forum

1031

01:31:17,687 --> 01:31:20,521

where the climax

of limited editions end.

1032

01:31:20,523 --> 01:31:23,557

Uh, I think he said it was

referred to as the showdown,

1033

01:31:23,559 --> 01:31:25,960

where all the skills

are revealed

1034

01:31:25,962 --> 01:31:29,597

and-and pitted

against each other.

1035

01:31:29,599 --> 01:31:31,467

And then?

1036

01:31:32,835 --> 01:31:34,737

What happens?

1037

01:31:58,828 --> 01:32:00,628

Christ, they're out here.

1038

01:32:00,630 --> 01:32:01,929

They're out here!

1039

01:32:16,512 --> 01:32:18,012

This is Dr. Ellie Staple.

1040

01:32:18,014 --> 01:32:19,412

We will need assistance

1041

01:32:19,414 --> 01:32:21,751

at Raven Hill Memorial

immediately.

1042

01:32:42,772 --> 01:32:45,307

No!

1043

01:32:50,345 --> 01:32:52,646

How many people
are gonna die today?

1044

01:32:52,648 --> 01:32:53,914

Huh?

1045

01:32:53,916 --> 01:32:55,415

I don't want to do this.

1046

01:32:55,417 --> 01:32:56,917

I don't care
what Patricia says.

1047

01:32:56,919 --> 01:32:58,886

I'm not...

1048

01:32:58,888 --> 01:33:01,655

Hedwig's taking the light.

1049

01:33:01,657 --> 01:33:04,091

Hey, what's up?

1050

01:33:04,093 --> 01:33:06,026

Don't worry.

1051

01:33:06,028 --> 01:33:07,661

We don't need him anyway.

1052

01:33:07,663 --> 01:33:10,798

There are still ten of us.

1053

01:33:16,906 --> 01:33:20,843

It appears The Beast
is not done here yet.

1054

01:33:43,733 --> 01:33:46,133

We've got eyes on him.

Please advise.

1055

01:33:48,403 --> 01:33:49,839

Please advise.

1056

01:34:08,390 --> 01:34:11,627

The collection
of main characters.

1057

01:34:53,202 --> 01:34:57,538

Keep patients and staff away
from the south-side windows.

1058

01:34:57,540 --> 01:34:59,508

Authorities are on their way.

1059

01:35:20,963 --> 01:35:22,496

Okay. I got you.

1060

01:35:29,839 --> 01:35:34,208

You will learn to kneel
before the broken.

1061

01:36:21,624 --> 01:36:24,258

I need to explain.

He has D.I.D.

1062

01:36:24,260 --> 01:36:26,694

- He believes he's an animal.

- Keep moving.

1063

01:36:26,696 --> 01:36:28,128

No, you don't understand.

1064

01:36:28,130 --> 01:36:29,730

All he knows is pain.

1065

01:36:29,732 --> 01:36:31,231

You're going to get hurt.

1066

01:36:31,233 --> 01:36:32,933

Somebody, please...

1067

01:36:32,935 --> 01:36:34,668

He has D.I.D.

1068

01:36:34,670 --> 01:36:36,270

We can get the compassionate
people inside him

1069

01:36:36,272 --> 01:36:37,738

- to help you.

- Stay here.

1070

01:36:37,740 --> 01:36:40,876

You're the girl

The Beast let go.

1071

01:37:10,773 --> 01:37:12,940

Stay away from him.

1072

01:37:12,942 --> 01:37:15,511

Go!

1073

01:37:39,301 --> 01:37:41,438

I'm just trying to save you.

1074

01:38:16,806 --> 01:38:20,040

Casey, the light

won't work out here now.

1075

01:38:20,042 --> 01:38:23,010

You have to be the one

to get Kevin to come out.

1076

01:38:23,012 --> 01:38:25,179

We need to get them
inside to safety.

1077

01:38:25,181 --> 01:38:26,980

Do you hear me?

1078

01:38:28,651 --> 01:38:29,950

Dad, there are two

1079

01:38:29,952 --> 01:38:31,218

tactical teams on the way.

1080

01:38:31,220 --> 01:38:33,020

Get back inside!

1081

01:38:38,428 --> 01:38:40,060

Hurry.

1082

01:38:40,062 --> 01:38:41,662

Get inside the building.

1083

01:38:52,875 --> 01:38:55,443

The water

used for David's room.

1084

01:38:55,445 --> 01:38:57,211

There's water in that tank.

1085

01:38:57,213 --> 01:38:59,780

I know he almost drowned

when he was a child.

1086

01:38:59,782 --> 01:39:02,151

Water is his weakness.

1087

01:39:03,953 --> 01:39:05,385

Hey!

1088

01:39:05,387 --> 01:39:06,420

- Hey!

- Joseph!

1089

01:39:06,422 --> 01:39:07,888

He's lying to you.

1090

01:39:07,890 --> 01:39:10,023

In comics, the parents
of the villains

1091

01:39:10,025 --> 01:39:12,860

always hold a key to understanding them.

1092

01:39:12,862 --> 01:39:14,828

He's not telling you something.

1093

01:39:14,830 --> 01:39:16,632

Joseph, get back!

1094

01:39:20,336 --> 01:39:23,203

Don't tell him yet.

1095

01:39:25,174 --> 01:39:29,444

Kevin's dad didn't just take
any train and not come home.

1096

01:39:45,462 --> 01:39:47,361

Eastrail 177.

1097

01:39:47,363 --> 01:39:49,665

Next stop, Philadelphia.

1098

01:40:17,826 --> 01:40:20,394

<i>He took the train

my dad was on.</i>

1099

01:40:20,396 --> 01:40:24,133

<i>The one that everyone died

except my dad.</i>

1100

01:40:30,839 --> 01:40:32,841

That's the key to who you are.

1101

01:40:34,843 --> 01:40:37,878

Mr. Glass killed Kevin's dad.

1102

01:40:51,193 --> 01:40:53,927

It's all evidence, you see?

1103

01:40:53,929 --> 01:40:56,129

If that train crash
hadn't happened,

1104

01:40:56,131 --> 01:40:59,066

Kevin wouldn't have been
left alone with his mother.

1105

01:40:59,068 --> 01:41:00,501

If Kevin's mother
wasn't allowed

1106

01:41:00,503 --> 01:41:01,502

to continue to abuse him,

1107

01:41:01,504 --> 01:41:04,805

then The Beast
wouldn't have had to be born.

1108

01:41:04,807 --> 01:41:07,442

What are the odds
that David Dunn

1109

01:41:07,444 --> 01:41:13,448

and Clarence Wendell Crumb
would be together that day?

1110

01:41:13,450 --> 01:41:15,150

Amazing.

1111

01:41:16,819 --> 01:41:20,954

I created you,
as I created David.

1112

01:41:20,956 --> 01:41:24,559

It just took longer.

1113

01:41:24,561 --> 01:41:27,027

19 years.

1114

01:41:27,029 --> 01:41:30,297

They almost convinced me
I was crazy.

1115

01:41:30,299 --> 01:41:34,935

I create superheroes.

1116

01:41:34,937 --> 01:41:39,574

I truly am a mastermind.

1117

01:41:41,176 --> 01:41:46,447

I thank you for what you did.

1118

01:41:46,449 --> 01:41:50,117

But I came to protect Kevin.

1119

01:41:50,119 --> 01:41:56,524

And I cannot trust you
to keep him safe.

1120

01:42:00,996 --> 01:42:02,396

Hey.

1121

01:42:02,398 --> 01:42:05,132

We still haven't settled
that kneeling thing.

1122

01:42:05,134 --> 01:42:08,101

The classic turn.

1123

01:42:08,103 --> 01:42:10,505

The enemy becomes the ally

1124

01:42:10,507 --> 01:42:15,411

because of the hero's
unflinching sense of good.

1125

01:43:46,436 --> 01:43:51,039

We will finish this
in front of the world.

1126

01:44:08,056 --> 01:44:10,125

Elijah.

1127

01:44:19,769 --> 01:44:21,471

Release me.

1128

01:44:26,008 --> 01:44:28,008

Let me talk

to Kevin Wendell Crumb.

1129

01:44:29,746 --> 01:44:31,746

No!

1130

01:44:35,083 --> 01:44:37,485

Release me.

1131

01:44:37,487 --> 01:44:39,720

I need to talk

to Kevin Wendell Crumb.

1132

01:44:42,459 --> 01:44:44,525

He needs me.

1133

01:44:44,527 --> 01:44:46,561

Kevin Wendell Crumb.

1134

01:44:48,665 --> 01:44:49,764

Kevin Wendell Crumb.

1135

01:44:52,100 --> 01:44:54,236

Kevin Wendell Crumb.

1136

01:45:04,747 --> 01:45:06,516

Hey.

1137

01:45:08,551 --> 01:45:10,383

The Beast listened to me.

1138

01:45:10,385 --> 01:45:12,252

He couldn't do what he wanted.

1139

01:45:12,254 --> 01:45:14,387

You can tell him what to do.

1140

01:45:14,389 --> 01:45:18,124

- I'm not in charge of the light.

- Yes.

1141

01:45:18,126 --> 01:45:21,127

Yes, you are.

1142

01:45:23,198 --> 01:45:26,099

It feels good.

1143

01:45:26,101 --> 01:45:27,635

Doesn't it?

1144

01:45:27,637 --> 01:45:30,471

Mm-hmm.

1145

01:45:30,473 --> 01:45:34,542

Will you stay

in the light with me?

1146

01:45:34,544 --> 01:45:36,479

For a little while?

1147

01:45:59,936 --> 01:46:03,437

She was able

to turn him. Target down.

1148

01:46:19,354 --> 01:46:21,722

You guys got to help him.

That's my dad.

1149

01:46:21,724 --> 01:46:23,323

He's trying to help you guys.

1150

01:46:23,325 --> 01:46:24,825

The guy in the green,

that's my dad.

1151

01:46:24,827 --> 01:46:27,595

He's trying to stop the Horde.

He's really weak.

1152

01:47:05,167 --> 01:47:07,602

David.

1153

01:47:07,604 --> 01:47:08,936

David, take my hand.

1154

01:47:08,938 --> 01:47:10,571

Take it now!

1155

01:47:35,330 --> 01:47:37,433

It's just us.

1156

01:47:42,371 --> 01:47:44,805

They sent me here
for you three.

1157

01:47:44,807 --> 01:47:47,808

Tell me the truth.

1158

01:47:47,810 --> 01:47:51,179

Did I almost convince you
you were an ordinary man?

1159

01:47:54,383 --> 01:47:57,485

I would have left you alone,

1160

01:47:57,487 --> 01:48:02,592

but when the Horde showed up
here, then I just had to come.

1161

01:48:17,807 --> 01:48:20,441

Didn't you tell me
there was a showdown

1162

01:48:20,443 --> 01:48:22,743

at the end of a limited edition?

1163

01:48:22,745 --> 01:48:25,245

How come you didn't know

how it was gonna end?

1164

01:48:25,247 --> 01:48:26,814

Oh, Mama.

1165

01:48:26,816 --> 01:48:32,318

This is not a limited edition.

1166

01:48:32,320 --> 01:48:35,990

This was an origin story

1167

01:48:35,992 --> 01:48:38,759

the whole time.

1168

01:49:01,851 --> 01:49:03,884

What's happening?

1169

01:49:08,758 --> 01:49:10,891

I like being nine.

1170

01:49:12,762 --> 01:49:15,395

It... it hurts, Casey.

1171

01:49:15,397 --> 01:49:16,964

Get it to stop hurting.

1172

01:49:18,634 --> 01:49:23,003

I-I can't... hold on
to the light, Casey.

1173

01:49:26,341 --> 01:49:29,710

I should never
have listened to her.

1174

01:49:34,083 --> 01:49:36,784

Now these pants
got blood on them.

1175

01:49:36,786 --> 01:49:38,384

They're ruined.

1176

01:49:40,723 --> 01:49:43,758

We got to clean
these pants, Casey.

1177

01:49:45,828 --> 01:49:49,630

As his body slowly
succumbs to the inevitable,

1178

01:49:49,632 --> 01:49:55,069

a sensation of cold water
spreads through his body.

1179

01:49:55,071 --> 01:50:01,542

His thoughts are a mixture
of fear and sweet relief.

1180

01:50:03,613 --> 01:50:06,346

Ladies and gentlemen,
here's Patricia.

1181

01:50:06,348 --> 01:50:08,816

We should all listen to her.

1182

01:50:10,787 --> 01:50:12,686

Did you see them?

1183

01:50:12,688 --> 01:50:16,524

They are both extraordinary.

1184

01:50:16,526 --> 01:50:19,359

I never doubted. I...

1185

01:50:19,361 --> 01:50:23,363

Never let them tell you

I doubted it.

1186

01:50:26,702 --> 01:50:28,569

They're all so scared.

1187

01:50:28,571 --> 01:50:32,675

But I told them that I'm gonna
hold the light now.

1188

01:50:35,578 --> 01:50:38,681

You really my friend?

1189

01:50:41,584 --> 01:50:43,651

Then I'm gonna hold the light
till the end.

1190

01:50:43,653 --> 01:50:45,387

Till the very end.

1191

01:50:48,457 --> 01:50:51,326

It's not so bad
being in the light.

1192

01:50:59,936 --> 01:51:01,871

Kevin.

1193

01:51:38,174 --> 01:51:41,508

Would you mind
stepping away for a moment

1194

01:51:41,510 --> 01:51:43,713

so I can check him?

1195

01:51:45,648 --> 01:51:47,750

It's okay.

1196

01:52:06,202 --> 01:52:08,537

They got it wrong
in the comics.

1197

01:52:10,239 --> 01:52:12,239

They talk about
secret evil groups

1198

01:52:12,241 --> 01:52:14,775

trying to stop the heroes.

1199

01:52:14,777 --> 01:52:17,211

I don't think
we are particularly evil,

1200

01:52:17,213 --> 01:52:20,114

and we don't choose sides.

1201

01:52:20,116 --> 01:52:21,949

We try to stop both of you.

1202

01:52:21,951 --> 01:52:26,987

If there is one of you,
the opposite of you appears.

1203

01:52:26,989 --> 01:52:28,255

It escalates.

1204

01:52:28,257 --> 01:52:30,591

We step in.

1205

01:52:30,593 --> 01:52:34,595

There just can't be
gods amongst us.

1206

01:52:34,597 --> 01:52:35,996

It's not fair.

1207

01:52:35,998 --> 01:52:41,535

It has worked just fine
for 10,000 years our way.

1208

01:52:41,537 --> 01:52:43,771

Take consolation in the fact

1209

01:52:43,773 --> 01:52:47,074

that you were right

about your theory.

1210

01:52:47,076 --> 01:52:50,012

Be at peace.

1211

01:53:09,565 --> 01:53:14,670

I wasn't a mistake, Mama.

1212

01:53:15,871 --> 01:53:17,006

No.

1213

01:53:19,075 --> 01:53:21,877

You were spectacular.

1214

01:53:38,928 --> 01:53:42,162

<i>These patients

were very disturbed.</i>

1215

01:53:42,164 --> 01:53:44,798

<i>Let me just simply state,
everything that occurred</i>

1216

01:53:44,800 --> 01:53:46,934

<i>was related to drugs
in their systems</i>

1217

01:53:46,936 --> 01:53:48,902

<i>or their heightened
state of mania.</i>

1218

01:53:48,904 --> 01:53:50,904

<i>For the patients' privacy,</i>

1219

01:53:50,906 --> 01:53:52,773

let's keep what happened
in this building

1220

01:53:52,775 --> 01:53:55,578

and this parking lot

to ourselves.

1221

01:53:56,846 --> 01:53:57,978

...general public alike.

1222

01:53:57,980 --> 01:53:59,279

Opening ceremonies

have concluded,

1223

01:53:59,281 --> 01:54:01,015

but from the looks on the faces

1224

01:54:01,017 --> 01:54:03,119

of the thousand...

1225

01:54:38,087 --> 01:54:40,623

All three were real.

1226

01:54:42,224 --> 01:54:45,893

Quite special, actually.

1227

01:54:45,895 --> 01:54:50,798

If you approve,
I will move to the next city.

1228

01:54:50,800 --> 01:54:53,367

Will there be
any repercussions?

1229

01:54:53,369 --> 01:54:55,803

No one saw them.

1230

01:54:55,805 --> 01:54:59,006

I know what my charge is.

1231

01:54:59,008 --> 01:55:00,908

Convince them.

1232

01:55:00,910 --> 01:55:04,845

This is the most humane
and effective method.

1233

01:55:04,847 --> 01:55:08,882

We're not executioners,
and we don't need martyrs.

1234

01:55:08,884 --> 01:55:12,853

If that fails, use the machine.

1235

01:55:12,855 --> 01:55:16,390

And I understand how important
what we're doing is.

1236

01:55:16,392 --> 01:55:19,393

Maintaining balance.

1237

01:55:19,395 --> 01:55:21,764

Keeping order.

1238

01:55:43,219 --> 01:55:45,152

We're not here
to buy umbrellas,

1239

01:55:45,154 --> 01:55:46,086

and you know it.

1240

01:55:46,088 --> 01:55:48,055

Spread your wings,

Mr. K.G. Bird.

1241

01:55:48,057 --> 01:55:50,023

We're flying you down

to headquarters.

1242

01:55:50,025 --> 01:55:52,693

On what charge, Boy Wonder?

1243

01:55:52,695 --> 01:55:54,094

Illegal umbrellas.

1244

01:55:54,096 --> 01:55:56,263

Assault and battery,

disturbing the peace.

1245

01:55:56,265 --> 01:55:59,467

We've got enough to put you

back on ice, Penguin.

1246

01:56:07,710 --> 01:56:08,976

He's too smart.

1247

01:56:08,978 --> 01:56:11,278

That's why he's the mastermind.

1248

01:56:11,280 --> 01:56:14,214

He'll never

tell you his real plan.

1249

01:56:14,216 --> 01:56:15,716

He sets everybody up.

1250

01:56:15,718 --> 01:56:17,417

Gets them looking

in one direction.

1251

01:56:17,419 --> 01:56:19,454

So cool, man.

1252

01:56:19,456 --> 01:56:23,092

There's always a real plan.

1253

01:56:33,470 --> 01:56:35,736

You see this camera?

1254

01:56:35,738 --> 01:56:38,372

There are 100 more of these.

1255

01:56:38,374 --> 01:56:41,277

Everything is being recorded.

1256

01:56:50,186 --> 01:56:52,419

<i>All videos

and all backup videos</i>

1257

01:56:52,421 --> 01:56:55,822

- <i>have been erased, correct?</i>

- <i>Yes.</i>

1258

01:56:55,824 --> 01:56:58,260

Was any of it downloaded
before that?

1259

01:57:06,268 --> 01:57:09,102

I don't know

how this is possible.

1260

01:57:09,104 --> 01:57:12,139

Someone was streaming
the live security feed

1261

01:57:12,141 --> 01:57:14,176

to a private site.

1262

01:57:38,267 --> 01:57:40,400

He went through
the basement tunnels

1263

01:57:40,402 --> 01:57:43,303

to be seen by
as many cameras as possible.

1264

01:57:43,305 --> 01:57:47,274

That's why he didn't go out
the side entrance.

1265

01:57:47,276 --> 01:57:49,076

<i>He was never planning</i>

1266

01:57:49,078 --> 01:57:50,946

<i>on going to that building.</i>

1267

01:57:53,516 --> 01:57:56,018

This was a suicide mission.

1268

01:57:57,286 --> 01:58:01,190

I gave him all the cameras

he needed right here.

1269

01:58:12,167 --> 01:58:16,038

What have you done, Elijah?

1270

01:59:11,894 --> 01:59:13,628

There are unknown forces

1271

01:59:13,630 --> 01:59:18,100

that don't want us to realize

what we are truly capable of.

1272

01:59:20,202 --> 01:59:23,170

They don't want us

to know the things we suspect

1273

01:59:23,172 --> 01:59:26,641

are extraordinary

about ourselves are real.

1274

01:59:38,053 --> 01:59:42,356

I believe that if everyone sees

what just a few people become

1275

01:59:42,358 --> 01:59:45,526

when they wholly embrace

their gifts,

1276

01:59:45,528 --> 01:59:47,831

others will awaken.

1277

01:59:51,701 --> 01:59:57,472

Belief in oneself

is contagious.

1278

01:59:57,474 --> 02:00:01,975

We give each other permission

to be superheroes.</i>

1279

02:00:01,977 --> 02:00:05,981

<i>We will never awaken
otherwise.</i>

1280

02:00:12,121 --> 02:00:14,455

<i>Whoever these people are</i>

1281

02:00:14,457 --> 02:00:18,091

<i>who don't want us
to know the truth,</i>

1282

02:00:18,093 --> 02:00:22,229

<i>today, they lose.</i>

1283

02:00:48,558 --> 02:00:50,325

Thanks.

1284

02:00:58,501 --> 02:01:02,035

How long's it been
since we posted it?

1285

02:01:02,037 --> 02:01:04,273

Two hours.

1286

02:01:09,044 --> 02:01:11,246

How long will it be before...?

1287

02:02:04,199 --> 02:02:06,301

I know what this is.

1288

02:02:09,706 --> 02:02:14,243

This is the moment

we are let in on the universe.
