

Dialogues from Leave No Trace to improve the vocabulary in English

2

00:00:53,294 --> 00:00:56,899

- [rain falling softly]

- [birds chirping]

3

00:01:53,887 --> 00:01:57,392

[man humming, vocalizing]

4

00:02:00,428 --> 00:02:04,265

[girl joins in

humming, vocalizing]

5

00:02:08,036 --> 00:02:13,342

[both humming

"You Are My Sunshine"]

6

00:02:22,949 --> 00:02:24,318

Thank you.

7

00:02:28,823 --> 00:02:31,627

Dad, this wood is really
good for feathering.

8

00:02:36,430 --> 00:02:37,698

It's really nice work.

9

00:02:47,709 --> 00:02:49,708

[hums two notes]

10

00:02:49,710 --> 00:02:51,446

[flint striking]

11

00:03:30,984 --> 00:03:32,487

Thank you.

12

00:03:47,101 --> 00:03:50,771

[humming melody]

13

00:04:00,614 --> 00:04:04,518

[rain pattering on tarp]

14

00:04:35,816 --> 00:04:36,951

Look.

15

00:04:38,986 --> 00:04:40,953

Oh!

16

00:04:40,955 --> 00:04:42,554

Excellent haul.

17

00:04:42,556 --> 00:04:44,622

Need help?

18

00:04:44,624 --> 00:04:46,624

Uh, could you

tighten that

19

00:04:46,626 --> 00:04:48,496

with the screw

right here?

20

00:04:51,032 --> 00:04:53,799

- Yeah. Yeah.

- Hold it. Yeah.

21

00:04:53,801 --> 00:04:55,734

Will it cook a mushroom?

22

00:04:55,736 --> 00:04:57,572

It should

cook a mushroom.

23

00:05:00,640 --> 00:05:03,578

- You put it on here?

- Just like that.

24

00:05:08,549 --> 00:05:10,648

[laughing]

25

00:05:10,650 --> 00:05:13,151

- It might take a while.

- Might take a little bit.

26

00:05:13,153 --> 00:05:16,524

- [crickets chirping]

- [dogs barking]

27

00:05:17,792 --> 00:05:19,124

[man]

Shoo.

28

00:05:19,126 --> 00:05:21,227

Shoo!

29

00:05:21,229 --> 00:05:23,498

- Shoo.

- Seems like the pack's gotten bigger.

30

00:05:24,664 --> 00:05:26,764

- Yep.

- [barking continues]

31

00:05:26,766 --> 00:05:28,634

Shoo! Shoo.

32

00:05:28,636 --> 00:05:31,539

[barking continues]

33

00:05:38,645 --> 00:05:40,816

- Need a extra layer?

- Yeah.

34

00:05:53,261 --> 00:05:55,727

- [clicks tongue]

- [clicks tongue in response]

35

00:05:55,729 --> 00:05:59,030

[rain falling]

36

00:05:59,032 --> 00:06:00,833

[girl]

That's leaking a lot.

37

00:06:00,835 --> 00:06:02,537

[man] Would you

hand me the tape?

38

00:06:08,309 --> 00:06:11,112

- How we looking?

- This one needs another piece.

39

00:06:13,246 --> 00:06:15,280

Here as well.

40

00:06:15,282 --> 00:06:16,917

Yeah.

41

00:06:19,921 --> 00:06:21,188

You got it?

42

00:06:24,258 --> 00:06:25,693

Okay.

43

00:06:28,862 --> 00:06:32,666

- [chain saw revving]

- [chatter on radio]

44

00:06:44,277 --> 00:06:47,681

- [conversation, faint]

- [chain saw continues revving]

45

00:07:04,965 --> 00:07:07,099

Here.

46

00:07:21,381 --> 00:07:24,285

[flint striking]

47

00:07:31,157 --> 00:07:33,595

Dad,

it's been really damp.

48

00:07:35,962 --> 00:07:38,667

[flint striking]

49

00:07:43,403 --> 00:07:46,006

Dad. It's okay.

50

00:07:47,241 --> 00:07:49,110

We can use

the propane.

51

00:07:54,648 --> 00:07:56,016

Don't waste it.

We're low.

52

00:07:58,251 --> 00:07:59,920

I'm hungry.

53

00:08:02,222 --> 00:08:04,893

- [propane tank hissing]

- [burner ignites]

54

00:08:06,861 --> 00:08:08,330

[sizzling]

55

00:08:21,174 --> 00:08:22,610

It's really good.

56

00:08:23,344 --> 00:08:24,946

- Thank you.

- Mm-hmm.

57

00:08:32,385 --> 00:08:34,752

[chain saw revving,

faint]

58

00:08:34,754 --> 00:08:38,225

It's okay. It's a work crew. I saw them
earlier. They're down by the pathways.

59

00:08:43,229 --> 00:08:44,264

Drill.

60

00:09:06,186 --> 00:09:09,054

You're burned. Your tracks
are all over the place.

61

00:09:09,056 --> 00:09:11,258

- Dad, I can do this.

- Well, then do it well.

62

00:09:12,960 --> 00:09:15,830

Hey.

Do it well.

63

00:09:17,498 --> 00:09:19,298

One more time.

64

00:09:19,300 --> 00:09:20,833

- Ten.

- Fifteen.

65

00:09:20,835 --> 00:09:23,104

Nine. Eight.

66

00:09:24,138 --> 00:09:25,940

Seven.

67

00:09:38,051 --> 00:09:39,918

[taps ground twice]

68

00:09:39,920 --> 00:09:42,121

Better.

69

00:09:42,123 --> 00:09:43,454

Your socks.

70

00:09:43,456 --> 00:09:45,793

- What?

- Your socks burned you.

71

00:09:46,893 --> 00:09:48,493

You gotta muddy 'em up.

72

00:09:48,495 --> 00:09:49,730

Ankles were down.

73

00:09:50,464 --> 00:09:52,767

Shine. Shadow.

74

00:09:54,067 --> 00:09:55,367

- Shape.

- Dad.

75

00:09:55,369 --> 00:09:57,035

It's better.

What?

76

00:09:57,037 --> 00:09:58,339

I'm hungry.

77

00:09:59,540 --> 00:10:02,444

[crickets chirping]

78

00:10:05,412 --> 00:10:09,283

[helicopters whirring]

79

00:10:13,186 --> 00:10:15,987

- [whirring stops]

- [crashing]

80

00:10:15,989 --> 00:10:19,159

[sighing]

81

00:10:31,872 --> 00:10:33,805

[clicks tongue]

82

00:10:33,807 --> 00:10:36,174

- Dad.

- Mmm?

83

00:10:36,176 --> 00:10:37,445

[clicks tongue]

84

00:10:49,290 --> 00:10:50,492

[mutters] Whoa.

85

00:10:54,494 --> 00:10:57,462

[rain pattering]

on tarp]

86

00:10:57,464 --> 00:10:59,100

What's

your favorite color?

87

00:11:02,603 --> 00:11:04,205

What's yours?

88

00:11:06,206 --> 00:11:08,207

Yellow.

89

00:11:08,209 --> 00:11:11,079

[rain continues pattering]

90

00:11:18,384 --> 00:11:20,254

What was my mother's

favorite color?

91

00:11:23,290 --> 00:11:25,226

Yellow.

92

00:11:27,961 --> 00:11:29,496

Maybe

she taught me that.

93

00:11:33,267 --> 00:11:34,835

Mmm.

94

00:11:38,571 --> 00:11:40,808

I wish

I could remember her.

95

00:11:43,109 --> 00:11:45,345

Well, she would have

wished for that too.

96

00:11:49,182 --> 00:11:50,818

Get some sleep.

97

00:11:53,354 --> 00:11:54,422

Sleep.

98

00:11:56,523 --> 00:11:58,125

Good night, yellow.

99

00:12:00,194 --> 00:12:01,362

Good night.

100

00:12:14,240 --> 00:12:15,475

[exhales]

101

00:12:39,099 --> 00:12:41,869

- Why are we going to town today?

- Your appetite's growing.

102

00:12:42,702 --> 00:12:44,468

[gruff voice]

<i>I'm</i> growing!

103

00:12:44,470 --> 00:12:45,572

I know.

104

00:12:48,642 --> 00:12:50,574

See that?

105

00:12:50,576 --> 00:12:53,248

- See my boot, my track?

- Yeah.

106

00:12:55,148 --> 00:12:57,317

Yeah, I think we need
a new path.

107

00:13:05,426 --> 00:13:06,594

Dad.

108

00:13:09,229 --> 00:13:11,999

If it's still here when we
get back, can I keep it?

109

00:13:17,571 --> 00:13:19,474

Okay. That's fair.

110

00:13:20,441 --> 00:13:21,609

Come on.

111

00:13:23,444 --> 00:13:26,347

Ah-ah. In plain view.

112

00:13:49,268 --> 00:13:50,537

- Turn around.

- Whoa.

113

00:14:01,648 --> 00:14:05,152

[metallic rumbling]

114

00:14:08,654 --> 00:14:11,558

[girl humming]

115

00:14:22,101 --> 00:14:25,102

[recorded voice on speaker] *The cabin
will swing as it passes the tower.*

116

00:14:25,104 --> 00:14:27,008

Please watch your balance.

117

00:14:48,561 --> 00:14:52,064

*Thank you for riding
the Portland Aerial Tram.*

118

00:14:52,066 --> 00:14:54,732

<i>As you exit, look both ways
before crossing the tracks.</i>

119

00:14:54,734 --> 00:14:56,336

[helicopter whirring]

120

00:15:19,692 --> 00:15:20,693

Hello.

121

00:15:23,629 --> 00:15:26,464

I say, uh, kinda... I'd call
it, like, a stress coin.

122

00:15:26,466 --> 00:15:29,101

You put it in your pocket, and
if you have some stress here...

123

00:15:29,103 --> 00:15:32,237

If you have a friend or family
member in trouble that's a vet,

124

00:15:32,239 --> 00:15:34,271

just pull it out

and find a phone,

125

00:15:34,273 --> 00:15:36,808

call 'em up and just press

"1" with that number.

126

00:15:36,810 --> 00:15:38,345

- Can I take this?

- Absolutely.

127

00:15:40,214 --> 00:15:42,546

That's a gun lock.

It goes in the barrel.

128

00:15:42,548 --> 00:15:45,250

Keeps them from accidentally
shooting someone.

129

00:15:45,252 --> 00:15:47,319

And it gives them
time to think

130

00:15:47,321 --> 00:15:50,758

before they commit something wro...

even worse, so...

131

00:15:54,393 --> 00:15:57,398

[man on PA,

faint, indistinct]

132

00:16:10,878 --> 00:16:13,114

- Long or short grain?

- Long.

133

00:16:19,686 --> 00:16:21,721

Dad.

Can we get these?

134

00:16:27,426 --> 00:16:28,727

Okay.

135

00:16:28,729 --> 00:16:30,398

Want or need?

136

00:16:32,532 --> 00:16:33,667

Both.

137

00:16:51,484 --> 00:16:54,652

"If you are a veteran
who takes benzyls for PTSD,

138

00:16:54,654 --> 00:16:57,222

here is what
you need to know."

139

00:16:57,224 --> 00:16:58,292

Sell them to me.

140

00:17:00,627 --> 00:17:02,396

Xannies.

141

00:17:03,730 --> 00:17:05,664

Prazosin.

142

00:17:05,666 --> 00:17:08,301

When was the last time
that stopped a nightmare?

143

00:17:09,503 --> 00:17:12,236

They're all
pretty much useless anyway.

144

00:17:12,238 --> 00:17:16,443

I haven't taken them in two
years, seven months, and 28 days.

145

00:17:18,712 --> 00:17:21,846

- Can you play your doctor any harder?
- I don't want to get flagged.

146

00:17:21,848 --> 00:17:23,848

At first they're handing
them out like candy.

147

00:17:23,850 --> 00:17:25,817

Then they pull
the leash on us.

148

00:17:25,819 --> 00:17:27,618

Well...

149

00:17:27,620 --> 00:17:30,590

Anything you get, bring it to me,
I'll take it off your hands.

150

00:18:13,433 --> 00:18:15,567

[girl's voice]

<i>"Seahorses pair for life.</i>

151

00:18:15,569 --> 00:18:20,338

<i>They find each other first thing in the
morning to reinforce their pair bonding."</i>

152

00:18:20,340 --> 00:18:23,244

[faint thumping]

153

00:18:24,811 --> 00:18:26,379

[watch beeps]

154

00:18:29,649 --> 00:18:31,218

[man] Hello?

155

00:18:32,619 --> 00:18:34,222

Somebody up there?

156

00:18:35,722 --> 00:18:36,924

Hello!

157

00:18:38,425 --> 00:18:39,594

Hello?

158

00:19:02,315 --> 00:19:05,285

Is it dangerous to move the
pawn in front of the king?

159

00:19:06,453 --> 00:19:07,888

As long as you castle.

160

00:19:21,467 --> 00:19:23,737

[dog barking, faint]

161

00:19:28,542 --> 00:19:31,445

[barking continues]

162

00:19:34,747 --> 00:19:37,449

This is not a drill.

163

00:19:37,451 --> 00:19:39,754

- [barking continues]

- [people chattering, faint]

164

00:19:43,823 --> 00:19:46,393

[police radio chatter]

165

00:20:14,020 --> 00:20:16,357

- [man] Yeah, right up here.

- [barking continues]

166

00:20:21,994 --> 00:20:23,595

Seek.

167

00:20:23,597 --> 00:20:25,366

- [barking]

- Hey. Hey.

168

00:20:26,132 --> 00:20:28,668

[snarling]

169

00:20:41,715 --> 00:20:44,449

- [barking]

- [man] He's got him.

170

00:20:44,451 --> 00:20:47,555

[barking continues]

171

00:20:51,457 --> 00:20:53,093

- Still.

- Stand up.

172

00:20:54,528 --> 00:20:55,996

- [barking continues]

- Still.

173

00:20:58,732 --> 00:21:00,732

Hands on

the back of your head.

174

00:21:00,734 --> 00:21:02,669

- [barking continues]

- Hey. Still.

175

00:21:03,503 --> 00:21:04,972

Don't move.

176

00:21:08,175 --> 00:21:11,479

- Anything on you that's gonna hurt me?

- Just the knives.

177

00:21:17,984 --> 00:21:19,686

Where were you running?

178

00:21:21,687 --> 00:21:23,858

Huh?

You alone out here?

179

00:21:26,525 --> 00:21:28,027

My daughter is with me.

180

00:21:29,161 --> 00:21:30,864

Tom, come out.

181

00:21:33,733 --> 00:21:35,532

Tom, come out!

182

00:21:35,534 --> 00:21:36,967

[handcuffs click]

183

00:21:36,969 --> 00:21:39,439

- [barking continues]

- Stand up.

184

00:21:41,140 --> 00:21:43,843

- Come on.

- Dad?

185

00:21:47,580 --> 00:21:49,617

- Go down there.

- [grunts]

186

00:21:50,951 --> 00:21:54,551

Cooperate. We haven't
done anything wrong.

187

00:21:54,553 --> 00:21:58,223

- Cooperate.

- We don't know who you are or what's going on.

188

00:21:58,225 --> 00:22:00,593

- Let's go.

- [police radio chatter]

189

00:22:02,495 --> 00:22:04,532

Dad!

190

00:22:06,500 --> 00:22:08,903

[dog whining]

191

00:22:09,969 --> 00:22:11,504

Dad?

192

00:22:14,206 --> 00:22:16,476

- Dad.

- [woman] Can you tell me where you live?

193

00:22:19,678 --> 00:22:20,915

In the park?

194

00:22:23,782 --> 00:22:25,785

Just walk down here to me.

Okay?

195

00:22:27,521 --> 00:22:30,053

I want to go with my dad.

196

00:22:30,055 --> 00:22:32,123

Please.

I want to go with my dad.

197

00:22:32,125 --> 00:22:34,658

- I know you do.

- Please. I want to go with my dad!

198

00:22:34,660 --> 00:22:36,793

And you may be able

to go with your dad.

199

00:22:36,795 --> 00:22:40,098

- But right now we need to ask you some questions.

- Why'd you chase us?

200

00:22:40,100 --> 00:22:43,033

We need to figure out

what's going on here.

201

00:22:43,035 --> 00:22:45,939

- You needed a dog to figure that out?

- It's a big park.

202

00:22:55,014 --> 00:22:58,651

- [sniffs]

- I want you to tell me a little bit about your dad.

203

00:22:59,718 --> 00:23:01,786

Does he drink

or take pills

204

00:23:01,788 --> 00:23:03,791

or anything

that makes him act strange?

205

00:23:06,693 --> 00:23:10,627

Does he have weapons here?

Anything that might hurt somebody?

206

00:23:10,629 --> 00:23:11,799

No.

207

00:23:12,965 --> 00:23:15,802

Okay.

Does he hide things?

208

00:23:29,983 --> 00:23:32,152

This is where we keep our
tools and important papers.

209

00:23:34,588 --> 00:23:36,956

- One second.

- [camera shutter clicking]

210

00:23:38,123 --> 00:23:39,692

Thank you.

211

00:24:42,921 --> 00:24:44,757

Are you just gonna
stand there?

212

00:25:09,715 --> 00:25:11,782

What are you doing?

213

00:25:11,784 --> 00:25:13,818

We're making,
um, dream boards.

214

00:25:13,820 --> 00:25:17,888

You cut out pictures that
have to do with your future.

215

00:25:17,890 --> 00:25:22,729

So, like, houses or pets
or jobs, stuff like that.

216

00:25:23,929 --> 00:25:26,196

Something
to look forward to.

217

00:25:26,198 --> 00:25:29,367

Like, for example, I want
love in my future, so...

218

00:25:29,369 --> 00:25:32,205

It's just something that we do every

week, and it gives us a path.

219

00:25:37,476 --> 00:25:39,647

So, what are you
doing here?

220

00:25:41,214 --> 00:25:45,015

I wasn't where I was supposed
to be, so they took me away.

221

00:25:45,017 --> 00:25:49,052

Well, *they* don't think I was
where I was supposed to be.

222

00:25:49,054 --> 00:25:50,957

Okay.
Where were you?

223

00:25:51,957 --> 00:25:53,957

With my dad in the park.

224

00:25:53,959 --> 00:25:55,696

So you're homeless then?

225

00:25:56,795 --> 00:25:58,029

No.

226

00:25:58,031 --> 00:26:00,834

Why else would you be
living in the woods?

227

00:26:02,435 --> 00:26:04,469

If you had a home, they
wouldn't have brought you here.

228

00:26:04,471 --> 00:26:07,307

They just don't understand
that it was my home.

229

00:26:11,844 --> 00:26:13,246

Where is your dad
now?

230

00:26:15,415 --> 00:26:19,349

I think he's somewhere in this building.
He's gonna come get me.

231

00:26:19,351 --> 00:26:22,153

Tiffany, know anyone whose
parents come for them?

232

00:26:22,155 --> 00:26:24,324

- No.

- Me neither.

233

00:26:45,110 --> 00:26:49,847

You want to make sure that
you fill in each bubble.

234

00:26:49,849 --> 00:26:53,184

Don't make any stray marks, 'cause
the computer will grade this test,

235

00:26:53,186 --> 00:26:57,090

and the computer can't tell the
difference between bubbles and doodles.

236

00:27:13,339 --> 00:27:14,441

"D."

237

00:27:16,509 --> 00:27:17,745

"B."

238

00:27:20,245 --> 00:27:21,814

"C."

239

00:27:23,550 --> 00:27:24,484

"A."

240

00:27:25,417 --> 00:27:26,453

"A."

241

00:27:32,524 --> 00:27:36,560

How do you read my answers? You think
they're gonna mean a certain thing?

242

00:27:36,562 --> 00:27:39,329

They might be able to tell us
a little bit more about you.

243

00:27:39,331 --> 00:27:41,965

You could just ask.

244

00:27:41,967 --> 00:27:44,534

Yeah, but you might not
be able to say it.

245

00:27:44,536 --> 00:27:48,306

We don't have any record of you going
to school. Who taught you how to read?

246

00:27:48,308 --> 00:27:50,575

My dad teaches me.

247

00:27:50,577 --> 00:27:53,578

You're actually quite a bit
ahead of where you need to be,

248

00:27:53,580 --> 00:27:57,317

but school is about social skills
too, not just intellectual ones.

249

00:27:59,985 --> 00:28:02,153

Can I see my dad now?

250

00:28:02,155 --> 00:28:05,255

Respond true-false
to each question.

251

00:28:05,257 --> 00:28:08,158

Um, it's voice-activated, so you just
say it right into the microphone.

252

00:28:08,160 --> 00:28:10,560

There's 435 questions.

253

00:28:10,562 --> 00:28:13,263

If you can't answer something
you got three seconds,

254

00:28:13,265 --> 00:28:16,200

it'll beep and move on
to the next statement.

255

00:28:16,202 --> 00:28:17,237

There you go.

256

00:28:19,438 --> 00:28:22,975

[female computerized voice] *<i>Welcome.*

The test will begin in three seconds.*</i>*

257

00:28:25,378 --> 00:28:28,945

<i>I wake up rested and

peaceful most mornings.*</i>*

258

00:28:28,947 --> 00:28:30,082

True.

259

00:28:32,017 --> 00:28:35,219

<i>I enjoy reading

articles on crime.*</i>*

260

00:28:35,221 --> 00:28:37,488

False.

261

00:28:37,490 --> 00:28:41,395

<i>My day-to-day life is full of

things that keep me interested.*</i>*

262

00:28:42,494 --> 00:28:44,095

True.

263

00:28:44,097 --> 00:28:46,532

<i>I have nightmares
or troubling dreams.</i>

264

00:28:48,001 --> 00:28:49,367

[beeps]

265

00:28:49,369 --> 00:28:53,573

<i>I think about things that
are too bad to talk about.</i>

266

00:28:56,208 --> 00:28:58,242

[beeps]

267

00:28:58,244 --> 00:29:01,481

<i>Things aren't turning out like
the prophets said they would.</i>

268

00:29:03,683 --> 00:29:05,152

- [beeps]

- False.

269

00:29:07,954 --> 00:29:10,557

<i>It seems like

no one understands me.</i>

270

00:29:11,590 --> 00:29:12,959

False.

271

00:29:15,160 --> 00:29:17,965

- Do you feel safe living with your dad?

- Yes.

272

00:29:19,599 --> 00:29:21,632

I saw that the two

of you share a tent.

273

00:29:21,634 --> 00:29:24,434

- This ever made you feel uncomfortable?

- No.

274

00:29:24,436 --> 00:29:28,239

- It's warmer with two people at night.

- Yeah.

275

00:29:28,241 --> 00:29:30,978

- Has anybody ever touched your body without your permission?

- No.

276

00:29:32,078 --> 00:29:34,145

We didn't need

to be rescued.

277

00:29:34,147 --> 00:29:37,013

Your dad needs

to provide you shelter

278

00:29:37,015 --> 00:29:38,182

and a place to live.

279

00:29:38,184 --> 00:29:40,584

He did. He *does*.

280

00:29:40,586 --> 00:29:43,087

It's not a crime

to be unhoused.

281

00:29:43,089 --> 00:29:45,289

Many people are.

282

00:29:45,291 --> 00:29:48,095

But it's illegal
to live on public land.

283

00:29:51,164 --> 00:29:53,731

Is my dad
taking tests like this?

284

00:29:53,733 --> 00:29:55,031

- [beeps]

- [groans]

285

00:29:55,033 --> 00:29:57,068

- [door opens, closes]

- [beeps]

286

00:29:57,070 --> 00:29:59,203

I know there's
a lot of questions,

287

00:29:59,205 --> 00:30:02,505

and you wouldn't be the first one
to have a problem with this test.

288

00:30:02,507 --> 00:30:04,541

- Okay?

- [beeping continues]

289

00:30:04,543 --> 00:30:07,078

But you can only abstain
from so many.

290

00:30:07,080 --> 00:30:09,245

I don't want it
to count against you.

291

00:30:09,247 --> 00:30:10,616

Okay, so true or false.

292

00:30:12,584 --> 00:30:14,453

"I'm proud of my daughter."

293

00:30:15,288 --> 00:30:16,490

True.

294

00:30:19,692 --> 00:30:22,396

- [chuckles]

- She's a really wonderful kid.

295

00:30:23,596 --> 00:30:25,499

You did a really great job

raising her.

296

00:30:28,400 --> 00:30:31,368

So let's answer

as many of these as we can.

297

00:30:31,370 --> 00:30:33,105

"I am a strong team player."

298

00:30:34,540 --> 00:30:36,339

Used to be.

299

00:30:36,341 --> 00:30:37,511

Okay.

300

00:30:40,679 --> 00:30:45,151

"I find it hard to imagine having a
long life and fulfilling my goals."

301

00:31:03,703 --> 00:31:06,669

In finding placement
for you and Tom,

302

00:31:06,671 --> 00:31:09,173

we've considered
what kind of support

303

00:31:09,175 --> 00:31:11,509

will be most helpful
for the both of you.

304

00:31:11,511 --> 00:31:14,310

We'd like to go back
to the way we were living.

305

00:31:14,312 --> 00:31:16,449

We have found an option.

306

00:31:18,618 --> 00:31:21,184

It's not the park.

307

00:31:21,186 --> 00:31:24,754

Um, it's kind of a special accommodation.

It's pretty isolated.

308

00:31:24,756 --> 00:31:29,426

There would be no rules or regulations
saying you can't live here

309

00:31:29,428 --> 00:31:32,032

because someone
is saying you can.

310

00:31:59,257 --> 00:32:03,293

[man on radio] *Traffic has already
begun to back up across the state.*

311

00:32:03,295 --> 00:32:06,097

Taking a look

at what the chopper sees...</i>

312

00:32:06,099 --> 00:32:08,734

[man continues on radio,
faint]

313

00:32:11,369 --> 00:32:13,636

Where is Forest Park?

314

00:32:13,638 --> 00:32:15,641

It's directly behind us.

315

00:32:53,913 --> 00:32:56,246

This is Mr. Walters.

316

00:32:56,248 --> 00:32:58,214

Hi, Tom.

Welcome.

317

00:32:58,216 --> 00:33:00,419

Hey there.

Welcome.

318

00:33:08,727 --> 00:33:11,465

[woman] I already got you started
on some basic groceries.

319

00:33:16,801 --> 00:33:19,406

And here's a casserole
for later.

320

00:33:20,639 --> 00:33:22,740

When I read about you
in the paper...

321

00:33:22,742 --> 00:33:25,876

We really can't thank you enough.
This is very generous of you.

322

00:33:25,878 --> 00:33:30,780

Well, I'm just happy
we could make this work.

323

00:33:30,782 --> 00:33:34,588

A lot of people like to imagine they
could live the way you guys were living.

324

00:33:35,588 --> 00:33:36,690

Um...

325

00:33:37,689 --> 00:33:39,190

[phone clicks]

326

00:33:39,192 --> 00:33:40,723

Okay.

327

00:33:40,725 --> 00:33:42,561

Well, thanks, guys.

Um...

328

00:33:45,197 --> 00:33:47,897

See you guys

in about a week or so.

329

00:33:47,899 --> 00:33:51,737

Tomorrow'll be a full day, so I'll
just leave you two to get settled in.

330

00:33:58,343 --> 00:33:59,578

[lock clicks]

331

00:34:06,351 --> 00:34:08,687

Feels good to be
by ourselves again.

332

00:34:09,755 --> 00:34:11,191

It does.

333

00:34:19,898 --> 00:34:21,868

They treat you
all right?

334

00:34:24,670 --> 00:34:26,873

It was hard not knowing
how you were doing.

335

00:34:28,473 --> 00:34:30,342

I was worried about you too.

336

00:34:50,395 --> 00:34:52,665

Everything's different now.

337

00:34:55,668 --> 00:34:57,637

We can still think
our own thoughts.

338

00:35:44,616 --> 00:35:48,018

[light knocking]

339

00:35:48,020 --> 00:35:49,522

Come in.

340

00:35:55,060 --> 00:35:56,595

Here.

341

00:35:57,897 --> 00:35:59,565

Your favorite sweater.

342

00:36:02,534 --> 00:36:04,500

There's something
on my mind.

343

00:36:04,502 --> 00:36:08,605

They said
a person saw you,

344
00:36:08,607 --> 00:36:09,643
and...

345
00:36:11,777 --> 00:36:13,713
that's how
they found our camp.

346
00:36:16,681 --> 00:36:19,451
I saw a person, but I
didn't think they saw me.

347
00:36:20,552 --> 00:36:22,321
It was a mistake.

348
00:36:24,623 --> 00:36:27,391
Why didn't you
say something?

349
00:36:27,393 --> 00:36:28,661
I was afraid.

350

00:36:31,429 --> 00:36:34,567

I didn't want to leave our camp.

It was such a good one.

351

00:36:36,534 --> 00:36:37,768

Yeah.

352

00:36:37,770 --> 00:36:39,639

We stayed there too long.

353

00:36:49,482 --> 00:36:51,351

Are we gonna be

okay here?

354

00:36:56,755 --> 00:36:58,625

We're gonna make

the best of it.

355
