

Dialogues from Maleficent I to improve the vocabulary in English

2

00:00:34,619 --> 00:00:37,956

<i>and we will see how well you know it.</i>

3

00:00:38,748 --> 00:00:41,434

<i>Once upon a time,
there were two kingdoms</i>

4

00:00:41,459 --> 00:00:43,603

<i>that were the worst of neighbours.</i>

5

00:00:43,628 --> 00:00:46,606

<i>So vast was the discord between them</i>

6

00:00:46,631 --> 00:00:49,317

<i>that it was said only a great hero</i>

7

00:00:49,342 --> 00:00:52,696

<i>or a terrible villain

might bring them together.</i>

8

00:00:52,721 --> 00:00:56,074

<i>In one kingdom

lived folk like you and me,</i>

9

00:00:56,099 --> 00:00:59,477

<i>with a vain and greedy king

to rule over them.</i>

10

00:01:00,186 --> 00:01:02,122

<i>They were forever discontent,</i>

11

00:01:02,147 --> 00:01:05,275

<i>and envious of the wealth

and beauty of their neighbours.</i>

12

00:01:06,234 --> 00:01:08,837

<i>For in the other kingdom, the Moors,</i>

13

00:01:08,862 --> 00:01:12,991

<i>lived every manner of strange

and wonderful creature.</i>

14

00:01:13,783 --> 00:01:16,344

<i>And they needed
neither king nor queen,</i>

15

00:01:16,369 --> 00:01:17,996

<i>but trusted in one another.</i>

16

00:01:20,665 --> 00:01:24,310

<i>In a great tree
on a great cliff in the Moors</i>

17

00:01:24,335 --> 00:01:26,771

<i>lived one such spirit.</i>

18

00:01:26,796 --> 00:01:29,758

<i>You might take her for a girl,</i>

19

00:01:30,300 --> 00:01:33,344

<i>but she was not just any girl.</i>

20

00:01:34,012 --> 00:01:36,347

<i>She was a fairy.</i>

21

00:01:40,810 --> 00:01:42,145

(BRANCH CRACKS)

(GASPS)

22

00:02:04,209 --> 00:02:05,710

There you go.

23

00:02:06,711 --> 00:02:08,379

<i>And her name</i>

24

00:02:08,630 --> 00:02:09,964

<i>was Maleficent.</i>

25

00:02:20,058 --> 00:02:21,810

Good morning, Mr Chanterelle!

26

00:02:22,060 --> 00:02:23,686

- I love your cap!

- Oh. (CHUCKLES)

27

00:02:29,234 --> 00:02:31,152

No. No, don't do it!

28

00:02:31,319 --> 00:02:32,612

- Ahh!

29

00:02:34,239 --> 00:02:35,741

(WALLERBOGS LAUGHING)

(SQUAWKS)

30

00:02:36,115 --> 00:02:37,575

Ha! You missed me!

31

00:02:39,244 --> 00:02:41,204

- Good morning.

- Good morning.

32

00:02:48,920 --> 00:02:50,463

Lovely work, girls!

33

00:02:52,465 --> 00:02:54,509

Whoo-hoo!

34

00:03:00,765 --> 00:03:02,225

(FAIRIES CHATTERING
INDISTINCTLY)

35

00:03:07,689 --> 00:03:09,875

- What's all the fuss about?

- The border guards have discov...

36

00:03:09,899 --> 00:03:11,251

Why do you get to tell her?

I want to tell her!

37

00:03:11,276 --> 00:03:12,294

THISTLEWIT: I want to!

38

00:03:12,318 --> 00:03:13,419

There are rules, Flittle.

39

00:03:13,444 --> 00:03:15,113

I tell this time, you tell next time.

40

00:03:15,321 --> 00:03:16,614

FLITTLE: No, you told last time,

41

00:03:16,739 --> 00:03:18,819

so I should tell this time,

and Thistlewit next time.

42

00:03:19,200 --> 00:03:20,201

Tell me what?

43

00:03:20,451 --> 00:03:21,494

Fine!

(EXHALES)

44

00:03:21,953 --> 00:03:22,954

Thank you.

45

00:03:23,663 --> 00:03:24,931

Maleficent, the border guard...

46

00:03:24,956 --> 00:03:26,332

The border guards have found

47

00:03:26,499 --> 00:03:28,334

a human thief at the pool of jewels.

48

00:03:30,461 --> 00:03:31,796

I'm sorry.

49

00:03:33,756 --> 00:03:35,341

(ALL EXCLAIMING)

50

00:03:36,551 --> 00:03:38,845

She's always in a hurry,
with her big wings.

51

00:03:39,345 --> 00:03:40,864

Humans, here.

52

00:03:40,889 --> 00:03:42,515

I hope there's not another war.

53

00:03:52,317 --> 00:03:54,627

(SPEAKING NATIVE LANGUAGE)

54

00:03:54,652 --> 00:03:56,462

I'm not afraid.

55

00:03:56,487 --> 00:03:59,824

Besides, I have never
seen a human up close.

56

00:04:00,825 --> 00:04:01,993

Come out!

57

00:04:02,535 --> 00:04:05,246

BOY: No. They mean to kill me.

58

00:04:05,455 --> 00:04:07,916

And besides, they're hideous to look at.

59

00:04:08,166 --> 00:04:09,334

(GRUNTS)

60

00:04:09,584 --> 00:04:10,710

That's extremely rude.

61

00:04:11,711 --> 00:04:13,338

Don't listen to him, Balthazar.

62

00:04:13,713 --> 00:04:15,006

You're classically handsome.

63

00:04:15,256 --> 00:04:16,633

(SPEAKS NATIVE LANGUAGE)

64

00:04:17,675 --> 00:04:19,177

It's not right to steal,

65

00:04:19,510 --> 00:04:21,654

but we don't kill people for it.

66

00:04:21,679 --> 00:04:22,722

Come out.

67

00:04:23,181 --> 00:04:24,599

Come out this instant!

68

00:04:37,320 --> 00:04:38,613

Are you fully grown?

69

00:04:39,530 --> 00:04:40,531

No.

70

00:04:41,658 --> 00:04:43,785

I believe he's just a boy.

71

00:04:44,369 --> 00:04:45,954

And you're just a girl.

72

00:04:47,038 --> 00:04:48,222

I think.

73

00:04:48,247 --> 00:04:49,248

Who are you?

74

00:04:49,874 --> 00:04:51,250

I'm called Stefan.

75

00:04:52,043 --> 00:04:53,044

Who are you?

76

00:04:53,670 --> 00:04:54,754

I'm Maleficent.

77

00:04:55,254 --> 00:04:57,131

(SPEAKING NATIVE LANGUAGE)

78

00:04:58,466 --> 00:04:59,801

Yes, right.

79

00:05:01,260 --> 00:05:02,387

You have to give it back.

80

00:05:03,304 --> 00:05:04,430

Give what back?

81

00:05:05,223 --> 00:05:06,391

(SIGHS)

82

00:05:07,642 --> 00:05:08,810

(SIGHS)

83

00:05:25,576 --> 00:05:27,303

If I knew you would throw it away,

84

00:05:27,328 --> 00:05:29,305

I would have kept it.

85

00:05:29,330 --> 00:05:30,581

I didn't throw it away.

86

00:05:31,082 --> 00:05:34,085

I delivered it home,

as I'm going to do for you.

87

00:05:38,423 --> 00:05:40,883

Someday, you know, I'll live there.

88

00:05:41,092 --> 00:05:42,885

In the castle.

89

00:05:46,597 --> 00:05:47,974

Where do you live now?

90

00:05:49,642 --> 00:05:50,643

In a barn.

91

00:05:51,352 --> 00:05:53,104

So your parents are farmers, then?

92

00:05:54,272 --> 00:05:56,274

My parents are dead.

93

00:05:58,651 --> 00:05:59,777

Mine, too.

94

00:06:04,323 --> 00:06:05,867

We'll see each other again.

95

00:06:05,992 --> 00:06:08,594

You really shouldn't
come back here, you know.

96

00:06:08,619 --> 00:06:10,163

It's not safe.

97

00:06:13,624 --> 00:06:14,667

And if I made that choice,

98

00:06:14,876 --> 00:06:16,753

if I came back, would you be here?

99

00:06:18,755 --> 00:06:19,797

Perhaps.

100

00:06:23,217 --> 00:06:24,302

- Ow!

- What's wrong?

101

00:06:24,594 --> 00:06:25,595

Your ring.

102

00:06:26,387 --> 00:06:27,889

Iron burns fairies.

103

00:06:28,347 --> 00:06:29,390

I'm sorry.

104

00:06:36,814 --> 00:06:38,483

I like your wings.

105

00:06:40,401 --> 00:06:44,030

NARRATOR: <i>Maleficent thought of
how Stefan cast</i> away <i>his ring,</i>

106

00:06:44,322 --> 00:06:46,758

<i>he who had so little in the world,</i>

107

00:06:46,783 --> 00:06:48,743

<i>so that their hands might touch again,</i>

108

00:06:49,702 --> 00:06:52,580

<i>and her heart was moved.</i>

109

00:06:52,830 --> 00:06:54,557

<i>Thus did the young thief</i>

110

00:06:54,582 --> 00:06:55,975

<i>who had hoped to steal a jewel...</i>

111

00:06:56,000 --> 00:06:57,060

STEFAN: Maleficent!

112

00:06:57,085 --> 00:06:59,504

<i>...steal something far more precious.</i>

113

00:06:59,962 --> 00:07:01,506

STEFAN: Maleficent?

114

00:07:04,342 --> 00:07:05,551

Maleficent!

115

00:07:10,348 --> 00:07:11,599

After all these weeks,

116

00:07:12,016 --> 00:07:13,476

look who came back.

117

00:07:15,478 --> 00:07:17,480

I thought it worth the risk.

118

00:07:18,022 --> 00:07:20,399

So, what do you do for fun?

119

00:07:20,733 --> 00:07:22,014

(YELLS)

(MALEFICENT LAUGHING)

120

00:07:23,444 --> 00:07:24,529

Whoa!

121

00:07:25,530 --> 00:07:27,532

(SPITS)

(LAUGHS)

122

00:07:30,034 --> 00:07:34,122

NARRATOR: <i>Stefan and Maleficent
became the most unlikely of friends.</i>

123

00:07:34,664 --> 00:07:37,016

<i>And for a time it seemed as if,</i>

124

00:07:37,041 --> 00:07:38,376

<i>in them at least,</i>

125

00:07:38,709 --> 00:07:42,797

*<i>the old hatred between men and fairies
had been forgotten.</i>*

126

00:07:43,756 --> 00:07:47,885

*<i>As it will, friendship slowly
turned into something else.</i>*

127

00:07:54,934 --> 00:07:57,370

<i>And on her 16th birthday,</i>

128

00:07:57,395 --> 00:07:59,772

<i>Stefan gave Maleficent a gift.</i>

129

00:08:02,108 --> 00:08:04,735

<i>He told her it was true love's kiss.</i>

130

00:08:07,864 --> 00:08:09,824

<i>But it was not to be.</i>

131

00:08:11,909 --> 00:08:13,553

As the years passed,

132

00:08:13,578 --> 00:08:16,764

Stefan's ambition

pulled him away from Maleficent,

133

00:08:16,789 --> 00:08:20,585

*and towards the temptations
of the human kingdom.*

134

00:08:21,210 --> 00:08:24,272

*While Maleficent,
the strongest of the fairies,*

135

00:08:24,297 --> 00:08:27,258

*rose to become
the protector of the Moors.*

136

00:09:14,722 --> 00:09:17,116

Maleficent often wandered alone

137

00:09:17,141 --> 00:09:20,144

and sometimes wondered

where Stefan might be,</i>

138

00:09:20,645 --> 00:09:24,023

<i>for she had never understood
the greed and envy of men.</i>

139

00:09:25,274 --> 00:09:27,235

<i>But she was to learn.</i>

140

00:09:27,985 --> 00:09:29,086

<i>For the human king</i>

141

00:09:29,111 --> 00:09:32,131

<i>had heard
of a growing power in the Moors,</i>

142

00:09:32,156 --> 00:09:35,076

<i>and he sought to strike it down.</i>

143

00:09:56,138 --> 00:09:57,974

SOLDIER: Guard, halt!

144

00:09:59,016 --> 00:10:00,559

Guard, halt!

145

00:10:11,779 --> 00:10:13,197

There they are,

146

00:10:14,031 --> 00:10:18,177

the mysterious Moors

where no one dares to venture

147

00:10:18,202 --> 00:10:21,539

for fear of the magical

creatures that lurk within.

148

00:10:22,123 --> 00:10:24,125

Well, I say crush them!

149

00:10:24,375 --> 00:10:26,085

(ALL CHEERING)

150

00:10:37,847 --> 00:10:39,307

(SOLDIERS MURMURING)

151

00:10:44,103 --> 00:10:46,230

Go no further!

152

00:10:47,982 --> 00:10:49,625

A king

153

00:10:49,650 --> 00:10:53,279

does not take orders from a winged elf.

154

00:10:53,571 --> 00:10:55,156

(SOLDIERS LAUGHING)

155

00:10:56,240 --> 00:10:59,327

You are no king to me.

156

00:11:05,958 --> 00:11:08,210

- Bring me her head.

SOLDIER: - Battalion!

157

00:11:12,715 --> 00:11:13,799

Advance!

158

00:11:19,597 --> 00:11:21,432

Arise and stand with me!

159

00:11:23,100 --> 00:11:24,602

(RUMBLING)

160

00:11:27,271 --> 00:11:28,773

SOLDIER: Hold the line!

161

00:11:28,981 --> 00:11:30,316

(SOLDIERS CHATTERING NERVOUSLY)

162

00:11:38,115 --> 00:11:39,742

(GROWLING)

163

00:11:41,619 --> 00:11:44,419

SOLDIER 1: It's the dark creatures!

SOLDIER 2: It's the dark creatures!

164

00:11:46,832 --> 00:11:48,292

(SNARLING)

165

00:11:59,303 --> 00:12:00,304

(ROARING)

166

00:12:05,309 --> 00:12:07,645

HENRY: Charge!

167

00:12:08,854 --> 00:12:10,022

(YELLING)

168

00:12:10,314 --> 00:12:11,816

(SOLDIERS SHOUTING)

169

00:12:22,952 --> 00:12:24,537

(SOLDIERS GROANING)

170

00:12:28,958 --> 00:12:30,835

(SOLDIER SHRIEKS)

171

00:12:33,796 --> 00:12:35,506

(SOLDIER SCREAMING)

172

00:12:51,522 --> 00:12:52,815

(SCREAMS)

173

00:12:53,441 --> 00:12:54,959

(SOLDIERS GROANING)

174

00:12:54,984 --> 00:12:56,026

(ROARS)

175

00:13:05,119 --> 00:13:06,912

You!

(SCREAMS)

176

00:13:07,204 --> 00:13:08,372

(GROANS)

177

00:13:10,207 --> 00:13:11,417

To the king!

178

00:13:11,709 --> 00:13:12,793

(SOLDIERS SHOUTING)

179

00:13:13,752 --> 00:13:15,212

(GRUNTS)

(ALL GROAN)

180

00:13:18,215 --> 00:13:20,134

(PANTING)

You will not have the Moors!

181

00:13:20,426 --> 00:13:22,344

Not now, nor ever!

182

00:13:22,887 --> 00:13:24,513

You... (GROANS)

183

00:13:34,565 --> 00:13:36,650

(ROARING)

184

00:13:42,907 --> 00:13:44,325

(SNORTING)

185

00:14:02,551 --> 00:14:05,012

HENRY: When I ascended to the throne,

186

00:14:06,722 --> 00:14:09,225

I promised the people

187

00:14:09,808 --> 00:14:12,520

one day we would take

188

00:14:13,437 --> 00:14:15,940

the Moors and its treasures.

189

00:14:17,107 --> 00:14:18,609

Each of you

190

00:14:19,401 --> 00:14:23,088

swore allegiance to me

191

00:14:23,113 --> 00:14:24,340

and to that cause.

192

00:14:24,365 --> 00:14:25,616

(HENRY COUGHING)

193

00:14:30,788 --> 00:14:32,289

Your Majesty.

(CONTINUES COUGHING)

194

00:14:35,626 --> 00:14:37,795

Defeated in battle.

195

00:14:38,379 --> 00:14:41,465

Is this to be my legacy?

196

00:14:42,132 --> 00:14:45,636

I see you waiting for me to die.

197

00:14:46,428 --> 00:14:49,557

It won't be long. But what then?

198

00:14:50,140 --> 00:14:52,017

I will choose a successor

199

00:14:52,726 --> 00:14:55,854

to take the throne

and care for my daughter.

200

00:14:57,398 --> 00:14:58,607

Who among you

201

00:14:59,525 --> 00:15:01,318

is worthy?

202

00:15:02,278 --> 00:15:05,381

Kill the winged creature.

203

00:15:05,406 --> 00:15:07,074

Avenge me,

204

00:15:07,575 --> 00:15:11,328

and upon my death

you will take the crown.

205

00:15:17,668 --> 00:15:19,253

(SIGHS)

206

00:15:38,814 --> 00:15:40,524

Maleficent.

207

00:15:41,609 --> 00:15:43,569

Maleficent!

208

00:15:49,199 --> 00:15:50,618

(STEFAN SIGHS)

209

00:15:51,243 --> 00:15:54,204

So, how is life with the humans?

210

00:15:57,166 --> 00:16:00,294

Maleficent, I've come to warn you.

211

00:16:00,669 --> 00:16:02,212

They mean to kill you.

212

00:16:03,464 --> 00:16:05,758

King Henry will stop at nothing.

213

00:16:08,302 --> 00:16:11,555

Please, you have to trust me.

214

00:16:15,392 --> 00:16:17,745

NARRATOR: <i>They spoke
of many things,</i>

215

00:16:17,770 --> 00:16:19,521

<i>and the years faded away.</i>

216

00:16:20,898 --> 00:16:25,319

<i>And she forgave Stefan
his folly and his ambition,</i>

217

00:16:25,903 --> 00:16:29,156

<i>and all was as it had been long ago.</i>

218

00:16:32,076 --> 00:16:33,369

- You thirsty?

- Mmm.

219

00:17:08,320 --> 00:17:09,655

Maleficent?

220

00:17:26,588 --> 00:17:28,215

(EXHALING SHAKILY)

221

00:17:39,017 --> 00:17:40,477

(PANTING)

222

00:18:16,472 --> 00:18:17,890

(GROANING)

223

00:18:21,852 --> 00:18:23,353

(GASPS)

224

00:18:28,692 --> 00:18:30,277

(SOBBING)

225

00:18:37,701 --> 00:18:39,661

(WAILING)

226

00:18:49,338 --> 00:18:51,006

(MALEFICENT WAILING)

227

00:18:57,554 --> 00:18:59,056

(SOBBING)

228

00:19:20,619 --> 00:19:21,912

(GASPS)

229

00:19:25,541 --> 00:19:26,542

What is this?

230

00:19:29,670 --> 00:19:31,922

I have avenged you, sire.

231

00:19:33,757 --> 00:19:35,759

She is vanquished? (COUGHING)

232

00:19:38,679 --> 00:19:40,639

Oh, you have done well, my son.

233

00:19:41,223 --> 00:19:43,433

You have done what others feared to do.

234

00:19:44,601 --> 00:19:46,603

You will be rewarded.

235

00:19:49,106 --> 00:19:53,318

I shall do my best

to be a worthy successor,

236

00:19:54,152 --> 00:19:55,612

Your Majesty.

237

00:20:03,787 --> 00:20:05,372

(GROANS SOFTLY)

238

00:20:11,378 --> 00:20:12,629

(EXHALES)

239

00:20:43,535 --> 00:20:44,953

(GROANING)

240

00:21:36,838 --> 00:21:38,507

(DISTANT CAWING)

241

00:21:42,636 --> 00:21:43,971

(CAWS)

242

00:21:46,556 --> 00:21:47,557

(BLOWS)

243

00:21:47,933 --> 00:21:49,434

(CAWING)

244

00:22:04,408 --> 00:22:05,951

(CAWING)

(DOGS BARKING)

245

00:22:07,411 --> 00:22:09,037

I've got you!

246

00:22:13,500 --> 00:22:15,502

- You wicked bird!

- Into a man.

247

00:22:17,212 --> 00:22:18,505

(GASPING) It's a...

248

00:22:18,922 --> 00:22:19,965

(BARKING CONTINUES)

249

00:22:22,217 --> 00:22:23,593

(GRUNTING)

250

00:22:29,558 --> 00:22:30,918

It's a demon!

(DOGS WHIMPERING)

251

00:22:44,614 --> 00:22:47,217

What have you done

to my beautiful self?

252

00:22:47,242 --> 00:22:49,202

Would you rather

I let them beat you to death?

253

00:22:51,079 --> 00:22:52,472

I'm not certain.

254

00:22:52,497 --> 00:22:54,082

Stop complaining.

255

00:22:54,624 --> 00:22:56,418

I saved your life.

256

00:22:59,379 --> 00:23:00,714

Forgive me.

257

00:23:01,631 --> 00:23:02,758

What do I call you?

258

00:23:03,300 --> 00:23:04,760

Diaval.

259

00:23:05,427 --> 00:23:07,320

And in return for saving my life,

260

00:23:07,345 --> 00:23:08,597

I am your servant.

261

00:23:09,598 --> 00:23:11,141

Whatever you need.

262

00:23:12,601 --> 00:23:13,727

Wings.

263

00:23:15,520 --> 00:23:17,314

I need you to be my wings.

264

00:23:26,823 --> 00:23:27,991

(CAWING)

265

00:23:36,792 --> 00:23:39,669

I present to you the first of his line,

266

00:23:40,170 --> 00:23:43,548

His Royal Highness King Stefan.

267

00:23:43,924 --> 00:23:45,258

(EXCITED MURMURING)

268

00:24:06,530 --> 00:24:10,742

He did this to me so he would be king.

269

00:24:14,830 --> 00:24:16,706

(SCREAMING)

270

00:24:30,971 --> 00:24:32,597

Now what, Mistress?

271

00:25:08,925 --> 00:25:09,926

(GASPS)

272

00:25:11,011 --> 00:25:12,762

FAIRY: Her wings!

273

00:25:26,860 --> 00:25:28,278

(CAWING)

274

00:25:38,955 --> 00:25:40,749

(GROWLING)

275

00:25:48,215 --> 00:25:50,008

(THUNDER RUMBLING)

276

00:26:00,310 --> 00:26:02,120

It's a girl!

(WOMEN GASPING)

277

00:26:02,145 --> 00:26:03,955

ALL: It's a girl! It's a girl!

278

00:26:03,980 --> 00:26:05,815

(EXCITED CHATTER)

279

00:26:17,953 --> 00:26:19,287

(CAWING)

280

00:26:21,873 --> 00:26:23,291

(GRUNTING)

281

00:26:25,877 --> 00:26:26,962

(EXHALES)

282

00:26:27,337 --> 00:26:28,380

Well?

283

00:26:29,381 --> 00:26:31,316

Well, I saw nothing.

284

00:26:31,341 --> 00:26:33,593

But there's been a, um...

285

00:26:34,261 --> 00:26:35,262

What?

286

00:26:37,097 --> 00:26:38,932

Child.

287

00:26:40,850 --> 00:26:43,687

King Stefan and the Queen

have had a child.

288

00:26:46,856 --> 00:26:47,857

Oh.

289

00:26:48,525 --> 00:26:50,694

There will be a christening.

290

00:26:51,486 --> 00:26:53,196

They say it's to be a grand celebration.

291

00:26:55,115 --> 00:26:59,661

A grand celebration for a baby.

292

00:27:00,996 --> 00:27:03,540

How wonderful.

293

00:27:19,556 --> 00:27:22,867

NARRATOR: <i>All manner of folk
came to the christening,</i>

294

00:27:22,892 --> 00:27:24,536

<i>even a trio of fairies</i>

295

00:27:24,561 --> 00:27:27,205

<i>who sought to foster
peace and goodwill.</i>

296

00:27:27,230 --> 00:27:29,249

Oh, look, there's the baby!

297

00:27:29,274 --> 00:27:30,583

I love babies!

298

00:27:30,608 --> 00:27:32,335

Can you just concentrate, please?

299

00:27:32,360 --> 00:27:33,737

- Oh!

- I'm not telling you again.

300

00:27:41,286 --> 00:27:44,055

Greetings, Your Majesty.

301

00:27:44,080 --> 00:27:46,624

I am Knotgrass

of the Moorland Fair Folk.

302

00:27:46,875 --> 00:27:48,585

I'm Flittle, Your Kingship.

303

00:27:48,835 --> 00:27:51,379

And I'm Thistlewit, Your Royalnesses.

304

00:27:52,881 --> 00:27:54,424

They bring gifts for our daughter.

305

00:27:55,717 --> 00:27:57,777

These are not just any old gifts,

306

00:27:57,802 --> 00:28:00,305

for, you see, we're magic!

307

00:28:00,889 --> 00:28:02,349

And very good with children.

308

00:28:04,809 --> 00:28:06,019

(SIGHS)

309

00:28:06,269 --> 00:28:07,937

Very well.

310

00:28:11,441 --> 00:28:14,944

Sweet Aurora, I wish for you

311

00:28:15,362 --> 00:28:18,031

the gift of beauty.

312

00:28:19,240 --> 00:28:20,992

(BLOWS)

(COOING)

313

00:28:23,161 --> 00:28:26,790

My wish is that you will never be blue,

314

00:28:27,123 --> 00:28:30,852

only happy, all the days of your life.

315

00:28:30,877 --> 00:28:32,212

(SNEEZING)

316

00:28:36,466 --> 00:28:38,093

Sweet baby,

317

00:28:38,885 --> 00:28:41,554

my wish for you is that you find...

318

00:28:42,055 --> 00:28:43,473

(ALL GASP)

(WIND HOWLING)

319

00:28:47,977 --> 00:28:49,979

(ALL SCREAMING)

320

00:29:02,992 --> 00:29:05,328

FAIRIES: (WHISPERING)
Maleficent!

321

00:29:09,582 --> 00:29:11,126

(ALL MURMURING)

322

00:29:16,798 --> 00:29:18,591

Well, well.

323

00:29:18,925 --> 00:29:19,968

(CHUCKLING)

324

00:29:23,221 --> 00:29:27,058

What a glittering assemblage,
King Stefan.

325

00:29:31,354 --> 00:29:32,522

Royalty,

326

00:29:33,022 --> 00:29:35,750

nobility, the gentry,

327

00:29:35,775 --> 00:29:36,860

and...

328

00:29:37,152 --> 00:29:39,028

(CAWING)

(LAUGHING)

329

00:29:39,237 --> 00:29:40,447

How quaint.

330

00:29:42,782 --> 00:29:44,701

Even the rabble.

331

00:29:51,875 --> 00:29:53,543

I must say

332

00:29:54,085 --> 00:29:58,173

I really felt quite distressed
at not receiving an invitation.

333

00:29:59,549 --> 00:30:01,134

You're not welcome here.

334

00:30:02,343 --> 00:30:04,053

(MOCK WHIMPERING)

335

00:30:05,054 --> 00:30:06,389

Oh.

336

00:30:06,723 --> 00:30:07,891

(LAUGHING)

337

00:30:10,560 --> 00:30:11,686

Oh, dear.

338

00:30:12,312 --> 00:30:14,564

What an awkward situation.

339

00:30:14,898 --> 00:30:16,399

You're not offended?

340

00:30:17,901 --> 00:30:20,153

Why, no.

341

00:30:22,572 --> 00:30:26,409

And to show I bear no ill will,

342

00:30:26,576 --> 00:30:30,747

I, too, shall bestow a gift on the child.

343

00:30:31,122 --> 00:30:32,582

No! We don't want your gift!

344

00:30:36,419 --> 00:30:38,146

KNOTGRASS: Stay away
from the princess!

345

00:30:38,171 --> 00:30:40,231

THISTLEWIT: Yes, stay away!

346

00:30:40,256 --> 00:30:41,941

(CROWD GASPS)

FAIRIES: om

347

00:30:41,966 --> 00:30:43,092

Ow!

348

00:30:46,137 --> 00:30:47,180

Hmm...

349

00:30:51,267 --> 00:30:52,852

Mmm.

350

00:30:57,440 --> 00:30:59,459

Listen well, all of you.

351

00:30:59,484 --> 00:31:01,945

WHISPERING VOICES: <i>Listen well, all of you.</i>

352

00:31:02,487 --> 00:31:05,590

The princess shall indeed

353

00:31:05,615 --> 00:31:08,284

grow in grace and beauty,

354

00:31:08,868 --> 00:31:11,996

beloved by all who meet her.

355

00:31:12,622 --> 00:31:14,040

That's a lovely gift.

356

00:31:18,253 --> 00:31:19,462

Don't do this.

357

00:31:35,228 --> 00:31:36,354

But

358

00:31:38,481 --> 00:31:43,278

before the sun sets on her 16th birthday,

359

00:31:43,987 --> 00:31:45,588

she will prick her finger

360

00:31:45,613 --> 00:31:47,657

on the spindle of a spinning wheel

361

00:31:47,949 --> 00:31:50,410

and fall into a sleep like death,

362

00:31:51,286 --> 00:31:55,498

a sleep from which

she will never awaken.

363

00:31:56,541 --> 00:31:59,085

Maleficent, please don't do this,

I'm begging you.

364

00:32:01,379 --> 00:32:03,298

I like you begging.

365

00:32:05,341 --> 00:32:07,010

Do it again.

366

00:32:25,278 --> 00:32:26,487

I beg you.

367

00:32:28,781 --> 00:32:30,158

All right.

368

00:32:34,537 --> 00:32:39,292

The princess can be woken
from her death sleep,

369

00:32:40,543 --> 00:32:42,670

but only by

370

00:32:43,713 --> 00:32:45,882

true love's kiss.

371

00:32:48,343 --> 00:32:50,887

This curse will last till the end of time!

372

00:32:51,387 --> 00:32:54,057

No power on Earth can change it.

373

00:32:54,599 --> 00:32:56,434

(PEOPLE SCREAMING)

374

00:32:58,728 --> 00:33:00,229

(MALEFICENT CACKLING)

375

00:33:09,906 --> 00:33:11,633

NARRATOR: <i>King Stefan
ordered his men</i>

376

00:33:11,658 --> 00:33:14,369

<i>to seize every spinning wheel
in the kingdom.</i>

377

00:33:14,744 --> 00:33:17,472

<i>The wheels were broken and burned,</i>

378

00:33:17,497 --> 00:33:19,390

<i>that they might never be used,</i>

379

00:33:19,415 --> 00:33:23,378

<i>and thrown into the deepest
dungeon in the castle.</i>

380

00:33:24,420 --> 00:33:27,523

<i>Secretly, he entrusted
the safety of the child</i>

381

00:33:27,548 --> 00:33:29,217

<i>to the magic of the pixies,</i>

382

00:33:29,926 --> 00:33:32,153

<i>who would take her

to a remote hideaway</i>

383

00:33:32,178 --> 00:33:35,264

<i>for 16 years and a day.</i>

384

00:33:39,477 --> 00:33:43,189

<i>Stefan shut himself behind

the walls of his castle</i>

385

00:33:43,773 --> 00:33:46,751

<i>while his soldiers rode far and wide</i>

386

00:33:46,776 --> 00:33:49,362

<i>to hunt Maleficent down.</i>

387

00:33:50,488 --> 00:33:52,990

<i>But she made walls of her own,</i>

388

00:33:53,282 --> 00:33:56,761

<i>that the Moors might
never again suffer the touch</i>

389

00:33:56,786 --> 00:33:58,788

<i>of any human.</i>

390

00:34:00,707 --> 00:34:03,726

<i>And she revelled in the sorrow</i>

391

00:34:03,751 --> 00:34:05,962

<i>that her curse had brought.</i>

392

00:34:07,130 --> 00:34:08,715

(MALEFICENT LAUGHING)

393

00:34:10,299 --> 00:34:12,694

<i>The fairies began their charge</i>

394

00:34:12,719 --> 00:34:16,681

<i>to raise Aurora in a snug
little cottage in the woods.</i>

395

00:34:17,223 --> 00:34:19,976

FLITTLE: Oh, no! Is this it?

396

00:34:20,601 --> 00:34:22,311

Looks dreadful.

397

00:34:22,645 --> 00:34:24,147

Come on.

398

00:34:24,480 --> 00:34:25,581

(AURORA COOING)

399

00:34:25,606 --> 00:34:27,041

Oh, we need a smaller...

400

00:34:27,066 --> 00:34:28,251

Ooh! Baby.

(AURORA CRYING)

401

00:34:28,276 --> 00:34:30,044

Or bigger bodies.

402

00:34:30,069 --> 00:34:33,715

No, what we need is a proper disguise.

403

00:34:33,740 --> 00:34:35,133

What do you mean?

404

00:34:35,158 --> 00:34:37,076

Well, we have to blend in, don't we?

405

00:34:37,368 --> 00:34:39,289

We have to be big enough
to look after this baby.

406

00:34:39,912 --> 00:34:42,957

So, gather around, ladies. (PANTING)

407

00:34:43,666 --> 00:34:47,003

Get ready. One, two, three, grow!

408

00:34:48,755 --> 00:34:50,022

(ALL EXCLAIMING)

409

00:34:50,047 --> 00:34:51,399

(ALL LAUGHING)

410

00:34:51,424 --> 00:34:53,593

Oh, that's worked quite well.

That's very nice.

411

00:34:54,844 --> 00:34:56,654

Now, there will be no questions asked.

412

00:34:56,679 --> 00:34:57,680

We are no longer fairies.

413

00:34:57,889 --> 00:34:59,073

We are three peasant women

414

00:34:59,098 --> 00:35:00,825

raising our orphan child in the woods.

415

00:35:00,850 --> 00:35:03,186

- Yes.

- So, uh, no more flying.

416

00:35:03,561 --> 00:35:05,955

- No flying?

- No, no, and...

417

00:35:05,980 --> 00:35:07,398

(CRYING)

...no magic.

418

00:35:07,690 --> 00:35:08,958

- No magic?

- Yes, you heard.

419

00:35:08,983 --> 00:35:10,168

FLITTLE: It's in the middle of nowhere.

420

00:35:10,193 --> 00:35:12,695

THISTLEWIT: At least

no one will find us here.

421

00:35:14,530 --> 00:35:16,783

(CONTINUES CRYING)

(CAWING)

422

00:35:19,535 --> 00:35:23,181

There you are.

Why are you always hiding?

423

00:35:23,206 --> 00:35:25,208

Come on. There you go.

424

00:35:28,795 --> 00:35:30,087

(CAWING)

425

00:35:32,048 --> 00:35:33,716

(AURORA CRYING)

426

00:35:41,057 --> 00:35:42,600

Hmm.

427

00:35:43,893 --> 00:35:47,355

It's so ugly, you could

almost feel sorry for it.

428

00:35:51,567 --> 00:35:52,735

(SNARLING)

429

00:35:57,198 --> 00:35:59,492

I hate you. Beasty.

430

00:36:01,285 --> 00:36:03,079

(CLATTERING)

431

00:36:06,207 --> 00:36:08,768

NARRATOR: <i>The fairies were perhaps unequal to their task.</i>

432

00:36:08,793 --> 00:36:10,086

(CRYING)

433

00:36:10,711 --> 00:36:12,188

Why is she crying?

434

00:36:12,213 --> 00:36:13,548

I think she might be hungry.

435

00:36:14,924 --> 00:36:16,259

Then feed her!

436

00:36:17,176 --> 00:36:18,761

Oh.

(CONTINUES CRYING)

437

00:36:21,764 --> 00:36:23,683

THISTLEWIT: (SINGING)
<i>Hungry baby</i>

438

00:36:26,352 --> 00:36:29,313

There you are.

439

00:36:29,647 --> 00:36:30,898

There you go.

440

00:36:31,315 --> 00:36:33,025

(CAWING)

441

00:36:34,610 --> 00:36:35,987

(AURORA CRYING)

(HISSING)

442

00:36:37,321 --> 00:36:39,991

It's going to starve

with those three looking after it.

443

00:36:47,123 --> 00:36:49,141

(AURORA CONTINUES CRYING)

444

00:36:49,166 --> 00:36:51,127

(SNORING)

(MUTTERING)

445

00:36:53,129 --> 00:36:54,672

It tickles. (LAUGHS)

446

00:36:56,090 --> 00:36:57,800

(CRYING CONTINUES)

447

00:37:02,138 --> 00:37:03,806

(CAWING SOFTLY)

(COOING)

448

00:37:06,559 --> 00:37:07,768

(SUCKING)

449

00:37:21,741 --> 00:37:23,451

(GASPS) What?

450

00:37:23,743 --> 00:37:24,869

You're cheating.

451

00:37:25,286 --> 00:37:26,454

I saw that!

452

00:37:26,829 --> 00:37:28,789

- We're starting again.

- Suit yourself.

453

00:37:29,123 --> 00:37:31,918

Greedy, bloated goat!

454

00:37:32,084 --> 00:37:34,086

(BOTH LAUGHING)

455

00:37:34,420 --> 00:37:35,963

"Bloated goat."

456

00:37:39,926 --> 00:37:41,177

Stop doing that.

457

00:37:42,094 --> 00:37:43,721

I'm not doing anything.

458

00:37:45,806 --> 00:37:47,016

Well, someone is.

459

00:37:47,391 --> 00:37:48,392

It's not me.

460

00:37:48,517 --> 00:37:52,021

You two are having a go at me,
and I will not tolerate...

461

00:37:53,773 --> 00:37:54,941

Stop it!

462

00:38:04,784 --> 00:38:06,827

(GASPING) Why...

(BOTH LAUGHING)

463

00:38:08,454 --> 00:38:10,039

(ALL SHRIEKING)

464

00:38:10,456 --> 00:38:11,999

(THUNDER RUMBLING)

465

00:38:12,416 --> 00:38:14,210

No! Oh!

466

00:38:14,752 --> 00:38:16,003

This is all your fault!

467

00:38:16,253 --> 00:38:18,047

(THUNDER RUMBLING)

(FAIRIES SHRIEKING)

468

00:38:19,840 --> 00:38:21,175

Oh...

469

00:38:23,636 --> 00:38:24,720

(THUNDER RUMBLES)

470

00:38:27,390 --> 00:38:29,058

Oh, come on. That's funny.

471

00:38:31,435 --> 00:38:34,705

NARRATOR: <i>As the days went on,
Stefan darkened,</i>

472

00:38:34,730 --> 00:38:37,942

<i>further consumed
by paranoia and vengeance.</i>

473

00:38:38,234 --> 00:38:40,778

CAPTAIN: Burn it all down!

SOLDIER: Yes, sir!

474

00:38:41,070 --> 00:38:42,446

Flame!

475

00:38:43,114 --> 00:38:44,949

(SOLDIER SHOUTING INDISTINCTLY)

476

00:38:45,241 --> 00:38:46,242

Release!

477

00:38:58,045 --> 00:38:59,255

(ALL CHEERING)

478

00:39:18,441 --> 00:39:19,817

(SOLDIERS SCREAMING)

479

00:39:20,484 --> 00:39:21,919

Run!

480

00:39:21,944 --> 00:39:23,279

(GROANS)

481

00:39:29,452 --> 00:39:31,954

(MALEFICENT LAUGHING EVILLY)

482

00:39:35,124 --> 00:39:36,125

STEFAN: You failed me.

483

00:39:37,960 --> 00:39:42,131

The wall cannot be burned.

It is indestructible.

484

00:39:46,093 --> 00:39:47,236

(GROANS)

485

00:39:47,261 --> 00:39:49,513

Nothing is indestructible!

486

00:39:50,473 --> 00:39:51,824

Not the wall!

487

00:39:51,849 --> 00:39:52,975

Not Maleficent!

488

00:39:53,184 --> 00:39:54,810

Not even her curse!

489

00:40:13,204 --> 00:40:15,289

Bring me the iron workers.

490

00:40:30,221 --> 00:40:31,388

Ow!

491

00:40:33,682 --> 00:40:35,559

- Ow!

- Ow!

492

00:40:39,855 --> 00:40:40,940

You!

493

00:40:41,398 --> 00:40:42,858

(FAIRIES YELPING)

494

00:40:46,362 --> 00:40:47,446

(SCREAMING)

495

00:40:47,571 --> 00:40:48,656

(GRUNTING)

496

00:40:52,618 --> 00:40:54,303

MALEFICENT: Oh, look.

(AURORA LAUGHS)

497

00:40:54,328 --> 00:40:57,623

The little beast is about

to fall off the cliff.

498

00:41:01,043 --> 00:41:02,211

(CAWING)

499

00:41:07,049 --> 00:41:08,717

(AURORA SCREAMS)

500

00:41:13,556 --> 00:41:15,266

(LAUGHS)

501

00:41:20,229 --> 00:41:21,772

(CAWS)

502

00:41:23,649 --> 00:41:24,733

What?

503

00:41:30,906 --> 00:41:32,741

(SIGHS)

504

00:41:43,419 --> 00:41:45,212

AURORA: Hello.

505

00:41:57,141 --> 00:41:58,184

Go away.

506

00:41:59,018 --> 00:42:00,102

Go.

507

00:42:00,853 --> 00:42:01,854

Go away.

508

00:42:04,273 --> 00:42:06,275

I don't like children.

509

00:42:07,193 --> 00:42:08,527

(CAWS)

510

00:42:08,944 --> 00:42:10,654

AURORA: Up, up.

511

00:42:28,797 --> 00:42:30,883

Mmm. Go along. Go, go, go.

512

00:42:43,562 --> 00:42:45,105

NARRATOR: <i>As Maleficent had said,</i>

513

00:42:45,564 --> 00:42:49,318

<i>Aurora did grow in grace and beauty.</i>

514

00:42:52,571 --> 00:42:54,281

Pretty bird.

(CAWS)

515

00:42:55,491 --> 00:42:57,801

<i>Far away from the lofty palace</i>

516

00:42:57,826 --> 00:42:59,995

<i>that she remembered not.</i>

(CAWING)

517

00:43:01,288 --> 00:43:02,414

(LAUGHING)

518

00:43:02,623 --> 00:43:06,835

<i>And as the seasons changed
and the flowers grew,</i>

519

00:43:07,544 --> 00:43:09,088

<i>so did she.</i>

520

00:43:11,423 --> 00:43:13,092

(LAUGHING)

521

00:43:23,143 --> 00:43:24,144

Hello.

522

00:43:25,145 --> 00:43:26,146

That's it.

523

00:43:32,027 --> 00:43:33,420

There you go.

524

00:43:33,445 --> 00:43:36,073

<i>She wondered at the world about her,</i>

525

00:43:40,411 --> 00:43:44,665

<i>and at what lay beyond
the fearsome wall of thorns.</i>

526

00:43:53,173 --> 00:43:54,341

MALEFICENT: Hmm.

527

00:43:54,925 --> 00:43:56,927

Curious little beasty.

528

00:43:57,761 --> 00:44:01,098

<i>But she was not the only one
who wished to get through.</i>

529

00:44:02,308 --> 00:44:03,934

Shh.

530

00:44:04,643 --> 00:44:05,644

Look.

531

00:44:07,688 --> 00:44:10,374

Is that her? Is that Maleficent?

532

00:44:10,399 --> 00:44:12,026

I don't know.

533

00:44:15,738 --> 00:44:17,156

Bring them to me.

534

00:44:19,700 --> 00:44:21,035

(GROWLING)

535

00:44:21,535 --> 00:44:23,412

No, it's just a silly peasant girl.

536

00:44:24,538 --> 00:44:26,415

(HOWLING)

537

00:44:34,089 --> 00:44:35,424

(BLOWS)

538

00:44:42,806 --> 00:44:44,600

(SOLDIERS TALKING INDISTINCTLY)

539

00:44:45,142 --> 00:44:47,436

(WOLF GROWLING)

(HORSES NEIGHING)

540

00:44:47,978 --> 00:44:49,188

SOLDIER: Steady.

541

00:44:50,105 --> 00:44:51,565

(HOWLING)

542

00:45:00,574 --> 00:45:02,326

(WOLF SNARLING)

543

00:45:09,333 --> 00:45:11,126

(SOLDIERS CLAMOURING)

544

00:45:15,089 --> 00:45:16,256

(SOLDIERS MURMURING)

545

00:45:17,591 --> 00:45:19,134

ALL: It's her!

(WOLF GROWLING)

546

00:45:29,686 --> 00:45:31,021

(SOLDIERS WHIMPER)

547

00:45:32,981 --> 00:45:34,441

(ALL SCREAMING)

548

00:45:47,121 --> 00:45:48,247

(BOTH GROAN)

549

00:45:49,331 --> 00:45:50,332

Whoa!

550

00:45:54,837 --> 00:45:56,004

(SCREAMING)

(ALL GROANING)

551

00:46:02,928 --> 00:46:04,263

Hmm.

552

00:46:14,690 --> 00:46:15,774

(GASPS)

553

00:46:23,824 --> 00:46:24,944

How could you do that to me?

554

00:46:25,200 --> 00:46:27,035

You said anything I need.

555

00:46:27,327 --> 00:46:28,328

Yeah, but not a dog.

556

00:46:28,996 --> 00:46:30,539

It was a wolf, not a dog.

557

00:46:31,206 --> 00:46:32,891

It's the same thing.

(SCOFFS)

558

00:46:32,916 --> 00:46:36,378

They're dirty, vicious,

and they hunt birds.

559

00:46:36,503 --> 00:46:37,604

Fine.

560

00:46:37,629 --> 00:46:39,815

Next time I'll turn you into a mealy worm.

561

00:46:39,840 --> 00:46:41,942

Well, I'll be a mealy worm, gladly.

562

00:46:41,967 --> 00:46:43,444

Anything but a filthy, stinking...

563

00:46:43,469 --> 00:46:44,720

(CAWS)

564

00:46:53,187 --> 00:46:54,771

I wonder.

565

00:48:12,599 --> 00:48:13,809

Wow.

566

00:48:16,311 --> 00:48:17,854

(FAIRIES SQUEAKING)

567

00:48:24,403 --> 00:48:25,821

(GASPS)

568

00:48:36,623 --> 00:48:37,916

I know you're there.

569

00:48:38,500 --> 00:48:39,876

Don't be afraid.

570

00:48:40,460 --> 00:48:41,920

(CHUCKLES)

571

00:48:43,547 --> 00:48:44,840

I am not afraid.

572

00:48:46,008 --> 00:48:47,676

Then come out.

573

00:48:48,677 --> 00:48:50,470

Then you'll be afraid.

574

00:48:51,263 --> 00:48:52,514

No, I won't.

575

00:49:09,615 --> 00:49:10,782

I know who you are.

576

00:49:12,534 --> 00:49:13,577

Do you?

577

00:49:15,912 --> 00:49:17,873

You're my Fairy Godmother.

578

00:49:20,709 --> 00:49:21,752

What?

579

00:49:22,085 --> 00:49:23,837

Fairy Godmother.

580

00:49:24,212 --> 00:49:26,548

You've been watching over me
my whole life.

581

00:49:27,215 --> 00:49:29,217

I've always known you were close by.

582

00:49:30,719 --> 00:49:31,903

How?

583

00:49:31,928 --> 00:49:35,932

Your shadow. It's been following me
ever since I was small.

584

00:49:36,391 --> 00:49:39,061

Wherever I went,
your shadow was always with me.

585

00:49:42,356 --> 00:49:44,066

I remember you.

(CAWING)

586

00:49:44,483 --> 00:49:45,901

Pretty bird. (CHUCKLES)

587

00:49:46,151 --> 00:49:47,486

(CAWS)

588

00:49:47,694 --> 00:49:48,904

This is Diaval.

589

00:49:53,367 --> 00:49:55,035

(GASPS) Hello, Aurora.

590

00:49:57,579 --> 00:49:59,956

I have known you

since you were a little one.

591

00:50:07,047 --> 00:50:09,549

It's everything I imagined it would be.

592

00:50:10,008 --> 00:50:11,426

Oh, it's just so beautiful!

593

00:50:12,052 --> 00:50:13,929

I've always wanted to come...

(BLOWING)

594

00:50:25,941 --> 00:50:27,567

(CREATURES CHIRRP)

595

00:51:00,976 --> 00:51:02,978

Good night, beast.

596

00:51:05,689 --> 00:51:07,691

(THUNDER RUMBLING)

597

00:51:15,615 --> 00:51:17,075

You mock me.

598

00:51:18,076 --> 00:51:20,412

I know what you're doing.

599

00:51:21,163 --> 00:51:24,349

I know exactly what you're doing.

600

00:51:24,374 --> 00:51:25,375

Sire?

601

00:51:25,834 --> 00:51:28,128

Your presence has been
requested by the Queen.

602

00:51:28,795 --> 00:51:29,838

Leave me.

603

00:51:30,422 --> 00:51:32,132

Sire, she is not well.

604

00:51:32,632 --> 00:51:36,111

The nurses are fearful
that she won't make it through the night.

605

00:51:36,136 --> 00:51:37,512

Shh.

606

00:51:39,681 --> 00:51:43,059

Can you not see
we're having a conversation?

607

00:51:51,651 --> 00:51:54,671

When the curse fails,

Maleficent will come for me.

608

00:51:54,696 --> 00:51:56,198

And on that day,

609

00:51:56,531 --> 00:51:58,241

I will be ready.

610

00:52:12,839 --> 00:52:14,716

They're so beautiful.

611

00:52:30,649 --> 00:52:32,567

(CREATURES CHIRRUP)

612

00:52:38,782 --> 00:52:40,200

(WALLERBOGS LAUGHING)

613

00:52:44,955 --> 00:52:46,456

(AURORA LAUGHING)

614

00:53:01,763 --> 00:53:02,764

(LAUGHING)

615

00:53:06,184 --> 00:53:07,686

(ALL LAUGHING)

616

00:53:30,125 --> 00:53:32,252

I revoke the curse.

617

00:53:33,628 --> 00:53:35,797

Let it be no more.

618

00:53:37,674 --> 00:53:39,551

I revoke the curse.

619

00:53:40,302 --> 00:53:42,637

Let it be no more.

620

00:53:44,681 --> 00:53:46,558

I revoke my curse!

621

00:53:46,892 --> 00:53:49,561

Let it be no more!

622

00:53:50,312 --> 00:53:52,022

I revoke my curse!

623

00:53:52,939 --> 00:53:55,901

Let it be no more!

624

00:53:58,153 --> 00:54:00,906

Let it be no more!

625

00:54:08,872 --> 00:54:12,500

WHISPERING VOICES: <i>This curse will last till the end of time.</i>

626

00:54:13,543 --> 00:54:16,171

<i>No power on Earth can change it.</i>

627

00:54:38,068 --> 00:54:40,570

Do all the Fair People have wings?

628

00:54:43,073 --> 00:54:44,658

Most do.

629

00:54:45,075 --> 00:54:46,910

Then why don't you?

630

00:54:47,911 --> 00:54:49,996

All the other fairies fly.

631

00:54:52,123 --> 00:54:54,626

I had wings once.

They were stolen from me.

632

00:54:55,043 --> 00:54:56,795

That's all I wish to say about it.

633

00:54:57,671 --> 00:54:59,297

What colour were they?

634

00:55:00,215 --> 00:55:01,383

Were they big?

635

00:55:04,886 --> 00:55:08,056

So big they dragged behind me
when I walked.

636

00:55:09,599 --> 00:55:11,826

And they were strong.

637

00:55:11,851 --> 00:55:14,854

They could carry me above the clouds
and into the headwinds.

638

00:55:15,981 --> 00:55:17,941

And they never faltered,

639

00:55:18,358 --> 00:55:20,193

not even once.

640

00:55:20,902 --> 00:55:22,153

I could trust them.

641

00:55:44,634 --> 00:55:45,969

(MALEFICENT SCREAMING)

642

00:55:46,136 --> 00:55:47,195

(GASPS)

643

00:55:47,220 --> 00:55:48,805

(PANTING)

644

00:55:48,972 --> 00:55:51,933

She's coming. She's coming.

645

00:55:56,813 --> 00:55:58,213

(COUGHS) Where are your workers?

646

00:55:58,481 --> 00:55:59,791

Uh...

647

00:55:59,816 --> 00:56:01,359

In their beds, Majesty.

648

00:56:01,735 --> 00:56:04,029

Get them back to work without delay.

649

00:56:04,446 --> 00:56:05,964

They're exhausted, sire.

650

00:56:05,989 --> 00:56:08,783

But I'll have them

back to work at first light.

651

00:56:10,702 --> 00:56:12,787

I need them back to work now.

652

00:56:12,954 --> 00:56:14,581

It's the wee hours.

653

00:56:17,959 --> 00:56:19,085

Aye.

654

00:56:20,712 --> 00:56:21,796

Aye.

655

00:56:23,131 --> 00:56:24,507

It is the wee hours.

656

00:56:27,052 --> 00:56:28,678

So wake them up.

657

00:56:29,095 --> 00:56:30,638

Sire?

658

00:56:31,681 --> 00:56:32,949

So wake them up,

659

00:56:32,974 --> 00:56:34,809

and get them back to work now!

660

00:56:35,060 --> 00:56:38,063

We're running out of time! Go, now!

661

00:57:02,170 --> 00:57:03,546

(PURRING)

662

00:57:07,801 --> 00:57:08,885

Aurora?

663

00:57:10,178 --> 00:57:11,471

Come here.

664

00:57:21,064 --> 00:57:22,273

Sit.

665

00:57:26,986 --> 00:57:28,530

There's something I need to tell you.

666

00:57:29,030 --> 00:57:30,490

What is it?

667

00:57:32,534 --> 00:57:35,203

There is an evil in this world,

668

00:57:36,454 --> 00:57:38,540

and I cannot keep you from it.

669

00:57:39,791 --> 00:57:42,252

I'm almost 16, Godmother.

670

00:57:42,502 --> 00:57:44,087

I can take care of myself.

671

00:57:44,629 --> 00:57:46,172

I understand.

672

00:57:48,883 --> 00:57:50,068

But that's not what I have to tell you.

673

00:57:50,093 --> 00:57:51,094

I have a plan.

674

00:57:52,262 --> 00:57:53,655

When I'm older,

675

00:57:53,680 --> 00:57:56,224

I'm going to live here

in the Moors with you.

676

00:57:56,808 --> 00:57:58,935

Then we can look after each other.

677

00:58:04,816 --> 00:58:07,735

You don't have to wait until you're older.

678

00:58:07,944 --> 00:58:09,154

You could live here now.

679

00:58:10,238 --> 00:58:11,906

Then I will.

680

00:58:13,199 --> 00:58:14,676

I'll sleep in a tree

681

00:58:14,701 --> 00:58:16,719

and eat berries and black nuts

682

00:58:16,744 --> 00:58:19,414

and all the Fair People

will be my friends.

683

00:58:21,749 --> 00:58:23,751

I'll be happy here for the rest of my life.

684

00:58:24,919 --> 00:58:27,297

I'm going to tell my aunties tomorrow.

685

00:58:30,091 --> 00:58:31,676

Until tomorrow.

686

00:58:32,594 --> 00:58:33,803

Oh, I'm so excited!

687

00:58:34,387 --> 00:58:35,930

(AURORA LAUGHING)

688

00:58:50,945 --> 00:58:53,281

AURORA: Aunties, I'm almost 16.

689

00:58:53,615 --> 00:58:55,717

I need a life of my own.

690

00:58:55,742 --> 00:58:58,870

No. I love you very much,

691

00:58:59,746 --> 00:59:01,247

but it's time to say goodbye.

692

00:59:01,789 --> 00:59:03,499

You've been very good to me,

693

00:59:03,666 --> 00:59:06,502

except the time

you accidentally fed me spiders.

694

00:59:09,255 --> 00:59:10,882

(GASPS)

695

00:59:11,674 --> 00:59:12,675

Hello.

696

00:59:15,345 --> 00:59:17,363

I'm sorry to bother you,

697

00:59:17,388 --> 00:59:19,032

but I'm on my way to King Stefan's castle

698

00:59:19,057 --> 00:59:21,935

and I've become hopelessly lost.

699

00:59:22,268 --> 00:59:24,245

- Can you help me?

- Oh!

700

00:59:24,270 --> 00:59:26,940

Oh, I'm sorry. That was my fault.

I rushed in too...

701

00:59:33,613 --> 00:59:35,031

Forgive me.

702

00:59:38,159 --> 00:59:39,827

It's that way.

703

00:59:43,998 --> 00:59:45,500

The castle.

704

00:59:51,422 --> 00:59:52,674

What's your name?

705

00:59:53,216 --> 00:59:54,425

It's Philip.

706

00:59:56,344 --> 00:59:57,553

Hello, Philip.

707

00:59:59,013 --> 01:00:00,306

What's yours?

708

01:00:01,557 --> 01:00:02,892

Aurora.

709

01:00:04,477 --> 01:00:06,229

Hello, Aurora.

710

01:00:12,026 --> 01:00:13,127

Well, it was nice meeting you.

711

01:00:13,152 --> 01:00:16,823

And once again, my apologies
for being such a clumsy fool.

712

01:00:18,825 --> 01:00:20,034

You're forgiven.

713

01:00:20,201 --> 01:00:21,786

That's good.

714

01:00:24,789 --> 01:00:26,207

I'd best be off, then.

715

01:00:27,875 --> 01:00:29,252

Good bye.

716

01:00:40,763 --> 01:00:42,765

Will you be back this way?

717

01:00:44,517 --> 01:00:45,893

Nothing could stop me.

718

01:00:47,895 --> 01:00:49,230

Then I'll see you soon.

719

01:00:50,064 --> 01:00:51,399

Very soon.

(HORSE NEIGHING)

720

01:00:52,400 --> 01:00:55,653

- Goodbye, Philip.

- Goodbye, for now.

721

01:01:01,451 --> 01:01:03,077

(CAWING)

722

01:01:05,538 --> 01:01:07,373

Stop doing that.

723

01:01:12,879 --> 01:01:14,255

Well?

724

01:01:14,839 --> 01:01:16,257

That boy's the answer.

725

01:01:16,424 --> 01:01:18,192

(LAUGHING)

726

01:01:18,217 --> 01:01:20,094

- No, Diaval.

- Yes!

727

01:01:20,470 --> 01:01:22,989

True love's kiss, remember?

It can break the spell.

728

01:01:23,014 --> 01:01:25,058

True love's kiss?

729

01:01:25,391 --> 01:01:27,143

Have you not worked it out yet?

730

01:01:28,728 --> 01:01:30,079

I cursed her that way

731

01:01:30,104 --> 01:01:31,939

because there is no such thing.

732

01:01:33,441 --> 01:01:35,401

Well, that might be how you feel,

733

01:01:36,444 --> 01:01:37,612

but what about Aurora?

734

01:01:38,404 --> 01:01:39,572

(SIGHS)

735

01:01:39,822 --> 01:01:41,741

That boy could be her only chance.

736

01:01:42,283 --> 01:01:44,744

It's her fate, anyway.

737

01:01:46,954 --> 01:01:48,122

Go ahead.

738

01:01:48,539 --> 01:01:50,767

Turn me into whatever you want.

739

01:01:50,792 --> 01:01:51,918

A bird, a worm.

740

01:01:52,293 --> 01:01:54,170

I don't care any more.

741

01:02:00,843 --> 01:02:03,096

I'm so happy we're leaving tomorrow.

742

01:02:04,305 --> 01:02:06,182

We are not leaving tomorrow.

743

01:02:06,349 --> 01:02:08,393

Tomorrow is Aurora's 16th birthday.

744

01:02:08,810 --> 01:02:10,495

KNOTGRASS: And Stefan
told us to take her back

745

01:02:10,520 --> 01:02:12,480

the day after her birthday.

746

01:02:12,814 --> 01:02:15,817

No. He said on her birthday.

747

01:02:16,109 --> 01:02:18,277

KNOTGRASS: No.

The day after her birthday.

748

01:02:18,486 --> 01:02:19,946

- On.

- After.

749

01:02:21,030 --> 01:02:22,240

- On.

- After.

750

01:02:22,907 --> 01:02:24,742

- On, on, on!

- After, after, after!

751

01:02:26,327 --> 01:02:27,995

Oh, stop it! (GASPS)

752

01:02:29,163 --> 01:02:30,331

Oh!

753

01:02:31,124 --> 01:02:32,500

(BOTH LAUGHING)

754

01:02:32,959 --> 01:02:34,001

What?

755

01:02:34,710 --> 01:02:35,837

(GASPS)

756

01:02:36,170 --> 01:02:37,505

How could you?

757

01:02:38,005 --> 01:02:39,606

(BOTH CONTINUE LAUGHING)

(DOOR OPENS)

758

01:02:41,592 --> 01:02:43,678

I need to talk to you about something.

759

01:02:43,886 --> 01:02:45,047

Oh, yes, sweetie, what is it?

760

01:02:45,054 --> 01:02:46,180

(DOOR CLOSES)

761

01:02:52,520 --> 01:02:54,313

I'm sorry to have to tell you this,

762

01:02:55,106 --> 01:02:56,941

but I'll be 16 tomorrow.

763

01:02:57,316 --> 01:02:59,110

Oh. Oh, yes.

764

01:03:07,910 --> 01:03:08,953

I'm leaving home.

765

01:03:13,791 --> 01:03:15,042

See here, young lady.

766

01:03:15,418 --> 01:03:19,272

I did not spend 16 years
in this miserable hovel

767

01:03:19,297 --> 01:03:20,940

with these two imbeciles...

(BOTH GASP)

768

01:03:20,965 --> 01:03:23,860

Shush! So that you could
ruin it on the last day.

769

01:03:23,885 --> 01:03:26,304

We are taking you back
to your father with...

770

01:03:27,221 --> 01:03:28,556

My father?

771

01:03:30,391 --> 01:03:32,393

You told me my parents were dead.

772

01:03:35,229 --> 01:03:38,191

I think you better come and sit down.

773

01:03:51,579 --> 01:03:53,498

Fairy Godmother!

774

01:03:54,874 --> 01:03:56,209

I'm here.

775

01:03:57,752 --> 01:04:00,421

When were you going to
tell me that I'm cursed?

776

01:04:05,510 --> 01:04:06,761

Is it true?

777

01:04:09,805 --> 01:04:11,015

It is.

778

01:04:13,309 --> 01:04:16,395

My aunts said it was an evil fairy.

779

01:04:16,521 --> 01:04:19,273

I... I can't remember her name.

780

01:04:20,066 --> 01:04:21,526

They said

781

01:04:22,443 --> 01:04:23,736

it was...

782

01:04:24,070 --> 01:04:25,613

Maleficent.

783

01:04:37,083 --> 01:04:38,626

Is that you?

784

01:04:42,713 --> 01:04:44,674

Are you Maleficent?

785

01:04:48,052 --> 01:04:49,262

No!

786

01:04:49,887 --> 01:04:51,514

Don't touch me.

787

01:04:52,056 --> 01:04:53,724

You're the evil that's in the world.

788

01:04:55,059 --> 01:04:56,435

It's you!

789

01:04:57,478 --> 01:04:58,604

(THUNDER RUMBLING)

790

01:05:05,486 --> 01:05:06,654

Find the boy!

791

01:05:07,530 --> 01:05:09,198

(CAWING)

792

01:05:24,338 --> 01:05:27,483

STEFAN: I need every available man
on the east wing now.

793

01:05:27,508 --> 01:05:29,510

There should be no guards at the gate.

794

01:05:29,677 --> 01:05:30,736

I want her to walk right in.

795

01:05:30,761 --> 01:05:32,346

GUARD: Sorry to disturb, Your Majesty.

796

01:05:34,724 --> 01:05:36,559

We found this urchin at the gate.

797

01:05:37,184 --> 01:05:39,228

She claims to be the princess.

798

01:05:45,109 --> 01:05:46,319

Father.

799

01:05:46,527 --> 01:05:48,404

It's me, Aurora!

800

01:05:59,332 --> 01:06:01,626

You look just like your mother.

801

01:06:04,337 --> 01:06:06,213

They brought you back a day too soon.

802

01:06:06,505 --> 01:06:08,257

I told those three idiots!

803

01:06:08,716 --> 01:06:10,551

Lock her up in her room.

804

01:06:11,052 --> 01:06:12,178

Go.

805

01:06:12,887 --> 01:06:15,473

Prepare the men. Maleficent's coming.

806

01:06:16,390 --> 01:06:19,185

FLITTLE: It's so good to be small again!

807

01:06:19,852 --> 01:06:21,312

Look at my feet!

808

01:06:21,437 --> 01:06:23,773

I love my tiny little feet!

809

01:06:24,106 --> 01:06:26,817

Pay attention! We have to find Aurora,

810

01:06:27,234 --> 01:06:29,737

or the king will have our heads!

811

01:06:46,253 --> 01:06:48,214

(WHISPERING VOICES)

812

01:06:58,683 --> 01:07:00,935

WHISPERING VOICES: <i>Aurora.</i>

813

01:07:10,611 --> 01:07:12,822

(GASPS) Wait!

814

01:07:15,366 --> 01:07:16,784

Princess?

815

01:07:20,413 --> 01:07:21,997

(HORSE NEIGHING)

816

01:07:24,625 --> 01:07:26,043

I'm looking for a girl.

817

01:07:26,585 --> 01:07:28,254

Of course you are.

818

01:07:32,800 --> 01:07:34,468

I need a horse.

819

01:07:36,470 --> 01:07:37,847

(CAWING)

820

01:07:51,318 --> 01:07:55,656

WHISPERING VOICES: <i>...into a sleep like death.</i>

821

01:08:00,661 --> 01:08:02,496

<i>Aurora.</i>

822

01:08:06,208 --> 01:08:07,209

Come on, Diaval!

823

01:08:12,006 --> 01:08:13,716

(WHISPERING VOICES)

824

01:08:19,930 --> 01:08:21,474

WHISPERING VOICES: Aurora.

825

01:08:55,674 --> 01:08:57,343

Faster, Diaval, faster!

826

01:09:00,054 --> 01:09:02,264

WHISPERING VOICES: <i>She will prick her finger</i>

827

01:09:02,556 --> 01:09:05,059

<i>on the spindle of a spinning wheel</i>

828

01:09:05,684 --> 01:09:07,645

<i>and fall into a sleep like death.</i>

829

01:09:09,980 --> 01:09:12,066

<i>No power on Earth...</i>

830

01:09:13,776 --> 01:09:16,487

<i>A sleep like death.</i>

831

01:09:17,988 --> 01:09:19,406

(HORSE NEIGHS)

832

01:09:35,047 --> 01:09:36,298

It's done.

833

01:09:53,274 --> 01:09:54,692

(SOBBING)

834

01:10:06,662 --> 01:10:08,347

DIAVAL: They pulled the guards.

835

01:10:08,372 --> 01:10:09,790

He's waiting for you in there.

836

01:10:10,624 --> 01:10:13,335

If we go inside those walls,

we'll never come out alive.

837

01:10:15,880 --> 01:10:19,133

Then don't come. It's not your fight.

838

01:10:21,969 --> 01:10:23,137

Huh.

839

01:10:23,596 --> 01:10:25,306

Thank you very much.

840

01:10:25,848 --> 01:10:27,741

"I need you, Diaval."

841

01:10:27,766 --> 01:10:29,894

"I can't do this without you, Diaval."

842

01:10:31,061 --> 01:10:32,605

MALEFICENT: I can hear you.

843

01:10:40,863 --> 01:10:42,031

Look at her.

844

01:10:43,657 --> 01:10:45,701

Look at what you've done.

845

01:10:47,745 --> 01:10:49,371

She's only sleeping.

846

01:10:52,833 --> 01:10:55,586

She's only sleeping, you say?

847

01:10:59,840 --> 01:11:01,508

She's only sleeping.

848

01:11:02,718 --> 01:11:04,470

She's only sleeping

849

01:11:04,595 --> 01:11:06,513

forever!

(FAIRIES WHIMPERING)

850

01:11:06,764 --> 01:11:09,725

- What about the kiss?

- Yes! True love's kiss!

851

01:11:12,895 --> 01:11:15,856

True love does not exist.

852

01:11:16,315 --> 01:11:18,734

But it's her only chance, Your Majesty.

853

01:11:19,193 --> 01:11:20,903

(GRUNTS)

(GASPS)

854

01:11:22,196 --> 01:11:23,547

(GROANING)

855

01:11:23,572 --> 01:11:24,698

(DOOR CLOSING)

856

01:11:32,539 --> 01:11:33,832

DIAVAL: Mistress.

857

01:11:53,394 --> 01:11:54,728

(GASPS)

858

01:12:05,739 --> 01:12:07,324

(INDISTINCT CONVERSATIONS)

859

01:12:32,307 --> 01:12:33,767

(GRUNTS)

860

01:12:34,601 --> 01:12:35,811

Hmm.

861

01:12:38,605 --> 01:12:40,315

What are we going to do?

862

01:12:40,524 --> 01:12:42,818

We can't give up, can we?

Come on, girls.

863

01:12:43,068 --> 01:12:44,945

But we don't even know where to start.

864

01:12:45,154 --> 01:12:47,698

True love doesn't just fall

from trees, you know.

865

01:12:50,284 --> 01:12:51,285

(GROANS)

866

01:12:54,288 --> 01:12:56,081

(BOTH STRAINING)

867

01:12:59,793 --> 01:13:01,795

PHILIP: Pardon me.

868

01:13:02,129 --> 01:13:04,339

I'm embarrassed to say

I don't know where I am.

869

01:13:04,673 --> 01:13:06,842

In King Stefan's castle.

870

01:13:10,304 --> 01:13:11,805

This is where I'm meant to be.

871

01:13:12,723 --> 01:13:14,616

Odd that I can't recall how I got here.

872

01:13:14,641 --> 01:13:15,642

Why have you come?

873

01:13:15,976 --> 01:13:17,619

My father sent me to see the King.

874

01:13:17,644 --> 01:13:18,844

KNOTGRASS: Who is your father?

875

01:13:18,979 --> 01:13:20,189

King John of Ulstead.

876

01:13:20,898 --> 01:13:22,649

ALL: A prince!

877

01:13:23,984 --> 01:13:25,277

(FAIRIES GRUNTING)

878

01:13:33,786 --> 01:13:35,162

Aurora.

879

01:13:36,288 --> 01:13:38,165

THISTLEWIT: He knows her.

880

01:13:39,833 --> 01:13:41,210

Why is she sleeping?

881

01:13:41,668 --> 01:13:43,670

She's trapped in an enchantment.

882

01:13:44,004 --> 01:13:46,173

Isn't she beautiful?

883

01:13:47,341 --> 01:13:49,885

The most beautiful girl I've ever seen.

884

01:13:51,178 --> 01:13:53,013

Do you want to kiss her?

885

01:13:54,932 --> 01:13:55,933

Very much.

886

01:13:56,391 --> 01:13:57,726

KNOTGRASS: Go on, then.

887

01:13:59,019 --> 01:14:01,163

PHILIP: I wouldn't feel right about it.

888

01:14:01,188 --> 01:14:02,856

I barely know her. We've only met once.

889

01:14:03,023 --> 01:14:05,234

FLITTLE: Haven't you ever
heard of love at first sight?

890

01:14:05,359 --> 01:14:06,902

Kiss her!

891

01:14:07,361 --> 01:14:08,362

Go on.

892

01:14:12,282 --> 01:14:13,534

An enchantment, you say?

893

01:14:13,867 --> 01:14:15,094

ALL: Oh!

894

01:14:15,119 --> 01:14:16,745

Kiss her!

895

01:15:09,173 --> 01:15:10,632

You didn't do it properly!

896

01:15:10,924 --> 01:15:13,427

It's supposed to be true love's kiss!

897

01:15:13,760 --> 01:15:15,012

I was certain he was the one.

898

01:15:15,137 --> 01:15:16,196

What are you doing?

899

01:15:16,221 --> 01:15:17,681

KNOTGRASS: We have to keep looking.

900

01:15:24,855 --> 01:15:26,106

I told you.

901

01:15:50,964 --> 01:15:53,342

I will not ask your forgiveness

902

01:15:54,426 --> 01:15:57,971

because what I have
done to you is unforgivable.

903

01:16:00,390 --> 01:16:02,059

I was so lost

904

01:16:03,101 --> 01:16:05,437

in hatred and revenge.

905

01:16:08,482 --> 01:16:10,484

Sweet Aurora,

906

01:16:12,486 --> 01:16:15,072

you stole what was left of my heart.

907

01:16:16,240 --> 01:16:18,450

And now I have lost you forever.

908

01:16:30,170 --> 01:16:33,298

I swear, no harm will come to you

909

01:16:33,423 --> 01:16:35,509

as long as I live.

910

01:16:36,927 --> 01:16:38,845

And not a day shall pass

911

01:16:39,680 --> 01:16:41,807

that I don't miss your smile.

912

01:16:55,279 --> 01:16:56,280

(SIGHS)

913

01:17:10,711 --> 01:17:12,879

Hello, Godmother.

914

01:17:18,302 --> 01:17:20,220

Hello, beasty.

915

01:17:32,983 --> 01:17:34,568

No truer love.

916

01:17:48,248 --> 01:17:49,708

She's here, sire.

917

01:18:04,097 --> 01:18:05,932

Are we going back to the Moors now?

918

01:18:08,268 --> 01:18:10,020

If that is what you wish.

919

01:18:31,416 --> 01:18:33,126

(YELLS)

(GASPS)

920

01:18:34,461 --> 01:18:35,629

(SCREAMS)

921

01:18:37,089 --> 01:18:38,131

GUARD: We've got her!

922

01:18:39,424 --> 01:18:40,509

(YELLS)

923

01:18:43,345 --> 01:18:45,222

- Stop!

- Get back!

924

01:18:45,597 --> 01:18:47,432

(GRUNTS)

(GROANS)

925

01:18:48,225 --> 01:18:49,434

(CAWING)

926

01:18:53,313 --> 01:18:56,149

(GUARDS LAUGHING)

927

01:18:57,192 --> 01:18:58,402

(GRUNTS)

928

01:19:01,488 --> 01:19:02,864

(BOTH STRUGGLING)

929

01:19:03,490 --> 01:19:04,741

No!

930

01:19:05,075 --> 01:19:06,535

(BREATHING HEAVILY)

931

01:19:12,541 --> 01:19:14,000

Into a dragon.

932

01:19:20,757 --> 01:19:21,842

(EXHALES)

933

01:19:22,092 --> 01:19:23,385

(GROWLING)

934

01:19:25,262 --> 01:19:26,638

(SOLDIERS SCREAMING)

935

01:19:32,394 --> 01:19:34,187

(GROANING)

936

01:19:40,277 --> 01:19:41,528

SOLDIER: To the other side.

937

01:19:47,451 --> 01:19:48,827

(SCREAMING)

938

01:19:50,871 --> 01:19:52,497

MALEFICENT: Run, Aurora!

939

01:19:57,043 --> 01:19:58,545

(PANTING)

940

01:20:05,010 --> 01:20:06,219

(ROARING)

941

01:20:06,344 --> 01:20:08,305

SOLDIER 1: Get back! Hold it steady!

942

01:20:08,889 --> 01:20:10,557

Pull to the left! Pull!

943

01:20:13,977 --> 01:20:15,370

Hold the line!

944

01:20:15,395 --> 01:20:18,690

(SOLDIER SHOUTING INDISTINCTLY)

945

01:20:19,065 --> 01:20:21,943

Look out. Hold your line.

946

01:20:39,961 --> 01:20:41,087

(GASPS)

947

01:20:45,884 --> 01:20:47,385

(SOLDIERS SHOUTING INDISTINCTLY)

948

01:20:48,178 --> 01:20:49,638

(GROWLING)

949

01:20:53,892 --> 01:20:55,685

(HEAVY FOOTSTEPS APPROACHING)

950

01:21:10,033 --> 01:21:11,368

(GRUNTING)

951

01:21:13,328 --> 01:21:14,663

(GROANING)

952

01:21:15,455 --> 01:21:17,165

(GRUNTING)

953

01:21:25,924 --> 01:21:27,300

(HELMET CLATTERING)

954

01:21:28,593 --> 01:21:30,403

(DRAGON SCREECHING)

955

01:21:30,428 --> 01:21:33,265

SOLDIER 1: Close in.

SOLDIER 2: Bring it down!

956

01:21:34,182 --> 01:21:35,350

(GROANING)

957

01:21:35,850 --> 01:21:37,644

(SHIELDS THUDDING RHYTHMICALLY)

958

01:21:54,786 --> 01:21:56,162

Hmm!

959

01:22:00,667 --> 01:22:02,168

Enough!

(THUDDING STOPS)

960

01:22:08,049 --> 01:22:09,634

How does it feel, hmm?

961

01:22:11,094 --> 01:22:13,597

To be a fairy creature without wings

962

01:22:16,641 --> 01:22:19,327

in a world where you don't belong?

963

01:22:19,352 --> 01:22:20,478

(GASPS)

964

01:22:40,081 --> 01:22:41,333

(GASPS)

965

01:22:53,094 --> 01:22:54,095

(GASPS)

966

01:23:07,901 --> 01:23:09,486

(GRUNTS) Kill her!

967

01:23:10,153 --> 01:23:11,279

Kill her!

968

01:23:11,613 --> 01:23:13,281

(SOLDIER GRUNTING)

969

01:23:13,740 --> 01:23:15,200

(GRUNTS)

970

01:23:16,284 --> 01:23:17,744

Shoot!

971

01:23:23,124 --> 01:23:24,376

(ALL SCREAMING)

972

01:23:25,168 --> 01:23:26,378

(ROARS)

973

01:23:28,254 --> 01:23:29,339

Ahh!

974

01:23:41,434 --> 01:23:42,602

(GRUNTS)

975

01:23:42,894 --> 01:23:44,145

Ahh!

976

01:23:46,022 --> 01:23:47,232

Shoot her!

977

01:23:47,524 --> 01:23:48,608

SOLDIER: Take aim!

978

01:23:50,068 --> 01:23:51,653

(GROANING)

979

01:23:53,697 --> 01:23:55,615

(BOTH GRUNTING)

980

01:23:58,827 --> 01:24:00,370

(YELLING)

981

01:24:00,704 --> 01:24:02,163

(SCREAMING)

982

01:24:17,512 --> 01:24:18,972

(CONTINUES SCREAMING)

983

01:24:26,646 --> 01:24:27,731

(GROANS)

984

01:24:38,324 --> 01:24:39,659

(CHOKING)

985

01:24:51,421 --> 01:24:52,589

It's over.

986

01:24:53,590 --> 01:24:54,899

(COUGHING)

987

01:24:54,924 --> 01:24:56,801

(GASPING)

988

01:25:02,682 --> 01:25:03,867

(GROWLING)

989

01:25:03,892 --> 01:25:04,976

Ahh!

990

01:25:09,355 --> 01:25:10,440

(BOTH STRUGGLING)

991

01:26:12,502 --> 01:26:15,380

NARRATOR: <i>Maleficent brought
down her wall of thorns</i>

992

01:26:15,505 --> 01:26:17,799

<i>and took off her crown.</i>

993

01:26:19,092 --> 01:26:22,821

<i>And she invited Aurora to see
how the Moors had been once,</i>

994

01:26:22,846 --> 01:26:26,491

<i>long ago, when Maleficent

was but a child</i>

995

01:26:26,516 --> 01:26:28,768

<i>and her heart was bright.</i>

996

01:26:29,394 --> 01:26:32,105

<i>For now, it was again.</i>

997

01:26:35,358 --> 01:26:37,652

<i>But that was not all.</i>

998

01:26:48,830 --> 01:26:51,416

KNOTGRASS: Oh, there she is.
Hurry up. They're waiting.

999

01:26:51,958 --> 01:26:53,251

Wait for me!

1000

01:26:54,127 --> 01:26:56,296

KNOTGRASS: We present
this crown to our little Aurora,

1001

01:26:56,796 --> 01:26:59,799

for whom we have sacrificed
the best years of our...

1002

01:27:00,383 --> 01:27:01,759

Never mind.

1003

01:27:06,931 --> 01:27:10,018

Our kingdoms have been unified.

1004

01:27:11,853 --> 01:27:13,788

You have your queen.

1005

01:27:13,813 --> 01:27:15,957

(ALL CHEERING)

1006

01:27:15,982 --> 01:27:20,069

NARRATOR: <i>So you see,
the story is not quite as you were told,</i>

1007

01:27:20,653 --> 01:27:22,297

<i>and I should know,</i>

1008

01:27:22,322 --> 01:27:26,826

*<i>for I was the one
they called Sleeping Beauty.</i>*

1009

01:27:27,118 --> 01:27:28,828

(CHEERING CONTINUES)

1010

01:28:00,193 --> 01:28:04,047

*<i>In the end, my kingdom
was united not by a hero</i>*

1011

01:28:04,072 --> 01:28:07,241

<i>or a villain, as legend had predicted,</i>

1012

01:28:07,367 --> 01:28:11,371

*<i>but by one who was
both hero and villain.</i>*

1013

01:28:12,413 --> 01:28:15,959

<i>And her name was Maleficent.</i>

1014

01:28:16,918 --> 01:28:19,045

(CAWING)

1015

01:28:51,577 --> 01:28:55,348

WOMAN: (SINGING) <i>I know
you</i>

1016

01:28:55,373 --> 01:29:02,088

<i>I walked with you once upon a dream</i>

1017

01:29:03,548 --> 01:29:07,552

<i>I know you</i>

1018

01:29:07,677 --> 01:29:14,701

<i>That look in your eyes
is so familiar a gleam</i>

1019

01:29:14,726 --> 01:29:19,247

<i>And I know it's true</i>

1020

01:29:19,272 --> 01:29:25,820

<i>That visions are seldom all they seem</i>

1021

01:29:26,571 --> 01:29:29,841

<i>But if I know you</i>

1022

01:29:29,866 --> 01:29:33,094

<i>I know what you'll do</i>

1023

01:29:33,119 --> 01:29:36,139

<i>You'll love me at once</i>

1024

01:29:36,164 --> 01:29:43,129

<i>The way you did once upon a dream</i>

1025

01:30:02,523 --> 01:30:05,752

<i>But if I know you</i>

1026

01:30:05,777 --> 01:30:08,963

<i>I know what you'll do</i>

1027

01:30:08,988 --> 01:30:12,008

<i>You'll love me at once</i>

1028

01:30:12,033 --> 01:30:18,998

<i>The way you did once upon a dream</i>

1029

01:30:27,465 --> 01:30:31,527

<i>I know you</i>

1030

01:30:31,552 --> 01:30:38,017

<i>I walked with you once upon a dream</i>

1031

01:30:39,519 --> 01:30:43,414

<i>I know you</i>

1032

01:30:43,439 --> 01:30:50,363

<i>That gleam in your eyes

is so familiar a gleam</i>

1033

01:30:50,613 --> 01:30:55,551

<i>And I know it's true</i>

1034

01:30:55,576 --> 01:31:01,541

<i>That visions are seldom all they seem</i>

1035

01:31:02,458 --> 01:31:05,978

<i>But if I know you</i>

1036

01:31:06,003 --> 01:31:09,398

<i>I know what you'll do</i>

1037

01:31:09,423 --> 01:31:11,984

<i>You'll love me at once</i>

1038

01:31:12,009 --> 01:31:18,975

<i>The way you did once upon a dream</i>
