

Dialogues from Maleficent II: Mistress of Evil to improve the vocabulary in English

2

00:00:43,752 --> 00:00:45,621

(MEN CHATTERING INDISTINCTLY)

3

00:00:49,257 --> 00:00:50,592

Tie it off, come on!

4

00:01:11,145 --> 00:01:12,211

(THUDS)

5

00:01:12,213 --> 00:01:13,214

(GASPS)

6

00:01:14,616 --> 00:01:17,451

Hey, guys!

Guys, I think we should turn back.

7

00:01:17,453 --> 00:01:19,686

And lose good money?

Not a chance.

8

00:01:19,688 --> 00:01:21,322

Stay close.

9

00:01:29,197 --> 00:01:30,399

Here we are.

10

00:01:31,700 --> 00:01:33,100

Get on his back.

11

00:01:34,268 --> 00:01:35,269

(GRUNTS)

12

00:01:39,441 --> 00:01:40,975

(MAN BREATHING HEAVILY)

13

00:01:48,383 --> 00:01:49,718

(ALL WHIMPERING)

14

00:01:52,688 --> 00:01:53,689

Hurry up.

15

00:01:54,656 --> 00:01:55,657

Whoa!

16

00:01:56,692 --> 00:01:57,693

(GRUNTING)

17

00:01:59,695 --> 00:02:01,329

- (GRUNTING)

- MAN: Ow!

18

00:02:02,296 --> 00:02:03,430

Whoa! (GROANS)

19

00:02:03,432 --> 00:02:04,766

(BOTH GASP)

20

00:02:06,234 --> 00:02:07,767

MAN 2: There he is.

Go get him.

21

00:02:07,769 --> 00:02:09,337

Oh, you'll pay
for that.

22

00:02:09,838 --> 00:02:11,540

(PANTING)

23

00:02:15,444 --> 00:02:16,445

(WHIMPERING)

24

00:02:19,781 --> 00:02:21,315

- (GRUNTING)

- (CREATURE YELPING)

25

00:02:27,823 --> 00:02:30,024

(DRAMATIC MUSIC PLAYING)

26

00:02:43,605 --> 00:02:44,738

(GRUNTS)

27

00:02:44,740 --> 00:02:46,608

(SCREAMING)

28

00:02:50,812 --> 00:02:52,346

(SCREAMING)

29

00:02:55,551 --> 00:02:57,118

(BREATHING HEAVILY)

30

00:03:06,595 --> 00:03:08,728

No. No, please.

31

00:03:08,730 --> 00:03:10,666

Please, no.

32

00:03:11,299 --> 00:03:12,601

(SCREAMS)

33

00:03:13,167 --> 00:03:14,168

(GASPS)

34

00:03:29,885 --> 00:03:31,085

(GRUNTS)

35

00:03:33,455 --> 00:03:34,756

Hold it there.

36

00:03:37,291 --> 00:03:38,694

(BREATHING HEAVILY)

37

00:03:46,935 --> 00:03:48,470

(CREATURE MUTTERING)

38

00:03:52,808 --> 00:03:54,206

I only got one...

39

00:03:54,208 --> 00:03:55,942

but he's a fine specimen.

40

00:03:55,944 --> 00:03:57,278

(LICKSPITTLE GROANS)

41

00:04:03,250 --> 00:04:04,684

- That's all?

- LICKSPITTLE: Yeah.

42

00:04:04,686 --> 00:04:06,419

That shroom bit me twice.

43

00:04:06,421 --> 00:04:07,589

LICKSPITTLE: Huh.

44

00:04:13,194 --> 00:04:15,897

Tomb Bloom.

45

00:04:19,333 --> 00:04:21,202

(UPLIFTING MUSIC PLAYING)

46

00:04:38,319 --> 00:04:39,886

NARRATOR: *Once upon a time...*

47

00:04:39,888 --> 00:04:42,354

or perhaps twice upon a time,

48

00:04:42,356 --> 00:04:44,289

for you may

remember this story...

49

00:04:44,291 --> 00:04:48,597

*<i>there was a powerful Fey
named Maleficent.</i>*

50

00:04:57,706 --> 00:05:00,006

*<i>For some reason,
the mistress of evil</i>*

51

00:05:00,008 --> 00:05:01,675

<i>and protector of the Moors...</i>

52

00:05:01,677 --> 00:05:04,844

*<i>was still hated
after all this time.</i>*

53

00:05:04,846 --> 00:05:07,814

*<i>True, she had cursed
the princess, Aurora...</i>*

54

00:05:07,816 --> 00:05:09,916

*<i>but that was before
she found light</i>*

55

00:05:09,918 --> 00:05:11,818

*in the heart
of a human child...*

56

00:05:11,820 --> 00:05:14,754

*and raised the girl
as her own.*

57

00:05:14,756 --> 00:05:17,624

*After all,
it was Maleficent's love*

58

00:05:17,626 --> 00:05:20,694

*which broke
that very same curse.*

59

00:05:20,696 --> 00:05:24,964

*But that detail was somehow
mysteriously forgotten.*

60

00:05:24,966 --> 00:05:27,266

For as the tale was told

61

00:05:27,268 --> 00:05:30,603

*<i>over and again
throughout the kingdom...</i>*

62

00:05:30,605 --> 00:05:34,609

*<i>Maleficent became the villain
once more.</i>*

63

00:05:37,012 --> 00:05:38,613

(CREATURES CHITTERING)

64

00:05:39,915 --> 00:05:41,616

(FROG CROAKING)

65

00:05:43,819 --> 00:05:45,352

(YAWNS)

66

00:05:46,988 --> 00:05:49,456

KNOTGRASS: It's time, guys.
Come on. Let's get everyone.

67

00:05:49,458 --> 00:05:50,590

THISTLEWIT:

It's the big day!

68

00:05:50,592 --> 00:05:51,725

- FLITTLE: Come on.

- THISTLEWIT: Let's go!

69

00:05:51,727 --> 00:05:53,727

FLITTLE: Wake up. Wake up.

70

00:05:53,729 --> 00:05:54,794

(FAIRIES CHATTERING EXCITEDLY)

71

00:05:54,796 --> 00:05:55,864

KNOTGRASS: Come on.

72

00:05:57,432 --> 00:05:58,967

(FAIRIES COOING)

73

00:06:01,670 --> 00:06:03,370

(YAWNING)

74

00:06:04,706 --> 00:06:05,874

(FAIRY CHATTERING)

75

00:06:07,409 --> 00:06:10,677

Hurry up, wallerbogs!

It's time!

76

00:06:10,679 --> 00:06:12,414

(WALLERBOGS GRUNTING)

77

00:06:16,918 --> 00:06:17,919

(SIGHS)

78

00:06:24,860 --> 00:06:26,760

Do you both remember
the secret plan?

79

00:06:26,762 --> 00:06:28,528

I've got it
all right here.

80

00:06:28,530 --> 00:06:30,063

When do I tell the queen
the secret?

81

00:06:30,065 --> 00:06:31,865

You must be patient,
Thistlewit.

82

00:06:31,867 --> 00:06:33,733

Do you think Queen
Aurora's awake yet?

83

00:06:33,735 --> 00:06:36,936

Well, she's not
"Sleeping Beauty" anymore.

84

00:06:36,938 --> 00:06:39,472

- (LAUGHING)
- I see what you did there.

85

00:06:39,474 --> 00:06:40,475

(GIGGLES)

86

00:06:49,050 --> 00:06:51,651

(FAIRIES CHATTERING EXCITEDLY)

87

00:06:51,653 --> 00:06:55,021

AURORA: Next item of business,
the missing fairies.

88

00:06:55,023 --> 00:06:56,523

I've sent more sprites

89

00:06:56,525 --> 00:06:58,625

to search
the Tomb Bloom field.

90

00:06:58,627 --> 00:07:00,093

They'll report back to me
at nightfall.

91

00:07:00,095 --> 00:07:02,497

We will keep searching
until we find them.

92

00:07:03,799 --> 00:07:04,898

(MUTTERING)

93

00:07:04,900 --> 00:07:07,734

AURORA: Please don't raise
your roots at me, Lief.

94

00:07:07,736 --> 00:07:10,872

Crushing humans with branches
is not going to help.

95

00:07:11,640 --> 00:07:12,839

(CAWING)

96

00:07:12,841 --> 00:07:15,141

Diaval, you're supposed to be
on my side.

97

00:07:15,143 --> 00:07:17,477

- (GRUNTS)

- (AURORA SIGHS)

98

00:07:17,479 --> 00:07:21,047

Well, I'm Queen of the Moors,
and I am a human.

99

00:07:21,049 --> 00:07:22,050

(MUTTERS)

100

00:07:23,752 --> 00:07:27,387

AURORA: We must all learn
a little kindness.

101

00:07:27,389 --> 00:07:28,521

KNOTGRASS: Coming through.

102

00:07:28,523 --> 00:07:29,956

Excuse us.

103

00:07:29,958 --> 00:07:31,124

Official pixie business.

104

00:07:31,126 --> 00:07:32,559

FLITTLE: A word,
Your Majesty.

105

00:07:32,561 --> 00:07:33,993

- Maybe two.

- AURORA: Aunties...

106

00:07:33,995 --> 00:07:36,429

you need to wait your turn

like everyone else.

107

00:07:36,431 --> 00:07:38,464

- THISTLEWIT: No!

- This can't wait, Your Grace.

108

00:07:38,466 --> 00:07:39,799

Not for a moment.

109

00:07:39,801 --> 00:07:42,336

Or I might burst.

Truly, I might.

110

00:07:43,004 --> 00:07:44,005

Is that...?

111

00:07:45,874 --> 00:07:47,040

(CHITTERS)

112

00:07:47,042 --> 00:07:48,608

Pinto!

113

00:07:48,610 --> 00:07:50,043

She's come

bearing gifts.

114

00:07:50,045 --> 00:07:53,179

The first sap

from the warming trees.

115

00:07:53,181 --> 00:07:55,148

- It's for the big day!

- (BOTH GASP)

116

00:07:55,150 --> 00:07:56,716

Quiet, Thistlewit.

117

00:07:56,718 --> 00:07:58,551

What big day?

118

00:07:58,553 --> 00:07:59,621

(PINTO CHITTERING)

119

00:08:00,522 --> 00:08:02,123

AURORA: Hey! My crown!

120

00:08:07,729 --> 00:08:09,564

I'm not in the mood for this.

121

00:08:11,099 --> 00:08:12,366

Pinto!

122

00:08:12,767 --> 00:08:14,100

Whoa!

123

00:08:14,102 --> 00:08:15,768

(GRUNTING)

124

00:08:15,770 --> 00:08:16,938

(YELLS)

125

00:08:20,809 --> 00:08:21,977

(ALL LAUGHING)

126

00:08:22,711 --> 00:08:24,143

Come on.

127

00:08:24,145 --> 00:08:26,179

Where are you going,
aunties?

128

00:08:26,181 --> 00:08:27,480

(ALL GROAN)

129

00:08:27,482 --> 00:08:28,748

(INHALES SHARPLY)

130

00:08:28,750 --> 00:08:29,682

PINTO: Whoa!

131

00:08:29,684 --> 00:08:31,853

AURORA: I don't have time
for games, Pinto.

132

00:08:34,189 --> 00:08:35,390

(PINTO CHATTERING)

133

00:08:40,528 --> 00:08:41,863

(BRANCH CREAKING)

134

00:08:43,798 --> 00:08:45,098

- (BRANCH SNAPS)

- (GASPS)

135

00:08:45,100 --> 00:08:46,199

(YELPS)

136

00:08:46,201 --> 00:08:47,669

(ALL GASP)

137

00:08:48,870 --> 00:08:51,871

(PANTING) What's gotten

into all of you?

138

00:08:51,873 --> 00:08:53,239

(CREATURES MUMBLING)

139

00:08:53,241 --> 00:08:55,541

Oh. Uh-oh!

140

00:08:55,543 --> 00:08:56,778

(GRUNTING)

141

00:08:59,581 --> 00:09:01,016

There she goes,

Your Majesty.

142

00:09:02,884 --> 00:09:04,183

(PINTO CHITTERING)

143

00:09:04,185 --> 00:09:05,954

AURORA: Come back here.

144

00:09:12,093 --> 00:09:15,597

Pinto. I've had enough
of your games for today.

145

00:09:15,964 --> 00:09:17,565

Look at me.

146

00:09:23,872 --> 00:09:25,038

(GASPS) Oh.

147

00:09:25,040 --> 00:09:27,006

Philip.

What are you doing here?

148

00:09:27,008 --> 00:09:28,675

I was looking for you.

149

00:09:28,677 --> 00:09:30,643

- Oh, well, hello.

- Hello.

150

00:09:30,645 --> 00:09:32,879

I'm really sorry,

I can't talk right now.

151

00:09:32,881 --> 00:09:34,247

The Moors have turned
to madness.

152

00:09:34,249 --> 00:09:35,815

I've got a castle

full of complaints.

153

00:09:35,817 --> 00:09:37,850

- I know how busy you are.

- Oh!

154

00:09:37,852 --> 00:09:39,152

I wanted to

ask you something.

155

00:09:39,154 --> 00:09:40,219

Yes.

156

00:09:40,221 --> 00:09:41,821

Do you think there

could be a union

157

00:09:41,823 --> 00:09:43,491

between Ulstead

and the Moors?

158

00:09:44,292 --> 00:09:46,092

A union?

159

00:09:46,094 --> 00:09:47,860

To connect both lands.

160

00:09:47,862 --> 00:09:50,263

To bring harmony
and peace.

161

00:09:50,265 --> 00:09:52,133

I've been imagining a bridge.

162

00:09:52,701 --> 00:09:54,069

Oh, a bridge.

163

00:09:54,869 --> 00:09:56,069

Yes, a bridge.

164

00:09:56,071 --> 00:09:58,571

A union's
a wonderful idea...

165

00:09:58,573 --> 00:10:00,475

if both sides are willing.

166

00:10:01,676 --> 00:10:04,610

(SIGHS) Well, I'm working
on that part.

167

00:10:04,612 --> 00:10:06,079

He's going to blow it.

168

00:10:06,081 --> 00:10:07,148

Give him time.
He's warming up.

169

00:10:10,018 --> 00:10:11,252

Wait.

170

00:10:12,887 --> 00:10:14,756

That's your formal coat.

171

00:10:16,858 --> 00:10:19,625

You're in on all of this,
aren't you?

172

00:10:19,627 --> 00:10:21,094

If you're busy,

I could always come back.

173

00:10:21,096 --> 00:10:22,996

No. No, no.

174

00:10:22,998 --> 00:10:24,297

I'm not busy at all.

175

00:10:24,299 --> 00:10:25,865

No, because I'd hate to...

176

00:10:25,867 --> 00:10:27,233

Really. All ears.

177

00:10:27,235 --> 00:10:28,570

What did you

want to talk about?

178

00:10:30,038 --> 00:10:31,740

You're right.

He's blowing it.

179

00:10:33,308 --> 00:10:35,610

Five years ago,

I thought I lost you forever.

180

00:10:37,278 --> 00:10:39,848

I've decided to reclaim

this day for us.

181

00:10:40,882 --> 00:10:42,582

I've loved you

since the moment I met you

182

00:10:42,584 --> 00:10:43,916

and every day since.

183

00:10:43,918 --> 00:10:45,251

(GASPS SOFTLY)

184

00:10:45,253 --> 00:10:47,320

If love has a truth,

here is mine.

185

00:10:47,322 --> 00:10:48,855

There is no magic
nor curse

186

00:10:48,857 --> 00:10:51,092

that could ever tear me away
from you, Aurora.

187

00:10:55,230 --> 00:10:56,362

Are you sure
this is a good time?

188

00:10:56,364 --> 00:10:57,699

Oh, Philip.

189

00:11:00,101 --> 00:11:01,234

Oh, he's on his knee.

190

00:11:01,236 --> 00:11:02,704

He took his sweet
time about it.

191

00:11:04,005 --> 00:11:05,573

Will you marry me?

192

00:11:07,642 --> 00:11:08,908

Yes.

193

00:11:08,910 --> 00:11:10,676

- Yes?

- Yes.

194

00:11:10,678 --> 00:11:13,815

Yes! Yes, just stand up.

Kiss me.

195

00:11:20,088 --> 00:11:21,320

(CREATURES CHEERING)

196

00:11:21,322 --> 00:11:23,790

(AURORA GIGGLING HAPPILY)

197

00:11:23,792 --> 00:11:25,727

KNOTGRASS:

We're having a wedding!

198

00:11:27,796 --> 00:11:30,331

A secret surprise wedding.

(GIGGLES)

199

00:11:31,132 --> 00:11:32,734

(FAIRIES GIGGLING)

200

00:11:33,902 --> 00:11:35,937

Of course,

we have to tell our parents.

201

00:11:38,773 --> 00:11:40,073

Do we?

202

00:11:40,075 --> 00:11:41,242

(CAWING)

203

00:11:47,982 --> 00:11:49,150

(HORSE WHINNIES)

204

00:11:50,118 --> 00:11:51,286

(PHILIP URGES HORSE)

205

00:11:57,959 --> 00:11:59,294

(CAWING INSISTENTLY)

206

00:12:03,264 --> 00:12:04,365

(SCREECHES)

207

00:12:06,367 --> 00:12:07,368

(PANTS)

208

00:12:10,138 --> 00:12:11,737

Mistress.

209

00:12:11,739 --> 00:12:13,172

MALEFICENT: What?

210

00:12:13,174 --> 00:12:15,409

DIAVAL: I have

a little bit of news.

211

00:12:15,411 --> 00:12:18,211

MALEFICENT:

Well, on with it.

212

00:12:18,213 --> 00:12:20,179

It's nothing

of any real consequence...

213

00:12:20,181 --> 00:12:24,250

and it's certainly

no reason to overreact.

214

00:12:24,252 --> 00:12:25,887

It's just that...

215

00:12:26,888 --> 00:12:29,122

Prince Philip has, um...

216

00:12:29,124 --> 00:12:30,723

MALEFICENT: Disappeared?

217

00:12:30,725 --> 00:12:33,726

(CHUCKLES) No.

No. Philip has...

218

00:12:33,728 --> 00:12:35,063

Yellow fever?

No, wait!

219

00:12:36,231 --> 00:12:37,930

Leprosy!

220

00:12:37,932 --> 00:12:40,266

No, Mistress.

221

00:12:40,268 --> 00:12:43,202

Prince Philip has asked Aurora
if she'll become his...

222

00:12:43,204 --> 00:12:44,939

MALEFICENT: Don't...

223

00:12:45,441 --> 00:12:48,042

ruin my morning.

224

00:12:50,745 --> 00:12:51,946

DIAVAL: Mistress, please.

225

00:12:55,750 --> 00:12:56,885

Stay calm!

226

00:13:04,460 --> 00:13:05,858

PERCIVAL: *<i>So, tell me, sire...</i>*

227

00:13:05,860 --> 00:13:07,193

am I to be a best man,

228

00:13:07,195 --> 00:13:09,295

or did you choose a

creature from the Moors?

229

00:13:09,297 --> 00:13:10,229

General,

if that's your way

230

00:13:10,231 --> 00:13:13,032

of asking me if she said

yes, then I, uh...

231

00:13:13,034 --> 00:13:15,101

I know

she said yes, sire.

232

00:13:15,103 --> 00:13:17,837

What human wouldn't want
to leave that place?

233

00:13:17,839 --> 00:13:19,439

What do you have against
Moor folk, Percival?

234

00:13:19,441 --> 00:13:22,275

"Moor folk"? Is that what
we're calling them now?

235

00:13:22,277 --> 00:13:24,277

Winged beasts,
murderous trees.

236

00:13:24,279 --> 00:13:26,145

Guard your tongue,

General.

237

00:13:26,147 --> 00:13:27,447

You know nothing about them.

238

00:13:27,449 --> 00:13:29,416

I know that Maleficent

is a killer of men...

239

00:13:29,418 --> 00:13:33,021

destroyer of armies.

Or so the story goes.

240

00:13:34,122 --> 00:13:35,922

She's not like that.

241

00:13:35,924 --> 00:13:38,324

It's my job to protect

this kingdom.

242

00:13:38,326 --> 00:13:39,994

And I will do so,

old friend...

243

00:13:40,762 --> 00:13:42,398

without hesitation.

244

00:13:43,298 --> 00:13:45,099

Walk on. (URGES HORSE)

245

00:13:49,471 --> 00:13:51,306

Open the gates!

246

00:13:58,213 --> 00:13:59,747

(CAT YOWLING)

247

00:14:01,015 --> 00:14:03,082

Your Majesty,

spoils from the annexation

248

00:14:03,084 --> 00:14:04,420

of the Midlands have arrived.

249

00:14:05,320 --> 00:14:06,321

Weapons.

250

00:14:08,356 --> 00:14:10,392

No. We have no need of arms.

251

00:14:11,393 --> 00:14:13,261

Our days of war are over.

252

00:14:13,928 --> 00:14:15,096

(MEOWING)

253

00:14:16,465 --> 00:14:18,831

KING JOHN: Ingrith...

254

00:14:18,833 --> 00:14:21,033

you see where

I've had you placed.

255

00:14:21,035 --> 00:14:22,036

Right behind me.

256

00:14:23,371 --> 00:14:26,239

QUEEN INGRITH: And that's

where I'll always be.

257

00:14:26,241 --> 00:14:29,809

KING JOHN: Ingrith, I said

we had no need of arms.

258

00:14:29,811 --> 00:14:32,046

One can never be too careful.

259

00:14:37,885 --> 00:14:40,152

Your Majesty, it's cocked.

260

00:14:40,154 --> 00:14:42,088

Is it, now?

261

00:14:42,090 --> 00:14:43,224

(TRUMPETS PLAYING FANFARE)

262

00:14:47,262 --> 00:14:49,262

- Father, Mother.

- Well?

263

00:14:49,264 --> 00:14:50,331

What did she say?

264

00:14:51,065 --> 00:14:52,265

She said yes.

265

00:14:52,267 --> 00:14:54,100

Yes! (LAUGHS)

266

00:14:54,102 --> 00:14:57,069

That is wonderful news. Oh!

267

00:14:57,071 --> 00:14:59,839

Two kingdoms united
at last. (CHUCKLES)

268

00:14:59,841 --> 00:15:00,842

(SOFTLY) Yes.

269

00:15:04,312 --> 00:15:05,381

Yes.

270

00:15:06,314 --> 00:15:08,314

Perhaps I've
been selfish...

271

00:15:08,316 --> 00:15:10,552

looking at this
the wrong way.

272

00:15:11,352 --> 00:15:14,287

You've made your choice.

273

00:15:14,289 --> 00:15:15,921

Now is a time to celebrate.

274

00:15:15,923 --> 00:15:16,924

(CHUCKLES)

275

00:15:20,496 --> 00:15:22,529

I'm glad
you finally approve.

276

00:15:22,531 --> 00:15:23,630

QUEEN INGRITH:

Much more than that.

277

00:15:23,632 --> 00:15:28,402

I am ready to welcome
your fiancée with open arms.

278

00:15:28,404 --> 00:15:30,202

(CHUCKLING)

279

00:15:30,204 --> 00:15:31,438

QUEEN INGRITH:

She shall come to dinner.

280

00:15:31,440 --> 00:15:32,606

That would be incredible.

281

00:15:32,608 --> 00:15:34,408

Under one condition.

282

00:15:34,410 --> 00:15:36,410

She will bring her godmother.

283

00:15:36,412 --> 00:15:37,577

Your Majesty, I strongly...

284

00:15:37,579 --> 00:15:39,979

We will meet the one
who raised her

285

00:15:39,981 --> 00:15:41,548

right here in this castle.

286

00:15:41,550 --> 00:15:43,082

KING JOHN: Yes.

The queen is right.

287

00:15:43,084 --> 00:15:44,216

PHILIP: I'm not sure
her godmother will...

288

00:15:44,218 --> 00:15:46,052

- (SHUSHES)

- No, but I insist.

289

00:15:46,054 --> 00:15:50,256

After all,
we will soon be family.

290

00:15:50,258 --> 00:15:52,892

Well, let it be known
throughout the kingdom...

291

00:15:52,894 --> 00:15:56,396

that my son
is to marry Aurora.

292

00:15:56,398 --> 00:15:57,897

(LAUGHS)

293

00:15:57,899 --> 00:16:00,301

And Maleficent
is coming to dinner.

294

00:16:02,170 --> 00:16:04,540

I shall send word
straightaway.

295

00:16:09,944 --> 00:16:11,012

(SIGHS)

296

00:16:15,350 --> 00:16:16,884

(CHITTERING)

297

00:16:19,287 --> 00:16:20,288

Oh!

298

00:16:23,459 --> 00:16:24,526

(GASPS AND MUTTERS)

299

00:16:27,028 --> 00:16:28,029

Incoming.

300

00:16:30,932 --> 00:16:33,469

FLITTLE:

Hold on to your petticoats!

301

00:16:35,203 --> 00:16:36,472

(YELPING)

302

00:16:44,713 --> 00:16:46,582

Well, well.

303

00:16:49,385 --> 00:16:50,586

So?

304

00:16:51,387 --> 00:16:52,920

So.

305

00:16:56,525 --> 00:16:57,526

Godmother...

306

00:17:01,530 --> 00:17:03,499

Philip asked me to marry him.

307

00:17:04,999 --> 00:17:06,232

Poor thing.

308

00:17:06,234 --> 00:17:07,969

He'll recover.

309

00:17:09,605 --> 00:17:12,006

My answer was yes.

310

00:17:14,743 --> 00:17:17,176

- No.

- Yes.

311

00:17:17,178 --> 00:17:18,310

No.

312

00:17:18,312 --> 00:17:19,579

I wasn't really asking.

313

00:17:19,581 --> 00:17:20,649

Nor was I.

314

00:17:21,417 --> 00:17:23,015

What's next?

315

00:17:23,017 --> 00:17:24,553

You'll turn him into a goat?

316

00:17:25,654 --> 00:17:26,720

Hmm.

317

00:17:26,722 --> 00:17:29,121

Stop.

318

00:17:29,123 --> 00:17:31,223

Why don't you like Philip?

319

00:17:31,225 --> 00:17:33,225

Well, for one thing,

he's human.

320

00:17:33,227 --> 00:17:34,694

I'm a human.

321

00:17:34,696 --> 00:17:37,599

And I have never

held that against you.

322

00:17:38,467 --> 00:17:40,199

Until I fell in love.

323

00:17:40,201 --> 00:17:45,505

Love doesn't always
end well, Beasty.

324

00:17:45,507 --> 00:17:48,174

FLITTLE: I'll have you know
Prince Philip is a prince.

325

00:17:48,176 --> 00:17:50,744

A very handsome
and charming prince.

326

00:17:50,746 --> 00:17:52,280

(ALL SCREAMING)

327

00:17:54,716 --> 00:17:57,684

I'm just asking you
to trust me.

328

00:17:57,686 --> 00:17:59,753

Please give him a chance.

329

00:17:59,755 --> 00:18:01,588

Let us prove you wrong.

330

00:18:01,590 --> 00:18:03,657

Philip is thoughtful...

331

00:18:03,659 --> 00:18:05,324

he's very kind...

332

00:18:05,326 --> 00:18:07,461

Kind of what?

333

00:18:07,463 --> 00:18:09,629

The king and queen

are celebrating tonight...

334

00:18:09,631 --> 00:18:12,766

and they have invited

both of us to the castle.

335

00:18:12,768 --> 00:18:18,103

You want me

to meet his parents?

336

00:18:18,105 --> 00:18:19,207

It's just a dinner.

337

00:18:20,476 --> 00:18:23,242

They don't want me
in Ulstead.

338

00:18:23,244 --> 00:18:25,445

Why on earth would I go?

339

00:18:25,447 --> 00:18:28,282

Because his mother
wishes to meet mine.

340

00:18:29,718 --> 00:18:31,285

Please.

341

00:18:39,293 --> 00:18:41,595

KING JOHN: Philip.

342

00:18:41,597 --> 00:18:43,197

I want you
to wear this tonight.

343

00:18:44,666 --> 00:18:45,832

Your sword?

344

00:18:45,834 --> 00:18:46,867

Because of you,

345

00:18:46,869 --> 00:18:49,538

Ulstead and the Moors

will be united at last.

346

00:18:51,840 --> 00:18:53,205

(SIGHS)

347

00:18:53,207 --> 00:18:54,674

Father,

my love for Aurora

348

00:18:54,676 --> 00:18:56,443

has nothing to do

with politics.

349

00:18:56,445 --> 00:18:58,778

Yes, but your love...

350

00:18:58,780 --> 00:19:02,716

will ensure peace
for generations.

351

00:19:02,718 --> 00:19:05,317

Now take it.

And wear it...

352

00:19:05,319 --> 00:19:08,289

to know that you will
never have to use it.

353

00:19:09,758 --> 00:19:11,393

Oh, my son.

354

00:19:11,793 --> 00:19:12,859

(INHALES)

355

00:19:12,861 --> 00:19:15,263

I've never been more proud.

356

00:19:17,599 --> 00:19:19,432

PHILIP:

And what about Mother?

357

00:19:19,434 --> 00:19:22,435

Is she okay with this?

358

00:19:22,437 --> 00:19:26,542

Your mother will learn

to love who you love.

359

00:19:34,850 --> 00:19:36,183

(RUMBLING)

360

00:19:50,499 --> 00:19:52,164

(METAL CLANGING)

361

00:19:52,166 --> 00:19:53,502

(MEN CHATTERING)

362

00:20:17,859 --> 00:20:19,595

(SIGHS)

363

00:20:20,696 --> 00:20:21,697

Oh.

364

00:20:22,664 --> 00:20:25,801

Tomb Bloom.

Tomb Bloom. (GRUNTS)

365

00:20:33,374 --> 00:20:34,710

(MUTTERING)

366

00:20:38,312 --> 00:20:39,481

LICKSPITTLE: Oh.

367

00:20:41,248 --> 00:20:42,515

- (QUEEN INGRITH SNEEZES)

- (LICKSPITTLE GASPS)

368

00:20:42,517 --> 00:20:44,352

I'm losing my patience.

369

00:20:44,853 --> 00:20:46,419

Your Majesty.

370

00:20:46,421 --> 00:20:49,221

You need to move faster,
Lickspittle.

371

00:20:49,223 --> 00:20:50,423

Yes, Your Majesty.

372

00:20:50,425 --> 00:20:52,492

(WHIMPERING)

373

00:20:52,494 --> 00:20:54,228

QUEEN INGRITH:

Aurora said yes.

374

00:20:58,567 --> 00:21:01,369

It's all coming together...

375

00:21:03,204 --> 00:21:05,139

perfectly.

376

00:21:14,416 --> 00:21:15,817

MALEFICENT: Hello.

377

00:21:16,918 --> 00:21:18,587

Hello.

378

00:21:20,589 --> 00:21:22,256

Hello.

379

00:21:23,959 --> 00:21:26,193

Try it with

a little less fang.

380

00:21:28,797 --> 00:21:30,297

How's this?

381

00:21:32,701 --> 00:21:33,835

Try the greeting.

382

00:21:35,336 --> 00:21:38,571

How kind of you

to invite me this evening.

383

00:21:38,573 --> 00:21:41,441

Remember,
it's not a threat.

384

00:21:41,443 --> 00:21:45,447

So very kind of you
to invite me this evening.

385

00:21:46,347 --> 00:21:49,449

- Yeah. Better.
- Oh.

386

00:21:49,451 --> 00:21:50,452

Try it with a curtsy.

387

00:21:52,587 --> 00:21:54,389

We can skip that part.

388

00:21:56,892 --> 00:21:59,025

(SIGHS)

389

00:21:59,027 --> 00:22:01,262

She really loves that boy,
you know.

390

00:22:02,831 --> 00:22:04,800

You're doing her
a great kindness.

391

00:22:06,802 --> 00:22:08,537

Kindness?

392

00:22:09,638 --> 00:22:10,639

Mistress...

393

00:22:18,714 --> 00:22:20,247

(SIGHS)

394

00:22:24,553 --> 00:22:26,353

Doesn't she look lovely?

395

00:22:30,759 --> 00:22:32,559

I have something for you.

396

00:22:32,561 --> 00:22:33,562

Hmm?

397

00:22:35,764 --> 00:22:37,331

AURORA: For your horns.

398

00:22:38,299 --> 00:22:39,666

I just thought

it might make

399

00:22:39,668 --> 00:22:41,503

Philip's family

feel more comfortable.

400

00:22:42,070 --> 00:22:43,270

And you, as well.

401

00:22:47,509 --> 00:22:48,975

Maybe it's a bad idea.

402

00:22:48,977 --> 00:22:50,612

No, it's...

403

00:22:52,514 --> 00:22:53,615

It's all right.

404

00:23:02,891 --> 00:23:04,824

I'm so excited.

(CHUCKLES)

405

00:23:04,826 --> 00:23:07,994

Mmm... It's more

than I can bear.

406

00:23:07,996 --> 00:23:09,363

(SCOFFS)

407

00:23:10,665 --> 00:23:12,667

(DRAMATIC MUSIC PLAYING)

408

00:23:27,783 --> 00:23:29,651

- (THUDS)

- (RUMBLING)

409

00:23:44,633 --> 00:23:46,501

- WOMAN: It's Maleficent!

- (TOWNSPEOPLE CLAMORING)

410

00:23:48,470 --> 00:23:49,471

(MAN SCREAMING)

411

00:23:52,507 --> 00:23:54,107

Pitchforks?

412

00:23:54,109 --> 00:23:56,578

- Humans are hilarious.

- Mmm-hmm.

413

00:23:57,846 --> 00:23:59,414

(CHILDREN SCREAMING)

414

00:24:01,016 --> 00:24:02,551

- It's getting better.

- Hmm.

415

00:24:10,125 --> 00:24:12,326

(TOWNSPEOPLE CLAMORING)

416

00:24:18,066 --> 00:24:20,466

PERCIVAL: Anyone leaves
their post gets hung.

417

00:24:20,468 --> 00:24:21,536

GUARD: Yes, sir.

418

00:24:27,676 --> 00:24:28,877

(TRUMPETS PLAYING FANFARE)

419

00:24:31,479 --> 00:24:33,048

They're here.

420

00:24:40,155 --> 00:24:42,655

Have you ever considered
turning me into a bear?

421

00:24:42,657 --> 00:24:44,958

I think I'd make
quite an impressive one.

422

00:24:44,960 --> 00:24:46,526

Look at their claws.

They're so strong.

423

00:24:46,528 --> 00:24:48,129

Why are we

talking about bears?

424

00:24:49,764 --> 00:24:51,800

Presenting Queen Aurora

of the Moors.

425

00:24:54,502 --> 00:24:55,837

(PLAYING COURTLY TUNE)

426

00:25:01,643 --> 00:25:03,078

- (DOORS CLOSE)

- AURORA: Thank you.

427

00:25:04,679 --> 00:25:06,446

PHILIP: You look wonderful.

428

00:25:06,448 --> 00:25:07,916

AURORA: I'm so happy
to be here.

429

00:25:09,784 --> 00:25:12,487

Aurora, this is
truly an honor.

430

00:25:16,124 --> 00:25:18,426

Welcome to Ulstead.

431

00:25:20,862 --> 00:25:22,996

Such a beautiful girl.

432

00:25:22,998 --> 00:25:25,567

I can see how you stole
Philip's heart.

433

00:25:27,202 --> 00:25:28,937

- Your Majesty.

- (SNIFFS)

434

00:25:31,573 --> 00:25:33,773

(GRUNTS) The flowers

in your hair.

435

00:25:33,775 --> 00:25:35,575

I'm allergic.

436

00:25:35,577 --> 00:25:36,876

I'm so sorry.

437

00:25:36,878 --> 00:25:39,078

Oh, no. No, no.

It's all right.

438

00:25:39,080 --> 00:25:40,480

They're beautiful.

439

00:25:40,482 --> 00:25:41,616

Presenting Maleficent.

440

00:25:49,257 --> 00:25:50,823

(CLATTERING)

441

00:25:50,825 --> 00:25:53,026

(GROWLING)

442

00:25:53,028 --> 00:25:55,929

Maleficent, it's wonderful
to see you again.

443

00:25:55,931 --> 00:25:57,730

(DOORS CLOSE)

444

00:25:57,732 --> 00:26:00,566

This is my father,
King John of Ulstead.

445

00:26:00,568 --> 00:26:02,470

And my mother,
Queen Ingrith.

446

00:26:03,104 --> 00:26:05,874

Welcome to our home.

447

00:26:09,277 --> 00:26:13,980

It's so very kind of you
to invite me this evening.

448

00:26:13,982 --> 00:26:15,116

(QUIETLY)

Don't smile.

449

00:26:17,585 --> 00:26:21,754

And, um, I would like
to introduce you to Diaval.

450

00:26:21,756 --> 00:26:25,525

I trust you had no trouble
finding the castle.

451

00:26:25,527 --> 00:26:27,226

Why would I have trouble?

452

00:26:27,228 --> 00:26:28,229

(CLEARS THROAT)

453

00:26:28,997 --> 00:26:29,998

Shoo!

454

00:26:30,799 --> 00:26:33,266

He's making small talk.

455

00:26:33,268 --> 00:26:35,470

I'll explain it later.

456

00:26:35,937 --> 00:26:37,603

No trouble at all.

457

00:26:37,605 --> 00:26:39,672

Your Majesties,

ladies and gentlemen,

458

00:26:39,674 --> 00:26:41,207

dinner is served.

459

00:26:41,209 --> 00:26:44,577

Please, make yourselves

at home.

460

00:26:44,579 --> 00:26:46,247

(MUSICIANS PLAYING

COURTLY MUSIC)

461

00:26:50,285 --> 00:26:51,886

(CHAIRS SCRAPING)

462

00:27:01,963 --> 00:27:02,964

Hmm.

463

00:27:13,575 --> 00:27:14,776

Bird.

464

00:27:16,778 --> 00:27:18,279

Delicious.

465

00:27:22,751 --> 00:27:23,818

(DIAVAL CLEARS THROAT)

466

00:27:26,955 --> 00:27:28,590

Is there a problem?

467

00:27:30,759 --> 00:27:32,125

It's iron.

468

00:27:32,127 --> 00:27:34,761

Majesty, as you are
sensitive to flowers,

469

00:27:34,763 --> 00:27:36,064

she is averse to iron.

470

00:27:37,999 --> 00:27:39,699

I had no idea.

471

00:27:39,701 --> 00:27:42,070

Take it away at once.

472

00:27:47,976 --> 00:27:50,245

I trust you'll be comfortable
using your hands?

473

00:27:52,147 --> 00:27:54,881

(CLEARS THROAT) Such a warm
spell of weather, isn't it?

474

00:27:54,883 --> 00:27:56,282

It certainly is.

475

00:27:56,284 --> 00:27:57,285

(MEOWS)

476

00:27:58,887 --> 00:27:59,986

Shoo!

477

00:27:59,988 --> 00:28:03,923

Well, we have a small gift

for Philip and Aurora...

478

00:28:03,925 --> 00:28:08,196

to celebrate their

glorious future together. Hmm?

479

00:28:17,305 --> 00:28:18,938

QUEEN INGRITH:

Oh, I simply can't wait

480

00:28:18,940 --> 00:28:20,642

to have a little one running

through the castle again.

481

00:28:25,647 --> 00:28:27,013

This castle?

482

00:28:27,015 --> 00:28:28,316

Yes, of course.

483

00:28:31,119 --> 00:28:33,152

This will be their home.

484

00:28:33,154 --> 00:28:36,825

I hear Aurora has
a castle of her own.

485

00:28:37,859 --> 00:28:39,826

AURORA: Yes, sir, I do.

486

00:28:39,828 --> 00:28:42,295

Yes...

487

00:28:42,297 --> 00:28:47,133

I'm curious. How did Aurora

become Queen of the Moors?

488

00:28:47,135 --> 00:28:49,035

- MALEFICENT: I made her queen.

- PHILIP: Her castle is

489

00:28:49,037 --> 00:28:50,437

quite stunning.

You must see it.

490

00:28:50,439 --> 00:28:53,374

Yes, but in fact,

she has another castle.

491

00:28:54,909 --> 00:28:56,077

Does she not?

492

00:28:57,413 --> 00:28:58,678

PHILIP: Mother...

493

00:28:58,680 --> 00:28:59,779

One in the Moors,

494

00:28:59,781 --> 00:29:02,748

and one left behind

by her father.

495

00:29:02,750 --> 00:29:06,352

King Stefan,

was it not?

496

00:29:06,354 --> 00:29:09,657

That castle was never my home.

It was given to the people.

497

00:29:10,758 --> 00:29:13,427

So, you're also

a true princess.

498

00:29:13,429 --> 00:29:15,828

Even though Stefan died.

Was killed?

499

00:29:15,830 --> 00:29:17,665

Remind me, did he die

or was he killed?

500

00:29:18,467 --> 00:29:20,768

Both.

501

00:29:22,404 --> 00:29:24,871

Yes, you're right,

it is very warm recently.

502

00:29:24,873 --> 00:29:28,875

Because I remember

the story of a baby.

503

00:29:28,877 --> 00:29:31,913

A baby cursed to sleep...

504

00:29:32,881 --> 00:29:34,115

and never wake up.

505

00:29:35,150 --> 00:29:36,916

KING JOHN: Really?

506

00:29:36,918 --> 00:29:38,317

Who would do
such a terrible thing

507

00:29:38,319 --> 00:29:40,389

to an innocent child?

508

00:29:42,391 --> 00:29:46,993

Well, there are many who prey
on the innocent.

509

00:29:46,995 --> 00:29:49,496

I'm sure
your kind would agree.

510

00:29:49,498 --> 00:29:51,264

What do you mean,
my kind?

511

00:29:51,266 --> 00:29:53,766

She means humans.

512

00:29:53,768 --> 00:29:55,768

There are fairies missing

from the Moors.

513

00:29:55,770 --> 00:29:57,336

What I'm missing

is some wine.

514

00:29:57,338 --> 00:29:59,238

Stolen by human poachers.

515

00:29:59,240 --> 00:30:00,806

That's the first

I've heard of it.

516

00:30:00,808 --> 00:30:02,076

Someone gave the order.

517

00:30:09,884 --> 00:30:12,120

It sounds as if

you're accusing the king.

518

00:30:13,354 --> 00:30:14,887

No, she never said that.

519

00:30:14,889 --> 00:30:17,356

Wait... Sorry,

who would steal a fairy?

520

00:30:17,358 --> 00:30:18,758

Your Majesty,

I must report

521

00:30:18,760 --> 00:30:19,992

that two peasants

were found dead...

522

00:30:19,994 --> 00:30:21,961

just outside the Moors.

523

00:30:21,963 --> 00:30:23,829

They'd been missing

for several days.

524

00:30:23,831 --> 00:30:25,364

I see.

525

00:30:25,366 --> 00:30:27,800

- Yes, we all see.

- (GROWLING)

526

00:30:27,802 --> 00:30:29,268

The borders are open,

527

00:30:29,270 --> 00:30:31,037

but humans are not welcome.

Isn't that right?

528

00:30:31,039 --> 00:30:32,038

(HISSES)

529

00:30:32,040 --> 00:30:34,907

What exactly are you implying,

Your Majesty?

530

00:30:34,909 --> 00:30:38,378

Innocent men are being

slaughtered on the Moors...

531

00:30:38,380 --> 00:30:40,148

and she's talking
about fairies.

532

00:30:42,016 --> 00:30:43,017

(SCREECHING)

533

00:30:44,453 --> 00:30:46,553

Contain your animal.

534

00:30:46,555 --> 00:30:48,455

Or I will.

535

00:30:48,457 --> 00:30:49,991

(SWORD UNSHEATHES)

536

00:30:51,292 --> 00:30:52,461

(CAT WHINING)

537

00:30:53,261 --> 00:30:54,394

If I didn't know better,

538

00:30:54,396 --> 00:30:55,928

I'd say you were
making a threat.

539

00:30:55,930 --> 00:30:57,096

Well, do you?

540

00:30:57,098 --> 00:30:59,198

- Do I what?

- Know better?

541

00:30:59,200 --> 00:31:00,333

Enough.

542

00:31:00,335 --> 00:31:01,736

(WHISPERS) Put her down.

543

00:31:03,104 --> 00:31:05,073

Please, put her down.

544

00:31:07,308 --> 00:31:10,178

- (CAT YOWLS)

- We're here to celebrate.

545

00:31:13,181 --> 00:31:15,382

Forgive me, he's right.

546

00:31:15,384 --> 00:31:17,484

Let's not forget

why we're here.

547

00:31:17,486 --> 00:31:20,422

The start of a new life

for Aurora.

548

00:31:22,458 --> 00:31:24,025

- Cheers.

- AURORA AND PHILIP: Cheers.

549

00:31:28,162 --> 00:31:31,998

You have done an admirable

job, Maleficent...

550

00:31:32,000 --> 00:31:36,037

going against your own nature

to raise this child.

551

00:31:36,605 --> 00:31:38,538

But now...

552

00:31:38,540 --> 00:31:42,208

Aurora will finally get...

553

00:31:42,210 --> 00:31:44,480

the love of a real family.

554

00:31:45,381 --> 00:31:46,979

A real mother.

555

00:31:46,981 --> 00:31:50,349

Because the one thing

I regret...

556

00:31:50,351 --> 00:31:53,219

is never having a daughter

of my own.

557

00:31:53,221 --> 00:31:56,222

But tonight changes that.

558

00:31:56,224 --> 00:32:01,563

Tonight,

I consider Aurora my own.

559

00:32:10,972 --> 00:32:12,840

(ALL SCREAMING)

560

00:32:16,077 --> 00:32:17,243

Guards!

561

00:32:17,245 --> 00:32:19,345

We have opened our home
to a witch!

562

00:32:19,347 --> 00:32:20,516

(GUARD YELLING)

563

00:32:27,288 --> 00:32:28,956

(ALL GRUNTING)

564

00:32:29,957 --> 00:32:30,992

Stop!

565

00:32:32,060 --> 00:32:33,493

There is no union.

566

00:32:33,495 --> 00:32:35,194

There will be no wedding.

567

00:32:35,196 --> 00:32:38,064

- Maleficent!

- We must protect the king!

568

00:32:38,066 --> 00:32:39,899

Maleficent, please, stop now.

569

00:32:39,901 --> 00:32:42,170

John, I'm so frightened.

570

00:32:42,538 --> 00:32:43,637

Ah!

571

00:32:43,639 --> 00:32:45,938

What has she done to me?

572

00:32:45,940 --> 00:32:47,239

(GROANS)

573

00:32:47,241 --> 00:32:48,242

PHILIP: Father!

574

00:32:48,644 --> 00:32:50,276

(GROANING)

575

00:32:50,278 --> 00:32:51,279

QUEEN INGRITH: John!

576

00:32:52,013 --> 00:32:53,214

We go home.

577

00:32:55,083 --> 00:32:56,084

QUEEN INGRITH: John!

578

00:32:57,251 --> 00:32:58,252

It's a curse.

579

00:33:00,922 --> 00:33:02,522

It's a curse!

580

00:33:02,524 --> 00:33:04,460

Maleficent has cursed
the king!

581

00:33:07,295 --> 00:33:08,495

What have you done?

582

00:33:08,497 --> 00:33:10,331

I've done nothing.

583

00:33:11,199 --> 00:33:13,569

Aurora, we go home now.

584

00:33:15,637 --> 00:33:16,638

Aurora!

585

00:33:30,519 --> 00:33:32,017

Aurora!

586

00:33:32,019 --> 00:33:33,354

Wake him!

587

00:33:35,557 --> 00:33:37,393

Wake him, please.

588

00:33:40,094 --> 00:33:41,162

(GUARDS SHOUTING)

589

00:33:46,535 --> 00:33:48,069

(CAWING)

590

00:33:51,372 --> 00:33:52,373

(GASPS)

591

00:33:53,975 --> 00:33:55,143

(SHATTERING)

592

00:34:11,627 --> 00:34:12,694

(GASPS)

593

00:34:19,568 --> 00:34:20,667

(CAWING)

594

00:34:20,669 --> 00:34:22,036

(YELLING)

595

00:35:00,709 --> 00:35:02,210

GUARD: Stand aside!

596

00:35:04,446 --> 00:35:05,647

To the bedroom!

597

00:35:07,583 --> 00:35:10,151

DOCTOR: This magic, we have
no tools to reverse it.

598

00:35:12,688 --> 00:35:15,054

There must be a lesion.

599

00:35:15,056 --> 00:35:16,188

Proof of her witchery.

600

00:35:16,190 --> 00:35:19,158

QUEEN INGRITH: Please,
leave His Majesty his dignity.

601

00:35:19,160 --> 00:35:22,361

We all saw what Maleficent
did to him.

602

00:35:22,363 --> 00:35:24,230

(QUIETLY) I'm so sorry.

603

00:35:24,232 --> 00:35:27,569

A curse upon our king
is a curse upon this kingdom.

604

00:35:29,203 --> 00:35:32,238

All he wanted was peace.

605

00:35:32,240 --> 00:35:34,407

This is all my fault.

606

00:35:34,409 --> 00:35:36,612

You have nothing
to apologize for, my dear.

607

00:35:37,779 --> 00:35:41,581

Maleficent is a threat
to everyone.

608

00:35:41,583 --> 00:35:43,452

Especially you.

609

00:35:44,653 --> 00:35:47,021

We'll do our best
to protect you.

610

00:35:48,122 --> 00:35:50,224

There must be a way
to reverse this.

611

00:35:51,860 --> 00:35:54,362

Mother, could you
try kissing him?

612

00:35:56,398 --> 00:35:58,433

True love and all that.

613

00:36:01,436 --> 00:36:02,702

(SCOFFS)

614

00:36:02,704 --> 00:36:04,604

I doubt

that would work.

615

00:36:04,606 --> 00:36:06,138

AURORA: It could save him.

616

00:36:06,140 --> 00:36:08,775

- A kiss is just a kiss.

- Please, Mother.

617

00:36:08,777 --> 00:36:10,479

Very well.

618

00:36:21,222 --> 00:36:23,590

(WHISPERING)

You wanted peace...

619

00:36:23,592 --> 00:36:26,595

now rest in peace forever.

620

00:36:35,537 --> 00:36:37,604

I told you.

621

00:36:37,606 --> 00:36:41,240

This is no fairy tale.

622

00:36:41,242 --> 00:36:43,476

I have to return

to the Moors.

623

00:36:43,478 --> 00:36:44,644

It's the only way.

624

00:36:44,646 --> 00:36:46,145

Wait, wait. Come here.

625

00:36:46,147 --> 00:36:47,647

I have to find her.

626

00:36:47,649 --> 00:36:48,782

It's the middle
of the night.

627

00:36:48,784 --> 00:36:50,650

She will break the curse.
I know she will.

628

00:36:50,652 --> 00:36:52,719

Okay, well,
let me come with you.

629

00:36:52,721 --> 00:36:55,154

No. You should stay
with your family.

630

00:36:55,156 --> 00:36:56,425

You are my family.

631

00:36:58,460 --> 00:37:00,560

QUEEN INGRITH:
Let her go, Philip.

632

00:37:00,562 --> 00:37:02,798

Maybe she can save him.

633

00:37:47,643 --> 00:37:48,810

(HORSE WHINNIES)

634

00:37:58,720 --> 00:38:00,553

Maleficent!

635

00:38:00,555 --> 00:38:01,890

(CREATURES CHATTERING)

636

00:38:03,959 --> 00:38:05,727

Maleficent!

637

00:38:09,831 --> 00:38:11,365

(GRUNTING)

638

00:38:13,334 --> 00:38:14,968

Godmother!

639

00:38:14,970 --> 00:38:16,505

(PINTO CHITTERING)

640

00:38:21,810 --> 00:38:24,245

Please come back.

641

00:38:28,450 --> 00:38:29,451

DIAVAL:

She's not in the Moors.

642

00:38:30,819 --> 00:38:31,820

Diaval.

643

00:38:33,522 --> 00:38:35,320

No one's seen her.

644

00:38:35,322 --> 00:38:36,825

I'm so happy to see you.

645

00:38:38,694 --> 00:38:39,961

She's nowhere to be found.

646

00:38:41,530 --> 00:38:43,463

What if she
never comes back?

647

00:38:43,465 --> 00:38:45,732

I could be stuck
as a human forever.

648

00:38:45,734 --> 00:38:47,436

I have to find her.

649

00:38:50,505 --> 00:38:53,307

She's the only one
who can break the curse.

650

00:38:57,746 --> 00:38:59,280

(CHITTERING)

651

00:39:02,851 --> 00:39:04,218

(GRUNTING)

652

00:39:27,476 --> 00:39:29,644

(BABY AURORA CRYING)

653

00:39:53,367 --> 00:39:54,669

Tell me she's dead.

654

00:39:55,704 --> 00:39:58,071

The iron pierced her flesh.

655

00:39:58,073 --> 00:40:00,742

She fell into the river
and went over the falls.

656

00:40:02,343 --> 00:40:05,545

Then where is her head?

657

00:40:05,547 --> 00:40:07,814

There was something else.

658

00:40:07,816 --> 00:40:10,083

Another creature.

659

00:40:10,085 --> 00:40:13,586

It pulled her from

the depths of the sea.

660

00:40:13,588 --> 00:40:15,289

What did it look like?

661

00:40:15,757 --> 00:40:16,758

Her.

662

00:40:18,560 --> 00:40:20,660

It carried her
up into the sky.

663

00:40:20,662 --> 00:40:23,129

Hmm. A wounded animal
lashes out

664

00:40:23,131 --> 00:40:24,631

and now she's not alone.

665

00:40:24,633 --> 00:40:27,334

We must be ready for war.

666

00:40:27,869 --> 00:40:30,403

(GUARDS SHOUTING)

667

00:40:30,405 --> 00:40:31,973

GUARD: Maleficent has
cursed the king!

668

00:40:33,508 --> 00:40:35,377

(METAL CLANGING)

669

00:40:36,745 --> 00:40:38,778

(TOWNSPEOPLE CLAMORING)

670

00:40:38,780 --> 00:40:39,781

GUARD 2: Stay inside!

671

00:40:47,055 --> 00:40:48,690

GUARD 3: Maleficent has
cursed the king!

672

00:41:10,946 --> 00:41:12,747

(GASPING)

673

00:41:26,194 --> 00:41:27,794

(FAINT RUMBLING)

674

00:41:27,796 --> 00:41:28,797

(WINGS WHOOSHING)

675

00:41:29,831 --> 00:41:31,700

(VOICES ECHOING)

676

00:41:38,073 --> 00:41:39,608

(RUSTLING)

677

00:41:41,776 --> 00:41:43,678

(WINGS WHOOSHING)

678

00:41:51,653 --> 00:41:53,154

(VOICES GROWING LOUDER)

679

00:42:06,968 --> 00:42:08,036

(GRUNTS)

680

00:42:11,206 --> 00:42:13,408

(VOICES CONTINUE
SPEAKING INDISTINCTLY)

681

00:42:21,750 --> 00:42:25,587

BORRA: If Conall hadn't
found her, she would be dead.

682

00:42:29,524 --> 00:42:31,126

They tried to kill her
with this.

683

00:42:40,502 --> 00:42:41,836

(IRON HISSING)

684

00:42:47,976 --> 00:42:49,945

Do you hear it?

685

00:42:51,212 --> 00:42:52,447

Do you hear it?

686

00:42:54,082 --> 00:42:55,083

Huh?

687

00:42:56,151 --> 00:42:57,819

It's a message
from the humans.

688

00:42:59,254 --> 00:43:01,056

I hear it loud and clear.

689

00:43:01,790 --> 00:43:05,124

Time for us to die.

690

00:43:05,126 --> 00:43:08,928

CONALL: Humans have used iron
against us for centuries.

691

00:43:08,930 --> 00:43:11,564

And we are almost extinct
because of it.

692

00:43:11,566 --> 00:43:13,066

CONALL: Killing peasants
on the Moors

693

00:43:13,068 --> 00:43:15,868

will only lead

to more conflict, Borra.

694

00:43:15,870 --> 00:43:17,603

They've pulled the iron

from the earth...

695

00:43:17,605 --> 00:43:20,273

made their swords and shields,

drove us underground.

696

00:43:20,275 --> 00:43:21,743

But this...

697

00:43:24,980 --> 00:43:26,212

This will finish us.

698

00:43:26,214 --> 00:43:28,214

CONALL: Our people are safe

here for now.

699

00:43:28,216 --> 00:43:29,916

BORRA: But for how long?

700

00:43:29,918 --> 00:43:31,820

The humans will find us.

They will not stop.

701

00:43:32,654 --> 00:43:34,721

I call for war.

702

00:43:34,723 --> 00:43:36,155

(ALL GRUNTING IN AGREEMENT)

703

00:43:36,157 --> 00:43:37,924

BORRA: I call for war!

704

00:43:37,926 --> 00:43:39,225

Right now!

705

00:43:39,227 --> 00:43:40,293

(ALL GRUNT IN AGREEMENT)

706

00:43:40,295 --> 00:43:42,230

CONALL: There are
too many humans.

707

00:43:43,331 --> 00:43:44,897

(CLATTERS)

708

00:43:44,899 --> 00:43:46,032

Too many kingdoms.

709

00:43:46,034 --> 00:43:48,167

BORRA: Conall,
they will keep finding

710

00:43:48,169 --> 00:43:50,103

new ways to destroy us.

711

00:43:50,105 --> 00:43:51,773

We can't win.

712

00:43:55,910 --> 00:43:58,046

We can't win!

713

00:44:00,815 --> 00:44:01,816

Not this way.

714

00:44:03,184 --> 00:44:05,253

No. You're wrong, Conall.

715

00:44:07,155 --> 00:44:09,691

We have something
they didn't plan on.

716

00:44:12,027 --> 00:44:13,895

We have her.

717

00:44:19,067 --> 00:44:20,902

She holds powers
none of us possess.

718

00:44:23,138 --> 00:44:24,672

She is wounded, Borra.

719

00:44:26,007 --> 00:44:27,275

Who are you?

720

00:44:35,683 --> 00:44:36,684

(GRUNTS)

721

00:44:37,152 --> 00:44:38,686

(SNIFFING)

722

00:44:39,020 --> 00:44:40,088

Hmm.

723

00:44:40,789 --> 00:44:42,255

(CONTINUES SNIFFING)

724

00:44:42,257 --> 00:44:43,956

Hmm.

725

00:44:43,958 --> 00:44:46,094

You reek of human.

726

00:44:48,029 --> 00:44:50,129

Maybe I was wrong about you.

727

00:44:50,131 --> 00:44:52,265

Or maybe Conall should have
left you for dead

728

00:44:52,267 --> 00:44:53,735

at the bottom of the sea.

729

00:44:57,705 --> 00:44:58,873

No.

730

00:45:00,275 --> 00:45:02,310

It's there, isn't it?

731

00:45:03,978 --> 00:45:05,180

It's inside you.

732

00:45:06,247 --> 00:45:07,346

Mmm.

733

00:45:07,348 --> 00:45:08,881

(LAUGHING)

734

00:45:08,883 --> 00:45:10,618

- (HISSES)

- Ahhh!

735

00:45:11,119 --> 00:45:12,187

(GROANING)

736

00:45:18,126 --> 00:45:19,294

(PANTING)

737

00:45:24,232 --> 00:45:25,300

You see?

738

00:45:28,136 --> 00:45:29,669

(PANTING)

739

00:45:29,671 --> 00:45:31,904

You see what's inside her?

740

00:45:31,906 --> 00:45:33,673

(ALL MUTTERING IN AGREEMENT)

741

00:45:33,675 --> 00:45:35,274

That is what will save us all.

742

00:45:35,276 --> 00:45:37,145

(ALL CLAMORING)

743

00:45:53,328 --> 00:45:54,929

You saved me.

744

00:45:58,467 --> 00:45:59,868

Come.

745

00:46:04,473 --> 00:46:06,908

Let me show you who we are.

746

00:46:16,851 --> 00:46:18,186

(WHOOSHING)

747

00:46:28,464 --> 00:46:29,831

(GROANS)

748

00:46:30,466 --> 00:46:32,000

(WIND WHOOSHING)

749

00:47:02,897 --> 00:47:04,032

We're Dark Fey.

750

00:47:05,800 --> 00:47:07,101

Same as you.

751

00:47:08,470 --> 00:47:10,238

(BABY CRYING)

752

00:47:18,913 --> 00:47:20,081

CONALL: We're all that remain.

753

00:47:21,916 --> 00:47:24,352

Unseen here,

far away from mankind.

754

00:47:24,986 --> 00:47:26,085

Look!

755

00:47:26,087 --> 00:47:27,320

(CHILD GIGGLING)

756

00:47:27,322 --> 00:47:28,988

CONALL: As more

human kingdoms emerged,

757

00:47:28,990 --> 00:47:30,557

we went into hiding...

758

00:47:30,559 --> 00:47:33,125

from every corner

of the earth...

759

00:47:33,127 --> 00:47:36,295

doing what we had to,

to survive.

760

00:47:36,297 --> 00:47:39,033

But many were lost.

761

00:47:51,145 --> 00:47:52,481

(DARK FEY CHANTING)

762

00:48:01,490 --> 00:48:04,123

CONALL: Only a few
generations ago...

763

00:48:04,125 --> 00:48:06,327

our kind roamed
every part of the world.

764

00:48:07,862 --> 00:48:09,195

The tundra.

765

00:48:09,197 --> 00:48:10,564

The forest.

766

00:48:10,566 --> 00:48:12,066

The jungle.

767

00:48:16,104 --> 00:48:18,039

The desert.

768

00:48:22,444 --> 00:48:26,380

Now, our only refuge
is here...

769
00:48:26,382 --> 00:48:28,180
in this cave.

770
00:48:28,182 --> 00:48:30,283
Our nest of origin.

771
00:48:30,285 --> 00:48:31,819
(DARK FEY WHISPERING)

772
00:48:34,556 --> 00:48:37,191
UDO: Listen.
Play in the wind.

773
00:48:38,993 --> 00:48:39,994
Go!

774
00:48:40,562 --> 00:48:41,563
(GRUNTS)

775

00:48:42,330 --> 00:48:43,331

(INHALES SHARPLY)

776

00:48:48,303 --> 00:48:49,904

(CHILD GIGGLING)

777

00:48:52,907 --> 00:48:54,075

(MALEFICENT LAUGHS)

778

00:49:00,148 --> 00:49:01,381

CONALL: Those children
should be soaring

779

00:49:01,383 --> 00:49:03,550

over the trees and rivers.

780

00:49:03,552 --> 00:49:05,487

Instead,
they are raised in exile.

781

00:49:06,187 --> 00:49:07,556

I could protect them.

782

00:49:09,425 --> 00:49:12,224

How? By waging war
against the humans?

783

00:49:12,226 --> 00:49:14,293

I've been at war with them
my whole life.

784

00:49:14,295 --> 00:49:16,295

Not all of them.

785

00:49:16,297 --> 00:49:18,567

There was one you raised
as your own.

786

00:49:21,069 --> 00:49:24,170

Maybe we don't have to hide
from the humans.

787

00:49:24,172 --> 00:49:26,238

Maybe we can exist
without fear...

788

00:49:26,240 --> 00:49:28,442

and war.

789

00:49:28,444 --> 00:49:30,945

Find a way together.

790

00:49:32,548 --> 00:49:34,349

That will never happen.

791

00:49:40,988 --> 00:49:42,323

(HORSE WHINNIES)

792

00:49:45,993 --> 00:49:47,328

(PANTING)

793

00:49:51,199 --> 00:49:52,333

(GRUNTS)

794

00:49:56,137 --> 00:49:57,473

(CREAKING)

795

00:49:59,240 --> 00:50:00,476

(GRUNTING)

796

00:50:02,343 --> 00:50:04,011

Oh. (CHUCKLES)

797

00:50:04,646 --> 00:50:07,146

(GRUNTING)

798

00:50:07,148 --> 00:50:10,450

- (EXHALES)

- (WIND WHISTLING)

799

00:50:10,452 --> 00:50:12,521

(GASPS AND MUTTERS)

800

00:50:14,021 --> 00:50:15,524

(PANTING)

801

00:50:18,192 --> 00:50:19,260

(CHITTERS)

802

00:50:20,629 --> 00:50:22,230

Whoa. (GASPS)

803

00:50:24,633 --> 00:50:26,298

(CHITTERS)

804

00:50:26,300 --> 00:50:27,734

- (CAT YOWLS)

- (WHIMPERS)

805

00:50:27,736 --> 00:50:29,068

(GROWLS)

806

00:50:29,070 --> 00:50:30,271

Whoa!

807

00:50:33,141 --> 00:50:34,476

(PINTO SCREAMING)

808

00:50:43,552 --> 00:50:46,118

- (GRUNTING)

- (CAT MEOWS)

809

00:50:46,120 --> 00:50:47,656

(WHIMPERING AND GRUNTING)

810

00:50:48,990 --> 00:50:50,324

(YELPING)

811

00:50:51,025 --> 00:50:52,694

(GRUNTS, SCREAMS)

812

00:50:53,629 --> 00:50:55,597

Ow! Oh.

813

00:50:56,364 --> 00:50:57,365

LICKSPITTLE: Huh?

814

00:51:01,503 --> 00:51:02,504

- (PINTO GRUNTS)

- (GASPS)

815

00:51:06,475 --> 00:51:07,476

LICKSPITTLE: Gotcha!

816

00:51:08,176 --> 00:51:09,678

(PINTO CHITTERING)

817

00:51:11,580 --> 00:51:12,646

(YELLS)

818

00:51:12,648 --> 00:51:15,617

Welcome to your new home.

819

00:51:16,685 --> 00:51:17,751

(PINTO CHITTERS)

820

00:51:17,753 --> 00:51:19,053

(CHITTERS)

821

00:51:20,422 --> 00:51:21,623

(EXCLAIMS)

822

00:51:23,692 --> 00:51:24,959

(CHITTERS)

823

00:51:34,636 --> 00:51:37,171

We've been worried
about you, dear.

824

00:51:38,206 --> 00:51:39,207

AURORA: Your Majesty.

825

00:51:40,174 --> 00:51:42,208

I couldn't find her.

826

00:51:42,210 --> 00:51:44,713

My heart breaks for you.

827

00:51:45,747 --> 00:51:48,214

She has brought
a cloud of darkness

828

00:51:48,216 --> 00:51:49,283

upon your happiness.

829

00:51:50,385 --> 00:51:53,386

I know she was
against this marriage.

830

00:51:53,388 --> 00:51:56,723

Never trusted your
instincts as a queen.

831

00:51:56,725 --> 00:51:59,360

When I saw her at dinner...

832

00:52:00,629 --> 00:52:03,432

with her horns covered...

833

00:52:05,767 --> 00:52:07,536

bent cowering...

834

00:52:08,504 --> 00:52:10,104

(SIGHS)

835

00:52:12,373 --> 00:52:16,043

Well, it's no wonder
that she lashed out.

836

00:52:17,078 --> 00:52:19,178

I just don't know

what to do.

837

00:52:19,180 --> 00:52:22,081

You do truly love him,

don't you?

838

00:52:22,083 --> 00:52:23,418

My son.

839

00:52:23,819 --> 00:52:25,019

Deeply.

840

00:52:26,254 --> 00:52:28,757

It is love

that will heal you.

841

00:52:29,591 --> 00:52:32,124

It's what heals us all.

842

00:52:32,126 --> 00:52:35,329

Let's move

forward together...

843

00:52:36,197 --> 00:52:37,766

as a family.

844

00:52:43,304 --> 00:52:45,641

(TRUMPETS PLAYING FANFARE)

845

00:52:54,348 --> 00:52:57,283

<i>To all who live

on the Moors...</i>

846

00:52:57,285 --> 00:52:59,251

(ECHOING)

847

00:52:59,253 --> 00:53:01,421

- What is that noise?

- (SHUSHING)

848

00:53:01,423 --> 00:53:03,188

GERDA: <i>...and kingdoms

far and wide,</i>

849

00:53:03,190 --> 00:53:04,524

<i>the king and queen

invite you...</i>

850

00:53:04,526 --> 00:53:07,192

<i>to attend the wedding...</i>

851

00:53:07,194 --> 00:53:10,164

<i>of their son Philip to Aurora

in three days' time.</i>

852

00:53:10,832 --> 00:53:12,599

<i>All are welcome.</i>

853

00:53:12,601 --> 00:53:13,602

Huh?

854

00:53:15,537 --> 00:53:18,272

<i>And all are expected!</i>

855

00:53:19,508 --> 00:53:22,207

Did you hear that?

We're invited to the castle!

856

00:53:22,209 --> 00:53:24,411

I knew Aurora

wouldn't abandon us!

857

00:53:24,413 --> 00:53:26,613

I always knew

I'd be invited.

858

00:53:26,615 --> 00:53:29,549

Just glad you two

made the cut.

859

00:53:29,551 --> 00:53:31,386

FAIRY: Who's getting married?

860

00:53:33,855 --> 00:53:35,323

(GRUNTS SOFTLY)

861

00:53:39,561 --> 00:53:43,432

Aurora, we don't have to think

about the wedding right now.

862

00:53:44,766 --> 00:53:46,766

AURORA: The queen is right.

863

00:53:46,768 --> 00:53:49,536

We owe it to everyone...

864

00:53:49,538 --> 00:53:51,707

especially the king.

865

00:53:52,574 --> 00:53:54,576

What about Maleficent?

866

00:53:57,679 --> 00:53:59,781

She's gone.

867

00:54:12,594 --> 00:54:14,259

CONALL: The Phoenix.

868

00:54:14,261 --> 00:54:16,531

It is said the Dark Fey

began with her...

869

00:54:17,833 --> 00:54:19,868

evolved over centuries.

870

00:54:21,703 --> 00:54:24,138

You are the last
of her descendants.

871

00:54:24,773 --> 00:54:27,274

Her blood is your own.

872

00:54:28,810 --> 00:54:30,612

You are her.

873

00:54:33,849 --> 00:54:37,517

In your hands,
you hold the power of life and death...

874

00:54:37,519 --> 00:54:40,354

destruction and rebirth.

875

00:54:41,623 --> 00:54:44,223

But nature's greatest power

876

00:54:44,225 --> 00:54:47,361

is the power

of true transformation.

877

00:54:48,997 --> 00:54:52,401

You transformed

when you raised Aurora.

878

00:54:54,301 --> 00:54:56,603

When you found love...

879

00:54:56,605 --> 00:54:59,675

in the middle of your pain.

880

00:55:01,443 --> 00:55:03,945

I'm asking you

to take all of your fury...

881

00:55:04,780 --> 00:55:06,515

all of your pain...

882

00:55:06,948 --> 00:55:09,649

and not use it.

883

00:55:09,651 --> 00:55:12,888

Help us broker peace
with the humans.

884

00:55:14,723 --> 00:55:16,690

Because peace...

885

00:55:16,692 --> 00:55:21,295

could be the Dark Fey's
final transformation.

886

00:55:28,670 --> 00:55:32,806

The Moors are our last
true nature on earth.

887

00:55:32,808 --> 00:55:36,910

And yet you named
a human as queen.

888

00:55:36,912 --> 00:55:39,614

A daughter you cared for.

889

00:55:41,683 --> 00:55:43,819

I have no daughter.

890

00:55:46,555 --> 00:55:48,824

She has chosen her side.

891

00:56:01,335 --> 00:56:03,503

We've just heard.

892

00:56:03,505 --> 00:56:06,273

There's going to be a wedding
at the castle in three days.

893

00:56:07,776 --> 00:56:10,543

Humans will come
from all over.

894

00:56:10,545 --> 00:56:12,545

That's when we attack.

895

00:56:12,547 --> 00:56:15,482

We'll kill the king

and queen of Ulstead...

896

00:56:15,484 --> 00:56:17,486

and their young prince.

897

00:56:20,088 --> 00:56:22,856

Their kingdom will fall.

898

00:56:22,858 --> 00:56:25,527

And the Fey will rise again.

899

00:56:34,035 --> 00:56:36,571

- (BELL TOLLING IN DISTANCE)

- (CHUCKLES SOFTLY)

900

00:56:38,073 --> 00:56:39,608

(GIGGLES)

901

00:56:41,409 --> 00:56:43,912

The fairies made it.

902

00:56:58,760 --> 00:57:02,564

I wore it when I
married the king.

903

00:57:09,104 --> 00:57:12,040

I'm sure it's perfect.

904

00:57:12,674 --> 00:57:14,009

So am I.

905

00:57:15,777 --> 00:57:17,779

(INDISTINCT CHATTER)

906

00:57:20,048 --> 00:57:22,849

Your Majesty,
she's absolutely lovely.

907

00:57:22,851 --> 00:57:24,651

NOBLEWOMAN: Considering
how she was raised.

908

00:57:24,653 --> 00:57:27,620

By the same evil witch
who cursed her.

909

00:57:27,622 --> 00:57:30,523

It's a miracle Prince
Philip came along.

910

00:57:30,525 --> 00:57:31,658

NOBLEWOMAN 2: It's a miracle

911

00:57:31,660 --> 00:57:33,495

the poor child is
alive at all.

912

00:57:34,729 --> 00:57:36,796

Thank you so much.

913

00:57:36,798 --> 00:57:37,664

It's exquisite.

914

00:57:37,666 --> 00:57:39,432

(CHATTERING CONTINUES
INDISTINCTLY)

915

00:57:39,434 --> 00:57:40,735

(LAUGHTER)

916

00:57:46,908 --> 00:57:49,077

(BREATHES DEEPLY)

917

00:58:08,430 --> 00:58:10,063

AURORA: <i>When I'm older...</i>

918

00:58:10,065 --> 00:58:11,900

I'm going to live here,
in the Moors, with you.

919

00:58:12,968 --> 00:58:15,503

Then we can
look after each other.

920

00:58:20,141 --> 00:58:21,676

(WAVES CRASHING)

921

00:58:33,688 --> 00:58:36,756

(DOOR OPENS)

922

00:58:36,758 --> 00:58:38,693

- Tell me what's troubling you.

- AURORA: (SIGHS) It's nothing.

923

00:58:39,861 --> 00:58:42,497

Aurora, I know you

better than that.

924

00:58:45,166 --> 00:58:46,534

This jewelry...

925

00:58:47,469 --> 00:58:48,868

my hair...

926

00:58:48,870 --> 00:58:51,004

all these rules.

927

00:58:51,006 --> 00:58:54,741

(STAMMERS) I can't breathe.

928

00:58:54,743 --> 00:58:57,710

I feel like I'm not

Queen of the Moors anymore.

929

00:58:57,712 --> 00:59:00,013

I feel like

a different person.

930

00:59:00,015 --> 00:59:01,881

Listen...

931

00:59:01,883 --> 00:59:05,518

I fell in love with a girl

in the forest and only her.

932

00:59:05,520 --> 00:59:07,053

You don't have to change.

933

00:59:07,055 --> 00:59:09,157

I don't want you to change.

934

00:59:17,565 --> 00:59:20,602

I should have never asked her

to wear that scarf.

935

00:59:21,569 --> 00:59:22,671

(AURORA EXHALES DEEPLY)

936

00:59:39,788 --> 00:59:41,022

Ah, yes.

937

00:59:43,124 --> 00:59:44,125

- QUEEN INGRITH: Well...

- (GASPS)

938

00:59:45,260 --> 00:59:47,226

Does it work?

939

00:59:47,228 --> 00:59:49,028

LICKSPITTLE:

I only have a handful

940

00:59:49,030 --> 00:59:49,996

of fairy specimens

to work with...

941

00:59:49,998 --> 00:59:52,767

and the extraction process
is painstaking.

942

00:59:53,735 --> 00:59:55,537

Extraction from what?

943

00:59:56,538 --> 00:59:58,771

LICKSPITTLE:

Tomb Bloom flowers.

944

00:59:58,773 --> 01:00:00,006

They grow from
a fairy's grave,

945

01:00:00,008 --> 01:00:01,774

contain their very essence.

946

01:00:01,776 --> 01:00:03,776

When you mix the pollen
with iron powder...

947

01:00:03,778 --> 01:00:06,746

the resulting dust

ends a fairy's life.

948

01:00:06,748 --> 01:00:08,249

We will need thousands more.

949

01:00:10,151 --> 01:00:11,586

Show me.

950

01:00:13,621 --> 01:00:15,021

Show me.

951

01:00:15,023 --> 01:00:16,024

LICKSPITTLE: Very well.

952

01:00:17,859 --> 01:00:19,125

(FAIRY WHIMPERING)

953

01:00:19,127 --> 01:00:20,259

LICKSPITTLE: So...

954

01:00:20,261 --> 01:00:22,097

- (CONTINUES WHIMPERING)

- (PINTO CHITTERS)

955

01:00:25,266 --> 01:00:26,267

(GASPS)

956

01:00:30,305 --> 01:00:31,906

(FAIRY GRUNTING)

957

01:00:41,983 --> 01:00:43,852

(WHIMPERING)

958

01:00:48,256 --> 01:00:49,791

(FAIRY GRUNTING)

959

01:00:54,062 --> 01:00:55,764

(STRAINING)

960

01:00:57,799 --> 01:00:58,967

(SCREAMING)

961

01:01:01,369 --> 01:01:03,236

(CHITTERING)

962

01:01:03,238 --> 01:01:04,773

(EXHALES)

963

01:01:10,345 --> 01:01:14,182

Finally,

the Moors will be mine.

964

01:01:14,849 --> 01:01:17,984

No more fairies.

965

01:01:17,986 --> 01:01:19,988

(CHITTERS IN FEAR)

966

01:01:22,991 --> 01:01:25,058

- (INDISTINCT CHATTER)

- (CHANTING)

967

01:01:25,060 --> 01:01:26,594

(DRUMS BEATING)

968

01:01:52,087 --> 01:01:53,188

PERCIVAL: Stay alert, men.

969

01:01:58,259 --> 01:02:00,195

(INDISTINCT SHOUTING)

970

01:02:08,002 --> 01:02:09,735

(CHILDREN CHATTERING)

971

01:02:09,737 --> 01:02:12,038

CHILD: Wow!

972

01:02:12,040 --> 01:02:13,206

PEASANT: This is where

I found them.

973

01:02:13,208 --> 01:02:14,874

PERCIVAL: Excellent.

974

01:02:14,876 --> 01:02:16,709

But what if

the winged one returns?

975

01:02:16,711 --> 01:02:18,646

Don't you worry about that.

976

01:02:19,381 --> 01:02:20,713

We'll be ready.

977

01:02:20,715 --> 01:02:21,850

Take the Tomb Blooms.

978

01:02:22,451 --> 01:02:24,451

Get to work!

979

01:02:24,453 --> 01:02:26,819

(GUARDS SHOUTING)

980

01:02:26,821 --> 01:02:28,756

(CHANTING CONTINUES)

981

01:02:40,101 --> 01:02:41,267

GUARD: Sentries, stay alert!

982

01:02:41,269 --> 01:02:42,737

PERCIVAL:

Keep your weapons on hand.

983

01:02:54,149 --> 01:02:55,817

(INDISTINCT SCREAMING)

984

01:02:57,185 --> 01:02:58,353

(GASPS)

985

01:03:03,224 --> 01:03:04,759

GUARD: Move it!

986

01:03:12,501 --> 01:03:14,068

CONALL: Maleficent...

987

01:03:55,444 --> 01:03:57,076

(SIGHS)

988

01:03:57,078 --> 01:04:00,014

MALEFICENT: This is where

we bury our dead.

989

01:04:01,249 --> 01:04:03,151

They've destroyed it.

990

01:04:07,855 --> 01:04:10,256

This is what
the humans do.

991

01:04:10,258 --> 01:04:12,792

They're nothing but locusts
that swarm the earth.

992

01:04:12,794 --> 01:04:14,329

We have to stop them.

993

01:04:16,931 --> 01:04:20,266

You spent years
caring for a human...

994

01:04:20,268 --> 01:04:23,271

now it's time
to care for your own.

995

01:04:32,914 --> 01:04:33,948

SOLDIER: Fire!

996

01:04:39,421 --> 01:04:41,289

(GROANING)

997

01:04:44,325 --> 01:04:45,360

(GASPS)

998

01:04:54,302 --> 01:04:57,238

- SOLDIER: Reload! We go again!

- (MALEFICENT PANTING)

999

01:04:58,306 --> 01:04:59,307

(SOLDIERS SHOUTING)

1000

01:05:02,310 --> 01:05:03,545

SOLDIER: Fire!

1001

01:05:07,215 --> 01:05:09,817

SOLDIER 2: Reload!

There's another one!

1002

01:05:11,620 --> 01:05:12,887

(GROANS)

1003

01:05:14,423 --> 01:05:15,955

(ALL GROANING)

1004

01:05:15,957 --> 01:05:17,123

(GRUNTS)

1005

01:05:17,125 --> 01:05:18,291

(BREATHING HEAVILY)

1006

01:05:18,293 --> 01:05:20,295

(ALL GROANING)

1007

01:05:28,136 --> 01:05:30,036

(SCREAMING)

1008

01:05:30,038 --> 01:05:31,440

(SCREAMING CONTINUES)

1009

01:05:35,276 --> 01:05:36,578

(GROANING)

1010

01:05:39,047 --> 01:05:41,648

(SOLDIERS SCREAMING
AND GROANING)

1011

01:05:41,650 --> 01:05:43,519

(SCREAMING ECHOES)

1012

01:06:10,211 --> 01:06:12,313

(BREATHES DEEPLY)

1013

01:06:20,522 --> 01:06:22,955

(BELL TOLLING IN DISTANCE)

1014

01:06:22,957 --> 01:06:24,626

(ALL CHITTERING EXCITEDLY)

1015

01:06:26,662 --> 01:06:28,628

Everyone, stay together!

1016

01:06:28,630 --> 01:06:30,497

We're about to leave
the Moors.

1017

01:06:30,499 --> 01:06:32,198

Grab the hand or the wing...

1018

01:06:32,200 --> 01:06:34,503

or the tail of whoever
is closest to you.

1019

01:06:35,471 --> 01:06:36,638

(YELPS)

1020

01:06:37,639 --> 01:06:39,508

(BELLS TOLLING)

1021

01:06:59,961 --> 01:07:01,663

(PEOPLE CHEERING)

1022

01:07:07,235 --> 01:07:09,303

(FAIRIES GIGGLING)

1023

01:07:10,606 --> 01:07:12,306

(EXCITED CHATTER)

1024

01:07:16,545 --> 01:07:19,211

Hey, over here!

Yeah, over here!

1025

01:07:19,213 --> 01:07:21,282

Hold formation, guards.

Hold formation.

1026

01:07:23,017 --> 01:07:25,117

- Excuse me, sir.

- Stop right there.

1027

01:07:25,119 --> 01:07:26,285

I'm with the bride.

1028

01:07:26,287 --> 01:07:28,354

We've been told to let

the, uh, other kind

1029

01:07:28,356 --> 01:07:29,489

find their seats first.

1030

01:07:29,491 --> 01:07:30,690

But I'm not a human.

1031

01:07:30,692 --> 01:07:32,626

- I'm a raven.

- What?

1032

01:07:32,628 --> 01:07:35,395

A raven. The black bird.

1033

01:07:35,397 --> 01:07:37,664

Mmm. This rice is delicious.

1034

01:07:37,666 --> 01:07:39,231

FLITTLE: You're supposed
to throw it

1035

01:07:39,233 --> 01:07:40,434

at the bride and groom.

1036

01:07:40,436 --> 01:07:43,102

What? And waste good rice?

1037

01:07:43,104 --> 01:07:44,203

NOBLEWOMAN 1:

What's the hold up?

1038

01:07:44,205 --> 01:07:45,271

(CLAMORING)

1039

01:07:45,273 --> 01:07:46,440

NOBLEWOMAN 2: Let me in!

1040

01:07:46,442 --> 01:07:48,410

Why can't humans come in, too?

1041

01:07:50,144 --> 01:07:51,613

NOBLEMAN:

Why can't we come in?

1042

01:07:54,383 --> 01:07:55,717

(KNOCKING ON DOOR)

1043

01:07:59,086 --> 01:08:00,219

PHILIP:

I know it's bad luck...

1044

01:08:00,221 --> 01:08:01,956

but I had to see you.

1045

01:08:03,459 --> 01:08:04,758

For you.

1046

01:08:04,760 --> 01:08:06,626

A Tomb Bloom?

1047

01:08:06,628 --> 01:08:07,694

Where did you get this?

1048

01:08:07,696 --> 01:08:09,463

From my mother.

1049

01:08:09,465 --> 01:08:12,200

The sun's up.

It's our wedding day.

1050

01:08:19,708 --> 01:08:22,076

PHILIP: (ECHOING)

<i>From my mother.</i>

1051

01:09:10,124 --> 01:09:11,323

(CREAKS)

1052

01:09:11,325 --> 01:09:12,394

(THUD)

1053

01:09:17,499 --> 01:09:18,765

(CREAKS)

1054

01:09:18,767 --> 01:09:20,368

- (RUMBLING)

- (AURORA GASPS)

1055

01:09:35,751 --> 01:09:37,553

(GASPING)

1056

01:09:45,427 --> 01:09:47,596

(DARK FEY CHANTING)

1057

01:09:52,834 --> 01:09:54,368

(SINGING INDISTINCTLY)

1058

01:09:55,537 --> 01:09:57,406

(CHANTING CONTINUES)

1059

01:10:27,703 --> 01:10:28,870

(EXHALES)

1060

01:10:32,239 --> 01:10:34,810

(BREATHES DEEPLY)

1061

01:10:47,589 --> 01:10:49,123

(ALL GIGGLING)

1062

01:10:50,892 --> 01:10:52,894

(GRUNTING)

1063

01:11:06,675 --> 01:11:08,543

(FAIRIES CHITTERING EXCITEDLY)

1064

01:11:11,278 --> 01:11:12,946

THISTLEWIT:

Where should we sit, Flittle?

1065

01:11:12,948 --> 01:11:14,981

On the left.

We're with the bride.

1066

01:11:14,983 --> 01:11:16,716

KNOTGRASS: Yes, we are.

1067

01:11:16,718 --> 01:11:18,585

But the groom's lovely, too.

1068

01:11:18,587 --> 01:11:20,389

Mmm. Yes, he is.

1069

01:11:21,322 --> 01:11:22,956

I'm with both.

1070

01:11:22,958 --> 01:11:25,192

Huh? (SCOFFS)

1071

01:11:26,260 --> 01:11:27,429

(SNORTS)

1072

01:11:29,831 --> 01:11:30,832

(WHISTLING)

1073

01:11:31,767 --> 01:11:33,669

LICKSPITTLE: (GRUNTS) Now.

1074

01:11:45,480 --> 01:11:47,346

(GASPS AND CHITTERS)

1075

01:11:47,348 --> 01:11:49,418

(BOTH CHITTERING)

1076

01:11:55,857 --> 01:11:57,256

(GRUNTS SOFTLY)

1077

01:11:57,258 --> 01:11:58,925

What's this?

1078

01:11:58,927 --> 01:12:00,794

Nobody is allowed in here
except me.

1079

01:12:00,796 --> 01:12:03,598

And I'm already here,
so go away!

1080

01:12:07,301 --> 01:12:09,571

(AURORA BREATHING HEAVILY)

1081

01:12:19,014 --> 01:12:20,716

- (KING JOHN SCREAMS)

- (GASPS)

1082

01:12:21,783 --> 01:12:23,350

Maleficent, please stop.

1083

01:12:24,953 --> 01:12:25,987

(GASPING)

1084

01:12:30,459 --> 01:12:32,291

(WHISPERS) Maleficent.

1085

01:12:32,293 --> 01:12:33,628

She didn't do it.

1086

01:12:33,995 --> 01:12:35,729

(COOS)

1087

01:12:35,731 --> 01:12:37,397

(BREATHING HEAVILY)

1088

01:12:37,399 --> 01:12:38,400

Get out!

1089

01:12:40,035 --> 01:12:41,366

Before I call the guards!

1090

01:12:41,368 --> 01:12:43,505

(FAIRIES WHIMPERING)

1091

01:12:48,076 --> 01:12:49,809

The missing fairies.

1092

01:12:49,811 --> 01:12:51,343

I said get out.

Did you hear me?

1093

01:12:51,345 --> 01:12:53,980

- What have you done?

- (WHIMPERING)

1094

01:12:53,982 --> 01:12:55,517

- (OBJECTS CLATTERING)

- (RIPS)

1095

01:12:58,319 --> 01:13:00,019

You're a pixie.

1096

01:13:00,021 --> 01:13:01,588

How dare you call me that?

1097

01:13:01,590 --> 01:13:03,690

I'm Lickspittle,
the nobleman...

1098

01:13:03,692 --> 01:13:05,494
and I serve the queen.

1099

01:13:06,327 --> 01:13:08,463
She took your wings.

1100

01:13:11,900 --> 01:13:14,000
We have to release them.

1101

01:13:14,002 --> 01:13:15,802
They belong on the Moors.

1102

01:13:15,804 --> 01:13:16,870
QUEEN INGRITH:
As you do, Aurora.

1103

01:13:16,872 --> 01:13:18,905
(BOTH GASP)

1104

01:13:18,907 --> 01:13:22,444

A human who has betrayed
her kind.

1105

01:13:24,079 --> 01:13:25,279

(GRUNTS)

1106

01:13:27,916 --> 01:13:29,015

(DOOR CLOSES)

1107

01:13:29,017 --> 01:13:30,984

You put the curse
on the king.

1108

01:13:30,986 --> 01:13:33,052

Oh, dear.

1109

01:13:33,054 --> 01:13:35,655

You may be queen...

1110

01:13:35,657 --> 01:13:37,457

but you are very young.

1111

01:13:37,459 --> 01:13:40,560

Ruling humans is a bit
more complicated...

1112

01:13:40,562 --> 01:13:44,432

than running around barefoot
with flowers in your hair.

1113

01:13:47,135 --> 01:13:49,336

When I was young...

1114

01:13:50,772 --> 01:13:53,573

my family's kingdom
bordered the Moors.

1115

01:13:53,575 --> 01:13:57,911

And one particularly
harsh winter...

1116

01:13:57,913 --> 01:13:59,746

our crops died...

1117

01:13:59,748 --> 01:14:03,483

and the people
began to suffer.

1118

01:14:03,485 --> 01:14:06,085

And as we looked
over our walls...

1119

01:14:06,087 --> 01:14:10,456

we could see
the fairies thriving.

1120

01:14:10,458 --> 01:14:13,393

My brother and I believed we
should take what we needed...

1121

01:14:13,395 --> 01:14:18,500

while my father, the king,
sought their kindness.

1122

01:14:19,434 --> 01:14:21,467

Choosing peace
over our people,

1123

01:14:21,469 --> 01:14:23,803

he sent my brother
to do his bidding.

1124

01:14:23,805 --> 01:14:25,907

He never came back.

1125

01:14:27,509 --> 01:14:29,008

Those savages...

1126

01:14:29,010 --> 01:14:30,643

creatures who could
barely grunt,

1127

01:14:30,645 --> 01:14:33,014

let alone engage in talks,
killed him.

1128

01:14:33,849 --> 01:14:35,415

I don't believe that.

1129

01:14:35,417 --> 01:14:36,783

Our people became fearful.

1130

01:14:36,785 --> 01:14:39,619

They overthrew my father.

1131

01:14:39,621 --> 01:14:43,489

The land fell into chaos.

I was cast out.

1132

01:14:43,491 --> 01:14:48,428

Forced by fate into marriage
with King John of Ulstead.

1133

01:14:48,430 --> 01:14:50,163

Another weak king

1134

01:14:50,165 --> 01:14:52,899

speaking of
tolerance and civility.

1135

01:14:52,901 --> 01:14:55,501

And now, my own son...

1136

01:14:55,503 --> 01:14:59,505

corrupted with visions
of harmony.

1137

01:14:59,507 --> 01:15:01,877

But peace
will not be our downfall.

1138

01:15:04,679 --> 01:15:06,114

(GASPS AND MUTTERS)

1139

01:15:06,948 --> 01:15:08,783

Now lock her up.

1140

01:15:09,885 --> 01:15:11,887

A war is coming.

1141

01:15:13,855 --> 01:15:15,822

(GRUNTING)

1142

01:15:15,824 --> 01:15:16,825

(OBJECTS CLATTERING)

1143

01:15:17,726 --> 01:15:19,694

No! No!

1144

01:15:24,766 --> 01:15:26,635

(BELL TOLLING IN DISTANCE)

1145

01:15:28,036 --> 01:15:30,572

I wish you could be here

with me.

1146

01:15:35,810 --> 01:15:37,679

(INDISTINCT WHISPERING)

1147

01:15:39,648 --> 01:15:41,149

Conall wanted peace...

1148

01:15:43,518 --> 01:15:46,121

<i>and they filled him with iron.</i>

1149

01:15:47,689 --> 01:15:50,025

Now, we will have our war.

1150

01:15:52,093 --> 01:15:55,261

Our fight begins now!

1151

01:15:55,263 --> 01:15:58,064

- (ALL GRUNT IN AGREEMENT)

- We will rise together!

1152

01:15:58,066 --> 01:16:00,633

- (ALL GRUNT IN AGREEMENT)

- We fight together.

1153

01:16:00,635 --> 01:16:05,004

And we will show them

no mercy!

1154

01:16:05,006 --> 01:16:06,875

(ALL GRUNTING)

1155

01:16:21,923 --> 01:16:24,059

DARK FEY WARRIOR: Come on! Go!

1156

01:16:28,530 --> 01:16:31,531

- Go! Go!

- (GRUNTING)

1157

01:16:31,533 --> 01:16:34,035

Go! Go! Go!

1158

01:16:41,743 --> 01:16:43,611

(ALL CHITTERING EXCITEDLY)

1159

01:16:47,916 --> 01:16:49,882

THISTLEWIT:

Where are all Philip's guests?

1160

01:16:49,884 --> 01:16:52,053

- Humans are poor timekeepers.

- Mmm.

1161

01:17:18,780 --> 01:17:21,016

Start the music.

1162

01:17:23,284 --> 01:17:25,286

(ORGAN PLAYING)

1163

01:17:27,222 --> 01:17:28,757

(CREATURES CHITTERING)

1164

01:17:30,025 --> 01:17:31,793

- (ORGAN PLAYING IN DISTANCE)

- (GASPS)

1165

01:17:36,698 --> 01:17:37,699

(GASPS)

1166

01:17:38,733 --> 01:17:40,600

- (PANTING)

- GUARD: Come on! Come on!

1167

01:17:40,602 --> 01:17:41,734

(GUARDS SHOUTING INDISTINCTLY)

1168

01:17:41,736 --> 01:17:43,369

(GUARDS GRUNTING)

1169

01:17:43,371 --> 01:17:44,973

(BREATHING HEAVILY)

1170

01:17:47,976 --> 01:17:49,310

(ORGAN CONTINUES PLAYING)

1171

01:17:51,380 --> 01:17:52,680

(HISSING)

1172

01:17:54,783 --> 01:17:56,349

(ALL GASP)

1173

01:17:56,351 --> 01:17:58,119

(ALL CLAMORING)

1174

01:18:00,889 --> 01:18:02,757

(GUARDS SHOUTING)

1175

01:18:11,633 --> 01:18:12,967

(POWDER HISSING)

1176

01:18:20,376 --> 01:18:21,576

(GASPS)

1177

01:18:27,383 --> 01:18:29,250

(PANTING)

1178

01:18:31,853 --> 01:18:33,886

- (BANGING ON DOOR)

- (AURORA SCREAMS)

1179

01:18:33,888 --> 01:18:34,956

(OBJECT SHATTERS)

1180

01:18:44,666 --> 01:18:45,667

GUARD: She's gone.

1181

01:18:47,202 --> 01:18:48,203

Hey!

1182

01:18:53,141 --> 01:18:54,874

(PLAYS NOTE)

1183

01:18:54,876 --> 01:18:56,211

(ALL SCREAMING)

1184

01:18:58,746 --> 01:19:01,116

It's a trap! Get down!

1185

01:19:02,050 --> 01:19:03,385

(ALL WHIMPERING)

1186

01:19:05,086 --> 01:19:07,255

- (CONTINUES PLAYING ORGAN)

- (CREATURES SCREAMING)

1187

01:19:12,026 --> 01:19:13,895

(HORN BLOWS IN DISTANCE)

1188

01:19:19,934 --> 01:19:21,236

Your Majesty...

1189

01:19:22,337 --> 01:19:24,839

they're coming from the sea.

1190

01:19:28,910 --> 01:19:30,912

- (BANGING ON DOOR)

- (GUARD SHOUTING INDISTINCTLY)

1191

01:19:34,450 --> 01:19:35,715

She escaped!

1192

01:19:35,717 --> 01:19:37,185

(PANTING)

1193

01:19:42,190 --> 01:19:44,159

Down this way, come on!

1194

01:19:47,929 --> 01:19:49,030

(BREATHES HEAVILY)

1195

01:19:51,833 --> 01:19:53,299

Your Highness.

1196

01:19:53,301 --> 01:19:54,836

Upon my command.

1197

01:20:00,108 --> 01:20:01,976

(PANTING)

1198

01:20:04,112 --> 01:20:05,745

(GUARDS SHOUTING IN DISTANCE)

1199

01:20:05,747 --> 01:20:07,046

GUARD 1: Check every room!

1200

01:20:07,048 --> 01:20:09,115

(GUARD 2

SPEAKING INDISTINCTLY)

1201

01:20:09,117 --> 01:20:10,118

GUARD 3: She can't be far!

1202

01:20:21,530 --> 01:20:24,132

(EXHALES DEEPLY)

1203

01:20:26,402 --> 01:20:27,670

(HORSE WHINNIES)

1204

01:20:29,904 --> 01:20:31,206

(GASPS)

1205

01:20:32,874 --> 01:20:34,742

(PANTING)

1206

01:20:37,946 --> 01:20:39,080

(SHRIEKS)

1207

01:20:40,982 --> 01:20:42,384

(BREATHING HEAVILY)

1208

01:20:43,084 --> 01:20:44,085

QUEEN INGRITH: Wait.

1209

01:20:45,454 --> 01:20:46,788

Wait.

1210

01:20:48,557 --> 01:20:50,091

(SOLDIERS MURMURING)

1211

01:20:58,434 --> 01:20:59,435

(SCREAMS)

1212

01:21:04,473 --> 01:21:06,341

(SCREAMING)

1213

01:21:08,477 --> 01:21:09,511

(GASPING)

1214

01:21:10,311 --> 01:21:12,113

What's going on?

1215

01:21:16,351 --> 01:21:17,850

Now.

1216

01:21:17,852 --> 01:21:18,951

PERCIVAL: (SHOUTS) Fire!

1217

01:21:18,953 --> 01:21:20,422

(SOLDIERS SHOUTING)

1218

01:21:28,129 --> 01:21:29,529

- DARK FEY WARRIOR: No!

- (DARK FEY WARRIORS SCREAMING)

1219

01:21:29,531 --> 01:21:30,532

(DISTANT EXPLOSIONS)

1220

01:21:33,067 --> 01:21:34,068

(SOLDIERS SHOUTING)

1221

01:21:35,937 --> 01:21:37,439

(GROANING)

1222

01:21:38,373 --> 01:21:40,041

(YELLS)

1223

01:21:42,010 --> 01:21:43,344

(SOLDIERS SHOUTING)

1224

01:21:43,878 --> 01:21:45,278

(SCREAMS)

1225

01:21:45,280 --> 01:21:47,849

- (PANTING)

- (EXPLOSIONS CONTINUE)

1226

01:21:56,257 --> 01:21:58,326

They look just like her.

1227

01:21:59,861 --> 01:22:01,563

(DARK FEY WARRIORS GROANING)

1228

01:22:02,330 --> 01:22:04,063

Withdraw!

1229

01:22:04,065 --> 01:22:06,100

Withdraw!

1230

01:22:07,068 --> 01:22:08,968

SHRIKE: Pull back!

1231

01:22:08,970 --> 01:22:10,404

Maleficent's

starting a war.

1232

01:22:10,406 --> 01:22:12,872

First my father,

and now this.

1233

01:22:12,874 --> 01:22:15,141

Philip!

She didn't curse him.

1234

01:22:15,143 --> 01:22:17,243

- Maleficent.

- What?

1235

01:22:17,245 --> 01:22:19,013

She never cursed him.

1236

01:22:20,114 --> 01:22:21,947

It was your mother.

1237

01:22:21,949 --> 01:22:23,249

What are you saying?

1238

01:22:23,251 --> 01:22:24,420

It was the spindle.

1239

01:22:29,625 --> 01:22:31,558

The curse is still in it.

1240

01:22:31,560 --> 01:22:34,262

Your mother used it
against your father.

1241

01:22:36,064 --> 01:22:37,399

Look.

1242

01:22:39,901 --> 01:22:41,601

It's the same.

1243

01:22:41,603 --> 01:22:44,370

She's locked the Moor folk
in the chapel.

1244

01:22:44,372 --> 01:22:45,672

This isn't a wedding.

1245

01:22:45,674 --> 01:22:47,875

It's a trap.

1246

01:22:49,411 --> 01:22:51,279

(INDISTINCT WHISPERING)

1247

01:22:52,448 --> 01:22:54,982

Remember where
you came from.

1248

01:22:55,651 --> 01:22:57,952

Remember who you are.

1249

01:23:01,155 --> 01:23:03,091

I've made my choice.

1250

01:23:04,192 --> 01:23:06,194

You'll have to make yours.

1251

01:23:16,705 --> 01:23:17,970

(CONALL GASPING)

1252

01:23:17,972 --> 01:23:19,307

(EXHALES DEEPLY)

1253

01:23:34,423 --> 01:23:36,057

Stay low!

1254

01:23:38,292 --> 01:23:39,395

Divide!

1255

01:23:41,630 --> 01:23:43,231

Follow me!

1256

01:23:44,666 --> 01:23:46,234

(SOLDIERS SHOUTING)

1257

01:23:52,206 --> 01:23:53,241

Attack!

1258

01:23:54,543 --> 01:23:56,208

Attack!

1259

01:23:56,210 --> 01:23:58,212

(DARK FEY WARRIORS SHOUTING)

1260

01:24:07,188 --> 01:24:08,990

- Ignite!

- PERCIVAL: (SHOUTS) Ignite!

1261

01:24:09,525 --> 01:24:11,223

(YELLING)

1262

01:24:11,225 --> 01:24:13,060

(DARK FEY WARRIORS YELLING)

1263

01:24:19,066 --> 01:24:20,268

- (GROANS)

- (SCREAMS) No!

1264

01:24:23,070 --> 01:24:24,105

(GRUNTS)

1265

01:24:25,072 --> 01:24:26,238

(GROWLS)

1266

01:24:26,240 --> 01:24:27,576

(SOLDIER SCREAMING)

1267

01:24:31,179 --> 01:24:32,180

(YELLING)

1268

01:24:33,449 --> 01:24:34,982

(GROANS)

1269

01:24:40,656 --> 01:24:42,424

(ALL CLAMORING)

1270

01:24:48,196 --> 01:24:50,331

- (GRUNTS)

- (PEOPLE SCREAMING)

1271

01:24:53,602 --> 01:24:56,436

(GRUNTING, YELLING)

1272

01:24:56,438 --> 01:24:57,972

(AURORA PANTING)

1273

01:25:03,412 --> 01:25:04,678

(CREATURES SCREAMING)

1274

01:25:04,680 --> 01:25:06,080

AURORA: Aunties! Aunties!

1275

01:25:09,217 --> 01:25:10,519

It's too heavy!

1276

01:25:11,787 --> 01:25:13,285

Aurora!

1277

01:25:13,287 --> 01:25:14,456

Diaval! You're here.

1278

01:25:17,693 --> 01:25:19,461

FLITTLE: Oh, what's happening?

1279

01:25:20,361 --> 01:25:21,697

(CONTINUES PLAYING ORGAN)

1280

01:25:28,069 --> 01:25:29,571

(FAIRIES WHIMPERING)

1281

01:25:35,577 --> 01:25:36,745

(ALL GASP)

1282

01:25:39,815 --> 01:25:41,282

Weapon change!

1283

01:25:43,251 --> 01:25:44,386

Weapon change! Go!

1284

01:25:50,392 --> 01:25:51,658

(DARK FEY WARRIOR SCREAMS)

1285

01:25:51,660 --> 01:25:52,694

(GRUNTS)

1286

01:25:59,200 --> 01:26:01,202

(TOWNSPEOPLE SCREAMING)

1287

01:26:02,838 --> 01:26:04,138

(CHILDREN SCREAMING)

1288

01:26:05,807 --> 01:26:07,743

(GRUNTING)

1289

01:26:18,887 --> 01:26:20,087

(SOLDIERS GRUNTING)

1290

01:26:24,693 --> 01:26:25,694

Mother!

1291

01:26:26,628 --> 01:26:28,260

You have to stop this.

1292

01:26:28,262 --> 01:26:29,763

We are at war.

1293

01:26:29,765 --> 01:26:31,798

This isn't a war.

It's a massacre.

1294

01:26:31,800 --> 01:26:33,533

Philip,

you don't understand.

1295

01:26:33,535 --> 01:26:36,403

These creatures stand
between us...

1296

01:26:36,405 --> 01:26:39,204
and everything
we need to survive.

1297

01:26:39,206 --> 01:26:40,540
PHILIP: You're wrong.

1298

01:26:40,542 --> 01:26:42,174
We can stand together.

1299

01:26:42,176 --> 01:26:44,878
Well, you're a fool
to believe that.

1300

01:26:44,880 --> 01:26:48,316
You don't know what it takes
to fight for our kind.

1301

01:26:49,216 --> 01:26:50,485
You lied to me.

1302

01:26:51,520 --> 01:26:53,620

I am protecting the kingdom...

1303

01:26:53,622 --> 01:26:56,355

and your throne.

1304

01:26:56,357 --> 01:26:57,526

What about Father?

1305

01:26:59,226 --> 01:27:02,263

Were you protecting him, too?

1306

01:27:04,533 --> 01:27:06,868

The prince

is not feeling well.

1307

01:27:08,169 --> 01:27:09,905

See him to his chambers.

1308

01:27:13,775 --> 01:27:14,776

Now.

1309

01:27:19,381 --> 01:27:20,549

Sire, stop!

1310

01:27:21,215 --> 01:27:22,651

(PHILIP GRUNTS)

1311

01:27:26,521 --> 01:27:27,556

(PANTS)

1312

01:27:28,557 --> 01:27:29,658

(GRUNTS)

1313

01:27:37,499 --> 01:27:38,634

(GRUNTS)

1314

01:27:46,408 --> 01:27:47,474

(GROWLS)

1315

01:27:47,476 --> 01:27:49,876

Yield! Yield!

1316

01:27:49,878 --> 01:27:50,944

My mother cursed the king

1317

01:27:50,946 --> 01:27:52,244

so she could destroy

the Moor folk.

1318

01:27:52,246 --> 01:27:54,381

Your men are paying

heavily for it.

1319

01:27:54,383 --> 01:27:55,817

(YELLING)

1320

01:28:01,222 --> 01:28:03,723

We have to do something!

1321

01:28:03,725 --> 01:28:05,527

(FAIRIES CHITTERING)

1322

01:28:07,228 --> 01:28:08,628

Goodbye, girls.

1323

01:28:08,630 --> 01:28:09,829

(GRUNTING)

1324

01:28:09,831 --> 01:28:11,931

THISTLEWIT: No, come back!

1325

01:28:11,933 --> 01:28:13,735

Flittle! No!

1326

01:28:17,472 --> 01:28:18,807

(CONTINUES PLAYING ORGAN)

1327

01:28:21,410 --> 01:28:22,577

(ORGAN STOPS PLAYING)

1328

01:28:25,346 --> 01:28:26,413

(FAILED NOTES)

1329

01:28:26,415 --> 01:28:27,781

BOTH: (SCREAMING) No!

1330

01:28:27,783 --> 01:28:29,651

Hey, you,

stay with your own!

1331

01:28:30,351 --> 01:28:31,918

Run, Aurora, run!

1332

01:28:31,920 --> 01:28:33,720

Let him go!

1333

01:28:33,722 --> 01:28:35,455

(FAIRIES SCREAMING)

1334

01:28:35,457 --> 01:28:37,324

(ALL GRUNTING)

1335

01:28:38,359 --> 01:28:40,429

No! No!

1336

01:28:43,632 --> 01:28:44,966

(RUMBLES)

1337

01:28:46,702 --> 01:28:48,804

(GRUNTING)

1338

01:28:55,477 --> 01:28:57,410

(ROARING)

1339

01:28:57,412 --> 01:28:58,980

(GUARDS GRUNTING)

1340

01:29:03,518 --> 01:29:04,653

(ROARS)

1341

01:29:07,556 --> 01:29:09,422

Godmother.

1342

01:29:09,424 --> 01:29:11,292

(RUMBLING)

1343

01:29:17,833 --> 01:29:19,366

(GROANING)

1344

01:29:20,802 --> 01:29:22,571

(ALL GROANING)

1345

01:29:39,320 --> 01:29:40,522

(BREATHING HEAVILY)

1346

01:29:55,403 --> 01:29:56,938

(SOLDIERS SCREAMING)

1347

01:30:03,111 --> 01:30:04,479

(GRUNTING)

1348

01:30:07,616 --> 01:30:09,449

THISTLEWIT: For Flittle!

1349

01:30:09,451 --> 01:30:10,852

(FAIRIES GRUNTING)

1350

01:30:14,055 --> 01:30:16,424

(SCREAMING)

1351

01:30:17,826 --> 01:30:20,361

- SOLDIER: We've got her!

- (GRUNTING)

1352

01:30:21,663 --> 01:30:23,398

(SOLDIERS CLAMORING)

1353

01:30:29,404 --> 01:30:30,806

(GRUNTING)

1354

01:30:34,943 --> 01:30:35,944

Huh?

1355

01:30:36,711 --> 01:30:38,046

(GRUNTING)

1356

01:30:43,518 --> 01:30:44,619

(GRUNTING)

1357

01:30:47,389 --> 01:30:49,323

(BOTH WHIMPERING)

1358

01:31:01,903 --> 01:31:03,538

(CREATURES CLAMORING)

1359

01:31:07,008 --> 01:31:08,908

Go! Go!

1360

01:31:08,910 --> 01:31:11,644

This way! This way!

1361

01:31:11,646 --> 01:31:12,647

Go!

1362

01:31:17,419 --> 01:31:19,421

(ALL CLAMORING)

1363

01:31:21,957 --> 01:31:23,425

(GROANS)

1364

01:31:28,864 --> 01:31:30,031

(GROANS)

1365

01:31:39,674 --> 01:31:41,409

(GRUNTING)

1366

01:31:55,857 --> 01:31:57,158

Stand down!

1367

01:31:58,994 --> 01:32:01,160

This is not my fight.

1368

01:32:01,162 --> 01:32:03,798

My mother wanted a war,
and you're giving it to her.

1369

01:32:05,634 --> 01:32:08,536

I won't allow her hatred
to ruin my kingdom or yours.

1370

01:32:08,870 --> 01:32:10,171

(GRUNTS)

1371

01:32:16,077 --> 01:32:17,612

(BREATHES DEEPLY)

1372

01:32:22,584 --> 01:32:23,919

(GRUNTS)

1373

01:32:26,855 --> 01:32:28,690

There will be no Fey blood
on my hands.

1374

01:32:33,495 --> 01:32:34,763

(GASPS SOFTLY)

1375

01:32:43,204 --> 01:32:44,472

(EXHALES DEEPLY)

1376

01:32:47,809 --> 01:32:49,210

(YELLS)

1377

01:32:50,645 --> 01:32:52,679

This way!

This way!

1378

01:32:52,681 --> 01:32:54,580

(CREATURES CHITTERING)

1379

01:32:54,582 --> 01:32:56,651

Maleficent's back!

1380

01:33:01,189 --> 01:33:03,758

She's going for the queen.

1381

01:33:09,564 --> 01:33:11,564

Yield! Yield!

1382

01:33:11,566 --> 01:33:12,699

Stand down!

1383

01:33:12,701 --> 01:33:13,969

Lower your weapons!

1384

01:33:26,214 --> 01:33:29,050

There's the evil
that I promised them.

1385

01:33:32,721 --> 01:33:35,223

Your kind is more predictable
than humans.

1386

01:33:39,661 --> 01:33:40,762

(GRUNTS)

1387

01:33:41,863 --> 01:33:42,864

AURORA: Stop!

1388

01:33:43,765 --> 01:33:44,831

Stop!

1389

01:33:44,833 --> 01:33:46,935

Well, almost.

1390

01:33:47,202 --> 01:33:48,568

Stop.

1391

01:33:48,570 --> 01:33:51,838

I'm sorry I doubted you,

but this isn't you.

1392

01:33:51,840 --> 01:33:53,806

- (SNARLS)

- There's another way.

1393

01:33:53,808 --> 01:33:54,976

I know who you are.

1394

01:33:57,612 --> 01:33:59,881

I know you.

1395

01:34:00,315 --> 01:34:01,981

You do not.

1396

01:34:01,983 --> 01:34:03,151

(SOBS)

1397

01:34:04,252 --> 01:34:06,621

Yes, I do.

1398

01:34:07,088 --> 01:34:08,957

You're my mother.

1399

01:34:22,737 --> 01:34:23,938

(GASPING)

1400

01:34:27,876 --> 01:34:29,677

(SOBBING)

1401

01:34:36,918 --> 01:34:38,787

(CONTINUES SOBBING)

1402

01:34:44,059 --> 01:34:45,293

(SCREAMING) No!

1403

01:34:48,029 --> 01:34:50,031

(SOBBING)

1404

01:35:01,109 --> 01:35:03,711

Do you know what makes a great
leader, Aurora?

1405

01:35:04,946 --> 01:35:08,147

The ability to instill fear
in your subjects...

1406

01:35:08,149 --> 01:35:09,416

and then use that fear...

1407

01:35:09,418 --> 01:35:10,618

SOLDIER: Your Majesty.

1408

01:35:12,087 --> 01:35:14,320

...against your enemies.

1409

01:35:14,322 --> 01:35:17,090

(BREATHES DEEPLY) So...

1410

01:35:17,092 --> 01:35:20,693

I spread the story

of the evil witch...

1411

01:35:20,695 --> 01:35:24,197

and the princess she cursed.

1412

01:35:24,199 --> 01:35:28,002

It didn't matter

who woke Sleeping Beauty.

1413

01:35:28,903 --> 01:35:31,003

They were all terrified.

1414

01:35:31,005 --> 01:35:34,109

And the story became legend.

1415

01:35:35,276 --> 01:35:36,376

(YELLING)

1416

01:35:36,378 --> 01:35:39,078

I know you think

I'm a monster.

1417

01:35:39,080 --> 01:35:44,052

But what I did to the king,

to Maleficent, to my son...

1418

01:35:44,886 --> 01:35:47,987

I did for Ulstead.

1419

01:35:47,989 --> 01:35:50,756

You are a traitor

to your kind,

1420

01:35:50,758 --> 01:35:52,360

and you will pay for it.

1421

01:35:53,395 --> 01:35:55,697

Maleficent is dead!

1422

01:35:58,700 --> 01:36:01,868

We will never again

live in fear!

1423

01:36:01,870 --> 01:36:03,271

- SOLDIER: Get back here!

- (AURORA SCREAMING)

1424

01:36:07,175 --> 01:36:09,443

Ulstead is free at last!

1425

01:36:09,445 --> 01:36:12,280

AURORA: (GRUNTING) Let me go!

1426

01:36:13,915 --> 01:36:15,783

(DRAMATIC MUSIC PLAYING)

1427

01:36:20,955 --> 01:36:22,056

What's happening?

1428

01:36:48,917 --> 01:36:51,085

(ROARING)

1429

01:36:55,323 --> 01:36:56,858

(GASPS)

1430

01:37:02,531 --> 01:37:04,400

(TOWNSPEOPLE CLAMORING)

1431

01:37:13,141 --> 01:37:14,476

(ROARS)

1432

01:37:36,831 --> 01:37:39,000

(BREATHES DEEPLY)

1433

01:37:41,135 --> 01:37:43,238

(GASPING)

1434

01:37:47,409 --> 01:37:49,277

- (GRUNTS)

- (AURORA SCREAMING)

1435

01:37:49,844 --> 01:37:50,845

(SHRIEKS)

1436

01:37:52,947 --> 01:37:54,949

(SCREAMING)

1437

01:37:58,920 --> 01:38:00,219

(MALEFICENT SCREECHING)

1438

01:38:00,221 --> 01:38:01,756

(CONTINUES SCREAMING)

1439

01:38:23,144 --> 01:38:24,312

(GASPING)

1440

01:38:30,118 --> 01:38:31,986

(BREATHING HEAVILY)

1441

01:38:36,625 --> 01:38:38,326

- (GASPS)

- (GROWLS)

1442

01:38:43,197 --> 01:38:44,864

(GRUNTS)

1443

01:38:44,866 --> 01:38:46,200

(INDISTINCT CHATTER)

1444

01:38:57,111 --> 01:38:58,514

(GRUNTING)

1445

01:39:07,255 --> 01:39:09,257

(ROARS)

1446

01:39:47,629 --> 01:39:49,498

Well, well.

1447

01:39:50,466 --> 01:39:52,601

Hello, Beasty.

1448

01:39:57,004 --> 01:39:58,938

(BREATHES DEEPLY)

1449

01:39:58,940 --> 01:40:00,108

(SNIFFLES)

1450

01:40:07,281 --> 01:40:09,283

(PANTING)

1451

01:40:11,319 --> 01:40:12,353
