

Dialogues from Marlowe to improve the vocabulary in English

1

00:00:42,252 --> 00:00:44,754

[instrumental music]

2

00:01:10,613 --> 00:01:12,532

[sighs]

3

00:01:14,242 --> 00:01:15,534

Man on TV: War

continues in Europe.

4

00:01:15,535 --> 00:01:16,952

Hitler has suggested

that any questions

5

00:01:16,953 --> 00:01:19,413

over the future of Poland

will be settled entirely

6

00:01:19,414 --> 00:01:21,373

between Germany and Russia.

7

00:01:21,374 --> 00:01:22,791

He also stated that he regards

8

00:01:22,792 --> 00:01:25,210

the Czechoslovak

Question as closed.

9

00:01:25,211 --> 00:01:26,545

Speaking at Washington,

10

00:01:26,546 --> 00:01:28,839

President Roosevelt

made no comment as to...

11

00:01:28,840 --> 00:01:31,384

[upbeat music]

12

00:01:59,245 --> 00:02:01,790

[music continues]

13

00:02:30,777 --> 00:02:32,695

[music continues]

14

00:02:34,364 --> 00:02:36,366

Clare: The name's Cavendish.

15

00:02:40,203 --> 00:02:42,205

A Miss Cavendish.

16

00:02:45,750 --> 00:02:48,711

Perhaps it's a first
name, Cavendish?

17

00:02:52,257 --> 00:02:54,883

Um, cigarette?

18

00:02:54,884 --> 00:02:56,844

The cigarettes you
keep for your clients,

19

00:02:56,845 --> 00:02:59,012

are they better or worse

than what you smoke?

20

00:02:59,013 --> 00:03:00,682

They're the same.

21

00:03:02,725 --> 00:03:05,478

Perhaps it is a first
name, Cavendish.

22

00:03:06,604 --> 00:03:09,565

It's... a good first name.

23

00:03:09,566 --> 00:03:10,817

Mm.

24

00:03:14,946 --> 00:03:17,072

Please.

25

00:03:17,073 --> 00:03:21,744

How private exactly are your
investigations, Mr. Marlowe?

26

00:03:22,912 --> 00:03:26,457

What can I do for
you, Mrs. Cavendish?

27

00:03:26,458 --> 00:03:28,751

Mm, you are a detective.

28

00:03:29,919 --> 00:03:32,296

I'd like you to
find someone for me.

29

00:03:32,297 --> 00:03:33,380

Mm-hmm.

30

00:03:33,381 --> 00:03:34,923

Nico Peterson.

31

00:03:34,924 --> 00:03:39,761

He was my lover, he disappeared
without saying goodbye.

32

00:03:39,762 --> 00:03:43,098

When you say disappeared,

do you mean out of your life

33

00:03:43,099 --> 00:03:45,267

or out of the world?

34

00:03:45,268 --> 00:03:47,853

I don't know,

that's why I'm here.

35

00:03:47,854 --> 00:03:50,439

Where was your husband,

Mrs. Cavendish,

36

00:03:50,440 --> 00:03:53,942

when your lover Nico

Peterson disappeared?

37

00:03:53,943 --> 00:03:55,945

[sighs] In retrospect...

38

00:03:57,739 --> 00:04:00,824

do call me Cavendish

without the Missus.

39

00:04:00,825 --> 00:04:02,451

I like it.

40

00:04:02,452 --> 00:04:04,411

Was your lover the sort
of man to disappear

41

00:04:04,412 --> 00:04:06,288

with you as a lover?

42

00:04:06,289 --> 00:04:08,749

Normally, they don't
disappear easily.

43

00:04:08,750 --> 00:04:11,460

Marlowe: No, I bet they don't.

44

00:04:11,461 --> 00:04:12,920

They stay around,

45

00:04:12,921 --> 00:04:16,423

climb trellises,
scenes in restaurants,

46

00:04:16,424 --> 00:04:19,259

lie down in the road,
promise you anything.

47

00:04:19,260 --> 00:04:20,802

Oh, I know how it goes.

48

00:04:20,803 --> 00:04:23,556

Do you lie down in
the road, Mr. Marlowe?

49

00:04:26,017 --> 00:04:27,936

- Drink?

- Please.

50

00:04:31,606 --> 00:04:35,025

Well, he's tall, like you.

51

00:04:35,026 --> 00:04:36,569

Bit of a weaker man.

52

00:04:37,487 --> 00:04:40,573

He dresses nice, meticulously.

53

00:04:41,783 --> 00:04:43,951

What does that say about a man?

54

00:04:43,952 --> 00:04:46,662

Does Mr. Peterson get
money from his profession

55

00:04:46,663 --> 00:04:50,082

or does he just
profess his profession?

56

00:04:50,083 --> 00:04:52,501

You seem to assume
that I was involved

57

00:04:52,502 --> 00:04:55,379

with someone unsuitable.

58

00:04:55,380 --> 00:04:58,591

Yes, unless you were
unsuitable for him.

59

00:05:00,677 --> 00:05:02,844

Go to hell, you
pathetic little...

60

00:05:02,845 --> 00:05:05,347

Marlowe: Would it be accurate
to say that Mr. Peterson

61

00:05:05,348 --> 00:05:08,684

would be a marginal
person in motion pictures?

62

00:05:08,685 --> 00:05:10,561

- Apologies, sir.

- Yes. Alright.

63

00:05:10,562 --> 00:05:12,020

Clare: It would be accurate,

64

00:05:12,021 --> 00:05:13,981

it would be very
accurate indeed.

65

00:05:13,982 --> 00:05:15,692

Man 1: Go to hell,
you pathetic...

66

00:05:19,696 --> 00:05:21,572

Clare: We would meet
at the Corbata Club.

67

00:05:21,573 --> 00:05:23,115

Do you know it?

68

00:05:23,116 --> 00:05:26,410

Marlowe: How did Mr. Peterson
know the Corbata Club?

69

00:05:26,411 --> 00:05:27,869

Was he your guest

70

00:05:27,870 --> 00:05:31,498

or the kind of guy who
was anybody's guest?

71

00:05:31,499 --> 00:05:33,960

My husband and I
have an arrangement.

72

00:05:35,670 --> 00:05:39,506

May I ask, is your
husband homosexual?

73

00:05:39,507 --> 00:05:41,842

[chuckles]

74

00:05:41,843 --> 00:05:45,762

No. He isn't remotely
that interesting.

75

00:05:45,763 --> 00:05:48,890

He likes polo,
alcohol, waitresses

76

00:05:48,891 --> 00:05:50,058

and my money.

77

00:05:50,059 --> 00:05:52,686

Marlowe: Your money,

Mrs. Cavendish?

78

00:05:52,687 --> 00:05:54,396

I beg your pardon, Mr. Marlowe.

79

00:05:54,397 --> 00:05:56,482

I'm asking if the

money is yours.

80

00:05:57,567 --> 00:06:01,028

My father was in oil, he's dead.

81

00:06:01,029 --> 00:06:04,531

You'd know my mother, but

we won't discuss her now.

82

00:06:04,532 --> 00:06:08,744

Did you conduct your affair

with Mr. Peterson at the club?

83

00:06:08,745 --> 00:06:11,414

We weren't meeting in the
horse sheds, Mr. Marlowe.

84

00:06:12,749 --> 00:06:14,792

Marlowe: What did
he not show up for?

85

00:06:16,377 --> 00:06:18,003

An assignation.

86

00:06:18,004 --> 00:06:20,548

[instrumental music]

87

00:06:24,761 --> 00:06:27,888

Clare: I telephoned him
a few times, no answer,

88

00:06:27,889 --> 00:06:30,474

and then I went to his
house the following week.

89

00:06:30,475 --> 00:06:31,600

[door rattling]

90

00:06:31,601 --> 00:06:33,143

The milk hadn't been canceled

91

00:06:33,144 --> 00:06:35,937

and the newspapers were
piled up on his porch.

92

00:06:35,938 --> 00:06:37,856

[knock on door]

93

00:06:37,857 --> 00:06:40,567

Marlowe: Did he
have things to hide?

94

00:06:40,568 --> 00:06:42,444

Clare: Haven't we all?

95

00:06:42,445 --> 00:06:46,239

Marlowe: What do you think

has become of Mr. Peterson?

96

00:06:46,240 --> 00:06:48,742

Clare: Told you, I want
a set of fresh eyes

97

00:06:48,743 --> 00:06:52,079

and yours come
highly recommended.

98

00:06:52,080 --> 00:06:54,957

Maybe you'll find
out what I can't.

99

00:07:04,926 --> 00:07:08,971

My name's really
Clare, like the county.

100

00:07:11,349 --> 00:07:12,641

You know the county?

101

00:07:12,642 --> 00:07:15,686

Yeah, in Ireland.

I know it well.

102

00:07:15,687 --> 00:07:20,607

My mother was in
pictures, you'd know her.

103

00:07:20,608 --> 00:07:23,736

It's rather embarrassing
with the upper class.

104

00:07:25,988 --> 00:07:29,200

You're very perceptive and
sensitive, Mr. Marlowe.

105

00:07:33,996 --> 00:07:36,081

I imagine it gives you trouble.

106

00:07:36,082 --> 00:07:38,501

[instrumental music]

107

00:07:57,395 --> 00:07:59,272

[doorknob rattling]

108

00:08:15,371 --> 00:08:18,039

He ain't home, bo.

109

00:08:18,040 --> 00:08:22,210

What? He owe you dough or
make time with your wife?

110

00:08:22,211 --> 00:08:23,545

That's the way it is, huh?

111

00:08:23,546 --> 00:08:27,215

Yeah, I'd say so,
and good for him.

112

00:08:27,216 --> 00:08:31,846

He's not a bad guy, if you don't
trust people anyway. I don't.

113

00:08:33,389 --> 00:08:36,516

I think he's from Cleveland.

114

00:08:36,517 --> 00:08:38,393

That's my place
across the street,

115

00:08:38,394 --> 00:08:40,520

he used to come over sometimes,

116

00:08:40,521 --> 00:08:42,439

pass the time of day.

117

00:08:42,440 --> 00:08:44,566

Give me a smoke.

118

00:08:44,567 --> 00:08:47,235

How, uh, how long

has he been gone?

119

00:08:47,236 --> 00:08:50,323

Oh, I guess I last seen

him seven weeks ago.

120

00:08:51,574 --> 00:08:53,784

You, uh, you see him leave?

121

00:08:53,785 --> 00:08:56,788

No, I just noticed he was gone.

122

00:08:57,914 --> 00:09:00,415

How did you know?

123

00:09:00,416 --> 00:09:03,084

Well, he wasn't there anymore.

124

00:09:03,085 --> 00:09:05,837

That means there weren't any
women banging on his front door,

125

00:09:05,838 --> 00:09:08,590

or throwing a shoe at the house.

126

00:09:08,591 --> 00:09:12,803

I mean, I did pretty good
in my day, but not like him.

127

00:09:12,804 --> 00:09:14,930

Are you a cop?

128

00:09:14,931 --> 00:09:16,348

Sort of.

129

00:09:16,349 --> 00:09:19,100

A private dick ain't no cop.

130

00:09:19,101 --> 00:09:22,938

Yeah, you're not the first one
to come around asking about him.

131

00:09:22,939 --> 00:09:25,607

A pair of wetbacks
showed up last week,

132

00:09:25,608 --> 00:09:29,110

and they was all gussied
up, but a beaner in a suit

133

00:09:29,111 --> 00:09:31,738

and fancy necktie, it's
still a beaner, right?

134

00:09:31,739 --> 00:09:34,199

No, sometimes he's
the King of Spain.

135

00:09:34,200 --> 00:09:36,952

King of Spain don't ride
around in no Lincoln,

136

00:09:36,953 --> 00:09:39,079

with a Mexican re-spray.

137

00:09:39,080 --> 00:09:42,082

Yeah, I used to work in the low
end of the motor trade myself,

138

00:09:42,083 --> 00:09:44,251

it was two beaners in a hot car

139

00:09:44,252 --> 00:09:47,295

that had been across
the border and back.

140

00:09:47,296 --> 00:09:49,131

[engine revving]

141

00:09:53,010 --> 00:09:56,054

Joe: Oh, let's start
at the beginning.

142

00:09:56,055 --> 00:09:58,306

This guy's been looked at, sure.

143

00:09:58,307 --> 00:10:01,101

Gifts, alienations
of affection,

144

00:10:01,102 --> 00:10:04,479

parking tickets, drunk
at a social gathering.

145

00:10:04,480 --> 00:10:08,275

And in the early days,
public solicitation.

146

00:10:08,276 --> 00:10:09,943

Now nobody knew he
ever had a house,

147

00:10:09,944 --> 00:10:12,237

he's down as domicile unknown.

148

00:10:12,238 --> 00:10:13,864

He does have a
house, I was there.

149

00:10:13,865 --> 00:10:15,323

Yeah, well, there's
having a house

150

00:10:15,324 --> 00:10:17,450

and being the person
paying for it, I suppose.

151

00:10:17,451 --> 00:10:18,827

Who was paying for it?

152

00:10:18,828 --> 00:10:20,787

Well, I think you'll

find he was paying cash

153

00:10:20,788 --> 00:10:23,416

from his no visible

means of support.

154

00:10:29,672 --> 00:10:33,092

Hope the lady friend looking

for him looks good in black.

155

00:10:34,302 --> 00:10:36,928

He was killed. October

22nd, hit and run.

156

00:10:36,929 --> 00:10:38,764

Outside the Corbata Club.

157

00:10:39,849 --> 00:10:41,558

You owe me lunch.

158

00:10:41,559 --> 00:10:43,518

Liquid or regular?

159

00:10:43,519 --> 00:10:46,187

[tires screeching]

160

00:10:46,188 --> 00:10:47,355

[tense music]

161

00:10:47,356 --> 00:10:48,899

[engine revving]

162

00:10:48,900 --> 00:10:50,775

"Deceased was struck by
a vehicle, make unknown,

163

00:10:50,776 --> 00:10:52,694

driver unknown, on
Bay Canyon Drive

164

00:10:52,695 --> 00:10:54,112

just outside the Corbata Club.

165

00:10:54,113 --> 00:10:55,864

Deceased has numerous

injuries including

166

00:10:55,865 --> 00:10:58,366

gross comminuted fracture

right side of his skull.

167

00:10:58,367 --> 00:10:59,701

Death be not proud."

168

00:10:59,702 --> 00:11:01,370

[engine revving]

169

00:11:03,372 --> 00:11:05,041

[tires screech]

170

00:11:15,509 --> 00:11:18,304

[suspenseful music]

171

00:11:23,559 --> 00:11:25,478

[dramatic music]

172

00:11:27,229 --> 00:11:29,315

[engine revving]

173

00:11:40,076 --> 00:11:42,410

I guess there's no point
in asking for an invite.

174

00:11:42,411 --> 00:11:44,079

Oh, none at all, sir.

175

00:11:44,080 --> 00:11:45,915

Uh-huh.

176

00:11:57,259 --> 00:11:59,011

Oh, hey!

177

00:12:03,099 --> 00:12:04,432

You looking for a gardening job?

178

00:12:04,433 --> 00:12:06,936

Actually, no, a membership form.

179

00:12:08,145 --> 00:12:10,897

Albert. We've got a
hedge hopper here.

180

00:12:10,898 --> 00:12:12,400

He needs trimming.

181

00:12:13,484 --> 00:12:15,694

A ver.

182

00:12:15,695 --> 00:12:17,113

- Hey, buddy.

- A ver.

183

00:12:18,447 --> 00:12:20,115

[groans]

184

00:12:20,116 --> 00:12:22,952

[suspenseful music]

185

00:12:27,540 --> 00:12:31,626

Maybe there's a reason you're
unpopular with policemen.

186

00:12:31,627 --> 00:12:34,671

Keep getting, I don't know...

187

00:12:34,672 --> 00:12:37,799

punched, locked up,

188

00:12:37,800 --> 00:12:39,843

and almost, but

not quite, charged

189

00:12:39,844 --> 00:12:43,263

with accessory,

obstruction, etcetera.

190

00:12:43,264 --> 00:12:46,307

- And at your age.

- It's my manner, Joe.

191

00:12:46,308 --> 00:12:49,352

Yup, starting to wish you

still had your pension?

192

00:12:49,353 --> 00:12:51,104

Sure you are.

193

00:12:51,105 --> 00:12:54,566

Look, Marlowe, listen...

194

00:12:54,567 --> 00:12:57,278

This guy got killed after
getting sauced in there.

195

00:12:58,863 --> 00:13:00,321

The remains smelled
like a brewery,

196

00:13:00,322 --> 00:13:02,532

and he had marks up
and down his arms,

197

00:13:02,533 --> 00:13:04,200

his head popped like a pumpkin.

198

00:13:04,201 --> 00:13:05,952

The Corbata Club

likes to make it nice,

199

00:13:05,953 --> 00:13:07,370

it does not like trouble.

200

00:13:07,371 --> 00:13:09,414

Hit and run is two

crimes at least.

201

00:13:09,415 --> 00:13:10,999

Don't fuck with me, this is LA.

202

00:13:11,000 --> 00:13:12,333

These guys like Peterson

203

00:13:12,334 --> 00:13:14,002

are a dime a dozen,

they come out here,

204

00:13:14,003 --> 00:13:15,420

they fail a screen test and

they do what they've to do.

205

00:13:15,421 --> 00:13:17,213

Could any member
of the Corbata Club

206

00:13:17,214 --> 00:13:19,174

not know that he was dead?

207

00:13:19,175 --> 00:13:20,925

From our own Chief of Detectives

208

00:13:20,926 --> 00:13:22,844

to the new Ambassador
to England,

209

00:13:22,845 --> 00:13:25,472

I find it highly unlikely it
didn't come up over cream tea

210

00:13:25,473 --> 00:13:28,850

that a scumbag had caught a
Buick at the front entrance.

211

00:13:28,851 --> 00:13:31,186

Did they ask you
to broom the case?

212

00:13:31,187 --> 00:13:33,688

No one has to ask, my brother.

213

00:13:33,689 --> 00:13:35,316

Can I see the police file?

214

00:13:36,525 --> 00:13:38,110

We don't need it.

215

00:13:43,032 --> 00:13:44,617

Why you looking for this guy?

216

00:13:46,202 --> 00:13:48,369

A lady wanted to find him.

217

00:13:48,370 --> 00:13:50,372

Well, he'll wait
until she comes by.

218

00:13:51,874 --> 00:13:54,376

[suspenseful music]

219

00:14:06,555 --> 00:14:10,809

Dorothy: Go back to Boston, to
that miserable goddamn family.

220

00:14:10,810 --> 00:14:17,065

And then onto England, the
court of Saint fucking James.

221

00:14:17,066 --> 00:14:20,068

You're not the only one
who's done with this.

222

00:14:20,069 --> 00:14:21,277

Just remember one thing.

223

00:14:21,278 --> 00:14:23,905

Oh, please, darling,
not another.

224

00:14:23,906 --> 00:14:25,949

I paid for that horse.

225

00:14:25,950 --> 00:14:27,660

Dorothy: I get to keep him too.

226

00:14:31,372 --> 00:14:33,374

Could you, uh, do mine after?

227

00:14:37,628 --> 00:14:39,087

Are you the new mechanic?

228

00:14:39,088 --> 00:14:41,089

Maybe, what's it paying?

229

00:14:41,090 --> 00:14:43,675

- You've a name?

- Marlowe.

230

00:14:43,676 --> 00:14:45,844

This is hell nor am I out of it.

231

00:14:45,845 --> 00:14:47,428

That was his one good line.

232

00:14:47,429 --> 00:14:49,889

You don't think he
was Shakespeare.

233

00:14:49,890 --> 00:14:51,266

Neither did he.

234

00:14:51,267 --> 00:14:53,185

Joseph: Maybe I am out of it.

235

00:14:55,437 --> 00:14:57,064

Well out of it.

236

00:15:02,027 --> 00:15:04,488

[music continues]

237

00:15:18,127 --> 00:15:20,420

You startled me, Marlowe.

238

00:15:20,421 --> 00:15:23,465

Apologies, seems to be
my day for startling.

239

00:15:27,720 --> 00:15:29,470

Who else did you startle?

240

00:15:29,471 --> 00:15:32,975

Some elegant Mick outside,
who quoted Marlowe.

241

00:15:34,185 --> 00:15:35,685

Are you quotable, Mr. Marlowe?

242

00:15:35,686 --> 00:15:37,145

Christopher Marlowe.

243

00:15:37,146 --> 00:15:41,191

Ah, he played in Doctor
Faustus at the Harvard Rep.

244

00:15:41,192 --> 00:15:42,901

Never lets anyone forget that.

245

00:15:42,902 --> 00:15:44,819

- He?

- Hm.

246

00:15:44,820 --> 00:15:48,656

Joseph O'Reilly, my
mother's financial adviser,

247

00:15:48,657 --> 00:15:51,659

oh, and soon to be
Ambassador to England,

248

00:15:51,660 --> 00:15:54,495

he never lets anyone
forget about that either.

249

00:15:54,496 --> 00:15:57,165

What did he play, one of
the seven deadly sins?

250

00:15:57,166 --> 00:15:59,084

[chuckles] Please.

251

00:16:00,628 --> 00:16:03,129

Iced tea?

252

00:16:03,130 --> 00:16:04,672

You could have some
of mine if you like.

253

00:16:04,673 --> 00:16:06,758

Marlowe: No, thank you.

254

00:16:06,759 --> 00:16:08,676

I can offer you anything really,

255

00:16:08,677 --> 00:16:10,637

it's like the Arabian
Nights around here.

256

00:16:10,638 --> 00:16:12,056

Richard: Clare!

257

00:16:12,848 --> 00:16:14,266

Clare!

258

00:16:18,354 --> 00:16:20,147

Who the hell is this?

259

00:16:21,357 --> 00:16:24,234

Sorry, I'm, I'm Philip Marlowe.

260

00:16:24,235 --> 00:16:28,071

Hello, Marlowe. Cavendish.

261

00:16:28,072 --> 00:16:32,200

Clare: Mr. Marlowe calls me

Cavendish, Richard. I like it.

262

00:16:32,201 --> 00:16:33,826

It's your name, darling.

263

00:16:33,827 --> 00:16:35,495

I like it as a first name.

264

00:16:35,496 --> 00:16:37,789

Richard: Glad I'm good
for something, dear.

265

00:16:37,790 --> 00:16:39,374
Have you, um, offered

266

00:16:39,375 --> 00:16:42,460
your very large friend
a proper drink, darling?

267

00:16:42,461 --> 00:16:45,880
She did, and I
declined, thank you.

268

00:16:45,881 --> 00:16:50,927
So, Mr. Marlowe, what kind
of business are you in?

269

00:16:50,928 --> 00:16:52,762
Mr. Marlowe detects things.

270

00:16:52,763 --> 00:16:56,015
Ah, and what are you

detecting here, Marlowe?

271

00:16:56,016 --> 00:16:59,560

My necklace. I lost

it, he found it.

272

00:16:59,561 --> 00:17:02,730

Richard: Of course he

did. I wonder where.

273

00:17:02,731 --> 00:17:05,484

Well, it was a matter of

retracing your wife's steps.

274

00:17:06,652 --> 00:17:09,237

- Marlowe.

- Yes, Mr. Cavendish.

275

00:17:09,238 --> 00:17:10,656

Fuck yourself.

276

00:17:11,907 --> 00:17:14,451

It's a pleasure to meet

you too, Mr. Cavendish.

277

00:17:16,078 --> 00:17:18,330

Clare: Didn't go
for it, that's odd.

278

00:17:19,707 --> 00:17:22,209

He must think there's
something between us...

279

00:17:23,335 --> 00:17:27,256

probably something... sexual.

280

00:17:29,091 --> 00:17:31,551

So tell me about
you and Mr. Peterson

281

00:17:31,552 --> 00:17:34,178

with no embellishments, please.

282

00:17:34,179 --> 00:17:36,181

[instrumental music]

283

00:17:38,017 --> 00:17:41,769

Clare: I met him at the Corbata
Club for the first time.

284

00:17:41,770 --> 00:17:43,688

Thought he was handsome.

285

00:17:43,689 --> 00:17:49,152

We made love, and then I saw
him again, a few weeks later,

286

00:17:49,153 --> 00:17:51,863

not an assignation, an accident.

287

00:17:51,864 --> 00:17:56,159

In Tijuana at my favorite
bar, La Quinteria.

288

00:17:56,160 --> 00:17:58,119

I was there with my husband.

289

00:17:58,120 --> 00:18:01,332

We were watching the
procession, Dia de los Muertos.

290

00:18:04,293 --> 00:18:06,837

[man whistling]

291

00:18:17,473 --> 00:18:19,474

Marlowe: What was he
hustling in Mexico?

292

00:18:19,475 --> 00:18:23,270

Clare: I don't know.

Nico has many schemes.

293

00:18:25,314 --> 00:18:27,148

Marlowe: He's in the grave.

294

00:18:27,149 --> 00:18:29,650

Nico Peterson is dead.

295

00:18:29,651 --> 00:18:31,153

He's pretending.

296

00:18:32,237 --> 00:18:33,905

He's pretending very well.

297

00:18:33,906 --> 00:18:36,657

Clare: Oh, I know,

he's dead and buried.

298

00:18:36,658 --> 00:18:41,163

That he got killed in front of
the Corbata Club, supposedly.

299

00:18:43,123 --> 00:18:45,833

Everybody says he was.

300

00:18:45,834 --> 00:18:49,170

But you see, the

significant thing is that

301

00:18:49,171 --> 00:18:52,507

I saw him the other

day, from the street,

302

00:18:52,508 --> 00:18:54,425

not in my mind's eye,

303

00:18:54,426 --> 00:18:57,178

on the street, not dead at all.

304

00:18:57,179 --> 00:18:59,680

I think we're finished,

Mrs. Cavendish.

305

00:18:59,681 --> 00:19:00,766

No.

306

00:19:02,017 --> 00:19:04,353

I just wanted you to

start at the beginning.

307

00:19:05,771 --> 00:19:06,979

Begin at the beginning,

308

00:19:06,980 --> 00:19:09,482

that's what you're

supposed to do, right?

309

00:19:09,483 --> 00:19:12,151

- Where did you see him?

- Back in Tijuana.

310

00:19:12,152 --> 00:19:16,030

My mother wanted me to

view some Azteca horses,

311

00:19:16,031 --> 00:19:17,574

you know the prancing kind.

312

00:19:19,201 --> 00:19:23,371

I did that, I do what she says.

313

00:19:23,372 --> 00:19:25,540

So I was in La Quinteria again,

314

00:19:25,541 --> 00:19:28,042

having one of their

divine mojitos

315

00:19:28,043 --> 00:19:30,503

when I saw Nico driving
down the street.

316

00:19:30,504 --> 00:19:32,798

[singing in foreign language]

317

00:19:41,056 --> 00:19:43,516

Clare: He called
himself a collector.

318

00:19:43,517 --> 00:19:47,563

Most of all collected
junk, pretend antiques.

319

00:19:51,358 --> 00:19:54,777

I suppose they're
for the movies...

320

00:19:54,778 --> 00:19:58,407

things that don't
exist, fairy tales.

321

00:19:59,450 --> 00:20:00,741

There's a man in Baja,

322

00:20:00,742 --> 00:20:03,244

who thinks Nico's
actually a producer.

323

00:20:03,245 --> 00:20:04,579

[laughs]

324

00:20:04,580 --> 00:20:06,290

He's been fleeced.

325

00:20:08,250 --> 00:20:10,501

What? What's wrong?

326

00:20:10,502 --> 00:20:12,628

You lied to me, Mrs. Cavendish.

327

00:20:12,629 --> 00:20:15,381

And I sat there and watched
you lie to your husband.

328

00:20:15,382 --> 00:20:16,925

Good afternoon.

329

00:20:29,313 --> 00:20:31,647

Hello, Mr...

330

00:20:31,648 --> 00:20:32,608

Marlowe.

331

00:20:32,609 --> 00:20:34,066

Oh, of course, I knew that.

332

00:20:34,067 --> 00:20:36,777

Richard made a call
when you first came in.

333

00:20:36,778 --> 00:20:39,238

You know what they say
about the old boys' club?

334

00:20:39,239 --> 00:20:40,948

What's that?

335

00:20:40,949 --> 00:20:42,742

There really is one.

336

00:20:42,743 --> 00:20:45,703

And what did he
find, Madame, uh...

337

00:20:45,704 --> 00:20:50,375

Dorothy Quincannon, and
don't pretend you don't know.

338

00:20:52,628 --> 00:20:56,547

Well, let's see,
you had a bad war,

339

00:20:56,548 --> 00:20:58,591

and then in the twenties,
you drank yourself

340

00:20:58,592 --> 00:21:00,343

out of a good job
in the oil business.

341

00:21:00,344 --> 00:21:01,385

Did I?

342

00:21:01,386 --> 00:21:03,471

Got on with the Los Angeles DA

343

00:21:03,472 --> 00:21:06,891

as an investigator, but that
didn't work out too well either,

344

00:21:06,892 --> 00:21:08,684

did it, Mr. Marlowe?

345

00:21:08,685 --> 00:21:11,605

You see, he found all
that out in five minutes.

346

00:21:12,814 --> 00:21:16,484

You're not the only one
who can make enquiries.

347

00:21:16,485 --> 00:21:19,278

You weren't looking for pearls.

348

00:21:19,279 --> 00:21:23,824

No, I throw them before
swine, it's a habit of mine.

349

00:21:23,825 --> 00:21:27,662

Tell me, Mr. Marlowe, what
does my daughter want?

350

00:21:27,663 --> 00:21:31,123

A divorce? I might
even approve.

351

00:21:31,124 --> 00:21:34,210

I'm sorry, I only discuss
business with my employer,

352

00:21:34,211 --> 00:21:37,213

so if you'll excuse me.

353

00:21:37,214 --> 00:21:39,091

- Slan.

- Slan.

354

00:22:10,747 --> 00:22:12,374

[sighs]

355

00:22:26,054 --> 00:22:28,599

[suspenseful music]

356

00:22:39,443 --> 00:22:41,153

Marlowe: Excuse me?

357

00:23:01,256 --> 00:23:03,382

- Hey, Fergus.

- Oh, hello.

358

00:23:03,383 --> 00:23:05,635

Ah, Jesus, here it is.

359

00:23:05,636 --> 00:23:08,054

Not a single lead on

who ran Peterson down.

360

00:23:08,055 --> 00:23:10,973

- We pursued inquiries.

- But how far?

361

00:23:10,974 --> 00:23:14,060

Marlowe, if one wanted
to find an absolute nest

362

00:23:14,061 --> 00:23:16,437

of entitled and
connected tosspots

363

00:23:16,438 --> 00:23:18,105

who feel they can
just drive away

364

00:23:18,106 --> 00:23:19,815

after running over
another drunk's head,

365

00:23:19,816 --> 00:23:22,193

you go to the Corbata Club.

366

00:23:22,194 --> 00:23:25,279

There were no witnesses,
a suspect wasn't possible.

367

00:23:25,280 --> 00:23:27,490

Saturday night, they come
and go at that club like rats

368

00:23:27,491 --> 00:23:29,283

through a hole in a garbage can.

369

00:23:29,284 --> 00:23:30,951

It could have been any
one of a hundred cars

370

00:23:30,952 --> 00:23:33,621

that flattened him, and
probably none of them contained

371

00:23:33,622 --> 00:23:35,831

anybody it'd be wise to arrest.

372

00:23:35,832 --> 00:23:39,627

We're in the real world here.

You understand a real world.

373

00:23:39,628 --> 00:23:41,212

Sometimes justice is blind,

374

00:23:41,213 --> 00:23:43,923

sometimes justice doesn't give
a shit and might be right.

375

00:23:43,924 --> 00:23:47,218

So who's the mystery broad
you're working for? His sister?

376

00:23:47,219 --> 00:23:48,678

Tell me about his sister.

377

00:23:48,679 --> 00:23:50,763

Maybe she identified
him, maybe she didn't.

378

00:23:50,764 --> 00:23:52,390

You tell me about his sister.

379

00:23:52,391 --> 00:23:56,102

I got my own sister, you can
stick his sister up your ass.

380

00:23:56,103 --> 00:23:57,812

I'm working for a
person who thinks

381

00:23:57,813 --> 00:24:01,107

that Nico Peterson
is still alive.

382

00:24:01,108 --> 00:24:05,403

Yeah, that's complicated.
I'm not a complicated man.

383

00:24:05,404 --> 00:24:07,655

My client claims
to have seen him,

384

00:24:07,656 --> 00:24:09,949

which gives you a
murder, my friend.

385

00:24:09,950 --> 00:24:11,993

Yeah, I got plenty, thanks.

386

00:24:14,037 --> 00:24:15,497

Here's your file.

387

00:24:17,708 --> 00:24:20,501

My employer thinks
he didn't die,

388

00:24:20,502 --> 00:24:21,877

that it wasn't him
that got smashed

389

00:24:21,878 --> 00:24:25,005

outside the Corbata
Club, to repeat myself.

390

00:24:25,006 --> 00:24:29,677

It gives me a murder,

yeah, theoretically, maybe.

391

00:24:29,678 --> 00:24:32,888

What's your trouble

gents? Money or women?

392

00:24:32,889 --> 00:24:35,057

Both, with the

complication of thirst.

393

00:24:35,058 --> 00:24:38,436

He's like the rest of us, Pat,

except he can't take a hint.

394

00:24:38,437 --> 00:24:40,187

- What'll you have?

- Whiskey.

395

00:24:40,188 --> 00:24:42,523

Usual.

396

00:24:42,524 --> 00:24:43,816

What's going on

these days Patrick,

397

00:24:43,817 --> 00:24:45,693

you, you married, or happy?

398

00:24:45,694 --> 00:24:47,486

At least my laundry's done.

399

00:24:47,487 --> 00:24:48,821

Pat had a rough

two weeks finding

400

00:24:48,822 --> 00:24:52,116

clean drawers after

he lost his mother.

401

00:24:52,117 --> 00:24:53,200

Fuck yourself.

402

00:24:53,201 --> 00:24:55,035

If I could, I wouldn't

have to listen.

403

00:24:55,036 --> 00:24:57,706

If it was an
operation, I'd sign up.

404

00:24:58,999 --> 00:25:01,835

If he's alive, Joe,
you have a homicide.

405

00:25:03,503 --> 00:25:05,296

Gonna keep saying that?

406

00:25:05,297 --> 00:25:07,381

That's the last thing
you want in homicide,

407

00:25:07,382 --> 00:25:08,883

I realize, homicide.

408

00:25:08,884 --> 00:25:11,552

What, you think
it was a homicide?

409

00:25:11,553 --> 00:25:14,054

I went to the
graveyard. Guess what?

410

00:25:14,055 --> 00:25:16,056

- He was cremated.

- Good guess.

411

00:25:16,057 --> 00:25:19,351

Yeah, even the
teeth were destroyed

412

00:25:19,352 --> 00:25:20,728

and they'd be everywhere.

413

00:25:20,729 --> 00:25:23,314

You ever run over a rat
or a cat, look at it?

414

00:25:23,315 --> 00:25:26,400

If Peterson didn't die, who did?

415

00:25:26,401 --> 00:25:30,738

Look, Marlowe, I know you got
this Sir Lancelot bullshit,

416

00:25:30,739 --> 00:25:32,239
and you live like some monk,

417

00:25:32,240 --> 00:25:35,367
you got no regular self-interest
anyone can count on,

418

00:25:35,368 --> 00:25:38,746
you like getting sapped and
locked up for just not stopping,

419

00:25:38,747 --> 00:25:42,917
and this is an interesting
story you have, if true.

420

00:25:42,918 --> 00:25:46,086
But that stiff, Peterson,
for all intents and purposes,

421

00:25:46,087 --> 00:25:48,547

had Peterson's
wallet in his pocket.

422

00:25:48,548 --> 00:25:50,341

Plus, he was identified
at the scene,

423

00:25:50,342 --> 00:25:52,134

for all intents and purposes.

424

00:25:52,135 --> 00:25:53,219

By who?

425

00:25:53,220 --> 00:25:54,887

The manager of the
club, Floyd Hanson,

426

00:25:54,888 --> 00:25:57,932

and by the Los Angeles County
Coroner, who's a member.

427

00:25:57,933 --> 00:26:00,977

So, it's nobody's

business now but county.

428

00:26:01,937 --> 00:26:03,562

County line runs where?

429

00:26:03,563 --> 00:26:05,232

Bay Canyon Drive.

430

00:26:10,278 --> 00:26:12,321

Right along here?

431

00:26:12,322 --> 00:26:14,115

Oh, Jesus.

432

00:26:17,285 --> 00:26:18,787

Make the call, Joe.

433

00:26:19,913 --> 00:26:21,873

I'll keep you out of it.

434

00:26:26,127 --> 00:26:28,046

[engine revving]

435

00:26:32,300 --> 00:26:36,470

Mr. Hanson says it's most
irregular, Mr. Marlowe,

436

00:26:36,471 --> 00:26:38,013

but he'll see you.

437

00:26:38,014 --> 00:26:40,850

Keep to the left, follow the
signs that say reception.

438

00:26:40,851 --> 00:26:42,434

Oh, thank you.

439

00:26:42,435 --> 00:26:44,980

[suspenseful music]

440

00:27:12,966 --> 00:27:14,885

Floyd: I'm Floyd
Hanson the manager.

441

00:27:16,136 --> 00:27:17,803

What can I do for
you, Mr. Marlowe?

442

00:27:17,804 --> 00:27:20,472

Don't bother
turning off the car.

443

00:27:20,473 --> 00:27:22,725

The gateman tells me you're
a private investigator,

444

00:27:22,726 --> 00:27:24,143

could that be so?

445

00:27:24,144 --> 00:27:26,896

Yes, I used to work
for the DA's office.

446

00:27:26,897 --> 00:27:29,857

- I've heard that.

- I've heard that you've heard.

447

00:27:29,858 --> 00:27:32,234

[engine turns off]

448

00:27:32,235 --> 00:27:34,988

I'm here about an

accident that occurred.

449

00:27:36,823 --> 00:27:39,366

- A serious one?

- Nico Peterson.

450

00:27:39,367 --> 00:27:40,868

Well, that actually

wasn't on the property,

451

00:27:40,869 --> 00:27:42,244

that was more in

the public road.

452

00:27:42,245 --> 00:27:44,872

Oh, I fully appreciate

the distinction,

453

00:27:44,873 --> 00:27:47,333

but sometimes people get
moved off the property

454

00:27:47,334 --> 00:27:50,836

even though their leg is
lying on it a little bit.

455

00:27:50,837 --> 00:27:53,380

There was an interesting
case in Cincinnati.

456

00:27:53,381 --> 00:27:55,007

What was that?

457

00:27:55,008 --> 00:27:58,302

A man was beaten to death, and
then he was put in the road,

458

00:27:58,303 --> 00:28:00,888

and his head was
run over by a tire,

459

00:28:00,889 --> 00:28:03,515

to obliterate the cause of death

460

00:28:03,516 --> 00:28:05,851

and to get him off the property.

461

00:28:05,852 --> 00:28:07,353

Mr. Peterson was run

down on the road,

462

00:28:07,354 --> 00:28:09,521

and the road is not

on the property.

463

00:28:09,522 --> 00:28:11,190

I appreciate that.

464

00:28:11,191 --> 00:28:13,400

Was Peterson a

member of this club?

465

00:28:13,401 --> 00:28:16,195

No, Mr. Peterson

wasn't a member. No.

466

00:28:16,196 --> 00:28:18,280

Marlowe: That's because
you're exclusive I imagine.

467

00:28:18,281 --> 00:28:20,783

Floyd: We are, but
your meaning, sir?

468

00:28:20,784 --> 00:28:22,993

[indistinct chatter]

469

00:28:22,994 --> 00:28:24,745

What would we do without Mexico?

470

00:28:24,746 --> 00:28:28,415

Mexico's the future, we have a
sister club in Baja, California.

471

00:28:28,416 --> 00:28:31,460

- Looks like the past.

- It must be brought along.

472

00:28:31,461 --> 00:28:33,587

Mexico or its inhabitants?

473

00:28:33,588 --> 00:28:35,131

Stick to the point, Mr. Marlowe.

474

00:28:36,257 --> 00:28:37,883

It must have been

a shock for you,

475

00:28:37,884 --> 00:28:40,344

seeing Mr. Peterson

on the road like that.

476

00:28:40,345 --> 00:28:43,722

I was at Chateau Thierry,

old man, Belleau Wood.

477

00:28:43,723 --> 00:28:45,140

I have seen men in more disarray

478

00:28:45,141 --> 00:28:47,185

than that in which

Mr. Peterson was discovered.

479

00:28:48,728 --> 00:28:50,312

Once, after an artillery strike,

480

00:28:50,313 --> 00:28:53,357

I found a friend's tooth

in my whiskey glass.

481

00:28:53,358 --> 00:28:54,901

I drank the whiskey.

482

00:28:55,777 --> 00:28:57,528

You're a terrible man.

483

00:28:57,529 --> 00:29:00,447

He was dead, and I

needed the whiskey.

484

00:29:00,448 --> 00:29:02,700

You're my age, perhaps

you were there,

485

00:29:02,701 --> 00:29:05,953

perhaps you know how it
was, and therefore is.

486

00:29:05,954 --> 00:29:09,206

Royal Irish Rifles. The Somme.

487

00:29:09,207 --> 00:29:11,793

For the rest of time,
we see the dead.

488

00:29:13,753 --> 00:29:15,421

Let's take a
stroll, Mr. Marlowe.

489

00:29:15,422 --> 00:29:17,798

We're alive, when
others are not,

490

00:29:17,799 --> 00:29:19,467

and it's a pleasant morning.

491

00:29:21,886 --> 00:29:24,347

[suspenseful music]

492

00:29:26,391 --> 00:29:27,850

Marlowe: I see

you've made inequity

493

00:29:27,851 --> 00:29:29,268

pretty much your profession.

494

00:29:29,269 --> 00:29:32,271

The Club is exclusive.

The rich like to play.

495

00:29:32,272 --> 00:29:35,107

The polo grounds are over there.

496

00:29:35,108 --> 00:29:39,820

So whose guest was Mr. Peterson

the night he was killed?

497

00:29:39,821 --> 00:29:42,114

Who's your employer Mr. Marlowe?

498

00:29:42,115 --> 00:29:45,075

We're at an impasse,

Mr. Hanson. Who's yours?

499

00:29:45,076 --> 00:29:46,577

I don't know what you

want me to tell you,

500

00:29:46,578 --> 00:29:49,038

the police were thorough,

aren't they always,

501

00:29:49,039 --> 00:29:51,707

isn't that what they

do, be thorough?

502

00:29:51,708 --> 00:29:55,419

I rarely blame a policeman

unless he's really bad.

503

00:29:55,420 --> 00:29:58,172

There's generally
someone he's afraid of.

504

00:29:58,173 --> 00:30:01,884

And who in this instance would
any policeman be afraid of?

505

00:30:01,885 --> 00:30:03,927

Well, if the hit and run driver

506

00:30:03,928 --> 00:30:07,681

were a very substantial
or a connected person,

507

00:30:07,682 --> 00:30:10,350

a policeman might be afraid
of the Club in general.

508

00:30:10,351 --> 00:30:11,852

I mean, I am.

509

00:30:11,853 --> 00:30:14,772

What would it take for you not
to be afraid? What can I do?

510

00:30:14,773 --> 00:30:18,317

Now, listen, Mr. Hanson,
I intend to ask questions.

511

00:30:18,318 --> 00:30:20,069

Then ask your damn questions.

512

00:30:20,070 --> 00:30:22,071

Now this was a hit and run,

513

00:30:22,072 --> 00:30:23,822

and given the road, it
was probably a member,

514

00:30:23,823 --> 00:30:27,701

and perhaps the driver didn't
even know he'd struck anything.

515

00:30:27,702 --> 00:30:30,496

Everybody in this country has

been drunk since its inception.

516

00:30:30,497 --> 00:30:33,416

I don't think I've ever
even seen a sober driver.

517

00:30:35,042 --> 00:30:36,544

Shall we have some tea?

518

00:30:38,880 --> 00:30:40,923

Marlowe: Is there much
gambling here, Mr. Hanson?

519

00:30:40,924 --> 00:30:42,883

You're on very dangerous ground.

520

00:30:42,884 --> 00:30:44,426

There are cards that are played.

521

00:30:44,427 --> 00:30:45,886

Debts accumulated.

522

00:30:45,887 --> 00:30:48,472

There are card rooms,
they're private.

523

00:30:48,473 --> 00:30:49,723

Bedrooms?

524

00:30:49,724 --> 00:30:51,642

We have guest accommodations.

525

00:30:51,643 --> 00:30:54,521

Do studio men and the
producers have meetings here?

- A tinkle.

872

00:51:51,109 --> 00:51:52,777

I don't need you

to hear a tinkle,

873

00:51:52,778 --> 00:51:55,237

I need you to hear

a sonorous bell

874

00:51:55,238 --> 00:51:57,490

with a hunchback

swinging from it,

875

00:51:57,491 --> 00:52:03,412

gong-a-dong-a-dong, not

a tinkle, Mr. Marlowe.

876

00:52:03,413 --> 00:52:05,665

Who was chasing

Peterson's sister?

877

00:52:07,501 --> 00:52:09,377

Two beaners, I hear.

878

00:52:09,378 --> 00:52:13,672

Maladroits from sunnier

climes, the land of banana

879

00:52:13,673 --> 00:52:16,384

and tarantula, who were
also, quite separately,

880

00:52:16,385 --> 00:52:18,844

and I should like
you to notice that,

881

00:52:18,845 --> 00:52:20,513

looking for her brother.

882

00:52:20,514 --> 00:52:25,184

I would very much appreciate
a word with our friend Nico,

883

00:52:25,185 --> 00:52:28,771

if you find him
and I will pay you.

884

00:52:28,772 --> 00:52:30,689

Tell me what Nico
was involved in

885

00:52:30,690 --> 00:52:34,485

and why he faked

his death and ran.

886

00:52:34,486 --> 00:52:38,949

Nico, in the end, had to

avoid everybody, I think.

887

00:52:40,659 --> 00:52:43,702

But I will tell you that he

used to run errands for me,

888

00:52:43,703 --> 00:52:46,205

down in the land

of the sombrero,

889

00:52:46,206 --> 00:52:48,707

the serape and the mule.

890

00:52:48,708 --> 00:52:51,544

His Spanish was

good, he was dark

891

00:52:51,545 --> 00:52:54,463

in a Latin lover kind of way.

892

00:52:54,464 --> 00:52:56,132

He was useful in Mexico.

893

00:52:56,133 --> 00:53:01,345

Is it bananas or tarantulas
you import, Mr. Hendricks?

894

00:53:01,346 --> 00:53:03,264

Tarantulas.

895

00:53:03,265 --> 00:53:06,559

I'm entirely composed
of tarantulas.

896

00:53:06,560 --> 00:53:10,980

- And me afraid of spiders.
- Nico worked for me.

897

00:53:10,981 --> 00:53:13,441

He would bring me items
so hard to come by up here

898

00:53:13,442 --> 00:53:15,484
where the laws are so strict.

899

00:53:15,485 --> 00:53:17,528
At the time of his
supposed death,

900

00:53:17,529 --> 00:53:21,824
he was in possession
of some of those items.

901

00:53:21,825 --> 00:53:24,034
And these items are?

902

00:53:24,035 --> 00:53:25,703
There are items and items

903

00:53:25,704 --> 00:53:29,457
and one item that related
to the said items.

904

00:53:29,458 --> 00:53:31,417

Why don't we take a ride
to the Corbata Club?

905

00:53:31,418 --> 00:53:33,419

Maybe he stashed
the items there.

906

00:53:33,420 --> 00:53:37,256

Mr. Marlowe, people will talk.

907

00:53:37,257 --> 00:53:40,426

When I go, I go into
the back entrance.

908

00:53:40,427 --> 00:53:42,052

Please leave that remark alone.

909

00:53:42,053 --> 00:53:46,599

- Wouldn't touch it.
- I grease the Corbata.

910

00:53:46,600 --> 00:53:48,767

Lou: Beneath this

fine Charvet shirt

911

00:53:48,768 --> 00:53:51,353

there is nothing but grease.

912

00:53:51,354 --> 00:53:54,857

Peterson would've needed help,

he would've needed a body.

913

00:53:54,858 --> 00:53:56,859

It has conspiracy

written all over it,

914

00:53:56,860 --> 00:54:00,070

I don't think Nico went to

a graveyard with a shovel

915

00:54:00,071 --> 00:54:04,450

and a lamp looking for a stiff

to fit his tuxedo, do you?

916

00:54:04,451 --> 00:54:06,744

The club was in
on the conspiracy,

917

00:54:06,745 --> 00:54:09,246

but what's the club's interest?

918

00:54:09,247 --> 00:54:10,832

Ask your client.

919

00:54:12,083 --> 00:54:14,627

I think you'll keep
looking for Peterson,

920

00:54:14,628 --> 00:54:18,381

client or not, because
you can't stop.

921

00:54:21,134 --> 00:54:23,678

But I'll pay you a thousand
just to sweeten the pot.

922

00:54:24,888 --> 00:54:28,265

No. Cedric, uh, next
street on the right.

923

00:54:28,266 --> 00:54:29,893

Pull over, please.

924

00:54:32,103 --> 00:54:35,814

It would be wise to
reconsider, Mr. Marlowe.

925

00:54:35,815 --> 00:54:38,777

[grim music]

926

00:54:40,487 --> 00:54:42,864

Marlowe: Stop
anywhere here, Cedric.

927

00:54:48,995 --> 00:54:51,872

26, Maple Boulevard,

928

00:54:51,873 --> 00:54:54,208

and I am not so smart

as they think I am.

929

00:54:54,209 --> 00:54:57,836

- You're welcome to come inside.

- They give you back your badge?

930

00:54:57,837 --> 00:55:01,131

No, I'm here to

report a kidnapping.

931

00:55:01,132 --> 00:55:05,386

If you find him, I will know,

and then I'll come get him.

932

00:55:05,387 --> 00:55:09,641

And when that happens, don't

try to stand in the way.

933

00:55:13,353 --> 00:55:15,020

Thanks, Cedric.

934

00:55:15,021 --> 00:55:17,189

Joe: So two Mexes came out

of nowhere and kidnapped

935

00:55:17,190 --> 00:55:18,691

this broad, is that

what you're telling me?

936

00:55:18,692 --> 00:55:21,026

That's what I'm telling

you, that and that

937

00:55:21,027 --> 00:55:23,862

she turns tricks

at the Corbata Club

938

00:55:23,863 --> 00:55:28,033

and identified as her brother a

stiff who wasn't Nico Peterson.

939

00:55:28,034 --> 00:55:31,537

Yeah, there are certain things

I'm just not gonna hear.

940

00:55:31,538 --> 00:55:33,080

They were looking
for another broad,

941

00:55:33,081 --> 00:55:35,874
someone they called Serena.

942

00:55:35,875 --> 00:55:37,293
I'm not here.

943

00:55:37,294 --> 00:55:39,253
[sighs] His sister
was kidnapped.

944

00:55:39,254 --> 00:55:42,006
You don't put it in the system,
I'll go and make a report.

945

00:55:42,007 --> 00:55:44,842
I'll go on the record,
I'll spill that Peterson

946

00:55:44,843 --> 00:55:47,386
wasn't Peterson, and that's

not news, that's a feature.

947

00:55:47,387 --> 00:55:50,973

I can never remember which
newspaper hates the mayor most.

948

00:55:50,974 --> 00:55:53,851

This will all go okay if you
don't manipulate me, okay?

949

00:55:53,852 --> 00:55:55,894

What we do, we get
you out of here,

950

00:55:55,895 --> 00:55:58,230

I take a call from
an anonymous citizen

951

00:55:58,231 --> 00:56:00,065

who saw her put in the car.

952

00:56:00,066 --> 00:56:03,569

And you, play nice, or I'll put

you at the scene as a suspect.

953

00:56:03,570 --> 00:56:04,945

It ain't what happened,
it's what I type.

954

00:56:04,946 --> 00:56:06,447

Deal.

955

00:56:06,448 --> 00:56:08,782

I'll give your pal Bernie
Ohls the dope off the record.

956

00:56:08,783 --> 00:56:10,909

Sheriff's detectives, I
can start everybody looking

957

00:56:10,910 --> 00:56:12,745

for her and they'll look hard.

958

00:56:12,746 --> 00:56:14,580

Is this good enough for you?

959

00:56:14,581 --> 00:56:17,709

- They took my .38.

- Yeah.

960

00:56:21,087 --> 00:56:23,756

There's your .38, if someone
gets killed with your .38,

961

00:56:23,757 --> 00:56:26,425

you still have a .38.

962

00:56:26,426 --> 00:56:29,179

If they ever make us record
serial numbers, it'll be fucked.

963

00:56:31,097 --> 00:56:32,932

[knocking]

964

00:56:34,934 --> 00:56:36,102

Bernie: Marlowe?

965

00:56:38,229 --> 00:56:41,899

- Detective Bernie Ohls.

- Wait in the car, Arthur.

966

00:56:41,900 --> 00:56:45,111

- Get us a drink, Marlowe.

- Scotch on the rocks.

967

00:56:48,448 --> 00:56:51,701

- She's being looked for?

- City, Sheriffs, everybody.

968

00:56:52,619 --> 00:56:54,120

Not a peep out of the brass.

969

00:56:56,289 --> 00:56:59,124

Once a bulletin goes
out nobody can kill her,

970

00:56:59,125 --> 00:57:02,211

all car alert for Lynn Peterson.

971

00:57:02,212 --> 00:57:06,548

Mexicans driving some

sort of Tijuana spray job.

972

00:57:06,549 --> 00:57:08,842

She'll get no different
than anybody else.

973

00:57:08,843 --> 00:57:11,680

Just really look
for her, I lost her.

974

00:57:13,848 --> 00:57:16,975

When you're getting
to be an old timer,

975

00:57:16,976 --> 00:57:19,061

it's okay to get out alive.

976

00:57:19,062 --> 00:57:21,981

I rely on you to give me
good example, Marlowe.

977

00:57:24,734 --> 00:57:27,486

[instrumental music]

978

00:57:27,487 --> 00:57:29,780

Who's the frail across the way?

979

00:57:29,781 --> 00:57:31,825

Nothing frail about her, Bernie.

980

00:57:40,291 --> 00:57:45,880

Well, lay low and, uh,
consider another profession.

981

00:57:55,306 --> 00:57:57,766

[music continues]

982

00:57:57,767 --> 00:58:00,145

- Goodnight, miss.

- Goodnight, detective.

983

00:58:07,360 --> 00:58:08,778

Hey.

984

00:58:11,030 --> 00:58:14,533

- Who hurt you?
- Mexicans looking for Peterson.

985

00:58:14,534 --> 00:58:18,913

- What were they looking for?
- For God's sakes, you tell me.

986

00:58:24,753 --> 00:58:27,379

- Coat?
- Thank you.

987

00:58:27,380 --> 00:58:30,300

[music continues]

988

00:58:39,726 --> 00:58:41,435

One could live in
a house like this

989

00:58:41,436 --> 00:58:43,896

and so much would fall away.

990

00:58:43,897 --> 00:58:47,817

That's how the other half

lives and we do pretty good.

991

00:58:51,988 --> 00:58:58,869

Clare, you haven't once told
me why you really want Nico.

992

00:58:58,870 --> 00:59:01,789

Amanda Toxteth
claims that he wasn't

993

00:59:01,790 --> 00:59:04,751

especially thoughtful
in the bedroom.

994

00:59:06,252 --> 00:59:10,298

Poor Amanda, she
played a tough game.

995

00:59:11,382 --> 00:59:14,259

Marlowe: Tell me about it.

996

00:59:14,260 --> 00:59:17,095

There's not one studio in

this town that's run by men

997

00:59:17,096 --> 00:59:20,725

who were looked at twice before
they had their first million.

998

00:59:23,228 --> 00:59:25,938

If women never liked
you when you were poor,

999

00:59:25,939 --> 00:59:28,357

that must twist you all up.

1000

00:59:28,358 --> 00:59:32,277

So they call you forth for
refreshing acts of humiliation.

1001

00:59:32,278 --> 00:59:35,280

Marlowe: Who did you learn
this from? The Ambassador?

1002

00:59:35,281 --> 00:59:38,951

Mm, the Ambassador got

to town already loaded...

1003

00:59:38,952 --> 00:59:43,372

and he'll be even richer when he
leaves, just without my mother.

1004

00:59:43,373 --> 00:59:45,124

Your mother also wanted Nico.

1005

00:59:46,835 --> 00:59:48,378

She tried to hire you too?

1006

00:59:50,630 --> 00:59:55,342

She always wants
what I want or have.

1007

00:59:55,343 --> 00:59:57,386

You mean Nico?

1008

00:59:57,387 --> 01:00:01,974

Maybe, or maybe she's just
afraid that you'll make love

1009

01:00:01,975 --> 01:00:05,894

to me before you find out
just how terrible I am.

1010

01:00:05,895 --> 01:00:07,689

That's a terrible idea.

1011

01:00:09,315 --> 01:00:11,608

- Why?

- Why?

1012

01:00:11,609 --> 01:00:15,864

Because I'm in your employ,
because you're half my age.

1013

01:00:17,991 --> 01:00:21,870

Because you're so beautiful
I'd lose my bearings.

1014

01:00:26,958 --> 01:00:30,336

What can we do then,
if we can't do that?

1015

01:00:32,630 --> 01:00:35,632

[instrumental music]

1016

01:00:35,633 --> 01:00:37,385

We can dance.

1017

01:00:43,224 --> 01:00:45,392

Clare: I spent six
years with the nuns,

1018

01:00:45,393 --> 01:00:48,520

just so my mother could
be a flash-eyed colleen

1019

01:00:48,521 --> 01:00:50,856

with her hands on her hips.

1020

01:00:50,857 --> 01:00:55,360

She had to play the
virgin for 15 years, gosh.

1021

01:00:55,361 --> 01:00:59,281

Although you surrender in
each picture, naturally.

1022

01:00:59,282 --> 01:01:01,658

Then all the while,
the ambassador

1023

01:01:01,659 --> 01:01:05,204

was advising her financially.

1024

01:01:06,915 --> 01:01:10,876

Has he ever advised
you financially?

1025

01:01:10,877 --> 01:01:12,754

You mean has he ever touched me?

1026

01:01:14,213 --> 01:01:15,798

Suppose I do.

1027

01:01:17,800 --> 01:01:19,427

Maybe that's the wrong question.

1028

01:01:20,970 --> 01:01:22,429

- Oh!

- Pardon me.

1029

01:01:22,430 --> 01:01:25,599

[chuckles] You're

a terrible dancer.

1030

01:01:25,600 --> 01:01:27,559

I'm a worse lover.

1031

01:01:27,560 --> 01:01:29,479

You expect me to believe that?

1032

01:01:31,731 --> 01:01:34,776

[music continues]

1033

01:01:36,194 --> 01:01:39,489

- The dance is good.

- For now.

1034

01:01:44,285 --> 01:01:47,997

[sighs] I have
to be somewhere.

1035
01:01:52,293 --> 01:01:57,923
Should I come back here
after? Stay over as friends?

1036
01:01:57,924 --> 01:02:00,592
That never works, Clare.

1037
01:02:00,593 --> 01:02:02,387
I don't intend it to.

1038
01:02:06,849 --> 01:02:08,017
No.

1039
01:02:10,520 --> 01:02:12,313
A puzzle has many pieces.

1040
01:02:14,232 --> 01:02:16,943
I don't know exactly
what you're gonna find...

1041

on the ambassador.

1390

01:26:25,181 --> 01:26:26,432

What have you got on him?

1391

01:26:26,433 --> 01:26:29,226

Just give her the
message, Marlowe.

1392

01:26:29,227 --> 01:26:31,061

There's a few things

I want cleared up

1393

01:26:31,062 --> 01:26:32,312

before we decide anything.

1394

01:26:32,313 --> 01:26:33,564

What do you wanna know?

1395

01:26:33,565 --> 01:26:35,566

The body outside

the Corbata Club.

1396

01:26:35,567 --> 01:26:38,110

A musician who worked the club.

1397

01:26:38,111 --> 01:26:41,906

- Did you kill him?

- No.

1398

01:26:45,243 --> 01:26:46,785

Opportune?

1399

01:26:46,786 --> 01:26:49,663

He looked like me, I like
people who look like me.

1400

01:26:49,664 --> 01:26:51,915

What does Dorothy
Quincannon want from you?

1401

01:26:51,916 --> 01:26:53,750

Well, maybe she wants to
fuck with the ambassador

1402

01:26:53,751 --> 01:26:57,004

who's maybe trying to fuck
her daughter, I don't know.

1403

01:26:57,005 --> 01:26:59,299

Put it together, Marlowe,
you're the detective.

1404

01:27:00,967 --> 01:27:05,012

Everyone wants something on

somebody else, it's all just...

1405

01:27:05,013 --> 01:27:06,764

blackmail in the end.

1406

01:27:09,184 --> 01:27:11,185

I'll be in the prop house...

1407

01:27:11,186 --> 01:27:13,562

7:30.

1408

01:27:13,563 --> 01:27:15,523

Tell her I've got

what she wants.

1409

01:27:19,068 --> 01:27:21,737

[instrumental music]

1410

01:27:21,738 --> 01:27:26,116

Clare: I've just realized, this
is my mother's favorite table.

1411

01:27:26,117 --> 01:27:29,036

This is where the ambassador
advises us financially.

1412

01:27:29,037 --> 01:27:30,329

[indistinct chatter]

1413

01:27:30,330 --> 01:27:31,538

You've asked her along?

1414

01:27:31,539 --> 01:27:33,665

Yes, I felt I
needed some advice.

1415

01:27:33,666 --> 01:27:37,211

Clare: Financial?

- More like professional.

1416

01:27:37,212 --> 01:27:38,462

Mm...

1417

01:27:38,463 --> 01:27:40,422

My, my, my, it's Clare.

1418

01:27:40,423 --> 01:27:41,798

[Dorothy chuckles]

1419

01:27:41,799 --> 01:27:44,885

What a wonderful
surprise, Mr. Marlowe.

1420

01:27:44,886 --> 01:27:46,136

Tea, mother?

1421

01:27:46,137 --> 01:27:47,804

Dorothy: Scalded.

1422

01:27:47,805 --> 01:27:49,932

Let's hope he brewed it right.

1423

01:27:49,933 --> 01:27:53,310

- So a mouse can trot on it.

- So a mouse can trot on it.

1424

01:27:53,311 --> 01:27:55,187

Marlowe: You know I've so
enjoyed our separate meetings

1425

01:27:55,188 --> 01:27:58,106
that I felt the need for
us all to sit together.

1426

01:27:58,107 --> 01:28:01,401
What Mr. Marlowe means,
my dear, is that he thinks

1427

01:28:01,402 --> 01:28:03,820
he's too clever
for the both of us.

1428

01:28:03,821 --> 01:28:06,615
One of you hired me,
the other tried to,

1429

01:28:06,616 --> 01:28:08,951
so you both seem to
want the same thing.

1430

01:28:08,952 --> 01:28:11,119

Nico left you for
a girl, alright.

1431

01:28:11,120 --> 01:28:14,206

A plaster mermaid full
of Mexican powder.

1432

01:28:14,207 --> 01:28:15,791

That's disgusting.

1433

01:28:15,792 --> 01:28:19,753

A subject about which you
claim to know nothing, yes?

1434

01:28:19,754 --> 01:28:22,422

Why don't you cut to the chase?

1435

01:28:22,423 --> 01:28:25,968

And ask her why she hired you.

1436

01:28:25,969 --> 01:28:28,011

To find Nico Peterson.

1437

01:28:28,012 --> 01:28:33,600

Hiring a detective might just
be the best way to suggest...

1438

01:28:33,601 --> 01:28:35,936

she doesn't know where he is.

1439

01:28:35,937 --> 01:28:37,521

Clare: What do
you think, mother?

1440

01:28:37,522 --> 01:28:40,524

I'm keeping him in
a shack in Rosarito?

1441

01:28:40,525 --> 01:28:42,192

Maybe closer.

1442

01:28:42,193 --> 01:28:45,530

Why don't you tell Mr. Marlowe
what you want with him?

1443

01:28:46,656 --> 01:28:50,368

Perhaps I am trying my best...

1444

01:28:51,369 --> 01:28:53,412

to save your reputation.

1445

01:28:53,413 --> 01:28:54,871

[Clare scoffs]

1446

01:28:54,872 --> 01:28:58,959

Well, maybe, it's the
other way around, mother.

1447

01:28:58,960 --> 01:29:01,211

You see, Mr. Marlowe...

1448

01:29:01,212 --> 01:29:03,714

her lover dumped her.

1449

01:29:03,715 --> 01:29:08,302

The Ambassador to England
wants done with tinsel town.

1450

01:29:08,303 --> 01:29:12,681

So she's playing the only
role left for her to play.

1451

01:29:12,682 --> 01:29:14,600

The femme fatale.

1452

01:29:14,601 --> 01:29:17,144

Her very own Medea.

1453

01:29:17,145 --> 01:29:19,229

[chuckles]

1454

01:29:19,230 --> 01:29:21,565

Oh, well!

1455

01:29:21,566 --> 01:29:24,444

It's a role that
awaits us all, my dear.

1456

01:29:26,321 --> 01:29:28,114

[shattering]

1457

01:29:32,201 --> 01:29:33,744

Huh!

1458

01:29:33,745 --> 01:29:35,078

Well...

1459

01:29:35,079 --> 01:29:38,749

You suspected one of us
would do this, but...

1460

01:29:38,750 --> 01:29:40,667

you just didn't know
which one, did you?

1461

01:29:40,668 --> 01:29:43,837

- Would've laid a dollar on you.
- Mm.

1462

01:29:43,838 --> 01:29:46,590

[sighs] You've quite
mastered the technique

1463

01:29:46,591 --> 01:29:49,092

haven't you, Mr. Marlowe...

1464

01:29:49,093 --> 01:29:50,927

of upsetting the
women in your life?

1465

01:29:50,928 --> 01:29:53,013

There are no women in my life.

1466

01:29:53,014 --> 01:29:54,473

[indistinct chatter]

1467

01:29:54,474 --> 01:29:56,558

Well, then follow her.

1468

01:29:56,559 --> 01:29:58,770

She likes older men.

1469

01:30:00,104 --> 01:30:01,438

[exhales]

1470

01:30:01,439 --> 01:30:03,106

Don't worry...

1471

01:30:03,107 --> 01:30:05,735

I'll pay for the
mess, I always do.

1472

01:30:10,740 --> 01:30:12,616

[indistinct chatter]

1473

01:30:12,617 --> 01:30:15,035

Are you okay?

1474

01:30:15,036 --> 01:30:18,622

I don't care that I'm
less than you think I am.

1475

01:30:18,623 --> 01:30:20,832

I'm always less than
people think I am.

1476

01:30:20,833 --> 01:30:22,125

[whistle blows in distance]

1477

01:30:22,126 --> 01:30:24,086

You're one of those
people who's just

1478

01:30:24,087 --> 01:30:26,631

lucky to be more than
we think you are.

1479

01:30:28,091 --> 01:30:30,801

I'll send you the balance
of what I owe you.

1480

01:30:30,802 --> 01:30:32,761

Maybe I can charge your mother?

1481

01:30:32,762 --> 01:30:35,472

- Together with a finder's fee.
- A what?

1482

01:30:35,473 --> 01:30:37,724

I found him, this afternoon.

1483

01:30:37,725 --> 01:30:39,309

Or rather, he found me.

1484

01:30:39,310 --> 01:30:41,853

I walked into my little
house and there he was.

1485

01:30:41,854 --> 01:30:45,399

- Mr. Nico Peterson.

- Where's he now?

1486

01:30:45,400 --> 01:30:49,069

He'll be waiting for you at the
prop house at Pacific Studios.

1487

01:30:49,070 --> 01:30:52,239

- 7:30 p.m.

- Why the prop house?

1488

01:30:52,240 --> 01:30:53,908

I was hoping you would tell me.

1489

01:30:55,993 --> 01:30:57,160

Clare: Taxi!

1490

01:30:57,161 --> 01:30:58,161

[brakes squeal]

1491

01:31:00,039 --> 01:31:01,123

Go!

1492

01:31:01,124 --> 01:31:03,668

[engine revving]

1493

01:31:04,377 --> 01:31:06,963

[dramatic music]

1494

01:31:10,550 --> 01:31:12,467

Cedric: A car is
more than a vehicle

1495

01:31:12,468 --> 01:31:14,970

Mr. Hendricks used to tell me.

1496

01:31:14,971 --> 01:31:17,389

It's a sealed confessional.

1497

01:31:17,390 --> 01:31:19,766

A repository of secrets.

1498

01:31:19,767 --> 01:31:22,561

And this city, devoted as it is

1499

01:31:22,562 --> 01:31:24,855

to the internal

combustion engine

1500

01:31:24,856 --> 01:31:27,566

is a city of motorized secrets.

1501

01:31:27,567 --> 01:31:30,610

You're waxing

philosophical, Cedric.

1502

01:31:30,611 --> 01:31:31,987

You have to forgive
me, Mr. Marlowe.

1503

01:31:31,988 --> 01:31:34,990

It's a habit I inherited
from my late employer.

1504

01:31:34,991 --> 01:31:39,536

He had a tendency to digress,
but you did say the prop house?

1505

01:31:39,537 --> 01:31:40,746

I did.

1506

01:31:40,747 --> 01:31:41,997

[music continues]

1507

01:31:41,998 --> 01:31:44,708

And I have to ask myself...

1508

01:31:44,709 --> 01:31:46,293

why the prop house?

1509

01:31:46,294 --> 01:31:49,713

And now you have to tell me,
Cedric, why the prop house?

1510

01:31:49,714 --> 01:31:52,215

[gun cocking]

1511

01:31:52,216 --> 01:31:55,594

Cedric: Nico Peterson was
moving Lou Hendricks' product

1512

01:31:55,595 --> 01:31:57,846

through the prop
house for years.

1513

01:31:57,847 --> 01:32:01,141

Marlowe: And the product
is from Tijuana, hmm?

1514

01:32:01,142 --> 01:32:05,020

Cedric: Hidden in a plaster
raven, the bust of Nefertiti.

1515

01:32:05,021 --> 01:32:07,731

A Virgin of Guadeloupe or a...

1516

01:32:07,732 --> 01:32:10,776

Serena Ornamental.

1517

01:32:10,777 --> 01:32:13,779

You see Mr. Hitchcock, who
could've worked wonders

1518

01:32:13,780 --> 01:32:17,908

for Pacific Pictures, but
is sadly on his way to MGM.

1519

01:32:17,909 --> 01:32:20,285

Mr. Hitchcock,
like Mr. Hendricks,

1520

01:32:20,286 --> 01:32:23,247

always liked to keep
the script to himself.

1521

01:32:24,832 --> 01:32:27,334

But many conversations,

1522

01:32:27,335 --> 01:32:30,837

overheard from this here
front seat, enabled me to do

1523

01:32:30,838 --> 01:32:34,258

what Mr. Hitchcock always
managed so adroitly...

1524

01:32:35,468 --> 01:32:37,093

to work out the plot.

1525

01:32:37,094 --> 01:32:39,721

[gunfire]

1526

01:32:39,722 --> 01:32:42,766

It was never really
about a mermaid.

1527

01:32:42,767 --> 01:32:43,934

It was always about the contents

1528

01:32:43,935 --> 01:32:45,936

of a certain briefcase,

1529

01:32:45,937 --> 01:32:49,023

which could bring a

whole studio down.

1530

01:32:52,401 --> 01:32:55,321

[suspenseful music]

1531

01:32:57,156 --> 01:32:58,448

Nico: Clare.

1532

01:32:58,449 --> 01:32:59,617

Nico.

1533

01:33:00,618 --> 01:33:02,077

You're on your own?

1534

01:33:02,078 --> 01:33:05,330

Did you want the full

auction house, Nico?

1535

01:33:05,331 --> 01:33:07,040

Me, my mother...

1536

01:33:07,041 --> 01:33:09,876

Floyd Hanson, Lou Hendricks?

1537

01:33:09,877 --> 01:33:12,420

That would be difficult,

two of them are dead.

1538

01:33:12,421 --> 01:33:15,632

Well, you're gonna have to

start the bidding with me.

1539

01:33:15,633 --> 01:33:19,261

What I've got here

is worth a fortune.

1540

01:33:19,262 --> 01:33:21,304

Clare: Really?

1541

01:33:21,305 --> 01:33:22,890

You better show me then.

1542

01:33:25,768 --> 01:33:28,144

All of the records...

1543

01:33:28,145 --> 01:33:31,148

of the heroin which was
flowing through his studio.

1544

01:33:34,360 --> 01:33:36,987

It's more than enough to ruin
the ambassador's reputation,

1545

01:33:36,988 --> 01:33:39,906

and the reputation
of Pacific Pictures.

1546

01:33:39,907 --> 01:33:41,575

Cedric: Nico

Peterson went missing

1547

01:33:41,576 --> 01:33:45,662

with one Serena Ornamental
and one handmade briefcase

1548

01:33:45,663 --> 01:33:48,331

packed with records of
every dope transaction

1549

01:33:48,332 --> 01:33:52,043

since he and Lou Hendricks
started business.

1550

01:33:52,044 --> 01:33:54,379

He was trying to
sell this information

1551

01:33:54,380 --> 01:33:56,215

to anyone he could find.

1552

01:33:58,259 --> 01:33:59,968

[brakes squeal]

1553

01:33:59,969 --> 01:34:03,013

Nico: I'm a book-keeper,
darling, a good one.

1554

01:34:03,014 --> 01:34:06,474

Import, export, I kept
every transaction.

1555

01:34:06,475 --> 01:34:09,477

[engine sputtering]

1556

01:34:09,478 --> 01:34:11,397

[music continues]

1557

01:34:13,024 --> 01:34:16,151

You're more than a
book-keeper, Nico.

1558

01:34:16,152 --> 01:34:18,362

You'd sell tickets
to the gates of hell.

1559

01:34:19,697 --> 01:34:22,532

Nico: Maybe that's

why you like me.

1560

01:34:22,533 --> 01:34:25,869

I never liked you, Nico.

1561

01:34:25,870 --> 01:34:27,537

[metal clanks]

1562

01:34:27,538 --> 01:34:28,872

[gunshot]
