

Dialogues from Minions I to improve the vocabulary in English

2

00:01:33,490 → 00:01:37,810

Minions.

3

00:01:42,440 → 00:01:48,810

Minions have been on this planet
far longer than we have.

4

00:01:48,840 → 00:01:50,540

They go by many names.

5

00:01:50,570 → 00:01:54,360

Dave, Carl, Paul, Mike.

6

00:01:55,590 → 00:01:57,710

Oh, that one is Norbert.

7

00:01:58,100 → 00:01:59,920

He's an idiot.

8

00:01:59,950 → 00:02:03,880

They're all different.

But they all share the same goal.

9

00:02:03,900 → 00:02:07,210

To serve the most despicable
master they could find.

10

00:02:07,230 → 00:02:09,090

BOSS!

11

00:02:10,070 → 00:02:11,920

- Boss.

- Boss.

12

00:02:13,610 → 00:02:18,550

Making their master happy was
the tribe's very reason for existence.

13

00:02:18,710 → 00:02:22,680

But that's not to say that
they didn't have other passions.

14

00:02:22,700 → 00:02:25,620

- Hey, look. It's a banana.

- Move over.

15

00:02:25,650 → 00:02:29,240

Hey, I know. It's a banana.

Ha-hah-ha.

16

00:02:29,260 → 00:02:31,230

Yum yum. Huh?

17

00:02:31,260 → 00:02:33,800

Finding a Boss was easy.

18

00:02:34,180 → 00:02:38,830

But keeping a Boss...

therein lies the rub.

19

00:02:39,560 → 00:02:43,170

Ow. Owww.

20

00:02:49,090 → 00:02:51,060

Whoa!

21

00:02:51,310 → 00:02:53,150

Oh.

22

00:02:54,550 → 00:02:55,570

- Oop.

- Aw.

23

00:02:55,590 → 00:02:56,810

- Oh.

- Oh.

24

00:03:04,180 → 00:03:06,360

I am... oaf. Aw.

25

00:03:18,700 → 00:03:21,790

Nope,

it wasn't easy for these guys.

26

00:03:21,820 → 00:03:24,200

But they never gave up.

27

00:03:24,230 → 00:03:29,340

With the emergence of the stone age
came the rise of a new species.

28

00:03:29,370 → 00:03:32,030

Man was very different
from the dinosaur.

29

00:03:32,050 → 00:03:37,450

He was shorter, hairier
and way, way smarter.

30

00:03:41,980 → 00:03:48,230

The minions took an instant liking to Man
and helped him as best they could.

31

00:03:50,110 → 00:03:53,670

Oh, no no... Here. A present.

32

00:03:55,110 → 00:03:56,390

- This?

- Yes yes yes.

33

00:03:56,420 → 00:03:58,900

For hitting. Ut-ut.

34

00:04:03,180 → 00:04:04,540

Aw!

35

00:04:04,770 → 00:04:11,530

Poor man.

So trusting, so fragile, so-so delicious.

36

00:04:11,550 → 00:04:14,680

Their quest for a boss put
the minions front and center

37

00:04:14,700 → 00:04:19,240

for some of the civilization
most historic moments.

38

00:04:23,330 → 00:04:26,590

Ancient Egypt held great promise.

39

00:04:27,910 → 00:04:29,530

Okay!

40

00:04:33,410 → 00:04:35,500

But it didn't last long.

41

00:04:35,530 → 00:04:37,330

Hmm. Oh.

42

00:04:37,350 → 00:04:38,910

Here. Yup.

43

00:04:38,930 → 00:04:40,200

Ow!

44

00:04:40,290 → 00:04:44,590

The dark ages
were actually fun times.

45

00:04:44,920 → 00:04:50,890

Their new master had a tendency
to party all night and sleep all day.

46

00:04:51,310 → 00:04:53,620

Ahem. Yoo-hoo.

47

00:04:59,810 → 00:05:01,760

[HAPPY BIRTHDAY] 357

48

00:05:06,300 → 00:05:07,060

Oh.

49

00:05:07,090 → 00:05:10,180

But eventually
the party was over.

50

00:05:11,560 → 00:05:12,570

Achoo.

51

00:05:12,600 → 00:05:15,570

They bounced from
one evil master to another.

52

00:05:15,600 → 00:05:19,220

But they never seemed

to find their perfect fit.

53

00:05:21,630 → 00:05:26,550

One particular employer took
their failure very very badly.

54

00:05:34,220 → 00:05:35,880

Huh?

55

00:05:36,860 → 00:05:41,310

The Minions had no other
choice but to keep moving.

56

00:05:43,970 → 00:05:45,710

Oh. Look.

57

00:05:45,730 → 00:05:48,960

And then,
when all hopes seem lost.

58

00:05:49,000 → 00:05:51,660

They found sanctuary.

59

00:05:52,170 → 00:05:55,290

The Minions were safe.

60

00:06:21,870 → 00:06:26,230

Years passed as the Minions
forged their own civilization.

61

00:06:26,250 → 00:06:29,140

They truly made a life
for themselves.

62

00:06:29,170 → 00:06:32,210

But something just wasn't right.

63

00:06:37,850 → 00:06:41,840

They felt empty inside.
Without a master, they had no purpose.

64

00:06:41,870 → 00:06:45,890

They became aimless
and depressed.

65

00:06:50,150 → 00:06:55,700

If this continue any longer,
the Minions would perish.

66

00:06:56,730 → 00:07:02,060

But all was not lost,
for one Minion had a plan.

67

00:07:02,080 → 00:07:05,500

His name was Kevin.

68

00:07:06,830 → 00:07:10,610

He was excited to share
his idea with the tribe.

69

00:07:10,640 → 00:07:15,370

He'd been preparing for
days, weeks, months.

70

00:07:15,660 → 00:07:18,180

But now he was ready.

71

00:07:29,510 → 00:07:31,380

Buddies.

72

00:07:40,670 → 00:07:44,060

Kevin would leave the cave,
go back to the outside world

73

00:07:44,110 → 00:07:46,650

and he would not return
until he had found his tribe

74

00:07:46,680 → 00:07:49,880

the biggest baddest villain deserved.

75

00:07:50,160 → 00:07:51,830

But he needed help.

76

00:07:51,860 → 00:07:54,360

Me! Me! I will come.

77

00:07:54,390 → 00:07:55,880

- Bob was eager to go.

- Kevin?

78

00:07:55,910 → 00:08:00,070

But Kevin felt he was just not strong
enough for the dangerous journey ahead.

79

00:08:00,140 → 00:08:03,290

Uh no. One other Minion?

80

00:08:03,360 → 00:08:04,720

Me. Choose me.

81

00:08:04,760 → 00:08:06,820

Me! Choose me! Aw.

82

00:08:06,840 → 00:08:07,930

Me!

83

00:08:07,950 → 00:08:09,890

I will come.

84

00:08:09,920 → 00:08:11,570

Luckily someone stepped up.

85

00:08:11,600 → 00:08:14,060

- Huh?

- Stuart! Come here.

86

00:08:14,080 → 00:08:16,290

Huh. Me? Me? Oh, thank you.

87

00:08:16,310 → 00:08:19,220

Truth be told. Stuart had no idea
what he was chose for.

88

00:08:19,240 → 00:08:21,730

Huh! Wh-Why?

89

00:08:21,760 → 00:08:25,750

But was thrilled that made
people cheered for him.

90

00:08:28,860 → 00:08:30,560

Uh. Stuart, Stuart.

91

00:08:30,590 → 00:08:31,880

One more?

92

00:08:31,900 → 00:08:35,340

ME! I am strong.

93

00:08:35,490 → 00:08:37,100

See here.

94

00:08:38,190 → 00:08:39,900

See!

95

00:08:40,280 → 00:08:41,510

- Oh.

- Oh.

96

00:08:41,530 → 00:08:44,910

Uh... okay. One more.

97

00:08:44,940 → 00:08:46,830

Kevin. Choose me.

98

00:08:46,860 → 00:08:49,740

Please. Choose me, Kevin.

99

00:08:49,770 → 00:08:51,000

Come here.

100

00:08:51,030 → 00:08:52,160

Huh. Yeah! Ha ha.

101

00:08:52,180 → 00:08:54,440

Eventually, Bob's energy and enthusiasm

102

00:08:54,460 → 00:08:59,070

but mostly lack of other volunteers
changed Kevin's mind.

103

00:09:00,160 → 00:09:01,880

- Kumbaya!

- Kumbaya!

104

00:09:01,900 → 00:09:03,550

Kumbaya.

105

00:09:03,570 → 00:09:05,100

Big boss! Big boss!

106

00:09:05,120 → 00:09:06,970

The tribe said their farewells.

107

00:09:06,990 → 00:09:10,730

Kevin had given them something
they haven't had in a long time.

108

00:09:10,760 → 00:09:12,640

- Hope.

- Kevin!

109

00:09:12,660 → 00:09:14,180

- Bob!

- (BIG BOSS! BIG BOSS!)

110

00:09:14,230 → 00:09:16,620

Hey, Tony. Good luck to you.

111

00:09:16,650 → 00:09:18,260

Tom. Take care.

112

00:09:18,290 → 00:09:21,150

And Chris. See you later.

113

00:09:21,200 → 00:09:24,670

- Hey Bob, you coming?

- Yes, yes.

114

00:09:24,700 → 00:09:28,000

Big boss! Big boss!

115

00:09:28,190 → 00:09:30,500

Bye bye.

116

00:09:35,590 → 00:09:37,830

Kevin felt pride.

117

00:09:37,850 → 00:09:41,330

He was going to be the
one to save his tribe.

118

00:09:41,360 → 00:09:44,390

Stuart felt, hungry mostly.

119

00:09:44,420 → 00:09:47,640

He was going to be the one
to eat this banana.

120

00:09:48,740 → 00:09:51,300

And Bob - Oh.

121

00:09:52,080 → 00:09:55,600

Bob was frightened
of the journey ahead.

122

00:10:06,390 → 00:10:09,500

Okay. Okay.
Look for the big boss.

123

00:10:09,530 → 00:10:11,980

Ah. There you go, Bob. Come on.

124

00:10:12,010 → 00:10:13,560

And they were off.

125

00:10:13,580 → 00:10:17,810

Off, to find their new boss.

126

00:10:19,420 → 00:10:20,950

Come on, Bob.

127

00:10:37,140 → 00:10:39,480

Huh? Kevin?

128

00:10:58,920 → 00:11:00,130

Oh.

129

00:11:00,380 → 00:11:03,130

- Hungry?

- Food?

130

00:11:03,450 → 00:11:05,230

There is no food.

131

00:11:05,250 → 00:11:07,350

Huh. Banana.

132

00:11:07,950 → 00:11:10,430

Uh. Stuart, What it it?

133

00:11:10,970 → 00:11:12,320

Banana.

134

00:11:12,360 → 00:11:14,560

- Banana!

- Aww.

135

00:11:15,830 → 00:11:17,600

- Stuart.

- Food.

136

00:11:17,620 → 00:11:19,220

Stop!

137

00:11:20,770 → 00:11:23,110

Bob! Stop!

138

00:11:32,210 → 00:11:34,870

Huh. Oh. Land!

139

00:11:34,890 → 00:11:36,140

Bob.

140

00:11:37,990 → 00:11:40,460

New York 1968.

141

00:12:15,950 → 00:12:18,480

- Oh, look at that one.

- Whoa!

142

00:12:18,510 → 00:12:20,650

Whoa. Look at that one.

143

00:12:20,690 → 00:12:22,780

- Peace!

- Make love, not war!

144

00:12:22,810 → 00:12:24,360

Peace to the world.

145

00:12:24,390 → 00:12:26,710

Boo ya. Boo ya.

146

00:12:27,910 → 00:12:30,850

Boo Ya! Boo ya, boo ya.

147

00:12:30,870 → 00:12:33,360

[MUSIC PAD]

148

00:12:36,350 → 00:12:37,930

Banana.

149

00:12:40,230 → 00:12:41,410

Whoa.

150

00:12:41,440 → 00:12:43,540

OUT NOW Songs of Aloha.

151

00:12:44,180 → 00:12:46,300

Biggest Hit of 1968.

152

00:12:50,110 → 00:12:52,080

Ba-Banana. Hey.

153

00:12:54,820 → 00:12:57,590

Stuart. Hey, oh. Bee-do.

154

00:12:58,780 → 00:12:59,820

Where is Bob?

155

00:12:59,850 → 00:13:02,940

- Kevin...

- Huh. Bob!

156

00:13:06,190 → 00:13:08,180

Oh. Banana.

157

00:13:11,290 → 00:13:12,720

Bob!

158

00:13:12,750 → 00:13:16,250

(FANCY'S)

159

00:13:16,470 → 00:13:18,420

Huh. Ah, Bob.

160

00:13:20,440 → 00:13:22,280

Wow.

161

00:13:29,110 → 00:13:30,580

Whoa.

162

00:13:31,890 → 00:13:34,730

Huh, Bob. There's Bob. Come on.

163

00:13:34,750 → 00:13:36,730

Excuse me. Coming through.

164

00:13:38,040 → 00:13:39,770

Ah... Okay. You go right.

165

00:13:39,790 → 00:13:40,900

- And I go this way.

- Huh?

166

00:13:40,930 → 00:13:42,580

Bob!

167

00:13:42,600 → 00:13:44,660

The store is now closing.

168

00:13:44,690 → 00:13:47,460

- Hey, what are you doing?

- Excuse me. Excuse me.

169

00:13:47,480 → 00:13:50,230

- Bob, where you?

- Give me that.

170

00:13:50,260 → 00:13:51,770

Oh, Kevin.

171

00:13:51,790 → 00:13:54,490

I am over here, Ke... Oh.

172

00:13:59,500 → 00:14:00,570

Huh.

173

00:14:00,600 → 00:14:02,870

Hey, ha ha. My buddies?

174

00:14:03,050 → 00:14:04,910

You are here.

You are here, my buddies.

175

00:14:04,940 → 00:14:06,650

Hey. It's me, Bob.

176

00:14:08,970 → 00:14:11,100

Hey. My buddies.

177

00:14:11,390 → 00:14:12,860

Huh?

178

00:14:13,440 → 00:14:14,990

Oh.

179

00:14:15,810 → 00:14:18,140

Bob! Bob!

180

00:14:18,160 → 00:14:21,200

Oh. There you are.

181

00:14:21,230 → 00:14:23,530

- What happened?

- Nothing.

182

00:14:23,560 → 00:14:25,190

Oh. There, here's Tim.

183

00:14:25,220 → 00:14:29,140

Oh, ha ha. My Tim. Thank you.

184

00:14:29,580 → 00:14:30,890

Hm?

185

00:14:31,500 → 00:14:33,690

Oh no. They are closed.

186

00:14:36,410 → 00:14:37,970

Hey. Look at this. Boing, boing,

187

00:14:37,990 → 00:14:39,190

Come on in.

188

00:14:46,540 → 00:14:49,860

- Let's have it, Stuart.

- Yes, yes. Just a second.

189

00:14:49,890 → 00:14:51,630

Ah. How's this shows?

190

00:14:51,660 → 00:14:56,060

- Uh, nah. Try another channel.

- Okay, okay, changing.

191

00:14:57,400 → 00:14:59,240

Oh, THE DATING GAME.

192

00:14:59,260 → 00:15:01,110

Okay, Let's watch this.

193

00:15:01,280 → 00:15:04,910

And welcome back to

the Dating Game.

194

00:15:04,940 → 00:15:07,230

Well Jennifer. Have you decided

195

00:15:07,260 → 00:15:10,980

which of these 3 gentlemen,
you'll go on a date with?

196

00:15:11,000 → 00:15:14,810

- Is it Bob?

- Yeah! Go Bob.

197

00:15:14,840 → 00:15:17,110

- Kevin.

- It's me, Kevin.

198

00:15:17,140 → 00:15:21,720

- Or will it be Stuart?

- Oh. Yo, Stuart.

199

00:15:21,750 → 00:15:26,250

Gosh. This is so hard.

They all sounded so cute.

200

00:15:26,270 → 00:15:28,950

I think I'm going to go with...

201

00:15:31,980 → 00:15:34,140

Nobody panic, alright.

202

00:15:34,480 → 00:15:36,680

Now, now. Calm down, Stuart.

203

00:15:39,410 → 00:15:42,820

V... N... C...

204

00:15:42,840 → 00:15:46,260

You're watching the top secret
Villain Network Channel.

205

00:15:46,290 → 00:15:49,750

If you tell anyone,
we'll find you.

206

00:15:49,780 → 00:15:50,990

Huh. Don't move.

207

00:15:51,020 → 00:15:52,600

Sponsored by Villain-Con.

208

00:15:52,630 → 00:15:57,480

For 89 years straight. The biggest
gathering of criminals anywhere.

209

00:15:57,500 → 00:15:59,370

That-That's where we
would find the big boss.

210

00:15:59,390 → 00:16:02,380

Attend guest lectures
from esteem villains.

211

00:16:02,410 → 00:16:06,040

Make contacts in the
underworld community.

212

00:16:06,070 → 00:16:09,140

And, for the first time anywhere,

213

00:16:09,160 → 00:16:12,200

Scarlet Overkill!

214

00:16:12,230 → 00:16:16,170

Evil. So evil.

215

00:16:18,050 → 00:16:22,220

- Criminal genius.

- Hey. Girl's got to make a living.

216

00:16:22,240 → 00:16:24,140

- Move aside, men.

- Make way.

217

00:16:24,170 → 00:16:26,590

- There's a new bad man in town.

- Excuse me.

218

00:16:26,610 → 00:16:30,130

And that man is a woman.

219

00:16:30,150 → 00:16:34,790

- Crime isn't ready.

- It's red hot.

220

00:16:35,430 → 00:16:37,830

Get to Villain-Con this weekend.

221

00:16:37,860 → 00:16:42,860

Only at 545 Orange Grove Avenue,
in Orlando, Florida.

222

00:16:42,880 → 00:16:47,650

So much fun, it's a crime.

Heh-heh-heh.

223

00:16:47,680 → 00:16:49,770

Oh. Villain-Con, Orlando.

224

00:16:49,790 → 00:16:52,210

- Woo hoo.

- Ha-ha-ha.

225

00:16:58,370 → 00:17:01,150

Hello. Orlando?

226

00:17:01,170 → 00:17:02,480

Ah, buttocks.

227

00:17:02,510 → 00:17:05,330

Hey, greetings. Orlando?

228

00:17:06,070 → 00:17:10,360

Ooh. Hello, Papagena.

You beautiful papaya.

229

00:17:10,380 → 00:17:13,000

- Do you know, Orlando?

- Oh. I think.

230

00:17:13,510 → 00:17:15,070

- That way.

- Uh huh.

231

00:17:15,520 → 00:17:18,140

- Ah, okay. Thank you, baby.

- Bye bye.

232

00:17:18,170 → 00:17:19,850

- That way.

- Ah.

233

00:17:19,880 → 00:17:21,480

To Orlando!

234

00:17:21,500 → 00:17:24,000

Ah! Papagena!

235

00:17:39,220 → 00:17:41,450

[NEW YORK]

236

00:17:41,680 → 00:17:44,160

Hey, Stuart. Do you best.

237

00:17:45,070 → 00:17:47,870

Oh yeah, far out.

238

00:17:47,890 → 00:17:50,160

Welcome to Wayne, brother.

239

00:17:55,110 → 00:17:56,260

No. No no no. Kevin.

240

00:17:56,290 → 00:17:58,860

I'll do it. I'll do it.

You watch.

241

00:18:09,120 → 00:18:10,340

Ha-ha-ha...

242

00:18:10,360 → 00:18:13,000

"No no, no no.

I'll do it. I'll do it. You watch."

243

00:18:13,020 → 00:18:14,620

Yah, right.

244

00:18:14,800 → 00:18:18,090

Just you wait. I'll show you.

245

00:18:18,120 → 00:18:19,810

Hey. Stop! Stop!

246

00:18:19,830 → 00:18:21,080

Stop...!

247

00:18:21,120 → 00:18:24,890

Over here. Stop! Stop!

248

00:18:24,950 → 00:18:26,880

Stop. Stop.

249

00:18:26,910 → 00:18:28,600

Stop...

250

00:18:37,120 → 00:18:39,130

There. You do it.

251

00:18:51,910 → 00:18:53,820

Stuart, that's him.

252

00:18:56,650 → 00:18:58,640

ORLANDO

253

00:19:23,130 → 00:19:27,960

Oh, Walter look. These adorable little
freaks are heading to Orlando too.

254

00:19:27,980 → 00:19:30,500

Yeah, I see that.

Hey, Walter Junior.

255

00:19:30,540 → 00:19:32,420

- What's happening?

- Tina. - Hi.

256

00:19:32,450 → 00:19:35,540

Pinkie. What do you say
we give these fellows a ride?

257

00:19:35,570 → 00:19:37,610

- Yeah! New friends.

- Yeah! New friends.

258

00:19:37,630 → 00:19:40,090

All aboard the Nelson Express.

259

00:19:40,120 → 00:19:42,920

You, one eye,

You're sitting next to me.

260

00:19:42,950 → 00:19:44,310

Okay. I'm going.

261

00:19:44,340 → 00:19:46,570

Stuart. Just get on.

262

00:19:51,380 → 00:19:55,680

Glad we came along before
some weirdos picked you up.

263

00:19:55,810 → 00:19:58,990

Who wants apple slices?

264

00:19:59,010 → 00:20:01,090

Ahh. Apple.

265

00:20:01,110 → 00:20:02,370

Oh, you too.

266

00:20:02,400 → 00:20:06,550

Growing of a... boy like...
creatures need their strength.

267

00:20:06,570 → 00:20:09,570

Okay. You want it?

268

00:20:09,590 → 00:20:11,230

Yeah!

269

00:20:12,300 → 00:20:13,950

Thanks, man.

270

00:20:14,180 → 00:20:16,740

Alrighty.
Who needs to stretch their legs?

271

00:20:16,760 → 00:20:18,370

- Yeah!
- Yes. Me me me!

272

00:20:18,390 → 00:20:20,710

You guys wait right here.

We'll be right back.

273

00:20:20,740 → 00:20:23,850

Okay, Nelsons. Let's do this.

274

00:20:26,980 → 00:20:29,200

Uh. Protection?

275

00:20:32,720 → 00:20:34,410

Go go go!

276

00:20:37,410 → 00:20:39,990

Okey dokey, on the road again.

277

00:20:47,910 → 00:20:51,720

Dad, we got company.

It's because I tripped the alarm.

278

00:20:51,750 → 00:20:53,170

- I stink.

- Hey.

279

00:20:53,190 → 00:20:57,140

We all make mistakes, sugar plum.

You're still learning.

280

00:20:58,150 → 00:20:59,440

Whoa! What!

281

00:20:59,470 → 00:21:01,500

- Your father's right, Tina.

- Reload.

282

00:21:01,530 → 00:21:03,393

He wasn't this good at

being evil overnight.

283

00:21:03,405 → 00:21:04,030

Reload.

284

00:21:04,060 → 00:21:06,100

Your time is coming.

285

00:21:07,210 → 00:21:09,850

Ah! It's jammed.

286

00:21:14,240 → 00:21:15,600

Huh?

287

00:21:21,200 → 00:21:22,230

- Give me.

- No.

288

00:21:22,260 → 00:21:24,270

- Give me. Give me!

- No no. No.

289

00:21:44,610 → 00:21:47,460

- Okay, who did that?

- It's Stuart.

290

00:21:47,480 → 00:21:50,180

- Huh? Me... me...

- That was great.

291

00:21:50,200 → 00:21:51,880

Ha ha ha. Thank you.

292

00:21:51,900 → 00:21:53,470

Give me. Give me. Give me.

293

00:21:53,500 → 00:21:56,890

Say, fellows. Can we get
personal for just a second?

294

00:21:56,920 → 00:22:00,910

Why are you going to Orlando?

295

00:22:01,820 → 00:22:05,820

Come on, you can tell us,
You're going to Villain-Con, aren't you?

296

00:22:05,850 → 00:22:07,110

Yes, Villain-Con.

297

00:22:07,130 → 00:22:08,740

Villain-Con.

298

00:22:08,770 → 00:22:11,290

Wow, so many
bad guys in the car.

299

00:22:11,320 → 00:22:13,360

- What fun.
- I knew it.

300

00:22:13,390 → 00:22:15,420

I knew you were villains.
Didn't I, honey?

301

00:22:15,440 → 00:22:18,190

What a small world.
Hope we're not in rival gangs.

302

00:22:18,220 → 00:22:20,090

Heh heh heh.

303

00:22:20,310 → 00:22:21,780

Pinkie, joke.

304

00:22:21,800 → 00:22:23,590

Babies, huh?

305

00:22:53,040 → 00:22:55,050

Hey, everybody. The boss.

306

00:22:55,070 → 00:22:58,890

It's big boss.

Let's go welcome him.

307

00:22:58,910 → 00:23:01,140

- Yah.

- Hoo hoo.

308

00:23:01,170 → 00:23:04,320

- Boss.

- Boss.

309

00:23:04,340 → 00:23:06,470

Boss. The boss.

310

00:23:06,500 → 00:23:08,210

Sheesh. Sheesh.

Sheesh, sheesh...

311

00:23:08,230 → 00:23:10,400

The boss will speak.

312

00:23:23,940 → 00:23:25,310

When we get to Orlando,

313

00:23:25,330 → 00:23:28,250

I'm going to get all my favorite
villains to sign my magazine.

314

00:23:28,270 → 00:23:30,500

Dumo, the Sumo.

315

00:23:30,520 → 00:23:32,070

Oh oh. He's a boss.

316

00:23:32,080 → 00:23:34,680

Oh, Kevin! You don't
want to work for him.

317

00:23:34,710 → 00:23:37,370

He ate his last henchman.

318

00:23:37,400 → 00:23:40,650

Frankie Fishlips.

He lives in the ocean.

319

00:23:40,680 → 00:23:43,100

- Ah. And he's the boss?

- Uh.

320

00:23:43,120 → 00:23:46,260

- Can you breathe under water?

- Bah... So so.

321

00:23:46,280 → 00:23:49,850

Oh oh oh.

Look at her, Scarlet Overkill!

322

00:23:49,870 → 00:23:52,890

The coolest supervillain,

like ever.

323

00:23:52,910 → 00:23:56,490

She started out as your average
little girl. Bracers, pig tails.

324

00:23:56,510 → 00:24:01,140

But, by the time she was 13,
She built a criminal empire.

325

00:24:01,160 → 00:24:04,930

If I was a Minion, that's who
I would want to work for.

326

00:24:04,960 → 00:24:07,370

Ah... Scarlet Overkill. Whoa.

327

00:24:07,400 → 00:24:12,320

- Here we are, beautiful Orlando.
- Yeah, we're here!

328

00:24:13,630 → 00:24:15,620

Orlando Coming soon!

329

00:24:15,650 → 00:24:17,950

Orlando.

330

00:24:23,990 → 00:24:26,100

[545]

331

00:24:26,120 → 00:24:28,780

[BAIT SHOP]

332

00:24:29,690 → 00:24:31,730

Hey gang, watch this.

333

00:24:32,110 → 00:24:35,400

Welcome to Billy Bob's Bait Shop,
how can I help you?

334

00:24:35,430 → 00:24:37,130

Yeah. Hi.

335

00:24:37,710 → 00:24:41,870

We are here for...

"So much fun, it's a crime."

336

00:24:52,480 → 00:24:57,480

[PARKING ->]

337

00:25:01,400 → 00:25:02,540

Woo-hoo. Yeh!

338

00:25:02,560 → 00:25:06,050

It's Villain-Con.

The Villain-Con!

339

00:25:06,660 → 00:25:08,840

LUV.2.ROB NEW YORK

340

00:25:09,240 → 00:25:11,180

Alright, here we go.

341

00:25:11,210 → 00:25:13,250

Well, this is it.

342

00:25:13,280 → 00:25:16,160

I wanted to tell you and

I really I mean this.

343

00:25:16,190 → 00:25:19,330

I'm really appreciate what you did
back there with the cops. Really.

344

00:25:19,350 → 00:25:22,150

Dad! It's Frankie Fishlips.

345

00:25:22,180 → 00:25:25,130

- I can smell him from here!
- Junior, get my camera.

346

00:25:25,150 → 00:25:27,240

Good luck in there, boys.

347

00:25:27,260 → 00:25:29,320

I hope you find what
you are looking for.

348

00:25:29,350 → 00:25:31,500

- Yeah, bye.
- Bye.

349

00:25:33,070 → 00:25:34,780

And here we come, Villain-Con!

350

00:25:34,810 → 00:25:36,080

- Ha ha.

- Yeah!

351

00:25:36,100 → 00:25:38,980

- Villain-Con.

- Ya! Hoo.

352

00:25:39,010 → 00:25:42,480

[WELCOME TO VILLAIN-CON] 1968

353

00:25:42,970 → 00:25:46,320

[FREEZE-RAY]

- Whoa.

354

00:25:47,610 → 00:25:50,620

Any evil talents?

355

00:25:51,600 → 00:25:53,120

Not bad.

356

00:25:53,140 → 00:25:56,410

What about you?

Any evil talents?

357

00:25:57,180 → 00:26:00,880

Hello. La la la. La la la. Eh?

358

00:26:00,900 → 00:26:04,080

That's not evil, or a talent.

359

00:26:10,830 → 00:26:14,920

Hello! Ahaa! Ha ha.

360

00:26:14,950 → 00:26:16,140

No?

361

00:26:16,170 → 00:26:19,850

I'm sorry, but I'm not looking
for any more servants.

362

00:26:19,870 → 00:26:22,290

For I, Professor Flux,

363

00:26:22,310 → 00:26:26,000

have invented the
world's first Time machine,

364

00:26:26,020 → 00:26:28,390

Every time I visit the future,

365

00:26:28,410 → 00:26:32,440

I bring my future
self back to help me.

366

00:26:32,470 → 00:26:34,130

Hello.

367

00:26:35,020 → 00:26:38,870

Who's that over there,
Professor Flux from 2 weeks from now?

368

00:26:38,900 → 00:26:42,200

As you can see,
I don't need any help.

369

00:26:43,690 → 00:26:48,110

Oh. Way to go, guys.

We killed the original.

370

00:26:48,140 → 00:26:51,480

- Huh!

- Aw!

371

00:26:51,500 → 00:26:53,140

Please.

372

00:26:55,990 → 00:26:59,080

<i>Villain-Con,

I present our keynote speaker.</i>

373

00:26:59,100 → 00:27:05,440

Scarlet Overkill.

The world's first female supervillain.

374

00:27:05,580 → 00:27:08,970

Appearing right now in Hall 8.

Bob, Stuart, buddies.

375

00:27:08,990 → 00:27:11,200

Buddies, let's go.

It's Scarlet Overkill.

376

00:27:11,230 → 00:27:13,220

- Scarlet?

- Come on. Come on.

377

00:27:13,250 → 00:27:14,670

Kevin.

378

00:27:14,720 → 00:27:19,230

Are you ready...

379

00:27:20,260 → 00:27:24,660

for Scarlet Overkill.

380

00:27:26,080 → 00:27:27,300

Ha.

381

00:27:27,320 → 00:27:30,950

Doesn't it feel so good

to be bad?

382

00:27:30,980 → 00:27:34,750

- Scarlet-Scarlet-Scarlet...

- Yes! - Hoo-hoo-hoo.

383

00:27:38,370 → 00:27:41,500

Ha-ha-ha...

- Whoa. - Wow.

384

00:27:55,710 → 00:27:57,300

Scarlet!

385

00:27:58,470 → 00:28:01,620

Whoa. Ha ha. What beauty.

386

00:28:01,760 → 00:28:04,880

Wow. Thank you.

387

00:28:05,900 → 00:28:08,780

Thank you so much.

388

00:28:08,800 → 00:28:12,330

Okay. Shh shh shh.

389

00:28:13,280 → 00:28:16,380

When I started out,
people said a woman could

390

00:28:16,400 → 00:28:21,040

never rob a bank
as well as a man. Well.

391

00:28:21,580 → 00:28:24,600

Time's changed.

392

00:28:24,680 → 00:28:26,300

I love you, Scarlet!

393

00:28:26,330 → 00:28:31,430

Look at all those faces out there,
we are all so different.

394

00:28:31,450 → 00:28:33,740

But we have one thing in common.

395

00:28:33,770 → 00:28:37,480

We were born with flippers!

396

00:28:38,070 → 00:28:40,900

No? Just me?

397

00:28:41,190 → 00:28:42,540

Okay.

398

00:28:42,670 → 00:28:48,420

We have big dreams, and we will
do anything to make them come true.

399

00:28:48,450 → 00:28:51,040

Have any of you ever dreamt

400

00:28:51,070 → 00:28:56,220

of working for the greatest
supervillain of all time?

401

00:28:58,250 → 00:29:00,610

Heh-heh-heh. Well.

402

00:29:00,650 → 00:29:02,820

What if I were to tell you,

403

00:29:02,850 → 00:29:06,710

that I am looking

for a new henchman!

404

00:29:06,740 → 00:29:08,770

Hey, big boss.

This is our chance.

405

00:29:08,790 → 00:29:09,870

- Yes.

- Ha.

406

00:29:09,900 → 00:29:13,090

I truly believe

somewhere out there

407

00:29:13,110 → 00:29:17,220

is a villain with the potential

to serve greatness.

408

00:29:17,250 → 00:29:20,980

- And it could be any of you.

- Whoa.

409

00:29:21,010 → 00:29:23,360

Although let's not kid ourselves.

410

00:29:23,380 → 00:29:28,770

Truly the only man for this job
are Kevin and his Minions.

411

00:29:28,790 → 00:29:31,560

10 times the evil and
half the package.

412

00:29:31,580 → 00:29:33,430

I'm just in awe.

413

00:29:33,450 → 00:29:38,670

Let's hear it for Kevin.
He saved his tribe!

414

00:29:38,690 → 00:29:42,410

Kevin! Kevin!

415

00:29:42,440 → 00:29:44,950

- Kevin Kevin Kev...

- Hey, Kevin. Hey.

416

00:29:44,980 → 00:29:47,530

- Ow.

- Hey. Pay attention.

417

00:29:47,550 → 00:29:51,080

So. How should we do this?

418

00:29:51,110 → 00:29:53,710

Hmm. Oh.

419

00:29:53,730 → 00:29:56,160

You see this

tiny little trinket?

420

00:29:56,180 → 00:29:58,720

Well, just take it from my hand
and you got the job.

421

00:29:58,750 → 00:30:00,710

No big deal,
it's almost too simple.

422

00:30:00,730 → 00:30:02,350

Eh heh heh.

423

00:30:02,710 → 00:30:07,020

Oh, come on, don't be afraid.
Just take the stone and get that job.

424

00:30:07,040 → 00:30:08,810

- Come on.
- Oh, okay.

425

00:30:08,830 → 00:30:10,750

Let's go get our boss. Come on.

426

00:30:10,770 → 00:30:14,030

- That job is mine.

- Oof.

427

00:30:20,190 → 00:30:22,280

Now, go easy on me.

428

00:30:22,840 → 00:30:24,330

Heh-heh-heh-heh.

429

00:30:24,380 → 00:30:25,700

Aw!

430

00:30:25,730 → 00:30:28,330

Love the costume.

431

00:30:28,500 → 00:30:29,890

Ha!

432

00:30:32,220 → 00:30:34,620

So cool!

433

00:30:36,470 → 00:30:38,150

Wait Wait.

434

00:30:38,170 → 00:30:40,220

Tim? Tim!

435

00:30:43,000 → 00:30:43,930

Oh.

436

00:30:43,960 → 00:30:46,340

Oh no, Bob. He's over there.

437

00:30:46,370 → 00:30:47,250

Ah. Stop.

438

00:30:47,280 → 00:30:50,460

- Is no one good enough?

- Stop. Tim.

439

00:30:52,540 → 00:30:54,360

Bob!

440

00:30:55,660 → 00:30:57,120

Hi ya!

441

00:31:00,720 → 00:31:02,060

Tiiimmm.

442

00:31:02,090 → 00:31:03,410

There he is.

443

00:31:03,920 → 00:31:05,260

Bob!

444

00:31:12,420 → 00:31:13,950

Aw!

445

00:31:13,970 → 00:31:16,790

Didn't my speech inspired anyone

446

00:31:16,820 → 00:31:20,140

to rise up and prove

themselves worthy?

447

00:31:20,160 → 00:31:24,020

All these villains, and yet
I still have the-bear.

448

00:31:24,050 → 00:31:26,150

Stuffed bear.

Why am I holding a bear?

449

00:31:26,170 → 00:31:29,110

- Oh.

- Who has the ruby?

450

00:31:35,680 → 00:31:38,760

Wow. Who-Who are you?

451

00:31:38,780 → 00:31:42,720

My... knights in shiny denim.

452

00:31:42,750 → 00:31:45,740

- I'm Kevin. This is Stuart.

- Yo. - And Bob.

453

00:31:45,770 → 00:31:48,960

- Minions!

- That was incredible.

454

00:31:48,980 → 00:31:53,040

Behold, the last creatures
you expect to win the day

455

00:31:53,070 → 00:31:55,310

have emerged victorious.

456

00:31:55,340 → 00:31:58,130

Everyone, meet my new henchmen.

457

00:31:58,150 → 00:32:00,180

The Minions!

458

00:32:00,200 → 00:32:04,240

- Kumbaya! Ha ha!

- Kumbaya!

459

00:32:04,260 → 00:32:06,270

Kumbaya!

460

00:32:06,300 → 00:32:10,670

Hey! I know those guys.

I gave them a ride here.

461

00:32:10,690 → 00:32:13,740

Woo. Hoo-hoo-hoo.

462

00:32:15,340 → 00:32:19,620

Buckle up, boys.

Next stop, England.

463

00:32:49,230 → 00:32:51,030

Ah. Pick it up.

464

00:32:53,580 → 00:32:57,340

1, 2123!

465

00:33:17,370 → 00:33:20,260

Hello. Hey, Kevin.

466

00:33:20,280 → 00:33:23,120

Huh? The boss, in England.

467

00:33:23,140 → 00:33:26,290

Nah. We have the boss. Listen.

468

00:33:37,770 → 00:33:39,450

Ah. Uh... Hello, Kevin.

469

00:33:39,470 → 00:33:41,440

Did-Did you say England?

470

00:33:41,460 → 00:33:42,980

Uh-huh. The boss, yes.

471

00:33:43,010 → 00:33:45,790

Scarlet Overkill. Ah.

472

00:33:54,580 → 00:33:56,090

Hello. Hello?

473

00:33:56,120 → 00:33:58,980

Oh. He hung up. Hello.

474

00:34:07,710 → 00:34:09,500

Wow.

475

00:34:18,290 → 00:34:21,370

Here we go. Come here.

476

00:34:21,390 → 00:34:24,790

By the way.

I really like your bear.

477

00:34:24,810 → 00:34:28,530

- Herb, my baby.

- You know I am.

478

00:34:28,560 → 00:34:31,430

How did it go? Were you evil?

479

00:34:31,460 → 00:34:33,330

- So evil.

- Oh!

480

00:34:33,360 → 00:34:36,710

A little bird dropped

this off today.

481

00:34:36,740 → 00:34:39,650

I Missed You! ♥ H.

482

00:34:39,670 → 00:34:42,080

It's me, I'm the "H".

483

00:34:42,110 → 00:34:45,370

Also, there's no birds. Also me.

484

00:34:45,400 → 00:34:46,810

Herb, seriously.

485

00:34:46,840 → 00:34:48,980

I want to dig up that
William Shakespeare,

486

00:34:49,000 → 00:34:51,530

so he can see
what true writing is.

487

00:34:51,550 → 00:34:53,040

I love it.

488

00:34:53,060 → 00:34:55,860

That works because I love you.

489

00:34:55,880 → 00:34:58,700

Well, I love you too.

490

00:34:58,720 → 00:35:01,070

Oh. The love, oh.

491

00:35:02,980 → 00:35:06,200

Oh, boys.

Could you come here please?

492

00:35:06,230 → 00:35:13,270

Meet my husband, Herb.

Inventor, super genius, fox.

493

00:35:13,420 → 00:35:15,570

Herb, these are the new recruits.

494

00:35:15,610 → 00:35:19,990

Kevin, Stuart and
that cute little one is Bob.

495

00:35:20,430 → 00:35:22,900

Right on. You guys
are crazy little and

496

00:35:22,930 → 00:35:27,250

way yellow, and I digged that.

497

00:35:30,430 → 00:35:32,410

Sweet, man.

498

00:35:36,870 → 00:35:38,350

- Wow.

- Cool house.

499

00:35:38,370 → 00:35:40,290

I know, right?

500

00:35:40,320 → 00:35:44,000

Just a few thing I stole
to help fill the void.

501

00:35:44,020 → 00:35:47,520

Whoa. Las Vegas' Ukulele.

502

00:35:49,550 → 00:35:51,080

Checking out my can?

503

00:35:51,110 → 00:35:52,480

We stole that because finally

504

00:35:52,520 → 00:35:55,160

someone expressed my love
of soup in painting form.

505

00:35:55,180 → 00:35:56,770

- Wow.

- Woo.

506

00:35:56,800 → 00:36:01,370

Okay, listen up.

It is time to get down to business.

507

00:36:01,800 → 00:36:03,630

Do you know who this is?

508

00:36:03,650 → 00:36:05,510

Uh. The cockroach?

509

00:36:05,530 → 00:36:09,810

This is Queen Elizabeth,
ruler of England.

510

00:36:09,840 → 00:36:14,130

Oh. I love England.

The music, the fashion.

511

00:36:14,160 → 00:36:17,540

I'm seriously thinking about
overthrowing it someday.

512

00:36:17,560 → 00:36:19,090

- I'm so excited.

- Yes.

513

00:36:19,110 → 00:36:22,700

Anyway. This pale drink of water
oversees it all.

514

00:36:22,720 → 00:36:25,660

I'm her biggest fan,
love her work.

515

00:36:25,690 → 00:36:29,290

And I really really really
want her crown.

516

00:36:32,440 → 00:36:35,950

Steal me the crown and
all your dreams come true.

517

00:36:35,970 → 00:36:37,450

Respect!

518

00:36:37,470 → 00:36:38,520

Power!

519

00:36:38,550 → 00:36:42,560

Banana!

520

00:36:52,390 → 00:36:54,430

Huh! Henry!

521

00:36:57,610 → 00:36:59,940

The way to England, is... is...

522

00:36:59,960 → 00:37:01,350

Ah! Give me.

523

00:37:01,380 → 00:37:03,880

Uh. England is... this way.

524

00:37:03,900 → 00:37:06,200

March on! Eh!

525

00:37:14,910 → 00:37:18,100

Wait for me! Wait for me! Ah!

526

00:37:23,960 → 00:37:25,870

Go back!

527

00:37:29,500 → 00:37:32,210

- Hm. What is this place?

- Hey. Over there.

528

00:37:32,230 → 00:37:34,020

- Whoa.

- Wow.

529

00:37:34,050 → 00:37:36,250

Whoa oh. Uu la la.

530

00:37:36,270 → 00:37:37,820

No. Oh, no.

531

00:37:37,840 → 00:37:39,390

Don't get too close, boys.

532

00:37:39,390 → 00:37:42,000

When it's completed, it will
be my ultimate weapon. But.

533

00:37:42,020 → 00:37:46,740

Right now, it's leaking radiation.

Like you would not believe.

534

00:37:47,710 → 00:37:51,480

So you're here for gear.

535

00:37:52,470 → 00:37:53,790

Whoa.

536

00:37:54,810 → 00:37:58,050

- Bob, Robert, Bobby my boy.

- Yes?

537

00:37:58,070 → 00:38:02,090

You get my far out stretch suit.

538

00:38:02,670 → 00:38:04,020

Wow.

539

00:38:04,440 → 00:38:07,210

Kevin, Kevo, Seventh Kevin.

540

00:38:07,240 → 00:38:11,110

You are the proud owner
of my Lava Lamp gun.

541

00:38:11,240 → 00:38:14,270

This baby shoots actual lava.

542

00:38:14,290 → 00:38:16,850

- Woo, for me?

- Pretty cool, right?

543

00:38:16,870 → 00:38:22,120

And finally, Stu, Stu-art,
Stuperman, Pitstu.

544

00:38:22,140 → 00:38:25,600

I got you the coolest invention,
probably ever.

545

00:38:26,620 → 00:38:28,980

Hypno hat!

546

00:38:35,110 → 00:38:37,600

You can use it
to hypnotize anyone.

547

00:38:37,630 → 00:38:38,960

Anyone!

548

00:38:38,990 → 00:38:41,790

Oh, you look so great.

549

00:38:41,810 → 00:38:45,770

I feel like a proud mama
with 3 dashing evil sons.

550

00:38:45,790 → 00:38:47,360

Uh. Scarlet. Scarlet.

551

00:38:47,390 → 00:38:48,870

There is something
wrong with this.

552

00:38:48,900 → 00:38:51,950

No, no, don't say anything,
I won't understand.

553

00:38:51,980 → 00:38:56,650

It's getting late, you had a big day.
You must be exhausted.

554

00:38:56,680 → 00:39:00,200

Boing. Boing.

555

00:39:00,230 → 00:39:02,480

Wow, these cats are pumped!

556

00:39:02,510 → 00:39:07,510

Well, maybe I'll settle them down
with a bedtime story.

557

00:39:11,430 → 00:39:13,160

How does that sound, Bob?

558

00:39:13,190 → 00:39:15,590

Bob? Bob? Bob!

559

00:39:15,610 → 00:39:17,050

Oh. Bedtime story?

560

00:39:17,070 → 00:39:18,740

That, is a groovy idea,

561

00:39:18,760 → 00:39:20,420

I'll go get some

cookies and warm milk.

562

00:39:20,450 → 00:39:24,260

This is going to be so fun!

563

00:39:24,560 → 00:39:25,840

And the bedtime story.

564

00:39:25,860 → 00:39:30,660

Oh, yes, I've got a really really
good bedtime borey.

565

00:39:30,690 → 00:39:35,730

Once upon a time,

there were 3 little pigs.

566

00:39:36,340 → 00:39:42,290

One fateful day, the pigs
encountered a big bad wolf,

567

00:39:43,300 → 00:39:45,980

who had a wonderful
surprise for them,

568

00:39:46,010 → 00:39:50,970

The wolf offered the 3 piggies and
all their friends a job working for her.

569

00:39:50,990 → 00:39:54,220

Everyone would be so happy.

570

00:39:54,680 → 00:39:58,310

All the 3 little piggies had to do
was just steal one little crown.

571

00:39:58,340 → 00:40:00,330

That the beautiful wolf

had wanted ever since

572

00:40:00,350 → 00:40:03,960

she was a penniless

little street cub.

573

00:40:03,990 → 00:40:07,760

Unloved and abandoned.

574

00:40:07,780 → 00:40:11,350

But that crown would mean

she was a princess.

575

00:40:11,370 → 00:40:13,570

And everybody loves the princess.

576

00:40:13,600 → 00:40:17,000

So, the wolf sent the

piggies to get that crown.

577

00:40:18,340 → 00:40:20,880

But the little piggies weren't

up to the challenge.

578

00:40:20,910 → 00:40:23,160

They failed their mission.

579

00:40:23,190 → 00:40:26,280

So the wolf huffed and puffed

580

00:40:26,300 → 00:40:30,030

and she blew them off

the face of the earth!

581

00:40:35,430 → 00:40:37,060

The end.

582

00:40:40,770 → 00:40:44,440

Good luck getting the crown

tomorrow, little piggies.

583

00:40:45,250 → 00:40:48,100

I know you won't disappoint me.

584

00:40:55,800 → 00:40:59,100

Tower of London Tower of London.
LONDON.

585

00:41:03,590 → 00:41:04,690

Okay.

586

00:41:04,720 → 00:41:07,650

[HOME OF THE QUEEN'S CROWN]

Let's go get the crown, for Scarlet.

587

00:41:07,680 → 00:41:09,810

[HOME OF THE QUEEN'S CROWN]

588

00:41:13,890 → 00:41:16,490

Hello. 3 please.

589

00:41:16,510 → 00:41:19,470

You are not allowed

to enter without an adult.

590

00:41:19,500 → 00:41:21,720

Scram, hooligans.

591

00:41:29,420 → 00:41:30,930

Woo, a lad.

592

00:41:30,960 → 00:41:32,540

- What lad?

- Holah!

593

00:41:32,560 → 00:41:34,880

Poof. Stuart, that way.

594

00:41:38,710 → 00:41:41,360

How many tickets, please?

595

00:41:42,140 → 00:41:44,060

3, please.

596

00:41:44,220 → 00:41:47,220

One, please. One.

597

00:41:52,380 → 00:41:55,930

- Enjoy yourself, love.

- Thank you.

598

00:42:04,330 → 00:42:06,310

- That way.

- Okay.

599

00:42:07,350 → 00:42:10,760

[KEEP OUT]

600

00:42:10,940 → 00:42:12,250

Go!

601

00:42:13,310 → 00:42:15,120

Okay, we're in.

602

00:42:19,820 → 00:42:21,060

Okay, come on.

603

00:42:21,080 → 00:42:24,840

Hey! What are you doing here?

604

00:42:24,860 → 00:42:26,090

Eating?

605

00:42:26,120 → 00:42:28,460

This is a restricted area!

606

00:42:28,490 → 00:42:32,880

- Hands in the air!

- No... Let me do it.

607

00:42:37,050 → 00:42:38,820

Stop that!

608

00:42:41,270 → 00:42:44,040

Get back!

609

00:43:18,360 → 00:43:22,820

Hey-hey-hey... Bob,

Stuart, come on.

610

00:43:40,020 → 00:43:42,180

Stay back. Leave this to me.

611

00:43:54,000 → 00:43:57,120

There it is, the crown. Come on.

612

00:43:59,940 → 00:44:02,110

So.

613

00:44:02,130 → 00:44:05,840

You came for the
queen's crown, did you?

614

00:44:05,860 → 00:44:09,000

Well, you're going to
have to get through me!

615

00:44:09,020 → 00:44:12,220

The keeper of the crown.

616

00:44:17,290 → 00:44:21,090

You think it's funny to
mock the elderly, do you?

617

00:44:21,120 → 00:44:22,830

Uh. Yes.

618

00:44:22,860 → 00:44:24,860

I've been up here for decades.

619

00:44:24,880 → 00:44:30,450

Just waiting for someone to try
and steal the queen's treasure.

620

00:44:30,880 → 00:44:33,150

Okay. Me will do it.

621

00:44:34,240 → 00:44:37,750

What are you saying?

And I don't care!

622

00:44:37,770 → 00:44:39,980

Hee hee. Ha ha ha.

623

00:44:42,960 → 00:44:45,860

Oh no, you don't.

624

00:44:46,530 → 00:44:48,050

Get out of the way.

625

00:44:48,070 → 00:44:50,720

Ow! Oof! Ow!

626

00:44:50,750 → 00:44:52,340

For... god sake.

627

00:44:52,360 → 00:44:54,940

Quick, the crown. After it.

628

00:44:58,040 → 00:44:59,930

Bob. Open it.

629

00:45:00,970 → 00:45:02,430

Alright.

630

00:45:21,890 → 00:45:24,050

The crown.

631

00:45:28,830 → 00:45:30,200

The crown. Quick.

632

00:45:30,230 → 00:45:32,090

Hello.

633

00:45:40,430 → 00:45:42,230

Hey, look at me!

634

00:45:52,090 → 00:45:54,000

Hello.

635

00:45:54,020 → 00:45:55,580

- Stop the bloke!

- Stop him, men!

636

00:45:55,600 → 00:45:58,020

- Aim for the legs.

- Freeze.

637

00:46:02,410 → 00:46:03,730

Ow. Manic.

638

00:46:03,760 → 00:46:05,890

Kevin!

639

00:46:11,080 → 00:46:13,240

The Queen's been kidnapped, Sgt.

640

00:46:13,270 → 00:46:14,950

Blimey!

641

00:46:38,500 → 00:46:40,350

What's going on?

642

00:46:40,380 → 00:46:42,180

Hello. Oh, the crown.

643

00:46:42,200 → 00:46:44,290

Give me the crown. Now!

644

00:46:44,320 → 00:46:46,540

Ha ha! I got it!

645

00:46:47,250 → 00:46:52,700

Gentlemen do not steal

ladies' crowns!

646

00:47:05,630 → 00:47:11,680

The coach. Waa...

Oh, no no no...

647

00:47:15,110 → 00:47:17,070

Oh-Oh dear!

648

00:47:24,960 → 00:47:27,120

- Ahhh!

- Ahhh!

649

00:47:29,430 → 00:47:30,560

Yeah. Ha ha ha.

650

00:47:30,580 → 00:47:33,960

You scoundrel. After them!

651

00:47:36,910 → 00:47:37,400

Stop the blighter!

652

00:47:37,420 → 00:47:39,680

Stop the blighter!

[SWORD IN THE STONE]

653

00:47:40,470 → 00:47:42,470

You're surrounded.

654

00:47:58,420 → 00:48:00,700

Oh, blimey!

655

00:48:00,850 → 00:48:04,860

One of England's most famous
myths has become a reality.

656

00:48:04,880 → 00:48:07,240

As a new king has been crowned.

657

00:48:07,260 → 00:48:10,420

Bob, who appears to be
a bald jaundice child,

658

00:48:10,450 → 00:48:12,860

has pulled the famed sword
right from it's stone

659

00:48:12,890 → 00:48:16,710

which legend dictates,
makes him the new king.

660

00:48:16,830 → 00:48:19,570

Tiny yellow traitor!

661

00:48:32,810 → 00:48:35,580

Ah-ha-ha. England!

662

00:48:35,600 → 00:48:39,090

England! England!

663

00:48:39,330 → 00:48:43,000

England. Eng... land.

664

00:48:43,020 → 00:48:46,800

- England.

- England.

665

00:48:47,380 → 00:48:51,220

[AUSTRALIA]... /INDIA\

666

00:48:56,620 → 00:48:58,930

Hey! Help!

667

00:49:08,490 → 00:49:12,070

A studio. Hello! Hello!

668

00:49:12,100 → 00:49:13,710

CUT!

669

00:49:18,240 → 00:49:20,130

AIR BRITANNIA

670

00:49:34,020 → 00:49:36,090

Hello, King Bob.

671

00:49:36,110 → 00:49:38,650

Welcome to Buckingham Palace.

672

00:49:38,670 → 00:49:40,490

Uh. No.

673

00:49:40,520 → 00:49:42,620

Oh. What's the matter,
Your Majesty?

674

00:49:42,650 → 00:49:44,730

Whatever is bothering you,
we can make it right.

675

00:49:44,750 → 00:49:47,700

- Just name it.
- Oh.

676

00:49:48,390 → 00:49:51,040

Ha ha ha. Buddies.

677

00:49:51,060 → 00:49:54,290

Buddies. Ha, buddies.

678

00:49:54,310 → 00:49:57,470

Ha, buddy. Ah-ha-ha...

679

00:50:14,990 → 00:50:16,710

King Bob!

680

00:50:16,730 → 00:50:18,910

- Yeh!

- Hurray!

681

00:50:18,940 → 00:50:20,940

- King Bob!

- Yeh.

682

00:50:57,570 → 00:51:00,010

King Bob!

683

00:51:00,040 → 00:51:01,950

- Yeah.

- Yeah.

684

00:51:10,110 → 00:51:12,130

Whoa, wait.

685

00:51:22,120 → 00:51:24,880

- Yee-ha!

- King Bob.

686

00:51:25,690 → 00:51:27,850

Grill chicken!

687

00:51:42,040 → 00:51:43,930

Yes, King Bob?

688

00:51:46,290 → 00:51:47,850

King Bob?

689

00:51:48,180 → 00:51:49,810

King Bob?

690

00:51:49,830 → 00:51:52,880

Ah, Claire. Hm, Tiffany.

691

00:51:52,900 → 00:51:54,750

My beauties.

692

00:52:01,450 → 00:52:03,750

Ball! Yah!

693

00:52:03,770 → 00:52:05,090

How dare you?

694

00:52:05,110 → 00:52:06,580

AW!

695

00:52:12,690 → 00:52:13,950

Scarlet.

696

00:52:13,980 → 00:52:17,680

Don't you Scarlet me.

You backstabbing little traitors!

697

00:52:17,700 → 00:52:21,300

Using Herb's inventions

to steal my crown!

698

00:52:22,830 → 00:52:25,210

I feel used, not going to lie.

699

00:52:25,240 → 00:52:27,920

You stole my dream.

700

00:52:27,950 → 00:52:31,040

I was going to conquer
England some day.

701

00:52:31,060 → 00:52:33,050

There was going
to be a coronation.

702

00:52:33,070 → 00:52:35,680

And I was going
to be made queen.

703

00:52:35,700 → 00:52:37,630

Every moment was planned.

704

00:52:37,650 → 00:52:40,990

I would wear a dress
so sparkly and glowed.

705

00:52:41,010 → 00:52:44,120

And everyone whoever doubted me.

706

00:52:44,140 → 00:52:48,340

Would be watching
and they would be crying.

707

00:52:48,360 → 00:52:51,850

I was going to be the picture
of elegance and class!

708

00:52:51,880 → 00:52:54,720

And you pinheads screwed it up!

709

00:52:54,750 → 00:52:57,250

No no no. The crown, for you.

710

00:52:57,600 → 00:52:59,340

No, no no. King Bob.

711

00:52:59,370 → 00:53:02,130

You cannot just
abdicate the throne.

712

00:53:02,160 → 00:53:03,990

Who invited the square?

713

00:53:04,010 → 00:53:07,640

And you definitely cannot just
give the job to this woman.

714

00:53:07,660 → 00:53:09,370

There are laws.

715

00:53:09,390 → 00:53:12,020

Laws? What laws?

716

00:53:15,430 → 00:53:18,240

I give in to Scarlet Overkill.

717

00:53:18,260 → 00:53:20,580

King Bob has official
changed the law.

718

00:53:20,610 → 00:53:24,350

Clearing the way for Scarlet Overkill
to be crowned Queen of England,

719

00:53:24,380 → 00:53:27,700

She will be coronated at London's
historic Westminster Abbey.

720

00:53:27,730 → 00:53:29,120

If I'm wasn't so polite,

721

00:53:29,150 → 00:53:31,730

I say this spells certain
doom for the country,

722

00:53:31,760 → 00:53:33,210

if not, the world.

723

00:53:33,230 → 00:53:36,990

But, I'm so very polite,
that I shall keep my mouth shut.

724

00:53:37,010 → 00:53:39,820

But, seriously,
we are all in big trouble.

725

00:53:39,850 → 00:53:42,040

Scarlet - Ms. Overkill.

726

00:53:42,190 → 00:53:44,730

I don't have time
to answer any questions.

727

00:53:44,760 → 00:53:46,470

I'm just want to thank
the minions for

728

00:53:46,490 → 00:53:49,760

going above and beyond
the call of duty.

729

00:53:49,780 → 00:53:55,550

You are 3 tiny golden
pill shaped miracle workers.

730

00:53:55,580 → 00:53:59,990

And you have stolen not just England,
but my heart.

731

00:54:00,020 → 00:54:02,280

- Scarlet, over here.

- Over here.

732

00:54:02,310 → 00:54:03,950

Show her, the buddies.

733

00:54:03,970 → 00:54:05,580

Pardon Me?

734

00:54:07,950 → 00:54:10,740

Wow, so many. [ERIC], [NORBERT]

735

00:54:10,760 → 00:54:12,430

Good for you,

736

00:54:12,460 → 00:54:16,050

Well.

You'll all get what you deserved.

737

00:54:44,550 → 00:54:45,770

Oh.

738

00:54:47,390 → 00:54:49,580

Go ahead. Go ahead.

739

00:54:52,890 → 00:54:54,390

Buttocks.

740

00:54:59,880 → 00:55:02,050

I don't want you to
take this the wrong way.

741

00:55:02,070 → 00:55:03,400

But I hate you.

742

00:55:03,430 → 00:55:05,640

I thought I could
get over what you did.

743

00:55:05,670 → 00:55:08,740

But I feel so betrayed.

744

00:55:08,770 → 00:55:12,960

I think, yes, I think
we're gonna have to break up.

745
00:55:12,990 → 00:55:15,300
And it's not you.

746
00:55:15,560 → 00:55:16,770
Oh wait, hold on.

747
00:55:16,800 → 00:55:19,310
It is you. It's a 100% you.

748
00:55:19,340 → 00:55:20,840
Huh. No no.

749
00:55:20,870 → 00:55:25,200
So get comfortable, Minions.
Get real real comfortable.

750
00:55:25,230 → 00:55:27,480
Because this is where
you're going to spend

751

00:55:27,510 → 00:55:32,900

the rest of your
worthless little lives.

752

00:55:34,270 → 00:55:37,410

Alright, let's do this.

753

00:55:37,440 → 00:55:39,210

Look. Look, it's Herb.

754

00:55:39,230 → 00:55:43,630

Who's this handsome Herb fellow?
No, My name is Blerb.

755

00:55:43,660 → 00:55:45,420

I'm a-a dungeon master.

756

00:55:45,440 → 00:55:48,680

Prepared for torture which I do.

757

00:55:49,690 → 00:55:51,340

Alright, are we comfy?

758

00:55:51,370 → 00:55:55,200

Doesn't matter. This is TORTURE!

759

00:55:58,310 → 00:55:59,860

- Oh.

- Uh, anything?

760

00:55:59,890 → 00:56:00,940

No no. My sunshine.

761

00:56:00,970 → 00:56:04,340

Wow, harder than I thought.

Next machine.

762

00:56:04,360 → 00:56:10,040

Oh, welcome to hang town.

POPULATION: You.

763

00:56:16,250 → 00:56:19,010

Cut it out.

This is really unprofessional.

764

00:56:19,040 → 00:56:20,490

No laughing in the dungeon.

765

00:56:20,510 → 00:56:23,050

I want to see tears and

I want to hear screams.

766

00:56:23,080 → 00:56:26,020

Or I'm going to get...

Wait. Hey.

767

00:56:26,050 → 00:56:29,120

Eww, I've got a groovy idea.

768

00:56:30,690 → 00:56:33,620

Look at this. Ah-ha-ha.

769

00:56:38,900 → 00:56:42,190

Hello, the future King Herb Overkill.

770

00:56:42,210 → 00:56:44,550

Please come upstairs to

prepare for the coronation.

771

00:56:44,580 → 00:56:47,770

Well, I hope you learn
your lesson for today.

772

00:56:48,400 → 00:56:54,200

And by the way, it was me,
Herb, the whole time.

773

00:56:55,080 → 00:56:58,310

I don't even know
anyone named Blerb.

774

00:57:01,800 → 00:57:07,030

I am hours away from becoming
the Queen of England.

775

00:57:07,050 → 00:57:08,940

I know, it's a gas.

776

00:57:08,970 → 00:57:11,070

- I will finally get my crown.

- Yeah.

777

00:57:11,100 → 00:57:12,570

It's all I ever wanted.

778

00:57:12,600 → 00:57:15,720

I'm going to be so happy.

779

00:57:15,750 → 00:57:18,930

But, let me ask you
something, Fabrice.

780

00:57:18,950 → 00:57:23,290

Does that, look like
this to you?

781

00:57:24,220 → 00:57:26,240

Mrs. Overkill.

782

00:57:26,270 → 00:57:30,000

The hair in that picture
is just 2 wavy lines.

783

00:57:30,020 → 00:57:32,930

Oh. So what now,
you're an art critic?

784

00:57:32,950 → 00:57:35,830

I drew that when
I was 5 years old.

785

00:57:35,850 → 00:57:38,130

Get out of my sight.

786

00:57:41,080 → 00:57:43,100

Bye, Fabrice!

787

00:57:43,130 → 00:57:45,900

I liked him, he was fun.

788

00:57:45,930 → 00:57:47,470

So, what do you think
of the dress?

789

00:57:47,490 → 00:57:49,690

Oh, it's so beautiful,

790

00:57:49,720 → 00:57:54,150

so fashion forward,
so Valentino.

791

00:57:54,170 → 00:57:56,810

Oh. The sweetheart neckline
because you're my sweetheart.

792

00:57:56,830 → 00:58:01,030

The high colored and cinch waist reflect
a simpler more valentine.

793

00:58:01,060 → 00:58:02,820

The material is a blend of taffeta

794

00:58:02,850 → 00:58:04,630

and high density body armor.

795

00:58:04,660 → 00:58:06,860

Fully armed and loaded.

796

00:58:07,390 → 00:58:10,070

And they glow. That's nuclear.

797

00:58:10,090 → 00:58:12,760

Nice. Just one more thing to do.

798

00:58:12,780 → 00:58:15,030

Got to look good for the public.

799

00:58:15,700 → 00:58:18,460

- Do you mind?

- My pleasure.

800

00:58:19,670 → 00:58:22,760

A little tighter, sweetie.

Come on, I can take it.

801

00:58:22,790 → 00:58:24,710

A little tighter.

802

00:58:24,940 → 00:58:26,180

Tighter.

803

00:58:26,950 → 00:58:30,240

Must have tiny waist.

804

00:58:30,390 → 00:58:32,840

Seems to work. Seems to work.

805

00:58:32,990 → 00:58:34,220

Losing feeling in my legs.

806

00:58:34,250 → 00:58:36,390

Perfect.

Tight, tight tight tight.

807

00:58:39,510 → 00:58:40,710

Huh?

808

00:58:41,510 → 00:58:43,760

Ah. Bob, Stuart.

809

00:58:43,790 → 00:58:45,410

- Huh?

- Help me.

810

00:58:45,440 → 00:58:49,540

Lift up. Lift up.

811

00:58:50,000 → 00:58:52,220

Help me. Help me!

812

00:58:52,240 → 00:58:53,990

[CARNABY STREET]

813

00:58:54,020 → 00:58:56,410

Oh, hello. Yoo-hoo.

814

00:58:56,440 → 00:58:57,510

[GOD SAVE THE QUEEN]

Puchi, Puchi. Ku.

815

00:58:57,540 → 00:59:00,130

[GOD SAVE THE QUEEN] Puchi. Ah.

816

00:59:02,080 → 00:59:05,110

Ah. This way, let's go.

817

00:59:08,700 → 00:59:10,670

(SORRY) (FOR YOUR LOSS)

818

00:59:10,690 → 00:59:13,260

This way, one more.

819

00:59:15,310 → 00:59:18,240

- Move. Move.

- Can we just go back.

820

00:59:18,270 → 00:59:21,730

Hey, Kevin. Look. For Scarlet.

821

00:59:21,910 → 00:59:23,640

What do you think?

822

00:59:23,670 → 00:59:25,350

Ah. That's it.

823

00:59:25,370 → 00:59:31,430

SORRY FOR YOUR
LOSS SORRY SCARLET

824

00:59:31,900 → 00:59:34,940

Heh hey. Perfect for the boss.

Come on.

825

00:59:35,850 → 00:59:38,490

Oh. Puchi, come.

826

00:59:38,520 → 00:59:41,100

Ah, okay. This way out.

827

00:59:41,130 → 00:59:44,010

Ha ha. Let's find Scarlet.

828

01:00:00,270 → 01:00:02,260

I love you, Scarlet!

829

01:00:02,280 → 01:00:06,630

Queen wave. Queen wave.

Queen waving.

830

01:00:14,850 → 01:00:17,870

I'm so-so excited.

This is perfect.

831

01:00:17,890 → 01:00:19,960

Everyone looks so nice.

832

01:00:19,990 → 01:00:24,190

Oh, you're just adorable.

833

01:00:25,100 → 01:00:26,600

Oh. Yes!

834

01:00:26,630 → 01:00:28,850

And that music. Eh.

835

01:00:28,870 → 01:00:31,740

Who is that organist?

She's good.

836

01:00:31,770 → 01:00:33,680

Right? She looks like an Edna.

837

01:00:33,700 → 01:00:37,290

- Edna! You're very good.

- Who's that?

838

01:00:40,250 → 01:00:43,320

Thanks for doing this, Padre.

Big fan.

839

01:00:43,350 → 01:00:45,020

Come here, let me squeeze you.

840

01:00:45,040 → 01:00:47,560

Woo. You're so squishy.

841

01:00:50,430 → 01:00:52,820

There, Scarlet.

842

01:00:52,850 → 01:00:54,510

Go go go.

843

01:01:00,350 → 01:01:02,150

Whoa. Arh!

844

01:01:03,610 → 01:01:05,050

Heh heh. Move aside.

845

01:01:05,080 → 01:01:06,310

Oh.

846

01:01:06,570 → 01:01:10,100

Ouch. Ouch... Up there.

847

01:01:10,120 → 01:01:11,790

Up-Up there? My Puchi?

848

01:01:11,810 → 01:01:13,500

Your Puchi, bye bye. Come on!

849

01:01:13,530 → 01:01:15,830

Oh. Bye, Puchi.

850

01:01:28,580 → 01:01:30,790

- Oh, Bob. Come on!

- Aww.

851

01:01:30,810 → 01:01:34,000

- Stuart!

- Yes-yes-yes...

852

01:01:40,790 → 01:01:42,900

Hello. Yoo hoo.

853

01:01:49,560 → 01:01:50,980

Oh. Bee.

854

01:01:51,010 → 01:01:55,520

Will you to your power cause

Law and Justice,

855

01:01:55,540 → 01:01:57,470

Come on. It's Overkill.

856

01:02:03,950 → 01:02:05,780

Sorry. Sorry.

857

01:02:08,390 → 01:02:10,650

Stop! I am not a stupid.

858

01:02:16,660 → 01:02:18,860

In Mercy,

859

01:02:21,290 → 01:02:23,330

Oh. No no.

860

01:02:23,610 → 01:02:26,680

Do you Scarlet Overkill.

861

01:02:34,040 → 01:02:36,700

That's it! Yeah!

862

01:02:38,540 → 01:02:41,880

No! No. No.

863

01:02:54,930 → 01:02:57,250

Come on. Come on. Grab my hand.

864

01:03:00,130 → 01:03:01,220

I'm stuck.

865

01:03:01,250 → 01:03:08,020

I proclaim thee, Scarlet Overkill,
the Queen of England.

866

01:03:10,740 → 01:03:12,270

Kevin!

867

01:03:19,330 → 01:03:22,240

Scarlet! Scarlet. My queen.

868

01:03:22,260 → 01:03:24,690

Somebody help me!

869

01:03:25,900 → 01:03:28,590

Come on, come on. Lift on 2.

870

01:03:28,630 → 01:03:33,100

1, 2... 1, 2...

871

01:03:43,520 → 01:03:45,660

Scarlet, you're okay.

872

01:03:45,680 → 01:03:48,360

He tried to kill me!

873

01:03:48,390 → 01:03:49,970

No. I wasn't...

874

01:03:50,000 → 01:03:52,970

Guys. This is no
longer a coronation.

875

01:03:52,990 → 01:03:55,660

It is an execution!

876

01:03:55,690 → 01:03:57,830

Get them!

877

01:04:01,790 → 01:04:05,590

Whoa Nelly! Run fellows, run!

878

01:04:49,110 → 01:04:50,240

- Guys.

- Kevin.

879

01:04:50,270 → 01:04:51,440

You are mine!

880

01:04:51,470 → 01:04:53,290

Stuart. Bob. Huh?

881

01:04:55,390 → 01:04:57,810

Grill chicken!

882

01:05:01,230 → 01:05:03,250

Come on, Bob. Come on.

883

01:05:04,370 → 01:05:06,850

Ha-ha-ha... Oops.

884

01:05:10,210 → 01:05:11,370

- Oh.

- Rats.

885

01:05:11,400 → 01:05:13,830

Hey. I've got one!

886

01:05:22,640 → 01:05:24,090

Look there.

887

01:05:24,120 → 01:05:25,720

Ha ha ha.

888

01:05:33,480 → 01:05:34,780

Tim.

889

01:05:47,040 → 01:05:48,720

Tim!

890

01:05:53,700 → 01:05:56,120

Stuart. Bob.

891

01:05:56,230 → 01:05:58,070

Hope they are alright.

892

01:05:58,100 → 01:06:00,010

Hoy, buddies.

893

01:06:02,440 → 01:06:04,600

Mind the gap.

894

01:06:06,100 → 01:06:08,210

Mind the gap.

895

01:06:10,550 → 01:06:11,650

- England.

- England.

896

01:06:11,680 → 01:06:13,410

Mind the gap.

897

01:06:13,440 → 01:06:15,490

Mind the gap!

898

01:06:26,040 → 01:06:28,160

Now, what about this one.

899

01:06:28,180 → 01:06:31,310

Why did the Queen
go to the dentist?

900

01:06:31,330 → 01:06:34,510

To get her teeth crowned.
Ha-ha-ha.

901

01:06:34,540 → 01:06:36,030

Ha. The queen.

902

01:06:36,060 → 01:06:38,840

Tell us another one, Lizzie!

903

01:06:38,950 → 01:06:40,390

Uh. Hello.

904

01:06:40,410 → 01:06:42,450

Oh, it's you.

905

01:06:42,470 → 01:06:45,330

Everyone, this is one
of the little fellows

906

01:06:45,350 → 01:06:47,660

who stole the monarchy from me.

907

01:06:47,680 → 01:06:51,000

And hows that

working out for you?

908

01:06:52,410 → 01:06:53,610

Oh, yes yes.

909

01:06:53,630 → 01:06:55,510

I saw what was going

on, on the telly.

910

01:06:55,540 → 01:06:56,580

Uh. Telly?

911

01:06:56,610 → 01:06:59,550

What was meant to be the

coronation of Scarlet Overkill

912

01:06:59,580 → 01:07:01,940

has gone terribly wrong.

913

01:07:04,050 → 01:07:07,620

Kevin. Kevin.

I know you're out there.

914

01:07:07,650 → 01:07:09,320

You think you'd gotten away?

915

01:07:09,340 → 01:07:12,080

Well, what do we have here?

916

01:07:12,110 → 01:07:13,150

Hello.

917

01:07:13,170 → 01:07:14,680

Bob? Stuart?

918

01:07:14,710 → 01:07:17,130

Which one shall I kill first?

919

01:07:17,150 → 01:07:20,040

Little Bob. Stuart.

920

01:07:20,060 → 01:07:23,260

Bob. Stuart. Hmm.

921

01:07:23,290 → 01:07:28,610

I will do it, Kevin,
if you're not back here by dawn.

922

01:07:28,630 → 01:07:29,790

Oh my.

923

01:07:29,820 → 01:07:32,670

Huh, no! That... my buddies.

924

01:07:32,690 → 01:07:34,650

Must find Scarlet.

925

01:07:48,630 → 01:07:52,120

Eh-ha-ha... There he is.

926

01:08:00,240 → 01:08:02,330

Follow me!

927

01:08:14,420 → 01:08:17,560

Harder. It's just my head.

928

01:08:19,870 → 01:08:23,730

- This way. Go get him!

- Go-go-go...!

929

01:08:37,840 → 01:08:39,760

DO NOT PUSH THIS BUTTON ->

930

01:08:40,280 → 01:08:42,340

[DO NOT FLIP THIS SWITCH]

931

01:08:43,270 → 01:08:45,620

[DO NOT PULL THIS LEVER!]

932

01:08:50,490 → 01:08:53,080

[DO NOT BLOW IN THIS HOLE ->]

Ultimate weapon initiated.

933

01:08:53,110 → 01:08:58,400

Activation in 321.

934

01:09:27,060 → 01:09:28,830

Hello.

935

01:09:33,050 → 01:09:35,430

Huh. My buddies.

936

01:09:37,890 → 01:09:39,900

This is it, boys.

937

01:09:39,920 → 01:09:42,130

Things do not look good for you.

938

01:09:42,160 → 01:09:43,860

Oh. And I'm keeping the bear.

939

01:09:43,890 → 01:09:45,480

Huh. Tim!

940

01:09:45,510 → 01:09:47,910

You're not going to need him
in where you're going.

941

01:09:47,930 → 01:09:49,660

Heaven.

942

01:09:54,100 → 01:09:57,810

Huh. Shush shush shush.

943

01:10:04,400 → 01:10:08,380

Bye bye. Say bye bye, Bob.

Bye bye.

944

01:10:27,660 → 01:10:31,190

Ha-ha-ha...

945

01:10:36,480 → 01:10:39,850

Ha ha ha. Come on, no worries.

946

01:10:47,210 → 01:10:50,220

Wait, what? How did he?

947

01:10:50,260 → 01:10:51,920

Hold my bear.

948

01:11:11,570 → 01:11:13,870

Ha ha ha. Safe.

949

01:11:15,930 → 01:11:17,490

- Ha ha.

- Yippee.

950

01:11:17,510 → 01:11:18,700

- Kevin.

- Woo-hoo-hoo.

951

01:11:18,730 → 01:11:20,870

- Be careful! Be careful!

- Be careful.

952

01:11:20,890 → 01:11:22,400

So, that's your plan?

953

01:11:22,430 → 01:11:26,840

Make yourself a bigger target?

Ha-ha-ha.

954

01:11:28,200 → 01:11:30,110

- One more scone.

- Yes yes.

955

01:11:31,710 → 01:11:33,640

Huh? Kevin?

956

01:11:33,660 → 01:11:36,360

Hey. It's Kevin. Come on.

957

01:11:38,950 → 01:11:41,820

YAH!

958

01:11:53,100 → 01:11:54,850

Ha ha ha ha.

959

01:12:00,540 → 01:12:01,940

And so help me.

960

01:12:01,970 → 01:12:03,970

I never want to see
another one of your

961

01:12:04,000 → 01:12:06,060
goofy buttered faces ever again!

962

01:12:06,080 → 01:12:07,130
Scarlet! Scarlet!

963

01:12:07,160 → 01:12:08,350
What?

964

01:12:08,370 → 01:12:09,790
Scarlet! Scarlet!

965

01:12:09,820 → 01:12:12,710
Oh, you got to be kidding me!

966

01:12:14,520 → 01:12:16,740
Oh no, you don't.

967

01:12:16,760 → 01:12:18,790

Yah!

968

01:12:19,270 → 01:12:22,210

Whoa! Wah!

969

01:12:24,500 → 01:12:27,330

And just for the record,
my little double eggs.

970

01:12:27,360 → 01:12:31,630

You can thank Kevin for
what I'm about to do to you!

971

01:12:31,660 → 01:12:32,680

Aww!

972

01:12:32,700 → 01:12:33,480

Ow!

973

01:12:33,510 → 01:12:34,890

Oww!

974

01:12:39,210 → 01:12:42,100

- Yeh!

- Buddies!

975

01:12:42,600 → 01:12:44,010

Tony! Hey hey.

976

01:12:44,040 → 01:12:46,260

Tom! And Chris!

977

01:12:46,290 → 01:12:48,220

- Bodyguard!

- You're the man!

978

01:12:48,250 → 01:12:50,530

Ha ha ha. Buddies!

979

01:12:50,550 → 01:12:52,290

Hey, Kevin!

980

01:13:03,290 → 01:13:05,140

Eww.

981

01:13:05,780 → 01:13:08,060

Ah. Kevin! Kevin!

982

01:13:08,330 → 01:13:09,720

Enough!

983

01:13:09,750 → 01:13:14,910

This... ends... now...!

984

01:13:40,030 → 01:13:41,670

KEVIN!!!

985

01:13:41,700 → 01:13:45,570

Ha-ha-ha, you imbecile.

Have fun exploding.

986

01:13:45,600 → 01:13:47,520

Take me home...

987

01:13:47,550 → 01:13:50,670

- What's the rush?

- Got to get out of here!

988

01:13:51,190 → 01:13:54,850

Let... us... go!

989

01:13:57,610 → 01:14:01,630

Whoaaa!

990

01:14:01,660 → 01:14:04,570

No, no no no...

991

01:14:11,100 → 01:14:16,010

Ke-Ke-Ke KEVIN!

992

01:14:28,580 → 01:14:30,030

Here. Your Puchi.

993

01:14:30,050 → 01:14:33,230

Huh. Puchi! You're alright.

994

01:14:56,980 → 01:14:58,480

Look!

995

01:15:00,540 → 01:15:02,710

- Kevin!

- Kevin!

996

01:15:22,810 → 01:15:24,150

- Oh.

- Ooh.

997

01:15:26,560 → 01:15:29,280

Yoo hoo hoo. Ouch.

998

01:15:41,810 → 01:15:43,450

- Stuart.

- Hm.

999

01:15:43,480 → 01:15:45,560

- Bob.

- Yes?

1000

01:15:47,310 → 01:15:48,640

Okay.

1001

01:16:02,370 → 01:16:04,520

Ladies and gentlemen.

1002

01:16:04,550 → 01:16:10,110

We are here today
to celebrate the Minions.

1003

01:16:14,740 → 01:16:18,900

The country owes you a
great debt of gratitude.

1004

01:16:19,090 → 01:16:24,780

Bob, you were a wise and
noble king for all of 8 hours.

1005

01:16:24,810 → 01:16:28,260

So for you,
I offer this tiny crown

1006

01:16:28,290 → 01:16:31,090

for your Teddy Bear, Tim.

1007

01:16:31,120 → 01:16:34,150

Oh. Thank you. Thank you.

1008

01:16:34,170 → 01:16:35,930

Oh. Very good, Bob.

1009

01:16:35,960 → 01:16:39,730

Oh! Oh, spectacular!

1010

01:16:39,750 → 01:16:43,160

I'm so proud of you boys.

1011

01:16:43,190 → 01:16:45,780

- Oh, Stuart.

- Ah. What's up.

1012

01:16:45,800 → 01:16:52,250

For you, I have this beautiful,
super duper incredible

1013

01:16:52,280 → 01:16:54,190

snow globe.

1014

01:16:54,210 → 01:16:56,150

Snow globe?

1015

01:16:56,180 → 01:16:57,680

And, look. Look.

1016

01:16:57,700 → 01:17:00,090

Hours of excitement.

1017

01:17:00,120 → 01:17:04,890

Oh... Yippee. Thank you.

1018

01:17:06,790 → 01:17:10,820

Oh, Stuart.

We're just messing with you.

1019

01:17:10,840 → 01:17:13,910

Don't be mad at me.

It was Kevin's idea.

1020

01:17:13,940 → 01:17:15,940

- Ha.

- Kevin!

1021

01:17:16,140 → 01:17:19,140

We have a much
better surprise for you.

1022

01:17:19,170 → 01:17:21,580

Here. A Super Mega Ukulele.

1023

01:17:21,600 → 01:17:24,730

Wo-Wow. Cool.

1024

01:17:59,080 → 01:18:00,730

Thank you.

1025

01:18:00,910 → 01:18:02,980

Right. Uh.

1026

01:18:03,000 → 01:18:05,760

And finally, Kevin.

1027

01:18:06,220 → 01:18:07,910

Yes, my queen.

1028

01:18:07,930 → 01:18:11,540

You are hero of the
highest order.

1029

01:18:11,570 → 01:18:16,520

For your bravery and valor,
I am knighting you.

1030

01:18:16,540 → 01:18:20,470

From here on out,
you are Sir Kevin.

1031

01:18:20,800 → 01:18:22,630

Well done.

1032

01:18:32,270 → 01:18:34,530

What a beautiful moment.

1033

01:18:34,550 → 01:18:36,640

- Kumbaya!

- Kumbaya!

1034

01:18:36,670 → 01:18:42,020

The nation and the world was
celebrating Kevin, Stuart, and Bob.

1035

01:18:42,050 → 01:18:44,240

The last few thousand
years were rough,

1036

01:18:44,260 → 01:18:49,480

no question, but things were
finally going their way.

1037

01:18:49,500 → 01:18:53,290

Kevin had never been more proud.

1038

01:18:53,310 → 01:18:55,120

But something was missing.

1039

01:18:55,150 → 01:18:58,780

Ha ha, yes. Good show Good show.

1040

01:18:59,550 → 01:19:02,660

My crown is gone. It's gone!

1041

01:19:02,680 → 01:19:03,920

Blimey!

1042

01:19:03,940 → 01:19:06,500

- She lost the crown.

- Oh my god.

1043

01:19:08,910 → 01:19:11,620

Ha-ha-ha... Scarlet?

1044

01:19:17,070 → 01:19:18,680

They took everything from me.

1045

01:19:18,700 → 01:19:21,150

My castle. My reputation.

1046

01:19:21,170 → 01:19:23,850

Things looked bleak, baby,

I'm not going to lie.

1047

01:19:23,870 → 01:19:28,370

But now, at least,
I have my crown!

1048

01:19:41,980 → 01:19:44,780

Fellow, give me that back.

1049

01:19:44,810 → 01:19:47,970

No, I don't think so.

1050

01:19:47,990 → 01:19:51,350

You have no idea
who you are messing with.

1051

01:19:51,380 → 01:19:54,920

I'm the greatest
supervillain of all time.

1052

01:19:55,370 → 01:19:57,950

Oh, were you?

1053

01:20:04,670 → 01:20:07,570

Bud-Bud-Buddies.

Come here. Come here.

1054

01:20:07,590 → 01:20:09,790

Lo-Lo-Look!

1055

01:20:25,430 → 01:20:29,270

It's the boss.

The boss! Come on!

1056

01:20:29,300 → 01:20:35,510

Are you really going to allow that
little penguin to make off with my crown?

1057

01:20:36,310 → 01:20:40,880

Oh, Herb. I'm done.

1058

01:20:42,890 → 01:20:44,140

Here.

1059

01:20:44,640 → 01:20:47,530

For Me? Oh.

1060

01:20:47,550 → 01:20:51,300

Yes, for you. Bye bye.

1061

01:20:51,320 → 01:20:53,460

Big boss!

1062

01:20:54,980 → 01:20:59,490

And that is how the Minions
found their new boss.

1063

01:20:59,520 → 01:21:01,530

He was cunning. He was evil.

1064

01:21:01,550 → 01:21:03,100

He was perfect.

1065

01:21:03,130 → 01:21:07,910

He was despicable.

1066

01:21:50,240 → 01:21:53,000

- Banana.

- Banana.

1067

01:21:53,790 → 01:21:57,130

- Banana.

- Banana.

1068

01:22:04,580 → 01:22:07,020

Banana.

1069

01:22:18,930 → 01:22:20,950

Hey. Come on.

1070

01:22:40,840 → 01:22:42,690

Shh. Shh.

1071

01:22:50,450 → 01:22:54,650

Cheese. Cheese.

1072

01:23:28,810 → 01:23:30,930

- Gru.

- It's Gru.

1073

01:23:38,020 → 01:23:42,140

- Gru.

- Gru.

1074

01:30:40,700 → 01:30:42,280

Freeze ray!
