

Dialogues from Night Moves to improve the vocabulary in English

1

00:00:41,480 --> 00:00:44,904

[WATER HISSING]

2

00:00:51,800 --> 00:00:55,224

[WATER ROARING]

3

00:01:29,640 --> 00:01:31,719

No fish ladders...

4

00:01:31,720 --> 00:01:33,559

I thought they all had
to have fish ladders.

5

00:01:33,560 --> 00:01:37,519

Wonder how they got
around that one.

6

00:01:37,520 --> 00:01:40,519

But they got to have vacuums.

7

00:01:40,520 --> 00:01:45,479

Well, shoot 'em out into
the back of a truck...

8

00:01:45,480 --> 00:01:47,903

[BIRD TWITTERING]

9

00:02:04,840 --> 00:02:05,959

[BIRD TWITTERING]

10

00:02:05,960 --> 00:02:07,199

Whoa.

11

00:02:07,200 --> 00:02:09,799

Think that was an oriole.

12

00:02:09,800 --> 00:02:12,223

I didn't know we had those.

13

00:02:19,400 --> 00:02:22,380

[ENGINE TURNS OVER]

14

00:02:40,280 --> 00:02:42,828

Wait here.

15

00:02:46,120 --> 00:02:48,224

[DOOR RATTLES]

16

00:02:49,200 --> 00:02:52,399

[PEACEFUL PIPE MUSIC]

17

00:03:38,680 --> 00:03:41,103

You didn't wait.

18

00:03:50,400 --> 00:03:53,380

[DOOR CREAKS]

19

00:04:39,000 --> 00:04:41,639

Where's Josh?

20

00:04:41,640 --> 00:04:43,824

He took a walk.

21

00:05:27,960 --> 00:05:30,079

The disaster we see is
happening everywhere

22

00:05:30,080 --> 00:05:31,279

at the same time.

23

00:05:31,280 --> 00:05:33,079

The clock is ticking.

24

00:05:33,080 --> 00:05:35,479

It has been ticking
for 150 years now,

25

00:05:35,480 --> 00:05:38,439

since the dawn of
industrialization.

26

00:05:38,440 --> 00:05:40,799

We are a culture hooked
on profit, production,

27

00:05:40,800 --> 00:05:42,199

and perpetual growth,

28

00:05:42,200 --> 00:05:44,039

but at what cost?

29

00:05:44,040 --> 00:05:46,279

The disaster is happening
to our farmlands.

30

00:05:46,280 --> 00:05:48,199

It is happening to our oceans,

31

00:05:48,200 --> 00:05:50,399

our forests, our wildlife.

32

00:05:50,400 --> 00:05:53,199

It is happening to our climate.

33

00:05:53,200 --> 00:05:56,039

How long will it be until
humanity understands

34

00:05:56,040 --> 00:05:58,479

that everything is interconnected?

35

00:05:58,480 --> 00:06:00,719

How long until

multinational corporations

36

00:06:00,720 --> 00:06:05,439

understand that they can't make

a profit off a dead planet?

37

00:06:05,440 --> 00:06:09,359

So let the revolution begin,

all around the globe.

38

00:06:09,360 --> 00:06:13,599

An army of individual citizens

must rise up and take a stand

39

00:06:13,600 --> 00:06:15,959

for the future, for the people,

40

00:06:15,960 --> 00:06:18,030

and for the planet.

41

00:06:29,560 --> 00:06:32,950

[APPLAUSE]

42

00:06:35,000 --> 00:06:36,119

Thank you.

43

00:06:36,120 --> 00:06:37,719

Thank you all for coming out.

44

00:06:37,720 --> 00:06:41,039

And as you know, we have
the filmmaker here tonight,

45

00:06:41,040 --> 00:06:43,399

Jackie Christianson from Eugene.

46

00:06:43,400 --> 00:06:45,839

That was tremendous, amazing work.

47

00:06:45,840 --> 00:06:48,399

Thank you so much for
sharing that with us.

48

00:06:48,400 --> 00:06:50,559

Now if you have any questions,

49

00:06:50,560 --> 00:06:53,399

she's ready to take them
if you've got them.

50

00:06:53,400 --> 00:06:55,199

- Is that right, Jackie?
- Yeah.

51

00:06:55,200 --> 00:06:57,879

Yeah, I just want to
thank you, Jackie,

52

00:06:57,880 --> 00:07:00,919

for that uplifting,
hopeful vision there.

53

00:07:00,920 --> 00:07:02,999

It was really awesome.

54

00:07:03,000 --> 00:07:04,519

I feel like if you bombard people

55

00:07:04,520 --> 00:07:08,519

with too many horrific images,

56

00:07:08,520 --> 00:07:13,039

it just feels like it's too

late or too much to take on.

57

00:07:13,040 --> 00:07:15,879

It fulfills the end-of-world vision.

58

00:07:15,880 --> 00:07:17,479

Well, you're not going

to get anywhere

59

00:07:17,480 --> 00:07:18,559

with those people anyway.

60

00:07:18,560 --> 00:07:19,799

Dena?

61

00:07:19,800 --> 00:07:21,559

Yeah, I mean, end of the world,

62

00:07:21,560 --> 00:07:23,919

what's there really to lose?

63

00:07:23,920 --> 00:07:27,439

But, Jackie, I'm curious...

What you think it is exactly

64

00:07:27,440 --> 00:07:29,759

that we're supposed to do?

65

00:07:29,760 --> 00:07:32,079

Do you have some sort

of big plan or...?

66

00:07:32,080 --> 00:07:34,159

I think this one big plan thinking

67

00:07:34,160 --> 00:07:36,719

leads to a lot of the
problems we're facing.

68

00:07:36,720 --> 00:07:38,559

Part of the idea for
me, is not thinking

69

00:07:38,560 --> 00:07:40,279

there's just one big thing.

70

00:07:40,280 --> 00:07:43,799

I'm not focused on big plans.
I'm focused on small plans.

71

00:07:43,800 --> 00:07:46,199

A lot of small plans.

72

00:07:46,200 --> 00:07:49,359

I think just by us coming together

73

00:07:49,360 --> 00:07:52,545

and sharing our concerns in one...

74

00:07:53,360 --> 00:07:55,439

[JACKHAMMER CLATTERING]

75

00:07:55,440 --> 00:07:57,999

What time are we meeting your guy?

76

00:07:58,000 --> 00:07:59,159

We said 11:00.

77

00:07:59,160 --> 00:08:00,639

11:00.

78

00:08:00,640 --> 00:08:02,639

We're not gonna make it.

79

00:08:02,640 --> 00:08:05,479

The guy didn't really seem

like he had a lot going on.

80

00:08:05,480 --> 00:08:06,759

I could give him a call, though.

81

00:08:06,760 --> 00:08:08,999

No, no.

82

00:08:09,000 --> 00:08:11,582

I don't want to find a
pay phone right now.

83

00:08:16,360 --> 00:08:17,599

Breathe, Josh.

84

00:08:17,600 --> 00:08:19,239

Okay.

85

00:08:19,240 --> 00:08:21,919

We'll be there soon.

86

00:08:21,920 --> 00:08:24,024

All is well.

87

00:08:26,960 --> 00:08:32,079

Got a inboard 5-liter V-8 engine.

88

00:08:32,080 --> 00:08:34,279

Well, it looks really nice.

89

00:08:34,280 --> 00:08:36,079

Yeah. It's a great boat.

90

00:08:36,080 --> 00:08:38,159

- Kind of hate to get rid of her.

- I'm sure.

91

00:08:38,160 --> 00:08:39,879

Lot of good skiing,

I can tell you that.

92

00:08:39,880 --> 00:08:41,239

Yeah.

93

00:08:41,240 --> 00:08:42,719

But, you know, time for a change.

94

00:08:42,720 --> 00:08:44,599

Both kids off to college...

95

00:08:44,600 --> 00:08:45,799

lot of good skiing though.

96

00:08:45,800 --> 00:08:47,159

May I use your bathroom?

97

00:08:47,160 --> 00:08:49,479

Uh, yeah, sure.

98

00:08:49,480 --> 00:08:52,239

Through the garage

there, up the stairs.

99

00:08:52,240 --> 00:08:54,105

- Thanks.

- Yeah.

100

00:09:14,280 --> 00:09:16,703

[TOILET FLUSHES]

101

00:09:18,360 --> 00:09:20,159

I'm a nurse. He works
at a supermarket.

102

00:09:20,160 --> 00:09:22,389

Ah. What one?

103

00:09:24,280 --> 00:09:27,239

You definitely want those
brake lights working.

104

00:09:27,240 --> 00:09:28,519

All right, we're good.

105

00:09:28,520 --> 00:09:30,319

All right.

106

00:09:30,320 --> 00:09:32,239

Well, we've always wanted a boat.

107

00:09:32,240 --> 00:09:34,549

Can't believe this is
happening, right, honey?

108

00:09:36,160 --> 00:09:38,583

[ENGINE TURNS OVER]

109

00:10:00,080 --> 00:10:02,503

No, not hungry.

110

00:10:04,240 --> 00:10:06,119

Are we almost there?

111

00:10:06,120 --> 00:10:09,999

We must be in Wyoming by now,
coming up on the Dakotas.

112

00:10:10,000 --> 00:10:11,599

I don't know. Half an hour, maybe.

113

00:10:11,600 --> 00:10:13,399

He's pretty out there.

114

00:10:13,400 --> 00:10:15,039

I thought you said he lived close.

115

00:10:15,040 --> 00:10:16,519

He does.

116

00:10:16,520 --> 00:10:17,879

This is close.

117

00:10:17,880 --> 00:10:20,039

This is close.

118

00:10:20,040 --> 00:10:21,279

We've already gone like this.

119

00:10:21,280 --> 00:10:22,719

Are we going like this?

120

00:10:22,720 --> 00:10:24,559

You can tell me, if we are.

121

00:10:24,560 --> 00:10:25,999

It's close for here, okay?

122

00:10:26,000 --> 00:10:27,559

This isn't Connecticut.

123

00:10:27,560 --> 00:10:29,159

- It's not?

- No.

124

00:10:29,160 --> 00:10:32,504

Shit, I must've got off
on the wrong train.

125

00:10:35,200 --> 00:10:37,599

What is that?

126

00:10:37,600 --> 00:10:40,559

Deer.

127

00:10:40,560 --> 00:10:43,879

You're stopping?

128

00:10:43,880 --> 00:10:45,870

It's half in the road.

129

00:11:13,320 --> 00:11:15,743

It's warm.

130

00:11:18,120 --> 00:11:20,827

What does that mean?

131

00:11:22,560 --> 00:11:24,839

It's a doe.

132

00:11:24,840 --> 00:11:27,263

She's pregnant.

133

00:11:31,800 --> 00:11:33,599

The baby's alive in there.

134

00:11:33,600 --> 00:11:36,023

Oh, my God.

135

00:11:54,640 --> 00:11:58,064

[GRAVEL RUSTLING]

136

00:12:21,840 --> 00:12:24,308

[CHUCKLES]

137

00:12:41,960 --> 00:12:43,319

Where'd you get this thing?

138

00:12:43,320 --> 00:12:44,319

Medford.

139

00:12:44,320 --> 00:12:46,743

[LAUGHING] Medford.

140

00:12:55,560 --> 00:12:57,959

- Party barge.

- Yeah.

141

00:12:57,960 --> 00:12:59,959

You must be D.

142

00:12:59,960 --> 00:13:01,399

You're the infamous H.

143

00:13:01,400 --> 00:13:02,399

Nice to meet you.

144

00:13:02,400 --> 00:13:04,239

At your service.

145

00:13:04,240 --> 00:13:06,559

Night Moves?

146

00:13:06,560 --> 00:13:08,983

Slick.

147

00:13:11,320 --> 00:13:13,399

We could've had Gone

Fishin' or Wet Dream,

148

00:13:13,400 --> 00:13:15,879

but those sounded kind of lame.

149

00:13:15,880 --> 00:13:17,959

There was Makin'

Waves, Reel Wild...

150

00:13:17,960 --> 00:13:19,279

Get it? Reel, two Es.

151

00:13:19,280 --> 00:13:22,439

Pretty awesome.

152

00:13:22,440 --> 00:13:23,959

Jamaican Me Crazy,

Gone With the Wind,

153

00:13:23,960 --> 00:13:25,279

looked at all those.

154

00:13:25,280 --> 00:13:27,319

All right. So what do you think?

Size-wise, is this gonna work?

155

00:13:27,320 --> 00:13:28,359

Uh-huh.

156

00:13:28,360 --> 00:13:29,399

You got a key?

157

00:13:29,400 --> 00:13:31,061

Yeah.

158

00:13:37,920 --> 00:13:39,039

[ENGINE TURNS OVER]

159

00:13:39,040 --> 00:13:40,919

[ENGINE SPUTTERS OUT]

160

00:13:40,920 --> 00:13:44,344

[SNIFFLES]

161

00:13:48,440 --> 00:13:50,879

Good. Good space.

162

00:13:50,880 --> 00:13:53,109

We'll take all of this out.

163

00:13:54,800 --> 00:13:57,239

Yeah.

164

00:13:57,240 --> 00:13:59,119

How much this set you back anyway?

165

00:13:59,120 --> 00:14:00,159

It wasn't cheap.

166

00:14:00,160 --> 00:14:01,199

I bet.

167

00:14:01,200 --> 00:14:02,719

You paid cash, right?

168

00:14:02,720 --> 00:14:04,319

No, I gave the guy my
credit card number

169

00:14:04,320 --> 00:14:07,439

and then told him to check out my
webpage, and then I posted it on Facebook

170

00:14:07,440 --> 00:14:08,879

so everyone else could see it too.

171

00:14:08,880 --> 00:14:09,999

Cash,

172

00:14:10,000 --> 00:14:12,159

the poor people's money.

173

00:14:12,160 --> 00:14:13,919

So it looks all right?

174

00:14:13,920 --> 00:14:14,919

Oh, yeah.

175

00:14:14,920 --> 00:14:16,799

She'll do.

176

00:14:16,800 --> 00:14:18,199

It's a shame.

177

00:14:18,200 --> 00:14:20,879

It's not a bad ship here.

178

00:14:20,880 --> 00:14:24,039

It's got years left in her

if you treated her right.

179

00:14:24,040 --> 00:14:25,479

If I was keeping her,

180

00:14:25,480 --> 00:14:27,479

I'd say there are some

easy repairs to do.

181

00:14:27,480 --> 00:14:32,919

But, uh, I guess we don't give

a shit about longevity, do we?

182

00:14:32,920 --> 00:14:34,581

Nope.

183

00:14:37,680 --> 00:14:40,879

[GRUNTING]

184

00:14:40,880 --> 00:14:42,519

Good to see you, brother.

185

00:14:42,520 --> 00:14:43,879

Yeah, you, too, Harmon.

It's been a while.

186

00:14:43,880 --> 00:14:45,399

Well, you never come around.

187

00:14:45,400 --> 00:14:47,159

Well, neither do you.

188

00:14:47,160 --> 00:14:49,399

Yeah, yeah, yeah.

189

00:14:49,400 --> 00:14:51,039

Um...

190

00:14:51,040 --> 00:14:52,519

Why don't you just park
your rig over there, okay?

191

00:14:52,520 --> 00:14:54,181

Yeah.

192

00:14:57,240 --> 00:14:58,999

And then let's head
back inside, all right?

193

00:14:59,000 --> 00:15:01,319

'Cause there's narcs
everywhere out here,

194

00:15:01,320 --> 00:15:04,399

and don't trust the
raccoons at all!

195

00:15:04,400 --> 00:15:06,664

[ENGINE TURNS OVER]

196

00:15:17,640 --> 00:15:20,063

Hot off the presses.

197

00:15:30,480 --> 00:15:33,679

Cary Taylor.

198

00:15:33,680 --> 00:15:35,919

Looks like I've gained a
few pounds, but, whatever.

199

00:15:35,920 --> 00:15:37,399

Cary Taylor. Really?

200

00:15:37,400 --> 00:15:38,439

Cary Taylor.

201

00:15:38,440 --> 00:15:40,863

Fucking idiot.

202

00:15:43,760 --> 00:15:46,079

Tomorrow this is who
we are, all right?

203

00:15:46,080 --> 00:15:48,359

No exceptions.

204

00:15:48,360 --> 00:15:51,279

Joseph Macca, 10-30-81.

205

00:15:51,280 --> 00:15:53,748

Here.

206

00:15:56,360 --> 00:15:59,119

I'll call you Joey.

207

00:15:59,120 --> 00:16:01,279

You always looked
like a Joey to me.

208

00:16:01,280 --> 00:16:02,519

These look really good, man.

209

00:16:02,520 --> 00:16:03,599

Nice work.

210

00:16:03,600 --> 00:16:06,839

I'm Edward, just so you know.

211

00:16:06,840 --> 00:16:09,263

You can just call me Ed.

212

00:16:14,880 --> 00:16:17,839

Ed.

213

00:16:17,840 --> 00:16:20,439

Ed McMahon, Ed Sullivan.

214

00:16:20,440 --> 00:16:22,319

Joe... McCarthy.

215

00:16:22,320 --> 00:16:24,159

[GIGGLES]

216

00:16:24,160 --> 00:16:26,399

You see the new golf
course on the way in?

217

00:16:26,400 --> 00:16:27,639

Is that what that was?

218

00:16:27,640 --> 00:16:28,759

No, we just saw dump trucks.

219

00:16:28,760 --> 00:16:30,199

Yep.

220

00:16:30,200 --> 00:16:33,199

Just the latest outpost
of the Portland empire.

221

00:16:33,200 --> 00:16:35,759

And taxidermy,

222

00:16:35,760 --> 00:16:36,879

gourmet food,

223

00:16:36,880 --> 00:16:38,239

\$8 coffee...

224

00:16:38,240 --> 00:16:39,999

Sounds pretty cool.

225

00:16:40,000 --> 00:16:41,279

Yeah, fuck cool.

226

00:16:41,280 --> 00:16:43,119

Keep your fucking cool to yourself.

227

00:16:43,120 --> 00:16:46,199

You know how many golf courses
there are in Bend already?

228

00:16:46,200 --> 00:16:47,199

- No.

- Guess.

229

00:16:47,200 --> 00:16:48,199

I don't know.

230

00:16:48,200 --> 00:16:50,799

Guess.

231

00:16:50,800 --> 00:16:52,679

5.

232

00:16:52,680 --> 00:16:53,759

15.

233

00:16:53,760 --> 00:16:54,959

29.

234

00:16:54,960 --> 00:16:56,559

It's the high plains desert.

235

00:16:56,560 --> 00:16:57,999

Where's the water?

236

00:16:58,000 --> 00:16:59,759

Right?

237

00:16:59,760 --> 00:17:02,239

Absolute bullshit.

238

00:17:02,240 --> 00:17:03,479

Okay.

239

00:17:03,480 --> 00:17:05,439

So how's everything else going?

240

00:17:05,440 --> 00:17:06,719

Are we on schedule?

241

00:17:06,720 --> 00:17:08,879

[SIGHS]

242

00:17:08,880 --> 00:17:12,439

Mm...

243

00:17:12,440 --> 00:17:14,799

Yeah, real close.

244

00:17:14,800 --> 00:17:16,839

Close? What do you mean close?

245

00:17:16,840 --> 00:17:19,866

We could use another couple

hundred pounds of fertilizer.

246

00:17:21,040 --> 00:17:24,479

[SPUTTERS]

247

00:17:24,480 --> 00:17:26,759

Sorry, I thought you said that
you had it all under control.

248

00:17:26,760 --> 00:17:29,639

I mean, it's not that easy.

249

00:17:29,640 --> 00:17:31,119

I can't go in that often.

250

00:17:31,120 --> 00:17:33,279

And I have to work.

251

00:17:33,280 --> 00:17:34,879

Right?

252

00:17:34,880 --> 00:17:36,759

Those greens don't mow
themselves, you know?

253

00:17:36,760 --> 00:17:38,719

So how much... how
much do you have?

254

00:17:38,720 --> 00:17:41,439

Mm, 1,000 pounds, give or take.

255

00:17:41,440 --> 00:17:42,919

And how much do we need?

256

00:17:42,920 --> 00:17:45,039

500 pounds would be nice.

257

00:17:45,040 --> 00:17:46,599

500 pounds?

258

00:17:46,600 --> 00:17:47,959

Look, we can go with what we have.

259

00:17:47,960 --> 00:17:50,919

I mean...

260

00:17:50,920 --> 00:17:52,399

it's probably all right.

261

00:17:52,400 --> 00:17:54,279

God knows that dam
wants to come down.

262

00:17:54,280 --> 00:17:57,359

There is a serious tonnage of water

263

00:17:57,360 --> 00:17:59,359

just pushing up against her walls.

264

00:17:59,360 --> 00:18:03,079

Everything in the world is telling
her to give up and let go.

265

00:18:03,080 --> 00:18:06,839

But still, I mean,

266

00:18:06,840 --> 00:18:09,679

we should just help her
all we can. Right?

267

00:18:09,680 --> 00:18:11,519

So what... what are you
saying that we do?

268

00:18:11,520 --> 00:18:13,719

Let's go to the feed store
in the morning, that's all.

269

00:18:13,720 --> 00:18:15,159

They're not gonna
sell us that much.

270

00:18:15,160 --> 00:18:16,519

There's just one way to find out.

271

00:18:16,520 --> 00:18:17,759

No, anything over 10 pounds

272

00:18:17,760 --> 00:18:19,439

sends up major red
flags for these guys.

273

00:18:19,440 --> 00:18:21,679

- That's not necessarily true.
- It is true.

274

00:18:21,680 --> 00:18:23,359

We should've known
about this earlier.

275

00:18:23,360 --> 00:18:26,340

Yeah, one second, let me just...

276

00:18:33,280 --> 00:18:36,519

Okay, no, if that's
what we got to do.

277

00:18:36,520 --> 00:18:37,879

Yeah.

278

00:18:37,880 --> 00:18:39,559

All right, we'll go
out in the morning.

279

00:18:39,560 --> 00:18:42,839

Then we'll come back here
and stuff the turkey.

280

00:18:42,840 --> 00:18:43,879

'Kay?

281

00:18:43,880 --> 00:18:45,279

We'll put in Sunday.

282

00:18:45,280 --> 00:18:46,879

We'll move into
position Sunday night.

283

00:18:46,880 --> 00:18:50,350

Monday morning, we'll all go to
work like nothing happened, okay?

284

00:19:10,160 --> 00:19:13,584

[METAL CLINKING]

285

00:19:19,880 --> 00:19:23,079

He knows what he's talking about?

286

00:19:23,080 --> 00:19:24,319

Yeah.

287

00:19:24,320 --> 00:19:25,639

Yeah, he was trained by the best,

288

00:19:25,640 --> 00:19:28,199

the United States Marine Corps.

289

00:19:28,200 --> 00:19:29,639

You trust him?

290

00:19:29,640 --> 00:19:31,710

Definitely.

291

00:19:37,000 --> 00:19:39,867

All right. I'm going to bed.

292

00:19:59,520 --> 00:20:01,599

You think she's all right?

293

00:20:01,600 --> 00:20:02,759

Yeah.

294

00:20:02,760 --> 00:20:03,799

Yeah, she's done some shit.

295

00:20:03,800 --> 00:20:05,519

She's good.

296

00:20:05,520 --> 00:20:07,439

She did that thing in Eugene
with you... the cell towers?

297

00:20:07,440 --> 00:20:09,759

Yeah. Yeah.

298

00:20:09,760 --> 00:20:12,159

She bankrolled that.

That's what I heard.

299

00:20:12,160 --> 00:20:14,639

What do you mean,
that's what you heard?

300

00:20:14,640 --> 00:20:17,879

Well, you told me
that, you dumb-ass.

301

00:20:17,880 --> 00:20:20,359

That's good. You're paranoid.

302

00:20:20,360 --> 00:20:23,319

Healthier that way in the long run.

303

00:20:23,320 --> 00:20:24,359

She paid for it.

304

00:20:24,360 --> 00:20:25,986

Mm.

305

00:20:28,400 --> 00:20:31,599

How much was that boat?

306

00:20:31,600 --> 00:20:34,023

10 grand.

307

00:20:37,000 --> 00:20:39,423

Rich daddy.

308

00:20:41,480 --> 00:20:43,839

I don't see why she has
to be here, though.

309

00:20:43,840 --> 00:20:45,079

She's done plenty already.

310

00:20:45,080 --> 00:20:47,399

It's part of the deal.

311

00:20:47,400 --> 00:20:49,919

I don't see why she
just doesn't go home.

312

00:20:49,920 --> 00:20:52,199

We can take her down to the
train station tomorrow morning.

313

00:20:52,200 --> 00:20:53,239

Mm-mm.

314

00:20:53,240 --> 00:20:55,479

This isn't the same

315

00:20:55,480 --> 00:20:57,199

as those other shows, my friend.

316

00:20:57,200 --> 00:20:58,559

This is on a different level.

317

00:20:58,560 --> 00:21:00,599

You know that.

318

00:21:00,600 --> 00:21:02,039

You think I don't know that?

319

00:21:02,040 --> 00:21:03,239

- No, you know.

- Okay.

320

00:21:03,240 --> 00:21:06,919

You definitely know.

321

00:21:06,920 --> 00:21:08,599

This is gonna be big.

322

00:21:08,600 --> 00:21:11,439

Yeah, it's got to be big.

323

00:21:11,440 --> 00:21:14,261

If people are going to
start thinking anyway...

324

00:21:16,280 --> 00:21:18,359

Killing all the salmon
just so you can run

325

00:21:18,360 --> 00:21:22,039

your fucking iPod every

second of your life.

326

00:21:22,040 --> 00:21:25,239

And that's what's gonna happen.

327

00:21:25,240 --> 00:21:26,519

People are gonna start thinking.

328

00:21:26,520 --> 00:21:29,626

They have to.

329

00:21:30,800 --> 00:21:32,461

[CLEARS THROAT]

330

00:21:38,840 --> 00:21:40,159

[SIGHS]

331

00:21:40,160 --> 00:21:43,479

- You ever see Randy anymore?

- Mm.

332

00:21:43,480 --> 00:21:46,479

No, not for a while.

333

00:21:46,480 --> 00:21:49,479

He was squatting in Eagle
Creek, last I heard.

334

00:21:49,480 --> 00:21:52,221

Slipping back out into the wild.

335

00:21:54,240 --> 00:21:56,549

- Lucky man.

- Hmm.

336

00:22:11,720 --> 00:22:13,399

I thought it opened earlier.

337

00:22:13,400 --> 00:22:16,159

I'm sorry.

338

00:22:16,160 --> 00:22:17,559

It won't take that much longer.

339

00:22:17,560 --> 00:22:19,039

- Don't worry.

- I'm not worried.

340

00:22:19,040 --> 00:22:20,719

- All right.

- No, we got to eat.

341

00:22:20,720 --> 00:22:22,559

It gives Dena a chance
to do her homework.

342

00:22:22,560 --> 00:22:23,759

[CHUCKLES]

343

00:22:23,760 --> 00:22:25,799

I've got it.

344

00:22:25,800 --> 00:22:26,919

How are your eggs?

345

00:22:26,920 --> 00:22:28,279

They look dry.

346

00:22:28,280 --> 00:22:29,799

I like them this way.

347

00:22:29,800 --> 00:22:30,799

You should have some.

348

00:22:30,800 --> 00:22:32,039

Mm, no.

349

00:22:32,040 --> 00:22:33,759

I only eat oatmeal in the morning.

350

00:22:33,760 --> 00:22:35,359

Girl, you need protein.

351

00:22:35,360 --> 00:22:36,719

It makes your brain fire better.

352

00:22:36,720 --> 00:22:38,279

Believe me. You should
have some eggs.

353

00:22:38,280 --> 00:22:41,584

My brain fires just fine,
mister. Oats are the best.

354

00:22:41,585 --> 00:22:43,639

- They're a perfect food.
- Okay, Okay.

355

00:22:43,640 --> 00:22:47,239

So what are you gonna say
if he asks why you want it?

356

00:22:47,240 --> 00:22:49,879

For the broccoli.

357

00:22:49,880 --> 00:22:53,919

For all the goddamn broccoli
that needs its nitrogen.

358

00:22:53,920 --> 00:22:55,239

I'm fine.

359

00:22:55,240 --> 00:22:56,319

Don't worry about it.

360

00:22:56,320 --> 00:22:58,279

I'm not worried about it.

361

00:22:58,280 --> 00:23:00,479

Harmon.

362

00:23:00,480 --> 00:23:01,759

Hey, man. How you doing?

363

00:23:01,760 --> 00:23:03,079

Keeping my nose clean, you know.

364

00:23:03,080 --> 00:23:04,639

Glad to hear it.

365

00:23:04,640 --> 00:23:06,119

Well, you have a good day, brother.

366

00:23:06,120 --> 00:23:07,319

- You too.

- Take it easy.

367

00:23:07,320 --> 00:23:09,743

- Yep.

- See you around.

368

00:23:14,600 --> 00:23:16,439

The hell was that?

369

00:23:16,440 --> 00:23:18,559

I thought you said you don't
know anybody around here?

370

00:23:18,560 --> 00:23:21,119

I barely know him.

371

00:23:21,120 --> 00:23:23,719

How do you barely know him?

372

00:23:23,720 --> 00:23:26,839

We served time together.

373

00:23:26,840 --> 00:23:28,999

What?

374

00:23:29,000 --> 00:23:30,839

I thought you said you
didn't have any priors.

375

00:23:30,840 --> 00:23:32,119

What the hell is your deal?

376

00:23:32,120 --> 00:23:33,399

When were you gonna tell us that?

377

00:23:33,400 --> 00:23:34,999

Calm down.

378

00:23:35,000 --> 00:23:38,119

It's so long ago,
it doesn't really count.

379

00:23:38,120 --> 00:23:40,919

It's gone, expunged.

380

00:23:40,920 --> 00:23:42,679

Your friend is really
something here,

381

00:23:42,680 --> 00:23:44,839

Mr. Ed... or is it Harmon?

382

00:23:44,840 --> 00:23:46,599

Things are kind of getting
mixed up already,

383

00:23:46,600 --> 00:23:47,759

and we're, what, an hour in?

384

00:23:47,760 --> 00:23:49,479

You think your record is gone?

385

00:23:49,480 --> 00:23:51,079

You think anything is
ever gone anymore?

386

00:23:51,080 --> 00:23:52,679

You need to join
this century, dude,

387

00:23:52,680 --> 00:23:54,199

and realize that your
record is not just sitting

388

00:23:54,200 --> 00:23:56,399

in some filing cabinet somewhere.

389

00:23:56,400 --> 00:23:58,519

They don't just burn it.
Nothing is ever gone anymore.

390

00:23:58,520 --> 00:23:59,519

You need to know that.

391

00:23:59,520 --> 00:24:02,039

Just take it easy, because
it's not that big a deal.

392

00:24:02,040 --> 00:24:03,039

It is a big deal.

393

00:24:03,040 --> 00:24:04,159

I think we all should know

394

00:24:04,160 --> 00:24:05,399

what we're dealing with here.

395

00:24:05,400 --> 00:24:08,159

Oh, could you please shut up?

396

00:24:08,160 --> 00:24:10,583

- Okay.

- Okay.

397

00:24:21,040 --> 00:24:22,999

All right.

398

00:24:23,000 --> 00:24:24,479

Now remember, just

be as forgettable

399

00:24:24,480 --> 00:24:25,919

as possible, all right?

400

00:24:25,920 --> 00:24:27,839

The cameras are on the
edges of the store,

401

00:24:27,840 --> 00:24:30,639

so stay to the middle aisle
as much as possible.

402

00:24:30,640 --> 00:24:32,359

Keep your hat on, okay?

403

00:24:32,360 --> 00:24:34,021

Mm-hmm.

404

00:24:36,080 --> 00:24:37,679

Hey, hey, remember,
ten acres, okay?

405

00:24:37,680 --> 00:24:39,466

You got ten acres of land.

406

00:24:57,880 --> 00:25:00,239

Hey, I'm looking for
your larger bags?

407

00:25:00,240 --> 00:25:01,319

Your 50-pound bags?

408

00:25:01,320 --> 00:25:02,719

Oh, they're outside,

409

00:25:02,720 --> 00:25:04,679

out that door and over in the shed.

410

00:25:04,680 --> 00:25:06,591

Cool, thanks.

411

00:25:22,040 --> 00:25:25,439

When she was in... in Manila,

412

00:25:25,440 --> 00:25:27,079

she shared a room with ten sisters,

413

00:25:27,080 --> 00:25:28,319

and she gets here.

414

00:25:28,320 --> 00:25:29,719

She looks at the house,

415

00:25:29,720 --> 00:25:32,959

and she says, "The
house is too small."

416

00:25:32,960 --> 00:25:34,639

All right, hasta luego,
all right, Goose?

417

00:25:34,640 --> 00:25:37,108

All right. Have a good day.

418

00:25:44,120 --> 00:25:46,719

Can I help you?

419

00:25:46,720 --> 00:25:48,199

Yeah.

420

00:25:48,200 --> 00:25:50,759

I'm looking for ammonium
nitrate fertilizer.

421

00:25:50,760 --> 00:25:53,999

Do you have that?

422

00:25:54,000 --> 00:25:55,639

Did you look around?

423

00:25:55,640 --> 00:25:56,639

A little.

424

00:25:56,640 --> 00:25:58,079

Yeah?

425

00:25:58,080 --> 00:25:59,319

Nope, we don't have it.

426

00:25:59,320 --> 00:26:00,879

None at all?

427

00:26:00,880 --> 00:26:03,599

Well, you can... you can
ask in the front office.

428

00:26:03,600 --> 00:26:04,719

Where's that?

429

00:26:04,720 --> 00:26:06,879

In the trailer.

430

00:26:06,880 --> 00:26:08,586

Thanks.

431

00:26:30,640 --> 00:26:33,679

[KNOCKING]

432

00:26:33,680 --> 00:26:35,319

Can I help you?

433

00:26:35,320 --> 00:26:36,439

Yeah, I think so.

434

00:26:36,440 --> 00:26:38,799

Looking to get some fertilizer.

435

00:26:38,800 --> 00:26:40,399

Sure, you know what
you're looking for?

436

00:26:40,400 --> 00:26:41,839

Yeah, the ammonium nitrate.

437

00:26:41,840 --> 00:26:42,839

Hope you've got it.

438

00:26:42,840 --> 00:26:45,263

How much you need?

439

00:26:46,920 --> 00:26:48,759

500 pounds.

440

00:26:48,760 --> 00:26:50,079

What are you growing with that,

441

00:26:50,080 --> 00:26:51,719

if you don't mind my asking?

442

00:26:51,720 --> 00:26:55,959

Oh, beets, carrots, onions,
parsnips, broccoli.

443

00:26:55,960 --> 00:27:00,559

I wonder if you've tried
our new sodium fertilizer?

444

00:27:00,560 --> 00:27:02,719

It's good stuff by all reports,

445

00:27:02,720 --> 00:27:04,879

fast uptake, just like ammonium.

446

00:27:04,880 --> 00:27:07,159

Yeah, I think I'll probably
stick with what we're used to.

447

00:27:07,160 --> 00:27:08,399

- Thank you, though.

- All right.

448

00:27:08,400 --> 00:27:09,719

How much you say you need?

449

00:27:09,720 --> 00:27:11,439

500 pounds.

450

00:27:11,440 --> 00:27:12,799

And how many acres you covering?

451

00:27:12,800 --> 00:27:15,839

Ten.

452

00:27:15,840 --> 00:27:18,159

All right.

453

00:27:18,160 --> 00:27:22,679

I need your signature, your ID...

454

00:27:22,680 --> 00:27:24,599

Coming up.

455

00:27:24,600 --> 00:27:26,159

Yep, no problem.

456

00:27:26,160 --> 00:27:28,079

And your Social Security card.

457

00:27:28,080 --> 00:27:30,639

I don't think I have that.

458

00:27:30,640 --> 00:27:32,679

I don't usually carry
that around with me.

459

00:27:32,680 --> 00:27:34,279

Well, I'm gonna...

I'm gonna need to see

460

00:27:34,280 --> 00:27:35,839

your Social Security card

461

00:27:35,840 --> 00:27:37,919

before I sell you ammonium
nitrate, you understand?

462

00:27:37,920 --> 00:27:39,639

I could tell you the
number, no problem.

463

00:27:39,640 --> 00:27:41,839

No, I'm gonna need to see it...

464

00:27:41,840 --> 00:27:43,759

controlled substance and all.

465

00:27:43,760 --> 00:27:45,959

Okay. All right.

466

00:27:45,960 --> 00:27:47,599

Well, let me... let me
go check in my truck.

467

00:27:47,600 --> 00:27:49,261

I'll be right back.

468

00:28:02,240 --> 00:28:03,799

What's up?

469

00:28:03,800 --> 00:28:04,999

He wants a Social Security card.

470

00:28:05,000 --> 00:28:07,119

What?

471

00:28:07,120 --> 00:28:09,239

Bullshit.

472

00:28:09,240 --> 00:28:11,359

Complete and utter bullshit.

Just a power trip.

473

00:28:11,360 --> 00:28:12,799

He's making shit up.

474

00:28:12,800 --> 00:28:14,799

Who carries around their
Social Security card?

475

00:28:14,800 --> 00:28:16,519

That's what I said, but I told
him I'd check in the car.

476

00:28:16,520 --> 00:28:18,679

All right, let's just go. Come on.
We'll find it someplace else.

477

00:28:18,680 --> 00:28:19,799

No, no, no, no.

478

00:28:19,800 --> 00:28:20,839

- Just split you mean?

- Yeah.

479

00:28:20,840 --> 00:28:22,519

What, you don't think so?

480

00:28:22,520 --> 00:28:23,959

I'm just thinking

that's the easiest way

481

00:28:23,960 --> 00:28:25,919

to get remembered out here, right?

482

00:28:25,920 --> 00:28:27,319

You probably ought to go

back in there, I'd say.

483

00:28:27,320 --> 00:28:29,079

No, no, no, no.

484

00:28:29,080 --> 00:28:30,919

Just go back in, tell him

you left your card at home.

485

00:28:30,920 --> 00:28:32,479

See what happens.

486

00:28:32,480 --> 00:28:33,999

Worst case is, he

doesn't make the sale,

487

00:28:34,000 --> 00:28:35,759

but you can't just leave

him hanging, right?

488

00:28:35,760 --> 00:28:37,625

Go on.

489

00:28:52,920 --> 00:28:55,343

[DOOR RATTLES]

490

00:28:57,080 --> 00:28:59,119

Yeah, I don't have that with me.

491

00:28:59,120 --> 00:29:01,159

I don't carry that

around on me usually.

492

00:29:01,160 --> 00:29:03,959

Well, that's inconvenient.

493

00:29:03,960 --> 00:29:05,319

Yeah, it is.

494

00:29:05,320 --> 00:29:06,759

I don't even really
know where it is,

495

00:29:06,760 --> 00:29:08,839

but I really do need that load.

496

00:29:08,840 --> 00:29:11,239

So I don't know if there's
something we can work out,

497

00:29:11,240 --> 00:29:13,679

or some way to get around this.

498

00:29:13,680 --> 00:29:14,799

Well, you could go home,

499

00:29:14,800 --> 00:29:18,679

take a look, come back later.

We're open till 5:00.

500

00:29:18,680 --> 00:29:20,319

Yeah.

501

00:29:20,320 --> 00:29:22,079

We're up near Pine Hollow,

502

00:29:22,080 --> 00:29:25,199

so I wouldn't be able to
get back for another week.

503

00:29:25,200 --> 00:29:28,319

Well, I wish I could help.

504

00:29:28,320 --> 00:29:30,679

Well, how much can I get
today without the card?

505

00:29:30,680 --> 00:29:32,750

None.

506

00:29:34,720 --> 00:29:36,679

I can't leave you some
collateral or something?

507

00:29:36,680 --> 00:29:38,784

I'm afraid not.

508

00:29:45,600 --> 00:29:47,559

Look, sir, the winter went
extra long this year,

509

00:29:47,560 --> 00:29:50,599

so we're already late getting
that stuff on the ground,

510

00:29:50,600 --> 00:29:52,199

and the broccoli
really needs it now,

511

00:29:52,200 --> 00:29:55,319

or it's not gonna be ready in time.

512

00:29:55,320 --> 00:29:57,743

Well, I'm real sorry.

513

00:30:00,040 --> 00:30:02,359

The forage production is
a big deal for us too.

514

00:30:02,360 --> 00:30:05,319

We've got a 120 milk cows that
need that grass and clover.

515

00:30:05,320 --> 00:30:08,119

Look, you come back here with
the proper identification.

516

00:30:08,120 --> 00:30:09,799

I'm sure we can work something out.

517

00:30:09,800 --> 00:30:12,399

But until then, I can't help you.

518

00:30:12,400 --> 00:30:14,119

I'm sorry. That's just how it is.

519

00:30:14,120 --> 00:30:16,519

You'd sell it to me if I
looked like these guys.

520

00:30:16,520 --> 00:30:17,759

I know these guys.

521

00:30:17,760 --> 00:30:19,039

Lucky you don't look like us.

522

00:30:19,040 --> 00:30:21,519

[MEN CHUCKLING]

523

00:30:21,520 --> 00:30:22,839

All right, look, sir.

524

00:30:22,840 --> 00:30:25,799

If you want to, you can call my uncle.
Nature's Harvest is our name.

525

00:30:25,800 --> 00:30:27,959

We grow carrots, onions,
beets, parsnips, broccoli,

526

00:30:27,960 --> 00:30:30,479

and we have 120 milk cows
that supply for Wilber Dairy.

527

00:30:30,480 --> 00:30:33,199

You probably drink our milk.

528

00:30:33,200 --> 00:30:35,679

I do drink the milk

529

00:30:35,680 --> 00:30:38,919

if it's on sale.

530

00:30:38,920 --> 00:30:42,159

[FLY BUZZING]

531

00:30:42,160 --> 00:30:45,584

[MACHINERY CLATTERING]

532

00:31:43,160 --> 00:31:46,231

[GRUNTS]

533

00:32:03,560 --> 00:32:06,984

[HEAVY MACHINERY RUMBLING]

534

00:32:39,160 --> 00:32:42,584

[WATER HISSING]

535

00:33:04,320 --> 00:33:07,744

[CRICKETS CHIRPING]

536

00:33:52,000 --> 00:33:55,424

[CHIMES TINTINNABULATING]

537

00:34:01,480 --> 00:34:03,919

[GIGGLES SOFTLY]

538

00:34:03,920 --> 00:34:07,344

[MOANING]

539

00:34:14,960 --> 00:34:17,383

[GRUNTS]

540

00:34:35,400 --> 00:34:38,870

[INSECTS CHIRPING AND BUZZING]

541

00:35:27,800 --> 00:35:30,223

[GRUNTS]

542

00:35:48,760 --> 00:35:50,421

[GRUNTS]

543

00:36:05,320 --> 00:36:06,919

You want to go around
and grab this?

544

00:36:06,920 --> 00:36:08,581

Sure.

545

00:36:15,120 --> 00:36:17,543

- Got that?

- Yeah.

546

00:36:24,800 --> 00:36:26,879

So, uh.

547

00:36:26,880 --> 00:36:29,399

I'm thinking we'll put
in upstream a ways.

548

00:36:29,400 --> 00:36:31,199

Closest place is Lake of the Woods,

549

00:36:31,200 --> 00:36:34,399

not too many spectators
this time of year.

550

00:36:34,400 --> 00:36:35,959

Yep. How far upstream?

551

00:36:35,960 --> 00:36:37,759

Uh, the boat launch is
six or seven clicks

552

00:36:37,760 --> 00:36:39,159

from the reservoir.

553

00:36:39,160 --> 00:36:41,239

We'll put the boat down first,

554

00:36:41,240 --> 00:36:44,919

then take the truck further
down the mountain.

555

00:36:44,920 --> 00:36:46,159

All right, that sounds good.

556

00:36:46,160 --> 00:36:47,399

You good with this?

557

00:36:47,400 --> 00:36:49,106

Yeah. I'm good.

558

00:36:55,160 --> 00:36:58,959

[ENGINE REVVING]

559

00:36:58,960 --> 00:37:02,384

[TIRES WHINING]

560

00:37:06,160 --> 00:37:07,599

Easy.

561

00:37:07,600 --> 00:37:10,023

Heavy load.

562

00:37:14,440 --> 00:37:17,639

[SOMBER MUSIC]

563

00:37:59,240 --> 00:38:02,439

[AGGRESSIVE ROCK MUSIC]

564

00:38:15,320 --> 00:38:18,519

[SOMBER MUSIC]

565

00:38:59,200 --> 00:39:00,959

You want to just follow me?

566

00:39:00,960 --> 00:39:03,479

Wait, I thought you said

no one would be here?

567

00:39:03,480 --> 00:39:06,119

This is nothing.

568

00:39:06,120 --> 00:39:07,679

You should see it in the on-season.

569

00:39:07,680 --> 00:39:09,559

All right.

570

00:39:09,560 --> 00:39:10,599

Come on. Follow me.

571

00:39:10,600 --> 00:39:12,261

All right.

572

00:39:15,240 --> 00:39:18,664

[KIDS CHATTERING]

573

00:39:44,640 --> 00:39:46,799

You're almost right

dead in the middle,

574

00:39:46,800 --> 00:39:50,239

just a little below the very
center of the price range.

575

00:39:50,240 --> 00:39:53,519

Let's see if you are on your
way to Miami for six nights.

576

00:39:53,520 --> 00:39:57,479

Is she right?

577

00:39:57,480 --> 00:39:58,479

You got it!

578

00:39:58,480 --> 00:40:00,159

[CHEERS AND APPLAUSE]

579

00:40:00,160 --> 00:40:02,519

You're going to Miami!

You're going to Miami!

580

00:40:02,520 --> 00:40:05,119

I've been walking

for, like, 11 miles.

581

00:40:05,120 --> 00:40:07,599

I can't go any more.

582

00:40:07,600 --> 00:40:10,023

My ankles are breaking.

583

00:40:45,720 --> 00:40:46,719

We'll be fast.

584

00:40:46,720 --> 00:40:48,959

Let's find a safe place to
park the trailer, all right?

585

00:40:48,960 --> 00:40:50,079

And careful where you park.

586

00:40:50,080 --> 00:40:51,239

The lot has cameras now, okay?

587

00:40:51,240 --> 00:40:54,399

Got it.

588

00:40:54,400 --> 00:40:57,824

[ENGINE REVVING]

589

00:41:42,920 --> 00:41:46,344

[ENGINE REVVING]

590

00:42:03,240 --> 00:42:05,079

Now what should we do?

591

00:42:05,080 --> 00:42:06,479

That's a big guy.

592

00:42:06,480 --> 00:42:10,079

Should I shoot that?

593

00:42:10,080 --> 00:42:11,839

Bam!

594

00:42:11,840 --> 00:42:13,079

That guy has a broken arm.

595

00:42:13,080 --> 00:42:14,679

That guy has arms.

596

00:42:14,680 --> 00:42:17,319

Let's shoot his arms!

597

00:42:17,320 --> 00:42:19,079

Boom, Boom.

598

00:42:19,080 --> 00:42:22,504

[INDISTINCT CHATTERING]

599

00:42:44,480 --> 00:42:47,679

[MELANCHOLY AMBIENT MUSIC]

600

00:43:58,080 --> 00:44:01,504

[JET SKIS THRUMMING AND WHINING]

601

00:44:19,560 --> 00:44:21,119

Which way are you going back?

602

00:44:21,120 --> 00:44:22,879

Uh, 26, across the mountain.

603

00:44:22,880 --> 00:44:24,679

It's out of the way, but
there's more traffic.

604

00:44:24,680 --> 00:44:26,319

We can blend in.

605

00:44:26,320 --> 00:44:28,279

When we split up, we
shouldn't talk on the phone.

606

00:44:28,280 --> 00:44:29,519

Yeah, no way.

607

00:44:29,520 --> 00:44:30,599

Yeah, no contact. No contact.

608

00:44:30,600 --> 00:44:32,799

- No contact.

- Yeah.

609

00:44:32,800 --> 00:44:35,143

- Howdy.

- Oh, shit.

610

00:44:40,400 --> 00:44:43,119

How are you guys doing today?

611

00:44:43,120 --> 00:44:45,479

Not bad.

612

00:44:45,480 --> 00:44:47,903

Beautiful day.

613

00:44:49,440 --> 00:44:51,919

Don't mind me. I'm just
out walking around.

614

00:44:51,920 --> 00:44:54,199

Got to keep walking all the time.

615

00:44:54,200 --> 00:44:56,039

My legs are killing me.

616

00:44:56,040 --> 00:44:57,279

Nerves are messed up.

617

00:44:57,280 --> 00:44:59,559

You don't want to hear about it.

618

00:44:59,560 --> 00:45:03,039

Anyway, awesome spot you found.

619

00:45:03,040 --> 00:45:04,359

Yep.

620

00:45:04,360 --> 00:45:08,679

Yeah, they fixed it up real nice.

621

00:45:08,680 --> 00:45:11,399

Oh, yeah, I used to come
here back in the '80s.

622

00:45:11,400 --> 00:45:12,639

[CHUCKLES]

623

00:45:12,640 --> 00:45:13,919

Back in the '80s...

624

00:45:13,920 --> 00:45:18,119

man, those were wild times...

625

00:45:18,120 --> 00:45:20,224

wild times.

626

00:45:38,920 --> 00:45:40,581

Take care.

627

00:45:47,000 --> 00:45:49,946

[ALL CHUCKLING]

628

00:45:51,720 --> 00:45:53,679

How deep is this lake anyway?

629

00:45:53,680 --> 00:45:57,319

Uh, 200 feet this time of year.

630

00:45:57,320 --> 00:45:59,999

What kind of fish are in it?

631

00:46:00,000 --> 00:46:02,719

Cutthroat trout, mainly.

632

00:46:02,720 --> 00:46:05,639

It's all I've ever seen.

633

00:46:05,640 --> 00:46:07,959

That's an oily fish.

634

00:46:07,960 --> 00:46:12,199

Good omega-3 fatty acids in trout,

635

00:46:12,200 --> 00:46:13,359

good for the heart.

636

00:46:13,360 --> 00:46:14,799

Good for depression too, they say.

637

00:46:14,800 --> 00:46:18,399

All I know is, they're fun to catch.

638

00:46:18,400 --> 00:46:21,559

What makes them fun?

639

00:46:21,560 --> 00:46:24,839

They like to fight,
they like to jump.

640

00:46:24,840 --> 00:46:26,279

Sometimes they break free,

641

00:46:26,280 --> 00:46:30,159

and I respect that in a fish.

642

00:46:30,160 --> 00:46:32,279

I've never fished.

643

00:46:32,280 --> 00:46:34,159

No, never? Not once?

644

00:46:34,160 --> 00:46:35,239

- Nope.

- Not one time?

645

00:46:35,240 --> 00:46:38,079

Nope.

646

00:46:38,080 --> 00:46:39,639

Mm.

647

00:46:39,640 --> 00:46:44,079

Saw a lot of paintings of
fish when I was a kid.

648

00:46:44,080 --> 00:46:45,879

Those were our family vacations,

649

00:46:45,880 --> 00:46:49,439

just looking at paintings
of places we'd rather be.

650

00:46:49,440 --> 00:46:51,199

Someday you'll fish.

651

00:46:51,200 --> 00:46:53,719

No.

652

00:46:53,720 --> 00:46:55,479

I'm not fishing now.

653

00:46:55,480 --> 00:46:57,679

In 2048, the oceans

are gonna be empty.

654

00:46:57,680 --> 00:46:58,999

Yeah? Who says?

655

00:46:59,000 --> 00:47:00,199

Science.

656

00:47:00,200 --> 00:47:03,279

Science? Maybe science is wrong.

657

00:47:03,280 --> 00:47:05,039

No.

658

00:47:05,040 --> 00:47:09,119

29% of edible fish

have gone down by 90%.

659

00:47:09,120 --> 00:47:10,919

More people are moving

to the coastlines,

660

00:47:10,920 --> 00:47:13,359

means more pollution, more waste.

661

00:47:13,360 --> 00:47:17,319

Situation is getting

"geometrically" worse.

662

00:47:17,320 --> 00:47:19,719

It'll all go fast in the end.

663

00:47:19,720 --> 00:47:22,999

Once the marine biodiversity

goes, everything goes with it.

664

00:47:24,120 --> 00:47:26,519

You know a lot.

665

00:47:26,520 --> 00:47:29,399

The one good class

I took in college.

666

00:47:29,400 --> 00:47:31,999

Really? That's it?

667

00:47:32,000 --> 00:47:33,479

I hate to hear that.

668

00:47:33,480 --> 00:47:36,159

I wasn't there very long.

669

00:47:36,160 --> 00:47:38,479

Just a bunch of poseurs

shooting up for four years

670

00:47:38,480 --> 00:47:41,079

before they took their
media jobs in New York.

671

00:47:41,080 --> 00:47:45,119

It was a joke. I couldn't
wait to get out of there.

672

00:47:45,120 --> 00:47:48,351

You should go fishing some
time before it's all gone.

673

00:47:55,480 --> 00:47:58,719

[MELANCHOLY AMBIENT MUSIC]

674

00:49:59,800 --> 00:50:02,639

[GRUNTS]

675

00:50:43,560 --> 00:50:45,221

[CRACK]

676

00:50:46,520 --> 00:50:48,943

[GRUNTS]

677

00:51:34,080 --> 00:51:37,279

[CLICKING]

678

00:51:43,480 --> 00:51:46,187

[ELECTRONIC BEEPING]

679

00:52:16,480 --> 00:52:19,679

[SOMBER MUSIC]

680

00:52:50,520 --> 00:52:53,944

[GRAVEL CRUNCHING]

681

00:53:00,560 --> 00:53:03,950

[CAR BEEPING]

682

00:53:08,840 --> 00:53:10,839

[WHISPERS] That's not a good spot.

683

00:53:10,840 --> 00:53:12,479

[WHISPERS] No.

684

00:53:12,480 --> 00:53:15,904

[CAR BEEPING]

685

00:53:23,160 --> 00:53:25,742

Yeah, I got a flat.

686

00:53:27,400 --> 00:53:30,585

Yeah, well you know,

I'm gonna need your help.

687

00:53:32,680 --> 00:53:34,199

Yeah, yeah, I got...

688

00:53:34,200 --> 00:53:36,239

no, I got... yeah, this...

689

00:53:36,240 --> 00:53:38,879

yeah, it's right here.

690

00:53:38,880 --> 00:53:41,799

Yes, I do have a jack.

691

00:53:41,800 --> 00:53:45,190

[METAL CLATTERING]

692

00:54:06,280 --> 00:54:08,319

Babe, I wish you could see this.

693

00:54:08,320 --> 00:54:10,399

Yeah.

694

00:54:10,400 --> 00:54:13,585

I'm looking pretty manly right now.

695

00:54:15,560 --> 00:54:18,799

Okay, car is in the air.

696

00:54:18,800 --> 00:54:20,599

- How far am I going with this?

- [WHISPERS] Hey.

697

00:54:20,600 --> 00:54:21,879

- Can you stop it?

- Okay.

698

00:54:21,880 --> 00:54:24,303

Not a great idea.

699

00:54:37,000 --> 00:54:38,661

[GRUNTS]

700

00:55:09,840 --> 00:55:12,468

[GRUNTS]

701

00:55:13,360 --> 00:55:16,864

[ELECTRONIC BEEPING]

702

00:55:30,600 --> 00:55:32,039

[GRUNTS]

703

00:55:32,040 --> 00:55:33,639

Oh!

704

00:55:33,640 --> 00:55:34,639

[METAL CLATTERS]

705

00:55:34,640 --> 00:55:37,063

[SPEAKING INDISTINCTLY]

706

00:55:38,680 --> 00:55:42,104

[ELECTRONIC BEEPING]

707

00:55:45,880 --> 00:55:47,541

[BEEPING STOPS]

708

00:55:53,760 --> 00:55:56,228

[METAL CLATTERING]

709

00:56:16,960 --> 00:56:19,383

[ENGINE TURNS OVER]

710

00:56:22,560 --> 00:56:25,984

[GRAVEL CRUNCHING]

711

00:56:29,360 --> 00:56:32,750

[PANTING]

712

00:56:35,000 --> 00:56:36,439

Hey, we're good.

713

00:56:36,440 --> 00:56:39,864

[ELECTRONIC BEEPING]

714

00:56:43,480 --> 00:56:46,679

[TENSE AMBIENT MUSIC]

715

00:57:21,760 --> 00:57:25,184

[ALL PANTING]

716

00:57:46,440 --> 00:57:48,829

[ALL GASPING]

717

00:57:50,720 --> 00:57:53,439

[ENGINE GRINDING]

718

00:57:53,440 --> 00:57:55,759

Shit.

719

00:57:55,760 --> 00:57:56,839

[ENGINE TURNS OVER]

720

00:57:56,840 --> 00:57:59,149

Okay. Okay.

721

00:58:16,920 --> 00:58:20,344

[PANTING]

722

00:58:27,680 --> 00:58:29,341

Whew.

723

00:58:43,520 --> 00:58:47,079

[EXPLOSION BOOMS]

724

00:58:47,080 --> 00:58:49,503

[CHUCKLES]

725

00:58:51,240 --> 00:58:54,664

[RUMBLING]

726

00:59:48,400 --> 00:59:52,143

[SIGHS]

727

01:00:02,560 --> 01:00:04,221

[HITCH THUDS]

728

01:00:07,720 --> 01:00:11,159

Later, brother.

729

01:00:11,160 --> 01:00:12,821

See you, D!

730

01:00:30,200 --> 01:00:33,624

[SIRENS WAILING]

731

01:01:01,480 --> 01:01:05,039

Okay.

732

01:01:05,040 --> 01:01:07,679

We just got to get home,

733

01:01:07,680 --> 01:01:10,879

show up for work tomorrow morning,

734

01:01:10,880 --> 01:01:13,223

just get back to normal, okay?

735

01:01:16,240 --> 01:01:18,919

Hey, are you listening to me?

736

01:01:18,920 --> 01:01:19,919

Uh, yeah.

737

01:01:19,920 --> 01:01:21,581

Okay.

738

01:01:27,560 --> 01:01:29,221

Shit.

739

01:01:47,320 --> 01:01:50,744

[INDISTINCT RADIO CHATTER]

740

01:02:08,720 --> 01:02:10,039

Put your seat belt on.

741

01:02:10,040 --> 01:02:12,239

[INDISTINCT RADIO CHATTER]

742

01:02:12,240 --> 01:02:14,919

[SEAT BELT CLICKS]

743

01:02:14,920 --> 01:02:17,199

Good evening, I'm Sergeant Snook

744

01:02:17,200 --> 01:02:18,679

with the Talent Police Department.

745

01:02:18,680 --> 01:02:20,279

We're just checking

the area right now,

746

01:02:20,280 --> 01:02:21,919

identifying everybody

coming through.

747

01:02:21,920 --> 01:02:23,519

I need to see your license.

748

01:02:23,520 --> 01:02:25,784

Yeah, of course.

749

01:02:28,720 --> 01:02:30,119

How are you guys doing tonight?

750

01:02:30,120 --> 01:02:31,759

Oh, we're doing good.

751

01:02:31,760 --> 01:02:33,159

Good. How about your passenger?

752

01:02:33,160 --> 01:02:35,788

I need to see some ID for you.

753

01:02:37,560 --> 01:02:40,984

[INDISTINCT RADIO CHATTER]

754

01:02:44,520 --> 01:02:46,719

Joseph, would you mind stepping
out of the vehicle for me?

755

01:02:46,720 --> 01:02:48,199

I'd just like to talk

to you over here.

756

01:02:48,200 --> 01:02:49,861

Yeah.

757

01:02:57,160 --> 01:02:58,679

Why don't you lift

up this tarp here?

758

01:02:58,680 --> 01:03:00,479

I need to see what's

underneath there.

759

01:03:00,480 --> 01:03:01,719

Can you lift that up for me?

760

01:03:01,720 --> 01:03:03,426

Yeah.

761

01:03:05,200 --> 01:03:06,439

How about the box?

762

01:03:06,440 --> 01:03:07,839

Could you slide the box over here?

763

01:03:07,840 --> 01:03:10,799

Do you mind if I
take a look inside?

764

01:03:10,800 --> 01:03:12,039

Do you mind if I look inside?

765

01:03:12,040 --> 01:03:13,701

No.

766

01:03:19,040 --> 01:03:21,599

That's just, like, um, a CSA box.

767

01:03:21,600 --> 01:03:23,959

It's, like, community
supported agriculture

768

01:03:23,960 --> 01:03:25,439

for home delivery, just vegetables.

769

01:03:25,440 --> 01:03:26,919

Okay, Joseph.

770

01:03:26,920 --> 01:03:28,399

You didn't see anything
coming through, did you,

771

01:03:28,400 --> 01:03:30,479

that looked out of
the ordinary to you?

772

01:03:30,480 --> 01:03:31,839

- No.

- No, okay.

773

01:03:31,840 --> 01:03:33,279

Here's your guys' IDs back.

774

01:03:33,280 --> 01:03:36,021

- Thanks, and have a good night.

- Okay.

775

01:03:40,440 --> 01:03:41,439

Good evening.

776

01:03:41,440 --> 01:03:43,159

Hi.

777

01:03:43,160 --> 01:03:45,742

I'm Sergeant Snook with the
Talent Police Department.

778

01:03:49,040 --> 01:03:52,279

[MELANCHOLY AMBIENT MUSIC]

779

01:05:20,680 --> 01:05:24,104

[SHIVERING]

780

01:05:33,480 --> 01:05:35,959

[LAUGHTER]

781

01:05:35,960 --> 01:05:37,719

You wouldn't have the
organization skills

782

01:05:37,720 --> 01:05:39,319
to pull off something like that.

783

01:05:39,320 --> 01:05:41,119
You don't have good
interrogation skills.

784

01:05:41,120 --> 01:05:43,639
Well, clearly, these people have
some organizational skills.

785

01:05:43,640 --> 01:05:45,039
- Good morning.
- Hey.

786

01:05:45,040 --> 01:05:46,479
I didn't know you were back already.

787

01:05:46,480 --> 01:05:49,199
Oh, yeah, yeah. I got in late.

788

01:05:49,200 --> 01:05:51,399

Nothing local on there, you know.

789

01:05:51,400 --> 01:05:53,599

Unless you want to see what's
happening in Beverly Hills

790

01:05:53,600 --> 01:05:56,119

every five seconds of
the day, then cool.

791

01:05:56,120 --> 01:05:57,679

But if you want to
see what's happening

792

01:05:57,680 --> 01:06:00,262

in your own river, sorry.

793

01:06:03,000 --> 01:06:04,559

What's going on?

794

01:06:04,560 --> 01:06:06,639

Somebody blew up the Green
Peter Dam last night.

795

01:06:06,640 --> 01:06:09,279

Big story, national news.

796

01:06:09,280 --> 01:06:10,639

And this guy was downriver,

797

01:06:10,640 --> 01:06:12,159

sleeping on the bank.

798

01:06:12,160 --> 01:06:13,959

Now they can't find him.

799

01:06:13,960 --> 01:06:16,719

I am never going camping again,

800

01:06:16,720 --> 01:06:19,279

well, unless I'm uphill.

801

01:06:19,280 --> 01:06:20,279

God, what a bummer.

802

01:06:20,280 --> 01:06:21,639

Can you imagine that?

803

01:06:21,640 --> 01:06:22,959

It's like, "Dude, quit snoring.

804

01:06:22,960 --> 01:06:24,359

"Wait a minute.

805

01:06:24,360 --> 01:06:25,879

"There's an entire
lake coming for us.

806

01:06:25,880 --> 01:06:27,479

- Holy shit!"

- That's so funny, Dylan.

807

01:06:27,480 --> 01:06:28,919

You have, like, no feelings at all.

808

01:06:28,920 --> 01:06:30,319

Oh, I'm sorry that my sympathy's

809

01:06:30,320 --> 01:06:31,599

with the water on this one.

810

01:06:31,600 --> 01:06:32,879

Wow, okay. Now you're insane.

811

01:06:32,880 --> 01:06:34,519

No, come on.

812

01:06:34,520 --> 01:06:36,599

Like, of course, if something
happened to that guy,

813

01:06:36,600 --> 01:06:37,879

that's awful.

814

01:06:37,880 --> 01:06:39,119

I hope they find him. I do.

815

01:06:39,120 --> 01:06:40,879

I'm just saying...

816

01:06:40,880 --> 01:06:42,759

someone's got to start

somewhere, you know?

817

01:06:42,760 --> 01:06:44,039

Seriously.

818

01:06:44,040 --> 01:06:45,559

What, Sean, you don't agree?

819

01:06:45,560 --> 01:06:47,159

No, they're idiots, that's all.

820

01:06:47,160 --> 01:06:49,119

Yeah, but you don't

think they had a point?

821

01:06:49,120 --> 01:06:50,919

Yeah, sure, they had a fine point.

822

01:06:50,920 --> 01:06:52,359

But one dam? Who cares?

823

01:06:52,360 --> 01:06:55,119

That river has ten dams on it.

824

01:06:55,120 --> 01:06:56,759

The grid is everywhere.

825

01:06:56,760 --> 01:06:58,079

You need to take down, like,

826

01:06:58,080 --> 01:07:01,279

12 dams to make a difference, 100.

827

01:07:01,280 --> 01:07:02,519

Doesn't do anything.

828

01:07:02,520 --> 01:07:03,959

And, what, you want a nuke plant?

829

01:07:03,960 --> 01:07:07,319

Because that's your only other
option when you get down to it.

830

01:07:07,320 --> 01:07:09,479

No, no. I'm just saying I
want everyone to use less.

831

01:07:09,480 --> 01:07:13,079

I mean, is that so much to ask?
I mean, it's something, you know?

832

01:07:13,080 --> 01:07:14,679

Yeah, it's a statement, right.

833

01:07:14,680 --> 01:07:18,159

I'm not interested in statements.
I'm interested in results.

834

01:07:18,160 --> 01:07:20,039

Seriously, you don't
call that results?

835

01:07:20,040 --> 01:07:23,159

No, I call that theater.

836

01:07:23,160 --> 01:07:25,399

All right, well,

what's your solution?

837

01:07:25,400 --> 01:07:26,999

Look out the window.

838

01:07:27,000 --> 01:07:31,519

It's a lot slower, but it

makes a lot more sense to me.

839

01:07:31,520 --> 01:07:35,319

You have a good time?

840

01:07:35,320 --> 01:07:36,559

Oh.

841

01:07:36,560 --> 01:07:37,839

It was Portland.

842

01:07:37,840 --> 01:07:39,279

I looks like you had a good time.

843

01:07:39,280 --> 01:07:41,079

I'm just... I'm tired.

844

01:07:41,080 --> 01:07:43,199

Where'd you stay?

845

01:07:43,200 --> 01:07:47,559

I stayed at this friend's house.

The guy just moved to town.

846

01:07:47,560 --> 01:07:51,587

Come on, you two,

we start mass today.

847

01:08:12,320 --> 01:08:15,744

[GRAVEL CRUNCHING AND ENGINE REVVING]

848

01:08:18,960 --> 01:08:21,588

[ROOSTER CROWS]

849

01:08:25,960 --> 01:08:29,384

[FAN HUMMING]

850

01:08:39,920 --> 01:08:43,390

[GRAVEL CRUNCHING]

851

01:08:47,920 --> 01:08:49,759

[FAN WINDS DOWN]

852

01:08:49,760 --> 01:08:53,184

[DOORS SLAMMING]

853

01:09:29,720 --> 01:09:30,959

[DOOR SLAMS]

854

01:09:30,960 --> 01:09:33,359

[ENGINE TURNS OVER]

855

01:09:33,360 --> 01:09:36,784

[GRAVEL CRUNCHING]

856

01:09:41,520 --> 01:09:44,910

[MACHINERY WHIRRING]

857

01:10:10,040 --> 01:10:12,639

Oh, no!

858

01:10:12,640 --> 01:10:15,359

Almost lost it.

859

01:10:15,360 --> 01:10:17,839

There we go.

860

01:10:17,840 --> 01:10:20,263

Okay, that's good.

861

01:10:28,280 --> 01:10:29,559

Whoa.

862

01:10:29,560 --> 01:10:31,279

I feel something.

863

01:10:31,280 --> 01:10:32,559

Look at that!

864

01:10:32,560 --> 01:10:33,559

Whoa!

865

01:10:33,560 --> 01:10:34,559

Mom, look at my aura!

866

01:10:34,560 --> 01:10:35,559

Beautiful. Okay.

867

01:10:35,560 --> 01:10:36,559

I want to try that!

868

01:10:36,560 --> 01:10:37,719

Okay, give me a second.

869

01:10:37,720 --> 01:10:39,079

Yeah, that means he's spiritual.

870

01:10:39,080 --> 01:10:40,319

Hey, Felix!

871

01:10:40,320 --> 01:10:41,679

No, your aura level just went down,

872

01:10:41,680 --> 01:10:45,879

- Let go, let go.

- Ow!

873

01:10:45,880 --> 01:10:47,439

Hey, Josh.

874

01:10:47,440 --> 01:10:48,719

You want me to read your aura?

875

01:10:48,720 --> 01:10:51,439

- Oh?

- It works.

876

01:10:51,440 --> 01:10:52,919

Okay.

877

01:10:52,920 --> 01:10:54,639

- Have you seen this thing?

- Hey, Corser.

878

01:10:54,640 --> 01:10:56,319

- What is it?

- It's my aura reader.

879

01:10:56,320 --> 01:10:57,679

Oh, I've seen it. It's all black.

880

01:10:57,680 --> 01:11:00,759

- Yeah, okay.

- Sorry.

881

01:11:01,560 --> 01:11:04,159

Now it's time to see who
you people really are.

882

01:11:04,160 --> 01:11:05,519

[GROANS]

883

01:11:05,520 --> 01:11:06,719

Hey, Josh.

884

01:11:06,720 --> 01:11:08,559

Hey, Corser.

885

01:11:08,560 --> 01:11:10,279

What's up, man?

886

01:11:10,280 --> 01:11:13,719

Not much. You?

887

01:11:13,720 --> 01:11:17,239

Well, I burned my cheese license.

888

01:11:17,240 --> 01:11:19,119

- I heard about that.

- Well...

889

01:11:19,120 --> 01:11:20,759

Yeah.

890

01:11:20,760 --> 01:11:22,559

Was there any fallout?

891

01:11:22,560 --> 01:11:25,159

- Not a peep.

- Hmm.

892

01:11:25,160 --> 01:11:27,999

I know the F.D.A knows, by now...

893

01:11:28,000 --> 01:11:31,549

but I haven't heard a word.

894

01:11:36,760 --> 01:11:40,199

So what do you think will happen?

895

01:11:40,200 --> 01:11:41,479

[SIGHS]

896

01:11:41,480 --> 01:11:43,345

No idea.

897

01:11:44,520 --> 01:11:46,199

[CELL PHONE RINGS]

898

01:11:46,200 --> 01:11:47,906

Shit.

899

01:11:49,600 --> 01:11:51,989

- Uh, could...

- Oh.

900

01:11:58,160 --> 01:11:59,759

Hello?

901

01:11:59,760 --> 01:12:00,759

It's me.

902

01:12:00,760 --> 01:12:02,079

Hey.

903

01:12:02,080 --> 01:12:03,399

What's up?

904

01:12:03,400 --> 01:12:04,639

Have you talked to Dena?

905

01:12:04,640 --> 01:12:06,239

No.

906

01:12:06,240 --> 01:12:07,959

No, I thought we weren't
talking right now.

907

01:12:07,960 --> 01:12:09,519

Yeah, well that's
what I thought too,

908

01:12:09,520 --> 01:12:12,421

but she's been calling me a lot.

909

01:12:14,840 --> 01:12:16,879

Why is she calling you?

910

01:12:16,880 --> 01:12:18,599

I don't know, but she is.

911

01:12:18,600 --> 01:12:20,879

And she doesn't seem like
she's doing so good.

912

01:12:20,880 --> 01:12:22,719

Okay, but no one should be talking.

913

01:12:22,720 --> 01:12:26,119

We... we shouldn't even
be talking right now.

914

01:12:26,120 --> 01:12:27,879

Yep, I know,

915

01:12:27,880 --> 01:12:31,359

but it's happening.

916

01:12:31,360 --> 01:12:35,599

So what do you mean,
she's not doing so good?

917

01:12:35,600 --> 01:12:38,279

You read the news?

918

01:12:38,280 --> 01:12:39,519

Yeah.

919

01:12:39,520 --> 01:12:41,479

She's upset.

920

01:12:41,480 --> 01:12:43,869

Yeah, well, me too.

921

01:12:46,840 --> 01:12:48,679

He'll turn up.

922

01:12:48,680 --> 01:12:51,182

You watch.

923

01:12:52,920 --> 01:12:54,679

Well, you don't think she would,

924

01:12:54,680 --> 01:12:58,799

like, do anything stupid, do you?

925

01:12:58,800 --> 01:13:02,799

I don't know. That's
why I'm calling you.

926

01:13:02,800 --> 01:13:04,919

Okay, so...

927

01:13:04,920 --> 01:13:08,319

So maybe I should go talk to her.

928

01:13:09,120 --> 01:13:11,359

- Yeah, maybe.

- Yeah.

929

01:13:11,360 --> 01:13:13,139

What, you don't think I should?

930

01:13:13,140 --> 01:13:15,559

I don't know. I don't know
how it is between you two.

931

01:13:15,560 --> 01:13:18,239

If you think it would help, you
should definitely talk to her.

932

01:13:18,240 --> 01:13:19,519

If not, I don't know.

933

01:13:19,520 --> 01:13:21,239

I just wanted you to know.

934

01:13:21,240 --> 01:13:22,479

That's all.

935

01:13:22,480 --> 01:13:23,719

She isn't doing that great.

936

01:13:23,720 --> 01:13:25,999

Okay.

937

01:13:26,000 --> 01:13:27,879

So how... how about you, though?

938

01:13:27,880 --> 01:13:30,279

Are you... are you okay?

939

01:13:30,280 --> 01:13:31,519

I'm okay.

940

01:13:31,520 --> 01:13:33,510

Sure.

941

01:13:35,320 --> 01:13:36,981

[LINE CLICKS]

942

01:13:50,480 --> 01:13:53,639

[MELANCHOLY AMBIENT MUSIC]

943

01:14:10,560 --> 01:14:11,599

Good night.

944

01:14:11,600 --> 01:14:13,306

Good night.

945

01:14:36,080 --> 01:14:38,503

[LIGHTS CLICK]

946

01:15:01,960 --> 01:15:05,359

Hi.

947

01:15:05,360 --> 01:15:07,319

I thought we were gonna
stay away for a while.

948

01:15:07,320 --> 01:15:09,319

Yeah, I just wanted to check in.

949

01:15:09,320 --> 01:15:11,868

Come on in.

950

01:15:23,840 --> 01:15:25,679

Harmon called you, didn't he?

951

01:15:25,680 --> 01:15:28,479

Yeah. We talked for a second.

952

01:15:28,480 --> 01:15:29,719

He said that you were worried.

953

01:15:29,720 --> 01:15:31,999

That's all.

954

01:15:32,000 --> 01:15:33,319

Worried.

955

01:15:33,320 --> 01:15:35,199

Yeah.

956

01:15:35,200 --> 01:15:37,999

Do you want to talk about it?

957

01:15:38,000 --> 01:15:41,390

What am I supposed to say?

958

01:15:46,280 --> 01:15:48,039

Have you seen the website?

959

01:15:48,040 --> 01:15:49,399

What website?

960

01:15:49,400 --> 01:15:51,599

Of course you haven't seen it.

961

01:15:51,600 --> 01:15:55,319

Why would you care?

962

01:15:55,320 --> 01:15:59,039

I don't know what website
you're talking about.

963

01:15:59,040 --> 01:16:01,599

The one for the missing camper.

964

01:16:01,600 --> 01:16:03,261

No.

965

01:16:06,360 --> 01:16:09,879

You should see it.

966

01:16:09,880 --> 01:16:11,359

All of his friends are posting,

967

01:16:11,360 --> 01:16:14,511

his wife, his kids, his mother.

968

01:16:18,320 --> 01:16:21,585

I can't believe this.

969

01:16:32,200 --> 01:16:35,359

Okay, look.

970

01:16:35,360 --> 01:16:38,079

It's not what anyone wanted,

971

01:16:38,080 --> 01:16:39,559

but the guy is probably fine.

972

01:16:39,560 --> 01:16:40,759

We don't know anything.

973

01:16:40,760 --> 01:16:44,719

You said no one would get hurt.

974

01:16:44,720 --> 01:16:45,999

But they did.

975

01:16:46,000 --> 01:16:48,919

We don't know that, but...

976

01:16:48,920 --> 01:16:52,159

but it's natural for
you to feel so upset.

977

01:16:52,160 --> 01:16:56,519

There's nothing natural about this.

978

01:16:56,520 --> 01:16:57,599

We could have done
this in the winter

979

01:16:57,600 --> 01:16:58,999

when no one would be there.

980

01:16:59,000 --> 01:17:01,502

What did you think

was gonna happen?

981

01:17:03,720 --> 01:17:06,143

Wow.

982

01:17:08,600 --> 01:17:11,023

[SNIFFLES]

983

01:17:13,240 --> 01:17:15,599

So...

984

01:17:15,600 --> 01:17:18,719

so what are you gonna do?

985

01:17:18,720 --> 01:17:19,999

What do you mean?

986

01:17:20,000 --> 01:17:23,639

I mean, are you going
to do anything?

987

01:17:23,640 --> 01:17:25,399

Or are you going to be
able to get through this

988

01:17:25,400 --> 01:17:27,470
and keep on going?

989

01:17:29,920 --> 01:17:33,719
Is that why you're here?

990

01:17:33,720 --> 01:17:37,119
Do you mean, am I
gonna call the cops?

991

01:17:37,120 --> 01:17:38,599
Am I gonna go visit
the Halter family

992

01:17:38,600 --> 01:17:40,679
and tell them what really happened?

993

01:17:40,680 --> 01:17:42,799
I don't really know, so
just leave me alone.

994

01:17:42,800 --> 01:17:44,559

Hey, Dena.

995

01:17:44,560 --> 01:17:47,188

Let me go.

996

01:17:48,600 --> 01:17:52,079

You're hurting me.

997

01:17:52,080 --> 01:17:54,230

Sorry.

998

01:18:04,760 --> 01:18:06,719

I bet the salmon did it.

999

01:18:06,720 --> 01:18:08,199

Like, suicide salmon,

1000

01:18:08,200 --> 01:18:09,719

they, like, organized,

1001

01:18:09,720 --> 01:18:14,079

got arms from the sturgeon
or something, you know?

1002

01:18:14,080 --> 01:18:17,199

Did you hear about those
artichokes at Trillium?

1003

01:18:17,200 --> 01:18:18,759

They're so good, man.
They're amazing.

1004

01:18:18,760 --> 01:18:21,039

They had some on
samples for last week.

1005

01:18:21,040 --> 01:18:23,199

Yeah, yeah, I heard about that.

1006

01:18:23,200 --> 01:18:24,919

I heard they were better
than last year's.

1007

01:18:24,920 --> 01:18:27,343

That's for sure.

1008

01:18:46,800 --> 01:18:49,559

[DOORS RATTLING]

1009

01:18:49,560 --> 01:18:51,479

[FOOTSTEPS THUDDING]

1010

01:18:51,480 --> 01:18:53,119

We don't open until 10:00.

1011

01:18:53,120 --> 01:18:55,319

I'll be... I'll be five minutes... less.

1012

01:18:55,320 --> 01:18:56,639

If I make an exception for you...

1013

01:18:56,640 --> 01:18:58,199

I can't hear you.

1014

01:18:58,200 --> 01:18:59,879

I have to make an
exception for everyone.

1015

01:18:59,880 --> 01:19:01,199

Okay, I'll be two minutes, okay?

1016

01:19:01,200 --> 01:19:04,067

I'll be two minutes.

1017

01:19:30,920 --> 01:19:34,119

[SOMBER MUSIC]

1018

01:20:41,360 --> 01:20:44,599

[MELANCHOLY AMBIENT MUSIC]

1019

01:21:08,280 --> 01:21:10,703

[METAL CLATTERING]

1020

01:21:17,520 --> 01:21:18,719

Bye.

1021

01:21:18,720 --> 01:21:21,143

Later, man.

1022

01:21:25,320 --> 01:21:27,159

You talk to Dena again?

1023

01:21:27,160 --> 01:21:28,479

Yeah.

1024

01:21:28,480 --> 01:21:31,599

And what's happening?

1025

01:21:31,600 --> 01:21:32,919

She's taking it hard.

1026

01:21:32,920 --> 01:21:34,679

Yeah, well, join the club.

1027

01:21:34,680 --> 01:21:39,679

Yeah, well, there's

hard, and there's hard.

1028

01:21:39,680 --> 01:21:42,559

So...

1029

01:21:42,560 --> 01:21:44,679

is she talking?

1030

01:21:44,680 --> 01:21:47,103

It's just a matter of time.

1031

01:21:50,320 --> 01:21:52,679

One person.

1032

01:21:52,680 --> 01:21:53,759

Okay?

1033

01:21:53,760 --> 01:21:55,559

That's all it takes.

1034

01:21:55,560 --> 01:21:58,039

Yeah.

1035

01:21:58,040 --> 01:21:59,701

So?

1036

01:22:03,840 --> 01:22:07,919

I don't know.

1037

01:22:07,920 --> 01:22:09,919

Something's got to happen.

1038

01:22:09,920 --> 01:22:11,479

Oh, you got ideas?

1039

01:22:11,480 --> 01:22:14,999

Nope, but jail don't
sound too good to me.

1040

01:22:15,000 --> 01:22:16,519

The time for this...

1041

01:22:16,520 --> 01:22:20,388

try life plus 300 years.

1042

01:22:24,560 --> 01:22:26,983

Shit.

1043

01:22:36,160 --> 01:22:39,359

[MELANCHOLY AMBIENT MUSIC]

1044

01:22:47,640 --> 01:22:50,799

[CAT YOWLS]

1045

01:23:39,400 --> 01:23:42,599

[FOREBODING MUSIC]

1046

01:24:04,480 --> 01:24:06,903

[MUSIC FADES]

1047

01:24:41,080 --> 01:24:44,504

[BIRDS TWITTERING]

1048

01:25:00,560 --> 01:25:03,984

[TEAPOT WHISTLING]

1049

01:25:09,160 --> 01:25:11,583

Hey.

1050

01:25:59,520 --> 01:26:02,944

[BIRDS TWITTERING]

1051

01:26:21,880 --> 01:26:25,270

[GRAVEL CRUNCHING
AND ENGINE REVVING]

1052

01:26:33,680 --> 01:26:36,159

[GOAT BLEATING]

1053

01:26:36,160 --> 01:26:37,399

Hi, Josh.

1054

01:26:37,400 --> 01:26:39,479

Hey. How's it going?

1055

01:26:39,480 --> 01:26:40,879

Good.

1056

01:26:40,880 --> 01:26:42,679

Hey, Josh.

1057

01:26:50,080 --> 01:26:52,079

Okay, let's go.

1058

01:26:52,080 --> 01:26:53,719

Come on, guys. Come on.

1059

01:26:53,720 --> 01:26:55,879

- Hey, come on.

- Come on.

1060

01:26:55,880 --> 01:26:57,319

- Scout, let's go.

- Scout.

1061

01:26:57,320 --> 01:26:59,743

Scout, let's go.

1062

01:27:00,440 --> 01:27:01,759

- Hey.

- Scout.

1063

01:27:01,760 --> 01:27:03,421

Here.

1064

01:27:08,400 --> 01:27:13,159

Hey, Josh, can I talk

to you for a second?

1065

01:27:13,160 --> 01:27:14,559

Now?

1066

01:27:14,560 --> 01:27:16,983

Yeah, now would be good.

1067

01:27:30,680 --> 01:27:33,199

[SIGHS]

1068

01:27:33,200 --> 01:27:36,199

What's up?

1069

01:27:36,200 --> 01:27:40,159

Now, I don't know exactly

what's going on.

1070

01:27:40,160 --> 01:27:42,519

What you do is your own business,

1071

01:27:42,520 --> 01:27:43,879

but people are talking.

1072

01:27:43,880 --> 01:27:46,879

You know that?

1073

01:27:46,880 --> 01:27:48,479

Who's talking?

1074

01:27:48,480 --> 01:27:49,999

You know, just tell me.

1075

01:27:50,000 --> 01:27:53,759

Tell me who's talking.

1076

01:27:53,760 --> 01:27:58,199

Dena and Anne talked last night.

1077

01:27:58,200 --> 01:27:59,319

And what did she say?

1078

01:27:59,320 --> 01:28:01,119

I don't know.

1079

01:28:01,120 --> 01:28:02,439

She didn't have to say anything.

1080

01:28:02,440 --> 01:28:04,199

Anne knows her too well.

1081

01:28:04,200 --> 01:28:07,067

Anne's not stupid.

1082

01:28:08,600 --> 01:28:11,759

And who else is Dena talking to?

1083

01:28:11,760 --> 01:28:15,199

That's not the point.

1084

01:28:15,200 --> 01:28:17,119

Now, I don't know
anything, all right?

1085
01:28:17,120 --> 01:28:20,239
All right.

1086
01:28:20,240 --> 01:28:21,359
I don't know what happened.

1087
01:28:21,360 --> 01:28:24,039
I don't ever have to know,

1088
01:28:24,040 --> 01:28:26,879
but I can't be an
accomplice to this.

1089
01:28:26,880 --> 01:28:29,599
You're not. You don't
even know anything.
