- Yeah, I know.

176

00:14:51,371 --> 00:14:53,705

I realize

it's very frustrating.

177

00:14:53,707 --> 00:14:56,275

We found some cells

that are concerning.

178

00:14:56,277 --> 00:15:01,446

On a scale of one to five, one being it
isn't cancerous and five being it is,

179

00:15:01,448 --> 00:15:03,551

at the moment,

we're sitting at three.

180

00:15:12,894 --> 00:15:15,761

Do you wanna go out for
something to eat tonight?

181

00:15:15,763 --> 00:15:17,331

Thai or something?

182

00:15:18,633 --> 00:15:19,735

Um...

183

00:15:20,769 --> 00:15:23,969

No, I've already taken

the chops out for dinner.

184

00:15:23,971 --> 00:15:25,374

I just thought...

185

00:15:26,441 --> 00:15:28,644

I know.

I'm all right.

186

00:15:30,611 --> 00:15:32,813

I know.

Baby, it wasn't...

187

00:15:35,350 --> 00:15:36,851

Breaks the day up.

188

00:15:38,586 --> 00:15:40,656

No, I want

to cook the chops.

189

00:16:34,075 --> 00:16:35,807

- She doesn't know.

- Oh.

190

00:16:35,809 --> 00:16:38,643

You'd think that would be the
type of thing they would know.

191

00:16:38,645 --> 00:16:41,682

- Did you tell her your stroke scenario?

- Oh, yes.

192

00:16:43,484 --> 00:16:45,383

We need

tomato juice.

193

00:16:45,385 --> 00:16:46,786

That's
the next aisle.

194

00:16:46,788 --> 00:16:49,490

[Tom] I know that.
I'm just saying we need it.

195

00:16:50,490 --> 00:16:52,023

You drink too much
tomato juice.

196

00:16:52,025 --> 00:16:55,060

That stuff made from
concentrate is full of sugar.

197

00:16:55,062 --> 00:16:57,696

They used to have the stuff
that isn't concentrate,

198

00:16:57,698 --> 00:16:59,634

but they don't
have it anymore.

199

00:17:00,668 --> 00:17:03,404

- I like tomato juice.

- [chuckles]

200

00:17:04,538 --> 00:17:06,639

Why don't you just
eat more tomatoes?

201

00:17:06,641 --> 00:17:09,808

What's wrong with you?
Eat more tomatoes!

202

00:17:09,810 --> 00:17:12,344

[woman]
I'm just saying.

203

00:17:12,346 --> 00:17:15,680

We should buy a juicer.
Then you could make your own tomato juice.

204

00:17:15,682 --> 00:17:17,949

What's the chances
of that happening?

205

00:17:17,951 --> 00:17:20,786

It would just sit there beside
a bowl of rotten tomatoes

206

00:17:20,788 --> 00:17:23,122

and a carton
of tomato juice.

207

00:17:23,124 --> 00:17:25,760

Well, it wouldn't
if you'd use it.

208

00:17:26,861 --> 00:17:28,728

Hold on till I get
this right here.

209

00:17:28,730 --> 00:17:30,830

We're having some
type of an argument

210

00:17:30,832 --> 00:17:34,767

about the frequency of me

using a juicer we don't own.

211

00:17:34,769 --> 00:17:38,970

No, I'm just saying, if you had
it, then you should use it.

212

00:17:38,972 --> 00:17:40,975

Aye, very good.

213

00:17:44,479 --> 00:17:46,882

What's gonna happen
if I've got cancer?

214

00:17:49,817 --> 00:17:52,384

You don't know
that you do.

215

00:17:52,386 --> 00:17:53,621

If.

216

00:17:54,588 --> 00:17:58,923

She said on a scale of one to
five, it's three.

217

00:17:58,925 --> 00:18:02,495

I don't think she would have said
that if it was gonna be five.

218

00:18:02,497 --> 00:18:05,029

Three is closer to five
than it is to one.

219

00:18:05,031 --> 00:18:06,899

No, it isn't.

220

00:18:06,901 --> 00:18:11,670

It isn't, but in your head,
three is closer to five than it is to one.

221

00:18:11,672 --> 00:18:14,472

I don't know why,
but you know what I mean. It is.

222

00:18:14,474 --> 00:18:15,644

It isn't.

223

00:18:18,645 --> 00:18:21,482

Well, what's gonna happen

if I've got cancer?

224

00:18:24,519 --> 00:18:26,184

There's no point

in thinking like that now.

225

00:18:26,186 --> 00:18:29,421

You don't know.

You can't do anything until you know.

226

00:18:29,423 --> 00:18:31,190

I know.

227

00:18:31,192 --> 00:18:32,792

I know I've got it.

228

00:18:32,794 --> 00:18:34,459

So you're

a doctor now?

229

00:18:34,461 --> 00:18:37,196

You don't have to be a doctor
to know things like that.

230

00:18:37,198 --> 00:18:39,097

- Yes, you do.

- [sighs]

231

00:18:39,099 --> 00:18:43,568

I know that three is closer to five,
and I know I've got breast cancer.

232

00:18:43,570 --> 00:18:46,807

Okay. Well,
what are you gonna do then?

233

00:18:48,108 --> 00:18:49,909

I don't know.

234

00:18:49,911 --> 00:18:53,782

Correct. Because you can't do
anything because you don't know.

235

00:18:54,648 --> 00:18:56,751

Well, that's not
an answer.

236

00:18:59,921 --> 00:19:00,922

Joan...

237

00:19:04,491 --> 00:19:07,927

If you have breast cancer,
which I don't think you do...

238

00:19:07,929 --> 00:19:10,930

if you have
breast cancer,

239

00:19:10,932 --> 00:19:13,699

we will do whatever
has to be done,

240

00:19:13,701 --> 00:19:15,200

the two of us.

241

00:19:15,202 --> 00:19:16,971

That's what's
gonna happen.

242

00:19:29,483 --> 00:19:31,016

I have to go
to the toilet.

243

00:19:31,018 --> 00:19:34,823

- Don't be long. I might be called.
- I'll be as long as it takes.

244

00:19:56,743 --> 00:19:58,846

[man]

Mrs. Joan Thompson?

245

00:20:07,020 --> 00:20:09,057

- Joan?
- Yes.

246

00:20:10,124 --> 00:20:12,624

Sorry. I'm just waiting
on my husband.

247

00:20:12,626 --> 00:20:14,729

- He's at the toilet.

- Of course.

248

00:20:20,734 --> 00:20:21,936

There he is.

249

00:20:24,038 --> 00:20:26,238

[doctor] *<i>We've been able
to look at your biopsy results,</i>*

250

00:20:26,240 --> 00:20:29,607

*<i>and I'm afraid it's not the news
we were hoping for.</i>*

251

00:20:29,609 --> 00:20:31,512

It does show
that there is cancer.

252

00:20:35,583 --> 00:20:37,982

We'll talk today
about the road ahead.

253

00:20:37,984 --> 00:20:40,888

I think we should start
chemotherapy in the next weeks.

254

00:20:41,622 --> 00:20:43,021

This would mean
a first surgery

255

00:20:43,023 --> 00:20:45,290

to remove the lump
and any lymph glands involved,

256

00:20:45,292 --> 00:20:46,961

followed by chemo.

257

00:20:47,994 --> 00:20:50,161

To reduce the risk of recurrence
in your situation,

258

00:20:50,163 --> 00:20:54,065

we'll discuss a further surgery
to remove both breasts.

259

00:20:54,067 --> 00:20:57,638

<i>And, of course,
your options for reconstruction.</i>

260

00:21:37,310 --> 00:21:39,680

[man on TV, indistinct]

261

00:21:41,248 --> 00:21:42,784

[sighs]

262

00:21:44,218 --> 00:21:45,954

Joan.

263

00:21:47,253 --> 00:21:48,889

Joan!

264

00:21:50,290 --> 00:21:54,826

Come on, kid. No point in lying there.

Come on. Let's get you up to bed.

265

00:21:54,828 --> 00:21:58,229

All right.

Good man.

266

00:21:58,231 --> 00:22:00,835

All right. One, two, three. Hup!

267

00:22:02,303 --> 00:22:03,802

[Joan] Oh.

268

00:22:03,804 --> 00:22:05,206

[Tom] That's it.

269

00:22:35,736 --> 00:22:37,939

[gasps]

270

00:22:43,309 --> 00:22:45,346

[whispers]

I love you.

271

00:22:58,425 --> 00:23:00,794

This is gonna
sound strange.

272

00:23:01,429 --> 00:23:03,131

I'm sure it won't.

273

00:23:06,299 --> 00:23:09,770

I'm glad our Debbie isn't
here to go through this.

274

00:23:13,773 --> 00:23:16,777

I mean, I miss her
every day, but...

275

00:23:18,778 --> 00:23:20,882

this would
break her heart.

276

00:23:26,487 --> 00:23:28,123

Look at me.

277

00:23:29,423 --> 00:23:30,924

Tom.

278

00:23:33,493 --> 00:23:35,896

Joan, look at me.

279

00:23:40,233 --> 00:23:42,334

Don't make me cry.

280

00:23:42,336 --> 00:23:45,906

There isn't a moment

I won't be there with you.

281

00:23:46,807 --> 00:23:48,242

I know.

282

00:23:49,477 --> 00:23:51,075

I'm gonna torture you.

283

00:23:51,077 --> 00:23:53,077

You know that, don't you?

284

00:23:53,079 --> 00:23:56,215

- You torture me now.

- Good.

285

00:23:56,217 --> 00:23:58,219

You know what

to expect then.

286

00:23:59,953 --> 00:24:01,953

I'm frightened.

287

00:24:01,955 --> 00:24:03,891

I know, kid.

I know.

288

00:24:05,893 --> 00:24:07,828

Every moment.

289

00:24:10,330 --> 00:24:13,067

Go on, eat your toast

before it gets cold.

290

00:24:51,806 --> 00:24:55,073

We should've left earlier.

It's an operation. You can't be late.

291

00:24:55,075 --> 00:24:56,443

We won't be late.

292

00:24:58,278 --> 00:25:02,150

- It's only a fish.

- You still have to feed it.

293

00:25:03,450 --> 00:25:05,953

- Flush it.

- Flush you.

294

00:25:06,554 --> 00:25:09,090

Very good.

[chuckles]

295

00:25:12,459 --> 00:25:14,026

How long does it take?

296

00:25:14,028 --> 00:25:15,227

How long

does what take?

297

00:25:15,229 --> 00:25:18,296

- The operation.

- Oh, I don't know.

298

00:25:18,298 --> 00:25:19,200

Hours.

299

00:25:20,567 --> 00:25:23,035

You've got plenty

of time to go to the grave.

300

00:25:23,037 --> 00:25:26,238

- I wanna be there when you get out.

- Tom, it's her birthday.

301

00:25:26,240 --> 00:25:29,978

We always go to the grave on her birthday.

You'll have time.

302

00:25:36,317 --> 00:25:38,016

Tell her I'm sorry

I'm not there,

303

00:25:38,018 --> 00:25:39,985

- but don't tell her why.

- Joan...

304

00:25:39,987 --> 00:25:42,019

That's the way

I have to think about it.

305

00:25:42,021 --> 00:25:43,490

Am I not

allowed to do that?

306

00:25:49,329 --> 00:25:53,599

If I was there I'd say it,

but I'm not there, so you can say it.

307

00:25:53,601 --> 00:25:56,301

If you were there, you wouldn't

have to say you weren't there.

308

00:25:56,303 --> 00:25:58,202

Tom, everything

isn't a joke!

309

00:25:58,204 --> 00:25:59,971

- Joan, she's dead.

- I know.

310

00:25:59,973 --> 00:26:02,176

How can I not
know that?

311

00:26:06,913 --> 00:26:09,648

Just do it, Tom, please.
Just do it.

312

00:26:09,650 --> 00:26:11,052

Sorry.

313

00:26:12,519 --> 00:26:14,087

Of course I will.

314

00:26:14,989 --> 00:26:16,257

Sorry.

315

00:26:16,957 --> 00:26:19,494

It's all right.
It's fine.

316

00:26:33,106 --> 00:26:35,242

- Right.

- Yeah.

317

00:26:38,612 --> 00:26:41,979

It'll be over in no time.

I'll be back here waiting for you.

318

00:26:41,981 --> 00:26:43,151

I know.

319

00:26:44,317 --> 00:26:47,588

- [chuckles]

- All right, kid.

320

00:26:49,189 --> 00:26:51,392

- See you soon.

- Yeah.

321

00:26:52,660 --> 00:26:54,394

Go on then.

322

00:27:02,269 --> 00:27:04,137

[female voice]

<i>Door closing.</i>

323

00:27:27,027 --> 00:27:29,230

[sighs]

Happy birthday, love.

324

00:27:30,698 --> 00:27:34,569

Your mother says she's sorry

she can't be here since...

325

00:27:36,502 --> 00:27:37,736

[sighs]

326

00:27:37,738 --> 00:27:39,470

Look, Debbie,

this is...

327

00:27:39,472 --> 00:27:42,442

this is...

this is crazy. This...

328

00:27:43,376 --> 00:27:46,446

This isn't how I see you.

You're not here.

329

00:27:47,647 --> 00:27:51,051

All I'm doing here is
talking to a bit of stone.

330

00:27:55,455 --> 00:27:58,125

Your mother
has breast cancer.

331

00:27:59,460 --> 00:28:02,227

She told me
not to tell you that.

332

00:28:02,229 --> 00:28:03,461

And I can understand why.

333

00:28:03,463 --> 00:28:06,600

She... she doesn't
want you to worry.

334

00:28:08,134 --> 00:28:12,472

But I imagine if you're looking down on
us, you heard that conversation, so...

335

00:28:13,740 --> 00:28:18,211

It's just helping her
get through it, that's all.

336

00:28:19,078 --> 00:28:21,415

Protecting you
makes her stronger.

337

00:28:23,217 --> 00:28:25,017

She found out
about a month ago.

338

00:28:25,019 --> 00:28:27,651

She's having an operation
today to remove the lumps.

339

00:28:27,653 --> 00:28:32,224

So they'll know more after that,
how serious the situation is.

340

00:28:32,226 --> 00:28:34,092

I mean,
it's serious now.

341

00:28:34,094 --> 00:28:36,230

I mean,
cancer is cancer.

342

00:28:42,236 --> 00:28:43,471

I just...

343

00:28:44,538 --> 00:28:47,375

I just can't tell her
how frightened I am.

344

00:28:53,446 --> 00:28:56,483

Just got to continue on
as normal.

345

00:28:57,617 --> 00:29:00,288

I suppose that's my job
in all this.

346

00:29:01,387 --> 00:29:03,323

That's all you can do.

347

00:29:08,528 --> 00:29:11,265

I couldn't have
the both of you gone.

348

00:29:12,633 --> 00:29:14,602

I'd just be...

349

00:29:15,536 --> 00:29:17,138

adrift.

350

00:29:20,273 --> 00:29:22,743

How do you say to someone,
"Don't die"?

351

00:29:38,659 --> 00:29:41,729

- Everything okay with you today?
- Yes, fine, thank you.

352

00:29:45,665 --> 00:29:47,565

[nurse] Everything is

running to schedule,

353

00:29:47,567 --> 00:29:50,504

so you should all

be brought down in order.

354

00:29:54,575 --> 00:29:57,275

You'd think they'd know which

one they were going to work on

355

00:29:57,277 --> 00:29:59,180

without having to put

a mark on it.

356

00:30:02,816 --> 00:30:04,548

- I'm starving.

- So am I.

357

00:30:04,550 --> 00:30:06,017

Me too.

358

00:30:06,019 --> 00:30:09,854

They should be able to give you a

tablet that makes you feel not starving.

359

00:30:09,856 --> 00:30:11,425

Or a vodka.

360

00:30:13,192 --> 00:30:16,596

Here we go.

More stitches somewhere.

361

00:30:18,365 --> 00:30:21,335

- [woman] Good luck.

- Good luck.

362

00:30:21,902 --> 00:30:24,305

Shouldn't be

long now.

363

00:30:31,377 --> 00:30:33,478

Have you had chemo

before?

364

00:30:33,480 --> 00:30:36,750

- Twice.

- What's it like?

365

00:30:37,584 --> 00:30:39,620

Second one

wasn't so bad.

366

00:30:40,420 --> 00:30:41,622

First one was rough.

367

00:30:43,323 --> 00:30:45,757

It doesn't last,

and you get through it.

368

00:30:45,759 --> 00:30:48,628

Sometimes you feel like you

won't, but you do.

369

00:30:50,530 --> 00:30:53,498

Take every tablet

they give you and more.

370

00:30:53,500 --> 00:30:56,867

And always remember,

when you're at your worst,

371

00:30:56,869 --> 00:30:59,506

what you're going through is
better than the alternative.

372

00:31:05,378 --> 00:31:07,747

- Good luck.

- And you.

373

00:32:57,958 --> 00:32:59,860

You smell lovely.

374

00:33:02,061 --> 00:33:04,464

I try my best.

375

00:33:20,513 --> 00:33:23,315

I was able to remove
the whole tumor.

376

00:33:23,317 --> 00:33:25,616

Now, it wasn't
two lumps.

377

00:33:25,618 --> 00:33:28,319

They were joined,
so we consider that to be one lump.

378

00:33:28,321 --> 00:33:29,653

Right.

379

00:33:29,655 --> 00:33:32,657

Also, because the lymph
nodes were involved,

380

00:33:32,659 --> 00:33:35,526

- I had to remove 13 of those.
- Oh.

381

00:33:35,528 --> 00:33:39,064

And we'll also have to check
it hasn't spread anywhere else.

382

00:33:39,066 --> 00:33:40,931

Where?

383

00:33:40,933 --> 00:33:43,434

We'll do

a bone scan.

384

00:33:43,436 --> 00:33:49,074

We also need to check your

liver and lungs with a CT scan.

385

00:33:49,076 --> 00:33:52,776

Was the lump the size that

normally means it's spread?

386

00:33:52,778 --> 00:33:54,949

There is

no normal here.

387

00:33:56,048 --> 00:33:57,550

We got it.

388

00:33:58,518 --> 00:34:00,587

That all

looks good.

389

00:34:07,661 --> 00:34:08,929

What'd she say?

390

00:34:10,096 --> 00:34:14,566

Um, they got it all,
but it was bigger than they thought.

391

00:34:14,568 --> 00:34:17,068

- Bone scan?

- Yes.

392

00:34:17,070 --> 00:34:18,439

Oh.

393

00:34:19,940 --> 00:34:21,575

That's normal.

394

00:35:21,134 --> 00:35:23,503

[air pump whirs]

395

00:35:55,869 --> 00:35:57,905

[flushes]

396

00:36:07,481 --> 00:36:09,683

[sobs]

397

00:36:35,175 --> 00:36:36,710

Excuse me.

398

00:36:45,184 --> 00:36:48,121

Can you kill a goldfish
by overfeeding them?

399

00:36:51,023 --> 00:36:52,592

I don't know.

400

00:36:53,626 --> 00:36:55,128

I've only started
working here.

401

00:36:56,563 --> 00:36:57,831

I only know
about rabbits.

402

00:36:58,864 --> 00:37:02,001

- Are they old?

- No.

403

00:37:04,304 --> 00:37:07,708

I don't want the wife to
know the one we had died.

404

00:37:09,842 --> 00:37:12,142

Was she fond
of it?

405

00:37:12,144 --> 00:37:15,114

No.

She hated it.

406

00:37:31,030 --> 00:37:32,963

- You all right to walk?

- Fine.

407

00:37:32,965 --> 00:37:35,702

- Bye. I'm on my way now.

- [woman] See you.

408

00:38:48,775 --> 00:38:50,177

Thank you.

409

00:38:59,152 --> 00:39:00,851

And what?

410

00:39:00,853 --> 00:39:04,255

You got everything

means you got everything.

411

00:39:04,257 --> 00:39:08,358

No, they did a bone scan to see if
the cancer had spread to my bones.

412

00:39:08,360 --> 00:39:09,994

And that was clear.

413

00:39:09,996 --> 00:39:12,095

Correct. But now you have
to get an upper-body scan.

414

00:39:12,097 --> 00:39:13,097

- Yes.

- Why?

415

00:39:13,099 --> 00:39:15,166

Because she wants to check
my liver and my lungs.

416

00:39:15,168 --> 00:39:18,001

Why didn't she check your lungs
when she was removing the lump?

417

00:39:18,003 --> 00:39:20,037

I don't know.

She can't just put her hand in,

418

00:39:20,039 --> 00:39:21,838

move things out of the
way and take a peek.

419

00:39:21,840 --> 00:39:24,909

How do you know they don't do that?
Are you a doctor now?

420

00:39:24,911 --> 00:39:26,411

Stop talking stupid.

421

00:39:26,413 --> 00:39:29,146

Get cancer and end up knowing
everything about medicine.

422

00:39:29,148 --> 00:39:31,715

All I know is there's something
they're not telling us.

423

00:39:31,717 --> 00:39:34,351

There's nothing they're not telling us.
Why are you doing this?

424

00:39:34,353 --> 00:39:37,054

Up to the damn hospital
again and again and again.

425

00:39:37,056 --> 00:39:39,691

Well, you don't have to
come with me all the time.

426

00:39:39,693 --> 00:39:42,360

- What would you do on your own?

- I'd do what I always do.

427

00:39:42,362 --> 00:39:44,762

I sit and wait and then I

get poked and prodded at.

428

00:39:44,764 --> 00:39:49,068

And what if something happens

and I'm not there? No.

429

00:39:52,806 --> 00:39:54,271

Just drive the car.

430

00:39:54,273 --> 00:39:56,809

Aye, just drive the car.

That's me.

431

00:39:57,342 --> 00:39:59,045

Just drive the car.

432

00:40:04,451 --> 00:40:06,217

[Joan] <i>One.</i>

433

00:40:06,219 --> 00:40:08,351

<i>Two.</i>

434

00:40:08,353 --> 00:40:10,722

<i>Three.</i>

435

00:40:10,724 --> 00:40:12,456

<i>Four.</i>

436

00:40:12,458 --> 00:40:14,458

<i>Five.</i>

437

00:40:14,460 --> 00:40:16,327

<i>Six.</i>

438

00:40:16,329 --> 00:40:17,331

<i>Seven.</i>

439

00:40:18,864 --> 00:40:20,465

<i>Eight.</i>

440

00:40:20,467 --> 00:40:22,766

<i>Nine.</i>

441

00:40:22,768 --> 00:40:24,334

<i>Ten.</i>

442

00:40:24,336 --> 00:40:25,970

<i>Eleven.</i>

443

00:40:25,972 --> 00:40:28,338

<i>Twelve.</i>

444

00:40:28,340 --> 00:40:29,941

<i>Thirteen.</i>

445

00:40:29,943 --> 00:40:32,146

<i>Fourteen.</i>

446

00:40:32,811 --> 00:40:34,445

<i>Fifteen.</i>

447

00:40:34,447 --> 00:40:36,380

<i>Sixteen.</i>

448

00:40:36,382 --> 00:40:38,483

<i>Seventeen.</i>

449

00:40:38,485 --> 00:40:40,351

<i>Eighteen.</i>

450

00:40:40,353 --> 00:40:42,220

<i>Nineteen.</i>

451

00:40:42,222 --> 00:40:44,224

<i>Twenty.</i>

452

00:40:45,090 --> 00:40:46,758

[on speaker]

<i>Twenty-one.</i>

453

00:40:46,760 --> 00:40:48,525

<i>Twenty-two.</i>

454

00:40:48,527 --> 00:40:50,360

<i>Twenty-three.</i>

455

00:40:50,362 --> 00:40:52,398

<i>Twenty-four.</i>

456

00:40:58,371 --> 00:41:00,838

She's been away too long.

That's not good.

457

00:41:00,840 --> 00:41:03,010

Not good what way?

458

00:41:04,043 --> 00:41:07,244

Because if it was good

news, she'd be right back.

459

00:41:07,246 --> 00:41:11,983

So you think it's bad news and she doesn't

wanna tell you and she's waiting out there?

460

00:41:11,985 --> 00:41:13,351

That's what I think.

461

00:41:13,353 --> 00:41:17,088

Oh, I think it's good
news, so she's in no rush.

462

00:41:17,090 --> 00:41:19,157

No, if it was good news,
you'd be in a rush.

463

00:41:19,159 --> 00:41:22,927

That's the whole point.
You'd want to be telling the person.

464

00:41:22,929 --> 00:41:25,463

It'd be cruel if you had good
news to wait to tell someone.

465

00:41:25,465 --> 00:41:29,133

It'd be kind if you had bad
news to wait to tell them.

466

00:41:29,135 --> 00:41:31,302

She's been away too long.

It's bad news.

467

00:41:31,304 --> 00:41:34,171

[doctor] Sorry.

That took longer than I thought.

468

00:41:34,173 --> 00:41:36,376

I was called away
to another patient.

469

00:41:40,380 --> 00:41:44,318

Well, good news.

The scan is all clear.

470

00:41:49,155 --> 00:41:50,554

So what does
that mean?

471

00:41:50,556 --> 00:41:54,458

It means we've removed the
lump and the lymph nodes,

472

00:41:54,460 --> 00:41:56,860

and the cancer hasn't
spread anywhere else.

473

00:41:56,862 --> 00:41:58,329

So, it's gone?

474

00:41:58,331 --> 00:42:01,298

As far as
we're concerned, yes.

475

00:42:01,300 --> 00:42:04,302

And the next thing is to
refer you to an oncologist

476

00:42:04,304 --> 00:42:07,037

to discuss chemotherapy
and other therapies.

477

00:42:07,039 --> 00:42:09,942

Why chemo?
You just said it was gone.

478

00:42:10,909 --> 00:42:13,911

There still might be
tiny cancerous cells

479

00:42:13,913 --> 00:42:15,512

that we can't detect
through scanning.

480

00:42:15,514 --> 00:42:20,450

So... when you said the cancer is
gone, that may not be true?

481

00:42:20,452 --> 00:42:23,487

- Tom, don't...

- I just want to get everything clear.

482

00:42:23,489 --> 00:42:24,921

And so you should.

483

00:42:24,923 --> 00:42:27,224

The cancer that was there
has been removed

484

00:42:27,226 --> 00:42:29,427

and it hasn't spread
any further.

485

00:42:29,429 --> 00:42:33,099

And Joan is now ready
for chemotherapy.

486

00:42:34,067 --> 00:42:36,469

Thank you, Doctor.
That's very clear. Thank you.

487

00:42:42,608 --> 00:42:46,279

From now on, when we're at the
hospital, I don't want you talking.

488

00:42:47,380 --> 00:42:50,514

If I didn't talk,
we wouldn't know anything.

489

00:42:50,516 --> 00:42:53,387

We already knew.
We'd already been told.

490

00:42:54,186 --> 00:42:55,454

It's just you
being you.

491

00:42:56,088 --> 00:42:57,320

Cancer-free,
she said.

492

00:42:57,322 --> 00:42:59,492

Yes. I knew
what she meant.

493

00:43:01,393 --> 00:43:04,595

In situations like this,
you have to be exact.

494

00:43:04,597 --> 00:43:08,535

Oh, I'm sorry, Tom. Are we in a
hospital or are we in a courtroom?

495

00:43:09,469 --> 00:43:12,036

It's not black and white.
The world's gray.

496

00:43:12,038 --> 00:43:14,240

It's nothing to do
with black and white.

497

00:43:15,340 --> 00:43:18,008

Cancer-free is different
from not cancer-free.

498

00:43:18,010 --> 00:43:21,148

Hmm.

Are you cancer free?

499

00:43:22,114 --> 00:43:24,081

Very good.

500

00:43:24,083 --> 00:43:26,182

"As far as we know."

501

00:43:26,184 --> 00:43:28,519

I knew what
she meant.

502

00:43:28,521 --> 00:43:31,121

So from now on,
no more talk from you.

503

00:43:31,123 --> 00:43:33,157

It's to do with me anyway.
I'll ask.

504

00:43:33,159 --> 00:43:35,059

It's to do with you.
You'll ask.

505

00:43:35,061 --> 00:43:37,231

Yes. That was
embarrassing.

506

00:43:37,664 --> 00:43:39,566

- Embarrassing?
- Yes.

507

00:44:04,324 --> 00:44:06,393

- You wanna sit here?
- Yeah.

508

00:44:21,440 --> 00:44:23,740

You see that man in the
blue shirt over there?

509

00:44:23,742 --> 00:44:25,376

Yeah.

510

00:44:25,378 --> 00:44:28,545

I think he was our Debbie's
teacher at primary school.

511

00:44:28,547 --> 00:44:30,583

Oh, right enough.

512

00:44:31,617 --> 00:44:34,284

- Yes, arrogant.

- Yeah.

513

00:44:34,286 --> 00:44:37,454

- I'm gonna talk to him.

- What for?

514

00:44:37,456 --> 00:44:40,490

What for? There's something
the matter with you.

515

00:44:40,492 --> 00:44:44,228

Just to talk to him.
Tell him who I am, that I recognized him.

516

00:44:44,230 --> 00:44:46,065

He looks alone.

517

00:44:49,601 --> 00:44:51,304

Sorry.

518

00:44:52,405 --> 00:44:57,041

I just saw you sitting here.
I think I know you.

519

00:44:57,043 --> 00:45:01,012

Did you used to teach my daughter,
Debbie Thompson, in primary school?

520

00:45:01,014 --> 00:45:02,582

I did.

521

00:45:03,516 --> 00:45:07,017

I was very sad to hear
what happened to Debbie.

522

00:45:07,019 --> 00:45:08,719

Oh.

523

00:45:08,721 --> 00:45:09,787

It's Joan.

524

00:45:09,789 --> 00:45:11,421

Peter.

525

00:45:11,423 --> 00:45:13,356

Debbie was
a delightful child.

526

00:45:13,358 --> 00:45:15,226

Pleasure to teach.

527

00:45:15,228 --> 00:45:19,095

- Hmm. Do you still teach?

- Not at the moment.

528

00:45:19,097 --> 00:45:21,400

Oh, please, sit down.

529

00:45:23,402 --> 00:45:25,269

Are you

on your own?

530

00:45:25,271 --> 00:45:28,171

Oh, my partner, Steve,

is downstairs in the café.

531

00:45:28,173 --> 00:45:31,508

He gets

very emotional.

532

00:45:31,510 --> 00:45:35,112

- It's difficult for him.

- Hmm. I see that in my husband.

533

00:45:35,114 --> 00:45:38,585

Right. So you have
the buzzer?

534

00:45:39,652 --> 00:45:42,753

- Yes. Yeah.

- Right.

535

00:45:42,755 --> 00:45:44,688

Is this your
first time here?

536

00:45:44,690 --> 00:45:46,389

No, second.

537

00:45:46,391 --> 00:45:48,594

How's your treatment
going?

538

00:45:49,661 --> 00:45:52,131

I'm... I'm terminal.

539

00:45:52,831 --> 00:45:54,164

Oh, I'm sorry.

540

00:45:54,166 --> 00:45:56,367

Yeah. They say

if I take the chemo,

541

00:45:56,369 --> 00:45:58,436

we'll have

a while longer.

542

00:45:58,438 --> 00:46:00,507

What... What are you

here for?

543

00:46:01,673 --> 00:46:03,376

Breast cancer.

544

00:46:06,579 --> 00:46:08,782

Has the chemo

been difficult?

545

00:46:09,514 --> 00:46:11,282

Difficult enough.

The nausea.

546

00:46:11,284 --> 00:46:14,452

That might not be difficult for you.

Each treatment's different.

547

00:46:14,454 --> 00:46:16,323

They say that,

anyway.

548

00:46:18,157 --> 00:46:22,392

I don't wanna lose my hair. No hair at
my age, I think I'd look like a man.

549

00:46:22,394 --> 00:46:26,597

[chuckles] For me they said

maybe, maybe not.

550

00:46:26,599 --> 00:46:29,099

I do not want

to be buried bald.

551

00:46:29,101 --> 00:46:30,333

Actually,
that's not true.

552

00:46:30,335 --> 00:46:31,869

Being buried bald
isn't the issue.

553

00:46:31,871 --> 00:46:35,271

Lying in me coffin with the lid off
it, bald, for all to see.

554

00:46:35,273 --> 00:46:40,313

Not that there will be anybody there,
but that's not the point. Just in case.

555

00:46:41,547 --> 00:46:43,315

I think you'd look
dignified.

556

00:46:44,182 --> 00:46:46,383

Dignified?
No, horrified.

557

00:46:46,385 --> 00:46:48,522

[both chuckle]

558

00:46:49,422 --> 00:46:51,856

Well, you might not

lose it.

559

00:46:51,858 --> 00:46:54,728

Whenever they say "you

might," it means you will.

560

00:46:56,429 --> 00:47:00,467

We should get that printed on T-shirts.

Wear them to the chemo sessions.

561

00:47:01,199 --> 00:47:04,236

[buzzer buzzing]

562

00:47:05,304 --> 00:47:08,508

Well... there we go.

563

00:47:10,208 --> 00:47:11,407

- Okay.

- Well...

564

00:47:11,409 --> 00:47:13,577

It's lovely

to meet you, Peter.

565

00:47:13,579 --> 00:47:15,646

I'm glad

I came over to talk.

566

00:47:15,648 --> 00:47:17,617

Yeah. Lovely to meet you, Joan.

567

00:47:22,621 --> 00:47:24,454

I take it

that's him then?

568

00:47:24,456 --> 00:47:27,594

Yeah.

His name's Peter.

569

00:47:28,661 --> 00:47:31,528

- Did he remember our Debbie?

- Of course he did.

570

00:47:31,530 --> 00:47:33,632

Talked of her

really fondly.

571

00:47:34,400 --> 00:47:38,472

- Is he still arrogant?

- Huh. No.

572

00:47:39,338 --> 00:47:41,508

He's got

terminal cancer.

573

00:47:42,175 --> 00:47:43,443

Oh.

574

00:47:44,277 --> 00:47:46,480

- That's not good.

- No.

575

00:47:47,480 --> 00:47:50,313

His partner, Steve,
I think he said he was called,

576

00:47:50,315 --> 00:47:53,586

he sits downstairs.

He can't come up here.

577

00:47:55,755 --> 00:47:57,054

Yeah.

578

00:47:57,056 --> 00:48:00,493

I can imagine that would be
difficult for some people, all right.

579

00:48:04,230 --> 00:48:05,865

I hope I bump
into him again.

580

00:48:06,532 --> 00:48:08,398

I'm sure you will.

581

00:48:08,400 --> 00:48:10,302

He doesn't look gay.

582

00:48:10,936 --> 00:48:12,471

No.

583

00:48:13,773 --> 00:48:16,409

- But then you don't look...

- Easy, tiger.

584

00:48:17,543 --> 00:48:19,713

I was gonna say

kind.

585

00:48:20,545 --> 00:48:23,349

- There's not many of us left.

- Hmm.

586

00:48:25,217 --> 00:48:27,985

I couldn't say stupid

because you do look stupid.

587

00:48:27,987 --> 00:48:31,657

Living with you too long

has me looking like that.

588

00:48:35,427 --> 00:48:37,695

- [buzzer buzzing]

- Oh!

589

00:48:37,697 --> 00:48:39,865

- Here we go.

- Here we go.

590

00:49:57,876 --> 00:49:59,945

[retching]

591

00:50:01,347 --> 00:50:03,079

It's all right,

it's all right.

592

00:50:03,081 --> 00:50:04,784

Oh, God.

593

00:50:05,985 --> 00:50:08,922

Is your head sore?

Shall I get a cold cloth?

594

00:50:10,056 --> 00:50:11,724

No, I'm freezing.

595

00:50:12,525 --> 00:50:14,791

Blanket?

Want a blanket?

596

00:50:14,793 --> 00:50:17,396

No, it'll be all right.

It'll go in a minute.

597

00:50:18,864 --> 00:50:23,903

Shall I take this... this basin away
and clean it out or is there more?

598

00:50:24,936 --> 00:50:27,938

There will be more, but you
can clean it out anyway.

599

00:50:27,940 --> 00:50:30,807

Shall I go and just
get another basin?

600

00:50:30,809 --> 00:50:33,443

No, just... just clean

that one out.

601

00:50:33,445 --> 00:50:34,913

Right, right, right.

602

00:50:36,349 --> 00:50:39,552

[breathes heavily]

603

00:50:40,952 --> 00:50:44,023

[groans]

604

00:50:48,561 --> 00:50:51,998

[woman] *Sarah has started a project at nearby Fillingham Court.*

605

00:50:52,898 --> 00:50:54,965

She's teaching the residents about gardening

606

00:50:54,967 --> 00:50:58,568

<i>to inspire them to make the
most of their communal areas</i>

607

00:50:58,570 --> 00:51:00,838

<i>and brighten up
their balconies.</i>

608

00:51:00,840 --> 00:51:04,577

What rubbish bin goes out tonight?
Brown or gray?

609

00:51:07,445 --> 00:51:09,014

I'm not sure.

610

00:51:10,382 --> 00:51:12,081

What went out
last week?

611

00:51:12,083 --> 00:51:16,522

If I knew what went out last week,
I'd know what one goes out tonight.

612

00:51:17,389 --> 00:51:18,891

Think it's gray.

613

00:51:20,559 --> 00:51:22,729

Just look what
the neighbors put out.

614

00:51:24,463 --> 00:51:26,063

I know it's summer,
but what's the point

615

00:51:26,065 --> 00:51:28,664

of having a bin for garden
waste during the winter

616

00:51:28,666 --> 00:51:30,633

when there isn't
any garden waste?

617

00:51:30,635 --> 00:51:31,838

Don't know.

618

00:51:32,737 --> 00:51:34,070

Well,

you should know.

619

00:51:34,072 --> 00:51:36,608

That could be vital

information at some point.

620

00:51:37,476 --> 00:51:40,778

- Vital? Really?

- Yes, Joan. Vital.

621

00:51:40,780 --> 00:51:43,717

- Why don't you go for a walk?

- No.

622

00:51:44,784 --> 00:51:46,749

No, I'm staying.

Watch TV.

623

00:51:46,751 --> 00:51:48,987

I haven't numbed my
brain enough today.

624

00:51:52,458 --> 00:51:53,626

Hmm.

625

00:52:30,663 --> 00:52:33,867

- All right?

- It's coming out in clumps now.

626

00:52:36,768 --> 00:52:38,637

What do you want

to do?

627

00:52:39,938 --> 00:52:42,206

- I don't know.

- Look, there's no...

628

00:52:42,208 --> 00:52:46,813

- No, I know.

- I'll do it. Do you want me to do it?

629

00:52:47,246 --> 00:52:49,813

[laughs]

630

00:52:49,815 --> 00:52:52,117

What?

Where's the scissors?

631

00:52:54,786 --> 00:52:56,655

- In the drawer.

- Right.

632

00:53:02,862 --> 00:53:04,728

Do you wanna

stand or sit?

633

00:53:04,730 --> 00:53:08,635

When have you ever seen anyone
getting their hair cut standing up?

634

00:53:10,568 --> 00:53:12,771

[sighs]

635

00:53:16,641 --> 00:53:18,844

[chuckles]

636

00:53:27,887 --> 00:53:29,022

Okay?

637

00:53:30,054 --> 00:53:31,089

Yeah.

638

00:53:40,965 --> 00:53:42,965

[chuckles]

639

00:53:42,967 --> 00:53:44,736

Stop.

640

00:53:50,842 --> 00:53:54,077

So, what do you and your
hairdresser talk about?

641

00:53:54,079 --> 00:53:56,112

You and what
an idiot you are.

642

00:53:56,114 --> 00:53:59,051

An idiot who has a pair
of scissors in his hand.

643

00:53:59,918 --> 00:54:02,184

Any particular style
today, madam?

644
00:54:02,186 --> 00:54:04,490
[chuckles] Beehive.

645
00:54:05,023 --> 00:54:07,590
Showing your age
there, kid.

646
00:54:07,592 --> 00:54:09,761
A beehive it is.

647
00:55:15,793 --> 00:55:18,764
- Ta-da!
- [chuckles]

648
00:55:22,001 --> 00:55:23,967
What do you
think?

649
00:55:23,969 --> 00:55:26,005
You look

beautiful.

650

00:55:27,039 --> 00:55:29,943

But then I never really liked
your hair to begin with.

651

00:55:33,878 --> 00:55:36,213

It feels weird.

652

00:55:36,215 --> 00:55:37,914

You're a star, kid.

653

00:55:37,916 --> 00:55:39,986

Absolute star.

654

00:56:28,934 --> 00:56:31,804

[TV playing, indistinct]

655

00:56:34,139 --> 00:56:37,175

[announcer speaking,
indistinct]

656

00:56:42,914 --> 00:56:45,284

[breathing heavily]

657

00:57:17,516 --> 00:57:19,918

[TV continues, indistinct]

658

00:57:28,360 --> 00:57:31,064

[breathing heavily]

659

00:57:42,141 --> 00:57:44,343

[TV continues, indistinct]

660

00:57:58,023 --> 00:57:59,990

- Did you write it down?

- No.

661

00:57:59,992 --> 00:58:02,124

What do you mean,

no?

662

00:58:02,126 --> 00:58:04,860

I gave you a notebook and

a pen especially for that.

663

00:58:04,862 --> 00:58:07,065

I didn't
write it down.

664

00:58:09,001 --> 00:58:12,034

So, you don't know
what tablet to take?

665

00:58:12,036 --> 00:58:13,336

No. Just guess.

666

00:58:13,338 --> 00:58:15,438

You can't guess, Joan.
They're too strong.

667

00:58:15,440 --> 00:58:18,809

Tom, please.
The pain in my legs and feet is...

668

00:58:18,811 --> 00:58:22,012

I'm in agony. Just give me a tablet.
It's one of three.

669

00:58:22,014 --> 00:58:23,979

Just pick one.

I don't care which.

670

00:58:23,981 --> 00:58:26,449

- You were told to write this down.

- Oh, what?

671

00:58:26,451 --> 00:58:28,552

Because I didn't,

you're gonna punish me?

672

00:58:28,554 --> 00:58:32,421

Whose pain is this?

Who's going through this? Me or you?

673

00:58:32,423 --> 00:58:36,293

You sit downstairs drinking

beer while I'm up here in pain.

674

00:58:36,295 --> 00:58:38,561

Excuse me.

Everything you need, I get.

675

00:58:38,563 --> 00:58:42,298

- Well, get me a tablet.

- I don't know which one.

676

00:58:42,300 --> 00:58:45,202

Don't give me that "poor me" garbage.

Did I give you the cancer?

677

00:58:45,204 --> 00:58:47,037

This isn't about cancer.

This is about you.

678

00:58:47,039 --> 00:58:50,039

You never do anything for me
until you've sorted yourself out.

679

00:58:50,041 --> 00:58:51,441

- That right?

- Yes.

680

00:58:51,443 --> 00:58:53,510

I didn't want to fill out
your silly little notepad

681

00:58:53,512 --> 00:58:56,012

because I didn't
feel like it, all right?

682

00:58:56,014 --> 00:58:58,315

No! Because you like
all this.

683

00:58:58,317 --> 00:59:00,450

You'd rather be worse
than better.

684

00:59:00,452 --> 00:59:01,650

It's in your nature.

685

00:59:01,652 --> 00:59:04,920

It's all, "Look at me.

This was always gonna happen to me!

686

00:59:04,922 --> 00:59:07,526

My daughter was killed!

Look at me!"

687

00:59:10,228 --> 00:59:11,994

I hate you,

you know that?

688

00:59:11,996 --> 00:59:15,331

Oh, I know it, all right.

It's there underneath all the time.

689

00:59:15,333 --> 00:59:18,934

Here, there's the box.

You wanna take a tablet? Take one.

690

00:59:18,936 --> 00:59:20,202

Just leave me alone.

691

00:59:20,204 --> 00:59:22,405

On top of everything

I have to deal with you.

692

00:59:22,407 --> 00:59:24,173

We're both
going through this.

693

00:59:24,175 --> 00:59:27,346

No, we're not! Tom, we're not!
I'm going through it!

694

00:59:29,213 --> 00:59:32,148

You've just gotta cope with
things, cope with stuff.

695

00:59:32,150 --> 00:59:34,950

I had the cancer.
I'm going through chemo.

696

00:59:34,952 --> 00:59:37,489

I need to have
a double-mastectomy.

697

00:59:40,626 --> 00:59:42,992

I'm doing my best here!

698

00:59:42,994 --> 00:59:45,130

- No, you're not!

- [pills clatter]

699

01:00:18,030 --> 01:00:19,465

Hi.

700

01:00:20,398 --> 01:00:21,534

Hi.

701

01:00:24,101 --> 01:00:26,036

Is this

your first session?

702

01:00:26,038 --> 01:00:28,003

Yes.

703

01:00:28,005 --> 01:00:31,141

Don't be worried about all the
goings-on here. You get used to it.

704

01:00:31,143 --> 01:00:33,943

You think you won't,
but you do.

705

01:00:33,945 --> 01:00:37,482

I always think it's like a busy
train station or something.

706

01:00:38,483 --> 01:00:39,518

Yeah.

707

01:00:41,018 --> 01:00:43,153

How many sessions
have you to do?

708

01:00:43,155 --> 01:00:45,688

- Six.

- Oh.

709

01:00:45,690 --> 01:00:49,027

- Breast cancer.

- Same here.

710

01:00:50,061 --> 01:00:51,327

I hear it's hard.

711

01:00:51,329 --> 01:00:54,366

Well, it can be,
but you get through it.

712

01:00:55,500 --> 01:00:58,471

Take all the painkillers
you can get your hands on.

713

01:00:59,438 --> 01:01:03,209

Once the pain kicks in,
it's hard to get rid of.

714

01:01:07,746 --> 01:01:10,182

[nurse] Now, are we ready?

715

01:01:18,356 --> 01:01:20,523

[Peter] Yeah, I like it.
It suits you.

716

01:01:20,525 --> 01:01:22,258

No, it doesn't.

717

01:01:22,260 --> 01:01:24,126

No, it doesn't.

718

01:01:24,128 --> 01:01:28,331

I went to the hairdresser's and she cut it.

I think it looks worse.

719

01:01:28,333 --> 01:01:30,269

It's not even

the right color.

720

01:01:31,235 --> 01:01:34,336

- What does Tom think of it?

- Oh, I don't know.

721

01:01:34,338 --> 01:01:38,608

I mean, he wouldn't say

that he didn't like it,

722

01:01:38,610 --> 01:01:40,512

but you know...

723

01:01:42,079 --> 01:01:44,347

He's at the end
of his tether.

724

01:01:44,349 --> 01:01:46,218

I can see it in him.

725

01:01:47,219 --> 01:01:49,686

Oh, but to hell
with him, so am I.

726

01:01:49,688 --> 01:01:52,188

- Too right.

- [chuckles]

727

01:01:52,190 --> 01:01:54,624

- We fought the other night.

- Hmm?

728

01:01:54,626 --> 01:01:58,297

Oh, well, you need a
blowout, don't you?

729

01:01:59,264 --> 01:02:01,498

Steve won't do it,
not that he's that type,

730

01:02:01,500 --> 01:02:05,103

but even so, God,
he won't offend me now.

731

01:02:06,237 --> 01:02:08,204

Poor man.

732

01:02:08,206 --> 01:02:10,373

He looks frightened,
you know.

733

01:02:10,375 --> 01:02:12,508

More frightened
of me dying than I am.

734

01:02:12,510 --> 01:02:16,282

He won't even talk to me
about stopping chemo.

735

01:02:17,148 --> 01:02:19,282

Are you going to?

736

01:02:19,284 --> 01:02:21,086

Well,

I'm thinking about it.

737

01:02:22,119 --> 01:02:25,554

I can handle it,

but what's the point of even doing that,

738

01:02:25,556 --> 01:02:29,059

if I'm gonna die the

same way no matter what?

739

01:02:29,061 --> 01:02:32,530

Steve thinks I'd be depriving

him of time spent together.

740

01:02:36,201 --> 01:02:38,336

What would you do?

741

01:02:41,206 --> 01:02:42,271

Don't know.

742

01:02:42,273 --> 01:02:44,710

You must've thought
about it

743

01:02:45,476 --> 01:02:47,512

when you heard
about the cancer.

744

01:02:50,215 --> 01:02:51,684

Yeah, I...

745

01:02:53,117 --> 01:02:55,320

Yeah, I thought that...

746

01:02:56,688 --> 01:02:58,557

if it came to that...

747

01:02:59,590 --> 01:03:01,557

no matter how long
you'd been together,

748

01:03:01,559 --> 01:03:04,230

no matter how much
you love each other...

749

01:03:05,764 --> 01:03:09,668

it would have to be my
decision and my decision alone.

750

01:03:12,503 --> 01:03:14,706

I cried
when I thought that.

751

01:03:17,375 --> 01:03:20,278

You know, that we're
all just really...

752

01:03:22,313 --> 01:03:24,182

just on our own.

753

01:03:33,190 --> 01:03:35,326

[exhales]

754

01:03:37,528 --> 01:03:38,461

Too hot.

755

01:03:38,463 --> 01:03:42,132

Jesus Christ.

Tea cozy?

756

01:03:42,134 --> 01:03:44,336

- [chuckles]

- No!

757

01:03:47,472 --> 01:03:48,607

Oh...

758

01:03:49,740 --> 01:03:51,610

[laughs]

759

01:04:18,503 --> 01:04:21,707

You'd think I'd give these
up, wouldn't you?

760

01:04:24,509 --> 01:04:27,545

But then what
would be the point?

761

01:04:34,920 --> 01:04:36,454

Have you somebody
in here?

762

01:04:39,423 --> 01:04:41,657

My wife.
She's got breast cancer.

763

01:04:41,659 --> 01:04:43,862

She's getting chemo,
you know.

764

01:04:52,436 --> 01:04:54,706

They're good in here.

765

01:04:56,208 --> 01:04:57,539

They can't do anything
for me,

766

01:04:57,541 --> 01:05:00,445

but that doesn't mean
to say they're not good.

767

01:05:01,246 --> 01:05:04,349

Your wife will be
well looked after.

768

01:05:05,282 --> 01:05:06,652

Yes.

769

01:05:11,822 --> 01:05:13,658

My wife's dead.

770

01:05:17,494 --> 01:05:19,531

It's just as well.

771

01:05:30,942 --> 01:05:33,445

I can't do this, Tom.

772

01:05:36,447 --> 01:05:38,483

I can't take any more.

773

01:05:39,451 --> 01:05:41,853

It's all right, kid.

It's all right.

774

01:05:44,588 --> 01:05:46,759

I can't do it, Tom.

775

01:05:53,297 --> 01:05:54,463

Look at me.

776

01:05:54,465 --> 01:05:56,634

I don't want
to look at you.

777

01:06:00,905 --> 01:06:02,338

You're nearly there, pet.

778

01:06:02,340 --> 01:06:04,643

I don't want to be
nearly there, Tom.

779

01:06:05,577 --> 01:06:06,943

I don't wanna be
nearly there.

780

01:06:06,945 --> 01:06:10,349

I want it to be over.

I've had enough.

781

01:06:17,588 --> 01:06:20,759

You know...

you know the way...

782

01:06:22,494 --> 01:06:24,697

I always said

I'd do the marathon...

783

01:06:25,929 --> 01:06:27,863

and never did it?

784

01:06:27,865 --> 01:06:29,499

Useless.

785

01:06:29,501 --> 01:06:30,903

I'm useless.

786

01:06:32,369 --> 01:06:34,405

I stand near
the finish line...

787

01:06:35,340 --> 01:06:37,675

watching the people
cross that line...

788

01:06:38,510 --> 01:06:40,446

one by one.

789

01:06:41,079 --> 01:06:42,948

Makes me wanna cry.

790

01:06:45,916 --> 01:06:47,518

But it's...

791

01:06:48,519 --> 01:06:51,389

it's normal people
that are doing it.

792

01:06:53,023 --> 01:06:54,792

I never did it.

793

01:06:57,394 --> 01:06:58,963

You are doing it.

794

01:07:01,032 --> 01:07:03,769

You're coming up
to the finish line, Joan.

795

01:07:04,936 --> 01:07:06,838

You're nearly there, kid.

796

01:07:08,972 --> 01:07:10,842

You're gonna do it.

797

01:08:06,764 --> 01:08:09,701

I've been thinking we should
do something to the house.

798

01:08:11,001 --> 01:08:12,003

Like what?

799

01:08:13,103 --> 01:08:14,836

I don't know.

800

01:08:14,838 --> 01:08:16,873

Bedroom, kitchen.

I don't know, just a change.

801

01:08:16,875 --> 01:08:19,442

They don't need

change, Joan.

802

01:08:19,444 --> 01:08:21,510

Tom, we haven't

decorated since...

803

01:08:21,512 --> 01:08:23,812

And what?

There's only you and me in it.

804

01:08:23,814 --> 01:08:25,748

It doesn't mean

it shouldn't look well.

805

01:08:25,750 --> 01:08:28,116

It looks

well enough.

806

01:08:28,118 --> 01:08:29,785

We're doing the bedroom.

807

01:08:29,787 --> 01:08:31,489

Right.

Not the kitchen?

808

01:08:32,489 --> 01:08:33,790

You think we should

do the kitchen?

809

01:08:33,792 --> 01:08:35,424

I don't think

we should do either.

810

01:08:35,426 --> 01:08:38,093

Right, we're doing the bedroom.

Something bright.

811

01:08:38,095 --> 01:08:39,497

Aye.

812

01:08:41,131 --> 01:08:44,969

What are we doing after this?

Do you wanna go for a drink somewhere?

813

01:08:45,869 --> 01:08:48,974

No, we'll just go up

to the bedroom.

814

01:08:49,940 --> 01:08:52,541

I'll nip over,

get some wine across the road.

815

01:08:52,543 --> 01:08:53,809

It'll be cheaper.

816

01:08:53,811 --> 01:08:56,014

Now that we're saving

for an orange bedroom.

817

01:08:57,047 --> 01:08:59,749

We don't have

to have any drink at all.

818

01:08:59,751 --> 01:09:01,920

Aye, very good.

819

01:09:02,886 --> 01:09:04,553

Don't be getting
a lot of drink.

820

01:09:04,555 --> 01:09:06,188

I wasn't gonna
get a lot.

821

01:09:06,190 --> 01:09:07,623

Don't start.

822

01:09:07,625 --> 01:09:10,759

I know, but, I mean,
we're here doing this.

823

01:09:10,761 --> 01:09:12,930

- We're having a good time.
- Yes.

824

01:09:55,939 --> 01:09:58,109

Are you going
to miss these?

825

01:10:01,112 --> 01:10:03,079

What? Really?

826

01:10:03,081 --> 01:10:05,848

- Now?
- Yes, now.

827

01:10:05,850 --> 01:10:06,952

No.

828

01:10:07,985 --> 01:10:08,817

No?

829

01:10:08,819 --> 01:10:12,724

- What, is this a trick question?
- No.

830

01:10:15,627 --> 01:10:17,830

Are you gonna
miss them?

831

01:10:27,104 --> 01:10:28,673

No.

832

01:10:30,608 --> 01:10:32,607

You'll still
have something left.

833

01:10:32,609 --> 01:10:33,878

I know.

834

01:10:36,613 --> 01:10:39,884

But, I mean,
are you gonna miss them?

835

01:10:44,322 --> 01:10:45,724

Yes.

836

01:10:48,960 --> 01:10:50,194

Good man.

837

01:11:57,729 --> 01:11:59,794

- You okay?

- Yeah.

838

01:11:59,796 --> 01:12:02,099

- What's the pain like today?

- Same.

839

01:12:02,966 --> 01:12:05,836

- You getting more painkillers?

- Yeah.

840

01:12:07,270 --> 01:12:08,907

Did you sleep?

841

01:12:10,274 --> 01:12:11,843

Off and on.

842

01:12:12,976 --> 01:12:15,713

It's difficult to sleep

here, noise of the place.

843

01:12:16,713 --> 01:12:20,715

- How long did they say you'd be in for?

- At least a week.

844

01:12:20,717 --> 01:12:26,757

Got to make sure that the wound's clean
and under my arms are all drained.

845

01:12:27,658 --> 01:12:30,159

Do you need me
to bring anything up?

846

01:12:30,161 --> 01:12:31,360

Yeah.

847

01:12:31,362 --> 01:12:34,729

Can you go into the top drawer
and get my blue nightdress?

848

01:12:34,731 --> 01:12:36,132

Make sure
it's the blue one.

849

01:12:36,134 --> 01:12:39,003

The other one's a bit grubby.

And some knickers.

850

01:12:41,271 --> 01:12:43,138

Any type?

851

01:12:43,140 --> 01:12:44,875

Crotchless?

852

01:12:47,712 --> 01:12:50,015

Don't make me laugh.

It hurts.

853

01:12:51,149 --> 01:12:52,447

Not the crotchless

then?

854

01:12:52,449 --> 01:12:54,450

Oh, Tom!

855

01:12:54,452 --> 01:12:56,751

Sturdy gusset?

856

01:12:56,753 --> 01:12:58,957

Sturdy gusset.

857

01:13:01,158 --> 01:13:03,362

Couple of facecloths

as well.

858

01:13:04,194 --> 01:13:05,193

Anything else?

859

01:13:05,195 --> 01:13:08,100

Any other things that
aren't sexually romantic?

860

01:13:09,033 --> 01:13:12,170

No, just the sexually
romantic stuff.

861

01:13:16,373 --> 01:13:17,775

Hi.

862

01:13:18,309 --> 01:13:19,808

Tom, this is Peter.
