

Dialogues from Pride and Prejudice to improve the vocabulary in English

1

00:02:12,000 --> 00:02:13,900

Lydia! Kitty!

2

00:02:50,425 --> 00:02:53,125

My dear Mr Bennet, have you heard?

3

00:02:53,425 --> 00:02:57,925

Netherfield Park is let at last. Do you
not want to know who has taken it?

4

00:02:58,325 --> 00:03:04,025

As you wish to tell me, my dear,
I doubt I have any choice in the matter.

5

00:03:10,025 --> 00:03:13,025

Kitty, what have I told you
about listening at the door?

6

00:03:13,425 --> 00:03:16,025

There's a Mr Bingley
arrived from the North.

7

00:03:16,325 --> 00:03:19,425

- Five thousand a year!
- Really?

8

00:03:19,825 --> 00:03:21,325

- He's single!
- Who's single?

9

00:03:21,525 --> 00:03:24,125

A Mr Bingley, apparently. Kitty!

10

00:03:24,425 --> 00:03:26,125

How can that possibly affect them?

11

00:03:26,525 --> 00:03:28,525

Mr Bennet,
how can you be so tiresome?

12

00:03:28,825 --> 00:03:31,025

You know he must marry one of them.

13

00:03:31,325 --> 00:03:33,225

That is his design in settling here?

14

00:03:33,625 --> 00:03:35,725

You must go and visit him at once.

15

00:03:36,025 --> 00:03:38,825

Good heavens. People.

16

00:03:41,325 --> 00:03:45,225

For we may not visit if you do not,
as you well know, Mr Bennet.

17

00:03:45,625 --> 00:03:49,625

- Are you listening? You never listen.

- You must, Papa! At once!

18

00:03:50,025 --> 00:03:52,425

There's no need. I already have.

19

00:03:53,325 --> 00:03:55,125

- You have?

- When?

20

00:03:55,325 --> 00:03:58,825

Oh, Mr Bennet,

how can you tease me so?

21

00:03:59,225 --> 00:04:01,425

Have you no compassion

for my poor nerves?

22

00:04:01,825 --> 00:04:05,225

You mistake me, my dear.

I have the highest respect for them.

23

00:04:05,525 --> 00:04:08,625

They've been my constant companions

these twenty years.

24

00:04:09,025 --> 00:04:09,925

Papa!

25

00:04:10,125 --> 00:04:11,325

- Is he amiable?

- Who?

26

00:04:11,625 --> 00:04:13,925

- Is he handsome?

- He's sure to be.

27

00:04:14,225 --> 00:04:17,225

With 5,000 a year,

it would not matter if he had warts.

28

00:04:17,525 --> 00:04:18,825

Who's got warts?

29

00:04:19,125 --> 00:04:22,225

I will consent to

his marrying whichever girl he chooses.

30

00:04:22,525 --> 00:04:26,525

- So will he come to the ball tomorrow?

- I believe so.

31

00:04:27,925 --> 00:04:31,625

- Mr Bennet!

- I have to have your muslin!

32

00:04:32,025 --> 00:04:34,725

- I'll lend you my green slippers!

- They were mine.

33

00:04:34,925 --> 00:04:38,525

- I'll do your mending for a week.

- I'll retrim your new bonnet.

34

00:04:38,925 --> 00:04:40,625

Two weeks I'll do it for.

35

00:05:19,025 --> 00:05:22,025

It's not the same!

It's not the same.

36

00:05:32,325 --> 00:05:34,225

I can't breathe.

37

00:05:37,125 --> 00:05:39,725

I think one of
my toes just came off.

38

00:05:47,925 --> 00:05:50,825

If every man does not end the evening
in love with you,

39

00:05:51,225 --> 00:05:52,925

then I'm no judge of beauty.

40

00:05:53,125 --> 00:05:56,025

- Or men.

- No, they are far too easy to judge.

41

00:05:56,325 --> 00:05:57,825

They're not all bad.

42

00:05:58,025 --> 00:06:00,725

Humourless poppycocks,
in my limited experience.

43

00:06:01,125 --> 00:06:03,325

One day,

someone will catch your eye,

44

00:06:03,625 --> 00:06:05,925

and then you'll have
to watch your tongue.

45

00:06:27,125 --> 00:06:28,325

How good of you to come.

46

00:06:28,625 --> 00:06:31,225

Which of the painted peacocks
is our Mr Bingley?

47

00:06:31,425 --> 00:06:34,025

He's on the right.
On the left is his sister.

48

00:06:34,325 --> 00:06:39,125

- The person with the quizzical brow?
- That is his good friend, Mr Darcy.

49

00:06:39,625 --> 00:06:43,725

- He looks miserable, poor soul.

- He may be, but poor he is not.

50

00:06:44,125 --> 00:06:45,125

Tell me.

51

00:06:45,425 --> 00:06:48,025

10,000 a year,
and he owns half of Derbyshire.

52

00:06:48,325 --> 00:06:50,225

The miserable half.

53

00:07:17,725 --> 00:07:22,425

Mr Bennet, you must introduce him
to the girls immediately.

54

00:07:23,525 --> 00:07:25,225

Smile at Mr Bingley. Smile.

55

00:07:41,925 --> 00:07:42,825

Mary.

56

00:07:43,025 --> 00:07:45,825

Mr Bingley, my eldest daughter you know.

57

00:07:47,125 --> 00:07:51,425

Mrs Bennet, Miss Jane Bennet,
Elizabeth and Miss Mary Bennet.

58

00:07:51,825 --> 00:07:55,325

It is a pleasure. I have two others,
but they're already dancing.

59

00:07:55,725 --> 00:07:58,025

I'm delighted to make your acquaintance.

60

00:07:58,325 --> 00:08:03,425

And may I introduce Mr Darcy
of Pemberley in Derbyshire.

61

00:08:23,225 --> 00:08:25,325

How do you like it
here in Hertfordshire?

62

00:08:25,625 --> 00:08:27,525

Very much.

63

00:08:27,825 --> 00:08:31,025

The library at Netherfield,
I've heard, is one of the finest.

64

00:08:31,225 --> 00:08:35,525

It fills me with guilt. I'm not a good
reader. I prefer being out of doors.

65

00:08:35,925 --> 00:08:38,325

Oh, I mean, I can read, of course.

66

00:08:38,725 --> 00:08:41,925

And I'm not suggesting
you can't read out of doors.

67

00:08:42,325 --> 00:08:45,925

I wish I read more, but there
seem to be so many other things to do.

68

00:08:46,225 --> 00:08:48,325

That's exactly what I meant.

69

00:08:51,625 --> 00:08:55,325

Mama, Mama! You will never, ever believe
what we're about to tell you.

70

00:08:55,725 --> 00:08:58,225

- Tell me!

- She's going to take the veil.

71

00:08:58,525 --> 00:09:00,725

- The regiment are coming!

- Officers?

72

00:09:01,025 --> 00:09:04,125

They're going to be stationed
the whole winter, right here.

73

00:09:04,525 --> 00:09:06,925

- Officers?

- As far as the eye can see.

74

00:09:13,425 --> 00:09:17,225

Oh, look.

Jane's dancing with Mr Bingley.

75

00:09:17,525 --> 00:09:19,025

Mr Bennet.

76

00:09:33,325 --> 00:09:37,225

- Do you dance, Mr Darcy?

- Not if I can help it.

77

00:09:56,225 --> 00:09:59,225

I didn't know you were coming
to see me. What's the matter?

78

00:09:59,525 --> 00:10:04,925

We are a long way from Grosvenor Square,
are we not, Mr Darcy?

79

00:10:05,425 --> 00:10:07,525

I've never seen so many pretty girls.

80

00:10:07,825 --> 00:10:10,125

You were dancing
with the only handsome girl.

81

00:10:10,425 --> 00:10:13,325

She is the most beautiful creature
I have ever beheld.

82

00:10:13,625 --> 00:10:17,725

- But her sister Elizabeth is agreeable.
- Perfectly tolerable.

83

00:10:18,125 --> 00:10:22,225

Not handsome enough to tempt me. Return
to your partner and enjoy her smiles.

84

00:10:22,625 --> 00:10:24,925

You're wasting your time with me.

85

00:10:29,025 --> 00:10:33,325

Count your blessings, Lizzie. If he
liked you, you'd have to talk to him.

86

00:10:33,725 --> 00:10:34,925

Precisely.

87

00:10:35,225 --> 00:10:37,825

I wouldn't dance with him
for all of Derbyshire,

88

00:10:38,125 --> 00:10:40,325

let alone the miserable half.

89

00:11:43,125 --> 00:11:44,525

Wait!

90

00:12:01,525 --> 00:12:06,725

- I enjoyed that so much, Miss Lucas.
- How well you dance, Mr Bingley.

91

00:12:07,225 --> 00:12:09,425

I've never enjoyed a dance so much.

92

00:12:09,725 --> 00:12:12,425

My daughter Jane
is a splendid dancer, is she not?

93

00:12:12,725 --> 00:12:14,625

She is indeed.

94

00:12:15,625 --> 00:12:18,725

Your friend Miss Lucas

is a most amusing young woman.

95

00:12:19,025 --> 00:12:20,625

Oh, yes, I adore her.

96

00:12:20,925 --> 00:12:24,925

- It is a pity she's not more handsome.

- Mama!

97

00:12:25,225 --> 00:12:28,625

Oh, but Lizzie

would never admit that she's plain.

98

00:12:29,025 --> 00:12:33,025

Of course, it's my Jane who's considered
the beauty of the county.

99

00:12:33,325 --> 00:12:34,225

Mama, please!

100

00:12:34,625 --> 00:12:37,525

When she was 15, a gentleman
was so much in love with her,

101

00:12:37,825 --> 00:12:39,925

I was sure he would make her an offer.

102

00:12:40,225 --> 00:12:43,625

However, he did write her
some very pretty verses.

103

00:12:44,025 --> 00:12:45,125

And that put paid to it.

104

00:12:45,325 --> 00:12:48,625

I wonder who discovered the power
of poetry in driving away love.

105

00:12:49,025 --> 00:12:52,225

- I thought poetry was the food of love.
- Of a fine, stout love.

106

00:12:52,525 --> 00:12:55,825

But if it is only a vague inclination,
one poor sonnet will kill it.

107

00:12:56,225 --> 00:12:59,125

So, what do you recommend
to encourage affection?

108

00:13:00,125 --> 00:13:05,925

Dancing. Even if one's partner
is barely tolerable.

109

00:13:28,625 --> 00:13:31,925

Mr Bingley is just what
a young man ought to be.

110

00:13:32,225 --> 00:13:35,625

- Sensible, good-humoured...
- Handsome, conveniently rich...

111

00:13:35,925 --> 00:13:38,625

Marriage should not be driven
by thoughts of money.

112

00:13:38,925 --> 00:13:41,025

Only deep love
will persuade me to marry.

113

00:13:41,325 --> 00:13:45,825

- Which is why I'll end up an old maid.
- Do you really believe he liked me?

114

00:13:46,125 --> 00:13:49,525

He danced with you most of the night,
and stared at you the rest.

115

00:13:49,925 --> 00:13:52,725

I give you leave to like him.
You've liked many stupider.

116

00:13:53,025 --> 00:13:56,125

You're a great deal too apt
to like people in general.

117

00:13:56,425 --> 00:13:58,325

All the world

is good in your eyes.

118

00:13:58,625 --> 00:14:01,725

Not his friend. I still can't believe
what he said about you.

119

00:14:02,125 --> 00:14:04,425

Mr Darcy?

120

00:14:04,725 --> 00:14:09,225

I'd more easily forgive his vanity
had he not wounded mine.

121

00:14:09,625 --> 00:14:12,325

But no matter.

I doubt we shall ever speak again.

122

00:14:43,925 --> 00:14:46,025

He danced with Miss Lucas.

123

00:14:46,225 --> 00:14:48,025

We were all there, dear.

124

00:14:48,325 --> 00:14:50,325

It is a shame she's not more handsome.

125

00:14:50,625 --> 00:14:53,225

There's a spinster
in the making and no mistake.

126

00:14:53,525 --> 00:14:56,125

The fourth with a Miss King
of little standing,

127

00:14:56,325 --> 00:14:58,325

and the fifth again with Jane.

128

00:14:58,725 --> 00:15:01,825

If he had any compassion,
he would've sprained his ankle.

129

00:15:02,025 --> 00:15:03,125

The way you carry on,

130

00:15:03,425 --> 00:15:06,425

you'd think our girls look forward
to a grand inheritance.

131

00:15:06,625 --> 00:15:08,825

When you die,
which may be very soon,

132

00:15:09,125 --> 00:15:13,425

they will be left without a roof over
their head nor a penny to their name.

133

00:15:13,825 --> 00:15:17,225

- Please, it's ten in the morning.
- A letter to Miss Bennet, ma'am.

134

00:15:17,625 --> 00:15:21,025

From Netherfield Hall.

135

00:15:21,325 --> 00:15:24,825

Praise the Lord. We are saved!

136

00:15:25,225 --> 00:15:29,925

Make haste, Jane,

make haste. Oh, happy day!

137

00:15:31,625 --> 00:15:34,025

It is from Caroline Bingley.

138

00:15:34,325 --> 00:15:38,825

She has invited me to dine with her.

139

00:15:39,225 --> 00:15:42,225

- Her brother will be dining out.

- Dining out?

140

00:15:42,525 --> 00:15:44,425

- Can I take the carriage?

- Let me see.

141

00:15:44,725 --> 00:15:48,225

- It is too far to walk.

- This is unaccountable of him.

142

00:15:48,525 --> 00:15:50,325

Mama, the carriage for Jane?

143

00:15:52,625 --> 00:15:56,025

Certainly not. She'll go on horseback.

144

00:15:56,925 --> 00:15:59,125

Horseback!

145

00:16:14,625 --> 00:16:16,325

Lizzie.

146

00:16:16,625 --> 00:16:19,825

Now she'll have to stay the night,
exactly as I predicted.

147

00:16:20,125 --> 00:16:23,125

Good grief, woman,
your skills in the art of matchmaking

148

00:16:23,525 --> 00:16:25,325

are positively occult.

149

00:16:25,425 --> 00:16:29,925

Though I don't think, Mama,

you can take credit for making it rain.

150

00:16:35,025 --> 00:16:38,325

"My friends will not hear of me
returning home until I am better.

151

00:16:38,725 --> 00:16:42,625

Excepting a sore throat, a fever and
a headache, nothing is wrong with me."

152

00:16:43,025 --> 00:16:47,925

If Jane does die it will be a comfort
to know it was in pursuit of Mr Bingley.

153

00:16:48,425 --> 00:16:50,525

People do not die of colds.

154

00:16:50,825 --> 00:16:54,125

But she may perish with the
shame of having such a mother.

155

00:16:55,425 --> 00:16:58,025

I must go to Netherfield at once.

156

00:17:11,225 --> 00:17:16,025

Lady Bathurst is redecorating
her ballroom in the French style.

157

00:17:16,425 --> 00:17:19,425

A little unpatriotic, don't you think?

158

00:17:22,125 --> 00:17:25,025

Miss Elizabeth Bennet.

159

00:17:38,825 --> 00:17:40,925

Good Lord, did you walk here?

160

00:17:41,825 --> 00:17:43,225

I did.

161

00:17:50,325 --> 00:17:54,425

- I'm so sorry. How is my sister?

- She's upstairs.

162

00:17:56,825 --> 00:17:58,725

Thank you.

163

00:18:08,225 --> 00:18:12,925

My goodness, did you
see her hem? Six inches deep in mud.

164

00:18:13,425 --> 00:18:15,425

She looked positively mediaeval.

165

00:18:15,725 --> 00:18:20,125

I feel such a terrible imposition.
They're being so kind to me.

166

00:18:20,325 --> 00:18:25,725

I don't know who is more pleased at your
being here, Mama or Mr Bingley.

167

00:18:31,125 --> 00:18:33,525

Thank you for tending
to my sister so diligently.

168

00:18:33,825 --> 00:18:36,025

She's in far better comfort

than at home.

169

00:18:36,325 --> 00:18:37,925

It's a pleasure.

170

00:18:38,225 --> 00:18:41,925

I mean, it's not a pleasure
that she's ill. Of course not.

171

00:18:42,225 --> 00:18:45,925

It's a pleasure that she's here,
being ill.

172

00:18:49,225 --> 00:18:51,425

Not going to be famous, our pig.

173

00:18:51,725 --> 00:18:54,925

Black on the back, but not related
to the learned pig of Norwich.

174

00:18:55,325 --> 00:18:58,225

- Now that pig is...

- Mr Bennet.

175

00:18:58,525 --> 00:19:01,725

It's all going to plan.

He's half in love with her already.

176

00:19:02,125 --> 00:19:04,225

- Who is, blossom?

- Mr Bingley.

177

00:19:04,525 --> 00:19:06,725

He doesn't mind

that she hasn't a penny.

178

00:19:07,025 --> 00:19:09,125

He has more than enough

for the two of them.

179

00:19:09,425 --> 00:19:11,325

- How will we meet them?

- Easy!

180

00:19:11,525 --> 00:19:12,525

Wait for me!

181

00:19:12,825 --> 00:19:18,025

You drop something. They
pick it up. And then you're introduced.

182

00:19:25,825 --> 00:19:26,825

Officers!

183

00:19:59,225 --> 00:20:02,425

You write uncommonly fast, Mr Darcy.

184

00:20:02,725 --> 00:20:04,625

You're mistaken. I write slowly.

185

00:20:05,025 --> 00:20:08,425

How many letters you must have occasion
to write, Mr Darcy.

186

00:20:08,825 --> 00:20:11,525

Letters of business.
How odious I should think them.

187

00:20:11,825 --> 00:20:14,525

It is fortunate, then,
they fall to me and not you.

188

00:20:14,825 --> 00:20:17,225

Tell your sister I long to see her.

189

00:20:17,525 --> 00:20:20,725

- I've already told her once.

- I do dote on her.

190

00:20:21,125 --> 00:20:24,225

I was quite in raptures
at her beautiful design for a table.

191

00:20:24,525 --> 00:20:27,625

Perhaps you will give me leave
to defer your raptures.

192

00:20:28,025 --> 00:20:30,025

I have not room enough
to do them justice.

193

00:20:30,325 --> 00:20:33,025

You young ladies are so accomplished.

194

00:20:33,325 --> 00:20:36,625

- What do you mean?

- You paint tables, play the piano

195

00:20:36,925 --> 00:20:38,225

and embroider cushions.

196

00:20:38,525 --> 00:20:41,525

I never heard of a lady,
but people say she's accomplished.

197

00:20:41,925 --> 00:20:44,025

The word is applied too liberally.

198

00:20:44,325 --> 00:20:46,325

I do not know more than
half a dozen women

199

00:20:46,625 --> 00:20:49,225

- that are truly accomplished.

- Nor I.

200

00:20:49,625 --> 00:20:52,625

Goodness, you must comprehend
a great deal in the idea.

201

00:20:52,925 --> 00:20:54,525

- I do.

- Absolutely.

202

00:20:54,825 --> 00:20:58,325

She must have a knowledge of music,
singing, drawing, dancing

203

00:20:58,625 --> 00:21:01,725

and the modern languages
to deserve the word.

204

00:21:02,225 --> 00:21:05,825

And something in her air
and manner of walking.

205

00:21:06,125 --> 00:21:08,925

And she must improve her mind
by extensive reading.

206

00:21:09,325 --> 00:21:12,825

I'm no longer surprised at your knowing
only six accomplished women.

207

00:21:13,125 --> 00:21:16,325

- I wonder at you knowing any.
- Are you so severe on your own sex?

208

00:21:16,725 --> 00:21:21,025

I never saw such a woman. She would
certainly be a fearsome thing to behold.

209

00:21:23,525 --> 00:21:26,925

Miss Elizabeth,
let us take a turn about the room.

210

00:21:44,325 --> 00:21:48,825

It's refreshing, is it not,
after sitting so long in one attitude?

211

00:21:49,225 --> 00:21:52,325

It is a small kind of accomplishment,
I suppose.

212

00:21:52,625 --> 00:21:54,725

Will you not join us, Mr Darcy?

213

00:21:55,025 --> 00:21:58,425

You can only have two motives,
and I would interfere with either.

214

00:21:58,825 --> 00:22:00,725

What can he mean?

215

00:22:01,025 --> 00:22:04,125

The surest way to disappoint him
would be to ask him nothing.

216

00:22:04,425 --> 00:22:07,025

Do tell us, Mr Darcy.

217

00:22:09,325 --> 00:22:11,425

Either you are

in each other's confidence

218

00:22:11,725 --> 00:22:13,725

and you have

secret affairs to discuss,

219

00:22:14,125 --> 00:22:16,225

or you are conscious

that your figures

220

00:22:16,525 --> 00:22:19,525

appear to the greatest

advantage by walking.

221

00:22:21,125 --> 00:22:23,825

If the first,

I should get in your way.

222

00:22:24,125 --> 00:22:26,825

If the second,

I can admire you much better from here.

223

00:22:27,225 --> 00:22:29,525

How shall we punish him
for such a speech?

224

00:22:29,825 --> 00:22:33,625

- We could laugh at him.
- No. Mr Darcy is not to be teased.

225

00:22:33,925 --> 00:22:38,425

Are you too proud, Mr Darcy? And would
you consider pride a fault or a virtue?

226

00:22:38,825 --> 00:22:41,625

- I couldn't say.
- We're trying to find a fault in you.

227

00:22:42,125 --> 00:22:45,025

I find it hard to forgive
the follies and vices of others,

228

00:22:45,325 --> 00:22:47,025

or their offences against me.

229

00:22:47,325 --> 00:22:50,625

My good opinion,
once lost, is lost forever.

230

00:22:52,725 --> 00:22:55,825

Oh, dear.

I cannot tease you about that.

231

00:22:56,025 --> 00:22:58,125

What a shame,
for I dearly love to laugh.

232

00:22:58,425 --> 00:23:00,525

A family trait, I think.

233

00:23:29,225 --> 00:23:34,425

A Mrs Bennet, a Miss Bennet,
a Miss Bennet and a Miss Bennet, sir.

234

00:23:34,825 --> 00:23:37,625

Are we to receive every
Bennet in the country?

235

00:23:40,525 --> 00:23:43,725

What an excellent room you have, sir.

236

00:23:44,025 --> 00:23:47,525

Such expensive furnishings.

237

00:23:47,925 --> 00:23:50,725

I do hope
you intend to stay here, Mr Bingley.

238

00:23:51,125 --> 00:23:55,625

Absolutely, I find the country
very diverting. Don't you agree, Darcy?

239

00:23:56,025 --> 00:23:57,625

I find it perfectly adequate.

240

00:23:58,025 --> 00:24:00,725

Even if society
is a little less varied than in town.

241

00:24:01,025 --> 00:24:02,825

Less varied? Not at all.

242

00:24:03,125 --> 00:24:06,925

We dine with four and 20 families
of all shapes and sizes.

243

00:24:07,325 --> 00:24:11,625

Sir William Lucas, for instance,
is a very agreeable man.

244

00:24:11,925 --> 00:24:15,525

And a good deal less self-important
than some people half his rank.

245

00:24:15,925 --> 00:24:19,425

Mr Bingley,
is it true you will hold a ball here?

246

00:24:19,825 --> 00:24:21,225

A ball?

247

00:24:21,425 --> 00:24:25,925

It would be an excellent way to meet new
friends. You could invite the militia.

248

00:24:26,325 --> 00:24:28,225

- Oh, do hold a ball!

- Kitty!

249

00:24:28,625 --> 00:24:31,225

When your sister recovers,
you shall name the day.

250

00:24:31,525 --> 00:24:35,825

I think a ball is an irrational way
to gain new acquaintance.

251

00:24:36,325 --> 00:24:40,225

It would be better if conversation,
not dancing, were the order of the day.

252

00:24:40,625 --> 00:24:44,525

Indeed, much more rational,
but rather less like a ball.

253

00:24:44,925 --> 00:24:46,425

Thank you, Mary.

254

00:24:47,625 --> 00:24:51,725

What a fine imposing place to be sure,
is it not, my dears?

255

00:24:52,125 --> 00:24:55,325

There's no house
to equal it in the county.

256

00:24:55,625 --> 00:24:57,225

- Mr Darcy.
- Miss Bennet.

257

00:24:57,525 --> 00:25:00,225

- There she is.
- I don't know how to thank you.

258

00:25:00,525 --> 00:25:03,225

You're welcome any time
you feel the least bit poorly.

259

00:25:03,525 --> 00:25:06,625

Thank you for your stimulating company.
Most instructive.

260

00:25:06,825 --> 00:25:10,325

Not at all. The pleasure is all mine.

261

00:25:13,025 --> 00:25:14,925

- Mr Darcy.

- Miss Elizabeth.

262

00:25:27,425 --> 00:25:32,225

And then there was one
with great long lashes, like a cow.

263

00:25:32,725 --> 00:25:35,325

Ask Mrs Hill
to order us a sirloin, Betsy.

264

00:25:35,625 --> 00:25:38,825

Just the one, mind.
We're not made of money.

265

00:25:41,425 --> 00:25:45,125

I hope, my dear,
you've ordered a good dinner today.

266

00:25:45,625 --> 00:25:49,225

I've reason to expect
an addition to our family party.

267

00:25:49,525 --> 00:25:52,225

His name's Mr Collins,
the dreaded cousin.

268

00:25:52,525 --> 00:25:54,925

- Who is to inherit?

- Everything.

269

00:25:55,225 --> 00:25:57,925

Even my piano stool
belongs to Mr Collins.

270

00:25:58,225 --> 00:25:59,125

When?

271

00:25:59,325 --> 00:26:02,225

He may turn us out of the house
as soon as he pleases.

272

00:26:02,625 --> 00:26:05,725

The estate passes directly to him
and not to us poor females.

273

00:26:11,225 --> 00:26:13,325

Mr Collins, at your service.

274

00:26:22,925 --> 00:26:26,625

What a superbly featured room
and what excellent potatoes.

275

00:26:27,925 --> 00:26:31,825

It's many years since
I've had such an exemplary vegetable.

276

00:26:32,125 --> 00:26:36,225

To which fair cousin should I compliment
the excellence of the cooking?

277

00:26:36,725 --> 00:26:39,025

We are perfectly able to keep a cook.

278

00:26:39,325 --> 00:26:41,125

Excellent.

279

00:26:41,425 --> 00:26:44,725

I'm very pleased

the estate can afford such a living.

280

00:26:48,425 --> 00:26:51,725

I'm honoured to have as my patroness

Lady Catherine de Bourgh.

281

00:26:51,925 --> 00:26:54,425

You've heard of her, I presume?

282

00:26:54,725 --> 00:26:58,525

My small rectory abuts her estate,

283

00:26:58,925 --> 00:27:01,525

Rosings Park,

and she often condescends

284

00:27:01,725 --> 00:27:07,325

to drive by my humble dwelling
in her little phaeton and ponies.

285

00:27:07,725 --> 00:27:09,225

Does she have any family?

286

00:27:09,625 --> 00:27:13,825

One daughter, the heiress of Rosings
and very extensive property.

287

00:27:14,225 --> 00:27:16,325

I've often observed to Lady Catherine

288

00:27:16,525 --> 00:27:19,525

that her daughter
seemed born to be a duchess,

289

00:27:19,825 --> 00:27:25,325

for she has all the superior graces
of elevated rank.

290

00:27:25,825 --> 00:27:29,425

These kind of compliments

are always acceptable to the ladies,

291

00:27:29,725 --> 00:27:33,825

and which I conceive myself
particularly bound to pay.

292

00:27:34,225 --> 00:27:36,625

How happy for you, Mr Collins,

293

00:27:36,925 --> 00:27:40,325

to possess the talent for flattering
with such delicacy.

294

00:27:42,625 --> 00:27:46,025

Do these attentions proceed
from the impulse of the moment

295

00:27:46,325 --> 00:27:48,625

or are they
the result of previous study?

296

00:27:48,925 --> 00:27:51,325

They arise

from what is passing at the time.

297

00:27:51,825 --> 00:27:55,925

And though I do sometimes amuse myself
with arranging such little compliments,

298

00:27:56,325 --> 00:27:59,725

I always wish to give them
as unstudied an air as possible.

299

00:28:00,125 --> 00:28:04,025

Oh, believe me, no one would suspect
your manners to be rehearsed.

300

00:28:10,925 --> 00:28:14,225

After dinner, I thought
I might read to you for an hour or two.

301

00:28:14,625 --> 00:28:17,425

<i>I have with me Fordyce's Sermons</i>

302

00:28:17,725 --> 00:28:22,025

which speak very eloquently

on all matters moral.

303

00:28:22,425 --> 00:28:26,625

<i>Are you familiar with Fordyce's Sermons,
Miss Bennet?</i>

304

00:28:31,825 --> 00:28:36,525

Mrs Bennet, I have been bestowed by the
good grace of Lady Catherine de Bourgh

305

00:28:36,925 --> 00:28:39,225

a parsonage of no mean size.

306

00:28:39,525 --> 00:28:41,525

I have become aware of the fact.

307

00:28:41,825 --> 00:28:45,625

It is my avowed hope
that soon I may find a mistress for it.

308

00:28:46,025 --> 00:28:49,225

And I have to inform you
that the eldest Miss Bennet

309

00:28:49,525 --> 00:28:53,225

has captured my special attention.

310

00:28:53,625 --> 00:28:56,225

Oh, Mr Collins.

311

00:28:56,425 --> 00:29:00,425

Unfortunately, it is incumbent upon me

312

00:29:00,825 --> 00:29:06,725

to hint that the eldest Miss Bennet
is very soon to be engaged.

313

00:29:07,125 --> 00:29:08,425

Engaged.

314

00:29:08,725 --> 00:29:11,025

But Miss Lizzie,
next to her in age and beauty,

315

00:29:11,325 --> 00:29:14,625

would make anyone an excellent partner.

316

00:29:15,025 --> 00:29:18,825

Do not you agree? Mr Collins?

317

00:29:19,125 --> 00:29:23,325

Indeed. Indeed.

318

00:29:23,725 --> 00:29:26,025

A very agreeable alternative.

319

00:29:48,225 --> 00:29:51,625

Mr Collins is a man who
makes you despair at the entire sex.

320

00:29:52,025 --> 00:29:56,125

- Yours, I believe.

- Oh, Mr Wickham, how perfect you are.

321

00:29:56,525 --> 00:29:59,525

He picked up my handkerchief.
Did you drop yours on purpose?

322

00:29:59,825 --> 00:30:01,225

Mr Wickham is a lieutenant.

323

00:30:01,525 --> 00:30:04,225

- An enchanted lieutenant.

- What are you up to, Liddy?

324

00:30:04,425 --> 00:30:07,425

- We happened to be looking for ribbon.

- White, for the ball.

325

00:30:07,725 --> 00:30:10,125

Shall we all look

for some ribbon together?

326

00:30:13,425 --> 00:30:16,725

- Good afternoon, Mr James.

- Miss Lydia, Miss Bennet.

327

00:30:17,025 --> 00:30:18,425

I shan't even browse.

328

00:30:18,725 --> 00:30:21,325

I can't be trusted.

I have poor taste in ribbons.

329

00:30:21,625 --> 00:30:24,025

Only a truly confident man

would admit that.

330

00:30:24,325 --> 00:30:25,725

No, it's true.

331

00:30:26,025 --> 00:30:29,025

And buckles.

When it comes to buckles, I'm lost.

332

00:30:29,325 --> 00:30:32,525

- You must be the shame of the regiment.

- The laughing stock.

333

00:30:33,025 --> 00:30:35,925

What do your superiors do with you?

334

00:30:37,425 --> 00:30:41,425

Ignore me. I'm of next to no importance,
so it's easily done.

335

00:30:42,925 --> 00:30:45,925

- Lizzie, lend me some money.
- You already owe me a fortune.

336

00:30:46,925 --> 00:30:50,325

- Allow me to oblige.
- No, Mr Wickham, please...

337

00:30:55,925 --> 00:30:58,125

I insist.

338

00:31:01,425 --> 00:31:04,325

- I pity the French.
- So do I.

339

00:31:04,725 --> 00:31:07,325

- Look, Mr Bingley.
- Mr Bingley!

340

00:31:07,525 --> 00:31:09,625

I was just on my way to your house.

341

00:31:09,925 --> 00:31:12,925

How do you like

my ribbons for your ball?

342

00:31:13,225 --> 00:31:16,525

- Very beautiful.

- She is. Look, she's blooming.

343

00:31:16,725 --> 00:31:18,325

Oh, Lydia.

344

00:31:18,625 --> 00:31:22,025

Be sure to invite Mr Wickham.

He is a credit to his profession.

345

00:31:22,425 --> 00:31:25,625

You can't invite people

to other people's balls.

346

00:31:26,325 --> 00:31:28,425

Of course, you must come, Mr Wickham.

347

00:31:28,625 --> 00:31:32,925

If you'll excuse me,
ladies, enjoy the day.

348

00:31:35,825 --> 00:31:38,925

Do you plan to go
to the Netherfield ball, Mr Wickham?

349

00:31:39,325 --> 00:31:44,625

Perhaps. How long
has Mr Darcy been a guest there?

350

00:31:44,925 --> 00:31:46,725

About a month.

351

00:31:47,025 --> 00:31:52,325

Forgive me, but are you
acquainted with him, with Mr Darcy?

352

00:31:52,725 --> 00:31:56,825

Indeed, I've been connected
with his family since infancy.

353

00:31:57,225 --> 00:32:01,925

You may well be surprised,
given our cold greeting this afternoon.

354

00:32:04,925 --> 00:32:08,225

I hope your plans in favour
of Meryton will not be affected

355

00:32:08,625 --> 00:32:12,425

- by your relations with the gentleman.
- It is not for me to be driven away.

356

00:32:12,725 --> 00:32:17,525

If he wishes to avoid seeing me,
he must go, not I.

357

00:32:18,025 --> 00:32:22,425

I must ask, what is the manner
of your disapproval of Mr Darcy?

358

00:32:25,825 --> 00:32:28,825

My father managed his estate.

359

00:32:29,125 --> 00:32:32,225

We grew up together, Darcy and I.

360

00:32:32,425 --> 00:32:38,225

His father treated me like a second son,
loved me like a son.

361

00:32:38,725 --> 00:32:41,025

We were both with him the day he died.

362

00:32:43,225 --> 00:32:45,025

With his last breath,

363

00:32:45,225 --> 00:32:48,325

his father bequeathed me
the rectory in his estate.

364

00:32:48,625 --> 00:32:52,025

He knew I had my heart set
on joining the Church.

365

00:32:52,425 --> 00:32:55,625

But Darcy ignored his wishes
and gave the living to another man.

366

00:32:55,925 --> 00:32:58,525

- But why?

- Jealousy.

367

00:33:00,725 --> 00:33:03,225

His father...

368

00:33:03,525 --> 00:33:06,425

Well, he loved me better
and Darcy couldn't stand it.

369

00:33:07,725 --> 00:33:10,225

- How cruel.

- So now I'm a poor foot-soldier.

370

00:33:10,525 --> 00:33:14,125

Too lowly even to be noticed.

371

00:33:25,825 --> 00:33:30,025

- Breathe in!

- I can't anymore. You're hurting.

372

00:33:33,625 --> 00:33:34,725

Betsy.

373

00:33:35,825 --> 00:33:37,325

Betsy!

374

00:33:48,925 --> 00:33:52,925

- There must've been a misunderstanding.

- Jane, you never think ill of anybody.

375

00:33:53,325 --> 00:33:56,725

How could Mr Darcy do such a thing?

376

00:33:57,025 --> 00:34:00,225

I will discover the truth
from Mr Bingley this evening.

377

00:34:00,625 --> 00:34:02,825

Let Mr Darcy contradict it himself.

378

00:34:03,125 --> 00:34:05,325

Till he does,

I hope never to encounter him.

379

00:34:05,525 --> 00:34:07,725

Poor, unfortunate, Mr Wickham.

380

00:34:08,025 --> 00:34:10,125

Wickham is twice the man Darcy is.

381

00:34:10,325 --> 00:34:13,925

And, let us hope,

a rather more willing dancer.

382

00:34:19,325 --> 00:34:21,025

There they are, look.

383

00:34:21,325 --> 00:34:24,325

- Oh, yes.

- Billy.

384

00:34:30,125 --> 00:34:32,125

Jane Martin is here.

385

00:35:00,025 --> 00:35:03,425

May I say what an immense pleasure
it is to see you again.

386

00:35:03,925 --> 00:35:05,825

- Mrs Bennet.

- Miss Bingley.

387

00:35:06,025 --> 00:35:07,025

Charming.

388

00:35:09,925 --> 00:35:11,725

I'm so pleased you're here.

389

00:35:12,025 --> 00:35:14,125

So am I.

390

00:35:14,425 --> 00:35:19,225

And how are you? Miss Elizabeth?

Are you looking for someone?

391

00:35:19,625 --> 00:35:23,825

No, not at all, I was just admiring
the general splendour.

392

00:35:24,225 --> 00:35:27,825

- It is breathtaking, Mr Bingley.
- Good.

393

00:35:35,925 --> 00:35:40,425

You might have passed
a few pleasantries with Mr Bingley.

394

00:35:40,825 --> 00:35:44,425

I've never met a
more pleasant gentleman in all my years.

395

00:35:44,725 --> 00:35:47,025

Did you see how he dotes on her?

396

00:35:47,325 --> 00:35:51,825

Dear Jane,
always doing what's best for her family.

397

00:36:09,525 --> 00:36:11,425

- Charlotte!

- Lizzie!

398

00:36:11,725 --> 00:36:16,325

- Have you seen Mr Wickham?

- No. Perhaps he's through here.

399

00:36:28,725 --> 00:36:32,825

Lizzie, Mr Wickham is not here.

Apparently, he's been detained.

400

00:36:33,325 --> 00:36:36,425

Detained where? He must be here.

401

00:36:36,825 --> 00:36:40,825

- There you are.

- Mr Collins.

402

00:36:41,125 --> 00:36:44,425

Perhaps you will do me the honour,

Miss Elizabeth.

403

00:36:44,825 --> 00:36:48,725

Oh, I did not think you danced,
Mr Collins.

404

00:36:49,125 --> 00:36:53,525

I do not think it incompatible
with the office of a clergyman.

405

00:36:53,825 --> 00:36:57,125

Several people, her Ladyship
included, have complimented me

406

00:36:57,425 --> 00:37:00,925

on my lightness of foot.

407

00:37:25,725 --> 00:37:30,225

Apparently, your Mr Wickham has
been called on some business to town.

408

00:37:33,825 --> 00:37:37,625

Dancing is of little consequence
to me, but it does...

409

00:37:38,025 --> 00:37:41,425

...but it does afford
the opportunity to lavish...

410

00:37:45,525 --> 00:37:49,725

...upon one's partner attentions...
- My informer tells me...

411

00:37:50,125 --> 00:37:55,025

...that he would be less inclined
to be engaged, were it not for...

412

00:37:55,425 --> 00:37:57,525

...the presence
of a certain gentleman.

413

00:37:57,825 --> 00:37:59,725

Which is my primary object.

414

00:38:00,125 --> 00:38:02,725

That gentleman barely warrants the name.

415

00:38:03,025 --> 00:38:05,825

It is my intention, if I may be so bold,

416

00:38:06,125 --> 00:38:08,525

to remain close to you
throughout the evening.

417

00:38:23,125 --> 00:38:25,325

May I have the next dance,
Miss Elizabeth?

418

00:38:25,725 --> 00:38:27,425

You may.

419

00:38:37,725 --> 00:38:41,625

- Did I agree to dance with Mr Darcy?
- I dare say you will find him amiable.

420

00:38:42,025 --> 00:38:46,825

It would be most inconvenient since I've
sworn to loathe him for all eternity.

421

00:39:02,025 --> 00:39:05,725

- I love this dance.

- Indeed. Most invigorating.

422

00:39:09,925 --> 00:39:12,325

It is your turn to say something,
Mr Darcy.

423

00:39:13,925 --> 00:39:15,325

I talked about the dance.

424

00:39:15,625 --> 00:39:20,325

Now you ought to remark on the size
of the room or the number of couples.

425

00:39:20,625 --> 00:39:24,525

I'm perfectly happy to oblige.
What would you like most to hear?

426

00:39:24,825 --> 00:39:27,025

That reply will do for present.

427

00:39:30,425 --> 00:39:32,525

Perhaps by and by I may observe

428

00:39:32,825 --> 00:39:35,825

that private balls
are much pleasanter than public ones.

429

00:39:38,525 --> 00:39:41,525

For now, we may remain silent.

430

00:39:49,325 --> 00:39:52,325

Do you talk as a rule while dancing?

431

00:39:52,725 --> 00:39:56,425

No. No, I prefer to be
unsociable and taciturn.

432

00:40:00,525 --> 00:40:03,825

Makes it all so much more enjoyable,
don't you think?

433

00:40:06,325 --> 00:40:10,025

Tell me, do you and your sisters
very often walk to Meryton?

434

00:40:12,925 --> 00:40:16,225

Yes, we often walk to Meryton.

435

00:40:16,625 --> 00:40:19,425

It's a great opportunity
to meet new people.

436

00:40:21,425 --> 00:40:25,225

When you met us, we'd just had the
pleasure of forming a new acquaintance.

437

00:40:27,225 --> 00:40:31,225

Mr Wickham's blessed with such happy
manners, he's sure of making friends.

438

00:40:31,625 --> 00:40:34,225

Whether he's capable
of retaining them is less so.

439

00:40:34,525 --> 00:40:40,025

He's been so unfortunate as to lose
your friendship. That is irreversible?

440

00:40:40,425 --> 00:40:44,325

- It is. Why do you ask such a question?

- To make out your character.

441

00:40:44,725 --> 00:40:47,125

- What have you discovered?

- Very little.

442

00:40:47,425 --> 00:40:50,825

I hear such different accounts
of you as puzzle me exceedingly.

443

00:40:52,325 --> 00:40:54,725

I hope to afford you more clarity
in the future.

444

00:41:41,525 --> 00:41:44,225

- Is that Mr Darcy of Pemberley?

- I believe so.

445

00:41:44,625 --> 00:41:46,325

I must make myself known to him.

446

00:41:46,525 --> 00:41:49,325

He's a nephew of my patroness,
Lady Catherine.

447

00:41:49,725 --> 00:41:52,525

He will consider it an impertinence.

448

00:41:52,825 --> 00:41:55,225

Mr Darcy.

449

00:41:55,525 --> 00:41:57,525

Mr Darcy.

450

00:41:58,625 --> 00:42:03,225

Mr Darcy. Good evening...

451

00:42:03,625 --> 00:42:06,425

What interesting relatives you have.

452

00:42:24,025 --> 00:42:27,725

Mary, dear,
you've delighted us long enough.

453

00:42:28,025 --> 00:42:31,225

Let the other young ladies have a turn.

454

00:42:34,425 --> 00:42:37,025

... since I was a child,
and then she died.

455

00:42:37,225 --> 00:42:38,925

I have a beautiful grey.

456

00:42:39,225 --> 00:42:42,825

Of course, Caroline's
a much better rider than I, of course.

457

00:42:47,025 --> 00:42:51,125

Oh, yes. We fully expect
a most advantageous marriage.

458

00:42:52,525 --> 00:42:56,425

And my Jane, marrying so grand,
must throw her sisters in the way.

459

00:43:18,825 --> 00:43:23,625

Clearly my family are seeing who can
expose themselves to the most ridicule.

460

00:43:24,025 --> 00:43:27,825

- At least Bingley has not noticed.
- No.

461

00:43:28,125 --> 00:43:31,525

- I think he likes her very much.
- But does she like him?

462

00:43:31,925 --> 00:43:35,825

Few of us are secure enough to be
in love without proper encouragement.

463

00:43:36,125 --> 00:43:38,325

Bingley likes her enormously,

464

00:43:38,725 --> 00:43:41,225

but might not do more
if she does not help him on.

465

00:43:41,625 --> 00:43:45,225

She's just shy. If he cannot
perceive her regard, he is a fool.

466

00:43:45,525 --> 00:43:47,825

We are all fools in love.

467

00:43:48,125 --> 00:43:51,025

He does not know
her character as we do.

468

00:43:51,425 --> 00:43:53,625

She should move fast
and snap him up.

469

00:43:53,925 --> 00:43:57,225

There is plenty of time
for us to get to know him afterwards.

470

00:43:58,625 --> 00:44:02,325

I can't help feeling
that someone's going to produce a piglet

471

00:44:02,625 --> 00:44:04,425

and make us chase it.

472

00:44:11,825 --> 00:44:14,925

- Oh, dear!

- I do apologise, sir.

473

00:44:15,225 --> 00:44:18,925

I'm awfully sorry. Do forgive me.

474

00:44:38,725 --> 00:44:40,825

Emily, please!

475

00:44:42,325 --> 00:44:46,625

Mary, my dear Mary.

Oh dear, oh dear, oh dear.

476

00:44:46,925 --> 00:44:50,025

- I've been practising all week.

- I know, my dear.

477

00:44:50,425 --> 00:44:52,625

I hate balls.

478

00:45:11,825 --> 00:45:13,925

Mr Bennet, wake up.

479

00:45:14,125 --> 00:45:18,625

Oh, I've never had such a good time!

480

00:45:21,225 --> 00:45:23,525

Charles, you cannot be serious.

481

00:45:30,725 --> 00:45:36,025

We'll have a wedding here in less than
three months if you ask me, Mr Bennet.

482

00:45:39,025 --> 00:45:40,525

Mr Bennet!

483

00:45:46,325 --> 00:45:48,925

Mary, please.

484

00:45:57,125 --> 00:45:59,325

Thank you, Mr Hill.

485

00:46:17,025 --> 00:46:20,025

Mrs Bennet, I was hoping,
if it would not trouble you,

486

00:46:20,425 --> 00:46:24,825

that I might solicit
a private audience with Miss Elizabeth.

487

00:46:25,225 --> 00:46:30,725

Oh, certainly,
Lizzie would be very happy indeed.

488

00:46:31,025 --> 00:46:35,225

Everyone, out. Mr Collins would like
a private audience with your sister.

489

00:46:35,625 --> 00:46:39,825

Wait, Mr Collins can have nothing
to say to me that anybody need not hear.

490

00:46:40,225 --> 00:46:44,025

I desire you will stay where you are.
Everyone else to the drawing room.

491

00:46:44,325 --> 00:46:45,725

- Mr Bennet.

- But...

492

00:46:46,025 --> 00:46:48,325

Now.

493

00:46:49,325 --> 00:46:53,925

- Jane. Jane, don't... Jane!

- Jane.

494

00:46:56,925 --> 00:46:59,825

Papa, stay.

495

00:47:26,425 --> 00:47:28,025

Dear Miss Elizabeth,

496

00:47:28,325 --> 00:47:31,725

My attentions have been
too marked to be mistaken.

497

00:47:32,125 --> 00:47:34,425

Almost as soon

as I entered the house,

498

00:47:34,725 --> 00:47:39,625

I singled you out

as the companion of my future life.

499

00:47:40,025 --> 00:47:42,625

But before I am run away

with my feelings,

500

00:47:42,825 --> 00:47:45,425

perhaps I may state

my reasons for marrying.

501

00:47:45,825 --> 00:47:48,225

Firstly, that it is

the duty of a clergyman

502

00:47:48,425 --> 00:47:51,025

to set the example

of matrimony in his parish.

503

00:47:51,325 --> 00:47:55,125

Secondly, I am convinced
it will add greatly to my happiness.

504

00:47:55,525 --> 00:47:58,225

And thirdly,
that it is at the urging

505

00:47:58,525 --> 00:48:01,925

of my esteemed patroness,
Lady Catherine,

506

00:48:02,225 --> 00:48:04,525

that I select a wife.

507

00:48:04,825 --> 00:48:07,725

My object in coming to Longbourn
was to choose such a one

508

00:48:08,125 --> 00:48:10,125

from among Mr Bennet's daughters,

509

00:48:10,325 --> 00:48:13,125

for I am to inherit the estate

510

00:48:13,425 --> 00:48:16,425

and such an alliance will surely...

511

00:48:17,825 --> 00:48:19,625

...suit everyone.

512

00:48:21,825 --> 00:48:26,125

And now nothing remains but for me to
assure you in the most animated language

513

00:48:26,525 --> 00:48:28,925

- of the violence of my affections.

- Mr Collins!

514

00:48:29,225 --> 00:48:31,325

And no reproach
on the subject of fortune

515

00:48:31,625 --> 00:48:36,025

- will cross my lips once we're married.

- You forget I have given no answer.

516

00:48:36,425 --> 00:48:39,825

Lady Catherine will

thoroughly approve when I speak to her

517

00:48:40,225 --> 00:48:45,125

of your modesty, economy

and other amiable qualities.

518

00:48:45,525 --> 00:48:50,025

Sir, I am honoured by your proposal,

but I regret that I must decline it.

519

00:48:51,325 --> 00:48:55,025

I know ladies

don't seek to seem too eager...

520

00:48:55,525 --> 00:48:59,025

Mr Collins, I am perfectly serious.

You could not make me happy.

521

00:48:59,325 --> 00:49:02,825

And I'm the last woman
in the world who could make you happy.

522

00:49:03,225 --> 00:49:07,525

I flatter myself that your refusal
is merely a natural delicacy.

523

00:49:07,925 --> 00:49:10,625

Besides, despite manifold attractions,

524

00:49:10,925 --> 00:49:15,025

it is by no means certain another offer
of marriage will ever be made to you.

525

00:49:15,425 --> 00:49:18,825

I must conclude that you simply seek
to increase my love by suspense,

526

00:49:19,225 --> 00:49:23,425

according to the usual practice
of elegant females.

527

00:49:23,825 --> 00:49:27,225

I am not the sort of female
to torment a respectable man.

528

00:49:27,525 --> 00:49:29,925

Please understand me,
I cannot accept you.

529

00:49:37,325 --> 00:49:40,325

Headstrong, foolish child.

530

00:49:48,525 --> 00:49:54,125

Don't worry, Mr Collins. We'll have this
little hiccup dealt with immediately.

531

00:49:55,525 --> 00:49:58,925

Lizzie. Lizzie!

532

00:50:03,125 --> 00:50:07,225

Mr Bennet, we're all in an uproar!

533

00:50:07,725 --> 00:50:11,225

You must come
and make Lizzie marry Mr Collins.

534

00:50:11,425 --> 00:50:13,825

Mr Collins has proposed to Lizzie,

535

00:50:14,125 --> 00:50:17,525

but she vowed she will not have him,
and now the danger is

536

00:50:17,925 --> 00:50:20,625

Mr Collins may not have Lizzie.

537

00:50:20,925 --> 00:50:25,325

- What am I to do?

- Well, come and talk to her.

538

00:50:25,725 --> 00:50:26,825

Now!

539

00:50:39,625 --> 00:50:42,525

- Tell her you insist they marry.

- Papa, please.

540

00:50:42,825 --> 00:50:46,725

You will have this house
and save your sisters from destitution.

541

00:50:47,125 --> 00:50:49,925

- I can't marry him.
- Go and say you've changed your mind.

542

00:50:50,225 --> 00:50:52,625

- Think of your family.
- You cannot make me.

543

00:50:52,925 --> 00:50:55,325

Mr Bennet, say something.

544

00:50:59,425 --> 00:51:02,525

Your mother insists
upon you marrying Mr Collins.

545

00:51:02,925 --> 00:51:05,425

Yes, or I shall never see her again.

546

00:51:05,825 --> 00:51:09,625

From this day onward, you must be
a stranger to one of your parents.

547

00:51:09,925 --> 00:51:12,325

Who will maintain you
when your father is dead?

548

00:51:12,625 --> 00:51:16,225

Your mother will never see you again
if you do not marry Mr Collins,

549

00:51:16,625 --> 00:51:19,625

and I will never see you again
if you do.

550

00:51:19,925 --> 00:51:21,525

Thank you, Papa.

551

00:51:25,425 --> 00:51:29,825

Ungrateful child!
I shall never speak to you again.

552

00:51:30,225 --> 00:51:32,825

Not that I take
much pleasure in talking.

553

00:51:33,825 --> 00:51:36,525

People who suffer as I do
from nervous complaints

554

00:51:36,725 --> 00:51:39,625

can have no pleasure
in talking to anybody.

555

00:51:40,025 --> 00:51:41,625

Jane!

556

00:51:45,025 --> 00:51:49,025

What's the matter? Jane?

557

00:52:43,725 --> 00:52:46,925

I don't understand
what would take him from Netherfield.

558

00:52:47,225 --> 00:52:49,425

Why does he not know when he'll return?

559

00:52:49,725 --> 00:52:50,825

Read it.

560

00:53:00,125 --> 00:53:04,525

"Mr Darcy is impatient to see his sister
and we are scarcely less eager.

561

00:53:04,925 --> 00:53:07,725

I do not think Georgiana Darcy
has her equal for beauty,

562

00:53:08,125 --> 00:53:11,825

elegance and accomplishment.

I hope to call her hereafter my sister."

563

00:53:12,125 --> 00:53:14,725

Is that not clear enough?

564

00:53:14,925 --> 00:53:17,525

Caroline sees her brother

in love with you

565

00:53:17,925 --> 00:53:20,525

and has taken him off
to persuade him otherwise.

566

00:53:20,725 --> 00:53:25,525

But I know her to be incapable
of wilfully deceiving anyone.

567

00:53:25,925 --> 00:53:30,325

- It's more likely he does not love me.
- He loves you. Do not give up.

568

00:53:32,725 --> 00:53:34,725

Go to our aunt and uncle's in London,

569

00:53:35,025 --> 00:53:38,425

let it be known you are there
and I am sure he will come to you.

570

00:53:48,125 --> 00:53:52,625

Give my love to my sister

and try not to be a burden, dear.

571

00:53:52,925 --> 00:53:55,325

Poor Jane.

572

00:53:55,625 --> 00:53:59,825

Still, a girl likes to be
crossed in love now and then.

573

00:54:00,225 --> 00:54:02,125

It gives her something to think of

574

00:54:02,425 --> 00:54:05,425

and a sort of distinction
amongst her companions.

575

00:54:05,725 --> 00:54:09,425

- I'm sure that will cheer her up, Papa.
- It's your turn now, Lizzie.

576

00:54:09,825 --> 00:54:11,625

You've turned down Collins.

577

00:54:11,925 --> 00:54:16,025

You're free to go off
and be jilted yourself.

578

00:54:16,325 --> 00:54:18,125

What about Mr Wickham?

579

00:54:18,325 --> 00:54:21,025

He's a pleasant fellow
and he'd do the job credibly.

580

00:54:21,325 --> 00:54:24,825

- Father...
- And you have an affectionate mother

581

00:54:25,225 --> 00:54:28,625

who would make the most of it.

582

00:54:48,225 --> 00:54:50,325

- Charlotte!
- My dear Lizzie.

583

00:54:50,625 --> 00:54:55,825

I've come her to tell you the news.

Mr Collins and I are... engaged.

584

00:54:56,225 --> 00:54:58,425

- Engaged?

- Yes.

585

00:55:03,225 --> 00:55:07,825

- To be married?

- What other kind of engaged is there?

586

00:55:09,425 --> 00:55:12,625

For heaven's sake, Lizzie,
don't look at me like that.

587

00:55:13,025 --> 00:55:15,925

I should be
as happy with him as any other.

588

00:55:16,225 --> 00:55:18,825

- But he's ridiculous.

- Oh, hush.

589

00:55:19,125 --> 00:55:22,725

Not all of us can afford to be romantic.

590

00:55:23,125 --> 00:55:26,725

I've been offered

a comfortable home and protection.

591

00:55:27,125 --> 00:55:28,725

There's a lot to be thankful for.

592

00:55:29,025 --> 00:55:34,125

I'm 27 years old.

I've no money and no prospects.

593

00:55:34,625 --> 00:55:38,025

I'm already a burden to my parents.

594

00:55:38,325 --> 00:55:40,725

And I'm frightened.

595

00:55:40,925 --> 00:55:45,325

So don't judge me, Lizzie.

Don't you dare judge me.

596

00:56:38,125 --> 00:56:40,825

Dear Charlotte,
thank you for your letter.

597

00:56:42,225 --> 00:56:45,225

I'm glad the house,
furniture and roads are to your taste,

598

00:56:45,625 --> 00:56:48,825

and that Lady Catherine's behaviour
is friendly and obliging.

599

00:56:49,125 --> 00:56:51,725

What with your departure,
Jane's to London

600

00:56:51,925 --> 00:56:55,325

and the militia to the North
with the colourful Mr Wickham,

601

00:56:55,625 --> 00:56:59,425

*<i>I must confess, the view
from where I sit has been rather grey.</i>*

602

00:56:59,825 --> 00:57:02,625

*<i>As for the favour you ask,
it is no favour at all.</i>*

603

00:57:02,925 --> 00:57:06,825

*<i>I would be happy to visit you
at your earliest convenience.</i>*

604

00:57:13,725 --> 00:57:15,625

Welcome to our humble abode.

605

00:57:21,125 --> 00:57:24,725

My wife encourages me to spend time
in the garden for my health.

606

00:57:25,025 --> 00:57:27,325

I think our guest is tired
after her journey.

607

00:57:27,625 --> 00:57:32,025

I plan many improvements. I intend to
throw out a bough and plant a lime walk.

608

00:57:32,425 --> 00:57:35,225

I flatter myself
that any young lady would be happy

609

00:57:35,525 --> 00:57:38,425

to be the mistress of such a house.

610

00:57:39,725 --> 00:57:41,525

We shan't be disturbed here.

611

00:57:41,825 --> 00:57:45,525

This parlour is for
my own particular use.

612

00:57:48,325 --> 00:57:52,225

Oh, Lizzie, it's such a pleasure
to run my own home.

613

00:57:52,625 --> 00:57:55,525

- Charlotte, come here!

- What's happened?

614

00:57:55,925 --> 00:57:59,725

Has the pig escaped again?

Oh, it's Lady Catherine.

615

00:58:00,025 --> 00:58:02,425

Come and see, Lizzie.

616

00:58:02,725 --> 00:58:05,225

Great news.

617

00:58:05,425 --> 00:58:08,525

We received an invitation to Rosings
from Lady Catherine.

618

00:58:08,925 --> 00:58:10,425

How wonderful!

619

00:58:10,725 --> 00:58:13,525

Do not make yourself uneasy
about your apparel.

620

00:58:13,825 --> 00:58:16,025

Just put on the best you've brought.

621

00:58:16,325 --> 00:58:20,625

Lady Catherine's never been averse
to the truly humble.

622

00:58:21,625 --> 00:58:25,025

One of the most extraordinary
sights in all of Europe.

623

00:58:25,425 --> 00:58:28,725

The glazing alone
costs upwards of ?20,000.

624

00:58:29,025 --> 00:58:31,525

Come along. Come along.

625

00:58:40,425 --> 00:58:43,225

A little later we'll play cards.

626

00:58:44,325 --> 00:58:47,025

Your Ladyship.

627

00:58:47,425 --> 00:58:50,225

Miss de Bourgh.

628

00:59:08,725 --> 00:59:12,025

- So, you are Elizabeth Bennet?

- I am, your Ladyship.

629

00:59:15,925 --> 00:59:18,225

This is my daughter.

630

00:59:20,525 --> 00:59:24,825

- It's kind of you to ask us to dine.

- The rug alone cost upwards of ?300.

631

00:59:26,825 --> 00:59:28,925

Mr Darcy.

632

00:59:30,325 --> 00:59:32,325

What are you doing here?

633

00:59:34,525 --> 00:59:37,925

Mr Darcy,

I had no idea we had the honour.

634

00:59:39,825 --> 00:59:44,725

- Miss Elizabeth, I'm a guest here.

- You know my nephew?

635

00:59:46,625 --> 00:59:49,925

I had the pleasure

of meeting your nephew in Hertfordshire.

636

00:59:50,225 --> 00:59:52,825

Colonel Fitzwilliam. How do you do?

637

00:59:58,525 --> 01:00:04,225

Mr Collins, you can't sit

next to your wife. Move. Over there.

638

01:00:20,925 --> 01:00:24,425

Harvey, I wonder,

could you get me the fish course...

639

01:00:24,725 --> 01:00:28,625

I trust your family is in good health,
Miss Elizabeth?

640

01:00:28,925 --> 01:00:30,825

They are, thank you.

641

01:00:34,625 --> 01:00:37,525

My eldest sister is in London.
Perhaps you saw her there.

642

01:00:37,925 --> 01:00:39,725

I haven't been fortunate enough...

643

01:00:40,025 --> 01:00:44,225

Do you play the pianoforte,
Miss Bennet?

644

01:00:44,625 --> 01:00:48,925

- A little, ma'am, and very poorly.
- Do you draw?

645

01:00:50,325 --> 01:00:52,325

No, not at all.

646

01:00:52,725 --> 01:00:54,825

Your sisters, do they draw?

647

01:00:55,025 --> 01:00:56,325

Not one.

648

01:00:56,625 --> 01:00:58,025

That's very strange.

649

01:00:58,225 --> 01:01:00,725

I suppose you had no opportunity.

650

01:01:01,025 --> 01:01:04,725

Your mother should've taken you to town
for the benefit of the masters.

651

01:01:05,125 --> 01:01:09,025

My mother wouldn't have minded,
but my father hates town.

652

01:01:09,425 --> 01:01:12,725

- Has your governess left you?

- We never had a governess.

653

01:01:14,325 --> 01:01:18,325

No governess? Five daughters

brought up at home without a governess?

654

01:01:18,725 --> 01:01:22,625

I never heard such a thing. Your mother
must've been a slave to your education.

655

01:01:22,925 --> 01:01:24,825

Not at all, Lady Catherine.

656

01:01:29,925 --> 01:01:32,225

Your younger sisters,
are they out in society?

657

01:01:32,625 --> 01:01:34,625

- Yes, ma'am, all.

- All?

658

01:01:34,925 --> 01:01:37,725

What, all five out at once?

That's very odd.

659

01:01:38,025 --> 01:01:41,625

And you second. The younger ones
out before the elders are married?

660

01:01:42,525 --> 01:01:45,325

Your youngest sisters
must be very young.

661

01:01:45,725 --> 01:01:47,325

Yes, my youngest is not 16.

662

01:01:48,325 --> 01:01:50,425

But it would be hard on younger sisters

663

01:01:50,625 --> 01:01:54,125

not to have their amusement
because the elder is still unmarried.

664

01:01:54,425 --> 01:01:57,325

It would hardly encourage
sisterly affection.

665

01:01:57,725 --> 01:02:02,425

Upon my word, you give your opinion
very decidedly for so young a person.

666

01:02:02,825 --> 01:02:05,425

Pray, what is your age?

667

01:02:05,625 --> 01:02:09,425

With three younger sisters grown up,
you can hardly expect me to own to it.

668

01:02:19,825 --> 01:02:21,725

Come, Miss Bennet, and play for us.

669

01:02:22,825 --> 01:02:26,225

- No, I beg you.

- For music is my delight.

670

01:02:26,425 --> 01:02:28,625

In fact,

there are few people in England

671

01:02:28,925 --> 01:02:32,625

who have more true enjoyment of music.

672

01:02:33,025 --> 01:02:34,525

Or better natural taste.

673

01:02:35,625 --> 01:02:40,925

If I had ever learnt,

I should've been a great proficient.

674

01:02:41,325 --> 01:02:45,325

So would Anne,

if her health would've allowed her.

675

01:02:45,625 --> 01:02:49,725

I'm not afflicted with false

modesty, when I say I play poorly...

676

01:02:50,025 --> 01:02:53,625

Come, Lizzie, her Ladyship demands it.

677

01:03:15,825 --> 01:03:18,825

How does Georgiana get along, Darcy?

678

01:03:19,125 --> 01:03:22,425

- She plays very well.

- I hope she practises.

679

01:03:22,725 --> 01:03:25,825

No excellence can be acquired
without constant practice.

680

01:03:26,125 --> 01:03:28,525

I've told Mrs Collins this.

681

01:03:28,825 --> 01:03:32,125

Though you have no instrument,
you're welcome to come to Rosings

682

01:03:32,325 --> 01:03:35,225

and play on the pianoforte
in the housekeeper's room.

683

01:03:35,625 --> 01:03:39,325

You'll be in nobody's way
in that part of the house.

684

01:03:46,625 --> 01:03:51,525

You mean to frighten me
by coming in all your state to hear me.

685

01:03:51,925 --> 01:03:55,625

But I won't be alarmed,
even if your sister does play so well.

686

01:03:56,025 --> 01:03:59,825

I know that I cannot alarm you
even should I wish it.

687

01:04:00,225 --> 01:04:03,925

What was my friend like
in Hertfordshire?

688

01:04:04,225 --> 01:04:07,125

You really care to know?

689

01:04:07,525 --> 01:04:10,525

Prepare yourself
for something very dreadful.

690

01:04:10,925 --> 01:04:13,725

The first time I saw him,
he danced with nobody,

691

01:04:14,025 --> 01:04:15,525

though gentlemen were scarce

692

01:04:15,925 --> 01:04:18,525

and there was more than
one lady without a partner.

693

01:04:18,825 --> 01:04:22,325

- I knew nobody beyond my own party.
- Nobody can be introduced at a ball.

694

01:04:22,825 --> 01:04:25,325

Fitzwilliam, I need you.

695

01:04:36,425 --> 01:04:38,725

I do not have the talent

696

01:04:39,125 --> 01:04:42,225

of conversing easily

with people I have never met before.

697

01:04:42,825 --> 01:04:46,325

Perhaps you should take

your aunt's advice and practise.

698

01:05:07,425 --> 01:05:10,125

<i>Dear Jane...</i>

699

01:05:22,325 --> 01:05:23,525

Mr Darcy.

700

01:05:31,525 --> 01:05:32,925

Please, do be seated.

701

01:05:39,025 --> 01:05:41,325

Mr and Mrs Collins

have gone to the village.

702

01:05:49,325 --> 01:05:51,225

This is a charming house.

703

01:05:51,425 --> 01:05:55,625

I believe my aunt did a great deal
to it when Mr Collins first arrived.

704

01:05:56,025 --> 01:05:58,325

I believe so.

705

01:05:59,725 --> 01:06:04,625

She could not have bestowed
her kindness on a more grateful subject.

706

01:06:13,225 --> 01:06:16,425

- Shall I call for some tea?

- No, thank you.

707

01:06:20,625 --> 01:06:23,325

Good day, Miss Elizabeth,
it's been a pleasure.

708

01:06:29,925 --> 01:06:33,325

What on earth have you done
to poor Mr Darcy?

709

01:06:33,625 --> 01:06:35,925

I have no idea.

710

01:06:37,225 --> 01:06:39,825

Every mind must have some counsellor

711

01:06:40,025 --> 01:06:43,525

to whom it may apply
for consolation in distress.

712

01:06:43,925 --> 01:06:48,525

There are many conveniences which
others can supply and we cannot procure.

713

01:06:48,925 --> 01:06:50,725

I have in view those objects

714

01:06:51,025 --> 01:06:53,925

which are only

to be obtained through intercourse...

715

01:06:56,425 --> 01:07:01,425

Forgive me, through the intercourse
of friendship or civility.

716

01:07:01,825 --> 01:07:07,325

On such occasions, the proud man steps
forth to meet you not with cordiality,

717

01:07:07,825 --> 01:07:12,425

but with the suspicion of one
who reconnoitres an enemy...

718

01:07:12,825 --> 01:07:16,325

- How long do you plan to stay?
- As long as Darcy chooses.

719

01:07:16,525 --> 01:07:19,625

- I am at his disposal.
- Everyone appears to be.

720

01:07:20,025 --> 01:07:23,625

I wonder he does not marry and secure
a lasting convenience of that kind.

721

01:07:23,925 --> 01:07:27,525

- She would be a lucky woman.
- Really?

722

01:07:27,925 --> 01:07:30,925

Darcy is a most loyal companion.

723

01:07:31,225 --> 01:07:34,425

He recently came to the
rescue of one of his friends.

724

01:07:34,825 --> 01:07:36,225

What happened?

725

01:07:36,325 --> 01:07:38,425

He saved him
from an imprudent marriage.

726

01:07:38,725 --> 01:07:39,825

Who's the man?

727

01:07:45,525 --> 01:07:49,025

His closest friend, Charles Bingley.

728

01:07:51,525 --> 01:07:54,425

Did Mr Darcy give a reason
for this interference?

729

01:07:54,725 --> 01:07:57,825

There were apparently
strong objections to the lady.

730

01:07:58,125 --> 01:08:01,225

What kind of objections?
Her lack of fortune?

731

01:08:01,625 --> 01:08:05,625

I think it was her family
that was considered unsuitable.

732

01:08:07,325 --> 01:08:11,825

- So he separated them?
- I believe so. I know nothing else.

733

01:08:42,325 --> 01:08:43,825

Miss Elizabeth.

734

01:08:44,125 --> 01:08:46,625

I have struggled in vain
and can bear it no longer.

735

01:08:46,925 --> 01:08:50,925

These past months have been a torment.
I came to Rosings only to see you.

736

01:08:51,225 --> 01:08:54,325

I have fought against
judgement, my family's expectation,

737

01:08:54,625 --> 01:08:57,325

the inferiority of your birth,
my rank.

738

01:08:57,725 --> 01:09:00,225

I will put them aside
and ask you to end my agony.

739

01:09:00,425 --> 01:09:03,525

- I don't understand.

- I love you.

740

01:09:05,725 --> 01:09:08,025

Most ardently.

741

01:09:11,125 --> 01:09:15,125

Please do me the honour
of accepting my hand.

742

01:09:16,625 --> 01:09:20,425

Sir, I appreciate the struggle
you have been through,

743

01:09:20,825 --> 01:09:23,225

and I am very sorry
to have caused you pain.

744

01:09:23,525 --> 01:09:25,525

It was unconsciously done.

745

01:09:27,125 --> 01:09:28,825

- Is this your reply?

- Yes, sir.

746

01:09:28,925 --> 01:09:31,525

- Are you laughing at me?

- No.

747

01:09:31,925 --> 01:09:33,025

Are you rejecting me?

748

01:09:33,225 --> 01:09:38,525

I'm sure the feelings which hindered
your regard will help you overcome it.

749

01:09:38,925 --> 01:09:41,925

Might I ask why with so little civility
I am thus repulsed?

750

01:09:42,325 --> 01:09:47,325

I might enquire why you told me you
liked me against your better judgement?

751

01:09:47,725 --> 01:09:49,925

If I was uncivil,
then that is some excuse.

752

01:09:50,225 --> 01:09:53,025

- But you know I have other reasons.
- What reasons?

753

01:09:53,325 --> 01:09:56,725

Do you think anything might tempt me
to accept the man who has ruined

754

01:09:57,125 --> 01:10:00,125

the happiness of a most beloved sister?

755

01:10:00,425 --> 01:10:04,925

Do you deny that you separated
a young couple who loved each other,

756

01:10:05,325 --> 01:10:07,525

exposing your friend
to censure for caprice

757

01:10:07,825 --> 01:10:10,525

and my sister to derision
for disappointed hopes,

758

01:10:10,925 --> 01:10:12,825

involving them both in acute misery?

759

01:10:13,125 --> 01:10:16,325

- I do not deny it.

- How could you do it?

760

01:10:16,725 --> 01:10:19,425

I believed your sister
indifferent to him.

761

01:10:19,725 --> 01:10:22,325

I realised his attachment
was deeper than hers.

762

01:10:22,525 --> 01:10:23,525

She's shy!

763

01:10:23,825 --> 01:10:26,325

Bingley was persuaded
she didn't feel strongly.

764

01:10:26,625 --> 01:10:28,525

- You suggested it.
- For his own good.

765

01:10:28,825 --> 01:10:31,525

My sister hardly shows
her true feelings to me.

766

01:10:35,925 --> 01:10:38,325

I suppose his fortune
had some bearing?

767

01:10:38,625 --> 01:10:41,025

I wouldn't do your sister the dishonour.

768

01:10:41,325 --> 01:10:43,225

- It was suggested...
- What was?

769

01:10:43,525 --> 01:10:45,925

It was clear an advantageous marriage...

770

01:10:46,125 --> 01:10:48,425

- Did my sister give that impression?

- No!

771

01:10:48,725 --> 01:10:52,625

- No. There was, however, your family...

- Our want of connection?

772

01:10:53,025 --> 01:10:55,325

- No, it was more than that.

- How, sir?

773

01:10:55,725 --> 01:11:00,325

The lack of propriety shown by your
mother, younger sisters and your father.

774

01:11:03,925 --> 01:11:08,725

Forgive me. You and your sister

I must exclude from this.

775

01:11:13,425 --> 01:11:15,125

And what about Mr Wickham?

776

01:11:17,525 --> 01:11:18,425

Mr Wickham?

777

01:11:18,625 --> 01:11:21,325

What excuse can you
give for your behaviour?

778

01:11:21,525 --> 01:11:24,625

- You take an eager interest.
- He told me of his misfortunes.

779

01:11:25,025 --> 01:11:27,625

- Oh, they have been great.
- You ruin his chances

780

01:11:27,825 --> 01:11:29,925

yet treat him with sarcasm.

781

01:11:30,225 --> 01:11:32,225

So this is your opinion of me?

782

01:11:32,525 --> 01:11:35,725

Thank you. Perhaps these offences
might have been overlooked

783

01:11:36,025 --> 01:11:40,125

had not your pride been hurt
by my scruples about our relationship.

784

01:11:40,525 --> 01:11:43,625

I am to rejoice in the inferiority
of your circumstances?

785

01:11:43,925 --> 01:11:46,525

And those are the words of a gentleman.

786

01:11:46,825 --> 01:11:51,325

Your arrogance and conceit, your selfish
disdain for the feelings of others

787

01:11:51,625 --> 01:11:57,125

made me realise you were the last man
in the world I could ever marry.

788

01:12:08,825 --> 01:12:13,425

Forgive me, madam,
for taking up so much of your time.

789

01:14:17,825 --> 01:14:19,825

I came to leave you this.

790

01:14:30,325 --> 01:14:33,925

I shall not renew the sentiments
which were so disgusting to you.

791

01:14:34,225 --> 01:14:38,325

But if I may, I will address the
two offences you have laid against me.

792

01:14:45,125 --> 01:14:48,325

<i>My father loved Mr Wickham as a son.</i>

793

01:14:48,625 --> 01:14:52,225

<i>He left him a generous living.
But upon my father's death,</i>

794

01:14:52,625 --> 01:14:57,025

*<i>Mr Wickham announced
he had no intention of taking orders.</i>*

795

01:14:57,425 --> 01:15:02,925

*<i>He demanded the value of the living,
which he'd gambled away within weeks.</i>*

796

01:15:05,525 --> 01:15:08,525

*<i>He then wrote,
demanding more money, which I refused.</i>*

797

01:15:08,925 --> 01:15:11,825

*<i>After which,
he severed all acquaintance.</i>*

798

01:15:12,225 --> 01:15:16,325

*<i>He came back to see us last summer, and
declared passionate love for my sister,</i>*

799

01:15:16,725 --> 01:15:20,525

*<i>whom he tried to persuade
to elope with him.</i>*

800

01:15:20,725 --> 01:15:24,225

<i>She is to inherit ?30,000.</i>

801

01:15:24,625 --> 01:15:29,825

<i>When it was made clear he would never
receive a penny of it, he disappeared.</i>

802

01:15:30,225 --> 01:15:33,725

<i>I will not attempt to convey the depth
of Georgiana's despair.</i>

803

01:15:34,125 --> 01:15:37,025

<i>She was 15 years old.</i>

804

01:15:39,125 --> 01:15:42,625

<i>As to the other matter,
of your sister and Mr Bingley,</i>

805

01:15:43,125 --> 01:15:46,425

<i>though the motives which governed me
may appear insufficient,</i>

806

01:15:46,725 --> 01:15:49,925

<i>they were in the service of a friend.</i>

807

01:15:50,325 --> 01:15:52,225

Lizzie.

808

01:15:55,525 --> 01:15:57,325

Are you all right?

809

01:15:57,625 --> 01:16:00,825

I hardly know.

810

01:16:09,025 --> 01:16:11,825

Lizzie. How fortunate you have arrived.

811

01:16:12,325 --> 01:16:15,825

Your aunt and uncle are here
to deliver Jane from London.

812

01:16:16,025 --> 01:16:19,225

- How is Jane?

- She's in the drawing room.

813

01:16:22,125 --> 01:16:27,925

I'm quite over him. If he passed me
in the street, I'd hardly notice.

814

01:16:28,325 --> 01:16:32,025

London is so diverting. It's true.

815

01:16:33,925 --> 01:16:36,525

There's so much to entertain.

816

01:16:42,325 --> 01:16:44,225

What news from Kent?

817

01:16:46,225 --> 01:16:48,025

Nothing.

818

01:16:49,825 --> 01:16:51,925

At least not much to entertain.

819

01:16:52,225 --> 01:16:53,925

Lizzie, tell Mama!

820

01:16:54,225 --> 01:16:56,825

Stop making such a fuss.

821

01:16:57,125 --> 01:17:00,725

- Why didn't she ask me as well?

- Because I'm better company.

822

01:17:01,125 --> 01:17:03,625

- What's the matter?

- I've just as much right.

823

01:17:03,825 --> 01:17:05,925

Let's all go.

824

01:17:06,225 --> 01:17:09,025

Lydia's been invited to Brighton
with the Forsters.

825

01:17:09,325 --> 01:17:11,325

Sea-bathing would set me up nicely.

826

01:17:11,525 --> 01:17:13,725

I shall dine with the officers
every night.

827

01:17:14,025 --> 01:17:15,925

Papa, don't let her go.

828

01:17:16,225 --> 01:17:20,725

Lydia will never be easy until she's
exposed herself in some public place.

829

01:17:21,125 --> 01:17:25,425

And we could never expect her
to do it with so little inconvenience.

830

01:17:25,825 --> 01:17:27,825

If you do not check her,

831

01:17:28,125 --> 01:17:32,625

she'll be fixed as the silliest flirt
who ever made her family ridiculous.

832

01:17:33,025 --> 01:17:34,725

And Kitty will follow, as always.

833

01:17:34,925 --> 01:17:39,625

Lizzie, we shall have no peace
until she goes.

834

01:17:40,125 --> 01:17:43,225

Is that really all you care about?

835

01:17:43,525 --> 01:17:46,925

Colonel Forster is a sensible man.

836

01:17:47,425 --> 01:17:50,025

He will keep her
out of any real mischief.

837

01:17:50,325 --> 01:17:53,025

And she's too poor
to be an object of prey to anyone.

838

01:17:53,325 --> 01:17:54,425

It's dangerous.

839

01:17:54,725 --> 01:17:59,025

I am certain the officers will find
women better worth their while.

840

01:18:00,325 --> 01:18:04,025

Let us hope, in fact,
that her stay in Brighton

841

01:18:04,325 --> 01:18:08,925

will teach her her own insignificance.

842

01:18:09,425 --> 01:18:11,925

At any rate,
she can hardly grow any worse.

843

01:18:12,225 --> 01:18:16,525

If she does, we'd be obliged to
lock her up for the rest of her life.

844

01:18:25,925 --> 01:18:28,425

Lizzie, you're welcome to accompany us.

845

01:18:28,725 --> 01:18:30,525

The Peak District is not Brighton.

846

01:18:30,925 --> 01:18:34,225

Officers are thin on the ground
which may influence your decision.

847

01:18:34,625 --> 01:18:38,525

Come to the Peak District with us,
Lizzie, and get some fresh air.

848

01:18:38,925 --> 01:18:42,325

The glories of nature. What are men
compared to rocks and mountains?

849

01:18:42,625 --> 01:18:45,725

Men are either eaten up
with arrogance or stupidity.

850

01:18:46,025 --> 01:18:49,225

If they are amiable,
they have no minds of their own.

851

01:18:49,525 --> 01:18:52,625

Take care, my love.

That savours strongly of bitterness.

852

01:18:59,825 --> 01:19:03,825

I saw Mr Darcy when I was at Rosings.

853

01:19:04,225 --> 01:19:05,725

Why did you not tell me?

854

01:19:08,525 --> 01:19:10,825

Did he mention Mr Bingley?

855

01:19:13,125 --> 01:19:14,425

No.

856

01:19:18,925 --> 01:19:21,125

No, he did not.

857

01:20:25,025 --> 01:20:28,325

Oh, what are men

compared to rocks and mountains?

858

01:20:28,725 --> 01:20:32,025

Or carriages that work?

859

01:20:36,125 --> 01:20:38,525

Where exactly are we?

860

01:20:38,825 --> 01:20:41,125

Quite close to Pemberley.

861

01:20:42,925 --> 01:20:45,225

- Mr Darcy's home?

- That's the fellow.

862

01:20:45,625 --> 01:20:49,125

Very well-stocked lake.

I've a hankering to see it.

863

01:20:49,425 --> 01:20:50,425

Oh, no, let's not.

864

01:20:54,025 --> 01:20:56,125

Well, he's so...

865

01:20:56,425 --> 01:20:59,825

I'd rather not, he's so... he's so...

866

01:21:00,225 --> 01:21:01,825

- So what?

- So rich.

867

01:21:02,025 --> 01:21:05,025

By heavens, Lizzie,

what a snob you are!

868

01:21:05,425 --> 01:21:09,025

Objecting to Mr Darcy because of his
wealth. The poor man can't help it.

869

01:21:09,325 --> 01:21:14,525

He won't be there anyway.

These great men are never at home.

870

01:22:19,125 --> 01:22:20,425

Keep up.

871

01:22:40,925 --> 01:22:44,525

- Is your master much at home?

- Not as much as I would wish.

872

01:22:44,825 --> 01:22:47,225

He dearly loves it here.

873

01:22:47,425 --> 01:22:51,025

If he should marry,

you might see more of him.

874

01:22:59,725 --> 01:23:02,525

He's a lot like his father.

875

01:23:07,225 --> 01:23:11,425

When my husband was ill,

Mr Darcy couldn't do enough.

876

01:23:15,925 --> 01:23:19,825

He just organised the servants for me.

877

01:23:34,825 --> 01:23:38,325

This is he, Mr Darcy.

878

01:23:39,825 --> 01:23:41,825

A handsome face.

879

01:23:42,525 --> 01:23:46,125

Lizzie, is it a true likeness?

880

01:23:46,525 --> 01:23:49,825

Does the young lady

know Mr Darcy?

881

01:23:50,125 --> 01:23:52,325

Only a little.

882

01:23:52,625 --> 01:23:56,525

Do you not think him

a handsome man, miss?

883

01:23:56,925 --> 01:23:58,225

Yes.

884

01:24:00,925 --> 01:24:03,025

Yes, I dare say he is.

885

01:24:06,625 --> 01:24:09,425

This is his sister, Miss Georgiana.

886

01:24:10,025 --> 01:24:13,525

She sings and plays all day long.

887

01:24:15,925 --> 01:24:18,325

Is she at home?

888

01:26:24,125 --> 01:26:25,525

Miss Elizabeth.

889

01:26:36,825 --> 01:26:41,325

- I thought you were in London.

- No.

890

01:26:41,625 --> 01:26:43,825

No, I'm not.

891

01:26:44,125 --> 01:26:45,725

No.

892

01:26:46,025 --> 01:26:49,225

- We would not have come...

- I came back a day early...

893

01:26:55,225 --> 01:26:56,525

I'm with my aunt and uncle.

894

01:26:59,325 --> 01:27:01,325

And are you having a pleasant trip?

895

01:27:01,425 --> 01:27:03,925

Very pleasant.

896

01:27:04,325 --> 01:27:07,725

- Tomorrow we go to Matlock.

- Tomorrow?

897

01:27:09,725 --> 01:27:12,725

- Are you staying at Lambton?

- Yes, at the Rose and Crown.

898

01:27:13,025 --> 01:27:15,025

Yes.

899

01:27:18,925 --> 01:27:20,425

I'm so sorry to intrude.

900

01:27:20,625 --> 01:27:24,525

They said the house was open
for visitors. I had no idea.

901

01:27:28,825 --> 01:27:31,025

- May I see you back to the village?

- No.

902

01:27:34,725 --> 01:27:37,025

- I'm very fond of walking.

- Yes.

903

01:27:39,325 --> 01:27:40,825

Yes, I know.

904

01:27:45,825 --> 01:27:48,025

Goodbye, Mr Darcy.

905

01:28:05,925 --> 01:28:08,225

This way, sir.

906

01:28:14,325 --> 01:28:16,325

Are you sure you
wouldn't like to join us?

907

01:28:29,625 --> 01:28:32,925

We've just met Mr Darcy.
You didn't tell us that you'd seen him.

908

01:28:33,225 --> 01:28:37,725

He's asked us to dine with him tomorrow.
He was very civil, was he not?

909

01:28:38,025 --> 01:28:40,525

- Very civil.
- Not at all how you'd painted him.

910

01:28:40,825 --> 01:28:42,025

To dine with him?

911

01:28:42,325 --> 01:28:46,525

There's something pleasant
about his mouth when he speaks.

912

01:28:46,925 --> 01:28:49,725

You don't mind delaying
our journey another day?

913

01:28:49,925 --> 01:28:53,425

He particularly wants you
to meet his sister.

914

01:28:53,625 --> 01:28:55,325

His sister.

915

01:29:24,025 --> 01:29:25,925

Miss Elizabeth!

916

01:29:30,725 --> 01:29:32,525

My sister, Miss Georgiana.

917

01:29:32,925 --> 01:29:34,925

My brother has told me
so much about you,

918

01:29:35,125 --> 01:29:38,025

- I feel as if we are friends already.
- Thank you.

919

01:29:38,325 --> 01:29:41,525

- What a beautiful pianoforte.
- My brother gave it to me.

920

01:29:41,825 --> 01:29:43,725

- He shouldn't have.
- I should have.

921

01:29:44,025 --> 01:29:47,125

- Very well then.
- Easily persuaded, is she not?

922

01:29:48,425 --> 01:29:51,225

He once had to put up with my playing.

923

01:29:51,425 --> 01:29:55,925

- He says you play so well.
- Then he has perjured himself.

924

01:29:56,325 --> 01:29:59,325

- I said "quite well".
- "Quite well" is not "very well".

925

01:29:59,625 --> 01:30:01,225

I'm satisfied.

926

01:30:07,725 --> 01:30:10,425

- Mr Gardiner, are you fond of fishing?
- Very much.

927

01:30:10,725 --> 01:30:13,425

Would you accompany me
to the lake this afternoon?

928

01:30:13,725 --> 01:30:16,125

Its occupants have been left
in peace too long.

929

01:30:16,425 --> 01:30:20,425

- I would be delighted.

- Do you play duets, Miss Elizabeth?

930

01:30:20,825 --> 01:30:25,725

- Only when forced.

- Brother, you must force her.

931

01:30:26,225 --> 01:30:29,725

Splendid fishing, good
company. What a capital fellow.

932

01:30:30,125 --> 01:30:33,025

Thank you so much, Mr Darcy.

933

01:30:35,125 --> 01:30:37,125

A letter for you, madam.

934

01:30:37,425 --> 01:30:39,225

Oh, it's from Jane.

935

01:31:03,825 --> 01:31:05,925

It is the most dreadful news.

936

01:31:08,425 --> 01:31:10,525

Lydia has run away...

937

01:31:13,525 --> 01:31:15,225

...with Mr Wickham.

938

01:31:15,525 --> 01:31:17,325

They are gone to Lord knows where.

939

01:31:17,525 --> 01:31:23,225

She has no money, no connections.

I fear she is lost forever.

940

01:31:27,025 --> 01:31:28,825

This is my fault.

941

01:31:29,125 --> 01:31:32,525

If only I had exposed Wickham
when I should.

942

01:31:32,825 --> 01:31:35,725

No, this is my fault.

943

01:31:36,025 --> 01:31:39,125

I might have prevented all this
by being open with my sisters.

944

01:31:40,325 --> 01:31:43,125

Has anything been done to recover her?

945

01:31:43,425 --> 01:31:48,325

My father has gone to London,
but I know nothing can be done.

946

01:31:50,525 --> 01:31:53,225

We have not the smallest hope.

947

01:31:53,525 --> 01:31:55,325

Would I could help you.

948

01:31:55,525 --> 01:31:57,625

Sir, I think it is too late.

949

01:32:01,525 --> 01:32:05,325

This is grave indeed.

I will leave you. Goodbye.

950

01:32:05,725 --> 01:32:07,525

We must go at once.

951

01:32:07,825 --> 01:32:11,425

I will join Mr Bennet and find Lydia
before she ruins the family.

952

01:32:39,225 --> 01:32:43,925

Why did the Forsters
let her out of their sight?

953

01:32:44,325 --> 01:32:47,325

I always said they were unfit
to take charge of her.

954

01:32:47,625 --> 01:32:50,725

- And now she is ruined.
- You are all ruined.

955

01:32:51,125 --> 01:32:56,325

Who will take you now
with a fallen sister?

956

01:32:56,625 --> 01:33:00,025

Poor Mr Bennet will now have
to fight the perfidious Wickham

957

01:33:00,425 --> 01:33:01,925

and then be killed.

958

01:33:02,025 --> 01:33:03,825

He hasn't found him yet, Mama.

959

01:33:04,125 --> 01:33:06,825

Mr Collins will turn us out
before he is cold.

960

01:33:07,125 --> 01:33:10,825

Do not be so alarmed. Our uncle
is in London helping in the search.

961

01:33:11,225 --> 01:33:16,225

Lydia must know

what this must be doing to my nerves.

962

01:33:16,625 --> 01:33:21,625

Such flutterings

and spasms all over me!

963

01:33:23,725 --> 01:33:27,425

My baby Lydia, my baby!

964

01:33:27,825 --> 01:33:32,125

How could she do such a thing
to her poor mama?

965

01:33:33,425 --> 01:33:35,825

- You can't do that!

- Don't be such a baby.

966

01:33:36,125 --> 01:33:38,625

- Kitty, give it to me.

- Who's it for?

967

01:33:38,925 --> 01:33:40,425

It's addressed to Papa.

968

01:33:42,125 --> 01:33:44,025

It's in Uncle's writing.

969

01:33:44,525 --> 01:33:46,925

Papa, there's a letter.

970

01:33:47,225 --> 01:33:50,525

- Let me catch my breath.

- It's in Uncle's writing.

971

01:33:55,225 --> 01:33:57,325

- He's found them.

- Are they married?

972

01:33:57,525 --> 01:33:59,925

- I can't make out his script.

- Give it to me.

973

01:34:00,225 --> 01:34:01,425

Are they married?

974

01:34:01,725 --> 01:34:06,025

They will be if Father settles ?100
a year on her. That is his condition.

975

01:34:06,425 --> 01:34:09,125

- You will agree to this, Father?
- Of course.

976

01:34:09,425 --> 01:34:13,525

God knows how much your uncle
must've laid on that wretched man.

977

01:34:14,025 --> 01:34:15,125

What do you mean?

978

01:34:15,225 --> 01:34:17,025

No man would marry Lydia

979

01:34:17,325 --> 01:34:21,325

under so slight
a temptation as ?100 a year.

980

01:34:21,725 --> 01:34:24,325

Your uncle must've been very generous.

981

01:34:25,225 --> 01:34:27,525

Do you think it a large sum?

982

01:34:27,825 --> 01:34:30,825

Wickham's a fool if he
accepts less than ?10,000.

983

01:34:31,225 --> 01:34:33,925

- Heaven forbid!

- Father!

984

01:34:35,725 --> 01:34:39,925

Lydia married and at 15 too!

985

01:34:40,225 --> 01:34:42,025

Ring the bell, Kitty.

986

01:34:42,325 --> 01:34:46,625

I must put on my things and tell

Lady Lucas. Oh, to see her face.

987

01:34:47,025 --> 01:34:49,625

Tell the servants

they will have a bowl of punch.

988

01:34:49,925 --> 01:34:52,525

- We should thank our uncle.

- So he should help.

989

01:34:52,925 --> 01:34:56,325

He's far richer than us

and has no children. Daughter married!

990

01:34:56,525 --> 01:34:58,425

Is that really all you think about?

991

01:34:58,725 --> 01:35:02,425

When you have five daughters, tell me
what else will occupy your thoughts.

992

01:35:02,825 --> 01:35:04,525

Then perhaps you'll understand.

993

01:35:05,925 --> 01:35:08,625

You don't know what he's like.

994

01:35:09,825 --> 01:35:12,325

- Lydia!

- Oh, Mama!

995

01:35:16,525 --> 01:35:18,425

We passed Sarah Sims in her carriage.

996

01:35:18,725 --> 01:35:22,325

So I took off my glove

so she might see the ring.

997

01:35:22,825 --> 01:35:25,525

Then I bowed and smiled

like anything...

998

01:35:25,825 --> 01:35:30,225

I'm sure she was not

half as radiant as you, my dear.

999

01:35:30,625 --> 01:35:32,625

You must all go to Brighton.

1000

01:35:33,025 --> 01:35:36,425

That is the place to get husbands.

I hope you have half my good luck.

1001

01:35:36,825 --> 01:35:38,225

Lydia.

1002

01:35:38,425 --> 01:35:42,425

I want to hear

every little detail, Lydia, dear.

1003

01:35:42,825 --> 01:35:45,625

I've been enlisted

in a regiment in the North of England.

1004

01:35:45,925 --> 01:35:47,425

Glad to hear it.

1005

01:35:47,725 --> 01:35:50,825

Near Newcastle.

We travel there next week.

1006

01:35:51,125 --> 01:35:55,025

- Can I come and stay with you?

- That is out of the question.

1007

01:35:55,325 --> 01:35:58,025

Monday morning came

and I was in such a fuss.

1008

01:35:58,325 --> 01:35:59,425

I don't want to hear.

1009

01:35:59,725 --> 01:36:03,125

There was my aunt preaching away

as if reading a sermon.

1010

01:36:03,525 --> 01:36:07,025

- She was horrid unpleasant.

- Can't you understand why?

1011

01:36:07,425 --> 01:36:11,425

But I didn't hear a word because
I was thinking of my dear Wickham.

1012

01:36:11,825 --> 01:36:14,425

I longed to know if
he'd be married in his bluecoat.

1013

01:36:14,625 --> 01:36:19,025

The North of England, I believe,
boasts some spectacular scenery.

1014

01:36:19,325 --> 01:36:23,025

So I thought, who is to be
our best man if he doesn't come back?

1015

01:36:23,425 --> 01:36:26,825

Lucky, he did,
or I would've had to ask Mr Darcy.

1016

01:36:27,125 --> 01:36:31,325

- Mr Darcy!

- I forgot!

1017

01:36:31,725 --> 01:36:34,925

- But I shouldn't have said a word.

- Mr Darcy was at your wedding?

1018

01:36:35,325 --> 01:36:38,125

He was the one that discovered us.

1019

01:36:38,425 --> 01:36:43,025

He paid for the wedding,

Wickham's commission, everything.

1020

01:36:43,425 --> 01:36:45,225

But he told me not to tell.

1021

01:36:46,425 --> 01:36:48,725

- Mr Darcy?

- Stop it, Lizzie.

1022

01:36:50,025 --> 01:36:53,925

Mr Darcy's not half as high and mighty
as you sometimes.

1023

01:36:59,725 --> 01:37:02,725

Kitty, have you seen my ring?

1024

01:37:03,025 --> 01:37:05,025

Write to me often, my dear.

1025

01:37:05,325 --> 01:37:08,325

Married women

never have much time for writing.

1026

01:37:08,525 --> 01:37:10,325

I dare say you won't.

1027

01:37:10,625 --> 01:37:15,425

When I married your father, there didn't
seem to be enough hours in the day.

1028

01:37:17,325 --> 01:37:22,025

My sisters may write to me,
for they'll have nothing else to do.

1029

01:37:29,325 --> 01:37:33,225

There's nothing so bad
as parting with one's children.

1030

01:37:34,425 --> 01:37:38,025

One seems so forlorn without them.

1031

01:37:42,625 --> 01:37:47,525

- Goodbye.

- Goodbye, Lydia. Goodbye, Mr Wickham.

1032

01:37:49,425 --> 01:37:51,925

Bye, Kitty. Bye, Papa.

1033

01:37:57,925 --> 01:38:00,925

I can't imagine what your
father does with all that ink.

1034

01:38:01,325 --> 01:38:03,125

Mrs Bennet.

1035

01:38:04,225 --> 01:38:08,725

Did you hear the news, madam?

Mr Bingley is returning to Netherfield.

1036

01:38:09,125 --> 01:38:13,125

Mrs Nichols is ordering a haunch
of pork. She expects him tomorrow.

1037

01:38:13,425 --> 01:38:15,725

Tomorrow?

1038

01:38:16,025 --> 01:38:18,425

Not that I care.

Mr Bingley's nothing to us.

1039

01:38:18,825 --> 01:38:21,925

I'm sure I never want
to see him again, no.

1040

01:38:22,125 --> 01:38:26,325

We shan't mention a word about it.

Is it quite certain he's coming?

1041

01:38:26,725 --> 01:38:31,425

Yes, madam. I believe he's alone.

His sister remains in town.

1042

01:38:33,625 --> 01:38:38,425

Why he thinks we should be interested,
I've no idea. Come along, girls.

1043

01:38:39,525 --> 01:38:43,625

We better go home at once
and tell Mr Bennet.

1044

01:38:44,025 --> 01:38:47,725

The impudence of the man.
I wonder he dare show his face.

1045

01:38:48,125 --> 01:38:50,125

It's all right, Lizzie.

1046

01:38:50,325 --> 01:38:53,225

I'm just glad he's alone
because we shall see less of him.

1047

01:38:53,525 --> 01:38:57,625

Not that I'm afraid of myself.
But I dread other people's remarks.

1048

01:38:58,025 --> 01:38:59,525

Oh, I'm sorry.

1049

01:39:34,025 --> 01:39:36,225

He's here. He's here. He's at the door.

1050

01:39:37,425 --> 01:39:40,325

- Mr Bingley!

- Mr Bingley?

1051

01:39:40,625 --> 01:39:43,425

Oh, my goodness!

Everybody behave naturally.

1052

01:39:43,925 --> 01:39:46,425

And whatever you do,

do not appear overbearing.

1053

01:39:46,625 --> 01:39:50,125

There's someone with him.

Mr Whatsisname, the pompous one.

1054

01:39:50,425 --> 01:39:54,825

Mr Darcy? The insolence of
it. What does he think of, coming here?

1055

01:39:55,225 --> 01:39:59,925

Keep still, Jane. Mary, put that away at
once. Find some useful employment.

1056

01:40:01,525 --> 01:40:05,025

Oh, my Lord, I shall have a seizure,
I'm sure I shall.

1057

01:40:05,425 --> 01:40:07,325

Kitty.

1058

01:40:07,425 --> 01:40:11,525

- We can't have this here.

- Mary, the ribbons, the ribbons.

1059

01:40:13,325 --> 01:40:17,825

Mary, sit down at once. Mary!

1060

01:40:21,625 --> 01:40:25,925

Mr Darcy and Mr Bingley, ma'am.

1061

01:40:37,025 --> 01:40:39,625

How glad we are
to see you, Mr Bingley.

1062

01:40:39,925 --> 01:40:42,425

There have been
many changes since you went away.

1063

01:40:42,725 --> 01:40:47,425

Miss Lucas is married and settled.
And one of my own daughters too.

1064

01:40:47,825 --> 01:40:49,625

You will have seen it in the papers,

1065

01:40:49,925 --> 01:40:52,325

though it was not put in
as it ought to have been.

1066

01:40:52,725 --> 01:40:56,225

Very short. Nothing about her family.

1067

01:40:56,525 --> 01:40:59,225

Yes, I did hear of it.

I offer my congratulations.

1068

01:40:59,525 --> 01:41:02,825

But it is very hard

to have my Lydia taken away from me.

1069

01:41:03,125 --> 01:41:07,025

Mr Wickham has been transferred
to Newcastle, wherever that is.

1070

01:41:07,325 --> 01:41:09,125

Will you stay long in the country?

1071

01:41:09,425 --> 01:41:11,525

Just a few weeks. For the shooting.

1072

01:41:11,925 --> 01:41:13,825

When you've killed all your own birds,

1073

01:41:14,125 --> 01:41:17,025

I beg you will come here
and shoot as many as you please.

1074

01:41:17,325 --> 01:41:21,625

Mr Bennet will be vastly happy to oblige
and will save the best coveys for you.

1075

01:41:22,125 --> 01:41:24,425

Excellent.

1076

01:41:24,725 --> 01:41:28,425

- Are you well, Mr Darcy?

- Quite well, thank you.

1077

01:41:28,825 --> 01:41:31,125

I hope the weather stays fine
for your sport.

1078

01:41:31,325 --> 01:41:34,725

- I return to town tomorrow.

- So soon?

1079

01:41:36,525 --> 01:41:40,825

My Jane looks well, does she not?

1080

01:41:42,925 --> 01:41:44,925

She does indeed.

1081

01:41:52,325 --> 01:41:55,025

Well, we must be going, I think.

1082

01:41:55,925 --> 01:41:59,425

Darcy. It's been very pleasant
to see you all again.

1083

01:41:59,725 --> 01:42:01,525

Miss Elizabeth. Miss Bennet.

1084

01:42:01,925 --> 01:42:03,225

You must come again.

1085

01:42:03,425 --> 01:42:06,825

Last winter, you promised to have
a family dinner with us.

1086

01:42:07,125 --> 01:42:11,725

I've not forgot, you see.

At least three courses.

1087

01:42:17,825 --> 01:42:19,425

Excuse me.

1088

01:42:25,325 --> 01:42:28,025

Most extraordinary.

1089

01:42:39,325 --> 01:42:42,525

We were going to walk in
and she was going to say, "Sit down."

1090

01:42:42,825 --> 01:42:44,825

So, I feel...

1091

01:42:55,325 --> 01:42:57,025

Oh, it's a disaster, isn't it?

1092

01:42:57,425 --> 01:42:59,225

It's been...

1093

01:43:01,825 --> 01:43:03,825

- Miss Bennet.

- Mr Bingley.

1094

01:43:04,125 --> 01:43:06,825

I'll just go in and I'll just say it.

1095

01:43:07,125 --> 01:43:09,325

Yes, exactly.

1096

01:43:14,125 --> 01:43:17,625

I'm glad that's over. Now we can
meet as indifferent acquaintances.

1097

01:43:17,925 --> 01:43:18,925

Oh, yes.

1098

01:43:19,225 --> 01:43:22,125

You cannot think me so weak
as to be in danger now.

1099

01:43:22,425 --> 01:43:26,125

You are in great danger of making
him as much in love with you as ever.

1100

01:43:28,125 --> 01:43:32,525

- I'm sorry he came with Mr Darcy.
- Don't say that.

1101

01:43:34,025 --> 01:43:35,025

Why ever not?

1102

01:43:37,925 --> 01:43:40,925

Jane.

1103

01:43:41,225 --> 01:43:45,825

- I've been so blind.
- What do you mean?

1104

01:43:46,225 --> 01:43:48,925

Look, it's him.
He's back. He's come again.

1105

01:43:57,425 --> 01:43:59,325

I know this is all very untoward,

1106

01:43:59,625 --> 01:44:03,625

but I would like to request the
privilege of speaking to Miss Bennet.

1107

01:44:04,925 --> 01:44:07,025

Alone.

1108

01:44:08,725 --> 01:44:11,825

Everybody to the kitchen immediately.

1109

01:44:12,125 --> 01:44:16,025

Except you, Jane, dear, of course.

1110

01:44:18,125 --> 01:44:22,925

Oh, Mr Bingley, it's so good
to see you again so soon.

1111

01:44:43,225 --> 01:44:47,825

First, I must tell you I've been the
most unmitigated and comprehensive ass.

1112

01:45:06,525 --> 01:45:07,925

Kitty, be quiet.

1113

01:45:20,425 --> 01:45:22,825

Yes.

1114

01:45:23,025 --> 01:45:25,225

A thousand times yes.

1115

01:45:30,725 --> 01:45:34,025

Thank the Lord for that.

I thought it would never happen.

1116

01:46:20,525 --> 01:46:24,625

I am confident

they will do well together.

1117

01:46:25,025 --> 01:46:28,825

Their tempers are much alike.

1118

01:46:30,125 --> 01:46:33,825

They will be cheated assiduously

by their servants.

1119

01:46:34,325 --> 01:46:40,225

And be so generous with the rest,
they will always exceed their income.

1120

01:46:40,725 --> 01:46:45,025

Exceed their income?
He has 5,000 a year.

1121

01:46:49,125 --> 01:46:52,525

I knew she did not be
so beautiful for nothing.

1122

01:47:01,025 --> 01:47:03,425

"...must be free from all insincerity.

1123

01:47:03,725 --> 01:47:07,225

She only can address herself effectually
to the feelings of others

1124

01:47:07,625 --> 01:47:10,725

whose mind glows
with the warmth of sensibility

1125

01:47:11,025 --> 01:47:13,625

and whose arguments result
from conviction.

1126

01:47:13,925 --> 01:47:17,225

She must feel the influence
of those passions and emotions

1127

01:47:17,725 --> 01:47:20,725

which she wishes to inspire..."

1128

01:47:41,525 --> 01:47:43,725

Can you die of happiness?

1129

01:47:45,425 --> 01:47:48,325

He was ignorant
of my being in town in the spring.

1130

01:47:48,625 --> 01:47:51,525

- How did he account for it?
- He thought me indifferent.

1131

01:47:51,925 --> 01:47:55,525

- Unfathomable.

- No doubt poisoned by his sister.

1132

01:47:55,825 --> 01:48:01,125

Bravo. That's the most
unforgiving speech you've ever made.

1133

01:48:01,625 --> 01:48:03,725

Oh, Lizzie, if I could
but see you so happy.

1134

01:48:04,025 --> 01:48:06,225

If there was such a man for you.

1135

01:48:10,025 --> 01:48:13,125

Perhaps Mr Collins has a cousin.

1136

01:48:16,125 --> 01:48:17,825

- What is that?

- What?

1137

01:48:18,025 --> 01:48:21,025

Maybe he's changed his mind.

1138

01:48:23,425 --> 01:48:25,425

Coming!

1139

01:48:28,625 --> 01:48:29,925

Yes.

1140

01:48:32,025 --> 01:48:33,925

Lady Catherine.

1141

01:48:39,725 --> 01:48:42,525

The rest of your offspring, I presume?

1142

01:48:42,825 --> 01:48:46,425

All but one. The youngest
has been lately married, your Ladyship.

1143

01:48:46,725 --> 01:48:49,525

My eldest was proposed to
only this afternoon.

1144

01:48:51,525 --> 01:48:55,425

- You have a very small garden.

- Could I offer you a cup of tea?

1145

01:48:55,725 --> 01:48:59,025

Absolutely not. I need to speak
to Miss Elizabeth Bennet alone.

1146

01:49:00,025 --> 01:49:02,125

As a matter of urgency.

1147

01:49:06,125 --> 01:49:09,325

You can be at no loss
to understand why I am here.

1148

01:49:09,725 --> 01:49:11,925

I cannot account for this honour at all.

1149

01:49:12,225 --> 01:49:16,225

I warn you, I am not to be trifled with.

1150

01:49:16,525 --> 01:49:18,825

A most alarming report
has reached me.

1151

01:49:19,025 --> 01:49:23,425

That you intend to be united
with my nephew, Mr Darcy.

1152

01:49:23,825 --> 01:49:27,225

I know this to be a falsehood.
Though not wishing to injure him

1153

01:49:27,625 --> 01:49:31,325

by supposing it possible, I instantly
set off to make my sentiments known.

1154

01:49:31,725 --> 01:49:34,725

If you believed it impossible,
I wonder that you came so far.

1155

01:49:35,025 --> 01:49:36,225

To hear it contradicted.

1156

01:49:36,525 --> 01:49:39,825

Your coming will be a confirmation
if such a report exists.

1157

01:49:40,125 --> 01:49:43,225

If? You pretend to be ignorant of it?

1158

01:49:43,525 --> 01:49:46,325

Has it not been
industriously circulated by yourself?

1159

01:49:46,725 --> 01:49:48,525

I have never heard of it.

1160

01:49:48,825 --> 01:49:51,125

Can you declare
there is no foundation for it?

1161

01:49:51,425 --> 01:49:54,725

I do not pretend to possess
equal frankness with your Ladyship.

1162

01:49:55,025 --> 01:49:58,025

You may ask a question

which I may choose not to answer.

1163

01:49:58,425 --> 01:50:00,625

Has my nephew
made you an offer of marriage?

1164

01:50:00,725 --> 01:50:03,725

Your Ladyship has declared it
to be impossible.

1165

01:50:04,125 --> 01:50:07,525

Mr Darcy is engaged to my daughter.
Now what have you to say?

1166

01:50:07,825 --> 01:50:11,325

If that is the case, you cannot suppose
he would make an offer to me.

1167

01:50:11,725 --> 01:50:16,625

Selfish girl. This union
has been planned since their infancy.

1168

01:50:17,025 --> 01:50:20,225

Do you think it can be prevented
by a woman of inferior birth

1169

01:50:20,625 --> 01:50:24,925

whose own sister's elopement resulted
in a scandalously patched-up marriage

1170

01:50:25,325 --> 01:50:28,425

only achieved
at the expense of your uncle.

1171

01:50:28,725 --> 01:50:32,425

Heaven and Earth! Are the shades
of Pemberley to be thus polluted?

1172

01:50:32,825 --> 01:50:35,225

Tell me once and for all,
are you engaged to him?

1173

01:50:38,825 --> 01:50:40,925

I am not.

1174

01:50:41,825 --> 01:50:44,725

Will you promise never
to enter into such an engagement?

1175

01:50:45,025 --> 01:50:47,125

I will not and I certainly never shall.

1176

01:50:49,125 --> 01:50:51,225

You have insulted me
in every possible way

1177

01:50:51,625 --> 01:50:54,225

and can now have
nothing further to say.

1178

01:50:55,625 --> 01:50:58,225

I must ask you to leave immediately.

1179

01:51:00,625 --> 01:51:01,925

Goodnight.

1180

01:51:03,925 --> 01:51:07,525

I have never been thus treated
in my entire life!

1181

01:51:08,925 --> 01:51:12,225

- What is going on?

- Just a small misunderstanding.

1182

01:51:12,625 --> 01:51:15,725

For once in your life,

leave me alone!

1183

01:54:05,425 --> 01:54:08,125

- I couldn't sleep.

- Nor I. My aunt...

1184

01:54:08,425 --> 01:54:11,425

Yes, she was here.

1185

01:54:11,725 --> 01:54:14,725

How can I ever make amends
for such behaviour?

1186

01:54:15,125 --> 01:54:17,425

After what you've done for Lydia

1187

01:54:17,725 --> 01:54:20,825

and, I suspect, for Jane,
it is I who should be making amends.

1188

01:54:22,325 --> 01:54:26,925

You must know.
Surely you must know it was all for you.

1189

01:54:29,625 --> 01:54:32,625

You are too generous to trifle with me.

1190

01:54:32,925 --> 01:54:36,225

You spoke with my aunt last night
and it has taught me to hope

1191

01:54:36,425 --> 01:54:39,025

as I'd scarcely allowed myself before.

1192

01:54:40,625 --> 01:54:45,525

If your feelings are still what they
were last April, tell me so at once.

1193

01:54:45,825 --> 01:54:48,725

My affections and wishes
have not changed.

1194

01:54:49,125 --> 01:54:52,125

But one word from you
will silence me for ever.

1195

01:54:57,525 --> 01:55:01,625

If, however,
your feelings have changed...

1196

01:55:04,625 --> 01:55:06,725

...I would have to tell you,

1197

01:55:07,025 --> 01:55:09,725

you have bewitched me,
body and soul, and I love...

1198

01:55:10,025 --> 01:55:12,925

I love... I love you.

1199

01:55:13,225 --> 01:55:16,025

I never wish to be parted
from you from this day on.

1200

01:55:27,825 --> 01:55:29,425

Well, then.

1201

01:55:34,525 --> 01:55:37,025

Your hands are cold.

1202

01:56:21,525 --> 01:56:23,325

Shut the door, please.

1203

01:56:34,425 --> 01:56:39,725

Lizzie, are you out of your senses?

I thought you hated the man.

1204

01:56:40,125 --> 01:56:44,925

- No, Papa.

- He is rich, to be sure.

1205

01:56:45,325 --> 01:56:49,025

And you will have
more fine carriages than Jane.

1206

01:56:49,325 --> 01:56:51,725

But will that make you happy?

1207

01:56:52,025 --> 01:56:55,925

Have you no other objection
than your belief in my indifference?

1208

01:56:56,325 --> 01:56:58,425

None at all.

1209

01:56:58,725 --> 01:57:03,325

We all know him to be
a proud, unpleasant sort of fellow.

1210

01:57:03,725 --> 01:57:06,025

But this would be nothing
if you liked him.

1211

01:57:06,325 --> 01:57:07,925

I do like him.

1212

01:57:10,325 --> 01:57:11,825

I love him.

1213

01:57:15,025 --> 01:57:19,525

He's not proud. I was wrong.

I was entirely wrong about him.

1214

01:57:23,225 --> 01:57:26,425

You don't know him, Papa.

If I told you what he was really like,

1215

01:57:26,725 --> 01:57:27,825

what he's done...

1216

01:57:28,925 --> 01:57:30,825

What has he done?

1217

01:57:39,025 --> 01:57:42,625

But she doesn't like him.

I thought she didn't like him.

1218

01:57:43,025 --> 01:57:46,525

So did I. So did we all.

1219

01:57:46,825 --> 01:57:49,325

We must have been wrong.

1220

01:57:49,725 --> 01:57:55,025

- It won't be the first time, will it?

- No, nor the last, I dare say.

1221

01:58:00,725 --> 01:58:02,425

Good Lord.

1222

01:58:05,225 --> 01:58:09,025

- I must pay him back.

- No.

1223

01:58:09,425 --> 01:58:12,825

You mustn't tell anyone.

He wouldn't want it.

1224

01:58:13,125 --> 01:58:17,225

We misjudged him, Papa.

Me more than anyone. In every way.

1225

01:58:17,725 --> 01:58:20,825

Not just in this matter.

1226

01:58:21,125 --> 01:58:23,725

I've been nonsensical.

1227

01:58:24,025 --> 01:58:28,825

But he's been a fool about Jane,
about so many other things.

1228

01:58:29,225 --> 01:58:32,525

But then, so have I.

1229

01:58:35,525 --> 01:58:38,125

You see, he and I are...

1230

01:58:40,525 --> 01:58:43,525

He and I are so similar.

1231

01:58:43,925 --> 01:58:47,125

We're both so stubborn.

1232

01:58:48,925 --> 01:58:50,525

Papa, I...

1233

01:58:54,625 --> 01:58:56,825

You really do love him, don't you?

1234

01:58:58,425 --> 01:59:00,625

Very much.

1235

01:59:05,125 --> 01:59:10,625

I cannot believe
that anyone can deserve you.

1236

01:59:11,125 --> 01:59:15,125

But it seems I am overruled.

1237

01:59:15,525 --> 01:59:19,925

So I heartily give my consent.

1238

01:59:28,425 --> 01:59:33,125

I could not have parted with you,
my Lizzie, to anyone less worthy.

1239

01:59:36,625 --> 01:59:37,625

Thank you.

1240

01:59:51,725 --> 01:59:56,125

If any young men come for Mary or Kitty,
for heaven's sake, send them in.

1241

01:59:56,625 --> 01:59:59,025

I'm quite at my leisure.

1242

02:00:21,015 --> 02:00:22,700

How are you this
evening, my dear?

1243

02:00:22,917 --> 02:00:24,240

Very well.

1244

02:00:24,285 --> 02:00:25,800

Only I wish you would not
call me 'my dear.'

1245

02:00:25,920 --> 02:00:26,900

Why?

1246

02:00:26,988 --> 02:00:28,950

'Cause it's what my father
always calls my mother

1247

02:00:29,056 --> 02:00:30,400

when he's cross
about something.

1248

02:00:30,491 --> 02:00:31,850

What endearments
am I allowed?

1249

02:00:31,959 --> 02:00:33,403

Well, let me think.

1250

02:00:33,628 --> 02:00:35,266

Lizzie, for everyday.

1251

02:00:35,997 --> 02:00:38,477

My pearl, for Sundays.

1252

02:00:39,333 --> 02:00:42,473

And Goddess Divine, but only on very
special occasions.

1253

02:00:43,938 --> 02:00:46,975

And what shall I call you
when I'm cross?

1254

02:00:48,200 --> 02:00:49,302

Mrs. Darcy?

1255

02:00:49,744 --> 02:00:51,951

No. No.

1256

02:00:53,014 --> 02:00:55,118

You may only call me
Mrs. Darcy

1257

02:00:56,150 --> 02:00:58,152

when you are completely

1258

02:00:58,352 --> 02:01:01,458

and perfectly,

and incandescently happy.

1259

02:01:04,992 --> 02:01:08,803

And how are you this evening,

Mrs. Darcy?

1260

02:01:18,206 --> 02:01:19,650

Mrs. Darcy.

1261

02:01:22,843 --> 02:01:24,447

Mrs. Darcy.

1262

02:01:26,480 --> 02:01:27,754

Mrs. Darcy.

1263

02:01:33,554 --> 02:01:34,725

Mrs. Darcy.
